1st Lieut. Jennie Mullen
1st Lieut. Jennie Mullen, A.N.C.-A.U.S., has returned to Walham, Mass., after spending her terminal leave with her parents Mr. and Mrs. Stephen Mullen, of New Tuskett, Lt. Mullen has just returned from 18 months' service with the 112th Evacuation Hospital in England, France and Germany. Since V-E Day the hospital has been set up in the picturesque Bavarian Alps in a hotel built for Adolph Hitler. This hotel was situated on Lake Chrimsee, one of Germany's largest lakes.
Lt. Mullen also served several months in the American Theatre. She has many interesting tales to tell of her travels and experiences. On her return she will be on inactive duty.

W.M.S. Hold Easter Meeting

The members of the W.M.S. of the Grace United Church were hostesses on Thursday to the Associate members from Smith's Cove, Bay View and Digby, when an afternoon tea was served following the special Easter program. The offering received through the Easter envelopes was \$23.45.
Mrs. C. E. Parker, president, presided throughout the service and others taking part in the program were Miss Bessie Chisholm, Mrs. T. W. Hodgson, Mrs. J. M. Wallis, Mrs. John Russell, Mrs. John Abramson and Mrs. Gordon Arnold. Mrs. Elton Arnold presided at the piano accompanying Mrs. Gordon Ellis as soloist also Mrs. Ellis and Mrs. Oakley Turnbull in singing a duet. The theme of the service was "We Shall Be My Witnesses." Miss Bessie Chisholm and Mrs. David Ellis poured during the tea hour.

Hold Farewell Party

A delightful farewell party was held in the Nurses' Residence of the Digby General Hospital on Monday evening in honor of George Milbury and Mrs. Milbury. Mr. Milbury recently resigned his position as janitor of the hospital and residence.
The evening was spent in games and singing and at the close of the evening the Acting Superintendent, Miss Mary MacDonald, R.N., presented Mr. and Mrs. Milbury with a lovely table lamp from the staff of the hospital as a small token of their appreciation of the splendid cooperation and courtesy extended to them by Mr. Milbury during the three years he had been on the staff. Miss MacDonald expressed the deep regret felt by the staff at Mr. Milbury's decision to resign his position and wished both him and Mrs. Milbury every success in the years to come.
Following the presentation refreshments were served and the party closed with everyone singing "For He's a Jolly Good Fellow."

Chief Given Leave of Absence

Chief of Police, F. J. Thibault was granted one month's leave of absence on account of illness, by the Town Council at their meeting Monday night. Mr. Thibault has been in poor health for some time and last week was forced to take time off from his job due to his condition. Fire Chief Stewart Winchester is relieving.

Overseas Bride Arrives

Mrs. Albert Smith, Digby's first overseas bride, arrived last week in Halifax aboard the liner "Mauretania." Accompanied by her little daughter, Rosemary, she reached Digby Friday morning.
Mrs. Smith, who is a Scotch girl, is the wife of former Pte. Albert Smith, son of Mr. and Mrs. Frank Smith, St. Mary's Street. Pte. Smith met and married her while on service in Scotland with the Forestry Corps.

Celebrated 90th Birthday

John Hardacher celebrated his 90th birthday on Saturday at the home of his daughter, Mrs. William Morine, Bear River.

HANDCRAFT MEETING, COURT HOUSE, TONIGHT

Miss Mary E. Black, director of the Handcraft Division of the Nova Scotia Department of Industry will be guest speaker at a public meeting to be held at the Court House, Digby, Thursday evening, April 4th at 8 o'clock. This meeting is being held in response to the local interest displayed in handcraft work during recent months, and is sponsored by a committee from the Handcraft Club of the Baptist Church. So many inquiries were received regarding various types of craft work while the club members were recently being taught by Miss Simone Belliveau, one of the Department instructors, that it was felt the time was perhaps ripe to form a community handcraft group in which all those interested in crafts might participate. It is hoped that everyone with taste or talent for any kind of arts and crafts from both Digby and the surrounding districts will be present to hear Miss Black's address on the work of the Department, the benefits to be derived from training in handcrafts, either as a hobby or a business, and to learn how the

Handcraft Quilts have been formed in other provincial centres during the past year or two. The attitude of the provincial government has been most helpful in promoting handcrafts to the extent of providing free instruction to those interested in weaving, leather craft, metal craft, etc. With other communities benefiting from this help, there seems to be no reason why the talent of our Digby county craftsmen and craftswomen should not receive similar training. For those who wish to market their products Digby is situated in an ideal location for summer gift shops, and for the hobbyists, there is the satisfaction of artistic creation, association with others of like interests with whom to exchange ideas, and the building up of community spirit through learning to work together.
It is hoped that a large number will come to hear Miss Black's address and help to decide whether or not Digby is interested in forming a Handcraft Guild. Remember the date, April 4th, at the Court House.

Yarmouth Invades Digby

Over one hundred and twenty senior pupils of the Yarmouth Schools "invaded" Digby on Friday and swept everything before them.
Yarmouth girls defeated the girls' team of Digby Academy in a fast, well-played game of basketball to the tune of 19-14. The game was very fast and the teams closely matched. The score was closely held until the latter part of the game when Yarmouth definitely took the lead, scoring a win with a five point margin.
In the evening the Yarmouth boys' team, who are to compete in Halifax for the Provincial title, defeated the Digby boys with a score of 17-9 in their favor at the halfway mark. Yarmouth began to clip this score in the second half and at three quarter time had made the count 18-15, still in Digby's favour. In the last quarter of play Yarmouth really turned on the heat, holding Digby scoreless while running up eight points making the final count 23-18 in their favour. In this game, although the Digby boys were outclassed in both weight and speed, they really made a splendid showing by holding the Yarmouth provincial finalist to a five goal winning margin.

Following the boys' game a debate was held between pupils of the two schools on the resolution, "Resolved that the prestige of Great Britain is declining." Students from Yarmouth Academy upheld the affirmative while Digby supported the negative side of the resolution. The Yarmouth group, headed by Fred Burrill, won the decision which was unanimous. Other speakers for Yarmouth were Audrey Prosser and Ken Kempton. Digby's speakers were Eugene Handspiker, Shirley Hamilton and Ron Cowan. Judges were Rev. Leo Murphy, E. J. Theriault and V. G. Cardozo. Chairman of the debate was Bill Winfield. Although the arguments put up by both sides were very good, Yarmouth had a very definite edge both in argument, presentation and delivery and the decision of the judges met with the hearty approval of the audience.

Following the debate the Yarmouth visitors were guests of the students of the Academy at a dance in the Community Hall. Music for the dance was supplied by the Yarmouth school orchestra. The debaters, judges and officials and members of the Yarmouth teaching staff who accompanied the pupils were guests of the faculty at a luncheon at the school. The Yarmouth group left at midnight in three chartered buses to return home, a tired but happy and victorious bunch of students.

The friends and neighbors of Mrs. Charles Trimmer, of Mount Pleasant, are sorry to hear that she is seriously ill at the Digby General Hospital and wish her a speedy recovery.

Housewives Contrive to Stretch Butter

Growing understanding of the reasons for butter rationing are reflected in many suggestions being received by the Wartime Prices and Trade Board on ways that families can make their butter go farther.

Many housewives report that they have instituted regular buttermilk meals, sometimes one a day, in their homes. Most families appear to value butter most at breakfast, according to a W.P.T.B. official and give this meal a priority even if it means running short for other meals.

Some housewives report that to ensure even distribution of the short ration among members of the family they cut it into small pats as in restaurants and serve one to a person. Another mother, who has only a husband and son to feed, offers a suggestion that suits small families. As soon as she receives a pound of butter, she cuts it into four quarters. One she reserves for cooking and the other she places in small dishes for each member of the family. It is their own responsibility to make this stretch until the next pound is cut.

For families who love pancakes for breakfast or supper but find them hard on butter and syrup another housewife suggests a way to stretch both rationed foods. She heats the syrup which she considers enough for the meal, then stirs in the allowance of butter she is letting the family have.

South Range

A surprise party was held at the home of Mr. and Mrs. Percy Hill in honour of their daughter, Irene Hill, the occasion being her sixteenth birthday. A large number of her friends attended and she was the recipient of many gifts. Games were played, refreshments served by her two sisters, Mrs. Myron Marshall and Miss Gladys Hill. A very enjoyable evening was spent by all.

Miss Daphne Mullen, teacher, spent the week end with her girl friend, Miss Flora Mullen at the home of Mr. and Mrs. Nelson Thibault, at Sissiboo Falls.

Miss Gladys Hill, of Digby, spent the week end at the home of her parents, Mr. and Mrs. Percy Hill.

Cpl. Myron Marshall has returned to Halifax after spending a few days with his wife here. He also attended the funeral of his grandfather, the late Beecham Height, of North Range.

Mr. and Mrs. Russell Shortliffe and children, Joyce and Allan, spent Sunday at the home of Mr. and Mrs. Norman Taylor, Plympton.

Miss Faye Marshall, of Marshalltown, has returned home after spending several weeks with her grandparents, Mr. and Mrs. Hantford Marshall.

Establishes Shipbuilding Here

A shipbuilding shop has been set up in the former Reserve Army Barracks by E. A. Chappell, who, until recently, was in the Canadian Navy.

Mr. Chappell states that he has several contracts for the construction of scallop draggers and fishing boats. At present his men are repairing the scallop dragger, Gonac, which was badly damaged by fire some months ago.

It is expected that when Mr. Chappell's plant gets in operation in about two weeks' time he will employ from 8 to 12 men. Necessary machinery is now on order and work will commence as soon as this arrives.

More Service Men Return Home

Several Digby servicemen will be aboard the giant French liner Ile de France when she docks in Halifax sometime on Friday. Among these will be L/Cpl. S. J. Melanson, Plympton; Pte. J. L. Purdy, Digby; Pte. J. A. Thibault, Hectanooga; Pte. L. J. Hill, Bear River; Pte. I. A. Mullen, Digby; Pte. H. F. Walker, Digby.

Also aboard the Ile de France which is carrying over 2,000 service personnel and 697 dependents of Canadian soldiers, sailors and airmen will be several wives of service men from Digby Co. Among these are Mrs. Frances Comeau, husband Pte. G. J. Comeau, Belliveau's Cove; and Mrs. Mary Comeau, husband Bdr. D. J. Comeau, Weymouth.

The British aircraft carrier "Premier" which docked in Halifax, Sunday, March 31, brought with her one returning service man from Digby County, Pte. J. B. Robicheau, Meteghan, and one service man's wife from the county, Mrs. Josephine LeBlanc, husband Pte. N. J. LeBlanc, Saulnierville. Mrs. LeBlanc was accompanied by her little daughter.

Purchases Large War Plant

The purchase by Studebaker of one of the Dominion's largest war plants was announced in Ottawa recently by D. C. Gaskin, vice-president and general manager of The Studebaker Corporation of Canada, Ltd.

Mr. Gaskin's disclosures, which follow an earlier statement by the Hon. Colin Gibson, Minister for Air, who announced final ratification of sale agreements between government officials and Studebaker executives, also included extensive plans for the manufacture of Studebaker passenger cars and trucks in Canada.

"This Hamilton factory will give us the most modern automobile production facility in Canada," said Gaskin. "In addition, we will be advantageously located to deliver cars, trucks and parts to customers. The site is convenient for either rail or water shipments and drive-aways to the major concentration of the Canadian automobile market."

Mr. Gaskin explained that new equipment will be installed in the plant as soon as it is available. He said the company hopes to begin operations within a few months and employment will be created as rapidly as it is possible to do so.

The property involved in the transaction is a one-story structure covering approximately seven and one-half acres which was built by the government in 1940 for the manufacture of anti-aircraft guns. The construction is of steel, concrete and brick, with wide window expanses along its L-shaped frontages.

The layout of the more than 300,000 square feet of this building is described by Mr. Gaskin as admirably suited for automobile production. It contains ample clearance for heavy handling equipment and more than 30,000 square feet of office space in a second floor over sections of the manufacturing area.

Besides the building, which extends 806 feet by 524 feet at its greatest depth and width, Studebaker has purchased additional vacant property adjoining the plant for future expansion. Altogether, a site of approximately twenty acres is involved in the transaction.

Town Council Meets

Although Monday night's session of the Town Council was one of the longest in the history of the present Council little but routine business was dealt with.

A delegation from the Board of Trade appeared before the Council asking the Council's assistance in securing information regarding the possibility of the Board securing the Rink building at Cornwallis. It was decided that the clerk should write the War Assets Corporation regarding the matter.

E. J. Theriault appeared before the Council and presented a petition from the merchants of the town asking that the Council pass a by-law governing store hours with in the town. The proposed new by-law would enforce the Wednesday afternoon store closing throughout the year with certain exceptions.

Norman Wright, appearing on behalf of his father, O. Wright, asked that consideration be given to keeping the stores open on Wednesday afternoons during July and August. He pointed out that Digby was a tourist town and that much revenue would be lost to the town if the stores were closed on Wednesday afternoons during the summer months. He stated that his father was not opposed to the principle of the by-law but felt that the stores should be allowed to remain open during the summer months.

It was decided by the Council that since there seemed to be some contention regarding the matter, it be referred back to the Retail Merchants' Association to be brought before the Council at a later date.

Permission was granted by the Council to the Canadian Legion to bring Lynch's Shows to Digby sometime during the first two weeks of August.

Permission was also granted the C.G.I.T. to hold a Tag Day on Saturday, April 27th.

A letter from the Provincial Department of Tourist and Industry was read stating that this department wishes to secure a plot of land within the town in order to erect a permanent Tourist Information Bureau. The letter stated that the Department would like a quotation on a lot about 100 feet square on the northwest corner of the Town Park. This matter was turned over to the Commons Commission for action.

Illegal Dumping Discussed

The matter of dumping and garbage disposal came in for considerable discussion at Monday night's meeting of the Town Council. It was stated at the meeting that a great deal of indiscriminate dumping of garbage and other refuse is being carried on in the town and that many unsightly and unhealthy conditions are being created by this dumping.

Attention of the Council was drawn to the fact that refuse is being dumped at the entrance to the Anglican cemetery, at the Town Reservoir and other places in the town. The waterfront of the town is also becoming littered with refuse, creating a most unsightly mess. It was decided that this matter be brought to the attention of the Police Committee and that the Town Police be given instructions to check on the matter and take action to bring the offenders before the courts.

An application was received from Gerald Bailey for a license to operate a garbage collection and disposal business within the town. It was decided that this matter be turned over to the Finance Committee to draw up a set of regulations under which this business should operate. It was also suggested that all truckmen who handle garbage should be licensed by the town in order that a close check could be made on the disposal of this garbage to prevent the indiscriminate dumping that is now going on.

Well Known Editor Buried

Funeral services for Don F. Fraser, ex-M.L.A., and noted editor of New Glasgow's weekly "The Eastern Chronicle" took place yesterday afternoon from Westminster Presbyterian church, New Glasgow. A Past Grand of the Masonic Order, and past Grand High Priest of the Royal Arch Masons, the funeral was held under Grand Lodge auspices.

Harold Milton, Field Secretary Acadia University, will be the preacher at the Digby Baptist Church on Sunday.

Lumber Shortage Causes Delay

Shortage of heavy timbers needed for wharf repairs has caused a delay in making repairs to the spur pier. It was stated last week. Every attempt has been made to get the material but it is not available. Other wharf jobs requiring heavy timbers have been held up by the shortage also, it is claimed.

It is understood that a substantial bonus was offered a local party, who stated these timbers could be procured, but to date this bonus has not been collected.

The Board of Trade has been agitating for repairs to the spur for some time but, although efforts have been made to speed up the work, they are greatly hampered by the lack of material.

Use "Electric Eye"

Digby's street lighting system is now controlled by an "electric eye", a device which operates on the principle of the photo electric cell automatically turns on the street lights at a certain stage of darkness and turns them off automatically at the coming of daylight.

Previous to the installation of the electric eye street lights were operated by an automatic clock which was hand set to turn the lights on or off at certain hours each day. The new system is an improvement as lights now come on automatically as soon as dusk descends so that on dark nights the lights come on at an earlier hour, while when the evening is light they are delayed.

Annapolis Dramatists Win

Players from the Annapolis Royal Academy won the semi-finals for the Sipprell Trophy in the second annual Competitive Drama Festival for Digby and Annapolis Counties in the Community Hall last Wednesday evening against Digby Academy students.

The winning play presented by the Annapolis team was a comedy drama, "The Red Lamp." The play, under the direction of Miss Mildred Francis, was well presented and well cast. Top performer of the evening was Audrey Gilliatt who portrayed the character of an irascible old maiden aunt in the Annapolis play. Other Annapolis performers were Jean Parker, Diana Wallace, Carl Bancroft, Charles Dondale and Bill Goucher.

The play presented by the Digby team was a farce entitled "Whodunnit." The cast was composed of Shirley Snow, who, in her portrayal of the talkative maid turned in the best performance for the Digby team; Aileen Winchester, Ruth Lent, Barbara Underwood, Bill Winfield, Gene Handspiker and George Chipman. Judges for the evening were Mrs. H. Anthony, Roy Smith and Mr. Sproule and Mr. Currie from Acadia University. Master of Ceremonies was Ronald Cowan.

The Annapolis team went down to defeat in the finals against Bridgetown Academy at Annapolis Friday evening. The Bridgetown players presented "Sugar and Spice," a romantic comedy which won them the Sipprell Trophy. Adjudicator for the finals was Professor Sipprell, Director of Dramatics at Acadia University.

Veterans Entertained

Veterans of St. Patrick's Parish were entertained at a "Welcome Home" supper party by members of the C.Y.O. in St. Patrick's Auditorium last Thursday. Nearly forty veterans, their guests and members of the club attended the affair.

Guest speaker of the evening was F. C. Purdy, Principal of Digby Academy and former Squadron Leader in the R.C.A.F. Mr. Purdy spoke of his experiences while with the airforce and devoted much of his address to anti-submarine work carried on by the airforce along the coast of Nova Scotia. At the close of his talk Mr. Purdy was tendered a vote of thanks on behalf of the gathering by Kenneth Raymond.

The hall was very tastefully decorated for the occasion with streamers of green and yellow crepe paper and the tables were decorated with yellow daffodils and green candles.

Present at the supper were Rev. Leo Murphy, Rector of the Parish and Rev. Father Stone, of Annapolis.

About This and That

Members of Parliament who seek salary raises or tax concessions at this time are setting the country a poor example in the opinion of The Financial Post. Editorially it states: "As expected, the ill-timed action of Dominion members of parliament in voting themselves a tax-free boost in salaries has stirred up similar desires elsewhere. The members of the Ontario Legislature now seek to have their \$2,000 indemnity freed of income tax. 'Not only did Dominion M.P.'s set a shocking example by raising their remuneration at a time when all salaries were supposed to be frozen, but they set a most dangerous precedent by claiming for themselves a tax exemption which is denied the private citizen. There is little doubt that members of parliament are underpaid and until this situation is corrected we run the risk of not attracting the best citizen into public life. But offering a tax concession that is denied everyone else is certainly not the way to handle the problem. The whole success of the income tax hinges on its equal distribution. Provided all share equally in the burden then it will be borne. If some are granted relief than the flood gates are open to every sort of pressure and abuse."

PI iNes

Under the heading "All the Facts Should Be Revealed" the Halifax Herald carried the following:

"Twelve Nova Scotians lost their lives when the coastal steamship Robert G. Cann sank in the Bay of Fundy on February 15; since that time there have been most disturbing rumors and reports throughout western Nova Scotia where the vessel was best known."

"An inquiry was opened last week in Saint John at which evidence of several witnesses was taken. Certain facts concerning the Robert G. Cann were disclosed at that hearing but they have not in the opinion of the public especially in the Bay ports, served to clear up the situation completely."

"In view of the seriousness of the tragedy which involved a major loss of life, the number of persons engaged in coastal transport, the passengers and freight dependent upon similar vessels, it would seem that the Cann investigation should be extended. This is not a matter for local debate and report nor is it one for trial in the columns of newspapers. The place to get at the facts is in the Bay of Fundy neighborhood—Tiverton, Westport, and other more or less isolated centres, whose citizens may not have had an opportunity to appear in Saint John."

"The inquiry should be thorough if the proper conclusions are to be reached. Those who have relevant information should be bound in conscience and given an opportunity to present it to the Admiralty Commissioners. It is in the interests of all that this be done, first that there may be justice in the case of the Robert G. Cann and second, that all necessary measures be taken to prevent so far as humanly possible, a repetition of the disaster."

There is little point in our adding anything to the above—we certainly agree the investigation should be carried to the Island ports of Tiverton, Freeport and Westport—and also to Yarmouth.

We enjoyed Mr. Russell's letter published in last week's Courier and regard his suggestion an excellent one. However, we wish to point out that it has not been the intention of the Courier at any time to "decide" what form Digby's War Memorial should take any more than Mr. Russell has "decided" on the Memorial through his excellent suggestion. Our contention has always been that the final decision should be a matter for the veterans themselves. Nevertheless, we have in the past and will continue in the future to pass along suggestions offered by interested citizens including veterans of World War I and World War II.

We quote the following from P. Lines, October 19, 1944:

"The committee appointed to make the choice should decide

ciated by those in whose memory it will be erected had they the choice to make. Perhaps a public library, a memorial park or playground, a civic building and auditorium. Perhaps a modern school house."

The following is taken from P. Lines, October 26, 1944:

"There have already been comments on the suggestion made last week that the memorial erected to honor the dead of this war should be something other than a figure carved from stone or cast in bronze. One suggestion is that a new town hall be erected to provide facilities not only for civic administration, but also for a public library and auditorium."

Service Rendered by Chartered Banks Much Better Understood

In this week's issue of The Statesman appears the first advertisement in the new 1946 institutional advertising campaign put before the public in behalf of the Chartered Banks. It is now getting on for ten years since the Chartered Banks instituted a Public Relations Department and during eight or nine of those ten years the banks appear to have acted upon the sound assumption that the best way to hold the proud place they occupy in this nation's economy is by means of an informed public opinion. Each year a strong advertising campaign has been carried on by the bankers in which not only the daily newspaper is used but in which the unique influence of the weekly newspaper is fully recognized. These advertisements deal with the services that banks perform so well under our system of free enterprise, and appear in a very wide range of weekly newspapers.

It is a fact that at least the vast population served by the weekly newspapers have become much better informed about the banking system through these advertisements over the last eight to nine years. Ill-informed criticism of the banks which formerly was very widespread has diminished to a degree which is little short of spectacular. Popular understanding is much more manifest. We think it is due to the intelligence with which the bankers have approached their problem and the skill with which the facts about banking have been presented in these advertising campaigns. The new campaign will be welcomed by the public. It looks like a telling piece of work.

Highway Accidents Increase

Since the end of gasoline rationing in the province there has been a marked increase in accidents, deaths and injuries on the highways, the Department of Highways and Public Works reports. The last three months of the fiscal year showed an increase

Digest of News of the Province

Reconstruction Council Sees Improvement

In its recent monthly meeting the Nova Scotia Regional Reconstruction Council forecast a slight easing in the building supply situation and a consequent favorable effect on the employment situation throughout the province. The establishment of a woodworking plant in Cumberland county and the location of a new shipbuilding yard in Digby county were among the proposals dealt with by the council.

Haddock Most Valuable

The haddock fishery brought in the greatest single return for Nova Scotia fishermen during value of \$176,896. Cod was a very close second—the 4,423,300 lbs. catch worth \$175,615 to the fisherman. The total catch amounted to 9,932,100 lbs. with a landed value of \$479,174. The catch showed a decrease of 758,000 lbs. and the landed value in comparison with February '45 was less by \$30,668.

Nova Scotia Second

The marketed value of Canada's fisheries production reached a new high in 1944, the total of \$89,419,000 representing an increase of 4.5 per cent over the preceding year. Salmon, cod, herring and lobsters were most valuable in marketed value in that order. Nova Scotia was second to British Columbia in value of marketed production with 26.4 per cent of the Dominion total, B.C. having 39 per cent.

Public Utilities Board Busy

Trams Carry Millions

Nova Scotia's two tram systems, the Cape Breton Tramways and the Nova Scotia Light and Power Co., Ltd., in Halifax, carried a total of 37,266,646 passengers in 1944, an increase of 1,825,324 over 1943. Nickels, dimes, and pass money amounted to \$2,529,837. The revenue from the Halifax street cars was \$2,112,573.

Gordon T. Purdy, Liberal, Colchester, in his initial speech in the House of Assembly expressed hopes that plans be finalized for a new Agricultural College in Truro, embracing all three provinces of the Maritimes. He pointed out that approximately half of the population of the Maritimes are interested in agriculture. He also expressed his desire that the government would seriously consider a new Normal College for Truro. He strongly advocated the buying of Nova Scotia made products.

Russel Cunningham, C. C. F., C. Breton east, leader of the opposition in the House of Assembly pleaded with the government for action on their part to alleviate the serious unemployment situation in the Cape Breton industrial area, as soon as possible. He asked for opening of coal seams in the Morien and other areas to provide more jobs for Cape Bretoners. He said there were millions of tons of coal in the Tracy seam and the development of this and surrounding areas would absorb the 3000 workers forced into unemployment.

WAR-TIME PRICES AND TRADE BOARD QUESTIONS AND ANSWERS

Q—I know that three sugar-preserves coupons were declared valid during March but I was told that three had been declared valid during April. Is this correct?

A—Yes. Three coupons become valid: \$5 on April 4 and \$6 and \$7 on April 18. This is not extra sugar but is part of the yearly plan for sugar distribution. The extra coupon will enable consumers to secure additional preserves, such as maple syrup, during April.

Q—How much maple syrup may I purchase for one sugar coupon?

A—Each sugar coupon is valid for the purpose of 80 ounces (two quarts) of maple syrup at this time of year. We are receiving many enquiries about maple syrup as various shops will not sell 80 ounces at one time. In such cases you would be able to purchase canned fruit jams, jellies or other rationed sweets for the remaining value of your coupon.

Q—Recently I ordered a birthday cake at my bakers and he asked me to give him three lbs. of sugar to be used in the cake. When I received the cake I was quite sure it could not contain such an amount of sugar. Are bakers allowed to make such requests?

A—As you know, the amount of sugar allowed bakers has been drastically cut and they are unable to make the specially iced cakes such as you ordered. However, whether or not you give the

Postage Rates Explained

To the Editor of the Courier:
Sir:—From letters appearing in the Press and others reaching this Department it is evident that there is a misunderstanding on the part of the Canadian public in regard to parcel post rates to other countries and restrictions on articles which can be shipped to the United Kingdom and continental countries.

A chief criticism is that "exorbitant" postage rates are levied on parcels of food and comforts to Europe. As you undoubtedly realize, the problem of relief to countries in distress is not primarily one coming under the jurisdiction of the Post Office Department. Assurance can readily be given however, that this Department is both willing and anxious to do all in its power to help.

It might be explained that parcel post rates from Canada to other countries are determined by the cost of land and sea conveyance, as well as charges which must be paid for transit services provided by other Postal Administrations.

For example, parcel post to the continent of Europe is routed via the United Kingdom. In the circumstances, the British Postal Administration, as well as the country of destination, must be paid for their services in handling the parcels. In the case of

parcels addressed to the United Kingdom postage is shared to meet the delivery expenses of the United Kingdom Postal Service. Then our postal charges are designed to cover out-of-pocket expenses.

If authorities in other countries are able to make reductions in their charges for handling our mail, the Canadian Post Office will promptly pass along such reductions for the benefit of the Canadian mailer.

The restriction placed on the contents of parcel post, i.e., the 7 lb. limit for food, and of not more than 2 lb. of any variety to the United Kingdom did not originate with the Canadian Post Office but was imposed by British authorities in the light of their own domestic conditions. One reason being to protect their rationing system, also it is claimed that morale would be adversely affected if there were no restrictions on foodstuffs from overseas and the privileged few with friends in Canada were able to receive unlimited quantities while their neighbors were strictly rationed.

The feelings of Canadians with

friends overseas can readily be understood but they can rest assured that the Post Office is seeking to afford the best possible service and at the lowest possible cost under current conditions.

Home and School Association

The regular monthly meeting of the Belliveau's Cove Home and School Association took place on March 26, with Mrs. Ralph Doucet presiding and 24 members present.

Mrs. Charles Belliveau, secretary, read the minutes of the last meeting and these were approved as read.

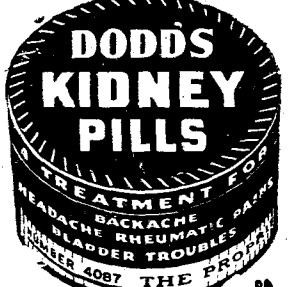

After a short business period, the president reported on the Founders Day celebration at Church Point, which she had attended as delegate.

Then Mrs. E. O. Theriault conducted a quiz, after a reading on the life and work of St. Patrick.

Albert Belliveau transmitted Mrs. Silver's message regarding memorial tree planting. Before the adjournment of the meeting a sing-song, under the direction of Mrs. Disc LeBlanc, was enjoyed by all.

Riot, Blast Losses High

Riot and explosion loss to Nova Scotia Liquor Commission stores amounted to \$5,881.36, according to a statement of operations in the Public Accounts of the province recently tabled in the Nova Scotia Legislature. The liquor stores showed a surplus of \$7,223.410 in 1945—the highest in the history of the province.

Consider Magazine Protest

In reply to a statement by Geoffrey Stevens, Liberal, Halifax East, that the Provincial Government not only protest against an expansion of the Bedford Naval magazine but ask for "its complete removal" from the area, Premier Angus L. Extension of Salvation Army activities to rural communities throughout the Dominion, a radically new departure for The Salvation Army in Canada, is to be carried out. It has been announced by Lt. Col. H. Chas. Tuttle, National Public Relations Secretary. Rural Social Service Units are to be set up in hundreds of small communities where there are minor or no Salvation Army activities. There are now 416 Corps in Canada and 718 "outposts" visited by Salvationists. Rural Units will have as members prominent residents acting as volunteer Salvation Army representatives, who will take over the responsibility for conducting welfare programs.

Rev. J. E. DeLong is very ill at his home here.

Bruce Parsons, Halifax, was a business visitor in Digby on Monday.

Guy E. Morehouse was a business visitor to Halifax and Yarmouth last week.

A Dairy Programme

"With the approach of spring and the opening of the Farmer's New Crop Year, it is wise for the dairy farmer to take stock and make plans," suggests C. Eric Boulden, Principal and Professor of Animal Husbandry, Nova Scotia Agricultural College, Truro, N. S.

Much of course depends on the weather both for pasture during the summer and for hay production for winter storage; but the farmer who plans ahead is better situated to meet adverse weather and more likely to benefit by favorable conditions.

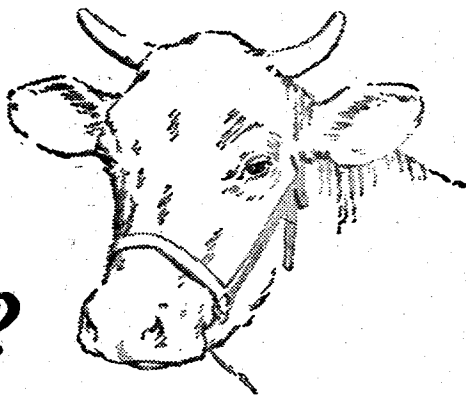

The United States Department of Agriculture and the Dairy Industry Committee have outlined an eight-point programme for

their dairy farmers for the year 1946 that might very well be adopted by the Nova Scotia Department of Agriculture as follows:

1. Feed each cow for economical production.
2. Improve grass lands to save milk dollars.
3. Use best methods of curing roughage to retain feed value.
4. Keep production records for better herd management.
5. Breed for improved herd replacements.
6. Produce quality milk and cream for greater returns.
7. Plan lay-outs, equipment and methods to cut labor costs.
8. Maintain herd health for maximum efficiency.

Warble Flies Cost Milk, Beef and Money

"It is possible almost completely

What's In It?

WELL, a food chemist would say... almost 8% butterfat, about 6% protein, about 10% milk sugar, about 2% minerals... and that's fully twice the amounts you would find in regular milk. For Carnation Milk is regular pasteurized milk with enough of the natural water taken out to double its food values. And it has a big extra share of "sunshine" vitamin D. So whenever you want more food value, use Carnation as it pours from the can; for regular milk use, add an equal quantity of water. Carnation is Canada's largest-selling brand of evaporated milk.

A CANADIAN PRODUCT "from Contented Cows"

IT PAYS TO SOW THE RIGHT SEED

For your field crops this year choose the best variety for your location, from this list prepared by Prof. Kenneth Cox, Provincial Agonomist and Professor of Agronomy, Nova Scotia Agricultural College, Truro, N. S.

OATS:

Erban, Beaver, and Ajax, all medium early, moderately resistant to leaf rust; Beaver also resists stem rust. Mabel, early, moderately resistant to leaf rust. Vanguard, medium late, moderately resistant to leaf rust.

Banner and Victory, medium late, both susceptible to leaf and stem rust. Do not use feed oats for seed.

BARLEY:

Charlottetown, No. 80, two-rowed, medium late, widely grown in Nova Scotia. Montcalm, six-rowed, medium early, a new and promising variety. O. A. C. No. 21, six-rowed, medium early, shatters rather badly; probably will be replaced by Montcalm.

SPRING WHEAT:

Coronation II, medium late, resistant to rust. Regent, early, resistant to leaf and stem rust.

WINTER WHEAT:

Kharkov 22 M. C., bearded, red chaff and kernel. Rideau, bearded, white chaff and kernel.

WINTER RYE:

Horton, especially recommended for early spring pasture and cover crop. Rosen, Crown, Dakota and Cornell 45, all quite suitable.

SWEDEN TURNIPS:

Ditmar's Brown Top, suitable for both stock and table use. Laurentian, purple top, special table turnip also suitable for stock feed. Acadia, purple top, primarily for stock feed, but suitable for table use. Wilhelmsburger, green top, resistant to club root, suitable for stock feed and table use.

MANGELS:

Frontenac, yellow, intermediate; Prince, white, intermediate, to long; Yellow Intermediate; Danish Sludstrup, yellow, intermediate. All high yielders.

CORN:

Longfellow, open pollinated, reasonably early; Algonquin, varietal hybrid, reasonably early; Hybrid the word "Hybrid" does not designate a specific variety, as there are many hybrids or cross-bred corns, ranging in maturity from 85 to 200 days. Choose one whose maturity dates coincide with your normal climatic conditions.

RED CLOVER:

If at all possible buy only Canadian-grown seed, as many imported lots will not live through Nova Scotia winters. While specific varieties are not common, yet regional strains of red clovers are fairly well established.

Mr. and Mrs. Sherman Prime and son, of Weymouth North, visited the former's parents, Mr. and Mrs. Clarence Prime on Sunday.

Mrs. Eben Doucet, of Havelock, spent the week end at the home of Mr. and Mrs. Louis MacAlpine.

Most Counties Need Seed Potatoes

In response to an inquiry sent out by R. J. MacSween, Director of Marketing, Halifax, the majority of Agricultural Representatives report a scarcity of seed potatoes. Owing to the danger of infecting our potato crop with Bacterial Ring Rot, it is too big a gamble to use imported table stock for seed and therefore it is good business for the individual farmer to plant Certified, or better, Foundation A or Foundation seed potatoes. Local Farmers' Organizations, seedsmen, or the County Agricultural Representatives will be glad to supply information on where to get disease-free seed potatoes and the cost.

"GOOD NEIGHBOR" SUGGESTIONS for party-liners

Before calling, please listen to see whether the line is in use. If it is, hang up gently and try your call again a little later.

When talking, remember your party-line neighbor—he may want to make a call—so please be reasonably brief.

Between calls, try to allow a little time so the other people on the line may have the opportunity to use it.

Ask the children to follow these good neighbor suggestions, too.

Thanks a lot.

'LIFE'S BIGGER MOMENTS'

To a young man with a big new job

So you finally got the break you wanted... and now you've got that "airborne" feeling. The first thing you'll do, no doubt, is to grab a telephone and pass the good word along to That Certain Person. And the next thing we hope you'll do is to settle down and do some brass-tack thinking. Now you have that bright new job, it's a grand time to check over your future and make sure of getting some of the things you really want. By that we mean check such things as your Life Assurance programme. You'll find the problems of Today a lot easier to face if you don't have any fears about Tomorrow.

How about calling in the North American Life representative NOW, and talking over that rosy future of yours? Have him show you how your steadily increasing income can guarantee you steadily growing independence, and adequate protection for your family.

THE WOMEN'S MISSIONARY SOCIETY OF THE UNITED CHURCH.

The Women's Missionary Society of the United Church of Canada, Bear River, met at the home of Mrs. A. W. Chute, on Friday afternoon. Mrs. James Brooks conducted the meeting. The worship period was led by Mrs. George Crosscup. Many interesting reports were given and it was decided to hold a public meeting on April 25th, when the thanksgiving envelopes will be received and an interesting programme given. Further details of this will be given later. Brief reviews of the books were given, one by Mrs. R. H. Purdy, on the life of Dr. Albert Switzer, and one by Mrs. Brooks on "Minasoga"—both very interesting. The prescribed reading course is being carried on as we did in 1945. One new member was welcomed. The W. M. S. fills an important place in church life, and with the Mission Band, accomplishes good work spiritually. Each year the allocation is met, showing that the members realize the value of the service given.

MARRIAGE

Cress - Rice

A quiet wedding took place on Saturday, March 16th, at the Baptist Parsonage, Deep Brook, when Rev. T. F. McWilliam united in marriage, Mrs. Leta Rice, of Bear River, and Sydney Cress, of Waldec. They will reside in Bear River.

Mullen - Payne

On Saturday, March 23rd, a wedding of interest took place at the home of the groom's parents, Rev. and Mrs. H. C. Mullen, of Meductic, N. B., when Miss Dana Shirley Payne, of Boston, Mass., became the bride of Vernon Willis Mullen, in the presence of immediate relatives and friends.

The bride was becomingly gowned in a street length dress of blue with black accessories, and carried a bouquet of white carnations. She was attended by her sister, Mrs. Muriel Moore, who carried a bouquet of pink carnations.

The groom's mother wore a corsage of pink carnations. The groom was supported by his brother, Rev. Wilbur H. Mullen, of Wollaston, Mass. The ceremony was performed by the groom's father, Rev. H. C. Mullen, assisted by his uncle Rev. L. T. Sabine, of Island Falls, Maine.

Guests from a distance included Laurence Mullen, of Wollaston; Mrs. Muriel Moore, of North Attleboro, Mass.; Harold Hatheway, of Fredericton, and Rev. and Mrs. L. T. Sabine, of Island Falls, Me.

Mr. Mullen was a Flying Officer with the R.C.A.F., receiving his discharge in the late summer, while the bride is a graduate of Eastern Nazarene College, in Massachusetts.

Following a buffet lunch the party motored to Fredericton, where they will reside, and where the groom is a student at the University.

OBITUARY

Ralph E. Haines

Ralph E. Haines, 73, passed away recently at Bainesville, Oklahoma. The late Mr. Haines was a son of the late Mr. and Mrs. William Haines and was born at Hainesville (now Hill Grove) Digby County, and is survived by his son Ralph Jr., and a daughter, Mary Ellen, of the University of Oklahoma faculty. Mrs. Edward McKay, of Sandy Cove is a cousin.

Fred E. Haines

Fred E. Haines, 83, former widely known contractor who built several Olympia Theatres in the New England States, and a real estate dealer, died at his home, Lynn, Mass., on Monday morning, March 25, following a lengthy illness.

Born in Digby, Mr. Haines was formerly connected with the Lynn firm of Davis, Haines & Davis, constructors of many Lynn edifices, including Olympia Theatres in Lynn, Salem, Gloucester, Beverly and Boston. He had been a resident of Lynn for over 70 years and was a member of the Washington Street Baptist Church and a member also of the Poquanum Tribe of Red Men.

Besides his widow, he is survived by a son, Earl Haines, and

radio recordings, newspapers and cut flowers, to name only a few. Air express service has recently been extended to include the United Kingdom, certain countries in Continental Europe, Africa, Asia, West Indies, Central and South America.

Air Services Extended

The extension of the Maritime Central Airways Service to Greenwood and Yarmouth, on March 11th forged another link in the chain of Air Services in the Maritime Provinces, efficient service by Air Express to points served by the Maritime Central Airways and connecting Air Lines.

Air Express has provided a fast service between all points in Canada, Newfoundland, and the United States, and it's worth has been proven by the varied articles that have been transported, such as drugs, penicillin, repair parts,

via the skyway highway. The extension of Air Services has truly placed the markets of the world within quick, easy reach of manufacturers, importers, and exporters. That the business world realizes this fact is evidenced by the astounding growth in the totals of Air Express in 1938. By 1945 this figure had grown to nearly one million pounds. The Commercial Air Lines in the United States carried, in the year 1944, a total of thirty-one million pounds of Air Express, comprising one million, six hundred thousand shipments.

Returned from Overseas

Cpl. Pierre-Fernand Deveau, son of the late Dr. A. J. Deveau and Mrs. Emelia Deveau, has returned from overseas where he served two years in the Army in France, Belgium, Holland, and lastly in Germany, where he was severely wounded in his right leg and spent three months in an English hospital. On his arrival on the Ile de France at Halifax he was met by his mother and family. A reception was tendered

The practising of choruses and other numbers for the big Kiwanis show to be presented after Easter was part of the program at Monday night's supper meeting. The show is being staged under the direction of Mrs. Helen Anthony. Rehearsals to date indicate it will be one of Digby's outstanding amateur theatrical successes.

Speaker at the meeting was Bruce Hunter, of Round Hill, inspector of fisheries for Annapolis County, who told something of forestry and game fishing in Scotland as compared with Nova Scotia. Alonzo MacLellan, of Yarmouth, lieutenant-governor for the Kiwanis District will pay an official visit to the Digby club next week.

Free Treatment

The Department of Health intends to provide free treatment for tubercular patients in Nova Scotia, starting the early part of this summer, said Health Minister Dr. F. R. Davis, addressing the House of Assembly. The state of health in the province has reached "the most satisfactory level in the recorded history of the Department" he reported, and the general death rate, he said, was the lowest ever recorded. A great decline in mortality from tuberculosis has been noted.

He who gives what he would as readily throw away, gives without generosity; for the essence of generosity is in self-sacrifice. —Sir Henry Taylor

him at the residence of his brother, Felix Deveau, on their new farm near Lunenburg. At the banquet he was presented with a costly gift. He also had another reception by his brother, Rev. Fr. R. N. Deveau, curate at Bridgewater. Then on Tuesday evening last week, accompanied by his mother, they arrived here at their old home which is occupied by a brother, Bernadin Deveau, and a sister, Mrs. Adelard Comeau, where they had on that occasion a family reunion and after a sumptuous repast they spent an agreeable and very interesting evening. The mother, Mrs. Emelia Deveau, who is an excellent pianist, gave a good selection of her repertory, which was very much appreciated.

Feed Your Enemies

There came to my doorstep one cold winter morn
A poor crow, who appeared most
distrest and forlorn.
His feathers all seemed to be
turned the wrong way,
And try as I might, could not
drive him away.
Said I "You're a thief, there's
a price on your head,
I wish all the crows in the coun-
try were dead."
"I know it", said he, "And my
head may be sold.
But please feed me now, I'm so
hungry and cold."
I turned on him then and in
haughty disdain,
I opened my lips to berate him
again.
Then flashed this command, with
instructions complete,
"Does thine enemy hunger? Then
give him to eat."
I grumbled no more, uttered
never a word,
But tended and fed that bedrabb-
led old bird,
Til he up and away, to his tribe
I suppose,
To boast of his luck to the bro-
therhood crows.
Next summer, of course, he'll dig
out my corn.
He'll perch on the scarecrow and
laugh me to scorn.
Will he visit my henyard? Not a
shadow of doubt
That my trusty old shotgun must
put him to rout.
Be that as it may, there is one
thing I know,
I'm glad that I fed that poor
starving old crow.

Change Calendar to Suit Weather

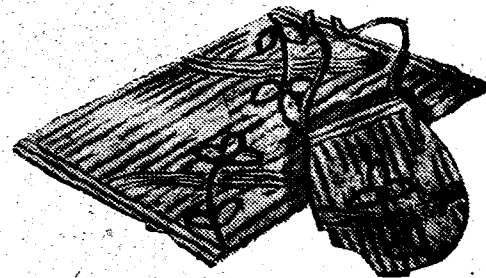

The suggestion is made locally that the first four months of the year be placed in the new order of January, February, April, March in order to suit local weather conditions. For the past two years we have been getting our April weather in March, last year we had our March weather in April and indications are we can expect the same this year. So far, with April not one week old, the month has brought us more snow than we saw during the entire month of March. Tuesday's snowfall was one of the heaviest of the season. Monday's temperatures were hardly of the April variety. Unofficial thermometer readings in

town varied from 12 to 20 above. Yesterday the weather began to moderate and the milder weather is making short work of the snow. It is noted that few Digby citizens got out their snow shovels—thy figured nature would soon go to work for them.

The annual meeting of the Annapolis Valley Affiliated Board of Trade will be held with the Kingston Board in Oddfellows Hall, Kingston, on Wednesday evening, April 17th, beginning with a banquet at seven o'clock to be followed by reports and election of officers. A number of resolutions of general interest to the Valley area will also be considered.

Victorian Order Takes On New Projects

Two hours of industrial nursing each Tuesday at the plant of H. T. Warne Limited, and the formation of a Mother Craft class of ten students were the two new projects of the Digby Branch of the Victorian Order of Nurses started during the month of March. Prior to the beginning of the Industrial Nursing at the Warne plant Miss Saunders, the local V. O. nurse, gave a talk on the Metropolitan Group Insurance and Industrial Nursing.

At the Mother Craft classes children are taught to make beds, take temperatures, bathe babies (by using life-size dolls) and other home-making projects.

The Order is also providing visiting nurse service for war veterans at the request of the National office of the Department of Veterans' Affairs. The local branch, like other branches all through the Dominion, is undertaking its share of the work. Miss Saunders report for the

month of March revealed 173 visits had been made and 110 cases cared for. Thirty-four attended the well-baby conferences. The nurse also spent 28 hours in the schools giving 129 consultations and 59 minor treatments. Nine classroom health talks were given.

The entertainment committee reported on their plans for a party sale for the Saturday before Easter. A canvass for food and cash donations is now being made.

Rev. T. W. Hodgson, president of the Branch, welcomed two new members, Mrs. E. D. Dickie and Kenneth Beckwith. F. C. Purdy, who has also been named to the Board, accepted his appointment by letter, stating in his letter he considered the services of the nurse in the schools alone were enough to justify the existence of the Order in Digby.

This year of 1946 marks the 25th anniversary of the establishment of the Order in Digby and the local board is making plans for the observance of the anniversary.

Westport to Vote On Village Supply

Sheriff Guy D. Dunn has granted a poll for plebiscite in the Brier Island village of Westport for the purpose of voting on whether or not the village will incorporate under the Village Supply Act. Polling day has been set for Wednesday, April 24.

Voting will take place in the Bank of Nova Scotia building at Westport from 9 a.m. until 4 p.m. The municipal voters' list for the village will be used.

Two Digby County villages, Weymouth and Freeport, have already incorporated under the Village Supply Act, Weymouth, in 1921 and Freeport in 1923.

Incorporation under this act gives the villages the power to provide electric street lighting, police protection, water and sewage and other privileges that are enjoyed by the larger incorporated towns.

Discuss Organization of Handcraft Guild

Miss Mary E. Black, director of the Handcraft Division of the Nova Scotia Department of Industry, addressed a capacity audience at the Court House last Thursday night. Miss Black's address dealt mainly with the work of her department in organizing community handcraft groups throughout the province. She stressed the importance of such groups and the wonderful work that can be accomplished through such organizations. She outlined the steps necessary to form a handcraft Guild in a community and at the close of her talk answered many questions concerning the work of the Guilds and the ways and means of organizing.

Faye Saunders, V. O. Nurse, was chairman of the meeting with Harriet Campbell, secretary. Kay Durling acted as registrar

and at the close of Miss Black's address many who were present enrolled for the various handcraft courses.

A Nominating Committee consisting of Mrs. Helen Anthony, Mrs. A. J. Dillon, Mrs. H. M. Warne and Mrs. E. J. Theriault from Digby Town and Mrs. J. Murley, Mrs. E. Payson, Mrs. J. Smith and Mrs. Jefferson from the surrounding districts were officers for the Handcraft Guild appointed to bring in a slate of officers for the Handcraft Guild to be formed from the various groups registered at the meeting. It was decided to have another meeting in two weeks' time to receive a report from this committee. In the meantime the interim committee should be in charge.

At the conclusion of the meeting refreshments were served.

Canada's new Governor-General, Viscount Harold R. L. G. Alexander, C.B., C.S.I., D.S.O., M.C., his wife, Lady Margaret, and their three children arrived in Halifax on board the White Star liner Aquitania. Also on the ship are 975 wives and children of Canadian service personnel, 69 C.W.A.C., 7 Nursing Sisters and a number of civilian passengers. Of the 975 dependents, 38 wives and three children are bound for homes in Nova Scotia and Prince Edward Island. Among the C.W.A.C.'s and N/S's are ten whose homes are in Military District No. 6.

Party Tendered Captain Rawding

Neighbors of Capt. Bob Rawding tendered him a surprise birthday party one evening recently on his 80th birthday. For many years Capt. Rawding has sailed the seven seas. Foreign ports, now familiar through war, are to him "home towns" of fifty years ago when his proud four-masted schooner, brigantine, etc., plowed through sun and storm, laden with spice, rum, salt and other strange cargoes; past the bleak Aleutians to Hong Kong and Singapore or the blue waters of the Mediterranean—then home to old New York or Halifax. The ladies of Clements-ville locally famous in the culinary art outdid themselves for this occasion. Bridge, Bingo, Cribbage and Chinese Checkers provided gay entertainment and many happy memories of this worthwhile evening in honor of "Capt. Bob" will linger in the minds of all.

Celebrate Golden Wedding

Mr. and Mrs. Herbert A. Holmes, of Arlington, Mass., celebrated their golden wedding anniversary on March 19th. Mrs. Holmes, the former Lennie A. Coggins, of Westport, was married to Mr. Holmes at Centerville, on March 19, 1896, by the Rev. J. C. Morse. Mr. Holmes, who was with the Boston Elevated for thirty years, is now retired. They are both members of the Tremont Temple Baptist church, where Mrs. Holmes is a member of the choir, and Mr. Holmes belongs to the Temple Brotherhood.

The couple held open house at their home, at 16 Jason Street and many relatives and friends called to congratulate them.

Among the relatives was their son, Ronald, and his wife with their four children; also a niece, Mrs. Edwin Ellis, with her husband; two grand nephews, Arthur and Randall Spooner and wives. There were neighbors and friends from Tremont Temple. The happy couple received many gifts of flowers, including a bouquet from the Temple choir and a large centerpiece of "golden" flowers from their grandnephews. There were a pair of beautiful vases encrusted with gold, from their son and family; an antique candy dish handpainted in gold, from Mrs. Leon G. May, a niece; a pair of gold decorated salt and pepper shakers from Mr. and Mrs. Edwin Ellis, and many other useful and decorative gifts. Mrs. Holmes cut a delicious wedding cake and refreshments were served. Father Time has passed lightly over this smiling couple and Mrs. Holmes, in her smart black gown with velvet corsage, made a charming bride, for the handsome, white-haired groom. Their many friends wish them the best of health and happiness.

BOARD OF TRADE URGES LIBRARY

A resolution urging the town council to adopt the regional library plan for the town of Digby was passed at Tuesday night's meeting of the Board of Trade. Under the plan regional libraries would be established by the government from Shelburne to Digby. The cost to the town would be \$975 a year for which books and a librarian would be provided. The town would be called upon to provide accommodation for the library and assistant librarian would serve on a voluntary basis. It is understood Miss Marion Gilroy will address a joint meeting of the town and municipal councils at a later date regarding the matter.

Alonzo MacLellan, Yarmouth, Lieutenant-Governor for the district of Kiwanis, was speaker at Monday's supper meeting of the Digby Kiwanis Club, the occasion being his official visit. The Lieutenant-Governor was introduced by H. M. Warne, president of the Digby Club.

During the course of his address he pointed out the blessings that have come to individuals, business and organizations as the results of misfortunes and depressions. He pointed out there are many today who are "on top" because they refused to admit or acknowledge they were licked—and in many cases they were licked and didn't know it with the result they carried on and won.

In his opinion the "depression" during the early 30's was in a large measure responsible for the international success of Kiwanis. The club, organized in 1915, was at first more or less a mercenary organization. Its original motto "We Trade" is an indication of that fact. Later, Kiwanis adopted "We Build" as its motto and widened its scope to the building of character and communities.

The depression which followed the prosperous days of the late 20's brought want and distress to the country. Kiwanis was one of the first to realize the responsibility of relieving some of this distress, with the result that out of the depression came the Kiwanis program to help underprivileged children, to support the churches and other high ideals that are born out of by this organization.

Chester Levy moved the vote of thanks to the speaker.

Before his address the Lieutenant-Governor inducted Clarence Hill as a new member of the Digby Club.

Kiwanian Hal Campbell displayed a fine table model Cross-Bay Radio to be drawn at the forthcoming Kiwanis Minstrel Show. Tickets will be on sale at the Digby County Power Board. A minstrel show and play rehearsal was conducted by Mrs. Anthony after the meeting.

SUDDEN DEATH OF MRS. W. C. WARRINGTON

The death of Evelyn, wife of W. C. Warrington, occurred suddenly at her home, Maiden Lane, shortly after the noon hour on Friday of last week. Mrs. Warrington, who appeared to be in good health, was stricken with a heart attack shortly after the noon meal, and passed away within a few minutes. She was well known throughout the town and because of her cheerful ways and her many neighborly acts of kindness she was loved by all who knew her. She will be missed by a host of friends and neighbors.

She was the only child of the late Mr. and Mrs. Harris Bowles, of Digby, and was active in many community affairs. She was a Past Noble Grand of Zelma Rebekah Lodge. Left to mourn their loss are her husband; two daughters, Edna, at home, and Evelyn, in Halifax; and one son, Harris, of New York, who arrived in Digby to attend the funeral.

Funeral service, attended by the members of Zelma Rebekah Lodge, were conducted at the residence on Tuesday afternoon. Rev. T. W. Hodgson of Grace United church, officiating. Interment was in Fairview cemetery.

OBITUARY

Mrs. George Yorke

The death of Mrs. Yorke, widow of George Yorke, a well known resident of Bear River, occurred at the home of her niece, Mrs. Loran Wright, Waldec East, on Sunday, following a long period of poor health, aged 75 years. Mrs. Yorke was formerly Hattie Cress, daughter of the late Mr. and Mrs. Fitz Cress, of Waldec. She is survived by four sons, Howard and Vernon, of Bear River; Lewis, of Kentville, and Owen, of Aylesford; one daughter, Gladys (Mrs. Lynch) of Lexington, Mass.; three brothers, Rupert, Killiam and Clarence, all of Waldec; one sister, Mrs. Thomas Shaw, of Waldec. The funeral was held yesterday afternoon from the Baptist church at Clements-ville, conducted by the pastor, Rev. C. S. Young, with interment in the Clements-ville cemetery.

B. E. Haight

The community of North Range was saddened to learn of the sudden passing of Beecham Ethan Haight, which occurred at his home on Monday, March 25. He had reached the advance age of 88 years and had been in failing health for some time although confined to his bed for only a short time. Surviving are ten children: Herman, South Range; Byron, Hill Grove; Gladys, Mrs. Eli Marshall, South Range; Ada, (Mrs. Frank Haight), North Range; Roland, Lowell, Mass.; Muriel, (Mrs. John Haight), North Range; Elma, (Mrs. Guy Brown), Annapolis County; Clarence, Acaciaville; Clyde, Weymouth; Warren, North Range; three brothers, Arthur, Augustus and Wiswell, all in the United States; thirty-seven grand children and several great grand children. His wife predeceased him a year and nine months. The funeral service was held at the United Church at North Range, conducted by Lic. Bernard Manzer, and interment was in the United church cemetery at North Range.

Tilghman Johnson

The death of Tilghman Johnson, 93, leading figure in the civil and banking life of Wilmington, Del., died in the Delaware Hospital, in that city, on March 28th. He had been active in business life for many years, having only retired as vice-president of the Wilmington Trust Company in 1943, after serving in that capacity since 1918. Mr. Johnson, who started his business career with the Philadelphia Coal and Iron Company, was admitted to the Delaware bar in 1877. He was well known in Digby, and for many years, with his daughter, Mrs. Lindsay, spent his summers at Tour Lodge. He took a keen interest in the affairs of the town and contributed generously to many local worthy causes.

HOLD FAREWELL PARTY

The Senior Class of St. Patrick's Academy, held a farewell party Monday night at the home of Margaret Thibault, for Norah Mayne, daughter of Lieut. H. W. Mayne, M.B.E., and Mrs. Mayne, Norah, a native of Victoria, B.C., has been a most popular student at St. Patrick's for the past three years. As is now going to live in Dartmouth, as a souvenir from her classmates a silver identification bracelet was presented her.

Ramblings of a Rolling Stone

Letter to the Editor: Sir:—

Perhaps the Editor will be inclined to consign this to a transient resting place in the W.P.B. (Not the War Production Board) after, and perhaps before, he has made the discovery that there is a trace of criticism, not very skillfully hidden, somewhere between that part of the effusion which ought never to have had birth and that other and more desirable part, the coming of which will seem to have been so unnecessarily delayed.

Some weeks, or perhaps months ago (Time is getting in so much of a hurry these days that I have considerable difficulty in keeping the impatient old gent with the hourglass and scythe in sight, much less getting within hailing distance of him) that I am not just sure when it was, but this I know that there were some caustic, though constructive criticism of certain features which stand, or stood out prominently in some of the news notes from the towns and villages of the county. The Editor may have had ample reason for his complaining, but that he should, at this late date, assume the role of an Iconoclast is something of a surprise.

The newspapers here which feature country news show exactly the same type of news notes, using the same phraseology as was in vogue during the closing decades of the last century, and up to the present those who are occupying the local swivel chairs have not uttered one word of complaint.

It may be, though, that a knowledge of certain short comings which are present in the Inner Sanctum, acting as a sort of a deterrent rather than a counter irritant, have tended to keep a weighty monkey wrench on the safety valve to the end that no splutterings have revealed the extent of pent-up wrath which may, even now, be bearing the limit of "two-way stretch."

— set down to the reason, if any, which lies behind the foregoing "pungent and pithy" remarks.

This present week information has come to me that there is some sort of insect pest, or blight, some of the hardwood and spruce trees in portions, at least, of Digby Co. Yet up to the present I have never seen any reference, either direct or indirect, to the fact that such a condition exists.

Only the bald statement that such a condition exists has come to me. I do not know whether all of them are the victims of this devastating visitation and because of the limited information that has come to me I am asking for some further enlightenment through the columns of the Courier.

It may be that no inkling of the destruction which is stalking through the hardwood ridges has as yet reached the editorial ear. If this is true, then these correspondents who have a knowledge of these conditions are, in truth, very much remiss in their reporting. On the other hand if there was a failure on the part of the

(Continued on page 4)

The Y's Men's Club met at Jersey farms, Monday evening with Dr. Dudley Dickie as Chairman. Supper was followed by a short business period at which time there was some discussion on money making projects to support Club activities. The matter was left in the hands of the Directors. Three members volunteered to be present at the Club Pack meeting on Friday evening to give any needed assistance.

Jack Brittain, speaker of the evening, gave a very informative address on oranges. Since people of the town of Digby spend in the neighborhood of \$40,000 a year on oranges and other citrus fruits the subject proved to be of keen interest to all present. About one hundred crates of oranges and grapefruit are handled by Digby merchants each week.

Mr. Brittain who recently returned from a visit to an orange plantation in Florida, had first hand information. The orange trees are planted some fifty to the acre. Any citrus fruit may be grafted on any one tree so it is not unusual to see oranges, grapefruit, and tangerines growing on the same tree. The lemon tree is slightly different and is not grafted to the other types. The more common varieties of oranges are the Pineapple which is an early fruit and the Valencia which matures in February. Another variety, the Navel, is increasing in popularity. The Temple variety which is a cross between an orange and a tangerine is common and is a very nice tasting fruit.

The India River area, where Mr. Brittain visited in Florida, is a heavy producer and is well known. The grapefruit grown in this area is very much sweeter than that of other areas.

The majority of producers in this locality market their fruit from roadside stands and by mail order. They receive up to four hundred orders per day for 1/2 or 1 bushel quantities. There is a very heavy traffic on the highway through the valley and the roadside stands display locally made jellies, marmalades, pecan nuts, and fresh fruit. Prior to this year they boasted "all the juice you can drink for 10c. A normal day's business for one of these roadside stands is \$150 to \$400. There is no crating expense to the producer as all fruit is sold in mesh bags. Strange as it may seem the fruit is not cheap—a 1/2 bushel bag of oranges sells for \$1.25.

One orange tree will produce from 15 to 20 cases of fruit each year at \$3 per case, while a grapefruit tree will produce from 40 to 50 cases.

Orange trees have two blooms each year. There is the early bloom about the last of February while the fruit is still ripening on the tree and the late bloom about the last of April. The tree is constantly producing.

HANDCRAFT GUILD TO MEET

It has been announced that a further meeting of the Handcraft Guild will be held shortly after the Easter holidays. The Baptist Handcraft Club committee will act as an interim committee until organization of the Guild is completed.

All of those interested in craft work are asked to get in touch with Mrs. E. S. Eaton, Mrs. H. M. Warne or Mrs. F. L. Anderson.

Teeners Initiate Members

A very spectacular initiation of new members was carried on at the regular meeting of the Teeners' Club Friday night. The new members, Barbara Underwood, Doris Webber, Viola Melanson, Dick Abbott and Earl Turnbull, were required to undergo a rigorous initiation, reminiscent of college fraternity initiations, before being allowed entry into the Club. Part of this initiation required that they appear on the streets and at school until Wednesday attired in some rather outlandish costumes and bedecked with a variety of placards.

Considerable work is being done by the Teeners in the decoration of their Club Rooms. The colour scheme is the colours of the club, blue and white. The walls are being painted a light blue, set off by dark blue bands. Overdrapes for the windows are being made of blue and white homespun material and other ideas embodying the blue and white motif are being carried out. All this work is being done by the Teeners themselves.

A start has been made by the Club on a Library and a number of books have been secured through donations from citizens of the town. The Club has hopes of starting a small lending library to extend beyond their own membership.

HOLD "WELCOME HOME" PARTY

Members of the Conway Club held a delightful "welcome home" party for the veterans of the Conway district, at the Jersey Farms Hotel, Tuesday evening.

The address of welcome was given by Mrs. Freeman Wilson and was responded to on behalf of the veterans by Baden Powell.

Over sixty veterans attended the party and an enjoyable evening was spent in games, etc., and a number of valuable prizes were distributed. The door prize—a basket of groceries—was won by Harold Sulis.

At the close of the evening a lunch was served by the members of the Club.

Great credit is due the Conway Club for their splendid effort in arranging this party when it is realized that there are only eight members in the Club.

HOSPITAL APPOINTS SUPERINTENDENT

Miss Elsie Yetman, former superintendent of the Dawson Memorial Hospital in Bridgewater and until recently of Iroquois Falls, Ont., was appointed superintendent of the Digby General Hospital at Monday night's meeting of the Hospital Board. Miss Yetman's appointment is for a three-months' probationary period.

William Vidito was appointed janitor of the Hospital to succeed George Milbury, who recently resigned the position.

Considerable discussion was had at the meeting concerning financial matters.

A Sweet Producer

A sweet tree to own would be the large maple tree that grows on the front lawn of Mr. and Mrs. George Gates, of Granville Ferry. So far this season the tree has yielded six quarts of maple syrup and two pounds of maple sugar.

Recent reports tell of an alarming shortage of school teachers.

The cessation of hostilities and the subsequent return of teacher-veterans has not, apparently, brought much in the way of relief to a situation that has been acute since the early days of the war.

It is also understood that only a few of those teachers who left their class rooms to take on war time jobs are returning to the teaching profession and that new recruits to this profession are not forthcoming in sufficient numbers to begin to fill the vacancies.

Today, in our province, plans are being made for the erection of modern, well-equipped school houses. Rural High Schools are to pass out of the dream stage and become a reality. But, without the right teachers these modern houses of education will be a mockery.

First of all, the teaching profession must be made attractive to the best of our young men and women. This can only be done by adequate salaries and decent living conditions. In the years just passed 7th and 8th grade pupils from some of our rural schools have actually earned more during their summer vacations than their teacher received for her year in the class room!

Under such conditions is there any wonder teachers sought other work? Is there any wonder they are not returning to the profession for which they trained? Is there any wonder recruits for the teaching profession are becoming fewer and fewer every year?

Undoubtedly teaching is the most important of all professions for it is the teachers who mould the minds and shape the characters of the children of our nation. They can be given no greater responsibility. It is our responsibility to insist that this responsibility be entrusted to teachers who are adequately trained—and to see that those teachers are sufficiently paid to enable them to live comfortably and continue their education.

Memorial Question Requires Thought

To the Editor of the Courier.
Sir:—Thanks for your kind handling of my letter of suggestions and if I've misunderstood you somewhat in the past, I'll try to do better in the future.

My first suggestion is, however, not the important part of the letter, for it only calls attention to the fact that a memorial may take one of several forms.

The gist of the letter is in the second suggestion, and I feel that unless we ask the kith and kin of those who have given the utmost that a man can give, for us to decide what form the memorial shall take, such a memorial will be nothing but a monument to the promoters of the scheme.

The action would be more than a kindly gesture, more than a thoughtful consideration. It is a right that these folk possess, by their participation in a sacrifice.

The people of Digby should know how the committee of the Legion and the Legion itself, deal with this matter.

Nova Scotians Publish Own Paper in Germany

Named after the Nova Scotia emblem, printed by the only Nova Scotia unit in the Canadian Army Occupation Force and with an editorial staff from the Maritimes, the unit newspaper "The Mayflower" has been keeping members of the North Nova Scotia Highlanders well informed on both unit and world news each Sunday since last September.

The Editor-in-Chief, Lt.-Col. D. F. Forbes, D.S.O. and Bar, E.D., is from Sydney and Tatamagouche; the Editor, Capt. R. E. Hart, calls Halifax home; Saint John, N.B., is home to Assistant Editor Pte. J. R. Izzard; the Sports Editor, Lieut. G. E. Cook, hails from Truro, N. S.; the "Construction Manager," Pte. W. A. Saylor, is from Digby, N. S., and is the only man on the whole staff who has had previous newspaper experience; the Art Editors and cartoonist are Pte. R. A. Finch and Pte. E. D. MacKay. Finch comes from Halifax and the latter is a son of Mr. and Mrs. Emdon MacKay, of Digby.

The fact that paper appears in a variety of colors from time to time is not due to "wacky" policy—the staff has been unable to ensure an adequate supply of white newsprint and is compelled to use whatever color paper is available.

But that is a minor difficulty in publishing a weekly newspaper in CAOF. After finding a suitable press in Varel, Germany, it was necessary for the staff to carry out extensive repairs to the damaged equipment. The German printers understood no English.

Spring Fishing at Little River

The Little River waterfront presents a busy scene these days while fishermen are making their preparations for spring fishing. Boats are hauled up for painting and are being generally overhauled.

It is understood that at least six weirs will be in operation between Little River and Long Beach this summer. Floats are now out for driving weir stakes, although we are advised some of the weirs are already staked and are now ready for brushing and twine.

Our Little River correspondent advises Capt. Darrell Chaney has purchased a seine and plans to carry on seine fishing out of Digby.

Lobsters are reported scarce both in the St. Mary's Bay and Bay of Fundy areas. The high prices paid the fishermen has been their only salvation, but even at present prices we are told the value of the catch in the Little River district will be below that of last year.

and it was necessary to carry on all consultations through an interpreter. The fact that one issue rolled off the press with the thermometer standing at 26 degrees spotlights the constant struggle with the heating problem.

All the "cuts" used in the paper are made in Bremen. This means a couple of trips weekly to that famous German port, as well as frequent visits to Hamburg for the necessary zinc and paper. Floods in Bremen and breakdowns with the folding machine are merely added inconveniences to these hardy veterans.

Capt. Hart, telling the newspaper's history, emphasized the fact that all work on the paper is voluntary and is all carried on after normal duties are completed. All copy has to be in the office by Monday afternoon. The material is edited Monday evening, and by Tuesday night the first proofs are usually set up. By Friday night the layout is generally complete and Saturday the "Mayflower" goes to print on the flat press at Varel, to be distributed on Sunday morning. A total of 1,300 copies is run off weekly, giving each man a copy and allowing an outside circulation of several hundreds—many of which go to Maritime newspapers on an exchange basis.

The men are very proud of their Christmas, 1945, issue, the front page of which was printed four times before it satisfied the editors.

When your BACK ACHES...

Backache is often caused by lazy kidney action. When kidneys get out of order excess acids and poisons remain in the system. Then backache, headache, rheumatic pain, disturbed rest or that "tired out" feeling may soon follow. To help keep your kidneys working properly—use Dodd's Kidney Pills. Time-tested, popular, safe, non-habit-forming. Demand Dodd's Kidney Pills, in the blue box with the red band. Sold everywhere. 135

Mr. Nubbly is going nowhere fast...

(A SIMPLE TALE TO SHOW HOW BANK CREDIT WORKS)

EVERY month Mr. Nubbly buys raw materials for his small factory. And every month his suppliers offer him 2% discount on his bill for cash within ten days.

But Mr. Nubbly seldom has it. His customers don't pay him for 30 to 60 days. So he loses his cash discounts every month... and that amounts to plenty in the course of the year.

He can get off his merry-go-round quite simply. He can borrow from the Royal Bank to pay cash for his supplies and earn the discount every month. The cost of the loan is far less than the discount he can earn.

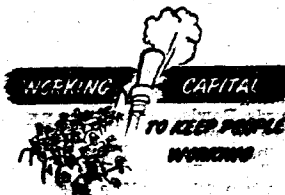

This is one of the many ways the Royal Bank serves the nation's everyday business needs, contributing to the stability and growth of thousands of individual enterprises both large and small.

Fish, Game Asso. Annual Meeting

Nearly seventy fishing and hunting enthusiasts gathered at the Myrtle Hotel last Wednesday evening for the annual meeting and banquet of the Digby County Fish and Game Association.

Many interesting films depicting wild life in the province were shown to the meeting and Mr. Watson, Fisheries Officer from Kentville addressed the meeting.

Considerable discussion was had regarding the possibility of securing a fish rearing pond for the county and the meeting was informed that a government official would investigate the matter.

The matter of putting in fishways at Weymouth and Sissiboo Falls was also discussed. It was pointed out at the meeting that during 1945 there had been 400,000 trout distributed in the lakes and streams of the county.

Oakley Smith presided at the meeting in the absence of President C. C. Nichol, of Weymouth.

Tendered Shower

On Saturday evening, March 30, a post nuptial shower was tendered Mr. and Mrs. Frederick Hudson at the home of the bride's parents, Mr. and Mrs. Roy Westhaver. A very enjoyable evening was spent with games and social conversation. The couple were showered with many lovely gifts. Refreshments were served at the close of the evening. The bride, who before her marriage was Miss Bessie Westhaver, was employed in Digby for several years. The groom recently returned from overseas. They are planning to reside at Port Wade.

The first half of the 10-pound allotment of sugar for home canning will be available to consumers with the validating of sugar-preserves coupons S8 and S12 on May 2nd, the Wartime Prices and Trade Board announces. Provision for the purchase of the second half of the allotment will be made on July 4, when five more sugar-preserves coupons, S17 to S21, will become valid. These 10 coupons will be in addition to the two regular "S" coupons valid monthly during May, June and July.

In his annual report tabled in the Legislature, Dr. Henry F. Munroe, superintendent of education for the province, stated that only by increases in salary, bet-

Social Club Hears Fine Address

The Church Point Social Club held its regular monthly meeting at the Bay Breeze Inn Saturday evening. The social club, which has for its chief aim to unite the menfolk of the village and to create better understanding among one's neighbors, was attended by over thirty enthusiastic members. With an initial membership of fourteen at its organization last month, this figure has now leaped to over thirty and with prospects of several more joining in the near future.

An open forum was held, which lasted approximately three quarters of an hour, during which current events were discussed. The main topics to come under discussion, were the mooted recreation centre and rink, street lighting and the building of a fire house.

Vincent F. Melanson, manager of the Hydro Electric Committee of Clare gave a brief account of the costs for lighting the main thoroughfare of this village but also stressed the fact that such an undertaking couldn't be proceeded with this year, due to the scarcity of necessary materials. He also stated that the villages of Meteghan, Meteghan River, Comeauville and Little Brook have already asked to have their main thoroughfares lighted as soon as the materials could be procured. The lighting of these village streets is a long felt want.

Prof. Louis Thibodeau gave a very brief account of what has been done towards ascertaining the costs and having plans made of the proposed rink and recreation centre but the detailed account will be given to the parish members at a general meeting to be held at a future date. Everything possible is being done to have the erecting of the building started during the summer, if plans are accepted by the community.

The members of the fire department who were in attendance, mentioned that a new fire house would be built on the wharf road, to store the fire truck and fire fighting equipment.

After the discussion period ended, the members enjoyed a smoker with refreshments being served by the Bay Breeze Inn staff. Card games also were organized by the entertainment committee. It was planned to hold a card party in May to raise funds for the Club.

MARRIAGE

Gaudet - Jones

A very quiet wedding was solemnized Tuesday, April 2nd, at 8 p.m., at the home of Mr. and Mrs. Ulysses Gaudet, Westport, when Rev. W. Howard united in marriage Pauline Lillian, eldest daughter of Mr. and Mrs. W. E. Jones and Ronald, only son of Mr. and Mrs. Ulysses Gaudet.

The bride looked charming in a street length dress of powder blue with feather hat to match. They were supported by the groom's sister and husband, Mr. and Mrs. George Clements. Only immediate relatives were present. The groom has been with the R.C.A.F. for four years, spending three years overseas in Egypt and Europe as flying officer. The happy couple will reside in Westport.

Builder of Many Fine Yachts Dead

Word has been received in Barton of the death of James Gilbert Purdy, of Port Washington, Long Island, N.Y. He was President of the Purdy Boat Company, of New York, until his retirement about three years ago and was nationally known as a designer and builder of yachts and speed boats. One yacht, the "Kanawha" built for the late H. H. Rogers, of Standard Oil, once visited Digby. Mr. Rogers had the late Mark Twain on board as guest. Another yacht, the "Aphrodite" built for Jock Whitney, shortly before the war, was given by Mr. Whitney to the U.S. Government when war broke out and on it Churchill and Roosevelt had one of their meetings.

He had designed and built speed boats for many prominent Americans, also one for Sir Henry Seagrave, the noted English boat racer. This was later owned by "Lawrence of Arabia." His wife is a sister of the Misses Hattie and Dorothy Perry and Mrs. Burton Brown. Barton. Beside his wife he leaves four sons and one daughter. Mr. Purdy, with his family, spent many vacations in Barton.

Bernard Robicheau Returns Home

Pte. J. Bernard Robicheau, son of Mr. and Mrs. Philip Robicheau, who landed in Halifax Monday, April 1st on board the H.M.S. Premier from overseas, was met at Kentville the same night by his parents and relatives and motored the remainder of the way home. They arrived at 4 p.m. and a reception was given him. At his request the traditional Pate a la rapure, prepared by his aunt, Mrs. Martin Gately, was served. All the family was in attendance. The returned soldier had served in the army two years in England and in Italy where he has been badly wounded which kept him six months in hospital.

What's
In It?

WE'LL, a food chemist would say... almost 8% butterfat, about 6% protein, about 10% milk sugar, about 2% minerals... and that's fully twice the amounts you would find in regular milk. For Carnation Milk is regular pasteurized milk with enough of the natural water taken out to double its food values. And it has a big extra share of "sunshine" vitamin D. So whenever you want more food value, use Carnation as it pours from the can; for regular milk use, add an equal quantity of water. Carnation is Canada's largest-selling brand of evaporated milk.

OBITUARY

Mrs. Walter Purdy

There is a general sadness throughout the community in the passing of Mrs. Harriett Purdy which occurred at her home, Deep Brook, late Saturday afternoon, March 30, following an illness of two weeks, her first serious illness in her lifetime of 87 years, for never before was this gracious lady compelled to remain in bed a day. Possessed of an unusual charm and generosity, Mrs. Purdy was beloved by all who knew her, and only those who benefited most by her many kind deeds will ever realize the extent of her generous nature. She gave freely of her time and money, as well as of her strength, and was ever active in the work of her church, the work of the Red Cross, the efforts of Farmer Smith and other public activities both in the immediate community and abroad, retaining to the last her keen intellect in all important matters.

Mrs. Purdy was born in Bear River, daughter of the late Capt. David and Manetta (Rice) Lent, and leaves two sisters, Mrs. J. M. Nichols, Deep Brook, and Mrs. Lilla B. Rice, Malden, Mass. Her husband, Major Walter Purdy, passed away April 9, 1918. During his lifetime their home was open to tourists who returned each summer to enjoy the hospitality of this gracious couple, and since Major Purdy's death, Mrs. Purdy has devoted her time to the work of St. Matthew's church and helping others. For many years she served as president of St. Matthew's Guild and to the last was honorary President of

Mrs. Kenneth Wamboldt is a patient at the Digby Hospital where she underwent an operation.

A number of friends gathered at the home of Mrs. Clifford Harris, Bear River, Thursday last, and tendered her a surprise party, the occasion being her birthday. A very enjoyable evening was spent and refreshments were served at the close.

Funeral was from St. Matthew's church, Tuesday afternoon, April 2nd, conducted by the rector, Rev. K. H. Tufts, and the service of the Church of England, so soul-touching in its quiet dignity and simplicity, seemed most appropriate for one whose life had been an open book, and for whom no eulogy was necessary. The hymns were "How Bright Those Glorious Spirits Shine" and "Abide With Me." Bearers were four nephews, C. M. Nichols, H. A. Purdy, C. A. Purdy, of Deep Brook, and F. C. Purdy, of Digby. The numerous floral pieces were silent expressions of affection from relatives and friends. Burial was beside her husband in the family lot of Old St. Edward's church yard, Clements-port.

MARRIAGE

Long - Trimper

A quiet but pretty wedding was solemnized at the Baptist parsonage, Clementsvalle, on Friday evening, April 2, in the presence of relatives and friends, when Rev. C. S. Young united in marriage, Viola Norma, youngest daughter of Mr. and Mrs. Norman Trimper, and Lewis Otto, only son of Mr. and Mrs. Otto Long, of Bear River East. The bride was becomingly attired in a blue suit with matching accessories. They were attended by the bride's sister and brother-in-law, Mr. and Mrs. Ernest Taylor, of Clementsvalle. After the ceremony a reception was held at the home of the groom. The happy couple will reside in Bear River East, where the groom recently purchased a home.

"It's something you girls shouldn't laugh at"

"Mother won't tell me what it cost," said Elaine to Cousin Edna, who was looking up the exquisite dress. "But it's within the budget, you may be sure. Trust mother for that."

"Budgets sound unromantic, especially on a day like this," Mother admitted. "But we could never have given Elaine such a wedding unless we had budgeted. It's something you girls shouldn't laugh at. Dad and I began budgeting on our wedding trip. We had to . . . and we just got home with a few cents margin."

"Isn't it an awful bother, though?"

"We'd be more bothered and worried without it. No, it's simple. First, we always set aside the money for Dad's life insurance; that means we have no worries about the future. Then we figure on so much a month for living expenses . . . and then! . . . with what's left we can be extravagant. That's the great thing . . . to feel when you're spending that the essentials and the future are taken care of. Then you can spend with an easy mind."

Budget for essentials first, remembering that one of the greatest essentials is future security . . . protection against adversity . . . and peace of mind in your own old age. There can be no substitute for life insurance in any family budget.

Near you, wherever you are, is a neighbour in the life insurance business. Ask him for advice in planning your future. It is good citizenship to own life insurance.

A Trip Over Beaman's Mountain . .

(By Frankie Nichols)

(The following story, written by Frankie Nichols, Grade V pupil, is printed as submitted to us. We welcome the opportunity of publishing such articles by our very young people.—Ed. Courier.)

Seven of the Trail Rangers took a hike over Beaman's Mountain on Saturday. They gathered at their mentor's home at 9 a.m., loaded down with pop, bolognaise and sandwiches, and were taken around the Racquette to the Pines. From where we set out on an old woods road that leads to Turnbull's ice pond, and that used to go right up to the foot of the mountain. I who had been that way before, was told to show what a good bushwacker I was and lead the way—and off I set over fences and pastures until we came to the wet place in Will Turnbull's pasture which the rest thought was too wet so we went down through the pastures to the shore road which we came out near Hughie McLean's. Then we kept on to the townsend house at Rattling Beach. We had dinner there. We didn't see many birds—a few crows, chickadees, gulls and robins of course, and heard and saw song sparrows and a lot of juncos which are slate coloured little birds with two white tail feathers. We saw one

early butterfly which is a kind our mentor called a tortoise shell, but men who study bugs have named it Vauesa J—album and it's a kind that hatched out last fall and has been sleeping in a hole or a crack under the bark of a tree, or in a barn all winter. After we had eaten our dinner we started to climb Beaman's mountain. First we went through the woods to where the ruins of an old house all tumbled down. Where there used to be an old man whom everybody called "The Hermit" lived there along time ago about forty or fifty years ago and he was a naturalist and shot and stuffed birds. He once had peach trees and apple trees growing about his house, but the peach trees are all dead years ago and most of the apple trees too. Graham's grandfather says he had ponds of water, also, with trout in them.

When we left the hermit's we began to climb up the side of the mountain you can see from Digby, trying to follow an old trail that the hermit once made from his house to the top, but it was pretty hard work for the trail has been washed away in most places and trees have fallen across it in other places and the blazes that he had put on the trees along it have so grown over that you can only find them now and then. We got out of breath a lot and had to stop and rest. But at last we did get to the top and there everybody carved their initials on a tree.

and Digby Neck, and if you can get up a tall enough tree you can see the Bay of Fundy and even New Brunswick. My but the Princess Helene looks small from the top of the mountain. Up there there used to be a sign which has fallen down now. It had the name of the mountain on it, the Hermit put it there only he didn't call it Beaman's Mountain, he called it Ben Lomand. You can still trace the letters that the hermit painted on a piece of tin sign.

If the top were cleared off some more you could have good views everywhere.

We saw a butterfly up there to with a yellow or white edge all around its wings. The mentor said it was a "Bamberwell Beauty" and named after a place in England. It's the kind that stays alive all winter, too, like the tortoise shell. After we rested on the top of the mountain we came down the steep face to the Gut Road and hopped to get a ride in with Oakley Turnbull but he had already left so we walked. Some of us brought pussy willows to our mothers and the rest carried some clothes poles for Doctor Hodgson. We were all pretty tired when we got home but we had a good time.

Digest of News of the Province

Agricultural Production

According to the annual report tabled by the Department of Agriculture, Nova Scotia's agricultural production reached an estimated gross value of \$44,000,000 during 1945. This figure compared to a value of \$47,900,000 for the previous year. Milk production showed an increase of five per cent over 1944.

Big Highway Program

A \$3,700,000 highways construction program for Nova Scotia was indicated as a possibility in the budget tabled by Premier Angus L. Macdonald in the Legislature. The expenditure of this amount on the highways this year would mean a sevenfold increase over last year's figures, which totalled \$500,000.

Gaelic College Attractions

St. Ann's, the site of the only Gaelic College in America, is preparing for an impressive series of events to be staged there this summer. Starting on July 1 with the 200th commemoration of Flora MacDonald's gallant aid to Prince Charles Stewart and continuing on into July, the program will be highlighted by the eighth annual Gaelic Mod and Highland gathering.

Surplus Forecast

Budgeting for the highest expenditures in Nova Scotia's history, Premier Angus L. Macdonald forecast a surplus of \$51,446 for 1946 as he tabled his annual estimates as Provincial Treasurer in the Legislature. The Premier told the House of Assembly that the credit and general finances of the province stood high and that problems of the next few years could be faced with a sound financial standing.

Department Prepares

The Department of Industry and Publicity is preparing for what may possibly be the largest influx of tourists ever experienced by this province. Every effort is being made to meet the heavy demands that will be made on accommodation and feeding facilities. The recently uttered words of Premier Macdonald to the effect that ten thousand satisfied visitors are better than one hundred who are not being well heeded.

The National Film Board has made several display productions which present information on programmes of vital national concern. The aim is service to the community.

Miss Bertha Titus, of Montreal, has been visiting her parents, Mr. and Mrs. James Titus.

Shirley and Buddie Wright have gone to Kentville to see their mother, who is a patient in the sanatorium.

Coal Production Off

"Too much emphasis cannot be placed upon the deplorable position of the coal industry in the province," said Dr. A. E. Cameron, Deputy Minister of Mines, in his annual report which was tabled in the Legislature. The 1945 production of 5,177,470 short tons was 637,710 tons below the 1944 total. Production per man-shift dropped to 1.58 tons. Much of the blame for low production must be put on human relations not physical conditions, the deputy stated.

Research Work Suggested

Russell Cunningham, leader of the opposition, urged research work on the burning of unused coal seams of Cape Breton seeing future possibilities of providing Nova Scotia with the cheapest source of electrical power in Canada, in the opening of the budget debate. Seams too thin to be worked could be fired, he said, mentioning two such seams under the town of Glace Bay.

Hillsburn

The sum of \$26.00 was collected for the recent Red Cross Drive.

This battle of the Atlantic was on. German submarines were infesting the Atlantic, trying to choke off the vital flow of Allied war supplies going overseas. It was a life and death struggle. But the Allies were not leaving anything to chance. Even if the sea battle were lost, essential war materials would continue to stream overseas. How this was to be done was a secret until now. A secret shared by government leaders and high-ranking officers of the Allied Nations with no one but top officers of the Canadian National Railways, which was to play a very important part in the plan. The planes and munitions were to be flown across the roof of the world from the United States and Canada. Air bases for the service were established along the route at Winnipeg, The Pas and Churchill in Manitoba; Southampton Island, in the mouth of the Hudson Bay; Frobisher Bay, in Baffin Land; and Greenland and Iceland. To construct them, millions of tons of building materials and equipment and foodstuffs to feed the workers on the multi-million dollar project, and millions of gallons of fuel and supplies were carried as far as Churchill, the most northerly point on the C.N.R. system, 1,000 miles from Winnipeg. Beyond Churchill they were flown in. Everything was ready. Fortunately, the battle of the Atlantic

was won. But the experience gained in flying the route was invaluable. There is no doubt peacetime aviation will benefit much from the pioneering done in 1942 to keep the life-line of civilization open. In the upper photograph a string of tank cars carrying high grade fuel oil to the far northern airports is shown leaving Winnipeg. Inset, equipment is being unloaded from a C.N.R. freight car by United States Army personnel at Churchill.

OBITUARY

Rosa Jones

After an illness of several months, the death of Miss Rosa Jones occurred at the Digby General Hospital on Monday night, April 1, at the age of 86 years. Miss Jones was a life long resident of Weymouth North. One brother, Ralph, Weymouth North, and one sister, Mrs. Stuart Eaton, of Watertown, Mass., survive. One sister, Mrs. James Watson, predeceased her a year ago.

The funeral service was held on Thursday afternoon at St. Peter's Anglican Church, of which she was a faithful member. Service was conducted by Rev. J. B. Brodie, assisted by Rev. F. Gaskill, of Digby. Interment was in St. Peter's cemetery.

Andrew Smith

The death of Andrew Smith occurred on Saturday, April 6, at the home of his nephew, Chester Stevens. Mr. Smith had been in failing health for some months but his death came as a shock to the community of Weymouth North. The deceased had reached the age of 71. Mr. Smith leaves to mourn his loss two sisters, Miss Fannie, at home, and Mrs. Fowler Weaver, of Weymouth North, and one brother, George at home. Funeral service was conducted at Riverside Baptist Church by Lic. B. Manzer, of Barton, Tuesday, April 9.

C. T. Melanson

Charles T. Melanson, aged 69 years, passed away at his home, Church Point, Monday morning, after an illness of over three years. He was operated on two years ago from which he never fully recovered. He was able to get around during the summer months but since last fall his condition gradually got worse and three weeks ago he became bedridden. From that time on he failed quickly.

He was a former railway telegrapher having retired from active service in 1929 when he returned from the Canadian West to aid his aged father, the late Louis A. Melanson, who was the founder and operator of the famous Melanson's Spruce Gum Factory at Church Point. He first commenced working as telegrapher on the Dominion Atlantic Railway and Halifax Southwestern when they were both in their infancy. From there he went to the United States where he was employed on the New York, New

Haven and Hartford Railway and the Bangor & Aroostook for over seven years. He was night yardmaster on the Bangor & Aroostook for a number of years but had to relinquish his position due to ill health. He then came back to Canada and was employed on the then Canadian Government Railway at its head office at Campbellton, N. B. From there he was transferred to the Western Division of Ontario and Manitoba where he remained until 1929. Since 1929 he managed the Melanson's Spruce Gum business created by his father.

He leaves to mourn him, beside his wife, seven sons and four daughters, namely: Louis, of McBride, B.C., Johnnie and Gerald, of Savant Lake, Ont., Joseph in Quebec, Frankie, at Annapolis, Albert and Paul, at home, Pauline and Yvonne in New York and Blanche and Jacqueline, in the Kentville Sanatorium. One brother and two sisters also survive him, Gustave, in Halifax, and Mrs. Harry Gavel, Middleton, and Mrs. Mary Comeau, in Quebec City. Three of his sons are railway telegraphers, Louis, Johnnie and Gerald, who are all employed on the Canadian National Railway in the West.

D. Amrault, of the Amrault Meat Market, who, with his wife, daughter, Claudette and his mother, spent the winter in Weymouth, has returned with his family to his home in New Edinburgh.

Mrs. Douglas Gates has returned to her home in Weymouth Mills after spending the winter in Saint John. Her son, Wilfred, who recently received his honorable discharge from the Airforce is also at home.

Among the local men attending the annual meeting of the Digby Fish and Game Society last week were Dr. Frecker, Dr. Comeau, R. J. M. Taylor, C. Jones, E. Comeau, D. Rice, A. Jones, V. MacNeill and J. H. Matheson.

Eloi Comeau has returned from Halifax after receiving his honorable discharge from the Airforce. Mr. Comeau, who has been on leave of absence from the Royal Bank of Canada, will join the local Bank branch for retraining on April 15.

By having the partition removed, Harry Lewis, enterprising proprietor of the Lewis Meat Market, has extended his business premises to include the former Melanson Beauty Shoppe. Mrs. Melanson has removed her beauty parlor to her home in Weymouth North.

Miss Estelle Comeau, of Brighton, Mass., who arrived Wednesday of last week to pay a surprise visit to her brother, Legere Comeau, left Saturday to return home. She was accompanied on her return journey by her niece, Miss Geraldine Comeau, of the local bank staff, who, with her cousin Katherine Weaver, of New Edinburgh, will spend three weeks visiting in Boston and New York.

The members of the Heartz Memorial Church Ladies' Aid held a very enjoyable meeting last Thursday afternoon at the home of Mrs. Harold Blackadar. Mrs. Blackadar is such an interested and active member of the Aid that the ladies of that organization were loathe to hold the meeting elsewhere, knowing Mrs. Blackadar would be unable to attend because of a foot injury which she recently suffered. The president, Mrs. Thorpe, Mrs. G. Blackadar and Mrs. R. K. Hill who were hostesses for the afternoon, served refreshments.

G. D. Campbell and Victor MacNeill were the local representatives chosen to attend the annual meeting of the Navy League of Canada, Mainland Division in Halifax last week. Mr. MacNeill was chosen as a substitute representative for Rev. Fr. Frecker who was unable to attend due to increased parish duties. The Weymouth delegates, whose main object in attending the meeting was to protest the high assessment rate of the local Branch, succeeded in having the rates cut to one third of the original assessment.

Miss Geraldine Hill has accepted a position on the office staff of the LeBlanc Shipbuilding Co.

Mrs. Farquhar, who has been ill for the past three weeks, is now a patient in Digby General Hospital.

Dennis Comeau, son of Mr. and Mrs. Geo. Comeau, was on hand to meet his Irish war-bride when she arrived in Halifax on the Ile de France last week.

Mrs. Wm. Cooke, who enthusiastically took up Dr. Joy's recent radio appeal, shipped 8 cartons, totalling 275 lbs. of clothing to the Unitarian Service Committee in Ottawa, Monday.

Weymouth North

Keith Coggins spent Monday in Digby.

Ronald Titus and Gerald Lent have gone to Saint John.

The Baptist Sewing Circle was held at the home of Mrs. Clarence Thurber.

Mr. and Mrs. Richard Ward and daughter Sheila are visiting at the home of Mr. and Mrs. W. B. Brooks.

Frederick Walker, R.C.A., who has just spent one year serving overseas returned to Weymouth North on Friday.

John MacDonald and son, Eugene of East Boston, Mass., are visiting at the home of Mr. and Mrs. Chester Stevens.

Leonard Rudolf, of Saint John, and Russell Watson, of Wollaston, Mass., attended the funeral of the late Miss Rosa Jones, Thursday.

Mrs. G. L. Coggins has returned home after accompanying her aunt, Mrs. G. H. Brooks, to the Victoria General Hospital, Halifax. While in the city she represented the Weymouth Branch of the Canadian Red Cross at the Provincial Red Cross Convention.

More Weather

In our last issue we recorded one of the heaviest snow falls of the season as coming on April 2nd but that snow fall was nothing compared to the one that hit here Tuesday evening when we experienced what was undoubtedly the heaviest snow that has fallen this winter. Fortunately the snow was the heavy moist kind and settled quickly. The fairly heavy winds that accompanied it did not cause it to drift to any extent.

Early Tuesday afternoon, before the snow began to fall, a party of Oddfellows from Digby left for Freeport where they put on a degree. They intended to return that night—but up to noon yesterday they were still on Long Island.

Temperatures during the week have for the most part been above freezing during the day, although dropping below the 32 mark during the nights.

Erects Lobster Packing Plant

Work is progressing on the new lobster packing plant being erected by C. D. Snow near the head of Long Wharf.

The new building will be two stories in height and 36 feet wide by 40 feet long. On the first floor will be the lobster cooling tanks, nine in number, each approximately 12 feet long and 6 feet wide. These tanks will be cooled by a water circulating system. The packing room will also be on the first floor, together with a garage. On the second floor will be the offices and workshop also a wash-house space. An electric elevator will be installed to carry goods to the second floor.

It is estimated that the holding capacity of the new plant will be some 10,000 pounds of lobsters. The Canadian and United States market. Several men will be employed by the plant when it goes into operation.

The meeting decided to organize a dance to be held at the Community Hall on May 23rd to raise funds to carry on the Club work. Committees were appointed to take charge of the dance and to look after checking and refreshments at the dance. It is understood that a new dance band being organized in town will make its initial appearance at the Y's Men's dance.

Following discussion of arrangements for the dance the Club turned to a general discussion of Club matters. It was decided that as soon as weather permitted, a soft ball team would be organized and the hope was expressed that other clubs would organize teams in order that a league might be formed.

The Y's Men's weekly meeting Monday night was taken up with furthering the Club's main project, the development of the Club movement in Digby.

It was reported at the meeting that the movement is meeting with great success. There is an average attendance of between 50 and 60 youngsters at the weekly club meetings which are in charge of Cub Master Arnold Trask. Y's Leonard Embree, Laurie Bant and Jack Brittain were appointed to assist the Cubmaster in the training of the boys.

ADDRESSES "REHAS" COMMITTEE

Major H. V. Corkum, district rehabilitation officer of Military District No. 6, addressed the members of the Citizens' Rehabilitation committee in the town hall Thursday afternoon.

In his address, Major Corkum paid high tribute to the work of the local committee in the Digby area, and stated that he hoped this work would continue. He outlined various problems which he felt would be met with by the committee in the future and gave several suggestions as to possible solutions.

Following Major Corkum's address a round table discussion of rehabilitation problems was held which proved very profitable.

OBITUARY

George W. Andrews

The funeral of the late George W. Andrews of Outram, Annapolis County, whose death occurred March 11, took place in the Baptist Church, Port Lorne on Saturday, March 16. Rev. R. W. Lindsay of Margaretsville, officiated. He was a son of the late William and Levilla (Slocumb) Andrews, and was born at Barton, Digby Co., April 9, 1875.

He moved to North Range as a child. He lived in that village until he grew to manhood. He was baptized and received into the North Range Baptist Church. After removing to Outram, he united with the Baptist Church at Mount Hanley. He spent several years in the United States, while there he married Mary Balso of Outram. He is survived by his widow and five children, Lizzie Andrews; (Mabel) Mrs. George Snell of Newton, Mass.; George Jr. of Douglasville, Anna Co.; Theodore and Ella at home; three sisters, (Annie) Mrs. Jerry VanBuskirk; (Ella) Mrs. James Halght and (Millie) Mrs. William Foster; one brother Charles Andrews, all of North Range.

Joseph Butler

Word has been received of the passing of Joseph Butler, Victoria, B. C., on March 30. Mr. Butler, who was 80 years of age, was born at Weymouth, the son of Mr. and Mrs. H. Butler. He married Alice Doty of Ashmore, and they moved to Victoria about 30 years ago. Beside his wife he is survived by one daughter, Emma (Mrs. William Hall), Victoria; two sons, Ralph of Victoria and Harold of Los Angeles, Calif.

Miss Dorothy Potter, of Bear River, who has been living for the past four years, has resigned her position.

VOLUME LXXI, NO. 31

"Operation Oddfellow"

A trip that resembled closely the much publicized "Operation Muskox" was taken by a group of about thirty-five members of St. George Lodge, I. O. O. F., last week.

This group started out last Tuesday about 5:00 o'clock to put on a degree at Chippewa Lodge in Freeport, planning to return the same night. They arrived in Freeport about 8:00 o'clock, put on the degree, but found on coming out of the hall that a heavy snow storm was raging so decided to stay in Freeport overnight and leave for home next morning. Through the kindness of the Freeport people billets were found for all the visitors.

In the morning, with the storm still raging and getting progressively worse, the caravan started out at about 8:00 o'clock. By noon they had reached Tiverton—ten miles—and crossed the the Passage to East Ferry. Leaving East Ferry the cavalcade of seven cars, had, by dint of hard shovelling, much pushing, backing and filling, reached Sandy Cove by 3:00 in the afternoon. After a council of war it was decided to push on as some of the group were very anxious to get back to town and their businesses. Changes were made in the lead cars and the caravan pushed bravely forward. By 10:00 that night the Seawall was sighted. By this time the going had become so heavy and the shovellers and pushers so tired that it was decided to bivouac for the night. During the day several teams of oxen had been hired to get some of the cars out of particularly heavy drifts but no help was available at the late hour at which the caravan reached the Seawall.

Most of the members of the group found shelter in the homes in the Seawall-Rossway area and were made as comfortable as possible for the night. Several had to sleep on chairs or on the floors of the various houses as no other accommodation was available.

Several of the group—hardy souls and or an adventurous spirit—decided to walk the ten miles to town. This group, after heavy plodding through the deep, wet snow, reached town shortly after midnight, after a more or less restful night, started out again at daybreak and reached Digby about 9:00 o'clock. All were thoroughly tired out after their long, arduous adventure and several had developed heavy colds as many were not dressed for such a rigorous trip and several were forced to buy rubbers and overshoes for the return home. It is understood that one of the group wrapped feet, hands and head in feed bags in order to keep out the chill, resembling the ancient Micmac residents of the district.

From Tuesday night till Thursday Digby was without many of its most prominent business men as nearly every business and profession in town was represented in the group participating in "Operation Oddfellow" which will be the chief topic of conversation at many meetings of the Lodge to come. The main comment is "all's well that ends well."

Shower Held

The staff of the Scotia Hotel held a miscellaneous shower for Miss Lillian Johnston, at her home in Mt. Pleasant, on Tuesday evening, in honor of her approaching marriage. A very enjoyable time ensued. The bride to be received some very useful gifts including linen, silver, china, etc. Mrs. Johnston, mother of the bride to be, served a very delightful lunch, assisted by her daughter, Lois, and Miss Rennie.

An old fashioned "sing-song" was enjoyed with Isaac Amero at the piano. Miss Johnston, who has been on the staff of the Scotia for the past three years, will be greatly missed. Her marriage will take place on Saturday.

Six-Year Old Boy Badly Burned

Richard Denton, age 6 years, youngest son of Mr. and Mrs. Clayton Denton, Little River, was severely burned a few days ago about his right leg while playing in the garage. He lighted a fire in the stove and took a small can of gas that had been left in the garage. Attempting to put it in the stove some spilled on his overalls and quickly ignited. His brother Fred on hearing his screams ran to his assistance and quickly extinguished the blaze but not before he was severely burned. Two other brothers soon put out the fire in the garage. Dr. Rice, of Sandy Cove, was called in attendance.

EASTER, 1946

Sunrise Services At Easter

(By Val Campbell Robinson)

Easter! It means a new hat, spring flowers on the corsage, fragrant lilies. It means a shine on the shoes, a smile on the face, and colored eggs. But most of all, to the Christian world, Easter means an empty tomb, a Christ arisen!

We see Mary Magdalene, walking alone along a lonely road to the tomb where she had seen the body of her Master laid in death after His crucifixion. Her steps dragged; there was no beauty in the sunrise; all the world was dark and dreary, for she believed a cruel populace had taken away from the world its only Saviour.

There was no thought of resurrection in her mind, and even the disciples of Christ were worried and discouraged when later Mary called them to gaze upon the empty tomb—for with her they believed that the body had been stolen in the night and hidden. Then Mary met Him face to face and learned that He had arisen! She rejoiced as she departed to tell the happy news, "I have seen the Lord!"

This Easter, millions of Americans will walk to the hill tops surrounding their homes on religious pilgrimages of rejoicing and worship. The world is grim. Many of us have heavy hearts. Yet, He has arisen! Goodness surely triumphs over evil. We should rejoice.

The origin of our modern Easter sunrise services is traced back to the year 1909, when devotions were held on Mount Rubidoux, in California, an isolated granite eminence rising from the eastern

bank of the Santa Ana River. Only a few persons attended the first services, but they were so impressed by the significance of the event that they decided to make the pilgrimage an annual institution.

Today the service is duplicated in hundreds of other communities in all parts of the United States and at military stations at home and abroad. Before the sun rises over the distant hills, men, women and children are making their way reverently to the cross. The holding of the service exactly at sunrise is to symbolize the miracle and glories of the resurrection.

Although the services vary to a degree in each of the communities in which they are held, the generally accepted program begins exactly at sunrise with a chorus of trumpeters. This is usually followed by an Easter hymn in which the congregation may be led by a vested choir. Then comes a variety of sacred music, both vocal and instrumental, followed by a prayer and a sermon by some prominent divine.

The Easter sunrise service is increasing in popularity year by year—and probably the reason is that intangible atmosphere of redemption which is so inspiring.

TRINITY MEN'S CLUB, MEETS

Last week's meeting of the Trinity Men's Club was one of the most interesting of the season. Although the inclement weather caused a drop in attendance a good evening was spent. A. D. Daley was scheduled to give a talk on his experiences while in the Klondike during the days of the gold rush, but due to the small number present it was decided to defer this until the next meeting which will be held on April 24.

Work Progresses on Cold Storage Plant

Work on the new cold storage plant being erected by the National Frosted Foods Corporation at the Cannon Bank, is progressing favorably, according to Thomas L. Deveau, contractor in charge of the job.

The new building, which is 30 feet wide and 75 feet long, will have a holding capacity of some 300,000 pounds. There are three large rooms in the main part of the building. One, a quick-freezing room, will have a temperature of 20 below zero. The products to be frozen will be placed in this compartment first to be quick-frozen and then will go to another compartment for holding. The temperature in this room will also be below the zero mark. One large room in the building will be used for a packing room where the fish products will be packaged ready for shipment to the market.

All the most modern freezing and refrigeration equipment will be used by the Company. It is understood this equipment is on its way to Digby from the manufacturers now and will be installed within a few weeks.

In the building there is a large, well lighted main office and a private office which is also very commodious. Two fine wash rooms are being installed which will be equipped with modern sanitary conveniences.

This new building presents a very pleasing appearance from the exterior and is a fine addition to the business life of the town. It is understood that, when in operation, the plant will employ a considerable staff. The firm now carries on a large business in the county and their output and capacity will be greatly increased by the addition of this new cold storage plant.

Juvenile Gangsterism

It is understood that a type of gangsterism reminiscent of some of the lurid "thrillers" of screen and radio has been rampant among the juveniles in Digby lately.

According to reports this gangsterism has been operating among the newsboys in the town. The story is that one of these youngsters evolved a scheme whereby the rest of the group were forced to pay a weekly tribute or get beaten up. It is understood that some boys were forced to pay as much as seventy-five cents a week to escape the threatened beating. Fortunately the scheme became known to some of the youngsters' parents and a speedy end was put to the set-up. A budding "Al Capone" was thus nipped in the bud.

No doubt the whole thing was the result of too much imagination, coupled with too much reading of "thrillers".

Kiwanis Minstrels an Outstanding Event

Rehearsal previews of the Kiwanis Minstrels indicate the show will be one of the best and funniest presented in Digby for many years. The Digby Kiwanians are really going to town to make their show an outstanding success.

The show is being staged under the direction of Mrs. Helen Anthony and her sister, Mrs. Louise Stephen. Words and music for several of the choruses were written and composed by these directors, who, for several weeks have been putting the Kiwanians through the paces.

Tuesday and Wednesday of next week are the dates set for the big show which will be staged in the Community Hall. The curtain will rise at 8:00 o'clock—and from then on until the final curtain the audience can count on an evening of laughs and fun.

It will be an all-male performance. The female parts in the play "Utter Relaxation" and ballet dances will be played by local Kiwanians. Just try to visualize some of the Kiwanians you know, attired in ballet costumes, doing their graceful act—they will be the Kiwanis Ballerinas. Try to picture Scott Eaton and George Peters as end women—such things are more than the ordinary imagination can grasp. You will just have to see the show!

Proceeds of this effort will be to further the work of the Kiwanians with underprivileged children and with the boys and girls of the town. By attending the show you will not only enjoy yourself but you will be making a real contribution toward a worthy cause.

Tickets on the Crosley Table Model will be drawn during the show. Have you bought yours?

St. Patrick's Musicales

Music pupils of St. Patrick's under direction of their instructor, Sister Helen Agnes, presented a delightful musicale in St. Patrick's auditorium on Friday evening last.

The programme opened with the "Rhythm Band". John Comeau playing the piano accompaniment. This was followed by piano selections played by the younger members of the music class.

The Choral Class, comprising the older members, took charge of the second half of the programme, comprising a number of choruses and more difficult piano selections.

At the conclusion of the Father Murphy gave a short address in which he congratulated the pupils and the sisters and pointed out the progress made in the teaching of music in Digby since the establishment of St. Patrick's School less than three years ago.

About This and That

Of all men, it is the historian, perhaps, who is best able to look objectively upon human affairs, finding in what is happening today a significant resemblance to what happened, it may be, many centuries ago. He may not subscribe altogether to the popular belief that history repeats itself. But he will probably admit that an unbroken chain of cause and effect can be traced throughout the recorded history of mankind. To him, tribes and races, nations, empires and civilizations themselves are living organisms that wax and wane, subject to laws of growth and decay, sensitive to internal and external pressures, plant-like in their need for continuous cultivation, if they are to remain sturdy, fruitful and long-enduring.

Every human society has within itself the seeds of its own dissolution. And harking back, perhaps, over the centuries to the glory that was Greece and the splendour that was Rome, our historian would point to moral decay—the general lowering of standards of human conduct—as the dry rot which, in the plenitude of their power, insidiously sapped the very foundations of mighty nations, laying waste the triumphs and achievements of centuries. These thoughts come to mind with the receipt of a booklet issued by The United Church of Canada and entitled "Canada Needs These Men." It sets forth the pension needs of the church's aged ministers and dwells, too, upon the necessity of encouraging young men entering the ministry on meagre salaries that won't permit saving for old age. The booklet tells of the many good reasons for the nation-wide United Church Pension Fund drive, from April 28th to May 15th, to place the fund on a "sound, actuarial foundation."

From the editorial desk, the significance of this appeal appears to extend far beyond the necessary alleviation of the financial plight of ministers. The only possible conclusion to be drawn from much that is happening in Canada is that it emphasizes a national need for moral and spiritual leadership. Canada does indeed need these men and all such men—whatever their creed, denomination or religious affiliation.

Most Northerly Fortress in Canada

Shades of the old garrison of Fort Prince of Wales near Churchill, Manitoba, must have bestirred themselves recently when a fleet of iron-clad snowmobiles thundered in across the peninsula and came to a halt before the massive stone walls of this old fortress. Where only the ghosts of a by-gone century have held silent and lonely vigil since Samuel Hearne and his small garrison hoisted a white flag of surrender, now was mounted a new guard—young men from Exercise Muskox. The guard stood rigidly at attention and presented arms as several representatives of foreign countries filed past into the fort. Those among them who know the history of Fort Prince of Wales must, in fancy, have looked up towards the battlements expecting to see a white tablecloth waving frantically, signalling again the surrender of this once great northern fortress.

It is believed that this is the first time a guard has been mounted on Fort Prince of Wales since the French Admiral, La

Perouse, captured it without firing a shot, in 1782. As the distinguished visitors entered the fort an improvised 24-pounder cannon was fired in salute by the present Hudson Bay Factor at Churchill, shattering the northern stillness for miles around and bringing back to life and memory one of Canada's most ancient and storied strongholds. In contrast with La Perouse's invading sailors, most of whom were wretchedly clad, weak, barefooted and half starved after a long sea voyage, men from Exercise Muskox scrambled out of modern snowmobiles, eager, fit and well equipped, in a peaceful and sight-seeing mood.

Fort Prince of Wales was almost forgotten until in 1941 it became a National Historic Park. Previously it had been restored and is much as LaPerouse left it 164 years ago. Although he and his men spent two days trying to destroy it they could only succeed in displacing some of the upper layers of its massive stones and dismounting the guns. Nevertheless its capture enabled the French fleet to replenish their ships' stores and sail south to

Fort Prince of Wales serves no military purpose now, but is dedicated to the people of Canada for their benefit, education and enjoyment. Few people had visited it before the completion of the Hudson Bay Railway to Churchill. With an anticipated expansion of northern travel in the years immediately ahead, it is expected that Canada's most northerly fortress will be visited annually by increasing numbers of tourists.

Established Yards to Retail Lumber

The Wartime Prices and Trade Board has announced an order regulating sales of lumber at retail. The order requires that no person may sell lumber at retail unless he operates an established retail yard capable of serving the public with assorted stocks of lumber and lumber products in a normal retail manner.

The Timber Administrator of the Board may direct that any person who does not qualify under the terms of the order shall cease to sell lumber at retail, despite any license previously obtained from the Board.

"The new order will result in better distribution of lumber through normal retail outlets, and will eliminate certain practices which have developed as a result of the great consumer demand," said D. D. Rosenberry, timber administrator.

Parsonage and Church Burned

The Clementsvalle Gospel Hall, at Clementsvalle, with its adjoining parsonage, were destroyed by fire late Saturday afternoon. The blaze, of unknown origin, was first discovered in the hall.

The Cornwallis Fire Department, at Deep Brook, responded to the call for help, but owing to snow-choked highways and bad roads the apparatus was delayed in reaching Clementsvalle and was unable to prevent the destruction of the properties.

The religious organization was established at Clementsvalle some two years ago by Rev. L. K. McIlwaine, on the farm locally known as the "Pierce property". The barn was converted into a hall while the original residence was used as a parsonage. Considerable money had been spent on the buildings, the hall having been wired for electricity a little more than a week ago. The fire was discovered about 4:00 o'clock Saturday afternoon.

IN MEMORIAM—In loving memory of Lema Jane VanTassel, who passed away April 18, 1942:

Gone is the face we loved so dear,
Silent is the voice we loved to hear,
Too far away for sight or speech,
But not too far for thought to reach.
Sweet to remember her who once was here,
And who, though absent, is just as dear.
Dear mother you are not forgotten,
Though on earth you are no more,
Still in memory you are with us,
As you always were before.
—Inserted by her children. 31:11p

IN MEMORIAM—In fond and loving memory of son and brother, Tpr. Harry Elwood Wright, killed in action in Holland on April 17th, 1945:

He is gone but not forgotten,
And as dawns another year,
In our lonely hours of thinking
Thoughts of him are always near.
Days of sadness will come o'er us,
Friends may think our wounds are healed,
But they little know the sorrow
That lies within our hearts concealed.
—Remembered by his family. 41:11p

IN MEMORIAM—In loving memory of my dear husband, James Silver:

I have lost my soul companion
A life linked with my own.
My heart is sad and lonely
As I go through life alone.
Unseen by the world,
He sticks by my side,
And whispers "My dear one, life cannot divide".
—His lonely wife, Harriet. 31

IN MEMORIAM—In loving memory of Junior VanTassel, who died April 23, 1942:

A bud the gardener gave us,
A pure and lovely child;
He gave it to our keeping,
To cherish undefiled.
And just as it was opening
To the glory of the day,
Down came the Heavenly Father
And took our bud away.

Local and Personal

The Philathea Class will meet this evening in the Baptist vestry.

H. W. Purdy has been confined to the house through illness.

H. E. Chisholm and Tom Gates made a business trip to Halifax the past week.

The Baptist Circle met on Tuesday afternoon with Mrs. Fred Rice.

The Happy Gang will meet tomorrow evening with Mrs. Harding Benson.

Mrs. Cress and two children, of Round Hill, are guests of Mr. and Mrs. Harold Scott.

Pte. Allister Harris and son, Robert, spent the week end with his mother in Clementsvale.

Curtis Rice, of Halifax, spent a few days recently with his parents, Mr. and Mrs. Robert Rice.

On Thursday, April 25th, the W. M. S. of the United Church will hold an open meeting.

Mrs. Harvey Weir, after having spent the winter with her daughter, Mrs. Otis Rice, returned on Saturday to her home in Smith's Cove.

Mrs. Thaddeus Sanford, after having spent the winter with her daughter, Mrs. L. V. Harris, returned to her home in Torbrook on Sunday.

Mrs. Rachel Snell had the misfortune to fall while at the home of Mrs. Elder Millner, on Friday. The extent of her injuries are not yet known.

Mr and Mrs. James Wade and nephews, of Boston, were guests of Mr. Wade's mother, at the home of Mr. and Mrs. Ira McCormick, the past week.

Mrs. Walter M. Romans, who attended the annual meetings of the Provincial Council of Red Cross held at the Nova Scotian Hotel, in Halifax, returned home last Wednesday.

Large flocks of robins have returned to us from their winter home. But a number of boys in the vicinity are using sling shots and killing the birds. Is there not a game law to stop this work?

A Good Friday service will be held in the United Church at 10.30 o'clock. In the afternoon lantern pictures on the Life of Christ will be shown for the children of the town, through the kindness of L. V. Harris.

Three Healthy Youngsters

ONLY by good care of little pigs can Canada be assured of holding the British export bacon trade and meeting the increasing domestic need for pork products. To have healthy pigs, the Dominion Department of Agriculture says good feeding of the sow before and after farrowing is necessary. Suckling pigs need iron, should be creep fed and given ample mineral and other growth promoting feeds. Healthy pigs are profitable pigs.

Teachers Consider Resolutions

A luncheon meeting of the Digby Local of the Nova Scotia Teachers' Union was held at Digby Academy on Saturday, opening at 11 o'clock. The president, Miss Agnes Mills, presided at the meeting, and twenty-two members were present.

Arising from the minutes of the last meeting was the question of a special function to close the activities of the local for the term. After considerable discussion it was decided that a banquet be held at the Myrtle House. Tentative dates were set at May 16th or May 30th. Arrangements are to be finalized by a committee consisting of Miss V. Mason, Miss B. Turnbull and the executive. The committee was instructed to send out special invitations to non-union members to join the union and attend the banquet.

Reports of the committee working on Teachers' Salaries were distributed and discussed.

Resolutions to be brought up at the annual council meeting of the union, to be held in Truro on April 24, 25 and 26, were read and discussed at some length.

A very tasty luncheon was served by the staff of Digby Academy after which the meeting adjourned.

LEGION MEETING

The regular meeting of the Bear River Legion was held in the Masonic room, on Friday evening. The following were accepted as members: Dr. J. H. Slayter, L. E. Comeau, W. R. Smith, D. E. Matheson, G. L. Tibbets, C. Wells, J. A. Langley, G. R. Harris, A. H. Fougere, M. C. Rice, R. B. McGowan, A. L. Banks, R. V. Rice, R. G. Handspiker, G. A. Buckler, C. T. Miller, S. C. Isles, C. E. Isles, G. A. Tilbert.

At the close of the meeting tea and sandwiches were served. All service men are invited to attend the meetings of this Branch on the first Friday of each month, at the Masonic room.

SHOWER

A post-nuptial shower was given to Mrs. Roscoe Cress (formerly Iris Bell), on Tuesday evening, at their home in Bear River. A blue chenille bed spread was given her by her friends after which games were played and a lunch was served at a late hour.

CHEST CLINIC

On Tuesday, April 23rd, Dr. Eagles will conduct a Clinic in Oakdene school, assisted by Miss G. Anderson, R. N., and Mrs. M. Tupper, R. N., County Nurses.

Mrs. Irene Moro, who recently returned to her home in Arizona, was called back suddenly due to the serious illness of her mother. The trip, which generally takes two weeks by car or one week by train, was made by her this time by plane and took only thirty-nine hours—a little over a day and a half—which makes her feel she does not live so far from her folks after all.

W. M. S. MONTHLY MEETING

On April 12th the W. M. S. of the United Church, Bear River, met at the home of Mrs. W. A. Chute, with the president, Mrs. James Brooks, in the chair. During the worship nine members took part. The business period was brief—with details of the open evening on April 25th being discussed and arrangements made. At this open evening the Easter thank offering envelopes will be received.

(Mrs. Milton Morgan gave a splendid review of the book "Missionary Doctor", covering twenty years of medical missionary service in Africa by Dr. Mary Cushman, who began her work there at the age of fifty-two. Those who heard the review will want to read the book—and those who had read the book found the review very interesting. Owing to the heavy snow storm which had blocked many roads, the attendance was not as large as usual.

Capt Cecil E. Jones, en route from Digby to New Glasgow, was in town on Saturday calling on relatives and friends. He expects to leave today for a trip to Edmonton, Alberta.

RAILWAY CHIEF HONORED BY U.S. UNIVERSITY

ROBERT CHARLES VAUGHAN, chairman and president of the Canadian National Railways, was awarded an honorary degree as Doctor of Science in Business Administration at the forty-eighth commencement of Clarkson College of Technology at Potsdam, N.Y., by Doctor John A. Ross, Jr., President of the College.

In presenting Mr. Vaughan for the degree, Dr. L. K. Silcox, of Watertown, N.Y., vice-president and trustee of Clarkson, paid a glowing tribute to the Canadian National executive, saying: "When called to the exacting responsibilities of directing the far-flung activities for the Canadian National Railways with its vast system of railways, airways, steamships, hotels, express and telegraph operations included, it was the combination of administrative talent and discrimination in appraising each request for further progress that has made Robert Charles Vaughan so effective. He is held by those, like myself, who have been privileged to work with him and know him intimately through the years not only as an able administrator, a thoroughly dependable

Christian gentleman and scholar, but above all else as one who by his friendliness and open-mindedness can secure the cordial co-operation of his associates in striving for honest and worthwhile objectives."

Mr. Vaughan was the recipient of one of the two honorary degrees, the other going to William James Cunningham, of Boston, professor of transportation at Harvard University. These are the first such awards since Clarkson's fiftieth convocation anniversary three months ago when among others honor diplomas were given to Herbert C. Hoover, former President of the United States, and Joseph E. Davies, former American Ambassador to Russia.

In accepting the honorary degree from Clarkson Mr. Vaughan and Mr. Cunningham joined a distinguished international assembly of engineers, educators, industrialists, and business men who are recipients of honorary degrees from one of America's outstanding scientific institutions.

The photograph shows Dr. Ross congratulating Mr. Vaughan after the ceremony.

Rev. James Brooks returned on Thursday from Halifax where he had been attending Pine Hill College to receive his B.D. degree.

Lewis Yorke, of Kentville, and Owen Yorke, of Aylesford, attended the funeral of their mother, Mrs. G. Yorke, on Friday.

Announcement

We are pleased to announce that plans are under way for the opening of a Branch of our business at Digby to be known as

HANTS WHOLESALERS, (Digby), Limited

We are hoping to be ready for business about the first week of May, or as soon as Merchandise and Equipment can be assembled.

Last fall we purchased a lot of land near the main railway line, and it is our intention to construct a warehouse thereon when building conditions warrant doing so. Meanwhile we have secured temporary premises on

First Avenue in the Town of Digby

and these are now being renovated for the purpose.

During the past few months we have received a number of requests to open up a Branch in this district as it appeared the retail trade in this end of the Valley desired a COMPLETE WHOLESALE GROCERY SERVICE such as we operate in Hants, Kings and part of Annapolis Counties.

Mr. Roy Carpenter, now residing at Bridgetown, and well and favorably known throughout the Valley, will be Manager of our Branch, and you are invited to contact him at the first opportunity.

Sunrise Services . . .
(Continued from 1st Page)

Religious realism which surrounds a service held in the outdoors. The open air seems to induce a freedom of worship and thought which is not possible inside the doors of a church, while the trip to the cross itself awakens in every mind memories of the journey which Christ Himself made

to the place of His crucifixion and of the pilgrimage of devotion which His followers later made to the place of His burial.

The sunrise Easter service has received the indorsement of religious organizations of all creeds, and in many communities it attracts men and women who during the rest of the year seldom, if ever, are seen at any religious service. In some smaller communities, the sunrise service has taken the place of all other Easter morning services in the churches, and all congregations join in the early ceremony.

In many communities adverse weather does not as a rule have any appreciable effect upon the attendance.

Within the last 10 or 15 years

many spectacular Easter sunrise services have been held in various parts of the country, particularly in California. Notable are the beautiful devotions at Mirror Lake in Yosemite Valley, a deep canyon and a natural amphitheatre. At the foot of Half Dome Park, a sheer mile of solid granite, lies Mirror Lake, and on its wooded shores simple, impressive services are held.

Another picturesque service conducted each year takes place in the huge "Hollywood Bowl", also a natural amphitheatre, which is located near the motion picture capital. As many as 60,000 persons have attended a single service in this great saucer.

Some years ago a huge rock altar and a great white cross were erected on the uppermost tip of Mount Helix, near San Diego. A devout woman, a resident of the city, supplies the money needed to make this mountain-top shrine one of the most beautiful outdoor places of worship in the world.

In the city of Berkeley services are held in a park in the surrounding hills. Here an altar has been erected and provision made for a large choir. The crest of the rocky part is high above the level of the city and affords a splendid view of the entire San Francisco Bay.

At Grand Canyon, Ariz., Easter services are held in the breathtaking south rim of the canyon, and these, as so many others, are broadcast to the nation. In the state of Washington, rites are held at the beautiful Blaine International Peace Arch.

At Hot Springs, Ark., the sunrise service is conducted on the pine-forested summit of Hot Springs Mountain, with a choir procession through the pine groves to the foot of a large rustic cross. In the Garden of the Gods, near Colorado Springs, Colo., the services are in the spectacular setting, where, centuries ago, the Indians worshipped the Great Spirit.

In Winston-Salem, N.C., another outstanding sunrise service is held. There, as at Bethlehem, Pa., the celebration is conducted under the auspices of the Morav-

ian Church. Some 20,000 persons attend.

Colorful sunrise services in the amphitheatre at Arlington National Cemetery, across the river from Washington, welcome Easter Sunday. The huge bowl is filled to capacity, including many government dignitaries. The Knights Templar Lodge of Washington usually conducts the ceremonies.

Boston has several congregations uniting to welcome Easter. The Salvation Army directs one service at dawn in Boston Common. In New York City a significant Easter celebration is held in famed Central Park.

One who has never attended a sunrise Easter service cannot appreciate the inspirational effects of such a pilgrimage. It is related, for example, that Carrie Jacobs Bond wrote her famous song, "The End of a Perfect Day," after attending an Easter sunrise service.

The spiritual inspiration of the sunrise services has been described by another poet, Emma A. Lente, in the following words:

"When Easter came the south wind brought a subtle fragrance o'er the land; the warm sun smiles, and the fair young grass a carpet made along the strand.

When Easter came the robins sang; the sky took on a softer blue; the willows waved in vivid green, and all the earth seemed made anew.

"When Easter came the glad bells rang to tell the meaning of the day, and doubts and tears were put aside, the Passion Week had passed away.

"When Easter came we swift forgot the Lenten fast and grief and gloom; and psalms of jubilation we sang, and filled the chancel-place with bloom.

"When Easter came we knelt beside our graves, where lay our precious dust, and said, while strewing fragrant flowers, because the Christ arose, ye must."

Hillsburn

Friends and neighbors of Mr. and Mrs. Roy Longmire gathered at their home on Saturday evening, April 6th, to extend a welcome home to their son, Cpl. James Longmire, and daughter, Cpl. Kathleen Longmire, who have recently returned from overseas. Cpl. Kathleen joined the C.W.A.C.s in July, 1942, and after serving in Halifax nearly two years, went overseas in June, 1944. While there she served in London, being employed in records—"C.M.H.Q." She spent her leaves visiting places of interest in Scotland and Ireland. Returning in January, 1946, she received an honorable discharge in March. Cpl. James entered the service in May, 1943, and after serving in various parts of Canada went overseas in December, 1944. While there he served in France and

WAR-TIME PRICES AND TRADE BOARD QUESTIONS AND ANSWERS

Q.—Why are canned vegetables not rationed? I live in a small town. We have no garden, so cannot store vegetables. Would it be much fairer to ration canned vegetables?

A.—It would not be at all practical to ration canned vegetables. For instance in cities and northern areas of Canada large quantities of canned vegetables are used, while in the rural areas vegetables are grown on the property and stored for the winter months. If canned vegetables were rationed, some people would not be able to buy enough for their needs, while others would never use their coupons.

Q.—My wife and child have just arrived from overseas. I am not yet discharged and have no regular ration book. How can I get them their ration books and how will I get mine after my discharge?

A.—When your family arrives, all you have to do is go to your local Ration Board within 30 days of arrival with passports or identification papers of your wife and child and you will obtain the necessary ration books. In your case, the Army, on the day of your discharge, will give you a

printed form which, upon presentation at your Local Ration Board, will entitle you to a ration book.

Q.—I understand that some ration coupons expired at the end of the month. Will you please tell me if this is so and what coupons expired.

A.—Pink sugar coupons numbered 46 to 70 and meat coupons M1 to M28 expired March 31. Unnumbered sugar and meat coupons on temporary ration cards are not affected and remain valid.

Q.—What is the present Cost of Living Index?

A.—According to the latest figures compiled and issued by the Dominion Bureau of Statistics the index is 119.9.

Q.—I am a veteran and unacquainted with rental regulations which went into effect after I went overseas. I returned about six months ago and rented a house. Now I find out that I have been paying more than the ceiling rent. What should I do?

A.—You should consult the rentals officer in your nearest War-time Prices and Trade Board office regarding this matter. Give them the full facts and they will direct you as to the proper procedure.

Bedding — Upholstered Furniture

To offset increased material costs, the War-time Prices and Trade Board has authorized price increases ranging from 16 to 25 percent in certain types of bedding and upholstered furniture, it was announced today.

Board officials explained in making the announcement that cotton goods and other materials, including metal wire for springs, wooden frames, feathers, etc., had increased to the point where manufacturers could no longer operate profitably at their present selling prices.

The increases allowed will be 16 to 25 per cent over present selling prices for mattresses, 25 per cent for pillows and comforters, and 20 per cent for studio couches.

Three of the Many Reasons

THERE ARE a lot of good reasons why Carnation is so widely recommended for bottle-fed babies. Here are just three of the very important ones . . . digestibility, fine food value, and safety.

Easier digestibility because of heat-treatment and homogenization; all the fine food value of good, pasteurized milk plus an extra supply of "sunshine" vitamin D; and the complete safety of sterilization.

No matter where you buy Carnation Milk, no matter how long you keep it in the unopened can, even without refrigeration . . . it is always the same, always one of the finest foods for bottle-fed babies (and their brothers and sisters and parents, too).

Happy days are here again...

(A SIMPLE TALE TO SHOW HOW BANK CREDIT WORKS)

MR. TWITCHETT wasn't so happy yesterday. He had a problem. He lacked ready cash for his business.

He makes small novelties—does a nice business in them, too. But he normally allows his customers thirty or even sixty days to pay. In the meantime he has to pay his workmen every week, meet his power bills every month . . . pay promptly for metal and wood and other raw materials to earn valuable discounts.

So, yesterday, like the sensible businessman he is, he borrowed enough from the Royal Bank for his current needs. When Twitchett's customers pay him, he'll pay off the bank.

This is a simple illustration of bank credit

in action. It shows how bank credit, as an everyday tool of business, provides "working capital" to keep men working.

MOST BUSINESSES ARE SMALL

Not size but soundness is the primary test of any business and of its ability to borrow. We count thousands of small businesses among our valued customers. In fact, most of our large accounts are companies which started in a small way and steadily grew through the wise use of our bank credit. The Royal Bank Manager is there to serve all types and sizes of business. He'd like to serve you.

Robert Apt has gone to Moncton where he is taking a course in the cobbler trade.

Kenneth Hudson is making extensive repairs to his home.

Fellowship Circle met Thursday evening at the home of Mrs. Archie McGrath.

Mr. and Mrs. Chester Ellis and Chester, Jr., of Lynn, Mass., are visiting the former's parents, Mr. and Mrs. James Ellis.

Mrs. Katherine Cronin, who has been visiting relatives in Grandville Centre for the past two weeks, has returned home.

Celebrated 88th Birthday

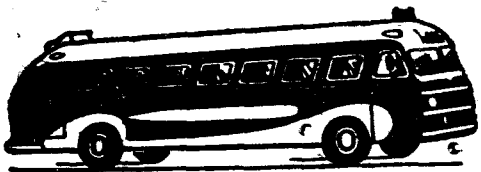

J. Howard Burke, of Port Wade, celebrated his 88th birthday on Wednesday, April 10th. He has been a life-long resident of this village and on January 19th last he and his wife celebrated their 68th wedding anniversary. All of his early married life he went to sea. After retiring from the sea he was the Port Wade light keeper for twenty-five years. And for twenty-five years he was the janitor of the Port Wade Baptist church, of which he has been a valued member for many years. He has two sisters living, Mrs. Emma J. Morrison, Florida, and Mrs. Frances MacCumber, in the U. S. A.; three daughters, Mrs. Fred Ramsey, of Marlboro, Mass.; Mrs. John Flemming, Bear River, and Miss Elizabeth Burke, at home; and three sons, John Vernon, Port Wade; Robert, Arlington, Mass.; and Lealand, of Lynn, Mass. Another son, William, died shortly after returning from overseas in 1919. A very pleasing factor in the celebration this year was that his eldest son, John Vernon, celebrated a birthday too—both on the same day. This was the first time they have been able to spend their birthdays together in forty years, as John has been a resident of Lynn, Mass., for a number of years until last Fall when he decided to return to Nova Scotia and make his home with his parents and sister Elizabeth. The birthdays were quietly celebrated at home. Friends and neighbors called to offer congratulations and they received many nice cards and gifts.

WEYMOUTH

"Bill" Hogan has returned home after visiting relatives in Saint John.

Miss Nan Simmonds, who has been spending the winter months with Mrs. Lalla Marshall, has returned to "Beechknoll", her home in Weymouth North.

Following the regular meeting of Olive Branch Rebekah Lodge on Monday of last week, a social hour was spent at the home of Mrs. H. A. Blackadar in honor of Mrs. Wilkins, (formerly Kaye Fitzgerald), who is spending several days at her home in Weymouth North. Mrs. Wilkins, who with her husband, has been residing in Halifax, will leave with him in the near future for Windsor, Ont., where they will make their home. For many years a faithful worker in the Lodge Mrs. Wilkins has been greatly missed during her stay in Halifax. The sincere good wishes of her many friends go with her to her future home.

Mr. and Mrs. Leonard Comeau, accompanied by Lillian Comeau, went to Kentville one day last week.

Bobbie and Stuart Fergusson, of King's Collegiate School, Windsor, have returned home to spend the Easter holidays with their parents. Dr. and Mrs. Fergusson.

The LeBlanc Shipbuilding Company resumed operations Thursday after several months of idleness. Twenty-five men are at present employed by this company, but an increased number will be employed in the near future.

After three years on the teaching staff of the local school, C. L. Goudey has tendered his resignation, effective at the close of the present term. Mr. Goudey is commanding officer of the local Sea Cadet Corps and will be greatly missed in that capacity. His decision to leave Weymouth has caused general regret.

is spending the Easter holidays with Mrs. Lalla Marshall. Miss Harris will be joined by her mother, Mrs. Raynol Harris, this week.

Finished garments received from the Weymouth Red Cross Branch auxiliaries last week included 4 children's sweaters, 5 pairs socks from Riverdale, and 10 diapers, 5 combinations, 35 utility bags from Ashmore. Finished garments received from local workers were 50 diapers, 6 combinations, 6 slips, 1 pair stockings and 5 children's sweaters. The latter were knitted by Mrs. E. Greene during the past month.

ABOUT the Weather

The winter spell we have been growling about after a summer-like March seems to be breaking, and perhaps we will have some spring weather in April after all. So far April has produced the heaviest snows we have had this season, and although these storms have been accompanied by some cold weather, it has not been too

Warmer weather commenced over the week end with a warm rain on Monday. This spell of weather has practically removed all traces of snow.

However, we are informed the severe April weather has been a blessing in disguise, for, had the weather continued as it was in March there would likely have been a repetition of last year when fruit blossoms advanced too quickly only to be nipped and killed by May frosts.

Mrs. Augustus Purdy, who has been a patient in the Digby General Hospital, has returned to her home in Deep Brook.

NOW THE LID IS OFF

Secretly, in the early and dark days of the war, a \$3,000,000 plant, the Stormont Chemicals Limited, was built on the outskirts of Cornwall, Ont. No one knew what it was for except those who were responsible for its construction, the workers and the two or three top freight department officers of the Canadian National Railways who arranged for supplies to be transported into the plant. It was one of Canada's biggest and best kept war-time secrets.

Canada remembered the suffering and death of her soldiers in the first world war, when the enemy sneaked into the plant with gas. More than 3,000 tons of the most potent deadly mustard gas ever produced in the world was manufactured at Cornwall and the plant was set to go into mass production instantly. So powerful was the lethal gas that if it were sprayed on a Canadian city, a chemical warfare officer says, no one could venture outdoors for a month or longer, while decontamination squads, rushed into the city from outside, cleaned it up.

But the Germans didn't use gas and when the war ended, the Chem-

ical Warfare and Smoke Branch of the Department of National Defence faced the problem of safely disposing of the gas. The best and surest way to remove it from harm's way was to dump it in the Atlantic.

Then officers of the Canadian National Railways were called in to work out the problem of transporting the biggest mustard gas movement ever handled by rail. Special anti-gas paper had to be used to line the floor of each car, on top of which two inches of dehydrated charcoal was spread. To hold the drums, each containing more than a quarter of a ton of gas, securely in place, more than 540 feet of lumber was needed for each car. With each carload of gas, a member of the Army decontamination squad was sent along on the 900-mile trip.

In the upper photograph, a steel drum of mustard gas is being rolled into one of the 197 C.N.R. cars needed for the big movement. The lower photograph shows the drums spread over a mile-square field almost as far as the eye can see. To transport these 10,219 drums of gas to the east coast, five C.N.R. special trains were required.

The Promise of Easter

The promise of the Resurrection will be kept. This is Easter's promise.

Centuries ago a Great Teacher was mourned for dead. His words had gone across the land, challenging the forces of tyranny, kindling in the people of His time a new hope of truth, of tolerance, of freedom for all. But the enemies of Jesus were strong—too strong, it seemed to His disciples as they saw Him on the cross.

Then came Mary Magdalene to His sepulchre and saw the stone sealing it had been rolled away. Jesus, symbol of a better world, lived again for mankind.

Today, as we kneel in our churches, aware that once again the great stone was rolled away and that light streamed into our war-darkened world, from our hearts we bring forth a prayer.

We pray for great courage and strength of soul.

We pray for tough bodies—and clear minds—that we may carry on our work even when the re-

wards seem small and the hardships many.

We pray for unselfishness—that we shall not satisfy our appetites and our desires at the expense of our neighbors.

We pray for laughter—that the annoyances of the day may not cause us to spill over with bitterness and forget that each man and each woman carries his own cross, even though hidden.

We pray for vision—that we may see clearly the things which are worth saving, the things taprooted in the very earth of Canada.

We draw our strength from many sources, great and small: From the open door of a church, under April skies . . . from the laughter of children at play . . . from the arms of a workman bending over his lathe . . . from the raw-turned frame of a farmer as he turns back the earth . . . from a boy returned from war—

And so today we are not afraid. We have hope. We shall work. And on another Easter morning the stone will be rolled away and light will stream again into a darkened world.

Looking Ahead

Fish by the acre . . . seeing through a tree . . . and oil-resistant rubber.

Do you know that fish is the only main food supply which man has so far done nothing to cultivate? He grows his grains in fields, his fruit in orchards, his meat in cattle, swine, sheep.

Now, however, with the aid of the chemist, our supplies of fish are to be increased. Fertilizer spread on the surface of fishing waters, stimulates growth of the basic fish food (plankton), so that fish grow and multiply much faster. Fish yields in farm fish ponds have jumped 400% with this treatment.

Can you see through a tree? Someone might say, "yes, by X-ray", but that's not the answer. Chemistry, almost by magic, can do it by transforming Canadian wood pulp into liquid cellulose and then into transparent "Cellophane" with which so many of your purchases are protected on their way to you. "Cellophane" cellulose film is made by C-I-L at Shawinigan Falls, Quebec.

Rubber is a grand material—in the right place! But some of the uses to which it has been put were just a bit too much for its constitution. When exposed to sunlight, oil, gasoline or chemicals, natural rubber quickly deteriorates. And that is where neoprene synthetic rubber comes in. It can take most of the abuse that gets natural rubber down.

Further information on any of these products is obtainable by writing "Looking Ahead", C-I-L, P.O. Box 10, Montreal, P.Q.

34 New Features in the New Dodge

IT'S BETTER THAN EVER... the beautiful, new, Dependable Dodge.

Thirty-four important new features and improvements, added to Dodge time-tested engineering and design make it the finest low-priced car ever built by Dodge.

It's New... with new solid, wrap-around bumpers for greater protection... new, massive grille of glittering chrome... new enamel finish, smooth as silk—yet harder than ever... new, streamlined rear fenders with lowered side opening to protect body finish from flying stones... luxurious, two-tone, French-pleated upholstery that blends with the colorful plastics and shining metal of the new instrument panel and steering wheel.

It's New in performance... finger-touch starting with the new push-button, mounted on the instrument panel... quicker warm-up and easier cold weather starting with a new intake manifold, having a greater heating area and better gas distribution... new, rotor type oil pump which gives required oil pressure over the range of engine speeds and temperature... new enclosed, universal joints for added protection on rough roads... new, sturdier, rear axle ring gear and pinion... new gas tank filter which prevents dirt blockages in the gas lines and is self-cleaning by action of the gasoline in the tank... and many other improvements in engineering and design, including the great brake improvement described at the right.

See this New Dodge now at our showrooms... let us demonstrate these many new features... drive it... compare it... and judge for yourself.

THE GREATEST BRAKE IMPROVEMENT IN 24 YEARS

You will be amazed at the efficiency of these new brakes the first time you drive a new Dodge. A light touch on the pedal immediately gives you sure, smooth brake action, at all car speeds; and gentle foot pressure holds the car smoothly and evenly as you ease down the steepest hills. The new-type 2-cylinder front brakes and the improved rear

brakes, greatly increase control and stopping power, and actually reduce the needed foot pressure by twenty-five to thirty percent. Brake linings last longer than ever. The new-type brakes are the most important advance in brakes since 1924, when four-wheel, equal pressure hydraulic brakes were first introduced. Try them to-day!

Left: Improved rear brake with increased hydraulic pressure.

Right: New front brake, with twin-cylinder action. (Right wheel shown)

And What of The Tomato?

(By Georgie M. Wall)

Is there a future for tomato growing in Nova Scotia? The thirty-two producer members of the Nova Scotia Tomato Growers' Association, an Annapolis Valley organization, think so. For seven years now they have been building up a producer and marketing organization which has not only worked up a good local business in the Maritimes but also has recently seen an export market open up in Newfoundland. Now, impossible as it may seem, they are looking forward to a time when it may be feasible to ship even across the Atlantic, if a market can be secured there. Their operations, of course, have been on a relatively small scale, but they have been successful. Tomato growers and would-be growers in other parts of the Maritimes, where climatic and growing conditions are similar, will find much to interest them in the way this group is attacking its problems.

It was established some time ago in the minds of Association members that a tomato industry, to be successful in this province, must concentrate on producing a crop to be put on the local market in late September, October and November, in order to avoid too much competition from imported fruit and to get the best prices possible.

But at first thought this seemed impossible since in the Maritime area fall frosts frequently occur before the crop has had a chance to ripen fully or even before peak production has been reached. It seemed that profitable crops could be raised only if these partially ripened tomatoes could be harvested before the frost struck and subsequently ripened satisfactorily. At any rate such a procedure would increase returns from the crop, and this, in many cases, would mean the difference between making a reasonable profit and losing part of the production costs.

What was needed, the growers felt, was some experimental work of a scientific nature and they approached Superintendent Arthur Kelsall of the Kentville Experimental Station to see what could be done, with the result that a preliminary investigation in the storage ripening of tomatoes was started last fall by G. W. Hope of the Experimental Station staff. Mr. Hope reported the results of this investigation to the growers at their recent annual meeting. While it was emphasized that only the preliminary work had been done, some of the conclusions reached were encouraging.

The Experiment

In this preliminary investigation the seven varieties recommended by the Station were used: Best of All, Globe, John Baer, Earliest and Best, Hark-

ness, Nystate and Bounty. Mature green fruit of these seven varieties was stored in eleven quart baskets at three different temperatures, 70 degrees F., 57 degrees F., and 51 degrees F., and the rate of ripening was determined by counting ripe fruit and calculating the percentage of the total.

In two weeks from date of picking, 95 per cent of all fruit stored at 70 degrees F. had ripened enough to be marketable, 47 per cent at 57 degrees F., and 20 per cent at 51 degrees F. In four weeks 92 per cent of the fruit at 57 degrees F. had ripened and 86 per cent at 51 degrees F. Six weeks were required to ripen all fruit at 51 degrees F. under all temperatures tried. John Baer tended to ripen more quickly and Best of All more slowly than other varieties. It was found that all varieties ripened satisfactorily in storage, when picked at the "mature green" stage, except Bounty, which produces a colorless, poor quality fruit when ripened off the vine.

The conclusion drawn from this experiment was that "the ripening rate of mature green tomatoes can be considerably lowered by holding the fruit at temperatures between 50 degrees and 60 degrees F." This, of course, was what the growers had hoped to prove, not only because of what it will mean in regard to local sales but also because of what it may mean in the future in regard to an export, possibly a trans-Atlantic, trade.

Cold Storage Tried

The growers had also wanted to find out what effect cold storage would have on mature green tomatoes. To determine this, mature green fruit, harvested eleven days later than that used in the previous experiment, was placed

in storage at 38 degrees F. Baskets were removed after 2, 4, 6, 13, 19 and 27 days and fruit was allowed to ripen at 70 degrees F. It was learned from this experiment that fruit stored at 38 for more than 13 days broke down rapidly in the 70 degree ripening room, the fruit becoming useless before ripening; that fruit stored at 38 for 2 days only ripened faster on removal and overtook that kept at 70 degrees F., and that storage at 38 for 4, 6, and 13 days extended the ripening period by 5, 7 and 13 days respectively. But Mr. Hope pointed out this last result is accomplished also (presumably at less expense) by storing at temperatures approximating 50 degrees and 60 degrees F., though cold storage has this advantage, that it tends to shorten the period in which the bulk of fruit ripens.

Perhaps the greatest disadvantage of storage at 38 is wastage due partly to the development of rots. Commenting on this, Mr. Hope said that "it is probable that fruit could be held in cold storage for periods of two weeks or even longer if some way could be devised to prevent the development of rots when the fruit is removed to a higher temperature." The conclusion reached was that cold storage was not likely to prove satisfactory.

Fertilizer Experiments

At the growers' request, fertilizer experiments with tomatoes also started at the Experimental Station. Since only the preliminary work has been done, it is not possible yet to draw any final conclusions. But Mr. Kelsall commented at the Association meeting on certain interesting developments which have so far

come to light. As might be expected, the yield of tomatoes on fertilized plots proved greater (about one-third) than that of the unfertilized check plots, but while fertilized plots had a higher percentage of mature fruit by September 20, the check plots produced one-third of their mature crop by September 20 and two thirds after. If future experiments should bear this out, there would be a real problem for the growers who would apparently have to decide between a bountiful early-maturing crop produced by using fertilizer and a smaller crop of late-maturing fruit for which they would get better prices.

They Know What They Want

Organizing originally to consolidate as much of the Nova Scotia tomato crop as possible under one head so that it could be marketed in an orderly manner and in sufficient volume during the past seven years these growers have gone far beyond their original purpose building up a demand for their product on markets where Nova Scotia tomatoes had never been sold before. They are likely to keep those markets, come what may, because they offer a quality product.

Certainly there are many problems still to be solved in this youthful tomato industry. But the growers seem to have taken the right way of getting them solved. They have made sure of the future help of the Kentville Experimental Station in both fertilizer and storage ripening experiments; and they have enlisted the help of the Central Experimental Station, Ottawa. This disposition to keep abreast of the times and to try out new methods and ideas together with the em-

phasis on quality which has marked the Association from the beginning should help to solve a lot of problems.

The chances are that this group will continue, as they have begun, to concentrate on producing for the late market. They have found by experience that the late variety (with storage ripening) is more profitable. For one thing, the crop is ready for market at the one time when prices are best. For another, a late

crop is, in some respects, a saving of labour, since earlier varieties must be picked more often. The early crop is more expensive to grow, too, since larger plants must be used—and they must be set out earlier and therefore always run the risk of frost. Besides, with the late-maturing variety there is the fascinating prospect, which the growers believe storage ripening will one day make possible, of producing for overseas export.

It is remarkable that under sanctuary conditions wild animals gradually lose their fear of man. Wild creatures that have been hunted for their meat or pelts down through the centuries are bound to have developed, instinctively, the same fear and suspicion of man's intentions as they have towards other predators. It is natural, therefore, that this fear of man by wild creatures even under strict sanctuary conditions should take some time to allay. It may not be desirable to remove it entirely in the case of some wild animals. Too much familiarity sometimes breeds contempt, or even worse. For instance, it is very unwise to become too friendly with a bear, because "bears will be bears" no matter how "tame" they may become.

Canada's national parks serve as splendid natural museums of wildlife, will always be of special interest to nature students. It is one thing to see a wild creature thwarted and restless in a cage, and quite another to observe it under natural conditions and behaving in a natural manner.

One of the most interesting pastimes for many park visitors is photographing wild creatures in their native habitat or merely observing them doing the things to which they are accustomed, and doing them with very little, if any, concern for the onlooker. Excellent wildlife studies, both in still and motion pictures, have been obtained in this way, depicting the ways of wild creatures in the parks. These pictures are in great demand for educational and entertainment purposes. Many a park visitor's snapshot album is adorned with "shots" of wild sheep, goats, moose, elk, antelope and other deer, buffalo, bears, and sometimes even the wily and shy cougar. Often each of these snapshots tells its own story to the wildlife enthusiast and brings back to mind years

later, unforgettable encounters with primitive nature. The national parks not only make a noteworthy contribution to wildlife conservation (which is their primary purpose) but provide unequalled opportunity for the study of wild creatures under favourable conditions.

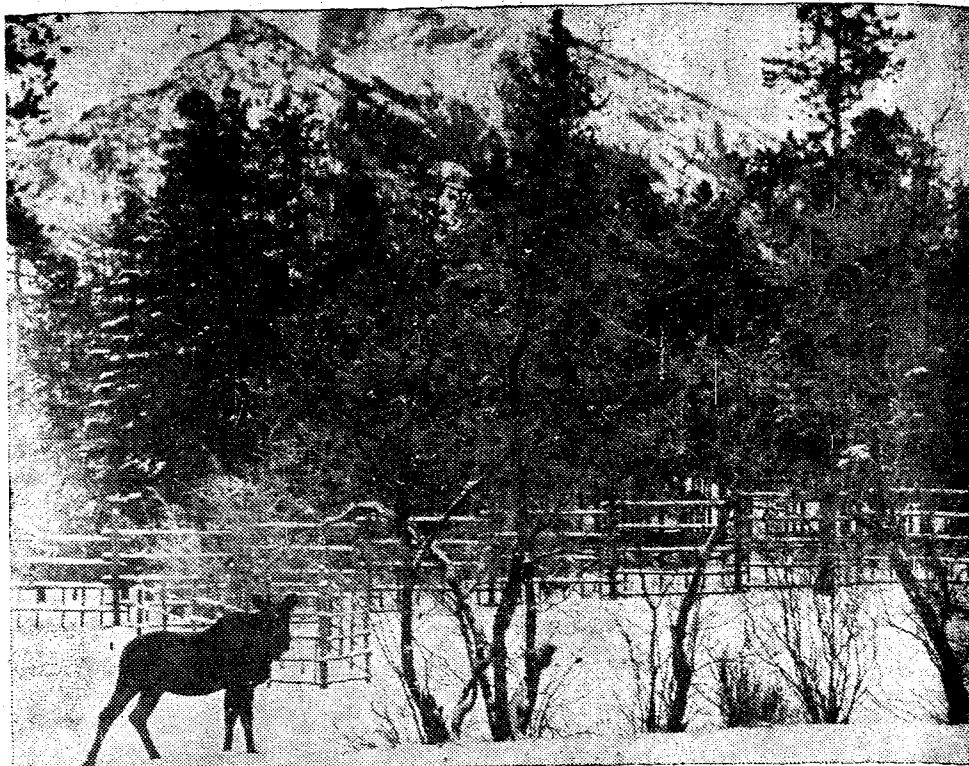

Wildlife adds materially to the pleasure of the park visitor. However charming the scenery, its beauty and interest are increased a hundredfold by the sight of wild creatures in the forest, the song of birds in the trees, the whirl of wings skimming the surface of the water, or the leap of a trout from deep eddying

pools. These add life to the scene and are an essential part of the national parks idea.

Years ago Canada was the last refuge of many wild animals, but because of the advance of settlement in this country the habitat, particularly of big game, was gradually taken over and the animal life was being inexorably wiped out. A few decades ago none but the adventurous, who was content to spend days and possibly weeks in the attempt, could see such animals as the mountain goat and bighorn sheep in their native surroundings. Today, the visitor to the national parks may come across these and

many other big game animals without having to go very far afield.

Easter Services in The Churches

The high festival of Easter was celebrated in traditional fashion in the churches of Digby. Although the weather was very inclement large congregations turned out to the services.

At Holy Trinity Anglican church the Choral Eucharist was celebrated at 11:00 o'clock. Special music by the choir featured the service and the altar of the church was banked with lilies and other Easter flowers. In a very inspiring sermon the rector, Rev. F. B. Gaskill, pointed out the great significance of the Easter story and the hope that the story of Christ's resurrection held out to the world today.

Rev. D. G. C. Warren, Dean of Theology at Acadia University, was the special speaker at the services in the United Baptist church. Special music by the choir featured the services and in the evening a special Cantata was rendered.

Traditional services of Easter Mass were held in the St. Patrick's Roman Catholic church with large numbers of the congregation making their Easter communion. Forceful Easter sermons were delivered by the rector Rev. Father Murphy.

At Grace United Church special Easter music by the choir featured the Sunday services. Dr. Hodgson, pastor of the church preached at both services.

Thief Secures Little Loot

The thief or thieves who broke into the new plant of the National Frosted Foods on Thursday night secured very little loot.

Entry into the building, which is as yet not completed, was gained by prying open the main door into the packing room. As far as can be seen the only loot taken was a gallon can of white paint, most of which was spilled while the thief was getting out of the building, and two electric light bulbs. A carpenter's tool chest was broken into but it is thought nothing was taken from it.

Asylum Inmate Found

Colin Thompson, inmate of the asylum for harmless insane, at Marshalltown, was picked up by Chief of Police Pulsifer, at Annapolis Royal, Sunday, thus bringing to an end a five day search which had been directed by the local detachment of the R. C. M. P. Thompson, a man of about 40 years and a native of Westport, made his escape Tuesday of last week. He was traced to the woods near the Digby Neck cross road, but from there the trail was lost. On Saturday Constable Babson, from Shubenacadie, and his specially trained dog, took part in the search but were unable to find any fresh trails.

On Sunday it was reported to the Annapolis chief that a strange man had slept in a car parked on one of the streets of that town during Saturday night. The description fitted the missing man and the chief had little trouble in rounding him up. He has since been returned to Marshalltown.

Thompson's escape recalls to mind a mystery of several years ago when a young woman inmate of the institution, vanished into thin air. She had been helping with the

Record Breaking Audiences See Kiwanis Minstrels

Hundreds were turned from the doors of Community Hall Tuesday evening for the first performance of the Kiwanis Minstrels of 1946. The hall was filled to capacity with people standing in the aisles and wings. It was estimated that upward of 200 could not be admitted. Last night's repeat performance was also largely attended.

Kiwanis Minstrels of 1946 was the first show of its kind staged by Digby amateurs since pre-war days. The performance, sponsored by the Kiwanis Club of Digby, was directed by Mrs. Helen Anthony and Mrs. Louise Stephen.

The one-act farce "Utter Relaxation" opened the show. The farce was short, spicy and full of laughs, the audience getting a great "kick" from the feminine characters, played by Norman Wright, Bill Troop and Scott Eaton. The leading role of Wilbur was played by Ray Underwood, while other parts were played by J. J. Wallis and G. H. Peters.

Following the play were the Kiwanis Ballerinas, a troupe of lovely ballet dancers who held their audience spellbound by their precision, grace and skill. The dancers were

Bill Smith, Bill Troop, Chet Levy and Ray Underwood.

Presentation of the Kiwanis Minstrels closed the program. The minstrels, even to the interlocutor—were all black face artists with Ray Underwood (Mr. Sideswipe), Bill Troop, (Mr. Ketchum), J. J. Wallis (Mr. Creosote), Roy Sypher (Mr. Persimmon), Bill Smith (Mr. Cauliflower), Norman Wright (Mr. Digitalis), Bob Taylor (Mr. Switchem), and Tom Matheson (Mr. Skipflea) as endmen; Chester Levy was interlocutor for the group.

Scott Eaton (Farine Johnstone) and George Peters (Mahdy Dipplefinger) were the two end women of the Circle.

Solo numbers were taken by Bob Taylor, Norman Wright and Chester Levy. Scott Eaton and George Peters favored the audience with a duet.

The Digby Civic Band took an important part in the performance favoring the audience with several numbers before curtain time and during the intermissions.

Drawing for the Crosley Table Model Radio took place at intermission at last night's performance. The winner will be announced in our next issue.

TO ORGANIZE BASEBALL LEAGUE

A meeting to organize an Athletic Association and to discuss the formation of a baseball league of three teams will be held in the Town Hall tomorrow evening.

Considerable discussion has been had recently with regard to the formation of an Athletic Association to sponsor and promote community athletics in Digby and it is hoped a goodly number will turn out to this meeting.

Rev. J. E. DeLong, who has recovered after a serious illness, will take charge of the evening service in the United Baptist church on Sunday. The only morning service will be the Sunday School session at 12 noon.

supper dishes and apparently stepped out of the back door to hang out the dish cloths—and was never seen or heard of again, although an intensive search was conducted at the time.

Freeport Oddfellows

Nearly 200 persons including returned service men and their wives, as well as relatives of deceased service men, attended the Annual Supper of Chippawa Lodge I. O. O. F., Freeport. The service men, wives and relatives were the guests of the lodge.

Following the supper served in the banquet room of the hall, toast master B. S. Morrell proposed the toast to The King.

This was followed by a toast to the Service Men, proposed by Theodore Morrell and response by Mrs. Blanchard Thurber, sister of a deceased service man.

The toast to "Our Guests" was proposed by Ernest Haines and response by Mrs. A. F. Weir.

Mrs. Blanchard Morrell proposed the toast to "The Oddfellows." The response was made by the Noble Grand, Austin Finigan.

T. W. Brooks and Mrs. Brooks, of Swamscott, Mass., were present for this occasion. Mr. Brooks was the first Noble Grand of Chippawa Lodge, and addressed the lodge briefly.

Following the supper and toasts a sing song and program were enjoyed.

During the past winter degrees have been given by Chippawa Lodge to nearly twenty new members.

EASTER SUNDAY WEATHER

Spring coats and Easter bonnets were conspicuous by their absence in Digby's Easter parade, while fur coats, ear muffs, rubber boots and overshoes predominated.

Digby citizens woke up on Easter morning to find the ground covered with slushy snow. This, along with a cold raw wind, made the morning quite disagreeable. Most of the snow vanished by noon but the cold winds kept up throughout the day.

However, we in this end of the province were fortunate, for up along the New Brunswick-Nova Scotia border the freak Easter storm piled drifts from four to six feet; hundreds of telegraph and telephone poles went down and trains were delayed for hours. Traffic, telephone and telegraphic communications were not fully restored until late Monday.

Mr. and Mrs. Russell Atkinson, of Clark's Harbor, spent a couple of days last week in Digby, guests of Mr. and Mrs. Jack Brittain.

Bear River News

Mrs. James arrived home last week from Halifax where she went for medical treatment.

Mary Elizabeth Tibert, bookkeeper - stenographer at Fritz Dakin's spent Easter at her home, Little River.

Mrs. Darcy Roope and son Johnnie of Hill Grove are spending the Easter holidays in Salem, Mass. and other New England cities. They will be away several weeks.

Miss Marion Bacon, of Saint John spent the Easter week end with her mother, Mrs. Frances Bacon. Mrs. Hilton Rafuse, of Young's Cove, is also home for a week end.

An Easter of joy and thanksgiving was spent at the home of Mr. and Mrs. Curtis Porter, Hill Grove, the occasion being the home coming of their three sons who have been serving with the R.C.A.F. during the war. All were able to spend Easter week together for the first time in several years. Warrant Officer Ray Porter has just returned after service overseas with the R.C.A.F. Gerald Porter, Flight Sergeant and air gunner, who was seriously wounded in an air raid over Gilsenkirchen, Germany, November 6, 1944, came back home from Camp Hill Hospital, Halifax, much improved in health, and L.A.C. Gordon Porter has just been transferred to Dartmouth, N. S. Gordon has a wife and two small children, and is at present living at Moncton, N. B.

New Tusket

Mrs. Fred Gray and daughter, Dorothy were guests at the home of Mr. and Mrs. Eldon Ford on Sunday.

Stewart and Roy Prime and Jesse Goudy, of Deerfield, were here a few days this week on business.

Mr. and Mrs. Clarence Mullen and family have gone to Port Maitland to visit Mr. Mullen's parents, Mr. and Mrs. Manning Mullen.

Mrs. Austin Thibault has gone to Digby for an indefinite time. Stanley Spavold, of Halifax, is spending his holiday at his home here.

Mrs. Fred Gray and daughter Dorothy spent the Easter holidays at their home in Kempsville. Rev. H. S. Mullen, Mrs. Mullen and son Paul, of Port Maitland, visited the former's brother, Harvey, one day last week.

We lost one of our old land marks recently when a grass fire burning near the old Bedford house set it on fire and destroyed it. It had not been lived in for several years.

CELEBRATED HIS 70TH BIRTHDAY.

A very pleasant evening was spent on Friday of last week, when Mr. and Mrs. W. S. Wright, of Carleton, Yarmouth County, (formerly of Bear River) entertained members of the Bible Class of the U. B. Sunday School, together with friends, the occasion being Mr. Wright's 70th birthday.

An old fashioned Hymn Sing was enjoyed and a scrambled word contest of Bible characters. Also a Bible verse contest.

Mr. Wright was the recipient of many nice gifts, among them a decorated birthday cake, presented by Mrs. Ernest Travis. In his usual genial manner Mr. Wright thanked his friends for their tokens of esteem and good will. He made reference to his good health and happy life and attributed it to clean living and care given him by his wife.

Refreshments were served by the hostess and Mr. Wright generously shared his birthday cakes with his guests.

The pastor, Lic. H. A. Renfree, on behalf of those present, expressed appreciation to Mr. and Mrs. Wright for the pleasant evening and hoped we might all be present at his 80th anniversary.

The guests departed at a late hour wishing Mr. Wright "Many Happy Returns of the Day."

SCHOOL CONCERT AT FREEPORT

On Thursday afternoon primary pupils of the Freeport school under the leadership of their teacher, Mrs. Egbert Crocker, presented an Easter program to which parents and pupils were invited. First a sing song of tunes heard over the radio in school music broadcasts, followed by recitations and other numbers by individual pupils.

ANNOUNCEMENT

Mr. and Mrs. Charles W. Chute, of Dorchester, Mass. announce the engagement of their daughter, Mary Elizabeth, to Mr. Robert D. West, son of Mrs. Anabel D. West and Mr. Ralph H. West, Chillicothe, Ohio.

Miss Chute was graduated from Simmons College, the class of '44, and until recently has been associated with the Enoch Pratt Free Library, in Baltimore, Maryland. At present she is with the Boston Public Library.

Mr. West is a graduate of the Chillicothe High School and the National Training School for Boy Scouts. He was recently discharged from the United States Naval Reserve and is now a Field Executive of the Chief Logan Council Boy Scouts of America, Chillicothe, Ohio.

Native of Berwick Killed

Bernard MacNeill, of North Plainsfield, N. Y., eldest son of Mr. and Mrs. Otto MacNeill, was killed in an accident on his way home from work on April 10th. He was about 38 years old. He was found by the railway track, his right leg and arm broken, his head injured and an eye destroyed by his broken glasses. His watch had stopped at 10:00 o'clock. He worked for the New York Stock Exchange. No one had been found, at last report, who had witnessed the accident. His name was found in his pocket and his family notified. Besides his wife and two children he leaves his parents and three brothers. He was born in Berwick but went to the States with his parents when young. His father, Otto MacNeill, is a native of Barton.

Left Homeless by Fire

Five persons were left homeless when the home of Mrs. Bertha Small, Victoria Street, was destroyed by fire Friday morning. The home was occupied by Mrs. Small and four boarders.

The blaze was discovered about 8:30 o'clock. At that time smoke was seen issuing through the roof near the chimney. An alarm was turned in as soon as a telephone could be reached, but unfortunately, on the arrival of the department there was some delay in coupling hose in order that it reach from the nearest hydrant, a considerable distance away, to the fire.

The fire, which seemed to smoulder for some time under the roof, broke through, and in a few minutes it was impossible to prevent the destruction of the cottage.

The home of James Small, next door, was slightly scorched, and one window was cracked by the heat.

Your Town— and Mine

(Opinions expressed in this column are not necessarily those of the publishers of the Courier.)

This column has always been under the impression that the law prohibited the purchase of beer bottles from minors. Evidently this is not so, or at least it does not seem to be so, in Digby.

No matter what one's feelings are concerning the liquor question no one can fail to be disgusted at the sight of little kiddies, some of whom can hardly walk, toddling down the street loaded with empty beer bottles. It is also not a pleasant sight to see these youngsters rooting about the gutters, in the hedges and among the garbage for these empties. Older children can also be seen following drinkers along the streets, down the alleys, on the beaches and into lavatories and toilets waiting for the bottles to be emptied in order that they might get them. Very often, too, these youngsters can be seen to drain the dregs from the bottles after they have been dropped by the adult drinker.

This is definitely a bad situation and one that should be remedied. Such actions must lead to moral delinquency on the part of the youngsters and the practice of allowing them to collect and dispose of these bottles is one which naturally leads them into bad company and worse environment. If the law does not prohibit this practice it should be made to do so. If it does then it should be rigidly enforced. A great deal is heard these days concerning excessive drinking among the youth. This practice of allowing youngsters, even in some cases pre-school youngsters, to collect and sell liquor bottles is a practice that will lead to drinking through association with those who drink and through the sampling of the contents of the empties which are often not completely empty.

Some weeks ago this column dealt at some length with garbage disposal and some mention was made of Clean-up Week. What is Clean-Up Week going to mean in Digby? Will it merely mean that a few more roses are planted in Mrs. Smellingforth-Smythe's garden and a new coat of paint on the town barn or will a concerted effort be made to really clean up the town. There are situations, slum conditions in this town that need cleaning up very badly. Those who saw "Tobacco Road" and like productions shuddered at the poverty, the terrible living conditions shown in these pictures. A walk around some of the districts in Digby will give you that same shuddery feeling. It is not necessary to go to the big cities to find slum conditions. We have them in Digby—and not too far from the "quality residential area, either. The question is—what is going to be done about it? Will these things be ignored by the officials of Clean-Up week, or will they include some action to remedy the evil in their program? It is understood that civic laws are somewhat vague at present in respect to this matter. The town, no doubt, is too small to consider a large slum clearance project, but the Board of Health or other proper body should be armed with the necessary authority to effect some cleaning up of the matter.

Effort should be made to see that all houses are provided with proper sanitary conveniences, that proper and sufficient sleeping accommodation is provided. The matter of clearing up this situation is one that affects the whole town. To allow such conditions to continue is to perpetuate a menace to the whole community. Such conditions breed disease and disease-carrying vermin that can carry and spread dread epidemics throughout the whole area. Undoubtedly this column will be criticised for flaunting this matter before the public but it is only through an informed public opinion that a remedy can be secured.

WHO HAS ALL THE MONEY HE WANTS?

Joe Green is a steady worker with a steady job. He has always met his bills. But now, because of sickness, he suddenly finds he is short of ready cash... tomorrow he will go to his bank and arrange a Personal Loan.

You may find yourself in the same position as Joe Green. Anybody may! Personal loans through your bank make it possible for you to anticipate future earnings. This is an essential part of its services.

Such loans may be obtained to meet financial needs of many kinds; to lay in ahead a winter's supply of coal, to pay municipal or other taxes in time to earn the discount, to provide for home repairs, to send a boy or girl to college, to consolidate debts—indeed for any sound reason.

Bank credit runs through all personal life and commercial life. It operates silently and unobtrusively. You take it for granted. That is the way Canadian banking works.

RED CROSS NEWS - - DIGBY BRANCH

The first quarterly meeting of the Digby Branch, Canadian Red Cross Society, was held at the Court House on Wednesday afternoon last with a good attendance.

The president, Dr. T. W. Hodgson, was in the chair and full accounts of the recent meeting in Halifax were presented by Mrs. H. M. Warne and the president, both of whom had attended as delegates. The highlight of the reports was the strong appeal for more workers to carry on sewing and knitting for European relief. The urgency of the need was brought home to the delegates when Norman Unguhart, national president of the Canadian Red Cross Society, landed from the Ile de France after a five-week inspection tour of European conditions and came directly to one of the Red Cross sessions to report that conditions there are far more grim than we can imagine — so grim that England is almost at the point of starvation, and that babies are being born in French hospitals and wrapped in newspapers for lack of any clothing. The facts, as he presented them, made all the delegates willingly pledge the utmost assistance of their hands and feet to the women of Digby and surrounding districts will rise to the occasion as they always have in the past when the need has been the greatest.

Another interesting feature of the reports was the description of the work carried on at the Port Nursery by the Red Cross Corps in welcoming the English wives and babies of our service men. The children are cared for in the nursery while the mothers pass through the immigration offices, and extra clothing is provided for the babies by the Red Cross, since few of them have sufficient supplies for their stay in the "greenhouse" trains, equipped with first aid supplies, and toys to help amuse the children during their long train trip often all across Canada. In this connection an appeal was issued for more stuffed toys to give to the thousands of children who are expected to pass through the Port Nursery during the spring and summer. The children love them and they are a token of welcome to our newest citizens as they enter Canada.

Reporting on the work of the Digby Branch for the past quarter the following is the list of articles shipped to Halifax during that period: 21 quilts, 15 crib blankets, 8 dresses, 18 pairs sleepers, 31 undershirts, 45 infants' garments, 2 pairs mittens, 1 pair pajamas, 53 children's sweaters, total, 192 articles.

Donations received during January, February and March are gratefully acknowledged as follows: 4 quilts each, Barton Auxiliary; Ever Ready Club: 3 quilts, Ea-Gi Club; 3 quilt tops, Mrs. Curtis Young; 1 crib quilt, 1 quilt top, Mrs. E. B. Tibert (Central Grove); 2 quilt tops and linings, Mrs. Guy Dunn; 1 quilt top and lining each, Mrs. H. T. Warne, Miss Louise Daley; clothing—2 dresses, 2 slips, Mrs. E. B. Tibert (Central Grove); 1 dress each, Miss Dorothy Perry.

(Barton), Digby Hospital Baby Booth; 1 child's knitted suit, Mrs. J. W. Merkel; 1 child's sweater, blouse, booties, Mrs. W. W. Hayden; 1 skirt, Mrs. F. J. Thibault; second hand clothing, Mrs. James Thibault (North Range); Mrs. John MacDonough (Barton) and Mrs. Arthur Turnbull.

In connection with the future work of the Digby Red Cross Branch it was reported that an urgent appeal for blood donors had been received from the D.V.A. hospital, at "Cornwallis," and it was left with the blood donor committee to make arrangements regarding same.

Port Wade

The W. M. A. S. of the Port Wade Baptist church held their Annual meeting at the home of the president, Mrs. Archie McGrath, on Wednesday evening, April 17th. A very interesting program was carried out, including a reading on the history of the W. M. A. S. by Mrs. Vandora White. Several other members also gave short readings. A solo, "Take Up Thy Cross", by one of the Mission Band—Rena McGrath—was much appreciated. A special Easter offering was taken, amounting to \$12.00. Three new members were welcomed into the Society, viz.: Mrs. George Johns, Mrs. Gerald Hudson and Mrs. Ralph McGrath. At the close of the evening refreshments were served by the hostess.

Annette Longmire, Hillsburn, is spending some time with her aunt, Mrs. Edward Means.

Mrs. Clifford McWhinnie spent the week end with Miss Muriel Marshall, in Paradise.

Frank Mussells is spending a few days with his daughter, Mrs. K. L. Oliver, in Granville Ferry.

Mrs. Albion Sarty, Granville Ferry, spent the week end with her parents, Mr. and Mrs. Arch Morrison.

Mrs. Gerald Hudson has returned from a week's visit with her parents, Dr. and Mrs. J. E. Stoddard in Aylesford.

Miss Hazel McWhinnie, Saint John, is spending the Easter holidays with her parents, Mr. and Mrs. Charles McWhinnie.

Mr. and Mrs. Chester Nauss and daughter, Meredith, spent a few days last week with Mrs. Nauss' mother, Mrs. Vandora White.

Miss Helen Snow, Belleisle; Miss Anna McGrath, Annapolis Royal, and Miss Shirley McGrath, Digby, all spent the week end at their respective homes here.

Mr. and Mrs. Chester Ellis and son, Chester, Jr., have returned to their home in Lynn, Mass., after spending a couple of weeks with the former's parents, Mr. and Mrs. James Ellis.

TENDERS FOR COAL and COKE
Federal Buildings—Maritime Provinces

SEALED TENDERS addressed to the undersigned, and endorsed "Tender for Coal for Maritime Provinces" will be received until 3 p.m. (E.D.S.T.), Friday, May 3, 1946, for the supply of coal and coke for the Dominion Buildings in the Provinces of Nova Scotia, New Brunswick and Prince Edward Island.

Specifications and forms of tender can be obtained from the Purchasing Agent, Department of Public Works, Ottawa, the Resident Architect at Halifax, N. S., and the Resident Architect at Saint John, N. B.

Tenders should be made on the forms supplied by the Department and in accordance with departmental specifications and conditions attached thereto. Coal dealers' license number must be given when tendering.

The Department reserves the right to demand from any successful tenderer, before awarding the order, a security deposit in the form of a certified cheque on a chartered bank in Canada, made payable to the order of the Honourable the Minister of Public Works, equal to 10 per cent of the amount of the tender, or Bearer Bonds of the Dominion of Canada, or of the Canadian National Railway Company and its constituent companies unconditionally guaranteed as to principal and interest by the Dominion of Canada, or the aforementioned bonds and a certified cheque, if required, to make up an odd amount.

By order,
J. M. SOMERVILLE,
Secretary

Donald Brown, who has been a patient in Camp Hill Hospital, Halifax, has returned home.

"LIFE'S BIGGER MOMENTS"

The day he takes that first step!

Up off his chubby knees he clam-bers and wobbles through that First Unassisted Step. And in no time at all he's scuffling his way through shoes, pushing bicycle pedals, kicking footballs... strid-ing toward manhood on his own two feet.

It's a Big Moment. A moment to make a proud parent stop and hink about the course those little feet will take... after that first step. It's a good time to think about getting those feet going in the right direction. For example, if you call in your North American life representative he can show you how to make sure of important things like education and proper care for that young high-stepper... no matter what happens to you. He can show you a Life Assurance programme that guarantees funds o point those feet toward a college education or a business opportunity when the time comes.

THE Town of Jasper, nestling in the heart of the Canadian Rockies, and long known Inter-nationally as the home of Jasper Park Lodge, played a very important part in research and development for the British War Office during World War II. Patricia Lake, at the foot of Pyramid Mountain was the scene of experiments conducted in great secrecy for operation "Habbakuk." This consisted of the manufacture of special ice blocks containing fibre for strength and the intention was to construct an ice ship for use in

the sea lanes of the Atlantic from which planes could operate against submarines. Picture No. 1 shows the scene of the experiment with Pyramid Mountain in the background. No. 2 shows the making of the ice blocks with large fans main-taining circulation. No. 3 shows the construction of the "Shell of Secrecy" surrounding the great secret. No. 4 shows the master drawing of what one of the ships would have looked like had the plan been completed.

patient in the Victoria General Hospital, Halifax, for eleven weeks has returned home. Her son, Allen, who has been with his grandmother, Mrs. William Harris, Bear River, has also returned home.

During the March Red Cross campaign the sum of \$47.50 was collected.

Miss Annie Wright and Miss Hilda Ramey are employed at the Pines, Digby.

The Sewing Circle met with Mrs. Samuel Wright on Wednesday.

"Meet my neighbour... my rainy-day expert"

"Pretty swanky, eh?" said Henry's neighbour, eyeing the new sunroom. "How come? Did you win some money at the races?"

"Meet my neighbour... my rainy-day expert," said Henry. "As my life insurance man, he helped me finance this new sunroom fifteen years ago."

"Fifteen years ago!" exclaimed the builder, glancing from one to the other.

Years ago he gave me a new slant on life insurance—"Provide for the rainy days... then you can enjoy the sunshine." So that's the way I budget. My life insurance premiums are the first call on my income. That means I don't have to worry about Kitty and the kids. Then I figure current expenses, right down to so much a week for movies and ice cream cones. And then!... whatever I can bank over and above that is velvet. When it mounts up, Kitty gets a new gadget for the kitchen, or we smarten up the house. This new sunroom comes out of our velvet."

There is nothing like life insurance to give a man peace of mind. He can enjoy spending if he is sure that the future of his loved ones is secure. Everyone wants independence and protection for his family... and when that is insured, a man can indulge his whims.

Near you, wherever you are, is a neighbour in the life insurance business. Ask him for advice in planning your future. It is good citizenship to own life insurance.

What every housewife should know...

about SUGAR FOR CANNING

There is a world-wide shortage of sugar. Last year world sugar production was twenty-five percent below 1939. Reasons for the decrease are:

- Destruction of the sugar industries in Java and the Philippines.
- Shortages of labour and fertilizers in many sugar-producing countries.
- Last year's drought in the Caribbean area, especially Cuba.
- Damage to European sugar beet fields.

World sugar supplies are pooled for the benefit of the United Nations. Canada, the United States and Great Britain are allotted an equal share of sugar according to population. Available supplies must also be shared with other countries.

TEN POUNDS OF CANNING SUGAR PER PERSON

This year's canning sugar allowance is ten pounds per person—the same as last year. Instead of special canning sugar coupons, ten additional green "S" coupons are being made available for the purchase of canning sugar.

S8 to S12 inclusive become valid on May 2nd; S17 to S21 inclusive on July 4th. Each coupon is good for the purchase of one pound of sugar.

The ten "S" coupons for canning sugar are in addition to

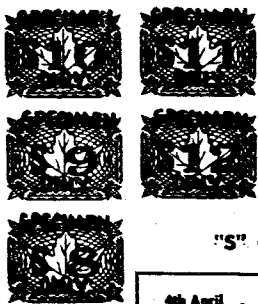

the "S" coupons which regularly become valid each month for the purchase of sugar and preserves.

Those who do not wish to do home canning may use the extra coupons to buy commercially packed, jams, jellies, canned fruit, etc., or sugar to supplement the regular ration.

The ten "S" coupons for canning sugar need not be used immediately they become valid. You will be given ample notice of their expiry date.

THESE ARE YOUR "S" COUPONS FOR EXTRA SUGAR

VALID MAY 2

Any valid "S" Coupon, including those shown here, may be used to purchase sugar for canning, or the amount stated below of preserves.

The green "S" coupons S8 to S12 and S17 to S21 are in addition to the "S" coupons which regularly become valid each month for the purchase of sugar and preserves. They are validated to make available enough sugar for home canning or for other household uses.

"S" COUPON CALENDAR

18th April . . . S6 and S7	4th July . . . S17 to S21
2nd May . . . S8 to S12	18th July . . . S22 and S23
16th May . . . S13 and S14	15th August . . . S24 and S25

VALID JULY 4

ALTERNATIVE VALUE OF ALL "S" COUPONS

1 lb. of sugar	OR	24 fl. oz. jam, jelly, marmalade	OR	80 fl. oz. maple syrup until May 31, after May 31, 48 fl. oz.	OR	2 qts. molasses	OR	30 fl. oz. bleached lard, cane or corn syrup
4 lbs. honey	OR	4 lbs. butter	OR	40 fl. oz. canned fruit				

AMOUNT OF SUGAR USED IN CANNING
Each housewife may use her canning sugar to fit the needs of her particular household. A common method is to allow 1/2 lb. sugar for each quart sealer of canned fruit; and 1 1/2 lbs. sugar for each quart of jam or jelly.

SUGARLESS METHOD OF CANNING FRUIT
Many home economists recommend the sugarless method of canning fruit. Sugar can be added during the winter the fruit is used. If you have not a copy already, write the Department of Agriculture, Ottawa, for "Wartime Canning" pamphlet.

Did I Have a Good Trip?

The following interesting article is from the pen of Rupert E. Cann, Central Grove, and adds another to the "Now It Can Be Told" series of articles running through the press generally:

"Since I have returned from overseas numerous times I have been asked, 'Did you have a good trip over?' There is no such thing as a good trip on a troopship, better known as a Hellship. When troopships are called Hellships officers are, of course, expected to disagree, but for a man in the ranks troopships are definitely Hellships.

When we crossed to England there were over 6,000 men on board the Pasteur, and lifeboat accommodation for a little over a thousand. I was put, with hundreds of others, on "F" Deck, in the bowels of the ship, near the keel, and we were expected to be happy in this stink hole. There were two lavatories or "heads" as they are called at sea, and of course these couldn't begin to handle the traffic when about 200 men became seasick. The showers and sinks were pressed into service and the sound of retching, together with the sight and smell of green bile sloshing around on the floor, was enough to make anyone sick, regardless of the rolling of the ship. Some of us slept on the lifebelt racks on the boat deck. It was cold but the air was fresh.

We were packed in like sardines during our whole trip, both going to England and returning to Canada. My hammock was slung across one of the tables, and there were two men sleeping below me on the tables. Between the tables slept other men and in the lifebelt racks along the bulkheads. The most one can say about the food was that it would sustain life.

On the second night out an officer came down to our deck and stood swaying on the steps. He delivered a splendid speech, slapping his revolver holster to emphasize his remarks: "In case we are torpedoed," he said, "there will be no panic. I will be right here to see that there is no panic. I will shoot the first man who shows signs of panic. There won't be room for everyone in the lifeboats, but you will be just as well off in the water or on a raft." This made us thoroughly disgusted. First, this officer was not in charge of

our section; secondly, he sows the seeds of panic by his threats; thirdly, he spread false hopes by saying we would be just as well off in the water. In the North Atlantic in the dead of winter, our time of survival in the sea would be about 20 minutes. And, too, we could just picture him getting wet as long as he could use his persuader to get himself a seat in a lifeboat.

The fatigues performed by homecoming "heroes" were diverse and numerous. I, who had been wounded in a leg and spent 5½ months in hospital, and with an L-5 category, was detailed to carry vegetables from the hold of the ship up to the main kitchen. Other personnel, some with an equally low category, were runners, pickets, on kitchen fatigues or waiters for the officers. When we reached port we were detailed to carry the officers' baggage. We, who had spent ten days in the stink hole, saw how the officers had braved the hardships of the crossing. Beautifully decorated staterooms with softly shaded lamps and thick carpets, beds with snowy linen, and gleaming bathrooms and showers, and empty liquor bottles everywhere. Included in the baggage were fishing tackle, golf bags and books. We were permitted to carry one kit bag.

Yes, troopships are Hellships. I am glad that I have had my last trip on them—and I do mean LAST.

Do you think I had a good trip?

Bear River East

Miss Phyllis Wheelhouse, of the Royal Bank of Canada staff, Bear River, is now on vacation, part of which she spent in Moncton. She is now at home with her parents, Mr. and Mrs. Marshall Wheelhouse.

Miss Irene Potter, of Lawrence-town, who underwent an operation for appendicitis, is now at home convalescing. She is a daughter of Mr. and Mrs. Earl Potter.

The Bear River East Mite Society celebrated its seventeenth anniversary on April 12th, with an almost perfect attendance. The officers elected for the coming year are:

President—Mrs. Lucie Sanford.
Vice-President—Mrs. Thelma Jefferson.

Sec'y-Treas.—Mrs. Gladys Wheelhouse.

Asst. Sec'y-Treas.—Mrs. Thelma Buckler.

Organist—Mrs. Cassie Dukeshire.

Granville Ferry

The Easter thank offering meeting of the Baptist W. M. S., was held at the home of Mrs. Harry L. Mills on Friday afternoon, April 12th. During the meeting a duet was rendered by Mrs. LeBaron Mills and Mrs. A. W. West. Mrs. Mills, who is 86 years young, still possesses a very sweet, clear soprano voice and was a faithful member of the Baptist choir for a great many years. A very impressive reading by Mrs. R. H. Bond was also greatly enjoyed. At the close of the devotional period a social hour was enjoyed when delicious refreshments were served by the hostess.

Mrs. Stuart Turner is a patient in the Annapolis General Hospital.

Mr. and Mrs. Edgar Spade (formerly Mildred Oliver), recently of Boston, Mass., were guests recently of the latter's aunt, Miss Etta Oliver, and uncle, K. L. Oliver. Mr. Spade, who is a chemist, has been transferred by his firm from Boston to Dayton, Ohio, where they in future make their home.

Miss Carolyn Willet is recovering from an attack of chicken pox.

On Sunday, April 14th, John Joseph, six-year-old son of Mr. and Mrs. Louis Lescaudron, was rushed to the Annapolis General Hospital suffering with a ruptured appendix. Mr. and Mrs. Lescaudron have the sympathy of the community as just a year ago their only other child, a winsome little daughter, had to spend several months in the Children's Hospital, in Halifax, and last week was taken there again for treatment.

Rev. Hastings Wainwright, B.A., L.Th., who arrived from overseas in January, has arrived with his wife and little son to take up his duties as rector of the Parish of Granville. Mr. Wainwright was the rector here when he enlisted as chaplain with the Canadian armed forces. We welcome him and his family to our midst.

Mrs. Delmar Jenkins, (formerly Blanche Collins) and little daughter, Margot, who have been spending the past year with her mother, Mrs. C. W. Collins, while Mr. Jenkins was serving overseas, have returned to their home in Falmouth, Mass. Mr. Jenkins was recently a visitor of Mrs. Collins. A very jolly surprise party was

tendered Miss Dorothy Wood, at her home in Granville Ferry recently, when about twenty friends gathered to wish her many happy returns of the day. Mrs. Florence Willett, on behalf of those present, presented Miss Wood with a very nice card table. Miss Wood thanked the guests in her usual charming manner for their kindness and thoughtfulness in remembering her birthday. Refreshments were served, including a birthday cake made and decorated by Mrs. Ralph T. Chisholm.

An enjoyable quilting party was held at the home of Mrs. Gordon Mills, on Wednesday afternoon. The guests were invited for supper and spent a pleasant evening in games and social conversation.

Mrs. Pat V. Doyle, of Halifax, recently spent a week end with Mrs. H. L. Mills. David Doyle also visited friends in the village.

Capt. C. Ward and Mrs. Croscup, Mrs. J. L. Shafner and Blair Hatfield attended the committal service of Capt. Croscup's niece, Mrs. John E. Armstrong, which took place at Bridgeport on Saturday afternoon. Mrs. Armstrong was, before her marriage, Hannah M. Thorne, daughter of the late Fred W. and Emma (Croscup) Thorne, of Lower Granville. For a number of years of her early married life she was a resident of Granville Ferry, moving to Liverpool, where her death took place. In 1917. She was 62 years old and is survived by her husband; three daughters, Evelyn (Mrs. Reid), Toronto; Muriel (Mrs. Holt), Boston; and Marjorie (Mrs. Kempton), Liverpool; and three sons, Fred, Harold and Elwood. An only brother, Dr. Clarence Thorne of Saskatoon, predeceased her.

WORLD FOOD EMERGENCY

Starvation threatens in the Far East and hunger in Europe. We are sending food. We must send more. The need is now—until harvest!

We must help feed a hungry world

A serious shortage of food in certain areas of the world was expected, but crop failures in many areas, and lack of distribution facilities, seeds, and tools in others created a food shortage of alarming proportions. Only immediate deliveries of staple foods can sustain the hungry millions.

PRODUCE AND SAVE — MORE

Since 1939, our per capita record of food exports has exceeded that of any other country. Food production has soared. Canadians have eaten well in spite of war. Today, the seriousness of the world's food situation calls for even greater efforts. We can increase our food shipments and still have enough for our needs.

THIS IS WHAT WE CAN DO

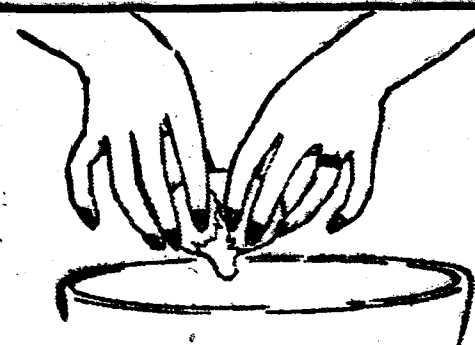

We can ship more WHEAT, FLOUR, MEATS, CHERSE and EGGS if as great quantities as possible are made available for shipment during the next four months.

PRODUCERS! — BELIEVE TO MARKET.
CONSUMERS! — BUY LESS OF THESE FOODS — BUY ONLY FOR IMMEDIATE NEEDS — WASTE NOTHING — PLANT A GARDEN — SUBSTITUTE VEGETABLES FOR AS MANY OF THESE VITAL FOODS AS YOU CAN.

This will increase supplies at storage depots, thus freeing additional needed foods for the world's hungry. There can be no permanent prosperity for us . . . or anyone . . . while hunger and despair afflict large areas of the world.

Share with the hungry!

Use Your Favorite Recipe

THERE'S no trick to cooking with Carnation Milk. Just mix it half-and-half with water if your recipe calls for milk. Or use it undiluted if the recipe calls for cream. You'll marvel at the creamy-smooth texture, the extra-rich flavor, of foods cooked with Carnation.

Carnation is just pure, whole milk, evaporated to half the original volume for convenience; homogenized for smoothness, sterilized for safety; and Carnation provides an extra share of "sunshine" vitamin D, as well as all the food values of whole, pasteurized milk.

WEYMOUTH

Miss Theresa Granville, Saint John, spent the week end at her home here.

Mr. and Mrs. John Drew spent the week end visiting Mr. Drew's parents, in Yarmouth.

The local Red Cross Branch is having a recess this week. The next meeting will be held Tuesday of next week.

Miss Marjorie Tupper, district health nurse for this county, was a visitor at the Weymouth Red Cross meeting last week.

Captain George Taylor, Halifax, and his brother, Dr. Richard Taylor, of Wolfville, spent the Easter holidays with their aunt, Miss Helen Taylor.

Among the students spending the Easter holidays at their homes here are Edward Rice, of St. Anne's College, Church Point; John Cook, of Acadia; Theresa and Yvonne Theriault, Kathryn Doucet, Theresa and Edith Gaudet, of the Sacred Heart Academy, St. Joseph, N. B.; and Marie Melanson, of the Sacred Heart Convent, Meteghan.

Mrs. Wm. Cooke, who has just shipped two large boxes of supplies to the Unitarian headquarters in Ottawa, finds that donations are still pouring in from local people and, as a result, she has decided to pack another box for this worthy cause. Donations of old towels, sheets, pillow cases or any other clean rags will be gratefully received by Mrs. Cooke, who will include them in the shipment. The contents of the boxes are shipped from Ottawa to destitute countries in Europe. Now that spring housecleaning is in full swing, we are sure we will all find many discards of the type called for in this appeal.

Nine new members, making a total of 106, joined the local branch of the Canadian Legion at the regular meeting held in Kilham Hall Tuesday of last week. Following the regular business session the meeting was opened to the public for the purpose of discussing ways and means to erect a suitable war memorial to our fallen heroes. The Jones brothers—Arthur and Lindley—have generously donated that part of their property beside the Weymouth school pond, where the memorial, in the form of a Community Hall, will be built. The community's leading business men were well represented at the meeting and a civic committee was formed to assist in raising funds for the project. A tag day was put on by the Legion Saturday, but due to the inclement weather, it was postponed until the coming Saturday.

S/P.O. Louis Melanson, R.C.N., Halifax, spent the week end at his home here.

Miss Kathleen Ethier is visiting her sister in Wolfville during the Easter holidays.

Mr. and Mrs. C. V. Snow, Bear River, were guests of Mr. and Mrs. Matheson, Good Friday.

Miss Alice Payson, of the Kentville teaching staff, is spending the holidays at her home here.

Miss Eleanor Hogan, who spent the Easter holidays at her home here, has returned to her duties at Simpson's, Limited, Halifax.

Mr. and Mrs. Foster, of Halifax, who recently purchased the old Taylor property from H. Potter have now taken up residence in their new home.

Mr. and Mrs. Donald Blackadar and small son, of Middleton, and Mr. and Mrs. Ted Philpott and their infant son, Halifax, were Easter guests at the home of Mr. and Mrs. G. W. Blackadar.

Staff Sgt. Clyde Cosman is spending a furlough with his wife and child, in Weymouth North; his brother, Tpr. Ralph Cosman, is also on leave and is visiting his parents, Mr. and Mrs. Melbourne Cosman.

Rev. A. and Mrs. Thorpe motor-ed to Halifax Monday to meet their son, Cfn. W. S. Thorpe, who arrived on the Ile de France Tuesday. The returned man has been with the army of occupation in Germany since the close of the war. His wife and child live in Stellarton.

Victor MacNeill went to Saint John Monday to visit his mother, Mrs. Annie MacNeill, who is returning home after having spent the winter with her son, John, in Homer, New York, and her sister-in-law, in Swampscott, Mass.

Johnnie Jones, only son of Mr. and Mrs. Cerno Jones, spent a couple of days in Digby General Hospital last week, when he underwent an operation for the removal of his tonsils and adenoids.

Under the direction of Mrs. Dixon Rice, the choir of St. Joseph's church sang the beautiful Concone Mass in F, as an Easter specialty. Assisting with the singing was Eddie Theriault, St. Anne's student, who is spending the holidays with his cousin, Edward Rice.

Mrs. Wilfred Cosman and Mrs. Dan Hankinson have returned from the Digby Hospital with their newly born sons. Mrs. Cosman and son are spending a couple of weeks with her sister, Mrs. Grant, in Barton, before returning to Weymouth.

VALLEY TRAINS TO BE SPEEDED UP

Speedier schedules and more convenient connections between the Maritimes and other parts of Canada will go into effect on Canadian Pacific and Dominion Atlantic railway lines April 28, it was announced last week by A. A. Dunphy, manager of the D. A. R.

The changes coincide with the switch to daylight saving time by many centres but, as has been the case in previous years, the railways will adhere to standard time with certain changes in the schedules to fit it in more conveniently with fast time.

Under the new schedules, passengers from Halifax and St. John will arrive in Montreal one hour and ten minutes earlier than heretofore, and direct connections are provided for Toronto at Montreal West and for Quebec city at Sherbrooke, Que.

Examples in the reduction in running time include a speeding of the D.A.R.'s Halifax-Yarmouth service by 55 minutes with 35 minutes of this time saved between Halifax and Digby, and a reduction of 40 minutes between St. John and Montreal.

If the Eastern Steamship's lines resume operation between Yarmouth and Boston this summer the D.A.R.'s fast Bluenose trains will return to operation, effecting an additional two hours' reduction in running time between Halifax, Digby, St. John and Montreal.

Under the revised D.A.R. schedules the express for Yarmouth will leave Halifax at 7:50 a.m., the same time as

now, reach Digby at 2:05 p.m., instead of 2:50 p.m., and arrive at Yarmouth at 4:55 p.m., instead of 5:40 p.m. All times mentioned are Atlantic standard.

If the Bluenose operates it will leave Yarmouth at 9:50 a.m., arrive at Digby at 2:50 p.m., and reach Yarmouth at 5:15 p.m.

The Yarmouth-Halifax express will leave Yarmouth at 9:00 a.m., arrive at Digby at 11:20 a.m., and reach Halifax at 6:05 p.m., while the Bluenose operating in this direction would leave Yarmouth at 8:40 a.m., reach Digby at 10:45 a.m., and arrive at Halifax at 4:10 p.m.

Changes in the Bay of Fundy service are as follows: The Princess Helene leaves St. John daily except Sunday at 7:30 a.m., instead of 7:45 a.m., and arrives in Digby at 10:30 a.m., instead of 10:45 a.m. On the return run it leaves Digby at 3:15 p.m., instead of 3:45 p.m., and arrives at St. John at 6:00 p.m., instead of 6:30 p.m.

C.P.R. trains with which these coincide have also altered their schedules. Train No. 39, for Montreal, leaves St. John at 7:30 p.m., instead of 8:00 p.m., and arrives at Montreal at 10:25 a.m. instead of 11:35 a.m. This connects at Sherbrooke, Que., with a Quebec Central train arriving in Quebec city at 12:20 p.m. and at Montreal West with a train reaching Toronto at 8:00 p.m. The eastbound C.P.R. train connecting with Nova Scotia leaves Montreal at 3:30 p.m. (EST), instead of 3:15 p.m. (EST) and arrives at St. John at 6:30 a.m. instead of 6:45 a.m.

Despite the unspringlike weather Easter services in the various local churches were well attended and floral decorations were exceptionally lovely. Two children, belonging to Mr. and Mrs. Ted Philpott and Mr. and Mrs. Gates respectively received baptism from Rev. Mr. Thorpe at Heartz Memorial church during the morning service.

RETIREES AFTER
41 YEARS SERVICE

MISS MABELLE HOLDSWORTH

Retiring after 41 years and 4 months faithful and efficient service, Miss Mabelle Holdsworth was guest of honor at a testimonial dinner at the Myrtle House, on Saturday evening. The dinner was given by employees of District No. 4 (Annapolis Valley) of the Maritime Telephone and Telegraph system. Guests were present from Halifax and Wolfville, and from practically every exchange in the Valley area.

J. I. Marshall, Middleton, District Supervisor, presided over the head table. In stating the purpose of the supper he paid tribute to Miss Holdsworth as "one who kept the standard high, and one whom we could all well follow".

Following Mr. Marshall's remarks Miss Frances Phillips, of the Digby staff presented Miss Holdsworth with a beautiful coffee table, the gift of telephone employees in the district. Miss Holdsworth accepted the gift with a few well chosen remarks.

Other speakers to pay tribute to Miss Holdsworth were W. S. Dickie, General Traffic Manager; W. E. Jefferson, President of the Acadia Chapter Telephone Pioneers of America; Gordon Archibald, General Commercial Manager; Charles Bowman, Commercial Supervisor and Editor of the Monthly Bulletin; J. E. Sinclair, Plant Supervisor, and Laurie Bent, Plant Superintendent of the local exchange.

Letters and messages were read from W. A. Winfield, president of the company, and A. M. MacKay, general manager, both of whom expressed regrets at not being able to be present, and paid glowing tributes to Miss Holdsworth and wished her a happy retirement. Similar messages were also received from George Freeman and Ken Marjesson.

During his remarks W. E. Jefferson explained the Pioneer Group was made up of telephone employees with service of 21 years on retirement, were given a life membership. He presented Miss Holdsworth with a Life Member's certificate.

Commercial Manager Archibald, quoted statistics which showed when Miss Holdsworth first joined the staff on the Digby exchange there were 70 subscribers. This exchange now serves 680 telephones. He also read a clipping from the Digby Courier which praised Miss Holdsworth and other operators for the splendid service rendered that newspaper in handling the 1908 Federal Election returns.

During the evening vocal solos were rendered by Miss Frances Phillips, with Mrs. Delancy Gesner at the piano. Other musical numbers were also rendered by Mrs. Gesner and her brother, Lloyd Hersey.

Dennis Comeau and his war bride, who recently arrived from Ireland, returned Friday from Yarmouth where they have been visiting the former's uncle.

Thanks to Loran Affams, Bay View, for two large "Easter" eggs—one 4 in. by 8 in., the other 4 1/2 in. by 8 1/2 in. Loran always manages to send a few big eggs every spring. Our readers will recall that last spring we were accused of attaching a tap to one of them and drawing off egg juice by the cup.

Has Narrow Escape

Hugh Dickie, son of Dr. and Mrs. W. R. Dickie, narrowly escaped serious injury last week when the car which he was driving plunged over the steep embankment on the Shore Road. The accident was caused when the steering mechanism of the car failed. Mr. Dickie was on his way to his father's camp when the accident occurred. The car plunged over the bank, struck a huge rock and turned over several times before finally coming to rest on the beach.

An interesting sidelight on the accident is that this is the third time that the steering mechanism of cars owned by the Dickie family has failed this year. Earlier in the year Dr. Dudley Dickie's car suffered the same trouble and was ditched on Mount Street. While Dr. W. R. Dickie was in Florida the steering gear of his car failed but the car was idling at the time and no damage resulted.

Reception for Returned Men

The community of Smith's Cove held a reception for the returned men of the village in the Baptist church, Thursday evening last. A service of thanksgiving and welcome was held in the church auditorium. Rev. T. F. McWilliam presiding, and extending a welcome to the veterans.

A minute's silence was observed for the two men who did not return, viz., Pilot Officer Henry Woodman and Sgt. Edward Chalmers. Flowers were also dedicated in their memory.

Rev. Dr. T. W. Hodgson, of Digby, was the guest speaker for the evening and Miss Florence Berry was soloist.

After the church service a supper was served in the vestry. Gifts were presented to the veterans by Mr. McWilliam, assisted by Mrs. M. Longworth. Following this a speech was made in behalf of the returned men by Capt. Douglas Cossaboom. Remarks were also made by Mrs. George Larramore, president of the Baptist Sewing Circle; Mrs. Mark Longworth, president of the Women's Institute, and Mrs. Edward Payson, president of the local Red Cross.

"Congratulations — Until the present time the Victorian Order nurse in Digby, Nova Scotia, has been carrying on under quite a handicap. In Digby there are many hills and it has been difficult for the nurse to maintain a satisfactory service without a car. The Board were sympathetic but the funds were low and cars were at a premium. Therefore, the Board determined to raise the necessary funds and obtain a priority. Now the Digby Branch has a new car more calls can be accepted and calls can be answered more promptly. Congratulations, Digby Branch!" — From "The Forum", official organ for the Victorian Order of Nurses in Canada.

Roy Denton has returned to Sydney after being called home owing to the serious illness of his brother, "Buddy", who was seriously burned some time ago.

Mrs. Harold Garland spent part of the Easter holidays with her mother, Mrs. William Snow.

translated into English, means "Big Clams", and it is from these that the village takes its name.

Battle of the Hours

It was not the "Battle of the Century" but the "Battle of the Hours" in Digby this week. The battle song of the week was said to be "Your Time Is My Time" — with apologies to Rudy Vallee.

The battle began shortly after midnight last Saturday when Digby went officially on Daylight Saving Time—the only town between Halifax and Yarmouth to do so. Opponents of the new time were quick in rallying to their cause and led the fight with a telephone barrage on the Town Hall early Monday morning. Town Clerk Smith, being outnumbered, called in reinforcements and the main attack on the Anti-Daylighters was broken into spearheads concentrating on individual councillors. Only a brief respite was gained by the clerk, however, for soon the members of the council joined the telephone brigade seeking tactical advice.

One of the high points of the fray was reached shortly after 9:00 a.m., Monday, when the school bus from Smith's Cove failed to arrive at the Academy arriving at 10:00 o'clock with its load of pupils and one teacher, who was not aware she had entered a new time zone. Residents of outlying districts rallied to the side of the Anti-Daylighters and joined in the storming of the Town Hall.

At this point Clerk Smith called for a short truce in order to consult the mayor concerning the matter. The result of this consultation was the decision to treat with the enemy and call a special council meeting to decide on future action.

(Special to the Courier)

According to a communique issued from Town Hall yesterday terms of Unconditional Surrender were arranged at the special meeting and the Town of Digby will revert to Standard Time at midnight, Saturday, May 4th.

Miss Faye Saunders, local Victorian Order Nurse, was the guest speaker at Monday's meeting of the Y's Men's Club. She traced briefly the history of the Order from its founding in England during the reign of Queen Victoria. All Victorian Order nurses are graduates of Nursing Schools and also University graduates in Public Health. At the present time there are over 100 centres in Canada staffed by some 400 nurses.

The objectives of the Order are to give nursing care in the home and to educate the public to higher standards of community health.

The Victorian Order of Nurses is sponsored by funds from the Metropolitan Life Insurance Company, by private donations, and from nursing fees. The cost per visit is adjusted to the circumstances of the patient so that no one may feel obliged to pay nor should another feel that they are accepting charity when they call for the services of the Victorian Order nurse.

The scope of the work is very broad—Well Baby Clinics, School Nursing Work, Industrial Nursing, Public Health and Health Education. To illustrate this point she gave an account of a typical day's work in Digby.

In closing Miss Saunders stressed the fact that the Victorian Order of Nurses aims to teach Public Health rather than provide bedside nursing services. They are firm believers in the slogan, "Prevention is better than cure".

At this meeting a sum of \$5.00 was voted as a gift to the new Y's Men's Club being organized at Whitney Pier.

I. O. O. F. SERVICE

Members of Rainbow Lodge, at Tiverton (on Sunday last) marched to the Christian Church where their regular annual service was held. Rev. J. W. Derby preached. The choir was comprised of members of the Lodge, with Chester Outhouse as organist. A quartette—"Just Outside the Door"—was rendered by four members.

Handcrafts Display

Beautiful hand-painted scarves, kerchiefs, luncheon cloths, delicate shell jewellery, hand tooled leather purses, book markers, delicately etched glassware, were only a few of the items of handwork on display at the home of Dr. and Mrs. J. R. McCleave this week. All of this work was done by a class of seven youngsters ranging in ages from eight to fourteen years, under the direction of Mrs. McCleave.

The class, which was organized some six weeks ago, has made astounding progress, and the quality of their work would do credit to professionals. All of the items on exhibit were finely made and showed the results of painstaking effort and the excellence of the instruction that these youngsters had received. Particularly fine were the displays of parchment work, photo albums and hand-painted luncheon cloths. One of these luncheon cloths, made by Junior Mullen, is worthy of special mention. This was done in a very beautiful floral pattern of most delicate shades, and must have required hours of the most painstaking work. The lovely shell jewellery made by the youngsters, is also worthy of mention. Sets of earrings and brooches in beautiful shades of pink and blue were made for the display.

Other articles in the exhibit were beautiful and striking mother-of-pearl pictures, braided leather work, and sets of glasses delicately etched with floral patterns. Several "lino" cuts were also exhibited.

Members of the class are Phyllis Handspiker, Walter Johnson, Joycelyn Mullen, Junior Mullen, Norma Mullen, Irene Daley and Graham McCleave. Junior Mullen and Irene Daley received prizes for the general excellence of their work.

DALEY HEADS ATHLETIC CLUB

David J. Daley was elected president of the newly-formed Digby Athletic Association at a meeting in the Town Hall last Friday evening. Other officers elected were M. H. Barnes, Treasurer, and P. R. (Nink) Woolaver, Secretary.

Following the election of officers discussion was had concerning the formation of a baseball league for the town. Reports were received from David Daley, Churchill Turnbull and Tony Comeau to the effect that teams had been formed among the Seniors, Intermediates and Juniors and a committee was appointed to draw up a schedule of games for the summer.

It was decided that, if possible, the season would start with a double header on May 24th, and that all the following games would be seven-inning twilight games.

Other subjects of discussion to come before the meeting were the maintenance of the playing field and the acquiring of uniforms for the teams. The Junior team reported that they planned to finance their uniforms by ticketing off a radio. The Intermediate team plans to secure their uniforms by donations.

Replacing Abutments

Considerable repair and replacement work is being done by town workmen on the abutments along the Shore Road near the Racquette bridge. The abutments in this area were badly damaged by heavy storms during the winter and in some cases entire sections will have to be replaced. Logs for this work were cut on Commons land during the winter months and piled for use at the site of the work.

It is understood that no definite word has yet been received by town authorities concerning the part the provincial government will play in repairing the Racquette bridge, which was nearly demolished in a heavy storm during the winter. Mr. Crowley, highways engineer from Kentville, inspected the bridge some time ago but as yet no action has been taken.

Breaks in Liquor Store

A break was made into the Digby store of the Nova Scotia Liquor Commission early yesterday morning, and four quarts of whiskey were stolen from the stock. The thief had the misfortune to break one bottle of his loot while making his getaway.

Chief Thibault was called to the scene about 1:30 yesterday morning by persons in the vicinity who had heard a disturbance in the vicinity of the liquor store.

On his arrival the chief discovered the gate in front of the store had been opened and entrance gained by breaking the main door window. The thief, who must have been a small person, gained entrance to the building by crawling through the hole in the glass. The broken bottle and its spilled contents were found outside the door.

Chief Thibault is also investigating a broken plate glass window at Dunn's Service Station. A small hole, about the size of a man's head, was discovered well up along the side of the window yesterday morning. Apparently the window was broken by a missile held in some one's hand as no stone or other object was found inside the building. It is quite evident this was an act of vandalism.

The basket ball team of Sea Cadet Corps "Cornwallis" scored a win over a team from R.C.S.C.C. "Rodney", of Saint John, in a three game series played over the week end.

In the first game, played in Saint John, on the floor of the Y.M.C.A. building last Thursday night, the Digby lads rolled up a win to the tune of 30-14. The game was very fast and the Digby team maintained a consistent lead throughout the play. The "Rodney" lads attempted a "blocking" game but were no match for the fast moving team play of the Digby squad.

The second game of the series was played in the Community Hall, Digby, on Saturday. In this game the "Rodney" squad came out on top, adopting a new method of play that had the Digby team baffled. The visitors were unable, however, to run up much of a score over the local team and the game ended with the close score of 27-23.

In the final and deciding game of the series, played on Monday, the Digby lads took the lead from the opening whistle and outplayed the visitors to the tune of 28-18.

DIGBY SEA CADETS WIN OVER RODNEY

The District Council of the Home and School Association will meet in Digby on Thursday, May 16th, it was announced at a meeting of the School Board Monday evening.

According to the announcement the Council will meet with the Academy teachers and members of the School Board at the Academy in the afternoon and a public meeting will be held in the evening. The matter of the formation of a Home and School Association for Digby will be discussed at the evening session and the hope has been expressed that such an association will be formed at this meeting.

Fred and Frank VanBlarcom, who have been visiting their sister, Mrs. Edward Young, Brighton, have returned home.

Kiwanis Minstrels Will Gross \$750.00

Gross receipts of \$715, with approximately \$35 yet to be received were reported Monday evening by C. W. Smith, secretary-treasurer of the Kiwanis Club of Digby, as the financial returns of the Kiwanis Minstrels Presented in Community Hall on Tuesday and Wednesday of last week.

This show was the first effort of the kind attempted since the Kiwanis Club was re-organized a little over a year ago. It was staged under direction of Mrs. Helen Anthony and Mrs. Louise Stephen.

The net proceeds will be in the vicinity of \$500 and will be deposited to the Club's "Service Fund" and used to promote Kiwanis aims, particularly in regard to boys' and girls' work and work among the underprivileged children.

Following the address of Dr. E. O. Fergusson of the D. V. A. Hospital, Cornwallis, members of the Digby Kiwanis Club voted to purchase a record player for the D.V.A. hospital at Cornwallis. During the course of his remarks Dr. Fergusson stated such an instrument would be greatly appreciated.

Dr. Fergusson, who is stationed at the D. V. A. hospital, formerly practised in Weymouth and for the last six years has been with the Army Medical corps. On Monday evening he told of the work that is being done and of the many problems of the hospital established at Cornwallis to care for T.B. patients, veterans of both wars.

Among the many patients who are receiving treatment there are men who have spent four years in the prison camps at Hong Kong, and men who were prisoners of war in German prison camps. The hospital, at first operated by the navy, was taken over by the Department of Veterans' Affairs on March st.

Patients are given both sanatorium and surgical treatments. Dr. Fergusson described the treatment given to the men, such treatment depending on their condition. He stressed that as good food was one of the main necessities for their recovery, the patients were receiving the best of everything.

Dr. Fergusson also told of the work being done by various organizations in the area to provide amusement and comforts for the patients.

Back to Standard Time

Commencing
Midnight Saturday, May 4th

Owing to confusion in school sections maintaining Standard Time and served by school busses with Town Schools operating on so-called Daylight Time—and also considering the fact all communities outside Digby are on Standard Time, the Digby Town Council, in a Special Session, voted to revert to Standard Time, commencing Saturday, May 4th.

About This and That

Hitler's armies and his nation may have been defeated, but Hitler himself, or at least his basic theories, succeeded. In a long report based on Allied and captured German documents the Committee for the study of European Questions shows that Hitler succeeded in his plan for increasing the German birthrate, in liquidating the Jews and in reducing the population in Germany's neighbor countries. Germany's population during the first seven years of Hitler's regime increased more than a million and a half, and six million Jews, or the major part of the Jewish population, have been wiped out in Europe since 1939. By keeping about twelve million men and women of marriageable age separated in neighboring countries, Hitler lowered appreciably the population in all these countries. In Germany, on the other hand, during the war there was no widespread outbreak of epidemics, no increase in psychiatric disorders due to bombings, and only two out of every thousand German workers killed in bombings. But the Allied victory did defeat Hitler's plan of settling Germany's surplus population in other countries that were German-controlled. Dr. Robert Borei is secretary of the committee made up of scientists, educators and diplomats studying the effect of the war on Europe's population. Their findings emphasize what a strongly entrenched menace Hitlerism was, and how greatly it threatened every country of the world.

It is better to be upright with poverty than to be unprincipled with plenty.

Even the most isolated nations are being drawn into touch with the rest of the world. Yemen, in Southern Arabia, which tries to keep out all foreigners, has signed with Egypt a treaty establishing mutual diplomatic relations. A similar treaty with the United States is being considered by the State Department. Yemen was not always isolated, but had profitable trade with other peoples. From Yemen came the frankincense which the Three Wise Men brought to the cradle at Bethlehem. Its coffee is still celebrated. Yemen was the home of the Queen of Sheba. In later times it was ruled in turn by Abyssinians, Persians and Turks. Lately it has become a member of the Arab League, which seeks to protect Arab interests in the Near East and especially to put obstacles in the way of Zionism. Evidently the Imam, or absolute ruler of Yemen, expects the future to bring his country more international contacts rather than less.

It is all right to hope for the best, but far wiser to be prepared for the worst.

PI iNes
Not long ago I had the opportunity of reading a letter from a native Nova Scotian now living in New York state. The letter was written on the writer's return from a meeting given over to the discussion of the co-operative movement and described as part of the program a three-reel film on the work done by the co-ops in Cape Breton and Eastern Nova Scotia.

"I almost collapsed," she wrote, "when I saw the first reel. You could never imagine such pictures of poverty; nothing to eat but codfish; no schools; terrible looking people living in terrible looking shacks. Then along came the co-ops, and the wonderful help they have given to these ignorant, starved, down-at-the-heel Nova Scotians . . ."

She went on to write of the wrong impression the audience got of Nova Scotia, and told how she, with others who knew the province, went forward to ask where the pictures were taken. ". . . they could have been war pictures taken from the most devastated area . . ." she wrote, and charged "they were posed for the occasion."

Frankly, I have little first-hand knowledge of the co-ops in the eastern section of this province. From what I have been told, and from what I have read, I believe they have accomplished a wonderful work. My reference to the letter has no actual bearing on the co-operative movement—I merely wish to stress the charge made in reference to the films: "they were posed for the occasion."

This is an age when the professional propagandist has really come into his own and we are spending much of our time viewing films and reading articles that are actually "posed for the occasion", yet, many of these films and articles do not record an actual untruth. They just tell one side of the story.

For instance, it is possible to broadcast pictures and stories of slum conditions in Digby that would create the impression that Digby was a town of shacks and hovels not fit for human habitation; a community of huts inhabited by human beings and vermin.

There is no denying that such conditions exist in Digby, perhaps no more than in any other town or city—but the propagandist with a really sensational turn of mind could persuade thousands of people that the picture of Digby's slums was the true picture of Digby.

Perhaps there is little point in what I have written so far, but my purpose is to stress that much of what we read today is professional propaganda—"posed for the occasion"—prepared especially to tell one side of the story. If we get down to the very root of things we would find much of the distrust among men and nations; much of the friction between capital and labor is the product of seeds sown by the propagandist working in his own selfish interest or in the interests of a sponsor. We, in the newspaper game—even on small papers like the Courier—receive our share of propaganda that actually smells; some that is very subtle, and some that is so cleverly prepared that the propaganda motive does not come to light until after it is thoroughly digested.

1946 is an all-important year FOR CANADA'S TOURIST BUSINESS

MILLIONS OF AMERICAN VISITORS are expected to come to Canada during 1946 for their post-war vacation.

It won't always be easy to accommodate them. We still have our crowding and shortages. We are still in the aftermath of war. This is the very reason we should all take special care to be courteous and considerate to our guests this summer.

This year, of all years, we must maintain the reputation we have won for true hospitality.

YOU MAY NEVER SEE A TOURIST, BUT . . . tourist dollars flow to you. The grocer, the garage man, the farmer, the office worker—everybody benefits directly or indirectly from tourist spending, and the extra work and income it creates. Last year, tourists in Canada spent more than one hundred and fifty million dollars. In the years ahead, as our ability to handle tourist traffic grows, who is to say how big this business may become? For Canada is in an enviable position—a natural vacation land next door to the most travel-minded nation in the world. This is an all-important year! It may be difficult in many ways yet it holds great promise for the future.

THEY'LL BE TALKING ABOUT US . . . We want them to come again. We want them to tell their friends: "We had a marvellous time in Canada!" By making them truly welcome, we can win millions of enthusiastic salesmen for Canada—"satisfied customers" who will pass on to many times their number the story of Canadian hospitality and of Canada's unlimited attractions as a vacation land.

Electrical Power In Clare.

Rural electrification in the District of Clare in the County of Digby has been going ahead steadily during the last year. Electric power was brought to the d'Entremont and St. Benoni Road, near Meteghan River; Salmon River wharf; Cape St. Mary's; New Edinburgh.

The village of Weaver's Settlement, a few miles from Weymouth, will benefit from the hydro extension in that district, which will soon be installed. It is the first extension or line to be undertaken this spring by the Electric Commission of Clare. Surveys are being undertaken in the New Tusket, Havelock and Corberrie sections as well as Mayflower, Lake Doucet and Hectanooga districts.

The hydro system in the district of Clare is municipally owned and was constructed in 1928. Improvement of the system has steadily advanced and with 317 outlets in 1937 it has increased to 940 in 1945.

The original rate was 16c. per kw. hour and the present rate is 3 1/2c. per kw. hour for the first block, 2 1/2c. for the second block and 1 1/2c. for all additional power.

Power is purchased from the Digby County Power Board, which has its power plants at Weymouth and Sissiboo Falls, on the Sissiboo River. In 1945 power purchased from the Board cost \$17,800. Revenues last year amounted to \$30,000 in comparison to \$6,200 in 1934. An addition of \$16,500 new capital equipment has been added since the hydro system was inaugurated.

Wilhelm - Johnson
The home of Mr. and Mrs. Walter Johnson, Mount Pleasant, was the scene of a pretty wedding on Saturday, April 20th, when their second daughter, Lillian Marguerite, was united in marriage to Alvin Edgar, son of Mr. and Mrs. H. Wilhelm, of Ridgeway, Ont. Rev. T. W. Hodgson, of Grace United church, officiated. To the strains of the Bridal Chorus, played by Mrs. Lawrence Bent, the bride, attractively gowned in white rayon Jersey and net, with short veil and orange blossoms, and carrying a bouquet of pink and white carnations, took her place beside the groom. She was attended by her older sister Thelma, dressed in pink satin and carrying a bouquet of tulips and phlox. Parker Manzer, of Ashmore, was groomsmen. The bride has been employed for three years on the staff of the Scotia Hotel since graduating from Digby Academy. The groom recently received his discharge from the navy. The bride was tendered two showers, one at her home and the other at the home of Mr. and Mrs. Lawrence Bent. Many useful and beautiful gifts were received. The groom's gift to the bride was an electric radio and record player; to the bridesmaid a table cloth and to the groomsmen a bill fold. Following the ceremony a reception was held. Mr. and Mrs. Wilhelm will make their home in Ontario, and they left on Monday on the Princess Helene.

Ardith Morrison, of Cambridge, spent the holidays with her parents, Mr. and Mrs. Carol Morrison. Miss Marion McWhinnie, accompanied by Ronald McGrath, spent the past week with Rev. and Mrs. H. S. Hudson and family, at Barss' Corner. The Fellowship Circle met on Thursday evening with Mrs. L. J. Hayden. Miss Rena McGrath has returned home from a week's visit with Mr. and Mrs. Chester Nauss, in Clementsport. Mr. and Mrs. Robert McGrath and son George spent several days last week with Mr. and Mrs. John Smith, Plympton. Mr. and Mrs. Harold McGrath, Saint John, spent a few days recently with the former's parents, Mr. and Mrs. William McGrath. Hantford Johns, of Halifax, spent last week end with his parents, Mr. and Mrs. James Johns. Paul Hudson, Granville Ferry, spent the holidays with his grandparents, Mr. and Mrs. Albert Hudson. Mrs. Gordon Thibodeau and daughter Ruby are visiting relatives in Mt. Pleasant. Herbert Amero, Plympton was a Sunday guest of Mr. and Mrs. Owen McGrath. Rev. G. N. Hamilton, an ex-patriate of the R. C. A. F. occupied the pulpit of the Baptist church on Easter Sunday evening, and delivered an inspiring address. Prof. James Browne, of Saint John, is spending a few days with his mother, Mrs. Annie Browne. Miss Janet Wilson, student nurse at the Children's Hospital, Halifax, has returned to her duties after spending a week's leave of absence with her parents, Mr. and Mrs. Frank Wilson, Point Prim.

D. T. Wagner, Hoyt Frost and Purdy Wheelhouse, with their wood sawing machines, have been in Victory the past week and will be there several days yet. Mrs. Wagner and daughter, Arlene were also visitors to Victory last Wednesday. Mrs. Walter Dukeshire, of Bear River; daughter Mrs. Lawrence Hubley and son Norman, of Saint John, were guests of the former's parents, Mr. and Mrs. A. S. Jefferson, sr., on Friday. Mrs. Norman Sanford, of Clementsville, and daughter, Mrs. George Allen and baby, of Wolfville, were recent guests of Mr. and Mrs. Chester Sanford. Mr. and Mrs. Otis C. Bell, of Marshalltown, were guests on Sunday of the latter's mother, Mrs. Frank E. Jefferson, and of Mr. and Mrs. Fred E. Jefferson. Mrs. Willard Rosencrantz has returned from the United States where she spent the winter. Tpr. Malcolm Baxter has returned from overseas. Miss Dora Doll, who has been visiting her sister, Mrs. Wilson Reece, has returned to her home in Shelburne county.

Tiverton
Miss Elaine Small has been spending Easter with her parents, Mr. and Mrs. J. M. Small. We are sorry to report that Mr. Small is ill. Mr. and Mrs. L. B. Small have returned home from a visit to the United States. Miss Mary Lou Blackford, of Freeport, spent Easter with her grandparents, Mr. and Mrs. E. Blackford. The Misses Rosena and Annabelle Elliott, employed in Kentville, spent Easter at home here. Among others who spent Easter here were Mr. and Mrs. Ernest Powell, Mr. and Mrs. Herman Teed, Mr. and Mrs. Willie Moran, all of Freeport. J. J. Butler, of Saint John, visited friends here recently. Mr. and Mrs. Leonard Ring, of Freeport, are visiting their daughter, Mrs. L. B. Small. Mr. and Mrs. Louis Thibault and son Harley, of Doucetteville, are visiting the latter's sister, Mrs. Baden Outhouse. Mr. and Mrs. Delancey Gesner, Wolfville, and Mr. and Mrs. Lloyd Hersey, of Annapolis Royal, were among those who attended the testimonial dinner for Miss Mabelle Holdsworth, Saturday evening. Corney Bailey, who spent the winter at the home of Mr. and Mrs. Edward Young, Brighton, has returned to his home in Westport. Walton Cann, of Central Grove, was in town on Monday.

Mrs. A. Watkins returned from Boston on Tuesday after spending the winter months with her daughter, Mrs. H. Berry. The regular monthly meeting of the Baptist Women's League will be held on Tuesday evening in the church parlor.

OBITUARY

August Saulnier
The passing of August Saulnier, aged 76 years, at his home Friday morning in Little Brook, saddened the village immensely. He was a successful hardware merchant and, until several years ago, when his health failed, he was also a plumber. He had been ill for the past three or four years but was able to be up and around until six weeks ago when his sickness took a bad turn. He was beyond doctor's aid and gradually weakened until his death. He leaves to mourn his wife; three daughters, Lucille (Sister Marie de Ste Therese), of the Monastery of the Good Shepherd, Halifax Rev. Marie Augustin of Jesus, in a Monastery in Winnipeg, and Ismay (Mrs. Joseph Comeau), at home; one half brother, Henry LeBlanc, and two half sisters, Mabel and Josephine LeBlanc, in Manchester, Mass. Interment took place from St. Mary's R. C. church Sunday afternoon. The pall bearers were Moses Blinn, Joseph LeBlanc, Mark and Felix Comeau, Evé and Valaré Saulnier.

Mrs. Helen Comeau
Mrs. Helen Comeau, widow of George L. Comeau, St. Alphonse de Clare, passed away on April 26, at her home, at the age of 89 years. Though she has not enjoyed good health for several years she was always cheerful and active. She leaves two sons Fidele, on the old homestead, and Benoit, in Mystic, Conn.; also one daughter, Cordelia (Mrs. Gervais Thibault), of St. Alphonse; two brothers, Joseph and David Deschamps, Shelburne, and one sister, Mrs. Cordelia Gammon, of East Falmouth, Mass. She was a daughter of the late Benjamin and Jennima (McKay) Deschamps - of Shelburne. She was the post mistress at Bear Cove until that office was amalgamated with St. Alphonse. The funeral took place on Sunday conducted by the pastor, Rev. M. J. LeBlanc, in St. Alphonse church. Requiem High Mass was celebrated on Monday morning.

TELLS OF KLONDIKE ADVENTURES

A. D. Daley, warden of Trinity Church was speaker at last week's meeting of Trinity Men's Club. In an interesting address Mr. Daley told of his experiences in the Klondike gold rush of 1898. He, with Hugh Cox, Bear River, and three Montreal men, purchased their supplies which included 1200 lbs. of bacon, 120 lbs. dried potatoes, 24 lbs. dried onions and other groceries purchased in Montreal. Three canoes for the trip were bought in Ottawa, and clothing supplies obtained at Vancouver. Supplies, equipment and fare for the journey cost each man about \$1,000.

On their arrival at Vancouver the party with some 300 other adventurers boarded the "Islander" for Skagway, Alaska. After reaching Skagway it took three weeks to transport supplies and equipment with sleds over the

snow and mountains some forty miles to Lake Bennett. On one of these trips one of the worst blizzards in history was encountered making it necessary to tie men together with ropes to prevent their becoming lost. During this blizzard 150 men were buried alive in a snow slide.

The party camped at Lake Bennett until the ice left the lake. Mr. Daley and Cox left the rest of the party and decided to carry on together. An interesting side light on this part of the trip was the purchase of a horse to transport their supplies to the lower end of the lake. The horse cost them \$10.00—a half bale of hay to feed the animal cost \$9.50. After their supplies were in camp they re-sold the animal for \$10, finding it too expensive to keep.

He told of establishing a claim and mining gold by means of burning wood to thaw the ground and then digging down, washing out the dirt and finding specks of gold. Several claims were established, mined for a time, then sold and new attempts made.

He told of a strike made by an American party who found gold nuggets as big as eggs. This claim was jealously guarded by riflemen who patrolled the area.

Mr. Daley described mining as hard, back breaking work, and said that unless strikes were good the returns did not pay for the effort.

After a year Mr. Daley decided to leave the Klondike and journeyed to Dawson, where, for a time he worked as engineer on a steamer travelling between Dawson and Grand Rapids. On July 1 he left Dawson by steamer for St. Michael's, some 1900 miles away, from there he travelled by steamer through the Aleutian Islands en route home.

He declared many of the fantastic stories of great gold strikes in the Klondike were creations of newspaper reporters who reported the amount of gold dust being brought back by prospectors as much greater than they actually were. It was such reports that started his party on their adventure.

After seeing the sights of Seattle, Mr. Daley entrained for

home, arriving back in Digby late in August.

During his talk he told of meeting several Digby boys in the Yukon and of many hair-breadth escapes experienced on the trip. One party, crossing Lake Bennett as the ice was going out went through and were never seen again. Others were lost through like misadventures. He described as one of the most splendid sights he saw on the trip was the tremendous cavalcade of boats, thousands of them, crossing Lake LaBarge. This lake was made famous in the poems of Robert Service as the site of the cremation of Sam McGee.

Little River

Easter Sunday evening church services were conducted by our new pastor Rev. C. C. Corbett, who spoke on "The Risen Christ." Special music was rendered by the choir. Flowers were placed at the altar by Mrs. Harley Ingersoll in memory of her late husband. Holy Communion was administered at the close of the service.

Little Richard Denton, who was severely burned last week, was taken to Digby General Hospital for treatment. He was accompanied by his mother, Mrs. Clayton Denton.

"Buddy" ten year old son of Mr. and Mrs. Arthur Denton, was taken to Digby Hospital on Monday by Dr. Dickie of Digby and Dr. Rice of Sandy Cove.

Miss Etta Welch of Westport spent the week end with Miss Greta Denton. On Monday they left for Kentville and Bridgetown where they spent a few days.

Mr. and Mrs. Powell accompanied by Rev. and Mrs. Harvey Denton and children, of Halifax, spent a few days with Mr. and Mrs. Thomas Denton. Mrs. Powell will remain for the summer.

Your Weekly

DAIRY NOTES

By VanDee

This column of information of vital interest to all, comes to you weekly with the compliments of Digby Dairy Limited, and is part of its personal service.

There are some 4,000,000 dairy cows on Canadian farms — or one cow for every three people in the Dominion.

The 4,500 plants where milk and cream are handled or processed take the output from 500,000 farms — do an annual business of over \$400,000,000 — and provide employment for more than 17% of Canada's entire population.

We wonder how many people ever realized that our dairy industry was so vast, or that it played so important a part in the nation's economic life.

Dairy products and concentrates are playing a large and vital part in the relief of starving Europe.

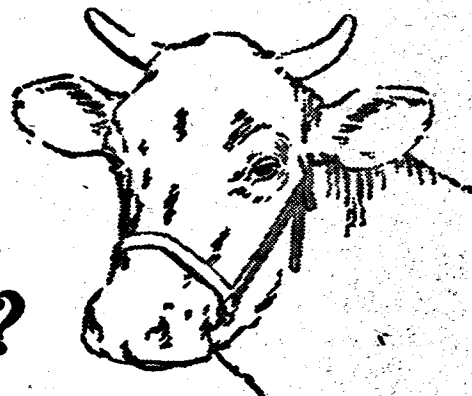

It is only too grim a fact that the very lives of millions of our fellow humans depend upon the dairy industry here and in others of the more fortunate countries.

Unlike many of our great industries, the dairy industry cannot be centralized in any one section of the Dominion, but, in a lesser or greater degree, spreads its benefits from coast to coast.

That the industry is growing and increasing in national importance is evidenced by the fact that, in 1945, manufacturing, processing and distribution of dairy products in Canada exceeded all previous records.

And, as the dairy industry grows, innumerable other industries, not directly engaged in the production, processing or marketing of milk or milk products, grow with it. The producers and manufacturers of feeds, transportation companies, builders, motor, tire and allied trades, the electrical trade, manufacturers of dairy and refrigerating equipment and scores of other industries all benefit directly or indirectly. And these, in turn, provide employment and livings for thousands of Canadian citizens.

Just as its products are vitally necessary to the physical health of the citizen, so is a vigorous and growing dairy industry necessary to the economic well-being of the nation.

What's In It?

WELL, a food chemist would say . . . almost 8% butterfat, about 6% protein, about 10% milk sugar, about 2% minerals . . . and that's fully twice the amounts you would find in regular milk. For Carnation Milk is regular pasteurized milk with enough of the natural water taken out to double its food value. And it has a big extra share of "sunshine" vitamin D. So whenever you want more food value, use Carnation as it pours from the can; for regular milk use, add an equal quantity of water. Carnation is Canada's largest-selling brand of evaporated milk.

Miss Eleanor Rice, who has spent the past month with her parents, Mr. and Mrs. Howard Rice, left on Friday for Kitchener, Ontario.

The pupils of Oakdene are putting on a musical programme this evening. These selections will be given at the Musical Festival at Annapolis Royal.

An Entertainment, consisting of Musical Festival Entries and a Short Play by the High School will be given in Oakdene Hall this evening, at 8:00 o'clock. Admission, 35 cents.

Mrs. Everett Chalmers and Mrs. Rae Burns, of the Bear River telephone staff, attended the banquet in honor of Miss Mabelle Holdsworth, at the Myrtle House, Digby, on Saturday evening.

Mrs. Lawrence Hubley and Norman left on Friday for Saint John to join her husband. From there they will go to Toronto to reside. Mrs. Hubley has been visiting her parents, Mr. and Mrs. Walter Dukeshire.

Miss Phyllis Crittick, who has been the guest of her uncle and aunt, Mr. and Mrs. R. B. McCarthy, returned on Friday to her home in Halifax. Mr. and Mrs. McCarthy also have as their guest their sister-in-law, Mrs. G. L. Fraser, of Springhill.

Sub. Lt. (N/S) Margaret C. Reid, R.C.N., returned to Halifax Friday night after spending a "48" as guest of Mrs. Walter M. Romans. Miss Reid is at present on the staff of the Naval Hospital in Halifax and only recently returned from overseas where, for over a year and a half, she toured the British Isles and the Continent as nurse attached to "Meet the Navy".

At the United Church on Easter Sunday morning, Rev. James E. Brooks, B.D., received six young people into full membership. The altar was decked in spring flowers and talips were placed there in memory of Mrs. Fowler Robinson. The evening service was an Easter concert by the Sunday School and choir. Mrs. H. E. Harris and F. R. Harris were the soloists. Mr. Brooks gave a short address.

The Philathea Class met in the vestry of the Bear River United Baptist church Thursday evening, April 18th. After the usual business discussion an Easter pantomime followed, centring around a white cross decorated with Easter lilies and bearing an illuminated picture of Christ. The reading was by Mrs. Fred M. Rice, interspersed with solos by Mrs. Maurice Dunn. Following this two contests were held. Refreshments were served.

Harvey Kinney has been on the sick list.

Miss Elinor Morine spent the week end in Halifax.

Kathleen Sanford, who has been quite ill, is improving.

The Baptist Missionary Society met on Thursday afternoon in the vestry.

Mrs. Roy Snell returned the past week from the infirmary in Halifax.

Miss Doris Reade spent the week end with her sisters in Halifax.

The Baptist Circle met Tuesday afternoon with Mrs. Bernard Alcorn.

The Ladies' Aid met with Mrs. Maurice Benson on Tuesday evening last.

The Happy Gang will meet tomorrow evening with Mrs. verett Chalmers.

Miss Bea Anthony was the guest of Mrs. H. Anthony, in Digby, the past week.

Miss Pearl Campbell returned to her school in Annapolis Royal on Monday.

Miss Marjorie Smith, of Greenwich, spent a few days recently with Miss Hazel Buckler.

Mrs. H. E. Harris, with a number of ladies, attended the Minstrel Show at Digby last Tuesday evening.

Mrs. Lawrence Henshaw has returned from the infirmary in Halifax. Her sister, Miss Taylor, is with her.

Mr. and Mrs. Jack Harnish, of Dartmouth, spent the holidays with the latter's parents, Mr. and Mrs. Charles Coomb.

The Misses Odessa Smith, principal of Oakdene, and Miss Blanche Hicks, junior high, have returned from their vacations.

The Women's Institute will meet next Monday afternoon at 3:00 o'clock, at the usual place. There will be a guest speaker. Tea will be served.

The "winding-up" meeting of the committee in connection with the reception held on April 23rd for service personnel, was held on Saturday afternoon at the home of Mrs. A. B. Campbell, J. L. Warren presiding.

O. V. Kennedy, of Bridgetown, is drilling an artesian well on the property owned by Dr. Campbell, on the Annapolis side of the river—now occupied by Dr. and Mrs. J. H. Slayter. Other repairs are also going forward on the house itself.

Luncheon guests at the home of Dr. and Mrs. J. H. Slayter on "Clinic Day" were the Misses Gertrude Anderson, R.N., Annapolis County Public Health Nurse; Marjorie Tupper, R.N., Digby County Nurse; Dr. E. L. Eagles, Divisional Medical Health Officer for "Fundy" Division, and Dr. A. B. Campbell, Bear River.

Reception For Service Men.

On Tuesday evening of last week, in Oakdene auditorium, a reception was tendered the service personnel of Bear River and vicinity who have returned from overseas and various parts of Canada. This reception was sponsored by the "Bear River Board of Trade, Legion and Bear River Branch of the Red Cross.

J. L. Warren, president of the Board of Trade, was chairman, and in a fitting manner introduced Dr. Frank Day, of Yarmouth, who was the guest speaker. Dr. Day gave a very appropriate address and pointed out the various methods of adjustment to men and women returned from war to civilian life.

Col. Garnet Harris gave the address of welcome.

An interesting feature was a short address given by Commander Leighton, of Philadelphia, who served in the United States navy and is now spending a short vacation in Bear River, Commander Leighton is well known in Digby and Smith's Cove having spent his summers in these places since a small boy.

Brief addresses were also given by Mrs. A. B. Campbell, president of the Red Cross Branch, and Max Isles, president of the Legion.

Dr. A. B. Crowe, of Annapolis Royal, led in the "sing-song" with Mrs. Urquhart, also of Annapolis, as pianist.

Rev. James Brooks, in well chosen words, moved a hearty vote of thanks be extended Dr. Day for his impressive address, and to Dr. Crowe and Mrs. Urquhart in coming to help make the evening so successful. This was seconded by Major A. M. Simons.

A social hour was spent during which refreshments were served after the service men and women had received a hearty handshake and welcome home from the citizens present. The evening closed with "Auld Lang Syne" and the National Anthem.

OBITUARY

Miss Amy Harris

Miss Amy Harris, the last surviving member of a family of three sisters and four brothers, passed away on Tuesday, April 23rd, at the home of her niece, Miss Gertrude Dunn, Lansdown, at the age of 87. She was a daughter of the late William Henry and Rachael (Beals) Harris, of Bear River. She is survived by several nephews and nieces—F. R. Harris, of Bear River, is one of them. The funeral was held on Friday afternoon from the United Church, Bear River, and was conducted by Rev. James Brooks. Interment was in Mount Hope cemetery.

Mrs. Earl Hardy and young son returned from the hospital on Friday.

Miss Maxine Rice, of Halifax, is visiting her parents, Mr. and Mrs. Otis Rice.

On Friday last the first Red Cross group visited the DVA Hospital, Deep Brook, and as the day was very wet, no doubt the visitors were specially welcome—each having a small donation to leave with each patient. Those in the group were Mrs. C. V. Snow (who donated the use of her car), Mrs. L. V. Harris, Mrs. Alan Harris, Mrs. J. H. Slayter, Mrs. A. B. Campbell and Miss June Schmidt; Mr. J. L. Warren (who donated the use of his car), Mrs. J. L. Warren, Mrs. Otis Rice, Mrs. Lloyd Sanford, the Misses Blanch Purdy and Muriel Kinney. Bear River is to make an official visit in the fourth week of each month, but it is hoped that between the set dates interested citizens may visit. Recent magazines are welcome, and as there are some women patients magazines for women readers would also be welcome.

MARRIAGE

Yangille - Henshaw

The home of Mr. and Mrs. Wm. Henshaw, Bear River, was the scene of a quiet but pretty wedding on Friday, April 26, when their youngest daughter, Virginia Blanche, was united in marriage to Reginald E. Langille, son of Mr. and Mrs. Melbourne Langille, of Cambridge, N. S. Rev. G. D. Brydon performed the ceremony. The bride wore a floor length gown of white sheer with long veil and carried an arm bouquet of American Beauty roses. She was attended by Miss Joan Benson, who wore pale blue sheer and carried a bouquet of pink and white carnations. James Henshaw was best man. The groom's gift to the bride was a string of pearls. The guests included immediate relatives of the bride and groom. A buffet lunch was served. They will reside in Waterville, Kings county.

Mr. and Mrs. George Larramore, of Smith's Cove, spent the Easter holidays in Montreal with their daughters, the Misses Mildred and Marion Larramore, and their son, Watson.

Hillsburn

An inspiring Easter programme was given in the Baptist church on Easter Sunday evening. The pastor, Rev. A. M. MacIntosh, was chairman. The scripture reading was given by Miss Gloria Halliday. Numerous recitations were given, followed by a pageant, "The Challenge of the Cross", which was directed by Mrs. Edward Everett. The choir, under the direction of Mrs. Vernon Kaye, rendered appropriate selections.

Miss Hilda Milbury, of Saint John, spent the holidays with her parents, Mr. and Mrs. Charles Milbury.

Harley Condon, principal of the White Rock school, is spending his vacation with his parents, Mr. and Mrs. Percy Condon.

Mrs. Vernon Kay spent the Easter week end with her husband in this village. Mrs. Kay has resumed her teaching at Litchfield.

Miss Eunice Potter, teacher, spent her vacation at her home in Clementsvalle. She was accompanied by Malcolm Wade, who spent the week end in that village.

Mrs. Dennis Oliver, of Parker's Cove, and Mrs. Kenneth White, of Litchfield, recently visited their grandparents, Mr. and Mrs. Clarence Everett.

Mrs. Hiram Young and daughter, Maureen, of Belleisle, are visiting her parents, Mr. and Mrs. Austin Halliday.

Mrs. Harvey Chute and children, of Litchfield, recently visited her mother, Mrs. Clarence Everett. Mr. and Mrs. Floyd Everett and family spent the week end with Mr. and Mrs. George Goucher, in New Minas.

Mrs. Austin Halliday, Mrs. Longley Hamilton, Mrs. Hiram Young and Miss Dorothy Taylor spent Wednesday with Mr. and

Mrs. Lewis Hudson, Lake Brook. Mrs. Layton Hinzman and children, of Digby, are visiting her sister, Mrs. Bernard Longmire. Miss Gloria Halliday, of Granville Ferry, is spending her vacation with her grandmother, Mrs. Sadie Longmire. The Misses June Hamilton and Janet Longmire, students at Annapolis Royal Academy, spent last week with their parents here. The interior of the school house is receiving a fresh coat of paint. The Home and School Association

procured the paint and Wallace Longmire is in charge of the work.

OBITUARY

Cereno P Jones

The death occurred April 24th, at South Pasadena, California, of Cereno P. Jones, son of the late St. Clair and Helen (Todd) Jones, of Weymouth North. The deceased, who was in his 74th year, lived for a number of years in Braintree, Mass., later moving to South Pasadena, where he spent the past 24 years. He is survived by his widow and three children, St. Clair, Elizabeth and Josephine. Two brothers, Fred, Long Beach, Cal., and Harrison, Weymouth North; and two sisters, Mrs. C. Stayer, Halifax, and Josephine, of Annapolis Royal, also survive. Interment April 29th was from the Episcopal church, in South Pasadena.

Interested in Quahaugs

A party from New York was in Church Point last Friday afternoon trying to interest some local fishermen to obtain quahaugs for the New York market. It is not known definitely if they were successful or not.

These quahaugs are a shellfish of the clam family and are approximately the size of a saucer or tea plate. They abound in the region around Grosse Coques but can only be procured during the exceedingly low tides and then only in small quantities due to the fact that they are under water.

The United States company that is interested in harvesting these shellfish state that a drag has been invented by which the bottom of the sea may be dragged and the shellfish harvested. The drag digs into the sand and it requires a boat about forty feet long to handle it. It is something new and has been worked out successfully in other parts.

The party from New York was on his way to Prince Edward Island at St. Andrew's the government and when he crossed the eminent fisheries inspector advised him to try this part of Nova Scotia.

The name "Grosse Coques",

Miss Geraldine Comeau resumed her duties at the local Royal Bank staff Monday, after an enjoyable three weeks' holiday in New York and Boston.

C. G. I. T. GROUP HOLD TEA AND SALE

The Victory C. G. I. T. group held a musical tea and linen sale in Killam Hall, Wednesday afternoon of last week. The hall was especially attractive, decorated with streamers and cut flowers in a color scheme of mauve and daffodil yellow. Tea tables, centred with tiny pots of "daffies" were dainty and inviting. Mrs. R. K. Hill presided over the teas, the serving being done by Geraldine Hill, Margaret Hatt, Elinor Dunkley, Lillian Haight, Arleen Cosman, Joan Hill, Harriett Mullen, and the two group leaders, Mrs. Granville and Miss Frances Lent. Tickets for the tea were sold by Jessie Bartlett and realized the sum of \$10. The fancy work

BIG FISH STILL GETS AWAY

Digby Harbour was visited over the week end by a huge fish, which, according to the variety of reports received, was either the Loch Ness Monster on a trans-Atlantic cruise or "the biggest one that got away" on Digby county's many trout streams. According to some reports the huge fish spouted great columns of water like a whale and had a high dorsal fin that cut the water as it swam, giving it the appearance of a huge shark. Opinions as to its length varied from somewhat over ten feet to anything up to a hundred.

The fish was first seen entering the harbour Friday night and was seen throughout Saturday at intervals cruising about especially near the shore line. Sunday morning it evidently became panicky, fearing that it was trapped, and dashed itself against the Long Wharf and the "B.A." wharf, knocking these structures with its tail and causing the water to boil and foam, to its rage. Hundreds of people gathered on the wharves to witness the sight.

Early Sunday evening it was observed making its way out the Cut by fishermen who reported it as a whale. According to these reports the fish was a "blackfish", a species of whale which feeds on smaller fish.

It is expected that from now on many returning anglers will compare the size of the trout that got away to the harbour's huge visitor—well, perhaps not quite so long, but—

Present Petition

M. C. Denton appeared before Monday night's meeting of the town council and presented a petition from Branch, No. 20, Canadian Legion, B. E. S. L., requesting that the town take steps to erect and maintain a new town hall as a memorial to those who served in World War II. The petition also contained a request that quarters be made available in the building for use of the veterans' organization, the Legion.

In a well worded address, Mr. Denton made mention of the need for a memorial that would serve as a usable and living symbol of the sacrifice, not only of those who did not return but also of those who have returned to live out their days among us. He stated that the Legion was of the opinion that a Memorial Town Hall would ably fill that purpose especially if it contained permanent and suitable quarters for the Legion and all War Charities.

John R. Nichols also spoke briefly and urged the council to give serious consideration to the matter.

Car Demolished In Accident

An Oldsmobile car, operated by Clifford Saulnier, was almost completely demolished after striking a tree on Montague Row, near the Baptist church, on Saturday evening.

The occupants of the car—Robert Everett, Donald Wilson and Eddie Barnes—were severely shaken up and bruised, as was the driver. Everett and Wilson were taken to the hospital where seven stitches were required to close a wound in Wilson's leg, and a cut in Everett's head required several stitches.

As a sequel to the accident Clifford Saulnier pleaded guilty in the police court on Monday morning to charges of operating a motor vehicle without a license and while under the influence of intoxicating beverages, and was sentenced by Stipendiary Peters to ten days in jail.

Consider Regional Library

Miss Marion Gilroy, of the office of the Regional Library Commission, addressed Monday night's meeting of the town council concerning the matter of the town's adoption of the Regional Library Plan.

Following Miss Gilroy's address a discussion took place as to the financial set-up and other matters. A committee consisting of Councillors Cardoza, Wallis and McCleave was appointed to further study the matter in conjunction with committees from the towns and municipalities concerned.

Westport Councillor Says Ferries are Unsafe

Councillor D. B. Kenney, Westport, speaking before yesterday morning's session of the Municipal Council, stated the ferries running between the Islands off Digby were definitely unsafe, and that unless immediate action were taken a repetition of the Robert Cann disaster threatened.

He said there was danger of loss of life and loss of cars and trucks unless something was done immediately. In several cases, he declared, had it not been for prompt action of fishermen the ferries would have foundered in heavy rips.

Councillor Kenney further de-

clared neither ferry boats or scows used for carrying cars were dependable and that there had been no regular inspection of these boats.

He suggested a committee from the council be appointed to wait on the Premier with the view of securing action to remedy the situation immediately.

On motion of Councillor Woodman, seconded by Councillor Blackford, the Warden, the Solicitor and Councillors Kenney and W. F. Cossaboom were appointed delegates to interview the Premier on this matter.

Scallop Season Ends "Andy" Merkel Retires

The scallop fishing season in the Digby area, officially came to an end on Tuesday of last week. Although prices throughout the whole season were unusually high, the season was not a particularly good one. Bad weather hampered fishing operations and very often during the season two or three weeks would pass without the boats making one trip to the beds.

Now that the scallop season is over the fishermen, are turning to other methods of fishing for their livelihood. It is understood that several of the boats have been converted into seine fishing. Others will be used for pollock.

Several of the fishermen, living on Digby Neck, are preparing to go into weir fishing. Fish weirs are being constructed all along the Neck. Many of these are being specially constructed this year and experts from Grand Manan are being employed to handle the work. In place of the usual brush work under the water a twine net weir is being used. In the construction of these piles are driven down into the mud under the water, then a diver goes down, clears out the weir-area and ties the network of twine to the driven stakes or piles. Fish are taken from these weirs by seining. It is understood that some twenty weirs are being constructed along the Neck.

Ladies' Bowling Team In Competition

The "Hyenas" have registered in the Maritime Women's Bowling League and will take part in the Ladies' Bowling Competition, in Saint John, May 20-23.

The "finals" for the ladies' league in Digby were rolled off on St. Patrick's alleys, April 25. The teams taking part in the play-offs were the Hyenas and the Lucky 7's.

RECEIVED MENTION IN DESPATCHES

Bombardier R. Baden Powell, who recently resumed his old post as Mechanical Science Instructor at Digby and Annapolis Royal Academies, has been notified officially of a mention in despatches. He served nearly five years overseas with the 1st Survey Regiment, R. C. A.

Miss Marion Gilroy, of the office of the Regional Library Commission, was speaker at the weekly luncheon of the Digby Kiwanis Club. Miss Gilroy spoke of the regional library as a "larger unit" library, and told of the success of this system in England, the United States, the Fraser River Valley and Prince Edward Island.

To be successful the library must draw from a population of 40,000 and have an annual budget of \$25,000 at its disposal. In this area the Municipal Councils in Hants, Kings and Annapolis have voted to adopt the regional library system as have the Municipalities of Shelburne, Barrington, Argyle and Yarmouth, and the town of Yarmouth.

(Miss Gilroy's mission to Digby at the present time is to contact the Municipal and Town Councils in the county. She addressed the Digby town council Monday evening, the Clare council on Tuesday, and the Digby municipal council yesterday.)

She pointed out that should these bodies decide to come in on the scheme Digby could join with the Valley counties of Hants, Kings and Annapolis, or with the South-Western counties of Yarmouth and Shelburne. In either event the minimum population requirement would be met.

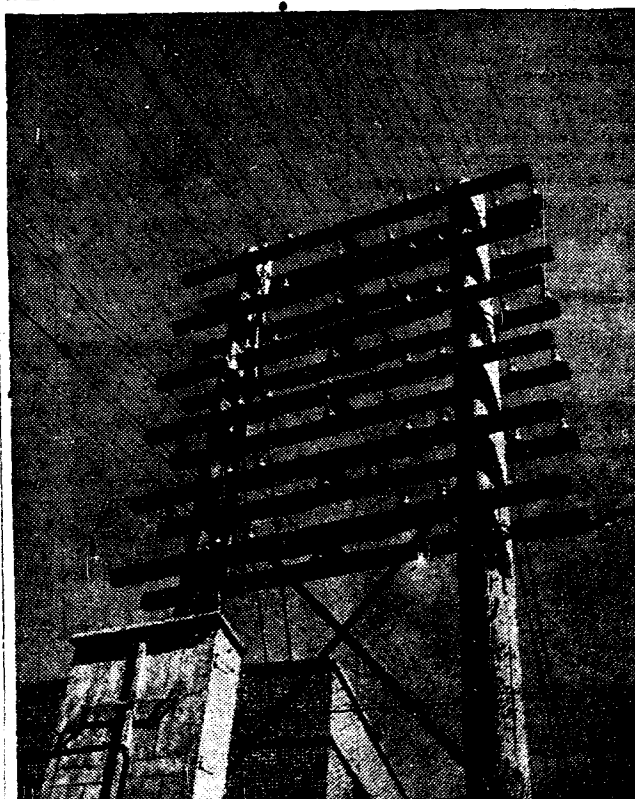

To encourage the Regional Library the Provincial government has voted to assist the municipal governments adopting the library by grant which matches dollar for dollar. The cost for Digby, she said, would be \$550. To this amount the government would add another \$550. Cost or rental of a building to house the library would be additional.

In this connection Miss Gilroy pointed out that in many communities the rental was paid by Women's organizations or Service clubs.

She pointed out the successful library must have a wide collection of books; a constant supply of new and up-to-date books, and a trained staff. In centres where the plan is in operation there is an annual exchange of books, and trained librarians make special studies of the needs of the reading public in the locality.

If some folks lived up to their past they would have very little future.

NOW THE LID IS OFF

TO ALL intents and purposes this is a photograph of an ordinary telegraph pole, but on its cross arms are wires forming telegraph circuits which were part of Canada's wartime defence and security on the Atlantic seaboard. It was one of the best kept secrets in eastern Canada. The pole stands just outside of a small brick building in Moncton, N.B., which houses the delicate instruments for testing the circuits and repeaters of the vital communication system linking up the various naval, air and army bases that are included in the Atlantic Command. This secret testing station was operated and maintained by the Canadian National Telegraphs. The various bases of the Atlantic Command were all linked together by teletype and immediate communication could be had between them and Atlantic Command headquarters in Halifax. Also on this pole are telegraph cables over which many messages of vital importance to the

war effort were transmitted; one connected Ottawa direct with London and another provided direct cable communication between New York and London.

It might be inferred that a building and a pole of this importance would be heavily guarded, but psychology was relied upon to afford protection. No guards were placed around the building nor the pole, nor was there any floodlighting. It was treated just as an ordinary office building and the pole was treated like any other telegraph pole with the result that very few people even in the city of Moncton knew of the vital importance of the installation.

In the upper floor above the telegraph testing and control room is the heart of the Centralized Traffic Control which governs the section of the Canadian National Railways between Moncton and Truro. This also was on the secret list.

Delegation Asks Council to Increase Hospital Grant

H. M. Warne, representing the Digby General Hospital, appeared before yesterday morning's session of the Municipal Council asking for an increase in the council's grant to that institution.

In his address Mr. Warne stated the financial situation of the Hospital was as critical today as at any time during the depression years. The operating expenses had greatly increased due to the war emergency and that the number of outstanding accounts had also increased. Lack of competent office staff had resulted in difficulties in collecting accounts and in great measure accounted for the financial troubles. He said an effort was being made to tighten up on the financial operation of the hospital.

Some criticism was voiced by members of the council as to the apparent lack of effort being made by the hospital to collect accounts, and Mr. Warne assured the council that the matter would be remedied.

It was stated at the meeting that the amount of accounts outstanding to be paid the hospital by the Municipality was \$1,315.50.

Following Mr. Warne's address Mr. Robertson, hospital manager, addressed the council briefly and urged an increase in the annual grant.

At the annual meeting, held in January, the amount of \$100 was voted as a grant to the hospital.

No action regarding an increase in grant was taken by the council, the matter being laid over for later consideration.

Delegation Attends Council Meeting

A large delegation from the Retail Merchants' Association attended Monday night's meeting of the Town Council in support of a petition presented to the Council urging the adoption of a by-law making compulsory the closing of retail stores in Digby on Wednesday afternoons throughout the year. Certain exceptions to this were listed in the proposed by-law which was attached to the petition.

H. M. Turnbull, chairman of the association, addressed the council urging that the by-law be adopted as it represented the wishes of about 90 per cent of the town's merchants. Other speakers in favour were B. H. Ruggles, F. Dakin, C. M. Levy and A. R. Pyne.

Norman Wright, speaking in behalf of Wright's Store, stated that he felt the by-law was alright except that the stores should be allowed to remain open on Wednesdays during the summer in order to provide a service not only to local residents but also to the summer visitor: who might wish to make purchases on their way through Digby. He stressed the advertising value to the town of having the stores open for these visitors, who, he stated, would have a three-hour wait in Digby even if just passing through on the train to the boat.

The by-law had been presented to the council at the previous month's meeting but had been referred back to the Merchants' Association to see if some arrangement could be made covering the summer opening. At Monday night's meeting no motion was presented to the council concerning the matter so it was ordered tabled.

D-Day Vet Opens Bakery

K. W. Cox of Saint John has opened a bakery on Queen St., Digby, and according to his advertisement which appears elsewhere in this issue, will begin the distribution of his products to local stores, beginning Monday.

Prior to the war Mr. Cox managed a bakery in Saint John. He recently returned from overseas—having spent five years in the Canadian Army, four of them overseas. He is a D-Day veteran and fought through France, Belgium and Holland.

About This and That

In war, as in the rest of life, failure is rarely forgiven. The late Lord Gort commanded the British army down to the evacuation of Dunkerque, which has been called the greatest military disaster in British history. Perhaps it was not altogether his fault. The Belgian army, at King Leopold's order, had given up the war, and the French, badly armed and worse led, were proving a bruised reed indeed. Lord Gort brought off the evacuation successfully, and the army got home to continue the war—but not under Gort. A beaten army seldom fights well under a beaten general, so Gort was removed. His later posts showed how far he had fallen: inspector-general of the home forces, governor of Gibraltar and later of Malta, and commander-in-chief in Palestine. He had plenty of company as far as failure went. The British tried four commanders in North Africa before they found Montgomery. But Gort will go down in history not with British leaders like Marlborough, Wellington and Haig, who attained victory, but with generals like Sir John French, who led the British at the outset of World War I and then had to be replaced.

Beware of the man who slaps you on the back. He probably wants you to cough up something.

Not all the war criminals are Germans or Japanese. Marshal Rodolfo Graziani, viceroy of Ethiopia for the few years of the Italian conquest, faces trial before a tribunal of his countrymen. The charge is collaboration with the Nazis, and specifically, assistance to the enemy when he was in command of the army. Graziani rose to prominence among the Fascists rather recently. A leader in the Ethiopian war, he was put in command of the Italian North African army in 1940, and attempted an invasion of Egypt. This got as far as El Alamein, but outran its water supply; and when the British Field Marshal Wavell counterattacked with light forces, Graziani's army broke and fled practically all the way to Tripoli. Morally he has been described as a sadistic bully, the type of man that Fascism delights to honor. The Italians will take care of his case.

Many ideas, like some people, look good until you try them out.

MARRIAGE

Burchill - Amero

A lovely wedding was solemnized in the Church of The Assumption, West Saint John, on Thursday, April 25th, when Miss Ella Lucy Amero, youngest daughter of Mr. and Mrs. Albert Amero, Doucetteville, was united in marriage to Howard Francis Burchill, son of Mrs. and Mrs. Frank Burchill, of West Saint John. The double ring ceremony was performed by Rt. Rev. Mgr. F. M. Lockary, D. P. The bride was a picture of youthful charm in a floor length gown of white satin with veil en train, white prayer book and rosary and carrying a bouquet of red roses and maiden hair fern. Preceded by Miss Pauline Amero, sister bridesmaid, in a floor length gown of pink silk taffeta and carrying a bouquet of pink roses, the bride entered the church supported by her father, who gave her in marriage. The train was carried by Miss Joan Comeau, niece of the bride. The groom was attended by Leonard Burchill, his brother. The "Bridal Chorus" was rendered with Mrs. G. O. Morris at the console. After the ceremony a family reception was held at the "Blue Room", Royal Hotel. About fifty guests were present, the Rev. Walter Coughlan, P.P., as guest of honor. Out of town guests were Albert Amero, father of the bride; Mr. and Mrs. Paul Winchester, Mr. and Mrs. Patrick Comeau and

daughter Joan, and the Misses Frances and Florence Thibault, of Digby. The ushers were Armon Burchill and Donald Anderson. Many useful gifts were presented, evidence of the good wishes which went with the young couple on their tour of Nova Scotia, which will end in Canso where the groom is employed by the Radio Division, Department of Transport.

A Call to Action

addressed to All Members of the Church of England in Canada by
THE MOST REVEREND DERWYN T. OWEN, D.D., D.C.L.
Primate of all Canada

NEVER has humanity been in greater need of the Christian Gospel, the inspiration and guidance of Christian teaching and the Christian spirit.

To-day we give thanks for a physical victory over forces opposed to every Christian principle. But these forces must still be fought in human minds and hearts. The only new order worth building is a Christian order. At home and abroad, the Christian Church faces a renewed challenge.

That is why the Church of England in Canada is making an appeal to her people for rededication, self-sacrifice and constructive action.

This movement seeks to make Anglicans more truly Christian; to make them conscious of the historic mission of their church; to strengthen the spiritual, educational and social work of the Church at home and abroad; and to provide funds for additional Clergy, for the pension fund, for helping the Mother Church in England and the Churches in Europe in their work of rehabilitation, for providing youth training and leadership, and for assisting all Dioceses in meeting their local needs.

The Appeal was launched in our Churches on the Feast of the Epiphany, Sunday, January 6th, and will continue till May 19th. In its spiritual aspects it has already reached the homes of our people and its programme will continue over years to come.

During the week of May 12th to 19th, every member of the Church of England in Canada, so far as possible, will be visited by a fellow member, authorized to receive contributions to the \$4,300,000 fund needed to carry out the financial program.

I bespeak from every one of our members and friends the earnest, prayerful consideration of this urgent need. I am confident that if every individual does his and her part, the combined objective of spiritual enrichment and financial support will be fully achieved.

Handcraft Organization

An interesting meeting was held at the Court House last Thursday evening to finalize a Handcraft organization for Digby and surrounding area.

The nominating committee brought in a report and the following officers were appointed:

President—Mrs. E. Scott Eaton.
1st Vice Pres.—Mrs. C. R. Sypher.
2nd Vice Pres.—Miss Margaret Purdy.

3rd Vice Pres.—Mrs. H. J. Anthony.
Secretary—Mrs. A. J. Dillon.
Treasurer—Mrs. L. E. Shatford.

Lists of those previously enrolled in the different crafts were read and three convenors appointed as follows:

Weaving—Mrs. F. L. Anderson.
Wood Carving—Mrs. Guy Morehouse, jr.

Knitting, Embroidering and Hooking—Mrs. Kenneth Beckwith.

It was left with the executive to select convenors for Leather and Metal.

Other matters discussed were a Constitution, Central Work Room and Membership Fee. It was left with the executive to report on these matters at a meeting to be held in June. Those present were requested to send in suggestions for a name for the organization—one typical of Digby.

Outside points are asking for information and looking forward for instruction. Barton has sent in a splendid enrollment and Smith's Cove is preparing a list. Acaciaville has a few, but at the present time plans to come to Digby for instruction. Miss Harriet Campbell acted as secretary during the meeting.

Mr. and Mrs. Victor Cardozo spent the week end in Bridgetown.

The Women's Missionary Society of Grace United Church, met on Tuesday afternoon at the home of Mrs. Oakley Turnbull. The worship service was conducted by the president, Mrs. C. E. Parker, and those taking part in the program were Mrs. J. M. Wallis, Mrs. Elton Arnold, Mrs. Gordon Ellis, Mrs. Oakley Turnbull and Mrs. Milton Atkinson. The theme of the program was "The Christian Home". An interesting discussion by members on care and training of children in the home, especially pre-school children, followed. In keeping with the theme Mrs. J. M. Wallis rendered a vocal selection, "Bless This House".

IN MEMORIAM—In fond and loving memory of Emdon F. Stark, who departed this life one year ago, May 8th, 1945:

Time speeds on, one year has passed,
Since death its gloom and shadows cast
Within our home, where all seemed bright,
And took from us a shining light,
We miss that light, and ever will,
His vacant place there's none to fill.
Down here we mourn but not in vain,
For up in Heaven we'll meet again.

—Inserted by his loving wife and children, Mrs. Gladys Stark and Family. 34:1ip

IN MEMORIAM—In loving memory of my dear mother, Clara S. Titus, who passed away May 12, 1942:

God knew that she was suffering,
That the hills were hard to climb,
So He closed her weary eyelids
And whispered "Peace be thine";
Away in the beautiful hill of God,
By the valley of rest so fair,
Some time, some day, I know not when,
I will meet my mother there

—Inserted by her daughter, Mrs. Horace Johnson, and Family, Central Grove. 34:1i

IN MEMORIAM—In remembrance of our brother-in-law, Emdon F. Starke, Culloden, who passed suddenly away May 8th, 1945.—Mr. and Mrs. Valentine Pulley, Mt. Pleasant. 34:1ic

IN MEMORIAM—In loving memory of our darling baby and sister, Janice Lorraine Forrest, who passed away May 9th, 1941, aged 10 months:

No stain was on her little heart,
Sin had not entered there.
An innocence slept sweetly on,
That pale white brow so fair.
She was too pure for this cold earth—
Too beautiful to stay.
And so God's Holy Angel bore
Our darling one away.

—Sadly missed by her Mother, Daddy, little Brother and Sisters. 34:1ip

IN MEMORIAM—In loving memory of our dear brother, Emdon M. Stark, who departed this life, May 9th, 1945:

We often sit and think of him,
When we are all alone.
For memory is the only friend
That grief can call its own.
Like ivy on the withered oak,
When all other things decay,
Our love for him will still keep green,
And never fade away.

—Inserted by his sister, Mrs. Eva Baxter, and brother Ray, Salem, Mass. 34:1ip

IN MEMORIAM—In loving memory of our dear son, Harold, who died in action May 9, 1944:

Somewhere in France, in an airman's grave,
Lies our dear son, among the brave.
He never shunned his country's call,
But gladly gave his life, his all.
He died the helpless to defend—
A faithful airman's noble end.

—Always remembered by his parents, Mr. and Mrs. Max Isles and Family. 34:1ic

IN MEMORIAM—In memory of my grandson, Harold Isles, who died in action May 9, 1944:

I cannot say and I will not say
That he is dead; he is just away.
With a cheery smile and a wave of the hand,
He has wandered into an unknown land,
And left us dreaming how very fair

It needs must be, since he lingers there,
And you—oh, you, who the wild-est veerns
For the old-time step and the glad return.

Think of him faring on, as dear
In the love of there, as the love of here;

Think of him still as the same, I say:
He is not dead—he is just away.

—Grandma Isles 34:1ic

IN MEMORIAM—In loving memory of my brother, Harold Isles, who died in action May 9, 1944:

You went, it seems but yesterday,
And now, by crosses row on row
You linger where the poppies grow
Not dead, but just away.

—Always remembered by his brother Arthur, Megan and Pamela. 34:3ic

NOVA SCOTIA

*They're Coming Our Way:
Can We Accommodate Them?*

BY every indication Nova Scotia will have a record number of tourists from both sides of the border this summer. Advance bookings of hotel and travel agents show that the six year pent-up flood of vacation demand will soon break loose in all directions—with Nova Scotia getting her full share.

Actually between 500,000 and 600,000 Canadian and American tourists may be expected to enter Nova Scotia during the next few months. Besides, thousands of our fellow Nova Scotians will take their first real vacation in years. The question is: Can we accommodate this great influx of visitors?

**How Many Tourist Rooms
Can YOU Provide?**

You are being asked this question because our hotels and tourist resorts will be greatly overtaxed. Those of you with spare accommodations should therefore come forward to help fill the breach.

Many thousands of dollars will be added to the income of Nova Scotia if the tourist industry can be carried over this first post-war emergency year.

If you can spare a room or more will you kindly notify the Secretary of your nearest Board of Trade so that any local overflow of visitors can be accommodated from their lists. Please do this right away. Nova Scotia must do her best for her visitors.

New Wholesale Grocery Will Service Retail Outlets

Hants Wholesalers (Digby) Limited to Operate in Temporary Quarters Until New Warehouses Are Erected on Waterfront Property.

(By Bob Mills)

Traditions of an era when the influence of Windsor capital extended to many parts of the province through the operations of the Commercial Bank of Windsor and the Windsor Marine Insurance Company are being revived in a different field, the wholesale grocery business. Hants Wholesalers Limited, Windsor, thro' a subsidiary company, incorporated under the name of Hants Wholesalers (Digby) Limited, starts operations this week in Digby.

Plans for the construction of a warehouse on the waterfront property purchased last year are prevented from present completion by shortage of building materials and skilled labor but the firm will commence operations in temporary quarters on First Avenue.

Decision to begin operations this year, rather than wait for completion of the building was prompted by a desire to extend "Service and Satisfaction Since 1907" to all Western Nova Scotia; to assist the retail grocers thro' the transition from a war-time to peace-time economy; to aid them in present difficulties and to prepare for the time when keener competition in the retail field with the return of a normal supply of goods will require maximum development of the retailers' ability to serve the public, the Retail Grocer, it is the policy of the firm is the vital factor in promoting public acceptance of new lines; and in speeding the movement of goods to the consumer stimulating production and manufacture.

In considering its programme for reconversion the Company was faced with demand for greatly increased warehouse space and as well with a consistent demand for service to an ever expanding territory. Adopting a policy of decentralization it was possible to extend to Western Nova Scotia the service enjoyed by retailers in Hants, Kings, Annapolis, and by reducing the truck haul from warehouse to grocery store shorten the distance between two important points in merchandising—the distributor and the consumer.

Hence the selection of Digby as a strategic centre from which to service the new territory West of Middleton to Weymouth and down Digby Neck. The advantage of having wholesale stocks available at the end of a low-cost telephone call, with truck service to meet any emergency are obvious and the new firm may expect a cordial reception in the retail grocery field.

Controlling interest in the new firm is held by Hants Wholesalers Limited. Mr. Charles R. Manning, president and managing director of the company, has announced that Mr. Roy Carpenter has been appointed manager of the company, with Mr. Wm. H. Eldridge as travelling salesman. Mr. Carpenter has recently been Western Nova Scotia representative of the Lipton Tea Company. He was formerly manager of the Eaton Groceries department in Moncton. Mr. Eldridge was manager of the Services Hostel in Digby during the war.

The new firm enters the field under happy auspices. Hants Wholesalers Limited was established in 1907. In 1914 Mr. Charles R. Manning succeeded his father, F. H. Manning, as manager of the company, and in 1936, on retirement of the other original partner, the late John L. Sexton, Mr. Manning became president and managing director. Mr. W. S. Rathburn became associated with the firm in the year 1930 and is the secretary and sales manager of the company.

Since 1931 Hants Wholesalers has been service wholesaler for the Valley Zone, Maritime Merchants' Alliance, now increased to 25 member stores and extending from Mount Uniacke to Middleton. These units and other independent stores in the Eastern area will continue to be serviced from Windsor. The Digby firm will devote itself to the independent retailer grocers in the area West of Middleton. While each firm will operate independently warehouse stocks at both ends of the territory will be available to all

parts of the whole or shipment from whichever point the best service can be given from stocks on hand.

Having consideration for goods in short supply manufacturers and processors have provided a generous share of stocks for the Digby firm and every effort will be made to keep all reasonable lines on hand for immediate shipment. The policy is to give the best possible service from present temporary headquarters and to push the new warehouse to completion as

fast as building materials become available. It is hoped to have the new company in its permanent home during the firm's 40th Anniversary Year, 1947. In addition, and looking forward to the long range requirement of the territory plans are under consideration for volume storage of flour and mill feed at Digby, duplicating the warehouse facilities at Windsor and providing for handling of water-borne cargoes direct from the mills at lake head, as was done before the war.

MARRIAGE

Chute - Parker

A quiet wedding was solemnized at the home of Mr. and Mrs. Walter Bagley, Middleton, on May 1, when Mrs. Alice Parker, of Dover, N. H., and Waldo Chute, formerly of Bear River, were united in marriage. The groom's sister, Mrs. Walter Bagley, and Mr. Bagley, were the only attendants. Following the ceremony the bridal party motored to Cornwallis Inn, Kentville, where a wedding supper was served. After a brief honeymoon Mr. and Mrs. Chute returned to Milford where they will reside for the summer, in their cottage at Longmire Lake.

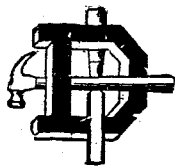

The present moment is all we can call our own for works of mercy, of righteous dealing, of family tenderness.

New Wholesale Grocery Opens for Business

We are pleased to announce to the retail trade of Digby and surrounding districts that our branch is now ready for business. Temporary premises are located on - -

First Avenue, Town of Digby

The well-known firm of Hants Wholesalers Limited has been conducting business in Windsor for nearly 40 years, and the same successful policy on which this business has been operated will be applied to this branch, viz.,

"A FAIR DEAL TO ALL", and
"We take the 'Cuss' out of Customer, and put the 'Serve' in Service"

The matter of assembling a wholesale stock of merchandise in these difficult times is not an easy task; nevertheless, having many good friends among our suppliers, we have managed to place in our warehouses a nicely assorted stock of Groceries, Flour and Feed.

We now solicit a share of the trade in this part of the Valley and assure our prospective customers of our best attention to all orders entrusted to us.

The following staff is ready to serve you:

Roy Carpenter, Manager

Wm. H. Eldridge, Salesman

Frank Raymond, Shipper

Mrs. Eleanor Wood, Book-keeper

Walter Wray, Truck Driver

Winston Marshall, Truck Driver

Additional personnel will be added to the staff as required.

Maxine and Vaughn Henshaw returned on Saturday, having spent the Easter holidays with their grandparents, Mr. and Mrs. A. C. Doty at Weymouth North. School opened on Monday with Mr. James Robbins substitute for Mr. Gehue for the remainder of the school term. We appreciate having Mr. Robbins consent to accept this position. Neglected education is a very serious problem facing many rural sections today due to scarcity of teachers, and lack of community cooperation.

Mrs. Russell Henshaw, and son Stearnes, were guests of the former's parents, Mr. and Mrs. A. C. Doty at Weymouth North on Saturday.

Mrs. Edward Trimmer had her sister, Mrs. Boyd Stark, and children of Digby, as guests on Thursday.

Mr. and Mrs. Walter Krausnick have returned to their home in Brighton. They are having their house renovated before moving in. During the last few years Mr. and Mrs. Krausnick have been living in different parts of the United States.

tendered Gordon Jasey at his home one evening recently when a number of his classmates of Annapolis Royal Academy gave Gordon a real surprise on his seventeenth birthday. During the evening which was pleasantly spent with games, Gordon was presented with a very nice identification bracelet. Delicious refreshments brought to a close a very happy evening.

Mr. Peter Whalley, son of Mrs. Cecil Whalley, formerly of Halifax, now residing at Granville Ferry is winning fame as an artist and his drawings which have appeared in recent issues of the Montreal Standard, are being viewed with interest by friends of the family.

Mr. A. L. Gilliatt, manager of the Fort Anne Beverage Co., Granville Ferry, has had a very fine new motor boat built. The boat is some twenty feet in length and was built by James Ellis of Port Wade. Mr. Gilliatt is very fond of boating and camping and has a cabin on Goat Island where he and members of the family spend many pleasant week ends and holidays.

Mr. and Mrs. Stuart Turner and little Aubrey left on Saturday to make their home with Mrs. Turner's parents Mr. and Mrs. J. W. Tupper, Weston, Kings Co. Mr. and Mrs. Turner have been residing here the past three and a half years and have made many friends who regret their departure.

A very bad chimney fire occurred recently at the home of Mr. Austin Gilliatt. It was fortunate the fire did not occur in the night or when the members of the family were absent from home. The wall paper around a chimney hole in the living room was afire and a picture on the wall blazing when the fire was discovered. The local firemen were called and soon had the fire under control.

Mr. and Mrs. H. C. Munro, accompanied by Miss Alice Gilliatt enjoyed motor trip to Green Bay, Lunenburg Co., recently.

Mr. and Mrs. Charles Orde have moved in the house recently vacated by Mr. and Mrs. Stuart Turner.

Helen Gilliatt spent a week-end recently with Mr. and Mrs. Lloyd Baltzer and Raymond in Middleton.

Laurence Littlewood who was fifteen years old in February has just finished building a fine flat-bottomed boat, 12 ft. long. He has done it all alone, and deserves great credit. He is a son of Postmaster and Mrs. Littlewood, Granville Ferry, and is a student of Annapolis Royal Academy. Last summer during his holidays, he was employed by C. B. Allen and P. T. Harvey Chisholm spent a few days the past week in Truro. Mrs. B. C. Clarke went to Boston on Tuesday for a short visit. Mrs. Otis Rice was hostess to the Ladies' Aid on Tuesday evening. The Happy Gang will meet tomorrow evening with Mrs. Aaron Darres. St. John's Anglican Guild met yesterday afternoon with Mrs. Titus Darres. Mr. and Mrs. Elmer Rice, of Nictaux, recently spent a few days with Mrs. Omer Rice. Mr. Reade, of Halifax, is a guest at the home of Mr. and Mrs. Robert Rice, Morganville. The W. M. S. of the United Church, will meet tomorrow afternoon with Mrs. W. A. Chute. Mrs. Jesse Harris returned the past week from Kemptville where she was the guest of her niece. William A. Hills, Lawrencetown, at present living in Halifax, left on Thursday for a few days' fishing trip with Milton G. Morgan, at the Morgan Camp.

Miss Lydia Rice, who has spent some months at her home in Bear River, left on Tuesday to return to Boston. Miss Minola Wentzell, who has been the guest of Mrs. Robert Rice, returned on Sunday to her home in New Germany. Vernon Harris, Everett Chalmers and Murray Rice spent the week end at the Harris Camp, at the Lake. Mrs. Keith Cameron, R. N., who has been visiting her sister, Mrs. Cereno Purdy, returned on Saturday to her home in Montreal. Mrs. O. Rife, Mrs. H. E. Harris and Mrs. L. Sanford were visitors to the Annapolis Hospital on Sunday to see Mrs. George Curtis, who is ill. Mr. and Mrs. B. Donald C. Patterson and small son, of Calgary, have returned to Nova Scotia and are taking up residence at Port Williams. Mr. Patterson, who spent several years overseas with the R. C. A. F., will be engaged in business with his uncle, George Chase, and Mrs. Patterson, the former Miss Peg, Milligan daughter of Rev. and Mrs. Frank M. Milligan, of Huntsville, Ontario, spent several of her childhood years in Bear River.

RED CROSS MEETING

A meeting of the Bear River Branch of the Red Cross Society was held in the Masonic kitchen on Monday evening of last week, with the president presiding. Several matters of interest were brought before the meeting. A report from the Membership Campaign committee showed that a total of \$355.65 had been collected. This includes the Deep Brook auxiliary and the Bear River East. Mrs. A. B. Campbell reported that a group of twelve members had visited the D.V.A. hospital at Cornwallis on Friday afternoon, April 25th, the fourth Friday of each month being Bear River's day for visitation. A full report of the annual meeting held recently in Halifax was presented by Mrs. W. M. Romans who attended as delegate. A strong appeal was made for more workers to carry on the sewing and knitting in order to alleviate suffering in the devastated areas. Another interesting feature of the report was the Outport Hospitals and the valued work being carried on there; also a vivid picture was presented of the work carried on at the Port Nursery by the Red Cross Corps and the welcome given to the wives and babies of the service men on their arrival in Canada. A report from Mrs. J. L. Warren, chairman of the Work Committee, showed that since the first of the year the following list of articles have been shipped to Halifax: 1 pair stockings; 2 pairs men's socks; 3 pairs children's socks; 1 pair ankle socks; 5 quilts; 85 diapers; 4 snow suits; 2 crib quilts; 40 nighties; 8 pairs mittens; 1 child's sweater, and 1 baby's bonnet, making a total of 153 articles. It is hoped in the future that each member of the Red Cross will give more time and interest in the post war work, which is so urgent at the present time.

The Women's Missionary Society of the United Church of Canada, Bear River, held its thank offering service this year as an open meeting in the auditorium of the church. Mrs. Walter Lent, at the organ rendered a short program of music, which was very enjoyable and appreciated by those present. Film slides showing episodes from the well-known poem "Evangeline" were then shown, with selections from the poem read very effectively by Mrs. William Morine. Rev. James Brooks, assisted by Kenneth Wamboldt, operated the projector, the pictures being very clearly shown. Mrs. Brooks, president of the W. M. S., was asked to go up to the front of the church. Owing to the fact that Mrs. Geo. Crosscup (for many years the beloved president of the society), was unable to be present on account of failing health, Mrs. A. B. Campbell, on behalf of the members, presented Mrs. Brooks with a Life Membership certificate, together with a cascade bouquet of flowers—the colors of the flowers and ribbon matching the blue and gold of the certificate. This was a token of the high esteem in which Mrs. Brooks is held by all, and a slight appreciation of her splendid leadership. Through the Life Membership her name will always be associated with the Bear River Auxiliary. Though taken completely by surprise, Mrs. Brooks, in her usual charming manner, expressed her thanks for the welcome—but most unexpected—gift. At this meeting the thank offering envelopes were received, all the proceeds going toward the 1946 allocation. The W. M. S. wishes to thank all who attended or helped in any way to make the evening a success.

Miss Harriet Greene spent the week end with her sister, Mrs. Frank Wightman, Smith's Cove.

Retires After Fifty Years In Business

Although A. B. Marshall, Bear River, sold his general store in that town some months ago, he is still active and occasionally drops into his old place of business to greet the new owners. In conversation with Mr. Marshall last week he told us he started work in his father's general store after school hours, on Saturdays and holidays. Graduating from the Bear River school he attended Mt. Allison for a year and a half, but college life did not suit him and he left and went to Kerr's Business College in Saint John, and obtained his diploma. He then entered the employ of John Silver & Co., drygoodsmen, in Halifax, and was there about a year and a half, then went to Boston and entered the employ of Jordan, Marsh & Co., where he remained eleven years, coming home just fifty years ago to open a general store in Bear River, which he so successfully conducted until he sold out to Darres Brothers last autumn. In our talk he expressed his deep gratitude to the people of Bear River for their generous patronage and hopes they will continue the same with his successors.

MUSICAL

The pupils of Oakdene, Bear River, gave a musical programme on Thursday evening last, in the Oakdene Hall, most of which will be given at the Musical Festival at Annapolis Royal today and tomorrow. This work was under the direction of Miss Annie Miller, a graduate of music. A play "A Best Friend Graduates" was put on by the High School.

Bear River Doctor Honored

Dr. A. B. Campbell, of Bear River, secretary-treasurer of the Digby General Hospital Medical Staff Society, who has been on the staff of the Hospital since its beginning, has received notice from the Royal College of Physicians and Surgeons, of Canada, that he has been awarded certification as a Specialist in General Surgery, and is so registered. Such certification is given only after many years of successful service, and in recognition of the same.

WEYMOUTH

A well attended meeting of the United Church Ladies' Aid was held at the home of Mrs. G. W. Blackadar last Thursday.

Freda Gates, who has been visiting her grandmother, Mrs. Ellis, of Port Maitland, has returned to her home in Weymouth Mills.

Mrs. Ted Philpott and infant son, Guy, arrived from Halifax on Sunday and are spending a couple of weeks with her parents, Mr. and Mrs. G. W. Blackadar.

Grace Farquhar, who was called home Friday due to the illness of her mother, has returned to New York. Mrs. Farquhar is critically ill and is a patient in the Digby General Hospital.

Albert Comeau, who runs a clothing store here, left for Montreal last Thursday on a buying trip. He was accompanied by Mrs. Comeau and expects to be away over a week.

Pte. and Mrs. Victor Comeau have rented the apartment over the Killam Hall and expect to take possession in three weeks' time, when Pte. Comeau has received his discharge from the army.

The penny sale held recently in Killam Hall in aid of St. Joseph's parish, netted the sum of \$103.00. John Comeau held the lucky ticket on the five-dollar bill; Mary Lombard won the box of chocolates and Mrs. Jovite Belliveau was the winner of the cake.

Eighty X-Rays were taken at the T.B. clinic held recently at the Goodwin Hotel by the Department of Public Health. Dr. Eagles was in charge of the clinic assisted by health nurse, Miss Tupper, who spent last week here, a guest at the Goodwin Hotel.

Completed work by the Weymouth Red Cross Branch last week included 3 combinations, 4 rompers, 2 night dresses and 5 diapers. Received from Havelock-New Tusket auxiliary 4 large quilts, 3 small quilts, 4 rompers, 4 combinations, 6 sweaters and 1 pair mittens.

The boat purchased from the War Assets Corporation some months ago by the three Moore brothers has been remodelled and is soon to leave for southern waters having been chartered for the banana trade. Going to sea with the vessel are the owners, Capt. "Pat" Moore who will be in command, his two brothers "Tick" and Parker Moore. The boys are the sons of the late Capt. Arthur Moore and Mrs. Moore of Weymouth North. All three have served with the Canadian Navy during the war.

Mrs. Victor MacNeill was hostess at a shower held at her home on Tuesday evening of last week in honor of Dennis Comeau and his Irish bride. The party was well attended and the honored couple, who were completely taken by surprise, received many attractive and useful gifts which were carried into the room in a basket covered by a huge crepe paper daffodil. When the contents of the basket had been unwrapped, other larger gifts were presented, among them being a tri-light floor lamp from boy chums of Mr. Comeau. A dainty and bounteous lunch was served, after which, with sincere wishes for the happiness of the young couple the guests departed.

Weymouth North

Miss Muriel Nicholl, who is employed at the Royal Bank of Canada, in Bear River, is spending part of her vacation in Kingston, visiting friends.

Mr. and Mrs. A. F. Gordon and son, Dr. E. G. Gordon, were recent visitors at the home of Mr. and Mrs. C. C. Nicholl.

Mrs. D. J. MacDonald, of Melvern Square, Annapolis County, was a guest of Mr. and Mrs. N. L. Ruggles, on Friday of last week.

Richard Ruggles, who has been visiting Mr. and Mrs. Robert Ruggles, Bridgewater, returned home on Sunday.

The motor vessel, Lady of Clare, in command of Capt. D. Doucette, arrived in Weymouth North on Wednesday night from the West Indies. After discharging a deckload of molasses they cleared for Westport to discharge salt.

Arthur Titus, who is employed in Bear River, spent the week-end at his home here.

Visitors to Digby on Saturday were: Marion Greek, Barbara Titus and Ronald Titus.

Miss J. Geddey, sewing instructor, visited Weymouth North school on Monday. Miss Blackie and Miss M. Grant, also sewing instructors, visited the school on Tuesday.

The motor boat Zoarces left on Sunday for Meteghan, under command of Capt. L. Moore.

Affiliation ceremony will be held in St. Peter's Hall, tonight at 8:00 o'clock. Parents and friends are invited to attend.

Basket Social

The girls of the Weymouth North School Garment Club sponsored a very successful basket social Thursday evening of last week in St. Peter's Guild Hall. A. S. Elliott was again on hand to auction the gayly decorated baskets. The hall was gayly decorated with daffodils and colored streamers. The sum of \$55.81 was realized, which will be used for prizes for the girls of the Garment Club.

Tea was served by Mrs. H. Walker and Mrs. A. S. Elliott. After the "eats" dancing was enjoyed.

Tugboat 80—the last boat to be built by the LeBlanc Shipbuilding Co. under contract with the Department of National Defence—was launched on the morning tide Wednesday of last week. The tug which has been purchased by a Saint John firm, was christened by Capt. Ronald Russell, of Kentville, recently returned from overseas, and was in command of Capt. Mark Corkum on her voyage to her home port.

DAIRY NOTES

By VanDee

This column of information of vital interest to all, comes to you weekly with the compliments, of Digby Dairy Limited, and is part of its personal service.

In all the controversy in the Senate, in Ottawa City Council and in certain newspaper editorials, demanding that the sale of oleomargarine as a substitute for butter be allowed in Canada, one highly important factor has been entirely lost sight of. Where are the oils and fats necessary to make any appreciable quantity of margarine coming from? Apparently it has been taken for granted that once the sale of margarine was legalized, the necessary fats automatically would become available.

Such is not the case. Only a microscopic quantity of such oils is produced in Canada. The Southern States furnish some cotton seed oils, flax, peanut, soya bean oils, and large quantities normally come from the Southern Pacific Islands and from Asia. Today oils and fats are a world food commodity rigidly controlled by the Combined Food Board and in great demand by all food-short countries.

Canada gets its share of these oils from the world pool. Our share is sold here not as a substitute for butter but as shortening, cooking oils and salad oils, all of which are in short supply in Canada as any housewife will testify. Millions of pounds of such oils and fats are imported and sold in Canada annually, the imports allotted to Canada by the Combined Food Board.

To manufacture oleomargarine in Canada, in any appreciable quantity sufficient to relieve the butter shortage, it would be necessary either to apply to the Combined Food Board for larger quantities of oils, or to make margarine from oils now going into shortening or cooking compounds. In the first instance it would mean asking for oils which other countries need desperately, while to reduce the already short supply of shortening and cooking oils in this country would simply be aggravating one shortage to help another.

Oils to make margarine are a world commodity while our butter shortage is a purely domestic situation.

We simply can't have our oils and fats in two forms at once.

Hugh Dickie was chairman of the Y's Men's Club meeting held at Jersey Farms Hotel on Monday evening. There was no guest speaker and club business took up a good part of the meeting.

Bill Troop, manager for the July 1st celebration, was present for the latter part of the meeting and outlined his plans for that day. He has adopted the slogan "A Rink for Digby", and feels that, with the co-operation of all the civic minded people of Digby, a rink can definitely be had for next winter. This is not an "open air" rink that Mr. Troop has in mind but a regulation size ice surface with a permanent building to house the same, having plenty of room for spectators.

Mr. Troop solicited the support of the members, as individuals and as a Club. After some discussion a motion was passed that the members of the Y's Men's Club, of Digby, would give their full support to such a worthy cause. Pending finalization of plans no definite chores were set for the Y's Men on that day.

It is the nature of a man to do a lot of praying in times of danger, and forget all about it when the danger is passed.

Build today then, strong and sure, With a firm and ample base; And ascending and secure Shall tomorrow find its place. —Longfellow

JUST A LITTLE CHAT

Hello, James J.!

Just want to have a little chat!

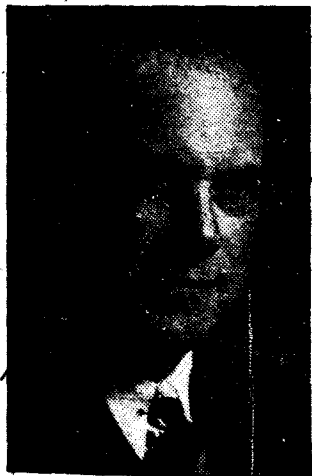

I was born in Digby, you know, and that town has an appeal to me that I cannot resist.

I want to be there and enjoy the beautiful scenery everywhere throughout the town—especially on the hill by the golf links in the afternoon—look at the blue waters of the Basin—see the yachts sailing and the Princess Helene passing through the Strait for Saint John. It is all so beautiful and refreshing. There is no movie corporation can put on a scene like the above. To me it all has a fascination that I cannot explain. Do I enjoy it? Sure!

Daughter Catherine and I are going to try, and see you in July—first in four years. Our absence was caused by war—no gas—no boats.

I will miss the old-timers—those who have departed and are somewhere waiting for our arrival. But I will see the swallow nests on the banks by the shore; the honey-puts in the Joggin where our forefathers used to dig for gold bullion through the night; the shipyards opposite the Myrtle House where great ships were built for foreign trade by Jones & Taylor; the Indian camps in the Racquette where Dan Toney (Indian) used to hold forth; and the spot where Capt. Watt and Joe Tobin used to stand in shirt sleeves, early every morning, with telescopes waiting for the sun to rise in the east and watch the ducks and looks bob up and down with the waves. That spot is

Appointed Director

Appointment of Edwin C. McDonald as Director of The Royal Bank of Canada has been announced. Mr. McDonald is Vice President of the Metropolitan Life Insurance Company in charge of Canadian business, and a prominent member of the insurance fraternity on both sides of the border. He is first Vice President of the Canadian Life Insurance Officers' Association; a member of the Board of Directors of the Canadian Chamber of Commerce and during the war served as a member of the National War Finance Committee.

Following the first world war in which he served as a captain of the United States Marines, Mr. McDonald entered the actuarial side of the insurance business. In 1925 he joined the Metropolitan Life Insurance Company as a salesman of Group Insurance and gained rapid promotion to become in 1930 Assistant Secretary of the Company, and later General Sales Manager of the Group Division for the United States and Canada. He was appointed Vice President of the Metropolitan Life Insurance Company in 1940.

where the Veterans' memorial now stands.

I must be dreaming, James J.—will have to speak of other things.

Suppose Will VanBlarcom could have an anniversary while I am in Digby? No wonder he is so much older than I am. I have never had an anniversary yet. If I can think of a reason while in Digby, I may celebrate.

It is time for Stan. Titus to celebrate something. Years ago we were very close friends—still are. Spending winters in Florida and summers in Digby is a great help to longevity. Stan and I were great friends with R. P. Saunders, who used to have a bakery on Water Street—hot bread, pies, etc.

Suppose Tupper Warne could keep that promise he made to me about six years ago?

After an absence of fifteen years I met Tupper on Water Street one day. He shook my hand and expressed his pleasure at seeing me once again. After exchanging greetings he said: "Now, Tom, if you have any time at your disposal and can wait ten minutes, I will get my car, and we will drive around and see the old land mark. I know you'll enjoy it." I said "yes" before he finished. I hung around for two hours. No Tupper—and I haven't seen him since. If I see him this summer he will have to make good. I hope he has some "cinnamon cakes" with him—and a red bandanna.

Stan. Aymar—Now there is a chap who must be taking life easy in his bungalow on Queen Street South, and, like me, he don't believe in having anniversaries. As he has the honor of being ex-mayor of Digby he may be twirling his thumbs sitting in the old arm chair advising the present mayor and town council how to accomplish their objectives. This may be his hobby. Stan is a wise lad and no doubt enjoyed his ham and eggs Easter morning.

Doug. Daley—I never saw his anniversary announced. I watched that lad grow up—from the back windows of the old *Courier* office on Water Street. I knew he would go places some day. I wished him good luck the day he left Digby for the Klondike. I would like to have been in Digby on April 24th to have heard him give his talk on his experiences while in the Klondike during the gold rush. I will have a short chat with him next July—I hope.

Paul Yates—Last but not least; one of Digby's greatest assets when you speak of summer tourists and the means of entertaining them. The last time I was in Digby Paul invited me to sit in with him on the band stand and listen to a concert by the Digby Civic Band, of which he was the director and heart and soul of the whole organization. It took me back to the year 1886 when I joined the old original Digby Brass Band. At that time we performed in an amateur way; our audience during band concerts, could not distinguish between "Little Annie Rooney" and "I Hate to Get Up in the Morning." The Digby Civic Band, under Paul Yates, played classical music by a band of musicians who seemed to be all semi-profes-

Campaign Against Insects Has Begun

HUNDREDS of kinds of destructive insects which have been dormant for months are becoming active and preparing to attack farm and garden crops, forests, stored products, man and animals. Entomologists, Dominion and Provincial, are now ready with counter measures for control. The Dominion Dept. of Agriculture's National Collection of Insects and its associated library and laboratories has an essential part in the insect control organization. It maintains the bureau of identifications and classification of insects to assist the entomologist, the farmer, the gardener, the forester and the warehouseman.

It Pays to Seed Soon as Land is Ready

EARLY SEEDING MEANS MORE BUSHELS PER ACRE

- Oats.** Early seeded oats give more bushels, heavier oats with less hull. In one test:—
Early seeding, gave 75 bushels, 29.8 per cent hull.
Four weeks later, gave 55 bushels, 33.9 per cent hull.
Five weeks later, gave 45 bushels, 39.7 per cent hull.
- Barley.** Although Barley should not be seeded until soil is reasonably warm, yet an early seeded test gave 71 bushels as compared with 56 bushels, seeded four weeks later.
- Potatoes.** Potatoes planted May 26, turned out 337 bushels.
Potatoes planted June 9, turned out 269 bushels.
Potatoes planted June 24 turned out 187 bushels.
- Roots.** Turnips, early seeded, yielded 1344 bushels. Turnips, late seeded, yielded 724 bushels. Mangels, early seeded, yielded 1320 bushels. Mangels, late seeded, yielded 772 bushels.

NOTE—All yields given are "bushels per acre". It is realized that some seasons are earlier and some later than usual, but the difference in yield between earliest possible seedings and later seedings and plantings is usually very marked in any season.

OBITUARY

Stewart Charles Barteaux

There passed away at the Annapolis Royal General Hospital, on April 30th, Baby Stewart Charles, infant son of Mr. and Mrs. Merrill Barteaux, of Moschelle, leaving besides his parents, two sisters, Zelma and Ruth. Burial in Harris cemetery, at Moschelle, conducted by Rev. L. Wright, pastor of the Annapolis Royal Baptist church.

Mrs. C. F. Delaney

The death occurred at Central Grove, on Sunday evening, April 28, of Almeda J., wife of C. Frank Delaney, aged 83 years. Although an invalid for the past three years her sudden but peaceful demise came as a shock to her family. Mrs. Delaney was the daughter of the late Israel and Naomi Brooks. Her early girlhood was spent in Centrelea, Annapolis County. Later the family moved to Freeport where Mr. Brooks was engaged in ship building. She was

a devoted member of the Central Grove Baptist church and a charter member of the Central Grove Women's Missionary Aid Society, which was organized more than 35 years ago, and she held the office of treasurer since its organization. Mrs. Delaney took a keen interest in all church activities as long as her health permitted. She leaves to mourn their loss, besides her husband, two daughters, Mrs. Burton Shortliffe, Central Grove; Mrs. Dalton Stevens, Port Maitland; and one son, L. B. Delaney, at home. Another son, Alton, predeceased her a number of years ago. She also leaves two grandchildren, Ivan A. Shortliffe, of Shelburne, and Mrs. Charles Bain, of Halifax, and two great grandsons. A sister, Mrs. W. W. Perry, of Mattapan, Mass., also survives. Funeral service was held from her late home on Wednesday afternoon, with the Rev. J. M. Jones, of Freeport, conducting the service. Music was rendered by the Freeport Baptist choir.

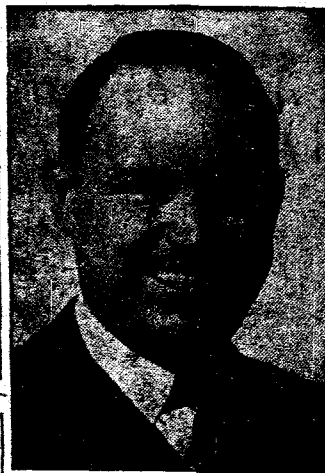

Linda Dianne VanTassel

Linda Dianne VanTassel, daughter of Mr. and Mrs. Eric VanTassel, Mount Pleasant, passed away at the Digby General Hospital, at the age of one year and four months. Surviving are her parents, and brothers, Robert and Rodney. Funeral services took place from her home, Tuesday of last week. Rev. T. W. Hodgson, of Grace United Church, officiating. The pall bearers were her two uncles, Earl VanTassel and Eugene Handspiker.

Mrs. George B. Finigan

Many friends in Digby County will learn with regret of the death of Mrs. George B. Finigan, which occurred at St. Andrews, N. B. on April 20. She was formerly Miss Alice B. Outhouse, and was born in Freeport, a daughter of the late Mr. and Mrs. James Outhouse. She married George B. Finigan, of Freeport, and they took up residence in St. Andrews 35 years ago. She enjoyed the high esteem and affectionate regard of all with whom she came in contact, and took a prominent part in community life in her town. Her husband died three years ago. Surviving are three daughters, Mrs. Guy Sutherland, Halifax; Mrs. Paul Kelsey, Barbarton, Ohio; Miss Hilda, at home; three sons, Blair, New York; Edward, and Joseph, St. Andrews; two sisters, Mrs. C. W. Mallory, St. Andrews, and Mrs. Geo. I. Rockwell, Worcester, Mass. The funeral was held from the Baptist church in St. Andrews, conducted by Rev. W. H. Johnson.

Mrs. Finigan had only been ill a week and her death came as a shock to friends throughout the Maritimes and in the United States. She had recently returned from visiting her daughter in Ohio.

WINS AIR AWARD: Grant W. C. McConachie, general manager of Canadian Pacific Air Lines for western lines, and a pioneer in Far North aviation, who has been awarded the McKee Trophy for 1945, for his outstanding contribution to commercial flying in Canada.

HE has seen his business expand day by day and year by year—and being a keen business executive—has recognized the necessity of employing capable help. In other words he has delegated responsibility to assistants in whom he has complete confidence.

But, unfortunately, he has failed to realize that his personal affairs have grown in importance and complexity with the years. He has less time to devote to them now—just when it is more vital than ever to his family that they should be fully protected against eventualities. Tame Trout at Weymouth

As a follow-up of our story, "Trouting a la Jack Ruggles" we are in receipt of a letter from Marie Mullen of the Weymouth Spring Bottling Company, who writes as follows:

"For the benefit of your readers, I would like to add a little information regarding the article in your paper, 'Trouting a la Jack Ruggles'.

"Now the stream from which this trout was taken is the over-flow of the famous Weymouth flow, and is very small. It is probably not over a quarter mile in length from this Spring to where it reaches the Sissiboo River. Although there have been trout in this brook for years, I don't think they would be either as large or as tame as reported in your paper if it were not for our pond where we feed and play with them the year around. The pond, being spring water, never freezes over.

"Just below the source of the Spring we have dammed off the brook and made a pond, procured a few trout from the fish hatchery at Lake George in Yarmouth County, and stocked the pond. These trout get most of their feed from the brook, but will come to the edge of the pond and follow us around the shore looking for the worms or other food we throw in to them almost every day. I have often sat on the bank of the pond with a fly rod, (with the end of the hook filed off) and watched them take the flies as they were cast over the water. Even if they are not as tasty as they look the trout will come back for more, some of them are very fine specimens and well over nine inches.

"Occasionally one of these trout will get over the dam and find its way down the brook where it is caught by some ardent young angler and I have no doubt that Mr. Ruggles' trout was one of these that strayed away from home and friends.

Pension Fund Campaign Going Well

Enthusiastic support for the campaign to raise \$3,500,000.00, launched by the laymen of the United Church of Canada, to place the Pension Fund for ministers of that Church on a sound financial basis, is evidenced in the reports received by the Provincial Committee from various parts of Nova Scotia.

This support is being shown also throughout Canada, the first reports from Quebec showing over \$800,000.00 of its Million Dollar quota reached in the first week of the drive.

\$185,000.00 is the Nova Scotia quota and with every person naming The United Church of Canada as his or her Church taking a full share, the amount can and will be reached, is the belief of the Provincial Campaign officials.

Farmers Hampered by Wet Weather

Despite the inclement and unreasonable weather that has delayed spring planting in the Digby area fruit trees are well advanced and in many sections cherry trees are in full bloom. Wild cherry and wild pear trees along the country roads are in bloom and present a very pretty picture especially along the roads in the Bear River district and along the Acadia Valley Road.

In the gardens of the town crocuses, daffodils and tulips are in full bloom. Forsythias are out in all their yellow beauty and in some gardens Japanese quince, is beginning to show its scarlet buds. Lilacs are in bud and should shortly be in full bloom.

The white blossoms of wild strawberries may be seen in profusion in almost every field, and lovely purple and white violets are to be found along the brooks and streams.

Continued rain has greatly hampered the gardeners and farmers, and few, if any, crops have been fully planted, but the weather has not seemed to have had any hampering effect on the wild blossoms and growth.

Dramatists Heard at Academy

Mr. Alan Wilkie, C. B. E. and Miss Frediswyde Hunter-Watts, noted English dramatists appeared at the Digby Academy Monday afternoon under the auspices of the Student Council.

In their performance, which was entitled "Dramatic Cameo" Mr. Wilkie and Miss Hunter-Watts gave excerpts from the works of Shakespeare and other classical playwrights.

Little Ladies Receive Diplomas

Seventeen little ladies received diplomas as graduates of the Mothercraft classes conducted during the past few months by Miss Faye Saunders, Victorian Order Nurse for Digby. The closing exercises took place in Trinity Parish hall, where the girls were seated on a platform decorated with shrubbery and spring flowers.

After roll call each girl took her place and made ready for the demonstrations. Visitors moved among the girls and asked questions regarding the work. The demonstrations reflected credit on Miss Saunders' teaching.

Diplomas were presented by Miss Saunders. The demonstrations were as follows:

Lay Bed, Lorna Connell; Bath Adult, Verda Nash; Bath Baby, Doris VanTassel; Write Formula, June VanTassel; Make Formula, Jenny-Lu Wallis; Make Baby Bed, Helen Thomas; Temperature and Pulse Reading, Mary Emma Wilson; Thermometer Drawing, Doris Jefferson; Diets Writing, Isabelle Jefferson; Diets Tray, Helen Watkins; Mustard Bath, Eve Dennison; Mustard Plaster, June Tibert; Steam Tent, Myrna Mullen; Filling Hot Water Bottle, Dorothy Jefferson; Filling Ice Cap, Sally Winchester; Filling Rubber Ring, Barbara Hersey; Constructing Paper Bags, Evangeline VanTassel.

Home and School Officers Elected

Mrs. Charles Smith, Barton, was elected president of the Home and School Association Council at the Community Hall, last Thursday; Mrs. Ethel Banks, of Bear River Road, was re-elected Recording Secretary, and Mrs. Reginald Murley, Acadiaville, Treasurer; Corresponding Secretary is Mrs. Arnold Hersey, Freeport; First Vice-President, Mrs. Benjamin Mahar, Barton, and Second Vice-President, Mrs. Russell Henshaw, Waldec. Members were elected to the Executive from all the districts represented at the meeting.

Past President, J. Vian Andrews, of North Range, presided at the meeting, which was well attended. At the afternoon session F. C. Purdy, principal of the Digby Academy, extended a welcome to the delegates and wished them success in their deliberations. The financial report showed the finances were in a healthy condition. Reports were received from all of the member associations giving a word picture of the work being done by the associations.

At the evening session, Dr. M. V. Marshall, Professor of Education, Acadia University, gave an address on "Parent Education" and conducted a round-table discussion on this subject. Many problems concerning child welfare, parent-teacher matters and home and school relationships were dealt with in this discussion, and was most helpful to all present.

Newspaper Delegates to Stop at Digby

The annual meeting of Canadian Weekly Newspapers Association is to be held in Halifax in September. Tentative plans for the big convention were discussed at the semi-annual meeting of the Nova Scotia Weekly Newspapers Association at Halifax, May 17.

These plans, although not finalized, call for the arrival of the delegates at Digby via the Princess Helene and luncheon at The Pines. Following the luncheon they will probably leave Digby by special train for Halifax, stopping at Annapolis Royal and Grand Pre en route.

The Canadian Weekly Newspapers Association has a membership of over six hundred newspapers. Between two hundred and three hundred delegates are expected to attend the national convention.

Lieut. Peter Humpherson was promoted to H/Q 9th Brigade, a couple of weeks after he arrived in Germany. He met Arvid Franklin and Douglas McKay in Delmanhorst, and says in a recent letter, "I found Doug. at his old job in the composing room of the 'Mable Leaf'. (You will remember he worked at the Courier office. If you are that way, will you pop in and tell them? They may be interested.)—(Thanks, Peter we certainly are interested in hearing about any of our old boys.—Editor Courier).

Plans for Fair Underway

Plans for the July 1st Board of Trade Fair are well underway according to W. L. Troop, Fair Manager. Mr. Troop stated that he is receiving splendid cooperation and feels that the fair should be a great success.

Mrs. Louise Stephan and Mrs. Helen Anthony who directed the Kiwanis Minstrels which were such a tremendous success have agreed to take charge of the Beauty Contest which is to be a feature of the fair, Mr. Troop stated.

It is planned this year to have a bigger and better fair than ever before. Arrangements are being made to have booths fully manned and every variety of game and amusement will be found at the fair, Mr. Troop stated. Meals will be served right on the grounds so it will not be necessary for anyone to leave the field or miss one bit that will be provided.

Weymouth Red Cross Delegate Makes Report

Mrs. Coggins, Weymouth Branch delegate to the annual Provincial Red Cross meeting held recently in Halifax, gave an interesting report on the subject at a meeting of the local branch recently. The treasurer Mrs. Elie Comeau gave the following report on the Red Cross membership drive of which she was chairman:

To the President, Executive and Members of the Weymouth Branch Red Cross Society:

In presenting this report of the 1946 National Appeal of the Canadian Red Cross as conducted in Weymouth and district, special stress is laid on the number of members, as the objective of the campaign was not so much for funds as for a strong active membership to carry on in peace time and for peaceful purposes, the work so ably conducted in time of war. The year 1945 brought the cessation of hostilities but did not bring an end to the need for the work of the Red Cross. It was for this peace time programme that the 1946 campaign was launched. No personal canvass was made; the letters which went forward in the mails, together with the radio and press announcements, were the only channels of the appeal. The response, though not as tremendous as during the years of the crisis of war, is still an excellent one. The results by district, are as follows:

Ashmore Auxiliary—per Mrs. Cecil Prime, Bellevue Cove, 16 members, \$16; per Mrs. E. O. Theriault, 56 members, \$63.00.

Danvers Auxiliary—per Mrs. Elery Lewis, 10 members, \$10.00.

Havelock Auxiliary—per Mrs. Thurston Mullen, 39 members, \$41.50.

Weymouth Falls Auxiliary—per Mrs. Sidney Cromwell, 65 members, \$100.00.

Weymouth—123 members, \$161.40.

Weymouth North, 20 members, \$29.00.

Southville-Riverdale, 15 members, \$17.00.

Concession, 14 members, \$21.00.

Doucetville, 9 members, \$9.00.

I wish to tender sincere thanks to Mr. J. H. Matheson, the 1945 campaign manager, for his well tabulated information, which was of great assistance in the present drive; to the staff of the Royal Bank for willing and helpful service; to the Red Cross members who helped prepare the campaign materials; to the Auxiliaries who undertook this work in their own districts and to all who contributed in any manner to the success of the campaign.

Some of the contributions received were made as thank offerings for benefits received through the medium of the Red Cross during the war years. No more fitting way could be found for an expression of gratitude than by helping this noble organization to carry on its work.

MABEL COMEAU, Treasurer.

Miss Veronica Melanson has accepted a position with Hants Wholesalers (Digby) Limited.

Speaks of Poland and Internment Camp

A most vivid description of life in occupied Poland and in a German internment camp was given to the members of the Home and School Council, at their meeting Thursday night, by Mrs. (Dr.) Kaplin, who, with her husband, is at present at the Military Hospital at Cornwallis.

Mrs. Kaplin, who recently came to Canada after spending two years in a German internment camp told of the terrible sufferings undergone by the Polish people during the years of the German occupation.

She told of being forced to kneel in the street for hours while the German police machine-gunned many of those about her. Hunger and privation caused many deaths she stated, but these deaths were merciful in comparison to those that followed the German torturings and atrocities. Life during the occupation, Mrs. Kaplin stated, was made up of hours and hours of hideous and tormented waiting: waiting for the dread summons of the Gestapo or SS Troopers who often machine-gunned or bayoneted to death in reprisal for some petty offence.

A great many of the details of the occupation especially the cruel hardships and torturings of the Jewish people in Poland were too horrible to relate. Mrs. Kaplin stated. She did, however, tell of some occurrences and happenings that gave her audience an idea of the extent of these atrocities and their terrible results.

After spending some months in hiding in the ghettos of her native town, Mrs. Kaplin was taken with other Polish prisoners to a German internment camp where she spent two years before being put on the exchange list after which she came to New York on the Swedish liner Gripsholm, and thence to her father in Montreal. Mrs. Kaplin stated that the hardships and privations of the internment camp were much less than the terrible sufferings undergone while in occupied Poland. She said it was truly the happiest day of her life when she set sail from Europe and knew that at last she was free.

At the conclusion of her address Mrs. Kaplin voiced an urgent appeal to her audience to do all in their power to send aid to the peoples of Europe. Starvation, lack of clothing and shelter, lack of medical supplies are causing many thousands of deaths each day in Poland and other countries that have been freed, she said. "I know what it was like; I know something of the terrible hardships and sufferings these people have undergone, and I appeal to you on their behalf", she said in closing.

Richard Lynch was guest speaker at Monday night's meeting of the Y's Men's Club. In his address he related some of his experiences while serving with the Canadian navy and told of the sinkings in the St. Lawrence. He told of several encounters with submarines while on convoy duty in the Gulf of St. Lawrence and stated that one of the subs attacked by his ship was later captured by a British destroyer near the Bay of Biscay. The sub's log gave a full account of the St. Lawrence episode and told of the damage received in the encounter.

Election of officers was held at the meeting: Jack Brittain was elected president, with Donald Deming as vice-president; Elton Arnold was elected secretary; Hugh Dickie, treasurer, and Sypher Morrell, bulletin editor.

The matter of the National Clothing Drive was discussed. The Y's Men are sponsoring this campaign and Jack Brittain was appointed chairman to organize the campaign.

Council Favors Erection of Memorial Town Hall

A special meeting of the Town Council was held Friday evening to take care of several matters held over from the regular monthly meeting.

Chief item of business to come before the meeting was the matter of the proposed erection of a new Town Hall to serve as a War Memorial. A request had been received from the Digby Branch of the Canadian Legion that the Town erect this structure as a Memorial to all who served from Digby in World War II. At Friday night's meeting the Council went on record as favoring the erection of the new hall and the Finance Committee was instructed to investigate the matter, look over all possible sites and secure plans and estimates of cost.

It was decided at the meeting

that the Town would take no action with regard to the Wednesday closing By-law proposed by the Retail Merchant's Association. In this matter Mayor Merkel left the chair in order to make the motion that no action be taken. His motion was seconded by Councillor Baxter and, on being put by the Deputy Mayor, passed unanimously.

Another item of business to come before the meeting was the matter of a Civic Welcome Home Party for Digby's veterans. It was decided that, since most of these veterans have now arrived home, the official welcome be held as soon as possible. On motion, the Legion President, F. C. Purdy, was appointed a committee to make arrangements for this affair.

MARRIAGE

Wynn - Franklin

Mrs. Gladys M. Porter, mayor of Kentville, was guest of honor at the first ladies' night to be observed by the Digby Kiwanis Club, since its re-organization in 1945. Mrs. Porter, who was introduced by Mayor James W. Merkel, of Digby, in a brief talk extended an invitation to the Kiwanians and the people of Digby to attend the Apple Blossom Festival at Kentville.

During the course of her remarks she stated she was receiving the best co-operation of the Kentville Town Council and that to date she has not had to restore order with a rolling pin.

The thanks of the club were extended to Mrs. Porter by James J. Wallis, immediate past president.

Upwards of sixty persons sat down to the tables in the gaily decorated dining room of the Myrtle House. The well arranged program was under the direction of William L. Troop. Rev. Dr. T. W. Hodgson proposed the toast to the King. This was followed by a toast to the ladies proposed by Scott Eaton and responded to by Mrs. J. M. Wallis.

One of the highlights of the evening was the presentation of pen and pencil sets to Mrs. Helen Anthony and to Mrs. Louise Stephen, in appreciation of their efforts as directors of the recent Kiwanis Minstrel Show. The presentation on behalf of the Club, was made by Chester Ley. Both Mrs. Anthony and Mrs. Stephen expressed their thanks, and gave assurances they will be glad to help the Kiwanians in future efforts.

Ray Underwood conveyed the thanks of the Club to Miss Ena Robinson, Norman Wright and Bob Taylor for their help and support with the Minstrels.

Hubert M. Warne, president, spoke briefly and told the Club of Mrs. Anthony's offer to entertain a group of children under Kiwanis sponsorship at Camp Arcadia, in Sandy Cove, before the camp closed for the summer season. Robert Taylor also spoke briefly expressing his pleasure in helping the Kiwanians during the recent show.

A delightful piano solo by Mrs. Lillian Nichols, followed by vocal solos by Miss Frances Phillips and Mrs. Frank Hayden, with Mrs. Nichols as accompanist, were enjoyable parts of the evening's entertainment, as was a humorous skit staged under the direction of Ken Beckwith.

HOSPITAL AID RAISES \$40.

Over \$40 was realized on Friday by the Ladies' Hospital Aid through a Perennial Tea at the home of Mrs. L. E. Shafford. The sale of perennial bulbs and shrubs which took place on the veranda was in charge of Mrs. Roy Sypher assisted by Mrs. Elton Arnold, Mrs. L. M. Saunders and Mrs. E. D. Dickie.

Mrs. J. W. Merkel and Mrs. Scott Eaton presided at the tea table which was daintily centred with yellow jonquils and lighted candles. Mrs. Frank Hayden ushered the guests to the dining room. Serving were Mrs. H. M. Warne, Mrs. E. D. Dickie and Mrs. L. M. Saunders. Replenishing were Mrs. H. E. Kirkpatrick and Mrs. Gladys Budrow.

A lovely wedding, which will be of widespread interest, was that of Miss Annie May Franklin, R. N., youngest daughter of Mr. and Mrs. Thomas E. Franklin, Acadiaville, and Harry Elden Wynn, son of Mr. and Mrs. Harry Wynn, of Truro, which was solemnized in the Hill Grove United Baptist church, on Wednesday evening last, Rev. J. Earle DeLong officiating. The church was attractively decorated with masses of jonquils and forget-me-nots, potted plants and ferns. Mrs. Darcy Roope presided at the organ and during the signing of the register Joseph Vincent sang "O Promise Me".

The bride entered the church on the arm of her father, who gave her in marriage. She looked very lovely in her gown of angel white silk jersey with sweetheart neckline, long sleeves and a three-quarter length veil fastened to a girlish cap of lace, her only ornament a gold pendant. She carried a cascade bouquet of red roses. Miss Sandra Franklin, flower girl carried a basket of pink carnations. The bridesmaid, Miss Margie Franklin, sister of the bride, was attired in a floor length gown of gold celanese silk, and carried a bouquet of Tallman roses. The bride's mother wore a street length costume of rose crepe with matching accessories and her corsage was of pink petal carnations.

The groom's mother was dressed in black crepe with aqua trimmings and wore a corsage of white carnations. Keith Wynn, brother of the groom, was the best man. The ushers were Thomas and James Franklin, brothers of the bride.

After the ceremony a reception was held at the home of the bride, which was attended by nearly eighty guests who were present to congratulate the happy couple. The refreshments were in charge of Mrs. Lewis Frude and those helping to serve were girl friends of the bride. Many beautiful gifts testified to the esteem of their many friends. The bride, before her marriage was superintendent of the Digby General Hospital and was the recipient of a shower held at the nurses' home in Digby, at which she received many useful and valuable gifts.

After a short honeymoon spent in touring the province including a trip over the Cabot Trail, the newly married pair will reside in New Germany, where the groom is manager of the York Theatre.

For travelling the bride wore a navy blue suit with matching accessories and a top coat of fawn.

Out of town guests present at the wedding were Mr. and Mrs. A. A. Fielding, Mr. and Mrs. Ronald Fielding, Mr. and Mrs. Harry Wynn, all of Truro, and Mr. and Mrs. William Henshaw, of Bear River.

The Baptist Guild will meet on Tuesday evening with Miss Frances Phillips. The same evening the Baptist Circle will meet with Mrs. M. C. Denton and the Handcraft Group with Mrs. Scott Eaton.

The regular monthly meeting of the Ladies' Hospital Aid will be held at the home of Mrs. Frank Hayden, on Monday afternoon.

CARL REGINALD TIBERT

whose appointment as Assistant Manager of The Bank of Nova Scotia, St. Catherine and St. Alexander Branch, Montreal, has just been announced. A native of Central Grove, N. S., Mr. Tibert first joined The Bank at Freeport N. S. in 1919 and served in various Branches until 1930 when he was appointed Assistant Manager at Charlottetown, P. E. I., and in 1937 was transferred to the St. John's Newfoundland Branch. He was moved in 1940 to Saint John N. B., Eastern Supervisor's office and in 1941 was appointed an inspector. From 1942 to 1945 Mr. Tibert was on military duty.

To Move W.P.T.B. Office

Effective as of June 30th, 1946, the areas now served by the Local Office of the Wartime Prices and Trade Board at Annapolis, namely all of Annapolis County and part of Digby County, will be consolidated under the jurisdiction of the Wolfville and Yarmouth offices of the board respectively. In other words, all of Annapolis County will come under the jurisdiction of Wolfville, whereas Digby County will now come under the jurisdiction of the Yarmouth office.

This is in line with a policy of economy adopted by the board which has completed a number of consolidations in various parts of Canada.

The Board's offices at Wolfville and Yarmouth will be in a position to continue the services previously rendered by the office now being closed.

The closing of the Annapolis office of the W.P.T.B. in no way affects the Local Ration Boards located at Digby and Middleton, as these Local Ration Boards will continue to operate after June 30th.

To Rebuild 8 1-2 Miles Digby Neck Road

Eight and one half miles of Digby Neck Highway—from Digby to the Gulliver's Cove Corner, are to be rebuilt this summer in preparation for paving. This project is part of the programme of the Provincial Department of Highways to prepare 52 miles of highway for paving in 1946.

Other provincial roads to be prepared are in Guysborough County and Cape Breton Island. According to the announcement only 15 miles of new pavement are to be laid this year that will be on Cape Breton Island from Port Hawkesbury to Port Judique.

Fire at Freeport

A fire of unknown origin started in the garage of Dr. A. F. Weir, Freeport, on Tuesday evening last week, and for a time Dr. Weir's residence and other nearby properties were threatened by the blaze.

Volunteer firefighters were successful in extinguishing the fire but not until the doctor's garage suffered considerable damage. There was also some water damage to the interior of the residence.

New Bus for Long Island

Mail driver Lloyd Blackford is now operating a new sixteen passenger bus between Tiverton and Freeport on Long Island.

From all reports, the bus, silver grey in color is a "fine looking job" and is regarded as the best ever placed on the route. We are also advised there is plenty of room for the accommodation of passengers, mail and baggage.

Famous Band Leader to Direct Digby Civic Band

It was announced at last week's meeting of the Digby Civic Band that Laidlaw F. Addison, famous band leader, would take over the direction of the band for the summer months.

Mr. Addison, who is the leader of the Toronto Symphony Band, is one of the best known band leaders in Canada. He is a Past President of the Canadian Bandmaster Association and a Life Member of this organization. He is famed not only as a bandleader but also as a composer and arranger.

The programs of the Toronto Symphony Band which he directs are eagerly listened to by radio fans throughout the Dominion.

Mr. Addison, who is known affectionately to intimates as "Puff" was a close friend of the late Paul Yates and spent a part of last summer as his guest at his summer cottage. While in Digby Mr. Addison directed the Band in one of its concerts and attended several, giving the bandsmen much valuable advice and assistance.

Teeners Have Visitors Night

It was Visitor's Night at Friday night's meeting of the Teeners' Club. Present at the meeting by special invitation were F. C. Purdy and V. G. Cardozo of the Adult Advisory Committee, Mrs. Louise Stephen and W. S. Troop.

The visitors, in short addresses, paid tribute to the fine work the Club is doing and expressed the hope it would continue to even greater success.

W. S. Troop, in calling for assistance from the Teeners in the Board of Trade's July 1st Fair, outlined some of the plans for that fair. These plans, he stated, called for a gala parade, sports, and other events. High spot of the day, he said, would be a beauty contest to pick a "Miss Digby County" who would be specially feted on that day.

Appeal Workers Meet

Anglican Appeal workers met at the Rectory Friday night to finalize plans for the campaign in Trinity Parish. Canvassers were appointed, given their kits and subscriber lists.

The objective for Trinity Parish is \$1,945 to be raised by cash subscription and pledges over a period of three years.

At the services on Sunday special mention was made of the Appeal and the Rector called upon his congregation to respond generously.

Canvassers will shortly be appointed to secure subscriptions from the congregations at Ross- way, Marshalltown, and Sandy Cove.

Surprise Shower

A delightful surprise shower was held in the C. Y. O. rooms on Monday, May 13 for two of its members—Kay LeBlanc and Jerry Connelly—whose marriage takes place in the near future.

As they entered the room, a gaily decorated basket filled with many presents met their eyes. There followed a merry time when the presents were opened and the enclosed cards read by the bride and groom-to-be. Afterwards refreshments were served by several of the C. Y. O. girls.

Monday's meeting of the Digby Kiwanis Club was confined to business matters, chiefly with a discussion on the report of a recent meeting of the Club directors.

Kiwanian Bill Troop, who is managing the Board of Trade July 1st celebration, thanked the Club for their promise of support and stated the 1946 financial objective for the fair was \$4,000. "A Rink for Digby" is this year's slogan and everything will be done to make the rink a reality, said Mr. Troop.

Plans were also considered for Ladies' Night, which will be held on Monday next.

OBITUARY

The infant daughter of Mr. and Mrs. Gordon Cook died on Sunday, May 5th, at the home of Mrs. Murray Alcorn. The funeral was held on Monday afternoon, conducted by Rev. G. D. Brydon.

SET OBJECTIVE FOR FAIR

"Four Thousand Dollars and a Rink for Digby" should be the objective for the Board of Trade's July 1st fair, stated W. L. Troop, fair manager, at a meeting of the Board of Trade held in the town hall Tuesday evening.

Mr. Troop outlined the program for the Fair and stated considerable progress had been made in preparations for the great day. According to Mr. Troop, the day will start off with a gala parade and special events will be put on all through the day. One of these—a beauty contest—is expected to create great interest. This contest will be held to select a "Miss Digby County" who will be specially feted at the Fair and will pick the winner of the new 1946 car which is to be drawn for at that time.

Mr. Troop stated he had contacted the Teeners' Club and the Service Clubs and had received assurances of support from these organizations. A special meeting of all interested in the Fair will be held in the Town Hall tonight to finalize plans, Mr. Troop stated.

MASONIC LODGE INSTALLS OFFICERS

At the last regular communication of King Solomon Lodge, held last week, Past Grand Chaplain, Rev. Dr. T. W. Hodgson, assisted by J. W. Merkel, P.D.D.G.M., installed the following officers:

W. M.—A. R. Pyne.
S. W.—A. S. Rankin.
J. W.—John Russell.
Treas.—J. W. Merkel, P.D.D.G.M.
Sec'y.—J. J. Wallis, P. M.
S. D.—O. W. Irving.
J. D.—C. B. Murley.
S. S.—R. L. Taylor.
J. S.—G. C. Burnham.
Chap.—D. L. Welch.
Mars.—J. W. Christie.
Tyler.—C. W. Letteney.
Organist—Rev. T. W. Hodgson.
A social hour followed the installation.

TO SELECT PRINCESS

A committee was appointed at Tuesday night's meeting of the Board of Trade to select a Princess to represent Digby at the Apple Blossom Festival, to be held in Kentville, May 30th, 31st and June 1st.

Appointed to the committee were Mayor Merkel, President Shatford and the Clergy of the town.

It is understood Digby will be represented in the Grand Parade which is held at the Festival, by several decorated trucks and when a Princess is selected a special decorated car will be provided for her use in the Parade.

Miss K. A. Tobin left yesterday for Saint John to visit Mr. and Mrs. Harry Driscoll.

Several interesting items of news, including an account of a joint Board meeting of the Annapolis circuit of the United church, as well as a quantity of village notes are crowded out this issue. We are looking for more machinery and hope some time to be able to make an increase in the size of the Courier—but machinery is scarce.

Plan for 25th Anniversary of Nursing Service

The Victorian Order of Nurses in its 25th year of nursing service in this town and therefore is making an extra effort in its drive for funds in June, it was revealed at Tuesday's meeting by the convener of the June Drive committee. Miss Saunders' report for April, given at this meeting, showed 107 cases carried and 181 visits made, many being educational visits. Ten hours were spent in

school where 56 treatments were given and 42 consultations held. Vision tests had been completed at the Convent and started at the Public School.

The Nurse had assisted at the chest clinics held at the Digby General Hospital in April. A letter urging V. O. N. members to support the National Clothing collection June 17 to 29, was brought before the Board.

MARRIAGE

Boyce - Baxter

A pretty wedding took place in Trinity church, Digby, on Wednesday, May 8, when Rev. F. B. Gaskill united in marriage Mary Pauline, only daughter of Mr. and Mrs. Digby Baxter, of Digby, and Ross Raymond Boyce, son of Mr. and Mrs. Albert Boyce, of Wellington, Ont.

The bride entered the church to the strains of the Wedding March played by Miss Ena Robinson, church organist, and was given in marriage by her father.

She looked charming in a gown of white satin with lace yoke and long tight sleeves, ending in points over the hands. Her veil was floor length and caught up with white flowers. She carried a bouquet of calla lilies and sweet peas. Her only ornament was a string of pearls.

The bridesmaid was Miss Mabel Boyce, sister of the groom, who was gowned in blue taffeta. The groom was supported by Edward Baxter, brother of the bride. Eugene Comeau and Richard Baxter were ushers.

During the signing of the register Mrs. Fred Cookson sang "O Promise Me".

Following the ceremony a reception was held at the home of Mr. and Mrs. James Baxter. The bride's table was decorated and centred with a three-tier wedding cake. The couple were the recipients of a large number of wedding gifts.

Mr. and Mrs. Boyce left on a short motor trip through the Annapolis Valley, returning on Thursday when they left, via the Princess Helene, for their home. They will reside at 10 Harriet St., Belleville, Ont.

Out-of-town guests were Mrs. Albert Boyce and Miss Luella Boyce, of Ontario; Mr. and Mrs. Roy Murdoch and the Misses Betty and Juanita Murdoch, of Halifax.

Prior to her marriage a shower was given in honor of the bride, at the home of her cousin, Shirley Baxter.

PENSION FUND

DRIVE UNDERWAY

The laymen of the Bear River United church met recently to make plans for the Pension Fund campaign which is being sponsored by the United Church throughout the Dominion. Mr. C. V. Snow, manager of the Royal Bank, was appointed chairman for this district and canvassers have been appointed.

Demand for Quality Furs

RECENT auction sales of top quality Canadian wild and ranch furs sold at record prices. Fur coats for next winter such as the one this attractive model is wearing will cost more than last year. Top grade fox furs of the new types also shown here sold at about the same as 1945 prices.

In preparing fur pelts for market, ranchers and trappers will benefit by the information given in the free booklet "Preparation of Pelts for the Market", issued by Dominion Department of Agriculture.

A. R. Pyne was guest speaker at Monday night's meeting of the Y's Men's Club. Taking as his subject "Hunting and Fishing". Mr. Pyne gave a very interesting and entertaining talk. He told of several of his own experiences while on hunting and fishing trips and explained the art of fly fishing.

At the conclusion of his talk Mr. Pyne gave a demonstration of fly tying and tied two flies, one a dark Montreal and the other a Parmachine Belle, explaining each step in tying as he went along.

Great interest was shown by the members in this demonstration and the finished product was declared by all present to be far superior to those on the commercial market. Mr. Pyne, as he tied the flies, explained the uses of them and listed the different flies to be used at different times during the fishing season.

During the business session of the meeting the Club decided to sponsor the National Clothing Drive for Digby again this year and plans were made for the drive.

Plans for the dance to be sponsored by the Club on May 23rd, to raise funds for the support of the Scout Cubs were also finalized at the meeting.

Charles R. Morton Suffers Accident

Charles R. Morton, well known resident of Centreville, is reported resting comfortably at his home where he has been confined as the result of an accident suffered on the afternoon of May 1st.

Mr. Morton had taken a walk down to the old breakwater and was watching men at work on the new breakwater when he stepped off the end of the old structure, falling some 20 feet to the beach below. The tide was out at the time.

There were no witnesses to the accident. It is thought Mr. Morton lay on the beach for some time before he was able to regain his strength sufficiently to climb the ladder to the top of the wharf.

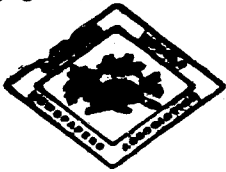

Employees of the Lunenburg Sea Products Company then noticed his plight and Capt. Whynacht drove him to his home. He was generally shaken up and suffered cuts about the face. Several stitches were required to close the wounds.

Mothercraft Class Closing

Two classes of Mothercraft here have been under the instruction of Miss Paye Saunders, Victorian Order Nurse. These classes consist of girls from 10 to 13 years of age, who are learning to be Mother's Helpers in caring for children and sick in the home. Some of the lessons have been Bed Making, Bathing a Baby, Feeding Formulas, Taking Temperatures, Making Poultices and other useful knowledge. These classes had their beginnings in Digby in 1922 and have been carried on at different times by the Victorian Order Nurse ever since. On Monday next eighteen girls will demonstrate what they have learned this year at their closing exercises at the Community Hall.

About This and That

Egoism is nature's anaesthetic to deaden pain of being a fool.

It's curious, but true, that the general run of mankind cherish illusions that there is no line of business that's easier than publishing a newspaper. As a matter of fact, it's one of the hardest. Some people cling to the idea that putting a "piece" in the paper costs nothing, or next to nothing. They overlook the fact that every line that is published represents so much invested capital, so much labor, so much time, so much experience, so much expense. Printing a paper nowadays costs real money. Machinery and maintenance of same costs money. Ink and paper also cost. Setting the type, running the press, making up the forms, doing the hundred and one odd jobs around an office, cost. Getting out a paper, no matter how small, means everlasting vigilance, judgment, discretion, an acquaintance with everybody, mechanical skill and the faculty of smiling when you don't feel that way.

Moving picture actors should not lose sight of the fact they are mere shadows.

Greece who suffered bitterly during the war through no fault of her own, now proposes to get some recompense. She has filed a claim with the Big Four foreign ministers for ten per cent of Bulgaria's territory and 950 square miles of Albania.

It is hard to tell where justice lies in these claims and counter-claims of Balkan states which go back many years before the recent war. But one Greek argument is obviously of doubtful worth. The Greeks maintain that they are threatened by Bulgarian control of vital mountain peaks.

In these days of the atomic bomb, what does a peak or a whole mountain range matter?

It is usually the lesson we learn from hard luck that is labelled "experience".

Ice Cream is being introduced to Yemen in southern Arabia. Yemenite diplomats, arranging for an exchange of Ministers with the United States, had their first taste, and enjoyed it so much that some ice cream mix is being sent to the Sultan.

Thus a long time debt is paid. Icecream, popularly supposed to be invented by Dolly Madison at a White House party, really goes back to the Orient. Apparently it was not so much invented as evolved from drinks cooled by ice or snow, which are said to have been served to Alexander the Great. In the Crusades, Saladin, the chivalrous Mohammedan Ruler sent the leader of the opposing army, King Richard the Lion Hearted of England, sherbets topped with snow while Richard lay sick with fever. How these refreshing drinks survived transportation through the Asia Minor heat is not stated.

Catherine de Medici, 16th Century French Queen, and Charles I of England, are said to have delighted their courtiers with this new dessert. It got into 18th Century cook books long before Dolly Madison. In the 19th Century it's advance was spectacular. The first literary reference is said to be in "Vanity Fair" where Becky Sharp, Thackeray's gold-digging heroine enjoyed it on her honeymoon.

Now it is a universal American delight. The ruler of Yemen should think kindly of the country that has introduced it to him.

The desire of some girls is to make their wealthy boy friends stop, look and loosen.

Digby County's three municipal bodies, the Digby Town Council and the Municipal Councils of Digby and Clare, have heard Miss Marion Gilroy outline the Regional Library Plan. Special committees have been appointed by these councils to make a further study of the matter and report their findings at a later date.

The cost of establishing and maintaining a regional library is set down at 50 cents per capita per annum, one half of that cost to be borne by the town or municipality concerned, the other half by the provincial government. Under this scheme Digby Town's share would be \$550 per year, the provincial government also contributing another \$550 annually. Library quarters would be furnished by the town or donated by interested parties or organizations.

We have talked this scheme over with several persons, and although we have heard no outright opposition to the plan (all seem to think it "a good idea"), there are however those who consider the library as somewhat of a luxury. In their opinions there are other matters of far more pressing nature requiring the expenditure of public funds.

On the other hand there are those who believe the establishment of the Library is a really pressing matter — one that has been neglected these many years — and that no time should be lost in taking advantage of the Regional Library Plan. They regard the library as a legitimate expenditure for educational purposes, an expenditure that will benefit every member of the community.

It must be admitted Digby as a whole suffers from literary malnutrition. We definitely need something to nourish the literary tastes of the children, young people, students and adults — we need some source that will bring to all a well balanced diet of good reading.

On previous occasions this newspaper has pointed out the need of a good library in Digby. Also, on many occasions we have condemned the mass of cheap, trashy literature that clutters up the shelves of our local newsstands — and the minds of our growing children.

While we are aware a regional library will cater to the needs of young and old alike, we sincerely believe that should do no more than guide and develop the tastes of our young people especially those of school age, our towns and municipalities will be well rewarded for their investment.

THE URGE OF SPRING

Signs are pointing everywhere
Telling me it's Spring, I know;
Because it stirs that fishing urge
As it did in the long ago.

An alder stick for fishing rod;
A string, some worms and hook;
I would hie me on a Saturday
To the pool in Dunn's old brook.

Then sit me down upon the bank,
Cast my line and bait;
Curl my toes deep in the moss
And patiently would wait.

And when I felt a gentle tug
Would give him lots of line;
A sudden pull, a hook secure,
And that speckled trout was mine.

A string of trout on an alder
crotch,
I would homeward wend my way:
Wind up with trout for supper—
The end of a perfect day.

What would I give to go once
more
To the pool in Dunn's old brook;
And feel the thrill of dangling
A trout once more on the hook.

But those good old days have vanished,
No more to live again,
But every year, at Spring time,
I'll go back on memory's train.

Gems of Thought

"ABUNDANT LIFE"

The "abundant life" which Jesus desired to bring is to be had by the sincere application of His gospel to life.

—Rev. Benjamin L. DuVal

In this world, it is not what we take up, but what we give up, that makes us rich.

—H. W. Beecher

Paul and John had a clear apprehension that, as mortal man achieves no worldly honors except by sacrifice, so he must gain heavenly riches by forsaking all worldliness.

—Mary Baker Eddy

It is not the fact that a man has riches which keeps him from the kingdom of heaven, but the fact that riches have him.

—Caird

I know indeed that wealth is good; But lowly roof and ample food, With love that hath no doubt, Are more than gold without.

—J. G. Whittier

The good man has absolute good, which, like fire, turns everything to its own nature, so that you cannot do him any harm.

NOVA SCOTIA

*They're Coming Our Way:
Can We Accommodate Them?*

BY every indication Nova Scotia will have a record number of tourists from both sides of the border this summer. Advance bookings of hotel and travel agents show that the six year pent-up flood of vacation demand will soon break loose in all directions—with Nova Scotia getting her full share.

Actually between 500,000 and 600,000 Canadian and American tourists may be expected to enter Nova Scotia during the next few months. Besides, thousands of our fellow Nova Scotians will take their first real vacation in years. The question is: Can we accommodate this great influx of visitors?

How Many Tourist Rooms Can YOU Provide?

You are being asked this question because our hotels and tourist resorts will be greatly overtaxed. Those of you with spare accommodations should therefore come forward to help fill the breach.

Many thousands of dollars will be added to the income of Nova Scotia if the tourist industry can be carried over this first post-war emergency year.

If you can spare a room or more will you kindly notify the Secretary of your nearest Board of Trade so that any local overflow of visitors can be accommodated from their lists. Please do this right away. Nova Scotia must do her best for her visitors.

OVER \$1,780,000 LEVIED IN FINES

Since September 1939, fines and court costs totalling more than \$1,780,000 have been imposed by the courts across Canada for offences against wartime controls, the enforcement administration of the Prices Board announcements.

In addition to these fines, 253 persons have been given jail sentences without the option of a fine and a number of others have served jail terms because of their inability to pay fines levied by the courts. The administration also reports that 15 licences have been taken from manufacturers and retailers who continually refused to operate their businesses in accordance with regulations.

Between September, 1939 and March 1944, 23,416 persons were convicted for various offences against the regulations. Convictions for infractions of Wartime Prices and Trade Board regulations were divided as follows: Prices, 8,435, rentals, 2,350 rationing, 3,115, and others, 1,087.

Acquiring goods without surrendering the proper number of coupons, false statements, counterfeit coupons, etc., accounted for most of the rationing convictions. Miscellaneous convictions included those for irregularities in slaughtering cattle, failure to properly stamp meat, operating without a licence or inadequate records.

There are about 750 persons engaged in tracking down black markets in addition to the clerical staff required to keep records. **CEILING PRICE NEW POTATOES**

Consumer prices for new potatoes will show little change over those existing last year, the Prices Board announces.

The Board announcement notes that present indications point to a large potato crop in the United States and supplies will be available at prices that will permit distribution in Canada under Canadian ceilings until the domestic production is sufficient to take care of requirements.

The retail ceiling price for new

potatoes sold in the Maritimes from May 6 to July 18 will vary from one-quarter to one-half cent per pound higher than last year, depending on transportation costs. **STANDARD CUTS PORK REQUIRED**

Retail ceiling prices were established on stated cuts of fresh, cured, smoked, or cooked pork by an order of the Prices Board which became effective on April 29. This order also requires all retail meat merchants to display a pork price chart.

Previously retailers were only required to limit their mark-up on sales to a percentage of their cost. Under this new order retail merchants will follow a standard method of cutting pork similar to that in effect for beef, veal and lamb.

EXTRA SUGAR FOR CANNING
The first half of the yearly allotment of sugar for home canning is now available to each ration book holder. R.F. Johnson, prices and supply representative for the Prices Board in Nova Scotia, points out in a reminder to householders. This sugar may be purchased by using the sugar-preserves coupons S-8 to S-12, which became valid on May 2.

This year the canning sugar allowance is 10 pounds per person, and the second half of the allotment may be purchased on or after July 4.

Mr. Johnson states that this canning sugar may be bought by using any valid "S" coupons and that five extra "S" coupons were validated on May 2 to make enough sugar available.

The "S" coupons for canning sugar need not be used immediately. Those who do not wish to do home canning may use the extra coupons to buy commercially packed jams, jellies or other preserves, or sugar for other household uses.

New Housing Project Highway Program

Work has started on the foundations for homes in the Nova Scotia Housing Commission's new building project, Belmont Terrace, at Stellarton, according to Dr. S. H. Prince, commission chairman. Twenty-four new homes will be built at an estimated cost of \$84,000. Two new streets will be added to the town.

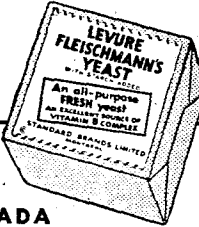

The Department of Highways and Public Works has called for tenders of 15 miles of paving, more than 100 miles of reconstruction preliminary to paving, and the building of a new Strait of Canso ferry as part of the government's 1946 road improvement program.

FINE, SOUND TEETH DEPEND ON FOOD!

THE beauty of a child's teeth depends so much on proper diet. And Carnation Milk is outstandingly useful in a diet planned to maintain healthy teeth. For Carnation, as it pours from the can, contains twice the calcium and phosphorus found in ordinary milk... and many times the "sunshine" vitamin D. As a drinking milk (properly diluted and chilled), used in cooking, or used undiluted on cereals and fruits, Carnation can do a lot for the teeth of your youngsters.

They had as their guests three war brides, Mrs. J. H. Slayter, Mrs. Arthur Isles and Mrs. Reginald Miller. The president on behalf of the Institute, presented each bride with a piece of apple blossom china. Rev. James Brooks was the guest speaker. At the tea hour Mrs. J. L. Warren presided over the tea table and Mrs. H. E. Harris, Mrs. Alan Harris and Miss Muriel Kinney served.

Bear River Road H. and S. Association

The May meeting of the Bear River Road Home and School Association was held in the school house on Thursday evening, May 9, with Mrs. Murray Alcorn presiding in the absence of the president, Mrs. Max Isles.

There was a large attendance. John Harrow, recently discharged from the services, was welcomed back. The Digby County and School Council meeting, being held today, was briefly discussed and several signified their intention of attending. A program prepared by Mrs. Earle Banks, included readings based on "Mother's Day", by Mrs. Banks, Mrs. Arthur Isles, Frances Banks and Angus Sloan. A dialogue, "Mother's Exchange", by Mrs. Ancil Ellis and Miss Jean Sloan, was enjoyed, as was also guitar music by Easterby Sloans, Jr., and a contest. Pie and tea were served with Mesdames Alcorn, Chisholm and Isles supervising the same. The receipts for the evening were \$9.25.

WOMEN'S INSTITUTE

The May meeting of the Bear River Women's Institute was held on Monday afternoon of last week with an attendance of 23, with the president, Mrs. H. E. Harris, in the chair. Following the opening exercises reports were received from the standing committees.

The Institute entertained as their guests, three war brides, Mrs. J. H. Slayter, Mrs. Arthur Isles and Mrs. Reginald Miller who have recently come to Bear River to reside. Rev. James Brooks, B.D., was the guest speaker and gave a very inspiring address to the war brides as well as to members of the Institute.

At the tea hour Mrs. J. L. Warren presided over the tea table, which was centred with daffodils, and Miss Muriel Kinney, Mrs. H. E. Harris and Mrs. Alan Harris served. The president, on behalf of the members, presented a piece of apple blossom china to each of the war brides. They, in return, thanked all for the lovely gifts and for the reception given them.

PRESENT TEMPERANCE PLEA

On Friday afternoon last the Women's Missionary Society of the United Church met at the home of Mrs. W. A. Chute, with the president, Mrs. James Brooks, in the chair. The worship period was conducted by Mrs. William Morine and several members took part. The main feature of the meeting was a playette in which children from the Mission Band, with their leader, Mrs. Brooks, presented a Temperance plea— from the standpoint of health— showing that children who avoid tasting of ale or beer, and who eat good vegetables and drink milk, build healthy bodies. The children taking part were Betty Dares, Jane Lent, William Brooks and Richard and David Bergman.

Mrs. Brooks has been appointed superintendant of the Baby Band of the church and exhibited attractive literature supplied for the work. One new member was welcomed.

Financially the Society is well ahead in the work and while no special activity was planned there will be no slackening of effort for the spiritual welfare of the members and associate members of this vital organization within the church.

The Baptist Circle met on Tuesday with Mrs. Chester Kaulback.

Thomas Gates has opened a general store on Main Street.

The Happy Gang will meet tomorrow evening with Mrs. Titus Dares.

Weldon Stevens, R. C. A. F., Dartmouth, spent the week end at his home.

The Sunbeam Mission Band met on Wednesday afternoon in the church vestry.

Miss Marie Rice spent Sunday with her mother, Mrs. Robt. Rice, in Morganville.

Miss Shirley Baxter, of Digby, spent the week end with Miss Pauline Dukeshire.

Your Weekly

DAIRY NOTES

By VanDee

This column of information of vital interest to all, comes to you weekly with the compliments of Digby Dairy Limited, and is part of its personal service.

For the benefit of Dairy Farmers and in the interests of the industry in general, the Dairy Council has prepared the following "8 Point Program for 1946." We feel that every point is of more than casual value, and we urge every farmer to clip this week's column and keep it where it can be conveniently referred to and studied from time to time.

1—Feed each cow for economic production

Cows differ in their ability to convert a given amount of feed into milk. Therefore, every cow should be fed according to her individual milk producing capacity if she is to produce at her most profitable rate. Good pasture and high quality roughage are the first essentials for efficient milk production by any cow. Since roughage is usually the cheapest feed every cow should get all she can eat. Grain fed according to the individual production requirements of each cow will increase returns.

Many cows are idling along at half capacity because of short rations. No cow can produce at her maximum efficiency without an abundance of good feed, no matter how good her milk producing inheritance may be.

2—Improve Grasslands to Save milk dollars

As a rule pastures are the most neglected acres on the farm. Many so called pastures are merely exercise lots. Good land seeded to suitable pasture grasses and legumes will return as much as if seeded to most other crops and at a great saving in labor, for the cows do the harvesting.

Pastures and meadows respond well to fertilizer and should be kept producing at a maximum capacity, for they furnish the foundation for the most economical ration for dairy cows. Fertilization, reseeding and rotation grazing are some of the practices that improve the efficiency of pastures.

3—Use best methods of curing roughage to retain feed value

Green forage growing on well fertilized land contains the essential nutrients a dairy cow needs for maintenance and for milk. Forage crops should be harvested when they contain greatest feeding values. By proper curing into leafy green hay free from mould, or into palatable silage, most of the original feeding value of the growing crop is retained. Rain on hay always reduces feeding value. A special effort should be made to get hay cured and in the mow or stack with the least loss of leaves and color. Mow hay driers and other improved hay making equipment are proving excellent ways of retaining the most feeding value in the cured hay. The silo may be used to save a crop that can't be cured properly for good hay.

4—Keep production records for better herd management

Only by the use of milk production records of each cow in the herd, together with feed consumption records and analysis of these records, can the dairy farmer manage his herd with maximum efficiency. Such records show the farmer the contribution of each cow in the herd, her level of production, her feed consumption, and her relative efficiency. Culling the low and inefficient producers, proper feeding and sound breeding are possible only with records. Membership in a dairy herd improvement association offers all of these services. Any farmer, however, can have a record system of his own which can be used to improve production efficiency.

5—Breed for improved herd replacements

Dairy farmers with high producing herds will always be in a more favorable position than farmers with low producing herds—whether times are good or bad. A sound breeding program which produces heifer calves that will be better than the cows they replace is the best guarantee for contin-

uous herd improvements. The immediate future of the herd will be influenced by the sire now in use. He should be the best sire obtainable, one whose inheritance enables him to transmit a level of milk production as good at least as that of the best cow in the herd. The extensive use of progeny-tested bulls proved for their ability to transmit high levels of production, or the use of sons of such bulls out of proved female lines, will provide herd replacements with the right kind of milk production inheritance.

6—Produce quality milk and cream for greater returns

The quality of dairy products depends largely on the quality of milk and cream. The task of improving quality must begin on the farm. The fundamental factors affecting quality are cleanliness of cows and equipment, proper cooling, and prompt delivery. The farmer loses by attempting to market low grade milk and cream. The farmer gains by marketing milk and cream with desirable taste and odor, free from sediment, and with low bacterial count. To insure maximum consumption of dairy products, high quality is of utmost importance.

7—Plan lay-outs, equipment, and methods to cut labor costs

Convenient arrangement in lay-out of buildings and lots will decrease labor costs. A change in operation will often save much time and labor. An alley-way or a door in the right place, walkways conveniently located, tools and equipment placed to save steps, all improve efficiency. Proper arrangement of cow stalls and location of hay and bedding

chutes and grain room will pay dividends. Improved equipment and methods are constantly being devised to save time and labor. Don't carry what can be wheeled.

8—Maintain herd health for maximum efficiency

Only a healthy herd is capable of producing at its maximum efficiency. A healthy herd is fundamental to the production of high quality milk. A healthy herd increases returns from breeding operations and scales. Farmers should take advantage of Federal and State programs for the prevention and control of diseases that may affect the herd. Management practices which develop and maintain a healthy herd should be the goal of every farmer.

Returned Men Extended A Welcome

The returned men from the congregation of Grace United Church certainly had a good time last Thursday evening when the members of the Ea-Gi Club entertained them at a chicken dinner in the church hall. There was a large gathering of veterans augmented by several members of the quarterly board of the church who had been invited. Dr. Hodgson on behalf of the ladies, welcomed the party and expressed the hope that they would find a full quota of happiness and peace on their return to civilian life. After the dinner a sing-song, with L. E. Stratford as leader and Mrs. F. K. Hayden at the piano, was heartily enjoyed. The hall was beautifully decorated for the occasion by Norman Wright. Flowers were donated by Raquette Garden.

Heated Discussions Over Digby Neck Ferries

A heated discussion arose at Friday afternoon's session of the Municipal Council when M. S. Leonard, local barrister, appeared with regard to certain remarks made at a previous meeting concerning the operation of the Digby Neck Ferries and the safety of these ferries. (At this meeting, Councillor Kenney of Westport had claimed that a repetition of the Robert Cann threatened if immediate action was not taken.) Mr. Leonard represented Byron Blackford, owner of the Petite Passage operating between Tiverton and East Ferry.

Mr. Leonard pointed out the ferry owned by Mr. Blackford was a new boat built in 1941. Its engines were in good condition, a new one having been installed in 1944. He stated life belts were provided and the scow used for the transportation of cars was designed by John Wickwire, Engineer for the Department of Highways.

Councillor Kenney's remarks concerning the ferries had come as a great surprise, Mr. Leonard stated no complaints regarding the matter had been received by Mr. Blackford. He called upon Councillor Kenney to cite specific instances. Mr. Leonard stated Mr. Blackford was providing the best service possible with the equipment and facilities at his disposal. In over sixty years of service not one single accident had occurred, he stated.

Miss Blackford, daughter of the ferry owner, who also appeared

before the Council, reiterated Mr. Leonard's remarks and stated that, although the ferry was small it was safe. She claimed that it would be impossible to operate a larger ferry with present docking facilities and that engines in the boat were the best obtainable. It was impossible to secure a diesel engine small enough for use in the ferry.

Councillor Kenney claimed that his chief complaint was concerning the Grand Passage ferry operating between Westport and Freeport. Regarding the Blackford ferry he stated the planks at the bow of the scow were badly worn.

He agreed present docking facilities were inadequate and claimed government ownership of the system was necessary. "The government is more to blame than the operators," he said.

Warden Harvey Chisholm stated the situation resolved itself down to the fact present day requirements of the ferry service were far beyond present facilities. "Improvements and increases in the service have not kept pace," he stated.

Blanchard Morell of Freeport, addressing the council, called upon that body to demand government action.

40th Anniversary

Nova Scotia Agricultural College, at Truro, marked its 40th year by graduating a class of 25 young agriculturalists and giving special certificates to six more. A girl, Iva Trenholm, of Grand Pre, was among those receiving diplomas.

Watching Motorists

Royal Canadian Mounted Police have enlarged their highway patrols in Nova Scotia this season. Driving practices and warworn autos will be the No. 1 objects of attention, police say.

"LIFE'S BIGGER MOMENTS"

"I give, devise, and bequeath"

"All right, suppose you were making out your will this very moment. Would your estate—minus taxes, funeral expenses and bills—provide enough to keep your home a going concern? A fellow can't expect his wife to maintain a home and educate his children on a few hundred dollars, his old top hat and favourite shotgun. He has to get some *bulk* to his estate". Yes, it is one of those moments when most men face facts with a bit of a jolt. It's the sort of thing that suggests a quick telephone call for help from the North American Life representative. He's the fellow who can show you how to *guarantee* an income to your wife if you should die tomorrow... or an income for both of you when you want to quit working.

Presbytery of United Church of Canada Meets

Let Canada follow the example of the United States in cutting by 30 per cent the use of grains in the production of beer, in order that grain may be saved for export to the hunger areas of Europe and Asia, was the import of a resolution ordered to be forwarded to Prime Minister King by the Annapolis Presbytery of the United Church of Canada meeting in Bridgetown early this month. Notice was given of three important coming events:

1.—The licensing of Frank Eugene Phinney at a special service in his home church at Melvern Square at an early date to be determined by the executive of the Presbytery. Mr. Phinney will be ordained to the Christian ministry by the Maritime Conference meeting in Sackville, June 11-16.

2.—A Camp for Young People aged 16 and over, to be held at Berwick the last eight days of July under the guidance of Rev. Borden Tupper and Rev. D. C. Boothroyd.

3.—A meeting of all the Elders within the bounds of the Presbytery to be held early in September.

The Presbytery nominated Rev. J. H. Freestone, of Moncton, for the office of President of Conference; President A. E. Kerr, of Dalhousie University for Moderator of the next General Council; Rev. Dr. T. W. Hodgson, of Digby, and G. L. Andrews, of Middleton, as delegates to the General Council.

Approval was granted a call extended to Rev. A. D. MacKinnon by the Waterville-Woodville charge.

Conditional approval was granted a call extended to Rev. S. G. MacQueen by the New Germany charge.

J. J. Wallis, of Digby, who is heading up the Pension Fund Campaign for Annapolis West, reported progress in organizing laymen's committees in the various official boards.

V.O.N. Annual Meeting at Ottawa

More than 756,984 calls to 100,000 cases were made by 451 nurses of the Victorian Order throughout Canada. Miss Smellie told the 48th annual meeting of the board of governors for Canada held in the Chateau Laurier at Ottawa last week.

Visiting, nursing, and teaching in the home is the primary objective of the V.O.N., Miss Smellie emphasized.

Lady Alexander is the new honorary president of the Order and was welcomed at the meeting by Senator Norman M. Paterson, newly elected president.

Miss Jessie Stevenson of New York spoke at the concluding meetings of the Conference. She said, "Extensive studies in orthopaedics to enable nurses to recognize early symptoms of crippling were urged." Miss Stevenson, consultant in orthopaedic nursing to the National Organization of Public Health Nursing in the U.S., described measures which could be taken to prevent crippling.

Bay of Fundy Air Service for Digby Mooted

A Bay of Fundy air service is being anticipated by the Inter-City Airlines Limited, with headquarters in Saint John, according to word received in Yarmouth by the local Board of Trade officials. This service, the communication says, would give two flights per day from Saint John to the island of Grand Manan, Digby and Yarmouth.

It also states the company plans to inaugurate daily or twice daily service connecting Saint John, St. Stephen, Fredericton, Woodstock, Plaster Rock, Edmundston, Campbellton, Bathurst, Newcastle, Chatham and possibly other points.

At the start it is probable that small type equipment such as the Republic Seabee will be used. This plane is said capable of carrying only four passengers but is particularly adapted to the Maritime Province areas as it can land in any reasonable sized cleared land or water area. Air mail and express is hoped to be added on some of the routes.

Power Output Climbs

Despite the end of war manufacturing the production and use of electric power in Nova Scotia continues to climb. Output of generating stations for the first quarter of 1946 totalled 154,700 kilowatt hours, a gain over last year of 5000.

Last Church Point Veteran Returns Home

Church Point's last veteran of World War II to return from overseas, Louis Thibault, was given a surprise party at the home of his parents, Mr. and Mrs. William Thibault, on Tuesday evening of last week, by the Men's Social Club. Thirty-eight members and friends were present and the evening was spent in the telling of many stories of the group with many fine selections on the piano. Card games and singing were also carried on.

A gift of \$45 was presented on behalf of the Club by Rev. O. Hebert, who welcomed Louis home. He stated that a party had been given to each returned soldier of the late war as they arrived from overseas and it was in appreciation of their services in protecting their fellow-men from the ravages of the Hun that the gift was given. Louis was the last of the boys from Church Point who served overseas and it is hoped that he will remain home for a long time.

Veterans of World War I who were in attendance were William S. Amard, who served with the American forces; Willis Flynn and Louis M. Comeau.

Veterans of the Second World War were Arnold Melanson, who served with the United States 9th Army and received wounds in battle; J. Ben LeBlanc, who saw active service in Italy, Holland and Germany; Lt. d'Entremont, Lt. Boucher and Sgt. Maj. Bernard Maillet, of St. Ann's C.O.T.C., and Adolph Thibodeau.

Louis Thibault saw service in Holland and Germany and returned from overseas six weeks ago. He was honorably discharged recently.

All those who enlisted for active service from Church Point and who went overseas, have returned and only two were wounded. These were Arnold Melanson, who lost an eye while fighting in Germany with the United States 9th Army, son of Mr. and Mrs. Vincent Melanson, and Benoit Doucet, who was wounded in the arm and wrist while in Italy. The latter is the son of Mr. and Mrs. Joseph P. Doucet and has a crippled arm.

Church Point has keenly appreciated the sacrifice her boys have made and has given a party and gifts to all those who had enlisted for overseas and who have returned home. It was felt that it was the least that could be done to show their gratitude for keeping Canada free from the ravages of war.

Those present were William St. Amard, Sgt.-Major Bernard Maillet, Lt. Boucher, Lt. d'Entremont, Fidels LeBlanc, Edmond Thibodeau, Ernest F. LeBlanc, Johnnie LeBlanc, Edmond Melanson, V. F. Melanson, A. Melanson, Capt. Charles Burke, Alphonse Dugas, Theodore Dugas, Ulysse Thibault,

OBITUARY

Miss Emma Jeddry

It was with regret that this district learned of the tragic death of Miss Emma Jeddry in an automobile accident at Nicholson, Penn., where she was residing with her sister, Mrs. Alex Neski. A native of St. Mary's, Digby Co., the victim was but 28 years of age and leaves to mourn her four brothers, Nicholas, Albert and William of Cape St. Mary, and Eddie of St. John; three sisters, Mrs. Albany Deveau, (Francina), Mrs. Jerome Doucette, (Regina) of the Cape, and Mrs. Neski, Laura. All except William and Eddie attended the funeral in Nicholson, Penn.

Acaciaville-Hill Grove

Mrs. Darcy Reape and son, John returned on Wednesday from a two week's vacation with friends and relatives in Mass., U.S.A.

Mrs. Stewart Goldsmith has sold her farm in Hill Grove. She and her daughter, Mrs. Clarence Haight and family are occupying rooms in the H.T. Warne apartment building, Acaciaville. Mr. and Mrs. Charles Haight and family, from Tiddville, who purchased the farm moved in last week. We are glad to welcome this new family to our community.

Scot Marshall had the misfortune to fall from a swing while playing at his home one day last week. Scot was knocked unconscious but fortunately no bones were broken.

Mrs. Ben Franklin, who has been confined to her home for several weeks with a heavy cold, is slowly improving.

The monthly meeting of the W.M.S. was held in the Hill Grove Baptist church recently with a good attendance. a very interesting programme was carried out under the leadership of the president Mrs. Harold Marshall, and was in keeping with Mother's Day.

So you like to count? But don't start out to reach a million. It has been estimated that to pronounce each number from one to a million would take twenty-six days, 58 minutes, and 25 seconds—and that with no time for sleep, rest, eating, or even a drink of water.

MARRIAGE

Muise — Culley

A pretty wedding was solemnized at St. Ambrose Church, Yarmouth, May 4, when Antoinette Agnes Muise, daughter of Mr. and Mrs. Nathaniel Muise, Yarmouth, and Constable Peter Joseph Culley R.C.M.P., son of Mr. and Mrs. Thomas Cully, of Edmonton, Alta., were joined in matrimony. The service was conducted by the Rev. William Penny, pastor of Saint Ambrose.

The bride was attended by her sister, Margaret Muise, and the best man was Gerald Connelly of Saint John N. B. The bride, beautifully gowned in white chiffon and flowing veil, carried a large bouquet of roses and carnations, and was given in marriage by her father. A full choir was in attendance at the church and Mrs. V. J. Pottier was soloist.

The bridal couple left immediately after the service to spend ten days in New York. On their return they will take up residence on Forest Street, Constable Culley having been transferred to Yarmouth recently. The wedding was largely attended by relatives and friends. They were the recipients of many lovely gifts.

Constable Culley was stationed at Digby until his transfer to Yarmouth a few weeks ago.

A quiet wedding was solemnized on April 27, at the home of Rev. and Mrs. A. A. Stott, Pleasantville, when their eldest daughter, Eunice Doreen, was joined in marriage to Herbert Murray Geekie, son of Stewart Geekie, Dundee, Scotland. The couple were attended by Edward and Vivian, brother and sister of the bride.

Mr. and Mrs. Geekie will reside in Arnprior, Ontario. The ceremony was performed by the bride's father.

Rev. A. A. Stott was pastor of the Westport Christian Church for several years.

All This Happened 1500 Years Ago

According to Gibbon's glittering account, the Roman Legions crossed the Rhine and entered Germany about 285 A. D. The purpose of the invasion was to bring war home to the blue-eyed tribesmen and teach them by actual experience how frightful war really is. All Germans were to be disarmed in order to render them powerless to start another war.

But the invading armies were soon withdrawn from the country because (as Gibbon significantly observes) the government at Rome decided that it was too costly to maintain an army of occupation indefinitely.

Mr. Gibbon was not writing about anything that happened in 1946. He wrote of something that happened more than 1,600 years ago.

Canadian and United States tourists, mostly fishermen, are on the road early this year. Thirteen U. S. touring parties checked in at the Nova Scotia information bureau at Amherst, the first day it was opened—May 1st.

PATRONAL FESTIVAL OF ST. JOSEPH

On Sunday last the Patronal Festival of St. Joseph church was celebrated with due solemnity. The church was beautifully decorated for the occasion with daffodils and lilies.

High Mass was celebrated at 10:30 o'clock by Rev. Fr. Frecker, pastor. The choir, under the able direction of Mrs. J. D. Rice, organist, sang Concone's Mass, the soloists being Mrs. Victor Comeau and Dr. A. J. Pothier.

In the evening at 7:30 a new statue of St. Joseph, the gift of a generous parishioner, was blessed. The special sermon for the occasion was preached by Father Alphonse Comeau, Yarmouth, who is a native son of the parish. Father Louis LeBlanc, of Plympton, celebrated Solemn Benediction, assisted by Fr. Arcade Theriault, of Belliveau Cove, and Fr. Frecker, as Deacon and Sub-Deacon. Both Fr. LeBlanc and Fr. Theriault have been associated with the parish in former years as assistant priests.

OBITUARY

Charles Andrews

The death occurred at his home in Ashmore, on Friday, May 3rd, of Charles Andrews, a well known and highly respected citizen, son of the late Mr. and Mrs. William Andrews. He was 64 years of age and was born in North Range and lived there for a number of years. He was twice married, his first wife being Miss Gertrude Cook, of North Range. By this marriage he leaves two sons, Benjamin, of Ashmore, and Kenneth, of Halifax. His second wife, the former Daisy Burns, of Ashmore, who survives him; also two daughters, Emma and Myrtle, at home, and five grandchildren; three sisters, Mrs. Jerry VanBuskirk, of Bloomfield; Mrs. William Foster and Mrs. James Height, of North Range. He was a member of the North Range Baptist church. The funeral services were held from the North Range church on May 5th. Lic. Bernard Manzer, officiating.

Affiliation Ceremony Held

An interesting affiliation ceremony was held in St. Peter's Guild Hall, Weymouth North, on Thursday evening, when two groups of Canadian Girls in Training were affiliated with the Women's Missionary Auxiliary of St. Peter's Parish.

During the service, Verna Ruggles, Madeline Elliott and Margaret Grant gave brief outlines of their missionary study "Spotlight on Africa". In the affiliation ceremony, candles were lighted to represent five different phases of missionary work, and the groups presented the W. A. with a gift of money. Miss Simmonds, president of the W. A., presented each C. G. I. T. girl with the Missionary Affiliation Badge as represented in the worship centre poster, and welcomed them into the W. A. Rev. James Brodie, rector of the parish, gave a very challenging talk depicting the various branches of the missionary work in the church, and the wonderful opportunities for the girls to further the cause of Christ through these channels.

The service was concluded with an inspiring worship, led by Charlotte Thurber. Included in the service was an African hymn, "Lalipo", rendered by the girls.

C. G. I. T. Groups Meet

A delightful evening was spent Monday when the two groups of the Weymouth North C.G.I.T. visited the two C.G.I.T. groups recently organized at Weymouth Falls. The evening was spent in games, sing song and folk dances. President Verna Ruggles in the chair. Plans were made for the Digby groups to visit Weymouth North at their next meeting. Five dollars was voted by the four groups for the Anglican Advance Appeal. Several spirituals were rendered by the Weymouth Falls Group. Mrs. K. M. Hankinson gave an interesting talk on the C.G.I.T. uniform. The Worship period was conducted by Madeline Elliott and Margaret Grant of the Weymouth North Groups. Refreshments were served by the hostesses. The meeting closed with "Taps."

The Swedish vessel, Ella, chartered by Geo. McKen & Co., of St. John, is taking on a cargo of lumber at Weymouth North for transport to England.

Radar Expert Joins T.C.A.

C. J. Campbell, M.B.E., formerly Director of Communications Research, Department of Reconstruction, Ottawa, has been appointed assistant superintendent, communications and electronic development, Trans Canada Air Lines, it is announced by W. F. English, vice-president. Mr. Campbell's appointment is in line with the intensification of communications work by T.C.A. in order to keep pace with the rapid expansion of air transportation, and he will be engaged in the application to the field of all-weather flying of radar, electronics, and instruments developed during the war.

During the war, Mr. Campbell was a communications specialist with the R.C.A.F. and while overseas served on operations and took the R.A.F. radar courses. He supervised the installation of R.C.A.F. radar stations in Canada on both coasts and was in the Canal Zone in 1942 on loan to the U.S.A. Signal Corp. Following a period as commanding officer of the Eastern Canada Radar Maintenance Unit, he went to Air Force Headquarters at Ottawa and in 1944 became Director of Signals with the rank of Group Captain. He left the service the following year to accept the government post.

En route to visit friends in Montreal, Mr. and Mrs. Winston Thorpe, Stellarton, were week end visitors of his parents, Rev. and Mrs. Alfred Thorpe. Their small son, Ross, who accompanied them to Weymouth, will remain with his grandparents during his parents' absence.

Fishing in The National Parks

The lakes and streams in Canada's national parks are among their chief scenic attractions. To the angler, these waters provide a special interest—game fish. Many visitors come to the parks mainly because of the prospect of good sport fishing; others combine fishing with some of the many forms of recreation and relaxation which have made the parks such popular national playgrounds.

Some of the parks offer a greater variety of game fish than others. The waters of Banff and Jasper National Parks, in Alberta, contain several species of game trout—rainbow, cutthroat, eastern brook, lake, Dolly Varden and brown trout. Waterton Lakes National Park, also in Alberta, has five species of trout, not including the brown trout. Cutthroat are common in the four national parks in British Columbia—Kootenay, Yoho, Mount Revelstoke and Glacier. Rainbow, lake trout and Dolly Varden are common in the waters of Yoho, while Kootenay Park offers rainbow and Dolly Varden. Dolly Varden is the most common species in Glacier Park, and rainbow in Mount Revelstoke. Jasper and Waterton Lakes provide angling for pike, and all the mountain parks have waters inhabited by the Rocky Mountain whitefish.

In the so-called "Prairie" Parks, Prince Albert in Saskatchewan and Riding Mountain in Manitoba, pike provide one of the chief

sources of sport fishing. Specimens over 15 pounds in weight have been taken from these waters. Prince Albert National Park also provides angling for large lake trout, pickerel, and an introduced species, the small-mouth black bass. Lake trout reach a weight of 35 pounds in the larger lakes. Adult lake trout are being introduced into Clear Lake in Riding Mountain National Park and appear to be adapting themselves to their new home.

Among the game fishes in Eastern Canada are the small-mouth bass and the giant maskinonge. Georgian Bay Islands and St. Lawrence Islands National Parks in Ontario provide fishing for these species. Point Pelee National Park, also in Ontario, offers fishing for pickerel in its ponds, and for pickerel and small-mouth black bass in the adjacent waters of Lake Erie.

In the Maritime national parks, Cape Breton Highlands in Nova Scotia makes an unique contribution to Canadian sport fishing with its Atlantic salmon, eastern brook trout, and in the offshore waters, swordfish. Several of the small lakes and ponds in Prince Edward Island National Park contain brook trout, and deep-sea fishing is available in coastal waters.

The National Parks Administration maintains fish hatcheries for stocking the waters of these parks. Many of the lakes now pro-

ducing the best fishing were originally barren. Recently a highly qualified limnologist was added to the staff of the National Parks Bureau in Ottawa, whose task it is to investigate problems connected with fisheries management in the national parks and to insure scientific conduct of all related activities. With careful research and intelligent management, the waters of Canada's national parks should continue to provide an increasing measure of abundant game fish and good sport fishing.

Church Point Branch Home and School Ass'n.

The Church Point branch of the Home and School Association held its regular monthly meeting at the school early in May with an enthusiastic audience in attendance. The hall was filled to capacity.

The usual routine business affairs was gone through and the financial report showed a balance of \$103.00 on hand. A basket social, held on Tuesday following Easter brought in \$51.00 and a Cellophane supper for four persons, which was won by Miss Marie Dakin on Saturday before Easter, added to the treasury an additional \$27.21.

Guests for the evening were: Miss Laura d'Entremont of Meteghan River, President of the Home and School Association of Clare district; and Raymond LeBlanc, agricultural representative in the same district.

Miss D'Entremont was very pleased with the fine attendance of the Church Point branch and she congratulated the Association's fine contribution towards a better understanding between the teachers and the families of Church Point. She stated that the Church Point branch was noted for being the best run branch in Clare. This was much appreciated as this branch has been organized only since last fall. Miss d'Entremont mentioned the fact she was surprised to see so many men in attendance, this being rather rare in the other branches. More men are needed to be interested in the home and school Associations.

She further outlined the plans for the rally of the Home and School Associations to be held in Meteghan tomorrow. Each branch of Clare will send delegates to this rally. An afternoon session will be held which will comprise reports from the different sections followed by speeches. Supper will be served in the Meteghan hall, and this will be followed by a general meeting commencing at 8 o'clock during which several orators will address the audience.

Raymond LeBlanc was the next guest speaker and he stressed the need of interesting the youths of the county to the working of the land. It is noted, said he, that many of the young folks are moving to the towns and cities and it is these who should be made to see what can be accomplished on the land. To do this, calf clubs, garden, poultry, mechanics and woodworking clubs must be formed and it was his hopes of establishing such clubs during the summer.

He stated that a young man would assist him in this task during the summer months. For the ladies, weaving, sewing and rug-making clubs could be formed.

A feature of the social portion of the meeting was a debate by three small girls and three small boys, using as their topic of discussion: "Are old maids more essential to the community than the old bachelors". The debate was well presented and brought out many chuckles from the audience. Those participating in the debate were the twins, Audette and Claudette Thibeault and little Loraine Comeau with Arthur Stuart, Ernest Melanson and Guy LeBlanc, all six and seven year olds.

A singsong led by Rev. Hebert was enjoyed by all. One of the interesting features of the Church Point branch of the Home and School Association's meeting is

the entertaining portion in which all those present can participate. Another meeting was held last night and a film was shown. This film was shown by a representative of the Home and School Association of the Province and proved instructive to the members. New entertainment was also supplied for this meeting.

From Bad to Verse

Here's a purty pome that's been cluttering up high-school newspapers all over the country. We don't know who wrote it but anyway we'll quote it.

I think I shall never see
A boy that quite appeals to me.
A boy who dosen't always wear
A slab of stickum in his hair.
A boy who tucks his shirt-tails in
And dosen't wear a stupid grin.
But boys are loved by fools like me,
For who on earth would date a tree

There's another version for boys and, surprise, surprise—it's all about girls.

MUST OPEN PRIVATE HOMES TO TOURISTS

Industry Minister Harold Connolly today appealed to Nova Scotians everywhere for help in providing accommodation for summer visitors. Only if the private homes of this province open their doors to tourists can the emergency be met, he said.

Canadian and United States tourists may be expected to enter Nova Scotia in the next few months," the minister said. "In addition thousands of our fellow Nova Scotians will take the road for the first real vacation in many years.

"Many if not all of our summer hotels and tourist resorts are re-opening this season. Some have extended their facilities and a number of new establishments have or will be opened.

"But with an all-time record number of visitors in prospect, this is not enough. We need the help of every home-owner, especially in the leading vacation centres, who has room to spare....

Mr. Connolly re-emphasized previous statements from the Department of Industry and Publicity regarding the requirements of summer visitors. He listed them again as good food, good beds, and adequate sanitary facilities. He said the great majority of tourists did not want elaborate and expensive accommodation but they had a right to expect clean, comfortable surroundings and good wholesome food.

Thousands of dollars would be added to the income of Nova Scotia if the tourist industry could be

carried over this first emergency year—a year which may determine the travel trends of many decades to come. Thousands of Nova Scotian homes had spare accommodation which could help meet this emergency.

The minister said the provincial government through a publicity and advertising campaign will impress on private home owners the need for their help. Boards of Trade and other interested organizations will be asked to co-operate. The campaign will begin immediately.

Mr. Connolly said he was confident the response Nova Scotians gave to appeals from abroad would be given in even greater measure to an appeal on behalf of Nova Scotia's greatest potential industry.

Milford

Miss Marion Gehue recently visited her sister, Mrs. Lloyd Anderson, at Annapolis Royal.

Mr. and Mrs. John Cassidy, of Dover, N.H., are visiting Mrs. Cassidy's sister, Mrs. Waldo Chute.

Mr. and Mrs. W.W. Gehue and family, who have been living in Bear River for the past two years, have returned to their home here. Mr. Gehue is preparing to build a new house.

Mrs. R.H. Longmire has returned from Boston where she spent the Easter vacation with her sister, Mrs. James Otis.

Mrs. George Canning, of West Caledonia, spent the past week with her daughter, Mrs. Kendall Longmire and family.

Mr. and Mrs. Donald Charlton and daughter Shirley spent a few days last week at Port Joli, where they were guests of Mrs. Charlton's mother.

Mrs. Lloyd Anderson and children, Winnifred and David, were week-end guests of Mrs. Anderson's step-father, Frank Gehue.

A number of the Milford House staff have arrived and are preparing the hotel for the coming tourist season. Mrs. R.B. Thomas, proprietress, of Jersey City, will arrive in a few days.

Mrs. A.K. Fancy, who spent the winter at the homes of her sons in Boston, has returned home for the summer.

Mr. and Mrs. Edward Fairn, and son Benny, of Moschelle, spent Sunday with Mrs. Fairn's parents Mr. and Mrs. Bertram Wagstaff.

A Big Industry

In 1939 about 300,000 tourists spent more than \$15,000,000 in Nova Scotia, Industry Minister Harold Connolly said at Lower South River, Antigonish County, where he officially opened a new tourist lodge and cabin colony. With between 500,000 and 600,000 visitors expected this summer the effect of the tourist industry on the provincial economy was something well worth considering.

Why Anglicans must raise \$4,300,000

IN ORDER to strengthen the arm of the Church and enable it to meet the challenge of postwar needs with intensified effort at home and abroad, members of the Church of England in Canada are asked to provide the sum of \$4,300,000.

This money is urgently needed to carry on the Church's educational and social work in Canada.

To meet Diocesan and general synod needs as well as the expenses of organization and administration.

To carry on missionary work at home and abroad, to assist the Mother Church in England and the Churches of Europe in their work of rehabilitation.

To strengthen the pension fund for missionary clergy.

The money will be allotted in the following way:

Pension Fund	\$1,300,000
Missionary Work	1,400,000
Educational Work	100,000
Social Work	55,000
Church in Britain	100,000
Churches in Europe	90,000
General Synod Administration	205,000
Extension of Church House	50,000
Diocesan Needs	800,000
Organization and Administration	200,000

Spiritual re-dedication must bear fruit in self-sacrificing practical endeavour if the Church is to meet its Christian obligations.

Be prepared to lend YOUR support to the limit of your ability when the Visitor calls during the week of May 12th to 19th, or mail your offering to your Diocesan Headquarters.

Tame Trout at Weymouth

A follow-up of our story, "Trouting a la Jack Ruggles" we are in receipt of a letter from Marie Mullen of the Weymouth Spring Bottling Company, who writes as follows:

"For the benefit of your readers, I would like to add a little information regarding the article in your paper, 'Trouting a la Jack Ruggles'."

"Now the stream from which this trout was taken is the overflow of the famous Weymouth Spring, and is very small. It is probably not over a quarter mile in length from this Spring to where it reaches the Sissiboo River. Although there have been trout in this brook for years, I don't think they would be either as large or as tame as reported in your paper if it were not for our pond where we feed and play with them the year around. The pond, being spring water, never freezes over."

"Just below the source of the Spring we have dammed off the brook and made a pond, procured a few trout from the fish hatchery at Lake George in Yarmouth County, and stocked the pond. These trout get most of their feed from the brook, but will come to the edge of the pond and follow us around the shore looking for the worms or other food we throw in to them almost every day. I have often sat on the bank of the pond with a fly rod, (with the end of the hook filed off) and watched them take the flies as they were cast over the water. Even if they are not as tasty as they look the trout will come back for more, some of them are very fine specimens and well over nine inches."

"Occasionally one of these trout will get over the dam and find its way down the brook where it is caught by some ardent young angler and I have no doubt that Mr. Ruggles' trout was one of these that strayed away from home and friends."

Pension Fund Campaign Going Well

Enthusiastic support for the campaign to raise \$3,500,000.00, launched by the laymen of the United Church of Canada, to place the Pension Fund for ministers of that Church on a sound financial basis, is evidenced in the reports received by the Provincial Committee from various parts of Nova Scotia.

This support is being shown also throughout Canada, the first reports from Quebec showing over \$800,000.00 of its Million Dollar quota reached in the first week of the drive.

\$185,000.00 is the Nova Scotia quota and with every person naming The United Church of Canada as his or her Church taking a full share, the amount can and will be reached, is the belief of the Provincial Campaign officials.

Farmers Hampered by Wet Weather

Despite the inclement and unreasonable weather that has delayed spring planting in the Digby area fruit trees are well advanced and in many sections cherry trees are in full bloom. Wild cherry and wild pear trees along the country roads are in bloom and present a very pretty picture especially along the roads in the Bear River district and along the Acadia Valley Road.

In the gardens of the town crocuses, daffodils and tulips are in full bloom. Forsythias are out in all their yellow beauty and in some gardens Japanese quince, is beginning to show its scarlet buds. Lilacs are in bud and should shortly be in full bloom.

The white blossoms of wild strawberries may be seen in profusion in almost every field, and lovely purple and white violets are to be found along the brooks and streams.

Continued rain has greatly hampered the gardeners and farmers, and few, if any, crops have been fully planted, but the weather has not seemed to have had any hampering effect on the wild blossoms and growth.

Dramatists Heard at Academy

Mr. Alan Wilkie, C. B. E. and Miss Frediswyde Hunter-Watts, noted English dramatists appeared at the Digby Academy Monday afternoon under the auspices of the Student Council.

In their performance, which was entitled "Dramatic Cameo" Mr. Wilkie and Miss Hunter-Watts gave excerpts from the works of Shakespeare and other classical playwrights.

Little Ladies Receive Diplomas

Seventeen little ladies received diplomas as graduates of the Mothercraft classes conducted during the past few months by Miss Faye Saunders, Victorian Order Nurse for Digby. The closing exercises took place in Trinity Parish hall, where the girls were seated on a platform decorated with shrubbery and spring flowers.

After roll call each girl took her place and made ready for the demonstrations. Visitors moved among the girls and asked questions regarding the work. The demonstrations reflected credit on Miss Saunders' teaching.

Diplomas were presented by Miss Saunders. The demonstrations were as follows:

Lay Bed, Lorna Connell; Bath Adult, Verda Nash; Bath Baby, Doris VanTassel; Write Formula, June VanTassel; Make Formula, Jenny-Lu Wallis; Make Baby Bed, Helen Thomas; Temperature and Pulse Reading, Mary Emma Wilson; Thermometer Drawing, Doris Jefferson; Diets Writing, Isabelle Jefferson; Diets Tray, Helen Watkins; Mustard Bath, Eve Dennison; Mustard Plaster, June Tibert; Steam Tent, Myrna Mullen; Filling Hot Water Bottle, Dorothy Jefferson; Filling Ice Cap, Sally Winchester; Filling Rubber Ring, Barbara Hersey; Constructing Paper Bags, Evangeline VanTassel.

Home and School Officers Elected

Mrs. Charles Smith, Barton, was elected president of the Home and School Association Council at the Community Hall, last Thursday. Mrs. Ethel Banks, of Bear River Road, was re-elected Recording Secretary, and Mrs. Reginald Murley, Acaciaville, Treasurer. Corresponding Secretary is Mrs. Arnold Hersey, Freeport; First Vice-President, Mrs. Benjamin Mahar, Barton, and Second Vice-President, Mrs. Russell Henshaw, Waldec. Members were elected to the Executive from all the districts represented at the meeting. Past President, J. Vian Andrews, of North Range, presided at the meeting, which was well attended. At the afternoon session F. C. Purdy, principal of the Digby Academy, extended a welcome to the delegates and wished them success in their deliberations. The financial report showed the finances were in a healthy condition. Reports were received from all of the member associations giving a word picture of the work being done by the associations.

At the evening session, Dr. M. V. Marshall, Professor of Education, Acadia University, gave an address on "Parent Education" and conducted a round-table discussion on this subject. Many problems concerning child welfare, parent-teacher matters and home and school relationships were dealt with in this discussion, and was most helpful to all present.

Newspaper Delegates to Stop at Digby

The annual meeting of Canadian Weekly Newspapers Association is to be held in Halifax in September. Tentative plans for the big convention were discussed at the semi-annual meeting of the Nova Scotia Weekly Newspapers Association at Halifax, May 17.

These plans, although not finalized, call for the arrival of the delegates at Digby via the Princess Helene and luncheon at The Pines. Following the luncheon they will probably leave Digby by special train for Halifax, stopping at Annapolis Royal and Grand Pre en route.

The Canadian Weekly Newspapers Association has a membership of over six hundred newspapers. Between two hundred and three hundred delegates are expected to attend the national convention.

Lieut. Peter Humpherson was promoted to H.Q. 9th Brigade, a couple of weeks after he arrived in Germany. He met Avard Franklin and Douglas McKay in Delmanhorst, and says in a recent letter, "I found Doug, at his old job in the composing room of the 'Maple Leaf'. (You will remember he worked at the Courier office. If you are that way, will you pop in and tell them? They may be interested.)—(Thanks, Peter we certainly are interested in hearing about any of our old boys.—Editor Courier).

Plans for Fair Underway

Plans for the July 1st Board of Trade Fair are well underway according to W. L. Troop, Fair Manager. Mr. Troop stated that he is receiving splendid cooperation and feels that the fair should be a great success.

Mrs. Louise Stephan and Mrs. Helen Anthony who directed the Kiwanis Minstrels which were such a tremendous success have agreed to take charge of the Beauty Contest which is to be a feature of the fair, Mr. Troop stated.

It is planned this year to have a bigger and better fair than ever before. Arrangements are being made to have booths fully manned and every variety of game and amusement will be found at the fair, Mr. Troop stated. Meals will be served right on the grounds so it will not be necessary for anyone to leave the field or miss one bit that will be provided.

Weymouth Red Cross Delegate Makes Report

Mrs. Coggins, Weymouth Branch delegate to the annual Provincial Red Cross meeting held recently in Halifax, gave an interesting report on the subject at a meeting of the local branch recently. The treasurer Mrs. Elie Comeau, gave the following report on the Red Cross membership drive of which she was chairman:

To the President, Executive and Members of the Weymouth Branch Red Cross Society:

In presenting this report of the 1946 National Appeal of the Canadian Red Cross as conducted in Weymouth and district, special stress is laid on the number of members, as the objective of the campaign was not so much for funds as for a strong active membership to carry on in peace time and for peaceful purposes, the work so ably conducted in time of war. The year 1945 brought the cessation of hostilities but did not bring an end to the need for the work of the Red Cross. It was for this peace time programme that the 1946 campaign was launched. No personal canvass was made; the letters which went forward in the mails, together with the radio and press announcements, were the only channels of the appeal. The response, though not as tremendous as during the years of the crisis of war, is still an excellent one. The results by district, are as follows:

Ashmore Auxiliary—per Mrs. Cecil Prime, Belliveau Cove, 16 members, \$16; per Mrs. E. O. Theriault, 56 members, \$63.00.

Danvers Auxiliary—per Mrs. Elery Lewis, 10 members, \$10.00.

Havelock Auxiliary—per Mrs. Thurston Mullen, 39 members, \$41.50.

Weymouth Falls Auxiliary—per Mrs. Sidney Cromwell, 65 members, \$100.00.

Weymouth—123 members, \$161.40.

Weymouth North, 20 members, \$29.00.

Southville-Riverdale, 15 members, \$17.00.

Concession, 14 members, \$21.00.

Doucetville, 9 members, \$9.00.

I wish to tender sincere thanks to Mr. J. H. Matheson, the 1945 campaign manager, for his well tabulated information, which was of great assistance in the present drive; to the staff of the Royal Bank for willing and helpful service; to the Red Cross members who helped prepare the campaign materials; to the Auxiliaries who undertook this work in their own districts and to all who contributed in any manner to the success of the campaign.

Some of the contributions received were made as thank offerings for benefits received through the medium of the Red Cross during the war years. No more fitting way could be found for an expression of gratitude than by helping this noble organization to carry on its work.

MABEL COMEAU, Treasurer.

Speaks of Poland and Internment Camp

A most vivid description of life in occupied Poland and in a German internment camp was given to the members of the Home and School Council, at their meeting Thursday night, by Mrs. (Dr.) Kaplin, who, with her husband, is at present at the Military Hospital at Cornwallis.

Mrs. Kaplin, who recently came to Canada after spending two years in a German internment camp told of the terrible sufferings undergone by the Polish people during the years of the German occupation.

She told of being forced to kneel in the street for hours while the German police machine-gunned many of those about her. Hunger and privation caused many deaths she stated, but these deaths were merciful in comparison to those that followed the German torturings and atrocities. Life during the occupation, Mrs. Kaplin stated, was made up of hours and hours of hideous and tormented waiting: waiting for the dread summons of the Gestapo or SS Troopers who often machine-gunned or bayoneted to death in reprisal for some petty offence.

A great many of the details of the occupation especially the cruel hardships and torturings of the Jewish people in Poland were too horrible to relate. Mrs. Kaplin stated. She did, however, tell of some occurrences and happenings that gave her audience an idea of the extent of these atrocities and their terrible results.

After spending some months in hiding in the ghettos of her native town, Mrs. Kaplin was taken with other Polish prisoners to a German internment camp where she spent two years before being put on the exchange list after which she came to New York on the Swedish liner Gripsholm, and thence to her father in Montreal. Mrs. Kaplin stated that the hardships and privations of the internment camp were much less than the terrible sufferings undergone while in occupied Poland. She said it was truly the happiest day of her life when she set sail from Europe and knew that at last she was free.

At the conclusion of her address Mrs. Kaplin voiced an urgent appeal to her audience to do all in their power to send aid to the peoples of Europe. Starvation, lack of clothing and shelter, lack of medical supplies are causing many thousands of deaths each day in Poland and other countries that have been freed, she said. "I know what it was like; I know something of the terrible hardships and sufferings these people have undergone, and I appeal to you on their behalf", she said in closing.

Richard Lynch was guest speaker at Monday night's meeting of the Y's Men's Club. In his address he related some of his experiences while serving with the Canadian navy and told of the sinkings in the St. Lawrence. He told of several encounters with submarines while on convoy duty in the Gulf of St. Lawrence and stated that one of the subs attacked by his ship was later captured by a British destroyer near the Bay of Biscay. The sub's log gave a full account of the St. Lawrence episode and told of the damage received in the encounter.

Election of officers was held at the meeting: Jack Brittain was elected president; with Donald Deming as vice-president; Elton Arnold was elected secretary; Hugh Dickie, treasurer, and Sypher Morrell, bulletin editor.

The matter of the National Clothing Drive was discussed. The Y's Men are sponsoring this campaign and Jack Brittain was appointed chairman to organize the campaign.

Council Favors Erection of Memorial Town Hall

A special meeting of the Town Council was held Friday evening to take care of several matters held over from the regular monthly meeting.

Chief item of business to come before the meeting was the matter of the proposed erection of a new Town Hall to serve as a War Memorial. A request had been received from the Digby Branch of the Canadian Legion that the Town erect this structure as a Memorial to all who served from Digby in World War II. At Friday night's meeting the Council went on record as favoring the erection of the new hall and the Finance Committee was instructed to investigate the matter, look over all possible sites and secure plans and estimates of cost.

It was decided at the meeting

that the Town would take no action with regard to the Wednesday closing By-law proposed by the Retail Merchant's Association.

In this matter Mayor Merkel left the chair in order to make the motion that no action be taken. His motion was seconded by Councillor Baxter and, on being put by the Deputy Mayor, passed unanimously.

Another item of business to come before the meeting was the matter of a Civic Welcome Home Party for Digby's veterans. It was decided that, since most of these veterans have now arrived home, the official welcome be held as soon as possible. On motion, the Legion President, F. C. Purdy, was appointed a committee to make arrangements for this affair.

MARRIAGE

Wynn - Franklin

Mrs. Gladys M. Porter, mayor of Kentville, was guest of honor

at the first ladies' night to be observed by the Digby Kiwanis Club, since its re-organization in 1945. Mrs. Porter, who was introduced by Mayor James W. Merkel, of Digby, in a brief talk extended an invitation to the Kiwanians and the people of Digby to attend the Apple Blossom Festival at Kentville.

During the course of her remarks she stated she was receiving the best co-operation of the Kentville Town Council and that to date she has not had to restore order with a rolling pin.

The thanks of the club were extended to Mrs. Porter by James J. Wallis, immediate past president.

Upwards of sixty persons sat down to the tables in the gaily decorated dining room of the Myrtle House. The well arranged program was under the direction of William L. Troop. Rev. Dr. T. W. Hodgson proposed the toast to the King. This was followed by a toast to the ladies proposed by Scott Eaton and responded to by Mrs. J. M. Wallis.

One of the highlights of the evening was the presentation of pen and pencil sets to Mrs. Helen Anthony and to Mrs. Louise Stephen, in appreciation of their efforts as directors of the recent Kiwanis Minstrel Show. The presentation on behalf of the Club, was made by Chester Ley. Both Mrs. Anthony and Mrs. Stephen expressed their thanks, and gave assurances they will be glad to help the Kiwanians in future efforts.

Ray Underwood conveyed the thanks of the Club to Miss Ena Robinson, Norman Wright and Bob Taylor for their help and support with the Minstrels.

Hubert M. Warne, president, spoke briefly and told the Club of Mrs. Anthony's offer to entertain a group of children under Kiwanis sponsorship at Camp Arcadie, in Sandy Cove, before the camp closed for the summer season. Robert Taylor also spoke briefly expressing his pleasure in helping the Kiwanians during the recent show.

A delightful piano solo by Mrs. Lillian Nichols, followed by vocal solos by Miss Frances Phillips and Mrs. Frank Hayden, with Mrs. Nichols as accompanist, were enjoyable parts of the evening's entertainment, as was a humorous skit staged under the direction of Ken Beckwith.

HOSPITAL AID RAISES \$40.

Over \$40 was realized on Friday by the Ladies' Hospital Aid through a Perennial Tea at the home of Mrs. L. E. Shatford. The sale of perennial bulbs and shrubs which took place on the veranda was in charge of Mrs. Roy Sypher assisted by Mrs. Elton Arnold, Mrs. L. M. Saunders and Mrs. E. D. Dickie.

Mrs. J. W. Merkel and Mrs. Scott Eaton presided at the tea table which was daintily centred with yellow jonquils and lighted candles. Mrs. Frank Hayden ushered the guests to the dining room. Serving were Mrs. H. M. Warne, Mrs. E. D. Dickie and Mrs. L. M. Saunders. Replenishing were Mrs. H. E. Kirkpatrick and Mrs. Gladys Budrow.

The Baptist Guild will meet on Tuesday evening with Miss Frances Phillips. The same evening the Baptist Circle will meet with Mrs. M. C. Denton and the Handcraft Group with Mrs. Scott Eaton.

The regular monthly meeting of the Ladies' Hospital Aid will be held at the home of Mrs. Frank Hayden, on Monday afternoon.

About This and That

Women's hats may have seemed mighty funny this past year. But they're not funny the least bit to the manufacturers. The millinery industry in the United States grossed nearly a hundred million dollars. Women will buy anything in the way of a hat—the crazier the topper the more they'll pay. There's no logic in it, but there is profit—and loss to the family pocket book. Father may groan, but he has to laugh a little, too. No use charging it to clothing allowance. Put it under entertainment and amusement and let it go.

Helping to carry other people's burdens somehow seems to lighten our own.

England's great literary light of the 18th century—Samuel Johnson, of dictionary fame—has been described as a "pessimist with a zest for life." It's a pretty good formula for living in today's troubled, muddled world. Tiresome indeed is the saccharine-tongued, smiling creature who is always looking on the bright side. Nor does anyone enjoy being too long with the person who passively settles down to await bad luck. But admiration goes out to the man who though he may feel the odds are stacked against him and human kind in general, goes right on vigorously trying to make the world a little better within the small sphere he touches. The old time hell fire and damnation preachers had the Samuel Johnson attitude. They believed the sons of Adam were generally lost in sin, but here and there, if they worked hard, they might save a few souls. The present world needs a lot of hard-headed realistic folk "with a zest for life."

Some men never get ahead because they use the one they have for a hat rack exclusively.

There is to be a new kingdom, Trans-Jordan, east of Palestine, and about the size of Maine. It is to start operations as a kingdom on Saturday of this week, with its present ruler, the Emir Ibn Hussein Abdullah, taking the more high-sounding title of king. Heretofore his country has been under British protection; now Great Britain is letting Trans-Jordan go it alone. While the country is mostly desert, it may contain mineral wealth and even oil. As the people are mostly Arabs, Trans-Jordan is a member of the Arab League which is writing a new chapter in the history of the eastern Mediterranean. It is a small state, but does not intend to remain so. It hopes to expand into Iraq, Syria and part of Palestine. These ambitions may bring it into conflict with its Arab neighbors, who would be unfavorably affected by such expansion. While no startling developments are expected yet from this birth of a new state, Trans-Jordan and the neighboring territory are storm-centres which will bear watching.

MADE IN CANADA

PI iNes

IN CANADA there are many appeals deserving of public support.

These appeals have been given the whole-hearted co-operation of the Dominion, and during their campaigns they have purchased considerable advertising space in these publications.

Throughout the year they are constantly seeking free space in the weekly and daily newspapers. They are worthy of support, and as publishers we are glad to do our bit for them. Nevertheless, their publicity program is bogging down and sometimes they must wonder why the newspapers seem to be forsaking them.

The trouble lies with themselves. They have become too prolific in the production of their publicity material.

We have a particular appeal in mind. Almost daily we receive a letter bearing an air mail stamp from their headquarters. Enclosed are from two to six sheets of material they would like to have us print in support of their cause. It would be practically impossible for us or any newspaper—weekly or daily—to handle any but a very small percentage of this material.

The result has been that a majority of these airmail stamped letters find their way unopened and unread, into editors' waste-paper baskets. We believe that should a cheque be enclosed in these envelopes only a small percentage would be cashed because only a small percentage of the envelopes would be opened.

Newspapers cannot spare the space and editors have not the time to boil down this material

to meet their own requirements. Should these organizations take our hint they will confine their publicity to one or two items a month, with none of those items exceeding 300 words. By so doing more of their material will be published and they will receive greater support, and co-operation from the publishers.

Port Wade

Alton Casey has returned from a trip to Halifax.

Mrs. Ernest McGrath spent the week end with her sister, Mrs. K. L. Oliver, at Granville Ferry.

Mr. and Mrs. Hantford Johns and baby are moving from Halifax. We welcome them to the community.

Mrs. Horace Snow is visiting her sister, Mrs. Chalmers Landry, in the United States.

Child Has Narrow Escape from Death

Marjorie Taylor, seven-year-old daughter of Mr. and Mrs. Lloyd Taylor, met with a narrow escape from death Monday evening of last week, when she was struck by a car. She was taken to the Digby General Hospital where it was found she had sustained a broken leg and a cracked knee cap. She is also suffering from severe shock. The other children with whom she was playing, heard the car horn but Marjorie, being a little deaf, did not hear the car approaching.

Brought Home for Burial

The remains of the late Mrs. Mary Connors, formerly of Karsdale, were brought here from the United States on Tuesday, May 14, for burial, accompanied by her daughter, Mrs. Fred Malloy. The committal service was held in the Port Wade cemetery, with Rev. Dr. E. M. Baird, pastor of the United Church, officiating.

For messy jobs!

WHENEVER a messy job looms, that's the time for "Invisible Gloves". You don them by simply applying a protective film of "Protek" cream, one of the handiest products of chemical research.

The ladies like "Protek" too. They put it on before cleaning, painting, polishing; then rinse it and all dirt off quickly with water, when the job is done.

"Protek" is just another instance of the way in which chemistry works seeming wonders, easing so many of our daily burdens with bright new products.

Hands clean in a jiffy!

SERVING CANADIANS **CEL** THROUGH CHEMISTRY

Looking Ahead

with a new rat-killer... poison for poison ivy... santum for hives... and dynamite for ditches.

Rats are smart! They just won't eat anything that tastes as if it might be poison. Now man is going after them with a new chemical called ANTU, so potent that a millionth of a pound can kill a rat, and the rats don't seem to notice the taste.

Now we're set to give Poison Ivy and Poison Oak, so long a scourge to the unwary, a dose of their own medicine! They'll be poisoned with AMMATE, a new and powerful chemical poison that makes them wither up and die. One or two lbs. of AMMATE will clear a patch 100 square feet in area.

Remember **CEL-O-GLASS**... the flexible cellulose-acetate glass substitute which many farmers used before the war, to get egg-producing ultraviolet rays into their hen-houses? Well, it's coming back soon to civilian life, complete with a 5-year performance guarantee. **CEL-O-GLASS** not only brings in sun and keeps out cold. It eliminates breakage costs as well.

Someone might well coin the phrase, "a ditch in time saves nine men's time", or words to that effect, especially since ditching with dynamite has now become a science. Farmers, as well as explosives engineers, are putting explosives to work in this way more and more. And in doing it they save labour, time and expense.

Further information on any of these products is obtainable by writing "Looking Ahead", C-I-L, P.O. Box 10, Montreal, P.Q.

Another Woman Wins Fish Bounty
 Mrs. Charles Thibodeau is one of the very few women in Nova Scotia who has received the Fisherman's bounty. It is believed that only three women received the bounty last year. The two others are at Cape St. Mary's in Digby County and on the South Shore. Mrs. Thibodeau went hand-line fishing with her husband last summer and is preparing for the coming season. She really enjoys fishing and can hold her own with the best. Mr. and Mrs. Thibodeau have bought a bungalow at East Ferry on Digby Neck where they will make their permanent residence in the near future.

 Weekly Letter to Their Customers

Dear Customer:-

The Boss is home and are we glad to see him! He says that in all his travels there is no better place to reside than our own fair town of Digby.

Our China Dept. has just received a few "breakfast sets." These are of a cream background with brightly bordered fruit designs. Just the thing to "perk up" that breakfast work.

We all know how scarce paper shopping bags are these days, so why not come in and see our fine display of Indian made shoppers. Also of the same make are attractive sewing baskets. These come both fitted and plain.

Trophy for Sea Cadets On Display

When the H.M.C.S. "Cornwallis" canteen was closing there was an amount of money granted for a yearly trophy to be presented to Royal Canadian Sea Cadet Corps "Cornwallis", at Digby. Unable to supply trophies on account of war time restrictions, "Cornwallis" left a deposit with Parker's Jewellery Store in Annapolis Royal, to be used for the purchase of this trophy, and while on a recent business trip to Toronto, Mr. Parker was able to procure one. It has since been delivered to F. C. Purdy for delivery to the Corps, and is this week on exhibition in May's Book Shop window. The silver plaque on front of the trophy is engraved as follows:

"Presented to Royal Canadian Sea Cadet Corps 'Cornwallis' by H.M.C.S. Cornwallis 'Canteen' for General Efficiency in Annual Competition."

OBITUARY

Mrs. Lucy O'Brien

There passed away in the Digby General Hospital on Monday after a lengthy illness, Mrs. Lucy O'Brien, aged 71 years. She had come to Digby from Maccan to visit at the home of S. S. Aymar. She was a daughter of Mr. and Mrs. William H. Brown, of Mapleton, Cumberland County, and is survived by one daughter, Jennie (Mrs. Elmer Sterling), in the United States; one sister, Mrs. Laura Lodge, Mapleton; and four brothers, Gilford, Hamilton, Ont.; Levi, Southhampton; Christopher, Athol, and Victor, Mapleton. A number of nephews and nieces also survive. Interment will be this afternoon in Amherst.

Death of Loran Perry

The death of Loran Perry occurred on Monday evening of last week, at the age of 71 years. He had been in failing health for the past two years but had only been confined to his bed for about two weeks. He leaves one daughter, Rena, and a brother, Allen, in Freeport. Funeral took place from the home on Wednesday afternoon, conducted by Rev. J. M. Jones.

Barton

Mrs. Joseph Specht and son, Donald, attended the graduation exercises at the Nova Scotia Agricultural College, Truro, on May 8. Her son, Harold B. Specht, completed his two-year degree course at the College, and is now spending his vacation at home. He will enter the MacDonald College, near Montreal, in October, to complete his studies.

Hubert Tilley, of Halifax, is "baching" in the Hensley house until the rest of the family arrive for the summer.

Mrs. Charles Warner and children, of Truro, have arrived at their cottage for the summer. Mr. Warner, who came with them, has returned to Truro.

Maynard Trevo, of Yarmouth, is a guest at Mr. and Mrs. B. B. Mahar's.

A number of people from Barton attended the Digby County Home and School Council, at Digby, last Thursday afternoon and evening.

Annual Business Meeting Held

The annual Business Meeting of the Hill Grove United Baptist Church was held on Thursday evening, May 16th, Rev. J. Earle DeLong presiding. Reports from the various committees and organizations within the church were read showing progress had been made in all departments during the year. The financial statement was especially gratifying: more than \$1,800 was taken in from all sources, which, after paying all bills, left a comfortable balance on hand with which to start the new year's work. The following officers were re-elected for the coming year:

Pastor—Rev. J. Earle DeLong.

Ministry Deacons—W. W. DeLong, H. T. Warne.

Deacons—D. C. MacKay, Perry Porter, Thomas Franklin.

Trustees—J. W. Murley, W. J. Franklin, Perry Porter.

Organists—Mrs. Darcy Roope, Mrs. T. Franklin.

Superintendent Sunday School—Mrs. J. W. Murley.

Choir—Lloyd MacNeill.

Treasurer—Otis Bell.

Reader—Thomas Franklin.

President W. M. A. S.—Mrs. Harold Marshall.

Words of appreciation were voiced by the pastor regarding the work of the choir during the year, also what had been accomplished by the Social Committee under the leadership of Mrs. Perry Porter, the Building Committee, of which W. J. Franklin is chairman, and the Cemetery Committee for work done in the past year and what is mapped out for the near future.

Your Weekly

**DAIRY
NOTES**

By VanDec
This column of information of vital interest to all, comes to you weekly with the compliments of Digby Dairy Limited and is part of its personal service.

On and after June 1, every consumer of milk in Canada is being called upon to pay two cents more a quart for this most important food. This is NOT an increase by your local dairy. As a matter of fact it is NOT an increase in the true sense of the word. Neither your dairy nor any farmer who produces milk will benefit in the slightest degree.

Think back to December, 1942. Before that you were paying TWO CENTS a quart MORE for milk than the price you have become accustomed to in wartime years. Milk loomed large in the wartime family food budget and to keep the cost of living down the Government decided to subsidize milk sales.

During the past three years the Government has actually paid TWO CENTS on every quart of milk purchased by consumers in Canada. Every cent of this subsidy was passed along to consumers by your dairy, not a fraction was retained for the very considerable amount of work it entailed. There was a flat TWO CENT

price reduction on EVERY quart bottle sold.

Now the government has decided to discontinue the CONSUMERS' MILK SUBSIDY. Your dairy is NOT increasing the price as a result. The increase which you must pay will not mean a cent to either your dairy or to farmers. YOU are being called upon to pay the TWO CENTS instead of the Government paying it for you.

were in attendance and a very agreeable evening was had by all. Singing, card playing and several piano selections by Lt. D'Entremont were greatly appreciated.

Rev. O. Hebert, local parish priest, presented Mr. Thibeault with \$45.00 on behalf of the club in appreciation of his services to his country. Rev. Hebert welcomed Louis home and wished him great success in his future undertakings.

Mr. Thibeault returned from overseas six weeks ago and is the last of the Church Point boys who was left overseas. He received his honorable discharge several weeks ago and will remain with his parents for the summer months.

Publishers of Nova Scotia Weekly Newspapers in session at the Nova Scotian Hotel, Halifax, on Friday of last week, voted unanimously in favor of increasing the advertising rates. The resolution followed a discussion on the recent increase in the cost of newspaper paper and general increases in the cost of newspaper production.

Newsprint prices have been advanced \$9.00 a ton for rolls and \$12.00 a ton for flats. The majority of Nova Scotia weekly newspapers (including the Courier) print on flat papers.

Mr. McTrowell knows his onions!

(A SIMPLE TALE TO SHOW HOW BANK CREDIT WORKS)

THAT first green shoot in the spring is a Big Event in McTrowell's life because he makes his living growing vegetables. And the earlier he gets them to market the higher the price he'll receive.

So in early spring you'll see him hard at it, getting his seeds in. But all the time his onions and other crops are sprouting, no money is coming in, and plenty is going out. In the meantime he needs ready cash for fertilizer, fuel, cold frames and wages for the hired help.

Mr. McTrowell knows the answer to that one too. He borrows the money from the Royal Bank. He has learned that bank credit is a useful "tool" in his business

...just as much as a spade or hoe. He could hardly operate without it.

SERVING AGRICULTURAL ENTERPRISE

Making loans to farmers for the purchase of seed, fertilizer, binder twine, livestock and other purposes has been part of the day-to-day business of this bank since its foundation.

Now, under the Farm Improvement Loans Act, this loaning service to farmers has been extended still further. Farm Improvement Loans can be used to buy tools, implements and equipment; for new construction; for repairs and extensions; for farm electrification—for any purpose designed to improve the farm or better living conditions for the farmer and his family. DIGBY, NOVA SCOTIA, THURSDAY, MAY 30, 1946

VOLUME LXII, NO. 37

MRS. FLORENCE HART

The twenty-fifth year of nursing service by the Digby Branch of the Victorian Order of Nurses will be marked through a special effort to be made during the annual June membership drive, conducted this year under the sponsorship of Mrs. Dorothy Bishop and Mrs. J. M. Wallis.

The committee has named their collectors and mapped out their campaign which will get under way on June 1st and continue for two weeks.

The Digby Branch of the Victorian Order was organized in 1920, but it was not until a year later the first nurse arrived to serve in this area. She was Miss Florence Hart (now of Stratford, Ontario), who arrived here in 1921 and remained in Digby as Victorian Order Nurse until 1923.

Mrs. Hart began work in public schools in 1922; organized the first well baby clinics in July of the same year, and in 1923 instructed the first mothercraft classes to be sponsored by the Digby V. O. N. (A mothercraft class, under direction of Miss Faye Saunders, present V. O. Nurse, graduated 17 girls on May 20 of this year.)

The total number of visits made by the Victorian Order nurse in 1921 was 922, compared with 2,435 in 1945.

Since its organization the Digby Branch of the Order has had but three presidents: the first, H. T. Warne, then mayor of the town, served from 1920 until 1924. He was succeeded by Rev. F. E. Bishop, from 1924 until 1935, and in 1935 Rev. T. W. Hodgson was named and is still serving in that capacity.

Plans for buying a car for the use of the nurse were first considered in 1930, but it was not until this spring that these plans became a reality and the car was purchased.

To Crown Apple Blossom Queen

All that is necessary to make this year's Apple Blossom Festival a complete success is the kind co-operation of the weatherman. The Festival will be held at Kentville May 30 and 31, June 1 and 2.

Festivities begin on the evening of May 31 with a band concert presented at the grounds of Cornwallis Inn. Choral singing will feature this concert. Following the concert Queen Annapolis XIV will be presented to the people from the verandah of the Inn. The annual Apple Blossom Ball will follow in the ball room of the Cornwallis Inn. The name of Queen will be announced at the Ball.

A full program has been arranged for Saturday, beginning with the Maritime Inter-Scholastic Track and Field Meet at Raymond Field, Acadia University, Wolfville. The Third Annual All Breed Dog Show of the Valley Kennel Club will be held in the Kentville Arena during the day.

At 10 o'clock Saturday morning a Doll Carriage Parade will be held on the grounds of Cornwallis Inn. This event has always been a popular feature of the Festival.

The grand Street Parade which will include the Queen, her retinue and the Princesses, will start at 1:20. All Valley towns will be represented in the parade by floats, decorated cars or other ensembles. Digby's Princess, Miss Eleanor Hanson will ride in a beautifully decorated car which has been provided by W. F. Webber. The car will be decorated in Kentville by a group of ladies who will go from here for that purpose.

The high point of the Festival will be the crowning of the Queen on the steps of the Administration Building, Acadia University, Wolfville, Saturday afternoon. This will be preceded by a Band Concert.

Quick Freezing Plant Now in Operation

The cold storage plant of the National Frosted Foods Sales Corporation of New York is now in operation. Packing will be carried on for this concern by the Bellrock Packing Co., Ltd., of Digby, with Henry Meier in charge. Prior to the erection of the Digby plant National Frosted Food Products were packed by Leonard Bros., of North Sydney and the Quebec United Fisheries Co-operative on the Gaspe Peninsula.

The modern Digby plant which may be the first of possible future plants, is on the south east corner of the property known as "the cannon bank" near the C. P. R. wharf and the Admiral Digby Well.

It is housed in a new building, 75 feet long and 30 feet wide and has a holding capacity of 300,000 pounds. There are three large rooms in the main part of the building. The quick freezing room where freezing is done by latest plate freezing methods has a shelf temperature of 35 below zero.

The company plans to operate on a year 'round basis, and at present is employing a staff of 30, with upward to 20 shore fishing boats bringing in fish.

The actual fish processing plant with wharves and packing facilities is located at Little River, on Digby Neck, and is owned by the Bellrock Packing Company with Douglas Raymond of Digby in charge.

W. M. Zarotschenzeff, (known to his friends as Mr. Zee) president of National Frosted Foods, is now in Digby. Both he and his father, M. T. Zarotschenzeff are pioneers in quick freezing, developing this process about the same time as the Birdseye Co. Messrs. Zee have built quick freezing plants in all parts of the world, including one for H. Smithurst, Ltd., Grimsby, England. Norwegian floating factories and French trawlers are also equipped with their quick freezing process.

Their numerous plants in the United States are for the most part designed for the freezing of poultry, fruits and vegetables. Fish supplies are largely procured from outside the United States.

Asked if the local plant would be extended to provide for general cold storage facilities and local lockers, Mr. Zee explained that all depended on local conditions, and expressed the hope friendly co-operation from the public will warrant expansion along those lines. The company has every intention of adding to its Digby plant as conditions warrant, he said.

He advised the press that at the present time most of the fish packed in the Digby plant finds its way to the Middle West, eastern and Pacific coast states.

Erecting Information Booth

Work has commenced in the Government Tourist Information Booth, which is to be located on the grounds of the Myrtle House. It was first decided to build this booth on town land west of the Hospital but this site was discarded when it was found sewerage facilities were not available.

Some criticism has been expressed concerning the present site. It is felt that the Information Booth should be located on the Government pier where it would be immediately accessible to the incoming visitors to Nova Scotia via Digby. The general opinion is, that since this is a provincial venture and not an information booth for the town, it should be located as near the Digby entry point to the province as possible and not at some considerable distance as will now be the case.

Mr. and Mrs. George Small left on Monday for the United States where they will make their home.

Other interesting events are scheduled for the balance of the day.

Sunday's program has been arranged and will bring the activities of the Festival to a fitting conclusion.

Farewell Presentation to Father Murphy

On Sunday evening, following devotions, a farewell presentation was tendered to Rev. Leo Murphy by the parishioners of St. Patrick's Church. An address was read by E. J. Theriault and a purse presented in behalf of the parish by Miss Margaret Purdy, President of the C. Y. O.

Father Murphy is being transferred from Digby, and will go this weekend to Halifax, where he has been appointed pastor of the new St. Stephen's Church which is being erected there.

He has served in this territory for the past fifteen and one half years, twelve of which he resided at Annapolis Royal, being in charge of the district embracing Annapolis, Bridgetown, Bear River and Digby.

In 1941 he built the new St. Patrick's Church at Digby and the following year moved here when he constructed a new rectory. In 1943 he opened the new St. Patrick's Academy and Business College offering regular academic courses to a large number of students.

From 1942 to the close of hostilities he served as a Naval Chaplain and was attached to H. M. C. S. Cornwallis, during which time he continued in residence here and opened St. Patrick's Social Club making possible bowling and other recreational facilities to the people of the district as well as to a large number of service personnel who were stationed here during war years.

In addition to his Church duties Father Murphy has found time to do considerable writing for various magazines and periodicals and is also the author of several books. The Hill of Triumph, The Golden Heritage and Trail's End are well known. Three new books from his pen will be published in the United States this fall — The Cobblestones of Galilee, Silver Glade and The Priesthood (a translation from French of St. John Eudes).

Father Murphy was active in all community affairs and was a member of the Board of Trade, the Kiwanis Club and the Navy League. His successor in Digby will be the Rev. J. Leo Day, at present pastor in Bridgewater.

Four new members were inducted into the Y's Men's Club, at Monday night's meeting, in a very impressive induction service. T. A. M. Kirk, of the Yarmouth Club delivered the induction address and welcomed the new members into Y'sdom. He extended best wishes to the Digby Club from the Yarmouth Y's Men and stated the Yarmouth Club had watched with great interest the rise of the Digby Club.

A quartet, consisting of Elton Arnold, Norman Wright, William Turnbull and Vincent Snow, accompanied by Mrs. Snow at the piano, entertained the gathering with several pleasing selections.

The report of the Dance Committee showed that net returns from the dance would be in the vicinity of \$60 and would be turned over to the Cub Committee to further the work of the Scout Cubs.

Chairman Elton Arnold brought the matter of the Walter Callow Fund to provide help for incapacitated war veterans to the attention of the meeting. A collection among the members resulted in the amount of \$16 being subscribed to this fund.

Douglas Trenholm, Clayton Snow and Bob Marshall were appointed directors to serve with the executive of the Club for the ensuing year. Two other directors will be appointed at the first meeting of the Fall season.

As has been the custom in Digby for years, commencing with the first Sunday in June, the church services in the evening will begin at 7:30 instead of 7:00. Please keep this in mind.

V. O. N. WORKS FOR A HEALTHIER DIGBY

Pictured above see the two mothercraft classes recently graduated by the Digby Branch of the Victorian Order of Nurses. Their instructress, Miss Faye

Saunders, local Victorian Order Nurse, is shown in the central picture standing alongside the car recently purchased by the Digby Branch of the Victorian Order.

The first mothercraft classes to be carried on under the instruction of the V. O. nurse was organized in 1922.

MARRIAGE

Raymond - McDonald

A quiet wedding was solemnized at St. Patrick's church on Thursday, May 23rd, when Mary Agnes, youngest daughter of Mr. and Mrs. A. D. McDonald, of Weyburn, Saskatchewan, was united in marriage to Frank William Raymond, son of Mr. and Mrs. Maurice Raymond, of Digby. The ceremony was performed by Rev. Father Murphy. The bride was becomingly dressed in a pale blue suit with blue hat and blue accessories. Mrs. Mary Wood, R.N., was bridesmaid while the groom was supported by Robert Muise. After the ceremony a reception was held at the groom's home. About fifty friends gathered and offered congratulations to the happy couple. A buffet lunch was served while Mrs. Louise Stephen sang "I Love You Truly". She was accompanied on the piano by her sister, Mrs. Helen Anthony. The young couple left for Yarmouth to spend a few days with the groom's sister, Mrs. James Christie.

Cossaboom - Wagner

A quiet but pretty wedding was solemnized at the home of Mrs. LeRoy Wagner, Riverdale, on Sunday, May 19th, when her daughter, Vivian Odessa, was united in marriage to Herbert D. Cossaboom, son of William F. and the late Mrs. Cossaboom, of Tiverton. Rev. R. M. Johnston officiating. To the strains of Lohengrin's Wedding March, played by Mrs. Gerald Morehouse, the bride entered the room on the arm of her brother, Nevins Wagner, who gave her in marriage. She was dressed in a tailored blue suit with black accessories, and was attended by her sister, Myrtle Wagner. The groom was supported by Keith Outhouse, of Tiverton. Immediately following the ceremony a lunch was served to the immediate relatives of the bride and groom. After returning from a short honeymoon trip the couple were tendered a shower at the bride's home where about seventy-five friends gathered to wish the couple much happiness. They were recipients of many useful gifts. The bride, formerly on the staff of the Digby branch of the Royal Bank, was presented with a Kenwood blanket by the staff. They will make their home in Tiverton.

Morrell - Banks

A quiet wedding was solemnized at the United Church manse, Annapolis Royal, Saturday evening May 18th, when Constance Annie, daughter of Mr. and Mrs. Lorar Banks, of Rossway, became the bride of Earl Boardman Morrell, youngest son of the late Capt. and Mrs. George Morrell, of Digby. The double ring ceremony was performed by Rev. E. M. Baird. The bride, who was given in marriage by her father, wore a two-piece rose wool jersey suit with brown accessories and a matching corsage of pink and white carnations and maiden hair fern. The attendants were Mr. and Mrs. Sypher Morrell. After a short motor trip through the Annapolis Valley and the South Shore they will reside at Chapel Lodge, King Street, Digby.

The Karry-On Club met with Mrs. Guy Morehouse last week. This week's meeting is at the home of Mrs. E. B. Richardson.

Wolf Cub Packs Making Good Progress

Reorganized some three months ago under the auspices of the Y's Men's Club, the Digby Wolf Cubs are making great progress. Meetings are held every Friday evening in the Scout Hall and the attendance has been averaging well over fifty young boys ranging in ages from eight to twelve years.

The group, which is under the leadership of Cub Master Arnold Trask assisted by Earl Turnbull, has been divided into two packs which are subdivided into smaller groups of six members each. Pack leaders are Douglas Daley and John Turnbull. Members of the Y's Men's Club have been assisting at each of the meetings and are teaching the boys knots and flags. Courses will shortly be started in First Aid, Basket Work, and Woodwork.

The Cub movement in Digby is serving a great purpose in providing an outlet for the excess energies of the youngsters and in teaching them worthwhile arts and crafts. The Y's Men's Club sponsored a dance in the Scout Hall last Thursday to assist in raising funds for this worthwhile purpose.

Attention Girls

Plans for the Beauty Contest to be held in conjunction with the Board of Trade's July 1st Fair are progressing favorably. It has been decided that the contest will be open to all girls from Digby County between the ages of fifteen and twenty-one years.

The winner of the contest will receive the title "Miss Digby County" and will also be given a cash prize. She will also be specially entertained on the day of the Fair. An attendant for the winner will also be chosen who will also receive a cash prize and be entertained with Miss Digby County during the afternoon and evening of July 1st.

It is hoped that a large number from all over the county will enter the contest. All entrants are advised to contact Mrs. Helen Anthony or Mrs. Louise Stephen, phone 186-12, Digby. Full information will then be given.

Word has been received that Cpl. George Winfield has arrived in England aboard the Aquitania. George is serving with the Veteran's Guard.

Wins Another Round With Fundy

Seventy-eight year old Sammy Foot of Freeport, veteran of many battles with King Neptune, again came out the victor following a stiff tussle in the Bay of Fundy last week. Sammy was towed into Gulliver's Cove, somewhat the worse for his experience, during Wednesday afternoon, but after a few cups of hot tea, dry clothes, food and rest, was soon himself again.

He left Freeport Tuesday morning in a fourteen foot dory. His muscles and a pair of oars provided the only motive power. He was bound up the shore in search of driftwood for fuel.

Landing in a sheltered cove, he took on his load. In the meantime the tide had dropped, and it was not until late afternoon that he was able to launch his boat again.

Once out in the bay he found himself fighting a losing battle with the heavy wind that came up during the afternoon. It was raining in torrents. In spite of all his efforts the wind continued to carry him farther and farther from home.

By morning the little dory had drifted about thirty miles up the Digby Neck coast. It was well above Gulliver's Head when sighted by John Ross, a Culloden fisherman. Ross took Foot in tow and brought him into Gulliver's Cove.

At Gulliver's Cove the 78 year old seafarer was taken to the home of Byron MacDormand where he was given hot tea, dry clothes, food and rest. He was soon himself again.

Word was sent to Freeport and late in the afternoon a large motor fishing boat from that village arrived at Gulliver's Cove to take Mr. Foot, his dory and his driftwood back home.

Samuel Foot is a well known figure along the Bay of Fundy shore. Up until fifteen years ago he operated a small schooner carrying freight between various Bay ports. His crew usually comprised himself, his wife, his daughters and his son, although he sailed the vessel alone on many a voyage.

The Sandy Cove Auxiliary and Mink Cove friends have forwarded \$50.00 to the Central office of the Red Cross, in Halifax. The amount is the result of collections made during the recent membership drive.

About This and That

Perhaps the worst thing in this country is the child problem—the problem of children whom landlords do not want, and of those who are unwanted even by their parents. It is strange when people look at the problem in a normal way. People used to want children as a matter of course. The heart of the difficulty seems to be not a dislike of children but rather a fear of the difficulties which come with them when the parents, either in war or peace time, find themselves in situations that make it hard to take care of the youngsters. This growing problem seems to require more attention than has yet been given to it. And the children—believe it or not—may be more important than the grown-ups.

A small town is one in which, when a girl goes out with a man old enough to be her father—he is.

Since the collapse of Italy, smuggling into Switzerland has greatly increased. It is carried out by well-organized gangs which transport across the Alpine wilderness rice, raw silk, and other products, which they usually exchange for tobacco. A priest in a Swiss village close to the Italian frontier tells the story of a Swiss trader who used to get from Italy an excellent honey which he sold at a substantial profit to his Swiss customers. When the export of Italian honey was prohibited last year this trader hit upon an idea which proved very successful. He managed to send a message to his Italian purveyor summoning him to the border. There, through the barbed wire, he instructed him to bring his pots of honey and to leave them open at the edge of the forest. He undertook to do the rest himself. While the Italian was doing this, the Swiss trader moved his beehives to the other side of the valley, about a thousand yards from the place where the pots of honey stood. Within three days the bees had brought some 200 pounds of Italian honey into Switzerland.

It is said that the good die young—and we note by health statistics that women outlive men.

It would be interesting to know where Canada's most silent spot can be found. New York, traditionally the city of noise and bustle, claims to possess the quietest spot in the world. Still more surprising, this haven of peace is situated in a corner of Brooklyn Navy Yard. It is a building so sound-proof that a person standing within its walls can clearly hear the beating of his own heart. The structure, 18 feet by 30 feet, is mounted on deep rubber columns, and its walls are lined with thin layers of spun-glass, fibre and other sound-resisting materials. The interior of the chamber provides a zero-silence against which the effectiveness of sensitive radio-communications equipment may be scientifically measured.

The poor come in two classes—deserving poor, and those who deserve to be poor.

United States Ambassador Atherton's tribute to the work of the Victorian Order of Nurses, spoken at the annual meeting of the National Board at Ottawa, was something to which all of us can subscribe. For of all the institutions in this country performing works of mercy, none ranks higher than the Victorian Order. Indeed in a day when it is sometimes hard to keep faith in man's goodness, and certainly in his wisdom, the work of the Victorian Order comes as a challenge to our cynicism, to tell us that idealism still walks in our world. What other answer is there to a group of women who, without thought of gain, perform throughout this land their daily mission of healing in homes where abide sickness and sorrow?

There are those who deride idealism, who are all for "realism", for the "hard, practical way". Yet, as Mr. Atherton pointed out with a deeper truth, the tens of thousands who have had stretched out to them the helping hand of the Victorian Order, the tens of thousands who—must know that if healing is to come to our world it must come from that goodness and idealism which, often derided, remain eternally the strength and stay of life.

Mr. Atherton, in a fine passage, offered the ideals of the Victorian Order to a hate-divided world. In a preachment which today may seem drowned out by the clatter of violence, yet deep in the hearts of peoples must be knowledge of its truth—a glowing awareness that only by ideals of service and charity can our world be saved.—Ottawa Journal.

PRINCEDALE CHURCH

REOPENED

After being completely redecorated both inside and out the Princedale Baptist Church which is both church and meeting hall was reopened with special services on Sunday May 19.

Afternoon and Evening services were held. At the afternoon Bear River East presented a delightful solo. Special music and singing by united choirs featured both services. Mrs. C. S. Young presided at the organ. Rev. C. S. Young, pastor of the church, delivered stirring sermons at both services, which were attended by capacity crowds.

The exterior painting of the church was done through a legacy left by the late Truman Wright of Boston. Interior decorations were through the efforts of the B. Y. P. U. assisted by older members of the congregation.

The church, which is now completely free of debt, presents a very pleasing appearance both inside and out and is a credit to all concerned.

National Film Board Products Useful

"Fashions by Canada", a National Film Board production, points to the fact that Canada has a fashion industry of its own, which can compare favorably with that of other countries.

The Graphics Gallery of the National Film Board has received a large shipment of interesting material from the United Kingdom demonstrating the full range of graphic material used there in production and other wartime campaigns.

In Canada active use is being made of scientific films by the Engineering Institute of Canada, the Chemical Institute of Canada and the Canadian Institute of Mining and Metallurgy.

Several government departments in Australia have placed orders for large quantities of National Film Board films.

The National Film Board is at present preparing a utilization kit containing material on housing, to be used in conjunction with a nation-wide educational program on housing.

The Grand Old Recipes

made more delicious with Carnation Milk

YOUR cream soups and sauces... desserts and creamy entrees—take on an entirely new and luxurious character when you make them with double-rich Carnation Milk. They're smoother, richer, finer in flavor. It's easy to use Carnation—if the recipe calls for milk, use half Carnation, half water; if cream is called for use Carnation undiluted as it pours from the can.

Carnation is just pure, whole, cows' milk, evaporated to double richness by removing part of the natural water, homogenized for smoothness, sterilized for absolute safety.

Miss Ena Robinson was a visitor to Wolfville last week.

Chester Levy motored to Halifax last Wednesday.

Mr. and Mrs. O. Wright left on Monday on a business trip to Montreal.

Mrs. Bruce Baxter, who has been visiting in Halifax, returned home last week.

Rev. and Mrs. C. S. Young, Clementsvale, were visitors in town Monday.

Mrs. M. A. Condon of Kentville is spending a few days at her summer home in Deep Brook.

Harry R. Budd and "Buddy" Hutchings, of Digby Neck, were visitors in Halifax last week.

Mr. and Mrs. W. C. Hiltz and Miss Ethel Roscoe of Kentville were visitors in town last week.

Walter Hutchings, of Digby Neck, went to Camp Hill Hospital in Halifax last week for a "check-up".

Mr. and Mrs. George McConnell, of Saint John, spent the week end with their daughter, Mrs. Glen Conrad.

Mr. and Mrs. Henry W. Ford of Stockbridge, Massachusetts have opened their home at Smith's Cove for the summer.

Mrs. F. J. Phalen, Halifax, and Miss Helen Ree, of Rockingham, were week end guests of Dr. and Mrs. F. E. Rice, Sandy Cove.

Mrs. Holdsworth and Mrs. Thamer have gone to Halifax where they will spend the summer with Mrs. Holdsworth's daughter, Mrs. Jack Charman.

Mr. and Mrs. A. R. Chilson, of Plymouth, Mich., were visitors in Digby on Saturday en route to Westport where they will visit Mrs. Chilson's parents, Mr. and Mrs. A. R. Bailey.

Mrs. Oakley Turnbull entertained six little girls of her Sunday School class at her home on Saturday. Games were played and prizes given for races after which refreshments were served.

Clare Pineo arrived back in Digby last Saturday after spending the last two or three years in British Columbia. He is renewing old acquaintances and expects to remain most of the summer.

Avard (Buddy) Collins, was, on Monday afternoon, taken to the Digby General Hospital where he underwent an emergency operation for appendicitis. It is understood he is now resting comfortably.

Mrs. Arthur Cronin, of West Newton, Mass., arrived on Saturday to spend a short time in Digby and vicinity. She was accompanied by her mother, Mrs. F. A. Robinson, who has been spending the past two months with her.

Gordon Ritchie, son of Mr. and Mrs. E. M. Ritchie, Halifax, has again won first prize on his career book on medicine, for the second year in succession. Gordon is a pupil of Queen Elizabeth school, Halifax, and a grandson of Mr. and Mrs. James Ellis, Bay View.

Mr. and Mrs. Daniel T. Randall, who, with two daughters, Charlotte and Judith, have spent the last few weeks with Mrs. Randall's parents, Mr. and Mrs. Fred Morehouse, Centreville, and Mr. and Mrs. R. Oliver Gibson, New Waterford, have returned to their home in Lynn, Mass.

The Baptist W. M. S. held a birthday party at the church hall recently, when the sum of \$15.00 was raised. Each member gave as many cents as the number of days in the month of their birthday. Five ladies who celebrated their birthdays in the month of the party cut the birthday cakes. The C. G. I. T. took part in the programme.

A new local boxing club has been formed in Digby with Freddie Cookson, formerly of Montreal as trainer. Cookson was formerly Golden Glove Champion of Canada and later turned professional and engaged in several fights around New York. Any young man interested in this sport is very welcome to attend the Saturday night meeting at 7.30 o'clock.

Milk Subsidy

Retail milk prices will advance two cents a quart to the consumer commencing Saturday. This is due to the discontinuance of the government subsidy of two cents a quart. Neither the dairy or the farmer are receiving any more for their product.

In other words, when the consumer paid 10 cents a quart, the dairy received 12 cents as the government paid the dairy a consumer subsidy of two cents a quart for every bottle of milk.

The government is no longer making this contribution. The result is the 2 cent a quart increase in the consumer price.

Mrs. Fred Gower, of Westport, is spending a few days with her niece, Mrs. Lou Dexter.

Mrs. A. R. Hicks, Westport, visited friends in Weymouth and Digby over the week end.

Delma Gower, of Halifax, who is travelling for John Leckie & Co., recently visited his parents, Mr. and Mrs. Fred Gower, Westport.

Mr. and Mrs. Herbert Doch and son, Herbert, of Philadelphia, are guests of Mr. and Mrs. James Ellis, Bay View. Mr. Doch has purchased a lot of land from Chas. Adams and will build a summer home there.

Victoria Beach

Robert Chisholm, of Saint John, is visiting Mr. and Mrs. Amos Everett.

Miss Freda Apt, R.N., is on duty at the Digby General Hospital.

Miss Gloria Everett and Mrs. Orbin Everett, of Victoria Beach, were week end visitors of Mrs. Edna Porter, Saint John.

Mrs. Edward McGrath, who spent the winter with her daughter, Mrs. Myrtle Halliday, Granville Ferry, has returned home.

Samuel L. McGrath and Mrs. Rachael Haynes are both seriously ill at the time of writing.

Mrs. Wallace Ring has returned home from the Victoria General Hospital, Halifax, where she underwent an operation.

Mrs. Martha Banning Thomas has arrived to spend the summer at her cottage.

The Digby Athletic Association opened the season's baseball with an exhibition double header last Friday. In the first game the local Seniors took on and thoroughly trounced the local Juniors. It was anybody's game until the Seniors broke loose in the 5th inning to score heavily, thus giving them a lead which they held to the end.

After a rest for the Seniors and a warm-up for the Intermediates the second game got under way and it was evident from the start that this was to be a close contest. In this game Bud Winchester relieved Carl Saulnier on the mound and pitched a victory over the Juniors. Tic Collins, hurling for the Intermediates, did a classy job but he did not get enough support and so the Intermediates bowed also to the unbeaten Seniors.

When the League opener was played Tuesday evening, the Juniors, potential underdog, upset all predictions by taking the game from the strong Intermediate team by a score of 16-5. Frank Raymond, for the Intermediates, held the Juniors until the last inning when a combination of hits by the Juniors and errors by the Intermediates netted the Juniors two runs which won the game.

Now that the League is opened the boys will be playing ball each Tuesday and Friday evening and local support is greatly appreciated. So if you want to see a snappy game of baseball drop around for the twilight games.

ANNOUNCEMENT

IN MEMORIAM—In loving memory of a dear mother and wife —Marion I. VanTassel—who passed away May 28th, 1941: 37:1ic

God knew that she was suffering, That the hills were hard to climb; So He closed her weary eyelids, And whispered "Peace be thine". Away in the beautiful hill of God, By the valley of rest so fair, Some time, some day, we know not when, We will meet her on that golden stair.

Inserted by her loving Husband, Son and Daughter. 37:1ic

IN MEMORIAM—In loving memory of our dear mother, Mrs. John Riley, who died May 25, 1944. 37:1ic

No one knows how much we miss you, No one knows the bitter pain We have suffered, since we lost you, Life has never been the same.

In our hearts your memory lingers Sweetly, tender, fond and true, There is not a day, dear mother That we do not think of you. Inserted by her loving sons and daughters. 37:1ic

JUNE 1 to 15

NO PATIENT REFUSED CARE BECAUSE OF INABILITY TO PAY

Patients are charged for each visit on the basis of average cost computed annually. When necessary reductions in fees are made and no patient is refused V.O.N. care because of inability to pay.

NURSING SERVICE AVAIL- ABLE TO ALL

The Victorian Order provides a general nursing service available to men, women and children, regardless of race, color, creed or financial status. Every new case reported from any source is visited but nursing care is given only under the direction of a physician.

V. O. N. SERVICES

The Victorian Order of Nurses in Digby in addition to bedside nursing has undertaken additional activities including school nursing, well baby clinics and mothercraft classes.

BEDSIDE AND HOME NURSING

The Digby Branch of the Victorian Order of Nurses cares for medical, surgical and chronic patients, instructs the expectant mother in the care of her health, assists the doctor at delivery and gives nursing care to mother and baby and supervises their health for at least six weeks. Because of the visiting nurse service provided by the V. O. N. hospital patients can frequently be discharged earlier than would otherwise be advisable. Bedside bedside care the V. O. N. provides nursing care for the sick in their own homes.

FINANCED ON A VOLUNTARY BASIS

It costs money to carry on the various health services of the Digby Branch of the Victorian Order of Nurses. This money is raised through voluntary local efforts, such as teas, garden parties, tag days and entertainments sponsored by the local board; grants from the Town of Digby, donations from private citizens and friends, a share of the annual T. B. Christmas Seal campaign, and through the annual

JUNE MEMBERSHIP DRIVE

The annual 1946 drive begins this year on June 1st and will continue until June 15th. We are counting on your generosity to make the 1946 Silver Anniversary Campaign the most successful in the history of the local branch of the Victorian Order.

The work of the Victorian Order of Nurses in your town continues to expand. We need your help. You need the Victorian Order of Nurses.

Friends who wish to do so—especially those who live outside the town area, may send their contributions to:

by the

**Victorian Order of
Nurses in Digby**

For Twenty-five Years the work of the Victorian Order of Nurses has been carried on in Digby. For a quarter of a century this great organization has provided Skilled Nursing Care on a visit basis to medical, surgical and maternity patients in their own homes under the direction of the family physician.

In addition to these visits Victorian Order Nurses, thro' their work in the Schools and among School Pupils, have contributed much to the maintenance of health, the prevention of disease and checking of epidemics.

All Victorian Order Nurses are specially trained for Community Service. The Victorian Order is a National organization with the affairs of each Branch conducted by local boards. Money necessary to carry on the work of the Victorian Order comes from Membership Drives, Donations, Fees from Patients, Fees from Insurance Companies for Service to their Policy Holders, and from Town and Municipal Grants. Some folks are so important they can't even enjoy a funeral unless they are riding in the first carriage.

This picture is not an exaggeration. The infants and children who have no more to wear than this little babe run into the hundreds of thousands in the war-devastated areas of Europe. They need serviceable used clothing which can be supplied to them through the National Clothing Collection for overseas relief to be held June 17-29 under the auspices of Canadian Allied Relief. DAIRY NOTES

By VanDee

This column of information of vital interest to all, comes to you weekly with the compliments of Digby Dairy Limited and is part of its personal service.

Cancellation of the Dominion Government's Milk Subsidies, and the consequent increase in the price of milk to the consumer, has aroused a storm of controversy across Canada.

On the one hand, the Government contends that it can no longer go on paying, out of public funds, 2 cents per quart on the milk consumed, an outlay amounting to millions of dollars.

On the other hand it is pointed out that the subsidies on numerous other products have not been discontinued; that it has been the Government itself which has, quite rightly, encouraged greater consumption of milk and milk products as an absolutely necessary essential to the building of national health; and that the removing of the subsidy and the increase in price places a very appreciable burden upon those very people who most need the health-giving, body-building food values of milk, and that thousands of children, instead of receiving more milk will undoubtedly get less.

Two great classes of Canadian citizens are directly affected by increased prices on milk.

Millions of consumers, faced with a 20 per cent increase in price, may be forced to reduce their purchases of milk.

The producing dairy farmers, as a consequence, may find their present stable economic position adversely altered.

Now if it is desired and desirable that the Government subsidies on milk be restored, it would seem that the organized and concerted pressure of these two great groups, forming as they do the

vast majority of Canada's citizens, would have the desired effect.

During the war, the dairy industry supplied millions of tons of ice cream to the armed forces. It was realized that ice cream was not merely a delicious confection but a food rich in minerals, proteins and vitamins, and, as such, service authorities made it a "must" in service diet.

It was hoped that when the War was over and the services disbanded, this supply of ice cream would be available for civilian use. As yet, however, shortages in the supply of sugar have made this impossible.

The sugar shortage cannot last forever, and indeed may be considerably relieved by this year's crops. Civilians again will have this delicious food available in the ice cream parlors, the soda fountains, and the family tables across the country.

To the dairy farmer, this means the return of a market for, actually, billions of pounds of milk annually.

More than a dozen mineral elements are recognized as essential in the diet of farm animals, and the wise farmer always sees to it that his animals have an adequate supply.

Salt is one of these minerals, and, strangely, in many districts the one most likely to be lacking. Fortunately it is one of the easiest and cheapest to provide.

Cows in milk and young stock have a high calcium and phosphorus requirement. Grains and mill feeds are rich in phosphorus but low in calcium content. Good

Mrs. Claire Durno, of Cambridge, N. S., is visiting her sister, Mrs. Allan Harris.

Miss Louise Smith and Alfred Saunders, of Saint John, spent the week end with Mr. and Mrs. John Smith.

Mr. and Mrs. J. S. McLeod have sold their home and moved to Lawrencetown. Malcolm Parker was the purchaser.

Mr. and Mrs. Chas. Balser, and Mr. and Mrs. C. V. Snow recently spent several days at Balser's Cabin, on Sixth Lake Stream.

Rev. C. S. Young, Clementsvale, was the speaker at the Baptist church on Sunday evening. John Flynn, of New York, was the soloist.

Mr. and Mrs. Frances Henshaw and family have moved to Morgantown, into the house of Roscoe Buckler. The housing situation is scarce.

The Ladies' Aid of the United church met in the vestry on Tuesday afternoon and evening, to quilt. At the evening session an auction was held.

quality hay, on the other hand, is rich in calcium but may be low in phosphorus.

If you have reason to suspect a deficiency in these minerals, or that the diet of your animals is unbalanced in this particular, the wise course is to investigate the matter without delay. Get the assistance and advice of your Department of Agriculture, and feed whatever mixture they recommend as being the proper corrective in your case.

WEYMOUTH

Mrs. Howard, Pugwash, is visiting her daughter, Mrs. Cecil Cosman, Weymouth Mills.

Master George Gates, Weymouth Mills, is visiting his grandmother, Mrs. Ellis, in Port Maitland.

Mr. and Mrs. F. E. Newsome, of Halifax, spent the week end visiting their daughter, Mrs. Ronald Foster.

John Cooke, Acadia University student, has accepted a position on the office staff of the Clapp Shipbuilding Co., Meteghan, for the summer.

Mr. and Mrs. Cereno Jones left on Monday to spend the week visiting friends in Bridgetown and Halifax. Their two children, John and Judy, are guests of Mr. and Mrs. Ronald Foster during their parents' absence.

Friends of Mr. Theriault, manager of the Royal Bank branch at Coaticook, Que., will be glad to learn that he is making a satisfactory recovery from a recent operation. Mr. Theriault is a brother-in-law of Mrs. Dixon Rice and Miss Mabel Melanson.

Sponsored by the Sewing Club of the Intermediate Departments, a penny sale was held last week in the Weymouth school. The sum of \$35 was realized. A box of chocolates and a toy dog were raffled off, the former being won by Mrs. C. L. Goudey and the latter by Mrs. Elie Comeau.

Three large cartons were packed and sent to the Red Cross headquarters at Halifax last week by the chairman of the work committee of the local Red Cross Branch. The cartons contained 18 quilts, 81 diapers, 36 combinations, 5 bloomers, 3 boys' pants, 4 rompers, 6 nighties, 9 slips, 43 long sleeve sweaters, 2 sleeveless sweaters, 22 pairs stockings, 8 pairs mittens, and one cap. The next meeting will be held next Tuesday.

First Field Day in Years

Weymouth's first Field Day for a number of years was held last Friday on the cricket grounds under the capable management of Arthur and Cereno Jones, assisted by Kenneth Smith, C. L. Goudey and Fletcher Bartlett. A large crowd attended to enjoy and participate in the various sports, which included a ball game with Weymouth girls vs. Weymouth North girls; also a boys' game: the Weymouth boys against the Weymouth Northerners. The 100-yd. dash for the junior boys was won by Donald Ruggles; intermediate, Ian Campbell; senior, Jock Ruggles. Girls: senior, Joan Ruggles; intermediate, Clara Doucet. High Jump—intermediate, John Dahlgren; senior, Douglas Hatt. Broad Jump, junior, Malcom Mullen; intermediate, Willis Saulnier; senior, Max Doucet. 3-legged Race — Amelda Gaudet, Freda Smith.

Contestants in the sports were taken on a sight-seeing trip to the power plant at Weymouth Mills. A dance, sponsored by the local Canadian Legion branch, was held in the evening in the Scout Hall, lively music being provided by George Burgoyne, trombone; Jack Burton, guitar; Bill Cromwell, violin; with Elizabeth Mallet, of Gilbert's Cove, and C. L. Goudey alternating at the piano. A tap dancing contest, held during intermission, was won by Bill Cromwell.

OBITUARY

Death of Mrs. Emma Farquhar

Mrs. Emma Farquhar, widow of the late Rev. Donald Farquhar,

Captain C. M. Seeley, an instructor in the Government School of Navigation, Yarmouth, was speaker at the weekly meeting of the Kiwanis Club. He stressed the need of well trained officers for the merchant navy.

Captain Seeley pointed out that in his opinion an extensive ship-building program was carried on during war years, but little thought was given to the training of officers to man these ships.

Shipping should be one of Canada's important peacetime industries, he said, and Canada should benefit by a large merchant fleet, although in the past high operation costs have been unfavorable to Canada's merchant navy.

These high costs, he believed, were due not so much to higher wages paid Canadian seamen but to high costs due to rates of insurance. Insurance rates were higher on Canadian ships because there was a greater proportion of cargo damage. He attributes laxity of supervision in loading and unloading cargoes as one of the most prevalent causes of damage

passed away at five o'clock Monday morning, in the Digby General Hospital, following a long period of ill health. Born in Sydney, the deceased came to Weymouth 27 years ago, when her husband accepted a call to the United church circuit, and remained here following his death four years later. She is survived by her only child, Grace, of New York, and two sisters, Mrs. Buchanan and Miss Rachel Muggah, both in Sydney. The remains were taken to Kingston for burial beside those of her late husband.

Results of Bowling Tournament

For the first time in history a team from Digby took part in the Maritime Ladies' Bowling Tournament, held this year in Saint John. Twelve teams from various parts of the Maritimes were entered in the events which were rolled off on Monday, Tuesday and Wednesday of last week, the annual banquet bringing the meet to a close.

Although the local team finished up in bottom position on the final score sheet, the girls made a good showing, and hope that Digby will enter teams in future events of this kind.

Their trip across the Bay was made possible through generous

the administrative and business knowledge that should be possessed by an efficient officer in the merchant marine.

donations of Digby business firms. On Monday morning the locals played against Moncton and were defeated by a score of 1250 to 1183; the afternoon match was with Woodstock, score 1324 to 1220 in favor of the N. B. team; the Fredericton Brunswickettes defeated Digby 1396 to 1217 in the early evening match, and St. Dunstan's (Fredericton) scored 1280 to Digby's 1170 in another evening match.

Tuesday's scores were as follows: Capital (Saint John) 1250, Digby 1185; Capitals (Fredericton) 1301, Digby 1162; Charlottetown 1281, Digby 1157.

Wednesday's scores: St. Rose's 1276, Digby 1193; St. Peter's 1273, Digby 1185; St. John's 1254, Digby 1158; Marysville 1155, Digby 1174.

Why Milk Has Advanced in Price to You:

Since December 1942, the Government of Canada has been paying a direct CONSUMER subsidy of TWO CENTS a quart on EVERY bottle of milk. This subsidy was passed along in its entirety to you. No one except consumers received any portion of it. Here is how it worked:

Price of Milk in Digby.....	12c per quart
Government Consumer Subsidy.....	2c per quart
The Consumer paid.....	10c per quart
Price of Milk in Digby.....	7c per pint
Government Consumer Subsidy.....	1c per pint
The Consumer paid.....	6c per pint

This subsidy has now been discontinued, effective June 1. In Digby 12 cents per quart.

AFTER JUNE 1st

Unstamped Milk Tickets (quarts) must be accompanied by 2 cents.
Unstamped Milk Tickets (pints) must be accompanied by 1 cent.

Your dairy has NOT increased the price. Neither has the farmer.

MORE CHAT

Hello!

We are better acquainted now; This James J. Mister, Sir and Esquire don't get anybody anywhere. If I addressed you, Mr. Editor, and ignored Junior Editor what would Junior Editor think or say? These younger kids are very sensitive during the early period of their career. So to be thoughtful of everybody, I will just say Hello!

As you chose to publish the little chat in a recent issue of the Courier it is up to me to keep going. I wish I could say something that would cause some of your literary-minded subscribers to contribute to the columns of the Courier, thereby helping you editors in your arduous duties from week to week.

What do you have to do—be— or say—to get on the front page of your paper.

I know you went to the expense of printing a two-page extra sheet to print my little chat with you. How did Leslie Sabine, formerly of New Tusket—now of California. (Washington, Tom, Washington—Editor) happen to break in on your first page? I wish I had known that in advance. I have a picture of Leslie sitting in a group with his family on his farm in California (?)—I would have sent you his picture to head his contribution. Leslie is a fine chap. He had good experience in newspaper business—was a great pressman—old Campbell and Prouty. How he acquired his literary talent is a mystery to me. He must have taken red apples to his teacher in "the little red school house" in Tusket (or kept in after school for instructions).

What happened to Bobby Nichols, of California? That kid knew more at his age than the average boy. Hope that he is still going strong and will hear from him through the Courier.

Then there is Eva Harvey Nichols, who lives in West Roxbury, Mass., who writes a good poem on her thoughts or experiences in Acadia Valley, who could contribute an article or poem to the Courier. I will take my car and go out to West Roxbury and get acquainted, I know we will spend a pleasant evening.

I was pleased to get a picture of Miss Mabelle Holdsworth, who recently retired after 41 years' service with the Maritime Telegraph and Telephone Company. Of course the picture I received was clipped from the Courier. Thank you, James. I was interested in reading the account of the honor bestowed upon Miss Holdsworth, especially so as we can claim family relationship. Am sorry to have her retire. May see you in July, Mabelle.

Want to let you in on a secret: Daughter Catherine got a pair of nylon stockings this week from a very dear friend of ours in Digby. Don't tell the girls!

Women stand in line for hours at the Boston stores every day for those precious nylons. The line-up, moving for blocks, is guarded by policemen. The gentle sex can get rough when they make up their mind to go places. God bless them—and I mean it! Men's shirts. 20 per cent wool light weight union suits, pants and suits cannot be had in and around Boston. Although wives and sweethearts stand in line the results are discouraging; your correspondent needs some light weight—long legs—short sleeves—20 per cent wool one-piece undies. Unlike to be without them when in Nova Scotia this summer. Wonder if I have enough friends among your readers that will make an effort. C.O.D. is O.K. This is not an advertisement, only a hint.

Wish I had known John Russell what he was a kid—and watch him grow up. He must be due for an anniversary of some kind. He has literary talent. I have enjoyed reading his articles in the Courier and quite agree with his ideas. He is a "chip of the old block". I knew his father well. He often expressed himself—but not in print.

So Laidlaw F. Addison is going

to take over the Civic Band for the summer. Digby is indeed fortunate. I hope to enjoy a few band concerts while in Digby this year.

BORN 1850

HENRY M. MELANSON

One of Digby County's oldest citizens, Henry M. Melanson, of Gilbert's Cove, celebrated his 96th birthday on May 18th., having been born in 1850. Mr. Melanson is the last surviving member of the family of the late Mathias Melanson and Mary (Deveau) Melanson. He followed sea from the age of 12 years until his late sixties. He is a great smoker and enjoys his pipe. Despite his advanced age he enjoys good health except for being hard of hearing. He can be seen every day at the wood pile sawing and splitting wood. He most generally takes his daily walk to his son Joseph, who lives in Plympton. Mr. Melanson is also the last surviving member of the crew of the schooner "Ocean Belle", which was wrecked on one of the Thread of Life Ledges, near Thrumb Cap on November 28th., 1889. The crew members were all St. Mary's Bay men: Captain Ruggles; Henry M. Melanson, Mate; Charles Tibbits,

On Tour of Inspection

The Rev. Francois Lebesconte, Superior General of the Eudiste Order, arrived at St. Ann's College recently, accompanied by his assistant, Rev. Sibillet. Both are from France where they left in October, 1945, to visit houses in South and North America that are operated and owned by the Eudiste Order.

In North America this Order has houses in Canada and the United States. They operate the following colleges in Canada: College St. Jean Eudes, Quebec City; The Sacred Heart University, Bathurst, N. B.; St. Ann's College, Church Point. Besides these, they operate the Seminary of the Sacred Heart in Charlesburg, P. Q. and another, the Holy Heart Seminary in Halifax and have charge of the following parishes: Laval des Rapides, Montreal; St. Couer de Marie, Quebec City; Pointe au Pere, near Rimouki; Sacred Heart Parish, Chicoutimi, P. Q.; Holy Family parish in West Bathurst; Holy Heart Parish at Chandler, Gaspé, P. Q.

They have eighteen missionaries on the North Shore in the Gulf of St. Lawrence. The Eudiste Order was organized by the Rev. Jean Eudes at Caen, France in 1643, who was Superior at l'Oratoire. Under the protection of the Cardinal Richelieu, first minister of State in France, he received 1500 pounds from the Duchess d'Aiguillon, to found his first seminary and to register with the state the new Order of priesthood established by

him. He also received help from the Bishop of d'Angeance and the Bishop of Lisieux, France.

In 1791 the newly formed congregation operated thirteen seminaries in the districts of Normandie and Bretagne, France, a college at Lisieux and three small seminaries. It had given to the Church, writers of renown, educators, missionaries and hundreds of priests.

The Congregation suffered immensely during the revolution which took place in 1791 and many were put to death or exiled. After the revolution, the Eudiste Order grew steadily and began to establish themselves in foreign countries. In South America, they landed in Columbia where they remained in Carthagena, Pampolona and Santa Martha.

In 1890, they founded College St. Ann's at Church Point with the Rev. Sigogne paving the way for such an undertaking.

In Nova Scotia, the Eudiste Order operates St. Mary's parish at Church Point, and another at

Digest of News of the Province

To Investigate Diatomite Deposits

A full-scale summer programme of mineral research and exploration has been announced by the Nova Scotia Department of Mines. The program includes field surveys, drilling and testing.

Three field parties arranged in cooperation with the Dominion Department of Mines and Resources will undertake surveys in eastern and western counties of the province. Dr. Alan E. Cameron, deputy mines minister said. The federal department's plans also called for 11 topographical survey parties and two geological parties.

Prof. A. E. Flynn of the Nova Scotia Technical College will head a field party of Acadia, Dalhousie and Technical college students making a geographical survey of certain portions of Richmond and Cape Breton counties. The party will cooperate with Dr. L. J. Weeks of the Geological Survey of Canada in his studies of the Stirling Hill copper-lead-zinc areas.

Prof. M. F. Bancroft of the geology department at Acadia University and a party of Acadia students will continue investigation of diatomite occurrences in Digby County.

PLANT MORE POTATOES

More potatoes will be planted in Nova Scotia this year, welcome news to householders who found the tubers hard to get at various times last winter. Agriculture department reports indicate about 24,600 acres will be planted in potatoes, 2200 more than 1945. Acreage in oats and wheat is expected to be four percent higher.

NEW BUILDINGS PLANNED

Department of Public Works will build a new laundry and powerhouse to serve the Victoria General Hospital now under construction. Tenders for the buildings were called a few days ago.

EDUCATION PROGRAM

The Nova Scotia government believes education can prevent fires just as the proper equipment can put them out — and it's cheaper. Department of Labour, which administers the provincial fire marshal's office, has appointed Lt. Col. Kenneth J. Partington, Halifax, as inspector in charge of fire prevention education for Nova Scotia schools. He will work in cooperation with the Department of Education.

URGES NATIONAL POLICY

Canada's fuel shortage, a result of the United States coal strike, points again to the need for a Canadian national fuel policy, says Mines Minister Lauchlin D. Currie. "There is enough coal in Canada to supply the needs of Canada. Coal should be declared a national public necessity and it should be developed to take care of the national needs in peace and war, so that we may not be left again at the mercy of outside sources," Mr. Currie said.

HOME BUILDERS ACTIVE

Shortage of building materials apparently hasn't deterred ambitious home owners in Nova Scotia. Building permits issued in March

were three times higher than the corresponding month last year. In the first quarter of 1946 a total of 113 permits to build new homes were issued compared with only 43 in 1945.

RECREATION COURSE

A new course to train ex-servicemen as leaders in organized recreation will begin June 12 at the Nova Scotia Technical College. Dr. W. C. Ross, provincial director of physical fitness, said the aim is to supply trained leaders or recreational programs in the smaller communities of the province. The first class will be limited to twenty.

Summer School Offers forty Courses

Teachers from every part of Nova Scotia will attend the annual session of the Nova Scotia summer school to be held this season at Dalhousie University. The Department of Education this week announced the dates as July 3 to August 13.

More than forty courses covering the fields of arts, crafts, economics, education, English, first aid, French, history, home economics, music, nutrition, physical education, science and vocational guidance will be offered.

The faculty of experts in various fields of education will be drawn from Nova Scotia Universities and from educational institutions outside the province.

Accommodation for several hundred teachers will be provided at Shirreff Hall, Dalhousie Campus, and at Pine Hill college residence. Courses are open to teachers holding interim licenses and others who wish to improve their professional preparation, the education department announced.

PRODUCTION FALLS

Bad news for those who like plenty of milk, butter and ice-cream was the production report for March and April. Nova Scotia milk output was down one-half of one percent, creamery butter 1.7 percent and ice cream 29.4 percent. The Department of Agriculture saw a ray of hope in a falling off in the demand for milk due to the closing of service establishments and prospects of increased butter output during the coming months.

ON MEDICAL BOARD

Appointed members of the Provincial Medical Board are Dr. M. G. Burris, Dartmouth; Dr. J. B. Reid, Truro; and Dr. A. B. Campbell, Bear River.

VOICE OF THE INDIVIDUAL

The voice of the individual member of a labour union has come to be heard less frequently. Labor Minister Currie observed in addressing the Maritime Labor Institute at Dalhousie University. In wealthy and powerful unions he said, policy has come to be dictated by the executive officers with less and less participation by rank and file.

A Good Neighbor

POLICY for PARTY-LINE USERS

If you're sharing a party line, you're helping someone else to have telephone service. Otherwise they would likely be waiting their turn. Small courtesies on both ends of the line improve "good neighbor" relations.

- Most party-liners avoid making a long string of calls in succession.
- If they intend to order by phone, they have their shopping list all made out.
- Courteous party-liners never purposely break in when they know the line is busy. If they do, they replace the receiver quietly and quickly.
- They keep their calls short and to the point.
- And when they finish their call, they make sure the receiver is properly in place, so that the other party can use his phone.

DAIRY NOTES

By VanDoe

This column of information of vital interest to all, comes to you weekly with the compliments of Digby Dairy Limited and is part of its personal service.

Big news of the week is the cancellation of the Government's Milk Subsidy of two cents per quart, effective for June 1st.

Many consumers have not realized that for a considerable period the government has been paying the farmers this subsidy in an effort to promote production and to keep the price to the user at the pre-war level.

When, on and after June 1st, the retail price of milk is increased by this two cents, the jump in the price is the fault neither of the farmer, nor of the dairy, but is due simply to the fact that the Government feels that it can no longer pay the subsidy out of public funds, amounting in the aggregate to many millions of dollars, and have discontinued the payments.

Riboflavin is one of the vitamins most essential to good health - perhaps particularly necessary for the preservation of good sight. And it is one of the vitamins abounding in milk; in fact, an adequate supply of riboflavin can be obtained only from the use of sufficient quantities of milk and milk products.

But, unless you want to destroy the riboflavin content of your milk and lose this precious ingredient, don't leave your milk supply standing in the sun. For riboflavin is sensitive to light, and a bottle of milk left standing in the sun for four hours completely loses its riboflavin content. Ordinary light will also destroy the riboflavin content if the milk is left exposed for a sufficient length of time.

Did you ever stop to think that milk is the farmer's biggest cash crop; that what he feeds his cows is redeemable in cash; that he liquidates his holdings every day (no pan is intended); there is no costly carry over of stock; that he gets more than half of the price paid by the consumer for his product, which is a much larger fraction than is procured from any other product; he has no problem of exporting his surplus, for his product is consumed in the home market and there isn't any surplus; that his market is dependable and year-round for the dairies have made it so; and that, even in the darkest days of the depression, his income from his milk was more than 25 percent of his total income?

We hope that you followed our advice and clipped the "8 Point Program" prepared by the Dairy Council, and which we printed for you last week.

The great need being stressed at the present time is for production - and more production - and yet more production. Our domes-

tic needs are daily increasing. And the world needs are almost beyond imagination.

Now dairy farming is a long term, not a day-to-day, proposition. To really build a dairy herd takes weeks, and months, even years. Hence prompt action is necessary. We must begin at once, and utilize all the co-operation and co-ordination available in farm groups, and all the help and assistance which various Government Departments and agencies stand ready to render.

Here is a huge - almost a limitless - field of profitable enterprise standing ready for the dairy farmer who will seize the opportunity which the urgent need of humanity has provided.

Food Coupons Valid May 23
New butter and meat coupons will become usable on May 23, the ration administration announces. These coupons are: butter, R-9 and meat, M-38.
Administration officials state that many enquiries have been received recently relative to the use of "S" coupons for canning sugar in boarders' ration books by landladies who are not registered as quota users.
It is pointed out that in such cases the issue of the "S" coupons for canning sugar is a matter of private agreement between the landladies and their boarders.

High Tribute Paid Memory of Paul Yates

High tribute was paid to the memory of the late Paul Yates, former leader of the Digby Civic Band, in an article appearing in the latest issue of the "Canadian Bandsman". This article, which traced Mr. Yates' career from his birth in Philadelphia until his passing on January 31st, 1946 in his 84th year, paid tribute to his qualities as a man and to his marvellous musical ability.
It was stated that, in great measure, the success of the Digby Civic Band was due to his untiring efforts. "In 1933 he took over the leadership of the Digby Band and in a short time it became one of the finest musical organizations in Western Nova Scotia." The last war robbed the band of many of its most able members but through it all Paul continued his efforts and managed to keep a creditable band throughout. The Digby Civic Band contributed some 20 members to the bands of the armed forces and a goodly number of "first chairs" were occupied by pupils of Paul Yates."
Evidence of Mr. Yates' ability as a music teacher was shown in an article by quotations from letters received from other famed Band Leaders. Lieut. Russell Ward, Garrison Band, Halifax, stated, "Paul was a great teacher. He had a real knowledge of what he was doing. I had four of his men and they were all good. One was killed overseas and the other three became leading men in their sections." Percy P. Belyea, Garrison Band, Saint John, stated, "Paul will be greatly missed by all. I have had several of his men from time to time and all of them came to me with a fine musical background. Most important, Paul instilled into all of them a deep love for the best in music. Did you know that the first trombone in the famous Lombardo orchestra started with Paul. Paul gave him his first lessons while he was working as a freight handler on the docks at Digby."
The article concludes by saying, "A great man has passed on. We mourn his loss but we revere his memory. He lies where he would

want to lie, where the swelling tides of Fundy whisper a well-earned benediction.

Bear River East

Mrs. Frank Miller of Bear River was a guest of Mrs. Gordon Ruggles recently.

Mrs. Kenneth Sanford, daughter Mrs. Maurice Perkins and daughter Kaye, spent several days with Mrs. Donald Carey and other relatives in Kingston and vicinity, returning Sunday.

Mr. and Mrs. Gordon Ruggles and children spent Sunday with the latter's parents, Mr. and Mrs. Norman Soules, Smith's Cove.

We welcome back to our community, Mr. and Mrs. Hiram Berry and son Kenneth of Upper Clements. They are living with their son William.

Mr. and Mrs. Fred E. Jefferson and daughter Hazel and Miss Alda M. Jefferson were guests of Mr. and Mrs. Otis C. Bell at Marshalltown.

Mr. and Mrs. George McEwen and son Charles are moving to Upper Clements where they have purchased a farm from Mrs. Hiram Berry.

Church Point

Mr. and Mrs. Edward Gaudet of Weymouth visited Mrs. Gaudet's sister, Miss Antoinette Belliveau recently.

Miss Bradshaw, of Yarmouth was the week-end guest of Miss Anne Marie Stehelin.

Mrs. Johnnie W. LeBlanc went to Belliveau's Cove Thursday on Business.

Acaciaville-Hill Grove

Captain N. S. Margaret Goldsmith, R. N. of Saint John spent the week-end here visiting her mother, Mrs. Stewart Goldsmith. Mr. and Mrs. Dan McLean, Plympton, were recent guests at the home of Mr. and Mrs. D. L. MacKay.

Miss Margaret Dugas, daughter of Mr. and Mrs. Alphee Dugas, was operated on for appendicitis at the Digby General Hospital on Thursday. Late Reports say that she is making a good recovery.

The Maple Leaf Agricultural Society held a very largely attended meeting in the Acaciaville Hall on Monday evening last to consider purchasing a plot of land at Conway for agricultural purposes. A committee was appointed to make an investigation of certain lands and purchase the same if found to be desirable.

Mrs. Darcy Roope went to Bridgetown on Monday. While there she will be a guest at the home of Mr. and Mrs. Hallett McLaughlin.

Butter Exports Low During 1945

During 1945 Canada's exports of butter totalled 5,300,000 pounds and not 53,000,000 pounds as previously reported in error. Newfoundland and the British West Indies were the only two countries importing Canadian butter last year.

In making known these export figures Prices Board officials point out that about half the butter sent out of the country was dairy and low grade creamery butter.

ASSISTED AT 94
YEARS OF AGE

At the morning Mass in Stella Maria church, Meteghan, May 24th, celebrated by the pastor, Right Rev. Mgr. Bourneuf, forty-eight young children received for the first time Holy Communion. A first time was a crippled little girl who was taken to church in a pretty decorated little carriage. Among the many assistants was Mrs. Mary Doucet, of Meteghan, who was celebrating her 94th birthday in that manner. Sunday, May 26, at the seven o'clock service, a very imposing ceremony took place in the church when thirty-six young girls, directed by the Reverend Sisters of the Sacred Heart Convent were admitted in the congregation of the Children of Mary and were followed by the Coronation of the Virgin and Benediction of the Blessed Sacrament. The pastor made an eloquent sermon for the occasion.

About "Miss Digby County" and Attendants

Judging by the interest and enthusiasm shown to date, The "Miss Digby County" contest is indeed going to be one of the most attractive and exciting events of our Dominion Day celebration. But we want more contestants. Not every community has been heard from as yet. We want to give the judges plenty of work, so hurry on and come and see us, telephone us or write us, and ask all the questions you want to. Do get your name in before the deadline, June 25.

The chief question so far has been the one that is in your mind right now, "What will I wear?" The answer is: the very prettiest and most becoming summer frock that you have, or can get. It has been decided that this costume will give you more opportunity for selection than any other, and will also provide the gayest and most colorful picture for the spectators.

Because the contest has been mentioned as a "beauty" contest and because we are fearful that some of you may be too modest to consider yourselves eligible, we want to give you this definition, which we quote from a reliable dictionary: "beauty": that quality, or combination of qualities, as grace, shape, proportion, color, in human face or form that delights the sight". To these qualities we add one which is as important as any: PERSONALITY.

In other words, a girl who has lovely hair, a happy face and smile, and who stands and walks as though she were glad to be alive, is quite as likely to be one of the winners as a girl with prettier features, but who may slouch, or look a little grumpy. Any more questions? We're waiting for them.— and you.

Handcraft Meeting

Miss Eisenhauer Provincial instructor in woodcarving, metal and leather crafts, will be present at a meeting of the newly formed Digby Handcraft Organization to be held at the Court House Wednesday evening, June 12th, at 8 p.m. Miss Eisenhauer is in town instructing a class in woodcarving at the present time and will discuss the various crafts also giving brief explanations of the methods employed. It is hoped that many will avail themselves of this opportunity of gaining an insight into craft work.

The meeting will include a business session when the drawing up of a constitution will be one of the topics under discussion. The public is cordially invited to attend, whether or not they are members of the Handcraft Organization.

The death of Hartford Ring took place at his home in Barton on Monday morning. He was 83 years of age.

Mrs. Thomas Mack, Mrs. W. A. Crowe and Mrs. George Bryant, all of Bridgetown, were guests of Mr. and Mrs. V. G. Cardoza while attending the Rebekah District meetings.

Parker Lamberton, a well known resident of Barton, who has been a patient in the Kentville Hospital where he underwent two operations, has returned home considerably improved in health.

A very pretty baptismal service was performed in the waters of the Acacia Valley on Sunday morning last, when Rev. J. Earle DeLong baptized six candidates. Five of these young people will be received into the Hill Grove Baptist church during the annual Roll Call service which is taking place today, with Rev. Dr. S. S. Poole, of Saint John, as the guest speaker.

Queen Annapolis XIV Crowned at Festival

With coronation parades, music and attendance surpassing all former efforts, the 14th annual Annapolis Valley Apple Blossom Festival at Kentville was held most successfully from Friday evening through Sunday. "Apple Blossom Sunday" was a reality throughout the Valley as millions of blooms colored the landscape. The weather man—who elsewhere sent torrents of rain over the week end, was good to the Kentville region and with only a small shower on Saturday morning the weather was calm and clear.

Beginning with the announcement of the choice of a queen on Friday evening, followed by the Queen's Ball, there was a continual flow of incident and entertainment for the next 48 hours.

The crowning of the Queen at Acadia University, Wolfville, on Saturday afternoon was witnessed by thousands from all parts of

the province and Dominion. Miss Georgia Palmer, daughter of Mr. and Mrs. W. L. Palmer, Kentville, was crowned Queen Annapolis XIV by Premier Angus MacDonald. Performed on the spacious steps leading to the University the ceremony presented a colorful and beautiful setting as the various phases of the traditional ritual were enacted by the scores of principals taking part in the ceremony.

Digby's float in Saturday's parade, on which our princess, Miss Eleanor Hanson was enthroned, was judged a "close runner-up."

Miss Hanson has asked us to thank the people of Digby for their interest and help during the festival. "It was a wonderful experience," she says, "one that any girl would have enjoyed and I am very grateful for having been chosen for the privilege—only sorry I could not bring you back the crown."

MARRIAGE

Flewelling - Knowlton

A lovely June ceremony took place in a profusion of apple blossoms and white lilacs, at Trinity Church, Digby, yesterday, at noon, when Mary Elizabeth, daughter of Mr. and Mrs. Charles D. Knowlton, of Plympton, was united in marriage to Edis Armstrong Flewelling, son of Mr. and Mrs. Edis H. Flewelling, of Bridgetown, Rev. F. B. Gaskill officiating.

The bride, who was given in marriage by her father, was a picture of loveliness in a floor length gown of white silk jersey, with side drape and cowl neck, and dolman sleeves becoming tight fitting below the elbow. Her long tulle veil caught in a coronet of orange blossoms, had been worn by several members of the bride's family. Her only ornament was her grandmother's pearl necklace. She carried a bouquet of yellow roses.

The matron of honor, Mrs. John Woolaver, was becomingly attired in a pale blue floor length crepe with small side poplins and bustle at back. She wore a picture hat and carried an old-fashioned nosegay of sweet peas and pink carnations.

The best man was Paul Flewelling, brother of the groom, and ushers were Malcolm Flewelling and John Woolaver.

The bride's mother wore an afternoon dress of black and shell pink crepe with a black Gainsborough model straw hat, trimmed with hand made flowers.

The groom's mother wore a two-piece afternoon dress of rose crepe with black picture hat and matching accessories.

At the beginning of the service Trinity choir sang "O Perfect Love", and during the signing of the register, "The Voice that Breathed O'er Eden". The groom's gift to the bride was a gold watch; to the best man a Parker pen; to the ushers leather bill-folds. The bride's gift to the matron of honour was a plain square gold compact. The bride, until resigning her position a few months ago, was the teller at the Royal Bank in Digby. The groom served five years with the Canadian Artillery in Italy, France and Germany, returning to Canada late last year.

Following the ceremony over 80 guests were present at a reception held at St. Mary's Cottage, Plympton. Mrs. Forrest Eisener and Mrs. John K. Smith poured. Those serving were Miss Margaret Rand, Miss Greta Journeay, Mrs. Keith Potter, Mrs. Vaughn Warner, Miss Harriet Campbell, Miss Gwen Wood, Miss Nora Stuart, and Mrs. Donald R. Smith replenishing.

Immediately after the ceremony the happy couple left on a motor trip to Montreal, Ottawa and Toronto. For traveling the bride wore a dusty rose wool suit, with coat in lighter contrasting shade, natural straw hat and light brown accessories. They will reside at Chestnut Street, in Kentville.

Community Fair In September

The Maple Leaf Agricultural Society held its regular monthly meeting in the Acadia Hall on Monday evening. There was a large attendance of members. It was decided to hold the annual Community Fair and Field Day this year on their newly acquired property at Conway, and the date was fixed for Wednesday, September 11th. A special meeting is to be held on Monday, June 17th when committees will be appointed to conduct the Fair and prepare the grounds.

New Dental Laboratory

Latest addition to the professional life of Digby is the new dental laboratory operated by Ernest B. Tufts, dental technician.

The laboratory which is located over Stedman's Stores is equipped with the latest in dental machinery. One of the pieces of equipment installed by Mr. Tufts is the newly developed electric Acrylicizer which is used for processing the new plastic plates. This machine maintains a constant temperature of 165 degrees and is considered the best equipment available for handling plastic work.

Other equipment in the laboratory includes a vulcanizer for handling the old type plates, polishing lathes and a model trimmer for trimming the stone models used in making the plates. An electric welding machine has been installed and the laboratory is equipped to handle all gold work. Previous to the establishment of this laboratory all this work had to be done in Montreal or Toronto.

Mr. Tufts has had a great deal of experience as a Dental Technician. After graduating he worked for nine years prior to his enlistment in the Services in World War II. He served with the Dental Corps as Supervising Technician and was in the Service for five and one half years, two of which were overseas during which time he saw service in England, Germany and in Denmark. An athlete, Mr. Tufts took a great interest in sports while in the services and while in Canada organized and managed several football and hockey teams which took high places in inter-service competitions.

Working with Mr. Tufts is H. C. Kirby who is also a veteran of World War II having served as a Dental Technician for four and one half years. Mr. Kirby practised his profession for three years prior to his enlistment. The new laboratory serves a great need in this area and will take care of the requirements of Dentists throughout the whole Valley.

Seniors in Cellar, Juniors on Top

The Digby Athletic Association kept up its two game a week schedule this week when the Seniors met both the Intermediates and Juniors.

In the Seniors vs. Intermediates game the merciless batting of the Intermediates rolled up a score of 13-0 by the end of 3½ innings. In this game Joe Turnbull hurling for the Intermediates, held the Seniors scoreless, and contributed largely to the winning of his own game by hitting the first homer of the year. The game ended with a score of 15-4.

On Tuesday evening the Seniors met the Juniors, and although it looked like a junior victory in the opening innings, it turned out to be a close contest with the Juniors winning by a 9-8 score.

Artie Robar on the mound for the Juniors turned in a first class performance with an impressive number of strike-outs while receiving high grade support from his infield.

To date the Juniors are leading the league with 2 wins, 0 losses. Intermediates follow with 1 win, 1 loss and the Seniors are in the cellar with 0 wins and 2 losses.

Mrs. Sara Nichols was a recent visitor to Wolfville.

TOWN COUNCIL IN MONTHLY SESSION

The regular meeting of the Town Council was held in the Council Chamber Monday night. Although the meeting was a lengthy one mostly routine matters were dealt with.

Jack Keen, recently discharged from the R.C.A.F., appeared before the Council seeking information with regard to taxation preference for veterans allowing them to build in town under the provisions of the Veterans' Land Act. Mr. Keen was advised that, although an Enabling Act had been passed by the Provincial government giving towns the power to grant special tax concessions to veterans, this had not received the assent of the Lieutenant Governor and thus was not yet law. It was stated that this matter was on the agenda of the Union of Nova Scotia Municipalities meeting to be held in August and would probably become law following this session. The opinion of the Council seemed to be that, although they were in sympathy with the veterans' desires regarding preferred treatment, they were not prepared to take action on matter until it could be done legally.

Permission was granted by the Council to the Navy League to hold a Tag Day on August 3rd. Permission was also granted the Students' Council to hold a Penny Parade sometime in June. St. Patrick's Parish was granted permission to hold their annual Victory Frolic on that portion of Prince William Street, fronting the Station providing this did not interfere with the delivery of His Majesty's Mails.

A letter was read from Atlanta Sollows, Shell Artist and Author of Saint John requesting permission to erect a studio on Birch Street. It was decided to defer action on this until Miss Sollows presented the Council with a plan of the proposed studio.

In the absence of Mayor Merkel who is attending the Postmasters' Convention in St. Stephen, Deputy Mayor Cardoza presided at the meeting.

Dissatisfaction Expressed

Considerable dissatisfaction is being expressed in local bowling circles regarding the windup of the Men's Bowling League. The feeling seems to be that the League's activities ended without a proper test of strength in determining the winner.

It is understood that when the League opened in October six teams were entered. At the end of the schedule the Business Men's Team was in the lead with the Express Team and the C. P. Wharf boys in second and third place respectively. According to the rules adopted by all teams captains at the opening of the schedule only three highest teams were to enter the finals. The two lowest were to play two out of three and the winner was to play the leading team four out of six. It is understood no dates were set for the playoffs but they were to be arranged at the convenience of the teams. Also according to the rules any team arriving with four players were to play them accepting the lowest man score of opposing team for fulfillment.

According to information received the Wharf team only had three players present on the night of the playoff between their team and the Express Team. The captain of the Wharf Team was storm stayed on Digby Neck and one other player was unable to be present. Despite this the game was played, the Express team winning. It is understood the Express team was full strength with a spare man, allowed by the rules, whom they played.

A week later, it is understood, the lead team, The Business Men, played three strings with the Express team having been informed they were the winners. It was then learned that the playoff game between the second and third teams had not been played within the rules and the Business Men demanded that the playoffs be according to these rules. The only reply to this demand was that the Express team went to the Alley and, without notifying any team in the league, claimed the championship for forfeit. It is understood a protest has been lodged by the Business Men's Team with the League and with the Management of the Alley.

Constable and Mrs. Pete Cully, of Yarmouth, spent the week end at the home of Mr. and Mrs. Harry Hicks.

Teachers' Union Honors Miss MacWhinnie

The Digby Local of the Nova Scotia Teachers' Union held their final meeting for the year in the Academy last Tuesday afternoon with more than forty teachers in attendance. Miss Agnes Mills gave an account of the annual council meeting at Truro, and other splendid reports were received.

Following the business meeting a banquet was held at the Myrtle House where a presentation was made to Miss Elizabeth MacWhinnie, retiring vice-principal of the Digby Academy. B. F. Finigan, general secretary of the N.S.T.U., who made the presentation, paid tribute to Miss MacWhinnie and complimented her on the successful conclusion of a long career in the teaching profession. Miss MacWhinnie responded and in a few fitting remarks thanked the gathering for their gift and said that the kind sentiments expressed would long remain with her.

Guest speaker of the evening was Professor A. S. Mowat, Dean

of Education, Dalhousie University who was introduced by Inspector T. A. M. Kirk. Professor Mowat took as his subject the new book "Youth Challenges the Educators" recently put out by the Canadian Youth Commission.

He outlined the findings of this book and commented upon them. According to the book, youth's answer to the question "Why the High School?" was first of all to meet those problems. Professor help youth to understand the problems of life and equip them to Mowat stated Canada has successfully made the transition in the field of education from the home to the school but has not yet bridged the gap between school and life in after school years. He stated that pupils of our high schools gain knowledge, but are not properly prepared to meet the problems of life.

In his opinion the big problem is to make life in the school touch on and deal with problems met outside school walls.

District Meeting of Rebekahs

The annual session of District No. 2, of the Rebekah Assembly, was held in the Odd Fellows' Hall Tuesday afternoon and evening. Both meetings were well attended, with more than 200 present at the evening meeting.

During the afternoon Mrs. Mary Bryant, of Bridgetown, secretary of the Rebekah Assembly for the Maritime Provinces and Newfoundland, conducted a school of instruction. She addressed the gathering at the evening session.

An impressive memorial service was conducted by members of Unity Lodge, Annapolis Royal, during the evening.

Members of Zelma Lodge, Digby, conferred the degree on five candidates, four from Bear River and one from Digby. The Degree Team was complimented on their excellent work. All members of the Degree Staff were attired in their new long white moire evening dresses, and wore corsages of pink sweet peas and greenery—the official colors of the Order.

Presentation of a bouquet was made to Degree Mistress Mrs. Ruby Roope, the occasion being her birthday.

The District Meeting accepted an invitation from Elta Rebekah Lodge, Bear River, to hold their 1947 Annual Meeting with them.

The annual district supper was held in Grace United Church Hall by members of the Ea-Gi Club of that church. Eight visitors were present from Berwick.

Officers elected for the ensuing year were as follows:

President: Mrs. Neta Welch, Westport.
Vice-President: Mrs. Maye Parker, Annapolis Royal.
Secretary: Mrs. Mary Lent, Westport.
Treasurer: Mrs. Evelyn Crocker, Freeport.

"Why Do We Laugh" was the subject of an address presented to the Digby Kiwanis Club at their regular meeting in the Myrtle House, by Rev. Dr. B. J. Hemmeon, of Annapolis Royal. Dr. Hemmeon's address was thoroughly enjoyed, and although humorous in many ways, it provided real food for serious thought.

It was announced at this meeting that the Saint John Club will visit Digby on July 15. On this occasion a noon-time luncheon will be arranged.

The Digby Civic Band will be the guests of the Digby Club at their next meeting when Laidlaw Addison, past president of the Canadian Band Masters' Association, and leader of the Toronto Symphony Band, will be the speaker. This distinguished bandmaster has arrived in Digby to lead the Digby Band during the summer months.

James Roop Badly Hurt in Fall

James Roope, one of the county's most prominent farmers, met with a severe accident last week while pruning a large apple tree the ladder from which he was working slipped from the branches, throwing him to the ground breaking his collar bone and dislocating his shoulder. Medical aid was summoned and he is now resting as comfortably as could be expected. He is about 80 years of age.

Future of Shore Fishermen

Present Federal and Provincial policy on boats is as follows:—

Federal: Boats over 70 feet overall lengths get an allowance of \$160.00 per gross ton and can be owned by individuals or an association of individuals.

Boats from 55 to 70 feet get the same bonus but must be owned by at least four active fishermen.

In both cases the Provincial Government will loan seventy per cent of the cost after deducting the Federal subsidy. They however insist that the small sized boat must be owned by four or more fishermen.

Why should the Moneyed Men have the right to own the larger boat singularly or collectively and the small fry be compelled to join with other fishermen? Is it a policy of giving the fishermen a break? Why should he not be permitted to follow the same course as is open to the capitalist.

Boats from 40 feet up, such as are used on the Pacific coast of the Seine boat type are suitable for the shore fisheries, using the balloon or other type of trawler and can be operated by three or more men.

The government, if they are desirous of maintaining these fishermen in their Native Villages should desist from subsidizing and financing company owned boats and concentrate on encouraging the fishermen to get smaller boats.

They should ignore present unreasonable specifications for deck boats and leave same to the good judgment of the man building same as was the case when they subscribed to the Hague Convention which was really intended for deep seas ships. The United States refused to subscribe and with the exception of certain Fire and Life saving equipment the owner is left to his own ideas. Now, the Government tells him the thickness of plank and size of ribs, etc.

The lobster type of boat, slightly deeper and with a deck is the best for shore trawlers and there is no more justification for Government interference in connection with specifications for one than the other.

It is to be hoped the Provincial and Federal Government members from fishing constituencies will concentrate on bringing into effect regulations suggested herein. If not the fishermen will find themselves in the bread line or slaves of the large operators unless they choose representatives having their interest at heart.

Teeners Club Has Party

On Friday evening most of the Teeners gathered at the community hall to wish June Rosenthal a happy birthday—the occasion being June's sixteenth. Music for dancing were recordings played on the Club's newly installed automatic record player. Several games were played and prizes were awarded by Mrs. Rosenthal, June's mother.

Mrs. Rosenthal, Mrs. Christie and Mrs. Morrissey served. June was the recipient of many beautiful gifts and cards. The Hall was gaily decorated for the occasion with narrow streamers falling upon the dancers as they moved about the hall.

About This and That

After a long session, the British mission of cabinet ministers sent to India to discuss that country's independence has failed. But not wholly. True, agreements could not be reached between the British on the one hand, and on the other India divided by the contrasting views of Moslems and the Hindu Congress party. However, a second try is to be made. The Britishers are moving to New Delhi to set up an interim government, and representatives from all Indian groups have been asked to meet to draw up a constitution. That Britain is sincerely trying to establish machinery for India's freedom is confirmed by the attitude of such native leaders as Gandhi, who has defended the British mission before his followers, the Congress party, and is himself meeting again with the Londoners. If freedom—and peace—can come to the vast land of India, a bit more optimism, badly needed, will break through the dark clouds that hang heavily over the world today.

This time business is a funny thing at best. The proponents of Standard Time always insist it's "God's Time"—which it isn't. Standard Time was adopted in 1883 to suit the railroads then expanding over the North American continent and in need of something better than noon being when the sun is vertical and working from that. The latter is the true "God's Time", and, although we were a mere boy at the time, living in Yarmouth, if our memory serves us right, the difference was then computed to be about 23½ minutes—approximately half-way between standard time and the so-called daylight-saving time.

Hillsburn

Charles Longmire is seriously ill at time of writing.

The teacher, Miss Eunice Potter and her pupils held a school picnic at Delap's Cove. Games, stunts etc., were featured followed by a beautiful lunch. Everyone had a grand time.

Miss Kathleen Longmire of Cornwallis Hospital staff is visiting her parents, Mr. and Mrs. Roy Longmire.

A number from here attended a shower for Mr. and Mrs. Earle Hamilton at the home of Mrs. Zedie Hamilton. Mrs. Hamilton is an English bride. Many nice gifts were received and a grand time was reported by all. Refreshments were served by the hostess.

Give them
a friendly
CANADIAN
welcome

—BECAUSE the money spent by American visitors filters into every community. It puts extra cash in the pockets of Canadians, boosting business for the farmer, the town merchant, the city worker. It's to everybody's interest to protect this profitable business, particularly in this critical year when friendly, courteous treatment of our guests will pay big dividends in the years ahead.

Digest of News of the Province

Nova Scotians are the dominion's greatest eaters of ice cream. They average 1.8 gallons per person annually, says the Department of Agriculture. The Canadian average consumption is only 1.24 gallons.

Presides at Conference
Charles L. Beazley, commissioner of municipal affairs for Nova Scotia, will preside over sessions of the Municipal Finance Officers' Association of the United States and Canada in Richmond, Virginia, this month. Six hundred municipal finance officers from all parts of Canada and the United States will attend.

FOOD - THE SINEWS OF PEACE
Canadians are asked only to share their abundant food supplies with the starving of the war-torn countries. They MUST share, if peace is to endure. By avoiding all waste, by substituting vegetables and fruit for bread, cake and pastries, every individual can make a personal contribution to the hunger areas overseas. This is a practical way to work for enduring peace.

Portable Mine
Most mines start in one place and stay there. But the Nova Scotia Department of Mines has one that's portable and G. W. Hutt, development commissioner for the Canadian Pacific Railway, says it's the only one of its kind in Canada. The department moves it around the province to make working tests in various mineral areas. The next job will be at a prospective slate mine at Highbury, King's County.

Delegations From Inverness
Coal mining and street paving were subjects two Inverness County delegations discussed with members of the provincial government last week. Headed by Mayor Dr. E. A. Ratchford, a group from the town of Inverness sought government cooperation in extension of private colliery operation to relieve unemployment. Port Hawkesbury's mayor, C. J. Trainor, led a delegation from that town who asked the government to assume the full cost of paving highway approaches to the community. Alex H. MacKinnon, M.L.A. for Inverness, accompanied the delegations.

Resourceful Bluenoses
Nova Scotians are a resourceful people. Even a dead whale can be put to use. Les Pragnall and Frank Coleman, handcraft manufacturers of Eastern Passage, bought 100 pounds of baleen taken from a whale stranded on the Bay of Fundy shore. They turned it into ladies' belts. Business is so good they're looking for another whale.

Big Business
Halifax business, calculated on the basis of bank debits, increased by 150 per cent between 1938 and 1945, the period when it was famous as an "East Coast Canadian Port". The Department of Industry reports cheques cashed in the city's banks rose from \$340 million in the last prewar year to \$850 million last year.

THOSE WHO EAT IN RESTAURANTS
Canadians who usually eat in restaurants can "Share with the Hungry". Taking bread and rolls only when they are really wanted; leaving nothing uneaten which they have ordered; substituting soup and salad for the popular sandwich lunch; choosing fruit or a flourless dessert instead of pie or cake - all help save food and food saves lives.

FOURTH TO GO OVER TOP IN ANGLICAN ADVANCE APPEAL
The parish of French Village, of which Rev. H. Y. MacLean is rector, was the fourth in the Diocese of Nova Scotia and P. E. I. to go "over the top" in the Anglican Advance Appeal of which Rev. L. W. Mosher is organizer.

Mrs. MacLean is the former Miss Margaret Morehouse of Bridgetown.

The first was the parish of Parrsboro, followed by St. Paul's, Charlottetown, and French Village in that order.

The Women's Bible Class held their monthly meeting in the church parlor, thirteen being present. Contests were given by Mrs. Harold Coggins and were very much enjoyed. Prizes were won by Louise Repoule, Inez Moore, Elsie Swift, Violet Cann and Grace Pugh.

Funeral of Captain Arthur Porter
The funeral of Captain Arthur Porter took place from the Westport Baptist Church, and was conducted by Rev. W. Howard assisted by the Baptist Choir. The I. O. O. F. was in attendance. Captain Porter had only been sick for a few weeks. He was eighty years of age and leaves to mourn his wife and two sisters, Mrs. Sadie Payson of Yarmouth and Mrs. Annie Cousins of Saint John.

Captain Porter will be greatly missed among his fellow citizens. He was one of the active members of the Church and attended his lodge faithfully. The hymns which were sung were "Good Night and Good Morning", "Dear to the Heart of God", and "Abide With Me". The I. O. O. F. service was conducted at the grave.

MARRIAGE

Hanley - Mullen
The Baptist church in Lawrenceville was the scene of a pretty wedding on Friday evening, May 24th, when Rev. W. A. Harper united in marriage June Aureta, eldest daughter of Mr. and Mrs. Lester Mullen, and R.A. Russell Gordon Hanley, R.C.N.V.R., son of Mrs. L. D. Hanley and the late L. D. Hanley, of Lawrenceville. To the strains of the Wedding March by Lohengrin, played by Mrs. R. J. Shaffner, aunt of the groom, the bride entered the church on the arm of her father by whom she was given in marriage. She was attired in a floor-length gown of pale blue nylon over taffeta fifth flitel bodice, coming to a point over the waist line, v-shaped neckline with a high sheer yoke, sheer sleeves coming to a point over the wrists. A bustle accentuated her full skirts with train. Her finger-tip veil was caught by a double-looped coronet. She wore a silver locket with matching earrings and carried a bouquet of red roses. She was attended by her sisters, Glenna and Preena Mullen. The groom was attended by Petty Officer Ewart Penney, of Toronto. Following the ceremony 125 guests gathered at the bride's home where a reception was held.

Barlow - Trask
A wedding of interest to friends throughout the province took place in Kentville on Friday, May 24, when Patricia Mary, daughter of Mr. and Mrs. Roy W. Trask, of Little River, Digby County, was united in marriage to Flight Lt. Curtis Francis Barlow, R.C.A.F., son of Mr. and Mrs. L. C. Barlow, of Sherbrooke, Que., at the Baptist parsonage, by Rev. Freeman Fenerty. The bride, a former member of the office staff of the Royal Print and Litho, Limited, Halifax, and on the staff of the Canadian National Railways for the past three years, wore a two-piece turquoise blue wool suit, with a small pink straw hat with veil and flower trim, black accessories, and wore a corsage of pink roses. She was attended by Mrs. Eric Zeigler, of Halifax, who wore a tomato red suit with grey accessories. The groom was attended by Eric Zeigler. A small reception for relatives was held afterwards in the Cornwallis Inn. Among those attending the wedding from Halifax were Mr. and Mrs. Herman Trask, brother and sister-in-law of the bride, and Mrs. F. J. Phelan, aunt of the bride. They will reside for the present in Middleton, the groom being stationed in Greenwood.

OBITUARY

Mrs. Rachael Haynes
Victoria Beach was again saddened when death again claimed one of its oldest residents, Mrs. Rachael Haynes, aged 86, widow of Stephen Haynes. She had been in failing health for some time. She was a daughter of the late Mr. and Mrs. Frank Halliday, and leaves to mourn one daughter, Mrs. Lydia Haynes, of Digby; three sons, James, George, and Ira; and one brother, Joel Halliday, of Lower Granville. The funeral service was held from her home on May 31st, and was conducted by Rev. L. B. Wright, of Annapolis Royal. The hymns sung were "Abide With Me", "Does Jesus Care" and "Beyond the Sunset". The pall bearers were Reg and Hiram Everett, Ralph Haynes and John McWhinnie. She was laid to rest in Victoria Beach cemetery beside her husband and six children who predeceased her.

James Murray Small
Many people in Tiverton learned with regret of the death of J. M. Small, which took place at his home on Saturday night, June 1, at the age of 57 years. He had been ill about three years, but only confined to his bed for a few months.

Born in Tiverton, he spent all his life there, and was the son of the late Freeman and Elizabeth Small. He was one of the firm of "Small Bros.", a member of Rainbow Lodge, and held in high esteem by all who knew him.

Surviving are his wife, the former Elenora Finigan of Freeport, one daughter, Miss Elaine Small, principal teacher at Port Williams Nova Scotia, who left her school to be with her father a few days before his passing.

Surviving also are one sister, Mrs. Auden Southern of Taunton, Massachusetts, five brothers - Auden, Stewart, Newman, Lauriston and Roy.

The funeral took place Tuesday with burial at Pleasant Hill Cemetery.

The funeral of Mr. Small was held from the Christian church on Tuesday afternoon and was very largely attended. Many relatives and friends from Westport, Freeport, East Ferry and Digby, as well as his home town, were present to pay their last respects. The service at the church was conducted by Rev. J. W. Derby.

The hymns by the choir were "When I've Gone the Last Mile of My Way" and "Nearer, My God, to Thee". A quartette by four Oddfellows: Blair Leeman, Aubrey Elliott, Clifton Outhouse and John Outhouse, entitled "Some Time, Some Where". Rainbow Lodge marched in a body to the church

Clothing Needed

Countless millions of people in Europe and Asia desperately need all the used garments that the men, women and children of Canada can spare. They need clothes to replace the rags on their backs, to keep warm, to restore their health and self-respect. An urgent appeal is made to every Canadian family to ransack their attics, wardrobes, trunks and contribute every available garment that they can spare to the National Clothing Collection. Local depots will be announced shortly.

More wedding bells in the near future.

Mr. and Mrs. L. V. Harris and Mrs. J. H. Cunningham motored to Halifax on Monday where Mr. Harris attended meetings of the Anglican Church.

Dr. and Mrs. R. D. Rowter of Bridgewater were in town on Sunday calling on friends. The Doctor is taking two weeks' vacation and, with Mrs. Rowter, left on Monday for Boston and New York and will take a refresher course in surgery.

"GIVE, GIVE!"

Give to the Clothing Drive. Here is what is needed:—suits, overcoats, uniforms, work clothes, for men and boys; infant clothes of all kinds; coats; dresses; aprons and smocks; shoes, tied securely tied together with strings; caps; felt hats; gloves; woollen socks; underclothing; piece goods; blankets, sheets and quilts; all washable garments and goods, clean but not ironed. Air them out a little on the line, then make a stout bale well tied.

Winning the war for the people in Europe didn't mean an end to their suffering; it only meant a different kind. Going home for millions of them meant a hole where the cellar was and grass growing up through the rubble. It meant starting life all over again without even a decent suit of clothes or an overcoat, or a pair of shoes for their feet. Help us share our plenty with them; show them by kindly deeds that victory was not hollow mockery. Famine won't wait—or death. Just be glad you're you and make them them glad also.

Mrs. Ernest Banks and son Edwin of Kingston is visiting her parents, Mr. and Mrs. Robert Rice at Morganville.

WHEAT MEAT CHEESE EGGS

All we can send

— CANADA

The most efficient way in which we can send increased bulk shipments of **WHEAT, MEAT, CHEESE and EGGS** to needy countries is through the Canadian government food Boards. These increased bulk shipments can only be made providing we reduce our own consumption. Here are five important ways by which we can make greater quantities of food available for export:

- (1) BUY AND USE LESS BREAD, FLOUR AND OTHER WHEAT PRODUCTS, MEAT, CHEESE AND EGGS. SUBSTITUTE VEGETABLES, FRUIT AND FISH WHERE POSSIBLE.
- (2) KEEP YOUR HOME STOCKS LOW — BUY ONLY ENOUGH FOR IMMEDIATE REQUIREMENTS.
- (3) AVOID ALL WASTE.
- (4) GROW A VICTORY GARDEN AGAIN THIS YEAR. PLANT MORE THIS TIME IF YOU CAN.
- (5) DONATE ANY MEAT COUPONS YOU CAN SPARE. ENQUIRE AT YOUR LOCAL RATION BOARD.

Share with the hungry!

Campobello Monument to Late Pres. Roosevelt

The Historic Sites and Monuments Board of Canada has just completed its annual meeting in Ottawa under the Chairmanship of Dr. J. Clarence Webster of Shediac, New Brunswick. The meeting lasted for three days, May 15th, 16th and 17th, and members of the Board were welcomed by Minister of Mines and Resources, The Honourable J. A. Glen. The Board is an honorary body of well-recognized historians who assist and advise the National Parks Bureau in the work of restoring, preserving and administering national historic parks and sites in Canada.

During the war the work of acquiring and commemorating these national historic places was greatly curtailed, but plans are now under way for the carrying out of many of the Board's recommendations for post-war development. These include a monument to be erected at Campobello Island, New Brunswick, to the memory of the late President Franklin Delano Roosevelt, a monument to Lucy Maud Montgomery, author of "Ann of Green Gables", and to Father Jacques Marquette, the discoverer of the Mississippi River. Among tablets to be erected will be one in the Parliament Buildings at Victoria, British Columbia, to Sir James Douglas, the "father" of British Columbia, and at New Westminster, also in British Columbia, to Judge Howay, a distinguished historian and latterly Chairman of the Historic Sites

and Monuments Board of Canada. Other members attending the Board Meeting in Ottawa were Professor Walter N. Sage of Vancouver, British Columbia, Professor M. H. Long of Edmonton, Alberta, J. A. Gregory of North Battleford, Saskatchewan, Reverend Antoine d'Eschambault of St. Boniface, Manitoba, Professor Fred Landon, London, Ontario, Honourable E. Fabre-Surveyer, Montreal, Quebec, Professor D. C. Harvey, Halifax, Nova Scotia, Major G. Lanctot, and W. D. Cromarty of Ottawa.

The carrying out of many of the recommendations made during the course of this meeting will have to be held in abeyance until such time as the shortage of materials and skilled labour in Canada has been overcome.

KEEP AN EYE ON THAT TOASTER

Burned toast feeds nobody! That slice of bread which goes up in smoke in the breakfast rush is part of the waste which Canadians are asked to eliminate in order that there may be more wheat for the hungry. One slice of wasted bread from every Canadian household means a waste of 1200 98-pound bags of flour, or more than 117,000 24-ounce loaves. Thousands of loaves can be saved simply by using every crumb of bread which is bought, and buying only what is needed. Every man, woman and child in the Dominion can add a little to the world's stockpile of foodstuffs by eliminating waste.

New Sample Survey of Canadian Population

The town of Digby and polling divisions 2 and 18 are to be included in a sample survey of the Canadian population which will be taken by the Dominion Bureau of Statistics during the two weeks beginning Monday, June 11. The survey is the third in a series of quarterly surveys destined to obtain current estimates of the volume of employment, unemployment and other labour force information and will cover approximately 25,000 households in about 100 randomly selected cities or sample areas scattered across Canada.

On the basis of the survey, estimates of employment in different industries, weekly hours of work, the regional distribution of unemployment, the number of students and other non-workers, and other significant statistical data are obtained. The sampling method used in the labour force survey uses the most recent developments in statistical theory, in order to achieve both speed and efficiency in the sampling operations.

The survey will be carried out by official enumerators of the Dominion Bureau of Statistics, who will interview a small fraction of the households in the selected areas during the two weeks the survey is in progress. All enumerators carry official credentials and any information given to them is strictly confidential.

No enumerator exercises any personal choice or option in the selection of households to be interviewed, since all sample households are either picked beforehand or are selected by completely random methods by the enumerators. Some households will be interviewed several times at intervals of three months, but very few more than four times. The explanation of the repetitive interviews is that they improve the reliability of estimates of changes from quarter to quarter.

Do not waste while others wait. Conserve food. Share with the hungry!

**"What the

"Yes, Frank, there's a whole tangle of troubles to be straightened out all over the world. Makes your head swim to think of it."

"And yet, Jim, most of it springs from one cause . . . suspicion. You and I wouldn't be very good neighbours if we suspected each other of all sorts of skulduggery. Actually, what the world needs is more good neighbours."

"Yes, the life insurance business is a good example. British life insurance companies have had offices in Canada since 1833 and several of our Canadian companies are well known throughout the United Kingdom."

"What about American companies?"

"We found it good business to be good neighbours with the American life insurance companies. We welcome them here. They carry almost one-third of all the life insurance in force in Canada. And our Canadian companies are well liked in the U.S.A. where they do a large and increasing business. As a matter of fact, they are well and favourably known throughout the world. Nearly half the business of the Canadian companies is outside Canada."

Life insurance is truly an international business—a neighbourly business. At home Canadians buy their life insurance as they choose from British or United States or Canadian companies. And our Canadian life insurance companies abroad! Who can assess the value to Canada of the confidence in the Dominion which they have built up over the years in their dealings with tens of thousands of foreign clients and of their services in establishing Canada's reputation for financial integrity and security throughout the world?

A message from the Life Insurance Companies in Canada and their agents.

Annual Meeting of Digby Co. Baptist Asso.

Resolutions bearing on the use of alcoholic liquors by the young people of the country, on the evil influence of certain types of motion pictures and literature, and on urging that the Bible be read in public schools were passed at the Annual District Meeting of the Digby County Baptist Association, held in the Bear River United Baptist Church.

Officers elected for the ensuing year were as follows: Chairman, Rev. T. W. Howard, Westport. Vice Chairman, Rev. J. M. Jones, Freeport. Secretary-Treasurer, Mrs. Stella Murley, Acadville.

A moment's silence was reverently observed in memory of the late Rev. J. B. Hogan, pastor of the Weymouth North Baptist Church, who passed away since the last District Meeting.

J. Vian Andrews, of North Range, presided over the opening of the meeting. The dedication of the new church building was conducted by Rev. B. W. Manzer of Barton. The theme was the Sacredness of Human Life.

The report of the Keymen was presented by Rev. G. D. Brydon, of Bear River who stated that to date \$1,328.94 had been collected on the County's denominational allotment. The allotment for Digby County is \$1,800.

M. C. Denton of Digby reported for the Centennial Fund, stating that to date none of the churches had reached their allotment. Pastors present gave assurance that plans have been made to finish collecting by the last of July, the end of the Centennial Year.

Rev. J. E. DeLong of Digby read a letter from Rev. A. Gibson regarding camp scholarships. Rev. T. W. Howard moved this matter be left with the pastorates of the district which shall be listed in alphabetical order, to choose a young person over 16 years of age to be sent to the summer camp for Christian Leadership training.

The meetings were brought to a close by an impressive Evangelistic appeal by Rev. J. M. Jones. Resolutions passed at this session were as follows:

1.—Whereas it has been the custom of this and other districts to call attention to the practise among young people of the use of alcoholic liquors, and as it seems wise to emphasize this matter, therefore be it resolved we again urge all Christians in our various churches to emphatically discourage this practise.

2.—Whereas we believe that young children in many cases receive bad influence from attendance at moving pictures, therefore be it resolved we urge all Christian parents to give personal attention to this matter, and if possible, prevent their children from seeing and hearing harmful things.

3.—Whereas the resolution regarding literature passed at a former district meeting, seems to us important, be it resolved we again adopt this resolution and

BETWEEN: MONICA SPADE, Plaintiff,

—and— EDGAR HOWARD SPADE and MILDRED EDITH OLIVER Defendants

UPON the application of the Plaintiff, upon hearing her counsel and upon reading the affidavits of Monica Spade and Jack Arnold Spade, filed;

1.—IT IS ORDERED that good and sufficient service upon the Defendants, Edgar Howard Spade and Mildred Edith Oliver, of the writ of Summons, Statement of Claim and verifying affidavit of the Plaintiff may be made by publishing this Order, and the Notice hereunder written, once a week for two weeks preceding the 22nd day of June, 1946, in the Digby Courier, a newspaper published in the Town of Digby, Nova Scotia;

2.—AND IT IS ORDERED that, if service is made as aforesaid, each Defendant do enter an appearance and file his or her Statement of Defence in the Office of the Registrar, at Ossoode Hall, Toronto, on or before the 15th day of July, 1946.

"H. E. PALEN" Assistant Registrar, S.C.O.

NOTICE

The Plaintiff claims dissolution of her marriage with the Defendant, Edgar Howard Spade, solemnized on or about the 11th day of November, 1937, at the City of Toronto, Ontario, on the ground that the Defendant, Edgar Howard Spade, entered into a bigamous marriage with the Defendant, Mildred Edith Oliver, on the 29th day of April, 1945, at the Town

Mrs. Clifford Ensor of Sandy Cove has been visiting her sister, Mrs. George Thibault, for a few days.

Alva Gidney has gone to Kingston for a short time to visit friends.

Mr. and Mrs. Douglas MacKay of Halifax are spending a week with the former's mother, Mrs. Frances MacKay. Douglas is recuperating from a recent operation.

Annie Peters and Mrs. Nola Worthylake of Digby spent the week end at their homes here.

Pat Thibault and little brother, Philip, spent the week end with their grandmother, Mrs. William Eldridge, of Sandy Cove.

The lobster fishing is over and most of the fishermen have their traps up at time of writing. The season was not as good as last financially with lobstering better in the Bay of Fundy than the St. Marys Bay.

Mrs. Carrie Raymond has returned home from Centreville where she has been visiting.

The Inspector of Schools, Mr. T. A. M. Kirk, visited our school one day last week. He highly praised the pupils on making such progress and general improvement in their work and school, thanks due to the efforts of their teacher, Mrs. K. P. White.

FOOD CONSERVATION FILLERS

One slice of bread saved each day by each Canadian would provide sufficient to increase the daily ration of 900,000 hungry people by 1000 calories.

Amherst ratepayers have approved a \$90,000 program of improvement and extension to municipal water and sewage systems and improvement of streets.

MARRIAGE

Ellis - Hudson

Uella Myrtle, daughter of Mr. and Mrs. Howard Ellis of Victoria Beach, was united in marriage with Kenneth Eugene Hudson, eldest son of Mr. and Mrs. Lloyd Hudson of Port Wade, on Friday, May 24th, Rev. J. F. McWilliam officiated at the ceremony which took place at Granville Beach.

The bride was becomingly attired in honor blue crepe, her accessories were in gold and she wore a corsage of spring flowers. She was attended by her sister, Miss Velda Ellis, who was dressed in turquoise blue with a matching hat. She also wore a corsage of spring flowers. The groom was attended by his brother, Garnet Hudson. After the ceremony the bridal party motored to Victoria Beach to the bride's home where a delicious luncheon was served to the guests. Later Mr. and Mrs. Hudson left on a short honeymoon trip to Penobscus, New Brunswick, via the Princess Helene. The bride's going away suit and topper were of two shades of blue. The bridegroom is a war veteran, having returned home in February of this year after serving two years overseas with the Royal Canadian Engineers. They will reside at Port Wade.

Meteghan

William Foley of Salmon River was on business here recently.

Norman Maillett, Councillor for Woodvale and Mrs. Maillett were recent visitors at Meteghan.

Miss Annette Gaudet, daughter of Patrick Gaudet who is employed as nurse at the Campbellton Hotel Dieu, is on vacation at home.

Wilfred Deveau, son of Walter Deveau, employed at the Nova Scotia Hospital, Dartmouth, is visiting at his parents' home for a few days before entering the Victoria General Hospital to obtain his graduation of male nurse.

Miss Mariette Belliveau, B.A. of the Normal College, Truro, spent the weekend with her parents, Dr. and Mrs. P. E. Belliveau, in company with Miss Unsil of New Waterford, C. B. at the same institution.

Organist Harold S. Hamer, F.R.C.O., of Halifax gave an organ recital in the evening, May 24th, on the Hammond organ which was installed lately in Stella Maris Church, Meteghan. There was a large audience among whom was Mr. Willis of the Willis Piano Co. Ltd., who also addressed the audience.

HAVE YOU A VICTORY GARDEN?

Every extra square foot of fertile Canadian soil cultivated this summer will add to the Dominion's food supply. Is your back yard fighting famine? Home-grown vegetables will not only nourish the family, but by substituting them for staple food-stuffs, greater quantities of meat, wheat, flour, cheese and eggs will be released for the hungry areas.

"LIFE'S BIGGER MOMENTS"

"And now you're going to be Married"

Naturally you're walking on air ever since she whispered that magic word. If ever there is a time when a man is entitled to disregard the laws of gravity, it is during the dreamy days which follow the popping of the 64-dollar question.

However, if you'll just climb down from that cloud for a minute, we'd like to suggest a very practical step which you should take before the wedding bells ring out. This step is to call in the North American Life representative and check over your Life Assurance programme. Likely your new responsibilities call for some changes in your Life Assurance plans. You'll find him well informed on all aspects of insurance for young married people. He has helped many a young man to line up a sound Life Assurance programme which protects his family and fits neatly into his budget.

Your Weekly

DAIRY NOTES

By VanDae

This column of information of vital interest to all, comes to you weekly with the compliments of Digby Dairy Limited and is part of its personal service.

It seems that some people fail to realize that the dairy industry is comprised of a triumvirate—the producer, the processor and the consumer—the farmer, the dairy and the public. All, in a sense, independent—but all, actually, interdependent.

Whatever affects the one adversely, by the very nature of their fundamental interdependence, affects the two others adversely. Essentially, they have one great common interest—the production, preparation and distribution of a basic and universal food, efficiently, economically, and to the greatest possible advantage of all three concerned.

Separately, no one, or even two, of them can even hope to achieve that purpose. Working together in the interests of all, no obstacle, however formidable, can really bar their path to the goal.

And while we talk a lot about farmers, let us never forget the noble part played by the farmer's wife. Her job has always been a big and important one. Her hours are long, and her efforts tireless. Out on the millions of farms of our country she goes about her daily tasks, sometimes under most trying conditions, almost unnoticed and completely unsung.

Our sincere, even if somewhat unobtrusively belated salute to the Farmer's Wife and to her splendidly invaluable service to our industry and to the many other interests of our country.

Nor do we for one moment forget the boys and girls on our farms, who, through their Calf Clubs and in many other ways,

are making a most valuable contribution to our rural and national prosperity.

We know that they might well devote their youthful hours and energies to other purposes; and we admire the spirit and devotion with which they sacrifice many a leisure hour in tasks which often assume the proportions of onerous burdens.

But we know that they are building wisely and well for their future. More than 25 per cent of our food is derived from milk and milk products. Though more than 50 per cent of our adult population never drink milk, its use as a beverage is daily increasing and the use of dairy products grows by leaps and bounds.

There is, beyond any doubt whatever, a tremendous and tremendously profitable future in the dairy industry. And so, while we agree fully that youth is the time for youthful activities and pleasure, and while we definitely hope never to see "old heads on young shoulders", we welcome our young folks to our ranks, pay our full tribute to the great things they have already accomplished, and trust that more and more of them will interest themselves in the most interesting and most stable of agricultural pursuits.

If each Canadian family used just one ounce less of meat every day, the national saving would be over 600 tons of meat a week—meat that would find its way to those who live with hunger.

WAR-TIME PRICES AND TRADE BOARD QUESTIONS AND ANSWERS

Q — I would like to get a used car but have no car to trade in. Is there anything I can do to get a decent car?

A — Under present regulations a dealer is not allowed to demand a trade-in. Dealers are now required to sell used cars to any person who offers to pay cash and are prohibited from demanding an exchange or trade-in of any kind. Every used car that is for sale by a dealer must have a tag on it showing the lawful price and the model, year and other particulars.

Q — I bought a summer cottage in the country, and plan to spend part of the summer there. However, I will be back and forth to my flat in the city, so intend to keep on renting, but my landlord tells me he is going to give me notice to vacate, because we have this cottage and will be living there part of the summer. Can he do this?

A — No. Unless there is a clause in your lease that you will not leave the house idle at any time, you may do so for short periods of this nature.

Q — We will be hiring extra help from time to time on our farm this summer. How many meals must I serve before I am entitled to extra coupons?

A — If you serve over twelve meals, make application to your nearest Local Ration Board. Under transient basis you will receive extra rations.

Q — I would like to know how many coupons are required for a jar of jam containing 24 fluid ounces? I was under the impression it should be 32 fluid ounces.

A — You are entitled to 24 fluid ounces of jam for each sugar coupon so your grocer was quite right when he took a coupon for this jar. We have never been able to buy 32 fluid ounces of jam with any type of coupon, so it would seem this was a misunderstanding.

Q — I don't use meat sauce but my dealer insists on my buying it before he will sell me ketchup. He says he has to buy the sauce to get the ketchup and I must do the same. I've been told this is illegal.

A — It is illegal. No dealer,

either wholesaler, retailer or manufacturer may force any customer to buy something he doesn't want in order to obtain something he wants.

DAIRY NOTES

By VanDee

This column of information of vital interest to all, comes to you weekly with the compliments of Digby Dairy Limited and is part of its personal service.

Compared with whole milk, which is known as "the perfectly balanced food", a serving of ice cream furnishes, on the average, about thirty more calories and about half as much protein and calcium as a glass of milk.

The calcium in one serving of ice cream equals about 17 per cent of the total adult daily need, very substantial amount when compared with the relative amount provided by other foods. To obtain the same amount of calcium from fruits, vegetables or eggs one would have to consume four large eggs, or one half head of cabbage, or two and one half average sized oranges, or nine potatoes, or nine carrots.

Is it any wonder that doctors and dieticians recommend this popular product of the dairy industry as a necessity in every well balanced diet?

Pasteurization is a modern and necessary method of destroying germs in milk without, in any way, cooking the milk or affecting its food values, and a precaution insisted upon by health authorities wherever public health and the prevention of epidemics are given proper oversight and attention.

Exhaustive tests have shown conclusively its efficiency in the prevention of many diseases, especially those to which children are particularly susceptible.

Which brings us to consideration of a way in which the producers of milk can better their own positions and further the interests of the industry in general.

Production of milk is only one side of the many sided dairy industry. The sale of the product is another—and one involving many factors.

We fear that a customer visiting some of our farms, particularly our smaller farms, and seeing the conditions under which milk is produced might have little stomach for dairy products for a long time to come.

Salesmanship may not be the farmer's forte—but clean cows, in clean, attractive barns, and more care in the handling of milk containers, will increase the public taste for milk and milk products.

And—and this should appeal to every farmer interested in the size of his pay cheques—clean, comfortable cows, in clean, comfortable quarters, actually produce much greater quantities of milk.

For mystery, a cow's udder

ranks with the secret plants where atomic bombs are produced.

The major constituents of milk, the sugar, the casein, the butterfat, and the albumen, are not found in the blood. Nor in any other part of the body.

Measurements of the amount of blood that passes through the udder reveal the astounding fact that 400 units are required for every unit of milk. That is, a cow producing 50 pounds of milk must pump 10 tons of blood through the udder—a labour equal to loading an equal tonnage on a wagon five feet high.

Holders of 1945 Big Game
Licenses

The Lands and Forests Act requires every holder of a license whether or not he killed a deer to report to the Minister of Lands and Forests within four days after the close of the open season and provides a penalty of not less than \$10.00 nor more than \$50.00 and the cancellation of license privileges for two years for failure to do so.

Due to the fact that the filing of a report by the licensee whether a kill was made or not is a new regulation, no action has so far been taken for failure to report. The information asked for in the return form attached to the license is necessary for management and statistical purposes, and any licensee who has not made a report is liable for the above penalties.

Every licensee who has not already reported is urged to do so immediately. A report on plain paper will be accepted if form provided has been mislaid.

Set Date for Clothing Drive

Tuesday, June 25th., is to be "Blitz Day" in Digby in the National Clothing Drive, according to Jack Brittain, Campaign Chairman for the town. On that day a fleet of trucks will make a thorough canvass of the town for all used clothes and every resident is urged to have a bundle or bundles of usable clothing ready for the collectors who will call at every house.

Arrangements are being made to have a clothing depot set up in some central location so that persons may leave bundles of clothing there. This will be as a convenience for those who may perhaps be away on the day of the drive and yet wish to make donations of clothing.

All of the clothing collected will be shipped to a central agency for sorting and bundling and shipment overseas to the needy of Europe.

More About "Miss Digby County"

All preparations have been made to give "Miss Digby County" and her attendants the time of their lives.

When the judges have made their choice, when congratulatory speeches have been made, and prizes given, all three, with their two friendly chaperones, will be whisked away to the PINES for a sumptuous dinner, and an evening of dancing. They'll be the sought after partners of the occasion.

What an experience to look forward to, and to remember. The happy confidence that accompanies her crown of flowers will remain with "Miss Digby County" for years. Can't you imagine her, sixty years from now, looking over her spectacles at her grandchildren, and saying, "No, my dears, I was not especially beautiful, but the judges did vote me the most attractive girl in the county!" What a memory!

Seriously though the contest is going to be lots of fun, and very, very pretty. Each and every one of you will be glad to have had a part in it.

But we are getting a bit anxious about those of you who have not as yet signed up. There are some pointers we want to give you, perhaps just what you need to make you one of the winners. Don't put off any longer. Come in and see us — TODAY.

SERVICEMEN'S DEPENDENTS APPRECIATE TRAIN MEALS

To carry more than 20,000 dependents of Canadian servicemen to their new homes in all sections of the Dominion, 87 special trains have been operated out of Halifax over Canadian National Railways' lines. The records of the Canadian Red Cross Society show that to date 9,686 wives and 5,904 children of soldiers, 3,956 and 1,440 of airmen and 538 and 131 of sailors have been brought to various points in Canada by rail. In addition, 45 wives of servicemen have been flown across the Atlantic by Trans-Canada Air Lines.

Figures released recently by the Department of National Defence, Ottawa, indicate that there are still at least another 50,000 dependents of Canadian service personnel to be brought to Canada. Based on this report, it is estimated by C.N.R. traffic department officers that another 200 of these "homes on wheels" specials will have to be operated before the last war bride has been welcomed to her new home.

One of the biggest tasks connected with the operation of the trains is serving of meals. To feed nearly 20,000 dependents and children going to

Quebec, Ontario, and Western Canada recently on C.N.R. trains, more than 20,000 meals were served. Here are a few of the many items which had to be stored in the dining car pantries—100 gallons of ice cream, enough for 10,000 portions; 500 gallons of milk, 8,000 glasses; three tons of meat, 900 dozens of eggs, four tons of vegetables and 1,250 loaves of bread.

The upper photograph shows a typical scene at meal time in the dining cars of the dependents' specials. In the lower, three cute little children, twins on the right, are enjoying cookies and milk in the Red Cross Welcome Canteen in Bonaventure Station, Montreal, on their arrival from Halifax on a C.N.R. special train.

OBITUARY

Lawrence Jesse Doucette

The death of Lawrence Jesse Doucette occurred at the Digby General Hospital on May 31st at the age of 28 years. He was confined to his bed most of the winter with heart ailments. Before his death he was employed at the Digby Garage as a taxi driver. Besides his parents, Mr. and Mrs. Frank Doucette, he leaves to mourn three sisters, Edna (Mrs. Arch Jordan) at Marshalltown, Mildred and Marie at home, also five brothers, Bennie at Halifax, Alonzo of Conway, Carry, Clifford at home. Funeral services were conducted by Rev. Father LeBlanc at the St. Croix Church in Plympton.

Kenneth James Amaro

Many people learned with regret of the death of Kenneth James Amaro, which took place at the Sanatorium June 5th, at the age of 35 years. He had been ill for about six years but only confined to his bed for a few weeks. He spent most of his life at Plympton and Digby. Surviving are his father and

step-mother, Mr. and Mrs. George C. Amaro, Plympton, N. S. and five sisters: Mrs. Dennis Theriault, Joggin Bridge, N. S.; Mrs. Kenneth L. Turnbull, Digby, N. S.; Mrs. John Cowan, Digby, N. S.; Mrs. Victor Saunders, Auburn, King's County, N. S.; and Mrs. Leo McCauley, Digby, N. S. Also one brother, Arnold Amaro at home. The funeral took place at the Roman Catholic Church at Plympton June 7th and was very largely attended by many friends from Digby, Auburn, Sissiboo Falls and Plympton to pay their last respects. The floral offerings were many and beautiful.

MARRIAGES

Comeau - Comeau

A pretty wedding took place in St. Bernard's Church, Tuesday morning, June 4, when Rev. J. E. LeBlanc united in marriage Miss Annie Mae Comeau, daughter of Mr. and Mrs. Otterre Comeau of St. Bernard, and Albert Comeau, son of Mr. and Mrs. Emile Comeau of Meteghan. The ceremony was followed by a Nuptial High Mass.

The bride was dressed in a long robe of white sheer crepe, long white veil and carried a bouquet of white carnations.

Her maid of honor, Mrs. Alfred Jeddry, sister of the groom, was dressed in powder blue taffeta with accessories to match, and carried a bouquet of pink carnations. Mr. Jeddry was best man.

After the ceremony, breakfast was served at the home of the bride's parents, following which the happy couple left on the Digby boat on a wedding tour to Saint John. On their return to Meteghan on Monday night they were given a reception at the home of the groom's parents.

NATIONAL CLOTHING COLLECTION

The orphaned victims who survived the horror of invasion and the squalor of life under enemy occupation are clad in rags. They are in dire need of all kinds of clothes. They need help and can be relieved by the donation of all the serviceable garments to the National Clothing Collection.

Everything is needed — coats, suits, trousers, dresses, shirts, bedding, sweaters, socks, pyjamas, shoes and overshoes, all that they can wear. Bundles should be sent to your local depot.

RETURNED TO C.P.R.: First Canadian Pacific passenger liner to be released from war and repatriation service the 20,022-ton Duchess of Bedford has been returned to her owners by the British Ministry of Transport. Upon completion of the reconditioning and modernization necessary after five years as a troop carrier she will resume her peacetime run for Canadian Pacific Steamships between Liverpool and Montreal or Saint John, N.B. The Duchess of Bedford last docked in Canada at Quebec City in August of 1945, landing 4,000 Canadian troops including the two toughest Canadian units, (Gard). From January of 1941 until her last voyage on the Liverpool-to-Bombay repatriation she

carried 170,000 passengers and steamed 437,189 miles in the war service from which she is now honorably discharged. Still in that service are the Duchess of Bedford, Empress of Scotland and Empress of Australia, of the ocean fleet, and the Princess Kathleen of the British Columbia Coast Steamships Service, owned and operated by the Canadian Pacific Railway. Of the 22 ships the Canadian Pacific turned over to the Admiralty from its two-ocean C.P.S.S. fleet, its B.C. coastal service and the Canadian Australasian Line, in which it is a partner, 12 were sunk, two lost and two taken over permanently by the Admiralty.

Attention Lumbermen

Believing that it is essential to secure good practice in the operation of all Nova Scotia forest lands and that appropriate laws can assist in making careful ownership of forests worth-while for the people of this province, the Nova Scotia Legislature has amended the Small Tree Conservation Act of 1942.

In its amended form this Act provides that after Sept. 1, 1946, any person conducting a lumbering operation totalling one hundred thousand board feet or more, or its equivalent by any other form of measurement, must obtain a license before felling any spruce, hemlock or pine trees under ten inches in diameter on the stump.

This Act does not apply to any person who does not cut spruce, hemlock or pine trees under ten inches diameter on the stump, or to any person whose logging or lumbering operations total less than one hundred thousand feet board measure, or its equivalent in cords.

The Department of Lands and Forests in cooperation with the Nova Scotia Forest Products Association and interested individuals will endeavour to work out regulations that will make possible a fair and equitable administration of this Act.

A Public Meeting for this purpose will be held
at the AGRICULTURAL COLLEGE, TRURO
on FRIDAY, JUNE 28th 1946, at 2 o'clock, p.m.
daylight saving time.

Copies of the Act are available. Correspondence and questions in regard to it are invited and should be addressed to:

FARM INCOME

Nova Scotia farmers received \$26,042,000 from sale of their farm products last year, the Department of Agriculture reports, quoting revised estimates. This was a decline of \$1,862,000 from 1944 but was still higher than the figure for 1943.

Must Report Their Deer

A warning to holders of 1945 big game licences that action may be taken against those failing to report whether or not a deer had been killed during the last open season has been issued by the minister of lands and forests, Hon. J. H. MacQuarrie.

The regulation, which requires every holder of a license to report within four days after the close of the open season, is a new regulation, the attorney-general explained, and for that reason no action has so far been taken against those failing to report.

However, he urged those who had failed to comply with the order to do so immediately and warned that penalties may be imposed upon those failing to file a report.

The cancellation of license privileges for two years plus fines of from \$10 to \$50 can be imposed upon the license holders failing to file a return, the attorney-general stated.

The return form attached to the license should be filled out and returned immediately, the minister said, but a report on plain paper would be accepted if the proper form had been misplaced.

EXHIBITIONS SET THEIR DATES

At least 11 county agricultural exhibitions will be held this summer in Nova Scotia. A. B. Banks, Exhibitions superintendent for the department of agriculture, said today. Plans and preparations are well under way and a record-breaking number of entries is expected.

All the fairs, except that in Colchester county, will take place in September. The exhibition at Truro is scheduled for the latter part of August. Dates for the county fairs are as follows:

Annapolis County fair at Lawrencetown, September 17-19; Cape Breton county at North Sydney, September 2-6; Colchester county at Truro, August 27-30; Cumberland county at Oxford, September 10-13; Digby County at Bear River, September 18 and 19; Halifax county at Middle Musquodoboit, September 17 and 18; Hants county at Windsor, September 17-19; Lunenburg county at Bridgewater, September 24-27; Pictou county at Pictou, September 3-5; Queen's county at Caledonia, September 17-20; Yarmouth county at Yarmouth, September 10-13.

Acaciaville-Hill Grove

Harry Gates returned to his home in Needham, Massachusetts, on Friday, after a week's visit with his parents, Mr. and Mrs. F. E. Gates.

Mrs. Goudy Nichols was delightfully entertained on May 22, the occasion being her birthday. A party of her children gathered to extend felicitations. Mrs. Nichols was the recipient of many lovely gifts, including flowers, cakes, cards and messages of congratulations.

Mr. and Mrs. Elden Wynn, New Germany, N. S., were visitors at the home of the latter's parents, Mr. and Mrs. Thomas Franklin, on Sunday.

Mrs. Jessie Harlow and daughter Ethelyn, Saint John, New Brunswick, were week end visitors at the home of Mr. and Mrs. J. W. Merley.

Mrs. Harold Marshall, Mrs. Vernon Rice and Mrs. John Munley attended all sessions of the District Meeting at the Bear River United Baptist Church on Tuesday. Mr. and Mrs. Perry Porter, Mr. and Mrs. D. C. MacKay, Mr. and Mrs. Otis Bell, Mrs. Beryl MacNeill and Mrs. Lloyd MacNeill attended the evening session as delegates from the Hill Grove United Baptist Church.

FOR SAFER DRIVING

Attorney-General Josiah MacQuarrie told the Halifax Board of Trade that Royal Canadian Mounted Police highway patrol would be stricter in enforcement of safe driving rules now that the wartime manpower shortage is at an end.

GOING UP AGAIN

Hit-Run Smash

Two brothers, William L. Rice, and Curtis Rice, both of Bear River, had a narrow escape from serious or fatal injuries Friday night at Waterville as a result of a hit and run accident. They were changing a tire on their car, when a speeding machine approached, struck their car and knocked Curtis Rice over. He was taken to Berwick Hospital, and it was first feared that he had a broken leg, but x-rays disclosed no fracture. The other brother was cut and bruised.

MARRIAGE

Parker - McCormick

A quiet wedding was solemnized at the United Baptist Parsonage, Bear River, on Monday afternoon June 3rd, at 2 o'clock, when Rev. G. D. Brydon united in marriage Clara Thelma McCormick, daughter of Mr. and Mrs. Ira McCormick, of Bear River, and Lawrence Maxwell Parker, son of Mrs. Maye Parker and the late Charles Parker of Wilmot, N. S. The double ring ceremony was used. The bride looked attractive in a street length dress of turquoise blue bunny wool with white accessories and a corsage of gardenias. Her cousin, Mrs. Clarence Isles was matron of honor, and wore a gold crepe dress with white accessories. The groom's brother, Charles Parker was best man at the ceremony. After a honeymoon spent at Sandy Bottom Lake, Mr. and Mrs. Parker will reside in Bear River. The groom has recently returned from overseas service.

W. I. Meeting

The Bear River Women's Institute was held on Monday afternoon, June 3rd, at the Masonic Rooms, with a good attendance. President, Mrs. H. E. Harris presided. Reports were given from the Home Economics, Rural Development, Youth and Education, Arts and Literature and Publicity Committees. Plans for the Digby County Rally which meets at Plympton on June 19th, were made. The Bear River W. I. are hostesses. Rev. Father Leo Murphy will be one of the guest speakers at these meetings.

Miss Mary Powers, assistant Superintendent of Women's Institute, Nova Scotia, is asking that members who can give meat coupons kindly leave them with Mrs. H. E. Harris, President of the Bear River W. I., so she can turn them in to Miss Powers at the Digby County Rally. These coupons will be sent so that the starving people of Europe can have more meat. Will anyone help in this great cause.

Philathea Class

The Philathea Class held their monthly meeting at the home of Mrs. Fred Read. Twenty ladies were present and a very enjoyable evening was spent.

The meeting was conducted by the new president, Mrs. Clarence Morgan. After the business session a short program was presented by the committee in charge.

It was reported that the Class had contributed a goodly number of articles to the Red Cross.

Delicious refreshments were served at the close of the meeting.

The Senior Students of Oakdene School, accompanied by Mr. and Mrs. Lewis Banks and their principal, Miss Odessa Smith, enjoyed a camping trip to Lake Kedjema-koodge over the recent holiday. The delightful weather permitted fishing, rowing, a weiner roast and excursions by motor boat and by truck, including a visit to the new Grafton Fish Hatchery.

Sewing Sisters of Deep Brook

The "Sewing Sisters" Club of Deep Brook brought a successful year's work to a close by staging an exhibition at the school on Friday afternoon, May 31st. An interested group of mothers and friends viewed the work which the girls had completed during the year, and expressed words of praise to the girls themselves and presented a vote of thanks to their leader, Miss Dorothy Thorne, principal of the school, for her able assistance. At the close of the exhibition, Miss Thorne presented the prize money to the girls, thanked the mothers for their support, and mentioned the help received from the primary teacher, Miss Myrna Charlton, and also from Miss Monta Grant, Supervisor of Girls' Club Work for Western Nova Scotia, and her assistant, Miss Elinor Blackie.

During the year the club was divided into two groups: the Seniors - 12 years and over, who each made a peasant skirt, a blouse, and a sample patch and darn; and the Juniors, who made a sewing bag, knitted a coat hanger cover, and embroidered a tea towel or similar article. The president of the club for the year was Jean Hiltz, and the secretary, Marilyn Adams. Judging was by Miss Grant and Miss Blackie. The girls raised prize money by an entertainment in the United Baptist Hall, on May 17th, at which they realized \$26.50. A substantial grant has been made them by the government.

Standing for the year is as follows: Senior group, 1st. Jean Hiltz, 93; 2nd. Iris Hiltz, 91; 3rd (tie), Shirley Adams and Marilyn Adams, 90; 4th. Mae Purdy, 89; 5th. Gladys Harvey, 88; 6th. June Steele, 85; 7th. Evelyn Durland, and Mildred Rhodes, 83; 8th. Phyllis Harvey, 82; 9th. June Milner, 81; and 10th. Lillian Vroom, 52 (work not complete). Junior group: 1st. Eva Harvey and Roberta MacNeill, 83; 2nd. Pauline Dittmars and Verna MacNeill, 82; 3rd. Virginia Adams and Georgina MacNeill, 81; 4th. Erna Nelson, 80; 5th. Marlene Dittmars, 79; 6th. Estelle Steele, 78; Elizabeth Hill, 51; and Connie Jollimore, 24. (the last two did not complete the work)

Card of thanks—I wish to express my sincere appreciation to kind friends for cards of sympathy, floral offerings and other acts of kindness. Special thanks to Dr. J. H. Slater, during the illness and death of my mother. Mrs. Roscoe Buckler, Bear River.

The Women's Auxiliary of St. Peter's Parish held their regular monthly meeting in Killam Hall Wednesday of last week. Following the business session a dainty afternoon tea was served.

The most important news pertaining to the Red Cross from now until the end of this month is the National Clothing Drive. All are asked to dig deep in their attics or other places where cast off clothing in wearable condition might be stored and get the bundles ready for collection. The Clothing Drive begins the 17th of this month and trucks will call for bundles June 20th.

Miss Shirley Nichols of the Royal Bank staff began her annual vacation this week.

Mr. and Mrs. Ernest Castle (Nee Jean Brooks) of Halifax were week end guests at the Goodwin Hotel.

Mrs. Roger Sabine entertained the ladies of the United Church Aid at her home last Thursday afternoon.

Theresa Granville, accompanied by Mrs. Robert Thompson of Saint John and her two small sons, spent the week end at her home here.

The treasurer announced at the meeting of the Red Cross branch last week that \$20.00 more had been received in the recent Membership Drive, making a total collection of \$487.90.

On Sunday afternoon, June 2, Canon R. D. Mess, rector of Christ (Anglican) Church, Chatham, Ontario, officiated at the christening of Elizabeth Beverly, infant daughter of Mr. and Mrs. Victor Jewiss. Godparents were Miss Iris Putock and Mr. Bill Robinson, Chatham, and Miss Norma Ruggles, Weymouth North. Mrs. Jewiss acted as proxy for Miss Ruggles.

Raise \$105. by Basket Social

A delightful Basket Social was held in St. Peter's Guild Hall on Wednesday last week. Baskets were prettily decorated and once again A. S. Elliot was on hand to auction them off. The sum of \$105 was realized. This money will be used for choir and church purposes.

Tea was served by Mrs. N. P. Ruggles and Mrs. H. B. Grant. After the lunch dancing was enjoyed by all.

Miss Shirley Nicholl is spending a vacation at Yarmouth.

C. G. I. T. SOCIAL

The Victory C. G. I. T. group, under the leadership of Mrs. C. F. Granville, held an old fashioned evening of games, sing-song and a basket social in Killam Hall Wednesday of last week. The singsong led by Wilfred Cosman with Mrs. Lalia Marshall as pianist, was much enjoyed and all present joined in heartily. Games and contests filled in the time until the auctioning of the baskets. Mr. Fletcher Bartlett, as auctioneer, kept the bidding going with many witty remarks, earning for the girls the notable sum of \$76.27. The four girls who will benefit from this money are Harriett Mullen, Margaret Hatt, Jessie Bartlett and Joan Hill, who will be attending the Pinehurst C.G.I.T. camp in July.

Mrs. Granville wishes to express her thanks and appreciation to all those from whom she received assistance and who helped make the evening a success.

With a good attendance, the Weymouth branch of the Canadian Legion held a smoker in the Scout Hall Tuesday evening of last week.

HOUSE FLY

BLUE-BOTTLE FLY

LIFE-CYCLE The house fly lays up to 600 eggs in such places as manure, garbage or human faeces.

In warm weather the eggs may hatch within 24 hours and the larvae pupate in less than a week. The flies emerging a few days later.

A million flies may develop from one ton of horse manure.

The blue-bottle (blow) fly has a similar life-cycle and breeds in meat, garbage, human faeces and in wounds and sores of living animals.

HABITS AND DISEASE: The house fly passes directly from filth to human food carrying bacteria and other organisms. It is supreme as a simple carrier of diseases including typhoid, dysentery, diarrhoea, tuberculosis, etc. Blow fly larvae in wounds cause tritiasis.

CONTROL: Clean up possible breeding places such as garbage dumps and manure piles. Manure should be kept in fly-proof receptacles and removed twice weekly.

Spread manure thinly in fields to dry or place in compact piles with clean-cut edges to produce heat by fermentation. Spray top layer with one pound of borax to six gallons of water. Keep garbage in fly-proof receptacles and destroy by burning. Prevent flies from having access to human faeces. Screen foodstuffs and use sprays, aerosols, poisoned baits, etc. Dispose of carcasses and offal by burial or incineration.

Guest Speaker at Annual Roll Call

REV. S. S. POOLE, D. D.

Guest Speaker at the Hill Grove Baptist Church Roll Call last week.

The Annual Roll Call Service in the Hill Grove United Baptist Church last Thursday was a success in every way. The weather was ideal—but it always is on Roll Call day. One of the officials of the church told us that as far back as the memory of the oldest member goes, there had never been anything but fine weather for the Roll Call. Attendance at both afternoon and evening sessions was large, the church being filled to capacity. The services were in charge of the pastor, Rev. J. S. DeLong, and the guest speaker, Rev. S. S. Poole, D. D., pastor of the Germann Street Baptist Church in Saint John. The Roll Call supper in the hall from 5:00 to 7:00 was well attended and a great many partook of the delightful meal. In the evening Dr. Poole expressed his pleasure at being present, and gave as his opinion that the Hill Grove Roll Call Service was a service unique in the Maritime Provinces. Year after year in one of the busiest seasons from an agricultural standpoint the church has been able to draw full congregations of men and women who would normally be engaged in their farming occupations. The collection for the day amounted to \$407.00.

Lady Baden-Powell in Canada
Lady Baden-Powell, G.B.E., the world chief guide and widow of the founder of Scouting and Guiding, is visiting Canada in June of this year. She will be in Nova Scotia four days from June 25 to June 29 and in Digby on Friday, June 28.

Guides, Brownies, Scouts and Cubs from Windsor to Yarmouth have been invited to be present in Wolfville to be inspected by Lady Baden-Powell. The inspection will take place on the Campus at 3 p.m. Friday, June 28, 1946. The public is cordially invited to attend.

MARRIAGE

Merritt - Stehelin
A very pretty wedding of great interest to the community took place at St. Mary's R. C. Church at Church Point last Thursday when Rev. O. Hebert united in marriage, Miss Agnes Stehelin, daughter of Mrs. and the late Major Emile J. Stehelin and Walter David Merritt, son of Mr. and Mrs. David Merritt of Springhill, Nova Scotia.

The bride was charmingly attired in an ivory satin Victorian gown with a sheer veil and crown of orange blossoms. She carried a white prayer book with orange blossom streamers.

The wedding gown and veil were the same as worn by the bride's mother at her wedding and the orange blossom streamers were worn by the bride's grandmother at their wedding.

The bride was given away by her brother, Major Paul Stehelin of Halifax, and his little daughter, Ann, aged two and one half years, was the flower girl and wore an electric blue gown styled the same as the bride's dress and she carried a basket of carnations and forget-me-nots.

The bridesmaid was Miss Anne Marie Stehelin, sister of the bride, and she wore an electric blue gown, with gloves and flower hat of rose colour. The best man was Paul LeBlanc of Church Point.

A buffet lunch was served at the bride's home to 200 guests. Among the prominent guests present, were: Mrs. Dr. McCleave and several nurses of the Digby Hospital staff; Mrs. E. H. Spinney and daughter of Yarmouth, and Dr. and Mrs. Melanson of Weymouth. Miss Jeanette Comeau, of Comeauville, sang a solo, "Mother Dear, O pray For Me", and Mrs. Willie J. Belliveau sang "Ave Maria" during the wedding services.

The happy couple left on the afternoon boat for Saint John and other New Brunswick points on their honeymoon.

Mr. Merritt is employed by the Royal Bank of Canada and has been relieving manager for the last several years and the bride is a graduate nurse, having specialized at the Digby General Hospital.

Tiddville

Mr. and Mrs. Charles Therio and family of East Ferry are residing here in this village.

Mr. and Mrs. Avery Nickerson and little son of Overton, Yarmouth County, are visiting Mrs. Nickerson's parents, Mr. and Mrs. Harold McCullough.

A number of young people from this vicinity took advantage of the fine day and drove up through the Annapolis Valley to enjoy the beauty and fragrance of the apple blossoms.

Mr. and Mrs. Albert Jenness and little daughters, Myrtle and Reta, of Quincey, Massachusetts, who have been visiting Mrs. Jenness' grandmother, Mrs. Daisy Stanton, left for their home on Thursday.

OBJECTIVE: A RINK FOR DIGBY

The slogan for Digby's 1946 July 1st Fair is "A rink for Digby". The objective set for this year is for gross receipts of \$4,000. William L. Troop, who has been appointed Fair Manager is receiving splendid co-operation from those whom he has contacted to assist him in arranging for this year's fair.

For several years Digby has featured a July 1 celebration. This was held under various sponsorships until 1943 when the Digby Board of Trade took the Fair under its wing. Since then the Fair has been held under Board of Trade auspices.

Realizing the need of an athletic field and other recreational facilities for the youth of the town, the Board of Trade adopted the July 1st Celebration as their medium to raise funds for an athletic field. Proceeds from the Fair have been turned into the Digby Board of Trade's Athletic Field Fund.

The result of their efforts to date have been the purchase of a large tract of land (a portion of

the old Digby Golf Course) and the expending of considerable money on this property for a ball field, an open air rink and other facilities. More money will be needed before the field is brought up to required standards.

However, there is a strong demand for a rink in Digby, and for that reason the board has decided to concentrate on the rink, and have adopted "A rink for Digby" as their slogan for this year.

During the late 20's and early 30's, Digby's Red Raven Hockey team was one of the best known teams in the Maritimes. For years it was a serious contender for the Nova Scotia and Maritime Hockey Titles, but the team dropped out of the picture as a serious contender after the destruction of the old Victoria Rink by fire.

Nevertheless, Digby always has been — and still is — a hockey town. Hockey is the favorite sport of all Digby Sports Fans. Give them "A rink for Digby" and the old Red Ravens will be revived as one of the best teams in the Maritimes.

Kiwanians Present D. V. A. Hospital With Record Player

A number of Kiwanians—members of the Digby Club—accompanied by a few friends, had the extreme pleasure of entertaining two wards of bed-ridden patients in the D.V.A. Hospital at Deep Brook last Wednesday evening. The group consisted of the cast of the play, "Utter Relaxation" and the Ballerinas with Mrs. Helen Anthony and Mrs. Louise Stevens as directors; Mrs. F. K. Hayden as pianist; Mrs. Harry Kirkpatrick in Scotch songs and Robert L. Taylor as soloist. The entire program was put through twice; it had been intended to play three times starting at 7:15, but a little delay at the start prevented starting before 7:45, and as the patients must be in bed at 10:00 the third performance was called off. It was rather a unique experience

for both players and audience. The performances had to be given in wards and the beds of the audience were wheeled as near as they could get by the nurses and attendants, until all available room was taken up. The play was the same as given in the recent minstrel show except that some "ad libbing" was done, bringing in the names of some of the hospital staff, causing a bit of good humored laughter. During the evening the Kiwanis Club presented to the hospital a new electric record player for the amusement of the patients. At the same time the Kiwanis musicians had the pleasure of using, for the first time in a public performance, a beautiful new piano, mounted on a portable platform, presented to them by the I. O. D. E.

Consul and Mrs. Willson Honored

The directors of the Eagle Pass and Piedras Negras Chambers of Commerce honored Consul and Mrs. G. L. Willson at a dinner in the Modern Club in Piedras Negras, Mexico, recently.

Mr. Willson recently retired after serving more than eight years as head of the American Consulate in Piedras Negras, Mexico.

Speakers at the dinner were Alfonso L. Bres, President of the Piedras Negras Chamber of Commerce, and H. T. Harper, vice-president of the Eagle Pass Chamber of Commerce.

Mr. Willson, in addition to the

Piedras Negras post, has served as consul at Matamoros, and Veracruz, Mexico. Yarmouth, Nova Scotia, Lagos, West Africa and Bremen, Germany. He also served one year in the Department of State in Washington.

Mrs. Willson and I regret to leave, and we shall always cherish memories of Eagle Pass and Piedras Negras," he said.

They planned to leave that week for their summer home in Nova Scotia.

Mrs. Willson was a Miss Adams, of Brighton. — Ed. Courier.

Rev. F. B. Gaskill, Rector of Trinity Church, attended the Anglican Synod Meeting held in Halifax last week.

Church Point

The Church Point branch of the Home and School Association held its regular monthly meeting Wednesday evening, June 5th, with a good attendance.

Miss Adele Doucet, secretary-treasurer, was appointed as delegate to represent the branch at the 10th convention to be held at Baddeck, Nova Scotia, on June 21. The convention will celebrate the 50th anniversary of the founding of the Home and School Association at Baddeck by Mr. and Mrs. Alexander Graham Bell, and will last three days.

The local branch voted \$15.00 towards the purchase of school prizes and the vice-president, Mr. Joseph P. Doucet, generously donated another \$10.00 and Rev. O. Hebert, Local parish priest, donated prizes to the value of \$10.00, making the grand total of \$35.00.

All officers and convenors of the different committees were re-elected by acclamation and were greatly praised for the fine work that had been accomplished since the organization of the local branch last fall.

The social portion of the meeting was in charge of Rev. O. Hebert and several French folk songs were sung by several members of the Association.

Ken Beckwith and Eddie Clark attended the Regional Meeting of Oddfellows held in Lunenburg last week.

MARRIAGE
Cox-Lynch

A very pretty wedding took place recently at Christ's Church, Quidi Vidi, Newfoundland, when Rev. E. T. Smith united in marriage Edith Lynch, daughter of Gilbert and the late Emma Lynch of St. John's, Newfoundland, and Harold Cox of Yarmouth and Granville Ferry, Nova Scotia. This was the first wedding held in this church in the past nine years. The bride looked very lovely as she entered the church on the arm of her father to the strains of the "Bridal Chorus", played by Mr. W. H. Stirling of St. Thomas Church. During the ceremony, "The Voice that breathed Eden" was sung. The bride was dressed in a powder blue wool suit with black inset trim and matching accessories with a corsage of Talisman roses. Her only attendant, her sister, Mrs. Lloyd Powell of Carbonear, wore a navy crepe dress with white accessories and a corsage of daffodils. The groom was ably supported by Lloyd Powell. After the ceremony the party motored around the city and thence to the bride's home where the reception was held. The honeymoon was spent at Woodstock "Topsail", after which the bride and groom left for North Sydney, Nova Scotia, where the groom is attending school under the Canadian Servicemen's re-establishment scheme. Mr. Cox is a brother of Mrs. Edwin Caswell, Granville Ferry.

OBITUARY
C. A. Longmire

The death of Charles Alfred Longmire, a highly respected citizen, took place at the home of his son, Robert Longmire, Hillsburn, just five months to the day since the passing of his wife. Mr. Longmire was born at Hillsburn 32 years ago. He was a good friend and kind and loving father. He leaves to mourn his loss his son Robert, two daughters, Mrs. Earl McKenzie of Granville Ferry and Mrs. Harold Riordan of Port Wade, and eight grandchildren: two sisters, Mrs. Alice Langmaid of Connecticut and Mrs. Hattie Stewart of Lynn, Massachusetts, and two brothers, Judson and Wallace Longmire, both living at Hillsburn.

Gordon Burnham was a recent visitor to Halifax where he met with officials of the Prudential Insurance Company who arrived in Halifax from London, England, aboard the Queen Mary.

Friends of Stanley Magee, formerly of the Bank of Nova Scotia staff in Digby and now of Bridge town, will be sorry to hear he is a patient in the polio clinic, Dartmouth.

What Does "Largest" Mean?

WORLD'S largest-selling brand of evaporated milk! Canada's largest! There are many brands of evaporated milk—but of them all, more homemakers and mothers consistently buy **Carnation** than any other brand. That's a great tribute to a great product!

Of course it isn't an accident. It is the result of a long record of dependable quality, carefully maintained . . . of doctors finding Carnation a fine food for bottle-fed babies; of mothers seeing children thrive on Carnation as a drinking milk; of whole families enjoying milk-rich dishes made with Carnation. For drinking or eating or "creaming"—you'll find that Carnation will become your favorite milk.

A Welcome Rain

The rain was most welcome to the farmers and gardeners of Digby town and county. The dry weather over the past few weeks has seriously affected the crops. Small fruits and vegetables have suffered most and it has been reported that the rain has been a great help in many cases as the crops have been able to grow. Strawberry growers report that the dry weather was having a bad effect. Many berries were drying up and had the dry weather continued, the crop, which early in the season promised to be exceptionally good, would have been seriously curtailed.

Heavy rains early in the spring seem to have given the hay crop a good start and the dry weather has had little effect. The crop this year should be a very large one.

Changes in Salvation Army

Changes in the command of the local corps of the Salvation Army were announced recently. Capt. True Ritchie and Lieut. Cranwell, who have been in charge for some time, will conduct their farewell service on Sunday. The new officers, Capt. Hefferman and Lieut. Snook, will hold a welcome meeting on Thursday next, when they will take over charge of the district.

MARRIAGE

VanTassel - Handspiker

A pretty wedding took place in Grace United Church, Saturday evening, June 15, when Rev. T. W. Hodgson united in marriage Audrey Jean, only daughter of Mr. and Mrs. Ainslie Handspiker of Digby to Cecil Roy VanTassel, eldest son of Mr. and Mrs. Leo VanTassel, also of Digby. The double ring ceremony was used.

The bride, who was given in marriage by her father, looked lovely in a floor length gown of ivory silk and wore a finger tip veil. Her wedding gown was bought as a gift from Holland by the bride's brother Osborne. She carried a bouquet of American Beauty roses and was attended by Eleanor Hanson.

Miss Hanson, Digby's princess in the recent Apple Blossom festival, was gowned in a floor length dress of blue sheer, and carried a bouquet of pink roses.

The groom was attended by Garnet Handspiker, brother of the bride. Ushers were Kenneth and Ronald VanTassel, cousins of the groom. Mrs. Harold Nichols presided at the church organ. The church was beautifully decorated with purple and white lilacs.

Following the ceremony a reception was held at the home of the bride's parents. The bride was formerly on the Digby Post Office staff, and the groom recently discharged after serving four and one half years with the R.C.M.C.

The happy couple left Tuesday on board the Princess Helene for a wedding trip to Port Arthur and Niagara Falls.

Handspiker - Wagner

A pretty wedding took place in St. Croix Church, Plympton, on June 4 when Father Louis LeBlanc united in marriage, Jennie Mae, daughter of Mr. and Mrs. Archie Wagner, Sissiboo Falls, and Osborne Edison, son of Mr. and Mrs. Alvin Handspiker, Digby.

The bride, looking charming in a floor length dress of white sheer with long veil. She carried a bouquet of white roses. She was attended by Mrs. Lendal Thibault who wore a floor length dress of rose sheer with white accessories and carried a bouquet of pink roses.

The groom was supported by the bride's brother, Edward Wagner. After the ceremony a wedding breakfast was held at the home of the bride's aunt, Mrs. Alphonse Boudreau, Gilbert's Cove, after which they motored through Bear River and Annapolis, returning for supper at the bride's home where some forty guests were present.

Mr. and Mrs. Handspiker will reside at Deep Brook where the groom is employed at the Cornwallis base. The groom has recently returned home after serving

Blue Cross — Low Cost Plan for Hospital Care

Membership Campaign Opens Monday, June 24

Non-profit, Prepaid Service Covering Hospital Bills to be Offered to Every Man, Woman, Child in Digby County

In opening the campaign, Mr. F. R. Eisner, chairman of the Board of the Digby General Hospital, said, "During this coming campaign, June 24th to July 13th, every man, woman and child the town and county of Digby will have an opportunity to join the Maritime Blue Cross, and as a Blue Cross member, be entitled to share in the hospital service benefits offered by this non-profit service."

In making the announcement he said, "So many have asked our hospital about the Blue Cross Plan for Hospital Care, that we have urged the Blue Cross to come to Digby to make it possible for everyone to join." At a special meeting held Monday evening the Board unanimously endorsed the coming membership campaign and asks every resident to give this program their wholehearted support.

The growth of the Maritime Blue Cross is amazing. Since its beginning on June 1, 1943 the plan has enjoyed a steady growth—to-day protecting 192,700 thrifty Maritimers against the worry and financial hazards of unpaid hospital bills.

The hospitals of the Maritimes

are dedicated to the care of the sick and the injured—they recognize how necessary hospital care is to the life of the community—they realize too, that people need hospital care, yet, because the need comes unexpectedly in most cases, the bill is almost always hard to pay. It was to remedy this condition that the hospitals of the Maritimes, including our Digby Hospital, created and sponsored the Blue Cross Plan for Hospital Care—a non-profit hospital service operated solely in the interest of the public. It enables us to place hospital care in the family budget by allowing everyone to prepay for hospital care on a regular, inexpensive and systematic basis.

This sound common sense idea is rapidly sweeping the Maritimes—over 7,000 new members being enrolled each month.

Family Benefits

Under this non-profit Plan, not only is the subscriber protected, but his wife and all his children under 17 years of age are included for equal benefits under Plan membership. Every person nam-

Party for Miss MacWhinnie

A delightful party in honor of Miss Elizabeth MacWhinnie was held at the home of Principal F. C. Purdy last Wednesday evening. Following a social evening Miss MacWhinnie was presented with a lovely framed photograph of Digby, on behalf of the members of the Academy teaching staff.

Presentations were also made at the party to Miss Hill, Miss Antoinette Belliveau and Leonard Embree, of the teaching staff, who are leaving the Academy at the close of the term.

Sturgeon Met With Ready Sale

Arthur Sibley, of Marshalltown, was peddling fish on the Digby streets on Tuesday—and finding an excellent sale for his product. The fish was a 150-lb. sturgeon taken in one of the weirs at the head of the Bay of Fundy over the week end. The big fellow yielded over seven pounds of roe (caviar) which brought a fancy price.

To Continue Consolidation

It was stated at last week's meeting of the School Board that the school consolidation now in effect at the Academy would continue for another year providing the outside schools still wished to send their pupils to Digby. It was also stated that the Wagner Tours would continue to provide school bus service to the districts concerned.

When reading this news kindly inform your friends and relatives of Dr. Shane's intention to be in your locality from July 8th to July 14th, as they may wish to have their eyes examined and glasses fitted. Tell them to write to Dr. Shane's office at Bridgewater and he will call at their home. For this service there is no additional charge.

The young couple received many useful gifts.

Bishop to Visit Digby

The Rt. Rev. George Frederick Kingston, Bishop of Nova Scotia will pay an official visit to the Parish of Digby next week, according to announcements made in Trinity church on Sunday last.

On Sunday afternoon at 3:00 o'clock, His Lordship will speak at the official re-opening service at St. Paul's church, Marshalltown. This service will be one of thanksgiving for the restoration of the church which was badly damaged by lightning some time ago. Special music at the service will be provided by the choir of the church.

On Monday evening at 7:30 he will administer the rite of Confirmation to a number of candidates in Trinity church, Digby. He will also be the special speaker at this service.

The rite of Confirmation will also be administered to candidates at the Church of the Nativity in Sandy Cove, Monday afternoon, at 3:00 o'clock.

Heads Boxmakers

Hubert M. Warne was elected president of the Maritime Wooden Box Association at their annual meeting held in Kentville last week.

Other officers elected were: Vice-President for Nova Scotia, D. W. Murray, Hantsport; Secretary-Treasurer, Stanley Cummings, Amherst. Retiring president, L. J. O'Brien, of Chatham, presided at the meeting.

Discussed at the meeting was the present problem of the higher costs of labour and material in a market still governed by ceiling prices. The members learned that price ceilings will probably be left on wooden boxes for some time.

Took Second Place

Margaret Harnish, of Gulliver's Cove, Grade IX student at the School for the Blind, Halifax, was a close second in the school closing exercises recently. Miss Harnish won high honors with five prizes and one certificate. Mavis Salter, of Hantsport, a Grade X pupil led the school winning six prizes and three certificates.

Posthumous Award

Notification has come to Mrs. J. A. Woof, Conway, that a posthumous honor has been awarded her son, Pilot Officer Reginald Woof, who lost his life August 1, 1942, on an operational flight over Holland.

Pilot Officer Woof had distinguished himself on several engagements with the enemy and had made 28 operational flights.

The award read as follows: "This is to certify that Pilot Officer R. Woof has been posthumously awarded the Operational Wings of the Royal Canadian Air Force in recognition of gallant service in action against the enemy."

(Signed)
Robert Leckie, Air Marshall
Chief of Air Staff.

Discuss Closing Plans

Final plans for the Academy closing exercises were discussed at last week's School Board meeting. It was stated that an important announcement regarding School Board policy would be made at the Senior High School closing on Friday of next week.

Inspector T. A. M. Kirk attended the meeting and discussed several important matters concerning school activities with the Board.

NO LOWER FREIGHT RATES FOR DIGBY

According to a letter written by G. Haim, Assistant Freight Traffic Manager, Montreal, and addressed to Rand Matheson, Transportation Manager, Maritime Board of Trade, the Canadian Pacific Railway has refused the Digby Board of Trade's demand for the same treatment of freight rates on goods shipped from Saint John to Digby via "Princess Helene" as given to "beyond points."

The letter, read at a meeting of the Digby Board of Trade, stated Mr. Haim had gone into the matter thoroughly and felt his company was not in a position to implement lower rates than those in effect inclusive of P.U.D. Service.

Freight rates on goods shipped from Saint John have long been a sore point with Digby merchants. Early in 1945 the Board of Trade held a meeting with representatives of the railway, at which time a new schedule was drawn up, listing the same rates on most commodities to Digby as to "beyond" points.

When the new schedule was put into operation, however, it was found Digby's rate was still higher than the rate to outside points, due to the fact that on goods shipped to Digby the company was adhering strictly to the schedule, while on goods shipped to outside points delivery was made to the door at station delivery rate.

Several meetings were held with officials of both the Dominion Atlantic and Canadian Pacific Railways in order to get the matter straightened out. Dis-

Hospital Association to Meet in Digby

The annual convention of the Maritime Hospital Association, to be held at the Pines next Tuesday, Wednesday and Thursday, will be attended by some 300 delegates representing 52 member hospitals and the 200,000 Blue Cross members in the Maritime Provinces.

The program, as released this week by the secretary, Mayor Gladys M. Porter, Kentville, and Miss Ruth G. Wilson, Moncton executive, will be centred chiefly on discussions concerning Maritime hospital problems.

Mayor J. W. Merkel, of Digby, will deliver the address of welcome.

Dr. R. J. Collins, Saint John, president Maritime Hospital Association, will preside over Maritime Hospital Association meetings, and Dr. J. A. McMillan of Charlottetown over the Blue Cross sessions.

Annapolis Deanery Meets

The clergy of the Annapolis Deanery held their regular meeting in the Trinity Parish Hall on Tuesday. The meeting was a very interesting one and featured discussion concerning many problems confronting the deanery.

Special speaker at the session was Rev. C. A. Simpson, Professor of Old Testament History, at the General Theological Seminary, in New York. Mr. Simpson delivered an interesting address on "Eucharist and Redemption."

Rev. T. R. B. Anderson, Rural Dean, presided over the meeting. Present were Rev. E. B. Gabriel, Annapolis Royal; Rev. Carl Tufts, Clementsport; Rev. A. B. Pitcher, Round Hill; Rev. G. Brodie, Weymouth, and Rev. F. B. Gaskill, The parishes of Bridgetown and Granville Ferry were not represented at the gathering.

V.O.N. SUPERVISOR VISITS DIGBY BRANCH

Miss Elizabeth Smellie, C.B.E., R.R.C., L.L.D., of Ottawa, chief superintendent of the Victorian Order of Nurses for Canada, spoke to members of the Digby Branch of the V.O.N. Board Friday morning when they were entertained by the first vice president, Mrs. G. W. Connell, at her home, Queen Street. Mrs. L. H. Morse poured coffee, Mrs. H. E. Kirkpatrick and Mrs. A. L. Robinson served.

Miss Smellie congratulated the Digby Branch on their 25 years of service, the same length of time she, herself has been associated with the Victorian Order—and particularly for the accomplishments of the past year which included the purchase of a car and the installation of a private phone for the nurse.

The chief supervisor said her tour was not so much constructive visiting as linking up 104 Branches all across Canada. She marvelled on the manner in which Board members carried on during the war with so much added responsibility, and how the Victorian Order Nurses themselves stood by.

County nursing by the Victorian Order was one of the interesting topics discussed by the superintendent. References were also made to the D.V.A. service rendered by the V.O.N., pensions for nurses and scholarships awarded, uniform allowances and other matters.

During her discourse Miss Smellie told of her visit to Norway and Sweden in 1936 and of some of her experiences while serving in the war.

T. A. M. Kirk, inspector of schools for the municipalities of Digby and Yarmouth, pointed out a few of the advances that have been made in the field of education in the province of Nova Scotia, and declared, this province one of the leaders in this field. Those who scoff at the educational system of Nova Scotia and declare we are behind the times, are not aware of the facts, he declared.

During recent years this province has made great strides, he said, and pointed out Nova Scotia was the first province in Canada to inaugurate the school broadcasts, and that Nova Scotia was also the first province to name a Director of Vocational Guidance as part of its educational program.

He stressed the value of the various grants made by the provincial government to assist education.

He said there has been a big change in the educational outlook of the province. Salaries of teachers have been raised to the point where the teaching profession offers opportunities that compare favorably with those afforded by other professions.

Mr. Kirk's address was delivered to the Digby Kiwanis Club, at the Myrtle House, Monday evening. C. M. Levy was chairman of the meeting. The vote of thanks to the speaker was moved by H. J. Campbell.

At this meeting Ray Underwood was appointed to arrange for the decorating of the Kiwanis float for Digby's July 1st celebration.

Mr. Alfred W. Andrews, Toronto, Ontario, and Mrs. Alfred W. Andrews and daughter, Sally Ann, Kentville, is visiting the former's parents, Mr. and Mrs. A. W. Andrews, North Range.

Gordon Burnham, agent for the Prudential Assurance Company, of London, England, attended the Sales Congress of Life Underwriters, held in Halifax last week.

ed on the family application is entitled to 30 days hospital care each year. The liberal benefits include, beside your regular daily charge, the many extras such as operating room charges, ordinary medicines, dressings, plaster casts and when a patient in the hospital and in the course of treatment—films of the heart, basal metabolism tests, X-Rays to the extent of \$10.00 per admission, etc.

Special Features

Being strictly a Service Plan, without a profit motive, in joining Blue Cross, there is no red tape—no age limit, no physical examination, no medical questionnaire—when you become ill you do not have to have your family doctor complete and file claims in your favor, no annoying delays, but hospital care when you need it in any recognized general hospital in the Maritime Provinces—and in the case of an emergency—any hospital in Canada or the United States.

Firm Groups

All persons on the payroll of a firm employing five or more persons may enrol at their places of work on a payroll deduction basis.

Residents of the Town of Digby Any person who resides in Digby, and who is not employed where five or more work, is eligible to enrol as a member of the Digby Community Group by making application at the temporary Blue Cross Headquarters arranged for your convenience at Wright's. This is a special campaign offer, and if you are interested in joining as an individual member, you must act now—after July 13th absolutely no individual applications will be accepted from residents of Digby for a period of one year after the close of this campaign.

Rural Residents

Blue Cross is much interested in bringing Blue Cross Health Service to every family in the County of Digby. If you live in a rural community and are interested in Blue Cross, talk Blue Cross over with your friends and neighbors with the view of forming a Blue Cross Group. Get busy and have some community organization form a Blue Cross group through which you and your family may join. For the next three weeks, Blue Cross representatives, Mr. R. J. Mulcahey, Miss Mary H. Sherwood, P. S. King and Miss Gertrude Butler, all qualified representatives of the Plan, will be here and anxious to serve you. For more complete information, for assistance in the formation of a group for a speaker to address a meet-

ing in your district, get in touch with one of the above representatives at the temporary local headquarters. If this should not be convenient write Maritime Blue Cross, Box 220, Moncton, N. B. for complete information. But, remember, for those considering a meeting, only a limited number of meetings can be handled during the campaign—Blue Cross is anxious to serve you, but you must act now.

Headquarters

For the convenience of the people of Digby and the residents of the county, Mr. O. Wright has kindly arranged that from June 24 to July 13, temporary Blue Cross Headquarters will be located in Wright's Store where

HAPPINESS

What happiness is, the Bible alone shows clearly and certainly, and points out the way that leads to the attainment of it.—Coleridge

Happiness is neither within us only, or without us; it is the union of ourselves with God.—Pascal

The strength and the happiness of a man consists in finding out the way in which God is going, and going in that way too.

MARRIAGE

Layfield - Porter

The marriage of Kathleen Layfield, daughter of Mr. and Mrs. William Porter, of Digby County, and of William A. Layfield, of Kingston, Ontario, was solemnized Monday evening, June 3, at Mount St. Mary's, Nova Scotia, Rev. S. G. MacQueen officiating.

The bride wore a blue suit with white accessories. The couple were attended by Mr. and Mrs. Fritz Porter, brother and sister-in-law of the bride and groom. Following the ceremony the bride and groom left on a short tour of the province.

The bride is on the staff of Dillon's Shoe Store, Digby. The groom, a member of the R. C. N. is stationed at Halifax. Later, Mr. and Mrs. Layfield will make their home in Ontario.

Comeau - Dugas

A double ring wedding ceremony was solemnized in Stella Maris Church, Meteghan, at 8 o'clock, Wednesday morning, June 11, when Rev. F. M. J. LeBlanc of St. Alphonsus de Clare, united in marriage Mildred Dugas, daughter of Mr. and Mrs. John Dugas, and Denis Comeau, son of Mr. and Mrs. Alphie Comeau, both of Meteghan. The groom is a veteran of this war.

The bride was beautifully attired in a white satin gown, small white hat, and a three-quarter length white veil. She carried a bouquet of red roses. Her sister, Mrs. Beatrice Benza, matron of honor, was dressed in pink and carried a muff cased of red roses. The groom's brother, Alphonsus Comeau, also a war veteran, was best man. The brides sister, Miss Cecelia, of Brookline, Mass., was also in attendance.

Mrs. Joseph LeBlanc presided at the organ for the nuptial March, and accompanied the singing of the Mass which was rendered by Miss Louise Melanson and A. F. Bache.

Following the ceremony breakfast was served at the home of the groom's parents, after which the happy couple motored to Yarmouth for dinner. On their return the wedding supper and party took

FIT THE BODY: Scientifically recorded measurements of 3,867 persons in seated posture was the basis of these Sleepy Hollow chairs, best ever devised for comfort, which the Canadian Pacific Railway is installing in 35 new air-conditioned passenger coaches on which delivery is expected early in 1947. Built to "give" with body curves and distribute weight properly the new chair is sometimes referred to as the Hooton chair, because of research done by Dr. Earnest Hooton of Harvard University whose experts took the measurements of the better than three thousand volunteers at railway terminals of two of America's largest cities. For chowchows an adjustable footrest is

provided, (inset), it having been determined women like to ride in stocking feet as they nap. Cost of the new chairs alone will be more than \$300,000, with this figure being part of a four million-dollar appropriation, the first large passenger equipment order it has been possible to make since 1939, with double bedroom-roomette cars and express-baggage cars as well as passenger coaches included in the appropriation. The Canadian Pacific is the first railway in the Dominion to approve the new chairs and it will further pioneer in the 35 new coaches with the installation of the first electrically refrigerated water coolers on a Canadian road.

FIRST CANADIAN RAIL JOURNEY

Afternoon tea in the dining car with their mother, Her Excellency, The Viscountess Alexander, and then the thrill of a visit to the cab of the giant Canadian National Railway locomotive pulling the Vice-Royal special from Halifax to Ottawa were among the pleasant and, indeed, exciting experiences for the Alexander children during their first two days in Canada. They were delighted to see grapefruit and bananas, for instance, on the dinner menu, both rare commodities in Britain, to say nothing of roast beef, fruit pies and ice cream. On boarding the train the three children, Rose, Shane and Brian, discovered a well-filled fruit bowl in the dining room of the Governor-General's car and soon after received per-

mission from their governess to help themselves. The bananas, oranges, pears and apples quickly disappeared and Rose, speaking for herself and two brothers, told the steward that the fruit tasted "marvellous". The photographs show: Top—Viscountess Alexander and her three children about to have afternoon tea in a C.N.R. dining car. Bottom, left—Brian, 6, is being helped by the big locomotive after inspecting the many instruments in the cab. Bottom, right—Rose, 12, and Shane, 10, sitting in the "driver's seat" of locomotive No. 6201. They thought it was fun and hated to leave the engine cab when the signal was given for the train to proceed to Ottawa.

Mr. and Mrs. J. W. Sabine, of Riverdale, returned from Saint John on Friday. Mrs. Sabine was called to that city some time ago because of the serious illness of her mother. Mrs. Ella Selina Fullerton, West Saint John, who died on Saturday, June 8th. Mrs. Fullerton, who was the widow of Frederick Fullerton, is well known

in Digby county, having frequently visited her daughter in Riverdale.

Mrs. A. Watkins has been visiting for the past week with her daughter, Mrs. Ernest Budder, (formerly Mrs. John Trask) in Little River.

Your Weekly

DAIRY NOTES

By VanDee

This column of information of vital interest to all, comes to you weekly with the compliments of Digby Dairy Limited and is part of its personal service.

The more the science of nutrition, is probed by competent, truth-seeking investigators, the more apparent it becomes that Milk and Milk Products are essential to the building of healthy bodies and sound minds.

And the more apparent it becomes also, that modern methods of producing, processing and distributing these products are of the most vital importance.

Commencing on the dairy farms and continuing right through the picture to the consumers' tables, modern methods of dairying assure pure, wholesome, appetizing food, protected at every step.

Again we emphasize that the recent increase of 2 cents per quart in Milk prices is the fault of neither the farmer nor of the dairies. In fact, it is not actually an increase at all, for the legal price of milk has been 2 cts. more than you have been paying for a matter of three years or more.

It is simply that the Government has discontinued its Milk subsidy, and you are now paying the full rate yourself instead of having part of it paid for you out of public funds.

Not long ago the Dairy Research Bureau of the American Government reported finding a new substance in butterfat. So far, this substance has not been found in any other fat. For the time being, it has been named X. It is thought that it may be one of the butterfat components which enhance the quality of butter.

Britain's 10-Year Plan for her Dairy Industry includes the supplying of fresh, fluid milk to every man, woman and child in the country.

That plainly means leaving her

markets wide open to Canada, and the other Dominions, for her butter and cheese needs.

It must be obvious that markets for our Canadian Dairy Industry will be available for a long time to come.

Ice, Cream is often called the balance wheel of the dairy industry.

It depends upon the farmer for nearly all its ingredients: the farmer depends upon it for a ready market for his peak milk and fruit production; and the public depend upon both for an enjoyable, refreshing, body-building, energizing and nourishing food.

There are tremendous possibilities of creating huge new markets in the powdered and condensed Milk field.

Newfoundland, for a ready example, is one of the many countries where it is almost impossible to produce hay. Hay sells there at \$50.00 per ton, and liquid Milk at 30 to 35 cents per quart.

There are many other countries where similar conditions exist, and where no attempt to produce Dairy Products should be made; but Milk can be produced in Canada, and other favored parts of the world, and shipped to Newfoundland and elsewhere where needed, in powdered form, at a reasonable cost to the consumer and a fair profit to the producer.

FARM-LIFE to-day is vastly different from what it was fifty years ago. Then the bane of farming existence could be summed up in one word—**isolation**.

To-day with good roads the farmer is only a matter of minutes away from his marketing and buying centre. Radio brings the world of entertainment and current events into even the kitchen. Communication by telephone brings his family and himself, his neighbours, and his friends into one great community of fellowship.

The Maritime Telegraph & Telephone Co., Ltd. is glad to have contributed its share in this development.

Tres Chic, Mr. Cholmondeley, but...
(A SIMPLE TALE TO SHOW HOW BANK CREDIT WORKS)

Mr. C. has dreamed up this creation for the fall trade. He's counting on its being a sensational success. And it will be . . . but later.

In the meantime he's short of cash.

He's used up most of his working capital to buy materials. He needs money to keep his factory going, to pay his workmen, to meet other bills.

So he borrows from the Royal Bank and doesn't lose a day. And when his customers pay him, Cholmondeley pays off the bank.

It's as simple as that—a typical everyday transaction between this bank and one of its business customers.

WOULD A BANK LOAN HELP YOUR BUSINESS?

We are always looking for opportunities to lend money for productive purposes to enterprises large and small.

If bank credit would further the profitable operation of your business, have a talk with your Royal Bank Manager. He'd like to discuss it.

OBITUARY

William D. Dunlop
 There died on Saturday, June 8th, at the Blanchard - Fraser Memorial Hospital, Kentville, William McQ. Dunlop, age 81 years. Mr. Dunlop was for many years a well known and highly respected citizen of Bear River but owing to ill health had for the past year made his home in Kentville with his stepdaughter, Mrs. Max Wood. His wife predeceased him four months ago. Surviving are two step-daughters, Mrs. George Covert, Belmont, Massachusetts; and Mrs. Max Wood Kentville. Also one step-son, Fred Baker of Saint John. The funeral was held on Wednesday afternoon from St. John's Anglican Church, conducted by the rector, Rev. K. Tufts with interment in Mount Hope Cemetery.

Mrs. Burton Morine
 There passed away at the Digby Hospital, Sunday night, June 9th. Mrs. Burton Morine after a short illness. She was 64 years old. Mrs. Morine was formerly Nettie Henshaw, daughter of the late William Henshaw and Nancy Beals Henshaw of Bear River. She is survived by her husband and one son, Clifford Morine of Saint John; one sister, (Mary) Mrs. George Curtis of Annapolis; one brother, Roy Henshaw, druggist at Liverpool. One brother predeceased her. Funeral services were held on Wednesday afternoon from the Baptist Church, conducted by Rev. G. D. Brydon, pastor of the Church. Interment was in Mount Hope Cemetery. The floral offerings were many, testifying to the esteem of the deceased.

Consciousness of right-doing brings its own reward; but not amid the smoke of battle is merit seen and appreciated by lookers-on.

Export Bacon that Pays Best

Too many hogs are overfat on loin and ham. The cross-section of these two hams shows why British consumers prefer bacon from Grade A hams (right) instead of from Grade B (left). Grade A hams yield more lean meat per pound.

"Picnic at the Brook"

The pupils of Grade seven of Oakdene with their teacher, Mrs. Russell Harris, held a picnic on Friday at Harris's Brook. Games and treasure hunt, swimming, and a ride on the "Missouri Boat" were enjoyed by all. Snaps were taken of the group and a picnic lunch was served.

Miss Maxine Rice spent the week end at Halifax.

The National Clothing Campaign started on Monday, June 17th until June 29th. Mrs. H. E. Harris, President of the Women's Institute, Bear River, is chairman of the Bear River District. Will all who have clothing leave it at the Masonic Rooms, June 25, 26, 27, 28 and it will be handled by a committee. Help the people of Europe. The need is urgent.

BLUE CROSS PROTECTS THE WHOLE FAMILY

Announcing - - - Digby County

BLUE CROSS

ENROLLMENT CAMPAIGN

JUNE 24 to JULY 13

(Sponsored by the Digby General Hospital)

Blue Cross is now commencing to extend its benefits to thousands more Digby County citizens. Now you, too, can join with fellow citizens who already have the peace of mind that Blue Cross membership brings.

Because illness strikes so suddenly and unexpectedly, nine out of ten people have trouble paying hospital bills. Now more than 192,700 people in the Maritimes have banished all fear and worry from hospital care by becoming members of the Blue Cross Plan.

The Blue Cross, sponsored by our own Maritime hospitals is a non-stock, non-profit, co-operative organization which provides hospital benefits at low cost. For only a few cents a day... it pays the hospital bills of an individual or an entire family.

Enrol in Blue Cross during this campaign and be sure... "Your Loved Ones are Protected".

Any person who is employed where there are five or more persons on the staff including management, MAY ONLY ENROL AT THEIR PLACE OF WORK, on a payroll deduction basis. Over 1200 Maritime firms have sponsored Blue Cross for the protection of their employees and their families.

Ordinarily only members of employee groups are eligible for this valuable protection. During this campaign, however, the Blue Cross Plan is being offered to all residents of the Town of Digby who are Retired, Temporarily Unemployed, Self Employed, or who work where there are less than five on the payroll. This special offer for individual enrolment is available only during this campaign. Residents of Digby only, are eligible. Fees are payable yearly in advance.

Residents in rural districts may enrol in Blue Cross by:

1. Having some organization such as, a Co-op, Credit Union, Farmers' Assoc., Women's Institute, Church Societies, etc., sponsor and promote the program, through which every family in the school district may enrol.
2. Having interested organizations, write, Maritime Blue Cross, Box 226, Moncton, N. B. Talk it over with your neighbors TODAY.

WEYMOUTH

Lindley Jones has gone to North Sydney where he will enroll at the D.V.A. Trades Training School.

Mrs. Harrison Jones, Miss Helen Taylor and Mrs. Lalia Marshall were visitors in Annapolis Tuesday of last week.

Miss Tupper, health nurse for Digby County spent last week in Weymouth making calls on the local schools.

Friends of Mrs. Edward Rice will regret to learn that she has been a patient in Digby Hospital since Monday.

Hartley Powell, accompanied by Mr. and Mrs. R. K. Hill and little Marena Hill, motored through the Valley Sunday.

Mr. and Mrs. Ephraim Gates motored to Wolfville Saturday where they spent the week end visiting friends.

R. V. Hogan, representative of the Workmen's Compensation Board, Halifax, is a guest at the Goodwin Hotel this week while in Weymouth on business.

After having served three years on the European continent and in Canada, Tpr Ralph Cosman has received his honorable discharge from the Canadian Army and has returned to his home here.

Alois Comeau, who has completed his retraining period on the local Royal Bank staff, has received word of his transfer to Port Hawkesbury where he will report for duty on Friday.

Making the trip from his Long Island, California, home to New York by plane, Mr. Fred Jones arrived here Thursday to visit his brother, Mr. Harrison Jones of Weymouth North and to renew old friendships with those whom he has not seen for many years.

Mrs. Bruce Hill (nee Olive Gates) has returned from a trip to Saint John, N. B. accompanied by her husband who is enjoying a two weeks leave from the Merchant Marine. Mr. and Mrs. Hill are visiting her mother, Mrs. Douglas Gates, Weymouth Mills.

The Weymouth group, C.G.I.T. conducted the service in Heart Memorial Church Sunday evening. Soloist for the evening was Miss Arleen Cosman who sang "Beautiful Isle of Somewhere"; members of the boy's Sunday School Class also sang a special Children's hymn. The service was well-attended.

Miss Aileen Hallett returned to her home from Halifax last week. Miss Hallett, who has served three years with the C.W.A.C. in Halifax and Ottawa, has received her honorable discharge and, after spending the summer at her home here, expects to enter Acadia University where she will take a course in Household Science.

The grounds of Killam Hall were much improved by a clean-up day last Thursday when several men of the Weymouth Branch of the Canadian Legion, under supervision of Mr. Fletcher Bartlett, took on the job of mowing the grass and trimming the hedges and generally giving the grounds some long overdue attention. Prevented from completing the task because of a sudden rainstorm the men have promised to return and finish the job in the near future. The ladies of St. Thomas Guild served a hearty supper to the workers.

The sewing Club of the preparatory department of the Weymouth School held the annual exhibition in the schoolroom recently. Garments completed by the pupils during the term were judged by Miss Grant of the Provincial Department of Education. The highest award in the senior division was won by Eva and Emilda Gaudet, who tied for the honor. In the junior division Patricia Comeau captured top honors. Miss Amirault will represent the local group at the annual meeting in Yarmouth this summer.

CLOTHING COLLECTION

What can you spare that they can wear. If you have missed the truck that is collecting clothing bundles today, find out from the notices posted in the stores, etc. when the hall will be open to receive clothing donations from those who have missed the truck or wish to deliver their bundles in person. The Hall will be open this afternoon and tomorrow as well as Tuesday. Other dates have not been decided on as this goes to press. Appeals of all kinds have been printed and broadcast earnestly; we wish to add the following quotation from the Good Book, found in the 25th chapter of Matthew beginning at the 32nd verse: "And before him shall be gathered all nations: and he shall separate them one from another, as the shepherd divideth his sheep from the goats; and he shall set the sheep on his right hand and the goats on his left. Then shall the King say unto them on his right hand, Come, ye blessed of my Father, inherit the kingdom prepared for you from the foundation of the world; for I was an hungred and ye gave me meat; I was thirsty and ye gave me drink; I was a stranger and ye took me in; naked and ye clothed me. Then shall the righteous answer him, saying, Lord, when saw we thee an hungred, and fed thee? or thirsty, and gave thee drink? When saw we thee a stranger and took thee in? or naked and clothed thee? and the King shall say unto them, Verily I say unto you, Inasmuch as ye have done it unto the least of these my brethren, ye have done it unto me. Then shall he say unto them on his left hand, Depart from me, For I was an hungred and ye gave me no meat; I was thirsty and ye gave me no drink; naked and ye clothed me not. And inasmuch as ye did not give it unto the least of these, ye did it not unto me." After reading this quotation and realizing as we must, that there has never been a time when we have had a great prove whether we be sheep or goats, let us look again over those garments we have returned to storage "because they might come in handy at home; reconsider, and give them to the Clothing Drive where you are sure they will come in handy.

Helpful Hints for Contestants

Your dress need not be elaborate, but should be fresh, pretty and becoming. It may be made of any material—chambray, pique, gingham, jersey, shark-skin, eyelet, muslin, dimity, are a few that come to mind, but you are not limited to these.

You may wear stockings or not, as you wish, but not bobby sox.

Your hair should look its best: shiny clean, well brushed and becomingly arranged.

Your nails should be carefully manicured.

Your walk and posture are vitally important. Here is an exercise that is worth its weight in gold, if you do it completely:

1. Stand as high as possible on your toes.

2. Raise your arms straight ab-

ove your head, and reach (really reach) for the stars with your fingers.

3. High on your toes, with fingers reaching, walk FROM THE HIPS, and with TOES POINTED OUT AND DOWN, six times around the room.

When you come down from your toes you should have well nigh perfect posture. Try to maintain it.

As the contest is not to be held until four o'clock in the afternoon, the out-of-town girls may want to change to a fresh dress just before that time. If they have not a friend's home to visit for this purpose, we will gladly make arrangements for them.

There will be a dressing room at the scene of the contest, and three friendly and qualified attendants to help you with any last minute touch you may need.

We would like you all to be in the Contestants' Float in the morning parade. You don't have to wear your contest dress for

ove your head, and reach (really reach) for the stars with your fingers.

Florence Hart Sends Greetings to V. O. N.

The regular meeting of the V. O. N. on Tuesday a letter was sent from Mrs. Florence Hart, who sends wishes for every possible success to the Digby Branch. Mrs. Hart, who now resides at 30 Wellington Street, St. John's, Ontario, was the first V. O. Nurse to take charge of the Digby Branch. Mrs. Hart remembers many of Digby's citizens and makes personal mention of some in her letters. She recalls many happy hours spent here and is delighted to learn of the progress of the work. She believes with the help of a car the work will progress more rapidly still.

National Clothing Collection

Last winter thousands of children in Europe were unable to go to school because of lack of clothing, and this winter there will be more in the same boat unless relief comes.

Canadians who turn out their closets and trunks this spring and contribute surplus garments to the second National Clothing Collection will make it possible for children to go to school next winter. In few European countries will the supply of new clothing come close to meeting the demand by next fall. The remaking of old clothes which has been going on for years is reaching its limit in many homes.

A few excerpts recently collected from letters written by people in France to friends in Canada tell the story of the impact of the clothing shortage on school children. Those familiar with the European famine say they reflect a situation which is common to many countries.

A woman writes: "M's boys have been unable to go to school for weeks because they have no overcoats and simply not sufficient warm clothing to sit in school."

A mother: "My children have missed much school because it was impossible for them to go out when it was wet or snowy underfoot this winter and they have no high shoes or galoshes—only wooden-soled sandals. These, unfortunately, wear out so quickly and they soak up water and are never dry."

A school nurse in Paris: "80 children in this community alone have nothing but wooden clogs. In the wet they soak up water and it takes days to dry them out. It is simple, their feet are never dry. I don't know how they survive."

Reporting on a particular nursery school, this nurse said the normal attendance was 300 but during the winter the average was only 100 because the school was cold (coal shortage) and the children had insufficient clothing. She quoted the school director as saying there would be fewer than 100 next winter "because there is literally nothing the parents can buy to cover the children and those who are now wearing shoes will have them worn out."

Out of a class of 35 girls in high school, ten were unable to continue due to illness caused by malnutrition and insufficient clothing. The school is in one of the best residential areas but many of the girls "were wearing clothing made over from curtains, men's clothing suits, etc. of their brothers or fathers who were prisoners of war, turned dyed, and remade so many times that even this is now finished as a source of supply."

Urge Greater Interest in Boy Scout Movement

A well attended meeting of the Clare Local of the Boy Scout's Association was held at Little Brook court house Wednesday at 8 o'clock. Two former scoutmasters, who have been recently honorably discharged from the armed services, Hubert and Irene Robichaud and a former scout, Joseph Lombard, were present.

Rev. O. Hebert asked those present if they were interested in continuing the Boy Scout Association as there seemed to be a lack of interest in recent years and unless more vigorous attempts were made to improve the situation the only alternative would be to discontinue the movement.

The district commissioner told the members that it was not a question of whether the Boy Scout movement was a necessity but rather were they interested sufficiently to create more activities. That it was a necessity, is a foregone fact and the proof of this is shown by the great good that the Scoutism has done in all other districts and countries of the world. Much interest was lacking, perhaps due to the fact that many scoutmasters joined the armed forces during the war just concluded and the difficulty in having them replaced caused a hardship hard to overcome but now that the hostilities have ceased, many of the former scoutmasters have returned. The leaders must be instilled with the idea of creating more activity among their groups and a better showing will thus be obtained.

Rev. Elie LeBlanc, of St. Bernard's, mentioned that he had noticed the good that the Scout movement had done in his district and believed that it should be continued. More publicity was advocated by him as a means to create more interest among the public of Clare. He proposed that a campaign to raise funds be instituted in the near future with a double aim, to raise money and to make known more generally to the public of the Boy Scout movement in these districts.

All present were in accord with the speakers and it was decided to continue to foster the Boy Scout Association and try to improve its standing.

The Clare Association is made up of four troops, one in each of the following districts: St. Bernard's; Church Point; Saulnierville; and Meteghan River.

Successful Whist Party

A very successful Whist party was held at Church Point on Wednesday evening, sponsored by the Men's Social Club. \$27.00 was raised. Lt. Wilfred Boucher, of the St. Ann's C. O. T. C. staff won the Men's first prize and Ernie Dakin won the consolation prize. Miss Gertrude LeBlanc was the winner of the Ladies' first prize and Miss Anita Melanson won the consolation prize. A delicious lunch was served and a very enjoyable time was had by all.

Those in charge of the Whist party were: Captain Charles Burke, Frank LeBlanc, Jacques Stuart, Edward Blinn and George Thibodeau.

NEW THEATRES

Construction of the new Paramount Theatre is underway at Amherst. Five new theatres are planned in the Halifax area, one of which is now building.

Vandals at Work

We have heard several reports of vandals destroying or damaging flower beds. In one instance a quantity of white iris were roughly picked from the garden and the leaves scattered along the sidewalk for nearly fifty feet. In another instance tulips were pulled out by the roots and the bulbs thrown on the sidewalk and in the street.

It is quite evident this form of vandalism is not the work of flower lovers — their treatment of the plants is sufficient evidence to prove that.

There are reasons to believe the destruction is not the work of children but rather the work of those who are old enough, big enough and ugly enough to know better.

Saturday Night Boxing Session

The Saturday night boxing session at the Community Hall with Freddie Cookson as trainer is developing into a club that is really showing talent among our boys. It is Fred's intention to stage bouts in late summer between Kentville and other towns against Digby. However any young man desirous of learning the manly art of self defense may be assured that his presence will be welcomed.

HONORED IN KING'S BIRTHDAY LIST

Captain J. C. I. Edwards of Esquimalt, B. C. has been made a Commander of the Order of the British Empire. Captain Edwards was officer Commanding H. M. C. S. Cornwallis at Deep Brook almost from the beginning of its operation until the big Naval Base officially closed early this year. After the closing of Cornwallis, Captain Edwards was posted to Esquimalt.

Mr. and Mrs. John Cassily, who have spent the past month at their cottage at Annie Morehouse Lake, and with Mrs. Cassily's sister, Mrs. Waldo Chute, and Mr. Chute, returned to their home in Dover, New Hampshire, last week.

Mrs. Harold Longmire of Kingston is spending some time with her husband's parents, Mr. and Mrs. R. H. Longmire. Harold, who is with the R. C. A. F., has been transferred to Goose Bay, Labrador.

Mrs. Leslie Rodenbaugh of Moncton was a week end guest of her aunt, Mrs. S. W. Wright.

Colonel and Mrs. Owenshine, of Washington, D. C. have arrived at the Milford House, and are spending the summer at their cottage there.

Mrs. Ralph Thomas returned to her home at Jersey City, New Jersey, for a few days last week, to attend her daughter Joan's graduation.

Miss Betty Gehue is spending a few weeks at Bear River to write her exams at Oakdene School, where she was a pupil during the greater part of the year.

INFORMATION BUREAU

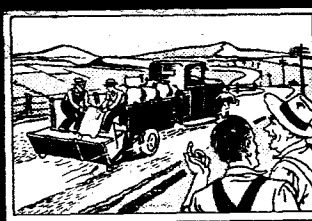

The Tourist Information Bureau, operated by the provincial government, and housed in a neat little building recently erected on the Myrtle House Grounds, is now open, and is in charge of Miss Louise Daley and Mrs. Raymond Lent. Miss Daley was in charge of the Information Booth on the C. P. R. Wharf when it operated a few years ago.

HOSPITAL ROAD IMPROVED

Much needed repairs have been made to the roadway leading to the Digby General Hospital. This road, particularly the eastern end, has been in poor condition for some time. The repairs have made a big improvement.

The hospital is now receiving a nice coat of white paint.

Early Cut Hay
Worth \$3. to \$4.
More a Ton

EARLY CUT HAY HAS MORE PROTEIN, MORE MINERALS AND LESS FIBRE

There are 60 to 80 lbs. more protein in a ton of average grass hay cut just at full bloom, than in the same hay cut after the seeds form. The difference between early and late cut clover is even more marked.

This amount of protein purchased in, say, oilcake meal will cost \$3.00 to \$4.00, at present prices, if it can be bought at all.

Early Cut Hay also has more calcium and slightly more phosphorus.

Early Cut Hay has less fibre,—the woody, indigestible part of the plant.

Early Cut Hay is not only worth more as a feed but it is also better liked by the stock. Live stock do better on feeds they like.

PROTEIN IS BOTH SCARCE AND COSTLY THIS YEAR

Looking at Canada's National Health Plan

"Health is the greatest wealth." This proverb, which has come down to us from far-off days, still is perfectly true; and might be taken as a slogan in Canada's National Health Plan. For what is more important to a nation than a healthy, vigorous people? Without health, monetary and economic wealth are of little use, for a nation of unhealthy weaklings is easy prey for a powerful nation.

Let us consider the physical condition of Canadians. We shall perhaps be dismayed to find that we are far below the usual health level in Germany, Japan, and some other countries. For proof of this fact, think back to past Olympic games and other international events.

ation is being given to preventive measures such as:

1. Plenty of wholesome food with adequate vitamin content.
2. Sanitary living and working conditions.
3. Sufficient exercise and fresh air.

These measures would improve greatly the physical condition of our citizens.

Some methods of improving public health would be:

1. A government sponsored food campaign teaching the public what foods contain which vitamins, and that simple, wholesome foods are best.
2. Government inspectors to ensure proper living and working conditions.
3. Creation of health consciousness by a nation-wide health education program.
4. Building of adequate playgrounds, athletic fields, gymnasiums, etc.
5. Cutting or entire elimination of health-harming habits; such as the use of opium and other drugs, alcoholic beverages, tobacco, highly seasoned foods, and other health destroyers.

Such a program would of course cost a great deal. However, the benefits of such a program would more than atone for the money spent; and if we can spend such terrific sums to finance a war, surely we can spend a fraction of that expenditure to improve the health of our citizens. We must remember that Canada has enormous economic resources, yet unless we have a healthy, vigorous people, we will remain comparatively undeveloped as a nation while other countries of lesser resources but with a more virile people flourish.

1. A Health Insurance Program, a registration fee and extra taxes, under which, in return for paying a person would be entitled to free doctor's attention, hospital care, nursing service and other special services.

2. Government grants for public health and preventative medicine.

3. Low interest loans for building hospitals.

4. Co-ordinated Federal-Provincial efforts in the program.

One weakness in this plan is that while curative methods are emphasized, too little consideration is being given to preventive

measures such as:

1. Plenty of wholesome food with adequate vitamin content.
2. Sanitary living and working conditions.
3. Sufficient exercise and fresh air.

Reunion At Centreville

Visiting at the home of Mrs. Ingram Dakin, Centreville, are Mrs. Dakin's sister, Frank B. Ladd of Lynn, Massachusetts, and her brother, W. Dakin, of Miami, Florida. Mr. Dakin, who is 82 years of age, is making the first visit to his birthplace in 35 years.

Mrs. Laura Graham of Centreville, also a sister, and the member of the family of the Soloman and Almira Dakin, years of age, and enjoying good health.

On Monday last week "the kin children" gathered at home of another young friend, Mrs. Ella Mae Banks, who celebrated her 81st birthday, and joyed a party together. The hostess at this gathering was Mrs. Oswald Banks.

We join in wishing all of these many years of health and happiness.

WANT TRAIN TO ANNAPOLIS ROYAL

The Middleton Board of Trade has endorsed a request that the Dominion Atlantic train formerly in operation between Halifax and Annapolis Royal, but which now comes only as far as Kentville, be put back in full service.

LIFE can Begin AFTER 40, if...

Around 40 our energy lessens. But experience has taught us to do our work with effort. The years ahead should yield the greatest accomplishments, the most enjoyment and happiness. They can, too, if we avoid kidney and bladder disorders such as backache, Headache, Rheumatic Pains, Loss of Sleep and Energy which so often come these around 40. For over half a century Dodd's Kidney Pills have been helping men and women to keep kidneys and bladder in good order. MARITIME HOSPITAL ASSOCIATION IN SESSION AT PINES HOTEL

The fourth annual convention of the Maritime Hospital Association opened at the Pines Hotel, Tuesday morning. Nearly three hundred delegates were registered for the opening session.

Dr. R. J. Collins, Saint John, president of the association, delivered the presidential address in which he stressed the serious shortage of nurses and its serious effect on hospital operation. This shortage, he stated, was much more serious to-day than during the war. Demands on hospital space and services are on the upgrade but the nursing shortage threatens to have a serious effect on the quality of service hospitals are able to render. He expressed the hope a solution would come out of this conference.

He reviewed the work of the Association since the last convention pointing out one of the major projects carried over had been brought to fulfillment—this was the matter of providing improved systems of cost accounting for hospitals. The Association is now in a position to give service in this matter to any hospital requiring it. "Proper and adequate systems of cost accounting are becoming ever more important," Dr. Collins said, "with the increasing encroachment of governmental agencies upon general hospitals."

The matter of providing a training school for hospital executives, carried over from the last convention, had not met with success, he said. It was found shortage of help and competent instructors made this impossible, although the Association is watching the work of several small agencies along these lines.

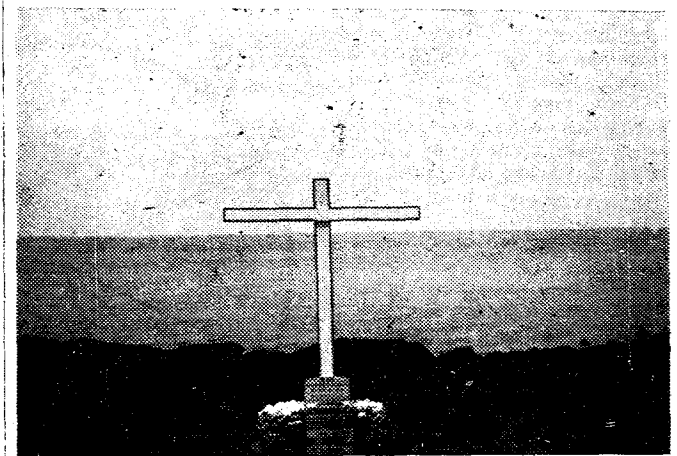

He said listeners would be shocked at present cost of hospital construction, and went on to say some assistance might be secured through the provision of cheap money through government loans. This, he stated, would depend on the results of the Dominion-Provincial Conference. He expressed the hope efforts to iron out difficulties in this regard would be successful.

Following the presidential address an address of welcome to the delegates was extended by Mayor James W. Merkel of Digby.

Mrs. Gladys Porter, Mayor of Kentville, and secretary of the Association, presented her report which outlined the work of the executive since the last convention. She stated the matter of hospital grants, D.V.A. per Diem Costs, the critical nursing shortage and other matters pertaining to the welfare of Maritime Hospitals had been the subject of much discussion, and work, and added reports would be given during the convention by committees appointed to look into these various matters. In closing she thanked the president, executive members, Miss Wilson of the Blue Cross and all who had made available to her their experience in hospital work.

On Tuesday afternoon delegates paid a visit to the D.V.A. Hospital at Cornwallis. On their return they made an inspection of the Digby General Hospital, and were guests of the Ladies' Aid of the Digby General Hospital at afternoon tea.

Monument Erected to Lost Seamen

The Cross of Christ, erected as a memorial to the twelve who perished when the coastal steamer, Robert Cann, battered by the fury of a winter storm, sank in the Bay of Fundy in February of this year, now stands overlooking the quiet waters of Riley's Cove on the Bay of Fundy Coast of Digby Neck.

The Cross stands on a cairn erected from rocks gathered on the beach where Captain Arthur Ellis and his dying comrade Joseph Muise stumbled to a frozen shore from a lifeboat which held the bodies of their dead companions.

In the afternoon of February 15 the Robert Cann cleared from the Port of Saint John for Tiverton with a general cargo. Her crew comprised of twelve men and one woman stewardess. The steamer was in command of Captain Emery Peters who had piloted steamers over the same course for more than a score of years.

Captain Peters had just returned to his ship after a long illness. Sailing with him as mate was Captain Arthur Ellis, of Port Greenville, who had skipped the Cann for two months while Captain Peters was laid up.

Late at night the little 112-ton steamer was hit by a sudden winter storm and blizzard, and in the morning of February 16th she went to the bottom. Her crew took to their lifeboat. For nineteen hours they were tossed by the storm, and one by one they died under the relentless torment of the sea and frigid cold. Captain Peters, only recently up from his sick bed was the first to succumb.

It was about midnight on February 16 that the little craft grounded on the rock beach at Riley's Cove with only Captain Peters and Joseph P. Muise alive.

Half carrying his dying friend, Ellis led the way into the shelter of the surrounding forest. Then he staggered on through a wood road which led him to the village of Lake Midway and the home of Mrs. J. T. Dimock, widow of the late Rev. J. T. Dimock, who for a number of years was the pastor of the Centreville Baptist Church.

There he collapsed. Help was sent to bring Muise to safety, but the unfortunate man died before he arrived at the Digby General Hospital, less than twenty miles away.

The monument which now stands at Riley's Cove was built by Carl Dimock of Lake Midway, who now resides with his aged mother. He was the first man to learn of the disaster, and it was he with R. C. M. P. constable Peter Cully who found the dying Muise and brought him out to the highway early on that Sunday morning of February 17.

The five-foot cylindrical base of the monument was constructed from beach rock gathered by Mr. Dimock. On top of the base is a box filled with rock to which a plaque of remembrance is attached. The plaque is inscribed as follows:

"S. S. Robert Cann Disaster. Survivor 'Captain A. Ellis.' Below

are inscribed the names of those who died:

Captain E. Peters.
Joseph L. Jacquard.
Lewis David.
Thomas Bent.
Thomas Bartlett.
Joseph Jacquard.
Mrs. L. Jacquard.
William Logan.
George Fitzgerald.
Richard Dagg.
George Pendric.
Joseph P. Muise.

All of the victims of the disaster were from Yarmouth or the immediate vicinity of that town.

Mr. and Mrs. Campbell and two sons, Ian and Graham of Halifax are visiting at the home of Mr. and Mrs. Dugald Campbell.

At the close of the meeting of the Weymouth North C. G. I. T. Groups, Miss Norma Ruggles, Sr. leader, presented Miss Pat Greek, Intermediate leader, with a farewell gift. Miss Greek will be leaving shortly for her home town, Lunenburg. After this the meeting closed with "Taps".

Thousands Attend Corpus Christi Celebration

Church Point was the scene of the annual celebration of the religious feast of Corpus Christi on Sunday—an occasion commonly called the "French Walk". With one of the finest days on record this season the procession was followed in comfort.

Thousands of people from the district of Clare, Digby Neck and other parts of Digby County were on hand to witness the colorful religious spectacle that takes place each year. For years it has been enacted at Church Point and people from miles around plan on seeing it.

The procession followed immediately after Vesper service in St. Mary's R. C. church and wended its way slowly and solemnly on the Lighthouse Road for distance of half a mile stopping en route at three small chapels for Benediction services. These small chapels represent the villages of Grosses Coques, Church Point and Comeauville-Little Brook. Keen competition takes place each year to have the best decorated chapel. All chapels were prettily decorated with flowers, rugs and vases, and it is difficult to say which was the best.

Small boys in a group, carried small flags and were followed by the little girls dressed in white and with veil. The different religious societies with banners and a good number of Legionnaires, headed by their standard bearers, participated in the procession.

A dozen little girls, all dressed in white and carrying a basket of flowers, took turns at sowing the pathway of the procession with flowers. They were in pairs and were followed immediately by the officiating priest and his assistants with the sacred religious vessels.

Over 1500 people participated in the procession while hundreds watched from the sidelines. Many from Yarmouth County were present at the services.

Rev. Eli LeBlanc, of St. Bernard's, officiated, assisted by Rev. Simon Comeau and Rev. Lavoie, of St. Ann's College staff.

The church was filled to capacity and hundreds of people were unable to gain entrance.

Baden Outhouse, of Tiverton, picked up a small row boat just outside of Boar's Head, a short time ago. He says by the looks of the boat it must have been adrift for some time.

Mrs. Ella Marshall, who has been spending some time in Montreal has returned home.

Plane Makes Forced Landing

A Piper Cub plane made a forced landing in the field owned by Peter Belliveau, Church Point, Saturday evening at 7.30. The plane owned and operated by two Sydney young men was off route for Yarmouth when it encountered heavy fog after passing over Church Point and were obliged to turn back and find a place to land which they proceeded to do safely after circling overhead several times.

Although hundreds of planes passed overhead in these districts during war time, since hostilities ceased, very few pass here and it was quite a novelty to the community flying over and created quite a lot of curiosity when it was forced to land.

No sooner had the small two-place plane landed when hundreds of folks young and old flocked around to satisfy their curiosity.

The two fliers took off Sunday morning at 11.30 after a short run which was witnessed by a large group of interested people, and headed for Yarmouth.

Fire Damages Centreville Home

The home of Leigh Farnsworth, Centreville, was badly damaged by fire Thursday morning of last week. The blaze, thought to have started from a chimney fire and defective flue, burned the roof off the structure and badly gutted the upstairs rooms of the dwelling.

The blaze was discovered at about ten o'clock in the morning. Men of the village responded to the alarm, and after draining the well dry, water was trucked from the Bay of Fundy, half a mile away.

The family were fortunate in saving their household furnishings, but had the misfortune to lose a quantity of clothing in the upstairs rooms.

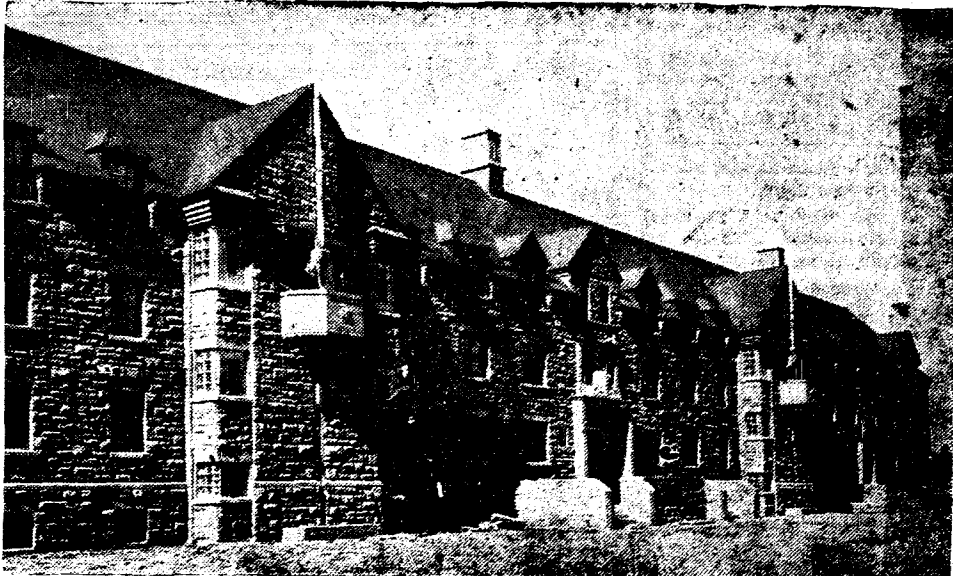

We understand the home will be rebuilt.

War Brides Arrive This Week

With a combined total of over 2,300 wives and children and more than 200 troops on board, three liners are scheduled to reach Halifax this week. The Letitia docked in Halifax yesterday and the Aquitania and Lady Nelson are expected to dock later in the week.

Several local dependants of servicemen are listed as being aboard these ships. They include Mrs. Irene Russell, husband Fus. W. J. Russell, Bear River; Mrs. Theresa G. Comeau and two children, husband Pte. A. L. Comeau, Meteghan River; Mrs. Jane H. Marshall, husband WO II F. H. Marshall, Bear River; Mrs. Lucy Saulnier, husband Pte. F. L. Saulnier, Mayflower.

"Trueman House" at Mount Allison to Open This Fall

Major item on Mount Allison's Post-War campaign for \$850,000 is the new university men's residence pictured above. The new building will provide residential accommodation for 185 students and an auditorium known as Tweedie Hall.

Norman A. Hesler, Chairman of the Board of Regents, reported

to the Maritime Conference of the United Church of Canada last week that the new building completely equipped and furnished would cost \$775,000. The cost of the building will be \$669,163 when completed or 93 cents per cubic foot for nearly 760,000 cubic feet of space which compares favorably with similar building construction costs in the Maritimes.

Mr. Hesler further reported that the contract had been let on the basis of cost plus a fixed fee of \$15,000 with necessary construction machinery supplied without charge. The residence is now nearing completion and will be officially opened this fall.

CHILDREN RISK LIVES AT RACQUETTE

The swimming season is here again, and with these warm days scores of children are seen bathing at the Racquette with almost every tide. The Racquette "swimmin' hole" is perhaps as safe as any in this section of the Basin, but the real danger to the children is not the swimmin' hole, but the highway that parallels it.

Let the kids swim at the Racquette, but stop the sun bathing on the pavement. Unless they are stopped there will be fatalities this summer.

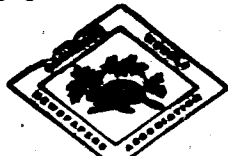

Residents of the vicinity are afraid to look out their windows when they hear the screech of brakes for fear they will see some child dead, mutilated or badly hurt.

To Have Mammoth Parade

The giant Street Parade which will start festivities on July 1st, this year promises to be the biggest and best yet according to C. M. Levy who is in charge of the Parade. A great many entries of decorated cars, trucks, floats, bicycles and baby carriages have been received to date with promise of many more to come.

Two bands will feature the parade this year. The Digby Civic Band, under the direction of their new leader, Laidlaw F. Addison of the Toronto Symphony Band, will lead the parade and the newly organized Drum and Bugle Band of R. C. S. C. C. "Cornwallis" will also march in the parade.

The parade is scheduled to get under way at 11 a.m. and the route of march is advertised in the Courier. The names of the

Judges are also announced in the Courier.

Mr. Levy is very anxious that every possible entry be included in the parade and urges everyone who possibly can to enter their car, truck, bicycle or other conveyance. "A big successful parade means the start of a big and successful day", says Mr. Levy.

Display Work of Classes

A splendid display and exhibition of the work of the Manual Training and Household Science Departments of the Academy was held at the Academy following the Junior High School Closing last Thursday evening.

The work displayed was excellent in quality and reflected the fine teaching ability of the instructors. In the Domestic Science department dresses, aprons, sweaters, jackets and fancy work, all done by the pupils were on display. These articles were all well made and some of the designs were really lovely.

In the Manual Training department there was a fine display of woodwork done by the pupils. This work ranged all the way from beautiful tables, bridge lamps, smoking stands to pipe holders and flower pot stands. All of the work was well done and well finished. During the exhibition students worked at the various benches, lathes and machines in the shop completing articles of work. Mr. Baden Powell, teacher of the department, conducted visitors through the shop and explained the various processes by which pupil is taught to use his abilities to finish the different articles. Some of the pupils, he stated, showed special aptitude for electrical or radio work and efforts were being made to direct their efforts along these lines.

Mr. and Mrs. Brad H. Morrell of Saint John are in Westport this week visiting friends and relatives. On their return they will leave Saint John to take up residence in Whittier, California. They will be accompanied by Mr. and Mrs. Roy Bernard of Saint John. Mrs. Bernard is a daughter of Mr. and Mrs. Morrell.

Speaks on Rehabilitation of War Casualties

Col. Frank Northrup of the Casualty Rehabilitation Office of the D. V. A. was speaker at the regular supper meeting of the Digby Kiwanis Club last evening and discussed the present Canada wide campaign for the placement of war casualties in industry.

Local employers who are not members of the club were invited to this meeting by members of the club. The speaker was introduced by F. C. Purdy, president of the Digby Branch of the Canadian Legion.

The speaker emphasized particularly that the department in which he is connected and the disabled veterans themselves, do not want or ask that these vets be employed for reasons of charity or sympathy—the disabled veteran wishes his disability to be ignored and wants a chance to take his place in industry and in the community. Neither is he seeking special concessions.

He pointed out that there are difficulties in getting employers to realize the differences between handicaps and disabilities. "All of us have handicaps", he said, "but it is not logical to consider a disabled man handicapped when he can be placed in industry. A disabled man in employment may be as efficient as a sound man if properly placed."

Col. Northrup went on to explain the employer should not be interested in what a chap has lost, but should be interested in what he has left, for thousands of jobs very few require the physical qualities of a front line soldier or athlete. The field of employment of disabled vets is not necessarily limited.

However, he pointed out that the rehabilitation of a disabled vet was largely up to the man himself, but the majority of them who have been placed have proven they can be 100% efficient.

Speaking of pensions he said they were a reward for services to compensate in a small way the sacrifices the veteran has made and definitely should not be taken into consideration in fixing wages of disabled men taken into industry.

Miss Elsie Yetman R. N. Superintendent of the Digby General Hospital, spent the week end at the home of Rev. and Mrs. George Bryant, Bridgetown.

Mrs. J. Murray Small and daughter, Elaine, returned to their home in Tiverton on Tuesday, after visiting for a few days in Yarmouth, guests of Mr. and Mrs. Arnold Outhouse.

Mr. and Mrs. James Tupper and young son of Saint John are spending a two week's vacation with Mrs. Tupper's parents, Mr. and Mrs. A. Dickson.

THE CANADIAN NATIONAL DOLLAR

WHERE IT CAME FROM.

WHERE IT WENT

In 1945 the operating revenues of the Canadian National Railway amounted to \$433,773,393. Operating expenses were \$355,294,048, leaving a net operating revenue of \$78,479,345. After paying interest due the public and the government, a surplus of \$24,756,130 was turned over to the federal treasury. This was an increase of \$1,720,206 over the surplus for 1944.

The "pie charts" above, reproduced from the annual report of the railway, show where the Canadian National dollar came from last year and where it went. Nearly three-quarters of the railway's revenue—73 cents in every dollar earned—comes from freight. In 1945, the C.N.R. carried nearly 80,000,000 tons. Passengers account for 15 cents of every dollar taken in. The system carried 30,370,680 of them last year. The other 12 cents in the incoming dollar were provided by mail and express and other revenues. Nearly 80 cents of every dollar went toward operating expenses, including payrolls, depreciation and retirements, track material and fuel. Out of every dollar a little more than 18 cents were available for fixed charges (less credits from other operations); taxes

and surplus. By far the largest expense item was payrolls. Nearly half of every dollar—47.2 cents—was spent in salaries and wages. Fuel cost 9.8 cents. According to other figures in the Canadian National report, recently tabled in the House of Commons, while freight and passenger rates in 1945 generally remained fixed at the pre-war level in accordance with the regulations of the Wartime Prices and Trade Board, higher wage rates and higher prices of materials added \$69,391,000 to operating expenses as compared with 1939.

Sea Cadet Band Feature of Inspection

A special feature of this year's inspection was the presence of the newly organized Bugle Band of the Corps. This band which only began practising three weeks before the inspection made a splendid appearance and rendered several numbers during the inspection with the skill and efficiency of an adult band. Inspecting Officer Lt. Aylwin paid special tribute to the band and complimented Instructor D. J. Daley on the splendid job he had done in training the boys in the bugle work. He also asked that his compliments be conveyed to C. F. McBride for his work in training the drummers and instructing the boys in Boat work.

The inspection was the 23rd Annual Inspection for R. C. S. C. C. "Cornwallis" and was held on the parade ground at the rear of the Academy last Thursday afternoon.

Inspecting Officer was Lieutenant Aylwin. Staff Officer H. M. C. S. "Haligonian". Following the receiving of the Inspecting Officer Lt. Aylwin, accompanied by Lt. F. C. Purdy, Officer Commanding R. C. S. C. C. "Cornwallis" and Pay Sub-Lt. J. L. Embree, conducted an inspection of the ranks. Lt. Aylwin paid high tribute to the efficiency and smart

appearance of the Corps. He said special credit was due the splendid work done by the Chief Petty Officers and Petty Officers of the Corps. He also complimented Instructor C. P. O. Hanford and other instructors of the Corps.

After the inspection of the ranks the official March Past was led with Lt. Aylwin taking the salute. Present on the saluting stand were Sea Cadet Chairman H. M. Warne, Major Churchill-Smith of the Mainland Division Navy League of Canada, Sea Cadet Committee members C. F. McBride, H. J. Campbell and C. W. Smith. School Board Chairman Dr. J. R. McCleave and Deputy Mayor Victor Cardoza.

Presentation of trophies and awards was made by Sea Cadet Chairman H. M. Warne following a splendid demonstration of Rifle Drill, Rope Work, Signalling and Boat Work by various divisions of the Corps. Monarch Division won the General Efficiency Trophy awarded by Captain J. C. I. Edwards of H. M. C. S. Cornwallis. This trophy was presented to the Corps from the Canteen Fund of the Naval Base. Monarch Division also won the Soft Ball Trophy. Drake Division were winners of the Basketball Trophy.

Scrapbook Committees—Irene Daley, Betty Mount, Robert Melanson and Murray Haight.

They held thirty-four weekly meetings, each having a well prepared programme. The work accomplished this year is as follows.

The yard, desks and rooms were tidied each week.

Pine cones were painted and sold, \$13.60. Painted scallop shells, \$3.10.

Five scrapbooks were made and sent to the Digby General Hospital.

Mirrors were bought for use in the two lavatories.

\$5.00 was sent to the Crippled Children's Fund.

\$5.00 was sent to the War Service Fund.

\$5.00 was sent to the Digby County Poor Home for a treat for the patients.

\$5.00 worth of toys were sent to the Digby General Hospital.

The articles sent to the Red Cross Office are: 1 afghan, 33 washcloths, 14 pairs of booties, 4 pairs of socks, 2 bonnets, 2 baby jackets, 1 pair of soakers and 11 diapers.

A Christmas party was held to which Grade IX and other guests were invited. They also had a Hallowe'en party.

Kenneth Wilson and Lester Baxter made a frame for our charter which hangs in the room in which we hold our meetings.

Is Digby Missing a Bet?

Several of the coastal towns of Nova Scotia have become internationally famous because they have capitalized on the Tuna fishing along their coast. Although few Tuna abound in the waters near Digby we have a fish that will provide a great deal of sport and should prove a great attraction to the tourist. This is the pollock.

At present pollock fishing is in full swing. The fish are biting well and are being caught in large numbers commercially. Every evening parties from town go out for an evening of sport trolling for these fish. Catches of from thirty to forty fish are common and a great deal of sport is had in the catching.

No real concerted effort, however, is being made to capitalize on this fishing as a tourist attraction. No boats are really fitted up for the work. None have fishing chairs installed, no rods are provided. This fishing could be made very attractive if it were properly publicized and the boats properly equipped and outfitted for the work. Other towns have built their tourist industry around the tuna fishing; pollock fishing, properly presented to the public, could be made as attractive and as enticing as the much publicized tuna fishing. Are we missing a bet in our efforts to promote the tourist trade in Digby.

tion — \$33.93. Expenditures — \$26.05. Money on hand for the new year — \$2.00.

Driver Jailed

Arthur Allen Morehouse of Centerville was jailed in Kentville on Saturday on a charge of driving while under the influence of liquor.

The charge came as a sequel to an accident involving the car driven by Morehouse which occurred in Wolfville Saturday afternoon. Morehouse's car came into head-on collision with a car driven by W. R. Hilgard. Halifax. Mrs. Morehouse, a passenger in her husband's car suffered superficial cuts, bruises and shock and was taken to Eastern King's Memorial Hospital. A passenger of the Hilgard car, C. W. A. C. Peel who arrived in Canada the previous day after service overseas was also injured, fortunately not severely, and was allowed to leave hospital Saturday evening.

Two little children of Mr. and Mrs. Morehouse, passengers in their father's car were uninjured. They are being taken care of at the home of Mrs. Morehouse's sister, Mrs. Ralph King, Grand Pre. Other occupants of the Hilgard car were also uninjured.

It is alleged Morehouse was driving on the wrong side of the road when the two cars collided.

Household Science Demonstration
The High School class of the Household Science Department of the Guysboro Academy were recently hostesses at a dinner served in the classroom at which the guests were the school trustees and other officials. An excellent demonstration was given by the class on this phase of their work and B. L. Coldwell, in an after dinner address gave praise to Miss Grace Vincent, household Science teacher for the efficiency of her pupils. (Miss Vincent is a daughter of Mr. and Mrs. Hugh Vincent, Digby.

Lady Baden-Powell will be in Wolfville tomorrow to inspect Guides, Brownies, Scouts and Cubs of the districts from Windsor to Yarmouth, and Queens and Lunenburg counties. The inspection will take place on the College Campus at 3:00 o'clock. The public is cordially invited.

The community of Lansdowne held a party at the home of Mr. and Mrs. Ralph Dunn on Friday evening, June 21st. in honor of their two sons, Henry and Harold, just recently returned from overseas service. During the evening each of the boys was presented with a smoking set. Games and music were enjoyed followed by refreshments.

LIMESTONE \$1.40 Per Ton to August 15

GROUND LIMESTONE MAY BE SUCCESSFULLY APPLIED IN SUMMER

Farmers everywhere in Nova Scotia whose fields need ground limestone are urged to take advantage of the summer (June 15 to August 15) price of \$1.40 per ton in carlots delivered to nearest railroad station.

Farmers within trucking distance of quarries may move limestone by truck under the usual trucking assistance regulations.

TAKE ADVANTAGE OF GOOD ROADS AND LOWER PRICES

Summer and Fall applications of limestone may be made to;

1. Hayland—after haying and before fall plowing.
2. Stubble land—newly seeded-down fields may be limed after cutting the grain, using finely ground limestone applied evenly with a spreader.
3. Pastures—sour pastures may be limed, one ton per acre at the end of the pasture season.
4. Ploughed ground—apply before harrowing or discing.

In all cases have your soil tested to find out how much lime is required to neutralize the soil acid. Your county agricultural representative will assist you in determining rate of application.

Forward your orders for carlots at the new summer price of \$1.40 per ton to the Director of Extension, N. S. Agricultural College, Truro, making your cheque or money order payable to the Nova Scotia Department of Agriculture and Marketing.

Weekly Letter to Their Customers

Dear Customer:—

Everyone keep a keen lookout for the MYSTERY MAN sponsored by us at the July 1st Fair. Remember he will be there from 3.45 to 4.00 o'clock in the afternoon and from 8.45 to 9.00 o'clock in the evening and he will be wearing, for identification purposes, two items of clothing incorrectly -- as for example mismatched shoes. If you are the one to spot him give him your name.

The winners will each receive a credit for merchandise from our latest Montreal stock and if you have visited Wright's lately you will fully appreciate the many lines this will cover. This contest is open to everyone with exception of Wright's staff.

News from the China shop: We have just received a shipment of Perfume. Odors of Devonshire, Violet, Scotch Heather and Scotch Dimple. These are English make, all reasonably priced, an ideal gift number that is different. All attractively boxed.

Buy with confidence at Wright's.

Local and Personal

Miss Grace Vincent is spending her vacation with her parents, Mr. and Mrs. Hugh Vincent.

Mrs. E. M. Ribbey of Halifax is visiting her parents, Mr. and Mrs. James E. Ellis, Bay View.

Mrs. L. M. Stewart, of Bear River, will spend the summer at the Lovett House, Chester.

Mrs. Max Piggott and little daughter, Sheila spent a day last week with Mrs. Evelyn VanTassel.

Wallace Handspiker, Culloden, returned home Monday after visiting relatives in the United States.

Mrs. H. S. Kirkham returned Monday after spending a two month's visit in New York and Philadelphia.

Lynn Marshall, who has been visiting his mother, Mrs. Ella Marshall, left for his home in Montreal on Sunday night.

Gerald Journeay, Jr., of Sissiboo Falls, left on Tuesday for Saint John to visit his uncle and aunt, Mr. and Mrs. Ralph Gates.

Mr. and Mrs. Ralph E. Watkins and children, Brian and Karen, of Saint John, are visiting Mrs. Watkins' parents, Mr. and Mrs. Roy Trask, Little River.

Mrs. Dominic Melanson has received word that a son was born to her daughter Geraldine "Dine", wife of John Tozer, of 79 Thameworth Road, West Croydon, England, on June 18th.

STAGE SET FOR BIG CELEBRATION

The stage is all set for Digby's big Dominion Day Celebration, sponsored annually by the Digby Board of Trade, and from present indications this year's big day should be the biggest day in sports in the history of the town of Digby.

For the past few years the purpose of the July 1st Celebration has been to raise money to bring about a real athletic field. Through these fairs the land has been purchased and much preliminary work done, but costs of a really good athletic field are much greater than the average layman realizes.

This year the aim is a rink for Digby.

There are good reasons to feel the aim will be realized.

Mondays programme will start with a mammoth street parade—the procession will begin wending its way through the principle streets of the town at 11 a.m. Route and schedule are to be found in an advertisement in this issue.

Two baseball games will be featured in the afternoon, with matches between Annapolis and Digby and Tiverton and Digby.

Horse and Ox pulling Contests, always considered a thrilling event in these parts will be featured on the hill during the early part of the afternoon. These contests will be under the supervi-

sion of the Maple Leaf Agricultural Society.

One of the big features of the day will be the beauty contest—the selection of Miss Digby County. Judging for this contest will begin at four o'clock followed by the announcement of the winner.

The midway with its many games will be in operation all day. There will be dancing in the evening.

The big day will close with the drawing of the grand prizes at 10 and 10.30 p.m.

Granville Division Visits North Range

The Isaiah Wilson Division, North Range, had as their guests, Tuesday evening, June 18, the Granville Division.

The Division meeting was held at the home of Mr. and Mrs. J. Vian Andrews. About sixteen members of the visiting Division were present.

The guests were welcomed by the hostess and W.P., Mrs. Andrews. The response was made by Curtis Sarty, W.P. of the Granville Division.

After routine business was transacted, an informal discussion on temperance was entered into by both groups. This was followed by recitations, games and stunts.

The enjoyable evening closed with a buffet luncheon provided by the ladies of Isaiah Wilson Division.

Mr. and Mrs. G. M. Robertson, Mrs. K. E. Welch and Burton Robertson, all of Halifax, were week end guests of Mrs. E. C. Solows.

Mr. and Mrs. G. R. Willson of Piedras Negras, Mexico, arrived on June 18 to spend the summer at their cottage in Brighton.

WHEN Canada's new Governor General, Field Marshall the Right Honorable Viscount Alexander of Tunis, stepped down the ramp off the S.S. Aquitania at Halifax, a Canadian National Railways' special train was waiting at dockside to take him direct to Ottawa. Picked crews of men who had distinguished themselves in the C.N.R.'s service were at their posts. The superintendent of each division rode the train over the territory under his jurisdiction, accompanied by his master mechanic.

Two of the crew chosen for the honor were men who had served Their Majesties, the King and Queen, on the entire 8,600-mile rail tour of Canada and the United States in 1939. They were Steward William Naley, of Ottawa, and Chief Fred Conway, of Montreal.

Lord and Lady Alexander are shown, upper left, with their three children, Brian, Shane and Rose.

standing on the rear platform of the special train as they were leaving Halifax. At Mont Joli the Governor-General, donning cap and coveralls, climbed into the cab and slid into the engineer's seat. He drove the train for 20 miles. Throttle in hand, he is shown, upper right, waiting for the conductor's signal. The man behind him is Canadian National Railways master mechanic W. A. Boulay, of Campbellton, N.B., who described His Excellency as an "excellent en-

gineer". The photograph lower centre shows Viscount Alexander at the end of the run signing the train order sheet which is shown at left. On the right Honorable Rose Alexander, the

Governor-General's daughter, with her friend Henrietta Scott, is paying one of the many visits she made during the trip to the baggage car to see her pet sheep dogs.

Farewell Tendered Popular Teacher

Thursday evening, June 20, Earle Banks was tendered a farewell party at the home of Mrs. Harvey Chisholm, one Bear River Road Home School Association.

Banks and daughter Frances had been invited to the Chisholms for tea and were taken completely by surprise when friends gathered for the evening.

After an hour or so of social discourse, refreshments were served after which A. M. Isles, President of the Association and also secretary and trustee of the school board on behalf of the gathering presented Mrs. Banks with a beautiful rose colored all wool blanket.

Mrs. Banks who has taught at Bear River Road School the past five years and also been the secretary treasurer of the Home School Association for the time period, thanked the donors and expressed regrets at leaving

North Range

Miss Vivian Waldron, missionary on furlough, gave an address in the North Range Baptist Church, Monday evening, June 17, taking for her topic "Illiteracy in India". The meeting was well attended and much inspiration and information was gleaned from her interesting talk. Miss Waldron returns to India this autumn to resume her work among the Telegus.

Mr. and Mrs. LeRoy Parks of East LaHave were recent week end guests of Mr. and Mrs. Milton Bragg. On their return home they were accompanied as far as Annapolis Royal by Ronald Blanchard.

liffe of Shelburne is visiting them at present.

School closed here on Friday and the teachers have returned to their homes for the holiday. Miss Florence Jeffrey, principal, to Sandy Cove, and Miss Laura Wyman, primary teacher, to Brooklyn, Yarmouth County.

MODELS IN "MOCK-UP" SHOW NEW TRAVEL COMFORTS

NEW new first class passenger cars, which will include many new features to provide additional comforts, are being built for the Canadian National Railways. They will be longer and wider than those in use, but will have fewer seats. A partition will divide each car into two main sections, one seating 28 smokers and the other 28 non-smokers. There will be lounge rooms at each end of the cars, one for men and one for women, equipped with wash basins and dental bowls. Heaters will control heat in each car and room of the cars. New automatic drinking fountains will be supplied by an air pressure system.

The order for the new day coach was placed with the Canadian Foundry and Machine Company, Montreal. The mock-up was made in the Point St. Charles Shops. Detail was inspected and tried by executive officers and car building engineers and architects. Not a single feature would be added which might add to the safety and convenience of the travelling public.

These photographs of the mock-up models are shown demonstrating the novel features that will be found in the new cars. Above, a passenger section at one end of the car shows the large double-plate, fixed glass window, the new type rack with lights over each of the comfortable, rotating and reclining seats, the removable tables will be available in coaches for extra time, and the bright appearance of the interior decoration to give a pleasing, restful effect. Below, the ladies lounge room, shows a design dressing table with adjustable seat, purse shelf and new overhead lights, and the wide view with venetian blind opposite new lounge seat.

WEYMOUTH

Mrs. L. Deveau, Yarmouth, is visiting her mother, Mrs. Robichaud.

Herbert Hallowell returned Saturday after spending several weeks in Boston.

Mrs. Elie Comeau left for Halifax Tuesday to enter Victoria General Hospital to undergo a medical check-up.

Amid a large gathering, Rev. Mr. Johnson of the Church of Christ, officiated at Baptism in Danvers, Sunday, June 16th. The three candidates were Lillian Haight, Arline Cosman and Wynona McCauley.

Mrs. W. Greise and small daughter Linda Clare, are spending two weeks at the United Church Parsonage. They accompanied the former's parents, Rev. and Mrs. Thorpe, who returned last week after attending the United Church Conference at Sackville, N. B.

At the closing of the High School Friday, C. L. Goudey, who has resigned after four years as principal of the Weymouth school, was presented with a purse of money by his pupils. Mr. Goudey anticipates entering the insurance business. Their many friends in Weymouth hope that the family will continue to reside in this community.

The Rev. Mr. McKim, secretary of the British and Foreign Bible Society, accompanied by Professor MacKinnon of Pine Hill, gave an illustrated lantern lecture on the history of the Protestant Church Friday evening in Killam Hall. Rev. Mr. Thorpe acted as chairman of the meeting, while the scripture reading was done by Rev. J. Brodie. Though highly interesting, the lecture was, unfortunately, not well attended.

Among the students who are spending their vacations at their homes here are Yvonne Theriault, Katherine Doucet and Theresa Gaudet, of the Academy of Our Lady of the Sacred Heart, St. Joseph, N. B. Miss Theresa Theriault, who graduated this year, is remaining at the academy three weeks more writing her matriculation. The misses Theresa Theriault and Theresa Gaudet are scholarship students of the Society of the Assumption.

Exhibition of Curios

A most interesting exhibition of curios and antiques was held Thursday afternoon and evening, June 20th, at the home of Mrs. Arthur W. Carr, Weymouth North.

This exhibition was made possible by the splendid co-operation of 47 neighbors and friends who lent over 200 lovely articles. These included everything imaginable from the rattle of a rattle-snake to a Buddha from Burma!

An interesting feature was that everyone who visited the exhibition was asked to vote which article they considered the most beautiful and which the most unusual. The prize for the most beautiful went to Mrs. Clare Rugles, for a shell case of lovely shells from India—the prize a beautiful bouquet. The prize for the most unusual went to Mrs. Wallace Smith, for a house made over 100 years ago in New Edinburgh, carved from pieces of cigar boxes, fitted together with glue or nails; the prize, an unusual one, a coconut. A close second to the most beautiful one, was a Christening robe, made in Scotland 110 years ago, and worn by five generations of babies, the last one to wear it having been baptized this spring. Another close vote went to a lovely old Chinese embroidered scarf, made in 1786. The runner up for the most unusual exhibit was a marvellous Buddha from Burma, carved probably from Lignum Vitae. This stood 3 feet high, and weighed about 300 pounds. The 3 oldest exhibits were a sphinx from a tomb near Ishmault, Egypt, and an old Phoenician lamp of unknown age and the Buddha.

There was a fine collection of firearms. The bayonets and swords dating back to 1777. One of the most interesting things in this collection was a cap and ball revolver, belonging originally to one of the very few survivors of the Black Hole of Calcutta.

Among the toys was a doll carriage of 60 years ago, 4 jointed wooden dolls, 100 years old, from England, and wearing their original dresses, also one of the first Teddy Bears made. The old iron pots, fire tongs, a wrought iron toaster—200 years old, candle moulds and lanterns were all most interesting.

Space prevents mentioning all the exhibits but there was china, silver and glass pewter of over 200 years ago, a cook book dated 1788, a Cribbage game carved on a walrus tusk, a Christmas card dated 1870 (one of the earliest ever printed), a valentine 99 years old, and a letter 110 years old, bearing most of the original seal.

Last but not least was a lovely collection of jewellery, including a rose topaz of great beauty, and a mourning ring dated 1733. In this case also was an interesting collection of 9 vinegarettes dating from 1786 to 1945. There were beads from India, Egypt and Venice. A quaint bracelet made of iron, steel, brass and gold.

The simplest of refreshments, were served owing to the urgent need for sharing our abundance here in Canada, with those less fortunate abroad. The splendid sum of \$45.55 was received and sent to the Anglican Advance Appeal Fund.

Our thanks are especially due to Mrs. Wallace Smith and to Miss Ethel Smith and to Miss Doris Gaudet for their help in serving the refreshments in the afternoon and evening, and to Mrs. Carr for opening her home.

FAMILY OF RAILROADERS: A record, believed unique in the history of Canadian railroads, is that of Ernest Legare, of Montreal, and his seven sons, all employees of the operating department on the Laurentian division and all on the Montreal-Mont Laurier run of the Canadian Pacific Railway. The father, who joined the C.P.R. in 1907 is a locomotive engineer and is himself one of eight brothers, all of whom have worked or are working for the company. He and one of his brothers still are railroaders, two are dead, three have been retired on pension and one has left the railroad to establish his own business. Five of these brothers and four of Ernest Legare's sisters have children in C.P.R. employ and altogether there are more than 40 members of the Legare family on the company payroll in and around Montreal. Pictured here are Mr. Legare and his sons, left to right: Front Row—Gerard, fireman; Romeo, engineer; the father; Fernand, youngest of the family, fireman; Back Row—Edouard, brakeman; Roland, brakeman; Marcel, engineer, and Roger, engineer.

Baccalaureate Service

A large congregation thronged beautiful Trinity Anglican Church Sunday evening for the Annual Baccalaureate Service for the graduating classes of Digby Academy.

Beginning with a procession of the church choir, members of the graduating classes and their teachers, the service was a most dignified and impressive one. Special music for the service was rendered by the choir.

Basing his sermon on the 6th verse of the 55th chapter of Isaiah which begins "Seek ye the Lord while He may be found, call ye upon him while He is near", the Rector, Rev. F. B. Gaskill stated that it was most fitting that the graduates of the Academy should invoke God's blessing before starting out on the road of life whether they were going on to further studies or out into the world of commerce. In his sermon he told of various scenes in the

life of our Saviour and explained how those scenes paralleled happenings in the lives of people today.

"There are lives, Mr. Gaskill stated, that are lived on the mountain tops; the lives of dreamers, the idealists". There are, too, lives that are like the desert wastes, barren and sterile. "These lives may have started with high ideals, great goals, but something happened to upset those plans and destroy those ideals. Some live," he stated, "are like the Sea of Galilee, stormy and turbulent at times. Other lives are like Gethsemane, a well cultivated garden, quiet and serene."

He told his listeners that they might be called upon in their lives to meet conditions he had outlined and urged them to strive always for success. "It is not worldly success for which I urge you to strive," he said, "but success in following the pathways of God, in walking in the steps of the Master."

Meteghan Doctor is Counsellor

Dr. P. Belliveau of Meteghan was elected one of the new Counsellors of the Association of French-Speaking Physicians of Canada at the closing session of the three day convention of the Association held in Quebec last week.

New Director General of the Association is Dr. Donatien Marion of Montreal. Dr. Albert Sarmay of Edmundston, N. B. was also elected a counsellor.

It was decided at the meeting to change the name of the Association from the French-Speaking Physicians of North America to "French-Speaking Physicians of Canada" because the former name was an obstacle in discussing medical problems with federal and provincial authorities.

Over 950 French speaking doctors from all over North America attended the session. Dr. and Mrs. L. F. Dolron were among those attending the convention. They also visited friends in Montreal.

Dr. A. B. Campbell left the past week for Halifax.

Dr. L. B. Roope returned to his home in Kingston on Thursday.

Mr. and Mrs. Roscoe Campbell and children, of Waterville, are guests of Mrs. William Campbell.

Mrs. William Hinxman has sold her property and is the guest of her daughter, Mrs. C. Balsor.

Rev. James Brooks, B.D., returned on Thursday from attending the Maritime Conference, at Sackville.

Mrs. H. M. Rand and Miss Irene Rand, of Wolfville, are guests at the home of Mr. and Mrs. J. T. Davidson.

Miss Marie Rice is spending some time at the home of her parents, Mr. and Mrs. Robert Rice of Morganville.

Do not forget the Clothing Drive. Rooms open all the week until Saturday night. Give—give—give!

Mrs. Charles Balsor had the misfortune to injure one of her eyes quite seriously narrowly escaping the sight. It is now much improved.

Joseph and William Rice motored to Halifax on Saturday. They were accompanied by Mr. and Mrs. Charles Clarke who have been spending their vacation with Mr. and Mrs. Robert Rice.

Those attending the Digby Co. Rally at Plympton were Mrs. C. Greene, Mrs. Wm. Morine, Mrs. Walter Lent, Mrs. Allan Harris, Mrs. H. Woodgate, Mrs. Hallett Banks, Mrs. Stanley Sabine and Mrs. H. E. Harris.

The Digby County District Rally of the Women's Institutes was held in Smith's Hall, Plympton, on Wednesday, June 19, with the Bear River Institute as hostess. Four Institutes were represented at the morning session when Mrs. Charles Greene, of Bear River, presided with Mrs. W. Comeau of Meteghan, Sec'y. A cordial welcome was extended by Mrs. H. E. Harris, president of the Bear River Institute, which was responded to by Mrs. George Jeddry, of Lower Saulnierville. Demonstration in fancy work was given by Smith's Cove. Interesting and instructive messages were given by Miss Powers, acting superintendent, and Miss Crowe, provincial president, urged the importance of keeping the Institutes alive—keeping together. The officers appointed for the ensuing year are:

President—Mrs. Joseph L. Robicneau, Meteghan.
Vice-President—Mrs. George Jeddry, Lower Saulnierville.
Secretary-Treasurer—Mrs. Gordon Landers, Smith's Cove.
Directors—Mrs. S. Sabine, Bear River; Mrs. Wm. Moine, Bear River; Mrs. George L'arramore, Smith's Cove; Mrs. D. Keiser, Meteghan.

At the afternoon session a sing-song was held with Mrs. W. Lent at the piano.

Rev. Father Leo Murphy, formerly of Digby, now of Halifax, was the guest speaker. His subject was "Woman as the Moulder of the Future." All the efforts of the Women's Institutes is to train better women leaders. Women can guide, they are the moulders of the future. Their work can not be a failure. The Women's Institutes, as in the past, so in the future, will go forward. May their work be crowned with success.

Miss Powers gave a short talk. The topic for the coming year is "Home Safety".

Miss M. Belliveau, of Church Point, gave a demonstration on Weaving; there were also a number of articles on display.

The fine display of fancy work by members of the Institutes was much enjoyed.

Built in Bear River

The Bear River Branch of the Canadian Legion, B.E.S.L. are raising funds for the purpose of erecting a Community Hall as a Memorial to the boys of that area who paid the Supreme sacrifice during the war 1939-1946.

At the present time there is no center of recreation for the young people of the community and it is felt that a hall will fill a long felt need. There will be a full size badminton court, also an indoor range for .22 rifle shooting.

It is felt that shooting should be encouraged as the youngsters will have a chance to learn the proper way to handle firearms as all shooting will be under proper supervision.

The drive for funds will commence on Tuesday, July 2nd. Canvassers will endeavour to contact every person, or family within the area asking for donations, which may be paid in full at that time or on a monthly basis. The public are asked to cooperate by giving to the best of their ability.

The Legion is very pleased of the fact that the fund has been already started with a donation of five hundred dollars from one party. They feel that this is a good omen towards the completion of the enterprise.

Any person wishing further information may receive it by applying to the Chairman of the building committee, A. V. Banks, Bear River, N. S. All donations will be thankfully received.

Farewell to Cpl. Rankin

Farewell and best wishes were extended to Corporal A. S. Rankin, R. C. M. P., at the regular meeting of the Digby Kiwanis Club at the Jersey Farms Hotel Monday evening.

Corporal Rankin has been in charge of the Digby detachment of the R. C. M. P. for nearly eight years, and is leaving to-day for Halifax where he has been transferred. During his stay in Digby he has made many friends in both the town and in the country, who will regret his departure.

Succeeding him will be Ralph MacPherson of Yarmouth.

MARRIAGE

Isles - Taylor

A quiet but pretty wedding took place at the United Baptist parsonage on Monday afternoon, June 17th, when Rev. G. D. Brydon united in marriage Miss Marjorie Taylor, daughter of Mr. and Mrs. Roy Taylor, of Greenland, to Boyd Isles, son of Mr. and Mrs. Maxwell Isles, of Bear River. The bride was dressed in a street length dress of colonial blue, with matching accessories. After a short honeymoon trip they will make their home in Bear River.

SHOWER

A shower was given on Monday evening of last week at the home of Mr. and Mrs. Laurie Thompson, Bear River, for Mr. and Mrs. Dennis Riley. They received many lovely gifts including china, linen and glass. The evening was spent in games and contests, followed by a delicious lunch including a three-tiered bride's cake, beautifully decorated.

Jack Frizzell, of Halifax, spent the week end at River View Lodge.

HISTORY was made in Canadian commercial aviation recently by one of Trans-Canada Air Lines' big, four-engine, Lancastrians when it took off from Montreal airport on a special trans-Atlantic flight to Prestwick, Scotland, carrying an all express load, no passengers being aboard the plane. It was the first flight of its kind and was arranged to take care of the large number of shipments that had been flown to Montreal from as far east as Halifax and as far west as Vancouver by T.C.A.'s domestic service. Space for these shipments was not available on the regular trans-Atlantic flights notwithstanding a recent increase in schedules from three to four flights weekly.

Over 6,000 pounds of Canadian manufactured products made up the cargo, part of which is shown above being loaded into the aircraft from an express truck at the airport while the cargo agent and customs officer check each package. The shipments were distributed from Prestwick to various points in the United Kingdom,

France, Belgium, Holland, Finland and India.

On the right, with the aircraft in the background, is the four-man crew which made the flight, from left to right the members being, Radio Officer W. Tritter, Navigation Officer Pat Roy, First Officer Henry Tilson and Captain Roger Smith, pilot.

Mr. and Mrs. Harold McLean, of Truro, recently spent several days at the home of Mrs. Otis Rice.

Mr. and Mrs. Cleveland Dukeshire and daughter, of Kentville, are guests of Mr. and Mrs. Walter Dukeshire.

Mr. and Mrs. Alfred Kerr and Bob Kerr, of Wolfville, and Andy Kerr, of Halifax, are visiting their parents. Mr. and Mrs. R. Kerr, in Lansdowne.

Sgt. M. G. Dukeshire returned on Friday from service overseas. He was met in Halifax by his parents, Mr. and Mrs. Walter Dukeshire, brother Lawrence and sister Pauline.

Mrs. Ted Beatty and daughter, Elinor, of Dorchester, Mass.; Mrs. Charles Davis, of Providence, R. I.; and T. Harris, of Digby, are guests of Mr. and Mrs. Lovett Harris. They are all spending a vacation in Deep Brook.

Mrs. H. S. Burrage and Miss Maxine Rice returned from Halifax on Thursday.

The Happy Gang will meet tomorrow evening with Mrs. Harding Benson.

The United Baptist Circle met on Tuesday afternoon with Mrs. Harvey Smith.

Mrs. Harding Benson entertained on Monday evening last in honor of Mrs. Everett Chalmers, it being the latter's birthday.

THE DIGBY COURIER JUNE 27, 1946

OBITUARY

Captain W. E. Gillatt

The death of Captain William E. Gillatt occurred peacefully at his home, Joggin Bridge, at the age of 83 years. He was found dead in his bed on the morning of Monday, June 24, he having died in his sleep.

He was well known in Digby County, having followed the sea for many years as a young man. Later he became road foreman, which position he held for over a quarter of a century. In recent years he lived a more or less retired life, collecting, repairing and selling antique furniture.

Surviving are his widow; three daughters, Mrs. Margaret Perry, of Waltham, Mass., Mrs. W. C. Woodman, of Joggin Bridge and Mrs. Harry Sullis of Smith's Cove; one son Reginald W. Gillatt of Quincy, Mass.

Funeral services took place yesterday afternoon, from the home of W. C. Woodman, Rev. Thomas W. Hodgson, of Grace United church, officiating.

James Merritt

Friends and relatives of Mr. and Mrs. Edgar Merritt, Lake Midway, are sympathizing with them in the death of their four-year-old son, James, which occurred early Thursday morning, June 13, at the Digby General Hospital, after an illness of a week. Besides his parents he is survived by two small sisters, Ada and Della. The funeral was held on June 16th from his home, with Rev. I. Corbett, of the Sandy Cove Baptist Church officiating. Interment was in the United Baptist cemetery at Sandy Cove.

Benjamin Charles Thibodeau
Benjamin Charles Thibodeau of East Gloucester, Massachusetts, died at the Adison Gilbert Hospital on Saturday last where he had been a patient for four weeks. He had been ill a short time before he went to the hospital.

Mr. Thibodeau was in his 84th year. He was born in Bear Cove, Digby County, N. S., and went fishing out of Gloucester for a number of years. In later years he worked at the Bass Rocks Golf Club. He was the son of Cyril and Mary (Mallett) Thibodeau, and married Philomena Jerrey, who died in 1935. He leaves two sons, James J. Thibodeau of Dedham, and Elmer B. Thibodeau of Gloucester; a daughter, Miss Priscilla M. Thibodeau of New York and seven grandchildren.

The funeral was held at his home, East Gloucester, Tuesday. Requiem High Mass was celebrated at St. Peter's Church. Burial took place at Calvary Cemetery.

Here they are shown working on a clothing project. The members of these Homemaking Clubs number more than 10,000, and, in addition to several other activities, make many of their own articles of clothing which are the last word in style and good workmanship.

Thanksgiving Service At Marshelltown

In a most beautiful and impressive service on Sunday afternoon the congregation of St. Paul's Church, Marshelltown, gave thanks to Almighty God for the restoration of their church which was so badly damaged by lightning last year. Joining with the congregation in the service of thanksgiving was the minister and congregation of the United Baptist Church, Acaciaville. Rev. J. E. DeLong, pastor of this church, and his congregation did much to help the people of St. Paul's in the restoring of their almost completely demolished church.

Special speaker for the occasion was His Lordship, Bishop Kingston. In a very splendid sermon based on the text, "He is the head of the body, the church," spoke of the church as a body (Col. 1-18) Bishop Kingston with all its members as living parts of that body. He also stressed the need of worship on the part of the church members and urged all his listeners to consider their duty as members of Christ's body, the Church.

Before beginning his sermon, Bishop Kingston congratulated the wonderful job they had done in restoring their beautiful church the congregation of the church in so badly damaged. Special thanks, he said, were due the pastor and people of the Baptist Church, Acaciaville, who rallied so willingly to the aid of their Christian brothers and contributed so much to the restoration of St. Paul's. No finer spirit of co-operation had ever been evinced, His Lordship stated.

Rev. F. B. Gaskill, Rector of St. Paul's, in introducing Bishop Kingston to the congregation, also paid tribute to the work of the people of Acaciaville. Without their help, he stated, our task would have been much harder, much longer in reaching completion.

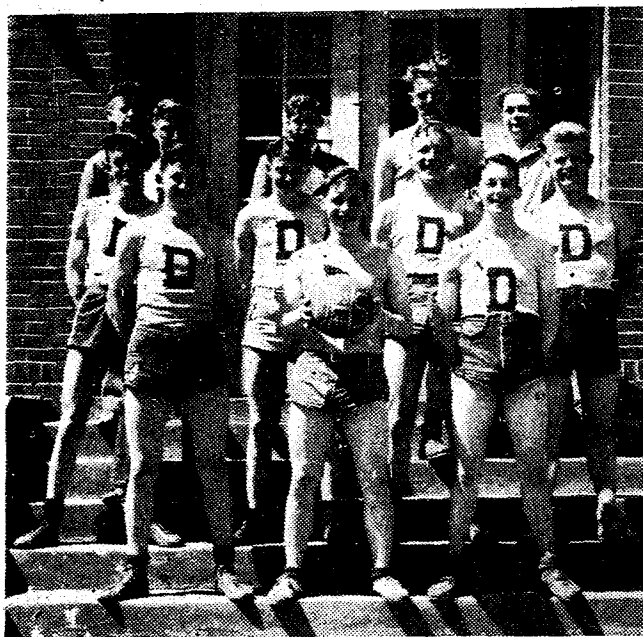

Special music for the service was rendered by the church choir with Mrs. Ralph Marshall at the organ. Soloist was Mrs. Harold Marshall of the Baptist Choir.

ADMINISTERS CONFIRMATION

The Rt. Rev. G. F. Kingston, Bishop of Nova Scotia, administered the Apostolic right of confirmation on a class of twelve candidates in Trinity Church Monday evening.

In his charge to the candidates Bishop Kingston said Confirmation was a step nearer to God through His Blessed Son, Jesus Christ. It was also a step away from evil things, he stated, and expressed the hope that the candidates would make it a firm step away from these evils. Bishop Kingston said Confirmation was also a step into the deeper life of the church in the sense of being made ready to accept and take on more responsibilities and duties in the work of the church. Finally he said, Confirmation is a step into the deeper sacramental life of the church for through confirmation the churchman is taken into the full sacramental

life of Christ's body, the Church.

Speaking to the congregation he urged them to pray for those who were being confirmed that, through their prayers, the candidates might be strengthened for the tasks that lie ahead and may be given courage to follow true Christian lives. "The Christian life, he said, is a joyful one but it is a life that requires courage to live fully to withstand the temptations of this world.

In closing his address, Bishop Kingston urged all his listeners to practise regular attendance at church, especially at the services of Holy Communion. "It is only through the sacrament of the Holy Communion, he stated, that we can enter fully into the true life of the Church and experience the joy of Communion and fellowship with God."

MARRIAGE

Jack - Payzant

A marriage took place at the United Baptist Church at 2.30 o'clock on Saturday afternoon, when the pastor, Rev. D. L. Kenney, united in marriage Miss Patricia Payzant, daughter of Rev. and Mrs. H. Y. Payzant of Bridgewater, and Walter D. Jack, son of Mr. and Mrs. Derby Jack of Bear River. The ceremony was performed against a floral background of Summer flowers artistically arranged.

The bride, who entered the church on the arm of her father, by whom she was given away, was smartly attired in a grey dressmaker suit, worn with a black hat trimmed with rose-colored flowers at the back and a soft lace veil. Her shoulder corsage was of American beauty roses. The wedding music was played by the church organist, Mrs. W. A. Gow.

Immediately after the ceremony the bride and groom left on a short wedding trip to Halifax. On their return they will spend the summer months at the Payzant Cottage at Greenfield.

A graduate of Acadia University, the bride previous to her marriage held the position of dietitian at the Victoria General Hospital, Halifax.

Hersey - Raymond

A quiet but beautiful wedding of interest to many friends and relatives was solemnized June 11, at the Baptist Church Parsonage in Digby, when Marion Esther, only daughter of Mr. and Mrs. Hereford Raymond, Waterford Digby County, became the bride of Charles H. Hersey of Digby.

The bride was becomingly attired in an olive green gabardine suit with chalk white blouse, brown accessories, and wore a corsage of white orchids. The bride and groom were attended by Mr. and Mrs. L. E. Dakin of Yarmouth, the latter being a cousin of the bride.

The ceremony was performed by the Rev. E. J. DeLong, rector of the church. Immediately following the ceremony the happy couple were given a reception by their friends and relatives, after which they left on a brief honeymoon.

Previous to her marriage, the bride was secretary to Doctors W. R. Dickie and E. D. Dickie. The groom is employed by the Canadian Pacific Railway. Mr. and Mrs. Hersey will take up residence in Digby.

Port Wade

Ashmore

Visitors at the home of Mr. and Mrs. Ronald Kinney recently were Mrs. Kinney's parents, Mr. and Mrs. Edmond Bent and two sons, Earl and Murray of Phinney's Cove; also Mr. and Mrs. Harland Woodworth and son Richard of Belle Isle and Mr. and Mrs. Stephen Miller and three children of Granville Ferry.

Mrs. Herbert Kinney was the week end guest of her daughter, Mrs. Vernon Goldsmith and Mr. Goldsmith at Roundhill. She was accompanied by her grandson Reginald who has been spending some months with his grandparents.

Mr. and Mrs. David Fitzgerald and son Richard of Wolfville spent the week end with Mrs. Fitzgerald's parents, Mr. and Mrs. Ellsworth Kinney.

Mr. and Mrs. Walter Tanner of Port Williams were guests over the holiday with Mrs. Tanner's parents, Mr. and Mrs. David Kinney. Another daughter, Miss Hilda Kinney, who has been employed in Wolfville is spending her vacation home.

Miss Edith Marshall of Wolfville spent the week end with her father, Mr. Elvin Marshall.

Miss Lois Brooks and Robert Sterling of Wolfville spent the week end with Miss Brooks' mother, Mrs. Gladys Brooks.

Mrs. Harley Brooks, who has been visiting her daughter, Mrs. Sherman Prime and Mr. Prime of Weymouth North has returned home.

Mr. Kenneth Manzer of Wolfville spent a few days with his mother Mrs. Florence Manzer recently.

Mrs. Walter Melanson and daughter Almeda spent a few days recently in Berwick, the guests of Mr. and Mrs. Frank Thibodeau.

Intermediates Capture League Lead

The last two ball games in Digby resulted in two losses for the juniors' team. In these games the Juniors took on the Seniors and the Intermediates, and both the Older teams practically drove the Juniors off the field. It was evident the Juniors had not been getting in the necessary practise to maintain their position at the top of the League. This resulted in turning over this position to the Intermediates, who lead with two wins, one loss; the Juniors in second place with two wins, two losses; and the Seniors still trailing with one win, two losses.

There were two games played against Annapolis by a team chosen from the Digby League, and the results of these games was one victory apiece. Both teams are looking forward to the deciding game. The starting pitcher for Annapolis had class but that was about all, for seven runs were scored on him in the first inning, mainly because of walks and the Digby batters getting stung; however, the Annapolis boys settled down and with a slow but sure recovery, managed to win what seemed to be a sewed up game.

In the return game in Annapolis, the Digby team played a more steady game, and except for a last inning threat by the Annapolis team, it looked like Digby had the edge most of the way, finally winning by a score of 13 - 10.

TO THE list of thousands of Canadians, and tourists from all parts of the world, who visited Jasper National Park in the Canadian Rockies before the war can now be added the hundreds of men and women of the British and United States Armies who were there during the war.

Some of these uniformed visitors came to work. There were the Lord Lovat Scouts, famous commandos, who used Jasper as a training ground for mountain warfare. They put in long strenuous hours hardening sinews, building up stamina and testing and proving new types of equipment. One of them is seen, to the extreme right, rock-climbing above the Canadian National Railway track.

And some came to play. Returning on furlough from arduous duty in the North Country, men and women of the United States Army forces, found Jasper a delightful place to relax in. They loafed in their own bungalow camp or took the opportunity to swim, hike or go horseback riding. They also got to know some of the wild animals in the park and one of them is shown to the right, with a family of bear cubs.

Jasper Park Lodge, spreading across the top of the layout, was not open however, for the conservation of men and materials was necessary in the war years. But this summer hotel on Lac Beauvert, with its charming cottages, will be open again

this year from June 15 to September 15, and has been completely renovated and alterations made for the added comfort of guests. Advance reservations are already heavy.

During the war, the celebrated golf course was re-seeded—partly with Kentucky blue grass—and in some places remodelled. The centre photograph shows the new bunker at the eleventh green, rebuilt as a replica of the Pyramid Range which lies behind it.

Hundreds of thousands of speckled and rainbow trout and other game fish were reared and distributed in lakes and waterways, promising good sport for the fisherman. And in this largest of North America's national parks, the trails and highways within its 4,200 miles are in splendid shape.

Badly Injured in Fall of Rock

Clair Dakin, 39, of 40 Park St., Geneva, N. Y., and son of Mr. and Mrs. Kenneth P. Dakin, of Centreville, Digby County, was seriously injured a few days ago by a rock fall at the State Taughannock Park, near Syracuse, N. Y.

Mr. Dakin, accompanied by his wife and mother-in-law, were on a sight-seeing trip when the accident occurred.

According to a newspaper clipping received by his parents in Centreville, "the accident happened a short distance below the main falls and under the south cliff which is nearly 400 feet high."

He was rendered unconscious by rocks which struck him on the head. Mr. Dakin was attended by park employees until the arrival of an ambulance. It was necessary to carry him on a stretcher for a distance of one third of a mile.

He was removed to a hospital at Syracuse, and later transferred to the Tompkins Memorial Hospital at Ithaca.

Latest word received by his parents is that his condition is good and that he is now making good progress.

Mystery Man to be At Fair

If you have a keen, observing eye and a bit of nose for mystery, then you will have a chance to display your talents at the July 1st Fair, Monday, both afternoon and evening.

The mystery will be in the form of a Mystery Man who will be on the grounds of our "Rink For Digby" fair for fifteen minutes in the afternoon and fifteen minutes again in the evening. Incidentally it seems there will be a different man each time to spoil the chances for the winner in the afternoon of spotting him again in the evening.

This mystery gentleman will have two outstanding features of dress which will be noticeable by their oddness. He could be wearing a brown shoe and a black one for example. It is up to the mystery fans to pick the man by these two identifying oddities in his dress between 3:45 and 4 o'clock in the afternoon and between 8:45 and 9 o'clock in the evening and give him their name. The prize for the two winners is to be a five dollar credit for merchandise at Wright's.

Juvenile Delinquency

Juvenile delinquency came in for a thorough discussion at last week's meeting of the Board of School Commissioners.

It was reported to the Board that there were several cases of habitual truancy in the school and that this was leading to delinquency. On several occasions pupils had come to school in the morning suffering the effects of a "hangover" and, in at least one case, reeking of liquor, it was stated. In some cases it was found that the drinking had been done in company with the parents of the children concerned and one lad openly boasted of playing poker with his "Old Man" until three o'clock in the morning. In other cases the drinking had been done with older companions and adults particularly in the wharf-side areas of the town.

The Board decided that immediate action should be taken in an attempt to clear up this matter which seemed to be reaching alarming proportions. Principal Purdy was instructed to take action in several truancy cases which had come before the courts and the possibility of taking action to punish adults for contributing to the moral delinquency of juveniles was discussed.

Agricultural College at Debert

Indications are that the Nova Scotia Agricultural College at Truro, robbed of its Science building last Saturday by fire, will operate next term at Debert Military Camp.

Hon. Arthur W. Mackenzie, minister of agriculture, said that negotiations were underway for taking over a block of buildings at the big camp. The buildings, which were formerly used by the air force, are considered well suited to the carrying on of college work.

They include living quarters, mess rooms, drill hall, recreation hall and theater, and when equipped would offer facilities for administration, laboratories, classrooms, staff and student residence.

Those who have looked over the Debert buildings are well pleased by the prospect, the minister said. If present plans are finalized practically all the activities of the college with the exception of the herds and farm will be transferred to Debert until a new science building and dormitory are erected.

Beautiful Smiles Depend on Teeth

FINE, SOUND TEETH DEPEND ON FOOD!

THE beauty of a child's teeth depends so much on proper diet. And Carnation Milk is outstandingly useful in a diet planned to maintain healthy teeth. For Carnation, as it pours from the can, contains twice the calcium and phosphorus found in ordinary milk... and many times the "sunshine" vitamin D. As a drinking milk (properly diluted and chilled), used in cooking, or used undiluted on cereals and fruits, Carnation can do a lot for the teeth of your youngsters.

MARRIAGE

Despaut - Abbott

St. Patrick's Church was the scene of a pretty wedding Tuesday morning at 7.30 when Rev. Father Leo Day united in marriage with nuptial mass Georgina Mary, daughter of Mr. and Mrs. W. J. Abbott, King St., Digby, to John Gillis, son of Mr. and Mrs. Joseph Despaut of Ottawa, Ontario.

The bride wore a two piece, street length gown of white eyelet embroidery, with small white off the face hat, her accessories were white and she carried American beauty roses.

The bride was attended by her

sister, Louise Kathryn, who wore madonna blue taffeta with a pink milan straw, crownless hat and carried pink roses.

The bride's mother wore a gown of powder blue, triple sheer print and black hat with white flower trim. Her corsage was pink and white carnations.

The groomsmen was Richard Abbott, brother of the bride.

During the mass and wedding ceremony nuptial music was played and the choir sang "Ave Maria".

The bridal party motored to the home of the bride's parents where a wedding breakfast was served to relatives and friends. The Bride's table with its cut-work cloth was centered with a three tier wedding cake, beautifuly decorated, flanked by white tapers in silver candlesticks.

Later the happy couple left by S.S. Princess Helene for Montreal and Ottawa where they will be the guests of the groom's parents.

The bride wore for travelling a loganberry suit with off-white topper and black accessories.

The bride has been discharged from the R. C. A. F. (W.D.) after three years in the service.

The groom is attached to the permanent Air Force, at present stationed in Halifax where the happy couple will reside temporarily.

Out of town guests were the bride's grandmother, Mrs. Philip Comeau, Marshalltown, and Mr. and Mrs. E. P. Comeau, Yarmouth, N. S.

jersey with white accessories and a corsage of pink and white carnations.

A reception was held at the home of the bride's parents. The rooms were beautifully decorated with out flowers and pink and white streamers. The bride's table was centered with a three tier wedding cake with miniature bride and groom and crystal candleabra at either end. Friends of the bride served.

Many beautiful gifts were received, including a cheque from the bride's parents, a cheque from Eastern Textile Products Ltd., Saint John, where the bride is employed, and a lamp from the office staff.

After the reception the happy couple left for Nova Scotia where they will spend their honeymoon. The bride's going away costume was of Aqua wool crepe with brown and pink accessories and top coat of brown shag. The bride's gift to the groom was a leather billfold and to the bridesmaid and organist was sterling silver earrings. The groom's gift to the best man was a silver cigarette lighter and to the ushers was billfolds.

Out of town guests were Mrs. Laurie Thompson of Bear River, N. S.; Miss Vera Riley, Sussex, N. B.; Mr. and Mrs. Wilfred Price, Mr. and Mrs. Everett Glenn, Mr. and Mrs. A. J. Hall of Fredericton, N. B.; Mrs. Myrtle MacIntyre of Moncton, N. B.; Mrs. Frank Jardine, Mrs. Ralph Collins, Mrs. Agnes Hubley of Saint John, N. B. On the return from their honeymoon, Mr. and Mrs. Riley will reside in Saint John. The groom previously returned from overseas where he served with the North Nova Scotia Highlanders.

Riley - Murray

Salmon Creek United Church, Chipman, N. B., was the scene of a pretty wedding on June 8th at seven-thirty p.m., when Rev. J. L. Rose united in marriage Miss Geneva Murray, daughter of Mr. and Mrs. John Murray, to Dennis Riley, son of Mr. John and the late Mrs. Riley of Virginia East. The bride entered the church on the arm of her father to the strains of Lohengrin's wedding march played by Miss Olive Shirley. The church was decorated with cut flowers and potted plants and the guests pews were marked with apple blossoms and ribbons. The bride was gown in floor length white satin with sweetheart neckline, fitted bodice and full skirt. Her only ornament was a string of pearls, a gift of the groom. Her wedding veil draped from a coronet of orange blossoms was of tulle illusion and she carried a bouquet of American beauty roses and fern. Miss Lena Murray, of Moncton, sister of the bride, was bridesmaid. She wore a street length dress of blue crepe with matching hat and white accessories and an old fashioned nosegay. The best man was Staff Sergeant Algert Hall, of Fredericton. Ushers were Wilfred Price of Fredericton and Clayton Teed of Saint John. Mrs. Murray, mother of the bride, wore a dress of printed silk

RETURN ON ILE DE FRANCE

More local boys were among the 9,000 returning servicemen aboard the Ile de France when she docked in Halifax last week.

Among these were Captain C. L. Walker, Digby; Gnr. P. A. Amaro, Doucetteville; Pte. W. Comeau, Digby; Sgt. M. G. Duke, Bear River; Gnr. M. E. Cosman, Weymouth; C.Q.M.S. W. H. Armstrong, Granville Ferry; Pte J. A. Saulnier, Meteghan; Sgt. W. J. Hennessey, Bear River; Pte. H. D. Wagner, Weymouth; S/Sgt. D. A. MacFarlane, Centreville; L/Cpl. E. S. Cromwell, Weymouth.

Pauline Burnham, Manager of the local Eaton Order Office, left on Monday for Moncton to attend a convention of Order Office employees being held there.

Mr. and Mrs. Richard Lynch and little son of Halifax spent the weekend visiting Mr. Lynch's mother, Mrs. T. E. G. Lynch.

Looking Ahead

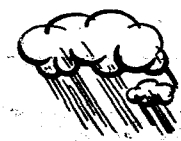

Man-made bristles... Softening meat on the hoof... Weatherproof sheds... Better fruit...

Here's a new brush that looks something like a question mark. But there's no question about it—its nylon bristles will outwear by many times the bristle of the Chinese Hog. This particular brush is for cleaning coffee makers. It is only one of hundreds of new-type nylon brushes now coming on the market.

"All that they want" is the modern farmer's principle when it comes to providing salt for his livestock. With salt blocks or salt boxes in stables, fields and pastures, animals now help themselves, free choice, and grow faster, sturdier because of it. It's just another of the advances in animal nutrition that mark our times.

Durable water repellents that won't come out in washing or dry cleaning will soon be common in many outer garments. Not only will these give protection against showers, but clothes won't spot as easily. These products, such as "Velan" from England and "Zelan" from the United States, are becoming well known to the people who are making textiles for your new clothes.

Fruit that falls prematurely means waste to the orchardist. But chemistry knows a way to keep fruit on the tree until it's ready to be picked. With a hormone spray called "Parmane", which strengthens the stem of the fruit, "windfalls" can be almost eliminated.

Further information on any of these products is obtainable by writing "Looking Ahead", C-I-L, P.O. Box 10, Montreal, P.Q.

SERVING CANADIANS **C-I-L** THROUGH CHEMISTRY

The men, women and children of war-devastated countries desperately need all the used clothing that the men, women and

children of Canada can spare. These ill-clad victims, (left), of war's aftermath are shown (right), wearing clothes and footwear col-

lected during last clothing drive in Canada and distributed overseas by UNRRA. More people need help and more can be re-

lieved by the donation to the National Clothing Collection of all servicable garments to be found in attics, cupboards and trunks.

To Continue Consolidation

At the conclusion of the Junior High School Closing Exercises, Dr. J. R. McCleave, chairman of the Digby School Board stated arrangements had been made to continue school consolidation for another year and busses would again be available to transport students from rural areas to the Digby Academy.

Dr. McCleave also stated arrangements had been made with local music teachers to give credits to their pupils so that music can be considered a course in the Digby Academy.

The Junior High School Closing was held in the Community Hall with Dr. McCleave presiding. In opening the meeting he paid high tribute to the work of the former Board chairman, H. M. Warner in finalizing the arrangements to secure the former R. C. A. P. building on the so called "Cannon Bank" property for use as a school house for the Junior High School.

Principal Purdy in his report of the administration of the Junior High Departments paid tribute to the Board in their effort to make the new department a success. He also outlined the various changes and improvements he hoped would be accomplished before school opening in the fall. He complimented the out of town pupils who have been taking Junior High work in Digby and stated their progress had been remarkable.

Following the principal's remarks, Mrs. Louise Stephen, accompanied by her sister, Mrs. Helen Anthony, rendered two delightful vocal numbers.

School Commissioner Victor Cardona, in a short address, congratulated the graduating students on their success. He paid tribute to the work of the Sea Cadets and congratulated them on their inspection held that afternoon. "Our schools", he stated, "are one of the most vital forces in maintaining our democratic way of living. We must do all we can to keep their progress in line with the times. Anything that we can do to increase the efficiency of our schools and expand their influence is a step towards the development of a better Digby and a greater Canada", said Mr. Cardona. He urged the pupils not to consider their school career as an end when they graduated from Junior High but to go on until they completed the senior course. "Lack of a full and sufficient education may not be a noticeable handicap in securing employment at present but this will not always be the case. As the years pass you will regret more and more the fact that you did not complete your schooling if you leave the Academy now", he declared.

Following Mr. Cardona's address certificates and prizes were awarded to the graduating members of the Junior High. Pupils of Grade IX also made a presentation to Leonard Embree, teacher of that grade, who is leaving Digby to teach in Halifax.

After this Mrs. Stephen again delighted the audience with two lovely vocal selections.

This Mystery Man is just one more of the many attractions on the programme of the Jumbo "Risk for Digby" Fair this coming Monday.

The Correct "God's Time"

To the Editor of the Courier:

Sir—In your June 6th issue reference is made to "God's Time." In my young days we had a "noon mark" in a south window (north and south), and when the sun shone on the mark we looked in Belcher's Almanac, which told how much the sun was fast or slow of the clock; thus we got correct sun time.

When Standard Time was adopted, Atlantic Standard was set on 60 degrees West Longitude, which makes it 24½ minutes faster than sun time in this part of Nova Scotia.

Community Saddened

Church Point was greatly saddened by the news of the probable drowning of Jean Batiste LeBlanc of Dorchester, Massachusetts, and August Thibodeau of Everetts, both former Church Point residents. Mr. LeBlanc, aged 49 and Mr. Thibodeau aged 48, went fishing in a dory Sunday afternoon, June 9th and it is believed a sudden storm overturned their dory and they were drowned.

The overturned dory was found of Race Point coast guard station by Howard Phillips of Provincetown and identification of the craft as the one hired by the two men at Brant Rock. Phillips was walking along the beach at Provincetown when he discovered the dory floating bottom up. The Race Point lifeboat station then brought the dory ashore.

Mr. LeBlanc is the son of Mrs. and the late Martin LeBlanc of Church Point and has resided in the United States for over twenty years. He has one son, Paul, a lieutenant in the U. S. Naval Reserve, aircraft section. He leaves five brothers: Professor Joseph LeBlanc, Chicago; Simon, Boston; Edward, Bridgetown; Bernard, Little Brook, and Ben at Church Point. Also two sisters in Everett, Massachusetts, Anne Marie and Mr. Augustus (Matilde) Thibodeau, wife of the other victim of the storm.

Mr. Thibodeau leaves four sisters: Mrs. Clifford (Catherine) Deveau, Hebron, N. S.; Mrs. Edward (Rose) Melanson, Mrs. Lucy McGrath, Mrs. Therese McFadden all of Boston, Massachusetts, and one brother, Charles, at Church Point.
