1877- 1978

1877-1977

Now and then a printing job had a page or two of "chicken" paper which required a special kind of printers' ink which smelled very bad some days. I always dreaded it when "that" would be that job on the largest press. In spite of the fact that we always opened an outside door to lessen the odors on the main plant.

One of the jobs I had to do, besides putting and
grinding down the staff, was to... I cleaned one
and then... One day not long after I started to get to
the grating plant. I decided to climb the floor that
apparently hadn't been cleaned for some con-
siderable time.

"J.J." came along and said, "how are you making out Vince?" I assured him that I thought I was beginning to see the floor. "J.J." laughed very heartily. He thought the remark pretty good and whole.

Sometimes the gasoline engine, a piece of machinery would refuse to work, and the "Man" fix-it man had patiently worked for a certain length of time to get it going again, without results. Man would then stand back and come over dramatically then he would immediately start working. "See," he would say, "all it needed was a bit of fixing."

On other occasions when some people would say, "let's be a little off" and vice versa, often that is all it took. They often since have a respect of the value of that remark and the actual need of "off" in many life situations, applied at the right time, right place and in the right way.

place and, in the right way.

Other things that sort of stick in my memory and come to mind now and then are, like the time I told "Mac" of four teenage boys who in the spring season of 1918 got together just before dark one evening and decided to mutilate the newly built outdoor Fair Hotel swimming pool which had just been filled with water. Clothes were taken off near the road just out of the pool, nobody else seemed to be around except the four boys, no thought or time for bathing suits, so in the pool they went. They stood on the edge of the pool and looked at the chilly water, one soon jumped in. The rest quickly followed and across the pool they swam. "Mac" listened to the story and hardly said anything, but the next "Digby Courier" had a good story on the episode. The heading of the story was something like, "Four Boy Swims Officially Open Pines Hotel Swimming Pool." Who were the four? Many years later they are known as: the late Dr. Carl H. Anderson, veteran of two wars, second world war and Korean, was awarded the Victoria Cross; Sidney L. Smith, now prominent druggist for many years in Digby; Clayton D. Snow, Digby wholesale apothecary, and myself.

As a young teenager I used to like doing some writing about different events interesting to myself, and mostly for myself. One day "Mac" said to me how about writing your version of the story told about "The Marooning of Jerome". I did it and read at least two somewhat different versions about the man who was found marooned on a beach in some point on the French Shore of St. Mary's Bay, Duffy County. When I read this man's tongue had been cut out and his legs quite freshly amputated, were surgically well dressed and bound. He was presumably left by some vessel before dawn one morning, all for some mysterious reason.

"Jerome" appeared to have been a man of considerable social standing and, possibly, of considerable wealth. However, the way things could or would ever get off after being abandoned for by some family in the French style, something that sounded like O. Henry, let me either yield out, or, would not, write down who he was or why he was left there. It was, and is, one of Dignity County, and, different ideas have been put forward about its concerning this man. However, "Mie" was, I felt no urge to write anything different about this man. The way things have been very well explained.

From the files of the Chamber of January 23, 1967, the following account has been copied concerning India in 1965:

The Town Plot is situated at the east of the township just within the entrance to Annapolis Basin, and extends miles from Annapolis Town, and six miles across land from the head of W. Mary's Bay. This land not only has water's edge, partly on level ground, and partly on the declivity of a modern hill, dry and pleasant, and having on an eastern aspect a view of the Annapolis Basin and its cultivated shores for twenty miles in extent, it terminates with the Fort and River's mouth at that name. It was secured by Loyalists from New York in 1782, the point of which went early to Britain, or, moving to other countries, left the shore

Bear River Notes

On Monday night Mr. A. B. Marshall assisted by his niece, Mrs. Cunningham, and Mrs. Anthony, celebrated New Years with a dinner bridge. At six thirty twelve guests took their places for dinner, set at a small table, and later for progressive bridge. The honorees were Mrs. C. V. Snow, Mrs. Thomas Hood, Mr. Fred R. Harris and Mr. C. V. Snow.
Mr. Wills, Principal of Oakdale School, returned from H. H. on Wednesday.
On Sunday evening The Keith Lodge, A. F. & M. No. 16, holding St. John's Day, held their annual church parade with service in the United Church. Rev. R. A. Milley preached a very impressive service and in spite of the snowy night there were a good number in attendance.
A number of young people enjoyed a dance New Year's night in the Legion Hall under the auspices of the Ladies Auxiliary of the Canadian Legion.

MUSIC RECITAL

Last Thursday evening, Orlene Anderton, Mrs. Clifford Morine with her music students put on a recital of piano and voice music, which was well received with much pleasure by the large number of admiring parents and friends present.
A happy climax to the program was the singing of "Gloria in Excelsis Deo" by the choir, who, showing no fatigue after their strenuous Christmas work, presented gifts from the Christmas tree to the pupils, after which Mrs. Morine served refreshments to the guests.

Centerville C.G.I.T.

Hold Candlelight Service

The Centerville C.G.I.T. girls with their leader, Mrs. Hilbert Dakin, held a candlelight service at the Baptist Church on New Year's Eve December 31st.
The girls, members taking part were Betty Cochrane, Betty Paine, Frances Gidley, Patsy Morehouse, Grace Outhouse, Betty Thibault, Gwen Macdonald, Shirley and Bernice Horne.
Mrs. Fred Morehouse assisted at the organ.
During Christmas week the C.G.I.T. girls and several members from the Mission House, held several visits in the community car singing.
The C.G.I.T. Christmas party was held the 22nd of September, with their leader, Mrs. Hilbert Dakin, singing and games were enjoyed. Gifts were distributed and refreshments of sandwiches, cookies and cocoa were served by the girls.

Has Large Poinsetta

Mrs. Adolph Specht of Barton has a most unusual plant in her home. This plant has been blooming continuously for over a month. At present the bloom on it measures more than nine inches across.

"Wrong Way Corrigan" was a very lively play on that Quorum trip that goodness has sent plotting a peek up the ice.
"Spawning of such" things, it would hardly be cricket to say, but it was a peek up the ice.
Whipping briskly out of bed and planting a foot firmly over the eyes, as they were, was the way to start the day off with a bang.

Lansdowne School

Holds Christmas Program

A very nice Christmas program was presented in the church hall at Lansdowne on the afternoon of December 24, by the Lansdowne School.
After the Scripture reading, and opening prayer by David Height, Superintendent, there followed an exercise "A Child's Wish for Christmas" by the little ones from three to five years (Mrs. C. Morgan's class). A song "Answered Prayers" was read by Mrs. Gus Gilpin of Bear River, the theme of which was "Answers received by trusting God."
The story of the life of Jesus from the birth of the Babe at Bethlehem to the cruel cross of Calvary was told in most interesting fashion by Gus Blinn, followed by the song "Away in a Manger" by Juanita and Wayne.

"Jesus Holds the Keys" was recited by Marie Height, followed by "The Christmas Service of Light" by Mrs. A. Balser, who, by lighting candles, traced the spread of his message from the time when Jesus taught to the present day teaching of missionaries in the foreign fields of Africa, India, Korea, etc. The theme of this service was "Go into all the world and preach the Gospel to every creature."
Next came a recitation: "The Baby Jesus" by Barbara Height, and the program closed with a short play "Gifts For The King" by children of Mrs. A. Balser's class, assisted by one of the juniors, and singing of "Silent Night, Holy Night."
A nicely decorated tree with a variety of gifts, and a large number of gifts available to the kiddies who felt amply rewarded for their efforts. The closing blessing was extended by Gus Blinn.

Week of Prayer

Services Announced

Plans for the annual Week of Prayer services have been announced today by the clergies.
The services, which will begin at 7:30 every evening, will begin Monday evening, January 8th. The first service will be held at Grace United Church where the speaker will be Capt. Rowland Wilson, missionary to the Arctic.
Tuesday evening's service will be held in the Salvation Army chapel where the Rev. E. C. Carroll, pastor of the Trinity Baptist Church, will be the preacher. On Wednesday evening the service will be at Trinity Anglican Church and the preacher at that church has not yet been announced.
The Week of Prayer services will close on Thursday night, January 11th, with a service being held at the United Baptist Church.

Unemployed

Ranks of the unemployed in this district have been greatly swollen in the past two weeks by a heavy influx of workmen at the mill. The influx has been continuing for some time. At present the number on the list is about 100.
The influx of workmen at the mill has been due to the fact that the mill is now in operation and many of the workmen who were laid off last year are now back at work.

Lay-Off At Cornwallis

Increases

The lay-off of workmen at the mill has been greatly increased by the weather conditions. The weather has been very cold and the workmen have been unable to work for some time. The mill has been closed for some time and the workmen have been laid off. The number of workmen laid off has increased to about 150.

Christmas Program

Presented

The Christmas meeting of the North Range Baptist W.M.S. was held on Thursday evening, December 27th, at the home of Mrs. Ralph MacNeill. The president, Mrs. J. V. Andrews, presided over the meeting which was well attended.
After the routine business had been disposed of, the Christmas stocking was opened. The program was constructed around the suggestion given by those contributing money to the stocking and consisted of selections from the "Palms, carols, readings and other special numbers, all of which made a very interesting and pleasing service.
A recipe for a "Christmas pie" was composed by the members present, each secretly adding an ingredient of Christian virtues. When the complete recipe was read it was interesting to note that kindness was called for more often than any other virtue.
The receipts of the evening, which amounted to over nineteen dollars, will be donated to the memorial window which will be placed in the Hill Grove Baptist Church, in memory of Miss Joan Wilson, missionary to the Arctic.

At the close of the meeting refreshments were served by the hostess, assisted by Mrs. Ed. MacNeill and Paul Schaefer. The January meeting will be held at the home of Mrs. L. D. MacNeill.

Ernest B. Tufts

Again Heads Legion

Ernest B. Tufts of Digby was re-elected to the position of president of the Canadian Legion, L.S.S.C., at the annual meeting held in the Legion hall on Wednesday evening, December 27th.
The officers elected were: President, Ernest B. Tufts; Vice-President, Mr. W. J. Mason; Secretary, Mr. A. J. Gosselin; Treasurer, Mr. J. B. Tufts; Education, Mr. F. C. Purdy; Sports, G. V. Turnbull; Publicity, Mr. H. B. MacNeill; F. C. Purdy; V. L. Bent; Ways and Means, S. L. Smith; Visiting, A. W. Mason; and Honorary Members, G. B. Hayden, Welford, P. J. Thibault, Paddy Pung, F. C. Purdy; Emergency, E. B. Tufts; Entertainment, W. J. MacNeill; Building, H. B. MacNeill; Grounds, J. B. Tufts; Hospital, H. B. MacNeill; Mahon; Canteen Treasurer, D. Denning; Auditor, F. C. Purdy and S. L. Smith.

Order Inquest in Death

of Kenneth VanTassel

The coroner's jury viewed the body of Kenneth VanTassel, who died on Tuesday evening, December 26th, at the Digby Hospital, after a long illness, at his home, 100 St. John's Street, Digby, on Wednesday morning, January 3rd, at 10:30 a.m.
The coroner's jury, which consisted of Messrs. J. B. Tufts, G. V. Turnbull, and H. B. MacNeill, viewed the body of the deceased and heard the evidence of the medical officers and the witnesses who were present at the death.
The coroner's jury found that the death of Kenneth VanTassel was due to natural causes, and that there was no foul play involved in the death.

Ravens Take

League Opener

The hard playing Digby Ravens downed the Bridgetown Hawks in the opening game of the Western Valley League series here Tuesday night by a score of 5-3. The Ravens, handicapped by a weak defence, could not seem to stop the Ravens who began to pile up a lead early in the game.
The Ravens scored in the first quarter on a pass from the quarterback to the wide receiver. The Ravens scored again in the second quarter on a run by the running back. The Ravens scored in the third quarter on a pass from the quarterback to the wide receiver. The Ravens scored in the fourth quarter on a run by the running back.

Tom Farnham's Column

Miss Rosalie Gaudet's 100th Anniversary in 1902

In perusing the columns of an issue of the "Sissiboo Echo" printed at Weymouth about fifty years ago, I read an interesting item concerning the 100th anniversary of Miss Rosalie Gaudet of St. Bernard's. The paper also published her picture.

Why am I interested? Well, having lived in St. Bernard's for nearly the whole year of 1880, operating a printing plant for Rev. Fr. Donahue (?), I often came in contact with Miss Gaudet when going to and from church, boarded at Charlie and Rose Blinn's nearby, on the bank of the road just opposite the one leading to Edinburgh Light.

The printing office was in the Glebe House also a private school for boys and girls. If I remember correctly, their instructors were Carr Brothers. Miss Nellie Falvey of Weymouth attended the girls' school.

I hope to visit St. Bernard's and Bellevue's Cove some time and have a conversation.

The following is the "Sissiboo Echo" report:

The Dear Old Lady

"A large number of relatives and friends gathered at the home of Mr. Augustin Theriault, St. Bernard's, to pay their respects, and offer their congratulations to Miss Rosalie Gaudet upon the occasion of the celebration of her one hundredth birthday.

"The old lady is hale and hearty and had it not been for a fall a year ago, she would be as nimble as she was twenty years ago.

"She enjoys remarkably good health, is bright, jovial and the picture of happiness. Over two hundred called upon her during the week end at her home, in which she has resided for 96 years, her father having bought the property when Miss Gaudet was only four years old.

A Wonderful Discovery

A new medicine has been discovered, but not given a name, as yet. It is supposed to be taken while in the air.

"One drop kills you." Hope you grasp it. If not, wait until tomorrow.

Like the Englishman who never smiled when he heard it, but came back next day and commented, saying: "By Jove, Tom, that was a jolly kind of a joke you told the boys, but there is only one thing that bothers me — am I supposed to take a drop from the bottle, or a drop from the airplane?" He is still in a wonder.

Shake Hands— (If Not Too Late)

No doubt the Editors and reporters of the Western Counties Weeklies are more friendly now than in 1887, especially at this time of year, when all new resolutions are put into effect—some carrying-alibis.

In looking around my den, I came across the following, placed near the editorial columns:

"The Annapolis Spectator says: 'A man out west wants to sell us a wind-mill. It's not a wind-mill we want. We crave a sharp pair of scissors; they are more in our line. Try the Digby Courier with your wind-mill.'

The Courier replied: "Thanks for remembering us. A gas-mill would be more in the Spectator's line."

Saint John River in 1887

I have noticed recently that mention was made by the news-

papers of New Brunswick and Nova Scotia that the Saint John River was still clear of ice and open to navigation. Something very unusual at this time of the year.

In a clipping from the Saint John Globe, dated December 23, 1887—sixty years ago—I read the following:

"The Saint John River and nearly all its tributaries are free from ice at the present time. This is a very unusual occurrence at this season of the year. A number of gentlemen are talking about taking a run up to the Capital in a tugboat to see how the celestial city looks with its Christmas dress on."

OBITUARY

Lloyd Trask

There passed away at his home Wednesday evening, December 20th, Mr. Lloyd Trask. Although he had not been well all the fall, his death came as a great shock to a host of friends and relatives. Born at Little River, Digby Co., N. S., Mr. Trask was the son of the late Butwell and Etta Trask. He leaves to mourn their loss his wife, Daisy, five sons, Basil of Little River, Weldon, who served in the First World War and who now resides at Sandy Cove, N. S.; Kingsley of Little River; Guy and Donald of London, Ontario; also two daughters, Mrs. Woodrow Hilbert of London, Ontario, and Barbara, at home, eight grandchildren, one sister, Mrs. J. D. Adamson of Oakland, Calif., and a brother, Roy, of Little River; besides a host of friends. The funeral service took place at the Little River Baptist Church. The floral tributes were many and very beautiful showing the high esteem in which Mr. Trask was held. The hymns sung by request were "God Understands," sung as a solo by Mrs. Strong-Tharm, and the choir sang "Saviour Like a Shepherd Lead Us" and "Under His Wing." The pallbearers were Mr. Otto Frost, Mr. Bernard Morehouse, Mr. Lee Trask and Mr. Eric Morehouse.

Barton

A beautiful Candle Lighting Service was held in St. Mary's Church Sunday, the Sunday School children taking part. Rev. J. E. DeWolfe conducted the service and Mrs. DeWolfe presided at the organ. At the end of the service each child was presented with a small gift from the Sunday School.

George T. Urquhart of Moncton called on friends in Barton and Brighton Christmas Day.

Miss Ruth Specht of Barton has returned after spending the holidays with her parents, Mr. and Mrs. A. Specht.

Harold Specht has returned from his visit in Boston and vicinity.

Edson Specht of Rossway and Lloyd G. Specht of Barton are employed in Yarmouth.

A HAPPY NEW YEAR to all Nova Scotians!

DESPITE war and the threat of war
We who live in Nova Scotia
Are a fortunate people.
Fortunate to live in a land
Of freedom and opportunity,
In a province blessed with fertile farms,
Busy factories and productive forests,
Rich in minerals
And the boundless resources of the sea.

Let us be worthy of our good fortune,
And working together
With wisdom and energy,
Goodwill and tolerance,
Make Nova Scotia
A still happier province
In 1951.

Education

by the Hon. Henry D. Hicks
Minister of Education.

Nova Scotia is moving steadily toward a long cherished democratic goal — a reasonable equality of educational opportunity for all the children of the province.

A sound basis for this important development has been laid in the establishment within the last decade of the Municipal Unit for school administration. The chief instrument in the continuing re-form at the present time is the provision of rural high schools with modern equipment, to give as effective instruction to children from scattered communities as they could obtain in our larger centres of population.

Already eight such schools are in operation in River Hebert, Mildred, Digby, Lockport, Brookfield, Tatamagouche, the Musquodoboit area (at Middle Musquodoboit), and Sydney River.

The ultimate number may be as high as 65 or 70.

A companion move for the creation of equality of educational opportunity for all children is the establishment of the new vocational high schools. These complete the picture by providing facilities in technical and vocational fields, in appropriate sections of the province. The two vocational high schools already completed are those serving the Halifax and Yarmouth areas.

While this progress is being made possible on the high school level, similarly a complete change of scene on the common school front — the first six grades — is coming about. The creation of the rural high school system on an area basis will mean that the local schools will contain only these elementary grades, making possible a concentration of effort and resources for the benefit of the younger children. This situation is reinforced by the existence of the Municipal School Unit, that enables the small school districts, formerly standing alone, to pool their resources which, supplemented by provincial aid, can ensure more effective teaching.

These are the recent manifestations of a basic change that began in our educational system some 15 to 20 years ago, with a reconstruction of the curriculum, which is at the present time undergoing a new progressive revision.

To keep pace with the times, new divisions, with specially trained workers in charge, have been set up to deal with Rural Education, Vocational Education, Adult Education, School Broadcasts, Visual Education by means of motion picture films, Vocational Guidance, Correspondence Courses, Temperance Education, Physical Fitness and Nutrition.

Home and School Associations have been encouraged, bringing field workers, teachers and parents into close and helpful co-operation. One of the most striking developments of the present century in education in Nova Scotia has been the tremendous improvement of attendance in school. While the total enrolment has risen from 100,000 to nearly 130,000, the average attendance for the year has doubled with a 100 per cent increase from 55,000 to 110,000.

A relatively small part of this increase has been due to better enforcement of attendance laws. Undoubtedly the steady improvement of social and economic conditions has enabled parents and children to satisfy the well known Nova Scotia appetite for knowledge and instruction, and two students are on hand daily now, where only one would have been in attendance 50 years ago.

During this time the value of school buildings and property has grown from \$1,600,000 to \$21,500,000.

School libraries have expanded to contain 550,000 instead of 12,000 books.

Where once 2,500 teachers taught 2,400 schools, we have now 4,100 schools employing 4,700 teachers — of whom 680 have university degrees, and another 3,980 are normal school trained.

Sections without school privileges, formerly numbering from 125 to 175 each year, have practically disappeared. Wherever a local school is impracticable today, students are transported to nearby centres or, where this is impossible, are taught by correspondence.

Where 7,500 students used to attend grades 9 and 12 inclusive, there are now 17,000. Where 3,400 used to write the provincial exams in these four grades, nearly as many write from grades 11 and 12 alone.

The province, which half a cen-

tury ago spent \$14.50 a year on the education of each child, now devotes \$115 per annum to the same object.

Teachers, too, have not been forgotten, and in recent years substantial improvements have been made in salaries and in pension arrangements.

On the highest qualification level, the salaries of women teachers average \$3,100 a year, male teachers \$3,500. The average for all teachers is \$2,136 male, and \$1,545 female.

By the Teachers' Pension Act of 1949 the maximum pension has been raised from \$1,500 to \$3,000 a year. Women teachers with 35 years' service are pensionable at 55, men at 60. The contributions of teachers are matched by the provincial treasury, and in addition the province will pay \$325,000 a year for thirty-five years to meet the actuarial deficiency of the former pension system.

All this, of course, has not been accomplished without increasing, if great outlays of money. Where \$825,000 was sufficient to meet the total cost of running Nova Scotia's schools back in 1900, the budget for 1949 ran roughly to \$12,000,000.

The greater part of this additional expense has been borne by the provincial treasury which, from 1942 onward has assisted municipalities and school districts in ways and on a scale previously unknown.

Teachers' salary grants alone from the government have risen in fifty years from \$200,000 to \$3,300,000.

The total government expenditure on education has risen from \$250,000 to over \$6,500,000.

A special million dollar fund set aside by the provincial government now assists communities, through the Department of Municipal Affairs, with the construction of new and modern school buildings. In addition there is a governmental School Building Loan Fund administered by the

Little River Pupils Hold Christmas Concert

Tuesday evening of last week the pupils of the Little River school presented their annual Christmas concert in the Community Hall.

The hall was crowded for the event with many people forced to stand. A well arranged program was carried out and presents were distributed to all the pupils from a heavily laden, well decorated tree.

The program, which was under the able direction of the teacher, Mrs. Stanley Denton, included dialogue numbers and a well executed "Star Drill." Rev. Mr. Strongtharm acted as the announcer while Mrs. Harley Ingelsell accompanied at the piano.

Department of Education.

Where once the three Rs, with some geography and history, took up most of the school week, students even in lower grades now enjoy nature study, health and physical education, art, music and elementary science, with opportunities for instruction in household and industrial arts, and participation in junior Red Cross work, school sports and other organized school activities.

In truth it may well be said that Nova Scotia's educational services are improving and expanding with the times.

Acadian Lines Opens Digby Terminal

Further expansion has been made by Acadian Lines with the opening this week of their new bus terminal in Digby. Centrally located on Birch Street the new terminal is expected to provide greater convenience and comfort to bus travellers in the Digby area and to the tourist traffic. Features of the new terminal include a spacious waiting room, baggage checking facilities and clean rest rooms for both men and women. The terminal is attractively painted in the company colors of blue and white.

Although ACADIAN LINES (and its predecessor, Wagner Tours Limited) has operated daily bus service through Digby to points throughout Nova Scotia, the opening of its own terminal marks a forward step in the company's policy of constantly offering the best possible travel service. ACADIAN LINES provides an important medium of transportation in Nova Scotia offering convenient, low-cost and comfortable service. Operating as it does 46 flexible busses, the service extends from Halifax to Yarmouth through the beautiful Annapolis Valley and up the South Shore to Bridgewater with connections to Halifax. From Halifax ACADIAN LINES also operates through to Sydney and Glace Bay and to Amherst with connections to New Brunswick and western points.

With its own terminal in Digby, ACADIAN LINES will be enabled to provide more detailed information and ticket sales to any point in North America. The new Digby Terminal is the seventh in the list of company-operated terminals and is under the management of Mr. Freeman Beeler who is well known in Digby.

Band Concert At Cornwallis Sunday

Word has been received here from Captain A. P. Musgrave, R.C.N., Commanding Officer of H.M.C.S. Cornwallis, that the band of the naval base will present a concert at the Recreation Centre in Cornwallis next Sunday afternoon at 3 o'clock.

An invitation has been extended by Captain Musgrave to all the people in the area to attend this concert.

During the Christmas season the Cornwallis Band, through the kind permission of Captain Musgrave, presented a concert of Christmas music in Digby as a goodwill gesture on the part of the naval personnel at Cornwallis to the people of Digby.

At the same time the naval choir of the ship, under direction of Commander Budge, presented a program of Christmas carols at the Community Centre in Annapolis.

Ravens Take Fourth Straight 8-3 Win

The Digby Ravens took their fourth consecutive 8-3 win Monday night when they defeated Middleton in a Western Valley League fixture here by a score of 8-3.

Monday night's game was fast and, until the third period, when the visitors seemed to fade, was very close. Lou Daley opened the scoring for the Ravens at 14:52 in the first on an assist from Ettinger. Vidito tied it up for the visitors at 19:45 on a solo performance.

Charlie Theriault edged the Ravens ahead at 11:30 in the second stanza with a neat solo. Two minutes later, at 13:20, the visitors again tied it up with Johnson scoring from Reagh and Conrad. He was followed by Al Peppard at 15:56 to put the visitors in the lead. King evened it up at 17:50 on an assist from Ettinger. Penalties in the second frame went to Barr and Harper.

In the final stanza the Ravens went all out for a win and the scoring started at the 50 second mark with Ettinger doing the honours on an assist from Barr. Don Johnson tallied next for the Ravens at the seven minute mark on an assist from Christie. He was followed by Lou Daley on a solo at 7:40. Ettinger soloed at 16:05 and Sanford wound up the scoring at 18:40 on an assist from Theriault.

Ravens — goal, MacDonald; defence, Johnson, Barr, R. Daley, Jay; forwards, L. Daley, Morehouse, Ettinger, Theriault, VanTassel, Sanford, King, Christie, Reading.

Middleton — goal, Carol; defence, Harper, Perant, Armstrong; forwards, Peppard, C. Vidito, Homer, Vidito, Marshall, Reagh, Johnson, Conrad, York. Referees — Turnbull and Beckwith.

Yacht Club

Welcomes New Year

The Old Year was put away and the New Year ushered in at the Club House of the Western Nova Scotia Yacht Club by one of the finest parties of its kind ever held in this district.

The party opened with a splendid sing-song with Mrs. H. A. Nichols at the piano. On the stroke of twelve eighty voices welcomed the New Year with Auld Lang Syne.

After the New Year arrived dancing was enjoyed with music for those who preferred to trip the light fantastic in modern manner being provided by the Troubadours. For the square dances music was provided by Murray Apt, Fred Turnbull and drums.

After an enjoyable session of dancing a most delicious buffet supper of lobster, salad and other good things was served. At the close of the evening all went home satisfied they had seen the New Year in properly and well.

The party at the Yacht Club was a private one for members of the Club and their guests only. Invitations were issued and those on the guest list were made welcome.

Deep Brook Girl Among First Ten Nurses

A Deep Brook girl, Audrey Joyce Wright, a graduate of Yarmouth Hospital, placed third among the ten nurses scoring the highest marks in examinations held by the Nova Scotia Registered Nurses Association. Her mark was 81.80 per cent, as against 83.45 per cent scored by the first named new Registered Nurse.

Placing seventh among the first ten was a Yarmouth girl, Ruth Marie Anthony, a graduate of the Victoria General Hospital, Halifax, whose average was 60.60 per cent.

Sypher Morrell Elected Trade Board Head

A Sypher Morrell was re-elected President of the Digby Board of Trade at the annual meeting held at the Myrtle Hotel Tuesday night.

Other officers elected at last night's meeting included: E. R. Elsenher, vice-president and E. J. Morrissey, secretary-treasurer. Committee Chairmen elected at the meeting were: Civics, F. L. Anderson; Tourist, Roy Carpenter; Labour, Gregg Gilliat; Membership, E. B. Tufts; Entertainment, J. R. Nichols; Transportation, W. H. Whitman; Publicity, V. G. Cardozo; Property Improvement, J. J. Brittain; Welfare and Education, F. C. Purdy; Fisheries, A. Outhouse; Industrial, H. M. Warne.

In his presidential report, Mr. Morrell stated he felt the members of the Board should be proud of its accomplishments during the year. He stated that among these achievements were the securing of the night mail service, the successful sponsoring of an entry in the Apple Blossom Festival, the July First celebration and the Digby Anniversary celebrations in which the Board played a part.

Speaking of the efforts of the Board in connection with the proposed Nova Scotia-New England ferry, Mr. Morrell stated the Board had not yet given up hope that the Nova Scotia terminus would be established in Digby. He said that the Board would go after this matter again with renewed energy.

J. J. Brittain, retiring secretary-treasurer of the Board, stated that receipts for the year had amounted to \$528.18. Expenses were \$407.39, leaving a balance of \$120.79.

Nine regular meetings were held during the year and four council meetings. A. L. Robinson, reporting for the Property Improvement Committee, stated there had been great improvements noted in Digby during the past year. He cited the building of a number of attractive new houses, the building of a large apartment house and the construction of a new garage and service station.

Tourist business in Digby last summer had been good until the Korean situation affected it, H. A. Nichols, chairman of the Tourist Committee, said. He stated the latter part of the season had been very poor owing to several circumstances.

Mr. Nichols said the rail strike had seriously curtailed the tourist traffic to Digby and that this followed by the lengthy layoff of the Princess Helene, had just about ruined the business here in the latter part of the season.

The work of Miss Louise Daley and Mrs. R. B. Lent in the Provincial Government Tourist Bureau was commented on by Mr. Nichols in his report. He stated the staff of the information bureau deserved a very hearty vote of thanks for their efforts in handling correspondence concerning tourist matters in Digby and area which were directed to the Board of Trade.

Mr. Nichols stated he was in agreement with H. M. Warne that a tourist booklet should be produced by the Board of Trade advertising the attractions of the town. He stated he was of the opinion the Town Council should be approached for a grant to aid in this work.

Council Takes Action On Light Accounts

A vigorous campaign will be launched against delinquent electric light customers by the Town of Digby. It was decided at last Wednesday night's meeting of the Town Council.

Deputy Town Clerk, Mrs. M. Appelby, reported to the Council that some \$6,000 was owing to the town in overdue electric light accounts. Mrs. Appelby pointed out that despite efforts to collect these accounts some time ago the situation was becoming worse. She stated several of the larger accounts had made substantial partial payments at that time but arrears were increasing.

It was decided by the Council that registered letters would be sent to all electric users two months and more in arrears informing them that, if their account was not fully paid within fifteen days, the power would be discontinued. It was also decided that partial payment of overdue accounts would not permit the restoration of service.

The Council decided to pay the insurance premiums due on the Scout Hall at their meeting Wednesday night. A bill for the insurance on this building, which is held by the Mayor of the town, in trust, was presented at the meeting.

Mayor Morehouse stated he was presently negotiating with the Sea Cadets with a view to their taking over a lease on the building. It was reported that the electric wiring in the hall was in bad repair and the suggestion was made that power should be cut off. Mr. Morehouse asked that action be deferred until he had time to see if the Cadets were willing to take over the hall.

A report on the operation of the parking meters, which have recently been installed in the business section of the town, indicated these were having a most beneficial effect on the parking situation.

M. C. Denton and A. R. Turnbull were appointed as Presiding Officers for the civic election in February. W. L. Holdsworth was named as alternate. Mrs. G. R. Weir and Mrs. R. B. Lent were named as Poll Clerks with Mrs. G. Winfield as alternate.

A permit was issued to Captain John K. Smith to build a house on his property on Second Avenue according to plans and specifications submitted.

Kiwanis Hold Induction — Ladies' Night Program

A splendid induction service and Ladies' Night program was carried out last Thursday night by the Digby Kiwanis Club at a banquet meeting held at the Myrtle Hotel here.

Former Kiwanis District Lieutenant Governor Alonzo G. MacLellan of Yarmouth inducted Dr. P. C. Outhouse as the new President of the Digby Club and W. H. Whitman and Dr. L. F. Dolron as Vice-Presidents. Other officers inducted at last Thursday night's meeting included Secretary Karl V. Young, Treasurer H. J. Campbell and members of the Board of Directors.

At the banquet session a splendid program was presented. The toast to Kiwanis was proposed by retiring President E. S. Eaton and responded to by A. G. MacLellan. Toast to the ladies was proposed by C. M. Levy and the response was most fittingly given by Mrs. K. V. Young.

Musical entertainment was provided by the Missionaires Quartette of Yarmouth under the leadership of Burnette Brown. Members of the quartette were Ernest Johnson, Gilbert Kelly, Gerald Frances and Malcolm Berry. Following this a most enjoyable sing-song was held, led by C. M. Levy.

It was decided at the business meeting that the Club would pay their annual visit to the County Home next Thursday and that they would lend their support to the Digby Board of Trade by attending the annual meeting of the Board next week, in force.

Auxiliary Meets

The Ladies' Auxiliary of the Little River Baptist Church met Friday night with Mrs. Robert Denton in the chair.

Reports were read and the following officers were installed: President, Mrs. Lyndon Collins; Vice-President, Mrs. Reginald Trask.

Secretary, Mrs. Robert Denton. Treasurer, Mrs. Lee Trask. Cutters, Mrs. Lillian Frost, Mrs. Earl Frost and Mrs. Omer Denton.

Social Conventor, Mrs. Shirley Tidd. Sick and Visiting Committee, Mrs. Lloyd Trask, Mrs. Austin Denton, Mrs. Robert Denton and Mrs. Lyndon Collins.

Douglas Germaine Sent Up for Trial

Douglas Charles Germaine of Mount Pleasant was sent up for trial on a charge of manslaughter here Wednesday by Provincial Magistrate H. B. Dickey following a preliminary hearing Wednesday morning.

The charge of manslaughter arose out of the death in the Digby General Hospital on December 19th, of Walter Amero, of Mount Pleasant. Amero's death followed an altercation on the Bear River Road, the day previous, in which Germaine was allegedly involved.

Witnesses heard at this morning's hearing included Dr. J. R. McCleave, E. R. McCarthy, Bear River; Enos Deveau, Victor Handsper, and David Amero.

B. R. McCarthy told of seeing four men scuffling on the Bear River road on December 18th. He said he first saw them when he was about a hundred feet away in his car. When he got closer he saw one man backing up with another following him. The second man struck the man who was retreating and he fell to the ground.

Mr. McCarthy identified the accused, Douglas Germaine, as the man who struck the blow. He said when he got out of his car the fallen man was lying on his back and was unconscious. He said he told the others to turn him over and advised they get him to a doctor.

He said he spoke to Germaine at the time and Germaine said the other three were picking on him and had snatched his glasses off his face. He said all of them seemed to be sober.

Victor Handsper said that on the day of the accident he and Walter Amero, the deceased, were working in the gravel pit with David Amero and Germaine. He said that while David Amero was away to get some cider Germaine had called him a nasty name.

When David returned he said Walter Amero had told him what Germaine said and the three of them went up to the truck from which Germaine had just alighted to take it up with him. Germaine denied, saying anything, he said, and Walter Amero called him a liar.

Walter Amero then snatched Germaine's glasses from his face, Handsper said, and Germaine told him to give them back to him. Amero refused and Germaine slapped him with his open hand. Walter Amero then slapped back.

Handsper said he did not see the blow struck which immediately preceded Amero's fall to the ground as he had his head turned at the time. He said he heard a bump turned around and saw Amero on the ground. Handsper said he, Walter Amero and David Amero had been drinking that day. Walter Amero had two pints of beer, he said, and some cider. He seemed to be feeling the liquor, witness said. He said Germaine appeared perfectly sober. The accused had thrown an empty beer carton over the bank about 1/4 of an hour before the accident happened, he said.

Night Mail Service Established

Word has been received here from T. A. M. Kirk, M.P., for Digby-Yarmouth, that arrangements now have been completed with the Post Office Department at Ottawa for the establishment of a night mail service for Digby.

Efforts to have this service were made some time ago by the Digby Board of Trade, who took the matter up with Mr. Kirk.

It is understood the new service will provide delivery of mails for Halifax from the Digby post office each day to the D. A. R. station baggage man at approximately 6:00 p.m. These mails will be despatched on the night train for Halifax, which leaves Digby at 10 p.m.

Mails from Halifax which arrive in Digby at 8:55 a.m. will be held in the baggage room at the station and will be delivered to the post office at 8 o'clock in the morning.

The establishment of this new night mail service for Digby comes as welcome news for business men of the community. Previous to this all mails for delivery to Halifax had to be in the post office shortly before eleven o'clock in the morning in order to avoid a day's delay in delivery. Mails from Halifax passing through Digby on the early morning train were not received in Digby until they were from Yarmouth at noon.

OBITUARY

Mrs. Ida L. Robar
Ida Bell Robar passed away suddenly at Kentville recently. Born at LaHave River 71 years ago, she was a daughter of the late Mr. and Mrs. Stephen Lowe. In 1895 she married Hilbert Robar. She lived in Conquerail and then moved to Dalhousie and resided there for a number of years. Later she took up residence at Springfield. Throughout her lifetime she devoted much of her efforts in the home and with her family. After the death of her husband she moved to Centerville with her daughter, Mrs. Leslie Kelzer. From Centerville she moved to the United States and resided with her daughter, Mrs. Kenneth Meisner. Returning to Nova Scotia where she resided in Digby for the past two years. Surviving are two daughters, Florence, Mrs. Leslie Kelzer, Centerville, and Mrs. Kenneth Meisner, Angover, Maine; and two sons, Norman, in Ontario, and Wallace, Alton Road, Dalhousie.

Funeral services were held from H. C. Lindsay's Funeral Home, Kentville, with interment at Dalhousie.

Mrs. Gertrude Robar
The death of Mrs. Gertrude Robar occurred recently at her home in Bear River East where she had been in failing health for some time.

Her early life was spent in Greywood, Annapolis County, where she was born sixty-seven years ago, the daughter of the late William and Mary Sibbins. On her marriage forty-six years ago, she, with her husband, the late Arnold Robar, took up residence in Bear River East where her remaining years were spent. An earnest and devout Christian, she taught in the Sunday School and gave generously of her time and talents to the various activities of the Clementsvalle Baptist Church of which she was a member. Her abiding faith and consistent life have been a constant source of inspiration to all who knew her.

Surviving beside a brother, Harris Sibbins, Halifax, and a sister, Minnie (Mrs. Milledge Wright), Prineade, are two sons, Malcolm and Parker, and a daughter, Lillian (Mrs. Lewis Boudreau), all of Bear River East, as well as fifteen grandchildren and three great-grandchildren. Funeral service was held in the Bear River East Church, conducted by the pastor, Rev. C. S. Young, with music by the choir and interment was in the Clementsvalle cemetery.

Leslie Judson Eaton
On Saturday afternoon, January 6th, the Granville Ferry Baptist Church was filled to overflowing when citizens from surrounding towns, as well as this community, assembled to pay their last respects to the late Leslie Judson Eaton, an enterprising young business man, whose death occurred at the Annapolis General Hospital on January 4th, at the early age of 27 years.

Mr. Eaton was the only son of Mr. and Mrs. V. Arnold Eaton, Granville Ferry. The family moved here from Granville Centre some 15 years ago and the departed young man was well liked and possessed a host of friends who learned of his death with sorrow and regret.

During the last war Mr. Eaton was a member of the Royal Canadian Corps of Signals. Following his discharge, in partnership with P. Dondale, he operated an electrical business at Annapolis Royal. Later he became owner-manager of Eatons Electrical store in that town. During the past year he was provincial representative for a Canada-wide electric appliance firm.

During the past 2 months Mr. Eaton had suffered from ill health and had been a patient in the Annapolis General Hospital for the past six weeks.

Mr. Eaton is survived by his widow, who was formerly Miss Lillian (Peggy) Mills of Bridge-town, a little son, Scott, his parents, Mr. and Mrs. V. A. Eaton, of Granville Ferry, and two sisters, Ethel (Mrs. M. J. Patterson) and Dorothy (Mrs. Ronald Strole), both of Halifax.

Funeral services were conducted by Rev. Donald L. Martin. Hymns sung were "Hark! Hark, My Soul", "The Lord's My Shepherd", and "All the Way My Saviour Leads Me". The floral tributes were numerous and very beautiful. Members of Port Royal Branch No. 21 of the Canadian Legion attended in a body and accorded full Legion honors to the deceased.

Full bearers were Robert Allen, Nictaux; Phillip Dondale, Digby; David Lawton, Saint John; Clarke Duncan, Annapolis Royal; Harry L. Burnie, Hillsburn and Walter Harris, Granville Ferry. Interment took place at Woodlawn Cemetery, Annapolis Royal.

Byron L. Haight
The passing away of Byron L. Haight, Hill Grove, N. S., was a shock to everyone who knew him. He was taken to Digby General Hospital on New Year's morning after a slight shock and passed away January 2, 1951. Youngest son of first family of the late Beecham Haight of North Range. The remains were taken to Ramsay's Funeral Parlor to rest until burial. He was 62 years of age. On January 4, the remains were followed to North Range United Church by brother, Herman and wife, Mr. and Mrs. As-

bury Haight, son and wife of Bridgewater, N. S., and Mr. and Mrs. Keith Dunn, Digby, where the funeral was held. The service was conducted by Rev. R. Knock of Weymouth. He was laid to rest in the family lot, "Beyond the Sunset" was sung by Mr. and Mrs. H. Shortliffe. The choir sang "Have Thine Own Way", "Shall We Meet", "God Be With You Till We Meet Again". The floral tributes were beautiful, some coming from distant points. The pallbearers were Elwood Haight, Scott Haight, John Haight and Gerald Marshall.

He is survived by one brother, Herman of South Range; four half-brothers and four half-sisters, Gladys (Mrs. Eli Marshall) of South Range, Mrs. Ada Haight of North Range, Roland of Lowell, Mass., Muriel (Mrs. John Haight) of North Range, Selma (Mrs. Guy Brown) of Paradise, N. S., Warren of North Range, Clarence of Hill Grove and Clyde of North Range.

Mrs. William Hersey
Helena Cynthia, wife of William Hersey, passed away at her home in Mink Cove on December 25, following a brief illness. Mrs. Hersey was the daughter of the late William and Amelia (Saunders) Crowell and was born in Sandy Cove August 13, 1871.

She was a kind and devoted friend and neighbour, always ready to lend a helping hand in time of sickness and trouble. Beside her husband, she is survived by seven children, Stella (Mrs. Walter Theriault); Winnie (Mrs. Gordon O'Neill), and Lee, all of Mink Cove; Leta (Mrs. Fred Graham) of Centerville; Ruby of Lockport, Willie of Little River and Lynott of Tiverton; thirteen grandchildren and great-grandchildren. Four sisters and two brothers also survive. They are Mrs. A. Gidney and Mrs. George Merritt of Mink Cove, Mrs. Ralph Titus and Mrs. Cutler Peters in the United States; Arlie Crowell of Sandy Cove and Harry Crowell of the United States. The funeral took place from the Baptist Church at Sandy Cove of which she was a member, on December 28th, and was largely attended. The pallbearers were her four sons.

Mrs. Aileen W. Thomas
After a long period of ill health Mrs. Rena Thomas, wife of Aileen Wells Thomas of 62 Atkins Avenue, Lynn, Mass., passed away December 20th, 1950.

Mrs. Thomas was born in Granville, N. S. the daughter of Mr. and Mrs. Stephen Robblee and had lived in Lynn for fifty-three years.

Besides her husband she leaves a son, Ernest Wells Thomas, a grandson, Peter Wells Thomas; three brothers, Avar Robblee of Norwood, Mass., Oscar Robblee and Watson Robblee of Granville, N. S.; two sisters, Mrs. George Morrison and Mrs. Victor Porter of Granville, N. S.; and numerous nieces and nephews. Funeral services were held December 23 and burial was in Pine Grove Cemetery in Lynn. Mrs. Thomas had been a member of the East Baptist Church for thirty-five years, the Order of Eastern Star, the Women's Board of Union Hospital and the Women's Republican Club, all of Lynn.

She was beloved by hosts of friends as shown by so many beautiful flowers and will be greatly missed. The expression of sympathy from the neighbors amounting to the sum of fifty dollars was given to the Fund for National and Local Heart Research in her memory.

Mr. and Mrs. Thomas have both been readers of the Digby Courier for many years, and after reading it Mrs. Thomas would mail it to Mrs. George F. Potter of Milton, Mass., formerly of Freeport, Digby Co., N. S.

Mrs. Carrie A. Morton
The death occurred Friday morning, January 5th, of Mrs. Carrie A. Morton, wife of the late Charles R. Morton, Centerville, Digby County, N. S.

She was born at Centerville, N. S. 72 years ago, daughter of the late Mr. and Mrs. William Morehouse.

Surviving are her daughter, Lila Hersey of Digby, N. S., and two sons, Elwyn and Darrell of Centerville, also eight grandchildren and two great-grandchildren, one brother, Ernest Morehouse, Sandy Cove. Funeral service was conducted by Rev. Ralph Knock from Bethel United Church, Centerville, Sunday afternoon at four o'clock. Interment was in Union Cemetery.

Miss Mattie E. Sabean
Miss Mattie E. Sabean, 68, former president of the Women's Missionary Society of the Evangelical Church of New England, died January 7th at her home, 74 Curlew Road, Quincy, Mass.

A native of Brookline, she instituted the Bethsaida Home in Somerville and was matron of the home for a number of years. She was former president and chaplain of the Quincy W.C.T.U., and held membership in the Adams Shore Evangelical Church in Quincy. She spent most of her early years in New Tusket, N. S.

She leaves four brothers, Chester, Earl, Wallace and Jason Sabean, all of Quincy, and three sisters, Mrs. Daniel Worcester of Milton, Mrs. Frank Malcolm of Glenridge, N. J., and Mrs. George Babbitt of Quincy.

MARRIAGE

McGuire - Woodman

Vases of colored chrysanthemums and potted plants furnished an attractive setting for the quiet wedding at the bride's home on New Year's night, when Stella May, daughter of the late Mr. and Mrs. Herbert H. Woodman of Smith's Cove was united in marriage to John Bernard, son of the late Mr. and Mrs. John H. McGuire, also of Smith's Cove.

Wearing a navy blue ensemble with navy hat and black accessories, the bride entered the living room on the arm of her brother, Herbert L. Woodman of Digby, by whom she was given in marriage. She was attended by her sister, Mrs. M. D. Woodman of Kentville, who was gowning in a navy and white print and wore a corsage of pink mums.

The double ring ceremony was performed by the bride's nephew, Rev. George Bell, of Kentville, in the presence of the immediate relatives and a few intimate friends.

A reception followed the ceremony after which refreshments were served under the direction of Mrs. M. D. Woodman, with Mrs. Wm. Woodman and Miss Blanche Woodman replenishing. Mrs. Robert Taylor and Mrs. Stanley Weir poured. Serving were Mrs. Geo. Bell, Mrs. Ralph Evans, Miss Ethel Rose Woodman, Mrs. Oran Woodman and Mrs. Layton Savary.

The brides cake was cut in the traditional manner by the bride and groom.

Mrs. Herbert Woodman, Digby, presided over the gift table with its lace cloth and gleaming candleabra, with lighted tapers. The gifts included cash, silver, china and linen. The groom's gift to his bride was a lovely rhinestone necklace. The guest book was in charge of Mrs. Chester Brinton. Out-of-town guests were Mrs. M. D. Woodman, Rev. and Mrs. Geo. Bell, Miss Ethel Rose Woodman and H. Lovett Woodman, all of Kentville; Mrs. Ralph Evans, Brownville, Me.; Mr. and Mrs. Herbert L. Woodman and Mrs. J. H. Timpany of Digby; Mr. and Mrs. Wm. Burgess of Digby and Chicago.

White - Balcolm

A quiet wedding was solemnized at the United Church parsonage, Weymouth, on December 23, when Rev. R. J. Knock united in marriage Frances Vrtian Balcolm of Bear River and Myron White of Waterford, N. S. Witnesses were the bride's mother, Mrs. F. Balcolm, of Bear River, and Stanley Hatt of Weymouth.

Mrs. F. J. Wood and children, of Marshalltown, are spending some time at Ottawa, guests of Mr. Wood's parents, Mr. and Mrs. W. J. Wood.

Sunrise Lodge

Installs Officers

On Friday evening, January 5, the installation of Sunrise Rehekah Lodge officers took place in the lodge room at Tiverton. The installing officer was Brother Eugene Outhouse, District Deputy President, assisted by Deputy Marshall Brother David Outhouse.

The other Deputy officers were Deputy Warden Brother Clifton Outhouse, Deputy Secretary Sister Elena Small.

Deputy Inside Guard, Brother Boyd Outhouse and musician during installation was Sister Blanche Small.

Following is the new slate of officers:

N. G. - Mildred Haines.
V. G. - Joyce Ossinger.
R. S. N. G. - Olive Elliott.
L. S. N. G. - Barbara Outhouse.
Warden - Marilyn Outhouse.
Cond. - Barbara Greenlaw.
Chaplain - Iola Outhouse.
R. S. V. G. - Emma Outhouse.
L. S. V. G. - Muriel Grier.
R. Secy. - Erma Outhouse.
F. Secy. - Georgia Outhouse.
I. G. - Gladys Greenlaw.
O. G. - Hilda Greenlaw.
Color Bearer - Hilda Young.
Musician - Bertha Outhouse.

Following the installation ceremony several interesting remarks were given by some of the members, after which refreshments of sandwiches, cakes and tea were served.

A large number attended. Much credit is due District Deputy President and his assistants in the wonderful way in which they performed their duties.

At the close of Lodge, a sing-song, was enjoyed.

Entertain United

Church Choir

On December 28th, last, Mr. and Mrs. Boyd Ellis entertained at their home, Shore Road, members of The United Church Choir, husbands, wives and friends.

The home was well decorated in novel arrangement for the Christmas season, which truly added to the most enjoyable evening had by all present. Special Christmas music was rendered by the choir accompanied by Mrs. Lillian Nichols at the piano. Mr. Ellis, on request, favored the group with a baritone solo which was much appreciated.

Following the music, the telling of some highly amusing stories and pleasing conversation were so well enjoyed that time slipped by all too quickly. However, after specially prepared Christmas refreshments and a few more stories, all present decided the hour was late enough, upon which a vote of thanks was extended to the hosts and all then joined in singing "Good Night Ladies and Laddies" to start the journey homeward.

To Drop Adult Education Classes

The Digby Area Home & School Association decided last Wednesday night at their regular monthly meeting to shelve plans for Adult Education classes, which they had planned to start on Jan. 19th.

The decision to abandon the Adult Education classes was made following a report from the committee in charge that would have been received from the Department of Education that the school buses could not be used for these classes unless a fee of fifteen cents per mile was paid.

It was pointed out payment of this mileage rate would mean an expenditure of from fifty to sixty dollars for each class night or a total of, between, three hundred and three hundred and fifty dollars for the six weeks' course. It was felt it would be impossible to meet this expense and carry on the course as planned.

Report of the committee showed that every effort had been made to work out some method whereby the buses could be used but it was stated the Department had given a final refusal on the matter. The holding of the classes on the same nights that the Home & School Association held their meetings was suggested but it was pointed out this is not allowed by the Department of Education.

Following the decision to abandon the Adult Education classes, which proved tremendously successful last year, a resolution was passed to be forwarded to the Minister of Education expressing the regret of the Digby Area Home & School Association that the Department had seen fit to place the use of the school buses beyond the reach of the associations for their adult education program.

A committee was appointed to go into the matter of bus transportation for Home and School meetings with the Municipal School Board. It was pointed out use of the buses is made available for eight meetings of Home & School but some question had arisen as to the fact the buses were only being used by small groups in some of the districts served by the Association.

The committee was empowered to draw up a resolution expressing the Association's policy on this matter for presentation to the Municipal Board.

Following the business session Willis M. Hall, President of the Digby local of the Nova Scotia Teachers' Union addressed the meeting and presented the case of the teachers of Nova Scotia concerning the matter of salary increases which have been asked for from the government by the Union.

Following Mr. Hall's address an auction was held to raise funds to meet obligations incurred by the Association in carrying out their work.

Ladies Form Curling Club

Mrs. Ralph MacPherson was elected President of the Digby Ladies' Curling Club at the inaugural meeting of the new club. Other officers elected were: Mrs. Ted Dakin, Vice-President; Mrs. L. M. Saunders, Secretary-Treasurer; Mrs. E. J. Theriault, Match Committee Chairlady; and Mrs. W. L. Troop, Chairlady of the Membership Committee.

The new club has at present forty paid up members but it is expected this number will be greatly increased in the near future. Skips of the teams are: Clotilde Theriault, Mary Rosenthal, Marg Robinson, Edith Cookson, Tistie Dakin, Lillian Nichols, Lillian Walls and Tommy MacPherson.

Finds Furry Caterpillar

Clarence Feiner, South Range, found a furry caterpillar on the outside window sill of his home Tuesday night.

The caterpillar was very much alive and active and could be the first sign of spring.

About two-thirds of Canada's occupied farm lands are in the prairie provinces.

It's Not News, But . . .

That team that ran wild over Annapolis was both wild and running here in Digby the other night — but in the wrong direction.

Speaking of such things — five games with an eight to three score seems to be establishing some sort of a record.

Getting caught in a revolving gate can be as confusing as getting caught in one of those revolving doors.

That remark — Don't take any wooden nickels — could be amended slightly for use around here.

Burlesque seems to have quite an appeal, even to the most unexpected people.

Find Death of VanTassel Alcohol Poisoning

The Coroner's jury empaneled to enquire into the death of Kenneth VanTassel last Friday night brought in the verdict that VanTassel came to his death at the Digby General Hospital on January 2nd, as a result of alcohol poisoning caused by drinking a solution containing methyl alcohol (methylated spirits) knowing the contents to be such.

The verdict further recommended that the Department of the Attorney General further investigate the source of the above mentioned solution, in order to prevent a recurrence of this nature.

Witnesses heard at Friday night's inquest included Dr. D. G. Black, C. P. O. Cyril Sainsbury of H. M. C. S. Cornwallis, Joseph Ethier, Percy Turnbull, Ernest Wilson and Mrs. Vivian Ethier.

C. P. O. Sainsbury told of giving a can of Ditto fluid to Joseph Ethier. He stated the gallon can had been given to him by a person at the Naval Base. He said he told Ethier he would not drink it. He said the can was marked poison and it was stated on it the contents were not to be used internally.

Sainsbury said he had heard of people drinking the Ditto fluid, which is used in duplicating ma-

chines. He said he did not know of anyone drinking it at the base. He said he did not warn Ethier not to drink the Ditto but said he would not drink it himself.

C. P. O. Sainsbury, who was granted the protection of the court, said he money changed hands for the Ditto fluid that he gave to Ethier. He said he felt Ethier understood about it being poison.

Joseph Ethier, who was also given the protection of the court, told of events leading to the drinking of the Ditto fluid by Kenneth VanTassel, Percy Turnbull and himself.

Ethier stated that after Sainsbury had given him the Ditto fluid, he and Percy Turnbull had examined the can at his home. He said he told Turnbull he was a little afraid to drink it due to the inscription on the can.

He said they put some in a bottle which Turnbull took to his home. Later in the evening he went to Turnbull's house. VanTassel, who was there, told him he had tested some of the fluid by burning it in a spoon and figured it was about 99% alcohol. During the evening some of the fluid was consumed, he said.

Newfoundland Fisherman Drowns

Alexander Tarrant, fisherman aboard the dragger Jeanette & Douglas, was drowned here late Friday night as he was returning to his boat from an evening spent in town.

Tarrant, a native of Fortune Bay, Newfoundland, was 28 years of age. He has been fishing out of this port for some time.

It is understood he was returning to his boat shortly after 11 o'clock Friday night. He was accompanied by Allen Kieckie. As he was climbing down the ladder to go aboard he slipped and fell. As he fell he landed on his head and shoulders. Under the water Kieckie immediately climbed down the snow covered ladder and, after some difficulty, succeeded in getting him aboard the boat.

A doctor was called and artificial respiration was applied but the man expired before the doctor could reach him. It is understood no inquest will be called.

A second drowning fatality was narrowly averted here early Sunday morning when Clifford Vidito, 21 year old son of Mr. and Mrs. William Vidito, fell 25 feet from the top of the Long Wharf to the deck of a scallop dragger.

The accident occurred not far from the spot where on Friday night Alexander Tarrant, Newfoundland fisherman, fell to his death from a slippery ladder on the wharf.

It is understood that young Vidito, who has been fishing with his brother, Stanley, was returning to his ship at an early hour Sunday morning. Slipping in the snow which covered the top of the wharf, he plunged over, falling about twenty-five feet and landing on a fish box on the deck of a scallop dragger below.

Rushed to the Digby General Hospital, it was found he was suffering from only superficial bruises and he was released following examination.

Splendid Band Concert Presented

An audience of more than five hundred persons from Digby, Annapolis and the district about the Cornwallis Navy Base attended the splendid band concert presented by the band of H.M.C.S. Cornwallis in the recreation centre of the naval base last Sunday afternoon.

The band, under the direction of Bandmaster Niles, presented a wonderful concert of both classic, popular and religious numbers. The concert was greatly enjoyed by all who were present.

Sunday's concert was made possible through the kind permission of Captain A. P. Musgrave, Officer Commanding H.M.C.S. Cornwallis.

Dr. Eagles To Be Speaker At V.O.N. Meet

Dr. Eldon Eagles, Public Health Officer for Western Nova Scotia, will be the guest speaker at the annual meeting of the Digby Branch of the Victorian Order of Nurses, it was announced at the regular monthly meeting by Mrs. G. V. Turnbull. The annual meeting will be held at the Court House on the evening of January 25th.

According to the report of the local V. O. Nurse, Miss Prang, 253 visits were made during the month and sixteen new cases were taken on. Four immunization clinics were held during the month with an attendance of 317.

Miss Prang reported that five Well Baby Clinics were held during the month with an attendance of 28 infants. She stated seven hours during the month had been spent on school nursing.

Alice Tibbetts Hurt In Car Accident

Alice Tibbetts, sixteen-year-old girl of Smith's Cove, suffered several broken ribs when the car in which she was a passenger crashed into the back of a truck loaded with logs.

It is understood the truck was parked on the side of the road when the accident occurred. Three of the logs crashed through the windshield of the car and penetrated the full interior of the car, smashing through the back window.

Other passengers in the car, which was driven by Thomas Francis, escaped injury.

Right to vote in Canada's federal elections is conferred on all British subjects 21 years of age or older who have resided in Canada for 12 months prior to polling day.

Warden Chisholm Addresses Opening Council Session

Warden H. E. Chisholm, of the Municipal Council of the Municipality of Digby, on his opening address before the first session of the annual meeting of the Municipal Council here Tuesday afternoon commented favorably on the excellent financial standing of the municipality.

Warden Chisholm stated the percentage of current levy collected during 1950 compared favorably with that of 1949. He said that the Municipality had again been able to carry on without the necessity of paying interest on overdraft to meet current obligations. "This is an achievement of which we should be justly proud," the Warden said.

Despite the fact that all expenditures had been met without overdraft, the Warden said, it had not been possible to keep the expenditures within the estimates for the year. He said expenses had exceeded by \$2,000 the amount budgeted. Contributing factors in this were the fact that court charges had increased four or five times above those of 1949 and hospitalization costs were far in excess of those of the previous year.

Warden Chisholm had words of praise for the Digby County Power Board, in his address. He said that the people of this area should be pleased that, despite the fact electric energy rates were on the increase in many other areas of the province, no increases had been found necessary in Digby County.

The Warden issued a warning in this connection, however. He said that during the past year the dam and water storage facilities

of the Power Board had been taxed almost to capacity due to the wet season and heavy rains. "If these fall, he said, the effect will be far-reaching."

The question of a Civil Defense program was placed by the Warden high on the list of things which should receive the careful attention of the Council. He urged a thorough study of all matters on the subject made available by Federal and provincial authorities.

Speaking of improvements made in the municipality during the past year, the Warden stated that although the work of paving the thirty mile road down the midland of Digby Neck had not yet been completed, he felt works on the road so far accomplished should greatly improve it.

Warden Chisholm concluded his report by commenting on the power project presently under construction on the watershed near Bear River. Work on this is underway, he said, and should be well advanced in the spring. This development should prove a tremendous boon, not only to industry, but to the people at large in Western Nova Scotia, he said.

Tribute was paid by the Warden in his address to the work and life of the late Judge Arthur Roberts of Bridgewater who for more than forty years was Secretary of the Union of Nova Scotia Municipalities.

Major Arthur Hill of the Salvation Army appeared before the meeting on behalf of the Salvation Army's work at Grace Maternity Hospital in Halifax and Grace Haven Home and Hospital in Sydney.

Eastern Star Installs Officers

The officers of St. Mary's Chapter No. 35, Order of the Eastern Star, were installed last Thursday night in an impressive ceremony in the Chapter Room here. The ceremony was open to the public on invitation and more than 150 visitors and guests were present for the affair.

Associate Grand Matron Maude Layton of Annapolis-Royal installed the newly elected Worthy Matron of St. Mary's Chapter, Mrs. Muriel Seeley. The Associate Matron, Miss Catherine Farnham, was also installed by Miss Layton.

Worthy Patron Lynwood Eldridge of St. Mary's Chapter was installed by Associate Grand Patron Douglas Horton of Yarmouth who also installed the Associate Patron, Benjamin Haight.

William Banham, Past Patron of Port Royal Chapter, Annapolis Sister Daisy Ruggles, and Treasurer, Sister Barbara Weir, The Conductress, Sister Jean Doran; Associate Conductress Edith Purdy, and Chaplain Hazel Smith, were installed by Sister Annie Horton, Past Matron of Keystone Chapter, Yarmouth.

The Marshal, Louise Whitman, and Organist, Allen Woodman, were installed by Douglas Horton. The Worthy Matron of Port Royal Chapter, Mrs. Edith McFadden, installed the Star points, Jean Beckwith, Jean Pyne, Nina Eldridge, Jida Stanton and Irene Speeches. The Warden, Wilda Woodman, and Sentinel, Oakley Smith, were installed by Josephine Ruffee, P. M., Port Royal Chapter.

Following the installation the retiring Worthy Matron Muriel Robertson, was presented with an Eastern Star compact by the newly installed Matron. She was also presented with a beautiful bouquet of carnations. The retiring Worthy Patron, Lynwood Eldridge, was presented with a book. A Past Matron's jewel was also presented to Mrs. Robertson and a Past Patron's jewel was presented to John K. Smith by Lynwood Eldridge.

The newly installed Worthy Matron was presented with a lovely bouquet of carnations by Catherine Farnham on behalf of the newly installed officers. Addresses were given by representatives of King Solomon Lodge, Tuscan Lodge and The Keith Lodge. At the close of the ceremonies refreshments were served by the social committee.

Elect Officers

At the annual meeting of the Earn and Give Club of Grace United Church the following officers were elected for the coming year:

Pres.—Mrs. Donald Rayworth. 1st. Vice-Pres.—Mrs. Clair Keen.

2nd Vice-Pres.—Mrs. Boyd Milbury.

Secretary — Mrs. Norman Wright.

Treas.—Mrs. John Abramson.

Trinity Church Holds Annual

W. H. Whitman and Dr. G. V. Turnbull were elected Wardens of Trinity Church at the annual meeting of the parish held on Monday evening.

Vestrymen elected at the meeting were Victor Cardoza, R. Berwick, F. Dakin, R. Ward, Dr. E. DuVernet, R. Cox, William Mason, C. Jones, A. E. Dickson, V. L. Bent, J. H. Matheson, H. B. Mahon.

Auditors appointed were R. O. Wright and P. H. Humpherson. Delegates to Synod were the Wardens with G. R. K. Lynch and Edward Howard as substitutes.

Reports for the year showed all departments of the church making splendid progress. The Rector, Rev. H. Y. MacLean, reported that the attendance at the Sunday School had increased greatly during the year. He congratulated the teachers and Superintendent on their fine work and urged support of the congregation for the Sunday School.

Mr. MacLean stated Church collections during the year had shown a marked increase and he felt attendance was on the increase. He stressed the need for more regular subscribers and told of work being done on the every member canvass.

The Rector commended the various organizations of the church for the fine work they had done during the year. He had special words of praise for the ladies' organizations without whose efforts, he said, the church would suffer greatly.

Mr. Fritz Dakin, who retires this year as Vestry Clerk after eighteen years' service, presented the financial account, which showed the church's finances to be in a good position.

Due to the inclement weather representatives from Marshalltown and Rossway were unable to be present at the meeting. Mr. MacLean, reporting for St. Paul's at Marshalltown and All Saints at Rossway, stated these two churches were doing splendidly. He commended the people of the two churches for their loyalty to their church. He said that despite the fact their numbers were small, they were doing a really magnificent job.

At a Vestry meeting following the Parish meeting, Ernest B. Tufts was appointed Vestry Clerk to succeed Mr. Dakin. Richard Cox was appointed Recording Secretary.

Committees appointed at the meeting were the Finance Committee, consisting of the two Wardens, the Vestry Clerk and R. B. Ward; the Property Committee, the Wardens, and Vestrymen Dakin, Jones and Bent; the Service Committee, the Wardens, Vestrymen Cardoza, Cox and Mahon.

The Hospital Sewing Circle will meet on Monday evening with Mrs. Hugh Vincent.

Sandy Cove

W.M.S. Meets

The W. M. S. of Sandy Cove held their January meeting at the home of the President, Mrs. E. M. Morehouse.

The President, who led the worship service, was assisted by Mrs. Q. H. Morehouse. The theme was "God Working Together With Us". Mrs. Margaret Jeffrey and Mrs. Edith Mitchell led in prayer.

An interesting study on the work of the Japanese Church then followed. Mrs. Margaret Jeffrey outlined several phases of the work.

The Annual Meeting of Shareholders The Royal Bank of Canada

**Voluntary Curb on Spending
Would Speed Re-armament and
Preserve our Free Economy**

**PHYSICAL CONTROLS USEFUL BUT NO SUBSTITUTE FOR
A REAL ATTACK ON INFLATION. NON-MILITARY
EXPENDITURES MUST BE CUT. PRESIDENT**

**PROPOSES FOUR POINT A STRIKE PROGRAMME
TO CURB INFLATION**

Now the industry of the country is being hit by the very basic of all Canadian democracy and the peace of mind which should be taken on now to meet this threat were emphasized by James Blair in his Presidential address at the annual meeting of shareholders of The Royal Bank of Canada.

The Korean war, Mr. Blair, and the threat of war elsewhere, had posed new inflationary problems on an economy already being figured by the long struggle against inflation since the close of World War I. No longer was there excess capacity in plants and manpower that made possible more guns and more butter in the early years of the last struggle.

"The employment of men and women is a symptom of economic strength in peacetime. It means however, no more than that the additional demand upon our economy arising out of rearmament must be met by cutting back our normal peacetime cost of capital and consumption goods."

COST OF REARMAMENT

"This curtailment of peacetime demand is the cost of wartime rearmament. This cost cannot be postponed. It must be met at once. Aft the fundamental problem of war economies is to reduce demand by business for that part of peacetime demand is thus curtailed."

"In this time we can reduce the dislocation of our economy caused by new armament expenditures. If we can reduce this dislocation we can increase the effectiveness of our war effort, and at the same time we can ensure that the freedom we aim to defend will in fact be preserved."

"That part of peacetime demand that can most economically be sacrificed to the needs of defence are broadly three areas of demand in which cutbacks can be made: (1) the demand by consumers, especially for durable goods; (2) the demand for non-military goods and services; (3) the demand for non-military goods and services."

CONTROLS NOT ENOUGH

"Once the limits of voluntary curbing have been reached we are forced to rely on increased taxes, direct and indirect. Physical controls on physical controls. Physical controls can reduce inflationary pressure through direct action. Physical controls in total action, especially in total action, but they are no substitute for physical controls that really attack inflation."

TO FIGHT INFLATION

"The suggestions made in this address are ways to fight inflation. I would like to think, be broadly acceptable to a majority of citizens, either inside or outside the government. I would summarize the suggestions as follows: (1) A voluntary curbing of consumption, encouraged by the government. (2) A voluntary curbing of government and private business through less non-military expenditure by government. (3) A voluntary curbing of government and private business through less non-military expenditure by government. (4) A voluntary curbing of government and private business through less non-military expenditure by government."

**General Manager
Reports 2 Million
Deposit Accounts**

T. H. Atkinson, General Manager, in reviewing the bank's 1950 annual report, stated that total assets of The Royal Bank of Canada now exceeded \$2,437,000,000, the highest point in the field of Canadian banking. Deposits had also increased materially, reaching \$2,337,000,000, the highest point in the history of the bank.

**INCOME TAXES
COULD BE REDUCED
TO ENCOURAGE SAVING**

The most powerful weapon in the fight against inflation is generally supposed to be a 'stiff' increase in the income tax. But the test of efficiency must be that any income tax increases shall penalize spending and reward saving.

Such a criterion would rule out drastic increases in corporate taxes, especially excess profits taxes, tend to encourage waste in management; and, in addition, excess profits taxes are arbitrary in their impact and inflationary in their final effect.

The personal income tax is itself a blunt instrument that may hit spenders and savers alike; nevertheless it may prove to be the only weapon with sufficient power to check spending, even though in the process some saving is lost.

To minimize these faults, and to ensure fairness, would suggest that any increase in income tax burdens should recognize: (1) that an effective attack upon inflationary spending can only be made by broadening the tax base through lower personal exemptions; (2) that equity demands the vigorous reduction of income tax evasion, now all too apparent outside the fixed wage and salary group; (3) that equity and efficiency alike demand the exemption from income tax, wherever possible, of the bona fide saving of the public in its simplest form, this method might be the best.

I am aware that to implement the third suggestion may be work for a genius in political and social invention; but, if so, we should be looking for him. Otherwise, as tax rates rise, the heavy instrument of the income tax may become a dangerous and a perverse weapon that penalizes saving even more than it penalizes spending.

The failure to exempt saving when income taxes are very high will not only reduce the power to prevent inflation in the short run, but may in the long run prove a serious danger to democracy itself. The extremes of 'left' and 'right' in the world today are marked by the strong middle class. It would be a tragedy indeed if democracy should perish because, in the supposed interest of its own defence, it liquidated this guardian of democratic institutions.

By allowing a continued movement toward higher interest rates, taxes required to prevent inflation should penalize consumption and reward saving, whether through direct taxes on consumption or through income taxes that exempt to some degree the bona fide savings of the public. Direct controls, especially in the form of price control and rationing, should be measures of the last resort, and should be treated as stop-gap devices, not as substitutes for a true inflationary policy.

background and preparation required to qualify for important posts in our foreign network of branches.

TRIBUTE TO STAFF

"The gratifying figures we have before us today are due to a very large degree to the efficiency, enthusiasm, and aggressiveness of the members of the staff from junior clerk up, and it is fitting I should say to them a formal but very sincere 'thanks for a job well done.'"

The ordinary day-to-day business of the bank, our staff continued the happy tradition of friendliness always associated with The Royal Bank of Canada. "For their friendly conduct of business as well as for their readiness to rise and meet emergency, I express the thanks of the management to our 12,000 staff members and, as well to those other employees who, in their spare time, contribute to the efficiency of the bank organization."

NEW BRANCHES

"During the year, 15 new branch offices were completed, in addition to which rather extensive renovations were made to 63 other offices. Work was commenced on an additional 14 new branch buildings and 19 extensive alteration projects which work had not been completed by the year end. We have opened 34 full-time branches and a sub-branch. We are now operating 633 branches and 37 sub-branches in Canada."

AID TO TRADERS

The General Manager reported another satisfactory year for the bank's branches in the West Indies, Central and South America, and in other areas outside Canada. He noted particularly the important services performed by these branches in facilitating and promoting trade between Canada and other nations. An important and necessary complement to the Government's trade activities are the banking services and first-hand knowledge which our branches abroad can and do contribute. Work which now number 61 offices outside Canada and with officers who have been trained on the ground, speak the language and are fully conversant with local requirements, we assist Canadian exporters and importers and all those directly interested in the development of foreign commerce. Over the years the foreign service of the bank has offered excellent opportunities to young Canadians who have desired to make a career of international banking. Such opportunities still exist for young men of courage who have the

level. If democratic governments fail to meet this obligation, they will in effect be giving a measure of aid and comfort to the enemy. At this stage, the most important weapon in the whole arsenal of war controls is the control of ordinary government expenditure. Empirically, the price of our safety is not only the expenditure of vast sums provided by savings and taxes, but eternal vigilance over the uses to which these funds are put. A major defence effort has such an impact upon our economic resources and our standard of living that a democratic government would be guilty of criminal negligence if it did not do all it could to preserve the free economy by confining its ordinary expenditures to the absolute minimum.

"We have all heard it said at one time or another that American capital is taking over our economy. My reply is simply that if this is true then we have no one to blame but ourselves. If Canadian capital is not playing a large enough part in developing our resources and expanding our industry, the reason must be not that Canadian capital is too meagre for the job, but that, in spite of the high stakes, Canadian capital refuses to take the risk. From here on let us see to it that our vision, our energy, our risk-taking spirit are not found wanting."

Acting as a new spirit of enterprise is abroad in the land—personally I have great faith in it. I believe this is the spirit appropriate to the true Canadian character.

It may not be too much to hope that Canada may become a free economy in action and a constant reminder to the world at large that the road to economic freedom is also the shortest and safest road to social progress."

The National Safety Council Committee on Tests for Intoxication indicates that when the alcohol content in the blood reaches 0.08% to 0.12%, the individual may appear perfectly normal but special tests will reveal slight changes. He feels good and has increased self-confidence. He may talk fluently and carelessly. When the alcohol content in the blood reaches 0.15% to 0.25%, we will find decreased inhibition and a slowing-up of responses. We also find memory and concentration impaired. He is less of a definite judgment.

Under the agreement of most of the states, the people with this concentration show a little more of a slowing-up of the responses. The National Safety Council's 1934 edition of "Warnings Against Drunkenness" states that the driver of a motor vehicle who is reported to have been drinking is about the first six months of 1930: "The Late Hour Drunk Driver" is still the greatest single highway killer.

Wetmore Cases—Judge Zortell of the Municipal Court of Boston, Mass., says that 25% of the cases handled by the Boston Council of Social Agencies are due to alcoholism.

Court Cases—Judge Wendell F. Hoag, Municipal Judge, St. Cloud, Minnesota, "In more than 20,000 cases that have come through municipal courts at least 75 to 90 per cent can be directly or indirectly attributed to intoxicating liquors and beverages." Judge Lewis W. Clark of Merced, Calif., reports that at least 90 per cent of the misdemeanor cases handled by the city court during 1934 had liquor as a dominant or contributing factor. He stated the cost to Merced City taxpayers for the year was "not less than \$100,000 and probably nearer \$150,000." The statistical report indicates that 71.9 per cent of all arrests are for intoxication and that probably "three-fourths of vapers are drunks." The report continues, "At least three-fourths of all assault and battery charges grow out of drunken arguments. One-third of bun-check writers are also heavy drinkers writing checks they can't cover. At least one-half of all thefts are 'bribe' and 'vape'." At least one-fourth of the miscellaneous cases are direct results of drinking.

Juvenile Delinquency—In 1934, the factor of liquor was involved in 55% of all the individual cases reported to the Juvenile Protective Association of Chicago, and in 87.5 per cent of the community conditions in which they were concerned. Liquor became the outstanding problem in the community because of the excessive use by parents, the illegal practices of the taverns in selling liquor to minors, the violation of all the protective laws, and bringing most deteriorating influences and conditions into residential neighborhoods.

Crime—Eugene S. Zemans, head of the Central Howard Association, reports that "more

Ravens, Tigers Tie

Digby Ravens and the Annapolis Tigers played to a one-all tie in an exhibition game here last Friday night. Friday night's game was quite uneventful with neither team playing particularly good hockey. The first period was scoreless and no penalties were handed out. In the second period tallied for the visitors at 4:21 on an assist from Saulnier. This goal came unexpectedly as the Tigers were a man short at the time with J. Miller in the penalty box. Biting tied it up for the Ravens at 6:06 on an assist from Morochowski. Part of the Ravens' crowd penalty for howling and had a disconcerting effect when he disputed his penalty with referee. Final frame saw Melanson, a second while he was in the blue lines a situation. The Ravens were 1-0 at the end of the first period.

REGULATIONS of the Traffic Authority for the Town of Digby Respecting Parking Meters

In pursuance of and by virtue of the power and authority vested in me under the provisions of Section 121A of the Motor Vehicle Act, I, as Traffic Authority for the Town of Digby, do hereby make the following regulations:

- The highways in the Town of Digby and the points thereof, to which these Regulations apply are those in which, under my authority, parking meters have been from time to time been installed.
- Each parking meter installed in the Town of Digby shall be placed upon the curb or sidewalk immediately adjacent to the parking space to which it corresponds as designated by the lines or markings referred to in Section 3 hereof. The space between such lines or markings are hereinafter referred to as "parking space". Each parking meter so installed shall also be placed in such a manner as to show clearly by sign or device that the corresponding parking space is immediately adjacent thereto, in use either in accordance with, or in violation, of these regulations.
- A parking space shall be provided for each parking meter installed under the provisions of these regulations. Each parking space so provided shall be designated by lines or markings placed or painted upon the curb or sidewalk or upon the highway immediately adjacent to each parking meter so installed. Where such lines or markings are placed upon the curb or sidewalk, the limits of each parking space shall be defined by the prolongation of such lines or markings at right angles towards the centre of the street until the centre line of the street is reached. It shall be an offence and a violation of these regulations for any person to park or leave standing any vehicle in a parking space as heretofore described, without first having placed such vehicle entirely within the area designated by such lines or markings.
- It shall be an offence and a violation of these regulations for any person to park or leave standing any vehicle across any such line of marking.
- Wherever a parking space as heretofore described is parallel to the adjacent curb or sidewalk it shall be an offence and a violation of these regulations for any persons to park or leave standing a vehicle within such parking space and nearest to the corresponding parking meter placed or set in the curb or sidewalk immediately adjacent to such parking space.
- Each parking meter installed shall indicate by appropriate directions wherein the parking time permitted is as heretofore provided, in the individual parking space to which it corresponds. When in operation, each parking meter shall indicate by the dial and pointer therein the period of time during which parking is permitted in the corresponding parking space and shall, upon expiration of the period of time permitted for parking indicate that parking in such parking space is in violation of these regulations.
- It shall be an offence and a violation of regulations for any persons to park or leave standing any vehicle, whether attended or unattended, upon any highway in the Town of Digby or any part thereof where a parking meter has been installed and fail to comply with the directions set forth on such parking meter.
- The parking or leaving standing of any vehicle in a parking space provided in compliance with these regulations shall be restricted to the directions set forth on a metal plate mounted on space. Such directions shall be in force daily other than Saturdays, between nine o'clock in the morning and six o'clock in the afternoon, and on Saturdays between nine o'clock in the morning and nine o'clock in the afternoon, excepting Sundays and statutory or legal holidays.
- The directions, contained on the metal plate mounted on each parking meter shall be in the following language or to like effect:
Deposit 1c for 12 min. parking; 2c for 24 min. parking; 3c for 36 min. parking; 4c for 48 min. parking; 5c for 1 hour. Parking limit 60 minutes. 9 a.m. to 6 p.m. Saturdays 9 a.m. to 9 p.m. Except Sundays and Holidays.
- It shall be an offence and a violation of these regulations for the driver of any vehicle to park or leave the same standing in any parking space and immediately fail to deposit in the corresponding parking meter a coin or coins of lawful money of Canada and of sufficient value to permit the

Royal Bank At Bear River Modernized

The Royal Bank of Canada is to be congratulated on the extensive alterations and decorations of the local branch in Bear River. New counter fittings have been installed and the interior decorating is done in three shades of green. New fluorescent lighting fixtures have been installed. The office is now modern and comfortable. The bank is now open to the public on a regular basis.

OBITUARY

Mrs. Simon Darras, who died on Monday, January 22, at the age of 89 years.

Mrs. Darras was the former Sophie Oickle, daughter of the late Mr. and Mrs. David Oickle of Mahone Bay.

She is survived by two daughters by a former marriage, Mabel Miller and Daisy in Ontario.

The funeral services were held last Tuesday afternoon from St. John's Church, conducted by Rev. W. R. Anthony.

Mrs. Darras lived in Annapolis, Nova Scotia before coming to Bear River.

Mrs. William Cashman, Mrs. Elizabeth Ann Cashman passed away at her home in Bear River January 22nd, after a long illness at the age of 71 years and ten months. She was the daughter of Mr. and Mrs. Alfred Doucette of Bear River. She is survived by her husband, two grandchildren, Billie and Donna of Beaver River, also two nephews, Willard of the United States and Alfred of Bear River, with whom she made her home. Her only son, Randall Cashman, resided in fourteen months ago.

The funeral service was held in St. Anne's R. C. Church in Bear River on Tuesday morning at 9:30 a.m. The service was conducted by Rev. Father Power, O.M.I. and interment was in the Roman Catholic Cemetery.

Speaking of busy meetings, why are so many of the merchants and business men of the town conspicuous by their absence at a Board of Trade meeting for instance? They have nothing to lose and much to gain by supporting the Board of Trade which has accomplished many things for Bear River in the past, and could do so much more in the future with the backing of all. So be a "booster, not a slacker" by attendance at their annual meeting next Friday, January 26th, at 8 p.m. in the Masonic Building.

The Red Cross work room last Thursday afternoon was a regular meeting of activity with seventeen workers busily quilting, folding wipes for the Blood Transfusion Dept., making girls' nightgowns and infants' sleeping bags, etc., almost too busy to stop for five minutes for that delicious cup of tea at four o'clock!

In such a happy atmosphere a great deal of work is accomplished under the leadership of Mrs. J. L. Warren and Mrs. Gilbert Huxley, work which eases to be labor and becomes fun. There is always room for more workers in the Red Cross. At five o'clock the Red Cross executive met in the office of the president, Mr. McCarthy, for a short business meeting.

W.M.S. Auxiliary Report For 1950

The Women's Missionary Society of the Bear River United Church had a membership for 1950 of twelve active members and eleven associate members. Twelve monthly meetings were held, which were all spiritually uplifting and richly blessed at each meeting well prepared, interesting and informative.

Other activities of the year included a picnic for the Bear River Band and their mothers on May 13th, a social for the church on June 1st, and a social for the church on June 1st.

A number of our members attended the meeting in the Digby United Church Hall on November 15th, when Dr. Florence Murray returned to the audience a message of deep interest to all W.M.S. members.

Donations of good used clothing were sent overseas in February and a second larger donation was sent early in December, as well as one food parcel was sent to England.

116 calls were made on the slide or shut-ins of the community. Cards were also sent to sick or bereaved families and greeting cards sent to former members and friends at Christmas time.

Each member has read a number of the missionary books in the reading course and several new books were added to the collection.

We are pleased to report on closing our books for the year, that we have met our allocation of all bills and expenses are paid.

The following officers have been elected and duly installed in office for 1951:

Pres.—Mrs. R. A. Milley. 1st Vice-Pres.—Mrs. Wm. Morine. 2nd Vice-Pres.—Mrs. J. E. Langley.

Treas.—Mrs. Charles Balser. Rec. Sec'y.—Mrs. Milton Ross. Cor. Sec'y.—Mrs. Howard Cross.

About This and That

Congratulations To The Ravens

We would like to extend our congratulations to the Digby Ravens hockey team and to their playing coach, George MacDonald, for the splendid record of hockey which they have been presenting this season.

Hockey fans of this area have good reason to be proud of the Ravens this season. Our town has been doing a consistently good job of hockey playing throughout all of the season. Their percentage of wins has been high and the games they have lost were lost by small margins.

A good hockey team, well organized and well coached, is an asset to any town and the Ravens can certainly be termed an asset to Digby. Through their efforts this season there has been re-awakened in the town an interest in sport that has been lacking since the days of the famous first Digby Ravens.

It is our hope that the Ravens this year will continue, on through to the end of the season maintaining and improving their present fine standing. Best of luck to all of you!

"They"

Hardly a conversation lasting more than a few minutes in Digby is complete without some reference to "they". "They" should do this, that or the other thing to improve the community.

This is a situation that, to say the least, is not confined to Digby. It is common throughout the province and the nation. That governments, municipal, provincial or federal are involved somehow.

By taking the attitude that "they" should be responsible for everything, we shuffle off all feeling that we, personally, are responsible in any way to see to it that things are accomplished.

In Digby we hear such questions as: Why don't "they" keep the streets cleaner? Why don't "they" do something about the cost of living the house situation, the roads, the appearance of the town? Why don't "they" build sidewalks, provide better street lighting? The list could go on and on.

"This 'they' business, we believe, is symptomatic of the 'leave it to George' attitude that is prevalent all over the country. Isn't it about time we realized that instead of 'they' we should say 'we' and then go ahead and 'do' things done?

Nothing is impossible if "we" really want it and go after it. How? By thinking and planning and working together, by putting our best effort into any project we want carried out.

What Digby and indeed all Canada needs is more "we" and less "they".

Isn't the buildings on the streets of the industries that make a town. It is the people.

Long years spent in school are worth little unless, during the educational process, young people learn to reason, to think for themselves intelligently and rationally.

"Please" and "thank you" are not outmoded expressions as one might expect, so seldom are they heard these days. They should be cultivated. Their use takes little time or energy but adds much to the graciousness of daily living.

Victorian

Secretary's Report For 1950

Mr. President, Officers and Members of the Digby Branch of the Victorian Order.

Ladies and Gentlemen:

Again we review the work and activities of the Digby Branch of the Victorian Order of Nurses for 1950, at the 20th Annual Meeting of the Branch.

Eleven regular and one special meeting were held. The average attendance of the regular meetings was 19. This was a slight increase over that of the previous year and showed the growing interest in the work of the Order.

The special meeting, held on the 10th of November, was a very successful one. It was held in the hall of the St. John's Hospital and was attended by a large number of people.

That time the National Field Office was not in person to suggest a nurse for Digby, and Miss Mary Prang, of the Supervisory staff of the National Field Office, came as a relief for 2 weeks. After that, as no local relief was available, the Saint John Branch loaned a nurse, Miss Stacy, to the N.F.O. Office and she remained here until the arrival of our permanent nurse, Miss Mary Prang, on September 1st.

In the spring the Nurse's room at the Court House was redecorated and given a cheery aspect to her work there. During the year the nursing committee have tried to find a more suitable building in which to hold the Well Baby Clinic, as the attendance was decreasing and it was thought due to the long climb up hill and stairs. No other place, however, could be found which would be more suitable, and Miss Prang now reports the attendance at these clinics is increasing, which is a great satisfaction to her.

Fund raising efforts during the year were about the same as of previous years, and will be mentioned later in the report of the Publicity and Education Committee.

This is the third year since the sale of the T. B. Seals was taken over by the local Tuberculosis Association and the loss of the V.O.N. share of this sale is still keenly felt, and has not been able to be overcome by any other fund raising project.

The type of work done by the nurse is practically the same as

of previous years, and will be mentioned later in the report of the Publicity and Education Committee.

NEW 1951 Chevrolet

OFFERS ALL THE THINGS YOU WANT INCLUDING POWER *Glide* AUTOMATIC TRANSMISSION

CHEVROLET
A GENERAL MOTORS VALUE

POWER *Glide* AUTOMATIC TRANSMISSION

FEATURES OF THE NEWEST OF ALL NEW CARS FOR 1951

NEW! LONGER, LOWER, WIDER BIG-CAR LOOK. — Brilliant new styling... featuring entirely new grille, parking lights, fender moldings and rascad design... imparting that longer, lower, wider big-car look which sets Chevrolet above and apart from all other motor cars in its field.

NEW! SAFETY-SIGHT INSTRUMENT PANEL. — Safe, more convenient, more efficient... having an overhanging upper crown to eliminate reflections in windshield from instrument lights, and lower edge of panel recessed to provide a safe, convenient location for control knobs... with plain, easy-to-read instruments in two large clusters directly in front of driver.

NEW! MORE POWERFUL JUNIOR DRUM BRAKES with Dual-Life rivetless brake linings. Largest brakes in Chevrolet history! Extra-safe, extra-smooth, extra-durable... with both brake shoes on each wheel self-energizing for forward and reverse operation of car... providing maximum stopping-power with up to 25% less driver effort.

NEW! EVEN LOVELIER BODIES BY FISHER. — With new and even more strikingly beautiful lines, contours and colors... with extra sturdy Fisher-Union construction... Carved Windshield and Panoramic Visibility... the smartest, safest, most comfortable edition of Chevrolet's Famous Bodies by Fisher.

NEW! MODERN-MODE INTERIORS. — With upholstery and appointments of outstanding quality, in beautiful two-tone color hair-moieties... with an even more attractive steering wheel embodying a new full-circle horn ring (in Deluxe models)... and with extra generous head, leg and elbow room for driver and all passengers.

NEW! IMPROVED CENTRE-POINT STEERING (and Centre-Point Design). Making steering even easier at low speeds and when parking... just at Chevrolet's famous United-Knee-Action Gliding Ride in comfortable beyond comparison in its price range... additional reasons why more people buy Chevrolets than any other car.

It's good to have all the things you want in a motor car, and to have them at lower cost than they can possibly be found anywhere else.

That's exactly what you'll have when you buy a new 1951 Chevrolet — Canada's largest and finest low-price car — now available with a proved, completely automatic transmission, POWERGLIDE!

You'll own the newest new car for \$1 — refreshingly new, inside and out... with that longer, lower, wider "luxury look" that stamps it as the most beautiful car in its field.

You'll own the only car that offers you your choice of the finest proved up-shift driving, or standard driving, at lowest cost. And if you choose a POWERGLIDE-equipped Chevrolet with its new 105 h.p. engine, you'll enjoy driving ease you've never dreamed of. There is no clutch pedal! You simply step on the gas to go, step on the brake to stop! And that's all, in normal driving! Amazing smoothness — saves wear on driver and on car!

And you'll enjoy all Chevrolet's many advantages at extremely low cost through every month and mile of ownership. Come in today — see and drive Canada's largest and finest low-price car... and you'll understand why more people buy Chevrolets than any other car.

That's no clutch!

Mr. and Mrs. Corey Long entertained the pupils of our school at an enjoyable party on Wednesday evening, January 17th.

The evening was spent in games and contests in which several prizes were won by the children. Refreshments were served by the hosts and all reported a good time.

A number from here attended the recent Youth Party at the home of Mrs. Ira Dukeshire, Clementvale, on Friday evening.

Mrs. William King and family spent Sunday with the former's daughter, Mrs. Fred Stevenson, and Mr. Stevenson, Middleton.

Mrs. Fred Boudreau went to Halifax on Thursday and accompanied Mrs. Boudreau home from the Victoria General Hospital on Friday.

We wish Mrs. Boudreau a speedy recovery.

William Duggan picked pussy-paws on Thursday, January 18.

Municipal School Board - Auditor's Report

Rentville, Nova Scotia
January 8th, 1951.

To the Chairman and Members,
Municipal School Board for the District of Digby,
Digby, Nova Scotia.

Gentlemen:

We have examined the books and records of the Municipal School Board for the District of Digby for the fiscal year ended July 31st, 1950, and have received all the information and explanations we have required.

The maintenance allowance for rural high schools was paid to the trustees of the school sections in accordance with the recorded Minutes of the School Board. In some instances vouchers substantiating expenditures in excess of the minimum allowance were not available. We understand that in the majority of these cases, the funds were still in the hands of the trustees at the Balance Sheet date but that such funds would be expended on necessary repairs before the re-opening of the schools.

Subject to the foregoing, we report that, in our opinion, the attached Balance Sheet is properly drawn up so as to exhibit a true and correct view of the financial position of the Municipal School Board for the District of Digby as at July 31st, 1950, according to the best of our information, the explanations given to us and as shown by the books and records.

H. B. DOANE & COMPANY,
Chartered Accountants.

Hold Inquest Into Death of Sailor

An inquest into the death of Ordinary Seaman Cook Donald James Shrimpton of H.M.C.S. Cornwallis was held yesterday afternoon. The inquest was presided over by Annapolis County Coroner Dr. J. R. McManis.

The Woodstock, Ontario, seaman succumbed in hospital at the naval base on Monday evening.

Shrimpton was found in one of the washrooms in the training establishment alone and unresponsive. He was placed in the morgue and his name was entered on the dangerously ill list. He died at 8:45 p.m. Monday.

A coroner's jury examination suggested a fractured skull. An inquest was held at the naval base yesterday afternoon. It was available at 10:30 a.m. press.

Loran E. Adams Celebrates 82nd Birthday

Mr. Loran E. Adams of Deep Brook, who is spending the winter with his daughter, Mrs. G. Russell Harris and Mr. Harry Digby, celebrated his 82nd birthday on Sunday.

Mr. Adams, who is most hale and hearty, is looking forward to returning to his farm in Deep Brook in about a month to get started on the early gardens for which he has become famous. Every year Mr. Adams leads the field in the production of early vegetables and is usually enjoying levels of green peas, radishes and the like even before other gardeners have planted their seed.

A mail carrier for the village of Deep Brook for more than thirty years, Mr. Adams retired some time ago but has kept busy with his gardening and other hobbies since then.

His Majesty's mails seem to have quite an attraction for Mr. Adams' family. His daughter's husband is the Postmaster in Digby and her father-in-law is the Postmaster at Bear River.

It's Not News, But . . .

When one's wife starts muttering "curly, curly" in her sleep, it could be taken as a sign the ancient game is beginning to get the little lady or could it be because it has gotten the man of the house?

Bean Supper

Last Saturday night the ladies of St. John's Anglican Guild served a bean supper in the Masonic building. Beans with scallops were on the menu and a choice of lemon or apple pie for dessert.

The two long supper tables, with their white cloths, floral centerpieces, red candles in crystal holders, and Valentine services were very attractive and were well patronized, due to a festive winter night and good food and the fact that the ladies of the guild were in the house.

Brig. Edward C. Plow, CBE, DSO, CD, 46, has been promoted to the rank of Major General, Defence Minister Brooke Claxton announced last Thursday. He is general officer commanding the army's Eastern Command, with headquarters at Halifax, and continues in that appointment.

Major General Plow took command in Halifax last October, when Major General Harry W. Foster, CBE, DSO, gave up the appointment to accept a post with the Imperial War Graves Commission. Prior to that he had been senior liaison officer at the Canadian Army Liaison Establishment in London, England.

Born in St. Albans, Vermont, Major General Plow attended school in Montreal and graduated from the Royal Military College in 1925 with a commission in the Royal Canadian Artillery. He was on course in England in December 1939 when his battery arrived from Canada with the artillery of the 1st Canadian Division, and he rejoined it at once. He commanded the artillery of the 1st Canadian Corps for a year during the Italian campaign, then switched to Northwest Europe in December 1944 to become brigadier, Royal Artillery, at HQ First Canadian Army. After the end of the war in Europe, he served with the Occupation Force in Germany and for two further months in England before returning to Canada in December 1945.

Since then, Major General Plow has commanded Military District No. 11 in Vancouver, renamed British Columbia Area during his term of command, and served again in England as Senior Canadian Army Liaison Officer. From his present headquarters in Halifax he commands army activities in the province of Nova Scotia, New Brunswick, Prince Edward Island and Newfoundland, including Labrador.

Mrs. Plow is the former Mary Lynch of Digby, daughter of Mrs. T. E. G. Lynch and the late Mr. Lynch.

Wins Baking Prizes at Bear River Fair

There's plenty of friendly competition in the home-baking section of the Digby County Fair at Bear River, N.S., and a consistent winner is Miss Helen L. Woodworth, of Bear River. In yeast-raised baking especially it's been up and back, and Miss Woodworth credits her yeast with giving her the edge. "Ingredients are so important—and I'm extra

careful about the yeast I use," says Miss Woodworth. "For years I've been baking with Fleischmann's. I always find Fleischmann's Yeast is good and lively. I know I can depend on it."

That's what the majority of prize-winning cooks say! You get finest results with Fleischmann's Yeast—proved dependable for 83 years.

White Cane/Week

February 11 to 17 is this year announced by officials of the Canadian Council of the Blind and the Canadian National Institute for the Blind as White Cane Week. During this period they ask the community to give a little thought to its blind members—to inform themselves, that the sightless citizen is a normal Canadian—with an inconvenient handicap.

This year the effort to develop a deeper understanding of the blind and sighted people through recreation, asked, what the attitude of the blind is to recreation, an operator of a "C.N.B.I. standard" blind track, the first of its kind in the country, they are to be seen in the city of Digby.

It is a well-known fact that the blind are not only a normal part of the community, but they are also a source of great pleasure and interest to the sighted. How Does Your Child's Teacher Live?

(Contributed by Digby Local Nova Scotia Teachers' Union)

How does your child's teacher live? Nova Scotia teachers are asked for a raise in pay.

Let's take the case of Joe. Joe is a teacher in a small school in a rural area. He has a family of five, all of whom have to be supported. His wife is a homemaker and they have three children. Joe's salary is not enough to cover the cost of living, and he is struggling to make ends meet.

Joe's salary is not enough to cover the cost of living, and he is struggling to make ends meet. He has to work long hours and is often tired when he gets home. He has to make sacrifices and live on a tight budget. He is not able to afford the things that he needs for his family, and he is often stressed and worried.

Joe had left for purchase of some furniture at his own for emergencies such as illness, for dental care, for books, magazines and entertainment — \$120 a month.

Now Joe is one of the better paid of Nova Scotia's teachers. He is a member of the Nova Scotia Teachers' Union and is well paid as Joe was. What would you do if you were in Joe's place? Wouldn't you ask for a raise in pay?

That's just what Nova Scotia teachers are doing through the voice of the Nova Scotia Teachers' Union. But the Department of Education says there is no money to pay so that he can live decently if he goes on teaching — live!

COME ON IN, SON, AND meet the manager!"

When you take over the farm, one of these days, you'll want to talk to him. You can discuss your affairs in a friendly way, as I have done. And you'll find he knows a lot.

He knows we farmers need bank credit—sometimes to put in a crop, sometimes to take off a harvest. If we need market information, he can get it for us.

Remember when we electrified the farm? Our bank manager made me the loan. He's backed us up that way for years, helping us to improve our stock, increase production.

And that's what our bank manager is there for—to help you and me to manage. He's a good man to know.

The Dramatic Club are preparing a play starting this week, which they expect to produce at the Digby United Church.

Thos. Hanksinson of Middleton spent one day last week with his parents, Mr. and Mrs. Geo. O. Starnes.

How does your child's teacher live? Is he a Joe Drake? If so, shouldn't you know it? And shouldn't you add your voice to the swelling demand for more money for the teacher's salary? Report On Callow Busses

Two outings each year for
every province in the Maritime
provinces, who can get out. —
that is the objective of the Walter
Callow Veterans' and Invalids
Welfare League. The day when
that worthwhile objective will be
reached seems to be fast ap
proaching. Last year the Callow
coaches, designed by blind, par
alyzed Walter Callow, brought
happy outings to more than 4,000
crippled, sick, shut-in, men, wo
men and children. Two coaches
were kept extremely busy keep
ing up with the requests for ser
vices coming from country, towns
and cities.

This year, with good prospects
for a third coach in operation, the
number of trips will be greatly
increased.

This good work, in the words
of Mr. Callow, will grow and
grow as long as friends who are
well and strong continue to be
interested in their less fortunate
brothers and sisters.

Here is a story of the 1950 Cal
low Wheelchair Coach operations
as furnished by President, Walter
Callow.

From institutions the two
wheelchair coaches have carried
1,199 veteran patients, 1091 civil
ian patients and 233 children.
160 patients from Ottawa and To
ronto handled by the coach which
attended the Central Canada and
Canadian National Exhibitions
bring the grand total for the year
to 4,189 patients.

The sponsored trips by gen
erous Business Firms of the City
enabled 168 invalids of Halifax
city district to be taken by the
coaches to the blossom area dur
ing the Festival season and en
joy a dinner at one of the local
hotels before returning. Other
long rides with dinner at a local
hotel before returning were en
joyed by various groups of civ
il patients as a result of this gen
erous sponsorship.

At the Ottawa Exhibition the
coach was visited by John Fisher
on the second day after the open
ing. In his radio address from the
Exhibition grounds he spoke
about the coach and described its
exact location on the grounds.
From that night on crowds flock
ed to the coach afternoon and
evening to pass through it. In the
mornings the coach was busy
taking out patients from the Ri
deau, Health Center, the Porley
Home, the Soldier's Pavilion of
the Civic Hospital, the St. Vin
cent's Hospital for incurables as
well as patients from private
homes. The coach also brought a
full load of patients, three in
stretchers position to the Invalid
Day Performance at the Exhibi
tion.

The same schedule of operation
was carried out at the C. N. E.
in Toronto taking out patients in
the morning and the coach re
maining on display at the grounds
afternoon and evening.

A new service to our patients
of the city district was added this
year. The President made ar
rangements to take five of our
patients living at home and three
from the Public Clinic to the Nova
Scotia College of Art to Handi
craft Classes in Leather Work
and Sewing. A class of five inva
lid children has also been accept
ed by the same college.

This year also, both coaches
have been used for Sunday morn
ing services so that all of our
patients both Protestant and
Catholic may attend services
on Sunday.

Of the total number of patients
carried about 80% were served

met at the home of Mrs. Frank
Rice on Thursday, February 19th,
at 8 o'clock.

In the absence of the President,
Mrs. Margaret Jeffrey, Vice-Pres
ident, presided over the meeting.
The worship service opened with
the singing of a hymn. The Scrip
ture reading followed, taken from
St. John, Chapter 10, and was
read responsively. After a circle
of prayer another hymn was sung.
The study was on the col
leges of Japan and was in the
form of a playlet. Those taking
part were Mrs. F. Rice, Mrs. J.
Morhouse, Mrs. B. Dakin, Mrs.
M. Jeffrey and Mrs. E. Mitchell.

The closing hymn was followed
by the benediction, sung by the
singers, verses 24 and 25 and was
read in unison.

A business session followed
the meeting and Mrs. Rice's re
port being read and approved.
The roll call was read and the
minutes of the previous meeting
were read and approved.

The business session was
closed with a prayer by Mrs. Rice.

Marjorie Tupper, R.N., Digby, was a visitor in town on Monday. Fred LeBlanc left this week for Middleton where he is employed.

Mrs. J. M. Wallis and Eleanor Ruth were Sunday guests of Mrs. Dan Hambleton.

A dance was held on Tuesday evening in St. Joseph's Hall sponsored by the Ladies' Aid Society. Mrs. Catherine Ross of Sackville, N.B., was a recent visitor at the home of Mrs. J. M. Wallis.

Mrs. J. M. Wallis and Eleanor Ruth were Sunday guests of Mrs. Dan Hambleton.

Uncle Ed says...

A little thought and planning can reduce time and work and make things you don't like do a bit more temping.

My wife Miranda says her built-in front door makes her take a new view of ironing—Hicks' put it in a handy place where it takes up next to no room.

Another thing we had Hicks' put in is a handy linen closet—his shelves inside and storage space on the door something like a refrigerator and a stool kept right inside under the bottom shelf so Miranda can get to the top shelf without running out to hunt for a chair to stand on.

Of course, the thing that saved Miranda the most steps was having the whole kitchen work space fixed over with lots of counters and closets in the right places.

Hicks' can put any of these fix-it's into almost any house—give them a call and ask them to come out and see yours.

World Day Of Prayer

The World Day of Prayer was observed in the Church of Christ (Disciples), Weymouth, on Friday afternoon with Mrs. Harry Lewis as chairman.

Those taking special prayers in the service were Mrs. N. L. Ruggles, Mrs. John Dunkley, Mrs. Wm. Lenz, Mrs. D. H. MacLean and Mrs. Wilfred Cosman. Mrs. C. F. Grant presided.

The speaker was Mrs. J. E. DeWolf, who stressed the need for more missionary work in the churches. She said that much of the world is still in darkness and that the church must reach out to the people of the world. She urged the congregation to pray for the world and for the church.

Mrs. J. E. DeWolf, who was in Halifax last week attending the annual meeting of the Cancer Society, returned home on Sunday.

A large box was packed and sent to headquarters from the Red Cross Society at their last meeting. The box contained a number of items including 6 quilts, 2 sweaters, 2 pairs mittens, 4 pairs of socks, the remainder being pieces of a layette.

"What's your child's teacher worth?"

"As much as an elevator boy in a hotel."

"Only one quarter of Nova Scotia's teachers earn as much as an elevator boy in a hotel."

Three quarters of Nova Scotia's teachers receive less than that.

As much as a street cleaner, or a garbage collector.

Less than one-third of Nova Scotia's teachers earn as much as a street cleaner and garbage collector.

A teacher with a B.A. degree and one year's postgraduate work must teach for four years before he receives the same salary as a garbage collector or street cleaner.

The City of Halifax reports that garbage collectors and street cleaners receive \$105-\$168 monthly.

As much as a 17-year-old boy working underground in a mine, or a 17-year-old boy working underground in a mine.

Boys between 17 and 18, employed underground in mines, receive \$193.50 annually.

As much as a lawyer who has spent the same length of time in preparing himself for his profession.

No teacher in Nova Scotia can possibly hope ever to attain the income of a lawyer who, like the teacher, has spent five years in training above the Grade XI level.

The average income of such lawyers is \$622.50 monthly. The average salary of teachers in Nova Scotia who have had five years in training after Grade XI is \$215 monthly. Figures from the Income Tax Department and the annual report of the Superintendent of Education for Nova Scotia.

The average salary of all teachers in Nova Scotia during 1949 was \$162.50, or \$198.58 monthly.

In the face of these conditions, and in the light of the fact that the teachers of Nova Scotia, through the Nova Scotia Teachers' Union, are asking for a living wage for teachers.

Liquor Not Tourist Attraction

The Montreal Daily Star of January 12th says that the Quebec Temperance League is opposing the request of the Quebec Hotelkeepers Association that the ban on liquor sales be lifted.

It was pointed out that the ban on liquor sales by which taverns, clubs, etc., were closed during the Christmas and New Year holidays gave an accident-free record and "a credit to Montreal."

The association said the belief that tourists come to the city simply to indulge in liquor, is a gross insult to many of our visitors.

Pay Plenty For Alcoholics Care

Loma Linda, Calif. Aug. 3 (AP)—California is paying \$280,000 a year to care for its 72,000 chronic alcoholics. State Director of Public Health W. L. Halverston said yesterday.

His estimate is based on costs of police courts, jail and loss of income to the victim and his family.

You may not need to sign the Total Abstinence Pledge for your self, but sign it that you may give it the weight of your own moral character. What do you do others will do more readily. There are more eyes watching you than you think. More lives than you guess are on the balance, waiting for your example to turn them this way or that. Can it be right to have anything under that may have one for whom Christ died?

DODGE

the choice for 1951

The moment you open the door of an all-new 1951 Dodge, you realize that these stylish new cars set a new high in comfort and safety in their price class. The big, wide-opening doors let you get in and out without crouching or twisting. Interiors are designed to let you relax — with plenty of head, leg and shoulder room. You sit on chair-height seats with a broad, safe view of the road through the new, wider windshield and rear window. The rigid steel body, finger-tip steering and "balanced" four-wheel brakes let you drive confidently — in safety.

Your Dodge dealer invites you to drive any of these great new Dodge cars... to test their comfort, smoothness and safety in traffic and on the highway. Let performance convince you.

because they're built around people!

White sidewall tires optional at extra cost

There's a new 1951 Dodge that's right for you, regardless of price level.

In the low-price class there are the Dodge Kingway 3-door coupe and 2-door sedan models. Slightly higher in price are the longer-wheelbase Dodge Crusader and Regent models, club coupes and 4-door sedans. For town and country use, and special commercial purposes, Dodge also offers the all-metal Suburban and the New Savoy. The finest Dodge is the luxurious Dodge Coronet, the lowest-priced car with Fluid Drive — now available as optional equipment. The Dodge Coronet (not illustrated) is available as a club coupe, 4-door sedan and 8-passenger sedan.

SOUTH END GROCERY SELF SERVICE. CASH AND CARRY STORE

South End Grocery Completely Modernized

The South End Grocery popular for its style in the south end of Digby has undergone a complete transformation. Through the efforts of the progressive owners of the store, Gordon Turnbull and Bruce Baxter, it has been completely modernized throughout the entire store.

Has been placed in the modern service-cash, and carry layout.

In order to carry out the changes that were planned, the store was closed for three days while the old fixtures were removed and new ones were installed. The new fixtures, including the new service-cash, and carry layout, were installed during the three days the store was closed.

The new display stands, refrigerated display cabinets and a large cold storage room keeps the supplies of meat and other perishables fresh and wholesome. Modern lighting and handling equipment has also been installed to permit the proper handling of all foodstuffs.

The service-cash, and carry layout, and display stands are kept fully stocked at all times and prices are plainly marked on the counter. This makes the price of every article in the store as plain as a picture. A complete carrying and wrapping service is convenient to all customers.

The store is a bright, clean, appealing place.

Christie Writes From Korea

A letter received from William B. Christie, Digby, who is serving in Korea, contains an interesting account of the life of a soldier in the Korean War.

Christie writes that he has been in Korea for about a year now. He says that the life of a soldier in Korea is very different from what he expected. He says that the weather is very hot and the food is very good. He says that the people are very friendly and that the life is very interesting.

Christie says that he has seen many things that he has never seen before. He says that he has seen many beautiful places and that he has met many interesting people. He says that he has learned a lot about the Korean people and their way of life.

Christie says that he is very happy to be in Korea and that he is looking forward to coming home. He says that he is very proud to be a soldier in the Korean War and that he is very grateful for the opportunity to serve his country.

1. The first step in the process of the investigation is the identification of the problem. This involves a thorough review of the available information and a clear definition of the issue at hand. Once the problem is identified, the next step is to gather relevant data and information. This can be done through various methods, including interviews, surveys, and document analysis. The gathered information is then analyzed to identify patterns, trends, and potential causes of the problem. This analysis is crucial in determining the scope and nature of the investigation. The next step is to develop a plan of action. This involves identifying the specific steps that need to be taken to address the problem. The plan should be realistic and achievable, taking into account the available resources and the time constraints. Once the plan is developed, the next step is to implement it. This involves carrying out the specific actions outlined in the plan. The implementation should be monitored closely to ensure that the plan is being followed and that the problem is being addressed effectively. The final step in the process is the evaluation of the results. This involves assessing the impact of the investigation and the effectiveness of the actions taken. The evaluation should be based on the original objectives of the investigation and the data gathered during the process. The results of the evaluation can be used to inform future investigations and to improve the overall process of problem-solving.

MARRIAGE

Morehouse - Harber
A pretty wedding was solemnized in St. James' Church, Armadale, February 2, at 7:30 p.m., when Rev. C. O. Holm, assisted by Rev. H. V. MacLean, uncle of the groom, united in marriage Doris Mae, daughter of Lt. Commander and Mrs. J. W. Harper of Halifax, and Robert Ernest Morehouse, son of Mr. and Mrs. Emdon Morehouse, Sandy Cove, Digby County.

The bride wore a light beige wool jersey dress with green velvet trim and matching green accessories and a corsage of white and pink carnations. Her only attendant was Mrs. Donald Evans who wore a light green wool dress with broad silver trim and brown accessories, and a corsage of pink and white carnations. The bride was given away by her father.

The groom wore a conventional suit, white shirt, and tie, and was attended by Arthur Roberts, also a communicant with the R.C. Church.

Mrs. Harber, mother of the bride, wore a light pink dress with black accessories and a corsage of yellow daisies. Mrs. Morehouse, the groom's mother, wore a light pink silk dress with black accessories and a corsage of red roses.

The reception was held at the home of Mr. and Mrs. Harber, 24 Lakeview Drive. Rev. Mr. MacLean proposed the toast to the bride, which was responded to by the groom.

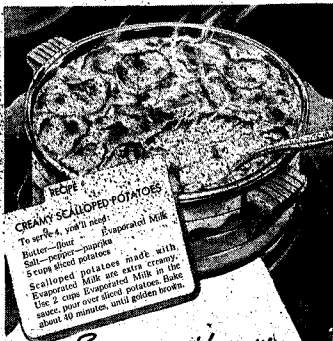

Mr. and Mrs. Morehouse left on a short trip in the province and will take up residence in Dartmouth. For traveling the bride wore a brown suit with matching accessories and a green topcoat.

Mrs. William McGrath, who has been visiting for a few days with her daughter, Mrs. Elin Hatfield, and Mr. Hatfield, Granville Ferry, has returned home.

Alton Hayden, who is employed with J. E. Hicks and son of Bridgetown, has been home this week sick with the flu. He plans to return to work again Monday.

Sincere sympathy is extended to the family of the late Mrs. Emmeline King, who passed away at her home at Victoria Beach, early Thursday morning, February 15th. Mrs. Anna Casey is a sister and Mrs. Gordon Snow is a granddaughter of the deceased.

A Valentine party was enjoyed in the school house, Wednesday afternoon, February 14th, by the teacher, Mrs. Alton Hayden, and her pupils, all attending were a number of children of pre-school age. Contests and games were played, and there was the usual gaily decorated Valentine box, with Valentines for all. Last but not least came the refreshments, which included all sorts of cakes and cookies to delight the youngsters, who all reported a very happy time.

The Baptist Auxiliary met at the home of Mrs. William McGrath on Thursday evening, February 15th, with eleven members present. The meeting was presided over by the hostess and committee, Mrs. Robert McGrath and Mrs. Vandy White. It was also the birthday of one of the members, Mrs. Ralph McGrath, and another member, Mrs. Edward Keane, observed a birthday on Monday. A very pretty birthday cake made by Mrs. William McGrath and decorated by

About This and That

Education Week, March 3rd - 10th.

Next week is marked across Canada as Education Week, a week in which the thoughts of the citizens of our country are directed toward the schools and the whole matter of education.

It is to be hoped there will be an active marking of Education Week in this community. Perhaps in no other area of Nova Scotia has there been such a marked development in the field of education over the past four years as there has been in Digby.

We have a lot to be proud of in this respect here in this area and we should keep ourselves thoroughly informed as to what has been accomplished and what is planned for the future in the realm of education in this area.

Digby has made rapid strides in the field of educational improvement over the past few years. We have also participated in the rapid change-over in methods of teaching, particularly in the lower grades, which has been taking place in the last number of years. Many of these changes have seemed rather radical and hard to justify in the minds of those who had faith in the established system of the three R's. Education Week should also give these people an opportunity to find out about the new systems at first hand - to see them in operation in the schools and to have them explained by the school teachers.

We would urge every parent in this area to avail himself and herself of every opportunity presented during Education Week to visit the schools, to find out about the curriculum and to gain as much first hand knowledge of our educational system as possible during this time.

Letter to the Editor

Editor, the Digby Courier:

The communication by "Mrs. Bill Smith" in your issue of February 15 takes too much for granted. It takes for granted that every person who has gone to college, and beyond for more training, has had favorable "circumstances", and that only lack of such circumstances has prevented others from going. If so, it does not seem any less warranted to borrow a reasonable amount to enable one to get

ready to teach or practice some other profession than to borrow to get started in business.

Quite probably, earning one's way through college, and beyond, will require postponing marriage - referred to by Mrs. Bill Smith - as one reason why a man without money may not go to college. Many of us have had to make that difficult decision to postpone marriage because we could not earn enough for two while attending college and post-graduate schools.

Education was not, through out the years, a free thing. Many of our graduates, and many of our students, college and post-graduate, have had to make that difficult decision to postpone marriage because we could not earn enough for two while attending college and post-graduate schools. I have never asked for more.

There still are opportunities for "Bill Smiths". Some are taking advantage of those opportunities. Others either do not see the opportunities, or, seeing, do not choose to take advantage of them.

As a parting word, it may be pointed out that going to college, and beyond is not the only way either to get a higher education or to increase one's earning power. Many of the best educated persons did not go to college. Winston Churchill is an outstanding example.

Mrs. Willard Prowse, Baccalaureate, P.E.I. exhibitor prize-winning cake with P.E.I. Yeast.

Wins Top Baking Honors at P. E. I. Fair

Her mantelpiece is adorned with silver trophies for home beautification and flower garden. But it's her baking that has made Mrs. Willard Prowse famous all over the island. At the 1950 Provincial Fair at Charlottetown she carried off top honors. An authority on yeast-raised baking - she uses 18 yeast cakes a week - Mrs. Prowse gets her superb prize-winning results with Fleischmann's Yeast.

"It makes no difference whether you're baking for the family or the market or the fair," says Mrs. Prowse. "You results will depend a lot on your ingredients. For fine results in bread and rolls you have to be sure of your yeast - that's it good and lively."

"That's why I do my yeast-raised baking with Fleischmann's Yeast. For with Fleischmann's you're sure."

A Review Of The Rowway Home And School Association

Rowway's Home & School Association was organized on Oct. 12th, 1949, with Mrs. John Gid as President and fourteen charter members. Before the close of the first year membership had increased to twenty-eight members.

Soon after organizing, the chief object and project was "the wiring of the school house." This was achieved in January 1950 with proceeds from pie socials and other community help. At this time it was decided to take a collection at each meeting in order to have a little money on hand for postage and other small essentials as our membership fee was only twenty-five cents a year and this was all sent to the head office at Truro. The collection proved so successful that it has carried on ever since. There were two great speakers during 1949-50. Mr. C. E. Edwards, Regional Director of Adult Education and Mr. McLean of the National Film Board. Each speaker also showed films with their talks.

The February 1950 Fundraising Day was a success. A complete program and \$250 was donated to the Rowway Day Fund. The first full meeting was held in September. The proceeds taken on were instrumental in school house and community hall. The first task was to raise money to

wire the hall for electricity which was accomplished by October. During the same month there were several who attended the Fall County Council held at Freeport. At this time, keeping in mind "The Child's Bill of Rights," the Home and School sponsored a Young People's Recreational night once a week which has been very successful since being started. The age limit is from ten years old through high school age. At Halloween and Christmas parties were held and the young children of the community invited with their parents. The last Wednesday of each month "Addict Night" is also sponsored by Home and School. There has been a steady purchase for emergency food, tissue and a Santa Claus suit bought.

MARCH 1, 1951

THE DIGBY COURIER

Founders Day was again observed in 1951 with a membership of forty-seven. The sum of \$244 was sent to The Founders Day Fund. Health Posters, which were made by the school children, were on display — each grade receiving a prize for the best. The programme during the evening was a short discussion on the Home and School Aims. An interesting and enjoyable evening was brought to a close with refreshments of sandwiches and tea and a beautifully decorated birthday cake adorned with two candles.

ing games, contests and a slugging. Prizes for the Valentine Contest were won by Virginia Morton, Fatsy Marchessault, Shirley Hershey and Gwendolyn Tilus. At a late hour the young ladies served refreshments consisting of heart-shaped cookies, cakes and ice cream.

How COLDS affect Your KIDNEYS

The kidneys are very delicate organs, easily affected—especially by a cold. Their duty is to filter impurities and excess acids from the blood. When you have a cold, extra strain is thrown upon your kidneys, and your system of excess acids and impurities cannot be eliminated. You have a chance to shake infection, poison—feel better later. If you have a cold get and use **Dodd's Kidney Pills**. 129

Victoria Beach

Community Isolated

Residents of the tiny fishing community of Victoria Beach on the eastern shore of the Digby Peninsula are isolated from the rest of the world by a 15-mile stretch of road between the village and the nearest town, Digby. The isolation is due to the fact that the road is impassable for much of the year.

For the past two years, during which time there has been a severe influenza epidemic in the village, it has been impossible to get a doctor to Victoria Beach from Annapolis, the nearest centre for aid. A section of the 15-mile stretch of road between the village and the nearest town is impassable, residents of the area say. The only way to get to the village is by a small boat, and this is only possible in the summer months.

To show how complete the isolation has been, residents are unable to get to the hospital in Annapolis for medical treatment. It was impossible to get through to Annapolis to get a train or bus and seas were too heavy to permit any of the fishing craft to the beach to cross to the village. Finally a call was put in for the life saving boat at Yarmouth. McGrath crossed to Bay View where she got a taxi to Digby and brought the baby to St. Anne's.

During the height of the flu epidemic last month, five people at the beach were ill, many of them seriously, and others died. The isolation was a great help to the community, as it prevented the spread of the disease.

Spelnd Program Presented By Dancing Class

The dancing pupils of Mrs. Frances Petrie Monday night presented a splendid program before a capacity house at the Digby Rural High School Auditorium. The program was given in aid of the Digby General Hospital. Assisting were the Digby Canteen, Norman B. Wright, Paul Snow, Elton Arnold and Jack Dorman. Don Ryan and his table, accompanied by George McQueen at the piano. Miss Lillian Nichols provided the piano accompaniment.

The program was opened with a song and dance number, "Down by the Old Mill Stream." The program was then continued by a variety of dances, including a waltz, a foxtrot, and a tango. The dancing class was led by Mrs. Petrie, who has been teaching dancing for several years. The program was a great success, and the pupils were well received by the audience.

YOU CAN HELP THE RED CROSS

Mobilize for Defense!

Quietly, efficiently, but with tremendous speed, the Red Cross is mobilizing. For national defense at home. For saving the lives of our armed forces overseas.

You remember the work of the Red Cross in the last war. If you were in uniform you recall the cigarettes, the soap and towels, the candy, magazines and writing paper that reached you wherever you lived, marched and fought. You remember the blood plasma that saved lives. If you were a civilian you remember the first aid courses, the nurse's aids, the Gray Ladies, the mobile units, the blood banks. Perhaps you yourself served in a Red Cross unit.

Now the Red Cross is preparing once more to take over all these vital emergency tasks. And this time it must also be fully ready to assist in the deadly serious job of evacuating, feeding, housing, and caring for the civilian population in the event of a direct enemy attack here at home.

In addition, the countless needed peacetime activities of the Red Cross must still go on: medical, recreational and welfare work for veterans . . . relief of those made homeless by floods, tornadoes and other disasters . . . the far-famed first aid training service that has saved tens of thousands from death by drowning and other accidents over a span of forty years . . . the Red Cross water safety program . . . the far-flung nursing service . . . and dozens of others.

Never before has the Red Cross been as important to you as it is right now. And never before has the Red Cross needed your help more than at this very moment. For this great program requires money. A lot of money.

This is the time of year when all Canadians are asked to give to the Red Cross . . . to contribute the dollars that make it possible for this mighty mercy organization to do its vital work.

We ask you to give generously. If possible, we hope you will double what you have given in previous years. The Red Cross has more than doubled its own load . . . by sharing that load in these desperately critical days you will sleep easier and safer at night.

RED CROSS VOLUNTEER NURSES' AIDES are taught many therapeutic and nursing procedures which not only relieve graduate nurses for more critical military and civilian nursing but raises the general health standard of the whole population.

THIS TRAINED RED CROSS WORKER is teaching a disabled veteran to do skilled work with an artificial hand, enabling him to become a self-supporting citizen. Materials and training for this program cost money. Your contribution helps.

RED CROSS VOLUNTEER NURSES' AIDES are trained to do many simpler hospital procedures formerly done by graduate nurses; this enables the scarce supply of nurses to be used far more effectively in the armed forces and at home; a vital contribution to the defense effort.

OBITUARY

Frederick L. Johns
Frederick L. Johns, a well-known and respected resident of the place, passed away at his home on Tuesday, February 27, following an illness of several months.

Born at Weymouth, he was a son of the late James W. Johns and Mary Ann Johns, and was 72 years old on his death.

Surviving him are four children: two sons, Charles B. Johns and John W. Johns, and two daughters, Myrtle E. Johns and Annie E. Johns.

Mr. Johns was a member of the United Church, and was a devoted member of the church until late fall, when illness prevented.

The funeral service was held from his late home on Thursday afternoon, March 1st, Rev. Ralph Knock officiating. Interment was in the family lot at Riverside Cemetery, Weymouth North.

Many expressions of sympathy, floral tributes, telegrams and cards of sympathy were received. Pallbearers were Walter Bliven and Merle Muller (nephews).

James W. Johns (grandson) and Newton Lewis.

M. L. Pitman and S. T. Hines, accountants of Yarmouth, spent three days last week at the office of E. M. Comeau & Sons Wood Box Factory.

The monthly business meeting of the Weymouth Branch of the Red Cross Society was held on Wednesday afternoon, February 28th.

All members who canvassed for the drive, now being held, were given material and other canvassers will be contacted by the chairman, Mr. Holder.

An evening session was held when quilting was done. This evening session is to be held whenever business meetings are held and will give an opportunity for those who cannot leave in the afternoon to participate in the Red Cross work.

The list of delegates Mrs. Wm. Hogan, who attended the annual meetings at Halifax, was heard at this meeting.

Meteghan
Mrs. Irene Keizer and Mrs. Regine Saunier visited their niece, Mrs. Irene Garrison, last week.

They also visited Mr. and Mrs. Harold Goudy, Yarmouth.

Rev. Father J. A. Comeau, of Caledonia, officiated at the Stella Maris Church on Sunday replacing our pastor, Rt. Rev. Mgr. Bourne, who had a severe attack of the grip which prevailed in our midst.

James Keizer, engineer on the Walter Sweeney boat Captain Wilson visited his parents, Mr. and Mrs. Dawson Keizer, after a voyage of a few months to Bermuda and New York, having returned to Yarmouth lately. He brought to his mother and sister, Vivian, souvenirs of jewelry.

Sorry to learn of the departure of our esteemed Bank Manager, Mr. L. C. Blum, of the Royal Bank of Canada here, who has been promoted elsewhere in Canada.

Sandy Cove

W.M.S. Meets

The March meeting of the W.M.S. of Sandy Cove was held at the home of Mrs. Blair Dakin on March 1st, 1951.

The worship service was led by the president, Mrs. Erdon Morehouse, who also presided over the meeting. The hymn "The Head That Once Was Worn With Thorns" opened the worship.

Mrs. O. H. Morehouse read a short poem which was followed by a Scripture reading. The blessing on the special Easter offering was then sung and Mrs. Harry Saunier read a poem by "Kneave".

The prayer was a special prayer for guidance which was followed by the singing of the hymn "Lean On O Lord Evermore". The supper which was served by the ladies who gave was very good.

After a short business session the hostess served refreshments which was followed by a sing song which brought the evening to a close.

NEW CAR FERRY

HERE is a section of the new 1987-88 bridge construction program between North Macedonia and Bulgaria. One of the largest of its type, the modern system will be the first bridge especially designed to meet the terms of a loan agreement provided by the New Commonwealth Development Fund.

BOLOGNA, MONDINI: there is no as-
sumption that the grape is all of
one variety, or that it would be
adapted to the area in which it
is to be grown. Varietal adapta-
tion of prime importance in the
ultimate yields obtained. In out-
puts in other vintages, the per-
formance of a variety depends
largely on the environmental con-
ditions under which it is grown
and a variety, which may be con-
sidered highyielding in one lo-
cality may perform very poorly
in another. A farmer, therefore,
is wise to choose for seed a
variety which has been proved to
be adapted to his own district.

Order Package Bees Soon

Those who wish to secure package bees are reminded by Ende, Karmo, Apiarist, that the time is getting short and that orders for bees should be forwarded to him at the Nova South Agricultural College, Texas, immediately. Orders are accepted but delivery any time between the first of April and the middle of May. Mr. Karmo has all the information in respect to the policy under which package bees are imported, so any interested person should contact him. Don't leave it too late.

Order Lime Before Price Change
Roads will soon be closing to heavy traffic, so any farmers who have been thinking about getting limestone for use this spring should order it right away. If immediate delivery is needed, no permit time is to be spread as soon as received, it can be stored and used later when time permits.

By the way, it's well to bear in mind that the present price of lime \$150 per ton in bulk car lots will hold only until April.

After that date, the new price will be \$200 per ton, if the European Union costs \$250 per ton, the price will be \$345 per ton. After the market opens, the price will be \$345 per ton and save money.

Observance of Education Week. The day was very interesting and instructive. The representatives gathered at the Board River East school and addressed the afternoon session. The teacher, Mrs. Lillian Boyle, welcomed the guests. She summarized the new teachers, the Junior and Grade 7, which was done very nicely. A very interesting talk was given by one of our new teachers, Miss Arthur Morrison (Mr. Audrey Pratt), on the difference between the education of years ago and the present time, and how very important it is to have a good education, and also know what one wants to do when leaving school. The meeting closed with the National Anthem.

Observe Education Week

Observance of Education Week opened interesting and instructive for representatives gathered in the Bear River East school on Wednesday afternoon.

The speaker, Mr. J. H. Duggan, welcomed the guests and commented on the importance of education in the community. He stated that education is the key to a better future and that it is the responsibility of the community to support and encourage it.

The meeting closed with the National Anthem.

NEW CANADIANS ARRIVE

Mostly persons who had escaped from Russian occupied countries. 231 immigrants left Halifax recently for Canadian National Railway's train to St. John's, across Canada. They arrived here in the S.S. "Windsor" from St. John's, Nfld., on Wednesday evening.

The immigrants, who are mostly from Poland, Czechoslovakia, and Hungary, are being housed in the local hotel.

OBITUARY

Adeline Mary Thomas

She entered into rest at Grand Manan on February 23rd. Adeline Mary Thomas, widow of John Thomas and daughter of the late Hayden and Barbara Cuppl.

Bear River East Home And School Meet

The Bear River East Home and School Association held its annual meeting on Wednesday evening at the local hotel.

The program was in keeping with the theme of the Home and School Association, which is to promote the welfare of the community and to encourage the cooperation of home and school.

The meeting was presided over by Mrs. Marshall, who gave a report on the work of the association during the past year.

Little River Lad Narrowly Escapes Drowning

Little Billy, a young lad of ten, was narrowly escaped drowning on Wednesday evening when he fell into the water while playing near the shore.

The lad was rescued by a group of boys who were playing nearby. They pulled him out of the water and brought him to the shore.

The lad is now recovering from his ordeal and is expected to be home in a few days.

GET READY TO DIG DOWN

Get ready for a boost in income. The Financial Post, a leading financial newspaper, is now offering a special subscription rate for its readers.

The subscription is available for a year at a special rate of \$10.00. This is a great value for a newspaper that provides valuable financial information and news.

Interested readers should contact the Financial Post at once to secure their subscription.

TWO SHIFTS FOR SCHOOL?

To save new construction and make better use of existing facilities, it is suggested that the school system consider a two-shift system.

This system would allow students to attend school in the morning or the afternoon, depending on their needs and schedules. This would help to reduce the overcrowding in schools and make more efficient use of the school building.

The school board is currently studying this proposal and will make a decision in the near future.

Province of Nova Scotia Closing of Public Highways

To All Whom It May Concern:

Take notice that under and by virtue of Sub-Section 1 of Section 7 of "The Public Highways Act", the Minister of Highways and Public Works deems it expedient and hereby orders that all public highways in the Province of Nova Scotia shall be closed as on and from March 9, 1951, until further notice to the following classes of traffic, namely:

- Traffic by any vehicle of a weight in excess of six thousand (6,000) pounds with or without load where such vehicle is equipped with two wheels on a single rear axle.
- Traffic by any vehicle of a weight in excess of eight thousand (8,000) pounds with or without load where such vehicle is equipped with four or more wheels on one or two rear axles.
- Traffic by any trailer with one axle of a weight in excess of four thousand (4,000) pounds with or without load.
- Traffic by any trailer with two axles of a weight in excess of six thousand (6,000) pounds with or without load.

MERRILL D. RAWDING,
Minister of Highways and Public Works,
Nova Scotia

Halifax, Nova Scotia,

Waldee East

A delightful surprise party was held at the home of Mr. and Mrs. C. Long on Saturday evening, March 10th, in honor of Mrs. Isabel Dukeshire, the occasion being her birthday anniversary.

There were four tables of 45 in all. First prizes were won by Mrs. Albert McKenna and Mr. Fred Boudreau. Included in the daily refreshments served was a lovely three tier birthday cake made and decorated by her daughter, Mrs. Long. Mrs. Dukeshire received a number of nice gifts.

John Burnell of Deep Brook visited Mr. and Mrs. James Robbins over the week end.

Mrs. Ira Dukeshire of Clementsport was an overnight guest of her sister, Mrs. Isabel Dukeshire, on March 10th.

School opened on March 9th after having been closed for two weeks due to the illness of our teacher, Mrs. James Robbins.

Paul Geyer Sr. visited Mr. and Mrs. Henry Raymond at Belle Isle and attended "Grassland Day" at Lawrencetown on March 9th.

Little Eddie Burrell of Clementsport is spending some time with his grandmother, Mrs. Isabel Dukeshire.

CHEAPER AND BETTER HOUSES

A group of U.S. technical experts claimed that Americans could be getting better homes today at from 25% to 40% less cost. The main reason they were not getting these better and much cheaper homes, they maintained, was because of enormous waste in materials due to general inefficiency in the home-building industry, irrational municipal building codes and featherbedding.

The present home, it was charged, used 50% more cement and cast iron pipe than is necessary and far more lumber, gypsum and steel. Foundations are unnecessarily deep. Houses are too far apart. There is far too little standardization of doors, window heights, etc. Building codes are much too complicated and require sometimes twice as much pipe, electrical wiring and other materials as would be sufficient.

Whether or not in Canada we are as wasteful in all these matters as is charged in the United States, comments The Financial Post, certainly we could benefit from a good, hard look at our home building here, too.

Bear River East

Raymond Sanford, who attends Oskedene School at Bear River, saw a red fox cross the road one day last week.

Mrs. D. F. Wagner received the sad news that her uncle Mr. Wallace Kottly, had passed away at his home in Kingston.

On Friday morning the Bookmobile called at the school house where so many go and select books. They are very welcome guests.

Monday evening, the U.E.M.S. met with Mrs. Robt. Gillett, at the parsonage. Several members, including the president, Mrs. Gordon Ruggles, attended. Lunch was served and a social hour followed.

About This and That

Easter Means Rebirth

It is significant that the two great festivals of the Christian Church should both commemorate the birth of Christ. Christmas celebrates His coming to earth and Easter His rebirth after having been claimed by death.

Birth is a beginning and rebirth a beginning again. Easter signifies that man can be reborn. Not only does it offer hope of life after death, it also gives mankind hope in this life. For the people of the earth can throw off the shackles of the past and go forward into the future with new confidence that the human race need not perish.

Forces of destruction have predominated so far in this twentieth century. Man has been educated, he has invented countless gadgets to make life easier for those who can afford them; he has put his machine space and brought the nations of the earth closer together; he has probed into the secrets of the universe and has learned how to use the power of atoms for warfare.

But man has not yet achieved the fundamental precept that unless he learns to live in peace with his fellow, all his clever gadgets and all his power will ultimately destroy him.

Man everywhere on earth has yet to be reborn; he has to change his attitudes, rethinking his very nature.

Instead of suspicion of his neighbors, he must learn trust; instead of using spies and propaganda, he must learn to use friendship and tolerance; he must learn to get along with his fellow men whose ideas and way of life may be different from his own. So important is this that the very future of civilization may depend on it.

The message of Easter—that forces of good will always conquer over the longer triumph over the powers of darkness—gives hope to every human being on earth who can hear it. What a pity it is that so many millions of people have no knowledge of the message that Christ brought to earth.

What can we do about it? We can at least make our own belief in Christianity more vital. Christians in Canada have tended to forget that this is a living religion, meaning a way of life that has been ever dated to Christ. Christianity has become so encrusted with doctrine and tradition and dogma that its fundamental truth has been hidden. What sort of a world would this be, if even in our country every person tried to follow the way of life taught by Christ? No one knows. It has never been done.

The rebirth of man to new sanity and new consciousness of his relation to his fellow men must start in the community. From there it must spread to the nation and hence to other nations.

It is not an easy thing to attempt to live up to the teachings of Christ. Easter would be a good time to start to try to do so.

Easter is a challenge to the Christians of the world. They and they alone can make it possible for humanity to survive. They must, through the example of their lives, show others how to live so that the forces of evil may, in time, be vanquished forever.

Mrs. Watson Peck, 100 Main St., N.S., a candidate for

Winner in Home Baking at Digby County Fair

Daughter's doing fine on home baking! And Mother's home baking is doing fine at the Fair! Yes, Mrs. Watson A. Peck can be proud of her record at the Digby County Fair—her yeast-raised baking gets prizes regularly. And on the subject of yeast, Mrs. Peck makes an important point. "Sure it takes lots of practice to make the finest home baking," she says. "But more than that, it takes the finest ingredients, too. For buns, rolls, and bread, you have to use a good, lively yeast or your results won't be up to snuff. I've used Fleischmann's Yeast for years. It's one yeast you can count on to have plenty of get-up-and-go."

No getting around it! Prize-winning cooks everywhere give credit for superb results to fast-rising, dependable Fleischmann's Yeast.

A decrease in infant mortality and childbirth and a marked reduction in maternity suffering has been reported as the result of the use of a new electronic instrument. This device, developed by Minneapolis-Honeywell engineers and in use at John's Hopkins and other hospitals, furnishes absolute indications whether or not the birth will be normal or abnormal in ample time for corrective measures to be taken.

WOODS FOR DEFENCE
 Wood occupies a key role in defence preparations. In two years of the Second World War, the Canadian Army, Navy and Air Force needed more than 2,000,000 wooden buildings, boxes, crates, and other supplies. As we gather in our Churches this Easter Morn and hearken to His Teachings, it is fitting that we project the symbol of His Resurrection to our own times . . . and that we resolve to follow Him not only on the Easter Holiday, but EVERY day. For paying heed to His words offers true hope for a world awakened to a new era of lasting peace . . . peace as He taught.
