**1877-1977**

However, nails and finger nails were short and I was sent back to work.

Now and then a printing job had a page or two of "chicken paper" which required a heavy kind of printers' ink which smudged very badly some days. I always dreaded it when "Mac" would tell that job on the largest press, in spite of the fact that we always spread an outside sheet to lessen the chances on the next print.

One of the jobs I had to do, being a junior and printer's devil on the staff, was to... I finished one and then... (the day not long after) I turned my job in to the printing plant. I decided to plant the flower that apparently hadn't been thrown in some one's... (obscure) time.

"J.J." came along and said, "how are you making out Vince?" I assured him that I thought I was beginning to see the floor. "J.J." laughed very heartily. He thought the remark pretty good and said:

Sometimes the gasoline engine, a piece of machinery would refuse to work, and the "Man" fix it. A man had patiently worked for a certain length of time to get it going again, without results. Man would then stand back and come over dramatically then he would immediately start working. "See," he would say, "all it needed was a bit of coaxing."

On other occasions when some guests refused duty for the and seemed to be brokenhearted, I would say, "use a little oil" and state another idea that is in value of that remark and the actual need of oil in many life situations, applied at the right time, right place and in the right way.

Other things that sort of stick in my memory and come to mind now and then are, like the time I built "Mac," all four teenage boys who in the spring season of 1928 got together just before dark and wearing and decided to initiate the newly built outdoor Pines Hotel swimming pool which had just been filled with water. Clothes were taken off near the road just east of the pool; nobody else seemed to be around except the four boys; no thought or time for bathing rights as in the pool they went. They stood on the edge of the pool and looked at the chilly water, one soon jumped in. The rest quickly followed and across the pool the swim-

"Mac" listened to the story and hardly said anything, but the next "Digby Courier" had a good story on the episode. The heading of the story went something like, "Four Boy Scouts Officially Ope Ope Pitkin Hotel Swimming Pool." Who were the four? Many years later they are known as: the late Dr. Earl H. Anderson, veteran of two wars (second world and Korean), was awarded the Victoria Cross; Sidney L. Smith, now prominent druggist, for many years in Digby; Clayton D. Snow, Digby wholesale importer of hardware and myself.

As a young teenager I used to like doing some writing about different events interesting to myself and mostly for myself. One day, "he" said to me how about writing your version of the story told about "The Marooning of Jerome". I said I had and read at least two somewhat different versions of the main who was found marooned on a beach at some point on the French Shore of St. Marys Bay, Durbly County. When I read this man's tongue and been cut out and his legs quite freshly amputated, were surgically well dressed and bound. He was treacherously left by some vessel before dawn one morning, all for some mysterious reason.

"Jerome" appeared to have been a man of some considerable social standing and possibly of some considerable wealth. However the only thing I could remember was that after being told the name for by some family in the French side of town, something that sounded like "Ole" or "Ole" or "Ole" either, you'd not, or, would that, with a "W" who he was or why he was left there. I was, and in, one of Digby County. I had different ideas have been, but, concerning this man. However, "Mia" was, I felt no urge to know, but, different about this man. The have been very well explored in the people, and he was a sort of a people who wanted where he stood.

The Town Plot is situated at the east of the township just within the entrance to Annapolis basin, and thence runs from Annapolis town, and six miles distant east from the head of W. Mear's lake. This land not then, the water's edge, partly on level ground, and partly on the declivity of a modern hill, dry and glebaud, and having with an eastern aspect, a view of the Annapolis basin and its cultivated shores by twenty miles in extent it terminates with the Fort and River's mouth at that name. free trade with the U.S.A., especially with the New England States. The question was then debated by some Digby High School students one of whom was J.J.'s daughter, Florence (now Mrs. Abbott of Tibet, Prescott, Digby Co.). Some days later the debate a man from some part of Nova Scotia came to the printing shop looking for Florence, one of the successful debaters. I had the impression that this man was interested politically but, maybe I was wrong.

Well, I felt that I had learned considerable from my short experience at "The Wallis Job Print." I was learning to do beginner jobs, receiving some knowledge about things like embossing, stamping, perforating, counting, cutting and estimating paper stock, mixing inks for certain desired colors, and so forth, but, the only experience I had at setting type was just enough to make a "go," the printers name for a confused mess.

There was a taste of trying to work inside the plant. Work was a little slack one early fall day and so "Mac" said to me, "how about trying your hand at taking orders for printed personalized Christmas cards?" I tried it, made several calls, and most of the time I was alone particular

## DIGBY WEEKLY COURIER

Digby, April 7, 1911

## The Fishermen's Regatta.

THE TIVERTON-DIGBY RACE AND THE EVENTS ON THE HARBOR WILL BE KEENLY CONTESTED.

A number of Tiverton fishermen have informed the COURIER this week that the motor boat race between that port and Digby and the fishermen's motor race on Digby harbor Saturday August 12th, will be keenly contested by a large fleet of boats, not only from Tiverton but from White Cove, Trout Cove and other places along Digby Neck.

New boats are now being built with a view of taking part in the race and in several cases new engines will be installed.

We understand that several of the local agents for the various makes of engines are already getting busy and we heard a Mianus man say he expected his engine to win in the Bay Fundy race and that if he was defeated the other engine agents in this vicinity would have to hustle.

It is likely that the live agents will take up the matter with their firms direct, each one seeing that they have one of their best machines installed in the event to be arranged for them and will be greatly disappointed if the townspeople do not cash up in good style for the prizes in these events.

The next public meeting, to further complete plans for this important event in the history of aquatic sports in Digby, will be held on the 17th, a week from Monday night. And a full attendance of all interested is expected.

## I. O. O. F.

RAINBOW LODGE, NO. 112, TIVERTON, WILL BE INSTITUTED IN DIGBY NEXT MONDAY EVENING.

Owing to Tiverton being an inconvenient place for the degree, teams to visit at this season of the year, it has been decided to institute Rainbow Lodge, No. 112, I. O. O. F., in St. George's Lodge room, Digby, on Monday night, work all the degrees on the Tiverton candidates here and also install their officers.

It is expected that Grand Master Smith will be present from St. John and a number of other prominent Oddfellows from various parts of the Maritime provinces.

The degree work will be conferred by special teams from St. George's Lodge and the affair will certainly prove an important event in the history of Oddfellowship in Digby. Refreshments will be served in the lower hall at midnight. No doubt all the local members will make a point to be present.

The ferry boat Port Wade will make a special trip to accommodate the three link brethren from across the harbor, and Oddfellows in Weymouth, and other parts of the country, should avail themselves of the opportunity to witness the installing of a new lodge and the conferring of the degrees on such a large number of candidates.

## Motor Boat Race on Digby.

ROYAL KENNEDY YACHT CLUB, HAS A RACE SCHEDULED FROM ST. JOHN TO DIGBY.

The COURIER received yesterday a list of the cruising and racing events of the R. K. Y. C. for the coming season which will publish in full in a future issue. The most interesting event on the programme for Digby readers is a long distance motor boat endurance race from St. John to Digby, N. S., across the Bay Fundy, to be sailed Saturday, July 29th. We trust that the committee will be able to exchange this with their regular race for Aug. 12th, two weeks later, so that the boats will reach here during the Fishermen's Regatta to be sailed on Digby Basin on August 12th. The owners of Digby will be pleased to hear of this race across the Bay and will endeavor to give the R. K. Y. C. boats a royal welcome.

## A. P. A. M.

At the regular communication of King Solomon Lodge, No. 54, A. F. & A. M., held on Tuesday evening last, Dr. W. C. Harris, D. D. G. M. for District No. 3, made his official visit and installed the following officers who had been elected for the ensuing year, viz:

W. M. Stanley A. Keen, S. W. Percy W. Holdsworth.

Secy.—Harry L. Denison, P. M.

Secy.—Harry L. Denison, P. M.

S. S.—D. Charles E. Armstrong.

S. S.—D. Charles E. Armstrong.

J. G. J. Fred Jones, P. M.

After the installation proceedings were concluded, lunch was served in the lodge room and at the conclusion of the evening, the officers of the lodge and others, the outlook for King Solomon Lodge for the coming year is very bright.

## Mr. Roy Coming to Digby.

Mr. T. S. Roy, of Campbellton, N. B., at present a member of the graduating class at the Medical College, Wolfville, has accepted a call from the Digby Baptist church and will take charge of the services next Sunday. He will, of course, complete his studies at Acadia so will not be permanently located here before June. Mr. Roy is no stranger among the Baptist congregation in Digby as he has recently been here several times since the church has been without a regular pastor, and his many friends will be pleased to learn that he has decided to accept the call.

## Ill in Middleton.

JUDGE LONGLEY UNABLE TO CONTINUE JOURNEY TO BERMDUDA.

On Saturday last while Judge Longley and wife were enroute for Bermuda via Yarmouth and New York, the Judge was suddenly taken ill, soon after the railway train left Kentville, and on its arrival at Middleton it was decided that the journey could not be continued. Mr. G. Parsons secured their conveyance to his home where the Judge has since been under the treatment of Dr. Sponagley, who thinks that the Judge will be able to return to Halifax in a few days. He is now resting very comfortably.

## Two Years in Dorchester.

A young man named Albert Barrett, of Massachusetts, said to have been at one time an inmate of the same school with Paul Boyce, the boy burglar at Waverly, Mass., was tried in Digby Wednesday under the provisions of the Act, before Judge Pelton, charged with taking money and other articles from Y. C. Marshall, of Marshalltown, Weymouth, who had recently been employed. He pleaded guilty and was sentenced to two years in the penitentiary at Dorchester, N. B.

## Another New Boat at Deep Brook.

Mr. J. D. Purdy, the popular boat builder at Deep Brook, has just completed a 22-ft. open launch for Mr. Fred Suits, of that village. She will be equipped with a 5-h. p. single cylinder, two port, make and break Mianus motor and will no doubt develop good speed for a boat of her dimensions.

## OF A LOCAL NATURE.

Little Paragraphs Which Tell of the News Around Town

NEWS GATHERED DURING THE WEEK AND RECORDED IN BRIEF FOR THE BENEFIT OF THE PUBLIC IN DIGBY AND ELSEWHERE.

—The Insular S. S. Co.'s stmr. Westport is now running on her summer schedule. See change of time table on our third page.

—Next Friday being a holiday the COURIER will go to press Thursday night.

—Correspondents and advertisers will therefore be required to send in their copy a day earlier than usual.

—We are certainly having a backward Spring. Another big snow storm prevailed in Digby Wednesday, one of the worst of the season.

—This time last year many of the farmers had potatoes planted and some of the yachtsmen were getting their boats ready to go into commission.

—Our streets were fairly well dried up on Tuesday but Wednesday's storm spoiled them again.

—A freight locomotive off the track Friday after a busy session.

—There is very little confidence put in the rumor that the D. A. R. has not been purchased by the C. P. R.

—A misunderstanding that Mr. Arthur Marshall has been appointed keeper of the alms house at Marshalltown to succeed Mr. George R. McNeill, who sent in his resignation a few months ago.

—The Brandham-Henderson Co., manufacturers of "English" paint, of which Dakin Bros. are sole agents for Digby, has received for a pretty calendar received this week.

—The Mission Band in connection with the Baptist church are preparing for an Easter concert to take place on Monday evening, April 17th.

—We understand that Messrs. Reid & Archibald, of Halifax, have been awarded the contract to build a government wharf at Westport, the work to be commenced as soon as weather permits.

## Millinery Opening.

ONE HELD YESTERDAY AND FOUR SCHEDULED FOR NEXT WEEK.

This is the season of the year when the ladies are particularly interested in the millinery stores and their openings.

Yesterday was opening day at Miss E. Collins' establishment in the Dunham building, Water street. Late Wednesday night when all was ready for yesterday's event, a COURIER representative was shown through the sales department, where more than a hundred hats (no two alike) were artistically displayed. There were Cornations and immediately returned to their original style without any damage to these valuable pieces of head dress. Considering the large assortment, the fashionable styles, the low prices and the excellent values, Miss Collins and her staff of assistants should have many busy days this spring in attending to the wants of their numerous customers.

B. Havey & Co.'s opening takes place next Wednesday, the 12th, and in today's COURIER. As usual this well known millinery store will also display a large assortment of all the leading styles. Miss Oliver and her staff have been busy engaged in preparing for one of the biggest events in the history of that establishment.

At Tiverton, Mrs. E. E. Comeau, will hold her millinery opening on Wednesday and Thursday, the 12th and 13th.

At Brighton, Miss VanBlarcom, whose adv. also appears in today's COURIER, will have her millinery opening on Friday, the 14th.

Digby county contains many up to date milliners and no one should send out of the province for what can be obtained at home.

Illness, left Monday for South Maitland on the Nova Scotia Telephone. Mr. J. A. R. where he is relieving agent for the present.

Mr. Thomas Williams, at present in charge of the company's telephone, is in Digby this week negotiating for the lease of the Royal Hotel with a view of purchasing later. Mr. Williams possesses splendid recommendations and should be able to secure a lease of the Royal Hotel no doubt prove a good addition to our town.

Mr. Howard Rafuse, of the Valley division of the Nova Scotia Telephone, is in Digby this week at the company's headquarters in Digby, where he is in charge of the company's telephone and instruments in this part of the province. Mr. Rafuse is very popular with the telephone patrons in Digby and vicinity and his return was welcomed by a host of friends. Mr. Brown and Mr. Rice who looked after the work during Mr. Rafuse's absence were also faithful telephone men and made many acquaintances here.

Rev. A. J. Saunders, pastor of the Freeport Baptist church, has accepted a call to the Freeport Baptist church, in Yarmouth county, which is very much regretted by his friends in Freeport, Central Grove and Tiverton where he is very popular. His sermon are very interesting and the result of the good work which he has performed while stationed in Freeport will be felt long after he moves away. Mr. Saunders' address in the Freeport is 100 Commercial street. He is a native of Digby and was a member of the Digby Baptist church. ## Death of Mrs. F. Herman Height.

ONE OF SOUTH RANGE'S WELL KNOWN RESIDENTS PASSES TO THE GREAT BEYOND.

A South Range correspondent writes:

It is with feelings of the deepest sympathy that we record the untimely death of the beloved Wealthy E., aged 33 years and 10 months, wife of Mr. F. Herman Height, which occurred at their home Thursday at South Range.

She got up in the morning the same as usual and after her children had gone to school, she told her sister Jessie, who was with her, that she was going to lie down as she had not slept much the night before. So her sister did not go to disturb her, supposing she was asleep, until her little girl Ida returned home from school, went to speak to her mother and found that she was dead. Heart failure is supposed to be the cause of her death. The sad intelligence was a shock to her hosts of friends in South Range and surroundings, as she was loved by all who knew her. She was the eldest daughter of Benjamin Sabean, and was twice married, her first husband being George W. Marshall, of South Range, who died 7th Feb. 1905, leaving her with six small children. She became a member of the Christian church when only a child and was a strong upholder of that hope in Christ all through life, which was a great comfort to her in her troubles.

She was married to Mr. F. Herman Height, Nov. 23d, 1910. She also leaves a father and mother, five brothers, Isaiah Sabean, of North Bend, Wash., Joseph H., Clarence A., Benjamin M., and Reginald E. Sabean at South Range, and four sisters, Mrs. Alex. Porter, South Range; Mrs. Hantford Marshall, South Range; Misses Fannie and Jessie Sabean at home. The funeral took place Sunday morning, April 2nd, at 10:30. Services were conducted by Rev. C. E. Armstrong, pastor of the Christian church. The words of his text were: "I've fought the good fight, I've finished my course, I've laid up my treasure above." A large number of relatives and friends attended to see the last and bid good-bye to all that was mortal of one whom they had loved in life. The interment took place in the Christian cemetery beside her first husband.

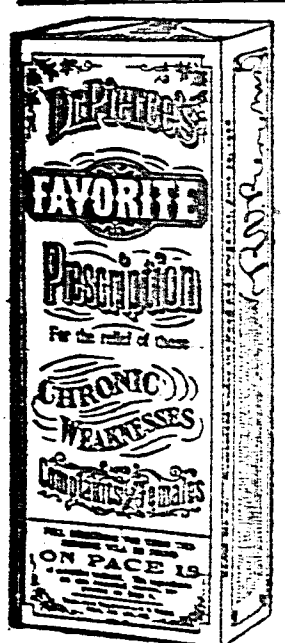

## Smallpox in Ottawa.

OTTAWA, April 3—There are nineteen cases of smallpox in the temporary hospital on Porter's Island today, four from one family and four children who have been attending the same school in Ottawa East.

### Kindly Act of King George

LONDON, Apr. 6.—A story of King George's kindness of heart was related last night. The king recently visited an aged couple in moderate circumstances, who had resided for a long time on the royal estate, at Norfolk, and after a friendly chat the king offered to the husband a cigar. The aged man thanked the king, adding: "I don't often get a chance to smoke cigars."

A few days later the man received a letter in the king's handwriting giving to him his house rent free for the rest of his life, and expressing the hope that this little relief to his income would enable him to afford cigars as long as he lived.

### Sure Signs OF KIDNEY TROUBLE

If your back is constantly aching and if you experience dull shooting pains, your kidneys are out of order. If your urine is thick and cloudy or your passages frequent, scanty and painful, your kidneys and bladder are out of order. Neglect quickly brings on rheumatism, diabetes, lumbago, sciatica, etc.

Mrs. John Wagner of 110 Hollis St., Halifax, N. S., says: "Dull shooting pains would catch me across the small part of my back and extend into my shoulders and neck, often causing me to suffer with severe headaches and spells of dizziness. Spots would dazzle before my eyes and everything would turn black. I would fall to the floor and be unable to get up again without assistance. A friend told me of Booth's Kidney Pills and I began their use. The first box gave me relief and I am now well and strong."

All druggists sell Booth's Kidney Pills 50c a box with a guarantee to relieve or your money back. They are the world's greatest specific for kidney and bladder trouble. Post paid from the proprietors The R. T. Booth Co., Ltd., Fort Erie, Sold and guaranteed by H. E. Jones.

**Falling Hair**  
Mrs. Jas. Harris of Wapella, Sask., says:—"I have found Parisian Sage to be the best scalp and hair tonic and dressing I have ever used. My hair had been coming out in clumps full and was very dry and brittle and the scalp was always itching and full of dandruff. I have used two bottles of Parisian Sage and it has stopped my hair from falling, the itching and dandruff have disappeared and my hair is fine and soft and glossy. I would not be without this fine Hair Tonic for many times the price."

For women, men or children Parisian Sage is without any doubt the finest preparation for the hair. Daintily perfumed, it is free from grease or stickiness and ought to be where every member of the family could use it daily. Large bottle 50 cents at all druggists or from the proprietors, The Giroux Mfg. Co., Fort Erie, Ont., postpaid. The girl with the Auburn hair is on every package. Sold and guaranteed by H. E. Jones.

**Grossmith's Advantage**  
George Grossmith had remarkable success with his latest remarks in America, and on his return to England eloquently compared the art of entertaining with that of acting. "You fellows," he said to Chas. Brookfield, "have to take out scenery, properties, plays and a large company when you want to perform, while I—look at me. I just landed in New York with my piano and a dress suit, and I made £30,000."

"I dare say," snapped Brookfield. "But we don't all look so damn funny in our dress suits."

# OLIVEINE EMULSION

## Invigorating - Tasteless - Strengthening - Nutritious

OLIVEINE EMULSION is a most palatable preparation, containing all the virtues of Cod Liver Oil without its nauseous grease. It can be freely taken and retained by the most delicate stomach, no unpleasant or injurious effect whatever following its use.

It will promptly relieve, and if its use is continued, cure Chronic Bronchitis and all Pulmonary affections, Hoarseness, and Coughs, Colds, Tonsillitis, General Debility or Constitutional weakness of young and old, indeed at any age of life, night Sweats, Hysteria, Insomnia, Nervous Dyspepsia, Flatulency, Dyspepsia, Anemia, Prostration following Fevers, Diphtheria, Debility at change of life, Blood disorders and any other complaint traceable directly or indirectly to an impoverished condition of the Blood.

It is a specific in Throat and Lung diseases. OLIVEINE EMULSION will so invigorate the system that the germs of the diseases will not gain a foothold, as it is only on the run down weakened system that they can develop. Rich red blood and abounding health is the best safeguard, and these can be obtained and retained by the use of OLIVEINE EMULSION.

Messrs. FRASIER, THORNTON & Co. Cookshire, Que.

DEAR SIR:—  
I thought I would write and tell you the good your "Oliveine Emulsion" has done for me. I was run down and could not do a hard day's work. I heard of "Oliveine Emulsion" and got a bottle. The first dose did me a lot of good, and I have since taken four bottles and now weigh 297 lbs. I shall never do without it in my house as long as I can get it. I have told a number of my neighbors about your "Oliveine Emulsion." Nothing ever came my way which did me as much good and I appreciate it very much.

(Signed) NATHAN R. HAZLETT.  
Milton, Queens Co., N. S.  
Oct. 10th, 1910

For sale at all Druggists and Dealers, PRICE \$1.00 per bottle. If your Druggist or Dealer does not keep it in stock we will send three bottles for \$3.00 charges paid, to any part of Canada.

A brief description of the following ingredients contained in OLIVEINE EMULSION will serve to show its remarkable combination. It has long been admitted that the most valuable remedies known to medical science for the treatment of Pulmonary complaints, Lung, Throat, Bronchial and other wasting diseases, is Syrup of Hypophosphites, extract of Malt and Fluid extract of Wild Cherry Bark. It is safe to say that in all wasting diseases the medical profession has obtained more satisfactory results from the use of Hypophosphites than any other preparation known. The extract of malt is nourishing and stimulating. Fluid extract of Wild Cherry Bark is recognized as an excellent adjunct in the treatment of Pulmonary affections. It helps to improve the appetite and strengthen the digestive organs. OLIVEINE EMULSION is incomparably the most efficient remedy before the public today. It is an ideal Tonic and Nutrient.

Experienced physicians prescribe lots of food in wasting or nervous diseases, OLIVEINE EMULSION, produces an appetite, helps digestion and enables you to receive the full benefit of all your food. Run down business men and women, over-worked mothers, delicate boys or girls will show permanent improvement from the use of this preparation.

Messrs. FRASIER, THORNTON & Co. Cookshire, Que.

DEAR SIR:—  
I have had a bad cough and tried almost everything without obtaining relief, until I tried your "Oliveine Emulsion." I can recommend it in the highest way for a cough or cold.

Messrs. FRASIER, THORNTON & Co. Cookshire, Que.  
DEAR SIR:—  
I would like to say I think the "Oliveine Emulsion" is splendid. My little daughter had a hard dry cough and had no appetite whatever. Before she had taken the "Oliveine Emulsion" a week the cough was decidedly looser and her appetite had greatly improved. I followed the directions and implicitly and honestly believe "Oliveine Emulsion" is all it is recommended.

# DIGBY COUNTY NEWS

Supplement to THE DIGBY WEEKLY COURIER

DIGBY, FRIDAY, APRIL 14, 1911

## Parker's Cove.

[Bridgetown Monitor]

We are sorry to say that Mr. Henry Sarty continues to fail and hope of his recovery is slight.

Miss Roxie Haliday and Mrs. Seretha Guest went to Lynn on Saturday last for an indefinite period.

Mr. Milton Rice has gone to sea in the schr. King Josiah. She is loading piling in Clementsport for Boston.

Capt. Thomas Milner is painting his vessel, the Wave Queen, and getting her ready for fishing. We wish him success.

Mr. Herbert Clayton has bought the schooner Falcon from Capt Casey, of Port Wade, and intends fitting her up for baitbut fishing.

Several of our young men have gone to Digby to join the schr. Albert J. Lutz, Capt. John Apt, and are going westward on a fishing trip.

The ladies of the Methodist church held an ice cream social at the home of Mr. and Mrs. W. H. Anderson's and the sum of nine dollars was realized for church purposes.

We regret to have to chronicle the death of Mr. Allen Young, one of the old landmarks of Parker's Cove at the age of seventy-eight years. He died at the home of his son, Mr. David Young. He was an active, industrious carpenter by trade. He will be greatly missed in the community. He was laid to rest beside his wife in the cemetery here, who predeceased him six years ago. Two sons and four daughters survive him, four of them reside in Boston and two at home. They were called home during his illness and remained with their father until he was called to exchange homes. Rev. Mr. Davis conducted the services at the home and grave.

## Ashmore.

Miss Lena Kinney has again resumed work in the millinery department at Journey Bros., Weymouth.

Mr. W. F. Kinney, who has been spending the winter at his home, expects to leave in a few days for New York.

Onward Division has at present fifty members enrolled. As the member increases, they feel the need of a more suitable building, in which to hold their meetings, so contemplate erecting a Temperance Hall in the near future.

Women voters were an important factor in last Thursday's election, as evinced by the number of women seen going to the poll on the morning of that day. Probably after the next election we will have a Woman Councillor, which will enable them to claim the full benefit of their privilege, instead of sending a representative.

## Weymouth.

Mr. Agnequ Lombard left for Middleton last Saturday.

Mr. N. E. Butler is visiting friends in Boston and vicinity.

S. S. Westport has again started on her spring time table after a two weeks' absence, painting up, etc.

Mrs. Dion, mother of Fr. Dion, left Monday for Quebec to see her daughter who is very ill. Mr. Dion accompanied her as far as Moncton.

Mr. Leonard Jones, who has been visiting his parents, Mr. and Mrs. Arthur Jones, for the past four months, has returned to Seattle. He was accompanied by his wife who was Miss Maud Journey before her marriage and his brother, Mr. Fred Jones.

## Mt. Pleasant.

Mr. Walter Barnes, of the Dorothy M. Smart, is spending a few days home.

Master Lloyd Handspiker, who is ill with pneumonia, is slowly recovering.

Mr. Hillyard Barnes has gone fishing in the Effie Morrissey with Capt. Ansel Spow.

We are sorry to report Mrs. Harry O. Vantassel, also Miss Alice Handspiker on the sick list.

Rev. Mr. Daniels is holding meetings in the school house. Last Thursday night (6) in spite of muddy roads a large crowd assembled. Mr. Daniels is an excellent speaker, and much good is hoped from the result of these meetings.

## Sandy Cove.

Dr. F. E. Rice spent Tuesday and Wednesday at Digby.

Mr. George King, of Annapolis, was at the Village House on Saturday.

The heavy fall of snow on Sunday did not make it appear very spring like.

Mr. and Mrs. D. G. Dakin and son Thornton spent Sunday last at Centreville.

Mrs. C. Rice, of Little River, was the guest of Mrs. Herbert Saunders last week.

Miss Parker, of Anna. Co., has taken charge of the primary department of our school.

Mr. J. Cann, of Yarmouth, has accepted the position as engineer on the S. S. Ida Lee.

Mr. Walter McKay left on Saturday for Boston where he will remain the summer.

Messrs. Guy Morehouse and D. G. Dakin made a business trip to St. John last week.

Mrs. Alex. McKay, Mrs. T. R. Morehouse and Mrs. Rachel Morehouse attended the funeral of their late mother, Mrs. Mary Ross, at Roxville on Saturday.

The paisy club met with Mrs. Blair Dakin on Friday evening, the whist club with Mrs. Ingram Saunders and the daisy club with Miss Hilda Rice on Saturday evening.

Mr. Vernon Jones, of Annapolis, who has accepted the position as engineer on the S. S. Centreville, was the guest of Mr. and Mrs. Guy Morehouse last week. S. S. Centreville sailed on Friday.

Mr. Ralph Dakin arrived from Weymouth on Saturday and is the guest of his mother, Mrs. Louisa Dakin. He had been with his wife at the home of her father, Mr. Joseph Cosman, of Danvers, whom that dreaded disease consumption had taken for its prey and where she passed away on Saturday. Interment took place at Weymouth on Wednesday. We extend our sympathy to the bereaved ones.

A surprise party of about 30 met at the home of Mrs. E. H. Timpany on the 30th of March, the occasion being her 68th birthday. The evening was spent in games and after refreshments of ice-cream and cake prepared by the ladies. Mr. Ingram Saunders presented Mrs. T. with an envelope containing cash showing the high esteem in which she is held in this community. We trust she may be spared to enjoy many more such occasions.

## Tiverton.

Mr. George Outhouse has purchased a new horse.

Mrs. William Outhouse is visiting at White Head, G. M.

Mrs. Jane Lyle, of Lubec, is visiting Mrs. Fletcher Elliott.

Mrs. Capen Ossinger is visiting relatives at White Head, G. M.

Schr. Lyler, Capt. Handford Outhouse, sailed for Halifax April 8th.

Mr. and Mrs. Freeman Elliott are visiting relatives in St. John.

Mrs. John Stanton, of Grand Manan, visited friends here last week.

We are glad to report Mr. James Outhouse better after being very ill.

Mrs. I. Vantassel visited her daughter, Mrs. W. Bates, at Freeport last week.

Mr. and Mrs. Roy Morse and daughter Lena are visiting relatives at White Head, G. M.

Mrs. Byron Outhouse and Mrs. Joel Blackford are visiting relatives at Brighton and Plympton.

Mr. Ashley Loomer, of Boston, is spending a short time with his sister, Mrs. John Fisher.

Congratulations to Mr. and Mrs. William Howard on the arrival of a daughter, April 1st.

Mrs. Edgar Bates, of Freeport, is spending a few weeks with her mother, Mrs. Stephen Outhouse.

Mrs. John W. Thurber, Freeport, and daughter Jennie, are visiting her parents, Mr. and Mrs. James Walker.

Mrs. Robert Butler and son Garfield, of St. John, arrived here via S. S. Amelia last Saturday to spend a week with her father, Mr. Lyons Outhouse.

Ask for Minard's and take no other.

## Westport.

We had one of the worst snow storms of 1911 on Sunday.

Mrs. Annie Glavin, of Lynn, is the guest of Mrs. George Repool.

Austin Elliott, of Tiverton, spent Sunday with his brother, Lee Elliott.

Mr. Morehouse is now busy hauling stone for the new government wharf.

Schr. Mildred K., Capt. Thompson, arrived home from St. John the 9th inst.

Mrs. Elva Hayford, who visited friends at Freeport last week, has returned home.

Messrs. Ernest and Jesse Peters have gone to Belliveau's Cove to purchase a boat.

Rev. W. J. Hamilton, who has been quite ill with la grippe at Tiverton, returned home last week.

Mr. Sin Clara Cann went to Meteghan Saturday in his gasoline sloop Addie B. to take several crates of lobsters.

James Morrell was a passenger on the S. S. Westport Monday morning en route to the mainland to purchase a yoke of oxen.

The S. S. Westport III arrived home from St. John Sunday morning. She had been on the blocks there for repairs since last week.

Miss Georgie Gilliatt, who has been spending the winter with her cousin, Mrs. E. C. Bowers, returned to her home in Granville Ferry this week.

What might have been a very sad accident happened last Monday afternoon, when little Athwood Morrell fell backward off S. T. Payson's wharf at high tide. Fortunately Mrs. Payson saw him and at once notified his father, Braddish Morrell, who was in the store. He at once rushed out and jumped off the wharf and being a good swimmer soon had him safely ashore.

BOXN—To Mr. and Mrs. Fred Gower, April 8, a son.

## Deep Brook.

Mr. Howard and Kenneth Adams left last Wednesday for New Boston, N. H.

Mr. and Mrs. Chas. Frude, of Bear River, were the guests of Mr. and Mrs. Otis Robbins on Thursday.

The snow fall in Sunday's storm was about seven inches in this place. Verily winter sitteth pretty hard in the lap of spring.

Mr. and Mrs. Isaac F. Jones left on Saturday for Boston where Mrs. Jones, who has been in poor health for some time, will enter one of the hospitals for treatment.

While plastering on Tuesday last Mr. Geo. M. Spurr had the misfortune to get some mortar into his eyes which has kept him in the house under the doctor's care. We hope he will soon be out again.

On Monday of last week Mrs. Loran E. Adams was called to Waltham, Mass., to attend her sister, Miss Lulu Nichol, who was reported to be dangerously ill, but we are glad to say that later reports confirm that she is out of danger and improving quite rapidly.

## Bay View.

Mr. Hart Hayden is going to put up a new barn.

Mrs. John Adams is on the sick list. We hope she will soon recover.

Mr. Ellis Cosman, of Weymouth, was a guest at Mr. James W. Hayden's over Sunday.

Mr. Alexander Adams was a passenger to New Glasgow on Thursday to attend the funeral of his sister, the late Mrs. Pettie. He returned home on Saturday.

Mr. and Mrs. Chas. Adams and Mr. Lindsay went across to Port Wade Sunday. The heavy snow storm prevented them from getting back until Monday morning.

Mrs. Hart Hayden, who was called home to Richibucto, by the illness of her mother, returned home on Thursday last. She was accompanied by her brother, Mr. Alfred Pine.

Mr. Robert Lindsay, from the Presbyterian College, Montreal, arrived last Thursday to conduct the services in the church here. Mr. Lindsay is not a stranger to us as he had charge of the church last summer and we are very pleased to welcome him back among us.

Minard's Liniment Cures Garget in Cows

## Weymouth.

Mr. Douglas Blackadar went to Aylesford on Monday to work for the summer.

Mrs. Churchill Lent, of Little River, Yarmouth Co., visited friends here last week.

Mrs. Emeline Hutchison, of Boston, is visiting her sister, Mrs. H. Butler, and aged mother, Mrs. Mary Gray.

Mr. Geo. Marshall, after spending a few weeks with his father, R. P. Marshall, returned to Boston last Saturday.

Mrs. Geo. Nickerson (nee Annie Durland), of Brighton, spent Sunday with her sister, Mrs. W. Lent, Sunset Cottage.

Mr. and Mrs. F. B. Sweeney went to Port Maitland last week. We understand Mr. S. intends to start in the undertaker's business there.

One of the worst storms of the winter came on Sunday, April 9, when we were not looking for it. More snow fell then has at any one time the past winter. Surely snow will soon be a thing of the past.

Mrs. Geo. Speicht, of Taunton, Mass., and Mrs. Durland, of Swampscott, Mass., were called here about a week ago on account of the serious illness of their father, Wm. Lent, sr. Mr. L. has since passed away and was buried on Sunday afternoon, the services being conducted by Rev. J. W. Bancroft, a former pastor of the Baptist church here. We are always pleased to see Mr. Bancroft. Although a very bad storm, quite a number attended the funeral. We extend our sympathy with the bereaved family.

## Port Wade.

Mr. John Anderson, of Roxville, Digby Co., was the guest of Mr. F. W. Thorne, last Sunday.

A heavy snow storm prevailed here all day Sunday, giving this part of the country a very wintry appearance.

Capt. Morrison, of St. Martins, N. B., was a guest at Capt. Abram Holmes' last Friday. He returned home on Saturday.

Quite a number of our residents are still on the sick list. Among them are Mrs. Edmund Muscels and Mr. and Mrs. James Merritt.

Capt. Joseph Johnson arrived home last Wednesday after having spent the winter with his daughters at Salem and Middleton, Mass.

## North Range.

Mr. Doran Height is improving in health.

Sorry to report Mrs. J. L. Height on the sick list.

Sorry to report Mrs. S. W. Cook on the sick list. Dr. W. C. Harris is in attendance.

Mrs. Bernard Farnsworth spent a few days last week with her mother-in-law at Plympton.

Mr. and Mrs. George Petters, and children, of Yarmouth, are visiting friends in North Range.

## Thorne's Cove.

Mr. Silas Balcom recently visited his old home in Berwick.

Mrs. James Morrison, sr., and Mr. George Morrison are both on the sick list.

Rev. F. S. Kinley, of Ogunquit, Maine, called on some of his friends here last week.

Mrs. John R. Covert is visiting her brother in Clarence who is very ill at the time of writing.

Winter has returned in earnest. The snow fall of Sunday, April 9th, being the heaviest of the season.

## Lower Granville.

The la grippe still lingers and quite a few are suffering from its effects.

Geo. Morrison has been very ill, but we are pleased to hear is rapidly improving.

Schr. Onward is undergoing repairs preparatory to taking in the coasting trade.

Hugh and Kenneth Young, Earl McLeod and Keith Oliver went to Boston last week.

Capt. Melanson has purchased the schr. Clara Bennen and has her on the St. John route.

**Where Were the Rest?**

The 8-year-old son of a Baltimore physician together with a friend, was playing in his father's office during the absence of the doctor, when suddenly the first lad threw open a closet door and disclosed to the terrified gaze of his little friend an articulated skeleton.

When the visitor had sufficiently recovered from his shock to stand the announcement the doctor's son explained that his father was extremely proud of that skeleton.

"Is he?" asked the other, "Why?"

"I don't know," was the answer, "maybe it was his first patient."

**Pat's Office Hours**

Pat, a miner, after struggling for years in a far-off western mining district, finally giving up in despair, was about to turn his face eastward when suddenly he was struck it rich. Soon afterwards he was seen strutting along dressed in fine clothes. One day an old friend stopped him, saying: "And how are you, Pat? I'd like to talk with you." Pat stretched himself proudly. "If you want to talk with me, I'll see you in my office. I have an office now, and my hours are from a. m. in the morning to p. m. in the evening."

**A Poor Beginning**

The young teacher looked around at the little assemblage that constituted the slum kindergarten of which she had taken charge and began in sweet gurgling tones supposed to express intense interest in her subject, "Now I wonder how many little children here this morning can tell me whether the little kitty wears fur or feathers?"

A dirty-faced urchin rolled his eyes ceilingward and groaned, audibly: "Gee! ain't she never seen a cat!"

A girl with a small foot talks a lot about shoes.

**6 Year Old Girl**

CURED OF KIDNEY TROUBLE

Mrs. Alex. Moore, of James St., Oxford, N. S., says: "Booth's Kidney Pills cured my little daughter, Christian, age six years, of many symptoms of kidney weakness. She complained of a sore back, the kidney secretions were frequent and uncontrollable, especially at night. Her stomach was weak and her appetite poor. This caused her to have frequent headaches, and the least exertion would tire her. We had tried many remedies, but she did not improve. Finally we learned of Booth's Kidney Pills and procured a box. In a short time she was well and does not now complain about her back, the kidney secretions have become normal, and she plays around the house with no apparent fatigue. We always recommend Booth's Kidney Pills."

Booth's Kidney Pills carry a guarantee that if you derive no benefit your money will be refunded. Booth's Kidney Pills are a specific for all diseases of the kidneys and bladder. Sold by all druggists, 50c. box, or postpaid from the R. T. Booth Co., Ltd., Fort Erie, Ont. Sold and guaranteed by H. E. Jones.

**Parian Sage**

WILL GROW MORE HAIR

Parian Sage will stop falling hair in two weeks—cure dandruff in the same time and stop scalp itch at once. It makes the hair soft, silky and luxuriant.

AS A HAIR DRESSING.

Parian Sage is without peer. It contains nothing that can harm the hair—it is not sticky, oily or greasy and prevents as well as cures diseases of the scalp.

Women and children by the thousand use it daily as a dressing and no home is complete without it.

MONEY BACK IF IT FAILS.

Druggists and stores everywhere guarantee Parian Sage and will refund your money if it fails. Ask druggist H. E. Jones what he thinks of it. He sells it at 50c. per large bottle or you can secure it by mail postpaid from Giroux Manufacturing Co., Fort Erie, Ont. See that the Girl with the Auburn Hair is on each package. Sold and guaranteed by H. E. Jones.

The first pound you use will win your lasting favor

## FREE ADVICE TO WOMEN

Women suffering from any form of illness are invited to promptly communicate with Mrs. Pinkham at Lynn, Mass. All letters are received, opened, read and answered by women. A woman can freely talk to her private physician without the written consent of the doctor, and never has the Company allowed the confidential letters to get out of their possession, as the hundreds of thousands of them in their files will attest.

Out of the vast volume of experience which Mrs. Pinkham has to draw from, it is more than possible that she has gained the very knowledge needed in your case. She asks nothing in return except your good will, and her advice has helped thousands. Surely any woman, rich or poor, should be glad to take advantage of this generous offer of assistance. Address Mrs. Pinkham, care of Lydia E. Pinkham Medicine Co., Lynn, Mass.

Every woman ought to have Lydia E. Pinkham's 80-page Text Book. It is not a book for general distribution, as it is too expensive. It is free and only obtainable by mail. Write for it today.

That Precious Name

Precious-Jesus! How I love Him.

More than e're I've done before.

A-I think of His last supper.

When He bled for me on the cross.

And how He suffered patiently.

Because He knew I was dying.

Precious-Jesus! How I love Him.

More than e're I've done before.

A-I think of how He travelled.

Homeless, tired from road to road.

And how He labored faithfully.

Because He knew I was dying.

Precious-Jesus! How I love Him.

More than e're I've done before.

Raised above all deity.

May I gain the other shore.

And feel that through eternity.

He has blessed my destiny.

Ship Building Plant at Sydney

HALIFAX, April 12.—A charter has been granted a company with a capital of \$100,000 for a shipbuilding plant on Sydney harbor.

St. Henry Pelletier, of Toronto, Governor J. M. Gibson, Charles Ellis, of Clyde Bank, Scotland, Alex. Gracie, of Fairfield Ship Company, and A. C. Ross, of Sydney, are the incorporators of the company.

The company will carry on business under the name of British-Canadian Shipbuilding and Dock Company.

Major Gunn, of Sydney, says there are two famous shipbuilding concerns among the greatest in the world, are now committed to Sydney proposition and there is not the slightest doubt of their starting work there in a short time.

There Are Others.

Mrs. Mann—(meeting her former servant) Ah, Mary, I suppose you are getting better wages at your new place?

Mary—No, ma'am, I'm working for nothing now, I'm married.

**Sluggish Liver Action**

Causes indigestion, constipation and bilious headache—Dr. Chase's Kidney-Liver Pills.

"Sluggish liver has been my trouble," writes Mrs. L. P. Smith, Paris, Ont., "and I have been greatly benefited by using Dr. Chase's Kidney-Liver Pills. I have taken medicine from several good doctors, but none ever did me the same amount of good as Dr. Chase's Kidney-Liver Pills. I could not keep up my work, and I did not use these pills when the bilious spells came on, and I have recommended them to many."

"Dr. Chase's medicines were about the only kind that came into my father's house 40 or 50 years ago, and they were always satisfactory."

Dr. Chase's Kidney-Liver Pills are prompt, definite and direct in their action on the liver, kidneys and bowels, and are therefore the most effective treatment obtainable for biliousness, indigestion and constipation. 25 cents a box, 5 for \$1.00, at all dealers, or Edmondson, Bates & Co., Toronto.

**Horse Dentistry**

Is not a fad as some people would have you think, but an absolute necessity to your horse's health. ## How to Save Money.

A POINTER TO HOUSEKEEPERS.

Look at the financial side of Zam-Buk's use. A cut sustained in the home, the store or the workshop, a sore which is untreated, results, say, in festering or blood poisoning.

What does that mean? You have to pay off for a day or two. What does that mean? You pay day comes round? Zam-Buk insures you against that loss! A little Zam-Buk applied to such an injury prevents all danger of blood-poisoning, takes out the smarting and heals.

Heads of families know how costly doctoring is. Be wise and act on the preventive line. A box of Zam-Buk in the house is so all-round useful. The baby's rashes, the children's cuts and bruises, the inevitable burn, cut, or scald—for all these, as well as for serious ailments, such as piles, ulcers, eczema, ringworm, etc., Zam-Buk is without a rival.

Dangers of Shaving—You get a cut at the barber's shop. A little Zam-Buk smeared on the wound prevents all danger. If any ailment has been contracted, Zam-Buk cures. Mr. George Hobden, 108 Manitoba Street, St. Thomas, Ontario, says: "I contracted barber's rash, and the whole of my left cheek broke out in one mass of red, watery pimples and sores. These spread to the other parts of my face, until face and neck were covered with running sores. How for the disease would have spread had it not been for Zam-Buk, I don't know. I applied this balm, and in a short time Zam-Buk effected a complete cure."

Zam-Buk soap is as good as the balm, but in a different way. Washed in Zam-Buk Soap the skin is disinfected and disease germs lying upon it are killed. Mothers will find it unequalled for baby's bath.

Zam-Buk Balm and Zam-Buk Soap are sold by all druggists and stores at 50c. for the balm and 25c. tablet for the soap.

**Variety in Nature.**

(Written for the Courier.)

Nature delights in variety. Think of the variety of human faces, no two being exactly alike. Even twins show some shades or degrees in difference, showing that each individual has a separate personality which may have existed from the foundation of the world. Darwin says that man has come up from the animal condition. Yes, but he was different from the beginning from all other animals.

God gave him powers of development not possessed by any other animal. Nature also shows her love of variety in flowers, fruits, plants, fish, birds, insects, etc. Also nature delights in variety in climates, seasons, hills and valleys, so two localities being exactly alike and so we might go from the known to the unknown, and suppose that it is possible for every star in the universe to be just as full of variety.

Also there is just as great a variety in human nature, and although each person may possess the same qualities yet each individual shows a different personality. The most important personality is man. "You have to live with people to know them." The fact is, it is difficult to understand our own nature, or "see ourselves as others see us."

If young people understand better not only their own nature but that of their companion before marriage, it would be safer for them to get along afterwards.

If parents fully understood the nature of their children it would not only be better for the child, but make it easier for themselves. Also we have a great variety in human experiences but "The back is fitted for the burden," and we can get good out of every trial if we only cultivate a patient lamb like spirit because that will eventually overcome all evil.

"Whatever is, is best"

And God is over all

The Lamb is sure to conquer

And Satan sure to fall.

**A Word of Gratitude**

"In justice to humanity I want to tell you that I was a great sufferer from itching piles, and have found Dr. Chase's Ointment, the best treatment obtainable."

W. J. Brothman, Ont. "It gives instant relief and I can recommend it to any sufferer from this dreadful disease."

Probably.

Sunday School Teacher—After he heard the people shouting "Saul has slain his thousands," but David has slain his tens of thousands!" What did Saul do then?

Willie (whose father "also ran") I suppose he got right up an' hollered for a recruit.

**25 Years Ago**

(From the Yarmouth Times.)

William Blaney, while going into his barn at Stony Beach, Annapolis county, dropped dead. He was 81 years of age and it was said, born in Yarmouth, N. S.

Rev. J. B. Woodland recently lectured at Port La Tour on Temperance.

Mr. Woodland was Grand Chief Templar of the I. O. G. T. (Mr. W. is now 101), editor of a paper in Kentville which is not warmly supporting the call for provincial prohibition.

Joseph Wade, who lived at Grandville Ferry, lacked twelve days of being 100 years old. His descendants are spread throughout the province and especially in Digby and Annapolis counties. These relatives proposed to celebrate the occasion by a gathering at Walter Woodland's house, Grandville Centre, on the 23rd. Geo. F. Parker, the Yarmouth photographer, was to be asked to visit the old gentleman on that date to secure photos of him.

**Town Wiped Out By Tornado.**

MUSKOGEE, OKLA., April 12.—The town of Big Heart (Okla.), has been blown away by a tornado, according to reports received here at the office of the Missouri Kansas & Texas Railway. All wires are down and details thus far are unobtainable. Big Heart is in the Oklahoma territory on the Midland Valley Railroad.

TORONTO, KAN., April 12.—A tornado, travelling in a southeasterly direction, destroyed the town of Whiting, twenty-five miles north of Topeka, this afternoon. Sixty houses were blown down and thirty persons injured. Moagre reports received here by long distance telephone tonight indicate that the towns of Powhattan, Neotawaka and Eskridge were also hit by the same storm. Wires are down and particulars are hard to get.

## DON'T TAKE OLD-TIME PHYSIC

"Fruit-a-lives" Brings Natural Results in A Natural Way.

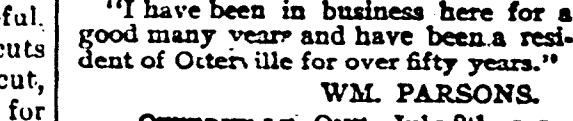

"I am a seventy-nine-year-old man and a great believer in, and user of, 'Fruit-a-lives'."

"Strictly of The Bowels was the complaint I suffered from and I found that 'Fruit-a-lives' did me more good than any other remedy. My doctor advised me to stick to 'Fruit-a-lives' and I have done so with best result."

"I have been in business here for a good many years and have been a resident of Ottawa for over fifty years."

WM. PARSONS.

OTTAWA, ONT., July 8th, 1910.

Fruit is Nature's laxative. "Fruit-a-lives" is made of the juices of apples, oranges, figs and prunes. "Fruit-a-lives" acts on the human system like fresh fruit—easily and gently—yet just as effectively as the old-time pill.

"Fruit-a-lives" does not gripe or irritate the intestines. It regulates the bowels and cures constipation because "Fruit-a-lives" acts directly on the liver.

Just try "Fruit-a-lives" when you need a mild, gentle yet effective laxative and liver regulator.

Get a box—6 for \$2.50—trial size, 25c. At all dealers, or from Fruit-a-lives Limited, Ottawa.

**For Aged People.**

OLD FOLKS SHOULD BE CAREFUL IN THEIR SELECTION OF REGULATIVE MEDICINE.

We have a safe, dependable and altogether ideal remedy that is particularly adapted to the requirements of aged people and persons of weak constitutions who suffer from constipation or other bowel disorders. We are so certain that it will relieve these complaints and give absolute satisfaction in every particular that we offer it with our personal guarantee that it shall cost the user nothing if it fails to substantiate our claims. This remedy is called Rexall Orderlies.

Rexall Orderlies have a soothing, healing, strengthening, tonic and regulative action upon the bowels. They remove all irritation, dryness, soreness and weakness. They restore the bowels and associate organs to more vigorous and healthy activity. They are eaten like candy, may be taken at any time without inconvenience, do not cause any griping, nausea, diarrhoea, excessive looseness, flatulence or other disagreeable effect. Price 25c. and 10c. Sold only at our stores—The Rexall Stores, P. W. Holdsworth, Digby; Ryan & Blackadar, Weymouth.

**Hair Beautifier.**

REFINED WOMEN THE WORLD OVER USE IT.

Every woman knows that there is nothing so good for hair and scalp trouble as Parisian Sage. If Parisian Sage is used two or three times a week it will keep the scalp nice and clean and remove dandruff. It makes the hair lustrous and fluffy, and keeps it from falling out.

We urge every woman who loves radiant and fascinating hair to go to H. E. Jones today and get a large 50c. bottle of Parisian Sage. He guarantees it to cure dandruff, falling hair and itching scalp, or money back.

**The Last Straw.**

Rabbi J. Leonard Levy, of Pittsburg, in his famous lecture, "The Wandering Jew," tells a joke as an illustration of the divorce habit. Here is the joke.

"Judge, I want a divorce from my wife."

"Well, upon what grounds do you seek a divorce," questioned the judge.

"To begin with, judge, my wife ran away with a suitor!"

"I do not consider that sufficient grounds for a divorce," the judge broke in.

"Well, judge, I don't mind getting up making the fire, cooking breakfast and sweeping the floors, but when it comes to putting pink ribbon in my nightgown to fool the baby, that's where things don't go, and I want a divorce."

**Nature makes the cures after all.**

Now and then she gets into a tight place and needs helping out.

Things get started in the wrong direction.

## The Fishermen's Regatta.

PUBLIC MEETING HELD IN THE COURT HOUSE MONDAY NIGHT.

A public meeting which was considerably larger attended than any in the past, was held in the Court House last Monday evening in reference to the Fishermen's Regatta to be held in Digby on Aug. 12th.

Mayor Short occupied the chair. In the absence of the regular secretary, Maj. M. G. Denton, Mr. F. V. Johnson was appointed secretary pro tem.

After the minutes and correspondence had been read, it was moved by Mr. W. E. VanBlarcom and seconded by Mr. Geo. H. Poets that the society make the Bear River Band the same offer as they charged for their service last Dominion Day.

Mr. O. S. Dunham, chairman of the management committee, read letters from Bridgewater, Pictou and St. John from boat and engine makers who are interested in the speed boat contest, also letters from the Royal Kennebec Yacht Club, St. John in reference to a yacht race.

It was decided that if the R. K. Y. C. could arrange to charter the Bay of Fundy race to Aug. 12th a silver cup would be purchased for a race on Digby Basin for yachts exceeding 10 h. p. in which the St. John boat could compete after their arrival here.

Mr. A. D. Daley will start the subscription list the latter part of May and will report to the next regular meeting to be held the first Monday evening in June.

In the meantime the committee will continue to complete arrangements for the Tiverton-Digby race and the important events on the Basin.

## The Digby Board of Trade.

A meeting of the Digby Board of Trade was held in the Court House last Monday evening.

President H. T. Warne and Vice President A. A. Shortliffe both being ill, on motion the arrangement was appointed Chairman of the meeting.

Forty new candidates were elected to membership, the receipts from dues since the last meeting being \$20.00. This important work was brought about by Dr. DuVernet who received the thanks of the chairman and members present.

Considerable discussion arose about advertising Digby as a summer resort. This work has always been done in the past by the hotel men, but it was thought that the town as a whole should be advertised in some of the leading American magazines.

Messrs. C. J. Jordan, H. B. Churchill, P. W. Holdsworth, W. E. VanBlarcom and O. S. Dunham were appointed a committee to take the matter up and report to a meeting of the Council of the Board of Trade next Wednesday evening, the 20th inst. The Board then adjourned.

The committee met in the office of the Columbia Hotel last Tuesday afternoon and made up an estimate of the funds required for the advertising and for the cost of the hotel and the necessary apparatus and decided to call on the keepers and merchants tomorrow (Saturday) afternoon to collect the necessary amount.

## Death of Mrs. Ross Smallie.

Mrs. Della Irene, wife of Ross C. Smallie, who had not been well for several years, and seriously ill for the past few days, died at her home on the Racquette at five o'clock last Friday morning, aged 38 years and 4 months. The deceased was well liked by all who knew her. She was a member of the Digby Methodist church and had always taken a deep interest in religious affairs, had contributed many interesting papers at Sunday School conventions, Missionary meetings, etc., and her death has caused a vacancy in church circles which will be difficult to fill for some time. She was a daughter of the late Luke Killalea, of Grand Manan, where many of her relatives still reside. She is survived by a grief-stricken husband, a son, Mr. J. E. Smallie, a general store and wholesale fish business, and one little daughter, Helen. She also leaves a step father, Capt. George Post, Light House keeper, and two half sisters, Mrs. Fred Cummings, of Clementsville, and Mrs. Charles P. Chabon, of Halifax.

The funeral took place from her late home Tuesday afternoon with interment in the Methodist cemetery, the services being conducted by Rev. J. M. Smith, pastor of Grace Methodist church. The floral tributes were handsome. The pall bearers were Percy and Roland Wormald and Arthur and Ernest Turnbull.

## The Annapolis Mail Order House.

We have received this week a copy of A. M. King & Son's new and summer catalogue of boys' and men's clothing. It is from the press of the Annapolis Spectator, it is well printed and contains a description and price of a large variety of goods. Messrs. King & Son have been advertising this catalogue in the Couriers with the result that enquiries have reached them from nearly every home in Digby county. Those who send out of town for their goods will do far better sending their orders to Annapolis than sending their money outside of the province. A trial order will demonstrate this argument better than any other way.

## The Easter Ball.

The Easter ball held by the Dancing Club in the Middletons' hall Tuesday evening, under the management of Messrs. Frank Anderson and Archibald Dillon was certainly a big success. Everybody present having a delightful time. The chapters of the R. K. Y. C. E. VanBlarcom and Mrs. H. B. Churchill. Refreshments were served at 12 o'clock, about 200 couples being present. Dancing was resumed until 12:30. Music was furnished by Mitchell's orchestra of Annapolis. Mr. A. D. Daley continued the next night's service until 2 a. m. The next regular meeting of the class will be held in the same hall Thursday evening, the 27th inst.

## The Digby Neck Mail Service.

As we stated in our columns last winter the Digby Neck mails will be put through this year, via an automobile, on that mails and passengers can reach Westport the same day they leave Digby instead of staying over night at Sandy Cove. The mail contractors, Messrs. Guy and George, have reported a big Russell touring car for this purpose which arrived here Saturday and will be placed on the route as soon as the roads permit. The service they are certainly entitled to an increased subsidy from the government which the trust will soon be granted them.

## Easter Concert.

The Easter concert held in the Baptist hall last Monday evening was a splendid success. The sum of \$20.00 was realized, which was divided between the Mission Band and the Sunday school library. Mrs. Hargreaves, president of the Mission Band, informs us that the training of the children and the great success of the entire affair was due to Miss Alice Nowlin, assisted by Miss Lizzie Steadman. The programme consisted of exercises, recitations, songs, etc., all of which were well rendered. Those who were present were much pleased with the entertainment.

## Another Automobile For Digby.

It is said that quite a large number of automobiles will be purchased by Digby people this season. Mr. C. A. Jordan, proprietor of the Columbia Hotel, imported a new one Tuesday which he will use in connection with his hotel.

At the close of programme there will be a sale of home-made candies.

## Death of Mr. John Dunn.

Mr. John Dunn, a well known ship and wharf builder, and a highly respected resident of Digby, died at his home on the Racquette at five o'clock, aged 73 years.

He had been ill for some time, but rapidly failed in health during the last few months, during which time he had the best of care by his son Evan E. Dunn and adopted daughter Mabel, who resided with him. The deceased was the youngest son of the late Mr. and Mrs. William Dunn, Sr., and is survived by three sisters, Mrs. Lavinia Warrington, of Westville, Digby county, Mrs. Mary J. Warne, of this town. He also leaves one daughter, Mrs. J. Troop McKinnon, of Moncton, N. B., one son Evan E. Dunn, Digby's well known wharf builder, and an adopted daughter Mabel. The funeral took place from his late home Monday afternoon with interment in the Methodist cemetery, the services being conducted by Rev. L. Daniel, pastor of the Digby Methodist church. The pall bearers were Percy Wormald and Ernest Turnbull. The service at the house was largely attended.

## Busy Boat Builders.

Mr. Wm. Frost, whose well known boat builder, writes us that he is very much interested in the Fishermen's Regatta to be held in Digby Aug. 12th. He says that he has orders for eight new boats to be launched before that date. Mr. Frost is turning out some very fast fishing boats, all of which are giving excellent satisfaction. In a letter from W. A. Kenney, the public boat builder in Clark's Harbour, N. S., we learn that he is also very much interested in Digby's regatta. Mr. Kenney built the boat that won in Digby last year, and is now building a right along for Brier and Long Island fishermen. Six weeks ago he shipped one to D. C. Oubhouse, Tiverton, who is now building a fast one for T. S. Pavson, also of Westport. These boats will likely take part in the Tiverton-Digby race and also the fishermen's race on the harbor.

## Death of Mrs. Edward F. Kehoe.

(Yarmouth Times) Mrs. Martha Kehoe, wife of Edward F. Kehoe, Yarmouth North, passed away on Thursday evening of Bright's disease. She was in her 43rd year and leaves behind her husband, a mother, three brothers, L. M. Ekanak and J. Kehoe, of Yarmouth, and a sister, Mrs. Windor. The funeral was held on Sunday morning and was conducted by Rev. J. M. Smith, pastor of the Methodist church. The floral tributes were handsome. The pall bearers were Percy and Roland Wormald and Arthur and Ernest Turnbull.

## Fishing and Yachting Supplies.

Two years ago when the editor's yacht Oakesella was built in Digby by Mr. Evan E. Dunn no yachting hardware whatever could be purchased here, and the editor had to order it from Dakin Bros. having everything. No boat owner or boat builder need send out of town for anything, and those who live at a distance can get from Dakin Bros. anything they require for a motor or sail boat from keel to truck.

## County Court at Clare.

The regular session of the county court opened in Clare last Tuesday, Judge Pelton presiding. There were present from this municipality Sheriff Smith, Mr. W. Stewart, and Mr. H. L. Denison, Esq., Digby, and Mr. J. A. Grierson, Weymouth. There were no cases to be tried. Joseph Silver, of Weymouth, was fined \$5.00 for driving a motor car without a license. The case of the Rev. J. M. Smith, of Weymouth, who was arrested on a charge of driving a motor car without a license, was also heard. The court adjourned until the next session.

## Agricultural Meeting.

A farmers' meeting will be held in Morehouse's hall, Brighton, Saturday evening, May 6th, which will be addressed by Mr. J. M. Smith, of Weymouth, who will be assisted by Rev. C. A. Munro, pastor of the St. Mary's Bay Methodist church. We have not learned the names of the other speakers, but we can assure all interested that Mr. Munro's address will be a good one.

## New Restaurant at Meteghan.

Mr. G. F. Teed, of Freeport, and Mr. Ernest Ford, at one time residents of Westport, are opening up a restaurant in the Cosman building, Meteghan, near the hotel and Bay View hotels. It is said that there is a good business at Meteghan for a restaurant, especially Sundays during the summer season. We wish the new firm every success.

## Nothing Like It For Colds.

Mrs. Holland Ferguson, Sheffield, N. B., writes: "Dr. Clark's Syrup of Licorice has cured my children and myself of severe colds. We are never without it in the house. There is nothing like it for colds and throat trouble, and it is so soothing and pleasant to take, my children would drink a whole bottle if they were permitted."

## Easter in the Churches.

Appropriate sermons and excellent music were enjoyed by the congregations in all the Digby churches Easter Sunday. At the Methodist church, the music was far above the average and much credit is due the choir and organist.

## Won the Jameson Medal.

Archer Turnbull, of the Digby Academy, won the Jameson medal for the highest aggregate in Digby county for the highest school work. Mr. Jameson, M. P., presented this to him personally in the school last Tuesday, accompanied by a short, but a very appropriate address.

### Military Opening

Never has a millinery opening in Annapolis Royal exhibited a more gorgeous and tasteful display of hats and millinery novelties than here shown Saturday at Miss Chisholm's Millinery Parlors. The window was filled with beautiful dress hats, trimmed from Parisian, New York and Boston models, making a display which few cities could outdo in style or beauty. The ribbons, roses and straws were so attractively blended that one felt tempted, even should they prove unbecoming, to buy these creations just to look at. In the evening when the softly shaded electric lights were on, the display was, if possible, more beautiful than in the daylight. Inside in the millinery parlors were hats for everybody. All shapes, sizes and trimmings were to be seen. Among the most striking shapes in ready-to-wear models were noticed the helmet and polo hats, the latter with much higher crowns than those worn during the winter season. The brims on these were mostly small and turned up. No one could seem to get a glimpse of the beautiful Alice and King's blues and soft greens seemed to be among the most stylish effects this year. The trimmings on the dress models were mostly of flowers, while those on the outing hats were stiff tailored bows or wings, placed well toward the back. The crowns were mostly large and round. The obliging staff of attendants added greatly to the success of the opening.

### It Creeps Like a Serpent

Seals through the system like a thief in the night. That's how catarrh acts. Don't trifle with such a scourge. Don't experiment with a doubtful treatment. Time and experience prove that Catarrhoxone does cure, that it gives quick relief and so thoroughly destroys the disease, that it dies forever.

### Sunday School Conventions

The Digby County Sunday School District Conventions are to be held as follows:

District	Place of Meeting	Date
Digby Neck	Centerville	April 23
Weymouth	Weymouth	May 1
Digby and Bear River	Hill Grove	" 2

There will be afternoon and evening sessions in all conventions. Interesting and helpful programs are being prepared and all the Sunday schools of the County should aim to contribute toward the benefit of the general work. Rev. J. W. Brown, Ph.D., Field Secretary, will take a prominent part in all these conventions, giving out of the fullness of his treasure results of his special study and matured experience. The Provincial conventions are out of reach of many of our schools. In fact only a small percentage take advantage of the County conventions. The District conventions bring the full benefit of the International Association of Sunday Schools with all the most approved plans and up-to-date methods right to the door of the individual school. Let every school make a special effort to be strongly represented at its respective convention and thereby get a thrill of new life and interest.

### When Children Are Sick

They eat something that disagrees, catch cold, have cramps or colic. If there is pain just apply Nerviline—it's good to rub on, and for the inside it's most comforting. Painless and pleasant, you can't find a household panacea to equal Nerviline. Used with satisfaction for half a century and in better demand every day because it does not produce any suffering and cures the thousand and one ills that constantly arise in the family. Large bottles at all dealers for 25c.

### Sam Langford Home

A Boston paper of Friday evening says: Sam Langford, the husky heavy-weight, who aspires to the world's championship, started for his home in Yarmouth, N.S., today to see his father, who is critically ill. Before leaving on the Yarmouth boat Sam said: "I've got to go home by boat. I am tired of water and would like to look at the country from the cars but I found out that I would be stalled at Bangor or Vanceboro until Monday if I left today. You know those trains in New Brunswick and Nova Scotia don't run on Sunday. They've got more law than anywhere in the world except Chicago."

### Your Catalogue Was Mailed

The Want Book issued by A. M. King & Son, Annapolis Royal, N.S., has been distributed to their many applicants. If you applied and have not received same advise them as we and they will be pleased to forward another copy. If you see your neighbour has one and you did not apply "Get Busy." You can have one too if you ask by post card at once, first come, first served, for the issue is limited.

Any intended purchasers of Boys' and Men's Clothing or Furnishings, will do well to send for King's Want Book. Just address your card to A. M. King & Son, Annapolis Royal, N.S.

### St. John's New Policeman

Saturday's St. John Times says: "Howard Allan Shurtleff of Elliott Row, was today selected to fill the vacancy in the police department caused by the retirement of W. W. Anderson, who has returned to the employ of the St. John Railway Co. The new policeman is 28 years of age, weighs 255 pounds, and stands six and one-half feet high. He has been working for some time in the wholesale grocery store of H. W. Cole, Water street. He is looked upon as giving promise of becoming a good patrolman."

## Neuralgia and Sciatica

Caused great suffering for 25 years. Nothing effective until Dr. Chase's "Medicines" were used.

"It affords me pleasure to speak favorably of Dr. Chase's Nerve Food and Kidney-Liver Pills," writes Mr. W. T. Collins, Morphet, Ont. "I had been a sufferer for 25 years from sciatica, lumbago and neuralgia and tried nearly all the remedies advertised without one particle of benefit until I began the use of Dr. Chase's medicines. Before I had finished two boxes of the Nerve Food and Kidney-Liver Pills I noticed considerable benefit in my condition. I have so much confidence in these medicines that I have recommended them to lots of my friends."

In severe cases of this nature the combined use of these medicines brings results which are both surprising and satisfactory. The Kidney-Liver Pills regulate the action of kidneys, liver and bowels, while the Nerve Food enriches the blood and builds up the nervous system. Edmanson, Bates & Co., Toronto.

AUX. SCHL. M. & E. HAINS MAKES QUICK TIME CROSSING THE BAY.

A correspondent writes: "We left Freeport about 10 o'clock Wednesday evening in Hains Bros' aux. scho. M. & E. Hains, commanded by Capt. Fred Hains. We were three and one-half hours to the Northern Head of Grand Manan and two and one-half hours from there to Bliss Harbor, making the run from Freeport in six hours. The M. & E. Hains is not yet one year old and is fitted with a cycle marine gasoline motor of about 30 h.p. The weather was delightful with a full moon and the family on board found the accommodations very comfortable. The children went to sleep in the berths and had their night's rest the same as at home. If there is any other family wishing to move away from Freeport, I would advise them to charter the scho. M. & E. Hains with her popular captain and crew and go comfortably."

**"skidoo" For Your Headache**

Ascertain its cause and the cure isn't hard to find. Look to the stomach and bowels. Are you constipated, is your liver sluggish, is it the stomach failing in its mission? What you need is the cleansing tonic of Dr. Hamilton's Pills. Their effect is lasting because they aid all the ailing organs, flush out the bowels, clear the liver, soothe the stomach. With Dr. Hamilton's Pills your stomach gets a chance to recuperate, and does so quickly. For real buoyant health use Dr. Hamilton's Pills regularly. 25c per box at all dealers.

**Married in Boston.**

A very pretty wedding took place at precisely eight o'clock, April 15th, at the home of the bride's brother, Boston, Mass., when Miss Frances Belle Cossaboom, third daughter of Mr. and Mrs. Charles H. Cossaboom, of Rosedale, Digby Co., was united in marriage to Mr. Mora Ansel Collins, of Boston. The bride, who was attired in white chiffon with Irish point lace and carried a shower bouquet of bridal roses, was attended by her sister, Miss Nellie V. Cossaboom, who was dressed in white chiffon with Roman cut lace, and carried white carnations. After luncheon was served a taxi cab conveyed the couple to the station where they left for a trip to Portland and other places along the Maine coast. Remembrances from many friends in the way of cut glass, silver and checks, gave expression of sincere wishes.

**Red Deer for Nova Scotia**

A consignment of red deer arrived here Wednesday from Plaster Rock, N. B., for Yarmouth and Annapolis counties. The Guides' Association raised the money by a bouquet of bridal roses, was attended by her sister, Miss Nellie V. Cossaboom, who was dressed in white chiffon with Roman cut lace, and carried white carnations. After luncheon was served a taxi cab conveyed the couple to the station where they left for a trip to Portland and other places along the Maine coast. Remembrances from many friends in the way of cut glass, silver and checks, gave expression of sincere wishes.

WRITE FOR OUR **Woodpecker CATALOGUE**

The latest and most up-to-date Engine on the market. Have been sold throughout the Maritime Provinces since 1903. What a user writes after three years' service:

THE L. M. TRASK CO., Lower Hamilton, P. E. I. March 17, '11

St. John, N. B.

DEAR SIR:—The six horsepower engine that I got from you in Sept. 1908 has given perfect satisfaction, always ready to go in all kinds of weather. Just as ready to start with the thermometer 10 below zero as it is in the middle of summer. I have done as much work with her now, as any ordinary farmer would do during his lifetime, and still she goes to-day as well as when I got her, the only expense being one contact spring costing 40c. If I had to buy one to-morrow I would buy a Woodpecker in preference to any other kind that I have seen working.

(Signed) HOWARD RAMSAY.

**STOMACH LIVER LUNGS**

Each of the chief organs of the body is a link in the chain of life. A chain is no stronger than its weakest link, the body no stronger than its weakest organ. If there is weakness of stomach, liver or lungs, there is a weak link in the chain of life which may snap at any time. Often this so-called "weakness" is caused by lack of nutrition, the result of weakness or disease of the stomach and other organs of digestion and nutrition. Diseases and weaknesses of the stomach and its allied organs are cured by the use of Dr. Pierce's Golden Medical Discovery. When the weak or diseased stomach is cured, diseases of other organs which seem remote from the stomach but which have their origin in a diseased condition of the stomach and other organs of digestion and nutrition, are cured also.

**The strong man has a strong stomach.**  
Take the above recommended "Discovery" and you may have a strong stomach and a strong body.

**Given Away.**—Dr. Pierce's Common Sense Medical Adviser, new revised Edition, is sent free on receipt of stamps to pay expense of mailing only. Send 31 one-cent stamps for the book in paper covers, or 50 stamps for the cloth-bound volume. Address Dr. R. V. Pierce, Buffalo, N. Y.

# Will Travel by Automobiles

PAUL GILMORE TO INAUGURATE NOVEL AND DARING METHOD OF TRANSPORTATION.

Paul Gilmore, the romantic actor has written the *Phoenix* that he will attend the Muskogee Automobile show. Mr. Gilmore is especially interested in automobiles just now as he has already made arrangements to transport his company in automobiles instead of railway trains. Three cent fare in some states is responsible in part for the innovation. Oklahoma is one of these states.

Mr. Gilmore has commissioned a well known firm to build him a "fleet" of automobiles in which he intends not only to carry his company, but also, in a specially constructed car his baggage and entire scenic productions. This "fleet" will comprise in all, four cars, three of them high powered touring cars, provided with every convenience for comfort, and fitted with every safeguard against adverse climatic conditions. That the skill and ingenuity of the builder can devise one of them to be used for Mr. Gilmore's advance business representative, arranged to carry a large stock of printing etc., and the other two cars to convey his company from city to city.

The fourth car is a marvel of combination car and truck construction and is designed to carry trunks of certain dimensions for each member of the company, as well as the scenery which fits into grooves eighteen feet long on each side of the car. In addition to this it will carry a kitchen outfit as complete as any railroad diner, so that when pressed for time or lured by sylvan glades and mossy banks, the company may dine "en route" or "picnic" on the road.

Another feature of this remarkable "land fleet" is that extra wheels are carried, by the exchange of which each vehicle can be converted into a car capable of running on a railroad track.

Mr. Gilmore believes in being, as far as possible, his own charged affairs, and the executive of this project will enable him to keep a still closer eye on the details of his organization as well as rendering him independent of trains, which like time and tides, wait for no man.

HOW TO TELL IF YOUR HAIR IS DISEASED

Even if you have a luxuriant head of hair you may want to know whether it is in a healthy condition or not. 98 per cent of the people need a hair tonic.

Pull a hair out of your head; if the bulb at the end of the root is white and shrunken, it proves that the hair is diseased, and requires prompt treatment if its loss would be avoided. If the bulb is pink and full, the hair is healthy.

We want every one whose hair requires treatment to try Rexall '93 Hair Tonic. We promise that it shall not cost anything if it does not give satisfactory results. It is designed to overcome dandruff, relieve scalp irritation, to stimulate the hair roots, tighten the hair already in the head, grow hair and cure baldness.

It is because of what Rexall '93 Hair Tonic has done and our sincere faith in its goodness that we want you to try it at our risk. Two sizes, 50c. and \$1.00. Sold only at our stores—The Rexall Stores. P. W. Holdsworth, Digby; Ryan & Blackadar, Weymouth.

## How To Live Long

With healthy kidneys, one has a good chance to live long, but weak kidneys afflict old age with great discomforts. The back becomes bent and lame, rheumatism is chronic, eyesight fails and too frequent or involuntary passages of the urine cause embarrassment by day and loss of sleep at night.

Booth's Kidney Pills bring new strength to old backs and quick relief to weakened kidneys. They banish backache and rheumatic pain, regulate the bladder and urinate.

Booth's Kidney Pills are for sick kidneys in old or young and are guaranteed by the proprietors, The R. T. Booth Co., Ltd., Fort Erie, Ont. Sold everywhere 50c. box. Free trial sent on request.

**OLIVEINE EMULSION**

**Invigorating - Tasteless - Strengthening - Nutritious**

OLIVEINE EMULSION is a most palatable preparation, containing all the virtues of Cod Liver Oil without its nauseous grease. It can be freely taken and retained by the most delicate stomach, no unpleasant or injurious effect whatever following its use.

It will promptly relieve, and if its use is continued, cure Chronic Bronchitis and all Pulmonary affections, Hoarseness, and Coughs, Colds, Tonsillitis, General Debility or Constitutional weakness of young and old, indeed at any age of life, night Sweats, Hysteria, Insomnia, Nervous Dyspepsia, Flatulency, Dyspepsia, Anemia, Prostration following Fevers, Diphtheria, Debility at change of life, Blood disorders and any other complaint traceable directly or indirectly to an impoverished condition of the Blood.

It is a specific in Throat and Lung diseases. OLIVEINE EMULSION will so invigorate the system that the germs of the diseases will not gain a foothold, as it is only on the run down weakened system that they can develop. Rich red blood and abounding health is the best safeguard, and these can be obtained and retained by the use of OLIVEINE EMULSION.

A brief description of the following ingredients contained in OLIVEINE EMULSION will serve to show its remarkable combination. It has long been admitted that the most valuable remedies known to medical science for the treatment of Pulmonary complaints, Lung, Throat, Bronchial and other wasting diseases, is Syrup of Hypophosphites, extract of Malt and Fluid extract of Wild Cherry Bark. It is safe to say that in all wasting diseases the medical profession has obtained more satisfactory results from the use of Hypophosphites than any other preparation known. The extract of malt is nourishing and stimulating. Fluid extract of Wild Cherry Bark is recognized as an excellent adjunct in the treatment of Pulmonary affections. It helps to improve the appetite and strengthen the digestive organs. OLIVEINE EMULSION is incomparably the most efficient remedy before the public today. It is an ideal Tonic and Nutrient.

Experienced physicians prescribe lots of food in wasting or nervous diseases, OLIVEINE EMULSION, produces an appetite, helps digestion and enables you to receive the full benefit of all your food. Run down business men and women, over-worked mothers, delicate boys or girls will show permanent improvement from the use of this preparation.

DEAR SIR:—  
I thought I would write and tell you the good your "Oliveine Emulsion" has done for me. I was run down and could not do a hard day's work. I heard of "Oliveine Emulsion" and got a bottle. The first dose did me a lot of good, and I have since taken four bottles and now weight 207 lbs. I shall never do without it in my house as long as I can get it. I have told a number of my neighbors about your "Oliveine Emulsion." Nothing ever came my way, which did me as much good and I appreciate it very much.

GENTLEMEN:—  
I had a severe attack of Grippe this Spring which left me in a weak and run down condition. I had no appetite and hardly strength enough to walk. I purchased a bottle of your "Oliveine Emulsion" and I had only taken it a few days when I felt quite well again, in fact when I had taken only the third dose I noticed a change.

DEAR SIR:—  
I would like to say I think the "Oliveine Emulsion" is splendid. My little daughter had a hard dry cough and had no appetite whatever. Before she had taken the "Oliveine Emulsion" a week the cough was decidedly looser and her appetite had greatly improved. I followed the directions and implicitly and honestly believe "Oliveine Emulsion" is all it is recommended.

## Facts About Motherhood

The experience of Motherhood is a trying one to most women and marks distinctly an epoch in their lives. Not only is it a time when a woman in a hum-dred is prepared or understands how to properly care for her child, but many approach it with a feeling of dread, and when the strain is over her system has received a shock from which it is hard to recover. Following right upon this comes the nervous strain of caring for the child, and a distinct change in the mother results. There is nothing more charming than a happy and healthy mother of children, and indeed child birth under conditions need be no hazard to health or beauty. The unexplainable thing is that, with all the evidence of shattered nerves and broken health resulting from an unprepared condition, women will persist in going blindly to the trial. It isn't as though the experience came upon them unawares. They have ample time in which to prepare, but they, for the most part, turn to chance and pay the penalty.

In many homes where children there are now children because of the fact that Lydia E. Pinkham's Vegetable Compound makes women normal, healthy, and strong.

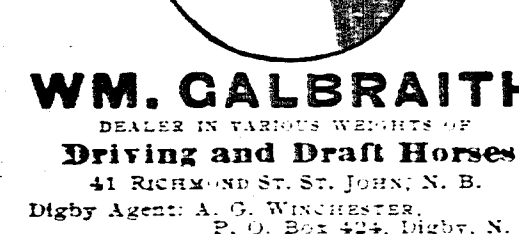

Any woman who would like special advice in regard to this matter is cordially invited to write to Mrs. Pinkham at Lynn, Mass. Her letter will be held in strict confidence.

### My Bad.

Lines composed by Mrs. W. E. Parr, of Granville Ferry, on the death of Myrtle, only child of Mr. and Mrs. Wiswell Covert, Port Wade, who died April 19th, 1911.

One day the Gardner gave me  
A fair and only child.  
He gave it to my keeping.  
To cherish and to love.  
She lay upon my bosom,  
She was my hope, my pride,  
Perhaps she was an idol  
When I must be denied.

"Fear not" methought he whispered,  
"Thy child shall be restored."  
I took it to my heart,  
In the garden of the Lord.  
Then bade me not to sorrow,  
As those who hope weeps.  
For He who gave her to me,  
And He who took her to keep.

For just as it was opening  
In glory to the day,  
Came down the Heavenly Gardner,  
To take my little way.  
You and I with her taken,  
A smile was on His face,  
And tenderly and kindly  
He bore it to its place.

Now night and morn together,  
Through the open grave of prayer,  
I wait for my dear child,  
And sit beside her there;  
I know 'twill open for me,  
Unquestioned though I be,  
For He who gave her to me,  
Who keeps my bud for me.

## Psoriasis All Over Body

Most dreaded of skin diseases was cured by Dr. Chase's Ointment.

Psoriasis is a sort of lupus of the skin. The itching it causes is almost unbearable, and it is usually accompanied by eruptions. But this ointment cures it. Dr. Chase's Ointment is a pure, in spite of the doctor's pretensions.

Mrs. N. M. Massey, of New Brunswick, writes: "For five years I suffered with what the doctor called psoriasis. It was a sort of lupus of the skin. The itching it caused was almost unbearable, and it was usually accompanied by eruptions. But this ointment cures it. Dr. Chase's Ointment is a pure, in spite of the doctor's pretensions."

## Agricultural College

THE MOST SUCCESSFUL TERM IN THE HISTORY OF THE INSTITUTION.

The 1910-11 session of the Nova Scotia Agricultural College closed on Thursday, April 13th. The session was the most largely attended and the most successful in the history of the college. The total enrollment was 62, of whom 41 were from Nova Scotia, 4 from New Brunswick, 5 from Prince Edward Island and 12 from foreign countries. While this is not, by any means, as large an enrollment as there should be, yet it compares very favorably with the enrollment of the older established institutions in Canada. For example, there were enrolled at the Ontario Agricultural College, Guelph, from the province of Ontario last year, 235 students, in comparison with 41 enrolled at the Nova Scotia Agricultural College. The college has also had nine times the area under cultivation that Nova Scotia has, from which it appears that, in proportion to the size of the institution, the Nova Scotia Agricultural College has already enrolled a number of students that compare favorably with the number enrolled at the other established institutions of Canada. It is exceedingly satisfactory to record the representative character of the enrollment, including, as it does, students from Cape Breton, all the way to Yarmouth and from nearly all the intermediate counties. However, the college is only in its infancy and if its progress is made in the next few years as in the past five years, the attendance will be a record one for the Dominion.

The most interesting feature in connection with the closing exercises was the presentation of the Murray and the P. E. I. Students' Cup. The former cup was presented by the Hon. Mr. Murray, Premier of Nova Scotia, to be awarded to the student making the highest standing in the judging of the year 1911. It was won by W. L. McFarlane, Fox Harbour, Cumberland County, a second year student, who was the runner up for the Cup in his first year. The Hon. Mr. Murray presented a similar Cup last year, which was won by E. S. Leonard, of Paradise, Annapolis County.

The P. E. I. Cup was presented to the college by the Short Course students who attended the institution from Prince Edward Island in January last. It is to be the permanent possession of the college, but each year the student who stands highest in the judging and selection of seeds is to have the privilege of using it.

The next session of the college commences on November 1st next, and as a sort of precursor of a still larger attendance, the Principal received on the very day of the closing of the 1910-11 session, three applications for entrance to the session of 1911-12.

### A Bright Counterfeiter Arrested

After a search of two years, United States secret service men arrested Harry Reporter in Denver, and charged him with making the best counterfeit silver dollars ever circulated in that country. The coins, made largely of tin and lead, were almost perfect in workmanship, and for two years have passed upon merchants in Denver and on the street railway company there in great quantities. Every effort to locate the plant was fruitless until recently. Official advisers said that 250 coins were found in Reporter's house when it was raided.

### Serious Rioting At Kingston, Ja.

KINGSTON, Jan., April 20.—Disturbances have been going on here for two days between the soldiers of the West India Regiment and civilians, and the police have had serious difficulty in handling the rioters. Serious fighting occurred in various parts of Kingston last night, the soldiers using razors with deadly effect. Many persons were reported at the hospitals, and one death is treated from injuries inflicted. For a time the residents in certain quarters were panic-stricken. Order was restored today.

### Jumping With Nerve Pain

That's how you feel with neuralgia. But why be awake at night, grumble or complain after busy with the day? Neuralgia is a nerve pain, and it is a pain that destroys it. Harmless and certain, instant in effect, nothing is so popular as Nerve Pain for all kinds of neuralgia, sciatica, rheumatism, neuralgia, pleurisy or colic. You'll soon acknowledge that Nerve Pain beats them all. Sold everywhere in large 25c bottles.

### Will Get Another Dollar.

The representatives of the rail and steamship lines have agreed upon an increase—generally of one dollar—in the passenger rates on all transportation lines operating between the Maritime Provinces and New England. This includes the A. I. R. Line, Eastern Dominion Atlantic and Plant Steamship Companies.

### A Lumberman's Opinion

"I was troubled with palpitation of the heart and sleeplessness," writes Mr. W. H. Rogers, Lumber Inspector, Lumberton Mills, Ont., "and used Dr. Chase's Nerve Food with very great benefit, as my whole system was strengthened and built up. Dr. Chase's Nerve Food forms new, rich blood and restores the feeble, wasted nerve cells."

### Missing Ducks.

In a country police court a man was brought up by a farmer for stealing some ducks.

"How do you know they are your ducks?" asked the defendant's counsel. "Oh, I should know them anywhere," replied the farmer, and he went on to describe their different peculiarities.

"Why," said the prisoner's counsel, "these ducks can't be such a rare breed. I have some very like them in my own yard."

"That's not unlikely, sir," replied the farmer; "they are not the only ducks I have had stolen lately!"

"Call the next witness," said counsel.

HULL, Que., April 21.—Hull moving picture theatres will be allowed to give Sunday performances in future. The long delayed judgment in the case of the provincial government against the Hull moving picture theatres to compel them to close on the Sabbath was delivered in the Hull police court this afternoon by Magistrate Coyette, who decided in favor of the theatres and dismissed the case.

## Spring Skin Troubles.

PIMPLES, ERUPTIONS AND "SPOTTY COMPLEXIONS."

At this season, scores of people—girls and young women especially—find their face disfigured by pimples, dark spots, eruptions, etc. The skin needs attention—needs renovating at the trying time it has passed through during the winter.

Just think what it has gone through! You have been out in rain and sleet and snow. You have been at one moment perspiring from skating, or some other exertion. Then you have stood to "cool off." You have spent hours of the day indoors at a temperature equal to summer heat. Then you have covered up your skin—except your face—and gone out into a tempest of wind and cold. No wonder that, with all these changes, the skin of the face and neck shows signs of needing attention.

Zam-Buk Soap is the remedy. Smeared Zam-Buk lightly over the spots, the eruptions, the sallow patches, at night, and wash with Zam-Buk Soap (only 25c. per tablet) each day. Then notice how quickly your appearance improves. As the rich, refined, herbal essences sink deep into the tissue, the hard, scurfy-like patches are removed. Better color results. The cells of the skin become transparent. The blood beneath is able to impart its proper coloring to the tissue, and the delicate bloom of health replaces the sallowness and pallor of disease.

Zam-Buk is also a sure cure for skin injuries and diseases. Eczema, ulcers, ringworm, yield to its use. For cuts, burns, bruises, children's rashes, etc., it is unequalled, and for piles. Mothers will find Zam-Buk Soap best for baby's bath! All druggists and stores at 50c. box for Zam-Buk and 25c. tablet (or 3 for 70c.) for the Soap. If you have any difficulty in obtaining, order from Zam-Buk Co., Toronto, and send price.

House cleaning is the order of the day.

## THE CURSE OF THE NATION IS CONSTIPATION

### "Fruit-a-lives" Alone Cures This Disease

A famous scientist states that Constipation or non-action of the bowels causes more deaths than all other diseases combined. Constipation inflames the Kidneys, ruins digestion, is the foundation of Rheumatism, poisons the blood, causes Headaches, Neuralgia, Nervousness and Insomnia.

Constipation is caused by a weak or sluggish liver. Bile, the only purgative of the body, is secreted by the liver, which in turn should pour out into the intestines sufficient bile to move the bowels. If the liver is active, there cannot be enough bile to move the bowels regularly, and Constipation is the result.

"Fruit-a-lives", the famous fruit medicine, will cure Constipation because it acts directly on the liver—relieves the congestion—increases the quantity of bile—and strengthens the bowels in case it might stop the sale of liquor. Naturally one would think if the object of the Act was to stop such sale, there would be an increasing fine for each offence with imprisonment without the option of a fine say, for the third offence.

In this country, which is not a prohibition one, the penalty for selling drink to natives is six months' imprisonment for first offence up to three years for the second. This is a question of paying a fine over and over again and repeating the offence as often as one finds it profitable, as is evidently the case in Canada.

Yours faithfully,  
B. L. THURBER  
Johannesburg, South Africa March 20, 1911.

### Death At Port Wade.

MISS MYRTLE COVERT PASSED AWAY ON WEDNESDAY.

Music bath its charm the savage breast to quell, but death in its extreme solemnity and majesty brings an awful pause, especially to one so bright, so young, so full of promise as was Myrtle Covert, the joy of her home and delight of her parents. Yet death came and claimed that beautiful bud of promise in the early morning hours of Wednesday, April 19, 1911. All the faithful tender care of a devoted mother, kind nurse (Miss A. L. Burns) and attending physicians were baffled by that fatal disease Tubercular Meningitis, and she was laid to rest in the Methodist Cemetery at Port Wade Thursday, April 20, 1911.

The funeral service was held at the house at two o'clock with the Rev. H. Davis in charge. The service was continued at the Methodist church at three o'clock. Prayer was offered by the Rev. Maynard Brown, cousin of Mrs. Covert, and pastor of the Lower Granville Baptist church. Rev. Porter Shirley, of the Methodist church at Annapolis, preached the funeral sermon. It was at his church that Myrtle had attended while in the Academy at Annapolis and she was a member of the choir there.

The service was largely attended. Floral tributes were sent by friends at Port Wade, Granville Ferry, and by the friends and High School students of Annapolis, which school Myrtle had attended for about two years. Though only sixteen years and six months old Myrtle had a great many friends who, too, mourn their loss with the bereaved parents and who extend their deepest sympathy.

### Wrecked on Irish Coast

LIFE LINES USED TO DRAG CREW THROUGH THE WAVES TO SAFETY.

LONDON, April 20.—The British bark Port Stanley is ashore in Ballyhealy Bay on the west coast of Ireland where she put in last night for shelter from a fierce gale. The crew of twenty-five was rescued with difficulty by the coast guard. The Port Stanley sailed from Portland, Eng., on Nov. 15 and arrived at Queenstown on Tuesday last, later sailing for Limerick which port she was attempting to make when she ran into the gale.

For several hours the barque struggled with winds hoping to turn the Kerry River Shannon, but was forced finally to put into Ballyhealy Bay. There she lay to, but the storm increasing in violence dragged her anchors and was tossed upon the submerged rocks.

The plight of the barque was discovered by life savers who tried to reach her in a lifeboat. The sea, however, was so high that small boats could not approach closely to the endangered craft. Then the crew of the barque threw out lines which were picked up by the life savers. In the use of the sea line the imperilled sailors were dragged through the waves from their ship to the small boats.

### Captain Rogers Wrecks Another Vessel.

LOST THE ALLAN GREENE IN THE BAY OF FUNDY, AND THURSDAY THE SCHOONER CAROLINE GRAY WENT ASHORE.

ROCKLAND, ME., April 20.—The two masted Rockland schooner Caroline Gray, ashore off Cape Cod, is the second vessel in which Captain Samuel H. Rogers, of this city, has been wrecked recently. Five weeks ago today he was wrecked in the Bay of Fundy with the Deer Island schooner Allan Greene, and lost one of his crew. The Gray is valued at \$5,000, and is not insured. She was bound from Frankfort (Me.) for New York with paving stones.

## CORRESPONDENCE.

To the Editor of the Courier:

DEAR SIR, I was much amused by the report of the Inspector under the Canada Temperance Act in your issue of Jan. 17th.

I notice that the fine in each case is fifty dollars and apparently one may break the law repeatedly and yet have only the fifty dollars to pay. For instance there are four convictions against one, Fred M. Melanson, yet he pays the same fine for the fourth offence as for the first. The same is the case with Edward LeBlanc against whom there are also four convictions. I take it that the object of the Act is to prevent the sale of liquor and to break the law and pay the fine and that the Municipality (or whoever is responsible) is afraid to increase the fine in case it might stop the sale of liquor. Naturally one would think if the object of the Act was to stop such sale, there would be an increasing fine for each offence with imprisonment without the option of a fine say, for the third offence.

In this country, which is not a prohibition one, the penalty for selling drink to natives is six months' imprisonment for first offence up to three years for the second. This is a question of paying a fine over and over again and repeating the offence as often as one finds it profitable, as is evidently the case in Canada.

Yours faithfully,  
B. L. THURBER  
Johannesburg, South Africa March 20, 1911.

### Million Dollars Damaged By Storm.

NEW ORLEANS, La., April 20.—A storm which raged over Louisiana and Mississippi last night and early today caused four known deaths and over \$1,000,000 property loss. A cyclone demolished fifty houses at Hamburg, Miss., killing three negroes and injuring many other people. A white man named Spell was killed by lightning at Crowley, La. The wires are down, and communication is cut off from the stricken points.

**The Harem Skirt.**

I stand in the cold as this story is told; with naught but an old flannel shirt, and my legs are all frost for my trousers I've lost—my wife has a new harem skirt. When abroad she doth roam, I have to stay home, arrayed in her old linen dress, since this fashion from France, she's taken my pants and will wear them forever I guess.

She scratches her matches upon the rear patches and smokes my Havana cigars and soon I do think she'll be having a drink at Larry O'Flanagan's bar.

I'm telling no lies, she's exactly my size, and my clothes do fit her superb. Could I turn back my life, I'd marry a wife, who could never my peace so disturb. I'm short and I'm small, I'd choose a wife tall, who never could don my new suits, for my trousers so short, would furnish rare sport—they wouldn't reach down to her boots.

So amorous young man, just think of my plan when'er you're selecting a mate, and choose a sweet Rose, who can't wear your clothes, like my Jenny is doing of late.

## Fortune Telling

Does not take into consideration the one essential to woman's happiness—womanly health.

The woman who neglects her health is neglecting the very foundation of all good fortune. For without health she loses its lustre and gold is but dross.

Womanly health when lost or impaired may generally be regained by the use of Dr. Pierce's Favorite Prescription.

**This Prescription has, for over 40 years, been curing delicate, weak, pain-wracked women, by the hundreds of thousands and this too in the privacy of their homes without their having to submit to indecent examinations and offensive repugnant examinations.**

Sick women are invited to consult Dr. Pierce by letter free. All correspondence held as sacredly confidential. Address: Dr. Pierce's Dispensary Medical Association, R. V. Pierce, M. D., President, Buffalo, N. Y.

Dr. Pierce's GREAT FAMILY DOCTOR BOOK, The People's Common Sense Medical Adviser, newly revised up-to-date edition—1000 pages, answers in plain English hosts of delicate questions which every woman, single or married, ought to know about. Sent free, in plain wrapper to any address on receipt of 31 one-cent stamps to cover mailing only, or in cloth binding for 50 stamps.

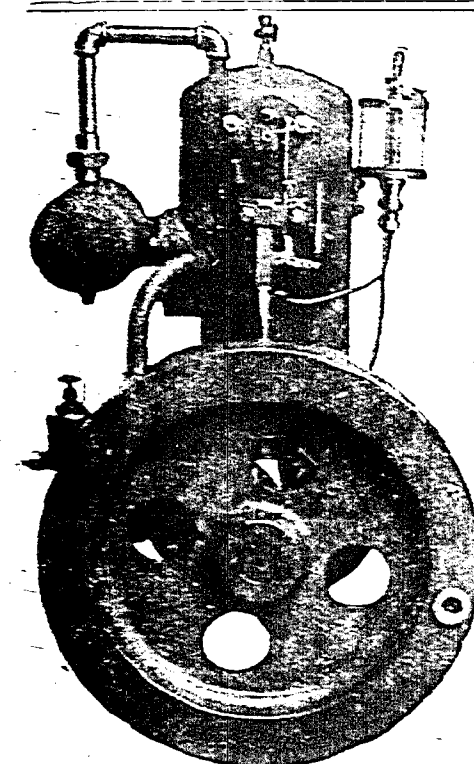

## NA-DRU-CO LAXATIVES

are new and entirely different from ordinary preparations. They accomplish their purpose without disturbing the rest of the system, and are therefore the ideal laxative for the nursing mother, as they do not affect the child.

Compounded, like all NA-DRU-CO preparations, by expert chemists. If unsatisfactory we'll gladly return your money.

25c. a box. If your druggist has not yet stocked them, send 25c. and we will mail them.

## An Old Timer

CAPT. BILL SNOW IN PORTLAND WITH FRESH FISH

(The Portland Daily Press, April 19th.)

Capt. "Bill Snow" paid a brief visit to Portland yesterday.

Capt. Snow is a famous skipper. The men of the younger generation in the fish business may not know much about him for over 15 years. But to the middle aged men and the older men, there has not been a man on the whole coast like him. What Capt. Sol Jacobs has been to the mackerel business, Capt. Snow has been to the halibut industry. He has been recognized as the halibut king for years and is still regarded as such.

When he used to come into Portland over 15 years ago, he was the skipper of the Farnell O'Hara and so often did he come here that he was regarded almost as a Portland captain. Of late years, however, he has been sailing out of Boston. When he arrived here yesterday, he was given a hearty greeting by his old friends.

Capt. Snow is now in command of the trim schooner Quikstep which he brought into Portland yesterday. That he is still catching halibut as much as ever was evidenced by the fact that he had 30,000 pounds of this kind of fish on board as well as \$20,000 pounds of mixed fresh fish. The former were sold to F. M. Hart of the New England Fish Co., and the latter to the F. S. Willard Co. The Quikstep had been out only ten days on the Seal Island grounds. During the first few days bad weather was met with but after that it was good fishing weather.

"Halibut catching now is about as it always has been," said Capt. Snow in conversation with a Press reporter. "There seems to be just as many fish as there ever were. The only trouble to be met is the weather. If the weather is bad, then fish cannot be caught. If it is good, then a lot will be landed. Sometimes they are in deep water and sometimes in shallow. This present trip was landed in 55 fathoms, about one half what the other fishermen have been fishing in. I can't see that the business has changed any."

That is the opinion of the man who has probably caught more halibut than any other man on the New England coast. It should be regarded as authoritative by those who say the fisheries are decreasing.

Believes Mars a Desert.

Berkeley, Cal., April 21.—Prof. Robert D. Atkinson, one of the astronomers of Lick observatory, does not believe that there is human or animal life on the planet Mars. In a lecture delivered at the University of California last night he expressed the opinion that the markings seen on the surface of the planet, and supposed by some to be canals constructed by intelligent beings for irrigation purposes, are nothing more than earthquake fissures. They are too rough and too wide for canals, he said. He exhibited photographs in support of his belief.

The latest and most up-to-date Engine on the market. Have been sold throughout the Maritime Provinces since 1903. What a user writes after three years' service:—

Lower Hamilton, P. E. I. March 17, '11

St. John, N. B.

DEAR SIRS:—The six horsepower engine that I got from you in Sept. 1908 has given perfect satisfaction, always ready to go in all kinds of weather. Just as ready to start with the thermometer 10 below zero as it is in the middle of summer. I have done as much work with her now, as any ordinary farmer would do during his lifetime, and still she runs to-day as well as when I got her, the only expense being one contact spring costing 40c. If I had to buy one to-morrow I would buy a Woodpecker in preference to any other kind that I have seen working.

# OLIVEINE EMULSION

## Invigorating = Tasteless = Strengthening = Nutritious

OLIVEINE EMULSION is a most palatable preparation, containing all the virtues of Cod Liver Oil without its nauseous grease. It can be freely taken and retained by the most delicate stomach, no unpleasant or injurious effect whatever following its use.

It will promptly relieve, and if its use is continued, cure Chronic Bronchitis and all Pulmonary affections, Hoarseness, and Coughs, Colds, Tonsillitis, General Debility or Constitutional weakness of young and old, indeed at any age of life, night Sweats, Hysteria, Insomnia, Nervous Dyspepsia, Flatulency Dyspepsia, Anemia, Prostration following Fevers, Diphtheria, Debility at change of life, Blood disorders and any other complaint traceable directly or indirectly to an impoverished condition of the Blood.

It is a specific in Throat and Lung diseases. OLIVEINE EMULSION will so invigorate the system that the germs of the diseases will not gain a foothold, as it is only on the run down weakened system that they can develop. Rich red blood and abounding health is the best safeguard, and these can be obtained and retained by the use of OLIVEINE EMULSION.

Messrs. FRASIER, THORNTON & Co. Cookshire, Que.

DEAR SIRS:—

I thought I would write and tell you the good your "Oliveine Emulsion" has done for me. I was run down and could not do a hard day's work. I heard of "Oliveine Emulsion" and got a bottle. The first dose did me a lot of good, and I have since taken four bottles and now weigh 207 lbs. I shall never do without it in my house as long as I can get it. I have told a number of my neighbors about your "Oliveine Emulsion." Nothing ever came my way which did me as much good and I appreciate it very much.

Messrs. FRASIER, THORNTON & Co. Cookshire, Que.

GENTLEMEN:—

I had a severe attack of Laryngitis this Spring which left me in a weak and run down condition. I had no appetite and hardly strength enough to walk. I purchased a bottle of your "Oliveine Emulsion" and I had only taken it a few days when I felt quite well again, in fact when I had taken only the third dose I noticed a change.

Yours truly,  
Monica, N. B. (Signed) MRS. WALTER WRIGHT.

For sale at all Druggists and Dealers, PRICE \$1.00 per bottle. If your Druggist or Dealer does not keep it in stock we will send three bottles for \$3.00 charges paid, to any part of Canada.

Messrs. FRASIER, THORNTON & Co. Cookshire, Que.

DEAR SIRS:—

I have had a bad cough and tried almost everything without obtaining relief, until I tried your "Oliveine Emulsion." I can recommend it in the highest way for a cough or cold.

DEAR SIRS:—

I would like to say I think the "Oliveine Emulsion" is splendid. My little daughter had a hard dry cough and had no appetite whatever. Before she had taken the "Oliveine Emulsion" a week the cough was decidedly looser and her appetite had greatly improved. I followed the directions and implicitly and honestly believe "Oliveine Emulsion" is all it is recommended.

Sincerely yours,

## SEVEN YEARS OF MISERY

All Relieved by Lydia E. Pinkham's Vegetable Compound.

For seven years I suffered everything. I was in bed for four or five days at a time every month, and so weak I could hardly walk. I cramp and had backache and headache, and was so nervous and weak that I dreaded to see anyone or have anyone move in the room. The doctors gave me medicine to ease me at those times, but it did not help. I would not listen to that, and when a friend of my husband told me about Lydia E. Pinkham's Vegetable Compound, I was willing to take it. Now I look the picture of health and feel like I too. I can do my own housework, hoe my garden, and do a cow. I can entertain company and enjoy them. I can visit when I choose, and walk as far as any ordinary woman, any day in the month. I wish I could tell every suffering woman and girl. —Mrs. DEMA BETHUNE, Sikeston, Mo.

The most successful remedy in this country for the cure of all forms of female complaints is Lydia E. Pinkham's Vegetable Compound. It is more widely and successfully used than any other remedy. It has cured thousands of women who have been troubled with displacements, inflammation, ulceration, fibroid tumors, irregularities, periodic pains, backache, that bearing down feeling, indigestion, and nervous prostration, after all other means had failed. Why don't you try it?

#### A Pretty Boat.

Messrs. C. A. Dakin and son Fritz have made a big improvement in their motor launch Phyllis. Mr. Evan E. Dunn, Digby's well known boat builder, cut her in two and extended her length seven feet, making an excellent motor launch which has already attracted a lot of attention. Her dimensions are now 21 ft., 9 inches over all and 5 ft., 6 inches beam. She has a new 20 h. p. motor, two cylinders, two cycle jump spark motor, under water exhaust, electric lights in binnacle and engine box, independent bilge pump, spray hood, and all modern conveniences. The Phyllis is about ready to launch and will no doubt develop much more speed than last year and will occupy a prominent place in the coming races for pleasure crafts.

#### Young But Wise

In a school in a Western Ontario town is a little girl who has not taken quickly to the mysteries of addition. "One's one," asked the teacher, while putting the class through the exercises of the addition table. The little girl referred to was the only person in the class who couldn't give the answer. "Two's one," smiled the teacher. The little girl smiled and noticed, put up her hand and when notified by the teacher, said, "Shoe polish."

### In Dread of Something

You can scarcely tell what it may be Hysteria, Insanity, Nervous Collapse.

You can only throw off this depression when the nerve cells are restored to health by such treatment as Dr. Chase's Nerve Food. Your digestive system has failed to supply proper nourishment to the nerves and you are impelled to seek aid from other sources.

It will take some patience and persistent treatment, but there is no way by which you can get certain relief from the distressing condition of Dr. Chase's Nerve Food.

The best time to restore the nervous system is long before such a critical condition is reached. Such symptoms as sleeplessness, headaches, nervous indigestion, muscular weakness, loss of energy, failure of memory and power of concentration, irritability and discouragement tell of a failure of the nervous system and warn you of the approach of serious trouble.

Dr. Chase's Nerve Food 50 cents a box 6 boxes for \$2.50; all dealers, or Edmondson, Bates & Co., Toronto.

### CURED OF CONSTIPATION

Mr. Andrews praises Dr. Morse's Indian Root Pills.

Mr. George Andrews of Halifax, N. S., writes:

"For many years I have been troubled with chronic Constipation. This ailment never comes single-handed, and I have been a victim to the many illnesses that constipation brings in its train. Medicine after medicine I have taken in order to find relief, but one and all left me in the same hopeless condition. It seemed that nothing would cure me but the one ailment that caused so much trouble, yet at last I read about these Indian Root Pills.

That was indeed a lucky day for me, for I was so impressed with the statements made that I determined to give them a fair trial.

They have regulated my stomach and bowels. I am cured of constipation, and I claim they have no equal as a medicine."

For over half a century Dr. Morse's Indian Root Pills have been curing constipation and clogged, inactive kidneys, with all the ailments which result from them. They cleanse the whole system and purify the blood. Sold everywhere at 25c. a box.

Mr. F. B. Sweeney spent Sunday at his home here, returning to Port Maitland Monday.

Mrs. Mary E. Grant returned from Annapolis Monday and will reside in her house for the summer.

Mrs. Robert Haskisson and children are visiting her parents, Mr. and Mrs. McDonald, Weymouth Mills.

Mrs. Calveretta Rice returned from Little River Monday where she has been spending the winter and will spend a few weeks here with friends before going to Boston.

We are sorry to record the death of Mrs. Charles Ross (nee Janet Lewis) formerly of Weymouth, which took place at Lynn, April 21st, after a lingering illness of over two years. As long as she was alive she was a great worker at the Washington St. Baptist church, but now what is our loss is her gain. She leaves to mourn her loss a husband who is in California, a daughter at home, also a mother, Mrs. Charlton Newcomb, and sisters Mrs. George Wyman, Mrs. James Ber, brothers Fred and Joey of Lynn, and Arthur, of Boston. The entire community sympathizes with them in their bereavement.

#### Sandy Cove.

Miss Hazel Morehouse, of Lakeside, is the guest of Miss Mary Mitchell.

Miss Daisy Ellis is visiting relatives and friends at Granville, Anna Co.

Mrs. Ingram Saunders is at Digby, the guest of her daughter, Mrs. H. E. Jones.

Capt. Cutler Snow arrived from sea on Saturday and will remain the summer with his family.

Mr. Frank Sypher gave a party to his friends on Saturday evening. All present report a good time.

Quite a number met with Mrs. B. E. Dakin on Sunday evening and enjoyed a good old fashioned sing.

Several of our young men are busily engaged getting their boats ready for summer fishing. We wish them success.

Mrs. Arnold Morehouse and daughter Muriel and Mrs. Chipman Saunders spent Wednesday last at Little River.

Mrs. Leonard Eldridge and daughter Josephine are at Digby, the guests of her parents, Mr. and Mrs. W. Brown.

Master Edmond Morehouse, who has been confined to the house with pneumonia, we are glad to say is on the road to recovery.

The severe snow storms of Friday and Saturday, April 21st and 22nd, made us wonder if we were ever going to have any spring.

We regret to report Mr. Henry Griffith, who has been on the sick list for some time, is not improving; also Mrs. Jane Eldridge, who has been ill with a gripe for over a month, is but slightly improved.

#### Joggie Bridge.

#### Small Pox in Moncton.

A despatch from Moncton reports a serious outbreak of small pox at Fox Creek. It is said that there are over forty cases in that vicinity and two schools have been closed. Moncton also has three cases originating from the same source.

### CORRESPONDENCE.

#### Not "Red Deer"

To the Editor of the Courier:

DEAR SIR—Having noticed in nearly all the newspapers where mention is made of the live deer imported into this province that they are called "Red Deer," erroneously, I thought it might be of interest to many people to know that these beautiful and most interesting animals are not Red Deer, but are the Virginia, or White Tailed Deer. No animal of the big game species is so widely distributed on the North American continent as this variety of the cervidae. The only true Red Deer is to be found in Scotland, viz., the Scotch Stag. It is a great source of satisfaction to all sportsmen and nature lovers to note the rapid increase of these deer since they were brought across the bay from New Brunswick and set at liberty in our forest. It is of common occurrence to see their tracks when hunting in the woods to the south of us. It was stated by one of the game warden at their annual meet in Yarmouth last summer, that there were as many deer in that county as moose. Annapolis and Digby counties are also becoming well stocked, and some of these deer have strayed into Hants county. They will undoubtedly increase very fast from now on, having obtained so good a start. The deer usually give birth to two, and in some cases three fawns. Judging from the specimens seen, they are fully parent stock in New Brunswick, which goes to prove that our climate and the food they obtain suits their requirements admirably.

H. A. P. SMITH,  
Game Warden.

#### The Red Deer.

To the Editor of the Courier:

SIR—In your last issue of the COURIER I note what you say about the placing of the live Red Deer in our forest from New Brunswick. Three went to Annapolis as stated, and of the three sent to Yarmouth one died, so two have been added from there. These five will be a great help.

You are in error as to the date of the placing out of the first lot. The Deer were put out in February and March, 1893—18 years ago instead of 13—as stated.

By all accounts they have done fine and with very few exceptions have been loyally protected. The Indians as a whole, at the time promised me their sympathy and assistance in their hunt, and I got them over, and I must say in justice to them, I have never yet heard of one of them breaking their promise. Hence the deer are in great numbers and scattered all over the Western Counties. Two spent several weeks' vacation last summer near Point Prim light, Digby. J. DALEY.

#### St. John Y. M. C. A. Bible Study Banquet.

(St. John Correspondent)

One of the most brilliant functions of the year was the banquet held in the Y. M. C. A. rooms on the 21st instant, which marked the closing of the Bible study group work for the season of 1910-1911. Eleven tables, representing eleven classes, with a total membership of about 150, were lavishly spread with good things, each group being responsible for its own food, table decorations, and one number of the programme. Each table was decorated in a distinctive fashion, representing the group name, and a prize awarded the most appropriate. The first prize was won by the Mausskeetmaukhyasse (meaning Big Deer) group, led by Herbert A. Wetmore. This table was arranged under a mounted deer head, and for a centerpiece had a small birch camp and outfit. Spruce and Cedar boughs were also arranged very neatly about the table. The menu cards were very neatly written in Indian. Mr. H. J. Smith, barrister of this city, was the guest of the group.

In accord place came the "Aviators" under the leadership of Egbert C. Prime, and their table too was very artistically decorated. The table was covered with sky blue crepe, paper, representing the sky, sprinkled with silver paper stars, and the "Dipper" outlined with larger stars. The floral decorations were yellow chrysanthemums. The centerpiece represented the earth, being a small globe of the world. From the chandelier over the table hung a miniature airplane, and the top of the chandelier to the table yellow and black (the Y. M. C. A. colors) crepe paper was prettily draped, marking off each persons place. The place cards were very neat and appropriate, having a white background, and a small aeroplane in water colors in the left corner, the name and date being to the right. The menu cards were also very neat and attractive. George E. Barbour, of this city, and president of the Y. M. C. A., and Ralph M. Noble, soloist, were the guests of this group.

The Giants, with Herman Lordly as leader, came in third place.

W. H. Moor, boys' work secretary, presided, and in a stirring address after the good things were disposed of, announced that the annual examinations for the Bonnell cup would be held on the 29th instant. Speeches were also made by W. C. Cross, vice pres. of the Association, and Willis Jones, of the religious work department. The programme consisted of solos, recitations, and a dialogue by the "Panthers."

The evening proved to be one of much enjoyment.

#### More O. P. R. News.

Windsor Tribune, April 21: In conversation yesterday with a gentleman belonging to St. John, the Tribune was informed that the opinion prevails in that city that it was the intention of the O. P. R. to extend its development into Nova Scotia all along the route of the D. A. R.

#### Death of Mrs. E. R. Gilliatt.

The death of Susan Dunn Gilliatt, widow of the late Edmund R. Gilliatt, occurred very suddenly at the home of her son, C. H. Gilliatt, Wellfleet, Mass., on Tuesday, April the 18th. Mrs. Gilliatt was the daughter of William and Mary Miller Dunn, of Bear River, and was 81 years of age. She leaves to mourn the loss of a devoted mother, one son Chipman H. Gilliatt, of Wellfleet, Mass., daughters, Mrs. E. R. Thomas, Smith's Cove; Mrs. Austy Gilliatt, Granville Ferry; Mrs. John W. Adams, Deep Brook; Mrs. S. F. King, Wellfleet, Mass.; Mrs. George Kennedy, Bridgewater; also six granddaughters; one brother, Edward Dunn, of Lunenburg, and our sister, Mrs. Rachel Carly, of Digby. The remains arrived here on Tuesday, April 25th, accompanied by her son, C. H. Gilliatt. The funeral was held from the home of her daughter, Mrs. E. R. Thomas, after the arrival of the train. Rev. Henry Carter conducted the service at the house and grave. A large number of people attended the services to show their respect for the dead, and their sympathy with the bereaved.

#### Pleasant Relations.

Speaking of the cordial relations existing between Canada and the United States, Ambassador Bryce in a recent speech at Detroit said: "It was observed by the Premier of Canada a few weeks ago that these people speaking the same language, living side by side without armies and navies facing each other, gave to the world the example of two people living together in mutual confidence and trust. I think this example will have its effect throughout the whole world. If it becomes possible, as I hope it will, to have a treaty that will preclude even the chance of danger between them, that will be an example for the whole human race."

#### 25 Years Ago.

FROM THE YARMOUTH TIMES FILES OF APRIL 20th, 1886.

April 23 was Good Friday, (nine days later than in 1911).

Captain Titus left Westport on April 19 for Boston with his first cargo of live lobsters. Captain Haley was to follow in a few days.

At a meeting of the marine board the following candidates passed successful examinations: Charles E. Utley, of Yarmouth, as master; Jackson Simms, of Plymouth, William W. Hopkins, of Barrington, E. H. Pitman, of Annapolis, Harry D. Beveridge, of Hebron, as mates.

Mac—I understand that Van Dyke has been dropped by society!

Wyld—Yes, he made himself unpopular because he paid his debts instead of his social obligations.

## FOR 25 YEARS HE SUFFERED

Well Known Merchant of Sarnia Cured by  
"Fruit-a-tives"

SARNIA, ONT., Feb. 5th, 1910.  
"I have been a sufferer for the past 25 years with Constipation, Indigestion and Catarrh of the Stomach. I tried many remedies and many doctors but derived no benefit whatever.  
Finally I read an advertisement of 'Fruit-a-tives' and I decided to give 'Fruit-a-tives' a trial and found they did exactly what was claimed for them. I have now taken 'Fruit-a-tives' for some months and find that they are the only remedy that does me good.  
I have recommended 'Fruit-a-tives' to a great many of my friends and I cannot praise these fruit tablets too highly."  
PAUL J. JONES

Thousands now use 'Fruit-a-tives'. Thousands more will try 'Fruit-a-tives' after reading the above letter. It proves, beyond the shadow of a doubt, that at last there is a cure for Constipation and Stomach Troubles.  
'Fruit-a-tives' is Nature's cure for these diseases, being made of fruit juices and valuable tonics.  
\$5c a box, 6 for \$2.50, trial size, 25c. At dealers, or sent on receipt of price by Fruit-a-tives Limited, Ottawa.

### Bangor Destroyed by Fire.

MANY ARE HOMELESS—SUNDAY POKER GAME PROVED AN EXPENSIVE ONE.

BANGOR, Me., May 2—A Sunday afternoon poker game, played in a hay shed, caused the fire that swept Bangor, leveling almost 400 buildings, causing the loss of two lives, rendering thousands homeless and entailing a money loss conservatively estimated at approximately \$4,000,000.

A longshoreman today told the city authorities that the fire was caused by a number of men playing poker in Green's hayshed dropping a lighted match on the floor. The loose hay burst into flames, and in a moment the interior of the place was ablaze. The card players barely had time to dash out of the door.

Of the 250 families burned out, seventy were destitute. Most of the owners of the business blocks and homes that were burned are financially able to rebuild as soon as material can be obtained.

Bangor passed a quiet night. Although every man and boy who did patrol duty were each supplied with five rounds of ball ammunition, after 10 o'clock there was no shot fired. There has not been a single case of looting discovered since the fire, the police say.

Telephone service, as well as electric lighting was still in chaotic condition today. Street car service on one line was resumed. The work of clearing away the debris began in earnest and conferences were arranged for the discussion of plans for the rebuilding of the city. Early in the day squads of dynamite operators began the work of shaking down standing walls and overturning tottering chimneys.

### Death of Capt. F. Classon.

THE AGED MASTER MARINER WAS A NATIVE OF DIGBY.

A Brooklyn despatch says: Intimate and other friends here of Captain Francis Classon, a famous seaman and successful marine master and well known figure in shipping circles in New York and St. John, N. B., were greatly surprised to pick up one of the Sunday newspapers here and under the heading of "death notices" to find the following paid for advertisement:

"Classon—April 14, after a short illness, in his 78th year, Francis Classon, husband of Annie B. Classon, at his residence, 312 East 5th St., Flatbush, N. Y. Funeral private."

This Captain Classon was ill had not been known, and many, not having seen him for a period of two weeks, were under the impression that he was out of town.

[The deceased was a native of Digby, having at one time resided on Prince William street near the head of the government pier.]

### The Deaf Must Hear

Deafness usually due to Catarrh, is quite curable. In a thousand cases this is proved absolutely true. Success invariably attends the use of Catarrhine, which has cured catarrhal deafness of twenty five years standing. Penetrating through the passages of the ear, the soothing vapor of Catarrhine cures the inflammation, destroys the seeds of Catarrh and thereby allows nature to reassert herself. Try Catarrhine yourself, 25c, and \$1.00 sizes sold by all dealers.

### D. A. R. and C. P. R.

MONTREAL, April 30.—Sir Thos. Shoughness, retired house agent, who was in England yesterday, announced that contracts for two new fifteen thousand ton steamers for the Canadian Pacific Oriental route would be let shortly. The ships will be larger than the Atlantic Empresses, and are to be completed in eighteen months. Sir Thos. denied the rumor that the Atlantic Empresses would be transferred to the Pacific service and replaced by new vessels on their completion.

He announced that the Dominion Atlantic from Yarmouth to Halifax would shortly be taken over by the C. P. R.

### When Women Suffer

Look out for weakness or disease. See if there is not a headache, restlessness and the "blues." These symptoms indicate that you need the gentle assistance of Dr. Hamilton's Pills. They are women's greatest relief, prevent functional derangements, renew the life of the blood, purify and clean the system throughout. No tonic so potent, no results so marked as follow the use of Dr. Hamilton's Pills. Price 25c. per box at all dealers.

### See What Your Home Mail Order House Offers You.

A sample of the material will be furnished you on request, also their 40 page Catalogue sent Post Paid. Send a card to A. M. King & Son Annapolis Royal, N. S.

### Death of C. A. Masters.

Mr. Charles A. Masters, father of Mr. J. F. Masters, Boston agent of the D. A. Railway, died at his home, Kentville, on April 27th, aged 87 years. It is but a few weeks ago that we reported the 60th anniversary of Mr. and Mrs. Masters. The happy event of last month has been turned to mourning after a long and honored life. Mr. J. F. Masters and his sister, Miss Rose, were passengers on the ship which left yesterday morning en route for Kentville to attend the funeral.

### Canadian Warship Coming.

Yesterday's Halifax Herald says: H. M. C. S. "Niobe" will leave Halifax this afternoon for Annapolis Bay. It is proposed that the cruiser shall remain in the neighborhood of Digby until May 10th, when the ship will return to Halifax, arriving May 17th, to coal and provision. Then she will lie for the St. Lawrence, and is due at Quebec by the 1st of June.

[Mayor Short received a telegram from the commander yesterday, saying the ship would arrive here tomorrow.]

# Tenth Anniversary Sale!

Spring Time and Its Needs.

It Has Taken Us Ten Years to Write This Advertisement.

We have often thought how useless it was for a merchant to make a sale of goods out of season. NOW, in view of the fact that on the TENTH OF MAY we are just ten years old, we will, for one week, give our customers the opportunity to buy *Household needs at greatly reduced prices.* You will see in the list below several things which you require immediately. You will be compelled to buy somewhere. Why Not From Us?

You will remember that ten years ago our business was very small, but by closely following and catering to the requirements of our customers you have seen it grow to such extent that now we have *The most complete Wall Paper Department in this part of the Province* together with a complete line of PAINTS, OILS and VARNISHES, SADDLERY HARDWARE, TRUNKS, BAGS and STABLE SUPPLIES.

## Afraid of Ghosts

Many people are afraid of ghosts. Few people are afraid of germs. Yet the ghost is a fancy and the germ is a fact. If the germ could be magnified to a size equal to its terrors it would appear more terrible than any fire-breathing dragon. Germs can't be avoided. They are in the air we breathe, the water we drink.

The germ can only prosper when the condition of the system gives it free scope to establish itself and develop. When there is a deficiency of vital force, languor, restlessness, a swollen cheek, a hollow eye, when the appetite is poor and the sleep is broken, it is time to guard against the germ. You can fortify the body against all germs by the use of Dr. Pierce's Golden Medical Discovery. It increases the vital power, cleanses the system of clogging impurities, enriches the blood, puts the stomach and organs of digestion and nutrition in working condition, so that the germ finds no weak or tainted spot in which to breed. "Golden Medical Discovery" contains no alcohol, whisky or habit-forming drugs. All its ingredients printed on its outside wrapper. It is not a secret nostrum but a medicine of known composition and with a record of 30 years of cures. Accept no substitute—there is nothing "just as good." Ask your neighbors.

CATALOGUE

The latest and most up-to-date Engine on the market. Have been sold throughout the Maritime Provinces since 1903. What a user writes after three years' service—

THE L. M. TRASK CO., Lower Hamilton, P. E. I. March 17, '11.

Dear Sirs:—The six horse power engine that I got from you in Sept. 1908 has given perfect satisfaction, always ready to go in all kinds of weather. Just as ready to start with the thermometer in below zero as it is in the middle of summer. I have done as much work with her now, as any ordinary farmer would do during his lifetime, and still she runs today as well as when I got her, the only expense being one contact spring costing 50c. If I had to buy a new engine now I would buy a Woodpecker in preference to any other kind that I have seen working.

## The Canadian Government Annuities Act

The subject of the Act is to promote habits of thrift, and to provide all persons, male or female, domiciled in Canada with a safe and sure plan of making provision for old age at the lowest possible cost. Deposit from time to time in any Money Order Office such sums as you can spare, for which purpose the Postmaster will supply you with a pass book; or you may, if you prefer, remit these amounts direct to the Annuities Department, in any manner that may best suit your convenience. (If by cheque or Money Order, this should be drawn to the order of the Receiver General.) Upon your deposits 4 per cent compound interest will be allowed, and at the age of 55 (which is the earliest age at which an Annuity can begin) or at any later age desired, and of course the longer deferred the larger will be your income, such Annuity as the total amount on your credit will purchase will be paid to you in quarterly instalments so long as you live. A definite amount of Annuity may be secured if specific sums are regularly paid. Should you die before the Annuity is due, all payments made will be returned to your legal representatives with 3 per cent compound interest; though the same payments will secure for you a larger Annuity if you do not wish to provide for this return.

If you have an amount at your credit in the Post Office Savings Bank, you may have this amount, or such portion of it as you may desire, transferred to the Annuities Department for, or on account of, the purchase of an Annuity.

The minimum Annuity which may be purchased is \$50, and the maximum \$600. The earliest age at which the purchase may be begun is 5, but it may begin at any age thereafter. To each purchaser a contract or policy is issued, and a provident feature of the System is that there are no penalties or forfeitures. If payments should for any reason cease, they may be renewed at any time; and if arrears are not made up the only effect will be that a smaller Annuity will be secured. A person over the age of 55 may buy an Immediate Annuity; and a Last Survivor Annuity, Immediate or Deferred, may be purchased by any two persons by a single payment.

By paying a little higher rate, all Annuities may be guaranteed for a number of years certain. About 1,800 persons have availed themselves of the Act, and over \$90,000 have been paid into the fund. Every class of the community may be said to be purchasing. Twelve lecturers or agents are employed to present the features of the System to the public from the platform and other wise; and an office staff of eighteen is already necessary to handle the work. You bear no share of this cost, but every cent you pay in is placed at your credit for the purchase of your Annuity.

If you desire any further information on the subject this will be supplied you by the Superintendent of Canadian Government Annuities, Ottawa, to whom all letters go free of postage. Literature may be obtained at the Post Office.

### The Doctor's Question.

MUCH SICKNESS DUE TO BOWEL DISORDERS.

A doctor's first question when consulted by a patient is, "Are your bowels regular?" He knows that 98 per cent of illness is attended with inactive bowels and torpid liver, and that this condition must be removed and thoroughly before health can be restored.

Recall Orderlies are a positive, pleasant and safe remedy for constipation and bowel disorders in general. We are so certain of their great curative value that we promise to return the purchaser's money in every case when they fail to produce entire satisfaction.

Recall Orderlies are eaten like candy, they act quietly, and have a soothing, strengthening, healing, influence on the entire intestinal tract. They do not purge, grip, cause nausea, flatulence, excessive looseness, diarrhoea or other annoying effect. They are especially good for children, weak persons or old folks. Two sizes, 25c. and 10c. Sold only at our store—The Recall Stores, P. W. Holdsworth, Digby; Ryan & Blackard, Weymouth.

### Simple Remedy

FOR BACKACHE AND KIDNEY TROUBLE

The simplest and most effective remedy for sick kidneys is Booth's Kidney Pills. If there is weakness, congestion, inflammation or soreness, Booth's Kidney Pills quickly relieve it.

They gently cleanse, tone up and strengthen sick kidneys, drive away backache, rheumatic pain and dizziness, clear up and regulate the urine and restore a perfect filtering of the blood. Best of all, this relief is permanent.

All druggists sell and guarantee Booth's Kidney Pills, 50c. box. Money back if they fail to relieve. Write to the R. T. Booth Co., Ltd., Fort Erie, Ont., for a free trial.

## AFTER 7 YEARS SUFFERING

I Was Cured by Lydia E. Pinkham's Vegetable Compound

Waukegan, Okla.—"I had female troubles for seven years, was all run down, and so nervous I could not do anything. The doctors treated me for different things but did me no good. I got so bad that I could not sleep day or night. While in this condition I read of Lydia E. Pinkham's Vegetable Compound, and I soon gained health and strength and could not wish to sleep better. I know other women who have taken it for the same purpose and they join me in praising it. —MRS. W. A. BERRY, 905 Dame St., London, Ont.

Another Grateful Woman  
London, Ont.—I feel as if I could not tell others enough about the good Lydia E. Pinkham's Vegetable Compound has done for me. I was so weak and tired that I could not rest at night. A friend recommended your Compound and I soon gained health and strength and could not wish to sleep better. I know other women who have taken it for the same purpose and they join me in praising it. —MRS. W. A. BERRY, 905 Dame St., London, Ont.

Lydia E. Pinkham's Vegetable Compound has surely cured many cases of female ills, such as inflammation, ulceration, displacements, fibroid tumors, irregularities, periodic pains, backache, that bearing down feeling, and nervous prostration.

## AT DEATH'S DOOR FROM KIDNEY DISEASE

SAVED ONLY BY "FRUIT-A-TIVES"

CLANDRASSIE, ONT.

"Two years ago, the doctor made forty-four calls on me, and then said he had done all he could for me. I was suffering with intense kidney trouble and inflammation had set in. Two other doctors were consulted and agreed that nothing could be done to help me. On the recommendation of a neighbor, I took 'Fruit-a-tives,' and they cured me. Today, I take 'Fruit-a-tives' as my only medicine. I am in excellent health, and 'Fruit-a-tives' is the medicine that cured me after I had been at Death's door for months."

I am glad to be able to give you this testimonial. It may benefit some other woman suffering as I suffered, as I believe that I would not be alive today had I not used 'Fruit-a-tives'.

MRS. P. E. WEBBER.

"Fruit-a-tives"—by its marvellous action on the kidneys—completely restores these vital organs to their normal strength and vigor—and cures every trace of kidney trouble. "Fruit-a-tives" is the only medicine in the world made of fruit.

Town Council.

The monthly meeting of the Town Council was held at the Council Chamber at 8 p. m. April 25th.

Present: His Worship the Mayor and Councillors Jordan, McBride, Turnbull, Lynch and Waine.

The minutes of the last meeting of the Council were read and approved.

The report of G. A. Vre, Supt. of Streets and Water, was read and approved.

Mr. McBride, as chairman of the Fire Committee, reported that the committee had met a committee from the Fire Company and discussed the matter of increasing remuneration to the members of the Fire Co., and the Firemen's Committee thought that if the members of the Company were exempt from poll tax in addition to the annual allowance of \$80.00 each, they would be satisfied. The Fire Committee therefore recommended that the members of the Company be exempt from payment of poll tax in addition to the annual allowance of \$80.00 each.

On motion of Councillors Jordan and Turnbull the report was received.

On motion of Councillors Jordan and Waine the members of the Fire Company were relieved of payment of poll tax in addition to the annual allowance of \$80.00 each.

Councillor Turnbull reported in reference to bill of P. W. Holdsworth of \$2.15 that he had interviewed Mr. Holdsworth, who stated that the charges for goods were the ordinary charges for the goods, and that the charges for telegrams were correct, and he was obliged to telegraph for the anti-toxine under instructions from the Health Officer.

Miss Kate Tibbitts appeared before the Council and stated that a cesspool on the premises of J. A. McNeill was a menace to the public health, and she so wished a fire alarm installed at the corner of St. Mary's Street and Montague St. She wished also that the Council would have a ditch and drain on the street near her mother's property repaired, so that the water would not run into the cellar.

A sewer of W. E. VanBlacom was also reported in bad condition and a sink drain on property owned by Mrs. Alma Rooney was reported as a menace to the public health.

On motion the matters of cesspool, sewer, and sink drain were referred to the Board of Health.

Councillor J. C. Tibbitts making application for a license for a moving picture theatre was read.

The License Committee reported, re application of Wm. F. Thudvey for a license for a moving picture theatre, recommending that the license be granted.

On motion of Councillors Jordan and McBride a license was granted to Wm. F. Thudvey for a moving picture theatre till December 31st, 1911. The amount of the license fee to be \$8.00.

On motion of Councillors McBride and Jordan the rate per day for workmen on the streets was fixed at \$1.00 per day.

The following bills were read and on motion ordered to be paid.

Mr. Frank Burridge, after an absence of 29 years, is on a visit to his brother, Mr. Patrick Burridge. It seems that after leaving the new England States he visited England, France, Germany and Russia.

We are sorry to state that Mr. Eugene Briand, our able organist, has returned to his home in St. Pierre. We will surely miss him for Mr. Briand was a accomplished musician and his absence from the choir will be greatly felt by the members. Miss Theresa Deveau, of Mavillette, will take charge of the organ.

We are having public prayers every evening in our church at 7:30 in honor of the Blessed Virgin, the month of May being specially dedicated to Her by the Catholic church. The organ is under the skilful touch of Miss Emma Comeau, our principal teacher. A number of the members of the society of the Children of Mary and some older ladies, as well as several other young gentlemen, make it a point of duty to attend every evening and sing the praises of the glorious Mother of God. Since the arrival of the Revd. Fr. Brocq, our beloved rector, our choir has made good progress under his paternal and skilful training. He has formed a choir of ladies to sing in the transept of the church which renders very effective services actually, and give good promises for the future. Among the young men who have joined the choir recently are Messrs. John C. LeBlanc, F. Vincent Mallet and Gussie Deveau.

## The Newspaper Law.

The latest postal laws are such that newspaper publishers can arrest anyone for fraud who takes a paper and refuses to pay for it. Under the law the man who allows his subscription to run along for sometime unpaid or takes the papers from the post office, and then orders the postmaster to mark it 'refused' and have a notice sent, notifying the publisher, lays himself liable to arrest and fine the same as for theft.

## When You Think

Of the pain which many women experience with every month it makes the tenderness and kindness always associated with womanhood seem to be almost a miracle. While in general no woman rebels against what she regards as a natural necessity there is no woman who would not gladly be free from this recurring period of pain.

**Dr. Pierce's Favorite Prescription makes weak women strong and sick women well, and gives them freedom from pain. It establishes regularity, subdues inflammation, heals ulceration and cures female weakness.**

Sick women are invited to consult Dr. Pierce by letter, free. All correspondence strictly private and sacredly confidential. Write without fear and without fee to World's Dispensary Medical Association, R. V. Pierce, M. D., President, Buffalo, N. Y.

If you want a book that tells all about woman's diseases, and how to cure them at home, send 31 one-cent stamps to Dr. Pierce to pay cost of mailing only, and he will send you a free copy of his great thousand-page illustrated Common Sense Medical Adviser—revised, up-to-date edition, in paper covers. In handsome cloth-binding, 50 stamps.

### Freeport

Capt. Edgar Haines has gone to Boston for employment.

Rev. J. W. Browne occupied the pulpit here Sunday morning.

Mr. Charles Morell was a passenger to St. John Thursday en route to Marblehead, Mass.

Quite a number attended the Sunday school convention held in Central Grove Friday afternoon and evening.

Mrs. Abbey Albright was very seriously burned on Friday evening. The old lady being alone at the time the real cause of the accident is unknown. Little hopes are entertained for her recovery.

On Sunday afternoon Rev. A. H. Saunders preached the annual Odd Fellows' sermon, the members of the lodge sitting in a body dressed in regalia. Mr. Joseph Crocker, one of the members, sang a solo.

The appearance of the school house has been much improved by the addition of new blinds. The money to purchase these was raised by a picnic held by the teachers and young people of the place a short time ago.

Mr. Arch Thurber has gone to Marblehead to take charge of the new yacht "Panthor". This is the sixth season he has been in the employ of Mr. A. P. Lorin of Boston, and has had charge of four different boats. These have all been up to date racing boats, the last two being in the Souder class.

About 6 o'clock Friday evening Capt. M. G. Crocker arrived from Lord's Cove, where she was built, in his new auxiliary schooner the "Cora Gertrude". A large crowd met him at the breakwater and inspected the new craft. This is an up to date little vessel with latest improvements in rigging, rigging, etc.

Capt. Crocker will carry fresh haddock to Digby for the Maritime Fish Corporation and having been very successful in that business in the past, we wish him greater success if possible while the owner of such a fine vessel as the "Cora Gertrude". Saturday morning Capt. Crocker very willingly got his new vessel under power and conveyed to Meteghan his two sons George and Bert, and Arch Thurber as they were desirous of taking the Saturday night boat to Boston. The run to Dartmouth point to Meteghan breakwater was made in the remarkably short time of 1 hour 15 minutes. Besides the three passengers a number of women and children enjoyed the gasoline sail on a perfect summer day.

**Weymouth North.**

The district Sunday school convention met here Tuesday.

Messrs. Stehlin Bros. rotary mill has started again for the spring cut.

Mr. W. L. Jones is putting a large veranda on his house, which will be a great improvement.

Mr. Butler, Esq., arrived here last week from his trip to Boston, Haverhill and Weymouth.

The roads have been quite dry for the season until the recent rain, which has made them worse for a few days.

Mrs. George Frost arrived here last week to remain the summer, after spending the winter in Annapolis.

Councillors Bowers, of Westport, and Outhouse, Tiverton, arrived by steam Westport Monday en route for Digby, accompanied by Couns. Nichol and Johnson, of Weymouth, to attend the Council.

St. Thomas Lodge of Odd Fellows had their annual service in St. Thomas church Sunday evening. The church was crowded, the sermon being given them by their chaplain, Rev. C. R. Cumming.

From another Correspondent:

The Ladies' Auxiliary met at Mrs. F. Journeay's this week.

We were pleased to see Mrs. H. Journeay on Sunday.

Mrs. John Nesbitt has returned from his visit to Danvers.

St. Peter's Guild met at Mrs. G. D. Campbell's, this week.

Mrs. G. D. Campbell, sr., and Miss Katherine have returned from St. John.

Mrs. Joseph Thurber and family returned home after spending a pleasant winter in St. John.

Mrs. Harry Tooker and daughter spent Sunday with her aunt, Mrs. Dalgreen, at Weymouth.

**For Falling Hair.**

YOU RUN NO RISK WHEN YOU USE THIS REMEDY.

We promise you that, if your hair is falling out, and you have not let it go too far, you can repair the damage already done by using Rexall 93 Hair Tonic, with persistence and regularity, for a reasonable length of time. It is a scientific, cleansing, antiseptic, germicidal preparation, that destroys microbes, stimulates good circulation around the hair roots, promotes hair nourishment, removes dandruff and restores hair health. It is as pleasant to use as pure water, and it is delicately perfumed. It is a real toilet necessity.

We want you to try Rexall 93 Hair Tonic with our promise that it will cost you nothing unless you are perfectly satisfied with its use. It comes in two sizes, prices 50c. and \$1.00. Remember, you can obtain Rexall Remedies in this community only at our stores—The Rexall Store, P. W. Holdsworth, Digby; Ryan & Blackadar, Weymouth.

**Thin Hair on Top.**

If Parisian Sage, the hair grower that H. E. Jones guarantees, will not cause hair to grow where the hair is thinning out, nothing on this earth will.

And we say to everybody, you can have your money back if Parisian Sage isn't the best hair grower, hair saver, hair beautifier and dandruff cure on the market to-day.

It stops itching scalp and falling hair and makes hair grow thick and abundantly, or money back, 50 cents for a large bottle. Parisian Sage makes the hair soft and brilliant and promotes growth.

## These need paint to keep them in good shape

Says the Little Paint Man.

We don't always realize what harm the wear and tear of the weather does to our houses and barns and buggies and wagons that are not protected by good paint. Buildings that have not been painted or on which the paint has worn off, are exposed one day to the wet and the rain, the next day to the hot sun and so on, until the unprotected wood twists and warps and cracks and the rot starts. So a building that should be in good repair at the end of 50 years, if it had been kept properly painted, goes to rack and ruin in 15 or 20. And think how it looks.

Why don't you paint this spring with Sherwin-Williams Paint, Prepared? Made of pure lead, pure zinc, pure linseed oil and the necessary coloring pigments and driers, all mixed and ground by special machinery. Come and see us, we want to talk paint to you.

**Why Not Get Rid of That Catarrh?**

There are few people in this extreme and changeable climate who have not at least a touch of nasal catarrh. Yet because in itself it is not very dangerous most people put up with it, in its first stages, as a matter of course, till some day they wake up to the fact that the trouble has crept down to the lungs, or perhaps, through swallowing the phlegm, to the stomach. In this way, catarrh is most disagreeable to oneself and others.

**Father Morrissey's No. 26**

is a combined internal and external treatment that has cured, and will cure, the most stubborn cases. The tablets, taken three or four times a day, purify the blood and help to throw off the disease, while the antiseptic, healing salve, applied up the nostrils, cleanses the diseased parts, heals, and completes the cure. Now is the very best time to get No. 26 and start to get rid of that catarrh. Combined treatment 50c. at your dealer's.

## OPERATION HER ONLY CHANCE

Was Cured by Lydia E. Pinkham's Vegetable Compound

Lindsay, Ont.—"I think it is no more than right for me to thank Mrs. Pinkham for what her kind advice and Lydia E. Pinkham's Vegetable Compound has done for me. When I wrote to her some time ago I was a very sick woman, suffering from female troubles, and could not stand on my feet. At last I was confined to my bed, and the doctor said I would have to go through an operation at this time. I felt like a new woman. I most heartily recommend this medicine to all women who suffer with female troubles. I have also taken Lydia E. Pinkham's Liver Pills and think they are fine. Mrs. FRANK EMBLEY, Lindsay, Ontario.

We cannot understand why women will take chances with an operation or even out a sickly half-hearted existence, missing three-fourths of the joy of living, without first trying Lydia E. Pinkham's Vegetable Compound.

For thirty years it has been the standard remedy for female ills, and has cured thousands of women who have been troubled with such ailments as displacements, inflammation, ulceration, fibroid tumors, irregularities, periodic pains, backache, indigestion and nervous prostration.

**Mr. Canat Is Traveling.**

LYNN, MASS., May 17.—Joseph Canat, who retired from the Lynn shoe trade last year, is traveling much about the country. He spent the winter in California. He is in Washington now. He will go to Smith's Cove, Nova Scotia, for the summer and will return to California in the fall, and will probably spend the winter there. Mr. Canat occasionally stops in Boston to look into his financial interests in various manufacturing enterprises outside of New England. Mr. Canat appears to be one of the most fortunate of the men who have retired from the Lynn shoe manufacturing industry.

**Salt Rheum On the Hand**

Yielded only to the soothing, healing influence of CHASE'S OINTMENT.

In addition to the suffering and pain caused by eruptions and skin diseases, salt rheum is a most annoying and distressing condition. It is characterized by the formation of small, red, itchy spots on the skin, which gradually increase in size and number. It is most common on the hands and face. Chase's Ointment is the only remedy that will cure it. It is a most effective and soothing remedy, and will cure it in a few days.

**ALMOST DISABLED**

Father Morrissey's No. 7 Cured His Rheumatism in 3 Weeks.

Father Morrissey's prescription, called "No. 7," cures Rheumatism completely as well as quickly, as Mr. James Major, of Hartland, N.B., gladly testifies.

"I want to tell you," he writes, "of the wonderful cure Father Morrissey's medicine made of me. I was troubled with Rheumatism so badly that I could not get into my wagon alone. After using his medicine for three weeks I was completely cured, and felt like a boy. I am now a man of 70 years of age, in good health, yet to Father Morrissey's medicine I owe all thanks."

"I can truly advise anyone suffering from Rheumatism to use this medicine at once."

Father Morrissey's No. 7 Tablets act directly on the kidneys, invigorating them so that they can thoroughly cleanse the blood of the Uric Acid which causes Rheumatism, and thus permanently cure it.

## PURIFIED HIS BLOOD

Dr. Morse's Indian Root Pills Healed Mr. Wilson's Sores

When the severs of the body—bowels, kidneys and skin ducts—get clogged up, the blood quickly becomes impure and frequently sores break out over the body. The way to heal them, as Mr. Richard Wilson, who lives near London, Ont., found, is to purify the blood. He writes:

"For some time I had been in a low, depressed condition. My appetite left me and I soon began to suffer from indigestion. Quite a number of small sores and blotches formed all over my skin. I tried medicine for the blood and used many kinds of ointments, but without satisfactory results. What was wanted was a thorough cleansing of the blood, and I looked about in vain for some medicine that would accomplish this. At last Dr. Morse's Indian Root Pills were brought to my notice, and they are one of the most wonderful medicines I have ever known. My blood was purified in a very short time, sores healed up, my indigestion vanished. They always relieve me of the most wonderful medicines I have ever known. My blood was purified in a very short time, sores healed up, my indigestion vanished. They always relieve me of the most wonderful medicines I have ever known."

Dr. Morse's Indian Root Pills cleanse the system thoroughly. Sold by all dealers at 25c. a box.

**Farwell to G. S. Hutchinson.**  
THE POPULARITY OF A FORMER LIGHT MAN.

(From the Ottawa Citizen.)  
Mr. G. S. Hutchinson, who leaves the service of the Government Printing Bureau this week for other and more remunerative employment, is one of the best known and most popular of the younger men of the Ottawa service. That he has held the position of Vice President of the Ottawa C. N. Association and President of the Civil Service Club testifies to the admiration of his fellow workmen for his executive ability.

His skill as an expert is evidenced by the appreciation of the world of business to which he now passes. He has been identified from the first with the movement for better conditions in the service, and the name of the interests that will suffer by his removal is legion.

Regretful, however, as all must be of the loss of Mr. Hutchinson, it is a pleasure to know that the business world itself recognizes from time to time the true value of the services as training ground and of the men who compose it. The recognition, also, which Mr. Hutchinson obtained from his fellow workers may be counted to the good of that modern spirit of union in the service which has brought men together and enabled them to appreciate each other as never before. Below will be found brief reference to the functions with which the service in one direction or another during the past week have sought to express their sympathy in leaving Mr. Hutchinson while retaining in his vacant position and wishing him good luck on his new way.

**PRINTING BUREAU FAREWELL.**  
A very pleasant informal function took place at the Civil Service Club on Tuesday evening, April 25th, the occasion being a reception and presentation by the employees of the Government Printing Bureau to Mr. Hutchinson, on his retirement from the service after 14 years spent therein.

About fifty were present. Mr. C. H. Parmelee, King's Printer, in a few well chosen remarks, presented Mr. Hutchinson with a set of colonial cut glass decanters, a case of pipes and a Sheffield tray. The recipient in his reply expressed feelingly his regret at leaving the Bureau.

After the presentation, refreshments were served and a very pretty evening spent.

**DIRECTOR'S DINNER.**  
As retiring President of the Civil Service Club, Mr. Hutchinson was tendered a dinner by the directors on Wednesday evening, April 26th, at the King George Restaurant.

The chair was occupied by Dr. Klotz, who proposed the health of the guests in appropriate terms. Mr. Hutchinson, in his reply, expressed his regret at leaving the service and his consequent retirement from the Board, and at the same time thanked all present for their kindly cooperation with him in the management of the affairs of the Club.

Each of the directors in turn bore testimony to Mr. Hutchinson's work as President, and expressed regret at his retirement. Mr. Frank Grierson, on behalf of the directors, presented Mr. Hutchinson with a gold locket, suitably inscribed.

**CIVIL SERVICE CLUB RECEPTION.**  
A most delightful event took place at the Civil Service Club on Wednesday evening, April 26th, when the Club members tendered a reception to Mr. George Hutchinson, the President, on the occasion of his retirement from the government service and his consequent withdrawal from the Club.

A very large turnout of members took place and the evening was given over to enjoyment. Songs and recitations were rendered by Messrs. Parkinson, Honey and others.

Mr. Frank Grierson, for the Executive of the Club, presented Mr. Hutchinson with a large framed photo of the latter, suitably inscribed. Mr. Hutchinson made an extended reply, reviewing the history of the institution with its reverses and successes. He gave great credit to many of the members, whose names he enumerated. Thanking the Club for its gift, he stated that he desired the photo to hang upon the Club walls, a remark which was greeted with much applause.

Brief speeches were also delivered by Dr. Klotz and Messrs. Dwyer, Coates, Lynch and others. Refreshments were served in the dining room, and the gathering broke up at 1.30 a.m. Everyone voted it a most enjoyable evening.

## AT LAST, A CURE FOR RHEUMATISM

"Fruit-a-lives Cured Me" Says Mrs. Baxter.

"I was a helpless cripple from Rheumatism for nearly a year. All down the right side, the pain was dreadful and I could not move for the agony. I was treated by two physicians without help. I saw 'Fruit-a-lives' advertised in 'The Telegram' and decided to try them. After I had taken one box, I was much better.

When I had taken three boxes, I could use my arms and legs and get about. After taking five boxes, I was entirely well again. The cure of my case by 'Fruit-a-lives' was indeed splendid because all the doctors failed to even relieve me. 'Fruit-a-lives' cured me. Mrs. LIZZIE BAXTER.

4 HOME PLACE, TORONTO, Dec. 15, '09.

In hundreds of other cases, 'Fruit-a-lives' has given exactly the same satisfactory results because 'Fruit-a-lives' is the greatest blood purifying medicine in the world. 'Fruit-a-lives' is a fruit medicine, regulates kidneys, liver, bowels and skin, and prevents the accumulation of uric acid, which is the prime cause of Rheumatism.

'Fruit-a-lives' will positively cure every case of Rheumatism, when taken according to directions. 50c. a box, 6 for \$2.50, or trial size, 25c. At all dealers or from Fruit-a-lives Limited, Ottawa.

SATURDAY SUNSET HAS ARTICLE ON HERBERT D. BURNS OF THE BANK OF NOVA SCOTIA.

(Halifax Chronicle)  
A portrait of Mr. Herbert D. Burns, a Nova Scotian, appears in the latest issue of the B. C. Sun Staff with the following contributed article:

"A week ago today Mr. Herbert D. Burns, manager of the Bank of Nova Scotia, Hastings street, celebrated his fifteenth year with that financial institution. Of that time Mr. Burns has spent four and a half years in Vancouver as manager of the Vancouver branch, succeeding Mr. D. R. Laird, who opened the branch of the Bank of Nova Scotia in this city, and who was for two years its manager. Mr. Burns was born in Digby, N. S., on June 11, 1878, and when about fourteen years of age the family moved to Moncton, where shortly after he entered the employ of the Bank of Nova Scotia. It is also interesting to note that Mr. Burns, manager of the Royal Bank of this city, also entered the same bank about the same time. For some years Mr. Burns had an opportunity to lay the foundation of his banking career in the Moncton office. Then when there was a vacancy in the Boston, Mass., office he was appointed there as accountant. Later he went to the office of the Bank in Montreal in the same capacity, and after filling that position for some time he returned to his native province as manager of the branch in Kentville. Prior to his arrival in Vancouver as manager of the Vancouver branch he was manager of the branch in Woodstock, N. B.

That Mr. Burns has kept his bank to the front in the rapid development which is taking place in Vancouver and this province is shown by the fact that two months ago a second branch was opened in Victoria, and about six weeks ago the bank there opened the doors of its second branch in this city on Granville street.

The Bank of Nova Scotia is one of the oldest banking institutions in Canada. In 1825 the Halifax Banking Company, otherwise known as Cogswell and Co., opened its doors as a private company, after several attempts had been made to establish a Bank in Nova Scotia, primarily because those asking for incorporation were seeking a monopoly. The new banking firm met with a considerable degree of favor, but as their prosperity increased their methods became autocratic. Their notes were made payable in gold or silver of Province paper. The public construed this to mean that the holders were entitled to whichever they desired, but found in actual practice that they could get only that which the bank chose to give them. Five partners of the eight who were concerned in the bank were members of the Executive and Legislative Councils, forming with their relatives, a majority in both. The monopoly of the Halifax banking company was not long borne in silence; a series of bitter attacks was made upon its methods through the columns of the newspapers; every commercial mishap was laid at its doors; and adverse feeling finally crystallized in a scheme for the establishment of the 'Bank of Nova Scotia.' The subscription list was opened February 1, 1832, and in due course the incorporation took place. Since then its growth has been quite in keeping with the growth of Canada."

## Board of Health.

The Board of Health met May 9th, at 3 p.m.

Present His Worship the Mayor and Councillors Lynch, McBride, Turnbull and Warne and R. Du Verne, M. D., Health Officer.

The matter of the report of Dr. L. H. Morse, late Health Officer, in respect to dwelling house owned by Donald McInnis and lately occupied by James Daley was brought up. Dr. Du Verne concurred in the opinion of Dr. Morse that the building was not fit for habitation and recommended that the Board take steps to have it removed as it was a menace to the public health.

On motion of Councillors Lynch and McBride it was ordered that the provisions of Sec. 22 of Chap. 6 of the Acts of N. S. 1910 "The Public Health Act" be enforced as respects the said building.

The Health Officer reported that the reason the cesspool on premises occupied by J. A. McNeill was allowed was that water from First Alley overflowed into it. Mr. McNeill had promised to have the cesspool placed in good condition.

He also reported in reference to sink drain from the premises now owned by Mrs. Anna Rooney that the owner proposed to install a system of plumbing and construct a sewer from the premises to the Racquette.

He also reported that he had notified W. E. VanBlarcom to extend his sewer the required distance down the beach and he had promised to do so at once.

He also reported that the premises lately occupied by Timothy O'Connell deceased, had been thoroughly fumigated and cleaned and the contents of the building burned, and the building was now habitable.

The Health Officer was instructed to order a sewer to be constructed from the premises lately occupied by T. O'Connell.

It was reported that sink drains from the premises of Outram Dakin and R. C. C. Smallie emptied into the gutters on the Street.

On motion of Councillors Lynch and Warne the Health Officer was ordered to notify these parties to have sewers constructed from their premises across the street to the outer edge of the curb work.

The Health Officer reported that in his opinion the hotel sewers and joint sewers should be extended at least 50 feet.

On motion of Councillors Lynch and Turnbull the Health Officer was instructed to notify all hotel keepers and owners of joint sewers and the owners of such other sewers as he may think necessary to extend their sewers at least 50 feet further down the shore.

The Board adjourned at 8.50 p.m.

# DIGBY COUNTY NEWS

Supplement to THE DIGBY WEEKLY COURIER

DIGBY, FRIDAY, MAY 19, 1911

## Tiverton

Mr. Churchill Sollows is home for a few days.

Mrs. Edgar Bates and son returned to Freeport Sunday.

Mrs. George Cossaboom has returned home from Danvers.

Mrs. Thomas Clifford returned home from Lynn a short time ago.

Mr. Ralph Ruggles, of Westport, attended the funeral of Mrs. Ruggles last Sunday.

Mr. Reggie Trask, of Little River, visited his sister, Mrs. Bernard Outhouse, last week.

Mr. Osbourne Ruggles was suddenly called home last Friday on account of his mother's illness.

Mrs. Garfield Spencer, of Ivoryton, Conn., gave her relatives and friends a call last Saturday.

Mr. Denton, of Little River, was the guest of his sister, Mrs. Lee Outhouse, a few days last week.

Mr. and Mrs. Edward Libert, of Central Grove, spent Sunday last with Mrs. Jerusha Outhouse.

Mr. Goodridge Outhouse, of Westport, New York, is the guest of his cousin, Mrs. Livingstone Sollows.

Mr. and Mrs. James Outhouse and two daughters Eva and Annie, of Freeport, attended the funeral of his sister, Mrs. Sinclair Ruggles, last Sunday.

With feelings of deep sorrow we record this week the death of Mrs. Sinclair Ruggles, which occurred at ten o'clock Friday morning. She had been ill for some time suffering very much. Mrs. Ruggles was highly esteemed by all who knew her. Her pleasant and sociable life made many friends for her. In sickness she was one who was always there and ready to do all she could, and it will be a long time ere her place will be filled. She leaves to mourn their loss, a husband, three daughters and three sons, Myrtle, Sarah and Rosa, Osbourne, Irving and Beunie of Tiverton, and three brothers, Mr. Milton and Byron Outhouse, of Tiverton, and Capt. James Outhouse, Freeport. The funeral took place from her late residence last Sunday. Services were conducted by Rev. A. H. Saunders, pastor of the Baptist church of which she was a member. Deceased was 59 years of age. We extend our sympathy to the mourning ones in the loss of a loving wife and mother.

## IN MEMORIAM.

The death of Fada, wife of Mr. Sinclair Ruggles took place at Tiverton, Friday, May 12th.

We have mourned thy dying pillow,  
We have kissed thy marble brow,  
And in our aching hearts we know  
We have no mother now.

Dearest mother, we have laid thee  
In the peaceful grave—no more;  
But thy memory will be cherished  
Till we see thy heavenly face.

Though cast down, we're not forsaken;  
Though afflicted, not alone;  
Thou didst give, and thou hast taken  
Blessed Lord, thy will be done.

## Meteghan.

At Church Point on the 10th inst., Albert, son of Mr. Pierre Doucet, of Meteghan, aged 9 years, who had been visiting his aunt, Mrs. Symphonien LeBlanc, passed away after a few weeks' of brain and spinal disease. Funeral took place at Meteghan Saturday morning; also of Miss May Ford of the Poor House. Both services were conducted by Rev. Fr. A. B. Cote. May their souls rest in peace with the Lord.

On the 9th instant, at about two o'clock a. m., Mrs. Stephen H. Thibodeau, (nee Adeline Melanson) passed away at the age of 54 years, at the residence of her daughter, Mrs. Valire Deveau, after a few months' illness caused by an internal cancer. She was well prepared for the long journey of eternity and will be much missed in our community. She left to mourn her loss a loving husband and six beloved children, Mrs. Nellie Deveau; Rosanne, Maggie, Alcide, Annie and Freddie; also six sisters: Mrs. Lee, Florida; Mrs. Perkins and Mrs. Ryan, Boston; Mrs. Cotreau, Wedgeport; Mrs. Robichaud, Doucetville, and Mrs. Doucet, Mavillette. The funeral took place at Saulnierville and was largely attended. The service was conducted by Rev. Fr. Cantin, and the ladies of St. Anne

marched in front of the hearse to the church and cemetery. The pall bearers were Jos. Gledry, Edmond Comeau, Raymond Saulnier and M. J. Comeau. The mourners were accompanied by Mr. and Mrs. A. F. Hache, Mr. Valire Deveau and Mandy Thibodeau. May she rest in peace.

## Riverville.

Mr. Howard Cosman spent Sunday in South Range.

Most of the men of this place are very busy river driving.

Mr. Melbourne Cosman is visiting friends in South Range.

Mr. Victor C. LeBlanc and Mr. Eddie Deveau were down to Salmon River on a salmon excursion last week.

Mr. Archie Blinn was up the country last week looking for a horse, but unfortunately he found nothing to suit him.

Mr. Joseph Doucette, principal teacher of Mavillette, was exercising himself Saturday, the 13th, inst., by hauling sand for Mr. Hilaire Mallett.

Arbor Day was duly observed in our school on the 5th inst. The pupils went to the woods and brought plants, trees and flowers to decorate the surroundings.

Mr. Doucette, the principal, is an able teacher, devoted to his tasks, having at heart the advancement of his pupils. The people of Mavillette should try and keep him in their midst next year.

Messrs. John W. Deveau and Frank M. Deveau were in Saulnierville last Sunday, on a bicycle tour, but it seems that on their way a serious mishap occurred which compelled them to make a part of the trip on foot.

Tuesday May 14th inst., a crowd gathered to help erect the frame of Mr. Hilaire Mallett's new barn. Among the crowd were Mr. Charles T. LeBlanc, Mr. Augustin L. Deveau, Mr. John L. Deveau, Mr. J. S. Doucette, teacher, Mr. Frank J. Deveau and several others.

## AN IMPORTANT NOTICE.

Unless payments are made during the next few days, bills will be sent to all our advertisers and to all patrons of our job-printing department. We expect payment of these accounts on or before June 15th, as our financial year ends that month and it is important that all accounts be balanced at that time. Subscribers in arrears will also take notice of the date on their labels and remit promptly, thereby saving trouble and unnecessary expense.

## Middleton to Digby by Water.

MR. C. L. REED, OF SOUTH FARMINGTON, THE FIRST MOTOR BOAT NAVIGATOR FROM MIDDLETON TO BRIDGETOWN.

(Bridgetown Monitor.)

M. C. L. Reed, of South Farmington, arrived in Bridgetown on Thursday in his new launch, the Henrietta, on his way to Digby. The launch is to be fitted with gasoline motor, with the aid of oars and a sail. Mr. Reed made the difficult passage of the Annapolis river the entire distance from Middleton to Bridgetown. The feat was accomplished not without serious difficulties in passing the rapids at L'Anse-au-Loup, Nutter Island, where the water on each side was very shallow and the Paradise dam. He said he also passed a hundred sand bars, in which shad were very plentiful. He was thankful to reach the head of navigation at Bridgetown without serious mishap. His boat is 28 feet long, 10 feet 10 inches wide, 2 feet 4 inches deep, with a cabin 10 feet long, which sheltered four men. He went through to Digby to dispose of his boat on Saturday. Mr. Reed informed the *Monitor* reporter he had left South Farmington with the intention of taking up his residence in the western part of the county.

## Mr. Guy Dunn's New Boat

Mr. Guy Dunn's new pleasure boat, Guyanna II, was launched Wednesday morning and given a trial spin during the day. Her motor, which had not opened up to full speed, and of course required more or less adjustment, but the new boat easily proved herself the fastest pleasure craft on the Basin. She was designed and built by the owner's father, Mr. E. P. Dunn, at the Racquette, and is of the fast runabout type, or semi-speed launch, somewhat similar in design to Guyanna I, now owned by Mr. W. B. Stewart. Guyanna I is a 20-foot boat for her size, but last year, which was too small a motor. The new craft is 25 ft. over all, 5 ft. 2 in. beam, and is propelled by a 9 h. p. 2 cycle under 2 cycle jump spark Grey gasoline motor, which, rear starting device and all modern improvements. Her hull is beautifully finished, the workmanship on which cannot be excelled. The hull is finished in aluminum. Mr. E. P. Dunn is certainly a first-class boat builder and the Guyanna II is a splendid addition to Digby's rapidly increasing motor boat fleet. We wish the new boat every success. She will no doubt take a prominent part in Digby's regatta on Aug. 12th.

## Burglary and Sacrilege at St. Paul's Chapel, Marshalltown.

On Sunday morning last at 8 o'clock, when St. Paul's Chapel, Marshalltown, was opened for Holy Communion, it was discovered that a forcible entry had been effected during the previous week. The vestry door had been pushed in with such violence that the bolt of the lock had been bent at right angles. The chest containing the altar vessels had been broken open and the sacred vessels lay scattered about the floor, while all the Sacramental wine had been consumed. The drawers containing vestments and hangings had been opened and other damage done, but so far as can be ascertained, nothing was actually carried away. While it is not definitely known when this outrage occurred, it probably took place on the same night as the burglary at Mr. George Marshall's residence.

## All Night Telephone Service.

In conversation with Mr. L. O. Stevens, of the Nova Scotia Telephone Co., the *Courier* learns that out of the 133 telephones which are rented around the town all are long distance, with the exception of just 20 instruments, the most of which are in private residences. Mr. Stevens says that if these 20 will pay the regular additional cost, change over to long distance the company will give its Digby patrons an all night service, the same as it does in Middleton and other towns along the main line between Digby and Halifax. If the citizens desire an additional service of this kind it can easily be obtained. If any of our readers are interested they can call up central for further information.

## Victoria Day in Digby.

Wednesday was quietly observed as a public holiday in Digby. All the principal places of business were closed. A good display of bunting on shore and on the vessels and yachts in the harbor assisted in giving the town an attractive appearance. Local yachtsmen enjoyed the day on the harbor. Those who had automobiles took place in pleasant runs through the country; a large number of people went trouting while others spent their day at home entertaining friends. The weather was pleasant and favorable for any kind of sport. A number of boys went to Bear River by the regular car and enjoyed a ball game in the afternoon. The boys, the score being 14 to 6 in favor of Bear River.

## Death of Miss Kiley.

Miss Mary Elizabeth Kiley died at her home, Queen street, Thursday evening, 18th inst., aged 73 years, having been ill for some time. She was survived by two brothers James in the United States and Charles in Digby, and one sister, Mr. George Mosher in Bear River. The funeral took place Saturday afternoon with interment in the Methodist cemetery, the services being conducted by Rev. L. Davies, pastor of the Digby Methodist church. The pall bearers were F. W. Nichols, G. L. Letteney, G. W. Wightman and W. H. Nowlin.

## Doing a Rushing Business.

Mr. W. A. Chute, Bear River's well known building mover, is certainly doing a rushing business in Digby today. This morning he has moved a Digby barn for O. C. Jones, Kill Van Tassel's house, Byron Ron's blacksmith shop and E. Dunn's house and barn. Including his work in Little River, Mr. Chute has moved nine buildings during the past four weeks. He returned to Bear River yesterday, expecting to move another house in Digby in the near future.

## Digby's Boat Black.

Hardy Bent, Digby's well known boat-black, has recently stocked up with a heavy supply of goods for his summer trade. He carries all kinds of fine polish and a choice variety of paints, etc. He says that he can shine anything that comes his way, and his lifelong experience causes him to give perfect satisfaction to all those who patronize him.

## Death of a Digby Man.

A Gloucester correspondent writes the *Courier* under date of May 22nd as follows: Dr. A. A. Dakin, a native of Digby, son of the late Captain Edward and Jane H. Dakin, died at the Addison Gilbert Hospital of septicaemia. Burial at Magnolia, Mass.

## OF A LOCAL NATURE

Little Paragraphs Which Tell of the News Around Town

NEWS GATHERED DURING THE WEEK AND RECORDED IN BRIEF FOR THE BENEFIT OF THE PUBLIC IN DIGBY AND ELSEWHERE.

We think we have reminded our readers a sufficient number of times that we cannot publish personal items, etc., unless we know the name of the writer.

Mr. W. J. Agate has been making some improvements in the Waverly Hotel.

## The Great American Play.

"PAID IN FULL" APPEARS IN DIGBY NEXT TUESDAY NIGHT.

The interest that has been awakened by the announcement that Eugene Walter's celebrated play "Paid in Full" will be at the Orlow's Hall, Digby, Tuesday night, May 30th, shows that the local public is appreciative of the foremost American drama of this generation. It is a play which has been welcomed here with all the enthusiasm that so notable a theatrical offering merits. Its coming has aroused unbounded attention among those who seldom go to the play, as well as on the part of those who look to the theatre for a large share of their entertainment. "Paid in Full" is entertaining to an exceptional degree. It is lively, vital, thrilling story of modern America, and though it is not a play, it is a play in any American city. It is so real, so faithful a picture of the life of the time, that the author has picked up a home and its occupants from our own neighborhood and put them down on the stage that the play might be told them. In producing this effect Mr. Walter has shown himself the most skillful dramatist of the day. No other in the history of the American stage has won so much popularity or the admiration this one has earned, no other has been played so far as a great number of companies or seen by so many persons. The cast of the Wagenhals & Kemper Company is now sending here in "Paid in Full" comes with a New York reputation and the play will be welcomed by all on its important mission. On the size of the amount to be expended will govern the success of the day's sport.

A public meeting will be held Monday evening, June 5th, to receive Mr. Daley's report and consider other matters of interest.

## Where Are The Boys?

Some of the officers of the warship, *Niobe*, during her recent visit at the port, called our attention to the fact that the can buoy had not yet replaced the spar buoy on Bear Island bar, and that the buoy at the mouth of the River and other parts on the Basin and Annapolis river were missing. We would remind those who have this important matter to charge that it is time they were replaced. There is nothing to disturb them after the month of pleasure and they should be in their places, thus protecting life and valuable property.

## Fell in a Faist.

Mrs. Edwin Martin, Ayer's Cliff, Que., writes: "Before using Dr. Chase's Nerve Food, I was in a terrible condition. Dizzy spells would come over me and I would faint. I could not sleep without fainting. Dr. Chase's Nerve Food has so built up my system that I can wash and do my housework, my medicine cured me when doctors had failed."

## Emeralds at Weymouth.

The party of Yarmouth ladies and gentlemen who presented the play "Emeralds" in their own town, arrived at Weymouth Tuesday evening to an interested audience. The performers came to Weymouth in automobiles and after the play a dance was held.

## Tired Out Kidneys.

Kidney troubles are so frequently common because the kidneys are so easily upset by over work or excesses of eating and drinking. Cure is effected, however, by the use of Dr. Chase's Kidney-Liver Pills. This tests the kidneys and makes them well. Backache and urinary disorders then disappear.

## Brought Home For Interment.

The remains of Jennie E. Crowe, who died at Medford, Mass., Dec. 11th, 1910, aged 70 years, arrived in Yarmouth on Saturday morning and were forwarded to South Mainland for burial. Also the remains of Mary Ann Porter, who died at Boston, Mass., Dec. 14th, were forwarded to North Range, Digby, Co., for burial.

Mr. Fred Boucher, of Salmon River, spent Sunday evening, 20th inst. at Cape St. Mary's.

Miss Madeline Deveau spent Tuesday, 17th inst., with friends at Woodvale and Sunday at Meteghan.

The Salmon River COURIER reporter spent Sunday 21st inst. with his friend, the Mavillette reporter.

R. J. Deveau, Esq., Mr. Jos. Doucette and Mr. Eddie Deveau attended the liberal meeting at Salmon River on Wednesday evening, 17th inst.

Mr. Ambroise LeBlanc, who hurt his foot with the fall of a harrow a few weeks ago, is not improving very much. It still pains him considerably.

Mr. J. Willie Comeau, M. P. P., and Mr. Frank P. Deveau and Mr. H. H. Marshall, Liberal-Conservative candidates, were in our vicinity last week.

Mr. Jos. Doucette, teacher, and Mr. Eddie Deveau were out fishing one day last week. Mr. Doucette was very successful, having caught eight big fish. They were out in a motor boat, the engineer being Mr. Alpha Comeau.

Mrs. Ines Amirault and daughter Gertrude, arrived Saturday from Haverhill, Mass. and are the guests of her brother-in-law, Mr. Charles T. LeBlanc. They will in future reside in Meteghan, where Mr. Amirault has built himself a splendid cottage. Mr. Amirault has been working as a lather in Haverhill for a number of years and his skill in that line of business is unquestioned.

Mr. Ivan Pother and A. Abner Deveau, Esq., of Salmon River, were here Monday, the 22nd inst., to look over a certain piece of road back of Mavillette. The majority of the people have a part of their farms on that road. The road itself is in a very bad state and provincial help is very much needed, so we hope our local members will see to it, and see that a very substantial sum of money will be expended on that same road as it is to the great benefit of the community at large.

Sunday evening was spent at the home of R. J. Deveau, Esq. The evening was passed in songs, music and gramophone selections. Among those present were Mrs. Nellie Melanson, teacher, who furnished us with a couple of songs; Mr. Edgar Maillet, A. Abner Deveau, Esq.; Mr. Cyriac LeBlanc, Mavillette reporter, Mr. John C. LeBlanc, Mr. Vincent Maillet and others. The organ was presided at by Miss Theresa Deveau, daughter of Mr. R. J. Deveau, who himself gave us several choice selections on the gramophone.

## Dr. Pierce's Favorite Prescription

Is the best of all medicines for the cure of diseases, disorders and weaknesses peculiar to women. It is the only preparation of its kind devised by a regularly graduated physician—an experienced and skilled specialist in the diseases of women.

It is a safe medicine in any condition of the system. **THE ONE REMEDY** which contains no alcohol and no injurious habit-forming drugs and which creates no craving for such stimulants.

**THE ONE REMEDY** so good that its makers are not afraid to print its every ingredient on each outside bottle wrapper and attest to the truthfulness of the same under oath.

It is sold by medicine dealers everywhere, and any dealer who hasn't it can get it. Don't take a substitute of unknown composition for this medicine or know counterfeits. No counterfeit is as good as Dr. Pierce's. It is either mistaken or is trying to deceive you for his own selfish benefit. Such a man is not to be trusted. He is trifling with your most precious possession—your health—may be your life itself. See that you get what you ask for.

## IF YOU WANT A Gasoline Engine

WRITE FOR OUR Woodpecker CATALOGUE

The latest and most up-to-date Engine on the market. Have been sold throughout the Maritime Provinces since 1903. What a user writes after three years' service:—

THE L. M. TRASK CO., Lower Hamilton, P. E. I. March 17, '11  
DEAR SIR:—The six horsepower engine that I got from you in Sept. 1908 has given perfect satisfaction. Always ready to go in all kinds of weather. Just as ready to start with the thermometer below zero as it is in the middle of summer. I have done as much work with her now, as any ordinary farmer would do during his lifetime, and still she runs today as well as when I got her. The only expense being one oil change and one oil dip. If I had to buy one tomorrow I would buy a Woodpecker in preference to any other kind that I have seen working.

## King George Gives First State Ball.

EMPEROR AND EMPRESS OF GERMANY  
THEIR HONORED GUESTS.

LONDON, May 19.—The first state ball of the reign of King George, the date for which was selected in honor of the visit of the German emperor and empress, was held at Buckingham Palace tonight. It was an unusually brilliant function.

King George and Emperor William previously dined together at the palace with the royal family and afterwards were joined by some thirty additional members of the royal household, who formed into a magnificent procession. The king and emperor, respectively, in German and British uniforms, preceded the state officials attired in gorgeous robes and carrying their wands of office through the whole length of the state apartments to the ball room, where had gathered thousands of guests, including the entire diplomatic corps.

Queen Mary and the Empress Augusta Victoria and all the ladies wore lavish displays of jewelry. Emperor William took as his partner Queen Mary and King George the German empress. The Duke of Connaught and Princess Victoria Louise opened the ball with the Royal Canadian High Commission. The emperor, in the gorgeous procession, this time from the ball room to the supper room.

## Children Cry FOR FLETCHER'S CASTORIA

The Doctor's Question.

MUCH SICKNESS DUE TO BOWEL DISORDERS.

A doctor's first question when consulted by a patient is, "Are your bowels regular?" He knows that 98 per cent of illness is attended with inactive bowels and torpid liver, and that this condition must be removed gently and thoroughly before health can be restored.

Small Ordinaries are a positive, pleasant and safe remedy for constipation and bowel disorders in general. We are so certain of their great curative value that we promise to return the purchaser's money in every case when they fail to produce entire satisfaction.

Small Ordinaries are eaten like candy, they act quietly, and have a soothing, strengthening, healing influence on the entire intestinal tract. They do not purge, gripe, cause nausea, flatulence, excessive looseness of bowels or any other annoying effect. They are especially good for children, weak persons or old folks. Two sizes, 25c. and 10c. Sold only at our stores—The Rexall Stores, P. W. Holdsworth, Digby; Ryan & Blackadar, Weymouth.

## Hair Health.

IF YOU HAVE SCALP OR HAIR TROUBLE, TAKE ADVANTAGE OF THIS OFFER

We could not afford to so strongly endorse Rexall '93' Hair Tonic and continue to sell it as we do, if it did not do all we claim it will. Should our enthusiasm carry us away, and Rexall '93' Hair Tonic not give entire satisfaction to the users, they would lose faith in us and our statements, and in consequence our business prestige would suffer.

We assure you that if your hair is beginning to unnaturally fall out or if you have any scalp trouble, Rexall '93' Hair Tonic will promptly eradicate dandruff, stimulate hair growth and prevent premature baldness.

Our faith in Rexall '93' Hair Tonic is so strong that we ask you to try it on our positive guarantee that your money will be cheerfully refunded if it does not do as we claim. Two sizes, 50c. and \$1.00. Sold only at our stores—The Rexall Stores, P. W. Holdsworth, Digby; Ryan & Blackadar, Weymouth.

## CONCRETE THE SALVATION OF THE FARM

It is only a few years since concrete was generally accepted as a reliable building material, yet the difference which this convenient and economical form of construction has made in the outlook of the farmer in these few years, has done much to revolutionize things on the farm.

The growing scarcity of lumber and the consequent rise in price, has gradually caused that commodity to assume the general aspect of a luxury. So much lumber is used on the farm for buildings and fences that its extremely high price has made it almost prohibitive to the average farmer unless he has an extra large sum of money to spend on outlay. Wire fencing partially solved the problem, but real relief did not come until concrete was proven by actual tests to be not only practicable, but to possess many advantages over wood as a building material.

The use to which concrete can be put is practically without limit, and particularly on the farm. Already the list includes forms of construction ranging from the large hip-roofed barn down to a nest-egg that deceives the wisest old layer in the brood. These uses have been extended largely by a series of extensive experiments conducted under the auspices of the Canada Cement Company, on farms throughout the country. This large concern, which has fostered the concrete building process in Canada, has been a large factor in the spreading of knowledge of concrete and its uses. Recently it has distributed 55,000 copies of a book entitled "What the Farmer Can Do With Concrete." This work contains information which makes it possible for any farmer to do almost any kind of construction work and is given free of charge. This generous distribution of literature and the efforts of this firm to show the farmer how practical concrete really is, have earned for them the highest commendations.

The most recent plan to introduce concrete to the farmer is a contest arranged by the Canada Cement Company. The lines along which the contest is planned are broad enough to enable every farmer to compete with equal chance of success. In each Province there are four cash prizes of equal value offered, each prize \$100. The first is to be given to the farmer in each Province who will use the greatest number of barrels of "Canada" cement in a given time on his farm. Another prize will be given to the farmer in each Province who uses "Canada" Cement on his farm in 1911 for the greatest number of purposes; the third is to be given to the farmer in each Province who furnishes a photograph showing the best of any particular kind of work done on his farm during 1911 with "Canada" Cement. The fourth, which will be for the farmer in each Province furnishing the most complete description of how any particular piece of work, shown by any photograph sent in, was done. This contest will be open until November 15th, 1911.

Already much has been accomplished on the farm by the use of concrete. Perhaps the greatest argument in its favor, and one which has developed only since concrete has actually been put into general use, is its health-promoting properties.

If sickness occurs in a city to any great extent, a searching investigation usually follows, conducted by a medical health officer, with the result that it is traced back to its cause and this cause removed. The farmer must be his own medical health officer. He must look to the causes to be found on his own farm. A great deal has now been done along these lines, and in many places, particularly in the West, it has been found that a number of the causes of sickness can be avoided by the use of concrete.

A common sense view of the situation shows that this simply-handled material is peculiarly well adapted to measures of sanitation and in preventing germs from spreading. Possibly the place visited more often than any other by the farmer is his well. If it is so situated that unhealthful ground streams can leak into the drinking water, there is every possibility of this unhealthfulness being communicated to the farmer and his family by the most direct route. Concrete has done much to remedy this. If a well is built of concrete—a solid cylinder set into the ground—it is impossible for such leakage to occur. In the same way a concrete dairy provides a safe and comfortable place for disease germs. These two simple precautions are a long stride in the direction of good health, as water and milk, the latter even more than the former, are the commonest of the germ-distributing agencies and both are used frequently by the farmer and his family.

Not only has the modern farmer a safe method of guarding against sickness from sources within his own home, but in the case of water and milk, he has a safe method of guarding against sickness from sources without. Concrete has done much to remedy this. If a well is built of concrete—a solid cylinder set into the ground—it is impossible for such leakage to occur. In the same way a concrete dairy provides a safe and comfortable place for disease germs. These two simple precautions are a long stride in the direction of good health, as water and milk, the latter even more than the former, are the commonest of the germ-distributing agencies and both are used frequently by the farmer and his family.

With water pressure secured from a concrete cistern built above ground, and the use of concrete in the building of closets, many of the objectionable features are removed and with proper drainage, much can be done to make such buildings perfectly sanitary.

Aside from its advantages as a germ-proof material, concrete finds favor with the farmer of to-day because he can use it himself as easily as he could use wood. All that is required is a quantity of broken stone, sand, and Portland cement. The moulds are easily constructed and can be made of old pieces of lumber handy. With the exception of the cement, the materials can be found on almost any farm and should cost little or nothing.

able to avoid this objectionable condition in a barnyard. Owing to the stamping of cattle and the rooting and scratching of the smaller stock, the ground seems to be kept constantly worked up into its oozy state. Into this, and through it, the farmer is compelled to make his way several times a day while doing his chores. Despite his best efforts, a certain amount remains upon his shoes and clothing. If he escapes the germs that are sure to exist in the stagnant wallow, and does not catch a cold from wetting his feet in it, he always runs the risk of carrying some small particles into the house on his shoes, where they dry into fine dust and are stirred up by the next sweeping, filling the atmosphere that has to be breathed.

To avoid this altogether would be impossible, but the farmer has a way in which much can be done to alleviate the barnyard trouble.

Instead of wading through mud, the farmer and his family walk dry-shod to the barn and amongst the buildings on concrete concrete walks and drive-ways. Instead of standing in a muddy hole, while he waters the stock, he stands on a concrete platform on which is set a concrete drinking pool. This serves a double purpose of not only providing cleaner water for the horses and cattle, but also does not harbor the germs of contagious diseases which so often lurk in old wooden drinking troughs.

HOSE SAVING FROM A CONCRETE FEEDING FLOOR.

His small stock and poultry, instead of rooting in the mud and filth for their food, take it from a concrete feeding floor laid in a convenient spot in the barnyard. This may be swept down or washed off and prevents a waste of feed.

The use of concrete as drainage material and in forming gutters under eaves makes it possible for farmers' wives and daughters to visit the barns without danger of contracting colds and without many other unpleasantnesses.

## DIGBY WEEKLY COURIER

Digby, June 2, 1911

## AN IMPORTANT NOTICE

Unless payments are made during the next few days, bills will be sent to all our advertisers and to all patrons of our job-printing department. We expect payment of these accounts on or before June 15th, as our financial year ends that month and it is important that all accounts be balanced at that time. Subscribers in arrears will also take notice of the date on their address labels and remit promptly, thereby saving trouble and unnecessary expense.

## Town Council

The Town Council met May 20th at 8:30 p.m. Present, His Worship, the Mayor, and Councillors Jordan, McBride, Lynch and Turnbull. The minutes of the last regular meeting of the Council, and of the special meeting of the 9th inst., were read and approved.

Report of E. DuVerne, M. D., Health Officer, was read and on motion received and adopted. Councillor Turnbull reported that the drain in front of premises of Mrs. Tobin had been repaired and was now in good condition. The following bills were read and on motion ordered to be paid, viz: Freeman Hand-picker \$5.00, W. E. Browne 1.00, H. W. Bowles 73.43, F. S. Phillips 1.00, E. DuVerne, M. D. 25.00, C. E. Armstrong 1.88, John Daley 178.10, Wm. Kaiser 1.00, Mrs. Sabra Buddock 4.58, M. L. Holdsworth 28.73, Monetary Times 3.00, T. McAvity & Sons Ltd. 10.21, Digby Couriers 4.21, D. A. Ry 0.28, John Daley 4.50, W. E. Browne, C. E. 7.50, T. E. G. Lynch 7.50, W. C. Garrison 2.28, Pay Roll (Streets & Water) 22.00.

The following resolution was moved by Councillor Jordan, seconded by Councillor McBride: Whereas Councillor C. A. Jordan from his place in the Town Council charges that H. W. Bowles, Chief of Police, and for the Town of Digby, has been guilty of improper conduct in his said office.

Therefore resolved that said charges be referred to the Police Committee (or a special Committee as you may wish) with full power to investigate the same and to report to this Council. On the motion being put by the chair Councillors Jordan and McBride voted for the motion and Councillors Lynch and Turnbull voted against it. There being a tie, His Worship gave his casting vote against the resolution, and it was declared lost. His Worship the Mayor reported that the gross receipts of the concert given by the crew of H. M. C. S. Niobe amounted to \$780.00. The expenses amounted to \$10.95. Balance in hand \$769.05. This amount has been placed on deposit in the Bank in trust to be used for a charitable object to be named by the Council.

The Council adjourned at 9:50 p.m.

**The King's Birthday.**  
TO-MORROW A PUBLIC HOLIDAY THROUGHOUT THE BRITISH EMPIRE.

To-morrow, Saturday, June 3rd, will be a public holiday throughout the entire British Empire, to celebrate the King's birthday. All the principal places of business in Digby will be closed and a liberal display of bunting will be appropriate.

No regular programme of sports for this town has been arranged for to-morrow. Digby's officers that line will be combined this year into one big day, Saturday, Aug. 12th, the date of the Sherburn's regatta.

Our merchants have requested us to state that the grocery and provision stores will be open to-night to handle the week end trade and that they will be closed all day Saturday.

**Burglars in the County.**  
There appears to be a gang of burglars carrying on operations in various parts of Digby County. Almost every day some slight burglary is committed, with an occasional one of considerable importance. No arrests have been made and the guilty ones go unpunished.

Last Sunday night Coun. E. A. Gidney's store at Mink Cove was entered and the cash till containing eight or nine dollars was stolen. Mr. Gidney says that some of the things have been taken from his store, but he has missed nothing as yet except the cash. Monday and Tuesday nights cellars were entered and Roxville and Mink Cove less food taken. Wednesday night tough looking tramps were seen around Digby having evidently entered the town via the Neck Road.

**Moving Harbair's Mill.**  
Mr. H. C. Harbair's portable steam saw mill, which was at Roxville from April 15th to May 25th, was this week loaded on flat cars at Digby and left Tuesday night for Newford, Lunenburg Co. During its stay at the Neck Road at Roxville it made a cut of about 50,000 ft. of lumber for Mr. Hines. The owner's brother, Mr. R. M. Harbair, is in charge of the work and is certainly a very popular fellow among his crew of fifteen men. Mr. H. Harbair is also a very enthusiastic Oddfellow, being a Past Grand of Lakeview Lodge, of Springfield, N. S. He was a regular attendant at the George Lodge while in Digby and many friends here who regret his departure.

**"Paid in Full."**  
The Waghenals & Kemper Co. played "Paid in Full" in the Oddfellows Hall Tuesday night to a well-satisfied audience. The play is somewhat different from the usual run of shows in the provinces, but is one that takes all right. The company is a strong one. The nice calls for good actors and this company has them. They are touring the provinces a little early in the season for big business. Should they play a return date here after the tourist season opens they would certainly draw a full house.

**Bear River Represented.**  
The Bear River News says: Bear River is to have one representative at least, at the Coronation. Mr. Joseph Langley of Company H., 6th Regiment, having left on Monday for Quebec, where he will join the Canadian Coronation Contingent which sails for England on or about June 2nd.

**The Sailing Fleet.**  
The pleasure sailing fleet in Digby, which now consists of only five boats, are being put in commission this week. They are all open sail boats of jib and mainsail rig and are owned by Coun. T. E. G. Lynch, Hayley Syda, Frank Denison, Fred H. Dakin and Capt. John Beman.

**The Trank Cup.**  
On June 24th, a speed boat contest will be held at St. John under the auspices of the Royal Canadian Yacht Club, for which a cup is presented by L. M. Trank, at present Digby's Chief of Police.

## OF A LOCAL NATURE

Little Paragraphs Which Tell the News Around Town

NEWS GATHERED DURING THE WEEK AND RECORDED IN BRIEF FOR THE BENEFIT OF THE PUBLIC IN DIGBY AND ELSEWHERE.

The closing exercises of Acadia University take place June 2nd to the 7th.

Mr. Frank Anderson put in commission last Saturday his power boat Psyche.

A pie social and ice cream sale will be held in Plympton Tuesday evening, June 6th, at the home of Mrs. A. W. Warner. Proceeds to go towards repairs on the Baptist church in that village.

There was good sleighing in Saskatchewan on Tuesday.

Mr. John Beman is building a boat slip opposite his residence, to be used in connection with the tourist business.

Mr. W. S. Troop, proprietor of the Manhattan hotel, is erecting a pavilion at the head of his boat slip, for the accommodation of his guests at the hotel.

Saturday, June 3rd, the birthday of King George V., has been proclaimed a legal holiday throughout the Dominion. No announcement has yet been made regarding Coronation Day, June 22nd.

It is probable that at the end of June the new Dominion special, King George's picture, will be issued. There will be no special coronation issue.

Yarmouth Times says: One of the automobiles conveying the "Esmeralda" performers back from Westmouth broke down and had to be left on the road.

Mr. Chas. E. Armstrong will preach in Christian Church on Sunday evening, subject "Paul at Athens." Special evangelistic services will be conducted in the Salvation Army Hall, Saturday night and all day on Sunday by Mrs. Brigadier Ady, of St. John.

These services will be of a very interesting and beautiful character. Don't fail to hear this talented leader.

# DIGBY COUNTY NEWS

Supplement to THE DIGBY WEEKLY COURIER

DIGBY, FRIDAY, JUNE 2, 1911

## Salmon River.

Miss Ellis W. Deveau, of Melrose Highlands, Mass., is home for the summer.

A. N. Deveau, Esq., has been appointed census enumerator for District No. 12.

Mr. Thomas Foley, Mr. Edmund Boudreau and Mr. Frank L. Deveau were up to Meteghan, Sunday the 28th.

Mr. Moses Maillet badly mangled his left thumb in Blackadar's mill, Hectanooga, last week. Dr. Blackadar, of Port Maitland, took out six pieces of bone and it may have to be amputated.

Monday night, 29th inst., a thunder storm passed over our village. The lightning struck the telephone posts on the back road, but outside of that no damage was done. The light shower of rain which fell did a lot of good to the grass and seeds.

On the 22nd inst. was the third centenary of the arrival of the Jesuits in Canada to accomplish their great and sublime mission. On Pentecost Day, May 22nd, 1611, the Revs. Frs. Beard and Masse disembarked at Port Royal. Their object in coming to the new world was to convert to the true God the savage tribe of Acadia. For three years they devoted themselves to their arduous task, in spite of all kinds of vexations, calumnies and privations. All in devoting themselves to the evangelization of the savage tribes. They were not strangers to the general welfare of the colony. The education of the children, the formation of clerical youth, the maintenance of good works, colonization and temperance found in them strenuous advocates. But in their task of apostleship the most atrocious calumnies were heaped upon them. Could it be otherwise? For, can we do good and work for the salvation of mankind without suffering persecutions, bigotry and jealousy? That recompense was not wanting to crown their zeal, nor even the crown of martyrdom. To their zeal we owe the most glorious epoch of our history. If the 10th of September, 1755, was a dark day for our forefathers, it has ultimately changed in a triumph for us, their descendants. If we remain faithful to our creed, to our tongue, to our nationality, if we follow in the steps of our ancestors we will be a nation forming one of the brightest jewels of the British crown.

## Central Grove.

Mrs. Jane Tibert spent a few days last week with friends at Freeport.

Miss Florence Delaney spent Saturday and Sunday with friends at Freeport.

Mr. and Mrs. Herbert Wade, of New York, is visiting her mother, Mrs. Charles Shaw.

Mrs. C. M. Tibert and Mrs. Arthur Godfrey spent Saturday with Mrs. Wm. Tibert at Freeport.

Mr. and Mrs. Stanley Sullivan and little daughter Pearl, of Bear River, spent a few days last week with friends in Central Grove.

Miss Laura Cann, who has been spending the past few weeks with friends in Central Grove, returned to Yarmouth Wednesday via S. S. Westport.

Rev. A. H. Saunders preached his farewell sermon here Sunday afternoon, May 28th. He left here Wednesday, May 31st, to take charge of the Chegozzin Baptist church.

(From another Correspondent.)

We are having some very nice weather. Mr. and Mrs. Frank Goff will occupy Mr. William Shaw's house.

Glad to see Mrs. Norman Thurber getting around with us again.

Quite a number of young folks had a pleasant picnic at the North Shore May 29th.

Mr. and Mrs. Herbert Wade are visiting Mrs. Wade's mother, Mrs. Charles Shaw.

Mr. and Mrs. Charles Pyne and son Avar, are visiting their daughter, Mrs. John Shaw.

Mrs. Albert Guier and Mrs. John Elliott attended District Division at Tiverton Tuesday, May 23rd.

Mr. Nicholas Maillet recently caught a trout at the marsh bridge measuring 13 inches.

Mr. Alex. Frontain caught a salmon at Cape Cove dyke last week, weighing ten pounds.

Miss Nellie Deveau is home from the Sacred Heart Convent, Meteghan, on a short visit to her father.

Miss Nellie Melanson, teacher, spent Saturday evening at Mr. Peter LeBlanc's, Salmon River, on her return from the French Institute, Church Point.

Sunday afternoon the 28th inst., there was quite a scene in Mavillette as an automobile coming from Weymouth Bridge had become disabled and had to be garaged at Mr. Alex. Deveau's and another had to come from Yarmouth to repair the first before it could proceed further.

May 24th, Victoria Day, passed off very quietly here. In the afternoon a party went out to Cape St. Mary's to enjoy the pleasure of a fishing trip on the briny waters of St. Mary's Bay. Messrs. Moses and Theophilus Doucette kindly put their gasoline launch at the disposal of the party. Among those who went were the Misses Eva Maillet, of Salmon River, Marie Robicheau, of Mavillette, Rosie Deveau and Lena Frost, Messrs. Eddie Deveau, Frank Deveau, John C. LeBlanc, A. Abner Deveau and others. The first fish to be caught was by Mr. Eddie Deveau and the next by Miss Marie Robicheau. The evening was passed at R. J. Deveau's in music and songs.

Mr. James Ford, who has been living in Grand Manan, moved here on Friday. He has bought the place owned by George Bain.

## Deep Brook

Miss Gretchen Vroom came home from Digby on Tuesday.

Mrs. Edwin Wade, of Granville Ferry, is the guest of Mrs. E. R. Pinkney.

Mrs. Edgar W. Adams went to Boston on Wednesday last for a two weeks' visit.

Road work in the lower section will begin next week under the supervision of Mr. L. E. Adams.

Mrs. Robert Spurr, who has been home for some six weeks, returned to Boston last Wednesday week.

BORN.—On Monday, the 29th, to Mr. and Mrs. Geo. E. Pinkney, a daughter.

## Freeport.

Mrs. Edwin Hains spent a few days in St. John last week.

Miss Theresa McNeill returned from St. John a short time ago.

Mr. and Mrs. Howard Welch have moved to Westport for the summer.

Mrs. Milton Hains is visiting relatives in Wolfville and will attend the closing of Acadia Seminary.

Mr. and Mrs. Stanley Sullivan and little girl, of Bear River, are the guests of Mr. and Mrs. Allen Perry.

#### The Late Dr. E. Arthur Dakin.

Dr. E. Arthur Dakin, a widely known and deeply respected physician of Boston and Magnolia, passed away, to the great unknown on Monday morning, May 22, at the Addison (Gilbert Hospital), Gloucester, after a short but painful illness of blood poisoning.

Dr. Dakin was born in Digby, Nova Scotia, fifty-nine years ago, coming to Gloucester when a young man, where he was registered pharmacist for Dr. E. Price, a former well-known druggist, later taking up the study of medicine, becoming a successful physician. His winter office was for many years established on Beacon Street, Boston, and his summer office in Magnolia. For several winters he was house physician at a winter hotel in Jamaica. He was a member of the Masonic Fraternity.

Dr. Dakin was of a pleasant, sunny disposition and greatly endeared himself wherever he went by his pleasant and genial manner and his unselfish way of looking out for others' comfort before his own. His home life was full of troubles with great fortitude, never showing in his manner, his unshapely and will be sadly missed by his many friends.

He is survived by his mother, a sister, Mrs. Woodrow, of Digby, N. S., one brother, Archibald, of Lowell, Mass., and a number of nieces and nephews, also two daughters, Marjorie and Marion, of Boston.

Sincere sympathy is extended to the bereaved family by the community. Many floral tributes were sent in token of the high esteem in which the deceased was held by all. The funeral services were held from his late residence, on Western Ave., Magnolia, Wednesday afternoon at two o'clock, Rev. F. J. LeBlond officiating. A deep casket, with "At Rest" and "Face to Face" were very touching tributes by Mrs. Gaffin, of Gloucester. Burial services were held at the cemetery.

Interment was in the family lot in the Magnolia Cemetery.

**Epidemic of Tonsillitis in Greater Boston.**  
ONE PATHOLOGIST IS DEAD AND ANOTHER IS DYING.

BOSTON, June 7.—The germ which is causing the present epidemic of the so-called tonsillitis in Greater Boston is one of the most virulent which physicians of Greater Boston have ever experienced. Within a few days one of the most prominent of Harvard Medical School has been in danger of death, and another died. The latter was Dr. Edmund C. Treadwell, who is the professor in the same department at the Massachusetts General Hospital for several days but now believed to be on the mend. Both Dr. Treadwell and Dr. Southard became infected with the streptococci—the germ of the disease—through a patient in their hands while performing a post-mortem on the brain of a man who had died from the effects of tonsillitis.

Dr. Treadwell was well known in medical circles throughout the world having devoted his life to the science of medicine. He was 32 years of age. The epidemic of tonsillitis has been unusually fatal to elderly persons; out of 15 deaths that have already resulted from the epidemic in Greater Boston, 10 have been the victims of the disease were over 50.

**Death at St. John.**  
The many friends of Conductor Wm. H. Morgan and family of St. John, were grieved Friday morning to hear of his death, which took place at his home, 32 Main street, that city, after a brief illness. Mr. Morgan was well known not only in the city but to the traveling public on the I. C. R. as well, as he had been a popular official on that road for thirty-five years. He was employed for a little more than a year as brakeman, and for the remaining time as conductor.

Some years ago he suffered severe pain from a cinder getting into his eye, and an operation was performed, but he always suffered much from the accident.

Conductor Morgan was a native of Barton, Digby county, and a son of the late Thomas Morgan, a well known shipbuilder and promoter in the city. He engaged in the drug business before going with the I. C. R. He is survived by his wife, who was Miss Nellie Lloyd, daughter of Thomas Lloyd, two daughters and a son, Herbert. The daughters are Misses Vera and Alice, at home. Mrs. Joseph Magilton, of St. John, sister and daughter of Morgan of Australia, a brother, while Misses Margaret and Mary Morgan, of St. John, are half-sisters. Miss Morgan of the GORRIS staff is a niece of the deceased.

**Westport's Through Mail.**  
Commencing with Monday next it is the intention of the Digby Neck Express to run a mail car, carrying passengers through to Westport in one day via automobile instead of remaining over night in Sandy Cove as via the old stage route. The fare will be 6 cents per mile one way with a return of 4 cts. The mails will now reach Westport at 7 p. m. leaving there next morning at 6 a. m., arriving in Digby at 11 o'clock the same morning. Sandy Cove will be passed going west at 4 p. m. and coming east at 9 a. m. Next week we hope to be able to give our readers more information about this enterprising move by the new company.

**Nomination Day in Digby.**  
A large crowd assembled in Digby Wednesday afternoon to hear the political speeches by the four candidates from the House of Commons. Mr. H. L. Dennison, K. C., was chairman. The first speaker was Mr. J. W. ComEAU, Liberal candidate, the next Mr. F. P. Deveau, Conservative, followed by Mr. A. E. Wall, Liberal, Mr. Frank P. Deveau, Conservative, did not take up the time allotted him. Mr. Marshall replied, but carrying out the programme as announced by the chairman at the opening of the meeting.

**A Sudden Death.**  
A colored woman named Jackson, who, with her two daughters, boarded the S. S. Prince Arthur in Boston on Tuesday night, died suddenly. The old lady had booked her passage for Halifax, where she belongs, and had entered the ladies' cabin. A minute later she passed away. She was 82 years of age. The body, by permission of the authorities, was removed from the ship.

**MARRIAGES**  
MULLEN-DAKIN—At Brighton, Digby county, on June 7, 1911, by Rev. F. J. LeBlond, William Nelson Mullen to Katherine May Dakin, both of Brighton.

#### Acadia's Closing Exercises.

The closing exercises at Acadia College, Wolfville, finished Wednesday, the largest and most attentive returning home yesterday. A correspondent writes: The valedictory was delivered by Miss Helen Bancroft. The composition and sentiment were of fine order. The 1911 valedictory was the closing feature of the programme.

Among the class graduates were Helen Bancroft and Merle Fowler, Misses Crafts, De Veau, and Deveau. The valedictory was delivered by Miss Helen Bancroft. The composition and sentiment were of fine order. The 1911 valedictory was the closing feature of the programme.

Among the prizes awarded was the following: \$200 Payout prize in piano-forte—Miss Evelyn Haines, Freeport, Digby county.

Albert Bernard Clark, of Bear River, received the degree of Bachelor of Science, and the honorary degree of M. A. was conferred upon Mr. Lenfest Ruggles, formerly principal of Bear River Academy.

**Wedding at Brighton.**  
A pleasant event took place at the home of the bride's mother, Mrs. How McNeill, in Brighton at 5:30 Wednesday afternoon when Mr. William Nelson Mullen, of the village, was united in marriage to Miss Katherine May Dakin, daughter of the late Rev. F. J. LeBlond, of Digby. The ceremony was performed by Rev. C. A. Munroe, pastor of the St. Mary's Bay Methodist churches, in the presence of about 50 invited guests.

The bride, who was attended by her sister, Miss Hilda E. Dakin, was dressed in a travelling suit of blue. The duties of bridesmaid were performed by the groom's brother, Mr. Stephen Mullen, of New Tuscany. The bride was given away by her uncle, Mr. Geo. W. Dakin, of Digby.

A wedding supper was served and a very enjoyable evening spent by all the guests being from Digby, Centreville, New Tuscany and elsewhere. The wedding presents were good ones and showed the high esteem in which the young couple are held by their numerous friends in the county and other parts of the province. Mr. and Mrs. Mullen will reside in Brighton.

**Fatal Automobile Accident.**  
MRS. ABRAM YOUNG OF BRIDGETOWN LIVED ONLY THIRTY MINUTES.

A shocking accident occurred near Tupperville Wednesday, June 7. D. Shafner, Mrs. Abram Young, accompanied by Mrs. Max and Percy Burns, left home shortly after dinner in Mr. Shafner's car. Mrs. Young was well known in medical circles throughout the world having devoted her life to the science of medicine. She was 32 years of age.

The epidemic of tonsillitis has been unusually fatal to elderly persons; out of 15 deaths that have already resulted from the epidemic in Greater Boston, 10 have been the victims of the disease were over 50.

## Not Sisters

Now and again you see two women passing down the street who look like sisters. You are astonished to learn that they are mother and daughter, and you realize that a woman at forty or forty-five ought to be at her finest and fairest. Why isn't it so? The general health of woman is so intimately associated with the local health of the essentially feminine organs that there can be no red cheeks and round form where there is female weakness.

Women who have suffered from this trouble have found prompt relief and cure in the use of Dr. Pierce's Favorite Prescription. It gives vigor and vitality to the organs of womanhood. It clears the complexion, brightens the eyes and reddens the cheeks.

No alcohol, or habit-forming drugs is contained in "Favorite Prescription." Any sick woman may consult Dr. Pierce by letter, free. Every letter is held as sacredly confidential, and answered in a plain envelope. Address: World's Dispensary Medical Association, Dr. R. V. Pierce, Pres., Buffalo, N. Y.

CATALOGUE

The latest and most up-to-date Engine on the market. Have been sold throughout the Maritime Provinces since 1903. What a user writes after three years' service:

THE L. M. TRASK CO., Lower Hamilton, P. E. I. March 17, '11.  
DEAR SIRS:—This is a very good engine that I got from you in Sept. 1908 has given perfect satisfaction, always ready to go in all kinds of weather. Just as ready to start with the thermometer below zero as it is in the middle of summer. I have done as much work with her now as any ordinary farmer would do during his lifetime, and still she runs today as well as when I got her, the only expense being one contact spring casting. I had to buy one because I would buy a Woodpecker in preference to any other kind that I have seen working.

## Mary's Fund is \$80,000

EMPIRE GIFT TO QUEEN IN SUMS FROM HALF PENNY TO POUND.

LONDON, June 7.—The Marys' throughout the empire have contributed \$80,000 to the queen's coronation gift. The donors range from beggar maids to duchesses and the donations from half pennies to pounds.

Queen Mary's crown, with the blazing Kohinoor and two sections of the Cullinan diamond, designed by Garrard & Co., the crown jewellers, was exposed to view yesterday. Hundreds inspected it and also the king's crown, which has been altered to fit the head of the present monarch.

The queen's crown, which is the case with nearly everything in this reign, is all British made, and a superb specimen of the jeweller's art. It weighs only nineteen ounces.

LONDON, June 7.—The admiralty has issued an official chart of the coronation review of the fleet at Spithead on June 24. Within the positions covering eight square miles will be gathered 170 British warships and about sixty ocean liners and yachts.

The British vessels will be assembled in five long main lines, the foreign vessels forming the sixth line. Beyond the limits of the official review ground will be anchored hundreds of other yachts, merchant ships and pleasure steamers, forming an imposing display of British shipping.

C. P. R. Trackmen Have a Grievance.

OTTAWA, June 2.—A. B. Low and S. J. Pegg, of St. Louis, respectively president and secretary of the International Brotherhood of Maintenance of Ways Employees, will be in Ottawa next week to see the railway commission in relation to the grievances of the brotherhood against the Canadian Pacific Railway east of Port Arthur.

The men claim that when their wage increase was granted last year it was accompanied by a reduction of staff, which increased the length of sections served by every gang, that houses given rent free are now charged for, and have other grievances which they will air. They also allege that the increased wages promised last December have not materialized.

Rebel Leader Put to Death.

'RED' LOPEZ, ORDERED IMPRISONED FOR SURRENDERING TOWN, SHOT BY GUARDS.

CANANEA SONORA, Mexico, June 2.—'Red' Lopez, ordered imprisoned by Francisco I. Madero, jr., on the charge that he had 'sold out' to American interests while in command of a section of the insurrecto garrison at Agua Prieta, has been put to death.

Lopez was being conveyed here to serve an eight years sentence imposed by court martial.

Conflicting stories are told by the guard which was accompanying Lopez. One is that the former insurrecto leader had been shot while attempting to escape; another that he pleaded to be executed rather than be taken to prison.

It is alleged also that Lopez had confessed to having received \$4,000 for the surrender of Agua Prieta to the federals.

When the guards of Artupio (Red) Lopez arrived at Cananea, they delivered his serape and sombrero to Gen. Lomeli.

'He tried to escape,' reported the guards who were taking him to prison. Lopez's mother visited Gen. Lomeli yesterday and asked: 'Where is my son?'

'Here is your son,' the general replied, as he handed the serape and sombrero to the aged woman.

National Drug to Sell 3700 Shares More.

The annual meeting of the shareholders of the National Drug & Chemical Co., was held recently. The financial statement for the last business year was the best so far presented to the shareholders. The most interesting reports were from the Na-Dru Co., and proprietary departments of the business. The former was established only eighteen months ago, and the manner in which the drug trade and the general public have supported the products of this department has decided the directors to spend large sums of money in still further advertising this important line of medicinal and toilet preparations.

In order to continue the development of this department, and to keep pace with the progress of the country by the opening of new branches, especially in the West, the directors have decided to dispose of 3,700 shares of the 7 per cent cumulative preference stock of the company at par. A large proportion of these shares have been taken up by the directors.

For Falling Hair.

YOU RUN NO RISK WHEN YOU USE THIS REMEDY.

We promise you that, if your hair is falling out, and you have not let it go too far, you can repair the damage already done by using Rexall's "93" Hair Tonic, with persistence and regularity, for a reasonable length of time. It is a scientific, cleansing, antiseptic germicidal preparation, that destroys microbes, stimulates good circulation around the hair roots, promotes hair nourishment, removes dandruff and restores hair health. It is as pleasant to use as pure water, and it is delicate ly perfumed. It is a real toilet necessity.

We want you to try Rexall's "93" Hair Tonic with our promise that it will cost you nothing unless you are perfectly satisfied with its use. It comes in two sizes, prices, 50c. and \$1.00. Remember, you can obtain Rexall Remedies in this community only at our stores—The Rexall Stores.

## A Positive Cure For Rheumatism

For many years, both during Father Morrissey's lifetime and since he passed away, his No. 7 Tablets have been curing many of the worst cases of rheumatism in Eastern Canada.

During his lifetime it became the custom, when people could not get relief from other sources, to consult Father Morrissey, and few indeed did so in vain. His standard prescription came to be called

## Father Morrissey's No. 7 Tablets

and it can now be procured from any druggist or dealer in medicine.

No. 7 Tablets act directly on the kidneys, stimulating them so that they can remove from the blood all the Uric Acid, which alone causes the rheumatism. Two or three weeks' treatment cures ordinary cases, while with the worst chronic cases it seldom takes more than three or four boxes of No. 7 Tablets to thoroughly eradicate the rheumatism from the system.

In every case, right from the start, the sufferer gets relief from the torturing pains and aches.

We would be glad to refer you to one-time rheumatics, now well through taking Father Morrissey's No. 7 Tablets.

## MADE WELL AND STRONG

By Lydia E. Pinkham's Vegetable Compound

Toronto.—I gladly give you my testimonial in favor of your wonderful medicine. Last October I wrote to you for advice as I was completely run down, had bearing down sensation in the lower part of my bowels, backache, and pain in the side. I also suffered terribly from gas.

After receiving your directions, I followed them closely and am now entirely free from pain in back and bowels, and am stronger in every way.

I also took Lydia E. Pinkham's Vegetable Compound before my baby was born, and I recommend it highly to all pregnant women.—Mrs. E. WANDY, 92 Logan Ave., Toronto, Ont.

### Another Woman Cured

Maple Creek, Sask.—I have used Lydia E. Pinkham's Vegetable Compound and Blood Purifier, and I am now in perfect health. I was troubled with pains every month. ### British Bank Has Closed Its Doors

LONDON, June 14.—The Birkbeck Bank in High Holborn which withstood a run last fall caused by rumors that the institution was in trouble suspended payment today. The directors estimate the deficiency at \$1,875,000, but the actuaries think that \$3,750,000 will be nearer the mark. The total liabilities of the Bank are \$34,380,910. An official Receiver has taken charge of the affairs of the institution.

The directors in a circular issued today say that the depreciation in the market price of the Bank's securities, including those of the highest grade, has been so great that they do not feel justified in continuing the business without a reconstruction.

A petition, asking that the affairs of the Company be wound up will be presented to the court with a view to reorganizing the Bank.

### Nerves Are Exhausted

And nervous prostration or paralysis is creeping steadily upon you.

You hear of people suddenly falling victims of nervous prostration or some form of paralysis. But when you get all the facts of the case you find that they have had months or years of warning.

They haven't slept well. There has been frequent attacks of nervous headache. Digestion has failed. They have been irritable, easily worried and excited and have found memory and concentration failing.

Had they but known that these symptoms are all of exhausted nerves or had they realized their danger they would have resorted to the feeble, wasteful nerves by use of such treatment as Dr. Chase's Nerve Food.

This great restorative treatment cures by forming new, rich blood and by rebuilding the wasted nerve cells. No medicine is more certain to prove of lasting benefit to the system. 50 cents a box, 6 boxes for \$2.50; at all dealers or Edmondson, Bates & Co., Toronto.

## DON'T TAKE OLD-TIME PHYSIC

"Fruit-a-lives" Brings Natural Results In A Natural Way.

"I am a seventy-nine-year-old man and a great believer in, and user of, 'Fruit-a-lives'."  
'Stricture of the Bowels was the complaint from which I suffered. I found that 'Fruit-a-lives' did me more good than any other remedy. My doctor advised me to stick to 'Fruit-a-lives' and I have done so with beautiful results.'  
'I have been in business here for a good many years and have been a resident of Ottaville for over fifty years.'

W. M. PARSONS.  
OTTAVILLE, ONT., July 8th, 1910.

Fruit is Nature's laxative. 'Fruit-a-lives' is made of the juices of apples, oranges, figs and prunes. 'Fruit-a-lives' acts on the human system like fresh fruit—easily and gently—yet just as effectively as the old-time pill.  
'Fruit-a-lives' does not gripe or irritate the intestines. It regulates the bowels and cures Constipation because 'Fruit-a-lives' acts directly on the liver. Just try 'Fruit-a-lives' when you need a mild, gentle yet effective laxative and liver regulator.  
50c. a box—6 for \$2.50—trial size, 25c. At all dealers, or from Fruit-a-lives Limited, Oshawa.

### Eczema Is Curable

IN EVERY CASE WHERE OUR REMEDY FAILS IT IS SUPPLIED FREE OF ALL COST.

In making this statement we back it up with our promise that if our remedy does not substantiate our claim in every particular, we will without question or quibble return every cent you paid us for it. We take all the risk—you take none.

We strongly recommend **REXALL Eczema Ointment**, which possesses remarkable cleansing, antiseptic, germicidal soothing and healing qualities. It is a grayish-white emollient, with a pleasant odor, and very cleanly for use. The first application produces a refreshing sense of relief, and it quickly subsides and overcomes the inflammation, irritation and discharge when present.

It is intended to be applied with a piece of muslin or linen, or it may be applied and allowed to dry in. It affords very prompt relief for pimples, blotches, discolorations, ringworm, acne, tetter, barbers' itch, ulcers, insect bites, nettle rash, hives, sores and wounds.

**REXALL Eczema Ointment** relieves itching and irritation of the feet. It is ideal for the treatment of children who are tormented with itching, burning and disfiguring skin diseases. Try a box at our risk. Two sizes, 50c. and \$1.00. Remember, it is only sold at our stores—The Rexall Stores, P. W. Holdsworth, Digby, Ryan & Blackwater, Weymouth.

### Jack Johnson on the Steamer

ON BOARD S. S. PRINCE WILHELM, VICTORIA, June 9.—It was not until yesterday that Jack Johnson was able to emerge from his stateroom and become a part of the life on shipboard. Despite his protestations that he was "a good sailor" Johnson felt very uncomfortable while the big liner was moving northward along the Long Island coast today. However, he is making up for lost time.

After a session with the appliances in the big ship's gymnasium, Johnson gave a boxing exhibition with his sparring partners, which was witnessed by all of the male and a goodly portion of the female passengers. The big black showed the effects of recent training and seemed in condition to enter the ring again at a moment's notice.

There is no race prejudice manifested among the passengers, most of whom regard the Galveston negro as a source of entertainment for the voyage all the way across.

—If the Bible does teach that eternal torture is the fate of all except the saints, it should be preached, yea, thundered, weekly, daily, hourly. If it does not so teach, the fact should be made known and the foul stain dishonoring God's holy name removed.

### PURIFIED HIS BLOOD

Dr. Morse's Indian Root Pills Healed Mr. Wilson's Sores

When the severs of the body—bowels, kidneys and skin ducts—get clogged up, the blood quickly becomes impure and frequently seeps break out over the body. The way to heal them, as Mr. Richard Wilson, who lives near London, Ont., found, is to purify the blood. He writes:

"For some time I had been in a low depressed condition. My appetite failed me and I soon began to suffer from indigestion. Quite a number of small sores and blotches formed all over my skin. I tried medicine for the blood and used many kinds of ointments, but without satisfactory results. What was wanted was a thorough cleansing of the blood, and I looked about in vain for some medicine that would accomplish this.

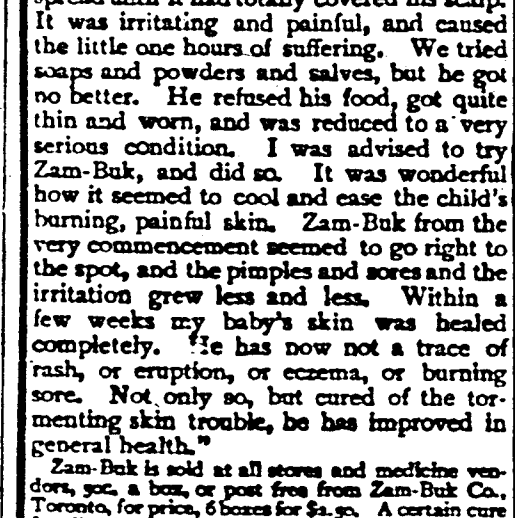

At last Dr. Morse's Indian Root Pills were brought to my notice, and they are one of the most wonderful medicines I have ever known. My blood was purified in a very short time, sores healed up, my indigestion vanished. They always have a place in my home and are looked upon as the family remedy."

Dr. Morse's Indian Root Pills cleanse the system thoroughly. Sold by all dealers at 25c. a box.

## ZAM-BUK

SAVED THIS BABY

Mrs. M. Barrett, 608 Main St., Montreal, says:  
"A horrid rash came out all over my baby's face and spread until it had totally covered his scalp. It was irritating and painful, and caused the little one hours of suffering. We tried soaps and powders and salves, but he got no better. He refused his food, got quite thin and worn, and was reduced to a very serious condition. I was advised to try Zam-Buk, and did so. It was wonderful how it seemed to cool and ease the child's burning, painful skin. Zam-Buk from the very commencement seemed to go right to the spot, and the pimples and sores and the irritation grew less and less. Within a few weeks my baby's skin was healed completely. He has now not a trace of rash, or eruption, or eczema, or burning sores. Not only so, but cured of the tormenting skin trouble, he has improved in general health."

Zam-Buk is sold at all stores and medicine vendors, and is also sold by mail. Zam-Buk Co., Toronto, for prices, 6 boxes for \$2.50. A certain cure for all skin diseases, cuts, burns, etc., and for piles.

### A Bad Back

IS A WARNING THAT THE KIDNEYS ARE SICK

A bad back turns every twenty-four hours into one dull round of pain and misery—you are lame in the morning, nagged all day by a dull throbbing backache, can't rest in the evening or sleep well at night. It hurts to bend over, straighten up, get up from a chair, or lift even a light weight. Any sudden twist, turn or awkward movement sends a tearing twinge of pain through the weak spot.

Booth's Kidney Pills reach the weak spot, the kidneys, and quickly restore kidney health and comfort. They are guaranteed. All dealers and druggists, 50c., or postpaid from The R. T. Booth Co. Ltd., Port Erie, Ont. Send for Free Box which will be gladly sent on application.

### June Red and Gun

The most interesting portion of the fine story of the trip to Hudson's Bay via the Albany River by W. J. Malone appears in the June issue of *Red and Gun*, published by W. J. Taylor, Limited, Woodstock, Ontario. The trip was quite an adventurous one and is written in a spirit of thorough appreciation of the beauties and allurements of the wild and of the advantages enjoyed by one able to go so far from the beaten track. The interest is deepened by Mr. Malone's treatment of the theme and the fine illustrations accompanying the narrative. As maskinonge fishing opens in the middle of the month, two papers dealing with maskinonge fishing in the Kewartha Lakes and in the St. Lawrence are most appropriate. The vacationist will turn to Summer Holidays and Where to Spend Them, while many lovers of firearms will read *Combing 12, 16 and 20 Bore Guns* by F. H. Conover and note the illustrations with the interest born of enthusiasm.

A paper on Game Law Violators who commit offences in one Province and escape punishment by going to another, raises a question that will have to be settled sooner or later and which, in the interests of the game, should be settled without undue delay.

### Steamers Delayed By Strike

THE OLYMPIC AND ST. PAUL ARE BOTH HELD UP AT SOUTHAMPTON.

SOUTHAMPTON, Eng., June 8.—A strike of coal passers broke out here today. The American Line steamer St. Paul tomorrow will be delayed, and Olympic is having difficulty in obtaining a crew. A whole fleet of ships chartered by the Government and others for the Naval Review are lying off the port unable to take on coal.

When the coal passers decided to go on strike today the St. Paul did not have a bunker of coal on board. The firemen threaten to desert if strike breakers are employed.

The American Line officials are hopeful of being able to get the vessel started out on her voyage to New York by way of Cherbourg on Monday. The Olympic was due to sail for New York by way of Cherbourg and Queenstown, June 14. The officials tried to engage a crew this morning. The men demanded that their wages be increased to \$30 a month. The White Star officials refused this demand, and the men marched ashore.

### Strike Serious in Vancouver

VANCOUVER, B. C., June 9.—The strike is becoming more serious here daily and disorders are increasing. The Provincial Government can apparently do nothing to pacify either side. Other forces are threatening to join in a complete tie up of the city.

### Had All He Could Get

The Girl—Go back and lick him, you coward!  
The Victim—But he's already given me two black eyes.  
The Girl—Well, he can't give you any more, can he?

### No Advice Needed

"My husband is particularly liable to senile senility," I remarked, a lady passenger. "Could you tell him what to do in case of an attack?"  
"Tain't necessary, mum," replied the captain. "He'll do it."

### Reciprocity Good For All Canada

HON. FRANK OLIVER, AT A GREAT MEETING AT SELKIRK, SHOWS WHAT IT MEANS FOR FISHERMEN.

SELKIRK, Man., June 8.—The reciprocity campaign opened last night with Hon. Frank Oliver addressing a large audience. The argument that went home was that put forward by Mr. Oliver with regard to the Selkirk fishing industry. The Minister pointed out that at present the United States treasury took toll from that industry to the extent of some \$47,000 per annum, whereas if the agreement were to come into force, that sum would be saved to Selkirk.

He maintained stoutly that the pact would benefit the whole Dominion, and not least the manufacturers, bankers and merchants. The opposition to the agreement came from legitimate interests of the Dominion, and in this connection the Canadian Cement merger.

The great milling interests of Canada, continued Mr. Oliver, had declared against reciprocity, not because it was proposed to take ten cents a barrel off the duty on flour, but because it was proposed to take off the duty of 25 cents a bushel on wheat. Their objection was that the farmer was going to have the advantage of the American market which meant, in their opinion that they would have to pay more for the Canadian farmer's wheat.

### Fell in a Faint

Mrs. Edwin Martin, Ayer's Cliff, Que., writes: "Before using Dr. Chase's Nerve Food I was in a terrible condition. Dizzy spells would come over me and I would fall to the floor. I could not sleep without fainting. Dr. Chase's Nerve Food has built up my system so that I can walk and do my housework. My medicine cured me when doctors had failed."

### How to Open a Can

One of the smallest of the little girls in a West Philadelphia family had often assisted her mother in preparing the meals. She observed that her mother, who was rather hasty, always talked to herself when she had any difficulty in opening cans of vegetables. The little girl thought that the hastiness was a part of the operation.

One day she was visiting a neighbor and went into the kitchen to help prepare a meal.  
'That's not the way to open a can of corn,' said the little girl.  
'Well, what other way is there?' asked the neighbor.

'Well, you take the can of corn and start to open it, and then you bear down and the opener slips. Then you say 'Darn this can, and finish it. That's the way my mother opens a can of corn.'

### China-Lac

The Perfect Varnish Stain with the China-Like Finish

Will Make Your Home Sparkle  
It freshens, brightens, polishes everything it touches.

Father Morrice's method was to supplement one treatment with the other. His famous prescription, "No. 26," consists of tablets and salve, each skillfully compounded of Nature's own remedial agents. The learned priest did not believe in using dangerous and powerful drugs, when simpler and better remedies were available.

The tablets are to be taken three times a day, invigorate the system, purify the blood, and restore the health and vitality. The antiseptic salve, applied inside the nostrils, soothes and breaks the passages and destroys the germs therein.

Attacking the disease from within and without, and working together, the two treatments known as No. 26 quickly cure catarrh and prevent future trouble.

For this tried and true combined remedy, 50c. at your dealer's or from Father Morrice Medicine Co., Ltd., Chatham, N.B.

### FATHER MORRIS'S WAY

OF CURING CATARRH IS SIMPLE AND EFFECTIVE.

In treating catarrh, some doctors recommend internal remedies, while others pin their faith to external applications. Internal medicines do not produce immediate relief, while external ones do not reach the seat of the trouble.

Miss S. M. Taylor visited her home in Hectanooga the 3rd inst.

Mrs. Alex. Mallet spent the 6th inst., with friends in Mavillette.

Ruben Doucette, of Cape St Mary's, was in this vicinity the 5th inst.

Mrs. Isaac Jeddrey was the guest of Mr. and Mrs. James Jeddrey the 5th inst.

E. Gallant, Agent for the Singer Sewing Machine Co., passed through this place the 6th inst.

Wm. Comeau has returned from an extended visit with his brother. His health is much improved.

Mr. Jos. H. Saulnier, also Geo. Comeau, of Bear Cove, spent Sunday at their respective homes here.

Two deer were recently seen to cross the main road below Jos. H. Saulnier's field, bounded the intervening fences with perfect ease, thence crossed the swamp toward Bear Cove.

'Happy is the bride, that the sun shines on.' If the above adage be true, then the brides of June 6th, will certainly prove well blessed, as the day was a glorious one. Mr. and Mrs. Chas. Saulnier proceeded to their future home immediately after the ceremony, while Mr. and Mrs. Theophilus Boudreau returned to the home of the bride's parents, where a hearty reception was accorded them. They proceeded to their future home, Concession, in the afternoon. We wish them every good wish.

## THE MCGREGOR TRAGEDY.

The Grand Jury Finds a True Bill Against John Tebo, Jr.

The Trial Commenced in Digby Yesterday Morning before Chief Justice Townshend—A List of the Jury—Some of the Evidence—Photos in Connection with the Horrible Crime and Other Matters of Interest.

### A SYNOPSIS OF THE HORRIBLE CRIME.

Edward McGregor, the murdered man, was reported missing after October 18th last. He lived alone in his house on the Bay Road, a short distance east of the D. & A. railway bridge at Keen's crossing.

The following Sunday the neighbors entered his house, found his cat starved, everything else appeared undisturbed. McGregor was missing, also his usual working clothes, indicating that he had gone away with the intention of returning in a short time.

Chief of Police H. W. Bowles, of Digby, and a coroner representative immediately started an investigation and a thorough hunt for the missing man. It was said that McGregor carried large sums of money.

John Tebo, Jr., who had been seen spending considerable money after the 18th was arrested, Oct. 31st, charged with taking money from the missing man.

In the meantime a diligent search was made for the body of McGregor, for it was now thought by the general public that he had been murdered.

Detective Hanrahan was sent here from Halifax and rendered every possible assistance. He afterwards returned to the city and the government offered a reward for the body.

Tebo was discharged on Thursday, Nov. 17th.

On Sunday Nov. 20th a party of searchers found the body of McGregor in the Old Oakes Road, 150 yards east of the Oakes mill pond.

It was surrounded with a quantity of cabbage and carrot. The body was found on the body and the left pants pocket was turned inside out.

An inquest was held before Coroner Day at which it was learned that the deceased had probably met his death by two blows from a hand axe.

Detective Hanrahan, who returned from Halifax on Monday, was charged with the body was found, accompanied by witnesses, and soon discovered a hand axe near the body.

During the evening of the same day on which the body was found Chief Police Bowles again arrested John Tebo, this time on a charge of murder.

His preliminary examination resulted in his being sent up for trial and he has since been a prisoner in the Digby jail.

The Supreme Court opened in Digby at 10 o'clock yesterday morning. Chief Justice Townshend presiding. His Lordship congratulated the Municipality of Digby on its new and beautiful Court House and spoke of the vast difference between the new building and the old one, in which he presided at a June term of the Court some four or five years ago. He also suggested that the county of Annapolis follow Digby's example in this respect.

The Grand Jury consisted of the following: B. C. Robbins, Elzevier Gaudet, John W. Sabean, T. Harding Denton, Haber C. McNail, Fred Smith, Chas. Brooks, E. L. Duggan, Chas. Yarrigle, Thos. Crowley, Edward Cook, Jas. H. Savary. All were present except John W. Sabean, T. Harding Denton and Chas. Brooks.

His Lordship referred to the serious charge of murder on the docket and briefly but thoroughly went over the depositions before him.

The grand jury retired at 10:21, returning at 11:10, announcing that they had found a true bill against John Tebo, Jr., charged with the murder of Edward McGregor.

The Sheriff brought the prisoner into the Court at 11:30 and the trial commenced.

In the meantime the grand jury went out to consider the case of John and Maurice Gibbons, charged with an assault upon William Ross. After being out a few minutes they returned, finding no bill. John and Maurice Gibbons were cautioned by their Lordship and forcibly reminded of the serious charge brought against them and were then discharged.

There were no other cases for trial. The names of the petit jury were read as follows: E. R. Thomas, Wm. C. Jones, Jas. M. Finigan, Ernest Gilliland, Jas. Young, Loran Denton, John Franklin, John Baisor, Milledge Armstrong, Barlow Crowell, Geo. A. Holmes, Wallace Raymond, L. B. Eldridge, Geo. B. Dyer, Hiram Outhouse, Herman Marshall, W. J. Agate, Jas. H. Purdy, Goudey Nichols, Chas. Adams, H. T. Wayne, W. S. Troop, Chas. E. Turnbull, Leander Alcorn.

These were all present except Jas. M. Finigan, Loran Denton, Hiram Outhouse, Jas. H. Purdy and W. S. Troop, who were ordered to stand \$200 each, with the exception of those beyond the age of limit.

Mr. F. W. Nichols, barrister, was elected by the jury to be the juror in pro, as he had no other counsel engaged.

The following jury was then drawn: Chas. E. Turnbull, Goudey Nichols, Leander Alcorn, Wm. J. Agate, Milledge Armstrong, Chas. Adams, Eben R. Thomas, John Baisor, Wallace Raymond, Ernest Gilliland, L. B. Eldridge, Jas. Young, Barlow Crowell, H. T. Wayne, Herman Marshall.

Goudey Nichols, W. J. Agate, and H. T. Wayne were put on the jury. The prisoner pleaded not guilty.

Mr. H. L. Dennison, K. C., crown prosecutor, addressed the jury, going over the case very carefully and thoroughly, explaining every detail. He said during his thirteen years in the Digby courts he was pleased to say that this was only the second case of murder to be tried here, but he regretted to state that the crime was in the province of the Maritime Provinces.

He showed the jury a map of the country surrounding the scene of the tragedy.

Chief Police Bowles was next sworn. He thoroughly described the condition of the body when found, where it lay and gave a full description of the surrounding territory. He also told how he walked from the prisoner's home by the Bay Road to the Oakes mill pond, crossed the road, and the body was found and came back to Digby via the old Oakes road, the time consumed being one hour and 34 minutes. He told of keeping the skull of Edward McGregor in his possession. He identified

CHIEF POLICE BOWLES

The first witness called was Mr. O. S. Donham, editor of the Courier, who said he was familiar with the surroundings and that the plan shown the Court was as nearly correct as could be sketched without a scale and that the buildings indicated were correctly marked.

Elgar Warner sworn, gave a similar testimony to the one at the preliminary examination, which appeared in our columns last November. He also said the map was correct.

Mrs. Warner sworn, said she last saw Edward McGregor alive Oct. 18th, 1910, at 5 o'clock in the afternoon, he having been employed on their farm. She last saw him drive the team in the barn and leave the house at 5 o'clock.

AFTERNOON SESSION.

The first witness examined in the

DETECTIVE HANRAHAN

afternoon was Stephen Raymond, who described how he found the body of the missing man near the old Oakes road at the junction of Israel Winchester's wood road.

The next witness was Harry Van Tassel, who was also present when the body was found. He also described being present with Detective Hanrahan when he found the axe, six feet from where the body lay, in the direction of the old mill pond 150 yards distant. He also told the story of his shooting trip with the prisoner on the 18th day of October and said that the prisoner showed him a roll of bills about the size of his wrist and a quantity of money.

Mr. Nichols said he did not know how much money the roll contained and also said he did not see the axe until

after Detective Hanrahan had it in his hands.

The next witness called was John I. Raymond, who was with the party when the body was discovered. His testimony was similar to that of the preceding witnesses who were present at the time of the discovery.

Chief Police Bowles was next sworn. He thoroughly described the condition of the body when found, where it lay and gave a full description of the surrounding territory. He also told how he walked from the prisoner's home by the Bay Road to the Oakes mill pond, crossed the road, and the body was found and came back to Digby via the old Oakes road, the time consumed being one hour and 34 minutes. He told of keeping the skull of Edward McGregor in his possession. He identified

all the articles found on the body, the photos of the skull, etc. Cross-examined by Mr. Nichols, he said the left hand's pocket was partly pulled out. He said he never saw McGregor more than once under the influence of liquor. He said he spent three minutes at the McGregor house, ten minutes serving subpoenas and four minutes where the body was found, during the walk above referred to.

Detective Frank Hanrahan, of Halifax, sworn, said he was sent to Digby by the Attorney-General. Said he spent several days searching for the body on the old Oakes road several times, within thirty feet of where the body was found. He said he had been found by three or four people. While there he found the axe about ten feet from where the body was found. He said it was a watch-chain at \$2.50 and another at \$1.00. Visited a clothing store where Tebo purchased an overcoat at \$12.50. He next visited a revolver store, where Tebo purchased a revolver at \$7.50, 38-caliber for six bullets, a box of cartridges for 25 cents. They next visited another clothing store, where Tebo purchased two pairs of kid gloves at \$1.00 per pair. They

ing towards town while she was going towards her home. Cross-examined by Mr. Nichols, she was not mistaken, but if the prisoner had not spoken she might not have noticed it was him.

The best witness called was Elmer Van Tassel, aged 18, son of Mrs. Mina Haight, with whom the prisoner boarded. He told the story of his trip to St. John with the prisoner, and of several drives that he had with Tebo, stating that the prisoner had paid all expenses including their fares to St. John and their board while in the city.

They went to St. John on a Friday, returning on Saturday. While in the city they were accompanied by George Hurley, an employee on the steamer crossing the Bay. They visited a bar-room, where Tebo paid for several bottles of liquor. At a watch maker's Tebo purchased a lady's gold watch for \$20.00, a watch-chain at \$2.50 and another at \$1.00. Visited a clothing store where Tebo purchased an overcoat at \$12.50. He next visited a revolver store, where Tebo purchased a revolver at \$7.50, 38-caliber for six bullets, a box of cartridges for 25 cents. They next visited another clothing store, where Tebo purchased two pairs of kid gloves at \$1.00 per pair. They

crew of the schr. L. van B. Snow, last reported June 10 in Gaspe Bay.

John L. Van Tassel, father of Edward Van Tassel, was called to testify where his sons were at the present time.

R. Smallie, book-keeper for Capt. Joseph Snow, owner of the schr. Loran B. Snow, was called and said that the absent witnesses left Digby on board the vessel. He also said that after the prisoner had left Mr. Abramson's employ he bought a pair of shoes, a pair of socks, and paid him for some of it.

His Lordship ordered that these witnesses be punished for absenting themselves, after having entered into a cognizance at the preliminary examination to be present at the Supreme Court.

Bernard Harvey, Esq., stipendiary magistrate for the town of Digby, the former of the preliminary examination was held, was called to identify the depositions of the absent witnesses. His Lordship, however, did not admit them.

William Tebo, brother of the prisoner, was next called. Among other things he said he had lived for a time with Edward McGregor. He said he left him in the house a barrel containing some things and a chest containing some carpenter's tools, among

which was an axe. Shown the axe found near the body by Detective Hanrahan he identified it as his. He was also cross-examined by Mr. Nichols.

Dr. L. H. Morse, called, described the condition of the body and the fracture of the skull, his evidence being practically the same as given at the preliminary examination and published in the Courier at the time.

Dr. E. Jones, who examined the body, assisted by Dr. Morse, corroborated the former's testimony.

John McGregor, William McGregor and Nathaniel McGregor, brothers of the deceased were next examined. They told how they identified the body by his clothes and his right hand, which had been injured in his youth. They told how he carried his money with him in a wallet. Said that he was very saving and a steady worker whenever he could obtain employment.

That he never kept liquor for sale and would only take a drink once in a while. John McGregor identified his watch chain, knife, etc.

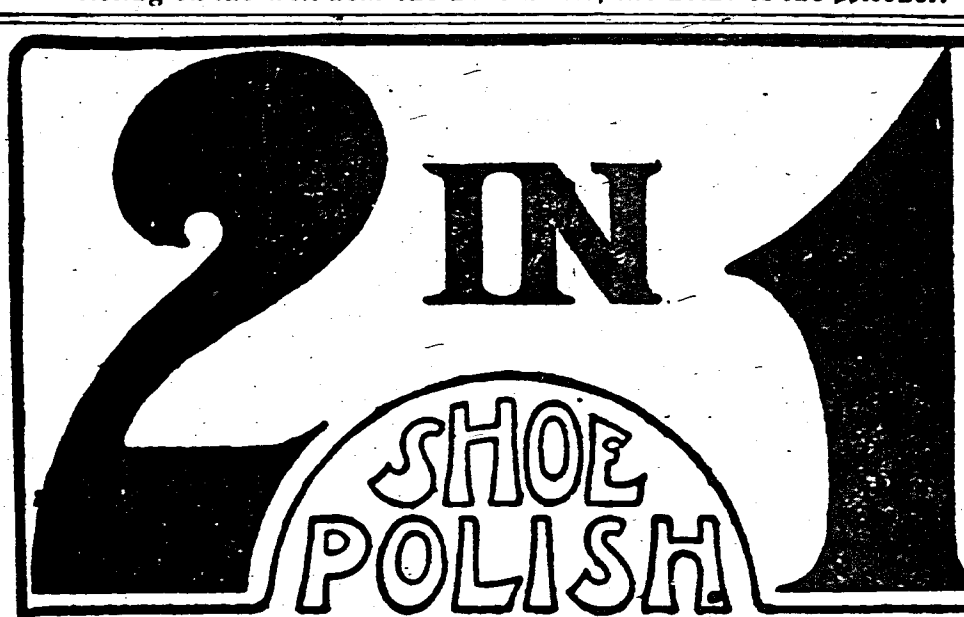

Mary McGregor, sworn, said that she last saw Edward McGregor on Oct. 16th. He came to her house about 8.30 and stayed until 11.30. He was also at her home on the 3rd of October. At that time she saw him have a roll of bills about as large as his wrist, and she saw him have silver and gold on several occasions. Cross-examined by Mr. Nichols she could not tell how much the roll contained.

James Robinson, session foreman, was then called. He said McGregor worked with him three different summers four years ago. He carried his money in a wallet. He saw him cash a check for B. A. Honey for forty or fifty dollars. He took his wallet out of his pants pocket at the time. He said it cost him \$3.00. He was also at his home when he put it in his wallet. He thought it had already all the money it could hold. He traveled the old Oakes road frequently going towards town. He last saw McGregor alive on Dominion Day. He was very close with his money.

When cross-examined by Mr. Nichols he could not name the amount of money that he saw McGregor carry. Mrs. Elizabeth Kalzer, sworn, said she met the prisoner on the night of the 18th of October between a quarter and half past nine, on the Bay Road, opposite the South End Grocery, com-

Wedding at Annapolis

A very pretty but quiet wedding took place at the Baptist parish, Annapolis, on Wednesday, June 14th, when John F. Parker, of St. John, and Miss Gertrude May White, of North Range, were united in marriage by Rev. D. W. Dixon. Only the immediate relatives of the bride were present to witness the happy event. The bride looked charming in a handsome travelling suit of blue broadcloth with white picture hat. After good wishes and hearty congratulations had been extended the happy couple were driven to Digby, where they took the boat for St. John, where they

## Remedies are Needed

Were we perfect, which we are not, medicines would not often be needed. But since our systems have become weakened, impaired and broken down through indiscretions which have gone on from the early years, through countless generations, remedies are needed to aid Nature in correcting our inherited and otherwise acquired weaknesses. To reach the seat of stomach weakness and consequent digestive troubles, there is nothing so good as Dr. Pierce's Golden Medical Discovery, a glyceric compound, extracted from native medicinal roots—sold for over forty years with great satisfaction to all users. For Weak Stomach, Bileousness, Liver Complaint, Pain in the Stomach after eating, Heartburn, Bad Breath, Belching of food, Chronic Diarrhea and other Intestinal Derangements, the "Discovery" is a time-proven and most efficient remedy.

The genuine has on its outside wrapper the Signature

You can't afford to accept a secret nostrum as a substitute for this non-alcoholic, medicine of known composition, not even though the urgent dealer may thereby make a little bigger profit. ## Diamonds Discovered in Quebec.

OTTAWA, June 14.—Two new discoveries of diamonds, one in Quebec, have been made in Canada, and R. A. A. Johnston, mineralogist of the Geological Survey, will leave for Germany in a few weeks in connection with the effort being made to discover a satisfactory commercial process of extracting these diamonds from the chromite in which they are found. Should such a process be discovered and the laboratory staff of the survey is now working on it, it will be of inestimable benefit to Canada, not only as regards the creation of a diamond industry, but in connection also with the profitable mining of chromite.

## Says he Killed Fifty-Seven Persons.

St. PETERSBURG, June 14.—Startling revelations were made today by a criminal who murdered an officer of the army and the officer's wife at Sebastopol. The man was arrested at Tsuritzyn and now says that he has in the course of his career killed fifty seven persons, including among his victims being Dr. Popoff, a surgeon of Kazan. The doctor's assailant and a midwife were accused of his death, and are now serving terms of imprisonment.

## Breaking the Sabbath.

On Sunday morning a minister's wife saw her son chasing the hens with a stick. She went to the door to investigate and heard him say: "I'll teach you to lay eggs in a minister's family on Sunday morning."

## Too Much Water.

Township, when told that he was growing too fat, answered: Yes, too fast; I think they water me too much. Why, I have to take a bath every morning.

## THE MCGREGOR TRAGEDY.

John Tebo, Jr. Found Guilty of Murder and Sentenced to Death.

The Slayer of Edward McGregor to be Executed Monday, July 24—The Prisoner Received the Verdict Calmly and Made no Statement.

John Tebo, Jr., has been found guilty of the murder of Edward McGregor and was last Friday afternoon sentenced to be hanged on Monday morning, July 24th, between the hours of 5 and 10 o'clock.

Mr. H. L. Dennison, K. C., who addressed the Jury for the Crown, presented a summary of the evidence, clearly and distinctly, in as able a manner as was ever heard in Digby of a similar case.

When the Court opened at 2 o'clock Friday afternoon, Mr. F. W. Nichols, counsel for the prisoner, put up a brilliant defence, considering the points of evidence which were available and the fact that he had only been elected by the Judge the previous morning to defend the prisoner, who had engaged in a course of drinking and had very little opportunity for the preparation of his case.

Chief Justice Townshend, who conducted the trial throughout with the utmost fairness to both the Crown and the prisoner, then addressed the Jury. He said that he had been asked to take the case, with which the trial had been conducted, both on the part of the defence and also on the part of the Crown, and that he had no objection to it.

The prisoner, when asked if he had anything to say, replied: "No, Sir." The trial then continued. The Crown called John Oliver Tebo, Jr., who was convicted of the murder of Edward McGregor. The prisoner, when asked if he had anything to say, replied: "No, Sir."

### Bear River

The Adventist conference closed on Monday evening. Mrs. A. E. Dunlop left last Saturday for Lethbridge, Alta. Schr. Valdare, Capt. Merriam, arrived Monday from Boston.

Major and Mrs. John Daley, of Digby, were in town Monday. Rev. and Mrs. G. W. Schurman returned home from Middleton last week.

Mr. Frank Troop, of Beverly, Mass., is visiting his mother, Mrs. Katherine Troop.

Mrs. G. C. Locke, of North Cambridge, Mass., is the guest of Mrs. A. W. Dunn.

Mrs. O. H. Ford, of Maitland, Annapolis Co., is visiting relatives and friends here.

Capt. B. T. Frude has his motor boat, Maple Leaf, in commission again on the river.

A number of young men left Tuesday with the Digby Co. artillery company for Kingston.

Mrs. Gertrude Dunn left Monday for Salem, Mass., where she intends spending the summer.

Mr. Wallace Crouse is spending a few days with his daughter, Mrs. (Dr.) McGregor, Smith's Cove.

Mrs. Lenfest Ruggles and daughter Blanche are spending the summer at their former residence here.

Steamer Bear River sailed for St. John Tuesday morning, after having been laid off a week for cleaning and painting.

The school closed on Thursday, Corporation day, and about everybody around took a day off, quite a number going to the celebration at Annapolis, while others just merely loafed.

Thousands of city people are now counting the hours when they can leave for some lake, river or summer resort for an outing, where they can fight mosquitoes and bugs for a few days, and perhaps get drowned.

An outing is a great thing, but many of our ancestors lived to a ripe old age and died without knowing what a vacation or outing meant.

Mr. Pleasant.

### CORRESPONDENCE.

To the Editor of the Courier: DEAR SIR:—Referring to the item in your last issue, in reference to my chickens, I beg to say that they are hatched on January 21st, 1911, and not on January 14th, as there stated, and that they laid their first egg on June 14th, hence being five months and five days old today. Hatchlings have laid 20 eggs to date. They are White Wyandottes and from a 220 egg strain.

These birds were raised strictly by Philo System, in Philo County, by Philo never having had any disease. Hatchlings have laid 20 eggs to date. They are White Wyandottes and from a 220 egg strain.

Very truly yours, L. D. MORTON. Digby, June 21st, 1911.

To the Editor of the Courier: DEAR SIR:—I wish to correct a statement in the Centerville item, June 2nd, which places me in a false position. I have no intention of making "Chicago my home hereafter" as your correspondent states. I have known people to get rich minding their own business. If your correspondent tends strictly to theirs they may yet gain a competency.

Yours very truly, MRS. WESLEY L. SMITH, 1613 EVANSTON AVE., Chicago, Illinois.

George Journey Dead. (From a San Diego paper.) George Journey, of 672 Twentieth street, "the pioneer householder of San Diego," who had been a resident of this city for more than a quarter of a century, died very suddenly Monday morning about 10.30 o'clock, will be buried Thursday afternoon at 2 o'clock from the Masonic temple, Fifth and Ash streets, under the auspices of San Diego Lodge No. 35, A. F. & A. M., of which he was one of the oldest members.

Mr. Journey is survived by a widow, Mrs. Ernestine Journey, and four daughters, Mrs. H. L. Summerlin, of this city, Mrs. Alberts Graham, of Santa Barbara, Mrs. Gertrude Woldham, of Midland, and Mrs. Ruby Whitteley, of Walnut Creek.

Neuralgia of the head was the cause of death. Mr. Journey has arisen at an early hour, which was very early, and after starting his men to work was busy himself about other matters when he was stricken. A short time after he reached home he died.

Mr. Journey came to San Diego when 28 years of age. He was an architect, contractor and builder, besides being a householder. Among the more important buildings erected by him was the "Grand Hotel," the Pacific Coast Steamship company's building, the old Story house and the John Capin home.

Besides being a Mason Mr. Journey was a member of the Pioneer society and also of the Grand Lodge of the State of California. He was a man of great energy and business ability, and his death is a great loss to the community.

By the expiration of his lease on the 6th of this month, Mr. Samuel Borden passed out of the management of the Queen Hotel, where he has been host for the past seventeen years. Mr. Borden took charge of the Queen in 1894. During his management he has not only done for himself, but has also been instrumental in having his town classed among the best hotel towns of the province. The term "Queen Hotel" was never more used, and when applied to him, and this, together with his business ability, accounts for his great popularity with the travelling public.

His ready interest in any movement that looked like enterprise or progress for the town made him a valued citizen. Every charitable cause was sure of his kindly aid, and the number who have testified and proved his private generosity is many. The feeling of regret at his leaving the hotel, and possibly the town, is general and sincere. While carrying on the hotel business Mr. Borden has been interested in other business enterprises from time to time and recently he used in a short farm a short distance from the town. While this will form a connecting link between himself and Annapolis, it is probable that he will still be identified with hotel life in some part of the province. We hope he is "Said" in the interest and good wishes of Annapolis Royal in his welfare and prosperity.

Atlantic Fish in Prince Report. THE MARITIME FISH CORPORATION EXPERT TO DO A VERY LARGE BUSINESS IN THE FAR NORTHWEST. (St. John Standard.) "The Maritime Fish Corporation is shipping fish to Vancouver, and we expect to be selling fish in Prince Rupert before very long," said A. H. Brittain, of Montreal, business manager of the big fish company, yesterday.

"Atlantic fish are superior to the Pacific product and we expect to be marketing millions of pounds right in British Columbia, notwithstanding the fact that Pacific fish are cheaper and more readily available. We are just beginning to realize the importance of the market for fish in western Canada."

"The Maritime Provinces have tremendous possibilities, and the fishery in the next few years will be a surprise to the people of Canada."

## Neuralgia and Sciatica

Caused great suffering for 25 years. Nothing effective until Dr. Chase's Nerve Food was Used.

"It affords me pleasure to speak favorably of Dr. Chase's Nerve Food and Kidney-Liver Pills," writes Mr. W. T. Collins, Morpeth, Ont. "I had been a sufferer for 25 years from sciatica, lumbago and neuralgia and tried nearly all the remedies advertised without one particle of benefit until I began the use of Dr. Chase's medicines. Before I had finished two boxes of the Nerve Food and Kidney-Liver Pills I noticed considerable relief in my condition. I have so much confidence in these medicines that I have recommended them to dozens of my friends."

In severe cases of this nature the combined use of these medicines brings results which are both surprising and satisfactory. The Kidney-Liver Pills regulate the action of the kidneys, liver and bowels, while the Nerve Food enriches the blood and builds up the nervous system. Dr. Chase, Bales & Co., Toronto.

## OPERATIONS AVOIDED

### By Lydia E. Pinkham's Vegetable Compound

Belleriver, Que.—"Without Lydia E. Pinkham's Vegetable Compound I would not be alive. For five months I had a painful and irregular period, and inflammation of the uterus. I suffered like a martyr and thought often of death. I consulted two doctors who could do nothing for me. I went to a hospital, and the best doctors said I must submit to an operation, because I had a tumor. I went back home much discouraged. One of my friends advised me to take your Compound, as it had cured her. I did so and soon commenced to feel better, and my appetite came back with the first bottle. Now I feel no pain and am cured. Your Compound is deserving of praise."—Mrs. EMMA CHATEL, Valleyfield, Belleriver, Quebec.

### Another Operation Avoided.

Poughkeepsie, N.Y.—I run a sewing machine in a large factory and got all run down. I had to give up work for I could not stand the pains in my back. The doctor said I needed an operation for my trouble, but Lydia E. Pinkham's Vegetable Compound did more for me than the doctors did. I have gained five pounds. I hope that everyone who is suffering from female troubles, nervousness and backache will take the Compound. I owe my thanks to Mrs. Pinkham. She is the working girl's friend for health, and all women who suffer should write to her and take her advice. MISS TILLIE PLENNY, 345 St. Paul, Poughkeepsie, N.Y.

Thirty years of unparalleled success confirms the power of Lydia E. Pinkham's Vegetable Compound to cure female diseases.

### CORONATION OF THE KING AND QUEEN.

It Rivalled in Splendor the Crowning of George the Fourth.

THE INCOMPARABLE BEAUTY AND VIVIDITY OF THESE SUMPTUOUS ROYAL PAGEANTS APPEARED TO PATRIOTIC PRIDE AND IMAGINATION, AND UNDERNEATH THE GLORY OF THE CEREMONIAL AND THE GRANDNESS OF THE RITUAL THERE WAS THE SACRAMENT OF LOYALTY.

A London despatch says. The other Coronations could not have been other more joyous in spirit, or brighter or more varied in color than this one. Certainly not the last one, when the Sovereign had barely recovered from an alarming illness, and the spectators were shattered and chastened by disappointment and anxiety. If that was a thanksgiving service, making an intensely human appeal to the hearts, as the one before it had seemed a pompous Imperial pageant, rivaling in splendor the Coronation of George IV, and by its show magnificence stimulating the loyalty of all the Britons. There was no effect of anticlimax in a belated ceremonial. Instead of a decline of popular interest there were unrestrained outbursts of enthusiasm within and without the Abbey. There was incomparable beauty and sparkling vivacity in the spectacle, and underneath the glory of the pageantry with its grandeur of ritual, there was a sacrament of loyalty.

The Abbey, when the spectators began to fill it at an early hour, looked as it did nine years ago. From the west door to the organ screen there were lofty galleries, and these were continued in the intermediate spaces over the choir aisles, and on both sides of the transepts. The recognition platform under the central tower was encompassed with galleries. The Abbey was almost entirely full, except for the rose windows, the choir transepts and presbytery, were brought into long galleries, and as a theatre for a unique spectacle.

There were seats for the members of the Royal Family and the guests of honor. The choir was reserved for Foreign Envoys, Colonial Premiers and the Diplomatic Corps. The Possessors were in the north transept, in front of the choir, and the guests of honor, the judges and members of distinction in society.

The spectators themselves, as they filled the empty space in these galleries, were the first pageant in the Abbey. Through the nave and up the choir, where there was a swarm of golden and laced officials with staves to receive, there was a continuous progress of Ambassadors in uniform, Indian Princes in their court costumes with crowns and robes of decoration, and Peers with their ermine and miniver, Privy Counsellors in blue and gold, and pages in white satin and knee breeches. Judges with full wings, Bishops in lawn, members of Parliament and dignitaries of the civil service in such bravery as they could muster, and the great dames and leaders of fashion in beautiful toilettes and gowns, with their diamonds and pearls.

Who could ever forget the splendor of that stately pageant in the Abbey? What painter under royal command could have done justice to the bewildering array of brilliant colors, the shimmering brilliance of gold and silver sheen, the sparkling fires and softness of iridescence of tens of thousands of jewels, and the air of gaiety and distinction pervading the ancient fane.

To the intimate friends of the King and Queen purple was the dominating note above the gold plate, and the eager faces of children could be seen among them.

In the Commons' gallery there were welcome patches of black, many court dresses and military uniforms, and not withstanding the Radical majority and democratic tendencies, a bare display of decorations. In the Privy Counsellors and Diplomatic galleries in the choir and on the platforms flanking the long passage through the nave, there was a bewildering variety of costumes. The ladies were in full court dress without trains, and if they were not allowed to carry bouquets they had exquisite jewels, lace and fans. These galleries were relieved from the monotonous sway of crimson mantles and black and white for Queen Mary had set the style for

## NEW BATHING OUTING THE WEEK

AND RECREATION IN BRIEF FOR THE BENEFIT OF THE PUBLIC IN DIGBY AND ELSEWHERE.

Rev. T. S. Roy will conduct service at Rosway next Sunday afternoon at 3 o'clock and at Calhoun Monday night at 8 o'clock.

The Queen street sidewalk is nearing completion and is certainly a big improvement.

By order of Mayor Short the Canadian ensign is hoisted every Sunday morning on the town flag staff on the public grounds, corner of Church and Queen streets.

This is a move in the right direction which might be followed by many of our citizens in the display of the national flag on the Sabbath throughout the summer months at least.

There are a number already who cater to the Sabbath in this respect, but there is room for many others.

Repairs are being made to the Baptist church during the week, the Methodist are holding their services in the Barton Baptist church.

The Independent Order and Canadian Order of Foresters attended divine worship in the Barton Baptist church last Sunday evening and listened to a very appropriate sermon preached by Rev. A. A. Munroe.

The D. A. R. have a change of time table in their monthly meeting on Wednesday evening and Thursday evening.

The public works have been put in good shape and are now in the hands of the city engineer and his assistants.

At the closing of Mount St. Vincent Academy, Halifax, last week the school was presented by the Rev. J. J. Smith, Church Point, for music, was worthy Miss Mary L. White.

The members of the regular monthly meeting of the church will appear in their next meeting.

Summer is now arriving daily and Digby and vicinity have more visitors than at any previous season.

The public works are now in the hands of the city engineer and his assistants.

The funeral of the late Mr. J. J. Smith, Church Point, for music, was worthy Miss Mary L. White.

# DIGBY COUNTY NEWS

Supplement to THE DIGBY WEEKLY COURIER

DIGBY, FRIDAY, JUNE 30, 1911

## Port Wade

Mr. C. A. Ryer came home from Lynn, Mass., on the 24th.

A. B. Kendall passed a strawberry from his garden today which measured 16 inches round.

Mrs. Walter Barnes and children, of Mr. Pleasant, Digby, are visiting her mother, Mrs. A. B. Kendall.

The ferry boat, Port Wade, Capt. Keane, has a large party over to Digby to the dock Saturday night, 24th.

Miss Jennie Apt and Mrs. Frank Mussey and children have been visiting the past week with Mrs. Thomas Wood at Annapolis Royal.

Miss Helen Snow had her hand and wrist scalded one day last week by boiling water, but applying immediately the best remedy at hand the fire was quickly drawn out and the wound is doing well.

Capt. John W. Snow, managing owner of the fishing schooner Morrissey, took the writer over that large vessel Saturday. She is being overhauled and thoroughly painted for the haddock and herring season. She is a vessel of 130 tons and carries a crew of 27 men, 12 horses. Her skipper is Capt. Ansel Snow.

Schooner Wilfred L. Snow, Capt. H. Johnson, arrived at Digby Friday with a catch of about 35,000 in three days, in the fishing grounds near Musquash and Irishman. The Capt. started to the water that while out last week he and a lady mate encountered a large shark, but having no gear aboard to capture him, their blows falling short, he got away from them without doing harm. The "Wilfred" has a hard working crew and the men who catch more fish have to get out and hustle.

## Parker's Cove

Rev. Mr. Davis, Methodist, has service here on Sunday at half past two.

Schr. Lloyd, Capt. W. H. Anderson, sailed the 26th for Advocate and up the bay ports.

Mrs. Benjamin Halliday, of Hallowell, was the guest over Sunday of her daughter, Mrs. Archie Magarvey.

Schr. May Farmer, Capt. Frank Clayton, arrived the 26th from Greenville. Capt. Clayton intends fitting her up for fishing in the bay.

Mr. and Mrs. Harris and family, of North Wingham, arrived on the 21st and are spending the summer months in their cozy cottage here.

Our community was greatly shocked over the sudden death of one of our residents here, Mr. Arthur Sarty, while working in his father's mill, was planing boards and in some way one of them struck him in the abdomen, and he lived but a short time. Much sympathy is felt for the widow and children and much sympathy goes out to the aged father who had just been called on to mourn the loss of his wife. Rev. J. W. Smith, Baptist, preached the service at the home and grave.

## Calloden

Sorry to report Mrs. Handford Daley on the sick list this week.

Mrs. Austin Dares, of Rossay, spent Friday and Saturday in this place.

Miss Minnie Small, of Roxville, spent a few days last week with Miss Florence Ross.

Mrs. William Ellis, of Point Prim Light, spent a few days last week with Mrs. James Handspiker.

Mrs. John Middleton and daughter Edith and son, of Port Wade, are visiting Mr. and Mrs. George Stark.

Mrs. Joseph White, who has been visiting her daughter, Mrs. Charles Mount, at Acadiaville, has returned home.

The Misses Clara, Bina and Vester Vantassel, of Mount Pleasant, were the guests of Mrs. Nattie Munroe on Sunday.

Mr. Herbert Daley, chief officer on the Calvin Austin, spent Friday at his home here, returning to St. John on Saturday.

Mrs. Frank Lent, of Digby, and Miss Jessie Dorothy, of Lynn, Mass., spent a couple of days last week with Mrs. Olive Stark.

Mr. and Mrs. James Cripps and Miss Edith Darnell, of Digby, and Mr. Isaac Ellis, of Point Prim, were the guests of Mr. and Mrs. John Ross on Sunday.

## Lakeside

We are having very fine weather just at present.

Mr. and Mrs. Robt. Brackett, of Boston, Mass., are visiting Mr. Johnnie Walker.

Mr. Walter Wagner, of Centerville, spent Sunday with his parents, Mr. and Mrs. Oscar Wagner.

Miss Nina Porter, of Weymouth, is spending a few weeks with her uncle, Mr. Everett Walker.

Mrs. Lorne Thompson, of Centerville, spent Sunday with her parents, Mr. and Mrs. Walter Thompson.

Our school teacher, Miss Viola Morehouse, spent Sunday with her parents, Mr. and Mrs. Eunice Morehouse.

Mrs. B. Wagner, accompanied by her son Eugene, has gone to Martinehead, Mass., where she will remain in the future.

Mr. Minard Ossinger, of Tiverton, accompanied by his friend, Miss Janetie Smith, spent Sunday with Mrs. S. L. Oubhouse.

We understand the gentlemen from New Brunswick who have been here for the past few weeks doing well for Mr. G. R. McNell has succeeded in finding an ample supply of water for the supply of the Barton House including bathroom, stable and all the requirements.

The residents of Barton greatly regret the death of our much esteemed citizen, the late Mr. Percy Gavel. The funeral of the deceased was one of the largest ever witnessed in this place and was conducted by the Rev. Mr. Munroe. Interment took place in the Barton cemetery.

The residents of Barton and Brighton are anticipating having a public hall in the near future which is greatly needed. The foundation is being laid. With this new building and the Barton House, which is being thoroughly renovated and supplied with all the modern improvements of the day by its general manager, Mr. G. R. McNell, we feel confident that Barton is on the move in the right direction.

The annual school meeting of Barton and Brighton school district was held on Monday evening 26th inst. Quite a number of the rate payers were present. Dr. Harris, of Barton, was elected chairman, J. A. Morehouse, secretary. Mr. Freeman, who is one of our new arrivals in the school section, was present and made some very helpful remarks along the line of repairs to our school building which are greatly needed. A meeting to consider the advisability and means of repairing the same will be held in the school house on Monday evening next. A full house is anticipated.

Any one who wants to indulge in a good meal and be treated courteously should patronize the Stuart Hotel.

## Deep Brook

Mr. Howard Adams arrived home from New Boston, N. H., on Friday last.

Mrs. Anne Copeland, of Boston, arrived Wednesday last and is now at her log cabin.

Miss Daisy Woodman and Miss Mary Woodman spent Sunday with Mr. and Mrs. J. R. Berry.

The summer tourists are among us again and more are expected the last of this month and the first of next. We extend to them a hearty welcome.

A very distressing accident occurred here last Saturday night when Winnie Robbins, daughter of Mr. and Mrs. Ous Robbins, got burned so severely that death resulted inside of two hours. Mrs. Robbins put her two children, Alice, aged 5, and Winnie, aged 4 years and 5 months, to bed in the best of health after which she went to the store about 4 mile distant. Mr. Robbins went to the barn to milk, when it appears that Winnie got up out of bed and went into another room and there found some matches which she lighted, setting fire to her clothing and to a bed in the room. The older child heard her screams and called her father. Mr. Robbins went in and put the fire out as quickly as possible. The doctor and other help were immediately summoned but the little one only survived the Dr. arrival about five minutes. The funeral took place on Monday afternoon with interment at Bear River. We extend our deepest sympathy to the bereaved ones in their sad bereavement.

## What Ails You?

Do you feel weak, tired, despondent, have frequent headaches, coated tongue, bitter or bad taste in morning, "heart-burn," belching of gas, acid risings in throat after eating, stomach draw or burn, foul breath, dizzy spells, poor or variable appetite, nausea at times and kindred symptoms?

If you have any considerable number of the above symptoms you are suffering from biliousness, torpid liver with indigestion, or dyspepsia. Dr. Pierce's Golden Medical Discovery is made up of the most valuable medicinal principles known to medical science for the permanent cure of such abnormal conditions. It is a most efficient liver invigorator, stomach tonic, bowel regulator and nerve strengthener.

The "Golden Medical Discovery" is not a patent medicine or secret nostrum, a full list of its ingredients being printed on its bottle-wrapper and attested under oath. A glance at these will show that it contains no alcohol, or harmful habit-forming drugs. It is a fluid extract made with pure, triple-refined glycerine, of proper strength, from the roots of native American medicinal forest plants.
