

Welcome to the Digital DIGBY COURIER

1877-1978

100th Birthday

The hundredth anniversary of the Digby Weekly Courier has brought to mind some fond memories as contained in the following historical chapter of the writer. But first, I wish to congratulate the current editor of the Courier, Mrs. J.M. (Edith) Wallis, for a job well done over the years and still being well done, good service rendered with great fortitude.

According to any record, I have at hand, the Digby Courier, in one hundred years of publication, was controlled under the same family management for 42 years, 1931 to 1973, under the control of Wallis Print Limited. The late J.J. Wallis became editor of The Courier the second time, in 1929, and at the same time of the business, which he had been running for some time previously and which became Wallis Print Limited sometime between 1929 and 1931.

I well remember the last year of the twenties when I worked in the office of the son with the husband and father of the late J.J. Wallis, the Courier. Sometime in 1928 or early 1929, the late J.M. Wallis (Mac), son of "J.J." engaged me to work every day after school hours, Saturdays, and for some months after finishing school. The place of work was in the building of the present Digby town hall on First Avenue. J.J. Wallis then worked occasionally at the print shop but mostly across the street at the Courier office which was then located on land in the general area where The Royal Bank of Canada is now.

Wallis Job Print operated in 1929 with a staff of four consisting of J.J. Wallis, J.M. Wallis, Miss Eva Haynes, who later became Mrs. George Kicup, and myself. I was engaged as a printer in the left

Eva's job was to run the printing plant but mostly at the Courier office. "Mac" worked nearly full time at all the different jobs at the Job Print, and I worked at various duties, most of the time being spent at operating printing presses.

We worked ten-hour days, six days a week. "J.J." and "Mac" sometimes worked overtime. I worked only the regular hours being paid a weekly wage which was comparatively good for those times and my lack of experience. I received four or five dollars a week for working after school hours to six o'clock and on Saturday all day, and nine dollars a week for full weeks after finishing school. A two or three dollar a week raise was offered to me in the fall of 1929 for me to stay on at printing, but I had made up my mind to enter a branch of the Royal Bank of Canada, starting salary of \$300. The bank salary figured out about the same per hour as for the printing job. Nevertheless, the congenial atmosphere of the printing plant those days, and, experience however short, were helpful and appreciated by me.

"J.J." was very jovial in his occasional trip to the Job Print and did considerable kidding all in good fun. "Mac" was a witty person who mixed in a good natured sarcasm now and then for one reason or another. Eva most always had good answers to all the kidding she was called upon to take, and, generally held her own in a quiet sort of way, always busy setting type. We four all got along very well indeed. However, I do remember that some days did seem long and weary because of the monotony of some repetitious jobs.

In spite of the great demand for printing those last boom days of the twenties, business generally being brisk, it looked to me that people had to work long and hard to make any decent profit. There was

including treatment of the hands. However, nails and finger ends were used and I was soon back to work.

Now and then a printing job had a dose on parchment paper which required a special kind of printers' ink which smelled very bad those days. I always dreaded it when "Mac" would do that job on the largest press, in spite of the fact that we always opened an outside door to lessen the effects on the constitution.

One of the jobs I had to do, being the junior and printers' devil on the staff, was to clean up now and then. One day not long after I started my job at the printing plant, I decided to clean the floor that apparently hadn't been cleaned in some considerable time.

"J.J." came along and said, "how are you making out Vince?" I assured him that I thought I was beginning to see the floor. "J.J." laughed very heartily, he thought the remark pretty good and suitable.

Sometimes the gasoline engine or a piece of machinery would refuse to work, and after "Mac" the fix-it man had patiently worked for a certain length of time to get it going again, without results, "Mac" would then stand back and cuss quite strenuously, then he would immediately start working. "See," he would say, "all it needed was a bit of cussing."

On other occasions when some gadget refused duty for me and, seemed to be broken, "Mac" would say, "use a little oil," and sure enough, often that is all it took. How often since, have I thought of the value of that remark and the actual need of "oil" in many life situations, applied at the right time, right place and, in the right way.

Other things that sort of stick in my memory and come to mind now and then are, like the time I told "Mac" of four teenage boys who in the spring season of 1929 got together just before dark one evening and decided to initiate the newly built outdoor Pines Hotel swimming pool which had just been filled with water. Clothes were taken off near the road just east of the pool; nobody else seemed to be around except the four boys; no thought or time for bathing suits up to the pool they went. They stood on the edge of the pool and looked at the chilly water, one soon jumped in, the rest quickly followed and across the pool they swam. "Mac" listened to the story and hardly said anything, but the next "Digby Courier" had a good story on the episode. The heading of the story went something like, "Four Boy Scouts Officially Open Pines Hotel Swimming Pool." Who were the four? Many years later they are known as: the late Dr. Earl H. Anderson, veteran of two wars (second world and Korean), was awarded the Victoria Cross; Sidney L. Smith, now prominent druggist for many years in Digby; Clayton D. Snow, Digby wholesale lobster king merchant; and myself.

As a young teenager I used to like doing some writing about different events interesting to myself and mostly for myself. One day "Mac" said to me "how about writing your version of the story told about 'The Marooning of Jerome'." I had heard and read at least two somewhat different stories about the man who was found marooned on a beach at some point on the French Shore of St. Mary's Bay, Digby County. When found this man's tongue had been cut out and his legs quite freshly amputated, were surgically well dressed and bound. He was presumably left by some vessel before dawn one morning, all for some mysterious reason.

"Jerome" appeared to have been a man of some considerable social standing and possibly of some considerable wealth. However the only thing the man could or would ever say after being found and cared for by some family in the French shore was, something that sounded like the word "Jerome". He either could not, or, would not, write anything about who he was or why he was left the way he was. Well, it was, and is, one of Digby County's mystery stories, and, different ideas have been expressed over the years concerning this man. However my response to "Mac" was, I felt no urge to write anything more or different about this man. The mystery seemed to have been very well explored in the mind of many people, and, he was a sort of curiosity for many people who visited where he lived for many years.

Three years later I was quite a young man, and I was back in the street that I had lived on, and I was clanking my powered up car, and I was thinking of "Jerome", and as I remember it, I was thinking of "Jerome". "J.J." was noted for his sense of humor and his ability to make people laugh. In 1928 during the time Mr. Wallis was editor of the Scott Act (Prohibition Law) he was about and advocated by some people, and he was a very popular figure in the community.

Digby in the early days. Date on picture 1874.

Digby 172 Years Ago

Compiled by David Sanford

From the files of the Courier of January 23, 1867, the following account has been copied concerning Digby in 1800.

"Among a number of old newspapers kindly sent to us by friends is a copy of the Saint John Gazette of May, 1802, says the Telegraph and among other advertisements contained in the issue before us is one describing the town and township of Digby, and offering for sale certain lots in the town. In this area we are told the township of Digby extends from the Gulf of Annapolis westward to the extremity of the province of Nova Scotia, and contains about 130,000 acres." The town plot is thus described:

"The Town Plot is situated at the east of the township just within the entrance to Annapolis Basin, and twenty miles from Annapolis Town, and six miles across land from the head of St. Mary's Bay. This laid out from the water's edge, partly on level ground and partly on the declivity of a modern hill, dry and pleasant, and having with an eastern aspect, a view of the Annapolis Basin and its cultivated shores for twenty miles in where it terminates with the Fort and River's mouth of that name. It was settled by Loyalists from New York in 1783, the most of whom went early to farms, or, moving to older countries, left the whole

side to be bought proved by about who now reside detached, built dwellings with orchards, and some fishery and. It has communal parts of the common provisions in a cheap, built readily to be from many circumstances, probability of place of some shipbuilding, the West India a cheap and of residence. This advertisement, at the December, 1802, were to be a No. 100.

free trade with the U.S.A., especially with the New England States. The question was then debated by some Digby High School students one of which was "J.J.'s" daughter, Florence (now Mrs. Melvin O. Tibert, Freeport, Digby Co.) Some days after the debate a man from some part of Nova Scotia came to the printing shop looking for Florence, one of the successful debaters; I had the impression that this man was interested politically but, maybe I was wrong.

Well, I felt that I had learned considerable from my short experience at "The Wallis Job Print". I was learning to do beginner jobs, receiving some knowledge about things like: embossing, stapling, perforating, counting, cutting and trimming paper stock, mixing inks for certain desired colors, and so forth, but, the only experience I had at setting type was just enough to make a "pi", the printers name for a confused mess.

There was a taste of trying to sell job printing outside the plant. Work was a little slack one early fall day and so "Mac" said to me, "how about trying your hand at taking orders for printed personalized Christmas cards?" I tried it, made several calls around town, spent most of the time at one particular house, and got an order, but,

Years and experiments with. The last time I saw of personal interest, after one day when he sent and talked with me he visit him at his home. He had a week he wanted me to visit him at his home. He was returned from the Nova Scotia after a week. I made the visit and brought back some interesting information.

NOVA SCOTIA
Tourism, Culture and Heritage

Funding for this project was provided by:

Municipality OF Digby

Credits

This project was made possible with assistance from the Nova Scotia Department of Tourism, Culture and Heritage through its Strategic Development Initiative. This initiative supports projects aimed at enhancing the self-sufficiency of the heritage sector throughout the province.

The Municipality of the District of Digby is the lead organization to spearhead this project. The Digital Courier is part of the municipal initiative to preserve the past and develop the future; Council is honoured to be part of the preservation of these significant historical documents.

1800's

- (1810) the first elections were held in the County.
- (1837) the County of Annapolis was divided to include the County of Digby.
- Old Post Road and rural school system improved.
- Weymouth Trading Post established.
- Ship Building is a major industry in the area.
- (1879) the District of Digby was incorporated.
- (1891) the railway (the missing link) between Annapolis and Digby was completed.
- Joshua Slocum sails around the world alone.
- Temperance Movement.
- Summer Tourism Industry develops.
- I.M. Singer invents the sewing machine.
- Canadian Confederation (1867)
- Klondike Gold Rush
- The Supreme Court of Canada is established
- Florence Nightingale takes London nurses to the battlefields of the Crimean War

1900's

- Poor Farm in operation
- Isaiah Wilson's Geography and History of the County of Digby Published.
- Prime Minister Sir Wilfred Laurier visits Digby.
- Marconi transmits wireless message across the Atlantic
- Queen Victoria dies
- The Boxer Rebellion breaks out in China.
- The Boer War in Southern Africa ends

1910's

- (1912) last race of the Brattain Cup in the Annapolis Basin.
- First motorized vehicle in the area.
- Communities collect cloths and money for the war effort.
- Spanish Flue kills many in the area.
- First Calgary Stampede
- Women in Canada get the vote
- Halifax explosion
- WW1
- The Titanic Disaster
- Norwegian Roald Amundsen becomes the first to reach the South Pole.

1920's

- Motorized vehicles becoming more common.
- Last wooden ship built in Bear River.
- Electric lights installed in villages.
- Motorized vehicles becoming more common
- Canadian Schooner "Bluenose" wins the International Fisherman's Trophy
- Agatha Christie launches her career as a mystery writer.
- George Carnarvon and Howard Carter unearth King Tutankhamen's tomb

1930's

- Economic Depression.
- Rural electric lines being installed.
- Electric lights installed in villages.
- Highway paving projects underway.
- First crossing of the Princess Helene Ferry.
- Rum running along the coast.
- Rum running in its heyday
- Dionne quintts born in Ontario
- Movie "King Kong" released starring Canadian Fay Wray
- WW II begins

1940's

- Digby home to WWII submarine base.
- CFB Cornwallis largest training base in the Commonwealth.
- Scallop Industry expands.
- Hog farming expands.
- Population decline in rural communities.
- Newfoundland enters confederation
- UN Formed
- U.S. planes drop atomic bombs on Hiroshima and Nagasaki
- Orson Welles' film Citizen Kane, premieres

1950's

- Bus service along the Digby Neck.
- Population in villages continue to decline. NORAD formed with USA
- National Ballet of Canada founded
- Bear River Power Plant built
- Korean War
- Smoking linked to lung cancer
- Sputnik launched
- Castro takes over power in Cuba
- Elizabeth II coronation - Queen of England

1960's

- Sissiboo Power Plant built.
- Kejimikujik Park established.
- Conners Brothers Fish Cannery Plant closes in Freeport.
- Fish Meal Plant opens in Mink Cove.
- Weymouth Industries closure.
- Bear River Village Fire.
- Canada celebrates 100th birthday
- Pierre Trudeau sworn in as Prime Minister
- Bay of Pigs invasion
- Thalidomide deformities revealed
- Cuban Missile Crisis
- John F. Kennedy assassinated
- Demonstrations against Vietnam War

1970's

- Evangeline Mall built.
- New CN Ferry Terminal built.
- Ground Hog Day Storm.
- Municipal Airport opens.
- Hwy 101 completed to Digby.
- First Computer used.
- Jones Bottling Plant burns in Weymouth
- War Measures Act invoked
- Pierre Laporte murdered
- Canada-Soviet Summit Series in hockey begins
- Quebec language legislation (Bill 101) passes
- Munich massacre at the Olympics
- Rock stars Jimi Hendrix and Janis Joplin die.
- At Kent State University in Ohio, protesting students are killed by National Guardsmen

Proposed Hydro Rates Will Encourage Full Development

Town Council Discusses Revised Rates for Hydro Electric Service

Power Board Offers 6c Rate, Power at 3c and Street Lighting at 5c if Town Sets its Rates at 12c for Domestic Lighting and 4c for Power. Street Lights to Burn from Dusk to Dawn

Presenting the suggestions of the Public Utilities Commission in regard to rates for electric lighting services, Mr. H. H. Marshall, Chairman of the Digby County Power Board, addressed the Town Council at their monthly meeting on Monday night. Mr. Marshall said that the matter of costs of production and distribution had been thoroughly gone into by the officers of the Board and the Commission and a tentative scale of rates prepared for submission to the Council.

The Power Board would sell to the Town of Digby and the Village of Weymouth power for domestic lighting at six cents per kilowatt. For street lighting services the rate will be five cents per kilowatt and for power purposes, day load, three cents per kilowatt.

In order to maintain the service at these rates under present and probable load during the first year several economies suggested by the Board and the Public Utilities Commission would have to be put into effect.

Acting as distributors the Power Board rate to rural consumers would be \$1.50 per month for the first 10 kilowatts and 12 cents per kilowatt for all in excess of the minimum. The direct rate for power would be four cents per kilowatt.

Taking into consideration fixed charges of the Town of Digby and such economies in maintenance as were possible by utilizing the maintenance staff of the Power Board, it was suggested that the Town of Digby could set the rates as follows:

Domestic service 12c per kilowatt
Power and day load 4c per kilowatt.
Street Lighting Service 5c per kilowatt.

Doing away with the system of discounts for prompt payment the suggestion is made that bills should be payable on the 20th day of each month, and in default of prompt payment a charge of 10 per cent should be added. This would serve to bring more prompt settlement of accounts and enable the town to meet its Power Board drafts monthly.

The Clerk was instructed to write to Mr. Graham thanking him for the privilege, which is greatly appreciated, it being difficult to obtain suitable material for road making.

The rate for short term users to be worked out, but it will be

proportionately lower than previous rates.

The proposals were discussed at length by the Councillors present. It was felt that the figures had been shaved too close to permit meeting all obligations for sinking fund and replacements. It was pointed out however that the Utilities Commission would not countenance making profit on the operation of the distribution system to cover the costs of street lighting, as had been the practice in the past, but that the users of hydro in the town must not take care of a charge which properly should be covered in Digby's yearly tax rate.

The 5c rate for street lighting service is conditional on the street lights being used from dusk to dawn, in order that the hydro service may be enjoyed as it can be.

As soon as the necessary formalities have been complied with the new rates will be made effective.

The rates to users served by the Village of Weymouth distribution service will be the same as that for direct service from the Power Board namely:

Domestic Lighting \$1.50 for first ten kilowatts and 12 cents per kilowatt for all in excess of the minimum

The power rate will be 4 cents per kilowatt.

Street lighting will be 5 cents per kilowatt.

WANTED!! RETURNED SOLDIERS

Returned Soldiers are wanted to attend a meeting in the Firemen's Hall on July 7th which will be addressed by Major Roper of Halifax.

Major Roper will organize a Branch of the British Empire Service League at this meeting. The Service League is not for the other fellow but is in your own interests. Come hear what he says about it.

Entries in Land and Water Events Promise Great Sport On The Holiday

The Courier has been supplied with a partial list of entries in the various sections of the Dominion Day Sports, and from observation of it there is going to be a great day here tomorrow.

The Parade Committee are preparing to handle a record-breaker, and all school children who wish to take part are requested to report at the school house at 9.30 Friday morning, when they will be formed up to march to the starting point and issued with flags and Jubilee Medals.

At the conclusion of the parade Mayor Lynch will make short speech welcoming the visitors to Digby and the Dominion Day addresses of His Excellency the Governor General and of Hon. W. L. McKenzie King, Premier of Canadian Parliament, will be read.

The big contest in the water sports will be in the Class A Fishing Boats, in which are entered Warden Finnigan's speedy craft from Freeport and the equally speedy boat of Sinclair Cann, of Westport. These boats have been tuning up in Grand Passage and the final test will be in the race.

Following is the list of entries as received up to noon on Wednesday. More came in since these were supplied.

Restoration of Bluenose Fast Passenger Train Service

The Dominion Atlantic Railway, announce the Bluenose Fast Passenger Train service between Halifax and Yarmouth through the Land of Evangeline will be inaugurated on Monday, July 4th and continued up to and including September 10th.

The "Bluenose" leaving Halifax at 9.05 a.m. daily except Sunday, will maintain connections at Yarmouth for Boston with Boston & Yarmouth Steamers, and at Digby with steamer "Empress" to Saint John, N. B. for Montreal and West coast points.

Passengers leaving Boston at 2.00 p.m., Daylight Saving Time, will connect with the Bluenose train at Yarmouth and arrive at Halifax at 4.25 p.m. the next day. Leaving Montreal at 12.30 p.m. via Canadian Pacific, passengers will connect at Saint John with "Empress" next morning and reach Halifax via Dominion Atlantic at 4.25 p.m.

Two observation buffet-parlor cars will be carried on each Bluenose train between Halifax and Yarmouth, and the popular parlor car service will be maintained between Yarmouth and Truro along this season.

The daily Express trains, known as 95 from Halifax and 96 from Yarmouth will continue on present schedule, i.e., daily except Sundays.

Tickets and stateroom accommodations can be secured at City Ticket office of the Dominion Atlantic Railway, 177 Hollis Street, or any Dominion Atlantic Agent.

Council Endorses Move to Form Department of Municipal Affairs in Nova Scotia Government

Among correspondence dealt with by the Town Council at their meeting on Monday night was a communication from the secretary of the Union of Nova Scotia Municipalities, dealing with the proposal of the formation of a Department of Municipal Affairs in the Provincial Government. The letter asked the approval and support of the Digby Town Council in advocating this measure.

After some discussion of the matter in which was discussed the service such a department would be to the town and county Councils a resolution was unanimously passed endorsing the idea. The resolution is as follows:

"RESOLVED that this Council of the Town of Digby hereby places itself on record as being in favor of a Department of Municipal Affairs in the Government of Nova Scotia and that the Union of Nova Scotia Municipalities should be consulted as to its organization."

FRIDAY JULY 1, 1927

On Observing the Holiday

Considerable indecision prevails in the minds of many store keepers as to the proper manner of observing the holiday. To close or not to close. That is the problem. To close means to lose some business, perhaps to offend some customer, and certainly it means that those who come to town for the day will be prevented from enjoying the pleasure of spending their money, which is, perhaps, the most fun of all that can be enjoyed.

On the other hand, Dominion Day is a legal holiday, set aside by

proclamation as a day of public celebration and stores should be closed. If the Mayor was so minded he could order the police to see that all stores closed on that day. Such action is not, or should not be necessary.

It is hardly fair on the other hand that the business men who are giving their time and means towards making the day a success should do so for the benefit of others, only. Some stores will be closed because their proprietors are out for the day acting on the different committees and helping to make the sports a success. Others will be closed just because it is a holiday.

Some stores will be open. Candy stores and ice cream parlors, especially will do a rushing business on the day, restaurants and hotels will cater to the crowds and taking all things into consideration it is pretty hard to say whether business houses should close or stay open on the holiday. It is a matter which the storekeeper will decide for himself.

It was on the first day of January 1870 that the firm of J. F. Morse & Co., first started in the tea business, and ever since that day they have been supplying the people of the Maritime Provinces with the best quality of tea that the world produces.

Entire poultry flocks have been destroyed by infestation of chicken lice and mites. They always retard the growth and decrease egg production. Fly-Tox kills chicken lice and mites. Spray lightly under feathers of grown fowls, on walls and in nests of chicken house. Do not spray baby chicks. Simple instructions on each bottle (blue label) for killing ALL household insects. Insist on Fly-Tox.

First Draft of Confederation Pact

Facsimile of portion of Sir John A. Macdonald's first rough draft of the British North America Act.

Be it therefore enacted
It shall be lawful for Her Majesty with the advice of Her Privy Council to declare, (in authorizing the Governor General of British North America to declare) by Proclamation that the said Provinces of Canada, Nova Scotia and New Brunswick upon from and after a certain day in such Proclamation to be appointed, which day shall be within Calendar Month next after the passing of this Act, shall form and be one United Dominion the name of "The Kingdom of Canada" and hereafter the said Provinces shall constitute and be one Kingdom under the name aforesaid upon from and after the day so appointed as aforesaid.
The Executive Government of the said Dominion shall be vested in Her Majesty the Queen her Heirs and Successors

Golden Russets Proof Against Frost

A gift of Golden Russets, as sweet and good as any russets could be, was received by the Courier on Saturday from Mr. James Roop, of Hill Grove. Mr. Roop found them, really, although they grew in his own orchard. The way of it was this. It is planting time, and Mr. Roop is putting in a field of buckwheat. Out in the woodshed was a barrel which he thought contained seed for planting this field, but when he opened the barrel, here it was, Russets! All golden brown and nice. The frost of winter had not harmed them nor had thawing out taken from them any of their flavor.

Grace Church Sunday School Patriotic Presentation

There was a good attendance at Grace Church Hall at noon on Sunday when under the auspices of the Sunday School was presented "The Message of the Bells" in a programme in keeping with the Diamond Jubilee Celebration of Confederation. Those taking part were: Mrs. Charles Cart, Mrs. Arthur Turnbull, Mrs. Gladys Budrow, Miss Katherine Rickards, Miss Mary Holdsworth, Mr. Jabez Apple, by Jr.

At the conclusion of the program Rev. Jos delivered a short address, touching the progress for the church since Confederation and all attending were presented with Jubilee Medals, issued by the United Church of Canada, commemorating the event, and bearing on one side likenesses of Sir John A. MacDonald and W. L. McKenzie King and on the other the dates, 1867-1927.

In Memoriam

In loving memory of our dear mother Ada F. Theriault who passed away July 30 1926
Days of sadness still come o'er us
Tears in silence often flow
Memory keeps her ever near us,
Though she died one year ago.
No one knows the silent heartaches
No one only those can tell
Who have lost their best and dearest.
And have said the last farewell.
Her sons and daughters.

NOTICE

All insurance carried on by the late John Daley will now be continued by his son, A. D. Daley.

Weymouth Holds Its Own Celebration

A committee of hustlers has taken in hand the celebration of Dominion Day in Weymouth and a fine programme has been arranged for the day.

The day will start with a salute being fired by the battery at 10 00 a.m. and at ten thirty there will be a parade of floats, decorated cars etc.

At 2.00 p.m. a baseball game
At 3.30 p.m. Races

At 8.30 p.m. Motion Pictures and Fireworks display on the station grounds.

Arrangements are being made to secure a band for the day and a big days fun is looked forward to.

Mount Pleasant

Miss Margaret Smith of Boston spent a few days recently with her friend Miss Dorothy VanTassel.

Gilford Handsaker had the misfortune to fall and break his arm last week.

Fritz Porter and sister Miss Catherine of Roxville, spent last week with Mr. and Mrs. Walter VanTassel.

Miss Dorothy VanTassel and brother, Elliott also Louis Stark spent Sunday in Lansdowne.

Smith's Cove

Held over from last week:

The tourist season has opened for the summer. Among the recent arrivals at Harbor View are Miss E. C. Ogden and Miss Helen Simpson, of New York; Miss Alice Byrne and Miss M. Bernard, of Italy; Mrs. Q. Dell of Tarrytown, N. Y., and others.

Mr. and Mrs. Donald Cossaboom arrived from Boston on Tuesday day and will spend the summer with the former's parents at Harbor View.

Miss Louise Cossaboom and nephew Master John MacDonald, of New York, are spending a few weeks with Mrs. Sarah Cossaboom. Miss Cossaboom sails shortly for Bermuda, where she will visit her sister, Mrs. Fred Rockwell.

Mrs. George Odyke, and two children are guests at the home of her parents Mr. and Mrs. Minard Weir.

Mrs. N. T. Rockwell of this place has recently moved to Digby. She will reside with her daughter, Mrs. H. J. Campbell.

Melvin Elliott, of Lynn, Mass. was a guest of Mrs. Sarah Cossaboom.

The Misses Aileen Miller and Louise Rose spent the week end in Digby, guests of Mrs. H. J. Campbell.

Miss A. L. Jagger and Miss Genith Thomas have returned from Wolfville, where as delegates, they attended the W. I. Convention.

We are sorry to report at time of writing the illness of Mrs. Oakley Smith.

Sunnyside Tea Room, Weir's Home Made Ice Cream, Parlor, and The Gift Shoppe are open for the summer months.

Miss Stella Woodman has undergone an operation for tonsillitis at Digby Hospital. We are pleased to report that she is doing nicely.

Mrs. Robert Taylor, of Kentville and two sons, Laird and Robert, are guests of Mrs. John MacGuire.

A shower was tendered to Mr. and Mrs. Garfield Curtis by their many friends at Smith's Cove.

The candidates from here for Provincial Exams at Digby are Miss Helen MacGregor, Miss Lillian Adams, Miss Irma Comau and Vance Comau.

Town of Digby Diamond Jubilee Celebration July 1st, 1927

The MAYOR requests that ALL CHURCH BELLS, STEAM WHISTLES, FIRE ALARM SIREN be RUNG or BLOWN at 7 o'clock on the morning of the 1st JULY.

BY ORDER

ALFRED BODEN
Digby 21 June 1927. Town Clerk

Report of the Judges in Dakin's Bicycle Advertisement Contest

The judges in Dakin Bros. Bicycle Advertisement Writing Contest have reached a decision as to the contributions submitted to them and have handed their reports to Mr. Dakin. Miss Lillian M. Doty, of Weymouth North, is awarded first prize, Muriel Kathleen Graham wins second prize and Earl Howard Anderson third. The entry of Louise Handsaker is awarded "Honorable Mention" as being of merit.

All the entries showed the desire of every boy and girl to own a "bike" and it is apparent that all boys and girls read the advertisements which tell of things in which they are interested, for all the ads submitted were drawn up in regular newspaper style, with display lines marked and some even carried illustrations. Points were awarded on the merit of the "copy" without considering what printers call "lay out."

Following is the list of entries, the first four in order of merit and the remainder of the list at random.

1. Lillian M. Doty, Weymouth North.
2. Muriel Kathleen Graham.
3. Earl Howard Anderson.
4. Louise Handsaker.

Martin Barnes, Frank Gates, Hill Grove School; Verge Winchester; Muriel Barnes; Lillian J. Small, Central Grove School; Lois Walker; James R. Marshall, Marsballtown; Lawrence C. Dickson; Marguerite Cossett; Joggin Bridga; Carlos Fisher Connell; Frances McNutt.

DON'T WAIT FOR THE YEARS TO PROVE IT

NOW there is no mystery about paint—no more than there is about gold. 24 karat means pure gold—70-30 is the symbol of purity in paint and almost two centuries of experience have proven that nothing gives greater economy or longer wear. The years will teach you that.

Ask the B-H Dealer's advice. His own experience and our technical support, enable him to assist you. He alone supplies B-H "English" Paint, the only paint in the 70-30 quality class. You'll be pleasantly surprised too, when he tells you how little it costs to do the work with pure paint.

B-H 'English' PAINT

THERE are two standards among the White Pigments—B-H standard—White Lead and French Process—Pure Grade of White Zinc. Combined in the ideal proportion of 70 to 30, a mass of great strength is formed, producing a paint, free of the usual flaking, capacity and resistance to weather and wear.

Farwell Service In United Methodist Church

The closing Communion Service of Rev. Mr. Mack's ministry in the United Church, Bear River, was held on Sunday morning. At the service several young people were received into membership of the church. A full choir rendered beautiful and appropriate music. Mr. Mack's sermon was based on the various names given at different times and by all the christian churches to the Sacrament of the Lord's Supper. He gave a very interesting and inspiring address on the meaning of the several names.

In the evening the Bear River Baptists paid a graceful tribute to Mr. Mack by closing their church and attending his farwell service in a body. Rev. Mr. Barras assisted at this closing service, and again the choir gave a special musical program. This was most fitting as the size and excellence of the choir is entirely due to the untiring efforts of Mrs. Mack during her years in the congregation. Mr. Mack spoke briefly and feelingly of the happiness of his relations here during his pastorate. At the close of the service Mr. Joseph Langley stepped to the platform and when he had summoned Mrs. Mack from her place in the choir, he read an address of gratitude and appreciation to Mr. and Mrs. Mack and in the name of the congregation presented them with a gift of money.

Mr. and Mrs. Mack left on Wednesday for Hebron their new pastoral charge.

Deep Brook

Dennis B. Wright returned home on Friday from Bear River where he spent the week at the Academy as Provincial Examiner.

Miss Emma Mullock who has been teaching here left on Monday for her home in Bridgewater.

Courtney Purdy spent last week in Bear River writing his grade 12 exams.

Miss Alma Rice and Miss Doris Higer spent last week in Bear River writing their grade 10 exams.

Miss Vera Hiesler has been engaged as teacher for the coming year. Miss Hiesler is a grade 4 teacher.

Mrs. D. B. Foster of Middleton spent a few days last week guest of Mrs. Louise Clements.

Mrs. Robie Beals and two daughters Margaret and Kathryn returned to their home in Middleton after a pleasant week spent with Mrs. Margaret Page and Mrs. Abner Woodworth.

Miss Gertrude Curtis of Boston is spending her vacation with her mother Mrs. Wm Curtis.

At St. Clements Rectory Clementsport May 16, 1927 Garfield Henry Curtis of Deep Brook and Lorena Buchanan Hill of Smith's Cove were united in marriage by Rev. A. W. L. Smith. They were attended by Miss Emma Mullock and Mr. Wilfred Marsters. A very pleasant evening was spent at the home of Mr. and Mrs. John McIntire of Smith's Cove, grandparents of the bride on June 20th when a shower was given Mr. and Mrs. Curtis. Their many friends extend congratulations.

Local and Personal

Miss Catherine Marshall left on Monday for West Dresden, Maine, where she will be Craft, Councilor at Camp Wachitsee for the summer. Mr. A. B. Marshall accompanied his daughter to Saint John and returned home on Thursday.

Bernice Porter and little daughter, Miss Peggy, of Saint John, spent the week end with Mr. and Mrs. Alfred Porter.

St. John's Guild met Tuesday at the home of Mrs. Harrow and was the last meeting of the Guild until the fall.

Mrs. Addie Moore who has been visiting Mrs. Hubbard for ten days returned to Weymouth on Monday.

Mr. and Mrs. H. C. Anthony motored to Weymouth on Sunday.

Miss Katherine Burgess, of Edmundston, N.B., is visiting her aunt Mrs. E. F. Bowers at Victoria Bridge while enroute from Mount Saint Vincent Academy at Halifax.

Miss Mary Romans returned home Friday from Mount Saint Vincent Academy where she successfully passed her "B" exams and was the winner of the gold piece for the highest aggregate in the B. class.

Margaret Purdy arrived home on Tuesday to spend her vacation with her parents, Mr. and Mrs. Harry Purdy.

Rev. and Mrs. Swenden and their three children arrived from Saint John on Thursday to take up his pastorate in the United Church.

Miss S. M. Henniger arrived on Saturday to spend the summer in her cottage here.

Mr. Snow and Mr. Wildo arrived on Tuesday for a two week visit with their families who are summering here.

The Misses Ruth A. Eckhart, Ruth E. and Amy Henricks, Lilian M. More, Desirée Delcroix and Mildred More of New Orleans, were the week end guests of Mrs. George Croshaw.

Mrs. Wendell Chute and two children, of Dorchester, Mass., arrived home last Tuesday for a two weeks visit with their parents, Mr. and Mrs. C. H. Harris.

Obituary

JAMES R. VROOM
At Deep Brook, Annapolis Co., Friday June 24 James Robinson Vroom, passed away aged 84 years.

He was the last surviving member of the family of the late Henry Elizabeth (Purdy) Vroom. He was of the Empire Loyalist Stock and had spent his entire life in Deep Brook. For over thirty years he connected with his Majesty's Mail Service. The deceased was a member of St. Matthews church and a charter member of the Loyal Orange Lodge. He was twice married, two daughters survive by the first union and by the second marriage one daughter and one son.

The funeral service was held on Monday June 27 at St. Matthews church, conducted by Rev. A. W. L. Smith. The united choir sang "Peace Perfect Peace" Thy Will Be Done and "Son of My Soul". He is survived by his wife and four children, Mable, Mrs. Frank Jones of Providence, R. I., Bessie, Mrs. John McCullough, Waltham Mass., Robert J. and Mary Elizabeth at home. The pall bearers were Robert Caffrey, Norman Sulis, L. E. Sherman, Garnet Harris, Frank Dittmar and Carl Nichols.

Interment took place in St. Edwards Cemetery, Clementsport. The bereaved family have the sincere sympathy of a very large circle of relatives and friends.

Mrs. Thomas and daughter, Miss Edna arrived on Wednesday and will remain the summer the guests of Mrs. George Croshaw.

S. F. Spring, of Boston, and Martin Robie, of Wilton, N.H., arrived on Tuesday and will be guests at the Grand Central for about three weeks.

Mr. and Mrs. Vivian Harris and child who have been visiting Mrs. Harris' brother Stewart Darres, left by motor on Tuesday for their home in Union, Maine.

Mr. and Mrs. Tom Fortier and children, of Annapolis Royal, were guests on Sunday of Mr. and Mrs. Wilson Jefferson and Mr. and Mrs. Robinson.

Here and There

Platinum produced in Canada in 1926 totalled 9,521 fine ounces, or an increase of 1,000 over the year before, according to the Dominion Bureau of Statistics.

Dr. H. M. Torg, Chairman of the National Research Council, announces a discovery of great scientific importance in rust prevention, emanating from the Dominion Rust Laboratory. A more definite announcement is due shortly.

Canadian tobacco has been awarded a silver medal for "outstanding excellence" at the International Tobacco Exhibition held at Olympia, London, England, according to word received by the Department of Agriculture.

Fifteen Austrian families are about to take up land in the Okanagan Valley, near Kelowna being the first group to take up land in British Columbia under the Canada Colonization Association, a subsidiary of the Canadian Pacific Colonization Department.

Canada leads all nations in increased trade since 1912 according to statistics compiled by the National Foreign Trade Council of New York City. The increase was 85 per cent, Australia coming next with 46 per cent and the United States third with 31 per cent.

The Provincial Game Commission of Alberta announces bounties to be paid on wolves killed. \$20 for the pelts of female timber wolves, \$10 for that of males, and \$2 for adult and pup prairie wolves taken before September 1st and July 1st, respectively.

Another collection of native Canadian animals has gone forward across the waters through the Canadian Pacific Express Company. It included two bear cubs, two porcupine, two coyotes, prairie dogs and marmots, two great blue herons and a collection of Canada geese, destined for the zoo at Pretoria, South Africa.

One feature of the celebration of the 60th anniversary of Confederation at Vancouver, July 14, will be the official opening of the 1,100-foot new Canadian Pacific Railway pier "B-C" on the latter date. This is the second largest pier on the American continent and is said to be the only pier in the world built in such deep water.

Canada's so-called "Barren Lands" in the Far North have been under examination for the past two years by the Royal Canadian Mounted Police. The examination was conducted by the University of Copenhagen, in the employ of the Dominion Government, for the purpose of ascertaining the value of this vast territory for accommodating reindeer.

According to the latest information given out by the Canadian Pacific Railway in connection with the proposed new Toronto hotel, additional land has been purchased bringing the frontage on Front Street up to nearly 600 feet. It has also been stated that the new C.P.R. hotel will be 20 stories, or more in height. The site of the proposed structure is directly opposite the new Union Station, the land being occupied at present by the well-known Queens Hotel.

Don Salvador Castello, who will lead the Spanish delegation to World's Poultry Congress to be held in Ottawa from July 27th to August 1st, has notified Congress headquarters that the representatives from this country will arrive in Canada on July 23rd or 24th. The Spanish live bird exhibit will reach Montreal on July 21st or 22nd. The party is sailing from Cherbourg on the C.P.R. liner "Montreal" on July 14th.

Don Salvador Castello states he believes the Spanish National Exhibit will be one of the most remarkable staged at the Congress Exhibition.

The Idea of Confederation

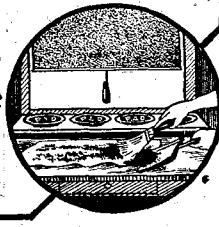

Who first conceived the idea of linking together in a strong and permanent union the scattered colonies of British North America, it would be difficult to say. Probably like a good many other important movements, this idea of Confederation was a gradual growth, summing in the minds of a few men of vision until the time was ripe to make it a reality. Most people are inclined to associate it with the Fathers of Confederation, but the idea is much earlier than that day. They, however, took hold of it and trimmed and fashioned it into a practicable scheme.

Of the thirty-three Fathers of Confederation, perhaps seven may be regarded as the governing minds. These were the actual Fathers of Confederation—Macdonald, Cartier, Galt, Tupper, Brown, McGee, Tilley and it is probable that Galt, although little is heard of him to-day, should rank high even among these. Without the influence and

There is only one way to kill all the Flies

When Using WILSON'S FLY PADS
READ DIRECTIONS CAREFULLY AND FOLLOW THEM EXACTLY

This is it—Darken the room as much as possible, close the windows, raise one of the blinds where the sun shines in, about eight inches, place as many Wilson's Fly Pads as possible on plates (properly wetted with water but not flooded) on the window ledge where the light is strong, leave the room closed for two or three hours, then sweep up the flies and burn them. See illustration below.
Put the plates away out of the reach of children until required in another room.

The right way to use Wilson's Fly Pads

8. Right Hon. Wm. LYON MACKENZIE KING, C.M.G.—Dec. 22, 1921 to June 29, 1926, and Sept. 23, 1926 to present.
9. Right Hon. ARTHUR MEIGHEN—July 10, 1920 to Dec. 29, 1921, and June 29, 1926 to Sept. 23, 1926.
10. Right Hon. SIR WILLIAM LORRINE—July 11, 1896 to Oct. 6, 1911.

enthusiasm of Cartier it would have been impossible to persuade French Canada to consent to the union; Brown ensured the support of the influential Reformers of Upper Canada; Tupper and Tilley won the Maritimes; McGee by his eloquence swayed the Irish vote; and Macdonald's inimitable leadership piloted Confederation through countless difficulties; but it remains true that without the farsightedness and enthusiasm and constructive mind of Alexander Galt it is very unlikely if the Dominion would have been celebrating its Diamond Jubilee.

Galt saw years before his association, that a union of all the provinces was the only solution of the problem, the only way out of the political tangle: which every year was becoming more hopeless. He took the idea of Confederation and with infinite care, built it up into a complete and practicable scheme. The practical politicians of his day were inclined at first to laugh at him and to brush his plan aside as an impossible dream, but in the end they were forced to admit that it was not only practicable but the only road to peace and security. Galt not only developed the scheme of Confederation, but he, more than any other man, prepared the public mind to accept it. In season and out of season he talked Confederation and although no

spellbinder, his clear logical mind, his complete faith in the idea, and the confidence that people had in his integrity, won the support of citizens who otherwise might have regarded the union of the provinces as a mad and dangerous experiment.

Without questioning for a moment the debt that Canada owes to the genius Macdonald, in steering the ship of state through the rocks and whirlpools of party, racial and provincial jealousies and misunderstandings into the harbour of Confederation, it is only just to Alexander Galt to remember that he, above all others, sowed the field that Macdonald reaped. Macdonald was a shrewd and cautious statesman. He had no faith in rash experiments. He knew that the wise and successful politician led the people the way they were already inclined to go. Macdonald was indeed the captain of Confederation, but Galt was its prophet.

Altogether before and after Confederation, Alexander Tilloch Galt gave nearly sixty years to the service of his country. He lived to see its weak and scattered provinces welded into a powerful and ambitious Dominion. A man of rare personal charm, modest and unassuming but with a quiet dignity that commanded respect, he had the genius of his family for finance and colonization, and was a master of diplomacy. It is only right that Canadians should remind themselves that they owe a debt of gratitude to this man whose constructive vision and untiring effort were devoted largely to the creation and upbuilding of the Dominion.

Will Repair Sewers at Owners Cost

Complying with the suggestion of the Medical Health Officer, Dr. DuVernet, the Town Council will undertake putting in proper shape all sewers leading into the harbor along the water front. Formal requests to property owners to have this work done was issued some time ago, and because of failure to comply with this request the Town Council on Monday night passed a resolution ordering the work done by town employees, and the costs to be charged against the proprietors concerned.

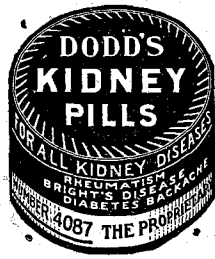

Appointed Common Trustee

At the meeting of the Town Council on Monday night Mr. A. D. Daley was elected Common Trustee to succeed his father, Major John Daley, deceased.

Thousands of Summer Tourists Will Read The Courier

Believing that our summer visitors will enjoy their visit here the more if they are made acquainted with what is going on and with our community life, the management of the Courier has made arrangements for compimen ary distribution to guests at summer hotels and bungalow colonies of upwards of one thousand copies of the Courier each week during the tourist season. The first extra tourist issue is being circulated each week and through the courtesy of the managers of the hotels our visitors will have The Courier served up with their breakfast on Friday mornings all through the summer. We hope they will enjoy its coming and through its news and advertising columns become better acquainted with what we have to offer in hospitality and entertainment.

This is our idea of community

Stop Dust

End the danger to health, the discomfort, the destruction it causes to roads.

Sprinkle Carco Calcium Chloride on highways, private drives, tennis courts. It grips where it falls, doesn't scatter, won't wash off.

No bad qualities like oil, better than water and cheaper in the long run.

The Carrite Co.

Saint John Halifax
Factory at Coldbrook, N. B.

service, a tourist development proposition which will make of our occasional guests boosters for Digby, and in every way it helps to make their stay among us more enjoyable, is a step in the right direction. We do not feel, and do not want our summer guests to feel, that their presence is only appreciated for the profit we make out of them. If their stay in our community was not enjoyable, then we would not expect them to come again, but we do hope that they will, and in the hackneyed phrase "bring their friends."

Culloden

Mr. and Mrs. David Peters and Mr. and Mrs. Gardner, Peters and children, of Culliverns Cove, were guests of Mr. and Mrs. William Da'ey on Sunday.

Gordon Ellis and Gene Adams, of Bay View, were the guests of Mrs. Otis Middleton on Sunday.

James Ross spent the week end with relatives in Bay View.

Louise Hainspiker has returned home from school in Digby.

The lobster fishing is over and the men report a very poor season.

Port Wade

Miss Myrtle Prosser, of Kemptville, Yr. Co., who has been the guest of Mrs. Ralph Hayden for the past week, went to Bridgetown on Tuesday.

J. G. Reed left on Saturday morning for a motor trip to Musquodoboit, where he will spend the summer.

Sch. "Valdaire" Capt. Keans sailed on Friday evening with a cargo of lumber for Booth Bay, Maine.

Miss Theta White left for Yarmouth on Thursday where she expects to remain during the summer.

Mrs. Vandora White and daughter Mildred are leaving on Saturday for Deep Brook.

Arthur Hayden arrived home from Lynn, Mass., on Saturday to visit his parents, Mr. and Mrs. David Hayden.

Miss Sarah Pitts, of England, is visiting at the home of James Munsell.

Sch. "Bonhomie", Capt. Clarke sailed from here this week with a cargo of hard pine for Halifax.

Capt. and Mrs. Joseph Snow with Mr. and Mrs. Lindstrom, Digby, motored to Port Wade on Sunday and were guests of Capt. Hayden.

Mrs. Edward Keans returned on Friday last from a four weeks visit in Boston and Connecticut. On her return she was accompanied by her nephew Edward Spencer, and Mrs. C. A. Keans, both of Everett, Mass.

Confederation and After— Sixty Years of Progress

SIR CHARLES TUPPER

The 'War Horse of Cumberland' was for years the political designation of Charles Tupper, and his whole career was one of strenuous activity and aggressive politics. Along with Joseph Howe he stands as the most conspicuous figure of the Maritime Provinces. Tupper lacked the fire and passionate ap-

peal and the poetic and eloquent inspiration of Howe, but he had a great platform strength and his driving power was superior. His contest with Howe, the great Liberal leader in Nova Scotia and therefore invincible, in which the latter suffered his first defeat, in 1855 was long known as the "battle of the giants."

Of English extraction through United Empire Loyalist descent, the late Sir Charles Tupper was

born in Amherst, N. S., in 1821 and despite his career of almost inordinate activity and stress and strain, he lived to be 94. His early life was a hard struggle, but with characteristic indomitableness he successfully graduated at Edinburgh University as an M. D., in 1845 after which he settled down to practise in his native town. His great ability and decided turn for public affairs brought him very quickly into prominence, and the

"little Doctor" as he was familiarly known, in the thick and front of the fight from the time he first donned his "coat of Mail". Quick to discern the weak points in the policy of the old-line Conservatives he drew up a program having a more comprehensive and progressive view of affairs. As a consequence he attracted to himself the moderate men of both parties, or in other words completed a new political alignment and became the acknowledged leader.

In 1864 he was chosen Premier of Nova Scotia. That was the year in which Confederation took root. Not only did he bring his province though unwillingly enough into Union, but he took a leading part in framing the terms of the B.N.A. Act, and afterwards in England in defeating opposition and settling the final draft with the Imperial authorities, and even succeeded in inducing his great rival, Joseph Howe, to join the Government of Sir John Macdonald after

Confederation. For his services he was created a C.B. On the formation of the first government, in view of certain difficulties arising in other provinces he declined to accept a portfolio. He was, however, sworn in as President of the Council in 1870, and in 1873, when Sir John's Government resigned, was Minister of Customs. Then came the dark days of opposition and Tupper was a source of great strength to his leader, being at once his chief lieutenant, adviser and or-

ganizer. To his activities and power of oratory much of the success of Sir John's National Policy in 1878 was due.

After the elections Sir Charles became Minister of Public Works, and as such he organized the Department of Railways and Canals, of which he was the first minister. In that capacity he accompanied Sir John and Sir Leonard Tilley to England on a memorable visit, the result of which was the bargain with a syndicate to build the C.P.R.

In the spring of 1884, his work of piloting the C. P. R. on its somewhat adventurous career to prospective success completed, he was appointed to the office of Canadian High Commissioner. At the invitation of Sir John Macdonald in 1887, he returned from England, accepting the position of Minister of Finance, which he held for about a year and again assumed office in London, where he remained until called back as Secretary of State under Sir Mackenzie Bowell. In a few months he succeeded as Prime Minister, on the eve of the elections of 1896.

The fortunes of the Conservative Party, through internal cabinet dissensions and from other causes, were at a low ebb and despite his former prestige, his swaying power and almost unparalleled efforts he went down to defeat.

In opposition, as leader, he displayed not less vigor of debate, not less courage, and not less determination to win, but age and the rising star of Sir Wilfrid Laurier were too fearful odds against him, and at the end of his term he retired, his remaining years being devoted to his private interests and to the preparation of his reminiscences.

CLASSIFIED ADS

Special Notice

I am pleased to inform my customers and the public generally, that I have been very fortunate in securing the services of Mr. William Kaiser, the renowned hand sewed workman, who is no stranger to a number of Digby people as he formerly worked here some years ago.

Lots of people who wear fine footwear object to have the tape nailed on, but would rather pay the difference in the cost and have them sewed on, clearly showing that they belong to the wise ones the best is none to good for them.

My desire is to keep up the reputation of this shop as formerly run by Mr. G. H. Holdsworth for a long number of years, using good work and findings, and above all first class workmanship.

It Rid the System of Rheumatism

Lasting relief was obtained when the uric acid poisons were cleaned from the system by Dr. Chase's Kidney-Liver Pills.

After all there is nothing like Dr. Chase's Kidney-Liver Pills to get rid of the poisons in the system which cause pains, aches, lumbago and rheumatism. Dr. Chase's Liniment affords relief from the pain, but to get rid of the cause it is necessary to go deeper and regulate the action of kidneys, liver and bowels.

Mrs. Ada Kipende, Drayton, Ont., writes: "Two years my husband suffered from rheumatism. He tried treatment from many doctors, but received little relief. He also tried several remedies recommended, without avail. Two years ago after he had been unable to move or turn in bed for several weeks, a neighbor came in and recommended Dr. Chase's Kidney-Liver Pills. I went down and purchased a box of these, which seem to have entirely relieved him, for he has never had an attack since. I take great pleasure in recommending these pills to anyone suffering from rheumatism."

Dr. Chase's Kidney-Liver Pills—35 cts. per box, all dealers, or The Dr. A. W. Chase Medicine Company, Limited, Toronto, Canada.

SHERIFF'S SALE

1926 "A" No. 2283
IN THE COUNTY COURT
For District No. 3
BETWEEN:
PETER LeBLANC Plaintiff
—and—
LEONARD MALLETT Defendant

TO BE SOLD AT PUBLIC AUCTION by the Sheriff for the County of Digby or his Deputy, at the Court House at Digby Nova Scotia, on

Tuesday, the 12th day of July, A. D. 1927.

at eleven o'clock a. m. under execution issued on a judgment recovered herein by the Plaintiff against the Defendant herein on the 28th day of May A. D. 1926, and duly registered in the Registry of Deeds at Weymouth in the County of Digby on the 28th day of May 1926, unless before the day of the sale the amount due the Plaintiff herein with costs and expenses shall be paid to the Plaintiff or his solicitor.

All the estate, right, title, interest, claim, property and demand of the herein Defendant, Leonard Mallett and of all persons claiming or entitled by, from or under him at the date of the judgment herein, and at any time since, of, in, to and out of:

(1) All that certain lot, piece or parcel of land situate, lying and being at Salmon River in the County of Digby near the corner of Pleasant Cove Road and bounded and described as follows: On the East by lands of Timothy Melanson, on the South by lands of Oliver Deveau, West by the Post Road North by lands of Robert Deveau and Simon Deveau and being the home-stead premises of the late Archangel M. Deveau.

(2) All that certain lot, piece or parcel of land being at the rear of Salmon River aforesaid and bounded and described as follows: On the East by lands of Philip Deveau, on the South by the cross-road, on the West by lands formerly owned by Nathan Powers and on the North by lands of the heirs of the late Thomas Foley.

(3) All that certain lot, piece or parcel of land situate lying and being at Salmon River aforesaid, bounded on the west by the Post Road, on the North by lands formerly owned by Catherine Collette, on the East by Barreux, on the south by lands of the late Michael Deveau.

The said three above described lots being part of the land conveyed to the said Leonard Mallett by Archangel M. Deveau and wife by Deed dated the 2nd day of March, A. D. 1910 and duly recorded in the office of the Registry of Deeds for the County of Digby on the 8th day of March, 1910 in Book 101 page 330.

Together with all and singular the buildings, woods, ways and waters, watercourse, easements, privileges, hereditaments, and appurtenances to the same, belonging or in any wise appertaining.

TERMS:—Ten per cent deposit at time of sale, remainder on tender or delivery of Deed.

His first wife, who was Miss Denton of Little River, died 35 years ago. His second wife, the widow of the late Captain Nelson Crowell survives him as do, (1) sons and two daughters. The sons are Arthur L. of Bay View, Arnold (1) Sandy Cove, and Guy of Digby. The daughters are Mrs. Vera Weir, Montral and Mrs. D. G. Dakin, Medford, Mass.

Obituary

EDWARD BARTEAUX

At his home in Deep Brook, Annapolis Co. Thursday June 16th Edward Bartheaux passed away after a brief illness aged 79 years. Over thirty years ago Mr. Bartheaux bought the Bishop Courtney property and moved here from Annapolis Royal with his family. A very large funeral service was held at his late home on Saturday afternoon conducted by Rev. W. G. Hisler, pastor of the Baptist church. The choir sang "Abide With Me", "What a Friend we Have in Jesus" and "Rock of Ages".

He is survived by his widow and four sons. Herbert and Sebra at home, John in the Canadian West and Edward in Massachusetts. Their only daughter, Josephine passed away about two years ago.

Interment took place at Clementsport. A very large circle of relatives and friends extend sincere sympathy to the bereaved family.

MRS. LUCINDA THERIAULT

Lucinda, relict of the late Thyson Theriault, of East Ferry, died Monday, of last week, after a lengthy illness, at the advanced age of 91 years. She was a Miss Finnigan, of Long Island, and 74 years ago became the bride of Thyson Theriault and moved to East Ferry where her husband died only two years ago. For years, until advancing age made it impossible they kept what was locally known as an "open house"—the one home in the village where the traveller, no matter whether tourist, commercial man, agent or pedlar, was always made welcome and entertained. Hundreds of people knew them and a great many even today can look back with pleasure on their stay in that hospitable home. She leaves to mourn their loss, seven sons and daughters, as follows: Lizzie, wife of Engine Driver, Harry Ward, of Yarmouth; Addie, wife of Capt. W. H. Saunders, of Lynn, Mass., (formerly of Sandy Cove); Maud, wife of Sinclair Walker, of Port Maitland; Effie, wife Joshua Teed, of East

Ferry; Leonard and Holand, in East Ferry, and Fred in Massachusetts.

Death of Thomas Jenkins Woodman

There died on June 21st at his home in Conway, in his 89th year, Thomas Jenkins Woodman, highly respected citizen. The funeral services were held Thursday with Rev. F. E. Bishop, pastor of United Baptist Church, Digby, officiating. Interment was in Hill Grove cemetery.

Mr. Woodman was twice married, his first wife being, Mary, daughter of Abram Cavil, Esquire, and his second wife, Mrs. Mary VanBuskirk, of Bloomfield, who predeceased him a few years ago. By his first marriage he had two sons and four daughters, Frank, Conway; Archibald, Edmonton; Mrs. Ella Kineally, Warne Beach, Washington; Mrs. John Hill, Waltham; Mrs. James Woodman, Conway; Mrs. Fletcher, Victoria Bridge.

In his address at the service Rev. Bishop spoke feelingly of the life long devotion of the deceased and referred to his service as trustee of Hill Grove Baptist church, setting forth the example of Godly life which the deceased had led before men and which would win for him his heavenly reward.

CHARLES ADAMS

The death occurred Monday night, June 13th of Charles Adams aged 81 years, after an illness of about two months.

The deceased was the oldest citizen of Bay View, but his gentle, loveable disposition kept him young and he was greatly esteemed by all who knew him. He was an active worker in the church and Sunday School. Sunday after Sunday walking to the "little white church on the hill" and teaching the young people the truths from the Bible.

He is survived by his wife and five children, all of whom were with him when he passed away. Charles Burroughs of Montreal; Frank E. of Rowley, Mass.; Mrs. Aubrey Bowles of Waterville, King's County; Loran A. and Mrs. James Ellis of this place all of whom mourn their loss of a kind husband and father.

The funeral, on Thursday afternoon was largely attended and the beautiful flowers showed the love that so many held for "Uncle Charlie". The services were conducted by Rev. J. Appleby, who spoke very lovingly about the "brother he was laying to rest."

Our sympathy goes out to the bereaved family but their loss is their gain.

Death of Captain Daniel James Morehouse

The funeral of the late Daniel James Morehouse, retired Master Mariner, of Sandy Cove, who died on Tuesday in his 73rd year, was held on Wednesday afternoon with interment in the Sandy Cove Anglican cemetery. Rev. F. Bryant, of Little River conducted the service and was assisted by Rev. Morris Taylor, of Weymouth, North.

Born in 1854 a son of James and Elizabeth Morehouse, Captain Morehouse early followed the sea, becoming Master Mariner and sailing to all seas in command of sail and steam. He retired some years ago and settled down in his old home at Sandy Cove.

His first wife, who was Miss Denton of Little River, died 35 years ago. His second wife, the widow of the late Captain Nelson Crowell survives him as do, (1) sons and two daughters. The sons are Arthur L. of Bay View, Arnold (1) Sandy Cove, and Guy of Digby. The daughters are Mrs. Vera Weir, Montral and Mrs. D. G. Dakin, Medford, Mass.

THE SNAKE EXPLAINS

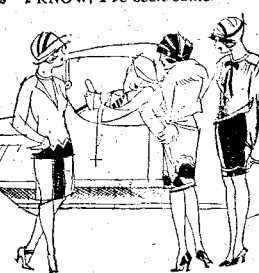

NOT NO HOW NO TIME

You might think that bringing SWEETS to the sweeties was like taking COALS to Newcastle, or HAYSEEDS to Hickville Corners—but it isn't any such animal, not NOHOW.

They like it, and if you don't do it they don't like you, and that's the MILK in the COCOANUT—and that's no wise crack, either.

Start now, and start right—if you bring GANONGS you're sure going to be the candy kid with the fairy belles—1 KNOW, I've seen some.

Community Jubilee Service

At Court House on Sun-
day Afternoon

The Community Church Service
in commemoration of the Jubilee of
Confederation will be held, if the
day be fine, in front of the Court
House on Sunday afternoon, com-
mencing at two thirty o'clock.
The clergy of the town will take
part in the service and the singing
will be led by massed choirs under
direction of Mr. Alfred Boden. An
instrumental quartette will play the
accompaniments.

It is requested that the members
of the various choirs endeavor to
get as closely to the steps of the
Court House as possible.

Here From Bermuda

Mr and Mrs Henry Usher, Ham-
ilton, Bermuda, who arrived on
S.S. boat from Saint John
and are registered at the Waverly
for the summer, are being welcom-
ed by their friends here, who are
glad to see them back again after
two years absence.

TALK OF THE TOWN

The monthly meeting of the
Ladies' Hospital Aid will be held
at the Court House on Wednesday
afternoon next. Special business
is to be considered.

Mr and Mrs McDonald Hollis
and daughter of Boston are guests
of Mrs Carl Eldridge at Lour
Lodge.

Station Master Lindsay Kirk-
patrick, Mrs. Kirkpatrick and Mr.
Harry Kirkpatrick, who have been
guests of Station Master George
Comeau and Mrs. Comeau, of Wey-
mouth, at their camp at Wen-
worth Lake, are expected home to-
day. On Sunday Mr. and Mrs. G.
B. Torrie with a guest, visited the
campers and enjoyed a most pleas-
ant day. Mr. Comeau's camp is
beautifully situated on an island in
the lake.

Next year being Leap Year, the
"Old Maids' Convention" will be
held in the United Church Hall on
Thursday evening July 7th. As
the capacity of the hall is limited
it is advisable to secure tickets of
admission in advance and claim
your seat at eight o'clock sharp.

Mrs. G. E. Torrie, Queen street, is
spending indefinite leave of absence
from the Hudson's Bay command
of the Canadian Air Force, prior to
leaving for Halifax to take ship to
Hudson Bay. He arrived home on
Tuesday and will be here until re-
called.

BATHING SUITS AT
WRIGHT'S.

Fishing Boats Will Race in Two Classes

A change that promises better
sport and more evenly matched
racing, has been made in the clas-
sification of boats eligible to enter
the motor boat racing event of the
Dominion Day Sports.

The event has been divided into
two classes, of bona fide fishing
boats. Class A is an open event,
in which any boat regularly engag-
ed in fishing may enter and race
for the prize of \$25.00. Class B is
restricted to boats of 10 horse pow-
er or under. The prizes are \$25
and \$10.

This change has been made to
comply with the wishes of those
desiring to enter boats and a large
number of entries is expected.

The committee in charge found
difficulty in working out a scheme
that would give every boat owner
a chance without entailing too much
loss of time in working out handi-
caps and it is hoped that it will
work out as arranged.

A Social Evening At Tiverton

On Friday evening, June 10 the
friends of our pastor and wife Rev.
and Mrs. H. H. McLeod gathered
at the home of Mr. and Mrs. Laur-
iston Small to bid them farewell.

The evening was spent with
music and social conversation in-
terspersed. At the close, a gift,
being a purse of money, was pre-
sented Mr. and Mrs. McLeod and
an address read, showing the estem
in which they were held. Al-
though surprised, both replied very
touchingly and referred to their
stay in our community and the
pleasure they had derived from
working with the people.

Refreshments were served and a
very pleasant evening spent.

A vote of thanks was given Mr.
and Mrs. Small for entertaining the
friends of the pastor and his
wife. Mr. and Mrs. MacLeod and
family left the following Monday
for their home in Wolfville, Mr.
MacLeod returning for the Sunday
service.

The best wishes of their friends
follow them as Mr. MacLeod joins
his family in Wolfville June 27.

Acaciaville

Miss Helen Bacon is visiting her
aunt, Mrs. Marsters in Deep Brook.

Misses Mildred Porter and Jose-
phine Amoro wrote their exams in
Digby last week.

Mrs. Stuart Goldsmith spent a
few days in Digby the guest of Mrs.
McPhee.

Mrs. Ainsley Marshall and fam-
ily of Imperial, Halifax Co. are
visiting her mother, Mrs. Hannah
Bell.

Mr. Bailey of S. S. Empress spent
the week end the guest of Mr. and
Mrs. William Bacon.

Miss Henshaw has returned to
her home in Waldeck.

Miss Robar of the Hill Grove
school is spending a few days the
guest of Mrs. James Roop.

We are pleased to say the follow-
ing girls were successful in obtain-
ing their Grade IX certificates,
Lucinda Westcott, Violet Wood-
man, Josie Vincent, Esther McKay,
Florence Bacon and Cynthia Wood-
man.

A very pleasant gathering took
place on Wednesday evening when
a large number of the Hill Grove
church and congregation met at
the home of Mr. and Mrs. Frank
Gates.

The evening was spent in games
and music. During the evening
Miss Margaret Vincent was pre-
sented with a leather hand bag and
a sum of money by D. C. McKay
for her faithful service as organist
for some time. Altho taken by
surprise she made a pretty reply.
Refreshments were served by sev-
eral of the young ladies.

Mrs. Charles Hinman, who has
been visiting relatives and friends in
Bear River and Lansdowne return-
ed home on Sunday.

Army Officer Transferred to New Commands

The Farewell Service of Captain Cobham and Lieutenant Dale was held in the Salvation Army Citadel on Sunday July 3. On this occasion the Male Quartette of the Digby United Baptist Church rendered some very pleasing selections accompanied by Mrs. Guy Morehouse at the organ. Their closing

piece was "God Be with you Till We Meet again."

The young officers regretted very much leaving Digby as they had made a great many friends here. Captain Cobham, who has just received his promotion from the rank of lieutenant, has been transferred to Bridgewater, while Lieutenant Dale will go to Pictou. They will be succeeded here by Captain Walker of Pictou.

Local and Personal

Mrs Letteney of Port Wade has been a guest of Mrs M. McKinnon.

Mrs Sutcliffe and son of Boston are visiting the former parents, Mr and Mrs Douglas Daley.

Mrs Thomas Wood of Canning is visiting her son, Frank Wood.

Miss Fern Adams of Bay View was a passenger to Truro on Monday to attend Summer School.

Alan Wright went to camp at Weymouth on Saturday.

Miss Olga Eldridge of Yarmouth is a guest at the home of Mrs John Wallis.

On Wednesday evening June 29th, Rev. and Mrs. Bishop were agreeably surprised by friends from Digby, Hillgrove and Culloden. The occasion was the 30th anniversary of their marriage. Hearty congratulations and good wishes were extended and on behalf of those present Mr H. T. Warne in a felicitous manner presented them with a very substantial sum of gold. The ladies served refreshments, and a pleasant hour was enjoyed.

Miss Helen Blackford left Thursday for Kentville where she will relieve Miss Dorothy Blum, V. O. N. nurse in that town.

Miss Hazel Lewis and Miss Vera Brooks of Saint John, spent July 1 with the former cousin, Mrs Paul Yates, returning to Saint John on Saturday.

Mrs. C. P. Huff of Weatherfield, Conn. is visiting her sister, Mrs C. A. Morgan.

Dr and Mrs E. F. White returned to Halifax Monday after spending the last three months with the latter parent's Mr and Mrs James Ellis.

D. H. and Mrs Thurber and three sons of Watertown, Mass arrived in Digby Tuesday to occupy their bungalow on Shore Road. Mr Thurber returned to Watertown on Saturday.

Alexander Adams of Bay View announces the marriage of his daughter, Margaret Augustus to Samuel J. Burns of Somerville, Mass., at Saint John, N. B., June 27th, Rev. H. C. Rice officiating.

Mrs Ida West and daughter arrived home last week after spending the winter in Brooklyn, N. Y. with her son, Harold and family.

Mrs Gidney of Burnside Cottage and Mrs Allie Gidney, Mink Cove, accompanied by Miss Mary Ross of Vergennes Vermont, and Miss Eleanor Lawson of Jacksonville, Florida, spent Thursday in Digby.

Alton Snow, Miss Elsie Barnes and her aunt Mrs Lavers of Halifax were the week end guests of the former's parents, Capt. and Mrs Wm. Snow.

Mr. and Mrs Andrew Merkel motored from Halifax on Saturday with their children, who will remain with their grandparents during the summer vacation. Master Douglas Reardon of Halifax is a guest of Master Arthur Merkel.

Mrs Jack Culbert and son of Petersville returned home on Monday.

Mr and Mrs Ross Hallowe and son Arden returned to Saint John Monday.

Fell In Love With Digby

Mr. and Mrs. George A. Martin of Toronto, where Mr. Martin is a member of the James Fisher Advertising Agency and Mrs. Martin is feature writer for the Toronto Telegram, were visitors in Digby this week guests at the D. A. R. Hotel Pines. They fell in love with Digby.

Daughter of Mr. and Mrs. Forrest Eisner Seriously Injured in Car Accident

With her collar bone fractured, one leg broken and internal injuries which have not been determined, little Marie Eisner, four year old daughter of Mr. and Mrs. Forrest Eisner, is in Digby General Hospital in a critical condition, as the result of a car accident on Thursday afternoon.

Little Marie was playing near her home and running out from behind a car, parked near the curb was struck and run over by a large touring car. The driver endeavored to steer clear but was so taken unaware that he could not clear.

Dominion Day Celebration at Digby Greatest Event in County's History

Thousands of people, pleasure bent, weather to order for the occasion, a committee in charge that handled every detail in splendid manner and hotels, restaurants and caterers with all prepared to make the visitors enjoy themselves combined to make the Dominion Day Celebration at Digby the greatest pleasure event in the history of the town and county.

The festivities opened with the screeching of whistles, ringing of bells and general noise making, ushering in the day, and before the echoes had died away in the surrounding hills the roads leading to Digby were hidden in clouds of dust as fast moving autos sped to join in the celebration.

Marshalled by Mr. Douglas Daley and Major Denton the parade was drawn up on roads leading from the head of the government pier, awaiting the arrival of the Carleton Band on the Empress. It was a great expression of public rejoicing. First came the band, then the children of Digby schools, followed by a company of scholars from North Range school carrying their banner and then the Plympton contingent, followed by the bicycle riders and behind them a long string of decorated cars and motor, and horse drawn floats. Then came a string of private cars bringing up the rear. It took the parade seventeen minutes to pass the Post Office.

The whole length of Water street was lined with people who cheered the approach of the parade and with gay greetings and flag waving followed its progress. Such a demonstration had not been seen in Digby not even at the Armistice.

PARADE PRIZE LIST

Motor Drawn Floats—Maritime Fish Corporation; Myron Robichaud.

Horse Drawn Float—H. T. Warne; Claud Connell.

Trimmed Auto—Miss Warne; H. B. Short. Special Prize Mrs. Forrest Eisner.

Bicycles—Howard Farnsworth; Jack Nichols.

The Carleton Band simply "made the parade." Arriving on the Empress they quickly took their place at the head of the parade and played good marches. In the afternoon they played at the water sports and again at the Court House and on Saturday gave two concerts, one by the Memorial and another in front of the Waverly Hotel. Lovers of good music had many nice things to say of their playing and while here they made many friends and seemed to enjoy the trip. The son of the Bandmaster, who came as mascot was particularly popular with the little ladies of his own age and could hardly get time to eat his meals between the happy business of keeping "dates."

Starting promptly on time the water sports were run off without a hitch and provided great sport. The idea of Mr. Frank Anderson to start the events down harbor with the finishing opposite the Pavilion worked out well and gave the crowds lining the shore clear down below the Red Raven opportunity to see all of every event. The Motor Fishing Boat Race was the big event and the Class A even, between Sinclair Cann of Westport and Walden Finnegan, Freeport, was the most exciting event of the day. Twice round the course, with

the water curling from their cutwaters as they moved at highest speed, the boats were a pretty sight.

The Finnegan boat was first round the buoy on the second lap of the course but engine trouble threw her out of her stride and she lost ground, the Cann boat coming up from two lengths behind to cross the line a winner.

Following is the list of prize winners in the water events:

Double Canoe Race—C. McBride and Lewis.

Rowing Race—First C. McBride and J. Merkel; second Freeman Simms and Oscar VanTassel.

Bottle Race—Shirley Eisner and Bruce Reid, Bear River.

Boys Swimming Race—Raymond Winchester, Clyde Collins.

Girls Swimming Race—Frances Appleby; Eileen Ellis.

Log Paddling Race—Earl Anderson; Clayton Snow.

Motor Fishing Boats, Class A—Sinclair Cann, Westport, Time 35.12.

Motor Fishing Boats, Class B—Kenneth Lewis; George Porter, Time 20.30.

The Land Sports, run off on the roadway in front of the Court House were begun sharply on time. The natural grandstand formed by the embankment at the finish line was packed with people and formed a picture of living color, the gay costumes of the ladies and the flags of the children making the scene a most beautiful one. The tug of war contest between the Maritime Fish Company crew and the team from H. T. Warne's mill proved the most exciting sport of the afternoon. Evenly matched and pulling for every ounce they gave a splendid exhibition. The fishermen beat the lumber-jacks.

Raymond Winchester carried off the greatest number of wins. Entered in three events for the day. In the Swimming Race in the morning and in the 100 yard dash and the mile run he won two first prizes and one second.

The prize winners.

Tug of War—Maritime Fish Corp. team

100 yds. Dash, Boys under 16—Raymond Winchester; Vincent Snow

100 yds. Dash, Boys 16 and over—Douglas Cossaboon; James Collins

Bicycle Race—Lovett Jordan, North Range; Guy Morehouse

Sack Race—Howard Walker, Gordon Cowan

Obstacle Race—Howard Hewitt; Gordon Cowan

Hoop Rolling Race—Guy Morehouse; Roy Sulis

Half Mile Run—David Daley; Shirley Eisner, Bear River

Three Mile Run—David Daley; Harry VanTassel; Gordon Burnham

Shot Put—Arthur Robinson

Mile Run Boys under 16—Gordon Russell; Raymond Winchester

220 yds. Dash—Douglas Cossaboon; Bruce Reid, Bear River.

Mr and Mrs Wilmet Christie and children of St. Stephen, N. B. were guests last week of the latter's parents, Mr and Mrs W. H. Farnham. Mrs D. M. Farnham and son of Irvington, N. J. are now guests at the same home.

Mrs Liggitt, who has been visiting her mother, Mrs Clark has returned to her home in Chicago. She was accompanied by her sister, Miss Adelaide Coggin, who will spend her vacation with relatives in Winthrop, Mass.

ROBERT C. MILLS
Managing Editor

FRIDAY JULY 8, 1927

Concerning Loyalty

We in Digby, in common with the people of every city and town and hamlet of Canada, have just been celebrating the sixtieth anniversary of Confederation. Flags have been flown, parades have been held, speeches delivered, and all that could be done to express the loyalty and pride of a great nation has been done. We can be proud of ourselves—and if today we have a better idea of what Canada is, if today we have a more proper conception of what has been accomplished in those sixty years of nationhood and a better ideal of Canadian Citizenship and loyalty, than all that has been done has been well done.

A lesson in civility and national pride was needed and no one should criticise the effort made to give it.

It may here be added that patriotism, national pride, loyalty and

ideals for citizenship should have their beginning in the small circle of local affairs, as we believe that Canada is the greatest nation, so should we believe that our province is the greatest province and our home country the best section of it. As we should in all things work to develop the prosperity of Canada, so should our efforts begin at home. This has not always been done, nor has it always been considered that pride of country has a place superior to pocket books. We do not deliberately disregard our duty to our country, but we sometimes forget it, and so too, do we sometimes forget that our loyalty and support is owing to those people who serve our needs and make their livelihood in attending to our wants.

The universal support which is given the Digby Hospital by the people of Digby town and Digby county is an instance of civic pride which is excellent training in the broader pride of nation. It would be impossible to measure in dollars and cents the work that is done, the time and effort that is given, to improve this necessary institution.

The Ladies Aid especially, devotes itself faithfully to the support of the Hospital and it is due largely to them and to the support given by local merchants and business people that the hospital is in such excellent standing. Such loyal support entails an obligation of loyalty. To accept the assistance of local merchants, asking their support in money, in work, in supplies, and at the same time to spend the funds collected for Digby on purchase of goods from mail order houses is not loyalty. It is anything but loyalty to the Hospital's chief supporters and is nothing but wrong. There can be no excuse for such action. Anything that the mail order house can sell the local store can supply. Perhaps not at such a price, but is not

loyalty to our own more important than a few cents? Is not consideration for those whose money earned in Digby, will be spent on the goods sold to benefit the hospital more important than the gifts of those whose contribution to the cause is a bait to lure us to disloyalty. Shall we, for the sake of a few cents lower price, or a small gift of cash, be induced to forget that the Hospital depends for its existence on the good will of the whole people of Digby? Surely not! Whoever sent for the supplies did not think what was being done and it is safe to say that such a mistake will never occur again. Our celebration of sixty years of 'Nationhood' has not been an empty gesture. When we in Digby celebrated Dominion Day, we celebrated a day that meant much for Digby and when we sang 'O Canada', in our hearts we meant it and more than that we stood on guard—not for Canada the nation, but for Canada the country of towns and cities and hamlets, and Canada for us meant Digby! That is loyalty, not lip service, not just empty boasting, but the confession of our faith, the renewal of our ideals of citizenship, and for us all patriotism, loyalty and citizenship can have their beginning in the town and country where we live and get our living.

The Summer Vacation

(From the London Advertiser)

A holiday-maker ought to come back to his work refreshed in body and mind and with increased power for the duties of life. Roughing it in the bush is excellent for those who are vigorous enough for its somewhat strenuous experience. The summer cottage is admirable for a family which includes young children. Occasionally it is found that the wife and mother are deprived of the rest they ought to have by preparing too elaborate meals without city conveniences, and sometimes by too many visitors, who forgot the additional labor which they impose upon the hostess.

Municipal Golf Courses

(From the Ottawa Journal)

Interest in public golf courses, not only as a means of providing exercise and recreation for the ever-growing army of those who like to play golf but also as a means of implementing municipal revenue, continues to grow all over the United States and in many parts of Canada.

Municipal golf courses have long since passed the realm of experiment. They are now demonstrably a good civic investment, both from a health and a financial viewpoint.

New Tusket

Miss Theresa Balcorn of Quilley, Mass. arrived on Monday and will spend her vacation at the home of her uncle, Roger Sabean.

Messrs Roy Mullen and Wilbur Sabean, motored from Waltham, arriving here Saturday and will spend their vacations at the homes of their parents.

Mrs. I. Russell Green and family of Dorchester, Mass., are visiting her parents, Mr. and Mrs. Norman Prime.

Miss Dorothy Hanksou of Weymouth spent a few days recently with friends here.

Congratulations to Mr. and Mrs. John Sabean of Dorchester, Mass., on the arrival of a baby boy! Mr. and Mrs. Sabean are both of this place.

Miss Clara Sabean is visiting relatives in Weymouth.

We are glad to report Thurston Mullen improving after his recent illness.

Mrs. Bessie Mullen spent a few days recently in Danvers.

Terrible epidemics of disease with appalling loss of life have followed the widespread distribution of flies. Please live on mice, rats, dogs and even human beings. Bedonig plague which breaks out without warning and kills thousands is one of the many diseases for which the fly is responsible. Fly-Tox kills flies. Spray gently against the fur from rear of animal. Simple instructions on each bottle (blue label) for killing all household insects. Insist on Fly-Tox. Fly-Tox is safe, stainless, fragrant, sure. Every bottle guaranteed.

SHERIFF'S SALE

1926 "A" No. 2385

IN THE COUNTY COURT For District No. 3

BETWEEN: PETER LEBLANC Plaintiff

—and— LEONARD MALLETT Defendant

TO BE SOLD AT PUBLIC AUCTION by the Sheriff for the County of Digby, his Deputy, at the Court House at Digby, Nova Scotia, on

Tuesday, the 12th day of July, A. D. 1927.

At eleven o'clock a. m. under execution issued on a judgment recovered herein by the Plaintiff against the Defendant herein on the 26th day of May A. D. 1926, and duly registered in the Registry of Deeds at Weymouth in the County of Digby on the 28th day of May 1926, unless before the day of the sale the amount due the Plaintiff herein with costs and expenses shall be paid to the Plaintiff or his solicitor.

All the estate, right, title, interest, claim, property and demand of the herein Defendant, Leonard Mallett and of all persons claiming or entitled by, from or under him at the date of the judgment herein, and at any time since, of, in, to and out of

(1) All that certain lot, piece or parcel of land situate, lying and being at Salmon River in the County of Digby near the corner of Pleasant Cove Road and bounded and described as follows: On the East by lands of Timothy Melanson, on the South by lands of Oliver Deveau, West by the Post Road, North by lands of Robert Deveau and Simon Deveau and being the home-stead premises of the late Archange M. Deveau.

(2) All that certain lot, piece or parcel of land being at the rear of Salmon River aforesaid and bounded and described as follows: On the East by lands of Philip Deveau, on the South by the cross-road, on the West by lands formerly owned by Nathan Powers and on the North by lands of the heirs of the late Thomas Foley.

(3) All that certain lot, piece or parcel of land situate lying and being at Salmon River aforesaid, bounded on the west by the Post Road, on the North by lands formerly owned by Catherine Couture; on the East by Barrens; on the South by lands of the late Michael Deveau.

The said three above described lots being part of the land conveyed to the said Leonard Mallett by Archange M. Deveau and wife by Deed dated the 2nd day of March A. D. 1910 and duly recorded in the office of the Registry of Deeds for the said County of Digby on the 8th day of March, 1910 in Book 101 page 350.

Together with all and singular the buildings, woods, ways and waters, watercourse, easements, privileges, hereditaments and appurtenances to the same belonging or in any wise appertaining.

TERMS:—Ten per cent deposit at time of sale, remainder on tender or delivery of Deed.

H. R. BISHOP High Sheriff for the County of Digby

Dated at Sheriff's Office, Digby, June 6th, A. D. 1927.

F. H. Patterson, Royal Bank Building, Yarmouth, N. S.

Plaintiff's Solicitor.

1926 "A" No. 2385

IN THE COUNTY COURT For District No. 3

BETWEEN: PETER LEBLANC Plaintiff

—and— MRS. LEONARD MALLETT Defendant

Miss Mildred Robbins was a passenger to Truro on Monday where she will be in attendance at the Normal Summer School.

Make this Test

To Find out if you need Dr. Chase's Nerve Food.—A study of these symptoms will enable you to decide.

This blood and nerve restorative was devised for use in two great classes of diseases, one of which usually develops from the other—Anemia or bloodlessness, and Nervous Exhaustion. If the blood is thin and watery, as is indicated by pallor of the lips, eyelids and gums, or if you are afflicted by some form of nervous trouble, you will find in Dr. CHASE'S NERVE FOOD the most certain means of relief and restoration. Some of the symptoms and ailments which come under this heading are: Thin blood, sallow complexion, pallor of eyelids, lips and gums, tired feelings, loss of energy and ambition, tendency to fear and anxiety, loss of breath and easily fatigued, weak heart action, loss of flesh and weight, neurasthenia, nervous prostration, nervous headache, indigestion, sleeplessness, irritability, nervousness, twitching of nerves and muscles, sensitiveness to sound and light, gloomy forebodings, loss of memory, inability to concentrate the mind.

Dr. CHASE'S NERVE FOOD is really the greatest of restoratives. By forming new red corpuscles in the blood this food treatment nourishes the starved and depleted nerves back to health and vigor. Try it when you are run down and out of sorts. It will restore vigor and energy and make you feel that life is worth living.

Dr. Chase's Nerve Food—60 cts. per box, all dealers, or The Dr. A. W. Chase Medicine Co., Limited, Toronto, Canada.

Firestone Dealers

ARE PIONEERS IN BALLOON TIRE SERVICE

Another Reason Why They Serve Motorists

Better and Save Them Money—

The advent of the Balloon Tire required an expansion in repair methods. To meet this situation Repair Schools were opened at the Firestone factories where the Firestone dealers and their repair men have been instructed in the care of tires and the use of the specially-designed Firestone Balloon Tire equipment.

In each territory throughout the country Dealer Educational Meetings have been held. These have been attended by most of the Firestone Service Dealers who have obtained the latest information regarding tire construction, care and repair methods.

Firestone Dealers are kept up-to-date on tire development and service—continually progressing and improving their ability to serve you better and save you money. See the nearest Firestone Dealer to-day and let him handle your tire requirements.

DRAGGING-DOWN PAINS RELIEVED

Woman Suffered Nearly a Year.
Lydia E. Pinkham's Vegetable Compound Brought Her Health

Moore Jaw, Sask. — "I am going to try to tell you what Lydia E. Pinkham's Vegetable Compound has done for me. I suffered very badly with dragging-down pains and inflammation, also pains in my right side over my hip and down my whole side into my leg. I had it nearly a year when I went to a doctor and he said I would have to have an operation. But my mother said to take Lydia E. Pinkham's Vegetable Compound as it saved her life years before. I took two bottles and I found I was better, so I kept on taking it and also used Lydia E. Pinkham's Sanative Wash. I have had two more children since then and am perfectly well. I used to have to lie down two or three times a day, and now I do all my housework without trouble. I always keep the Vegetable Compound in my house as I find a dose now and then helps me. I am willing for you to use this letter any way you see fit and I will answer letters. If I can help any other woman I'd be only too glad to try." — Mrs. ESTHER HIGHTON, 414 Morse Square, Moose Jaw, Saskatchewan.

— Lydia E. Pinkham's Vegetable Compound is a dependable medicine for all women.

Here and There

In addition to the Exhibition of fowl at the World's Poultry Congress at Ottawa, there will also be a large display of rabbits and canaries. Announcement to this effect was made at a meeting of the Congress Live Bird Committee, which has definitely assigned space for these added classes at the exhibition.

Thousands of citizens of Regina took advantage of the opportunity to inspect the new Canadian Pacific Hotel, Saskatchewan, opened May 21 by E. W. Beatty, Chairman and President of the Canadian Pacific Railway. This eleven story addition to the company's chain of hotels across the continent is regarded as one of the finest buildings in the west.

Canada's industrial products of today, together with a comprehensive demonstration of the progress of industry in the Dominion since confederation, will be displayed in elaborate styles at an exposition which the Produced-in-Canada Association, sponsored by the Canadian Manufacturers' Association, will stage in Montreal in August next.

This spring about 5,000 men have been placed on Alberta farms by the Alberta Government Employment Service. During the month of April and the first ten days of May 1,003 men have been given employment by O. Hanson & Company, local employment agents for the Canadian Pacific Railway. These men have been sent out on section work and to extra gangs. Of the number mentioned 778 were new arrivals from continental countries.

Ben Doudreau of Boston was a week end guest of Mr. and Mrs. Armand Saulnier.

James Melanson spent a day in Weymouth last week.

Gustave L. Comeau and family of Comeauville, were in the village one day recently.

THE BRITISH PARLIAMENT.

These Who Are and Are Not Eligible to the House of Commons.

The British parliament consists of the king (or queen regnant), the lords spiritual and temporal and the commons.

The crown virtually appoints the lords spiritual, and the peerages of the lords temporal have been created by the crown, but the members of the house of commons are elected.

Every male British subject of full age and sound mind is eligible, unless he is a peer, a member of the clergy of the Roman Catholic church, the Church of England or the Church of Scotland, a judicial officer, a holder of an office under the crown which has been created since 1705 or a pensioner from the crown.

A member of the house of commons holds office until the dissolution of parliament by proclamation under the great seal. The king summons parliament to meet and prescribes the time and place of its meeting, prorogues and dissolves it and commands the writ for the election of members to the house of commons. The present statute law exacts the meeting of parliament once in three years, but the annual voting of supplies has superseded absolute statutes.

In addition to the general elections held after the dissolution of a parliament, there are by-elections, occurring when a seat has become vacant by the death of a member, by his succession to the peerage or by his acceptance of office under the crown.

PORTER—SLAVIN

The marriage of Percy Albert Porter and Miss Mable Estella Slavin youngest daughter of Mr. and Mrs. Leonard Irvin of Acaciaville, Digby Co. was solemnized Tuesday evening at the Baptist parsonage Bear River. The ceremony was performed by Rev. Ernest J. Barrass. The bride was dressed in a pretty gown of foulard silk and carried a shower bouquet. They were attended by Mrs. Leonard Irvin and Mrs. Joseph Oliver of New York. The young couple will make their home in Acaciaville.

Tea was served at the Bear River Tennis Club last Wednesday. The hostesses being Miss A. M. Rice, Miss Blanche Purdy and Mrs. W. M. Romans assisted by Master Henry Romans.

Masonic Picnic

On July 1st a picnic was held by the Keith Lodge No. 16 at Lake Jolly which was greatly enjoyed by the members of the lodge and their families. Those attending gathered at Masonic Hall from which place they were conveyed by autos provided by various members of the Lodge leaving between 9 and 10 a.m. Lake Jolly proved an ideal spot for an outing, the juniors finding much enjoyment in fishing, canoeing and swimming while the older ones amused themselves playing quito, bridge etc.

Through the kindness of Mr. MacNaught the large cottage and one of the smaller houses were placed at the disposal of the picnicers and the use of these added greatly to the comfort of the visitors.

At noon fish chowder manufactured by the famous firm of Crymoss & Nichol was served and all were of the opinion that this was up to the usual high standard.

During the afternoon a number of contests were held in racing etc. the tug of war however between the heavy weights in one instance and the ladies in the other were the events which brought forth the most applause and provoked the greatest interest.

Quite a number returned home late in the afternoon while the majority remained for supper and returned during the early evening.

The Lodge is greatly indebted to the Digby Pulp and Power Co. through Mr. MacNaught for the use of the grounds and buildings.

Deep Brook

Miss Blanche Spurr of Central Falls, R. I. and Miss Grace Spurr of Boston arrived home last week and will spend the summer vacation here.

Miss Elizabeth Goldsmith of Central Falls, R. I. is a guest of Mrs. Howard Adams for the summer months.

Mrs. Roderis of Boston returned home last week after a pleasant month spent with Miss Margaret Jones.

Mrs. Adeline Rice of Bear River is spending a week guest of Miss Jones.

Dennis Wright and Courtney Purdy left on Monday for Sackville, N. B. where they will attend the Summer School at Mount Allison University.

Mrs. Charles Huff of Boston is visiting her father, John Henshaw.

Mr. and Mrs. George Jefferson are occupying the Onslow Berry property for the summer.

Electric Lights have been installed in both churches and nearly all of the homes in Deep Brook by the Maritime Electric Co. The work being in charge of Gordon Cossaboom of Smith's Cove.

A number from here attended the Masonic picnic at Lake Jolly on Friday.

Rev. and Mrs. W. G. Hisele entertained for the week end William Meek and A. A. Bowdon of Canning also Mr. and Mrs. S. M. Zuck and three children of Halifax.

If a vote were taken in this province as to the most popular brand of tea on the market, which brand do you think would get the largest number of votes. No doubt you would say, "why MORSE'S of course". And you would be right, for MORSE'S is still the best selling brand of tea in Nova Scotia, just as it has been for more than fifty years.

MARRIED—Lloyd Richard Handsper to Annie M. Marion Mac Donald, both of Digby were united in marriage by Rev. Fr. Graham at Annapolis Royal, June 28th 1927.

Each Test a Further Proof of Marvelube Superiority

EVEN if you were running a boat "for fun" you would be sufficiently business-like about it to see that you were not paying too-much-per-mile.

But when it is a matter of your very livelihood, you naturally want to squeeze every cent of superfluous cost out of the cost-per-mile of your boat's operation.

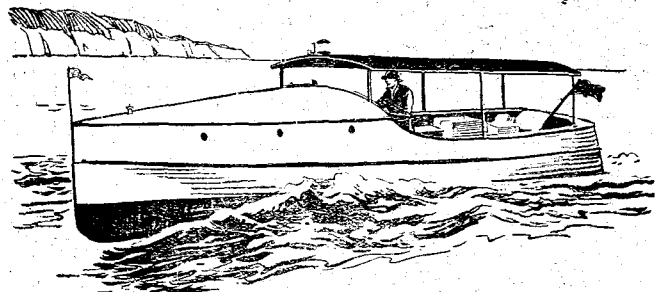

That being so, you should make a study of engine lubrication—for there lies much of the "leakage" among those who take things for granted.

Do not take lubrication "for granted"—it is too important—it has to "big an effect upon that "cost-per-mile."

Get the facts about lubrication—they will lead you straight to Marvelube—the oil that in one short year has won its way to a position of leadership among the boat owners of the Maritime.

Marvelube in the crank-case and Premier Gasoline in the gas tank—that's the combination that will give you a smooth-running, powerful engine—with the lowest operation cost you have ever known.

A Railway Safety Device

The Safety Department of the Canadian National Railways has introduced a safety device which can be installed on hand cars and motors to prevent derailment. The device consists of four metal brackets placed in front and rear of the wheels, as shown in the illustration. These are bolted to the frame of the car both horizontally and vertically.

Exhaustive tests were made with a gasoline car to which these brackets were attached, at speeds varying from ten to thirty miles an hour, and it was clearly demonstrated that these brackets held the car intact on the rails.

OBITUARY**ELEANOR SMALL**

Friends and relatives of Eleanor, only child of Mr. and Mrs. Sydney Small were greatly saddened when on June 22nd, she passed away after an illness of nine days with diphtheria, aged 6 yrs and 8 months. Many willing hands assisted, all possible in caring for her, but in spite of all done she left us for a better land.

Death took place at Gloucester, Mass., where the family moved one year ago. Her body was brought to her home at East Ferry accompanied by her parents, funeral taking place the following Sunday. Services were conducted by Rev. Harvey, of Little River.

Mr. and Mrs. Small have the sympathy of a wide circle of friends in their very sad loss.

In Memoriam

In memory of our little Eleanor who passed away June 22, 1927. Aged 6 yrs

Oh Father in Thy Mercy, Hide not thy face from our sight. Heal our hearts that are aching. For the new star in Heaven tonight.

We are told "A child shall lead them." I know that's very true. She wound herself around our hearts. And brought us nearer you.

We know that she is happy. But oh, we miss her so. And yet we must be patient. Until its time to go.

She has told God all about us, And she needs us every one. She will know us, and still love us. When our work on earth is done.

We have put away the dresses. That our darling used to wear. She will need them on earth never. She has climbed the Golden Stair.

We have put aside her playthings. Wet with Mother's pearly tears. Only God knows how we'll miss her. All the coming weary years.

There's a pair of little hands. Laid to rest forever more. And two little dimpled cheeks. Whose rich blossoming is o'er.

Death has sealed two little eyes. That will no more smile or weep. Pain has left the little body. Eleanor has gone to sleep.

Oh little feet that wandered not. We wait for them no more. For we are drifting on the tide. But she has reached the shore.

As each day passes slowly. We almost seem to see. A little form beside us. Just as she used to be.

Over shadowy miles of distance. Her voice seems to come to our ear. Then we turn away in sadness. For Eleanor is not here.

Through each day as shadows deepen. Over the pathway which we tread. We shall know that she is near us. With her love around us spread.

We can feel her touch so tender. On our brows, and hear her say "Do not grieve dear Mama, Papa. I am with you all the way."

So, with this thin veil between us. We together still will be. The time growing shorter and shorter. Till we meet just over the shore.

Sadly mourned by her parents, Mabel and Sydney Small.

W. P. Collins and son Francis and Mr. H. Beattie the Editor of the "Monitor," of Bridgetown, spent the week end with Mr. and Mrs. Thomas Gibbons of Rossville.

CARD OF THANKS

Mr. and Mrs. M. McKinnon and family wish to thank all neighbors for their kindness and help in the sudden death of their step-daughter, Vinie Cross, and hope God will reward them all.
 Mr. and Mrs. McKinnon.

Acaciaville

Miss Marion Bacon of Saint John spent the week end at her home.

Mr. and Mrs. Edward Potter of Clements were the Sunday guests of Mr. and Mrs. James Raop.

Miss Gertrude Mallett of South Range has engaged the Hill Grove school for the next term.

Aniel Nichols of Needham, Mass. has been visiting at Mr. Frank Gates.

Miss Ruth Gates returned on Tuesday from visiting friends in Yarmouth.

Quite a number from here attended the Community Service in Digby on Sunday. Jack Woodman from Charleston, Mass. is spending his vacation at the home of Mrs. Gaudy Nichols.

Miss Carry Burton of Saint John is the guest of Miss Josephine Amerio.

A very pretty wedding took place at the home of Mr. John Franklin on Wednesday morning on June 29th when his daughter, Frances, was united in marriage to Mr. Albert Kirk of Saskatoon, Sask. The ceremony was performed by Rev. F. E. Bishop, in the presence of about forty guests on the lawn beneath a floral arch. The bride was very becomingly gowned in white silk with the conventional veil and orange blossoms and also carried a lovely bouquet of roses and carnations. The bridesmaid was Miss Susie LeLong and the groom was supported by Mr. John Franklin Jr. Her niece, Helen and Doris Franklin were flower girls. A number of useful gifts were received consisting of linen, china, silverware and money. The happy couple left for Halifax on a short honeymoon. We extend our sincerest congratulations.

Culloden

Mr. and Mrs. Willy Ross of Yarmouth were the guests of Mr. and Mrs. Alex Ross on Sunday.

Otis Middleton has returned home from Saint John.

Mr. and Mrs. Herbert Daley spent Sunday in Mount Pleasant with Mr. and Mrs. George VanTassel.

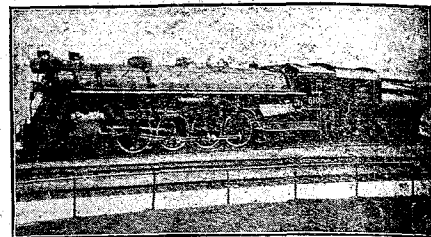

Roy Middleton spent the week end at his home here.

Miss Rhoda Handspraker spent a few days last week in Saint John visiting her aunt, Mrs. George Bain.

Miss Faye Handspraker spent a few days last week with friends in Digby.

James Trohon and friends of Digby were the guests of Mr. and Mrs. Wilfred Murphy on Sunday.

Strawberry Festival at Deep Brook Baptist Parsonage, July 12th. Come.

Canada's Newest Locomotive

This illustration depicts the new "6100" class locomotive, the latest production of the mechanical department of the Canadian National Railways. Forty of these "Northern Type" engines have been manufactured in Canadian plants for use of main line fast passenger and manifest freight service. They are 83 feet 10 1/2 inches over all. The tender has a capacity of 11,300 imperial gallons of water and 20 tons of coal. In working order the total weight of engine and tender is 638,000 pounds. Note the new position of the whistle, located on the left hand of the smoke box near the stack. This is to save the driver's ears. These engines are designed for power at speed and it is estimated that they can make 90 miles an hour with a heavy train.

Karsdale

Miss Bertha Hudson accompanied by her sister, Mrs. Bessie Williams and Mrs. Williams' son and daughter, arrived on Friday to open the old home for the month of July. They made the entire trip by auto.

M. S. Eliza Haliday is visiting her daughter Mrs. R.R. Bobaker.

Mrs. Lucy Everett is visiting friends at the Island.

We were glad to welcome one of our old pastors on Sunday in the person of Rev. C. F. Olmstead who is visiting with Mrs. Olmstead at Ansel Casey's in Port Wade. Mr. Olmstead read the script lesson in Karsdale church on Sunday and declined the invitation to preach owing to the fact he was taking a much needed rest.

The Play entitled "Aaron Slic from Pookin Crick" given by the Dramatic Club of Lower Granville, was a decided success. It was given in several places at Lower Granville Hall, Granville Ferry, Belleisle, Clementsvale Victoria Beach and Parker's Cove. Much credit is due the entire roll of actors for the pleasing manner in which the play was presented. Special mention is made of Mrs. Walter Hudson; Mrs. Albert Parker and Mrs. Reeves for the help they rendered the Club in making the play a success. The sum of \$160 was given to the C. O. F. to help complete their hall.

The Ladies gave the Canadian Order of Foresters a social evening on June 15th at the home of their Bro. Wallace Covert Jr. A very pleasant evening was spent.

Miss Nan Chipman has left for her home after teaching our school a year.

Weddings

DAKIN-HAIGHT

A quiet but pretty wedding took place at the residence of Mrs. W. Hayden, Digby, on Wednesday evening June 29th when Alma Ceretha, youngest daughter of Mr. and Mrs. Ingram Dakin, of Centreville, was united in marriage to Isaiah Haight Jr., of Rossaway. The bride was dressed in blue crepe de-chene and was attended by her mother and aunt Mrs. Alma Tiffin. The ceremony which was performed by the Rev. J. Appleby lunch was served by Mrs. W. Hayden. Then the happy couple motored to Rossaway where they propose staying for a few weeks. Later they will reside in Centreville.

Miss Beulah Durling of Weymouth is the guest of Miss Frances Mac Nutt.

EVERY WOMAN SHOULD READ

HOW "FRUIT-A-TIVES" GAVE HER NEW LIFE

MRS. J. F. RUTKOWSKA.

"For several years I suffered with severe constipation and was a nervous wreck. I had great pain in my limbs, and such terrible headaches I thought I would go crazy. I had no appetite, could scarcely eat anything without stomach distress. After reading about 'Fruit-a-tives' I decided to try them. Before I had taken three boxes I was entirely well. I sincerely think 'Fruit-a-tives' saved my life."—Mrs. J. F. Rutkowska, Tolstoi, Manitoba.

Indigestion, biliousness, headaches, nervousness, pains in the back and limbs are largely caused by allowing poisons to accumulate in the body. "Fruit-a-tives" is nature's remedy, made from intensified fresh fruit juices combined with tonics. "Fruit-a-tives" stimulates the bowels, liver and kidneys to normal action and brings about a condition of delightful health. Buy a box of "Fruit-a-tives", today. Enjoy life again. 25c and 50c, everywhere.

Here and There

Construction will be started shortly, it is announced, on the 2,400,000 bushel elevator to be erected by the Alberta Wheat Pool at Vancouver, and it is expected that the big plant will be ready to handle grain from the 1927-crop.

Twenty-three members of the Ohio Wesleyan Glee Club sailed recently on the Canadian Pacific steamship Montrose for England, where they will visit a short while before beginning a singing tour of the countries of central Europe to last about a month.

The Holy Land is to be officially represented at the World's Poultry Congress, which is announced. Dr. David Uri of the poultry experiment station in Palestine, will represent that country at the great international event to be held in Ottawa from July 27th to August 4th.

A new direct steamship service between Saint John and Havana Cuba, will likely be inaugurated from the first of September, when the potato shipments start. If the New Brunswick Government and the shippers of the province back the project, said E. E. Estabrooke of Sackville, just returned from a trip of enquiries in Cuba.

A bed which rocks its occupant to sleep has been invented by Sir Alfred Yarrow, British scientist. Sir Alfred, while travelling across Canada on the Imperial Limited some months ago, noticed that the slight sway of the train cured his insomnia. The fact resulted in his constructing the unusual bed which enables him to sleep soundly.

A new departure in the province was the recent formation of an association known as the Nova Scotia Chinchilla Raisers' Association. At a meeting at Kentville, with F. W. Foster of Day'spring president; Mrs. J. B. Barrett, of Annapolis, vice-president, and G. E. Roberts, of Grand Pré, secretary. Pelts will be marketed through the English Fur Board.

Search for the missing French aviators, Nungesser and Coli has been resumed by two Pacific News men who arrived at the C.P.R. station in Montreal recently enroute to Chicoutimi. Three of the party will form a land expedition, while the fourth will fly into the Quebec woods from Grand'Mere. They will stay in until the mystery of the fliers is cleared up.

D. Macdonnell, former Saskatoon aviator and now a leading stunt flier in Los Angeles, has written asking if the citizens of Saskatoon will provide a plane to be entered in the flight from the Pacific coast to Hawaii, which he will fly. He offers Saskatoon backers half the prize money and half any other receipts, should he be successful. The President of the Star has announced that The Star is prepared to make a substantial contribution towards the \$15,000 required. The plane would be named the "City of Saskatoon."

OBITUARY

MRS. MERCY MOREHOUSE

The death of Mrs. Mercy Morehouse occurred at her home in Centreville, Digby Co., Tuesday morning June 28, after a brief illness at the age of 88 years and 4 months.

The funeral service which was largely attended was held at her late residence on Thursday afternoon conducted by Rev. W. Ramsey, pastor of the Baptist church of which she was a member for many years.

Mrs. Orwell Outhouse and her sister Mrs. Beecher Morehouse sang a duet "God will take care of you". The sermon was appreciated and very comforting to all those present.

She is survived by six children, Amert, Mrs. Chipman Cossaboom, Waltham, Mass.; Mary, Mrs. B. C. Robbins, Centreville; Byron, of Waverly, Mass.; Warren, of Tiverton, N. S.; Bernard, of Gloucester, Mass.; Nelson, of Centreville, all of whom attended the funeral. 34 grand children, 48 great grandchildren.

Interment took place in the Centreville Cemetery and the beautiful floral offerings testified to the high esteem in which the deceased was held.

Birthday Party

A birthday party in honor of Mrs. Celestia Jane Henshaw Osborn, was held at the home of her sister, Mrs. Lillian Ayers, Waterbury, Vt.

Mrs. Osborne was born in Deep Brook, Nova Scotia, June 7, 1852, and removed to Lynn, Mass., where she resided many years but now makes her home with her sister as stated above.

Many presents were received and elaborate dinner was served with beautiful decorations. The following were present, her sister, Mrs. Hattie I. Troxell and Dr. G. Allen Troxell, Medfield, Mass.; Mrs. A. P. Butler and daughter Margaret, of Natick, Mass.; Mr. and Mrs. Byron Morse and children Donald, Ronald, Edward and Jane, all of Duxbury, Vt.; Mr. and Mrs. Trevor Ayers and daughter Grace, of Duxbury, Vt.; Mr. and Mrs. Clifford Heath and daughter Eloise, of Warren, Vt.; Miss Inez Ayers, of Duxbury, Vt., and Leow Hill, of Waterbury, Vt. All had a good time and hope to spend many more birthdays with Mrs. Osborne.

Westport

The Misses Evelyn and Mildred Denton are visiting relatives in Halifax.

Mr. and Mrs. Ralph Welch and two daughters Leona and Elaine, and Leon Henwood left Tuesday for a motor trip in the former's car.

Charles Cochran arrived from Saint John Tuesday to visit his father George Cochran.

Mrs. Albert Campbell has returned to her home in Lobe, Maine.

Mrs. S. T. Payson returned from Saint John Tuesday.

Schr. Utilla, Capt. Salter, is discharging a load of hard coal at the government pier for the E. C. Bowers Co.

Harvey Peters left Tuesday to join the Str. Arleux.

Sidney Morehouse has accepted a position on the Str. Prince George.

Mr. and Mrs. Edward Thibaut have returned to their home in Indian Head, Grand Manan.

Mr. and Mrs. Elmer Welch are receiving congratulations on the arrival of a baby girl, born June 24.

Mrs. Lloyd Denton and son Allison, spent the week end in Little River, returning home Monday.

Mrs. Randolph Cowie is visiting friends in Saint John.

Mr. and Mrs. D. B. Kenny and wife are visiting friends in Yarmouth.

Goldie and Grace Stevens who are spending their vacation at Freeport spent the week end with their sister Mrs. Albert Moore.

Quite a number from here attended the celebration at Digby the 1st.

Rev. H. H. Phinney has returned home after spending a few days with friends in Yarmouth and other places.

Mrs. Edward Coggin who has been visiting her sister at Bear River has returned home.

Port Wade

Fire destroyed the house and barn formerly owned by the late Wm. Zeigler. Later in the day some of the cinders blew across the street to the old Zeigler homestead and this also was demolished.

On Saturday Boyd Ellis and family of Shore Road, Digby, moved into the house recently vacated by Mrs. V. White.

Arthur Hayden returned on Friday to his home in Cliftondale, Mass. He was accompanied by his niece, Muriel Snow.

Mrs. Myra Coolen of Everett, Mass. with her children, are visiting her parents, Mr. and Mrs. Wm. Ellis.

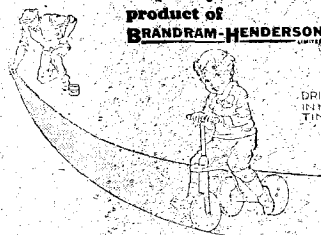

Other arrivals are Mrs. Mary McGrath of Lynn and Rev. and Mrs. C. T. Olmstead of Middleport, N. Y. The latter are visiting Mrs. Olmstead's parents, Mr. and Mrs. Ansel Casey who motored to Yarmouth on Tuesday to meet them.

Miss Elizabeth Parker of Waterbury was the week end guest of her friend, Mildred H. Robbins, Rossaway.

Town of Digby

Mayor's Office

July 4, 1927

Allow me to express my thanks to the Committee in charge of the Diamond Jubilee Celebration which proved such a success, the duties of some of its members requiring a great deal of time and trouble.

We all appreciate the assistance given us by the Warden of the Municipality.

Special mention should be made of the reproduction of a Nova Scotia Saw Mill of 1867 seen among the floats and of those who so beautifully trimmed their cars.

Mention should be made of the Chief of Police and his careful traffic arrangements.

The most important feature of the whole celebration was the wonderful Spirit of Co-operation shown by everyone connected with the events of the day.

Just two of the funny Fellows coming
to Digby with Sparks Circus, July 21

**Sparks Circus Offers All New
Acts This Season Coming
To Digby Thursday
July 21**

Charles Sparks, manager of Sparks Circus, is offering the circus-going public an entirely new programme of sensational American and foreign acts. Among the many new features listed and shown we find these sensational and versatile performers. The Alexander Troupe direct from their tour of the Keith vaudeville houses; Micaelha, "Beauty and Grace on the High Wire," will be another sensation. This daring act has been and is still the most talked of act in modern circus circles.

From foreign climes comes the Lazonos, the most daring act in the world.

The Riding Bednis Troupe direct from their New York engagement will be found among the many riding acts, also such noted lady equestrians as Myrtle Mayo Lorraine Castelli (who rides Baron) in her "Act Beautiful," the Rare-back; LaVerne Smith, riding Connie Lee; Mary Lenette Grace McCain, Mabel DeOrto, Eva Hill, Mabel Crawford, Beatrice Sills, Vivian Clarkson, Polly Watkins, Francis Thompson, and others.

Among the many wild animal acts are John Guilfoyle with his fighting lions, nine in number.

Franz Woska's Bengal tigers, LaVerne Hauser's Indian leopards.

Franz's group of Polar bears with great Dane dogs intermingling fearlessly with the bears.

Trained zebras, Captain Smith's group of llamas, Captain Joe Belovockey's rope-walking and musical seals, The Bibb County pigs, a novel feature for the "kids" from six to sixty.

Such "Funny Fellows" as Paul Wentzel, Minnet DeOrto, Charles Fortune, and thirty-five others serve you with laughs at the rate of sixty per minute.

The above mentioned are just a few of the many features on the Sparks Circus programme this season and it is coming to Digby for your entertainment on Thursday July 21. Excursion rates on all railroads.

Seats can be secured Circus day at Rexall Drug Store same price as at show grounds.

Central Grove

Carl Tibert of the Bank of Nova Scotia at Kentville spent a couple of days last week with his parents, Mr. and Mrs. C. M. Tibert.

Mrs. Leslie Powell is visiting friends at Little River.

Miss Evelyn Powell of Saint John was the Sunday guest of her parents, Mr. and Mrs. Colman Powell.

The W.M.A.S. meets at the home of Mrs. C. M. Tibert, Thursday, July 13th. Miss Goldie and Grace Stevens of Boston, spent Monday with Mrs. and Mrs. B. Tibert.

Mr. and Mrs. C. M. Tibert spent the week end at Little River.

JAEGER LACE SCARVES AT WRIGHT'S

Mrs. Eugenie LeBlanc of Comenville returned home Tuesday after spending the week end in Digby visiting her daughters, Mrs. William Theriault and Miss Rosie LeBlanc.

Rev. F. J. Singleton, pastor of St. Agnes church, Montreal, is spending his vacation with Mr. and Mrs. H. F. Williams.

NEW DRESS GOODS AT WRIGHT

Mrs. Willie LeBlanc of Little Brook left last week on a visit to her brothers and sisters in Boston and New York.

Miss Anna LeBlanc of Comenville is spending her vacation in Digby.

Children's Day Service At Baptist Church

An interesting Children's Day programme was presented at the Digby Baptist Church Sunday evening June 26, by the boys and girls of the Bible School, assisted by Mrs. Reginald Weir. The church was artistically decorated, with flowers and golden hearts, which bespoke the subject of the program. "Hearts of Gold or The Message of the Flowers". The messages were given in speech and song by the members of the school in response to the call of the white robed Angel of the Flowers, Miss Marguerite VanTassel. Mother Earth (Miss Jean Anderson), dressed in brown, surrounded by Rain and Dew (Virginia and Lovell Winchester) and Sunshine (Paul Snow) occupied a central place on the platform. Miss Helen Morehouse sweetly represented the Rose, the little ones of the Primary Department were Forest-memots, the Intermediate girls represented Daisies and the boys the Johnnie-jump-ups. A Water Lily was present in the person of Pauline Warren, apple blossoms were still blooming and gave their message through Verna Collins and Malvin Spittle spoke for the common Dandelion.

Miss Adelaide Coggins presided at the pipe organ and the program of recitations and songs was creditably carried out by the children under her direction, assisted by other teachers.

The new memorial windows, which have recently been presented to the church by the Estate of the late John Welch, in memory of his wife, Annie Welch, had been installed during the week, and added to the sanctity of the occasion.

The church was well filled and the audience expressed its appreciation of the program in the only way the Superintendent of the School said was permissible—by a generous offering.

Earle Anderson and Paul Yates acted as ushers.

Obituary

MRS. VINNIE CROSSE

The funeral of Mrs. Vinnie Crosse whose sudden death occurred on Thursday last took place Sunday afternoon in St. Patrick's R. C. church Rev. Louis Graham conducting the ceremony. The deceased was born in East Port Medway forty years ago, four years ago she moved to Digby where she has made her home with her parents, Mr. and Mrs. Michael McKinnon. She had been a sufferer for years but bore it all in silence and a sudden hemorrhage of the brain took her to the great beyond. She was loved and respected by all who knew her and her many friends showed their last respects by the beautiful floral tributes which were many. Besides a sorrowing father and mother she leaves to mourn four sisters and one brother, namely, Misses Zoah McKinnon at home, Addie McKinnon, of Lynn, Mass., Mrs. Jack Culbert, of Petersville, N. B., Mrs. Clifford Beaton, of Digby, and Joseph McKinnon, of Vulcan, Alta. The pall bearers were Messrs Wm. Agate, Sydney Melaney, Rene Rateau and Benjamin Theriault.

Floral offerings were as follows: Large wreath, Sisters; Mr. and Mrs. C. E. Walker, Spray, Capt. and Mrs. Powers; Mrs. Abbott; Mr. and Mrs. Jas. Merkle; Mr. and Mrs. Surette; Miss Rosie LeBlanc. Large bouquets, Mr. and Mrs. Stewart Raymond; Mr. and Mrs. S. Landry; Mr. and Mrs. Leigh Peck. Large bouquet roses, Mr. and Mrs. Wallace Hersey. Also several spiritual bouquets. Several floral offerings bore no cards.

Pearl Elk sport Shoes trimmed with black Chrome leather sole with low rubber heel, an ideal summer shoe at Dillon's Shoe Store \$1.00 a pair.

Again Visiting in Digby

Harry C. Robinson, Designing Engineer of the Ballard Oil Company, Worcester, Mass., was a guest at Excel Inn, Digby, several days this week while on a motor tour through the province. Mr. Robinson was in Digby nineteen years ago with the famous Worcester Board of Trade Glee Club which gave a series of concerts to packed houses in Halifax, Saint John, Digby, and several of the larger towns. They will be remembered as one of the greatest musical organizations ever heard in Digby. Mr. Robinson's party of five expressed themselves as more than delighted with the scenery of Nova Scotia, the excellence of the roads, and especially with the courtesy extended to them all through the province.

The Old Maid's Convention

One night last week there was presented in the United Church Hall a very amusing one act play "The Old Maid's Convention", in which over twenty ladies and one lone man, took part ably and well.

The costumes were beyond description in quaintness and mirth provoking styles. Every performer showed evidence of excellent and careful training and they as well as those in charge deserve sincere and earnest praise from all for their faithfulness and work in preparing so excellent a performance.

The "transforming" process was most novel and suggestive and the Professor certainly won his laurels.

There were lessons to be learned and no doubt many a forlorn bachelor buried in his mind new thoughts and took courage.

Special numbers by some of the young people displayed much rising talent in elocution and singing.

Altho the evening was one of the most disagreeable of the season a large enthusiastic audience greeted the players and the receipts were most gratifying.

We sincerely hope these same ladies will be influenced in the near future to give us again something just as good, much praise and gratitude is due Mr. Jack for his kind and efficient aid in the directing of the play.

Ready For Circus Day

Learning from the big crush of the Dominion Day Celebration, Kiley's Cafe is making special preparations to handle the Circus Day crowd. If you like good things to eat, the things you cannot get elsewhere, plan on having your meals at Kiley's, when you come to town.

Weymouth North

Among the recent arrivals at Bayside Farm are: Misses Pinton, Pelton Smith, Stowell, Conant and McMahon of Boston; Mr. and Mrs. Riley of New York; Mrs. and Miss Strickland (and Miss M. Cole of Brooklyn, Misses Annie and Margaret Eaton of Philadelphia, Mr. and Mrs. Smith of Saint John, Mrs. F. Ogilvie of Columbia, Miss N. Ogilvie of Illinois, Miss E. Fisher and Miss Bailey of Washington.

Mrs. Jennie Gaudett and son Richard and Mr. Veno of Deep Brook spent Sunday with relatives and friends here.

Miss Kay Black is a guest of her friend Miss Emily Taylor.

The funeral of Mrs. Henry Elliott was held in St. Peter's Anglican church on Tuesday afternoon.

Little Miss Esther Hood of Yarmouth is visiting her aunt, Mrs. Haines Marshall.

GOLF KNICKERS AT WRIGHT'S Miss Nellie Haight spent the week end with her parents, Mr. and Mrs. Fred Haight, Hill Grove.

Board of Trade Receives Report of Celebration Committee

That the visit of the Cruising Club of America will be an event to tax the utmost resources for hospitality of the town, and will be the reason for the visit to Digby of many people whose friends will be in the fleet, was the feature point brought out in discussion of entertainment of the Club, on the occasion of its visit to Digby on August 21st to 27th, at a meeting of Digby Board of Trade held on Tuesday night.

The president, Fritz Dakin presided and presented the report of the Jubilee Celebration management committee. He took occasion to express their thanks to the chairman of and members of sub committees and all who assisted in the success of the affair.

On motion the financial statement, audited by Mr. Boden, was approved. Receipts for the celebration totalled \$716.14 from the following sources:

Carried over from last year	\$20.71
Donations	20.00
Appropriations	500.00
Subscriptions	124.00
Advertising revenue	52.00
Total	716.71

Expenses totalled \$ 580.00, disbursed as follows:

Band	216.70
Sundries	71.91
Land Sports Prizes	74.00
Water Sports Prizes	97.50
Parade Prizes	38.00
Advertising	82.24
Total	\$580.35

Balance carried forward \$136.37

It will be noticed that without the sums contributions by persons interested in the celebration's success the committee would have been under difficulties and the amount voted by the Town of Digby and the Municipality was inadequate to meet the needs of the affair.

On motion of Mayor Lynch, seconded by Town Clerk Boden, it was requested that the Town invite Lieutenant Governor to visit Digby during the week of the visit of the Cruising Club.

Detailed arrangements for the entertainment of the Cruising Club will be dealt with at a special meeting of the Board to be called as soon as full particulars of their visit are available.

Seriously Ill

Suffering recurrence of an injury to the back, for which he was treated some years ago, Mr. Herbert Holder, day chef at Kiley's Cafe is again under doctor's care. His illness may require him to enter the Victoria General Hospital, Halifax for treatment.

Injured When Machine Bucked

Edward Teed, of Whale Cove was seriously injured, requiring an emergency trip of Dr. Rice to attend him on Wednesday afternoon, when the stump puller which he was engaged in using broke from its moorings. A part of the machine caught Mr. Teed in the back, inflicting injury and breaking two ribs.

Annual Meeting of Mission- ary Society

The Annual meeting of the W.
M. A. Society of the Baptist church
was held in the church vestry
Thursday afternoon with a good
attendance. After the routine
business was disposed of the officers
for the coming year were elected as
follows: President Miss Hazel
Purdy, Vice President Mrs. R. A.
Harris, Treasurer, Mrs. O. A. Eis-
ner, Secretary, Mrs. C. D. Rice,
Distributing Agent for Tidings,
Mrs. Charles Green, President for
Mission Band, Miss Melda Sullivan.
The Mite Box offerings were received
and with dues amounted to \$63.
00. At the end of July the Society
will have sent in over \$300 for the
year and the Mission Band sent
\$80. Supper was served to about
40 members and friends and a social
hour enjoyed. This brought to
a close one of the most prosperous
years in the history of the society.

United Church Induction Service

On Friday, July 8th the Presby-
tery of Annapolis met in the United
Church, Bear River to induct Rev.
F. W. Sawdon, late of the charge
at Bellefleur and Norton, New
Brunswick, unto the pastorate
charge here. Rev. A. B. Higgins
presided and inducted, also deliver-
ed the charge to minister and congrega-
tion. Rev. E. A. Kirker of Annapolis
read the scripture lesson Rev. J. D.
B. Borden led in prayer and
Rev. Mr. Jost, who is supplying
the United church at Digby during
July, preached the sermon.

The music included an anthem
by the full choir, a beautiful setting
of "Jesus Lover of My Soul" and
appropriate solos by Mr. Fred Har-
ris and Rev. Frank Milligan.

At the conclusion of the service
a reception for Mr. and Mrs. Saw-
don was held in the vestry.

As induction is a ceremony car-
ried over in the United church from
the former Presbyterian church
and as the United church at Bear
River was formerly exclusively
Methodist this was the first induc-
tion service ever witnessed here;
and it was attended with exception-
al interest.

Monthly Social of W.A.I.C.

The W.A.I.C. Class met for
their monthly social Thursday
evening at the home of Mrs. C. B.
Miller. The Convenor, Maurice
Nichols had arranged a very at-
tractive musical program, assisted
by Mrs. Roop at the piano.

W. W. Clarke, teacher of the
class gave a very interesting talk
on the subject "The Value of Char-
acter". Mrs. Miller, the hostess
as is her usual custom provided
excellent refreshments. A hearty
vote of thanks was tendered to her
by the class, to which she respond-
ed in fitting terms. After singing
Auld Lang Syne, the meeting ad-
journed until the second Thursday
in September.

Mrs. Coates, of Boston, is visiting her mother, Mrs. Annie Gower.

More Funds For The Hospital

The Barton and Brighton Ladies Hospital Aid gave a Rummage Sale recently in the Barton Hall. Proceeds for the evening amounted to \$106.00. A few evenings later the remainder of the articles, candy etc., which were left over were sold on the premises of Mr. David Welch. Total proceeds \$117.05. The candy not sold was given to the "shut-ins" who were unable to participate. Thanks are to be extended to several North Range ladies who kindly donated pies, clothing etc. The Barton and Brighton Hospital Aid Society was organized recently at the home of Mrs. (Dr.) W. R. Dickie.

Officers appointed for the year:
Pres—Mrs. (Dr.) W. R. Dickie,
Vice Pres.—Miss Hattie Perry,
Sec. Treas.—Mrs. Charles Smith.

CARD OF THANKS

Mr. and Mrs. Arthur Hatt and family wish to thank their many friends who assisted and sympathized with them during their recent bereavement.

Dated Digby N. S. July 6th, 1927

Bay View

Mrs. Frank Wilson was the guest of Mrs. W. H. Holdsworth, Digby for a few days last week.

Mr. and Mrs. Chesley, who spent last week with Mrs. Matilda Turnbull, have returned to their home.

Vernon Everett of Victoria Beach, is spending his vacation with his grandmother at Point Prima.

The summer visitors are arriving daily. Bay View will soon be taxed to its utmost to provide accommodations for the many people who are so pleased to spend their vacations in our little village.

Miss R. Ball and Miss E. Pratt of Philadelphia are at Mrs. James Ellis'. They have been coming for several summers.

Mrs. James E. Ellis spent last week in Waterville, Kings Co. with her sister, Mrs. Aubrey Bowles. She returned home Sunday motoring through with Mr. and Mrs. Bowles and Mr. C. G. Hoffman, who also had been visiting Mr. and Mrs. Bowles for a few days before coming to Bay View on his annual visit.

Mrs. J. Fleming and son Ernest of Albany, are at Hartland Farm. Also Miss Hartley.

Mr. and Mrs. Doerr and three children from Philadelphia; Mrs. McAllister of Washington and Mrs. R. Snyder of Narbeth, Penn. are at Fairview Cottage.

Freeport

Judson Thurber, wife and family of Prince Rupert, B. C. arrived last night to spend their vacations with relatives here.

Miss Williamina Thurber is spending a few weeks with her sister, Mrs. Warren Gray, Kempville.

Miss Grace Stevens has returned to Malden, Mass. after spending two weeks with her parents, Mr. and Mrs. Leslie Stevens.

Miss Marguerite Teed, who has been teaching in Oxford the past year, is the guest of her parents, Capt. and Mrs. C. R. Teed. We understand she has accepted the same school for the coming term.

Dorothy Brooks has gone to Saint John to visit relatives for a short time.

Mrs. Charlie Stevens and Mr. and Mrs. Karl Peterson of Cambridge, Mass. are the guests of their parents, Mr. and Mrs. Herbert Thurber.

Miss Eunice Thurber was a passenger by the Keith Cann, Saturday enroute to Boston to visit relatives for a few months.

Mrs. Arthur Dunn of Sydney is spending a few weeks with her parents, Mr. and Mrs. Samuel Thurber after an absence of three years.

Miss Hildred Prime has returned to Boston after spending her vacation with her parents Mr. and Mrs. Frank Prime, and Miss May arrived on Monday to spend her vacation at the same home.

Mr. and Mrs. Austin Finnigan have moved in the Bungalow recently occupied by the late Mrs. Anthea Eaton.

Mrs. Allie Powell has returned home after a pleasant visit to relatives in the U.S.A. She was accompanied by her daughter-in-law, Mrs. George Powell and baby.

Miss Marguerite Teed was hostess to a party Saturday night in honor of her guest Mrs. Arthur Dunn, of Sydney.

No one can resist food after a visitation by ants. Hours of painstaking labor are spoiled. Delicious dishes are tainted, made uneatable. Fly-Tox kills ants. Spraying should be continued for several days because ants are always present in colonies. Insist on Fly-Tox. Fly-Tox is the scientific insecticide developed at Mellon Institute of Industrial Research by Rex Fellowship. Simple instructions on each bottle (blue label) for killing ALL household insects. Fly-Tox is safe, stain less, fragrant, sure. Every bottle guaranteed.

Dependable Motor Boat Lubrication

THE life of an engine and the cost of its upkeep may not depend entirely upon correct lubrication, but the fact remains beyond dispute that faulty lubrication has cost boat owners more in repairs and overly-swift depreciation than any other single factor. Unless you use good oil—of the right grade—your engine cannot perform either efficiently or economically.

Make sure of the kind of lubrication that fully protects—by using Marvelube Motor Oil—of the grade suited to your particular engine. The use of this matchless motor oil makes your engine reliable, powerful and smooth-running—also saves you money in oil and fuel bills.

Marvelube Motor Oil and Premier Gasoline are the unbeatable combination for motor boats.

IMPERIAL OIL LIMITED

 MOTOR OIL

Hardware Men At Convention

Commencing Tuesday of last week and continuing until Thursday the Annual convention of The Maritime Hardware Manufacturers Association was held this year at the Pines Hotel, Digby, this being the scene of the general meetings for the past ten years or more.

Considering conditions etc. there were quite a number of the large houses represented, visitors being the e from coast to coast

In the morning the members of the committee entertained a number of visitors to a motor drive through the surrounding country of Digby and then in the afternoon a boat trip was given from Digby to Bear River.

On the morning of the 6th a meeting was held in the Dance Pavilion for visitors and representatives of various houses throughout the Maritimes and Central Canada.

A short address was given by Mr. Grant, the retiring President and he then called on various members to give a short speech. Among the speakers were: Fraser Foster R. D. Harris, George M. Bions of the Sheet Metal Products, Toronto, H. Flack, sales manager the Dominion Manufacturing Co. Ltd. Floyd Bell, Canada Paint Co. Sidney Smith, Brandram-Henderson Co., A. J. Mann, Mr. Legg, Murray Reeves, F. L. Farquhar, G. A. McGuire, C. J. Fraser, W. J. Lind, Independent Cordage Co. Mr. Read, Consumer's Cordage, Mr. Urquhart also the same company, R. L. Sythe, J. L. Brown, T. S. Simms and Co. Mr. Irving Canadian Foundries, A. MacKenzie, R. M. Lynch, C. W. Carbon Co. E. W. Lang, the Dominion Carbon, Mr. McQuaig, Dominion Linsed Oil Co. M. Karney, Vice President Dominion Chain Co.

To conclude the speeches a short address was given by the representative of Hardware and Metal on general conditions and tendencies also the progress and development of advertising in the Maritime Provinces.

Taking a brief review of speeches

Dashing Babe Pope
 Dainty Elephant Trainer with Sparks Circus
 Coming to Digby July 21 Special Excursion Trains

made by various manufacturers wholesalers and their representatives the unanimous decision was that conditions are much brighter this year than at this period the previous year and general statistics taken show a decided increase in business from all parts of the country.

The executives went into committee and general business was discussed, and also new members for the forthcoming year were appointed. H. W. Emerson of Emerson and Fisher, Saint John, was appointed president. O. R. Crowell, vice president The Nova Scotia executives were D. McDonald, Colonel R. B. Simmonds and J. J. Crowell. New Brunswick John Neil, W. G. Stratton and J. F. Tilton.

Concluding the session, a dance was given by the committee in honor of the visitors, also an enjoyable day's entertainment at the golf course and at the tennis club.

Those attending, were particularly pleased with the arrangement made by the hotel management in making the convention a pleasant holiday.

The Manhattan

continued from page 2

The feeling among the agencies and the transportation companies generally is that the new steamer service inaugurated by the Eastern Steamship Limited, between Boston and New York and Yarmouth, is going to give a decided impetus to the tourist business of Nova Scotia. The backward weather and absence of intense heat in the Eastern States has delayed to some extent the vacation taking of many who yearly visit Nova Scotia in order to escape the hot spells of July and August and the indications are that the first hot wave will be followed by a general exodus of vacationists to Nova Scotia, amounting to almost more than the summer hotel people will be able to handle.

In preparation for this the management have everything swept and varnished. From kitchen to attic all is ready and its opening will have an important effect on the tourist business of Digby. Last year during the peak of the tourist season the hotels already in operation had to turn people away every day, and from the point of view of the general public of Digby the opening of the Manhattan is a piece of good fortune. Operating at capacity its seventy-five bedrooms will provide accommodation for a large number of people, and every visitor who comes to Digby and finds accommodation, which under other circumstances he might not get, means just that much to the prosperity of the town.

And next year, when it is generally known that another good hotel has been opened in Digby the town will benefit by just so much more. Tourists and more tourists, are the

Circus Day On The Way

A few days and there will roll out of the dawn, the great trucking wagons of the Sparks Circus, in Digby for a one day's stay, Thursday, July 21st. From nowhere it will appear to come, the great tents will go magically into the air—it will seem that the mushroom growth "just happened", but it didn't.

For months the men have been working that the Sparks Circus might come to Digby. And when it arrives, it will mean that the efforts of more than a hundred men, who have gone before it have been successful.

The first man to start in the advance of a circus is the first contracting agent. His task is to prepare the way for others. Then there starts, two weeks before the circus, the No. 1 Advertising Car, carrying thirty billposters, lithographers, banner takers and others. A few days and there comes the first press agent. Then comes the second contracting agent. Then the No. 2 car with twenty-five more men. Another wait and still another press agent. There is a brigade of eight men who are supposed to work as hard and do as much as the sixty or seventy men on the three cars.

But the list isn't complete yet. There arrive the programmers who pass out small billing and the heralds. And then just to see that everything has been done right, there arrive the "checkers up" who go over the work done by everyone and see that it has been done correctly. And even then, the work is not ended.

For there yet come the twenty-four boys men who notify every person seen by the contracting agents, just when the circus is to arrive and when the supplies must be on the lot. And also, when the Sparks Circus comes here, there will be nothing of the "happen so" about its arrival. For a hundred men have gone before it and never a detail is neglected—even to the routing of the parade and the bumps in the road that lead from the railroad tracks to the lot. By the work of a circus doesn't show on the surface. And it shouldn't. For if there's anything that should show its romantic side, it is the place of glaring chandeliers and sprinkled wood shavings—the circus.

Seats can be secured Circus day at Rexall Drug Store same price as at show grounds. Excursion rates on all rail roads.

Annotated Guide Dominion Atlantic Railway

In this book of 70 beautifully printed and well illustrated pages with map, each town and resort through which the travel passes between Yarmouth and Halifax is described from the viewpoint of the pleasure seeker. It renders in new color many of the heroic and romantic phases of the famous story of history and scenic beauty that makes the storied Land of Evangeline the most alluring and soul-satisfying summer vacation country in America.

Copies may be procured at "The Pines" Digby, N.S., or D.A.R. Ticket Agent, price fifty cents.

It is Serious When The Kidneys Go Wrong

These letters tell of two cases in which Dr. Chase's Kidney-Liver Pills afforded the desired relief.

For about half a century Dr. Chase's Kidney-Liver Pills have been known to the public as an effective treatment for the relief of kidney ills. Before that they had been for years proven in private practice. Surely they have stood the test of time. And to-day they are more popular than ever before. Why? Simply because they produce the desired results. You know when you use them that you are not experimenting with an untried medicine.

Mrs. Mary Pettigrew, 155, Upper Water St., Halifax, N.S., writes:—
 "I suffered for two years with kidney trouble and tried a great deal of medicines, which did not help me at all. I was so nervous I could not rest at night. A neighbor advised me to try your K. & L. Pills and since taking them I feel like a new person and now sleep soundly at nights, thanks to Dr. Chase."
 Dr. Chase's Kidney-Liver Pills—35 cts. per box, all dealers, or The Dr. A. W. Chase Medicine Company, Limited, Toronto.

A WANT AD WILL FIND IT FOR YOU

The Free Press, of London, Ont., said: "Sparks Circus is to be complimented on its Canadian public feature, which brought the show to a close. It was a brilliant pageant, written especially for Canadian patrons and introduced a band of Sioux Indians, Jacques Cartier, Champlain, Montcalm, Wolfe, Drake, McKenzie McDonald and the heroes of the Western plains, the Mounted Police, John Bull and Miss Canada."

Weddings

GRAVES—FLEET

The home of Mr. and Mrs. Bel-
ford J. Woodworth of Saint John,
was the scene of a very pretty wed-
ding when their niece, Dorothy
Hearts Fleet, only daughter of
the late Mr. and Mrs. James Fleet
of Digby, became the bride of Wil-
liam A. Graves of Chipman, New
Brunswick on Wednesday evening,
July 6th at 7.30 p.m. The cer-
emony was performed by the Rev.
A. D. McLeod. The ring service
was being used. The bride looked
charming in her gown of white silk
georgette crepe and wore the con-
ventional veil caught up with or-
ange blossoms, and white shoes and
stockings and she carried a bouquet
of white pennies and maiden hair
fern the bride and groom were both
attended. The bride was given
away by her aunt who wore a silk
crepe dress of lemon color. The
ceremony took place under a floral
arch of white flowers in the pres-
ence of immediate relatives of the
contracting parties.

After the ceremony a delicious
luncheon of cake was served with
coffee, cocoa and tea and ice cream.

Many beautiful gifts testified to
the popularity of the young couple
amid showers of confetti and rice.
Mr. and Mrs. Graves will reside in
Saint John.

Death of Augustus Bayard Perry Prominent Citizen Of Barton

The people of Barton were shocked on Wednesday, July 13 to hear of the death of Augustus Bayard Perry a prominent and highly esteemed resident of that place. He was a son of the late August and Orinda Perry.

While a young man, he went to Kentville where he learned the trade machinist with the Lloyd Manufacturing Co. Ltd, later being connected with the Dominion Atlantic Railway, for several years before going to the United States, where he was employed with railway Co's, in Massachusetts, New Hampshire, and several Southern States.

Owing to his father's failing health he returned to Barton about eighteen years ago. He was a member of Hiawatha Lodge I.O.O.F. of Kentville.

The burial took place at Barton on Sunday, July 17th, the service at the house being conducted by Rev. A. G. Pentz, assisted by Mr. George Hamilton Lic.

The service at the grave was conducted by members of St. George's Lodge I.O.O.F. of Digby, Kentville, Weymouth and Yarmouth Lodge also were represented.

The floral tributes were many and beautiful.

He leaves three brothers and five sisters: St. Clair, Barton; Alfred, Wolfville, Gordon of Lynn; Mrs. J. G. Purdy of New York, Mrs. A. Burton Brown, New Hampshire; Miss Hattie Perry, Barton; Mrs. Thomas Marsh, Saskatchewan and Dorothy Perry, Newton, Mass.

He was a man of exceptionally fine character who will be greatly missed by young and old alike.

He was a firm believer in the doctrine of "Let me live in a house by the side of the road and be a friend to man."

Mrs. J. G. Purdy accompanied by her son of Port Washington, N. York, arrived in Barton on Friday to attend the funeral of her brother Augustus B. Perry. Miss Dorothy Perry arrived on Wednesday; Gordon Perry arrived on Friday and Mr. and Mrs. A. N. Perry and sons of Wolfville were in Barton on Sunday to attend the funeral.

Will Soon Commence Work On Neck Highway

Work on standardizing the Digby Neck Highway, making it part of the trunk road system of the province under the jurisdiction of the Department of Highways, will be commenced early in August. The motor tractor which will be used in the work is now engaged in the Municipality of Clare, grading up a section of new work. As soon as the tractor can be brought here the work on the Digby Neck Road will be started.

This announcement means the accomplishment of a long desired improvement in the highway system of the municipality and one which has engaged the attention of the local Member, W. H. Farnham, M. P. P., for a considerable period of time. Authority for the work was granted after Hon. Percy Black, Minister of Highways, had made a personal survey of the territory served, a survey which convinced him of the need for better roads in this section.

SUMMER UNDERWEAR AT WRIGHT'S

Local and Personal

Mrs. Margaret Hogg, of St. John, is the guest of her sister, Miss Ella Burnham, at Cosy Cottage, Mount Street, and will remain for a fortnight.

Rev. Joseph W. B. Stewart and Mrs. Stewart, of Philadelphia, have arrived at Smith's Cove and are occupying their cabin there for the summer.

Miss J. M. Brown arrived from her home in Montreal yesterday to spend two weeks with her sister, Mrs. L. B. Eldridge, Montague Row.

Miss Regina Comeau, daughter of Station Master and Mrs. Comeau, of Weymouth, who has been the guest for a week of Mrs. Lindsay Kirkpatrick at Hawthorne Villa, Queen Street, is now visiting Mrs. William McMahon. Miss Comeau will enter the Catholic College of the Sacred Heart, Halifax, on the opening of the Fall term.

Harry Kirkpatrick is on a business trip to Yarmouth and Halifax this week; accompanying Mr. William Spurr, of Kentville. Mr. Spurr leaves for England on Saturday.

Mrs. C. E. Baker, wife of C. E. Baker of Birch street, who was admitted a patient at Digby General Hospital following the birth of a son, Charles Adams, at their home on July 3, was able to return home last Saturday. Mrs. Baker was not seriously ill, as reported in last week's Courier, but entered the hospital on the advice of her medical advisor, in order that she would receive the care and attention only possible in an institution.

Bert Taylor of Smith's Cove, a returned man, left for Kentville on Monday to enter the Nova Scotia Sanatorium for treatment. Mr. Taylor has been obliged to take several courses of treatment at the San. in an endeavor to overcome a disease brought on through being gassed on service.

Mrs. Edward Winchester of Smith's Cove was a visitor in Digby on Tuesday, bringing to her home her granddaughter, Miss Lovell Winchester, who has been spending part of the school vacation with her grandparents.

Fletcher Adams, bridge tender at Joggin bridge on the D.A.R. was seriously injured on Tuesday afternoon when a large stone, falling from high water to low water level, struck him on the shoulder. It missed his head by a hair. Medical attention was rushed out from Digby and the injured man is fairly comfortable.

Rev. D. J. Neily and Mrs. Neily and their two daughter, Medford, Mass. where Mr. Neily is pastor of the First Baptist Church are occupying their summer home on Battery Point, Digby. With Mr. Herbert Derry, of New York, Mr. Neily spent last week at Sporting Lake on a fishing trip and had very good sport in spite of the rain and occasional thunder storms. On Sunday Mr. Neily will take services at Sandy Cove in the morning, at Tidville in the afternoon and at Little River in the evening.

Even if it Circus Day, or rather because it is, the best plan is to take the wife and family to Kiley's Cafe, for "things to eat you cannot get elsewhere."

Mr. and Mrs. R. W. Marshall wish to announce the birth of a daughter, Eileen Louise, on July seventh.

\$30,000 Worth of Rum and Alcohol Seized on French Shore and Taken To Halifax

Customs officers from Halifax on Tuesday went to Meteghan to take charge of a \$30,000 seizure of rum and alcohol seized in a barn at Meteghan by Collector of Customs Theodore Melanson.

The shipment was loaded into a special car and sent to Halifax under seal on Tuesday night's freight.

The seizure was made on Saturday and represents one of the biggest hauls ever collected on the shore. It included 200 kegs of rum and 1400 of alcohol, valued by the Customs officials at \$30,000.

Reporting the seizure the Yarmouth Herald says, Collector of Customs Melanson, of Meteghan made an important seizure on Saturday, when he located in an old barn, on a vacant property, a large quantity of liquor valued at about \$30,000 and consisting of about 190 five gallon drums of alcohol, 22 kegs of rum and other smaller lots of alcohol, champagne and gin. The building in which the goods were stowed was on the property of a former resident of Meteghan, who removed to the United States four years ago. After making the seizure on Saturday, Collector Melanson detected symptoms of trouble arising among the residents and immediately sent in a call for assistance.

Chief McCormick, of the Preventive Service, was notified at Halifax and he responded promptly, at the time calling about ten of his officers. Just who may be responsible for the placing of the liquor in the building is not definitely known, but by the action, on the part of some persons, following the capture, suspicions well point to a certain direction, which no doubt will be looked into by Chief McCormick and his officers.

Seaman Fatally Injured by Stick of Pulpwood

Frank Taylor of Victoria Beach son of Mr. and Mrs. W. H. Taylor a member of the crew of the schooner Gertrude Parsons, was fatally injured on Monday of last week at the Burlington wharf, Windsor. Dr. Hines was called and immediately transferred the injured man to the hospital at Windsor.

At the time of the accident Taylor was in a row boat rowing near the edge of the wharf and as the small craft was in motion a stick of pulpwood on the top of the wharf became dislodged, and in its fall struck Taylor directly on the top of the head.

The injured man after complaining of a severe pain in his eye, lapsed into a state of unconsciousness.

An X-ray taken shortly after Taylor's arrival at the hospital revealed the fact that the man's neck was broken and his skull fractured. He lived but a short time.

The remains, accompanied by Hon. Albert Parsons, were taken to the home of the deceased at Victoria Beach, Annapolis Co. on Tuesday of last week and the funeral held on Wednesday afternoon.

Frederick Verry of Providence, R. I. who has been a guest at Mrs. Dexter's left yesterday to spend a short time in Sandy Cove before returning home.

THE DIGBY WEEKLY COURIER.

An Independent Newspaper devoted to the interests of the town of Digby and surrounding country.

THE DIGBY PRINTING and PUBLISHING CO., LTD.

ROBERT C. MILLS
Managing Editor

FRIDAY JULY 22, 1927

Entering Another Year Of Service

Announcement is made in this issue of the publication on Friday, August twelfth, of the Anniversary Number of the Digby Weekly Courier, which on that date will commence its 55th volume, its fifty-fifth year of service to Digby County.

Of its beginnings the present editor knows little—of its growth but little more, save that in the last year the paper has increased in popularity with advertising patrons to an extent unusual in the life of a County Weekly. Some review of the development of the Courier from its inception to the present will be undertaken in the Anniversary Number, and it is not the time now, nor the place here, to discuss it.

The Anniversary Number will be of considerable size and will contain a deal of matter of general and historical interest. The "dew-tising" section, in particular, will be an illustration of the growth of the Courier and of Digby, and will be one of the most interesting features of the issue. Already nearly one thousand column inches of advertise-

ing have been contracted for in the Anniversary Number and more will no doubt be ordered.

A feature of the issue of August 12th will be a story of the development of hydro in Digby County, with illustrations of the power plant and site.

Further details of the Anniversary Number will be published during the weeks before August 12th.

Visitors At The Courier Office

Among visitors at the Courier office last week were Geo. W. Dubbs, Clothier, Hatter, Furnisher and Shoe Dealer of Pine Grove, Pennsylvania, and Mr. L. J. Gilbert, Auctioneer and dealer in Antiques, of Lebanon, in the same State. The gentlemen were members of the party visiting Digby under the auspices of the 36th Annual Tour of the Pennsylvania Lumber Merchants Association. Both were most complimentary of the reception which they received in Digby and took with them pleasant memories of what they termed "real hospitality." They called to ask the Editor to express the thanks of the whole party for all that was done to make their visit here pleasant, which we are more than pleased to do.

They also had a word of personal thanks to the Courier. "About the nicest thing we have met in our tour," one of the gentlemen said, "was the way our merchants try to make visitors feel at home." To get the local paper almost as soon as one had registered was a new experience and one which we appreciated. It helped us to find

the stores where we could buy the things we wanted."

Being of an inquisitive turn of mind we "listened in" on a conversation held on the sidewalk near the Courier office. A lady member of the Pennsylvania party was showing some purchases she had made to a friend. The mere man of the group was interested mostly in the price which had been paid, and ventured a criticism. He was quickly silenced when the lady said: "But dear, you couldn't buy them at home at any price." Isn't that a compliment to the wares carried by stores of Digby?

Chief among the enjoyments of the party was the courtesy and service extended to them in every shopping place, and it was remarked as such by several visitors to the Courier office.

Digby will have a similar opportunity for hospitality and service within the next week or two, when another party of Americans to the number of upwards of two hundred, is coming here for a day's visit on a similar tour.

An Important Thing

While it is important to advertise Digby among the people of the United States and Canada, it is just as important, and just as profitable as the accompanying paragraph will show, to continue to impress the ideal surroundings of Digby as a vacation land. Service, courtesy and unfailing hospitality in combination, is the best booster for Digby that everyone can help with! In the Homemaker column of the Toronto Globe of July 14th a visitor to Digby from Toronto writes after her return:

Dear Homemaker: "Why do not more Ontario people take their holidays in the Maritime Provinces? I have just returned from a stay at Digby, N.S., and can tell the members of the circle that if they want to combine health-giving rest with comfort at reasonable rates they will find both in Digby. Some people think that the journey is too long. I did not find it so—thirty hours each way, including the wonderful steamship trip across the Bay of Fundy. If any of your readers would like me to, I shall be glad to send particulars. In this Diamond Jubilee year especially it is our duty to know Canada, and I know of no more enjoyable way than to visit the Provinces by the sea. Any refined business girl, looking for a real holiday by the sea, could do a great deal worse than go to Digby, or any other of the many beautiful summer resorts in Nova Scotia.

Thank you. Parkdale Mother.

It is pretty nearly certain that some other contributor or reader of the Homemaker column will come to Nova Scotia and to Digby entire ly because that visitor enjoyed herself here.

New Signs For County Post Offices

In the mail to post offices in Digby County on Friday were new sign boards for a number of Post Offices. About three feet wide and eighteen inches deep the signs carried the name of the office in white letters, inlaid on a red background. They are a decided improvement on the painted signs which in many cases they replace. It was noticed that the familiar coat of arms was missing from the sign.

Too Much Of A Good Thing

While it is good to see the canvassers of the hotels interested in soliciting custom for their different hostilities it is bad practice to permit disregard of the rule which forbids soliciting on the station platform. At Digby the hotel runners get on the car steps, almost and get in the way of passengers getting off. The rules could be enforced with advantages in this instance.

Pennsylvanian Lumbermen and Their Friends Had

Pleasant Time in Digby

From Friday morning until Saturday afternoon's boat to Saint John a conducted tour comprising members of the Pennsylvanian Lumber Merchants Association and their friends to the number of 191 were visitors in Digby. Arriving in Yarmouth on the New Yarmouth steamer they were transferred to special cars and brought to Digby where they were guests at the Pines Lure Lodge and the New Manhattan, which opened to receive them. Digby was their first stopover on Canadian soil and from the nice things said about everything that happened to them by several members of the party who were visitors at the Courier Office, they certainly enjoyed every minute of their stay and in this spite of the fog which damped the possibilities for enjoyment of their visit.

At the Pines Casino on Friday night Professor MacManus and his Music Makers played for a dance attended by most of the summer visitors in Digby. A feature of this entertainment was a touch of Old Acadia. The Pines Management realizing that to our American friends Nova Scotia means largely the Land of Evangeline, had prepared a replica of Evangeline's Well at Grand Pre, with two attendants in French peasant costume of the time of the Expulsion of the Acadians, and if the water of the well was flavored with the fruits of many warmer countries it was none the less popular than the sparkling beverage provided by nature.

On Saturday morning a number of the party, guests at the Lure Lodge chartered an ox wagon and in this primitive style went the rounds of the nearby beauty spots, and called in state upon their companions at the Pines and the Manhattan. Mr. J. L. Gilbert of Lebanon Pennsylvania, commanded the office of chief "barker" for this sight seeing trip and his vocation, auctioneering, stood him in good stead as he "sold" each new vista of landscape beauty to the sight seers. They had come intending to enjoy themselves and if the weather wasn't what it could have been they were not to be discouraged by such a trifle and made the best of every moment.

One member of the party, who was among those who went deep sea fishing in the Gut on Friday afternoon, had the luck that is the prayer of every fisherman who goes out. Fishing for pollock he hooked a twelve pound salmon, and returns to his home in the south with the pifid pleasure of knowing he accomplished a feat which was the good fortune of only one other such fisherman in a great number of years.

The hospitality extended by hotels and townspeople was more than a little appreciated and the visitors enjoyed themselves most. It seemed, in patronizing the banks for the exchange of traveller's cheques and the shops to purchase souvenirs and merchandise. Apart from their hotel accommodations they spent a nice lump of money in Digby.

The party were accompanied from Boston by Mr. Chipman, Boston Passenger Agent of the Dominion Atlantic Railway and Mr. Harold Brooks, formerly of Weymouth, representative of the Eastern Steamship Lines.

Here From Yarmouth

Donald Lawson of the Yarmouth Herald, with Mrs. Lawson and his mother, Mrs. J. M. Lawson, were motor visitors in Digby on Monday, accompanying Miss Regia Brennan, R.N., a stage on her journey home to Saint John. Miss Brennan has just been graduated from the Yarmouth Hospital and has also been successful in passing her examinations as a Registered Nurse.

Now packed in Aluminum, the same as years ago.

Nearly Two Hundred at First "Community Sing" At The Pines Casino

In spite of the threatening weather nearly two hundred people attended at the first "Community Sing" at the Pines Casino on Sunday night. All seemed to enjoy the affair, and joined heartily in the singing which was led by Harry Murray of The Pines Orchestra.

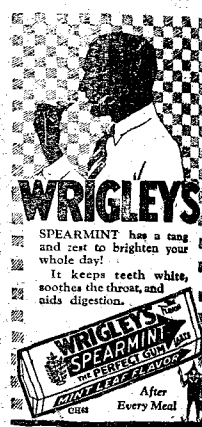

The "Community Sing" at The Pines was more than a little popular of Sunday evenings last season, and promises to be equally popular. Opening their season last Saturday night The Pines Orchestra played for an enjoyable dance. The Music Makers, under the direction of Professor MacManus, of Halifax are becoming favorites with music lovers and dancers, and the dances, four nights a week, are apparently going to have quite a part in the entertainment of the season.

The personal of the Orchestra is as follows:

Violin, Professor MacManus, of Halifax, Director.
Piano, Miss Merriam, Stellarton.
Cornet, R. Murray, Truro.
Saxophone, F. Hewright, New Glasgow, formerly director of Han Hanwright's Orchestra.
Drums and Bells and String Bass, Harry Murray, New Glasgow.

That the musicians are all Nova Scotians is a matter in which Director MacManus takes considerable pride. So many young people seem to have to go to "the States" to get themselves pleasant occupation which can include their favorite hobby that the Eastern States are scattered over with orchestras whose members come from anywhere between Yarmouth and Cape Breton, and it is a good thing that The Pines Management is acknowledging the ability of home talent.

In addition to the dances the Community Sing on Sunday nights

Miss Alice Bridges, of Port Maitland, who spent the past two weeks at the guest of Miss Leona Gower, returned home Saturday.

The B.Y.P.U. held a social in the vestry Friday evening the sum of \$39.70 was realized for church purposes.

Very many friends will learn with deep regret of the death of Myra beloved wife of Capt. Earle Denton which occurred at her home in West Saint John, Thursday, July 14. Mrs. Denton was born in Westport and her sudden death at the age of 38 years causes sincere regret among a wide circle of relatives and friends throughout the community. She was always of a bright and genial disposition and will long be held in kindly remembrance by her many associates by whom she will be greatly mourned. She leaves to mourn their loss a sorrowing husband, little daughter Reta, mother and father, three brothers, Lloyd, Fred and Harold, all of Westport. Mrs. Denton was a member of the Westport United Baptist Church and took an active part in all the church work. Before her removal to Saint John she resided with her parents Mr. and Mrs. Hanford Denton. The remains arrived from Saint John Friday and the funeral was held from the home of her parents Sunday afternoon Rev. H. H. Phinney pastor of the Westport United Baptist Church conducting the service. The floral tributes were beautiful. Our sympathy goes out to the bereaved ones.

A Birthday Party

A birthday party in honor of Miss Ethel Barton was held Monday evening when a large number gathered at her home. She received a large number of presents showing the high esteem in which she is held by her friends including a piano from her father. Dainty refreshments were served including a birthday cake containing twenty-one candles. All returned home on a late hour wishing her many more happy birthdays.

Miss Lillian Adams, of Smith's Cove, is attending summer school at Truro.

Miss Mary Adams, of Smith's Cove, is visiting her aunt, Mrs. James Woodman, of Conway.

RUN-DOWN AFTER BIRTH OF BABY

Ottawa Woman Made Strong by Taking Lydia E. Pinkham's Vegetable Compound

Ottawa, Ontario.—"I was terribly run-down after the birth of my third baby. I had awful bearing-down pains and was afraid I had serious trouble. I was tired all the time and had no appetite. My sister-in-law is taking Lydia E. Pinkham's Vegetable Compound and cannot praise it too highly and asked me to try it. I have had splendid results and feel fine all the time now. Any one who needs a thorough pick-me-up soon learns from me what to take."—Mrs. RENE PAGUET, 212 Cumberland Street, Ottawa, Ontario.

Terrible Backache

Hamilton, Ont.—"After my baby was born I had terrible backache and headaches. I could not do my work and felt tired from the first minute I got up. But worst of all were the pains in my sides when I moved about. I had to sit or lie down for a while afterwards. I could keep my house in order, but many things had to go undone at the time, because of my ailments. I was told by a neighbor to take Lydia E. Pinkham's Vegetable Compound, as she said it would build me up. I was relieved before I had taken the first one and have not had any trouble like it since."—Mrs. T. MARBLE, 60 Burton Street, Hamilton, Ontario.

W. I. Gift Shop

On July 28th, 'Cherry Carnival Day' the Women's Institute of Bear River will have a "Gift Shop" in a prominent position on the main street. Gifts suitable for any friend or occasion will be there, also dolls, souvenirs and home made candy and a large patronage is looked for. The proceeds—as all proceeds from the Carnival this year will go towards the War Memorial Fund.

Philathea Class Picnic

The Philathea Class held a very enjoyable picnic on Thursday July 14th, the president Mrs. C. B. Miller being the hostess. The very hot day did not interfere with a large number being in attendance. To make the occasion more festive, Mrs. Barrass, the teacher of the class, had our worthy photographer R. N. Harris engaged to take a group picture of the class. A most sumptuous supper was prepared and fifty-two sat down and partook of the good things provided among which were strawberries in abundance.

When the evening shadows began to fall all retired to the house where an entertainment had been arranged by Miss Grace Hubley, convenor, assisted by Mrs. Roop at the piano. This brought to a close a most enjoyable afternoon and evening and all were unanimous in declaring it was the best picnic they ever attended.

Mount Pleasant

Mrs. Mary Milburn, of Moncton, is the guest of Mr. and Mrs. James A. Hand spiker.

Fritz Woodworth, of Saint John, spent a few days last week with his grandmother, Mrs. Lucy Woodworth.

Cecil, little son of Leo VanTassel, had the misfortune to cut two of his toes off with the axe last week.

Mr. and Mrs. Darius Farnsworth and party from Centerville spent Sunday with Mr. and Mrs. Walter Handspiker.

Mr. and Mrs. Reginald Jefferson, of Middleton, spent Sunday with his parents, Mr. and Mrs. Wm. Jefferson.

Miss Audrey Jefferson, of Middleton, is spending this week with her grandparents, Mr. and Mrs. Wm. Jefferson.

Miss Ella Bain, of Boston, Mass., is visiting her father, Harry Bain.

Mr. and Mrs. Walter Burgess and daughter Beatrice, of Bay View, spent Sunday with friends in this place.

What is said to be the first instance of Canadian-made machinery being shipped out of Canada into the States, manufactured in Canada to American order—is that of nine large wood pulp grinders, of an output of 100 tons of pulp a day, now ready at the plant of the Port Arthur Shipbuilding Co. for consignment to the St. Regis Co., Watertown, New York.

Excellent progress is being made with the branch-line programme projected by the Canadian Pacific Railway for the three Prairie Provinces this season, according to D. C. Coleman, vice-president in charge of western lines. The work of construction, he said, is progressing rapidly and every effort is being made to have the new lines in operation by the time the fall crop movement begins. Keeping pace with the rising tide of land settlement the company expects to open the line from Lloydminster to Clan Donald on July 15. This branch is of particular interest as it serves the colony of Hebrideans located in the Clan Donald district. These settlers are doing remarkably well and have forty per cent. of their land broken.

Local and Personal

Miss Gertie Dunn left on Saturday to spend the summer at Upper Dyke Village.

Misses Edna Peck, Muriel Kenney, and Boyer, motored to Wolfville and Grand Pré on Monday.

Tea was served at the Bear River Tennis Club courts on Thursday of last week by Mrs. W. J. Wright, Miss Margaret

Purdy, Miss Mary Romans and Bruce Read. This week tea is being served Friday night. On Wednesday Bear River played Annapolis at Annapolis, the score of which will appear later.

The Ladies Circle of the Baptist church met Tuesday evening at the home of Mrs. Burton Harris.

Dr. and Mrs. Roberts of Digby with the latter's father and Mr. and Mrs. H. C. Lister and daughter, were in town on Tuesday.

The members of the Women's Institute who have been meeting every week for Mrs. Hubbard's veranda to sew for the "Gift Shop" postponed their sewing afternoon this week from Tuesday until this afternoon (Friday). The committee in charge are very grateful for any assistance with this sewing, and will gratefully receive any donations of fancy articles or home made candy.

Mrs. E. J. Barrass and two children left on Tuesday to spend a vacation at her former home at Hatfield, N.B.

A Visitor Here For Twenty-five Seasons

Mr. Charles Patterson, who has been a guest at the Winchester for a fortnight left on Saturday to continue his visit in Digby County at Sandy Cove. Mr. Patterson has been a visitor in Digby every season since 1902, formerly making his headquarters at Smith's Cove.

Enjoy a Real Tour on Gum-Dipped Tires

When you tour on Gum-Dipped Tires all roads seem equally good. There is nothing to compare with the smooth, sure performance of these big, low-pressure tires. Jolts and vibrations disappear. Stretches of rough going cannot disturb you or harm the mechanism and well-built structure of your car.

If it is slippery and muddy underfoot, Gum-Dipped Tires, having double the road contact, cling to the road and hold the car unwaveringly to a true, straight course. On grades there is extra traction; at sharp curves or in quick stops you will have perfect control of wheel and brake. Skidding is almost impossible.

Through the development of the exclusive Gum-Dipping process, Firestone has tremendously increased tire mileage in balloon tires. This insulates and impregnates every fibre of every cord with rubber, reduces internal heat and friction and delivers thousands of extra miles with added comfort and safety.

Ask any Firestone Dealer to show you the structure of Balloon Gum-Dipped Tires and to tell you their advantages. He is an authority on this type of tire and is in a position to serve you better and save you money. See him to-day.

NASH

Leads the World in Motor Car Value

3 New Series
New Lower Prices

Come drive
the **Smartest Looking**
cars you've ever seen

Never has any motor car manufacturer introduced body designs of such superb style and smartness.

The moment you view these new Nash models you will recognize that Nash has done something distinctly unusual in the way of motor car design.

The bodies are swung extremely close to the road. The low center of gravity together with small wheels and the new spring construction, and the character of the body design, achieve a most beautiful effect of grace and swiftness.

The varied color finishes are of perfect tastefulness and richest artistry.

Throughout the interior are fittings and appointments of finest quality which contribute even more to the luxurious note common to all these new Nash models from the lowest to the highest price.

In the design and selection of the paneling throughout the interiors, the finely patterned silverware, and the upholstery, Nash has gone far beyond anything ever presented in this price field.

And you must not fail to drive one of them and experience the remarkable new performance qualities in the way of speed, power and smoothness now offered by the newly refined Nash 7-bearing motor.

All these new Nash models have new springs built of a special secret alloy-steel which gives them the finest riding quality you can buy regardless of the price you may pay.

Don't delay your visit to our showroom. And we would particularly appreciate arranging an opportunity for you to ride and drive one of these incomparable new cars.

DIGBY MOTORS

Prospects Good For The Rest Of The Season

Mr. H. T. Brooks, Assistant General Passenger Agent of the Eastern Steamship Lines, the Boston and Yarmouth Steamship Co., and Mr. O. A. Chipman, Boston Passenger Agent of the Dominion Atlantic Railway System, accompanied the Pennsylvanians as far as Digby on that section of their tour covered by the Eastern Steamship and Dominion Atlantic Systems. In conversation with the Courier they said that the tourist travel to all resorts this year was not up to the mark of last July. Backward weather was to a large extent responsible, and in spite of the tremendous effort put forward by the State of Maine resorts these also were below their normal business.

Prospects for the remainder of the season were good, however, and the new steamer, the Yarmouth, was bringing people by the Yarmouth route who intended to go to St. John and spend their holidays in New Brunswick.

Mr. Brooks, who is a Weymouth boy, spent a short time in his home town, between the arrival of the Express and the departure of the Bluenose, before returning to Boston on the Yarmouth.

Here From New Jersey

Mr. and Mrs. Harry O. Turnbull, of Newark, N. J., with their daughter Virginia, have been guests for a fortnight of Mr. Turnbull's parents, Mr. and Mrs. John Turnbull, Lighthouse Road. They plan on returning to Newark on Monday.

The opportunities for pleasure which are this year afforded summer visitors are a great improvement on previous years. Golf, especially on Saturday afternoons, when the ladies of the Victorian Order of Nurses serve Afternoon Tea. Tennis on the Club or private courts, and dancing at the Pines Casino on Mondays, Wednesdays, Thursdays and Saturdays and the Ocean Gardens on Tuesdays with dances at Harbor View, Clementsport and other places also. On Sunday nights the Pines Casino is the gathering place for many to take part in the "Community Sing".

Director of Marketing Makes Good on His Job

The shipment of thousands of gallons of fresh cream from Yarmouth County to the Boston market to take the place of cream which is at the present time being shipped to Boston from Quebec is imminent as a result of the inquiry being conducted at Yarmouth by J. E. Harper, President of the Guernsey Breeders of the United States and special representative of the Boston Health Board.

Mr. Harper, during the past two days has visited a large number of farms in the vicinity of Yarmouth in company with E. C. Spicer, District Agricultural representative of the Rhodes Government.

The present move which is completed will have a far reaching effect, has followed as a result of the visit made by Hon. J. A. Walker, Minister of Natural Resources and Dr. Cumming, Director of Marketing, to Boston some weeks ago.

Speaking to a representative of The Digby Courier, Mr. Harper pointed out that while there was a relatively high duty on butter going into the United States yet the duty upon fresh cream was less than five cents a quart which could, he said, easily be absorbed. If cream in the right condition and of the right grade could be secured in Nova Scotia and of sufficient quantity there could be, he declared, a ready and profitable market in Boston.

Asked as to how much cream could be marketed if it were available, Mr. Harper said that the market was unlimited and was not a question of how much could be used but how much could be sent.

Mr. Harper is the head of a great firm of wholesalers in Boston and his Company handles two million quarts of milk a year. He was in Yarmouth not only in his own interests but also as the special representative of the Board of Health of Boston.

At the present time a great quantity of milk and cream is shipped from Quebec to Boston. If Mr. Harper's trip is successful it will mean that the Nova Scotia product will take the place of the Quebec product in the Boston market. Agricultural authorities in this district are of the opinion that if the market is secured it will mean the troubling of the number of dairy cattle in Nova Scotia.

Port Wade

Mrs. James McWhinnie of Lynn, arrived on Monday and is visiting her daughter, Mrs. James Snow.

James Slocum, who has been spending a few days with friends here, returned to Saint John.

Mrs. Ruby Hayes of Cambridge, Mass. is visiting her sister, Mrs. Horace Snow.

Mrs. Gilford Haynes and son of Saint John also Mrs. Verne Cooper and child are occupying their summer cottage here.

Sch. Valdaire arrived in this port on Wednesday last from Boothbay, Me.

Archie McGrath left on Monday for Parrsboro.

Harold Whitman, who for the past few years has been living in Rio, Brazil, with his mother, Mrs. C. S. Whitman of Marlboro, Mass. is on a motor trip through the province. After making a short visit with their cousin, Mrs. Edward Keans, they left on Monday for Sydney and other places of interest.

Earle Casey left on Saturday for a few days with friends in Fredericton, N. B.

The funeral of the late Capt. George Johnson formerly of this place was held on Wednesday last with interment in the Methodist Cemetery. A large gathering of relatives and friends gathered to pay their last tribute of respect to an old friend who was held in high esteem. Rev. Mr. Kiker of Annapolis was present in the absence of the regular pastor and spoke very fittingly to the bereaved ones.

Sudden Death at Barton

The death occurred suddenly Wednesday afternoon July 13th of Miss Irene A. Titus formerly of Yarmouth.

Miss Titus, who had spent the winter with relatives at Bar Harbor, Maine, was visiting her sister, Mrs. D. C. Welch en route to her summer home in Westport.

The deceased was the eldest daughter of the late Mr. and Mrs. Thomas C. Titus of Westport. She has many friends through Nova Scotia as well as in the United States, where she spent some months each year. Her sudden passing is a severe blow to her friends, following so closely the death of a sister, who passed away at the same home only a few months ago.

She leaves to mourn their loss four sisters: Mrs. Fannie M. Ossinger of Seattle, Washington; Mrs. Hattie T. Guthrie of South Boston; Mrs. F. S. Lent, Freeport, and Mrs. D. L. Welch of Bar Harbor, also a niece, Mrs. R. C. Masterman of Bar Harbor, Me., besides many other relatives and friends who will bear with regret of her sudden passing.

The funeral was held from the Barton Home Saturday afternoon with interment in the Baptist Cemetery in Digby and was conducted by Rev. G. N. Hamilton Pastor of Barton Baptist Church.

The floral offerings were very beautiful coming from friends at home and abroad.

Pure, Rich, Fall Flavored—that's why MORSE'S TEA is the favorite among Maritime Provinces tea drinkers to-day. And there is no place in the world where you will find a people with greater discernment regarding tea values than among these Maritime Provinces people.

Nurse Tells How To Relieve Eczema

Lady had face disfigured with Eczema. Skin now clear.

Mrs. Wm. Campbell, a graduate nurse of Morden, Man., reports a very interesting experience she had recently with a distressing case of eczema. The patient was a lady who had suffered keenly both mentally and physically because of the way her face was disfigured, and by the itching, burning sensation of the skin. She had become discouraged because doctors considered her case incurable.

Mrs. Campbell had known of similar cases and by patient persistent treatment was able to obtain complete relief and restore the natural beauty of the skin.

Mrs. Campbell writes: "A patient under my care was so severely afflicted with eczema on her face

that the doctors considered it incurable and could do nothing for it. I decided to try Dr. Chase's Ointment and never found anything like it for the first application stopped the itching. By continuing the use of the Ointment, the eczema was entirely removed and the complexion greatly improved. No one would ever know that my patient had previously been so disfigured by this annoying and torturing ailment."

Dr. Chase's Ointment is the recognized standard treatment for eczema. It should never be refused with ordinary values for it is a medicinal ointment of proven merit and effectiveness. 40 cents a box, all dealers, or The Dr. A. W. Chase Medicine Co., Limited, Toronto.

Tiverton

Mrs. B. Butler and family of Saint John are the guests of her sister, Mrs. Ruel Outhouse.

Blair Leach of U. S. A. is spending his vacation with his parents, Mr. and Mrs. W. Leeman.

Mrs. J. Murray Small, and daughter Elaine, also Miss Stella, Outhouse spent

Sunday at Friesport guests of Miss Leslie Finnigan.

St. Clair Walker of Port Maitland, recently spent a few days with his mother, Mrs. Maria Walker.

Mr. and Mrs. Edgar Cossaboom of Grand Maudan, are visiting relatives here.

Mrs. Catherine Livingstone of Sydney C. B. is the guest of Mrs. Murray Small.

New Tusket

Mr. and Mrs. R. F. Moses and son Rev. man, of Swampscott, Mass., spent a few days recently at the home of Mrs. Moses father, Shook Mullen.

Mr. and Mrs. Major Sabean and daughter Leona accompanied by Dwight Sabean, of Kemptville, spent Sunday at the home of Mr. and Mrs. C. F. Sabean.

Mrs. Addie Krowthen, of the United States, is visiting her father, Sears Mullen at time of writing.

We are very sorry to report, Nellie, second daughter of Mr. and Mrs. William Gaudet seriously ill. Her many friends are hoping for her recovery and every possible thing is being done for her.

Misses Marie Gaudet and Marjorie White who have been residing near Jamaica Plain, Mass., are spending their vacation with relatives here.

Mr. and Mrs. W. Mallett and daughters Mrs. Erwin Thomas and Gertrude, of South Range, spent Sunday at the home of Mr. and Mrs. Robie Mullen.

Rev. and Mrs. A. J. Prosser accompanied by Miss Alice Hudson spent the week end in this place.

On Sunday the Roll Call service was held in the Baptist Church. Owing to the inclemency of the weather only a small crowd were present to respond to their names. Rev. A. J. Prosser preached the Roll Call service. A duet "At The Roll Call" by Mrs. Harvey Mullen and

Roger Sabean was beautifully rendered at the evening service Mr. Prosser spoke of his great work "The Child Welfare Work." A duet by Mrs. Mullen and Mr. Sabean and a hymn by three small children were greatly appreciated.

Miss Theresa Balcom who spent a few weeks at Roger Sabean's returned to her home in Quincy, Mass., on Wednesday last.

Messrs Roy Mullen and Wilbur Sabean who spent their vacations at their homes here returned to Waltham, Mass., on Thursday.

Miss Constance Nichols has returned from a two weeks visit with her father, E. Hart Nichols, at Halifax.

Miss Charlotte Cushman, of Cambridge, Mass., who has been spending the summer here returned to her home yesterday. Her mother, Mrs. Cutler Titus, of Swampscott, Mass., is remaining here for several weeks. The ladies have been guests at The Elms, Mount Street.

Mr. and Mrs. George Holdsworth Jr., of Franklin Park, Mass., are guests of Mr. Holdsworth's parents Mr. and Mrs. George Holdsworth. Motoring from their home by way of Saint John, they are returning by way of Yarmouth on Saturday.

Pines Orchestra Will Play at Bijou Dream For Big Barrymore Feature

A treat for motion fans is promised for next Friday night in the presentation of the feature picture, "The Beloved Rogue," starring John Barrymore. The picture will be shown on Thursday and Friday nights, but for the Friday night show the Pines Orchestra, under direction of Prof. MacManus, has been engaged. Mr. MacManus has brought to Digby the score sheets used by his orchestra playing in motion picture theatres in Halifax, and the music will be selected to follow closely the theme of the picture.

"Razzberries"

Having started a nice little war in Halifax over the hotel question the Halifax newspapers are now devoting themselves to an exchange of adjectives over the Strawberry culture.

The Herald kicked off with a slap at the Valley and a boost for Yarmouth, and the Chronicle came back with a Boost for the Yarmouth product.

Mr. Manning Ellis, of Port Williams and D. L. Chute, of Berwick, both large growers and shippers of Strawberries, are quoted by the Chronicle in defence of the Valley growers.

The Yarmouth Herald chips into the argument with a really constructive criticism. Comparing the price, 21c paid for Yarmouth berries with the price, 11c which the Valley grower gets, the Herald says that a cooling car on the D. A. R. would enable Valley growers to get his crop to Yarmouth in first class condition.

Taking it all 'round it would seem that the Valley and Yarmouth fruit growers are being used as an excuse for a good newspaper quarrel—and that is all there is to it. The fact that very few Valley berries, or so it reported, go to the Halifax market, because better prices can be got outside, may have something to do with the slap at the Valley growers.

Rossway

Miss Edith Sabean of Brighton, Mass., returned home on Saturday, after spending two weeks with relatives here. She was accompanied by Miss Edna Sabean.

Teroy Sabean of Brighton, Mass., spent week here recently.

Mrs. Mabel Goodwin and daughter, Thelma, returned to Boston Saturday after spending two weeks with Mr. and Mrs. Charles Tario.

Miss Hazel Sabean of Brighton, Mass., accompanied by her sister, Mrs. Willard Wentzell and two daughters, Ruth and Edna of Malden, Mass. are visiting relatives and friends here. Mrs. Wentzell and her mother-in-law, Mrs. John Wentzell motored to Liverpool on Saturday.

Mrs. William Hutchinson has returned home after visiting her sister, Mrs. Manning Mullen at Woodstock, Vt. Co.

Kenneth Peters and family have returned home from Conn.

Mrs. Charles Crumbacker and son Leslie of New York are visiting her parents. Mr. and Mrs. Leslie Haight.

Mr. and Mrs. Oswald Mullen motored to Yarmouth last week.

Deep Brook

Mrs. Wood of Boston is a guest of Miss Margaret Jones.

Mrs. Lilla Rice of Brookline is a guest of her sister, Mrs. Walter Purdy for July and August.

Mr. and Mrs. Allen Purdy and two children of Somerville, Mass., were recent guests of Mrs. Walter Purdy.

Mrs. Arthur Berry is spending a week with relatives at Bear River.

Mrs. Onslow Berry arrived from Boston on Tuesday. She will spend a few weeks with her daughter, Mrs. George Jefferson.

Dr. and Mr. W. L. Archibald of Wolfville spent a few days last week guests of Miss Margaret Jones.

Mrs. O. Leford of St. Louis, Mo., and her sister, Mrs. Faye Stuart of Wolfville were recent guests of Mr. and Mrs. L. E. Sherman. They left on Saturday accom-

Town Council Meets on Monday

The regular monthly meeting of the Town Council will be held on Monday evening. Among business which will be discussed will probably be the street superintendents report on the serial of Calcium Chloride as a dust preventive; and measures for securing a further supply to cover all the main streets of the town.

Local and Personal

Miss Frances Phillips, who has been visiting her sister, Mrs. Herbert Watts in Montreal, returned home on Monday. She was accompanied by Mrs. Watts and another sister, Miss Mabel of Winchester Ontario who came to visit their mother Mrs. William Phillips. Mr. Watts and Mr. McDonald of Montreal arrived on Tuesday to join them.

Mrs. Marvin H. White of Halifax who has been visiting her grandparents Mr. and Mrs. George H. Holdsworth has returned to her home.

TO DARKEN HAIR—APPLY SAGE TEA

Look Young! Bring Back Its
Natural Color, Gloss and
Attractiveness

Common garden sage brewed into a heavy tea with sulphur added, will turn gray, streaked and faded hair beautifully dark and lustrous. Just a few applications will prove a revelation if your hair is fading, streaked or gray. Mixing the Sage Tea and Sulphur recipe at home, though, is troublesome. An easier way is to get a bottle of Wyeth's Sage and Sulphur Compound at any drug store all ready for use. This is the old-time recipe improved by the addition of other ingredients.

While wispy, gray, faded hair is not sinful, we all desire to retain our youthful appearance and attractiveness. By darkening your hair with Wyeth's Sage and Sulphur Compound, no one can tell, because it does it so naturally, so evenly. You just dampen a sponge or soft brush with it and draw this through your hair, taking one small strand at a time; by morning all gray hairs have disappeared, and after another application or two, your hair becomes beautifully dark, glossy, soft and lustrous.

panied by Dr. and Mrs. Archibald on a motor trip via Yarmouth, Halifax and Wolfville.

Miss Beatrice Clements left here on Friday for New York.

Through the kindness of Rev. and Mrs. Hiesler the Annual Strawberry Festival was held on the parsonage grounds. The weather was all that could be desired for an outdoor party. Over two hundred were served to supper. Annapolis, Clementsport, Smith's Cove and Bear River were represented, besides a good number of our summer visitors. \$20.00 was realized toward paying for the electric lights in the Baptist church.

Digby Man's Application For Patent on Scallop Rake Granted

Ronald A. Wormell, pioneer scallop fishermen of Digby, has been advised from Ottawa that his application for a patent of new and certain improvements in scallop rakes has been granted. Mr. Wormell, who is one of Digby Counties most successful scallop fishermen, began several years ago in a small way and today owns and operates one of the finest scallop boats in the business.

In the opening years of the industry the fishermen experienced a great deal of difficulty with the scallop rakes, being constructed in such a manner that made the dragging very risky and accompanied by considerable danger. The drags used at first would catch on the bottom, were very stiff and generally very unsatisfactory.

Mr. Wormell, with others engaged in the industry kept working and experimenting in the hope that he might devise a way whereby much of the danger would be eliminated and a rake or drag that would work to better satisfaction. The inventor at last hit upon what he thought was the right idea and gave orders to local blacksmiths to construct a rake along the lines of his ideas. The rakes were made and sold to the scallop operators in Digby, who have been using them the past two seasons.

Those rakes have been giving the greatest satisfaction possible, and there is not the slightest doubt that this invention will be widely used. It is claimed by men who are acquainted with the style of scallop rakes used elsewhere that the Wormell scallop rake is a vast improvement over existing devices used in the scallop industry. Mr. Wormell will make immediate arrangements to have the scallop rakes manufactured in Digby.

Weymouth North

Miss Jessie Falvey left on Friday to visit relatives in Watertown, Mass.

Mr. and Mrs. J. C. Cornwall were passengers to Boston on Friday to visit their son and daughter there.

Miss Kathleen Fitzgerald left on Monday to attend the C. G. I. T. Camp at Pinehurst, N. S.

Mr. and Mrs. Ward and son Philip and friend, who have been spending the past few weeks at "Camp Bear Tooth" were registered at Bayside, Farm on Friday from where they returned to their home in Fall River.

Mrs. George Sabin of Quincy, Mass., has been spending a few days at the "Outlook".

Messrs D. Jack of Bear River and C. DeLong of Digby, who are working on the hydro lines here spent the week end at their homes.

St. Peter's Guild Garden Party will be held on the grounds of Mrs. H. M. Mullen on Thursday, August 4. Supper served in the Guild room. A large collection of fancy work, grabs, candy and ice cream.

Denton & Condon Start On Contract For U. M. W. Hall Springhill

Work began Monday on erection of the new U. M. W. of A. Hall. The contract has been awarded to Denton and Condon of Kentville. The new building will be of brick and up-to-date in every respect. The basement will contain recreation rooms, baths, etc., and the ground floor will constitute the Lodge room, which will be so fitted that it can be converted into a hall for the use of dances, entertainments, etc., filling a long-felt want. The new structure will be ten feet further down the street than the previous building. This is being done to widen Pioneer street, the Town Council having purchased ten feet from the Sprague property and giving it to the miners for ten feet on Pioneer street. The contract price is in the vicinity of \$16,000. Major Denton left Digby two weeks ago to start preliminary work on the contract.

Rev. E. E. Graham Inducted Pastor

An impressive service was held in the United church, Shediac, recently when Rev. E. E. Graham, late of Canso, N. S. and recently appointed to Shediac and Scotch Settlement United Churches, was inducted.

The meeting was presided over by Rev. Dr. H. E. Thomas of Sackville, others taking part in the service being Dr. George J. Trueman, president of Mount Allison university, who presented the charge to the minister and Rev. Henry Irvine, of Central Church, Moncton, who delivered the address to the congregation.

The choir was augmented by Miss Gertrude Ruth O'Brien of Toronto.

Mr. Graham is a brother of Mrs. Fred Morehouse of Centreville, Digby County.

H.M.S. Helitrope Made Wel- come In Digby

Arriving in port on Monday evening, H.M.S. Helitrope, of the Bermuda squadron, in command of Commander Baker, has been in Digby for the week and the streets and public places enlivened with the blue of the sailors and the gold braid of their officers.

On Tuesday morning Mayor Lynch, accompanied by Town Clerk Boden, H. B. Short, M. P., and W. H. Farnham, M. P. P., paid a visit to the vessel to extend the welcome of the corporation to officers and men.

On Wednesday night the officers were guests at the Pines-Casino at a dance and last evening, after returning from Bear River where they attended the Cherry Carnival and Annapolis, where a friendly cricket match was played with the Annapolis Club, they were guests at the Harbor View Casino.

Ladies of Hospital Aid Work Hard to Raise Funds For Fair

With a motor caravan displaying the popular refreshments and smokes that people most enjoy on Circus Day the ladies of the Hospital Aid last Thursday worked faithfully and well, catering to the crowds and collecting \$191.00 for their purposes.

Local and Personal

Mrs. Emma L. Haines of Sandy Cove, who has been visiting at the Hall Farm left Tuesday for Port Wade to visit her brothers wife, Mrs. Mary J. Thorne.

Mrs. James Burgess and her two children, also Miss Ethel Snow were passengers from Belmont, Mass., Monday to visit their parents, Capt. and Mrs. Wm. Snow.

Mrs. Charles Nickerson and Mrs. J. Sears, of Woods Harbor, were visitors in Digby on Wednesday, guests of Mr. and Mrs. Harold Kiley.

Mr. and Mrs. Thomas Weaver, Mr. and Mrs. J. M. Gallagher, of the Dominion Government Experimental Farm of Kentville, were guests this week at the Winchester.

A. P. Mitchell, of Moncton, N.B., has been the guest of Mr. and Mrs. McKay, who are spending the summer with Evan Dunn at the Racquet.

Captain and Mrs. H. H. Goodwin, Mr. and Mrs. Curtis Pitcher and Mr. and Mrs. Harry Brooker, all of Boston, have been visiting Mr. and Mrs. Jules Faust at their new cottage on King street.

F. Chute, of Salem, Mass., was a visitor in Digby this week en route to spend the summer with his niece Mrs. Gates, of Hill Grove. Mrs. Gates came to Digby to meet her guest.

Mr. and Mrs. E. C. Mullen, of Boston, who have been guests at the Winchester for several days, returned to their home on Wednesday.

Mrs. J. R. McKay and little daughter, of Saint John, were visitors in Digby on Wednesday, guests at the Winchester, en route to Yarmouth to join Mr. McKay.

Rain and generally disagreeable weather marred the success of the postponed Garden Party of Zelnia Rebekah Lodge. Because of the weather the affair was held in the lodge rooms and drew a fair patronage. The sum of \$80.00 was taken in various booths and at the tea tables.

On Wednesday the Annual Midsummer Supper and Sale held under patronage of the ladies of St. Patrick's Church was held in the Bijou Dream Theatre. The total takings were \$157.00, slightly over half as much as last year. Those who attended were greatly pleased with the display of things for sale.

Cups and saucers from 15c up at Smallie's.

Prominent Philadelphian Visits Boyhood Home After Nearly Fifty Years

Returning to Nova Scotia for the first time since 1881, Mr. John C. Parker, of Philadelphia, has been visiting his birthplace, Bear River. He is accompanied by his mother, who is a daughter of the late Squire Harris, of Bear River, and although in her 81st year, Mrs. Parker enjoyed the motor trip from Philadelphia quite as much as did her son. While in Bear River the Parkers were guests of Miss Mary Kempton.

Mr. Walker left Canada when four years old. His people settled in the Middle West and on reaching young manhood Mr. Parker gravitated to Philadelphia with a new idea in steam boilers. He had difficulty in getting his principle accepted as feasible but after some years began manufacture and with such success that the street railway system of Philadelphia and the Factories of the Stetson Hat, along with others, were all operated with power generated in Parker Boilers.

Having accomplished the seemingly impossible in power generation Mr. Parker turned his attention to other matters. He is now head of a publishing house, publishing "Lefax," a publication of technical information for engineers, and in his spare time rides a hobby calculated to solve the unemployment question. At Philadelphia Mr. Parker's interests operate an industrial colony giving employment to men otherwise unemployed. This colony is being conducted as an experiment and if the hopes of its backers are fulfilled will be adopted generally in all centres where unemployment is a grave problem. The principle on which the colony is based has attracted considerable attention and Mr. Parker has been in correspondence with Premier Baldwin, of England, who has shown himself most interested in the development of the ideal.

Asked his impressions of his boyhood home Mr. Parker said that he was sure that the people of Nova Scotia were all unaware of the tremendous possibilities offered for tourist development in the province. The first important step had been taken, in providing excellent highways, but there were a hundred other things to be done. In other phases of development the same apparent lack of initiative was seen, and he felt that Nova Scotia was on the threshold of a period of expansion which would place it in a foremost place.

The Parker's stay in Bear River was short, Mr. Parker being required to return to Philadelphia, where his interests are threatened by the trust, which are endeavoring to prevent the development of the Parker Boiler.

Foot Troubles affect the whole system

Don't neglect your feet

Free Foot Comfort Demonstration August 4

By an Expert from Toronto

Pains in the feet go through the nervous system to remote parts of the body, causing distress which nothing will remove till the real trouble is corrected.

Whatever may be the cause of your suffering—weak or broken down arches, weak ankles, painful heels, crooked or overlapping toes, excessive perspiration, corns, callouses or bunions—you can rid yourself of it permanently and quickly.

On the above date a Foot Comfort Expert from the Staff of Dr. Wm. M. Scholl, will be at our store. He is thoroughly trained in Dr. Scholl's methods of foot correction and he will make Podo-graph impressions which reveal the exact nature of any foot trouble, and demonstrate how the correct Dr. Scholl Appliance or Remedy will relieve you.

THE DIGBY WEEKLY COURIER

An independent Newspaper devoted to the interests of the town of Digby and surrounding country

THE DIGBY PRINTING AND PUBLISHING CO., LTD.

ROBERT C. MILLS
Managing Editor

FRIDAY JULY 29, 1927

Our Thanks

The editor is under obligation to Mr. James A. Robbins, of Rosway for a copy of the Courier dated Friday, July 14th, 1876, loaned us in a response to a request for early numbers of the Courier.

This copy has been well preserved and is an interesting record of Digby in those days.

A Needed Improvement

It is not too early, right now to consider plans for the improvement of Digby before the beginning of next year's tourist season. Right now while our visitors are here, while their likes and dislikes can be observed and remembered, is the right time to consider what we can do in Digby to make their visit here more pleasant, what we can do to make living in Digby all the year round more comfortable and what we can do to make doing business in Digby more profitable to those in business and their service to customers more in keeping with modern conditions. While it is true our guests are not hard to entertain, and lacking one form of entertainment are ready to avail themselves of what offers, it is also true

that the ox-cart ride is only pleasant as a novelty and as a regular thing would become tiresome.

And this is true of many things in Digby. Our streets for instance are not all they should be. Water street in particular, is not what the main street of the business section of a progressive town could be. It needs another sidewalk. That stores on the water side of the street have no proper sidewalk, extending right from the head of the long wharf to the Salvation Army Citadel, is one thing that is lacking in the facilities in the town of Digby. People don't like to have to recross the street a dozen times to get from one store to another and on wet days this lack is a serious disadvantage to get to the stores along the water front, stores whose owners pay their full share of taxes toward the support of civic institutions.

What can be done about it? What would it cost to place a five foot concrete sidewalk all the way from the wharf past the Salvation Army Citadel? And while we are about it, should it not run right up past the Red Raven, to make a promenade along the only section when an uninterrupted view of the Basin can be obtained.

We think so. A lot of other people think so. A ratepayers meeting to discuss such a product would quickly authorize the expenditure of the necessary money and it would provide employment for quite a few men in a dull season of the year and greatly improve the appearance of the town and add to the value of all property along Water street. Which would give the town a chance to increase its revenues.

Will someone start something?

There's only one quality of **MAGIC BAKING POWDER** and that's the highest **MADE IN CANADA NO ALUM**

The Editor takes this opportunity of expressing his thanks and the thanks of the Courier for the many encouragements, expressed in a manner which allows of no misapprehension of their meaning, which followed the announcement in last week's issue that the Courier would celebrate its fifty-fourth Birthday on August 12th. To no one has so much encouragement been given as to the front rank of weekly newspapers, and so far as personal ability and the mechanical limitations of the plant permitted every effort has been put forward to deserve the appreciation and assistance which has been extended. In less than a few years the Courier has been carried to a point where development and enlargement of its mechanical equipment and size are justified, and these matters will be taken up immediately after the Anniversary Number is published.

Not only from readers in the town of Digby, but from all over the Courier's constituency have letters of commendation been received, and the number of entries in the Courier's Birthday Circulation Contest which have already been received is, a more than satisfactory indication of how popular the Courier is becoming. The Grand Prize offered for the leader in the contest is attractive, but more than that the Courier is worth getting behind and working for. Its news features lack the attraction of sensationalism—purposely so, for it is not the part of the country weekly to pander to sensation lovers or scandal mongers. Every inch of the news columns is filled each week with news of local events and local people, and to the correspondents in the villages and towns of Digby and Annapolis counties the Courier and its readers are under a distinct obligation. They are the real reason of the Courier's popularity and growth.

The Birthday Circulation Contest opens on August 10th and will be open for several weeks. It is the early starter who will have the best chance of winning the Grand Prize and our tip to the intending entrants is that they send in their nomination at once, and even before the contest opens get out among their friends to canvass subscriptions. Once the contest opens it will take a lot of hustling to keep in the front rank so begin now! Send in your nomination! Arrange your plan of covering every inch of your territory, so that when the contest opens you will be away to a flying start, and get a lead on your competitors. And remember that not only the prize winners will win in this contest, but every entrant will be rewarded. For every new subscriber and every renewal that is sent in credit will be given in the contest and all contestants will receive an amount not less than fifteen per cent of the total of their remittance.

Enrol today and Hustle!

Tourists Going To Old Country

The great number of tourists who are this year visiting the British Isles was commented on yesterday by Dr. H. F. Munro, Superintendent of Education for Nova Scotia, who has returned recently from England and the Continent where he studied advanced educational systems. Dr. Munro said that he knew of one instance where a person had gone to London without hotel reservations and had to inquire at seventeen places before securing accommodation. In the leading hotels in London reservations were made weeks and months ahead of tourists.

The Superintendent of Education said that the tourists were largely Americans and that a great number of Canadians were also visiting the British Isles. It was estimated that the present tourist traffic is the greatest which has ever visited London and the other districts of England, Scotland and Ireland.

It is understood that while in England Dr. Munro closely observed certain features of the English tourist policy with a view to having, in so far as possible, the most successful of these embodied in the Nova Scotia tourist policy. Premier Rhodes in a speech at Kentville some days ago declared that the tourist traffic in Nova Scotia should be increased to \$2,000,000 a year from its present figure of \$700,000, and he said that his Government was taking steps to attain this end.

Little River

Prof. K. C. Denton, wife and family of Montreal are visiting relatives here.

Sch. Toby, Capt. Albert Denton is taking on a cargo of canned haddies, consigned to the J. W. Windsor Co., Montreal.

Howard Frankland has purchased a new schooner, "The Shoo Fly" which he intends placing in the scallop fleet.

Mr. and Mrs. Lawrence Hersey and daughter, Mr. and Mrs. Ashton Thomas and Mrs. Minnie Lewis of Port Maitland spent a few days with Mr. and Mrs. Lee Trask last week.

Mrs. Ernest Denton and Miss Beulah Trask have returned from visiting at Port Maitland.

What might have been a serious accident occurred last week when the schooner, Toby, was docking at pier no 2, one of the passengers, Capt. Charles Frost, missed his footing and fell overboard. Only through the heroic efforts of Bernard Morehouse and Thomas Denton was he saved from a watery grave.

Miss Hazel Frankland, who spent the winter in St. Stephens has returned home for the summer months.

Miss Ruth Cheney is visiting friends in Grand Manan.

Miss Gertrude Elliott, who has been visiting her aunt, Mrs. Walker, has returned to her home at Tiverton.

Mrs. John Trask, who underwent an operation on her throat at the Digby Hospital has returned home.

The Misses Gladys Trask, Eunice Morehouse and Audrey Frost have gone to Digby where they are employed, or the summer months.

About nine o'clock on Monday evening a fire broke out in Omer Denton's smoke house and burned to the ground, which contained all his last year's herring. Only through the strenuous efforts of the citizens was the J. W. Windsor Co. factory saved. One side of Mr. Tiberts small fish house was slightly burned before the fire was under control, and only the fact that it was a perfectly calm night with a heavy fog saved the other buildings along the shore.

Mr. and Mrs. Alfred Johnson of Weymouth, with their daughters, Mrs. Arch Morse of Lynn, and Mrs. Granville and Capt. Granville of Weymouth spent Sunday with Mrs. Omer Denton.

Attends Imperial Education Conference

After carefully inspecting the school system in England and Denmark and attending the great Imperial Education Conference in London, Dr. Henry F. Munro, Superintendent of Education for Nova Scotia returned to Halifax last evening. Dr. Munro sailed from England on July 8th the day the Imperial Conference closed, and returned direct to Halifax where he will take an active part in conducting the Summer School which opened here on Monday.

Speaking to a representative of The Digby Courier, Dr. Munro stated that he had not yet had sufficient time to digest the enormous amount of information which he had gained during his trip, nor had he even had time to read over his lengthy notes.

During his visit to Denmark, the Danish Government gave him great assistance and mapped out for him an itinerary which permitted Dr. Munro to gain a thorough knowledge of the system of rural education in that country. "This system is a comparatively simple one" said the Superintendent of Education. "They teach no agricultural subjects in the elementary schools but specialize in languages, history and geography and give intensive courses in those subjects. For the agricultural subjects there are special schools."

Commenting on the educational system in England, Dr. Munro said the system is very progressive and the English are keenly alive to the importance of Education in the primary and adolescence stages.

From June 20th to July 8th there was held in Whitehall, Lon-

don, the Imperial Conference attended by more than eighty delegates representing every part of the British Empire. Dr. Merchant, Director of Education for Ontario and Dr. Munro were the two representatives from the Dominion of Canada. "The best speeches in the Empire on Educational matters were placed at our disposal" declared Dr. Munro.

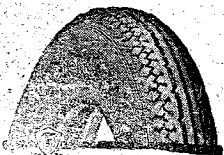

As a result of Dr. Munro's visit abroad it is expected that further improvements will be made possible through the policy of the Rhodes Government to make available an increased Budget for educational purposes.

Salts Fine for Aching Kidneys

When Back Hurts - Flush Your Kidneys as You Clean Your Bowels

Most folks forget that the kidneys, like the bowels, sometimes get sluggish and clogged and need a flushing occasionally, else we have backache and dull misery in the kidney region, severe headaches, rheumatic twinges, torpid liver, acid stomach, sleeplessness and all sorts of bladder disorders.

You simply must keep your kidneys active and clean and the moment you feel an ache or pain in the kidney region begin drinking lots of water. Also get about four ounces of Jad Salts from any good drug store here, take a tablespoonful in a glass of water before breakfast for a few days and your kidneys will then act fine. This famous salts is made from the acid of grapes and lemon juice, combined with lithia, and is intended to flush clogged kidneys and help stimulate them to activity. It also helps neutralize the acids in the urine so they no longer irritate, thus helping to relieve bladder disorders.

Jad Salts is inexpensive; makes a delightful effervescent lithia water drink which everybody should take now and then to help keep their kidneys clean. A well-known local druggist says he sells lots of Jad Salts to folks who believe in trying to correct kidney trouble while it is only trouble. By all means have your physician examine your kidneys at least twice a year.

BUNGALOW PROPERTY FOR SALE
Bungalow Property on Warwick street. Contains seven rooms and bath. Together with six building lots, 45, by 90 feet. Bungalow was built in 1923 and is modern in every particular. For inspection and full information apply to F. J. THIBAUT, Box 375, Digby. 433p**Traffic Police Rendering Information Bureau Rendering Effective Service ing Excellent Service**

With motor traffic on the highways of the Province increasing daily the Motor Cycle Officers are being kept continually on the move in an effort to protect traffic and prevent accidents throughout the Province. This year the Department of Highways of the Local Government has a force of Motor Cycle Officers operating in Nova Scotia, and officials of the Department state that there is a noticeable decrease in the number of motor accidents.

Speaking to a representative of The Digby Courier-Honourable Percy C. Black, Minister of Highways, stated that the purpose of the Motor Cycle Corps was not to obtain revenue. Instructions had been issued to the officers that their chief duty was to protect traffic, to prevent accidents and to render such service as they were able to the travelling motorist. There was an increased revenue accruing to the Motor Cycle Department for which the Motor Cycle Officers were responsible, but this increase came not through fines but through a more rigid enforcement of the law which resulted in a full registration of motor vehicles which was not the case previously.

Motor Cycle Officers are at the service of all tourists entering the Province who desire advice or assistance in regard to the roads. Many motorists rely upon the advice of the Officers as to the proper routes to be covered in reaching their destination.

Mrs. E. M. Read of Concord, New Hampshire, Mrs. C. B. Brown of New York City, Mrs. A. M. Warner, Mr. and Mrs. George Adams, of Westham, Mass., and W. S. Smith of Springfield, are guests of Miss E. A. Smith of Smith's Cottage, Plympton.

Mr. and Mrs. C. W. Warner and family of Boston are guests at the Barton House, Barton.

W. L. HOLDSWORTH

An information station designed to be of service to tourists entering Nova Scotia who desire to secure advice as to roads and the routes and the routes they should follow has been established by the Department of Highways a short distance from the New Brunswick border in Cumberland County.

This station, which is unique in that it is the first of its kind to be established in Canada has already of incalculable assistance to tourists who, after taking advantage of the courteous service and information which is thus being placed at their disposal, have commented most favourably upon the effort of the Department of Highways.

One of the most enthusiastic of these was John K. McNichol, of Toronto, President of the Liberal Conservative Association for Canada who was in Halifax last week and he said that although he had travelled in every Province of Canada and in practically every State of the United States, it had remained for him to receive the most courteous welcome in Nova Scotia that he had received in any part of North America. Mr. McNichol said that immediately upon crossing the border, Douglas S. Ormon, who is in charge of the Highways Information Bureau had greeted him in a most pleasant manner and had readily given him the information which he desired and without which it would, he said, have been much more difficult for him to make his way through Nova Scotia.

It is the first Information Bureau of its kind I have ever encountered," said Mr. McNichol, "and when I return to Ontario I am going to tell them about it as it is the most convenient thing I have ever encountered while motoring."

Hundreds of visitors to the Province stop at the Highway Department Station on entering Nova Scotia from New Brunswick and each day Mr. Ormon is able to facilitate in many ways tourists who are at this season of the pouring into our Province.

Mrs. D. Thomas of Montclair, N. J., is spending the summer at her cottage at Stonycroft, Plympton.

OBITUARY

J. HENRY HARRIS
 News reached here last week of the sudden death of Mr. J. Henry Harris of Maplewood, Mass. formerly of Bear River. He had been in failing health for two years, but the end came suddenly. He with his family removed from here several years ago to the United States where he has since resided.

He was a brother of the late Colin Harris and was well known here by many of the older residents. He is survived by his wife also one son and daughter who are left to mourn their loss.

WRIGLEY'S
 DOUBLE MINT—easy to remember—and hard to forget, once you've tried it. Keeps teeth white, breath sweet, aids appetite and digestion...

Flowers For Her Birthday

On the occasion of her 21st birthday Miss Ethel Barlow, Vicotria Bridge, entertained a large number of her friends of the Harbor View Hotel Staff at a birthday party at her home. Beautiful flowers were used to decorate the rooms, the gift of Mrs. Powers. The evening was spent with music and singing, and Miss Barlow was the recipient of many lovely gifts from her guests and also from many other friends, also being remembered by Mr. Cosaboom, Proprietor of the Harbor View Hotel and by Miss Sulis, in charge of staff. One of the most appreciated gifts was an English Tea Rose, just arrived from England, her former home. Lovely birthday refreshments were served tea being poured by Miss Comeau and a very pleasant and enjoyable time was had by all.

Normal human blood is too thick to be drawn through the mosquito's small piercing tube. In that way disease germs are set afloat in the blood stream—bacteria of burning fever and crippling disease. There is also the danger of streptococci infection (blood poisoning) from scratching the bite. Mosquitoes must be killed. Health authorities advocate Fly-Tox. Simple instructions on each bottle (blue label) for killing ALL household insects. Insect on Fly-Tox. Fly-Tox is easy to use. Safe, stainless, fragrant, sure.

WOOD'S PHOSPHORINE.
 The Great English Preparation. Cures all nervous system, new blood in old veins. Blood for mental, physical, mental and brain worry. Dependence, Loss of Energy, Palpitation of the Heart, Failing Memory. Price 25¢ per box, 50¢ for 3. Sold by all druggists, or mailed in plain package on receipt of price. New pamphlet mailed free. THE WOOD MEDICINE CO., TORONTO, ONT.

Tennis Tournament

The Bear River Tennis Club was royally entertained by the Tennis Club at Annapolis on the afternoon of Friday, July 22nd, when about thirty-five of our members motored over to play off the first of the tournament series. Very delicious refreshments were served by the ladies of the Annapolis Club. Bear River won only two of the five events.

Mr. and Mrs. Tibert and family, motored here from Fredericton and are visiting friends in town.

Mrs. J. W. Carter and children left for Saint John on Friday.

Mr. and Mrs. Samuel Stevens Jr., of Somerville, Mass., were guests at Mr. Stevens' father last week.

Miss S. M. Hennigar spent a few days at Comfort Lodge last week, the guest of Mrs. Fred Goldsmith.

WOMAN COULD HARDLY WALK

Mrs. Horn Tells how Lydia E. Pinkham's Vegetable Compound Restored Her Health

Hamilton, Ont.—"I have taken Lydia E. Pinkham's Vegetable Compound and would not be without it now. I had a female trouble so badly I could hardly walk and I was all run down and could hardly get around to do my housework. I would be in bed three or four days at a time. I was told by a friend to try your Vegetable Compound, I did, and by the time I took two bottles I was beginning to get around again. I took ten bottles in all, and now I am all right again and doing my own work. I have six grown-ups to work for, so I have plenty to do. I also used Lydia E. Pinkham's Sensitive Wash, and I think it is good. But I owe my health to the Vegetable Compound, and I think if more of it was used women would be better off. I would not be without it if it cost much more."

Mrs. NELLIE JAMISON, 826 East Canaan Street, Hamilton, Ontario.

Do you feel broken down, nervous and weak sometimes? Lydia E. Pinkham's Vegetable Compound is excellent to take at such a time. It always helps, and if taken regularly and persistently, will relieve this condition.

Scott & Bowne, Toronto, Ont.

Local and Personal

The ladies of the Bear River Baptist church will hold a Garden Party and Sale on the church grounds Thursday afternoon and evening, August 4th. Supper will be served from 5.30 to 7 p.m. Fancy articles, candy and flowers will be on sale.

Dependable Motor Boat Lubrication

THE life of an engine and the cost of its upkeep may not depend entirely upon correct lubrication, but the fact remains beyond dispute that faulty lubrication has cost boat owners more in repairs and overy-swift depreciation than any other single factor. Unless you use good oil—of the right grade—your engine cannot perform either efficiently or economically.
Make sure of the kind of lubrication that fully protects—by using Marvelube Motor Oil—of the grade suited to your particular engine. The use of this matchless motor oil makes your engine reliable, powerful and smooth-running—also saves you money in oil and fuel bills.
Marvelube Motor Oil and Premier Gasoline are the unbeatable combination for motor boats.

IMPERIAL OIL LIMITED

MOTOR OIL

OBITUARY

J. FREDERICK RICE

J. Frederick Rice, for many years a prominent citizen of Digby, died at his home on First Avenue after a long illness. Mr. Rice was born in Weymouth 58 years ago and was the eldest son of the late John C. Rice, who in 1871 moved to Digby and established the well known undertaking business, which he conducted until his death, being succeeded by the deceased, who continued the business for eighteen years or until it was sold and acquired by his nephew S. A. Keen the present proprietor. In his professional capacity, as well as in private life he was well liked and won a host of friends who will learn with regret of his passing.

He leaves to mourn their loss a widow, who was Miss Carolyn Hayward of Boston, one son, Mr. Chauncey Rice of Boston and two daughters, Mrs. William Stevens, of Freeport, N. S. and Mrs. James Brady, of Dorchester, Mass., all of whom were able to be present at the funeral, one brother Dr. J. F. Rice of Sandy Cove, two sisters, Mrs. James M. Keen, of Digby and Mrs. A. Ward Steele, of Reading, Mass.

The funeral took place on Friday afternoon with interment in Forest Hill Cemetery, Rural Dean William Driffield officiating. Much sympathy is expressed for the family.

Don't Swat Flies Prevent Them Breeding

The fly menace comes upon us every year with the certainty of death and the taxes. These filthy insects, born and reared in the foulest corruption are a prolific source of disease, notably of Typhoid. Fly-swarming is a long way from being effective means of extermination. There is only one sure remedy for the fly evil and that is absolute extermination by the use of WILSON'S FLY PADS. These pads, moistened and placed in a fly-trap form attract flies as steel is attracted by a magnet. The dead flies can then be conveniently gathered up and burned. A ten-cent packet of WILSON'S FLY PADS will destroy more flies than several dollars worth of any other fly killer.

SHERIFF'S SALE

1927 "A" No. 893
IN THE SUPREME COURT

Freeport

Mrs. Frank Goudy and daughter of Quincy, Mass., are guests of Mrs. Everett Thurber.

Mrs. Frank Prime has been spending a few days in St. John.

Mr. and Mrs. William Finigan of Lynn, are visiting friends here.

Gerald Morrell is home from New York for a month's vacation.

Mrs. Charles Munroe of Framingham, Mass., is visiting Mr. and Mrs. Seth Prime.

Mr. and Mrs. Melburne Stevens have returned to New York.

Harris Young has been spending a few days in Halifax.

Mrs. Leonard Ring and Miss Lois Ring have arrived from Taunton for a visit at their home here.

Mrs. McLean of Woodville and son are visiting Mr. and Mrs. Edwin Haines.

Frank Lent of Westville is visiting his mother, Mrs. George Lent.

Miss Pearl Haines of Boston is visiting her mother, Mrs. Charles Haines.

Mr. and Mrs. Judson Thurber and family of Prince Rupert, B.C., arrived last week for a visit with relatives and friends.

Rev. Egbert Prime of Bridge-water, Mass., is spending his vacation at his home here.

Miss Marguerite Teed of Oxford, N.S., is spending her vacation at home here.

Miss Daisy Prime has gone to Halifax to take a course at the Summer School there.

Miss Doris Powell of St. Stephen is spending two weeks with her mother, Mrs. Sommer Powell.

Miss Loidie Lent has arrived from Yarmouth to visit her parents Mr. and Mrs. F. S. Lent.

Before a capacity audience the W.M.A.S. of the Baptist church and their friends presented a four act drama, "The Pill Bottle" in the hall on Tuesday evening. The characters were well chosen and all entered into the spirit of the play. The leading part was taken by Miss Faye Haines, who as Barbara Lane, gave up a promising profession to become a medical missionary in India. Oriental costumes added much to the effectiveness of the production. There were 24 characters. Between the acts Miss Phyllis Crocker played piano solos, Miss Adelia Thurber of Prince Rupert, read; Mrs. Blackford and Mrs. Prime sang a duet, and a male quartette rendered a selection. The proceeds of \$57 will be devoted to church purposes.

Here and There

The Canadian Pacific liner "Empress of Australia," which played so active and conspicuous a part in rescue work after the Tokio earthquake, is now transferred from the Oriental to the St. Lawrence route.

The output of coal from Canadian mines during April last was 46 per cent greater than the average for April in the past five years, the figure for April last being 1,312,375 tons, as against a five-year average of 907,238 tons.

Over 30 prominent British bowlers arrived in Canada on the Canadian Pacific liner Melita coming to tour this country at the request of the Dominion Bowling Association. Test matches will be played at numerous points across the Dominion.

Extension of trade between the United Kingdom and Canada is the object of Theo. Feldon, director-general of the Empire Trade League and editor-in-chief of the Empire Mail of London, who arrived aboard the Canadian Pacific liner "Empress of Australia," recently.

Fry to the number of 185,000 have been put in the rivers west of here, with the 60,000 which Fisheries Inspector Martinus Benoit has just planted. The fry were conveyed in large cans, 5,000 to the can, travelling 140 miles with only one death. The fry are of the brown trout variety.

The Western Canada Dairy Convention which includes all dairying interests in the four Western Provinces, will be held in the Hotel Saskatchewan, Regina, from February 7th to 10th next year. This Association will be hosts to both the inter-provincial gathering and the annual meeting of a convention of the Canadian Dairy Producers.

Puddings For Dessert

There is one thing in favor of puddings for dessert that makes the dish a frequent selection, and that is that the average simple pudding can be used for the little ones as well as the adult members of the family. There are two recipes that have been found unusually delicious, and yet are simple to prepare and economical:

ORANGE BREAD PUDDING

3-4 cup Eagle Brand Condensed Milk
2 cups hot water
1 cup sifted soft bread crumbs
2 egg yolks, slightly beaten
1 tablespoon melted butter
Juice of three oranges
Grated rind of one orange
1-4 teaspoon salt
Add hot water to condensed milk, blend thoroughly, and bring to scalding point. Pour over bread crumbs; let stand until cool. Add egg yolks, salt, melted butter, orange juice and rind. Pour into a buttered pudding dish, set in a pan of hot water. Bake in a moderate oven about forty-five minutes. Cover with meringue of stiffly beaten whites and one fourth cup sugar. Brown slightly in a moderate oven. Serve cold. If desired, the whole egg may be added to pudding, the meringue omitted and the pudding served cold with cream.

TAPIOCA CREAM PUDDING

3-4 cup Eagle Brand Condensed Milk
2-1/4 cups hot water
4 tablespoons quick-cooking tapioca
1-1/2 teaspoon salt
2 eggs beaten separately
1 tablespoon melted butter
1 teaspoon vanilla or any preferred flavoring
Dilute milk with hot water, blending well. Bring to scalding point in a double boiler. Stir in tapioca and cook about one-half hour. Add butter and salt to egg yolks. Pour over them gradually the hot tapioca, stirring constantly. Return to double boiler and cook three minutes longer. Pour slowly over the beaten egg whites, folding in gently; flavor and chill. Serve plain or with cream or fresh fruit sauce.
Very cream tapioca pudding by arranging fresh or canned peaches, apricots, or sliced oranges in bottom of serving dish pouring over the chilled tapioca cream.

School Girl's Nerves

Last year's time from school with St. Vitus' Dance. Completely restored by Dr. Chase's Nerve Food.

The anxiety and strain in connection with school life and examinations are too much for many nervous girls who are naturally of a nervous temperament or have become so as a result of anemia or a run down physical condition. Nervous conditions are most difficult to overcome and there seems to be no treatment to compare with Dr. Chase's Nerve Food to restore exhausted nerves. Children's health responds quickly to this well known restorative treatment.
Mrs. George A. Moss, St. Anne, Lincoln Co., Ont., writes:—"My daughter, who was never very strong from birth, at nine years of age became all broken down, suffering from what the two doctors we consulted called 'Medicine Walk,' which was caused from over-tax at school. She seemed to show symptoms of St. Vitus' Dance and had queer spells, something like fits, at night. She was out of school for a whole year, as her nerves were so bad. Acting on a friend's advice, we gave her Nerve Food and after a few months' time she began to get a noted change in her, so we kept on with the Nerve Food until she was completely restored and for the last year she has been absolutely free of the old trouble, sleeps well and is doing fine at school. Now we are nervous without Dr. Chase's Nerve Food in our house as we owe our daughter's health to it."
New rich blood, steady nerves, new energy and new vigor come with the use of Dr. Chase's Nerve Food, 60 cts. a box, all dealers or The Dr. A. W. Chase Medicine Co., Limited, Toronto.

Humphrey, Superintendent, Framingham Hospital, Framingham, Mass. 3/1c

TUPPER—At 30 Stanton Road, Brookline, Massachusetts, July 10th, 1927, Annie Tupper, daughter of Alfred Tupper, in her 82nd year, interested at Bridgetown N.S.

MARRIED

BRUNNER-CRUSH—April 13, 1927, Married in San Rafael, Calif., in the First M. E. Church by the pastor Rev. E. J. Day, Charles Merrill Grush and Angela Ray Brunner, both of San Francisco. Mrs. Grush was formerly a resident of Brighton, daughter of the late Mr. and Mrs. G.M. Durland.

The new mammoth pier of the Canadian Pacific Railway was officially opened recently as a feature of Greater Vancouver's celebration of the Diamond Jubilee of Confederation. Numerous mayors and officials of the United States and Canadian Pacific coast, ports added an international note to the ceremony.

Raising reindeer for commercial purposes in Canada will be undertaken this year by the Dominion Reindeer Co., with headquarters at Vancouver; the company having imported some 5,000 head of reindeer from Alaska. This herd will be located on the vast grazing areas between the Athabasca and Great Slave Lakes on three million acres secured for that purpose.

H. W. Lennox, Inspector for the Dominion Forestry Branch at Indian Head, says: "The demand for trees has been insistent from all over the west. This year we have ordered 3,000,000 seedlings, against 6,000,000 in 1926." Following his tour of the west, he said: "I find generally a more settled feeling. People are planning for the future. The old days, when farming was a here today and gone tomorrow affair, have disappeared. Farmers are planting trees, and wherever a grove of trees is found, there you will find contented homes."

BARGAIN
FOR SALE—Outboard motor, Evinrude "Sport twin", vibrationless, valveless, 2-1/2 H.P. automatic Reverse, tilt-up speed to 15 miles an hour, easy starter practically new, condition A. 1. Price \$100 cash.

A Fast Train

There is a train that runs between
Montreal, Toronto and Chicago which
covers the distance in very fast time and
is among the fastest on the continent.
The "International Limited" leaves Pen-
n-venture Station, Montreal, daily at 10.
00 a.m., arriving Toronto at 5.40 the
same evening and Chicago at 7.50 the
next morning.

"The International Limited" is an all
steel car train, and carries a radio equip-
ment compartment, observation, library

This is one of the finest cars, and fastest
trains operated by the Canadian Nat-
ional Railways and the line roadbed
makes for smooth riding.

An additional fast train has been put
on the route between Montreal and Tor-
onto, "The Inter-City Limited" which
leaves Montreal daily at 12.30 p.m., ar-
riving Toronto the same evening at 8.30
and which has proved a popular innova-
tion.

For reservations, fares, etc., apply to
any Canadian National Agent or write or
telegram to F. W. Robertson, General
Passenger Agent, Montreal, N. B.

Our Summer Guests

The most surprising thing about the Courier is the number of copies
which each week go to addresses in the United States. Some of our
Summer Visitors have been subscribers to the Courier for nine or ten
years. They find that their pleasure each summer is keener because of
having kept in touch with County affairs, and often their first visit after
getting settled on arrival is to the Courier office to renew their subscrip-
tion. There is a good example. Fill in the coupon below and mail at
once. It will bring the Courier to your home address for a year, and
when you come back next summer you will enjoy yourself the greater
because of it.

DIGBY WEEKLY COURIER:

Enclosed find cheque or money order for Two
Dollars, fifty cents, being subscription fee to the Courier for one
year from 1927.

Bay View

Dr. and Mrs. Ball of Philadel-
phia arrived by motor and are
spending their annual vacation at
Mrs. James Ellis' Cottage.

J. Q. Condon of Roxbury is visit-
ing his mother, Mrs. Laleah Con-
don.

Miss Helen MacLochlin and
Mrs. L. E. Roda of Rochester, N.
Y. are guests of Mrs. M. G. Turn-
bull.

Mrs. Emma Handsaker of St.
George, N. B. is the guest of Mrs.
Eliza Adams.

Dr. and Mrs. Cook and daugh-
ter Alice arrived from Philadel-
phia on Thursday and are enjoy-
ing their stay at Hartland.

Harte Hayden and party enjoyed
a trip to Halifax by motor recently.

The Misses Davis and Hardie of
Montclair, N. J. are at Hartland
Farm. Also Mr. and Mrs. Taylor
and nephew of Pennsylvania.

A Beach party was enjoyed by
some of the young people on Mon-
day evening.

Plympton

Mrs. Nellie Warner, who has been visit-
ing in the United States has returned
home accompanied by her son and daugh-
ter.

Mrs. Alex Wahl and children of New
York are spending the summer with her
parents, Mr. and Mrs. Adolbert Trefry.

ored through from Washington, D.C. are
spending the summer with her parents,
Captain and Mrs. A. W. Warner.

Mrs. B. Spivney and child of Saint
John are visiting her parents, Captain
and Mrs. Boyd Powell.

Rev. Alfred Gardin and son are spend-
ing the summer here.

Keith Potter has returned from his
training camp at Petawawa, Ont.

The Canadian Rockies

In the heart of Jasper National
Park, in the Canadian Rockies,
Canada's largest National play
ground, is situated Jasper Park
Lodge, the world famous moun-
tain resort, owned and operated by
the Canadian National Railways.
Located in this park are some of
the mightiest peaks in the Cana-
dian Rockies, the monarch of them
all, Mount Robson being some
12,992 feet in height. Mount
Edith Cavell, with its 11,033 feet,
named in honor of the British Red
Cross Nurse, a martyr of the late
war, is also numbered among the
giants of the Park. There are
lakes of crystal hue and mirror like
surface, which reflect within their
depths the majestic snow-clad
mountain peaks that rise up on all
sides. For the golfing enthusiast
there is a world renowned golf
course and a game played on its
links beneath the shadow of tower-
ing peaks is an experience not
soon forgotten. Among the famous
glaciers is the "Glacier of the
Angel" on Mount Edith Cavell.

The Lodge consists of rustic log
cabins or bungalows, with a main
building where is enjoyed dancing
and which is the centre of social
life.

A descriptive booklet of the vari-
ous attractions of the Park and
outlining the features connected
with a holiday spent there may be
obtained on application from any
Canadian National Agent, or by
writing the General Passenger De-
partment at Moncton, N. B.

DEVELOPMENT OF TIDSVILLE CLAY AREAS PROMISED BY DIATOM COMPANY

**A Million Tons of Diatomaceous Earth
for Manufacture of Clay Products is
Plotted on Wightman Properties**

**President of Company Says
Mines Act Changes Made
Development Possible**

The establishment and develop-
ment of a great industry in connec-
tion with the large deposit of diatoma-
ceous earth at Tiddville, Digby
Neck, is assured. The Nova
Diatom Products Company Limited
will commence operations im-
mediately and extension work will
be pushed rapidly forward.

This is the information secured
last evening from Reg Burroughs,
President of the Operating Com-
pany. This deposit of Diatomace-
ous earth is the only large deposit
on the Atlantic Seaboard and is
now estimated to consist of over
one million tons. At the present
time the Canadian and United
States supply of this earth comes
from California and thousands of
tons are used each year for firebrick,
insulators and high grade cement.
With the development of the deposit
in Nova Scotia practically all of the
Canadian market as well as a large
portion of the Eastern United
States market will be supplied from
the Nova Scotia industry.

"This entire development has
been made possible through the
amendments to the mines act pas-
sed at the large session of the Pro-
vincial Legislature. Had it not
been for these amendments and the
active cooperation of the minister
of mines this development would
not have been possible, as it is the
possibilities are enormous," declared
Mr. Burroughs speaking to a
press representative at Halifax
Wednesday evening, and he went
on to tell of the great deal of pro-
specting and preparatory work which
had been done before the present
large scale development was decid-
ed upon. "The policy of the local
government to require active de-
velopment of mining areas has at
least resulted in this development,"
concluded Mr. Burroughs.

The valuable deposit is under the
property of G. W. Wightman at
Tiddville. One field of the deposit
has been thoroughly surveyed and
it is estimated that in that field
alone there is 300,000 tons of earth.
The several fields which have been
tested indicate that the deposit is
enormous. In some instances a
test hole has been put down as far
as 32 feet and the bottom of the
deposit has not been reached. It is
stated that an estimate of 1,000,000
tons of earth is assured. The qual-
ity of the earth has been reported
upon by expert mining engineers
brought here by the department of
mines and by Mr. Burroughs and
their reports show that the earth is
of splendid commercial value.
Many of the smaller deposits in
Nova Scotia, it is stated, contain
grit, sand and other foreign matter,
but in the case of the Digby work-
ings the deposit is remarkably free
from foreign matter which increases
its commercial value to a very
great extent. The only treatment
which the earth requires, Mr. Bur-
roughs stated Wednesday night is
to be piled up to dry and then
burned and it is then ready for
shipment.

The president of the company
declared that since the Nova Scotia

deposit, with the exception of Cali-
fornia, is the only large deposit in
America the market for the earth
is very extensive. At the present
time the Canadian and United
States supply was being provided
from California. To New York the
freight from California per ton was
\$12 while the freight from Nova
Scotia to New York market was
only \$6 per ton and there was no
duty to consider. The Canadian
market, he added, should be secur-
ed even more readily. The in-
creasing use of diatomaceous earth
for firebrick and insulators made it
in great demand. There was also,
Mr. Burroughs said, an increasing
use of the product being used in
the making of high grade cement as
it made the cement stronger and
waterproof.

"California is our only competi-
tor, and we have a valuable product
and a ready market," declared Mr.
Burroughs.

Receipts of United Church Garden Party Last Thurs- day Nearly Three Hun- dred Dollars

The receipts of the United
Church Garden Party, held on the
church grounds Prince William
Street, on Thursday afternoon last,
totalled \$275.00. This, considering
the weather that has been prevail-
ing this summer, was excellent,
and about as much as last year.
The committee of ladies who had
the affair in charge, worked well to
prepare for the event and during
the afternoon received many compli-
ments and more pleasing still, good
customers, at the various booths. A
novelty at the fancy work booth
was an array of handkerchief cases,
made in miniature of a ladies shirt
waist, the neck being the opening,
and in many colored designs, these
attracting a lot of customers. The
tea tables, also, carried many
things to please the eye and the
palate and the ladies serving were
more than a little busy during the
tea hour.

Rev. F. E. Barrett, of Windsor, will
conduct the services at the United church
on Sunday, at both morning and evening
worship.

CATE of RE-VACCINATION be-
fore being admitted to school.
Dated at Digby this
3rd day of
August 1927

Alfred Boden
Town Clerk

Local and Personal

Mrs. A. P. Lewis and children who have
been visiting Capt. and Mrs. C. F. Lewis
have returned to Bridgetown.

Irvin A. Beaton, of Brighton, Mass.,
accompanied by Miss Mildred Browne
spent Tuesday in town guests of his aunt,
Miss Elsie Adams.

Harry Brooks, of Boston, was in town
Friday with a party of tourists having
lunch at the Pines, leaving in the after-
noon for Yarmouth.

Miss Carolyn Curtis, of Boston, arrived
Monday to visit her mother Mrs. D.
Curtis of Deep Brook.

Miss Mary E. Beaton accompanied by
Misses Estelle Comeau, Rosalie Comeau
and Mildred Brown, of Boston, were in
town Friday calling on friends and rela-
tives.

Mrs. Veniot, of Lawrenceville, who
has been visiting her daughter, Mrs. D.J.
Hewitt has returned home.

Mr. and Mrs. V. T. McIntosh of Truro
accompanied by Walter Reading, were
visitors in Digby over the week end.
Returning to Truro they were accompa-
nied by Mrs. Reading and Miss Musgrove,
who had been here for a weeks vacation.

Rt. Rev. John Richardson, Lord Bishop
of Fredericton, will be the preacher at
Evangelical at Trinity Church on Sunday
August 7th.

Mr. and Mrs. L. B. Small and two chil-
dren, of Truro, motored to Bridgetown
for the week end accompanied by Mrs.
Small's mother, Mrs. Leonard Ring, and
sister, Lois N. Ring, R.N., of Cambridge,
Mass.

Mr. and Mrs. Douglas VanTassel and
their two sons, Robert and Donald, of
Montreal arrived on Monday and are
spending a fortnight with Mr. VanTas-
sel's parents, Mr. and Mrs. Stephen Van-
Tassel, Carleton Street. Mr. VanTassel
"learned the case" in the Courier Office
and is now a member of the newsroom
staff of the Montreal Herald. The eldest
boy, Robert, has been under treatment at
the Montreal General Hospital for an in-
fection of the ear and is now recovering.

Music Lovers of Digby have a treat in
store on Monday, August 15th when the
Ladies Male Quartette, of Boston, famed
for their ability, will include Digby in
their tour of the province. The Quar-
tette has been attending the Camp Meet-
ings at Berwick and will sing at Digby
United church a week from Monday.
Visitors to Boston who have attended
church service at Tremont Temple may
remember this fine musical organization.

Major Denton returned on Saturday
from Springhill where he and his partner
have the contract for the reconstruction
of the new Miner's Hall for the local union
of the U.M.W. The foundation of the
building is ready and the main walls
erected. Construction will be of inter-
locking the walls with Blunstone facing brick
front, both Nova Scotia materials.

Captain Roland Wornell is fitting up a
new boat for the scallop fleet. The Gonac
was built by Jules Robichaud of Meteg-
han and the engine was being installed
yesterday. Fifty five feet long and 13
feet beam and drawing 5 feet of water,
the Gonac will be one of the finest boats
of the fleet.

Mrs. C. F. Lewis of Saint John is vis-
iting her parents, Mr. and Mrs. George H.
Holdsworth.

Miss Edna Holdsworth of Franklin
Park, Mass., is visiting her grandparents
Mr. and Mrs. George Holdsworth.

Don't forget Baptist Garden Party on
church grounds Tuesday, Aug. 9th. At-
tractions: Fancy work, Home cooking,
Dainty home made candies, Ice cream,
Grubs, Pines Orchestra and Supper serv-
ed from 5.30 to 7.

Chester McMahon, of Springfield, Mass.
arrived on Tuesday to spend a fortnight
with Mr. and Mrs. Wm. McMahon, Queen
street. Mr. McMahon is ware-
house foreman of the Atlantic and Pacific
Import and Export Company, having
been transferred recently from Sum-
merville to take charge of the new branch.

Rev. E. W. Forbes of Sydney will ar-
rive next week, the induction service tak-
ing place on Thursday, Aug. 11th, at 8 p.m.
at Grace United church. Revs. A. B.
Higgins, N. H. Watts, P. A. Walker, are
expected to be present.

Board of Trade Meeting Ar- ranges For Welcome of Cruising Club

A special meeting of Digby Board
of Trade was held in the Council
Chambers on Monday night to
receive a letter from the Cruising
Club of America, and arrange for
the welcome of the club on its
arrival in Digby on August 21st.
Details of the number of vessels
and the probable number of visitors
were not complete in the letter
received.

A committee comprising Mayor
Lynch, H. B. Short, M. P., Dr.
DuVernet and Mr. Power was

appointed to arrange for the wel-
come of the fleet.

The Board was advised that the
Maritime Rowing Championships
would be held in Halifax this year.
Letters of invitations to the Row-
ing Association from the Board had
apparently gone astray and the
arrangements were completed in
favor of Halifax. On motion the
Secretary was instructed to write
the secretaries of both the New
Brunswick and Nova Scotia Row-
ing Association inviting them to
hold the Championship events in
Digby in 1928. This invitation
will be dealt with at the annual
meeting of the Association to be
held in Halifax at the time of the
races this fall.

Westport

Mrs. Randolph Gower and family have gone to Port Maitland for a few weeks.

Mr. and Mrs. Lloyd Russell of St. Stephen, N. B. spent the week end with Mrs. Holland Titus.

Mr. and Mrs. L. V. Bailey are visiting friends for a few days in Yarmouth.

Mr. and Mrs. W. B. Bailey and son are spending a few weeks with Mr. and Mrs. A. R. Bailey.

Mrs. E. C. Bowers is visiting friends in Yarmouth.

Mrs. Hattie Glavin and daughter, Winnie who have been at Halifax the past year is spending a few days with her son, Harley Glavin.

Mr. and Mrs. David Welch of Barton, called on friends here recently.

Mr. and Mrs. F. Morrell and son Stanley spent the day with Mrs. Howard Welch.

The Four Best Makes of Films

Applying the knowledge gained in years of professional photography Mr. Paul Yates has selected four makes of films for the amateur cameramen's use. The Eastman, Imperial, Agfa and Gevat are conceded by all users to be the best films made, and Mr. Yates recommends all of them as having particular qualities for amateur's use. The stocking of films is a new branch of Mr. Yates' business and was only decided upon after each of the brands selected had been submitted to severe trials. During the summer months the Dark Room at the Little Art Gallery closes at five o'clock, and films received before that time will be ready for delivery within twenty-four hours.

GEORGE HADDEN POTTER

The death occurred at Marshalls town, N. S. on July 30th of George Hadden Potter, formerly of Bear River. Mr. Potter was born in Plympton and spent the early years of his life there. He was seventy-six years of age. He leaves to mourn their loss, a wife, one son Harold, of Bear River, a daughter, Mrs. Florence G. Morton of Holdbrook, Mass., and five grandchildren; also one brother Joseph, of Plympton and one sister, Mrs. Frances Burton, of Yarmouth, N. S.

The funeral service was held at the Plympton Baptist church with interment in Barton Cemetery. The services were conducted by the Pastor, G. N. Hamilton and were largely attended.

CARD OF THANKS

On behalf of myself and little daughter, I wish to thank the many friends and neighbors, who so kindly sent floral tributes, loaned their cars, and in many other ways strived to ease our sorrow, during the sad time of bereavement we have just had to pass through. B. E. Denton, Westport, N. S.

Gum-Dipping A Firestone Contribution to Economical Travel

The greatest enemy to tire life is not the chopped-up road, the broken pavement or the harsh grind of rough city streets—but heat, which is created by internal friction. Heat not only weakens the fabric, but also softens the rubber and causes blowouts and tire failures.

Firestone chemists and engineers knew that if they could find a way to eliminate this destructive heat and internal friction, the mileage-giving qualities of tires would be greatly increased. Such a method was found and called "Gum-Dipping."

The Gum-Dipping process is one of Firestone's contributions to economical travel—in insulating and impregnating every fiber of every cord with rubber, reducing internal friction and at the same time binding the cords together by a stronger union of rubber, thus giving greater strength and flexibility to the tire.

Firestone dealers everywhere—familiar with Gum-Dipping and its advantages—will gladly explain how thousands of extra miles are built into Firestone tires by this exclusive method. Take advantage of the Gum-Dipping process to lower your tire costs this year.

NASH
Leads the World in Motor Car Value

"Come drive" week

**An invitation
to drive the easiest riding
cars you ever traveled in**

The Three New Series of Nash motor cars, introduced thirty days ago, have won quick recognition of their worth.

It is their beauty, speed, lowered lines, attractive colors and, above all, their phenomenal new performance which have given so much added impetus to Nash sales. (July 58% greater than any July in Nash history; and production now reaching the unprecedented total of 700 to 800 cars daily.)

Praise for these finer, faster models of Nash is heard everywhere.

Those who have driven them will tell you that supreme riding luxury is accomplished by the new Nash super-springs of secret-process alloy-steel.

They will tell you the engines in these new cars are smoother and quieter than ever.

And they will also tell you that these are the easiest steering cars on earth!

It is the greatest motor car contrast in the world today to step out of your car, and then drive one of these great new models of Nash.

We want you to know that contrast. This is Nash "Come Drive" Week. Courtesy cars are waiting at our showroom for you to try.

All you need to do is step into the car, sit down behind its wheel, and drive it. No sales pressure. No obligation. Don't buy any car today, until you have driven a Nash!

The hostesses for the Benefit Afternoon Tea and Fanny Sale to-morrow afternoon will be Mrs. Woodford Connell and Miss Louise Daley. The proceeds from last Saturday's Tea and Sale were \$36.

Obituary

NELLIE GAUDET

The death of Nellie, second daughter of Mr. and Mrs. William Gaudet, occurred on Saturday evening at the home of her parents, New Tusket, following a two weeks illness of tubercular meningitis, the day being her 18th birthday.

The funeral was held at St. John the Baptist R.C. church, Corberrie, on Tuesday with Rev. P. C. Thibault officiating at the Requiem Mass and services at the grave.

Besides her sorrowing parents she leaves two brothers, Willie and Louis and three sisters, Gracie, Rita and Elsie all at home and a host of friends to mourn her loss.

Mrs. Benjamin Akora and Mrs. Byron Harris were the guests on Wednesday of Mr. and Mrs. Noble Sanford, and Mr. and Charles Douglas, Bear River.

Herbert E. Lombard, of Worcester, Mass., is spending the summer in Digby, a guest at the Bay of Fundy House, Bay View. A member of the American Antiquarian Society, Mr. Lombard is naturally interested in the land marks and matters of historic interest.

Mrs. Wm. Burnes and Mrs. Ingram Saunders, of Sandy Cove, were visitors in Digby on Wednesday, coming to meet Mrs. Saunders daughter, W.B. Morris, of Vancouver, and her daughter Margaret who arrived on the Empress to spend their vacation here.

Miss Rachel Marshall returned home on Wednesday from Boston, where she last week accompanied a patient to the Charles Gates Hospital.

Edward Dunn, who has been visiting relatives and friends in Bear River, turned this week to his home in Charles River Mass.

Mr. and Mrs. George Rice of Arlington Mass. are spending two weeks at Comfort Lodge.

Mr. and Mrs. Sydney Northcott, of Mrs. George Rice and Mrs. H. H. Goldsmith motored to Sandy Cove on Wednesday.

1926 Model Ford Touring Car in good shape, good tires and paint. Call any time at Barton. Geo. Lewis. Aug 1st '27

SULPHUR CLEARS A PIMPLY SKIN

Apply Sulphur as Told When Your Skin Breaks Out

Any breaking out of the skin on face, neck, arms or body is overcome quickly by applying Mentho-Sulphur. The pimples seem to dry right up and go away, declares a noted skin specialist. Nothing has ever been found to take the place of sulphur as a simple remover. It is harmless and inexpensive. Just ask any druggist for a small jar of Bowles Mentho-Sulphur and use it like cold cream.

A Word About the Birthday Circulation Contest

An entry for the Courier's Birthday Circulation Contest received this week says: "I will be all ready to start when the receipt book comes, and I am going to try to win the Grand Prize." That is the spirit. Being ready! Don't wait until the opening day, but get busy now. The contest will not be open long, perhaps not long enough to let you cover all the ground in your territory, so get a head start now. Write your nomination in the contest, and see your friends. The Courier is a newspaper that is worth the money. In its six pages each week is crowded all the news of its constituency that it will hold. There is no "filling" but every line is real news of people and events and places in Digby and Western Annapolis or of people from this part of the county.

For two dollars, less than four cents a week, the Courier will come to any address in Canada as a weekly news letter from home and the one who sends it as a gift to a friend in another part of the country will be doing a favor that will be appreciated.

The Contest Announcement will appear in the second section of the Anniversary Edition, appearing next week. It will contain all particulars of qualifications, conditions under which the contest is to be conducted and valuable hints to contestants. Be sure you get your copy. And then pass it along to a friend who is not now a subscriber.

The Motto of the Contest is: "Make Every Moment Count."

Staff Dance at The Pines A Pleasant Function

Through the courtesy of the management of the Pines and the Pines Orchestra members of the Pines staff were guests at the Casino on Tuesday evening. They, with their friends seemed to enjoy the evening most thoroughly and each of the sixteen numbers on the programme were given fantastic titles, adding novelty to the affair. Premier Waltz, Frank's Fracas, Murray's Massacre, Grace's Gambol, Hilda's Hug, Walter's Walk, Famous Feet, Helen's Hault, Andy's Amble, Soupee Walte, Rod's Ramble, Addies Antics, Nick's Necking, Ruby's Rushing, Prance a la Pines, Dermiere.

Visiting From New York

Mrs. Clara E. Walsh of New York, accompanied by her son and Mr. Edward Bucher, also of New York, where he has been in business on Market street for 48 years, have been on a visit to Mrs. Walsh's former home in Digby county. They will return to the United States by way of Upper Canada, starting back next week and will be accompanied by Mrs. Walsh's mother, Mrs. Eliza McCormick of New Edinburgh and Mrs. John Barr with her three daughters.

Summer visitors in Digby county, folks who come for a summer vacation, are such an old story that there is nothing surprising in it but when a New Englander comes down to open up a business it is a time to sit up and take notice! At Smith's Cove station this summer Miss Gertrude Toomey of Hartford, Conn. has opened up a new business catering to the tourist trade. The Mountain Gap Gift Shop specializes in Bluebonnet Novelties. There are Home Hooked Rugs from the looms of the most famous mat makers in Cape Breton and Prince Edward Island, Canadian All Wool Blankets and sweaters, souveners, Irish Linens, in fact everything that will delight the summer visitor. A visit to the Mountain Gap Gift Shop, either to "look see" or to purchase, will give you an entertaining hour, and while you are there visit the Ice Cream Parlor, with its magnificent view of Digby Gut. The trip from Digby may be made by motor boat or automobile by calling phone 118-4. Charge for round trip, including dinner at the Mountain Gap Inn, \$1.50 per passenger.

Miss J. M. Lettany, R.N., operating supervisor at St. Luke's Hospital, New Bedford, Mass. is visiting her parents, Mr. and Mrs. George Lettany.

DIGBY, NOVA SCOTIA, FRIDAY AUGUST 12, 1927

First Section

Vol. LIV Number 1

Celebrating the Weekly Courier's Fifty Fourth Birth Day

Tourist Business is Worth

\$300,000 to Digby County

Wages, Supplies and Purchases of Visitors Aggregate an Immense Sum. Organized Advertising Campaign Needed

Only in recent years has the attention of the hotel and transportation interests of the Province of Nova Scotia been given to the wonderful opportunities of climate, scenery and attractions to summer vacationists. Digby, Florida, Ontario, Quebec, the West, and every place on earth to Nova Scotia, have been allowed to set up as the ideal vacation lands, and it was only after the pioneer tourists, all unbitten and almost unbroken, had forced the people of Nova Scotia to pay some attention to their wants that the possibilities of pleasant profit were recognized in this province. The first American summer visitors came to Nova Scotia because of friendships made, with blueprints living in the United States and year after year in increasing numbers created a demand for hotels and catering that has grown to be one of the most important commercial possibilities of the whole round of industrial and commercial activity in the province. To such men as W. S. Troop, of the Manhattan Hotel, E. A. Thornton, of the Mountain Gap Inn, W. C. Mills, of Kedgema, George, William Cossaboom, of Harbor View, Smith's Cove, The Directors, of the Sea Breeze, Deep Brook; E. B. Cossaboom, of Fair View, A. T. Spurr, of the Myrtle House, the late Aubrey Brown of Lour Lodge as well as the present proprietor, Carl Eldridge, Digby, owes much of the progress that has been made. These starting from small beginnings have developed their equipment until it caters fairly to the needs and fancies of their guests and as the demand increases may be looked for that the present facilities of their houses will be increased and improved.

The first hotel which put forth effort to cater to tourist trade was the Waverly, then operated by Mrs. H. Short. At about the same time Mrs. DeBainhard, a sister of Mrs. Turnbull, opened a summer cottage for tourists on Mount Street with such success that she built and opened the first Lour Lodge. When the Lour Lodge opened W. S. Troop was operating the Myrtle House and after two seasons there he bought a block of land facing the water front, where the pavilion is, and built the Manhattan Hotel. Mr. Aubrey Brown succeeded Mr. Troop as manager of the Myrtle House and he also operated Lour Lodge, under rental for the first season and afterwards on his own account.

In 1912 Mr. Brown and Mr. Mills of Kedgema engaged Mr. Paul Yates as personal representative of their hotels. His duty was to follow up the booklet advertising done by his principals and in the course of his engagement he visited every important tourist agency from Boston to Philadelphia. This practice was kept up for two years, when the outbreak of war put a temporary stop to all expansion.

The present Pines Hotel was erected by Mr. Harry Churchill who did a really wonderful business. Failure brought the hotel into the hands of creditors and in 1918 the property was acquired by the Dominion Atlantic Railway. This marked the real beginning of the tourist development in the Annapolis Valley. "The Land of Evangeline Route" was featured in every nook and corner of the New England States and further afield, Mr. O. C. Jones, in March of 1918 took charge of the reconstruction of the hotel and on June 28th it opened under his management. Each year has seen increase in the business and this experience is typical of all the hotels. The Pines, backed up by the present view, the organization of the Dominion Atlantic Railway system, linked as it is with the Eastern Steamship lines, has drawn business from almost every State of the Union. Three seasons ago, even before the automobile became an important factor in tourist traffic, the Pines had guests from every province in Canada, from London, England, Georgia, Montana, New Jersey, New York, Maryland, Rhode Island, Missouri, Indiana, Pennsylvania, Massachusetts, Maine; Vermont, Ohio, South Carolina, North Carolina, Virginia, Illinois, California, Michigan, Florida, Nebraska, Washington, and from Panama. This season, as anyone who takes note of the automobile license plates will see people have come from all those points and from many others, until the height of the season sees represented almost, if not every state and province north of Mexico. In spite of backward weather at the opening of the season the tourist traffic this summer has been greater than for any July since the Pines opened. The hotel and cottages are full and booked through to September, and many who arrive

Fifty Three Years Service

No better and more precise review of the usefulness and value of a newspaper to a community can be given than that expressed to readers of the Yarmouth Herald by the late Alexander Lawson, in the first issue of the Herald on August 9, 1833. Mr. Lawson, who ranked among the fathers of Journalism in Nova Scotia, said among other things:

"Newspapers have now become an appendage of civilization and abound in every enlightened country. They always increase with the intelligence of the people, and whenever they have been once fully established they are never abandoned. It would be difficult to enumerate the many advantages they confer in society; they scatter irresistibly the seeds of knowledge and freedom, and multiply the subjects of social conversation, so that they have become a necessary element of social life. Our claim, then, for public patronage, we shall now rest on the general utility of the undertaking—on our industry and impartial fidelity as public journalists."

Founded in August 1874 the Digby Weekly Courier has in some measure fulfilled the ideal of journalism as set forth by that famous journalist, the late Alexander Lawson. Its founders were imbued by the same motives of local patriotism and good will and from its inception the Courier has held close to the best in editorial practice and principles.

The first proprietor was the late R. S. McCormick who also acquired the Bridgetown Monitor. After a number of years of publication under private ownership the paper was organized into a limited stock company, The Courier Printing & Publishing Company Limited. In 1911 the Digby Printing and Publishing Company Ltd., was formed as publishers. Mr. Clarence Jameson, then Member of Parliament for Digby, was the first President of this Company and now occupies that position.

The first Editor and Manager under the present publishers was the late O. S. Dunham. Mr. George Chisholm, now mechanical superintendent of the Kentville Advertiser was his successor. Mr. Chisholm was followed by Mr. J. J. Wallis, in December, 1918, and he managed the paper for five years, until 1923. During Mr. Wallis' term as Editor and Manager

the premises of the newspaper were enlarged and changes made in the mechanical lay out of the plant. During these years and under Mr. Dunham's management the Courier operated an extensive job department, turning out work of a high order and attaining fame throughout all Eastern Canada.

In 1923 Mr. Edmund Stratton, then with the Portland N. B. Observer, was engaged as Editor and in September of 1926 he terminated his engagement to assume the editorship of the Northport, Long Island, Observer. He was succeeded by the present Managing Editor.

During its 53 years of publication the Courier has met with varying success. Too great devotion to the interests of the constituency which it served was responsible in some part for its not having been a great money maker.

During the last year the advertisers in the Courier have extended to the present management a generous patronage. The Courier has not always during that time kept up, altogether, the standard as a newspaper set by its founders and continued by its several editors up to September of last year. The need was for increased advertising patronage if the Courier was to continue and in this Anniversary Number the Editor desires to personally thank all who have contributed to its success and who have also been more than sympathetic with its short comings.

The two correspondents of the Courier have had a large part in building up the enviable position which the Courier holds among the newspapers of Eastern Canada. It has perhaps, the best Country news section of any local weekly in the province, and it is this feature, fostered by every manager since the first it was published that has built up the Courier's subscription list.

Completion by the Courier of fifty three years of publication is not looked upon by the Managing Editor or his principals as the completion of its term of service to its constituency, but rather as a base upon which to build a better service, and even more successful term of duty in the promotion of the progress and interests of Digby and Western Nova Scotia. Volume LIV, No. 1, is the Commemorative.

CLARENCE JAMESON
President of the Courier

Congratulations To The Yarmouth Herald

On this anniversary of the founding of the Digby Weekly Courier it is a pleasant duty to extend congratulations and best wishes to the Yarmouth Herald, which on August 9th completed its ninety-fourth year of public service. Founded by the late Alexander Lawson the Herald has kept place with and in a large degree assisted in the development of the town and county of Yarmouth, and it is a matter of general satisfaction that the newspaper has descended from the Lawson of one generation to the Lawson of the next, and under the management of each has continued in growth and prosperity.

The Editor's Thanks

This issue of the Anniversary Number of the Digby Weekly Courier would be incomplete without acknowledging the assistance given by many in the preparation of copy for the occasion. To Mr. Potter, of Weymouth, to Mr. J. J. Wallis, former Manager and Editor, to the Hants Journal and the Yarmouth Herald to many others the Editor desires to express sincere thanks.

Guests at Tea

Mr. and Mrs. William E. Cummings, of Lawrence, Mass., Mr. and Mrs. Burpee, Marshall, of Framingham, were guests at the tea hour on Tuesday of Mrs. Joseph H. Sabean, Dearfield Corner, Yarmouth.

Visiting In Digby

Mrs. Ernest Denton of Little River was a visitor in Digby on Wednesday and called at the Couriers Office to congratulate us on the completion of over half a century of publication. Mrs. Denton has been a subscriber of the Courier for many years and finds each number interesting.

WANTED: A kind, room girl, apply Waverly Hotel.

FOR SALE: A lot of white faced stars and bellies, 2 years old for sale. Apply to Freeman McAlpine, Sea Brook, Digby Co.

LOST: On August 7th, a pair of dark, framed ladies glasses, finder kindly return to Miss Margaret Stewart.

H.M.S. "Heliopole" at Bar Harbor, 1st August 1927.

Dear Mr. Lynch:

On behalf of the Officers and Ship's Company of H.M.S. "Heliopole" and myself I write to thank you and the other residents of Digby for the kind hospitality shown us during our recent visit, especially giving the Officers the privilege of the Golf Club, the cricket team, the most enjoyable trip to Bear River and Annapolis Royal, and the free entertainment provided at the Ocean Gardens.

We all much appreciate your kindness and hope to have the pleasure of visiting Digby again.

Yours sincerely,
A. B. Baker
Commander R. N.

His Worship the Mayor,

Donations Sought for Delicatessen Booth at Hospital Fair

As the great event of the season, the Hospital Fair, again rolls around and I have been asked to assist Mrs. David Ellis at the Delicatessen Booth, I take this opportunity of asking all friends of the town and county to send contributions for this booth, of any kind, fowls, cake, jellies, etc., money, all is acceptable. Please mark plainly and send to the rink on Wednesday, August 17th. I feel quite sure that all the kind donors of last year will not fail us. Now that the splendid work done by the Hospital is fully known throughout the county, and the help given the suffering through its ministrations is so well known, people will feel it a privilege to help every booth in the Fair—M. Merkel, Convenor.

Thomas J. Bell, who has been visiting his brothers, Robert A. and Joseph W. Bell of Hill Grove and Harry W. Bell of Bear River, has returned to his home in Roxbury, Mass.

Reserve Tuesday evening for the weekly dance at the Ocean Gardens Casino. Fine music, good company and the best dancing floor in Western Nova Scotia.

Rev. Wm. O'Brien, of Lynn, Mass., will preach at the evening service at Grace United Church, Digby. Mr. O'Brien has the distinction of being the pastor of the oldest Congregational Church in the United States. The new pastor of Grace Church, Rev. E. W. Forbes, will preach at the morning service and in the afternoon will hold service at Smith's Cove.

E. Hart Nichols, of Halifax, is visiting friends at Digby.

Digby Hospital Fair

Conveners of the various booths connected with the hospital fair will greatly appreciate donations towards their booths and will call for same if notified on or before the 17th.

CHILDRENS DRESSES AT WRIGHT'S.

without reservations are recommended to try one of the other hotels in the town or nearby surrounding district. Typical of the service given by the Pines was the handling of 190 members of a conducted tour of the Pennsylvania Lumbermen's Association, here a few weeks ago. Of these a part were quartered at Lour Lodge and part at the Manhattan and the service at all three was all that could be desired. So good indeed that twenty of the party have made definite plans to return to Digby for a longer stay next season.

This short review of the part played by the hotels in attracting visitors will illustrate clearly the importance the tourist business is to the town and county. Because of the advertising of the bigger hotels the task of the smaller ones and boarding houses is made easier, and every house, or farm or cottage, which caters to tourist traffic of any description is doing its part in the upbuilding of a business of steadily increasing importance.

But there is another side to the question, one of actual dollars and cents value which these summer hotels are. The Lour Lodge, the Fairview, the Myrtle House, the Manhattan, the Pines, the Waverly, the Winchester, the Harbor View, the Mountain Gap Inn, the Sea Breeze, and all the little cottages and summer boarding houses have a combined payroll for wages and supplies brought in Digby County of more than one hundred thousand dollars a season. They give employment to several hundred people and are by way of becoming the

Sea Gull Cabin, Smith's Cove, N.S. July 3rd 1927

My Dear Mr. Lynch:—

Permit me to express to you my profound appreciation of the really fine and artistic Parade your progressive town gave on Jubilee Day. The whole thing was absolutely perfect, and showed good taste, originality in portrayal of history and quaint humour. The marching of the school children was unusually good, and the music excellent.

I congratulate you and your able Committee upon this achievement, and thank you personally for a very happy morning, my one regret being that I was unable to remain for the sports.

Believe me,
sincerely yours,

South End, Digby

The Jack & Cardoza Jam Factory Gains Place in Maritime Industries

Silver Tide Jams and Jellies are Product of First Maritime Plant--Lack of Support by Growers Halts Canning Extension

Manufacturing "Silver Tide" jams, jellies and pie fillings the jam factory of Messrs Jack & Cardoza, located at Digby South End, is becoming one of the important industries of Western Nova Scotia. In May, 1923, the operators, men of experience and practical training in several of the largest jam and canning factories of Ontario, came to Digby and opened up the first jam factory plant in the Maritime Provinces. They were attracted to Digby by its excellent location on the edge of the fruit growing district and by its convenience for shipment of the finished product to all parts of the Maritime, by rail east and west and by water to New Brunswick points. The selection was made after investigation of several places in the Valley and it was partly because of the interest taken by the secretary of Digby Board of Trade, Mr. Frank Nichols, in obtaining information in response to inquiries made by Mr. Jack from Ontario that Digby was chosen as the site of the first jam factory. The reason of its opening is of interest. Working in jam factories in Ontario the present operators of the Silver Tide Jam Factory learned that a large part of the output of Ontario came East. Since that was so, perhaps the provinces could grow berries and small fruits suitable for the making of jams and canned fruits, so they came to study conditions. They found that Nova Scotia small fruits were excellent for their purposes. They made better jams, held their shape and color and retained a fuller and fresher flavor than the berries ripened under the hotter suns of Ontario and so they started.

Success followed from the start. In the first season the output reached a satisfactory volume and the sale of their product to retailers, wholesale houses and candy manufacturers gave promise of a steadily increasing business. The growth of the business has been steady and the present output of the factory is upwards of 1500 tons a day, and is limited only by the amount of fresh fruits available. One drawback to the development of the factory has been the lack of interest shown by local growers. Not one season since the factory opened has it been possible to obtain needed supplies locally. Some years they had to be brought from Ontario, always the buyer had to visit the growers in Eastern Nova Scotia and in New Brunswick. Though local conditions are ideal for the growing of all the small fruits the factory could use it has been difficult to make the growers see the value of a factory to

take care of surplus stocks, and impossible to make arrangements similar to the practice in Ontario and in Michigan the two great jam and canning districts, where the fresh fruits and vegetables for the factories are contracted for before the seed is put into the ground.

Early this spring the Board of Trade endeavored to interest themselves in a proposal to increase the production of the plant by adding canning equipment. Local supporters of home industry were approached and sufficient promises of investment in stock were received to warrant going ahead with the development if the farmers in the territory would get interested. The plan of the promoters was to place a third of the stock issue in county, and so assure an interest in the business which would ensure a reasonable production of fruits and vegetables for the factory's needs. This end of the scheme fell down and the matter was not proceeded with. This is unfortunate. At the time the development was first considered the Jack & Cardoza factory was the only one in the province. Now an Ontario factory is planning opening a branch in the Maritimes, but if the Jack & Cardoza factory was taken hold of and developed as the demand for jams and canned goods warrants it could become a market place for all the small fruits and vegetables that could be grown in Digby County.

At the present time the factory manufactures sixteen lines, keeping the factory going nearly all the year around. The "Silver Tide" label goes on Pure Strawberry, and Raspberry Jams and Pineapple Marmalade; on Apple-Raspberry, Apple-Strawberry, Apple-Pineapple Compound Jams; on Lemon, Pineapple, Apple and Mince Meat Pie Fillings and on Crabapple, Apple, Raspberry-Apple, Strawberry-Apple and Pineapple-Apple Jellies.

With one traveller on the road, the proprietors in the factory and in the busy seasons from four to fifteen of twenty employees assisting the factory is kept busy most of the time. Installation of modern canning equipment would permit its proper development and the Digby Jam and Canning Industry would become one of the biggest things in all Nova Scotia.

Elliott-La Borde Wedding in the Advent Church

At a pretty wedding in the Advent Christian church, Salem, Mass., Thursday evening, June 10th Miss Alice Walker LaBorde, daughter of Mr. and Mrs. John LaBorde, became the wife of Evangelist Augusta John Elliott of Central Grove, Digby County, Nova Scotia, evangelist and member of the First Christian Church of Westport, N. S. and surrounding towns. The ceremony was performed by Rev. John Taylor Holman and was attended by some 250 friends and relatives, who also attended the reception held at the home of the bride's parents on Dunlop street, Salem, Mass. The Palardy Orchestra of that city played for the reception.

The bride was given away in marriage by her father. Attending the bride as maid of honor was her cousin Miss Edith LaBorde of this city and the three bridesmaids were the Misses Mildred Curtis, Edith Peabody an associated worker of the bride and Constantine Talton who graduated with the bride in the class of 1923 from Salem High School. There was a little flower girl, Mary Florence Kearin of Medford hillside, cousin of the groom, a ring bearer, Esther Farrington of Salem and train bearer, Robert Andersen of Danvers.

The best man was Curtis Prime of Boston, formerly of Freeport, N. S. cousin of the groom and the ushers were Earl Coffin and Bruce Coffin of Salem, and Arthur Dixon of Marblehead.

The gifts from the bride to her attendants were gold and silver pendants and chains; the gifts from the groom to his attendants were solid silver cuff links.

Mrs. Esther Lynch Farrington, also a teacher of the bride and groom sang during the wedding and the organist was Mrs. E. I. French, Sunday School teacher of the bride.

The bride's gown was of white crepe satin and old lace embroidered with brilliant and her veil was held by a fan shaped crown of brilliants. She carried a shower bouquet of bride's roses and lilies of the valley. The gowns of her attendants were of taffeta, that worn by the maid of honor being pink and of the three bridesmaids being green, pink and old rose. Their flowers matched their gowns the bouquet carried by the maid of honor being of variegated sweet peas. The bride's mother was gowned in powder blue georgette with picture hat of contrasting color.

Mr. and Mrs. Elliott will go to Canada for their wedding trip and upon their return will make their home in Salem temporarily.

Mrs. Elliott has been employed at the William G. Webber store here and among the many beautiful gifts the couple received was a chest of silver from the bride's friends at the Webber store and gold from the officials. Mr. Elliott received a beautiful hand-painted picture from the employees of the Bank in Boston where he works showing the esteem in which the young couple were held by their fellow workers and many friends and relatives.

After the reception Mr. and Mrs. Elliott were entertained at a wedding dinner at the Vesper Club in Lowell, Mass. by Mr. Elliott's cousin, Mr. and Mrs. A. F. Kearin, and also Joseph Uziker.

Charles Benjamin Bishop of New York arrived on August 2nd to spend several weeks with Mr. and Mrs. Jesse O. Harris.

When Going West

As an aftermath to the Diamond Jubilee Celebration, a trip across the continent would be a fitting conclusion to a glorious celebration, to see the old world beauties of Quebec, the sylvan loveliness of Ontario, the vast prairie stretches of the West, the majestic snow clad peaks of the Rockies and the sun bathed, wave-lapped shores of the Pacific. To travel across the continent is at once an object lesson and an inspiration to become more worthy of our citizenship. No one who has taken the trip across comes back without a better understanding of our country and a nobler ideal, to make Canada great among the nations of the world.

In these days of modern travel the trip can be made at a minimum of expense and with an ease that proves a marvel to those who have tried it. The Canadian National Railways operate a through all-steel train "The Continental Limited," which leaves Montreal, daily at 10:15 p. m. for Vancouver and Victoria, touching enroute, Ottawa, Winnipeg, Saskatoon, Canada's largest "play-ground," is also passed through all transcontinental tickets carrying with the privilege to stop-over at Jasper, in the heart of Jasper

National Park, where is located Jasper Park Lodge, the world famed mountain resort, owned and operated by The Canadian National Railways. "The Continental Limited" makes the trip across the continent in remarkably fast time, to that where time is a factor, it provides a fast service.

For illustrated booklets descriptive of the country passed through, fares, reservations, etc., apply to any Canadian National Agent, or write to F.W. Robertson, General Passenger Agent, Montreal, N. B.

**ITCHING ECZEMA
DRIED RIGHT UP
BY THIS SULPHUR**

Any breaking out of the skin, even fiery, itching eczema, can be quickly overcome by applying a little Menthol Sulphur, says a noted skin specialist. Because of its germ destroying properties, this sulphur preparation instantly brings ease from skin irritation, soothes and heals the eczema right up, leaving the skin clear and smooth. It seldom fails to relieve the torment and disfigurement. Sufferers from trouble should get a little jar of Menthol Sulphur from any good druggist and use it like a cold cream.

Weymouth North

Held over from last week

The Misses Kathleen and Frances Carr, of Philadelphia, arrived from Saint John on Monday and are visiting at "The Elm" before returning to school.

Mrs. Watson and son Hazen, of Boston, and Miss Katherine Eaton R.N., of Waltham, are visiting relatives and friends here.

Miss Kathleen Fitzgerald, who attended the C.G.F.T. camp at Pinehurst returned home on Thursday.

Clinton Leary and friend, of Boston, are visiting relatives here.

The Misses Greta and Emma Journeay have returned home from a visit to Clementsport.

Jack Morse had the misfortune to fall recently and break his jaw.

Mr. and Mrs. Leonard Rudolph, of Saint John, are visiting relatives here.

Messrs D. Jack and C. DeLong who are working on the hydro line here returned to their homes in Bear River and Digby on Friday.

Mrs. B.H. Grant returned home on Wednesday from a visit to her former

home in Noll. She was accompanied by her niece Miss Lillian O'Brien.

Mr. and Mrs. H.M. Mullen and son Willis, Mrs. Emma Nicholl and Alice Newcomb motored to Little River on Sunday. While there they were the guests of Mr. and Mrs. Omer Denton.

Mrs. M.B. Whitman who was called to Windsor last week by the serious illness of her son Ronald returned home on Tuesday.

Mr. and Mrs. Albert Hood and family, of Yarmouth, were the guests of her mother, Mrs. Johnson Grant on Sunday.

Miss Josephine Newcomb who has been attending Summer School returned home on Tuesday.

Among the recent arrivals at Bayside Farm are:—Mrs. Roy S. Claycomb, East Orange, N.J., Rev. and Mrs. Cleveland, of Fall River, Mass.

Carl Morse, of Lynn, Mass., is spending his vacation with relatives here.

Mr. and Mrs. Hilbert Dart and son are guests at Beechwood.

Miss Houston, Mrs. O'Brien and Miss Roe, of New York, are guests at Beech Knoll.

G.D. Campbell Jr., who has been spending the last few months at his home here returned to Flint, Michigan, on Tuesday.

Development of Maritime Fish Corp.

Keeps Pace With Digby Fisheries

**The Short & Ellis and Howard Anderson
Plants Amalgamated to Form Digby
Branch of Immense Industry**

Fish is the base of all Digby's prosperity or poverty. When the fishing is good and prices high Digby's people are wealthy, and when the fishing is poor and prices low Digby people generally share in the depression. An illustration of the immense importance which the fishing industry is to Digby County is seen in a visit to the Digby branch of the Maritime Fish Corporation. Located on the Raquette, with wharves, smoke houses, drying flakes and warehouses facilities, and shipping rooms the Maritime Fish Company plant is a source of much of Digby's health. In a good year the total output of fresh, dried and smoked fish from the plant will reach nearly ten millions of pounds, worth upwards of \$250,000. In June of this year one and a quarter millions of pounds of fresh fish were handled through the different process.

The Maritime Fish Corporation was organized in 1910. It was a successor to two prominent local fish firms, Short and Ellis and Howard Anderson. Short and Ellis handled their first fish in the year 1895. They developed a big industry and in 1910 went into the combine. Howard Anderson, father of Mr. F.L. Anderson, manager of the Digby branch of the Maritime Fish Corporation, operated a fish business on a property adjoining Short and Ellis and his plant went into the combine also. At the same time the Canso plants of Whitman Fish Company and the Canso Cold Storage, and the Montreal plant of A.H. Brittain were acquired and the Maritime Fish Corporation got into business. Mr. H.B. Short, M.P., is one of the directors of the company and Mr. Brittain, of Montreal is president.

The last year has not been a record maker for any of the fish companies and the Maritime has shared in the dull times. The open winter of 1926-27 enabled American competition to keep Canadian fish pretty well out of the United States market, and even surmounted the tariff charges in competition in the Canadian market, and so great was the supply of fish at all times through the year that Spring came along with all the fish plants overstocked. The summer has not seen any improvement and all are holding on, keeping going and taking what is offered by fishermen in order to hold their place in the markets. The Maritime Fish Corporation, with its extensive connection and large resources is in as good shape as any and the first improvement in the industry will be followed by improvement in local production.

In the drying grounds on Battery Point the company has the largest drying area in the whole of the Maritimes. 250,000 pounds of salt fish can be set out at one time, and most of the time the flakes are kept full. The smoke houses have a capacity of a car of smoked fish a day and the amount of fresh fish that is cleaned, filleted and iced for shipment is enormous. Most of the output of the Digby plant goes to New Brunswick and to Upper Canso market. Present prices shut it out of the Boston market the duty, of one cent per pound, being prohibited on all but the higher class of fish, such as salmon. Reduction of freight rates has

been followed by a slight improvement in the Canadian market but at the present time no one active in its fisheries is making money. The proposed Royal Commission of investigation may bring out some information which will improve conditions, but the real trouble in the fisheries is lack of demand at prices which will pay for handling. Indiscriminate competition is blamed for much of the trouble and the blame is not wholly misplaced.

TALK OF THE TOWN

Miss Katherine Weir of the Western Union office, returned on Monday from a fortnight's vacation spent in the Valley and in Saint John.

Mr. and Mrs. J. Kenneth Sampson and daughter Victoria, of New York were overnight guests at the Winchester this week on a motor tour of the province.

J. W. King of Hartford, Conn. was a visitor in Digby over Sunday a guest at the Winchester.

Many friends of H. L. Christie were pleased to welcome him back on the road again after a serious operation made necessary by recurrence of trouble in an old wound in the head.

Douglas VanTassel who with Mrs. VanTassel and their children are visiting Mr. and Mrs. Stephen VanTassel, Carleton street returns to Montreal on Monday. Mrs. VanTassel and the children will remain another month.

Mr. J. R. McKay and daughter of Saint John were visitors in Digby on Wednesday last week, returning from a visit to Yarmouth.

Miss Lillian Winchester, manager of the local Western Union office, left on Tuesday on her summer vacation. She was accompanied by her mother, Mrs. Edward Winchester, of Smith's Cove. They will visit Halifax, Chester and finish their holiday in Saint John.

Miss Greta Sprout, of Brooklyn, N. Y. arrived in Digby this week and is the guest of her sister, Mrs. M. C. Denton.

Mr. and Mrs. Harlow Hassett, of Waterbury and Mr. and Mrs. Ernest Rose of Hartford, were the guests from Thursday until Wednesday of Mrs. Hasset's brother, Mr. Harry Williams and Mrs. Williams.

Miss Arrowsmith of Rothsay, N. B. is visiting her sister, Mrs. Edward Robertson.

Geo. Morgan has sold his farm at Morgrave, Digby Co. to Ernest P. Raluse formerly of Port George, Annapolis.

Philip Donet, of Kentville, was the guest last week of Mr. Harry Kirkpatrick returning home on Saturday.

Mrs. R. McLeod and son Thomas of Perry Sound, Ont. were week end guests of Mrs. Lindsay Kirkpatrick at Hawthorne Villa, Queen street. The ladies are cousins.

Mrs. Bryant of Boston arrived in Digby on Monday to open her summer cottage, Birchmore, Green Point. Mrs. Bryant has just returned from a trip abroad.

Jeffrey DuVernet, son of Dr. and Mrs. DuVernet returned this week from a fortnight spent at a summer camp at St. Stephen.

Miss Florence DuVernet of Boston, arrived on Wednesday from her home in Boston to spend several weeks vacation with her brother, Dr. DuVernet and Mrs. DuVernet.

Mrs. Booth who has been visiting her mother, Mrs. Casswell left on Wednesday for her home in Regina.

Digby County Man In Command of 27,000 Ton Ship

After nearly half a century of active service on the sea, Captain Thomas Howell, commander of the Red Star liner Belgenland, and senior captain of the Red Star fleet started on his last voyage in command, when he took the Belgenland out of New York on her run to Southampton, Cherbourg and Antwerp.

When the Belgenland arrived at Antwerp last week end Captain Howell turned over the command of his ship to Captain William A. Morehouse, of Digby, the only Nova Scotian, and in fact the only Canadian, in the service of the International Mercantile Marine Company in command of a ship of the company.

Captain W. A. Morehouse was born at Sandy Cove, Digby County and has a host of friends throughout the Maritime Provinces in fact all the principal ports of the world which he has visited. His last command was the Lapland and previous to that was on the bridge of the Pennland. His first command in the I. M. M. service was the Canopic to the Mediterranean out of Boston. That was a number of years ago: When the Pittsburgh, now the Pennland, made her maiden voyage, she was brought across to Halifax and New York from Liverpool flying the house flag of the White Star Line. Montreal and Quebec know him well as a former master of Dominion Line Steamers.

At present, Captain Morehouse's home is in England and he has been there with his wife and family for the past three weeks, enjoying a well earned rest preparatory to assuming the command of the Belgenland, which is a ship of 27,200 tons.

A most enjoyable impromptu dance was held at the Mountain Cap Inn on Friday night. The guests organized it and engaged three members of the Harbor View Orchestra for the music. Since the other two had no where else to go they brought their instruments along to the Inn and gave a splendid programme. Many guests at the summer hotels in Digby and from Weymouth, Digby town, Millford and Annapolis attended, and all had a pleasant time. Favors for the dances were supplied by Miss Gertrude Honey, manager of the Mountain Cap Gift Shop and consisted of hand painted handkerchiefs, specially painted for the occasion by a friend who is assisting Miss Toomey in her venture. A feature of the programme was a Post Card dance, so delightfully arranged that a bride and groom attending drew matching parts.

Word from Saint John indicates that the Exhibition Association is making preparation this year for the comfort of its patrons. The pleasure of an exhibition lies chiefly in the merit of the exhibits and of the amusement programme. This pleasure can be sadly marred if not actually destroyed, if proper arrangements are not made for the comfortable feeding of the patrons and by the provision of proper sanitary accommodations. While Saint John cannot be said to have fared badly in either of these particulars, the Directors have been steadily pursuing a policy of improvement in both lines. This year an entirely new structure is being erected which will provide day toilets for both men and women on a scale larger than hitherto available. The patronage received in the Women's Department in former years has convinced the Directors that this expenditure will be much appreciated. The main dining room facilities have also been materially changed and in place of the old regular course dinner, a modern up-to-date lunch counter, capable of accommodating about 100 at a sitting, has been installed. It is felt that not only will a quicker and better service be given, but the food supplied will be more in keeping with the actual requirements of the patrons.

Development of Hydro The Greatest Forward Step In Whole History of Digby

The greatest individual advance in progress of Digby Town and County since the Courier was first published was the inauguration in the Spring of 1927 of the publicly owned Hydro Development at Sissiboo Falls. With power house equipment equal for all present demands and the plans under which it was installed capable of additions to meet expected development of demand for hydro generated light and power, the Sissiboo Falls project is a mark of progress and the fulfillment of an ideal. Hydro has brought to rural sections of Digby the convenience and utility of electricity at a moderate cost and on the development of the load demand for the generated electricity depends not only the success of the project but to a very large extent the fulfillment of the industrial resources of the county.

Constructed on the site of the first pulp mill of the Clyde and Sissiboo Pulp Company the Power plant draws its water supply from the pulp mill dam. Reconstruction of the flume leading to the power house was the only change necessary in the dam to fit it for the use of the Power Board.

The power house equipment is of most modern design and is installed in such manner as will permit additional units to be placed as required. The present equipment consists of Canadian Allis Chalmers 350 h. p. turbine with 12 inch runner, automatically controlled by Woodward Governor and direct connected to a Canadian General Electric three phase 2300 volt and cycle 250 k.v.a. generator with the necessary equipment of switchboard panel, exciter and rheostat. Power from the generator is "stepped up" through a sub station 2300 volt to 11500, 6500 volts three phase four wire transformer grounded to neutral and goes on the line at 6500 volts, being transmitted over 11500 volt No. 4 Aluminum Cable with steel reinforcing strand.

The sub-stations for the Village of Weymouth and the Town of Digby convert the current to 2300 volt for primaries and this is stepped to 110 volt and 220 volt on secondary circuits. Rural users supplied direct from the Power Board lines are served by 110 volt 220 volt secondary circuits.

The main transmission lines of the system totals 31 miles of pole line and the distribution is 18 miles of secondary circuits. The number of rural users, being served direct by the Board is nearly 150.

Power house switchboard readings for the month of July showed a production of 19,700 kilowatt hours, of which the Town of Digby took 12,700 kilowatt hours, the

Village of Weymouth approximately 1500 kilowatt hours and rural users an equal amount.

The Digby County Power Board, incorporated by the Legislature of Nova Scotia in 1924 to manage to construction and operation of a hydro development for Digby County is composed of representatives of the guarantors of the Board's list: Mr. H. H. Marshall, representing the Municipality of Digby, is Chairman of the Board, and Mr. F. L. Aufferson, representing the Town of Digby, and Mr. Potter, manager of the Weymouth Royal Bank branch, representing the Village of Weymouth, are members. Mr. Louis Stelling was the first representative of Weymouth on the Board. The formation of the Board was only accomplished after several years of missionary work by men who believed that cheap power was the salvation of Digby county.

The first project considered was the development of the Bear River site, but this was felt to be one which should be undertaken by the Nova Scotia Power Commission, and after careful check had been made on the flow of the Sissiboo River at the Upper Falls dam, this site was selected. By arrangement with the Clyde and Sissiboo Pulp Company the Board leases the dam site for a period of years at nominal rental, with such provisions in the lease as will protect the Board and the leasing company. Storage areas on Mistake Lake, to be impounded as soon as construction is found necessary, will provide 25000 acre feet of storage which it is estimated will provide against any possible drought.

Power from the new plant was turned on at 10.05 on Saturday morning, March 26th, and the transmission lines tried out. Everything worked without a hitch and at 5.37 in the afternoon the switches at the Town of Digby sub-station were thrown in and the change over made from the steam plant to the new system. Hydro had come to Digby. The dream at the old power house threw the last slab back on the pile and called it a day.

Weymouth got service a few minutes earlier. There the coming of Hydro was celebrated with all the enthusiasm of a great public victory. Hundreds of citizens of all ages gathered in an impromptu parade and marched through the streets to greet every street light and every home lighted with electricity with rounds of cheering.

Mr. Glidden Campbell, in the issue of the Courier of April first, contributed the following special article on the coming of hydro.

HYDRO AND WEYMOUTH
One of the most pleasing events in the history of Weymouth took

The Sissiboo Falls Hydro Development

place on Saturday night when the electric power from the hydro development at Sissiboo Falls was turned on, lighting up four miles of streets throughout the village.

The innovation was unique and met with such generous response of public favor that the village took on pro-tem at least the appearance of a young city, bristling with well thronged thoroughfares and merry making pedestrians who were out to see the sights they had never seen before.

All are of the opinion that this power that has been neglected for over twenty years, has at last opened up a new era with vast possibilities for greater development in the future.

It is not possible to define just who is the WHO behind the movement that brought this improvement about. However, it is generally recognized that through a cooperative spirit prompted by the dire needs of Digby and Weymouth the aspiration to do something of practical value gave birth to The Digby County Power Board, resulting in an expenditure of \$75,000, for a 350 horse power development at Sissiboo Falls nine miles from Weymouth. These falls have a drop of 34 feet over a perpendicular ledge and engineers estimate that 2,500

horse power is going to waste at the present time.

Perhaps one of the greatest sources of satisfaction lies in the fact that neither Digby or Weymouth or the Municipality would have undertaken the proposition alone, but by uniting in one common effort together a common good the finest results have been achieved, thereby exemplifying in the highest sense that which we need more of in the Province of Nova Scotia today—the true spirit of CO-OPERATION.

Although Hydro is an accomplished fact, and its coming has reduced the cost of living, and not only that but has made life in the rural sections now served by the Power Board lines more comfortable and attractive, the work is by no means completed. The foresight and energy of a few men, backed up by the taxpayers of Digby and Weymouth and by the Municipal Council of the District of Digby, has begun what others will have to support in order to complete. Full development of hydro in Digby County must include the extension of the service down Digby Neck to Westport and West from Weymouth into the Municipality of Clargo. At present a comparatively limited number of users keeps the cost comparatively high, and not until the lines run down

along every section of main highway and every group of houses is served by a local transmission service will it be possible to say that the hydro development of Digby County has attained its proper growth. The basis of the development is there, the first cost of installation has been paid, and when the residents of sections not now served by hydro awaken to the convenience and economy of hydro electricity and insist upon the extension of the service to them, then hydro will come into its own.

In this Anniversary Number we must look forward as well as back. Look to the past for its mistakes and its lessons, and to the future to the full development of the resources and home life of the County, and so far as hydro is concerned the motto for another year should be "Every Home in Digby Lighted by Hydro."

The extension of the hydro lines down Digby Neck seems to be assured according to information received by the Courier from fairly authoritative sources in Halifax. The information is that the Provincial Government is giving favorable consideration to a request that the government undertake the laying of the necessary cables across Petite Passage and Grand Passage, and this will permit the service to connect right

up with the distribution system already installed in Westport. This is the most favorable news respecting hydro that has been heard in some time and the adoption by the government of the plan will stimulate interest in preparing for coming of the service.

DIGBY COUNTY AND HYDRO—A MOVE IN THE RIGHT DIRECTION

Few there are if any who fully comprehend the true significance and potential values underlying the recent move in establishing one of the greatest if not the greatest innovation that Digby County has witnessed in recent years through the development at Sissiboo Falls of a hydro-electric proposition designed to cover the needs and satisfy the demands of the entire County. Like all developments of this nature the work undertaken has been fraught with onerous burdens and personal sacrifices of time and energy by those who fathered the movement and conceived the idea to place on record one of the most notable pages in the history of the County of Digby. Nor could this work have been accomplished without that invaluable agency of the press and it is with much pleasure that we touch upon this and recognize through these columns that splendid assistance and helpful co-operation afforded by "the voice of the people"—THE DIGBY COURIER.

Until ways and means were discovered of transmitting electric current over long distances the water powers in Canada exceeding in their potentialities those of any other country of the world, were but of limited value and availability. They provided power for only a small number of industries near the centres of population but water-powers were in most cases too remote from the channels of trade and commerce to be of adequate use until discoveries in hydro electric generation and transmission during the latter part of the nineteenth century converted them into an asset whose value has since been multiplied many times in each succeeding decade.

The growing demand for cheap power brought about by competition in industrial enterprises has accelerated the movement toward cheaper modes of propelling the wheels of commerce; developing the fortunes of men and expending the resources of our country.

Already the signs of the times are changing. Digby stands in the forefront of the industrial opportunities heretofore unrealized, and it is gratifying to know that the Digby County has been awakened to new conceptions of what can take place in the use of hydro-electric power by giving thought to the development of our natural resources and by placing ourselves in a position to receive "what nature always intended we should receive."

HYDRO.
L. H. PORTER.

Digby Vulcanizers Handle Several Lines of Electrical Household Appliances

While the coming of hydro brought conveniences of 24 hour service to the uses of electricity in the Town of Digby, as well as the convenience of electric heat, lighting in rural homes and electricity for operating washers and pumps and sweepers to residents of the rural sections along the main transmission lines, it also did something more!

The Digby Vulcanizers is a direct outcome of hydro. The plant was installed by Mr. W. H. Farham, M.P.P., in the Red Raven and includes an up to date vulcanizing plant for the repair of tires, rubber boots, hot water bottles, anything made of rubber. The advertisement of the Digby Vulcanizer in this issue indicates just what hydro has brought to Digby County.

The Easy Electric Washer the Torrington Vacuum Cleaner, the Peerless Floor Washer and Polisher are chief of the electrical house sold Appliances handled by the Digby Vulcanizers, and the Courier is advised that an agency of Northern Electric Company's line of Electric Ranges is to be included in the activities of the firm.

Apart from reduction of electric lighting rates hydro has added an important business to the town and an item to the revenue side of the tax ledger. More and more this development will become apparent as hydro comes into its own and meantime Mr. Farham is to be congratulated upon having the opportunity for service which hydro made possible.

Pauline, Louise, Hattie and Fred Denton children of C. I. Denton, are visiting their grandfather Mrs. Ashley Hutchinson, 150 town.

LIFEN HANKERCHIEFS AT WRIGHT'S

To The Courier

In congratulation upon the completion by the COURIER of fifty-three years of publication, and the commencement of its fifty-fourth year of service to Digby and Western Nova Scotia.

And at the one time to express hearty appreciation of the part the COURIER played in the development and achievement of a publicly operated Hydro for Digby County.

DIGBY COUNTY POWER BOARD

Westport

Mrs. Edwin Titus and family of Westport, Mass. are visiting Mrs. O. J. Titus.

Mrs. Welch of Somerville, Mass. is visiting friends here.

Mrs. Catherine Houchard and family of North Head, are visiting relatives here.

Mrs. Sullivan of Bear River is visiting Mrs. Clarence Webber.

Mrs. Maude Barnes of U.S.A. is visiting her brother, Odeh Welch.

Congratulations to Mr. and Mrs. Ward Shon on the arrival of a daughter, Barbara Lee.

Mrs. Burnett Welch and friend are visiting at the home of Mrs. Mary Welch.

Mrs. and Mrs. W. B. Baily have returned home after spending a few days with his parents. They were accompanied back by his sister, Marion Baily.

Mrs. Capt. Emory Peters and son Percy have returned to Yarmouth. They were accompanied by Mr. Jesse Peters and family.

Mrs. Arthur Hicks who has been visiting a treatment in Saint John has returned home.

Adella McDormand of Saint John is visiting her parents, Mr. and Mrs. W. McDormand.

Mrs. and Mrs. Albert Hayford are visiting his mother, Mrs. H. Hayford.

Elaine Moore of Weymouth is visiting her cousin, Myrna Garton.

Oliver Bailey who spent a few days in Deep Brook has returned home.

Mrs. Captain Charlie Hicks and son are visiting in Yarmouth, also Blanche Hicks.

Mrs. and Mrs. Jean Crawford of the United States are visiting her parents, Mr. and Mrs. W. Titus.

Laura Morrell of Little River is visiting relatives here.

Rutha McDormand and friend of Saint John returned the 2nd.

Mrs. Johnson Denton and Mrs. Freeman Welch have returned from Saint John.

"Annie M. Kenney" Captain Albert Moore, has gone to Tiverton to load fish for Gloucester.

A tea meeting was held in the vestry on Thursday evening. The sum of \$43.90 was realized.

The people of the Christian Church held their annual picnic on Thursday.

Theda Bara, Famous Movie Queen Will Summer In Digby

Mr. and Mrs. Bernard Bara, parents of Theda Bara, famous Motion Picture Star are spending the summer at their summer home at Clemontville. Miss Bara is now in New York and expects to join them toward the latter part of August and remain until mid September when the Baras return to their New York home.

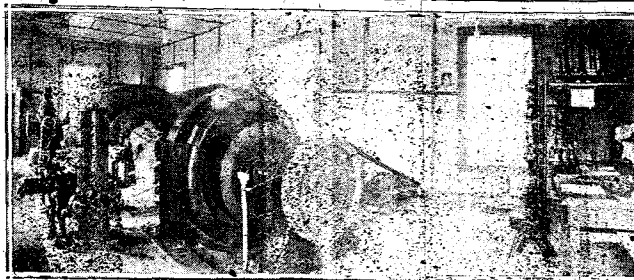

Miss Bara's husband, Charles Brabon, is now engaged in making a picture starring Milton Sills, and if possible will spend a short vacation here also.

Mr. Bara while here is having surveys made of Mr. Brabon's property on Bay of Fundy shore, between Point Prim and Broad Cove with a view of having Mr. Brabon interested in subdividing it, for summer cottage sites. The view of the Bay from that location is superb and the founding of a summer colony along the frontage would mean much to Digby.

Called Here By Mother's Illness

Mrs. Beaman-McLeod and daughter Isabel, of Sydney arrived in Digby this week, called here by the illness of Mrs. Beaman-McLeod mother. Mrs. John Beaman, Her son, Mr. Harry Beaman of New York, and daughter, Mrs. Moore, of Gloucester Bay are also in attendance. Mrs. Beaman-McLeod leaves this week for Toronto on a business trip which could not be postponed.

Miss Phyllis Denton, principal of Willow street School, Truro, is spending her holidays with her mother, Mrs. Ada V. Denton.

An Interior View of the Power House

Deep Brook

Miss Agnes Dittmars of Lynn and Mrs. John Fraser of New London, Conn. are spending a few weeks here and are guests of Mrs. Walter Purdy.

Mrs. John Stevens of Torbrook is spending a few weeks guest of Mrs. J. R. Berry. Miss Grace Dunn of Niagara was a recent guest at the same home.

Miss Levenia Bevy left here on Saturday for her home in Everett, Mass.

Rev. Burton Long and family of Bridgewater, Mass. and Mr. and Mrs. Fred Long of Allston, are spending the month of August at their bungalow here.

Rev. and Mrs. W. G. Huesler returned from Halifax on Thursday. They were accompanied by her mother.

Miss Silvia Hiesler returned home on Sunday from a pleasant two weeks visit with friends in Canning.

The W. M. A. S. held a public meeting in the Baptist church Sunday evening. Mrs. M. W. Page presided. Miss Jones gave an interesting talk on work in India. Three little people were dressed in costumes representing the different peoples. Miss Wareing of the Home Missionary Band gave a helpful address on her work in Minis, N. B. and New Glasgow. N. S. Miss Wareing left here on Tuesday to take up her work again after a pleasant two weeks spent with Miss Jones.

Hospital Fair Next Wednesday Will Have Many New Attractions

The Hospital Fair to be held at Victoria Riok next Wednesday afternoon and evening is without a doubt going to be the greatest event in the history of the Hospital. A number of new booth features have been added and the ladies in charge of each have been assured by contributors to the hospital success that each booth will be bigger and better than before.

There will be no circus acts, no menagerie, no trapeze performance, but the Big Show will open at 2 p.m. with a Grand Inspection of the various attractions and will continue till the last strain of the Good-Night Waltz at 1 a.m.

Afternoon tea will be served from 3 to 5 p.m. and the supper tables will be laid at 5.30. Dancing will commence at 8 p.m. music for which and for the afternoon concert will be provided by the Orchestras of the Pine Hotel and Harbor View Casino. In order to know just what facilities there will be for your

entertainment and pleasure, you will have to attend the performance but you may be sure that in every case you will get the worth of your money and the right change back, and will be able to say that you have assisted in a worthy cause.

Heavy Freights on Steamer Empress

In accordance with instructions received the Bay of Fundy steamer, Empress, C.P.R. Steamships Service, is making her departure from Digby at something near schedule time. Last Saturday she left behind several car-loads of freight routed to Western points and on Sunday morning made an extra trip to take it across to Saint John.

The shunter from Annapolis was also ordered out, being required to "spot" cars for the steamer, and on waking up at about nine o'clock Sunday morning one wondered where Sunday had gone.

Included in the freight taken on the special trip was a large shipment from the Cordage Works at Dartmouth.

What Hydro Has Done for Digby

Advertisement of New Lighting and Power Rates for Town of Digby is Striking Illustration of Reduction in Costs of Living

OLD RATE WAS 20c FOR HALF SERVICE

Town of Digby Schedule of Rates for Electric Light and Power Approved July 25th, 1927

Customers shall be entitled to receive electric energy, cost of metering included, at the following rates:—

Lighting

First 20 kw-hr. used per month at 13.3 cents per kw-hr. Over 20 kw-hr. used per month at 11.1 cents per kw-hr. Minimum bill—\$1.65 per month

Alternating Current Power-Domestic Use

Service charge—Nil.
Energy charge—First 50 kw-hr. used per month at 4.5 cents per kw-hr. Over 50 kw-hr. used per month at 4 cents per kw-hr. Minimum bill—55 cents per month per h.p. of connected load. Hot ranges and water heaters having a combined capacity exceeding 4 h.p. the minimum charge shall be \$2.20 per month.

Alternating Current Power-General Use

Service charge—55 cents per month per h.p. of connected load. Energy charge—4.5 cents per kw-hr. for the first 50 kw-hr. used per month per h.p. of connected load 4 cents per kw-hr. for all additional consumption. Minimum bill—\$2.22 per month.

Prompt Payment Discount

A discount of ten per cent shall be allowed on bills paid on or before the tenth day of the month in which they become payable.

Short Term Users

Where electric energy is used for a less period than twelve months, a co-terminus shall pay to the Town the cost of energy consumed, at the regular rate, PLUS the cost of making and discontinuing the connection, and in ADDITION TEN PER CENT SHALL BE ADDED TO THE GROSS AMOUNT of the bills for electric energy consumed.

Dated at Digby this 3rd day of August 1927.

ALFRED BODEN,
Town Clerk.

4/5 of this Dirt was IN the Rug not On it!

NEARLY all of the dirt in your rugs is deeply embedded. It is dirt that you cannot see. Only powerful suction can remove it. The Torrington has powerful suction, because the motor power is used to drive the brush.

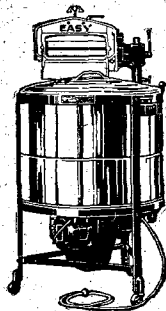

The big bristle brush revolves freely just like a carpet sweeper. It takes up all the threads, lint and surface litter and gently combs out the nap of the rug.

Big Brush—Powerful suction. This is the secret of perfect cleaning.

Here and There

Here and There

Living births in Canada during 1926 totalled 232,265, the birth-rate for the nine provinces being 24.5 per thousand of population. Deaths at all ages numbered 107,318 in the Dominion, a rate of 11.4 per thousand. Excess of births over deaths in the year was 124,947. A total of 56,570 marriages were reported during the year.

The general cool weather for this season of the year in British Columbia and the amount of moisture about has saved a great deal of timber from destruction by fire. So far this year there have been only 215 forest fires in the province, as compared with 570 for the similar period of last year. The present condition of the woods are excellent.

As a sign of agricultural progress in western Canada, the International Harvester Company, Limited, have just sent two of the largest trainloads of harvesters ever shipped to the west over C.P.R. lines from the east, the first train consisting of 43 cars with 111 threshers and the other of 40 cars containing 103 threshers.

The ratpayers of Victoria have endorsed a By-law providing for the establishment of a motion picture industry here, by a vote of 2,127 to 663. The city was thereby authorized to guarantee bonds of the concern to the extent of \$200,000. \$500,000 had been raised by British motion picture distributors and exhibitors.

A thriving new industry in Southern Alberta, which is making progress and is full of promise, is that of the raising of polo ponies. Ranches are engaged exclusively in this industry and ranchers and farmers are coming increasingly to engage in it as a sideline. About five carloads or five hundred polo ponies leave Southern Alberta annually for the United States.

The Development Branch of the Canadian Pacific Railway in co-operation with Macdonald Agricultural College is conducting experiments on the farm of Donald Fraser at Plaster Rock, N.B., to ascertain whether grain, of which there are large deposits, has special value in connection with potato culture. Members of the staff of the college are supervising field tests on the farm.

The itinerary of the party of one hundred British newspaper men who will arrive at Quebec August 12, provides that during the month they are in Canada the Britishers will visit practically every corner of the Dominion and, besides visiting every city of importance, have an opportunity of studying at first hand Canada's natural resources and investment possibilities. They will travel across Canada and back on Canadian Pacific lines.

Ottawa, Ont. - Canada's total wheat yield for the season 1927 is forecast at 325,075,000 bushels, the Dominion Bureau of Statistics. The estimate for the three Prairie provinces is 305,000,000 bushels, for the rest of Canada 20,075,000. The total yield of oats is estimated at 859,768,000 bushels, of which 225,075,000 bushels is assigned to the Prairie Provinces. Barley is estimated at 88,830,000 bushels, of which the Prairie Provinces are expected to furnish 71,724,000 bushels. Rye is given at 12,169,000 bushels, of which 10,664,000 is allowed for the Prairie Provinces. For flaxseed, 5,319,300 bushels is estimated, of which all but 107,000 bushels is allowed for the Prairie Provinces. "Austrian bakers have discovered that with the use of Canadian flour they can make more and better bread. The prohibition of night baking also favors the employment of fast-baking flour," says the Commercial Intelligence Journal, Ottawa. Frederick Frank, Austrian Consul, says his country is anticipating with gratification a trade treaty with Canada, for while the war reduced Austria's population from 24,000,000 to 6,000,000 the city of Vienna has still 2,000,000 to feed.

The Bear River Courier is Envy of The Whole World of Journalism

The part of the Courier that the Editor is proudest of, is, strangely, that page with which he has least to do. The Bear River Courier is unique in journalism. Practically everything in connection with the page is managed by the ladies of the Bear River Women's Institute. News, advertising, subscriptions, all are taken care of without any need of special attention of the Courier office and when any newspaper man comes to visit the Editor the first thing he sees is the Bear River Page. Any special number of the Courier would be incomplete without giving due credit to the ladies who have given so generously of their time to make the Bear River Courier a feature of which all readers of the paper are proud. Almost it is an embarrassment, because the most common complaint about the Courier is that the rest of the newspaper does not keep up the high standard set by the Women's Institute. That is a fault that only time and the cooperation of those in other places emulating the example set by the ladies of the Institute will overcome.

The Bear River Courier is a successor to the Bear River News, a weekly newspaper established by the late G. I. Brooks in succession to the Bear River Telephone, which was started by Mr. J. L. DeVaney in 1897 and was in 1903 absorbed by the Bridgetown Monitor. The News ran its first number in 1904 and continued until failing health forced Mr Brooks to suspend publication.

In 1918, after the Red Cross had finished its war activities the Bear River Women's In

stitute was organized, with Mrs. L. J. Lovett as first president. Late in 1919 the Institute arranged for the publication of the Bear River correspondence on a special page to be known as the Bear River Courier and since that date the page has been one of the most interesting parts of the paper.

During the height of Bear River's prosperity the Bear River page was a revenue producer, carrying the advertising of all the important business houses, and as the hopes of Bear River were dashed by failure of the Bear River Pulp Company these dwindled away, leaving only the news page. The ladies have kept it up splendidly, making each week's issue the best that could be done and the ladies who from time to time have served on the Institute's Publicity Committee have performed a community service without equal in Nova Scotia and have done much to win for the Courier that place which it holds among the newspapers of the province.

With only too little reward, sometimes, seemingly, with little encouragement either from the Courier management or the people they served the ladies have kept the page interesting, up-to-date and newsworthy. No newspaper could be more, no newspaper should be less, and at this time the Editor begs the privilege of acknowledging the Courier's obligation to the Women's Institute and at the same time to hint that the future will see even better attention given to the Bear River Courier page.

THE EDITOR

THE TOURIST

continued from Front Page

mas the stores of Digby could close up two days a week. But there is nothing of that in June or July or August or September. Just make a visit to any of the shops about eleven o'clock or three o'clock, and see how many strange faces you will find on the customers' side of the counters.

Drop into the bank of a morning and see how long you will have to wait your turn while a visitor from Boston or L. A. or Toronto or Vancouver is cashing a bunch of traveller's cheques and opening up an account. You will pretty quickly see what the tourist business means to Digby, and it is recommended here that members of the Town Council and all with aspirations to serve on the Council should acquaint themselves with what the tourist business means to the town. Three hundred thousand dollars is spent in Digby and Digby County by tourist visitors during the months of June, July, August and September. It sounds like a lot of money, and it is a lot, but the figure is not any exaggeration. Rather it is a low estimate. It should be more. It could be doubled if the people of Digby and of the province generally were awake to the possibilities of development which the tourist business offers. Fifteen thousand dollars should be appropriated annually by the Town Council for the purpose of exploiting tourist business. Twice as much could be spent with advantage.

A moving right direction was the opening of the Digby Golf Course. Inquiry at the different hotels and observation of passers by on the street and railway platform indicate that a large number of our visitors make golf their chief recreation. 762 persons held visitors playing membership in the Digby Golf Club last season and this season will not be less than that number. Any development of the course will be money well spent, but it is time that the town took the Golf Club over as a civic utility.

W. I. Notice

Any unclaimed pie plates and dishes from the Carnival dinner may be found at the Odd Fellows Hall stored in the little room under the stairs.

Major and Mrs. Simons entertained Saturday evening. Bridge was played at three tables, Mrs. McRe being the prize winner. Beautiful gladioli were presented to Mrs. Rand, the guest of honor.

Mrs. H. C. Anthony was hostess at a charming bridge and tea Friday afternoon to about fifty guests. Bridge was played at eight tables and the prizes were won by Mrs. Simons and Mrs. A. G. Macle.

Mrs. Moore and Mrs. Lomas posing tea assisted by Miss Louie Purdy. Miss A. M. Rice, Misses Robina and Mary Romans.

Mrs. Andrew Jack returned on Monday to her home in Saint John.

Captain R. L. H. Goodday spent the week end with his family at Riverview Lodge.

Miss Florence Archibald, of Lawrenceville, returned to her home on Tuesday to spend several days with Misses Robina and Mary Roma.

W. B. Sutherland, of Lockport, spent the week end with his wife and children who are visiting Mrs. Sutherland's parents Dr. and Mrs. J. J. Lovett.

Vincent Francis, of Bridgetown, who has been visiting Billy Anthony for three or four weeks returned to his home last Wednesday.

Roaches live in colonies. If you see one you know there are many. Roaches are loathsome vermin. Prolific breeders. Mr. and Mrs. Harlow Hassett of Somerville, Mass., are visiting relatives and friends here.

Dwight Sabhan, who is working at Kemptville spent Sunday at his home here.

A number of people from here attended the meetings at South Range on Sunday.

Miss Clara Sabhan is visiting Captain and Mrs. R. P. Marshall.

Mr. and Mrs. B. Harding and son Car spent Sunday with Mr. and Mrs. A. J. Hobbs.

Miss Bessie Mullen is visiting friends at South Range.

The advertising material of the Saint John Exhibition is finding its way into our community. This year the dates are from September 3rd to 10th. The motif of the Exhibition is a specially prepared figure representing an old-fashioned herald with trumpet to his mouth announcing the joyous occasion. Undoubtedly the design is a by-product of the Confederation Celebration, which is occupying the minds of all Canada at the present moment. From the trumpet hangs a banner with the advertising material displayed on it. A clever concept of the artist is the inclusion of the coat of arms of New Brunswick on the back of the herald's tabard. Altogether the design reflects credit, both in design and workmanship, on the artist who conceived it and on the Exhibition which has adopted it.

Rev. E. J. Barras left for Saint John Monday to attend a meeting of the Minister's Annular Board.

Mr. and Mrs. C. M. Harris returned to their home, Auburn, Mass. on Monday.

Mrs. Keddy, who has been visiting her sister, Mrs. Bogart returned to Lawrencetown on Monday.

Mr. and Mrs. Frank Harris, arrived from Montreal on Monday and are the guests of Mrs. Harvey Chisholm.

The Baptist Circle met Tuesday evening at the home of Mrs. O. A. Eisner.

Miss Edith Rice is spending her vacation with her mother, Mrs. Melbourn-Rice at Lansdowne.

Mr. and Mrs. Ellis, nee Agnes Rice, of Somerville, Mass., are guests at the Grand Central.

Mrs. L. J. Lovett entertained in a most delightful manner Saturday afternoon by taking eighteen lady guests by motor boat to Digby for afternoon tea. Tea was served at small tables at the Ocean Gardens. Mrs. Lovett herself presiding over the tea cups.

Mr. and Mrs. Maybre and son of Rosindale, Mass. are guests of Mrs. E. M. Clarke, River Road.

Experiments in rust prevention by means of spraying chemical over wheat fields from airplane is about to be tried out in Manitoba, under the direction of the Dominion Government Department of Agriculture.

The chemical used is merely sulphur in a colloidal state, technically known as "Coltan." It is said that one plane can treat 6,000 acres a day, flying at a height of 500 feet. The machine will carry 700 lbs. of chemical in the mechanical spraying apparatus.

Mrs. E. M. Milligan and three children left on Friday for camp at Chipman, N. B. They were joined by Mr. Milligan at Digby and expect to be gone two weeks.

For Economical Transportation

Then and Now

In 1920 this Chevrolet 2-door Sedan cost \$1795.00

In 1927 this Chevrolet 2-door Sedan (Coach) cost \$750.00

COMPARE the Chevrolet of seven years ago with the Chevrolet of today and realize how radically Chevrolet has revised all conceptions of motor car value.

In 1920, the Chevrolet illustrated here represented the highest standards of quality and value at a price of \$1795 (i.e. Oshawa) over a thousand dollars more than you pay today for a Chevrolet that possesses style, luxury and refinement unthought-of in any car a few years ago.

In following its fundamental policy of constant improvement, Chevrolet has built up a production volume which places it first among all cars in the world. And Chevrolet has shared the savings of volume purchasing and production, with the public by reducing the prices of Chevrolet cars.

So, today, you get a Chevrolet with amazing QUALITY in every detail at a fraction of the cost of a similar model Chevrolet of seven years ago.

Railways for hauling their fast
passenger and manifest freight
trains, was the first locomotive to
haul a train into the new Union
Station at Toronto, on the occasion
of the opening of this station by
H.R.H. the Prince of Wales. On
this occasion also, the first ticket
issued from the ticket booths of the
new station was one entitling His

Royal Highness to passage "Be-
tween All Stations" on the Cana-
dian National System for all time.
Immediately after declaring the
new station open, the Prince
proceeded to the Canadian National
ticket windows where he was issued
"Ticket No. 1." Tickets
numbering two, three and four
were issued to Prince George, Pre-
mier Baldwin and Mrs. Baldwin
respectively. Forty of the monster
engines of the type which hauled

the royal train are being construct-
ed in Canada for handling the
fast passenger and manifest freight
trains of the National System.

Port Wade

The funeral of the late Mrs. Sarah J.
Holmes was held from her residence on
Thursday afternoon with interment in the
Methodist cemetery. The Rev. Mr. Kitt
er of the United Church Annapolis con-
ducted the services which were largely
attended. Mrs. Holmes who had com-
pleted her 82nd year was a highly respec-
ted lady and leaves to mourn three sons in
the United States and two daughters Mrs.
James Anthony and Mrs. Garnet Morris
on of this place. Two sons Joseph and
Percy, of Lynn, Mass., came home on
Wednesday last to attend the funeral
returning on Saturday.

Mrs. James Hayes of Cambridge, Mass.,
is visiting her daughter Mrs. Horace Snow.

Mr and Mrs Chester Johns and daughter
here from Salem, Mass., last week and
will spend a short vacation with relatives
here and in Kentville.

Mrs. A. Leteney is spending the week
with friends in Bear River.

Miss Leah Moore who has been visiting
friends here and at Stour Beach left for
Boston on Saturday. Others leaving on
the same day were Mrs. James McWhit-
ter and son Hayward. Also Mrs. Evelyn
Snow who had been spending the week at

Mrs. Ralph Hayden's returned to her
home in Digby.

Mr and Mrs Thompson and daughter
accompanied by Mr and Mrs Sheppard
and baby who have been visiting relatives
here and in Saint John left by auto for
their homes in Lynn, Mass.

Miss Frances Geer of Springfield,
Mass. and Miss Ruth Gould of Worcester,
Mass., are guests of the Misses Lena
and Mildred Keams. The party left on
Monday for a motor trip to Bridgewater
and Halifax.

WHEN PACKING FOR VACATION NEVER FORGET

You are sure to need some handy remedy for Stubborn Insect Stings, Thorns, Scratches, Sore Places. ZAM-BUK has been proved to be the best. Take a box with you. 25c box, all Druggists and Grocers.

ZAM-BUK

Garden Party

Carried over from Bear River page
The garden party held on the
grounds of the Baptist church on
Thursday afternoon was indeed a
success. The day was beautiful
and a large number attended.

Mrs. Carl Miller, Mrs. Chipman
Harris and Mrs. Harvey were the
special committee.

The Candy table in charge of
Miss Florence Dunn, and Miss
Evelyn Chute was well patronized.
The Fancy Sale and Flower table
in charge of Miss Muriel Kinney
and Mrs. A. G. MacIntyre, was
soon unladen of the very nice ar-
ticles which had been so kindly do-
nated for the occasion. The ice
cream in charge of Mrs. L. J. War-
ren also had a large place in the
success of the day. The supper
tables deserve honorable mention;
the decorations etc. being in charge
of Mrs. J. H. Cunningham. They
were beautifully arranged with yel-
low flowers for the color scheme
and when loaded to their capacity
with the most delicious food pre-
pared by the ladies of the church
it made the scene of the out of
door very enchanting and this part
of the programme was enjoyed by
all who partook.

The sum of one hundred and
twenty dollars was realized and the
ladies wish to thank all those who
donated fancy articles and also all
who assisted in any way to make
the day a success.

Culloden

Rev. Mr. Harvey of Tiverton preached
in the Baptist church on Sunday after-
noon the Digby Quartette was present
and the singing was very much appre-
ciated by the congregation.

Reception for Mr. and Mrs.
Eddie DeVeau Held at
Belliveau's Cove

Friends of Mr. and Mrs. Eddie DeVeau at Belliveau's Cove, on Wednesday evening welcomed them back from their honeymoon with a post nuptial reception in their honor in L'Assomption Hall.

The bride was Miss Alfrede Gaudet of St. Bernards. Her marriage to Mr. DeVeau took place at St. Bernard's a week ago and they had just returned from a wedding tour of the province. Mr. DeVeau is a member of the firm of De Veau Brothers of Mavillette and Salmon River.

Two hundred guests were in attendance at the reception and a great number of wedding gifts of beauty and value expressed the good wishes of their friends for the happiness of the bridal couple.

After a formal welcome was extended, dancing was enjoyed until an early hour, with an intermission just before midnight for a delicious supper served by the ladies who had arranged the affair.

Belliveau's Cove is famous for its hospitality and on this occasion exceeded itself to welcome the newly wedded.

Mr. and Mrs. DeVeau will reside in Mavillette.

Changes in Banks' Staff

Mr. St. Claire Ruggles, teller at the Bank of Nova Scotia branch here has been transferred to the Aylesford branch of the bank and left last Thursday night to his new post.

On Wednesday Mr. L. M. Nickerson, teller at the Royal, left for Sydney where he has been transferred.

Mr. R.M. Currie of Windsor has been transferred here to take over Mr. Nickerson's duties and Mr. G. R. Began, of Mahone, has been transferred from Aylesford to take "Cash" at the Nova Scotia.

Miss Cecelia Forstall, of Middleton, has been appointed to a position on the exchange board at the local telephone office. Miss Holdsworth, Agent-Chief Operator, is at present being relieved by Mrs. Gesner while on her holidays, being spent in Halifax.

Yacht of Cruising Club Visits Digby

The yacht Istar, of Marblehead, Mass. with her owner, Mr. Gordon and Mrs. Gordon, was a visitor in Digby several days this week on a cruise along the Bay of Fundy coast. Mr. Gordon's affairs prevented him from joining in the squadron cruise of the club and he and Mrs. Gordon arranged to come earlier in the season.

The Arleux in Port

The Fisheries Department steamer Arleux, Captain Cousins, arrived in port on Monday and has been here during the week. She sails to day for her cruising base on the south shore and will be at Halifax for Sunday. The last time the Arleux was in port was early this spring and while here was ordered out to search for possible survivors of a wrecked American fishing schooner. Captain Cousins hoped to be in Digby for the First of July Celebration, and he and his officers and men were looking forward to a real old time in the old town. Circumstances prevented, but the skipper was interested in reading accounts of the big day and was even more disappointed than when he learned the Arleux would not be coming to Digby for the celebration.

While the vessel was in port Captain Cousins was the guest of Mr. and Mrs. G. E. Torrie.

A Special Dance will be held in Ocean Gardens Casino Tonight, Harbor View Orchestra.

Miss Kathleen Fitzgerald of Weymouth North, was a visitor in Digby on Wednesday, returning home from a visit with relatives in Little River.

Mr. and Mrs. F. W. Moody, miss Ter James and Miss Betty Moody arrived by motor from Toronto and are guests of Mr. and Mrs. R. Hart Nichols for a week.

A Special Dance will be held in Ocean Gardens Casino Tonight, Harbor View Orchestra.

Rev. Fr. Somers, of Halifax, was a visitor in Digby this week.

Mr. and Mrs. Henry Hayden, of Stonhew, Mass., and Mrs. Whiting, of Plymouth, are guests of Mr. and Mrs. W. W. Hayden.

The musical event of the season will be the concert to be given in Digby Baptist Church on Monday evening by the Lotus Quartette of Boston. Omission of a word in last weeks notice of this concert, leads to some confusion, the word Baptist being left out. Music lovers are recommended to reserve Monday night for the concert, and to remember that it will be in the Baptist Church.

Reserve Tuesday evening for the weekly dance at the Ocean Gardens Casino. Fine music, good company

McClary's Sunny Blue
The Super-Kitchen Ware

See the "Sno-wite" Lining

The lining that is white and stays white—a smooth, hard, gleaming porcelain surface as smooth as a china dish, and every bit as easy to wash—a surface that resists fruit acids and helps to preserve the purity of the foods.

Note the weight and strength

There is a solidity, too, about "Sunny Blue"—an extra weight and strength that means long life and enduring service. The heavier weight material of which this fine kitchen ware is made not only gives durability but because of its heat retaining qualities serves to improve your cooking. You can buy it by the set or piece.

DIGBY, NOVA SCOTIA, FRIDAY AUGUST 12, 1927

Second Section VOL. LIV Number 1

Announcing A Great Money Prize Circulation Contest

THE BIRTHDAY CIRCULATION CONTEST IS A SPARE TIME PROPOSITION

Read These Suggestions for Arranging the Territory You Live in and Start Now To "Make Every Moment Count"

The Courier's Subscription Contest is a spare time proposition. It isn't necessary, or is it asked, that contestants give up all their other duties or pleasures in order to devote themselves wholly to the contest. This is unnecessary. The one thing that will win is concentration, effort and the contestant who makes every moment count will be the one to win.

It is inadvisable to lay down a set of cut and dried rules for the handling of each territory, but in general the work will be easier and results surer if each contestant divides his or her districts up in small sections and systematically covers the whole. A street, a section of road, a group of houses, one each evening or afternoon, and it is surprising how well the ground can be covered, and how few places one will miss. Much better than a haphazard calling at this house or that, with endless walking, recover

A Fast Train

There is a train that runs between Montreal, Toronto and Chicago, which covers the distance in very fast time and is among the fastest on the continent. The "International Limited" leaves Bonaventure Station, Montreal, daily at 10.00 a.m., arriving Toronto at 5.40 the same evening and Chicago at 7.50 the next morning.

"The International Limited" is an all steel case train, and carries a radio equipped compartment, observation, library. This is one of the finest car, and fastest trains operated by the Canadian National Railways and the fine roadbed makes for smooth riding.

An additional fast train has been put on the route between Montreal and Toronto. "The Inter-City Limited" which leaves Montreal daily at 12.30 p.m., arriving Toronto the same evening at 8.30 and which has proved a popular innovation.

For reservations, fares, etc., apply to any Canadian National Agent or write or telegraph to F. W. Robertson, General Passenger Agent, Moncton, N. B.

Our Summer Guests

The most surprising thing about the Courier is the number of copies which each week go to addresses in the United States. Some of our Summer Visitors have been subscribers to the Courier for nine or ten years. They find that their pleasure each summer is keener because of having kept in touch with County affairs, and often their first visit, after getting settled on arrival is to the Courier office to renew their subscription. There is a good example. Fill in the coupon below and mail at once. It will bring the Courier to your home address for a year, and when you come back next summer you will enjoy yourself the greater because of it.

DIGBY WEEKLY COURIER:

\$105 OFFERED IN THREE PRIZES TO WORKERS IN GREAT CONTEST

Contest is Open to Every Resident of Digby, Clare and Annapolis—Enter Your Name Early—This is a Splendid Opportunity to Win a Handsome Cash Reward

Today marks the real start of the Weekly Courier's Birthday Circulation Contest—the official opening of the race for the Grand Prize, \$75.00 and other Cash Prizes and Commissions to hustling subscription-getters. Today marks the official opening of the campaign to place the Weekly Courier in the Three Thousand Circulation class. This is a really great opportunity to earn a lump sum, in spare time, that will help buy the Fall outfit for the boy or girl about to enter High School, for the young man or young woman planning on entering Business College, Normal, or about to start winning a University Degree. It is a real opportunity for the man or woman who wants to add a lump sum to the growing bank account or make the first payment on a fur coat. For every hustler who will work, reward is waiting—the Grand Prize is yours to win, and if you cannot win that, one of the other Cash Prizes, or the liberal commission paid to all, will make all effort count, and repay you well for the time spent on it. Effort alone will count in this contest. There will be no favoritism, no special awards to particular candidates, but every one remaining active in the contest to its close will receive their full reward for their work done. Every candidate who keeps active to the end of the contest will receive liberal commission on all remittances sent in—and this in addition to the Cash Prizes for the leaders in the contest.

Get all your friends to work for you. They can help a lot. The ones who now take the Courier can tell their friends how good it is; they can give you their renewals, and can help in many ways. If they save for you, each week the voting coupon which will be published all those votes will count too, and you will be surprised how quickly your total will count up.

BUT—First, last and all the time, remember that it is on yourself that the real success depends. If you do your best, make every moment count, you will be among the leaders. If the Grand Prize goes to some other contestant you will have only yourself to blame and even then, one of the other prizes, or at least a liberal commission on all business sent in will repay you for your time and effort.

LET YOUR MOTTO BE: Make Every Moment Count

General International travel through the Canadian west is expected to be very heavy this year according to R. G. McNeill, general passenger agent of the Canadian Pacific Railway at Winnipeg. Several important parties will also add to the number of travellers especially through the Canadian Rockies regions.

The life of John Pope, sailor aboard the American vessel Natras was saved recently by instructions wireless by Surgeon Taylor of the Canadian Pacific steamship Algonquin, after Pope had been critically injured by a fall of sixty feet from the mast. The two ships were 190 miles apart but before later and the injured man was transferred to the C. P. R. ship and rushed to Quebec.

remember that every candidate who work will win in this contest.

YOUR CHANCE OF WINNING IS AS GOOD AS ANYONE'S—AND ONE THING SURE, YOU WILL BE WELL PAID FOR ALL THE WORK YOU DO.

The contest is open to every resident of Digby, Clare and Annapolis, without restriction. You may solicit subscription any where, there is no exclusive territory, and the Courier will be sent to any post office address in the world.

The Courier is out to enroll three thousand names on its subscription list, to take its proper place among the leading Weekly newspapers of the Maritime Provinces, and every candidate can help to achieve this result. New subscriptions count most. Double the value of renew-

Here and There

The estimated gross agricultural wealth of Canada is \$7,500,000,000 according to the Department of Interior.

Concluding a stay in Canada on their ranch near Kamloops, B. C., the Marquess and Marchioness of Exeter accompanied by Lady Winifred Cecil, sailed from Quebec recently on the Canadian Pacific steamship Minnedosa for England.

An aeroplane passenger and freight service to the central Manitoba area was inaugurated on June 1 by the Western Canada Airways Limited, making the first commercial service to be operated in the Province.

Foundation work is proceeding rapidly on the new addition to the C. P. R. grain elevators at Port McNicoll, which when completed, will hold a storage capacity of 6,000,000 bushels, instead of the present capacity of 4,000,000 bushels.

A total of 1,384 English boys have already been moved from the OIA Country and placed on farms in Quebec and Eastern Ontario by the British Immigration and Colonization Association according to the figures given out at the annual meeting of that organization.

According to figures of the Canadian Government, Canada led all countries of the world by a wide margin as an exporter of wheat, from August 1 to December 31, 1926. In that period Canada shipped 167,795,000 bushels, her closest rival being the United States with 141,911,000 bushels.

als and arrears. It is new readers we are after, and the rewards offered should make it worth any candidate's while to get a move on.

The most ambitious have already entered the contest, and some have been quietly working among their friends in preparation for the official opening, but their start can be overcome by fast working and if you enroll today you have a good chance of overcoming any lead others may have over you.

Enroll as a candidate in the Birthday Circulation Contest Now!

The Canadian Rockies

In the heart of Jasper National Park, in the Canadian Rockies, Canada's largest National play ground, is situated Jasper Park Lodge, the world famous mountain resort, owned and operated by the Canadian National Railways. Located in this park are some of the mightiest peaks in the Canadian Rockies, the monarch of them all, Mount Robson being some 12,992 feet in height. Mount Edith Cavell, with its 11,033 feet, named in honor of the British Red Cross Nurse, a martyr of the late war, is also numbered among the giants of the Park. There are lakes of crystal hue and mirror like surface, which reflect within their depths the majestic snow clad mountain peaks that rise up on all sides. For the golfing enthusiast there is a world renowned golf course and a game played on its links beneath the shadow of towering peaks is an experience not soon forgotten. Among the famous glaciers is the "Glacier of the Angel" on Mount Edith Cavell.

The Lodge consists of rustic log cabins or bungalows, with a main building where is enjoyed dancing and which is the centre of social life.

A descriptive booklet of the various attractions of the Park and outlining the features connected with a holiday spent there may be obtained on application from any Canadian National Agent, or by writing the General Passenger Department at Moncton, N. B.

FRIENDS OF THE COURIER CAN GIVE MUCH HELP TO THEIR FAVORITES IN THE CONTEST

Encourage the Contestant in Your District By Giving Renewal and New Subscriptions During the Contest

Friends of the Courier can do much to make our Birthday Circulation Contest a success by helping their favorite candidates, and by encouraging live-wire hustlers to enroll themselves in the "crew of workers." They can also tell their friends how much the Courier has improved during the last year, and by handing their renewal subscriptions and payments of arrears to their favorites can give them a big start in the race for the Grand Prize. The candidates who have the most friends helping them will have the easiest task in the contest and the Contest Editor is asking all readers to help their favorites to win. Remember every candidate will win in the race, if not the Grand Prize, then one of the other Cash Prizes, or a liberal commission on all business sent in.

If you have in mind a bright boy or girl who you think is a good worker, send in a nomination blank in his or her name. The nomination blank is good for 100,000 Bonus Votes, giving each one a send off from the starting line.

Payments of arrears or renewal or new subscriptions may be made direct to the Courier Office, or to any member of the staff and the votes they carry will be credited to any candidate chosen by the subscriber. In addition to this you may send in the Credit Coupon which will be published every week during the contest. This coupon, when filled in with the name of a candidate, is good for 100 votes.

Support your favorite, send in your remittances for arrears or renewals and save the coupons. In this way you can do a lot to help decide the winner, and if in addition to this you order a new subscription, or more than one, for a relative who is not now a subscriber to the Courier, you will be giving your candidate real support and encouragement.

Send in a subscription now, and help your favorite along.

Twenty-three members of the Ohio Wesleyan Glee Club sailed recently on the Canadian Pacific steamship Montrose for England, where they will visit a short while before beginning a singing tour of the countries of central Europe to last about a month.

The Holy Land is to be officially represented at the World's Poultry Congress, it is announced. Dr. David Uri of the poultry experimental station in Palestine, will represent that country at the great international event to be held in Ottawa from July 27th to August 4th.

A new direct steamship service between Saint John and Havana, Cuba, will likely be inaugurated from the first of September, when the potato shipments start. If the New Brunswick Government and the shippers of the province back the project, said F. L. Estabrooke, of Sackville, just returned from a trip of enquiries in Cuba.

A bed which rocks its occupant to sleep has been invented by Sir Alfred Yarrow, British scientist. Sir Alfred, while travelling across Canada on the Imperial Limited some months ago, noticed that the slight sway of the train cured his insomnia. This fact resulted in his constructing the unusual bed which enables him to sleep soundly.

A new departure in the province was the recent formation of an association known as the Nova Scotia Chinchilla Rabbit Breeders' Association, at a meeting at Kentville, with F. W. Foster of Day Spring, president; Mrs. J. R. Barrett, of Avonport, vice-president, and G. E. Roberts, of Grand Pré, secretary. Bells will be marked through the English Fur Board.

Search for the missing French aviators, Nungesser and Goll has been resumed by two Pathe News and two New York Daily News men who arrived at the C.P.R. station in Montreal recently enroute to Chicoutimi. Three of the party will form a land expedition, while the fourth will fly into the Quebec woods from Grand'Mere. They will stay in until the mystery of the flares is cleared up.

B. Macdonald, former Saskatoon aviator and now a leading student in Los Angeles, has written asking if the citizens of Saskatoon will provide a plane to be entered in the flight from Los Angeles to Hawaii, which he will fly. He offers Saskatoon backers half the prize money and half any other receipts, should he be successful. The President of the Star has announced that the Star is prepared to make a substantial contribution towards the \$15,000 required. The plane would be named the "City of Saskatoon."

HOW TO GET THE VOTES!

The Subscription price of the Weekly Courier is \$2.00 a Year if paid in advance, to any address in Canada. If sent to foreign addresses 50c is added to cover mailing.

In this Contest Votes will be scored as follows

1 year old subscription counts	50,000 votes
2 years old subscription counts	70,000
3 years old subscription counts	80,000
4 years old subscription counts	90,000
5 years old subscription counts	100,000

Payment of arrears on old subscriptions wins votes on the above schedule. Example: A subscription now 2 years in arrears if paid up to one year in advance wins 80,000 votes.

1 year NEW SUBSCRIPTION WINS	100,000 votes
2 years NEW wins	140,000
3 years NEW	160,000
4 years NEW	180,000
5 years NEW	200,000 votes

A new subscription is one which has not been in the mailing list at the announcement of the contest, July 22.

Taxes and the Government

One of the most important matters which will have to be dealt with by the proposed Department of Municipal Affairs, which it is intended to establish in the provincial government, is the rearrangement of the system under which the different provincial departments collect certain parts of Municipal revenues. The Educational Department, the Highways Department, the Nova Scotia Hospital and various other departments of the provincial government all take their share of the taxes collected by the different municipalities. There is the Highways tax,

able in May of each year, but common experience has shown that no great amount of money is collected before October or November, perhaps December. The tax collectors do their work with reasonable diligence and consideration for the circumstances of the individual taxpayer and it would be a hardship in many cases to enforce payment of tax earlier in the year. Failing collection of sufficient money the municipality is obliged to borrow, in overdrafts, funds to meet the demands of various provincial government departments and since practically no consideration is allowed either the towns or municipalities for making the collection of these monies which are paid over to the Highway Board and Board of Education, it seems only reasonable that if any interest charges must be incurred that the Provincial Government departments are the ones which should bear them.

No doubt the Warden of the Municipality of the District of Digby and his associates of the Finance Committee will see the point of this suggestion and take measures to advocate a change in the present system for the relief of municipal financing arrangements.

THE NEW STEAMER YARMOUTH
Operated by the Eastern Steamship Lines on the Yarmouth-Boston route. The finest passenger steamer employed in coastwise service

The New Yarmouth Brings Many Visitors

July A Record For Passenger Travel

Despite the fact that passenger travel by the Boston & Yarmouth line steamers showed a slight decline for the months of May and June as compared with the same months in 1926, business came with a swing for July and according to statistics given out recently by the United States Immigration officials, at Yarmouth July 27 will go down as a record. For the month the steamships Yarmouth and Prince George brought into Yarmouth 9,272 passengers and took away 5,981, making a total of 14,266 persons to pass through this port for the twenty-six round voyages which those ships made, an average of 548.15 each. Last year the number of inbound passengers carried was 8,514 and outbound 4,526 a total of 13,141 or

1,152 less than the month just closed. In 1924 the total was 13,263. When the weather conditions of the past month, not only in this province but also in the New England States are considered, the very noticeable increase of this July is remarkable and the results most gratifying to the Boston & Yarmouth officials.

The carriage of autos also improved accordingly and in July the ships landed at Yarmouth 257 cars while they took away 190 a total of 447 as compared with 229 in, 140 out or a total of 369 for July 1926. Another comparison in this respect is the total from the opening of the season this year until July 31. In that time 665 autos have been carried to and from Boston as compared with 545 a year ago.

With the opening of August every thing along transportation lines points to another big month and it is expected the ships will establish a new record for the month. As an indication of this the Yarmouth on August first came in from Boston with 800 passengers and sailed to return with 361 persons on the list. This ship also brought in thirty-nine autos, which was another record landing for the line and took fifteen cars to Boston. A very noticeable feature in this phase of the transportation business is the unusual number of large sedans, coaches and touring cars that is being carried. That is particularly so with the Yarmouth which has landed several of the largest cars seen in this province.

The accommodation for autos on the Yarmouth is all that can be desired and the touring autoist of the United States is apparently realizing that fact.

To show the great development of the travel between this port and Boston, the "Thirty Years Ago" column of the Yarmouth Herald says that on July 31, 1897, says the Boston steamers of the Yarmouth Steamship Company, Ltd., are bringing large numbers of tourists to Nova Scotia and this morning the steamer Boston arrived with 250 passengers in those days there

were only four trips per week, yet the 250, was considered a big number. It was however, through the ambitions of the several Yarmouthians who were the promoters of that original steamship company who foresaw the tourist possibilities of this province and, with the then palatial steamers Yarmouth and Boston, laid the foundations for development of a trade which now demands large ships with a capacity for 800 or more passengers. To those who have watched the growth of the summer travel between Boston and Yarmouth the expansion is remarkable, while with the greatly increased accommodation with all the modern conveniences as are commonly found in many of the leading hotels of the land, it is very plain to be seen that we are even now only at the beginning and no person can predict what the next few years will bring forth in tourist travel to Nova Scotia.

latters parents, Mr. and Mrs. John Maguire.

Mr. and Mrs. Austin Gillatt, of Grandville Ferry, called at the home of Mrs. R. Gillatt on Sunday last.

When Going West

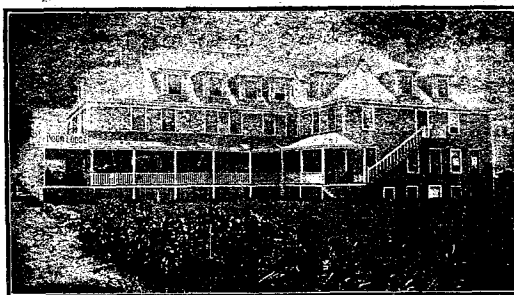

As an aftermath to the Diamond Jubilee Celebration, a trip across the continent would be a fitting conclusion to a glorious celebration, to see the old world beauties of Quebec, the sylvan loveliness of Ontario, the vast prairie stretches of the West, the majestic snow clad peaks of the Rockies and the sun bathed, wave-lapped shores of the Pacific. To travel across the continent is at once an object lesson and an inspiration to become more worthy of our citizenship. No one who has taken the trip across comes back without a better understanding of our country and a nobler ideal to make Canada great among the nations of the world.

In these days of modern travel, the trip can be made at a minimum of expense and with an ease that proves a marvel to those who have tried it. The Canadian National Railways operate a through all-steel train, "The Continental Limited" which leaves Montreal daily at 10:15 p.m. for Vancouver and Victoria, touching enroute, Ottawa, Winnipeg, Saskatoon, and Edmonton. Jasper-National Park,

Canada's largest playground, is also passed through, all transcontinental tickets carrying with the privilege to stop-over at Jasper, in the heart of Jasper National Park, where is located Jasper Park Lodge, the world famed mountain resort; owned and operated by the Canadian National Railways. "The Continental" Limited makes the trip across the continent in remarkably fast time, so that where time is a factor, it provides a fast service.

For illustrated booklets descriptive of the country passed through, fares, reservations, etc., apply to any Canadian National Agent, or write to F.W. Robertson, General Passenger Agent, Montreal, N.B.

James Bragg Jr., who spent his vacation with his parents, Mr. and Mrs. Edward Bragg has returned to Boston.

Mr. and Mrs. T.W. Cook who has been the guests of their daughter, Mrs. Bruck Cook for the last three weeks has returned home.

Mr. and Mrs. Jesse Wright and children drove to Fort Point last Sunday and was the guests of their daughter, Mrs. Charles Ford returning same day.

which in the Municipality of Digby amounts to upwards of nine thousand dollars and which for the Town of Digby is \$659.43. This amount is due and payable to the Highways department in July or August and in almost every case the town or municipality has to borrow money to pay it, and wait until the collection of taxes provides funds in order to return the overdraft at the bank.

This costly procedure eats up in interest a large part of provincial revenues, where it would be possible, and proper, if the system was changed and the different provincial departments which depend on the municipalities for a large part of their revenue should so arrange their financing that the amounts due from the municipalities would not be due until after collection of tax revenues had provided the funds to cover the requirements.

Municipal Taxes are due and pay

Old Issues of the Courier Yield Many Interesting Items Old Time Merchants Wrote Peppy Ads— Advertising of Minard's Liniment and Gillett's Lye Still Running in Courier's Advertising Columns

The most interesting and amusing reading matter which has been the editor's good fortune to read for some time past is in an issue of the Digby Weekly Courier of Friday July 14th 1876. This copy has been loaned to the Courier by Mr. James A. Robbins, of Kossway and is by way of being an heirloom in the family.

Following the style of country journalism in those days the Courier devoted itself largely to world events. The local news was skimmed over, somewhat, but the news of Europe, the vagaries and fantasies of the Empress of Austria and the doings of the British nobility were fairly closely followed. A report of Custer's Last Stand against the Sioux Indians in the United States Indian Wars is reprinted from a Chicago newspaper of July seventh and reads like a movie scenario rather than an authentic account of something that really happened.

In the advertising columns is the most interesting news of the paper. Mr. G. I. Letteney, doing business in Digby at that time, offered a number of remnant lines at reduced prices. American Cottons in particular, were marked down to 8c, 9c and 10c per yard. Mr. Letteney and his competitor, G. F. Stone, were always out to get the best of each other, apparently. In the Letteney advertisement appeared a word of advice to Mr. Stone.

"The Israelites saw waters gush forth from the rock, but it was reserved for this generation to hear a STONE speak."

"If it is true that from the abundance of the heart the mouth

speakeeth, how full to overflowing of deceit, conceit and slander must be the heart of our friend.

"We would advise him never to attempt the like again if he wished to be respected, for the intelligent public do not judge a man by the good clothes he may wear or the pompous air he may have but by his conversation and actions."

Mr. Stone had not read this effusion when he wrote his advertisement of that week, but he had been up to something you may be sure. In his space he took Mr. Letteney to task for trying to monopolize everything.

"IS IT TRUE?"

"Would it be better for the public if all the business of Digby was under control of one or two men today? NAY! Methinks you will agree with me in saying that the more competition the less profits, which is better for you. Therefore I am the man you ought to support. Please do not fail to see my stock of American Cottons which have just arrived. THE LOWEST YET. G. F. STONE

A notice also appears in this issue of the intention to erect a bridge across the Sissipoo River, "at or near Weymouth."

Of all the business houses and products advertised in the issue of the Courier of September, 29th, 1893 the only advertisements still carried are those of the Minard's Liniment Co., of Yarmouth and Gillett's Lye. Even so far back Minard's was a household remedy and cured the burns and cuts, of people then as now. In fact the

same phrases still hold good in the Minard's advertising of today 'Minard's Liniment Cures Colds, etc.' one is taken from a Minard's reader of 1893.

Gillett's Powdered 100 per cent Lye is still known by the same trade mark.

The Courier is obliged to Mr. William Winchester for the copy of the Courier of 1893 from which the above advertising is taken.

In these two old copies are many other items of historic interest, to old residents of Digby will recall happenings of their youth. In the issue of 1876 are advertisements of the Western Counties Railway, Corbett's Pack-et Line. Stallings Coaches, of Middleton, Sailmaker of Annapolis and one subscriber advertised his wife, giving notice that he would not be responsible for her debts.

Digby's Foremost Factory Plant Means Much to the County

The Warne Mill at South End A Hive of Industrial Activity

Visitors to Digby for the Dominion Day celebration will remember the interesting float in the parade which represented the Warne Mill. A saw mill of ancient vintage, but in good working order, did its work right on the street. How different is the plant and equipment at the Warne Mill of the present day. Employing forty hands, with saw mill, box and shook factory, barrel stave mill and cooperage, planing mill with planers and edgers and matchers, its machine shop and all the other equipment that goes to make up the busiest spot in Digby, the Warne Mill is an important part of the life of the town of Digby. Mr. Warne is too modest to say all of what the Warne mill has done in the ten years since H. T. Warne took over the mill of the Digby Woodworking Company managed

by R. M. Oliver, but those who know him and the history of his activities in the town and county, know that the Warne interests have meant much to all of Digby.

A visit paid to the mill one day last week, when the writer wandered around without any knowledge of what he would find, was an discovery. "Stream line" handling of materials seems to be the secret of the tremendous output and we followed the logs from the brow, up an incline to where the huge saw kept up its humming song and from the delivery carriage through

to the drying piles. Then to the planing mill and the box factory, around the boiler house, and to see sawyer and his assistants cutting and trimming barrel staves for the cooper shop. A feature of the boiler room was the fire. Endless belts carried sawdust, shavings, short ends of wood and other refuse up to the chutes above the fire boxes and a constant stream fed the flames beneath. The fireman spent most of the time while we were there in bragging about his engines and judging by the rhythmic

THE MANHATTAN
Reopened this season by W. S. Troop

song they gave out they must be all he said they were.

The mill is the fulfillment of an ideal of development conceived many years ago. From a single mill operating at Hill Grove Mr. Warne branched out until he had in the peak of the war season five mills in operation in various parts of the county. Then he bought the Digby plant and around it has built an organization that manufactures everything, almost, that is made of wood and will sell. Building materials, planed and rough lumber, hardwood flooring, wood boxes and box shooks, barrels and barrel staves—always the saws and machines are busy turning them out, always many men are on the pay roll, and almost every day of the year horse teams or carts, motor trucks, from near and from miles away are bringing logs from the timber lots of independent owners to the Warne mill to be turned into cash. Upwards of two million feet of lumber was used in the mill last year, and most of this came from small wood lot owners.

Logs from Digby county comes to the mill and are turned into manufactured lumber and in Warne ships sail from Digby to the American market. Not lumber only, but last year the three masted schooner Mary M. Brooks carried from Digby the greatest cargo of vegetables ever shipped from this port, a full

hold and deck load of turnips and potatoes, all grown or purchased by Mr. Warne in Digby county.

Five, early this Spring threatened to wipe out the Warne mill. The effort of the firemen saved the mill, though the office was burned, and the industry was saved to Digby.

While the mill and its by-product operations are all the result of personal effort of Mr. Warne it has grown into a family organization. Mr. Hubert Warne is mill manager and plant superintendent. Miss Warne is accountant and office manager and the head of the firm keeps an eye over all. "Circuses," he says, "are the last word in taking money, legitimately, from the public," and the Warne mill is intended to be the last word in taking every useful inch from a log of wood. The first adding machine in Digby was installed in the Warne office, also the first typewriter. This is typical of the organization. Not "what does it cost," but "what will it do?" is the standard by which every machine, every employee, is judged, and any that will earn its or his keep and make the work easier or profitable is taken into the organization.

CONDITIONS and RULES

Enrollment in the contest binds the
contestant to agree to the following

1—To qualify as a contestant in this Birthday Circulation
Contest your name must be included in the list of contestants in
the hands of the Contest Editor. This list will be published from
time to time in the Courier.

2—All remittances must be made promptly. Each
candidate should mail remittances not later than Saturday of
each week. Holding back remittances prospective weeks will not
help in this contest as all subscriptions will count the same.

3—All new and renewal subscriptions must be mailed or
brought to the Courier Office immediately they are written up.
The system of accounting being used in this campaign requires
that the official receipt books be used by all candidates.

4—The report of independent auditors, who will examine
the accounts of the campaign on its close, must be accepted by
all candidates, and the rewards will be made on the basis of their
report.

5—Friends of the candidates may mail or bring direct to
the Courier office subscriptions to be credited to their favorite
candidates, but no transfer of credits will be permitted from one
candidate to another in the contest.

6—In the event of a typographical error the Courier is
under no responsibility except to make the necessary correction
on discovery of the same.

7—No paid employee of the Courier is eligible to enter
this contest, but this regulation does not apply to rural corres-
pondents of the Courier.

**Machinery Enroute For
Tiddville Plant**

A carload of machinery for the Tiddville development being undertaken by the Diatom Products Company was on Monday, enroute to Weymouth for transshipment across to the plant site. Mr. Burroughs, President of the company arrived at the plant on Tuesday, motoring from Halifax and arranged for development work to be undertaken.

The product is the result of the birth and growth and death of millions upon millions of microbes, the whole deposit being the residue of their shells and in some parts of the deposit breast holes have been sunk thirty feet without reaching bottom. As dug from the bank the earth, which it is called for, is a popular term for its scientific title, is calcined, bagged and shipped to American ports. Demand for it is constant and large and one customer with whom Mr. Wightman had arranged for supplies will take upwards of twenty thousand tons a year.

A digger, calcine kilns and other plant equipment will be installed to handle the development on a large scale and will give employment to a number of men.

At Little River the wharf accommodation will take a large steamer drawing 26 feet at high water and the shipping point is less than two miles from the deposit.

Other deposits of a similar nature in Nova Scotia are found in Colchester County, at Silica Lake and at Weatherbee, a Settlement. These are small deposits and are now fairly well worked out and besides are long distances from rail head and still further from tide water.

A large congregation at Grace Church on Monday evening listened with pleasure to a sermon by Rev. Wm. B. Oliver, of Lynn, Mass. Mr. Oliver has been a visitor in town for the last week or so and is leaving next week to take up work in Lynn, Mass., as pastor of the First Congregational Church.

The Digby Fisheries

**Scallop Industry Exhals Old Time Fisheries
in Value of Catch and Gear. A Review
of the Passing Years.**

WARD FISHER, Inspector of Fisheries.

The Bay of Fundy fisheries have not only a most interesting history from the early Acadian days, but furnish a remarkable and abundant supply of choice varieties of fish. Further, the prosecution of the fisheries has developed an unusually intelligent, ambitious and enterprising fishing population. Few sections of the Nova Scotia coast can surpass, or equal, the success achieved by the small boat fishermen of the Bay of Fundy coast. The success is evidenced by the comfortable homes, fine schools, churches and other public institutions of the highly prosperous villages established amidst surroundings of scenic beauty.

It is to be regretted, however, that the fisheries, particularly of Digby town district, has lost much in equipment, and consequently in importance the past ten years. And the loss would have been much greater if it had not been for the recent discovery and exploitation of the scallop fishery.

The following summary will doubtless afford an interesting study by way of comparison:

DIGBY COUNTY—1885			
No. of vessels engaged in fishing	77	Men employed	592
No. of boats engaged in fishing	373	Men employed	922
Total	450	Total	1514

Of the above 23 vessels and ten boats, employing 254 men operated out of Digby.

The principal catches were—	
Cod	4,825,000 lbs.
Haddock	5,732,200 lbs.
Pollock	2,095,500 lbs.
Halibut	440,800 lbs.
Of which 350,000 lbs. was landed at Digby.	

The total value of the fisheries for 1885 was \$218,706.

DIGBY COUNTY—1905			
No. of vessels engaged in fishing	53	Men employed	519
No. of boats engaged in fishing	878	Men employed	1454
Total	932	Total	1973

Of these 14 vessels and 50 boats, employing 235 men, operated out of Digby.

The principal catches were—	
Cod	6,733,200 lbs.
Haddock	2,640,100 lbs.
Pollock	4,440,500 lbs.
Herring	2,716,500 lbs.
Hake & Cusk	8,544,000 lbs.
Halibut	309,085 lbs.
Of which 100,000 lbs. was landed at Digby.	

The total value of the fisheries for 1905 was \$214,057.

DIGBY COUNTY—1915			
No. of vessels engaged in fishing	53	Men employed	519
No. of sail and gasoline boats	1024	Men employed	1656
Total	1063	Total	2024

Of the above, 7 vessels and 15 gasoline boats, employing 180 men, operated from Digby.

The principal catches were—	
Cod	6,517,700 lbs.
Haddock	11,358,100 lbs.
Pollock	9,121,400 lbs.
Herring	2,278,600 lbs.
Hake & Cusk	2,243,000 lbs.
Halibut	101,400 lbs.
Of which 20,000 lbs. were landed at Digby.	

The total value of the fisheries for 1915 was \$1,109,264.

DIGBY COUNTY—1925			
No. of vessels of 10 to 40 tons	20	Men employed	94

Digby Hospital Fair Huge Success

The Digby Hospital Fair held in Victoria Rink Wednesday afternoon and evening proved to be the most successful event of its kind in Digby. The weather was good and everything went well to make it the success it was. From the time doors opened in the afternoon until the National Anthem played at midnight the place was crowded to capacity. The proceeds for the day are estimated at \$2700, a gain of \$300 over last year.

The chief donors to the supper table were Salada Tea Co., tea; Ben's Limited, Halifax, bread; Robertson Bakeries, Saint John, bread and rolls; Dwyer's, Saint John, bread and 20 doz rolls from the bakers of Hon's Bread, Halifax; G.E. Barbour Co. donated coffee.

The donors to the doll booth were T. Eaton Co Ltd.; J.A. McMillan, Saint John, Baird, Thomas & Scott, Truro, W.H. Thorne, St John.

The doll donated by the Variety Store, Digby, was won on a raffle by Miss Kathleen Graham.

The town merchants helped to fit out the candy and fruit booth, the local contributors being R.C. Smallie, Caldwell-Yerxa Ltd., A.R. Turnbull, A.A. Shortliffe, P.W. Holdsworth, The White Aster, Wright's, A.J. Dillon, MacKay & Morse. Generous contributions to this booth were also made by Moirs Ltd., Halifax, Cowan Chocolate Co., Saint John and Yeaton in Hantsport. The five pound boxes raffled off were won by F.L. Anderson, Mrs. H.T. Warne, H.L. Woodman and Mrs. James Keen.

The music for the afternoon was furnished by Harbor View Orchestra, Smith's Cove, and for the dance in the evening by the Pines Orchestra.

The china booth with Miss Effie Adams in charge had everything contributed by the people of Digby and nearby vicinity made about \$50. O.H. Warwick gave a case of china to this booth.

The baby basket raffled off by the baby booth was won by Mrs. L.B. Erwin, this booth received a contribution of \$10 by Doctor Throsby of Montreal.

The arts and crafts booths in charge of Mrs. H.M. Warne, was a big success. Their contributions were chiefly from their truck cafeteria on circus day, the proceeds going for this same cause. The contributors were John & Schipier, Saint John, Imperial Tobacco & Fruit Co. Yarmouth.

Everyone who worked to make this such a great success deserves credit. Each year since the incorporation of the hospital the fair has increased in favor and has been gaining in every respect.

Mrs. H.F. Williams as convener of the fancy work booth, wishes to thank all who contributed articles and helped at that booth. The large picture donated by Paul Yates, was won by F.L. Anderson, ticket 4.

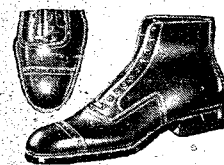

Electric iron, donated by W.H. Farnham by Mrs. C.B. Simmons, ticket 53.

Bed Spread, donated by Mrs. F.L. Anderson and Mrs. H.L. Roberts, by Mrs. Frickett, Smith's Cove, ticket 71.

Rug, donated by Mrs. George VanTassel, by Mrs. Erwin, ticket 56.

Three hand made quilts are still undrawn for.

The net proceeds for this booth were \$245.

Oil Barrel Falling Damages Car Headlights

Motoring to Yarmouth on Saturday afternoon, Mr. G. E. Torrie met with a peculiar accident at the railway crossing beyond Weymouth. Mr. and Mrs. Torrie had as their guests Mr. and Mrs. Lindsay Kirkpatrick and Harry Kirkpatrick and were on their way to spend the week end with friends in Yarmouth.

Approaching the railway, and while still some distance from it they noticed a motor truck approaching at terrific speed. Its freight of oil barrels was making a tumbling racket as the truck swayed from side to side. Mr. Torrie locked on his brakes and slid towards the ditch, drawing up about thirty feet short of the crossing.

As the truck, without slackening its pace, crossed over the railway one of the barrels became dislodged and striking the ground was carried by the momentum of the truck and bounced end over end into the front of the Torrie car. Catching on the bumper, a glancing blow, the barrel swerved sh the to snia

headlight, breaking the glass and tearing the lamp from its stand.

The truck driver did not stop and was going so fast that in the excitement Mr. Torrie was unable to get the truck license number. Mr. F.W. Donkin, of the Water Power Board, passed the scene of the accident a few minutes after it happened and stopping to offer assistance said that the truck had passed him going at a reckless rate of speed, a menace to traffic. He gave Mr. Torrie the truck's license number together with his Halifax address as a witness if Mr. Torrie cared to proceed against the driver for causing damage to his car.

Judge S.A. Chesley, of Lunenburg, was a visitor in town last week. He has spent the last two years in England and is now renewing old acquaintances in the Province. While in Digby he was the guest of his nephew Rev. E.W. Forbes at the United Church Parsonage. Some of his boyhood years were spent here seventy years ago when his father Rev. R.A. Chesley was pastor of the Methodist Church.

Managing Editor

FRIDAY AUGUST 19, 1927

Just What Does the Tourist Business Mean to Digby?

The Courier has been taken to task for over optimism in its estimate of what the annual tourist invasion means to Digby County, and to Nova Scotia. A critic says we set the value of this business too high; that the visitors themselves do not spend the money they are credited with leaving in the country and that the Summer Hotels are not such great business producers for the town and county, as the Courier says they are. Critics say that the most of those who come to Nova Scotia for the summer are Nova Scotians, back home on a vacation, and they don't stay at hotels, but with their own people, and spend very little money. Critics also say that summer hotels don't buy from local merchants, but buy in wholesale quantities, direct from the wholesale houses in Saint John and Halifax. If we keep on the hotels and the tourist business will be a liability rather than an asset, so it is just about time to stop.

Now all of this criticism of the

tourist business is true, to some extent. Certainly many of those who come to Nova Scotia during July and August are former Nova Scotians, home on their vacation. That they spend some money cannot be denied, and in many cases they not only spend money for themselves, but returning leave the folks at home other funds to help them in their need or to purchase small luxuries as the case may be. At any rate they leave a lot of money in the province. Certainly the summer hotels, and the regular hotels do buy in Digby. They do buy dairy products, fish, vegetables, from the farmers and fishermen of Digby County. That cannot be denied, and every dollar that they so spend comes eventually to Digby town. They do lay out a considerable total in salaries to employees every season, and much of that finds its way into the Digby banks.

If not all, then a great many of the summer people who come to Digby county each year are not former Nova Scotians. That they spend money, a lot of it, must be admitted and it is only necessary to visit Digby stores on any day of the week, to see how much foundation there is for the Courier's statement.

On Saturday evening last the editor visited several stores along Water street, Dillon's, Wright's, Yerxa's, Roop's, The Ocean Gardens, Turnbull's, Kiley's, Webber's, the antique stores, The Little Art Gallery. Each of them was doing splendid business. In each of them the clerks and the proprietors were busy attending to customers, and

in most of them customers were spending the time before they could get the attention of a clerk by examining goods on display. It was significant that the interest shown in the wares displayed was not in goods of every day consumption only, but in higher priced and higher quality goods, and the total of business done in Digby on Saturday last, and on every day since the first of July would surprise even those who are in business themselves.

Taking the criticism of the Courier's article on the tourist business and comparing it with personal observation and study of what business the tourists really bring to Digby we would stand by the figures given in the article. Perhaps the banks and chief business men of the town will form themselves into an unofficial committee to prepare a statement from the figures at their disposal and give us for publication a revised, and as nearly as possible, correct estimate of what the tourist business really means to Digby, so that a proper appropriation can be made to further increase it by a concerted and well directed publicity campaign for the year 1928. It is Leap Year next year, so let us leap at it.

As to Summer Visitors

Annapolis Spectator

August being the height of the season for tourists and vacation visitors in this part of the world, our streets and roads and public places are naturally more lively now than usual at other times of the year. And while it is pleasant to welcome them all and help them to get the greatest benefit possible from their visits, it should be a matter of careful study how best to accomplish these results.

The tourist trade must be looked at as a business from many points of view. Transportation Companies by sea and land found out that passenger travel paid better than the handling of freight, because passengers walk aboard and walk ashore and are willing to pay for any extra services rendered. But besides the relative money value given for different classes of traveling accommodation, there are other distinctions between the classes, for there may be first-class people among the third class passengers and there are too apt to be third class people buying their way among the first-class passengers. Money doesn't make a first class lady or gentleman either as a passenger, a tourist or a visitor in any respect. Perhaps it is in this respect that the transportation companies, the hotel management and the banks have worked out with such general efficiency the system that prevails today. Perhaps it is because private citizens who do not study such a system fail to get the greatest profit from the tourist Courtesy without ostentation, limited by discretion.

Entertainment without insistence. Attraction without humbug. Scrupulous cleanliness, exaction of reasonable prices.

Avoidance of argument. Constant cheerfulness. Thoughtful attention to the thousand and one things that will occur to any alert observer who can fancy one's self in the visitor's place.

These will win. A certain amount of dignity, honesty, and respect for one's self and one's own country always pays.

New Ways to Spend Money

Mayor Lynch introduced us to a visitor the other day as "the man who is always finding us new ways to spend the town's money." This is a compliment. It was meant as such, and had particular reference to the Courier's suggestion that a sidewalk should be laid from Syda's fish store to the Pavilion on the water front side of Water Street. The visitor was Mr. Potter, of Weymouth, who had just gone through a thrilling experience in Digby. Because there is no curb or sidewalk on the water front side

of street Mr. Potter had an accident that but for cool judgement and fortunate circumstances must have ended in disaster, and left the town to pay damages, perhaps, and at least responsible for the injury or death of several men the country can ill afford to lose.

Backing his car to turn between Roop's and Westhaver's on Friday night Mr. Potter set the rear end over the bank. Four wheel brakes would not hold the car on the grade and the first thing its occupants knew the car had backed down the slope, over a four foot embankment and landed on the beach. It was due to a heavy fall of dew that the brakes had no part in retarding the decent and the movement of the car was such that it leaped over the wall and landed on all four wheels on the shore. Had it been going slower the rear end must surely have dropped and the front gone over, to kill the occupants.

There was no reason why such an accident should be possible. A concrete sidewalk with curb, would have prevented the car being backed so near to the bank and prevented what was only saved by luck from being a tragedy. This is the third accident of its kind in two years. Last year a car went over in the same place, and along the street further a horse and wagon took a backward dive down the bank. Is it going to be necessary for someone to be killed before some action is taken to improve that side of the street, and at least prevent such accidents as that of Friday?

The Anniversary Number

Many letters and messages of congratulation, complimenting the Courier upon the issue of its first number in its fifty-fourth year of service have been received by the Editor, who takes this means of expressing sincere thanks on his own behalf and on behalf of the Courier staff. The messages most kindly passed over the imperfections, both mechanical and editorial, and in every way encouraged us to put forward our best efforts to increase and improve the Courier's service to its constituency.

In many ways the newspaper has failed to give all it should have given, but as the messages received bear out, it has some important part in the upbuilding of Digby and Western Nova Scotia and within its limitations has perhaps come as nearly to its ideals as any other human undertaking.

Of the future we propose to have little to say. Words are not deeds, promises are not fulfillment, and it must remain for the coming year to determine whether the Courier has continued to give of its best in service to its readers.

Port Wade

Mrs. Edward Baine, who has been at the Kentville Sanitarium arrived home recently with a slight improvement in health.

Otto Parsons of Parrsboro is the guest of Miss Emma Parker.

Rev. Mc Langille of Bridgetown, very acceptably filled the pulpit in the United church here on Sunday afternoon.

Fire destroyed the H.V.S.W. Railway station here early Saturday morning. The fire was discovered about 3.40 by some workmen at the pier, who were taking advantage of the low tide and who sounded the alarm. In a short time a sufficient number of citizens had gathered on the scene to arrest the progress of the flames keeping it from the other buildings nearby. Fortunately there was a heavy dew and no wind, otherwise the Port Wade Lumber Company's plant, only a few yards away might have been a total loss. It is believed the fire was the work of an incendiary.

On Friday evening last the B.Y.P.U. held a social evening in the form of a clam bake on the beach near the home of their president, Mrs. H. H. Reynolds. Songs, humorous readings and other stunts were enjoyed by the party gathered around a large bonfire. Later in the evening refreshments were served and the party dispersed after joining in singing "God Be With You Till We Meet Again."

Dr. Read Leaving for Colgate

Dr. W. F. Read, who for sixteen years of the thirty since he was admitted as a medical practitioner, has been practicing his profession in Digby, has disposed of his practice and residence to Dr. W. R. Dickie, of Barton, and leaves toward the end of the month for Colgate, New York where he and Mrs. Read will make their home. Dr. Read has accepted an appointment as medical advisor for Colgate University, of which his brother was Vice President at the time of his death.

During their life in Digby Dr. and Mrs. Read have made themselves a place in the life of the community and their departure will be a loss which will be felt. In all affairs in which the health and physical welfare of the people of Digby they had a prominent part and in moving on to a new field of activity leave behind them an example of citizenship which will continue to be a legacy to their successors in community enterprises.

Nurse Tells How To Relieve Eczema

Lady had face disfigured with Eczema.
Skin now clear.

Mrs. Wm. Campbell, a graduate nurse of Morden, Man., reports a very interesting experience she had recently with a distressing case of eczema. The patient was a lady who had suffered keenly both mentally and physically because of the way her face was disfigured and by the itching, burning sensations of the skin. She had become discouraged because doctors considered her case incurable.

Mrs. Campbell had known of similar cases and by patient persistent treatment was able to obtain complete relief and restore the natural beauty of the skin. Mrs. Campbell writes:—"A patient under my care was so severely afflicted with eczema on her face

that the doctors considered it incurable and could do nothing for it. I decided to try Dr. Chase's Ointment and never found anything like it for the first application stopped the itching. By continuing the use of the Ointment, the eczema was entirely removed and the complexion greatly improved. No one would ever know that my patient had previously been so disfigured by this annoying and torturing ailment." Dr. Chase's Ointment is the recognized standard treatment for eczema. It should never be confused with ordinary salves for it is a medicinal ointment of proven merit and effectiveness. 60 cents a box, all dealers or The Dr. A. W. Chase Medicine Co., Limited, Toronto.

Mrs. Priests Long is visiting with Mrs. Forrest Fraser.

Here and There

The west will require 25,000 men from Eastern Canada to assist in gathering the grain crop this year. In all about 12,000 men will be required to complete the work. Arrangements have been made by both railroads to handle the harvesters.

T. O. F. Herzer, manager of the Canada Colonization Association, states that this organization has placed 460 Old Country families in the Prairie Provinces this year and that 800 other families will arrive before the end of the year.

The fourth annual ride of the Trail Riders of the Canadian Rockies, an organization with a membership including many prominent artists, writers and society leaders in all parts of Canada, U.S. and Europe, left recently from Banff over a new trail for Mount Assiniboine.

A shipment of 1,400 horses purchased by the Prairie Provinces for the Russian Government moved to Quebec over Canadian Pacific lines recently. In addition to the 27 carloads already moved to the east a special train of 17 cars passed through this city en route to the Atlantic coast. The horses in the latter shipment were all purchased at Alberta points.

Members of the newly-appointed Saint John Board of Harbor Commissioners visited in Montreal recently to confer with officials of the Canadian Pacific regarding needed changes and improvements in the harbor facilities of Saint John. Several suggestions advanced by the railway company will be acted upon before the winter traffic begins, according to the Hon. W. E. Foster, president of the Commission.

Interest taken by American Railway officials in the latest achievements in the way of Canadian locomotive construction is emphasized by the fact that the Canadian Pacific Railway Company has been invited to send their latest and most powerful passenger engine to be placed on exhibit at the Centenary Exhibition and Pageant being held by the Baltimore and Ohio Railroad at Baltimore, September 24 to October 8. The C.P.R. "2300" engine, their latest and finest passenger type, will be sent to Baltimore.

The first ticket issued from the new Union Station at Toronto over Canadian Pacific lines was enclosed in a special leather folder, upon which appeared the name of His Royal Highness, the Prince of Wales. The three tickets following were issued to H.R.H. Prince George, Premier Stanley Baldwin and to Mrs. Baldwin. The new union station was formally opened by the Prince of Wales, the Royal Family being the first to cross the new line.

Annapolis Band Will Open New Band Stand With Big Concert Tonight

At Annapolis this evening the Annapolis Band will hold a special Band Concert in celebration of the opening of their new Band Stand. Under the leadership of their director, Mr. Paul Yates, the band has prepared a particularly fine programme for the occasion and the event promises to be well worth attending.

The new bandstand at Annapolis is the result of a fortunate termination to the officiousness of the Park Director of Queen Anne Park, Annapolis Royal. Without consulting the wishes of the community or the desires of the bandmen who for years in succeeding generations had given their time and talent to the development of a musical organization in Annapolis Royal, the Park Director had the old band stand torn down. He proposed to build a replica of the old blockhouse on the site, or made some such excuse for removing what had been for many years a place of entertainment and attraction in the park.

On its destruction the bandmen got in touch with the Director of National Parks at Ottawa with such satisfactory result that the destruction of the old bandstand was compensated for by the erection on the same site, under the direction from Ottawa by the Park Director of a new and finer structure of arbor bungalow type the new band stand is in keeping with its surroundings offers protection to the musicians and in all ways the whole affair has turned out to be a great improvement of the park and the community which the park serves.

Bear River

Woman's Missionary Aid Society

The regular monthly meeting of W.M.A. Society of the Baptist church was held Thursday afternoon at the home of Mrs. John Rop with a good attendance of members and guests. Miss Hazel Purdy the newly appointed President occupied the chair and conducted a very interesting meeting. By a vote of the meeting Mrs. E. J. Barrass was appointed Honorary President. The lesson from the "Study Book" Moslem Women, was taught by Mrs. O. A. Eisner and was enjoyed by all present. The delegates appointed to represent the Bear River Society at the convention which meets in Wolfville early in September were Mrs. E. J. Barrass and Mrs. O. A. Eisner.

St. Clements Garden Party

The Annual Garden Party of St. Clements Parish, heretofore held on the Rectory grounds at Clementsport was held last Wednesday at Deep Brook on the grounds of Mr. and Mrs. W. H. Spurr, and ideal weather, efficient management, and generous patronage combined to make it the huge success it always has been.

The location at Deep Brook proved conveniently central and early in the day willing workers began to arrive from all directions, and soon the grounds began to take on a festive air, with flags flying in the breeze, nicely decorated booths for fancy work, candy, flowers, toys and ice cream and soft drinks, tents for afternoon tea, fortune telling, and last but not least the supper tables, six of them weighted down with a wealth of goodies, meats, salads, beans, berries, breads and rolls and cakes and cakes. To five relays of hungry guests did those supper tables cater.

The Annapolis Royal Band was in attendance and added the last "note" to the enjoyments of the hundreds present.

St. Clements feels happy ever that Garden Party, she provided an afternoon of rare enjoyment to a great number of people and is richer financially six hundred and twenty dollars was the gross proceeds.

'BIRTHDAY CIRCULATION CONTEST'

Contest Editor, Weekly Courier

Please send me Receipt Books and enroll my name in the Courier's big "Birthday Circulation Contest."

I agree to comply with the conditions of the contest and to accept the award of the independent auditors as final.

Name

Address

HOW TO GET THE VOTES

The Subscription price of the Weekly Courier is \$2.00 a Year if paid in advance, to any address in Canada. If sent to foreign addresses 50c is added to cover mailing.

In this Contest Votes will be scored as follows

1 year old subscription counts	50,000 votes
2 years old subscription counts	70,000
3 years old subscription counts	80,000
4 years old subscription counts	90,000
5 years old subscription counts	100,000

Payment of arrears on old subscriptions: wins votes on the above schedule. Example: A subscription now 2 years in arrears if paid up to one year in advance wins 80,000 votes.

1 year NEW SUBSCRIPTION WINS	100,000 votes
2 years NEW wins	140,000
3 years NEW	160,000
4 years NEW	180,000
5 years NEW	200,000 votes

A new subscription is one which was not on the mailing list at the announcement of the contest, July 22.

Our Summer Guests

The most surprising thing about the Courier is the number of copies which each week go to addresses in the United States. Some of our Summer Visitors have been subscribers to the Courier for nine or ten years. They find that their pleasure each summer is keener because of having kept in touch with County affairs, and of ten their first visit after getting settled on arrival is to the Courier office to renew their subscription. There is a good example. Fill in the coupon below and mail it once. It will bring the Courier to your home address for a year, and when you come back next summer you will enjoy yourself the greater because of it.

DIGBY WEEKLY COURIER

Enclosed find cheque or money order for Two Dollars, fifty cents, being subscription fee to the Courier for one year from 1927.

Please mail to

U. S. A.

Please write address in Block Letter Capitals

Votes earned by this subscription may be awarded as Bonus Votes to weekly readers at the discretion of the Contest Editor, or are to be credited to

TROHON LATEST IMPROVED SCALLOP RAKES

The Best Bet of the Successful Scallop Fisherman

A. J. Trohon Digby, N. S.

Maker of Satisfactory Scallop Rakes for 6 Years

THE COURIER IS \$2.00 A YEAR

Some bee keepers may now be wondering why their bees failed to store as much honey as their neighbors, even though the same kind of hives were used and the locality equally as good. The amount of honey a colony will store is not dependent on equipment alone, but to the care given to the bees for the ten or eleven months prior to the main flow. There are two periods in the year when it is essential to have a large force of bees on the right sort of colony. The first period is during the winter months and the second during the main flow of honey; and the strength during the second period is largely due to the strength during the first period. A strong colony consisting mainly of young bees in the fall will winter better and build up more rapidly the following spring than will a weak colony or one that is made up of old bees. Next season's crop, then, largely depends now and now is the time to lay the foundation for next year's success. The force of young bees (that is, to carry the colony through the winter must be reared during the months of August and September and now is the time to fail, queens replaced by young, vigorous queens. A young queen is usually more prolific than an old one and is more likely to survive the winter and to build up the colony more rapidly the following spring. A prolific queen is useless unless she has sufficient space for maximum egg production and sufficient food for the brood. Good queens, plenty of room and abundance of food are the chief points of fall management.

Smart and Mr. Wildman obtained some samples and had a conference with Hon. C. D. Richards, minister of mines and officials of his department and also with representatives of the present holders of the mining license and owners of the property.

MODELS INSIDE BOTTLES

You have probably seen glass bottles with models of houses, ships and other objects inside and wondered how they could be got in through the narrow neck. There are three ways in which this can be done. Sometimes the model is built in pieces, but is so made that it can be fitted together again by means of holes and pegs. A piece at a time is put into the bottle and fixed with the aid of very long pliers until the model is completed. The commonest method is to knock out the bottom of the bottle, put the model inside and then cement the bottom on again, using transparent cement, so that it is difficult to see the join. Some of the more expensive kinds are made in a rather different way. The model is made solid and put into a bottle that is only partly made. The bottom is closed up afterward, or the glass is made smaller than the model that is supposed to have been passed through it. In the case of fully rigged ships, another device is sometimes used. The masts and rigging are hinged at the bottom, so that they can lie flat on the deck. Then the hull, with the masts flat, is slipped through the bottle-neck. A thread is tied to the masts and when the boat is inside the bottle, a pull at the threads brings the masts upright.

FASHIONABLE SLIPPERS

Evening slippers of the low cut sandal type, with just the toe and heel covered, furnish very little means of attaching an ornament, whether in the bow or buckle form. Nevertheless, since these shoes must boast of trimming of some kind—like any other part of the costume, there are the most artistic little chains, ribbons, colored or made of clear crystal. These are to be worn on the leather or fabric straps and when removed, look like short braces, etc. Some of these chains are flexible, others linked and interwoven with the various stones. The ones most fashionable so far are those of crystal and rhinestone combinations, for they achieve a flattering effect and their neutral coloring makes them adaptable for wear on shoes of different colors.

NEW BRUNSWICK ANTIMONY IS ATTRACTING ATTENTION

New Brunswick's extensive antimony deposits at Lake George, York county, are again attracting the attention of outside investors and prospects are said to be brighter at the present time for substantial development operations occurring than at any time previous time. Brigadier General Charles A. Smart, O.M.C., of Montreal, who is associated with some of the leading syndicates engaged in mineral development in Canada, has been investigating the situation in regard to the Lake George antimony mines with H. G. Wildman, of the Natural Resources Department of the Canadian National Railways. The mines must be dewatered, the several shafts not having been opened at some time, before a complete examination may be made, but General

WEDDING RING FASHIONS

Platinum wedding rings, that have recently become more fashionable than gold ones, have another rival, so far as novelty is concerned. This is a square shaped ring of white gold, which is much cheaper than platinum and is more than a decade older than the

gold alloy. Obviously their novelty is their chief asset, since for comfort in wear, especially under gloves, the round ring is much superior. The new style wedding rings are not always approved by the older generation, who seem to consider that the plain gold band and a fairly heavy one at that, is the recognized symbol of the married state. Ancient wedding rings, however, were by no means made to a conventional pattern. Many of the old Jewish specimens are very large and elaborately decorated and engraved. They are much larger than the modern rings and bear on one side representations of

the Temple at Jerusalem and inscriptions such as "Joy be with you and other religious wishes. The diamond ring was much favored in the Middle Ages. The custom then of solemn betrothal before marriage was a very unusual one and this ceremony involved the exchange of rings between lovers. Hence the popularity of the ring made with the double and more often the triple link. One specimen shuns into a solid band, bearing two small clasped hands at the join. When the solemn betrothal took place in the presence of a witness, the ring was split up into three component parts, the man and maid taking the upper and lower parts and the witness the middle strand. When the actual wedding took place later the ring was again assembled and became the brides wedding ring.

Many sixteenth and seventeenth century wedding rings bear inscriptions or posies and this fashion of having the ring engraved with some motto or love line was revived a year or two ago. The custom of wearing the wedding ring on the fourth finger of the left hand goes back to the belief that a vein from this finger communicated direct with the heart and it was known as the healing finger to the ancient Greeks and Romans.

Many materials have been used in the past for fashioning wedding and ivory, crystal, gold and silver, some set with gems and some plain. A gem-posing ring, contrived by a French jeweler early in the nineteenth century, made use of lapis lazuli, opal, verde antique, emerald, malachite and the name of the stones making the "plea love me." "Eternity rings" are becoming more and more popular. They are generally of diamonds and cost \$100 up, according to the quality of the stones. They are not for everyone, because they will not stand the hardest wear. Despite ultra-modern fashions in the symbolical ring, there is still a great number—indeed the majority—of gold rings sold and here the fashion tends toward the narrow rather than the wide band.

Brides like to choose their own wedding rings and usually accompany the bride-grooms to the shops. Not infrequently, these days, the bride will go alone to choose her wedding ring. Since the vogue for platinum rings, many older married women have had their gold rings replated, that is, plated with platinum. Some, however, do not recommend this, as the platinum sometimes wears off, revealing the gold beneath. OLDEST V. C. CELEBRATES HIS NINTIETH BIRTHDAY A very happy birthday has just been celebrated, the ninth of Sir Edward Talbot Thackeray, England's oldest V. C. Colonel Thackeray loves England very much, as indeed he would, being a soldier to the flag and also a nephew of one of Britain's greatest writers, William Makepeace Thackeray. But he finds the sunshine of Bolderidge, where he now lives, kinder to him than the

changeable climate of England. The story of the Victoria Cross takes us back to a leap into the period of the Indian Mutiny. Col. Thackeray was then a subaltern in the Bengal Engineers. During the storming of Delhi he and another officer, Capt. Ronnie, suddenly found that the rebels had set fire to the powder magazine. The two men were put to it to put out and climbed to the roof as cool as if it had been a bathhouse on the Thames that had caught fire. They were in danger of death from every possible direction. Musket shots were flying around them; at any moment the magazine might explode. After some hard work the fire was put out. Then these two brave fellows found that they had drawn on themselves and the magazine "is a still more heavy" coming some time, and they did not intend that the building should catch fire again. There was nothing for it from their point of view, but to hold the magazine. The two, alone armed with bombs, kept back the rebel attack till reinforcements came.

This could not have been the only occasion of the young soldier's bravery, for the Times in the London Gazette of April 27, 1882, says that Lt. Col. Thackeray is recommended for the Victoria Cross for "cool intrepidity and character daring."

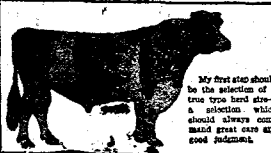

The terrible months passed by and the Siege of Delhi became an incident in history books, which have no room to tell of personal exploits. To face a terrible death bravely is always the most glorious thing a man or woman can do. The thousands of such deeds are forgotten. We are glad to have a page in history made vivid to us by glimpses of the man who is still alive. Colonel Thackeray, still enjoying life, waiting for his century. He is well and happy and follows the news of England with great interest.

CHINESE CHILDREN'S GAMES It is interesting, while British boys and girls are playing their games and enjoying their sports, to read of the enjoyment the children of other countries have in their games. Chinese boys and girls, for instance, have their games that they just as much as the Western children do. One of these is the "hawk catching young chicken." The children stand or crouch behind a screen, the larger one trying to protect them from the hawk. The hawk, the child, who says it is most games in "the" search to catch the chickens, but the line swings back and forth and the protector tries to keep between the hawk and the chicken. If a chicken is "caught" the captured one becomes "it."

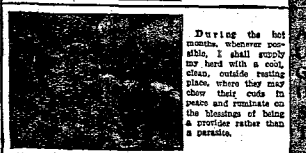

Another game is "pointing at the moon and stars." The children form themselves into a ring, with one of their number kneeling in the centre. The ring moves around, the players singing. The ring stops and the boy or girl in the centre points. The "star" pointed at must take the place of the "moon" in the centre of the ring.

As a principle

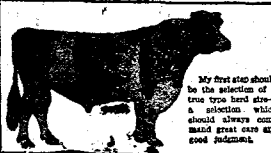

man desiring to secure maximum profits from the necessity of adhering to an organized plan of care, feeding and handling.

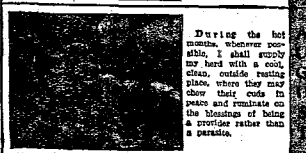

My first cow should be the selection of a true bred steer, a selection which should be made with care and good judgment.

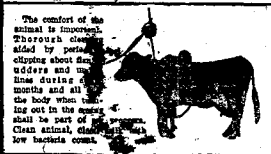

During the hot months, whenever possible, I shall supply my herd with a cool, clean, outside feeding place, where they may show their coats in water and maintain the freshness of being a creature rather than a parasite.

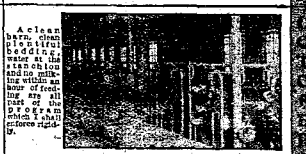

A dry condition for the cow is more important than a well fed cow. I shall clip and cut the hair on the udder and teats, and keep them clean.

The comfort of the animal is important. The cow should be kept in a clean, dry, and well-ventilated stall, with a comfortable bed of straw or hay.

The growth in the number of cow-tasting associations comes from the fact that a cow is a good thing to have in a household. It is a good thing to have a cow that is healthy, well-fed, and happy.

Proper feeding is important. I shall always give a cow a good quality of feed, and I shall make sure that it is fresh and clean.

Then when my milk is bottled I shall know I am getting the best milk possible. I shall get more milk and more milk of a better quality than I could get from any other source.

Then when my milk is bottled I shall know I am getting the best milk possible. I shall get more milk and more milk of a better quality than I could get from any other source.

Floors, like walls, are always back for furniture, which is seen against the former as well as the latter; and the consideration of floors as a background, we find the same rules pertaining to them as to the walls. They may be plain or decorated, but they should be decorated rather than a reality, while in floor covering it means actually plain. Or either walls or floors may be decorative and ornamental in themselves. If a floor is covered with a pattern of plain or ornamental in treatment. If the covering is striped, the plain ones are the vogue. The latest styles have eliminated the flowered carpet, the origin of which is so interesting. This is not true upon the blossoms were supposed to be literally "walking upon roses." While the idea is fascinating, the result was too bi-relationship to the beautiful in interior art to stand the test of time in its decoration.

Realism is not now sought, even if the floor covering is ornamental, as instances when oriental rugs are used. Conventional designs, not necessarily geometric, but certainly not realistic are the mode. The outstanding exception to this is found in the old colonial hoked rugs. In most of these the designs are as true to life as the makers could depict. However, they do not fit in with modern decorative schemes, but rather with rooms done in the old fashioned style.

In considering carpets, we find the advent of the vacuum cleaners, that these floor coverings are more in evidence than during the last quarter of a century. The soft, grey carpets, made to fit rooms, form exquisite backgrounds. Their soft tones bring out the beauties of line in furniture and the charm of coloring in furnishings. Grey especially is the popular color at present, but there are melior tans and endless other tones, even black.

There is something restful about a plain floor covering, while decidedly god in itself, it is necessary to accent color in other elements of the decoration. If this is not done, rooms are "cold" and lack "atmosphere." With everything in god taste, nevertheless there is nothing inviting about rooms until color is introduced. The same thing is true when the plain color of the rugs have deep tones for or rug is chosen. The most attractive borders.

It is said that plain walls bespeak lack of courage on the part of interior decorators, who know there is safety in a toned effect. This same idea holds when the plain colors are used for floors. They are safe as well as restful. It is when color is introduced that judgment in schemes, in color combinations and blends that, expert knowledge is required. A motley effect is disturbing and chaos in colors is inartistic.

Between these undesirable quantities, there remains that elusive and fascinating charm of the achieved effect. This is the art of the decorator. The two men were put to it to put out and climbed to the roof as cool as if it had been a bathhouse on the Thames that had caught fire. They were in danger of death from every possible direction. Musket shots were flying around them; at any moment the magazine might explode. After some hard work the fire was put out.

DEL MONICO STEA One pound of beefsteak, chopped, one onion, grated, one teaspoonful salt, one quarter spoonful pepper, two table spoonfuls-suet, chopped. Mix all the ingredients well and shape into large cake on sheet of wax paper. Place meat cake on a greased heated heated broiler or frying pan. Seal on both sides. This should take four to five minutes for rare steak; six to nine minutes for medium, and eight to ten minutes for well done. When meat has been well browned the steaks should be lowered for remainder of the cooking. Serve on hot platter with sauce and garnishes.

It is not always salt everywhere. The fresh waters of the Amazon flow for miles before they mix with it. Off the coast of Florida, east and west, fresh water springs well up in great quantities. The water has collected and sunk on the land and finds its way up through the ocean bed. In the Bahamas, near the island of Andros, the water is fresh, being lighter than salt, spreads out on the surface like oil, when the weather is calm. African natives, where a similar thing occurs, get their supply of fresh water by diving to fresh water, at the bottom of the sea, carrying with them water skins for its storage.

TOMATO EGGS WITH SPINACH

Ingredients—Two or three eggs, one and one half pounds of spinach, one pound of tomatoes, one tablespoonful of oil, a few blades of onion, two ounces of butter, one small spoonful of flour, salt and pepper and a little milk.

Boil the tomatoes and cook them gently in one ounce of butter until soft. Sprinkle in the flour and a little salt, pepper and stir while they simmer a few minutes longer.

Then rub through a sieve. Return the puree to saucepan and keep hot. Boil the spinach and press it as dry as possible and chop it finely and rub it through sieve. Mix with it one ounce of melted butter, season well and reheat.

Roll the eggs hard. Boil the potatoes through a sieve, season them with the tomato sauce and add enough hot milk to make them soft and creamy.

Place the spinach on a hot dish. Pour over the tomato puree. Pipe or place the creamed potato around. Cut the eggs and place on top.

DREAD JUNGLE MENACE

Civilization is menaced with the possibility of a new race, half human, half ape, evolving from the fastnesses of the African jungle and armed with the ferocity of a new species, determined to take the place of man in the conquest, equipped for its task with the swiftness of a half-baked culture and the cunning and enormous strength of the anthropoid ape. Beyond the catenades of the Benito river, in west Africa, the gorilla lives in thousands and from time to time reports come through of the terrible abduction of girls and young women by these monsters.

It appears, from the stories told by the natives, that this capture of women has been going on intermittently for years. From this it is deduced that the progeny of these jungle monarchs has not a human strain, for they invade the villages in organized bands, breaking down all opposition and showing a good deal of strategy in their operations.

Faced by the badly armed natives of the villages, the gorillas are able to select their victims and carry them off, so that husbands have seen their newly married wives and fathers their young daughters in the grip of the ferocious captors.

The human gorilla actually exists in west Africa, and proofs of its appearance in native villages are often adduced. But the danger of the trans-Benito district lies in the rapid multiplication of this hybrid. It is stated over two hundred young women and girls have been carried off.

In addition to the native women, who have been carried away, there is a well authenticated story of a white woman, presumably a Spaniard, who was seen captive of the gorillas in the Benito district by Peter Martinez, a Spaniard, out hunting near the stronghold of the apes.

Martinez said he saw the woman bound hand and foot by her cunning captors and attended by six guarding gorillas.

To such an extent have the incursions of the gorillas been made into this district that the Spanish authorities established a military force for the protection of the frightened natives.

NASH

Leads the World in Motor Car Value

New Models Thrill the Country

3 New Series • New Lower Prices

July Sales 71% Greater than Biggest Previous July

—and August sales will drive far beyond the largest previous August in Nash history.

Everywhere the greatest crowds in Nash history are thronging to view the new Nash models.

Here on display are the finest, fastest, smoothest riding cars Nash ever developed.

In design and finish they are the smartest looking cars you have ever seen, regardless of price.

Their performance in the way of speed and power-smoothness is a revelation.

They are cradled on springs built by a new secret alloy steel process that give Nash cars a riding luxury you have never known before.

If as yet you have not been to our showroom, come at once. See all that Nash offers you in the way of matchless quality and value at the new LOW prices.

CANADIAN RAILWAYS USE MILLIONS OFFIES

The requirements form an important item in the purchase of a railroad, the demands in Canada by the two great railway systems running into millions of dollars worth. For example, the Canadian National Railways is now seeking nine million track ties to fill next year's requirements. Last the track ties purchased by the Canadian National cost \$31,000 at a cost of over six million dollars.

Each section of the country has woods suitable for the purpose. In Nova Scotia and New Brunswick, Pine, Spruce, Hemlock, Cedar, Tamarac, and White Birch in hardwood are used. In Ontario similar woods are used with the addition of Red Oak, White Oak and Chestnut in hardwood are used.

In Quebec Jack Pine, Hemlock, Cedar, Tamarac, and White Birch in hardwood are used. In Ontario similar woods are used with the addition of Red Oak, White Oak and Chestnut in hardwood are used.

In Manitoba very few ties are produced and only Jack Pine is used. In Saskatchewan a similar condition prevails, while in Alberta Jack Pine is the only material used, but the production is very large.

For the western lines, Red and White Oak, Gumwood, Cedar and some Tamarac are used. On the New England lines the woods used are Hard Maple, Beech and Yellow Birch.

Of the total purchases about 9,000,000 some 2,600,000 are treated by a preservative process and 6,400,000 are untreated. The treatment consists of a solution of 5 percent creosote and 50 percent kerosene.

All ties are dressed, bored and stacked and properly seasoned before treating. The ties of the hard woods are treated with a solution of white oak. Of the soft woods, Jack Pine, hemlock and cedar are treated. The mountain spruce fir will not treat successfully. The estimated life of the various classes of ties is as follows: untreated soft woods, Jack Pine, seven years; hemlock, six years; Tamarac, nine years; Cedar, ten to twelve years; on the traffic lines only, and on the main lines, seven years. In the hardwoods, White Oak is the only one mentioned that has a life of ten to eleven years. When soft woods are treated the estimated life rises to from 15 to 20 years and untreated hardwoods have an estimated life of from 20 to 25 years.

Woman Killed Mother Is refused Death Penalty

Although she asked to be sent to the electric chair for the murder of her aged mother, a sentence of 30 years at hard labor instead was pronounced upon Mrs. Roy Wilson 31-year-old farmer's wife by a judge at Rushville, Nebraska.

The woman was sentenced a few hours after she confessed the slaying of Mrs. Daniel Loomis by giving her poison capsules. Her father to whom she also gave poison is recovering.

Single For 80 Years Man Marries

After evading the woman until he was 80, Andrew Gröves of Baker Ore., has at last succumbed. He is now honeymooning with his bride, Mrs. Ryan. He's very happy, he says.

Wasn't He Stupid

A young lady entered a fur store and a lady came forward. "I want to get a muff," she said. "Yes'm," said the saleslady. "What fur?" The young lady looked surprised. "Why," she said, "to keep my hands warm of course."

Regulations For Sale Of Fruit

The following regulations by order in council applies to the sale of fruits:

Any apples, plums, prunes, pears, peaches, field tomatoes, cherries, grapes or apricots of any kind for sale in bushel or half bushel, twenty quart, eleven quart six quart or two quart baskets with leno or patent covers without a grade designation provided by this act or regulation thereunder shall be stamped in a citation to all other marks required in a plain and indelible manner in letters not less than one quarter of an inch in length on the handle cover side of each of the basket with the word ungraded.

Dobbins Impresses I.Y. Nova Scotia

An interesting statement was made to the Belleville Int. News Democrat by Ed Dobbins, International board member of U. M. W. district 12 on his return from a visit to the Nova Scotia coal fields. Mr. Dobbins said.

Moscow has lost its hold on District No. 26, which was not a "red" stronghold. "At one time they tried to run this district from Moscow. That was when previous officials had to take the charter of the District away. They work now in co-operation with International organizations and as a consequence have bettered themselves, and brought tranquility to the mining community and to the business people of the Province of Nova Scotia at large.

It was not long ago that our organization was not looked upon with much favor by the people in Nova Scotia due to propaganda peddled by Communists and other such Russian influences. Our organization is in this district for only one purpose and that is to help men who work in mines and help them to better the conditions under which they have to work and live. President Lewis was prevailed upon to withdraw from this district, but through his kind heartedness and love or humanity, and especially for his coal digger, he said, "Not as remove the evil and our organization will prevail."

As a result this district is now flourishing. There are no strikes, no lockouts and no disputes are looming up to present. My message to me

BAKE YOUR OWN BREAD WITH

ROYAL YEAST CAKES

The standard
of Quality
for over 50 years

As I stated in the convention at New Glasgow it is that the international organization will stand by Nova Scotian Miners every time as they have in the past, so long as they complied with their contracts and their construction, and did not look across the ocean to the long whiskered Russian and other prophets to direct their affairs.

Dobbins declared that while it was a big job for him to speak for president Lewis throughout the Canadian District, the easiest thing was to say something good for Lewis. "Lewis has made a record which speaks for itself and for anyone else can add little in selling of it," he averred.

Grenfell of Labrador

(From the Montreal Star.) His Majesty has conferred a double honor on Wilfrid Grenfell. He has rewarded a lifetime of devotion and service by the honor of knighthood and he has written a personal letter of appreciation of the work with which the new knight has been associated so many years.

Forty years ago Wilfrid Grenfell was playing Rugby football for Oxford and nursing an ambition to become a doctor. He went to London and there fell in with Sir Frederick Treves and both had a passion for the game. They used to go sailing together, they obtained their marine certificates at the same time.

Then the call of adventure came to Grenfell and he offered his services to the Deep Sea Fishermen's Mission. He spent several years in the tropical ships that plough the little known waters of the Western Atlantic, and although the hours were long and the life hard, Dr. Grenfell was not satisfied. He was a glutton for work and welcomed hardship. He felt his abundant energies were cramped. He had outgrown his job. He was ailing at the time for something big.

Then by chance the work and the man came together. Sir Francis H. Wood met Grenfell on his return from Newfoundland, where he had been for the official Office. He painted a sombre picture of the poverty, the misery, the wretchedness, the squalor and the disease in Labrador. So Grenfell went there and save for a brief vacation, he has been there ever since.

The people of Labrador have better off today than they were when Grenfell went there. He has had adventures that have filled more than one fascinating volume, and through all his life he has been on him the ideal of service to humanity of practical application to the long list of knights of the Order. Dr. Grenfell's name and his work are the light.

To Investigate Federal Officers

Mr. Charles M. G. of New Glasgow, N. S., has been appointed a Commissioner to investigate the activities of Federal officers when any person has believed that any Federal officer

is having the trust placed in such official, and will inform the Commissioner, he will be duty bound to enquire into it. Let there be a misunderstanding about the scope of inquiry, it had better not be forgotten that it applies officially to persons in either party.

More Reductions.

It is extremely gratifying to Canadians to hear that the outlook is good for further tax reductions, in the Federal arena. An increase of more than Forty Million Dollars in the Federal revenues is forecast for the current fiscal year. The revenue at the end of the twelve months on March 31, is estimated to approximate \$425,000,000, the largest revenue since the high taxation days of the war. All this reflects the prosperity of the country under Liberal rule. With a buoyant revenue the next Robb Budget should again bring gladness of heart to every Canadian. Let the good work go on.

Summer School at Agricultural College

Seventy of the 400 students at the Normal College Summer School are taking the course in home economics and agriculture at the College of Agriculture provided by the Department of Natural Resources.

Miss Elizabeth Ellis, of Truro, former teacher at the Halifax Ladies' College, is in charge of the course in home economics and is assisted by Miss Dorothy Cameron of Riverton. This course is being given at the Science Building of the College and consists of lectures and practical work. The students are divided into groups with a number of their own selected as group leaders for practice work. The work is being carried on under the auspices of the Women's Institute Division of the Department of Natural Resources. At the Science Building they have every facility for doing good work, the equipment being second to none.

These student teachers are being trained with the idea of their making use of their knowledge in their school work, and it is understood that they will receive an extension of their training.

Easily prepared

It is always of exactly the same quality and strength, so baby's bottles take no time to make with Eagle Brand—the safe food since 1857.

Write The Borden Co., Limited, Montreal, for Free Baby Books.

Borden's EAGLE BRAND
CONDENSED MILK

Of course, these subjects are taught: proper nutrition, including balanced meals, methods in growing vegetables and flowers, and standards for judging at school fairs. Three months of training are taking the course.

The students are given practical work in judging exhibits at school fairs. The object of the judging is to raise the standard of the exhibits entered at school fairs. The course is designed to make the teachers more valuable in the schools, particularly in the rural districts. The matter of school lunches for students who are low

the school, have to bring their lunches with them, has engaged the attention of the Women's Institutes of the Province for several years. As a result of the of these Institutes a number of schools have been provided with cooking utensils, so that hot cocoa, hot soup, etc., can be served at noon. The students at the Science Building are being trained in the preparation of meals for such students, and in food values.

The Agricultural Course is being at the main building of the Agricultural College and is under the direction of A. B. McDonald, a graduate of the College, who is a well known Inspector.

Canada's First Locomotive Reproduced

The "Dorchester" was the name of the first locomotive placed in service in Canada and it was in use on the Champlain and St. Lawrence Railroad, built in 1835 and connecting Laprairie and St. Johns, Quebec, a distance of 16 miles. The "Dorchester" was built in England by the Stephenson & Co. and is now forms part of the Canadian National Railway's collection. After the reconstruction of the first Canadian locomotive appeared in the Diamond Jubilee parade at Ottawa.

It is Serious When The Kidneys Go Wrong

These letters tell of two cases in which Dr. Chase's Kidney-Liver Pills afforded the desired relief.

For about half a century Dr. Chase's Kidney-Liver Pills have been known to the people of the world as the best remedy for the relief of kidney trouble. Before that they had been for years proven to private practice. Surely they have done the best of time. And today they are more popular than ever before. What simply because they produce the desired results. You know when you use them that you are not experimenting with an untried medicine.

Mrs. Fred Martin, Box 61, Bradford, Ont., writes:

"I can highly recommend Dr. Chase's Kidney-Liver Pills, as I used to suffer agonies with gravel in the kidneys and tried several medicines with no results, until one day I decided to try Dr. Chase's Kidney-Liver Pills, and obtained so much benefit from them that I am now cured without a box in my hand. I am now a healthy man. I certainly wish Dr. Chase's Kidney-Liver Pills every man."

Miss Mary Patricia, 188, Upper Water St., Halifax, N.S., writes:

"I suffered for two years with kidney trouble and I tried a great deal of medicine, which did not help me at all. I was so nervous I could not rest at night. A physician advised me to try your Kidney-Liver Pills and since taking them I feel like a new person and now sleep soundly at night. Thanks to Dr. Chase."

Dr. Chase's Kidney-Liver Pills—35 cts. per box, at druggists, or The Dr. A. W. Chase Medicine Company, Limited, Toronto.

"The yellow can with the black bands"

The Digby Fisheries

continued from front page

The above would not be complete without a brief summary of the Annapolis Bay of Fundy district. The following may suffice:

ANAPOLIS COUNTY—1885
No. of vessels, 10 to 40 tons 19 Men employed 96
No. of boats 292 Men employed 575

Total value of catch \$31,085. Total.....671

ANAPOLIS COUNTY—1905
No. of vessels, 10 to 40 tons 12 Men employed 64
No. of boats 187 Men employed 210

Total value of catch, \$182,810. Total.....274

ANAPOLIS COUNTY—1915
No. of vessels, 10 to 20 tons 8 Men employed 102
No. of sail and gasoline boats 396 Men employed 568

Total value of catch, \$225,309. Total.....678

ANAPOLIS COUNTY—1925
No. of vessels, 10 to 40 tons 6 Men employed 21
No. of sail and gasoline boats 849 Men employed 1348

Total value of catch, \$135,125. Total.....326

The above figures cover only the primary operations of the actual catching of the fish, and therefore do not include carrying, smacking, or any persons employed processing the catches, or engaged in canneries. The Bay of Fundy scallop fishery has had a most noteworthy development. While it was well known that considerable quantities existed in the Basin and the Bay waters, it was not until 1920 that the fishery was taken seriously. In that year 210 gallons, shelled, were produced in the Basin waters. As this area was limited, and chiefly valuable for operating when weather conditions were not favorable in the outside waters of the Bay, attention was given to the Fundy waters of Digby and Annapolis, with the result that a most remunerative fishery has been established, having at last report some twenty-six well equipped boats engaged, as follows:

DIGBY COUNTY			
Name	Owner	Power	Motor
Myrtle J.	Orbin Condon	Auxiliary	Motor
Legates	Boiland Wornell	"	"
Harry & Ralph	Captain A. Casey	"	"
S. E. Jordan	Captain A. Casey	"	"
Ronald Eugene	P. H. Snow	"	"
Marjorie E.	P. H. Snow	"	"
Viola L.	Arch Ellis	"	"

P. E. Davis	Jesse Telo	"	"
Bertha D.	W. Towers	"	"
Mildred F.	F. Anderson	"	"
Alta	Darrell Chaney	"	"
Keith & Robertson	E. Raymond	"	"
ANAPOLIS COUNTY			
Airola	Arthur W. Longmire	"	"
Hazel C.	Ansel Casey	"	"
Sea Gull	Robert Longmire	"	"
No Name	Bernard Longmire	"	"
No Name	Bernard Longmire	"	"
Argyle	James S. Ellis	"	"
Chairmont A.	Walter Casey	"	"
Dandy K.	George S. Haynes	"	"
Joseph Lester	P. S. Mills	"	"
J. W.	R. J. Pany	"	"
The Clyde	Roy Casey	"	"
Walter C.	Frank Muscels	"	"
No Name	Charles Ray	"	"

The value of each boat and equipment of each boat will average about \$3,000. The total investment is nearly \$100,000 and exceeds in value the former fleet of cod and haddock vessels.

The catch has increased from 210 gallons in 1920 to 29,283 gallons in 1926, valued at \$102,221. For the season from Oct. 15th, 1926 to May 31st, 1927, the catch was 42,600 gallons, shelled, valued at \$131,296, of which 25,000 gallons was taken by the Digby fishermen and 18,300 gallons by the Annapolis County fishermen.

Harlem

George Sautier and son Melbourne and Charles Thibault of Yarmouth spent Sunday with the latter's sister, Mrs. John Beaudro.

Dennis Beaudro who has been working at New France returned home Saturday night.

Mr. and Mrs. John Beaudro spent the week end at New Tusk, with Mrs. Wm. Gaudette.

The Misses Katie Mullen and Mildred Smith returned home from Augusta, Me.

Mr. and Mrs. Ernest Rose left for Hartford on Tuesday after visiting her parents Mr. and Mrs. Charles Beaudro.

Plympton

Mrs. Herbert Colbert of Malden, Mass. who has been visiting Mrs. Wm. Warner has returned home.

Mrs. Wilbur Morehouse of Lynn is visiting her parents, Mr. and Mrs. Wm. Smith.

Miss Lennie MacDonald arrived Saturday from Boston, Mass. and is visiting her parents, Mr. and Mrs. George MacDonald.

Gordon Potter is visiting his parents, Mr. and Mrs. James Potter.

Mrs. Charles New and party have returned from a motor trip through the provinces.

Mrs. Gertrude French, accompanied by her parents, Mr. and Mrs. Wm. Black motored through from Malden and are visiting Mrs. Lottie Potter.

Miss Dolly Read who has been visiting her mother, Mrs. Eva Read, has returned to Jacksonville, Florida.

Miss Florence and Eva MacDonald have returned to Boston.

Dr. Victor Burton of Yarmouth, accompanied by his mother, Mrs. Fannie Burton spent Sunday at Mrs. James Potter's.

C. G. I. T. Girls Spend Delightful Ten Days at Pinehurst Camp

A few of the incidents that occurred while the C. G. I. T. girls (there being five from Digby Co.) were in camp at Pinehurst July 18th to 28th.

Pinehurst camp is situated on the bank of the LaHave river ten miles north of Bridgewater, in a grove of stately pine trees. There were nine tents occupied by the girls and three by the leaders, also a dining hall. The Camp consisted of sixty-one girls and eleven leaders. Each leader having an Indian name and the girls were divided up into Indian tribes. Great Chief "Winoanah" Miss "Bowly" of Aylesford. Camp Mother "Winoanah" Mrs. Roome, Dartmouth. Sports officer "Wingana" Miss Peters, Rothesay. Handcraft Instructor "Awema" Miss Thompson, of Liverpool. Nature Study "Wayaka" Miss McClelland, of Lunenburg.

TRIBAL LEADERS

Hahnolomene—Mrs. DeLong
Bella—Mrs. Sperry
Kee Wee—Mrs. Winters
Tienna—Mrs. Hankinson
Hantaywee—Miss Winters
Toheha—Miss Porter

An outline of the days program is:

7 a.m. Rising whistle
7.05 a.m. Setting up exercises
7.15 a.m. Morning dip lasting 15 minutes
7.45 a.m. Morning watch lasting 15 minutes
8 a.m. Flag salute followed by breakfast
9 a.m. Morning worship
9.15 a.m. Bible study period
10.15 a.m. Tent preparations and inspection
11 a.m. Handcraft, Nature and Astronomy lessons
12 a.m. Sports
12.30 p.m. Dinner followed by Tuck Shop and rest hour
2.30 p.m. music, books and poetry, and sports
4 p.m. Swim
5 p.m. Sagamore
6 p.m. Supper
6.30 p.m. Mail distributing
7.30 p.m. Vesper service
8 p.m. Different ceremonies (including dramatizations)
9 p.m. Camp fire, sing song and story telling period
9.50 p.m. Preparations for bed
10 p.m. Lights out
10.30 p.m. Perfect silence

Some of the "Special" events at Camp were: The Treasure Hunt on the third evening. The Initiation Service the fourth evening. The bacchanal the fifth afternoon. Sports and visitors day the sixth day. The Church service Sunday evening. The Burying of Treasure and Farewell Service on the last evening of Camp.

The following pieces written by Digby

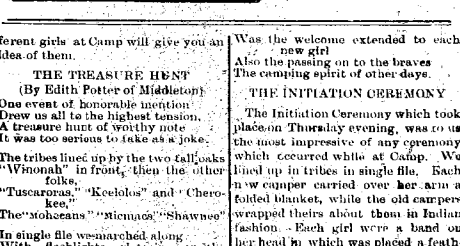

WHEN USING WILSON'S FLY PADS
READ DIRECTIONS CAREFULLY AND FOLLOW THEM EXACTLY

There is only one way to kill all the Flies

This is it—Darken the room as much as possible. Close the windows, raise one of the blinds where the sun shines in, about eight inches, place as many Wilson's Fly Pads as possible on plates (properly wetted with water but not flooded) on the window ledge where the light is strong, leave the room closed for two or three hours, then sweep up the flies and burn them. See illustration below.

Put the plates away out of the reach of children until required in another room.

The right way to use Wilson's Fly Pads

ferent girls at Camp will give you an idea of them.

THE TREASURE HUNT

(By Edith Foster of Middleton)

One event of honorable mention. Drew us all to the highest tension. A treasure hunt of worthy note.

It was too serious to take as a joke.

The tribes lined up by the two tall oaks "Winoanah" in front, then the other folks.

"Tuscarora," "Keeloo," and "Cherokee."

The "Mohicans," "Micmacs," "Shawano."

In single file we marched along.

With flashlight, glancing on the ground.

In silence one and all we waited.

Hearts beating high in grave ascent.

Until we reached two stately pines.

Glazed by girls of former times.

Between these we walked a little way.

Till we reached the tree where the treasure lay.

The girl who did the shovelling.

Dug delightfully with the greatest care.

While in a circle we girls stood.

Standing as still as ever we could.

As thus I stood my thoughts did fly.

To other girls of days gone by.

Who too had stood as we did then.

With thoughts too deep for any pen.

The treasure at last was revealed to light.

It truly was a mysterious sight.

Slowly we wended our way to camp.

Scarcely noting the dreadful damp.

Around in a circle we all did sit.

And soon soon a fire was brightly lit.

The treasures to us were soon revealed.

As the big glass jar was then unsealed.

One thing "Great Chief" did withdraw.

Was a little eagle's feather without a flaw.

Thence the call, motives and songs, of the tribes.

All packed closely side by side.

Then we saw a good selection.

Of last year's handcraft collection.

Also a description of last year's sports.

And papers of many other sorts.

But of all these things perhaps the pearl

Was the welcome extended to each new girl.

Also the passing on to the braves.

The camping spirit of other days.

THE INITIATION CEREMONY

The Initiation Ceremony which took place on Thursday evening, was one of the most impressive of any ceremony which occurred while at Camp.

We lined up in tribes in single file. Each in wicker carried over her arm a folded blanket, while the old campers wrapped their about them in Indian fashion.

Each girl wore a band on her head in which was placed a feather, making the scene more picturesque.

Each brave carried a stick which was a requirement in the ceremony.

Slowly we wended our way through the path which was carpeted with pine needles.

Not a sound could be heard as we made our way quietly to the sports field.

Here we formed a large square inside of which stood all the leaders and the little chiefs of the various tribes.

Winoanah then spoke a few words which were very fitting for the occasion.

Very aptly the large bonfire in the centre was lit by our Great Little Chief, Pauline Miller, while Winoanah softly repeated: "Kneel always when you light a fire."

The sticks, carried by the braves, had been previously collected and placed in the heart of the

NASH

Leads the World in Motor Car Value

3 New Series—New Lower Prices

Come drive

The Finest, Fastest cars in all Nash history

Greater SPEED than ever before is a key-note characteristic of the new Nash models. They are finer, FASTER cars than any Nash has ever developed.

Nash has worked wonders in turning the phenomenal possibilities of the 7-bearing motor into realities.

Just drive one of these new Nash models. Their lightning-like pick-up, their amazing speed and their unequalled smoothness will give you a distinct new motoring thrill.

And they're the EASIEST riding cars you ever traveled in.

Each model is equipped with the new Nash secret process alloy steel springs.

These new springs are individually engineered to each model—tailored scientifically to the weight and size of the car.

Even the Standard Six Series—priced down to the 4-cylinder field—have these remarkable springs.

There are 21 new Nash models for you to inspect. They offer new beauties in body design and rich new color harmonies in finish.

Come in and see them at once. At the new lower prices Nash has established they offer motor car quality and value without a parallel.

Before you buy any car—DRIVE one of the new Nash models.

Why Gum-Dipped Mileage Costs Less "Per Mile"

The demand from car owners for Firestone Gum-Dipped Tires has given Firestone Dealers a large increase in volume that enables them to sell these tires to you at the lowest prices in the history of the industry.

The Firestone Bloon Tread, scientifically designed three years ago, and unchanged today has the wear resisting qualities that give thousands of extra miles.

This tread must be placed on a carcass that has the qualifications to withstand terrific flexing. The Firestone carcass is made of cords dipped in rubber solution which not only saturates and insulates every fibre of every cord, but unifies sidewalls with carcass, eliminating any possibility of separation under the extreme flexing of low pressure.

The Firestone Dealer in your locality will gladly explain the Gum-Dipping process, the scientifically designed tire tread, and other advantages that only Gum-Dipped tires can give. See him today.

C. G. I. T. Girls

continued from page 5

Camp fire. We were then blanket
ed by the old campers, and from
that moment the real camp spirit
was in our midst.

From the large fire faggots were
given to the tribal leaders who with
their tribes lit the smaller camp
fires which were just without the
square. Silently the girls watched
their fires burn low, then softly
marched to their former positions.
The flame song was sung, after
which we returned to camp in the
same manner as we had come.

THE BACON BAT

On Friday afternoon at 4.30 we
left for Wentzels Lake which was
about 3 miles from camp, arriving
there we went in for a dip. Then
wood was gathered for the 6 tribal
bon fire over which we cooked our
bacon on a stick. Piping hot we
took it from the sticks and placed
it between two slices of bread. Be-
sides this seventy hungry girls and
leaders soon made way with tarts,
doughnuts and cocoa provided by
our very competent cook, Mrs.
Banks. One bonfire was enlarged,
around which we all gathered for a
sing song and stories told by our
Great Chief. Left for camp at 7 p.
m. with full stomachs and empty
baskets.

Common House Fly Menace To Health

Everybody dislikes flies. But it
should be more universally under-
stood that the fly is more than a
mere pest. It is one of the most
potent agencies for the spread of
typhoid and other diseases known
to modern medical science. Early
in the season folks would be well
advised to commence the work of
fly-extirmination by using WIL-
SON'S FLY PADS—the standard
method. A ten cent packet of
WILSON'S FLY PADS will destroy
more flies than eight dollars
worth of sticky paper. Don't
waste time on fly-swatting. It is
quite ineffective. Place WILSON'S
FLY PADS in various positions in
the house and soon every fly will
be destroyed in a clean, convenient
manner so that the dead flies can
be quickly gathered up and burned.

Memorial

In loving memory of our dear little
sister Nellie Gaudet who departed
this life July 30, 1927.

The world seems now so lonely,
How dark seems all the day,
Since we received the message
Saying "Sister has passed away."

The call was sudden sister dear
We cannot understand,
God must have had a place for you
Far better than on land.

We do not know the pain you bore
But we all saw you die,
We only know you passed away
Just when you said "good bye."

Your death leads us to the church yard
And God and his angels are there,
Our house is all darkened with sorrow
For we miss our dear sister there.

Oh yes there'll be moments of heart
ache

That to others will never be known,
For we shall think of you dear sister
Until all the years have flown.

And these hours of pain and sorrow
Bring us nearer to that home,
Where there is a long tomorrow
And the angels bid us come.

The flowers were placed on your casket
May wither and decay
But the love we bore for you
Will never fade away.

And we know that we can never
Meet you in this vale of tears,
But it shall never be forever
Parting ends with parting years.

Now dear sister we will leave you
In our heavenly fathers care,
Hoping some day we will find you
Watching, waiting for us there.

Inserted by her cousin Margaret
Benoard.

Soon the American summer tourist
will be in our midst and picking up sou-
venirs for his folks back home. Grocers
should tell him that wherever the he
buys he must be sure to find a place in
his travelling bag for a pound of
MORSE'S Selected Orange Pekoe Tea,
the most favored tea that he can obtain
on the continent.

Westport

We are glad to report Mrs Guy Thomp-
son recovering from her recent illness.

Mrs Eugene Outhouse and son and
Miss Freda Outhouse, of Tiverton, spent
the week end with Mrs Floyd Denton.

Mr and Mrs A. Shaw, of Yarmouth, are
the guests of Mr and Mrs Frank Shaw.

Miss Gertrude Thompson is visiting
relatives at Port Maitland.

The Baptist Sunday School held their
annual picnic at P Jack last week.

Miss Pearl Thompson has returned
from Port Maitland.

Miss Georgia Gillett is visiting relatives,
and friends in Granville.

Unknown Men are Arrested

Monday morning three men
claiming to hail from Yarmouth,
were arrested on Turnbull's wharf
on a charge of being drunk and dis-
orderly. Two of the men put up
quite a protest on being put under
arrest and one big fellow started a
scrap with the chief. The two of
them rolled on the wharf before
the man was subdued. The other
man started to get fresh with Rufus
Connors, but decided that it was
no use after Connors tied him in a
couple of knots and carried him by
the hair for a short distance.

Chief of Police Cowan received a
bad cut in the ear and mouth and
had his face badly bruised. Two
other men were given a warning to
clear out. The three arrested did
not give their names, but said they
were from Yarmouth.

It Pays To Advertise

The third page of Toronto Sat-
urday night of the 6th inst. con-
tains a good picture of the village
of Bear River, which it states "is
accessible by motor from Digby or
Annapolis". What about the D.
A. R.?

The advantages of advertising
are shown by a remark of Bishop
Kinsolving, who has been staying
for some weeks in Bear River. He
was travelling in a C.P.R. train in
the Rockies a year or two ago
and heard someone talking of the
beautiful cherries in Bear River;
so he resolved to come and sample
them and is well satisfied with the
result.

Record Catches of Hake

July proved a record breaker for
catches of hake at Bay of Fundy
fishing ports and at Tiverton. Par-
ticularly the fares have been away
above the average. Boats loaded
until their rails were within an inch
or two of the water, some of them
carrying six or seven thousand
pounds have been common.

Aldercliffe Camp For Boys at Weymouth Will Hold Sports on Monday

Aldercliffe Camp for boys at
Weymouth which has been operat-
ing this summer under the manage-
ment of Mr. Roy S. Claycombe,
will close for the season on Mon-
day. The camp has had a most
successful season with 33 boys in
attendance. Of these one came
from Ottawa, one, Allan Wright,
son of Mr. and Mrs. O. Wright,
Dighy from Nova Scotia and the
others from points in the United
States.

On Monday the Annual Sports
Day of the camp will be held, com-
mencing at two o'clock in the after-
noon, when the boys will demon-
strate the good the summer's out-
ing has done for them. Visitors
are invited to attend the Sports
Day Exercises.

last Saturday's Tea were \$43.30.

Noted Writer Dies

James Oliver Curwood, author of
stories of the Canadian North and
noted conversationist, died at his
home in Owosso, Mich. Saturday
night after an illness resulting from
streptococcus infection which had
confined him to his bed for one
week.

Mr. Curwood, who was born
here 49 years ago, was credited
with being one of the foremost
authorities on matters pertaining
to the Canadian northwest. He is
said to have been the only Ameri-
can ever employed by the Canadian
government as an exploratory and
descriptive writer.

Rev. E. W. Forbes, the new pas-
tor of Grace United Church will
preach at Bay View on Sunday
afternoon next.

Weymouth North

Miss Constance Carr is visiting friends
in Saint John this week.

Mr and Mrs W. K. Tibert and family,
of Fredericton, N.B., Mrs Isabella Tibert
and Miss Helen Frost, of Little River,
spent Wednesday with Capt and Mrs H.
J. Fitzgerald.

Ronald Whitman, of Truro, is visiting
his parents Rev and Mrs Whitman.

Capt H.B. Fitzgerald spent Tuesday in
Digby.

Mr and Mrs Bernard Marshall and
daughter are visiting relatives here.

Miss Evelyn Wesley was a passenger to
Halifax Monday.

Among the recent arrivals at Bayside
Farm are:—Dr and Mrs Ayer and Miss
Marion Ayer, Mr and Mrs Smith, Capt
and Mrs Purdy, Miss Constance Wilson,
Miss Parlee, Mr and Mrs Payne, Mr
Woodbury.

Our school reopened on Monday with
Mr Fisher, of Amherst, as principal and
Miss Annie Leary, of this place again in
charge of the Primary.

The Aldercliff annual field day was held
on Monday afternoon. A large number
attended.

The Misses Kathleen and Frances Carr
who have been visiting their grandparents
Mr and Mrs A.W. Carr left on Monday
for Saint John where they will spend a

few days before returning to their home
in Philadelphia.

The Baptist Sunday School picnic was
held in Bayside Farm Grove on Friday
afternoon a very enjoyable time was re-
ported by all present.

The Mens Community Club held a
social evening open to the public on Wed-
nesday. A lecture on the Club, its pur-
poses etc, was given by the president.
Followed by the delicious refreshments.
A silver collection was taken for the ben-
efit of the Club. This club although under
the auspices of St Peters Church is open
to all men of the community and meets
every Wednesday evening in the Guild
Hall.

St Peters annual Sunday School picnic
was held on Thursday afternoon. The
usual good time was proclaimed by all
there.

Enjoy golden hours of restful, refreshing
sleep. Each summer night may be calm,
peaceful, undisturbed. Everyone may
have them. Just by using Fly-Tox.
Spraying the sleeping rooms. Killing the
mosquitoes. Everyone knows mosquitoes
are disease carriers. They must be killed.
Health authorities advocate Fly-Tox. It
is the scientific insecticide developed at
Mellon Institute of Industrial Research
by Rex Fellowship. Simple instructions
on each bottle (blue label) for killing ALL
household insects. Insist on Fly-Tox. It
is safe, stainless, fragrant, sure.

August Gale Swept all Nova Scotian Coast Railway and Telephone and Telegraph Put Out of Commission, Shipping Damaged and Hydro Closed Down. Washouts on D.A.R. Cancels All Trains

**Pleasure Fleet Sunk at Moor-
ings and Washed Ashore.
Roads Made Impass-
able and Highways
Ruined**

Increasing in force from shortly
after noon and attaining its height
around about eight o'clock an Aug-
ust gale of unusual violence swept
over Nova Scotia on Wednesday.
Telegraph services were disorgan-
ized electric light service disrupted
and by nine o'clock in the evening
rumors of terrible damage were
rife. Accompanied by violent rains
driving on a north east gale the
storm caught Digby shipping on its
most exposed quarter. Moorings
of pleasure yachts dragged and row
boats were sunk, while on the beach
on Thursday morning several fine
craft were wreckage. Two visiting
yachts broke adrift and also the
yachts of Mr. Powers and Jim
Merkel and Captain Bob Russell's
motor boat. F. L. Anderson's new
yacht sunk at her moorings as did
several of the row boat fleet and
others were awash. The MicMac
a new addition to the row boat
fleet went down with Mr. Ander-
son's sail boat.

Rushing down from the high
land back of the railway surface
water filled cellars along the water
front and carrying debris and earth
washed over the sidewalks to fill
the street. At the Racquette the
flood from the brook overflowed
the bridge approaches and guttered
out the highway making it almost
impassable.

To cap the climax at the height
of the storm the hydro service went
out of commission. Workmen got
it going again and it lasted for half
an hour before it went out for the
night with the result that the whole
town went back to primitive light-
ing appliances. At Lour Lodge,
and such places as were lucky en-
ough to have their own generating
plants these were put into com-
mission, but the rest of us either used
oil lamps or candles or went to
bed in the dark.

Superintendent Campbell and his
line crew, DeLong and Wookman
bucked the storm at its height in
an endeavor to keep the hydro ser-
vice going. Twice they cleared
towers, until the falling of two
trees across the line put the service
out of commission finally.

Service was restored at ten o'clock
yesterday morning. Super-
intendent Campbell says he has
been "shooting trouble" for years,
but was never out in such a storm
as on Wednesday. At Plympton
three large trees fell across the
main transmission line and a num-
ber of minor troubles were found
in Digby and in Weymouth. Whole
sections of line had to be put
in in several places along the
main line. This was the first elec-
trical service to be restored to op-
eration in Western Nova Scotia
and is a credit to the man who
did the work.

At noon yesterday telephone ser-
vice was restored between Annapo-
lis and Yarmouth, and the Western
Union wires to Halifax were work-
ing intermittently, with line

men out on both repairing damage

Reg. Sypher arriving from Sandy
Cove yesterday morning reported
that no serious damage had been
done down as far as his home. A
Maine car had got into some trou-
ble at the bridge near the railway
on the Neck Road, but fast driving
was partly responsible for that.
The Digby Neck Mail arrived in
town on schedule time.

With the railway and other lines
of communication out of com-
mission the D. A. R. Despatching de-
partment cancelled all trains op-
erating west of Kentville from Wed-
nesday night until such time as the
condition of the road had been
checked up. Work trains were or-
dered out from Kentville at the
break of day on Thursday morning
and at noon had reached as far
west as Wilnot, reporting no ser-
ious damage to the road bed. Ru-
mors that several railway bridges
had been washed out to the tide
were impossible of verification yes-
terday.

The rush of waters out under
the D. A. R. Railway crossing just
near the Goodwin Hotel, cutting a
gully twenty feet wide and twenty
to thirty feet in depth. A barn in
the path of the freshet, was washed
from its foundation and moved ten
or fifteen yards before a serve of
the water's course left it stranded.
A spur leading into the pulp
mill, a half a mile east of Wey-
mouth, a section of the railway bed
several hundred feet long was un-
dermined and the ballasting washed
clean away. The wrecking
train from Yarmouth was working
at Weymouth station at noon yes-
terday and expected to have the
roadbed passable for a special pas-
senger train from Yarmouth to Dig-
by late in the afternoon.

The Editor is Guest of The Chief in Ottawa While On Business Trip

Friends of Mr. Clarence Jameson
will be glad to learn that his health
is readily improving after his ser-
ious illness and that he is now able
to be about.

Arriving in Ottawa on Sunday
the Editor was the guest of Mr.
and Mrs. Jameson at their home at
87 McKay street, and was agree-
ably surprised to find that Mr.
Jameson's health was much better
than Digby people had been led to
suppose. During Mr. Jameson's
illness the Victoria Apartments were
ordered torn down and Mr. James-
on was removed to his own house,
where he now comfortably settled.
Pictures of Digby, particularly a
sketch of Victoria Beach in a storm,
and colored enlargement of that
famous view of Digby Gut from
above the Joggin Bridge, occupy
places of honor in the decorations
and are shown to visitors with com-
mendable pride.

Mr and Mrs Jameson were most
interested listeners and questioners
as to life and people in Digby and
for hours, during which a "recess"
was taken to give the editor a mot-
or drive through the delightful spots
of Ottawa, we talked "Digby" and
then more "Digby". The Editor
on leaving was commissioned to
convey to all friends in Digby Mr.
Jameson's greetings and his thanks
for the many expressions of friend-
ship received during and following
his illness. He and Mrs. Jameson
hope to visit Digby before winter
sets in.

Special Session Of Municipal Council O.K.'s Hydro Bonds

**Resolution in Form Submis-
ted by Mr. Mathers Takes
Place of Resolution
Passed in May**

At this session the Council
ratified a resolution authoriz-
ing the borrowing, by debenture
issued a sum not exceeding \$20,000
for the purpose of constructing dis-
tribution service for the Digby
County Power Board hydro develop-
ment a special session of the Mun-
icipal Council of the District of
Digby disposed of a confusion
which had arisen between the
Council and the authorities at Hal-
ifax. At its May session the Coun-
cil passed a resolution authorizing
the raising of a loan, to be covered
by debentures of the Municipality,
and the Power Board was request-
ed by the hydro committee of the
Council to proceed with construc-
tion of distribution services on behalf
of the Municipality. Construction
was begun, the Board, while the
necessary formalities were being
proceeded with to secure the loan
proceeding on its own funds and by
financing their arrangements with
the banks. Deputy Attorney Gen-
eral Mathers was requested to have
the bonds secured, and the Royal
Bank of Canada was in the mean-
time asked to advance funds on the
strength of the resolution. This
the bank agreed to do. Mr. Math-
ers declined to have the bonds is-
sued. He took exception to the res-
olution, which he said, and repeated
in a telegram read to the Municipal
Council, was "incomplete and in-
valid." Before he would certify
the bonds the resolution must be
read in certain form.

The Solicitor of the Municipality,
Mr. Frank Nichols attended the
session and outlined the position
taken by Mr. Mathers. He con-
curred in the opinion given and
would not consider any action con-
trary that laid out in Mr. Mathers'
letter.

Councillor Hillman in a lengthy
speech defended the position of the
Power Board. The May Resolu-
tion had been passed in good faith
and the present special meeting was
an unnecessary expense. All that
Mr. Mathers required could quite
easily wait until January, mean-
while the Power Board could pro-
ceed. The Councillors were not
lawyers, but they worked to the
best of their ability and it was not
for Mr. Mathers to render useless
their labors.

Councillor Marshall followed.
The present condition was only a
repetition of a former experience,
which the Power Board had and
they had been able to finance their
needs on the security of the Act of
Legislature authorizing the appoint-
ment of a Board and had waited
until a regular session of the Coun-
cil had given them opportunity to
make technical corrections in the
form of the resolution to proceed
with the financing of the project.
Mr. Mathers had not been asked
to certify the debentures, merely to
have them issued.

Endeavoring to arrive at a stage
of progress Councillor William Cos-
saboom asked the wishes of the
Warden. Was the Warden pre-
pared to make a request to the Coun-
cil. Should the present resolution
be amended to rescinded and in the
Warden's opinion was the respon-
sibility for the special session on the
shoulders of the Deputy Attorney

General. Replying Warden An-
drews asked that the Resolution be
rescinded and a new one drawn up
by Mr. Mathers be passed. The
Department desired it in certain
form and it might as well be done

Councillor Marshall objected that
a precedent was being established.
The resolution as it stood should be
retained. To rescind it opened up
a way for future repudiation of
financing obligations, and the Pow-
er Board, of which he was Chair-
man had acted in good faith at the
request of the Hydro Committee of
the Council and the Royal Bank
had advised their branch manager
that advances would be made on
the resolution as it stood. The
Warden confirmed Mr. Marshall's
statement respecting the approval
given by the Royal Bank.

At this stage Councillor Harkin-
son interjected a query, as to the
history of a draft for \$5000 made
on the Municipality by the Power
Board. The Act of incorporation
had distinctly defined that no direct
charge be made on the ratepayers
of the municipality of the hydro
project and wanted to know why
the draft had been accepted. His
acceptance by the Warden and
Clerk made the Municipality liable.
Miss Stewart explained that she

had refused to sign the acceptance,
and was taken to task by Mr. Mar-
shall. She had no right to inter-
fere. She had received definite
instructions from the Warden and
should have complied without
question.

After considerable discussion the
resolution submitted by Mr. Math-
ers was read. It contained no
provision for sinking fund. Mr.
Marshall pointed this out as a de-
fect and was replied to by the
solicitor that his point had been
disposed of by Mr. Mathers.
Agreeing on this point Mr. Mar-
shall said that as a Councillor he
was concerned. If no sinking fund
was provided for, the Board might
only charge a rate to cover actual
operating costs and on maturity of
the bonds no funds would be avail-
able for their retirement.

A long distance phone call was
put in for Mr. Mathers at Halifax
and while he was being sought by
the operator a motion was adjourn-
ed until two o'clock was put. In
the confusion no actual count was
made of replies but many coun-
cillors left the chamber. Before they
had dispersed Mr. Mathers was on
the phone and advised the
municipal solicitor that authority

FRIDAY AUGUST 26, 1927

Blueberries

In Yarmouth County, in Cumberland, along the South Shore, and in many sections of the province the picking of blueberries and of the leaves and twigs of blueberry bushes, has become an important summer industry. The demand for blueberries from Nova Scotia in the American market is such that fairly high prices prevail and prices range from \$1.60 to \$3.50 per case of thirty-two boxes on the picking grounds. Between Macan and Westchester in Cumberland County the industry has gained such a foothold that lessons of blueberry barrens command a fairly high price, and the areas are as closely watched to prevent trespassing as are many cultivated fields. The probable export from Nova Scotia this season will be in the vicinity of twenty thousand cases.

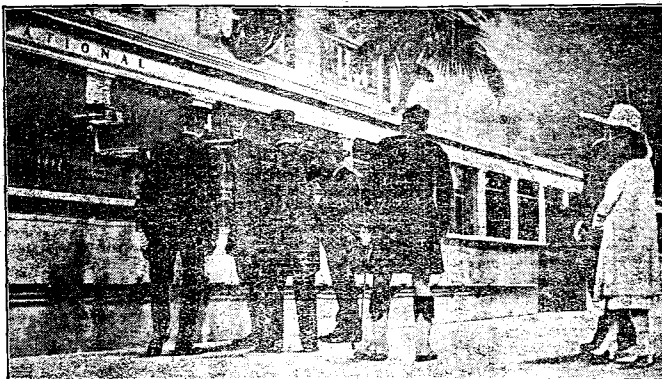

The growing importance of this industry is being pressed upon the provincial government and Chief Scherbeck has been advised by his superiors to investigate ways of further increasing the scope and value of the industry. The operators leasing large areas of barrens are endeavoring to induce such

changes in the Lands and Forests Act as will permit them to burn over their barrens at will. Burning late in the Spring, after the bushes have commenced their growth, is claimed to have a beneficial effect. Fire clears out dead growth, grasses and weeds, and the ashes of the dead bushes are especially rich. Early Spring burning is said not to be so good. If done within the present limit of the Lands and Forests Act the growth that retards the full development of the blueberry bush has not commenced its growth and is not injured by the burning. Ideal condition for burning in the Fall as soon as the barrens have been picked over, according to some operators, but this is altogether a matter of personal preference. Either way the barren does not bear for a season, and in the second year the crop is much greater than from unburned areas.

In some parts of the United States the State authorities are encouraging the cultivation of the blueberry. It lends itself to cultivation and experiments so far have produced a berry much larger and easier marketed than its wild counterpart, it is claimed.

To just what extent the blueberry barrens are capable of development as a source of employment and revenue remains to be seen, but those who are most enthusiastic as to its prospects are prepared to prove by figures and theories that in many sections of the province it will be profitable to burn over cut timber lands, and turn them into barrens, and that the revenue over a period of years which it would take to reforest a lumbered over area would be many times the marketable value of all timber that would grow on it, and at the same

Prince of Wales Receives First Railway Ticket at New Station

When H.R.H. the Prince of Wales formally opened the new Union Station at Toronto, his first action was to visit the ticket wickets of the Canadian National Railways, there to receive Ticket No. 1 of the issue from the New Depot, entitling him to passage "Between All Stations" and good "for all time." Photograph shows His Royal Highness at the ticket window, behind him, in morning coat, is Lieutenant-Governor Ross of Ontario and to his right, Mr. U. E. Gillen, General Manager of the Toronto Terminals. On the extreme right of the photograph is seen Prince George, with Mrs. W. C. Ross, wife of the Lieutenant-Governor.

time rendering the areas idle or a period of from three to five years, in place of the forty or fifty which must elapse if the timber is to be allowed to reach marketable size after being cut over.

In Digby County the blueberry industry has not as yet received a great deal of attention. A Yarmouth contractor who last year endeavored to obtain supplies of berries and leaves was disappointed over the results obtained, and this season has given practically no attention to this county. Conditions here must be very similar to conditions in other parts of the province, and it is possible that interest can be awakened and the blueberry crop of Digby capitalized into a revenue producer. Perhaps the industrial committees of the Board of Trade and the Municipal Council can obtain information on the market.

The Prince and the Premier

Of the many distinguished visitors which it has been this province's privilege to entertain, none came with a warmer welcome than did Premier Baldwin, leader of the British Cabinet. His visit was the visit of an Empire Ambassador and though in years past the visits of members of the Royal Family, more particularly those of the present Prince of Wales, have done much to knit closer the ties of the Commonwealth of British Nations it remained for the Premier of England to convey to us as Canadians a new and deeper significance of what Empire meant. The Prince of Wales has endeared himself to all of us as a good fellow worthy to be a king, and in God's good time to ascend the throne of his fathers. But Premier Baldwin's visit has been productive of an altogether different feeling toward the mother land than that engendered by any Royal visitors in this or former times. Royalty, in the minds of common people represents Royalty. No matter how democratic, how free of ostentation or pomp a Royal visitor may be, in the minds of most of us they are endowed with a more than ordinary personality.

Different, much, this visit of the Premier of England, Premiers we know, we have made and unmade many. They are politicians as well as statesmen and in Premier Baldwin we saw no one that he represented, but Baldwin the man, the politician, the statesman, a man placed in the highest position of national and Empire responsibility and this by the popular choice of a nation of electors. To us his coming represented the Nation, and has enriched all Canada with a new conception of what Empire means, has given us a renewed faith in the exalted destiny which is ours to share with the sister nations of the British Commonwealth, and in addition has given us a personal knowledge of a man great in his own ability and great in the position he holds as representative of the British House of Commons and of the people of the British Isles.

For Restless Babies

Warm weather is a trial to both mother and babe and the task of keeping the little one in perfect health is often very difficult. Probably the matter of proper food for the infant is of greatest concern to the average mother. If you cannot nurse baby and it does not gain upon the breast milk give him Borden's Eagle Brand Milk—the food that has successfully reared hundreds of thousands of babies. Ready to prepare—just add boiled water as directed. In this paper from time to time you will find an advertisement of Borden's Eagle Brand Milk, a food that has raised more healthy babies than all the prepared infant foods combined. Cut out the advertisement and mail it to The Borden Company Limited, Montreal, and they will send you free of charge, instructions for feeding your baby and a Baby Welfare Book. Or just write the Company mentioning this paper, and they will be sent.

Kill Flies Now Don't Let Them Multiply

A single female fly will lay from 100 to 150 eggs in a batch, and as many as four of such batches in its life time. Three weeks after the first batch is deposited the second generation is ready to breed. It will thus be seen how supremely futile it is to try to exterminate flies by swatting them or catching them on sticky papers. The only method by which the fly menace can be overcome is to commence using WILSON'S FLY PADS as soon as warm weather brings the first batch of the filthy insects to life. Put in any place frequented by flies a WILSON'S FLY PAD attracts the insects infallibly and destroys them quickly. The dead flies can then be conveniently gathered up and burned.

Westport

Mrs. Walter Titus returned from St. Stephen Friday.

Mr. and Mrs. F. B. Riddett and Mrs. Elizabeth Murgidge and son Earle have returned to their home in Danvers, Mass.

Mr. and Mrs. Arthur Campbell of Freeport spent the weekend with their daughter Mrs. Holland Titus.

John Peters returned home from Yarmouth Monday.

Mrs. Harley Glavin and family were passengers to Meteghan Friday enroute for Sanford where they will reside. Mr. Glavin having sold their residence to John Swift.

Mrs. H. Glavin and daughter Phoebe returned to Halifax Saturday.

Mrs. Randolph Gower and three children returned home Saturday after having a very pleasant visit in Port Maitland and Yarmouth.

Robert Collins, of Lowell, Mass., visiting friends in town.

MUTCH—MOREHOUSE

An event of interest to many relatives and friends, took place in Montreal on August 15th, 1927, when Miss Avis R. Morehouse, daughter of Mr. and Mrs. J. D. Morehouse, Sandy Cove, Digby Co., N. S. was united in marriage to George A. Mutch, B.S.A., Regina, Saskatchewan.

The ceremony was performed in the United Church of Canada by Rev. S. J. Pike.

The bride has been successful as a teacher in public schools, while the groom, a graduate of University of Saskatchewan, is a member of Moose Jaw Collegiate staff.

Their wedding trip will include the Laurentian Mts. Que., Ottawa, Niagara and Great Lakes.

They will reside in Moose Jaw, Saskatchewan.

Not merely
How much you pay
but
How Much You Get

WITH New Lower Prices is now combined the most Amazing Quality in all Chevrolet history.

Chevrolet has widened the circle of automobile ownership . . . provided economical transportation to untold thousands . . . placed within reach of the average motor-car buyer a QUALITY and a LUXURY beyond all expectations.

In judging Chevrolet look not merely at what you pay, but also at what you get. Consider the smooth, fleet performance, the grace and beauty of the Fisher bodies, the ease of starting, driving and stopping, the refined yet rugged quality evident throughout Chevrolet construction.

Weigh Chevrolet quality with Chevrolet price and know why Chevrolet has achieved the most spectacular popularity of any car in the world.

What Money For You?

There are more openings in business in all the trades and professions combined. There is more money to be made, too—as much money as your ability is worth. Make your ability worth real money through Modern Business College Training.

The New Term starts August 29 for young people appreciating what it means to start out as a Stenographer, Business Secretary, Expert Accountant, or Office Manager. The demand this year is much greater than the supply. Write for information now.

DIGBY ACADEMY RE-OPENING

Parents and Scholars are notified that the ACADEMY will re-open on MONDAY the 29th day of August next at 9 a. m.

All Pupils are then expected to be in attendance with necessary books and equipment.

Dated at Digby 16 August 1927

ALFRED BODEN

Secretary to the School Board

FIRE! FIRE!

The first few minutes are the ones that count

The Improved Pyrene Fire Extinguisher is the best protection against fire in your home that you can own. Pyrene is small enough for a woman or child to operate. It is effective against any kind of fire—gasoline, oil, grease, in fact any fire that may start in the house. Pyrene works with a pump action and throws a stream of Pyrene Liquid twenty to twenty-five feet, forming a gas blanket which, like a magician's command, instantly kills the fire and does not injure anything else it touches.

To make your home fire-safe you should have one Pyrene in the kitchen and one in the upper hall-way. These are the strategic points and extinguishers placed here will be instantly available in most homes if fire should start.

On farms and rural homes isolated from the protection of organized City Fire Departments, the necessity for Pyrene first aid fire fighting appliances is doubly felt. The installation of gas engines and other power equipment has added to the fire hazard.

For general farm protection the Improved Pyrene Fire Extinguisher will be found particularly valuable in the farm house and in out-buildings where gas engines or power machinery is kept.

Price \$14.00

NOTE—Compare this with the value of your property. Pyrene Extinguishers last for years and are easily refilled.

Miss Roseana Cousins returned home from Saint John Friday.

Miss Florence Webber of New Hampshire is spending her vacation with her parents, Mr. and Mrs. Charles Webber.

At Pinchurst Camp

Continued from last week

SPORTS DAY

Winona gave an address of welcome to the visitors, as Sports Day is visitors day also. Each tribe gave a motto call and song. Followed by the dramatization 'Strong Winds' Choice' by the Tuscarora tribe. The various sports were: High jump won by Pauline Miller of Halifax, (4ft 6in), 75 yd. dash won by Vera Rook of Kentville. Standing broad jump won by Edith Potter of Middleton. Suitcase race won by Eleanor Hatt, Liverpool. Running broad jump won by Sibyl Leach. 50 yd dash won by Eleanor Hatt. Then last but not least was a 'big swim' enjoyed by all.

THE CHURCH SERVICE

The service/Sunday evening was taken over by the girls and was well attended by the people of Pinchurst. Miss Bowley presided with Miss Jean Porter of Liverpool at the organ. Mr. Macgregor Grant on behalf of the Pinchurst people welcomed the G.I.T. This was responded to by Miss Bowley. The first address of the service was given by Mrs. I.B. DeLong. This was followed by one on 'Working Together' or 'Co-operation' the speaker being Mrs. Sperry. Hymns were sung from the G.I.T. hymn sheet with 'Follow The Glean' the choir by the choir and 'I would be True' as a quartette.

BURYING OF THE TREASURE AND FAREWELL SERVICE

The Burying of the Treasure Ceremony was very impressive and was followed by the Farewell Ceremony. We formed a square around the camp fire and the leaders assumed the same positions as in the Initiation Ceremony. All wearing Indian costumes. Winona conducted the ceremony, starting it with a few words of regret at our breaking camp the following day. Then followed a prayer by our big chief of which all repeated in unison 'we adore thee Great Spirit, Be near us this night, let thy voice reach us in silence.' Amen.

Each girl was given a candle. The Great Chief took a lighted brand from the camp fire and lit each little chief's candle who in turn lit each of the others. Then Great Chief leading the way they went to their respective tents. This closing a very impressive ceremony, which will long be remembered by each of the campers.

The following were some of the best contributions to the Camp Chronicle: Tent number nine had a little light. It was well trained no doubt. For every time the whistle blew. The little light went out.

By Freda Archibald, Dartmouth.

PINEHURST

Where the leafy trees are bending
Over the rivers gentle flow
With the pine trees for a back ground
is a perfect place to go.
When the summer days are with us
Life no better joy can crave
Then to go to camp at Pinchurst
By the river of La Have.

Living always in the open
Swimming in the water clear
With a splendid bunch of leaders
Where could be more joy than here.
When with endless work and study
You are weary as a slave
Leave it all and come to Pinchurst
By the river of La Have.

By Helen Shortliffe, North Rang.

The Camera As Hawk

The top part of this picture is what a 14,000 ton-liner looks like from a height of over 250 feet. This picture of the Cunarder Alania was snapped perilously from the topmost girder of the famous Quebec bridge over the St. Lawrence. It is the first time that such a photograph has ever been taken.
Below is what the bridge looks like from a Cunarder's deck. Although the centre span of the structure is 154 feet above high water level, the masts of the ship, clear only just comfortably, and, to the watching passengers, miraculously.

Local and Personal

Mrs. Vernon White and son David returned on Tuesday to their home in Atleboro, Mass. They were accompanied as far as Yarmouth by Mrs. John York.

Mrs. Hutchison who came to Bear River on account of the serious illness and death of her sister. Mrs. F. H. McNaught left on Wednesday for her home in Boston.

Rev. and Mrs. F. M. Milligan, and family returned on Tuesday from camp at Chipman, N. B. and are spending a fortnight at the home of Mrs. R. A. Harris before proceeding to their home in Halifax.

Dr. K. A. McKenzie of Halifax was in town last week in consultation with Dr. L. J. Lovett and Dr. A. B. Campbell. He made the trip by motor accompanied by his sister, Miss Annie MacKenzie, Spring Hill, Miss Sarah Morrison, sister of Mrs. A. B. Campbell and Mrs. McMan, Halifax. They were guests of Dr. and Mrs. A. B. Campbell for the day.

Miss Sadie Balcorn of Dorchester, Mass. spent a couple of days this week with her aunt, Mrs. Annie Bogart.

Arnold Simpson of Victoria who has been added to the staff of the Royal Bank of Canada assumed his new duties last Thursday.

On August 17th, a little daughter arrived at the home of Mrs. and Mrs. Silas Wilda, Bear River East.

Rev. F. M. Milligan occupied the pulpit of the United Church last Sunday.

A very enjoyable tennis tea was held at the Bear River Tennis Courts last Friday and the hostesses were Mrs. A. B. Campbell, Mrs. L. V. Harris and Mrs. A. B. Clarke assisted by Fred Kempton.

SICK ABED EIGHT MONTHS

After Taking Lydia E. Pinkham's Vegetable Compound Could Do All Her Work and Gained in Weight

Melfort, Saskatchewan. — "I had inward troubles, headaches, severe pains in my back and sides. I was so sick generally that I could not sit up and I was in bed most of the time for eight months. An aunt came to visit and help me as I was unable to attend to my baby and could not do my work. She told me to try Lydia E. Pinkham's Vegetable Compound, and after taking two bottles I could get up and dress myself. I also took Lydia E. Pinkham's Blood Medicine. When I first took the medicine I only weighed seventy-eight pounds. Now I weigh twice as much. If I get out of sorts or weary and can't sleep I always take another bottle of the Vegetable Compound. I find it wonderfully good for female troubles, and have recommended it to my neighbors. I will be only too glad to answer any letters I receive asking about it." — Mrs. WILLIAM RITCHIE, Box 486, Melfort, Saskatchewan.

PREMIER BALDWIN LEARNS TO DRIVE LARGEST LOCOMOTIVE IN BRITISH EMPIRE

The Rt. Hon. Stanley Baldwin, the British Premier, took a short course in engine driving at Pickering, Ontario, on the new Canadian National locomotive, number 6120, the largest and most powerful railway engine in the British Empire. Mr. Baldwin, when visiting Kingston, Ont., heard that this titan of the steel rails was an all-Canadian product, designed by Canadian National Railway engineers and built at the Kingston shops. Early on Saturday morning No. 6120 was attached to the Royal Train to haul it into Toronto to mark the opening of the new Union Station. Mr. Baldwin, although busily engaged in the preparation of his speeches, halted in his work to make an inspection of the engine, eventually climbing into the cab with the engineer. He showed the keenest interest in the manner in which the big locomotive was handled when travelling at high speed, and worked the various levers controlling the engine. "It is a wonderful piece of machinery and should be a source of pride to the Canadian designers and builders," said the Premier on leaving the locomotive. No. 6120 is one of forty engines of similar type that are being turned out this season for the fast passenger and freight services of the National System. When in regular service they will run 610 miles without change—the longest locomotive runs in the Dominion.

Mrs. Litchfield spent the week end in Halifax.

John Nicholl left Thursday by motor for Dorchester, Mass. in company with Mr. and Mrs. W. M. Black and will spend a few weeks with Mr. and Mrs. Paul Michell.

Miss Hazel Purdy left here Thursday for Cambridge where she will be a guest of Mr. and Mrs. George Cox.

Mrs. Idehail Marson of Lynn, Mass. is spending a few weeks with her brother, John Flemming and Mrs. Flemming.

Mr. and Mrs. George Gibson of Somerville, Mass., arrived in town Monday and are the guests of Mr. and Mrs. Ernest Davis.

Miss Marion Little of Cambridge is the guest of Mr. and Mrs. Stanley Sullivan.

Miss Ridgeway of Boston is visiting her aunt, Mrs. Frazer.

Mrs. Charles Green left on Thursday for Port Laville to visit her mother.

Clarence Adams arrived on Monday from Allston, Mass., to spend his vacation and while here he and Mrs. Adams will occupy their own home.

Mrs. Cordelia Rice motored to Round Hill one day last week to visit her granddaughter. "It is needless to say that even at the mature age of 94 that auto riding may be well enjoyed."

For a Delightful Treat
WRIGLEY'S NIPS
Delicious after smoking—

After Every Meal

Mr. and Mrs. Roland Dunbar, Mr. and Mrs. P. H. Copeland, of Allston, Mass., are guests at the home of Mrs. Thomas Copeland.

Mr. and Mrs. Archie Adams arrived on Monday and are spending their vacation with Mr. and Mrs. George Kennedy.

Mr. and Mrs. Roy Miller and family who have been visiting Capt. and Mrs. J. E. Woodworth left by motor on Saturday for Yarmouth.

Heaven The City of God

For eight consecutive weeks on Sunday morning the Rev. E. J. Barrass, pastor of the Baptist church has been giving a series of sermons on "Heaven The City of God"

These sermons have been both helpful and instructive and it would seem that a larger view of that city which lies beyond this life has been set forth. Travellers to any city like to acquaint themselves with all that is interesting to be found about the place to which they are journeying, and during these weeks it has been plainly stated that the city lying beyond has many attractions.

It is well to sometimes pause and think on things away from this earth, and in the meantime to strive to fit ourselves for citizenship in that city which has been so beautifully portrayed during the past eight Sabbath mornings. Special music was rendered by the choir.

Lotus Quartette Very Much Enjoyed

A large audience filled the Bear River United Church Tuesday evening to attend the recital given by the Lotus Male Quartette of Boston. *The visitors rendered a fine program which was much enjoyed. Members of the quartette are Eugene Campbell who is a native of Nova Scotia, Robert Martin, Leston Raymond and William Hicks. Watson Peck rendered an organ solo.

Local and Personal

The Hon. Senator A. B. Copp and Mrs. Copp, of New Brunswick, were the tea guests on Sunday of Dr. and Mrs. L. J. Lovett.

Cyril Reeks returned to New York on Monday after a vacation in Bear River.

Gertrude Morine, youngest daughter of Mr. and Mrs. George Morine who recently moved to Milford Corner, had the misfortune to cut her leg, two stitches being required to close the wound.

Mr. and Mrs. T. F. F. Hough are receiving congratulations on the birth of a daughter on August 18th.

Tom and John Porter who have spent five or six weeks with their grandparents, Mr. and Mrs. Alfred Porter, returned to their home in Saint John Tuesday.

Mr. Ramsay, of Moncton, N. J., arrived on Saturday to visit his daughter, Mrs. R. J. and Mr. Moore.

Carrel Clarke motored to Wolfville on Sunday and returned accompanied by Mrs. Clarke and children.

Mr. and Mrs. W. K. Tibert, of Fredericton, N. B., arrived in town Monday from Little River, and are the guests of Capt. John and Mrs. Woodworth for a few days.

Rev. A. C. Archibald and family who have been spending a week with friends in town left for their home in Youngstown, Ohio, Thursday, they were accompanied by Mrs. Flora Purdy who will remain indefinitely.

Mrs. A. G. McIntyre entertained her Sunday School class and C. G. I. T. girls on Tuesday last week by giving them a joint picnic at Keffins Hollow. There were many phases of amusement for the girls and boys but probably nothing was more enjoyed than the swimming exercise when twenty were in the water at once. The boys and girls were all unanimous in saying that it was the best time they had ever had and feel sure they are very fortunate in having a teacher who is willing to devote so much of her time for their enjoyment.

Mr. and Mrs. Corning Woodworth and family of five children and Carey Woodworth aged 85 years left here Saturday for North-Easton, Mass. where they will permanently reside. Mr. Woodworth has a position as engineer in a factory. Enroute they will spend a few days in Acaciaville.

W. T. Nichol of Allston, Mass., arrived in town Friday and will be a guest of Capt. and Mrs. R. J. Anthony for two weeks.

Rev. E. J. Barrass left Thursday for Wolfville to attend the Baptist Convention of the Maritime Provinces.

Mr. and Mrs. O. A. Eisner spent the week end at their old home at Chester Basin.

Harry Harris made a business trip to Halifax over the week end.

Obituary

RICHARD W. TREMAINE

There passed to rest on Saturday night, August 20th, in his 88th year, Richard W. Tremaine, at the residence of his son-in-law, Rev. A. W. L. Smith, the Rectory, Clementsport.

Funeral was held Thursday, 10.30 a.m. from his late residence, 14 Church street, Halifax. He is survived by two sons, Arthur E. M. of Belmont, Mass. and Harold W. II, Halifax and one daughter, Anna Louise, wife of Rev. A. W. L. Smith, Clementsport and five grand children.

If Kidneys Act Bad Take Salts

Says Backache Often Means You Have Not Been Drinking Enough Water

When you wake up with backache and dull misery in the kidney region it may mean you have been eating foods which create acids, says a well-known authority. An excess of such acids overworks the kidneys in their effort to filter it from the blood and they become tort of paralyzed and laggard. When your kidneys get sluggish and clog you must relieve them, like you relieve your bowels, removing all the body's uricous waste, else you have backache, sick headache, dizzy spells, your stomach sours, tongue is coated and when the weather is bad you have rheumatic twinges. The urine is cloudy, full of sediment, chances often get sore, water acids and you are obliged to seek relief two or three times during the night. Either consult a good, reliable physician at once or get from your pharmacist about four ounces of Jalsalts; take a tablespoonful in a glass of water before breakfast for a few days and your kidneys may then act fine. This famous salts is made from the seeds of grapes and lemon juice, combined with citric acid, and has been used for years to help clean and stimulate sluggish kidneys, also, to neutralize acids in the system, so they no longer irritate the often relieving bladder weakness. Jalsalts is inexpensive, can not injure and makes a delicious, effective little water drink. Drink lots of soft water. By all means have your physician examine your kidneys at least twice a year.

From One Grannie To Another

The Atlantic holds no terrors for little Kathleen and Yvonne Stevens, aged four and three respectively, who sailed unaccompanied from Montreal this week on the Anchor-Donaldson liner Athena, bound for Liverpool. "We are going to see our other grannie in Northumberland," they said. Their mother and grannie number one saw them safely aboard the Canadian National ship at Chatham after leaving哈利堡. Ont. and the children will be the especial charge of the Athena's captain and others until they reach their destination on the other side.

Paul Yates says he is to busy attending to customers to write an ad for the Courier this week and he asked us to tell the public that the Little Art Gallery is open days and evening. The numbers of photographic views of Digby and other parts of the province is still complete, being daily replenished and the finishing and printing department for the turning out of amateur's films is still on the job, with

twenty four hour service. That's all he could say in the biggest advertisement we could publish. NOTE—The Editor received a complaint of the Studio yesterday. Two ladies were examining a book views and couldn't make up their minds. One, turning to her companion said, "I wish the pictures were not all so good, it would be possible to make a choice."

Tel. 117 Ross C. Smallie

Tiverton Fishermen Lose Lives in Storm

Three lives were reported lost at Tiverton in the storm of Wednesday Stafford Pyne, single, Warren Ossinger and his son Kenneth, went out to their fishing grounds in the morning and were caught in the storm. Their boat was cast ashore two miles west of the Boer's Head. The bodies had not been recovered late yesterday afternoon.

Back in Digby After Thirty Years Absence

Mr. Ross C. Smallie, the Racquette, and Mrs. Smallie have as their guests, Mr. Smallie's brothers and their families, who are spending a week or more renewing acquaintances in Digby. Mr. Charles Smallie is accompanied by his wife and their daughters Miss Dorothy and Mrs. Raymond Prescott, and her husband, the whole party coming from New London, Conn. Mr. Smallie has not been in Digby for upwards of thirty years and naturally finds many changes, some of them for the better, particularly of the hydro service. He is enjoying himself as could only be possible in his boyhood home. Another brother, Mr. Calvia Smallie, of Beverly, Mass., and his lady are also visiting the Smallie home during their time between Digby and Marshfield where they are guests of Mr. Jacob Trask.

Miss Helen Smallie, who has also been visiting her parents, and assisting in the family reunion, returns on Monday to resume her duties in the office of the Inspector of Steamboats, St. John.

Hydro Service Making Satisfactory Progress

At the special meeting of the Municipal Council held in Digby on Tuesday Mr. H. H. Marshall, Chairman of the Digby County Power Board, presented interesting figures of the Board's progress to the Councilors.

For the fourth month period ending July 31st operating costs totalled \$2790.

Revenues for the same period totalled \$3773

Profit on operation was \$987.

Weymouth

Leger Gaudet who has been visiting his parents, Mr. and Mrs. Legin Gaudet, returned to Boston Friday.

Mr. and Mrs. Ralph Smith of New York are visiting his parents, Mr. and Mrs. Isiah Smith.

Miss Marguerite Doucette of Boston is spending her vacation with her parents, Mr. and Mrs. Denis Doucette.

Mrs. Arch Horner and son, Fred, who have been spending a few days with her mother, Mrs. Laura Burke, returned to Long Beach on Tuesday.

Mr. and Mrs. H. A. Clark who have been visiting Cape and Mrs. Donald Barkhouse, left on Sunday by auto for their home in Wakefield, Mass.

Miss Estelle Comeau has returned to Boston after spending her vacation with her brother, Leger Comeau.

Capt. L. F. Barkhouse of Westport, spent the week here with his son Capt. Donald Barkhouse.

Mrs. John L. LeBlanc and daughter, Juliette left on Monday for Saint John.

School opened here on Monday with Mr. Curbett as principal, Miss Earle, primary, Miss Ellis intermediate and Miss Mallette grades 7 and 8.

Neil Gaudet, Francis and Daley The bodeau, Theodore and Clarence Gaudet left on Saturday on the latest excursion.

Miss Madeline Comeau left Sunday for Coderre where she has accepted the position as teacher.

Mr. and Mrs. Harold Keenan and family of Waltham are visiting relatives in this place.

Miss Mary Beaton who spent her vacation with her mother, Mrs. Mary Beaton, has returned to Brighton, Mass.

Mrs. Joseph Oliver and daughter Miss Marguerite, R.N., of Brighton, Mass., who are visiting relatives in Gilbert's Cove, spent Monday in this place with friends.

Rev. D. C. Melanson, of Oberzeitcook, is spending a few days at his home in Coderre.

A number of guests at Bayside Farm enjoyed a sail down St. Mary's Bay on Saturday as far as Briar Island. The cruise was made on the S.S. Grace Hamilton.

Miss Louise Bellevue who spent her vacation with her parents, Mr. and Mrs. Desire Bellevue left on Monday for Coderre.

Sprained Ligaments.

Gentle massaging with Minard's will quickly relieve the pain and stiffness.

New Tusket

Mr. and Mrs. Walter Dunham and daughter, Mrs. Walter Lowes and family and Miss Mildred Shaw of Malton, who have been visiting at Roger Sabean's returned to their home on Monday.

Miss Gladys Mullen, who spent her vacation at the home of her parents, Mr. and Mrs. Herman Mullen returned to Newton on Friday.

Thomas and Everett Mullen left recently for the United States.

A number of people of this place attended the missionary meeting at Weymouth North on Sunday evening. The service was very much enjoyed by all present and by the speakers' talk we should all feel our need to help those less fortunate than we are.

Ira Prime who has been visiting his father G. W. Prime returned to his home in U. S. on Friday.

Mrs. F. B. Mullen has accepted the position as teacher in this section and Miss Esther Minard of Caledonia has accepted the Havlock school.

Mr. and Mrs. Herbert Sabine and family spent Sunday at Milton Sabine's, Weymouth.

Mr. and Mrs. C. F. Sabean motored to Kemptville, Yr Co. on Saturday. They were accompanied by Miss Violetta Mullen who will teach in Hawthorne school and Miss Alice Mullen who will visit her sister, Mrs. William Freeman.

Thanks to All

The President of the Digby Board of Trade and the Cruising Club, Entertainment Committee wish to thank all those who generously assisted in entertaining members of the Cruising Club of America who have been visiting our Town.

V. O. N.

The last of the series of Afternoon Teas and Party Sales to be held at the Gull Club House for the benefit of the Victoria Order of Nurses will be held tomorrow Saturday afternoon, with Mrs. T. E. G. Lynch as hostess. The proceeds of last Saturday's Tea were \$82.75.

Courier Receives Gift for Funds of Digby Hospital

**Marjorie and Dorothy Denton of Montreal,
Organize Entertainment Presented by
Young Talent at Little River**

One of the most pleasant duties the Courier has had to perform during the past year was to receive from Professor K. C. Denton, of Montreal the sum of fifteen dollars to be handed to the Digby General Hospital as a contribution towards the general use of the Hospital.

The amount received by the Courier was proceeds of an entertainment held in Little River on Saturday evening, August 20th. Professor Denton's daughters, the Misses Dorothy and Marjorie, were principals in the preparation of the entertainment and were assisted by Misses Patricia Trask; Doris Trask; Georgina Denton; Winifred Trask; Fay Denton; Zelma Frost; Gertrude Denton; Freda Tidd; Margaret Kelly. The program was prepared under the direction of Miss Louise Denton and Burton Denton, Ronald Denton and Eric Morehouse, assisted in the capacity of stage

manager, door keepers and general handy man. The Hall was filled with an audience from all sections of Little River district and all enjoyed the evening to the utmost, applauding generously the excellent efforts of performers.

EDITOR THE COURIER—On behalf of the Hospital Board I acknowledge with sincere thanks the receipt of \$15.00, and at the same time express the appreciation of the Board to the Misses Dorothy and Marjorie Denton and all who with them arranged and carried out the entertainment at Little River in aid of the Hospital's funds. Gratefully, A. J. Dillon, Treasurer, Digby General Hospital.

Just arrived a new line of Ladies Black Satin 1 strap pumps at Dillon's.

Funeral of Storm's Victim Held at Tiverton Church

**Search for Bodies of Father and Son prove
Unavailing. Tragedy Casts Gloom
Over Whole Community.**

A deep feeling of sadness went over the community on Thursday morning Aug. 25th, when the report was spread that three of Tiverton's men had perished in the storm. Stafford Pyne was fishing in a dory alone at the time, Warren Ossinger and son, Kenneth, were together.

Stafford's body was recovered on Thursday afternoon about 11-2 miles below Boars Head. Ossinger and son have not yet been recovered.

Men have been out in boats and on the shore searching for the bodies, but so far have failed. Stafford's body, clothing and dory were found a short distance from each other, the dory being a total wreck.

Ossinger's boat was found slightly damaged.

Stafford Pyne was the youngest son of Mr. and Mrs. John Pyne, unmarried and aged 25 years. He was of a sunny disposition and sociable nature and for a long time will be missed especially by the young people of our community.

He leaves to mourn, a grief stricken mother and father, one sister, Mrs. Harry Norton, at Ivorytown, Conn., two brothers, Irvin and Albert, Tiverton.

Funeral took place Saturday at 2 p.m. from the Baptist church, Rev. P. Hamilton of Freeport officiating. A large number of relatives and friends at Tiverton, Freeport and East Ferry were present, and followed the body of one whose life had been so suddenly wiped out, to its last resting place on the hill, there to await the day when "all things shall be made plain." Floral offerings were many and beautiful.

Warren Ossinger, aged 53 years leaves to mourn the loss of a kind father, one son, Hillburn, now residing in Maine, four sisters, Mrs. Walter Thompson, Lakeside, N.S., Mrs. Simon L. Outhouse, Centerville, N. S., Mrs. Beatrice Cossaboom in the West and Mrs. Austin Sollows, Tiverton; three brothers Vesper and Joseph, Tiverton and Minard in the West.

Much sympathy goes out to the son, Hillburn, who only three weeks ago lost his mother.

Kenneth who perished with his father was 23 years of age and unmarried.

Both father and son will be greatly missed, especially by their neighbors, who knew them always as peaceable, quiet men.

Sympathy is extended to both families, who are left to mourn and to Miss Ina Young of Tiverton, who was to be married to Kenneth in a short time.

May He who has said "will never leave nor forsake thee" heal the broken hearts.

When I Go Home

When I go home it will be evening
And I shall hear my own dear people sing
And see the lighted room and take my place
As one of them, in that sweet time of Grace.

When I go home, I shall be very tired
Of struggling for the things that I desired
But I shall be content to end my quest.

Gaining the best things, peace, and love and rest.

When I go home, how sorry I shall be
Not to have brought more treasures back with me,
Yet, though I be a failure, worn and poor,
They will not turn me from my Father's door.

When I go home, I shall be travel stained
For winds have beaten me, and storms have rained,
And earth has clung to me by vale and hill,
But He will take me in and love me still.

When I go home—Oh will it not be Heaven
To be restored, accepted, loved, forgiven?
Sorrow and sighing are for those who roam
I shall have found my bliss, when I get home.

Appreciation

I wish in this way to express my gratitude to Captain George Crocker, Jessie Thuerber, Nelson Thuerber and Cleveland Pine all of Freeport, for saving my life in the great storm of Aug. 24th. Words fail to show how much I appreciate their faithful efforts and the risk of their own lives in the storm. Captain Crocker deserves great credit in the careful management of his schooner, the "Phyllis" in the heavy seas. I also appreciate the kindness of Capt. Horace Thuerber and crew of Schr. Firelight; who did their best under the circumstances. May He who hears in secret, reward these openly.

Heber J. Outhouse,
Tiverton, N. S.

Digby General Hospital

The regular monthly meeting of the Ladies Hospital Aid will be held at the Court House on Wednesday, Sept. 7, at 2 p.m. Large attendance is requested to decide important business.

V. O. N.

Owing to the severe storm on the 24th the Bridge Party for the benefit of the Victorian Order of Nurses at "The Ocean Gardens" had to be postponed to Thursday 25th. The committee are deeply indebted to Mr. and Mrs. Hayden for the use of their pleasant rooms which helped to make the success of the party.

The prizes were as follows:—Ladies, 1st, Mrs. Steele, 2nd, Mrs. Short, Consolation, Mrs. Barnard, Gentlemen, 1st, Dr. DuVernet, 2nd Mr. Lockward, Consolation Mr. Short. At the non-progressive tables flowers were presented to Miss Louise Daley, Mr. W. Read, Mrs. Connell and Mrs. Sutcliffe.

The proceeds from the Tea last Saturday at the Golf Club House were \$40.

CARD OF THANKS

WE wish to express our sincere thanks to all those who so kindly assisted us and expressed their sympathy during the illness and death of our mother, Mrs. Henrietta Handspiker, and for the floral tributes, also to Rev. Mr. Bishop who called on her several times before her death, and who officiated at her funeral. Judson Handspiker, Wallace Handspiker, Mrs. Otis Middleton.

MRS. James A. Savary and family wish to thank their many friends for the numerous acts of kindness and sympathy and floral contributions during their recent bereavement.

Death of Aged Resident of Culloden

Mrs. Henrietta Handspiker, wife of the late David William Handspiker who predeceased her ten years ago, passed peacefully away at her home at Culloden, Thursday evening 25th instant, at the advanced age of 85 years.

Deceased was one of the oldest and highly respected residents of Culloden. She was a daughter of the late Robert and Augusta Adams, of Bay View. She had been in failing health for the past year, but was confined to her bed for only a few days before her death. She was always cheerful and patient, bearing her ill health with Christian spirit, knowing that there was only One who could comfort and strengthen her in her trying hours. She was a life-long member of the Baptist Church and leaves to mourn the loss of an affectionate mother and sister, four daughters and four sons. Mrs. Lillie Warner, Wilmington, Mass., Mrs. Nelson Roe, and Mrs. Roderick Anderton, Gloucester, Mass., Mrs. Otis Middleton, Culloden. Stewart, Judson, and Wallace, Culloden, and Ernest at Marshalltown. Two brothers, Allan and Sandy Adams, of Bay View, one sister, Mrs. William Caines, Digby, thirty grandchildren and seventeen great grandchildren, and one great great grand-child.

The funeral took place from her late residence with interment in the Culloden Baptist Cemetery, Rev. Mr. Bishop officiating. The floral tributes were many including a lovely wreath from her two daughters, Mrs. Nelson Roe and Mrs. Roderick Anderton, Gloucester.

The pall bearers were Judson and Wallace Handspiker, Edward Hayden and Otis Middleton.

James Alfred Savary Dead at Digby

The death of James Alfred Savary occurred at his late home on Warwick Street on Thursday, August 25th, after several weeks illness.

Mr. Savary was born in Plympton, Nova Scotia, sixty-nine years ago and later moved to Digby where he has worked at his trade as a mason for the past forty-five years.

He leaves to mourn their loss his wife, three sons, Boyd, living in Connecticut, Russell and Percy in Digby, two daughters, Mrs. Donald Marshall (Gladys) of Boston, and Hazel at home; one brother, William living in Maine and one sister, Mrs. Fannie Chute of Salem, Mass.

Mr. Savary was a kind husband and father and loved by all who knew him. He was a cousin of the late Judge Savary of Annapolis Royal.

The funeral was held on Sunday from his late home, Rev. F. E. Bishop officiating, interment in the Baptist Cemetery.

The last dance of the season at Pines Casino will be held on Monday night, September fifth. Wind up the Labor Day celebration by taking your wife or sweetheart to the dance with the snappiest orchestra heard in Digby for years. You'll be sorry you had not gone oftener and make up your mind to go to every dance at the Pines next season.

Mrs. E. C. Bowers of Westport has been a guest at the home of Mr. J. L. Peter's this week.

ROBERT C. MILLS
Managing Editor

FRIDAY, SEPTEMBER 2, 1927

What of the Future

With the approach of September and the official closing of the tourist season, to be followed shortly by the departure for their homes in other parts of many of our summer visitors it is opportune to consider whether we have to the best of our ability exploited the natural and other resources of Digby as a tourist center and if we have given full value for that which we have received.

So far as the latter part of the question is concerned it is one which can best be answered by visitors themselves. Those with whom the writer has had converse have expressed themselves as altogether pleased with the hospitality provided and the service rendered by hotels and business people, in fact by all with whom they came in contact. For entertainment the Golf Club has had a large part in establishing a feeling of intimacy and good feeling and all things considered, visitors on their departure are planning on a return to Digby next season.

It cannot be said that we have done all that could have been done to "sell" Digby to residents of the United States and Canada. The outstanding weakness in the whole situation is that we, ourselves, con-

not grasp what the tourist business already means to Digby and the possibilities of development which the tourist traffic is capable of, possibilities which are almost unbelievable. In this we are not alone, but the province as a whole and in a lesser extent the transportation companies, are equally at fault.

In the distribution of tourist literature there has been an amount of overlapping, but more seriously there has been altogether too little publicity and promotion work carried on. The number of tourists entering Nova Scotia during the month of July this year was greater than in any July since tourists first started coming to Nova Scotia and we all know the number who stayed in Digby during that period was not nearly so great as in July of last year.

What then is the trouble. Can we blame it entirely to the changing mode of transportation and say that the automobile has ended Digby's existence as a tourist town. Can we say that the demand is now for bungalows and camps, rather than hotels? Hardly. Examination of the inquiries received at several tourist agencies show that less than five per cent of inquiries ask for bungalow accommodation. As for the automobile making all the difference, that is improbable. True, the demand for accommodation in Digby is always greater on wet days than on days when motor travel is pleasant, but granting that it is not only a change to be met, a handicap to be overcome? The trains carry more passengers, the automobiles and Digby could be filled from July to September if we never saw a single automobile party.

How then to go about it? Shall we wait until next Spring before we start our plans for another season, or should we not start now, when the lessons of this season are

fresh in our experience and prepare to make Digby better known, to extend our field and to more thoroughly cover the territory from which we already draw?

One of the most important matters to be considered for next year is an organized plan of publicity. Then must be considered means of raising the funds necessary to put the plan into effect and to engage the staff to properly execute it.

The Courier has been criticised for suggesting \$15,000 as a reasonable publicity fund for next season. The criticisms may be deserved, but is probably prompted by the feeling that it is impossible. Let us not admit it until we have tried to get it, and when we have tried we will find that a large share of it is available for the uses to which it should be put.

Excellent Service

Sincere praise is due to Superintendent Campbell and his linemen for their efficiency in restoring service from the Sissiboo Hydro plant following the storm of last week. Tackling their first real trouble, they fought the elements to a finish and but for the disaster of falling trees the interruption of service would have been unimportant. When huge elms fell at Plympton, carrying out whole sections of the main transmission line, the situation was much beyond the resources of the permanent staff and the task of obtaining an emergency crew rendered ineffective by the disorientation of amateurs to tackle the job in the height of the storm. Digby's hydro service was the first electrical service restored in Western Nova Scotia, and the despatch with which the emergencies were met, and overcome is a credit to the service and to the men whose job it is to keep the service going.

Particular mention should also be made of the services given by Arthur Robinson. Art struggled into his waterproofs and helped out, keeping the trouble on the town distribution system at a minimum and in many ways aiding considerably in the task of maintaining the service, until when it was seen that the service must be interrupted he threw out the connections at the town sub station.

The Re-Opening of The Digby Schools

Digby schools opened for the Fall Term on Monday of this week a week ahead of many of the schools in the province, places where it is customary to await until the Labor Day holiday before settling down to a new term. Attendance figures are not as yet available, and the full enrollment will not be known until pupils who wait until after the first week is over, to commence their attendance.

With the commencement of the term it is not untimely to suggest that precautions should be taken to avoid a repetition of the unfortunate occurrences of last term.

Members of the School Board should recognize the trust that is placed in them for supervision of teaching staffs and scholars and not too lazily delegate their duties to

Clean to handle. Sold by all Druggists, Grocers and General Stores

CHILDREN THRIVE
For growing children nothing can take the place of cod-liver oil vitamins. Give them vitamin-rich Scott's Emulsion
Scott & Borne, Toronto, Ont. 27-4

the secretary, or as may be, neglect them altogether. Prevention of dispute is easier than settlement of one after it begins and for the sake of discipline and morale precautions should be taken to see to it that the coming term passes happily for both teachers and scholars, that all may do their best work and receive the utmost in benefit from the expenditure of a large amount of the ratepayers money.

Provincial Premier Will Meet in October

The date for the Conference of Provincial Premiers which will be held in Ottawa some time this autumn has not been definitely determined but will probably be held in October. The conference will be a most important one from the point of view of the Maritime Provinces inasmuch as the final adjustment of Provincial subsidies under the Duncan Commission Report will be arrived at. This will in all probability mean the consideration of the subsidy payment of each province.

In addition there will be numerous other problems discussed which affect the provinces in their relation to the Federal power.

Premier Rhodes, who has been in close touch with the Governments of the other Maritime Provinces, it is understood, proposes to arrange a conference of Maritime Premiers before proceeding to Ottawa so that if possible the Maritime Case may be proceeded with on common ground.

During the past two years a series of conferences between the Premiers of the Maritime Provinces and arranged largely through the efforts of the Premier of Nova Scotia, have brought about a close governmental association which will be of great assistance in furthering the interests of the three provinces when the conference is held at Ottawa. It is probable that Premier Rhodes will be accompanied to Ottawa by at least two of the Ministers of his Government.

Married at Belle Isle

The home of Mr. and Mrs. Avard L. Hudson was the scene of a quiet wedding on Monday afternoon when their youngest daughter Edith St. Clair became the bride of Mr. Cerland Hunter, of Surets Corner, Hants Co. The ceremony was performed by Rev. R. P. Haden, of Bridgetown. The bride wore a lovely dress of navy crepe-de-chene and carried an arm bouquet of white asters and maiden hair fern. She was given in marriage by her father. After the ceremony a dainty buffet luncheon was served after which Mr. and Mrs. Hunter left for their future home in Hants Co.

The bride received a substantial cheque from her parents. The best wishes of a host of friends follow the young couple for a long and happy married life.

Camping Party from Rochester Says Nice Things of Digby

Not even the storm of last week could spoil the enjoyment of Nova Scotia by a party of tourist from Rochester. New York. Mr. and Mrs. Raymond C. Keopole, of Rochester, Mr. Keopole's sister, Mrs. Walter I. Scott and Miss Helen Scott, have been camping at the towns tourist camp since August 22nd. Using two field auto tents the party has been quite comfortable, and though in the height of last Wednesday's storm Mr. Keopole had to carry the tent equipment to a safety and strike out for Hillcrest to put a roof over their heads, they have enjoyed every minute. The only damage done to their camp by the storm was the blowing down of the tents.

Mrs. Scott was admitted to Digby General Hospital on Tuesday, suffering from a severe attack of bronchitis. She is under care of Dr. Dickie and her condition is steadily improving, so much so that it was thought she would be able to travel by train to her home, leaving today.

The Keopole's and their guests have been on the road since July 23rd, touring Ontario, Quebec, New Brunswick and Nova Scotia. They enjoyed every mile and every view in all their tour but were most delighted with what Nova Scotia offers for the attraction of tourists. As to roads they found New Brunswick highways "poor to fair" while the roads in Nova Scotia they were fine, "very much better than we expected to find."

Mr. Keopole is Director of the Department of Attendance of the City schools of Rochester, having under his charge 80,000 pupils. He is a member of the several fraternal organizations of the city, being a Shriner and a member of Rotary. On Tuesday last he was a guest of Yarmouth Rotary Club at luncheon.

Mr. Keopole has worked out a system for attaining the utmost enjoyment on camping trips. Don't take fads, but only what is needed and keep each piece of equipment in the same place always. His sedan when loaded shows nearly every available space used, and everything on the outside covered or wrapped with black oilcloth to protect it from water and give a uniform appearance.

In conversation with the Courier Mr. Keopole had a word of praise for the hospitality of Canadians in all the provinces, and particularly of Nova Scotians. "We have been coming to Canada on our vacations for fourteen years. We come because we like the country and people, and nowhere can you find such hospitality as shown by those we have met here. They are the finest men."

Mr. Keopole also had a word to say of the Digby General Hospital, one which may, perhaps, make us appreciate it more than we do. He says: "You have here in Digby an excellent hospital, equal to any large city hospital. The nursing staff is wonderfully fine and the doctors are without exception the best to be found anywhere."

The party will return to Rochester in time for the opening of school on September 6th.

Black Bass Provide Wonderful Sport in Sissiboo River

Just about everyone who has read the publicity issued by the Province of Ontario vows that some day he will go up and have a try for the sporty black bass, that is featured as the gamiest fish that Ontario can produce. It isn't necessary to go there this summer, for at Weymouth the black bass has been providing some of the sportiest fishing ever heard of in Nova Scotia for some long years. On Monday of last week Mr. Dennis Doucett, bridge tender, noticed a school of strange fish in the river. He is an ardent fisherman and curious, so he got rod and fly and started to investigate. Result, five

KING COLE TEA

With all its goodness sealed tight in the clean metal-foil package, King Cole comes in perfect condition to delight you. Your grocer can supply you.

beautiful black bass, the gamiest fishing fish ever took from the water, and the smallest one weighed five pounds. That made a great day's sport but on Tuesday he was even luckier, seven of them all over four pounds in weight and giving him the finest sport a fisherman could ask.

Reports from Weymouth are that the black bass are schooling in the river, making it worth a trip from any part of the county to the mouth of the Sissiboo for a day's fishing.

Returned to England

Rev and Mrs. L. E. Nunn, who left here for Philadelphia two years ago have been obliged to leave America and return to England, their former home on account of the ill health of their daughter, Vera. Mr. Nunn has received a church in Braekness, a suburb of the famous Weymouth, in Weymouth, England. Mr. Nunn was formerly pastor of the Digby Baptist Church.

THE MOST AMAZING Quality IN CHEVROLET HISTORY

THE COURIER IS \$2.00 A YEAR

It Rid the System of Rheumatism

Lasting relief was obtained when the uric acid poisons were cleansed from the system by Dr. Chase's Kidney-Liver Pills.

After all there is nothing like Dr. Chase's Kidney-Liver Pills to get rid of the poisons in the system which cause pain, fever, rheumatism and rheumatism. Dr. Chase's Kidney-Liver Pills afford relief from the pain but to get rid of the cause it is necessary to go deeper and regulate the action of kidneys, liver and bowels.

Mrs. Ada Kincaid, Drayton, Ont.

"My husband suffered from rheumatism. He tried treatment from many doctors, but received little relief. He also tried several

remedies recommended without avail. Two years ago after he had been unable to move or turn in bed for several weeks, a neighbor came in and recommended Dr. Chase's Kidney-Liver Pills. I went down and purchased a box of these, which seem to have entirely relieved him. I take great pleasure in recommending these pills to anyone suffering from rheumatism."

Dr. Chase's Kidney-Liver Pills—\$5.00 per box, all dealers or The Dr. A. W. Chase Medicine Company, Limited, Toronto, Canada.

Confirmation

A confirmation service took place last Wednesday morning in St. John's Church of England when six candidates were confirmed by Rt. Rev. John Hackenley D.D. Bishop Coadjutor. After lunch His Lordship with the Rector A.W. L. Smith returned by motor to Clementsport to take part in the Memorial Service in the old church.

Birthday Reception

On Tuesday afternoon, August 23rd the neighbors and friends of Mrs. Cordelia Rice gave her a most enjoyable reception to commemorate her 93rd birthday, about thirty called and she received many letters and cards of congratulation from absent friends both in Nova Scotia and the United States. She also received a substantial sum of money and many other beautiful gifts among which was a handsome, decorated birthday cake from Mrs. Oscar Morgan of Smith's Cove. She was assisted in receiving by a number of her friends. Mrs. Rice carries her 93 years lightly and is a great favorite among ladies of the town. She lives alone in her pretty home where she and her husband raised their family of four boys and one daughter, who have all predeceased her a number of years. Last week she motored to Round Hill where she was the guest of Mrs. C. C. Rice, her daughter-in-law and her granddaughter, Mrs. W. Fairnie at Lequille.

YOUNG WOMEN SUFFER MOST

These Two Found Relief by Taking Lydia E. Pinkham's Vegetable Compound

Ayer's Cliff, Quebec. "I have been teaching for three years, and at the end of the year always feel exhausted and have no appetite. I was a awful sick each month, too, having pains in my back, sometimes I was obliged to stop working. A friend recommended Lydia E. Pinkham's Vegetable Compound to me and I heard many women telling how good it was so I thought it would help me. And it did. Now I take six bottles every year and recommend it to others." DONALDA FANTEUX, Ayer's Cliff, Quebec.

"Unable to Work"
Canning, Nova Scotia. "I had irregular periods and great suffering at those times, the pains causing vomiting and fainting. I was teaching school and often for some hours I would be unable to attend to my work. Through an advertisement in the papers I knew of Lydia E. Pinkham's Vegetable Compound, and it has been of great benefit to me, the troubles being completely relieved." LAURA J. EATON, Canning, King's County, Nova Scotia.

Here and There

Air mail service between Winnipeg and Fargo, North Dakota, has been inaugurated and the first mail for Winnipeg from the United States arrived recently.

The potato acreage along the Dominion Atlantic Railway line is larger than last year and a 40 per cent. crop increase is looked for. There will likely be 175,000 barrels available for export, as compared with 128,000 last year.

British Columbia's farms produced \$71,862,209 last year; breaking all records and gaining \$8,208,690 over the previous year, according to the final figures of the Provincial Statistician, G. H. Stewart. Lumbering leads with agriculture second.

A new world record is set—300 white Leghorn baby chicks arrived from the University of British Columbia at Ottawa through the Canadian Pacific Express Company, safe, sound, and hungry, all of them. Nuptials had been held on their 3,000 mile journey and none died or suffered.

A Barred Plymouth Rock, owned by the University of Saskatchewan, has established a new record for the three Prairie Provinces, laying her 30th egg in her pullet year, of which there is still a month to go. The world's record for trap-nest production is held by No. 6, an Agassiz, B.C. pullet, which laid 361 eggs in 364 days.

Members of the newly-appointed Saint John Board of Harbor Commissioners, headed by Hon. W. E. Foster, recently concluded a conference with Canadian Pacific officials at Montreal in connection with the proposed improvements in the grain shipping facilities of the port. The chief object of the new commission, according to Mr. Foster, is the creating of a national idea of an All-Canadian trade route through the Port of Saint John.

Scots in Canada are looking forward with keen interest to the coming Highland Gathering and Festival of Scottish music to be held at Banff September 3 to 6, the activities taking place on the grounds adjoining the Banff Springs Hotel. Through the generosity of the Canadian Pacific Railway officials this festival has been made possible and is along the line of the Canadian Folk Song Festival held at the Chateau Frontenac, Quebec, in May which was voted such an outstanding success.

The United States' interest in the development of the locomotive in Canada is seen in a request by the Baltimore and Ohio Railway to the Canadian Pacific Railway to send one of its latest passenger types of engine to the centenary exhibit of locomotives, which will open at Baltimore on September 24th. The Canadian Pacific has arranged to supply one of its latest types of the "2300" class locomotives, complete with crew, for the occasion. This is the company's fastest and most powerful passenger locomotive.

One of the strangest attempts at taking a census is now being made by Andrew Widdison of Bella Coola, B.C. according to information received here. At the request of Harlan L. Smith of the National Museum of Canada, Mr. Widdison is taking a census of the grizzly bear population of some eleven valleys along the fjords which are included in the "Norway of America" traversed on the steamship journey between Prince Rupert and Vancouver. The coast line between these two ports is a noted big game hunting spot and attracts many grizzly hunters each year from all sections of the continent as well as from some parts of the world.

No more anxiety. No more danger. No more doubt. Use Fly-Tox, then you may be sure your garments will retain their original beauty and perfection—free from ravages of moths, Fly-Tox kills moths, eggs, larvae. Spray thoroughly blankets, carpets, rugs, clothing, furs and woollens. Insist on Fly-Tox. Fly-Tox is the scientific insecticide developed at Mellon Institute of Industrial Research by Rex Pflieger. Simple instructions on each bottle for killing ALL household insects. Fly-Tox is safe, stainless, fragrant, sure. Every bottle guaranteed.

A Shaving Lotion

Minard's mixed with sweet oil is wonderfully soothing after a shave.

McLAUGHLIN-BUICK for 1928

Cushions that fit you like your Easy Chair

A NEW feeling of luxury—of restful, satisfying comfort—comes over you when you sink into the seat of a McLaughlin-Buick for 1928. For these seats are like easy chairs—made so by tailoring them to fit you, just as fine furniture is tailored.

In every way McLaughlin-Buick for 1928 gives the greatest measure of riding comfort. Hydraulic shock absorbers, front and rear—made an integral part of the car by redesigning McLaughlin-Buick's springs and chassis—smooth out the roughest roads and prevent rebound, adding still further to the joy of McLaughlin-Buick travel.

This is another indication of McLaughlin-Buick's greater value—another reason why you should buy a McLaughlin-Buick for 1928.

Premier Interviews Car Inspector

When Premier Stanley Baldwin was travelling through the Maritime Provinces over the lines of the Canadian National Railway he criticised Mr. Baldwin asked D. A. McKay, Car Inspector. "Did you examine the wheels of my car?"

"Yes sir. They are all right," answered the Inspector. Mr. Baldwin then asked a number of questions about the work of Inspectors, remarking that in England they were called "car tappers," and noting the longer hammer used in Canada. "Yours is a responsible work," commented Mr. Baldwin as the train drew out.

Karsdale

Capt. and Mrs. Clare McCrae of the United Fruit Co., Boston, returned to Boston on Wednesday after a most enjoyable visit with his sister, Mrs. A. E. Parker and her husband.

ALL-CAST FURNACE

Miss Lena Keans of Port Wade was a week end guest at the home of Mrs. J. S. Timpany, Queen St. Miss Edith E. Hollis of Brockton, Mass., is making a more prolonged visit in the same home, and all three ladies are Missionaries of the Baptist Telugu Mission in India this evening 10,000 miles from the country of their adoption formed a most enjoyable reunion. Mrs. Timpany has spent about thirty years in missionary work at Hanamkonda, while Miss Hollis has been engaged in the mission's educational work at Secunderabad and Miss Keans has been in charge of large central schools at Naranavur. Altogether the three ladies have given a total of more than 50 years of missionary service in these centers in the Telugu country of South India.

Dr. and Mrs. H. B. Havey, with their son and three daughters, of Stewiac Col. Co. spent the week end with Dr. Havey's father and sister, Mr. B. Havey and Mrs. J. S. Timpany. In moving through from Stewiac the party encountered much difficulty through wash-outs of roads and bridges during the recent storm. Long detours were necessary and they reached Digby almost a full day behind schedule time.

Grocers like to sell MORSE'S TEAS because they know they are going with the current of popular favor; they are following the line of least resistance. Half the battle in merchandising may be said to be won when a merchant can feel that his customers have absolute confidence in the things he sells.

By The Sea

The sea, with its restless heaving, has ever held for humanity at large, a fascination, luring men on to see what lies on the other side. As in the times of the daring Vikings and Christopher Columbus, it ever draws men on to seek adventure on its broad bosom, its very restlessness and vastness seeming to touch an answering chord in man.

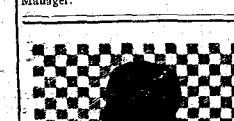

Poets have sung of the sea and famous writers have written thereof, all endeavoring to convey to us some of its varying moods. The sea has a mood that seems to fit every man and it is its own best interpreter of that mood to him. To those seeking rest the rhythmic action of the waves and the vastness, seems to soothe the irritated nerves, while to those to whom action and bigness appeals, it strikes a responsive note.

As an ideal place to enjoy the offerings of the sea, Pictou Lodge, situated at Bay View, near Pictou, Nova Scotia, owned and operated by the Canadian National Railways, provides all that one could wish for, here, amid the shade of the pines, one may linger and watch the never ceasing ebb and flow of the sea, while to those seeking more activity, abundant opportunity is presented to indulge in boating of all kinds. A delightful short sea trip may be had to Charlottown, a distance of about fifty miles. Yet another delightful sea trip is to be had to the Magdalen Islands, which are very delightful and well worth a visit. A very fine golf links is available to guests at Pictou Lodge and some excellent trout fishing may be secured in the streams close by. Pictou Lodge has a remarkably fine beach which affords ample opportunity for bathing. A unique feature is a fresh water lagoon directly in front and separated from the salt water by a narrow sand bar.

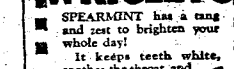

Pictou Lodge consists of six four-room bungalows, each with its large fireplace and sitting room, and a Bachelor Bungalow of six rooms. The general or main lodge contains the dining room, dance hall and central lounge. The cuisine is excellent, being Canadian National standard, and the appointments are of the best.

Pictou Lodge is easy of access by the lines of the Canadian National Railways and a commodious bus meets all trains. The rates at Pictou Lodge are \$6.50 a day, \$40.00 a week, American plan.

Descriptive literature may be obtained through any Canadian National agent, or by writing Mr. F. W. Robertson General Passenger Agent, Moncton, New Brunswick, or the Manager, Pictou Lodge, direct. Reservations may be made by writing or telegraphing the Manager.

WRIGLEY'S
SPEARMINT has a tang and zest to brighten your whole day!
It keeps teeth white, soothes the throat, and aids digestion.

After Every Meal

Guests at Bayside Farm Had a Wonderful Party

The guests of Bayside Farm, Weymouth North made merry last Thursday evening by converting the spacious garage into a gorgeous ballroom with dais and canopied throne for their majesties, the King of Klam and the Queen of Tarts, the host and hostess of Bayside, Mr. and Mrs. Fred H. Lent.

They were attended by Miss Ruth Ethel Bugbee of Providence, R. I. and Miss Ethel Stirling of Philadelphia, Pa., attired as sisters of the "Gold Dust Twins".

The King and Queen in royal robes entered the decorated hall amid a burst of applause which would have warmed the heart of any potentate.

Before permitting the festivities of the evening to proceed, the King commanded the chancellor of the Exchequer, Mr. William Brandt of Maplewood, N. J., to levy a tax upon the subjects of his realm.

The grand reception followed and each guest in costume was escorted to the throne by the Grand Marshal H. W. Risley of New York City and presented to their majesties by the Royal Grand Master of Ceremony, Captain B. E. Purdy of Halifax, N. S.

The Virginia Reel followed the Grand March led by the King and the Queen, accompanied by Puss in Boots, Master Billy Zebrung of White Plains, N. Y.

Between dances the guests were entertained with shadowgraph and tuck chalk drawing by the Court Magician George J. Zebrung.

The pleasure of the evening was temporarily marred by the presence of a Rough Red Radical demanding audience with the King. Order was soon restored by the Court Grand Bouncer, W. A. Craik of Toronto, Ontario.

Telegrams were received from famous people. Due to their scandalous conduct the King was stricken with a serious illness.

The Court Grand Physician Dr. E. D. Hallett of Weymouth was called and diagnosed the complaint as Klamitis. An operation was performed and the Klam was extracted. Needless to say, the faithful subjects were greatly relieved.

The music was furnished by Ben Bernie and other jazz celebrities assisted by John and Charlie, violinists from the Irish family.

The entire entertainment of the evening was broadcasted by the Royal Grand Broadcaster, H. M. Woodbury of Winchester, Mass. over station B.S.F. in a tie up with S.T.A.T.I.C., B.U.Z., S.P.U.T.T.E.R., C.R.A.C.K., S.I.Z., S.E.L.E.N.T., all of which are well known to radio fans.

The guests included:

Mr. and Mrs. F. H. Lent, Weymouth North.

Mr. and Mrs. W. A. Craik, Toronto, Ont.

Mrs. Grace VanBlack, Brooklyn, N. Y.

Miss Mable A. McGill, New York.

Mrs. J. C. Saunders, Hebron, N.S.

Capt. and Mrs. B. E. Purdy, Halifax, N.S.

Mr. and Mrs. H. M. Woodbury, Winchester, Mass.

The Misses Ruth and Elizabeth Woodbury, Winchester, Mass.

Mr. and Mrs. G. J. Zebrung, Master Billy Zebrung, White Plains, N. Y.

Miss E. L. Stirling, Philadelphia, Pa.

Mrs. G. C. Bugbee, the Misses Ethel Betty and Virginia Bugbee, Providence, R. I.

Mr. and Mrs. W. S. Risley, New York.

Miss M. V. Coyle, Brooklyn, N. Y.

Mrs. J. J. S. Richmond and Miss Josephine Seickland, Brooklyn, N. Y.

Miss N. G. Ogilvie, Evanston, Ill.

Mr. and Mrs. Wm. Brandt, Maplewood, New Jersey.

J. W. Grant, Mr. and Mrs. G. R. Earle, Yarmouth, N.S.

Mr. and Mrs. Poole, Boston, Mass.

Mrs. Roach, New York.

Mrs. G. D. Sack, New York and Weymouth North.

Dr. E. D. Hallett, Weymouth, N.S.

The Misses Mary Lewis, Lillian Doty and Kathleen Fitzgerald, Weymouth North.

Port Wade

Ralph Hayden spent Sunday with his family here.

Mrs. Utah Raymond of Centerville is visiting at the home of her niece, Miss James Snow.

Mrs. Vandora White and daughter Mildred who have been at the Sea Breeze hotel at Deep Brook have returned home.

Archie McGrath of Parrsboro and Ralph Apt of Kentville spent a few days with friends here recently.

Miss Elizabeth McWhinnie left on Monday for Digby where she has accepted a position with the teaching staff at the academy. The teacher from Amherst, engaged to teach here became disinterested and left after teaching only a few days.

Miss Lena Keans spent the week end with friends in Digby.

Mrs. Leander Oliver of Granville, Perry spent Sunday with her parents, Mr. and Mrs. Frank Mussells. Mrs. Mussells has her cottage open for summer tourists and is being well patronized.

An interesting debate was given by the young people in the B.Y.P.U. on Friday evening. "Resolved that travel is of greater educational value than reading" was the subject discussed and both sides brought out a well thought argument. The board of judges, who decided according to the quality of presentation, gave their decision in favor of the negative side.

Mrs. Harold Kiley, with her little daughter, Betty is spending a vacation with friends in and around Boston.

Several answers to an advertisement for a summer cottage for rent are awaiting at the Courier Office for the advertiser's attention.

Special Meeting of School Board to Consider Teaching Staff Vacancies

A special meeting of Digby School Board was called for last night to consider the teaching staff situation. There are two vacancies. Mr. Chisholm who was engaged as Principal, is unable to resume his duties and Miss Coggins is in the hospital.

At present Miss McWhinnie is in charge of the schools.

The situation is serious. The term having begun most teachers have secured positions and the matter of securing competent substitutions to fill the present vacancies will be a difficult job.

Church Street Residents Apply for Street Lighting Service

Representations were made at the meeting of the Town Council on Monday night on behalf of residents on Church street for the extension of the town's street lighting service along their frontage.

The application was referred to the Electric Light Committee for a report.

Councillor Aymer Presided at Council Meeting

In the absence of Mayor Lynch Councillor Aymer presided at the regular monthly meeting of the Town Council held on Monday of this week. Routine business was conducted.

The Clerk was instructed to get in connection with the Minister of Highways in respect to the condition of the Racquette Bridge, damaged in last weeks storm. This bridge has been a subject of considerable correspondence between the town and provincial authorities and it is hoped that some progress will now be made in determining which is responsible for its upkeep and repair.

Local and Personal

Mrs. James Burgess, and two children, who have been visiting in Digby, returned to Belmont, Mass., last Saturday. They were accompanied by Miss Ethel Snow.

E.A. Nickerson, M. P. P., of Shelburne, was the guest on Wednesday of Mr. and Mrs. J.J. Wallis Birch street.

Mrs W B Morris and Mrs Ingram Saunders of Sandy Cove return home today after a visit of several days in Digby guests of Mrs H E Jones

Professor K C Denton and Mrs Denton with their daughters Dorothy and Marjorie who have been spending their holiday at Mr Denton's family home at Little River returned to Montreal Wednesday

Mr. William Agate was a visitor in Yarmouth this week going down to meet his sister Mrs Sears of Boston and niece Mrs Gaskins also of Boston who are his guests for a short vacation in Digby.

TO DARKEN HAIR APPLY SAGE TEA

Look Young! Bring Back its Natural Color, Gloss and Attractiveness

Common garden sage brewed into a heavy tea with sulphur added, will turn gray, streaked and faded hair beautifully dark and lustrous. Just a few applications will prove a revelation if your hair is fading, streaked or gray. Mixing the Sage Tea and Sulphur recipe at home, though, is troublesome. An easier way is to get a bottle of Wyeth's Sage and Sulphur Compound at any drug store all ready for use. This is the old-time recipe improved by the addition of other ingredients. While wispy, gray, faded hair is not what we all desire to retain our youthful appearance and attractiveness. By darkening your hair with Wyeth's Sage and Sulphur Compound, no one can tell, because it does it so naturally, so evenly. You just dampen a sponge or soft brush with it and draw this through your hair, taking one small strand at a time; by morning all gray hairs have disappeared, and, after another application or two, your hair becomes beautifully dark, glossy, soft and lustrous.

Costly Publicity

The vivid imaginations of some newspaper reporters and the journalistic tendency to scare headlines has cost the province of Nova Scotia more than equal to the losses caused by the storm of a week ago.

Captain Kinney of Yarmouth is quoted as saying that reservations for 100 autos to come to Nova Scotia during the last week of August were cancelled because of the reports of the storm and the damage done the highways.

As Mutt would say, "for the huvva Mike, use discretion."

M. V. Kipawo

The M. V. Kipawo, operating between Kingsport, Farnsboro and Wolfville, will discontinue Sunday trips, effective September 4th.

Weymouth

Mrs. W. McMahon and daughter Jennie, of Digby, spent a few days last week in this place with friends.

Boy Scouts Resume Activities After Summer Vacation

The Scouts of the New First Digby Troop, Boy Scouts started off on the new season's activities on September 2nd after having been in recess during the summer vacation. The opening meeting started with the customary formalities. This was followed by games and patrol contests, with fruit and candy as refreshments to be enjoyed by all. The regular meeting adjourned at 9:00 o'clock and a Court of Honor was held until 10 o'clock.

Rev. E. W. Forbes, pastor of Grace United Church, attended to opening meeting and from a fund of experience in boys work, including many years as advisor and counsel to scout troops in former charges, gave the boys an interesting and helpful talk.

The new Digby Troop promises to be a successful undertaking in

the task of making citizens and credit is due Scoutmaster O. Wright for the intense interest which he takes with the young fellows.

The officials of the troop are: Scoutmaster: O. Wright Assistant Scoutmaster: J. Appleby Troop Leader: D. Daley Patrol Leader, Wolf Patrol, G. Burnham, Second C. Snow; Beaver Patrol, E. Anderson, second R. Winchester; Fox Patrol, V. Snow, V. Hewitt.

Notices have been issued the various district committee men advising them of the annual meeting of the Digby County Liberal Assn. to be held in Hanksin's Hall, Weymouth, on Thursday, September 15th, next. Election of officers and discussion of general provincial organization will be the main business of the meeting, the Provincial Leader Hon. J. J. Kinley of Lunenburg, being scheduled to assist in the business.

Local and Personal

Mrs D. W. Thurber and three sons, of Watertown, Mass., who have been spending the summer at their cottage on the Shore Road, returned home on Tuesday.

James Ellis, who is employed on the cold storage plant at Lockport spent the week end at his home here.

Miss Winnifred Burns, of Salem, Mass., returned to Salem on Sunday after visiting in Melrose for a fortnight as guest of Miss Hattie Farnsworth, at the home of her parents. Miss Farnsworth has also returned to Walfield to resume her position there.

Mrs Wm. Tryon and Mrs Walter Collins, who have been guests of Mrs T. D. Burnham, Queen street, have returned to their homes in Dorchester, Mass.

Kingsley Collins spent the week end in Wolfville.

Mrs John Baxter with her little daughter Barbara, is spending a short time with her parents, Mr and Mrs Henry Sanderson, Watertown.

Mrs J. Frederick Rice and little grandson returned to Boston on August 29th.

Mr and Mrs George Kinghorn and Mrs Kinghorn's parents, Mr and Mrs Geo. B. Johnson, returned to their homes in Saint John on the Empress on Tuesday.

Mrs Avarit D. Steele, of Redding, Mass., who has been visiting her sister, Mrs. James Keen, returned home last Friday.

Mr and Mrs J. A. Faust are spending a week in Halifax visiting friends.

Miss "Vic", Cormier, of Weymouth, was in town on Wednesday enroute to Saint John to attend the Exhibition.

Ralph Comeau, of Weymouth, was in town on Wednesday calling on friends.

Delegation Met Premier On Hydro Extensions

Power Board Superintendent and Contractor Check Figures Construction Estimate. Application Made to Highways Department for Permission to Run Line

"Earnest and sympathetic consideration" was promised by Premier Rhodes at Halifax last week when a delegation from Digby County were in Halifax to interview the government respecting the placing of cables as a government undertaking to carry hydro to Long Island and to Westport.

The delegation included Mr. H. Marshall, chairman of the Digby County Board, Mayor Lynch, of Digby, who is chairman of the Board of Trade special committee on Hydro, Mr. E.C. Bowers of Westport and Mr. Byron Blackford, of Tiverton. They were accompanied by Mr. W. H. Farnham, M.P.P., for Digby.

The time appointed for their interview was unfortunate. Mr. Harrington had been admitted to hospital just previously and Mr. Walker was obliged to be in Amherst at the funeral of his father. Mr. Blac k was in Cumberland on departmental business and other members of the government were also unavoidably absent. The only member attending the conference were premier Rhodes and the Attorney General, Mr. Hall.

The delegates placed before these gentlemen the progress which had followed the inauguration of the Digby County Power Board hydro service and details as to estimated consumption and cost of installation of the necessary transmission and distribution lines. In this they were seconded by Mr. Farnham and on the whole left the conference fairly well pleased with the reception given their plea and with fair hopes of action on the part of the government. A meeting of the members of the government will be held during the next ten days and the matter will be placed before it by Mr. Rhodes.

Yesterday application was made to the Highways Board at Halifax for permission to run the lines, with a request that the Department define the side of the road on which the pole line should run and give a ruling in the case of a rural telephone line now constructed to down Digby Neck to Westport. During this week the Power Board's engineers have been making a preliminary survey of the route and on Wednesday Mr. Walter I. Snook, contractor was over the route preparing a check-up estimate of construction costs in cooperation with the Board men.

When a decision is reached in the laying the cables across the passages the detail of information necessary to prepare a call for tenders will be all ready and work can be started almost immediately.

While a feeling does exist that this matter has been delayed longer than was necessary, but consideration of the whole circumstances will show that no other action was advisable. To ask the government to undertake the laying of cables across the passages, or to ask present guarantors of the Power Board Bonds to guarantee further extension before the results of the present undertaking had proven the wisdom of undertaking the proposition at all would have been unwise and have led to criticism. Now the matter of extension can be pro

ceeded with. The Power Board has results to prove their case, has a statement of costs and earnings on which to base their application to the government or the municipalities and has a balance sheet to show to intending investors that will place their bonds in a good position and generally expedite the full development of the Sissiboo power project.

TALK OF THE TOWN

Mrs Paul Yates left on Wednesday for Saint John to attend the Exhibition.

Thirty three guests at Harbor View brought their visit to Digby to an end on Wednesday and left for their various homes in other parts of the continent.

Vaughan Groom who has been a guest of Mr and Mrs W. A. Burrell at Deep Brook, left on Thursday for Wolfville to attend Horton Academy. Miss Burrell, who is also a student at the University preparatory school also left yesterday to resume her studies.

Mrs Emma Madden who has been visiting her sister Mrs E. MacAlona and Miss E. Adams left for Weymouth on Tuesday to visit her sister Mrs Mary Beaton.

Mr and Mrs B. Blatt, of Revere, Mass., are visiting the latter's parents Mr and Mrs M. Webber.

M. McKinnon, of Weymouth, spent Sunday in town with his family.

R. H. Ward, organizer for Grand Division, Sons of Temperance, of Nova Scotia is in the county on an organizing tour. He is at present spending some time in the villages down Digby Neck where there is an active disposition to revive the Divisions which formerly existed in that section and which were such useful educational agencies among the youth of the County.

Miss Norma Fisher of Halifax has returned home after spending a week of her vacation at the home of Mrs James Rice, Smith's Cove.

Dr. H. L. Roberts and Mrs. Roberts and their children leave on September fifteenth on a visit to the United States. They will be away for probably three weeks.

Miss W. Dorothy Woodrow, of Cambridge, Mass., is expected to arrive in Digby today to visit her grandmother, Mrs. E.B. Woodrow, Montague Row.

Wm. Howe R. Turnbull, Ph.G.G., arrived here on Monday from Brooklyn New York, to visit his parents, Mr. and Mrs. John O. Turnbull, Lighthouse Road.

Miss E.C. Sollows was in town on Thursday enroute to Tiverton after a weeks visit with friends in Saint John.

On The Cash

Mr Gerald Tupper, ledgerkeeper at the Royal Bank branch in Digby, is receiving congratulations on a deserved promotion. He was promoted to the "cash" this week.

Mr Tupper entered the bank as a junior two years ago and his courtesy to customers and attention to his duties has won for him an earned advantage in his chosen profession.

Gifts for the County Home

Mr. and Mrs. Bernard H. Levy and Mr. and Mrs. Henry Kensington and daughter have been visiting at Beneva Cottage, Brighton for the summer. They have now returned to their homes in New York. Before leaving Mr. Levy, who by the way is a barrister in New York left a gift of money to purchase a treat for the inmates of the County Home. This act of thoughtful consideration for the unfortunate is one which is highly appreciated by Superintendent Thomas and his assistants.

Donations to the Digby General Hospital

The Hospital Board acknowledge with thanks the following contributions:

Collected by Mrs. McPherson, Annapolis, from the guests of the Queen Hotel and residents of Annapolis the following:

- 1-2 doz tumblers
- 14 doctors towels
- 12 heater covers
- 12 ice cap covers
- 1 toilet paper hanger
- 2 soap shakers
- 1 towel rack
- 1 tumbler holder
- 3 ice collars
- 4 cup towels
- 1 large jar for dressings
- 6 face cloths
- 1 electric iron
- 7 head slings
- 1 electric heater
- 21 baby napkins
- 1 kitchen mop
- 1 O Cedar mop
- 1 nickel tea kettle
- 8 agate pie plates
- 2 cake coolers
- 2 dressing sheets
- 4 baby's head shawls
- From Mrs Price bureau scarf
- From Mrs. Foster 1 erls blanket
- 1 bureau scarf
- 6 orange glasses

THE DIGBY WEEKLY COURIER.

An Independent Newspaper devoted to the interests of the town of Digby and surrounding country

THE DIGBY PRINTING AND PUBLISHING CO., LTD.

ROBERT C. MILLS
Managing Editor

FRIDAY, SEPTEMBER 9, 1927

The Tourist and the Grocery Man

Mr. A. R. Turnbull has taken exception to some of the theories propounded in the Courier's discussion of the value of tourist business to Digby and to Nova Scotia. He joins issue with those who say that the tourist business means little or nothing to Digby and from an experience gained in a thorough training in the grocery business says that the tourist traffic this season and every season since the first bunch of tourists did a modern Pilgrim Fathers act at the old D. A. R. station, has meant much to the business houses of Digby. He admits that in some lines of business the direct benefit

of the tourist business may not be apparent, but is inclined to stake his reputation as a critic of business and business methods that not one of the stores in Digby would be as well fitted up with stocks and as prepared to give every sort of merchandizing service as they are today if the tourist business was not of such extent that it at present enables the stores of Digby to carry lines and quantities which, if they had to depend entirely on local demand, they could not do.

Just what the tourist business means to Digby may be illustrated by quoting a few figures, given the Courier by another business man. In August of 1924 his cash receipts, money paid over the counter, totalled slightly over \$300. In August 1927 the cash taken over the counter totalled \$1268.73, an increase of more than 250 per cent. in three years. This increase is due entirely to the increase in tourist traffic and every business in Digby, not excepting the Courier, has benefited in direct proportion of the increase volume of tourist traffic and tourist business.

When it comes to hard facts as to what the tourist business means to Digby the Courier has its own business to experience to go by. The amount of new business, sub-

scriptions, advertising and paper sales, attributable to the tourist traffic is greater than would seem possible, and we are prepared to contribute a percentage of the amount to a general publicity fund to be used to exploit Digby's attraction as a tourist resort. If every merchant, hotel keeper, boat owner and caterer in any way to the tourist business would compute his actual earnings from the tourists and contribute a set percentage of it towards a general publicity fund there would be no lack of cash to conduct a proper campaign of publicity for the next tourist season. This is proposed as a suggestion as to one good way of creating the fund. If anyone can suggest a better we are prepared to back it and boost it until it is taken up by the proper authorities, the Town Council or the Board of Trade or any other competent body, and its details worked out.

A Lesson for Nova Scotia

At Toronto on Thursday, as a feature of the National Canadian Exhibition, thirty swimmers competed for a prize of \$30,000 offered by the manufacturers of the internationally famous Wrigley's Spearmint for a swimming race in Toronto Bay.

It is safe to say that a million people witnessed the event.

There is a lesson for Nova Scotia in this competition. A lesson that, if we learn it and profit by it, will bring us more returns than can possibly accrue to Wrigley's from their wonderful publicity stunt.

The Wrigley Company, months ago, offered a prize of \$30,000 for competition at the National Exhibition. They spent another \$10,000 or maybe more in advertising their offer and as a result at every swimming meet, wherever sports gathered, East, West, North, South in every quarter of the world, people, potential customers of Wrigley's talked of the Wrigley Prize.

For several years Nova Scotia has gained valuable publicity from the schooner races held yearly off Halifax. The name of the winning vessel is a household word in Nova Scotia and it is apparent when one visits other parts of Canada that the Bluenose is as much a national as a provincial figure. Visitors from Ontario, writing to inquire of train service and roads became confused because they were told they could take the Bluenose from Digby and reach Halifax in time for supper. They know the Bluenose as a racing schooner, and can't quite see how it could make the time.

All the foregoing is incidental to the proposal which is made that as a publicity stunt, to advertise Nova Scotia to all Canada, the provincial government should next season charter the Bluenose and a sister ship and send them up to the National Exhibition at Toronto. To send one schooner would not be a feature, because it is as a racing vessel that the Bluenose is known and it is as a racing vessel that she will be an attraction. What better advertisement for the resources of Nova Scotia fish and other products could be conceived than to send the Bluenose and a sister ship all rigged out in working trim, to the National Exhibition as representatives of Nova Scotia. And while they were there to have them run real races on inland waters. Properly handled the stunt could be developed into a publicity feature that would "sell" Nova Scotia to every visitor to the National Exhibition.

It would cost a lot of money, but the example of the Wrigley Company in spending \$40,000 to advertise a five-cent package of gum should be sufficient example to warrant the outlay on the part of the Province of Nova Scotia.

Is a single corporation bigger than the province of Nova Scotia? Is chewing gum more worthy of advertising than the fisheries, the scenic attractions and the natural and other resources of this province? The cost would be justified as a means of promoting the tourist industry, and apart from that the visit of actual fishing vessels to the

No More Indigestion

After Mrs. Monette Took "Fruit-a-tives"

MRS. O. MONETTE

There's comfort for all who suffer from indigestion in this grateful note written by Mrs. Omer Monette, Montreal: "I hardly dared take 'Fruit-a-tives', fearing my dyspepsia wouldn't vanish," Mrs. Monette frankly confesses, "but finally took two boxes. Now I eat well and recommend 'Fruit-a-tives' to all my friends as the best remedy for dyspepsia." Mrs. Monette expresses the sentiment of thousands of people whose digestions came quickly back to normal under the healing influence of "Fruit-a-tives".

This wonderful medicine is a combination of intensified fresh fruit juices and tonics. Indigestion and biliousness often are due merely to lazy bowels, liver and kidneys. "Fruit-a-tives" overcomes these conditions gently and naturally. Get a box from your druggist, 25c or 50c. Relish your food again as Mrs. Monette does.

Great Lakes, coupled with proper follow-up publicity, measures on the part of the Maritime Fish Corporation, the National Fish Company and all the other shippers of fresh and cured Nova Scotia fish would do more to promote the consumption of fish in Western Canada than is expected by the most optimistic believer in the success of the Royal Commission which is to investigate the Nova Scotia fisheries.

Conservative National Convention In Winnipeg on October Tenth

The conservative convention will open in Winnipeg on Monday, October 10 in place of October 11. Official announcement of the change in the date was made at the conclusion of a meeting of the National Committee organizing for the meeting.

The reason for the decision to open the convention on October 10 it was said, was to afford ample time for deliberations on account of the increased interest manifested at the gathering.

The next meeting of the national executive committee will be held on October 7 at Winnipeg, a few days previous to the rally.

The agenda for the convention will be prepared by the organization committee, for approval of the full committee.

Leading representatives of the Conservative Party from coast to coast, were present at the meeting which was held in camera and members of the committee from Winnipeg reported that "the best men in Winnipeg would be available for those attending the convention." A series of social functions, declared members of the Winnipeg committee, were also being arranged.

Plans of the seating accommodation for the convention, placed before the national committee, show space for the seating of sixty on the platform, over 2,000 delegates on the floor of the hall and 4,500 seats for the public. A special arrangement for the seating in boxes of an additional six hundred guests is also made.

Annual Meeting of Game Association Protests Killing of Cow Moose

The second annual meeting of the Game, Fish and Forest Protective Association of Western Nova Scotia was held at Annapolis last Thursday and attended by a large number of enthusiastic sportsmen.

President D. B. Hemmeon, of Wolfville was chairman of the meeting, and as A. G. Guest, of Wolfville, Secretary, was unable to attend, Rev. A. W. L. Smith was appointed Secretary pro tem.

After welcoming Attorney General Hall, Hon. J. C. Cahan, of Yarmouth; G. Nowlan, M. P. P., of Kings; H. T. MacKenzie, M. P. P., and others, Mr. Hemmeon spoke briefly on the fishery question and the discussion now before the public, on the open killing of cow moose and does, and also touched on the subject of the proposed game sanctuary.

The secretary then read the minutes of the special meeting, held at the Court House in Digby, on July 20, and the matter of game sanctuary was fully discussed.

L. C. Gardiner asked the Attorney General to give reasons why boundaries as defined at a meeting in 1925 were changed, and Mr. Hall stated that certain representatives present at the interview have objected, as more hunting territory was taken from Queens and desired to hear other opinions.

Clarence Burrill, V. J. Potbier, Geo. Blackadar, A. M. O. Gold, W. G. Clarke, A. M. Gates, B. Annis, A. W. L. Smith and others compiled and after Frank Dittmars had defined the objection in the northern boundary, a final resolution was moved by G. Blackadar and seconded by L. C. Gardiner as follows:

"That the boundaries recommended be the original boundaries, as agreed upon by the Game Association, at its November, 1926, meeting and signed by all present, but with the following changes in the northern boundary: From the southern end of Poplar Lake, to the southern end of Moose Lake, thence to the northern end of Flagstaff Lake, thence to the northern end of Oakland Lake."

The burning question of the meeting was the open season for the cow moose and a spirited discussion took place, indicating that the sportsmen were against the measure. Mr. Hall offered an explanation of the matter, and Otto Schierbeck, A. M. O., Gold and Game Warden Harold Verge spoke in favor of it.

G. Blackadar, W. G. Clarke, C. Tupper, Clarence Burrill, B. Annis, Rev. A. W. L. Smith, Dr. L. D. Lovett and Horace Munroe were most emphatically against it, and W. G. Clarke, one of the oldest sportsmen present, wished to go on record as saying that unless Providence intervened and the first ten days of December were cold and frosty, with bare ground, the slaughter of moose would be appalling.

In Mr. Schierbeck's address he announced that licenses could only be used by Game Wardens and Fire Rangers, in their special dis-

Now packed in Aluminum.

RED ROSE TEA "is good tea"

Your grocer knows when you order RED ROSE ORANGE PEKOE you are a judge of fine tea.

stricts and only one license would be issued to a family, whether there was two or six in that family old enough to hunt.

The following resolution was then passed:

"Whereas, in the opinion of this Association, by Section 112 of the Forest and Game Act, the Government has the power to render in-

operative the regulation permitting the killing of cow moose and does, this December, 1927.

"Resolved that we earnestly request the Governor in-Council to take such action as will prohibit the killing of any moose or deer, this year 1927."

At the close of the discussion, votes of thanks were tendered to continued on page 5.

3 years from today You Will Know

YOU would require three years of arduous day-to-day driving to know as much about Chevrolet performance and endurance as the General Motors Proving Grounds brings out in a few months.

There's strength—stability—ruggedness built into every inch of the Chevrolet Chassis; into its beautiful body by Fisher; into every detail of its powerful engine. After years of trouble-free driving, you will know that Chevrolet has added to its economy, its smoothness, its power and its beauty, the greatest measure of Strength and Endurance ever possessed by any low-priced car. Ask your Chevrolet dealer for a demonstration.

Assiniboine--the Greatest Achievement of the Trail Riders

1. Mount Assiniboine where the Trail Riders camped for two days. 2. Col. Phil A. Moore, Leader of the Trail Riders.

Mount Assiniboine, one of the most magnificent peaks in all the Canadian Rockies, has been definitely placed on the tourist map as a result of the recent annual expedition of the Trail Riders, who have just completed their most ambitious ride.

The Assiniboine district is considered by the few that have visited it, to surpass in beauty anything in the mountains. The mountain itself, which is frequently referred to as the "Matterhorn of the Canadian Rockies" towers many thousand feet above the surrounding alps and little lakes which are set like jewels among the hills. It was discovered less than two score years ago, but has only been known heretofore to the more adventurous mountaineers.

This year's Trail Ride has proved that Assiniboine and the wonderful country surrounding it, is accessible to almost anyone.

The Riders, who left Banff on August fourth on the highest, longest and most interesting ride in the history of their organization, broke new trails into an almost unknown country. The route they took has been unused for more than twenty years and lies over a pass 9,000 feet high which had been crossed by very few people and no women. The first camp was made on Brewster Creek and the next day's ride was taken over a pass 9,000 feet in height on a trail which was specially re-cut this year for the annual Trail Ride by the Commissioner of Parks. On their way to Assiniboine, which was reached on the evening of the second day, the Riders travelled well above the timber line.

At the very foot of Assiniboine's mighty glacier on the shores of the sapphire Lake Maggy, they made their second camp, where they were received by the Marquis d'Albizzini who has opened up a new Dule Ranch at Assiniboine, and who catered for the Trail Riders during their stay there. The stay lasted two days, while the Riders explored the surrounding country; artists hid themselves to the heights with their easels; the energetic essayed the lower slopes of Mount Assiniboine while others contented themselves with glimpses of lake and glacier from lower levels.

The return route lay through the wild and weird monoliths of the Valley of the Rocks, a barren desolate

Skin Is Now Clear Had Disfiguring Eczema

Two letters which tell how Dr. Chase's Ointment has cleared the skin of Eczema.

It is not unusual for people to use pleasant smelling salve and lotions for the relief of the skin with the idea that they have medicinal value. This is of course a mistake. Dr. Chase's Ointment is a medicinal preparation which is composed of the most effective ingredients known to science. For this reason it is looked upon as the standard treatment for eczema and similar skin troubles.

Mrs. Sadie Wald, Lenoirville, Que., writes:—

"My little sister's face was all covered with eczema, which even spread to her ears and was just a mass of running sores. We tried several kinds of salve, but without success, until we saw in Dr. Chase's Atlantic several testimonials up-

holding your Ointment as a relief for eczema. After using a couple of boxes, she was entirely free from sores, and thanks to the Ointment, her face is left without any disfiguring scars."

Miss Clara Yates, Bolton Centre, Que., writes:—

"I had very stubborn little sores on my face, for which I used Dr. Chase's Ointment, when the sores entirely disappeared. Dr. Chase's Ointment is the only ointment I would dare to recommend. I have also used the K. & L. Pills, which I found very beneficial."

Dr. Chase's Ointment—50 cents per box, all dealers, or The Dr. A. W. Chase Medicine Co. Limited, Toronto.

NASH

Leads the World in Motor Car Values

Over

17,000 cars
in August...

Greatest Month

in all Nash history

Daily gaining tremendous momentum, the sales of the new Nash models at new LOWER prices are eclipsing all past records in Nash history.

August sales drove far above the biggest previous single month of business the Company has ever known.

September is racing toward another new high record.

It is a success that is a national sensation.

These new Nash models

3
New
Series
New
Lower
Prices

have phenomenal **SPEED** and **POWER**. They have the super-smoothness of the 7-bearing type of motor.

They are the **EASIEST** riding cars you ever rode is because of their new springs built by a secret new alloy steel process.

Just **DRIVE** one! There are 21 new Nash models. They are all **SIXES**—with 7-bearing motors. And at their new lower prices they're the market's greatest values.

DIGBY MOTORS

Annual Service At Old Loyalist Church At Clementsport

The annual decoration and Memorial Service of the old Saint Edwards Church at Clementsport was held last Wednesday afternoon, the service commencing at three p.m. and continuing throughout the afternoon.

The officiating clergy were as follows: Rt. Rev. John Hackenley, D.D. Coadjutor Bishop of Nova Scotia; the Very Rev. F.V. Vroom, D.D. Archdeacon of Nova Scotia; Ven. A.W. Watson, M.A., diocesan Secty.; Halifax; Canon W.H.S. Morris, Canon All Saints Cathedral.

Deanery of Annapolis—Rev. Canon Underwood, Bridgetown; Rev. Rural Dean Driffield, Digby; Rev. Robert Neish, Granville; Rev. J.D. Townsend, Round Hill; Rev. S.J. Woodroffe, Annapolis Royal; Rev. Morris Taylor, Weymouth; Rev. Robert Miller, Middleton; Rev. John Lockward, Former Rector of Clementsport; Rev. A.W.L. Smith, Clementsport.

The programme was of a memorial nature opening with hymn No. 566—"O Lord Our Help in Ages Past." The address was given by Right Rev. John Hackenley, D.D., Coadjutor Bishop of Nova Scotia.

The congregation then proceeded to the old grave yard where they decorated the graves, during this part of the ceremony the hymn No. 592, "On The Resurrection Morning" was sung by all.

The Deanery Picnic then followed on the lower part of the church grounds and several addresses were given by laymen and clergy.

Saint Edwards Church was first built in the year 1786 by a group of the United Empire Loyalist and concentrated in 1788. The original builders were Waldarians who were hired as soldiers by the British and after the war were given land to settle at Clementsport and what is now Walde Line. The Church was originally Lutheran Congregation has died out and the Anglicans bought it during the first half of the nineteenth century. The Anglican people have a fine new church at Clementsport now but hold an annual memorial service in the old Saint Edwards Church.

Borden's EAGLE BRAND
CONDENSED MILK

Free to Mothers!
Write: The Borden Co. Limited, Montreal, for Feeding Chart and helpful Baby Welfare Booklet.

Helpful Baby Book

We have just received a booklet, "Baby Welfare," which is one of the most interesting and instructive we have seen in a long time. It has chapters on pre-natal care, Feeding of Baby, Bottle Feeding, Supplementing Breast Feeding, Diet After First Year, Food Formulas, Sleep, Fresh Air, Exercise, Bathing, Clothing, Baby's Weight and Measurement; with sundry hints as to safeguarding of baby's health against common ailments. There is also a page devoted to Baby's Biography, which should be an interesting record of the little ones activities when it is filled in, and a Weekly Record for Baby's Weight and Height, which the mother can fill in. In the introduction the publishers say that they have purposely omitted suggestions pertaining to medical treatment, knowing that such a thing is far from light. The hours long and weary. Your presence made so bright. We miss your smile, so worth while. When everything went wrong. We miss you everywhere.

Memorial

In memory of William E. Handspiker, who died September 3, 1923. We are trying so hard without you. Our task is far from light. The hours long and weary. Your presence made so bright. We miss your smile, so worth while. When everything went wrong. We miss you everywhere.

Lovingly remembered by his daughters

Mr. and Mrs. Walter Johnson and children were the week end guests of his parents, Mr. and Mrs. George Johnson at Waterford.

Mrs. James A. Handspiker spent this week with relatives and friends in Port Lorne.

Mr. and Mrs. Reginald Jefferson and daughter of Middleton spent a few days last week with their parents Mr. and Mrs. W. Jefferson.

Edward Cohoon of Boston, is the guest of Mr. and Mrs. W. Jefferson.

William Silman and daughters, Florence and Rose have returned to their home in Waltham.

Max Rice of Milford Corner spent a few days last week with his sister, Mrs. Charles VanTassel.

Mr. and Mrs. George VanTassel and party spent a day last week in Yarmouth.

Mrs. Mary Milburn has returned to her home in Moncton, N.B.

Mr. and Mrs. Valentine Pulley and daughter, Muriel, of Mount Pleasant spent Sunday and Monday with relatives in Greenland, Victoria and Bear River.

Culloden

Mr. and Mrs. William Ross have gone to Boston to visit relatives and friends.

Miss Mildred Daley has returned home after spending the summer months in Digby.

Mr. and Mrs. William Daley and family spent Sunday in Brighton with Mr. and Mrs. Handfred Daley.

Misses Beulah Middleton and Frances Campbell have returned home after spending the summer in Bay View.

Our school opened last week with Miss Clarke of Lower Grandville as teacher.

"Liquid Sunshine"

Sunny Ceylon is reflected in the golden color of your cup of King Cole Tea. Rich and mellow in flavor—insistent. If you want the "Extra" in your Tea, ask your grocer for King Cole Ceylon Tea.

By The Sea

The sea with its restless, heaving, has ever held for humanity at large, a fascination, luring men on to see what lies on the other side. As in the times of the daring Vikings and Christopher Columbus, it ever draws them on to seek adventure on its broad bosom, its very restlessness and vastness seeming to touch an answering chord in man.

Poets have sung of the sea and famous writers have written thereof, all endeavoring to convey to us some of its varying moods. The sea has a mood that seems to fit every man and it is its own best interpreter of that mood. To him who, these weeks past, has seen the rhythmic action of the waves and the vastness, seems to soothe the irritated nerves, while to those to whom action and business appeal, it strikes a responsive note.

As an ideal place to enjoy the offerings of the sea, Pictou Lodge, situated at Bay View, near Pictou, Nova Scotia, is owned and operated by the Canadian National Railways, provides all that "one could wish for here," and the shade of the pines, one may linger and watch the never ceasing ebbs and flows of the sea while to those seeking more active, abundant opportunity is presented the chance of a boat trip. A delightful full short sea trip may be had to Pictou town, a distance of about fifty miles. Yet another delightfully exciting trip is had to the Magdalen Islands, which are very delightful and well worth a visit. A very fine golf links is available to guests at Pictou Lodge and a fine beach for fishing may be secured in the vicinity close by. Pictou Lodge has a most comfortable

soft beds which afford ample opportunity for bathing. A unique feature is a freshwater bath on direct in front and separated from the salt water by a narrow sand bar.

Pictou Lodge consists of six four-room suites, each with its large fireplace and sitting room, and a Bachelor Bungalow, six rooms. The general or main hall contains the dining room, dance hall and central lounge. The cuisine is excellent, being Canadian National standard and the appointments are of the best.

Pictou Lodge is easy of access by the lines of the Canadian National Railways and a commodious bus meets all trains. The nearest Pictou Lodge are 36.50 a day, Sunday a week, American plan.

Descriptive literature may be obtained through any Canadian National agent, or by writing Mr. F. W. Robertson, General Passenger Agent, Moncton, New Brunswick, or the Manager, Pictou Lodge, direct. Reservations may be made by writing or telegraphing the Manager.

School opened the 29th of August with Miss Blain as teacher. We wish her and pupils a successful year.

Road making and repairing is the order of the day. Our roads are in a terrible position after the storm, a loss to about all the inhabitants here. Frank McGarvie lost his fish house and others suffered by the storm.

Miss Hattie Stewart and son Irving were recent visitors of her sister, Mr. and Mrs. David Milner returned to their home in Lynn, Mass., Sept. 2nd.

Miss Myrtle McGarvie, of Annapolis Royal, spent Sunday at her home with her parents Mr and Mrs Frank McGarvie.

Will Ingals sons Reginald and Russell, of Turperville, George Bent, Clarence Batton and son Grant, of Granville Centre were recent callers of Mr and Mrs David Milner.

Bay View

Mr. and Mrs. William Condon and family of Randolph, Mass., who motored here to visit her mother, Mrs. Lelaiah Condon have returned to their home.

Hayes Condon and son Eugene, have been guests of Mr Condon's mother recently, also Dr. Huffel of Connecticut and Dr. Fields of Boston.

Mr. and Mrs. Everett Ritcey of Halifax spent their vacation with her parents, Mr and Mrs James E. Ellis. They returned to Halifax on Tuesday.

Miss Miriam Turnbull left on Monday for Harborville, Kings Co. where she has accepted the school.

Miss Marshall arrived on Monday from Kingston to take charge of the school.

Mr. and Mrs. Aubrey Bowles motored from Waterville on Sunday and are spending the week at Mrs. Bowles former home.

Mr and Mrs T. V. Binnmore and little daughter left on Monday for Montreal where they will spend a few days enroute to their home in Long Island, N. Y. Mrs Binnmore and baby have spent the past two months with her parents, Mr and Mrs Alexander Adams.

Roy Hayden, who went west with the harvest excursionists has returned home.

Miss Rhoda Young of Medford spent last week with her cousin, Miriam Turnbull.

Some Questions About Hydro

Editor Digby Weekly Courier:

May I be permitted to express my humble opinion that I believe I am right when I state that in the matter of the hydro electric extension down Digby Neck, it is high time for a show-down. Hundreds of people, residing in the districts from Culloden down to the Islands are wondering why the work has not commenced. There have been all kinds of rumors, and all manner

of promises, but to the people who have the assurance that the lines would be run down the "Neck" this summer, hydro is still in the rumor stage.

Firstly, I wish it to be understood that the tone and expression of this article is designed to be absolutely fair to all concerned. I do not desire to misrepresent or to place in a false light, any public body or official, but as a citizen of the county, and a representative of the people, elected to see that their wishes are carried out, I take the stand that it is my duty to do all in my power to bring this affair to a head.

There seems to be a deadlock, and the information that I have been able to gather is that the Digby County Power Board is prepared to run the transmission lines down Digby Neck if the Local Government will stand the cost of laying cables across the Passage. On the other hand it is stated that the Government will lay the cables if the Power Board will run the lines.

I do not hesitate to take the stand that the Power Board is right

in demanding that the Government stand the cost of laying the cables. The money spent in that direction comes out of the public treasury, and would be used in promoting a public service, owned by the public, who have contributed in taxes the money that is required to do the work that is necessary.

I understand that a large number of names have been added to the petition and that the new industry at or near Digbyville will be a very large user of hydro.

I also understand that a delegation has gone to Halifax to interview the Government on this important question.

I hope that the delegation will return with a message that will be favorable, and that the Government, in their wisdom will realize that those who for years have borne a heavy burden of taxation, whose money has been used for purposes which they in return have received no benefit, will this time at least receive a fair measure of justice. It is time for a show-down.

Three good reasons why
you should purchase
a coat at Wright's

When the average woman
buys a coat there are three
things uppermost in her mind.
Will the coat wear well? Is
it smartly made? Is it priced
reasonably?

To all these questions we answer "yes". Wright's
coats are sturdily built of real cloth, they are made in
the smartest styles and they are very popularly priced.

Is there any good reason why you should not wear
a coat from Wright's?

Two Hundred Delegates Attend Masonic District Lodge

Seven Lodges, Freeport, Bear River, Annapolis Royal, Middleton Bridgetown, Lawrencetown and Digby were represented at the district meeting of the Masonic Grand Lodge held in the Oddfellows Hall here on Tuesday afternoon and evening. Two hundred delegates were present and King Solomon Lodge of Digby was host for the occasion. During the afternoon the first part of the Master Mason degree was conferred by the Past Masters of King Solomon Lodge.

At six o'clock a banquet was held in the downstairs hall at which the ladies of the hospital aid did the catering. The High School Orchestra furnished the music. During the evening the second part of the Master Mason degree was exemplified and addresses referring to masonry were given. The grand officers present were Grand Master MacKay, Grand Secretary J. C. Jones, Grand Senior Warden Dr. F. E. Rice and District Deputy Grand Master, S. S. Aymar.

September Visitors From New York State

Miss Alice Gregory, Managing Editor of the Monroe, New York, Weekly Gazette, and Miss Helen McGrath, of Monroe, have been guests at Lour Lodge since Wednesday and leave today for Yarmouth on their way back to Monroe after a ten day's tour of the Maritime Provinces. They were visitors at the Courier office on Wednesday morning, interested, naturally, to see how things are done in this small town newspaper offices of Canada. They were particularly interested to learn how Digby exploits its tourist advantages and attractions. Their home town is a summer resort patronized by a large number of New Yorkers and Miss Gregory was looking for tips on how their business could be increased. She was surprised to learn that Digby, as a town had spent practically nothing on tourist exploitation this year. "Why don't you?" We have been to St. John for a week, almost, and while it is very nice, we already like Digby better. Our trip was arranged by a booking agency, and we expected to go to the P's, which is closed already. We like Lour Lodge, immensely, and if we had only known we would have had our trip arranged to give us longer here."

During Wednesday afternoon they visited the Golf Links and were surprised to find it so good. Not being golfers they were anxious to get a chance to play tennis, and were glad to learn that there was a Tennis Club.

The business people of Monroe are considering making an effort to capitalize it as a winter as well as a summer resort, and steps are being taken to provide a toboggan slide and open air rinks.

No Scallop Taken on First Day of Season

The scallop dragging season opened yesterday and a large number of boats went out early in the morning. Weather conditions were unfavorable, with a heavy swell running. It is reported that none of the boats put their drags over.

During the early part of the week boats of the fleet were being given final overhauling in readiness for the opening of the season and when the haul was lifted all were in readiness.

Weymouth Vessel at Bangor After Rough Passage

The tern schooner E. P. Theriault, Captain Bo-the Doucette, of Weymouth, with salt from Grand Turk, has arrived at Bangor, Me., to discharge and repores very bad weather on the trip. At times those on board imagined they would never see Bangor.

The schooner got away from Grand Turk on August 11 and had a good run until the 25th, when off Nantucket a breeze sprung up, growing to a hurricane. The schooner took a dive that carried away the jibboom, the stays holding and snapping the foretopmast ten feet above the cross-tree. The gale came up so sudden that there was no time to reef the mainsail and it was blown to ribbons, and a new forestaysail went too, and the forestay was badly ripped.

Oilbars were rigged out and it was a case of scud under bare poles when the gale hauled to W. N. W. and blew harder than ever. Capt. Doucette was lashed to the wheel for five hours. The decks were swept and a sea lifted the longboat so that the stern tackle was unshipped but a sailor managed to hook it up, when another sea lifted the boat back on the chocks.

The terrific seas twisted the billet head, scraped the paint about all off above the waterline and washed the decks clear of everything not lashed. The schooner remained tight and not a drop of water got into the cargo. Captain Doucette says it will cost around \$2,000 to repair damages, but has insurance.

FRIDAY, SEPTEMBER 16, 1927

The Motoring Tourist

Here in Digby we sit and sigh for the "good old days" when a few hundred summer visitors came along towards the latter part of June and stayed all summer, or quite a part of the summer. In retrospect we think of them as having arrived with bag and baggage along about June 30th and sticking right here until the swallows went south. Actually it is hardly likely that they did any such thing. Some of them of course did, just as some of them still do; but it is a safe bet that many of the visitors who spent their vacations in Digby in the days before the automobile revolutionized modes of transportation, were people who like ourselves and a great many of this summer's visitors to Digby, had two weeks to pack a whole year's pleasure into. When a fortnight was up, including allowances for travelling, here and home again, they were again at their desks or their duties. The "good old days" like all such, were not so good after all. Even if they were, they are gone, never to return again. The automobile is a factor to be reckoned with, and it is up to us to figure out if we can capitalize our attractions in such a manner as to draw the motoring tourist. The motoring tourist spends a large amount of money. There is some thing about motoring that relieves the mental strain on the pocket book, or perhaps it is that people who come here in cars have the money to support one. At any rate, the trade we get in Digby from motorist is larger than we give ourselves credit of getting.

To mention one particular instance. On a perfect day in July two visitors from Toronto arrived in Digby on the Empress. It reached here on time, at ten thirty. By two o'clock this couple were on their way to Annapolis. They left here and have not been back. While here they took a drive around the streets, up over the golf links and had lunch at the Pines. A

good lunch, one which was remembered and which had something to do with the pleasant recollection of Digby which has made them plan to return here again next summer. They were in Digby less than four hours and while here spent—would you believe it—\$17.00. Four dollars an hour for every hour they were in Digby. Digby caters to tourist business, got it all. How much is the motorist who comes down this way on his motoring vacation worth to Digby? A lot more than we take credit for. It is about time we forgot about those "good old days" and devised means of getting more motorists. Ask any of the stores in Digby what class of tourist gives them the most business and they will tell you that it is the chap who has a car, who does not stay in Digby, but is perhaps passing through, or perhaps is located at a rural resort, that gives them the most business.

It is all nonsense to say that the automobile has spoiled Digby as a tourist town. It has not. If it has any effect it has "made" Digby, and we ought to realize the possibilities which the tourist business offers for development and exploitation, and right this season, before the lessons of the summer are forgotten, prepare a plan on which to develop our publicity campaign for the next two or three years. The tourists took \$31,000, 000.00 into Ontario in one month this season. The motoring tourists did that, and we in Nova Scotia are sighing for the days when folks used to come by rail, stay a few days or a few weeks, and start back again without ever having seen more than the smallest part of our wonderful country.

It is a safe bet that there are still more people travel by rail than by automobile, but at that, the motorist is a big item in the tourist business and the garages, the service stations, the restaurants and tea rooms are all in business simply because the automobile has made conditions favorable to their particular line of service.

There seems to be an inclination to ask the authorities to prohibit Trans-Atlantic Aeroplane flights, on the ground that they are a wasteful use of life. There is at present a law against suicides which might be invoked. At the same time, if real development of commercial flying is to come we must borrow rather than discredit the pioneers. What is required is not prohibition of ocean flight, but government assistance and protection for the flyers.

Notice To Advertisers

Following up its policy of service the Courier has made arrangements for the Meyer-Both advertising Cut Service, beginning the first of this month. The service includes illustrations for every variety of business and in each bulletin are a number of ready written advertisements which need nothing more than the name of the store to make them all ready to use as "Copy"

The illustrations are of seasonable merchandise, and guaranteed seasonable in style and general outline. The Meyer-Both company retains a staff of fashion experts as consulting counsel in the preparation of their advertising in order to make certain that the advertising illustrations will be of newest styles.

A Record Year

With the advance of Autumn, the "peak" of the tourist season is passed, and Nova Scotians may now take stock of the record for 1927—and the prospects for succeeding years.

The Yarmouth Herald sums up succinctly when it says:

"That the business of this Province along tourist lines show a big increase over previous years, is readily conceded, and all fair-minded persons will admit the prosperity of the Province therefrom."

It is, of course, a matter of official record that the 1927 season has been a banner one for tourist travel in Nova Scotia. Any statements to the contrary are only so much propaganda. The influx of visitors this Summer has been very large, far beyond anything previously observed.—Halifax Herald.

Appreciation—Of The Nicest Kind

A former subscriber to the Courier, who had decided that he didn't want the paper any longer, and a month ago wrote to cancel his subscription, has written to the Editor.

"Enclosed find my cheque for subscription to the Courier. May I add myself to the large number of your readers who have congratulated you upon the improvement in the Courier?"

Needless to say we are pleased with the nice words, and particularly with the new subscription order.

Home On A Visit

Mr. Earl Winchester, of the steamer Calvin Austin, accompanied by Mate D'Entremont, were guests of Mr. Winchester's parents, Mr. and Mrs. William Winchester last week. The Calvin Austin was on her last trip to Saint John for the season and before going back to Boston to pay off Mr. Winchester came over to visit his home folks. From Boston he goes south again and will probably ship in a tanker plying out of Gulf of Mexico ports. This was his first visit home in two years.

Two New Scallop Boats Will Operate From Centreville

Messrs Albert Peters and Alton Graham, of Centreville have purchased a fully equipped scallop boat from Grand Mannan and are going to drag the beds off Centreville. Mr. Peters brought the new boat over from Grand Mannan last week.

William Gidney has fitted up a small scallop, a boat owned by Ira Blinn of Bellevue's Cove and will operate her on shares.

A recent issue of the Electric News discusses electricity as a fire hazard. The most common cause of trouble is the practice of putting a coin in the fuse plug in place of a proper fuse. A blown fuse, says the News is a sign of trouble, to replace the safety plug with a copper coin is not removing the fault, only risking a fire.

Yarmouth-Boston Service
Three Round Trips Weekly

The Boston & Yarmouth Service will be reduced to three round trips a week after Monday, September 19th, starting from Yarmouth Saturday, September 17th, SS "Yarmouth" in commission.

The schedule will be:
FROM BOSTON, SERVICE STARTS MONDAY, SEPTEMBER 19TH.
Leaves Mondays, Wednesdays and Fridays, 1:00 P.M.

FROM YARMOUTH, SERVICE STARTS TUESDAY, SEPTEMBER 20TH.
Leaves Tuesdays, Thursdays and Saturdays, 6:30 P.M., Atlantic Standard Time.

Another Society

Acting on the suggestion of Dr. Hayes, of Halifax, Provincial Commissioner for Tuberculosis, an organization to be known as the Digby Municipality Council is being formed in Digby. At a preliminary meeting held last week Dr. DuVerne was elected as President of the new organization and Mr. Lockward as Secretary-Treasurer. The aim of the new society will be to carry on a campaign of education against tuberculosis, to present to all classes of people facts which will enforce upon their attention the seriousness of the disease and prevalence in Nova Scotia and to assist in the raising of funds to provide for the work being carried on against the disease.

A general organization meeting will be held in Digby in the near future, when it is hoped that a large number will identify themselves with the Council and assist in the colossal task of wiping out the plague.

Recent press dispatches say that the American fishermen are going to hold a series of salmon races off Gloucester this Fall, and pick the winner to race a Nova Scotia vessel off Halifax. That seems to put it up to the Lunenburgers to prepare to defend their reputation.

WRIGLEY'S
JUICY FRUIT
is the flavor of fresh, ripe fruits.
It is beneficial, too, cleansing mouth and teeth, soothing the throat and helping digestion.

After Every Meal

Benefit Bridge for Hospital:
At Harbor View Casino

A pleasant and profitable last of the season function, taking form of a Bridge in aid of Digby General Hospital, was held at the Harbor View Casino on Friday evening. Including a number of Digby people guests attended to make up twenty-four tables of Progressive Bridge and Forty Fives. Fifty dollars, odd, has been added to the funds of the hospital by this means and all who attended had an enjoyable evening.

At the close of play a pass around lunch was served by a committee of the ladies of Smith's Cove under whose auspices the entertainment was provided. Following this Mr. Lingley announced the prize winners and presented the emblems of success and consolation.

Prizes for Bridge were won by Miss Hayden, Mrs. H. L. Williams, Miss Carty, Mr. H. L. Williams, Mr. B. A. Marshall. Prizes for Auction Forty Fives were won by Mrs. Taylor, Miss Phillips, Mr. Shortliffe, Mr. McInnis.

Modern Business College
Opens With Largest Attendance in History

The Modern Business College, Saint John, opened for the Fall Term with the largest attendance in the history of the institution.

This school was established only 7 years ago and it is a remarkable tribute to the efficiency of the training there offered that it has already grown to be the largest business training organization in the Maritime Provinces.

This year the student rolls include names of young people from many places such as Cape Breton, Berwick and Parrsboro, N. S., Bathurst, Edmundston, Centreville, Fredericton, Doaktown, Minto, several centres in Victoria County and nearer points.

The school is open all year and students are admitted at any time. There is also a branch at Moncton under the name Success Business College.

Package

KING COLE TEA

With all its goodness sealed tight in the clean metal-foil package, King Cole comes in perfect condition to delight you. Your grocer can supply you.

The Digby County Exhibition

In a recent number of the provincial government's press bureau sheet appeared a list of various county exhibitions, showing the dates on which they would be held. Following the name Digby were the words: "date to be set". Indications are that the date will be set next year, or perhaps the year after.

The Pines Closed

The D.A.R. Summer Hotel, The Pines, closed on Monday for the season. A number of guests at the hotel who intend remaining longer in Digby have taken up quarters at hotels which remain open later in the season. On the whole the Pines has had an excellent year, equal to expectations in spite of a number of cancellations in the early part of the season.

THE COURIER IS \$2.00 A YEAR

Now balanced tread with own unique cross of grooves over entire surface with Gum-dipping process—eliminating water absorption. No pig separation or "shoulder breaks" extraneous ridges. Firestone tires can be repaired in the additional thousands of miles.

Cross Section of a Firestone Tire "Built for Service"

Cross Section of an Ordinary Tire "Made to Sell"

Enjoy the Comfort, Safety and Economy of Gum-Dipped Tires

The sections of tires reproduced above are a part of the Firestone Dealer program. Study these two sections and you, too, will understand what Firestone means by tires built for service and tires made to sell.

The Firestone Gum-Dipped Balloon Tire with its scientifically designed tread permits free flexing, easier riding, extra comfort and safety, while the gum-dipping process gives it the wear-resisting properties that give thousands of extra miles.

The ordinary balloon tire with heavy flat tread design is obviously stiffer and rides harder. The excess rubber, placed for appearance at the edges of the tread, is not only wasted but produces hinging action causing ply separation and "shoulder breaks". Your local Firestone Dealer will gladly explain the gum-dipping process and other advantages that only Firestone Gum-Dipped tires can give. See him today.

3 New Series
New Lower Prices

21 Models—All Sizes
Upwards

You need only look at these new Nash models—their DRIVE lines—to realize that at the new lower prices Nash offers rugged, reliable, revolutionary motor car value.

There is nothing more to be said for the market than that all Nash cars are better than the rest.

These new models are the fastest, fastest cars in all Nash history. With their new steel alloy chassis, built by a special secret process, they are the FASTEST running cars, regardless of price.

With new body design, lower body lines, new radiator design and light wheels they are the most beautiful

styled cars you have ever looked at. And every model is powered with the newly refined Nash 7-bearing motor that delivers the world's smoothest and quietest performance.

Interiors are new and of exquisite design. You note rich upholstery, skilled use of genuine walnut for panelings, steering wheel and luxurious silver-finished ware.

All this—and many more notable new features—are now offered you by Nash at new lower prices. Come and feast your eyes on the beauty of these new Nash models. And if you want a real treat—just DRIVE one.

Old Villages Hold Key To Anthropology of West

Prince Rupert, B. C.—The Dominion Archaeologist of the National Museum has just completed the examination of an ancient village site at Emerson, Point Digby Island, about three miles from here, which was reported to him by R. W. Pillsbury, of the Prince Rupert Fisheries station of the Canadian Biological Board. The site is about one mile from the Canadian National Railways across the channel. It covers the entire point fronting on both beaches and is about 345 feet long by 155 feet wide and consists of deep deposits of the shells of edible shell fish and refuse from the kitchens of the prehistoric villagers. This refuse lies in two terraces and seems to indicate that there were two rows of houses facing the north beach, each house being about 45 feet square. Three more rows seem to have faced the east beach, two being on one terrace and one on a lower level. Creeks bound the village site on both the west and south. They evidently furnished fresh water while the beaches afforded shell fish. There appears to be the remains of a fort wall protecting the village on the point from approach by land.

Several specimens of ancient handwork were collected on the site. One is a hammer or pestle, of more pebble battered on both ends until it assumed two flat striking or grinding faces. Another secured for the national museum is a fragment of the bit, or cutting end of an ancient grooved adze head such as must have been used for hollowing out canoes from cedar trees, smoothing boards split from the large cedars for building houses, and for similar purposes. It has been sent to Ottawa for examination by expert mineralogists, as it may be jade. It certainly is of a beautiful deep green color and so hard that it cannot be scratched with a knife. No such stone is known in the vicinity.

There are a number of these interesting ancient places within five miles of Prince Rupert, according to the archaeologist of the National Museum, who says they may all be reached by motor boat from the wharf. There are deep kitchen middens marking these ancient and prehistoric villages, one such at Casey Point, opposite Emerson Point, is cut by the Canadian National Railways. A second, also cut by the railway, is on Fairview observation spot. A third, smaller, perhaps than the others, is on the north side of Hays Creek near the drydock in Prince Rupert. Still another like this, cut by the Canadian National Railways, but much larger and more than five feet deep, is near the cold storage plant on Ritchie Point within the city limits of Prince Rupert. There are several other such shell heaps on Digby Island and on the mainland to the north, one at the hospital at Dodge Island, one along the west and southwest shore of Elizabeth Point and one at the marine station. A very large one is located on Robeson Point and on the rocks of the western part of this point is a nearly horizontal petroglyph of rock carving, intaglio of a human form nearly natural size. The Indians say it is where a man fell from heaven and dented the rock.

Other petroglyphs occur on the western side of the cove in the south side of Wilgiash Island near the high tide line. The Dominion archaeologist recently found the huge deposit of an ancient village reported to be on the western end of Lucy Island. There are numerous other remains near Prince Rupert. No real exploration or extensive excavation of any of the ancient remains in this Indian-inhabited area has ever been attempted and here is the key to many of the problems of the anthropology of western Canada. In fact, of North America.

Mr. Schierbeck says the bull moose is monogamous. His critics would like to know how the government is going to overcome the popular belief that the moose is polygamous.

"When the swallows homeward fly" isn't half as sure an indication of the coming of winter as the departure of the summer visitor.

Acids in Stomach Cause Indigestion

Medical authorities state that nearly nine-tenths of the cases of stomach trouble, indigestion, sourness, burning, gas, flatulency, etc., are due to an excess of hydrochloric acid in the stomach. The delicate stomach lining is irritated, the digestive juices are food sour, causing the disagreeable symptoms which every stomach sufferer knows so well.

Artificial digestants are not needed in such cases and may do real harm. To lay aside all digestive acids and indigestion, get from any druggist some Effluorated Magnesia and take a teaspoonful of powder or four tablets in water right after eating. This sweetens the stomach, prevents the formation of excess acid and there is no sourness or pain. Effluorated Magnesia in powder or tablet form—never liquid or milk—is harmless to the stomach, inexpensive to take and the most efficient form of magnesia for stomach purposes. It is used by those who know people who enjoy their meals with no more fear of indigestion.

Here and There

Four ships, arriving at Vancouver within one week, brought in some \$20,000,000 worth of silk from the Orient, for transshipment to New York. This is the heaviest movement of its kind on record along this coast.

The Canada Colonization Association, a subsidiary of the Canadian Pacific Railway for the settlement of privately-owned lands in Western Canada, in the first six months of 1927 accounted for the placement of 401 families on 97,944 acres of land.

The first passenger trip of the Lethbridge Commercial Airways was made on August 7, between High River and Lethbridge by a plane piloted by Jack Palmer. It is announced that commercial flights will be arranged between Lethbridge and Waterton Lakes.

Already the muskrat has come to lead all other furbearers of the Dominion in the total value of peltry sold, not alone by reason of the great number of pelts taken but on account of the remarkable rise in the price of the fur. In the olden days furs sold in London for a few cents apiece and in even more recent times.

An official announcement has been made to the effect that the Canadian Pacific Railway Company will construct a line from Midland to Port McNicoll. Public parades and demonstrations were held in Midland when the announcement was made as the citizens feel that the new line will mean a great deal in building up manufacturing and industrial concerns there.

Irene Castle, formerly well-known dancer, and wife of the owner of the Chicago Black Hawks hockey team, has recently been staying at the Canadian Pacific Railway hotel, the Algonquin, with her little daughter. They attended the Charlotte County Cottage Crafts exhibition pageant which is held at St. Andrews every year. Rustic dancing and folk-song featured at the pageant.

Recent changes in the department of Natural Resources of the Canadian Pacific Railway have been effected. P. L. Naismith who has been manager of that office since 1912 has tendered his resignation, whereupon Mr. S. G. Porter will officiate as manager. Mr. Naismith will, however, retain his position as chairman of the Advisory Committee, which he has held for the past two years.

No Canadian agricultural honor has come at a more propitious time than the award of the silver medal "for outstanding service" to the Canadian exhibit of tobacco prepared by the tobacco division of the Central Experimental Farm at Ottawa at the Tobacco Exhibition held at Olympia, London, England, in May. The Canadian product came into competition with that of South Africa, North and South Rhodesia, India, Colombia, Italy, Greece and Macedonia, thus consolidating the position previously held by Canada in expert opinion as the producer of the best tobacco in the British Empire.

New Highways and Tourist Attraction Map

A road map showing the highway system of Nova Scotia and combining an enormous amount of data as to routes, distances, speed and traffic regulations, road signs, game laws, fishing regulations, ferry services in the Province of Nova Scotia has been prepared by the Department of Highways and is being distributed to tourists and other responsible persons.

Both in character and in the field which the map covers it is altogether unique, and only those who have an opportunity to see this map can understand the enormous amount of data which is included in the small space taken up. On one side of the sheet which is "24 by 35" is a full sized map of Nova Scotia, showing all main trunk highways in deep red markings, trunk highways in lighter red, good motor roads in blue, and roads in fair condition only, in blue dots. There is also shown on this map by means of distinct and easily understood symbols, accessible points to hunting and fishing resorts, hotel accommodation, tourist camps, steamboat routes and ferries, golf links, etc.

On the opposite side of this map is set out the different main roads throughout the Province with the distance between each point and the number of the route which is to be followed when the new road signs are completed.

Probably the outstanding feature of this splendid new map is the distance chart. This chart shows the distance in miles between the principal points in Nova Scotia located on the main trunk highways. The chart is so arranged that in an unbelievably small space the complete mileage for all cities and towns is presented, and one has only to follow the column underneath one town down to the point where it intersects the column of another point to know the actual number of miles between.

Other sections of the map give data as to the new road signs to be erected, explaining what each sign means. This data includes fishing regulations, and a summary of the same laws with advice as to historical sites in Nova Scotia. Altogether this map fills an important need and will be invaluable to motorists, especially to tourists and will greatly facilitate travelling generally. The map is furnished free by the Department of Highways to tourists and other responsible persons.

What's New?

News changes with each passing day. All kinds of news—fascinating, strange, prophetic, real and unreal. It comes flashing on the pages of your paper from all parts of the world, and you want to know what's new.

ADVERTISING is another form of news. It is governed by the same general principles and answers your every question as to "What's new?" You can depend upon advertising news. It is truthful. If you want something for the home, you will find it advertised. If a dress, a suit of clothes, a hat, a pair of shoes, a diamond ring, a bridge lamp, an electric refrigerator or a house and lot—you'll find it advertised.

ADVERTISING supplies the surest means of knowing "what's new" in merchandise. Learn to read the advertisements—trust them—profit by them.

The Queens County Exhibition

An advertisement appears in this issue of the Courier announcing the date of the Queens County Exhibition, to be held at Caledonia on September 21, 22 and 23. Writing to the Courier Mr. Fred Kempton, secretary of the exhibition says that the number of attractions this year are greatly in advance of previous years and that the whole exhibition will be better and greater than ever before. Particular attention has been taken to provide amusement features for each day, with midway attractions and on the last two days of the fair the live stock exhibits will be on the fair grounds, making it a doubly great show.

By car from Digby, or by rail, Caledonia is easily reached and a day or two days at the Queens County Exhibition will be an educational amusement and perhaps an incentive to Digby people to get busy on next years exhibition for Digby County.

To Obtain Relief From Neuritis

The nervous system must be thoroughly restored. Here is a case which illustrates this point.

The twitching of nerves and muscular weakness of the exhausted condition of the nervous system. She also had frequent nervous headaches and persistent neuritis in her right side. Only temporary relief can come from external applications for neuritis. To really get rid of the cause of trouble it is necessary to thoroughly restore the exhausted nerves by the persistent use of Dr. Chase's Nerve Food.

Mrs. Wm. Mapletot, Mount Forest, Ont., writes: "For about three years I suffered from neuritis in my right side. I had pains through my back and

twitching of the nerves and muscles. I had also been operated on for appendicitis and it left me in a nervous wreck. I was very restless and uneasy, and bothered with frequent neuritic headaches. My appetite was poor and I sometimes took weak pills. I commenced a treatment of Dr. Chase's Nerve Food and in a very short time I found relief. This medicine has done me the world of good and I can recommend it to all suffering as I was."

Dr. Chase's Nerve Food—60c. per box, all dealers, or The Dr. A. W. Chase Medicine Co., Limited, Toronto, Canada.

The Call of The Wild Gas Spoiled Her Sleep Made her dizzy

As civilization advances the need to get close to Nature, for a short time, at any rate, becomes greater and greater, and as the world grows in population, the places where one can do this become less and less. Canada, with her vast undeveloped territory, affords wonderful opportunity for tired humanity to recuperate and imbibe that strength which contact with Nature alone can give. The call of the wild comes to every man and happy indeed is he who answers it.

In these modern days one can be transplanted from the cities, with their teeming population right out to the great outdoors in a short time, and with a convenience which amounts almost to a marvel. Modern modes of travel put the vast open spaces of the wild right at our front door, so to speak.

Canada possesses many places where contact with Nature is afforded, and among the chief of these is Jasper National Park, located in the heart of the Canadian Rockies, where the call of the wild is heard in every pine, in the murmuring streams and roaring torrents, while snow clad mountain peaks speak to us in awe-inspiring tones that echo and re-echo down the years. There they stand mute emblems of eternity, and the petty things of life vanish before their vastness.

In the center of Jasper National Park is situated Jasper Park Lodge, the world famous mountain resort, owned and operated by the Canadian National Railways, with its world renowned golf course. At Jasper Park Lodge, one will find many avenues of approach to Nature and facilities to put one in contact with her. There are some very excellent camping trips to be had, horse back riding, fishing, hunting, swimming, while lofty mountain peaks draw the climber to conquer their summits.

The Canadian National Railways have inaugurated low tourist fares to Jasper, where is situated Jasper Park Lodge, and the Pacific Coast, which enables those desirous of spending a holiday at this famous resort to do so at a minimum of expense.

In connection with a stay at Jasper Park Lodge, opportunity is afforded to see other portions of the Canadian Rockies and the Pacific Coast, and that land of paradoxes, commonly called the West.

of the Midnight Sun, Alaska, through the inauguration of a special tour, the Triangle Tour, which commences at Jasper and proceeds to Vancouver, by rail, thence along the Pacific Coast, the Northwest of America, to Prince Rupert and Alaska and from there back to Jasper by rail.

Illustrated Lockets descriptive of Jasper National Park, the Canadian Rockies, the Pacific Coast and Alaska may be obtained through any Canadian National Agent or by writing Mr. F. W. Robertson, General Passenger Agent, N. B.

Digby Legion Will Celebrate
Poppy Day

On behalf of the Disable Service Men's Workshops, where the familiar Vetcraft Toys are made by men who by reason of war disabilities are unable to enter into the competitive market for employment the Digby branch of the Canadian Legion has undertaken the handling of the Poppy Emblems on Poppy Day. A committee of the Legion was appointed at their last meeting to prepare the organization to handle the poppies and in the rural communities the school teachers are to be asked to assist in the work.

The Poppies are made by disabled men and the whole proceeds from their sale are added to the funds which are used to conduct the Vetcraft Workshops, of which one for Nova Scotia is located at Digby.

Home From New York

Miss Agate, a member of the New York staff of the Royal Bank of Canada, is expected home today to visit her father, W. J. Agate, of the Waverly.

Lectured At Weymouth

Rev. Wm. Driffield, Rector of Trinity church, was the lecturer before the Men's Community Club of Weymouth at their meeting held on Wednesday night Mr. Driffield's subject was 'Prehistoric Canada' and dealt with the development of the physical features which are to such a large extent responsible for Canada's diversity of resources.

OBITUARY

JAMES H. L. SLOCOMB

At Southville, Mass., September 10th after years of patient suffering there passed to rest James H. L. Slocumb, formerly of Harborville, Kings, Co., N. S.

Captain Slocumb as a master mariner was identified with the palmy days of Nova Scotia shipping and as commander of various ships he sailed the Atlantic, Pacific and Indian Oceans.

Besides his wife, who was a Miss Sully of Smith's Cove, daughter of the late Captain George S. Sully, and Mrs. Minerva Sully of that place, Captain Slocumb is survived by two sons, George H. of East St. Louis, U.S.A. Robert I. of Rochester, N. Y., and two grandchildren, also two sisters and one brother, Mrs. Grace Groves of Granville Ferry, Annapolis Co., Mrs. Charles McBride of Waterville, Kings Co. and Ingram of Boston.

Interment at Southboro, Mass.

Mrs. Robert C. Graham
Died in Saint John

There died at Saint John General Hospital on Wednesday, Mrs. Miriam Graham, wife of Captain Robert C. Graham of Centreville, in her sixty-sixth year. Mrs. Graham was admitted to hospital for a serious operation and did not recover. The remains were brought over from Saint John by her son, Rev. E. E. Graham of Shediac, and taken to Centreville for burial.

Mrs. Graham was a daughter of the late Newell and Elizabeth Holmes of Centreville.

Besides her husband she is survived by three daughters and four sons. Mrs. Fred Morehouse and Mrs. Charles Shaw of Centreville, Mrs. Will Goudy, Port Maitland, the sons are Rev. E. E. Graham, pastor of the Shediac Methodist church, Herman of Vancouver, Ralph of Waltham, Mass. and Aubrey at sea.

Arrangements for the funeral services are not made.

A quilting party was held at the home of Mrs. Arnold Morehouse last Tuesday.

You will want a good well made suit for yourself or the boy. Come in and see our large stock. Also Overcoats.

Ira Graham and sons, of Waltham, Mass., have returned home after a visit with his brother Alton Graham.

Mrs. Simon Outhouse, of Centreville, accompanied by Mrs. Thomas Jones, of Boston, Mass., spent the day with Mrs. Walter Thompson.

Mrs. Lee Farnsworth, of Centreville, and Mrs. E. Carey, of Boston, Mass., spent the day with Mrs. W. Thompson.

Mr. Morehouse, of Boston, Mass., has returned home after spending the summer with his brother Norval Morehouse.

Sandy Cove

Mrs. Roscoe Foster of Lynn, is spending a few months with her mother, C. Saunders.

George Crowell of Marblehead, Mass. is visiting relatives here.

Mrs. Carrie Mitchell and son left on Monday to visit her son, Arthur at Middleton.

Ira Bishop and son of New York are spending their holidays with Capt. and Mrs. Robert Bishop.

Our school opened Tuesday with Miss J. Newcombe of Weymouth North as teacher.

Miss Uriel Morehouse and friend, Lewellyn Cornwell motored to Halifax returning by south shore route.

Mr. and Mrs. Spurgeon Jeffrey motored to Halifax on Sunday accompanied

Canadian Hunting Prospects Excellent

1. Caribou and hunter from the district of North British Columbia. 2. Hunting in a forest. 3. Calling a moose. 4. Bear about to swim a stream in the Rockies.

Canadian moose and deer hunting seasons are at hand and from reports reaching the tourist department of the Canadian Pacific Railway Company there is every indication that one of the best hunting seasons ever will be experienced. Mike Bates sends down word from his camp at Meteghan, Ontario, that if the hunters don't get their deer and moose this season they will have nothing to blame but their poor shooting. He says that moose are very plentiful and expects it to be a great year in every way. From Schreiber, Ontario, where John Handel, outfitter, has been operating, the reports are just as reassuring. Handel says that the game has increased in the Superior Game Preserve lying south of the C. P. R. line and a very considerable area and the surplus has crossed to the north of the tracks offering good hunting. He says that caribou are roaming the woods in increased numbers. As the C. P. R. line is the north boundary of the game preserve, hunters don't have to go very far for their quarry. The news from Sheehan's Camp at Lake Penage, southwest of Sudbury, is also music to the hunter's ears. Deer here are reported to be very plentiful. Reports turned in by guides of Ogilvie Bros. Camps on the Tobique River, N.B., are to the effect that deer though very plentiful last season, show signs of much greater increase. The same word comes from A. D. Thomas at South Milford, in the Kegonsa makeooze district. The hunting facilities of the Yukon and northern British Columbia districts are worthy of special mention.

According to specimens who have hunted in all parts of the world there are no finer big game fields anywhere than those embraced by the Klusko Lake and White River and the McMillan River districts of the Yukon territory. In addition to the remarkable inducements offered the hunter these districts have an important attraction for the tourist, man or woman, who delights in exploring the wonders and beauties of Nature in wild and primitive country.

The Klusko Lake and White River district, according to locality, comprise white sheep, mountain goat, Osborn caribou, moose and three varieties of bear—grizzly, brown and black. Some magnificent trophies of all these species have been obtained in the past.

The Yukon game country is so vast in its extent that a great number of hunting parties can be out in the same season without ever being seen by one another. The Klusko Lake and White River district is reached from the East via the Canadian Pacific Railway through the world renowned scenery of the Canadian Rockies to Vancouver, thence by Canadian Pacific "Princess" steamer for an enchanting run of one thousand miles to Skagway, Alaska, where change is made and journey continued by train over the White Pass and Yukon route to White Horse, Y.T., a distance of 110 miles. Hunting grounds are situated about 154 miles from White Horse, the trip usually being made by automobile to Champagne Landing (65 miles) the first day; team the second day on to Bear Creek (35 miles) and team the third day to Klusko Lake (34 miles) where the actual hunting commences.

led by their son who entered the child ren's hospital for treatment. We wish him a speedy recovery.

Stewart Dixon of Lincoln, Mass., is visiting Mr. and Mrs. Frank Saunders.

The breakwater at Bay of Fundy is undergoing repairs with George Harrington as foreman.

A Bridge Party was held at the home of Mrs. Clara Saunders on Saturday evening. First prizes were won by Mrs. W. B. Morris, and Mr. Chipman Saunders, consolation on Mrs. Roscoe Foster and Dr. F. E. Rice.

Mrs. Amelia Saunders attended the funeral of Mrs. Eggert of Yarmouth.

Mrs. Walter McKay and family of Kingsport are the guests of Mr. McKay's parents, Mr. and Mrs. Alex McKay.

Mrs. Pauline Gidney of Beverly, Mass. is spending a vacation with her mother, Mrs. A. E. Gidney.

Mrs. Richard Phillips of Marblehead and Mrs. Fred O. Merrill of Marlboro, Mass., are visiting their brother, Geo. W. Eldridge.

Mrs. Janet Dakin motored to Weymouth with friends Friday.

Durability Smartness Economy

Three good reasons why
you should purchase
a coat at Wright's

When the average woman
buys a coat there are three
things uppermost in her mind
Will the coat wear well? Is
it smartly made? Is it priced
reasonably?

To all these questions we answer "yes". Wright's
coats are sturdily built of real cloth, they are made in
the smartest styles and they are very popularly priced.

Is there any good reason why you should not wear
a coat from Wright's?

MAXIMS OF A MERCHANT
Merit is not all of it. Appearances count for much
when a woman is being judged.

Former Priest of Anglican Diocese Revisiting Boy- hood Home in Nova Scotia

Returning to visit his birthplace
after many years residence in the
United States Rev. George B. Harris
was a visitor in Digby on Thurs-
day. Mr. Harris is now resident in
the United States and his visit to
Nova Scotia is the first since he
entered the ministry of the Angli-
can Diocese of Texas.

Mr. Harris was born in Annapolis
Fifty eight years ago he moved from
there to Saint John. He entered
Kings College Windsor and in 1879
was ordained to the ministry of the
Church of England.

He was a priest of the Diocese
of Nova Scotia for 26 years and
from here went to Texas where he
labored for 22 years. He has now
resigned his parish and will retire

from the active ministry of the
church.

After a visit of several weeks to
his boyhood home in Annapolis and
familiar places in Bear River, Wey-
mouth and Wolfville Mr. Harris
will return to the United States
and make his home in Lincoln
Mass.

Mr. Harris will be welcomed
back after so many years and his
friends will wish for him enjoyment
of a pleasant holiday after his years
of labor and for his retirement
many years of usefulness and en-
joyment.

Dr. C. S. Marshall, of Bridgetown
and Mrs. F. C. Marshall, of Boston,
have been visiting their sister Mrs.
E. J. Warner, Dr. and Mrs. Morse,
Mr. and Mrs. F. L. Bishop and Mr.
and Mrs. H. Marshall, of Lawrence-
town have also been guests of the
Warner's.

No Weekly Papers at Conservative Convention

Maritime Provinces Representation Will Be Losi in Numbers from Central Canada

The next leader of the Conservative
Party for the Dominion of Canada, to be
chosen at a convention to be held in Winnipeg
on October 12th, will not be a representative
of anything but the "inside ring" interests of
the country if the attitude of those in charge
of the details for the convention is adhered to.

The central committee has decided that
the weekly newspapers of the Dominion are
not to be permitted to have any say in the
selection of a leader for the Conservative
Party. Only representatives of the Daily
newspapers will be issued with credentials
to attend the convention as press delegates,
which means that the Toronto and Montreal
daily newspapers will have the deciding voice
in commanding or condemning the actions of
the convention.

It may be that those in charge of the con-
vention know what they are doing and it may
be they know what is best for the party and
for the Dominion of Canada, but their attitude
in debarring from attendance at the conven-
tion a class of newspapers whose influence in
the rural communities and small towns is far
greater than is the influence of all the daily

newspapers in Canada is hard for us to under-
stand.

It seems strange folly that the weekly news-
papers, published in the smaller towns and
circulating in every town and village and
cross roads of their constituencies should be
so lightly thought of and their influence so
disregarded by a political party whose desire it
is to attain office.

Whoever the leader of the Conservative
Party may be, his task of rewinning Canada
to the National Policy will be made harder by
the offense given the rural communities. Par-
ticularly in the Maritimes the country week-
lies have exerted a tremendous influence upon
the political thought of the times, and they
are generally regarded as household institu-
tions. That they are to be debarrd from ex-
pressing the opinions of their readers in the
selection of a national leader for the party
cannot but be looked upon as an offense, es-
pecially when in many constituencies no gen-
eral convention of the party has been called
to select or instruct delegates to represent the
general voice of the party's supporters.

Yarmouth Exhibition Will Surpass all Records in Attractions and Entries

Accompanying Mr. Ball, Man-
ager of the Canadian Weekly News-
papers Association and two pro-
vincial Editors, Mr. Anslow of the
Hants Journal, with Mrs. Anslow
and Mr. Arenburg of the Lunenburg
Progress Enterprise, the
Courier man visited Yarmouth on
Wednesday and while there we all
called on the Yarmouth Light and
the Yarmouth Herald. At both
offices we were invited to look over
current issues of their papers, to see
what the Yarmouth Exhibition
means to Yarmouth, and the in-
spection prompted a call on Mr. E.
L. Crosby, secretary of the Ex-
hibition.

Mr. Crosby was optimistic about
this year's Fair. The number of
entries which have come in have
been greater than was looked for,
owing to the deluge of rains during
the growing season, and the enter-
tainment features of the Exhibition
are well above the usual standard.

As was arranged last year, the
Dominion Atlantic Railway is pro-
viding special rates for passengers
to the exhibition. From Annapolis
and points west a special rate
of one fare and one third, of one
way rate is provided for the round
trip, good going on the afternoon
train of September 27th and on
trains of Sept. 28, 29 and 30, with
return limit to October 1st. On
the big day of the Fair, Thursday,
September 29 a special excursion
rate of one way fare plus 15 per
cent will be in effect on trains arriv-
ing in Yarmouth in the morning
and leaving Thursday night.

Master Richard Allan Beaton
entertained a number of his little
friends on Monday the occasion
being his seventh birthday.

Miss Lillian Venoit, of Boston,
is the guest of her sister Mrs. D. J.
Hewitt.

OVERCOATS AT WRIGHT'S.

Mrs. W. M. Romans of Bear
River, was a visitor in Digby on
Thursday afternoon.

Praise For The Hospital

The Royal Bank of Canada,
Union Branch,
Montreal, Sept. 7th, 1927.
The Chairman,
Digby General Hospital,
Digby, N. S.

Dear Sir:

Please accept and extend to
your Superintendent and staff, my
appreciation and that of my daughter
for the courtesy, kindness and
attention shown to her while under
their care. For strangers to your
community the advantages of Hos-
pital facilities at Digby, under
proficient nursing, are certainly a
great boon.

Yours very truly,
K. F. GILMOUR.

Mr. and Mrs. Arthur Turnbull
and son Reginald left for Mass.
Saturday on a short vacation.

OVERCOATS AT WRIGHT'S.

Tenders for Highway Construction

SEALED Tenders, addressed to the
undersigned at Halifax, Nova
Scotia, will be received up to NOON
—Atlantic Standard Time—on Tuesday
the 27th day of September, 1927, for the
construction of the following work:

Sydney-North Sydney Road—
Diversion and Concrete
Structure at Deep
Brook

Plans and specifications governing such
work may be inspected at the Office of
the Chief Engineer for the Department
of Highways, Halifax, Nova Scotia, and
at the Office of R. J. Bethune, Inspecting
Engineer, Department of Highways,
Sydney, Nova Scotia, on and after the
26th day of September, 1927.

Each tender for the work must be on
the regular form, which may be obtained
at the Office of the Chief Engineer for the
Department of Highways, Halifax, and
at the Office of R. J. Bethune, Inspecting
Engineer, Department of Highways,
Sydney, Nova Scotia, and must be ac-
companied by an accepted Bank Cheque
equal to ten per cent (10%) of the amount
of the Tender.

The lowest or any tender will not
be necessarily accepted.

Percy C. Black,
Minister of Highways,
Nova Scotia.

Halifax, N. S.,
Sept. 15th, 1927.

Local and Personal

Mrs. John Hayden left for Yar-
mouth Wednesday. On Thursday
she left for Boston, Mass., to spend
the winter. Mr. Hayden will join
her later in the season.

Mr. Talbot, of Boston and Miss
Christine Murray R.N., of Cam-
bridge, Mass., who spent the sum-
mer here have returned home.

Miss Emily Agate, of New York,
accompanied by the Misses Marg-
aret McHale and Marie Paradis,
arrived a Tuesday and are guests
of the former's father, Wm. J.
Agate.

Miss Ruth Snow was a passenger
to Boston Thursday where she
intends spending the winter.

Mrs. James Merkle was a pas-
senger to Halifax Wednesday for a
few days.

OVERCOATS AT WRIGHT'S.

Mr. and Mrs. J. J. Wallis leave on
Tuesday for a week's trip through
the province. They will be accom-
panied as far as Truro by their
daughter, Miss Florence who is to
enter Nova Scotia Normal College
there. Continuing their trip from
Truro the Wallises will go to
Springhill where Mr. Wallis has re-
latives.

OVERCOATS AT WRIGHT'S.

Mr. and Mrs. Stanley Aymar
left last week in their new car on a
trip through the Maritimes. Dur-
ing their absence the blinds are
drawn on their place of business,
so they can take a real vacation
and spend some of the profits
which gathered during the tourist
season.

Stanley A Keen was a passenger
to Boston and other Eastern States
cities on Friday last, to be gone on
a week's holiday. He is expected
home tomorrow.

Not So Dead After All

"Well, things are pretty dead now." How often in the last ten days have we heard that expression? How often has it been expressed as an epitaph over the passing of the tourist season? And yet, things are not "dead", except in the minds of unthinking people. Although the summer tourists have gone, they have left us much to enjoy. Left us much to think of and consider. "Things are pretty dead" but what of the things which are yet to do? Have we, honestly, and to the best of our ability done our best to give full value for all we have received from our summer visitors? Have we, honestly, and to the best of our ability done all we could and we should have done to make this season of the year 1927 a banner, top-notch tourist season?

"Things are pretty dead." So the saying goes, but on the other

hand things are only in a stage of change, from the busy summer to an equally busy next summer and this time in between should be just as busy with plans and preparations for another year.

Those people, and there are more of them in Digby than there ought to be, who tell us that the Tourist Business is all foolishness, a matter that cannot do us any permanent good and which should not be encouraged, have only to go along the main street, up by the Golf Club or over by the Pines to see what difference the tourist business makes to Digby. Nearly three hundred summer employees have got their last pay checks for the summer and have gone. Thousands of people who have visited Digby during the last two or three months have gone and won't be back until next year. And still some people tell us that the tourist business means nothing to Digby.

Of all the asinine fancies that a grown up mind could conceive is the idea that the tourist business means nothing to Digby.

When we say Digby we mean more than Digby town, more than all of Digby County, from the western limit of Clare to the middle of Annapolis. That is Digby, so far as the tourist business is concerned for it is to all that section that the Town of Digby is a center. For all that territory the town of Digby is the trading resort, the place where all the visitors come to visit the shops, to attend the movies and to call on the Vendor. If they did

not come the theatre would run a night or two nights a week, the stores would revert to the old time pickel and cracker box type and the vendor—Well we almost think the vendor would not be in existence at all. The old timers don't have to call on the vendor surely.

"Things are pretty dead," they say and someone, perhaps adds—"If we only had some industries." We have an industry, the greatest one of all, the tourist industry. It takes less capital, employs more help, puts more money into circulation and gives a bigger return than any other industry you can name. In the town of Springhill the collieries employ 1200 men; with a pay roll of \$25,000 a week, part of the year. It is an industrial town, and a model as mining towns go, but it has no better shops, no more banks, not nearly so many fine homes and not nearly so many well-off people as has Digby. The whole year's pay roll of the collier is not more than we in Digby earn during three months in the summer season—and the tourist business does not depend on strikes or anything but the weather and whatever the weather, we have noticed, there are always a large number of people travelling.

Going by guess work it would seem to us that the rural sections of the tourist territory have had a better summer than ever before. The season in the town of Digby was well above average, and all things considered things are not so dead after all, but we have come to the time only, when we take a breathing spell, let the shop keepers and their staffs take a little vacation themselves and then we will begin to think of next season.

Tourist Enthusiast Revisiting Nova Scotia

Mr. George F. Parker, formerly connected with the Dominion Atlantic Railway, but for a number of years past located in Saint Petersburg, Florida, as Passenger Agent of the Clyde Line Steamers, is again visiting Nova Scotia, on an annual visit to his native province. Mr. Parker, is enthusiastic over the possibilities of development which Nova Scotia has for tourist business and has coined a new phrase, or slogan, which he offers for general adoption as the motto of Nova Scotians. "To make Nova Scotia Worth While to Stay Awhile," is his interpretation of what the attitude of Nova Scotians should be.

Apart, altogether, from action which should be taken by those interested in catering to tourist to develop their service to the highest point of efficiency Mr. Parker has a word of advice in regards community effort to take care of and entertain visitors. He suggests action along the lines of community effort which have done so much toward building up the tourist business as a chief, and almost only, business of St. Petersburg.

"Hospitality," he says, "Courteous treatment, the niceties of life and the little courtesies which communities can offer, mean as much in developing tourist traffic as do good roads and good hotels."

"People appreciate little things and if the people of Nova Scotia would grasp a proper conception of what the tourist business could be if properly developed the return on every dollar invested would be so great that from small beginnings could become the greatest industry in the whole province."

The Digby Golf Club was "inspired" by Mr. Parker as an illustration of what he meant, and he went on to say that the construction of a community building, with rest rooms, writing room and library would be a distinct asset to Digby. It would not be necessary to go into the scheme to anything like the extent which had been taken in St. Petersburg. There is a million dollar pier, with quarters for conventions, clubs, and concessions, had been erected out of city funds. But a reasonable expenditure, providing a tourist's information bureau and a lounge where visitors could meet their friends and spend a quiet hour,

Man of Sixty Finds the Remedy

"Fruit-a-tives" Corrected
Bladder and Bowel Trouble

MR. THOS. GRAHAM

Mr. Thomas Graham of Oshtawa, Ont., has found the key to health. Writing about it he says: "Just a line to tell you what good 'Fruit-a-tives' has done me. I am 60 years old and tried all kinds of medicines for bladder and bowel trouble which used to keep me from work a month at a time, until I started taking 'Fruit-a-tives'. Thanks to 'Fruit-a-tives' I have worked steadily for four years without a sick day. I have never felt better than I do now."

"Fruit-a-tives" substitutes radiant health for sickness. It effectively overcomes constipation, bladder and kidney troubles because it is the kind of remedy that nature meant us to use—the juice of fresh, ripe fruits, intensified and combined with strengthening tonics.

You have a right to that "Glad-to-be-alive" feeling. Give "Fruit-a-tives" a chance to restore your health. If you are constipated or worried with bladder trouble begin taking "Fruit-a-tives" today—25c and 50c everywhere.

would be useful and appreciated, and it need not contain any departments which would interfere with any established business. A tea room and ice cream parlor would be of assistance in defraying costs of operation, but in his opinion, unless some person was anxious to lease it as a concession it would be unwise to prepare for it. What was most needed was a place where tourists could congregate, for social chat, secure information, and generally receive the courtesies and attentions which make all the difference between pleasure and boredom. All who come to Nova Scotia do not golf, nor play tennis, nor bridge. But all do appreciate the courtesies of life and a Community Hall, centrally located near the business district, would be a decided asset in holding visitors in Digby after they had come here. And particularly would such a gathering place be appreciated by the very large number of tourists who locate in rural sections, and whose visits to Digby town are matters of a few hours stay only, when shopping or pleasure attracts them to it as the centre of the tourist country.

Mr. Parker has returned to Yarmouth after a visit to Cape Breton and he finds that the general view of this season's business is that it was even better than last year, and this in spite of most unseasonable weather.

Here and There

One year from date of publication in the Canada Gazette new regulations requiring the inspection and grading of fruit for exportation come into effect. They will require that all fresh fruit must be inspected and an export inspection certificate issued showing the grade before leaving the country.

A record was established at Quebec recently with nine passenger vessels arriving and landing, passenger and mail, the largest number ever to visit the port at any one time. Included in the arrivals were the "Empress of Scotland," the "Montana," the "Montclair," "Marloch" and "Melita" of the Canadian Pacific Steamships.

A new high record of \$15,824,821 in gold production of the province of Ontario during the first half year is shown in the report just out. The increase over a similar period of last year being a quarter of a million. During the same half year the total production of all minerals in Ontario was \$45,193,223, as against \$42,584,402 for the same half year of 1926.

To serve the interests of hundreds of farmers in Southern Saskatchewan two new branch lines of the Canadian Pacific Railway started operation on September 1st, according to announcement by D. C. Coleman, Vice-President, C.P.R. The longer of the two lines runs from Assiniboine south to Coronach, a distance of 50 miles, and the second, a 27-mile stretch, runs from Bromhead to Lake Alma.

Is This A Business Opportunity

The steamer Gypsum Queen is now employed between Windsor and the Gypsum Company's storage plant at Deep Brook, bringing cargoes to fill the hoppers. Other steamers will come to take these to New York.

On the direct route between Windsor and Staten Island, the Gypsum company operates a fleet of plaster carriers. These are fitted with accommodation for passenger service and every trip during the summer tourist visitors to Nova Scotia have landed at Windsor from the steamers of the Gypsum fleet.

Is the opening of a service between this port and New York and opportunity for Digby?

It depends, of course, on whether the service will continue during the summer months. That information could be obtained, surely, and if it is, it presents an opportunity for direct New York to Digby tourist business during another summer.

The transportation committee of the Board of Trade might look into this matter.

For tea drinkers who are willing to pay a little extra for a tea of unusual richness of flavor, MORSE'S SELECTED ORANGE PEKOE completely fills the bill. The most discriminating person must admit the unusual richness of flavor of this tea.

Mount Pleasant

Mr. and Mrs. Ira McCormick and children, of Bear River, spent a few days last week with Mr. and Mrs. Freeman Handspiker.

Mr. and Mrs. George VanTassel and Kenneth VanTassel spent Sunday at Rosville with Mr. and Mrs. Elsie Budd.

Mr. and Mrs. Charlie G. VanTassel and children also Mrs. Alex McDonald spent Sunday at Milford Corner with Mrs. VanTassel's parents Mr. and Mrs. Forman Rice.

Mrs. Mary J. VanTassel is visiting friends in Caledonia.

Mr. and Mrs. Ruben Woodworth and children of Saint John, have been visiting his mother, Mrs. Lucy Woodworth.

Miss Fannie Hutchinson, of Digby, is staying with Mr. and Mrs. Walter VanTassel.

Our school opened on Monday, with Mrs. Messenger as teacher.

NASH

Leads the World in Motor Car Value

Come Drive

3 NEW SERIES NEW LOWER PRICES

\$1560 6 Upwards

The most Powerful cars Nash ever built

The great POWER of these new Nash models will be a revelation to you. They "pull" the steepest grades or the heaviest going with absolutely amazing ease and smoothness.

For there's EXTRA power engineered into every Nash motor. They have the extra efficiency of the STRAIGHT LINE drive so that Nash power flows directly from the engine to the rear axle in a straight line.

They take hills without a note of strain—without the least of laboring. Come DRIVE a new Nash. Test out the QUANTITY of its power as well as the QUALITY.

The newly-refined 7-bearing motors give Nash the world's smoothest power-flow, throughout the whole range of use.

All crankshafts are balanced integrally with clutch and flywheel to make the new Nash the smoothest, "sweetest" car you ever drove.

And there're the EASIEST riding, easiest steering cars you ever handled with their new secret process alloy-steel springs and newly-improved steering mechanism.

COME in today and select the model you want to drive. New LOWER prices make these new models the greatest values on the market.

Harvest Home Service In Bay View United Church

A large congregation was present in the Bay View United church last Sunday afternoon at the Harvest Home Service. The pulpit and platform were very beautifully decorated with flowers and autumn leaves. The sermon by the pastor was from the text: "He that goeth forth and weepeth bearing precious seed, shall doubtless come again with rejoicing bringing his sheaves with him." (Ps 126:6)

At the close of the service the flowers were sent to the hospital.

EXPECTANT MOTHERS

Read Mrs. Menard's Letter. Her Experience May Help

Chatham, Ontario.—"I want to tell you how much good your medicine has done for me. Before my baby came I felt so weak and run down that I could hardly do my work. My head ached continually and I was so discouraged that I could cry from morning till night. I had another baby just one year and a half old and it gave me a lot to do. So I thought I would try Lydia E. Pinkham's Vegetable Compound, as I had read so much about it in the little books. I found a difference right away as my head was relieved and my tired feelings gone. My sister had been doing my washing and she continued doing it, as she said it might set me back if I started to do it again. It sure did help me and I had taken just two bottles when my baby came. He is a fine big boy, now nearly five months old. I am taking your medicine again and I am able to do my work all by myself now. I always recommend the Vegetable Compound to women, and especially to expectant mothers, as I believe they need help at those times."—**Mrs. OLIVIA MENARD, 24 HARVEY ST., CHATHAM, ONTARIO.**

Memorial

In loving memory of our mother, Mary Alice Denton, who entered into rest Sept. 27 1927.
You are not forgotten mother dear,
Nor will you ever be.
As long as life and memory last
We will remember thee.
A loving mother true and kind
A sterling memory left behind
There's one who knows a mother's worth,
Until she's taken from the earth.
Inserted by her family

Local and Personal

Mr. and Mrs. Lawrence O. Nichol and son Malcolm, of Allston, Mass., arrived on Tuesday and are guests of Mrs. Nichol's parents, Mr. and Mrs. W. A. Chute.

Miss Isobel Brown, who has been spending the summer at her home here returned to Boston on Monday.

Miss June Schmidt, who has been sup-
plying in the Digby school for the past two weeks returned home Friday.

Returned Missionary Gave Address

Miss Alice Clarke of Kitchener, Ontario, returned missionary on furlough from Bolivia gave an address in the Baptist church Sunday morning under the auspices of the Women's Missionary Aid Society. Mrs. F. J. Barras presided.

Miss Clarke, who represents the United Baptist Women's Missionary Union has been teaching in Rechie College for the past five years.

She gave her audience an interesting description of Bolivia, its people and customs with particular attention to her own line of work in the college. The choir of the church furnished special music for the occasion.

Joggin Bridge

Mrs. Eva Ring, of Digby, spent a few days last week with her sister Mrs. M. Woodman.

Hubert Wilson and Bruce Cossitt left on Saturday for Boston where they will spend the winter.

William Parker, of Brentree, Mass., who has been the guest of his Aunt, left for his home of on Friday.

Ira Gilliat, of Granville Ferry, was the guest of Mr. and Mrs. W. A. Gilliat on Friday.

A community picnic was held on the grounds of Fred Graham on the sixth, a large number attended and a good time reported.

Mrs. C. D. Maguire and baby who have been spending the summer with her parents, Mr. and Mrs. W. E. Gilliat left for her home in Wolfston last week. She was accompanied as far as Yarmouth by her mother.

A miscellaneous shower was tendered to Miss Maude Winchester on Saturday evening September 10th at the home of her parents Mr. and Mrs. James Winchester. A large number of relatives and friends were present from Smith's Cove, Marshalltown, Lund Junction and Acadiaville. The gifts were numerous consisting of silver, china, cut glass, linen and aluminum ware. Music was furnished during the evening by Mr. Corlie, of Salem, Mass., pianist, accompanied by Fred Roope, of Acadiaville, violinist. Refreshments consisting of sandwiches, cake and punch was served. Miss Winchester will be one of the principals in an important event in the near future.

Scouts Reorganize

On September 8th the Scouts had a reorganization meeting and planned a part of their campaign for the winter. It was decided to hold the weekly meetings at 7.30 p.m. on Thursdays, and the management of the Pastime Club have granted them the use of one of the Club rooms for headquarters.

The first meeting was held Sept. 15 when some instructions in "Tenderfoot" tests was given and it is expected that a sufficient number will pass these tests on the next night of meeting to form two complete patrols.

Entertainment At Corn Supper

Major and Mrs. A. M. Simmons entertained on Thursday evening of last week at a very enjoyable corn supper, at which about thirty guests were present. Bridge was played at several tables and an informal dance was enjoyed by the younger members of the party. The supper tables were centered with bouquets of ladioli; when the steaming platters of corn arrived flanked by delicious sandwiches and brown bread and coffee the moon looked down in amazement on the merry scene. After a last Paul Jones in the living room in which everyone joined, three hearty cheers were given for the hostess and host and the evening ended by singing "For They are Jolly Good Fellows".

Institute Library

Last Saturday the Library conducted by the Women's Institute reopened for the winter and books may be obtained every Saturday in the Masonic Building between the hours of 3.30 and 5 p.m.

OBITUARY

BOBBY DAVIS

The death occurred at an early hour on Saturday morning of little Bobby Davis, younger son of Mr. and Mrs. Harold Davis, after a short illness. The little lad was a great favorite with his schoolmates, and will be sorely missed. The funeral was held on Sunday afternoon, conducted by Rev. Mr. Saxon, and was attended by a number of his school friends who marched in procession to the cemetery.

Smith's Cove Institute Annual Horticulture Demonstration Will Be Held Saturday

The Annual Horticultural Demonstration and exhibition of products of domestic art, held each year by the ladies of the Smith's Cove Women's Institute, will be held on the afternoon and evening of Saturday, September 24th. The exhibition promises to be equal to its predecessors, in most things, and while the wet season has made it hard to grow show flowers and vegetables the number of entries which are promised bids fair to be above average. Particular features will be the exhibits of home hooked rugs and other products of the home.

The Show is an attraction which is well worth a visit, and in the evening the agricultural representatives will deliver addresses on horticulture and floriculture.

A Flower Service will be held and the members of the school are requested to meet at the hall at 10.30 a.m. The public are cordially invited to attend.

OBITUARY

LAVINIA S. BEAMAN

The death of Mrs. Lavina Beaman, widow of the late Captain John Beaman, occurred at her home here Friday morning, after an illness of several months.

She was born in Digby 82 years ago, the daughter of the late John Walter Aymar and the last remaining member of that family, who were direct descendants of Jean Aymar, the French Huguenot, who had crossed the sea from France to New York.

Mrs. Beaman, who was one of the very few remaining residents of Digby of her day and generation, held a high place in the esteem of the citizens. This venerable lady whose mind was a storehouse of knowledge, was an accepted authority on matters pertaining to the history of Digby and in her passing the hand of death has removed one of the remaining links with the past.

Mrs. Beaman had many friends, not only in Digby and vicinity, but also in Boston, Saint John, N.B., and other cities, to whom she endeared herself, because of her jovial disposition and entertaining qualities.

Mrs. Beaman leaves two daughters, Mrs. D. D. Moore, of Gloucester, and Mrs. Beaman MacLeod, of Sydney; one son, Harry Y. Beaman, of New York City, who is at present at home.

Interment took place in Forest Hill (Anglican) Cemetery.

The floral tributes were numerous and beautiful.

The death of Mrs. Beaman means the breaking of the ties which bound the family to its birthplace. The home is being closed and the furnishings disposed of by Mr. Beaman, who will return to New York.

Weymouth

Professor and Mrs. Raymond Pothier, of Church Point, spent the week end with Mrs. Pothier's parents, Mr. and Mrs. William Comeau.

Mr. and Mrs. E. P. Theriault spent Sunday at their camp at Corberrie.

Weddings

COSSABOOM—RUGGLES

The Baptist church of Tiverton, N. S. was the scene of a very pretty wedding on September fourteenth, when Gertrude Hagen Ruggles, daughter of Mr. and Mrs. Frank Ruggles was united in marriage to Mr. Gordon Cossaboom of Smith's Cove.

The ceremony was performed by Rev. F. Hamilton of Freeport, N. S., the double ring service being used. The church was effectively decorated for the occasion, an evergreen screen forming the background with large baskets of rose dahlias.

The bride entered on the arm of her father, and was gown in white satin with the conventional veil of embroidered net caught with orange blossoms, and coronet of rose point lace. She carried a shower bouquet of sweetheart roses and lilies of the valley. The Maid of Honor, Miss Grace T. Aldrich of Boston was gown in shell-pink georgette and Spanish lace with picture hat to match and silver slippers. She carried a bouquet of roses and carnations. Misses Norma and Eva Blackford, cousins of the bride, were bridesmaids and were gown in orchid georgette with picture hats to match and silver slippers. Each carried a bouquet of carnations and ferns.

The groom was attended by his brother, Mr. Douglas Cossaboom. The wedding marches were effectively rendered by Miss Helen Blackford R. N., cousin of the bride. The ushers were Mr. Donald Cossaboom, brother of the groom, of Smith's Cove and Mr. Roy Leeman of Tiverton. The mother of the bride was gown in gray crepe with hat to match and violet corsage. The mother of the groom was gown in silver and black, with hat to match and rose corsage. The groom's gift to the bride was a cheque, to the maid of honor a white gold bracelet, to the bridesmaids necklaces of pearls, to the best man, cuff links, to the ushers, bill folds and the organist brass book ends.

Immediately after the ceremony a dainty luncheon was served at the residence of the bride's uncle, Mr. Byron Blackford. The dining room was tastefully decorated with sweet peas and asparagus ferns. Mrs. M. P. Nichols and Mrs. Reginald Roop of Aylesford, assisted by Miss Helen Blackford. The Misses Ina Young, Reba Robbins, Geraldine Blackford and Etlyn Cossaboom of Tiverton served.

The gifts were beautiful and numerous consisting of, old, silver, br., ss., linen, cutglass, china and cheques.

Mr. and Mrs. Cossaboom amid showers of good wishes left for a motor trip through the province and on their return will reside in their newly-completed home in Smiths Cove.

Out of town guests were:—Mr. and Mrs. William Cossaboom, Mr. and Mrs. Donald Cossaboom, Douglas Cossaboom, Mr. and Mrs. H. Ford, Misses Estelle Ogden, Helen Simpson, Eleanor Barnum and Blacket of Harbor View, Smiths Cove; Simeon Sullis, Mr. and Mrs. A. D. Sullis, Mr. and Mrs. Ralph Cossitt, Misses Isabel Cossitt, Stella Woodman, Mrs. E. Bertram Laylor, Mr. and Mrs. Ed Winchester, of Smiths Cove, Mrs. Powers of Deep Brook, Mr. and Mrs. Melvin Woodman of Kentville, Mr. and Mrs. Joseph Steadman of Bear River Capt. and Mrs. Calvin Grenville of Weymouth, Miss Grace T. Aldrich of Boston, Bishop and Mrs. Richardson, Miss Edith Richardson of Fredericton, N. B., Miss Marguerite McCurdy, Saint John, Miss Margaret Smith, Geraldine Blackford, Hartford, Conn. Dr. and Mrs. M. P. Nichols, Mrs. Clarence Elliott, Mrs. Reginald Roop of Aylesford, Dr. and Mrs. A. F. Development of Digby--St. John

Service is Looked for

**D.A.R. as Canadian Pacific Extension Into
Halifax is Logical Route for Increased
Passenger and Freight Traffic**

**Digby Will Benefit Through
C.P.R. Participation in
Lord Nelson Hotel
Halifax**

Halifax newspapers of Wednesday gave prominence to announcements that the Canadian Pacific Railway had subscribed a controlling interest in the proposed Lord Nelson Hotel for Halifax, and an equally important announcement that the Canadian National Railway had announced that they would also construct a hotel in Halifax as part of that railway's hotel system. This conclusion to an agitation for improved hotel accommodation has naturally aroused a deal of comment and interest.

President Silver of the Lord Nelson Hotel on Tuesday night received the following telegram from President Beatty of the C. P. R.

Montreal, Sept. 26, 1927.

H. R. Silver, Halifax.

Our Executive Committee today approved a subscription by this company to the preferred stock of the Lord Nelson Hotel to the amount of three hundred and fifty thousand dollars per value, conditional upon the bonds and balance of preferred stock being sold. This course has been taken because of the great need of a hotel in Halifax, and of our belief that it should be a profitable venture. We will be naturally very gratified if our action results in the successful carrying out of this enterprise to the advantage of the city and Nova Scotia.

This decision of the Canadian Pacific Railway to take controlling part in the development of Nova Scotia tourist as general transportation business is of far reaching importance. It will mean much to Digby in the way of increased rail and steamer service and coming on top of the new steamers of the Eastern Steamship Company will mean a wonderful development of the tourist trade, of which Digby is the centre for the province.

It is freely forecasted that the Canadian Pacific Railway will increase its train service between Montreal and Saint John as to require a new and larger boat to replace the Empress, and since increased freight traffic is a natural consequence to increase passenger service Digby may look forward to becoming an important link in the chain of service between Halifax and Western Canadian points.

Montreal, Saint John to Digby and by the Dominion Atlantic to Halifax is the only route available to Canadian Pacific over its own lines. As a freight route it has become popular, shippers in Truro, Halifax and other points having already adopted the practice of routing their goods via Digby for points in New Brunswick and west. Running Rights over the Canadian National between Saint John and Halifax has long been a desire of the Canadian Pacific. Years ago they had that privilege and very little traffic from Montreal came by way of Digby. It is not likely that the decision which terminated the running rights arrangement will soon be changed, and the future for Digby looks promising. The time is opportune to press for every advantage which Digby can receive from the entry of the Canadian Pacific into Halifax.

Several Injured In Car Accident

Two were admitted to the hospital on Sunday night suffering from several cuts about the head as a result of a head on collision of automobiles on the Racquette Road. The front ends of both cars were crushed like an accordion pleat, and both are junk. Reckless driving, and disobedience of the rules of the road seem to have been the cause of the accident. Eye witness reported that the car coming toward town must have been going at least forty miles an hour.

Brother of Mrs. Keen Ill at Boston

Friends will regret to learn of the serious illness at the Peter Bent Brigham Hospital, Boston, of Dr. F. E. Rice, a brother of Mrs. Jas. A. Keen. Dr. Rice was admitted to hospital on Monday and last reports are that he is making satisfactory progress toward recovery.

Digby General Hospital

The regular meeting of the Ladies' Hospital Aid will be held at the Court House on Wednesday Oct. 5th at 3 p. m.

Wonderful Time at Church Harvest Supper

The Annual Harvest Supper and Sale of the Acaciaville African Baptist Church was held on Wednesday evening and financially as well as socially was a wonderful success. The church was decorated with the Harvest Offerings of the fruits of the field and when the guests sat down to the bounteous supper tables presented a charming appearance. The ladies of the congregation are justly famed for their skill and on this occasion excelled themselves, with chicken and all the fixins, in a profusion that taxed the appetites of the diners.

The Pastor, Rev. Martin Anderson, led in a prayer of thanksgiving tendering homage and praise for the harvest.

Following the supper the offerings of vegetables were auctioned to spirited bidding. Mr. Anderson acted as auctioneer, with such vigor that he was obliged to call upon the younger men to assist him. They quickly disposed of all their stocks, and the church today has a little nest egg of fifty dollars toward winter expenses.

The gross takings were \$51.80.

The Pastor and congregation have requested the Courier to extend their hearty thanks to all who contributed offerings of fruits and vegetables, candy and cake, and who in any way assisted in making the affair a success.

Victorian Order of Nurses Will Hold Rummage Sale

Rummage Sale—On Saturday next, Oct. 8th a Rummage Sale will be held for the benefit of the Victorian Order of Nurses, in the shop next to Mrs. Roop's and recently occupied by Mr. Williams. The Sale will begin at 10 o'clock in the morning. Will everyone kindly send in their contributions on Tuesday afternoon, as the shop will be open from 3 to 6 for that purpose. Mrs. Louis Morse is the Convenor of this Sale.

Lantern Slides on Chisamba Mission Shown in United Church, Smiths Cove

A good audience was present in the Smith's Cove United church last Monday evening to see the pictures of the Chisamba Mission in Angola, Africa. The missionary work of the United Church there was described by the pastor, Rev. E. W. Forbes as the views were thrown on the screen. The same pictures were shown during the week at Bay View and Digby.

Rally Day Service of Grace United Sunday School

The Rally day Service of the Grace United Sunday School was held last Sunday morning in the auditorium of the church. The scholars of the primary and junior departments marched up the aisles, each carrying a flower, which were placed by the teachers on a large white cross on the communion table while the choir sang "Outward Christian Soldiers". A flower hymn was also sung. The Rally Day Programme was entitled "We would see Jesus", and gave glimpses of the life of Jesus at various ages. Miss Florence Wallis gave a reading entitled "The Two Seekers". The attendance was 88 and the collection \$15.39.

Moose Season Opens Tomorrow

Digby sportsman are not going to wait for the 'cow' moose season to give them a chance at the monarchs of Nova Scotia's game animals. With the opening of the moose season tomorrow several parties of Digby hunters will be in the woods, and among the dozen of them ought to be "bring home the bacon" in the shape of tender moose steaks.

Dr. Victor Turnbull, Frank Hayden and Willard Reid left early in the week for Shelburne, taking a motor trip and planning on being on the hunting grounds at Lake Jolie tomorrow morning.

Ralph Cummings, Ed Webber and Stewart Winchester have taken the trail for Chisholm's Meadow, and Dr. McGregor, W. Cossabum, George Peters and Ralph Cogset have also picked the same locality to yield up good hunting.

F. W. Robinson, Harold Kiley and Eustace Dunn have abandoned the business of making money for the pleasures of the hunting season and are out for a big spread.

They are going in at Mississippi, Annapolis County, for the first part of their trip and will also spend

several days at Kempt, Yarmouth County.

Mr. Frank Anderson accompanied by his son Earl and Mr. Fred O'Neill picked out the back country at Middleton for their hunting ground.

Other hunting parties are being arranged and the Editor has visions.

On Motoring Tour

Mr. and Mrs. J. J. Wallis and their daughters Miss Florence and Miss Eleanor, left on Tuesday morning for Truro, where Miss Florence will attend the provincial Normal College. After a day in Truro the Wallises will continue to Parnsboro and Springhill, and it is quite likely will take a run up to Boston to visit their married daughter.

The Yarmouth County Exhibition A Success

Digby visitors to the opening day and the big day of the Yarmouth County Exhibition, report the Fair to be a wonderful success. The attractions this year are well up to standard and a record attendance marked the opening. The Exhibition closes tonight.

Quality and Service—Our Motto

Watson's Undergarments for Ladies

Tailored to fit
in just the
Style you want

If you have never worn Watson's Spring Needle Rib Underwear, these soft finely tailored garments will be a wonderful surprise to you—a revelation of comfort.

Being practically the only Spring Needle Rib Undergarments made in Canada Watson's, naturally have many exclusive features. The wonderful elasticity of the stitch puts them in a class by themselves. This elastic stitch allows the fabric to give with every movement, makes it resilient, snug, easy fitting. It makes the garment wear longer and no amount of washing can destroy the elasticity. The tailored idea will delight you too.

You can get Watson's Undergarments in many styles of Union Suits, Vests and Bloomers or Drawers. They come in the finest cotton, mercerized wool, silk or artificial silk, and in popular colors.

The Future of "Maritime Rights"

Those business men, politicians and patriots who led the campaign for the amelioration of conditions in the Maritime Provinces, and whose efforts to obtain a measure of justice for the East under the Confederation agreement, will view with feelings of alarm and fear the efforts to curtail Maritime Provinces representation at the National Convention of the Liberal Conservative Party, to be held next month in Winnipeg for the purpose of selecting a leader for the party.

Anyone who considers what progress has been made toward reviving faith and optimism in the Maritime Provinces, and who considers what still remains to be done before the Maritimes receives a full measure of justice, cannot but be afraid that the good work which has been commenced is exposed to attack, to defeat and to extermination if the new federal leader of the Conservative party be a man under control of interests opposed to the development of the Maritime Provinces.

Maritime Rights is and must continue to be an important factor of the politics of the Dominion of Canada for some years to come. To accept as full restitution for all our handicaps what has already been won and to be content not to press further the advantages gained, would be acknowledgement that our handicaps and disadvantages were theoretical rather than actual, and an admission that we were prompted by selfishness rather than a desire for fair play and the consideration which we are entitled under the Confederation agreement.

The decision of those in charge of the convention to exclude from attendance the weekly newspapers of the Dominion cannot but be looked upon as a blow aimed at the Maritime Provinces.

The exclusion applies to weekly newspapers all over the Dominion, to the weekly in Ontario and as well as to the weekly in Nova Scotia and New Brunswick and Prince Edward Island. But conditions in the Maritimes are not the same as conditions in central Canada. There are in Nova Scotia only two, or at most three, daily newspapers eligible to attend the National Convention. In the Province of Ontario, according to a recent issue of the McKim Newspaper Directory, there are no less than 27 Conservative daily newspapers. There are not a great many less in Quebec, and the enormous influence that the delegates of these may exert on the convention is a matter which cannot but alarm all residents of the Maritime Provinces. On the shoulders of the new leader of the Conservative party will rest the responsibility of carrying out the policy of the Conservative party. Whether as leader of the government or as leader of the party in Opposition, his actions, his policies and his every utterance on political and economic questions of the day will be decidedly important factors and it is important that whoever is chosen be a man who is prepared to concede to the Maritime provinces every measure of justice to which our position and condition entitles us.

The recovery of industry, of business, the new feeling of confidence and optimism which is apparent in the Maritime Provinces, as a result of the putting into effect of the Duncan Commission's findings, seem to be a matter for worry on the part of those whose desire it is to control the Conservative party regardless of that party's accepted obligations to the people of the

Maritime Provinces. With some measure for justification the Conservative Party lays claim to having organized and carried to successful issue the campaign for Maritime Rights. In this the Conservative Members in Parliament were supported by classes of people whose interest is not directly political, and the support given the Maritime Rights candidates in the last Federal election was a sure indication of the feeling of the great mass of voters. Some offset to the enormous influence of the central provinces must be found if the new leader of the Conservative party is to be representative of all Canada. Such is the view of Mr. Clarence Jameson, former member for this constituency, who is at present residing in Ottawa. Confirming the first report received by the Courier that weekly newspapers would not receive credentials to attend the convention Mr. Jameson says: "Action of the Committee will result in cutting down the Maritime representation seriously, as we have few dailies and many weeklies, while the central provinces have many daily papers. This means that as hitherto they will have undue influence in selecting the man who is to frame the policies for the Liberal Conservative party."

"I stand for the Maritimes and small communities as against the enormous influence of central provinces."

C. JAMESON.

Development of the Export Trade

An excellent move towards the full development of the resources of the province of Nova Scotia along the lines of dairying and general agriculture is the work being done by Dr. M. Cumming, former Secretary for Agriculture, in his new post as Director of Marketing. The agriculturists of Yarmouth county have received important benefit in the enlargement of their market for dairy produce, and in the development of an export trade in small fruits. This aid to agriculture cannot but have beneficial effect in promoting the development of the whole province as an agricultural district.

A further means of exploiting the resources of the province is offered in the suggestion which is made that the provincial government take a part in the development of tourist business. Such work as has already been done is well done, but so much remains still to do before the full benefit of our resources of climatic, scenic and other attractions for summer visitors are developed to the fullest extent.

The transportation companies offer a good example of what organized effort to increase the tourist business can do. A resident of New York, or Philadelphia, or St. Louis or Galveston, or of Nome, Alaska, for that matter, can drop into the offices of any railway company and come out with his whole tour, covering from several days to several weeks or months, arranged for and paid for. From the minute he talks Nova Scotia to any tourist bureau until he has been here and half way home again he is under the eye of the transportation company, watching for opportunity to render a service and to reap a profit. And in cities of the United States the tourist agencies have an eye open to "the main chance". If a tourist isn't sure he wants to come to Nova Scotia the agency is ready, more than ready, to switch him off to a resort in Maine or the Adirondacks, to swing him into New Brunswick or up into the resorts in Ontario or Quebec. The agencies have no direct interest in Nova Scotia. Wherever the tourist goes they get his money for services rendered and it is to their interest, as good representatives of the United States to educate him along the lines of "See America First". America in their opinion meaning the United States.

It is this attitude of the United States agencies that offers the great opportunity which is open to the government of Nova Scotia. Just as it was a wise move to appoint the best man available as Director of Marketing, it would be a wise

move to appoint a good man as director of tourist development. The tourist business offers as many opportunities for development as does agriculture and the returns to be gained from it are just as great and will benefit every bit as many people.

Establishment of a government bureau to handle the development of the tourist business will be the most important step that the government can take to increase the prosperity of the whole of Nova Scotia. The proper man, one who has the confidence of the transportation and hotel people, and who has sufficient vision to grasp the extent of the tourist business, can do much to educate the people of the province to the possibilities which the tourist business offers. By finding out what is available, by a campaign of education to teach the people in the province how best to cater to summer visitors and how to render full service for value received such a man could more than justify his appointment.

And by way of bringing definite results Nova Scotia tourist information bureaus established at strategic points in the United States would act as business getters for the railways and for every hotel and boarding house from Yarmouth to Cape North.

These offices should be located in New York and Boston at least, and should be fitted up as permanent exhibits of the natural resources of the province, with displays of trophies of forest and stream and lake and sea, with photographs galore, and all the detail of information which only a government department can collect. With these exhibits as permanent advertisements of the attractions for the province for vacationing travellers should be included the literature and booklets of all the hotels and transportation companies. And an efficient staff to handle the details and see that the literature was distributed to interested people could be kept busy all the year around. Under present conditions much of the money spent by hotels and boarding houses on booklets and advertising is wasted. Hundreds of well printed, attractive booklets reach tourist agencies in the United States only to be stowed away by some junior clerk who knows nothing of Nova Scotia and who is not interested. Live wire Nova Scotians, given the material to work with, and with a competent officer to direct their energies and follow up every prospect, would quickly double the number of summer tourists coming to Nova Scotia each year. And besides being tourist agencies these offices would be business agencies. From them could be directed all effort to develop Nova Scotia's markets in the United States.

King Radio First to Secure Patent Under New Regulations

Those most familiar with conditions in the Radio industry express the opinion that the issuance of licenses to responsible radio manufacturers will do much to clarify conditions in the industry, and eventually result in better merchandise and better prices.

The chaotic patent situation that has existed since radio has attained a position of importance has not been conducive to sound progress. With this situation satisfactorily settled radio will really come into its own.

The Canadian license covers the numerous patents originally owned by the Canadian General Electric Company, The Westinghouse Company, DeForest, Marconi, Northern Electric Company and The Standard Radio Company, and cover practically every phase of radio receiver construction.

It is worthy of note that the first Canadian licence to be issued was granted to King Quality Products Ltd., Bridgeburg Ontario.

Women's Institute Annual Agricultural and Horticultural Exhibit

The Women's Institute gave its annual Agricultural and Horticultural Exhibit in the Hall on Saturday afternoon and evening.

Although the summer season has been so wet, the show of vegetables and flowers was remarkably good, the orange colored squashes, pumpkins, melons and cucumbers being artistically grouped on a long table with backing of corn leaves. Behind them the whole stage was banked most beautifully with flowers, chiefly Gladiolus, Dahlias and Antirrhinum with Cosmos and many other varieties interspersed.

The charming arrangement of the flowers was due to Miss Inez Rice, while the vegetable display together with, in fact, the organization of the whole Exhibit is laid to the credit of our untiring Agricultural Committee in the person of Miss Ceneth Thomas. Another table prepared by her and her assistants, was representation of two contrasting cabin homes, "A House of Health" and "A House of Woe". The former was constructed of whole wheat bread with a jar of milk for a chimney, and the garden strewn with fresh fruits, nuts and raising; while a good fairy with white wings presided over the premises. The other was built of sweet cakes with a bottle of alcohol for a chimney, the garden path lined with unhealthy looking candies, flanked by a hoghead of castor oil, while a small black witch lured unthinking youth to its entrance. This display evinced much ingenuity and care, in its setting of small

"Yarmouth" will leave Boston on Mondays and Thursdays, at 1.00 p. m. Eastern Time, and leave Yarmouth on Tuesdays and Fridays at 6.30 p. m. Atlantic Time.

Back From Boston

Mr. Stanley Keen, who has been in Boston on a short vacation, recuperating from a busy tourist season, has returned home.

OLD TIME DRIVER AGAIN AT THROTTLE

When "The Confederation," the largest locomotive, not only in Canada, but in the British Empire, left the Canadian National Railway terminal at Toronto, to take part in the "Pageant of the Iron Horse," at Baltimore, Maryland, John Ryburn McIntyre, a pensioned engineer, who commenced his railway career 62 years ago, emerged from his retirement to take the throttle of "The Twentieth," the oldest wood burner in the Dominion, which was also brought from honorable retirement for the event. Together the two "pensioners" escorted "The Confederation" out of the yards to take the rolls for its trip to the big pageant which is intended to depict the evolution of rail transportation.

"The first locomotive I fired weighed 22½ tons," Mr. McIntyre remarked, as he looked over the old timer and compared it with the modern Canadian product, "and when I retired on pension the Grand Trunk system was putting in service locomotives weighing 227½ tons." By comparison, "The Confederation" type weighs 229 tons. Again, Mr. McIntyre noted that when he commenced his railroad career some of the freight cars had a capacity of eight tons. To-day many of the cars in service have a capacity of 40 tons.

Mr. McIntyre was born in Kilmarnock, Ayrshire, Scotland, in 1852. The family, like many other Scottish families, was attracted to Canada to share in the railway building of that period, and in December, 1863, at the age of 13 years, Mr. McIntyre began service with the Grand Trunk as a cleaner at Sarnia, continuing, except for a short interval, until he retired at the age of 65 years. Mr. McIntyre became fireman and then driver and saw some service with the militia during the second Fenian Raid—Canadian National Railway Photographs.

Two Tenderfoot Scouts Initiated

At last Friday night's meeting of the Digby Troop Boy Scouts two tenderfoot scouts, Rufus Connors, Jr., and Roy Mount, were initiated, passing their examinations in the Tenderfoot Degree.

The scout work is progressing nicely. All the scouts are ready for their second tests and some have worked into them.

The Scouts are going to be well warmed this winter, the kindness of supporters of the Scout Movement having provided for heating plant and fuel to guard against Jack Frost during the winter. The Scouts are more than grateful to their patrons and extend cordial thanks through the Courier.

Alberta's potential coal wealth is greater than all the known coal deposits in the rest of the British Empire put together, according to Sir Thomas Holland, chairman of the Empire Mining and Metallurgical Council, recently at Calgary. If the present endeavors to change coal into a fuel, capable of displacing petroleum, and all its products, are successful, Canada will take the place of the United States as the world's provider of fuel.

FEW FOLKS HAVE GRAY HAIR NOW

Druggist Says Ladies Are Using
Recipe of Sage Tea and Sulphur

Hair that loses its color and lustre, or when it fades, turns gray, dull and lifeless, is caused by a lack of sulphur in the hair. Our grandmothers made up a mixture of Sage Tea and Sulphur to keep her locks dark and beautiful, and thousands of women and men who value that even color, that beautiful dark shade of hair which is so attractive, use only this old-time recipe. Nowadays we get this famous mixture improved by the addition of other ingredients by asking at any drug store for a bottle of "Wyeth's Sage and Sulphur Compound," which darkens the hair so naturally, so evenly, that no body can possibly tell it has been applied. You just dampen a sponge or soft brush with it and draw this through your hair, taking one small strand at a time. By morning the gray hair disappears, but what delights the ladies with Wyeth's Sage and Sulphur Compound is that, besides beautifully darkening the hair after a few applications, it also brings back the gloss and lustre and gives it an appearance of abundance.

Hearing in Revenue Case Yesterday

Fred Vigneau, of Gilbert's Cove, on a charge of violation of the Inland Revenue Act was given preliminary hearing in Magistrate Taylor's court yesterday afternoon. The case arose from the seizure, by Inland Revenue officers on July 23rd, of 90 bags of Whiskey and 11 kegs of rum at Gilbert's Cove.

Mr. Theriault, of Digby, appeared for the defendant and Mr. Crowe of Middleton conducted the prosecution.

Attending Yarmouth Exhibition

Mr. Dalton McKinnon, manager of Jones Drug Store, and Mrs. McKinnon are on their vacation, visiting in Yarmouth during Exhibition week.

Enters in Training at Worcester

Miss Hilma White, of 110 Somerset street, Saint John, N. B., has entered the City Hospital, Worcester, Mass., as a student nurse. Miss White is the eldest daughter of Mr. and Mrs. John White, formerly of Centerville.

Repairing Roads in Roxville Section

Road Foreman Thomas Roulette is making temporary repairs to the Digby Neck Highway in the Roxville section. It is likely that the tractor grader, which has been for the past week in Weymouth section will commence operations on the Neck Road immediately.

Visiting in Digby

Mr. George F. Parker, Passenger agent of the Clyde Steamship Line at St. Petersburg, Fla., was a visitor in Digby on Wednesday and yesterday renewing old acquaintances. Mr. Parker left for Halifax yesterday morning and will leave on Friday for Yarmouth, where he will make his headquarters for another month.

Weddings

FRANKLYN-WINCHESTER

A very pretty wedding was solemnized in the Smith's Cove United Baptist Church on Wednesday evening, when Rev. W. G. Hysler of Deep Brook united in marriage Miss Maud Winchester, eldest daughter of Mr. and Mrs. James Winchester, Smith's Cove and Benjamin Franklyn of Acadiaville.

The church was decorated in honor of the occasion with autumn leaves and flowers, the bridal couple standing under a floral archway.

The bridesmaids were Miss Lucy Winchester, a sister of the bride, and Miss Helen MacGregor. Miss Blanche Woodman was the maid of honor and Robert Winchester, a brother of the bride was groomsmen.

Miss Winchester was given in marriage by her brother, George Winchester.

After the ceremony a reception was given at the home of the bride. Later the bridal couple left by automobile for Yarmouth. After a short honeymoon they will reside in Acadiaville.

Passes Civil Service Exams

Four of the candidates who wrote the Civil Service Examinations for the position of Junior Clerk in the Customs Office, Digby, have been advised that they turned in successful papers in the following order—Clifford Beaton, Harry Kirkpatrick, Garfield Hayden, James Merkel. They have also been advised that the appointment will not be made.

Nine wrote the examinations.

Mr. and Mrs. W. J. Gibbons, of Medford, Mass., who have been visiting Mr. Gibbons' parents, Mr. and Mrs. Thomas Gibbons, at Roxville, have returned to their home in Medford.
