To Hold Roll Call Service

Sunday, July 8th, will be a red-letter day in the life of the Baptist churches of Little River and Sandy Cove. It will be the Annual Roll Call Service. There will be three services, 10:30 a.m., 3:00 p.m., and at Sandy Cove in the evening at 7:30 o'clock.

The Guest Preacher for the day will be the Reverend Myron O. Brinton (above), B.A., B.D., Principal of The United Baptist Bible Training School, near Moncton, New Brunswick. Mr. Brinton is known as a great preacher and wonderful man from every point of view.

All members and friends of these churches are requested to attend these services where the fellowship of the day is the one great attraction. It is to be the annual get-together of the church family.

The minister of the church will conduct the services. He will be assisted by the Church Clerks, Mrs. B. M. Frost and Mrs. Floyd Jeffrey.

Dancing Pupils Make Hit

A capacity audience filled the Trinity Church Hall on Tuesday evening when once again the dancing pupils of Frances Peters gave a delightful performance. One of the most popular numbers, "As Time Goes By," showed the different dance styles through the years. Those taking part were Bonnie Wright, Ann Gilmore, Minuet, Sheila Robbins, Carol Robbins, Charlestown, Diana Mason, Sally Carson-Fox Trot, Nancy Sanford, Julia Smith-Jive.

The Tiny Tots gave out with "Mickey Mouse Mambo," by Gail Hersey, Patty Swiber, Patty Turnbull, Susan Morrell, Pam Wright, Joan White and Valerie Harris.

"Look Mom I'm Dancing" was another attractive number starring Beverly Kaulback, Carolyn Everett, Lina Baxter, Rosale Wambach, Cheryl Woolaver. An attractive ballet number done on pointes was danced by Nancy Sanford, Julia Smith and Patsy Potter. Solo numbers were by Elizabeth Peters and Beverly Robertson.

Visits Smith's Cove After 50 Years Absence

Mr. and Mrs. Donald A. Fraser of Salem, Conn., U. S. A., are guests at Mountain Gap Inn, Smith's Cove, Digby Co., for a few days this week. Mr. Fraser is a grandson of the late Arthur W. and Mrs. Vroom, and a cousin of Postmaster Robert J. Vroom, of Deep Brook, Anna, Co.

On Sunday Mr. and Mrs. Fraser attended the Deep Brook morning Baptist Church service, visited St. Edward's Church at Clementsport in the afternoon, and attended St. Matthew's Anglican service in the evening, where many years ago Mr. Fraser's grandmother was church organist. They also had a visit at the old homestead of Mr. Fraser's grandfather.

This is his first trip to Nova Scotia in 49 years and Mrs. Fraser's first visit to her husband's native province.

Mr. Fraser is U. S. Marshal for the district of Connecticut. On Monday they enjoyed a visit with Mr. and Mrs. R. J. Vroom. They were guests of honor at the home of Miss Evelyn Purdy on Monday evening, meeting old friends and relatives.

Consult thy everyday life; take its answer as to thy aims, motives, fondest purposes, and this oracle of years will put to flight all care for the world's glory or its crown.

DOMINION DAY FAIR SUCCESSFUL AFFAIR

Despite threatening weather throughout the weekend the Dominion Day celebrations in Digby were a tremendous success.

Starting with the gala ball on Thursday evening when Donna Holdsworth was crowned as Digby's first Scallop Queen, the celebration continued through Sunday evening when the massed choirs of the Digby churches with the band of HMCS Cornwallis led in the singing of hymns especially appropriate to Dominion Day at the ball park.

Guest speaker at the service at the ball park was the Rev. G. A. A. Beveridge, pastor of St. Mark's United Church in Lancaster, N. B., and presently serving as a chaplain with the Royal Canadian Navy.

Mr. Beveridge, who was introduced to the gathering by the Rev. James Brooks, gave a most inspiring and impressive address on the Dominion Day theme. He said that in these days of great prosperity when all was going so well for our country and its people we should humble ourselves before God without whose bounty none of these good things could be ours. In times of adversity, he said, it is not too difficult to be humble but when everything is going our way this is not such an easy task. This is the time, however, when we most need to be humble and to realize that not our own hand but the hand of God has gotten us the great benefits we claim as our own.

Following the Dominion Day service Sunday evening the band and guard of HMCS Cornwallis presented a Ceremonial Sunset. The overflow audience which filled the bleachers and lined the field were tremendously impressed with this service which reached its climax with the lowering of the flag and the playing of the National Anthem. Captain M. G. Stirling, Commanding Officer of HMCS Cornwallis, took the salute.

On Monday, due to the inclement weather, the Air-Sea Rescue demonstration, scheduled for the morning, had to be cancelled, to the keen disappointment of the many hundreds who gathered in town at an early hour to witness the event.

The parade, for which literally thousands lined the streets, was held according to schedule and featured the bands of HMCS Cornwallis and the RCA band from Halifax.

Prizes in the various classes were won by the Scallop Queen float for best float in the parade; the Digby Fire Department, most original; Zelma Rebekah Lodge, best decorated car; Canadian Legion, most representative; Turnbull Bros., best commercial; Just Married.

most comical; Weymouth Industries, Darling's Cabins, Banks' Nu-Way Market and the VON won the four miscellaneous prizes.

A feature of the afternoon's program which elicited great applause from the large audience which gathered at the ball park to witness it, was the physical training demonstration presented by HMCS Cornwallis. Some four hundred men of the navy participated in this striking display and gave a wonderful demonstration of precision drill in physical training, as well as an impressive display of gymnastics. They were accompanied by the Cornwallis band.

Following the physical training demonstration a baseball game was held between the Bear River Blue Sox and Digby Ravens. This was called because of rain with the Bear River squad having a wide lead.

The midway, always an attraction at any fair, operated in the Forum all afternoon and evening and all of the games and booths were kept busy with the crowds who milled about the arena. Supper was served by the Ladies' Auxiliary of the Canadian Legion and many availed themselves of the opportunity to partake of this meal.

A highlight of the evening program was the midge wrestling which was scheduled for ten o'clock but for which crowds began to fill the grandstand after the supper hour.

Just before the wrestling program Mayor Gordon Turnbull presented to Miss Donna Holdsworth, Digby's first Scallop Queen, a beautiful silver cup which will be a trophy awarded over the years to each succeeding Scallop Queen. Mayor Turnbull also paid tribute to Ralph Wright, general manager of the Dominion Day celebrations for the excellent program that was presented. He also expressed thanks to Captain Stirling and Lt. Taylor of HMCS Cornwallis for the splendid cooperation given the celebration by the naval base. Mr. Wright also expressed his thanks to all the organizations of the town which had so willingly cooperated to make the celebrations a success. He, too, thanked Captain Stirling and the officers and men of the Cornwallis naval base for the fine cooperation shown by them in providing so much assistance in the carrying out of the fair.

The midge wrestling provided great entertainment for the huge crowd that witnessed it and the antics of the wrestlers elicited both praise and condemnation from partisans in the audience who early in each bout picked their favorites.

DONNA HOLDSWORTH FIRST SCALLOP QUEEN

Donna Holdsworth, seventeen year old blonde, was last Thursday night crowned as Digby's first Scallop Queen after having been chosen from among seventeen contestants at a gala ball, held at the Hotel Champlain to mark the opening of the Dominion Day celebrations here.

A student at the Digby Regional High School, Miss Holdsworth is the daughter of Mr. and Mrs. Reginald Holdsworth of Digby.

Judges for last night's Scallop Queen contest were Mr. and Mrs. Howard Walker of the Digby Pines Hotel and Mrs. A. D. Cronin of Boston. The crowning ceremonies were performed by Victor Cardoza, MLA for Digby. After receiving her crown Miss Holdsworth said

she would strive to be worthy of the great honour conferred upon her and thanked everyone for their encouragement and support.

Prior to the ball a reception was held for the contestants and their escorts in the hotel dining room. This was also attended by the contest judges, heads of various town organizations and their wives and other civic dignitaries.

The music for the ball, which was attended by an overflow crowd, was provided by the Troubadors Orchestra of Annapolis. Master of ceremonies was James P. Richards.

Chosen as Miss Holdsworth's attendants were Miss Janice Winchester and Miss Faye Co-meneu.

To Mark Silver Jubilee

The Digby Kiwanis Club will mark its silver jubilee, marking twenty-five years of active organization, here on July 7 with a gala inter-club luncheon at the Digby Pines Hotel.

Ten Kiwanis Clubs, including Halifax, Saint John, Lancaster and others will participate in the meeting which will be attended also by the Kiwanis Queens.

Juveniles Apprehended

Town police Tuesday evening apprehended two juveniles responsible for a break into Van's Grocery at the south end of town Monday afternoon.

It is understood the two youths, one of whom was also involved in an earlier break, took police to a hiding place near the store where most of the stolen goods were recovered. Included in the loot were a quantity of boxes of chocolates, cigarettes, soap, canned goods and other articles.

so been planned including a concert for the Kiwanis male quartets of Mr. and Mrs. Robert Gray

A "Man Bites Dog" Story

A story with a twist to it almost as good as the proverbial "man bites dog" yarn that is supposed to be real news happened in Digby over the weekend.

According to reliable sources the story went something like this — two young men had the misfortune to ditch their car, a small English model. Because of some damage to the exterior of the car it was towed to a garage in Digby where it was left standing in front of the garage while the repairs were planned.

For some reason or other the police were taking a close interest in the activities of the two young men and while the strong arm of the law went to a telephone in the garage the men decided discretion was the better part of valour and jumped into their car for a hasty departure.

What they did not take into account, however, was the fact their car was still firmly attached to the tow truck, which was standing inside the garage, by a cable. This did not seem to daunt the driver of the little English car, though, and he started to drive merrily away.

The little car had hardly started, however, when the tow rope tightened up and the tow truck came sailing backward out of the garage. On its reverse flight the truck caught the uprights between the large garage doors and brought the front of the garage down on it.

The weight of the garage doors crashing down on the truck halted both it and the little English car in its flight and the occupants had no choice but to stay and discuss their sorry plight with the law.

Society Of Friends Active

On Friday evening the Society of Friends, Joggins Bridge, were pleasantly entertained at the home of Mr. and Mrs. Guy Thomas at Marshalltown. The president, Dr. Dorothea Leighton, was welcomed back after an absence of a few months, and resumed office in her usual efficient manner.

The business period was mostly devoted to discussion of plans for a booth at the forthcoming Hospital Fair. The committee in charge reported on distribution of school prizes, the club having voted \$10.00 for that purpose.

A social time followed, when Mrs. Thomas was assisted by her daughter, Mrs. Thomas Ritchie, of Winnipeg, and refreshment committee, in serving a bountiful lunch.

Mrs. William Burgess, of Belmont, Mass., and Mrs. Horace Hamlin, of Norfolk, Mass., were welcomed back again.

Honored At Reception

Mr. and Mrs. Harold Prosser (nee Florence Baxter, Digby), returned to Halifax last Thursday after spending two weeks at the home of Mrs. Prosser's sister, Mrs. Murray Kaulback. Prior to their visit in Digby, Mr. and Mrs. Prosser spent two weeks in Ontario visiting with his parents, Mr. and Mrs. Harry Prosser, at New Lowell, and other relatives in Ontario.

While there they were guests at a reception held in their honor at the New Lowell hall, where, on behalf of their many friends and relatives, Mr. Norman Nevils presented Mr. and Mrs. Prosser with a beautiful chest of Community silverware and a travelling case. There were over one hundred and fifty present for the occasion.

This was Mr. and Mrs. Prosser's first visit to his home since their marriage which took place last December 2nd at HMCS Shearwater, Dartmouth.

Memorial Service At Tiverton

On Sunday, June 30th, a memorial service in honor of two young men of Tiverton, Ivan Prime and Andrew Elliott, who met a tragic death by drowning on June 8, was held in the Disciple Church, with Rev. J. W. Derby officiating, assisted by Rev. Eric Miner.

During the service the hymn "Unto The Hills" by the male choir, a solo, "Beyond The Sunset," and a quartette, "Sleep On Dear Brothers," were sung. The church was filled to capacity with relatives and friends, many from Freeport, Central Grove, Sandy Cove and other towns. Baskets of flowers were many and very beautiful.

At the close of the service members of the Masonic Lodge, I.O.O.F. and Legion, went to the breakwater where wreaths of flowers were cast on the water in memory of their late brothers.

Egg Has Letter "C"

Digby, N. S., July 3rd, 1956.

Editor Digby Courier, Digby, N. S.

Dear Mrs. Wallis:— Yesterday when I went to gather my eggs I found a rather large egg in the nest with the letter "C" on it. I have had so much trouble and disappointment in the past I do hope this doesn't mean more. First I thought the letter "C" for Christ and "C" also for the coming of Christ again to this world. Then the election they say is to be in the fall or spring. "C" could also be for "Cardoza" and "Conservative" too. So please someone try to answer my riddle for me.

N. S. BARRISTERS HOLD ANNUAL MEET HERE

A. G. Cooper, Q.C., of Halifax, was elected President of the Nova Scotia Barrister's Society at the closing business session of the annual meeting at the Digby Pines Hotel here Saturday morning.

Mr. Cooper succeeds P. L. Judge, Q.C., of Yarmouth, who presided over the affairs of the Society for the past year.

Other officers elected at the morning session include G. S. Cowan, Q.C., Halifax, 1st Vice-President, and C. R. Coughlan, Q.C., Bridgewater, 2nd Vice-President. The Nominating Committee, headed by C. P. Bethune, Q.C., Halifax, recommended that T. K. Bentley of Halifax, be re-appointed as Secretary-Treasurer of the Society and the recommendation was adopted.

Council members elected included for the first time in the Society's history two lady members. These are Mrs. Jean C. MacPherson who will represent Antigonish and Mrs. Barbara Hughes, representing Hants. Other Council members elected include R. A. Ritchie, Q.C., R. J. Finn, Q.C., I. M. MacKeigan, Q.C., P. J. O'Hearn, John Willis and Byron Hatfield, Halifax; J. D. Orlando, Annapolis; C. M. Rosenblum, Q.C., S. J. Khattar, Q.C., Cape Breton; F. A. Patterson, Q.C., Colchester; T. A. Giles, Cumberland; M. S. Leonard, Digby; A. W. Cameron, Q.C., Guysboro; David Waterbury, Kings; G. H. Williams, Inverness; A. L. Thurlow, Q.C., Lunenburg; A. M. MacIntosh, Pictou; L. L. Clements, Queens; E. W. Urquhart, Richmond; J. M. Harding, Shelburne; R. F. Hudson, Victoria; D. J. Fraser, Yarmouth.

K. S. Smith, of Halifax, was re-elected to the Court House Commission and A. Y. MacDonald, Q.C., re-named to represent the Attorney General. Dean H. E. Read, Q.C., will represent Dalhousie Law School on the Council.

At the business session there was considerable discussion regarding the establishing of closer ties with the Canadian Bar Association. Col. P. P. Hutchison, President of that association, stated local opinion on federal legislation should be made known through the provincial society to the Canadian Bar Association so that the association might be able to more correctly gauge opinion across the country concerning matters affecting Dominion law.

A comprehensive review of assessment law and practise in Nova Scotia, Mr. Coughlan said as long ago as 1833

Nova Scotia was given at Friday morning's session of the annual meeting of the Nova Scotia Barristers' Society by C. R. Coughlan, Q.C., Town Solicitor of Bridgewater.

In a paper delivered before the barristers at their morning session at the Digby Pines Hotel, Mr. Coughlan stated that under modern conditions both taxing units and tax payers are entitled to an efficient and fair assessment. He said that on the one hand there is the necessity for equal assumption of the expenses of civic government, and on the other hand the taxpayers must be guaranteed against discrimination.

Mr. Coughlan said that the machinery by which this result is to be achieved is the product of a much earlier and simpler day. Until an Act is passed authorizing assessing methods such as valuation of land separate from buildings thereon, he said, and making it absolutely clear that a taxpayer may seek relief from discrimination without assuming the insuperable task of seeking an upward himself of all other assessments he claims are too low in relation to his own, then the members of the legal profession should watch with a wary eye the work being done by people who are using this ancient tool to build their modern structure.

Speaking on valuations used in assessment in Nova Scotia, Mr. Coughlan said it seemed to be a reasonable conclusion that the statute in this province neither requires nor excludes any specific formula for measuring "actual cash value". He said, however, that such factors as reproduction cost less depreciation, rental income, purchase price, comparable sales, location and adaptability are all proper elements for consideration where the ultimate fact sought is that which the statute describes as "actual cash value". The weight to be given any of such basis to the exclusion of all others, he said, will depend entirely upon the common sense and discretion of the assessor and upon the facts of the particular assessment. Further, he said, the use to which the real property is devoted or the profit made therefrom can enter the assessment at least in the case where the building is still being used for the purpose of its construction.

Tracing the history of assessment in Nova Scotia, Mr. Coughlan said that as long ago as 1833

Addresses Kiwanians

Rev. William Armitage, pastor of the Weymouth United Church, was guest speaker at the regular weekly supper meeting of the Digby Kiwanis Club.

A former member of the Metropolitan Police Force in London, England, Mr. Armitage gave a most interesting address, tracing the history of the police force in London from its inception under Sir Robert Peel to the present.

Over the years, Mr. Armitage said, the police force in England has developed such a regard from the public that by and large the laws of the land and the authority of the police are respected. He said that consistently the police in England had refused to carry firearms and he said any move to have them do this would be met with great resistance from the police who depend on the respect in which they are held for the enforcement of the law. They do, however, he said, carry nightsticks which are used when the occasion demands.

When a policeman in England makes an arrest, Mr. Armitage said, he does so on his own responsibility and he must be completely satisfied that such an arrest is justified. The police are trained, he said, to remember always they are there to protect and assist the public and all their actions are motivated by that desire.

A great work of the English police, he said, was to keep youngsters from becoming involved with the law and much of their efforts are in this direction. In this, he said, the cooperation of parents, the church, service clubs and other like organizations is needed. We must develop in our youth a healthy respect for the law and for authority, he stated. By so doing we will accomplish much in the fight against juvenile delinquency.

Mr. Armitage was introduced by Rev. Dr. T. W. Hodgson and thanks were expressed by M. S. Leonard.

D.F.D. Activities

Practically the whole of last week was spent in preparing for the July 2nd parade. Included in the activities was the decorating of the Ice Carnival float, as well as the Scallop Queen float. The Queen's float was prepared on very short notice which meant that the whole thing had to be done commencing Friday evening. This float was not what it should have been, however the fact that the judges considered it one of the best was commendable of the work done.

Appreciation is expressed to everyone who assisted in any way to make the parade a success although things were dampened by rain in the morning and just prior to the actual start of the parade. The Department also escorted four Digby floats to Weymouth at 8 a.m. on Monday which encountered rain and a few difficulties but still made a showing in the parade there. They returned in time for our parade here at 2 p.m.

The new fire alarm has now been completed and tests are now being made to determine if the system has full coverage.

There has been one alarm during the week—a fire in a shed at Dr. McCleave's.

Miss Elva Bremner left on the C.P.S. Princess Helene to take up her position with the Civil Service at Ottawa. She was accompanied by Miss Frances Gidney and Miss Eva Jefferson, who also are employed with the Civil Service at Ottawa.

Mrs. Reginald Weir returned last week from New York and Toronto where she motored to the staff of the Bank of Nova Scotia in New York. From Toronto Mrs. Weir and "Ted" were accompanied by Mrs. George Weir and daughter, Miss Kathryn Weir. Miss Weir visited her mother, who is spending the summer at her home in Shatt's Cove.

Married In Moose Jaw

Shown above are Mr. and Mrs. Stanley H. VanTassel, who were married recently in Moose Jaw. Mrs. VanTassel is the former Yvonne Hilda Gray, daughter of Moose Jaw. The groom is the son of Harold and the late Mrs. VanTassel of Digby. They will make their home in Moose Jaw following a visit to Digby.

GOVERNOR GENERAL WELCOMED TO DIGBY

The Rt. Hon. Vincent Massey, Governor General of Canada, and his party, were welcomed last Thursday on their first visit to Digby.

The Vice-Regal party arrived in Digby by special train from Yarmouth and were met at the train by an official welcoming party consisting of Mayor Gordon Turnbull, Deputy Mayor Norman Wright, Victor Cardoza, MLA, and School Board Chairman Dr. McCleave.

The Governor General then inspected a Royal guard from HMCS Cornwallis, which was drawn up on the street facing the station. Following the inspection a welcome address to His Excellency was given by Mayor Turnbull.

In his reply the Governor General stated he had come close to Digby last year on a visit to Annapolis Royal and was determined to come back and pay the people of Digby a visit. He observed the town was named for the Admiral who brought here a convoy of Loyalist settlers in 1783 and said that although these settlers had undergone severe hardships, their courage and determination to remain under the British Crown had made them persevere.

Mayor Turnbull, on behalf of the Town, made a presentation of a lovely coloured picture of Digby Gap to the Governor General. In expressing his appreciation for the gift His Excellency said it would always serve as a reminder of a most pleasant and enjoyable visit to the town of Digby.

Following the official welcoming ceremonies at the station the Governor General and his party and civic officials travelled by motorcade to the Digby

Regional High School where His Excellency chatted with a number of the pupils.

On his way to the school the Governor General stopped at the Nova Scotia Bureau of Information where he signed the Visitors' Book. He complimented Miss Daley and Mrs. Lent, of the Bureau, on their work and said the Bureau was the nicest and had the loveliest location of any he had visited.

At the school His Excellency observed that a number of the pupils with whom he chatted had just completed writing a provincial examination. He said that he wished it was within his power to grant them all high marks but, since that was not possible, he wished them all success in their endeavours.

Following the visit to the school the motorcade continued on to the Digby Pines Hotel where the Governor General inspected the Boy Scouts and Wolf Cubs of the area. He was accompanied on his inspection by Area Scout Commissioner N. D. Wright.

After the inspection of the Scouts and Cubs the Governor General and his party proceeded to the Pines Hotel where they were guests of the Mayor and Council of the Town of Digby at an afternoon tea and reception. Pouring for the tea were Mrs. J. R. McCleave and Mrs. J. W. Christie. During the tea the Governor General cut a traditional manner a beautiful cake decorated as the Flag of Nova Scotia.

At the official welcoming ceremonies at the station a lovely bouquet was presented to Mrs. Lionel Massey by five year old Barbara Black, daughter of the Councillor D. G. Black and Mrs. Black.

Rossway School Closes

The closing exercises of the Rossway school were held on Monday afternoon in the school house with several parents and visitors attending.

The programme opened by a song by several boys and girls, followed by several recitations and readings. Before the close a farewell address on behalf of the school to the teacher, Mrs. Riordan, and fellow pupils, was delivered by Miss Nancy Williams. Incidentally, Nancy will shortly be leaving with her parents for Alaska. This address was then followed by the presentation of prizes, given by the Home & School Association to the pupil or pupils doing the best work in their grades. Mrs. Waters Comeau presented the money prizes to the first three grades, and Mrs. John McBride

to grades four and five.

Winning prizes were Joanne Thibault and Gail Mullen, grade 1; Lesland Lewis and Sharon Hersey, grade 2; Wendell Prime, grade 3; Sharon Raymond, grade 4; Mary Thibault and Randall Prime, grade 5. A citizenship prize was also given by the Home & School. This went to Carol McBride in grade 6.

Mrs. Riordan then presented a prize to the best reader in the school, which went to Sharon Raymond, and two prizes to the pupils who did the best work through all the year. These went to Mary Thibault and Randall Prime.

The exercises closed by singing "The Queen".

MARRIAGES

Amiraute — Overton

A beautiful wedding ceremony and nuptial mass took place at the Chapel of St. John the Baptist, Chateau de Mercy, Metz, France, in a setting of white and mauve lilacs, on May 19, when LAW Doreen Frances, daughter of Mr. and Mrs. Charles Overton, of B. C., became the bride of Cpl. Harley Edward (Bud) Amiraute, son of Mr. and Mrs. Harley Amiraute, Gilbert's Cove, N. S.

The bride was given in marriage by F/L Davis, Squadron C.O. She was lovely in her ballerina gown of white paper silk and chantilly lace with matching headpiece and fingertip veil. With her white miasal, a gift of her parents, she carried two white orchids arranged in net and long streamers of white satin ribbon.

Her bridesmaid, Marie Desjardins, of Victoria, Sask., was attractively attired in pink silk and net with small headpiece of the same shade. She carried a colonial bouquet of pink and white carnations with a rosebud centre.

The groom was attended as best man by Donald A. Lakatos, a friend and fellow member of the RCAF. Rev. J. Zeiter, RCAF padre, officiated at the ceremony.

A large number of friends gathered at a reception in their honour immediately following the ceremony. A buffet style luncheon was served. The table was centred by a 5 tier wedding cake, flanked by 2 candelabra of 3 candles on each side. Artistic arrangements of pink and white carnations and streamers created a colorful setting for the occasion. A 4 piece orchestra was in attendance. Following toasts, cables from relatives in Canada were read by F/L Davis.

The happy couple are honeymooning in Monte Carlo on the French Riviera.

For travelling the bride chose a turquoise suit with white accessories and wore a corsage of yellow roses.

They will reside presently in Metz, France, where the groom is stationed.

The civil marriage ceremony was performed by the Mayor of Metz.

Mr. and Mrs. Amiraute have the best wishes of their many friends in Eastern and Western Canada.

Butler — Jackson

A charming wedding took place in Bridgetown on the patio of the residence of Mr. and Mrs. William A. Moir when Marjorie Marie, daughter of Mr. and Mrs. Frederick H. Jackson, Bridgetown, became the bride of John Uree Butler, son of Professor and Mrs. R. E. Butler, Bristol, Tennessee. The double ring ceremony was performed by Rev. A. G. Robertson, of Kingston, N. S.

The bride, given in marriage by her father, wore a ballerina length gown of white tulle and chantilly lace over bridal satin with a fitted lace bodice, Chinese neck and long tapering sleeves. The skirt of the gown was fashioned in bouffant tiers of lace and she carried a bouquet of American beauty roses.

Matron of honor was the bride's sister, Miss Sylvia Anne Jackson, and best man was Donald Stephen Jackson, the bride's brother.

Following the ceremony, a reception was held on the lawn of the Moir home for 100 guests.

The couple left on a honeymoon to Bermuda and upon their return will reside in Bedford, Mass.

Miss Jackson was well known in Digby where she was secretary at the Psychiatric Clinic.

OBITUARY

Mary Laura Theriault
The death of Mary Laura Theriault, wife of James William Theriault, of Digby, occurred late last Wednesday evening after a lengthy illness. She was 66 years of age and was the daughter of the late Mr. and Mrs. Louis LeBlanc, of Comeauville.

Besides her husband, she is survived by three daughters, Mary (Mrs. William H. Eldridge), Digby, Margaret (Mrs. Alex Wentzell), Digby, and Esther (Mrs. William Ellis), Clementsport. A son, Flying Officer Louis Theriault, was killed in 1944 while serving overseas with the RCAF. Two brothers, William and Desire LeBlanc, of Comeauville, survive also as do two sisters, Mrs. George Mulse, Digby, and Mrs. Stewart Hutchins, Lynn, Mass.

Requiem High Mass for Mrs. Theriault was held on Friday morning at nine o'clock in St. Patrick's Church here. Interment was in the Roman Catholic cemetery in Digby.

N. S. BARRISTERS

(Continued from page 1)

the assessor in Nova Scotia had the right to make his own valuation. The law at that time read, he said, "All real and personal property liable to taxation shall be estimated at its full value, in the same manner in which they would appraise the same in payment of a debt due from a solvent debtor".

He said no change appeared until the 4th series of the Revised Statutes when the words, "actual cash value", were introduced. In the Acts of 1888 there were added the words, "such value being the amount which in the opinion of the assessors it would realize in cash if offered at auction after reasonable notice". The principle of comparison with other like properties was not introduced until 1931, he said. In 1934 an effort to bring about some degree of uniformity in assessment was made by amending the Act and inserting the words, "so as to ensure that taxation shall fall in a uniform manner upon all real property in the Town or Municipality...".

This amendment, he said, indicates an intention to make uniformity of assessment as the required end result of valuation but he said he felt this intention could have been more clearly expressed. Mr. Coughlan questioned the possibility of securing uniformity without a standard of measurement and said that in Nova Scotia the use of any specific formula for measuring value was neither required nor excluded under the Act.

The second paper delivered at Friday morning's session was given by Donald G. Grant, Halifax, General Manager of the Nova Scotia Trust Co., and President of the Trust Companies Association of Canada.

In his address Mr. Grant dealt with the subject of the lawyer and the trust officer and stated it was his opinion the lawyer and trust officer could cooperate not only to their mutual advantage but also to the advantage of the public. He stated he felt there could be no question of the fact there was room for better understanding between lawyer and trust officer or Trust Company and said he hoped his remarks would serve to strengthen the relationships between two important segments of business and professional life.

Following the address by Mr. Grant a short business session, presided over by P. L. Judge, Q.C., of Yarmouth, was held. The barristers then adjourned for lunch and in the afternoon enjoyed golfing, fishing and other activities.

Guest speaker at the banquet session Friday evening was Col. Paul P. Hutchinson, President of the Canadian Bar Association. Introduced by H. P. McKee, of Halifax, Col. Hutchinson told of work done by the Canadian Bar Association over the past ten years. He stated many of the reforms in the law which have come about in that period came as a result of efforts made by the Bar Association.

Mr. and Mrs. Bain Thompson, of Norfolk, Virginia, arrived on Friday and are occupying the home of Mrs. Dora Thomas until fall when they will move into their new home.

Mr. and Mrs. Jamie Nichols and Susan were weekend guests of Mr. and Mrs. Carl Nichols. They were accompanied on their return to Truro by Miss Ruth Nichols. Ruth will attend Mount Allison for a week and from there she goes to Pictou.

Mrs. Dora Thomas is visiting Mrs. Ora Rice in Clementsport for a few days.

Guests at the Croscup home for the weekend were Mrs. Jack Carr, son Robert's daughters, Chris and Terri Lynn, also Miss Jessie Dunphy, Miss Joanne Kirby, Mr. Albert Laham, Bernard Ryan, of RCAF Station Greenwood.

The lucky winner of the quilt from the Neighbourly Club was Mrs. William Hall, Deep Brook.

The Neighbourly Club held a pantry sale on Saturday, June 30, at the church hall. The sum of \$30.00 was realized.

If mankind had wished for what is right, they might have had it long ago. — William Hazlitt.

Discerning the rights of man, we cannot fail to foresee the doom of all oppression. Slavery is not the legitimate state of man. God made man free. — Mary Baker Eddy.

GIVE DANCE RECITAL. A delightful dance recital was presented in St. Joseph's Hall on Friday evening by the pupils of Mrs. Frances Peters. Groups and solo numbers were well performed by the Weymouth and Belliveau's Cove groups, and special dance routines were given by a number of Digby pupils.

Special numbers were given by Bonnie Wright and Julie Peters, doing "Alabama Bound," and Patsy Potter and Julie Smith, doing a ballet number, both of these having recently been danced by them on CHSJ-TV.

Mrs. Peters has been teaching for two years at Belliveau's Cove and for the past year in Weymouth. Both Mrs. Peters and her pupils are to be congratulated on the splendid performance.

Obstacles are these frightful things you see when you take your eyes off the goal. — Hannah More.

MARRIAGES

FitzGerald — Burton

A lovely wedding was solemnized at St. Thomas' Church, Weymouth, on Saturday, June 23, at 3 o'clock, when Iris Barbara, youngest daughter of Mr. and Mrs. Henry Burton, was united in marriage to Carl Joseph FitzGerald, eldest son of Mr. and Mrs. Allan FitzGerald, of Mount Carmel, Newfoundland.

The bride looked radiant as she entered the church on the arm of her father. She wore a floor length gown of white satin with long tapered sleeves, a lace yoke and circular cut penguins. The bodice of the gown was fitted on a full skirt and her finger-tip veil was held in place by a seed pearl heart-shaped tiara. She carried a bouquet of red roses and fern.

Mrs. Scott Cosman, sister of the bride, was matron of honor and looked charming in a floor length dress of blue satin with which she wore a Mary Queen of Scots halo of the same color as her dress and carried a bouquet of mixed flowers.

Mrs. Jack Burton, sister-in-law of the bride, was also an attendant and was attired similarly to Mrs. Cosman.

Miss Arlene Dugas, friend of the couple, was bridesmaid and chose a floor length gown of Nile green taffeta with Mary Queen of Scots halo to match her dress, and also carried a bouquet of mixed flowers.

Miss Jeanette MacDonald, niece of the bride, acted as junior bridesmaid and wore a floor length gown of rose satin with her Mary Queen of Scots halo being of the same shade. She carried a bouquet of mixed flowers. All attendants wore pearl necklaces and white nylon gloves.

Anita and June Cosman, nieces of the bride, were charming flower girls with identical floor length gowns of mauve organza and bandeaux of the same color. They carried nosegays of orange blossoms and pansies.

Gordon MacDonald, nephew of the bride, was ring bearer, and Jack Burton, brother of the bride, supported the groom. Both the groom and best man were attired in their uniforms of the RCN and RCA, respectively. Ushers were Ivan Burton, Scott Cosman and Bob MacDonald.

The church was decorated with lilac and fern and the guest pews marked with white ribbon and Union Jacks. Mrs. Lallah Marshall presided at the organ.

Following the ceremony a reception was held at the home of the bride's parents for about 80 guests. The bride's table was decorated with white linen and centered with a lovely three-tiered wedding cake made by Mrs. Gus Melanson, of Plympton, and flanked with long white tapers in silver holders. A toast to the bride was given by Rev. D. F. L. Trivett to which the groom responded.

The bride's mother wore a dress of white nylon with navy dots and accessories of white and navy. Her corsage was of red roses. Miss Rae Hurburt, of Yarmouth, was in charge of the guest book.

The happy couple left for a trip around the South Shore. For travelling the bride chose a suit of pale blue with white and pink accessories. Her corsage was of pink carnations.

The bride's bouquet and her attendants' bouquets were later placed on the grave of the bride's sister, June.

Parnell — Hill

A pretty wedding was solemnized at the Church of Christ, Weymouth, N. S., at 3 p.m. Saturday, June 16, when Viola Marie, daughter of Mr. and Mrs. Forest W. Hill, South Range, became the bride of Gerald Edgar, son of Mr. and Mrs. Charles Parnell, Halifax, N. S.

Rev. R. M. Johnson officiated at the double ring ceremony, assisted by Rev. J. A. Carr. Mrs. Frank Lewis was the organist and Miss Gladys Parnell, sister of the groom, was soloist.

The bride, given in marriage by her father, looked lovely in a ballerina length gown of white imported nylon tulle over a foundation of taffeta. The gown was made with lace inserts in a fitted bodice and bouffant skirt. Her jacket was of chantilly lace with long pointed sleeves and her finger-tip veil was of nylon tulle with lace trim, held in place by a pearl studded tiara. She carried a bouquet of red sweetheart roses and white stephanotis.

The maid of honor, Miss Arlene Hill, sister of the bride, wore a gown of yellow nylon net over taffeta with matching headpiece and carried a bouquet of yellow and bronze plums. The bride was attended by her sister, Miss Donna Hill, as junior bridesmaid and wore a gown of mauve taffeta with matching headpiece and carried a bouquet of mauve and yellow plums.

Desmond Parnell, brother of the groom, attended him as best man, and ushers were Eldred Marshall and Jim MacKichan.

Large Crowds Attend OBITUARIES

Weymouth Day

In spite of inclement weather it is estimated that the Weymouth Day proceedings sponsored by the Weymouth Branch Canadian Legion was witnessed by one of the largest crowds in the history of this day.

The parade, with which the proceedings were opened, started at 9:30 a.m. and marched through the town to the athletic field where a midway had been previously set up. The band from HMCS Cornwallis followed by an armed guard also followed by Cornwallis naval base. Next came the various floats with an Artillery band from the Halifax in the rear. Before the parade reached its destination the heavens opened up with one of the heaviest of showers, causing damage to band instruments, floats, and a great deal of damage to the canteens. A number of floats were unable to enter the parade due to the high winds of the previous night. These floats were assembled out of doors and were in ruins by morning.

Following several showers the weather cleared and the rest of the day things straightened out and patronage was good.

It is a regret to the management that the Cornwallis and Halifax bands were caught in this storm. They express their appreciation to all who helped in any way with the success of the day and especially to the Digby folk for their grand cooperation. Weymouth floats were unable to enter the Digby parade due to the ruin caused by the rain.

The following are prize winners:

Most Original Commercial—1st, Weymouth Steadman Store; 2nd, Jones Bottling; 3rd, Weymouth Industries.

Non Commercial—1st, Weymouth Youth Centre (Fathers of Confederation); 2nd, Weymouth Cancer Unit; 3rd, Delby Comeau's "Bluehouse."

Best Decorated—1st, Double Cola; 2nd, Digby Fire Dept.; 3rd, Digby Co. Hydro.

A prize also went to Vincent LeBlanc for his decorated bicycle.

During the afternoon and evening an amateur show, bingo and films were shown, lunches served and the usual midway booths were running. The proceedings at the field ended at 10 p.m. with a display of fireworks, and was followed by a dance held in the Legion Hall.

Attending Conference

Rev. John A. Carr, of Weymouth, is attending the All-Canada Planning Conference of the Churches of Christ (Disciples) at the Disciples Conference Grounds, Sweets Corners, Ont.

Rev. Mr. Carr is among representatives from eight provinces. The Conference opened on June 24th and closed at noon Saturday, June 30. It is the first such meeting of this Church in Canada. Christian Education, Stewardship, Evangelism, and the Ministry were items discussed in committee sessions.

Leaders from Churches of Christ across Canada led the committee sessions and resource persons from the Disciples of Christ in the U. S. A. were in attendance.

bride, wore a midnight blue dress with white accessories and a corsage of pink carnations.

The groom's mother, Mrs. Parnell, wore a rose beige dress with navy accessories and a corsage of pink carnations.

After the ceremony a reception was held at the Goodwin Hotel. Rev. R. M. Johnston proposed the toast to the bride.

For travelling the bride wore a powder blue box style suit with white accessories.

Following, a wedding trip through the United States, the couple will reside in Halifax.

Special Service At Sandy Cove

Paul E. Morse

Word has been received by relatives of the death of Paul E. Morse, 92, Berkeley, California, on June 14. Born in Nova Scotia, Mr. Morse was the son of the late Dow I. and Jane (MacDormand) Morse, of Bear River, and early in the century went to California. During World War I he was works manager for the Union Construction Co., Oakland, which built ships.

For many years Mr. Morse was construction engineer with the Yuba Manufacturing Co. in San Francisco, specializing in the construction of dredges for mining gold and tin. In the course of this work he travelled to the Malay States, the Philippines, Nome and Fairbanks in Alaska and through America's western states.

He was a member of Day Star Lodge, 798, AF & AM, of Brooklyn, N. Y.

His wife, the former Eva J. Elsemann, predeceased him by nine years.

His survivors include a daughter, Mrs. G. Raymond Oliver, Berkeley; Mrs. Fred J. Dittmar, formerly of Bear River, now residing in Grand Bay, N. B.; and two granddaughters, V. M. Dittmar, Fredericton, N. B., is a nephew and the late E. P. Morse, Clementsport, was a brother.

Funeral services were held in Truman's Telegraph Ave. chapel under Masonic auspices.

George Douglas

George Douglas passed away at his home in Bear River East on Saturday afternoon after a short illness, only confined to his bed the past week. He was 87 years of age.

Mr. Douglas was born at Bear River East and was a son of the late Mr. and Mrs. Thomas Douglas. An only brother, Ralph, predeceased him two and a half years ago. Since that time his cousin, Mrs. Harry Vroom, and Mr. Vroom have resided with him and cared for him during his illness.

Of a kind disposition, his passing will be felt by his many friends.

The funeral service was held on Monday afternoon at 2 p.m. from the Bear River East United Church. Rev. E. A. Robertson conducted the service and spoke comforting words, taking as his text, "Lord, thou hast been our dwelling place through all generations." Hymns sung were "Face to Face," "Jesus, I Come," and "Sweet By and By." Burial was in Clementsvale cemetery.

Charles Stewart Gilliat

Friends and relatives at Granville Ferry learned with sincere regret of the death of Charles Stewart Gilliat, whose death occurred at the Victoria General Hospital, Halifax, on June 23rd, after a lengthy illness.

Mr. Gilliat was born and brought up at Granville Ferry. He was a son of the late Mr. and Mrs. Rupert Gilliat, and was 63 years of age. A resident of Halifax for over 36 years, he was an employee of the Nova Scotia Cold Storage Ltd.

Mr. Gilliat's wife, Sadie, predeceased him in March, 1955. He is survived by one daughter, Olive (Mrs. E. M. Drysdale), Kentville; two sisters, Ethel (Mrs. Edward Smith) and May (Mrs. Lawrence Maritz), both of Northampton, Mass., and a brother, Harry Gilliat, in Holyoke, Mass. A brother, Arthur Gilliat, of Granville Ferry, predeceased him four years ago.

Funeral services were held from Cruikshank's Funeral Home, Robie Street, Halifax, on Monday, June 25th, conducted by Rev. Robert Braine, of the United Church of Canada.

Interment took place in the family lot in Fairview Cemetery.

There never was a right endeavor but it succeeded. Patience and patience and we shall win at last. — Emerson.

Little River

A large number from this village attended the circus at Digby.

The school teachers, Mrs. Stanley Denton, of the high school, and Miss Betty Leeman, primary, held their annual picnic on Tuesday. The high school visited Fort Anne at Annapolis Royal with Mrs. Denton, while the primary pupils attended a matinee at Digby with Miss Leeman, all spending an enjoyable day that will not soon be forgotten. This is their last year with these teachers. Mrs. Denton has taught the high school here for seven years, and Miss Leeman, of Tiverton, has taught the primary for four years.

Mr. and Mrs. Stanley Weir, of Smith's Cove, called on relatives here Wednesday.

Mr. Otto Frost suffered the loss of a lovely cow and steer, the cow becoming entangled in wire, and the steer falling in a partially covered well.

Mr. and Mrs. Clifford Edwards and son, Garry, Bridgeport, and Mr. Edward Edwards, of Halifax, spent the weekend with their sister, Mrs. Robert Denton, and Mr. Denton.

Mr. and Mrs. L. B. Collins are spending a few days with his sister, Mrs. Robert Lockhart.

At the close of the service Rev. Claude T. Olmstead received five new members into the fellowship of the church. Mrs. Edgar Merritt and Mrs. Paul Gidney were received by letter of transfer, Della Merritt, Ada Merritt and Mrs. Godfrey Crowell, who had received baptism at a service during the afternoon on the shore at Sandy Cove. Mr. Royce Elderkin of Little River, was also baptized with the group from Sandy Cove.

Concession

The Bingo held for the church raised the sum of \$53.00.

Mr. and Mrs. Lionel Martin, Gagetown, N. B., and three children are visiting relatives here.

School closed here Tuesday afternoon. Grade VIII pupils in a class of ten were all successful except one. The highest average in this grade was made by Kathleen LeBlanc, average 86.1. Grade VII highest average, Arcade Comeau, 70.4; Grade VI, Normand Boudreau, 83.1; Grade V, Andre Boudreau, 82.9; Grade IV, Rose Marie Comeau, 93.7; Grade III, Annette Melanson placed first. Miss Claudette Comeau is teacher for Grades 6, 7 and 8, and Miss Dora Doucet for Grades 3, 4 and 5.

Central Grove

(Mrs. C. Buckman)

Mrs. Tilman Tibert, of Ontario, has returned home after spending a week with her parents, Mr. and Mrs. Austin Elliott.

Mr. and Mrs. Glendon Elliott, of Halifax, Mr. and Mrs. Alvin Elliott, New Minas, spent the weekend with their parents, Mr. and Mrs. Austin Elliott.

Mr. and Mrs. Fred Ryan and son, David, of Victoria Beach, spent a day recently with Mrs. C. Buckman.

Mr. and Mrs. Eldon Stanton motored to Shelburne recently and returned with their son, Gerald, who is to spend a week home before going to Kentville to resume treatment.

CARD OF THANKS

A downpour of rain and high winds brought disorder and dismay to the scene where Branch No. 67 Canadian Legion had prepared to stage the grandest Field Day and Celebration ever held in Weymouth.

Without too much confusion, however, everything was soon under control again, but only after considerable damage had been done.

It is estimated that receipts were cut by 50% even though the weather cleared in the afternoon.

Our sincere regrets are sent out to the many who suffered setbacks, especially those who worked so hard to prepare floats for our parade, only to have them ruined by the storm.

Many thanks to the bands and guard and the officers in charge for their grand showing against the storm.

A retentive memory is a good thing, but the ability to forget is an important talent of greatness. — Robert Ullian.

MARRIAGE

Bridals - Wedding

A quiet but pretty wedding was held on Friday afternoon, June 18, at the New Testament Baptist Parsonage, Kempville, when Rev. Paul Brewer united in marriage Mabel Core, daughter of Mr. and Mrs. Kenneth Harding, of Richfield, and Irven Elroy, son of Mr. and Mrs. Elroy Roberts, of Kempville. The bride looked lovely in her gown of embroidered white netting over satin with pearl studded bolero. Her train of white tulle illusion fell from a bandeau of pearl studded hearts. She carried a bouquet of yellow roses. The parsonage living room was decorated for the occasion with apple blossoms, narcissus,

My at-the-valley, forget-me-not and sprays of lilies.

Following the ceremony relatives and friends gathered to extend congratulations and best wishes to the newly-weds. The young couple left for the bride's home where the reception was held. Later in the evening Mr. and Mrs. Roberts left on their honeymoon via the Annapolis Valley to tour points of interest throughout Nova Scotia.

In honor of the newly-weds many friends and relatives gathered at the home of the groom's parents, Mr. and Mrs. Elroy Roberts, on Saturday evening, June 23. The couple were favored with a miscellaneous show-er and received many lovely gifts. Outside friends and relatives were in attendance from Richfield, etc. Refreshments were served.

TREMENDOUS TRIFLES!

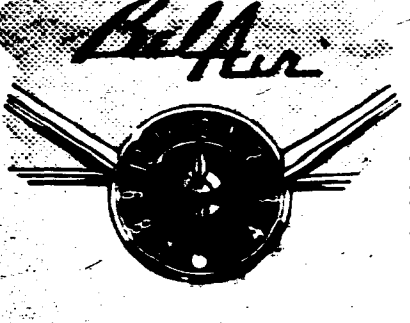

It's the unbeatable array of extra luxuries that puts Chevrolet so far, far ahead—

Look 'em over, count 'em up — they're all yours in Chevrolet's spectacular Bel Air series and at no extra cost! Look for them in competing top-of-the-line makes, and you'll find many of these luxury items are Chevrolet exclusives — or else extra cost options. Only Chevrolet in its class offers them all — only with Chevrolet do you pay nothing extra! Loaded with luxuries? You bet. Chevrolet is without a doubt Canada's top car buy!

Choose from the high-styled Bel Air series, or

from Chevrolet's "middle"-priced "210" series, or from Chevrolet's low, low priced "150" series — any model you pick will prove the point. Chevrolet is lavish with its extra luxuries!

Unbeatable money's worth — that's Chevrolet, in every way! In power, performance, style . . . or in the "tremendous trifles" that make you so much prouder of your new car . . . Chevrolet is the biggest, most beautiful buy you can make! See your nearest Chevrolet dealer without delay.

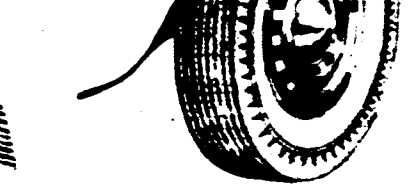

HANDSOME ELECTRIC CLOCK
 Easy-to-read, accurate electric clock, framed in a sweep of bright metal. Set elegantly below the fan-shaped radiator grille, it's a typical Bel Air luxury — you pay nothing extra!

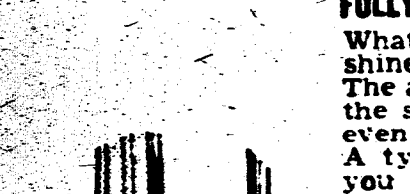

DIRECTIONAL SIGNALS
 Every Chevrolet comes to you already equipped with self-cancelling directional signals. You pay nothing extra for this safe-driving essential.

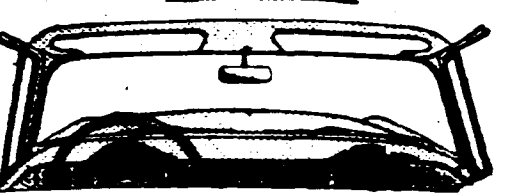

GLOVE BOX LOCK
 A useful safeguard and it's key is the ignition key — the only one you need, which also fits the doors and trunk. Chevrolet's special ignition switch permits the car to be started while the key, which locks your valuables, is safely in your pocket.

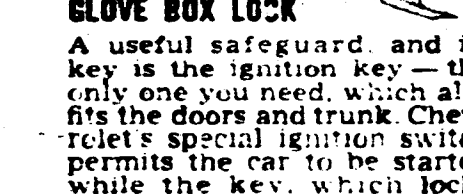

GLEAMING WHEEL COVERS
 Full-width chrome-plated wheel discs — a new touch of smartness that adds glittering distinction to every wheel. Typical Bel Air luxury — you pay nothing extra!

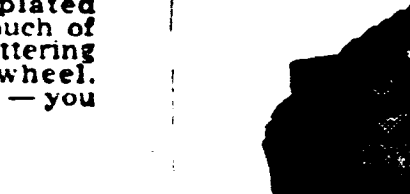

FULLY ADJUSTABLE SUN VISORS
 Whatever direction the sun shines from — you're protected. The adjustable visors swing to the side, tilt up and down — even slide toward each other! A typical Bel Air luxury — you pay nothing extra!

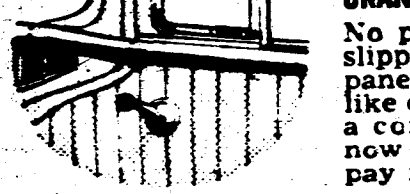

CRANK-OPERATED VENTIPANES
 No pushing, no pulling, no shoving, front window ventipanes crank open and shut like every other window. Such a convenience, it's standard now on every Chevrolet — you pay nothing extra!

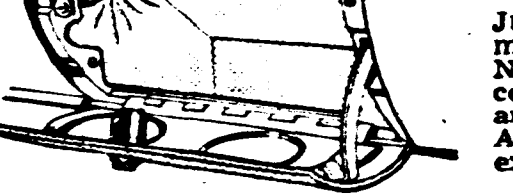

GLOVE BOX LIGHT
 Just open the glove compartment and the light snaps on. No more fumbling in dark corners — everything's handy and brightly lit. A typical Bel Air luxury — you pay nothing extra!

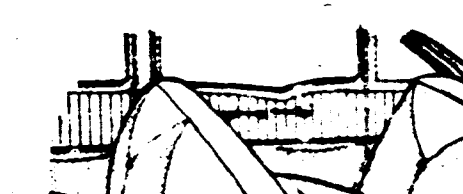

NYLON-AND-VINYL UPHOLSTERY
 The most modern, most beautiful, most serviceable material — luxurious as it is practical. Chevrolet made this miracle fabric standard on all models — and you pay nothing extra!

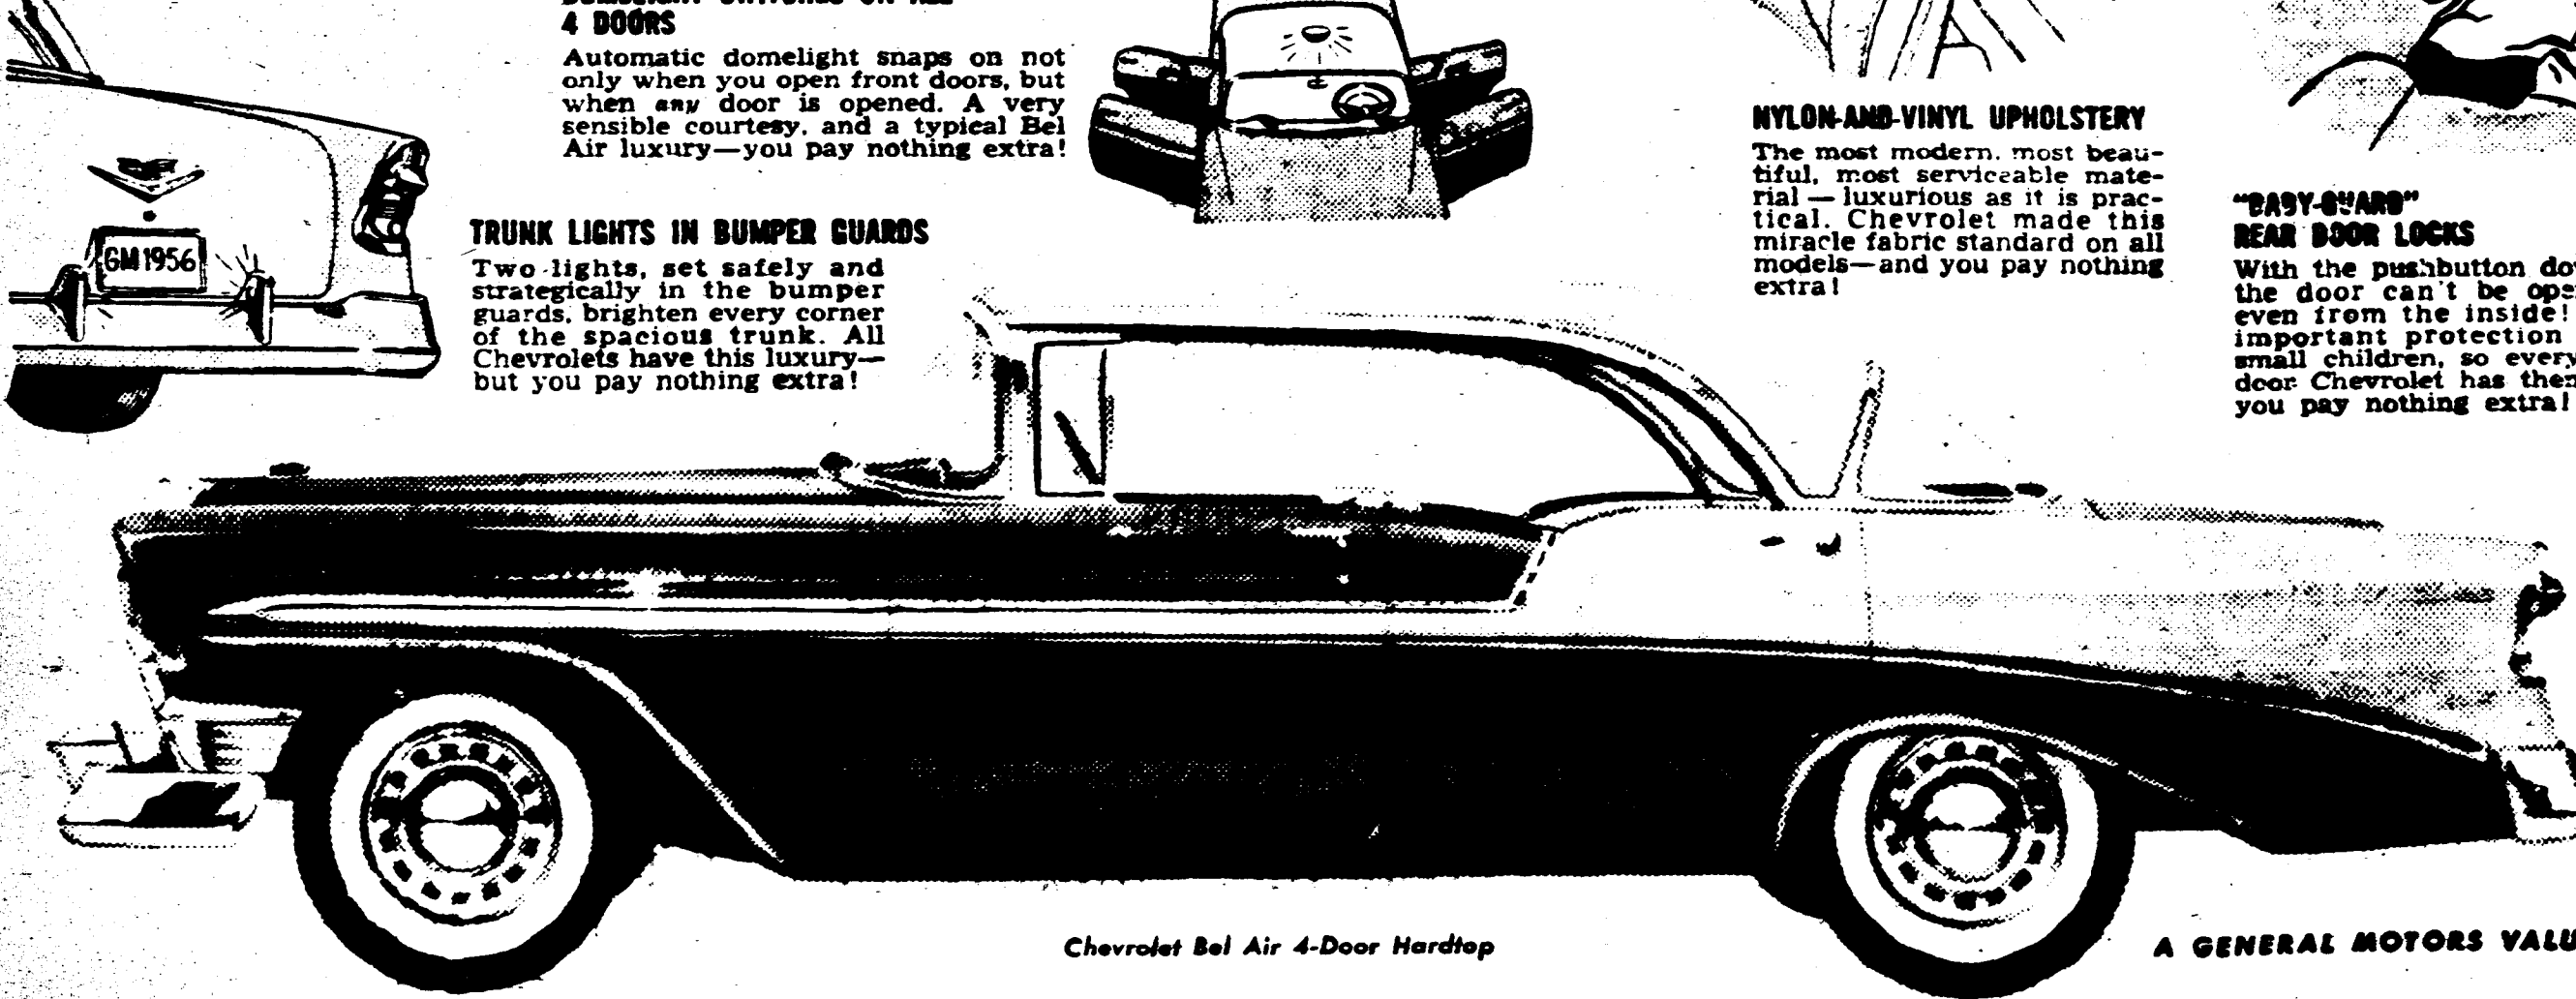

DOMELIGHT SWITCHES ON ALL 4 DOORS
 Automatic dome light snaps on not only when you open front doors, but when any door is opened. A very sensible courtesy, and a typical Bel Air luxury — you pay nothing extra!

TRUNK LIGHTS IN BUMPER GUARDS
 Two lights, set safely and strategically in the bumper guards, brighten every corner of the spacious trunk. All Chevrolets have this luxury — but you pay nothing extra!

"EASY-GUARD" REAR DOOR LOCKS
 With the pushbutton down, the door can't be opened even from the inside! An important protection for small children, so every 4-door Chevrolet has them — you pay nothing extra!

Husky BREAD

Just try it once and you'll realize there's something extra-special about the cracked-wheat flavor of nourishing Husky bread . . . It's good anytime — a big favorite for lunch-box sandwiches and wonderful with a Saturday night supper of pork and beans. The kids really go for toasted Husky bread for breakfast, too, with lots of butter and jam or marmalade. Take home several loaves today.

DIGBY, NOVA SCOTIA, THURSDAY, JULY 12, 1956

AN INDEPENDENT NEWSPAPER
DEVOTED TO THE INTEREST AND
WELFARE OF DIGBY COUNTY.

VOLUME LXXXII, No. 45

Former Customs Officer Passes

One of Digby's most respected citizens, William Joseph MacMahon, passed away at the Digby General Hospital on Wednesday. He had been a patient there for the past seven weeks.

Born in Weymouth North seventy-three years ago, Mr. MacMahon was a son of John Henry MacMahon, well-known lumberman from Pembroke, Maine, and Mary McLaughlin, formerly of Saint John.

Joining the Civil Service Commission in 1912 Mr. MacMahon spent several years as Relieving Officer for Inspection District No. 1 at Halifax. During this period he served in the Customs Offices of many ports throughout the Province, instructing new Officers and leaving many friends wherever he was stationed. In 1925 Mr. MacMahon was appointed Collector of Customs and Excise Tax at the Port of Digby, Shipping Master, Preventative Officer, Registrar of Shipping and Immigration Officer. In this capacity he served for twenty-three years. Not until culmination of World War II was it known that during the war years he had served as Naval Recording Officer as well, giving unstintingly of his time to the Naval Service, over and above his other duties. In recognition of this service he received a citation from the Department of National Defence following the close of hostilities.

Known and respected by countless Master Mariners throughout the Province, Mr. MacMahon was recognized as one of the best marine advisers in the department and greatly responsible for the growth and development of the Digby port during the many years of his administration.

Predeceased by his wife a year and a half ago, Mr. MacMahon is survived by one son, Chester, with the Canadian Army; one daughter (Genevieve) Mrs. Lloyd L. MacCrae, of Port Maitland, and two granddaughters, Dianne and Marta MacCrae.

Funeral services were held on Friday morning from the Nichol Funeral Home at Weymouth North to St. Patrick's Church in Digby. Pallbearers at the service were Mr. Joseph Hattie,

TOWN PLANS FOR SEWER BUILDING

A resolution empowering the borrowing of a sum not exceeding \$6,000 for the installation of sewers on Warwick Street was given final approval at the regular monthly meeting of the Town Council here. The Council also decided to take over the Digby General Hospital sewer on Warwick Street for the sum of eight hundred dollars.

Approval was given for a building permit for Richard Levy to construct a home on his property on Third Avenue. Decision on a building permit for Willard Lewis to build on Victoria Street was withheld pending further investigation.

It was decided to seek negotiation on the matter of the street boundaries on that portion of Third Avenue between Carleton and Prince William Streets. A survey of the street boundaries in this area had shown them to cut through established properties and it was felt the matter would have to be negotiated in order to arrive at a satisfactory settlement.

Letters were received from T. A. M. Kirk, M.P., Parliamentary Assistant to the Postmaster General, and from the Postal

Department stating that at the present it would not be possible to accede to a town request for postal collection boxes at the south and north ends of Digby. A report was received from the Fire Wardens stating that they were of the opinion the former Excel Inn property, the former Jamelson property and the Royal Hotel constituted severe fire hazards and that steps should be taken immediately to have the matter remedied. The Town Clerk was instructed to write to the owners of the properties with regard to the matter. It was reported that graving of town streets had been completed for the season. A report was also presented concerning the new fire siren installed at the south end of town. It is understood this siren is working satisfactorily.

Efforts will be made to have the "One Way" signs on a number of town streets made more prominent so that motorists cannot fail to see them. These signs at the corner of Sydney Street and First Avenue and at the corner of Mount and Second Avenue came in for particular discussion.

Grace United Church Observes 95th Anniversary

Rev. C. H. Gough, B.A., B.D., of the United Church, Annapolis Royal, addressed the congregation of Grace United Church at their 95th anniversary service on Sunday morning. Rev. Mr. Gough entitled his sermon "The Divine Nevertheless," referring his remarks to texts from Hebrews, St. Luke and II Corinthians and applying the chastening, tolling, fighting and fears as mentioned to the present. The church stands victorious, militant and a refuge for the people today, he said, because of those who could say nevertheless as according to the scriptures he quoted. An anniversary, he reminded the congregation, was a time of re-examination and re-dedication and a determination to go forward in strength as God provides.

The choir rendered the anthem "Great and Marvellous," by Peery and the organist, Miss Constance Kirkpatrick, played "Bless This House" as an offertory.

A special feature marking the anniversary occasion in the evening was the music provided by the male choir of Little River. The Little River male choir, under the leadership of Shirley Tidd, is composed of about eighteen men of the village whose chief occupation is fishing. The choir has been in existence for two years and has given of its ability and joyful service to other communities on various occasions. Among the numbers rendered on Sunday night were a solo by Shirley Tidd entitled "The Last Mile of the Way," and two quartettes, "A Child of the King" and "I Love To Tell The Story." Taking parts in the quartettes were Edgar Trask, Lindsay Raymond, Shirley Tidd, Bernard Morehouse, Earl Frost Jr., Ainsley Tidd and Royce Elderdin. The choir also gave a fifteen minute program of sacred music at the close of the service.

Refreshments: convened by Mrs. Oakley Turnbull, were served at the Church Hall when Mrs. John Russell and Mrs. Gerald Wilson presided at the tea table. Rev. James Brooks thanked the choir for their contribution to the service and Earl Frost, president of the choir, responded and thanked the Grace United choir and refreshment committee for courtesies.

The evening address was given by Rev. Mr. Brooks who spoke on the Fellowship of the church with the past, present and future.

NOTICE
Does the label on your Digby Courier say June 1956? That means your subscription is now due. June and July notices will be mailed out shortly. Why not save us postage by remitting now?

Trade Board Meets

Little but routine business was transacted at the regular monthly meeting of the Digby Board of Trade.

The matter of the Shelburne Road came in for some discussion at the meeting and it was decided to proceed according to plans previously decided upon.

Discussion was had concerning the matter of work presently underway by the Department of Highways in connection with the replacement of the Joggin Bridge. It was decided to forward letters to the Minister of Highways and the local members urging that a causeway rather than a bridge be constructed at this site.

VAN. Arrives Saturday

Miss Ellen Murphy, Sarnia, Ont., is expected to arrive in town on Saturday to take over the duties of the Victorian Order Nurse in Digby. Mrs. Murphy has been relieving nurse since the end of June when the resignation of Miss Mary Blair was effective.

Miss Murphy comes to Digby with high recommendations from Dr. N. H. head office. She is a graduate of St. Michael's Hospital, Toronto, and completed a course in Public Health in Ottawa.

It was indicated the June 1956 edition of the Digby Yearbook had netted to the V.O.N. this amount being approximately \$100 below the amount raised to date in 1955. The committee stated that persons who had made promises of donations whom it appeared had been overlooked were being contacted in an effort to bring the proceeds up to the usual level.

Two new members, Dr. John Cumming, of Annapolis, and Dr. Elaine Gowing, were welcomed to the V.O.N. Board, Digby Branch.

A. S. Macdonald was named to the publicity committee for the organization.

Mrs. J. M. Wallis, convener of the Dominion Day V.O.N. Float committee, said the V.O.N. was mentioned among those receiving prizes in the miscellaneous group of floats. Those on the committee for decorating were Rev. E. C. Churchill, Mrs. J. W. Christie, Mrs. John Russell, Mrs. Paul Snow and S. J. Macdonald. Appreciation was expressed to Mr. and Mrs. Charles Hersey for the use of their truck, to Vincent Saulnier for the use of the garage, to Mrs. Paul Snow, Wayne Snow, Hugh Brittain, Sherman Haines, Gail Hersey, Cecile Dolron and Claire Dolron for their assistance on Dominion Day.

A committee to raise funds in August was named as follows: Mrs. Reginald Holdsworth, Mrs. Kenneth Golden, Mrs. Harold VanTassel, Mrs. Gerald Sanford and Mrs. John Russell.

Mrs. Paul Snow, relief nurse, expressed thanks to Mrs. L. C. Carson, Mrs. Sidney Smith and Mrs. Charles Hersey, who assisted at the Salk vaccine inoculations in June.

TRINITY CHURCH IS SCENE OF MARRIAGE

Trinity Church, Digby, was the scene of an interesting and beautiful wedding at eleven o'clock in the morning on Monday, July 9, when Marguerite Attridge, daughter of Mr. and Mrs. Cecil Jones, Joggin Bridge, became the bride of Reverend George William Parker, son of Mr. and Mrs. Merlin Parker, Bedford, N. S.

The altar at Trinity was beautifully arranged with baskets of white peonies, mums and mock orange, and the guest pews were also marked with bows of white ribbon and mock orange.

Rev. H. Y. MacLean, rector of the church, performed the marriage ceremony before a large number of relatives and friends. The nuptial eucharist followed in which Rev. E. S. Porrier, rector at Lantz, N. S., and personal friend of the groom, was celebrant at Holy Communion. Deacon of the Mass was Rev. A. S. Payzant, and sub-deacon was Rev. Mr. MacLean. Dr. Channing LeFebvre, Concord, N. H., and Digby, presided at the console of the organ for all the nuptial music. The choir of Trinity was in attendance.

A picture of radiance and loveliness, the bride entered the church on the arm of her father, who gave her in marriage. She was attired in a floor-length dress of white nylon lace and tulles over satin with widely flared skirt flowing from princess lines. The lace and tulles of the overskirt were separated at three-quarter length by a graceful festoon of scallops. The lace bolero was caught high at the neck and the long sleeves tapered to points over the hands. Her headpiece was a Juliet cap and chapel veil and she carried a crescent bouquet of red roses and sweetheart roses.

The bride was attended by Miss Sheila Parker, Bedford, sister of the groom, and Miss Mary Jane Reed, Middleton, as bridesmaids. Miss Parker wore a ballerina-length dress in pale lilac of net over taffeta and wore a matching bandeau as headpiece and matching mitts. Miss Reed was attired in a corresponding costume in pastel green and each carried semi-crescent bouquets of yellow Queen Elizabeth roses and mums.

The groom was attended by his brother, Albert, of Halifax, and the ushers were also brothers of the groom, Amos, Allan, Sterling, of Bedford, and Wallace, of Beaver Bank.

Mrs. Jones, mother of the bride, wore a rose crepe dress, a harmonizing French rose hat with white accessories. Her corsage was of pink and white feathered carnations. Mrs. Parker, mother of the groom, was attired in a dusky rose lace with contrasting blue accessories and wore a corsage of all white feathered carnations.

for the occasion. The bride's table was attractively arranged with vases of roses, lighted candles and centred with the wedding cake. Serving at the bride's table was Miss Elizabeth Turnbull, and Mrs. H. Y. MacLean and Mrs. G. V. Turnbull poured. Friends of the bride served the guests.

Rev. H. Y. MacLean proposed the toast to the bride, responded to by the groom. Telegrams from various points in Canada were read by the best man.

Out of town guests were Mr. and Mrs. Merlin Parker, Miss Sheila Parker, Bedford; Amos, Alan, Wallace Parker, Stirling Parker, Marilyn Parker, Miss Betty Clark, Bedford; Mr. and Mrs. Albert Parker, Mr. and Mrs. Henry Romans, Miss Mary Romans, Miss Marilyn Darras, Halifax; Dr. and Mrs. D. M. Reed, Miss Mary-Jane Reed, Middleton; Miss F. L. DuVernet, Belmont, Mass.; Mr. and Mrs. M. A. Scovil, Amherst, N. S.; Mrs. Marion Anthony, Annapolis Royal; Rev. Eric Poirier (Padre at Aldershot Camp); Mr. and Mrs. George McClare, Hillsdale; Mr. Shirley Parker, Greenhill; Mr. and Mrs. James Stevens, Wellington; Miss Glenda McCulloch, Fall River; Miss Annabel Lee, Windsor Junction.

For a motor trip through the province the bride wore a mixed tweed suit with orange and white accessories and a corsage of white carnations.

Rev. and Mrs. Parker will leave next week for Cardston, Alberta, where Mr. Parker has been assistant rector at St. Paul's and where Mrs. Parker has been a valued member of the teaching staff at St. Paul's School.

H.M.C.S. "Trinity" Visits Digby

One of Canada's most modern minesweepers, HMCS "Trinity", arrived in Digby Monday evening, on a three-day visit. "Trinity", which has a complement of six officers and 46 men, is commanded by Lt. Cmdr. R. C. Thurber, of Halifax. The 450-ton ship is powered by twin 1200 horsepower diesel engines capable of driving her at a speed of over 16 knots. Her up-to-date crew accommodation includes such features as television, a cinema, all-electric Monometal galley, a library, and an automatic washing machine.

Possibly the most publicized member of "Trinity's" crew is "Spike", the ship's canine mascot. "Spike", now one-year-old and a fully-fledged seadog, was an under-nourished dockside waif when brought aboard by sympathetic crew members at a port on the Great Lakes. Able WREN "Spike" recently established a new precedent in the Royal Canadian Navy when she gave birth to a family of six aboard ship.

HMCS "Trinity" is one of several Bay class minesweepers of the 1st Canadian Minesweeping Squadron. (Please turn to page 6)

Digby's First Scallop Queen

Above is shown Miss Donna Holdsworth who was chosen as Digby's first Scallop Queen at a gala ball at the Hotel Champlain. The ball was part of the Dominion Day celebration in Digby.

To Celebrate 100th Anniversary

The congregation of the Sandy Cove United Church of Canada is looking forward to the celebration of their 100th anniversary on Sunday, July 22nd.

The guest preacher for the day is to be Rev. Ross Flemington, President of Mount Allison University. Guest singers will be Mr. and Mrs. Furber Marshall of Digby, and they will be supported by the church choir. In the evening the Bridgetown Male Choir will be present and will sing several selections.

It is expected that there will be many visitors and old friends of the congregation present, and it is hoped that good weather will prevail so that those unable to be inside the church will be able to hear the service by loud speaker.

Is 90 On Sunday

Mrs. Annie Marshall, better known as "Grammie" Marshall, will celebrate her 90th birthday on Sunday, July 15. Mrs. Marshall has been a member of the Salvation Army for many years. Mrs. Marshall has four daughters: Beatrice, Digby; Marjorie, Digby; Marion, Halifax; Lois, Digby. She also has twenty-two grandchildren, forty great-grandchildren, and one great-great-grandchild.

All her friends and relatives join in wishing her good health and a very happy birthday and many more to come.

Sentenced To Two Years

One of the juveniles involved in the recent break into Van's Store at the south end of town was sentenced by Magistrate H. B. Dickey to two years in the Boys' School at Shelburne when he appeared in court here Wednesday morning.

The other youngster, making his first appearance in court, was placed on probation.

CARD OF THANKS

As Manager of the Digby Dominion Day Celebrations I would like to thank all the people of Digby and area for their wonderful cooperation in completing the Fair to a successful conclusion.

My thanks to Captain Sterling, Commanding Officer of H.M.C.S. Cornwallis, for his cooperation in giving to the Town all that was asked, which included the use of his Band and Guard and personnel for the Sunset Service and Physical Training Demonstration and in taking part in the Parade. Thanks to the Firemen who put on our very fine Parade and looked after the many other things necessary during the two days of celebrations; to the Digby Board of Trade who sponsored the Fair and looked after the soliciting and collecting of the advertising along with the handling of the radio and T.V. coverage; to the Men's Curling Club for the wonderful and profitable dance that they put on at the Hotel Champlain on Thursday night before the Fair; to the Ladies' Curling Club for the running of the Candy Booth; to the Kiwanis for putting on and looking after the service on the ball field and the Sunset Service on Sunday night; to the Lions Club for running the Pop Booth on the Midway; and two very special thanks to the Ladies' Auxiliary and my own Branch No. 20 Canadian Legion for the supper which was delightful and the way in which the men erected, trimmed and secured operators for the Midway.

Any person that takes the job of heading up a Celebration such as we have just had has many problems but this year all problems were taken care of by the organizations that were doing the job and I think we have shown ourselves that there is a community spirit in the town of Digby second to none in the country. My hope is that when we start planning for a bigger and better fair for next July 1st that we will be able to start earlier and I know that the cooperation that we had this year will be there again to make a greater success than the fair just past.

Thanks to all the individuals that helped and let us all keep next year's fair in mind and star now planning for it.

RALPH O. WRIGHT.

MARRIAGES

Chew — Burnham

A very pretty outdoor June wedding was solemnized at the home of Mr. and Mrs. Harry Burnham on Saturday, June 23, when Sylvia Frances Burnham, daughter of Mr. and Mrs. Joseph Burnham, was united in marriage to Edward Malcolm Chew, son of Mrs. Esther Chew, of Penikese, B. C.

The double ring ceremony was performed by the Rev. James Brooks, under a flower and bell decorated arch. The bride was given in marriage by her father, and looked lovely in a street length dress of white dotted nylon, with a short veil held in place by a tiara of seed pearls. She carried a bouquet of red roses.

Miss Betty Burnham, sister of the bride, was bridesmaid and wore a ballerina length dress of blue net over a full satin skirt, and a small veiled hat. She carried a bouquet of baby 'mums and red carnations. Maid of honor, Miss Emilie White, was dressed also in blue with a headpiece of blue and white flowers, and carried a nosegay of baby 'mums and red carnations.

The groom was attended by Furber Marshall, of Digby. Following the ceremony a reception was held on the lawn, at which friends of the bride served. The bride's table was

decorated with a wedding cake, especially made by friends of the groom at H.M.C.S. Stadacona.

Miss Judith Robinson was in charge of the guest book. Mr. and Mrs. Chew left on the Princess Helene for a short honeymoon in Saint John. The bride's travelling suit was of light green tweed with white accessories, and corsage of yellow roses.

On their return Mr. and Mrs. Chew will reside in Halifax, where the bride and groom are employed.

Out of town guests were the Misses Edna Isles, Maxine MacDormand, Nancy Frost and Audrey Ellis, employed in Halifax.

VanTassel — Gray

Moose Jaw will be the home of Yvonne Hilda Gray and Stanley Harold VanTassel following their marriage vows in an afternoon ceremony at St. John's United Church, Moose Jaw. The bride is the daughter of Mr. and Mrs. Ernest Gray, of Moose Jaw, and the groom is the son of Mr. and Mrs. H. S. VanTassel, Digby, Nova Scotia. Rev. R. Morris officiated at the double-ring ceremony, which took place at 5:00 p.m. on June 23, 1955.

The bride, given in marriage by her father, was radiant in a floor-length gown of nylon net over satin. The strapless top was decorated with rhinestones and pearls and topped by a chantilly lace bolero with long lily-point sleeves, high neckline

and buttons. Her headpiece consisted of a dainty sequin covered crown, from which flowed a fingertip veil of bordered illusion. She carried a bouquet of sweetheart roses and white carnations, from which cascaded white streamers, rose buds and carnations. Her only jewellery was a pearl necklace and earrings.

Miss Audrey Buckingham attended the bride as maid of honor, with Shirley Smith and Joan Donville as bridesmaids. Miss Buckingham chose yellow net over taffeta and carried a nosegay of mauve feathered chrysanthemums. Her head-dress was yellow sequins.

Miss Smith wore blue net over taffeta and blue flowered headpiece. Her bouquet was a nosegay of pink feathered chrysanthemums.

Miss Donville wore pink net over taffeta with matching pink headpiece and carried a nosegay of blue feathered chrysanthemums.

The groom was attended by John Hutton, of Ottawa. Ushering the guests were Bruce Evans and Roy Durr, both from Nova Scotia.

Miss Donna Eaton sang "The Lord's Prayer" and "Through The Years" during the signing of the register. She was accompanied by Mr. N. Keffer at the organ.

A reception for 40 guests was held at the Legion Hall. Receiving the guests was the bride's mother, becoming in a navy blue nylon dress with white and navy blue accessories. Her corsage was of American Beauty roses.

The bride's table was covered with an ecru lace cloth centered by a four-tier wedding cake topped with a miniature bride and groom, and banked in nylon net. John Hutton proposed the toast to the bride, to which the groom ably responded. Miss Pat Anthill attended the signing of the register.

For a honeymoon trip to Digby, Nova Scotia, the bride changed to a turquoise blue princess styled dress. She chose pink accessories and a corsage of white roses.

Right adjusts the balance sooner or later. — Mary Baker Eddy.

Starting Sunday, June 24, and continuing throughout the summer months until September 9, the Canadian Pacific Railway will once again operate the 4,000-ton vessel Princess Helene between Saint John and Digby, N. S., across the Bay of Fundy, on Sundays, it was announced in Saint John by George Walsh, district passenger agent. The vessel ordinarily plies the route on a six days per week schedule.

The special Sunday return service across the Bay of Fundy will ease the heavy backlog of people who daily use this popular route between New Brunswick and Nova Scotia. Without freight and express on Sundays, the Princess Helene can accommodate a larger number of automobiles on the round trip. Cabin and meal facilities are available on the Sunday trips.

On the schedule the Princess Helene follows the same times used on the daily schedule, allowing convenient connections with the Atlantic Limited, the Canadian Pacific's fast overnight train between Saint John and Montreal. The ship leaves Saint John at 9:15 a.m. AST, and arrives in Digby three hours later. On the return trip she leaves Digby at 4:15 p.m., AST, and arrives at Saint John at 7:15 p.m., AST.

The popular all expense package tour on the Sunday trip to the renowned Digby Pines Hotel is again being operated this year, Mr. Walsh said. Limited to 50 passengers, the tour includes return passage between Saint John and Digby on the ship, lunch at the Digby Pines Hotel and taxi service between Digby wharf and the hotel. Price of the full day travel package which will be operated until September 2 is \$3.65.

In addition, Mr. Walsh said, the CPR is operating special go and return the same day excursion rates aboard the Princess Helene for the entire summer. Price of the round trip on the excursion basis is \$2.55.

TRAFFIC NOTICE

Re: "Yield Right Of Way" Signs —

Sec. 118 A (Sub. Sec. 3) of the Motor Vehicle Act reads: "The driver of a vehicle approaching an intersection at which there is a "Yield Right Of Way" sign and facing the sign shall enter the intersection with caution and shall yield the right of way to all other traffic within the intersection or approaching so closely on the intersecting highway as to constitute immediate hazard".

From the above it will be seen that the "YIELD RIGHT OF WAY" signs have full legal force and effect in much the same manner as the STOP sign and it is an OFFENCE to fail to observe the requirement to yield to other traffic.

Re: "No Parking" Regulations —

Signs prohibiting parking between the hours of 8:30 a.m. and 5:30 p.m. have been erected on the NORTH SIDE OF PRINCE WILLIAM STREET between BIRCH STREET and the HEAD OF THE GOVERNMENT PIER. These No Parking regulations have been made necessary by traffic conditions and WILL BE ENFORCED.

W. F. DUNN,
Traffic Authority.

TENDERS FOR STUMPAGE

IRON CURTAIN CRASHER

We confess a sneaking respect for one resourceful gentleman who fooled the Communies — albeit by morally dubious means. Seems he would load his hollow aluminum artificial leg with candy, coffee and nylons in West Berlin, then whisk over the border into East Berlin in his motorized wheel chair. He made a neat profit — until the border gendarmes ultimately caught up with him.

More and more businesses — from artificial limbs to shipbuilding — similarly find aluminum a valuable aid to sales and profits. Further major expansion of Alcan's smelters in both Quebec and B.C. is aimed to satisfy the continued increasing demand for the light metal.

Children's Aid Adjourns For Summer

The monthly meeting of the Board of Directors of the Children's Aid Society of Annapolis was held at the Court House, Annapolis Royal, on a recent Wednesday evening with the president, Mr. S. H. Coward, of Bridgetown, presiding. The meeting was well attended, with representatives from Annapolis Royal, Bridgetown, Lawrencetown and Middleton.

In regard to the proposed medical plan for wards, the meeting decided that, since the present arrangement offers adequate medical care for the children, this matter be deferred.

The report of the activities of the proposed Mental Health Clinic for Annapolis County was discussed and it was decided that the Society should not interest itself directly but that the Board members should make enquiries to ascertain if a sufficient number of citizens would be interested in a Clinic and if a sufficient number would be in favor of the establishing of a Mental Health Association in the County. Mr. Stanley Crook, of Dartmouth, the Executive Director of the Mental Health Association, has indicated that he would be willing to come to Annapolis County to explain the workings of a Mental Health Association.

OBITUARY

John A. Comeau
John Alfred Comeau passed away at his home in North Range on May 31st after an illness of several months. He was born in Gloucester, Mass., in 1882, the son of the late Alfred and Katherine Comeau of this village, formerly of Gloucester. With his family the deceased moved to Nova Scotia to live with his aging parents in 1932.

His wife, Anna Comeau, predeceased him six years ago. Surviving are two sons, George William, of Watertown, Mass., and Ernest Joseph, of Buffalo, N. Y.; two daughters, Mrs. William Gill, (Catherine), of Somerville, Mass., and Mrs. Dennis Dugas (Marie), of North Range, who cared for his father during his illness. Four grandchildren also survive.

The funeral was conducted by Rev. Father Deveau at Holy Cross Church, Plympton. Interment was in the adjoining cemetery.

Funeral bearers were Joseph Comeau, Eddie Comeau, Ray Comeau and Reginald Ambrose.

Keith DeLong was chosen to attend. The group also decided to enter a one-act play in the Festival of the Nova Scotia Drama League held in Bridgetown in October.

OBITUARY

Silas Nelson Bishop
The communities of Weymouth Falls and Weymouth were deeply saddened on Monday on receiving news of the sudden passing of Silas Nelson Bishop whose death occurred following a car accident near Halifax.

He was the eldest son of Mr. and Mrs. Barry Bishop, of Weymouth Falls, and was 27 years of age. For several years he taught school at East Preston, Halifax Co., and for the past two years has been employed as clerk in the HMCS Dockyard at Halifax. He was a member of St. Matthew's Anglican Church, Weymouth Falls.

Besides his parents he leaves to mourn nine brothers and sisters: Bellesfield with the RCAF in Ontario and Marie, Deanna, Garfield, Dudley, Delbert, Benson, Ensley, Madeline, and Henry at home. There are also 3 grandparents surviving, Mr. and Mrs. Rodney Cromwell, of Weymouth Falls, and Mrs. Mary Bishop, of Barbados, B. W. I. GMC Automatic Transmissions

Do the Tough Jobs Easily

GMC STANDARD AND HEAVY-DUTY HYDRA-MATIC

GMC's Standard Hydra-Matic in the light duty series offers four forward speeds automatically shifting in three ranges. High range is for open highways. Medium range is ideal for congested traffic, while low provides maximum traction.

Heavy duty Hydra-Matic, in the 40,000 GVW range, with optional rear axles and reduction units, gives automatic shifting for a wide range of operating conditions. It provides heavier duty components and has greater hydraulic pressure to move heavier loads. Heavy-Duty Hydra-Matic's unique "Hold" position overrides the automatic shift to prevent upshifting. Choose a GMC with Standard or Heavy Duty Hydra-Matic!

GMC POWERMATIC... NEWEST AND BEST

POWERMATIC is a new principle in automatic transmissions... now available in the 16,000 to 32,000 GVW range of GMC Trucks. The heart of Powermatic is a four-element torque converter that triples engine torque. The torque converter locks out at higher speeds giving the advantage of solid mechanical drive.

Powermatic provides six automatically-shifted gear ratios in three ranges. A finger-flip switches you from range to range. And Powermatic presents the unique Hydraulic Retarder—safe braking for dangerous grades. Ask about a Powermatic-equipped GMC Truck... now!

Deep Brook

(L. M. D. Henshaw)

The Neighbourly Club met at the home of Mrs. Pearl Henshaw on Wednesday evening. A social evening was enjoyed by all present. Birthday anniversaries of Mrs. Muriel Harris, Mrs. E. M. Croscup, Mrs. Oakley Potter and Mrs. T. Teppell were honored. Mrs. P. Henshaw and Mrs. Howard Adams were hostesses. Mrs. Wm. Hall was the lucky winner of the quilt drawn for the previous week.

Mrs. William Cullen and children, of Halifax, are spending several days with Mrs. Cullen's mother, Mrs. T. R. Lowe, and family.

St. Matthew's Guild met with Mrs. Willis Robar on Wednesday evening. Robert Pettipas, Winston Wells and Stearnes Henshaw were among the Boy Scouts welcoming the Governor General at Digby on Thursday.

The 40 mile per hour speed limit highway signs have been placed at intervals from Wm. H. Spurr's to Harold Purdy's, covering the part as requested by the Garden Club. It is amazing how many car drivers must be blind, or just can't read.

Mrs. William Johnstone Sr. of Waldeck, was a supper guest of Mrs. Russell Henshaw on Friday.

Mrs. R. Bailey and two children, of Halifax, are spending a few days with Mrs. Bailey's parents, Mr. and Mrs. R. J. Vroom.

Mr. Wm. Cullen, of Halifax, spent the weekend with his wife and family at the home of Mr. and Mrs. T. R. Lowe.

Mr. and Mrs. Keith Rawding and daughter, Candy, of New Glasgow, spent the weekend with Mr. Rawdings parents, Mr. and Mrs. John Rawding.

Duane Young, of Halifax, Gerald Jefferson, of Truro, and Stanley Bacon, Caledonia, spent the holiday weekend at their homes.

Dr. and Mrs. Hardy and two children, of Halifax, were holiday weekend guests at the home of Mr. A. D. Pickett. Miss Sue Lingley, of Clementsport, also spent the weekend at the same home.

Miss Eileen Sitland, of New York, arrived on Saturday for a visit with her mother, Mrs. T. R. Lowe, and family.

Mr. and Mrs. R. J. Vroom and daughter, Mrs. R. Bailey, and two children, of Halifax, visited relatives at Kempt and Maitland over the weekend.

CAN'T DRINK THEIR OWN PRODUCT!

"Many licensees absolutely prohibit an employee from taking any drink while on duty, and some even prohibit an employee from drinking in the establishment after the employee's shift is finished." — Tap and Tavern, Aug. 18, 1955.

Is there any other industry that finds it necessary to prohibit its employees from using its own product?

More persons were charged with liquor offenses than with any other crime category in 1954, FBI reports reveal. Figures show that 60.9 per cent of all persons held for prosecution in the nation's major cities were accused of alcohol-related crime. Out of a total of 2,776,389 charges for all crimes, reported from 1,732 cities, 1,691,836 were for such offenses.

When a man has not a good reason for doing a thing, he has one good reason for letting it alone. — Sir Walter Scott.

WOOL PRODUCERS

In 1955 a price as low as 26 cents per pound was paid for wool in Annapolis County. Producers consigning their clip to the grading station at Truro for sale by the Canadian Co-operative Wool Growers received an average of over 44 cents for graded wool and an overall average of over 42 cents. ANNUAL ROLL CALL AT LITTLE RIVER

The annual roll call service was held in the Baptist Church on Sunday, July 8, with a large number in attendance. The service was conducted by the minister, Rev. Claude T. Olmstead, assisted by the guest preacher, Rev. Myron O. Brinton, principal of the United Baptist Bible Training School, Moncton, N.B. The roll was called by the clerk, Mrs. Burton Frost, and assistant, Mrs. Lyndon Collins. The choir under the direction of Deacon Lyndon Collins, rendered two special numbers, "Oh Deign To Hear Us While We Pray," and "Praise Ye The Lord." Organist was Mrs. Lindsay Raymond; base soloist was Mr. Bernard Morehouse, and soprano soloist, Mrs. Wilfred Trask.

Vacation Bible School To Close

Closing of the Daily Vacation Bible School at Little River will take place in the Baptist Church there tomorrow night at 7:30. The school has been in session for two weeks and the work the children have done will be exhibited at the closing, which is expected to be particularly interesting. The leaders, Miss Burdena Robblee and Miss Carol Cudmore, will be in charge of the exercises and extend a cordial welcome to the public to attend the closing.

fifty-six dollars. The afternoon service, which was particularly well attended, was conducted by Rev. Mr. Olmstead with Rev. Mr. Brinton as guest speaker. Soloist was Miss Berdena Robblee, graduate of the Bible Training School, Moncton, N. B. Mrs. Harley Ingersoll was organist.

MARRIAGES

Campbell — Height

A pretty wedding took place Wednesday, July 4, at 7:30 p.m., at the St. Mary's Bay Baptist Church when Rev. R. R. Winchester united in marriage Marilyn Mae Height, daughter of Mrs. Joshua Height and the late Mr. Height, of Barton, to Neil Alfred Campbell of Bedeque, P.E.I. The bride, who was given in marriage by a friend, Ralph Lamberton, looked charming in a white tailored suit and white accessories. Her corsage was of red roses. The double ring ceremony was performed in the presence of a large congregation.

Miss Louise Atkinson, friend of the bride, was bridesmaid. The best man was George Campbell, brother of the groom. The ushers were Dick Keen and Keith Ellis, classmates of the bride. The bride's mother wore grey nylon-taffeta with white accessories, and a corsage of pink and white carnations. The groom's mother wore a dress of navy blue sheer, white accessories, and pink carnations.

A reception was held at the Baptist vestry for more than one hundred guests, where the

toast to the bride was proposed by Rev. Winchester and responded to by the groom. The happy couple received many gifts, including linen, china, silver and money. Mrs. Furber Marshall rendered two beautiful selections. Later Mr. and Mrs. Campbell left on a trip to P.E.I. and other parts.

The bride's only ornament was a string of pearls, a gift from the groom. They will make their home in Bridgetown, N.S., where the groom is manager of Stedman's store.

Foley — Engel

The marriage of Bette Davis, daughter of Mr. and Mrs. Stanley W. Engel, to Mr. Roy James Foley, son of Mr. and Mrs. Bertil Toren, took place recently in St. Monica's Church, Montreal, the Rev. Father McMahon officiating. Mr. J. Birmingham played the wedding music and Mr. E. Duplantis sang during the service. Standards of white gladioli were used as decorations in the church.

The bride, who was given away by her father, was in a gown of white poul de sole fashioned with a yoke and sleeves of Alencon lace, and a very full skirt. Her short veil of tulle illusion was held by a Juliet cap of fine white straw, and she carried a semi-cascade bouquet of white and pink carnations.

Miss Barbara Engel, as maid of honor for her twin sister, and Miss Carolyn Engel, sister of the bride and Miss Mary-Elta Short as bridesmaids, were in frocks of pale blue lace over taffeta, with fitted bodices having high necklines in the front forming V's in the back, and bouffant skirts caught at the back with blue taffeta bows. They wore matching bandeaux of French braid and carried cascade bouquets of pink carnations.

Miss Dana Aspell, as junior bridesmaid, wore a bouffant frock of pale blue organza with a bandeau of the same color and

she carried a nosegay bouquet. Mr. Ken Hallis acted as best man for Mr. Foley, and the ushers were Mr. John Engel and Mr. Peter Engel, brothers of the bride.

Mrs. Engel, the bride's mother, was in a sheath gown of Dior blue silk taffeta. She wore a picture hat of purple straw trimmed with lilac and a corsage bouquet of mauve sweet-peas.

Mrs. Toren, mother of the bridegroom, wore an ensemble of beige and brown silk, with a large beige hat trimmed with

brown and a corsage bouquet of yellow roses.

Following the reception which was held at the Queen's Hotel, Mr. and Mrs. Foley left by plane for New York and New Jersey.

the bride travelling in a frock of royal blue linen and wearing a white hat, black patent leather accessories, and a corsage bouquet of white carnations.

Among the out of town guests were Mrs. Annie Robinson, grandmother of the groom, Mrs. Hymie Webber, Mr. Wilbur VanTassel, Mason VanTassel and Gerry Muise.

Made University Vice President

The new vice-president of Mount Allison University is Dr. Frank Leslie West, for many years Dean of the University's faculty of Science, according to an announcement made by University President, Dr. W. T. Ross.

Dr. West was born at Coles Island, Queen's Co., N. B., received the Bachelor of Arts degree from Mount Allison University and the following year received First Class Honours in Physics and the Engineering Certificate. He then went on to the Master's degree at Mount Allison and graduated with Bachelor of Science (Civil Engineering) from McGill.

Dr. West has had a long and distinguished career at Mount Allison as Engineer, Educator, and Administrator. Thirty-six years ago, after several years of experience as a professional Engineer, he was appointed to the staff of the School of Engineering and was successively Dean Professor, then Director of the McClellan School of Engineering, and Dean of the Faculty of Science.

D.F.D. Activities

It is with regret that the Department learned of the death of Gladys VanTassel, and deep sympathy is extended to those who are left to mourn this great loss. Gladys was a devoted worker for any organization and has done a great deal to assist the Fire Department.

Chief George Humphrey and Mrs. Humphrey are attending the Maritime Fire Chief's Convention which is being held in Moncton. At this convention the drawing will be made for the 1956 car on which the Department have sold tickets. If our own Department sold the winning ticket they will receive \$100 for their efforts.

We understand the stork has delivered a bouncing baby boy weighing eight pounds, 14 ounces to Capt. and Mrs. Thomas Cleveland and that all are doing well, although it is reported that the stork is still hovering around the Cleavelands' front door. To this date nothing further has developed.

One alarm has been reported, which involved a flooded oil burner. A call was received to rescue a cat from the top of a power pole on the corner of First Avenue and Mount Street. The operation was completed in a matter of minutes after the cat had spent some six hours atop the pole.

Arrangements have just been completed for The Great Western Jamboree Show to be held in the Forum on Saturday, August 18th. The show features Art Marr, Joe Haasey, Jim Morrow and many others.

DIGBY HOSPITAL ANNUAL MEET HELD

F. C. Purdy was re-elected as President of the Board of Directors of the Digby General Hospital at the first meeting of the Board following the annual meeting of the Digby General Hospital Trust here last week.

At the meeting of the Trust Mr. Purdy in his report paid high tribute to the work of Miss A. M. Dill, R.N., Hospital Superintendent, and Mr. Earl Crane, Hospital Manager, for their efforts in the operation and management of the hospital. He stated there had been a marked improvement in public relations with respect to the hospital and the relations between staff and domestic help were excellent.

In his report Mr. Purdy also complimented the Ladies Hospital Aid on their efforts and stated their assistance, both financial and through direct work for the hospital, was invaluable. He paid tribute to the leadership given the Hospital Aid by the President, Mrs. Benjamin Franklin, and the Past President, Mrs. F. R. Eisener.

Mr. Purdy stated that over the year there had been a great improvement in X-Ray, radiology and obstetrical services at the hospital. He also stated an important addition to the hospital equipment was the new \$10,000 X-Ray equipment donated by the Department of National Health and Welfare. Because of the installation of this equipment and the provision of health grants, all patients entering the hospital will receive a free chest X-Ray.

Gifts received by the hospital during the year, Mr. Purdy stated, included a television set for the Nurses' Residence, presented by an anonymous donor. Receipts of the Ladies Aid

during the year amounted to \$1,425.61, with expenditures of \$1,478.69, it was reported.

Dr. Dolron paid tribute to the leadership of hospital affairs given during the year by Mr. Purdy, who he said had done an excellent job as President of the Board. He stated plans for year's Hospital Fair were progressing favorably and present prospects indicated a splendid fair this year.

Elected to the Board of the meeting were F. C. Purdy, Dr. J. R. McCleave, W. L. Troop and Ralph Wright. Mr. Wright replaces Gordon R. Turnbull, who resigned from the Board. Other Board members are Rev. James Brooks, Dr. D. Brennan, J. D. Hattie, B. H. Ruggles, E. B. Richardson, J. W. Christie, H. E. Lewis, J. M. Comeau. Representing the Ladies Aid are Mrs. Benjamin Franklin, Mrs. D. E. Lewis and Mrs. A. J. Dillon.

Committees appointed at the July Board meeting are Finance, E. B. Richardson, W. L. Troop, Dr. L. F. Dolron; Building and Grounds, B. H. Ruggles, J. W. Christie, Dr. J. R. McCleave; House, J. Brooks, J. D. Hattie, R. O. Wright; Special, E. B. Richardson, F. C. Purdy, Dr. L. F. Dolron, B. H. Ruggles; X-Ray, J. D. Hattie, R. O. Wright, Dr. D. Brennan.

A number of doctors newly resident in the area were appointed to the medical staff. They included Dr. E. R. Thomas, Flewelling, who replaces Dr. J. C. MacDonald; Dr. Haffner, who replaces Dr. W. Longaker, and Dr. Fitzgibbon, who was appointed as a consultant. All other doctors in the area, including staff members at the Digby Psychiatric Clinic, are members of the medical staff.

Modern Locomotives Bank Gets Extensive Renovations

The first phase of the Dominion Atlantic Railway's \$2,000,000 expansion and modernization plan for 1956 was completed on July 4th when two brand new diesel electric locomotives — first ever to run on DAR tracks — were placed in operation at Hantsport.

Their tuscan red, grey and focal yellow paint gleaming under a summer sun, the two locomotives started to work on Wednesday morning on the busy "gypsum service" between Hantsport and Wentworth. Built by the Montreal Locomotive Works, the two diesels were delivered over the weekend. Each unit boasts 660 horsepower.

At his Kentville headquarters J. C. McCuaig, manager of the DAR, said that the introduction of these two locomotives was only the first step in his railway's long-range plan for modernization.

"On August 15th," he said, "the Dominion Atlantic Railway will introduce 'Dayliner' passenger service on its main line between Halifax and Yarmouth via Kentville and Digby. Two 'Dayliners' are now being built by the Budd Company in Philadelphia, and it is expected that they will be delivered early next month."

The "Dayliners" are self-propelled diesel passenger units, technically known as RDC-1's. Air-conditioned throughout, the cars have streamlined stainless steel exteriors. Capable of speeds up to 85 miles per hour, the cars have remarkable acceleration, and specially designed braking equipment provides fast, smooth and safe stops. It is anticipated that the cars will be placed on view to the general public at larger centres along the main line the week before they enter service.

Pie Sale Realizes \$54

A pie sale held recently by the Bay View United Church Women's Guild, under the convener'ship of the president, Mrs. Frank Wilson, realized \$54.00.

The pie sale was held at the Life Saving Station, where visitors enjoyed not only eating the delicious pies but also the magnificent view around Digby Gap and Basin.

Pies were cut and sold with a cup of tea for 25c per piece and the remainder auctioned, with Mr. Iken as auctioneer.

Proceeds from a fancy work table and candy table were included in the sum raised.

The Royal Bank of Canada, Digby Branch, has just completed extensive renovations, making the interior of the building compare favourably with some of the most modernly equipped banks of its kind.

New counter fittings and tellers' cages, made of mahogany arborite matt finish have been installed. Counter tops, cheque desk tops and the cubicle shelves are finished with attractive marboleum.

The new rubber tile flooring is in brown and white, pleasantly harmonizing with the colors of the counters and cages.

The newly installed furniture is in a deep shade green which blends with the pastel green walls. Fluorescent lighting and attractive fixtures add a soft radiance to the color scheme besides protecting vision by the absence of glare.

Renovating was made complete from the front entrance to the inner vault. The entrance door is modernly designed of aluminum and glass. A new Hold-up Burglar Alarm System and a heavy well designed new vault door gives desired protection.

The manager's private office is set apart by partitions set with frosted glass.

In an interview with the manager, C. V. Snow, he said: "It is hoped with these improvements to their premises they may be better able to give more prompt and better service to their many customers as well as providing more convenient working conditions for their staff."

Injured In Two-Car Collision

Mrs. George White is recovering favorably following a car accident at Mavillette on Saturday, July 7, when she sustained several cuts and bruises. With her son, Stanley, she was motoring to Yarmouth when the accident occurred.

Mrs. White was knocked unconscious and was taken to Yarmouth hospital for examination. She was badly cut about the face and several stitches had to be taken. Her son also received a number of minor cuts and bruises. The car in which they were driving was badly damaged. Driver of the other car escaped without injury.

Mr. and Mrs. Reginald Turner and daughter, Sandra, were weekend visitors of Mr. and Mrs. Elton Arnold.

Hornet Wrecks Car

Edward Comeau, Hill Grove, had a most unfortunate experience on Sunday while out for a drive.

While driving with his wife and little daughter through Plympton a hornet entered the car. Unthinkingly, Mr. Comeau swatted at the hornet with his cap, and, in so doing, lost control of the car.

The car plunged into the ditch, struck a crosswalk and suffered considerable damage to the front. Mrs. Comeau and the little girl were shaken up and had several bruises. Mr. Comeau escaped without injury.

HOLDS RECEPTION

A reception for Mr. and Mrs. Stanley VanTassel was held last week at the home of his grandmother, Mrs. George VanTassel. Some fifty guests attended to extend to the happy couple their good wishes. Lovely gifts, including silver, linen and other articles were presented Mr. and Mrs. VanTassel, who left for Moose Jaw a few days later to take up residence.

Schedule Western Valley Baseball League

Announcement has been made of the schedule for games in the Western Valley Baseball League for the remainder of the season. Teams in the league this year are Digby, Bear River and Cornwallis.

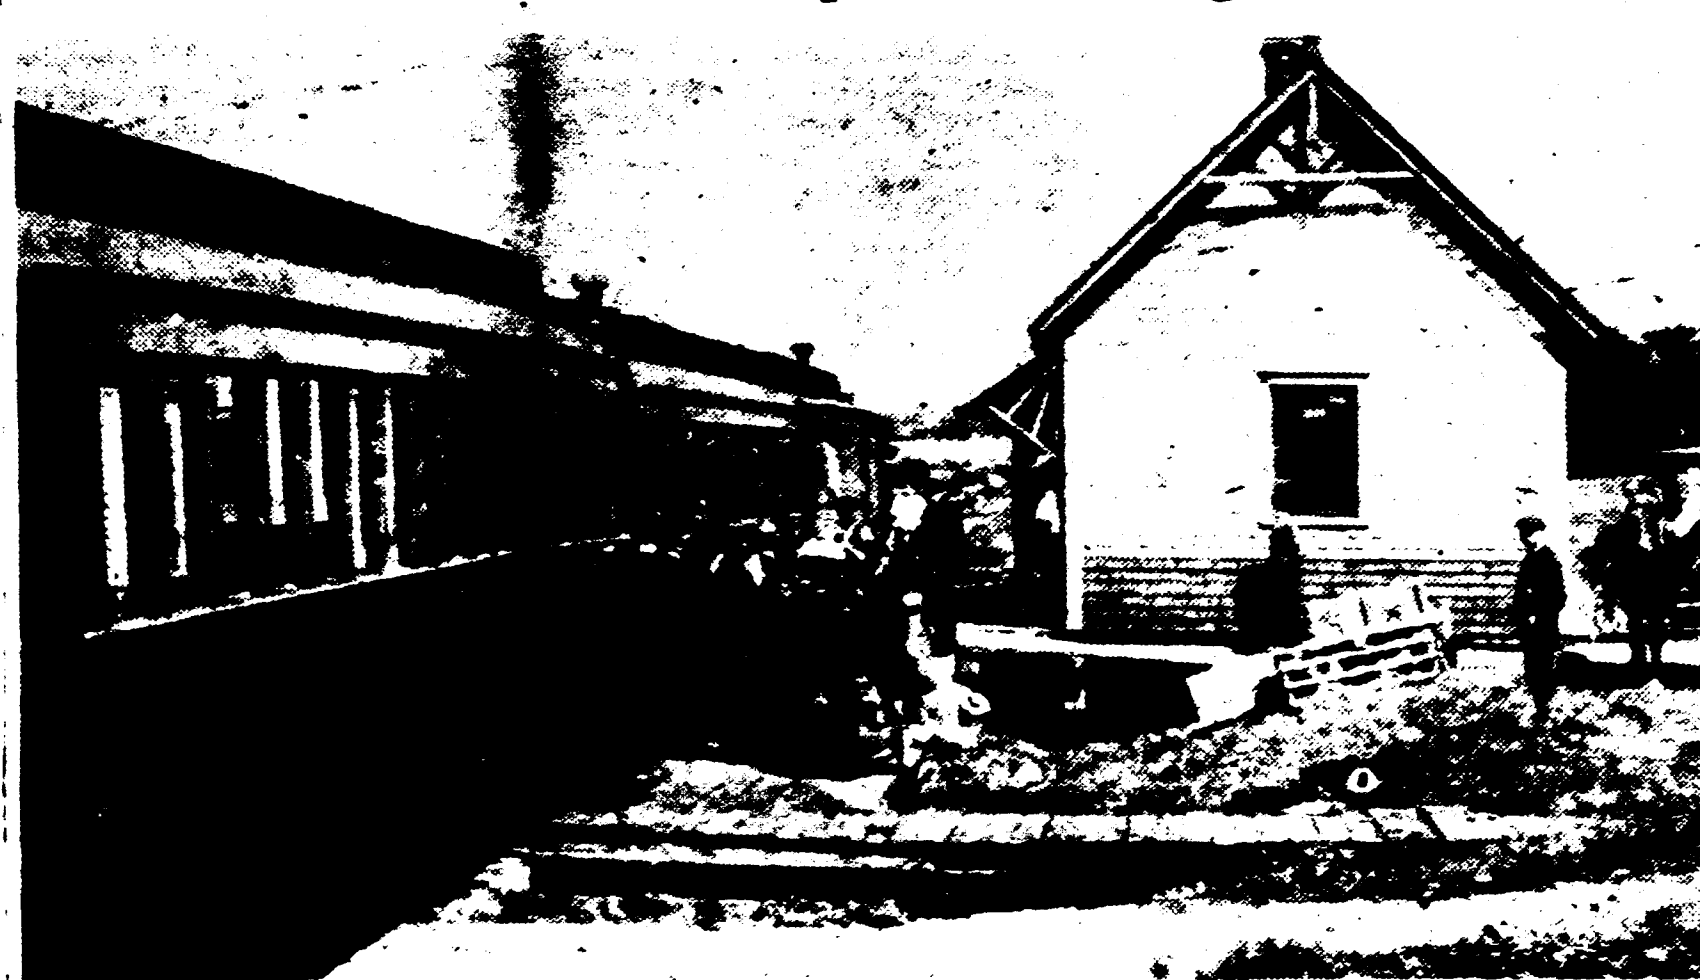

The schedule is as follows:

July 19th — Digby at Bear River.
July 20th — Bear River at Cornwallis.
July 23rd — Bear River at Digby.
July 25th — Cornwallis at Digby.
July 27th — Cornwallis at Bear River.
July 31st — Digby at Cornwallis.

Members of the Digby Ravens Baseball team this year are as follows:

Dave Leonard, p; Junior Mullen, p; Gerry Sanford, p; Bob Morgan, p; Rodney VanTassel, c; Don Hazelton, 1b; Kent Skinner, 2b; Larry Muise, ss; Paul VanTassel, 3b; Fraser Hand-

Deep Brook Station Removed Due To Modern Transportation Changes

(L. M. D. HENSHAW)

Due to modern rail transportation changes, one of Annapolis County's old landmarks, Deep Brook railway station, is being demolished and moved away to be used for other purposes. Deep Brook is no longer a railway stop and the mail driver, Mr. Keith Harvey, drives to Clementsport twice daily to deliver and pick up mail from the train. It is understood that after the middle of August mail will be delivered to post offices by trucks; while new streamlined, air-conditioned, self-propelled rail diesel cars will be used by the D.A.R. between Halifax and Yarmouth. These "Dayliner" coaches will carry 69 passengers and can reach a top speed of 85 miles per hour.

Sixty-five years ago on July 27th, 1956, the portion of the D.A.R. between Annapolis Royal and Digby, known as "The Missing Link", was completed. Deep Brook being half way between the two.

Mr. James R. Vroom, father of the present Deep Brook postmaster, Robert J. Vroom, with his assistant station agent, Herbert Dittmars, sold the first ticket from this station. Mr. Robert W. Purdy Sr., who is still living, was at one time also station agent. Others employed at this station were Capt. Benjamin R. Clements, Digby Winchester, Carl Nichols and Miss Shirley Vroom, who was the last one to sell railroad tickets.

During World War II when the present Naval Base, HMCS "Cornwallis" was under construction, the increased passenger and shipping business required two station agents. Later, upon completion of a D.A.R. station at Cornwallis, and with Acadian Bus Lines operating, business decreased and finally only caretakers were employed for the station by the D.A.R.

Fifty years ago and since, large shipments of apples, lumber, raw furs, potatoes and turnips were shipped from this station, but with changing times and modern methods of transportation, the little country railroad station has been pushed into the background (like the little red schoolhouse) and is finally, in Deep Brook, being done away with completely.

In the pictures we see Deep Brook station 50 years ago with conductor Albert Herbert in

his three-quarter length coat, ladies in "bustles" and "be-plumed" hats, James Taylor Ray, James R. Vroom, station agent, little Robert J. Vroom in his knee-length pants and at the side of the station the "York" of 1905 — Mrs. John York of Bear River in her "fringed-top buggy" with span of horses, operating a taxi service. During her years of serving the public she rarely missed meeting an incoming train. In another picture we see Deep Brook station as it stood in May 1956; now only parts of the frame stand awaiting removal.

(Picture of Mr. Loran Adams, with his sack of mail and horse and buggy ready to "take off" from Deep Brook post office during World War II. Today this is delivered by car in summer and by jeep in winter by Mr. and Mrs. Keith Harvey).

RECORD NUMBER OF TOURISTS IN PROVINCE

Digby is sharing in the heavy tourist travel which is marking the summer season in Nova Scotia this year. Local tourist resort operators report near capacity business with several reporting they have had to turn away numbers of visitors nightly because they could accommodate no more.

The Digby Pines Hotel reports the busiest season in its history and the number of callers at the local provincial bureau of information is reported double that of last year. The M.V. Bluenose and the C.P.S. Princess Helene also report heavy bookings for July and August. It is understood the Bluenose is booked up completely on her northbound run for this period with the exception of five days.

It is reported the Digby area seems to be benefitting heavily from the traffic reaching the province via the Bluenose with numbers of visitors spending from two to five days in the

area before returning home. Through traffic to the eastern section of the province from the Bluenose is reported also to be stopping at Digby or in the area for meals and overnight.

Prominent Digby Woman Passes

The community of Digby was deeply shocked to learn of the passing Monday morning at the Digby General Hospital of one of its best known citizens, Mrs. Enos (Gladys) VanTassel. Although in poor health for some time, Mrs. VanTassel had been able to be up and about until Sunday evening when she entered the hospital, passing away early Monday morning.

Every organization and church group in the community as well as a wide circle of friends and relatives will join to mourn her passing, for Mrs. VanTassel was an indefatigable worker for every society and group in Digby, regardless of its denomination or membership.

Although she never accepted a formal office in any organization, never a day in the year went by that Gladys, as she was familiarly known by all in Digby, was not busy canvassing for some worthy object. Week after week her home was the scene of sponsored card parties, socials and other events to raise money for some local organization needing funds to carry out service or church work or to help some individual needing assistance.

A daughter of the late Chas. VanTassel and Alice Jane Farnham, of Digby, Mrs. VanTassel is survived by her husband; one brother, Harry Dennison, Andover, Mass., and by three sisters, Mrs. Katherine James, Digby; Mrs. Elva Bairt, Roxbury, Mass., and Mrs. Jeanette Yates, Digby.

A largely attended funeral service for Mrs. VanTassel was held yesterday afternoon at Grace United Church. Floral emblems were many and beautiful, giving mute testimony to the high respect in which she was held in the community. Pall bearers were A. Reg. Turnbull, H. M. Warne, Thomas Cleveland and Victor Cardoza. Interment was in the Baptist cemetery.

"Trinity" Softball Team Downs All Stars

A softball team from HMCS "Trinity" downed the Digby All-Stars in an exhibition softball game here last Wednesday by a score of 12-11.

The game was closely contested throughout, with Cleveland and Skinner proving to be the heavy artillery for the All-Stars. Duncan and Allen were high liners for the Trinity.

Further exhibition softball games with naval personnel and the All Stars are planned and it is expected the Dental Corps team from HMCS Cornwallis will tangle with the Digby All-Stars next evening next week at the Digby Ball Park.

Ravens - Blue Sox In Scoreless Game

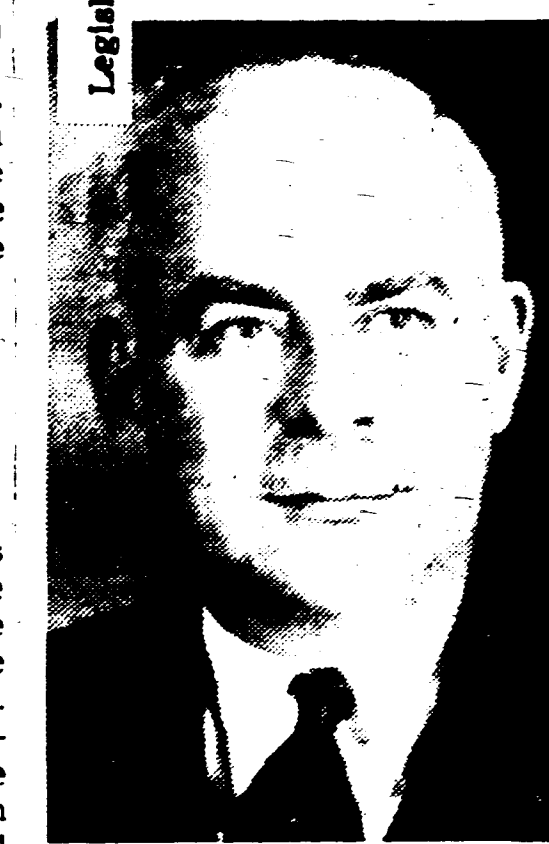

One of the most spectacular ball games ever seen locally was played here Monday night when the Digby Ravens and the Bear River Blue Sox met at the Digby Ball Park.

The two teams played to a ten inning scoreless draw. Sixteen-year-old Dave Leonard, on the mound for the Ravens, chalked up a no hitter going into the eighth but gave up a hit in the eighth and one in the ninth. In the ninth he turned his ankle and had to retire in favour of Junior Mullen, who held the visitors scoreless in the tenth.

Reg. Baird, nineteen-year-old Blue Sox hurler, struck out fourteen in the ten innings of play and only allowed five hits for the Digby team. Only three fly balls made the outfield during the whole game. Fielding by both teams was flawless and McCallum, behind the plate for the Ravens, chalked up an excellent game.

The two teams will meet again tonight in Bear River and excitement is running high locally with respect to the outcome of this game.

To Celebrate 100th Anniversary

Rev. Ross Flemington, President of Mount Allison University (shown above), will be guest speaker at the 100th anniversary of the Sandy Cove United Church on Sunday.

Holy Communion will be celebrated at the church at eight o'clock Sunday morning and other anniversary services will be held at 11 o'clock and at 7:30 in the evening. Guest singers will be Mr. and Mrs. Furber Marshall of Digby. They will be supported by the church choir. At the evening service the Bridgetown Male Choir will provide several selections.

The Sandy Cove United Church has a long and an interesting history. The church is built on land which was sold to the trustees for a nominal one pound sterling in 1852 by Captain John Eldridge. First administered from the old Granville-Annapolis circuit, the Sandy Cove United Church was part of the Digby Neck Mission, and was served by such missionaries as William Black, Freeborn Garretson and Daniel Fidler.

When the present church building at Sandy Cove was completed a pulpit Bible was presented by Captain Joseph W. Bates, of East Boston. The inscription on this Bible, which is still in the church, reads — "Presented to M. E. Society, Sandy Cove, by Captain Joseph W. Bates, East Boston, May 27, 1856". It is interesting to note the letters "M. E.", which stand for Methodist Episcopal.

Sportsmen Gathering At Bear River

Bass fishing on the Bear River is again this year attracting large numbers of sport fishing enthusiasts.

Reports are that good catches of the fighting game fish are being made and also that salmon are now frequenting the waters of the Bear River. Reports of two catches of salmon have been heard and anglers are hopeful this augurs well for the future.

"CUT IT OUT" advises Chief Scout

The Scout Movement, founded by Lord Baden Powell 47 years ago, demands the best of every member and sets before Boy Scouts the goal of constructive living and good citizenship.

The present Chief Scout, the Rt. Hon. Lord Rowallan, K.B.E., M.C., T.D., D.L., L.D., recognizing the hindrance that alcohol is in the struggle to achieve this, says:

"As a life-long abstainer myself, I fully endorse what the Founder of scouting said about the use of alcohol by scouts. It is not only foolish but unpatriotic in the highest degree to risk hampering the full development of mind, body and spirit just because a boy has not the strength of mind to say NO. My advice too, is 'cut it out.'"

Lord Rowallan is a born leader with high Christian ideals. He is active in the Temperance Movement and firmly believes that the example of total abstinence can have an important and valuable effect on others.

SHE'S A LAND-GOING "BLUENOSE"—When the sea-going "Bluenose", the luxury ferry which now links Bar Harbor, Me., with Yarmouth, N.S., was formally dedicated in the Bay of Fundy service, Winifred Grey, who was "Queen" of the Yarmouth Bluenose Celebration, had her own "Bluenose" created by a paint brush in the steady hand of Stanley F. Dingle, vice-president of the Canadian National Railways, which is operating the big ship. The skipper, Capt. Richard E. Davies, smiles his approval of the intricate paint job.

TRAFFIC NOTICE

Re: "Yield Right Of Way" Signs —

Sec. 118 A (Sub. Sec. 3) of the Motor Vehicle Act reads: "The driver of a vehicle approaching an intersection at which there is a 'Yield Right Of Way' sign and facing the sign shall enter the intersection with caution and shall yield the right of way to all other traffic within the intersection or approaching so closely on the intersecting highway as to constitute immediate hazard".

From the above it will be seen that the "YIELD RIGHT OF WAY" signs have full legal force and effect in much the same manner as the STOP sign and it is an OFFENCE to fail to observe the requirement to yield to other traffic.

Re: "No Parking" Regulations —

Signs prohibiting parking between the hours of 8:30 a.m. and 5:30 p.m. have been erected on the NORTH SIDE OF PRINCE WILLIAM STREET between BIRCH STREET and the HEAD OF THE GOVERNMENT PIER. These No Parking regulations have been made necessary by traffic conditions and WILL BE ENFORCED.

W. F. DUNN,
Traffic Authority.

Baptism Held At Granville Churches

At the Anglican Church of Canada, Granville Ferry, Rev. W. E. Jefferson conducted an impressive service when the eight children of Mr. and Mrs. Rupert Parker received the Holy Sacrament of Baptism. The children are, namely: Rupert Jr., Richard, George, Mary, Rosanna, Shirley, Darlene and Dorothy.

God-parents of the children are Mrs. Blanche Stephenson, of Granville Ferry, grandmother, and Mr. and Mrs. Wallace Bailey of Halifax, uncle and aunt of the children.

At All Saint's Church at Granville Centre on Sunday morning Rev. W. E. Jefferson administered the Sacrament of Holy Baptism when Brian Harold, infant son of Mr. and Mrs. Harold A. Bent, and Sharon Kathleen, infant daughter of Mr. and Mrs. George A. Bent, were baptized. The God-parents of both children are Mr. and Mrs. W. H. Hunt, of Granville Beach, grandparents of the children.

Sandy Cove

A large congregation attended the Annual Roll Call Service held in the United Baptist Church on Sunday evening.

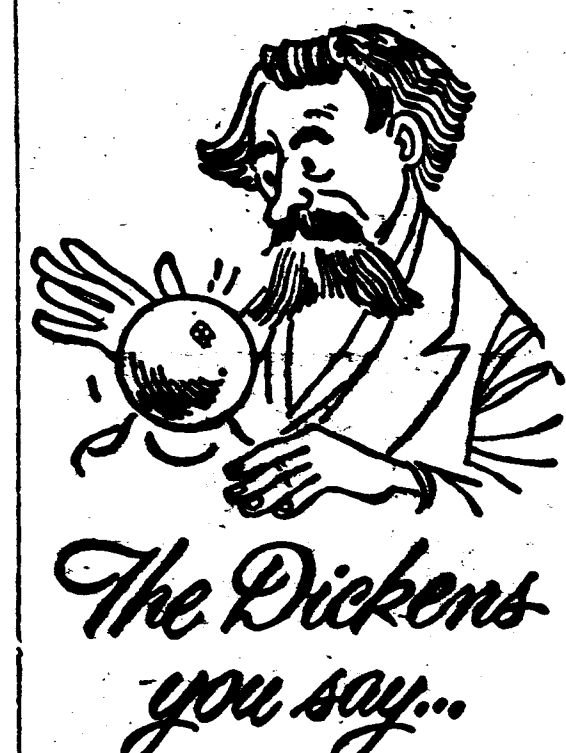

The roll of the church was called by Mrs. Floyd Jeffrey, Clerk.

Guest speaker for the evening was the Rev. M. O. Brinton, Principal of the Bible Training College near Moncton, who delivered a very inspiring address. Four graduates of the school were present and gave testimonial witness for their work.

Two anthems were rendered by the choir, "Jesus Lover Of My Soul", the duet parts being sung by Mrs. Eldon Mitchell and Bradford Merritt, the other being "Living For Jesus". Mrs. Floyd Jeffrey was organist.

Following the regular services colored slides were shown concerning the school and its work which is being carried on.

Save the forests

Maybe Charles Dickens was gazing into a crystal — or aluminum — ball when he made this prediction a century ago about a strange new metal called aluminum. He wrote:

"What do you think of metal as white as silver, as unaltered as gold, as easily melted as copper, as tough as iron? ... In proportion as the cheap production of aluminum becomes more and more an established fact, the more we shall find it entering into household uses — for travelling purposes, for instance, for which its lightness is no small merit."

Very good, Charles — especially that bit about cheap production. That day has arrived, as Alcoa's vast production and world sales prove.

It has been suggested that the West Branch of the Bear River has possibilities of becoming a salmon stream. With the removal of two old dams no longer of any use the salmon could traverse the stream without difficulty. Of course some small fry should be planted upstream at first.

Perhaps with the cooperation of the Fishery Department and some local sportsmen something worthwhile along this line could be done.

Guests of Mr. and Mrs. K. L. Sanford on Sunday were their daughter, Mrs. Donald Carey, and Mr. Carey and boys.

Pat McCarthy was the lucky man and the news spread rapidly. He had hooked an 11 pound salmon at the Powerhouse Pool. The first salmon to be caught in Bear River in many years, it gave him his hands full for 20 minutes. Then the fish got stubborn, as they say, and went down to bottom. Maurice Cox came to the rescue and encouraged it to the surface. Then a short time later he gaffed the salmon to bring it safely to land.

We enjoy the bass season very much and now, with the addition of the salmon the fishermen in the area have another fine game fish on which to try their skill.

It has been suggested that the West Branch of the Bear River has possibilities of becoming a salmon stream. With the removal of two old dams no longer of any use the salmon could traverse the stream without difficulty. Of course some small fry should be planted upstream at first.

Perhaps with the cooperation of the Fishery Department and some local sportsmen something worthwhile along this line could be done.

CAPTURE THREE BEARS
Mr. Hayes and son, John, of Connecticut, U.S.A., have spent the past week at the camp operated by Les Rice and son, Vincent. This week Buddy Henshaw and Barry Lipton are there. Vincent had the honor of capturing three bears—the mother and two cubs—making a total of four for this season.

Another bass boat has slid down the runways to join the already large fleet of local pleasure craft. The builder is Chas. Coombs, and part owner is Edgar Peck. This boat is the first inboard-outboard launched to date and it is hoped that the nature of its construction will prevent the loss of motor parts, or even the motor itself. One time before it plunged to the bottom of the river.

The first day out the boys got soaking wet but landed one fine bass. After tying the boat to the wharf they left for home. Later they found the tide had submerged both boat and motor after it became caught in the wharf. Better luck next time boys.

royal, Halifax Co., who has been visiting relatives and friends here and in Digby, attended the roll call service held in the Baptist Church on Wednesday last.

MARRIAGES

Wagner — Cann

A lovely summer wedding was solemnized in the vestry of St. Croix Church, Plympton, on Sunday, July 15, at 3 o'clock when Flora May Cann, daughter of the late Mr. and Mrs. Alfred Cann, of Central Grove, was united in marriage to Sidney James Wagner, son of Mr. and Mrs. Archibald Wagner, of Sissiboo Falls. Rev. Father Deveau officiated.

The bride looked lovely in a ballerina length gown of baby blue organza embellished with white. It was fashioned with fitted bodice and sweetheart neckline with Queen Anne collar. The sleeves were three-quarter length. The skirt was flared through sides and back with straight front panel. Her veil was shoulder length, falling from a floral crown. With this gown she wore a miracle cross, a gift of the groom, and carried a nosegay of American beauty roses.

Mrs. Osborne Handsplaker, of Digby, sister of the groom, was matron of honor and was charming in a street length dress of pink organza with white accessories. Her nosegay was of yellow and white chrysanthemums.

The groom was supported by Osborne Handsplaker, of Digby. The double ring ceremony was used.

The mother of the groom was tastefully dressed in a brown floral gown and wore a corsage of pink carnations.

For travelling the bride wore a tailored suit of blue slate with white accessories. She wore a corsage of pink and white carnations. The bride is well known throughout Digby County and the groom is employed at Weymouth Motors Ltd., and is also well known as a taxi driver. Prior to their marriage a stag party was tendered the groom by the staff of Weymouth Motors Ltd., at the Goodwin Hotel.

On their return from a trip around the province the happy couple will reside in Burtonvale.

A wedding supper was held on Tuesday evening at the home of Mr. and Mrs. Arch Wagner, Sissiboo Falls.

Out of town guests at the wedding were Mr. and Mrs. Boyd Outhouse and daughter, of Tiverton; Mr. and Mrs. Murray Cann and daughters, Joyce and Donna, of Central Grove; Walton Cann, of Central Grove; Mr. and Mrs. Chas. Cann and family and Eugene Cann and

Is Given Appointment

Mrs. Charles Journey, Weymouth, has been informed that her nephew, Donald Brunell, son of Mrs. Bertha Brunell, Somerville, Mass., has been elected principal of the Pierce School. Mr. Brunell was a teacher at Linden School and lives with his wife, two children and mother at Somerville.

He attended the Belmont and Browne Junior High before entering Maiden High and was a newsboy at the Towns agency when awarded the News scholarship. He played catcher on the Malden High baseball team at Browne and Malden High and on the Legion nine.

A veteran of World War II, he is a director and athletic coach for the Sir Galahad Boys' Club of St. Paul's Episcopal Church. He has taught in the Malden school system for seven years, beginning as a substitute at the junior and senior highs, and taught for five years at the Leonard School before moving to the new Linden School.

daughters, of Freeport; Misses Gladys and Irene Hill, of Digby; Mrs. Myron Marshall and daughter, Marion, and Mrs. Percy Hill, of South Range, and Mrs. Ella Allan, of Joggins Bridge.

Campbell — Kirkconnell

Of wide interest was the marriage of Miss Helen Winnifred Kirkconnell, eldest daughter of Dr. and Mrs. Watson Kirkconnell, of Wolfville, to Mr. Gordon Palmer Campbell, son of the late Mr. Gildden Campbell, and Mrs. Campbell, of Weymouth North.

Rev. Dr. Herman C. Olsen performed the ceremony in Wolfville Baptist Church.

The bride wore a gown of white nylon chiffon, with fingertip veil caught into a bandeau of tiny white flowers, and carried a cascade of white roses, stephanotis and ivy.

Given in marriage by her father, she was attended by her two sisters, Janet and Susan.

William J. Grant, of Truro, was best man. Ushers were John G. S. Campbell, brother of the groom, and John D. Don and Stuart Campbell, cousins of the groom.

After the reception at the home of the bride's parents, Mr. and Mrs. Campbell left for Prince Edward Island. They will live at Windsor, Nova Scotia.

Weymouth Vacation School Closes

Last week in the Weymouth United Church a successful Vacation School was held under the direction of the minister, Rev. Wm. Armitage. About 37 children attended the school each morning, learning new hymns, engaging in handicrafts as well as the Bible lessons based on the ministry of Jesus.

Assisting Mr. Armitage as leaders were Mrs. C. DeLong, Miss Teresa Robicheau, Miss Joan Thurber, with junior leadership from Miss Mary Esther Robicheau, Miss Ruth Hankinson, Miss Fat Hankinson, Miss Marina Hill and Keith DeLong. Mrs. Robie Hill was in charge of the music, and also arranged for the transport of children living at a distance.

The School closing was held on Sunday morning, when the service was composed of items presented by the children. The highlight of the service was a tableau based upon the United Church Crest, demonstrating the Union of the Churches, and outlining the contributions made by the uniting churches. After the service, there was a display of the handicrafts made during the school, among which were two electric maps, made by the boys, and a book showing the scope of the United Church in all its departments.

It was generally agreed that the School was well worth holding, and that, besides the enjoyment shared by the children, much was learned by children and leaders.

OBITUARY

Robert Hanford Andrews

Robert Hanford Andrews, veteran of the First World War, passed away at the Digby General Hospital early Wednesday morning. He had been in failing health for the past eight months.

Born at Deep Brook 65 years ago, he was a son of the late Robert and Elizabeth Andrews. In 1914 he joined the 112th Infantry Bn. and served until 1918. Following discharge he moved to Digby where he has since resided.

He was employed for a period of 27 years with the H. T. Warne Co.

Surviving besides his wife, the former Etta Small, are: three sons, Hanford, of Mink Cove, Wilfred and Roy of Digby, N. S.; three daughters, Beatrice (Mrs. Carl Stanton), East Ferry, Violet (Mrs. Clifford Thibodeau), Digby, and Dorothy and Edith at home. Three brothers, Herbert, of Smith's Cove, Frank, of Deep Brook, and Arthur, of Digby, and one sister, May Robinson, of Belmont, Mass., also survive.

Funeral service will be held from Jayne's Funeral Home, Digby, N. S., on Friday afternoon at 2:30 p.m. Rev. E. C. Churchill will conduct the service and interment will be in the family lot in the Baptist cemetery.

W.M.S. HAS GUESTS

The Women's Missionary Societies of Sandy Cove and Little River met at the home of Mrs. F. E. Rice on Wednesday afternoon, July 11. After the service a picnic lunch was held in the hall. There were twenty-four present.

Mrs. Eldon Mitchell, president of the Sandy Cove W.M.S., opened the meeting with a poem "Look Christian." Mrs. Austin Denton, president of the Little River W.M.S., read the scripture, Matt. 25:31-46. Mrs. E. M. McCullough had the devotional and Mrs. Floyd Jeffrey led in prayer.

Guests at the meeting were Miss Cudmore and Miss Roblee of the Bible school. Miss Roblee favored the group with a solo, "Trusting Jesus That Is All." Mrs. Harvey Denton was also a guest and reviewed the history of the founding of the W.M.S.

The Helping Hand Club of the United Church met on Tuesday evening with Mrs. Richmond Journey.

When a fellow was trading in his car at our lot the other day I lifted up the hood to take my initial peek at the engine, and I was just about blinded.

The sun glinted off the underside of his hood almost like a mirror.

When I scratched my head and asked him about it, he outlined one of the smartest little car-care hints I've heard in a long while. He had cleaned off the underside of the hood and covered it with aluminum paint.

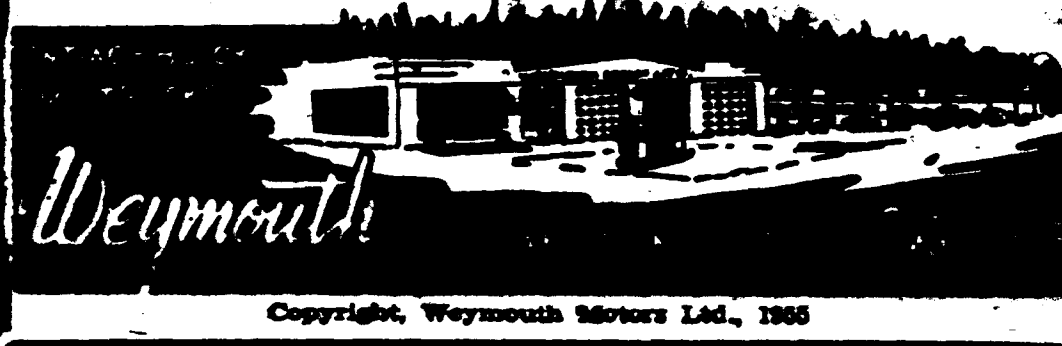

The aluminum reflected much of the heat from the engine, keeping the hood comparatively cool. This is important, since the wax on the outside of the hood can melt if the hood gets too badly overheated from the engine. That's one reason why the finish on a car hood is often not as well preserved as the rest of the body.

But on this chap's car, the hood was bright and gleaming.

He was like many car owners we see in here, so interested in looking after his car and preserving its value that his brain worked overtime. We get a lot of these specially babied cars on our lot and, like all the cars on the lot, we have our experts go over them thoroughly before they're placed out for sale.

One of the most valuable guides in buying a used car is to know the "story" behind it, something about the previous owner and how he looked after it. That's the background our individual sort of service can give you.

MADE VICE-PRESIDENT

(Continued from page 1)
to 1930 when the war broke out. Dean West has had a long, active and varied career as a soldier. He was a member of the Canadian Expeditionary Force from 1917 to 1919, serving as Lieutenant and Acting Captain. For seven years in the 1920's he was Commanding Officer of the Mount Allison Contingent of the C.O.T.C. For ten years previous to the Second World War he served with the New Brunswick Rangers, N.P.A.M., and was their Commanding Officer with the rank of Lieutenant-Colonel from 1936 to 1939. He commanded the New Brunswick Rangers in the active force from 1939 to 1942. From 1942 to 1945 Lieutenant Colonel West was attached to National Defence Headquarters, Ottawa, on the Army Education Staff. During this period he served as Liaison Officer for the Canadian Legion Educational Services. His experience in teaching and educational administration, and his years of service in the army, together with his personal qualifications, provided a happy combination for distinguished service in this important sphere of army life. His talent found further opportunity for expression when he served as Liaison Officer with the Royal Commission on veterans' rehabilitation, and with the Khaki University of Canada. In 1945 Lieutenant Colonel West became head of the Physics Department of the Khaki University of Canada and after the conclusion of its academic work, he commanded the unit until it was disbanded. He retired from the army in 1946 with the rank of Lieutenant-Colonel.

Dean West is an active member of the Engineering Institute of Canada and a past Chairman of the Moncton Branch. He has served as a member of the Council of the New Brunswick Association of Professional Engineers and as an Associate Member of the American Society of Civil Engineers. He takes a great interest in civic activities and is a Past President of the Rotary Club, the Curling Club, the Golf Club and the Canadian Legion, and is a member of the Board of Trade. In 1952 he was honored by Nova Scotia Technical College with the degree of Doctor of Engineering, Honoris Causa. Thousands of old Allisonians, particularly those in Science and Engineering, will be delighted at this additional honor which

MARRIAGES

Proulx — Adams

A quiet wedding was solemnized by the pastor, the Rev. F. Miller, at the Deep Brook United Baptist Church, Saturday afternoon at 4.30 o'clock, July 14, when Virginia Dawn Adams became the bride of Quartermaster Joseph Rosaire Proulx, son of Joseph and the late Mrs. Proulx, Coleraine, Quebec, in a double-ring ceremony. The bride, daughter of Mr. and Mrs. Frank E. Adams, of Deep Brook, wore a grey linen suit and white accessories with corsage of yellow roses. Matron of honor was a sister, Mrs. Carl Burrill.

Mrs. Adams, mother of the bride, was wearing an afternoon dress in a shade of brown with corsage of pink fashion roses. Immediately following the ceremony members of the immediate family, the bride party and Rev. and Mrs. Miller were served dinner at the bride's home, and at 8.30 an evening reception was held at the home of Aubrey Adams, uncle of the bride, proposed the toast to the bride which was responded to by the groom.

After a week at the family summer cottage at Albany, Annapolis County, the happy couple will return to Halifax where the bride is in the advertising department of the Chronicle-Herald and the groom is stationed on HMCS Algonquin.

has come to Dr. West in his appointment as Vice-President of the University. Dr. West's friends in Digby, where his daughter, Mrs. James Ayer, Mr. Ayer and family reside, are pleased to hear of his new appointment.

About This and That

On Sunday Law

Sunday law is meant to ensure to the people the benefits of Sunday, and neither its purpose nor its effect is to impose distasteful duties upon anyone. The Annual Report of The Lord's Day Alliance, just published, makes this statement, but also goes on to say that without law, however, Sunday privileges would rapidly disappear.

The Lord's Day Alliance contends that such a disappearance would come about not because of any wish of the majority, but rather by the lack of concern on the part of a greedy minority. Their desire to increase financial profits rather than to promote human welfare if unrestrained by law would turn Sunday into another day of business.

In this the Lord's Day Alliance speaks from experience. Industry has made such attempts, and the Report mentions the pulp and paper industry in particular in which the unions expressed opposition. The small food shops and magazine stores are a perennial problem. These remain open ostensibly as restaurants, according to the Lord's Day Alliance, but, being open, they not infrequently sell commodities which may not legally be sold on Sunday. Small stores in summer resort areas, and the roadside sale of produce by farmers are other "problems."

Burden of the Report appears to be the issue taken with those who would be "Sunday profiteers." The Report admits that certainly the Sunday issue is alive in Canada, and states that the Lord's Day Alliance is actively endeavouring to preserve the good law that protects the enjoyment of Sunday as a day of rest.

Coast Guard Still Running

The Digby Courier was pleased to receive word that one of its contemporaries, The Shelburne Coast Guard, does not intend to cease publication. In a letter from F. H. Nicoll, pro manager, the Courier was advised that the long and honourable career of the paper for 60 years, under the names The Shelburne Budget and The Coast Guard, has not come to a close. They ask their subscribers to abide patiently with them and they will shortly announce the paper's future.

Quarter of Million Tourist Advertising Membership Reached Campaign Successful By Kiwanis

The 250,000th Kiwanian was formally recognized at a special ceremony climaxed the 41st annual convention of the service organization in San Francisco late in June. The quarter-million member is a Californian, Claude E. Taggart, 33, of Rialto (near San Bernardino). He is a charter member of the newly-formed Kiwanis Club of Rialto.

Taggart is employed by the Rialto office of the Federal Social Security Administration. Mid-season figures, showing the response to advertising, indicate that almost twice as many potential tourists have requested information about Nova Scotia to date as sought information during the entire past season.

Up until October 31 last year, 31,197 coupons were received in direct response to advertising. The figures to June 30, 1956, show a total response of 52,046, with four coming months to add to the total. When the response to their Maritime co-operative campaign is added, the final response to advertising shows a figure of 59,458 coupons.

It is interesting to note that completed negotiations for the purchase of a piece of downtown Chicago real estate upon which a million dollar home office building for the organization will be constructed. Work on the new building is expected to begin within two years.

Graduation At Freeport

A large crowd attended the graduation exercises of the Freeport High School on Friday, June 29th. Master of ceremonies was James Olmstead, principal. The program was as follows, with processional and chorus by the class, followed by prayer by Rev. J. W. Derby, Westport.

Freeport Class History, by Wayne Perry.
Westport Class History, Deanna Derby.
Class Prophecy, Janet Melanson.

Solo, "Graduation Day," by Donna Crocker.
Violin Solo, James Olmstead, accompanied at the piano by Mrs. Egbert Crocker.

Chorus, "The Harp That Once Through Taras Hall."
Presentation of class gifts was made by Winnifred Shaw and Constance Tibert. Mr. Olmstead presented a silver cup for citizenship to Wayne Perry.

The Valedictory was given by Elizabeth Morrell (Bette Jean). Guest speaker of the evening was Rev. F. D. Miller, Deep Brook.

Prizes were then presented by B. S. Morrell to Constance Tibert, (English); Winnifred Shaw, (History & Economics); and Bradford Blackford, (mathematics). Delbert Crocker presented Mr. Olmstead with a gift from the class.

Closing chorus, "Wish Us Luck," was followed by "The Queen."

The graduates were: Winnifred Shaw, Deanna Derby, Carolyn Welch, Dorothy Welch, Barbara Titus and Willard Garon. Westport; Janet Melanson, Constance Tibert, Elizabeth Morrell, Althea Nichols, Bradford Blackford, Wayne Perry and Delbert Crocker, Freeport. They are now busy writing provincial exams. We wish them success, and to the Westport graduates who had a rough winter crossing the ferry, we especially praise them for courage.

The New York Office of the Nova Scotia Travel Bureau accounted for 16,885 responses and the Halifax Bureau 33,161 responses. These coupons are assessed against advertising expenditures to show the newspapers and magazines which are most productive of results.

In the current campaign the greatest responses came from the New York Times with 3,658 and the New York News with 3,217. The magazines, National Geographic and Holiday, were highest producers in their field with 6,912 and 6,328 responses, respectively. All of the above figures relate to direct advertising responses and do not include other mailed requests or responses.

MARRIAGES

Ellis — Tidd
The United Baptist Parsonage at Little River was the scene of a very pretty wedding on Thursday evening, July 19th, when Donna Pearl, youngest daughter of Mr. and Mrs. Donald C. Tidd, Whale Cove, became the bride of Perry Franklin Ellis, son of the late Robert J. Ellis and Mrs. Ellis, of Woodward's Cove, Grand Manan, N. B.

The ceremony was performed by the Rev. Claude T. Olmstead, minister of the church, in the presence of relatives and friends of the popular young couple.

They were unattended and after the ceremony left on a motor trip. They will reside in Woodward's Cove where the groom is engaged in fishing. The good wishes of their many friends go with them.

LeBrun — Gaudet
A beautiful wedding took place at Concession on Saturday when Miss Rosie Gaudet, daughter of Mr. and Mrs. Jules Gaudet, became the bride of Willie LeBrun, of Ottawa, now stationed at Halifax with the R.C.N.

The bride, given away by her father, was lovely in a gown of nylon and lace with shoulder veil and carrying a bouquet of flowers. Her sister, Bernadette, dressed in green nylon, was maid of honor. Best man was Donald Parent, of Ottawa, also with the R.C.N.

Breakfast was served at the home of the bride to some fifty relatives and friends. The couple received many beautiful gifts. Mr. and Mrs. LeBrun will reside in Halifax.

OBITUARY

Manning Dondale
At Milford Corner, Digby Co., on July 6th, at the advanced age of 87 years, Manning Dondale passed peacefully away at the home of his son, William, with whom he had resided for the past 18 years.

Mr. Dondale had been in failing health for some time but had only been confined to his bed for the past two months. During this time he was tenderly cared for by his son and daughter in law.

He was born at Princedale, Annapolis Co., and was the son of the late William and Mary (Beeler) Dondale, and grandson of John Baptist Dondale who fought in the Napoleonic Wars, and was one of the pioneers of the country.

The deceased is survived by two sons and one daughter: William of Milford Corner, Digby Co.; Ervin of Princedale, Annapolis Co., and Elsie (Mrs. Vernon Crosby), of Richmond, Yarmouth Co.; also five grandchildren and five great grandchildren, as well as several nieces and nephews and a host of friends who will miss him greatly.

Funeral services were held on Sunday afternoon from the Clementsvalle United Baptist Church of which the deceased was a devoted and faithful member, the pastor, Rev. Edgar Robertson, officiating. Hymns sung were: "When My Life's Work is Ended," "In the Sweet By and By," and "Abide With Me." Interment was in Clementsvalle cemetery by the side

ANNIVERSARY SERVICE AT UNITED CHURCH

On Sunday, July 22, the 97th anniversary of the United Church of Canada was observed by having special services in the morning and evening. A large congregation attended both services.

The Rev. G. W. Godfrey, superintendent of Home Missions for the Maritime Provinces, presented the message in the morning which was most interesting and inspiring, reading from the 21st chapter of Revelation and using the 16th verse for his theme. Mrs. Seeley, of Smith's Cove, beautifully rendered a solo, "How Lovely Are Thy Dwelling Places," and the choir sang two anthems.

At the evening service Chaplain Wm. Taylor, of H.M.C.S. Cornwallis, delivered the sermon, his Bible reading being Romans 12th chapter. The theme was "Transforming Power." He presented his sermon in such a manner that made it inspirational to the many attentive listeners. The Men's Choir from Little River, under the direction of Mr. Shirley Tidd, rendered several beautiful numbers. There were two quartette numbers. Mrs. Lindsay Raymond was the organist.

The congregation appreciated the singing of these old time favorites. There were many former members and visitors in attendance.

Cherry Blossom Chapter, Order of the Eastern Star, Bear River, held its regular meeting Monday evening, July 9, in the Masonic Temple. The Worthy Matron and Worthy Patron presided during the meeting. Eighty members and visitors were present.

The Chapter room was decorated beautifully with a profuse arrangement of weigelia, syringa, and baskets of peonies.

Following the business session a Friendship ceremony was presented by seven of the officers. A nosegay of pansies was presented to each Worthy Matron and Past Matron and pansies were given to other members and guests.

A social hour was enjoyed in the reception hall. Delicious refreshments were served by the committee in charge.

Miss Judy Buckler entertained at a weiner roast on Thursday evening at Sandy Bottom Lake in honor of Adrian Buckler and friends from Lloydminster, Saskatchewan.

MARRIAGES

Shaw — Hersey

A pretty wedding was solemnized at Holy Trinity Anglican Church, Digby, on Saturday evening, July 21, at 7.30 o'clock, when Barbara Jean, younger daughter of Mr. and Mrs. Lloyd Hersey, of Granville Ferry, was united in marriage with Douglas Ernest Shaw, son of Mr. and Mrs. Ernest Shaw, of Annapolis Royal.

The ceremony was performed by Rev. H. Y. MacLean, rector of Holy Trinity Church, in the presence of relatives and friends of the bridal couple.

The bride was a picture of loveliness in a street length dress of white linen fashioned with full skirt, round neckline, and three-quarter length push-up sleeves. She wore a single strand of pearls and a corsage of red roses. Her white picture hat with gardenia trim was of linen, matching her dress and she wore matching accessories.

Miss Ann Hersey, of Halifax, sister of the bride, was bridesmaid and looked charming in a Queen's blue dress of linen with matching picture hat, white accessories and a corsage of yellow carnations.

The groom was attended by his brother, Reginald Shaw, of Halifax.

Following the ceremony a small reception was held at the home of the bride's parents at Granville Ferry, for immediate members of the respective families.

The toast to the bride was proposed by William Halsey, of Halifax, and responded to by the groom.

Wilson — Farndon

A pretty wedding took place Saturday, July 14th, when Alice Bernice Ydya Farndon, youngest daughter of Mr. and Mrs. Ernest Farndon, of 3009 Cedar Hill Road, Victoria, B. C., exchanged vows with Mr. Robert Keith Wilson, son of Mr. and Mrs. Fred Wilson, of Digby, Nova Scotia.

Mr. H. L. Hopkins officiating minister, heard the vows of the young couple in the Quadra Bible Chapel, which was decorated with flowers for the occasion.

The bride, given in marriage by her father, wore a floor length white lace and nylon dress. Her veil of nylon was held with a diamond studded head band. She carried a mantle shaped wreath with red roses set in white gladioli.

Mrs. Jean Hepburn, wearing a pink ballerina length dress and matching hat, was matron of honor. The bridesmaids in blue ballerina length dresses and matching hats, were Mrs. Claudia Farndon and Miss Jean Davis. Their bouquets were pink and blue tinted gladioli.

Pretty Lynda Scoble, in pink net and organza, looked winsome as flower girl. Her head-band was pink and she carried a basket of pink carnations and streamers.

Gerald Hepburn, cousin of the bride, was best man. Jim Farndon and David Farndon, brothers of the bride, were ushers.

Mr. Hugh McLeman, of Vancouver, gave the toast to the bride. Out of town guests were Mrs. J. Dean and Mrs. R. Genest and Miss Edith Genest, relations of the bride's mother.

A reception was held at the home of the bride's parents for about eighty guests.

The bride and groom left for a tour to the U. S. A. On their return the couple will make their new home in Victoria.

In Memoriam

IN MEMORIAM — In loving memory of our dear son and brother, Merrill Allison Titus, who was drowned July 25, 1955. He is gone but not forgotten. And as dawn's another year. In our lonely hours of thinking.

Thoughts of him are always near. Days of sadness will come o'er us. Friends may think the wound is healed. But they little know the sorrow that lies within our hearts concealed.

— Always remembered by mother and father, brothers and sisters.

IN MEMORIAM — In loving memory of my dear brother, Merrill Allison Titus, who was drowned in the Bay of Fundy July 25, 1955.

We little knew when we awoke that morn The sorrow the day would bring.

For the call was sudden, the shock severe. To meet with one we loved so dear.

Sometimes it's hard to understand Why things have to be. But in His wisdom God has planned.

Beyond our power to see. God gave us strength to fight it. And courage to bear the blow. But what it meant to lose you No one will ever know.

— Always remembered by his sister, Sadie, Bernard and family.

A troupe of European acrobats brought along with them, to "support" them in their U.S. circus tour, a 66-foot tapered aluminum tower. Also this is a 26-foot motor-driven ladder, on which they go through their aerial routine.

If we're in their tight, we know we'd make darn sure that everything holding us up was plenty strong. No doubt that's why they chose aluminum. Plus the fact that this light metal would make much easier work of erecting the contraption. We've pleased that they, like so many other people, found just what they wanted in this light, strong, versatile metal.

Two changes Harry Shoubridge is glad to see

"The modern food store is a shopper's paradise," says food store owner Harry Shoubridge. "Self-service has made buying quicker and easier. New departments, such as frozen foods, have brought a wider choice of products. Package designs, store arrangements and lighting have all been modernized and vastly improved."

Another change benefits Mr. Shoubridge and his family in a personal way. Nowadays it's easier to provide financial security for families because life insurance policies are much more flexible. Never before has the range of policies and plans been so wide.

Life insurance representatives, too, are trained to give more competent service in the selection of plans to meet individual family needs. Today, through life insurance, ready funds are provided for emergencies, for education, for safeguarding your home, for your business and for your retirement.

In these and other ways, the life insurance companies in Canada are in step with progress... bringing benefits to people in all walks of life!

THE LIFE INSURANCE COMPANIES IN CANADA

Life insurance payments to Canadians totalled more than \$300 million last year and \$200 million of these payments were made to living policyholders.

by Ken Hankinson

When a road-expert friend of mine first mentioned that engineers were experimenting with rubber roads I thought "Oh Boy, you'll be able to bounce those pedestrians like tennis balls right over to the sidewalk."

No, not quite. There is a lot of rubber in a rubber road, but not that much. The advantage, according to the people who make the rubber and asphalt mixture, is that roads last much longer. They have nearly twice as much resistance to breaking and stand up better in extremes of hot and cold.

Engineers have been watching a stretch of rubber and asphalt road in Holland. German soldiers marched on it, and the allied armies chased them back along it. The road has had hardly any work done on it in 15 years, yet is still in good condition.

Experiments have only recently started here, although the first rubber road was laid in Singapore in 1929.

There are three stretches of rubber road in Canada that I know of, one is Le Marchant Road in St. John's, Nfld., and the other two are in the Province of Quebec.

Since cars were first made, rubber, both natural and synthetic, has made the ride smoother. On our lot we make sure that the rubber on all our cars is in shape to give you many, many miles of comfortable travel before you have to worry about that expense.

It's one of the little extras, a bonus of consideration, you get by dealing with a firm that has made its name by pleasing hundreds and hundreds of people.

Have Family
Gathering

The children of Mrs. Mac Frost, Little River, had a family get-together with their mother on Sunday at the home of Mr. and Mrs. Oakley Turnbull, Lighthouse Road. This is the first in ten years that the children had an opportunity to meet at one time.

Over thirty, consisting of children and grandchildren, were in the party and included Mrs. Frost, Mr. and Mrs. Oakley Turnbull and children, Mr. and Mrs. Eldred Frost and family, Little River, Miss Joan Louise Frost, Hill Grove, and Mrs. Ainsley Tidd and children, Little River, Mr. and Mrs. Ernest Shaw and family, Annapolis Royal, and Mr. and Mrs. Thomas Enders and children, Lynn, Mass.

Child Wanders
Away

Tears of joy flooded the face of an American tourist mother when Chief of Police Webster Dunn, returned her two-year-old child safe and sound.

While shopping in the centre of town on Monday the child wandered away from his mother and was later discovered near the trucks which had been unloading pitprops on the wharf. Frank Baxter had noticed the child alone and put him in care of Miss Jeanette Williams, who was nearby, until the owner could be found. The little lad was located there by the town police, none the worse for his excursion.

Observes 83rd
Anniversary

A beautiful and impressive service was held at the Bay View United Church on the occasion of the 83rd anniversary of the church. Rev. James Brooks, pastor, spoke on "Obligations to the church," and Mrs. Harold Mills, of Montreal, sang "The Lord's Prayer".

Among the exceptionally lovely floral arrangements created by Miss Fern Adams, of Bay View, were madonna lilies, donated by the Digby Pines Hotel. After the service the flowers were sent to the Digby General Hospital.

Nearing \$700

The latest proceeds of the Digby Branch Victorian Order Nurses Drive is now gross \$689.56 and net \$682.58.

According to the committee who were still receiving donations on Monday, little prospect remains for a higher figure for the 1956 drive.

The realization of a few promises and expectations could bring the Drive revenue to the \$700 mark, it was thought.

H. C. Morton, of the Digby Branch, Bank of Nova Scotia, was in Yarmouth on Friday to attend the official opening of a new branch of the Bank of Nova Scotia there.

STILL STUDYING
FUNDY CAR FERRY

New interest in the question of a car ferry to operate from Saint John across the Bay of Fundy was aroused in Digby yesterday following a report on an address given by the general manager of the D.A.R. before a gathering of Rotarians in Halifax.

Mr. MacQuail is reported to have said that the question of a new car ferry to operate between Saint John and a point somewhere in the Annapolis Basin is far from dead and that a survey team is working on technical problems involved. The problem of loading and unloading cars has been solved by engineers, the big difficulty being the tremendous high tides in the Bay of Fundy.

The next problem Mr. MacQuail is reported to have said is to locate a dock site somewhere in the Annapolis Basin. Speaking on the subject "Transportation in Western Nova Scotia," he said that the subject of transportation in the Annapolis Valley today is "a hot one."

He said the D.A.R. employs 610 people, has an annual payroll of approximately \$2,000,000, purchases some \$545,000 worth of supplies from Valley business concerns annually and pays out a further \$148,531 in pensions.

"In all, the Dominion Atlantic Railway funnelled \$2,693,531 into Western Nova Scotia during 1955.

"The first train travelled to Windsor some 98 years ago and while certain improvements have been made since then, there is still a tremendous need for improvement — a need that we intend to fill," Mr. MacQuail said.

He described the diesel now operating between the gypsum quarries and Hantsport and said that it is hoped that the whole of the Canadian Pacific Railway, which includes the D.A.R., will be completely dieselized by 1961.

Mr. MacQuail said a research team is presently working on a project which includes new time tables for both freight and passenger services, as well as other improvements which will either come at the same time, or shortly after, dieselization.

On August 20, he said the D.A.R. will inaugurate a diesel passenger service between Yarmouth and Halifax which will utilize the latest in modern passenger carrying equipment and conveniences. He said the nine-hour run between the two points has already been cut to eight hours and five minutes but that the diesel service will cut this time again to six hours and ten minutes.

"We are not primarily interested in speed but rather in safety and comfort," said Mr. MacQuail. "So far we haven't had the courage to cut the schedule any further and while we could make the trip in safety at five hours and 30 minutes, there are other improvements which will have to take place beforehand."

Enjoying Nova
Scotia Trip

When Miss Marjorie MacDonald and Miss Anne Trick came off the Princess Helene on Monday, it was quite easy to guess their destination — Cape Breton — which was printed in bold letters on the packs they were carrying.

This is the first trip to Nova Scotia for both the British girls who have been working in Montreal since November, and it is a hitch-hiking adventure.

Many people in Digby will be interested to know that Miss MacDonald, who is formerly from Scotland, worked in England with Mr. and Mrs. George Roper, who were here with the Psychiatric Clinic some years ago, and that she now works in the Allan Memorial Hospital in Montreal with Dr. and Mrs. J. S. Tyhurst, who were also with the clinic here. Miss Trick is from Wales.

Before leaving their work in Montreal the two adventurers plan to make a hitch-hiking tour across the United States to Texas, and from there to Vancouver. They plan to remain in Canada.

Digby Ravens Down
Cornwallis Navy 7-2

A large crowd last Wednesday evening saw left hand hurler Bob Morgan make his first start of the season as the Digby Ravens downed the Cornwallis Navy team by a score of 7-2, in a regular scheduled game of the Western Valley Baseball League.

Backed by the timely hitting of Skinner, VanTassel and Paul, and the defensive playing of Mulise, Morgan gave up ten scattered base hits, struck out eight and walked four. His team committed two errors.

Cornwallis used two pitchers, who between them chalked up eight strike outs, walked six and gave up eleven base hits. Three errors by the Navy accounted for two of the Ravens' runs.

In an earlier game last week Digby came from behind to defeat Bear River 10-7. McCallum getting his first base hit of the season, a drive over the wall in deep right field.

In another game Bear River came from behind and downed Cornwallis by a score of 4-3.

The Ravens have now won 2 and dropped 1.

An important announcement regarding an All Star team to represent this league in the Nova Scotia Baseball semi-finals will be made at a later date.

A shortage of players at Bear River cancelled the ball game scheduled for there on Thursday evening.

Tonight the Bear River Blue Sox meet the Digby Ravens on the Digby field. The game, which starts at 6:15, is anticipated by ball fans as one of the most exciting of the season.

Navy To Stage
Tournament At
Pines Hotel

An Atlantic Command Tournament and Establishment Golf Tournament is planned to be staged on the green of the Pines Hotel Golf Course on Friday.

Matching skills will be those of four men each from the water, Stadacona, Cornwallis, Magnificent, Algonquin and the saders.

A complete round of 18 holes will be played with prizes for the lowest gross team, as well as prizes for individual honors.

The play is scheduled to begin 1 p.m. or 1:30 p.m. by the navy. Those from H.M.C.S. Cornwallis participating in the tournament are Lieutenant Commander Bower, Lieutenant J. A. Arnott, Lieutenant Kidd, Petty Officer Hutchinson, Petty Officer Moskoven, Leading Seaman Angription, Leading Seaman Bachelor and Leading Seaman Rhodes.

Return From
Convention

Members of the Bear River, Centerville and Digby congregations of Jehovah's Witnesses returned home after attending a four day convention in Saint John, N. B., from Thursday.

On Saturday morning the witnesses assembled for a special event, when a baptismal talk was presided over by Mr. C. A. Weymouth Mills, on Wednesday Stewart, presiding minister from Fairview, N. S., followed by the baptism at which 75 persons, aged from 10 to 75, were immersed.

Another highlight at the convention was the adoption of a petition on Saturday evening to the Russian Premier, Bulganin and his government.

Thousands of Jehovah's Witnesses are being held in prison in Russia, and this petition is in behalf of their liberation. It will be presented to more than 100 of such assemblies of Jehovah's Witnesses throughout the world.

The main talk, "Why Permanent Peace Will Come In Our Day," by Mr. C. E. Morrell, of Toronto, was enthusiastically presented to an audience of almost 1,600. He encouraged his audience to turn to God's Kingdom as the means of ushering in lasting peace.

The Convention Manager, Mr. T. R. Jones, of Toronto, accredited the assembly as a great success.

Catch Them Big

Bass fishing along Bear River, a favourite sport with residents and tourists here for the past few years, lost none of its popularity in the present 1956 season. Driving toward Annapolis Royal it is a familiar sight to see cars parked for yards along the river, fishermen and women lining the sides of Victoria Bridge or wading in the water along the river bank.

Among the fishermen last week was Bradford Amiralet Jr., who was home for a two weeks vacation from the R.C.N. Brad's catch was a bass weighing 17 lbs. and measuring 36 inches. George Thomas, in the same party, made a catch weighing 13 lbs. and measuring 32 inches.

HOLD MEMORIAL
SERVICE

The annual Memorial Service was held in the Port Wade United Church on Sunday afternoon, July 15th. Rev. C. Gough, pastor of the church, introduced Dr. Archibald, who was guest speaker. Dr. Archibald has just recently come to the Lower Grandville Baptist Field and was much enjoyed by a large congregation.

Mrs. Philip Robblee, of Port Royal, was organist, and a mixed choir from the various communities rendered several beautiful selections.

The collection, which is used for the up-keep of the Port Wade Cemetery, amounted to \$66.00, which is more than has been received for some years.

Miss Stella Dow, of Truro Heights, Truro, Nova Scotia, who has been visiting at the home of her pen pal and friend, Mrs. Charles White, for a week, returned home on Saturday via Acadia. She enjoyed the lovely scenery of Digby and down at Waterford and Centerville, Digby Co. This was her first visit down here and she says she will visit soon again.

Westport Scene
Of Activity

Westport, the most westerly point of Nova Scotia, presents a scene of both beauty and activity just before the fall of darkness each night. It is a customary sight now to see six to eight boats in line at the Westport Government wharf. A number of herring seiners from Wilson's Beach, Black's Harbour and other New Brunswick points leave from the wharf just before dark to seine herring on the north shore of Brier Island. This fleet consists of seiners, herring carriers and a herring pumper.

On Friday evening last, with about fourteen New Brunswick boats on the shore lighted up and a number of Island boats who are getting bait, made the appearance of a lighted town in the distance.

A number of the Digby scallop fleet enter the port to harbor at the Government Wharf for the night. At times it has been found that the facilities of the wharf do not equal the traffic, so that passengers on the local ferry boat have to climb over a scallop dragger to land at the wharf at low tide.

Montreal Visitor
Honored At Tea

One of the outstanding events of the summer season was the afternoon tea held at the home of Mr. and Mrs. P. K. Gates, at Weymouth Mills, on Wednesday afternoon, July 25th, and held in honor of Mrs. Arthur Henderson (nee Teresa Granville), of aged from 10 to 75, with her husband, is making her first visit to the home since her marriage which took place in Montreal in March.

Mrs. Henderson is the only daughter of Capt. and Mrs. C. F. Ganin and his government.

Hostesses for the tea were Mrs. E. C. Gates, Mrs. P. K. Gates, Mrs. Hardy Powell and Miss Frances Lent.

The guests, after being welcomed by the hostesses, were presented to the guest of honor, who was assisted in receiving them by her mother, Mrs. C. F. Granville. Sixty or more invited guests were present.

The rooms were tastefully decorated for the occasion with a profusion of garden and house flowers. Tall vases of delphinium in various shades of blue were used in the living room, while garden goldenrod and pink carnations matched the color scheme for the entrance halls. The long mahogany table covered dining table was laid with two complete silver tea sets, centred with a silver rose bowl, which held roses interspersed with blue.

Miss Ruth Goodwin and Mrs. V. E. MacNeill poured, while Mrs. Charles DeLong, Mrs. Scott Hankinson, Mrs. Howard Payson, Mrs. Francis Journeyne, Mrs. C. W. Marshall and Mrs. R. E. Tower served.

MARRIAGE

A pretty summer wedding was solemnized at the home of Mr. and Mrs. Percy Tuttle, Wentworth, Cumb. Co., N. S., when their elder daughter, Barbara Ann, was united in marriage to Dean Ottman, youngest son of Mr. and Mrs. William Walker, Waterford, Digby Co., N. S. The double ring ceremony was performed by Rev. George Allen, Truro, N. S.

The bride, given in marriage by her father, wore a white floor length gown of lace and nylon tulle over flounced nylon net and taffeta underskirt, with a nylon lace jacket over a fitted bodice of lace with a sweetheart neckline. Her matching nylon lace edged finger-tip veil was held in place with a tiara of seed pearls. She carried a cascade bouquet of pink sweetheart roses and white baby mums.

Mrs. Gerald Walker, sister-in-law of the groom, Waterford, Digby Co., was matron of honor and Linda Tuttle, sister of the bride, was junior bridesmaid. The matron of honor wore a ballerina length gown of pastel yellow nylon lace and net over

Clarence Adams, Arlington, Mass., is visiting at the home of Mr. and Mrs. Nell Adams, Victoria Bridge.

Dr. T. W. Hodgson will supply at Grace United Church for three weeks while Rev. James Brooks is on vacation.

Baseball games aren't quite the same without Bruce Read around, say baseball fans. We will be glad when he gets all done haying.

PLAN CELEBRATION
AT CLARE

In 1756 one of the most memorable pilgrimages to Nova Scotia ended on the picturesque shore of St. Mary's Bay. Three hundred and fifty families, expelled from their beloved Nova Scotia in 1753, walked the entire distance from Boston during the summer of 1756, finally reaching the district now known as Clare where they determined to start a new and happier life.

In time villages grew and became known as Meteghan, Saulnierville, Comeauville, Church Point, St. Bernard's, Bellevue's Cove, etc., with church spires clearly marking each settlement.

With the towns closely interlinked the 32 mile stretch from Yarmouth county through Digby county along the shore became known as the "longest main street in America," peopled by Acadians who cherish their mother tongue and keep alive their traditions and customs which they inherited from their ancestors who settled the shore almost two centuries ago.

This year the villages of the area plan a grand Acadian Festival, one which is planned to be the first of an annual event.

Through August 8 to 15 both young and old will dress in their colorful Basque, Bretonne or Ile de France costumes, walking along the highways, dancing and taking part in the many events scheduled for the gay week. The French shore of St. Mary's Bay will look like "Old France" with the tri-color flags adding additional colour to the costumed inhabitants.

Wednesday, August 8, a program of Acadian folk songs sung "round a huge bonfire on the historic 'Point' at Church Point, near the lighthouse, will start off the celebrations.

On Friday at a dance at Meteghan, "Evangeline" and "Gabriel" will be chosen to reign over the festival.

Sunday will see a grand Acadian Festival parade from Saulnierville to Church Point ending on the grounds of St. Anne's College where also will be held the first "Clare Industrial Exhibition" — an exhibition of the products of industries of the area and also displays of handicrafts, paintings, etc. This will be continued on Monday which will feature at St. Anne's College a festival banquet the guest speaker of which will be Dr. Flavius Melanson, Yarmouth.

The festival will close Wednesday, August 15 with the celebration of Mass on the college grounds of St. Anne's at nine o'clock in the evening.

Mr. and Mrs. Leslie McKenna, Ottawa, are visiting Mr. and Mrs. John Russell.

Mr. and Mrs. Edward Wortman and children, Susan, Sandy and David, visited Mrs. Wortman's uncle, John Russell, and Mrs. Russell, last week.

High Percentage
Digby Grade XII
Successful

Fourteen of the twenty-four Grade XII students of Digby Regional High School are known to have received full passes from the Provincial Department of Education. Five other students received partial passes.

Among those receiving full passes were Jean Snow, Gordon Snow, Ruth Wallis, Marilyn Stark, Kaye Balcer, William Brooks, Kenneth Woodman, Larry McNeil, Harry Thomas, David Ryan, Edward Sullis, Robert Cook, Lorimer Joudrey, Jacqueline Richard.

The partial pass list includes Joyce Beckwith, Kelly Barnes, Ray Porter, Everett Jefferson, and Gary Murley.

As yet there have been no reports from Mary Robicheau and Gordon Kenny, who wrote their exams in Weymouth.

Truck Overtakes
In Ditch

A large delivery truck, owned by H. L. Ruggles Ltd., Bridgetown, overturned in the deep ditch on Warwick Street, near the South End Grocery, Thursday afternoon. Little damage was done to the truck and the driver and helper were uninjured.

It is understood the accident occurred when the driver, Robert Ruggles, had his attention diverted from the road for a moment and pulled the truck too close to the edge of the ditch. Helper aboard the van was Dempsey Burns, of Bridgetown.

Injured In Car
Accident

Mrs. Frank Smith, of Deep Brook, suffered a broken arm and head injuries which sent her to the Digby General Hospital after a car accident near the Conway School, at about 5:30 p.m. on Monday. Her husband, Rev. Mr. Smith, driver of the car, was uninjured and his daughter, Mrs. Winnifred Bishop, California, another occupant of the Smith car, suffered bruises.

The accident occurred when the Smith car is alleged to have struck a car operated by Rev. J. H. Chapman, Smith's Cove, which had stopped near a blueberry stand at Conway.

The Chapman car was ditched by the impact, but neither Mr. nor Mrs. Chapman, who were in the car, suffered injuries. Both cars had been travelling in the direction of Digby to Annapolis Royal.

Both cars were damaged and the injured were attended by Dr. D. G. Black.

Divisional Sports Meet At Gagetown

Major E. H. "Andy" Anderson, RCAMC, of Digby, N. S., receives his medal from Brig. J. V. Allard for winning the hammer throw at a Divisional sports meet recently held by the 1st Canadian Infantry Division at Camp Gagetown, N. B. Cpl. Joseph Mitchell (left) 2nd Canadian Guards, San Antonio, Texas, came second and Glenn George Dinsdale, of Brandon, Man., third. — National Defence Photo.

Building Boom
Underway At
Deep Brook

A boom in building is underway at Deep Brook, with three new homes under construction at the present time.

Mr. and Mrs. Bala Thompson, of Norfolk, Conn., are having a summer home built on property between Allan Skidmore's and the Roman Catholic Chapel. Mrs. Thompson was the former "Peggy" McKinnon, daughter of Rev. and Mrs. William McKinnon, and is a cousin of Carl Nichols.

On the old "Al Carty" property near Cherry Hill Farm, Howard Lowe, of Waldeck, has a cellar dug and is erecting a house, planning to take up residence before winter.

On property between Mrs. Myrtle Jackson and Mr. William Hall, Mr. and Mrs. Garnet Benson have the foundation laid for a bungalow. Mrs. Benson is the former Mary Dittmars, of Deep Brook, and Mr. Benson was formerly of Bear River and is now retired, having spent several years in the west.

It has been reported that C. E. Davies & Son, of Annapolis Royal, have recently purchased the old brick pulp mill near Victoria Bridge and will operate a show room and assembly line of trailers, known as "Rolling Homes Ltd." The building will be renovated, more employees will be required and production of trailers increased, including 10 ft. wide mobile homes.

Other new homes built recently at Deep Brook are those of Messrs. Fred Purdy, Maurice Selig, Jack Vroom, and Wellington Dittmars.

RETURNS FROM TRIP

Mrs. Eva Wendell returned recently from a 2,500 mile motor trip to Toronto and Boston. She was accompanied as far as Kingston, Ont., by Miss Eloise Gower, Digby, and Mrs. H. W. Bezzant, South Williamson. The party left via Star Harbor and visited Kingston, Toronto and Niagara Falls. Mrs. Wendell spent a couple of weeks visiting her son, William, and Mrs. Wendell and three children at Canton, Mass. From New Hampshire she was accompanied home by Mrs. Grace Hicks.

D.F.D. Activities

One call to date has been received for a shed fire on Sydney Street, evidently caused from children playing with matches or smoking, as a burning match box was found at the fire and brought back to the station as evidence. Fortunately, no damage was done to the house, which could have been serious in this case. Parents are asked to remind their children of this danger and of the fact that the ones involved could have very easily been burned. We feel certain, had this happened, the parents would have expected a full investigation. We try to meet these things before they happen, which is the reason for fire prevention measures before a fire.

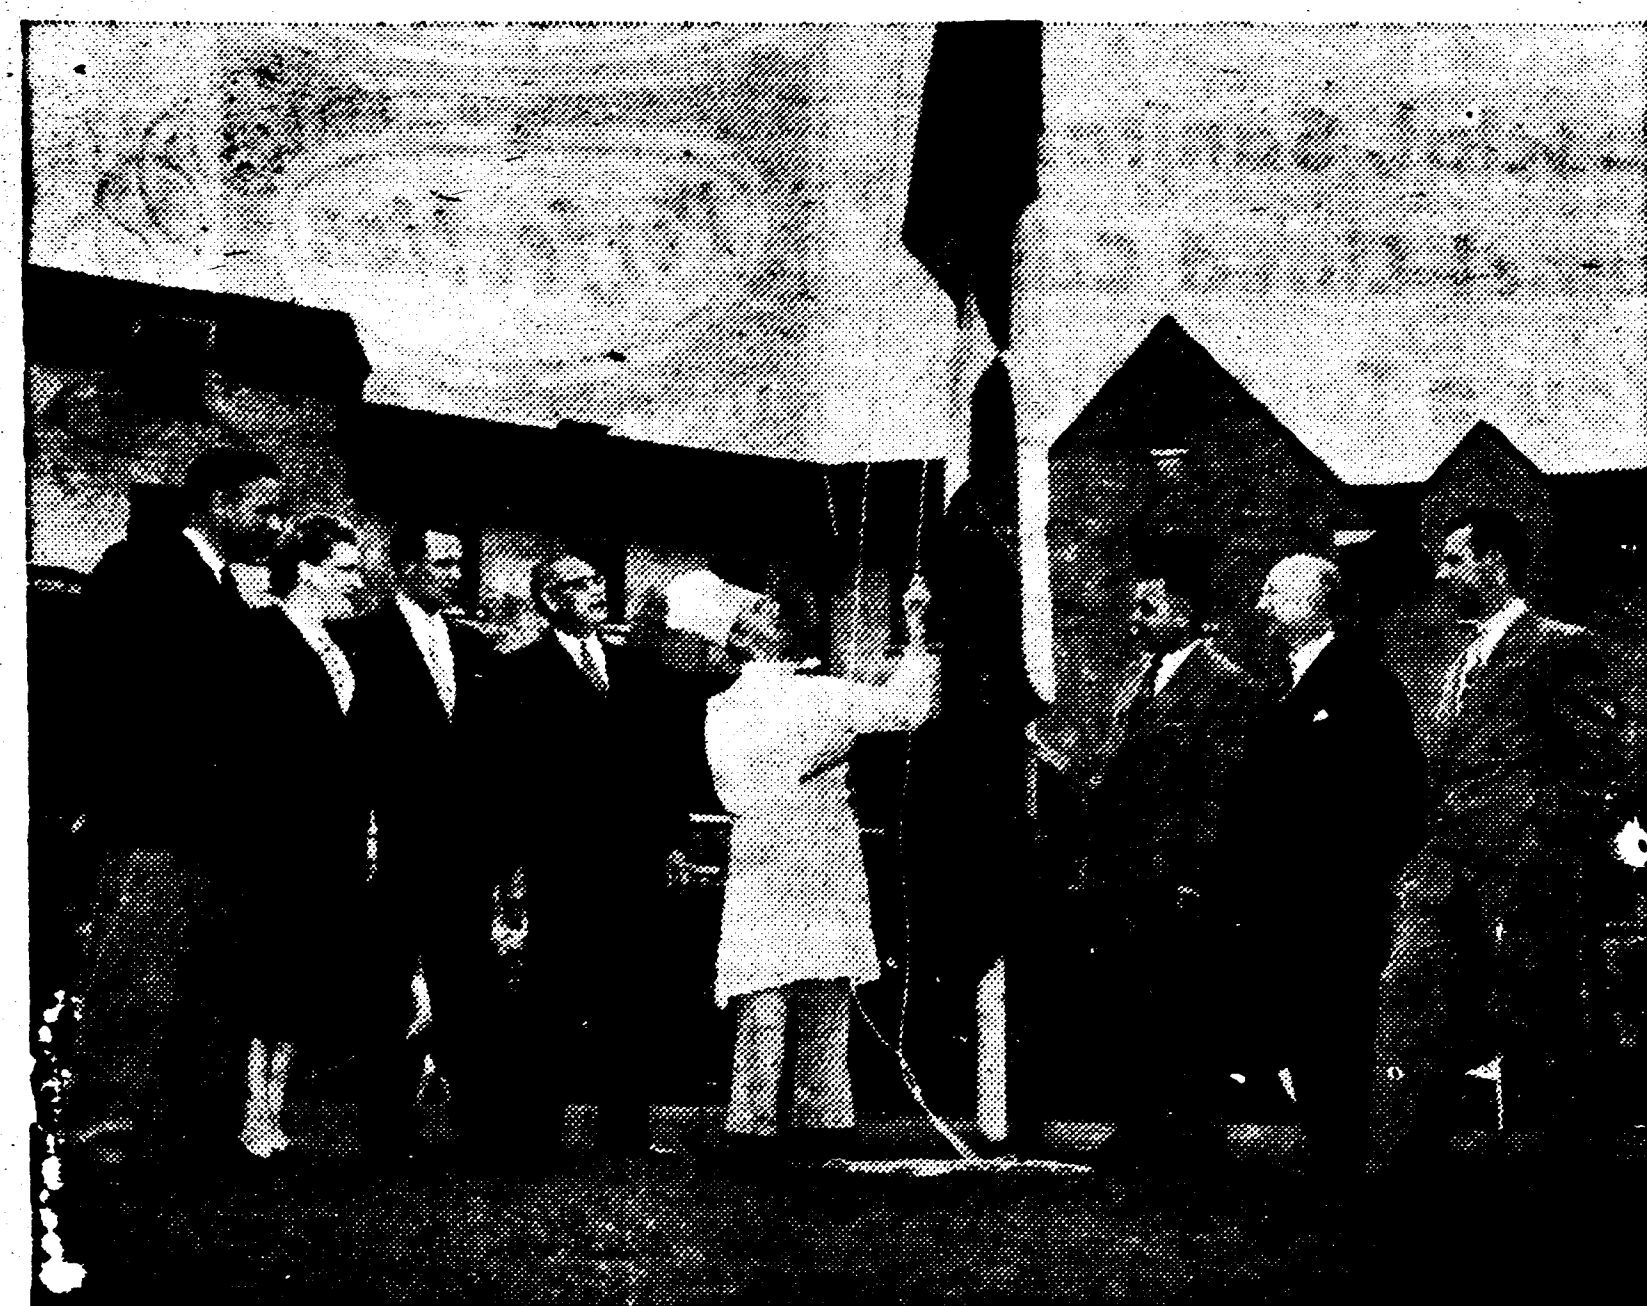

Softball is again in the air and the Smokeaters are again in action and will be making their first appearance on Sunday at 2 p.m. against South End. The remainder of the schedule is as follows:

- August 7 — South End vs. Sports Club.
- August 10 — South End vs. Smokeaters.
- August 12 — Sports Club vs. Smokeaters.
- August 14 — Sports Club vs. South End.
- August 17 — Smokeaters vs. Sports Club.

The above schedule is that of the Digby and District Softball League for the remainder of the season. Teams in the league this year are Digby Fire Department, South End Smokeaters and the Sports Club. Evening games commence at 7 p.m. and Sunday games at 2 p.m.

Two alarms were received on Tuesday for a chimney fire at Mrs. Peter Byrne's. There was no damage.

About This and That

What Use Is Education?

Just when we were wondering what of the many subjects to choose for editorial matter this week, along comes the latest monthly letter from The Royal Bank of Canada. This letter on education is so timely for just before the school opening when students will be deciding whether or not to return to school or college that we are giving it space here. Each week, for the benefit of students, we will continue part of the Monthly Letter either in this column or in some other part of the Courier.

The Monthly Letter begins as follows:

WHAT IS EDUCATION?

(An Ontario school-girl wrote to the Chairman and President of The Royal Bank of Canada asking him: "Why do you think I should continue school and get an education?" This Monthly Letter is his reply, expanded so as to be of use to all young people in Canada's public and high schools, business colleges, technical institutes and universities.)

Your letter is one to which I am happy to reply, for two reasons. The first is that I hope I can help you and the second is that I commend your teacher's enterprise in suggesting that you ask your question.

The commonplace thing for me to do would be to enlarge upon the material aspects of a good education, and to tell you that the principal benefit is in helping you to get a good job, etc. I am sure you already know about that. A boy or girl who does not make the best of all the learning opportunities of school years will be at a disadvantage in competition with others in later life.

I am not going to suggest to you that you should fill your self chock-full of information, for the real benefit of your education will be knowledge and understanding and not a long list of memorized facts. The main purpose of education, as I see it, is to teach one to think.

It is only by learning how to think, and by learning how to sift out things worth thinking about, that you can put yourself in the best position for enjoying a happy life. This is a very important reason for wishing to continue at school and get an education. Education, when of the right sort, helps you to see things clearly, to distinguish between the essential and the trivial, and to give you a frame of mind and system of thought and judgment which will fit you into your place in life.

Without education (1) you could never hope to really understand the world or its people or what goes on in it; (2) you could not handle yourself graciously and with ease in an environment that is not always so well disposed towards you as your home and your school; (3) you could never relate yourself properly to the problems of others nor achieve the peace of mind and understanding which one must have to support one through the crises that come to try all of us.

I believe it is very much worth while for you to study and I hope that you will pursue your education so successfully that you will have a very happy life. You will realize, I am sure, that everyone faces problems and difficulties at some time or other and suffers distress and sorrow. These seem to be inescapable. But the boy or girl of education is in much better position to cope with these things, to solve these problems, and thus in the end be less disturbed and grieved by it all.

An educated boy or girl is, I think, entitled to count upon life holding out prospects of achievement and security — not the kind of security that is dependent upon what someone else does, but the security that comes from within one's self, based solidly upon one's ideals, capability and understanding.

What I am trying to say is that education is absolutely essential but I am not referring to a mass of what, in an old-fashioned way, we called "book learning" and nothing else. What we are after is the education that will teach you to think and reason, which will improve your material prospects, which will add to your poise and deportment, which will develop your judgment and which, all in all, will round you out for a fully successful and happy life.

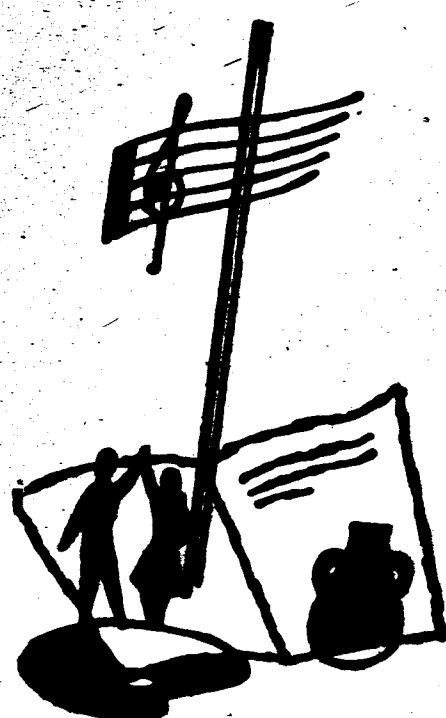

That is the kind of life I wish for you.

J. MUIR,
Chairman and President.

Scrap Book Gleanings

(From Courier nearly 50 years ago.)

Digby, April 12/12.

Has Valuable Information

The Bear River news says: Writing from Sandy Cove, Digby Co., N. S., Mr. E. H. Timpany states he knows positively where \$60,000 in Spanish gold was sunk in a schooner on the Nova Scotia coast several years ago, and he saw \$1500 of it that was discovered.

Incident in Digby, July 1st.

A gentleman from St. John, guest at the Pines, started on a trip to the lighthouse with two lady friends. In the course of the trip the gentleman's coat dropped out of the carriage and was picked up by a gardener and hung up in the hot house. The gentleman shortly returned and asking found that the gardener had picked up the coat. The owner tipped him a quarter for the return of the coat. Later in the day the gardener unknowingly told the incident in the company of the owner of the coat, stating that it contained a roll of bills, valuable papers, etc.

Excitement At West End

A row at the west end in which a woman, an Indian, a colored man and the proprietor of the house, became suddenly interested, resulted in a black eye for one of the participants. It is said that all four are now looking for law.

A Great Convenience For Boatmen

Mr. H. T. Warne, one of our enterprising merchants, has decided to place a gasoline tank on the extreme outer end of his wharf for the purpose of supplying all power boatmen in need of gasoline. All they will have to do is simply place their boats along side the wharf, pay cash on delivery, and fill their tanks with a hose. This will be a great convenience for the fishermen and yachtmen, who are generally in need of gasoline before proceeding towards another port. We predict that Mr. Warne will meet with a big sale of this important article, the demand of which is rapidly increasing everywhere.

Begging For A Church

Mr. Harry Gesner, of Parker's Cove, has been in Digby soliciting funds for a church. His cash collections must have reached a considerable amount. He said it was for a church across the river but neglected to state what denomination.

A Big Tree

Mr. M. W. Marr, of Rossway, has recently cut on his mountain a birch tree that measured 3 ft. 10 in. across the stump. The girth around the tree was 10 ft. 3 in., and when cut and split made 4 cords of wood. The lower branch measured 24 in. through and the next largest branch measured 19 in. How is that for Digby Neck wood?

North Range

MARRIAGE

Buchanan — Miller

St. John's Anglican Church of Canada in Truro was the scene of a pretty wedding on Saturday, July 14th, at 3 o'clock, when Emma Winters Ophelia Miller, daughter of Mrs. Doris Miller, and the late B. T. Miller, of Granville Ferry, was united in marriage to Donald Hugh Buchanan, of Truro.

Rev. Harold Graven officiated at the ceremony.

Miss Marjorie Laidlaw, of Truro, was the bride's attendant, and Thomas MacPhee was the groomsmen.

Following the ceremony a reception was held at the home of the groom for relatives and close friends of the bride couple. The bride's mother, Mrs. Miller, of Granville Ferry, was one of the out of town guests.

Later the bride and groom left on a wedding trip to New Glasgow.

On their return they will reside at 17 Broad Street, Truro.

Petition Red Cross

Re Swimming

A film showing the value of Red Cross Outpost Hospitals and free blood transfusions was the highlight of a meeting of the Red Cross Society, Bear River, on July 20th.

Commissioner C. L. Litley led in a discussion period which followed the showing of the film, and answered many questions asked by the audience.

Due to unusual circumstances a very small number were present at the meeting, but those in attendance felt they had gained a deeper insight into the value of Red Cross work.

During the business period the following resolution was presented and accepted:

"Whereas, the water in the river is known to be unsafe for swimming because of sewer pollutions, and a dangerous undertow,

"And, whereas, no other facilities are available for the majority of Bear River citizens,

"And, whereas, the Provincial Red Cross already has an extensive Swimming and Water Safety programme — with qualified instructors and facilities for training local instructors,

"Therefore, be it resolved, that we, the Ladies' Auxiliary of the Canadian Legion, BESL, petition the local Red Cross Society to set up a committee to survey the district, to ascertain if a site is available for a community swimming pool — and if such site could be developed at a reasonable cost."

This petition has been signed by seven local organizations, and one representative from each will comprise the committee.

The Missionary Society of The Advent Christian Church held their annual picnic at Mrs. Petrie's Beach, Smith's Cove, on Thursday afternoon.

Miss Ethel Chute who has been the guest of Mr. and Mrs. Lawrence Darres has returned to her home in Allston, Mass.

MARRIAGE

News — Darres

A quiet but pretty wedding was solemnized in the United Church of Canada at Bear River on Wednesday evening, July 25, at 8 o'clock, when Rev. R. F. Humby united in marriage, in a double ring ceremony, Evelyn Marie Darres, youngest daughter of Elmer Darres and the late Mrs. Darres, to Darrel Bruce Henshaw, son of Mr. and Mrs. Llewellyn Henshaw, of Deep Brook.

The bride, entering the church on the arm of her father, who gave her in marriage, was wearing a street length dress of blue tulle with white accessories and corsage of pink and white mums.

The matron of honor was Mrs. Regina Rice, sister of the groom, and was dressed in pink nylon with white accessories and a corsage of yellow mums.

The groom was attended by Aubrey Darres, brother of the bride.

Maurice Darres and Glendon Henshaw, brother of the bride and groom, were ushers.

Following the ceremony a reception was held at the bride's home for a small party of relatives and close friends, after which the happy couple left for a trip around the South Shore.

On their return they will reside in Bear River.

HOLD SURPRISE PARTY

Mrs. Bessie Hewey, of Victoria, was pleasantly surprised by a party of her grandchildren from Bear River, at the home of Mr. and Mrs. Walter Trimmer, Victoria. This was Mrs. Hewey's 84th birthday and she greatly enjoys company.

Her oldest grandchildren are Mrs. Chester Kaulback, Mr. Lealand Oickle and Mrs. Cecil Miller.

Also visiting at the same time were Mr. Clayton Hewey and daughter, of Annapolis Royal, and Mr. and Mrs. Ronald Hewey and son, of Moschelle.

Other relatives were present at the supper hour.

OBITUARY

Mrs. Adelaide Dugas
The death occurred Monday, July 16th, of Mrs. Adelaide Dugas, wife of Thomas W. Dugas, of Bear River. Mrs. Dugas was 80 years of age.

She was the daughter of the late Henry Crosby and Eliza (Gehue) Crosby, of Bear River.

Besides her husband she is survived by one son, Edward, of Bear River; one daughter, Theresa, at home. Another son predeceased her in 1913 at the age of 14 months, and Otto, in March, 1956. Two sisters, Mrs. Catherine Gardener, of Somerville, Mass., and another in Bishop, California, survive, as well as nine grandchildren and three great grandchildren.

Scott Morine of Grand Bay, N. B., spent the weekend with his parents Mr. and Mrs. Wm. Morine. On his return he was accompanied by his wife and son Donald who have spent several weeks in Bear River.

P.O. for M.P.'s

If you have written your local Member lately, your letter found its way to the new aluminum mail box recently installed in the Parliament Buildings, Ottawa. With their attractively bevelled and sanded doors, these lock boxes look handsomely at home in the vaulted corridors of the Centre Block.

Imagination boggles at the tonnage of praise and blame that will flow through these boxes in years to come, to M.P.'s and Senators yet unborn. Meanwhile we find it fitting that a metal that has become such a vital part of the nation's economy should grace the nation's legislative halls.

Someone has estimated the average driver wastes, just throws away uselessly, 34 gallons of gasoline a year, enough to keep a car on the road for a month or six weeks.

Studies over a number of years have shown that motorists are averaging 18 miles to the gallon when they should be getting 19. Silly driving habits, we might as well be blunt about it, are mainly to blame.

There are so many "rules for drivers" that one person can't possibly keep them all in his head. But these six rules come from the head of a big fleet of company cars; he found these rules cut their costs-per-mile way down and brought that extra month of free driving.

Don't make jack-rabbit starts. Get away smoothly and shift into high gear as soon as possible.

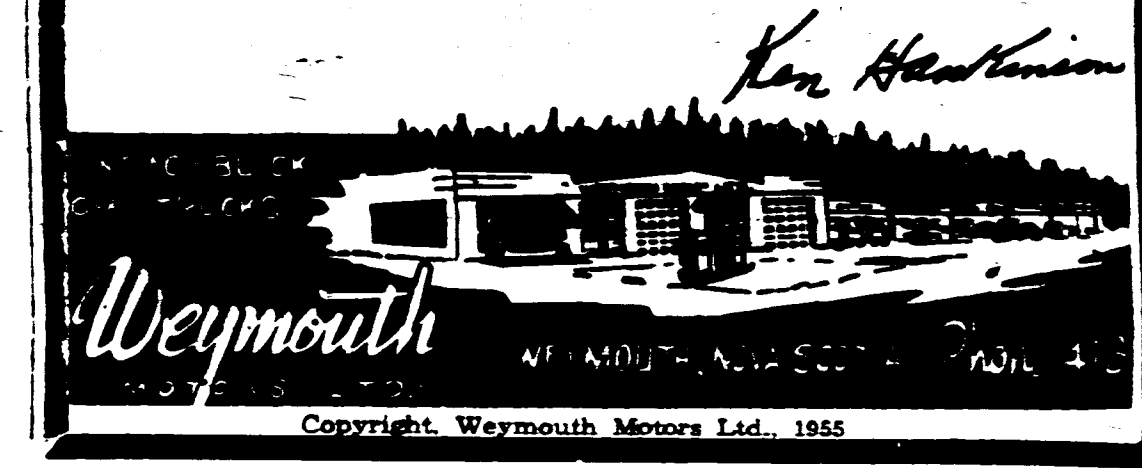

Slow down gradually when you know you're going to have to stop. Your car runs on the power from gasoline already burned, so there's no sense wasting all that momentum by coming to quick stops.

Don't race your motor while waiting for lights to change or while warming up.

Moderate speeds save gas and save the brakes.

Don't ride the clutch or brakes. And finally, get regular checkups and servicing.

So many of the cars we've sold new, and have serviced right along, come back to us to be traded in. And these cars, that our servicemen know so well, are displayed on our used car lot. Then many buyers keep on having their used car serviced here. It's a wise way to look after a car.

In Memoriam
SULIS—In loving memory of a dear daughter Frances Carrie Sulis who passed away Aug. 3rd, 1945.
So many things have happened Since you were called away. Things which you would have enjoyed Had you been left to stay.
So many things to share with you In just the usual way. Things that could be so much nicer If you were here today.
We cannot bring the old days back Your hand we cannot touch But God has given us wonderful memories Of one we loved so much.
Lovingly remembered by her family. 48:1c
IN MEMORIAM—In sad and loving memory of a dear son, Richard H. Ellis, killed in action in Sicily, August 2nd, 1943.
They say time heals all sorrows And helps us to forget. But time so far has only proved. How much we miss you yet.
Deep in our hearts, Your memory is kept, We smile with the world, But we never forget.
Always remembered by Mom, Dad, Bros. and Sisters. 48:1p
IN MEMORIAM—In loving memory of our infant son, Brian Murray, who passed away August 4th, 1952.
Away in God's beautiful garden, Sheltered from sorrow and care. Our darling little baby Is waiting for us there.
Always remembered by Mum, my and Daddy. (Kathleen and Carleton Harris). 48:1p
IN MEMORIAM—In loving memory of Hannah E. Walker, who passed away August 4th, 1955. Sadly missed and lovingly remembered by her son Fred, daughter-in-law Edith and grand-son Wayne.
IN MEMORIAM—In loving memory of Hannah E. Walker, who passed away August 4th, 1955.
We walk through our garden of memories, And there midst the blossoms of blue. We find in that beautiful garden, Forget-me-nots blooming for you.
You left a beautiful memory, And a sorrow too great to be told, But to those who loved and lost you, That memory will never grow old.
Always remembered by her son Harry, daughter-in-law Dorothy and grand-daughter Mary. 48:1c

Civil Defence in Rural Areas

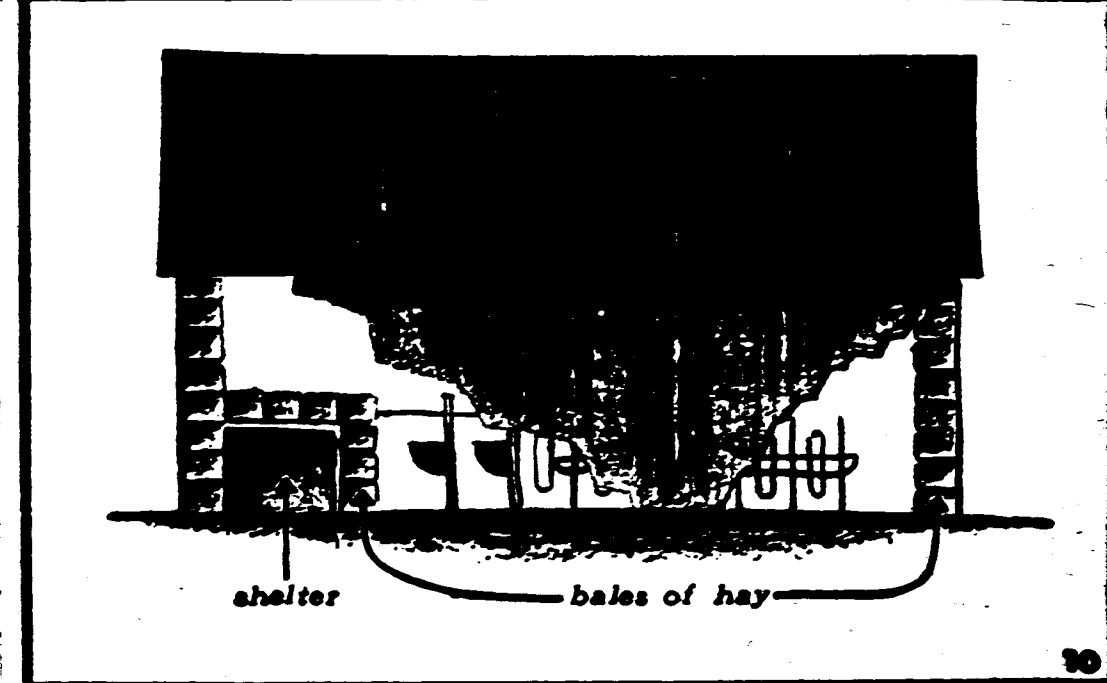

(Tenth in a series of 24 articles)

The airplane is blamed for bringing war to the civilian population of countries. In the past, the cities were considered the only areas in real danger. The hydrogen bomb, however unimaginable the idea may be, has extended this threat to even the most remote farm.

It is this vast, almost unbelievable new danger that has posed the two main problems before Canada's civil defence planners: how to save the population of the cities and how to save the rest of the population. The only

protection by keeping them in the barn. Since the danger from fall-out might last 48 hours or more, this means someone should stay in the barn all this time to avoid walking back and forth from the house for feeding and watering.

It is necessary, too, that the means of determining strength of radiation in the fall-out be

answer for cities is evacuation. The main solution for rural people is to provide adequate shelter.

The farmer's chief danger from an H-Bomb attack arises from its radioactive fall-out, the dust of pulverized cities that settles over large areas following the blast. This danger extends not only to the farmer and his family but to his livestock and even his crops as well.

There are ways to guard against this fall-out danger. The first step is to be warned in time that it is coming. This can only be done effectively through a well-organized civil defence setup that takes in every farmer in the district.

It is impossible to predict the size and location of a fall-out area until a bomb is dropped. It is important, therefore, to know every protective measure that can be taken before such a disaster takes place. This is one case in which ignorance would be anything but bliss. That is why civil defence has become as important to the farmer as to any other citizen: civil defence training can provide the farmer with knowledge that is power to protect himself.

Radioactive fall-out can contaminate animals, crops and unpackaged foods. It can contaminate houses, cars, yards and fields. It can contaminate water supplies so that they should not be used until they are decontaminated.

The only safe thing to do if fall-out occurs is to take shelter. The actual strength of the shel-

ter is not important. The material and the thickness of the walls and roof determine the degree of protection.

A farmer can provide his stock protection by keeping them in the barn. Since the danger from fall-out might last 48 hours or more, this means someone should stay in the barn all this time to avoid walking back and forth from the house for feeding and watering.

It is necessary, too, that the means of determining strength of radiation in the fall-out be

available. Or that information on its danger be available from radiation detection units in the nearest village or town so that a farm family will know when it is safe to come out again. Civil defence planning before such disaster comes is the only means of assuring the farmer this will be available.

The farmer may be called on to help his city neighbors, too, so that his place in civil defence is not just to learn how he may help himself but also how to help others less fortunate in disaster.

If large cities are wiped out, his crops and livestock, his milk and eggs and butter would become a vital necessity to the life of the whole country. His supplies would be needed to help feed the refugees from the cities. His house and even his outbuildings may be needed to help shelter them. Even his machinery, his tractors, trucks and even horses, if he has them, could be urgently useful. But they would be useless if he was caught unprepared and all was contaminated. And dead farmers, themselves, are notoriously useless.

Civil defence in Canada, to achieve maximum results, must extend to every community, no matter how small. F. F. Worthington, Federal Civil Defence Co-ordinator, has said. It is being organized, as a result, on an area basis comprising a number of towns and communities.

And, said the Co-ordinator, "It must also embrace means of preparing and warning farmers in isolated places."

This is the spacious location at Tatamagouche on the rural high school grounds where thousands will come on August 13 and 14 to see, hear and take part in the first Nova Scotia Festival of Arts. The scene will have a carnival air on Festival days when there will be pipe and brass bands, flags, bunting and decked tents housing top displays of paintings, crafts, photography and antiques and concerts and recitals featuring outstanding Nova Scotia performers in music, dancing and drama, staged in the auditorium of the school. Talking over the coming event are left, Ray Curruthers, of the Festival Council, and right, Thomas Pugh, president of the council. The cairn in the foreground commemorates a naval encounter in 1745 when the British drove ashore the French, who were getting supplies in vessels that came from Louisburg. OBITUARY

James Parker Long
James Parker Long passed away at his home in Clements- vale Tuesday afternoon. He was a son of Corey O'dell Long and Ella May Deeber. He is survived by his wife, the former

Mr. Fred Adams, Mr. and Mrs. Horace Snow, Mrs. George Dick- son, Mr. and Mrs. Chalmers Landry, Mr. and Mrs. Gordon Snow, Miss Audrey Snow and Mr. Harold Bartheaux.
A sing-song of old favorites was enjoyed beside a beautiful bonfire. Fun and reminiscence ended an ever to be remembered evening by the family.

RECITAL AT WEYMOUTH

On Sunday evening, July 29, following the regular Sunday evening service in the United Church, an organ recital was held, with Mrs. Pearson, of Sussex, N. B., at the console of the Hallman electric organ, which is in the church on trial.
Also another feature was en- joyed when Mrs. Chester Mac- Donald, of Exeter, N. H., sang beautifully "The Lord's Prayer". She was accompanied at the or- gan by her husband, Mr. Mac- Donald.
Mrs. Pearson, a graduate in music from Mount Allison Uni- versity and a skillful musician, gave a very capable recital, bringing out all the varieties in music and tone of the organ.

VOLUME LXXXII, No. 49

Town Council Meets

A building permit was issued to Willard L. Lewis to construct a bungalow on his property on Victoria Street at the regular monthly meeting of the Town Council here Monday night. A permit was also given Mel-bourne Comeau to build a garage on his property on Montague Row.

No definite decision was reached concerning the matter of the boundaries of Third Avenue in the north end of the town about which there is some dispute. It was decided to refer the matter again to the Streets and Public Property Committee for further investigation.

Permission was given to E. S. Eaton, Town Clerk and Treasurer, to attend the annual School for Clerks and Finance Officers in Halifax in October.

The Council endorsed a resolution passed recently by the Yarmouth Town Council calling upon the government to take steps immediately to have a boat service established between New York and Yarmouth or Boston and Yarmouth to meet "the urgent need" for such a service.

Mayor Gordon Turnbull and Deputy Mayor Norman Wright were named as delegates to the annual meeting of the Union of Nova Scotia Municipalities.

POLICE PROBE RASH OF THEFT ATTEMPTS

Digby was visited with a rash of thefts and attempted thefts over the weekend.

According to reports on Monday, efforts were made to steal cars and trucks from garage lots and private homes in widely scattered sections of the town Saturday night.

A number of cars in the lot at the MacDonald Motor Co. Ltd. were entered and wires torn loose in vain efforts to start them. Cars were also entered and wires tampered with in the lot at the Digby Garage.

A car, belonging to Paul Van-Tassel, was stolen from in front of the home of Layton Hinman late Saturday night, and was found later abandoned and damaged in a ditch at Rossway.

A. L. Robinson reported that a truck, parked in his driveway, was entered and all the dashboard wiring torn loose, evidently in an effort to steal the vehicle.

An attempt was also made to steal a car belonging to Victor Cardoza which was parked in the driveway at the home of Dr. J. R. McCleave. Wiring was torn loose from under the dash of the car and switches broken in an effort to get it started.

The thief or thieves also rifled the car, which was being used by the doctor over the weekend, and took a bag containing medical supplies, bandages and instruments and also took the doctor's stethoscope and blood pressure instrument.

Frank Nichols reported windows in his car were smashed, evidently in a vain effort to get into the vehicle.

Thieves also entered the bulk storage warehouse of the Irving Oil Co. Ltd. and stole tires, oil and other items, including a table model radio.

Findings of Dr. McCleave's instrument bag was reported Tuesday. It is understood the bag was found by a swimmer at the bottom of the Kiwanis pool. The contents of the bag were missing, however. The case, which had contained the stethoscope, was found earlier near the McCleave garage. The stethoscope had been taken from the case.

Port Of Digby Busy

The port of Digby has been experiencing a heavy shipping season this summer. Two ships have recently completed loading cargoes of wood and another is now in port taking on a cargo of pulpwood for overseas shipment.

Last week the S.S. Myco, of Oslo, Norway, took on a load of pitprops for England and the Reinhart-Lorenz-Russ, of Hamburg, Germany, loaded a cargo of roused pulpwood for England. The Georg-Russ, of Hamburg, is presently in port taking on a cargo of roused pulpwood for overseas.

Tourist Bureau Has Record Month

A record number of tourists visited the Nova Scotia Tourist Information Bureau in Digby during the month of July, when over five thousand people enquired there for information pertaining to Digby and the surrounding towns, villages and countryside. Most of the people to visit the bureau came from all the provinces of Canada, and every state of the United States, but there were some from England. Not all the callers at the Information Bureau came to Digby by automobile, even if the vast majority do, for the one party from Germany to call came to Digby on a pulp boat.

Even in a record month tourists are not adverse to making comments about having "toured the island of Nova Scotia, and now crossing on the ferry to Canada". Many of the people who leave the bureau are intending to go to other parts of Canada, one of the most popular being Prince Edward Island. Another popular spot on the Maritime map seems to be the Cabot Trail.

When asked what induced them to come to Nova Scotia, many people have replied "The new Nova Scotia Camera Tour book, published by the Nova Scotia Travel Bureau."

EXPLAINS DELAY IN BUILDING OF SCHOOLS

L. R. Fairn, architect for the new schools planned by the Digby Municipal Council for Weymouth and Sandy Cove, appeared before a special meeting of the Municipal Council here Monday afternoon.

Mr. Fairn stated it would be necessary that the well at the Weymouth school be completed before plans for that school could be finalized. He said the depth of the well, its location and other factors would determine the plumbing and heating plans for the school.

It was stated work on a well for the Weymouth school had been started some months ago. This well had been drilled to a depth of one hundred and ninety feet with only a result of some two gallons a minute. Minimum requirements for the school call for at least twenty gallons a minute, Mr. Fairn said. Equipment for drilling the well had broken off in the shaft, it was reported, and efforts to salvage it had been unsuccessful. New equipment was on its way, it was stated, and the problem of the well should be overcome within a short time.

Decision has been made, it is understood, to call for tenders on the Sandy Cove school, for which plans are complete; the Weymouth school and the new Municipal garage in Digby in a group in order to cut down overall construction costs and the delay in finalizing the Weymouth plans because of the difficulties has caused a delay in calling tenders.

It was stated at Monday's meeting efforts would be made to resolve the matter of the Weymouth water supply so that tenders called without further delay.

Honored At Tea

A enjoyable afternoon tea, sponsored by the Senior and Junior Guilds of Holy Trinity Anglican Church, Granville Ferry, was held in Trinity Church Hall on Monday afternoon in honor of the approaching marriage of Miss Dorothy How, only daughter of Mr. and Mrs. L. M. W. How, whose wedding takes place at St. Luke's Anglican Church, Annapolis Royal, on August 8th, to Mr. John Whit-takes.

Trinity Hall was beautifully decorated for the occasion with lovely roses and other flowers, and delicious refreshments were served.

At the close of the afternoon Mrs. (Rev.) W. E. Jefferson, president of the Junior Guild, on behalf of those present, presented Miss How with three lovely salad bowls and servers, and voiced best wishes for her future happiness. Miss How, in her usual gracious manner, thanked her friends for their kindness to her, and expressed her appreciation for their thoughtfulness.

On Wednesday afternoon the Misses C. T. Pickup and Doris M. Pickup were joint hostesses at a delightful afternoon tea in Miss How's honor. Those assisting in serving were Miss Kathryn Mills, of Annapolis Royal, and Mrs. Fred L. Fields and Mrs. Eric B. Wood. Miss How was presented with a gift of china.

VISITS IN ENGLAND

Mrs. Frederick O. Middleton, of Sault Ste. Marie, Ont., wife of Frederick Middleton, a former Digby County boy, left with her two sons, Roy and Brian, on the steamship "Homeric" for England to visit her parents and brothers.

Mrs. Middleton came to Canada in 1946 as a war bride. She will return to Canada early in November.

Neptune's Theatre To Be Staged At Port Royal

"Neptune's Theatre", the first play to be written and staged in North America, in Port Royal, Nova Scotia, 1606, will be re-enacted at Port Royal on August 15th, 7:30 p. m., on the very spot where it was written and played 350 years ago.

This is a short drama or masque, written by Marc Lescarbot, a Parisian lawyer, who came to Port Royal with his friend Samuel Champlain; written with a two-fold purpose, to keep his men busy making costumes and rehearsing, while he was left in charge of the Habitation when Poutinacourt and his party were off on a voyage of discovery as far as Cape Cod—and as a welcome to greet the voyagers on their way home.

It will be played just where it was on November 14, 1606, on the beautiful blue waves of the Annapolis Basin, in front of the restored Champlain Habitation. It is being sponsored by the Historical Association of Annapolis Royal, and staged by the Annapolis District Drama Group, directed by Mrs. Ronald A. Bond, assisted by Mrs. Arthur A. Tilley.

The play written in French was unknown till 1926, when 3 translations appeared—the one we are using, by Mrs. Harriet Tabor Richardson, whose work, research and vision lead to the restoration of the Port Royal Habitation; another by Keith Hicks, Professor of French, Trinity College, University of Toronto, and the other by Edna Bourne Holman of Boston.

This will be the 5th production. The first time it was read in Mrs. Richardson's home, Cambridge, Mass., by men and women of Harvard University, 1926. The second by the young Business and Professional Club of Halifax, directed by Daisy Foster, 1930. The third in the Community Hall, Lower Granville (now Port Royal), 1948.

The play written in French was unknown till 1926, when 3 translations appeared—the one we are using, by Mrs. Harriet Tabor Richardson, whose work, research and vision lead to the restoration of the Port Royal Habitation; another by Keith Hicks, Professor of French, Trinity College, University of Toronto, and the other by Edna Bourne Holman of Boston.

Observe 50th Anniversary

More than 100 were present on Wednesday evening when a reception, in honor of the golden wedding anniversary of Mr. and Mrs. Wallace Handsaker, Cul-loden, was given by the couple's family at the Trinity Hall, Digby.

Teen Age Escapees Apprehended

Two young girls, ages 16 and 17, who were missing from the Home of the Good Shepherd in Halifax for several days, were apprehended in Digby by police.

The two girls, Kay MacLean, 16, and Kay Bowes, 17, were last seen at 7:30 p.m. last Tuesday and were reported to be heading for Saint John, N. B.

It is understood the two girls hitched a ride with a truck, getting off in Digby. When the driver of the truck reached Yarmouth he had occasion to read in the provincial press about the two girls and, thinking the ones he had given a lift were the two, immediately phoned the RCMP.

The two girls were picked up in Digby where they were wandering about the streets. After identification had been made positively they were sent back in custody to Halifax.

Legion Has Clam Bake

Some forty members of the Digby Branch of the Canadian Legion, B.E.S.L., and the Auxiliary attended a clam bake and wicker roast at Ratling Beach Tuesday evening.

A most enjoyable time was had by the crowd. Among the guests attending was Charlie Brown, President of the Pugs-wash branch of the Legion. Mr. Brown is with the Motor Vehicle Branch of the Department of Highways.

Married 50 Years

Mr. and Mrs. Lea Stark, Digby, quietly celebrated their golden wedding anniversary on Thursday at their home here.

Mr. and Mrs. Stark were married on August 2, 1916, in the Baptist Church, Digby, by the Rev. A. J. Archibald. Mrs. Stark was the former Oreta Mac Campbell, of Freeport, and Mr. Stark was from Cul-loden.

Their living children are Hil-da (Mrs. Alf Johanson), Lady-smith, Vancouver Island, Fern (Mrs. Hymie Webber), Digby, Miss June Stark, Digby, and Otis, Digby. There are 10 grandchildren and one great grandchild.

Present for the occasion when a turkey dinner was given were all the family including the grandchildren and great grandchildren. Friends from Cul-loden made a surprise call and presented Mr. and Mrs. Stark with a gift of money.

Digby Downs Bear River To End Regular Play

The Digby Ravens downed Bear River Blue Sox by a score of 10-1 in the Bear River ball park Tuesday night. This was the first time Digby had been successful in defeating the Bear River squad in the home field this season.

Highliners for the Ravens were Skinner, Leonard and Maise. In the last inning Morgan on the mound for Digby had two away when he handed out three passes to load the bases. Leonard came in to relieve and struck out Comeau to end the game and the regular play in the league series. Semifinals will begin right away.

In an earlier game the Ravens downed Bear River by a score of 14-2 at Digby. Highliners for Digby were Lloyd Paul, who netted a homer, and Skinner, Leonard, pitching for the Ravens, scored three strikeouts.

To Participate In Festival

A Digby County craftsman and a local artist will participate in the Nova Scotia Festival of Arts at Tatamagouche next Monday and Tuesday.

During the festival work in 14 separate crafts by fifty exhibitors will be displayed. There will also be two exhibitions of paintings. Included also will be demonstrations of basketry, pottery, spinning and weaving. Prize photography, historic relics, antiques, concerts and recitals, puppet shows, movies, square dancing and community singing will also be features of the festival.

Among those exhibiting silver craft will be A. V. Banks, of Bear River. Paul Davidson, of Smith's Cove, will exhibit paintings.

Injured In Fall From Truck

Angus Handsaker is a patient in the Digby General Hospital suffering from back and leg injuries following a fall from the Town of Digby truck.

It is understood the accident happened while the town employees were engaged in hauling heavy pipe. Mr. Handsaker, who was on the back of the truck, was thrown to the ground when the truck stopped, injuring his back and leg.

Thieves Ransack Home

A thief or thieves ransacked the summer home of Mrs. Mary Henshaw at Lake Midway, taking many valuable belongings. The theft was not discovered until Mrs. Henshaw arrived some time ago to spend a vacation at her home here.

A complete job of ransacking the house was done by the mauraders who cut through the paneling of the inside doors to get into locked rooms.

Items stolen from the home include a power mower, bedding and other articles. In fact, the place seemed to have been systematically stripped of most of its belongings.

Evidence indicating that the thieves may have spent some time in the house was seen in the fact a fire had been lighted in the stove and burned matches, beer bottles and other items were found in the basement.

Top Place In Drafting Exams

Congratulations are in order for Charles Lewis, son of Mr. and Mrs. Fred Lewis, of Rossway, who recently wrote his examinations on map drafting and won top place in the Province and eighteenth in the Dominion.

Charlie will go to Halifax one day this week to be interviewed then he expects to be employed in the Department of Mines and Technical Surveys.

MacKichan - Hill

A pretty wedding was solemnized in Weymouth Church of Christ, Weymouth, N. S., on Saturday, July 28th, when Arlene Gertrude, daughter of Mr. and Mrs. Forest W. Hill, South Range, N. S., was united in marriage with Howard James MacKichan, son of Mr. and Mrs. Howard J. MacKichan, Halifax, N. S. The double ring ceremony was performed by Rev. R. M. Johnston. The nuptial music was played by Mrs. Frank Lewis and Miss Jean Gregory was soloist.

The bride, given in marriage by her father, wore a gown of

Conneau - Doucet

A pretty wedding took place at Sacred Heart Church, Sault-nierville, when Rev. Father Thomas Gastonau united in marriage Miss Irene Conneau, daughter of Mr. and Mrs. Enos Conneau, of Lower Saultnierville, and Robert Doucet, son of Mrs. Zele Doucet, of Little Brook.

The bride, given in marriage by her father, wore a gown of

Fair Booths Well Planned

Reports at the Ladies' Hospital Aid regular meeting, held at the home of Mrs. Gladys Budrow on Monday evening, gave every indication that the booths sponsored by the Aid for the Digby General Hospital Fair had been well planned and progressing favourably. It was announced that the ladies from Weymouth would convene the candy booth this year.

Acknowledgements of gifts were made on Monday night of a set of wicker furniture from Mrs. Lloyd McCrae, Port Maitland, and two quilt tops from the Good Cheer Club, Digby.

Appeal Goes Over Top In Weymouth

The Kings College Appeal in St. Peter's Parish, Weymouth, has gone "over the top", according to an announcement from the parish committee in charge of the campaign.

The quota for the Parish of Weymouth was \$2,000.00, and at the close of the campaign over \$2,300.00 had been raised in cash and pledges.

The committee has expressed deep appreciation to all who assisted and contributed in this worthy appeal on behalf of the oldest university in the Commonwealth outside the British Isles.

Class Observes 30th Anniversary

Mrs. L. B. Small, leader of the Tiverton Bible Study Group, was hostess to the Sunshine Bible Class on the occasion of its 30th anniversary.

The Devotional portion of the program, consisting of hymns, prayer and business, was led by Mrs. David Outhouse.

At the beginning of the program, presented by the Bible Study Group, a colorful history of the group members was given by the teacher, Mrs. Small. This was followed by a resume of the portion of the Bible studied during the year, interspersed by stories, poems and songs.

The meeting ended with a presentation of a gift from the Bible Study Group to Mrs. Small in appreciation of her untiring efforts as teacher.

Delicious refreshments were served by the hostess.

Group Enjoys Outing

The Tiverton Bible Study Group, under the leadership of Mrs. L. B. Small, recently ended their season's activities with a group gathering.

With their husbands and friends, the group attended Divine Worship at Central Grove Church, Rev. and Mrs. Eric Miner were special guests of the Group as they proceeded to the camp of Mr. and Mrs. Roy Small, where a delicious picnic supper was enjoyed by all.

Gets Bursary

Larry MacNeil, son of Mr. and Mrs. Lloyd MacNeil, Marshall-ton, received word that he had been granted a bursary of \$150 from Acadia University.

Larry leaves in the fall to take a course in applied science at Acadia.

OBITUARIES

Mrs. Patrick V. Doyle

Many friends throughout the province regret the passing of Mrs. Patrick V. Doyle, esteemed resident of Granville Ferry, Annapolis County, whose death occurred at the Halifax Infirmary, Halifax, on Saturday, July 28. She had been a patient in the infirmary since Tuesday, having been taken there by ambulance.

Mrs. Doyle was a registered nurse and before her marriage was Miss Frances Riordan, daughter of the late Anthony and Margaret Riordan. Her mother, who was organist of St. Thomas' Church, Annapolis Royal, for a total of 67 years, passed away nine years ago.

Mrs. Doyle was 72 years of age and was born at Annapolis Royal. She received her nurses training at St. Elizabeth's Hospital, Brighton, Mass., and was a graduate of that hospital. She was on the nursing staff of the Halifax Infirmary for several years.

Following her marriage to Patrick V. Doyle, they resided for a number of years at Granville Beach, where their three sons were born. In 1941 the family moved back to Halifax where they resided for several years, moving back to Granville ten years ago.

Mrs. Doyle was an ardent member of St. Thomas' Church, Annapolis Royal. All her life

she was active in church and community affairs, taking special interest in the Ladies Hospital Aid, of which auxiliary she was president, and the Red Cross, of which she was a former president. Keenly interested in people, Mrs. Doyle made a host of friends wherever she went. She was a talented musician and loved entertaining friends in her home.

Besides her husband at Granville Ferry, she is survived by three sons, Jerome Doyle, of Ottawa, Phillip, of Toronto, David, of Halifax, and one daughter, (Margaret) Mrs. Raymond J. Sabourin, of Edmonton, Alberta. Also surviving are 13 grandchildren and a sister, Sister Marie Antoinette, of the Orphanage, Halifax.

Requiem Mass was held on Tuesday morning at 9 o'clock in St. Thomas' Church, Annapolis Royal, by Father Miller, O.M.I.

Sidney Deveau

Word was received by the many friends of Sidney Deveau of his death at Hamilton, Ont. Mr. Deveau was born in Digby County but he spent all his time in Brooklyn, Yarmouth County,

until he went to Ontario recently. He was born in 1887, the son of Constantine and Katherine Deveau.

Among those surviving him are two sons, Albert and Louis, of Ontario; four brothers, Lee and George Deveau, both of Yarmouth, Phillip of Weymouth, and Anthony of Gardner, Mass.; and six sisters, Mrs. Stanley Johnson, New Brunswick; Mrs. Rosie Mulce, Yarmouth; Mrs. Margaret McCaully, Wakefield, Mass.; Mrs. Evelyn Morency, Ayer, Mass., and Mrs. Annie Delley, Ayer, Mass.

Mrs. Deveau's funeral will be held in Ontario.

ALMOST OVERBOARD

Bas fisherman Louis Gates had a near full ducking last week. While trying to free his motor propeller of some long eel grass he found both he and the motor going overboard. His alert partner, Gerald Buckler, quickly retrieved him by the heels while his head and shoulders were under water.

The motor landed on the river bottom and later needed a complete overhaul.

SUPPER PARTY AT POST WARD

A supper party was held on Tuesday evening at the home of Mr. and Mrs. Gordon Snow, in honour of Mr. Snow's aunt, Mrs. Helen Bissell, and Mr. Bissell.

Those present were Mr. and Mrs. Horace Snow, Mr. and Mrs. Bissell, Mrs. Etta Parks, Miss Carolyn Nichols, Capt. W. E. Sinclair, Miss Audrey Snow and Mrs. John Smith, Plympton, and later in the evening Mr. Fred Adams and Mr. Harry Adams, Mrs. D. Cronin and Mrs. B. Conners.

All enjoyed a happy get-together. Mr. and Mrs. Bissell left on Wednesday for Halifax, where they boarded a plane to return to their home in Alberta.

Mrs. Herb Allan and Mrs. Delbert Thomas visited with Mr. and Mrs. H. Marshall recently.

Sea Brook-Roxville

Mr. and Mrs. Robert Spicer and two children, of Paradise, were Sunday supper guests of Mrs. Oscar Andrews.

Lieut. Oscar A. Andrews, of the Sea Cadet Corps, left on Sunday for Boys' Camp at Sydney, N. S.

Mr. Ronald Hall and three children returned to Toronto on Sunday.

Barton

Miss Ruth Specht and Miss Gwen Sherrard, of Newcastle, N. B., spent the weekend with Mr. and Mrs. Hantford Marshall. Miss Sherrard is a niece of Rev. W. R. Whitney, former

pastor of the Baptist church, Harmony, King Co., from where Miss Specht and Miss Sherrard they go on to Windsor and are teaching Bible School at Scotch Village.

NOW your money grows faster in your Royal Bank Savings Account

Interest on Savings increased to **2 1/4%**

Starting August 1, The Royal Bank of Canada will increase the interest paid on your personal savings to 2 1/4 per cent a year. Interest will be computed and credited to your account every six months, on April 30 and October 31.

With the new higher interest rate, your savings will grow faster than ever — a strong inducement to build your account by making regular, systematic deposits every pay day.

If you are not already a depositor in the Royal Bank, call at your nearest branch and open your savings account today. The size of your initial deposit is not important. A single dollar will start you off. The important thing is to save on a systematic basis by making deposits, regularly, every month without fail. You'll be surprised how quickly your savings will grow. And remember... they now earn a higher rate—2 1/4% a year.

There's nothing quite like money in the bank.

Welcome Briefs On Hospital Insurance

During the last session of the legislature, the setting up of a Planning Committee on Hospital Insurance and Diagnostic Service was announced by Geoffrey Stevens, Minister of Public Health. The committee, announced, was composed of Dr. J. S. Robertson, Deputy Minister of Health, Chairman; Mr. L. E. Fetherill, Provincial Auditor; Mr. Innis MacLeod, Senior Solicitor, Department of the Attorney General; and Dr. C. B. Stewart, Consultant to the Department of Public Health. The committee was given the power to add additional members and the following were added to the committee: Sister Catherine Gerard, representing the Registered Nurses' Association; Dr. D. M. MacRae, representing the Nova Scotia Medical Association; Dr. Hugh McKay, representing the Nova Scotia Division of the Maritime Hospital Association; Warden F. G. H. Leverman, representing the Nova Scotia Union of Municipalities; and Dr. O. C. MacIntosh, Director of the Division of Laboratory and X-ray Services, Department of Public Health.

This Committee has been meeting regularly since its establishment in order to discuss the various phases of the problem. Offices have been set up in Province House with a staff of workers including economists, nursing consultants, accountants, and other research personnel and to date a great deal of material has been assembled dealing with the hospital situation in Nova Scotia.

Under the terms of reference, the committee is to enquire into all phases of hospital operation and needs, and to recommend a plan or plans for the possible implementation of a form of Hospital Insurance for this Province. In order to carry out its functions, the committee needs not only the co-operation of hospital authorities but also that of all organizations or persons interested in the hospitalization. The increasing usage of hospitals with increasing costs is creating a major problem in this and other provinces. To date, four provinces have recognized the need for spreading the costs over the entire population. All four provinces have dealt with this in a different way so that at present there is no single pattern for Hospital Insurance in the Canadian provinces.

The Federal offer of assistance would, apparently, provide something over 50% of the cost of a Hospital Insurance program in this province — this offer is being carefully investigated by the committee as is the need for additional hospital beds and accommodation for nurses in training — two essentials in a Hospital Insurance Program.

The Planning Committee is anxious to obtain as much information as possible from all interested bodies and is prepared to receive briefs on the subject — such briefs should be typewritten in triplicate and addressed to the Chairman, Planning Committee on Hospital Insurance and Diagnostic Services, Province House, Halifax, Nova Scotia. Careful consideration will be given to all briefs received — the deadline for receiving such briefs by the committee will be October 31, 1956.

Freeport Woman Elected

Mrs. Evelyn Crockett, Freeport, was elected treasurer of the Rebekah Assembly of the Maritime Provinces at the annual meeting of the Assembly, held last week in Sydney.

Other officers elected include Violet Taylor, Saint John, president; Lillian Duff, Moncton, vice-president; Sadie MacLeod, Sydney, secretary.

Visit Digby

Dr. Marvin Perkins, Chief Psychiatrist of the Department of Health of the District of Columbia, spent several days here last week making a study of the public health research work being carried out by the psychiatric clinic.

Also visiting the area was Dr. Michael Stunkard, Assistant Professor at the Cornell Medical School in New York City.

Both men visited various sections of the county while in Digby and expressed themselves as being greatly impressed with the scenic beauty of the area and the friendly hospitality of the people.

DAYLINERS START VALLEY RUN MONDAY

Introducing a new form of rail passenger transportation to Nova Scotia, two speedy "Dayliners" will be placed in service on the Dominion Atlantic Railway's main line between Halifax and Yarmouth August 20. Use of the new stainless steel cars will enable the railway to cut more than two hours off the elapsed time of its present passenger runs. Ar. Yarmouth Train No. 98: Ar. Digby 1:09, Ar. Operating over the "Land of Evangeline" route, the Dayliners will continue to make convenient connections at Digby with the Bay of Fundy steamer Princess Helene for through passengers to and from Upper Canada travelling via Saint John, N. B.

Under the new schedule arrangement, train No. 96, the morning train from Kentville to Halifax, will leave Kentville at 7:00 a.m. AST, arriving at Halifax just two hours and 10 minutes later. At Halifax the Dayliner becomes train No. 95, leaving there at 11:10 a.m. AST, arriving Windsor at 12:30 p.m.; Kentville at 1:25 p.m.; Digby at 3:30 p.m. and Yarmouth at 5:15 p.m. The car remains overnight at Yarmouth, ready to start out in the opposite direction in the morning.

Meanwhile, the Dayliner operating as train No. 98 is scheduled to leave Yarmouth en route to Halifax at 11:00 a.m. AST, arriving Digby at 12:31 p.m.; Kentville, 2:50 p.m.; Windsor 3:40 p.m. and Halifax at 5:05 p.m. At Halifax the Dayliner becomes train No. 97, scheduled to leave there at 6:00 p.m. and arrive at Kentville at 8:10 p.m. All present stops now listed on the DAR timetable will be made by the Dayliners, their rapid acceleration and smooth braking power making it possible for much of the decrease in elapsed time of travel.

The new schedule for trains 1 and 2 between Windsor and Truro, also effective August 20, reads as follows: Train No. 1 leaves Windsor at 4:00 p.m., arrives Kennetcook, 5:10 p.m., South Maitland, 5:45 p.m., and Truro, 6:30 p.m. Train No. 2 leaves Truro at 9:00 a.m., South Maitland at 9:39 a.m., Kennetcook at 10:14 a.m. and arrives Windsor at 11:30 a.m.

The all-stainless steel Dayliners are technically known as RDC's or rail diesel cars. The type going into service on the DAR is the RDC-1, an 89 passenger car. The cars, which have proved extremely popular throughout Canada, the United States, Australia and Cuba, were designed with an eye to speed and comfort for long-haul daytime runs.

The cars have operating controls at both ends and can be operated as a single unit or a multiple unit train. Streamlined and air conditioned, the cars boast wide picture windows, giving passengers a panoramic view of such scenery as the famed Annapolis Valley. A low centre of gravity helps provide a relaxing ride.

The cars can attain speeds up to 85 miles per hour from their 550-horsepower diesel motors, can accelerate to 60 miles per hour in one minute and from a standing start will do five miles in five minutes. Fundamental in the success of the RDC is the high power-weight ratio of 8.68 horsepower per ton.

Public Invited to See New Dayliners Friday & Saturday

The Dominion Atlantic Railway will inaugurate its new passenger service on its main line between Halifax and Yarmouth with the service scheduled to start on Monday, August 20. The new trains to be used will be called "Dayliners" and are self-propelled rail-diesel cars built by the Budd Company.

To acquaint the public with the new equipment and transportation service, the D.A.R. plans to introduce it all along the line by means of a public display. The display is scheduled to be held in Digby starting at 6:00 p.m. August 17 and lasting until 10:00 a.m. of August 18.

The cars of the new diesels are air-conditioned and designed with an eye to providing speed and comfort on long-haul daytime trips. Powered by 550-horsepower diesel motors, the self-propelled cars are capable of covering five miles in five minutes from a standing start and can attain speeds up to 85 miles per hour. They will seat 89 passengers.

Distribute Booklet On Safety

An excellent booklet, entitled "Safety Afloat" and prepared by the Department of Transport at Ottawa, is now being distributed by the local detachment of the RCMP to boat owners in this area. It is understood copies will also be provided for members of the Western Nova Scotia Yacht Squadron.

The booklet has been prepared with a view to cutting down on the number of accidents which so often involve those who use small boats. It explains in detail the "rules of the road" and regulations in force in all waters. It also contains much valuable information regarding fire prevention, provision of life saving equipment and the like aboard boats and also carries an excellent set of suggestions for things to do and not to do to bring about maximum safety when using boats.

Tiverton Club Holds Sale

The Jolly Junior Club of girls (aged 10 years), of which Mrs. Leonard Small is their leader, held a lemonade sale at the head of the government wharf one day last week. Sheila Outhouse placed the glasses, Sandra Outhouse poured, Call Outhouse was cashier and Nancy Althouse washed the glasses.

They had a large number of customers and certainly enjoyed their work, and realized quite a few dollars.

During their sale the girls had their pictures taken while at work by a group of tourists from Jacksonville, Fla. Another sale will be held this week. Proceeds are for church building fund.

Trucks Begin Mail Handling

Tuesday marked the end of an era in the handling of mails through the Annapolis Valley. On that day the mail cars attached to the trains of the Dominion Atlantic Railway made their last run and effective yesterday trucks took over the task of handling the mails from Halifax to Yarmouth through the valley.

Feelings concerning change in mail handling is mixed with some people feeling a new departure will not improve the service.

The feelings of the mail clerks aboard the mail cars on the trains Tuesday seemed to be on the matter. Attached to sides of the car were placards reading, "Don't write, use signals," "Back to the Pony Express," "Farewell, people Evangeline."

Contract for the transport of the mails between Halifax and Digby was awarded to the Donald Motor Co. Ltd. of Digby, the lowest tenderer for that run, and the contract for the transport of mails between Digby and Yarmouth went to a Port Maitland firm.

It is understood the mail train from Halifax will arrive by truck in Digby at 5:01 in the morning while the day mail will arrive at 2:10 in the afternoon. A sorting depot has been set up in the old RCAF barracks on the Cannon Banks for handling intermediate mails and other mails.

LATER — It is understood the first day of handling the mails by truck was most successful with mails from Halifax and Yarmouth in Digby on time.

Any Digby Courier Subscriptions due in June will be cancelled shortly if not paid. Check your label for the August date and please renew now to make it unnecessary to mail out renewal notices. Keep our prices down by keeping our expenses down.

Storm Damages Crops

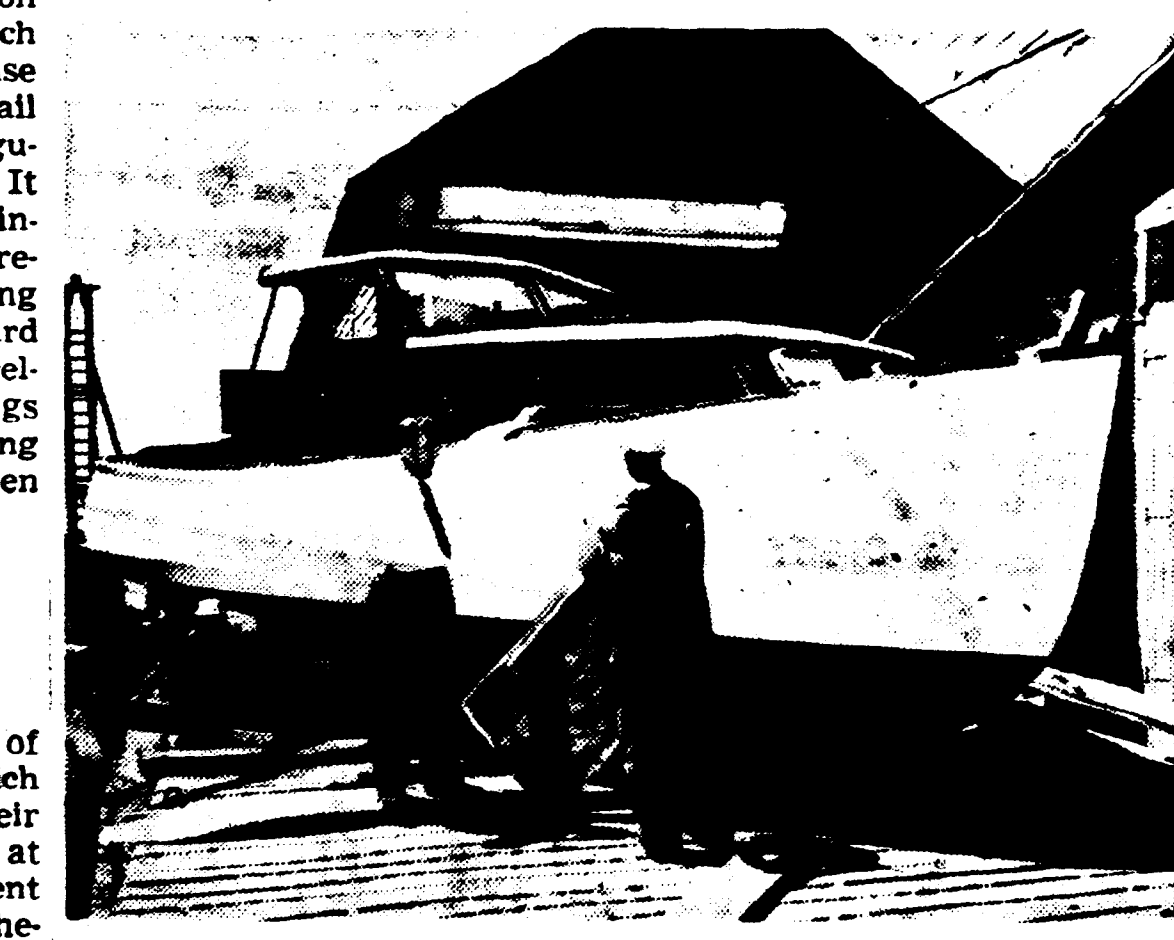

Last week's heavy wind and rain storm did considerable damage to crops in the Digby area, according to reports received.

It is understood the storm broke off many growing plants and did heavy damage to stands of corn. The accompanying rain, however, was welcome, as the ground was very dry and the crops badly in need of moisture. The raspberry crop in the Digby district is reported to be poor this year with many berries not ripening properly. Rot has struck many of the berries and indications are the crop will be light.

OMISSION

In the write-up of the Hand-spiker golden wedding anniversary last week we inadvertently omitted to include Mrs. Earle VanTassel among those who served. Also Miss Pauline Hand-spiker, a granddaughter, replenished for the tea table and Miss Evelyn Mount had charge of the guest book.

First In New Series Of Boats

Here is the first of the "Blue-noon 28" series — a sleek, seaworthy Nova Scotia-built sport cruiser designed and planned to appeal to the coastal yachtsman. It is an entirely original design, 26 feet in length, 13 to 22 miles per hour in speed, sleeps four, priced for the middle range market and will be introduced to the American market for the first time at Medford, Mass., July 28 and 29. The first of the series was built in the Smith and Rhuland yards, Lunenburg.

Defence Workers Seek Increase

The executive of the National Defence Employees Association, through the Annapolis Naval Base at Cornwallis Naval Base at Deep Brook, met recently to discuss measures to boost wages in the low wage area of Annapolis County to an even level with other defence establishments.

An association spokesman voiced sympathy for Halifax Dockyard workers but added: "We at Cornwallis have a still greater problem."

He quoted wages paid at Cornwallis as laborers 85c per hour; trade helpers 90c per hour; tradesmen \$1.20 per hour. The executive will meet again to discuss further developments.

Man Meets Place of First Employment

A happening most unusual occurred recently in Deep Brook as the old station there, which has now been sold, was being transported along the highway to its new location.

As the station was being transported along the road it was met by a car, driven by Captain Frank H. Spurr of New York, who began his first employment back in 1896 at the Deep Brook station.

As a lad of 13 Captain Spurr first started out as an employee of the Dominion Atlantic Railway, receiving instruction in station work at the Deep Brook station from the then station master, Herbert A. Dittmars.

After many ventures in his native province and elsewhere, this young man finally became associated with the Esso Standard Oil Company of New York and for 25 years was master of tankers for that company.

It was while serving on the tanker "Esso Baytown" that Captain Spurr figured in the rescue of survivors from the flying boat "Cavaller" midway between Bermuda and New York, January 1939.

Captain Spurr is presently residing in Annapolis Royal. While driving through Deep Brook he met what he immediately recognized as the "little old station."

It was being transported by truck to Bear River village for another use, now that the Dominion Atlantic Railway has abandoned Deep Brook as a regular stop on its route.

Visits Courier

Miss Virginia Claire, editor of school edition of the Newrocchele Stand and Star of Newrocchele, N. Y. was a visitor at The Digby Courier office on Monday.

Miss Claire is travelling with a conducted tour which stopped at the Digby Pines Hotel over the weekend. Other points visited in Nova Scotia by the touring party were Counties on the Northumberland Strait, Cape Breton and the Annapolis Valley.

Miss Claire was favorably impressed with the Nova Scotia scenery and the hospitality of the people here and is looking forward to a visit to the South Shore and to include the town of Yarmouth.

ACADIAN FESTIVAL IS GRAND SUCCESS

The Acadian Festival, which is nearing the final stage in its program, was a great success. Although the camp fire of August 8th had to be postponed due to heavy rains prevailing, the committee changed the date to Saturday, Aug. 11th, and on that date the weatherman was kinder and a star studded sky was in evidence. A large crowd attended the camp fire at the point near the Church Point lighthouse where a weiner roast also was held.

Roy Comeau of Meteghan, son of Mr. and Mrs. Desire Comeau, was selected to represent Gabriel and Miss Carol Boudreau, daughter of Mr. and Mrs. Louis Boudreau, of St. Alphonse, was selected as Evangeline at the Acadian Festival dance held at Meteghan parish hall on Thursday, Aug. 9th. The hall was appropriately decorated for the occasion and one of the best dances of the season was held. The colorful costumes of the participants gave it a special atmosphere and many camera enthusiasts were in evidence, snapping pictures of the Evangelines and Gabriels. Many Americans were in attendance as well as visitors from other points in Canada.

The parade of floats and decorated cars took place on Sunday afternoon with over fifteen floats and over a hundred decorated cars participating. The parade wended its way from Saulnierville to Church Point terminating in the spacious St. Ann's College grounds. First prize for the larger units of floats was won by E. M. Comeau & Sons of Meteghan. Their float, which was an historical one, depicted a scene of the Acadians returning from exile and landing on the Island of Seraphin at Church Point. The float, which is now connected to the mainland on each side by the gravel dune that the years of pounding of the waves has created, was once quite large. A lake has now been formed by the closing of both ends and is situated near the main highway a half mile from the beautiful church, towards Yarmouth. The float showed the island on the front end of the truck trailer with its spruce forest and the middle and back portion showed the Acadians nearing the island in their boat with the Acadian families with their children anxiously waiting for the landing. The menfolk sang Acadian songs during the entire journey.

Second prize was won by the Church Point Social Club in the smaller units. Their float represented the Order of Good Cheer with a group of young children in costume making up the scene. G. J. Comeau & Sons of Saulnierville won the commercial prize with their float showing the industries of Clare with their particular float representing their own business which is shoe manufacturing.

Other floats were entered by Les Gais Compagnons of Meteghan; educational by Inspector Schools J. Alphonse Comeau of Meteghan River; Irish Moss Industry by Stans Comeau of Meteghan; Boat building by Roy Doucette of Cape St. Mary's; and the Board of Trade of Clare with their traditional float with the Evangeline well on which rode the Evangeline and Gabriel of the Acadian Festival.

Thousands lined the main highway from Saulnierville to Church Point Sunday afternoon to watch the colorful parade and cars from many points outside of the District of Clare were lined along the highway from Church Point church to over a quarter of a mile in that particular vicinity. The parade was shortened in mileage covered this year due to the fact that traffic is quite heavy from 3:30 p.m. on as cars from the M. V. Bluenose begin to arrive from that time on and the congestion of traffic would be too heavy and cause too much inconvenience to the public.

A banquet was held at St. Ann's College on Monday evening with Dr. Flavien Melanson of Yarmouth as guest speaker. He told the group that the Acadian is too much of an individualist and that they should change their ways and take advantage of the opportunities that lie in their area. The opportunities are immense, he stated, and are only awaiting for someone to develop them. The Acadian Festival that has been taking place from August 8th to end of the 15th was a commencement of something

that could develop into something big to attract others to our corner of the province.

Rev. Boudreau, president of St. Ann's College, spoke a few words and advised the Board of Trade to encourage Adult Education in Clare. He stated that immense progress could be made if such a program could be undertaken. It was greatly needed and he showed where it had succeeded in the Bathurst area where he had assisted in organizing Adult Education in that area.

The famous Acadian dish, Pate-a-la-rapure was served at the banquet. Bob Brooks of Yarmouth filmed the making of this dish by Chef John Melanson of St. Ann's College staff and it is expected that it will be shown on television within a short time. Several shots on film were taken of the Festival parade of last Sunday which is also expected to be shown on TV.

Over 150 persons attended the banquet. Dr. Phillippe LeBlanc of Little Brook acted as master of ceremonies and group singing was engaged in before the guest speaker was asked to speak. Such French songs as "Allouette" and "Evangeline" were sung as well as several others.

The termination of the Festival will occur on Wednesday evening with a high mass being celebrated at 9 o'clock either in front of St. Ann's College or in the spacious church of Church Point in event that the weather is not agreeable. The Festival is to be an annual affair and the committee has promised to have a larger and better program for 1957. Sponsored by the Clare Board of Trade, the Acadian Festival has proved quite successful and for the short time in which they had to plan the program, the committee must be commended. It is the first undertaking by the Board of Trade to encourage the tourist trade to our district and now that their first venture is past, committees will be appointed this fall to organize next year's program.

The Board of Trade wishes to thank every person who assisted in making the Acadian Festival such a success either by their assistance at the different activities or in the participation of the same.

Annual Meeting Of Forum Held

The postponed annual meeting of the Digby Recreation Commission was held Tuesday evening at the Town Hall. Some twenty persons attended.

Reports of committees indicated the Forum had enjoyed a fairly successful year. The need for funds to meet capital and other obligations was stressed and plans for the coming season discussed.

Dr. D. E. Lewis was elected to the Commission to represent Branch No. 20 of the Canadian Legion, B.E.S.L.; Aubrey Hawkins was elected to represent the Curling Club. The Kiwanis Club will be represented by Kenneth Beckwith.

Two new organizations will be represented this year on the Recreation Commission. These are the Fire Department and the Lions Club. Named to represent the firemen at Tuesday night's annual meeting was Arthur Everett. Bob Bearne will represent the Lions Club.

Statutory members of the Recreation Commission are the Mayor and Deputy Mayor of the Town of Digby, the Chairman of the Board of School Commissioners and the President of the Digby Board of Trade.

The Chairman of the Commission and the committees will be chosen at the first meeting of the new Commission on Tuesday evening.

Again Elected Head

Wilfred C. Cosman of Weymouth, was elected president at the 104th Convention of the Churches of Christ in the Maritimes. Other officers are R. J. Currie, Saint John, N.B., first vice-president; Victor Ling, Charlottetown, second vice-president; Kenneth MacDougall, Dartmouth, N. S., third vice-president.

Plans were discussed for erection of a new church in Dartmouth and a work camp in Back Bay, N. B., next summer. The church has extended an invitation to all to attend the service.

Bass Fishermen Still Successful

Bass fishermen who have been frequenting the banks and waters of the Bear River in search of the fighting game fish report the river in large numbers.

Current reports are that the fish seem to be generally of a smaller size than last year although a number of large fish have been caught. Big fish, too, have been reported as getting away and it is understood one ardent sportsman had a most frustrating experience last week.

The way the story is reported is that this fisherman, who has been very successful so far, hooked on to a really big one last week while fishing alone in a boat. So big was the fish and so tough a struggle did he put up that the fisherman's glass rod snapped off at the tip.

The unsuccessful fisherman got the big fish up to the side of the boat but could not, because of an injury to his hand, get a gaff into him. The game fish then succeeded in biting off the heavy test nylon line and making good his escape. The angler estimated the weight of the bass as "at least thirty-five pounds."

Four Day Fair

It is hard to realize that soon the Annapolis County Exhibition the big annual agricultural and live stock show of the valley will have run its course, the dates are August 21, 22, 23 and 24th, one month earlier than in former years.

The chairmen of the various committees are busy making preparations for their respective sections and the management is on its toes to ensure that the patrons will be provided with the best balanced show in its history. The early dates will make the Apples and some other varieties will be shown. Vegetables should with a few exceptions be up to standard. The live stock committees are expecting record entries this year, a large entry is expected in class 19, heavy and light draft horses, general purpose and horses in the light division, the other classifications of household art, apian products, fancy work, Art, original and copy, landscape and seascape, school work which in previous years have been outstanding. All sections will no doubt be well filled and may exceed the splendid entries of the last couple of years.

There are likely to be some surprises in the light horse division, time devoted to this section may be reduced but the quality will, if present planning is maintained, be a much better feature than in previous years. Four H Club Day is on Tuesday, August 21st, and a heavy schedule of activities is interwoven with the usual splendid programme of senior divisions, consult the programme for each day as shown in prize list booklet now in the mails.

For the entertainment of our patrons the best is being provided, contracts and agreements signs now assures entertaining and thrilling vaudeville performances, music at its best for music lovers, Lynch's Shows with its entertaining midway, wheels, rides, high wire act and regular carnival attractions, all the glamour that goes to make a Country Fair an institution remembered months after the gates close for another year.

We have said it before and repeat again there is "Never a dull moment at the Annapolis County Exhibition" the show window of the Valley.

Rev. Donald Stockford to Preach at Weymouth

Rev. Donald Stockford, Lubec, Maine, will be special speaker at the evening service of Church of Christ (Disciples), Weymouth, August 19th, 1956, at 7:30 p.m.

Mr. Stockford started his first ministry in this field serving the churches at Southville and South Range from 1934 to 1940. After 6 years of successful ministry Mr. Stockford accepted a call to the Christian Temple Church, Lubec, Me., where he is serving at the present time.

Mr. and Mrs. Stockford have two sons, the elder now studying for the ministry at Lynchburg College, U.S.A.

The church has extended an invitation to all to attend the service.

About This and That

What Use Is Education?

(The Royal Bank of Canada Monthly Letter, cont'd.)

This Changing World

We in Canada are very conscious of our natural resources, because our economy is founded on them — our forests and our farm lands, our minerals and our water-power, our fisheries and our wild-life. But all these resources are useless without one other: the intelligence and the initiative of our people.

And where do we get these personal qualities? From the accumulated intellectual talent of our race given to us through the discipline of education.

We need knowledge and enterprise more than people ever before needed them, because we are living in a period of the most profound social and cultural transition. Young people of today do not realize it, for this is the only sort of world they know, but during the past forty years our world has become increasingly strange and frightening.

Less than two generations ago normality was the life of ordinary people. Crisis was something that came only about tariffs or a spot of sabre-rattling — and these were handled with dexterity and aplomb by experts.

Today, we live with crises at home and abroad, and not only the catastrophe-relief people, the politicians and the military men are involved: we are all in it. That is why we need education, to gain knowledge and attain wisdom.

We cannot estimate with any certainty what changes may be brought about in the lifetime of you who are now youthful: changes due to medical science, interplanetary communication, atomic energy, increasing population, exhaustion of certain natural resources, conquest of the polar and tropical regions, aggression by despotic powers. You cannot face these prospective changes with intelligence or serenity if you have only the education that was adequate a quarter century ago.

Scientific technology has broken up the placid life familiar to our grandfathers. It has converted the man of general competence into a specialist.

Our ancestors were content so long as they were just one potato row ahead of starvation; tomorrow, science will have moved forward another step, machines will run machines, labour will be upgraded in terms of skill, and there will then be no appeal from the judgment that will be pronounced on the uneducated man.

What is Education?

Education should be useful. We don't mean useful in the sense of making us adept in manipulating gadgets. Every youth reading this letter wants something better than that. You wish to be fit to perform justly, skillfully, magnanimously and with personal satisfaction all the offices of life.

Learning sheer fact is not all of education. The three R's do not constitute education, any more than a knife, fork and spoon constitute a dinner. Some of the greatest bores are people who have memorized a great deal of information and love to talk about it.

The aim of an educational institution is to give students a living fund of knowledge from which they may generate ideas. When you can bring relevant background to bear on a problem, assemble pertinent data, grasp relationships, appraise the values involved, and make a judgment: when you can do that you are an educated person.

Then you need not fear becoming bewildered by change or thrown into a panic by misfortune, because you will be able to determine three vital things: where you are, where you are headed, and what you had better do under these circumstances.

In seeking that education, be imaginative. The first ten or twelve years of your life were its romantic stage. When you looked through a telescope to study the stars you saw not lumps of matter floating in space but the glory of the sky. In secondary school you pass through the age of precision. You must learn things correctly, exactly and completely, because these things form the bank account on which you will be drawing all through your life. After secondary school you enter the period of generalization. You will begin to apply what you have learned, transferring particulars of knowledge to the problems of general living. As one peak is climbed, farther ranges will appear upon the horizon, beckoning to you. You cannot climb them until you reach them, but there they are, eternally luring you.

But, you may say, "so-and-so made good in life without having had an extensive formal education." Quite true. Many men and women did not have the opportunity that is open to every boy and girl in Canada today. They left school and went to work before completing high school; some did not go any further than public school. But they continued to learn while they worked.

They succeeded in spite of handicaps and not because of them. They had a *dæmon* in them that prodded, and a vital energy that strengthened them to attain education by home study, or in evening classes, or in other ways. Sir Winston Churchill, who has contributed so greatly to the world in war and in peace, told an audience in Boston a few years ago: "I have no technical and no university education, and have just had to pick up a few things as I went along."

Young people in Canada today need not endure hardship and suffer delay. So far as is in their power and so far as their knowledge carries them, people of the older generation have made it possible for young people to become educated to the utmost extent of their capability and their desire.

Don't expect — and don't desire — that education shall be

**ARE YOU GETTING
BANK OF NOVA SCOTIA SERVICES?**

poured into you. You will see more interesting and useful things when you look for them yourself. You can't profit by accepting facts without questioning, by accepting words instead of trying to understand things. You need to explore the many sides there may be to a question.

If you walk all around the opinion of a famous man, question it, and then embrace it, the opinion is no longer his but yours. When you learn how a danger occurs, you may take steps to avoid it! If you want to escape being fooled, find out how the fooling is done; go behind the puppet show to see with what skill the little figures are manipulated.

OBITUARY

Mr. Frank Harney
The death of Frank Harney occurred on August 4th after a short illness. He was 86 years of age.

Mr. Harney, a native of Watertown, Mass., was well known in hotel circles in Clare, having spent many years at the Riverside Hotel, Meteghan River, and recently at the Bay Shore Inn, Belliveau's Cove.

Mr. Harney was highly respected by those who had the pleasure of knowing him.

His funeral took place Sunday, August 6th, at St. Bernard's, with Monsignor Elie LeBlanc officiating.

Gleanings

(Taken from the Courier nearly 50 years ago)

Below is an item concerning the mystery man "Jerome".

Was It Jerome?

To The Editor of the Courier.

Dear Sir: Only a few days previous to reading in the Courier the death of "Jerome" an old lady told about a strange man found on the shore at Culler, Maine. She said that the inhabitants thought he was crazy and the authorities paid some men to take him away. They did so but were gone such a short time that people thought they had made way with him, but found out afterwards that he had been landed on the Nova Scotia shore.

This old lady lived at Culler, Maine, at the time.

Yours truly,

Garfield Moise, White Head, Grand Manan.

A Diddy at 96

Wesley Bent celebrated his 96th birthday at Maynard, Mass., recently. He was born in Annapolis, N. S., Jan. 29th, 1817, and has lived there nearly all his life with the exception of several winters passed in the States.

As Mr. Bent smoked a corn cob pipe on his birthday, he said he had smoked all his life and had also taken an occasional drink of liquor without any harmful effects. His parents were both long lived, his mother dying at the age of 87 and his father at 99. Mr. Bent has been married three times. His third wife, who is living in Annapolis, is a relative of Sir Charles Tupper and is only 39 years old.

They have had five children, four of whom are living, the youngest being four years old. The father is in the best of health and expects to live another score of years.

To the Editor of the Courier

Sir, under the heading "Settlers in Nova Scotia", the Yarmouth Times of February 27th

has this interesting paragraph: Staff Capt. Jennings has just returned to Halifax after spending three months in the old country, during which time he travelled extensively through Scotland and Ireland lecturing on Nova Scotia, its resources and opportunities. These lectures were largely attended and created considerable interest in this province. The Staff Capt. succeeded through the lectures and personal interviews in interesting a large number of farmers and farm laborers who will come to Nova Scotia in the spring.

As we have plenty of farm lands along the shores of St. Mary's Bay, we would be very much pleased to see even a few prosperous farmers among us. But whilst the government is searching all over creation to find a market of its own and is paying large sums of money to induce immigrants to settle in Nova Scotia, thousands of our best men are every year abandoning their homes to seek a living in the United States and elsewhere. We must admit, it is hard for us to understand what advantage there is for Irish farmers to leave their homes and settle among us. Is not the Irish soil as good and much more productive than ours? Have they not the great English market at their door to sell all their produce? It is much to be regretted that the Yarmouth Times has not favoured us with some extracts of Staff Capt. Jennings' lectures whilst touring Scotland and Ireland. Our farmers also might have learned how to make money by rais-

Angling for a "compleat" car?

Fine view of a finny party. Here's a grand group of fishermen, taking it easy after a busy morning on the lake. And their Pontiac fits right into the scene. You'll go a long, long mile before you find a more pleasant, more exciting way to get from here to there. It's even nicer, of course, with trout in the trunk.

Two pets—both frisky! Perhaps "Dachy" can amaze you with his tricks, he's really quite a performer. But this Pontiac has some tricks up its fenders, too. Pleasant tricks with your budget, for example . . . and some truly startling road performances. Your dealer can show you with a Demonstration Drive.

Only a minute from pool to Pontiac! We almost wonder how this fisherman can turn his back on that Pontiac. Those clean lines can catch . . . and hold . . . anyone's eye. Colors, in a host of Pontiac matching combinations, are breathtaking. And Pontiac upholstery is luxury's last word! See it . . . you'll agree!

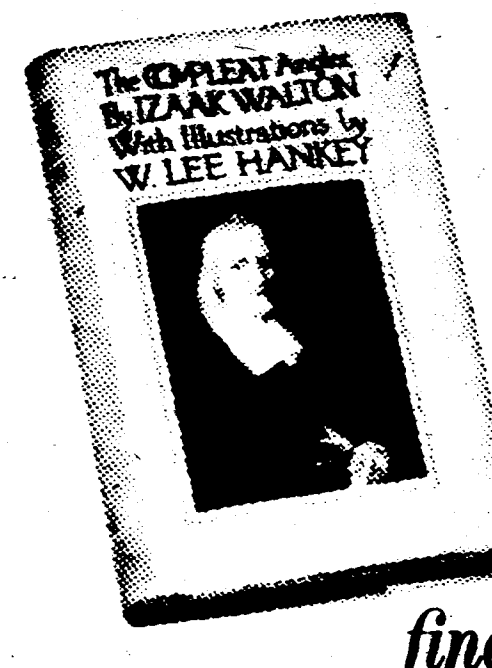

Best catch of the day! Oh, we're not talking about the fish . . . it's only average. It's that Pontiac that stands so proudly in the picture. And we're sure that the smiles you see are for the car, not the fish. It's the way you'll feel, too, first time you take the wheel of your Pontiac. You'll see!

Seems like everyone's looking for the perfect . . . the "compleat" . . . car! Actually you don't have to go very far to find it. No farther, in fact, than your nearest Pontiac dealer. There you'll find proof indeed that only Pontiac combines grace, beauty, prestige and performance and reasonable price so well . . . a "compleatness" that goes far, far deeper than mere looks or accessories!

You're welcome to a Demonstration Drive in this car of cars, to see for yourself everything that Pontiac offers. Believe us, you'll relish the way it hugs the curves, slides smoothly up or down hills, takes every straightaway with supreme confidence. The ride's the thing . . . and with Pontiac what a wonderful ride it is.

All this is very exciting . . . but the best part of all in this "compleat" Pontiac is its price. With all that Pontiac gives you in pleasure and prestige, it's still easily within anyone's budget, priced right down with the lowest. Yes—just like a trout to a "Royal Coachman" . . . that's how you'll rise to a Pontiac. Be sure you do—soon!

A GENERAL MOTORS VALUE

As Izaak Walton put it;

"Tis a wondrous fine catch to be sure."

Prevent Forest Fires

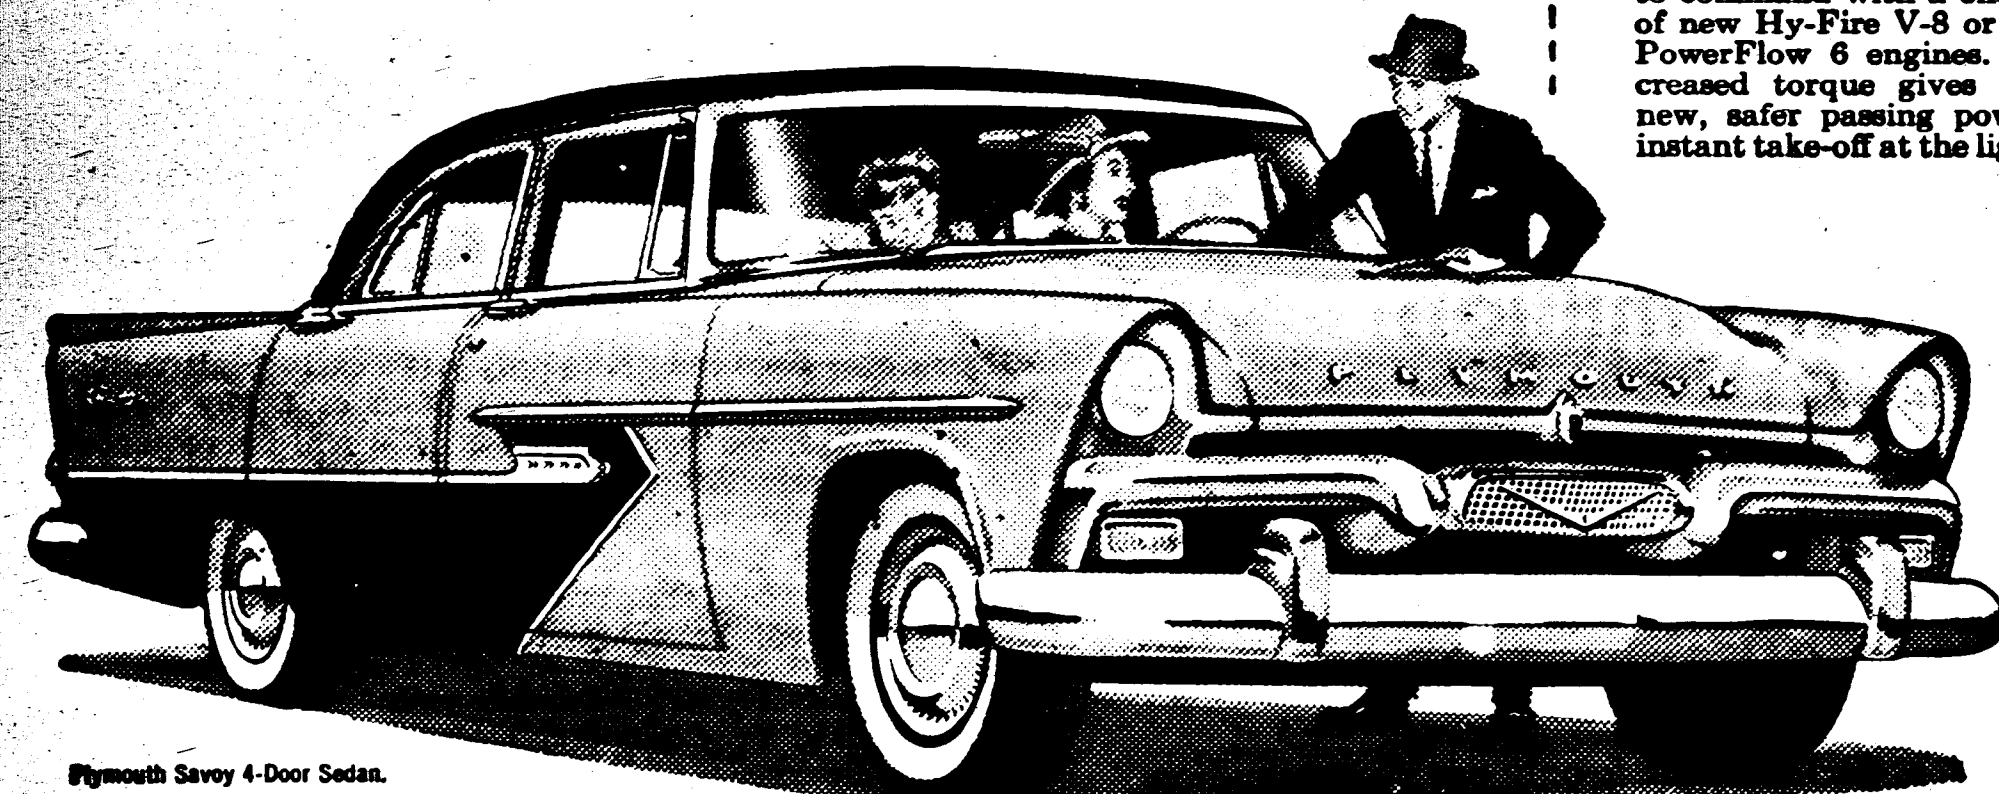

ROOF RAFT

A helicopter may hover like a bird, but when it comes down to rest on a roof it weighs plenty, and sets up quite a strain. So engineers have devised a gimmick. The whirly-bird lands on an aluminum raft floating in a shallow pool of water. The machine's weight is spread over the area of the raft instead of just that covered by the landing gear.

No doubt they figured out, too, how passengers can get "ashore". Certainly men who work with aluminum are mighty successful. In fact, they keep us busy supplying them with this versatile modern metal, at home and in foreign markets.

Local Dog Takes Honors

The black and tan Cocker Spaniel belonging to Mrs. Ralph Wright won two first prizes in class and five ribbons in the New Brunswick Dog Show held at Saint John last Wednesday and Thursday.

Mr. and Mrs. Wright attended both shows in which the dog received the honors.

Former Hotel Man Passes

Frank G. Eaton, who once operated a hotel in Digby and also operated hotels and apartment houses in Halifax, passed away at his home in Crescent Beach on Thursday after a lengthy illness.

The hotel in Digby which Mr. Eaton operated was later operated as the Travellers' Inn, the Winchester Hotel and is now closed after operating for a short time recently as the Digby Hotel.

Cost Of Living Going Up

The cost of living index in Digby will show an upward turn next week as new barbering prices go into effect.

After holding the line for many years at the fifty cent per haircut figure, local barbers now find that the pressure of increasing prices of their supplies and equipment force them to advance their prices to the public.

From the price list which appears on another page of today's Courier it would appear that Digby's prices for tonsorial tending are not out of line with prices being charged in some other centres.

Choir Enjoys Boating Trip

Members of Grace United Church choir had an enjoyable boating trip on Monday when they were taken for a cruise around the Annapolis Basin and out into the Bay of Fundy by Norman Wright and Captain Hubert Wilson.

After the boat cruise the party enjoyed refreshments before a bonfire on the Racquette shore. Later they proceeded to the home of Mr. and Mrs. Boyd Ellis, Shore Road, and held a sing-song.

Entertains W.M.S.

The Little River W.M.S. entertained the ladies of the Sandy Cove W.M.S. at the home of Mrs. Lyndon Collins with Mrs. Austin Denton presiding over the program. This consisted of a poem by Mrs. Austin Denton; Prayer by Mrs. Reginald Trask; Scripture by Mrs. Eldon Mitchell; Devotional by Mrs. Lyndon Collins; Reading by Mrs. Rupert Trask; Story, Mrs. (Dr.) Harvey Denton.

A bountiful picnic supper was enjoyed by the ladies of both societies at the close of the meeting.

Pass Red Cross

Swim Tests

Twenty-three out of thirty-nine youngsters who took the annual Red Cross Swimming and Water Safety tests at the Digby Pines Hotel pool here last Saturday were successful in securing their certificates. All were either present or former pupils at the Kiwanis swimming pool.

Those winning their certificates in the intermediate group were Karen Barnes, Nancy Sanford and Marguerite Doiron. Junior certificate winners were John Ayer, Diane VanTassel and Mel-Ling Chan.

In the beginners' group those winning certificates included Cecile Doiron, Beulah Horner, Carol Hainspiker, Donna Mossman, Mary Jane Mossman, Elizabeth Peters, Lorraine Patterson, Marilyn Patterson, Ron Chan, Fred Trask, Fred Robinson, Gary Winchester, David Melanson, Alan Smith, Dickie Marshall, Carl Dugas and Jimmy Kenney.

Administering the tests was Henry Kuryluk, head of the Swimming and Water Safety Division of the Red Cross Society of Nova Scotia. The tests were held at the Pines pool through the kind permission of Mr. Howard Walker, manager of the hotel, and were under the auspices of the Digby Kiwanis Club.

ATLANTIC RADIO AND T. V. GROUP IN MEET

Delegates from New Brunswick, P.E.I. and Nova Scotia private radio and television stations began arriving in Digby Tuesday for the annual meeting of the Atlantic Association of Broadcasters which opened at the Digby Pines Hotel here Wednesday morning. Some one hundred and twenty-five top flight private radio and television executives as well as top ranking advertising executives from Maritime, upper Canadian and U.S. agencies are attending the sessions. Representatives from a number of Maritime firms, users of radio and television advertising, also are attending.

The address of welcome at yesterday morning's opening session of the convention was given by the Association President, Gerald J. Redmond, general manager of CHNS, Halifax. "Gerry" Redmond is well known to the people of this area, having been the original commentator on "Neighbourly News."

The keynote address was given by Howard Mann, Secretary of the Maritime Transportation Commission. Mr. Mann issued a challenge to the radio industry in the Maritimes to put a greater effort behind steps being made to improve the economy of the Atlantic Provinces.

Later in the session Garth Gunter, Advertising Manager of the Irving Oil Co., Ltd., Saint John, spoke on the subject, "Why I Buy Maritime Radio and Television." Mr. Gunter dealt with many aspects of advertising as conducted by Maritime radio and television stations and gave his views on how these methods and the approach used by the Maritime radio to the advertiser might be changed to bring about a volume increase.

The importance of building radio personalities through programs at regularly scheduled times was stressed when Bill Fulton of CJCH, Halifax; Gerry Parsons, CHNS, Halifax; Bob Reid, CKCW, Moncton, and Art Harnett, CJON, St. John's, Nfld., discussed the subject, "Personality Programming."

During yesterday afternoon's session Charles W. Fenton, Sales Director of the radio division of Broadcast Advertising Bureau, explained in detail and with the use of charts how radio today is meeting the requirements of Canada's rapidly expanding economy and how this medium will continue to provide the advertiser with an economical and effective way of reaching his market.

A report on the activities of the Canadian Association of Radio and Television Broadcasters, the parent body of the AAB, will be given at this morning's session by Fred Lynds of CKCW, president of the CARTB. Mr. Lynds will report on submissions planned for the Fowler Commission and will also discuss the subject of copyright during his address.

Also scheduled for Thursday morning is an address by Charles W. Fenton on "Cooperative Advertising." Mr. Fenton is expected to discuss this matter from a national viewpoint and trace its rapid spreading.

The ladies in radio will have their innings also on Thursday morning when three well known radio and television personalities of the female sex in the Maritimes will present their views on the feminine approach to script and copy writing, program presentation and time sales. Taking part will be Jene Wood, CHSJ; Ellie MacMillan, CKEN, and Jane Weldon, CFYC. Guest speaker for the annual dinner of the Association Thursday evening will be the Hon. Robert H. Winters, Minister of Public Works. Mr. Winters will be introduced to the gathering by the Hon. Henry D. Hicks, Premier of Nova Scotia. Another feature of the banquet session will be a talent contest participated in by staff members of the Digby Pines Hotel. Judges for this are expected to be top radio and television executives attending the convention.

Ten of the Maritime's top level radio executives will present views on "Radio and the Community" at Friday morning's session. Support of Community projects and charities will be discussed by John Hirtle, of CKBW, and Bill Stewart, of CHSJ. Fred Lynds, CKCW, and Douglas Grant, CHNS, will discuss Religious Broadcasting. The subject of Farm Broadcasts will be dealt with by Don Smith, CJLS, and Art Man-

ning, CKCL. Local News coverage will be the subject dealt with by Bob McCleave, CJCH, and Hymie McFee, CFNB, Bob Large, CFYC, and Hugh True-man, CFBC, will discuss the development of local talent. Only international radio figure at the convention, Dan Kops, Vice-President and General Manager of radio station WAVZ, New Haven, Conn., will be the guest speaker at Friday morning's session. Mr. Kops, whose station has successfully met the challenge of heavy television coverage of the area it serves, will deal with the subject of the challenge faced by radio from television and present his views on ways and means of successfully meeting this challenge.

The annual business meeting of the AAB will be held Friday afternoon. At this session the election of officers will be held and resolutions adopted.

MARRIAGES

Addington — Hersey

The marriage took place on Saturday evening, August 18th, of Pauline Dorothy Hersey, daughter of Mr. and Mrs. Clarence Hersey, Mink Cove, and Robert Elmer Addington, son of Mr. and Mrs. Elmer Addington, of Little River.

The ceremony was performed by Rev. C. T. Olmstead at the home of Mrs. Olmstead's mother, Mrs. Casey, Port Wade, Annapolis Co., in the presence of immediate relatives.

The happy couple will reside in Little River.

Whitaker — How

A pretty wedding was solemnized in St. Luke's Anglican Church, Annapolis Royal, on Wednesday, August 8, at 11 o'clock, when Dorothy Kathleen, only daughter, of Mr. and Mrs. L. M. W. How, Granville Ferry, was united in marriage to John Whitaker, son of Mr. and Mrs. James M. Whitaker, of Winter Park, Florida.

Rev. W. E. Jefferson, rector of Granville, assisted by Rev. J. McMahon, rector of St. Luke's, performed the ceremony.

The bride, given in marriage by her father, was lovely in a wedding gown of champagne lace and net over satin. Her fingertip veil fell from a Juliet cap with pearl trim and she carried a bouquet of Bermuda lilies.

Mrs. Hugh Savage, of Montreal, was matron of honor and Mr. Savage was best man.

Following the service a reception for 125 guests was held at the home of the bride's parents at Granville Ferry.

Mr. and Mrs. Whitaker will reside in Newport, Rhode Island. (Please turn to page 8)

Noted Radio Commentator Passes

Mrs. Anna Dexter, the first lady of Canadian broadcasting, died in the Victoria General Hospital last Thursday evening of a heart attack.

A former resident of Digby, where her late husband carried on the practice of dentistry, Mrs. Dexter first entered the radio broadcasting world in 1928. Since that time she appeared before the CHNS microphone six mornings a week, 52 weeks a year, with hardly a break until her death.

Although she had been in the hospital for the past month she carried out her regular broadcasts each morning. She broadcast Thursday morning at 9:30 as usual and was scheduled to go on the air again Friday. Thursday morning she told her listeners she was feeling fine although the day before she had been unable to finish her broadcast.

Mrs. Dexter attracted a wide listening audience with her cheerful, informal and spontaneous manner of dealing with her subject matter. Uniquely "live" her programme in its twenty-eight years appealed particularly to women because of its housewife character. It had a wide circle of male listeners, too, for Mrs. Dexter was generally regarded as an astute selector of interesting subjects and her keenness was undeniable.

She was brought into radio by Major William Borrett of the Maritime Broadcasting Company, operators of CHNS. Widely known and with two small sons, she had operated a hotel and boarding home in Digby for a time and then considered going into insurance.

The material for her broadcasts she gathered from her wide reading and from the people she met. She enjoyed having people talk to her about their problems and explain to her their views on life in general but her own cares and worries she kept to herself. Her age, for instance, she frankly considered her own business. In recent years Mrs. Dexter did her daily broadcasts from her Armadale home, and casually fitted these broadcasts into her daily routine. Crippled with arthritis of the hip she once remarked, "Thank God it's not my tongue".

In October of 1953 the Canadian Association of Broadcasters welcomed this pioneer into their quarter century club.

Mrs. Dexter's vacations from her radio program were few and far between and occurred mostly when she visited her two boys in the services. Bruce is still in the RCAF and Donald is a car salesman in Halifax.

Another Attempted Car Theft

Another attempt at stealing a car in Digby was unsuccessful last Thursday night when some person or persons unknown tried to steal a small English car belonging to Dr. W. R. Dickie.

Sometime during the night the car was pushed backward out of the driveway of Dr. Dickie's home on Warwick Street. Efforts to make off with the car were foiled, however, when its back wheels slid into the ditch on the opposite side of the highway from the driveway.

So far, it is understood, efforts to locate the person or persons responsible for a number of attempted car thefts and other illegal acts have been unsuccessful.

Lands Big Fish

Above are William Comeau and his son-in-law "Mumme" Mulse off the "Clara and Leta" in command of Capt. Hubert Wilson. Among the fish they are holding is a 40 lb. cod caught in the Bay of Fundy by a summer tourist.

Prompt Action Stops Fire

Prompt action by the Digby Fire Department brought under control a fire here Saturday afternoon which could have developed into serious proportions had it been allowed to get out of control.

The fire started in shavings from pitwood and pulpwood near the edge of the old bathing beach at the rear of the property of H. T. Warne Ltd. When first noticed it had gained considerable headway and was burning briskly under the surface of the deep coating of shavings on the field.

In order to get the fire under complete control it was necessary to pour a great deal of water on it as much of the blaze was burning under the surface.

Although cause of the fire has not been determined, it is understood it may have started from burning paper blown by the brisk wind from the town dump some distance away.

Averts Tragedy

What might have proved fatal was the accident which happened on Friday, Aug. 17, when 6 year old Valerie, daughter of Mr. and Mrs. Murray Outhouse, Tiverton, fell from a wharf in their village and would have been drowned if there had been no men around at the time.

Two men, Baden Outhouse and Lindsay Robbins working at a fish plant jumped in the water without removing their clothes, and Baden reached her first, saving her from drowning. Both men deserve much credit.

They are good swimmers and jumped at the first call for help. From another little girl who happened to be with the victim when she fell.

D.F.D. Activities

Several of the Dept. were on hand at the hospital fair to assist at Bingo and we believe this event proved quite successful. Our thanks to the men who were there to lend a hand.

Also a word of thanks to those who were on duty Saturday night at the rink for the Western Jamboree Show.

Repairs and alterations have now been completed at the building on Maiden Lane which is now housing the new Postal Sorting unit and will be housing two school rooms on the opening of the schools on a temporary basis until the new addition is completed.

Dept. drivers were given instructions at Franklin's Pond last week on operation from draught. Further instruction will be given this week (Friday) at 7 p. m.

Many thanks to the Courier readers who supplied us with copies of July 5.

Persons responsible for a number of attempted car thefts and other illegal acts have been unsuccessful.

NEW DIESEL TRAINS INSPECTED BY CROWD

More than thirteen hundred people inspected the new all stainless steel, self-propelled rail diesel car, built by the Budd Company of Philadelphia when it visited Digby on Friday and Saturday prior to starting regular scheduled service on the Dominion Atlantic Railway route through the Valley from Halifax to Yarmouth.

Those who visited the new RDC-1 type diesel, known as the Dayliner, expressed themselves as very pleased with the design and equipment of the new car which is air conditioned and equipped with wide picture windows and bright cheery interior.

The new car is powered by two 275 horsepower General Motors Diesel Engines, located beneath the floor of the car and driven by torque converters, and is capable of reaching a speed of 44 miles per hour within one minute from a standing start.

The cars are equipped with Budd disc brakes, the only real advance in railway braking since the invention of the air brakes. Rather than two shoes which clasp each wheel, the disc brake operates through two shoes which clasp a perforated cast iron disc bolted to the inner side of each wheel.

These brakes provide the smoothest possible stop in a short distance—a factor which

has enabled railways to slice many minutes from old schedules.

Streamlined, and of all stainless steel construction, the new car combines ruggedness with safety. Its high strength to low weight ratio is one important reason for its success.

Inside the rail diesel car, the appearance is one of attractiveness, combined with practicability. Bright, cheerful colors have been selected to make travel more pleasant and wide picture windows enable passengers to see more of the passing scenery.

The foam rubber padded seats are reversible. The floor is of rubber tile, and there are two wash rooms in each car.

The self-propelled car concept is far from new, but modern engineering methods, combined with a never-ending search for improvement of railway facilities, resulted in today's RDC, an air conditioned, smooth riding car that is attractive not only to passengers, but also to railway men because of its efficiency, economy and flexibility.

The new car can be operated as a single unit or couple to other cars. In either case, one man, using simple controls, located in a vestibule at either end of each car, drives the diesel.

Many Attend Memorial Service

Despite inclement weather a large number of worshippers from far and near gathered at Old St. Edward's Anglican Church, Clementsport, on Sunday last for the annual memorial service.

Special preacher for the memorial service was the Rev. H. St. C. Hickey, Rector of St. Paul's Church in Halifax. The lessons were read by Robert Potts, Parish Lay Reader, and by Captain M. G. Stirling, Officer Commanding the Cornwallis Naval Base.

A feature of the service was the singing by the choir, composed of junior and senior choir members of the choirs of the parish, of the traditional Dutch hymn of thanksgiving. The first and last verses of the hymn were sung in the original Dutch.

At the conclusion of the memorial service a bouquet of flowers was placed at the grave of the Rev. W. Minns Godfrey, first Rector of the parish. A bouquet was also placed at the grave of Archdeacon A. W. L. Smith who was Rector of the Parish of St. Clements from 1916 until 1944.

In charge of the guest book at the church was Mrs. Ernest Mallman. Among the many interesting historical items on display at the church, which has been developed as a local museum, was the amazingly complete genealogy of local families compiled by the late L. V. Shaw. This and other articles in the museum are under the care of Miss S. E. G. MacDonald, curator of the museum.

At the close of the service and decoration of the graves an open house was held at the Rectory.

Hospital Fair

Successful

Although final figures have not yet been completely compiled, it is understood gross returns from this year's Digby Hospital Fair will amount to some \$3,900. Net return from the fair is expected to be in the vicinity of \$2,800.

Attendance at the fair this year seemed, from casual observation, to be somewhat lower than in other years although the enthusiasm and energy of the fair workers was as much in evidence as in the past.

All of the booths at the fair were well stocked with items of fancy work, home cooking and other examples of the home arts which are produced in such splendid quantity and quality for sale at the annual hospital fair.

The games booths were also well operated and provided the usual amount of fun and enjoyment as well as prizes for the lucky winners. All in all, the fair lived up to its well earned reputation of providing lots of fun and enjoyment again this year.

Historic Church Has Anniversary

On Sunday, August 19, Christ Church, Karsdale, Annapolis County, two miles west of Champlain's Habitation, Port Royal, celebrated the 165th anniversary of its consecration. The service which was held at 11 a.m., was conducted by Rev. W. Evans Jefferson, rector of Granville Anglican Parish. A special celebration of Holy Communion was observed with a former rector, Rev. R. A. Welsh, B.A., of Mulgrave, N. S., as the celebrant. The organist for the special service was Professor J. F. Browne, of Port Wade.

Christ Church, Karsdale, is one of the earliest church edifices in the province. Erected originally by the British government as a congregational meeting house, it was occupied for a quarter of a century by the people it had been designed to serve, the sixty odd New England families who came to Port Royal in the brig "Charming Molly" to cultivate the lands of which the Acadians had been dispossessed.

Following the influx of Loyalists into Nova Scotia when New York city surrendered in 1783, the number of Church of England residents in the Port Royal area far outnumbered the New England Congregationalists who had preceded them, and the church was formally turned over to the more numerous Anglicans, the Congregationalists only specifying they should retain their pews.

It was formally consecrated a Church of England place of worship on August 21, 1791. Bishop Charles Inglis, who had been rector of Trinity Church, New York was consecrated as the first Colonial bishop.

Former Yarmouth Man Passes

The death occurred on Tuesday night of Percy Wallis residing at Springwater, N. Y. Mr. Wallis who, little more than a year ago visited relatives in Digby and Yarmouth, had been in poor health for the past several months. He was born in Yarmouth, son of the late Mr. and Mrs. John Wallis who came from Birmingham, England.

He leaves to mourn, his widow at Springwater; a son, Robert, Brooklyn, N. Y.; four sisters, Theodosia Wallis and Maude (Mrs. Clyde West), Brooklyn, N. Y.; Hilda (Mrs. Alvin Saunders), Elizabeth, N. J.; Hazel (Mrs. Frank Welby), Balboa, Canal Zone; one brother, Captain Harry Wallis, of Clear Lake, California; also one grandchild.

The deceased was a brother of the late J. J. Wallis, Digby and Smith's Cove.

Mrs. Josephine Lewis is spending an indefinite time with her son, Dr. D. E. Lewis, and Mrs. Lewis.

County Youth Electrocuted

Woodbury Wood, 19 year old son of Mr. and Mrs. George Wood, of Weymouth Mills, was instantly killed at Lakeville, Kings County, late last Friday when he came into contact with a high tension, 2200 volt live wire on a tree outside the home of Charles Harnish. It is understood the young man had been visiting at the Harnish home for the past month.

With June Harnish and Charles Harnish Jr., he was playing around some of the big trees in front of the Harnish home and had climbed nearly to the top of one through which the electric power lines passed and fell to the ground.

Dr. Ronald Thorpe of Kinsman's Corner, stated death was instantaneous. It was decided by Coroner Lindsay no inquest was necessary.

Granville Girl on Bicycle Tour

Ten girls from six different centres in Nova Scotia, are preparing for an eight-day bicycle trip of Cape Breton Island. The tour is scheduled to start August 27 from Havre Boucher.

This is the second cycle tour this season sponsored by the Physical Fitness branch of the Department of Education in co-operation with the Nova Scotia Division of the Canadian Youth Hostels Association.

Taking part in the trip are Vivian Hennigar, Granville Centre; Elsie Rouleau, Upper Nine Mile River; Joyce Elop, Brenda Hamer, Terry Parker, Halifax; Joanne Van Zwo, Bible Hill; Margaret Owens, St. Peters, and Patricia MacDonald, West Bay Road, Fredo Wales and Barbara Fry of the Physical Fitness division will lead the group.

The girls cyclists will follow the west coast of Cape Breton through Port Hood, Judique and Inverness to Margaree Forks. Some time will be spent in the Margaree Valley before turning south along the Southwest Margaree river to Lake Ainslie and on to Whycocomagh. From there the group will go through Orangetown, following the coast of the Bras d'Or Lake past Marble Mountain and West Bay. The tour will end at Cleveland on Labor Day, September 3.

Cape Breton members will leave the party at Cleveland while the mainlanders plan to entrain at McIntyre Lake.

The girls will carry sleeping bags and cooking utensils with them on their bikes and plan to camp out en route. In case of inclement weather they plan to stay at the Youth Hostel, Port Hood, or seek shelter in halls or barns in communities along the way.

The Youth Hostel at Port Hood is the only one in Cape Breton but it is hoped others will be developed before long. It was started two years ago by Ron MacDonnell.

Over 75 girls have taken part in these cycle trips since they were inaugurated in Nova Scotia in 1951. More than 15 of these girls have completed their second, third or fourth tours and all but two members of the forthcoming tour are veterans of other jaunts.

To Mark 97th Anniversary

A special Roll Call service will be held Sunday evening at the Tiverton Church of Christ to mark the 97th anniversary of that church.

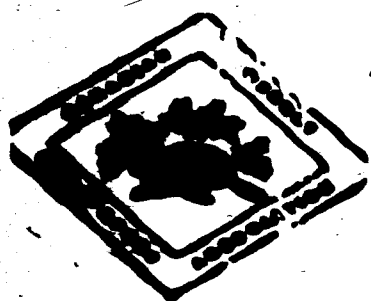

Guest speaker for the service, to which a cordial invitation has been extended to all the people, will be the Rev. H. B. Stainton, of Dartmouth. Special music will be provided by the choir of the church for the service. The service is scheduled to begin at seven o'clock.

Visit In Weymouth

Major James Payne and Mrs. Payne, of Beacon Hill, Boston, arrived yesterday via the Princess Helene and will spend about a week visiting in the Weymouth area. They will stay at the Goodwin Hotel.

Mrs. Payne is the former Mary Florence Melanson, daughter of the late Benjamin C. Melanson and Jennie Amoro Melanson, of Gilbert's Cove. She visited Nova Scotia for the first time in more than forty years last year and met a number of surviving relatives. It is her hope to contact these again and others whom she did not have an opportunity to meet on her last visit.

About This and That

Many Attain Provincial Passes

The Courier extends congratulations to the teachers and students on the fine showing made by the students of Grade XI and XII in the Provincial Examinations.

As noted in this issue of the Courier and in previous issues the number of students from the Digby Regional High School and other schools in the county who attained provincial XI and XII passes, calls for commendation.

It was interesting to learn that one hundred per cent of the Bear River students who attended the Digby Regional High School received provincial passes and according to information the passes by all area students reached a high percentage.

Of those from D.R.H.S. who failed to attain the Provincial standard, it was noted that the majority were from the town. This lends rise to several questions one of which has been discussed time and time again, "Are the town students subjected to an undue number of distractions from school work?" There is no better time than the present for parents to give this question serious thought.

Mailing Problems

The new mail schedule poses a number of problems for us at the Courier Office and from the telephone calls we receive from our correspondents in the villages, they too, are not sure when their correspondence must be mailed in order to arrive here to make our deadline.

We hope this week to have our mailing list adjusted so that both East and West mail will go out from the plant by eleven o'clock on Thursday to assure delivery on that day.

So that our correspondence will arrive as early as possible we are giving here the mail schedule at Digby and ask the correspondents to arrange dispatch of their copy accordingly.

New Era In Nova Scotia Rail Cars

The fascination of the "chug-chug, puff-puff" which characterized the presence of the old D.A.R. passenger train in Digby was replaced on Monday by a new fascination — that of comfort and speed.

Of the more than 1300 visitors who toured the new all stainless steel, self-propelled rail diesel cars which were on display here on Friday and Saturday, none could help but be impressed by its appearance of interior beauty and comfort. Bright and cheery, air-conditioned and a pleasant scenic view through wide picture windows were registered as pleasantries for future trips on the new Dayliner. Many tried out the foam rubber padded seats and testified to their comfort. On either end of each rubber tile floored car were two washrooms equipped attractively for comfort and sanitation.

When J. C. McQuaig, general manager of the D.A.R., jokingly warned the Courier editor "Don't let me ever see you driving through Kentville in your car, anymore," we do confess we looked at the new Dayliner and seriously thought of the many highway accidents and the responsibility of driving an automobile today. Even the winter snow storms began to make a mental image on Friday afternoon, one of the hottest of the summer, and we immediately took refuge in the thought of the Dayliner as we were told of its 85 mile per hour speed and of its smooth riding qualities.

What Use Is Education?

(The Royal Bank of Canada Monthly Letter, cont'd.)

Special Training

Choosing a career today is not the docile following in father's footsteps that was common a half century ago. There are attractive professions and businesses and crafts that were not heard of, some not imagined, when today's university graduates were born.

It is not desirable that you should pursue technical education to the exclusion of general or cultural education. Foremen will tell you that a worker who has had practice in learning at school usually turns out to be better at learning in a factory. He catches on more quickly, not only to the "how" of his job but to the "why" of it. He has a quicker and surer grasp of problems. He is more likely to think up time and labour-saving ideas. He has

the broad outlook and the capacity for straight thinking that are essential to promotion and advancement.

The earth-worm has not only digging skill but a sense of the principles involved in digging a good hole at the proper direction. We, on a higher stratum of the animal kingdom, need no less. It is principles, and not mere data, we need if we are to find our way through the mazes of tomorrow.

If you are going in for commerce, do not imagine for a moment that all you need is training in reading, writing and arithmetic. Even the addition of bookkeeping, shorthand and typing is not enough. You need an intelligent knowledge of the realities of modern economic life.

Business men believe that more attention should be given in schools and colleges to the art of communicating ideas. There is not much prospect for advancement in commercial firms unless you can express your thoughts competently. You cannot buy or sell, give instructions to subordinates, make a report, win friends or influence people, unless you can say clearly and appealingly what is in your mind to say.

If you are going to learn a trade, don't be satisfied to become a specialist in "know-how" rather than in knowledge. The sort of person you are to be is more important in the long run than the sort of skill you acquire.

Really useful training in a trade will provide you with some general principles and a thorough grounding in their application to certain concrete details. It will give you a base on which you may build a bigger and better job. It will habituate you to use of all your brain instead of just the fragment that directs your fingers.

Should you be going on to university, you need to know that the function of higher education is two-fold: to disseminate knowledge already stored up, and to spur the student to acquire new knowledge. What training there is in a university is directed toward conditioning the mind to think; to push back the barriers of the past and extend the boundaries of what is known; to discover problems to be solved.

Reception Held For Newlyweds

A pleasant time was spent last Wednesday evening at Watford when Mr. and Mrs. William Walker entertained at a reception in honor of their son and his bride, Mr. and Mrs. Dean Walker.

The rooms were tastefully decorated with white wedding bells and pink streamers. Mrs. Walker, who looked charming in a light blue dressmaker suit and pink blouse, greeted the guests at the door with her husband.

About forty guests registered in the guest book and were from Watford and surrounding communities, as well as Round Hill, Mont Apica, Quebec, Yarmouth, etc. The beautifully decorated wedding cake, topped by a miniature bride and groom, was displayed in the living room on the coffee table, flanked by tall lighted candles.

The couple received many useful and beautiful gifts of silver, linen, blankets, as well as kitchen utensils. The bride's parents gave them a chest of silver and the groom's parents an apartment size electric range.

The guests thoroughly enjoyed the evening in chatting and playing games before the delicious refreshments were served. Those serving were Mrs. Hereford Raymond, Mrs. Lottie Lewis, Mrs. Sydney Westcott, Mrs. Gerald Walker, Mrs. Lee Westcott, Mrs. Wilfred Westcott, Miss Doreen Walker and Miss Sylvia Walker.

Mr. and Mrs. Walker both thanked those present very warmly for coming and for their gifts.

Mrs. Walker, who was the former Miss Barbara Tuttle, of Wentworth, has been on the teaching staff of the Digby Elementary School and this year will be teaching in Caledonia where the groom is on the staff of North Queens Rural High School.

Mr. and Mrs. Walker were recently married at the bride's home in Wentworth, Cumberland Co., and have returned from a honeymoon spent at Niagara Falls and the New England States.

ANNIVERSARY (from page 1) done by canoe, the location of the church is directly opposite the mouth of the Riviere Hebert, as Bear River was originally known. In honor of Louis Hebert, America's first apothecary, and equally distant from Digby Gut and the blockhouse commanding the Lequille River at Annapolis Royal, this church served the entire countryside.

While the edifice itself has been preserved intact, a beautiful stained glass window dedicated to the Lord Bishops of Nova Scotia was installed a few years ago through the munificence of the late Mrs. Margaret Soule.

The weathervane atop the church steeple is cast in such a manner that the open figures of the date 1791 stand out against the sky.

The ancient pews have been relegated to the gallery and modern hinges have replaced the wrought iron variety with which the church was originally equipped. Otherwise everything is very much the same as in 1791.

CHURCH VACATION SCHOOL SUCCESSFUL

A church vacation school was conducted for two weeks in the Bear River Baptist church. It was under the direction of Mrs. J. W. Scott, capably assisted by the Registrar, Mrs. Vernon McCormick; Bible teachers, Roscoe Cress and Mrs. Allister Milner, with Mrs. Roy Snell and Judy Marshall assisting.

The music was under the direction of Mrs. John MacLeod, Patricia Dukeshire and Mrs. Cleveland Dukeshire. Mrs. Scott had charge of the handwork, assisted by Mrs. Roy Snell and Mrs. Vernon McCormick. The recreation was under the direction of Judy Marshall.

There were seventy-four registered at the school with an average attendance of fifty-six. The children involved were from six years to eleven and not only from Bear River, but many were transported from Lansdowne, Greenland and Morganville. There were always four volunteer cars on hand to transport the children from the distant places.

The success of the school is sometimes best registered by the enthusiasm of the children and the joy of the leaders. These moods were heartily evident. On the final Friday of the school an evening Sharing Program was presented by the children and their leaders.

The junior and primary children presented a program of songs, choruses, hymns, scripture memory work to over a hundred guests. At this time the handwork of the children was on display and admired by the friends.

A donation of \$20 by the Bear River Baptist Sunday School provided for the expense of materials used for the school. The offerings of the school amounted to \$27.75 which the children are donating to the care of boys and girls in the Christian Medical Hospitals of Vellore and Ludhiana in India.

MARRIAGE

Moser — Boudreau

A pretty wedding was solemnized in St. Edward's Anglican Church, which was artistically decorated by the Clements Altar Guild, on Saturday, Aug. 11, 3 p.m., when Rev. S. J. Armstrong united in the holy bonds of matrimony, Joyce Edwina, daughter of Mr. and Mrs. Frederick Boudreau, of Clements-port, and Leading Seaman Harold Lloyd Moser, son of Mr. and Mrs. Enoc Moser, of Kitchener, Ont. The double ring ceremony was used.

The bride, given in marriage by her father, was lovely in a ballerina length gown of opaque satin. Her shoulder length veil fell from a halo trimmed with rhinestones and lily of the valley. She carried a nosegay of white baby mums and tiny pink rose buds.

Miss Jean Johnstone, as bridesmaid wore a ballerina length gown of pink lace and tulle with brocade silver slippers. She carried a nosegay of gold and mauve mums.

Reid Boudreau was groomsmen, GDSM Gerald and Samuel Boudreau ushered. All are brothers of the bride.

Mrs. Robert Potts sang "O Perfect Love" during the signing of the register.

A reception was held on the lawn at the home of Mrs. E. K. Eaton.

The bride's mother receiving with the bridal party, wore a gown of royal blue, white accessories and corsage of pink roses.

The Clements W.A. catered. Pouring tea were Mrs. J. A. Ferguson and Mrs. Guy Haight, aunts of the bride. Serving the bride and groom were Mrs. Albert MacKenzie and Miss Shirley Wright. (Assisting were Mrs. L. S. Frank, of Caledonia, and Miss Rose Foley, of Victoria Beach, in charge of the guest book.)

Mr. and Mrs. Moser left by car for a trip to Kitchener, Niagara Falls and other points of interest.

The bride travelled in a navy blue suit with white accessories and corsage of white baby mums.

Mrs. Moser is a graduate of the Provincial Normal College, Truro, and the groom is attached to HMCS Stadacona, Halifax, N. S.

Among the out of town guests were Mrs. J. A. Ferguson, of Hantsport; Mrs. Henry Comeau, Digby; Mrs. L. S. Frank, Norman, Raymond and Donna, of Caledonia; Mr. and Mrs. Douglas Foley, Rose and Richard Foley, of Victoria Beach.

OBITUARIES

Roy Casey

Friends and relatives will regret the passing of Roy Casey, prominent citizen of Victoria Beach, Annapolis county, whose death occurred at his home following two years of falling health. Five days before his death he suffered a stroke from which he never rallied.

Mr. Casey was born at Victoria Beach 68 years ago, and his entire life was spent there. He was the youngest son of the late Deacon and Mrs. Henry Casey and was the last surviving member of his family.

For the past number of years, Mr. Casey operated his own business, buying and processing fish. He was an active member of the Victoria Beach United Baptist church and served as church trustee for many years.

For a number of years he acted as secretary of Victoria Beach school section, and took an active part in all community activities. He was a member of the Masonic Order.

Mr. Casey is survived by his widow, the former Myrtle Ellis of Victoria Beach. His only son, Kenneth Casey, B.Sc., M.A., died one year ago at the age of 26 years. Three brothers, Walton, Ansel and John Casey, and a sister, Mrs. Charles Haynes, predeceased him.

Also surviving are three nephews, Joseph Casey, LeRoy Haynes and Earl Casey, and three nieces, Mrs. Claude Olmstead, Mrs. Paul Lorince and Miss Beulah Haynes.

Funeral services will be held Friday afternoon from the Victoria Beach Baptist church conducted by Rev. Dr. A. J. Archibald, assisted by Rev. R. W. Lindsay.

Interment will take place in Port Wade cemetery.

Miss Gertrude D. Dunn passed away at her home in Lansdowne Monday morning after an illness of seven weeks duration. She was 83 years of age. Born in Lansdowne, she was a daughter of the late Mr. and Mrs. Henry Dunn of that place.

She is survived by two brothers, Frank, of Dorchester, Mass., and Ralph, of Lansdowne, who cared for her during her illness.

Funeral service was held at the Bear River Baptist Church Wednesday afternoon with the Rev. William Scott, pastor of the church, officiating.

Mrs. J. A. Foster Many friends and relatives throughout the province regret the passing of Mrs. Margaret (Spurr) Foster, an esteemed resident of Granville Ferry for the past 25 years, whose death occurred on Thursday at the home of her daughter, Mrs. Reginald D. Bailey, Round Hill, following several months of failing health.

Mrs. Foster celebrated her

90th birthday on June 25th. She was born at Round Hill in 1866, a daughter of the late Mr. and Mrs. Robert Spurr, and was the last surviving member of a family of eleven children.

Mrs. Foster was a fine seamstress and up until two years ago at the age of 88, she was still sewing for herself and members of her family. She had been up and around until the day preceding her death, but had been a hospital patient several times during the past year.

On June 10, 1890, her marriage to J. Albert Foster took place. For a number of years later moving etoain chrdlu vbg they resided at Upper Granville, later moving to Round Hill. In 1931 the family moved to Granville Ferry and purchased a home there.

Mr. Foster passed away 11 years ago and their younger daughter, Alberta (Mrs. Ira Sutherland), of Annapolis Royal, also predeceased her mother.

A member of Holy Trinity Anglican Church, Mrs. Foster was also an active member of Trinity Church Senior Guild and in former years was active in the Red Cross auxiliary.

Besides her daughter, Mrs. Bailey, she is survived by one son, C. Bernard Foster, of Halifax; three grandchildren, and four great grandchildren.

Funeral services were held Saturday afternoon conducted by Rev. James Pyke, of Round Hill, and Rev. W. E. Jefferson, of Granville Ferry, at St. Paul's Anglican Church of Canada, at Round Hill.

Interment took place in the family lot in Round Hill cemetery.

NOTICE

NOTICE is hereby given that, under the provisions of the Power Commission Act, being Chapter 220 of the Revised Statutes of Nova Scotia, 1954, as amended, the Nova Scotia Power Commission has expropriated and taken certain lands near Greenland, in the County of Annapolis, Province of Nova Scotia, said lands being particularly described as follows:—

Those lots of land in the vicinity of the East Branch of Bear River, near Greenland in the County of Annapolis, Province of Nova Scotia, bounded and described as follows:—

Beginning at a stake and stones on the northeastern shore of the East Branch of Bear River, in the vicinity of Negro Line Brook, at the western boundary of Lot No. 10, of the Negro Line Road Grants, claimed by Kenneth Wamboldt and running,

Thence northerly along said boundary six hundred and two tenths (600.2) feet to stake;

Thence south 79 degrees 13 minutes east, two thousand two hundred twenty-three and six tenths (2223.6) feet;

Thence south 53 degrees 49 minutes east, fifty-four and three tenths (54.3) feet to meet the western boundary of lot No. 6 of the said Negro Line Road Grants, claimed by Byron C. Chisholm;

Thence southerly along the last mentioned boundary two hundred and sixty-three and nine tenths (263.9) feet to meet the northern boundary of Crown Grant No. 1314 A to Archibald Scott;

Thence easterly along said last mentioned boundary two hundred and two tenths (202.2) feet;

Thence south 53 degrees 49 minutes east two thousand six hundred fifty-six and seven tenths (2656.7) feet to a stake;

Thence south 16 degrees 08 minutes east to and crossing said river, one thousand seven hundred and forty-five (1745) feet more or less to the southwestern shore thereof;

Thence in a general north-westerly direction, following said southwestern shore, two thousand two hundred and eighty (2280) feet more or less to a stake distant three thousand seven hundred and eighty-five (3785) feet more or less on a bearing of about south 51 degrees 30 minutes east from the aforesaid beginning point;

Thence south 11 degrees 45 minutes west, three hundred and thirty-nine (339) feet to a stake;

Thence south 47 degrees 30 minutes east two thousand seven hundred eighty and five tenths (2780.5) feet to a stake on the contour of elevation one hundred and fifty-one (151) feet greater than that of the concrete top of the spillway section of the said Commission's head pond dam at Sam Harris Bridge (so called);

Thence in a general southeasterly direction, following said contour by its various courses, to the point where it crosses the said river;

Thence in a general northerly and northwesterly direction, following said contour by its various courses, to a post and stones on the eastern boundary of Crown Land Grant No. 1314 A to Archibald Scott and distant one thousand nine hundred seven and five tenths (1907.5) feet more or less northerly along said eastern boundary from the northwestern corner of Crown Lands Grant No. 5258 to Silas and Israel Rice;

Thence northerly along said last mentioned boundary one hundred and fifteen (115.0) feet to a stake distant thirty-three (33.0) feet at right angles northeasterly from the Centre Line of the

Commission's transmission line connecting developments on the Mersey River with Bear River.

Thence north 53 degrees 49 minutes west, parallel to said Centre Line, two thousand six hundred thirteen and nine tenths (2613.9) feet;

Thence north 48 degrees 33 minutes west, parallel to said Centre Line, two hundred ninety-five and eight tenths (295.8) feet;

Thence north 43 degrees 10 minutes west, parallel to said Centre Line eight hundred eighty-one and eight tenths (881.8) feet;

Thence north 80 degrees 46 minutes west, parallel to said Centre Line three thousand eight hundred and five (3805.0) feet to a stake and stones on the contour of elevation three (3) feet greater than that of the aforesaid concrete top of the spillway section of the Commission's dam at Sam Harris Bridge;

Thence in a general southerly direction by the various courses of said contour to the northeastern shore of the said river;

Thence southeasterly along said shore to the place of beginning.

— All bearings being magnetic for the year 1949.

The described lands being shown enclosed in red lines on the Plan deposited on record in the office of the Registrar of Deeds for the County of Annapolis as hereinafter mentioned.

EXCEPTING THEREOUT all watercourses, Crown Lands, and knolls or islands of elevation greater than that of the said contour of elevation, one hundred and fifty-one (151.0) feet greater than that of the concrete top of the spillway section of the Commission's said dam at Sam Harris Bridge, marked 'E' and shown coloured yellow on the said Plan.

The lands expropriated comprising 494.14 acres more or less.

TOGETHER with all and singular the buildings, easements, tenements, hereditaments and appurtenances to the same belonging or in anywise appertaining.

A Plan and description of the lands so expropriated and taken were deposited on record at the office of the Registrar of Deeds for the County of Annapolis at Bridgetown, in the said County, on Monday, the 23rd day of July, A.D. 1956, at the hour of 9:00 o'clock in the forenoon.

Every person having any claim to compensation in respect of the expropriation and taking of the aforesaid lands must file the same with the Commission at the office of the Commission, Halifax, Nova Scotia, within one (1) year after the said 23rd day of July, A.D. 1956, the date of the depositing on record of the said Plan and description of the lands expropriated and taken, and every person having any claim for lands injuriously affected by

the said expropriation and taking must file the same with the Commission as aforesaid within one (1) year after the injury complained of.

DATED at Halifax, Nova Scotia, this 3rd day of August, A.D. 1956.

(Mrs. J. W. Stanley & Mrs. K. M. Hankinson)

Mrs. Frank Mullen and daughter, Lucy, were passengers on the Princess Helene on Friday enroute to Saint John, N. B., and Montreal.

The "Dayliner" rail diesel car which went into service between Halifax and Yarmouth this week was open for visitors for some time on Saturday morning. In spite of the fact that few people knew just what time the Dayliner would be in Weymouth, a goodly number were present to inspect it.

Recent visitors of Mr. and Mrs. Arnold Lent have been Mr. and Mrs. Nelson Stoddart, of Malden, Mass., Mr. and Mrs. John Hughes, Everett, Mass., Mrs. Al Doucette, Lynn, Mass., Chief of Police Clayton Brannen and Mrs. Brannen, of Liverpool, Mr. and Mrs. Albert Crowell, Wood's Harbour, and Mr. and Mrs. Victor Brannen, of Wood's Harbour.

Visiting at the home of Dr. and Mrs. H. J. Meanson are two friends of their daughter, Claudette, Rajane Comeau, who is a student at the Provincial Conservatory of Music, Montreal, and Hugette Leger, a daughter of Dr. Leger, of Moncton, who is studying medicine in Quebec.

Mr. and Mrs. N. L. Ruggles were visitors at the home of their daughter, Mrs. Bernard Fraser, and Mr. Fraser, Bear River, on Sunday.

Miss Margaret Campbell, who has been visiting her brother, Gordon, and Mrs. Campbell, has returned to Toronto.

Miss Aylene Brooks, Montreal, is visiting her parents, Mr. and Mrs. Wm. Brooks.

Mr. and Mrs. E. Adelaar are visitors in New Glasgow presently.

Miss Joan Hill, who has been attending summer school at Dalhousie, returned home on Friday.

Mrs. C. C. Nicholl and Mrs. Richard Gaudet were visitors in Digby on Saturday.

Clare Ruggles spent a few days in Weymouth last week. He visited his brother, N. L. Ruggles, and Mrs. Ruggles.

Rev. D. F. L. Trivett and two children left on Monday for Sydney, N. S., where they will visit Mr. Trivett's parents before taking up the duties of their new parish at Sackville, N. B. Their many friends in this community wish them every success in their new parish.

Camp Aldercliff at Weymouth North will close this year on August 23rd. Boys from the camp were present at St. Peter's Church on Sunday morning, some of them taking part in the service. The choir was composed of younger boys from the camp with two of the older boys reading the lessons.

Tom Bartlett, Annapolis Royal, spent a few days this past week with his parents, Mr. and Mrs. Robert Bartlett. This was the last day of Tom's vacation which he had spent with his brother, Neil, in Montreal and also visiting in Maine.

Due to repairs being made on Hertz Memorial United Church, making it difficult to have service there, the Sunday morning service was held in the Church of Christ.

Mrs. Howard Cosman, Plympton, spent Saturday as guest of Mr. and Mrs. Wesley Grant.

Rev. Donald Stockford, Lubec, Maine, a former pastor of Southville and South Range Churches of Christ, was the speaker at the Church of Christ at Weymouth on Sunday evening. The church had a capacity congregation as Rev. Stockford has long been a favorite speaker in this community. While in Weymouth he was a guest of Mr. and Mrs. Wilfred Cosman.

Tom Hankinson, Middleton, was a visitor in town on Thursday.

Recent visitors at the home of Mr. and Mrs. Charles Journey were Mrs. Hattie Ladd, Cambridge, Mass., a sister of Mrs. Journey, and Mrs. Journey's nieces and nephews, Mr. and Mrs. Samuel Thompson and son, Sammy, Arlington, Mass., Mrs. Katherine Herman and son, Bobbie and Eddie, Rochester, N. H.

Mr. and Mrs. Burton Granville, of Cumberland Bay, N. B., were weekend visitors of the former's brother, Capt. C. F. Granville, and Mrs. Granville.

Honored On Departure

St. Peter's Parish was host at a farewell party held at the Guild Hall, Weymouth North, in honor of Rev. D. Trivett and Mrs. Trivett on Friday evening. Mr. and Mrs. Trivett will be leaving shortly to take up the work of a new field at Sackville, N. B., and will be greatly missed not only by St. Peter's Parish, but by the whole community.

In the years they have been in Weymouth they have been interested in many community efforts and have given unstintingly of their time, as well as being active in the work of the parish, building up the work to a high level. Mrs. Trivett has been the able leader of a Girl Guide Troop comprising girls from the community, and she too will be greatly missed by those who have learned to look to her as a leader.

At this party Mrs. Trivett was presented with a cup and saucer in N. S. tartan from the Girl Guides with the best wishes of the group for her future happiness.

Tom Bartlett, on behalf of the parish, made the presentation of a purse of money to Rev. Mr. Trivett and a steam iron was presented to Mrs. Trivett with the best wishes of the parish.

St. Matthew's Church, Weymouth Falls, also held a farewell party for Mr. and Mrs. Trivett during the past week.

A coffee party was held by Mrs. Ephraim Gates at her home on Saturday morning in honor of Mrs. Trivett, with twelve or more friends being present.

Miss Arlene Wagner left on Friday for Ontario where she will spend her vacation with her sister, Mrs. Malcolm Baxter, and brothers, Albert and Milton.

MARRIAGES—(from page 1) land, where Mr. Whitaker is with the United States Navy.

Brooks — Armsworthy
A quiet wedding of interest was solemnized at 3 o'clock on August 4 at St. Andrew's Presbyterian Church manse, Almond Ave, New Glasgow, when Rev. William Reid united in marriage in a double ring ceremony, Hazel May, daughter of Mr. and Mrs. C. H. Armsworthy, Washington St., and Stanley William, son of Mr. and Mrs. Harley L. Brooks, of Ashmore, Digby Co., N. S.

The couple were attended by Mr. and Mrs. Carl F. Armsworthy, brother and sister-in-law of the bride.

The bride wore a street length dress of turquoise blue nylon

net over taffeta. Her hat was a white picture model with navy net over the crown, and she wore a corsage of pink delight roses. Her other accessories were white elbow length gloves and white pumps. A navy blue duster completed her costume.

Mrs. Armsworthy wore a blue silk print dress, navy duster lined with matching material, and corsage of briarcliff roses. She wore a navy blue picture hat, navy pumps and white elbow length gloves.

Mrs. Brooks has been a valued member of the teaching staff at New Glasgow school, and following a wedding trip through American cities, will reside at Ashmore, N. S. For travelling she chose a grey-blue suit with braid trim and matching accessories.

DIGBY, NOVA SCOTIA, THURSDAY, AUG 30, 1956

VOLUME LXXXII, No. 52

FAVOUR RETAINING PRESENT SCHEDULE

The Annapolis Valley and Western Nova Scotia generally is enjoying the most successful all-time tourist business.

From Digby to Windsor, motels and hotels have been booked solid—other tourist accommodations are filled to capacity most of the time.

This happy situation is principally attributed to the new transportation facilities afforded by the "Bluenose".

Fully agreed on that important item, 20 members of the executive, Annapolis Valley Board of Trade, at a dinner meeting held at the American House, President J. P. Richards, Digby, presiding, were divided in their opinion as to whether overnight docking of the "Bluenose" should be shifted from Bar Harbour, Maine, to Yarmouth.

All, however, were in agreement with R. E. Driscoll, Annapolis Royal, when he asserted that, under the present set-up, the Valley is doing a splendid tourist business, while Yarmouth is by no means suffering, in fact is doing as well or better than Valley resorts.

The long discussion wound up unanimously endorsing a motion of Gordon Crossley, of Windsor, and Loring Andrews, of Middleton, that no action be taken on the situation. Mr. Crossley had supported the view that the overnight docking at Yarmouth would bring more money into Nova Scotia, a view which was concurred in by D. L. B. Chute, Berwick.

There was another very vital aspect introduced into the subject. That was in the matter of the reduction of rates for trucks on the "Bluenose" during the off-peak season. The present schedule of rates has been declared much too high for the economical transportation of Nova Scotia farm and fish products to the New England markets.

The affiliated boards, including boards from Windsor to Weymouth, was probably the first organization to urge the provincial and federal governments to establish a ferry between Maine and Western Nova Scotia. One of their strongest points of argument was the opportunity it would afford in moving farm produce and fruit from this section of the province to New England at a cost which would enable farmers to compete on even grounds with other products of a similar nature coming into the Boston area.

L. V. Spinney, Middleton, former chief inspector fruit and vegetables division, federal department of agriculture for Nova Scotia, said the present schedule with overnight docking at Bar Harbour was the most advantageous to the movement of farm products. He pointed out that they could be delivered in the Boston area relatively early in the morning and this would not be possible under a change of schedule.

Jack Brittain, Digby, said that from a shipper's point of view the schedule as now exists is the best for the fish shippers.

A motion made by Mr. Burns and D. B. L. Chute was that representations be made to Canadian National Steamships and government authorities to reduce the rates for commercial vehicles during the non-tourist trade season.

The question was brought up that the CNR might claim that rate reduction might occasion a deficit. In that regard Gordon Crossley emphatically declared that the CNR was never intended to make money, but to provide service to Canadians at a fair rate. He said that for years and years Nova Scotia taxpayers had been contributing towards CNR deficits, largely incurred in the central and western provinces, and it is about time, he said, that we get some of the benefits from these deficits. He also pointed out that unless the rates are reduced the shipments will not be made and there will be no income from trucks.

The continued operation of the "Bluenose" on summer schedule during September was approved. It was felt this would be good business both for the "Bluenose" and Nova Scotia. A motion to that effect was made by D. J. Waterbury, Kentville, and Ralph Loomer, Falmouth.

The "Bluenose" docking was considered rather delicate because it was claimed there are two schools of thought in Yarmouth. The motel operators, it is said are definitely for the

Steel Shortage Healthy Sign

The present shortage of steel is a healthy sign, stated C. M. Anson, Vice-President and General Manager of Dominion Steel and Iron Co. Ltd., Sydney, in an address before the semi-annual meeting of the Canadian Construction Associations at the Digby Pines Hotel Tuesday.

Mr. Anson said this shortage should be much more pleasing to construction men than to have everything in abundant supply. This latter condition comes about, he said, when the work construction men want to do is not too plentiful. "I am sure, he said, all of you would much prefer to be in the condition of short supply which exists today than in the period of abundance of supply which existed in late 1954 and 1955 when anything you wanted could be delivered immediately but unfortunately you were not wanting anything or very little, because you yourselves were short of work."

He assured his listeners however that his company was not sitting idly by viewing with complacency the demand condition of today but were taking real and positive steps toward meeting that condition. During the past five years, he said, Dominion Steel & Iron has spent some twenty million dollars to double the capacity of its Wabana mines which had a capacity of a million and a half tons annually. Production of steel ingots, he said, has been increased from 500,000 tons annually at the end of World War II to a present rate just short of 900,000 tons.

At present, he said, a new steel making furnace is under construction and with that completed early next year the capacity of Dominion Steel & Iron at Sydney will be almost one million tons.

One hundred million dollars, he said, has been spent in the past 15 years by DOSCO to modern its plants and expand them where expansion is needed. In addition the company is at present building two new plants designed to process steel into finished forms.

All of this means, he said, that more steel is being made available to meet the increased demands of today and still more will be ready for the demands of tomorrow. He said, however, that his company does not intend to rashly expand production to the point where every demand can be met instantly. "This would be folly," he said.

The healthy stage, he said, is that in which we now find ourselves where most of us have plenty of demand for that which we make, more demand than we can fill and yet not sufficiently more so that the economy of our country is retarded.

Mr. Anson gave a number of pointers which he said would be useful in dealing with the shortage condition now existing. He urged construction men to place their orders well in advance of delivery needs and to plan their work so that needs might be better anticipated.

Visits Children And Grandchildren

Mrs. G. Verburgh, who spent the past weekend in Westport, has recently returned from Holland. She has been able to visit her daughter and granddaughter in Holland, her son in Germany, who is in the occupational Canadian Army.

After arriving in Montreal she left for Toronto, where she visited her daughter, Dienne, and at Whitby, Ont., where she visited her son Gary, and grandson.

She arrived back at her home in Saint John and left for Westport, where she visited her daughter, Risky (Mrs. Raymond Robicheau) and four granddaughters and a grandson.

This completed her tour and she was very pleased to see her family, even if they could not all be together.

Her son in Germany mentioned how much he enjoyed the Digby Courier every week.

FINANCIAL ARRIVES

Michael Butler, New York financier, and party, arrived in Digby yesterday aboard Mr. Butler's two masted schooner, Cordina.

It is understood the group will continue on to Liverpool where they will visit the plant of the Mersey Pulp and Paper Co. Ltd.

The schooner attracted a good deal of attention at the pier here.

URGES ASSISTANCE IN DEVELOPMENT PLANS

If organizations such as the Atlantic Association of Broadcasters are to know what part they can play in the development of our Atlantic Community it is necessary that they assess as carefully as possible where we in the Maritimes are heading, stated Howard A. Mann, Executive Manager of the Maritime Transportation Commission, in a keynote address before the annual meeting of the AAB at the Digby Pines Hotel here Wednesday morning.

Mr. Mann said it is not only important to assess carefully where we are heading but also of equal importance to make up our minds where we want to head. He said it was his personal opinion that, barring unforeseeable circumstances our economy will continue to expand. The time is not far off when we will have even more electric power at better rates to offer the industry. Our growing realization that we are not now producing enough to meet our own needs will continue to give a much needed fillip to industry in the Maritimes.

He said he was making no attempt to predict the rate or scarcity of economic growth nor was he predicting advances that would take more than the span of life of his hearers to accomplish.

In the matter of looking to the future, he said, there is a great danger of pursuing unrealistic aspirations. "A people collectively can make itself as unhappy as a person can who sacrifices everything he stands for in his mad and single-minded quest of material success."

Against the background of our expanding economy, he said, we must decide whether we can ever become the foremost industrial region of this country or whether we should, in Canada, stand as the prosperous symbol of a unique breed of man who is less touched by the general neurosis of our time than his fellow citizen in the highly industrialized regions.

This is not an economic problem, he said, "Our decision one way or the other brings with it important economic and social consequences. It brings with it a host of decisions which radio and television industry in the Maritimes can make."

Mr. Mann stated it was his personal view that our goal should be to strive for continued economic expansion so as to achieve that level of stable prosperity that will develop the whole man instead of merely the economic man. Certainly, he said, we should continue to push our economic development; continue to attract new industry to our region. But at the same time we should never feel a sense of frustration when we look at the tremendous economic development which has taken place in the United States. Instead, he said, we should become more and more aware of some of the valuable qualities of life here in the Maritime Provinces.

We must, he said, for the sake of holding our people and for the sake of encouraging our initiative and resourcefulness here at home, make the many positive features of life here in this area.

He said he did not want to be misunderstood. "I want to make it perfectly clear that I am not advocating the attitude of 'I am poor but I am happy'. My ideal of economic expansion so as to achieve development of the whole man."

Two widely accepted myths concerning the Maritimes must be destroyed, Mr. Mann said. One of these is that life in the four Atlantic provinces is and must necessarily be substandard. This myth is perpetuated by articles as recently appeared in the Upper Canadian newspaper and was reprinted in a US weekly magazine.

This article pictured the Maritimes as a backward, poor, rural, isolated area; its people living in a depression such as existed in the 1930's.

The second myth, which Mr. Mann said must be destroyed, is that one of the better in all ways of living, in Montreal or Toronto. The myth, he said, is perpetuated by ourselves by our constant pointing to the very few disadvantages among the thousands of advantages left to find time and fortune.

He said he was of the opinion there had been good and sufficient reasons in the past for the growth of these ideas but suggested these reasons no longer hold true today to the same degree and "are evaporating at an ever increasing rate."

The radio and television industry in the Maritimes, he said, are the voices of our community (Please turn to page 7)

Flower Show Winners

Above and to the right are shown a number of the lovely exhibits at the Flower Show held last Wednesday under the joint sponsorship of the Admiral Digby Horticultural Society and the Digby Garden Club. The top photo shows the beautiful arrangement entered by the Digby Pines Hotel which was not in competition. The second photo is of the prize winning driftwood arrangement entered by Mrs. Elie Comeau which attracted a great deal of most favorable comment at the show. The photo at the right is of winning little Rebecca Trask, the daughter of Mr. and Mrs. Arnold Trask, who took first prize in the children's class.

County Fairs Scheduled

Two popular county fairs are scheduled for this month in Digby County. The first of these is the Community Fair, sponsored by the Maple Leaf Agricultural Society and held in the Maple Leaf Society's building at Conway.

This year the fair at Conway will be held Wednesday, Sept. 5th, and a full program has been arranged for the afternoon and evening. It is understood fruit, vegetable and handicraft exhibits are expected to be excellent this year. Exhibits of livestock are also expected to be increased in number.

Meals will be served as usual at the Conway Community Fair this year and a good program of entertainment is planned. A popular feature, the dance at night, will also be held this year in conjunction with the Community Fair at Conway.

Second of the fairs to be held in Digby County this year will be the Digby County Exhibition, sponsored by the Digby County Agricultural Society and scheduled to be held at Bear River on Wednesday and Thursday, September 12th and 13th.

A feature of the Digby County Exhibition this year will be a special horse and ox pull, open to competitors throughout Nova Scotia. Prizes for this are: first, \$75; second, \$50; third, \$25. This special horse and ox pull will be held September 13, starting at one o'clock. The regular horse and ox pull will be held Wednesday.

Mr. Howard Yorke, Secretary-Manager of the exhibition, has asked that all entries for the fair this year be made early. He says an office for this will be open at Rice's Taxi stand in Bear River the day before the fair opens and asks as many as possible to make their entries at that time.

Contract for the construction of a new breakwater at Little River in Digby County has recently been let to a Cape Breton construction firm. It has been learned. It is expected work on the new breakwater will commence shortly.

It is also understood tenders will shortly be called for the construction of a new, large wharf at Tiverton on Long Island.

Work of making extensive repairs to the breakwater at Centreville is reported to be progressing satisfactorily. Contract for this work was awarded to the firm of Thimot & Comeau.

Considerable repairs have also been underway this summer to the Government Pier in Digby. It is expected this repair will continue until late in the fall.

It is understood extensive repairs are also planned for the breakwater in Freeport.

Recent visitors at the summer home of Mrs. Charlotte Nygren, R.N., located on a lake some miles from Brewer, Me., have been Mrs. Glenn Field, Miss Blanche Peterson, Centreville, N. B.; Mr. and Mrs. Perley Ridgwick, Plaster Rock, N.B.; Mr. and Mrs. Wesley Simpson and daughters of Saint John; Rev. Claude Olmstead, Little River, N. S., and Mr. and Mrs. Charles Vetterlein, Hartford, Conn.

Mrs. Nygren is the daughter of the Rev. C. S. Young, formerly of Clementsvalle, who is spending the summer with her.

To Be Guest Speaker

Rev. C. S. Young, former Baptist Pastor at Clementsvalle and other charges in Western Nova Scotia, will be guest speaker at the re-dedication service of the Mountain Dale Church in the United Baptist Pastorate of Lower Millstream, Kings Co., N.B. The Mountain Dale Church has been undergoing extensive repairs and alterations this summer and the re-dedication service will mark the re-opening of the church.

Marks 93rd Birthday

Miss Kate VanTassel marked the 93rd anniversary of her birth on August 22nd. A resident of the Digby area all her life, she is in fairly good health and takes an active interest in everything about her. She spent the day of her birthday with her sister-in-law, Mrs. George VanTassel.

HAVE MANY EXHIBITS AT FLOWER SHOW

The third annual flower show, sponsored here last Wednesday jointly by the Digby Garden Club and the Admiral Digby Horticultural Society, was a real success. According to information, exhibits exceeded those of last year as also did the number of those who came to view the lovely blossoms, plants and floral arrangements.

The blossoms exhibited this year by horticultural enthusiasts of the area were excellent in quality and for the most part drew high praise from the judges. Mr. Jankov of the Department of Agriculture. Some blossoms did not receive as high a rating as they might because of imperfections caused by weather conditions. Weather conditions also limited some varieties at the exhibition and eliminated some others.

During the afternoon session tea was served by the sponsoring groups. Those pouring were Mrs. C. M. Levy, Miss Mildred Carty, Mrs. John Russell and Miss Louise Daley.

Winners of first prizes in the various sections were:

Asters: Miss Dora Warne. Marigolds: (French) Dr. T. W. Hodgson; (African) Mildred Carty. Larkspur: Mildred Carty. Nasturtiums: (Single) Omer Denton; (Double) Mrs. Eva Wendell. Tiverton Church Holds Roll Call

The Tiverton Disciple Church held their annual Roll Call on Sunday evening, August 26. Rev. J. W. Derby conducted the service and the Rev. Stainton, of Dartmouth, was the guest speaker.

The Church Roll of members was called by Chester Outhouse and responded to by a number in person quoting a favorite verse of Scripture or hymn. One minute of silence was observed for the three members who had passed on since the last roll call, namely, the late Ella Outhouse, Della Outhouse and Agnes Hackett.

Two very nice solos were rendered by Mrs. Stainton and Melbourne Outhouse.

The Thankoffering to date is \$281.02.

Hold Family Reunion

Twenty guests were present at a family reunion held at the home of Mr. and Mrs. John J. Brittain, on Birch Street, Digby. Including the immediate Brittain family, twenty-six people were served at the back yard picnic dinner and supper. The occasion was in honour of the visit to Nova Scotia paid by Mr. Brittain's brother, Rev. William Brittain, of Pawtucket, Rhode Island.

Present at the affair were Mr. Brittain's parents, Mr. and Mrs. George Brittain, Pleasant Lake; Mr. and Mrs. Havelock Scott and son, Stephen, of Plymouth, Yarmouth County; Mr. and Mrs. George Purdy and family, Plymouth, Yarmouth County; Mr. Fred Minard, Hebron; Mr. and Mrs. Brent Tutty, of Liverpool, who were weekend guests; Rev. William Brittain and daughter, Karen, of Pawtucket, Rhode Island; and Mrs. Kaholan, of West Peabody, Mass.

During the afternoon session tea was served by the sponsoring groups. Those pouring were Mrs. C. M. Levy, Miss Mildred Carty, Mrs. John Russell and Miss Louise Daley.

Winners of first prizes in the various sections were:

Men's Fellowship To Meet

A program of sacred music has been planned for the regular monthly meeting of the Christian Men's Fellowship which is scheduled to convene at the Church of Christ (Disciples) in Weymouth at eight o'clock on the evening of September 3rd.

Choirs, quartettes, duets and solos by the men from various churches throughout the county will be featured and a cordial invitation has been extended to both men and women.

CORRECTION

In last week's edition of the Courier the name of Glendene White appeared among those receiving partial Provincial passes. Miss White should have been listed among those receiving full Grade XI certificates.

D.F.D. Activities

Drivers of all companies have been active refreshing themselves on driving tips and pumper duties at which there was a good turnout in all cases. The course also included classroom work when the weather did not permit work out doors.

Honoured At Pre-nuptial Shower

Some 45 friends from Port Wade, Annapolis Royal and Port Royal surprised Miss Audrey Snow and Mr. Harold Bartheaux at the home of Miss Snow in Port Wade on Friday evening with a beautifully trimmed basket of miscellaneous gifts carried by Miss Snow's close friends, the Misses Janet Robblee, of Port Royal, Barbara Weary, of Annapolis Royal, and Mildred McGrath, Port Wade.

At the close of a pleasant evening the happy couple opened their gifts of silver, linen, crystal, china and money, and both thanked all in a few well chosen words.

Delicious refreshments were served by Miss Snow's friends.

The many guests will be married in the Port Wade United Church on September 8th.

We wish them much happiness.

About This and That

What Use Is Education?

(The Royal Bank of Canada Monthly Letter, cont'd.)

Seek Broad Horizons

You need to cultivate your imagination. You must know the mechanical facts of what you are dealing with, but to be a real spark plug you need also to have imagination and to take chances. Behind all mechanical training stands liberal education. It tells us what people have been, and hints at what we may become. It helps us to formulate responsible judgments about our problems.

A liberal education helps us to be many-sided and to take large views. It provides us with powerful tools by which we discover and handle facts. Beyond this, it enables us to transcend facts and to deal with the larger questions of purpose and meaning.

When we asked Dr. Sidney Smith, President of the University of Toronto, for an expression of his opinion, he wrote this: "People have said that training for a vocation is useful, but that liberal education is not useful. That is nonsense. All education is useful."

"Huck Finn lost interest in Moses when he found out that Moses was dead, because 'I don't take no stock in dead people.' Today, many 'don't take no stock' in dead languages, or even in living languages apart from their own. Latin, French and German are academic and useless; but English is practical and useful. Then teach English, they say. Don't teach literature — Shakespeare and Milton are useless. Don't teach grammar — gerunds and participles are only for the pedant. Just teach English!"

"But it is the student of useless languages and literature who can use his own language with precision and imagination. Useless algebra, history, philosophy and physics produce useful powers and resilience. The usefulness of liberal education is to develop useful, independent citizens, and in this process the longest way round is often the shortest way home. Education should enable a person to earn a living and to live a life."

Courage, Work and Discipline

We must beware of inert ideas. Some people find it easy to memorize whole pages of textbooks, like jackdaws storing away glittering objects. That may win prizes in a quiz contest but not in the exciting adventure that is life. Education is barren without action based upon it. You must put your knowledge to venture.

Then: work. To be fully prepared for life you must learn to work. Someone has said that idleness is the nurse of naughtiness: at any rate it is the death of progress. Life is not a thing of ease. Maybe it ought to be, and perhaps some day it will be (though such a life has no attraction for progressive-minded people), but it never has been and it is not now.

We should not try too hard to make education easy. There are difficult things that must be done, whether we like it or not. Education should prepare us to face difficulties courageously, to persevere steadfastly, and to work conscientiously — three virtues that apply as much to success in business and industry as to success in science.

Third in this list of requirements is discipline. We cannot imagine useful thought or creative ideas arising in other than a disciplined mind. And what, pray, is discipline? It includes the habit of cheerfully undertaking imposed tasks, the obedience to rules whether made by others or by yourself, objectivity in approaching contentious matters.

The last point about what you have to do in seeking an education is this: don't scorn examinations. They are essential in our scheme of things. They give you a check on how you are getting along, and they show your teachers where you need special attention to strengthen your weak spots.

Don't be discouraged if your best effort fails to win the highest marks. The results of examinations may be deceptive. If you are nervous, you may do yourself less than justice. School examinations are not an end-all: they are merely indicators along the road.

But examinations are useful as part of your training for living. Every day in adult life you will be taking examinations. Why not practise for them as you do for a football match, a hockey game or a school play? Hour by hour, sometimes minute by minute, a business executive finds himself at his desk passing examinations. The fact that he does them may be attributed to the fact that he has had practice.

And After School . . . ?

Is it better to be educated to some extent than not to be educated at all? You will, of course, agree that it is. Then is it not still better to have a better than average education?

No one can pack enough into his mind during school-days to last his lifetime. None of us is too old to acquire knowledge, but any of us can reach a deadline if we cease to learn. At 45 we are still able to learn more than we could before we were 14, and even at 65 we can absorb knowledge as fast as we could when we were 25.

Education ends only with one's life. What you learn at school is something to which you must add, year by year, and pass on to others. "Thus," said Einstein, "do we mortals achieve immortality in the permanent things which we create in common."

It is astonishing how far even half-an-hour a day, regularly bestowed on some object, will carry one in making himself master of it. It is easy to fall into the habit of dawdling away time, but it is easy, also, to acquire the habit of putting every moment to use.

To get the greatest value from education, set up for yourself an habitual vision of greatness. Your pursuit of education will lead you into something that is not easy, but in these days of world uncertainty it is an advantage to have something significant to do at the expense of thought and energy.

And, finally, do not be content with half measures. A writer of forty-five years ago said: "The good is the enemy of the best." Let's not be content with a second-best, though it be good.

Beware Of Nature's Devil

"Berries red, have no dread; berries white, poisonous sight; leaves three, quickly flee" — this is the rhyme which the Ontario Department of Agriculture suggests holiday-makers remember when they take to the woods and cottages this summer. For many a holiday has been spoiled by the innocent-looking poison ivy plant.

Although most aspects of this pesky weed are bad, there is one thing that is good about it — it is easily recognized. The oval-shaped green leaves, which are pointed with a few irregular teeth, are grouped in clusters of three. The berries when mature are white, never red. However, its habits of growth are varied. Sometimes it is an upright plant, while in other cases it is a low woody creeper. You won't find it near your city home for it doesn't grow in cultivated areas, but it may be waiting for you at your summer cottage or in the woods nearby.

The way to get rid of many things is to burn them but not so with poison ivy, for particularly sensitive people may be affected

by the volatile oil which rises with the smoke.

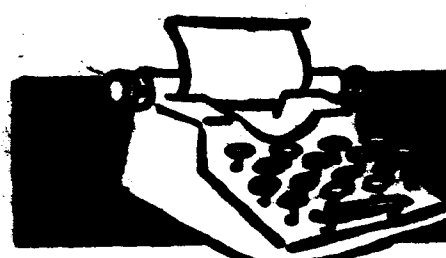

The best way to rid an area of poison ivy is by using a new chemical compound known as Atlastide. This is a white powder and may be mixed with water and sprayed on the offending plant or dusted directly on the weed. Caution should be taken to make sure that this chemical doesn't get on any trees, plants or shrubs which you don't want to destroy.

Poison ivy plays no favorites. Young and old alike are affected by its poisonous sap. Enough of this sap coming from broken leaves or twigs can even be carried on the fur of the family cat to contaminate a sensitive person, leaving her or him with an itchy, blistered skin.

If you do come in contact with poison ivy, wash the exposed area immediately with a strong soap solution. However, if the watery blisters are the first indication of contact, avoid rubbing, as the blisters will spread to other areas, and bathe the affected part with a solution of bicarbonate of soda. Avoid using powders which will form a crust and cause further irritation.

"If in doubt, don't" touch a plant which you think may be poison ivy. If it is the dreaded plant you will pay for your curiosity!

Why Civil Defence is Necessary in Rural Areas

(Eleventh in a series of 24 articles)

Space and a comparatively small population could prove to be Canada's ace in the hole if thermonuclear warfare should ever come to North America. But Canada almost certainly would still be in a hole if its civil defence organization did not include the small towns and rural areas. And even if such a war never comes, there is a present need for a well-developed nationwide civil defence plan for the natural disasters that have a habit of striking where least expected.

Canada's big advantage in meeting the menace of atomic war is that there are few targets in this country which an enemy is likely to attack on the first raid.

The early warning electronic devices being built around and across the continent to tip off Canada and the United States of any approaching enemy planes are expected to be in operation within two years. This advance warning, G. S. Hatton, Deputy Federal Civil Defence Co-ordinator, has said, "justifies our accepting the practicability of a policy of evacuation of our larger cities, especially in view of the vast expanse of this country, the low density of population and our considerable transportation resources."

Evacuating cities obviously makes it necessary for the small towns and rural areas to absorb and care for the evacuees. But the towns and rural areas have a more personal reason for civil defence.

Offsetting this country's space and population advantages, said the Deputy Co-ordinator, "is the likelihood that the air over Canada will be the scene of the vital air battle for survival in the next war."

"This means that many enemy aircraft with hydrogen bombs intended primarily for the United States, are likely to engage secondary targets in Canada." That is, enemy bombers under attack by Canadian and American fighter planes would be expected to head for Canada's large cities with their deadly loads.

Many might be shot down over Canada and civil defence authorities estimate that bombs in almost half of these planes would explode automatically, hitting almost anywhere and their dangerous radioactive fallout drifting down on many unpredictable areas.

There is another more personal reason for civil defence in the small town: natural disaster. The aim of civil defence, in the words of F. F. Worthington, Federal Civil Defence Co-ordinator, "is to minimize the effects of disaster upon the civilian population."

Much of the action necessary to alleviate the effects of atomic attack is the same as for such natural disasters as fires, floods, hurricanes, tornadoes and earthquakes. Each of these natural disasters has characteristics which indicate the effects likely to occur and the course of action necessary to meet those effects.

In the case of floods such as those that hit British Columbia areas late last fall, the communication system a civil defence plan would provide could

be used to warn the small, comparatively isolated communities. There would be time to prepare to meet the threat. The same advantage would be available to offset the destruction of hurricanes like Hazel that brought so much disaster to Ontario two years ago.

And once the threatened areas were warned, the civil defence organization would be prepared to go into action quickly to meet the threat. For a civil defence plan's aim is only to bring under one organization the services that already exist in most communities and to train volunteers to supplement each of these services: fire, police, health, welfare, rescue, ambulance, engineering and public utility restoration.

The threat of nuclear disaster has only made more urgent the need for a well-planned organization ready to take the sting out of any of the natural calamities that may unexpectedly threaten a community almost any time.

HIGHWAY ROBBERY

Joseph Hazelton Held Up near Keen's Bridge

Joseph Hazelton, a public hack driver, says that while returning to Digby from Jordantown Wednesday evening his team was stopped by three men, one of whom held the horse, one held Mr. Hazelton by the throat, and the other went through his pockets taking ninety dollars from him. He says that during a flash of lightning which pierced the intense darkness, he could tell that the men were white, but thinks it would be difficult to identify them. He notified Chief of Police Bowles yesterday morning, but the men by that time would have travelled considerable distance.

ANOTHER MYSTERY

Strange Horse and Carriage Found in Woods Near the Bay Road

(Horse had been killed with an axe—occupants of the team evidently left in a rush—man and woman's tracks near the wagon.)

Word reached Digby yesterday morning that a strange horse and carriage had been discovered in the woods on the east side of the Bay Road, a short distance west of the crossroads, some five miles from Digby.

Chief of Police Bowles and a Courier representative immediately commenced an investigation. They found that the horse had been killed with an axe while in the harness. He was found carefully covered with two quilts and a horse blanket. In the buggy was a pair containing two bags in which were oats and meal. On the ground in front of the forward wheel was a bag of hay. At the horse's head was an old-fashioned axe. Considerable blood was on the snow in the vicinity of the team. Nearby was a small lard pail containing a quantity of tea which had been steeped over an open fire. In the carriage was a small can containing a paper bag of tea. One of the bags of feed contained a lumberman's large safety pin.

The horse was evidently quite a valuable one, weighing in the vicinity of eleven hundred pounds, and appeared to have been in good condition when he met his cowardly death blow.

When the team entered the woods it evidently came from the westward and after the cruel deed had been done the occupants of the team evidently started toward Digby.

Near the team were tracks made by a woman with fairly new rubbers, who also wore gaiters. The man probably wore rubber boots. There were also moccasin tracks but the Chief of Police and the Courier representative were not the first people there after the occupants had departed.

It is thought that the team was left at an early hour yesterday morning, probably just daylight, and not later than ten o'clock.

Two strange men were seen walking towards Digby passing by the crossroads about eight o'clock. On returning to Digby yesterday we learned that two young men answering the same description were seen loitering about the railway station before the departure of the east bound express.

Chief of Police Bowles has the axe in his possession.

If any team has been stolen or is missing from any stable in this vicinity the Courier will be pleased to receive information by wire immediately.

All sorts of theories and strange stories are in circulation this morning, many of which point toward foul play, but no sufficient evidence has yet come forward to warrant an arrest.

The above has the correspondent curious! I'm wondering if any one now knows any thing more of this incident?

CARS ARE MY LINE

by Ken Hankinson

When a couple of bright boys put together the world's first horseless carriage (you'd be surprised how long ago) they foresaw there was going to be an inevitable conflict with pedestrians.

The first vehicle in history to move without help from an animal was assembled in 1649 in Nuremberg, Germany. I heard the story some time ago and looked it up the other day in order to pass it on.

The "car" rattled along the streets at about two miles an hour, and it seemed to run by magic. It wasn't until weeks after its first demonstration that the baffled and frightened people discovered the two men who were hidden in the vehicle's back section. They turned a winch and this moved the rear axle.

The vehicle had a mechanism for clearing the way if anyone strayed too close (few did). A great dragon's head stuck far out in front. It moved from side to side and sprayed a stream of water out its mouth for more than 15 feet.

(Maybe they weren't so crazy after all, it might be an idea to adapt those automatic windshield washers for the same purpose).

That dragon's head, I suppose, was "optional equipment at extra cost," as they say nowadays. It's the optional extras that so many people like, that make them such outstanding buys. In purchasing a good used car you usually save tremendously on the extras that the original owner has installed.

There is a car I've heard of that I would never, never want to sell. Tell you about it next week.

Broadcasters Meet

(Continued from page 1)
can play a great part in the helping of this evaporation process by instilling a new vitality in all us.

We can, he said, by emphasizing the positive qualities of life here remove some of the laming frustrations which an uncritical envy of the material wealth of others now generates and we can lead people to judge their existence here by more than only the partly important standard of how much cash they can earn.

Mr. Mann dealt with a number of specific ways in which he said AAB, through its member stations, could help in improving the economic conditions of the Atlantic community. There is developing, he said, an increasing awareness that we do not produce here even enough for our own needs. At the same time we do not consume enough of what we produce, though, in many cases we could do so. The reason for this, he said, was because our consumers have never been told aggressively enough about the articles produced here and it has never been made sufficiently clear to them that they can assist our economy generally by at least giving Atlantic region products an even break.

"I am not preaching economic jingoism," he said. Consumers must be convinced the local product is as good as is produced elsewhere and it must compete price-wise. But given these two conditions why shouldn't we urge consumers to support our regional industry on its own merits.

He urged that the AAB embark on an all-out program of promoting the products of Atlantic region industry. This promotional campaign, he said, should be based on an overall program for products produced in the Maritimes, without stressing individual products.

Another way in which AAB might assist the development of the Atlantic economy suggested by Mr. Mann, was the development of programs by stations giving highlights of the economy of the area they serve. These programs, he said, should not be a dull recital of figures, but should be lively affairs telling what goes on in the area and what the particular area has to offer the rest of us here. Tapes of these programs, he said, could be circulated among the member stations so that a picture of all areas of the Atlantic community could be available to the whole.

A further suggestion which he made dealt with the tourist industry. Real efforts, he said, must be made to counteract the unfortunate impression given the potential visitor to the Atlantic area by articles such as that which recently appeared in the upper Canadian paper and US news magazine. Each member station, he said, should prepare and tape programs outlining the positive attractions of the area it serves. Selections from these should be made available to upper Canadian and US radio stations for their use. Such an effort would complement the job being done by the town departments of the Maritime provincial governments.

MARRIAGES

Rice — Wentzell

Mr. and Mrs. Maurice Rice were united in the bonds of holy matrimony on Saturday, August 4th, at 8 p.m., at the Milton Baptist Parsonage, in a double ring ceremony, with Rev. B. A. Cobham officiating.

The bride is the former Etta Victoria Wentzell, eldest daughter of Mrs. Thelma Wentzell, of Milton, and the late Ayrus Wentzell. The groom is the son of Mrs. Leta Cress, Bear River, and the late Ira Rice.

The bride was attired in a dress of pink nylon with white embroidery. She wore a white picture hat and pink mitts of nylon. Her corsage was of gardenias. She was attended by her sister, Mary, attired in a blue dress of nylon net over taffeta, with picture hat, and gloves of blue net, and corsage of carnations.

The groom was supported by his brother, Theodore Rice, of Bear River.

The bride's mother wore a dress of navy crepe with white accessories and a corsage of pink carnations. The groom's mother wore a printed dress of blue and black and white crepe with white accessories. Her corsage was yellow mums.

Following the wedding a reception was held in the Union Hall, Liverpool, for approximately a hundred guests. Rev. Mr. Cobham proposed the toast to the bride, which was responded to by the groom.

The bride's table was centered with a three-tiered wedding cake; white tapers in silver holders and bowls of pink rambles on either side.

Mrs. Theodore Rice served the bride's table. Joan, sister of the bride, had charge of the guest book.

The happy couple left on a brief honeymoon, after which they will reside in Bear River.

For travelling the bride wore a light tan suit with white accessories.

Sullivan — Dennison

A quiet wedding took place at the Digby United Baptist Church on Wednesday, August 22nd, when the Rev. E. C. Churchill, united in marriage Winnifred, daughter of Mrs. Archibald Dennison and the late Mr. Archibald Dennison, of Digby, and Bernard Andrew Sullivan, only son of the late Frank Sullivan, and Mrs. Sullivan, of Brighton, Digby Co., N. S.

OBITUARY

Frank C. Sullivan

The death of Frank C. Sullivan, of Brighton, occurred at his home in Southville on August 11th at the age of 67. Mr. Sullivan had been in failing health for some time, although he had not been confined to his bed. His unexpected passing came as a shock to relatives and friends.

He was born at Easton, the son of Mr. and Mrs. Edward Sullivan.

He is survived by his wife, Maude, two daughters (Blanche) Mrs. Herman Grey, Brighton, and (Kathleen) Mrs. George Tavel, Southville, and one son, Bernard, Digby. Also surviving are sixteen grandchildren and nine great grandchildren.

Funeral services were held from the Reformed Baptist Church, Havelock, conducted by Rev. D. Webb, assisted by Rev. M. Grant, of Digby.

Interment was in the Havelock cemetery.

Reception At Ashmore

A pleasant evening was spent on Wednesday at the hall in Ashmore where a reception was held in honor of Mr. and Mrs. Stanley Brooks, who had just returned from a wedding trip in the U. S. A.

Mrs. Brooks looked lovely in a street length dress of turquoise blue nylon over taffeta.

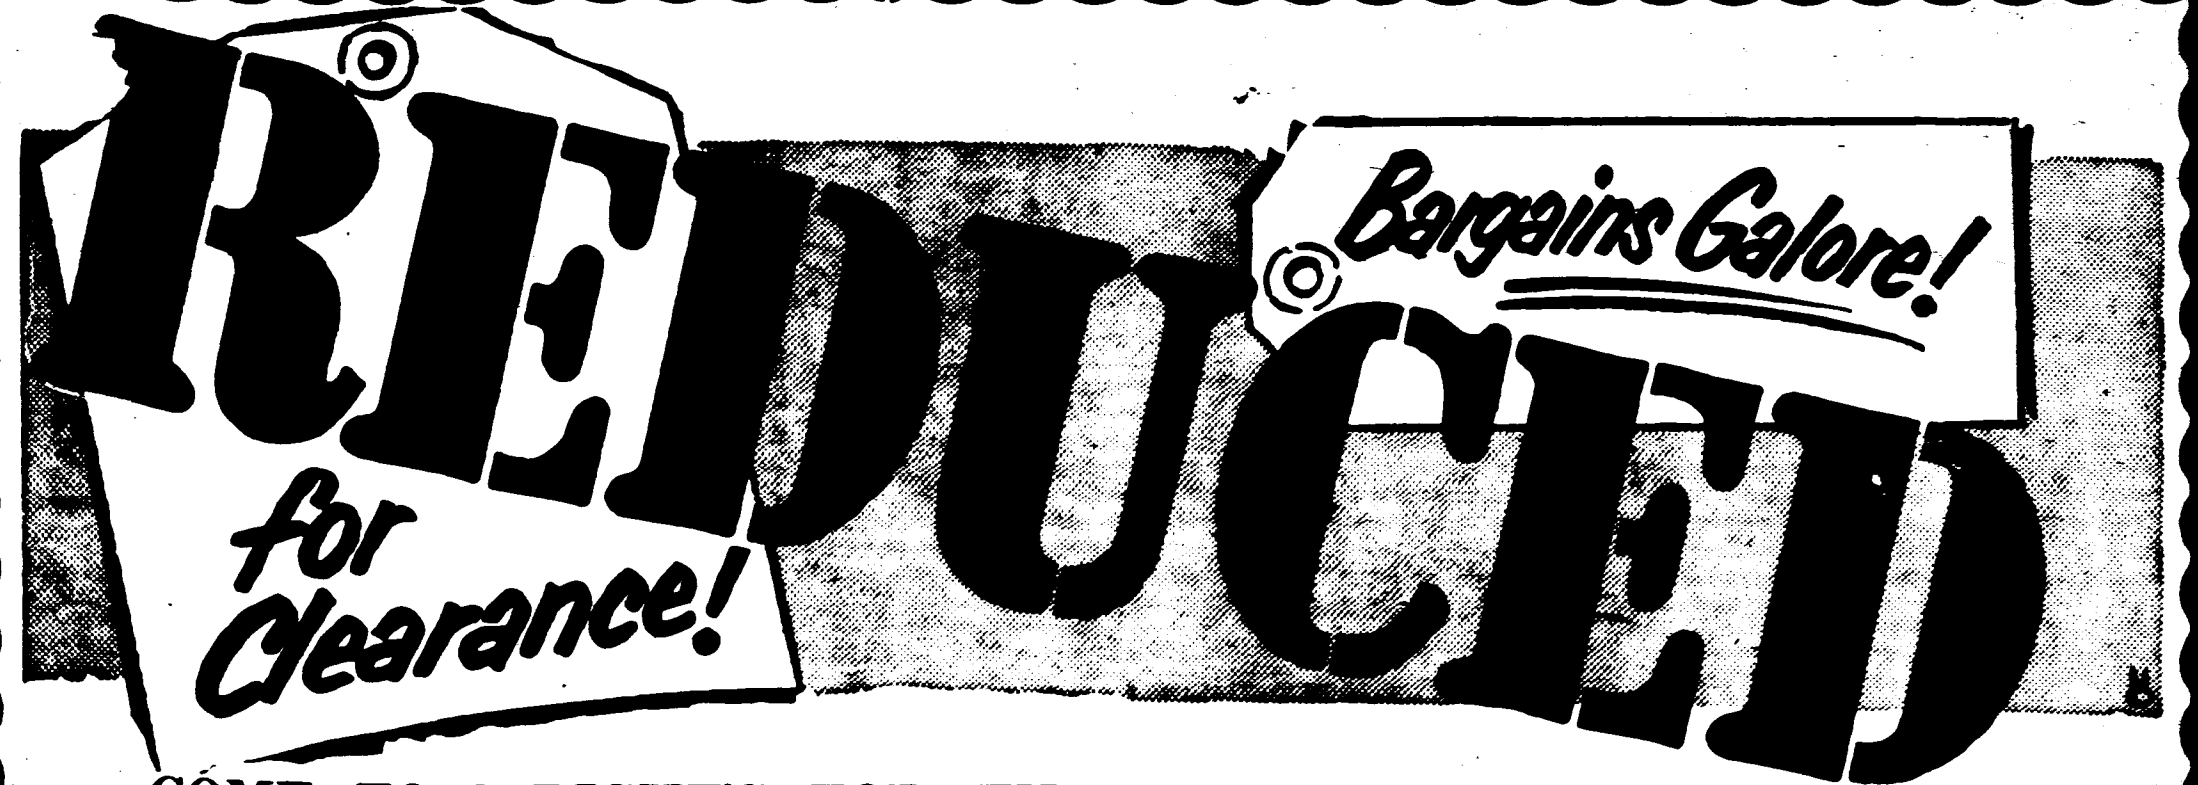

About sixty guests were present. The gift table was trimmed with blue and white streamers. A beautiful wedding cake, topped by a miniature bride and groom, and made by Mrs. Geo. Wagner, was displayed on the table and cut by the bride.

The couple received many nice gifts of linen, blankets, quilts, money and china.

Refreshments were served by the groom's mother, Mrs. Harley Brooks. Those assisting in serving were Mrs. George Wagner, Mrs. Ronald Kinney, Mrs. Donald Manzer, Mrs. Carl Kinney, Mrs. Willard Kinney, Dianna Manzer, Wayne Prime, also Mrs. Douglass Grimmer and Mrs. Sherman Prime, sisters of the groom.

Mr. and Mrs. Brooks both thanked those present for their nice gifts.

Mrs. Brooks was the former Miss Hazel Armsworthy, New Glasgow, and for a number of years was on the teaching staff there. This year she will be on the staff of the Digby Regional High School.

Any housewife would have thought of it! But credit goes to the builders of the U.S. Navy's mighty new carrier, U.S.S. Ranger, for using aluminum foil to keep their product "fresh".

During construction, a ship rests on wooden blocks, which absorb a lot of moisture. To protect their costly steel hull from rust and corrosion during the 18-month construction period, the Navy simply covered the blocks with ordinary household foil. This brainwave was a natural for a marine builder, since nowadays he uses shiny, non-corroding aluminum so widely for superstructures, lifeboats and other important ship-building components.

MARRIAGES

Connell — Henshaw

A pretty wedding was solemnized at Trinity Anglican church here on the evening of August 17 when the Rev. Stanley J. Armstrong, of Clemen'sport, united in marriage Maxine Henshaw, only daughter of Mr. and Mrs. Russell Henshaw, of Deep Brook, and Kenneth A. Connell, son of Mr. and Mrs. Claude B. Connell, of Digby. The bride was given in marriage by her eldest brother, Vaughn Henshaw, of Kentville. The couple will reside in Digby where the groom holds a position with the Digby County Power Board. Mrs. Connell will resume her position as credit manager for the local office of Simpson-Sears.

Ruggles — Seaver

The marriage of Esther Joan Ruggles, daughter of Mr. and Mrs. N. L. Ruggles, Weymouth North, N. S., and Mr. Wallace Fred Seaver, son of Mr. and Mrs. E. J. Schelling, St. Louis, Missouri, took place Saturday, July 28, at 7 p.m. in The Little Country Church of Hollywood, California.

The double ring ceremony was performed by Rev. Kenneth Dunkleburger. In the absence of her father, the bride was given in marriage by Mr. Wayne Palmer, North Hollywood.

She was lovely in her gown of white lace and nylon net over satin. It being floor length with long tapering sleeves and Peter Pan collar. Her finger tip veil was held by a crown of seed pearls. She carried a nosegay of stephanotis and white orchid.

Verna Ruggles, sister of the bride, was maid of honor. She wore a ballerina length gown of pink organza net and lace over taffeta, with matching headpiece and gloves. She carried a nosegay of pink sweetheart roses.

Madeline Elliott, of Weymouth North and New York, was bridesmaid. Her dress of yellow was identical to the maid of honor. She wore matching accessories and carried a nosegay of yellow carnations.

Hector Dominguez served as best man. Gerald Dukeshire and Anthony Craven ushered. A reception was held for approximately sixty guests immediately following the ceremony at the Laurel Room, North Hollywood. Miss Helen Ford, Bel Air, presided at the guest book.

After a short honeymoon at the summer resort of Big Bear Lake, the couple will make their home at 5646 Laurel Canyon Blvd., North Hollywood, Calif.

Rail Diesel Car For D.A.R.

A new Rail Diesel car, known as a "Dayliner," leaves the C.P.R.'s Angus Shops in Montreal prior to going into service on the Dominion Atlantic Railway.

The new RDC-1 seats 89 passengers, is powered by two 275 horsepower engines and is capable of speeds up to 85 miles an hour. Streamlined, and of all stainless steel construction, the new car combines ruggedness with safety. (Canadian Pacific Railway Photo.)

OBITUARY

Mrs. Cynthia Welch

The village of Westport lost one of its highest respected citizens in the passing of Mrs. Cynthia Welch on Saturday, August 18, at her home where she resided with her daughter, Mrs. Earle Webber, Mr. Webber and family. She was the daughter of the late Mr. and Mrs. Elisha P. Bowers, Westport, and has lived in the village all her life time. Her husband, Freeman Welch, predeceased her in May 1933.

The deceased was born in 1877 and gave many years of service to the United Baptist church and its various organizations of which she was found one of the most faithful members. She was a member of the United Baptist Women's Missionary Union of which she held various offices. Surviving are a daughter, Etta (Mrs. Earle Webber), of Westport, who has tenderly cared for her mother during her illness; two granddaughters, Susan and Mary Webber, Westport; a sister, Mrs. H. A. Edgemoor, Saskatoon; and three nieces and nephews. The funeral service was held from the United Baptist church, Westport, on Monday afternoon, August 20, with Rev. George Sharpe officiating. Interment was in the family lot.

became the bride of LAC Bernard Joseph Ryan, R.C.A.F., stationed at Greenwood, son of Mrs. Esther Ryan, Halifax, and the late Robert Ryan.

The wedding was a double-ring ceremony. The bride, given in marriage by her uncle, Edward Carroll, looked charming in her strapless waltz-length gown with a tiered skirt of chantilly lace and net, and matching lace bolero trimmed with seed pearls. She wore an over the face chapel-length veil held in place by a tiara of seed pearls. She carried a cascade of red roses.

Mrs. James Melvin, cousin of the bride, as matron of honor, and Mrs. Douglas Ryan, sister-in-law of the groom, as bridesmaid, wore identical ballerina gowns of shrimp and American beauty lace and net and matching headpieces. They carried identical nosegays of white mums and yellow roses.

Donna Ryan, niece of the groom, attended as flower girl and was adorable in her dress of pale yellow nylon. She carried a basket of mixed flowers. The groom was attended by John Croscup, brother of the bride, Ezekiel Croscup, another brother of the bride, and Raymond Ryan, brother of the groom, were ushers.

Mrs. Croscup, mother of the bride, was attired in crepe dress of turquoise blue with matching hat and wore a corsage of pale pink roses.

Mrs. Ryan, mother of the groom, wore a beige dress with a lace panel with matching duster and accessories, and a corsage of red roses.

Following the wedding a breakfast was served at the bride's home which approximately 75 guests attended. At 7.30 p.m. a reception was held for friends and relatives of the newlyweds, some 150 guests attending. A late lunch was served the guests. Photographs were taken of the bride party

ANNUAL FIELD DAY HELD

Camp Aldercliff completed its annual field day on Aug. 20th ending the Red and Gray competition for the 1956 season. All events had been scheduled for Sunday but due to rain only the swimming program was completed. The camp had looked forward to entertaining a large crowd of people on Sunday but with the change in schedule only a few spectators were able to attend the events on Sunday afternoon and Monday morning.

The Gray team edged the Red team 12 1/2 to 8 1/2 and with the previous points of the year, the Grays won the competition. Individual medals which were won on field day will be awarded to the winners at the Red and Gray banquet. Mike Noble won the 1st place senior medal with a total of 27 points while Jan Campbell took second place

medal with 14 points. Don Bach and Jeff Hedrick tied for third medal with 4 points.

In the intermediate division 8 Grays won medals in a tight competition. Tommy Lynch won 1st medal with 12 points with Walter Didur and Andy Tuik placed 2nd and 3rd with 11 and 10 points.

In the junior division David Rogers dominated the competition with 22 points. Larry Macintosh placed 2nd with 12 points and Robert Brill won 3rd with 11 points.

Arle Mader spent the weekend in Chester recently visiting his parents. On his return to Weymouth he was accompanied by his brother, Earl, of Chatham, Ont., who spent several days in Weymouth.

MONARCHS DOWN

METEGHAN 11-2

The Weymouth Monarchs, striking with a vengeance, downed the Meteghan Shipbuilders by a 11-2 score at Weymouth on Sunday. The Monarchs unveiled a powerful hitting attack that ran through three Meteghan pitchers. The home-townners blasted out 13 base hits.

Mac Mullen, towering right-hander, pitched a masterful game, giving up but five hits. Mullen struck out 17 batters, a record for Weymouth hurlers. His only serious trouble came in the seventh when he allowed two runs on two hits, an error by the third baseman, and a wild pitch and error by himself.

Gaudet started and lost for the Shipbuilders and was relieved by H. Comeau and then F. Comeau.

The game, which may well be the last of the season for

SURPRISE FAREWELL PARTY HELD

A very pleasing time was spent on Thursday evening of last week when members and friends of the Weymouth United Baptist Church met at the parsonage in a surprise tendered to bid farewell to their pastor, the Rev. S. Whitehouse, who has served this field faithfully and well for the past three years.

A social hour was enjoyed and an address given by Mr. William Lent, accompanied by a gift of money on behalf of the New Tusk, Riverside and Bethel churches, to which Mr. Whitehouse fittingly expressed his appreciation. Music was enjoyed during the evening and refreshments served by the ladies.

The Monarchs, was quite well attended by Weymouth fans.

MARRIAGES

Woodman — Turnbull
Coleman E. Woodman, Somerville, Mass., and Louise Turnbull, of Saint John, N. B., were united in marriage by the Rev. Aldin Beachy at Somerville, Mass., on August 31st. Witnesses at the ceremony were Mr. and Mrs. Charles Hurney, of Everett, Mass.

Mrs. Woodman will continue teaching in Saint John until Christmas and then leave to join her husband in Somerville.

Warner — Sabine
A pretty wedding was solemnized at the Digby Baptist Church on the evening of August 17th when the Rev. E. C. Churchill united in marriage Dorothy Sabine, daughter of Mr. and Mrs. Elias Sabine, of Weymouth Mills, and Carl Warner, son of the late Mr. and Mrs. Albert Warner, of Digby.

The bride looked charming in a light blue suit with white accessories and corsage of red sweetheart roses. The bridesmaid, Miss Lilas Trimmer, of Clements, was becomingly attired in navy with pink accessories and corsage of pink carnations. Best man was Enoch Peck, of Clements. Nuptial music was played by Anne Brittain at the church organ.

Following the ceremony a reception was held in the church parlour, catered to by the Baptist League. The happy couple left on a motor trip to Halifax and will make their residence in Digby on their return.

Alcorn — Richard
The United Baptist Church, Digby, was the scene of a pretty wedding Saturday evening, August 4th, at 7:30 o'clock, when Antoinette Marguerite, eldest daughter of Mr. and Mrs. Rene A. Richard, Marshalltown, N. S., was united in marriage to Carlton LeRoy Alcorn, son of Mr. and Mrs. Murley Alcorn, Alma, N. B.

Rev. E. C. Churchill officiated at the double ring ceremony. Organist for the occasion was Miss Constance Kirkpatrick.

Given in marriage by her father, the bride wore a ballerina length gown of white embroidered nylon net over tulle with hooped underskirt. The matching net jacket had long fitted sleeves ending in points over the hands. Her fingertip veil of French silk illusion was held in place by a half shell hat of embroidered net encrusted with sequins and tiny pearls. Her only ornament was a strand of pearls, gift of the groom. She carried a bouquet of sweetheart roses and baby mums.

The bride was attended by her sisters, Miss Irene Richard as maid of honor and Miss Jacqueline Richard as bridesmaid. They wore identical ballerina length dresses in pastel shades of pink and green floored nylon sheer over tulle with matching headpiece and gloves. They carried nosegays of pink and white carnations.

Melvin Sinclair, of Halifax, was the best man, and the ushers were Allan Parsons, of Digby, cousin of the groom, and Larry MacNeill, Marshalltown. Following the ceremony a reception was held at the home of Mr. and Mrs. Thomas Sabean. For travelling the bride wore a dress and matching duster of black and white linen with white accessories and corsage of pink carnations. After a motor trip around the Cabot Trail and New Brunswick Mr. and Mrs. Alcorn will reside in Halifax.

Out of town guests were Mr. and Mrs. Morley Alcorn and son, Robert, Mrs. Everett Alcorn, Mrs. Doris Dowe and Mrs. Norman Dixon, all of Alma, N. B.; Mrs. P. H. Walker, Florida; Mrs. Leslie Crumback, Mass.; Mr. and Mrs. D. Buchanan and two children, Windsor; Mr. and Mrs. Melvin Sinclair, Mrs. Roy Durant, Miss Charlene Gidney and Mr. Allan Parsons, all of Halifax.

Gray — Sprague
Miss Alberta Jane Sprague, youngest daughter of Mr. and Mrs. William Sprague, and Lawrence Alden Gray, eldest son of Mr. and Mrs. Reginald Gray, of Clinton, Maine, were united in marriage at Clinton Baptist Church on Saturday, August 18, at 7:30 p.m. The double ring ceremony was performed by the pastor, Kenneth Foss.

Given in marriage by her father, the bride was attired in a floor length gown of white satin with overskirt of tulle and tulle lace, fashioned with long sleeves and scoop neckline with net. Her fingertip veil of tulle was caught to a crown of sequins and seed pearls.

PLYMPTON MAN IS HIT AND RUN VICTIM

Coroner Reigh W. Jayne, Digby, Saturday morning adjourned the inquest into the death of Frank Edward Amero of Plympton, whose body was found on the highway at an early hour Saturday morning, following further police investigation into the tragedy.

The jury, under foreman Norman D. Wright, Digby, viewed the body which was identified by the victim's son, Camille Amero, Plympton. The adjourned inquest will meet at the Court House, Digby, on the evening of September 14th.

The victim, a 66 year old veteran of the first World War, was found at about 2:45 Saturday morning on the paved highway near the home of Henry Doucette, of Plympton. The body was found by Edward Saulnier, of Plympton, who immediately notified the Digby detachment of the RCMP. Condition of the remains indicated the man had been run over by a vehicle. The body was badly mangled, particularly about the head and face and its condition was such that identity could only be established through personal belongings found on the body and identified by Camille Amero, the dead man's son.

There was no trace of the vehicle which had evidently run over the man.

Police are conducting an intensive investigation into the tragedy and are attempting to establish facts concerning the victim's activities during the evening. It is understood certain specimens are being forwarded to the provincial pathological laboratory at Halifax for examination.

The victim was a woodsman by occupation but had been in poor health since serving in the armed forces during World War I. It is understood he was in receipt of a disability pension and suffered from occasional heart seizures during which he would fall to the ground.

A son of the late John Amero and Rose (Melanson) Amero, of Plympton, the victim is survived by his wife, the former Esther Amero and by twelve children. Surviving children are seven sons, Edward, Dailey, Jerome, Scott, Camille, Clifton, of Plympton, and George, of Hamilton, Ont., and five daughters, Bessie (Mrs. Donald Rice), Bear River; Stella (Mrs. Paul Hamilton), Bear River; Norma (Mrs. Fred Hamilton), Digby; Olive and Phyllis, Plympton.

To Commemorate Ex-Methodist's Work

Next Sunday there is to be a memorial service in the North Range United Church commencing at 3:30 p.m.

This service is an annual one, commemorating the work and sacrifice of the former members of the ex-Methodist church in that area. The church itself is now closed, the families concerned having moved away, but once a year many return to share in this service and visit with old friends, as well as to visit the cemetery and pay tribute to loved ones.

This year the service will be conducted by the United Church minister, Rev. W. Armitage, and the message will be given by the Baptist minister, Rev. R. R. Winchester, M.A. The music of the service will be in charge of Mrs. Winchester.

A cordial invitation is extended to all friends, past and present to take part in the service of thanks and remembrance.

was matron of honor and wore a waltz-length gown of yellow net over satin. Miss Charlene Gidney, Halifax, Nova Scotia, cousin of the bride, and Miss Barbara Lawrence, of Clinton, were bridesmaids. They wore ballerina-length gowns of blue net over satin. The matron of honor carried a crescent of blue carnations and the bridesmaids carried yellow carnations.

Dwayne Gray was his brother's best man and the ushers were Teddy Swanson, Clinton, and David Gifford, Hinkley. The bride's mother wore a light rose dress of acetate and nylon lace with white accessories. The groom's mother wore a blue dress with white accessories. Each had a corsage of white carnations.

Wedding music was by Mrs. Bliss Lawrence and Mrs. Lewis Violette was soloist. Arrangements of yellow gladioli and blue pompons were used for church decorations.

A reception was held following the ceremony at the church. Miss Cynthia Wishart, Portland, Maine, had charge of the guest book. Mrs. Bertram Gidney, Sandy Cove, N. S., aunt of the bride, Mrs. Milton Sprague, Waterville, Me., and Mrs. Keith Hunter had charge of the gifts. Mrs. Fred Gray, Clinton, grandmother of the groom, cut the wedding cake. Mrs. Frank Valentine, Clinton, had charge of the bride's cake and also assisted Mrs. Harry O'Neill, of Digby, N. S., aunt of the bride, and Mrs. George Heavin, Conn., sister of the bride in serving refreshments.

The couple left on a honeymoon trip to Word of Life Town, New York State, Niagara Falls, Quebec and Ontario. They will reside in Clinton.

Mrs. Gray graduated from Clinton High School and Thomas Business College, Waterville, and is employed by Time Finance Corporation. Mr. Gray was also a graduate of Clinton High School and is employed at present by Besse Bros. Inc. He is in the Naval Reserves.

SALVATION ARMY OFFICERS TO VISIT

Colonel Harry Pennick, who will visit Digby soon, comes of God-fearing, sea-faring Cornish stock, and is a member of a well-known Salvation Army family associated with the Clapton Congress Hall Corps, London, England, where Shepherd Drake Pennick (Policeman Plus in Salvation Army literature) was Band Sergeant for many years, and also a Station Sergeant in the London Metropolitan Police Force.

One of three officer brothers, Harry started Salvation Army service in 1905 at International Headquarters, as personal messenger to the founder, General William Booth. He was also drummer in the Congress Hall Band.

At 19 years of age Harry walked a few yards from his home to the International Training College, then at Clapton; was made Cadet Sergeant Major of the Men's Side the following session. After a Lancashire appointment on the British Field he was posted to Japan, serving in that land for a number of years. There he married Ensign Beatrix Stevens, one of three officer daughters of Brigadier and Mrs. George Stevens.

On returning to Britain in 1920, the Colonel served as a Corps Officer at leading Corps; and Divisional Young People's Secretary at Bristol, Bradford and Plymouth. Then followed an appointment as General Secretary to Latvia and Estonia. Back in his homeland again in

1931, he served as Divisional Commander in four Divisions. With Mrs. Pennick special service was rendered in various bombed areas, among evacuated women and children in military hospitals including one for Canadian troops at Wokingham, and with prisoners of war.

A term as Assistant Chief Secretary at National Headquarters was followed by an appointment as General Secretary to the Scotland and Ireland territory. He was appointed as General Secretary to the International William Booth Memorial College in 1952.

Mrs. Pennick held appointments before her marriage at the International Training College at Clapton, and in Japan as private secretary to the Territorial Commander; since her marriage, as Divisional and Territorial Home League Secretary and as a counsellor to many young officers and comrades. She completed 50 years of active service as an officer on November 6, 1955, and before leaving London received from the General the 50-year service medal.

Colonel and Mrs. Pennick are conducting a thirty day tour of Nova Scotia centres and will be in Digby on September 12 and 13. While in Digby the Colonel will address the Kiwanis Club and also conduct two public meetings in The Salvation Army Hall on Wednesday, Sept. 12, and Thursday, Sept. 13, at 8:00 p.m.

Children Suffer Bumps

Five year old Barry Denton, son of Mr. and Mrs. Elwood Denton, of Little River, suffered a severe facial contusion when he and his mother were passengers in a car en route to Digby.

The driver of the car applied the brakes rapidly in order to avoid collision with another vehicle. The young lad was thrown forward, hitting his face and head on the dashboard. He was rushed to the Digby General Hospital for X-rays and required several stitches.

Another Little River youngster, Michael Gidney, son of Mr. and Mrs. Clifton Gidney, cut his head when he fell on a cement rail. He was rushed to the hospital in Digby where he required several stitches.

Mr. and Mrs. Rex Tidd and two children, of Halifax, spent the weekend with their parents, Mr. and Mrs. Shirley Tidd, Little River.

Town Council Meets

Town Clerk E. S. Eaton was instructed to prepare information and call for tenders for a new town truck, at Tuesday night's meeting of the Town Council.

Building permits were issued at the meeting to F. A. Kenney for a house on his property on Third Avenue and to Ronald VanTassel for a house on his property on Second Avenue. Petrofina Ltd. was given permission to demolish two old buildings on their property on Montague Row. These buildings are the former Excel Inn and the Jameison house on which a report was submitted to Council by the Fire Wards some time ago.

Considerable discussion was had concerning the boundaries of Third Avenue at the North end of the town and the matter was referred back again to the Streets committee for discussion with the surveyor and the property owners abutting the street.

It was reported construction on the King Street sewer is progressing satisfactorily.

Attended Hi-Y Convention

Reunion On 91st Birthday

Mrs. Charles VanBuskirk, of Bear River East, Annapolis Co., had special cause to remember her 91st birthday anniversary on Aug. 18, because the celebrations brought her family together for the first time in 56 years.

In 1900 a son, Harry, left home to eventually settle in Virden, Manitoba, while another son, Frank, made his home in Stellarton, N. S.

Although the son from Western Canada made several trips back East, it was only this summer that Mrs. VanBuskirk had her two sons together with the daughters, Miss Lemma, and Lucy, Mrs. Chester Sanford, who reside with her in the old home where Mrs. VanBuskirk was born.

An attractive birthday cake from Mrs. Harold Fish was among the numerous remembrances received by Mrs. VanBuskirk, and a budding young sonster, Wayne Fish, 5, saluted this gracious lady by singing the traditional birthday song.

OF THE ELECTORAL DISTRICT OF DIGBY.

SCOUT HALL

Queen St., Digby

THURSDAY, SEPT. 13th

8:30 P. M.

SPEAKERS: HON. HENRY D. HICKS, Premier of Nova Scotia, VICTOR CARDOZA, M.L.A., and T. A. M. KIRK, M.P.

ALL WELCOME

So . . . You're Going Back To School Friday, Are You?

It'll be a little rough to end up this summer vacation all in a hurry and start back to school next Friday morning.

You don't have much time to go swimming and do a few dozen of the other things you've been doing all summer. For a while it'll be a little bad to be on the job when the tardy bell rings.

We think that you don't realize just how lucky you are! The opportunity is yours to make of your education whatever you see fit. What the future holds is still anyone's guess. There is one guess that's pretty certain. It's this . . . you'll never be sorry for the effort you spend in gaining knowledge.

And with today's modern schools and well trained teachers, with opportunity for recreation — athletics, music, dramatics — You don't know how lucky you are! Make the most of what you have now . . . and it will make the most of you in the years ahead!

CARS ARE MY LINE

by Ken Hankinson

There is one car I've heard of that I would NEVER want to sell. It is, I imagine, the world's worst jinx car.

Archduke Francis Ferdinand and his wife were riding in it through Sarajevo when the shots rang out from the crowd that assassinated them both. That was the tragic "spark that set the world on fire" and led to the First World War.

In the 12 years following the shooting in 1914, the car was sold about 15 times. It was in six major accidents which killed 13 people and injured more than 20 others.

In its last crash, in Rumania in 1926, it was so badly damaged it was never put in condition to run again. It is preserved to this day in a Vienna museum.

Well, perhaps I would want to sell it, as an historical relic. That's the only way a wreck should be sold.

It's hard sometimes to tell what lies behind a bright paint job, just as with a woman. It may be all right for the gals to hide their wrinkles, but it can be dangerous and costly to just patch up a car.

That's why we won't sell a haywire wreck on our lot. That's why every car is put through its paces by a fussy mechanic before it's put on display. If it's a car we wouldn't buy for ourselves, we won't buy it for our customers. We're proud that so many drivers, as the proof of the pudding, have come back time and time again to trade in for newer cars.

It's a pretty long story I've rounded up for next time, 13,000 miles long.

Ken Hankinson

PASTOR RESIGNS

At the regular Sunday morning services the Rev. R. F. Humby preached to a well attended and attentive audience. He read from John 1, using the 41st verse as his theme, "We have seen the Christ."

At the close of his sermon Rev. Humby announced his decision to resign as pastor of this church to take up duties in Cape Breton. The congregation sincerely regrets his leaving as he has served this community faithfully and well. The many friends he has made here in Bear River and surrounding areas will greatly miss him. He will take up his new duties at the end of October.

MARRIAGES

Henshaw — Elliott

A pretty wedding took place in St. Patrick's Roman Catholic Church, Digby, on August 30, at nine o'clock in the morning, when Jocelyn Regina Elliott, daughter of Mrs. Edna Elliott Rice and the late Norman Elliott, was united in marriage to Gerald Robert Henshaw, son of Mr. and Mrs. Gerald Frost, of Bear River.

The bride, gowned in pale blue net over satin with matching veil and corsage of roses, entered the church to the strains of Lohengrin's "Bridal Chorus," played by Mr. Alden Walker, of Bridgetown, and was given in marriage by Mr. Harry Ellis.

Mrs. Nelson Thibau, aunt of the bride, gowned in old rose, was matron of honor, and Mrs. Gerald Wyles and Noreen Elliott, sisters of the bride, in matching dresses of green and yellow net, were the bridesmaids.

The groom was supported by Nelson Thibau and Gerald Wyles. Carolyn Robichaud was flower girl and Bernard Mulen acted as ring bearer. Father Gaudet, parish priest, was the officiating clergyman.

During the signing of the register Mr. Walker played an organ solo "O Perfect Love," and the happy couple left the church to the strains of Mendelssohn's "Wedding March."

A reception was held at the home of the bride on Thursday evening. After a brief honeymoon Mr. and Mrs. Henshaw will reside in Lansdowne.

Radford — Rice

Alice Jo Ann, eldest daughter of Mr. and Mrs. H. Clifford Rice, of Bear River, was united in marriage to James Radford, of Dartmouth, in the Roman Catholic Church at Kentville on September 1st. The ceremony was performed by the Rev. Fr. Durney.

The bride looked most attractive in a floor length gown of white embroidered net with satin and finger tip veil. She carried a bouquet of pink roses. The matron of honor and two bridesmaids were charming in their dainty gowns of rose, green and yellow. Best man was Mr. Radford of Dartmouth, and ushers were sons of Captain and Mrs. John Leece, of Kentville.

Following the ceremony a wedding breakfast was served to some eighty guests at the banquet hall of the Paramount Hotel, Wolfville. The toast to the bride was proposed by Rev. Father Durney and responded to by the groom, Mrs. Rice, mother of the bride, and Mrs. Radford, the groom's mother, were in the receiving line with the happy couple.

Immediately after the reception Mr. and Mrs. Radford left for Pictou Lodge and a visit to Prince Edward Island before returning to Dartmouth where they will make their home.

Mrs. J. M. Withycombe
Word has been received here of the passing in hospital at Lakewood, Ohio, of Mrs. Ethel Withycombe, following surgery, August 23rd.

The former Miss Dimock, of Windsor, N. S., she married in June 1891, the Rev. John Medley Withycombe of St. John's, Nfld., and rector of the parish of Clements, Clementsport.

Later her husband held parishes at Weymouth, N. S., and Summerside, P. E. I., before leaving for the United States to accept a church in Cleveland, where he died nearly thirty years ago. Mrs. G. L. Benson and Mrs. W. H. Spurr, both of Deep Brook, are nieces of Mr. Withycombe.

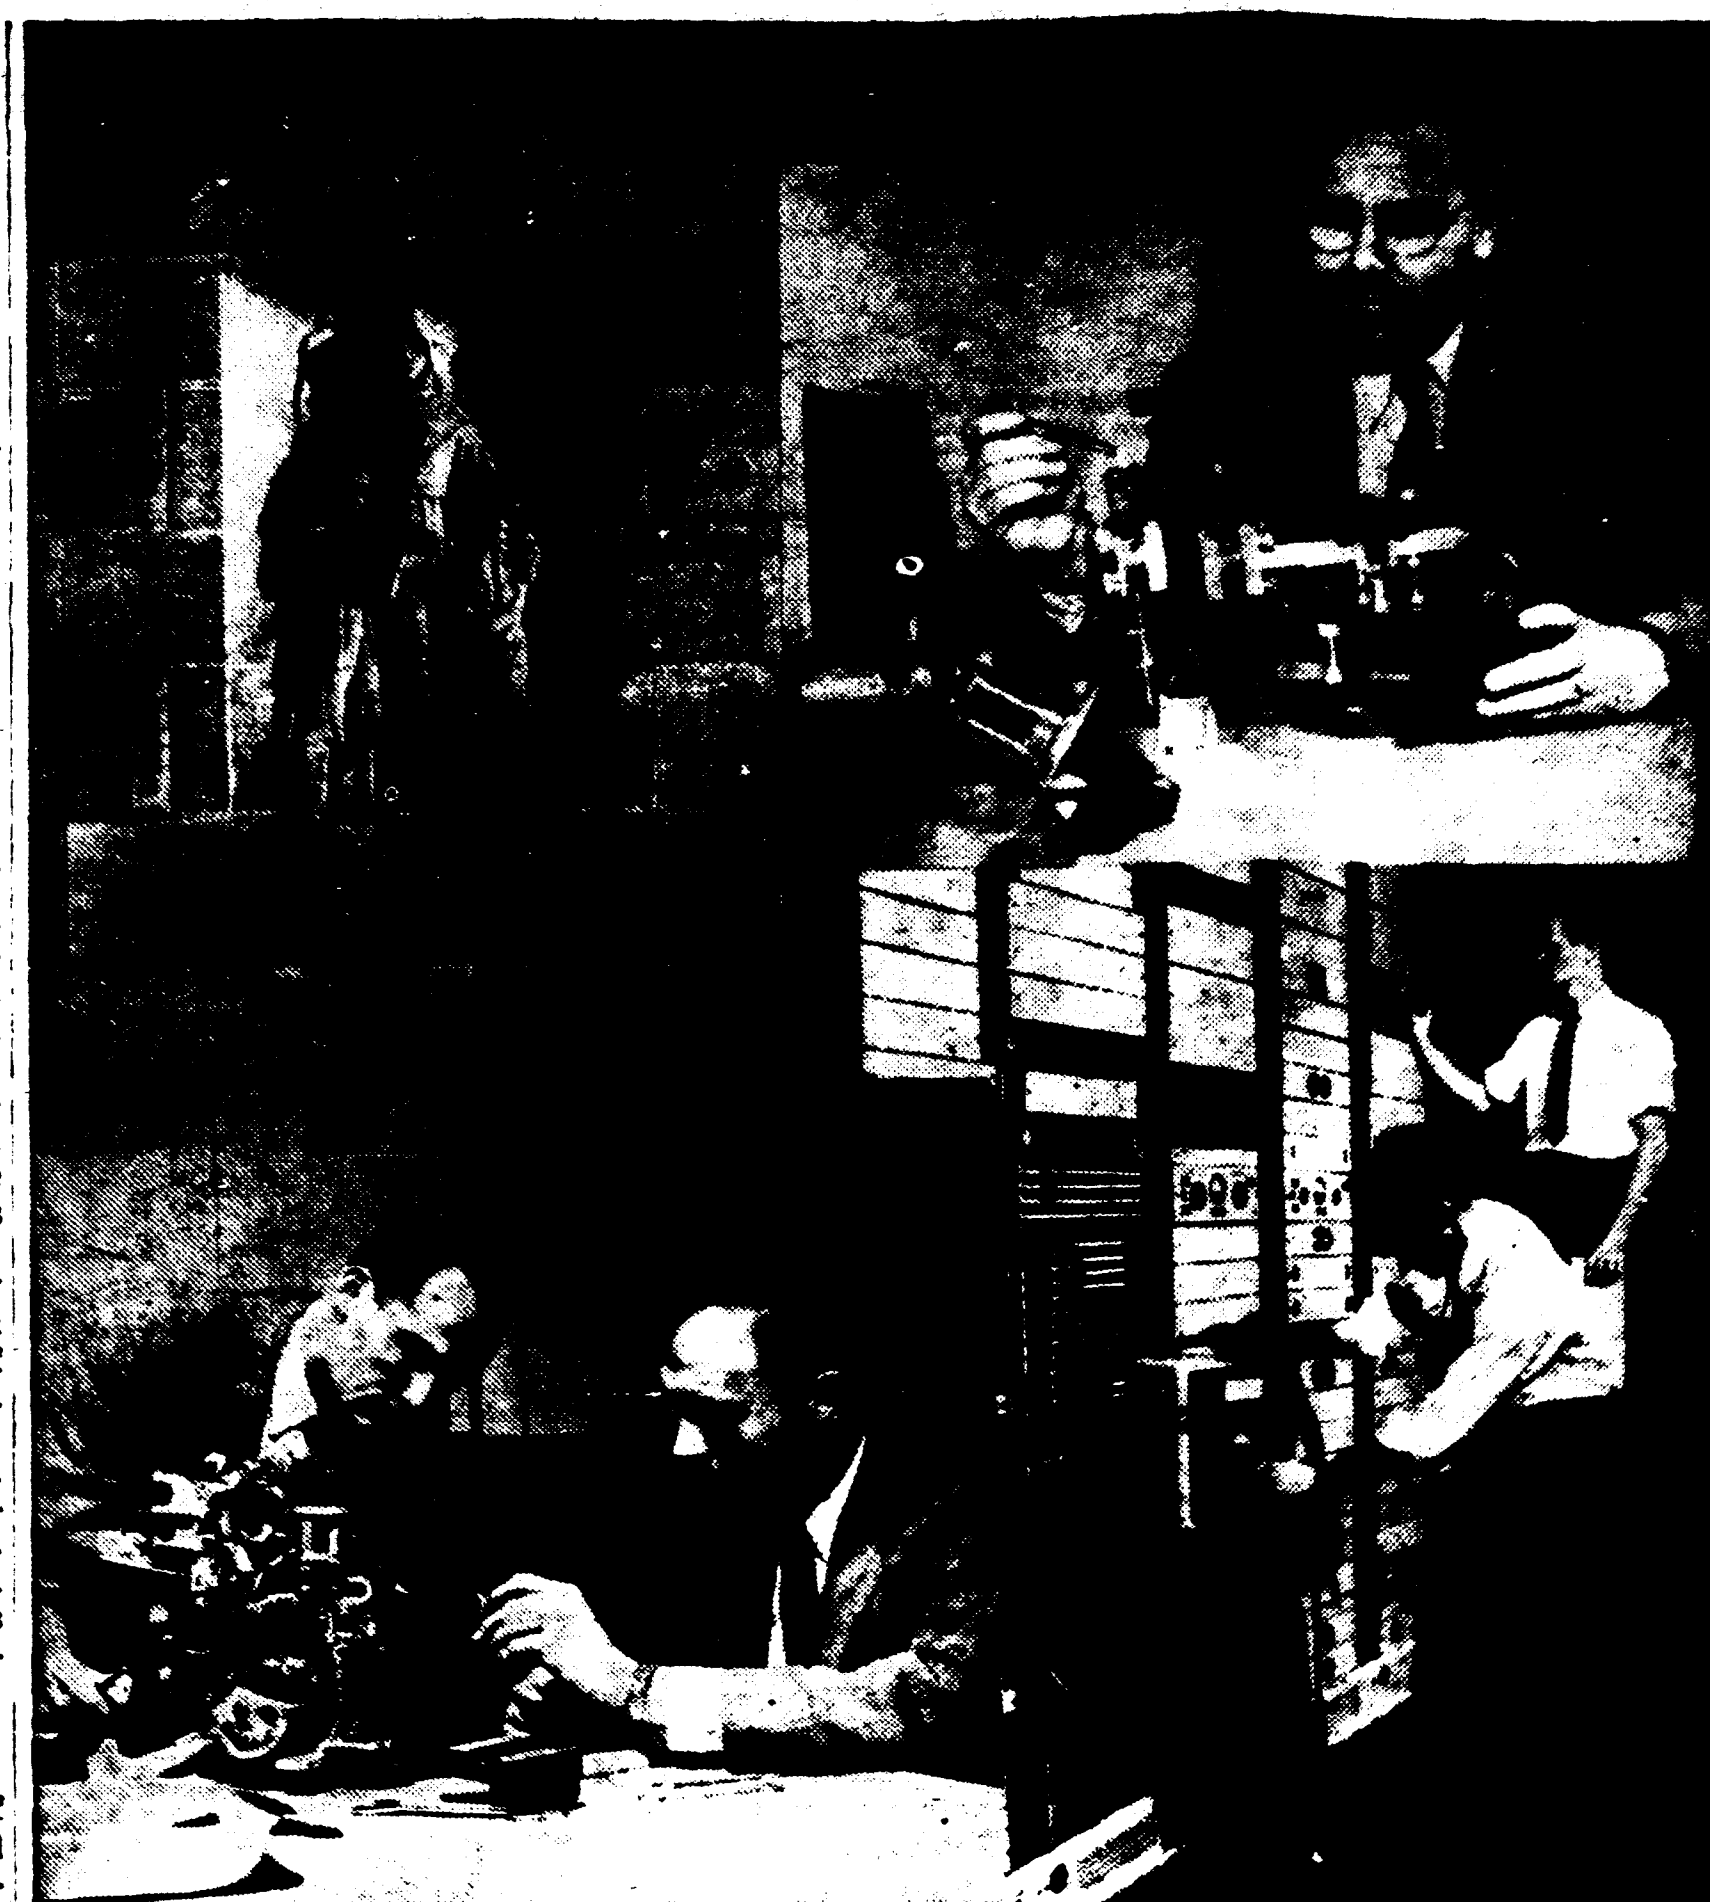

In her immediate family Mrs. Withycombe leaves three daughters, Mrs. Madge Heath, Mrs. Dorothy Rutledge and Mrs. Constance Winders, all residents of Lakewood, and several grandchildren.

Mrs. Thearon Nichols
Ella May Nichols, native of North Range, Digby Co., passed away at the Digby General Hospital early Monday morning.

Born at Bear River seventy-eight years ago, she was a daughter of the late William and Levilia Andrews. The family moved to North Range when she was still a child. She attended school in that community and later was married to James D. Haight. He predeceased her in 1935. She was a member of the North Range Baptist Church and the W.M.S.

In 1944 she moved to the U. S. A. and three years later was married to Thearon O. Nichols. She made her home in Roslindale, Mass. With her husband she had been making her annual visit to the community of North Range.

Surviving besides her husband

On the site of a stone stable where Marguerite Bourgeoys first taught the ABC's to children of settlers of New France three centuries ago, history of a different sort is still being made today. In a Montreal building adorned by the bas-relief seen at upper left, young men bound for duty along the Mid-Canada Line are taking a course covering the entire range of modern communications. Instructors selected from amongst engineers and technicians of the Trans-Canada Telephone System guide the students through a six-month course in the world of up-to-the-minute communication systems. Picture at upper right shows Instructor Gerrie Brent preparing a radar demonstration unit. Seen at lower left are Gil Noall and Bob Herber discussing a special teletype feature. At lower right, technicians John Radcliffe and Instructor Dick Atkinson put the multiplex training unit through a series of tests.

The remains of Mrs. Thearon Nichols, of North Range, Digby Co., passed away at the Digby General Hospital early Monday morning. For Mother's Information on Children's Shoes

Every year thousands of children are improperly fitted. This guide will help you fit your child correctly.

The Seven Points Of Fit:—

1. Under the Arch - firm but gentle support.
2. Over the Instep - full enough for ease and free circulation.
3. Over the Toes - toe box deep enough to let toes flex.
4. Ball at Great Toe - widest part of foot at widest part of shoe.
5. Ball at Little Toe - widest part of foot at widest part of shoe.
6. Toe Length - $\frac{1}{2}$ to $\frac{3}{4}$ of an inch toe room.
7. Heel - firm heel grip - broad heel rest.

MY FAMILY LOVES THIS RASPBERRY Double-boiler Pudding!

Grease upper pan of double boiler generously. Measure into pan:
1 1/4 c. (10 oz. can) canned raspberries and syrup
1/4 c. granulated sugar
2 tps. corn starch
Mix well and set aside.

Sift together:
1 1/4 c. once-sifted pastry flour
or 1 1/4 c. once-sifted all-purpose flour
1 1/2 tps. Magic Baking Powder
1/4 tsp. salt
Cream:
3 tps. shortening
Blend in:
1/2 c. granulated sugar
1 egg
Combine:
1/2 c. milk
1/4 tsp. vanilla
1/2 tsp. grated lemon rind

Add dry ingredients to creamed mixture alternately with flavored milk, combining lightly after each addition. Turn into double-boiler over raspberries. Cover closely and cook over boiling water until batter is cooked—about 1 1/4 hours—add boiling water, if necessary, to make pan.

MAGIC protects all your ingredients. Get lighter, finer-textured results... buy MAGIC Baking Powder today.

DIGBY, NOVA SCOTIA, THURSDAY, SEPTEMBER 13, 1956

M. S. LEONARD GETS
P.-C. NOMINATION

M. S. Leonard (above) was unanimously nominated Tuesday night as Progressive Conservative candidate for Digby Municipality to contest the constituency in the next provincial election. Keith Potter, of Plympton, moved the nomination, and Eugene Outhouse, Tiverton, was seconder.

M. S. Leonard is well known in Digby and throughout the municipality, having successfully practised law in the town since 1937. Born at Paradise in 1911, Mr. Leonard was educated there in the public school and was actively engaged in life and work on his father's farm. In 1930 he was successful in leading a class of 27 in Grade XII Provincial examinations, having taken his course by correspondence at his home village of Paradise. In 1937, Mr. Leonard obtained his B.A. at Acadia University, Wolfville, after which he taught school until he entered the field of law.

The meeting, held at the Scout Hall, was presided over by President Roy Snell, Bear River. Camille Mulise, Weymouth, chairman of the nominating committee, presented the following slate of officers for the coming year, which was adopted on motion.

President, Roy Snell.
Vice-President, Dr. G. V. Turnbull.

Executive: Digby, Guy Van-Tassel, Benjamin F. Webber; Hillsburgh, Stanley Sabine; Smith's Cove, Paul Davidson; Marshalltown, Lloyd Jefferson, Fred Haight; Barton, Jack Gillespie; Plympton, Donald J. Amoro; Weymouth North, Willard Kinney; Weymouth, Camille Mulise; Weymouth Falls, Elmer Jarvis; Doucetteville, Jesse Amoro; Culloden, Edward Ross, Leander Handspiker; Rossway, Sidney Westcott; Centreville, Keith Raymond; Sandy Cove, George Merritt; Little River, Frank Stanton; Tiverton, Eugene Outhouse; Freeport, Parker Thurbur; Westport, Wilfred Swift.

Finance Committee, Dr. G. V. Turnbull (with power to add).

Chief speaker for the evening was Provincial Conservative leader Robert Stanfield, introduced by Donald Filieul. Mr. Stanfield dealt chiefly with the proposed health insurance plan and said that his party favoured such a plan sponsored by the Federal Government. He said the Federal Government had offered to pay fifty-seven per cent of the cost in a plan which covered hospital ward rates and diagnostic service, but that plan could not be put in operation until the majority of Provincial Governments representing the majority of the people in Canada had indicated some plan of operation. The Nova Scotia government, he said, had shown little interest and had failed to indicate to Ottawa the type of Health Insurance plan Nova Scotians desired. He stated that the government had done little to prepare Nova Scotia for a hospital plan and had done nothing to encourage entrants into the nursing profession. Hospital nurses, he said, would be in great demand under a health insurance plan when more people would be making use of hospitals.

Mr. Stanfield criticized the Hicks administration in its failure to promote industry in Nova Scotia and for the lack of co-operation in an effort to improve the economy of the Atlantic provinces. He charged that the rise of the municipal taxes during the last few years was due to financial policies of the government in regard to education and stated that unfortunately only the beginning can be seen. Bill 66 was entered into, said by people in municipal offices without an understanding of the bill and its implications. He said he had warned the government about plac-

ing a burden on the people in this respect and thereby discouraging rural industry.

George Nowlan, M.P. for Digby-Annapolis and Kings, was introduced by Dr. G. V. Turnbull. Mr. Nowlan dealt with a few of the Federal affairs of major concern to the Digby people. He explained the situation at Ottawa in regard to the closure on the Pipeline debate which he felt was not understood by people in the Maritime Provinces and stated the only way to maintain a free way of life is to have a free parliament.

M. S. Leonard thanked the party for the honor and privilege they bestowed on him in making him their nominee and said the need and responsibility of the Conservative Party was in no time greater than at the present. He said if the people are to prosper, the country life must be made attractive and no undue burdens must be laid upon these people. He mentioned the degree of prosperity he felt would be forthcoming for tourist industry, farming, fishing and power development in the whole western area of Nova Scotia if the road between Shelburne and Digby could be opened.

Keith Potter, in a short talk, suggested the hope of fostering small industries in small communities and the development of the hinterlands for fisheries, sporting, tourists and small industries.

Car Stolen

Digby police are on the lookout for a 1950 Hillman car, stolen from the yard of the MacDonald Motor Co. Ltd. here over the weekend.

The car, which is the property of Irving Everett, was left on the parking lot Saturday afternoon. Mr. Everett did not return for the car until early Monday morning when he discovered it missing.

Black in colour, the car has a Nova Scotia license number 32165.

LATER: It is understood the stolen car was recovered by the RCMP at Wilmet Monday night. The car was abandoned on the side of the highway and was out of gas but otherwise undamaged.

To Speak At
Kiwanis Meet

Col. Harry Pennick of the Salvation Army, who with his wife is conducting a thirty-day tour of Nova Scotia, will be guest speaker at tonight's supper meeting of the Digby Kiwanis Club.

The meeting will be held at Chan's Coffee Shoppe at 6:15.

Dr. John R. McCleave, shown above, well known Digby physician and surgeon, was elected President of the Nova Scotia Medical Society at the annual meeting of the group in Halifax last week.

Dr. McCleave was installed at the banquet session of the society's convention on Thursday evening. He succeeds Dr. R. O. Jones, of Halifax.

Board Meets
New V.O.N.

Rev. James Brooks, president, presided at the regular meeting of the Victorian Order of Nurses, held at Trinity Hall on Tuesday, when Miss Ellen Murphy, Sarnia, Ontario, was introduced to the Board. Miss Murphy arrived in July to take over the duties of nurse-in-charge of the Digby Branch V.O.N., but Tuesday was the first regular meeting since her arrival.

Miss Murphy is a graduate of St. Michael's Hospital in Toronto and comes to Digby with good recommendations.

All V.O.N. appointees are graduate registered nurses, carefully selected from a stream of volunteers by the central office of the V.O.N. in Ottawa. Most of the V.O.N. nurses have had public health training in University and other courses and the tendency is to make this a universal requirement.

The first emphasis in the selection of a Victorian Order Nurse is however, on her character and aptitude for home nursing. If she has these her professional qualifications and technical knowledge are almost certain to meet even the high standards of the V.O.N.

Victorian Order Nurses all work under the direction of the doctor in charge of the case. The patient has therefore every possible guarantee that the diagnosis of the ailment, the treatment prescribed and its application will all be carefully checked and controlled. To her professional competence the V.O.N. nurse adds the watchfulness and occasional discipline which are often as essential a part of curing sick people as pills and powders.

In her first report to the Board Miss Murphy stated 128 home visits were made in July with 57 per cent for bedside nursing. Fourteen were seen at Well-baby conferences.

In August 136 visits were made with 40 per cent for bedside care. Again 14 were seen at Well-baby conferences. Mrs. Paul Snow was relief nurse for the interim of Miss Mary Blair's departure and Miss Murphy's arrival.

Miss Murphy announced that immunization clinics for whooping cough, diphtheria and tetanus would begin on Wednesday, September 26.

Permission was granted to Miss Murphy to attend a Public Health Nurses Conference to be held in Yarmouth September 27, when school nursing will be a subject for discussion.

Mrs. H. R. Bishop, treasurer, said the June Drive net proceeds amounted to \$685.58 in 1956 as against \$738.21 in 1955.

The following were named a committee for October fund raising: Mrs. J. W. Christie, Mrs. K. W. Ganong, Mrs. L. C. Carson, Mrs. Paul Snow, Dr. Elaine Cuming, Rev. H. Y. MacLean, Rev. James Brooks, Rev. E. C. Churchill, Father Comeau, S. MacDonald and Dr. John Cuming.

To Speak Here

The Rev. Dr. F. Uhler, educator, statesman, and war hero, will be the preacher at the 11:00 o'clock service at Trinity Church on Sunday, September 16.

Dr. Uhler, former vice-president of Czechoslovakia, who is now a priest of the Anglican Church, and professor of sociology at the University of King's College, will be welcomed to the parish by many who heard him preach here on the occasion of his former visit in April.

Dr. Uhler will also preach at St. Paul's, Marshalltown, at 9:30 on Sunday morning.

Four Winged Gull
At Wharf

Workmen at the CPR wharf here have had a strange experience recently. Some of them thought others were really seeing things when they reported a four winged seagull had been seen near the wharf.

The gull, which seemed to be quite at home in the area however, was no mirage but a reality. Evidently deformed from birth, it had two sets of wings. One set connected in the ordinary manner but the second set were joined at what might be termed the elbow.

When the gull has its wings extended the malformation is most visible, but when the wings are folded it appears only as if the wings have an extra heavy feather coverage.

Mr. and Mrs. Charles Wharton, Annapolis Royal, were Sunday visitors of Mrs. Ida Sabine.

ANIMAL EXHIBITS UP
AT CONWAY FAIR

The annual Community Fair, sponsored by the Maple Leaf Agricultural Society and held last Wednesday at the society's building in Conway, attracted a large number of people from near and far.

Due to the inclement weather this summer exhibits of fruits, vegetables and flowers were way below the number placed on exhibit in other years. Exhibits of horses and oxen were above those of previous years, however, with dairy exhibits at about the same level.

In the horse and ox pulls, which were a feature of the afternoon's program, Loran Wright's team of oxen won the ox pull. Weight of the team was 2,223 and the load hauled was 4,900 pounds, giving a percentage of 2.15%.

In the double horse pull Darrell Sanford's team took first place. Weight of the team was 2,452 and the load hauled was 5,100 pounds, giving a percentage of 2.08. Glendon Robbins' horse was winner of the single horse pull. Weight of the horse was 1,038 and the load hauled 3,400 pounds, giving a percentage of 3.1.

Mrs. Alma Melanson, of Digby, ranked high in the prize winners among exhibitors at the fair, taking eight first prizes with exhibits of a lovely Jersey heifer, flower displays and other exhibits.

Among other prize winners at the fair were Mr. E. Weyhe, of Joggin Bridge, who took first for the best collection of vegetables. Second prize in this class went to William Roope, of Hill Grove. Two beautiful cauliflower

flower included among the vegetable exhibits and placed on display by Mrs. Melbourne Comeau, of Digby, attracted a great deal of attention. Estimated weight of these practically perfect specimens was five pounds each.

Top line prize for the best matched pair of oxen went to Loran Wright, while the steer first for the best beef steer. Lloyd McNeill, of Marshalltown, captured first prize for the best dairy herd and first prize for the best dairy cow at the fair.

First prize for the best dressed pair of horses went to the team of Darrell Sanford. Glendon Robbins' team captured first prize for the best matched team of horses and Harry Height's horse took first in the best draft class.

In the home arts exhibits, Mrs. Melbourne Comeau, of Digby, took first prize for the best braided mat, while Mrs. Frank Ross, of Culloden, was first prize winner in the hooked mat class.

A feature of the fair was the excellent display of school work which was on exhibit. This featured work books, posters and other samples of school work and attracted a great deal of attention and favorable comment from the spectators.

Many of the visitors at the fair took advantage of the opportunity to enjoy both the day and supper meal served by the ladies of the Maple Leaf Agricultural Society and the day was brought to a most enjoyable close by an old fashioned dance.

Johnston, at Milton, also her brother, Joseph S. Hines, and sister, Miss Georgia M. Hines, at Digby. At North Range she was the guest of another sister, Mrs. E. E. Shortliffe.

Badly Bitten
By Dog

Leigh Peck, of Digby, received severe bites on the arm when he was attacked by a dog while on the way to a meeting at the Scout Hall here Tuesday night.

It is understood Mr. Peck was taking a short cut to the hall when the dog attacked him. He received severe bites on the hand and forearm. His plight was discovered by a passerby who noticed him trying to get up the bank alongside the Scout Hall and immediately went to his aid.

The injured man was rushed immediately to the hospital where some thirty-eight stitches were required to close the wounds in his arm.

"Bluenose" On
Winter Service

The winter service of the trim new luxury ferry "Bluenose", operating between Yarmouth and Bar Harbor, Maine, has been announced by George Steven, general passenger agent of the Atlantic Region of Canadian National Railways.

Beginning September 15 with the one-way trip from Bar Harbor to Yarmouth, the "Bluenose" will depart from Yarmouth on Mondays, Wednesdays, and Fridays at 9:00 a.m. A.S.T., and arrive at Bar Harbor at 2:30 p.m. E.S.T. She will leave Bar Harbor on Tuesdays, Thursdays and Saturdays at 9:00 a.m. E.S.T. and dock at Yarmouth at 4:30 p.m. A.S.T.

The ship will be withdrawn from the tri-weekly service from October 1 to 6 inclusive, when she will go to Halifax Shipyards for inspection prior to expiration of her warranty.

Holds Tea
At Digby

On Tuesday afternoon Mrs. H. Y. MacLean was hostess at a delightful tea at Trinity Rectory.

The rooms were tastefully decorated with a variety of autumn flowers.

Pouring for the first hour were Miss Louise Daley and Miss Bessie Turnbull. The second hour the tea cups were presided over by Mrs. A. S. Paysant and Mrs. C. T. Bryant, of Bridgetown.

Serving were Mrs. E. B. Tufts, Mrs. W. L. Carson, Mrs. Fritz Dakin, Mrs. S. J. Hall, Mrs. C. Gould, Mrs. W. K. Ganong, Mrs. Harold Parsons, Mrs. Arthur Handspiker, Mrs. Emdon Morehouse and Mr. O. H. Morehouse.

Mrs. R. B. Lent attended the door, with Mrs. G. E. Sanford and Mrs. Ralph Wright ushering the guests to the dining room.

Make Rally Plans

Mrs. J. A. Ruffee, Granville Ferry, president of the Annapolis Presbyterial of the United Church of Canada, presided at a meeting of the executive held at the home of Mrs. Harold Willett, Bridgetown, on Wednesday afternoon.

Plans were made for the fall Rally of the Presbyterial to be held in Bridgetown when it is hoped that Dr. Catherine Whitte, missionary on furlough, will be guest speaker. A short report on the School for Leaders held at Berwick in July will be given by Mrs. William Armistage, Weymouth, and a report on the Conference Branch at Sackville, N. B., in June will be given by Mrs. Willett. Mrs. Harold Murray, Berwick, gave a few human interest highlights of the Branch at the meeting on Wednesday.

Regret was expressed at the illness of Mrs. R. F. Humby, Bear River, a member of the executive, who is a patient at the Nova Scotia Sanatorium Kentville. Mrs. J. M. Wallis, Digby, was named to take over the duties of the Christian Stewardship office for Mrs. Humby for the remainder of the year.

Joins Air Force

Rose Marie Thibault, daughter of Mr. and Mrs. George A. Thibault, of Rossway, has joined the Royal Canadian Air Force. She enrolled in the Air Force on September 7th, and proceeded to St. Jean's, Quebec, for initial training and selection. A graduate of the Digby Regional High School, Miss Thibault had been in training as a student nurse prior to her enrollment in the RCAF. While at the DRHS she was active in the sports program, participating in basketball, track and swimming. Her hobby is basketball.

Above are Miss Ruth Wallis and Larry MacNeil, 1956 Grade XII graduates of Digby Regional High School who have recently learned they have been awarded \$150.00 college entrance scholarships. Miss Wallis, daughter of Mrs. J. M. Wallis and the late Mr. Wallis, will enter Mount Allison University, Sackville, N. B., this month. Larry MacNeil, son of Mr. and Mrs. Lloyd MacNeil, Marshall-

town, will study engineering on entrance at Acadia University, Wolfville, N. S., in September. Other \$150.00 scholarships to Acadia University awarded to Digby County students for the year 1956-57 were to Miss Rosamund Sabine (2nd year), daughter of Mr. and Mrs. Stanley Sabine, Bear River, and Bradford Blackford (entrance), son of Mr. and Mrs. Lloyd Blackford, Freeport, N. S.

SCHOOL ENROLLMENT
REACHES 1,200 MARK

Registration in the public schools in Digby this year have reached the highest figure in history. According to information received this week registrations at the Digby Regional High School this year number five hundred and fifty. Six hundred and fifty students have been enrolled in the elementary schools, bringing the total figure to twelve hundred.

Because of the fact the proposed addition to the Regional High School has not yet been completed, it has been necessary to find classroom space for the pupils in a number of buildings throughout the town. Temporary classrooms have been set up in the former RCAF building on Malden Lane, the United Church Hall, the Fire Hall and the Court House.

Heaviest enrollment in the Digby schools this year is in Grade VII where one hundred and twenty-four pupils are registered. Grade VIII comes next with 114 and is closely followed by Grade IX with 98. Grade X has an enrollment of 94; Grade XI has 80, and Grade XII, 40.

Following is a list of the teachers on the staff of the Digby schools with their class allocation:

Regional High School Staff:
Principal, F. C. Purdy; Industrial Arts, R. B. Powell; Senior High School Science, M. A. Thurbur; Senior High School Studies and Guidance, Mrs. E. Wendell; Director of Physical Education, H. B. Kuryluk; Commercial Department, Mrs. I. Dillon; Senior French and Social Studies, S. Surette; Senior Eng-

Party Held At
Rossway Hall

Mrs. Alma Melanson held a party in the Rossway Hall on Friday evening. The proceeds from commissions on orders went into the Hall Fund and in addition ten cent lunches were sold. The proceeds amounted to eight dollars, which was turned over to George McKay, acting secretary and treasurer of the Hall, in the absence of Loran Banks.

Mrs. Melanson brought her lovely dog "Daniel" along and he performed many tricks for those present. Mrs. Melanson also gave those present a plastic maple leaf as a memento of the party, after which everyone joined in singing "The Maple Leaf Forever".

Club Active

During the summer months while most local organizations are taking a holiday the Neighbourly Club, of Deep Brook, continued to function as usual and during the month of August its members engaged in the following activities:

Sponsored a Pantry Sale and Model Show; attended a wedding and catered for the breakfast and reception; made and packaged 200 cancer dressings; sponsored Dr. C. M. Harlow as guest speaker on cancer and gave a demonstration of the making of cancer dressings following the lecture; celebrated a birthday anniversary with a surprise party; finished a quilt top for the Bear River Exhibition; and quilted two quilts. In addition, each member earned, by hook or by crook, a dollar which was passed in to the treasurer on the 30th of the month.

Legion Zone Meeting
At Weymouth

A well attended Zone Meeting was held recently in the Legion Hall, Weymouth, with Zone Commander Eugene W. Outhouse, of Tiverton, presiding, and accompanied by Zone Secretary Chester M. Outhouse, of Tiverton. It was stressed by the Zone Commander that the meeting would discuss (1) The Poppy Campaign; (2) Membership; and (3) a Zone Rally.

The Poppy Campaign was discussed fully by the representatives from the different branches, each stating how they had carried out their campaigns in the past and how they planned to do so this year. At the close of the discussion each branch was allotted an area for carrying on its campaign.

On Membership it was suggested that each branch make a concerted effort to get new members, as there were many veterans in this area who did not belong to the Legion.

On a "Zone Rally", by motion it was decided to have one in the Hotel Champlain, Digby, either on September 25th or October 2nd, according to plans to be worked out by the committee from the Digby Branch. This Rally would be open to all veterans in this area, and President Fred Fox of the Nova Scotia Command to be guest speaker.

Gerald Handspiker, of the Gypsum King, is spending a few days at his home in Culloden.

The monthly business meeting of the Ladies' Hospital Aid will be held at the home of Mrs. Forest Elmer on Monday evening at 8:30.

Different!

Add sparkle to any meal or snack with delicious Bran Gems, generously spread with fresh butter! Easy to make? Always... when you use dependable Fleischmann's Active Dry Yeast for your home baking!

Bran Gems

1. Scald 1/2 cup milk
Stir in 1/2 cup shortening
1/2 cup granulated sugar
1 1/2 teaspoons salt
1 1/2 cups bran flakes
Cool to lukewarm.
2. Meantime, measure into bowl 1/2 cup lukewarm water
Stir in 2 teaspoons granulated sugar
Sprinkle with contents of 2 envelopes Fleischmann's Active Dry Yeast
Let stand 10 minutes, THEN stir well.
3. Turn out on lightly-floured board and knead until smooth and elastic. Place in greased bowl. Brush top with melted butter or margarine. Cover. Let rise in a warm place, free from draft, until doubled in bulk, about 1 1/2 hours.
4. Punch down dough. Halve the dough, form each half into an 8-inch roll. Cut each roll into 8 equal pieces. Cut each piece into 3 and form into small, smooth balls. Place 3 balls in each section of greased muffin pans. Brush balls with melted butter or margarine. Cover. Let rise until doubled in bulk, about 1 hour. Bake in a hot oven, 400°, about 15 minutes.

Work in an additional 1 1/2 cups (about) once-sifted all-purpose flour
Yield—16 gems.

PHONEY money from Formosa

Chinese Nationalists have a new twist in their psychological warfare. They are dropping from the air "silver" dollars that turn out to be aluminum discs urging mainland Chinese to join the Formosa forces.

While this money was phoney, real aluminum coins are widely used—in France and Italy, for instance. A fraction the weight of other metals, and perennially bright and shiny, aluminum pays off as small change. It also pays off for Canada, as an industry that converts raw materials and waterpower into purchasing power in the world markets.

MARRIAGE

Bartaux — Snow

A pretty wedding of wide interest was solemnized in the Port Wade United Church on Saturday, Sept. 8, at high noon, by Rev. R. F. Hurnby, River River, when Audrey Mae, only daughter of Mr. and Mrs. Gordon Snow, Port Wade, was united in marriage to Harold Eugene Bartaux, only son of Mrs. Guy Bartaux and the late Guy Bartaux, of Mochele, Annapolis county.

The church was beautifully decorated with baskets of gladioli and late summer flowers. The guest pews were marked by silver and white bows of ribbon. Professor James F. Browne, personal friend of the bride's family, presided at the organ.

The bride entered the church on the arm of her father by whom she was given in marriage. She was lovely in a ballerina length gown of white nylon brocade over satin with matching bolero with stand-up collar. She wore a finger-tip veil of silk illusion with scalloped lace edging, held in place by a satin tiara embroidered in seed pearls. She carried a cascade of red roses.

Mrs. George Dickson, aunt of the bride, was her only attendant as matron of honor, and she wore a gown of sky blue nylon taffeta with matching headpiece and she carried a nosegay of pink and white asters set in matching ribbons.

The best man was Malcolm Woodland, cousin of the groom, and ushers were Maurice Bartaux, Mochele, and Malcolm Sproule, RCAF, Middleton.

The mother of the bride wore a dress of aqua nylon jersey and rose accessories and cor-

sage of pink carnations.

The mother of the groom wore a dress with matching bolero of navy triple sheer crepe with light blue accessories and a corsage of pink carnations.

Miss Linda Morehouse, Sandy Cove, N. S., cousin of the bride, sang "O Perfect Love" during the signing of the register.

Following the ceremony a reception was held at the home of the bride for the immediate

family and close friends. The Grath was in charge of the

rooms were decorated with va-

ses of yellow and red roses. The table was covered with a

cloth of lace and centered by a three-tier wedding cake surmounted by a bride and groom in miniature, flanked on either side by white candles in crystal candelabra. (Mrs. Jack Morehouse, aunt of the bride, presided over the tea cups and member of the Cornwallis fire department at the Cornwallis served and Miss Mildred Mc-

Naval Base.

For travelling the bride chose a suit of grey wool with blue accessories, and wore a corsage of pink carnations. The happy couple left on a motor trip to Cape Breton and other points of interest in the province. They will reside in Mochele where the groom is a member of the Cornwallis fire department at the Cornwallis Naval Base.

Donald Archer is really in tune with the times

High fidelity sound expert Donald Archer says:

"On older phonographs and records you could hear only part of the sound range. Today's 'hi-fi' systems reproduce the lowest and highest notes of the musical scale with startling realism. This modern development has meant great progress in the recording field."

As a family man, Mr. Archer also benefits by continuous progress in another field... life insurance. Policies are more flexible and more adaptable to the needs of individual families.

Today, you can obtain life insurance policies that provide not only basic protection but ready funds for emergencies, also policies for education, for safeguarding your home, for protecting your business and for ensuring your retirement income.

In these and other ways, the life insurance companies in Canada have progressed with the times... meeting the needs of people in all walks of life!

THE LIFE INSURANCE COMPANIES IN CANADA

The amount of life insurance owned by Canadians has doubled in the last seven years.

End of a perfect day!

Ready for the first load! The gates open and this GMC just sits there — sturdy and solid! 14½-ton of limestone is a heavy load... but this W-9900 was built to take it!

The load delivered! General's GMC W-9900 is a stand-out performer, helping to push this load out into the lake. In any way, GMC trucks enable 'em all!

Meet George Rusanov, one of many independent truck operators helping to build new docks for Canada's St. Lawrence Seaway. The slip he holds in his hand represents more than just another load delivered. It tells how his GMC W-9900 carries this 14½-ton load for 25 miles over the roughest, toughest of roads—and does it six, seven, eight times a day. But it doesn't tell how that load, pounded down into his truck from the hopper above, gave it a real workout. George doesn't worry about that. He has confidence in his truck, it's a GMC... built to take the toughest-kind of punishment and deliver the goods—when and where you want them. You can have this easy kind of confidence too, with a custom-created GMC—built for the job you have to do.

MARRIAGE

Mullen — Mullen

A wedding of much interest was solemnized at the Reformed Baptist Church, Havelock, when Rev. D. C. Webb united in marriage Miss Ruth Mullen and Mr. Harry Mullen, Easton.

A reception was held at the home of Mr. and Mrs. Harold Sabean, sister of the bride.

OBITUARY

Mrs. Adeline B. Hall

The death of Mrs. Adeline Beatrice (Sabean) Hall occurred at her home at Tyngsboro, Mass., on Tuesday, August 7, at the age of sixty-seven years.

Mrs. Hall was born at South Range, Digby Co., N. S., and was the daughter of the late Malcolm B. Sabean and Mabel (Haines) Sabean. She went to the U.S.A. at an early age. Later she was married to Ralph Porter, who predeceased her some years ago.

Mrs. Hall is survived by her husband, Harry G. Hall; a daughter, Mrs. Mabel Carlin; two sons, Kenneth H. Porter and Robert M. Porter, all of Tyngsboro; two sisters, Mrs. Walton Shortliffe, of South Range, and Mrs. Nellie Wagner, of Digby; two brothers, Ira, of South Range, and Albert, of Weymouth, and several grandchildren, nieces and nephews.

She was a former resident of Dorchester and an attendant of the Methodist Church in Quincy for many years. After moving to Tyngsboro she attended the Congregational Church.

Funeral services were held at the Greig Funeral Home, Westford, with Rev. Stacey Richards, pastor of the Congregational Church, of Tyngsboro officiating. The organist was Mrs. Walter L. Blanchard, who played several of Mrs. Hall's favorite selections. There was a profusion of flowers, requiring a special car to convey them to the cemetery. Burial took place in Flint Cemetery, Tyngsboro.

BACKACHE May be Warning

Backache is often caused by long kidney action. When kidneys get out of order, excess acid and wastes remain in the system. Then backache, disturbed rest or that tired-out and heavy-headed feeling may soon follow. That's the time to take Dodd's Kidney Pills. Dodd's stimulates the kidneys to normal action. Then you feel better—sleep better—work better. Get Dodd's Kidney Pills now.

Interest on
Savings
increased to

2 1/2% starting September 15th

Here's good news for serious savers. For the second time since the end of July, The Royal Bank of Canada is increasing the interest rate on personal savings. As of September 15th, this bank will pay 2 1/2% a year, crediting interest every six months, on April 30th and October 31st, to your account.

Your savings will grow even faster at this higher rate—a strong inducement to build up your account by making regular, systematic deposits every pay day.

Real savers profit most. Each month, set aside a fixed amount, earmarked for your Royal Bank Savings Account, and leave it there to earn 2 1/2% interest.

There is nothing quite like money in the bank

Young Man with a Plan

One of these days, Fred's going to take over the farm. Meanwhile, he's planning, studying and working hard... learning right on the job.

Already he's learned a lot about modern farm management, and how a chartered bank can play its part in making farm living more comfortable, more profitable. He has found, for example, how useful the bank can be as a place to build up savings, to obtain credit, to seek financial advice and market information. He knows that the bank manager's door is open to everyone.

When you see a good-looking, well-run farm, chances are the farmer uses the services the chartered banks have built up for all Canadians.

Like many things, long-distance motor races had a pretty outlandish start. The car race some experts have called the toughest sports contest of all time began at New York City in 1908.

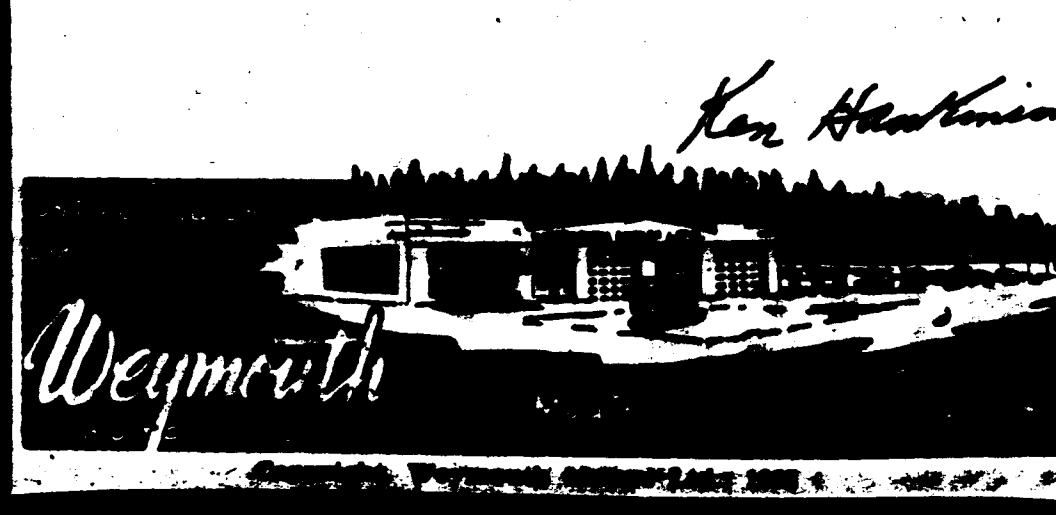

Six cars started out on a race over 13,000 miles of land and 8,000 miles of water (this part of it on ships). They were in a race westward from New York to Paris.

This was, don't forget, in 1908 and you can imagine the kind of roads they had to use. They drove across the U. S., Japan, Manchuria, Siberia, Russia, Poland, Germany and France, fighting blizzards, failures, fallen bridges, deserts and tundra.

The three French cars never did finish. More than five months after it set out, the German car reached Paris. Four days later, the American car arrived, and the Italians came in six weeks after that.

But the Germans had been given a 15-day penalty for breaking the rules, and the Americans a 15-day credit for observing them, so the Americans were declared the winners. The toughest of all races had taken them 168 days.

Such toughness was unusual in those days, but toughness is a byword of today's highly competitive car manufacturing. Durability is built into today's cars and you'll find the pick of them set out on our lot. That's the secret of buying a used car, to get the quality the maker first put into it, at a knock-down price. And that, you'll find, is what we have.

Provincial Election Date Set For Tuesday, October 30

LIBERALS AGAIN
NOMINATE CARDOZA

Victor Cardoza (above) present member of the Legislature for Digby Municipality, was again nominated by the Liberal Party on Thursday evening to contest the constituency in the next provincial election. Mr. Cardoza's nomination was moved by Harvey Chisholm, Bear River, and seconded by Ronald Morehouse, of Centreville. Mr. Cardoza, in acknowledging the nomination, reviewed the accomplishments in this constituency since his election over three years ago and said if re-elected he would continue to press the provincial government for the full measure of things desired and necessary here and make the voice of Digby heard in the Legislature at Halifax. Further improvement of secondary roads and completion of the whole of the Digby Neck highway Mr. Cardoza mentioned as two of the projects he had in mind.

Chief speaker for the evening was Premier Henry Hicks, who charged that the education policy of Opposition Leader, Robert L. Stanfield, and the Progressive-Conservative Party has been "cowardly, negative and in some instances downright destructive."

The Progressive-Conservative leader's stand was "cowardly, because he has avoided facing up to the problem of public school education brought about by the greatly expanding school population and the cost attendant thereto," he said.

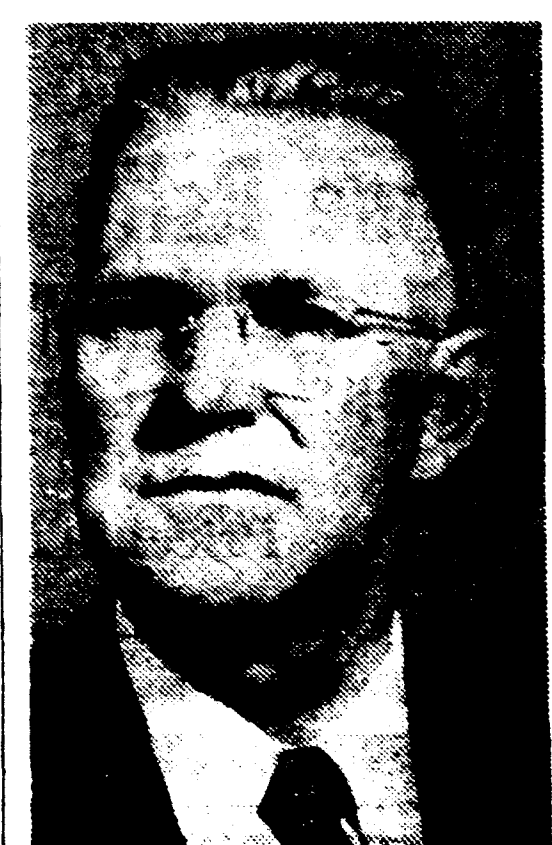

It was negative, because while criticizing every action the government has taken he has come forward with no suggestions of his own; and downright destructive in some instances where his supporters have tried to misinterpret the facts in some municipalities of the province.

At the time of the passage of the new Education Act, the Conservatives were unwilling to come out and support the legislation and at the same time did not have the courage to take a stand against it, he said.

In reviewing the school situation for the past ten years, the premier pointed out that about 45,000 additional pupils had to be accommodated, 1500 more teachers were needed and about 150 new class rooms had to be provided each year. Teachers' salaries, he said, had been nearly doubled and the quality and standard of teachers had been tremendously raised since his ministry of education. All this school expansion would necessitate increased expenditure, Premier Hicks said, but in further elaboration on education costs he said that Nova Scotia this year is paying nearly 55 per cent of education costs (66 per cent in rural municipalities), the highest of any province in Canada, with the exception of Prince Edward Island and Newfoundland where there are no municipal institutions. Today the provincial government has brought about these improvements and absorbed approximately three-quarters of the cost itself. Of the four million dollar increase, less than one million, attributable to the new Education Act, is borne by the cities, towns and municipalities, and approximately three million by the provincial treasury," he said.

Other speakers were Eric Baskin, Wolfville, Liberal candidate for Kings North; T. A. M. Kirk, M.P. for Yarmouth and Clare, and Peter Nicholson, Liberal candidate for Annapolis West.

Thursday night's meeting was presided over by the president, E. J. Theriault, who was re-

Nominated By
Clare Liberals

Dr. P. E. Belliveau, Meteghan, present Liberal member for the district of Clare, Digby County, was nominated to contest the constituency for the Liberals again at the party's nominating convention held in the Saulnierville hall last week. The nomination was unanimous.

"In Clare we have a program of roadbuilding never witnessed before, while private industries are encouraged in many ways", Dr. Belliveau said in accepting the nomination.

The loss of Premier Angus L. Macdonald to the party was a great one, but Premier Hicks was doing an excellent job, he said.

He thanked Premier Hicks for his interest in the Acadian people of Nova Scotia.

"This interest was shown during the year of the bi-centennial celebration, in which he honored us with his presence at most of our important functions", Dr. Belliveau said.

Premier Hicks continued his attack on what he termed the "cowardly, negative and in some instances downright destructive" education policies of the Progressive Conservative opposition. He launched his criticism of the Conservatives Thursday at the nomination convention of the Digby Liberal Association.

Other guest speakers included Senator J. W. Comeau, Comauville, T. A. M. Kirk (L-Clare-Sheburne-Yarmouth) and J. H. Deveau, chairman of the Clare Liberal association.

Hospital Ladies' Aid

Plans were made on Monday evening for the annual meeting of the Ladies' Hospital Aid, to be held the last Monday in October, the 29th. It was decided to hold the meeting in the afternoon at the Nurses' Residence if convenient arrangements can be made and to invite especially people from the auxiliaries who have convened booths.

On the refreshment committee for the annual meeting were named Mrs. Gladys Budrow, Mrs. Thomas Sabine and Mrs. Wallace Hodgson, and the nominating committee to bring in a slate of officers to be voted on consists of Mrs. L. F. Dolon, Mrs. M. S. Leonard and Mrs. J. M. Wallis.

The meeting, presided over by Mrs. B. D. Franklin, was held at the home of Mrs. Forest Eisener.

To Present Band
Concert

The West Nova Scotia Regiment Band under the direction of Capt. M. W. Harvey, will present a concert on Sunday evening, Sept. 30, at 8.30 in the Digby Regional High School Auditorium. The band credited as one of the top military bands in the area, has a membership of 32 and has been playing for a period between twenty to thirty years as the Middleton Concert Band and later as the army band.

The concert sponsored by the Digby Branch Canadian Legion is open to the public.

Others elected to fill the office for the coming term. Other officers elected were Harvey Chisholm, Bear River, vice-president, and Allan Byrne, Digby, re-elected as secretary-treasurer.

Ask Further
Investigation
Into Tragedy

A coroner's jury here Friday night recommended further investigation into the tragedy which took the life of Frank Edward Amero, of Plympton, whose body was found on the pavement at Plympton early in the morning of September 1st.

Among witnesses heard at the inquest were Edward Boudreau, Edward Saulnier and Walter Surrette, who told of finding the victim's body on the highway. According to the story told by the three, they were returning from Lake Doucette to Digby with a load of pulpwood at an early hour on the morning of September 1st.

At Plympton they saw an object on the pavement which the three at the inquest stated they thought to be a carton or box. The object was in the centre of the pavement and Boudreau, who was driving the truck, swerved to avoid hitting it. They said there was a heavy mist falling and the pavement was wet at the time.

After driving for some distance the three began talking about the object they had seen and decided to turn the truck around and return to see what it might have been. They drove to within fifteen or twenty feet of the object and saw it to be a man with head on the white line, feet extended toward the shore side of the highway. Two of the men, Boudreau and Saulnier, started off to find a phone to call police, leaving Surrette in the truck.

Others giving evidence included Mrs. Frank Amero, Margaret Amero and Fred Mullen, who told of the activities of the deceased earlier in the evening.

According to the evidence of Mullen, he drove the deceased to the home of Mrs. Frank Amero, about ninety-three on the evening of August 31st. He said Frank stated he was going to stay with his brother.

Clifford Amero, brother of the deceased, denied his brother had come to his house that night and said he had not seen Mullen or Margaret Amero. He said, however, his brother and another person had come to his house about 12.30 and took two bottles of wine which were on a dresser in a bedroom. He said he did not see his brother at the time but knew it was he because he was the only one who knew where to find the wine. He denied an earlier statement given police in which he claimed to have spoken to his brother while he was in his house getting the wine.

Constable Cox of the RCMP told of being called to the scene and finding the body of the deceased with the head on the centre line of the pavement, feet spread apart and toward the shore side of the road, hand extended above the head and across the white line. He said there were two bottles of wine in the pockets of the victim. They were intact and one was still sealed, the other had about three ounces remaining in it.

Verdict of the jury was that the deceased came to his death as a result of being struck by an unknown object and a recommendation was made that further investigation be conducted into circumstances surrounding the tragedy.

The jury, who turned over their fees of twenty-five cents each to a local charitable organization, also recommended that fees paid to members of Coroner's juries be increased to three dollars. Their recommendation will be forwarded to the municipal authorities.

The Digby detachment of the RCMP have asked that anyone who has any information which might be of value or use in pursuing the further investigation into the death of Mr. Amero contact their headquarters in Digby.

Entertains School
Friends

Miss Sandra Franklin entertained about twenty of her young school friends on Friday evening in honor of Miss Kaye Balser, who left this week to attend the Provincial Normal College, and Larry McNeil and Harry Thomas who will leave next week for Acadia University.

Games were played, refreshments served and gifts presented to the honored schoolmates.

Two Youths Meet
Death In Tragic
Accident

Murray Walter Ditmars, nineteen year old son of Mr. and Mrs. Joseph E. Ditmars, Deep Brook, and Blair Charles Hall, eighteen year old son of Mr. and Mrs. William Hall, also of Deep Brook, were killed Saturday evening when their car left the road at the foot of Adam's hill at the west end of the village of Deep Brook.

RCMP said the Deep Brook accident occurred when Ditmars and Hall were returning from Digby in Ditmars' car Saturday night about 11 o'clock. The car left the road on a curve, near Adams hill, careened into a power pole, hit two trees, rolled over several times and landed in a deep ditch.

The body of Hall was removed from the wreckage of the car immediately, but it was necessary to turn the car over and pull the crushed metal apart with a chain attached to a truck, before the body of the Ditmars boy could be extracted. The car was completely demolished.

Hall's brother and sister, Wayne and Donna, in a car on a nearby side road, witnessed the accident. Ditmars' father, who was in a nearby shop, was also one of the first on the accident scene.

Funeral Held

A double funeral service was held at Deep Brook United Baptist Church on Tuesday at 2.30 p.m. for Blair Charles Hall, 17, son of Mr. and Mrs. William C. Hall, and for Murray Walter Ditmars, 19, son of Mr. and Mrs. Joseph Ditmars, victims of the tragic highway accident at Deep Brook on Saturday evening, September 15.

Rev. Ernest Churchill, Digby, Padre Cox, R.C.A.F., of Greenwood, and Rev. Francis Mullen, resident pastor, conducted the service. The hymns "Some Day We'll Understand" and "Abide With Me" were rendered by the combined Baptist and Anglican choirs.

Blair was born at Roxville, Digby Co., the family moving to Deep Brook 2½ years ago, having purchased the former "Seabreeze Hotel", owned by F. Ditmars. Blair was known by his comrades as "the Mayor".

Surviving are his parents, two brothers, Wayne and Glendon, two sisters, Donna and Wanda, all at home. Mr. and Mrs. Fred Height, of North Range, Digby Co., and Mrs. C. Hall, of Roxville, Digby Co., grandparents, also survive.

Interment took place beside his grandfather Hall at Ross-way, Digby Co.

Murray was born at Deep Brook, attended the Annapolis Royal Academy, and then joined the R.C.A.F. He was spending his leave at home from Greenwood Air Base.

He is survived by his parents, one brother, Cpl. Edwin (Sonny) Ditmars, R.C.A.F., stationed at McDonald, Manitoba, and one sister, Anita (Mrs. Olin Aker), of Windsor, N. S., who both attended the funeral services. Mrs. Carrie Ditmars, grandmother, of Deep Brook, also survives.

Interment took place at Clements cemetery with fellow airmen from Greenwood presenting military honors.

Underbearers were chums of the deceased: Gerald Jefferson, Donald and Bruce Vroom, John and Ezekiel Croscup, Vaughan Henshaw, Leo and Charlie Woods, all of Deep Brook.

Sympathy of relatives and friends was expressed by the many beautiful floral tributes.

Teen Town Elects
Officers

Teen Town held its annual meeting on Saturday evening and elected the new officers for the year as follows:

President, David Bent. Vice-President, Judy Walker. Secretary-Treasurer, Donna Gillespie.

Teen Town is an organization sponsored by the Digby Branch Canadian Legion where the young people have an opportunity to watch television, engage in games, dancing, etc. Teen Towners meet every Saturday night in the Legion Hall and are chaperoned by a member of the Legion or Auxiliary. Mrs. Lloyd Hicks was chaperone on Saturday night.

Thievery Still
Going On

In broad daylight, between the hour of five and six o'clock on Saturday evening, according to information given the Courier, approximately four hundred dollars worth of tools belonging to V. P. Woolworth, contractors, were taken from a shed on the Digby Regional High School property where the company is building an extension to the school.

On the property of MacDonald Motor Co., Warwick St., about fifty gallons of gas were stolen from a tank on Friday evening and a spare wheel with tire and tube were taken.

Mark 93rd Birthday

Twenty-seven relatives and friends gathered at the home of Mr. and Mrs. Clifford Robbins, of Smith's Cove, Sunday, Sept. 16th, to join with them at the celebration of "Uncle Ed" Robbins' birthday.

Those present for the momentous occasion were one nephew, Clifford Robbins, and one niece, Mrs. Myrtle Jackson, of Deep Brook; three great nieces, Mrs. Gerald Young, Mrs. Nelson Speights and Miss Nancy Robbins, all of Smith's Cove; two great nephews, Chesley and Gladys Robbins; three great great nephews, Freddie, Ronald and Douglas Speights, and one great great niece, Miss Carol Robbins.

Others were the Baptist Choir of the local church, Mrs. Lily Weir, Digby, and Mr. and Mrs. Minard Chute, Bear River, the former having been a first cousin to the great old man of ninety-three, and Mr. and Mrs. Curtis Potter, of 150 Grove.

Many beautiful gifts and messages were sent and received, with Mrs. Myrtle Jackson presiding.

A beautiful decorated cake was presented to "Uncle Ed" by his great niece, Mrs. Nelson Speights. Refreshments were served by Mrs. Clifford Robbins at the close of the evening.

"Uncle Ed", as he is known to many, opened his many gifts and received many well wishes from those present.

Good Cheer Club
Disbands

After sponsoring what has been known as The Good Cheer room at the Digby General Hospital for the past sixteen years, the club in Digby by the same name has found it necessary to cease the sponsorship it was announced at the meeting of the Ladies' Hospital Aid on Monday evening. A sum of one hundred sixty-four dollars was handed to the Aid treasurer after its decision to discontinue the club.

The Hospital Aid meeting on Monday night voiced appreciation of the work accomplished by The Good Cheer Club and expressed regret at the decision to discontinue. Hopes were also expressed that some other organization or individual might take up the sponsorship of the Good Cheer Room.

The Good Cheer Club was organized as such in 1940 but had operated previously to that under what was commonly known as Mrs. Warne's Club. About ten women of the town met for the organization meeting and of these charter members the only surviving are Mrs. H. T. Warne, Mrs. H. L. Woodman, Edith Mullen, Mrs. Percy Wormell, Mrs. Curtis Young, Mrs. H. T. Warne was president throughout the duration of the club which was organized to work for any good purpose for the hospital. In the early years they had glassed in the porch at the hospital, bought blinds, furnished a waiting room, bought mattresses and covers and put an iron rail on the outdoor steps as well as providing many other improvements.

The Good Cheer Club not only sponsored the room which bears its name but also sponsored the Soldier's Comfort Room which is now known as the Legion Room, having been taken over by the Digby Branch Canadian Legion.

In all the years the Good Cheer Club room were kept in excellent condition and even before disbanding new furnishings were added to the room so that it might be turned over in good order.

Exhibition Attendance Hits Record

Army Officer
Addresses
Kiwanis

Making his two hundred and seventy-first speaking engagement this year, Colonel Harry Pennick, of the Salvation Army, addressed the Digby Kiwanis Club at their regular meeting on Thursday.

Colonel and Mrs. Pennick, of London, England, are making an extensive tour of Canada and U. S. A. During their thirty days tour in Nova Scotia the Colonel and Mrs. Pennick spent several days in Digby and conducted public meetings at the Salvation Army Citadel here.

Colonel Pennick had interested himself in the Kiwanis members on his experiences as General Secretary for the Salvation Army in Latvia and Estonia, and of his work in Japan, Scotland, Ireland, and England during World War II air raids.

Colonel Pennick reminded the Kiwanians of the very special opportunity they have of service to mankind as they being business men have an unusual means of contact with the man of the street as he labors for the man in business or profession. They can, he said, be of more influence than the Army or the Church in bringing to these people the religion of Jesus Christ. Like the Army, which puts service before self, Kiwanians emphasize service. Colonel Pennick stated and because of the service rendered the world is left a better place because they lived.

Colonel Pennick, who started Salvation Army service in 1905 as personal messenger to General William Booth, the founder, was introduced on Thursday by Lieutenant Clarence Bradley. He was thanked by Dr. T. W. Hodgson, who, being a native of England, was familiar with many of the places referred to by the Colonel. Dr. Hodgson presented Colonel Pennick with an International Kiwanis certificate as guest speaker at the Digby club.

It was announced that Kiwanis Kid's Day would be held on Saturday, September 22.

The meeting was presided over by the president, Dr. J. R. McCleave, and Mrs. Frank Hayden presided at the piano.

Entertains With
Slides

Slides of scenic views in Nova Scotia, Ontario, Quebec and New England States were shown on Tuesday evening at the home of Mrs. J. J. Wallis, Smith's Cove, when she entertained Misses Janet and Ruth Wallis who leave next week to attend Mount Allison University, and Mrs. Margaret Brooks and Mrs. George Weir who leave this week to spend the winter in Dutton, Ont., and Toronto. Others present were a niece, Miss "Kit" Weir, Toronto, who returns Thursday after visiting at her home in Smith's Cove for three weeks, Miss Constance Tibert, Mr. and Mrs. Ragimold Weir, Digby, and Mr. and Mrs. Stanley Hallett, Weymouth.

Attend the polls on Oct. 30th

Excellent exhibits of dairy and beef cattle featured the Digby County agricultural exhibition which opened at Bear River last Wednesday. Although fruit and vegetable displays were smaller due to the poor growing weather this summer, exhibits in these divisions were of good quality and drew praise from the judges. Household arts and school exhibits which have long been features of the Digby County fair were also well represented at this year's fair and attracted a great deal of attention and favorable comment from the large crowds which attended the afternoon's session of the fair.

A spokesman for the exhibition said that in most cases the number of entries were as high or higher than last year but that the number of exhibitors had decreased. Only in the case of swine, sheep and dairy cattle were the entries down and the reason for this was that help to gather the stock was not available.

Although judging of exhibits and other activities of the exhibition got underway Wednesday afternoon the official opening was not held until the evening. The exhibition was officially opened by Victor Cardoza, M.L.A. for Digby Municipality, who congratulated the exhibition committees for their work and paid tribute to those who had placed exhibits at the fair and were taking part in the friendly competition fostered through the exhibition.

Mr. Cardoza stated agricultural fairs provide a great stimulus to those in the farming industry to improve their produce and stock in order to meet competition from their neighbours.

He said considerable effort had been made in the province to assist the farmers in marketing and production and urged his listeners to take advantage of every opportunity available to improve their situation. "It is only through co-operation and the adoption of the most effective methods in both production and marketing that farming can be successful", he said. Farming today, he said, can no longer be a haphazard, guess work operation if the farmer is to be successful. The farm of today must be operated as a scientific business with close attention to cost accounting, production planning, market trends and all other devices which business enterprises use to make their operations successful.

Other speakers taking part in the opening ceremonies included Municipal Warden H. E. Chisholm, Max Isles, chairman of the executive committee of the exhibition, Howard Yorke, secretary-manager of the exhibition, and William LeForte, Agricultural Agent for Digby County.

The ox team of Earl Naus, of Bridgewater, was first prize winner in the special ox haul, open to contestants from all over Nova Scotia, at the Digby County Exhibition on Thursday afternoon.

Naus' team, which weighed 2,150 pounds, hauled a load of 6,155 pounds or 296. Two teams tied for second place in the contest which attracted the largest crowd of spectators to attend the fair in recent years. These were the teams of Robert Chase, of Port Williams, and Grafton White, of Yarmouth. Chase's team, weighing 3,983, pulled 10,006, for 251, while White's team, weighing 2,625

pounds, pulled 6,585, for 251. Nine teams of oxen entered the contest from Caledonia, Yarmouth, Port Williams, Bridgewater, Weymouth.

In the regular horse and ox pulls held Wednesday, Arnold Adams' horse team took first with David Height's team second. The Adams' team weighed 2,801 and pulled 4,290 for 153.

In the single horse pull Louis Gates' team took first, with Cleveland Dukeshire second. The Gates' team weighed 1,247 and pulled 4,200 for 3.68, while the Dukeshire team weighed 1,561 and pulled 4,800 for 3.13.

In the ox pull the team of D. J. Amirault, weighing 3,195, took first with 6,680 for 2.09, while Loran Wright's team took second. This team weighed 2,187 and pulled 4,480 for 2.05.

In the special horse and ox pull, entrants came from more than a hundred miles away. The oxen of Robert Chase, Port Williams, pulled, it was learned, the largest load on record, over five tons on a drag. Judging was done on the pound for pound haul.

Attendance at this year's Digby County Exhibition, it is understood, exceeded that of last year with seventy dollars more being taken in by way of admissions on the opening evening and over three hundred dollars more gate receipts for the whole exhibition. With the attendance last year being the highest for 15 years, the Exhibition Committee expressed great satisfaction at the present year's still greater attendance.

They were warm in their praise for the cooperation received both by the helpers, exhibitors and spectators and expressed sincere thanks to all.

Digby Airman
Returns Home

Flight Cadet F. R. (Frank) Jefferson, son of Mr. and Mrs. Lloyd Jefferson, of R.R. No. 2, Digby, N. S., having completed his summer tour of overseas duty with the RCAF at Fighter Wing in Marville, France, in conjunction with the RCAF's University Reserve Training Plan, recently departed for Canada and home aboard an RCAF Service Aircraft from Langar, England.

Frank, who was taking contact training in the Armament Systems Branch will return to his studies at Dalhousie University on his return to Canada.

Collide On Bridge

A head on collision resulted on Sunday afternoon when a car, driven by Nathan Francis, Conway, and a car driven by John Milbury, Bridgetown, met on Joggins Bridge.

No injuries were received by the parties concerned, but both cars were badly damaged, with the damage to the Francis car estimated at \$800.00.

About This and That

Safety In The Woods

In some manner they erred. That is about all that can be said of those responsible for the 19 deaths and 11 injuries which resulted from hunting accidents in Nova Scotia last year. It is human to err but it is a sorry commentary when lives are taken as a result of ignorance or carelessness which might have been remedied.

With another hunting season rapidly approaching it is well to ponder seriously the dangers involved and every effort advanced to educate would-be hunters in the careful handling of weapons. It is none too early to begin talking "Safety in the Woods" now. Sporting clubs along with the Department of Lands and Forests are taking a step in the right direction when they sponsor hunting safety courses. For the would-be hunters among our readers who will not have an opportunity to take advantage of these courses in the proper handling of firearms, we repeat the ten recommended safety rules:

1. Treat every gun with the respect and care due a loaded weapon.
2. Make sure guns are unloaded before being taken into a home, camp or vehicle.
3. Be sure the barrel of the weapon is free from any obstruction, and that the safety catch is in proper working order.
4. Always carry the gun so that you can control the direction of the muzzle even if you should stumble.
5. Never point your gun at anything you do not want to shoot.
6. Never climb a tree or a fence while carrying a loaded gun.
7. Do not shoot a bullet at a flat or hard surface, or the surface of water. If shooting at a target, make sure the background is adequate.
8. Never mix alcohol with gunpowder. One drink may mean the difference between a happy trip and a fatality.
9. Wear bright colored clothing when hunting.
10. Be positively sure the target you are aiming at is game.

Fall Fairs

Fall Fairs throughout the province are practically over. The Digby County Fairs are over and have proved for the most part successful. Keen interest was again taken in the horse and cattle pulling contest and the vegetables, fruits, flowers, cooking, needlework and other arts and crafts on display indicated that some people still take an enthusiastic interest in this type of work and enjoy the friendly spirit of competition associated with its preparation for the Fairs.

Fall Fairs and Exhibitions are worthwhile. The competitive atmosphere created should stimulate a desire for excellence or perfection in display, resulting in better kept cattle, a better growth of vegetables, fruit, and flowers. The art of home cooking, needlework and other arts and crafts by the school children and adults should reach a higher degree of excellence because of the Fall Fairs. True, this does happen. Those who visited the Bear River Exhibition and the Maple Leaf Association Fair at Conway saw some excellent displays in all departments.

But were there enough entries? Or more precisely, did the displays represent a fair percentage of the people in the area covered? One line of exhibits in particular comes to our minds when thinking of the percentage of exhibitors. Were there enough exhibitors in the vegetable line? There seemed to be too few exhibitors entering vegetables, when the Fair area covers such a large and fine farming district.

Fall Fairs, to make them really successful, must ever be on the lookout for new and better attractions. Otherwise, people will weary of habitual attendance. To make them successful the conveners of the fairs have to begin planning immediately for the next year. But the heads and conveners, alone cannot make Fairs successful. Full co-operation of all the people in the area is necessary. The Fair is not a responsibility of the convener alone. The Fair should be the responsibility of everyone in the area. The Digby County Exhibition is held in Bear River but it is a County Exhibition and therefore should be pushed by all within the County. The same is true of the area covered by the Conway Fair.

Exhibitions and Fall Fairs are worthwhile institutions to keep alive, to revive, revamp where necessary, and enlarge. Think out the benefits and merits of County Fairs during the coming winter and prepare for an even better and more widely represented show than ever, next fall.

Red Cross Societies Campaign For Highway Safety

The West German Red Cross has called for all new automobiles to be delivered complete with a first aid kit. In a program to combat road injuries, it is also campaigning for first aid instruction for every driver and proposes that insurance companies refuse protection to people not trained in first aid.

The American Red Cross is also campaigning in an effort to assist in reducing the toll of highway accidents, which annually cause 36,000 deaths and one-and-a-quarter million injuries. A new course for licensed motorists to help them become safer drivers will be offered to the public. The 6-hour course originally was developed by the American Red Cross, with the assistance of the American Automobile Association, for newly recruited Motor Service volunteers, and until recently was open only to those who wished to volunteer their services through the Red Cross. The course will now be open to all persons officially licensed to drive; its object is to help individuals attain greater safety on the highways. It is not designed to teach beginners how to drive. Some of the topics covered in the driver education course are: the effect of personal characteristics on driving habits; the relation of the driver's physical fitness to safety; local traffic problems; stopping distances and factors of speed and driver reactions that affect them. American Red Cross chapters will recommend that persons enrolling in the course also take the standard Red Cross first aid course, first, to help make them more safety conscious and second, to enable them to give emergency first aid care if they encounter accidents along the highway. — News of Red Cross.

A Valuable Find

Under the above heading the Truro News published a letter from R. R. Mack, who is spending a vacation at Sandy Cove, Digby Neck. In which he states, that a man by the name of Maynard Cossaboom with whom I am well acquainted, son of a widow residing about Digby road made a valuable find a few weeks ago.

While attending his lobster traps on the Bay of Fundy shore he observed a peculiar looking object floating in the water, different from any he ever saw there. Before removing it from the water he found it to be a substance of a waxy nature, rather dark in color, streaked with black, yellow and gray. Thinking it might be used to oil his fishermen's boots with, he started to carry it home. But as it was about the size of a large water bucket and some twelve pounds in weight he tossed it into the bushes and only carried a small portion home with him. This sample on being shown to different parties was laughed at as worthless by some, others said it might be ambergris. A sample was sent to Boston, and on examination by an expert was pronounced genuine ambergris and worth forty-five dollars an ounce. Mr. Cossaboom intends taking his valuable find to New York and the proceeds will probably prove an inestimable boon to the good widow and her son.

Grave in Potato Patch

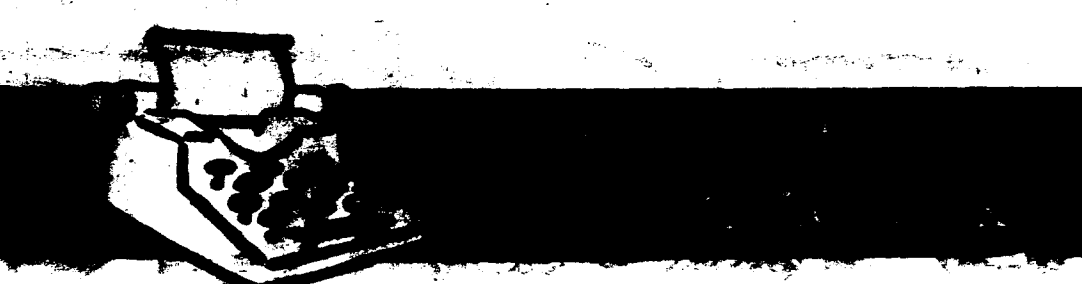

A dispatch says a manufacturer doing business west of Middleton has purchased a strip of land recently, nearby a graveyard. In running out the lines proper care was not taken and part of the graveyard was staked off. The whole plot was plowed up and planted to potatoes. Some relatives of a deceased lady that was known to have been buried in the vicinity, came home a few days ago and paid a visit to the spot where they felt sure the grave was. It is not easy to imagine their horror when the parties became convinced that the resting spot of a loved one was found to be in the middle of a potato patch. One of the ladies present burst into tears and sobbed, "This is an outrage." The matter is being kept as quiet as possible, but may lead to further notice.

Fat Man in Close Race with Turtle

Palm Beach, Fla., Mar. 20. — John Jordan weighing 250 lbs., a brother-in-law of William J. Connors, of Buffalo, was chased today by a sea turtle weighing 450 lbs. the difference in weight being in favor of the turtle. Mr. Jordan is not being twitted for having run away; rather he is being congratulated on his escape.

He was bathing one hundred feet from shore in front of the Connors' cottage where a huge black head with rolling eyes rose near him. With a yell Mr. Jordan made a dash for the shore. With one sweep of its giant flukes the turtle was at his heels as he dashed across the sands. Mr. Jordan shouts had attracted other bathers, as well as two Japanese servants and a chauffeur from the Connors' cottage. By the time these had arrived the turtle was still looking for its quarry.

Sticks were held out to the turtle and the way it snapped them into splinters in a twinkling warned every one to be wary. A rope was brought at

Community Resources for Civil Defence

Twelfth in a Series of 24 Articles
What can a small town, with its small population and limited resources, do to defend itself and help defend the rest of the country against disaster, nuclear or natural? The answer is "quite a bit".

Federal civil defence planners, whose job it is to work out and guide into the operational stage a disaster plan for the whole country, say that a small town or community needs an executive committee composed of the reeve and two or three responsible officials to lay down policy, a director and a small planning committee.

These committees are made up of the people who head the various services such as welfare, health, police, fire communications and others whose knowledge makes them valuable to civil defence planning.

Since the role of most small towns and villages would be as reception areas for evacuees

from cities, their plans should be worked out with this role in mind. The women's organizations in the churches, for example, should be trained and ready to provide food for large numbers of refugees from a city hit by an H-bomb. This same preparedness, of course, could be applied to feeding large numbers of persons made homeless suddenly by a flood or a tornado or a landslide such as the one last fall that carried parts of Nicolet, Que., into the river.

The welfare of people includes providing them with a place to sleep. A small town's plan should include a survey of the sleeping space available, remembering that in an emergency people can sleep in barns, lofts and garages as well as the guest room.

A small town's civil defence plan, therefore, must require stockpiling at a central point

OBSERVE WEDDING ANNIVERSARY

About forty-five friends from North Range and Bloomfield were present at the home of Mr. and Mrs. Reg Andrews, North Range, on Thursday evening, Sept. 6, when a surprise party was held in honor of Rev. R. R. and Mrs. Winchester, the occasion being their 12th wedding anniversary.

After an evening of singing and chatting the guests of honor were led to the dining room where the table was laden with miscellaneous, useful gifts. After the gifts had been opened Mr. and Mrs. Winchester expressed their appreciation in a few well chosen words. Refreshments, including an attractively decorated bride's cake, were served.

Mr. Winchester has been serving this community as pastor of the United Baptist Church for the past three years. Congratulations and good wishes are extended to the bride and groom of twelve years from a host of friends.

Harmony, that was it! That was what came out of the silence — a gentle rhythm, the strain of a perfect chord, the music of the spheres, perhaps. — Richard E. Byrd.

School Telecast

CBC Television, in conjunction with the National Advisory Council on School Broadcasting, has recently completed their second series of in-school television broadcasts. These were heard, over 29 TV stations, by an estimated 750 schools across the country. Here, Percy Saltzman explains the workings of the modern telephone on one of these school broadcasts.

MARRIAGE

Daley — Theriault

A pretty wedding was solemnized at Trinity Anglican Church, Digby, on Saturday evening, September 8th, at 7:30 o'clock, when the Rev. H. Y. MacLean, rector of the church, united in marriage Inez Marie, only daughter of Mr. and Mrs. Gordon Theriault, of East Ferry, and Richard Wiswell Daley, eldest son of Mr. and Mrs. David Daley, of Digby.

The church was beautifully decorated for the occasion with white gladioli and other summer flowers. Organist was Mrs. Harry O. Turnbull. The church choir was in attendance. A beautiful rendition of "O Perfect Love" was given by Mrs. H. Y. MacLean during the signing of the register.

Given in marriage by her father, the bride was charming in a white strapless ballerina length gown of nylon lace and net over satin. Appliques of lace and sequins trimmed the full skirt and the matching lace jacket featured a tiny Peter Pan collar and lily point sleeves. Her shoulder length veil fell from a tiara of seed pearls and she carried a semi cascade bouquet of better time roses mingled with stephanotis. She wore tiny pearl earrings and diamond set watch, gift of the groom.

The bride was attended by Miss Patricia Kearns, Annapolis, as maid of honor, who wore a mauve ballerina length gown of taffeta and net with matching headress of net and iridescent sequins, and carried a colonial bouquet of cressendo and blue chip mums and orchids.

Bridesmaids were Miss Myra Theriault and Miss Ella Harris, East Ferry. They wore similar ballerina length gowns of nylon net over taffeta in pastel shades of yellow and turquoise with matching headresses of net and iridescent sequins and carried colonial bouquets of cressendo and blue chip mums and orchids.

Little Misses Laura and Peggy Daley, sisters of the groom, were winsome flower girls in identical dresses of pastel pink and blue nylon with matching headresses, and carried colonial bouquets of pinocchio mums and orchids.

The groom was supported by his brother, Douglas, as best man, and ushers were Paul Morehouse, uncle of the groom, and Douglas McClafferty.

Mrs. Theriault, mother of the bride, was attired in a beige street length dress with pink hat and accessories, and wore a corsage of pink carnations.

Mrs. Daley, mother of the groom, was attired in a navy street length dress with white hat and accessories, and wore a corsage of pink carnations.

Following the ceremony a reception was held at Hotel Champlain for some 175 guests. Serving were Mrs. Clifton Frost, Mrs. Newcombe Harris and Mrs. Frederick Horner, assisted by several girl friends of the bride. The toast to the bride was proposed by Guy E. Morehouse, grandfather of the groom, and graciously responded to by the groom. Mrs. Paul Morehouse was in charge of the guest book.

After a honeymoon trip over the Cabot Trail the popular young couple will take up residence in Stephenville, Newfoundland, where the groom is employed with United Construction and Trades Ltd. For travelling the bride wore a blue and yellow flecked tweed suit with yellow and navy accessories and wore a corsage of yellow orchids.

The groom was a student of Digby Regional High School and is a certified electrician. The bride is a graduate of Saint Patrick's Business College and prior to her marriage was employed by Foulis Engineering and Sales Ltd., Halifax.

The young couple were recipients of many beautiful and useful gifts.

Out of town guests included: Mrs. E. A. Gardner and son, Leon, Windsor, Ont.; Mrs. Christine Moore and daughter, Sylvia, Somerville, Mass.; Mrs. Marjorie Nodding, Black's Harbor; Mr. and Mrs. J. A. MacLellan and family, Dartmouth, N. S.; Mr. and Mrs. Charles Forbes, Truro, N. S.; Mr. and Mrs. Ralph Thompson, Bass River, N. S.; Mr. and Mrs. Harry Daley, Yarmouth, N. S.

W.M.S. MEETS AT NORTH RANGE

The W.M.S. held its September meeting at the home of Mrs. George White recently.

Plans for the fall activities of the Sewing Circle were discussed. Mrs. R. R. Winchester gave an interesting report on the U.B.W.M.U. Convention at Wolfville, also reported that Dr. Daniels would be showing films in the Baptist Church on September 21st.

MUNICIPALITY OF THE COUNTY OF DIGBY

Tenders for Construction
of a Consolidated School at Sandy Cove, N.S.
a Consolidated School at Weymouth, N. S., &
an Eight Stall Garage at Digby, N. S.
for the Municipality of Digby

Bidders are asked to submit a one lump sum tender to include all three buildings.

Sealed tenders marked on the outside "Tender for Digby County Schools" will be received by the Architects at their Wolfville Office, up to Noon on Monday, October 1, 1956, A.S.T., for the construction of the above mentioned buildings.

Tender forms, instructions to bidders and copies of plans and specifications may be obtained after September 18, 1956, at the Wolfville Office of the Architect by responsible General Contractors upon deposit of \$100.00 for each set of plans and specifications.

Plans may be seen with the Municipal Clerk at his office in Digby, and at the offices of the Architects, in Halifax and Wolfville. A certified cheque on a chartered bank for an amount equal to ten per cent of the amount of the tender and made payable to the Municipality of Digby must accompany the tender. The lowest or any tender not necessarily accepted.

CARS ARE MY LIFE

by Ken Hankinson

An automobile engineer recently figured out that if cars today were built with the tools and methods of 1910, but at today's labor and material costs, a medium-priced car would sell for more than \$60,000.

That's just one way of measuring the wonderful progress that's been made in the automobile industry. Without that struggle for advancement the auto industry might well have killed itself with \$60,000 cars.

What you get for your money at today's prices is astonishing.

Today's cars have more than 15,000 parts, the electric system leading the way with 8,000 separate parts. Many cars use 7 miles of wire to link this all together.

There are more than 400 springs of 175 different kinds in an average car; the two coil springs in front are the largest, the springs in the carburetor are the smallest.

With all the planning and engineering that goes into cars, I always shudder at the driver who thinks his car is fine as long as it moves. You'd be surprised how many seemingly careful, conscientious drivers there are like this.

Medical science has prolonged the life of man by I don't know how many years and a good mechanic can do the same for your car. You may not want to keep your car for 70 years but when you're selling it one of the best advertisements will be: it was serviced regularly by the same mechanic. A regular servicing program can save you money, and we'll be glad to show you how.

There ARE ways to stretch your gas mileage, but it's mainly up to you; a few hints next week.

OBITUARIES

J. Hennigar DeLong
On August 22nd, 1934, there passed away J. Hennigar DeLong, at his home in Forestdale, Mass. A native of Nova Scotia, born in New Germany, Lunenburg Co., he was a son of the late J. B. DeLong and Hannah Crandall DeLong. He was 89 years old.

Going to Massachusetts when he was 19 years of age, he made his home on Cape Cod, a carpenter by trade. A member of the United Church, he was honored and respected by all who knew him.

He is survived by one brother, W. W. DeLong, of Weymouth, two daughters, two sons and a number of grandchildren.

SETS UP OFFICE
Dr. Llewellyn Thomas, Islands doctor, is preparing an office at Mr. Dean Pugh's for the convenience of the Westport residents. He will be in the village three mornings each week.

Dr. Thomas has his own conveyance from Freeport to Westport in suitable weather. He has a ten foot outboard motor well equipped with compass, anchor, oars, etc. This is very convenient as most homes are near the waterfront and the doctor is able to get to his destination in short time.

CRICKET ANYONE?

Fishermen who begrudge the effort involved in catching live crickets for bait can buy a quart of them, by mail, from a Georgia cricket farm.

We learn that it takes fifteen days for cricket eggs to hatch, eight weeks for the insects to grow to bait size. We note, too, that the breeders where they live about in 85° temperature, lapping up chicken mash, are made of aluminum. But we confess we're not too surprised. It simply means that this busy metal has found still another use in the busy housing industry — this time providing clean, warm, pleasant quarters for aristocratic crickets. You see aluminum everywhere these days!

Bear River Native "Hit" Of Art Show

Laurels have come to Rowley, Mass., twice during the Newburyport Art Association exhibit at the mall. A record has been established at this show which closed on Labor Day.

James McCormick, of Burke Avenue, Rowley, participating in this show for the first time, has the distinction of having two paintings sold there and for having the greatest price for one picture within the history of the show.

Joseph Dodge, former president of the association, and himself an exhibitor of water colors, was quite elated over the McCormick success and commented "this puts Rowley away up in the brackets."

McCormick, for many years Rowley's barber, retired because of illness several years ago. It was during his long recuperation that he began painting as a hobby. He has had no instruction — "just picked it up."

In the past few years he has executed 200 landscapes, 55 of which have been sold.

At first, paintings went to friends and relatives. Later, friends told friends of his work and then strangers frequented his home on Burke Avenue. He has four paintings in Ontario. His large 24x30 inch work acclaimed at the show, was painted from what he recalled of his boyhood home at Bear River, N. S., in a Victorian frame of mahogany entitled "Memories of Bear River."

To replace a picture at the show, Mr. Dodge came to the McCormick home and selected another entitled "Morning in the Valley," with its hills reflected in the water. This immediately found a purchaser.

His health considerably improved, Mr. McCormick has again found himself to be the only barber in town. His business keeps him occupied, leaving little time for his hobby. He hopes to do more with his painting in the fall and winter months.

(Mr. McCormick is a brother of Mr. Earl McCormick and Mrs. Howard Cress, of Bear River.)

Cutting limits specified are diameter measurements made inside the bark one foot above the ground.

Except where otherwise stated the cutting limit for spruce and pine is fourteen inches on the stump. Fir and hardwood may be cut without limit, except where otherwise stated. No stumpage shall be cut within a distance of one hundred thirty-three feet from the centre of any public road or one hundred ninety feet from the margin of any lake. Tenders should state the rates willing to be paid per thousand feet-board measure New Brunswick Log Scale, or per cord as the case may be. A standard cord is taken as 128 stacked cubic feet.

The figure following the stumpage quantities indicate the lowest bid per thousand or per cord that will be considered. No tender will be considered unless accompanied by a CERTIFIED CHECK for the sum of one half the estimated stumpage dues, unless otherwise stated.

Successful tenderers will be required to furnish a surety bond covering the remainder. License will cover a period not exceeding two years. Cheques will be returned as promptly as possible to all unsuccessful tenderers.

If any holder of a timber license should for any reason, not carry out cutting operations under such license, a sum not exceeding \$200.00 of the statutory deposit made thereon shall be retained by the Department of Lands and Forests to defray expense incurred. White Print Copies of plans showing location of parcel will be supplied on receipt of the sum of \$1.50 by the Department of Lands and Forests, Provincial Building, Halifax, Nova Scotia. The highest or any tender not necessarily accepted.

Tenders are to be submitted on Tender Form available from District Forester's Office.

OBITUARY

Mrs. Harry Wallis

Funeral services were held Sunday afternoon at Clearlake Highlands Community Church for Mrs. Elizabeth Roxanna Wallis, a resident of Clearlake Park for 32 years, who was fatally injured Friday morning when her parked car ran away on property of Dr. A. D. Bohrer, on Cache Creek.

Mrs. Wallis, wife of Capt. H. Wallis, resort owner and retired sea captain, had driven there to keep an 11 a.m. appointment for treatment by Dr. Bohrer.

Mrs. Wallis was a Past Matron of the Eastern Star, a member of the Rebekahs and of the Auxiliary of the American Legion.

She was born March 26, 1880, at Yarmouth, Nova Scotia, and so was 76 years old.

In addition to her husband, she is survived by two sons, James W. Wallis, of Kansas City, and Harry C. Wallis, of Oakland, and one daughter, Mrs. Robert G. Clos, of Oakland.

There was only one eye-witness of the fatal accident, 10-year-old Neil McCosker, who was about 150 feet from the car in the yard of his home.

Young McCosker said that when the car, parked on a steep slope, started to roll backward, Mrs. Wallis was thrown against a tree and plunged back on the driveway pavement. He did not see the car roll over her.

However, investigation said that the fact that the bones in her face were broken and her chest crushed indicated that a front wheel of the car had run over her.

The emergency brake was out part way, and it was believed that Mrs. Wallis tried to stop her car by reaching in to pull the brake further, that the front door struck her and flung

MARRIAGE

Scott — Perry

A pretty autumn wedding was solemnized on Saturday afternoon, September 15th, at 3 o'clock at the home of Mr. and Mrs. K. G. Eisner, Windsor, when Barbara Ruth Ellen Perry, only daughter of Mr. and Mrs. Hugh D. Perry, became the bride of Robert Howe Scott, son of Mr. and Mrs. Charles H. Scott, of Lancaster, N. B.

Tall white standards of pastel shaded gladioli provided a beautiful background for the ceremony which was performed by Rev. Donald Martin, pastor of the Windsor Baptist Church.

Miss Gwen Kerr, R.N., of Milford, played the wedding marches and accompanied Miss Neva Eisner who sang "Till Walk Beside You" during the signing of the register.

The bride was lovely in a ballerina length gown of pale blue crystal charm with a head dress of same, which held in place a shoulder length veil of blue nylon illusion. She wore brocaded slippers. Her necklace was a single strand of pearls, and she carried a cascade bouquet of pink sweetheart roses.

Due to the illness of the bride's father, she was given in marriage by her uncle, Karl C. Bishop, of Fredericton, N. B.

Miss Martha Parsons, R.N., of Saint John, was bridesmaid. Her gown was of pale yellow chiffon. Her small hat was of

her under the wheel.

The car made a sharp turn and stopped undamaged in a hedge. Mrs. Wallis was believed to have cramped the wheel by her efforts.

Young McCosker's call brought Dr. Bohrer, who in turn called Dr. S. Paul Funkhouser, county health officer, who summoned an ambulance. Mrs. Wallis died on the way to Lakeside Hospital.

green trimmed with iridescent sequins and her matching slippers were of green brocade. She carried an arm bouquet of yellow and rose colored gladioli. The groom was attended by his brother, Sandy Scott, of Lancaster, N. B.

Following the ceremony a reception was held for 40 guests, relatives and close friends of the bride and groom.

Receiving with the bridal party were the bride's mother and the parents of the groom. The bride's mother wore a navy blue street length sheath dress with short loose matching jacket which was lined with rose and white print. Her hat and gloves were of dusty rose, and she wore a corsage of rose colored snap dragon.

The groom's mother wore a dark blue street length dress with black velvet picture hat. Her corsage was yellow snap dragons.

The dining room was beautifully decorated with yellow and white gladioli and blue bachelor buttons and the bride's table was centred with a three-tiered wedding cake and tall white tapers in silver holders.

Miss Belle Howe, R.N., of Lancaster, N. B., aunt of the groom, presided at the tea service, and friends and classmates of the bride served the guests.

Following the ceremony Mr. and Mrs. Scott left for a motor trip to New Brunswick. For travelling the bride chose a

hand woven blue tweed suit worn with a royal blue fur felt hat and beige accessories.

The bride, who is a graduate of Bridgetown High School and the Saint John General Hospital, has been on the staff of the Victoria General Hospital, Halifax, for the past two years.

The young couple will reside in Halifax where the groom is attending Dalhousie University and will receive his degree of B.Sc. in Civil Engineering in the spring.

Out of town guests included: Mr. and Mrs. Charles Scott, Mr. and Mrs. Sandy Scott and Linda, Miss Belle Howe, R.N., and Miss Martha Parsons, R.N., of Lancaster, N. B.; Mr. and Mrs. Russell Evans, Mr. and Mrs. Karl C. Bishop, of Fredericton, N. B.; Mr. and Mrs. Aubrey Newcombe, of Middleton; Mr. and Mrs. Clifford Bishop, Mr. and Mrs. Paul Bishop and Miss Hilda Bishop, of Somerset, N. S.; Mrs. A. N. Perry, Kentville; Mr. and Mrs. Don Perry and Elizabeth, of Lake George, N. S.; Miss Gwen Kerr, R.N., of Milford, N. S.

The bride is the granddaughter of the late Rev. F. E. Bishop, D.D., a former pastor of the Digby United Baptist Church.

There's music in all things if men had ears: their earth is but an echo of the spheres. — Byron.

SCHOOLS OPEN AT WEYMOUTH

The Weymouth Consolidated School opened its first fall term on Sept. 5th when the teachers attended institute in Digby and in Weymouth the following day. On Friday approximately 400 students registered, although due to a heavy downfall of rain, more were expected to register throughout the week.

The consolidated area includes all grades from Weymouth, Weymouth North, Ashmore and Gilbert's Cove. Also grades 7-12 from Southville, Danvers, Riverdale, Municipality of Clare; all grades from Harlem, and grades 7-12 Havelock.

When the original arrangements were made the new building was to be completed for the fall term, but due to unforeseen circumstances the building has not yet been started. Unfortunately this has necessitated a temporary accommodation of students and classes are being held in Weymouth Academy, Weymouth North School, Guild Hall at Weymouth North, Ashmore and Gilbert's Cove schools.

Half sessions for grades primary, one, two, three and four have also been necessitated with a division of grades four and seven due to large enrolments.

Men's Meeting Well Attended

The monthly meeting of the Christian Men's Fellowship, held at the Church of Christ (Disciples), Weymouth, on Sept. 3rd, was one of the largest attended meetings of the Fellowship since its beginning some two years ago.

The president of the group, Thurston Mullen, opened the meeting with greetings, extending a special welcome to the ladies who were invited to attend, also to those men who came to take part in the meeting. Following the singing of a hymn, the evening prayers were offered by Gordon Prime and William Barr.

The brief business period followed, and the offering received. Offerings of this group are used to make boxes of food and fruit to give to needy families, or to one who is ill. Quite a number of these have been given out during the two and a half years the group has been active.

The devotional programme was led by Wilfred Cosman, opening with an appropriate hymn and responsive reading from the psalms.

The Men's Group from the Little River Baptist Church, the Men's Group from North Range Baptist Church, the Weymouth Falls Quartet, and the local Men's Group each rendered four sacred selections in solos, duets, quartets and choirs. This programme of music was much appreciated by those in attendance.

Rev. Kenneth Sullivan, minister of the Nazarene Church in Providence, R. I., brought a brief but forceful message concerning music during the programme.

Rev. J. A. Carr, minister of the Fellowship Group, spoke briefly at the close of the programme, extending words of appreciation to the men who came and took part.

Following the closing hymn, Harry J. Lewis offered the prayer of benediction.

These meetings are held the first Monday of each month. The October meeting will be held in the Church of Christ (Disciples), South Range, N. S. All men are invited to attend.

HOLD FAMILY REUNION

The home of Mr. and Mrs. Elijah H. Wagner, Weymouth North, was the scene of a happy family re-union on Tuesday evening, Aug. 21. Their four daughters: (Bessie) Mrs. Frank Lewis, Weymouth North; (Helen) Mrs. Bill St. John, Toronto; (Glenice) Mrs. Kenneth Sabean, New Tusket; (Barbara) Mrs. Jack Nesbitt, Weymouth North, and their four sons: Donald, Weymouth North; Howard, Weymouth; and Harry and Avar, of Toronto, were all home together for the first time in several years. Their husbands and wives and the twelve grandchildren were also present to make up the family gathering.

Photographer Dan Fields took several pictures of the family group, then they enjoyed an old-fashioned sing-song, after which the serving of refreshments closed a pleasant evening.

Josephine LeBlanc, of Halifax, spent the weekend at home.

The Weymouth-Ashmore United Baptist W.M.S. met at the home of Mr. and Mrs. Merle Mullen on Tuesday evening with the president, Mrs. Wm. Lent, in the chair.

WEYMOUTH LEGION MEETS

The Weymouth Branch No. 67, of the Canadian Legion, B.E.S.L., held a special meeting on Monday evening in the Legion rooms. John A. Comeau was presiding officer in the absence of the president, Philip LeBlanc, who is presently in Camp Hill Hospital.

All veterans were invited to this meeting which was to consider the membership drive, poppy campaign and a Halloween party for children of the community. Attendance was good. This was the opening of the membership drive which will continue throughout the year.

The need for more members was highly stressed if the Legion was to continue as an active organization for the benefit of the community. Members of the Legion feel the need of more help if they are to continue the work, especially for the children, which has formed a large part of their former activities. It is felt that the sacrifice of time and talent given today is small in comparison with the sacrifice of comrades who gave their lives.

The meeting was highlighted by the presentation of the Past President's Medal to the immediate past president, Richard Gaudet.

It was decided to continue the poppy campaign as in former years. The party for the children will be held but the date set at a later date. Games, movies and refreshments will complete the program.

Mr. Donald Pugh, of Halifax, spent part of his vacation in Weymouth and vicinity.

Miss Beatrice Nute returned after visiting Mr. and Mrs. Edie Addington, Little River.

Sports Car Breaks 63 Speed Records

KEN MILES OF LOS ANGELES, California and Johnny Lockett of Claverdon, Warwick, England, (left to right) beside the streamlined MG sports car which they co-piloted to 16 new International and 48 American Class F records on the 10 mile circular course laid out on the Salt Flats at Bonneville, Utah. The little 1489 CC. 4 cylinder car performed brilliantly for 12 straight hours covering 1700.57 miles at an average of 141.71 MPH for the run. This includes stops for mechanical check up and refueling. Gasoline performance averaged better than 25 miles per gallon. The chassis of the MG is basically standard, as are suspension, wheels, brakes and steering. The engine is not supercharged.

WEYMOUTH H. & S. RESUMED

An executive meeting of the Weymouth area consolidated Home and School Associations was held last Tuesday evening with president, Albert Jones, in the chair. It was decided that the opening meeting would be held on October 9th at 8 o'clock in St. Joseph's Hall, at which time there will be regular business, including a roll call of sections and an enrollment of new members.

The supervisor of schools will be present at this meeting and the teachers introduced to enable all present to talk freely and discuss problems with the teaching staff. Guest speaker at this meeting will be Baden Powell, of Plympton.

It is urged that all areas have as many representatives present as possible. Refreshments will be served at the close by the Weymouth group.

W.M.S. Meets

The Little River W.M.S. held its monthly meeting at the home of the president, Mrs. Austin Denton.

The meeting opened with the hymn "Jesus Calls Us", followed by prayer, led by Mrs. C. T. Olmstead, with the Lord's Prayer in unison.

The scripture reading, John 15:1-8, was read by Mrs. Eldred Frost and the devotional was given by Mrs. Ainslie Tidd. A duet, "Wonderful Word", was rendered by Mrs. Lindsay Raymond and Mrs. Edgar Trask.

After the business period Mrs. L. B. Collins and Mrs. C. T. Olmstead gave an interesting talk on "Work on the Mission Fields".

Refreshments were served by the hostess at the close of the meeting.

TIVERTON H. & S. MEETS

Tiverton Home and School Association opened their fall session on Sept. 13th. During the business meeting plans were discussed for providing singing classes for the school children and a sewing class for parents. Preparations are being made for entertaining the Digby County Home and School Council at their fall meeting on October 19.

Mrs. Lindsay Outhouse presented a programme on the Objects of Home and School. Readings were given by Mrs. Thurston Ossinger, Mrs. Leonard Small, and Mrs. Lawrence Outhouse, followed by a mixing game. Pairs of members then considered each of the eight Objects of Home & School and gave their ideas on how they might be carried out.

MARRIAGE

Rogers — Harris

A lovely wedding was solemnized in St. Thomas' Anglican Church, Weymouth, on Saturday, Sept. 15, at 3:30 p.m., when Anna Ruth, only daughter of the late Mr. and Mrs. Reynolds Harris, was united in marriage to Roderick MacLeod Rogers, son of Mrs. Rogers and the late Hon. Norman MacLeod Rogers, of Port Wade, Rev. D. F. L. Trivett, of Sackville, N. B., officiated and Mrs. Laleah Marshall played the wedding music. The church was tastefully decorated with white mums on the altar and pink and white gladioli and mums in the chancel. The guest pews were marked with white satin ribbon and pink gladioli with white chrysanthemums. During the signing of the register Miss Joan Baxter, of Moncton, N. B., gave a beautiful rendition of "O Perfect Love".

The bride entered the church on the arm of Cerezo G. Jones, who also gave her in marriage. She looked radiant in a gown of ivory velvet, princess style, with short train, sweetheart neckline and long tapering sleeves. Her veil was finger-tip length, and an heirloom, made of carickmacross lace, which fell from a small cap of ivory velvet. She carried a bouquet of pink and white sweetheart roses.

Margaret Grant, of Weymouth and Halifax, was maid of honor, and Barbara Smith, of Halifax, was bridesmaid. They both looked charming in identical dresses of moss green velvet, street length, cut on princess lines, with three-quarter length sleeves. They wore feather hats and shoes to match, with short white gloves and carried bouquets of pink and white asters.

W. J. Grant, of Weymouth and Truro, was best man and Ian Palmeter, of Halifax, Neil McLeod, of Summerside, and Jack Rowe, of Halifax, were ushers.

Following the ceremony a reception was held at "Glen Fergus", home of Dr. and Mrs. E. A. Fergusson at Weymouth North. Receiving with the wedding party was the bride's aunt, Miss Helen Journeay, Halifax, who was attired in a gown of wedgewood blue crepe with pink and silver hat and accessories. Her corsage was of white roses.

The groom's mother, Mrs. Rogers, of Port Wade, was becomingly dressed in light blue sheer with black feather hat and accessories. Her corsage was of white gladioli.

The toast to the bride was proposed by A. T. D. Aubin, of Halifax. The rooms were decorated with multi-colored gladioli and the bride's cake topped with sweetheart roses.

For travelling the bride chose a chocolate brown suit, gold blouse and rust velvet hat, with tan accessories. Her corsage was of bronze mums. They left the reception for Cape Breton where they will spend their honeymoon. On their return they will reside in Dartmouth where the groom is a barrister.

Mrs. Rogers has been employed as librarian in the Annapolis Valley Regional Library for the past three years, and is well known throughout the province. The couple were recipients of many lovely and useful gifts, and the wishes for happiness go with them from all who know them.

Mr. and Mrs. Isaac Amaro and son and Mr. and Mrs. Felix LeBlanc were visitors in Halifax on Sunday visiting Philip LeBlanc who is a patient in Camp Hill Hospital.

Miss Adele Theriault, daughter of Mr. and Mrs. D. V. Theriault, is now in Halifax where she has entered the Infirmary as a nurse in training.

Mr. and Mrs. Harold Coggins and children, of Borden, P.E.I., spent a few days last week with the former's parents, Mr. and Mrs. S. L. Coggins.

DOMINION ATLANTIC RAILWAY General Change of time will be made September 30.

TCA Orders Intercontinental Jet Airliners

A new era for Canadian air transportation is forecast by Trans-Canada Air Lines' planned purchase of Swift jet airliners. Four Douglas DC-8's are on order and an option taken on two more. These airplanes are capable of carrying 128 passengers and three tons of cargo at a cruising speed of approximately 550 miles an hour. The big planes will be powered by British Rolls-Royce Conway turbo-jet engines of the by-pass type and will be able to fly from Vancouver to Toronto in four hours and 10 minutes and from Montreal to London, Eng., in six hours and 10 minutes. The DC-8's will be delivered in early 1958 and will be used on trans-Atlantic and transcontinental routes later in the year.

National Kid's Day

Kids' Day is here again throughout Canada and the United States. Kids' Day, sponsored by the Kiwanis International, will be celebrated this coming Saturday. Since Kids' Day was started 8 years ago the project has grown each year so that now well over one million children are entertained each year and large sums are raised for Kiwanis youth service work.

As in previous years school children of Digby will be given a free show at the Capitol Theatre starting at 10 a.m. Special feature will be the presentation by Dr. T. W. Hodgson of the awards won this year at the Kiwanis swimming pool and Little League Baseball. During the afternoon peanuts will be sold to the public to help raise funds for Kiwanis youth work.

H. & S. To Hold Western Area Conference

V. G. Cardoza will give the keynote address at a dinner to mark the opening of a weekend Home and School Conference. Mr. Cardoza has been active in Provincial and County Home and School work and maintains an interest in the local organization in Digby.

The conference especially for County Council officers and concerns, will be held at the Goodwin Hotel in Weymouth on Friday and Saturday, September 21st and 22nd.

The purpose of the conference is to train Home and School workers in organization, communication, and the duties of officers. Arrangements are being made by a committee under the chairmanship of Robert Swim of Middleton, a Regional Vice-President of the Association.

Friday evening and Saturday sessions will include workshop sessions in which all attending will participate.

The Federation of Home and School and Parent-Teacher Associations is the largest volunteer organization in Canada, and the aim of this conference is to strengthen the organization in western Nova Scotia, particularly at the county level.

H. & S. Executive Meets

Albert Jones, Weymouth, president of the Digby County Council Home and School, presided at a meeting of the executive of the organization held at the Digby Regional High School on Thursday evening.

It was decided to hold the Fall Rally of the Council at Tiverton on October 19, with registration beginning at 2:30 in the afternoon and that another executive meeting precede the Council on October 4.

Tentative plans were drawn

MARRIAGE

Dielson — Mahar

A pretty wedding of wide interest was solemnized in the St. Mary's Bay Baptist Church, Barton, Friday, Sept. 7, at 7 o'clock. The double-ring ceremony was performed by Rev. R. R. Winchester when Ethelyn Sarah Ann, only daughter of Mr. and Mrs. Benjamin B. Mahar, Barton was united in marriage to Earl Henry Dielson, only son of Mr. and Mrs. Henry Dielson, Brock, Saskatchewan.

The church was beautifully decorated with baskets of gladioli and late summer flowers. The guest pews were marked by white bows of ribbon.

Mrs. R. R. Winchester presided at the organ. Mrs. Lloyd D. Grant rendered two beautiful songs, "Because" and "I Love You Truly" during the signing of the register.

The bride, given in marriage by her father, wore a floor length gown of white tulle over satin with inserts of lace giving bustle effect, and matching lace jacket with seed pearls and sequins. She wore a finger tip veil of silk illusion with scalloped edge held in place by a satin tiara embroidered with seed pearls and sequins. She carried a bouquet of red sweetheart roses and stephanotis. Her only jewellery was a pink rhinestone

up for visitors and speakers for the Rally, including a work shop to be conducted by Mrs. Eva Wendell. Another interesting feature planned is an exhibition of arts and crafts from the Islands. Prizes will be awarded.

Mr. Jones announced a new Western Nova Scotia Folk School Council had been formed in Yarmouth the previous week. A constitution had been drawn up and officers installed. Each Home and School is to appoint a representative on the Folk School Council.

Dates for the Folk School to be held at Sandy Cove were set when five will represent Digby Municipality and three will attend from the Clare district.

on sterling earrings and necklace, gift of the groom.

Mrs. Ruth Kirk, of Victoria, B. C., was her only attendant as matron of honor, and she was attired in a gown of maize nylon net over taffeta and lace jacket with matching headress and mitts. Her arm bouquet was of cream and white gladioli.

The best man was L. Bdr. B. Mahar (Bud), brother of the bride. The groom and best man were in uniforms of the RCHA and RCA. The ushers were Bernard W. Manzer and Benjamin J. Height.

A reception was held in the vestry immediately following the ceremony where Rev. R. R. Winchester proposed the toast to the bride, responded to by the groom. There were 135 relatives and guests. The table was covered with a lace cloth and centered by a three-tier wedding cake surmounted by miniature bride and groom, and flanked on either side by white candles in crystal candelabras.

Telephone messages of congratulations arrived from the groom's parents and sister, of Saskatchewan, as they were unable to attend, also telegrams from British Columbia, Toronto, U. S. A. and other parts of the provinces.

Out of town guests were from Kentville, Karsdale, Manitoba, Victoria, B. C., Weymouth, Bear River and Digby.

The happy couple left on a honeymoon trip to Saint John, N. B. For travelling the bride wore a brown and gold suit with white accessories and a corsage of yellow mums.

The happy couple will reside in Truro where the groom is stationed with the Canadian Army at Camp Debert.

Roll Call At South Range

The annual Roll Call service of the South Range Church of Christ was held in the church Sunday evening, September 16, at 7:30 o'clock. The church was filled to capacity with some extra seating provided. The service which was led by the minister, Rev. J. A. Carr, was opened with the singing of a familiar hymn, "Whosoever Will", in which the congregation showed how much the singing was enjoyed.

The roll was called by the church clerk, Mr. Arnold Marshall, assisted by Mr. Donald McCullough. The response to the roll call showed the interest and loyalty of the church members. The report showed a number added during the past year, and one lost by death.

The Men's Choir supplied the music for the service in their usual good style and spirit. The preacher was the Rev. H. B. Stainton, Maritime Secretary Evangelist for the Churches of Christ, presently residing in Dartmouth where a new Church of Christ will be built in the near future. Mr. Stainton took his text from the Epistle to the Romans, chapter 8:29, 30, using for his topic "Children of Destiny", saying "We are the children of God, sons of the Living God. Christ died for us. He is our Advocate with God. He pleads with God for us. Nothing can separate us from the love of God. As children of Destiny we must proclaim and live the Gospel."

During the evening Mr. Stainton suggested to the church that there was a need to increase the facilities of the church, to enlarge the present building which was built many years ago for the need of that day. The need of the present day and a growing church in this community demanded facing realistically the present need and meeting it. The church, said Mr. Stainton, in the rural district or community can have as fine a program as any city church if they want it and will support that kind of a program.

Visitors from Tiverton and other places were welcomed to the service.

The concluding hymn was "When The Roll Is Called Up Yonder".

The organist was Miss Muriel Marshall.

The benediction was pronounced by the minister of the church.

Barton

Miss Ruth Specht, who has been spending the last ten days with Mr. and Mrs. Hanford Marshall, has gone to Truro high school where she will be teaching for the coming year.

Mr. Burnie Farnsworth, of Melrose, Mass., has been spending the past week with his cousin, Mrs. H. Marshall, and Mr. Marshall.

Mr. and Mrs. Douglas Chute and daughter, of Battle Creek, Michigan, recently visited Mr. and Mrs. Hanford Marshall. Mr. Chute is a Bear River native, a son of Mr. and Mrs. William Chute. The Marshalls were pleased to see them as they had not seen Douglas since a small boy.

Mr. and Mrs. Truman Hiltz and Mr. and Mrs. Oran Hiltz and three children, of Kingston, spent Monday with Mr. and Mrs. Arnold Marshall. Mrs. Leslie Bacon and children, of North Range, has been a recent visitor at the same home.

Mr. and Mrs. Cyril Hunt and baby, Susan, of Sydney Mines, called on Mr. and Mrs. Arnold Marshall recently.

Mr. and Mrs. Russell Shortliffe spent the weekend in Saint John visiting their daughter, Mrs. William Cook, and Mr. Cook.

Mr. and Mrs. Sydney Cress and son, Melvin, also Mrs. Nonie Campbell, all of Bear River, were supper guests at the home of Mr. and Mrs. Russell Shortliffe on Sunday.

Mr. and Mrs. Grant Rogers returned to their home in Kentville on Thursday of last week after spending their two weeks holidays with their cousins, Mr. and Mrs. Benjamin Mahar.

Temperance Notes (Furnished by the Order of the Sons of Temperance)

Some 55 per cent of the fatal traffic accidents costing 609 lives over the 1955 Christmas holiday weekend were caused by drinking drivers, according to the National Safety Council (U. S. A.).

A recent Gallup Poll survey discloses that of the United States' estimated adult population of 102 million, 62 million persons use alcoholic beverages, 40 million do not.

The American people spend 9 1/2 billion dollars a year for alcoholic beverages while spending less than 7 billion a year for public schools and contributing under 4 billion a year to churches.

Home & School Has First Meeting

Clementsvale Home & School Association held the first meeting of the new term on Tuesday evening, September 12, with a large attendance. Mrs. Robert Potter, the incoming president, was in charge of the meeting.

Representatives from districts served by the new Consolidated School were appointed as follows: Virginia East, Mrs. Stanley Robar.

Princedale, Mrs. Carl Wright Waldeck East, Mrs. Fred Boudreau.

Bear River East, Mrs. Arthur Jefferson.

Greenland, Mrs. Cecil Morgan. Clementsport, (to be appointed later).

Mrs. Clarence Hayes, principal, was elected as School Education Convener, and Mrs. Stanley Robar as Programme Convener.

The provision of Cod Liver Oil Capsules, the sponsoring of the Children's Welfare Campaign, a Community Christmas Tree, and a Home Nursing Course, are projects to be undertaken in the immediate future.

A social hour followed. Mrs. John Salsman, as convener of Refreshment Committee, provided delicious refreshments.

MARRIAGE

Fullerton — Thibault
A pretty fall wedding was solemnized at St. Matthew's United Church, Halifax, September 10, when Alveretta May, R.N., daughter of Mr. and Mrs. William H. Thibault, of Plympton Station, Digby Co., became the bride of George Dara, son of Mr. Clarence Fullerton, of River Hebert. The double-ring ceremony was performed by Rev. N. M. Slaughter.

The bride was charming in an ankle length gown of white nylon chiffon and lace. Her shoulder length veil fell from a tiara of seed pearls and sequins. She wore pearl earrings, a gift of the groom, and carried a cascade bouquet of red sweetheart roses. She was attended by a classmate, Miss Barbara Hebb, R.N., of Bridgewater, who wore an ankle length gown of blue lace with matching headress. She carried a nosegay of yellow roses.

The groom was attended by Mr. Jack Oland, of Dartmouth.

A reception for relatives and close friends was held at the Belmont Hotel, Dartmouth, where the toast to the bride was proposed by Mr. John Oland, of Dartmouth, and responded to by the groom. A delicious lunch was served by classmates of the bride: Misses Maxine Porter, Gwen Kerr, Shirley Jamieson and Barbara Harvey. Miss Shirley Wagstaff poured.

For going away the bride chose a navy fall suit with yellow accessories and a corsage of yellow carnations. After a short honeymoon spent throughout the province, the happy couple will reside in Dartmouth where the groom is employed at Imperoyle.

The bride is a graduate of the Victoria General Hospital School of Nursing, Halifax.

Dramatics Fans -

Would you like to have a share in promoting Dramatics in Nova Scotia? If you can get a group together (adult, not high school) to prepare a one-act play (or one scene from a three-act) to enter in a competitive festival, you will be making a valuable contribution.

Entries are invited from Western Nova Scotia.

This is the idea: A competitive regional festival will be held, likely around the middle of November, at a place yet to be decided. The winning group will be eligible to enter the Provincial Festival sponsored by the Nova Scotia Drama League.

Further information may be obtained from Miss Donald Fraser, Box 143, Bridgetown, N. S., Phone 3574.

VOLUME LXXXIII, No. 4

To Conduct Festival Of Missions

The Rev. Dr. O. E. Daniel (above), Associate Secretary Canadian Baptist Foreign Mission Board, assisted by Mrs. Daniel, will conduct a Festival of Missions at the Digby Baptist Church on Thursday and Friday, September 27 and 28. A special service for the children will be held this afternoon and on Friday afternoon there will be a special women's service. The evening service will be held at 8 o'clock on both evenings. Dr. Daniel will speak at both services and also show films in color, produced by top artists.

Dr. and Mrs. Daniel spent many years as missionaries in India. During the past two years they toured Canadian Baptist Mission Fields in Africa, Bolivia and India.

They have a large display of curios and interesting articles which they brought from the various mission fields. This display takes up seven large banquet tables and about a half hour to conduct a tour explaining them. The display is open to the children on Thursday afternoon; to the women on Friday and to the general public Thursday and Friday evenings.

This Week At The Capitol

Friday-Saturday it's a double bill action program. You will see Roy Rogers and Dale Evans in the Technicolor production "Down Dakota Way" and "Monster from the Ocean Floor", starring Anne Kimball in the thrilling tale of a monster from beneath the sea and a one man submarine.

Monday, Tuesday and Wednesday Dirk Bogarde appears in the hilarious Technicolor comedy "Doctor at Sea". It's even funnier than "Doctor in the House".

Fire Damages Mess At Cornwallis

Fire caused about \$50,000 damage to a ship's company mess at the Cornwallis training base early Saturday. The navy said the cause of the fire was not known. No one was injured.

Navy firemen prevented the spread of the flames to other buildings. The wood frame structure was not occupied when the blaze was discovered at about 5 a.m.

Cornwallis, 12 miles east of Digby, is the largest naval training centre in the Commonwealth.

Bridge Damaged At Joggin

Traffic last Friday on the main highway between Halifax and Digby had to be re-routed through the Acadia Valley at Joggin Bridge because of the fact a truck had struck the bridge, considerably damaging it Thursday evening.

In the meantime work of filling in the new roadway at the Little Joggin at the site of the former Simon's Bridge is about complete and traffic is being carried. Because of the fact thousands of yards of fill were needed to bridge the gap left by removing the old bridge and to bring the new roadway up to level with the remainder of the highway, a certain amount of settling will take place, it is understood, and paving of the new section will not be possible immediately.

Mr. William Hogarty, Long Island, N. Y., is in town this week on business.

STUDY BIRD LIFE ON BRIER ISLAND

Rapid and varied changes in the local bird life are taking place on Brier Island, the western tip of this province, as summer cools into autumn. A field party of the Nova Scotia Bird Society has again visited that outstanding concentration point to investigate the birds present and to study the southward migration. John Comer, Wicker-Lent, Harrison Lewis and Willett Mills, who made up the party, were engaged on this project from the eighth of September to the twelfth.

The birds observed at Brier Island ranged in size from ruby-throated hummingbirds to bald eagles. Great blue herons, kingfishers and various kinds of plovers and sandpipers roamed along the cliffs and beaches. Warblers, orioles and flickers wandered through the woods. Starlings, cowbirds and sparrows frequented the fields. The total number of kinds of birds observed at the island by this party was ninety-two.

On days when a northerly wind prevailed, conspicuous migration of hawks, large and small, took place. Conspicuous among them were many broad-winged hawks, destroyers of mice and large insects, which are usually accounted rare in Nova Scotia.

The investigators were astonished to find at the island an arctic three-toed woodpecker. This kind of woodpecker is uncommon in the woods of the Nova Scotia mainland but it had

not been realized previously that it wandered to the offshore islands. Among the large flocks of gulls that frequented the waterfront, two individuals of the kind known as the laughing gull, were discovered on September eighth. They may have been true Nova Scotians, members of the only breeding colony in this province, which is on a coastal island east of Halifax, or may have wandered across the bay from a similar colony on the coast of Maine.

Pheasants which were introduced on Brier Island a few years ago, appeared to be very scarce. Reports had it that the scarcity is due to frequent illegal hunting of these birds, which prevents their becoming truly established. Three western kingbirds were classified as rare strays. They must have wandered to Atlantic shores from their homes on western plains. It was interesting to note the final departure of the terns or mackerel gulls took place during the period of investigation. Two hundred of these birds were seen in Grand Passage on September eighth, one hundred on the ninth, thirty on the tenth and none thereafter.

Under authority of government permits, the investigators placed numbered aluminum bands on the legs of fifty-one birds of twenty different kinds. If they are recaptured by other investigators further south, understanding of their travels will thus be increased.

Provincial President Addresses Rally

Fred Fox, Provincial President of the Nova Scotia Legion, B.E.S.L., addressed a largely attended Legion Zone Rally at the Hotel Champlain here Tuesday evening. Zone Commander Eugene Outhouse presided over the banquet and business session.

In a most interesting and challenging address President Fox told of the current membership drive being conducted by the Legion across Canada. He also spoke of the work being done by reason of the Poppy Fund and urged those present to do everything possible to increase the sale of poppies in their area. Welfare work, made possible through the Poppy Fund, he said, is an important part of Legion activities and must be carried on.

Mr. Fox also dealt with other activities being sponsored and carried out by Legion branches, including sports, teenage work and social welfare activities. He urged branches to become active in all these fields and stressed the value to the community which the Legion can accomplish through its branches by application to worthwhile endeavours.

Following Mr. Fox's address Zone Commander Outhouse spoke briefly, thanking the provincial president for his address and dealing with matters of particular importance in this zone.

At the close of the banquet session the Legion members adjourned to the Legion rooms for entertainment.

Sunday School Holds Rally

"With Deeds of Love and Mercy" was the theme of the service at Grace United Church, Digby, when the Sunday School, with Oakley Turnbull as superintendent, observed Rally Day.

Rev. James Brooks followed the theme for the service in his sermon based on the text "In as much as ye have done it unto one of the least of these, ye have done it unto me", taken from the gospel of St. Matthew. Our care and compassion for other people, he said, is at the root of all social progress and is a final test of the individual Christian, the church and the government.

A missionary story with a setting in Korea was told by Miss Ruth Wallis and Miss Evelyn O'Neill read the scripture. Oakley Turnbull led the Prayer of Thanksgiving and Reginald Turnbull, secretary, called the roll, when 101 out of 130 responded. The offering was received by Denny Kaye, Robert Beckwith, George Holdsworth and Kendall Abramson.

An anthem, "O Praise Him", was rendered by the choir, with Mrs. Gordon Ellis as soloist and the primary children sang a familiar hymn as a special number.

Party Held For Acadia Student

A group of friends gathered at the home of Mrs. J. Vian Andrews on Wednesday evening, September 19th, in honor of Harry Thomas, who leaves this week to continue his education at Acadia University.

Games were played and refreshments served, after which the group gathered around the piano for the usual ending to a pleasant evening and enjoyed a hymn sing.

After singing "For He's A Jolly Good Fellow", Rev. R. R. Winchester, on behalf of the group, presented Harry with a purse of money, and the best wishes of his many friends.

Outside guests included Rev. and Mrs. R. Winchester, of Brighton, and Miss Donna Logan, Smith's Cove.

Eye Injured

Mrs. Frank Handspeker, of Mount Pleasant, received word that her son-in-law, Walter Chatterton, of Toronto, had the misfortune to get a piece of steel in his eye. An operation was necessary. As yet it is not known if the sight of his eye has been saved.

when 51 members enjoyed a delicious meal, after which the regular lodge meeting was held. The official visitor of the Rebekah Assembly is expected the 29th of November, when the Degree will be conferred.

D.A.R. Extends Service Via Dayliner

Effective with the General Change of Time at 12:01 A.M. A.S.T., on Sunday, September 30th, a number of important changes will be made in Dominion Atlantic Railway train times, with additional services between Halifax, Yarmouth and intermediate points on week ends.

Dayliner train No. 95 will leave Halifax at 11:00 A.M. daily except Sunday, with arrival Yarmouth at 5:15 P.M., and train No. 98 will leave Yarmouth at 12:25 P.M. due Halifax at 6:35 P.M. Dayliner train No. 97 will leave Halifax daily at 7:00 P.M. with arrival Kentville 9:15 P.M., and will operate as train No. 103, on Fridays and Sundays, from Kentville to Yarmouth, leaving Kentville at 9:20 P.M., due Yarmouth 1:00 A.M. Train No. 96 will leave Kentville at 7:45 A.M. daily except Sunday, with arrival Halifax 9:55 A.M. On Sundays only, train known as 104 will leave Kentville 4:30 P.M., due Halifax 6:45 P.M.

There will be no change in train times on the Kentville-Kingsport Subdivision.

With the new fast services in effect via the Dayliners between Halifax, Kentville, Yarmouth and intermediate Annapolis Valley points over the weekends, an excellent opportunity will be afforded for persons desiring to spend the weekend in Halifax or in the Annapolis Valley. The travelling public can take advantage of the low weekend fares, and the roomy, air-conditioned steel equipment on the Dayliners.

Visits Westport

Dr. and Mrs. Daniel, former missionaries in India, visited at the Westport United Baptist Church on Sunday evening.

Dr. Daniel is the Secretary of the Canadian Foreign Missionary Board of the United Baptist Churches, and, with his wife, spent seventeen years in India. Having to return home because of the serious illness of Mrs. Daniel, they have since done missionary work in Canada.

The meeting was in charge of Rev. George Sharpe, who led in prayer. Scripture, read by John 4, was read by Dr. Daniel. The choir beautifully rendered two anthems and Mrs. Richard Welch was organist. About eighty-five people attended.

The message on "Faith" was delivered by Dr. Daniel, who compared the faith of the man in the scripture to that of present day heathen in India. He also told of his visit to Bolivia last year. A film on the poor of India was shown.

WEYMOUTH ITEMS

A missionary meeting was held at Riverside Baptist Church on Thursday evening when Dr. Daniel, Associate Secretary of the Canadian Foreign Mission Board, was the speaker. A film, "An African Prince" was shown.

Mrs. Donald Barkhouse, Kentville, was a visitor at the home of her brother, Robert and Mrs. Bartlett on Saturday.

Mrs. Hannah Schnare, Sambro, is spending a few weeks with her daughter, Mrs. Richmond Journey.

The many friends of Francis Journey will be sorry to learn that he suffered a severe attack on Monday afternoon and will be confined to home for some time. Mr. and Mrs. Journey had completed arrangements for leaving here and going to New York and Arizona for the winter, expecting to leave here on Friday of this week.

ORGANIZE COUNCIL OF FOLK SCHOOLS

A well attended meeting held recently in Yarmouth, saw the organization of the Western Nova Scotia Folkschool Council.

This marks, for the first time in the history of the Folkschool movement in this province, the formation of a regularly constituted body to sponsor, plan and organize one of the six Nova Scotian Folkschools.

The newly constituted council is composed of representatives from the County Federations of Agriculture, Home and School Councils, and County Women's Institute Groups from six western counties, namely, Annapolis, Digby, Yarmouth, Shelburne, Queens and Lunenburg.

The first item of business for the new organization consisted of preliminary planning for the 1956 Western Nova Scotia Folkschool. After resolving minor items of policy regarding the Folkschool, it was decided to hold this year's sessions once again at Harbour View Lodge in Sandy Cove, Digby County, the dates being set at November 5 to November 16.

In order to ensure that the Folkschool will continue to meet the needs of the rural and urban people in this part of the province, an educational committee has been set up to study the Folkschool movement in Canada, United States and Europe, and to make recommendations for modification, if such is required, at the next Council meeting. Members of this committee will include Mr. Alain Doucet, Little Brook, Mrs. George Townsend, Clements, Mr. Elie Comeau, Combeville, and Mrs. William Pell, Bridgetown.

The Folkschool movement in Nova Scotia moves into its ninth year this year and during that time responsibility for the Folkschool has been shared by the Adult Education Division, the Physical Fitness Branch, the Department of Agriculture and the Department of Public Health, with Agricultural Organizations, Home and School Groups, Credit Unions, Women's Institutes, and Co-operative groups in the areas served by Yarmouth.

Hold Surprise Shower

Girl friends of Miss Barbara Vidito gathered at the home of Mrs. Edward Robicheau on Friday, September 21st, to present a shower in her honor.

After spending an evening of entertainment with her friends, the bride-to-be opened her gifts from a table decorated with pink and white and having a centerpiece of fall flowers. She expressed her thanks in a fitting manner.

Refreshments were served by the Misses Joan Robicheau, Shirley Thibault and Flora Robar.

To Have 85th Birthday

On Saturday, September 29, Asa C. Morehouse, of 68 E. Dane St., Beverly, Mass., will celebrate his 85th birthday at his home there.

Mr. Morehouse was born at Sandy Cove in 1871. He enjoys good health and spends a good part of his time at Dane Street.

Huge Shark Caught

A basking shark, 28 feet long, and tipping the scales at a possible seven to ten tons, was finally conquered at 8:30 last Thursday night after giving the Belliveau Cove men a four day chase. For three hours on Thursday Octave Doucet, Herbert Boudreau, Edmund LeBlanc and Wilfred Dugas (substituting for Lewis Blinn) wrestled with the enormous fish and finally conquered it by firing three shots of dynamite, ten beats to each shot.

The shark was first seen on Monday feeding on the fish which had been snared in the White Cove weir and when it bursted the weir with its enormous weight. Each day the men of the village took up the dangerous fight until the fish was brought to shore near the fish plant of Urbin Belliveau, Belliveau Cove, where hundreds came to view the unusual sight until it was disposed of on Saturday. On Friday between 10 o'clock and one o'clock and three fifteen in the afternoon, one "hundreds and five cars had parked, bringing spectators.

The basking shark, known to be harmless to humans, reach a length of 40 feet and had years ago been common off the coast of Maine and other Atlantic waters and off the shores of Norway. In the last century the basking shark was caught as were whales for the purpose of extracting oil from the liver. The liver oil, during wartime, was quite expensive, it is understood, but now is at the usual peace time rate.

It is estimated that ten fish barrels of liver were taken from the shark caught at Belliveau's Cove on Thursday. The basking shark has an outer skin about a quarter inch thick, under this is a layer of fat about three-quarter inch and then there is a three inch layer of red meat. The rest of the fish is creamy white and has a texture similar to a scallop.

The particular shark at Belliveau's was 28 feet in length, girthed 15 feet, had an upright diameter of 6 feet with a 3 foot dorsal fin making an overall height of 9 feet.

Clare Trade Board Sponsors Clinic

The Clare Board of Trade will sponsor the blood donors clinic to be held in Meteghan on Sept. 26th, from 7:30 to 9:30 p.m., and at Little Brook Court House on Sept. 27th from 3 to 5 p.m. and 7 to 9 p.m. Basil Belliveau, of Belliveau's Cove, will organize a committee who will cover the territory from St. Bernard's to the Meteghan Station Road and Fred Martin, of Meteghan River to Salmon River.

The Board is hopeful that the coming blood donors clinic will be as successful as the two others held in Clare. Robert White, Director of Blood Donors Clinics, explained that 100 bottles of blood is required each day in Nova Scotia, and Clare, with a population of approximately 8,000, would require 360 bottles to make care of its patients in a year.

Emile O. Theriault, membership committee president, reports that the drive put on during the summer months, has increased the paid up membership in April to 75 and the large attendance at the meeting showed that the members enrolled were enthusiastic ones. A report of the Acadian Festival was given by Dr. Julius Comeau of Meteghan. The Festival proved to be a very successful one.

Four discussion groups were organized to discuss the subject "What industries can be developed in the District of Clare." Among the list submitted by the different committee chairmen were: a planing and matching mill; a barrel factory; Cold Storage plant; Hammer, shovel and axe handle factory; Cement Blocks; Chair factory; larger stores.

Dr. Daniel Speaks At Rossway

Dr. and Mrs. Daniels, of the Canadian Baptist Mission Board gave a very interesting talk and showing of colored films on missionary work in India on Monday evening in the Rossway Baptist Church to a full congregation from Centreville, Waterford and Rossway.

Dr. and Mrs. Daniels have been missionaries both in Bolivia and India for several years and now are back in Canada, telling of the work being done and still needs to be done by missions in both these countries.

The evening collection went towards mission work.

D.F.D. Activities

Preparations are now well underway for the annual fire prevention campaign and already the recently appointed wardens have been active in making advance calls on more serious fire hazards and work is being done on these each day. The public is reminded that this year more strenuous efforts are being taken for those who are reluctant about eliminating fire hazards and the necessary steps are being taken to have these corrected. A complete canvass of the town will be made in the next two weeks to check on hazards. A full advertising program is arranged this year, with newspaper, radio and TV participating, and films will be shown in many places and at gatherings to impress this all important work.

President Reg. Turnbull and Mrs. Turnbull have returned from an enjoyable trip to Boston, New York and other points in the States, returning through Ontario and Quebec, and while in Montreal were the guests of Bevis and Helen Turnbull. Bevis is conducting a tour of Montreal and Quebec through the Matapedia Valley to Moncton, where he flew to Charlottetown to attend a convention of the Tourist Travel Association. The tour became named "Turnbull's Terrible Tours".

Two alarms have been answered, one for a chimney fire and the other for a child locked in a bathroom.

About This and That

The Weekly Newspaper - A Permanent Part Of Our Precious Freedom

By: GEORGE L. WILCOX, President, Canadian Westinghouse Company Limited

The weekly press — like the town crier of yesteryear — is an institution which is deeply rooted in the social and economic life of this continent. The weekly newspaper, with its local point of view and its abiding interest in the neighbourly happenings in the community, plays a significant part in our nation's communications. The weekly press — whether it is the sounding board for local opinion or the medium for community service and progress — demonstrates local initiative and vitality which thrives across our land.

The thousands of weekly newspapers which serve our towns and villages — when they are compounded — represent a powerful influence on business, on politics, and social progress. The weekly newspaper is a reflection of what we are — and what we will be in the future if we cherish and remain steadfast to the great traditions of freedom associated with the Canadian way of life. The weekly newspaper is a fitting expression — and a permanent part — of this freedom.

DETERIORATION?

The real cost of a building can only be measured by including the money you spend over the years on maintenance or "upkeep".

Although cheap to build, most ordinary farm buildings have a short life, despite the constant repairs made on them. Often they have to be replaced entirely because of the ravages of time and weather.

But a brick or tile barn will long outlive its builder and will not be withered or worn with age. The terror of fire is lessened, insurance rates drop and resale value increases when you build with permanent masonry products.

If you're planning to build on your farm this year and if you're interested in REAL economy, you can put extra money in your own pocket by writing for full information on the whole line of Shaw products.

OBITUARIES

Rev. F. M. Milligan

Rev. Frank Millidge Milligan died August 15, 1956, in the Memorial Hospital, Huntsville, Ont., at the age of 69.

He was born in Saint John, New Brunswick, on July 30, 1887. He graduated from Dalhousie and Pine Hill, had pastoral charges in Glenholm and Florence, N. S. The large contribution of his ministry was his work in Religious Education. It belonged to the idealism characteristic of the First World War that so many books were published on the why and how of Religious Education. It seemed that here was a means that could help create in the young the character that is the ideal of religion. The books made a moment of great hope too soon forgotten by too many. But to Frank Milligan this was light, and through him it was spread like light. For ten years he was secretary of Religious Education in the Maritimes and for twelve years had the same position in Saskatchewan. As part of that work he lectured during the winters in Pine Hill, Mount Allison and St. Andrews in Saskatchewan. He directed and taught in summer camps and schools. In 1942 he returned to the pastorate and spent fourteen years as minister in Huntsville, Ont. There a characteristic feature of his work was his daily teaching in the public and high schools of Huntsville.

He was a good presbyter, winsome, with a gift for getting on with people. In public discussion, his talk was thoughtful. There was a power of persuasion in him. He was not so much a debater as an explainer. He saw it and said it, and then listeners saw it too. When, in Presbytery, he spoke of the M. and M. or missions or evangelism, one could wish that the whole church could have heard those expressions of his insight. They were not vigorous at all, but penetrating because true and clear. His preaching was didactic. His teaching creative—he left something that does not pass from us with his passing. It was a quality and influence that shaped the lives that it touched.

He is survived by his wife, nee Josephine MacDonald, two daughters, Mrs. A. C. Patterson, of Edmonton, Mrs. B. D. Patterson, of Calgary; a son, Frank, in the Foreign Service in Ottawa, and a son, James, a well known concert singer now in England.

Mr. Milligan is a brother of Mrs. Louise Stephen and Mrs. Helen Anthony, of Digby.

Mrs. Catherine Rodgers

The death occurred on Thursday, Sept. 13, at the home of her son, Reginald, Borden, P. E. I., of Mrs. Michael Rodgers. Mrs. Rodgers was born at Eel Brook more than 98 years ago and after her marriage lived in Digby where her husband was a harness maker. Later she made her home with her son.

Reginald, at Borden. Mrs. Rodgers is survived by a daughter, Mrs. Lillian Vaughn, Rochester, N. H.; two sons, John, of Lynn, Mass., and Reginald; several grandchildren and great-grandchildren.

Funeral services were held on Monday at 9 a.m. from Ramsay's Funeral Home in Digby and interment was in St. Patrick's cemetery. Officiating was Rev. Father Gaudet with Rev. Father Deveau, Plympton, as deacon and Rev. Father Combeau as sub-deacon.

Among those who attended the funeral service was her bridesmaid at the time of her marriage, now Mrs. Melanson, Abram's River, Digby Co., who is 98 years and 8 months old.

Mrs. F. R. Parker

Mrs. Augusta Parker, resident of Port Wade, Annapolis county, died at her home Tuesday following a year of failing health.

Mrs. Parker was born in Shelburne, daughter of the late Mr. and Mrs. E. Dexter Hogg. She was 85 years of age and the last surviving member of her family. Ten brothers and sisters predeceased her.

Before her marriage she taught for a number of years in Shelburne county and for seven years in Digby. In 1910 she married Frederick R. Parker, of Port Wade. Since that

time she resided at Port Wade. She was a member of the United Church of Canada and for many years taught Sunday School, and was also a teacher in the Baptist Sunday School.

Mrs. Parker's husband predeceased her in April 1950. She is survived by a daughter, Eleanor (Mrs. Garland Hudson), of Port Wade; a step-daughter, Emma (Mrs. Otto Parsons), of Montreal; a granddaughter, Peggy Calder, Port Wade; a step-granddaughter, Betty (Mrs.

Reginald Fash), of Picton, Ont., and two step-grandchildren, Glenn and Gregory Fash, of Picton, Ont.

Funeral was held on Thursday from the Port Wade United Church with Rev. Cyril H. Gough officiating. Interment followed in Port Wade cemetery.

"Want some help with your homework, Dad?"

It's a good thing young Ted is only joking. His dad is studying the needs of families like yours for financial protection. If he took Ted up on his offer, the boy would be overwhelmed by problems about managing family incomes, succession duties, protecting a business against losses caused by the death of the owner, and other matters.

Ted's father is a modern life underwriter. Today, life insurance representatives not only study better ways to provide life insurance protection — they seek a real understanding of people's needs, and shape plans to meet these needs, which differ with every family.

You'll find today's life insurance man a good man to know: His progress reflects the many ways in which the life insurance business has developed with the times to meet your changing needs!

Canadians have a wide choice of life insurance plans — offered by more than 60 life insurance companies operating in this country.

CARS ARE MY Life

by Ken Hankinson

When car owners get together—the first subject is usually "What kind of mileage are you getting out of that bus of yours?"

Some cars, of course, use more gas than others, and give more power and smoothness in return, but the way you drive can have a lot to do with the miles-per-gallon you chalk up.

Highway driving gives better mileage than city driving, but it's not the higher speed that makes the gas go further. The car that gives 20 miles to the gallon at 30 miles an hour will give only 15 miles to the gallon at 60, and 10 miles to the gallon at 70.

It is, of course, the stops and starts of city driving that waste gas. Ten stops in a mile will use twice as much as steady driving at 30.

Under-inflated tires, even if they don't appear soft, can increase gas consumption 5 to 8 percent.

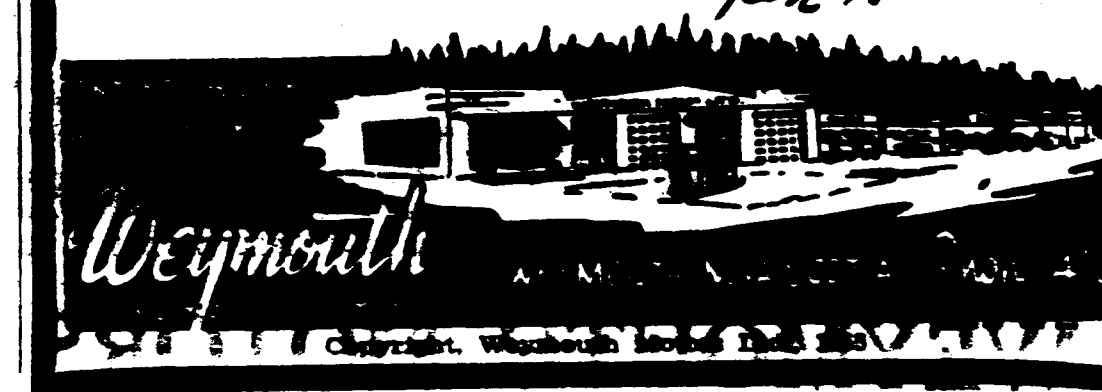

Nervously pushing the accelerator up and down while waiting for a light to change wastes nearly a teaspoonful of gas with each push. Letting the car sit with the engine running can be more wasteful than you'd think. An idling engine can use up a pint of fuel an hour.

Good care is important, but first of all it takes a good car.

Even if you're just looking around, we'd like to help you see what's what with cars today. Motoring can be a lot of fun, instead of a lot of worry, in these wonderful months.

If one inventor I'm going to talk about next week had had his way, we'd be driving cars from the back seat.

Bungalows by Burro

The United Nations estimates that 150 million families in underdeveloped areas lack adequate housing.

One answer is a frameless, built-it-yourself house designed by Canadians of Canadian aluminum. It needs no foundation; is non-corrosive and verminproof; is so lightweight that it is packed in cartons easily carried by plane, jeep or even burro.

The Colombian government has ordered 3,200 of them to help relieve the shortage of rural housing in that South American country. So it's not surprising, with aluminum travelling so far and doing so much, that Alcan is again increasing its smelting capacity in both Quebec and British Columbia.

MARRIAGE

Banns — Frost

A wedding of interest to many in the province was solemnized in the United Baptist parsonage at Chester Basin, on Saturday, Sept. 15th, when Anna June Frost, daughter of Mrs. Garnet Frost, of Toronto, and the late Mr. Frost, of Westport, Digby Co., became the bride of Waldo St. Clair Bezanson, son of Mr. and Mrs. Milford Bezanson, of Chester Basin. Rev. C. W. Cook performed the double-ring ceremony.

Miss Myrtle Bezanson, sister of the groom, attended the bride. Mr. Edwin Frost, Westport, brother of the bride, was best man. The bride looked charming in a street length dress of powder blue lace over taffeta with white accessories and carried a bouquet of yellow roses. She wore a single strand of pearls and matching earrings, a gift of the groom.

A reception was held at the groom's home for 100 guests following the ceremony. The bride cut the wedding cake traditionally, using the wedding knife used by Mrs. Milford Bezanson. The Frost twins, of Westport, helped serve.

For travelling the bride wore a cocoa brown suit with beige accessories and corsage of pink roses. The happy couple left for a honeymoon by plane to Niagara Falls and other parts of Ontario. They will reside at Chester Basin.

Joggin Bridge

Mr. and Mrs. E. Weyhe have returned to their home in New York after spending the summer in the Acadia Valley.

Mrs. James MacPherson, Miss Allison MacPherson, Mrs. Clayton Woodman, Mrs. Chester Brinton and Mrs. Wm. Woodman spent Monday in Wolfville and Blomidon.

Mrs. George Winchester, Mrs. E. Weyhe, Miss Sue Winchester and Robert Winchester attended the W.M.S. meeting at Bear River East on Wednesday evening. Miss Allison MacPherson has returned to Acadia University, Wolfville, to resume her studies. Mr. and Mrs. Chester Brinton motored to Yarmouth on Tuesday evening. They were accompanied by Mr. and Mrs. Atlee Cornwell, of Digby.

A number from here attended the party at the home of Mr. and Mrs. Guy Thomas, Marshalltown, on Monday.

Mrs. Lloyd Adams entertained the Society of Friends on Friday evening. The club members and their families motored to Mallett's Lake on Wednesday evening to the Woodman cottage where a corn boll and picnic supper was enjoyed by all. Mrs. Petrie and the Dwyer children have returned to Marblehead, Mass., after spending the summer here.

Mrs. Clyde Roope entertained a number of young people on Saturday afternoon in honor of her daughter, Gloria, who was celebrating her birthday.

WESTPORT H. & S. MEETS

The September meeting of the Westport Home and School was held at the school house on Monday evening. The officers of the coming year were installed by Rev. J. W. Derby. They are as follows:

President, Mr. Everett Pugh. Vice-President, Rev. George Sharpe. Secretary-Treasurer, Mrs. C. McDermid. Membership Convener, Mrs. Lloyd Derby. Social Convener, Mrs. Lloyd Frost.

Various projects were discussed. The Home and School will sponsor the cod liver oil capsules another year. A discussion

on consolidation as seen in Yarmouth and Digby counties at present proved very interesting.

New Tusket

(Mrs. J. E. Ford)

On Tuesday Mrs. Austin Mullen entertained several ladies at a quilting party. The Ladies' Guild met at the same home during the evening.

J. Leo, Comeau, of Toronto, who has been vacationing in Nova Scotia, called on relatives and friends here on Tuesday.

Mr. and Mrs. Mel Gaudett and Mrs. Louis Gaudett left on

Wednesday via the M.V. Blue-nose enroute to Toronto for an indefinite time.

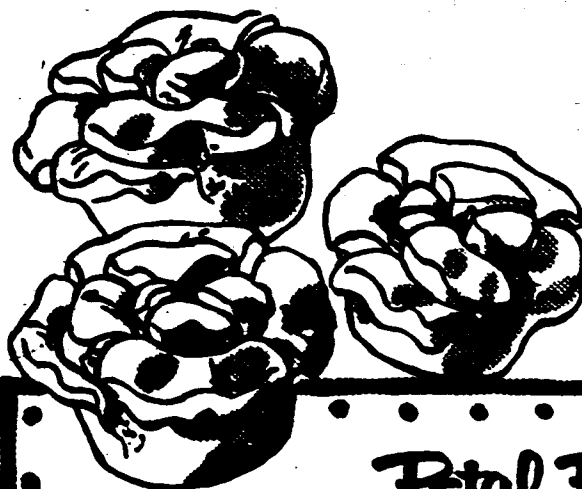

Mr. and Mrs. Hazen Tidd and family and Mr. Wm. Frost, of Little River, were Sunday guests of Mr. and Mrs. Lloyd Adams.

Mr. and Mrs. Wilfred E. Ford of Ohio, spent Sunday at the

home of Mr. and Mrs. Joe Gaudett.

Decorative and delicious

As dairy and decorative a treat as you can make to grace a table... and so delicious, too! Use Fleischmann's Active Dry Yeast for all your home baking... you'll find it easy to work with and so dependable!

Fetal Buns

1. Measure into bowl 1 cup lukewarm water. Stir in 1 tablespoon granulated sugar. Sprinkle with contents of 3 envelopes Fleischmann's Active Dry Yeast. Let stand 10 minutes, THEN stir well.
2. Meanwhile, cream until soft ½ cup butter or margarine. Gradually blend in ½ cup granulated sugar. 1 teaspoon salt. Add, part at a time, beating well after each addition 4 well-beaten eggs. Stir in dissolved yeast and 3 cups once-sifted all-purpose flour and beat until smooth and elastic. Work in an additional 2¾ cups (about) once-sifted all-purpose flour.

3. Turn out on lightly-floured board and knead into a smooth ball. Place in greased bowl and brush with melted butter or margarine. Cover. Let rise in warm place, free from draft, until doubled in bulk, about 1 hour.
4. Punch down dough. Divide into 3 equal pieces; roll each piece into an 8-inch square. Spread each square with 1 tablespoon soft butter or margarine and then with thick raspberry jam. Roll up as for jelly roll and cut into eight 1-inch pieces. Place in greased muffin pans and cut an X in each bun with a pair of scissors. Brush buns with melted butter or margarine. Cover. Let rise until doubled in bulk, about 1 hour. Bake in a moderately hot oven, 375°, about 15 minutes. Yield—24 buns.
