Worst Storm In Years

One of the worst storms in years, with wind reaching as high as 100 miles per hour, hit the Bay of Fundy region and parts of Nova Scotia on Sunday playing havoc with the fishing, toppling chimneys, uprooting trees, taking roofs off barns, blowing down a church, breaking windows, commercial signs, disrupting power and leaving the town of Digby and vicinity in darkness for several hours.

Completely lost was the lobster fishing boat of Rodney Denton, Little River. The boat of Emdon Young, East Ferry, fishing out of Little River, was damaged, also that of Clarence Denton, Clayton Denton, Jr. The fish dragger of George Theriault, East Ferry, moored at Little River breakwater, broke loose from the moorings but was able to be salvaged before any damage occurred. Men, it is said, had to lay on their stomachs and crawl along the wharf in the high wind to get more lines to some of the boats, staying on watch throughout the storm.

The holiday season, previous heavy winds had brought the price of lobsters up but to many of the Digby Neck and Islands fishermen the recent loss will prevent further fishing for the season. It was reported that the seas had never been seen so high before.

From the Hill Grove Courier correspondent it was learned that one of the worst wind, rain and hail storms in living memory passed over the village on Sunday afternoon and evening, leaving in its wake broken glass, barns stripped of their roofs right down to the bare rafters; electricity failed before milking time but service was restored later on only to be disrupted again which was partially before midnight but at this writing the lower part of the district is still without electric power. Among those whose buildings received major damage were Orbin Minard's roof on dairy barn removed and sun porch badly damaged; Conrad Franklin's damage to roof, doors blown off and damage to gable end of the barn; H. M. Warner's roof blown off barn; severe damage to John Roope's poultry house, while the current was on a short circuit in the lead-in wires almost caused a fire before the power was cut off. The staff of the Digby County Power Board did everything in their power to get things back to normal.

The Deep Brook correspondent wrote that the community was without power for two hours on Sunday evening when gale force winds hit this area. A tree near James Johnstone's home which fell from the high winds obstructed the road and linemen had to remove same during the storm. An ornamental cedar tree over 50 years old blew down at the home of Mrs. Russell Henshaw. At Rolling Homes some empty trailers were tossed on their sides by the winds, but no extensive damage reported.

At Barton part of the roof of the new consolidated school was lost and Claude O'Neil lost his barn roof. At Smith's Cove the roof of the consolidated school was also damaged. At Rossway a trailer standing in the yard of Halton Hayden and belonging to Mrs. Trimmer, was blown over. Mrs. Trimmer was not in the trailer at the time of the accident.

Residents of the town of Digby suffered losses when chimneys and windows fell to the gale. The Church of God in the process of completion was wrecked by the gale and plaster was cracked in Trinity Anglican Church of Canada as the high winds swayed the structure.

A chimney on the Margolian's Ltd. building toppled into the roof at the back of May's Book Store causing considerable damage. Margolian's also suffered flooding due to power failure. Water was swept from the ground floor onto the street on Monday morning.

The down town area on Monday morning was literally covered with roofing from several buildings and seaweed from the shore. Large windows were broken at J. Margolian's, Digby County Power Board and Ruggles Hardware. A large window was blown out at the residence of Miss

Week Of Prayer Meetings

Arrangements for the Universal Week of Prayer meetings for the town of Digby have been completed with the following schedule:

Meetings will be held in the Baptist and United Churches on Tuesday, Wednesday and Thursday evenings on January 8th, 9th, and 10th. All services at 8 p.m.

The Tuesday night meeting will be held in the Baptist Church, with Rev. H. S. Hartlin in charge, and the message will be given by Lieut. K. G. Crews. Wednesday night meeting will be in Grace United Church with Rev. Mr. Hughes in charge, and the message will be given by Rev. H. S. Hartlin. On Thursday night the services again will be held in the Baptist Church with Lieut. K. G. Crews of the Salvation Army in charge, and the sermon by Rev. Mr. Hughes. At this final service plans are being made to have members of the C.G.I.T. groups of both the Baptist and United Churches to form the choir.

Boat Complete Loss

The 43 foot Cape Island boat, Emelyn II, belonging to Heinrich Mangels, Smiths Cove, became a complete loss when an explosion caused a fire enroute from Digby to Smiths Cove about four-thirty on Wednesday afternoon.

The boat was being manned at the time by Buzz Ring, of Victoria Beach. According to reports the motor stalled, an explosion followed and the boat went into flames. Mr. Ring jumped overboard to a small tender but this also capsized and had to be readjusted.

Mr. Mangels and Darrell Sanford had completed a crib for the boat on arrival for the winter at the Cove. On seeing Mr. Ring's difficulty they went to his aid and by response of the Life Saving Station boat Mr. Ring was rescued.

The burning boat drifted into the Cove and was being carefully watched at press time so as not to endanger homes near the shore.

Entertains Councillors

A get-together of the Digby Town Council was held on Monday evening at the home of the Deputy Mayor, Mrs. Helen Anthony, Montague Row. At the same time Mrs. Anthony entertained the Mayor and Councillors and their wives at a turkey buffet supper from five to nine.

Christmas decorations were in keeping with the festive season.

Mrs. Ida Sabine spent Christmas at her former home in Bridgetown.

Mrs. Eva Baxter has returned home after spending Christmas in Oromocto, N.B., with her son and wife, Pte. and Mrs. Vincent Baxter. She was accompanied as far as Saint John on her return by her daughter-in-law.

Louise Daley and other citizens suffered lesser losses in windows.

Trees came down on the Digby General Hospital property damaging the roof at the nurses' residence, it is understood.

Outside Christmas decorations in many cases, were wiped from the house like feathers. At the home of Earl VanTassell, corner of King St. and the Neck Road, the reindeer and sled on the roof was blown and smashed. Mr. VanTassell's aluminum boat in the yard became, as Mr. VanTassell put it, "a flying boat" and rested some several hundred feet away into the yard of Robert Benzie.

Two bad chimney fires brought Digby firemen out on the stormy night. One was at the home of Mrs. George VanTassell, Lighthouse Road, and the other at the home of Nelson Handsplaker, Mount Pleasant. According to reports the chimney fires could not be fought in the usual manner because the severe gales prevented ladders from being erected. According to reports bombs were used for the out at the residence of Miss VanTassell fire.

Christmas At Trinity Church

Christmas services began with Choral Communion at midnight Christmas Eve. The Rector, the Rev. James Pike, officiated, assisted by John Stoddard, as server. The musical part of the service was under the direction of the organist, Mrs. Harry O. Turnbull, with the choir singing the Communion service and Christmas hymns and carols.

A large congregation was present to receive their Christmas Communion. In a brief address, the Rector reminded the congregation that it was because of love for mankind that God sent His Son into the world. "As God so loved us," he said, "so ought we to love God and show forth our love by serving God better and loving our fellowmen." He also said that the Christ born on Christmas Day should be the central figure in all our celebrations at this happy season.

On Christmas Day, the Rector was at All Saints' Church, Rossway, where a better than normal congregation was present for their Christmas Communion. Before the Communion service began, the Rector dedicated a new burse and veil which had been made and presented by Mrs. Oswald Mullen, the church organist. The Rector told the congregation that the giving of gifts was in the spirit of the real Christmas. God gave His Son to the world and we should give not only our gifts, but ourselves, to the service of God.

Following the service at All Saints', the Rector returned to Trinity Church, where Holy Communion was again celebrated for those who were unable to come to the midnight Communion.

On the Sunday in Christmas, Holy Communion was celebrated at St. Paul's Church, Marshalltown. Here again a goodly number of people was present, in spite of icy road conditions, to meet their Lord at the Altar.

At the 11 a.m. service in Trinity Church, on Sunday, the annual Christmas Carol Service was held. Despite unusually bad road conditions, a good number of people managed to get to the service. After the opening prayers, the Rector addressed the people and pointed out that in holding such a service, we were really copying what took place on that night that Christ was born, when the angels of heaven joined in singing their songs of great joy. The service included the old familiar Christmas hymns and carols, with members of the choir taking solo parts as well as singing in unison. The junior choir sang very beautifully the carols "Away in a Manger" and "Silent Night".

The Christmas Crib erected outside the church and illuminated at night, was visited by many people; and throughout the season, reminded passers by of the Christian significance of this holiday season.

Inside the church, the Altar looked very beautiful with lovely flowers given in memory of departed ones and a newly decorated Frontal and super Frontal. This new work has been done in loving memory of Mrs. A. D. Daley, who herself loved to do such work.

Louise Tupper, Saint John, spent New Year's with his grandparents, Mr. and Mrs. A. E. Dickson.

Decoration Prizes Awarded

Presentation of the prizes awarded for Christmas home decorations will be made at a meeting of the Digby Lions Club on Wednesday, January 9. Prizes will go to A. L. Robinson, 1st; Dickson Sabine, 2nd; and Harley Weagle, 3rd.

Judging was done on Thursday, December 27, by Mrs. A. H. Trepanier, Annapolis Royal; C.P.O. and Mrs. E. A. Rigby and C.P.O. and Mrs. R. C. Knight, HMCS Cornwallis.

Chairman of the committee was W. E. Hodgson. The decorations were exceptionally fine this year and the Lions Club is receiving much commendation for their effort in making Digby a centre of attraction during the Christmas season.

7,192 Dressings Made

The annual report of the Deep Brook Neighbourly Club Cancer Dressing Group shows that 7,192 dressings were made by club members and other volunteer workers in 1962. In addition, 840 dressings were received from the Willing Workers of West Waldeck, making a total of 8,032. 578 dressings were sent to Divisional Headquarters and 7,350 to local patients.

The financial drive conducted by the Canadian Cancer Society in April resulted in \$127.50 being collected by the Neighbourly Club in the Deep Brook area.

The group contributed \$60 towards the operating expenses of the Reception Centre available to outpatients attending the Tumor Clinic in Halifax. This amount was raised by means of Penny-A-Day Sunshine Jars, which yielded 8,120 pennies during the year. Contribution of 500 pennies or more were received from Mrs. Fulton Stark, Mrs. Dorothy Jefferson, Mrs. Hattie Long, Mrs. Howard Adams, Mrs. Pearl Henshaw, Mrs. Paul Vroom and Mrs. Borden Fountain. Seventeen dollars in "In Memoriam" gifts for Cancer Research were also forwarded to Divisional Headquarters.

Market Robbed Of \$225.00

A bandit with a silk stocking mask over his face and armed with a 12 gauge shotgun held up the Summer Market at the junction of Summer and High Streets at Lynn, Mass., Monday night.

As he entered the store the bandit demanded the money from the owner, Mr. Nelson Melanson, of 20 Rawding Terrace. Mr. Melanson estimates that the receipts amounted to about \$225. The bandit then asked for two quarts of beer and as he reached for the beer, the owner seized the gun and struck the bandit over the head. As he fled, he fell, breaking the beer bottles and leaving his shoes behind.

The owner described the thief as 5 ft. 6 in. and weighing about 160 pounds. Everett police are investigating.

Mr. Melanson is a native of Weymouth, N. S.

Miss Carolyn Murley, Halifax and Acadiaville, spent Christmas in Timmins, Ont. Miss Katherine Murley, also of Halifax, spent the holidays with her parents, Mr. and Mrs. Cecil Murley.

Promoted To Captain

Above is Captain W. B. Christie, son of Mr. and Mrs. Wilmet Christie, Digby. Captain Christie was promoted from Commander to his present rank in the Navy in October when he and Mrs. Christie and family moved from Halifax to Ottawa.

Captain Christie was technical officer with the 5th Escort Squadron and spent five years overseas when the Bonaventure was built. Captain Christie, with wife and family, returned to Ottawa in 1957 where he had been posted with the exception of the one year spent in Halifax previous to October 1962.

Captain Christie's early schooling was obtained in St. Stephen, N. B., and later completed Grade XII with the first Grade XII class in Digby. Later he graduated from Dalhousie University and Nova Scotia Technical College in electrical engineering.

Mrs. Christie is the former Maxine Bailey, daughter of Mr. and Mrs. George Bailey, Digby. They have three children, Peter 19, Susan 15 and Andrew 4.

Sportsmen Meet At Digby

Sportsmen from Shelburne, Queens, Kings, Digby, Lunenburg Counties gathered recently at Digby for a meeting of the Western Nova Scotia Conservation Society.

The meeting was chaired by Jack Nichols of Digby. Problems regarding seasons and bag limits were discussed with the main theme centering on the difficulty of having the wishes of sportsmen in Western Nova Scotia being given more definite consideration. Members felt there has been a great tendency in the past in deciding seasons and bag limits on fish and game to consider these matters for Nova Scotia as a whole.

Climate, geography, topography, flora and fauna should be taken into consideration in this regard the sportsmen agreed.

Resolutions from the various representatives present were read and discussed. The next meeting of the Society will be held in March in Shelburne.

Representatives of Lunenburg County Fish & Game Association at this meeting were Clem Hiltz, Frank Rudolf of Lunenburg; and Emery Joudrey, Blockhouse.

Lieut. and Mrs. K. G. Crews of the Salvation Army, Digby, spent Christmas with relatives in Halifax. Lieut. Crews was one of those who contributed sermons or messages to the Chronicle - Herald for the Christmas season.

Crash Takes Sailor's Life

Able Seaman Robert David John McKenzie, 20-year-old medical assistant at HMCS Cornwallis, died in Victoria General Hospital, Halifax, after he was in collision with a car near Deep Brook about midnight Thursday.

McKenzie and another medical assistant, Ronald Brian Oster, were walking along the highway at Cornwallis and had just started across the road when the collision occurred. Oster was not injured. Driver of the car involved was Glenn Merritt, of Clementsport, a civilian transport driver at Cornwallis, on his way to work at the time.

The two sailors had been visiting in Clementsport and were returning to base, Digby RCMP investigated. An inquest will be held.

After being taken to the navy hospital at Cornwallis, McKenzie was rushed by ambulance to the Victoria General where he died about 7 a.m. Friday.

The victim had been in the navy two years and eight months. Prior to being posted to Cornwallis in September he had served at the Canadian Armed Forces Hospital at HMCS Stadacona in Halifax.

A native of Toronto, he is survived by his mother, Mrs. Myrtle McKenzie, 1501 King Street West, Toronto; his father, David, Englehart, Ont., and a sister, Mrs. Joan Boutiller, Halifax.

Parish Hockey Scores

At the Digby Forum last week the parish hockey league games were played with the following results:

St. Pats, 12 (goals by David Wood, 6; Doug VanTassell, 3; John Amiraault, 2; P. Burgoyne, 1); Savios 9 (goals by Mark Comeau, 2; M. VanTassell, 2; Mike Surette, 4; Ron Mullen, 1).

St. Theresas 12 (goals by Andy Doucette, 6; Danny Doucette, 3; Pete Comeau, 2; Fred Jordan, 1; Christopher, 9 (goals by Butch Winchester, 5; Tom Amiraault, 2; J. VanTassell, 1; Larry Cowan, 1).

Hand & Foot Amputated

Sinclair Thibodeau, linesman for the Clare Hydro Electrical Distributing System, of Church Point, has had his left hand and left foot amputated at the Yarmouth hospital. Mr. Thibodeau was seriously burned while employed with the Clare Hydro System when he came in contact with a high tension wire last November 27th, burning one hand and foot seriously.

For a time it was thought that both his hand and foot could be saved but recently it was seen that both were lifeless and amputation was recommended. Mr. Thibodeau was left handed and the loss of this hand will be a hardship but he is determined to train his right hand to do the work that his other hand formerly did. He will be obliged to obtain an artificial hand and foot.

Mr. Thibodeau is still at the Yarmouth hospital where he is recuperating from the electrical shock of last November. Despite his serious injury Mr. Thibodeau has remained in high spirits. The hospital authorities believe that he may soon be able to leave the hospital and return to his home with his family.

It will be some time before Mr. Thibodeau will be able to work but it is believed that he may be able to do light work when he is fitted with artificial hand and foot in the future months.

Ill At Home

George Bailey, Saint John, N. B., well known in Digby because of his long association with the Princess Helene, is ill at his home in the city.

Mr. Bailey, though physically ill, continues with an active memory and enjoys hearing from his many friends on both sides of the Bay of Fundy.

Mrs. G. Reginald Weir is visiting her son, Ted and other relatives in Toronto.

Digby Team Wins Curling Trophy

The third annual Scallop Trophy bonspiel was held at the Digby Curling Club December 28-29. Ten teams were entered in the competition, three from Cornwallis, two from Greenwood and five from the Digby club.

Each team played three on the first day with play starting Friday morning at 9:30. At the end of Friday's play the six top teams were to play for the trophy and the other four teams play off for consolation prizes.

The trophy was won by a Digby team skipped by G. Neville; mate J. Rosenthal; second stone B. Johnson; and lead H. Deveau. Runner-up prize was won by the Cornwallis team skipped by Petty Officer B. J. Bjola. Consolation play was won by James Ayer's team.

President Jack Rosenthal extended the welcome to the visitors at the banquet held on Friday evening in the renovated club rooms. Squadron Leader Gordon Sage, president of the Greenwood Curling Club, addressed the meeting and spoke highly of the bonspiel and hoped too that he and team-mates could attend next season's play. Appreciation was heard from skip "B. J." Bjola.

The ladies from the Digby Curling Club put on the supper for the banquet.

Medal For Good Conduct

Sgt.-Major Gerald Stoddard, Tiverton, formerly of Westport, who has been serving with the 1st Bn. Queens Own Rifles of the Canadian Army serving in Germany, returned to Canada several weeks ago aboard the Empress of Britain, which docked at Saint John, N. E.

During his stay in Germany Sgt.-Major Stoddard received the Good Conduct Medal for his long and faithful service with the Army.

He enlisted at Saint John with the Artillery Branch of the service the second day following the outbreak of World War II. He received training at Saint John, Halifax, Petawawa and Camp Borden in Ontario. He served in Korea and in Germany on two occasions. He was not wounded.

Returning with Sgt.-Major Stoddard from Germany were his wife, the former Helen Dunne, of Nictaux, N. S., and their son, Gerald Jr., who has been studying Grade XII in Germany. They spent Christmas with his mother, Mrs. Seretha Ruggles, who is staying the winter months with her brother, Mr. and Mrs. Hubert Ossinger.

Copper Tooling, Math., To Be Added

Cooper Tooling and mathematics will be added to the subjects now being taught at the Adult Education Courses at the Digby Regional High School providing enough people are interested to establish the classes. At present classes are being taught in conversational French by Hubert Deveau. The French classes resume tonight after the Christmas recess and tonight will also bring a decision on copper tooling and math.

The classes are supervised by R. B. Powell who is also administrator for vocational classes at the Digby Regional High School.

Included in the vocational classes have been home sewing, shorthand, bookkeeping and typing and welding. Many who have taken these courses, particularly those in typing, shorthand and bookkeeping, have been able to improve their economic position by securing employment for which they became qualified by reason of the courses.

CHRISTMAS CARD CONTEST WINNER

Joseph Everett, of Victoria Beach, was a winner in the hand-made Christmas card contest on "Domino", a Television quiz show seen locally on Channel 6, Digby.

Fire Destroys Store & Home

Christmas Day was an unhappy occasion for Mr. and Mrs. Andrew Thibodeau and family, Plympton, whose home and general store business were levelled to the ground by fire.

Mr. and Mrs. Thibodeau and two children, Linda, 16 years, and Arnold, 13 years, had left to visit relatives in Concession when Vaughn Warner, a neighbor, saw flames coming from the Thibodeau place around noon. The fire had then got a head start and despite efforts of fire departments from HMCS Cornwallis, Weymouth, Meteghan and Digby the building could not be saved. The fire departments, however, were instrumental in saving the St. Mary's Bay Baptist Church only a few feet away and Mr. Warner's garage, a similar distance on the west side. The church received a few cracked windows. Little of anything was saved from the home and store.

Mr. Thibodeau had obtained the general store only within the last few years and while some insurance was carried the loss was substantial, it is understood. The Thibodeau family are renting in the village for the present time.

The fire which brought unhappiness to the Thibodeau family and undid Christmas Day plans for the neighbours continued all through the night as eight cords of wood stored in the basement burned.

Weymouth Employed Youth Killed

Carl Hurlburt, 18, of Carleton, Yar. Co., was killed when his car went off the highway at Meteghan Monday morning at about 7:30 a.m. Son of Mr. and Mrs. Austin Hurlburt, he was on his way to Weymouth Motors, where he was employed.

Meteghan RCMP said fresh fallen snow may have been the cause of his car leaving the road in Meteghan Centre. The youth was thrown clear of the car when it struck a telephone pole. Rushed to Yarmouth Hospital the former vocational high school auto mechanics student died at 8:30 p.m.

A coroner's jury was empanelled by Dr. S. W. Williamson. The inquest was adjourned until Friday, at the Yarmouth County court house at 10 a.m.

Christmas Party

A Christmas party was held Saturday, December 15th, at the shell-fish factory of Mr. V. G. Snow, Digby.

Mr. Snow was presented with a brown and beige electric clock and stockings from the staff. The driver of employees, Harley Amero, Plympton, was presented with a plaid shirt. Mr. Snow presented his employees with a Christmas bonus and gifts and a staff exchange of gifts was enjoyed. Refreshments were served.

Entertain At Party

Mr. and Mrs. Paul Snow, Carleton St., were host and hostess at their home on Friday evening to the management and staff of Wallis Print Ltd., where Mr. Snow is employed.

After bowling at Carleton Lanes the guests were served refreshments and entered into other games and music at the home of Mr. and Mrs. Snow.

Christmas Party

A Christmas party was held Sunday, December 23rd, at Camille Amers's, Plympton.

Music was played by Aubrey Doucette, Plympton, Sherwood Sabine, Weymouth North and Robert Gosson, Plympton. One hundred and seven people exchanged gifts. Mr. Amers received many gifts from his friends. Refreshments were served.

THE CLIPPER'S RETURN

Rear Admiral H. F. Puller, R.C.N. (Ret'd), right, examines the hull and masts of a model clipper ship. Waiting to begin work on the rigging of the sleek model is builder Brian Mosher, 17 of Halifax. The little ship is one of eight Atlantic province entries in a national contest sponsored by the Tea Council of Canada.

The colorful era of Atlantic ship building days a century ago is being relived this month at cluttered tables in eight Atlantic homes.

Among the shavings and splatters of paint, stand models of those fast flying sailing ships, the tea clippers. The model builders, together with 70 enthusiasts under 20 years of age from the rest of Canada, are applying finishing touches to their craft in a last minute effort to win a holiday trip to India.

The trip is part of the first prize in a national contest sponsored by Tea Council of Canada.

At Stake are:
1st prize—All expenses paid holiday trip to India and Ceylon, plus a \$1,000 scholarship to any Canadian university.
2nd prize—a \$750 scholarship.

3rd, 4th and 5th prizes—\$500 scholarships; plus five complete sets of the Encyclopedia Britannica.

National chairman of the contest's board of judges is Rear Admiral H. F. Puller, R.C.N. (Ret'd), former Flag Officer Atlantic Coast, now living at Chester Basin, N. S. Another judge is Neils Jannasch, director of the Maritime Museum of Canada, Halifax, N. S. The judging will take place in Toronto.

There are three contestants from Nova Scotia, one from New Brunswick, one from P. E. I. and three from Newfoundland. All of them, after studying old records for the size and details of the ships, can tell an exciting story of

the age of the clippers.

Of all Canada's famous sailing ships, none surpassed the tea clippers. They differed radically in design from previous vessels, and were built for the sole purpose of racing tea from the East to the markets of England and North America.

Straining under an enormous spread of canvass, they carried the choicest pickings of the new season's tea.

A handsome reward awaited the captain and crew of the clipper that succeeded in landing the first cargo of the season. Sometimes the crew of the winning ship received 500 pounds from the owners of the cargo, for the first tea on the market sold for up to six shillings a pound more than teas brought by the slower ships.

By 1865 the tea trade was reaching its peak, and each succeeding year had seen the development of faster clippers and competition for cargoes had become intense. Being wrecked was a frequent fate since risks were often taken in the cause of speed. The ships were worked by a crew of about 30, and were captained by skippers who scorned the practice of "snugging down" at nightfall, and had the sole aim of delivering their tea cargoes at an average speed of close to 13 knots.

From the yards of the Atlantic seaboard came the ships that were to rival the famous Cutty Sark in bidding for the wealth of the Orient, India and Ceylon. By the end of the decade more than 7,000 Canadian ships were carrying the commerce of a dozen nations around the world, and names of such famous craft as The Golden Age, Miles Barton, Morning Star, Indian Queen and Marco Polo were on the lips of every Canadian schoolboy.

But Canada's tea clippers did more than perpetuate a leg-

end; they made a vital contribution to the country's economic development. To revive interest in this age—a picturesque and important era in the country's history—is the main reason behind the contest.

After the shavings and paint splatters have been cleared off the workshop tables, eight small ships, each the result of months of hard work, with their spars shining under clear varnish and their decks showing painstaking detail, will be sitting in their packing boxes en route to Toronto.

And each will be ready to bring that first place flag back by the Atlantic—where so many of the real ships started out 100 years ago.

New Year Message

George C. Nowlan

I am glad to have this opportunity to again say, "Happy New Year" to my constituents, and to the people of Nova Scotia generally. I have been sending this message now for several years, and every year I have had to mention some international crisis which occurred during the past year and which might have led to war, but did not. This year of 1962 was no exception. For a few hours, the world was on the verge of war, a thermo nuclear war, which could have resulted in destruction and death which we can hardly comprehend. But in the end, we emerged talking, rather than fighting. The international situation is still far from settled, but the pattern of talking, longer, and of avoiding fighting, is being established and therein lies our hope for further settlement.

On the domestic front, this has been a good year for Canada. In every phase of our economy, there has been substantial, almost tremendous growth and development. As I said in the House of Commons recently, "Canadians are living in the most prosperous year in Canada's history." Moreover, the economists, who a few months ago were prophesying a recession in 1963, have changed their minds, and I am confident that Canadians can look forward to further economic development and expansion in the coming year.

So, with hope in the greater stability in the international situation, and with confidence in our domestic economy, I wish for each and every one of you in my constituency and in the province, health, happiness and prosperity.

Victoria Beach & Lower Granville

Ladies Auxiliary held their Christmas party in the school room on Tuesday, December 18. The program for the evening was under the direction of Mrs. Charles Taylor and Mrs. Howard McGrath. The Christmas Story was read by candle-light by Mrs. Fred Ryan, followed by a solo by Mrs. Basil Taylor. Readings, and games were presented, also an amusing dialogue by Mrs. Howard McGrath and Mrs. Earl Ellis, "Milly and Tilly Go To New York". Refreshments were served.

On Thursday evening, December 20, the school concert was held under the direction of Mrs. Gerald Hudson. Despite a cold and windy night, a goodly number attended to hear the children, as they presented recitations, dialogues and carols. Santa arrived to distribute presents and treats from a prettily decorated tree.

The Rev. Archie MacLellan was unable to hold the Christmas service at the Victoria Beach Baptist Church due to an accident when his car struck an ice patch on the pavement at Port Royal, and skidded into the ditch. Deacons LeRoy Haynes and Fred Ryan led the service. In song, scripture and prayer. A presentation of a corsage to the oldest member present was made by Mrs. Alvin Ellis to Mrs. Almeda Casey, and another gift was presented to the organist, Miss Beulah Haynes, by Mrs. LeRoy Haynes.

Mrs. Roy Casey spent a few days of the Christmas season with Rev. and Mrs. R. W. Lindsay in Wolfville.

Mrs. Charles Taylor is confined to her home due to a sprained arm and shoulder, after a fall on the ice.

When You Should Stop ADVERTISING

WHEN man becomes a creature of habit so thoroughly he will certainly buy this year where he bought last year . . .

WHEN younger, fresher and spunkier concerns in your line cease starting up and taking "your customers" away through advertising . . .

WHEN population ceases to increase and no new folks want to live and work in your town . . .

WHEN you have thoroughly convinced everyone who ever has or ever will be in your store that they will now and forever get better buys from you . . .

WHEN business principles reverse themselves and the non-advertiser does more business than the successful advertising merchant . . .

WHEN men stop making tremendous strides in business through well-planned newspaper advertising . . .

WHEN you can forget the words of wise merchants the world over who attribute their success to the wise use of newspaper advertising . . .

WHEN you would rather have your own way even if you fail, than to follow sound advice and perhaps win success . . .

WHEN you want to be rid of all the troubles of waiting on customers and are tired of making money!

THE SUREST WAY TO STAY IN BUSINESS PROFITABLY IS TO ADVERTISE REGULARLY

Pageant Written By Local Man

A Christmas Pageant was presented in the Ashmore Baptist Church by members of the church to a large congregation. The pageant called "The Story of Christmas" was the first of its kind ever dramatized in the Ashmore church by an adult group.

The cast consisted of sixteen persons, viz., Victor Doty, Winston Brooks, and Murray Manzer as shepherds; Harley Brooks, Stanley Brooks, and Ronald Maine as Wise Men; Rev. C. Barkhouse as King Herod; Willard Kinney as Joseph; Marion Kinney as Mary; Hazel Brook as Innkeeper; Parker Manzer as Chief Priest; Eric Manzer as King Herod's servant; Lois Kinney as Angel; Maurine Manzer as the reader of prophecy; Mrs. George Wagner as Narrator; Mrs. Ellsworth Kinney and Mrs. Harley Brooks as Angel voices; and Mrs. Scott Kinney as organist.

The costumes worn by the performers were similar to the attire worn in the first century giving a realistic touch to the drama. At the close of the pageant Rev. Mr. Barkhouse, pastor of the church, informed the audience that the play was written by Bernard Manzer, of Weymouth North. He thanked Mr. Manzer on behalf of the church for directing the play.

Obituary

Mrs. Hazel M. Hankinson
Mrs. Hazel Maud Hankinson, Weymouth, widow of Frederick O. Hankinson, died at the home of her daughter, Mrs. Wilfred Cosman, following a lengthy illness. She was born in 1885 at Herring Island, N. B., and was a daughter of the late William and Mary Jane Christie.

She was a member of the Riverside United Baptist Church, the United Baptist Women's Missionary Union. Her husband predeceased her two years ago. She leaves to mourn her loss two daughters, Dorothy (Mrs. Lloyd Grant), Barton; Muriel (Mrs. Wilfred Cosman), of Weymouth, and one son, Daniel, Weymouth.

The funeral service was held from Riverside United Baptist Church, Weymouth North, with the pastor, Rev. C. R. Barkhouse officiating. Interment was in Riverside Cemetery.

BACKACHE May be Warning

Backache is often caused by lazy kidney action. When kidneys get out of order, excess acids and wastes remain in the system. Then backache, disturbed rest or that tired-out and heavy-headed feeling may soon follow. That's the time to take Dodd's Kidney Pills. Dodd's stimulate the kidneys to normal action. Then you feel better—deeper, better—work better. Get Dodd's Kidney Pills now. 59

Weddings

Rice — Cook
In the United Church, Bear River, a wedding took place at 7:00 in the evening on December 22 when Rev. E. Asaph united in marriage Patricia Ann Cook, daughter of Mr. and Mrs. Gordon Cook, and Bentley Allan Rice, son of Mr. Norman Rice of Ontario, and formerly of Bear River.

The bride was attired in a white floor length dress with a matching veil. Her bouquet was of red roses.

A sister of the bride, Miss Dianna Cook, was bridesmaid. She was dressed in a peach ballerina length dress with white accessories.

The groom was supported by his uncle, Gordon Rice of Bear River. Miss Linda Buckler played the wedding music. A reception was held immediately after the ceremony at the home of the groom.

After a short vacation the happy couple took up residence in Digby where the bride is on the teaching staff of the elementary school and the groom is with the Digby Dairy Ltd.

Heslton — Tibert

The marriage of Dorothy June, eldest daughter of Mr. and Mrs. Melvin O. Tibert of Freeport, N. S., to Mr. Douglas Lister Heslton, son of Mrs. K. Gunnar Gustafson of Lachline, and the late Herbert S. Heslton, took place in St. Peter's Church, Town of Mount Royal, at 12:30, Saturday, Dec. 29, the Rev. D. W. Kidd, officiating. Mr. H. G. Tait played the wedding music.

The bride, who was given away by her father, wore a model gown of antique white brocade, fashioned on princess lines with veil of tulle illusion and carried a bouquet of white gardenias.

The bridesmaid, Miss Constance Tibert, sister of the bride, wore a gown of deep cherry shot silk and carried a bouquet of white gladioli.

Mr. Ronald Cook of Lachline, acted as best man, and Mr. Allan Shaughnessy was usher.

Mrs. Tibert, mother of the bride, wore a gown of blue brocade with gold hat and accessories and a corsage of yellow roses. Mrs. Gustafson, mother of the bridegroom, wore a gown of green on grey brocade with matching hat, and mink stole with a corsage of rose pink roses.

The reception was held at Dagwood's, after which Mr. and Mrs. Heslton left for the ski hills of New England, the bride travelling in a green wool suit with brown topcoat with matching accessories and a corsage of red tea roses.

Neil Parker who spent the holiday with his parents, Mr. and Mrs. Malcolm Parker, returned to Fort Churchill by air from Halifax via Winnipeg. Neil spent part of his vacation visiting Mexico, before coming to Bear River.

Mrs. Catherine McKibbin, of Halifax, spent the weekend at her home in Bear River.

TODAY'S Meditation

from The World's Most Widely Used Devotional Guide

The harvest truly is plentiful, but the labourers are few. (Matthew 9:37.)

When I visited a famous centre for chest diseases in Boston, Mass., I reflected upon its contributions in the field of surgery.

I thought also of one of its best surgeons going to India as a full time missionary surgeon to teach and to heal. He could have remained with friends and relatives and probably amassed wealth and fame. He belongs in the great company of those unselfish persons who have made great sacrifices for good causes.

Many talented persons have no sense of duty; so they drift aimless through life. Even those of us with some vision of life's purpose have made negligible contributions to our homes, churches, and communities. Indeed, many times we have been burdens to others because of our self centered lives.

We need to pause in our busy lives and listen for the "still small voice" so that our decisions for tomorrow may be a better one. When we stop thinking in our selfish way, life will have new meaning. PRAYER: O God, we thank Thee for men and women who have sacrificed so much for others. Fill us this day with that sacrificial spirit so that we may do our bit to spread Thy kingdom on this earth. We ask in Jesus' name and for His sake. Amen.

Thought for the Day: Am I letting precious opportunities end in cheap choices?

— Ernest B. Sundaram (India.)

Blessed be the Lord God of Israel: for he hath visited and redeemed his people, and hath raised up an horn of salvation for us in the house of his servant David: as he spake by the mouth of his holy prophets. (Luke 1:68-70.)

Zacharias, the father of John the Baptist, thus spoke of Jesus a few months before the Redeemer's birth. The hour of the merciful visitation was soon to come. "The dayspring from the high" would soon rise over the world.

It is an event neither unexpected nor unforeseen. "In thy seed shall all the nations of the earth be blessed," the Lord had said to Abraham. Christ's coming will be the accomplishment of that promise, "his holy covenant; the oath which he sware to our father Abraham."

In our planning to celebrate Christmas once more, we shall miss the point of it all if we do not seek the true meaning of the holy testimony. We need the spirit of Jesus in our souls so that "the great dawn" may rise up cleaner for us and lead our steps onward in the way of peace.

PRAYER. O Lord, we thank Thee for sending Thy Son to us. We pray that "the day-spring from the high" may rise upon and more persons to illuminate and redeem them from perversity and wickedness. Grant us peace; through Christ. Amen.

Thought for the Day: Christ's coming becomes most meaningful to those who admit Him into their hearts.

Praise ye the Lord. Praise God in his sanctuary. (Psalm 150:1.)

When we were building a new church at Port-au-Prince, Haiti, an architect friend criticized the large porch. He said if it had been included in the sanctuary, it would have given seating capacity for at least another hundred people.

We replied that the large porch was being made purposely so that the members of the congregation could greet friends there rather than inside the sanctuary. Our aim was to create a tradition of reverence in the sanctuary itself so that everyone would understand that when we speak in it we are worshipping God.

This does not mean that we may never smile in church. It

Obituary

Mrs. Sydney Adolphe Gavel

A prominent school teacher, Mrs. Sydney Adolphe Gavel, died at her home in Annapolis Royal, Friday, December 21, after a long illness. The former Gladys Hope Hines, she was the daughter of the late Capt. and Mrs. Nehemiah Hines of Pubnico.

A graduate of Provincial Normal College, she taught in the Prairie Provinces and upon returning to Nova Scotia she was selected as one of the first helping teachers in Yarmouth County.

A resident of Annapolis Royal for 20 years, she was a popular teacher in the Annapolis Royal Academy for 15 years until her retirement three years ago due to ill health. She was a member of the United Baptist Church, life member of the United Baptist Women's Missionary Union, Sunday School teacher, past educational secretary of the Fort Anne Chapter IOOE, past member of the Order of Eastern Star and a worker in the Junior Red Cross.

Surviving besides her husband is one brother, James R. Murphy, of Pubnico.

The funeral was held Monday, December 24, at 2 p.m., from the United Baptist Church, Annapolis Royal, conducted by the Rev. Paul Underwood, pastor, with interment in the Woodlawn Cemetery. Mrs. Lloyd Moore was organist. The choir sang "Sun of my Soul" and a quartette, J. C. Johnson, A. L. McKenzie, E. Fraser, Kenneth Green, sang "Peace, Perfect Peace". The floral tributes were many and beautiful. The pall bearers were Inspector C. E. Edwards, of Bridgetown; Robert Pott, principal of the Rutherford Memorial School, HMCS Cornwallis; William Goucher, also of Cornwallis School; H. Verdun Saunders of the Morfee School at RCAF, Greenwood; J. Fred Fry, principal of the Annapolis Royal Regional Academy; and Stuart Hannam, principal of the Clementsvalle Regional School, all of whom had worked with her in the Annapolis Academy. Members of Fort Anne Chapter IOOE, with Mrs. J. A. Ruffee, standard bearer, attended en bloc, also members of the Eastern Star and teachers of A.R.R.A.

does mean that we never forget that it is our Father's house, a place where we come to do the most important thing in life, worship God. PRAYER: O Father of all mankind, we are grateful that Isaiah the prophet and Jesus Christ Thy Son called Thy house "a house of prayer for all the nations." We bless Thee for the times that Thou hast met with us there. May we so reverence the place where we are accustomed to meeting with Thee that it shall be easy for others to find Thee, too. We ask this in the name of Jesus. Amen.

Thought for the Day: Our reverence for God creates holy associations with the everyday things of life.

— H. Ormonde McConnell (Haiti)

Be zealous to be found by him without spot or blemish and at peace. (II Peter 3:14. RSV.)

One day, while riding on a train in Japan, I began talking with a young married man, the father of two small children. We got on the subject of happiness. Finally he said, "You who have faith forget how unhappy one can be. If you could remember the unhappiness of those of us without faith, you would be more zealous in trying to help us."

I then tried to recall my life without Christ, its uncertainty and lack of purpose, its burdens and loneliness. However, my life had been changed when Christ and I became one. Life took on new meaning; it became purposeful. I entered into fellowship with Him. To be like Him became my goal. In the place of loneliness, I found Christian friends abundant. I began to enjoy the fruits of peace.

It is true that in the midst of my happiness I have many times forgotten my fellowmen, many of whom know not peace and joy because they know not Jesus Christ. I need God's forgiveness every time I forget that my happiness cannot be complete until I have earnestly tried to give it to my neighbor.

Thought for the Day: Happiness is not a possession until it is shared.

In the Toronto studios of the CBC, a smiling Earl Cameron waits his cue to start another edition of the national news in 1941, at that time, on radio. He was born in Moose Jaw, Sask., 47 yrs. ago and worked briefly as a teacher before starting with the local station CHAB, 1939. His goal was to do national newscasts and one month after joining the CBC in Toronto in 1941, he achieved it.

FORGOTTEN DRESS REHEARSAL OF WORLD WAR 1 AND 2

The two Balkan Wars of 1912 and 1913 are reported by the Encyclopedia Americana. In the first of these brief wars, Bulgaria, Serbia, Greece and Montenegro battled against Turkey. The second conflict saw Greece, Serbia, Montenegro, Rumania and Turkey leagued against Bulgaria. These Balkan conflicts which seemed petty to the great powers, led directly to World War One. They also generated terrorist groups, the IMRO of Macedonia and the Black Hand of Serbia, whose tactics of provocation, conspiracy and assassination were models for the communist and fascist world revolutionaries of the postwar era.

Year End Review

Hon. R. L. Stanfield

There were during the year significant development in many aspects of the educational program. They were chiefly developments which should have far reaching influence on the school life of Nova Scotia children.

Boarding High School Program

In 1961-62 the Department of Education sponsored an experiment in four high schools in Nova Scotia to evaluate new general courses in English, mathematics, history, and science in Grade 10. These courses were intended for students not wishing to take the traditional college preparatory courses. The experiment was viewed as successful, and is being continued and expanded. The new Grade 10 courses are being offered during the present year in the same four schools and in six additional schools.

In addition the general courses in the four subjects concerned have now been extended to Grade 11 in the four schools where the courses were in operation in Grade 10 last school year. External provincial examinations are to be written at the end of the year by Grade 11 pupils taking the general courses. An external examination will be used to determine 80 per cent of a pupil's mark in a given subject and the remaining 20 per cent will be determined by the school. Teachers of the general courses will mark the examinations.

Nova Scotia School Television

Nova Scotia's, and Canada's first educational TV programming on a province wide basis is throughout the full school year is now being used by thousands of Grade 11 students of mathematics and science. The series was introduced on September 24.

Frank E. Milne, formerly of Queen Elizabeth High School, Halifax is conducting lessons in algebra and geometry. The series in physics and chemistry is under the tutelage of Robert Kennedy, former teacher in Great Britain and Canada, now on leave from his post as a regional representative of the Nova Scotia Adult Education Division.

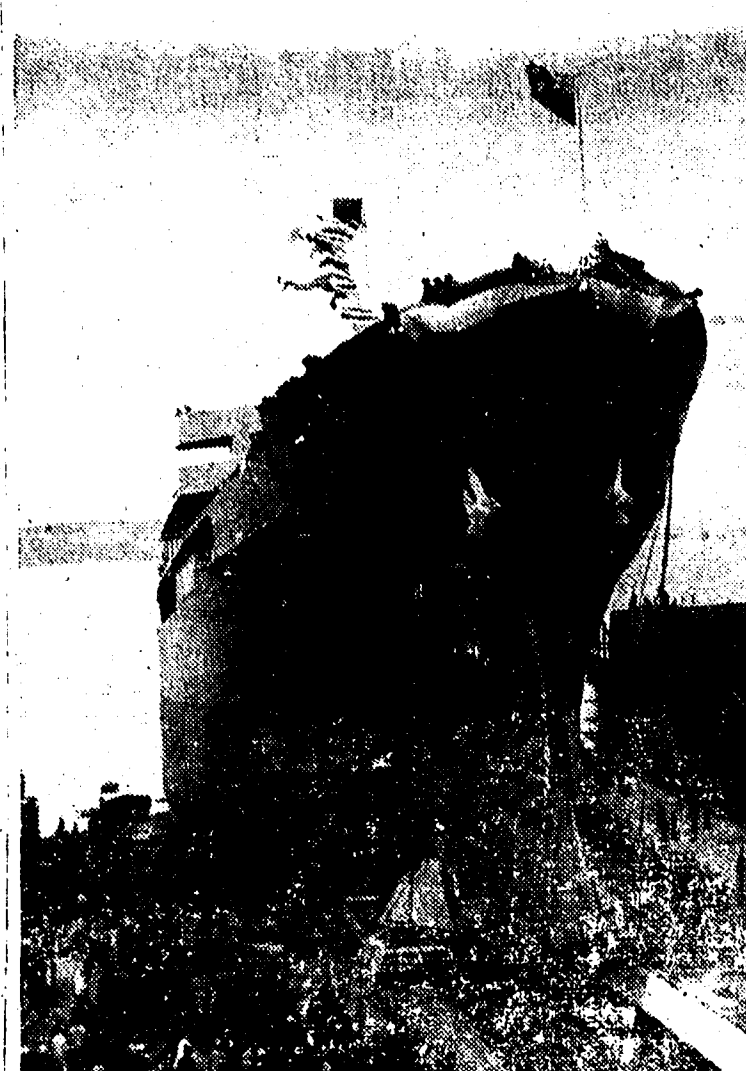

The CBC produces the two series over its network facilities in two 20 minute sessions Monday to Friday, inclusive. During the first half of the school year, the mathematics telecasts have been dealing with algebra three days a week and geometry the other two days; and the science telecasts have been devoted to physics on three days and chemistry on two days. For the second term, the emphasis will be reversed in both subjects.

In the telecast introducing the programs, Dr. H. M. Nason, Director of Elementary and Secondary Education, emphasized that the real value of the lessons is established by the way individual teachers and pupils prepare for the lessons in advance and do follow up work afterwards. The programs are videotaped in advance and class outlines are supplied to teachers throughout the province prior to presentation of the lessons.

Annual Supervisory Conference

The fifth annual conference of the school supervisory personnel of the province centered on the two topics described above, the general high school courses and educational television. The two day sessions, held in Amherst in November were under the general chairmanship of Dr. Nason.

The conference endorsed the Department's vision in introducing the school television programs and discussed ways to make educational television a generally useful feature in

Ships of the Royal Canadian Navy spent 7,000 days at sea and travelled more than 1,200,000 miles in 1962. Units of the fleet travelled westward as far as Ceylon and eastward to Ghana, south to the Caribbean and north to Hudson Bay. A highlight was

the participation by HMCS Bonaventure in the rescue of 48 persons who survived the crash of a U.S. aircraft in the Atlantic about 300 miles west of Ireland. The drama of this event is reflected (top, left) in the faces of crewmen of the Bonaventure as they

000 ton tanker - supply ship Provider (bottom, left) which made an impressive sight - and splash - when she was launched. To be commissioned in 1963, the Provider will serve as an on the spot source of fuel and supplies for ships deployed in operational

areas. Bottom, right, shows HMCS Ottawa (left) off Hawaii during a cruise which added to the 176 days she recorded to become the holder of the Navy's "most days at sea" title for 1962. With the Ottawa is HMCS Margaree, a sister ship. (N.D. Photo)

Teaching of Reading

Early in the present school year, with assistance from the Department of Education, local councils of the International Reading Association throughout the province were instrumental in organizing meetings of teachers to receive advice and direction from Dr. Constance McCullough of Berkeley, California; Dr. Arthur McDonald, of Marquette University, Milwaukee; and Dr. Stanford Taylor, President, Educational Development Laboratories, Inc., Huntington, New York.

These international authorities on the teaching of reading brought to our teachers information on the latest teaching methods and materials in the field of reading.

Federal Assistance In Fitness and Amateur Sport

The federal government passed in 1961 the Fitness and Amateur Sport Act. The immediate object of the Act is to encourage, promote and develop fitness and amateur sport in Canada. As one preliminary step, federal grants were made available to all provinces for the purpose of discovering what is being done at present in these fields throughout Canada. Under the terms of the Act, a survey was conducted in the summer of 1962 to indicate as accurately as possible the general level of fitness and amateur sport in Nova Scotia.

A survey team of six persons was appointed by the Physical Fitness Unit of the Department of Education to initiate and carry out this project. From its report it is apparent that much is being done in the interests of sport and fitness throughout the province by agencies, organizations, groups and individuals. It is equally apparent there is need for yet greater effort in the broad area of fitness and amateur sport.

The findings of the report, made public recently, were the major topic of discussion at the Nova Scotia Conference on Fitness and Amateur Sport held in early December in Halifax. The conference favored formation of an advisory council to suggest use of the \$17,

810 provincial share of the federal grant, available for appropriation before March 3, 1963. In general terms delegates affirmed spending of the grant for leadership training purposes. It is hoped that plans will continue in an effort to enable the province to share in any future grants under the federal Fitness and Amateur Sport Act.

New Vocational High Schools and Institute of Technology

The past year saw extensive progress in the construction and equipping of facilities for vocational training.

Construction of the Nova Scotia Institute of Technology (initially called the Nova Scotia Trades and Technical Institute) to provide over 20 vocational courses, mostly for adults, was continued in 1962. It is expected that the building will be completed early in 1963. The Institute is operated by the Department of Education, but the Department of Labour will operate classes for apprentices in part of the building.

The Cape Breton County Vocational High School in Sydney is almost completed. It will be operated, by the Minister of Education and a Vocational Education Board as are all the vocational high schools in the province. Nearing completion are three additional vocational high schools: Pictou County Vocational High School in Stellarton; Cumberland County Vocational High School in Springhill and Kings County Vocational High School in Kentville. Plans are being made to expand the program and the buildings of the Halifax County Vocational High School and the Yarmouth County Vocational High School.

In the program for the training of unemployed persons, particular emphasis was devoted to setting up programs of vocational training, on an emergency basis, for persons who became unemployed as a result of the closing of collieries of the Dominion Coal Company in Cape Breton.

A vocational commercial art department has been established in the Nova Scotia College of Art in Halifax.

The Government of Canada contributes to the province 75 per cent of all capital expend-

itures made by the province in behalf of buildings and equipment for vocational schools.

Local Administration of Adult Education Programs

A highlight of the year in adult education was the large increase in the number of locally appointed administrators of adult education programs. These part time appointees are teachers in the public school system. Within the year the number of school boards engaging such persons increased from seven to nineteen. This is a notable development in view of the fact that the average number of new appointments per year over the past 10 years has been three or four.

The main duties of these officials are to plan, organize and supervise the evening classes for adults offered by school boards. A direct result of the increase in the number of local administrators has been an increase in the number of adults attending classes in academic subjects. Four school boards have inaugurated evening class programs whereby adults may complete an entire grade (7, 8, or 9) in one year.

The Department assists by making grants available for the payment of administrators: a basic grant of \$100 is provided to school boards engaging local administrators for these classes; an additional amount of up to \$500, depending on the number and duration of classes in operation, may be paid in the form of grants matching amounts paid by the local school board.

EARLY GERMAN EXPLORER OF SOUTH AMERICA

In 1929 a Swabian, Nikolaus Fereremann, began extensive exploration of the interior of Venezuela. Later, in 1543, he explored the Orinoco River in a voyage that lasted for several years, according to the Encyclopedia Americana. Fereremann relinquished his claim to much of the territory he had discovered, to a Spanish explorer, possibly as the result of a bribe. On returning to Germany he was discharged by his backers for malfeasance.

Canadians Abroad

During the past year Canada's continuing commitments to the United Nations and North Atlantic Treaty Organization have seen Canadian Army personnel in many foreign lands. Top: Canadian soldiers serving with the United Nations in the Middle East prepare their Scout cars

prior to carrying out a desert patrol along the Egyptian-Israeli demarcation line. These patrols are constantly on the alert to prevent incidents that might renew open hostilities in this troubled desert region. Centre: On duty with the United Nations Emergency Forces in the Congo,

tions force. Bottom: Members of Canada's Infantry Brigade Group in Europe undergo rigorous battle exercises as part of their extensive training to maintain a state of combat readiness while serving with the NATO land forces in Germany. (N.D. Photo)

The meeting opened with the hymn, "O Come Let Us Adore Him" and Mrs. Wm. Titus read the Christmas message, "Manifestation of God's Love", with the scripture read from 1 John 4:9-10.11. The singing of Silent Night closed this part of the meeting.

A period of prayer preceded the business of the evening. The report of the nominating committee was read and accepted.

The program for the evening was in keeping with the Christmas Season. Four readings told of Christmas in Canada, Bolivia and India.

An acoustic and a duet, "Bethlehem's Beautiful Star" and a quiz completed the program.

Mr. Ronald Morehouse president of the Brotherhood thanked the W. M. S. for their invitation to attend their meeting. Everyone joined in singing

Minor Hockey League

The Digby Minor Hockey League played the first leg of its holiday schedule on Saturday last, when all teams played.

In the Paperweight Division at 8 a.m. on the near rink, the Wolves edged the Black Hawks 2-1 on goals by M. Blenkhorn (R. Thomas), and M. Blenkhorn (R. Thomas). The Hawks marker was by J. Thurber (M. Dondale, P. Robertson). At the same time on the far ice the Maple Leafs toppled the powerful Tartans 1-0 on a singleton by J. Bryan (D. MacInnis).

In the Paperweight 8:30 series the Blue Devils shut out the Black Hawks 3-0. The Devils markers were L. Landers (J. Wright, Armstrong) A. Winchester (D. Ayer, P. MacIntyre) and P. MacIntyre (L. Landers, G. Ayer). This game was played on the near ice.

On the far ice the Wolves beat the Red Wings 2-0. Wolves goals were scored by R. McVey (R. Thomas, F. Smith) and J. Turnbull (R. Thomas).

The Paperweights League Standings to date are as follows:

Team	P	W	T	L	Pts.
Blue Devils	5	3	1	1	7
Tartans	4	2	1	1	5
Wolves	4	2	1	1	5
Maple Leafs	4	1	2	1	4
Black Hawks	4	1	0	3	2
Red Wings	3	0	1	2	1

It is to be noted the games played differ as two teams each Saturday have to play twice to fill out the schedule each team in the league will play fifteen games this season not counting playoffs.

In the Pee Wee League, the first game saw the Rangers shut out the Canadians 2-0. Rangers goals were scored by D. Halliday (B. Nickerson, M. Potter) and R. VanTassel (D. Halliday).

In the 11:30 game the Bruins outshot and outskated the Knights to a 4-0 shut out. Bruins goals were by T. Mudge (G. Winchester), T. Mudge (B. Raymond), T. Mudge (G. Winchester) and B. Raymond (unassisted).

The Pee Wee League standings are now as follows:

Team	P	W	T	L	Pts.
Rangers	3	3	0	0	6
Canadians	3	1	1	1	3
Bruins	3	1	0	2	2
Knights	3	0	1	2	1

In the Bantam League, at 9:45 the Aces halted the Millionaires winning streak by tying them 4-4. Aces tallies were by R. VanTassel (J. Cole, C. Cole, R. VanTassel), T. Sabean (C. Handsaker, B. Nickerson) and R. VanTassel (T. Sabean, R. McPherson). The Millionaires scoring machine's goals were by Richard VanTassel (F. Jordan, R. Johnson), F. Jordan (R. VanTassel, R. Johnson) and R. VanTassel (T. Keddy).

At 12:05 the Warriors trampled on the luckless Royals and skated off the winners by a score of 8-1.

The Bantam League standings are now as follows:

Team	P	W	T	L	Pts.
Millionaires	3	2	1	0	5
Warriors	3	2	0	1	4
Aces	3	1	1	1	3
Royals	3	0	0	3	0

The Midget League on Saturday treated the onlookers to some fine hockey and in the first game at 10:35 the Victorias outscored the Flyers 6-3.

In the second game at 1 p.m. the Trojans beat the Maroons 4-1. Trojans goals were scored by P. Croft (D. VanTassel), D. VanTassel (P. Croft, J. Comeau), I. Anderson (A. Doucette, E. Melanson) and I. Anderson.

The Maroons singleton was by D. Wood (P. Murley, B. Olsen).

The Midget League standings to date are as follows:

Team	P	W	T	L	Pts.
Victorias	3	3	0	0	6
Trojans	3	2	0	1	4
Flyers	3	1	0	2	2
Maroons	3	0	0	3	0

The winner of the sweater was Leigh Jayne.

ROYAL COMPOSER DIED YOUNG

Prince Gustaf of 19th century Sweden wrote beautiful songs and male quartets, says the Encyclopedia Americana. Some are still popular. He and another musician composed the well known opera, "The White Lady of Drothningholm."

"Joy To The World" and Rev. Max Spencer closed the meeting with a prayer.

After the close of the meeting refreshments were served by the hostess and the refreshment convener, Mrs. Keith Raymond.

Car Registration

January 1, 1963, will herald the return of decal registration for passenger car owners in Nova Scotia.

It was two years ago this method of licensing motor vehicles was introduced in the province with the result that many thousands of dollars were saved in production costs.

Last year plates were used as in previous years for both renewals and new vehicle registrations. It is the intention of the Department of Highways to use both methods of registration in the future during alternate years.

The decal alleviates the inconvenience of detaching and attaching plates. The money saved through lower production costs is redirected to the motoring public in the provision of new and improved highways, signs and other safety and convenience items undertaken by the Department of Highways.

The revalidation are now available through the Motor Vehicle Branch. The sticker is to be placed on the inside of the windshield behind the rear vision mirror. Plates will be issued for trucks and to new car purchasers in 1963.

Present passenger car registration expires December 31, but 1962 plates will remain effective until March 31. Commercial registrations expire January 31, 1963.

Many Tourists At Camp Sites

Trade and Industry Minister Manson said today that more than 256,000 persons registered at camp and picnic sites in Nova Scotia this year.

Mr. Manson said this was shown in a report by the Nova Scotia Travel Bureau, a division of the Department of Trade and Industry.

The report was compiled from information received from 97 per cent of the private operators, provincial and Trans Canada sites and Cape Breton Highlands National Park. This is the first year that operators were requested to keep an occupancy record.

The report also shows that 6,534 trailers, 27,042 tents and 26,258 cars containing picnicking parties were registered at the sites during the spring, summer and autumn of 1962. It does not include cars of picnicking at roadside tables or provincial and Trans Canada parks in Nova Scotia.

"The fact that so many registered at the various sites proves how popular this way of life has become," said Mr. Manson.

Before 1958, with the exception of the Cape Breton Highlands National Park, only 3 camp sites were in operation in Nova Scotia. There are now more than 100 privately operated camp sites, six operated by the federal government and eight provincial and Trans-Canada sites. The latter are joint provincial federal projects, operated by the Department of Lands and Forests of the Province of Nova Scotia.

Mr. Manson said Nova Scotia has many sites equal to, if not better than, any found in North America.

"These sites, in addition to the increased popularity of tents and trailers, are responsible for the attraction of a large number of tourists to Canada's Ocean Playground. At the same time, they also provide vacation opportunities for many Nova Scotians."

BIRTHDAY OF THE KING

As shepherds watched their flocks by night
Out on the hill of wild Judea,
Behold! a star that was dazzling bright
Shone out above the Western Sea,
And flooded the earth with a glorious light,
Till the shepherds quaked in fear and fright.
"Fear not!" said an angel,
"Behold! I bring good tidings of joy — the birth of a King;
The Babe ye shall find in swaddling clothes,
And laid in a manger to take His repose."
Then suddenly came there a Heavenly choir
All lifting their voices up still higher,
"Glory to God! On the earth be Peace!"

And a reign of Love that shall never cease!"
"Come now," said one of the shepherd men,
"To Bethlehem let us go, and then
We'll search and see why the angels sing
Of this new born Child who shall be a King."
So they came with haste and were not dismayed,
For they found the Babe in the manger laid,
For there was no room in the Inn for Him,
So His birth place was but a stable dim;
And then in the joy of that Christmas morn
Each shepherd blew on his shepherd's horn
To tell the world that the King was born.
And three Wise Men out of the East afar

Beheld the light of the blazing star,
"What's this? What's this?" said the Wise Men three,
"A sign! A sign! It must surely be!
Make haste! Make haste! Let us go and find
The reason why God has warned Mankind."
And all through the night as they rode along,
They heard sweet snatches of angels' song.
So the Wise Men came from the East afar
By the friendly light of the guiding star;
Till they came in Judah to Bethlehem,
In wonder of what would be shown to them;
Till they came to the place where the Baby lay.
In His manger crib on a bed of hay;
And bending low they worshipped the Child,
As He lay in the arms of His Mother mild;
And presented Him gifts of gold and myrrh,
As He looked on them and smiled at her.
The treasures they gave were rich and rare,
For ne'er had they seen a Child so fair.
"Tis true," they cried, "what the angels sing
For the Child is Christ! We have found the King!"
Then back to their homes which the East adorn,
Proclaiming the news that the King was born.

Town Supports Firemen's Request

Digby Town Council on Monday night supported a request from the Digby Fire Department to seek an increase in grant for fighting fires in certain municipal areas now served by the department. The firemen felt that the \$750 a year received from the areas of the municipality served should be raised to \$1,000 a year. The fire committee of the town council was authorized to meet with the municipality or committee of the municipality regarding the increase to be sought.

In order to attract any new business or industry to the town, the council on Monday night authorized an agreement between the town and Industrial Estates Ltd. to make special tax exemptions or rates or fixed assessment on property which might be obtained in Digby by the Crown corporation or its tenants.

The matter of the Municipal Home at Marshalltown was discussed and the arbitration committee was requested to meet with the Digby Municipal Council regarding future plans. It was stated that there is now only one patient at the home, others having been moved, and that patient is from outside the town. The town, it was noted, still continues to pay a share of the Municipal Home expenses.

The taxi by-laws were again discussed and left in the hands of the license committee to study before any further action is taken to institute changes. The license committee reported that John Woolaver had advised that he had given up the taxi business. A request had been received from Lyndon Morehouse for a license.

Permission was granted the Institute for the Blind to hold tag days May 10 and 11 and to the Ladies' Auxiliary Digby Legion for a Walter Callow tag day on May 17. The Institute for the Blind also requested the usual \$75 grant pointing out that there are 58 blind people in Digby County receiving assistance. A license was granted to Herman Gray, Barton, to sell Watkin's products in town but Dionne Bakery, West Pubnico, was to be advised that in order to protect town merchants a license to sell from door-to-door in town was not favorable towards them.

A letter was read from the Liquor License Board in reply to the town's request for a liquor plebiscite.

The letter advised that they would proceed with the plebiscite as soon after the new year as possible.

Ten complaints had been laid with the police in December, eight of which required investigation. One person was taken to court under the criminal code and the case disposed of. Three motor vehicle accidents were investigated. The police reported a quiet Christmas and New Year with no accidents.

Rescue Corps Writes Exams

Raele Douthwaite, assistant C.D. Co-ordinator for the Province of Nova Scotia, and Donald Machum, zone director, were in Digby on Tuesday night when the Rescue Corps from the Digby Emergency Measures Organization wrote examinations and were also examined orally on their eight weeks course.

The class consisted of twelve from Digby and four from Annapolis Royal under the direction of Vaughn VanTassel, Earl Anderson and Joseph Doucette. Thomas Cleveland is C.D. director for Digby.

The course just completed included five stages of rescue; knots and applications; casualty handling such as use of stretchers, blankets, etc.; care and handling of ladders and dry run on pump drill.

With the completion of the present course another in practical work will be started immediately, it is understood.

Trinity W.A. will meet with Mrs. Raymond Lent Tuesday evening, with Mrs. Digby Baxter co-hostess.

Suggestions By Traffic Authority

On recommendation of town traffic authority, Earle Morrell, of the town police committee, brought several suggestions before the regular council meeting on Monday night. It was suggested that Acadian Lines again be approached regarding availability to the town of their parking lot. It was also suggested that the old Band Hall property be utilized for parking when available. Between the two it was felt fifty or sixty cars could be accommodated. Another suggestion was parallel parking on the west side of Water St. and a one-way street on First Avenue from Sydney to Church Streets. Two hour parking meters were also suggested.

It was decided to install at some future date either steps or ramp to a thoroughfare known as the "glinker", extending from Water Street to First Avenue.

The streets committee reported that the waterfront repairs had been made except on the Shore Road where they were awaiting lower tides before completion.

James Ayer, of the Digby County Power Board, by diagram, reviewed for the council the lighting system as now stands in the town. It was decided to install the new mercury arc street lights along Queen Street and at several places in the south end of town and to improve the lighting in the Racquette area. When the proposed lighting is completed the band hall property will become available to use for parking space.

Digby Welfare Numbers Down, Cost Up

The amount paid out for welfare in Digby town in 1962 was \$2,168, or \$404 more than in 1961, according to the report given at the council meeting on Monday night by Russell Atkinson, head of the welfare committee for the town.

While costs had gone up it was pointed out by Mr. Atkinson that fewer families and fewer people were on welfare in 1962 compared with 1961. In 1962 there were 18 families, or 77 persons, on welfare, while in 1961 there were 21 families with a total of 81 persons who received welfare from the town.

Man Full Time At Dump

The Digby Town Council on Monday night decided to engage a man full-time as caretaker of the dump at the south end of town. The dump, which has been getting in a worse condition as time goes on because of people putting papers, garbage and even car bodies at such times and where they cannot be disposed of immediately will be cleared by bulldozer and levelled immediately. Gates and fence will be constructed and certain hours (8 a.m. to 5 p.m.) each week day will be designated for depositing at the dump. Dumping of car bodies is to be prohibited.

The town clerk, E. Scott Eaton, had been instructed at the December council meeting to get information on the installation of an incinerator. After consideration it was decided to try the full-time caretaker.

Parish League Hockey

In the first game of the church league at the Digby Forum last week the Christophers shut out the Savios by a 10-0 score. Goals for the Christophers were by Mike Surette 3, Ron Mullen 3, Mark Amoro 3 and Bruce Surette 1.

In the second game between St. Theresa's and St. Pat's, the final score was 13-5 for St. Theresa's with goals by Dannie Doucette 5, Andy Doucette 4, Eric Melanson 2, Larry Comeau 1 and Bobby Sibley 1. St. Pat's markers were by Doug VanTassel 3, David Wood 2.

Town Appoints Committees

Town councillors were sworn in office at a solemn ceremony held at the Town Hall immediately preceding the regular monthly meeting on Monday night. The re-elected councillors who had won seats by acclamation in December are Mrs. Helen Anthony, Bruce Baxter and Earl Morrell, each for a two year period. Other councillors are Russell Atkinson, Charles Hersey and Ralph Jayne. The meeting was presided over by Mayor V. L. Bent.

During the regular meeting the following committees were appointed:

Deputy Mayor, Anthony; Finance, Baxter, Atkinson, Hersey; Streets & Public Works, Baxter, Hersey, Morrell; Fire and Sewer, Hersey, Baxter, Jayne; Police, Morrell, Atkinson, Hersey; Licence, Jayne, Morrell, Atkinson; Light, Morrell, Anthony, Baxter; Revisors of Jury List, Jayne, Morrell, Atkinson; School, Anthony, Jayne, Baxter; Hospital, Bent and Hersey; Arbitration, Atkinson, Jayne, Hersey; Assessment Appeal, Hersey, Anthony, Morrell; Poor Relief, Atkinson, Anthony, & Hersey; Civil Defence, Jayne, Anthony, Baxter.

Congregation 153 Years Old

The annual roll call service of the United Baptist Church was held on Sunday, January 6th, in the vestry at Westport. The church celebrated its 153rd birthday.

There was a short sing-song at the beginning, after which the pastor, Lic. McLean read the scripture taken from Rev. 20:11 to end of chapter. The Misses Judy Welch and Sharon Frost rendered a duet.

The offering of the evening was received by Phillip Welch and Gerald Frost.

Before the roll was called by Mr. Fred Denton two hymns, one by the choir, "I'm going to be there at the Roll Call", and one by congregation, "When the roll is called up yonder", were sung. Mrs. Fred Denton read responses and letters from those who were not able to attend.

The pastor brought the message of the evening - "When the roll is called up yonder, will you be there?" He spoke of there being three groups of people - (1) those who know their names are on the roll in heaven; (2) those who are uncertain; and (3) those who know that their names are not there. It was a very inspiring sermon.

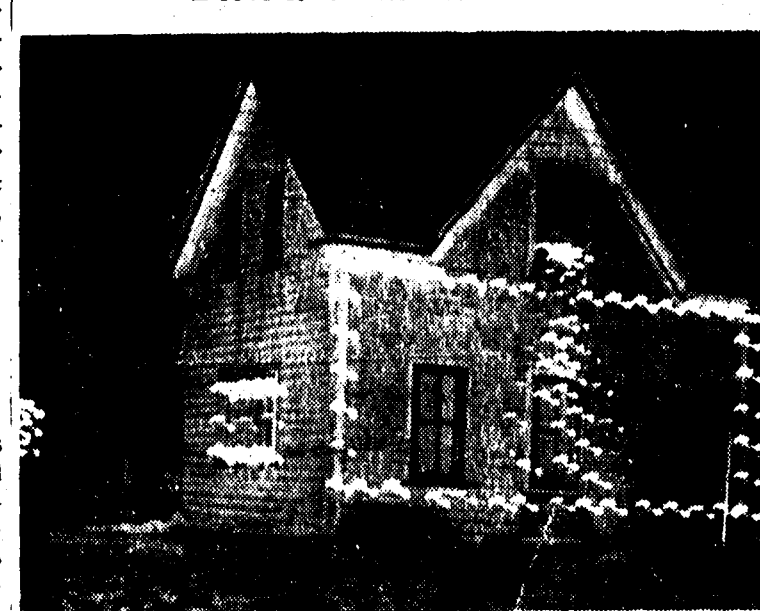

Following the service the communion was served to those remaining.

Miss Wendy Hazelton and brother, Vance, spent New Year's Day with their grandparents, Mr. and Mrs. Frank Hazelton.

Winning first prize in the Christmas decorating contest, sponsored by the Digby Lions Club, was the home of Mr. and Mrs. A. L. Robinson, 2nd Avenue. Second prize was won by Mr. and Mrs. Dickson Sabine, but unfortunately the photographer was unable to get a picture before the storm.

Third Prize Winner

Above is the home of Mr. and Mrs. Harley Weagle, which took third prize in the Christmas decorating contest conducted by the Digby Lions Club.

Local And Personal Items

Roger Johnson, of Halifax, spent his holidays with his wife and children.

Mr. and Mrs. Valentine Kaulback, of Joggins Bridge, spent the weekend with Mr. and Mrs. Edgar O'Neil.

Mr. and Mrs. Donald Outhouse, Mrs. Ronald Outhouse and Melbourne Outhouse spent Thursday in Digby.

F/O W. G. Johnson, of Ottawa, spent his Christmas holidays with his parents, Mr. and Mrs. Walter Johnson.

David Leonard has returned from a visit in Toronto and has resumed his teaching duties at Annapolis Royal.

Recent guests of Mr. and Mrs. B. D. Franklin were Mr. and Mrs. Vaughan Henshaw and son, Day, of Kentville.

Mr. John Murley who spent the holidays with his parents, Mr. and Mrs. Reginald Murley, has returned to Sydney.

Mrs. Linda Morehouse has received word of the death of her sister, Mrs. A. J. Farrow, of Toronto. Interment was in Toronto.

Mr. and Mrs. Richard Gidney, Dartmouth, spent last Sunday with the former's grandparents, Mr. and Mrs. Frank Hazelton.

Mr. and Mrs. Loran Ritcey, Lunenburg, were overnight visitors on Tuesday of their daughter, Mrs. Hector Jordain, and Mr. Jordain.

Miss Muriel Habson, of Meriden, Conn., spent the Christmas holidays with her friend, Henry Jr., at the home of Mr. and Mrs. Henry Lewis.

Ronald Winchester, who spent the Christmas holidays with his parents, Rev. and Mrs. R. R. Winchester, Barton, has returned to Acadia University.

Mrs. Minard White returned to her home on Lighthouse Road Saturday, January 4th, after a two months visit with Mr. and Mrs. Donald White, Lynn, Mass.

Mrs. Mae Frost, Little River, has returned home after spending the Christmas holidays with her daughter, Mrs. Oakley Turnbull, Mr. Turnbull and Sandra, Lighthouse Road.

Mrs. Robert LeFleur (nee Sally Wambach), Dartmouth, left on Tuesday for North Bay, Ontario, after spending several days with her parents, Mr. and Mrs. James Wambach. She was accompanied as far as Ottawa by her grandmother, Mrs. Simon Wambach, who will visit her daughter, Mrs. Robert Grant, and Mr. Grant. Mrs. LeFleur was transferred from Bank of Nova Scotia, Dartmouth, to the North Bay branch.

Mr. Bligh was in touch daily with the M.S. Bounty during its recent tour.

Mr. Roscoe was Radio Officer on the ship.

First Prize Winner

Marooned On Island

Ralph Clements, 16 year old son of Mr. and Mrs. George Clements, Westport, had quite an experience on Saturday, January 3rd, when he was marooned on Green Island for a few hours.

He and dog Rover went on the island when the tide was out and when ready to come home found the tide had filled in the rocks that led to shore.

When dark came and he didn't arrive home, his father started looking and came to the conclusion that he might be on the island. He and Mr. Harold Denton took the latter's boat and went down, and when they arrived Ralph was waiting, prepared to stay until the tide went out and he could get to shore, around 11 o'clock p.m. He was wet and cold, but suffered no ill effects.

Death Crash Accidental

A verdict of accidental death was returned Friday by a coroner's jury inquiring into the death December 31 of Carl Hurlburt, of Carleton, Yarmouth County.

Held at the Yarmouth Co. Court House, with Coroner Dr. S. W. Williamson presiding, the jury heard four witnesses.

Tallis Ellis said he was driving through Meteghan when Hurlburt passed him. He said he was driving about 40 miles per hour and that Hurlburt had no difficulty passing him and had gone over to his right hand side of the road for about 200 yards before he seemed to lose control of the vehicle on the extremely icy highway which was covered with about an inch of freshly fallen snow.

The youths car had gone gradually across the road to the left side and struck a utility pole.

Hurlburt had been thrown from the car and was on the edge of the pavement when found.

Laurence Thibodeau, who drove up to the scene shortly after the accident, said he had called a doctor and the RCMP at the request of Ellis who was standing with the injured man. Dr. Robert Belliveau, Meteghan, said he had examined the injured man at his office and then had him moved to Yarmouth.

He said there were no bruises or lacerations and no bleeding visible at that time.

Cpl. W. J. Arsenault, of Meteghan, testified to measurements found at scene of accident.

Dr. A. F. C. Scott testified he had been called to the x-ray room of the Yarmouth hospital where the victim died shortly after reaching the hospital.

He gave as cause of death, shock and possible lung collapse.

New Year Lamb

We do not know whether any prizes are offered for lambs like a New Year baby but, at least, Watson Peck, Bear River, thinks he has the earliest 1963 lamb born. He called the Courier to make the announcement - arrived at Watson Peck's on January 6, a new curly lamb, name Mary Watson.

Board Urges Sidewalk

Sparked by a recent letter in The Digby Courier from Rev. H. S. Hartlin, the executive of the Digby Board of Trade on Tuesday decided to urge that a sidewalk be built for the use of pedestrians on the Conway road. Of recent months two persons had been fatally injured on the road and it was decided to bring the concern of the Board to the attention of the Municipality of Digby at their January meeting. The civic committee of the Board, convened by Mrs. Grace Edwards, was to be asked to attend to the matter.

Further plans were made for the annual meeting of the Board to be held in January, when V. G. Cardozo will give a travelogue, show slides and generally speak on tourism in Europe where he recently visited. It was decided to request the Digby Lions Club to meet with them at one of their regular dinner meetings when the combined audience would have an opportunity to hear Mr. Cardozo.

The executive meeting, held at noon on Tuesday at the Family Restaurant, was presided over by the Board president, Mrs. J. M. Wallis.

United Baptist Church News

At the meeting of the Christian Youth Council of the Baptist Church of Digby held last Sunday evening, plans were made for the observance of Christian Youth Week in the church. Christian Youth Week is observed by various church denominations across Canada.

Youth events in the Digby Church will commence on Sunday morning, January 27th, with a mass meeting of the youth of the congregation for morning worship. This will include members of the CGIT, Boy Scouts, Cubs, Explorers, Baptist Youth Fellowship, and the Sunday School.

In addition to the usual youth meetings during the week, the Council will sponsor a Youth Rally on Saturday evening, February 2nd, in the church hall, with a program provided and refreshments served.

Some of the youth leaders are arranging to have displays in store windows featuring the work of Christian Youth in our churches during that week.

Reports from the various youth groups in the church which are sponsored by the Council show a deep interest in the church's young people's program and a full season of activities. Two new members to the Council welcomed, namely, Mrs. Barbara Till and Mrs. J. Whalley, who are giving leadership to CGIT work in the church.

Arrangements have been made to hold the annual business meeting of the Baptist Church in the church hall on Wednesday evening, January 16th. Following the meeting members of the Women's League will serve refreshments.

Store Changes Hands

Stedman Stores in Digby, along with all other stores of Stedman Bros. in Canada have changed hands, it is understood from reports.

The chain has been purchased by a subsidiary of Gamble-Skogmo Inc. of the U.S.A., which owns MacLeods Ltd. and Marshall Wells Ltd. in western Canada and 42% of Investors Syndicate of Canada.

Stedman Bros. started as a jobbing business in Brantford, Ont., where brother Samuel W. still resides. George H. Stedman was president of the company.

Given Appointment

Ralph MacIntyre has been given a government appointment to the Digby Municipal School Board.

He succeeds Joseph Hattie in this position.

Ferries Provide Urgent Service

Rev. Neil Burt, pastor of the Church of Christ, Disables, Westport, was rushed to the Digby General Hospital on New Year's Eve, where he underwent an emergency appendicitis operation. The Westport correspondent describes the trip from the Island as a "hectic" trip with rough crossing on both Grand and Petite Passages. At East Ferry, owing to the extreme weather, the boat had to land at one of the fish firm wharves and Mr. Burt had to be carried by stretcher up the long and steep hill.

It is also understood that Mr. Burt had to be strapped to the boat's engine box to protect him from being knocked about in the high seas. With power failure, navigation to the ferries and at the dock had to be done in complete darkness.

The Reverend Mr. Burt has now returned to his home none the worse for the adventure but we can imagine with an ardent wish for a causeway to eliminate some of the difficulties in stormy weather crossing.

At another time during the stormy holiday season the ferry from Westport to Freeport was turned into a delivery room, it is understood, when a baby was born. Unfortunately it was a still birth.

V.O.N. Now 20 Mile Radius

The Digby Local Association V.O.N. is now covering a 20 mile radius for professional care in the home, it was brought to the attention of board members at a regular meeting of the order held at the Court House on Tuesday. The nurse is on call for 24 hours a day for emergency nursing care and gives service to all regardless of race, creed or ability to pay. It was announced that patients can generally pay the full modest fee, some can pay part, while there are others who cannot pay at all but who are never refused service.

Mrs. P. C. Gott had kindly brought to the attention of Hospital Board members of the V.O.N. referral plan for home nursing care.

Again an increase in visits over the same period last year was announced with the report of the nurse, Miss Shirley Grant, showing 109 visits for the month of December.

Mrs. Alice Keen was relief nurse while Miss Grant visited at her home in Stratfordville, Ontario, over the Christmas holidays.

Week Of Prayer

Lieut. K. G. Crews was the speaker on Tuesday night when the Week of Prayer services opened in Digby at the Baptist Church. He spoke from Romans 1:16, "For I am not ashamed of the gospel of Jesus Christ..." There is need of one gospel, he said, and the need of the one gospel is for experience of God to learn of His work, mission, purpose, will and truth. The gospel is also needed to teach God's message, he continued.

In sickness the gospel is comfort, it is a help to the lonely and those with problems. The gospel, he said, is for multitudes and for individuals. Often, he remarked, the gospel is thought to apply to the other person and difficult to accept for oneself. He urged his audience to accept the gospel individually for self.

The service was conducted by Rev. H. S. Hartlin, assisted by Rev. R. H. Hughes, of Grace United Church. Mrs. Shirley Clayton and Wallace Hodgson sang a duet.

On Wednesday night the service was in Grace United Church with Rev. H. S. Hartlin the speaker. Tonight Rev. R. H. Hughes will be the speaker in the Baptist Church and the choir will consist of the CGIT groups from the Baptist and Grace United Churches.

Miss Donna Lewis, nurse-in-training at the V.G. Hospital, Halifax, spent New Year's with her parents, Mr. and Mrs. Henry Lewis.

About This and That Festival Comes In March

Now that the holiday season is over and work and study are getting back to routine again we want to remind students, parents and other adults that there is a music festival scheduled in Digby County for the month of March. January is well on its way, February is a short month and by the middle of March the festival will be just about upon us. A good festival will require some good performances and good performances generally require time and practice. The time is getting short.

If the music festival were the end goal for achievement it would be scarcely worth our while to urge this attention although the festival itself is worthy. But the festival is a means to creating a greater appreciation of music, a means to discover talent and to encourage the art of music either as a means of livelihood or for the simple joy it provides. These are the important features of the festival.

Actually music should be as much a part of a child's education as any other subject. Under a competent teacher every child can develop some ability to express himself or herself musically and training of this type is important regardless of whether there is any thought of the child's pursuing a career in music or not. Often all that a child needs is a gentle parental push in the form of encouragement and toward a definite practice schedule for the child. This latter is most essential until the child begins to hear proof of his own practice and then the initiative to practice usually comes by itself. A parent can also encourage a child to good music appreciation by surrounding the child with good music in the form of records just as an appreciation for good literature can be created by access to the right sort of books.

A parent too should be aware that good music can be expressed through other mediums besides piano and the singing voice. Should a child show musical ambition in this direction there is the string instrument which had been somewhat neglected and which is showing an increase in demand for those interested in a musical career, we understand.

Recently we heard of an artist who employs a unique system of painting to music for the purpose of dispelling tensions and including relaxation. The procedure calls for the painting of something simple while recorded music is being played. This relaxes the artist as well as providing a "warm up" for some serious effort. If music has a relaxing effect on the artist it can be employed to dispel personal tensions in other fields. This in itself is no mean purpose for encouraging music.

Make the 1963 Digby County Music Festival a success for its own worth as a performance and also for the longer range values provided through the festival. Some serious practice will be needed for the next few weeks.

"How About Raising Hell?"

If you haven't done so already try to get a copy of the Chronicle-Herald, January 5, 1963, and read on page 5 a complete copy of an address given by a newspaper editor, Jenkin Lloyd Jones, of The Tulsa Tribune, Okla., to the Inland Daily Press Association of the United States. The address could well have been given before any other type of audience besides press people either in U.S.A. or Canada and so we commend its reading to you.

Would that all of us who publish newspapers take at least part of the advice given by Mr. Jones in his address. We need the advice. However, with all our own belief in the power of the press we do feel a bit annoyed with people who hide behind newspapers and pulpits. How often we hear people say and urge the editor "You should take a stand in the issue", "you should come right out on the matter", "you shouldn't let that go by" or referring to the pulpit they denounce ministers for not coming out in the open on an issue or taking a firm stand on a matter. Somehow they feel there is some miracle of salvation from an evil once it appears on the editorial page in the press or is spoken from the pulpit. We feel that their urgency is often just a cloak behind which to hide, an ease for the conscience without openly having to raise a finger of their own hands to remedy a problem which they feel bothersome. We even think if some of these people felt the press and pulpit to be so all powerful as they intimate they would just come running with financial support to assure that we'd never be without the press or pulpit. Somehow this doesn't happen. We do feel that editors, ministers and leaders play an important part but we further feel that lay people must also use their weight and so we suggest the address by Mr. Jones as published in the Chronicle-Herald on Saturday contains a lot of good advice for both publishers and readers. The address ends "How about raising hell?" and the speaker meant against all kinds of things we do not like or approve.

We do not favor picking out passages from addresses, a practice sometimes which gives a different interpretation to parts of addresses just as a passage from the Bible often does when taken out of context, but we cannot publish the full address. With giving full credit to the Chronicle-Herald we shall quote a few of the subjects taken up by Mr. Jones about which he suggests "How about raising hell?" Here are only some of the extracts which we thought would give food for thought for our readers even though they are disconnected paragraphs —

"I don't want my children's children to go through a couple of centuries of dialectic materialism before the sun comes up again."

"One thing is certain. We shall be given no centuries for a leisurely and comfortable decay. We have an enemy now — remorseless, crude, brutal and cocky. However much the leaders of the Communist conspiracy may lie to their subjects about our motives, about our conditions of prosperity, about our policies and aims, one thing they believe themselves implicitly — and that is that we are in an advanced state of moral decline."

"In the classroom they pretend to grade subjectively, against the student's supposed capacity, lest he be humiliated by natural inadequacy. But on the football field they never put in a one-legged halfback on the theory that, considering his

disability, he's a great halfback. They put in the best half-back they've got, period. The ungifted sit on the bench or back in the stands even though they, too, might thirst for glory."

Referring to some of the modern art, "So our museums are filled with daubs being stared at by confused citizens who haven't the guts to admit they are confused."

"Relief is gradually becoming an honorable career in America. It is a pretty fair life, if you have neither conscience, nor pride. The politicians will weep over you. The state will give a mother a bonus for her illegitimate children, and if she neglects them sufficiently she can save enough out of her ADC payments to keep herself and her boy friend in wine and gin."

"And we of the press are a party to the crime. Last year the movie ads in our newspaper got so salacious and suggestive that the advertising manager and I decided to throw out the worst and set up some standards. We thought that due to our ukase there might be some interruption in advertising some shows. But no. Within a couple of hours the exhibitors were down with much milder ads. How was this miracle accomplished?"

Well, it seems that the exhibitors are supplied with several different ads for each movie. If the publishers are dumb enough to accept the most suggestive ones those are what they get. But if the publishers squawk the cleaner ads are sent down. Isn't it time we all squawked?"

"We are drowning our youngsters in violence, cynicism and sadism piped into the living room and even the nursery. The grandchildren of the kids who used to weep because The Little Match Girl froze to death now feel cheated if she isn't slugged, raped and thrown into a Besemer converter."

"It is time we hit the sawdust trail. It is time we revived the idea that there is such a thing as sin — just plain old willful sin. It is time we brought self-discipline back into style. And who has a greater responsibility at this hour than we, the gentlemen of the press?"

"Let's quit being bulldozed and bedazzled by self-appointed long hairs. Let's have the guts to say that a book is dirt if that's what we think of it, or that a painting may well be a daub if you can't figure out which way to hang it. And if some beatnik welds together a collection of rusty cogwheels and old corset stays, and claims it's greater sculpture than Michelangelo's 'David' let's have the courage to say that it looks like junk and probably is."

"I am tired of seeing America debased and low-rated in the eyes of foreigners. And I am genuinely disturbed that to idealistic youth in many countries the fraud of Communism appears synonymous with morality, while we, the chief repository of real freedom, are regarded as being in the last stages of decay."

We can learn a lesson from history. Twice before our British cousins appeared heading into a collapse of principle, and twice they drew themselves back. The British court reached an advanced stage of corruption under the Stuarts. But the people rebelled. And in the wild days of George IV and William IV it looked as though Britain were rotting out again. But the people banged through the reform laws, and under Victoria went on to the peak of their power.

In this hour of fear, confusion and self-doubt let this be the story of America. Unless I misread the signs a great number of our people are ready. Let there be a fresh breeze, a breeze of new honesty, new idealism, new integrity.

And there, gentlemen, is where you come in. You have typewriters, presses and a huge audience.

How about raising hell?"

We repeat similarly to Mr. Jones "And there ladies and gentlemen, is where you come in. You have voices, typewriters, presses and a huge audience (through the letters to the Editor columns if you like). How about raising hell?"

PRESENT TABLEAU

The Smith's Cove Baptist Senior Young People presented the tableau and pantomime Holy Night, by Bernice Wells Carlson in the Church auditorium on Sunday evening. Letter to the Editor

Tiverton, N. S.,
Jan. 6/63.

Digby Courier,
Digby, N. S.

In regards to your paper, "The Courier" — Mrs. John Outhouse is your correspondent, and we send our news to her, so that our children and friends away from home may get the news. Why are they not printed? My children get the Courier mailed from your office — I get mine from Chester Outhouse. I know how disappointed the people in Toronto, U.S.A., B.C. and Halifax are when they pick our Courier up — and no news from home.

Mrs. John Outhouse is a good correspondent. I'm sorry they put the blame on her, for no news in your paper. Why?

Yours,

Mrs. Sylvanus Outhouse.
P.S. — Will you please print this in your paper — with the answer.

Editor's Note — we are happy that you complain and ask the above question for it shows how much our readers look forward to The Digby Courier and how interested our readers are. We won't attempt to answer your letter today but will promise to do so, probably next week, and tell you of some of the problems in running a little country weekly. Sometimes the problems are greater than a city daily, we fear.

HOME & SCHOOL CHRISTMAS PARTY

The regular meeting of the Smith's Cove H. & S. Association was held on Tuesday, Dec. 18 in the school auditorium which was beautifully decorated to characterize the yuletide season.

Following the business the entertainment was referred to Mrs. A. Dunn, who had a well prepared program that was both humorous and in keeping with the season. Group games, contests, monologues, innovations to the choreography of modern dancing, and skits were among the attractions. A lively sing song under the direction of Mr. F. Fullerton, and Mrs. J. Wallis as pianist, revealed that much vocal talent exists in the area. And much to the joy of the younger folk along arrived St. Nicholas with his toyland of gifts for all. After Santa's visit a delicious lunch was served by the refreshment committee.

Obituaries

John Jeddrie

The community of Plympton lost one of its oldest and most respected citizens in the passing of John Jeddrie, on December 29th.

Mr. Jeddrie was born in Salmon River, Digby Co., in 1875 and was the son of the late Mande and Annie (Boucher) Jeddrie. As a young man he went to the U.S.A. and was employed in the shipbuilding industry. Over 30 years ago he returned to Nova Scotia and settled in Mayflower, Digby Co. In 1929 he moved to Plympton, where he has since made his home.

He leaves his wife, the former Ella Doucette; eight daughters and two sons: Anna, Cambridge, Mass., Marie (Mrs. Harvey Voorheis), New Brunswick, N. J., Marguerite (Mrs. Lawrence Devaux), St. Alphonse, Digby Co., Irene (Mrs. Roland Lozeau), El Paso, Texas, Gertrude (Mrs. Peter Devaux), Halifax, Hazel (Mrs. John Colangelo), of Malden, Mass., Sister Jean Anne, St. Peter's Convent, Lowell, Mass., and Jane, at home, Everette, St. John, N. B., and Bertie, a Flight Sergeant with the RCAF, Ottawa. There are also one half-brother, Albert Doucette, Mavillette, and several nephews, nieces and grandchildren.

Funeral service was held on Saturday, December 31st, at St. Croix Church, of which he was a faithful and devout member. The celebrant at the Solemn Requiem High Mass was Rev. Father Raoul Devaux, assisted by Monsignor Elie LeBlanc, Deacon, and Rev. Father Luke Gaudet, Sub-Deacon. Interment was at St. Croix Cemetery.

Kenneth N. Orde

There passed away suddenly on December 19th, at his home in South Milford, Kenneth Norman Orde. He was born at Wakefield, Mass., in 1903, but at a very early age he moved to South Milford with his parents, the late Reid and Mary Orde, where he had since resided.

He leaves to mourn his wife, the former Edna McGill; one daughter, Kathleen (Mrs. Wilbert Teller), of Halifax; two sons, Chester and Curtis, at home; six grandchildren, Margot, Reid and Cynthia Teller, of Halifax, and Junior, Debby

and Cheryl Orde, at home; also one sister, Miss Mabel Orde, of Washington, D.C.

The service was conducted by the Rev. Paul Underwood at the Milford Baptist Church with committal service at the adjacent cemetery. The many lovely flowers bore mute testimony from the many sorrowing relatives and friends.

Hymns sung were "Near to the Heart of God", "Beyond the Sunset" (a favorite of the deceased) and "Face to Face".

Thomas Kennedy

Thomas Kennedy, well known Bear River gardener, passed away at the Digby General Hospital recently.

Born at Clementsport eighty-three years ago, he was a son of the late Mr. and Mrs. James Kennedy of that place. His wife, the former Nan-Mary Smith, predeceased him many years ago.

Mr. Kennedy was well known throughout the province as superintendent of Mount Hope Cemetery, Bear River, N. S. This office he held for over forty years.

Keenly interested in lodge work, he was a past officer of Friendship Lodge, No. 122, IOOF, Bear River. He was

PONTIAC
lifts you
and away
from the
everyday!

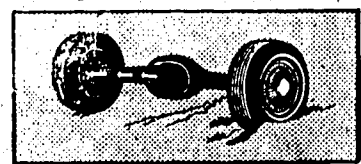

The new Pontiacs took to the road and people were quick to make comparisons. Their conclusion? Pontiac had the year's most winning style. Today, it still stands alone as the most beautiful car in the popular price field. Inside, there's the tasteful charm of spacious seats and rich new appointments. Power's supplied by a standard '6' or V8. See Pontiac's 33 models soon at your Pontiac dealer's.

Water is directed through intake cowl into rocker panel to flush out corrosive elements. Air flow dries panel interior, reducing rust.

Pontiac body has a rust-resistant Zinc-O-Bonding process for Winter protection. The muffler is aluminumized to extend useable life.

Positraction* rear axle increases traction on ice and snow. When one wheel slips, power is transferred to the other.

Tiverton

Congratulations are extended to Milton Outhouse, recent winner of a transistor in a contest by the Kellogg Company.

Glad to report Eric Outhouse, who suffered a knee injury while skating on Tiverton's Lake, Central Grove, is improving.

The "Mohawks", Tiverton hockey team, bowed to Centreville's "Pirates" 9-5 in a match held in Digby Forum on Friday evening, with David Elliott goal tender. Hartford Thurber, Forest Ranger, of Baddeck, and Donald Outhouse, Fishery Officer, who were visiting relatives in this area, took part in the game. About 4 residents motored to Digby to attend the match.

We are glad to report Janice Outhouse, who has been confined to her home with a second attack of tonsillitis, is improving.

Mr. and Mrs. Herbert Cosaboom and family recently visited the latter's mother, Mrs. LeRoy Wagner, Weymouth.

Miss Ann Young recently visited her brother, Mr. Edward Young, Mrs. Young and Dianne, at Freeport.

Mr. and Mrs. Eldred Outhouse recently visited their son, Mr. Darrell Outhouse, and Mrs. Outhouse, Halifax.

Wishes for a speedy recovery are being extended to Rev. Neil Burt, of Westport, who entered Digby General Hospital New Year's Eve following an attack of appendicitis. His unceasing efforts to instill God's love in hearts of children, young people and adults by holding Bible study periods for each group every Saturday, also by his regular Sunday morning services, has brought him near to residents of the community. It is sincerely hoped that he will soon return. Rev. J. Derby, of Freeport, is capably "filling in" during Rev. Burt's absence.

Mr. and Mrs. Percy R. Sabine, of Swift Current, Sask., arrived before Christmas to spend sometime with Mrs. Joseph Sabine and family, of Riverdale.

Lodge Entertains Guests

On Tuesday evening, Dec. 11, Sunset Rebekah Lodge No. 98, Westport, held their regular meeting and a Christmas party in the IOOF hall. In the lower hall a tree was decorated for the occasion.

Brothers of Juanita Lodge were invited to come and to bring their wives or friends as guests. DDP. Sister Rosanna Clements and Sister Etta Webber were in charge of the entertainment for the evening. There were games of bingo. Prizes were awarded. Following the games, refreshments were served by the sisters of the lodge. Before closing Brother Walter Titus Sr. presented a gift to all the ladies present. Sister Etta Webber was pianist for the evening.

Sisters of Sunset Rebekah Lodge who are at present living away from home, were remembered with a Christmas card from the officers and members of the lodge.

Candlelighting Service

The CGIT group of Westport Baptist Church held the vesper service on Dec. 28 in the vestry. They entered the vestry with lighted candles, while the congregation sang. The call to worship by Mrs. W. Lent preceded the extinguishing of the candles. A prayer was given by Mrs. Lent. Miss Beulah Frost read the scripture from Psalm 98, followed by a song by the CGIT girls. A litany was read responsively by Mrs. Lent and the congregation.

The offering was received by Misses Penny Kenney and Susan Webber and amounted to \$5.00. Another hymn was followed by the meditation, a comparison of Christmas today with that of long ago.

The girls then performed their candle lighting service and the Misses Judy Welch, Sharon Frost and Barbara Frost recited. Mrs. Richard Welch was pianist for the service.

1/2 AWAKE NIGHTS

Many people never seem to get a good night's rest. They toss and turn in bed—and then are dull and listless throughout the day. All of which may be due to a temporary toxic condition which calls for the use of Dodd's Kidney Pills.

1/2 ASLEEP DAYS

Healthy kidneys filter poisons and excess acids from the blood. If they slow down and impurities stay in the system, disturbed rest, tired feeling and headache often follow. If you don't rest well at night—if you haven't that sprightly step of health in the daytime—use Dodd's Kidney Pills. You can depend on Dodd's!

Deep Brook Votes Down Consolidation

The annual school meeting of Deep Brook school was held on Monday evening with a record attendance of 46 persons present.

Frank Dilmars was chairman of the meeting. A motion moved by Fulton Stark and seconded by Carl Burrill that Deep Brook school consolidate with Bear River brought forth much discussion, pro, and con.

L. L. Snell, chairman of the Municipal School Board, presented one side of the situation in favour of Consolidation with Bear River. Figures transportation problems, overcrowding of classrooms, etc., were all discussed.

The situation appeared to be that Bear River School is overstaffed at the present time and rather than change this the Municipal School Board would prefer closing Deep Brook School according to a spokesman. It also appeared that under the present rule of the Municipal School Board, regardless of what the ratepayers wish, the decision of the Board rules. As the cost of education including transportation costs, maintenance, etc rises, it looks as if our great grandchildren will be paying for their grandfathers education (reminds us of the song "I am My Own Grandpa") said a Deep Brook resident.

The question of why a growing community, the size of Deep Brook, situated on the main highway, with new homes going up each year, should be even considering the closing of their two room school, is being asked by several ratepayers and residents. Improvement and enlargement seems more in line with the prosperity of the place.

The vote on the motion of consolidation with Bear River resulted in eighteen in favor of consolidation and twenty against it. A delegation was appointed to meet with the Municipal School Board asking for remodeling and possible additions to our present school. Meeting adjourned.

Spring Here?

Mrs. Louis Blinn, Plympton, on her way home at noon on January 4th saw a caterpillar crawling on the road. It was fully alive. Guess it is rushing Spring, says our Plympton correspondent.

Little Debbie Amero, daughter of Donnie Amero, had fun also on January 4th. playing with a butterfly.

Guess they took advantage of our lovely day.

Altar Frontal Dedicated

A white satin altar frontal was recently dedicated at Trinity Anglican Church in memory of Mrs. A. D. Daley, of Digby. Work was begun on the frontal more than 50 years ago by the late Mrs. Daley.

The frontal, with its raised central cross of heavy gold thread and surrounding ecclesiastical design had been in use on the altar of the church during the appropriate seasons of the church year for close to 50 years. Due to inability to secure required materials and the later illness of Mrs. Daley, who studied church embroidery in Boston, the addition of two broadened panels, needed to complete her original design, was never made.

During the past year, however, Mrs. Daley's daughter Miss Louise Daley, was able to secure from England the required panelling and braid and she completed the task started by her mother. She also worked a super-frontal which surmounts the altar frontal. The completed frontal and super frontal were used on the altar for the first time during the Christmas season.

Also dedicated at the church service were a number of copies of the new prayer books, given to the church by Bernard Baxter of Deep Brook, in honor of his parents, Mr. and Mrs. Digby Baxter.

Services Concluded

The Week of Prayer services in Digby concluded on Thursday evening at the Digby Baptist Church when Rev. R. H. Hughes, of Grace United Church, was speaker and Lieutenant Crews conducted the service. Mr. Hughes spoke on one mission for the church. People, the speaker said, respond to the invitation of Jesus to come but they do not so readily respond to the command to go, yet, he said, they are the same, one the extension of the other. The charter of the church or the purpose is to take the gospel into the whole world and the home church is only a means to an end. The work at home and overseas is one, the speaker continued. In closing his remarks he challenged his audience to the command of go either in participating in mission work or supporting it. He also challenged youth to find what God wanted them to do when choosing a career.

On Wednesday night Rev. H. S. Hartlin spoke in Grace United Church on the theme one spirit using the topic "A New Spirit For A Great Task." The speaker pointed out that even as in the days of ancient Israel, so today a new spirit of faith and hope is needed by modern man to enable him to combat and overcome the negative influences that bear upon him from every side. A new spirit of faith and hope in God will counteract the poison of cynicism, fear, and insecurity in the human soul.

Churches also can be lifted out of the rut of depression and unconcern only as long as they are charged again and again with the spirit of God. Boredom, the speaker said, is one of the most prevalent maladies of our day, because the individual and even the church may have no large and commanding vision of life. The sense of spiritual adventure is lost, because people have lost contact with God. Just as plants withdrawn from light may die, so it can happen to the soul of an individual, a church, or a nation, when it is cut off from the sources of spiritual light, life and power. Intellectual insight and organizational activity are not enough in our churches. Our weak spiritual batteries must be recharged with the Holy Spirit. The times in which we live call for a new heart and a new spirit.

The first service was in the Baptist Church, with Lieutenant Crews speaking on the theme, "One Gospel."

A prayer service was held in the Little River Baptist Church on Wednesday evening under the direction of the pastor, Rev. Mersereau. Mr. Ronald Morehouse, of Centreville, opened the meeting with a song. Rev. Mr. Spencer, of Centreville, was guest speaker, taking his text from Joshua, 3rd chapter. Rev. Kimball, of East Ferry, was called on for prayer.

Music was by the general choir, under the direction of the organist, Mrs. Lindsay Raymond.

The Wednesday evening service during the week of prayer in the Weymouth District was held in the Bethel Baptist Church, Ashmore. Speaker for the occasion was Mr. F. J. Withers, United Church minister of Weymouth. The service was conducted by Rev. C. R. Barkhouse, pastor of the church, assisted by Rev. R. R. Winchester, Baptist Church, Barton; Rev. M. V. Durling, Reformed Baptist Church, Havelock; Mr. Albert E. Jones, Church of Christ Disciples, Weymouth. The choir was comprised of each church represented and rendered the selection "He Keeps Me Singing." Organist was Mrs. Scott Kinney.

A good congregation was in attendance.

Damages Car

Alvin Stark, Mount Pleasant, had his car damaged to the extent of \$50 when he hit a deer while travelling along the road in Marshalltown, towards Digby. The accident occurred about one o'clock on Monday morning.

T.V. Reception - Some Good, Some Poor

Monday of this week saw the discontinuance of the educational T.V. programs in the Digby Regional High School. Faulty T.V. reception was given as the reason for discontinuing the programs. The T.V. program was used in the teaching of mathematics and science to Grade XI. The program was transmitted through channel 6, CJCH station at Bay View.

In an interview with J. F. D. Fry, supervisor of schools at Annapolis Royal, where the same programs are received through the same channel 6, the Digby Courier was informed that the educational programs in Annapolis Royal are coming through quite satisfactorily. Occasionally, as with any T.V. program from anywhere, he said, there is an interruption, but in general the students and teachers are satisfied.

In an interview with the Digby school staff, it was found that the picture and audio reception were both poor at the Digby school and frequent technical failures occurred. One student estimated that about two out of five programs were satisfactory for student absorption.

Home T.V. reception through channel 6 at Annapolis Royal was also considered excellent even without a special antenna or in cases with nothing but a small wire for an antenna. In Digby and area the home T.V. reception through channel 6 was divided as to good and poor on a practically 50-50 basis, according to those interviewed. Some homes were receiving the picture and sound well without any special antenna. Others found that a second antenna for the station was all that was required for a good picture. One gentleman said that before he installed a special antenna the reception was poor but by spending around \$10 for an antenna he had perfect reception. In more than one instance it was found that while one T.V. in a home was getting perfect reception another T.V. in the same house would find the reception poor. In one instance it was found that the channel 6 T.V. reception in the home during the past few weeks was superior to that coming from Saint John, N. B.

Checking with CJCH broadcasters the Courier was informed that no recent complaints had been laid from Digby since their earlier problems were overcome and that in spot checking they found reception seemed to be satisfactory. They had received letters, it is understood, in appreciation of the service and expressing favourable reception.

Youth Speaks

Editor, The Digby Courier, Digby, N. S. Dear Madam:— We would like to urge, through your newspaper, that all citizens who are against having further liquor outlets in the Town of Digby to voice their opinions and vote against this in the forthcoming plebiscite.

We have thoroughly discussed this in our C.G.I.T. meetings, and are deeply concerned. We are certain that the majority of our citizens are strongly opposed to this, but perhaps will feel it is not necessary to vote. It is necessary!

We, the youth, are the future citizens of our country, and we urge you, the adult, to take a stand against these things which will weaken and degrade our town, and to prepare for us a strong, respectable country of which we can be proud.

The C.G.I.T., United Baptist Church, Digby.

Blaze At Fashion Cleaners

A fire at Fashion Cleaners Ltd. on Wednesday morning destroyed several partitions and did slight damage before the Digby Fire Department got the blaze under control.

Presents Decoration Prize

Above is Mrs. E. A. Rigby, HMCS Cornwallis (right) presenting to Mrs. Dickson Sabine (left) a rosebowl in recognition of the second place in the Christmas Home Decoration contest sponsored by the Digby Lions Club. Mrs. Rigby had been one of the judges along with Mrs. A. H. Trepanier, Annapolis Royal, CPO E. A. Rigby and Mrs. R. C. Knight of HMCS Cornwallis, and the presentations were made at a special meeting of the Digby Lions Club. In responding to the presentation, Mrs. Sabine thanked the club and the judges and congratulated the other winners in the contest. In accepting the award Mrs. Sabine said that all the outdoor decorations used at their home were personally made by Mr. Sabine. These included Santa and his reindeer and other features.

In the rear of the picture is Richard Levy (right) a member of the decorations committee and H. G. Webber (left). Wallace Hodgson was chairman of the committee, with David Daley a member.

The first prize was won by Mr. and Mrs. A. L. Robinson and the presentation was made by Mrs. R. C. Trepanier. Third prize went to Harley Weagle and was presented by Mrs. R. C. Knight. Mr. Weagle's daughter, Mrs. VanTassel, accepted the prize along with her father.

PO Rigby congratulated the Mayor, Council, Lions Club and all those who had assisted in making Digby an outstanding attraction during the holiday season. Mr. Knight, in a few remarks, congratulated the Lions on their efforts and suggested that the contest might be expanded another year to the commercial area of the town or be divided into categories of originality, etc.

The meeting was presided over by Arnold McCallum, who introduced Harry Benjamin from the Dale Carnegie Course. Arrangements were made by the Lions to sponsor a preliminary Dale Carnegie course on January 29. Mr. Benjamin spoke of the benefits of the course in instilling self-confidence, public speaking, training memory, etc. Corporal Robert Douglas, who had al-

ready taken one of the courses, spoke on the matter. The preliminary Dale Carnegie evening is free of charge to those who attend and the Lions Club stands to earn \$1 for each person in attendance if there are more than one hundred people present.

Several guests were present at the meeting, including Edward Green, Middleton, former chairman of the Membership Development and Retention Program for the district and now on the International Youth Exchange. The purpose of his committee is to promote exchange youth visits with other countries. These visits, he said, are thrilling for youth, they provide rich experience, they are informative and educational. He expressed hope that one youth from the district might be able to take advantage of the exchange visit.

Travelling expenses are provided but host clubs look after all the requirements and expenses of the youth when he reaches his destination.

Wettest Year Since 1936

The year 1962 was the wettest year experienced in Digby since 1936. In that year Percy Weir took over the weather tabulation in Digby for the Department of Transport and has found that the 65.7 inches of rainfall in 1962 was the heaviest for any one year since he started taking weather counts. The month of November had the largest rainfall for the year with the figure of 8.95. From January 1st to December 31, 1962, there were 59.5 inches of snow in Digby, with February the snowiest month of the year with 32 in. fall, November and December were also the two cloudiest months of the year. In comparison with 1961 the year 1962 brought less sunshine, lower average temperature by 15 degrees and more windy weather than in 1961.

Trinity Guild will meet on Tuesday evening with Miss Bessie Turnbull.

Bishop Waterman Retires

Announcement was made in the Anglican Churches of Nova Scotia and Prince Edward Island on January 6 of the intended retirement, effective June 3, 1963, of The Right Reverend Robert Harold Waterman, Lord Bishop of Nova Scotia since 1950. His resignation was placed before a meeting of the House of Bishops of the Province of Canada in Montreal last week.

Bishop Waterman and Mrs. Waterman are known personally in the Digby area where they spend summers at their home in Smith's Cove. It is understood that Bishop Waterman and Mrs. Waterman will retire to their home here.

Bishop Waterman will have completed 43 years in active service to his church and on January 25th, 1963, will have completed fifteen years as a Bishop in the Nova Scotia Diocese.

During his fifteen years as Bishop he has seen 21 new churches erected as well as 11 rectories and a number of parish halls. He has ordained 72 clergy to the Sacred Ministry and confirmed more than twenty-one thousand persons in the various parishes of the Diocese.

Capt. Frewer On T.V.

Capt. F. C. Frewer, of the aircraft carrier Bonaventure and formerly Captain at HMCS Cornwallis, was seen on Tuesday evening on the TV program Front Page Challenge. The headline story was the rescue carried out by the Bonaventure and other ships when an aircraft ditched in the Atlantic recently with more than sixty passengers on board. Capt. Frewer was in command of the Bonaventure at the time enroute to Rotterdam from Halifax for NATO exercises.

NEW DRAGGER

Mr. Stanley Denton's new fish dragger, the Charlotte Louise, made her maiden trip from Port Greville to Little River on Saturday. She was built by the Wagstaff & Hatfield Ltd. at that port.

Guests on board the Charlotte Louise were Mr. Paul Spicer, Bridgetown; Mrs. Stanley Denton and son, Dale; Mrs. Eldrid Frost; and Mr. and Mrs. Leland Trask, of Yarmouth. She arrived at Little River breakwater at three a.m. Sunday.

The crew consisted of David Gidney, Llewellyn Farnsworth and Eldrid Frost.

Mrs. Stephen Guest Of Honor

Mrs. Louise Stephen, New York, was guest of honor on two occasions when Mrs. A. J. Dillon, Mrs. Cecil Jones and Mrs. Helen Anthony entertained at the home of Mrs. Anthony, Montague Row on Tuesday and Wednesday of this week. About twenty-five were entertained each afternoon at tea.

Pouring the first afternoon were Mrs. Fred Stoddart and Miss Louise Daley while Miss Edith Lynch, Mrs. D. E. Lewis and Mrs. Charles Hersey assisted in serving. On Wednesday the tea cups were presided over by Mrs. D. G. Black and Mrs. H. C. Morton. Those assisting were Mrs. Leigh Jayne, Mrs. Earl H. Anderson and Mrs. James Ayer.

The tea tables for the occasion were graced with pink, mauve and white chrysanthemums and the living rooms were adorned with hyacinth, cyclamen and azalia blooms.

Mrs. Stephen, before moving to New York was a highly regarded music teacher to private students in the town of Digby. Mrs. Stephen will return to New York after she and her sister Mrs. Anthony, visit in Mexico in late January and February.

Western Valley Hockey League Schedule

So far five games have been played in the Western Valley Hockey League for the winter season. The first game opened the winter schedule when three goals by Fraser Hand-spiker helped Digby Ravens gain a 6-6 standoff with Bridgetown Hawks. Bud Thurber sniped two and A. Belliveau one for Digby. Matheson led Bridgetown with a pair and behind him, splitting singles, were Devanney, Joudrey, Murphy and Mason.

Second game of the schedule saw Bridgetown at Cornwallis, when the Hawks won over the sailors by a score of 5-3. On Sunday St. Anne's downed Digby 8-2 at St. Anne's Arena in the third scheduled game. In the fourth game Bridgetown again defeated Cornwallis by the score of 6-3. Fifth game was played at Digby between the Ravens and Cornwallis Cougars last night.

Fire Chief George Humphrey was re-elected Chief of Digby Fire Department at the recent annual meeting of the department. Other officers elected were: Asst. Chief, Arthur Handspiker; Capt. No. 1 Company, Joe Doucette; Lieut. No. 1 Co., Fred Smith; Capt. No. 2 Co., Tom Cleveland; Lieut. No. 2 Co., Earl Anderson; Capt. No. 3 Co., Hector Jourdain; Lieut. No. 3 Co., Lou Ecker; President, Buddy Barr; Secretary, Reg. Turnbull; and Treasurer, Victor Comeau.

Annual reports from all officers and committees were received at the meeting indicating that the department had a good year in all phases of work carried out. On reviewing reports received from the various officers and committees the biggest event regarding fire fighting in the year was the fact that the government placed two hydrants on the spur pier of Digby Wharf. This will greatly increase the fire fighting ability in the area as well as assist in the watering of boats while in port. This has also meant that there is considerably more hose available in case of emergency.

Regular training was carried out during the year in fire fighting and pumper training.

Many activities were carried out by the department with the annual presentation of the Ice Carnival and Labor Day Fair as money raising projects along with the weekly bingo games. These provided the department with the necessary funds to purchase additional equipment for the year, either on a replacement basis or new equipment.

The usual campaigns were carried out during Clean-up Week and Fire Prevention Week when an effort was made to pay particular attention by the public to fire hazards in general. Excellent results were obtained from both these committees during the year.

A total of 39 alarms were received during the year, consisting of mainly chimney fires of which 17 of these calls were from the outside fire districts. The matter of equipment for the outside fire protection was brought up as a result. A proposal is being made up for the recommendation of a new pumper suitable, for both in town and out of town calls and a committee will be working on this. It is hoped that with the funds that the department will be able to make available, along with assistance from the town and municipality, that this equipment will be made available in 1963.

Close co-operation with Civil Defence activities has been maintained and the rescue equipment of civil defence and vehicle are being housed at the fire station, available for immediate call.

As well as serious work being carried out many members have participated in recreational activities, such as bowling, hockey, darts and other activities. The current activity in sports is the bowling team which has been known as the Smokeaters for several years and this year appear to be making a much better showing in league action. At present they stand in third place in the league.

Digby Baptist Quartette Busy

The Digby Baptist Male Quartette, who have appeared in many churches throughout the counties of Digby and Annapolis, on Sunday widened their area when they sang at the 3 p.m. service at Plymouth, Yarmouth County, and at the 7 p.m. service at the Yarmouth North Baptist Church.

The group has been increasingly busy during the past year, making trips to various places in the area as an added feature at special services. They provide music regularly at the Digby Baptist Church. The quartette consists of Wallace Hodgson, first tenor; Donald Brown, second tenor; Jack Brittain, baritone; and Paul Snow, bass. Accompanist is Mrs. Jean Olsen.

Mr. and Mrs. Harry F. Williams, of 1525 Chestnut Street, Halifax, and formerly of Digby, observed their golden wedding anniversary on December 26th.

Mrs. Williams is the former Alma Eveline Borden, of Mont-

real. They have three sons, Harry Francis, RCAF, Chatham, N. B., Edgar Thomas, Clementsport, and Ronald Borden, Montreal, and nine grandchildren.

Nuptial Mass was celebrated at St. Mary's Basilica, at which

the happy couple were presented with an engraved scroll from His Holiness Pope John XXIII.

A family luncheon was held at the Nova Scotian Hotel, followed by an "At Home" for relatives and friends.

THE LINEMAN

Perched high up on the cross-arm,
Working so hard against time;
Through snow or hail, or driving rain,
Are the boys who work on the line.

As you're sitting in your easy chair
With your slippers, pipe and a book,
And a soft, warm light to illumine the night,
On your face a "contented" look;
You're enjoying your relaxed moments,
You're enjoying your easy time,
But out there in the dark: on

a "trouble" call
Are the boys who work on the line.

Just stop to think for a minute,
And consider the comfort of life;
That the things you term as "commonplace"
Were bought at the risk of life.
Yes, the lives of your fellow mortals;
In danger all the time;
As they daily handle the "hot stuff",
The boys who work on the line.

Out there in the dead of winter,
Rain soaked and chilled to the bone;
They handle the spitting wires,
As you snugly sit at home.
Yes, you sit at home and grumble,
If your lights go out for a spell,
But you never think of the weary men,
Enduring the tortures of Hell.

Perched high up on the cross-arm,
Working so hard against time;
Through snow or hail, or driving rain,
Repairing the break in the line.
So, let us remember their hardships,
And honour them all the time.
HATS OFF to our unsung heroes,
The boys who work on the line.

ALCOHOL

Yes No
VOTE ☐ ☐

Alcohol is obtained from some of the natural foods we eat. When in natural compound it is harmless. But processed and drunk by man, the first drink starts a tiny blue alcoholic flame in the soul of the user. Each drink thereafter increases the flame and a craving for more. This burning craving comes from the heart of the Devil himself and soon becomes stronger than the drinker's will. Then he finds himself being pushed helplessly forward into everlasting damnation and ruin unless he comes to the Saviour to have the flame extinguished in His precious blood.

The soul of the every day man who dies in that state finds himself down in the region of departed spirits in darkness and his soul in a flaming alcoholic torment that never can be relieved because he will find no bars or accommodating government stores down there to ease his craving although it is certain that there will be with him down in the same burning Hell those who sold it.

The rich man died and went to Hell and being in a flame in his soul he cried for one to come and dip his fingers in water (Matthew, chapter 16, verses 19-31), and touch the tip of his tongue.

Church-members arise and undo some of the damnation that you started when voting against prohibition, unless you have learned to like the taste of it yourself!

Know ye not that sinners in the town of Digby will vote NO because they understand the sorrow and suffering which comes upon little children, broken homes, ruined lives, crimes and auto accidents.

Know ye that these same sinners of Digby will rise up against you in the Judgement Day even as the Ninevites are to rise up against the people who repented not at the preaching of the Son of God himself.

Yours truly,
In His Service,

(Adv.)

Lions Sponsor Dale Carnegie Courses

The world-famous Dale Carnegie Course is coming to Digby under the sponsorship of the Lions Club of Digby.

"We believe that the Lions Club sponsorship of this adult education program is a genuine community service," says Harry Benjamin, area manager, Dale Carnegie Course.

"Businessmen, professional men, sales people, housewives, club women, office personnel, every adult will benefit from this training. It will build a new enthusiasm, develop self-confidence, create a new understanding among the citizens of the Digby-Annapolis area."

Mr. Benjamin added that Lions Clubs in other areas report that the classes have had an important influence on human relations in their communities.

It was announced by Arnold McCallum, president of the club, that the first meeting will be a free demonstration session. It will be held Tuesday, January 29th, at 7:30 p.m., at the Lions Club Hall in Digby. The public is invited. There is no cost or obligation in attending.

The purpose of the demonstration meeting, according to Mr. Benjamin, is to acquaint visitors with Dale Carnegie methods in effective speaking, human relations, and leadership training. One of the features of the evening will be a demonstration of one of the remarkable memory-training techniques developed by Dale Carnegie.

The course is for folks from all over town and country, and not confined to the Lions Club and their friends. The Lions Club is merely steering the course into the Digby-Annapolis area.

The Dale Carnegie courses began in 1912 in New York City. Today, Dale Carnegie classes are taught in over 1100 cities in Canada and America and in 51 foreign countries.

More than 1,000,000 men and women are graduates. Among them are G. Frank Bettger, one of the top salesmen in this country; Robert Quain, manager of the world's largest hotel, the Conrad Hilton in Chicago; Joe Foss, Governor of South Dakota; J. P. Wolff, president of Nestle (Canada) Ltd., Toronto.

In Memoriam

In loving memory of a dear father, Mr. James A. Handsaker, who passed away January 17th, 1937.

In loving memory of a dear mother, Mrs. James A. Handsaker, who passed away January 22nd, 1960.

Those we love go on in sight, But never out of mind. They are cherished in the hearts Of those they leave behind. Mrs. Ernest VanTassel, Mrs. Ainslie Handsaker. 21:1p

In loving memory of a dear brother Pte. Edson G. Handsaker, who died in Victoria Hospital, England, February 5th, 1918.

Sunshine fades, shadows fall But sweet remembrance outlasts all. — Mrs. Ernest VanTassel, Mrs. Ainslie Handsaker. 21:1p

In loving memory of our dear son and brother, David Russell Nickerson 'who was killed in a tragic accident on January 20, 1962, age sixteen years.

In a second he was taken from us, No time to say good-bye His memory will linger on Till we meet in our home on high. — Sadly missed by mum, dad, brothers and sisters. 21:1p

In loving memory of my mother and father, Olla C. Baker who passed away Dec. 26, 1958 and Noah F. Baker who passed away January 20, 1961.

Always a silent heartache Many a silent tear, But always a beautiful memory Of one we love so dear. God gave us strength to bear it, And courage to face the blows, But what it meant to lose them.

No one will ever know. Sadly missed by loving daughter Frances, and Donald and family. 21:1p

Pioneering Mail Carrier Retiring After 52 Years

By Robert B. Powell

Fifty-two years in the postal service — with never a lost mail bag from Digby to Westport — came to an end December 31 for Guy Morehouse, one-time Digby mayor and the man responsible for mail delivery on Digby Neck.

Over the years he has become a part of the everyday scene, delivering the Neck mail for 44 miles to Westport and intervening post offices.

He is the son of the late Captain Daniel Morehouse, who served the people of the area in his day on coastal steamers, and it seemed for a time the son was going to follow the sea. Before 1911 Mr. Morehouse had served as an engineer on the Ida-Lou, the Bear River and the Granville II.

But January 1, 1911, found Mr. Morehouse at his home in Sandy Cove and a member of the Digby Neck Mail Company, which had been awarded the contract to carry mail on Digby Neck. The other members of the company were Carl Eldridge and DeMille Dakin.

The contract specified that the mail was to be transported on land by horse and carriage.

But genial Guy Morehouse soon tired of driving horses to Digby and East Ferry along the rutted road, with its corduroy culverts and bridges. He was intrigued with the automobile, seen chugging along the streets of Digby in the tourist season.

So he requested permission to carry the mail in an automobile. He felt he could do it more efficiently than by horse and carriage. After considerable official deliberation, it was decided to permit the mail to be carried down Digby Neck on the back seat of an automobile.

On April 28, 1911, Mr. Morehouse transferred the first mail from Digby to East Ferry in a Russell touring car. But it was a temporary arrangement and was permitted on condition that horses be held in the stable at Sandy Cove in case the horseless carriage refused to function.

His mechanical training stood him in good stead. He spent almost as many hours tuning up his automobile as he did bouncing over the rutted road.

By October 1, 1911, Mr. Morehouse had proven his point. He had carried the mail without misadventure for six days a week. It was the first automobile transportation in Nova Scotia and the success of the experiment brought permission to use automobiles from May 1 to October 1, until 1920. At that time the horses were sold and the mail was carried by motor transport 12 months each year.

Winter driving proved difficult and by 1912 Mr. Morehouse was in possession of a Reo bus, with a body built specially for mail service. But the snow drifts gave the mail driver considerable trouble until he had trees felled in sections where the worst drifts formed, to keep the banks off the road.

The first blizzard, after the trees were placed, proved he was right.

Mr. Morehouse sent pictures of his snowbreaks to the Department of Highways and they reimbursed him with a \$50 cheque for his help in keeping the Digby Neck road open through the winter.

He also had a snowplow built for his Reo bus and many of his friends waited for him to come along with his vehicle and break the trail before they ventured on the highway.

In 1920 Mr. Morehouse was obsessed with the visions of a snowmobile. The visions took form and he constructed the first of its kind in Nova Scotia. The new vehicle proved a success and so, with the help of Mr. Bowden, Digby Town Clerk, he drew up the plans and specifications of his invention and submitted them to the Patent Office.

But he was two weeks too late as Virgil White of New Hampshire, had made application for a similar vehicle a fortnight before.

He became a household name

In every home on Digby Neck and Islands. His shopping list, daily, when he arrived in Digby, looked like the inventory of a general store. On one occasion his willingness to serve called him from his vehicle to feed hens that one of his passengers to Digby had forgotten.

No roads, good roads, snow-bound roads, mired roads, made any difference. Somehow he forced his vehicle through the punishing trips to East Ferry.

There was a time when preparation of the highway for pavement made it impossible for a motor vehicle to go through sections of the road under its own power. In such cases a tractor was hitched to the mail bus and it was dragged to solid ground.

By 1946, passenger traffic had grown to such an extent that Mr. Morehouse found it necessary to operate two 29-passenger buses. But in later years this traffic fell off and one 12-passenger bus is sufficient to handle the trade and the mail.

Besides the mail service, Mr. Morehouse found time to engage in community work. He was a member of a church choir and quartette and for six years he was mayor of Digby.

Now he is unable to drive the bus himself but his son, Paul, carries on the work that his father did for so many years. But Mr. Morehouse still is at the sorting center daily and satisfies himself that the mail is safely stowed into the bus.

Candlelight Service

Members of the North Range Baptist Sunday School presented a candlelighting service on Thursday evening, December 20th, under the direction of Mrs. Allan Thomas, assisted by the teachers, Mrs. Reg. Andrews was organist.

Featured in the nativity scene were Miss Marilyn Thomas as Mary and Caleb Haight as Joseph. Three angels were played by the Misses Sheila and Carolyn Silver and Mrs. Leslie Bacon. The two small angels were Carolyn Haight and Patsy Thibodeau.

Eugene Silver, Barry Bacon, Rodney Haight and Billy Wagner were the shepherds. The three kings were played by Eugene Silver, Roy Waterman and David Thomas. Rev. and Mrs. R. R. Winchester sang the carol "We Three Kings of Orient Are" while the wise men presented their gifts at the manger. The carols appropriate to the pantomime being enacted were sung during the performance. The part of "Love" was assigned to Miss Sharon Haight. Boys from the junior and senior classes were the twelve apostles and lighted the candles in the audience.

Mrs. M. Bragg was narrator.

Prior to the candlelight service the primary department presented several Christmas exercises.

Smith's Cove

The January meeting of the Smith's Cove Baptist W.M.S. was held at the home of Mrs. Morehouse. The year's program will take up the Ten Commandments as Devotional topics. The first one was taken by Mrs. Langman. The program was conducted by Mrs. Oakley Smith, Secretary, Mrs. Langman.

Letters to the Editor

Digby, N.S.
Dec. 31/62

Editor,
The Digby Courier,
Digby, N. S.

Dear Mrs. Wallis,

Should any person vote for more liquor outlets?

I believe it is a matter of simple logic, that most people cannot, or will not, be taught to drink alcoholic beverages, as a common beverage, within safe limits. This is true because beverage alcohol is a depressant substance which causes addiction, a narcotic drug pure and simple. The period for addiction may be short, or long (depending to some extent on the person, the amount drunk on each occasion, and the frequency of drinking occasions) but, it doesn't take an average lifetime, to become addicted, for one who really drinks.

Does it not evidently appear to be, that teaching total abstinence is the only safe and true answer to any actual, or possible, alcohol social problem?

Should we not be wise, and admitted this, no matter what the "kicks".

We are told by the authorities, that nature (Providence) automatically provides for the very small amount of alcohol needed by the human body. Putting alcohol into the blood stream of any person, beyond the amount provided for by nature, can lessen that person's resistance to diseases of body, mind, and soul, and thereby jeopardize human life, in a number of ways.

It has been said by certain people who advocate liquor outlets, and support liquor consumption, that they are against all sin, but, are they against all sin? It does not appear that these people are against all sin, when they support and vote for something that causes many people to sin. In the final analysis, do liquor outlets contribute to the welfare of any community? I think not.

If the operation of taverns is good for a community, why is the operation hidden from public view, as it actually is? In this regard, let us all be guided by the warning counsel of 1 Peter 4:3-4, which reads as follows, from the Revised Standard Version, Isaiah:

5:29 — "Woe to those who call evil good."

Should any person vote for liquor outlets? Should not all people vote against them? I must put my X under "NO" on the plebiscite ballot.

Vincent Snow.

January 14, 1963.

Editor,
The Digby Courier,
Digby, N. S.

Dear Editor,

Through the medium of your paper I would like to state my own personal views about the forthcoming liquor plebiscite which will be held very soon to decide for the Town of Digby.

This plebiscite has been asked for so that liquor may be sold through more outlets in the town, and if granted, our places of recreation will be able to comply with the law and serve liquor.

We in the Christian church spend much time and effort instructing the children and young people to build up good morals and a Christian character, so that when they go out into the world on their own they will be good citizens. One thing we must ask ourselves before we cast our vote for or against more liquor outlets in our town.

Do we want our young people subjected to this temptation when they engage in recreation?

More liquor outlets would mean that more of our young people would be confronted with this temptation.

Each person has the right to vote as he sees best, but let us be aware of the consequences of our vote.

Let each one consider the plebiscite seriously and vote for the highest good, for oneself and for one's children.

Let us be sure to use our right to vote so that after the plebiscite we may have no regrets.

Signed,
R. H. Hughes.

Digby, Nova Scotia,
January 11/63.

To the Editor of the
Digby Weekly Courier.

Dear Madam,
Have just read with great interest the report of the Traf-

fic Comm. of our Town Council and hope that they will get strong support in the matter of changing the parking on the west side of Water St. Our parking at the present time is an antique and belongs to the past.

Angle parking is dangerous, especially in stormy weather when visibility is poor.

I watched one poor soul try five times, to back out and when he finally could imagine that he was not in a very good humor.

The new long cars stick away out in the street and when trucks are unloading the congestion is very bad.

Should we have a fire during one of these congested periods we would be in trouble.

Here's hoping that the change will be made as soon as possible.

Yours truly,
Fritz Dakin

Rebuilding Garage

Work is progressing favorably on the new cement block building at Church Point which will serve as the body shop and garage of Gerald Comeau, near Seraphins lake. The building is situated on the same spot where fire destroyed a wooden building, November 5th last when Jean LeBlanc, son of Mr. and Mrs. George LeBlanc, was fatally burned, passing away at the Yarmouth General Hospital several hours after being admitted.

A few days following the disastrous flash fire, Mr. Comeau decided to reconstruct his garage and body shop on the same location. The debris of the fire was cleaned up and work commenced immediately in the construction of the new garage building. Hampered by inclement weather, the work progressed nevertheless, and the building will now be ready for occupancy within a short period of time.

Mr. Comeau is the son of Mr. and Mrs. Louis Comeau, of St. Joseph area of Concession. He was employed in a Halifax body shop for a number of years prior to coming to Church Point to practice his trade. He is a skilled tradesman and in a few short years he has worked up a fine business.

The burning of the building housing the body shop and garage put several workmen out of work temporarily but with the re-opening of the new building it is expected that it will give employment to his former crew.

Club Holds Christmas Party

Members of the Neighbourly Club, with their guests, held their 10th annual Christmas party at the home of Mrs. Borden Fountain on Tuesday evening, December 18th.

The Christmas devotional was led by Mrs. James Johnstone. Greetings and gifts were received from friends and absent members. A generous collection and proceeds from the sale of a beautifully decorated cake, made by Mrs. Fulton Stark and won by Mrs. Fountain, will be used to further the work of the Canadian Cancer Society.

Following a short business meeting all joined in guessing contests, games and stunts, under the direction of Mrs. Bernard Baxter, Mrs. Cyril MacWhinnie and Mrs. Fountain. Mrs. Santa distributed gifts to all present, including Mrs. Seraphine Potter, Mrs. Paul Vroom assisted the hostess in serving refreshments.

The Treasurer, Mrs. Howard Adams, reported the following donations made during the month of December: \$5.00 each to the Graywood Baptist Sunday School, Deep Brook Baptist Sunday School, Clementsport United Church Sunday School, Deep Brook Day School; Cancer Society (Reception Centre), \$7.00 "In Memoriam" Gifts to Cancer Society; \$10.00 to the Municipal Home and Hospital at Bridgetown.

Returns From Hospital

Mr. Elsworth Kinney, Ashmore, has returned from the Digby General Hospital where he had been a patient as the result of injuries when he fell off the wharf at Weymouth North on Christmas night. Mr. Kinney had accompanied his sons, Ronald and Scott, when they decided to move their boat to the other side of the wharf, and in some manner walked off the end of the wharf. The drop was about 15 feet to the beach, and fortunately the tide was out. Examinations and x-rays showed multiple bruises and three broken ribs.

Bouquet To Mrs. Editor

Congratulations to the editor, Mrs. Wallis, for the page of 1962 photographs in last issue of the Digby Courier. This was an excellent idea and I am sure most of the weekly newspaper editors will ask themselves "why didn't I think of that idea too?" I tell you, men, it takes a woman for ingenuity.

With such a person as Mrs. Edith Wallis as President of the Digby Board of Trade Digby town can go places, if she has enough interest to support and work with her.

Again we say, congratulations to the photographer section and watch other weeklies copy the idea.

"Reader" -- The editor thanks "Reader", for the bouquet but we cannot take credit for the Year Review in photographs. We've seen it done before. Thanks anyway for your interest. Glad you liked it. We'll do it again.

Marriages

Sullivan — Amoro

In the Holy Cross Church, Plympton, a wedding took place at 9:00 a.m. on the morning of December 29 when Father Deveau united in marriage Linda Mary Amoro, daughter of Mr. and Mrs. Russell Amoro, and Genos Alphonse Sullivan, of Havelock, son of Mrs. Irene Sullivan and the late Timothy Sullivan.

The bride was attired in a white floor length dress and a matching veil. Her bouquet was of white and lilac mums. A sister of the groom, Mrs. Beverly Gosson, was bridesmaid. She was dressed in a blue lace semi-formal with beige accessories.

The groom was supported by his brother-in-law, Robert E. Gosson, of Plympton. Miss Joyce Melanson played the wedding music.

The bride's mother was

dressed in navy blue dress with American beauty roses. The groom's mother was dressed in a green dress with yellow mums.

A reception was held immediately after at the home of the bride's sister, Mrs. Arnold Amoro.

After the reception the happy couple left for Yarmouth and returned to the home of the groom, where a shower was given in their honor. Musicians at the shower were Brent Williams and Harry Cromwell, Robert Gosson.

Later the couple left for a short honeymoon in Upper Musquodoboit and now reside at the home of the groom.

Hamilton — Gaudet

Marriage of Miss Margaret Mae Hamilton, daughter of Melvin Hamilton of Yarmouth, Nova Scotia, and Mr. Raymond Clifford Gaudet, son of Mrs. Elsie Gaudet, of New Tuskent, Digby Co., N. S., was solemnized at 10 a.m. Mass in Saint Gregory the Great Roman Catholic Church, Oshawa, Ontario, on December 15th, 1962. Mixed pink and white carnations and white mums adorned the altar for the double ring ceremony at which Rev. A. G. Quesnelle officiated.

Given in marriage by Sanford Allen in the absence of her father, the bride looked lovely in a ballerina length gown of pink lace over taffeta with three-quarter length sleeves. Her shoulder length veil was held in place by a crown of lace and seed pearls. She carried an old fashioned nosegay of pink and white mums.

The bride's attendant, Mrs. Leslie Allen, was gowned in turquoise chiffon over taffeta of ballerina length. She wore a white half hat and veil and carried a nosegay of white

mums. The best man was Mr. Donald Gaudet, brother of the bridegroom.

Wedding breakfast was served by Mrs. Richard Gaudet and Mrs. Sanford Allen at 632 Albert Street.

The couple left on a honeymoon to Maine, U.S.A., and Nova Scotia. Upon their return they will take up residence at 466 Wilson Road, N. Oshawa, Ontario.

Paul — Handspiker

A very pretty wedding was solemnized on Saturday, December 22nd, at 10 o'clock at St. Patrick's Church, Digby, when Carol Elaine, daughter of Mr. and Mrs. Lloyd Handspiker, Mount Pleasant, Digby Co., was united in marriage to Donald Harvey Paul, son of Mr. Harvey Paul, London, Ontario.

The double ring ceremony was performed by Rev. Fr. Stokes, P.P.

The bride, given in marriage by her brother, Richard, entered the church to the strains of Lorraine's wedding march played by Mr. E. J. Theriault, church organist.

The bride looked lovely in a floor length gown of white satin and chantilly lace with full over-skirt of tulle. Her finger-tip veil was held in place by a tiara of sequins and pearls. She carried a bouquet of American beauty roses.

Miss Maxine Handspiker, sister of the bride, was maid of honor, dressed in blue brocade satin with full net over-skirt with hat to match. She carried a bouquet of yellow and white mums.

The groomsmen was David Learn, of Halifax.

Following the ceremony a reception was held at the home of the bride's parents. The bride's table was attractively decorated and centered by a three-tier wedding cake. Refreshments were served by friends of the bride.

After the reception the happy couple left on a short honeymoon. For travelling the bride wore a winter white suit with fur jacket and brown accessories and a corsage of bronze mums.

The young couple have taken up residence in Dartmouth, Nova Scotia.

Hill — Gacil

On Friday, December 28th, a beautiful Christmas wedding was solemnized in the Acadiaville United Baptist Church when Rev. W. P. Clayton united in a double-ring ceremony Alberta Mae Hill, daughter of Mr. and Mrs. Vernon Hill, Conway, and Mr. Peter Selah Gacil, Kenya, Africa.

Given in marriage by her father, the bride looked lovely in a white lace-brocade street-length dress with shoulder-length veil. She carried a bouquet of sweetheart roses.

Miss Betty Lou Hill was her sister's only attendant and wore a street-length dress of yellow chiffon.

Mr. Gacil was attended by classmate, Mr. James Waitalka, also of Kenya, as best man.

During the signing of the register the solo, "O Perfect Love", was rendered by Mrs. Irving Cromwell, Conway. Organist was Mr. Gale H. Bundy.

Following the ceremony a large reception was held in the church hall with toast to the bride given by Rev. Mr. Clayton and responded to by Mr. Gacil. Mrs. M. L. Anderson, Greenville, and son, Paul, of Toronto, Ont., expressed best wishes for the happiness of the couple, having known the bride for many years.

Mr. and Mrs. Gacil will make their home in Halifax where the groom is a student at Dalhousie University. Mrs. Gacil is a teacher at East Preston, Halifax Co., N. S.

Krestel — Dalton

St. Edward's Church, Clementsport, was the scene of a pretty wedding when Carolyn Elaine, eldest daughter of Mr. and Mrs. John Dalton, became the bride of Frederick William Krestel, son of Mr. and Mrs. Michael Krestel, Peelee, Ontario.

Rev. W. H. Logan performed the double ring ceremony.

The bride, entering the church on the arm of her father, who gave her in marriage, looked charming in her ballerina-length gown of lace and net over taffeta. Her shoulder-length veil was held in place by a tiara of seed pearls and sequins. She carried an arm bouquet of red roses.

Matron of honor was the bride's sister, Mrs. Inez Gumbly, wearing lime green, chiffon ballerina-length dress with matching accessories and carrying yellow and white mums.

Bridesmaids were Linda Dalton, sister of the bride, wearing pink chiffon dress with matching accessories and carrying a nosegay of pink and

white mums, and Sheila Webb, wearing white and gold chiffon dress with matching accessories and nosegay of pink and white mums. Young Rebecca Merritt, wearing pink nylon and matching head-dress, carrying a nosegay of yellow baby mums, was flower girl.

The groom was supported by Joseph Mayville, of Ontario, and ushers were Lawrence Taylor and Ralph Gumbly.

Organist, Mrs. John Salsman, provided nuptial music and James Sanford sang "The Lord's Prayer" during the signing of the register.

Following the ceremony a reception for about 75 guests was held in the Community Hall and catered for by P.O. Ron. Fenn, of Cornwallis.

Toast to the bride was proposed by the Rector, Rev. Logan, and responded to by the groom.

An orchestra, under the direction of George Aubrey, provided music for dancing.

The bride's mother chose a brown wool sheath style dress with matching accessories and corsage of pink and white carnations.

Among those attending were the bride's grandmother, Mrs. John Poote, of Shelburne, and great uncle, George Goodwin and friend, Pat Foran of Halifax.

The bride had been training in Children's Hospital, Halifax, and the groom with the navy aboard HMCS Bonaventure, now in Saint John, N. B., where the young couple will reside.

Lovett — Amirault

A pretty wedding was solemnized at Holy Cross Church, Plympton, on Saturday, December 29th, at 10:30 a.m., when Lorraine Marie, elder daughter of Mr. and Mrs. Harley Amirault, was united in marriage with James Edward Lovett, son of Mrs. B. M. MacArthur and the late Charles Lovett.

The double-ring ceremony was performed by Rev. Father Raoul Deveau, P.P. The Acolytes were David Comeau and Eugene Doucet. Mrs. David MacNeil, of Weymouth, who was guest organist, with Joyce Melanson, sang duets during the Mass. Miss Shirley Roy, of Yarmouth, was guest soloist and beautifully rendered Franz Schubert's "Ave Maria" during the signing of the register.

Decorations in the Church were beautiful and in keeping with the holy season. Christmas poinsettias graced the altar.

The bride, given in marriage by her father, was lovely in a hunter's green three piece wool knit suit, a white mink hat with brow veil and white gloves. Her corsage was of white roses. She carried a prayer book.

Miss Anne Buchanan, R.N., of Bras d'Or, C. B., was bridesmaid. She wore a wool knit suit of willow grey with white accessories. Her corsage was of pink roses.

Bernard Nugent, of New Glasgow, was best man and Bud Amirault, brother of the bride, was usher.

Reception for approximately 60 guests was held at the bride's home. Receiving the guests, the mother of the bride wore an ensemble of cafe brown with matching hat and accessories and a corsage of yellow roses.

Father R. Deveau proposed the toast to the bride, to which the groom responded. After the wedding cake had been cut in traditional manner by the bride and groom the cutting was completed by Mrs. Louis Melanson.

Out of town guests were from Halifax, Cape Breton, New Glasgow, Yarmouth and other points in Western Nova Scotia.

The bride is a graduate of the Halifax Infirmary School of Nursing and was on the staff of the Yarmouth Regional Hospital. Mr. and Mrs. Lovett will reside at Halifax where the groom is employed with L. E. Shaw & Co.

O.G., Sis. Jean Turnbull, R.S.N.G., Sis. Helen Daley, P.N.G.

L.S.N.G., Sis. Annie Lent, P.N.G.

R.S.V.G., Sis. Pauline Dunn, P.N.G.

L.S.V.G., Sis. Helena Barnes, P.N.G.

Retiring N.G., Sister Doris Ritchie, was presented with a Rebekah Jewel and corsage of yellow carnations by D.D.P. Patricia Wilson, after which V.G. Sister Ruth Daley presented a gift to Sister Patricia Wilson in appreciation of her work as District Deputy President.

The Charter was draped in loving memory of a dear departed Sister, Ivy Oakes, and a duet was rendered by Sisters Helen Daley and Patricia Wilson. A word of welcome was extended to four visitors from Elta Rebekah Lodge, Bear River, by the new Noble Grand Sister Edna Turnbull.

During the evening plans were made to hold a Clipping Party at the next regular meeting on January 28th.

At the close of the meeting refreshments were served by the committee in charge.

Plan Youth Week

Plans for Youth Week in the Baptist Church of Digby were announced by the pastor at the Sunday morning service. Next Sunday morning all youth groups of the church, including B.Y.F., Boy Scouts, C.G.I.T., Explorers and Sunday School Classes, will convene for a mass gathering of the young people at the worship service. The choir will be formed by members of the two C.G.I.T. groups. Several young people will take part in the service.

During the week the usual meetings of the youth organizations will be held, but on Saturday evening, February 2nd, a Youth Rally will be held in the church hall. The program will be presented by the young people, and refreshments will be served.

At the Hill Grove church, the Baptist Youth Fellowship will be hosts to the young people of the Barton and North Range churches on next Tuesday evening.

Legion Installs Officers

Branch No. 20, Royal Canadian Legion, Digby, held the installation of officers of their Branch and Auxiliary. The installation ceremony was conducted by Zone Commander R. O. Wright, and before the installation he commented on the work done by the Branch and Auxiliary during the past year. He said that the past year was the best that the Branch has had only because of the effort put forth by the members of the Branch. The fellowship enjoyed by the members was very good and the work done to build up a new building fund that is now over three thousand dollars with very good prospects of starting a new building in the coming year showed interest in Legion work that has not been seen before in this Branch.

Comrade Thomas Cleveland and Mrs. George Hersey were installed as Presidents of Branch 20 and Auxiliary. Comrades Ed. Murphy and M. Nixon will act as Vice-presidents of the Branch, with Mrs. R. O. Wright and Mrs. Ronald VanTassell acting for the Auxiliary.

Other offices were filled and the executives were installed. The meeting closed with dancing and refreshments.

Students' Answers On T.V. Teaching

The Grade XI's who were taking Mathematics and Science courses through the medium of television were asked by The Amethyst staff at the Digby Regional High School the question, "Do you feel that T.V. teaching should have been discontinued?" The following are some of their replies:

Sharon D.: As far as I am concerned it doesn't make any difference to me because I like classroom teaching.

Angela W.: I prefer classroom teaching because the teacher has more time to explain things, and more work can be done.

Arthur W.: I think T.V. lessons should be continued.

Sandra S.: I think Math. should have been continued if the reception and sound were better. I do not think Science should have been, since I could not get much from it.

Paul R.: I do not mind not having T.V. teaching, but I would like to have the same teacher. I had when it was being used so that I would not be repeating work.

Sandra T.: I would rather follow the classroom method so one can get extra help. With the T.V. method, the lessons came through a bit too fast to be gotten at their best.

David M.: Yes, because the reception was extremely poor and much valuable teaching time was lost in changing from T.V. classes to the classroom, thus giving no time to discuss the lesson taught on T.V.

Sandra T.: Yes, the T.V. teaching should have been discontinued. Often the reception was poor, and it was impossible to continue with the lesson. Also, with the classroom teacher we have the chance to ask for help.

Sheila S.: I would rather have classroom teachers because then one can get extra help, whereas if one follows the T.V. program, there is no time for it.

Gift To Sunday School

A gift of a desk bell and child's book were received by Rev. R. H. Hughes at Grace United Church on Sunday morning for use in the Sunday School. The bell and book were donated by Mr. and Mrs. George Kent Skinner in memory of their son, David, who was fatally injured in an accident on Warwick St., Digby, last summer. The bell will be used to command attention and silence in the general Sunday School and the book, House Full of Prayer, is to be used in the class in which David had been a member before his death.

New Boat For Digby

Hon. George C. Nowlan, Minister of Finance, announced today the Princess Helene, which operates between Saint John, N. B., and Digby, N. S., will be replaced by a modern and larger ship.

Mr. Nowlan said the move will be made as a result of arrangements concluded by him with Canadian Pacific which operates the service.

The 4,000-ton Helene's successor will be the 6,800-ton Princess of Nanaimo, until recently used by Canadian Pacific in its Vancouver-Nanaimo ferry service.

The Nanaimo will be transferred from Vancouver to Saint John via the Panama Canal. It is expected she will come into service late this Spring, after undergoing modifications in a Saint John dry dock to permit her to use east coast shore installations.

The Nanaimo is 357 feet in length and has a service speed of 18 knots. She is fitted to carry 1,750 passengers and 120 automobiles. The Princess Helene carries 500 passengers and 50 automobiles.

The Nanaimo, built by Fairfield Shipbuilding Co., in the United Kingdom, is fitted with all modern navigational aids, including radar, electronic direction finding apparatus and ship-shore radio. She has six decks, two of which are used for transporting automobiles and three for passenger accommodation. Passenger space includes a large observation room restaurant and coffee bar and a lounge.

The Saint John-Digby ferry service dates back to 1871 when the small sailing packet Sally started the first regular service. Canadian Pacific took over the run in 1913.

Heart Operation For Tiverton Boy

A Tiverton youngster will leave January 26 for Toronto where he will undergo a delicate operation. Five-year-old Gregory Elliott, son of Mr. and Mrs. Melbourne Elliott, became a province wide concern and object of a "heart fund" when it was discovered he had a leaky heart valve in 1960. If the operation is successful, the boy will be able to lead a normal life.

The operation on the boy is made possible by the "Gregory Heart Fund," established by the Tiverton branch of the home and school association. When Gregory's condition was made known to other association branches, containers bearing the inscription "Gregory Heart Fund" appeared in stores, schools and garages throughout Nova Scotia. A total of \$1,115 was raised.

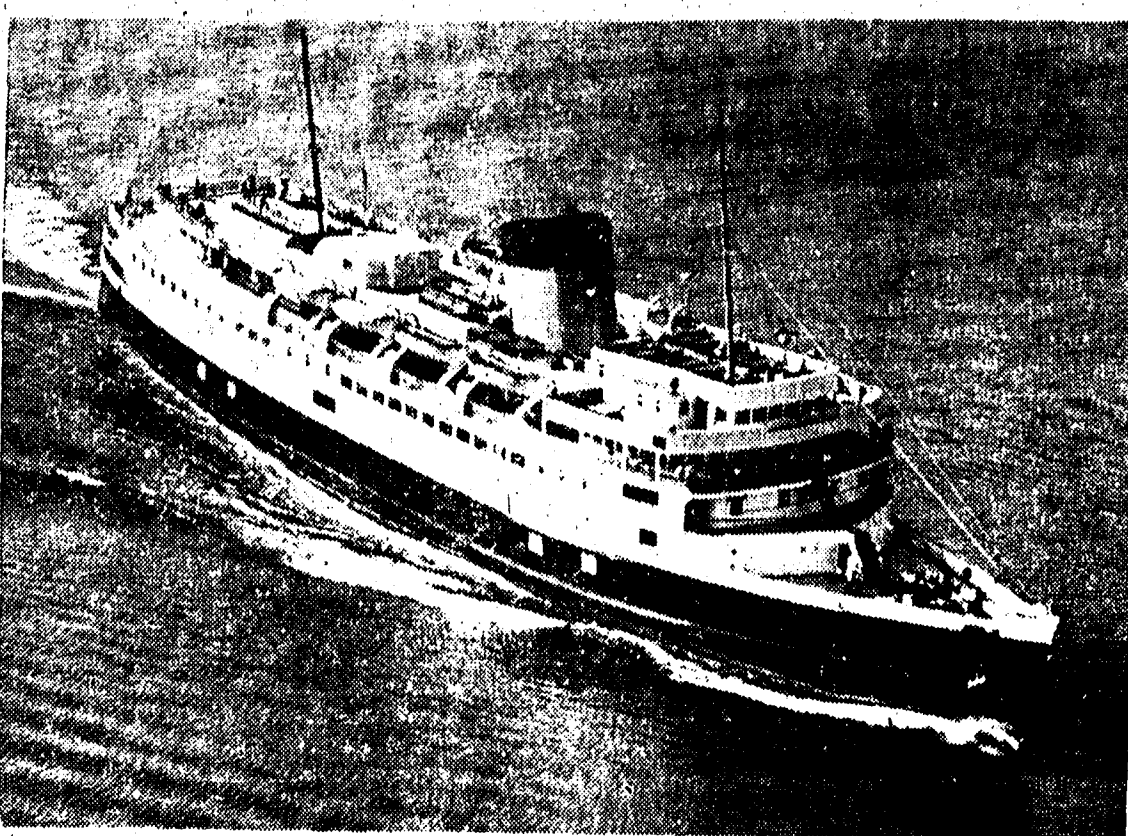

Gregory viewed his operation with optimism. The only thing that should be done first, he said, is to visit Captain Korky, a child, it's entertaining appearing on CHS-TV, Saint John, N. B. He will be accompanied to Toronto by his mother. She hopes to be met by the Red Cross.

Though Gregory was born with a heart condition, it was not discovered until he was one year old. The leaky valve prevents him from attending school, but he remains a happy, carefree youngster. Churches on both islands at the tip of Digby Neck and other local organizations pitched in previously to see Gregory to a hospital in on for an examination. He then Gregory has undergone regular tests at the Halifax Children's Hospital where it was also learned that he had a kidney ailment.

Because of the complexity of the operation, hospitals in Halifax are not equipped to perform the operation.

Elwood Oliver In Picture

A beautiful colored picture of a man emptying a basket of scallops on a scallop boat appeared in the Chronicle Herald this week. The man was identified here as Elwood (Bud) Oliver, Jr. The picture was taken by Bob Brooks. The boat is the Stephen R., owned by Reginald and Wilbur Robinson.

The 6,800-ton Princess of Digby, N.S., late this Spring, Nanaimo which will replace the Canadian Pacific's Princess Helene in ferry service between Saint John, N. B., and Digby, N. S., late this Spring. The move was announced by Canadian Pacific's Federal Finance Minister George C. Nowlan. The Nanaimo will be transferred from the west coast, where it was used until recently, via the Panama Canal to Saint John. It can carry 1,750 passengers and 120 automobiles.

Firemen Plan Bowling Tournament

The sports committee of the Digby Fire Department, under the chairmanship of Lloyd Hicks, has completed plans for a bowling tournament with members and wives from the Yarmouth Fire Department on January 27th, at 2 p.m., a Carleton. Lanes. If plans materialize there will be two men's and two ladies' teams participating from both towns.

After this tournament the Digby boys plan to have an inter-department competition between the three companies with the team having the best pinfall for the series walking away with the trophies. The three captains for this tournament are Buddy Barr, Reg Turnbull and Luke Dugas who are responsible for getting their teams lined up from their own company for this competition.

In other bowling news: DFD team competed with a former Fire Department team over the weekend with the current team taking the series of three games two to one. This was a return match.

Neville Rink To Halifax

Garnet Neville's rink will represent the Digby Curling Club in Consols play in Halifax February 5. They defeated Hymie Webber's team in a double knock-out competition Saturday.

The Neville rink was composed of Garnet Neville, skip; Dick Levy, mate; Dr. D. G. Black, second; Mike Moses, lead.

The runner-up rink was composed of Hymie Webber, skip; Aubrey Hawkins, mate; Jack Brittain, second; and Cliff Miller, lead.

Mrs. Ella Marshall, of the Salvia House, is visiting relatives and friends in Montreal.

Baptist Auxiliary will meet at the home of Mrs. H. B. Warne, Queen Street, on Tuesday night.

Accrued Interest In Local Organization

The local credit union, Conway Credit Union Ltd., is being revived. In fact, after being suspended for over a year, interest in being shown in all parts of the area, including Digby Town itself where much of its potential lies, a spokesman said.

After being practically dormant for over a year, interest last Fall began to be shown. Questions were asked, organizations met and studied the situation. Seeing this, the officers of the Credit Union decided to meet, and as a result of this many misunderstandings are being wiped out. Having met often since last November, the directors are well aware of the many problems facing the organization; problems which can be overcome on the condition we all make it a team effort, the spokesman told the Courier.

One of the problems that was discussed was to try to find out why the people of Digby Town did not take more interest in this organization as it is for their use, as well as those from outside the town limits, he said. To discuss this, and other items, it has been decided to hold the annual meeting at the Maple Leaf Agricultural Hall on Thursday, January 29th, at 8 p.m.

The Board of Directors are hopeful that many will attend, even though they are not members. They know they need new blood in the organization. They feel also that the Credit Union has a big potential, and can be of unlimited service to the people of the area. This will be realized to its fullest extent, he said, depending on the amount of support it receives from each and every individual.

Mr. and Mrs. Kenneth Golden left on Wednesday to spend a couple months in Florida. They will stop at Massachusetts and North Carolina enroute.

The Trinity Guild will meet with Miss Bessie Turnbull, Tuesday evening.

J. J. Brittain Heads Kiwanis

The District Lieut. Governor of the Kiwanis, William Moon, of Yarmouth, paid a visit to the Digby Club on the occasion of their weekly dinner at the Hotel Champlain last Thursday evening and addressed the members on the work and aims of the Kiwanis. This meeting also marked the occasion of the installation of the 1963 Officers and Board of Directors of the Digby Club. The Officers include: J. J. Brittain, President; William MacLeod, 1st Vice-President; Donald Brown, 2nd Vice-President; William Greene, Secretary; and C. V. Snow, Treasurer.

Mr. Moon, in his remarks, stressed the importance of an increase in the number of Clubs that might be organized in the district and also the need to work for more new members in the existing Clubs. Key Clubs, among high school students, the speaker said, were also of special concern to Kiwanis.

At a previous meeting, the retiring President of the Digby Club, Mr. E. Twohig, gave a resume of the work of the Club during the past year, and pointed out some of the fine achievements of the Club in aid of crippled children and in supporting worthwhile community projects.

Members of the Club are planning to hold a social gathering at the Hotel tonight with a "Floor Show" to entertain the members with their wives and other guests.

Extend School T.V.

An extension of Nova Scotia's school television broadcasts to the other three Atlantic provinces, with possible financial backing from the powerful Ford Foundation, will be investigated by an Atlantic Provinces Advisory Council which was set up in Halifax recently.

The first meeting will be convened by Dr. F. E. MacDiarmid, New Brunswick's Deputy Minister of Education, and is expected to be held within the next month, he said.

A few hours earlier, at a meeting of the Nova Scotia Advisory Council on School Television, it was decided to add elementary French to the present televised curriculum of mathematics and science. New Brunswick will be asked to provide the teacher for this subject, said Dr. MacDiarmid.

Dr. Harold Nason, Provincial Director of Public School Education, who chaired the meeting, said afterwards the province would ask the Canadian Broadcasting Corporation for time to televise the addition to the curriculum. The French lessons, he added, would be at the beginners level.

Addressing the morning session in the historic Legislative Assembly, Theodore R. Conant, Program Specialist on television with the Ford Foundation said, "I have nothing but the highest praise for the first year program initiated in Nova Scotia. The province has two very capable teachers organizing the TV lectures. I have seen approximately 65 programs originating in Japan, United Kingdom, United States, and the Continent, and I would have to give very high marks to the Nova Scotia project for its production and content. Nova Scotia is much further along the line than others in their first few months of programming. As the Nova Scotia project continues in the coming year, it is quite possible that it will set some bench marks throughout North America in technical production and program content."

Commented Dr. MacDiarmid: "There is a growing feeling of the need to integrate the two cultures of French and English. It is most desirable for programs in the Atlantic area to be viewed by beginners in the French language."

Legion Robbed

Money, cigarettes and candy were stolen from the Digby Branch Royal Canadian Legion canteen some time late Saturday evening.

Entrance to the canteen was gained by forcing a door leading into the Digby Forum and then breaking into the canteen. About \$10.00 in cash was taken.

C & M Products was broken into on Monday night. Entry was made by breaking a window. Nothing was reported stolen.

Thomson Cowan, Victoria Street, is a patient at the Digby General Hospital. He is suffering with virus pneumonia.

Supports Minor Hockey Week

Mayor Vernon L. Bent today called upon all citizens to support Minor Hockey Week in Canada, which commences Saturday, January 26th.

In voicing his support of Minor Hockey Week, His Worship said: "It is a great pleasure for me to join with my council, and with councils across this great nation, to pay tribute to the volunteer workers who make the playing of hockey possible for the young people in our community. Minor Hockey Week, starting January 26th, is an occasion when numerous exhibitions and special events will draw the attention of citizens to the advantages of minor hockey for youngsters, and to the support which they should give to organizations entrusted with the promotion of this sport in our municipality."

"Hockey is Canada's National Game, and probably our main sporting activity. It is played here with the greatest enthusiasm and with great ability, and the people who make it possible should have our utmost support. In addition to providing youth with pleasurable and healthful recreation, it contributes to a great extent to the development of sportsmanship, the spirit of team-play and discipline together with other qualities which are quite necessary to develop good citizens."

"Personally, and on behalf of the members of my council I thank all those who are interested in the promotion of minor hockey here in Digby. In the past they have given inestimable co-operation to the community by their devotedness and the assistance and leadership they provide for our local minor hockey program. We recognize the solicitude shown by representatives of major hockey for these younger players, but also want to stress our appreciation of the fine organization which makes minor hockey possible here. This year, because of the fine administration of our local league, and because of the enthusiasm for our national sport, more than 258 boys, divided into 18 teams and leagues will be playing properly supervised hockey in our town."

"Therefore, I ask all citizens to observe Minor Hockey Week by encouraging their boys to participate and by attending the special events that will be arranged for Minor Hockey Week. I commend to you the official Canadian Amateur Hockey Association slogan, 'Don't Send - Take your Boy to the arena - then stay to see him play'. In this way we as citizens may join with your council to express gratitude to those who are doing such a fine job for the youth of our community."

About This and That

T.V. Reception —

Some Good - Some Poor

Our humble apologies to anyone who felt that our story last week with the above title was, shall we say, biased in favor of the T.V. Station CJCH, Channel 6. We had no intention of being biased, we had no reason to be so, nor do we feel inclined to be involved in any argument which might arise between any parties. We simply stated facts from the information we had. Had we not given full information we are afraid we could have been considered biased.

It was news that the Digby T.V. school programs were discontinued because of poor reception but just as soon as that became news then the fact that another school was able to get satisfactory reception also became news. The fact that some people in Digby were getting poor reception in their homes became news because of the schools, therefore the fact that some were getting good reception automatically became news.

It is an ill wind, however, which blows nobody good and so the editor now has, personally, quite good T.V. reception both from channel 4 and channel 6. Since the New Year storm channel 6 had been coming in better than channel 4 on the editor's T.V. sets but neither were what one might call good. The intention was to have the channel 4 reception improved and since T.V. reception had become such an interesting subject we thought at the same time we would follow the general idea of installing a second antenna for good channel 6 reception. However, an electrician or T.V. man happened along and surprisingly came out with these words: "You don't need another antenna. Just move the one you have. Right now it is crossways over both stations. You need it pointed toward the stations." The pointing was done. We find reception more than satisfactory from both channel 6 and channel 4 without one extra cent of outlay. Others might not find a solution so easily. We did.

Minor Hockey Week Begins

January 26

WHAT IS A BOY?

A boy is a person who is going to carry on what YOU have started.

He is to sit right where you are sitting and attend to those things you think are so important, when you are gone.

You may adopt all the policies you please, but how they will be carried out depends on him.

Even if you make leagues and treaties, he will have to manage them.

He is going to sit at your desk in the Senate, and occupy your place on the Supreme Bench.

He will assume control of your cities, states and nations; your prisons, churches, schools, universities and corporations.

All your work is going to be judged and praised or condemned by him — or because of him.

Your reputation and your future are in his hands. All your work is for him, and the fate of the nation and humanity is in his hands.

So it might be well to pay him some attention.

DONT SEND — TAKE YOUR BOY TO THE ARENA

... and stay to see him play.

—Anon.

Youth Week

Youth Week begins next Sunday, January 27, when special observances of the week will be made through youth organizations and especially through church youth groups.

The special week will focus attention on youth, the nation's great asset, the leaders of tomorrow. Practically the same motto can be used as that of the Minor Hockey League — don't send, go with them. While this cannot be always done in a physical sense we can be with youth by taking a genuine interest in their welfare, their education, their fun and activities, and letting them know that we are interested. We can take an interest in youth by placing before them and making readily accessible those things which tend to the highest and noblest in life and removing those things which are a hindrance or stumbling block to their well being. Youth Week is a good time for parents and adults to take stock of their attitudes toward youth. We might take a while to sit and ponder the direction in which the sons and daughters are heading, take note of the examples we, ourselves, are setting for youth to follow and in general consider if there is some way in which we can help to give youth the best there is for them. Those who are especially leading youth in school, church, or organization would be greatly encouraged, too, to know that you are interested and willing to help. Youth needs guidance, encouragement and a sense of "somebody cares." It is for the adult as a parent or friend to give these.

WEYMOUTH ITEMS

Mr. Wm. Moody, Lieu - Gov. of Kiwanis installed the officers at their regular meeting on Monday night.

Coming Interest

The United Church Women met at the Manse on January 15th, when Mr. F. I. Withers installed the officers and members of the executive for the year. The worship was led by Mrs. Roble Hill using the theme "Beginning a New Year." The program was under the direction of Mrs. F. I. Withers with Miss Marina Hill, Mrs. Curtis Hankinson, Miss Bernice Journey and Mrs. Carl Blynn taking part with the topic being "Declining Moral Standards". Many clippings from local newspapers over the past month were on a bulletin board. A lively discussion followed from which plans were made to hold a social evening for all members and adherents of the Heart Memorial United Church. It was the general opinion that the church should take a more active part in the social life of the community and provide entertainment. Also provide a suitable place where the young people in particular might gather to spend an evening.

The business period was conducted by Mrs. Allan Irvine. Reports of the years activities and financial reports showed a successful year in all departments and proved most encouraging for the first year of the new organization.

Hill Grove

Mr. Harry Turnbull of Digby was a recent visitor here guest at the home of Mr. and Mrs. Orbin Minard. He was accompanied by his daughter Miss Virginia Turnbull.

Mr. Curtis Porter went to Halifax last week for a medical checkup at the Victoria General Hospital. He was accompanied by Mrs. Porter. While in the city they were guests at the home of their daughter Mrs. Carleton Conrad and Mr. Conrad.

Party For Retired Residents

On Thursday evening the Neighbourly Club, Deep Brook held a surprise party for Mr. and Mrs. Arnold Henshaw. Hope had just finished the family wash when the unexpected guests arrived. Rev. Frank Smith had dropped in earlier but being a frequent caller nothing unusual was thought to be afoot. Extra chairs were hastily carried to the living room and everyone was given a hearty welcome by Arnold and Hope (still wearing her apron) and daughter Bonnah.

Following a short devotional led by Mrs. Bernard Baxter prayer was offered by Mr. Smith. Then followed an evening of games. Mrs. Earle Spurr was in charge of Bingo. A potato race and a clothes pin race caused much merriment. After the entertainment Rev. Frank Smith, on behalf of the Neighbourly Club, presented the Henshaws with a pretty table lamp with best wishes for health and happiness and a special welcome to Deep Brook after several years absence for "They are jolly good fellows". Arnold and Hope expressed their appreciation in a few well chosen words. Refreshments were served. Others meeting with the Neighbourly Club were Mrs. George Nelson, Mrs. Glendon Henshaw, Mrs. Robert Nelson and Mrs. William Vidito.

Letters to the Editor

Digby, N. S., January 19, 1963.

The Editor, The Digby Courier, Digby, N. S.

Dear Mrs. Wallis: People really like to complain! At my home in Digby we have no trouble with television reception from Channel 6. It is my opinion that local people expect too much from a free service. You can drive along any street in Digby, and in noting the direction of roof antennae you will find that very few people bothered to move their aerial when Channel 6 came on the air. Most roof-top aerials in Digby are directed towards Saint John. Anyone with average reasoning powers would not expect adequate reception from the local station under such circumstances. Those in the area who have installed the proper equipment are pleased with Channel 6 reception. The ones who are doing the most complaining are those who have done nothing to improve service.

Up until a few months ago viewers were forced to watch the Saint John station. May I suggest that if they are not satisfied with reception from Channel 6, let them watch Channel 4. Or is it easier to grumble?

For years people here have been clamouring for a "second" station. It was felt that the Saint John station did not provide adequate coverage of news and other items of special interest to Nova Scotians. CJCH-TV, having the full support of practically every service club and public spirited organization in the Valley, including that of the Annapolis Valley Affiliated Boards of Trade, prepared to establish a television transmitting unit in Digby. Since the strength of the Saint John signal is twenty times as powerful as that of Channel 6, it would most certainly be expected to serve a bigger area. CJCH is serving a smaller area with an equally good signal. Station engineers are entirely satisfied with the signal output from Digby. It is up to the individual viewer to see that his set is in proper condition to receive this signal.

May I further suggest that Digby viewers do their part in receiving this station. Then, instead of complaints, send a note of appreciation to CJCH, commending them on the splendid variety of shows that are offered through Channel 6, which includes a new network service.

Yours truly,
Satisfied Viewer.
Digby, N. S., January 17, 1963.

Editor, Courier, Digby, N. S.
I just put down this week's edition of the Courier after scanning the news. I was particularly struck by the story on T.V. reception and especially the fact that some homes and one school get the good reception and others do not.

I am not an agent for T.V. nor am I a T.V. repair man, but it seems that the T.V. transmitter so short a distance from town should be able to show a good picture here as well as in Annapolis Royal. My opinion is that Digby must have a lot of faulty or old T.V. sets in which the tubes and mechanisms are not equal to receiving from the new and powerful transmitting plant.

Organizations and individual persons in Digby have worked hard to get a second channel serving Digby people so that they could have a choice of programs and get Nova Scotia news. The least that Digby people could do to assure that Station CJCH stays with us is to give the reception a chance by having T.V. sets in good order for the purpose. Even the story in the Courier proved that a few dollars spent can bring in the picture well. What can be done for a few people can be done for all those who want the reception good.

As a private citizen without children old enough for Grade XI I would like to see fair play for CJCH. I enjoy their programs.

Yours truly,
T.V. Viewer.
Digby, N. S., January 22, 1963.

Editor, The Digby Courier, Digby, N. S.
Dear Editor: I must take my stand with those who are opposed to further liquor outlets, I hate the liquor business for what it is and for what it does. It has ruined more homes, broken more hearts, caused more thefts, murders, suicides, disturbances, and impoverished

more children than any one thing known to man.

They talk about teaching our young people to drink - but when drink comes in the door intelligence goes out. To me, alcoholic drink is Public Enemy Number One.

The proponents of further liquor outlets talk about Great Britain and its taverns. They paint a glowing picture of men spending a pleasant evening playing a game of darts and casually sipping one glass of beer, which lasts until "stop-tap". This is not true. Why the pretzels? Certainly not to quench your thirst - just the opposite. They'll give you all you want to drink and "hounce" you if you create a disturbance. They are not in this "business" for their health.

If we are concerned about our young people, then on Plebiscite Day let us refute with all our power the desire of the liquor interests to put this beverage into the mouths of our young people, our citizens of tomorrow.

A tavern can no more operate without boys than a sawmill without logs. The question is - Whose boys? Yours or mine?

On balloting day it won't be yours or mine if I can help it. The Bible says - "Wine is a mocker, strong drink is raging, and whoso is deceived thereby is not wise."

I trust that Christians of all churches will unite to defeat this insidious evil.

Again, Madam Editor, I cannot for the life of me see the connection between sport (or recreation) and booze.

Yours truly,
T. J. Davies.

602 Colquitt Ave., Houston 6, Texas, December 1, 1962.

The Editor, Digby Courier, Digby, Nova Scotia.

Dear Sir:-

Acting on the suggestion of the Canadian Consulate General in New Orleans, La., I am writing you and asking for your help.

I wrote them to ask:

(1) How I might locate a member of the Journey family, and

(2) the name of the newspaper that published an article about a re-union of the John Journey family at the Old Homestead, dated Weymouth, Nov. 10 - as it was included in a letter written Nov. 15,

1926, I think it might have been printed in 1926.

Would it be possible to check your back files for Nov. 10th of 1925 or 1926 for this article? It told of a re-union of the John Journey family, and mentions that these were present - John Journey and wife, Mrs. Susan Smith, Charles Journey, Mrs. John Urquhart and husband, Mr. and Mrs. Robert Journey, Mrs. Harley John, Thomas Journey, and Mrs. Jessie Bartlett. And another member of the family, but unable to attend, was Mrs. Margaret Shepherd, of Waltham.

My father, William Henry Journey Sr., of Houston, Texas, spent many years collecting information, in order to compile a Genealogy of the Journey Family. He exchanged letters with Mr. W. Fenwick Journey, of Weymouth, N. S., who is the one that sent Dad the clipping mentioned above. In 1939, Dad and I both corresponded with Miss Bernice Journey, of Weymouth, N. S.

I am trying to complete Dad's work and would like very much to contact Mr. W. Fenwick Journey and Miss Bernice Journey, if they are still living; if not, any member of the Journey Family. The Consul thought you might know them, or might have a city or phone directory of Weymouth, or the general area, and would be so kind as to look them up and give me their addresses.

Could you? Or if you can't, can you suggest how I might locate them? Thank you very much.

Yours truly,
Ray Journey McGlasson.

Editor, The Digby Courier, Digby, N. S.

In regard to the coming Liquor Plebiscite, the undersigned believes there is one particular message which we all should receive from The Book of Books, and that is this, that no person, or groups of persons, should play the "Balaam game" of putting a stumbling-block in the way of people in any community.

It is also certain, that no person of the church should be like the people of the Laodicea Church (Revelation 3: 14, 15) who were neither cold nor hot (neither for, nor against); this message from the Bible clearly rejects nominal Christianity in regard to moral and religious questions. The true Church for today is the Church militant.

Would any true person of the Church, or any good citizen, fail to vote in a liquor plebiscite, when one is held in their community, and the person is able to vote? I appeal to all eligible voters to use their franchise, and mark X under NO against MORE liquor outlets.

Red Cross Reports On Christmas Cheer

Reports on Christmas Welfare work were presented at the January meeting of the Digby Red Cross Branch, held at the Court House last week with Mrs. R. B. Lent, president of the Branch, presiding. One hundred and twenty children in twenty-one families were supplied by Red Cross with suitable toys, dolls, mittens and other items, the Christmas dinners for the families being provided by the Salvation Army, according to the report presented by Mrs. George Winfield, chairman of the Disaster Relief Committee. In her report Mrs. Winfield extended thanks on behalf of the co-chairman, Mrs. Daniel Comeau, and herself to all those who had assisted them with this work, including the following: Miss Marion Shreve, Miss Neata McNeill, Mrs. B. H. Ruggles, Mrs. Oakley Turnbull and "A Friend" for cash donations; the Eastern Star Lodge and the United Church ladies for wrapped gifts; the Conway Club, Mrs. Alma McAnson and Mrs. James Simms, Sr., for knitting mittens; Philip Woolaver and Daniel Comeau for transportation of parcels; Delbert Forrest for the repair of toys; also those who dressed dolls, and concluding with thanks to all those who had contributed the used toys and dolls which were made as good as new. Mrs. Winfield also made an appeal for more donations of used toys and dolls which may be discarded now that Christmas is over, and could be repaired and readied for next year's boxes.

In addition to the Christmas work of the Disaster Relief Committee, Mrs. Winfield reported donations of used clothing to fifteen needy families as well as assistance rendered to a family of four who had lost their home by fire during the holidays. Bedding, consisting of one-half dozen each of blankets, sheets and pillowcases had been received from Red Cross Headquarters for fire victims, and two "Star" quilts provided by the Digby

Branch, together with over \$40 worth of clothing purchased locally, supplemented by gifts from Branch members. A request was made for a bolt of flannelette for layettes to be used in local welfare work and a further appeal issued for bedding, both large and small, for a Digby mother and several small children who are in urgent need of enough to keep warm.

Congratulations to Mrs. Winfield and Mrs. Comeau on the amount of work accomplished by their committee were extended by the President, who also commented on the widespread service which Red Cross had been able to render in all these cases. In response to Mrs. Winfield's request, the purchase of a bolt of flannelette for welfare work was authorized by the Branch.

The report of the Women's Work Committee, presented by Mrs. H. M. Warne, showed shipments of over 180 finished articles to Halifax Headquarters in December, and the receipt of new materials for further work. Mrs. Warne also stated that the material for the special "Cashobies" being made by the Nova Scotia Division for its part in the Middle East program would be received at an early date, together with sample garment.

The Ways and Means Committee report of Mrs. Ralph Berwick showed final proceeds of the apron sale to be \$70, with tea receipts for the past month \$4.60, and a disbursement of \$15 to the Disaster Relief Committee for the purchase of Christmas toys. The Treasurer, Mrs. B. H. Ruggles, reported a much-appreciated donation of \$20 received from the "Digby Pines" (this being a part of the proceeds from the amusement fund received during the summer season. A letter was also read by the Secretary, Mrs. Elton Arnold, from Mrs. John Thibault expressing thanks for the use of the wheel-chair provided by the Digby Branch for her late husband.

The meeting concluded with a discussion of plans for the holding of an evening meeting in February, following which the members enjoyed the usual cup of tea served by the Ways and Means Committee.

Mrs. Don Haight motored to Annapolis on Friday. She was accompanied by Mrs. Leslie Bacon.

Obituaries

Hartford Holland Handspiker
Hartford Holland Handspiker, well-known member of the Bay View Life Saving Station, Digby, N. S., passed away suddenly on Friday while attending a funeral at Italy Cross, Lunenburg County, N. S.

Born at Culloden fifty years ago, he was a son of Mrs. and the late Angus Handspiker. He attended school at Culloden and lived in that community the greater part of his life. Seven years ago, he moved to Digby where he has since resided. He served as a member of the Bay View Life Saving Station for over seventeen years. He held the position of Second Coxswain with that well known group. He served overseas during the Second World War. He served in Labrador, Germany and Holland. He was a member of the Digby Branch Royal Canadian Legion. His wife is the former Freda Herman of Italy Cross.

Surviving besides his mother is his wife and two sons: Donald, at school studying radar with the RCAF at Clinton, Ontario, and Clinton aged fourteen years at home. He is also survived by brothers Glendon and Clyde of Culloden, Bernice, Zella, and Vivian of Saint John, N. B.

The remains rested at Jayne's Funeral Home in Digby N. S. until Monday afternoon when they were taken to the Digby Baptist Church for service with Rev. H. S. Hartlin officiating. Entombment was in the family lot at Culloden. Members of the Digby Branch Royal Canadian Legion conducted their service at the graveside.

Mrs. Cora Blanche Cousins
The village of Westport was saddened to learn of the death of Mrs. Blanche Cousins, which occurred at B.F.M. Hospital in Kentville following several weeks illness. She was the widow of B. F. Cousins and daughter of the late Mr. and Mrs. Burton Outhouse, Tiverton, N. S. and was eighty seven years old. Mrs. Cousins was the oldest member of Westport Church of Christ Disciples and Sunset Rebekah Lodge No. 98.

Those left to mourn their loss are a son, Donald, Ottawa, a daughter Rosina (Mrs. Donald Bill) Kentville; a half brother, Rev. Wilfred Outhouse, Miami, Fla.; a half sister, Mrs. Otis Kimbell, Quincy, Mass. A daughter Alice Cousins predeceased her. The body rested at W. C. Hiltz and Son Funeral Home, Kentville, N. S., until a later date when she will be brought to Westport to lie beside her late husband in the family plot at Hillton Cemetery.

Mrs. Oscar Comeau
Edith Mae Comeau, wife of Oscar Comeau of Marshalltown, died at the home of her daughter, Mrs. Earl Drew on Friday. Born in Syston, England seventy four years ago, she came to Canada in 1923. She was a daughter of the late Samuel and Margaret Altwood of England. Surviving, besides her husband, are three daughters; Nellie (Mrs. Earl Drew), Marshalltown, Ann (Mrs. Reginald Robicheau) Dartmouth, and Primrose (Mrs. Jesse Doucette), Marshalltown; three sisters in England, Mrs. Len Mansfield, Mrs. Henry Wade and Mrs. Percy Wagstaff.

The remains rested at the home of Mrs. Earl Drew, Marshalltown until Monday when they were taken to Trinity Anglican Church, Digby, for the service at 2 p.m. Reverend James Pike conducted the service and interment was in Marshalltown.

Joseph A. Melanson
Joseph A. Melanson, a well known resident of Weymouth Mills, passed away suddenly at his home Friday morning, January 4, at the age of 87 years. He had been in failing health for the past years. He was the son of the late Joseph Melanson and Catherine Comeau, of Comauville. His first wife, the former Minnie Robicheau, predeceased him by many years.

Surviving by his first wife are two sons, Alfred, Lowell, Mass., Pearl, Lowell, Mass.; two daughters, Lennie (Mrs. William Cosman), Brighton, wife of the late Frank Doucette, of the late Thomas (AQB) Cosman, of Beatrie, of Lowell, Mass. Surviving by his second marriage is wife Hazel, two sons, William, of Weaver Settlement, Joseph, Weymouth Mills; and five daughters, Eva (Mrs. Carey Doucette), Brighton, Ella (Mrs. Irwin Boudreau), Weymouth Mills, Catherine (Mrs. Theodore Duran), Montreal, Maude (Mrs. Richard Westfield), Alberta, Dor-

Tiverton

Mr. and Mrs. David Hackett and daughter Cindy of Halifax; Mr. and Mrs. J. W. Leeman also of Halifax; also Mr. and Mrs. Clayton Denton Jr., and daughter Robyn Lynn of Little River spent Christmas with their parents Mr. and Mrs. Earl Leeman.

Mrs. Earl Leeman and daughter Margaret spent Friday visiting her daughter at Little River.

Friends of Mrs. (Annis) Outhouse will regret to learn that she is confined to her bed. A hospital bed secured for her from friends at Freeport.

The old custom of "dropping in" on neighbors for a chat during the afternoon seems to be disappearing. However, one afternoon last week the custom was revived when a number of residents voiced their pleasure of welcoming Mrs. Charles Howard and Mrs. Alverton Sollows for a visit.

Brownies Get Service Awards
The 1st Tiverton Brownie Pack with Mrs. Jean Elliott as Brown Owl held their first meeting of the year in the vestry of the United Baptist Church on Friday. Games and stories were enjoyed. During the meeting Brown Owl presented slacks, Verona Outhouse and Maxine Guier, also Katherine Cossaboom with their 2-year service stars. Florence Outhouse and Laurel Outhouse received 1-year service stars.

Rev. John Bergman of Alberta, enroute to Saint John, Mr. and Mrs. Wilfred Cosman of Weymouth, called on friends here on Saturday. Rev. Bergman, councillor for Juniors at Johnsons Christian Camp, South Range about four years ago, has held special services in the church of Christ (Disciples) here on several occasions.

Miss Rosiland Outhouse, attending Teachers College at Truro, Miss Elizabeth Ann and Mr. Burton Purdy of Truro spent the weekend with Miss Outhouse's parents, Mr. and Mrs. Muriel Outhouse. About seventy-five students attended the dance held in the auditorium of the Islands Consolidated school. Special features of the evening were a snowball dance and the popular Limbo. The dance was chaperoned by Mrs. Edwin Outhouse, Mrs. David Outhouse, Mrs. Norman Perry, Mrs. Watson Crocke and Mrs. MacIntyre, also supervisor of schools, Mr. Bradford Finnigan, of Freeport.

Fuel Wharf Expense Apply To Causeway
A \$2000 wharf has recently been completed to accommodate fishermen at Israels Cove. Mr. Lindwood Perry, foreman of the project said the original wharf had been built there about thirty-two or three years ago and had been repaired in 1953. However, the high tides and heavy seas created by gale force winds were gradually wearing the wharf down. If a causeway linking the island with the mainland were built the expenses of building and repairing wharves would in a few years pay for the cost of a causeway. The residents feel a causeway would eliminate the force of the tide is the opinion expressed.

Deep Brook

Doors and windows shook and rattled in Deep Brook on Wednesday evening as a jet plane passed over, presumably breaking the sound barrier. The nerve racking incident occurred at a few minutes before 6 p.m. and it is interesting to note that about six weeks ago the same noise was heard at approximately twenty to six. Is this coincidence or is someone trying our nerves?

Gerald Hiltz was extended the Right Hand of Fellowship at the Baptist evening service on Sunday evening. The annual meeting of St. Matthews Anglican Church held at the parish hall on Tuesday evening. The same slate of officers of 1962 were re-elected for 1963.

Bothy (Mrs. Jack Morrell)
Brighton. Two daughters by his late wife predeceased him a few years ago. Funeral services were held on Monday, January 7, at Weymouth St. Joseph's Church, with burial in St. Croix cemetery, Plympton.

Home Destroyed By Fire

Fire completely destroyed a two-storey home owned by Leo Belliveau, Grosses Coques, Monday evening.

Mr. Belliveau was spending a holiday here from his home in Massachusetts and was just preparing supper when he discovered the fire, which was believed to have started in the attic. Nothing, including furniture stored in the attic, was saved from the flames.

The house was partly insured. Fireman from Little Brook and Meteghan volunteer fire department fought the fire, which broke out about 6 p.m. Although unable to save the home the firemen brought the blaze under control in about 2 minutes.

Mr. Belliveau is staying with relatives.

NORTH RANGE

Mr. George White motored to Kentville recently. Enroute he called on Mr. Perry Wright, who is convalescing at his home in Middleton following surgery at the V. G. Hospital, Halifax.

Minor Hockey League News

The Digby Minor Hockey League was in action on Saturday, January 12, and all teams played in all leagues.

The Paperweight action for the morning began at 8 a.m. and on the near ice the Wolves edged the Blue Devils 3-2. Wolves' markers were by J. Turnbull (R. Applejohn), R. Thomas (R. Applejohn, J. Turnbull) and B. Miller (unassisted). The Blue Devils' pair were by D. Ayer (L. Landers, A. Winchester) and P. McIntyre (L. Landers).

On the far ice the Tartans edged the Red Wings 2-1. Tartans' goal-scorers were B. Lawrence (W. Doucette) and B. Lawrence (M. Bailey). The Wings' singleton was by D. Kinsman (unassisted).

In the 8:35 Paperweight games, on the near ice, the Tartans squeezed a 2-1 win

over the Black Hawks. Tartan tallies were by M. Bailey (W. Doucette) and B. Lawrence (R. McPherson). Hawks' lone goal was by J. Thurber (B. Smith).

The other Paperweight game saw the Maple Leafs and Wolves battle to a scoreless tie.

This makes the Paperweight standings as follows:

Team	P	W	T	L	Pts
Blue Devils	9	6	1	2	13
Tartans	8	5	1	2	11
Wolves	8	4	2	2	10
Maple Leafs	8	2	4	2	8
Black Hawks	8	2	0	7	4
Red Wings	7	0	2	5	2

In the Pee Wee bracket, the first game ended with the Bruins tying the Knights 2-2. Bruins' goals were scored by T. Mudge (P. Connolly) and T. Mudge (P. Connolly). Knights' marks were by A. Wilson (B. Patterson) and B. Patterson (M. Blenkhorn).

The other Pee Wee game saw the Rangers shut out the

Canadians 2-0. Both Rangers' goals were scored by B. Nickerson (P. Theriault, M. Potter) and B. Nickerson (unassisted).

Pee Wee League standings are now:

Team	P	W	T	L	Pts
Rangers	6	6	0	0	12
Canadians	6	2	1	3	5
Bruins	6	2	1	3	5
Knights	6	0	2	4	2

The Bantam League began with the Aces trouncing the Royals 9-1.

The second Bantam game saw the Warriors and Millionaires battle to a scoreless tie.

This makes the Bantam League standings as follows:

Team	P	W	T	L	Pts
Millionaires	6	3	2	1	8
Aces	6	3	2	1	8
Warriors	6	3	2	1	8
Royals	6	0	0	6	0

The Midget League played at 10:35 and the Trojans outplayed the Maroons to a 4-1 count. Trojans' scores were by A. Doucette (E. Melanson), I. Anderson (P. Croft, E. Melanson), P. Croft (D. VanTassel, L. Francis) and P. Croft (M. Surette).

Maroons' single was by D. Wood (M. Surette).

The final game of the morning ended with the Victoria riding rough-shod over the Flyers and trouncing them 7-1. Two hat tricks were scored by the Vics. — one by R. Ross (assists on all three) by M. Amiraault, H. Cox and one by R. Cook (assists by Marshall, Robinson on the first goal, Robinson, Comeau on the second and Robinson, Marshall on the third). The seventh goal was by G. Robinson (R. Cook, D. Marshall).

Midget League standings to date are:

Team	P	W	T	L	Pts
Trojans	6	5	0	1	10
Victorias	6	4	0	2	8
Flyers	6	1	1	4	3
Maroons	6	1	1	4	3

This completes the first half of the schedule for 1962-63.

This amazing instrument will start a Volkswagen at 30 below zero.

It's not much of a trick, really. Just common sense.

We discovered, a long time ago, that water and winter don't mix.

A conventional car has about four gallons of water to heat before the engine runs properly.

Instead of water, a Volkswagen is cooled with air. No matter how cold the weather, the air is warmed almost instantly. Heat that is usually absorbed by

water warms the carburetor and oil for faster starts. (The automatic choke prevents stalling.)

There are other reasons why the Volkswagen is a winter wonder.

The bottom of the VW is flat so it doesn't get involved with deep snow. (You can shovel the walk, but the driveway is optional.) There's also better traction because the engine is in the rear with its weight over the drive wheels.

And we have one more amazing gimmick. It keeps our car from rusting. It's called paint. (We didn't invent it. We just use more of it. Four coats, inside and out.)

If cold mornings give you motoring problems, see your Volkswagen dealer. He's got the best key to winter driving.

Baptists Hold Annual Business Meeting

The annual business meeting of the Baptist Church of Digby was held in the church hall last Wednesday evening. Presided over by Mr. Gordon Turnbull, members of the congregation heard reports of the years work as carried out by the various officers, boards, committees and organizations of the church.

In his report the pastor, Rev. H. S. Hartlin, noted that five members of the church, namely, Mrs. Frank Smith, Mrs. Ernest Dakin, Mrs. E. Scott Eaton, Mrs. L. R. Morse and Mr. M. S. Leonard, had passed away during the year. A period of silence was observed in tribute to their memory.

It was further noted that seventeen new members had united with the church during the year, fourteen of these by baptism.

The Womens League report showed a year of activity and that the organization had presented the church with \$700. The sum of \$284. had been raised by the Women's Missionary Society for missions. Added to the contributions from the church for the Convention Missionary and Extension Fund, a total of over \$2,000, had been paid by the church during the year for Missionary and Extension purposes. This was probably the largest amount in the history of the church.

Reports from the Christian Youth Council and the leaders of the various youth groups revealed a year of activity and growth in the Baptist Youth Fellowship, C.G.I.T., Scouts, Cubs and Explorers, and a continued good attendance in the Sunday School.

Reports were heard also from the Board of Trustees, Choir, Finance Board, Brotherhood, Flower Committee, Cemetery Committee and others. In his report for the Trustees, Mr. Gordon Turnbull called attention to the installation of new heating equipment in the church at a cost of \$2,000. This had been paid for in full as a result of the canvass conducted in the Fall, which brought in the required amount.

The Treasurer's report, brought in by Mr. E. Scott Eaton, indicated that all outstanding bills of the church had been paid and that there was a substantial balance on hand.

The pastor expressed appreciation for the work of the Literature Committee in being able to secure a substantial increase in subscriptions to the Maritime Baptist among members of the congregation. He also referred to plans for an evangelistic mission in the church next Fall, with Rev. L.

R. Atkinson as the evangelist.

Before the close of the meeting, members of the Women's League served refreshments. Officers, Boards and Committees for the year 1963 include the following:

Trinity Parish Annual Meeting

In spite of inclement weather, all places at the supper tables were filled on Monday night as Parishioners met for the annual parish meeting. The supper was provided by the ladies of the church and they were assisted in serving by a group of young people. At the conclusion of the supper, the Rector expressed thanks of the gathering to those who had provided such a repast.

The meeting began at 8 p.m. and was presided over by the Rector, the Rev. James Pike. Prayers were said and the gathering remembered during a minute of silence, those who had passed to their rest.

Various reports were presented and showed improvement over the previous year. On the spiritual side there was an increase in number of people attending the Holy Communion and the financial reports showed an increase in giving for the work of the church.

Special mention was made of the work of the women. They have just completed a three year program of repairing and painting all church property which is now in excellent condition.

A special vote of thanks was given Miss Virginia Turnbull, the Parish Treasurer, for her very excellent work in handling the finances of the Parish. The Auditors, Mr. and Mrs. Fritz Dakin, complimented Miss Turnbull on the very capable way she did her work.

Officers for 1963 were elected as follows: Parish Wardens: G. B. Hayden and V. G. Cardoza, Vestry: The Rector, Wardens and Dr. G. V. Turnbull, C. E. Jones, R. Berwick, A. T. Grimmer, A. E. Dickson, H. O. Turnbull, K. C. Woodman, D. Ryan, G. Townsend, LeRoy Warner, Dr. R. A. Armstrong and C. Rice. Synod Delegates: Mr. and Mrs. R. Berwick, Alternate delegates: V. G. Cardoza and Mrs. H. R. Bishop, Diocesan Times Agent: Miss Bessie Turnbull, Diocesan Times Correspondent: Rev. James Pike, Auditors: Mr. and Mrs. Fritz Dakin, Deenary Camp Committee: Dr. G. V. Turnbull.

Honor Former Choir Member

Mrs. William Wamboldt, of North Range, was pleasantly surprised on Wednesday evening of last week when Rev. R. R. Winchester and members of the North Range Baptist Choir met at her home for an old-fashioned hymn-sing. Mrs. Reginald Andrews, church organist, presided at the organ.

Mrs. Wamboldt, who is in her 84th year, was for many years a faithful member of the choir. She recalls many happy evenings spent in singing the old familiar hymns at the various homes in the community and hopes this friendly happy custom may be revived.

Mr. Wamboldt was also a member of the choir and male quartette until his passing a few years ago.

DIGBY, NOVA SCOTIA, THURSDAY, JANUARY 31, 1963

Night Club Style Program

One of the most unique for Digby and a most enjoyable program was put on at Hotel Champlain on Thursday night when the Digby Kiwanis Club staged a floor show in Night Club style. Under the convener-ship of Mr. and Mrs. C. M. Levy the large reception room, at the hotel was dimly lighted with varied colored candles on tables and strings of subdued lights along the ceiling. Fish netting and pictures pertaining to the sea added a special seaside flavor to the attractively decorated room.

Master of ceremonies was J. J. Brittain, recently elected president of the Digby Kiwanis Club, while E. Twohig, past president, kept the audience in gales of laughter with hilarious announcements between numbers. Games, in charge of Charles Hall, Charles McBride and Donald Cameron, and a dancing interlude, divided a most enjoyable program into two sections.

First on the program was Stuart McLean, Smith's Cove, who pleased his audience with several vocal selections.

Young Miss eleven year old Lilla Wong captivated her audience as usual with her delightful songs rendered in a style which would leave the impression of months of tutoring. Miss Wong seems to have a natural gift vocally. So that all those attending the performance could see Miss Wong, she sang from the top of a table.

Mr. and Mrs. Hubert Deveau, Digby, greatly impressed the night-clubbers when they sang several duet selections in their native tongue of French. All their selections showed that Mr. and Mrs. Deveau's well blended voices had been accustomed to singing together.

A feature of the evening which kept the audience in merriment with unexpected parodies was the male quartette. Singing in the quartette were J. J. Brittain, Paul Snow, Donald Brown and Wallace Hodgson. This is the same quartette from the Digby Baptist Church which is becoming famous throughout Digby, Annapolis and Yarmouth counties, where they have made appearances.

Presiding at the piano for the above program was Mrs. Jean Olsen, organist at the Digby Baptist Church and regular accompanist with the quartette.

An enjoyable and different number was included in the program when Fidelie Theriault did a two-step dance number accompanied by Mrs. Theriault on the piano.

Overall program committee was in charge of Mr. Brittain and Mr. Brown.

The room for the show was made available by Kiwanian Croft and Mrs. Croft.

Refreshments of a salad and sweets were served night-club style. In charge were Mrs. Earle Morrell and Mrs. Edward Twohig. On invitation committee were Mrs. Leigh Jayne and Mrs. D. G. Black.

E. Scott Eaton was in charge of door tickets.

Mr. Brittain, the president, stated that the Kiwanians wanted something different to interest the Kiwanians and Queens and to entice new members to the club and so the Thursday night's program was designed with the hope of meeting that purpose.

Parish To Have Own Bishop

Rev. W. H. Logan chaired his first annual meeting since coming to the parish of Clements in mid-September and expressed appreciation of reception of himself and his family.

The pastoral letter from the Rt. Rev. R. H. Waterman was read and commented on with anticipation of his Lordship's settling within the bounds of this parish.

Officers for 1963 are: Eric Williams and H. A. Purdy, Wardens.

Many Express Appreciation New Boat

Mayor Vernon L. Bent and V. G. Cardoza, M.L.A., it is understood, have sent telegrams to CPR president N. R. Crump expressing appreciation of the railway's decision to replace the CPR ferry Princess Helene with a newer and larger ship, the Princess of Nanaimo.

Besides these telegrams it is also understood that organizations and private persons have voiced their appreciation by letter both to Mr. Crump and the Hon. George Nowlan for their efforts and final decision in the matter of providing this greater Bay of Fundy ferry service in the Spring of this year.

Expectations are that the new service will be a boon to the tourist trade in Digby and have a beneficial effect on the economy of the area. It has been stated that when the word gets around that the new and greater service is in operation that traffic will increase greatly.

Town councils, municipal councils, Boards of Trade on all levels in the Maritime provinces have kept up a constant urge for an improved ferry service. Just previous to the announcement of new boat, A. Parkes, Moncton, of the Maritime Boards of Trade, had advised the Digby Board of a recent meeting with government officials when the Saint John-Digby ferry need was presented.

Digby Baptist Church Marks Youth Week

Despite the severity of the storm a large number of the young people and members of the congregation gathered at the Baptist Church of Digby last Sunday for the youth service during the morning worship hour. The service was a part of the Christian Youth Week activities being observed in the church.

Members of the Boy Scouts, Cubs, CGIT, Explorers, BYF and Sunday School Classes were present. The CGIT formed the choir with Daneen Atkinson presiding at the organ. The choir sang two special selections. The pastor was assisted in the service by Linda Burnham, Eleanor Burnham and Billy Olsen.

Continuing the special events during youth week, a Youth Rally will be held in the church hall this coming Saturday evening at 7 p.m. This is an event that will include all the young people of the church from the Cub and Explorer age and up. The program will consist of skits, stunts and demonstrations put on by the young people themselves, and a motion picture will also be shown. Refreshments will be served.

A display of CGIT posters, uniforms, and program activities have been placed in the window of Wright's store this week. The work was done by the members of the Baptist CGIT group.

The Baptist Youth Fellowship of the church had an enjoyable evening last Thursday when about fifty of the young people of the congregation gathered in the church hall for a Crockinole Party. A brief devotional service was conducted by the pastor, Rev. H. S. Hartlin. During the business part of the meeting an executive committee was appointed to arrange for future meetings and programs. They are Gloria Joudrey, Daneen Atkinson, Barbara Olsen, Glenn Dunn and Ricky Olsen. Gloria Joudrey and Daneen Atkinson were in charge of the games, and before the young people went home refreshments were served.

Each year, one vicious habit rooted out in time ought to make the worst man good.

Gala "Night Club" Show

Many performers, guests of Digby Kiwanis Club, helped to make the Kiwanis "Night Club" show, held at Hotel Champlain an extreme success last Thursday. The foursome at the table to the right of the picture above are (left to right) Mrs. Hubert Deveau and Mr. Deveau who showed excellent talent in several vocal duets rendered and Mr. Fidelie Theriault who added to the program with his dancing ability. He was accompanied on the piano by Mrs. Theriault, extreme right. Mrs. Jean Olsen accompanied the singers. Among the guests at the table to the left are John Nichols, Mrs. James Ayer, Mrs. Garnet Neville, Mrs. Keith Raymond, Centerville, Mrs. A. L. Robinson. Back to the camera is Mr. Robinson.

Addresses Board And Club

V. G. Cardoza, M.L.A., who in December returned from Europe where he had been on the mission of the select committee of the legislation on labour legislation addressed members of the Digby Board of Trade and the Digby Lions Club at a dinner meeting at the Lions Club Hall on Wednesday evening. The address took the form of a travelogue when his talk was accompanied by showing pictures of places visited. Mr. Cardoza showed pictures of Stockholm, Sweden, where many of the buildings dated back to 1250 and where a law retained the exterior of buildings in much the same architecture as the time of their construction in the 12th or 14th century. He showed a picture of a restaurant in Stockholm which had been operating continuously since 1500 and the Royal Palace, the largest in use in Europe. Mr. Cardoza said that he had found the people in Sweden friendly and an interpreter was unnecessary as students in that country have to study 7 years English before entering university. Similar buildings were shown from Copenhagen, Denmark, where uniquely constructed churches and the statue of Hans Christian Andersen added interest for the audience. Huge agricultural lands and tremendous hog plants were seen in Copenhagen and Amsterdam.

Again the ancient buildings in Brussels, Belgium; the immense and ornate churches and the remarkable flood lighting interested the Lions and Board of Trade members. Another feature of interest was the tremendous rate of speed in travelling in Europe. Other places visited through the pictures shown by Mr. Cardoza were cities in Germany, France and England.

Mr. Cardoza was introduced by John Nichols, past president of the Board of Trade, and thanked by Mrs. Helen Anthony, of the tourist committee.

The occasion was the combined regular meeting of the Lions Club and the annual meeting of the Digby Board of Trade. Arnold McCallum, president of the Lions Club welcomed the guests and members of the Board of Trade. Present with the Lions was Harry Benjamin of the Dale Carnegie Course, who made financial arrangements for the Dale Carnegie demonstration night sponsored by the Lions.

Mrs. J. M. Wallis, president of the Board of Trade, thanked the Board members for their co-operation during the year and expressed joy in the fact that the announcement of a new and larger boat to replace the Princess Helene had been made while she was still the president. However, she said the announcement as made on Tuesday by the Hon. George C. Nowlan was a result of much consideration for several years by the C.P.R. and of urging by Boards of Trade on every level to C.P.R. and government officials. She said while Digby had become identified with scallops, Pines Hotel and Princess Helene the sense of progress by having

Cardoza Offers Services

V. G. Cardoza, M.L.A. in addressing the Digby Municipal Council on Tuesday afternoon volunteered his services as a convener in getting groups as Boards of Trade and other organizations together to pool thinking, resources and efforts of all interested in industrial development in the area. In order to make any real concrete advances in industrial development we must combine the efforts of all the organizations, he said. In case his services were not accepted, Mr. Cardoza said there should be a concerted effort made to bring together farmers, fishermen and others in the area so that each would not work along their own lines of thinking and duplicate efforts. He said he would be pleased to get in touch with groups who are interested because he was interested in the welfare and prosperity of the people in the municipality.

Mr. Cardoza lauded the good news of the Princess Helene being replaced by a larger boat in the spring and stated that so much of the economy depends on transportation. Expansion, he said depends on transportation into and out of the area. The announcement of the Princess Helene was made last week by Hon. George Nowlan who represents Digby - Annapolis - Kings in the federal government.

Grand Old Lady In Hospital

Friends of Mrs. Seraphine Potter, Deep Brook, will be sorry to hear that she is a patient in the Digby General Hospital after having the misfortune of tripping near her apartment on Saturday and breaking a leg. She also received a cut over one eye.

Mrs. Potter, who celebrated her 100th birthday last summer, has been in excellent health and insisted on taking walks to visit friends. She lives at Bay Crest Farm, the home of her daughter and son-in-law, Mr. and Mrs. Allan Purdy, Somerville, Mass.

Plan Fourteen Weeks Course

Harry Benjamin and Toby English, Halifax, were in town on Tuesday night when a demonstration meeting of the Dale Carnegie Course sponsored by the Digby Lions Club was held at the Lions Club Hall. The course which opens in Digby on February 12th, will continue for fourteen weeks.

The Dale Carnegie Course is designed to help develop and encourage, speak with ease increase income, entertain friends, become a more effective leader, improve memory and other qualities. On Tuesday night the subject centered around the need of leadership in a community. Mr. Benjamin compared leadership to a hand with five fingers — ability to speak; deal with people, self confidence, ability to remember names, facts and figures and enthusiasm. All or any of the above can be studied at the course coming up in February, he said. Confident attitudes was another major factor discussed by Mr. Benjamin.

Mr. English gave a memory demonstration to a fairly large audience. Souvenir editions of the Dale Carnegie book were presented to those present and refreshments were served by the Lions Club.

Expansion Of Fishing Boosts Hydro Sales

Expansion of the fishing industry on Digby Neck and in Clare, James Ayer said, was in a large measure responsible for the increase in sale of electrical energy in the municipality in 1962. Mr. Ayer, superintendent, was reporting to the Digby Municipal Council on Tuesday for the Digby County Power Board and the Hydro Distribution System of the Municipality of the District of Digby.

According to Mr. Ayer's report the total energy sold by the Digby County Power Board in 1962 was 18,862,563 kWhrs, an increase of 1,704,922 kWhrs, over 1961. This was the largest increase for any one year in the sale of electrical energy in the 36 year history of the Digby County Power Board. This, Mr. Ayer stated, (Please turn to page 10)

Welcomes Performers

J. J. Brittain (left), president of the Digby Kiwanis Club, welcomes performers at the "Night Club" show sponsored by the Kiwanis and held at Hotel Champlain on Thursday night. Next to Mr. Brittain is Lilla Wong, daughter of Mr. and Mrs. James Wong, Digby, who captivated the audience with her poise and quality of performance; Stuart McLean, Smith's Cove, who sang several selections; and Mrs. Jean Olsen, Digby, who accompanied on the piano the singers on the program.

Municipal Council In Session

Lieutenant Kenneth Crews, of the Salvation Army, opened the Digby Municipal Council sessions with prayer on Monday afternoon, after which Warden Ronald Morehouse presented his yearly report. Mr. Morehouse commented on the upsurge in the fishing industry in the municipality, particularly on the Neck and Islands. The trend was to change to the larger type of fishing boat, the lobster catch had been average and the price good.

Mr. Morehouse joyously referred to the announcement of the replacement of the Princess Helene by a newer and larger boat as a boon to the tourist industry and the economy of the area.

The lumber industry remained about the same as the previous year, Mr. Morehouse said, but owing to the weather the farmers had suffered a great loss.

In the field of education the warden said that consolidation had been completed but because they had not budgeted for the Islands Consolidated School, it had contributed to the municipal debt of \$50,477.99. However, it was pointed out that the method of financing used was beneficial and sound. Other items which contributed to the indebtedness of the municipality were the increase by \$11,113.24 in health costs mostly due to mental patients and to an increase in social welfare by \$7,262.63.

The council was addressed by Deputy Mayor Helen Anthony, who extended greetings from the town, Mrs. J. M. Wallis, editor of the Digby Courier, V. G. Cardoza, M.L.A., and H. C. Morton, manager of the Bank of Nova Scotia, Digby, who complimented the council on their method of financing regarding the Islands Consolidated School.

Council committees were drawn up as follows — Assessment — The Whole Council.

Finance and Public Accounts — Councillors Victor Finigan, Roy Snell, Clyde Cosman, Hubert Shortliffe, Eugene Outhouse, Mrs. Gott.

Poor and Harmless Insane — Councillors Aubrey Forrest, Sidney Westcott, John Comeau, M. W. Derby.

Tenders and Public Property — Councillors Victor Finigan, Hubert Shortliffe, Sidney Westcott.

Hydro — Councillors Clyde Cosman, M. W. Derby, Roy Snell.

Arbitration — Councillors Roy Snell, M. W. Derby, Sidney Westcott, Mrs. Gott, Clyde Cosman.

License — Councillors Walter Wood, Eugene Outhouse.

Revising Jury Lists — Councillors Sidney Westcott, Aubrey Forrest.

By-laws — Councillors Victor Finigan, M. W. Derby, Clyde Cosman, John Comeau.

Jail — Councillors Aubrey Forrest, Walter Wood.

Appointments made were — Sheep Valuers (all re-appointed).

Veterinary Board — Councillor Wood.

Court Crier — James Wambach.

Solicitor — E. J. Theriault.

Deputy Solicitor without salary — John Nichols.

Jail Physician — Dr. D. E. Lewis.

Auditors — H. R. Doane & Co.

Assessment Board — W. A. McIntyre, Frank Miller, Rice Kinney.

Delegates to Unions of Nova Scotia Municipalities meeting in Amherst — Warden Ronald Morehouse, Clerk Rosco Hand-spiker, and alternate the Deputy Warden.

Permission was also granted to have the Clerk attend the 1963 refresher course.

Appointment of a committee consisting of five members (the majority of which are to be councillors) to the Board of Health was tabled for a couple of days. This committee was to be set up in keeping with new regulations for Boards of Health.

License fees for circuses and other money making companies coming to town were discussed and plans made to change the by-laws in the respect of licenses. Consideration, it was felt, should be (Please turn to page 10)

Second Storm Worst In 40 Years

A second storm in just about a month, said to be the worst in 40 years at Victoria Beach, lashed the shores of Digby on Sunday and caused considerable damage. The high winds and rain accompanied by extremely high tides brought extensive damage to buildings and abutments along the town's waterfronts. In cases logs had lodged under the foundation and punched holes into buildings with the force of the waves, and pilings were torn loose from wharves.

Four scallop boats, Spur pier are said to have been damaged extensively and many of the other fifty more fishing boats were damaged.

As in the previous storm roofs were damaged and windows broken in down town stores.

At Westport the village lashed by a South - East gale. Full tides and gale force winds battered the water front for two hours, during the height of the tides. From Southern Point to Dyke Cove, all the fishing stands suffered some losses, ends were torn off wharves, planks raised in fish sheds, the roads strewn with buoys, logs, racks and kelp. The seas when hitting the breast-works raised as high as the hydro poles and came smashing against the houses and windows, sometimes expecting to cause windows to break under the force.

A boat owned by Edwin Frost, broke from its mooring at Westport and came ashore, smashed to bits. A long stretch of breast work was completely washed out. Fishermen said that it was the worst storm to strike since the hurricane of a few years ago.

To date the lobster fishermen in Westport cannot say what their losses will be, but presume they will be heavy. The lobster cars owned by D. B. Kenney Ltd. and Westport Co-op nearly broke loose from their moorings.

At Sea Wall on Digby Neck a fishing boat owned by Jimmy Lewis was badly damaged. It had been hauled ashore for the winter but the high sea tore it loose and smashed it on the beach.

Sundays rain and wind storm played havoc at Victoria Beach. The storm seemed at its worst on the high tide. The South wharf was almost completely demolished, boats were broken by flying logs and water filled several.

Two fish houses were blown off the wharf as well as a quantity of traps, buoys and other equipment. The road between the two beaches was badly damaged. Several boats which had been hauled up above the tide at the Indian Beach were thrown about by the breaking waves. There was little the men could do, as at the height of the storm the road was impassable and they could not get on the wharves

Fundy Veteran

Master of Canadian Pacific's Bay of Fundy steamer, Princess Helene, Captain A. Roy Conley has logged mighty close to 1,000,000 miles of travel across the Bay, regarded as one of the most unpredictable bodies of water in the world.

A Maritimer, born at Port Wade, N. S., Captain Conley has been master of the Princess Helene since 1946; former quartermaster in the Helene's predecessor The Empress, and has been shuttling regularly between Saint John, N. B., and Digby, N. S., for 38 years.

Bored after more than 21,000 crossings? Not Roy Conley. "There's something new every day," he says. "Weather conditions alone outlaw monotony. The weather is never the same two days in a row."

Captain Conley and the Helene's officers have been honoured frequently by the meteorological division of the federal department of transport for the excellence of their voluntary daily weather reports which are transmitted by radio and telephone to all parts of Canada and the United States. — (Canadian Pacific Spanner)

About This and That New Ferry Boat News Welcome

The announcement last week by Hon. George C. Nowlan that another ship would replace the Princess Helene on the ferry run from Saint John, N. B., to Digby this Spring came as welcome news. True, one of the dreams had been a train ferry or a boat which would carry trucks and trailers, but tidal circumstances probably made this impossible financially. The newly announced ship, the Princess of Nova Scotia, according to figures given, is so much improved over the capacity of the Princess Helene that joyful exultations have been sounding all around the county. Letters and telegrams have been sent from organizations and private persons to CPR president N. R. Crump and Hon. George C. Nowlan expressing the gratitude of the people for this step forward which will undoubtedly improve the economy of the Digby area. It is only right that organizations and private persons express their appreciation of the new service which is to come into being. Many were the letters, telegrams and pleas which were forwarded to both Mr. Nowlan and Mr. Crump urging an improved service for the Bay of Fundy run. In due course, after conferences and talks were held of which we probably know nothing about, the time arrived to announce the good news. The Digby Courier joins others in expressing appreciation to the Hon. Mr. Nowlan and to the C.P.R. president, C. N. Crump, and all others who have had a hand in bringing about the improved service. While resolutions from the Maritime Provinces Boards of Trade, the Annapolis Valley Affiliated Boards of Trade, the local Boards of Trade in Saint John, Prince's Helene, Be that as it N. B. Digby and the other Valley towns, the town and municipal councils and others could not make plans about the decision to replace for the C. P. R. or make up their minds for them, yet the influence of these organizations has undoubtedly played a part in that they voiced the interest and urgency felt by the people of the areas in the matter. To these we would also express our appreciation in their efforts.

The Nanaimo is over half again as big in tonnage as the Helene. The Nanaimo carries 1,750 passengers as against 500 by the Helene, and her capacity for cars is 120 as against 50. It is in the last respect where the new boat will probably be of most service. When cars have to stay in Saint John, N. B., or be turned back for a long trek around to Nova Scotia from Saint John, the tourist business for Digby and Nova Scotia in general has to suffer. With the new boat coming on for the summer tourist season, Digby can probably make a fresh start on building its prime industry — the tourist trade. It is now up to Digby to let the people know the town is here and that there are good transportation facilities for getting here. While the capacity for 1,750 passengers might seem more than necessary, one must consider that 70 more cars, if the capacity is used, will bring more passengers and with good advertising it is quite possible that much of the passenger capacity will be used.

As the retiring president of the Digby Board of Trade said at the annual meeting on Wednesday night — we could not let sentiment interfere with progress but many will have a feeling of nostalgia as far as the removal of the Princess Helene is concerned for she have come to identify Digby with scallops, Pines Hotel, and is, the new boat is needed and our appreciation goes to all those whose efforts brought about the decision to replace the Helene.

White Cane Week - Feb. 3-9

In a special White Cane Week message Mrs. J. T. Patterson, President, The Canadian Council of the Blind, said, "because doctors state that half the blindness in Canada is preventable we are dedicating White Cane Week, February 3-9 to good visual health and urging Canadians to safeguard their sight."

White Cane Week was started in 1946 by the CCB and The Canadian National Institute for the Blind to point out to the public that the white cane is the symbol of the sightless. Held annually through the past 16 years, the week has always been educational in character and has never been associated with fund raising. It has dealt with the problems of blindness, and the achievements of blind people. Because it is a double tragedy when someone loses his sight needlessly, the president pointed out, "we wish to arouse in the public an awareness of what it means to see. Eye-sight is like electricity," she said, "When we have it we think little of the service it provides."

Blind herself, Mrs. Patterson is a capable person, and the head of an organization which operates 79 recreation clubs for blind persons from coast to coast. She has met the blind in every province of Canada and in other parts of the world. She knows the value of vision and the limitations blindness imposes on those who suffer the handicap.

"As we grow older we become more a prey to such diseases as glaucoma and cataracts. Statistics show that about 100,000 Canadians have glaucoma right now and are unaware that they have it. An eye examination will catch such conditions in the early stages and can mean the difference between good sight and blindness — blindness that doctors say could have been avoided."

"One of the world's great religions claims that unawareness should be the 8th deadly sin," Mrs. Patterson said. "During White Cane Week become aware of the importance of your good sight and when you can, share it with those who cannot see."

Circulation Increases

The circulation of The Digby Courier has increased from 2,962 to 3,097 in the past year according to figures

Quartette Pleased Guests

The guests at the Digby Kiwanis floor show held at Hotel Champlain last week applauded the male quartette who really went out of their way to bring merriment to the audience with their personal parodies sung to old tunes. Letter to the Editor

The Parsonage,
Cranberry Isles,
Maine,
January 23, 1963.

To the Editor,
"Digby Courier",
Digby, Nova Scotia.
Dear Sir:

In a Christmas package from Sandy Cove was a copy of your paper. I think I have read every word of it; and strange to say, (after an absence of over fifty years,) I found "news" about persons I had known in my earlier years. (I am now nearly seventy-seven, retired, after having taught school for fifty-one years, both in Canada and the United States.)

For twenty-six years I was a staff member of the Maine Sea Coast Missionary Society, serving as both "teacher" and "preacher". I am, now, occupying some of my time, writing a book concerning those wonderful years.

Please find enclosed my personal check for four dollars, (\$4.00), my subscription to "Digby Courier" for the coming year.

Very truly yours,
Gladys M. Muir.

Mrs. Edward Theriault visited in Halifax last week. While there she attended the Bethel Mission of the Pentecostal Church.

taken for the end of December 1962. This represents a gain of 135 with a good percentage of the gain within the Digby trading area.

Letters have been received frequently expressing appreciation of pictures, news and editorials in the Courier and these we have accepted as genuine appreciation without flattery. Should we have any doubts the gain in circulation would be proof of satisfied readers and advertisers.

Gain of circulation in the first place is more important to the advertiser than to the publisher. The publisher really only stands to gain to any extent when the increased circulation produces more advertising.

Use A Coat Hanger

Most of our readers had not read Ruth Morton's predicament as she wrote in the "Hi Neighbour" of the Dartmouth Free Press and which came over Neighborly News on Sunday morning. Ruth, associate editor of the Free Press, did not want to wake up any of her family to unzip her dress when she went to bed late one night. She ingeniously used a safety pin and string. Dear Ruth — next time try a coat hanger. It is less work.

At least, Ruth, you weren't as badly off as one of our newspaper women who had to sleep in her evening dress and then travel about the hotel around nine in the morning to find someone to unzip the evening garb so that she could get looking well dressed for the morning business session. By this time Dorothy has heard of coat hangers. Now we'll tell her of Ruth's solution.

St. Anne's Tops Ravens

In a Western Valley Hockey League game played last Wednesday night, St. Anne's College won over the Digby Ravens by a 4-2 score.

Boudreau led the collegians with two goals. Others went to Fortin and LeBlanc.

Burgoyne and Mike VanTassel scored for Digby and Rodney VanTassel played an outstanding game in the Digby nets.

Microwave Station At Bay View

Western Nova Scotia is sprouting some new landmarks with the completion of a series of tall microwave radio towers in this area.

When completed next spring, these installations will form part of the Province-wide network of radio-relay routes. New telephone circuits will be established between Halifax and the Long Distance centres at Digby and Yarmouth providing not only the additional facilities required by increasing demand but communications paths unaffected by weather and the mishaps of traffic and natural causes which periodically interrupt pole-line circuits. Even the interruptions caused by momentary failures of electricity will not be noticed on these new circuits. Each station is equipped with special diesel generating systems and even during the interval between loss of power and starting of the generators, electrical energy will continue.

These accomplishments in supplying Nova Scotians' communications needs through radio telephony are not merely the results of recent studies and discoveries in this field but are based on over twenty years of experience by Maritime Telegraph & Telephone Company radio engineers in providing reliable radio links over the unique combinations of sea and land that they encounter in Nova Scotia.

Basically, this method of "bulk" communications employs very high frequency radio signals beamed from one tower to the next. The towers must be spaced and located so that a line-of-sight view exists between the tops of adjacent towers because any obstruction between them will interfere with the passage of the radio signals.

The new system will have its most easterly station at Bridgetown where a small building and antenna tower will be erected south-east of Carleton Corner. This station will receive signals direct from Aylesford Mountain and re-transmit them to Bay View, on the west side of Digby Gut. This station, established in 1954 for radio communication with Saint John, N. B., has recently been equipped with a 285-foot tower which will serve both the older system across the Bay of Fundy and the new system to link the Yarmouth area. A larger building has been completed to house both radio installations.

The next hop is to New Tusket where a new station has been built in the Corberrie area some fifteen miles from Weymouth. The 280-foot mast at this location has been erected and the building has been completed.

The station to serve Yarmouth will be located at Hebron, just off the Ohio Road. A 225-foot mast has been erected and the building is also completed. A special high-frequency cable to the Yarmouth Telephone building will extend the system into the Gateway town.

An additional station will be erected at Oak Park, near Barrington, with a 220-foot tower. This will handle a smaller radio system which will operate to Hebron to extend part of the communications circuits into the Barrington area.

Mr. and Mrs. Malcolm Bradshaw of Yarmouth spent a recent weekend at the home of Mr. and Mrs. Eldon Ford. Mrs. Thomas Lacey of North Reading, Mass., is spending a few weeks with her sister, Miss Ethel Nichols, and a cousin, Mrs. Charles Greene.

Baptist Ladies

The annual business meeting of the Ladies Auxiliary of

the United Baptist Church, Sandy Cove, was held in the church parlour on Tuesday evening, January 15, 1963, with the president, Mrs. Elmer Lewis presiding. Reports from the various committees showed that the Auxiliary had a successful year.

The following officers were elected for the coming year: Pres., Mrs. Elmer Lewis; Vice-Pres., Mrs. Edmund McCullough; Secty-Treas., Mrs. Dutton Sypher; Cheer Box Convener, Mrs. Owen Irving; Work Convener, Mrs. Curtis Denton; Quilt Convener, Mrs. Kenneth Merritt; Auditors, Mrs. Vera Morehouse.

After the business session, the devotions taken from the 7th chapter of Luke and a reading from "The Upper Room" were read by Mrs. Kenneth Merritt after which she served refreshments.

Observe Youth Week

The Sunday evening service at the Weymouth Church of Christ (Disciples) was conducted by the Christian Youth Fellowship in observance of Christian Youth Week. The theme was: "Bound - To Be Free".

Stewart Lewis presided, with invocation prayer given by Ivan Lewis, and Arla Barr leading the hymn-sing.

President, Carolyn Lewis, gave the scripture reading which was followed by the evening prayer offered by Virginia Lewis.

Announcements for the week were made by Mark Nethercott. Ushers were David Cosman and Raymond Barr and offertory prayer was by Patricia Cosman.

The choir was comprised of all CVF members who together rendered a special selection "Forward With Christ", accompanied by Mrs. Frank Lewis, organist.

Special speaker was Mr. Melbourne Barr, Adult Advisor, for the Fellowship group. Mr. Barr commented briefly on the work of this group and also of responsibility which both the parents and young people hold in promoting Christianity. His text was taken from various parts of the New Testament, delivering an inspiring message, urging youth to continue in the sound doctrine of Jesus Christ and to apply it in their daily living.

Rev. Lorne Nethercott presided at the conclusion and pronounced the benediction.

The youth group meet at the church every Friday evening at 7:30 p.m., with the adult advisor or pastor for Bible Study, Fellowship, etc., and enjoy recreational and social activities at various intervals. All youth are welcome.

Obituaries

Mrs. Charles McClafferty

There passed away at the Annapolis General Hospital on Monday morning, January 21, following an illness of a few months, Mrs. Charles E. McClafferty, aged 61 years.

Before her marriage she was Miss Josephine Murray, daughter of the late Thomas and Elizabeth Murray, of Annapolis Royal. She received her education at the Annapolis Royal Academy and a convent in Rimouski, Que.

She was a faithful member of the St. Louis Roman Catholic Church, a prominent church worker and served a number of years as church organist.

She is survived by her husband and eight children: Kathleen (Mrs. Joseph Sherrington), of Wigan, Lancashire, England; Eleanor (Mrs. W. R. Taylor), Ingersoll, Ontario; Cpl. Thomas, RCAF, Groton, France; Sgt. Murray, RCEME, Fort Shilo, Manitoba; David, at home; Bryan, of Graymour Friars, Garrison, N. Y.; Karen, at home. She is also survived by one sister, Corinna (Mrs. T. S. Wentzell), of Annapolis Royal.

The funeral was held from St. Louis Roman Catholic Church on Thursday morning at 10 a.m., conducted by Rev. Father J. Comeau, with interment in the family lot in St. Louis cemetery.

Mrs. Lawrence Orde

There passed away at the home of her son in Wilmet, on January 14th, Mrs. Lawrence Orde, a resident of Granville Ferry.

Born in Milford in 1877, she was formerly Laura Belle Hubley, daughter of the late Zachariah and Margaret Wright Hubley. Her early life was spent in Graywood. Later she moved to Granville Ferry (in 1922). Her husband predeceased her, as did one son and one daughter.

She is survived by two sons, Ward, Granville Beach, and Darrell, of Wilmet; three daughters, Doris (Mrs. Ardin Terry), Truro; Geraldine (Mrs. Curtis Sarty), of Granville Beach, and Marjorie (Mrs. Irving Spurr), Granville Ferry; one brother, Walter Hubley; 17 grandchildren and 7 great grandchildren.

She was a member of Holy Trinity Anglican Church, where on Wednesday afternoon at 2:30 the service was held, conducted by Rev. S. R. Shephard. Pallbearers were Mr. Earl Kearns, Mr. Percy Mills, Mr. Maurice Mills and Mr. Gordon Mills. Interment was at Woodlawn cemetery, Annapolis Royal.

Mrs. David Innes Wade

There passed away at her home in Annapolis Royal, following a period of ill health, Mrs. David Innes Wade.

Before her marriage to Capt. Wade she was Miss Marjette Kennedy King, daughter of the late Capt. William and Charlotte King, of Annapolis Royal.

She received her education at the Annapolis Royal Academy and the St. John Business College in New Brunswick, and was a secretary in the offices of Daniel Owen and Frank W. Pickles before marriage.

A devoted member of the United Church of St. George and St. Andrew, she was a former choir member and organist, Sunday School teacher, member of the W.M.S. and active in all church organizations.

Before her husband's death in 1949 they resided in New York. She is survived by one son, Kenneth, of Lynnfield, Mass., and one daughter, Charlotte, Home Economics teacher at Acadia University, Wolfville; and three grandchildren: also one sister, Miss Hilda King, of Annapolis Royal, and two brothers, Paul King, of Liverpool, N. S., and Alward King, of Sussex, N. B., and several nieces and nephews.

The funeral was held from the United Church of St. Andrew and St. George on Saturday, at 3:15 p.m., conducted by the Rev. M. G. Butler, with interment beside her husband in Woodlawn cemetery, Annapolis Royal. There were many beautiful floral tributes.

Leslie Sanderson

Funeral services for Leslie Sanderson, 82, of Baxter Ave., West Yarmouth, retired official of the John Hancock Mutual Life Insurance Company of Boston, was held at the Doane, Beal and Ames Funeral Home in Hyannis.

Mr. Sanderson, a Newton Highlands resident for 47 years until he moved to the Cape 16 years ago, was in charge of the industrial life section of John Hancock before his retirement.

Marriage

Amirault - McNamara

St. Bernard's Roman Catholic Church was the scene of a pretty wedding when Anne, daughter of Mr. and Mrs. Arthur McNamara of Port Hawkesbury, became the bride of Gerald Amirault, only son of Mr. and Mrs. Nelson Amirault of New Edinburgh. Rev. Msgr. Elie LeBlanc officiated at the ceremony.

The bride entered the church on the arm of her father who gave her in marriage. She was lovely in her gown of all lace. The fitted bodice buttoned down the back and had a high neckline trimmed with sequins. A flowing skirt hung from the waist with a panel of organza at the front and was supported by hoops. Her bouffant shoulder veil was held by a coronet of sequins and she carried a bouquet of red roses.

Jean Amirault supported the groom.

Following the wedding a reception was held at the home of the groom where a breakfast was served to about fifty guests. Jean Amirault gave the toast to the bride.

The happy couple left on a trip to the U.S.A. and on their return will reside in Bedford where the groom is an employee at the Sunnyside restaurant.

Out of town guests who attended the wedding were Mr. and Mrs. Joe McNamara; Mr. and Mrs. Bill McNamara and their son of Yarmouth; Mrs. Charles McDougall, Mrs. Weir and her son; Miss Carol Larkin in all of Halifax and Mr. Arthur McNamara of Port Hawkesbury.

He was born in Barton, Digby County, Nova Scotia, but moved to Newton as a youth. He was a life member of Dalhousie Lodge, A.F. & A.M., of Newton, and a former member of Fraternal Lodge, A.F. & A.M., of Hyannis.

He attended the Hyannis Federated Church and was a member of the church's retired men's club.

He leaves his wife, Jenipher (Ring) Sanderson; a daughter, Mrs. James MacCausland, of Newton Highlands; three brothers, Richard, of Whitinsville, Dwight, of East Hartford, Conn., and George L., of East Orange, N. J.; four grandchildren and one great grandchild.

Concert At

St. Anne's

The third concert of the season by the Jeunesses Musicales was held at St. Anne's college auditorium on Tuesday, January 29th, at 8 p.m., which will feature Le Trio Canadien (The Canadian Trio).

The name, "Le Trio Canadien", was conferred by Gilles Lefebvre in Paris, 1960, upon three young Canadian musicians then studying at the Conservatoire. All three have since graduated from this reputable institution and are now beginning their professional careers.

Gail Grimstead was born in Montreal in 1938 and studied at the McGill University Faculty of Music with Herve Baillargeon. She spent the years 1958-1962 in Paris, studying with the celebrated French flutist Jean-Pierre Fampal and with Gaston Crunelle at Paris Conservatoire.

Pierre Hetu is a graduate of Montreal's Conservatoire (Superior piano diploma) and the University of Montreal (Bachelor's letters). He continued his piano studies for two years at the Paris Conservatoire with Marcel Ciampi and also took private lessons in orchestra conducting with Edouard Lindenberg. He was awarded first prize at the International Competition for Young Conductors which was held in Besancon, France, last September.

Jacques Simard entered the Conservatoire in Quebec City when he was nine years old to study the oboe; he graduated in 1958 with a first prize. The following year he was admitted to the Paris Conservatoire. In 1961 he toured Germany with the Monaco Chamber orchestra and in the spring of 1962 he obtained two first prizes from the Paris Conservatoire, one for oboe and one for chamber music.

Centreville

Mrs. Ingram Dakin of Centreville celebrated her 88th birthday on Monday, January 28th, at her home. Miss Dakin is able to do her light house work. Mrs. Dakin has 32 grandchildren, 83 great grandchildren. Also the oldest woman in Centreville. Wishing Mrs. Dakin many happy returns.

Deep Brook

Friends of Mrs. Seraphine Potter will regret to learn that she had the misfortune to fall while out of doors at Bay Crest on Saturday, and in falling broke a bone below her knee. She is a patient at Digby General Hospital.

Mrs. Potter celebrated her 100th birthday last April and has since been quite active, getting out to visit neighbours this winter.

The Neighbourly Club met with Mrs. Larry Irving on Wednesday. Refreshments included a special cake made by the hostess in honor of Mrs. Paul Vroom and Mrs. James Johnstone who recently celebrated birthdays and for Mrs. William Hall who with Mr. Hall celebrated their 28th wedding anniversary on the 17th of January.

Mrs. Harry Vroom and Mrs. W. H. Spurr were co-hostesses at a benefit evening of cards held in the upstairs room at the parish hall on Friday. Prize winners were: Ladies first in bridge, Mrs. Jack Vroom, gents first Willis Robar. Consolations Mrs. L. L. Snell and Leonard Purdy. Ladies first in 45 was Mrs. Larry Irving, gents, Borden Fountain, consolations went to Mr. and Mrs. Murray Oickle. Proceeds were for work of St. Matthews Guild, Deep Brook. Miss Norma Sitland and friend Miss Louanna Harnish, of Halifax, spent the weekend with Mr. and Mrs. Paul Morehouse.

Week Of Prayer At Westport

Week of Prayer meetings were held on Tuesday and Friday evenings in Westport.

On Tuesday evening the meeting was held at the Church of Christ Disciples with Rev. Burt leading the devotional, opening with a sing-song and prayers by Rev. J. W. Derby and Lic. McLean. Scripture was read by Rev. Mr. Burt and was taken from Acts 13:34-40. Offering was received by Harold Thompson and Edgar McDormand. The message of the evening was brought by Rev. W. Ideson, of Freeport, on the theme, "The Gospel".

On Friday night they met at the Baptist Church with Lic. McLean leading the devotional. There was a prayer period with Rev. Mr. Burt closing this. The Misses Judy Welch, Sharon Frost, Barbara Frost and Veronica Gower sang the song "Sweet Hour of Prayer". Rev. J. W. Derby brought the message of the evening on the theme, "Hope". During the service he gave a short history of Week of Prayer. Rev. Mr. Ideson dismissed the service with prayer.

Rev. Atkinson
Writes From
India

Ramainandrapuram,
India, Jan. 23.

Editor of
The Digby Courier.
Dear Mrs. Wallis,

Just a word of greeting from the land of India. I am thinking much of the folk in the Digby area and it will be good to get back again.

Mr. Roberts and I left Montreal on the 27th Dec. We put down in Scotland for a brief stop — then on to London. There we found a cool day, freezing rain and it was necessary to hold up until "our wings" were de-iced. We made brief stops at Dusseldorf, Beirut, Baghdad, Karachi and then Calcutta. The weather was getting warmer so we had to shed our top coats. We spent Sunday in Calcutta where we attended service in the Carey Memorial Baptist Church. We left then for our mission field stopping off at Visakhapatnam for the New Year services. We were speakers at the services. Since then we have attended three of the Associations and the Annual Convention of the Baptist Churches. We were the main speakers.

All along the way we have received a wonderful welcome. The folk are kind and interesting. The customs are different of course but I think we can learn much from them.

One is amazed by the tremendous crowds. Train is the main travel and all trains are crowded. Sometimes they are hanging on the outside of the train. I gather they are seeking a free ride. Large crowds attend the services and they are anxious for a lengthy one. One is expected to speak for at least an hour. The singing is of interest and the music certainly different. The folk walk miles to attend a service. We have concluded a 3 day Conference which began Sunday. It wasn't arranged until Friday. The pastors sent out on bicycles to announce the services and the crowd that gathered was tremendous. Services are held outdoors in such cases. A Pandit is built of bamboo rods and covered with palm leaves. Last night the attendance was over 600.

The weather is a warm 85 or so. There is an abundance of fruit. Bananas cost about 5c a dozen in our money. A hair cut is about 8c in our funds. There are orange trees

Anglicans To
Consider
Human Rights

"The Church and Human Rights" will be the theme of a Public Meeting in the Anglican Diocesan Centre at 8:00 p.m. on Monday, February 18th, when representatives of minority groups, the legal profession, labour, management, universities, and government, will consider with Church members the Church's concern and responsibility in the area of Human Rights. The gathering will be sponsored by the Diocesan Council of Social Service.

Keynote Address on the Theology of Human Rights will be given by the Right Reverend John Melville Burgess, Suffragan Bishop of Massachusetts, who is the first Negro to be elected as Bishop in the Protestant Episcopal Church with jurisdiction in a predominantly white area.

The Church's Role with regard to Human Rights, as it appears to Labour, Management, a Minority Group, and Government will be presented in brief by Mr. Perry Bonayne, representing Labour, Alderman Allan O'Brien representing Management, Mr. Gus Wedderburn, representing the Negro Minority, and the Hon. W. S. Kennedy Jones representing the Nova Scotia Government.

A Panel chaired by Mr. Jack McAndrew, of the C.B.C. and composed of Miss Belle Dauphinee, City Welfare, the Reverend Charles Coleman, Minister of the Cornwallis Street Baptist Church, Mr. R. A. Klamberg, Q.C., and Reverend W. P. Oliver of the Department of Adult Education, will deal with questions presented by the audience.

By way of introduction four brief addresses will deal with problems in Human Rights in Nova Scotia. Rabbi Emmanuel S. Goldsmith of Beth Israel Synagogue will speak on "The Law and Human Rights"; Professor Don McLean of the Dalhousie Institute of Public Affairs will speak on "The Negro in Halifax"; while Doctor Stanley Rudin of the Dalhousie Psychology Department will speak on "The Psychology of Discrimination".

The Right Reverend W. W. Davis, Bishop Coadjutor of the Diocese, will introduce the speakers, while the Right Reverend R. H. Waterman, Lord Bishop of Nova Scotia,

outside the house here.

We are now making a tour of a Mission Field and will be moving every day. We will supervise 3 weeks of Evangelistic services, when the pastor will conduct services with a visiting pastor as speaker. This is the program we do in the Maritimes and that is what we came here to introduce.

Next month we will address a 3 day Youth Convention.

We leave on March 20th for home but stopping off for visits along the way. Hope to be in Digby April 2nd.

Mr. Roberts received a cable that his mother had passed away in Calgary.

In a hurry as usual, we have a service tonight in the Hills and by leap it's a long way. The cows, goats and buffalo have the right away.

Regards to all the folks.

Year End
Review

Hon. Stephen T. Pyke,
Minister of Highways.

The year 1962 has seen some noteworthy accomplishments in the highway program despite the severe handicap imposed by the untimely and prolonged wet weather.

At times, contractors were seriously hampered in their operations and it is to the credit of everyone concerned that by concentrated effort almost all the scheduled work has been completed.

As in previous years, we have been acutely aware of the need for careful planning in order to ensure a proper balance of work between the metropolitan and rural areas and between the major trunk routes and the equally important county roads which directly affect the lives and activities of so many of our citizens. The day when every community will be served by a paved road is not very close at hand as I think, any reasonable person will realize, but we can feel a measure of satisfaction that each year sees our province making significant progress towards this goal.

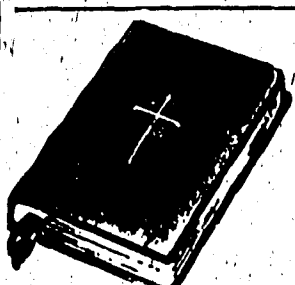

It is to be expected that not everybody will be equally satisfied with what has been done — some will no doubt feel that more work could have been done in their particular districts and this is quite understandable.

Unfortunately, the harsh realities of economics still limit what can be done with the resources of our province and there continues to be a most pressing need for vigilance to ensure that the province receives true value for the money it invests in the highways. Moreover, government is affected by the upward trend in costs just as is the private citizen and this too is a factor in determining how much work can be done.

Despite all the handicaps, more than 280 miles of hard surface was laid during the season, including approximately 87 miles of repaving; many miles of the older paved roads in the province are reaching or have already reached the end of their useful life and repaving, therefore, will become increasingly necessary. Grading and surfacing will sum up and consider future possibilities.

The Meeting will be opened to the general public and will be attended by clergy and laity from all parts of Nova Scotia and Prince Edward Island, who will be in Halifax for Church Meetings during the week of February 18th.

facing were completed on 168 miles, while an additional 30 miles were graded and 25 miles surfaced.

Further substantial progress has been made towards freeing traffic from the restrictions imposed by narrow and inadequate bridges. The new Liverpool bridge is well advanced, while in Kings County, the Kingston Village bridge and the Phinney bridge have been completed.

Elsewhere throughout the province a substantial number of smaller bridges have been completed. Major structures are in various stages of completion in connection with by-passes at New Glasgow, St. John's, Antigonish, Leithes Creek and Balls Creek, while the completion of the Bicentennial Drive entrance to Halifax is in sight. Studies are being continued in relation to all main bridges, which the Department is considering replacing.

The number of motor vehicles registered in the province continues to rise steadily and this, of course, still further highlights the need for year-round, all-weather roads.

Snow removal and ice control are still major problems with which the Department must cope each winter. Almost three and a quarter million dollars were spent last winter in providing this service, on a total of 13,000 miles of roads. The province has a very large investment in modern snow removal equipment, and every unit was operated at full capacity when snowstorms occurred. Main trunk routes and major county roads were usually opened up within a matter of hours but on occa-

sion when storm followed storm, almost without interval, even though alternating crews kept ploughs working around the clock, it was inevitable that clearing of some roads was delayed. The Department will not relax its efforts to still further improve the winter service to the full extent that available funds will permit.

As the year ends, another begins, and it is appropriate that a review of things past should lead into an appraisal of things ahead of us; this we are doing. By careful study of all available data and by using latest technological methods to forecast probable future highway traffic volumes and flow, the Department is seeking to carry out the government's intention to provide for our people the best highway system that our resources will enable us to finance. The many great projects now underway will be pushed to completion with all reasonable speed consistent with prudence, and others will be undertaken as funds are made available by the Legislature.

In previous years the province has been well served by responsible and conscientious contractors and by Department personnel; the year 1962 has been no exception and I am convinced that this will be the case in the year that is now upon us.

Unit Makes High Dressing Total

The Clare unit of the Canadian Cancer Society held its annual meeting at the Little Brook Court House, and J. Marcel Valotaire, local bank manager, was reappointed president for the 1963 term. Thirteen patients attended the Cancer Clinic at the Victoria General Hospital, Halifax, during 1962.

The unit distributed approximately 10,000 dressings to patients in Clare during the last year, which is the greatest number distributed in years.

Two groups prepared the dressings with one group under the guidance of Mrs. Agnes Robichaud of St. Bernard's and the other under Mrs. Vincent Blinn and Mrs. Ameline Theriault.

Last year's fund campaign raised \$1,203. Clare's quota for 1963's campaign which will be from April 1 to 6 inclusively will be \$1,250.

Officers elected for the new term were: President, J. Marcel Valotaire, Church Point; 1st Vice-Pres, Steve LeBlanc, Lower Saulnierville; 2nd vice-pres, Emile O. Theriault,

GREAT MOMENTS IN CANADIAN SPORT

HIGH SCORING TRIO. Three of the National Hockey League's all-time scoring greats have had their feats immortalized in the Prudential Insurance Company of America's "Great Moments in Canadian Sport" collection. In this picture, taken at the Montreal Forum are Bernie "Boom-Boom" Geoffroy, Maurice "Rocket" Richard of the Montreal Canadiens and Bobby Hull of the Chicago Black Hawks. Hull and Geoffroy are featured in No. 10 of the Prudential Series (shown right — Fred Oakley's original painting depicts the thrilling moment in the opening game of the 1962 Stanley Cup semi-finals when, for the first time in N.H.L. history, two players with seasonal totals of 50 goals faced each other). Richard, the only other N.H.L. player to score 50 goals in one season, was the subject of No. 3 in the Prudential Series, by award winning artist Jack Reppen. Large full colour reproductions of the originals in the series are available of charge from the Prudential Insurance Company of America.

Asks About Old Family Friends

Mrs. B. Longman, Digby, has a letter from Mrs. Charlotte W. Trontwine McCrum, 1690 Indian Valley Road, Novato, California, in which Mrs. McCrum asks about relatives and friends of her mother who one time lived in Digby. The Longmans, who are friends of Mrs. McCrum, recently moved to Digby from Cape Breton.

Mrs. McCrum was the former Charlotte Temperley, her mother was a Kempton girl born in Digby. Among relatives and friends were the following: Joseph Kempton, Libbie Kempton, Whitman Kempton, Charlotte Whitman and families by the name of Freeman.

Bear River Man Elected President

Harvey Chisholm, Bear River, centre above, was elected President of the Senate Club of the Nova Scotia Federation of Agriculture during recent sessions of the federation. Shown with Mr. Chisholm, are left, Howard MacKichan, Halifax, and right, Lorne Fisher, Shinimleas.

At the federation meeting a resolution on the ARDA program, asking the federation to discuss with ARDA authorities a program which to enable many smaller farmers to develop commercial units based on beef, hogs, and small fruits, was discussed at some length before passing the session.

Dave Milligan, of the agriculture department staff in Truro, told the farmers that the ARDA program was not a "Santa Claus" type of program, and that considerable effort would have to come from individuals involved. He said it was necessary for those

interested in the program to come up with plans and individuals in the communities will have to take the initiative, do most of the work, and planning, he said.

A resolution called on the department of agriculture to give consideration to the provision of vocational training for agriculture on a local level comparable to that now being given for other vocations. It was pointed out that 450 voca-

tional schools were now being built or remodelled in Canada and not one was teaching agriculture.

Among other resolutions was one which asked the CPR to arrange for a modern ferry service between Digby and Saint John with facilities for handling trucks; and one which asked the federal and provincial governments to continue the Maritime Marshlands Reclamation Act.

Lessons From Cuba

The present chaos and grief of Cuba should be a lesson to the world. Wolves in sheep's clothing are not to be trusted, and once the predatory creature gets in he doesn't get out easily. We have been shown that people, even cultured people, can be deceived and destroyed.

All free people must stay awake, if they are not to be overwhelmed and enslaved. Plain it is that the antigod forces are ruthless and without mercy. Not for a moment can we suppose that the Red menace has been converted. Much as we pray that this might take place, it hasn't yet. When it does the evidence will be ample.

On our side we must take a long look. Why are we so late in recognizing an enemy for what he is? Could not our own country be led down the road of doom, given the right set of circumstances?

When the Cuban crises came, many said, "Let us pray". The public was stirred. The possibility of nuclear war sent people to their knees. God did answer by relieving the tension.

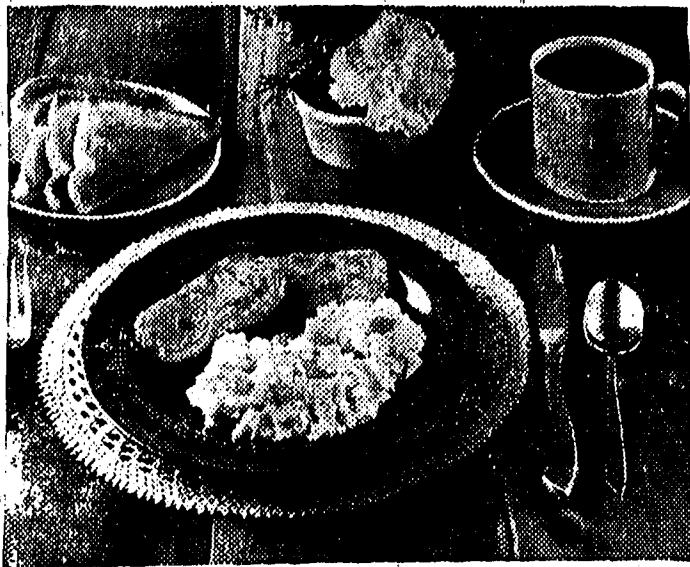

Cuba is not yet free, but the prayer for her has largely subsided. Did we only pray selfishly that we might be spared from suffering with little concern that a beleaguered nation be set free?

Many who pray in crises time, pray at no other time. This is a wrong understanding of the nature of prayer. Those who live for sin and self apart from God, have no access to Him in prayer.

Repent we must of rejection, of lack of Bible appreciation, and of lack of spiritual discipline if we are to know how to pray, should crises come again. Prayer without repentance is hypocrisy.

CREAMY COFFEE AND PROTEIN FOODS START THE DAY OFF RIGHT

Begin cold winter days with a hearty breakfast including plenty of protein and a big pot of steaming, fragrant coffee. A supply of convenient, versatile evaporated milk will allow family members to enjoy their wake-up coffee, creamed to perfection with a minimum of expense and trouble. The home economists at Carnation Milk Company Limited suggest an invigorating breakfast featuring zesty Egg Scramble and cups of piping hot coffee with double-rich evaporated milk.

EGG SCRAMBLE
(Makes 4 servings)

1/3 cup butter or margarine
1 clove garlic, crushed
1 medium green pepper, diced
1 medium onion, chopped
1 small tomato, diced
8 eggs, beaten
2/3 cup (small can) undiluted evaporated milk
1 teaspoon salt
1/4 teaspoon pepper
1/4 teaspoon cayenne pepper

Melt butter. Add garlic, green pepper, onion and tomato. Cook over low heat 5 minutes, stirring occasionally. Combine remaining ingredients; mix well. Stir egg mixture into tomato mixture. Cook over low heat, stirring frequently, until eggs are set.

Department Of Fisheries Presentation

On January 10 Mr. Gillespie, of the Information Division of the Department of Fisheries, visited D.R.H.S., at which time the students had the privilege of discovering more about the work of the Fisheries Officers.

Mr. MacInnes introduced the speaker, who spoke briefly about the Department and then showed the students slides which pointed out to them many of the tasks which must be performed by these inspectors in Nova Scotia in order to conserve and keep safe our supply of sea animals. The slides were of particular interest to the students, as some of them had been taken in and around Digby. The very interesting story of the life of the salmon was also presented via beautiful slides and commentary.

Mr. Gillespie was accompanied by one of our ex-students, Mr. Doug McCafferty, who is with the Department of Fisheries.

Mr. MacInnes thanked the gentlemen, on behalf of the students and teachers, for presenting such an interesting program.

Fishing being one of Digby's foremost industries, the students appreciated the fine presentation. (Taken from "The Amethyst")

Obituary

Mrs. Walter K. Bagley
The death of Mrs. Evelyn Mae Bagley, wife of Walter K. Bagley, retired Royal Bank of Canada manager, occurred Saturday in Soldiers' Memorial Hospital, following a four-month illness.

Mrs. Bagley moved to Middleton 13 years ago where her husband was transferred to Middleton from management of the Royal Bank of Canada in New Glasgow. Her husband had also served with the bank in Amherst, Truro, Dartmouth and Halifax.

Born at Bear River 55 years ago, Mrs. Bagley was a daughter of Mr. and Mrs. Wilfred Chute and was educated at Bear River High School and Maritime Business College, Halifax. She married Mr. Bagley in 1933.

She was active in Rosemary Chapter, IODE, Middleton Horticultural Society and the Red Cross and church organization.

Besides her husband, she is survived by her mother and one brother, Waldo Chute of Dover, N.H.

Funeral service was held from Middleton Baptist Church Tuesday at 2:30 p.m. conducted by Rev. Kenneth Thompson, pastor, assisted by Rev. A. D. MacPherson, pastor of Wolfville Baptist Church.

Interment was in Pine Grove Cemetery, Middleton.

Worldly Service That's Welcome

It used to be that a traveler, arriving for the first time in an unfamiliar city like Home, for example, might have to seek advice on dining or tipping from the hotel clerk, or even total strangers on the street. Such information is often incomplete, not necessarily up-to-date, and sometimes difficult to understand.

To give travelers precise information and personal assistance, Air France has established a Welcome Service located at its airport counters and ticket offices throughout the world. Here, a specially trained staff, fluent in several languages, stands ready to be of help. For example, if a woman steps off a jet in the late afternoon in Geneva, Switzerland, without having made hotel reservations, the charming Welcome Service hostesses will find out her particular needs and make the necessary arrangements. Or suppose one needs a babysitter in Paris. Or a diaper service.

A call or visit to one of Air France's 130 Welcome Service centers located in principal cities will bring complete information and quick results.

The French airline, a pioneer in aviation and long experienced in personal service, launched its Welcome Service in early 1962.

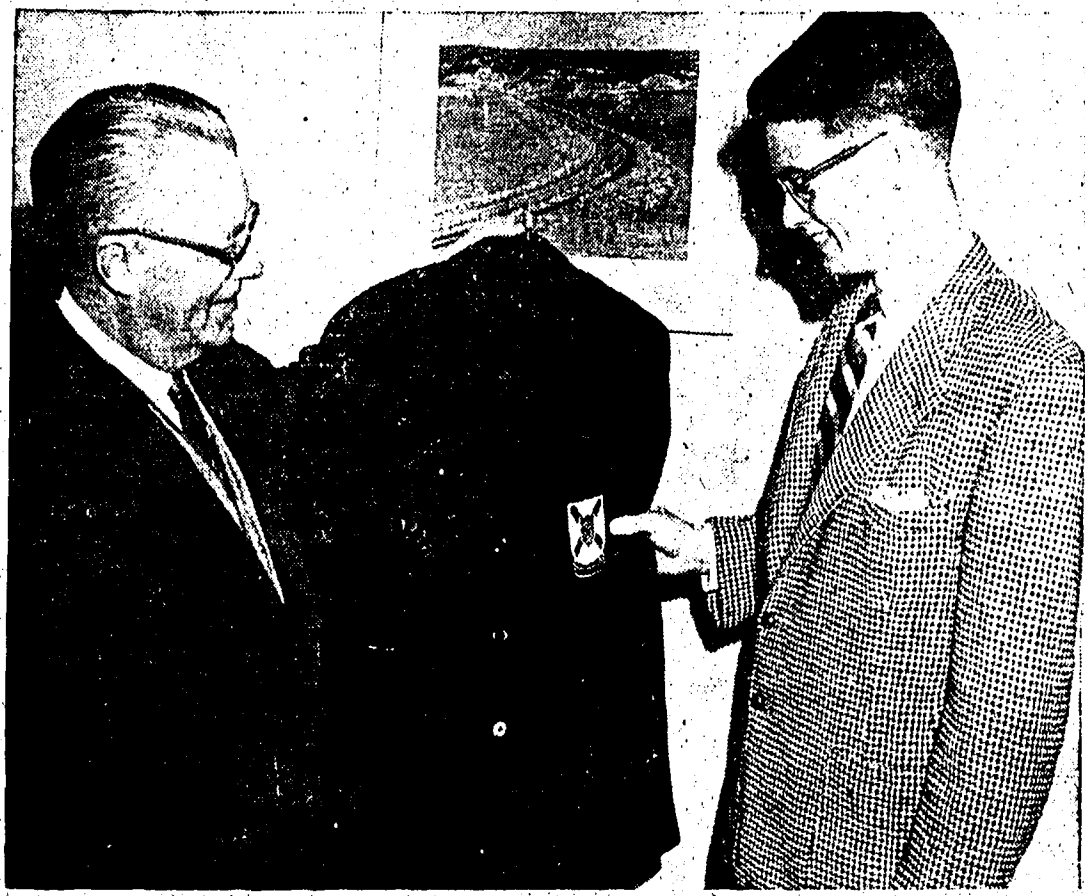

Thanks to this new service, Canadians traveling for business or pleasure, alone or in groups, need no longer waste valuable time, nor suffer from even the slightest feeling of helplessness. Welcome Service is a precious guide, and a worldly service that's welcome to all travelers.

We Can Catch Up

Dr. F. W. Walsh, who toured many of the European countries last summer for the purpose of making an analytical study of marketing methods practiced in the countries concerned, advised that Canada could accomplish just as much in the next five years as she has done in the past forty, providing that farmers receive training in the science and practice of agriculture, and that farm organizations and governments will support the effort of those engaged in the agricultural industry.

In Europe, pointed out Dr. Walsh, definite effort is being made to ensure that farmers are given educational opportunities denied to earlier generations.

"... We are not so far behind that we cannot catch up with what is being done in these European countries but," continued Dr. Walsh, "it behooves us to provide our farmers with the educational opportunities and advantages which are so necessary if agriculture is to attract the type of men who will ensure the expansion and development of a sound and progressive agricultural industry."

In Europe, Dr. Walsh found that the agricultural community enjoyed many educational advantages available through numerous agricultural schools and colleges where those engaged in agriculture are able to obtain the knowledge similar to that available from the Nova Scotia Agricultural College, and which they apply to their own farm production programmes.

Landings Increased

ings of scallops again d in 1962 and producer record year according to Fisheries Council of Landings totalled approximately 14 million pounds of scallops with a value of \$4 million. Both the offshore and inshore fish share in this in-

crease of the landings (90 per cent) were again landings of offshore fleet, almost exclusively on Bank. As was predicted, the catch per boat was compared with 1961. The price per pound of scallops and this compared with the decrease in catch per boat. Boats should be the same or slightly less than they did in 1961. The price per pound of scallops remained the same slightly smaller than last year.

digby fishery showed an increase in landings over his fishery is in one of the periods of abundance. The increase in price provided a further impetus for this fishery. It took for the scallop fishery to be bright, of limited sampling that the incoming scallops is not particularly abundant is about the same as the one that entered the fishery this year. Hence, catch per boat may be further in 1963, but things may rise slightly. The increase in fleet the wharf price for continues to increase the earnings per boat about the same in 1962.

Marriages

Latter — Dargie

A wedding of interest took place at St. Paul's Anglican Church, Round Hill on New Years Day, when the Rector Rev. Robert Neish, united in marriage, Margaret Ellen, daughter of Mr. and Mrs. Alexander Dargie of Round Hill to David Clayton, son of Mr. and Mrs. Clyde Latter of Eastern Passage, Halifax County in a double ring ceremony. Mrs. Robert Neish played the nuptial music. The church was decorated for the occasion with white Chrysanthemums and greenery.

The bride entered the church on the arm of her father by whom she was given in marriage. She wore a white woolen sheath gown, trimmed with gold embroidery high round neck, long tight sleeves and a tie sash. Her headpiece was of white satin trimmed with sequins and a shoulder length veil. Gold satin slippers completed her costume. Her only jewellery was a double strand of seed pearls and matching earrings, a gift of the groom. Her bouquet was white Carnations.

Miss Marilyn Latter was bridesmaid, dressed in a soft rose coloured velvet sheath dress with high neck long sleeves and matching headpiece. She wore white satin slippers and carried a bouquet of white and rose carnations.

The groom was supported by Frederick Haliburton of Eastern Passage and Donald Smith, Dartmouth.

After the reception at the home of the bride, the happy couple left for a short honeymoon trip within the province. For travelling, the bride wore a magenta woolen dress with beige coat, brown accessories and beige hat, her corsage was white carnations.

Out of town guests included the parents and grandparents of the groom from Eastern Passage.

The bride, a graduate of Annapolis Royal Academy and Macks Business College, is employed with Eastern Securities Ltd., Halifax. The groom is a member of the Canadian Army Signal Corp. and is stationed at Fort Churchill, North West Territories.

Milbury — Buckler

The Bear River United Church, tastefully decorated with cedar, yellow mums, jonquils and lily of the valley, was the scene of a pretty wedding on Saturday evening, January 19th, when the Rev. Mr. Asaph united in marriage Linda Louise, daughter of Mr. and Mrs. Willis Buckler, and Lawrence David, son of Mr. and Mrs. A. Milbury, using the double ring ceremony. Organist was Mrs. Walter Lent and the lovely voice of the soloist, Miss Nancy Riley, thrilled everyone present as she sang several selections while the guests were being seated and during the signing of the register.

The bride entered the church with her father, by whom she was given in marriage. Her gown of white nylon tulle was made with a full skirt, scooped neckline and long sleeves and was trimmed with iridescent sequins and rhinestones. Her shoulder length veil and tiara were also trimmed with sequins and rhinestones and she carried a bouquet of red carnations with white ribbon.

Bridesmaids dresses were of similar style with Miss Marjorie Mullen wearing pink nylon tulle, Miss Diane Harris wearing blue nylon tulle. Junior bridesmaid, Sherry Brennan, wore blue flowered nylon with pink cummerbund. Each bridesmaid wore a small feather hat, and carried a nosegay of yellow and white mums. The tiny flower girl, Diana Wade, wore a yellow nylon dress with matching

Melanson, spent Sunday evening in Belliveau's Cove at the home of Mr. and Mrs. Gilbert Theriault.

Halliday — Hudson
A quiet wedding was solemnized at the Lower Granville United Baptist Parsonage when Lorna Jean, daughter of Mr. and Mrs. Arthur Hudson, of Victoria Beach, was united in marriage to Rodney John Halliday, son of Mr. and Mrs. Morland Halliday, Hillsburn. The ceremony was performed by the pastor, the Rev. Archie MacLellan.

The bride was attractively attired in a pink tweed suit with white accessories. She carried a white Bible trimmed with a single pink carnation. Her only attendant was her sister, Mrs. Gordon McGrath, attired in a grey tweed suit with white accessories and corsage of pink and white carnations. Mr. Gordon McGrath supported the groom. A number from the immediate families attended.

The happy couple will reside in Hillsburn.

Kings To Give Advertising Course

An advertising course will be inaugurated next year at King's University, Halifax, as an added feature of the university's school of journalism. Glen Hancock of the PR department of Imperial Oil Limited, is on loan to the university to get the course organized.

Among those on the university's journalism department staff at present is Ralph Morton, publisher of the Dartmouth Free Press, and former lecturer at the Columbia Graduate School of Journalism.

In conversation with Mr. Hancock the editor of The Digby Courier was told that the Courier was frequently used in the course especially to impress on the female students that journalism and editing and publishing of newspapers were fields which could successfully be done by women.

Westport

Mr. Douglas Taylor, Dept. of Transport, Saint John, N. B. was in town one day last week, looking over the light house.

Mrs. Albert Moore and Mrs. Earl Webber were working at E. C. Bowers Dry Good store last week, taking stock.

A note of interest to islanders is that one of the members of the Ramblers on T.V. House Party C.H.S.J., Saint John is Norman Pierce, son of Mrs. Margaret (Lent) Pierce who for a number of years lived at Westport before moving to Saint John.

Mrs. Percy Peters and Mr. Gerald Bailey are patients at D. G. Hospital at time of writing.

Captain T. M. Hicks and family of Yarmouth spent a few days with his parents, Mr. and Mrs. A. R. Hicks.

Word was received recently by Sister Marion Swift of Sunset Lodge that Sister Blanch Cousins, oldest member of the lodge suffered a heart attack and is a patient at B.F.M. Hospital in Kentville. Everyone wishes her a speedy recovery. Other members of lodge have been ill at home, hoping they are feeling better now.

The roll call offering of United Baptist Church amounted to \$268.85.

Miss Dorothy Pugh returned to Hebron, after spending a visit with her grandparents Mr. and Mrs. Murray Pugh.

WESTPORT BAPTIST WOMEN MEET

The Baptist W.M.S. Westport, Nova Scotia held their monthly meeting in the vestry on January 24th, with president, Mrs. Albert Moore, presiding. The meeting opened with a hymn, following was

BACKACHE

When kidneys fail to remove excess acids and wastes, backache—lured feeling—disturbed rest often may follow. **Dodd's Kidney Pills** stimulate kidneys to normal duty. You feel better, sleep better, work better.

the scripture Psalm 95 and circle of prayer.

Miss Lulu Repool read the minutes and called the roll, each responding with a verse of scripture. Spiritual reading was given by Miss Repool and the devotional led by Mrs. Fred Denton. The programme was on missions with readings by Mrs. A. Moore, Miss Lulu Repool, Mrs. Fred Denton, Mrs. Arthur Titus, Mrs. Harry McDormand and Mrs. Earl Webber.

Mrs. Webber was pianist for the evening. The group were pleased to have new pastor Lie. Ronald McLean present for the meeting.

The following officers for 1963 are as follows: President, Mrs. Albert Moore; Vice President, Mrs. Earl Webber; 2nd. Vice President, Mrs. Lawrence Shaw; Secretary, Miss Lulu Repool, Treasurer, Mrs. Fred Denton; Pianist, Mrs. Bernard Bowers; Tidings, Mrs. Arthur Titus.

C.W.F. MEETS

The C.W.F. of the Westport Church of Christ met at the home of Mrs. Lori Bailey on January 24th, with president Mrs. Edgar McDormand presiding. The meeting opened with a circle of prayer and the C.W.F. prayer. Mrs. Bailey led the devotional pertaining to the new year. Roll was called with eleven present, each answering with a verse of scripture.

Bible study with Mrs. Burt was "Church Women go Calling", using scripture Luke 14:16-24. Some topics were: should all church women go calling? And whom should we call? What do we talk about? How long do we stay? These lessons are helpful and thoughtful, providing are we doing as much as we can do as Christians. Mrs. Burt closed with prayer.

In the Mission Study a new series is starting: "Disciples on the Rim of Asia", including Korea, Akina, Hong Kong, Taiwan, the countries that lie along the coast of mainland China, telling of the help needed in the crowded towns, where refugees from other parts are coming in. Of the Church World Service that is helping Y.W.C.A., nurseries for children so mothers can work. The members are expecting an informative and interesting study. The meet-

ing closed with the C.W.F. benediction, with the invitation to meet in February with Mrs. George McDormand.

Taken Charge of Service

On Sunday evening January 13th, at the Westport Church of Christ, Gordon Thompson had charge of the service, using Psalm I, as scripture. A hymn "If I have Wounded Any Soul To-day", was sung by the Misses Keitha Swift, Terry Titus, Doris Garrison and Brenda McDormand. The topic of the message was "The Untold Phoenix City Miracle" telling of the work of a Christian man trying to clear up the slums and of the persecution he, himself suffered.

Letter to the Editor

Digby, N. S., Jan. 21st, 1963.

Editor,
The Digby Courier,
Digby, N. S.

Dear Mrs. Wallis,

Having an interest in the young folk of our town of Digby we cannot understand why any citizen would want to place any further temptation before them.

Some of us do not have a vote in this expected coming plebiscite but, thanks to the editor of the Courier we can encourage those who do have to take time and think over this matter.

Will this new outlet for the sale of liquor add anything to our town to help the problems that already exist today in many homes because of this very drug? Will it make better citizens in our town? Is it an accomplishment that we will be proud to encourage? These and many more questions can be thought out. There are many improvements this town of ours could have and needs that all citizens would be proud to have a share in.

Here, then, lies not only an opportunity, but a responsibility to all who want the best environment possible for our young men and women growing up in our town.

D. L. Moody, a great evangelist of his day, has a message that can be applied in this day. He said, "Christians should live in the world, but not be filled with it. A ship lives in the water; but if the water gets into the ship, they sink."

We have a nice little town; let's keep it that way. So, folks, let everyone eligible for a vote in this expected plebiscite get out and put their vote by the "NO".

Remember, the young people of today will be the citizens of tomorrow.

Mrs. Oakley Turnbull,
Christian Citizenship
Sec'y., U. C. W.,
Grace United Church.

Contract Awarded

Felton F. Legere, MP for Shelburne-Yarmouth-Clare, announced that he had been informed by the Hon. E. Davie Fulton, Minister of Public Works, that a \$19,600 contract had been awarded to Charles Joseph Thibodeau, of Meteghan, for the construction of a post office building at Meteghan.

The contractor submitted the lowest bid of two in response to advertising for public tenders, which closed November 28. The highest bid was \$22,800. The work is scheduled for completion within four months and is part of the department's winter works program.

The building, measuring 32 feet by 36 feet, will be a one-storey structure, without basement.

Directory Issued

Minister of Trade and Industry, Hon. E. A. Manson, announced Friday the release of his department's publication, "Nova Scotia Directory of Manufacturing."

Issued every two years, the booklet provides an up-to-date listing of all the products manufactured in Nova Scotia and the companies or persons making them. In this way, it serves both the Nova Scotia manufacturers and the purchasers of Nova Scotia goods.

In this edition, there are more than 1500 separate firm listings and approximately 900 product headings.

Copies are available from the Economic Services Division, Department of Trade and Industry, Hollis Street, Halifax.

At Temperance Meeting

Granville Division, Sons of Temperance, invited the public to attend an open meeting on Saturday evening, January 12th, held at the International Christian Mission, Annapolis Royal. The speakers included Dr. John J. Sidey, Grand Worthy Patriarch of Nova Scotia, Harold Nickerson and Lewis Kilcup, both of Halifax.

The special topic of the evening was "Do We Need More Outlets in Nova Scotia For Beverage Alcohol?" Color films were shown on the effect of social drinking on our citizens.

Home Division, Smith's Cove, was represented by Mrs. Helena M. Comeau, Recording Scribe. She was accompanied by her daughters, Sandra and Pamela.

After the meeting a social hour was enjoyed, including refreshments.

These days most people work under pressure, worry more, sleep less. This strain on body and brain makes physical fitness easier to lose—harder to regain. Today's tense living, overwork, worry—any of these may affect normal kidney action. When kidneys get out of order, excess acids and wastes remain in the system. Then backache, disturbed rest, "tired-out" feeling often follow. That's the time to take Dodd's Kidney Pills. Dodd's stimulate the kidneys to normal action. Then you feel better—sleep better—work better. Ask for Dodd's Kidney Pills at any drug counter. 84

Statement Re Lord's Day Act

By Hon. R. A. Donahoe,
Attorney General of
Nova Scotia

The Halifax police have recently been conducting a widespread investigation respecting the observance of the Lord's Day Act. This Act is a federal statute. It has been on the statute books for well over fifty years. Obviously, during that long period there have been many changes in the Canadian way of life. The rights of labour have been extended and clarified; in particular, the recognition of the right of collective bargaining has resulted in a generally decreased number of hours in the working week. The protection afforded by the Lord's Day Act to working people is, today, perhaps not as essential as it was when the Act became law. Moreover, with the advent of the automobile and the trend toward apartment living, it has become increasingly essential for the convenience of the public that Sunday purchases be more generally available.

Consequently, recognizing these circumstances, the policy of enforcement of the Lord's Day Act has through the years tended to become more lenient, although there has been no change in the wording of the Act itself. There have been relatively fewer authorizations to prosecute the operators of such things as canteens and small grocery stores carrying on their usual business on Sunday. These activities have been considered to approach, if not actually to constitute, works of necessity which are permitted by the Act. Recently, across Canada, including Nova Scotia, there has been an increase in the provision of self-service facilities of various kinds being offered to the public on Sunday. On the basis of public convenience, the operation of such services has not been made the subject of prosecution. However, in more recent months, there appears to have been an attitude develop that the provisions of the Lord's Day Act are no longer applicable and that there is no restriction on Sunday activities conducted on a commercial basis. Many of these activities require the employment of labour personnel on Sunday, contrary to the true spirit and intent of the Lord's Day Act.

It is perhaps not generally understood the Lord's Day Act does not so much prohibit the carrying on or the participation in certain recreational and athletic activities as it prohibits the conduct of commercial enterprise involving the Sunday employment of personnel. Numerous complaints have been received by the Department of the Attorney General with respect to the Sunday operation of bowling alleys and theatres and the conduct of athletic contests on a paid admission basis. In at least one instance, the promoters of a Sunday hockey game sought a ruling in advance and were advised that the Act specifically prohibited any game or performance where an admission fee is charged. The game was proceeded with and prosecution followed.

The Lord's Day Act provides that no action or prosecution for a violation shall be commenced without the leave of the Attorney General or his lawful deputy. Because of this provision, the Attorney General on December 19th last directed to all Prosecuting Officers, to the R.C.M.P., and to the Chiefs of Police of all towns and cities, a letter as follows:

Re: Lord's Day Act Enforcement
"An increasing number of complaints have been received by my Department in recent months respecting alleged violations of the Lord's Day Act. While most of these complaints pertain to the operation of bowling alleys and theatres, there appears to be a general tendency to ignore the provisions of the Act in order to carry on an increasing number of commercial activities on Sunday."

"It is requested, therefore, that adequate steps be taken to ensure the enforcement of the Lord's Day Act in your particular area. Where violations of the Statute come to the attention of your force, the provisions of the Act should be brought to the attention of the individuals concerned. If this action fails to obtain compliance with the Act then a request should be made to me for the necessary authorization to prefer charges."

"Your co-operation in this matter will be appreciated."

The action taken by various

Brief Submitted By AVABT

A delegation from the Annapolis Valley Affiliated Boards of Trade, consisting of President David Waterbury, Kentville; H. Gordon Goucher, Middleton; Paul W. Longmire, Bridgetown; and E. C. Atkinson and H. E. Burnie, Annapolis Royal, interviewed Ministers Stephen Pyke and E. D. Halliburton in Halifax last week, making a strong plea for a share of Federal and Provincial funds, to provide additional tourist attractions in western Nova Scotia.

A copy of the Brief was forwarded to the Hon. George C. Nowlan, Ottawa.

The following brief in letter form was sent to the Hon. E. D. Halliburton by Leigh M. Marshall, ex-chairman of Fundy Trail Committee, so Mr. Halliburton could study it prior to a meeting of a delegation from the Annapolis Valley Affiliated Boards of Trade, slated for Tuesday, January 8, 1963.

"I was very pleased to receive your letter of December 17th and to hear that you and Mr. Pyke are meeting a delegation from the Valley Affiliated Boards, to discuss further the Fundy Trail.

I thought I would write to you and mention a few things before the delegation comes in, although you have probably thought of them. As you have so much to do, I will bring them up now for consideration by you and Mr. Pyke.

It is our thought that the missing link from Victoria Beach to Delaps Cove should be cut through this winter and brush burned; this will aid unemployment in that area and prepare for further construction in the spring.

The figures that I will quote are not accurate but near enough. Only about 15% of the tourist coming to our province, enter by the way of Western Nova Scotia.

There are some things we must have here to attract tourist in much larger numbers than we have had in the past. Let us face facts; so much money and publicity has been given Cape Breton, millions of dollars spent on the Cabot Trail and park. Each year hundreds of thousands of dollars are spent either by Federal or Provincial Governments on parks, roads and other public works, and over the next few years twelve million dollars more will be spent on the reconstruction of Louisbourg, and two million on the Citadel at Halifax. We are told there will be no cut back in this spending.

We are told that a large part of this is to aid the coal miners due to mines being closed down, as oil and gas has replaced coal as a fuel. You and I can remember only a few years ago, thousands of men in Western Nova Scotia every year worked all winter cutting cordwood, these men just had to look for work elsewhere, as oil and gas has replaced wood as a fuel.

If you will draw a line from Windsor across Nova Scotia, to the head of St. Margarets Bay, on the South Shore, and compare the Eastern part of the Province from this line, then the Western part; just for size. The Western part contains over a third of the total area of Nova Scotia and there are not six, what you could call major industries, in all that section.

We have been pleased to have such fine tourist attractions as Citadel Hill, Cabot Trail and Louisbourg, but if the money spent in the past since 1950 and what is allotted for the immediate future for the Eastern area, could be compared with that spent on the Western part of the Province, the Western end's share

would work out to about 5% of the total of Federal and Provincial spending for tourist purposes.

Times and the demands of tourist have changed so fast in the past few years that no longer do a few historical sites, "such as we have in the valley", satisfy the travelling public. Tourists come here to see things they can't see at home. We, have the highest tides in the world; how much publicity do we give them? There are no signs on any roads, directing the tourist to a point or points, where they can watch the action of the tides and only along the shores of the Bay of Fundy can be seen that amazing sight of the tide rising and falling, twice in every twenty-four hours and fifty minutes, from about twelve feet at Yarmouth to fifty-nine feet at Burnt Boat Head in Minas Basin.

We must have parks in this area, both Provincial and Federal, where people can go and relax, knowing these areas are set aside for their convenience.

The two greatest tourist attractions that New Brunswick has are the tidal bore at Moncton, and more people visit the reversing falls at Saint John than any other place in that Province. New Brunswick has much to offer in natural scenery, their River Valleys and rugged coastline, but the action of the tides is what lures the tourist to Saint John and Moncton.

The Bay of Fundy, known the world over for the highest tides in the world, and around this Bay is a network of roads, that with some improving in spots can be followed from Amherst to Victoria Beach and on this shore a sight that can only be seen from a few places in Eastern North America, and will long be remembered, is the sun setting in the water, and this can not be seen from the New Brunswick side of the Bay.

When are we going to make all this available to the tourist? What is holding back? We don't think this ought to be soft peddled; we think this should be a joint effort of both Provincial and Federal Governments and should be started forthwith, using the roads we have, repaving, in spots, grading and dust proofing.

This is a long term project like the Cabot Trail, with improvements planned for each year, Fundy Trail signs prepared and erected.

We think the people of Nova Scotia should be made aware of the necessity of such a project as this would mean the expansion of one of our largest industries, a much greater distribution of the tourist dollar as extra days would be spent in our Province. It would make a great deal of employment as many new public services would be required. Also help to some extent to relieve the already over crowded main highways. We feel sure any money spent on this project will come back to us many times and will prove to be a real boost to the general economy of our Province."

Elect New Officers

New officers for 1963 of the Royal Canadian Legion, Branch 122, of Clementsport, were installed by Zone Commander Brown at a recent meeting. Officers elected were:

President, E. Williams; 1st vice-president, M. Wamboldt; 2nd vice-president, E. Sloane; sergeant-at-arms, M. Perkins; secretary, J. Dobson; treasurer, F. Isles; executive committee, Past President L. Wright, W. Sanford, R. Perkins, A. Wagner, C. Potter, E. Riley, W. Robar, E. Long and V. Wright.

Fishermen Take Course

Eighteen Nova Scotia fishermen from Bay of Fundy ports from Canning to Digby are taking time out to learn about best methods in the care and use of ottertrawl gear from a veteran Dutch fishing captain who now makes his home in Lunenburg.

Captain Leendert Vander Zwan, employed by the fisheries division of the department of trade and industry is conducting the three-week course for the first time in Middleton.

Captain Vander Zwan grew up with the fishing industry in his native Holland. He came to Canada in 1951 and since then has spent most of his time giving instruction in the handling of ottertrawl gear to Nova Scotia fishermen.

He has been connected with the federal department of fisheries and now is employed by the Nova Scotia fisheries division, sponsors of his courses. Captain Vander Zwan's courses include instructions in the best methods of knitting, mending and hanging otter-trawl nets.

Men taking the course put in a seven-hour day, and are allowed \$3 a day for expenses.

Men taking the course include Fred and Frank Ellis, Kentville; and Elsworth Milbury, Digby.

Stanfield**

Premier of Nova Scotia

In Review of the Year 1962

During the past year, Nova Scotia undertook important new measures to enable it to deal more effectively with factors relating to the economic growth of the province.

Recognizing that developments are inevitable, rapid and sweeping, the province, among other moves, enlarged

its education program and made provision for voluntary economic planning.

Voluntary economic planning is a new concept, designed to help private enterprise perform at its optimum capacity, to plan for increased growth, to assist public and private facets of the economy and co-ordinate their activities.

Similar planning has proved extremely beneficial to the life of France and is spreading into a number of European countries. As far as we are aware, Nova Scotia is the first province or state in North America to embark on such a course.

Economic planning is a feature of the new Department of Finance and Economics and will be accomplished through co-operative efforts by government, business and labour.

The first sector of the economy to be studied is the agriculture industry, its make-up, complexities, potential and avenues of improvement. Later, tourism, fisheries, forestry and production of electric power will be dealt with.

Construction of many new schools was started during 1962. Four of them are vocational high schools, designed to train young people to meet the changing needs of workers in industry. The vocational high schools are being built in co-operation with the federal and municipal governments and when they are completed next year, the province will have six such schools in operation.

A trades and technical institute is also being built to train and re-train older people for new or different types of employment. In addition, the province's universities are in the midst of expansion through building programs.

Nova Scotia introduced school television broadcasts this year. The telecasts, carried through the facilities of the province's Department of Education and the Canadian Broadcasting Corporation, are being viewed by more than 7,000 Grade XI students.

The programs started September 24 and consist of five 20-minute lessons a week in Algebra, Geometry, Physics and Chemistry.

An indication of the province's growth is found in investment forecasts. Surveys indicate the province's total 1962 investment will hit \$244,000,000 in each of the years 1960 and 1961.

New industries find many attractions in the province. There is a skilled and adaptable labor force. Labor-management relations are generally good. There is ample supply of low-cost power, fine transportation facilities, a wonderful climate and excellent educational facilities.

As a result, manufacturing, which has made solid gains in recent years, now accounts for nearly 45 per cent of the total net value of production. Construction ranks second, then forestry, agriculture, fishing and mining, in that order.

The selling value of factory shipments was about \$407,000,000 in 1960 and \$400,000,000 in 1961. For the first nine months of 1962 the value was more than \$310,000,000, a six per cent increase over the corresponding period in 1961.

Continuing to play an important role in the development of secondary industry is Industrial Estates Limited, a unique Crown corporation established by the province in 1957.

The corporation has so far entered into agreements with 26 firms, involving 30 actual buildings in 11 of the province's 18 counties. The largest of its projects is an \$8,000,000 expansion program by Lunenburg Sea Products Limited. The Lunenburg plant, scheduled for completion in 1964, will give Nova Scotia the largest and most modern fish plant of its type in North America.

In 1962, IEL signed agreements with the following firms: Marine Colloids Limited for a major development in the province's Irish moss industry; C. M. McLean of Charlottetown for a \$250,000 frozen-food processing plant in Springhill; Nova Stone Limited for an 8,000 square foot building in Dartmouth and Canada Envelope Company for a 10,000 square foot plant in Stellarton. It also purchased the land of Tasco Sheet Metal and Roofing Company Limited of New Glasgow for Glasgow Metals Limited.

Forestry made the top gains among the primary industries as production of pulpwood and sawn lumber climbed well beyond the 1961 figures. There were 234,438 rough cords of pulpwood produced during the first six months of the year, a 36.4 per cent increase over the corresponding period in 1961. Production of sawn lumber increased by 15.9 per cent through June 30.

The new \$40,000,000 chemical pulp mill on the Strait of Canso has greatly boosted the forest industry. The province also has a newsprint mill at Liverpool and two ground wood pulp mills.

A recent development in agriculture that continues to stir up considerable interest is the growing of tobacco, mostly in the Annapolis Valley which is already famous for its apple crops. About 140 acres of farmland are now being devoted to tobacco, but it has been estimated that at least 3,000 acres would be suitable.

The tobacco crop was good this year as production averaged 1,350 pounds an acre. This compares favorably with the 10 year average production in Ontario — chief Canadian tobacco producer — of 1,400 pounds an acre, the biggest cash producer of any field crop grown in Canada.

Coal mining in the province continued to be of concern, but there are indications that the coal market will stabilize. There were significant advances in other types of mining during the year.

Phelps-Dodge Corporation of Canada, Limited, a subsidiary of one of the United States' largest mining corporations, announced it planned to undertake a major program of drilling and preliminary underground work on lead deposits in the Salmon

River area of Cape Breton County.

In a working agreement with Talsman Mines, Limited, which drilled in the area most of the year, Phelps-Dodge said it may spend up to \$875,000 over a three-year period. The Talsman firm reported outlining a lead-bearing bed extending over an area of 13,000 feet long and 2,000 feet wide and averaging about 30 feet in thickness. The work to be undertaken now will determine the tonnage possibilities and may include the sinking of several shafts.

Meanwhile, a search for copper along the Northumberland Shore resulted in the staking of at least 562 square miles along an area stretching from near the town of Pictou to River Philip by mining companies and individuals.

In other areas of the province, prospectors continued a search for lead, zinc, beryllium and a variety of base metals and minerals which have been found in small quantities in various areas.

The provinces wooden boat-building yards continued to operate at, or near, capacity, primarily because of orders for offshore draggers ranging in length from 86 feet to 124 feet. In the last 20 months, the Nova Scotia Fishermen's Loan Board approved loans for 28 modern draggers, two-thirds of which will be used for scalloping, the rest for ground-fishing. Several others are being built by private interests.

The present boom in building of offshore vessels was prompted by a liberalized federal subsidy policy and encouraged by the Fishermen's Loan Board and private fishing interests. It has been estimated the boom, which is creating openings for an estimated 1,000 new jobs afloat and ashore, will total \$10,000,000 by year's end.

The present period is also one of the busiest in the small-boat field, particularly in the 3 to 35-foot class. Then there is a growing demand for pleasure craft with new technique turning out plywood and fibreplastic outboards — many for export to the United States.

The province's first fibre-glass commercial fishing boat was built by Atlantic Bridge Company Limited of Lunenburg. It will be used for experimental purposes.

To improve local and long distance service, the Maritime Telegraph and Telephone Company announced plans for an overall \$10,000,000 expansion program to be carried out throughout the province in 1963.

Nova Scotia Light and Power Company Limited announced it expects to start construction soon on its new thermal-electric power station at Tufts Cove, on the Dartmouth side of Halifax Harbor. Some equipment has already been ordered for the first stage of a proposed four-machine plant with a capacity of more than 500,000 kilowatts. The initial stage, a 100,000 kilowatt unit will involve an expenditure of approximately \$17,000,000. This unit will burn 250,000 tons of coal a year.

The Bedford Institute of Oceanography, Canada's first oceanographic institute, located on the shore of Bedford Basin near Dartmouth, swung into operation October 25. Built at a cost of \$4,200,000, the institute is collecting scientific information about the sea. It now has 140 oceanographers, hydrographers, fisheries research scientists, underwater geologists and engineers. The number of personnel is to increase to 300 by 1965.

The institute makes the Halifax-Dartmouth area an important world centre of oceanographic learning, research and investigation. Also located in the area are the Atlantic Oceanographic group of the Fisheries Research Board of Canada and an Institute of Oceanography at Dalhousie University.

These examples indicate that the year 1962 was one of progress and that Nova Scotia can look forward to 1963 with confidence.

Joint Installation

On Monday night, January 21, 1963, Bro. Ralph Pierce, D.D.G.M. and Staff, Walter Brown, Howard York, Truman Wright, Carl Miller and Walter Ruggles all of Friendship Lodge No. 122, Bear River, installed the officers of Valley Lodge No. 153 Lawrenceville and Sunbeam Lodge No. 64, Middleton in I.O.O.F. Hall at Middleton. There was a good attendance. A clam chowder supper was served after which was very much enjoyed.

is a good barometer of what is doing in Digby County, especially in the fishing on Digby Neck where the line load showed an increase of 30 percent. There are now 2,455 users in the municipality, with 95 customers having been added in 1962. His expectations were for new users in the coming year, especially in the fishing industry on the Neck.

In revenue the Digby County Power Board showed an increase of \$822,890 in 1962 over 1961 and the excess of revenue over expenditure was in excess of \$28,000. Small profits had been made in the retail store and in the Lines and Supplies outlet. The two largest increases in power consumption were in the municipality of Digby and that of Clare. Capital expenditures were in the vicinity of \$78,000.

An increase in revenue also existed for the Hydro Distribution System of the Municipality of the District of Digby in 1962. The revenue of \$115,023 showed an increase of more than \$11,500 over 1961. Operating income had increased by \$4,243. Excess of revenue over expenditure was almost \$12,000. Capital expenditure, however, had increased. Mr. Ayer attributed this mostly to a 2.1 mile difficult extension on Brier Island to Western Light. Extensions had also been made to cottages in the Barton, Smiths Cove, Porters Lake and Sandy Cove areas. He anticipated a day when more energy would be sold and there would be less capital expended. However, for 1963 the estimates prepared included \$21,000 for capital expenditure.

MUNICIPAL COUNCIL

(Continued from page 1)

given to service organizations which use the money earned for the welfare of the people but the fact that much of the money is taken out of the area was also discussed.

The matter of more storage room and the necessity of a new building for the registrar of deeds was again brought before the council.

James Ayer gave a report from the Digby County Power Board and the Hydro Distribution System and James Hubley reported as municipal assessor on Tuesday morning; both reports appear elsewhere.

On Tuesday afternoon considerable discussion was held concerning mental health facilities in the municipality.

The question was brought up about the selling of old school houses and especially the one in South Range East, and if the municipality has any legal right to dispose of it.

Major Sid Duck, public relations officer with the Salvation Army, addressed the meeting. In a short talk on social welfare in the province he told of the care and assistance the Salvation Army is providing to unmarried mothers. He said that in 1962 the Army gave assistance to 472 such girls.

At the Wednesday morning session Digby Town councillors Atkinson, Hersey and Anthony were in attendance, acting as a committee to investigate the future of the Municipal Home at Marshalltown. It was decided that no definite action be taken until the May session of the council, except to publicize the fact that the Home will be closed and later sold. It was also decided to contact a firm which it is understood is interested in setting up a factory in Digby County.

The council was addressed by Lloyd MacNeil from the local Federation of Agriculture. He asked the council to consider the usual grants for the exhibition and county federation of agriculture, so that farming in general may be improved. Mr. MacNeil also hoped that in the not too distant future an agricultural course may be taught in many high schools throughout the province.

Minor Hockey League News

On the eve of Minor Hockey Week in Canada, the Digby Minor Hockey League played its regular schedule in all leagues.

The first shift, which is the Paperweight, plays on two rinks made by dividing the ice surface by boards laid on the ice, began at 8 a.m. On the near rink the Red Wings shut out the Maple Leafs with a 4-0 count. Wings' goals were by D. Manning (D. Kinsman), K. Amaro (L. Wright), D. Kinsman (D. VanTassell) and D. Russell (K. Amaro).

At the same time the Tartans were playing the Wolves and beating them to a 3-1 score. Tartans' scorers were R. McPherson (W. Doucette), R. McPherson (W. Doucette) and P. Lewis (B. Lawrence).

Wolves' single was by R. Thomas (J. Turnbull).

At 8:35 the second shift of Paperweights played and on the near ice, the Black Hawks edged the Red Wings 2-1. Hawks' goals were by R. Robicheau (L. Miller) and L. Miller (M. Potter).

Wings' lone goal was scored by D. Kinsman (D. Manning, D. VanTassell).

On the far rink, the Tartans edged the Blue Devils 3-2. Tartans' goals were by R. McPherson (W. Doucette), W. Doucette (R. McPherson, P. Lewis) and W. Doucette (B. Lawrence).

Blue Devils' scorers were A. Winchester (unassisted) and P. McIntyre (H. Barton, P. Armstrong).

The first Pee Wee game was played at 9:10 and the Knights, after taking the lead twice, lost to the Rangers 3-2. Rangers' goals were by B. Nickerson (R. Davis), B. Nickerson (R. VanTassell) and B. Nickerson (unassisted).

Knights' marksmen were B. Davis (R. Barr) and G. Johnson (unassisted).

The second Pee Wee game saw the Bruins edge the Canadians 2-1. Bruins' goals were scored by B. Raymond (unassisted) and B. Raymond (P. Connolly, G. Winchester).

Canadians' single was by F. McVeigh (G. Dunn, G. Stonehouse).

When the Bantam League played its first game of the morning, the lovely Royals, under their new coach Don Brown, upset the Warriors with a 2-0 score.

Royals' goals were scored by J. Black (H. Stark) and H. Robinson (J. Black, B. Hall).

In the second game, after a see-saw battle, the Million-

Canadian made metal furniture by Liberty Ornamental shows design trends and finish which creates a new interest for the furnishings buyer.

Youth Week

The opening of Youth Week was observed at Grace United Church on Sunday morning when the youth groups, each met in a body and each repeated their purpose. Patricia Turnbull led in the responsive reading.

For his special message to the youth of the church, Rev. R. H. Hughes took an approach which was unique and appreciated by youth and adult alike. He took as an illustration the story of Sinbad the Sailor. The experience of the sailor with the little hairy apes, Mr. Hughes compared to evil thoughts being destructive to the mind. He compared the incident when the ship was cut adrift and they met the cannibal giant on the island to impurity of thought which leads to impurity of deed. Later when the sailors escaped from the giants and met a ferocious serpent which swallowed up the sailors, Sinbad fastened a large loop to his body so he couldn't be swallowed. Mr. Hughes compared this to the liquor business which swallows up the people and from which each individual must use a guard.

The senior choir sang a special number for youth in which a solo part was taken by Mrs. Earl Anderson and the duet by Mrs. Anderson and Mrs. Emerson Graham.

Receipt Still Exists

On December 11th, 1905, the late T. E. G. Lynch paid one dollar for a year's subscription to The Digby Weekly Courier. The receipt signed by O. S. Dunham, manager, is still in existence and shows little wear for its 57 years.

The Courier receipts, 1905, showed somewhat more planning than those of today. The particular receipt made out to the late Mr. Lynch has a red patterned border and a cut of The Digby Weekly Courier masthead and portion of the paper from volume XXIV, number 1.

The receipt was brought to the Courier office last week by Stephen Baxter.

Leafs Continue Winning Ways

Saultierville Rangers defeated St. Bernard Canadians 10-1, while Meteghan River Maple Leafs dominated Church Point Black Hawks 6-1 in Clare Midget League games.

Richard Saulnier scored five goals for the Rangers with Alan McCauley, C. Doucet, G. Saulnier, Alan Saulnier and Freeman Gaudet each scored one for the same team, while Lloyd Doucet scored the St. Bernard goal.

Maple Leafs continued their winning ways by setting Church Point down and have now chalked up seven wins against no losses. Meteghan took the lead with two goals in the first by H. Saulnier and H. Comeau. Church Point scored their only goal in the second period by Victor Doucet from R. Comeau and the Maple Leafs scored again. Lloyd Comeau from R. Robicheau. In the third the Leafs added three more with Hector Comeau scoring two for his third goal of the game and Richard Robicheau one, his second of the game.

O, what a tangled web we weave, when first we practice to deceive.

Sir Walter Scott

Is The Heat Thief In Your Attic?

Is there a thief in your attic, lifting the roof off your fuel costs?

This winter, you and your fellow homeowners will be robbed of over two billion dollars in excessive fuel costs. Your own fuel costs may be \$50 higher than they should be, due to the presence of that all-time villain, the "Heat Thief."

The Heat Thief could be in your attic right now. Perhaps you've suspected his presence by the high setting required on the thermostat.

An inspection of the attic can quickly confirm his presence, since his trail is unmistakable. Look at the insulation. Has the Heat Thief pulled it apart from joists and wiring? Has he stomped on it so it's now shrunken and far less in thickness than the four to six inches recommended by the building industry?

If so, it's time you chased him from your attic forever by throwing up an effective insulation barrier. It never pays to skimp on insulation. Unlike fuel costs, which have risen so much the past decade, the price of insulation has been relatively stable. For example, an insulation barrier of expanded vermiculite will cost you about three cents per board foot.

If you have less than four inches of insulation, simply pour a fill material such as vermiculite right over your present insulation. If your home is air-conditioned, you may prefer the six-inch thickness recommended by the air-conditioning and electric heating industries.

Year after year, adequate insulation pays you a handsome return on your investment in reduced fuel and power bills. For the heating season alone, according to the Vermiculite Institute, a four-inch layer of vermiculite returns from 7.5 per cent to 42 per cent annually (depending on your climate) for every 1,000 square feet of attic area.

Council Gives "Moral Support"

One of the main topics of discussion at the Saturday morning session of Digby Municipal Council was the proposed building of an airstrip in Digby County. At a session earlier in the week John Nichols, on behalf of the Digby Board of Trade, had come before the council and asked their support in such a venture.

Mr. Nichols pointed out that the municipality people were the ones who would profit by an air strip. Even the publicity alone from an air strip would be most beneficial to the municipality, he said, just as we have gained through publicity by the C.P.R. for the area. An air strip, he said, would further tourist development in the area, it would be useful for the business man and be an advantage in transporting the sick. It is quite possible, he continued, that Cornwallis Base, so near, would make use of an air strip. Mr. Nichols said that he had been in touch with Bruce Carter, of the Saint John's Flying Club and he had said that there were frequent requests from private people for flights to Digby but there was no landing strip between Greenwood and Yarmouth and that Greenwood objected to private aircraft landing on that field. He had also been in touch with the Department of Transport when dimensions for air strips were discussed. The minimum dimensions would be 1500 feet in length and 100 feet wide. It was thought that an air strip for Digby with a packed gravel surface and from 2,000 to 2,500 feet length would be sufficient. However, Mr. Nichols felt that it would be wise to provide land to an extent of 8,800 feet in case of expansion in years to come.

A motion was passed stating that the council "heartily endorses the Digby Board of Trade's efforts in attempting to establish an airstrip in Digby County, and give them (Please turn to page 8)

To Sponsor March Of Dimes

Zelma Rebekah Lodge held its regular meeting the lodge hall with N.G. Sister Edna Turnbull presiding. A motion to sponsor "The March of Dimes" was passed and Sister Jean Turnbull was appointed as chairman, assisted by Sister Patricia Wilson.

Plans were made to hold an auction at the next meeting, February 11th.

After the business of the lodge the entertainment consisted of a Clipping Party, in which the members present received many useful gifts.

Sidewalk Request Turned Down

On Thursday morning the Digby Municipal Council was addressed by Mrs. J. M. Wallis, who on behalf of the Board of Trade, asked the council to investigate the possibility of building a sidewalk at Conway. She said a sidewalk, built from Digby town limits to meet number one highway, would be most beneficial to the area in general. At the present there is very little space for pedestrians except on the highway, she said, and reminded the councillors of accidents since last fall in which two Conway people were fatally injured while walking along the road. This is a most important matter, she stated, as the condition of that stretch of highway is a threat to all who walk or drive.

After considerable discussion and references made to similar petitions put before the council at former sessions, it was decided that the municipality, at this time, cannot consider the building of such a sidewalk. However, a letter is to be forwarded to the Trade Board, suggesting that they request the provincial department of highways to widen the shoulder of the road through Conway.

Alarmed At Number Of Breaks

At Saturday morning's session of Digby Municipal Council M. P. Gott, representing Smith's Cove and Joggin Bridge, expressed concern over vandalism at many summer cottages in her district. It becomes more and more disappointing, she said, for tourists to return to find broken windows and doors, and much of their possessions missing. It gets worse every year and much is lost due to thievery. There will be even greater losses to the entire area, she said, if these visitors become so disgusted that they do not return. This type of "looting" of unoccupied homes occurs mostly in the resort areas, she told the council, and the victims are usually summer visitors. The robberies are seldom discovered before the owners return to the area in the summer, and by that time evidence is scarce.

To help curb such instances the council decided to send a letter to the local detachment of the RCMP, asking closer investigation into the alarming number of recent breaks at summer cottages.

A request was read from the Provincial Magistrate for a sum of money to assist in the maintenance of his Kentville office. The letter stated that since the Magistrate serves the district of Digby, the municipality should assist in the upkeep of his office. It was the decision of the council that since the province gets the benefit of all fines, the upkeep of the magistrate's office should be a provincial expenditure.

Hospital Sewer Expense Less

Fears that an expenditure around \$25,000 for storm and sanitary sewers for the proposed new hospital in Digby might be incurred on the town were relieved at Monday night's meeting of the town council when Mayor V. L. Bent reported on word from engineer W. R. Godfrey. It was found that much of the line already in use would be sufficient to look after the needs of a new hospital for some time with much lesser additional lines than originally anticipated. It was at first feared that a new 15 inch line would have to be installed to take care of storm and sanitary sewage or that 3,000 feet of separate 10 inch and 12 inch lines might be necessary, costing approximately \$25,000. In discussion on the proposed new hospital Mayor Bent said that F. C. Purdy, Warden Morehouse, E. B. Richardson and himself would be going to Halifax this week to discuss

Weymouth Kiwanians Entertain Kiddies

Journey's Lake, near Weymouth, was the scene of excitement and fun on Saturday afternoon when the Weymouth Kiwanians Club staged their first supervised skating party for the season for the Weymouth and area children. It is hoped that the parties will continue each week on Saturday afternoon.

In the picture above are, left to right, Bernard LeBlanc, 1st vice-president of Weymouth Kiwanis; Lawrence Stockdale, president and John Jones, Kiwanis member. With the gentlemen are seen two children who enjoyed the fun, left to right, Claude Emile Theriault, son of Mr. and Mrs. Fidelle Theriault, and Jack

Doucette, son of Dr. and Mrs. Felix Doucette.

Children began moving on to the lake by one o'clock on Saturday and by the time they arrived from as far as Plympton on the East and to Grosses Coques on the West, there were approximately 250 in attendance. Music was provided to make the skating more enjoyable, a bonfire added to the pleasure with warmth and hot chocolate, pop and hot dogs served free of charge to the children. Donations had been received from interested merchants.

On the committees were: Fire com. C. C. Nichols; refreshments, H. Powell and E. Adelaar, with Lawrence Stock-

dale and Bernard LeBlanc overall supervisors.

Journey's Lake is approximately one mile each direction and known to be one of the safest in the area. It is at this lake where the Weymouth Kiwanians hold their water carnival and where they provide an instructor for swimming lessons in the summer time. During the past few years the Kiwanians have developed a recreation area at the lake and have built a dressing room and canteen facilities. The supervised Saturday afternoon skating will utilize the Kiwanis facilities at the lake during the winter and an invitation is extended to all children in a wide area to make use of the facilities.

Ice Carnival March 2nd

Thomas Cleveland, of the Digby Fire Department, recently announced that their annual Ice Carnival will be held Saturday, March 2nd. Special guests for the occasion will be Dr. Chombley and five clowns, a group appearing over CJCH-TV.

Door prizes will be presented, Mr. Cleveland said. Mrs. Ralph Wright is in charge of the costume parade, and Mrs. J. R. McCleave will look after the princesses. Junior princesses must be in the 7-9 years age group, and senior princesses between the ages of 10 and 12 years. The queen, which will be chosen for this special evening, must be from 13 to 15 years of age.

the hospital situation. It is understood that cost figures for the hospital have risen substantially since it was originally planned.

Mr. Bent reported that debentures re borrowing for the town paving program were expected to be on sale after May.

Change Taxi By-laws

At the meeting of the Digby Town Council on Monday night a new set of taxi by-laws were adopted. The laws adopted were in accordance with a copy presented by the Department of Municipal Affairs, with a few changes.

Councillor Jayne said he had met with the taxi operators regarding the new laws and stated that the operators had an organization with Eugene Bowe, chairman, and Gerald Campbell and Alvin Lawrence two other officers. Insurance rates were to remain the same, fares also were requested to remain fifty cents for two or fewer passengers within a designated distance in town and twenty-five cents additional for each additional passenger. It was requested that the rates be published.

A non-owner taxi operator was to pay a license fee of five dollars.

The taxi operators felt that they were well known and did not need to display the name of owner and driver and their photographs.

Firemen Request Pumper

Councillor Reigh Jayne reported at the Digby Town Council on Monday night that he had met with the Digby Fire Department when the matter of the purchase of a new pumper was proposed. Their first proposition was in a request that the town share with the firemen on a 50-50 basis in the purchase of a pumper valued at \$22,000. However, another proposition arose when a salesman had arrived giving other figures for a pumper suitable for the town and the municipal area covered. In the latter matter the firemen would attempt the entire project if the town would apply to the purchase the \$700 received previously from the municipal areas and the amounts from the areas in the future. The proposed pumper will carry 500 gallons of water.

Mr. Jayne announced that the municipality had agreed to pay \$1,000 a year instead of \$700 for the town firemen to fight fires in certain areas of the municipality near Digby.

Municipal Home Election To Be Sold April 8th

It has been made known that the Municipal Home, at Marshalltown, and about seventy acres of land surrounding the home will be sold. This was decided last week at sessions of the Municipal Council. All provincial assistance towards patient upkeep was withdrawn at the end of January, 1962, because the building did not meet standards as drawn up by the provincial welfare department. Sharing of the cost of maintenance of mental patients at the home was withdrawn by the province in October 1961, as the Digby institution did not qualify for the housing of such patients.

Warden Ronald Morehouse, stated it was the decision of the council that it would be more economical to move the patients than to spend more than \$50,000 needed to bring the Marshalltown home up to standards required by the department. Even if this money were spent it would be hard to say how long the building would continue to meet requirements, he said. Patients were moved to other institutions as space became available. By the end of October only one patient remained at Marshalltown.

Meeting with the municipal council to discuss the future of the municipal home were Councillors Russell Atkinson, Charles Hersey and Helen Anthony, of the Digby Town Council's Welfare Committee. They pointed out that since the town shares in the costs of the home, there was concern by the Town Council about its future.

Just before going to press word was received in Digby that a federal election will be held on April 8. Many statements are being made about the expected announcement which eventually was made on Wednesday afternoon.

The election was brought about when the Conservative-Diefenbaker government fell on Tuesday night on two non-confidence motions, sustained by combined opposition. Mr. Diefenbaker, after a twenty minute conference with Governor General Vanier on Wednesday, announced the election date and that Commons would not sit that afternoon.

The vote of 112-111 toppled the government after sitting for only seven months, most of which went through stormy sessions, especially through the last two months of nuclear arms policy controversy.

The Sacred motion read: "This government has failed up to this time to give a clear statement of policy respecting Canada's national defence, and has failed to organize the business of the house so that the 1963-1964 estimates and budget could be introduced and has failed to outline a positive program of follow-up action respecting many things for which this parliament and previous parliaments have already given authority, and does not have the confidence of the Canadian people."

The Sacred measure amended a Liberal motion which said: "This government because of lack of leadership and breakdown of unity in the cabinet and confusion and indecision in dealing with national and international problems does not have the confidence of the Canadian people."

Result of both votes was 142-111.

DRHS Top Curlers

Digby High School curlers Saturday won the Western Nova Scotia playoffs and qualified to take part in the Nova Scotia finals scheduled for Sydney Mines on February 8-9.

The competition was held at the Yarmouth Curling Club with Yarmouth High teacher Ernie Rhuda chairman of the committee in charge. Taking part along with Digby were Bridgetown High and Yarmouth High.

Playing for DRHS were skip John Brittain; mate Keith Hawkins; 2nd, Rae McCleave; 1st, Doug Miller; 1st, Terry Carson.

V.O.N. Bonspiel

James Ayer, convener, is taking entries now for the VON annual curling bonspiel in Digby, it is understood. This is the fourth year the mixed bonspiel will have been staged for the benefit of the Digby VON and when the curlers play for the Lynel Trophy.

The 1963 bonspiel is scheduled for the 15th and 16th of this month.

Wildcat Trapped, Killed

A wildcat, more than three feet long, has been trapped and shot by Fred Thibault, of Doucetteville. It is believed that the huge cat killed two deer in the Doucetteville area within the last two weeks. Tracks of the cat in the snow near those of the deer, and signs of a scuffle, indicated without doubt that the cat was the killer.

In the New France area woodsmen recently had to shoot a deer that had been badly mauled by a wildcat.

"Princess" Has Engine Trouble

The CPR ferry "Princess Helene" did not make her daily trip to Digby on Tuesday. Due to failure of one of her engines, the ship was towed back to Saint John harbour after attempting to make the crossing. The "Princess" resumed normal service on Wednesday.

Former Councillor

Amos Hill, of Weymouth North, a former councillor on the municipal government level in Digby district, now a man of 86 years of age, was one of those who gathered at Hotel Champlain last week when the Municipal School Board and the Municipal Council honored Mrs. H. R. Bishop, retiring deputy clerk, and former Warden Harvey Chisholm.

In addressing the gathering Mr. Hill expressed good wishes to Mrs. Bishop and Mr. Chisholm and told the council that during his time in the council the municipality was always in debt so the deficit of 1962 should not be alarming to those who are presently governing. He did say that when he entered the council the debt was \$17,000 and after 3 years of being on the council the debt was reduced to \$6,000. "Of course", he added with a chuckle, "I don't take the credit".

Make Land Available For Clinic

F. C. Purdy, chairman of the Digby General Hospital Board, said Wednesday that the directors of the hospital will make available to the Digby Mental Health Clinic sufficient land on the grounds of the hospital to provide space for the construction by the clinic of a permanent building. Clinic representatives had met previously with the hospital board to discuss the matter of permanent quarters for the clinic.

It is understood the Digby branch of the Canadian Mental Health Association and the board of directors of the mental health clinic will now proceed with fund raising plans to provide for the new structure.

Digby Tops Yarmouth At Carleton Lanes

On Saturday evening a team composed of Kent Skinner, Paul Snow, Austin Algee, Don Fleet, Eric VanTassel and Bus Marshall, members of the Digby Bowling Club, played a team from Yarmouth, composed of Bill LeBlanc, Junior Allen, Russ Rogerson, Peter Jacquard, Murray Sisco and Gerald Thibault, at Carleton Lanes in Digby.

The Digby team was victorious in the first string, downing Yarmouth by the slim margin of three pins.

The second string was almost as close, in reverse, with Yarmouth topping Digby by six pins.

In the third string the Digby trundlers really found the range, belling the Yarmouth lads by a margin of seventy pins.

High triple for the Yarmouth six was Murray Sisco, with 313. Top trundler for the Digby team was Don Fleet, with a 333 triple.

Honoured At Dinner

Champlain Motor Hotel was the scene of an enjoyable dinner on Friday night when the Digby Municipal School Board and the councillors of the Municipality of Digby gathered to honor Mrs. H. R. Bishop, retired deputy municipal clerk, and Harvey Chisholm, a former warden. Above in the picture, left to right, are Mrs. J. Vian Andrews, the only woman who has been a member of the Digby Municipal School Board; Mrs. Bishop; Rice Kinney, chairman of the Municipal School Board; Ward-

en Ronald Morehouse; Mr. and Mrs. Chisholm. Presentation of a large pocket book was made to Mrs. Bishop and an electric clock to Mr. Chisholm. Presentations were made by Mr. Kinney and Mr. Morehouse. In making the presentation to Mr. Chisholm, Mr. Morehouse referred to the time of Mr. Chisholm's 25 years of service as one when nearly every municipal service had expanded and especially was that true in the field of education. Mr. Chisholm had also been a president of the Union of

Nova Scotia Municipalities. Mr. Kinney said that during her 20 years of service Mrs. Bishop was a most loyal member of the administration. She was the first deputy clerk and the first deputy treasurer of the school board. A message was read from C. E. Edwards, inspector of schools.

V. G. Cardoza, speaker for the occasion, was introduced by Councillor Eugene Outhouse, of Tiverton. During the years, Mr. Cardoza said, the functions, duties, responsibility (Please turn to page 4)

About This and That Municipal Council

The council session for the Municipality of the District of Digby closed on Saturday after almost a week of lively and interesting discussions. It is always a wonder to us that more people from the municipality do not sit in on some of the sessions and learn how the councillors are spending their tax money and what progressive steps the councillors are taking on their behalf. Rarely do we see any spectators there for the purpose of learning more about the doings of their municipality. Anytime we had noticed visitors they were usually from the town of Digby appearing on some special request or visitors who were particularly interested in some one project. A class of school students attended sessions one day. This we believe is a yearly habit and a good one especially since so many of the students are from villages in the municipality. This will undoubtedly spark some interest in municipal affairs by these young people and potential councillors whether of the male or female sex.

There is much to learn by sitting in on the municipal council. While the primary reason for the press being there is to get the news and see that our readers are correctly informed, we enjoy the sessions, we learn much, understand more thoroughly the workings of the municipality and acquire an admiration for those who sit on the council. Their work is not easy. They have some important decisions to make, some of which might have far reaching implications. While we are all for progress as quickly as possible we admire these councillors who will not be forced into making hasty decisions which they might regret in the future. We failed to see any "yes-yes" men or women on the council but only the kind who believe in progressive steps after much thought is given an issue. These people are in the council seats not only to find the best way to spend the taxpayers' money but also the best way to save the taxpayers' money and their deliberations show that the taxpayers can count on their councillors to do this.

One of the sessions which we found most interesting was when the assessment report was presented. The report was not simply presented and accepted. It was thoroughly aired and especially the Islands councillors were concerned about assessments for the fishermen in their areas. We felt it was unfortunate that some of the fishermen could not be present to hear assessment discussed on their behalf and to learn first hand why certain assessments were made or exemptions granted. It was also interesting and heartening to learn, in these days of so much unemployment talk, that the fishing business on Digby Neck and the Islands is making so much progress.

The municipal warden and councillors have returned to their homes after a week of busy sessions. Does this end their work until May of this year? Oh, no. Just like the councillors in the towns, these municipal councillors go home but they do not forget about the service to which they were solemnly installed. If they have any inclination to forget the duties of being a councillor, the residents of their districts keep reminding them of being councillors as they present to them the many problems which occur between municipal sessions.

The Digby municipal councillors deserve commendation for their dedication to the interest of their municipality. We admire the earnestness with which they tackle their duties. With an admirable unpretentiousness and without pomp or show, Warden Ronald Morehouse accomplishes that for which he was chosen and gains the respect of councillors and municipal residents alike by doing so.

Report From Parliament Hill

Hon. George C. Nowlan

January 28, 1963.

I presume I should first apologize to my publishers for having failed to write the last report on Parliament for the week preceding the Christmas adjournment. However, it was during that week when that most unfortunate incident occurred that the Prime Minister was howled down by opposition Members who refused to allow him the right to speak. This is the first time this has ever happened in the Parliament of Canada. Obviously it will be very hard for anyone to write objectively on that matter, no matter how hard he tries, without appearing to have a partisan slant to his story. As you know I have always tried to avoid any suggestion of partisanship in writing this column and therefore I decided not to write one at all.

Last weekend, just before Parliament reopened, the Progressive Conservative Party held its annual meeting in Ottawa. This was only an annual meeting and in no way to be considered as a convention. But to everyone's surprise the largest crowd in history turned out for the meeting. My own situation is somewhat illustrative of what happened to all of the Cabinet Ministers. I thought it would be advisable for me to entertain the Nova Scotian delegation at a reception and at a small supper. I assumed there might be forty or fifty present and booked a dining-room which would accommodate that crowd. However, during Friday afternoon, it developed that more and more were arriving and more and more were coming. I shifted to a larger dining-room and in the end had to ask Mr. Speaker to allow me to use Room 16 in the House of Commons. This is a room with very ancient traditions and is never used for private entertainment. However Mr. Speaker gave me permission to use it, and that night we had over a hundred sit down in that room and five or six more had to eat in the dining-room on the sixth floor and some turned away because they could not get accommodation at all. In other words Nova Scotia had a group from my Province of something in the neighbourhood of one hundred and twenty to one hundred and thirty, the same proportion applying to every province in Canada, and over three thousand were in attendance. If this is austerity! if this is an unpopular Government! then let's have more of the same as far as we are concerned.

During the past week Parliament gave Second Reading at

Events At Carleton Lanes

During the weekend members of the Yarmouth fire department, with their wives, bowled against the members and wives of the Digby fire department, and four teams from the Yarmouth K. of C. competed against four teams from Digby.

Results of the fire department games were: 1st game (Hook & Ladder, Digby), 1394, Yarmouth, 1319; 2nd game (Fire Fighters, Digby), 1311, Yarmouth, 1391. Four high

to the National Economic Development Board and spent two days on a National Defence Foreign Policy debate. In addition, another day was spent in debating the Freight Rates Reduction Act which provides for the Government to pay the money to the railways which they would be entitled to receive under the last freight rates increase if the Government had not vetoed the report of the Board of Transport Commissioners.

Actually, this Parliament has passed more legislation in the time in which it has been sitting than any previous Parliament in many years. This despite the fact that as always it has wasted a great deal of time. There are many new Members in Parliament who do not realize that if they do not get a chance to debate on a matter today probably a similar chance will come up next week. Therefore they debate it today and repeat the same debate the following week. Also, of course, all Members are conscious of the fact that Parliament may be short-lived and naturally many of them, particularly the newer Members, are very anxious to have their ideas recorded in Hansard so their constituents can see how well they have been represented in Parliament.

But there is one factor that may cause trouble in the immediate future. The fiscal year ends March 31st. So far none of the Estimates for this year have been approved by Parliament. They have been debated directly and indirectly but they have not actually been formally passed. Heretofore Parliament has granted what is known as "Interim Supply" after a debate of only a few hours or at most a day. "Interim Supply", as the name implies, permits Parliament to provide the Government with sufficient money to maintain operations for a fixed period, usually thirty days. During this Parliament the Opposition has been spending more and more time in debating "Interim Supply". The last application for a thirty-day supply raised a debate of seven days. It is the time spent on debates such as that which has precluded Parliament from dealing with the Estimates themselves. In former election years, such as 1945, 1949, 1956, 1957, Parliament met in the spring, was dissolved, an election was held, the Members returned in the fall and the Estimates were passed within a few days and the House then adjourned until the following year. Discussions between representatives of the Government and of other Opposition parties have been taking place during the past week trying to solve this problem, but up to this time no agreement whatsoever has been arrived

Parish Hockey

St. Pat's team tightened their hold on second place when they defeated the third-place Savios on Friday, 6-3. The victors goals were scored by Doug VanTassell, who rang in three, and Albert Comeau, David Wood and Richard VanTassell. John Cole accounted for all three of the Savios' goals.

In the second game, powerful St. Theresa's team scored a 7-3 win over the last-place Christophers. The out-weighted Christophers put up a good fight, with Mark Amirault and Ronnie Mullen firing home their three markers, but a good offensive and defensive game by St. Theresa's made the difference. Leading scorer Andy Doucette scored four of the goals. Other goals were put in by Pete Comeau, Eric Melanson and Danny Doucette. Leading Scorers: Andy Doucette (St. T.) 30, Tom Amirault (Savios) 24, Doug VanTassell (St. P.) 24, David Wood (St. P.) 22.

Driver Education Course

The Driver-Education programme was started in Weymouth Consolidated High School in January and is being undertaken with a great enthusiasm. Mr. Chester Sabean is instructor of the course. Mr. Sabean was one of the first to take the course in this area and was one of 23 accepted from 127 applicants to study this course at U.N.B. this summer. A car is being provided through Weymouth Motors Ltd., and should be available about the first of March.

It has been noted through surveys that 80% of all accidents are caused by 20% of the drivers and that of the 250 students in Nova Scotia who have taken the course, none have had accidents to date, whereas 48% of the same age group, without the course have had accidents. Insurance Companies are offering a 10% reduction for those in the sixteen year to twenty five year range for those who take the course. Weymouth is fortunate to have the facilities, equipment and instructor to give such a course, and it is hoped the whole area will sponsor it.

PROPOSED ROUTE — Canadian National Railways has invited tenders for preliminary work on a proposed 15-mile line to serve the Brunswick Mining and Smelting Company's mine near Bathurst. Legislation authorizing CN to build the line is still before Parliament. Canadian National is making a conditional call for tenders so that work may begin almost immediately if the project is approved. This map shows the location of the route which has been surveyed by CN engineers. Cost of the proposed new line has been estimated at \$1.5 million.

In the Western Hemisphere 60 Years Of International Health

December 2, 1902-1962

This young entomologist in Guatemala is literally putting a mosquito, captured earlier, on ice. He does so to keep alive any yellow fever virus the mosquito may be carrying — vital for a laboratory dissection of the insect, and for an understanding of the disease it harbors.

By inhaling, he moves the mosquito, imprisoned in the vial he holds, from the vial into the tube he is biting on. Next, he gently blows through the tube, thus forcing the mosquito into a chilled jar. The jar is then sent away in an ice-packed thermos to the nearest laboratory. In the same hour, a 48-hour

the elimination of disease from the hemisphere, and the protection of the public health of each American nation.

Or, as one founding delegate put it, the Bureau would aid governments in the destruction of mosquitoes and other vermin.

The Bureau got a \$5,000 budget, and a staff of eight, six part-time officials and two clerks, to bring this all about.

But from that modest beginning the Bureau has come a long way: from a few clearing house activities then, to the whole of modern public health services now.

During 1962, for instance, the Bureau will spend \$16 million on 303 health projects, a part of programs of the World Health Organization — the second name painted on the wagon — whose regional office for the Americas it became in 1949.

The Bureau's staff now number over 1,000, and is made up of some 40 nationalities, including every one of the hemisphere's. Like the young man here, about 700 work in the field, the most of them in every country and territory in Central and South America, along with a government counterpart.

Today the hemisphere is no longer to rid itself of ancient scourges, such as malaria, smallpox, yellow fever, yaws, than it has ever been before. And work has begun on modern man's afflictions, mental upset, inadequate nutrition, air and water pollution, to cite but a few.

There is little doubt today that untold millions have been made happier and healthier because of the international co-operation begun sixty years ago.

Farmers Present Brief

In a brief to the Digby Municipal Council on Wednesday, Lloyd MacNeil, on behalf of the Digby County Federation of Agriculture, said that farmers are paying higher taxes than people in any other occupation per dollar of income.

He said that official figures released by the agriculture department concerning farm incomes were deceiving because they noted only the gross income and did not take into account the "hardships, hard work and heart-break" of farmers today. Mr. MacNeil accompanied at the meeting by Curtis Freeman and Chipman Chisholm of the agriculture federation, asked the council to extend to farmers the \$2,000 limit of exemption on farm machinery provided for last year in provincial legislation. It was his opinion that the present level of exemption in Digby Municipality is unrealistic. Farmers, he said, must have expensive machinery if they are to operate successfully.

A group of about twenty farmers in the area are working together with the guidance and assistance of the agriculture department toward the development of small fruit and vegetable production, he said. One of the

Pew Cushions Dedicated

Last Sunday morning the congregation of the Baptist Church of Digby participated in the dedication of new pew cushions presented to the church by Mrs. G. R. Weir and family in memory of the late George Reginald Weir, whose death took place in October, 1961.

Replacing the old cushions which are reputed to have been in the church nearly sixty years, the beautiful new cushions are made of foam plastic and covered with a nylon material, and of a color in harmony with the decor of the auditorium.

George Reginald Weir, whose memory the gift was presented and dedicated, was a deacon of the church at the time of his death and for long years he served in various offices of the church of which he was a faithful and devoted member.

The dedication service was conducted by the pastor, Rev. H. S. Hartlin, with members of the congregation standing in tribute and joining in with the words of acceptance and dedication.

Later on in the church commencing the gift.

Addresses Bear River Board

A. Denton presided over the Bear River Board of Trade last week when eighty-five were in attendance and heard a travelogue by V. G. Cardoza, MLA, Digby.

Mr. Cardoza spoke on his recent trip to Europe and showed pictures of places visited. He took his audience to some of the old cities of Europe dating back to early centuries and where buildings constructed in the 12th and 14th century are still being used. Some of the countries which Mr. Cardoza visited were Sweden, Denmark, Belgium, Germany, France and England. He explained that his travels were confined to after hours when meetings and conferences had concluded for the day regarding the legislation mission he was on. Mr. Cardoza was one of a select committee of the N. S. legislature on labour legislation who had visited Europe.

Lightkeeper May Move

The supplying of Bear's Head Light, at the tip of Bear's Neck, is creating quite a problem for its keeper, Earl Leeman. In fact, it is understood that he may be forced to abandon his station.

Since early winter the Head has been inaccessible to both vehicles and pack horses after pounding seas tore away part of the road leading to the light. It has been stated that only enough coal remains for a few days. It has become increasingly difficult for the lightkeeper and his wife to carry supplies over the rocky headland to the light.

Mr. Leeman has recently cut trees near the light to extend his fuel supply, but a scarcity of land is so rocky. Due to the road's treacherous condition teamsters have refused to haul cordwood to the light, even at double the usual price.

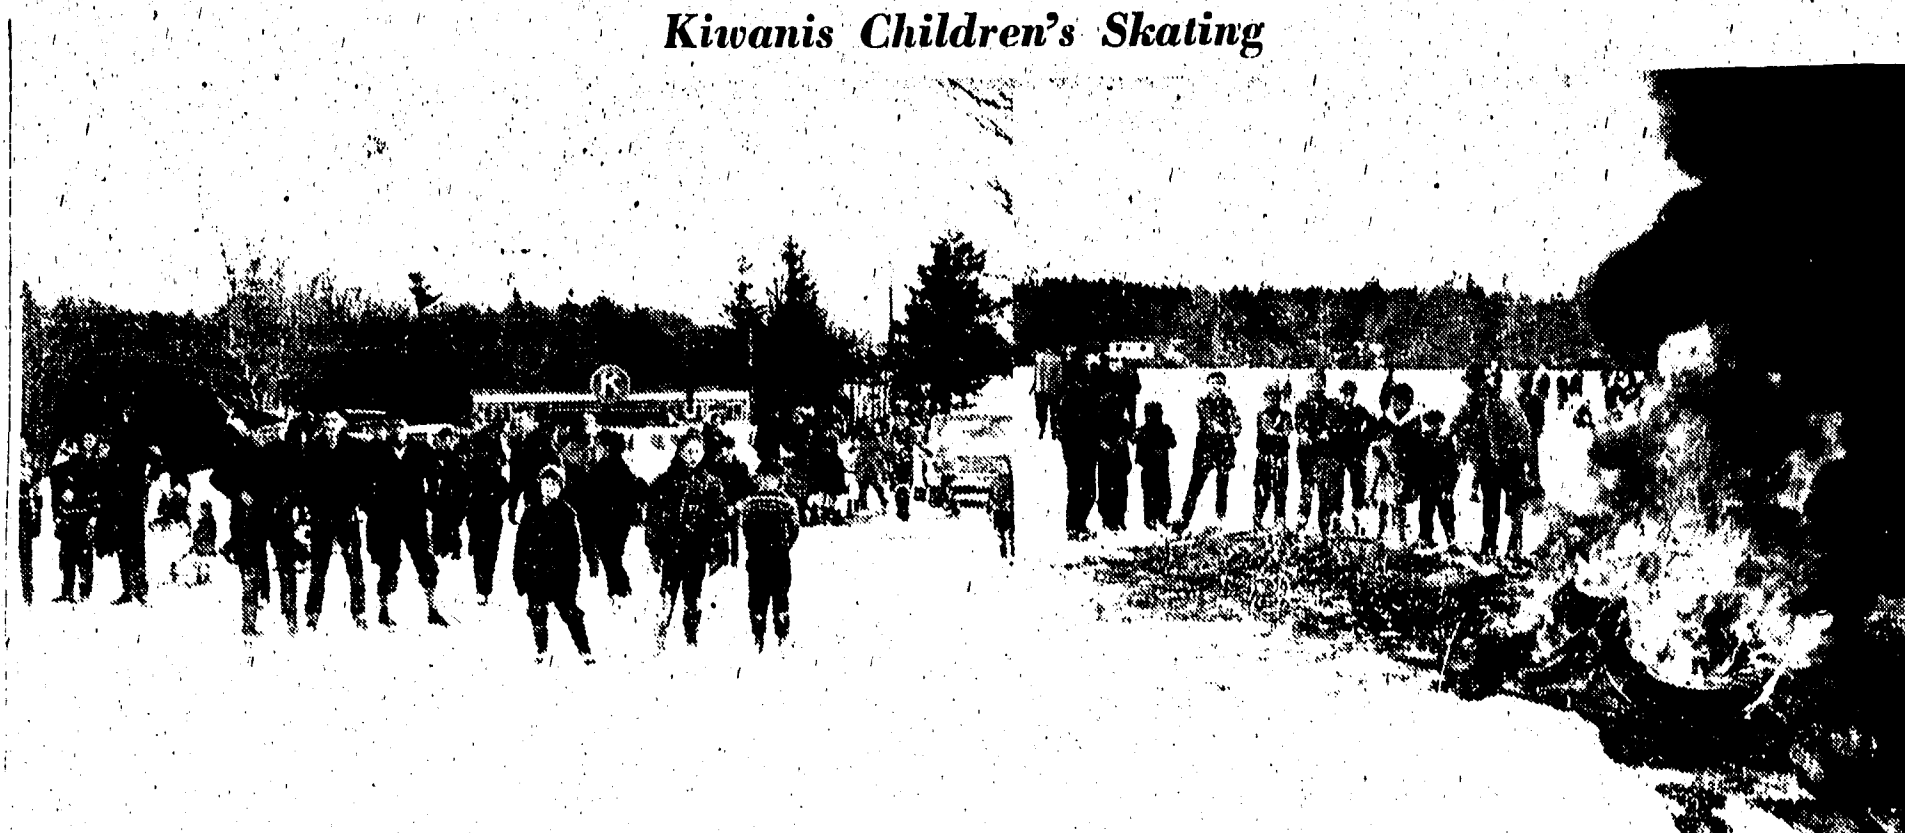

Unless the road is repaired or other means of supply is forthcoming, Mr. Leeman said he and his wife will leave the light and stay at the village for the remainder of the winter.

Celebrate 60th Anniversary

On January 26 Mr. and Mrs. George E. Amaro, Doucetville, celebrated their sixtieth wedding anniversary. Mrs. Amaro is the former Lillie Robichaud. Both Mr. and Mrs. Amaro have spent their entire lives in that community.

Their family consists of five girls and five boys. They are the following: Jane (Mrs. Harold Journey), Weymouth Mills; Gertrude (Mrs. George Currie), Moncton; Elizabeth (Mrs. Reg. Lewis), Plympton; Louise (Mrs. John Leamy), Fort Qu'Appelle, Sask.; Nellie (Mrs. William Robichaud), Lynn, Mass.; Enos, Melcham; Edward, Doucetville; Walter, Saint John; Martin, Oshawa; and Philip, Sudbury. They also have thirty grand children and eight great grandchildren.

On Saturday afternoon about 250 children from Plympton to Crosses Coques gathered at Journey's Lake, near Weymouth, to take advantage of the supervised skating provided by the Weymouth Kiwanis Club. Hot dogs and hot chocolate and pop were served at the Kiwanis canteen shown in the picture. Those who wanted other shelter from the brisk cold of the lake gathered around an open fire supervised by Antonio Diliberatore. Seen around the fire warming their hands are, left to right Gary Theriault, Marie Comeau, Rayole Theriault, Eric Gaudet, Marcelle Gaudet, Aroide Theriault, Ronald Wagner, Jeanette Melanson, Denise LeBlanc, Claude LeBlanc and Mr. Bernard LeBlanc.

MORAL SUPPORT

(Continued from page 1)

their moral support." Following their remarks were some of the councillors on this subject.

Councillor Finigan said that he felt the council should not endorse the Board of Trade's request. It is not that he is against the building of an airstrip in the area, he said, but thought that such a move could later mean that the municipality would be expected to share the cost. It was his opinion that at the present the municipality is in no position to give financial aid towards the building of an airstrip.

Councillor Comeau said that he could see that an airstrip had great possibilities in assisting the industrial development of the area, and that the council should give the Trade Board some encouragement in their endeavour. However, he felt that financial aid at the time is impossible.

Councillor Cosman referred to similar requests that the council had been asked to support the replacing of the Princess Helene as one example, and said that their support had not necessarily meant financial aid. The case of the boat, he said, had cost the municipality nothing. It was his opinion that the council should give full support to a proposed Digby County airstrip, because many possibilities of better development are involved.

On the subject of an airstrip, Councillor Gott said that the Digby Board of Trade has been striving untrillingly to bring some bit of industry to the area. She felt that, although the municipality could not give the Board financial support, they should give their moral support.

Councillor Snell agreed with Mr. Cosman. He said that "moral support" could not mean "money". It was Councillor Outhouse's opinion that this area is "behind the times". He said that a landing place for aircraft would be a direct benefit to the municipality. He recommended that the Municipal Clerk write to the Board of Trade advising that the council is morally behind them, but at this time cannot be expected to give financial assistance.

Councillor Shortliffe said

New Lieutenant Governor

H. P. MacKeen, Q.C., a prominent Halifax lawyer, has been appointed lieutenant-governor of Nova Scotia. It was announced by Prime Minister Diefenbaker on Tuesday night.

Mr. MacKeen succeeds Major-General E. C. Plow. He is a distinguished soldier as well as a prominent lawyer and a native of Glace Bay, N. S. Mrs. MacKeen was the former Alice Richardson Tilley, daughter of the late Hon. L. P. Tilley, Premier of New Brunswick, 1933-35.

Major-General Plow, the retiring lieutenant-governor, is married to the former Mary Lynch, daughter of the late Mr. and Mrs. T. E. G. Lynch, Digby. The lieutenant-governor and Mrs. Plow have a summer home at Smith's Cove.

Van Zoosts To Ontario

Rev. William D. Van Zoost, Yarmouth, announced his resignation at the annual meeting of the Central United Church congregation. The Rev. Van Zoost has accepted a call to a church in Windsor, Ont. He will be leaving Yarmouth the last of April.

Rev. Van Zoost or Padre Van Zoost, as he is called by the officers and men of the 14th Field Regiment, along with Mrs. Van Zoost and family, during their stay in Yarmouth endeared themselves not only to the congregation, but to many others in all walks of life in the town and county.

Rev. Van Zoost, who has been in Yarmouth for the past 13 years, has entered into many charitable community services of the town. Mrs. Van Zoost was the former Verge Winchester, daughter of Mrs. Mac Winchester and the late Mr. Lovett Winchester, Digby.

that he was in favor of an airstrip, but it was felt that the municipality should not pay for it, he'd have to help against it. The municipality is in no position to allow money for such an endeavour at this time, he said.

TOWN APPOINTMENTS

(Continued from page 1)

The new Legislative Public Health Act of 1962 requires a representation of five or more on the Board of Health at least three to be members of the town council. The committee was left to be set up after the members outside the council are named.

Ten complaints were laid by the police in January with seven needing field investigation. All but two were terminated to satisfaction. No court cases evolved. Four motor vehicle accidents were investigated. There was one complaint and entry in January and complaints about milk bottles and money stolen are under investigation.

Councillor Morrell, who presented the report, also stated that the town police were not satisfied with using their own cars for police work. Discussion followed but no decision was made as to acquiring a town police car.

Chief Police Dunn was given permission to attend the Maritime Police School in Halifax in March.

Six families, a total of 40 persons, were on relief in the town during January, according to the report presented by Councillor Atkinson.

Councillor Baxter reported that things were working out well at the dump with a full time man on the job. The dump had been bulldozed and a fence and gate erected. He requested a small building be erected to protect the caretaker from the weather.

Much discussion arose on a request to have some reportedly dangerous trees removed at the corner of Birch and Carleton streets. This matter was left with the streets committee to investigate.

Tag Day permission was granted to the Ladies Hospital Auxiliary for March 22 and 23 and to the Little League Hockey.

It was decided to have a grant of \$150 to the Digby Salvation Army Corps included in the budget.

By request of Mayor V. L. Bent, who presided over the meeting, Deputy Mayor Helen Anthony was requested to take over duties of the town respecting the Apple Blossom Festival for 1963.

A request by Provincial Magistrate Charles LeBrun to the town for assistance in repairs to the room at Kentville Court House which he uses for service to Hants, Kings, Annapolis and Digby Counties was granted to the extent of \$20 for the present year but no commitments were made for future years.

Hanson Dowell Becomes Judge

Appointment of two new county court judges in Nova Scotia and Ontario was announced Tuesday by Justice Minister Fleming.

Hanson Taylor Dowell, 56, a Progressive Conservative member of the Nova Scotia legislature, becomes judge of Nova Scotia district three, which includes Annapolis, Digby and Yarmouth counties.

Mr. Dowell, a legislature member for Annapolis East since 1960, fills the vacancy created by the retirement of Judge Kenneth Lee Crowell. He has practised law at Middleton since 1931 and since 1933 has been a stipendiary magistrate there.

A prominent sportsman, Mr. Dowell was president of the Annapolis Hockey Association from 1945 to 1947 and has been secretary of the Maritime Association.

A Little Boy Can Dream... Can't He?

Six year old Gary Hansch, Toronto, dreams of the day when he can make a flying visit to Adelaide in Australia, land of his birth. It may take time to save the pennies, but Gary can wait. In the meantime, in the Australian Pavilion at the 1962 Canadian National Exhibition, the little boy gets a Koala bear and imaginary flight instructions from Qantas Airline hostess Patricia Brown.

EARLY BUTTERFLY

One of last week's bitter cold days John Russell came to the Courier Office with news that spring must be just around the corner. It seems

that a butterfly became over-anxious for spring, and was gaily fluttering around in the window at Shortliffe's Rite-way store on Digby's main street.

Former Native's District Leads In All Canada

Eric Bent

Mr. and Mrs. R. M. Stoddart, Yarmouth, left recently for Campbellton, N. B., where Mr. Stoddart will attend a meeting of the Maritime Managers' Association, Metropolitan Life Insurance Co., of which Mr. Stoddart is Secretary-Treasurer.

During their stay, they will be guests at a dinner given by the Canadian Head Office in honour of Campbellton's leadership of the Eastern Canadian Territory. This honour also places them as the leading District in Canada and very high in the entire company of over one thousand district offices.

The manager of the Campbellton District is Eric G. Bent, who began his career with the Metropolitan Life Insurance Company in the Yarmouth District in 1939. During 1946 he was promoted to Assistant Manager in the Saint John District. In 1957 he was further advanced to General Assistant Manager, Eastern Canadian Territory and in 1958 was promoted to Manager of the Campbellton District.

In 1939, when Mr. Bent was a local representative of the Metropolitan Life Insurance Co. the Yarmouth District attained this honour of being the leader in Canada. Again in 1940, when Mr. Stoddart and Mr. Bent were both on the local staff, the Yarmouth District won the same honour. During the past three years, under Manager Stoddart, Yarmouth has been among the leading Districts in the Canadian Territory. (Yarmouth Herald.)

Mr. Bent is a brother of Mayor Vernon L. Bent, Digby, and a son of the late Mr. and Mrs. B. Vernon Bent, Digby.

New Dragger Launched

"Fort Anne", a trim 62 foot dragger, was launched recently at Parker's Cove. The boat, latest addition to the local scallop fishing industry, was built for Harold Robinson. Boss carpenter was Donald Magarvey.

A unique feature of this event was the launching in mid-winter on the rugged Bay of Fundy shoreline. However, the launching was made without mishap and the vessel was made secure at the pier until suitable weather permitted her being towed to Digby where she is now berthed, and being equipped with new machinery.

The "Fort Anne" is modern in every detail and displays fine workmanship and planning on the part of both captain and carpenter.

Many Patronize Ski Run

Perfect skiing conditions have been reported from the Bear River Ski Club during the past few days. Twelve inches of snow was reported on the slopes at Bear River during the weekend, and tows were in operation.

The past week of heavy snowfall brought patrons from Yarmouth, Annapolis and points between to enjoy the newly constructed ski run in Bear River. Weekend patronage was at an all high for the ski hills in Bear River and the past week was the first good week of the season.

A twelve inch base of packed snow has made skiing in Bear River among the best in the province. Early in the fall a new ski tow was installed making facilities at the run modernly equipped.

Church Plans Building Extension

A decision was made at a special meeting of the congregation of Grace United Church, Digby on Tuesday evening to extend the church hall to dimensions of 28½ feet in width to the full length of the present hall. The new extension will provide ten class rooms, a board room, two wash rooms and furnace room. The architecture will correspond with that of the present hall. Floors will be cement and tiled. Plans include provision for future expansion and for a connection between the hall and church a distance of 17 feet.

On the building committee are C. D. Snow, who had drawn up plans for the proposed extension and presented them on Tuesday night, A. L. Robinson, Reginald Jefferson, Eric VanTassel and Gordon Ellis. The finance committee for the proposed extension consists of V. G. Snow, chairman, chairman of the Board of Stewards (William Marshall); treasurer of the church (Milton Atkinson). To date, Mr. Snow said \$3200 in cash commitments had been made and including labor and stock which has been promised the commitments come to an estimated \$7400.

The new building extension plan developed from an offer presented at the annual meeting of the congregation in January when it was announced that Reginald Jefferson and A. L. Robinson had made generous offers regarding such construction. A general committee from the church was set up to consider the matter and included A. L. Robinson, Milton Turnbull, Clayton Snow, Mrs. Clayton Snow, H. C. Morton, Kenneth Beckwith, Vincent Snow, Mrs. Reginald Holdsworth, Norman Wright, Reginald Jefferson, Oakley Turnbull, William Marshall and Rev. R. H. Hughes.

Reports of the various organizations in the church and the church boards showed a successful year had been closed. Officers and committees appointed were: Session: Rev. R. H. Hughes, Chairman; N. D. Wright, Clerk; B. K. Beckwith; R. E. Jefferson; C. V. Snow; H. M. Turnbull; G. Hawkins; J. O. Turnbull; G. Hoare. Trustees: Rev. R. H. Hughes, Chairman; R. G. Handspiker, Secretary; H. M. Turnbull, Treasurer; C. D. Sabine; J. Russell; G. O'Neill; C. Farnsworth; A. Hawkins; G. Hoare; B. Ellis; H. A. Trask; D. Fleet; J. O. Turnbull, Reginald Holdsworth, Janitor Committee: R. E. Jefferson; J. O. Turnbull; R. Stonehouse. Representatives Church Periodicals: "Observer": H. C. Morton; "United Churchman": Mrs. M. E. Hughes. Organist: Miss Margaret Black. Cub Pack Committee, Gerald Wilson; Elton Arnold; Russell Stonehouse; Aubrey Hawkins.

New High Sheriff

Ronald S. Meisner, 48 year old resident of Granville Ferry, has been appointed high sheriff of Annapolis Co. A merchant, Mr. Meisner succeeds Harry Parker, who resigned because of health. The new high sheriff has been a member of the municipal council for the past six years. Mr. Meisner worked as a machinist in Trenton and Liverpool before moving to Granville Ferry.

He is married to the former Marjorie Simpson, of Brookfield, and they have twin children, David and Donna.

Car Crash At Marshelltown

A car driven by Herman LeBlanc, Yarmouth, was badly damaged in an accident at Marshelltown. Frank Davis also of Yarmouth, was a passenger.

Another car is said to have approached from the opposite direction, cutting across their path, and a collision was unavoidable. Occupants of the cars were not injured.

V.O.N. Lynch Trophy Bonsel Miss Grant Addresses Guides

The fourth annual V.O.N. Curling Bonsel is to be held on Friday the 15th and Saturday the 16th day of February, 1963 for the Lynch Trophy, emblematic of the Mixed Curling Championship of the Digby area.

The event is open to all persons interested in curling and the teams of two men and two women to a team compete for the Lynch Trophy donated by members of the family of the late Mrs. Edith Lynch for annual competition. This is the 4th year that the Trophy has been put up for competition and all proceeds from the entrance fees go to the work of the Victorian Order of Nurses in the Digby area.

Through the kind co-operation of the Digby Curling Club and merchants of the town of Digby food stuffs and additional prizes have been donated for the entertainment of the curlers at supper and as prizes for the second and third place teams.

The competition opens Friday night the 15th of February with the first draw to be announced Thursday, February 14th, and the competition will be held all day Saturday at the Digby Curling Club Ice. Chairman James Ayer has announced that he expects approximately 20 teams from this area and the Cornwallis Naval Base. It is expected that additional proceeds will be made from the sale of chowder and sandwiches in this fund raising drive for the local Branch of the V.O.N.

90 Years Old

Mrs. Emma G. Dittmars, Clementsport, celebrated her 90th birthday on February 3. She received many greetings and cards, and a selection of gifts, among them two birthday cakes and a bouquet of mums.

Mrs. Dittmars enjoys good health for her years, and is able to do much reading and writing. She also does much of the light housekeeping and all her own cooking.

Two Seek Candidacy

Two men have announced that they will allow their names to go before the Liberal nominating convention which has been called for February 23, to seek a candidate for the constituency of Shelburne-Yarmouth-Clare. They are Fred T. Armstrong and James M. Ryan.

The two were opponents for the Liberal nomination last year with Mr. Armstrong being chosen to contest the constituency of Shelburne-Yarmouth-Clare. Mr. Armstrong was subsequently defeated by the P.C. incumbent, Felton Legere.

Mr. Ryan, manager of CN telecommunications Yarmouth comes from a well-known North Sydney political family and has taken an active part in political circles since coming to Yarmouth before World War Two.

Mr. Armstrong, well-known local businessman, made his intentions known through the president of the liberal association, Ernest Cotteau of Yarmouth.

Felton Legere announced yesterday that due to personal health reasons only he will not seek re-election.

The Social Credit candidate, in the last election, Ashley Crowell, of Yarmouth, said over the weekend he was agreeable to let his name stand for nomination.

Regarding the NDP party, A. Boyd MacGillivray, Yarmouth representative on the provincial executive, said Sunday that no plans had yet been made regarding a candidate in Shelburne-Yarmouth-Clare pending a meeting to be held in Halifax.

Annual Meeting Held

Conway Credit Union held its annual meeting recently with a fairly good attendance of its members and visitors from Digby. President Lloyd Jefferson presided.

Jack Nichols Addresses Kiwanis

Mr. Jack Nichols, President of Digby County Fish and Game Association, was the speaker at last week's meeting of the Kiwanis Club of Digby, held at the Hotel Champlain.

In his address Mr. Nichols spoke of the improvements made to the Defaga Lodge and of more work yet to be done to accomplish further improvements, including enlargement of a parking lot. He called attention to the program at the lodge for young people's recreation, and of plans for the summer of 1963 when an operator would be in charge of the premises. Tenting facilities are to be provided among other things. Mr. Nichols said that organizations sponsoring children's groups would be most welcome in the use of the lodge facilities.

Mr. Nichols also spoke on some of the problems of the Fish and Game Association in the province as a whole, and invited the interest of members of the Kiwanis Club in the efforts of the Association.

Red Cross Meets

The Meteghan branch of the Canadian Red Cross held its annual meeting at the Fire Hall. Charles Illsley, commissioner, was guest speaker. He spoke on the forthcoming fund-raising campaign for the district of Clare, which will take place on February 25 and will take two weeks to complete. Mr. Illsley told the group that a larger amount of money is required due to the demand for the Red Cross Services throughout Canada.

All reports showed an active year by the local branch. One disaster family of fourteen who lost all their belongings following the destruction of their home. The branch found them a place to stay temporarily and also provided clothing and furniture. Five families were aided at Christmas time and 1000 pieces of clothing were distributed during the year to needy families.

About This and That Canadian Heart Fund

What can be accomplished by the generosity of contributors was noted last week when a young Tiverton boy, Gregory Elliott, was taken to Toronto where a delicate heart operation will permit him to live a normal and useful life. Contributions made the trip and operation possible and eased the financial burden for the parents. However, contributions by generous givers had made the operation possible long before Gregory's recent trip to Toronto. Years of research were put into relief from heart ailments before Gregory was born or otherwise surgeons and medicine would not have been prepared for Gregory's case.

Research into heart conditions as Gregory had and into many other forms of heart ailments has been made possible through the Canadian Heart Fund of which Nova Scotian born K. M. Sedgewick, Montreal, is national chairman.

"More than ten times as many people between the ages of 25 and 65 die every day from heart disease than from motor vehicle accidents," Mr. Sedgewick said. "Remarkable advances have been made on all fronts, from the surgical skill that cures most children born with deformed hearts, to the better understanding of hardening of the arteries causing heart attacks and strokes."

"The momentum of this tremendous human activity for the common good must be sustained and advanced at an ever increasing rate," Mr. Sedgewick declared. "Our Heart Fund dollars are the primary source of financial support for the Canadian Heart Foundations, the sole voluntary agencies in Canada in this field."

Mr. Sedgewick disclosed that the minimum objective of the Canadian Heart Fund for the month of February throughout all parts of the country is \$1,365,000, over 85% of which will be directed to the support of research and education into the causes and nature of this modern scourge.

Electricity Powers Progress

National Electrical Week is set aside each year to focus attention on the contribution of electricity to our economy and our way of life. That Digby plays a part in the national contribution was seen when the reports, which showed an increase in its use here, were made at the meeting of the municipal councillors for the district of Digby. Digby has a direct interest too in National Electric Week because the week also commemorates the birth of Thomas Edison, inventor, whose great grandfather lived near the town of Digby.

The theme for Electrical Week, February 10-16, 1963, is "Electricity powers the wheels of industry." A truer slogan could not have been chosen.

It has been estimated that more than 20 percent of all manufacturing is done with machines powered with electricity. In the home, today's housewife has more than 100 types of appliances available to help ease the work load and give her more time with her family.

This is not all, the farming industry has been helped by electricity. Today's farm family not only lives with all the modern home conveniences, but, more than 400 electrically operated machines are available to make the work of the farmer, more efficient and more profitable.

The electrical manufacturing industry in Canada employs about 80,000 people and has an annual payroll of more than \$350 million.

Electrical power is vital to our country. Only three nations in the world, the United States, Soviet Russia and the United Kingdom produce more power, and they have from three times to 14 times our population. Only one nation in the world - and this is Norway - uses more electrical energy on a per capita basis.

The Canadian housewife has won us one distinction. Canadians use more electricity in the home than any other nation.

That's why the electrical industry celebrates National Electrical Week with good reason. Electricity is a part of the everyday living of Canadians. We as a nation live better electrically.

Brotherhood Week February 17 - 24, 1963

Fear is among those powerful motives that explain a great many actions and attitudes. In the field of human relations very often ignorance is at the root of that fear.

It is to do away with that ignorance and thus promote better relations among men that the Canadian Council of Christians and Jews was founded in 1947.

In Canada numerous are the reasons that explain this ignorance. First our country is so vast that in the little isolated village on the Atlantic shore nothing is known of the villages of the Prairies.

But more serious yet is the very constitution of our country: a bilingual country with a very small proportion of its people being bilingual. In some areas, both groups live together and learn to know each other. But in greater areas of the country there reigns the most complete ignorance about the other group.

To make matters worse there are the other groups that may not have legal existence, but they are nevertheless part of the population like the Ukrainians, the Italians, the Germans and others.

Finally there is the religious factor: Catholics, Protestants, Jews.

It is out of these heterogeneous elements that we hope to form a Canadian nation where peace and brotherhood will reign.

This is no mean task. Our government cannot legislate to establish brotherhood. It will have to take root in the different ethnic and religious groups.

But first ignorance must be removed. As long as the French Canadian does not know the English Canadian, as long as the Protestant does not know the Catholics, as long as the New Canadian is not known to the old Canadians,

ignorance prevails and breeds fear and distrust. The brotherhood that should reign in our country is that which grants others the same dignity and rights as one claims for himself.

It is to bring about the birth and growth of brotherhood that prominent Canadians representing the church, education, industry and politics have instituted the Canadian Council of Christians and Jews.

And once a year on the occasion of Brotherhood Week we all try together to dissipate that ignorance.

Thus the Council attempts to reach the aim to be found in its by-laws: "To promote justice, amity, understanding and co-operation among all Canadians; to analyse, reduce and finally eliminate among the different groups the prejudice that alters and disfigures the relations at the religious, commercial, social and political levels in order to establish a social order in which the ideals of brotherhood and justice will be the rule in human relations." — Emery LeBlanc.

Begins Third History

Mrs. Hazel Clayton, Smith's Cove, is doing a fine job in preserving some of the interesting and important history of her home village and surrounding areas by publishing books containing valuable facts about the villages. Already two of Mrs. Clayton's books have enjoyed good sales and have brought many complimentary comments. A third book, much being a compilation of the former two, is now being prepared.

The books written by Mrs. Clayton are basically history with the occasional anecdote adding extra color to the already colorful past of some of the events and personages which have been found worthy of her pen.

Smith's Cove and Her Neighbours, Parts I and II, have been found educational, entertaining and of historical value. Congratulations are extended to Mrs. Clayton on her ability, ingenuity and factual recording of Smith's Cove's historical events and personages.

Miss Laura Belliveau has returned from Yarmouth Regional Hospital where she has been a patient.

Mr. and Mrs. Henry Belliveau and son Brian of Yarmouth, spent Monday with Mr. and Mrs. Clarence Gaudet.

Word was received here on Monday of the death of Mr. Ralph Mullen, who has been a patient in the V. G. Hospital in Halifax.

Mr. Edgar Leijnecks and son Peter and Mr. Wm. Murphy of New Glasgow are guests at the Goodwin Hotel while loading pulp on the M. V. Alabama.

The Rev. Canon Arnold of Halifax was speaker and celebrant at St. Thomas's Church on Sunday morning, and also at St. Matthew's. Canon Arnold gave a very inspiring missionary address, telling of the difficulties in other churches, especially in Hong Kong with its thousands of refugees.

The Kiwanis held their regular dinner at the Goodwin hotel on Monday evening. Movies were shown on Kiwanis activities and on the new mouth to mouth method of resuscitation. A directors meeting followed, and another "Winter Fun Day" at the Kiwanis Park was discussed and planned for as soon as weather permits.

Social Evening

A successful social evening was enjoyed by the members of the congregation of Heartz Memorial United Church on Friday, February 8. This was held in the Legion hall with approximately 45 in attendance. A "weighing in" ceremony at the door by Margaret Hankinson and Roger Hankinson proved mystifying until later in the evening, when partners for contests were arranged by weights.

A rousing sing song was conducted by Mr. Allan Irving accompanied by Mrs. R. K. Hill.

Different family groups conducted the entertainment and refreshments were served buffet style to round out an enjoyable evening.

The Messenger group and all children under twelve were entertained at a party in the afternoon when games were played and refreshments of pop and ice cream were distributed. This was under the direction of Mrs. F. I. Withers and Mrs. Philip Clement.

The committee in charge of both were Mrs. F. I. Withers, Mr. Allan Irvine, Mr. Donald Payson, Miss Margaret Hankinson, Miss Marina Hill and Mrs. Curtis Hankinson. The afternoon and evening proved so successful that another is

hoped for in the near future.

The Rev. Lorne Nethercott and Mr. Albert Jones attended a conference for the Church of Christ (Disciples), in Prince Edward Island, this week.

Word has been received, that the Rev. John Carr, a recent pastor of the Church of Christ (Disciples) in Weymouth is seriously ill at St. Thomas General Hospital, in Ontario.

Mrs. Melbourne Barr, Mr. Steven Ford and Mr. Fred Mullen, were called to Augusta Maine, last week by the death of Mrs. Barr's uncle.

Mr. Earle Ford has returned from the hospital, after receiving injury to his leg from a falling log at Lewis Lumber Company.

Mrs. Ray Young is a patient in Yarmouth Regional Hospital at time of writing.

Mr. Donald Titus of Halifax and Mr. Carl Titus of Digby were visitors of their mother Mrs. Kathleen Titus recently.

Mrs. Kathleen Titus was a visitor in Digby one day last week.

The M. V. "Alabama" is at present loading pulp wood in Weymouth. Her home port is Kristiansands Norway, but she came here directly from England. This is the first ship to come into Weymouth North in 1963, and is 315' 9" in length, with a tonnage of 1500. Her captain is Capt. Th. Toleassen.

Mrs. Edgar March has returned to her home, after spending several weeks in Ottawa and Montreal.

Mr. Ralph Doucet has returned home from Camp Hill Hospital where he has been a patient.

Mr. Gerry Nickerson left this week for Ontario, where he will seek employment.

Mr. David MacNeill, who is presently employed in Halifax, spent the weekend with his family here.

Mr. Arch Ruggles is visiting friends and relatives in Lockeport and vicinity.

Music Festival Entries Increase

this week by secretary Mrs. Dan Hankinson and her committee. The festival will be held this year in Digby on March 18th, 19th and 20th.

Beginning at 10 o'clock on Monday, following through

evenings to end with the Wednesday afternoon session. A concert will be held on Thursday evening at Digby Regional High School. The adjudicator again this year, is Mr. Leonard Mayoh of Acadia University, who has become

a familiar figure in connection with the Festivals. There are over two hundred entries this

year, which is an increase over last year. However there are fewer school entries

due it is felt to lack of music teachers in the schools. Year after year the demand has

been becoming greater for music in the schools and it is hoped that this next year more will be made possible.

Weymouth has had the opportunity to obtain a music teacher, it is under musical education it was stated. A few new groups have found

their place in the programme this year, including a Bach class and Sonatina class.

Also a sight reading class is included. It is hoped that in future festivals more will avail themselves of this latter

class, a festival spokesman

The Digby Minor Hockey League played a full schedule on Saturday last and all teams played in all leagues.

In the Paperweight 8 a.m. session, on the near ice surface, the Wolves edged the Blue Devils 1-0 on a single goal by R. McVeigh (H. Thomas, M. Baxter).

On the far ice surface, the Tartans shut out the Black Hawks with a 2-0 count. Tartans' goals were scored by G. Thuyher (R. Robinson) and A. Miller (R. Robinson).

At 8:35, in the Paperweight division, the Red Wings and Wolves fought it out to a 1-1 tie. Wolves' single was by R. Applejohn (A. Milbury) and the Red Wings lone goal was by D. Kinsman (unassisted).

On the near ice surface, at the same time, the Blue Devils drubbed the Maple Leafs with a 4-1 count. The Devils' scorers were: A. Winchester (L. Landers, W. Russell), A. Winchester (P. McIntyre), A. Winchester (P. McIntyre, G. Ayer) and G. Ayer (A. Winchester). Leafs' single was by R. McCarlie (B. Melanson, D. McInnis).

When the Pee Wee league played, the Canadians shut out the Knights by a 4-0 count. The Canadians' scorers were: G. Hewitt (M. Bailey), J. Van Tassel (J. Walker, G. Dunn), G. Hewitt (J. Walker, G. Stonehouse) and G. Hewitt (J. Walker, P. Hewitt).

In the other Pee Wee game, the Rangers shut out the Bruins 3-0. Rangers' goals were scored by B. Nickerson (J. Morgan), J. Marshall (R. Davis) and B. Nickerson (unassisted).

The Bantam league Warriors edged the Aces 3-2 in their game. Aces' goals were scored by L. Budd (B. Wright) and R. McPherson (unassisted). The Warriors' markers were by S. Marshall (B. Neville), W. Jeffrey (unassisted) and B. Neville (D. Turnbull).

In the other Bantam game the Millionaires shut out the Royals 4-0. The Mills' goals were scored by F. Jordan (S. Doucette), F. Jordan (S. Doucette), S. Doucette (R. Van Tassel, F. Jordan) and F. Jordan (S. Doucette).

The Midget league Maroons outscored the Flyers 7-2 in their game at 10:35. Maroons' scorers were D. Wood (P. Murley), D. Wood (P. Murley, G. Hodgson), B. Olsen (P. Murley, G. Hodgson), M. Surette (J. Ayer, D. Wood), P. Murley (J. Potter, D. Wood), D. Wood (G. Hodgson) and P. Murley (D. Wood).

Flyers' pair were by R. Wood (P. Woodman) and D. Doucette (M. Amero, R. Wood). In the final game of the morning the Trojans and Victorias fought to a 3-3 tie. Trojans' tallies were by P. Croft (D. VanTassel), L. Cowan (I. Anderson) and E. Melanson (I. Anderson).

The Victorias' goals were profitable and that the demand from good borrowers is many times the amount loaned to date.

Ask For Grants Increase

The Meteghan fire department will approach the Clare municipal council to increase yearly grants to the three fire departments in Clare. Present grants are too low to replace old equipment and the grants were originally given for this purpose it says.

The department is anxious to obtain a portable pump with accessories which can be transported by hand to the water side which would allow water to be made available at the fire site sooner than by using the trailer-type pump, which must be pushed over rough terrain before reaching the water supply in some areas.

The department emphasized that seconds saved meant a great deal at a fire and the portable pump would put a stream of water on any fire in less time than with any other method.

Fire Chief Edward Maillet reported that the fire department answered 38 calls during 1962. This consisted of 27 chimney fires, six house fires, four outside calls for assistance to other departments, and one call for a drowning at Meteghan Station last fall. Value of property losses due to fire was set at \$10,000.

Newly elected officers of the department were: Desire Comeau president; Dr. Robert Beliveau, vice-president; Benoit Robichaud, secretary; and Delbert Thibadeau, treasurer. Ambrose Comeau is fire captain and engineer of the department. The Meteghan fire department is a voluntary one, as are all departments in Clare.

Clare Has \$11,000 Surplus

The municipality of Clare has a surplus of revenue over expenditures in the amount of \$10,738 for the year ended December 31, 1962. After adding net adjustments of prior years, the balance of revenue fund surplus is \$11,167, stated Warden Emile Boudreau at the annual session of the council.

Unpaid taxes were \$64,414, a decrease of \$11,290 from the previous year. This represents 28.9% of the current levy as compared with 35.5% of the previous year. It was shown that tax collection for the current year amounted to 104.4% of the current levy compared with 91.6% for 1961.

Total revenue for the year was \$305,972 with taxation revenue increased by \$15,763 to \$223,111. Interest received on tax arrears was \$2,616 which was \$1,521 more than the previous year.

Capital expenditures of \$17,000 was made to the Municipal Home during the year to bring it up to standard of the department of welfare.

Industrial Estates Limited has been playing a key role in the rapidly expanding manufacturing complex of the Halifax-Dartmouth area. Industrial Estates Limited has aided in the establishment and expansion of eight secondary industries in the metropolitan area.

Hydro Troubled By Salt Spray

The operating revenue of the hydro electric system of the Municipality of Clare for the year ended December 31, was \$130,490 an increase of \$13,538 over 1961 and operating expenditures were \$119,119 an increase of \$14,678.

An excess of expenditure over revenue for the year was \$995 after providing \$3,549 for debt charges and \$4,874 for capital expenditure. Total capital expenditure for the year was \$23,552 which the amount of \$5,000 was provided by temporary bank borrowings. Non-operating revenue was \$1,058 and non-operating expenditures amounted to \$13,424.

The hydro report was presented to the Clare Municipal Council by manager Vincent F. Melanson who reported that the electrical system was in good condition and service has been rendered with the minimum of disruption.

Salt spray plays havoc with the electrical lines that are near the St. Mary's bay shore and some difficulty has been met due to the spray, especially at the New Edinburgh area where the hydro line is near the shore, it was reported.

Masons Hold Bonspiel

Rinks from Rothesay Lodge of Bridgetown won the O. V. Kennedy Trophy in the annual Masonic Bonspiel held in Digby last Wednesday. Eleven teams were entered in the bonspiel, representing masonic lodges in District number 3, Middleton to Weymouth.

Using a combined total score, the two Bridgetown teams, skipped by Charles LeBrun and O. V. Kennedy, won out in the day-long bonspiel. The visiting Masonic curlers were guests at a banquet following the bonspiel.

Among the speakers at the banquet was Lockhart B. Ferguson of Bridgetown, District Deputy Grand Master for District Number 3.

Pretty Girls In Maritimes

New York—A short film showing two pretty girls taking a train trip in the Maritimes is making a big hit with television viewers across the United States.

Aim of the film, entitled "Memo to Milady" is to give advice to ladies on what clothes to take with them when travelling and how to pack them correctly. It shows the girls selecting and packing their travel wardrobe at Montreal, boarding Canadian National's "Ocean Limited", and unpacking in a room at CN's Nova Scotian Hotel in Halifax.

The film is being distributed throughout the U. S. by Joe Fountain, CN's public relations officer in New York. He says already 23 TV stations in the States have asked for it.

Says Mr. Fountain: "This film brings home to the people of the U. S. the attractiveness of the Maritimes as a place for vacations, and shows the up-to-date travel and hotel facilities available."

Compares Knowledge And Wisdom

Grace United Church, Digby, on Sunday morning celebrated Church College Sunday by a special service, using the theme "The Church and Education."

Rev. R. H. Hughes said, the fear of God — that is wisdom and went on to expound on the difference in knowledge and wisdom. Knowledge, the speaker said, dwells in heads replete with facts of other minds; wisdom dwells in minds attentive to their own. A person with knowledge is humble that he knows no more. We might have scientific knowledge, historical knowledge and religious knowledge, Mr. Hughes continued, as stores of learning but little wisdom. Unless, he said, somehow with our increasing knowledge we can gain in wisdom, truth and love, we are lost.

Wisdom, he said, is the principle thing in the use of all knowledge whether in the education of child or adult. It must give moral judgment between values of good and evil, between right and wrong. Wisdom is moral insight, understanding love and reverence for God, Mr. Hughes continued, because reverence contains in it the ingredients of humbleness, insight and understanding.

Mr. Hughes said that knowledge of and scientific discoveries of the atomic bomb had not been concerned with whether the result was good or evil but today scientists are the most anxious group in the world.

In concluding, Mr. Hughes spoke on the pressure of education on the young people today and said that there are times when they must give up church organizations in order to get knowledge. His closing remark was "I say this in all kindness that it were better that a child fail examination than to lose contact with God."

Susan Barbara MacInnes, infant daughter of Mr. and Mrs. Clinton MacInnes, was baptized by Mr. Hughes during the church service.

H. & S. Holds Executive Meeting

The February Executive meeting of Smith's Cove Home and School Association was held at the home of Mrs. Frances Berry, Smith's Cove on Monday evening February 4th with 7 members present. Minutes of the December meeting were read by the secretary, Miss Marie Morehouse. It was reported that adult education classes were being started with French classes now in session. Plans were made for a Founder's Day program in February, plans are also in the final stages for a Valentine, Variety evening to be held at the school on February 15th with special guest singers.

At the close of the meeting refreshments were served by the hostess.

Some DON'TS About Your Home Wiring

DON'T put in a new fuse or reset the circuit breaker without first disconnecting lamps and appliances which were in use when the service went off. Otherwise, you may blow the new fuse, cause the circuit breaker to trip out immediately.

DON'T blame the manufacturer or the dealer if your iron, toaster, electric sauce pan, etc., seem to heat slowly. Have your wiring checked first.

DON'T change a fuse when your hands are wet or when you are standing on a damp floor, and don't poke your fingers into the opening.

DON'T use appliances, especially portable ones, anywhere in reach of the bathtub. This includes radios.

DON'T allow the installation of outdoor outlets, or outlets in areas where the floor may become wet (basement or garages), without a grounding connection. Be sure the appliances connected to them have a similar grounding wire in the cord.

DON'T try to plug all your kitchen appliances into a single outlet at one time. Spread them around among different outlets and different circuits if you can.

DON'T connect stationary motor operated appliances (washer, oil burner, freezer, etc.) to circuits which also serve lights. It causes lights to blink annoyingly.

Industrial Estates Limited was founded in 1957 as a non-profit organization designed to aid in assisting the development and expansion of secondary industry in Nova Scotia.

Bluenose Ferry Traffic Down

Traffic aboard Canadian National Railways' MV Bluenose was down slightly during the first month of 1963 as compared to figures for January of 1962.

CN reports that some 935 passengers used the Yarmouth to Bar Harbor ferry as compared to 998 a year ago. The number of automobile carried amounted to 234, a decrease of 37.

The number of trucks carried this year amounted to 159 as compared against 176. An increase was noted in the number of truck-trailers being carried: 127 carried this year, as against 113.

Enough Fuel For Winter

Boar's Head Light, on the remote Digby Neck, will remain burning this winter, thanks to a horse.

Lightkeeper Earl Leeman and his wife were about to abandon the station after the road leading to the Head became washed out by mountainous seas. Truck drivers refused to carry wood over the washed-out road, and the fuel supply was running low.

However, the dilemma was solved when wood was loaded on to a sleigh and hauled to the light by a horse belonging to Baden Outhouse. Because of the difficulty of the terrain two men driving the sleigh, assistant lightkeeper Murray Outhouse and Clark Stanton, managed to transport only two cords of wood to the light. Mr. Leeman says this will be sufficient to get him through the winter.

Cornwallis Tops In Fire Fighting

Two naval fire fighting units of the RCN Atlantic Command have won first place awards and four others "showed" in the 1962 fire prevention contest, according to word received from the National Fire Protection Association.

H.M.C.S. Cornwallis, R.C.N. training establishment on the shore of the Annapolis Basin, was first among medium sized National Defence Establishments. The Naval Air Facility Debert, N.S., was first among small establishments.

The Dockyard in Halifax placed second among large establishments and the R.C.N. Magazines, Bedford, N.S., was runner-up to Debert in the small establishments. The R.C.N. Ammunition Depot, Renous, N. B., was third in that category while the R.C.N. Air Station, Shearwater, N.S., was third in the large establishments.

The grand award, for which there were 92 entries from defence installations, went to the Dockyard at Esquimalt, B. C., which also topped the large establishments.

Pathfinder Credit Limited

An Important Factor in the Maritime Mortgage Field

In many countries including the United Kingdom and USA, first mortgages are commonly advanced up to 90% of appraisal value of real estate which compares with the 66% of appraisal value limit of most mortgage, loan, trust and insurance companies in Canada. This has left a large gap in the mortgage field which has been accentuated by the reluctance of many companies to accept mortgages on smaller homes in suburban areas and on homes in older areas of cities and towns.

To bridge this gap, Pathfinder Credit Limited was formed a year ago by a group of prominent and successful Nova Scotia business men. The Directors are Reginald D. Evans, President; Dr. H. Leslie Stewart, Vice-President; Harry M. Freeman, Manager; Avalon E. Johnson, all of Halifax; Kenneth L. Crowell, Bridgetown; and John E. Shafner, Port Williams.

These men and 12 other original shareholders have invested more than \$512,000 in preferred and common shares of Pathfinder Credit Limited which, together with a substantial line of credit from the company's bankers, has enabled Pathfinder Credit Limited to loan on good mortgages in the greater Halifax-Dartmouth area more than one million dollars in the first year of operation. Pathfinder Credit Limited grants mortgages up to 80% of conservative appraisal value.

Atlantic Securities Limited, who are heading a group of investment dealers offering \$750,000 Pathfinder Credit Limited 6 1/2% 12 year debentures with 25 common share purchase warrants bonusing each \$500 debenture, draw attention to the fact that Pathfinder did not seek public financing until it had demonstrated that the business is

IN OBSERVANCE OF

National Electrical Week

FEBRUARY 10-16

In tribute to Thomas A. Edison, whose family at one time were residents of Digby, and other pioneers whose inventive genius launched the electrical era three-quarters of a century ago.

Thomas A. Edison

Do You Remember When?

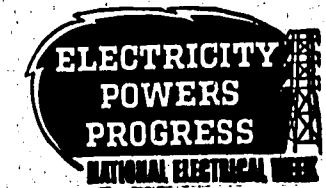

We used the frost laden pump in the back yard? Mother used the old scrub board and tub? We had lopsided cakes baked in the old wood stove? Grandma read the Bible with a magnifying glass by the flickering light of the smokey oil lamp? The laundry froze on the clothes line? The milk and butter were kept cool in the well? Fresh fruit and vegetables were hardly available in the winter, and meats spoiled in the heat of the summer?

Would You Like To Go Back?

Surely we would all like to go back to those horse and buggy days . . . but only to reminisce. There were many happy times and pleasant thoughts but gradually each phase of this past was improved by modern inventions and applied use of electrical energy. Electrical power has done more than any single development to improve our ways of living and complacency still has no place in electrical progress and engineers are still discovering and developing even greater things for us all.

Don't You Agree?

That National Electrical Week is therefore worthy of recognition? That National Electrical Week is a proper tribute to Thomas A. Edison who opened the doors to our modern electric living that we enjoy today? Then let us wholeheartedly salute the pioneers in electricity who have done much for humanity!

IN THE MUNICIPAL COUNCIL

ANNUAL MEETING — JANUARY 1963

The Annual Meeting of the Municipal Council for the Municipality of the District of Digby was held at the Court House, Digby, on Monday, January 28, 1963 at ten o'clock in the forenoon.

Present were Councillors Roy Snell, Walter Wood, Ronald Morehouse, Victor Finigan, M. W. Derby, Hubert Shortliffe, Clyde Cosman, Eugene Outhouse, Sidney Westcott, M. P. Gott, Aubrey Forrest and John Comeau.

Council was opened with prayer by Lieutenant Crews of the Salvation Army.

The Warden addressed the Council as follows:

Members of the Council and Friends:—

I would like first to extend greetings to you for the New Year 1963 as we assemble to transact the business of our Municipal Government.

The basic industry in this Municipality is fishing which has been a very successful year for the fish draggers. The fishermen are rapidly changing from the small type of draggers to the larger type. In fact several are being built this year for Digby Neck and Islands fishermen. The lobster fishermen had an average catch and a good price.

The farmers as you know had bad weather while harvesting their hay crop. Due to the rainy weather some of them lost more than half of their crop. Many farmers were forced to sell their cattle.

The lumbering industry is as good as last year.

In the field of education we have completed consolidation in Digby Municipality. We have as you know paid out of current revenue and surplus the Municipality share of Westport, Islands Consolidated School and addition to Weymouth. Our financial position for the year leaves us with a deficit of \$50,477.59, due to the fact we never budgeted for Islands School to be paid off this year. At a special session we voted to pay this out of current revenue, which I feel made the deficit. By doing this we have used the ratepayers' money to a good advantage. For them we saved money by paying off these school expenditures.

One other change in expenditures was health cost increase of \$11,132.24. This increase was due to mental patients which we could not have kept at the Municipal Home. There was also an increase in our Social Welfare cost, \$7,262.03.

I was pleased with the announcement that the Princess Helene which operates between Saint John, N. B., and Digby will be replaced by a modern and larger ship. This will help the tourist business and be beneficial to the economy of the area.

In closing I wish to take this opportunity of thanking our Municipal Clerk and Deputy together with all the members of our Council for their support and co-operation in carrying on of all Municipal business.

Respectfully submitted this 28th day of January, 1963.

On motion, Councillors Victor Finigan, Clyde Cosman, Roy Snell and M. W. Derby were appointed to the Nominating Committee. The Nominating Committee retired and later brought in their report which was as follows:—

Assessment — The Whole Council.

Finance and Public Accounts — Councillors Victor Finigan, Roy Snell, Clyde Cosman, Hubert Shortliffe, Eugene Outhouse, M. W. Derby.

STUDY ON ISLANDS OFF ASIA

The February meeting of the C.W.F. of the Westport Church of Christ met at the home of Mrs. George McDormand with president, Mrs. E. McDormand, presiding. Mrs. Harold Swift was pianist and Mrs. Burt led the devotional using scripture 1st. Thess 5:59; followed by circle of prayer.

Bible study with Mrs. Burt was on "Church Women and Missions", scripture Luke 8:421 Jesus telling the parable "Sowing the seed" some of which fell on good soil some among the thorns and some on shallow ground.

Mrs. Harold Swift - Mission study leader had prepared the lesson with Mrs. Albert Welch telling of the background of Okinawa - race of people of mixed Japanese, Chinese, the island being the largest of the chain of islands, climate similar to Florida and poverty and riches are there as in other places. Mrs. Swift gave the history of the island - Chinese first lived there, then Japanese moved in before World war II, during which almost every bit of the island was destroyed, and from the close of war until now the Americans are building up the island.

Mrs. E. McDormand gave the work of the Christianity of the island. The church world service and the M.C.M.S. help out a great deal. Some of the first churches on the island were Methodist. Japanese Christians brought their religion with them. Since 1950 the United Church of Japan and the U.C.M.S. helps through the United Church of Christ. This all was interesting and very informative to all present.

The group closed with the C.W.F. benediction with the invitation to meet in March with Mrs. A. Welch.

On Sunday February 10th, the Westport Church of Christ had two guest speakers. In the morning Rev. W. Weale spoke on the scripture, John 3:16, also played a trumpet solo "The Old Rugged Cross" and sang a solo "The Love of God". Mr. John Outhouse Tiverton led the devotional in the morning.

In the evening John Outhouse had charge of the service, scripture and prayer by Mrs. N. Burt, after which John sang a solo "When He Is at the Wheel". The topic of the evening was "Israel's rejection of God was justified". Mrs. Burt dismissed the meeting.

Following the service a short sing-song was enjoyed. Organist for the evening was Mrs. Harold Swift.

The Westport Baptist W.M.S. met at the home of Mrs. Harry McDormand for the February meeting with the president Mrs. Albert Moore presiding. The devotional and spiritual life was given by Miss Lulu Repool. The program was on home missions after which the offering was received.

Brotherhood held its semi monthly meeting in the United Baptist Church at Victoria Beach on Saturday evening a goodly number attended.

B.Y.F. and prayer meeting were held at the usual time on Wednesday evening.

Ladies Auxillary met as usual on Thursday evening in the school room. Mrs. Earl Ellis led the devotional. Mrs. Irvine Littlewood and Mrs. Vincent Taylor provided refreshments. Two quilts were completed.

Mr. Robert Foley, Kentville spent Sunday with his parents Mr. and Mrs. Douglas Foley.

Appointed President Dalhousie

Dr. Henry D. Hicks, a native of Bridgetown, who became premier of Nova Scotia at the age of 39, has been appointed president of Dalhousie University.

The appointment of Dr. Hicks, who has been vice-president of the university since 1960, was announced last week by Donald McInnes, Q.C. chairman of the university board of governors. He succeeds Dr. A. E. Kerr, who retires in August after 18 years as president.

Dr. Hicks is one of three Bridgetown students who have been named Rhodes Scholar. The now 47-year-old lawyer, who while at Oxford became coxswain of the Oxford boat crew and led them to victory over Cambridge, a win that helped him earn the distinction of becoming the only Canadian president of the university's boat club, also indulged in another sport while in England - mountain climbing.

Dr. Hicks was an honor student at Mount Allison University, attended Dalhousie before going to Oxford, and has received honorary degrees from Mount Allison, St. Anne's College, and the University of King's College. He became interested in politics while still in his teens and was campaigning at 18 when the 39-year-old Angus L. Macdonald became premier of Nova Scotia for the first time.

Dr. Hicks became premier of Nova Scotia in 1954, but became leader of the opposition when his government was defeated two years later in a provincial election. He became the province's first minister of education after the portfolio was created in 1949, and later served as provincial secretary.

Westport

Miss Charlene Swift and Mr. Winston McCullough were weekend guests of the former's parents, Mr. and Mrs. W. K. Swift.

Miss Carol Peters spent the weekend with her parents Mr. and Mrs. Eustace Peters. Visitors to Digby on Friday were Mr. Lou Bailey, Mr. Albert Bailey, Mr. Wilfred Swift, Mr. George Kenney and Mr. Edgar McDormand.

Mr. Ivan Thompson has returned home from D. G. Hospital.

A stork shower was held at the home of Mrs. Roland Swift, recently in honor of Mrs. Charles Glavin and Mrs. Clyde Titus. The evening was spent in playing cards and games. A delicious lunch was served to those present.

L.A.C. David Pugh, RCAF Summerside P.E.I. is visiting his parents Mr. and Mrs. L. V. Pugh.

Mr. George Garron is spending an indefinite time at his home here.

Mr. Ray Repool is visiting at Sandford with Mr. and Mrs. Max Smith. Mrs. Repool has been visiting at the same home for some time.

Mrs. Harry Titus underwent an operation at D. G. Hospital last week.

Option On Land For Campsite

The provincial government has taken an option on upwards of 200 acres of land for a campsite in Yarmouth County, it was announced following Cabinet meetings held in Yarmouth last week under the chairmanship of Premier Robert Stanfield.

Hon. G. A. Burridge, of Yarmouth, minister without portfolio, said he had been authorized to release the information that the long sought-after campsite would be located on the Moods Mill Road between Agar Lake and Ellenwood Lake. He said the location was about three-quarters of a mile from Braemar Lodge, and described the area as a beautiful point between the two lakes with a most suitable terrain.

The move for a campsite in Yarmouth County has been pressed for the past two years by the Yarmouth Board of Trade and the Town Council with Hon. Dr. Burridge, co-operating in his capacity as representative on the cabinet. Nothing definite has been decided as to when the project will be started.

The provincial cabinet met at the Yarmouth County Court House on Thursday morning and after dinner at the Yarmouth hospital and spent the afternoon visiting Yarmouth industries.

WEYMOUTH

An epidemic of mumps has hit the area, and although no cases seem to be too serious a great deal of school is being missed.

Inspector Edwards of Bridgetown was a visitor in town on Tuesday.

Mrs. Wm. Comeau is visiting her son in Prince Edward Island.

Dr. and Mrs. J. E. Comeau and son Gaston, was visiting Mr. Halifax this week.

Joggin Bridge

Mr. Robert Smith of Toronto was a recent visitor at the home of Robert Winchester and the Misses Winchester.

Mrs. Edw. Simpson and children of Digby spent Sunday with her parents, Mr. and Mrs. Earl Thomas.

Mrs. Chester Brinton was hostess to the Women's Missionary Society of the Smith's Cove Baptist Church on Thursday afternoon.

Donald Thomas visited his sister, Mrs. Edward Simpson in Digby on Friday.

We are glad to report Mrs. Marshall Turner is improving in health after a severe bout with virus pneumonia.

Of Industrial Estates Limited's many current industrial projects in Nova Scotia, the largest is the \$8,000,000 expansion program of Lunenburg Sea Products Limited, scheduled for completion in 1964. The new plant will contribute an estimated \$1,000,000 a year to the Lunenburg area's economy.

THURSDAY, FEBRUARY 14, 1963

Staff Officer Known At Smith's Cove

LT-Cmdr. Arthur A. Butchart, 43, of Vancouver, and Dartmouth, N. S., has taken up the appointment of Staff Officer (Administration) in HMCS Scotian, area naval division for the training of members of the RCNR.

The son of Mrs. A. E. Butchart, 3012 Moss St., Vancouver, he attended Burnaby South High School before joining the Navy in January, 1937, as a boy seaman. He is married to the former Anne MacGregor, of Smith's Cove, Digby Co., and they and their three daughters live at 104 Symond St., Dartmouth.

LT-Cdr. Butchart was commissioned in 1949 and served in the Korean war theatre on board the destroyer escort Neotoka in addition to shore and sea-going appointments on both coasts, the latest of which was on the staff of the Weapons Division of the Fleet School in the RCN Barracks at Halifax.

Herring Fishing Under Change

There is growing evidence that the herring fishery in this area is changing from the anchored gill nets and drift nets to a purse seine type of fishing. Although no accurate figures are available to prove this point, it is believed that over one-half of the herring landed in Yarmouth County during the past few years were from purse seining.

A total landing of about eight million pounds with a value of \$85,000 in 1962 was about 800,000 pounds more than the years previous, but does not represent a full picture. Seiners from this area were based at Meteghan during part of the summer and were operating off Cape St. Mary so that their catches are recorded at the point of origin.

By the same token Digby County figures show a landed value of over 42 million pounds, with a dollar value of over 600,000 dollars. However, much of the Digby County catch was taken by seiners from Grand Manan and other parts of New Brunswick and Maine.

The herring fishery is an important one in western Nova Scotia and plants located here keep busy processing during the summer season and employing hundreds of people. Many times they have to import herring from other countries and during the past year Shelburne County fishermen fared very well in this respect.

Herring are said to go in cycles and the one type of fishermen who has seen evidence of this is the gill net fisherman. For the past few years his catch was dwindled to almost nothing and as a fact several have gotten out of this type of fishing altogether. However, the night drifters who operate on Trinity Ledge have their good nights and have managed to stay in the business, although not too happy at times because of the presence of so many seiners.

Opens Campaign

The Cystic Fibrosis Society of Nova Scotia will seek public support in a province wide campaign from February 11 to February 22, it was announced recently by President Mr. James Surette.

The Society has set a goal of \$10,000 which will be used to provide children with the necessary therapy equipment for home treatment and to support the provincial clinic and research work now being carried on in the province.

Cystic fibrosis is a crippling disease which attacks young children. Thick gluey mucus plugs the lungs and other vital organs leaving the young victims struggling for breath and unable to digest the food necessary to sustain life.

Treatment of the disease is costly, placing a heavy drain on the family. The child must sleep in a mist tent operated by a compressor. Other treatment with a nebulizer operated by a compressor is used during waking hours, along with a constant round of antibiotics. The cost might be as high as \$1200 per child per year.

In the past five years great strides have been made to make the patient more comfortable and able to lead a fairly normal life. However, the fight goes on day after day both for the patient and the family.

Mr. Surette stated that the aims of the Society are to see that all children in Nova Scotia suffering from this disease will receive equipment for home therapy, to advise the population at large of the problem, which affects one child in every 1,000 born, and to encourage research into the causes of this mysterious ailment.

Hill Grove

Mr. Ralph Marshall of Marshalltown and Mr. Chester Keen of Halifax were visitors here on Saturday guests at the home of Mr. and Mrs. Arthur MacKay and Miss Sue Nichols.

Mr. Earle Forrest of Saint John was a recent visitor here guest of Mr. Scott Marshall at the home of his parents, Mr. and Mrs. Benjamin Marshall.

This community was shocked and saddened to learn of the passing of Mrs. Robert Roope which occurred at her home at Presque Isle Me. Sympathy is extended to Mr. Roope and the family in their great loss. Mrs. Roope who was a very talented lady was the guest speaker at a meeting of the Women's Missionary Aid Society, when she and Mr. Roope were visitors here last autumn.

Mr. H. M. Warne of Digby has a crew of men at work cutting timber and pulp wood at the Barnes lot so called near Haynes Lake. Mr. Charles Balser is in charge.

Mr. Allen Height of Lawrenceville is a guest at the home of Mr. and Mrs. Conrad Franklin for an indefinite period while starting out wood with the tractor.

The succession of stormy Sundays have cut church attendance to a minimum. Services were again cancelled for the Sunday afternoon services in the Baptist Church here.

Red Cross Area Meeting

The Digby Red Cross Branch entertained representatives of the Weymouth and Bear River branches, and also of the communities of Ross- way and Acadiaville, at a special area meeting held at the Court House on Monday evening of last week. Commissioner C. L. Hilsley of the Nova Scotia Red Cross Division was guest speaker, and also showed slides to illustrate various phases of the Red Cross program. This meeting, and one held at Bridgetown on the following evening, replaced the Red Cross regional meetings held for the past few years at Annapolis Royal by the branches from Weymouth to Middleton inclusive. It being felt that the two meetings would provide for a larger attendance of local members in each area.

Special topics of interest discussed at the meeting were the March campaign for funds and the defining of boundaries between the local branches. In reference to the funds required to carry on the work of the Canadian Red Cross Society, Mr. Hilsley stated that owing to rising costs our donations needed to be increased in proportion. An average of \$1.25 now being required per family to meet our objective.

"But the Red Cross has no membership fee", said Mr. Hilsley, "those without money are always welcome as workers". Although it takes over \$6 million annually to carry on the work of the Canadian Red Cross Society, this sum is largely returned to the people of Canada in services rendered, 35% being spent on the "free blood transfusion service alone and over 16% on Disaster and Welfare services to mention only two. The international Red Cross work is well known, yet our share requires only 10% of our Canadian Red Cross budget, and only 5% is required for all the salaries and upkeep of the Society, much of the Red Cross work being done by unpaid volunteers. Local chairmen have been appointed for the 1963 campaign. Mr. Alfred Grimmer again accepted the chairmanship for Digby town.

Following Mr. Hilsley's address, for which he was thanked by the president, Mrs. R. B. Lent, representatives of the three branches gathered around a map of the area for a study of the boundaries of each branch. This was necessitated by the need to deter-

mine branch responsibility in case of fire or disaster in the intervening areas, and further work will be done to clarify rural sections.

At the conclusion of the meeting a social hour was enjoyed while refreshments were served by Digby Branch members. Tea and coffee were poured by Mrs. T. W. Hodgson and Mrs. Orbin Vantassell.

Garden Club Picture Tour

A tour in pictures of many interesting countries of Europe was presented at the regular monthly meeting of the Admiral Digby Horticultural Society held Wednesday evening, February 6th, at the home of Miss Louise Daley, by Victor Cardoza, M.L.A.

Mr. Cardoza, who is a member of the select committee of the Nova Scotia Legislature on Labor Legislation, visited Europe late last fall with other members of the committee.

The purpose of the visit, as Mr. Cardoza explained to the meeting, was to study labour legislation, to meet with labour leaders and industrialists in the various European countries and to conduct an intensive study of labour-management relations in these countries.

At the beginning he explained that he could not give an account of the findings of the committee so far as the mission was concerned, until the report had been presented to the Legislature. He did say, however, that he found the people in all the countries that were visited to be most friendly and hospitable. He was impressed with the social welfare programs being carried out in a number of the countries and the pride that the people seemed to have in their country's history and development.

In a number of the countries visited, he said, there is a great emphasis on education. In Sweden, for instance, a student must have, at least, seven years of English before entering a university. Special interest is taken in arts, dancing and folk music. Also the preservation of the native skills and crafts of the various countries. Swedish furniture today is finding a market in all our large cities and this adds much to the revenue of the people, particularly from foreign visitors.

One of the things which impressed Mr. Cardoza was the great profusion of real flowers decorating hotel lounges, dining-rooms and lobbies, all these artistically arranged. Flowers in great urns by the door and in window boxes, and special mention was made of the beautiful array at the flower stalls in the markets. During his talk Mr. Cardoza related a number of amusing anecdotes about his trip in his own particular style. He gave considerable information concerning the history and use of the beautiful buildings shown on the slides. He explained, too, that his sight-seeing had to be done on weekends and between sessions of the committee meeting with representatives of the governments, industry and labor.

A vote of thanks was extended to Mr. Cardoza by Miss Marjorie Tupper, chairman of the entertainment committee, for the very interesting talk in which they were taken from city to city of that European tour.

Mrs. Cardoza very efficiently assisted with the many colourful slides Mr. Cardoza had brought back with him.

The social hour followed and Miss Daley was assisted in serving the refreshments by co-hostess Mrs. Eva Wendell and Mrs. R. Berwick.

Mr. Kenneth Beckwith, president of the Admiral Digby Horticultural Society, presided at the meeting.

The March meeting will be held at the Court House. The program will consist of movies on floral subjects, with Mr. Delbert Forrest as host.

President Kirkconnell Honoured

At the Royal York Hotel, Toronto, on the evening of February 1st Acadia President Watson Kirkconnell was honoured at the 1963 Hungarian Community Hall. At this event, under the honorary patronage of the Lieutenant-Governor, the Hon. J. Keiller MacKay, and Mrs. MacKay, the debutantes of the season are presented to the Queen's representative, and some prominent Canadian is given a citation as Guest of Honour.

This recognition, as the citation explained, was given because Dr. Kirkconnell's work on Hungarian poetry has been more extensive than that of any other scholar in the English-speaking world. Some eight of his many volumes, spread over the past 35 years, have been devoted, in whole or in part, to Hungarian literature at the universities of

Operation A Success

Five-year old Gregory Elliott, son of Mr. and Mrs. Melbourne Elliott, of Tiverton, underwent a delicate heart operation, Thursday, at the Hospital for Sick Children, Toronto. The two-hour operation, which included the stopping of the boy's heart for 45 minutes, was a success, said doctors.

While the boy's heart was not beating, circulation was maintained with an artificial heart-lung pump. Surgeons corrected two heart defects. A narrowed pulmonary valve obstructing blood flow from the heart to the lungs was cut

open, and a hole between the atria, the smaller heart chamber, was closed.

Gregory made the trip to Toronto with his mother through the help of a province-wide "Gregory Heart Fund" that raised \$1,115 towards the cost of the trip and the operation.

When Gregory's father heard the news that an operation would be performed on Thursday, he flew from Yarmouth to be with his wife at the hospital. Shown with Gregory (above) is his mother, Mrs. Melbourne Elliott.

Debrecen (Hungary) and Pittsburgh (U.S.A.), is an honorary member of two learned societies in Budapest, and was awarded in 1938 the Medal of Honour of the P.E.N. Club of Hungary as well as a Ph.D. degree from the Royal Hungarian University of Debrecen. Beyond this lie honorary degrees in four countries and membership in a score of

learned societies in nine countries. Three more large volumes are to be published in 1963-64.

Dr. Kirkconnell is well known in the Digby area not only because of his position at Acadia University but through his daughter, Mrs. Gordon Campbell, Weymouth, who had previously been on the Digby teaching staff.

Passes On Century Mark

Mrs. Seraphine Potter, of Clementsvalle and Deep Brook, passed away at Digby General Hospital on Saturday, February 16th, 1963, three weeks after a fall in which she had the misfortune to break her leg.

Mrs. Potter was born at Clementsvalle, Anna Co., in April, 1862, daughter of the late Edward and Mary Esthen (LeCain) Berry. She was one of 5 children.

Her husband, Edward Potter, predeceased her in 1937.

During the past 12 years she lived in her own apartment at Bay Crest, Deep Brook, doing her own housework and chores.

Despite her years she was an active person, alert in mind and body, often taking long walks to visit with friends and neighbours. She attended the Neighbourly Club, of which she was an active member, sewing patchwork and quilting.

She had many friends who looked forward to helping her celebrate her birthday anniversaries. Last April she was "At Home" at the Parish Hall, Deep Brook, celebrating her 100th birthday anniversary on Easter Sunday.

Surviving are 2 daughters, Mary (Mrs. Manning Potter), of Wilnot, Anna Co., Winifred (Mrs. Allan Purdy), Somerville, Mass.; and one son, Stewart, Clementsvalle, Anna Co. Seventeen grandchildren including Chester Potter, Robert Purdy of Deep Brook, Mrs. Chester Harris, Middleton, nieces and nephews in Nova Scotia and United States, also survive.

She was a member of the Clementsvalle United Church.

Funeral services were held from the Clementsvalle Baptist Church on Tuesday afternoon with Rev. Armsworthy officiating, assisted by Rev. D. McTavish, of Deep Brook. Favorite hymns of the deceased were rendered by the choir. Interment followed in Clementsvalle cemetery beside her husband. Underbearers were Messrs. Oron Potter, Denton Trimmer, Fred Potter and Norman Sanford.

Many beautiful floral tributes expressed the sympathy of relatives and friends.

CORRECTION

Included in last week's edition of The Digby Courier was a picture of Digby Regional High School curlers. The group recently entered in competition at Yarmouth and Sydney Mines for the Nova Scotia school-boy championship. Terry Carson was inadvertently listed as a spare, instead of first stone. Doug Miller, who was listed as first stone, was spare.

Fullerton Delegate To Conference

Plans have been made by the Nova Scotia Society for Education Through Art Provincial Executive to send a delegate to the Provincial Conference of the Canadian Conference on Children to be held in May at the University of Kings College. Mr. Fred Fullerton, Smith's Cove, President of the Society, has been selected as official delegate.

The executive meeting was held Saturday in the offices of the Nova Scotia Federation of Home and School Associations, Federal Building, Truro, and was attended by representatives from Halifax, Bridgewater, Smith's Cove and Eskasoni, Cape Breton. Reports of Regional Representatives Sister Remegius (Cape Breton area), Wilfred Higgins (Colchester, Cumberland, Pictou) and Past President, Douglas Reiley, Bridgewater, on workshops conducted in their respective areas demonstrated growth in the interest being shown in creative art activities for children.

Mr. Boyd B. Barteaux, Bridgewater, was appointed program chairman for the Annual Conference to be held at HMCS Cornwallis, Digby, in May.

At the request of the Canadian Cultural Information Centre, the Society is presently working on the Nova Scotia portion of a Canadian directory of people presently engaged in teaching art.

Members appointed to form a resolutions committee were: Professor A. S. Mowat, Halifax; Sister M. Remegius, Eskasoni, Cape Breton; Sister St. Angela, Antigonish; Professor John Reppeteaux, Halifax; Wilfred Higgins, Truro.

NDP Meet Friday

The New Democratic Party plans to hold a meeting in Middleton Friday night to name a party candidate for Digby-Annapolis-Kings in the April 8 federal election.

While no standard bearer has been definitely indicated, it is believed that the nomination will be offered to Murray A. Bent, well known Middleton insurance agent and former clergyman and school teacher. Mr. Bent was that party's candidate in the election last June, placing third in a four-party contest.

While not seeking the nomination, he said that he would be willing to run if he was the party choice.

Spring Comes Soon

If the sight of robins is an indication that Spring will soon be here then Spring comes soon to Digby. John Miller not only spied a butterfly last week but he also saw a robin in the vicinity.

However, a South Ender has reported seeing two robins but declares they have stayed in the area all of the present winter and during the winter of 1961-62 also.

VON Bonspiel

The fourth annual V.O.N. Mixed Bonspiel was held on February 15th and 16th at the Digby Curling Club under the auspices of the Curling Club and the local Branch of the Victorian Order of Nurses. The day and one-half affair to choose the winner of the Lynch Trophy closed Saturday night with the winning rink again skipped by Kelsey Raymond of Smith's Cove.

The winning rink with five straight wins on Saturday was composed of: Skip, Kelsey Raymond; Mate, Kiki Nicols; Second Stone, John R. Nicols; Lead Stone, Mary Lou Raymond. The Raymond rink winners of the 1962 Bonspiel won the championship Saturday night by a score of 6-5 over a rink composed of: Skip, Garnet Neville; Mate, Joyce Neville; Second Stone, Ed Twigg; Lead Stone, June Twigg.

In the consolation match the team skipped by Jim Ayer; Mate, Ellen Ayer; Second Stone, Clint MacInnis and Lead Stone Ina Dillon eliminated their play with a 7-5 win over a team skipped by Hymie Webber; Mate, Fern Webber; Second Stone, Jean Raymond and Lead Stone, DeMille Raymond.

At the conclusion of the fund-raising Bonspiel, Mr. James Ayer, Chairman of the V.O.N. Bonspiel Committee presented the skip of the winning team, Kelsey Raymond with the Lynch Trophy, and each male member of the winning and runner-up teams with engraved ash trays and the women members with sterling silver curling pins. These prizes were purchased by the Chairman of the Committee through the kind co-operation of Wallis Print Limited and the Digby County Power Board. The runner-up prizes were donated by MacDonald Motors (Digby) Limited.

The winners of the consolation play received trophies presented for the fourth time through the kind co-operation of Smith's Drug Store Limited and the kindness of Sydney Smith and Robert Bearne.

During the day the local V.O.N. Nurse, Miss Shirley Grant, assisted the members of the committee in the sale of fish chowder and sandwiches prepared with the assistance of Robert and DeMille Raymond, and the ingredients of which were donated by the kind co-operation of Keith O. Raymond, Shortliffe's Limited, Pyne's Market, Digby Dairy Limited and the individual members of the V.O.N. Board.

The Lynch Trophy, emblematic of mixed curling supremacy in this area, was presented by the members of the family of the late Mrs. T.E.G. Lynch who was a charter member and long active in the local Order of the Victorian Order of Nurses. The trophy has been put up for annual competition and each year the

Youth Joins In World Day Of Prayer

Youth organizations will join in the World Day of Prayer in Digby, it was learned from Mrs. Hugh Vincent, president of the Baptist WMS, CGIT, BYF, Young Peoples', Scouts, Cubs, Guides, Brownies and other organizations of the Protestant churches of the town will meet at Grace United Church at 7 o'clock on Friday evening, March 1. Parents are also invited to attend.

The youth groups meet on the same day that the senior women's organizations meet for World Day of Prayer in the afternoon at 3:30 o'clock in Grace United Church. Speaker will be Mrs. J. M. Wallis, who will also address the women's group at Sandy Cove in the evening.

The World Day of Prayer service, which is held each year on the first Friday in Lent, has for 1963 the theme, "More Than Conquerors". The program was prepared by Mrs. David Chung and a committee of women in Korea and adapted for use in all countries observing the World Day of Prayer. Mrs. Chung lived in Canada for a year on a scholarship for "Observation and Study of Women's Work in the United Church of Canada." She and her husband later went to Yale University in the United States.

Part of the offering from the World Day of Prayer is used in this country to assist with the financing of Christian (non-English) magazines, with projects of the Canadian Council of Churches, the Canadian Bible Society, and several other co-operative Church agencies. Help with literature in Braille is provided through the Canadian National Institute for the Blind and the John Milton Society. In at least 15 other countries, the funds aid Christian literature production and distribution, at levels from that required by newly-literate adults to university graduates. Through the World Council of Churches assistance is given to refugee work.

In many parts of the world's hard-pressed areas, Canadian women thus take a larger share in work for peace through their participation in this world-wide observance on the first Friday in Lent.

interest in this Bonspiel has grown.

The twenty team entry was a slight decrease over last year when several family teams were entered. Two mixed teams from the Digby High School aided in the success of the Bonspiel. Net receipts amounted to approximately \$170.00.

Jack Nichols Re-elected

Jack Nichols, re-elected president of the Digby East Fish and Game Association, and a governor of the Nova Scotia Fish and Game Association, stated in an address to the Digby East organization that the provincial body cannot lose members at its present rate and still expect to act as the representatives of Nova Scotia's sportsmen in making presentations to government.

Mr. Nichols said the provincial organization in 1953 had a total of 9,225 members in its affiliate organizations across the province. This figure has steadily declined, he stated, until in 1962 the total was only 3,199. It was his opinion that decline in membership had resulted from failure of the provincial organization to modernize its constitution and by-laws to fit today's needs.

He stated he felt, following a meeting of the provincial executive, that definite action would be taken concerning the constitution and by-laws this year. If this is done, he said, and a real membership campaign carried out in every part of the province, the Association could restore itself to the place where it could properly claim to represent the sportsmen of the province.

He stated he was in agreement with a statement made at the annual meeting by the president of the Lunenburg Fish and Game Association advocating a course in conservation of wild life resources in the schools of the province. Such a course, Mr. Nichols said, would set the stage for a proper attitude toward conservation on the part of the youth of the province. Many adult members of fish and game associations need to re-assess their own attitude toward wild life conservation, he said, and much could be done by the provincial body and local associations sponsoring study programs on this subject.

New officers elected, besides Mr. Nichols, include James Dunn, 1st. vice president; Charles Hall, 2nd vice president; Victor Cardozo, secretary and Aubrey Adams, treasurer.

Directors elected at the meeting were Boyd P. Milberry, E. B. Richardson, Charles Hall, Aubrey Adams, Ross Mullen, C. B. Murley, Dick Turnbull, Dr. P. C. Outhouse, Everett Trefrey, Jack Nichols, James Dunn, Fred Amero, Randall Barr Tom Cleveland, John Tibault and Henry Lewis.

RECORD CATFISH

Fishery Officer Doug McClafferty reported the landing of a 76-pound catfish by the Wanda Elaine II, captained by Llewellyn Theriault. This is considered somewhat of a record for Digby. When processed the big fish yielded 36 pounds of fillets.

Wins Grand Prize M. H. Poster

Wayne Buckley, student at the Saulnierville Consolidated School, won the grand prize in a poster contest sponsored recently by the Digby County Mental Health Association. The poster was most descriptive of mental health disturbances depicting a depressed, dejected and lonely boy sitting on the steps of a dark building waiting to be helped from his troubles.

Presentation of prizes took place at a special meeting of the Digby County Mental Health Association at Meteghan River school on Tuesday evening. Warden Emile Boudreau made the presentations.

Besides the trophy received by Wayne, the Saulnierville School was also presented with a large trophy which they will hold until another M. H. poster contest winner is chosen in a future year. The trophy was accepted on behalf of the school by the school principal, Rev. Mere. St. Antoine de Jesus.

Other prize winners, according to grades, were XII, Carolyn Dakin, X, Russell Walker, VII, Carol Kaye, all of Digby Regional High School; XI, Germaine Comeau, IX, Albert Dugas, VIII, Jimmy Smith, Clare District High School; VI, Carol Ann Flynn, V, Irene Robichaud, Meteghan Centre School; IV, Fernand Thibault, Church Point School; III, Danny LeBlanc, Concession School; II, Faye Gidney, I, Dorothy Lombard, Digby Neck Consolidated School; Richard Saulnier, auxiliary class, Saulnierville Consolidated School.

The best poster from schools were won in Digby Regional High School by Miss Margaret Black; Digby Elementary, Evelyn Amery; Digby Junior School, Brenda Dunn; Digby Neck Consolidated School, Cheryl Gimball; Comeauville School, Enos Lombard; Clare District High School, Anna Thibodeau; Barton-Brighton, Carol Height; Concession, Colleen LeBlanc; Meteghan Centre, Elaine Saulnier; Church Point School, Kenneth Comeau; Saulnierville Consolidated School, Judy Bourgeois, and Meteghan, Elaine Saulnier.

Hubert Deveau, Digby, president, who presided over the meeting, said the contest was held for Mental Health educational purposes and that literature had been available to assist. Twelve schools had participated and it was hoped that the project would become a yearly event.

In reviewing the Digby County Mental Health projects for the year Mr. Deveau expressed appreciation for a grant from the Municipality of Clare; the birthday gift project for the Nova Scotia Hospital patients carried on by the St. Mary's Chapter, O.E.S., Digby and said that Information Kits on careers in Mental Health had been distributed for use in high schools.

Mr. Deveau invited any from the audience to attend a meeting of the D.C.M.H.A. next week in order to plan for the annual meeting of the association. He said the association needed people who understand and want to help human beings with their energy, compassion and sympathy. There are, he said, 1,800,000 mentally disturbed persons in Canada. Mental illness disturbs one out of every 10. Great achievements have been made, he said, but there is always a lack of funds.

Mr. R. A. Armstrong, secretary, gave a detailed account of the recent canvass for funds for the D.C.M.H.A. which realized \$1,673.66. The objective had been set for \$2,000.00. Addresses were given by Dr. R. A. Armstrong, psychiatrist at the Psychiatric Clinic, Digby, and Rev. Father H. Melanson, assistant parish priest at Meteghan.

Mr. Deveau thanked the Clare District Home & School, the school authorities and Stanley d'Entremont, principal of the school, and the teachers, for organizing the poster display and providing the facilities for the evening. Refreshments were served at the close of the meeting.

Recently Married

Shown above are Mr. and Mrs. Thomas J. Greene who were recently married in Toronto. The bride is the former Georgina May Hyde, youngest daughter of Mrs. Marie Hyde, of Toronto, formerly of Digby, N. S. Mr. Greene is the only son of Mr. and Mrs. Harold Greene, Toronto.

Nomination Day Set

According to all indications John F. Shaffner well-known Annapolis Valley fruit and vegetable manufacturer, of Port Williams, and the Hon. George C. Nowlan, Minister of Finance, will be opposing candidates in the April 8th federal election.

Mr. Shaffner has consented to allow his name to be placed before the nominating convention of the Liberal party to be held in Middleton Regional High School, February 23rd.

Mr. Nowlan is expected to arrive in the constituency next week and the Progressive Conservatives have stated that the nominating convention will be held at Bridgetown High School at a date to be set. Mr. Nowlan has again consented to have his name placed before the convention.

Valentine Party Successful

Fourteen tables of bridge, forty-fives, cribbage and canasta were in play at a special Valentine Card Party and Penny Sale held February 14 in St. Patrick's Hall. The hall was prettily decorated with arrangements of cupids and red hearts.

The door prize was won by Mrs. Shirley Coles; a box of chocolates by Mrs. Penny Gotti; and a special Valentine cake by E. J. Theriault.

Other prize winners were as follows: Canasta, Mrs. Reg. Turnbull and Mrs. Gerry Connolly; Forty-fives, Mrs. Doris Height, Miss Gloria Doucette, Joseph Martin and Leroy Wagner; Bridge, Mrs. H. J. Melanson and Father Gaudet; Cribbage, Gordon Cowan and Mrs. O. Wheatley.

Proceeds of \$115.55 go to St. Patrick's Convent.

Premier Sends Greetings

Mr. and Mrs. Frank Hazelton, who celebrated their 50th wedding anniversary before the New Year, advised the Courier that they had received a message from Premier R. Stanfield. It read: "May I tender to you on behalf of the government of Nova Scotia, heartfelt congratulations on your 50th wedding anniversary and wish that you may both enjoy further anniversaries in good health and happiness."

The message bore the Nova Scotia Coat of Arms, the seal of the Department of Provincial Secretary, and was signed Dec. 4/62 by the Provincial Secretary, W. Kennedy Jones. Mrs. Beatrice Erb also writes the Courier that she received a message of sympathy on her father's death from Hon. George Nowlan. Mrs. Erb says, "I think this was very thoughtful and kind of such a busy man as he must be."

Attending Legislature

V. G. Cardozo

V. G. Cardozo, M.L.A., is in Halifax attending the third session of Nova Scotia's 47th Legislature which opened with the usual display and ceremony yesterday afternoon.

Yesterday's opening will probably be the last formal appearance for Lieutenant-Governor E. C. Plow, whose retirement becomes effective on February 28. The Lieutenant-Governor and Mrs. Plow (the former Miss Mary Lynch, of Digby) have a summer home at Smith's Cove.

A vacancy exists in the Nova Scotia government since Hanson Dowell, the P.C. member for Annapolis East, was sworn in last week as county court judge for Annapolis and Digby.

Addition To Fleet

Another fish dragger has been added to the growing fishing fleet in the District of Clare.

Launched from the ship-building yard of A. F. Theriault & Son Ltd., Meteghan River, this week, was the new Lady Francine, Limited, of Saulnierville. Christening the new craft as she slid down the ways was Miss Francine Comeau, 10-year-old daughter of Dr. and Mrs. Julius Comeau, Meteghan, co-owner of the new dragger.

The new vessel is 97 feet in length with a width of 24 feet and a depth of 12 feet. She is powered with a V-8 Caterpillar diesel rated at 510 continuous brake H.P. She is also equipped with all modern electronic equipment for easier navigation.

This new addition will be made ready and complete for dragging at Meteghan River, with the trial and acceptance by the owners to be conducted at an early date.

The Lady Francine will be skippered by Captain Wallace d'Entremont, West Pubnico.

93 YEARS

Byron Clifford celebrated his 93rd birthday on February 3. His daughter, Mrs. Kemp Tidd, lives at Whale Cove, Digby Neck.

Gordon Ellis is in Halifax attending a B. A. Dealer's Convention.

Baptist Auxillary will meet at the home of Mrs. Bruce Baxter on Tuesday evening.

About This and That Neighbourly News

Don't mistake us, we feel that it pays to advertise and we further feel that, despite what anyone else might want to tell you, that advertising money cannot be spent through a more rewarding medium than the weekly newspaper. Don't take our word for it if you don't want to. Figure it out for yourself in comparative costs and the fact that a weekly newspaper can be kept around the home for reference and to be read over and over again.

Despite this fact (really not prejudiced) we must admit there are other advertising media. Even weekly newspapers more or less advertise on radio. There is the program Neighbourly News heard on Sunday mornings. How remiss we have been in not advertising that radio program more than we have in our columns. Yes, the program was inaugurated quite some years ago specifically to bring weekly newspapers to the attention of the public, yet we can't remember when we at The Digby Courier last inserted an advertisement (or even that so popular free publicity) to boost our own weekly paper or weekly papers in general so far as the Neighbourly News program is concerned. So right here we begin —

"Send to your weekly newspaper any items of interest, anything unusual, anything fascinating, out-of-season vegetation, wildlife stories of interest, any worthwhile interest stories, over 90 birthdays, fifty and over wedding anniversaries and many other items that make copy for the Neighbourly News program."

As we stated above, the Neighbourly News program is a program to boost weekly newspapers. Unless we have the news for our good commentator, Jack Brayley, to broadcast in the name of the weekly newspaper, we are missing the real purpose for which the program was designed. Jack is not looking for the 'who visited next door' type of news, nor, actually, is he looking for the ordinary thing, although your weekly newspaper wants that too. Jack is looking for the unusual happening and we are sure many of these from around the farm, the shore or in town go unpublished. Let us hear about them through the weekly newspaper from which Jack Brayley quotes on Sunday morning. Jack has fifteen minutes to fill with interesting copy from the weekly papers in the Maritimes. Let's see that he has enough to fill the fifteen minutes and fill it with copy from the weekly newspapers.

Brotherhood Week

The theme for Brotherhood Week, February 17 to 24, is "That people shall live as one family of man." The week is sponsored by The Canadian Council of Christians and Jews, Inc., an educational civic organization of religiously motivated men and women. The Council seeks Brotherhood of Man based on the Fatherhood of God and believes that brotherhood is giving to others the same dignity and rights one claims for himself. It holds that the real strength of Canada lies in our freedom to be different and our desire to be united in such things as are common to all Canadians. The week is designed to promote justice, amity, understanding and cooperation among the social, religious and ethnic groups of our country and to eliminate prejudices.

Probably the most significant word in that last sentence is understanding. Sometimes people in a family unit fail to understand each other and discord will mar the family happiness, but in general families live happily together. They live happily together because they are so near to the individual problems, they see what the burdens and difficulties are which cause a member of the family to be different or out of sorts on occasions. They understand the problem and that understanding deepens respect and affection rather than strains relationship.

The theme "That people shall live as one family of man" is a timely one and striving for understanding as in families should be a responsibility of each person. It is a good thing to be tolerant but it is better when that tolerance stems from understanding and is sympathetic. As families live in harmony only as each member is understanding and sympathetic, so do people of one country or of different countries live more harmoniously if they make an effort at understanding. The same can be said of the family of different races where nothing but the color of skin distinguishes brother from brother. Understanding, too, is the keynote in the harmonious family of religions where each member of the family worships God but each in his own way.

Understanding breeds respect and something more than mere tolerance. It breeds tolerance with love and sympathy. Brotherhood Week is a good time to start trying to understand if we haven't tried it before, so "That people shall live as one family of man."

Why Didn't We Plant Cabbage?

Had we only known that cabbages were going to bring such a high price this winter, we might have gone into the cabbage growing business.

A nice good sized cabbage to feed a fair sized family with a corned beef and cabbage dinner cost only \$1.10. About three weeks ago the same cabbage would have cost less than thirty cents, to say nothing of what one might have expected to pay ten years ago. Oh, well, cabbages need sun, they tell us, and 1962 didn't offer much of that commodity for cabbage raising. Maybe we'll stick to the printing and advertising field — 1963 might be a better season for cabbages and the price will be lower.

It was a bad year for hay, too. If you notice in the news, farmers are getting assistance in freight rates for importing this product to the Maritimes. What confuses us is that a man living around Amherst told us he advertised 15 tons of good baled hay this winter and couldn't get a buyer. We'll have to suggest he try the Digby Courier columns.

Our Apologies To Terry & Doug

No matter which way we tried to avoid a mistake made in another paper, we seemed to come up every time with the same mistake in The Digby Courier. It happened each time we used the High School Curling Club. Every time we followed the name of Terry Carson with spare and Doug Miller with 1st stone. The reverse should have been printed. We know both boys would rather have seen their titles correct. Our apologies to each.

in
"THE BAND TOURS
THE MARITIMES"
(Taken from the RCMP Quarterly Magazine by Sgt J. C. Cook)

RCMP band tour of the Maritime provinces was a washout compared to the sunny skies we enjoyed during our western jaunt of the year before. There was, however, one point of similarity — and that was the warmth and enthusiasm of the large crowds that turned out wherever the band played.

Long before the eastern tour began, the band spent many gruelling hours in preparation. Music, covering three varied programs, had to be carefully chosen — and the final selections included "The Andante and March" from Tchaikovsky's "La Gazza Ladia" by Rossini, Medleys from the famous Broadway musicals "Floraella", "The Sound of Music" and "Camelot"; march melodies, instrumental solos including a trombone solo, and appropriate vocal arrangements for the band chorus.

Finally the rehearsals were over and the band, with its 36 members, set off on July 8 on its 32-day, 47-engagement, 4,000-mile Maritimes tour.

At Quebec City that evening we gave our first concert. As darkness fell it began to rain. Midway through the programme it poured down in torrents, sending bandmen and audience scurrying for shelter. The next day we pushed further eastward and the rain continued, making it impossible to hold outdoor engagements.

All of us were disappointed in the weather as for some of us this was our first visit to the Maritimes. However, in spite of dreary skies, we were greatly impressed with the beauty of the provinces and

the warm welcome extended by the inhabitants. To me, the most beautiful sight was the approach to Prince Edward Island on the Tormentine-Borden ferry. I found it a painter's dream — the bright sunshine on warm, red soil ... freshly painted homes dotting the lush green meadows.

In all, we spent four days on Prince Edward Island and played seven band concerts. On opening night in Victoria Park, Charlottetown, the band — introduced by Insp. A. S. McNeil, Officer Commanding "L" Division; the Deputy Mayor of the city, and McQuade, Attorney General of the province — played to a crowd estimated at over 1,100, the largest turnout ever recorded at a local band performance, so reported P.E.I. officials.

Although the park engagement was a particularly pleasant affair, we did not relish the marching ceremony on Richmond Street the following morning nor the concert at Souris, later in the day, because of the overcast skies and the cold, biting winds.

In Souris, the band performed from a platform built on an open ball field near the ocean. Although fiercely cold, the audience took little notice of it. I did, however, see one lightly clad fisherman, in the front row, push down his sleeves from time to time as the temperature moved slowly downward.

In Charlottetown, Mayor Gaudet and members of the Council entertained the band at a luncheon. Speaking briefly on the history of the city and the Island, the Mayor said that agriculture and fishing were the main industries; however he hoped that in time the tourist trade would out-grow the others.

The leg of the journey took us to Digby, N. S. We arrived on Saturday, July 28, a perfect day for the marching ceremony. The warm sunshine and gentle ocean breeze were a delightful treat especially after suffering through a cold evening in Yarmouth, where the temperature dropped to 40 degrees.

In Digby, we took time out

to do a little exploring. We paid a visit to the fish plants and docks; tasted a weed of kelp, the plant of the sea, and dug up a bucket of clams. We wound up our tour with a tasty lunch served in an attractive restaurant, overlooking the ocean.

Each day the band played at one or more centres — and in all gave a total of 37 concerts in Nova Scotia and New Brunswick. As expected, some of the bandmen, born and raised in the Maritimes, had the opportunity of visiting their families as well as performing in their home towns.

In Sydney, we had the good fortune of performing in the new Wentworth Bandshell. This is a picturesque site with a well-maintained park and pond, complete with ducks and water lilies. Here, over 3,000 people gave us an enthusiastic welcome and the CBC carried the first hour of the programme over the network.

Time was now running out. And after four weeks of rain, cool weather and fleeting glimpses of the sun, we were anxious to push homeward, toward our final concert at Levis, Que., on August 8.

Although the weather for this last appearance had favored us, the pranksters in Levis were not so cooperative; as during our marching ceremony darkness closed in, and we were left to grope our way as someone had carted off our marker guides.

The following day we returned to Ottawa and immediately made plans for a well-earned vacation.

Digby Downed 20-5

On Monday evening Bridgetown Hawks banged five goals into Digby net in the first period, but watched their lead shrink to two as the Ravens fought back gamely, countering three times.

From there on however, it was Bridgetown's game. Riddling the Digby defence, the Hawks scored six times in the second and nine in the third. The final count was a lop-sided 20-5. The game was played in Bridgetown.

Hawk forward Landy played outstanding hockey, adding to his points total with four goals and two assists. Burgoyne of the Ravens was high scorer for Digby with

two goals and one assist. In another game St. Anne's College and Digby battled to a 6-6 tie in Digby. Jean Bol-

vin paced the collegians with a hat trick while Jean Valley, Lemieux and Morin shot singles. For the Ravens Paul

Wilhelm scored a brace and singles went to Phil Belliveau, Fraser Handspiker and Murray Burgoyne.

Long Distance gets things off your desk and off your mind. Words do more when they're spoken.

Marriage

Parker — Mullen
The marriage of Norman Parker, son of Mr. and Mrs. Frank Parker, Bear River, and Miss Marjorie Mullen of Weymouth, took place on Friday afternoon at the United Church Parsonage.

The ceremony was performed by Rev. Elmer Asaph. Miss Marilyn Henshaw of Bear River and Donald Beattie of Annapolis Royal were the attendants. Mr. Parker is with the N. S. Dept. of Lands and Forests at Shelburne, N.S.

Amon — Raymond
A quiet wedding was solemnized at the Roman Catholic Church in Digby on Saturday morning, February 9th when Rev. Father Stokes united in marriage, Sharon Diane, daughter of Mr. and Mrs. Nelson Raymond of Rossport with Robert Joseph, son of Mr. and Mrs. Joseph Amon of Brighton. Attending the couple were Mr. Amon's aunt and uncle, Mr. and Mrs. Herbert Robicheau of Barton.

In the evening a reception was tendered the young couple at the home of the bride's parents where fifty invited guests assembled to congratulate the bride and groom and wish them well.

Those assisting in serving the refreshments at the close of the evening were Mrs. William Knox sister of the bride, Mrs. Raymond-Thibault, aunt of the bride and Mrs. Chester Haight, cousin of the bride's mother.

Lalonde — Wade

A pretty wedding was solemnized on February 2nd at H.M.C.S. Stadacona, when Diane Louise, eldest daughter of Mr. and Mrs. Roy Wade of Bear River was united in marriage to Roger Albert Lalonde, son of Mr. and Mrs. Clifford Lalonde of Parry Sound, Ont. Rev. James MacLean performed the double ring ceremony.

The bride entered the church on the arm of her father by whom she was given in marriage. She wore a floor length gown of white nylon tulle with a scalloped neckline and long sleeves, trimmed with lace and sequins. Her head dress was a tulle trimmed with rhinestones and a shoulder length veil. She carried a bouquet of red roses entwined with lilies of the valley. Miss Maureen McCormick of Bear River was bridesmaid. She wore a blue nylon dress with matching accessories. She carried a nosegay of white and yellow mums and red roses.

The groom was attended by Garth Jackson of Halifax. Following the wedding, a reception for 50 guests was held at the new home of the happy couple. Assisting in serving were Mrs. Everett McCormack, Frances MacKenzie and Joan Fenerty. Mrs. Marilyn Jackson, Halifax, was in charge of the guest book. The toast to the bride was given by Rev. MacLean, responded to by the groom.

The bride, a graduate of St. Patrick's Business College, Digby, is employed at H.M.C. Dockyard, Halifax. The groom is a member of the Royal Canadian Navy and is stationed at H.M.C.S. Stadacona.

Confidence

Shown In Diefenbaker

A unanimous vote of confidence in Prime Minister Diefenbaker was passed amid rousing cheers and applause as the executive of the Nova Scotia Progressive Conservative Association wound up a federal campaign meeting in Halifax Saturday.

Almost 100 per cent attendance — some 15 delegates from all parts of the province — reported constituency by constituency that they repledged their loyalty and support to Mr. Diefenbaker who, in the words of the resolution, "did more for Nova Scotia and the Maritimes in five years than any previous prime minister had done in 20 years."

Premier Stanfield, who received a standing ovation as he proceeded to the speakers' platform, said "If for nothing else we would support the Prime Minister on one issue alone, and that is for the wonderful cooperation and assistance he has given the government and people of Nova Scotia."

Finance and Economics Minister G. I. Smith said the real election issue was not nuclear arms "but the obsession of the Liberals to force another general election. And to bring this about the Liberals supported a Social Credit motion."

"Last June," he said, "the Grits tried to convince the people that the country was going to the dogs — they predicted every kind of ruin — but this past year has been one of the most prosperous on record. The Liberals will have to explain this inconsistency to the people of Canada."

"Who says John Diefenbaker is unpopular," he continued.

"First, the Liberals who were clobbered so badly in 1958 that they are just now trying to pull themselves together again."

"Second, there are those in the Mother Country who resent John Diefenbaker because he spoke up for Canada during the Prime Ministers' Conference. He spoke in support of Canadian interests, and if he had not done so, the Liberals would have been the first to criticize him for that."

Third, the Toronto newspapers, because Mr. Diefenbaker has been doing more for other parts of Canada than any previous government in history."

"And fourth, all those the Prime Minister refused to bow to their requests."

Other speakers in turn voiced the words of Attorney General R. A. Donahoe who said that "Nova Scotia, has never seen the equal of Mr. Diefenbaker and what he has been able to accomplish for this province."

"Even that great premier, Angus L. Macdonald, was turned away by a Liberal government in Ottawa when he asked for assistance similar to that granted by Mr. Diefenbaker," he said.

Chairman for the meeting was E. Finlay MacDonald, president of the Nova Scotia Progressive Conservative Association.

Sharing Freight Costs On Hay

The federal and provincial governments and Canadian railways will share the costs of rail freight on hay imported to the province in excess of the first \$400 per ton, Hon. E. D. Halliburton, Minister of Agriculture and Marketing announced in Halifax today.

The cost sharing subsidy is the direct result of serious crop failures experienced by Nova Scotia farmers in 1962 who were hard hit by an unusually wet harvesting season. This has affected the dairy and beef raising industries.

The hay can be delivered to any railway station in the province at the original cost of the hay, plus the \$4.00 per ton freight charge. The government's and railway's share of the freight bill would be approximately \$10.00 to \$12.00 per ton, depending on the length of the haul, Mr. Halliburton added.

Under the plan, graded hay will be available immediately and agricultural representatives have been notified of procedures to follow. The plan will remain in effect until May 15, 1963, and arrangements will be similar to a plan effected in 1957 to meet a like situation.

The Minister said that investigation had revealed that large quantities were available in Quebec and New Brunswick at a price of approximately \$22.00 a ton.

"If this price prevails, it means that the Nova Scotia farmer can purchase his hay at a basic price of \$22.00 per ton, plus a \$4.00 freight charge and a normal handling fee," the Minister said.

"Arrangements have been made with the Maritime Co-operative Services to handle the fodder at a nominal charge per ton. This has been arranged since private dealers would not be interested in the project without realizing a profit," said Mr. Halliburton.

This freight assistance policy under which freight charges over and above \$4.00 per ton will be borne by the federal government, the provincial government and the railway, each contributing one-third of the cost.

Farmers interested in obtaining hay under this plan are asked to get in touch with their "Ag Reps." Hay purchased under this policy will be graded according to the Hay and Straw Inspection Act.

Canada Needs More Tourists

Stratford, Ont. — A three-pronged campaign to stimulate tourism in Canada was recommended last week by Canadian National Railways' general passenger sales manager.

In a speech to the Canadian Club here, Pierre Delagrave said the campaign should endeavour to stimulate travel by Canadians in their own country and attract greater number of American and European tourists.

"We must not be satisfied witnessing the growth of the to be among the spectators travel markets," Mr. Delagrave said. "We must take positive action now to ensure that Canada will be the nation deriving the greatest benefit."

He described the need for such a campaign as urgent in the light of the forthcoming Centennial celebration.

Mr. Delagrave, who is also first vice-president of the Canadian Tourist Association, said the plan will require greater advertising, more intensive promotion and large numbers of information centres, if it is to be successful.

"Canadian citizens individually, or in whatever group they may be associated, cannot continue to sit back and leave tourist promotion and the motivation of inter-provincial travel to the Government, the transportation companies and the existing tourist associations."

Ontario Deserves An Orchid

(Dorothy Barker)

One of my pet peeves for many years has been the quality, lack of imagination and spurious origin of our so-called authentic Canadian souvenirs. I have watched with a certain heartache my fellow travelers search the counters of gift shops for something that struck them as being typically representative of this vast land to take home to their relatives and friends. It always humiliated me when there was little to choose from but garish foreign made plastic replicas of our famous "Mounties" and badly enameled maple leaves on silver plated teaspoons or paper knives.

Only in Toronto, Victoria and Nova Scotia have I found gift shops devoted entirely to the sale of Canadian-made handicrafts. Beautiful as these have always been, they are often too expensive for the average tourist to stock up on in any quantity. This also applies to our newly discovered Eskimo art. These are typical of course; with that I have no quarrel. My plea is for the little souvenir and yet, because of my lack of artistic talent along this line I have had, up until now, little to offer in the way of suggestions to improve the situation.

Imagine my excitement when I read in the January issue of Ontario Travel News that many entries have already been received for the Ontario Souvenir and Handicraft Design Contest. Before this column is in print there will undoubtedly be many hundreds more be judged this week, February 18-21 at the C.N.E. coliseum during the current 1963 National Gift Show.

Installing Island Lights and Horn

The government ship, Walter E. Foster has been in Westport this week where

men are installing electric lights and a fog horn on Peter's Island. A cable is being run from Southern Point to the island across the Little Passage. A building is being set up where the cable is run from Brier Island, to house the machinery needed to work the power. The islanders appreciate the work being done and expressed themselves that something was desperately needed in this part of the island especially a fog horn, because the waters around the island are dangerous at times and there was nothing to tell when they were nearing this area when the fog was in. It will be a great benefit to all concerned.

Letters to the Editor

Editor,
The Digby Courier,
Digby, N. S.

Dear Editor —

Congratulations to "Isle Eyes" for protesting against the bootleggers on Long Island.

Yes, indeed, we do have many flourishing bootleggers on Long Island. Their business is increasing by leaps and bounds, especially since their eagle claws have captured our youth.

There has been much discussion about these law-breakers, but what good are words without action.

Saturday night is open house for the liquor bottle on Long Island. If you care to drive through to Freeport you will see cars and trucks lined up on both sides of the highway, while their occupants purchase their liquor from near-by non-licensed taverns. Be prepared also to meet drunken drivers all along the way. May I remind you that the Island is approximately ten miles long!

If you are in the age group of twelve years to eighty you are eligible to purchase a pint or quart of your choice. No box tops — plenty of cash. Profits are high.

Where in Nova Scotia could you find such a deplorable situation? Where in Nova Scotia are the services of an R. C. M. P. officer as badly needed as on Long Island?

I feel no concern for older people who purchase liquor from bootleggers. It is the youth, our citizens of tomorrow. Is this all the Island has to offer them? The bootleggers have nothing to lose and all to gain.

Parents of Long Island, does your son or daughter visit the bootleggers? Can you be sure? Some action from a few people can accomplish a great deal.

As it now stands the laugh is on us. Can you take it? If you can't let us hear your views on this number one matter of importance on Long Island.

Wipe out the bootleggers completely. Stand for what is lawful. Help our girls and boys. It can be done with co-operation.

An Observer,
Victoria Beach.

WHICH IS THE LESSER
To the Editor,
The Digby Courier,
Digby, N. S.

Dear Mrs. Wallis:
There is a society, known as the Prevention of Cruelty to Dumb Animals. For neglect of our obligation to them we can be punished by law. But people in this country can be half starved to death and we have no society that is interested in them. Because they are classified as no-body, because they are poor people. The person I'm referring to is the first man to volunteer for service in Annapolis Co. during the last war. His father was killed in 1917 in France. This man is sick, his wife is sick, they have seven children, five unable to look after themselves. It took more than three weeks to get municipality relief for one month. Every department and every agency was contacted before this could be gotten.

There is a social assistance act. Apparently parties concerned do not know this exists. Do they realize that they can be called to court to answer charges for neglect of its obligations? It's time something was done. I think this matter has gone just about far enough. Moral issues today are what freedom loving countries are trying to maintain, not to destroy. The needy party concerned in this case is my brother. I am not ashamed of him because he is poor. I'm poor myself and I would not want any other way. I realize there are two sides to every story. I will give you the flip side anytime you desire it. Yours truly,
Douglas Foley.

Fish Catch Down, Price Up

The total fish landings in the Maritimes during January 1963 amounted to 18.8 million pounds valued at 1.642 thousand dollars. These totals included 14.0 million pounds of groundfish valued at 660 thousand dollars, 3.4 million pounds of pelagic fish valued at 96 thousand dollars and 1.4 million pounds of shellfish valued at 886 thousand dollars.

The January volume of landings was below the average for the same month during the years 1960 to 1962 by 2.9 million pounds but the value of the January catch was above the same average by 566 thousand dollars.

The herring catch, 2.5 million pounds during January, was 2.8 million pounds below the average for the month during 1960-62 and was mainly responsible for the reduced volume of total landings during January. The lower groundfish landings, 1.2 million pounds below the 1960-62 January average, were partly offset by higher shellfish landings, 722 thousand pounds above the average 1960-62 January catch.

The January landings of lobster and scallops amounted to 881 and 478 thousand pounds respectively with landed values of 670 and 215 thousand dollars respectively. The average 1960-62 January landings of these two species amounted to 504 and 117 thousand pounds respectively with an average landed value of 290 and 45 thousand dollars respectively.

The seasonal decrease in volume of landings from December to January was more pronounced this year (a decrease of 50% compared to 35% in 1962 and 20% in 1961) but the decrease in value was comparable to the previous two years (a decrease of 60% compared to 70% in 1962 and 60% in 1961).

They have been trying now for three weeks to get assistance and they have been turned down flat, being told, "I'll see you in Hell before I'll give you any assistance". C. E. EDWARDS ADDRESSES HOME AND SCHOOL

Founders Day Program was recognized at the February meeting of the Weymouth Consolidated Home and School Association with a guest speaker in the person of Inspector C. E. Edwards, who is a Vice President of the Canadian Home and School Federation. Mr. Edwards was the Canadian representative to the International meeting on Films and Television teaching recently held in Oslo, Norway. Eighteen countries including several from behind the "Iron Curtain" sent representatives. In summarizing some findings of the Conference, Mr. Edwards said that "screen education" should be part of the school program for every child and should complement the entire curriculum. The cultural environment created by film and television represents a challenge and a great opportunity for all educators. The report also recommended that all universities offer courses in film and television to acquire a basic knowledge as media of art and communication, and of the place of screen education in the general cultural pattern. Mr. Edwards stressed that the best way to assure better television productions in the future was to increase the expectations and the appreciation level of the audience. The only way this could be done, was through education, exposing the child to good programs, just as a taste for good music, good literature good drama was cultivated in our schools, likewise through courses in screen education we can help young people to become more selective audience.

Sponsor Driver Education Course

Mr. Edwards was thanked by Mr. Gordon Campbell, program chairman. During the business meeting of the Weymouth Home and School, Mr. Chester Sabean reported there were 27 students enrolled in the Driver Education Course and that Weymouth Motors Ltd. would present a 1963 Pontiac with dual control to be used for practical experience in driving. This car will be presented to the school on March 4th. It was also reported there would be a pantry sale in conjunction with the Nova Scotia Art Exhibition which will be in Weymouth on March 5th. In reporting for Adult Education, Mrs. Curtis Hankinson stated a class in sewing had been organized for Friday evenings. Two more adults were needed in a class for conversational French and a few more for a class in Bookkeeping. Those interested were asked to register with Mrs. Jared Frankland as soon as possible.

The Digby Music Festival will be held on March 18th and the Weymouth school entries will be held on that afternoon. A committee was appointed to study the possibility of extending the auditorium in order to build a stage which is greatly needed for the school. The meeting was chaired by the president, Mr. Giff Lewis. Refreshments were served by Mrs. Gordon Prime and her committee.

WEYMOUTH ITEMS

W.M.S. Meets

The meeting of the United Baptist Women's Missionary Society was held on Monday evening at the home of Mrs. Willard Kinney with the president Mrs. C. R. Barkhouse presiding.

The President led in the devotional which was based on the scripture passage Matt 28:1-20 and was entitled, "Go" In Home Missions.

The president said we are to "Go" into all the world, and preach the gospel to every creature. In home missions we can go directly. In overseas missions we can support as we give and pray or as someone has said "Hold the ropes." This was followed by a circle of prayer.

Minutes of last meeting were read by the secretary, Mrs. Merle Mullen and approved.

Roll Call was answered by a bible verse containing the word "love".

The Spiritual Life convenor, Mrs. Ellsworth Kinney presented the lesson on the "Spirit of Love".

The president called James 1, verses 2 and 3. The president called attention to the Women's World Day of Prayer Service which will be held on March 1st in the church of Christ (Disciples).

The program was carried out in a question and answer period on the work of the Home Mission Board and proved most interesting.

Addresses Club Mental Health

The Weymouth Kiwanis Club met for their regular meeting at the Goodwin Hotel on Monday at noon when Mr. Derek Newport, representative and lecturer for Smith Kline and French Inter American Cooperation, gave an address on Mental Health.

In describing mental illness as the number one health problem, Mr. Newport said it fills more hospital beds than cancer, heart disease and tuberculosis combined. According to the Canadian Mental Health Association, he said, mental illness of some kind afflicts 1,800,000 Canadians. It strikes one person in 10 — one family in four.

"But the picture has its bright side too, Mr. Newport said. "The sufferer from most types of mental illness has a better chance of being cured than if he were suffering from either cancer, heart disease, arthritis or nephritis."

He explained that at no time in the past have prospects for understanding and treating mental illness been as promising as they are today. "Professional forces are mobilized against mental illness, and new drugs are powerful weapons in their hands. The search for new, more effective drugs and psychiatric techniques is continuing."

Mr. Newport spoke of the need for an understanding of mental illness. He said, by means of modern knowledge it is often possible to detect mental illness in advance. "The incipient mental patient can be treated so that he does not have to be hospitalized at all."

Follow-up treatment on a regular basis for patients released from mental hospitals is necessary to reassure the patient and help him cope with personal problems, ensure that he takes his medication, help him find a job, and lower the risk of relapse, Mr. Newport explained. He referred to this treatment as "aftercare" — the bridge needed by the patient to make the transition to his normal life.

"We help those recovering from mental illness when we accept them as they are, when we welcome them into our homes, our businesses, our organizations," the speaker said. "What a former mental patient wants above all is a chance — a chance to pick up the threads of his life — to be

School Board Surplus

The Clare Municipal School Board's report of 1962 showed a surplus of revenue over expenditures of \$2,333. Appropriations from the council for 1962 was \$98,065 and grants were \$287,700. Tuition from Municipal School Board of Digby for border sections \$225 for a total revenue of \$385,990.

Expenditures were: Foundation program services, \$372,969; Administration \$5,542; Deficit of previous year \$5,141 for a total expenditure of \$383,657.

Appropriations from the Municipal Council for the year 1963 will be \$92,018 which is \$6,000 less than in 1962. Teachers salary for 1963 will be \$240,951 compared with \$219,234 in 1962.

The Municipal School Board had recommended previously that a suitable auditorium be constructed at the Gay School at Lower Saultneville. The day school is a ten room school and lacks recreational facilities. The installation of hot running water at this school has also been recommended.

The elementary schools in Clare have improved in late years with four consolidated schools being constructed in 1961 and 1962. These consist of Salmon River, St. Alphonse, St. Bernard and Havelock consolidated schools which were constructed at an approximate cost of \$49,000 each. The Salmon River and St. Bernard schools are six classroom schools with an all purpose room the size of two classrooms while the St. Alphonse school having four classrooms and all purpose room and Havelock being a six classroom school with all purpose room with but four classrooms being used at the present time.

Central heating systems have been installed in the Church Point, Concession and Comeville schools. The Meteghan school which is a ten classroom school, is presently filled to capacity and it would appear that before too many years in expansion program will have to be put on the drawing boards soon. The question of what should be done with the Meteghan Centre school has not been settled at this date. This school is a 2 classroom school without modern heating systems and toilet facilities. It is the only 2 classroom or less school in existence today in Clare.

David Gaudet, president of the local teachers Union, met the municipal school board with a delegation consisting of William Deveau, Victor LeBlanc and Miss Aymar to ask the opinion of the board regarding the new proposed teachers salary scale which is expected to be introduced by the Provincial government shortly. The board were in agreement with the scale for teachers salaries which will take effect on Aug. 1st, 1963, provided that the provincial government introduces the new legislation covering the matter.

The School Board will construct a garage for the repairing of their school buses as well as for the looking after their maintenance. It is felt that better results will be shown if the school board owns its garage with a full time mechanic employed. Some difficulties are being encountered under the present system which is not satisfactory.

George Deveau of St. Alphonse has been hired to operate the St. Alphonse school bus and do the janitor work at the same school. This is a temporary position to fill a vacancy due to the illness of Wilfred Robichaud of St. Alphonse. Mr. Robichaud will resume his duties when he recovers from the illness.

Baptist Church News

Scout Week in the Baptist Church of Digby will be featured next Saturday with a Father and Son Banquet in the church hall. The dinner, which will be held at 6:30 p.m., is to be served to all Scouts and Cubs and their fathers. Burton Ellis is in charge of dinner arrangements, and Donald Brown and Bernard Bell are in charge of the program. It is expected that there will be a large attendance of the boys from the two groups.

At the meeting of the Baptist Christian Youth Fellowship held last Sunday evening reports were heard from leaders of all the youth groups in the church concerning the progress of their work with the young people. An interesting subject for discussion was the proposal to look into the matter of purchasing a piece of land on the shores of Haynes Lake for camping and picnic purposes. The Council was informed that a favorable piece of land would be made available by Mr. Hubert Warne should it be desired. Donald Brown and Bernard Bell were appointed as a committee to explore the possibilities of the project.

At the Sunday evening service the pastor led a discussion on the topic of Boy and Girl relationships. Using a film-strip "Boy Meets Girl" as an introduction to the subject, the young people present were led into thinking about such matters as dating, wholesome circumstances under which young people could meet, and some of the problems arising from these relationships. It was pointed out that church related groups were among the finest opportunities for wholesome

Address Mental Health Meeting

Dr. A. R. Armstrong, Psychiatrist, Digby, and Rev. Father H. Melanson, Meteghan, were speakers at a special meeting of the Digby County Mental Health Association held at Meteghan River Consolidated School on Tuesday evening when prizes were presented to winners of the poster contest sponsored by the association.

Dr. Armstrong briefly traced the history of mental health attitudes from the second and third centuries A. D. and the changes that had taken place in mental attitudes since the time the Western world thought of mental patients as criminals. He briefly outlined the history of the Canadian Mental Association which was up to the 1930's known as Canadian Association for Mental Hygiene which name had been used in Nova Scotia until about ten years ago. The original aim was for the improvement of the mental hospitals and the living of the patients there.

Today, he said, there are about 100,000 members in the C.M.H.A. who have used their influence in establishing mental health clinics. The training of psychiatrists, nurses, therapists for rehabilitation work and also to upgrade buildings and conditions in which mental patients are found. The M.H.A., he said, has influenced policies and operation of clinics such as found in Digby and in which the province of Nova Scotia takes lead in Canada. He emphasized that local support was essential and especially for people outside the clinic staff to take responsibility in the D.C.M.H.A.

The purpose of the clinic, Dr. Armstrong said is to attempt to prevent mental disturbance which would need hospitalization and which would separate the patient from his usual life situation. He stressed the need of the community and family to show the patient returning from the hospital he is accepted.

Dr. Armstrong said much more money is needed for mental health research. Up to 1948, he said, there had been no government help for research. Since then \$4,000,000 is being provided yearly which is about four percent of what is provided for medical research yet half the beds in all hospitals are occupied by mental patients.

Father Melanson said that the idea of mental health is humane and Christian charity in which people prove to fellowmen that they do not blame them for mental illness anymore than they would for heart illness or other physical illness. In the functioning of nature, he said, the body and mind must be of mutual help to one another and good reasoning is also a sound foundation for faith. The church fosters the science of mental health but she will try to preserve science from falling into error or overstepping boundaries.

Clinics, the speaker said, are a new branch of science in treating mental ailments where the psychiatrist devotes attention to man's emotional apparatus and attempts to correct faulty and unconscious behaviour of man. The virtues of faith, hope and love work more efficiently in a well adjusted, right-thinking person.

Father Melanson said that persons subject to inner conflicts may act contrary to commandments of God but the reason is disordered emotions. Religion on one side and psychiatric and medical science on the other help to relieve a man's troubles. By knowing this many false opinions die and prevent people from doing injustice to religion and psychiatry.

Catholics, Father Melanson said, seek help from an understanding priest but there are those who also need professional help of psychiatrists for not all ills are identified with religion and morals. Psychiatrists do not attack or undermine the religious framework of the patient. The psychiatrist, he said, does not get into religious discussions with patients but refer them to their priest, minister or rabbi.

A WIN & A TIE
 IN W.C.H.L.

Belliveau's Cove defeated Church Point Comets 11-2 while Meteghan and Saultneville Pirates battled to a 6-6 tie in play in Western County Hockey League games played this week.

Thurber scored five goals in friendships and the preservation of Christian standards of conduct.

Arrives In Congo

Word has been received from Leopoldville that Staff Sergeant Clyde R. Bain, CD, 43, of Bay View, Digby County and Halifax, N.S., was in a group of Canadian soldiers who recently arrived in the Congo by RCAF aircraft to begin a tour of duty with 57 Canadian Signal Unit in the United Nations Force.

A member of the Royal Canadian Army Service Corps, S/Sgt. Bain will serve in the Movement Control Section of the signal unit in the Congo. Before coming to the Congo he was stationed at Headquarters R.C.A.S.C. Eastern Command in Halifax.

S/Sgt. Bain's wife and family live at 3 Mascarene Drive, Halifax. He is the son of Mr. Edmund Bain of Bay View.

No stranger to overseas, S/Sgt. Bain served with 3 Canadian Field Ambulance in Korea in 1953-1956 and with 56 Canadian Transport Company, R.C.A.S.C. in Egypt from 1956-1957.

The Canadian signal unit has been providing military communications for the United Nations Force in the Congo since August 1960. Most of the Canadian contingent is based in Leopoldville, the capital of the republic where they operate a message centre tape relay centre and telephone switchboard. However six signal detachments of 10 to 14 men are located with other U.N. troops in the interior of the Congo.

The normal length of service for Canadians in the Congo is six months, but staff officers employed at U.N. Headquarters in Leopoldville stay for a year.

The tropical posting is popular with many soldiers and about 25 percent apply for an extended tour of duty.

The Belliveau Cove victory and Melbourne Saultner matched that total for Saultneville in their tie with Meteghan.

Freeport

Mr. Lloyd Blackford and son Bradford spent a few days last week at Dartmouth. Judith Morehouse returned to Halifax after spending the weekend with her parents, Mr. and Mrs. Allison Morehouse.

Walter Crocker, R.C.A.F., Penhold, Alberta is spending a ten day leave with his parents, Mrs. and Mrs. Watson Crocker.

The regular meeting of the Mission Band was held on Friday afternoon with the leaders, Mrs. Curtis Prime and Miss Eleanor Thurber.

High school held a Valentine dance in the school on Friday evening. The chaperones were Mr. and Mrs. Parker Thurber, Mrs. Randall Prime and Mrs. Gorham Elliott.

Win. Pyne is a patient in the Digby Hospital. We wish him a speedy recovery.

Mr. and Mrs. Charles Glavin and son Stevie returned to Westport, after spending a week with her parents, Mr. and Mrs. Parker Thurber.

Mr. Nickerson and Delbert Crocker were guests on Saturday of Mr. and Mrs. Peter Milburn. They enjoyed an afternoon of badminton at the consolidated school before returning to Halifax.

Mr. and Mrs. Enos Comeau and family, Westport spent the weekend with her parents, Mr. and Mrs. Lloyd Prime.

Word was received of the passing of Leigh Higgins at Saint John. Born at Freeport 66 years ago he was the son of the late Mr. and Mrs. George Higgins. Surviving are two sisters, Maude and Helen, Vancouver and a brother Curtis, Bear River.

Mrs. Leonard Howard has gone to Kentville where she will receive treatment at the Sanatorium.

Sorry the name of Sister Marion Patterson was omitted from the list of Rebekah officers in last weeks news items, she is the Vice Grand. Also, the name of Mrs. Ernest Powell was omitted from the list of members of the finance committee of the Freeport United Baptist Church.

Mrs. Boudreau Heads Red Cross

Mrs. Emile Boudreau was elected president of the Meteghan branch of the Canadian Red Cross held last week at the Meteghan Fire Hall.

Other officers elected were: Past President, Denis Soucie; Vice-President, Pius Melanson; Secretary, Mrs. Pierre Biliyeau; Treasurer, Mrs. Edward Saultner; Blood Donor committee chairman, John F. Devau; Disaster committee chairman, Emile Boudreau, warden of Clare; Home Nursing committee chairman, Mrs. Julius Comeau, R.N.; Sick Room Loan, Mrs. Emile Boudreau; Ways & Means committee chairman, Desire Comeau; Women's Work committee chairman, Mrs. Elva Melanson; Social Committee chairman, Mrs. Gerald Comeau; Junior Red Cross chairman, Rev. Sister Therese de Lisleux; Auditor, Miss Annette Melanson.

Guest speaker was Mr. Charles Illsley, commissioner, who spoke on the forthcoming fund raising campaign which will start on February 25 and which will take two weeks to complete in the district of Clare. Mr. Illsley told the group that a larger amount of money is required due to the extra demand for the Red Cross services throughout Canada.

All reports showed an active year by the local branch. One

disaster family of fourteen who lost all their belongings were assisted immediately by the local branch following the destruction of their home, finding them a place to stay temporarily and finding them clothing and furniture. Five families were aided at Christmas time and 1,000 pieces of clothing were distributed during the year to needy families.

MENTAL HEALTH

(Continued from Wey. page)
 There may also be the loss of a father's income, the absence of a mother as homemaker. For the community as a whole there is the loss of skills and knowledge caused by "banishment". Skills and knowledge that could be put to productive use if their possessors could be restored to mental health. For the community, too, there is the sheer expense of caring for its citizens who are mentally ill. Hospitals must be built, equipped, staffed and maintained. The speaker told the audience that their interest in helping the mentally ill could be expressed most effectively through support of the local branch of the Canadian Mental Health Association. Advice or information in dealing with personal problems can quickly and reliably also be obtained from the association, he said.

Endorse Drive For Hospital

A general meeting of the Digby General Hospital on Tuesday night endorsed a drive to raise \$125,000 within the next six weeks towards the building of a new hospital in Digby. The motion was made after the president of the hospital board, F. C. Purdy, presented his report and a lengthy discussion followed.

Duff Abbott Enterprises, Halifax, with Harry Thomas in charge, will be doing the campaign. Mr. Thomas, son of Mr. and Mrs. Allan Thomas, North Range, in addressing the audience on Tuesday night showed great optimism that the stated amount can be raised but involves the support of citizens of Digby and the municipality. The campaign to be successful should amount to \$22.50 out-of-pocket per family served by the hospital, he said. Mr. Thomas said it would be tragic to the community if the hospital were not built and this should be made the number one top priority project for the next six weeks.

Mr. William Troupe said the main purpose of the hospital is to care for the sick but if a new hospital is built it means a \$700,000 a year business here.

Mr. Purdy, in presenting his report, paid the general courtesies to the staffs, boards and auxiliaries of the hospital and then proceeded to give a detailed progress report on the building program which was first conceived some five years ago. Mr. Purdy, before getting into the meat of his report explained why there had been so much silence about the hospital recently and as, he said, was disturbing to the people. Mr. Purdy said:

"The time has now come when we must speak frankly and without reservation. The past few months have been most difficult as we have encountered problems that could not have been foreseen. One of the most disturbing factors has been our inability to take the public into our full confidence. We regret that it was impossible to keep the public fully informed regarding progress of plans during the past few months. However, to have done so would have jeopardized our position with the general contractors who had submitted bids on the hospital project. It was only due to a careful adherence to this self-imposed silence, on the part of our Board members, that we were successful in obtaining very favorable price adjustments to cover essential revisions in our plans. Incidentally these revisions were made mandatory by Hospital Commission. It is unfortunate that this silence by board members has resulted in the development of much irresponsible rumor and misinformation regarding hospital affairs. This evening it is our intention to clarify this situation and give the public full and accurate information concerning hospital construction."

Mr. Purdy continued to report on events as they highlighted 1962 proceedings beginning with the final approval of architectural plans by the Nova Scotia Hospital Commission on August 22, 1962.

By November 16 all tenders for building, mechanical and electrical trades had been opened, six for general contract and five for mechanical and electrical trades. The lowest tender from general contractors was the bid of the Kenney Construction Company of Yarmouth at \$803,500 plus \$20,000 for supervision of the mechanical and electrical trades. The lowest tender on heating and plumbing was submitted by Roy Gernain of Yarmouth at \$573,500. The total contract price stands at \$1,397,394, excluding architectural fees, furnishings and equipment. The final all inclusive cost is estimated at \$1,600,000. This is some \$500,000 in excess of our early estimates.

Contractors were asked to tender anew for the mechanical and electrical work as related to new plans regarding air conditioning.

Reporting on a meeting in

F. C. Purdy Heads Hospital Board

F. C. Purdy was elected president of the Digby General Hospital Board at a meeting of the Board held immediately following the general meeting of the hospital on Tuesday evening. Elected vice-president was Dr. L. F. Doiron, and secretary-treasurer Mrs. Grace Edwards. Chairmen of committees were named as follows: house committee, William Troupe, Sr.; standards, E. B. Richardson, and building and grounds, E. G. Arnold.

At the general meeting the three retiring trustees of the hospital, Dr. L. F. Doiron, Harry Titus and Leigh Jayne were re-elected. Other members are E. G. Arnold, Edward Twohig, Alfred Grimmer, Dr. J. R. McCleave, Troupe and Purdy. Representatives from the town of Digby are Mayor Vernon L. Bent and Councilor Charles Hersey. The municipality of Digby is represented by Warden Ronald Morehouse, Mrs. M. P. Gott, Eugene Outhouse and Roy Snell. E. B. Richardson is a government representative.

Between 45 and 50 persons were in attendance to hear reports presented by Digby General Hospital officials. The report of the administrator Mrs. Grace Edwards showed that 1793 patients were admitted with patient days of 13,131, an increase of 388 days over the previous year. Operations numbered 943 and 4,632 x-rays were done. Meals served were 62,211 to staff and patients.

Other reports were presented from Mrs. Hilda Cossaboom, director of nursing; Mrs. A. J. Dillon, president of the Digby General Hospital Ladies' Auxiliary; William Troupe, house; E. B. Richardson, standards; L. F. Doiron, medical staff, and the hospital financial statement by Mrs. Edwards.

In patient service charges at the Digby General Hospital for 1962 brought a revenue of \$230,352.92. The out patient service \$32,157.75; recoveries from staff and sundry \$10,250.75, making a total revenue of \$272,761.42 for the year. Expenses were \$270,052.17, leaving a balance of \$2,709.25 on the year's operations.

The Ladies' Auxiliary report showed earnings for the year of \$5,302.63; balance at beginning of year \$457.98; transferred \$825.33, making a total of \$6,585.94. Disbursements amounted to \$5,957.09, leaving a balance of \$628.85. Total assets of the Ladies' Auxiliary are \$15,950.00.

In his report, Mr. Troupe commended the staff for attaining a high standard of care, particularly under such a serious situation with regards to hospital facilities. The hospital, he said, had been operated under a budget laid down by the N. S. Hospital Commission and kept to regulations of the commission.

Dr. L. F. Doiron complimented the Board on all its endeavors and stated that the medical staff was behind the board one hundred per cent in their program.

Harry Thomas, Halifax, formerly of North Range, Digby County, now with Duff Abbott Enterprises, who has been studying possibilities for a campaign for funds for hospital construction in Digby, was introduced by Mr. Purdy. Mr. Thomas was most optimistic that an amount of \$125,000 needed could be raised.

The meeting went on record as endorsing a drive for the necessary funds. Borrowing power not in the excess of \$100,000 was also given the Board. Previously borrowing power of the board had been up to \$10,000.

Halifax with the Minister of Municipal Affairs attended by Mr. Purdy, Mr. E. B. Richardson, Warden Ronald Morehouse and Mayor V. L. Bent, he said that three conditions must be met before the minister is prepared to approve municipal and town borrowing, on behalf of the Digby General Hospital. Of the three conditions the most pressing at the time of the meeting seemed to be the successful

Two Liberal Candidates Named

John Elvin Shaffner, 52, Port William industrialist with agriculture-business interests extending throughout the Annapolis Valley, was nominated Liberal candidate for Digby-Annapolis-Kings in the federal election at a nomination convention Saturday at Middleton Regional High School.

Fred T. Armstrong, well known Yarmouth business man, was named the Liberal candidate for the constituency of Shelburne-Yarmouth-Clare at a nominating convention meeting held in Yarmouth on Saturday.

Mr. Shaffner, whose name was the only one before the convention at Bridgetown was nominated by Joseph Casey, president of the Annapolis West Liberal Association and seconded by Miss Anne Lindsay, of Kings West Liberal Women's Association.

Chief speaker was Hon. R. H. Winters, Nova Scotia representative in the St. Laurent cabinet.

"Political campaigns," he said, "are an essential part of our democracy. Democracy places on all of us a heavy duty." Mr. Winters was introduced by V. G. Carloza, M.L.A. He was thanked by Judge K. L. Crowell.

Mr. Armstrong, who was defeated by a narrow margin in the 1962 election, was unopposed.

Mover of the nomination was Russell MacKay, of Shelburne, with Dr. Philip LeBlanc, of Little Brook, district of Clare, seconder.

Special speaker at the Yarmouth convention was Lucien Lamoureux, federal member for Stormont, Ont.

Speaking briefly were: Mrs. E. H. Spinney, vice-president of the Nova Scotia Women's Liberal Association; Rod McNeil, past president of the Nova Scotia Young Men's Liberal Association; Grant Dauphinee, constituency vice-president from Shelburne; Dr. Philip LeBlanc, constituency vice-president for Clare; Dr. C. W. O'Brien, M.L.A. for Yarmouth County.

The following officers were named: President, E. H. Spinney; vice-president, Grant Dauphinee, Shelburne; Dr. Philip LeBlanc, Clare; Ernest Cottreau, Yarmouth; secretary, Irving Pink, Yarmouth; treasurer, T. A. M. Kirk, Yarmouth.

Activities At Digby Baptist

Last Wednesday night, the Baptist Youth Fellowship of the Baptist Church of Digby, were hosts to the young people of the Hill Grove and Acadville churches. Held in the church hall, the meeting was begun with a devotional service led by Gloria Joudrey. John Brittain and Marilyn Robicheau sang a duet number with Daneen Atkinson presiding at the piano.

The program featured an unusual contest in the form of an Annapolis Basin tour conducted by the pastor. Contestants were called upon to identify a large number of colored slide pictures depicting scenes, incidents and events around the Annapolis Basin area. In addition to this feature other contests and games were held. Refreshments were served and a fellowship circle was formed at the close of the meeting.

On Saturday evening, a Father and Son Banquet was held in the church hall of the Baptist Church as a feature of Scout Week activities. Boys belonging to the Scout Troop and the Cub Pack sat down with their fathers to a dinner served under the direction of Burton Ellis, and his assistants. Following the acter, Donald Brown, Scoutmaster, and Bernard Bell, leader of the Cubs, outlined the activities of their respective groups.

On Sunday afternoon the Scouts and Cubs from the church attended the annual Scout Parade held at the Cornwallis Naval Base.

Married 50 Years

Mr. and Mrs. Howard F. Rice, of Bear River, N. S., are observing their 50th wedding anniversary on Wednesday, March 6th, 1963.

Mr. Rice is the son of the late Mr. and Mrs. Charles Rice, of Bear River. Mrs. Rice is the daughter of the late Mr. and Mrs. George Harris, of Bear River.

The couple were married at Clementsport by the late Rev. Mr. Lockward, rector of St. Clements parish. They have been life long residents of Bear River. Although retired,

they still take an avid interest in the community.

Their four daughters are: Mrs. Doris T. Brooks, Kitchener, Ont.; Mrs. Edward Smith (Eleanor), Richmond Hill, Ont.; Mrs. James Ramsay (Barbara), Shearwater, N. S.; and Mrs. Fred Peterson (Gwen), Kitchener, Ont. There are five grandsons and one granddaughter.

Mr. and Mrs. Rice will be at home on Wednesday for those wishing to call.

Mrs. Smith has made a beautifully decorated three-tier wedding cake for the occasion.

50 Years Married

Mr. and Mrs. Ellsworth Kinney, of Ashmore, Digby Co., celebrated their 50th wedding anniversary this week by entertaining about 45 guests in the Ashmore church hall on Saturday evening.

The couple were seated to the strains of the wedding march played by Mrs. Scott Kinney, and were congratulated by all present.

Rev. C. R. Barkhouse spoke briefly to the couple and presented them with a lovely gift from their many friends.

They received many lovely gifts and both very fittingly thanked their guests.

The table was decorated with a basket of flowers and a certificate with a gold seal from the government of Nova Scotia, which also was accompanied by a personal letter from Premier Stanfield.

A two-tier anniversary cake, centered the table with yellow candles on each side.

Refreshments were served

Attends Quiet Day

Rev. James Pyke, Digby, was in Middleton on Shrove Tuesday to attend a Quiet Day conducted by the Dean of Nova Scotia, Very Reverend E. B. N. Cochran. The Quiet Day, held each year in preparation for Lent, was held in Holy Trinity Church, Middleton, for the clergy of Annapolis Deanery and the Avon Deanery.

to the guests by Mrs. Gordon Forsythe, Mrs. Scott Kinney, Mrs. Ronald Kinney, Miss Lorraine Forsythe, Miss Judy Kinney and Miss Lois Kinney.

The bride's cake was served by the bride of 50 years and the groom's cake was served by the groom.

"God be with you" was sung by the guests before leaving, accompanied by Mrs. Scott Kinney and led by Mrs. George Wagner. Rev. Barkhouse closed with prayer.

Celebrate 52nd Anniversary

Mr. and Mrs. Newton Ross, were pleasantly surprised on Friday evening when members of their immediate family gathered to celebrate with them the fifty second anniversary of their marriage at the home of their daughter, Mrs. Elliott VanTassel, Mt. Pleasant, where they are residing while Mr. Ross is recovering from a recent illness.

Mr. and Mrs. Ross were married at Digby on February 15, 1911 and have resided in Culloden since that time.

They have eight children, all of whom were present for the occasion. Three daughters, Barbara (Mrs. VanTassel)

Digby; Doris (Mrs. Basil Tufts) Clyde River, Aldyth (Mrs. Leo Kaye) Culloden and five sons, Edward, Yarmouth; James, Marshalltown, John, Sea Brook; Frank and Robert Culloden.

Mr. and Mrs. Ross received many cards and gifts including money.

At the close of the evening refreshments were served including a three tier wedding cake which was cut by the happy couple.

Parents' Rally In Education Week

One evening, the date of which will be announced, will be given over to a Parent Rally at the Digby Regional School during Education Week. An exhibition of the student's work will be shown and a discussion of home and school problems is expected to be held between teacher and parent for the benefit of student - parent - teacher relationship.

An interesting feature of the Parent Rally will be the presentation of the Governor General's medal to Bruce Armstrong, son of Dr. and Mrs. R. A. Armstrong.

Parents' Day will be held on Wednesday, March 6 when visitors will be received from 1:30 to 3 o'clock in the afternoon at St. Patrick's School, Digby Regional High School and other public schools of the town. Tea will be served at D.R.H.S.

The usual window display for Education Week will be in the downtown stores.

Nanaimo Leaves Victoria For St. John-Digby Run

The Princess of Nanaimo will leave Victoria today via Panama for service between Saint John, N. B., and Digby.

It was little more than a month ago when Hon. George Nowlan made the announcement that the Princess Helen, now running between Saint John and Digby, would be replaced by the Nanaimo. The news was received in Digby County with great enthusiasm and letters and telegrams were immediately sent to N. R. Crump, of the C.P.R. and Mr. Nowlan.

The Nanaimo is 357 feet in length and has a service speed of 18 knots. She is fitted to carry 1,750 passengers and 120 automobiles. The Princess Helen carries 500 passengers and 50 automobiles.

A steamy and raucous ship's whistle, apparently dear to the hearts of coastal British Columbians, won't be coming east when the Nanaimo heads this way. The whistle, once noisemaker of the old Princess Victoria, later was fixed to the Nanaimo. It will be moved now to the Princess Patricia, soon to go into service to Alaska.

It is understood that some citizens of Digby have concluded that it would be a nice memento to keep the whistle of the present Princess Helen. They contemplate, it is understood, asking the Digby Board of Trade and the Town Council to make a request in this regard and possibly get a petition circulated to aid in the project.

Scouts Attend Church Service At Cornwallis

On Sunday, Feb. 24th, the Cornwallis parade square was a wonderful sight to see with the occasion being the Scout founder's birthday. Scouts, Cubs, Guides and Brownies from the Digby district were on hand to end the Scout Week with a church service. With the Cornwallis Scouts in the lead they marched to the church with their flags catching the breeze and blowing so each ones name was visible.

On entering the church those carrying colors waited until all were seated and then by twos marched to the front and presented their colors to the minister and returned to their seats. The offering was taken by the Scouts which will be divided for Scouts and Guides work.

At the end of the service the color carriers went forward and received their colors and marched back to the door until everyone had left the church, then going ahead of their own troop they paraded back to the square. An attendant at the service remarked later: "I'm sure everyone making it possible for these people to be here need no more thanks than the memory of seeing their Scout, Cub, Guide or Brownie so neatly dressed in their uniform taking their place as boys and girls of today, who will be the men and women of tomorrow."

'Twasn't The Night Before Christmas

'Twasn't the night before Christmas when all through the house, not a creature was stirring, not even a mouse, except from the chimney there came a flutter of wings. And out from the fireplace there came such a clatter that an investigation became necessary. It all happened at the home of Mr. and Mrs. H. C. Morton, Queen St., and investigation found the intruder to be a sea gull.

How the sea gull got down the chimney is anybody's guess but chimney tops could be as slippery as the sidewalks these days.

Mrs. Morton has been known to be kind to these birds but it is scarcely thought that the sea gull would expect to enjoy such hospitality as to be fed

Nowlan Likely Nominee

There is no indication of any other name but that of Hon. George C. Nowlan to be placed before the Digby-Annapolis-Kings Progressive Conservative nomination meeting, according to reliable sources. Mr. Nowlan has been the only candidate nominated by the Progressive Conservatives for the Digby-Annapolis-Kings seat since 1947.

Premier Stanfield will be one of the guest speakers at the meeting to be held in Bridgetown next Thursday evening.

In 1947 Mr. Nowlan won in a by-election following the resignation of Rt. Hon. J. L. Hsley, when he retired to become Chief Justice of Nova Scotia. In the subsequent federal election Angus A. Elderkin was declared elected by a majority of four, but later the election was declared void by the Supreme Court of Nova Scotia.

At present Mr. Nowlan is Finance Minister.

Weymouth Plant May Be Absorbed

The absorption of Weymouth Industries Limited by A.I.D., Limited, a Halifax firm and closing out of operations at Weymouth was indicated in the Legislature by Trade and Industry Minister Manson.

Replying to questions asked by Victor Cardozo (L. Digby), Mr. Manson said legal questions were being settled as quickly as possible so that Industrial Estates Limited, which owned the Weymouth building, could begin seeking a new tenant and a new industry for the building.

He did not say definitely that A.I.D. would absorb the Weymouth furniture building company but suggested that this possibility might have been the reason for reports that the Weymouth company was transferring its operations to the Halifax area.

The Weymouth company was established in its present building by Industrial Estates Limited, after fire had destroyed a building owned by the company several years ago. The plant has not been operating for about a month.

The A.I.D. firm, an upholstery and furniture repairing establishment, has acted as agent for Weymouth Industries Limited in the Halifax area for some years.

Mr. Manson said the government, through the department of trade and industry, had provided assistance to the Weymouth operation for the last 18 months, but had decided that "no purpose would be served by expanding this assistance."

He said the firm's owners felt they could not carry on without further assistance. (Chronicle-Herald)

Miss Joan Hattie, R.N., spent several days last week in Ottawa and attended the tri-service ball at HMCS Carleton, Toronto. She visited at the home of her parents in Ottawa, Edward Arvasis, a medical student at the University of Ottawa and also her brother, Joseph Hattie, attending the Holy Rosary Seminary.

from the living room floor. As the story was told, the sea gull was released from the chimney via a draft in the fireplace into the living room and thence to more familiar sea gull haunts.

Digby School Gets Bruce Trophy

The Bruce Trophy, played for in the Digby Curling Club on Saturday by Digby Regional High School, Bridgetown and Middleton, was won by Digby in a total of 385 points. Middleton High School was runner-up with 327½ points and Bridgetown High boys trailed 252½.

Two teams played for Digby. Above, picture shows the Digby A team, front row, left to right:

John Brittain, skip; Keith Hawkins, mate; Rae McCleave, second stone; lead, Terry Carson.

Digby B team, rear, left to right, are Douglas Miller, skip; Frank Ayer, mate; Carl Dugas, lead; Ian Anderson, spare; Harold Denton, second stone and Mr. Ronald Denton, coach.

In the third game, one of Digby's players, Rae McCleave, injured his knee and was replaced in the fourth game by Ian Anderson.

Players for Bridgetown were: Danny Jefferson, Michael Urquhart, Dick Prat, John McIsaac, skip - A team; Preston Allen, Bill Longmire, Gary Cook and Bobby Lockett, skip - B team.

Middleton players were: A team - skip, Brian Bruce; mate, David Rice; 2nd stone, Sandy MacDonald; 1st, Grant Sleehy; spare, David Chute.

Middleton B team - skip, Brian Fitzgerald; mate, Terry Ronning; 2nd stone, Robert Hoase; 1st stone, David LeBlanc and spare, Bobby Oickle.

The Bruce Trophy, won by Digby, was the trophy offered for the Annapolis Valley West Students Congress. Games won

Digby won 5, tied 1, lost 2; Middleton won 4 and lost 4; Bridgetown won 2, tied 1 and lost 5.

About This and That
Driver Education

Elsewhere in this issue of The Digby Courier will be found a full page, or nearly so, of advertisements announcing the sponsorship by the Weymouth Home and School of a Driver Education course. These people with their generous donation toward the project are doing their bit in helping to save many lives which might otherwise succumb to the unfortunate slaughter on the highways. Driver education doesn't stop with learning how to manipulate the car mechanisms to set a car in motion or how one might detect a faulty car but driver education teaches the rules of the road, the proper handling of the car and the proper handling of the driver's own attitudes — commonly called courtesy. Probably this last mentioned is the most important of all and the most easily transmitted from one to the other for the saving of lives on the highway. Each student enrolled in the Driver Education Course will become a better driver because of the proper instruction and each student will be an influence on other teenage drivers in proper driving habits and attitudes.

Well we remember being in the second car to arrive at the scene of an accident in another province when five college students lay scattered over the highway. If we remember correctly two had been killed outright and one or two others died in hospital. Accidents can happen to the best of drivers but when a high powered car is used to play the game of "catch" by university students it is just too bad they hadn't gone through a driver education course long before they reached university.

The good driving habits and attitudes taught to the Weymouth students are bound to be not only a benefit to themselves but will also spread by influence to other teenage drivers and result in saving many from injury or death.

The few dollars spent by each person in aid of the Weymouth Home and School project are being spent in a worthwhile project, one which continues rather than stops at the close of the course.

Stage A Carnival

Local carnivals are not new in Digby or in each of the other towns or villages around here. Right this week the Digby Firemen are staging their annual ice carnival at the Forum. We did hear an idea expressed one day this week which might be worth considering. The idea was to bring more tourist dollars into the area during the winter months. The gentleman suggested that Annapolis, Bear River, Digby (and we'll add Weymouth since it is so near) should get together and stage a real three or four day carnival in the wintertime. There is skiing at Bear River, hockey and curling at Digby, the outdoor skating at Weymouth. There is bowling for bowling enthusiasts, badminton and other sporting features which might provide a round of tournaments in each and all the towns and villages mentioned for several days. There's been many an idea which grew into realism. Why can't this one? You tell us.

Music

The Digby County Music Festival programs are just now rolling off the press and so we are music conscious. Besides, we liked the idea we heard an announcer say over radio last week on Brotherhood Week. We want to pass it on. Brotherhood, he said, is music. Whoever heard of anyone refusing to play a piece of music just because the composer was of another nationality? How true he is. And so to reverse his idea — music is brotherhood.

Music has also been classified as history. The Provincial Paper Company put out a twenty-four page booklet in 1962 on the marriage of music and paper which showed what part paper played in music throughout the years. They also, in the booklet, related music to history and well we can see the connection.

The booklet says that music can be described as an accurate, printed record that brings our chronological history to life — a completely honest expression of this continent's growth and maturing processes — a true reflection of our changing national character.

In music, the pamphlet continues, through the combined talents of the composer, the printer and the paper maker, we can trace our national achievements and failures — our political, social, religious and moral attitudes. War, depression, internal strife and those rare decades when we were a seemingly carefree people are nowhere so graphically expressed as in our music. The pamphlet went into detail about the history of the music of the negro race, the Indian and Eskimo and that coming from other races or nationalities.

As music expresses characteristics, moods and inner feelings of the individual, it can well be expressive of the whole nation at certain periods of the centuries and as Provincial Paper — through music we can trace our national achievements and failures — our political, social, religious and moral attitudes.

We study history in school. We feel it is an important subject. Do brotherhood and history through music add two more reasons why music should be on the school curriculum besides being a subject in itself which can provide a means of enjoyment and livelihood to the student's later life and add a means of culture to the nation?

Where A Causeway Is A Necessity

By Mrs. John Outhouse

Though this picture was taken from the wharf on Tiverton side of Petite Passage, the ferry boat and scow appear no less miniature from East Ferry wharf. Many who have wished to visit friends and relatives on the Island, have upon arrival at East Ferry, taken one look at the half-mile stretch of water and the means of conveyance and have become fearful of risking the skill. They have turned back in disappointment. One gentleman was heard to remark some years ago to his sister, "When you get a bridge across Petite Passage I'll come see you", both died without seeing each other again.

The men who operate the ferry boat on Petite Passage were fishermen prior to becoming ferrymen, and are therefore competent and expert in manipulating the ferry boat in regards to changing tides, rough seas and winds. Yet their knowledge and capabilities are not always sufficient to cope with nature's forces. Several times during the winter rough seas resulting from gale force winds made crossing Petite Passage an impossibility.

The knowledge of being on an island that was completely surrounded by huge seas and completely isolated from the mainland caused many residents of this area to express grave concern, and also presented one more instance that pressed home — not just the DESIRE — but the NECESSITY of a causeway.

More than three years ago, the Fundy Board of Trade proposed construction of a causeway across Petite Passage that would link Long Island with the mainland at East Ferry. Residents of this area are wondering how long the Island link will remain just a promise.

Endorses Red Cross Campaign

The year 1963 is a significant one in the history of Red Cross for it is the 100th anniversary of the organization's founding. The compassion felt by Henry Dunant for the wounded on the battlefield of Solferino in 1863 has been translated into Red Cross programs in the intervening years until they now span the entire globe.

I am sure that we are cognizant of the fine record of the society in Nova Scotia. In time of disaster, Red Cross is among the first on the scene. Through its swimming and water safety program many thousands of Nova Scotians each year learn to enjoy one of the province's greatest natural assets in safety. The free blood transfusion service has saved countless numbers of lives; home confinements of the ill have been made more endurable through the loan of sickroom equipment; veterans' hours have been brightened through the visits of volunteer hospital callers or the diversional therapy of arts and crafts.

It is always my pleasure to endorse the work of Red Cross, especially during the traditional month of March, but it has never been more so than on this centenary occasion.

R. L. Stanfield,
 Premier of the Province of Nova Scotia.

In the following year of Red Cross. It was called "A Memory of Solferino", in which its author, Henri Dunant, described the horrors he saw on the battlefield of Solferino. The great interest of the book was to point to practical means to alleviate the distress of war. In it Dunant suggested the formation in all countries, and in peace-time, of "relief societies for the purpose of having care given to the wounded in war-time by zealous, devoted and trained volunteers". The result was the Red Cross Society as we know it today; a voluntary organization which exists under one name or another in some ninety countries throughout the world.

Someone has said that Red Cross is perhaps the first tangible expression of what no doubt will one day be termed "the world conscience". It is my privilege to urge all Nova Scotians to support the Red Cross, not only during the current campaign, but throughout the entire centenary year.

The Lieutenant Governor of Nova Scotia.

Praised

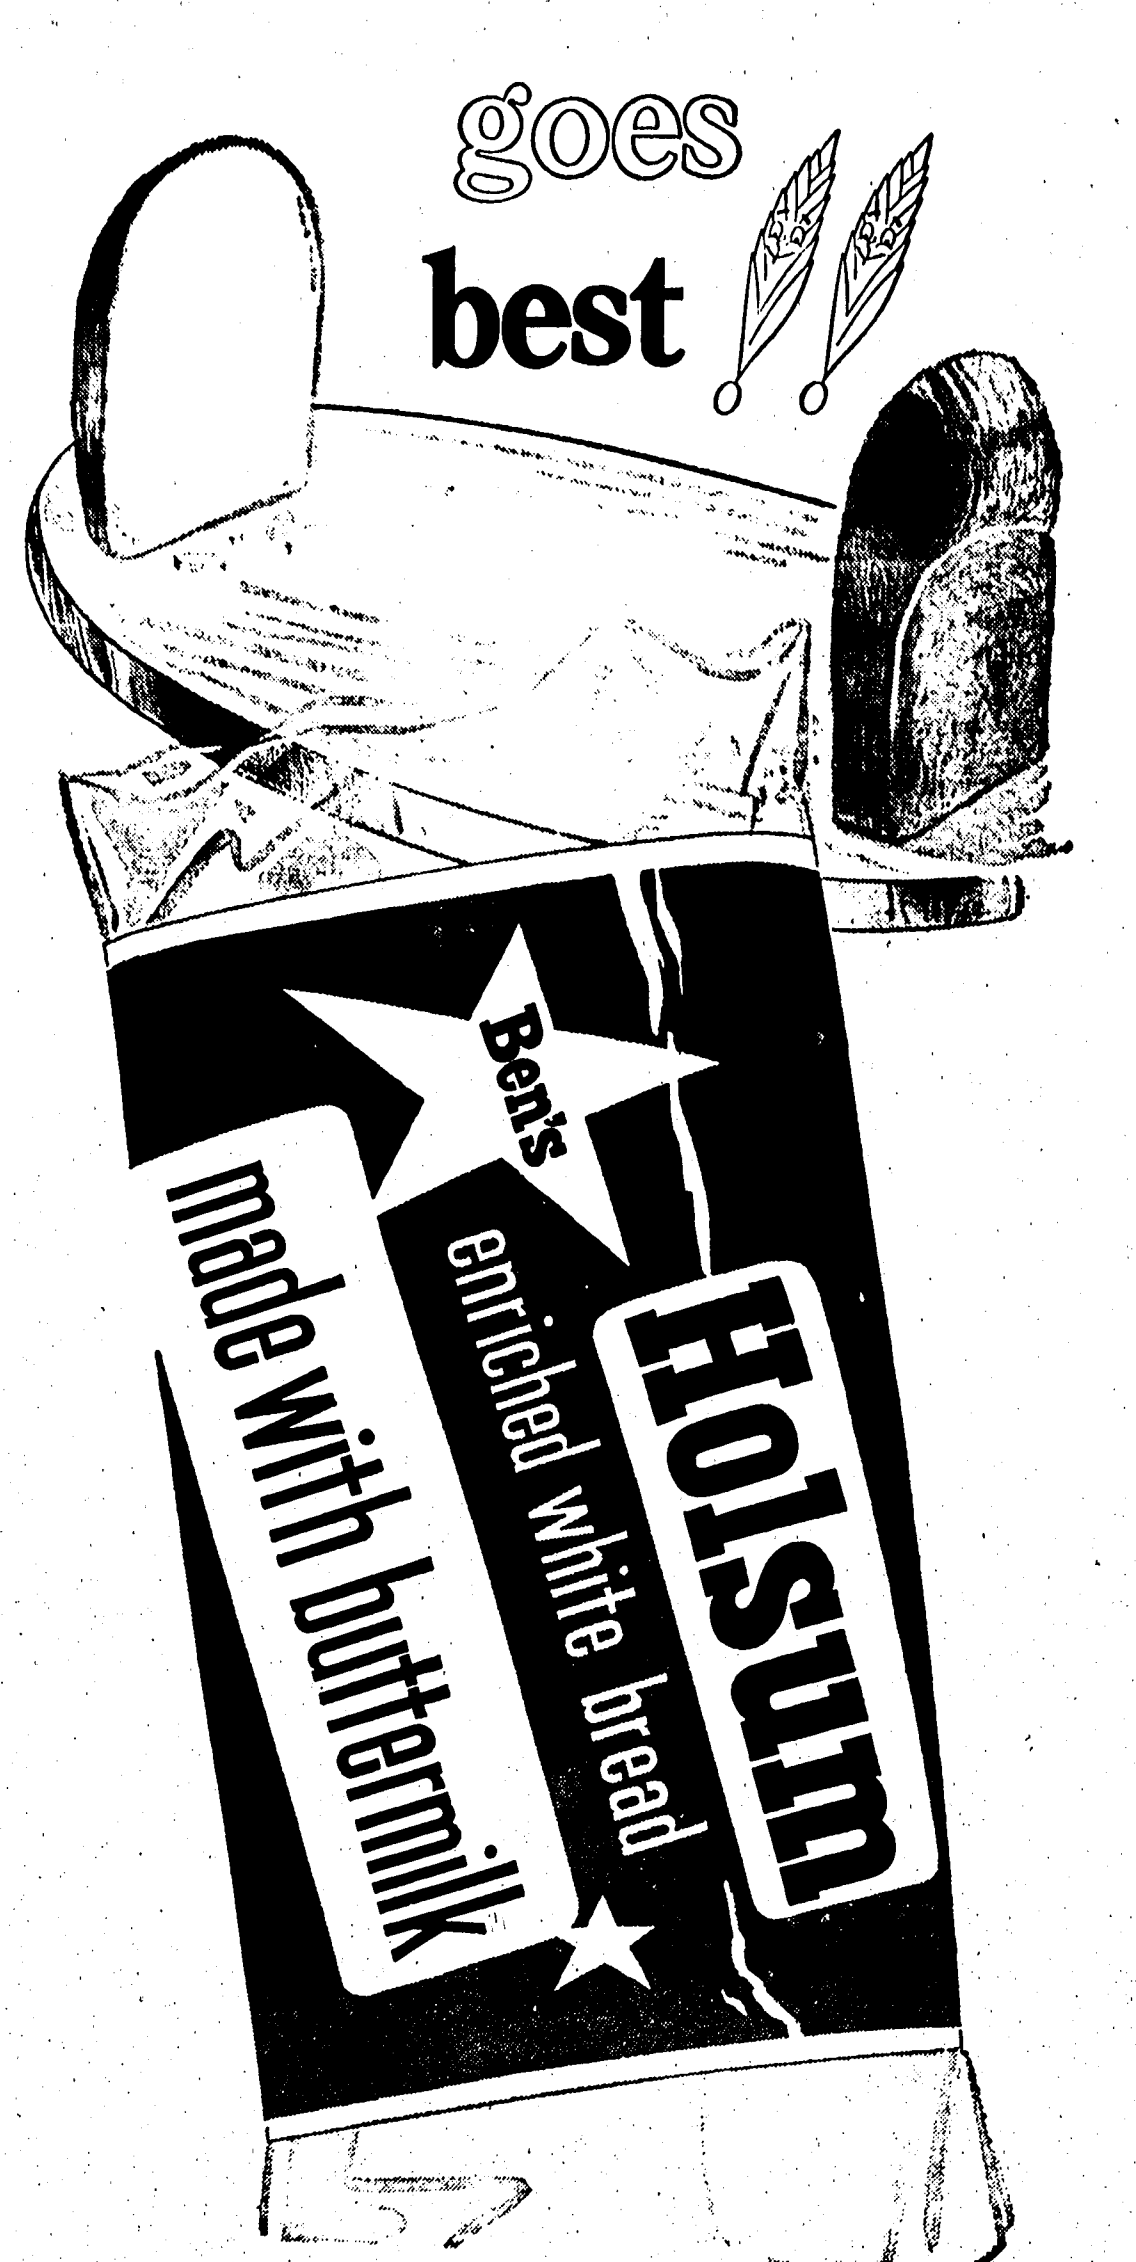

Major General E. C. Plow, retiring lieutenant-governor of Nova Scotia, was praised in the Legislature yesterday as "one of the most active lieutenant-governors we have ever had."

Adjourning the Throne Speech debate, Michael MacDonald (NDP-Cape Breton Centre) paid tribute to the governor and to Mrs. Plow for their graciousness in Government House.
 "He has enhanced the dignity of the office," Mr. MacDonald said. (Chronicle-Herald)

Urges Canadians To Travel More

It is high time Canadians became acquainted with each other and with their respective front porches, back yards and neighborhoods, the Niagara Falls Canadian Club was told recently.

P. Delagrave, general passenger sales manager for Canadian National Railways and first vice-president of the Canadian Tourist Association, said that "when Canadians have felt each others pulse — especially in an atmosphere of holiday — perhaps a true and lasting Canadian nation will begin to evolve."

He said: "It is a shocking statistic that about 43 per cent of Canadians have not lived in or visited any other province but the one in which they reside."

A CN analysis of domestic travel in Canada revealed that between 1957 and 1959 about seven million adult Canadian males made one or more round trips to places 100 miles away or more.

The average Canadian made three and one-quarter such

round trips in that period. The railway survey also showed that about 71 per cent of the domestic travel in Canada took place in Ontario and Quebec. In light of this, said Mr. Delagrave, travel in Canada should be actively promoted. The Canadian tourist industry, and it must consider itself an industry in the truest sense of the word, now is faced with a dual responsibility.

It must induce more foreign visitors to come to Canada, particularly from the United States, our largest source of tourist traffic; and persuade Canadians to know Canada better, he said.

Art Conference At H.M.C.S. Cornwallis

Boyd Barteaux, Inspector of Schools for Lunenburg County, has been named program chairman of a provincial conference on children's art to be held in May at HMCS Cornwallis. The announcement followed a meeting of the executive of the Nova Scotia Society for Education Through Art in Truro recently. Fred Fullerton, art teacher at Clark Rutherford Memorial School, Cornwallis, who is president of NSSEA will be host to the conference.

Mr. Barteaux, who was formerly associated with the Annapolis Royal school system and is well known in this area, is particularly well-suited to the task he has undertaken. He has taken the lead in the province in backing the move in Lunenburg County which resulted in the appointment of a supervisor of art to assist the teachers throughout the municipality. During the past two summers he has lectured in art education to teachers at

Home & School And Driver Education

Back in November of last year the Weymouth Home & School Association

summer school in Toronto. The Nova Scotia Society for Education Through Art has as its principle aim "the encouragement and advancement of education through art in Nova Scotia". Its membership is, therefore, not restricted only to teachers but is open to anyone interested in promoting this aim. NSSEA is affiliated with a national organization, CSEA, and an international organization, INSEA.

The meetings at Cornwallis will comprise the fourth annual provincial assembly of NSSEA. The three previous assemblies were held in Halifax, Truro, and Lunenburg County, respectively.

With this year's assembly being held at Cornwallis, opportunity will be provided for those interested, members and non-members, from the Valley, Digby, and Yarmouth Counties to attend the sessions.

& School Association meeting was honoured by the presence of a fully qualified Driver Education Instructor, one of the few in the province. He outlined a Driver Education program to this group and after this talk, augmented by films on the subject, a Driver Education course was heartily endorsed by the Home and School Association.

Then came the problem of who was to look after finance and arrangements. It appeared there was no way to go ahead with such a program unless some group endorsed the endeavours. A committee was set up to solicit aid from the various service groups in town.

During an executive meeting later, it came out that no help or response had been received from any of the service groups in the area and that the instructor had been able to make arrangements with Weymouth Motors to supply a car, free of charge, and a local insurance agent, Mr. Wilfred Cosman, to supply the necessary insurance, gratis. The car, of course, is to be a dual control car.

The foregoing effort having been made by the instructor, it was felt by the Home and School executive meeting that

with this chance, it would be most unfortunate to turn aside such a wonderful opportunity.

Plans were then discussed for financing such a project. Several were proposed and the one that seemed most appropriate at present was one to coincide with the presentation of the car by Weymouth Motors. It was therefore decided to sponsor advertising in The Digby Courier, to come out at the same time as the car presentation. This suggestion was acted upon and hence the advertising in today's Courier.

There will be other methods of financing carried out, but these will be of such nature to enable all people in the area to have a part in this undertaking, which, after all, is the aim of the Home & School to arouse the interest of all.

Miss Judy McCleave, Halifax, is visiting her parents, Dr. and Mrs. J. H. McCleave, before leaving for Toronto where she has been transferred with the Cannes Plumbing Co. Ltd. Before going to Toronto she will also visit in Boston.

ELMER JARVIS HONORED

Having served 39 consecutive years in the field of education as trustee in home community of Weymouth Falls, and since consolidation of schools in the Weymouth area to continue representing the Weymouth Falls community, Mr. Jarvis tendered his resignation at the annual ratepayer's meeting of school section No. 18, held in January.

At the Founder's Day program of the Home & School Assoc. of the Weymouth area Mr. C. E. Edwards, Inspector of schools, paid tribute to the long term of service given by Mr. Jarvis. In his remarks Mr. Edwards felt some people considered Power the greatest thing in life, others considered Money the greatest, and yet there were people who considered Love the greatest, but that he felt a good Reputation and a good Record were of the most important things in life. These latter two characteristics were exemplified in the life of Mr. Elmer Jarvis. On behalf of the Home & School Assoc., the students and friends in the Weymouth Consolidated area, Mr. Edwards presented a gift, an electric clock, to Mr. Jarvis. A standing ovation and applause expressed the feelings of those present.

SPONSOR ESSAY CONTEST

The Weymouth and district unit of the Canadian Cancer Society held an executive meeting at the home of Mrs. E. A. Fergusson, Feb. 20 when reports were heard from the delegates attending the divisional annual meeting. The president, Mrs. Gordon Campbell, was in the chair and advance arrangements were made for ordering literature and supplies for the annual campaign for funds which is held in April. The allocation for this unit remains at \$17.50, although the objective for the province this year was increased. Mrs. Louis Melanson, Weymouth, the education

Digby Courier

THURSDAY, FEBRUARY 28, 1963

chairman, made the arrangements to contact the three high schools in this unit area advising the students of the senior high school essay contest To Smoke or Not to Smoke. This contest is being sponsored by the Nova Scotia division of the Canadian Cancer Society and is open to all students in grades X, XI, and XII on the subject, To Smoke or Not to Smoke. Each unit is offering cash prizes for the best essays submitted and the best six selected will be forwarded to Halifax to compete for larger prizes on a provincial-wide basis.

This contest is being conducted on a voluntary basis, as far as students are concerned and no additional work on the school or teacher is asked. The minister of education gave his approval, and granted permission for the contest to be held in high schools throughout the province. The student is asked to give serious thought to as much material on the subject as he or she can find, and then to write his or her own conclusion, whether it be for or against smoking. In this way the Society hopes to learn what youth is thinking and also to be in a position to evaluate the material it has been distributing. All students will have excellent practice in original thinking and writing, a large number will have cash to show for their efforts. This contest seems well worthwhile and the parents are asked to encourage their high school students to participate. Mrs. Melanson will be distributing literature to Weymouth High School, Digby and Freeport, during the week and making arrangements for the showing of films dealing with this subject To Smoke or Not to Smoke.

CHURCH WOMEN STUDY ASIA

The United Church Women met at the home of Mrs. Hankinson, Weymouth, Feb. 19 for the regular meeting. Mrs. Allan Irvine, president, was in the chair and conducted the business meeting. The plans were made for a tea and members were reminded to save clothes and articles for the May rummage sale. The program consisted of an introduction and map study of the new book, The Rim of East Asia, conducted by Mrs. Carl Blinn with information and readings given by the following: Mrs. Edera Charlton on Korea; Mrs. Hazel Ford on Okinawa; Mrs. Marina Hill on Taiwan and Formosa; and Mrs. Viola Nickerson on Hong Kong. These countries and places are grouped together because of similar problems, conditions and geographical position, the latter being one of their reasons for being so important in world affairs. These places are so overcrowded with people and have been so battered around with different influences and attitudes, having been under rule of Russia, Japan, China, the Nationalist and Communists, etc., that now is the time for the Church to step in and take a stand for the people of Christianity. The few Christians in these areas need our help and prayers so that they may continue to band themselves together, and maintain the standards and principles of Christianity. The worship service was conducted by Mrs. Withers, who led thoughts and silent prayers particularly for women in Korea. The World Day of Prayer service was discussed.

Nova Scotia Income Increases

Premier Robert Stanfield, during the Throne Speech debate in the Legislature this week said that in the five year period from 1956 to 1961 the per capita income of Canada increased by \$177 — \$41 less than the increase in Nova Scotia. Further, he said that in 1956 Nova Scotians on average made \$76 a year more than New Brunswickers. By 1961 the gap had grown to \$137.

Last year, he said, was a "remarkable year" for Nova Scotia, with a record number of tourists in spite of weather conditions which made a trying year for farmers. It was a good year for the fishing industry, he said, with landed values up 15 percent over 1961 and for the forestry, construction and manufacturing industries.

Sales of commodities reported to the Hospital Tax Commission — "Sales of commodities were higher in 1962 than in 1961; not five percent higher, not 10 percent higher, but more than 12 percent higher," he said.

"Clearly therefore, despite our difficulties, 1962 was a remarkable year for Nova Scotia," he said.

"This does not mean that we have no economic problem in Nova Scotia. We have plenty of problems. We have high seasonal variations in employment. We have chronic unemployment in some areas of the province. And we would like more job opportunities in our province. But Nova Scotians can take confidence from the progress they are making," he said.

"It is folly to ignore problems, but it is greater folly to magnify problems," he said in appealing to Nova Scotians to help create a better picture of this province in the eyes of other Canadians. "We should tell Canada and the world the truth — we should say boldly that Nova Scotia is making great progress," he said.

Message By Governor General

1963 marks the fiftieth anniversary of the 4-H Club Movement in Canada. It is an occasion for all of us to pause to consider the great importance to our country of this outstanding organization.

4-H is a pledge of Head, Heart, Hands and Health to a worthwhile life. 72,000 young people across Canada are engaged in this pursuit. They bring to farming greater scientific and practical knowledge, and to our communities their pledge of "clearer thinking, greater loyalty, larger service, and better living".

Since its inception at Roland, Manitoba, in 1913, the Canadian 4-H Club Movement has grown and prospered, becoming a recognized part of rural extension education programs and an important function of the community activity.

This year to celebrate its half-century, members of the Canadian 4-H Club Movement will participate in the World Freedom from Hunger Campaign, in inter-provincial exchange visits and other special events. These functions merit our interest and our support. I recommend to your care and encouragement the 4-H Club in your neighbourhood, in the hope that the next fifty years may be as fruitful and beneficial as those that have gone before.

In Memoriam

RICE — In loving memory of our dear mother, and sister, Mrs. Hazel M. Rice, who passed away February 28, 1962. Oft and oft our thoughts do wonder

To the grave not far away
Where we laid our dear mother
Just one year ago today.
The depths of sorrow we cannot tell
Of the loss of one we loved so well.
And while she sleeps a peaceful sleep,
Her memory we shall always keep.

— Always remembered by son, Charlie and sister, Annie, nieces, Frances and Thelma. 27:11c

RICE — In loving memory of our dear sister, Mrs. Hazel M. Rice, who passed away February 28, 1962. We mourned for her in silence,
No eyes can see us weep,
But many a silent tear is shed
While others are asleep.
— Always remembered by Ruth, Jim, Terry and Roger. 27:11c

RICE — In loving memory of my wife, Hazel M. Rice, who passed away February 28th, 1962. My lips cannot tell how I miss her,
My heart cannot tell what to say
God alone knows how I miss her
In a home that is lonesome today.
— Always remembered by husband, Joe. 27:11c

MARSHALL — In memory of Corp. Walter M. Marshall, who died in England February 15, 1942. We cannot call the old days back,
And his hands we cannot touch.
But we'll never lose sweet memories
Of the one we loved so much.
— Always remembered by aunts and loving grandmother, Annie Marshall. 27:11p

McCleave Re-offers

Robert J. McCleave, member for Halifax in the federal government, is said to be willing to run again for the Progressive Conservatives in the forthcoming campaign. Mr. McCleave is personally known in Digby where he had attended Digby Regional High

Pupil Learns Through Inter-com.

Paul Titus, young son of Mr. and Mrs. Walter Titus, Jr., a Grade II student, who has been sickly for some time because of cystic fibrosis, is now able to keep up with some of his studies through the medium of an inter-com. system connecting the Titus home and the Westport school. When he is able, Paul can still attend school, but it is mostly only afternoons he can attend.

This system is still in the experimental stage, so until a later date the results will not be known. When talking with Paul's parents the Courier correspondent was told that Paul seems very interested in this, and is doing more work on his lessons than before, but the thing he misses most of the school lessons is the board work, being done at school while he is unable to attend.

The telephone company installed this system just recently and because of the short distance from house to school, it is working quite well.

Mrs. Mildred Shaw is the teacher of primary room who cooperating is appreciated in operating this system. When Grade II is through with their lesson, she can switch the inter-com. off in the school room until needed again. When the one at school is on Paul can hear all the other children answer their questions and they can hear him. It is really wonderful what can be done today, says the correspondent.

School.

Mr. McCleave who is parliamentary secretary to the minister of public works, in announcing his intentions to seek nomination said: "I am pleased to re-offer and my family wishes me to do so. We believe that our government, led by Mr. Diefenbaker, has been and will be the best for Nova Scotia and for Canada."

Form Cemetery Advisory Board

On Thursday evening, 21st inst., a group of men gathered with Rev. Fr. R. Deveau, P.P., of Holy Cross Church, Gilbert Cove, to form a Cemetery Advisory Board. The purpose of this board is to voice suggestions and recommendations of the parishioners to the pastor.

Considerable interest and enthusiasm was shown by these men during the two hours spent under the leadership of Father Deveau. The following were appointed, representing the parish: Peter Weaver, Weymouth North; Everett Deveau, Ashmore and district; Vincent Comeau, Gilbert Cove; James Comeau, of Plympton; Tom Amero, Plympton Rd. and district; Martin Comeau, Barton; Ed Comeau, North Range and district. Westport

Mrs. Harold Height, Lawrencetown, is visiting with her father, Mr. Willard McDormand.

A number of young people were in Digby Friday evening and Saturday enjoying skating at the Digby Forum. Mrs. R. McLean and small son are visiting with her husband, Lie. McLean, pastor of the United Baptist Church. All hope she is feeling better after being ill for some time.

The ladies of the Church of Christ spent an enjoyable afternoon and evening quilting at the vestry on Thursday. A supper was served at the supper hour which eleven sat down at the table.

A number of children and grown-ups have been confined to their homes with colds.

Mr. Lawrence Shaw returned home Sunday from Camp Hill Hospital, Halifax. Mrs. Shaw and Mr. Herman Shaw met him at Digby.

The Past Noble Grand Club of Westport met at the home of Mrs. Holland Titus for the February meeting with ten members present. The minutes of the previous meeting were read by Mrs. E. B. Pugh the secretary. After the close of the meeting Mrs. Titus assisted by Mrs. Percy Welch, served refreshments. March meeting will be held at the home of Mrs. Harley Glavin.

On Sunday afternoon, Feb. 24, a baptismal service was held at the Church of Christ, Westport, when Rev. Neil Burt immersed in the waters of baptism, Katherine Cossaboom, Maxine Guier, Laurel Lee Outhouse, all of Tiverton, and Michael Morehouse, Freeport. Mrs. Neil Burt was organist for the service.

Mr. and Mrs. Weldon Trask were supper guests of her brother, Mr. and Mrs. Paul Morehouse, Deep Brook, on Sunday.

Mr. and Mrs. Robert Berry and family spent Sunday with Mr. and Mrs. Darrell Porter and family in Morganville.

Mr. and Mrs. Robt. Berry visited Mr. and Mrs. Jack Thibodeau in Lequille, Thursday.

DAYS

Many people never seem to get a good night's rest. They toss and turn in bed - and then are dull and listless throughout the day. All of which may be due to a temporary toxic condition which calls for the use of Dodd's Kidney Pills.

Healthy kidneys filter poisons and excess acids from the blood. If they slow down and impurities stay in the system, disturbed rest, tired feeling and backache often follow. If you don't rest well at night - if you haven't that sprightly step of health in the daytime - use Dodd's Kidney Pills. You can depend on Dodd's!

The first exciting feature in flaming color, "Naked in the Sun", in which James Craig, the outraged husband whose beautiful wife is stolen by the slave traders, who he pursues relentlessly through the Florida jungles, wielding a bull whip and ravaging the entire state as he goes.

The second feature is all for fun, and how could it be otherwise with the Bowery Boys in "Dig That Uranium".

Obituary

Ralph Archer Mullen

Ralph Archer Mullen, well known resident of Weymouth North, passed away at the Halifax Co. Hospital, Cole Harbour, February 11, where he had been for over a year following a paralytic shock in 1955 at the V. G. Hospital, Halifax.

He was born at Weymouth North, N. S., in 1876, the only son of Capt. Elijah Mullen and Sarah Copeland Mullen, of Bear River.

He is survived by his wife, the former Janet L. Crousse, of Bear River; one daughter, Louise (Mrs. James Concanan), of New York; one son, Burton C. Mullen, of Washington, N. Y., predeceased him; also two sisters.

Funeral service was held on Friday from Sweeney's Funeral Home, Weymouth, conducted by Rev. C. R. Barkhouse, of the Baptist Church, of which church he had been a member since he was ten years old. He was assisted by Lie. F. Withers, of the United Church.

Underbearers were C. C. Nichols, Dan Hankinson, Fred Manzer. Interment was in Riverside cemetery.

The floral offerings were lovely, showing the high esteem in which he was held.

Semi Finals In Parish League

The last two Fridays have seen even better hockey than usual in St. Patrick's hockey league, as the teams battle for a place in the league finals. So far, St. Pat's have beaten out the Savios and St. Theresa's and the Christophers are tied with one game each, with the deciding game on tap Friday.

The Christophers broke a 4-1 tie to take the first game in their series, with St. Theresa's taking the second one 3-1. Goals for the Christophers were by Mark Amiraault and Mike Surette. The Marshall-town markers were chalked up by Andy Doucette, Danny Doucette, Freddy Jordan, Eric Melanson.

St. Pat's took their series two games straight to ensure their berth in the finals. The first game was a 7-4 walk-away, and they came close to losing the second tilt; but they tied the game in the very last second and went on to take it in overtime when David Wood's blue line slap-shot shot by goalie Greg Gidney to clinch the match. Scorers in this series for the victors were David Wood (5), Doug Van-Tassell (2), John Amero (4), David Doucette (2), Bobby Smith and Richard VanTassell. Savios' goals for the series were scored by Tom Amiraault (4), John Cole, Jerry VanTassell and Vic MacDonald.

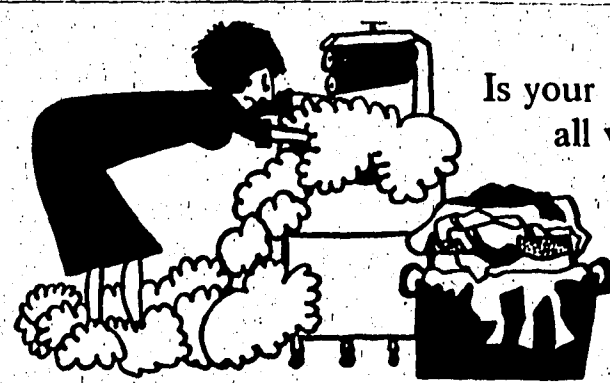

GREGORY HOME SOON

Many people will be pleased to learn that 5 year old Gregory Elliott, Tiverton, a patient in the Hospital for Sick Children, at Toronto, where he recently underwent two delicate heart operations will be coming home soon. His father, Melbourne Elliott, returned from Toronto last week.

SCOUTS & CUBS ATTEND SERVICE

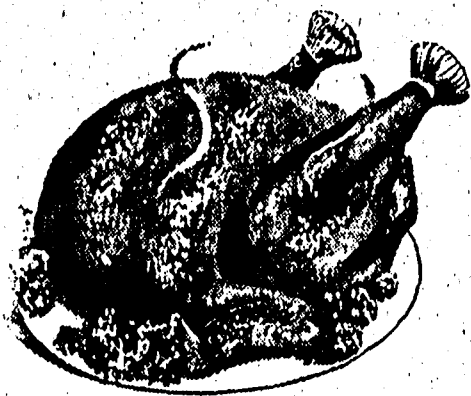

The leaders and young men of the Boy Scouts and Wolf Cubs were welcomed to the Baptist Church, Bear River, on Sunday morning. Messrs. Everett McCormick and Elmer Porter took part in the service. Rev. Aubrey Hubley welcomed the members to the church and spoke briefly on the promises and rules of their packs, reminding the young men their first duty is to God.

Centreville Girl Third In Contest

Early last November Digby Regional High School was notified of an essay contest which was sponsored by the Royal Commonwealth Society in Nova Scotia and by the headquarters of the Society in London, England. The competition was divided into three groups according to the age of the contestants.

Among those entering the Class "A" competition was Carlyn Dakin, of Centreville, who is a senior at D.R.H.S. In late January, Carlyn was notified that her essay had placed third in the provincial competition and the Society awarded her \$20.00 for her efforts. Carlyn's essay was based upon the continued freedom of movement between the Commonwealth countries. This essay, along with other winners in the province, will now be sent to London to enter the Commonwealth competition.

It is interesting to note that Carlyn was also the recipient of the award for the Best in Grade Twelve in Digby County

Obituary

J. Kenneth Wilson

The death of John Kenneth Wilson occurred suddenly. Mr. Wilson was born at Barrington 77 years ago, the son of the late Dr. Howard and Mrs. Hattie (Marshall) Wilson. When a young man he followed the sea. Later he owned and managed a beach resort near Barrington for several years until his retirement about 10 years ago.

Mr. Wilson is survived by one brother, Dr. Alpheus Wilson and one sister, Mrs. Annie Davis, both of Barrington, also one nephew and three nieces. Mr. Wilson was a nephew of the late A. B. Marshall of Bear River.

The funeral service was held at his late home on Friday afternoon, conducted by Rev. Francis MacLellan, pastor of Wesley United Church. Interment was in Riverdale cemetery.

Letter to the Editor

Tiverton, N. S., Feb. 26th/63.

Mrs. E. Wallis,
Editor,
The Digby Courier,
Digby, N. S.

As the author of the letter of two weeks ago signed "Isle Eyes", I wish to retract the statement regarding the young people being "under the influence" of liquor at the school dances at Freeport, also the statement that school officials were consuming liquor during a Home & School meeting.

I realize that these are serious charges and I wish to state that the information I

had received was false.

I wish at this time to apologize to the students, the teachers, the chaperones and the trustees for any embarrassment which my letter might have caused.

Dale Carnegie Says

IN REPLY TO THE QUESTION

"Is Drinking Necessary To Selling?"

"My answer is NO . . . when a man is interested in investing his money in any product, he wants to be sure he will get his money's worth. If a salesman tried to bribe me by offering me a drink, I would have contempt for him and his product."

Three men who direct my adult program through the world, do not drink, I myself do not drink and have turned down a radio show that was to be sponsored by a liquor company.

I told the man in charge that no amount of money would induce me to advertise liquor . . .

DR. BUTCHER GUEST SPEAKER

The February meeting of the Bear River Home & School Assoc. was held in the Oakdene auditorium, on Monday. The Travelling Art exhibition was shown in conjunction with this meeting.

Grade 6 won the Book award for the largest number of parents present. The Founder's Day program was arranged by Mr. and Mrs. Cecil Miller. A poem, The Spare Bed on Miller's Hill, was read

by Miss June Schmidt and Mrs. Cecil Miller. A playlet about Founder's Day was presented by three grade 6 pupils.

Dr. N. A. Butcher, the president of the Home & School County Council was the speaker. It was learned that the first Founder's Day was observed in Canada in 1933. The reasons for Founder's Day were listed as (1) to honor founders; (2) to review achievements; (3) to re-emphasize aims; (4) to educate the

public as to aims and policy. The first Parent's Club in Canada was organized in Baddeck in 1895.

A community concert will be held in the Oakdene auditorium, Bear River. All proceeds from concert will be used to buy books for the Bear River School Library.

PACK MISSION BOX

The February meeting of the Annie Croseup Unit of the Bear River U.C.W. met with Mrs. H. E. Harris, Friday afternoon.

Lent was the theme for the devotional program and the scripture, prayer, etc., were in keeping with this theme.

This being annual Due Day meeting, dues were paid by all those present and those unable to attend sent in yearly dues.

Benson; treas., Mr. Lawrence Henshaw; publicity, Miss Dorothy Hill; tract convener, Mrs. Maurice Darres. Mr. Robert Benson was appointed as representing officer for Youth for Christ.

At the close of the meeting tea and lunch was served in honour of Mrs. Regina Rice who will be leaving for the U.S.A. The president, Mrs. Robt. Benson, presented her with a pen and pencil set on behalf of the club.

holders, crochet and knitting, also three quilts just made for Mission Box were handed on.

The first lesson from the new study book, The Word and the Way, was given by Mrs. Wm. Morine with Mrs. J. F. Milbury and Mrs. H. A. Lantz reading the scripture portions connected with the lesson. This promises to be a most interesting study book.

Mr. and Mrs. Willis Buckler have moved into the house owned by Mrs. Pearl Smith.

Mrs. Regina Rice, who for the past year has been on the staff of the Royal Bank of Canada, Bear River, was a guest of honour at a staff party held at the home of Mr. and Mrs. F. S. Chesley, Tuesday evening. Following a pleasant evening a gift was presented to Mrs. Rice by Mr. Chesley and refreshments were served.

Mrs. Percy Ruggles returned home on Thursday last after treatment at Digby General Hospital.

Mr. and Mrs. P. Orde, of Caledonia, and Mr. Gerald Orde, Toronto, were Tuesday guests of Mr. and Mrs. Denton Orde and family.

A successful pantry sale was held on Saturday in Darres Bros. Store, sponsored by the Guild of St. John's Anglican Church of Bear River.

Mr. and Mrs. Denton Orde and daughters motored to Halifax and Caledonia over the weekend. They were accompanied to the airport by Mr. Gerald Orde who left by plane for Toronto, after spending several days with relatives in Nova Scotia.

Miss Dinie Wright and a friend, David Walker, Kentville, spent the weekend at the home of Miss Wright's parents, Mr. and Mrs. O. T. Wright.

Mr. and Mrs. W. B. Beatty and party of Yarmouth were weekend guests at Riverview Lodge while enjoying the skiing on the ski run.

Mr. and Mrs. Arnold Rice and Mark were the weekend guests of Mr. and Mrs. Hantford Burnie, Litchfield.

Mr. and Mrs. Philip Robertson and children were guests of Mr. and Mrs. A. Denton on Sunday night.

We are glad to report that Mrs. Evelyn Henshaw is making a good recovery after undergoing surgery at Digby General Hospital.

Mrs. T. H. Hood entertained a party of eight at dinner at Riverview Lodge on Saturday evening.

Miss Patricia Dukeshire of Halifax, spent the weekend with her parents, Mr. and Mrs. Cleveland Dukeshire.

Mrs. Edward Fetter and family of Greenwood, spent the weekend with her mother, Mrs. Sydney Cress and Mr. Cress.

The Women's World Day of Prayer is to be held on Friday at the Advent Church.

Last year we added a new Volkswagen.

Now we've added a bit more.

If you've been waiting for a bigger Volkswagen, it's here. The VW 1500 Station Wagon.

With all seats in position, it's a five passenger car.

Fold down the back seat and you get a cargo area of 42 cubic feet that will take 705 lbs. And there's more luggage space under the front hood. (Capacity: 125 lbs.)

One more convenience: this station wagon has no tailgate. The VW's rear door lifts up out of the way.

The engine is in the back to give better traction. And it's cooled with air instead of water to eliminate cooling system problems. The Volkswagen has no radiator to freeze in winter or boil in summer.

The cruising speed and the top speed of the VW 1500 are the same, 80 miles per hour, yet town and country gas consumption averages 33 miles per gallon.

Standard equipment on the VW 1500 Station Wagon includes bucket seats that adjust to 49 different positions; floor mounted gear shift; fully synchronized gear box; a clock; a side view mirror; windshield washers; padded dashboard and sun visors; three ash trays; four arm rests.

If you've been waiting for a bigger Volkswagen (for a little more money) it's at your nearest VW showroom ready for a test drive. And be prepared for one more surprise. This station wagon holds the road like a sports car.

ENDORSE DRIVE

(Continued from page 1)

completion of a campaign for
funds designed to raise \$100-
000 by public subscription.

Mr. Purdy's report revealed
that on February 12 the Board
received final revisions from
the Kenney Construction Co.
and Roy Germain concerning
the changes required but be-
cause of the above conditions
referred to it was not possible
to award the contract. Mr.
Purdy continued:

"However, agreements have
been entered into with the
Kenney Construction Co. and
Roy Germain providing for
the holding of tender bids firm
for a period of six weeks. Dur-
ing this interim period it will
be necessary for the Board to
resolve its difficulties and
establish to the satisfaction of
the Department of Municipal
Affairs that the Board has the
ability to successfully finance
the building project."

Mr. Purdy said "This is not
all the bad news." He then told
of being advised in January
by the Warden of the Muni-
cipality of Annapolis that the
validity of the agreement with
the Annapolis Council had
been questioned. After negotia-
tions with the Annapolis Muni-
cipal Council Mr. Purdy said
he had been advised that the
Annapolis Council was pre-
pared to entertain a motion
to the effect that the Council
would approve the payment of
\$40,000. to the Digby General
Hospital providing the hospital
board would pay 3% interest
charge over a five year period.

"This action, coupled with
the loss of assistance from the
Department of National Def-
ence has played havoc with our
carefully laid plans," said Mr.
Purdy, and continued: "Early
in 1962 our request for a
special grant to be paid by the
Department of National Def-
ence on behalf of naval depen-
dents in the Digby-Corn-
wallis Area was refused. On
the basis that applied in
determining a federal grant of
\$135,000 to the Soldiers Mem-
orial Hospital we had expect-
ed to receive \$100,000. This re-
fusal was a bitter disappoint-
ment and a serious blow to our
expansion program. Had favor-
able consideration been given
to this request by the Depart-
ment of National Defence we
would not be in the precarious
position that now presents
itself. Every effort was made
to convince the Federal Gov-
ernment that our claim for as-
sistance was justifiable. Final
contact with Federal author-
ities was made through our
local representative (Novem-
ber) in 1961. At that time the
Honourable George Nowlan
gave assurance that he would
review the situation and do
what he could to get approval
of some assistance for the
hospital project. He would
advise us of the result of his
efforts on our behalf and sug-
gested that we not contact
him as he would be in touch
with us when he had a final
decision. To date we have had
no advice from Mr. Nowlan's
office and naturally assume
that he was not able to be of
any assistance. This was, nat-
urally most disappointing."

In concluding his remarks
Mr. Purdy made the following
frank statements and plea:
"It would be folly for us to
minimize the gravity of the
present situation. Unless the
conditions outlined this even-
ing can be fulfilled within the
next six weeks there will be
no hospital built in the Digby
Area within the next ten years.
We make this statement fully
conscious of the full gravity
of its implications. Personally
I feel that if the hospital pro-
ject is to be salvaged we must
act promptly and decisively."

THURSDAY, FEBRUARY 28, 1963

Our Canadian Red Cross
serves this community, the
nation and the world in so
many ways.

Canadian Red Cross medical,
nursing and technical person-
nel served in the Congo, Iran,
Morocco and Tunisia in 1962.
To meet the demands of
Nova Scotian hospitals, our
Red Cross must collect more
than 35,000 bottles of blood in
1963.

Unless we are prepared to take
decisive action we will lose
the facilities that the new
hospital would have provided
to the residents of this area.
In addition it will mean the
serious curtailment of an in-
dustry that is presently spend-
ing in excess of \$270,000 in
our community. When the
project is completed the an-
nual cost of operation is
estimated at \$750,000 with a
payroll in excess of \$400,000.
We have done all we could do
to ensure the success of the
hospital program and we
shall continue to work energet-
ically in support of the hos-
pital project but the time has
come when the citizens of this
area must make their wishes
known to our civic authorities.
The Mayor of Digby and the
Warden of the Municipality
are fully informed as to the
seriousness of the situation. It
is my well considered opinion
that the only action that now
will ensure hospital construc-
tion in this area is additional
support from the Town and
Municipality by providing an
additional \$100,000. towards
the project. Positive and ef-
fective and immediate action
can save your hospital. Indif-
ference will delay hospital
construction indefinitely."

Much discussion followed
and many angles considered at
the meeting before definite
steps were taken to launch on
the campaign for funds but
the gravity of the situation
was generally noted if a new
hospital was not built and the
present hospital had to be cut
back to 23 beds. Suggestions
of a smaller hospital were
made but were pointed out by
Mr. Purdy as not being feasi-
ble under the present posi-
tion.

Suggestions from Mrs. M.
P. Gott regarding the Depart-
ment of National Defence and
H.M.C.S. Cornwallis brought a
lengthy review and discussion.
Dr. D. E. Lewis in reply to
this part of the president's
report quoted from a let-
ter from Hon. George Nowlan
in which Mr. Nowlan had stat-
ed the provisions under which
the Department of National
Defence makes a special grant
to hospitals in the area of
service bases. Those provisions,
according to Dr. Lewis, were
when the percentage of service
dependents moved into an
area within a five year period
had increased the normal
population to be served by the
hospital by 10 per cent or more.
On examining of the personnel
situation at H.M.C.S. Cornwal-
lis, it was evident that there
had been no major changes in
the dependent population over
the five year period prior to
1961 in the area served by the
Digby General Hospital. Based
on the current plan it was not
expected, he said, that there
would be any major changes
within the next 5 years. It
was not possible, therefore, for
the Minister of National Def-
ence to recommend any special
grant on behalf of the Digby
General Hospital. Dr. Lewis
stated that this information
had been known in 1961.

Landmark To Be

Torn Down

After standing nearly one
hundred years the old build-
ing known as the Rossway
Community Hall is now be-
ing torn down. It was built
in 1869 by a society known
as The Reform Club. The
land the building sets on was
given to the trustees of the
club by Isaac and Esther San-
ders and their property is
now owned by Waters Comeau
including the hall site
which he has recently pur-
chased. The old building has
been in disrepair for several
years and unfit for use.

In December 1962 a meet-
ing was called by the retiring
trustees, George Thibault,
Cameron Robbins and Waters
Comeau at the home of Wat-
ers Comeau to see what was
going to be done to it and
towards acquiring another
building for a community
centre. The new trustees ap-
pointed were Loren Banks,
Darrell Lewis and Mrs. Ed-
son Specht with Mrs. Specht
as secretary. It was decided
then to tender for the unused
school house which was going
to be sold, this being done
and the building known as
the Rossway school house is
now in the hands of the trust-
ees of the Rossway Commu-

Tufts Heads Blood Campaign

E. B. Tufts was named chairman of the Blood Donor campaign sponsored by the Digby Lions Club under the Digby Branch Canadian Red Cross. Mr. Tufts is now on the road getting volunteer campaigners or donors for the March 18 clinic.

In an interview with Mr. Tufts he said that this year 700-800 bottles of blood will be required each week to meet the blood needs of Nova Scotians. Over 10,000 people in Nova Scotia will receive free blood transfusions this year.

Practically all hospitals in Canada receive their blood through the Red Cross Blood Transfusion Service. Any person who is admitted to any hospital in Canada served by the Red Cross Blood Transfusion Service and requiring blood receives it without question and without charge. This means that an American citizen who enters a Nova Scotia hospital and requires transfusions is given this blood without charge or the necessity to replace it. In consideration of this service rendered to American citizens who are hospitalized in Canada, the American Red Cross has taken the responsibility of replacing blood used by Canadians who are hospitalized in the U.S.A. This applies to Canadians who live in areas supplied with free blood through the Canadian Red Cross Society. (In Nova Scotia only one hospital area does not come under the Red Cross Blood Transfusion Service.) The United States has many hospitals that require blood replacement or the payment of \$25.00 to \$50.00 per bottle of blood if not replaced.

Mr. Tufts said there was great satisfaction in giving blood. There is satisfaction, he said, from the knowledge that your gift of blood may well be "The Gift of Life" and the satisfaction that you are doing your share to provide loved ones with the assurance of these services.

In replying to the question whether any donors are refused, he said that the donor is rejected sometimes to safeguard the health of the donor and sometimes to safeguard the health of the patient, but qualified persons are in charge for any rejections.

Plan New Water Main

On recommendation of the Digby Water Commission, the Digby Town Council on Monday night decided to take preliminary measures towards getting approval of the ratepayers of the town to construct a 10 inch water main and other water system improvements not to exceed \$46,000. Should a new hospital be erected in Digby, it was learned, the improved water system was an absolute necessity but because of fire safety measures it was decided that the new line would have to be installed regardless of whether the new proposed hospital is to be built or not.

It is expected rates would then be raised somewhat.

NOTICE

Because of lateness of copy and lack of space, little of the student's Education Week copy could be used this week. This will be used as space permits in the future.

Town Clerk Appointed

Town council on Monday night opened with a tribute paid to the memory of the late E. Scott Eaton, Digby's town clerk, whose death occurred last week. Mayor V. L. Bent, in a few remarks, praised the work which had been done by a brilliant man and expressed regard for his cooperation with the mayor and councillors who would miss his friendliness for time to come.

Deputy Town Clerk James Whitley was on Monday night appointed Town Clerk to succeed the late Mr. Eaton.

Appointments made to the Board of Health for the town on Monday night were J. W. Christie and Dr. D. E. Lewis. Councillors on the Board are Leigh Jayne, Charles Hersey and Earl Morrell.

The health report from milk, cream and water was good. A health check on various establishments of the town were to be made.

In reporting on the new proposed hospital position Mayor V. L. Bent gave a short sketch of the serious problems encountered and said that a delegation was to meet the Premier of the Province on Wednesday to discuss the matter. An amount of \$125,000, it was learned at the recent hospital meeting, had to be raised within six weeks. Difficulties in raising the amount in such a short time were anticipated and it was hoped some way would be made open so that the hospital plans would be more assured of reality. Those meeting the Premier were Mayor V. L. Bent, Leigh Jayne, Rosco Handspiker, F. C. Purdy, Digby; Warden Ronald Morehouse, Centreville; Lawrence Snell, Bear River, and Medric Comeau, Little Brook.

A report from the Assessment Appeal Court showed that among appeals heard was that of the C.P.R. whose assessment was reduced by \$3,500.

The police report showed 12 complaints laid with the department in February, all except one terminated to satisfaction. Four cases required court action, 1 under the criminal code and 3 under the liquor act. Four motor vehicle accidents were investigated. The streets committee reported complaints that garbage was being lost from dump trucks and suggested that these garbage disposal trucks carry canvass and keep the trucks covered.

Deputy Mayor Helen Anthony reported that the Digby Lions Club would again sponsor an Apple Blossom Festival princess.

Golden Wedding

Mr. and Mrs. Ernest VanTassel celebrated their golden wedding anniversary at their home with many friends and relatives present for the occasion.

Mr. and Mrs. VanTassel were married at Digby on February 18, 1913, and have resided in Digby since that time.

Mr. and Mrs. VanTassel received many cards, gifts and money.

At the close of the evening refreshments were served and the wedding cake cut by the happy couple.

Marks 99th Birthday

Mr. Benjamin Campbell, of Freeport, celebrated his 99th birthday on Thursday, February 28th, at the home of his daughter, Mrs. Alton McNeill.

A number of relatives and friends called to extend congratulations to the fine old gentleman, who is enjoying the best of health. He says he will be glad when the ice melts and he can get out and have a good walk again.

Mr. Campbell received many cards, gifts and a birthday cake made by his granddaughter, Mrs. Watson Crocker.

We wish him many more happy birthdays.

Carnival Queen Crowned

Although disappointed because unforeseen circumstances caused curtailing of some of the program at the 10th Digby Ice Carnival on Saturday night, a full house was on hand at Digby Forum to enjoy the show and witness the crowning of Miss Carol Young as 1963 Ice Carnival Queen.

Miss Young, daughter of Mr. and Mrs. John Young, was crowned by Betty Anne Nichols, the 1962 queen. Chosen as 1963 princesses were Miss Lila Wong, daughter of Mr. and Mrs. James Wong, and Wendy Robicheau, daughter of Mr. and Mrs. LeRoy Robicheau. Princesses in 1962 were Karen Watkins and Julie Warner.

Above, left to right, front row, are Ray Thibault, co-chairman of the carnival; Betty Anne Nichols, the new queen, Lila Wong, Julie Warner, Wendy Robicheau, Karen Watkins. In the second row are the royal party select attendants, left to right, Rae McCleave, David Turnbull and Vaughn Pyne. Spectators are in the background.

Judges for the queen and princess contests were Mr. and Mrs. Robert Potts, of Upper Clementsport, and Mrs. Donald Brennan, Bear River. Cups and bouquets were presented by President Buddy Barr. The contest was in charge of Mrs. J. R. McCleave. Fire Chief George Humphrey presented gifts to the judges.

Just before the carnival was officially opened by Mayor Vernon L. Bent, word was received that members of the Halifax Blue Blades skating club, who were to perform, had been in a car accident in Wolfville enroute. Word later arrived that none of the Blue (Please turn to page 8)

Discuss New School

A special school meeting at Deep Brook section was held at the Parish Hall, Thursday evening. Frank Dilmars was appointed chairman and Mrs. Laura I. Spurr secretary.

There were approximately 74 present. Harold A. Purdy, member of a committee previously appointed to appear before the Municipal School Board presenting a resolution passed at the annual school meeting asking for a new school or renovations with additional rooms to the present one, presented the report of the committee which had also met with three members of the Municipal School Board; chairman L. L. Snell, Malcolm Balcolm, and Harold Messenger on the afternoon of the meeting and looked over the present school.

Mr. Purdy reported that the ultimate conclusion and suggestion made was that Deep Brook ask Clementsport to consolidate with them to build a new school in the district. The cost of a new school would be shared by the Provincial Government to the extent of 68 percent along with the County for the remaining 32 percent.

Location of building site would be decided later. Raymond Moore Sr. moved and Murray Oickle seconded the motion in favor of accepting this suggestion, and that a committee be appointed to meet with Clementsport at an early date to discuss same.

A committee consisting of the local board of trustees, along with Messrs. Raymond Moore Jr., Harold Purdy, Murray Oickle and Robert Purdy was appointed.

Education Windows

Besides the afternoon tea held at the Digby Regional High School yesterday and various other observances for Education Week, several windows in the down-town stores were arranged with school work.

Wright's of Digby Ltd. featured work from St. Patrick's Academy. The features included English grammar exercises and poster work. The poster work depicted pioneering days, agriculture, health, clothing and vocations.

Grades 7, 8 and 9 of the Digby Junior High displayed their work in Ruggles Hardware window. These included creative writing, art, math, geographical work, health, geography and history. One special feature was Fishing in Digby, showing a drawing of the wharf and fishing boats.

In Twalt's window was seen the work from the Digby Primary School consisting of animal posters, African village, writing and printing. Pussy willows made by the pupils of twigs and cotton batting, added interest.

Soap carvings from the Intermediate classes were displayed in the window of the Elite Shop. Posters featured various races of people, health, animals and the solar system. A telegraph system was shown by construction work.

Promoted

Mr. and Mrs. George Harris and daughter, Cindy, of Sackville, N. B., left this week for London, Ont., where Mr. Harris has been appointed district supervisor of stores for southern Ontario with Stedman's. Mr. Harris is a son of Mr. and Mrs. Russell Harris, Digby.

Mr. Harris received his early training with Stedman's in Digby, Bridgetown and Bridgewater and took his first managership at Wolfville, thence to Kingston, N. S., and Sackville, N. B.

Digby Baptist Male Quartette Special Guests

The Christian Men's Fellowship of Weymouth and surrounding area held their monthly meeting at Ashmore, Digby Co., in the Bethel United Baptist Church, Monday, March 4th.

The president, Harry Lewis, presided over the meeting. Gifford Lewis led the song service.

Frank Gavel followed the business portion with a well prepared devotional period.

Rev. Lorne Nethercott, Church of Christ Disciples, Weymouth, introduced the guest speaker for the evening, Rev. Marvin Durling, Reformed Baptist minister, Havelock, who gave an inspiring message.

The Digby United Baptist Male Quartette were invited for the occasion and rendered four beautiful selections, accompanied by their organist, Mrs. Jean Olsen. The president, Mr. Lewis, expressed his appreciation to them for their wonderful message in song and extended to them a special invitation to attend a meeting at Johnston Christian Park in June.

A large number were in attendance for the meeting. Organist for the evening was Mrs. Scott Kinney, of Bethel Church.

Tribute

At a recent meeting of Zelma Rebekah Lodge, Sister Helen Daley sang "Safe In The Arms Of Jesus" during the draping of the charter in memory of Deputy Sovereign Grand Master Thomas W. Chestnut, of New Jersey, U.S.A.

Several ideas were discussed for entertainment and it was finally decided to have a penny sale at the next meeting on March 11th.

After the business meeting the members joined in a game of bingo with prizes.

World Day Of Prayer

The youth of the churches featured more prominently in the World Day of Prayer this year when young people of all the Protestant churches in Digby gathered at Grace United Church on Friday evening, C. G. I. T., Guides, Brownies, Explorers, Cubs, Scouts and other youth organizations, making approximately 100 young people, mostly in uniform, participated in the service based on the theme "More Than Conquerors".

Rev. R. H. Hughes gave the address in which he stressed the fact that we can do more than we can. He used the story of David and Goliath to show that we are more than conquerors not in our own strength but in the strength of God. We conquer, he said, by being inspired to a good cause as David Livingstone, who did the seemingly impossible, Jesus Christ, the speaker said, was the best example of a conqueror. He overcame fear of failure, overcame hatred by love and overcame death by dying. The Resurrection proclaimed Him more than conqueror.

The youth were called to worship by Miss Elizabeth Cardoza. Others taking leading parts were Levi Keddy, Maurice Thibodeau, Janet Hawkins, Linda Lewis, Frank Ayer, John Brittain, Keith Hawkins.

Solos were sung by Miss Connie Adams and Lawrence Marshall and the combined C. G. I. T. choirs rendered an anthem.

Receiving the offering, which amounted to \$12.10, were Patty Morgan, Elizabeth Sabean, Michael Wright and Peter Applejohn. Ushers were Roger Wright and Kevin Graham.

On Friday afternoon a Children's World Day of Prayer service was held in the United Baptist Church at Centreville. The service was under the leadership of Mrs. Ronald Morehouse, with Mrs. Loran Titus supplying the music and Mrs. Keith Raymond taking part.

Those taking part in prayer were Marlene Morehouse, Janet Morton, Janis Raymond and Karna Titus, followed by the Lord's Prayer by all.

The scripture was read by Russell Titus, Marlene Morehouse and Charlene Titus and a poem was read by Wayne Titus - "Brothers and Sisters All".

Rev. Max Spencer spoke to the children on "Boys and girls praying to Jesus".

A duet was sung, "God Sees The Little Sparrow Fall", by Raymond and Karna Titus. The offering was taken, which amounted to \$2.85. Mrs. Keith Raymond read a story about a Korean boy, "The Long Rope".

Hold Annual Meeting

The annual meeting of the Digby County Ratepayers' Association was held on Monday, March 4, at the Maple Leaf Hall, Conway. President, Lloyd Jefferson, Rossway, gave his report for the year and stated the needs for the organization. He said he could not understand the apathy on the part of the general public when matters of government on all levels from municipal up to federal should be the concern of every ratepayer and citizen, and he closed with the wish that this coming year would see an increase in the interest and participation on the part of the general public.

A discussion on the past session of the municipal council was held and many questions regarding taxes and expenditures were directed to councillors Gott and Wood. Both councillors stated the need for the public to pay their taxes promptly and not feel that taxes can be paid last. Much discussion was on welfare services, municipal homes and other welfare homes, costs, etc.

The disposal of the municipal home was discussed and councillor Gott explained that the council is forming an industrial committee to work toward securing industries in the County and especially the municipal home property for which they are trying to secure a small industry. Approval of this was expressed and a resolution passed authorizing the executive to petition the Honourable E. Manson, Minister of Trade and Industry, to do everything in the government's power to assist the council and the people of Digby county in bringing secondary industries into the area.

Dissatisfaction was expressed over the lack of proper sanding on the back roads and a resolution passed to be sent to the Honourable Stephen Pike, Minister of Highways, to the effect that when the budget is being made up for the next winter that thought be given to providing more money for salt and sand than has been in the past.

The proposed new Digby hospital came under discussion and great concern was expressed at the possibility of the expansion program having to be cancelled unless the \$125,000 could be raised by public subscription. Many felt that the need is desperate and urgent for a new hospital. The matter of the rejection of the Department of National Defence Grant came under discussion but no solution to the problem could be found other than the public digging down in their own pockets. It was mentioned that a delegation of civic officials were going to Halifax on Tuesday to try to find a solution and prevent the abandoning of this project. An appeal was made to every one to dig down and give as best as they could.

The election of officers resulted as follows:

President, Harold A. Sulis, Smith's Cove; vice-president, Lawrence Banks, Conway; Treasurer, Earl Porter, Hill Grove; secretary, M. P. Gott, Directors: James Gorst, Bear River; Rev. Willard Clayton, Jordantown & Conway; Stanley J. Weir, Smith's Cove; Elmer Jarvis, Weymouth Falls; V. B. Trefry, Weymouth North; Walter Thibault, Plympton District; Allan Thomas, Plympton; Burtis Freeman, Bear River; George Thibault, Rossway; Frank Hazelton, Culloden; Lloyd Simms, Marshalltown; Lloyd McNeill, Marshalltown, and Lloyd Jefferson, Rossway.

More Parking Meters

Digby town council on Monday night decided to install 6 more parking meters in the town. The meters will be 5, 10 and 25 cent meters for the benefit of shoppers and will be installed on the south side of Prince William St. in the area adjacent to the Acadian bus property.

The six double meters will be installed as soon as the

E. Scott Eaton Passes

E. Scott Eaton, town clerk of the town of Digby, N. S., passed away at the Digby General Hospital on Thursday.

Born at Auburn eighty years ago, he was a son of the late George and Louise Magee Eaton. He graduated from Acadia University, class of 1903, and from Maritime Business College in 1904. He taught at the Maritime Business College following graduation and later at the Charlotte-town Business College. For a number of years he was head of the business department of Alberta College, Edmonton, Alta. For eleven years he was owner and manager of Success Business College, Vancouver, B. C. From 1923 to 1931 he served as Bursar and Registrar of Brandon College, Brandon, Man.

In 1931 he returned to the east where he served as Purchasing Agent and Superintendent of Buildings and Grounds at Acadia University. In 1940 he moved to Digby, where he served as accountant for the firm of H. T. Warne Ltd. Nine years ago he was made Town Clerk of the Town of Digby.

He was a senior Deacon of the Digby United Baptist Church and had been church treasurer for over twenty years. He was a past president of the Rotary Club of Wolfville and of the Kiwanis Club of Digby. Active in Masonic circles he was a Past Master of Maple Leaf Lodge, A.F. & A.M., Vancouver, Past District Deputy Grand Master of District Number Two, Nova Scotia and a member of the Scottish Rite, Valley of Halifax, N. S. Thirty-two degrees.

His wife, the former Hazel Andrew, predeceased him one year ago. He is survived by two sons and a daughter, Charles of Wolfville, George of Rochester, N. Y., and Jean (Mrs. Howard Dawe) of Grand Mere, Quebec.

King Solomon Masonic Lodge held a Masonic service at Jayne's Funeral Home, Digby, on Friday evening at 7 p.m.

About This and That Parent's Rally

We looked through a school year book last week, we saw pictures of the Digby Regional High School teachers. A number of these teachers have been in town for a considerable number of years and so the faces were familiar but many of them were unfamiliar to us. We thought of the number of teachers who not only teach in Digby's High School but also in the Intermediate and Elementary schools whom we do not lay eyes upon during their entire stay in town. We figured that if we had not met the teachers there must be others, even parents of present school children, who have not met the teachers of Digby schools. This is certainly not the most effective way to teach boys and girls instead of subjects for to teach a boy or girl to the best advantage we would think that it could be helpful to understand his home-life and to know those with whom he is associated when not in school.

Naturally our mind went back to that now almost forgotten Home and School Association which served a useful place in Digby for some years. Among other things it gave parents an opportunity to meet the child's teacher and opened a way to discuss problems affecting three sides of the teacher-parent-child triangle. We saw an idea in a weekly newspaper where all the teachers of the schools in a town were introduced, one each week, to the public by a picture and write-up. This could be of some help in making acquaintance with the teacher but the personal relationship would still be lacking.

We were happy, then, to hear last week that a Parent's Rally will be held in the Digby Regional High School in the near future, possibly after the Easter vacation, when parents and teachers will have an opportunity to discuss the welfare of the child who is of mutual interest to them. The tea held yesterday no doubt has given the usual Education Week opportunity to understanding of parent-teacher-child problems but the more casual Parent's Rally would, it seems, present greater opportunity for better understanding and relationship. Who knows, the proposed Parent's Rally might revive Home and School organization in Digby. If it doesn't, what is wrong with a "rose by a different name" to accomplish the same end? Parent's rallies could be held frequently and serve the purpose in the present time when buying water-coolers and play-ground swings is unnecessary. Of course, Home and School or Parent's Rally, call it what you will, isn't going to be worth the effort unless the parents rally. The business on the hill is a big business but it was never meant to be a factory. It is an institution of learning where not only subjects are taught but where characters are developed and the lives of girls and boys, the future leaders of the world, are moulded. Are you interested, parents? Then rally when the Parent's Rally date is announced.

Tribute To A Teacher

Occasionally, but not often enough, is a tribute paid to a school teacher — a person who sets an example and is a leader of youth. How often someone will look back over the years and give credit privately for some accomplishment to a school teacher. Not so often are their virtues extolled in public.

It was with great admiration that we saw a recent write-up in the Bridgetown Monitor of Miss Donald Fraser, a high school teacher in Bridgetown. The editor, having taught with Donald in Parrsboro, has been especially interested and people in Bear River where Miss Fraser visits are also interested.

Of the many accomplishments attributed to Miss Fraser in the article we liked the following —

"Varied though her activities have been, Donald Fraser makes her greatest contribution as a class-room teacher.

The late Dr. "Ern" Robinson, an almost legendary figure in Nova Scotian education, used to ask a stock question of teachers when he visited them as an Inspector.

"What are you teaching this morning?"
"English," would be the answer; or, "Arithmetic," or, "Science."

"That's too bad," Dr. Robinson would reply. "I was sort of hoping you were teaching boys and girls!"

The measure of Donald Fraser's success is that she always teaches boys and girls. She sets high standards for them; she does not tolerate sloppy work; but she has the happy knack of giving her pupils confidence and inspiring them to do their very best.

For her service to the profession and to the young people who have passed through her hands we feature a first-rate teacher, Miss Donald Fraser.

During this Education Week, The Digby Courier pays tribute to our special friend above and also to all the school teachers who are "teaching boys and girls" and not subjects in a curriculum alone.

Red Cross — 100 Years Old

Misfortune may strike anyone anytime. You, a member of your family or a close friend may someday need a blood transfusion. Nearly 135,000 Nova Scotians have received one or more transfusions to date.

The Canadian Red Cross free blood-transfusion service assures you that whole blood and blood products will be available when you need them — and at no charge to you or no obligation to your family or friends.

This is another Red Cross step toward the improvement of health and the relief of suffering in our community, a step that depends on many thousands of men and women who give their blood and on many thousands who give their financial support to maintain this important health service.

March is Red Cross Month in Canada and 1963 marks

committee of Red Cross. You can help now through a generous donation to the Red Cross Volunteer Canvasser. You can help during the rest of the year by becoming a regular blood donor.

Campaign Slogan is "Every Step of the Way, Your Red Cross Serves You."

HOW MANY ARE BANK CUSTOMERS?

A safe guess would be every one of them / That's because, in Canada, practically everybody has regular dealings with a chartered bank / Deposit accounts number more than 12½ million — or better than one for every adult. And on the books of the banks at any one time are 1,800,000 loans for just about every personal and commercial purpose / Through 5,000 branches, from one end of the country to the other, the chartered banks bring a full banking service within the reach of everyone.

Cook Book Prize Winner

Mrs. Donald Marshall, Digby, was first prize winner in the Chronicle Herald Cook Book competition. Mrs. Marshall's prize was \$150. In announcing the prize the Chronicle Herald said that her \$150 recipe for Different Beef Stew caught the judges' eye — and then their taste — above all the others.

It was attractive, tasty and of high nutritional value. It was also fool-proof, its ingredients were readily available in the Maritimes and it was suited to Maritime eating habits.

Mrs. Marshall, who has been married for 37 years, has had plenty of experience in the kitchen. And cooking is something about which she is enthusiastic. Like the other winners she enjoys experimenting a lot and much of her skill has come from what she learned from her mother.

"I always liked cooking and I find it interesting to try something different. My husband likes good food and now there are only the two of us (their daughter is married). I can concentrate on cooking perhaps more than I did."

Following is Mrs. Marshall's winning recipe:

DIFFERENT BEEF STEW

3 pounds shoulder beef (cut in cubes)
2 medium onions, sliced
1 tsp. fat
1/2 cup vinegar
1/2 cup molasses (scant)
1 cup water
1 tsp. salt
1 tsp. celery salt
1/2 tsp. pepper
6 carrots, scraped and cut in pieces
1/2 cup raisins
1/2 cup ginger
1 1/2 cups tomatoes (canned)
Sprinkle meat with flour. Brown onion and meat in fat in heavy saucepan. Combine vinegar, molasses, water and seasonings. Add to meat. Cover and simmer until meat is tender. Add carrots, raisins, ginger and tomatoes. Cook until carrots are tender. Serve with mashed potatoes or hot cooked rice. Makes 12 servings.

Mrs. Don Marshall, Digby.

Education Week —

FISHING IN NOVA SCOTIA
Fishing in Nova Scotia can be fun. But for the people who live in Digby it is not fun. For the people in Digby fish to make a living. Every day men take out their boats. They go to the Bay of Fundy to fish. They fish from morning to night just to get the scallops. For the Digby fleet is known all over the world. From the North Pole to the South Pole people have heard of the Digby fishing fleet. If it were not for the scallops Digby would be just another town on the coast of Bay of Fundy.

Larry Amero, Grade VI, Age 12.

A WINTER'S DAY

What a surprise awaited me as I awoke and looked out of my almost frosted window that early December morning. The arching trees covered with hoar frost were like the fairyland described in some book you have read. It came to me just at that moment that I would never forget the dazzling snow, the pearl-like trees, diamond-studded ice and the soft sparkling snowflakes as they formed a soft blanket on the dark brown earth. This beautiful landscape would stay in my heart forever.

Dianne Coffreau, Grade 6, Age 11, St. Patrick's School.

Letter to the Editor

March 6, 1963.

Mrs. J. M. Wallis, Editor, The Digby Courier, Digby, N. S.
Dear Mrs. Wallis:

The article headlined "Endorse Drive For Hospital" on Thursday, February 28 quoted me as saying "the campaign to be successful should amount to \$225.00 out of pocket per family served by the hospital".

Unfortunately, this statement as it appeared has caused considerable misunderstanding in the community as to the intentions of those organizing the campaign for funds to build the new Digby General Hospital. I would appreciate the opportunity to clarify this point.

It is definitely not being proposed that each family in the Digby area be asked to contribute \$225.00. What was said was that the objective of \$125,000, after gifts from national firms and others had been considered, means an average cost to families being served by the Digby General Hospital of \$225.00.

During the campaign we will ask every family to give what each can afford. Whether this amount is \$1.00 — \$1,000.00 — or more, a gift from every family is needed.

Sincerely,
Harry E. Thomas, Campaign Director, \$125,000 For A New Digby General Hospital.

Retires After 44 Years

A party was held in the Granville Ferry community hall recently in honour of Postmaster and Mrs. J. Prescott Littlewood. Mr. Littlewood is retiring as postmaster of Granville Ferry after serving the community for 44 years.

On behalf of the community Mr. Alburn Ruffee, Mrs. F. F. Smith, Mr. Edward Caswell and Postmaster Victor Bell of Annapolis Royal, expressed their thanks to Mr. Littlewood for the service received during his many years as postmaster.

Mrs. Littlewood was presented with a beautiful bouquet of flowers and vase by Mrs. F. F. Smith and to Mr. Littlewood a "lazy-boy" chair was presented by Mr. Alburn Ruffee.

Mrs. R. T. Chisholm and her committee served refreshments. Mr. and Mrs. Littlewood thanked each and every one for a delightful evening and gifts. The singing of For He's a Jolly Good Fellow, brought the evening to a close.

The Disaster Services of our Red Cross provided emergency aid for 1052 Nova Scotian men, women and children last year. The majority were victims of fires.

Finals On Wednesday

St. Theresa's and St. Pat's squared off Wednesday afternoon in the first game of a best of three series. The second game is to be played Friday. Some very good hockey is promised from these two hard-skating teams as they each aim at the championship trophy.

Last Friday St. Theresa's won their berth in the finals by white-washing the short-staffed Christophers 10-0. Goals were by Pete Comeau (3), Danny Doucette (2), Jimmy Melanson (2), Sherwin Doucette (2), and Freddy Jordan.

In the second game of the afternoon the St. Pat's squad sharpened their claws for the finals by taking an exhibition game against the Savios 13-6. Goals for the championship contenders were scored by Doug VanTassell (7), John Amero (3), David Doucette (1) and Paul Theriault (2).

Savios' markers were chalked up by Tom Amiraull (5) and Greg Gidney.

The parish Holy Name Society has realized a considerable sum in aid of the league, this money being raised by a card party and penny sale held on Shrove Tuesday. The men on the C.P.R. wharf have also made two donations as a result of raffles held there for this purpose, and several parishioners have consented to donate the trophies to be awarded at the end of the season.

In Memoriam

HANDSPIKER — In loving memory of John C. Handspiker who passed away March 11, 1941.
Peacefully sleeping, resting at last,
His world weary troubles and trials are past.

He suffered in silence, and patient he bore,
'Till God called him home to suffer no more.
— Sadly missed by his daughters, Bessie, Della and son, Leonard. 28:1c

THIBAUT — In loving memory of a dear mother and grandmother, Mary Philomene Thibault, who passed away March 9th, 1962.
Who would recall her, to share in the strife
Of suffering and toil in this battle of life.
Better in Heaven, far better than here.
Only, we miss her. We loved her so dear.

She was always so helpful, kind and true.
But, dear God, she has found Peace in Heaven with You.
— Always and forever remembered by daughter, Beatrice, son-in-law, Howard, and grandchildren, Alvina and Shaufner. 28:11c

PORTER — In loving memory of Gerald E. Porter who lost his life in the sinking of the Novadoc, March 3, 1947.
Looking back with memories Upon the path he trod,
We bless the years we had with him,
And leave the rest with God.
— Always remembered by parents, sisters and brothers. 28:1p

DENCHFIELD — In cherished memory of Dallas Denchfield who was called home to be with his Lord, March 1962.
— Ever remembered by Helena, Albert, Sandra and Pamela Comeau. 28:1c

OUTHOUSE — In loving memory of our dear father, Edward E. Outhouse, who passed away March 11, 1956.
Gone into that light that shines so fair,
Gone from the earth of sorrow and care.
Resting those hands that did their best,
Gone dear Father, gone to rest.
— Always remembered by his family, Elsie, Alvah, Genevieve, Edwin, Curtis, Lloyd, Violet and Hugh. 28:1c

PETERS — In loving memory of Ralph Peters who was lost from the S. S. Novadoc, March 3, 1947.
— Lovingly remembered by Mother, Dad, brothers and sisters. 28:1p

CONCERT WELL ATTENDED
A well attended community concert was held in Oakdene auditorium on March 1. Proceeds from the concert are to be used by the Home & School to purchase books for the Bear River school.

A chorus from the Bear River Fire Department sang several numbers. Dr. Brennan sang a solo, and the Duke-shire sisters sang a trio. Also piano solos were played by Miss Joy Peck and Miss Hebb.

The Women's Institute presented some of Nova Scotia's "firsts". The Baptist Explorers acted in a pantomime called A Day on the Farm. The Ladies Circle presented an Indian Tableau. The CGIT and the Explorers and Sigma C. presented two folk dances. The Boy Scouts acted in several skits. Two plays were produced. Wanted, A Housekeeper, and Home & School. Both were enjoyable comedies.

Sorry to report Mrs. John Nichols, Seabrook Road, on the sick list. Her many friends join us in wishing her a speedy recovery.

Misses Catherine and Carolyn Murley of Halifax, spent the weekend with their parents.

Outhouse, Jr., also entertained at a party held at his home on his fifth birthday on Saturday. Both boys received many gifts.

Wishes for a speedy recovery are being extended to Mrs. George Bouchie, who was taken to Digby General Hospital following a recent heart attack.

Mrs. John Outhouse and daughter, Verona, visited at the home of Mr. and Mrs. Walter Titus, Jr., and family at Westport Thursday.

Southville

Mrs. George Ayer and Mrs. Oressa Steele spent Monday afternoon with Mrs. Ralph McCullough, Riverdale.

The Red Cross ladies held a quilting party at the home of the Misses Comeau, Feb. 18th.

Mr. and Mrs. Vernon Goudy and son David, of Danvers, were dinner guests on Sunday of Mrs. Oressa Steele and called on Mr. and Mrs. George Ayer.

The Ladies Hospital Aid met with the Misses Comeau

ents, Mr. and Mrs. Cecil Murley.

An interesting and well attended service was held in Hill Grove United Baptist Church on Sunday afternoon, the first after two cancellations due to storms. The musical portion was furnished by the junior choir, with an interesting and informative sermon by the pastor.

on Friday. Mr. and Mrs. Harley LeBlanc and Mrs. Charles Dugas, Ohio, spent Sunday the 17th with the Misses Comeau.

CHEVROLET

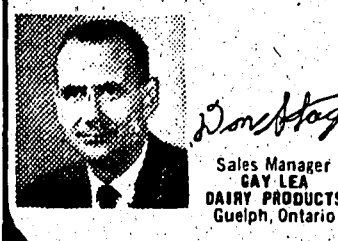

KEEPS DELIVERY COSTS DOWN!

DEMANDING MULTI-STOP MILK ROUTES: Gay Lea's Chevrolet fleet is in the road regardless of weather. This is where Chevrolet's dependability pays off.

"BY STANDARDIZING ON CHEVROLET WE PUT OUR DELIVERY OPERATION ON A SOUND BASIS"

"Heavy loads and multi-stop routes are demanding, but our Chevrolets are doing a wonderful job — giving us dependability and economy."

WIDE-RANGING PICKUP AND DELIVERY ROUTES are a real day's work, that's why Nelsons run only Chevrolets in their busy greater Vancouver operation.

"CHEVROLET TRUCKS HAVE WON OUR CONFIDENCE AND SATISFACTION"

"We have 121 Chevrolet trucks averaging 20,000 miles a year on short run, multi-stop routes. We have so little down-time, we have reduced the number of spare trucks from 4 to 2."

Executive Vice-President
NELSONS LAUNDRIES LIMITED
Vancouver, B.C.

"THE ECONOMY AND PAYLOAD WE NEED"

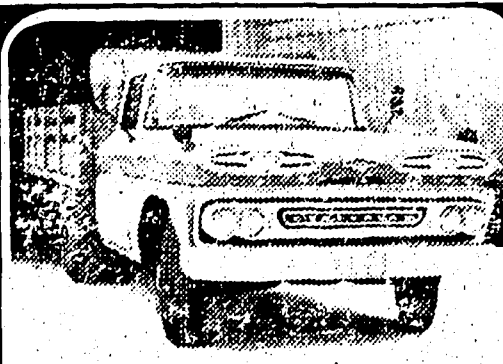

"We have 3 T60 Tilt Cab Chevrolet trucks with 6-cylinder engine, 5-speed transmission, and 2-speed rear axles. With that combination, we haul maximum payloads and get the economy we need."

Traffic Manager
ROYAL CITY FOODS LTD.
New Westminster, B.C.

HEAVY DELIVERIES IN HEAVY TRAFFIC — A TOUGH COMBINATION. Chevrolet T60's extra visibility and manoeuvrability give Delnor drivers the edge in heavy traffic and in cramped quarters.

HUSTLING HIGHWAY AND CITY HAULING: Pickups in Montreal — expressway runs — deliveries at off-the-road sites — they're all part of a day's work for this Chevrolet fleet.

"CHEVROLET GIVES US THE MOST DEPENDABLE SERVICE"

"Our 8 Chevrolet trucks log about 75,000 miles a year on pickup and delivery runs. We have found that Chevrolet gives us the most dependable service, and dependability is what we need in the lumber business."

Vice-President — General Manager
THIBAUT & DESJARDINS LTD.

WORLD DAY PRAYER

(Continued from page 1)

A World Day of Prayer service was held in Digby Grace United Church in the afternoon when Mrs. J. M. Wallis gave the address on the theme "More Than Conquerors". Mrs. Wallis briefly reviewed the life and examples of conquering by missionaries and natives in Korea, the land which is native to Mrs. David Chung, the writer of the World Day of Prayer service. She reminded the audience of the perfect example of Christ conquering the cross and His victory over death. She felt the world's ills could be overcome by peace instead of nuclear weapons but that this would have to be done by faith and prayer.

Leaders of the afternoon service were Mrs. R. B. Lent, Mrs. John Denchfield, Mrs. Hubert Marshall, Mrs. Hugh Vincent and Mrs. Bryson Denton. Prayers were led by Mrs. H. S. Hartlin, Mrs. Burton Fleet, Mrs. Roy Robinson, Mrs. Leeman Sarty, Mrs. Kenneth Crews and Mrs. Elton Arnold.

Mrs. Donald Brown rendered the vocal selection "Prayer Perfect". The offering of \$20.35 was received by Mrs. Burton Ellis and Mrs. Sydney Hall. Miss Margaret Black was organist.

Mrs. Wallis addressed the women at Sandy Cove on Friday evening, using the same theme, "More Than Conquerors". The service was held in Zion United Church, with Miss Elizabeth McCullough leader. Those taking part in the service were Mrs. Hugh Morehouse, Mrs. Jack Morehouse, Mrs. Fenwick Jeffrey, Mrs. Curtis Denton, Mrs. Cervantes Dunn and Miss Beverly Frost. Mrs. Arthur Carty sang as a solo "An Evening Prayer". A social hour followed the service at the home of Mr. and Mrs. Ernest McCullough.

At Smith's Cove Lieutenant Kenneth Crews, of the Digby Salvation Army, gave the address at the Baptist Church, using the text St. John 16:33: "These things I have spoken upon that in me ye may have peace in the world, ye shall have tribulation but be of good cheer, I have overcome the world."

Prayers were taken by Rev. Mr. McTavish, Mrs. Ruth Walker, Miss Blanche Hicks, Mrs. Russell Savary and Deacons E. B. Weir and Stanley Weir. Other participants were Mrs. Lloyd Adams, Mrs. Chester Brinton, Blanche Woodman, Mrs. Eileen Woodman, Mrs. James Rudolph, Mrs. Coleman Rice, Mrs. Alexander MacLean, Mrs. Aven Sanford, Mrs. William Berry, Mrs. Olive Tibert, Mrs. Garnet Adams, Mrs. George Weir, Mrs. Victor Ettinger, Mrs. Gordon Landers, Mrs. O. F. Woodman, Mrs. Oakley Smith, Mrs. Nelson Specht, Cuthbert Welch.

A quartette was rendered by Mrs. William Woodman, Mrs. Ruth Walker, Mrs. Chester Brinton and Miss Sue Winchester. Mrs. J. J. Wallis was organist.

A World Day of Prayer service was held in the Clementsvale Baptist Church on Friday afternoon at 4 o'clock, with Mrs. M. Wheelhouse, president of the W.M.S., presiding. Special prayers were given by Mrs. Armstrong, Mrs. Pyne, Mrs. Donald Baird, Mrs. Maurice Simpson, Mrs. Parker Long and Mrs. George Jefferson. An inspiring talk was given by Mrs. Wheelhouse and a reading by Mrs. Arthur Jefferson was enjoyed. Mrs. Gordon Ruggles was organist for this meeting and Mr. Armstrong was soloist.

The World Day of Prayer service at Freeport was held in the vestry on Friday afternoon conducted by the president of Women's Missionary Society, Mrs. W. Ideson. The theme was "More Than Conquerors". The readers were Mrs. Victor Finigan, Mrs. Randall Prime and Mrs. W. Ideson. The prayers were offered by Mrs. Rodney Brooks, Mrs. Allison Morehouse, Mrs. Ralph Haines, Mrs. Charles Cann, and Mrs. W. Ideson. Offering was taken by Mrs. Theodore Teed and Mrs. Ray Finigan. Guest speaker was Lic. D. MacLean, pastor of the Westport Baptist Church who gave an interesting talk on the theme, "The Lord is my Shepherd", was sung by Mrs. Victor Finigan. Mrs. Avery Finigan was the pianist for the service.

The annual World Day of Prayer was held in the United Baptist vestry, Westport. Mrs. Albert Moore, president, of Baptist WMS, led the first part of the service and Mrs. Neil Burt of the CWF group of Church of Christ Disciples led the second part. During the intercession the

prayers were: for all families, Mrs. Fred Denton; Church universal, Mrs. Edgar McDormand; for those who gave their lives in service for Christ at home and abroad, Mrs. Albert Welch; for the needy and sick, Miss Lulu Reppel; for the Queen and Royal Family, Mrs. Chas. McDormand; United Nations, Mrs. Earl Webber. Prayer followed by Rev. Neil Burt, who also gave the message for the afternoon, New Life in Christ. Mrs. Neil Burt rendered a solo, My Heart's Prayer.

The offering was received by Mrs. Arthur Titus and the pianist for the service was Mrs. Richard Welch.

World Day of Prayer was held in the Baptist Church at Little River, Friday evening. Mrs. Victor Mercereau gave the message, Hugh Trask gave the message of prayer. Cheryl Tidd read the scripture from Matthew 5. Mrs. Stanley Denton read the responsive reading from World Day of Prayer program, Mrs. Bernard Denton led the selective prayers. A Brotherhood special was "Keep on Praying". Kathy Raymond and John Jay sang a duet on prayer. Organist was Mrs. Lindsay Raymond.

Prayers were by Mrs. Reginald Trask, Shirley Tidd, Ainsley Tidd, Mr. and Mrs. Rupert Trask, Mrs. Donald Tidd, Benediction was by the pastor, Rev. V. Mercereau.

QUEEN CROWNED

(Continued from page 1)

Blades had been injured but that Corporal J. A. Reginald Savole, Wolfville, had been hospitalized. Among the Blue Blades were Mrs. Kay Verge, skating instructor and driver of the car; Karen Nicks, Mrs. Carol Jones and Barbara Buckler.

The carnival, sponsored by the Digby Fire Department, got away to a good start with music provided by H.M.C.S. Cornwallis band.

After the crowning of the royal parties an attractive costume parade was staged, led off by the queen and princesses.

In charge of the parade was Mrs. Ralph Wright. Capturing the audience with performances on the ice were Miss Barbara Winchester, Miss Lila Wong and Miss Gloria Goulet, skating solos, and Miss Celia Winchester and Mr. Norman Rodgers, duet. Mrs. Donald Cameron, who directed the skaters, also directed a drill performance with a group of 38 skaters.

Interspersed in the program were acts by the "Y" Clowns from the Halifax Y.M.C.A. who kept the audience in a state of hilarity.

In charge of the carnival were Robert Morgan and Ray Thibault. Reginald Turnbull was program director.

Address Of Victor Cardoza

M.L.A., Digby, in the 1963 Throne Speech Debate

Mr. Speaker, in this Throne Speech debate, I must first of all add my words of commendation to those already spoken concerning the manner in which you, Sir, are handling the duties of the high office which you hold. I want also to extend words of congratulation to the mover and seconder of the address in reply to the speech from the throne for the manner in which they presented their case on opening day.

I would like, now Sir, to comment on some of the things which were contained in the speech from the throne. First of all, I feel the setting up of the inter-departmental committee on human rights and the announced intention to submit to this house a code on human rights are good things so far as they go. It is my sincere and earnest hope that the committee that has been established and the code which is to be introduced will, in fact, come to grips with the real problems affecting, not only minority groups in this Province, but also individuals who are often

discriminated against by reason of their economic situation or for other reasons.

Unfortunately, Sir, it happens far too often that the setting up of a committee and the passing of resolutions are considered by those who take these actions to be the solution to the problem and no further action results. At least, it provides an easy way out in dealing with an embarrassing situation and a ready answer to those who make enquiries.

In the matter of human rights, as in all other matters, much more than this needs to be done. More is needed also than merely to work toward the elimination of discrimination. In the case of our Negro population, for instance, a great deal of work must be done to remedy the economic situation in which these people so often find themselves in our Province. This will involve the development of educational programs especially geared to the needs and capabilities of these people; programs at the community level realistically designed and implemented to help these people to improve their economic lot; programs designed to create a better understanding of the problems affecting minority groups and the reasons for the inability of these minorities to properly cope

with these problems on their own without aid from the majority.

It is important, it seems to me, Mr. Speaker, that, in approaching the problems of minorities in this Province, particularly those who are low on the economic scale, that extreme care be exercised to ensure that the steps taken are realistic, well thought out and practical so that the end result of the efforts to deal with the problems will not be failure or a worsening of the lot of those who need this help. Pious platitudes and the patronizing efforts of "do-gooders" will not suffice to bring about any real solution to the problem. Constant and unremitting effort, skillfully and patiently directed, alone will work. I honestly hope that the government is prepared to provide this and that the setting up of the committee on human rights and the development of the code will not be merely a convenient way of disposing of a thorny problem.

Missionary Rally

The Baptist Church of Digby will be host to a District Missionary Rally to be held in the church auditorium next Tuesday evening, March 19. The occasion will mark the visit to this area of Dr. Ben Gullison, one of foremost Baptist Medical missionaries in India.

Dr. Gullison was born in India, the son of one of the pioneer missionaries there. After graduating from Acadia University and having taken a medical course in Edinburgh University, he and Mrs. Gullison first left for mission service in India. Dr. Gullison is an ordained minister as well as being a doctor. During his first furlough, he took specialized training in the treatment of leprosy.

His complete time in India has been spent at Sompeta where Dr. Gullison took over the medical work established by Dr. Zella Clark, another pioneer missionary from the Maritimes. His work in the expansion of this Mission hospital has been outstanding and it is with a great deal of anticipation that Maritime Baptists look forward to first hand reports from Dr. Gullison himself.

The service in the Baptist church will begin at 8 o'clock and it is expected that many people from other Baptist churches in the county will attend to hear this outstanding missionary.

Sunday School Party

On Saturday night about eighteen members of a Sunday School Class, Grace United Church, Digby, attended a party at Hawkins' cabin, on Haines Lake.

During the evening the young people enjoyed a toboggan ride, a variety of games, dancing and a lunch.

Norman Wright, Sunday School teacher, and Mr. and Mrs. Aubrey Hawkins, accompanied the class.

Former Digby Woman Guest

Mrs. Anne Haley, above, prominent Halifax model and commentator at the Spring Fashion Show held by the Fellowship Unit, First United Church, Sydney, on March 6.

A native of Digby, N. S., she has resided in Yarmouth, Annapolis Royal and Halifax. Mrs. Haley has been modelling for the past four years and during the past two years has been active as co-ordinator and commentator for many fashion shows. She appears regularly on television.

Mrs. Haley was the former Anne Hersey, daughter of Mr. and Mrs. Lloyd Hersey, formerly of Digby. Mrs. Haley is a granddaughter of Mrs. L. B. Eldridge, Digby. Mrs. Ted Dakin is an aunt.

Industry Closed

Weymouth Industries Ltd. is closed with no one but the plumber to answer the phone yesterday and from what we could gather the expectation of new tenants in the Industrial Estates owned building by March 15 was most unlikely. Rumors had been that an industry would probably open there on the 15th.

The Weymouth Industries Ltd., which conducted a furniture making and boat building operation began laying off help in November, 1962, and continued to operate until recently although with limited number of employees and stock. The matter came up in the Nova Scotia Legislative Industry Committee last week and Trade and Industry Minister E. A. Manson outlined the government's dealings with the company. He said the firm's capital along with the pleasure boat building part of the business began to disappear early in 1961.

They approached the government, who went over their balance sheet. This indicated that if the firm was to continue it would need credit.

The government, he added, guaranteed 40 percent of a bank loan on March 27, 1961.

A year later they had liquidated some of their boats, were in a little bit better position, but were not making any money on the furniture part of the business.

The guarantee was twice extended — the second time to Nov. 30, 1962 — but the business was still deteriorating, and the government was looking round for a furniture business to take over the firm, said Mr. Manson.

To Study Unemployment For Fishermen

At a meeting of the Digby Board of Trade on Tuesday evening, presided over by 2nd vice-president, J. W. Christie, it was decided that the Board would sponsor in the near future a special meeting of fish dealers and persons interested in fishing. The purpose of the meeting will be to study unemployment insurance as it affects fishermen today, hear the views of the dealers and those interested and present these to governmental authorities before new laws for fishermen's unemployment insurance are formulated. The subject was brought before the Board by the head of the fisheries committee of the Board, C. D. Snow. Mr. Snow was requested to draw up items to recommend for policy to be brought before the proposed meeting and which might be forwarded to the federal authorities.

The present unemployment scheme for fishermen defeats its own purpose, Mr. Snow said. It does not help the fishing industry and does not put money in the hands of those who need it. It is a burden to dealers and fishermen and puts the smaller dealer and the smaller fisherman at a disadvantage to the larger operators. Mr. Snow charged that at present fishermen were being paid to stay ashore by choice. This, he stated, was not good for the economy of this area or the country.

The fish dealers, Mr. Snow said, who are responsible that unemployment insurance is paid do not have any jurisdiction whatsoever over the fishermen and probably do not have an opportunity to even see them. Chasing after unemployment books from shore to shore is an inconvenience to the dealer, Mr. Snow said, and bogs down industry.

Mr. Snow felt that if any new governmental laws were formulated then the fishermen and fish dealers should have a voice in the matter. He suggested insurance of a percentage on the purchase of fish would be a better scheme and be fairer to all commercial fishing interests. Today, he stated, benefits to fishermen are out of all proportion to their payments and are a drain on the unemployment insurance fund. Even fishermen who earn five, six or even ten thousand dollars a year can (Please turn to page 10)

Injured In Accident

A highway accident in which two cars collided, hospitalizing three persons, two of whom were in critical condition, occurred at Ashmore, Digby Co., early Saturday evening on the main highway, at the mouth of the Lewiston Road.

One car from Weymouth, owned by Donald Gidney, was operated at the time by his oldest son, Douglas. He was accompanied by his brother, Gary, John and Theresa Comeau of Weymouth, and David Coggin of Weymouth North. John Comeau, who was seriously hurt, is said to be on the way to recovery. Douglas was hospitalized but later released. The three other occupants escaped injury, other than bruises and a bad shaking up. The car was extensively damaged.

In the other car were, owner and operator, Mrs. Susie Melanson, and a passenger, Miss Kathleen Thibault, both of Ashmore. Both were rushed to the Digby General Hospital with injuries. Miss Thibault was in an unconscious condition until Sunday according to reports. Mrs. Melanson is suffering from shock, broken ribs, and unknown injuries to the chest and abdomen. The car was demolished.

Makes Plans

The executive meeting of the Smith's Cove Consolidated Home and School Association was held at the home of Mr. and Mrs. Eric Kinsman, Smith's Cove, on Monday evening.

Plans were made for the regular monthly meeting, to be held March 12, when the special guest would be Mr. C. E. Edwards. Also under discussion were plans for a meeting on Civil Defence with tentative date for the meeting March 28th. Plans were also discussed for a booth at the Digby County Exhibition in September.

At the close of the meeting refreshments were served by the hostess.

13th Annual Music Festival

On March 18 the 13th Annual Music Festival will be opened by Mayor Vernon L. Bent at the Digby Regional High School.

This year's adjudicator is Mr. Leonard Mayoh, of Acadia University. It is interesting to note that for the first time in the history of the festival, it will be partly competitive.

During the 18th, 19th and 20th over 100 from Digby County will participate. It is good to have participants from Tiverton after a period which they have been absent in this annual music festival. There will be both vocal and instrumental performances in groups, trios, duets and solos. On Monday and Tuesday nights, pieces will be rendered by church choirs and family groups.

On Thursday evening the program will come to a close with a concert featuring the stars chosen from the three day affair.

President of the festival association is Gifford Lewis, of Weymouth, and secretary is Mrs. Daniel Hankinson, also of Weymouth. Elton Arnold, Digby, is in charge of arrangements.

Cardoza & Jubis Address Liberals

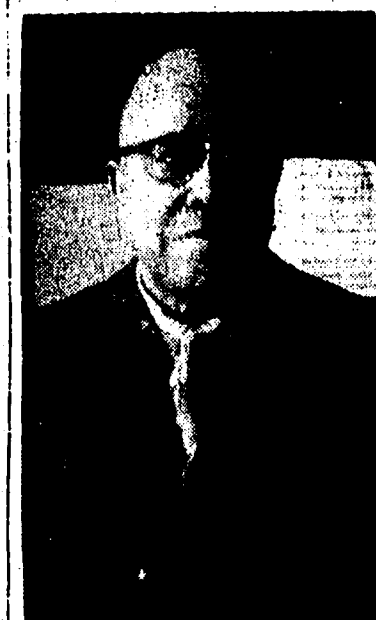

A public meeting was held in St. Theresa's Hall, Southville, on Saturday night sponsored by the Weymouth District Liberals.

The speakers of the evening were Victor Cardoza, M.L.A., Digby, and Frank Jubis, Meteghan, representative of the Clare District Liberal Association.

Mr. Cardoza spoke on the topic "Rise and Fall of the Diefenbaker Government", & the voting rights of the people. Mr. Jubis disclosed economic figures of the Canadian situation and brought a message of co-operation from the Sheburne - Yarmouth-Clare candidate, Mr. Fred Armstrong, to the Digby-Annapolis-Kings constituency and Mr. Shaffner.

Mrs. Leigh Sabine, secretary of Weymouth District Liberals, thanked the speakers. There was a good attendance from both Weymouth and Clare districts.

Bob Morgan Captures High Trophy

An inter-department bowling competition was completed over the weekend with No. 1 Company coming out on top with a total pinfall of 2837, taking the trophies over Nos. 2 and 3 companies. No. 2 Company was a close second with a pinfall of 2773 for their two games. Individual trophies went to Bob Morgan, of No. 1 Company, with an average of 103.3; Anthony Saubier took the trophy for No. 2 Company with an average of 94 and Don Jayne was successful for No. 3 with an average of 93.5. The series showed excellent competition and sportsmanship which made the competition one that will be remembered by all who took part. The event was concluded at the Fire Station when a delicious supper was served by the excellent catering of the entertainment committee headed by Hector Jourdain, during which the trophies were presented by Chief Humphrey and Buddy Barr, president of the department.

Monday night the department hockey team motored to Yarmouth for their annual game and came back with the trophy for another year and had no trouble taking the Yarmouth squad this year. This again is excellent goodwill among the two departments who have been travelling back and forth at hockey and bowling considerably of late and Yarmouth and Digby are having very close relations along the sports line.

It is regretted that the necessary arrangements could not be made to have the skaters from the Ice Carnival go to Church Point on March 15th, as was originally planned.

However, a call was received by the Secretary Monday evening from the carnival committee in Church Point advising that it would not be possible to have these skaters. There was no definite reason given for the decision. Plans by the Digby skaters were almost finalized for this event for which most of the girls taking part were looking forward.

Fire Department bowlers will be motoring to Yarmouth on March 24th to participate in another competition at that time. Some twelve bowlers will be making the trip with their wives at this time.

Extends VON Service

Miss Laura Wall, VON Supervisor, visited the Digby Local Association Victorian Order of Nurses last week and contacted the doctors in Annapolis Royal about extension of the Digby Victorian Order of Nurses Services to that town. At a meeting of the Digby Association on Tuesday, it was decided to extend the services on a trial period. At the present time Miss Shirley Grant, VON Nurse, makes weekly visits to Annapolis Royal.

Miss Grant reported in the regular meeting that 96 visits had been made in February making the total to the end of February in 1963 to be 207. Miss Grant was given permission to attend the annual meeting of the Provincial Board to be held in Halifax on April 3rd.

Thanks was extended to James Ayer and the Fund Raising Committee for their efforts with the 4th annual VON curling bonspiel.

The annual meeting of the Digby Association has been slated for Friday, March 22.

ed to have several large holes in her hull.

It is believed that the 30-year-old yacht can be repaired. When it was built, it was valued at \$250,000. It was bought by her present owners two years ago when the boat was up for auction.

On Saturday night the wind tore a large part of the roof at the Digby Forum. At an emergency meeting of the Digby Recreation Commission it was decided to make temporary repairs to the roof until summer when further repairs would be made.

Students Give \$700 To Hospital

Students of the Digby Regional High School have presented a gift of \$700 towards the campaign objective of \$125,000 for construction of the new Digby General Hospital.

Bradford Barton, president of the Students' Council, in announcing the gift said the students decided to make a gift this year to the community in recognition to the great need for a new hospital in the Digby area. Normally, he said, the students each year donate a new facility to the High School.

In accepting the gift from the Students' Council, Harry E. Thomas, campaign director, praised the students for setting an excellent example to the community. He said there will be little problem in raising the required funds if other groups, firms and individuals accept the challenge in the same manner as the students.

St. Theresa's Champs

The St. Theresa's team from Marshalltown mission took a best of three series in two straight to win the championship in the first year of the St. Patrick's Hockey League.

In games played Wednesday and Friday of last week, they over-powered the second place runners-up by scores of 15-3 and 11-3.

In the final game the trend in goals was much the same as the first game with St. Pat's markers coming in only after the game was half played, and surrounded by scores rung in one after the other by the victors. The losing team put up a good contest, contrary to what the score may indicate.

Goals in the final tilt were by Doug VanTassel and Richard VanTassel for St. Pat's, and Pete Comeau, Fred Jordan, Danny Doucette, Andy Doucette, Sherwin Doucette and Bobby Sibley.

United Church Women

Mrs. Clinton McInnis conducted an interesting program on the problems of family life at the regular meeting of U.C.W. of Grace United Church on Tuesday evening of last week. Rev. R. H. Hughes conducted the Bible study and compared the relationship of science and religion as seen between 1850-1870 and progressively to the present day.

The meeting was presided over by the president, Mrs. Bryson Denton, when plans were made for a bazaar in July and a rummage and pantry sale in May.

A flower committee was named consisting of Mrs. James Ayer, convener, Mrs. A. L. Robinson, Mrs. Jack Keen and Mrs. John Russell.

A committee in charge of a rummage sale consists of Mrs. C. D. Snow, Mrs. D. G. Black, Mrs. Reginald Holdsworth and Mrs. Elton Arnold.

S. S. Teachers Plan Program

The Sunday School teachers' meeting was held on Monday evening, February 25th, at the Little River United Baptist parsonage with Rev. and Mrs. Victor Mercereau.

Rev. Mercereau opened the meeting with scripture and prayer. He also gave an overall view of the month of March lessons to be taught each Sunday in the month.

Business period followed when Mrs. Rupert Trask was appointed to give the first missionary flannelgraph to the Sunday School March 3. The next meeting will be held Monday, March 25th, at the parsonage.

Mrs. Victor Mercereau gave the teachers Four Points in Christian Pedagogy entitled "Preparation to Teach a Bible Lesson". This was proven interesting and discussion followed.

Mrs. Bernard Denton closed the meeting with prayer.

Hon. George Nowlan Nominated

The seating at Bridgetown Regional High School auditorium was taxed to capacity on Thursday night, walls of the auditorium were lined with those who stood and approximately 500 others stood in corridors and other rooms of the building as loud speakers conveyed the news to them that George Nowlan was nominated for the eighth time since 1948 as Progressive Conservative candidate for Digby-Annapolis-Kings. The nomination was moved by Dr. R. S. Longley, Acadia University, and seconded by Mrs. James A. Moir, Bridgetown. Gordon Goucher, Middleton, presided at the meeting.

The Liberals, Mr. Nowlan charged in his acceptance address, caused an election because they wouldn't let the truth come out that Canada had made in 1962 the greatest economic progress of the western world. The opposition, he said, had set out to strangle parliament and they choked it. The opposition, he said, is there to criticize but should have a sense of responsibility. Thirty pieces of legislation were on the order papers, Mr. Nowlan said, and the opposition instead of getting them passed and the budget and estimates brought down wrecked parliament by spending hours on 1400 questions which they asked. Seven and a half days, he said, were spent on consideration of interim supplies for 30 days. Mr. Nowlan showed a thick book containing the 30 pieces of legislation which he said should have been passed and threw it on the floor with force to emphasize what the Liberals had done with the legislation.

About This and That Can We Afford Not To?

Usually when a question of purchasing or constructing confronts any one of us we consider it from one angle — "Can I afford to buy or can't I?" It is often just that simple in a matter of dollars and cents. We do with the purchase or do without it according to our circumstances and in the end find that we are actually just as well off one way as the other.

There is a question before us as citizens in a given area which is not quite so simply dismissed. Definitely we would be insane not to figure the cost and whether or not we can afford such expenditure but it does not boil down to such a simple answer as "we can" or "we can't". There is the other side of the coin to be considered. "Can we afford not to build the proposed new hospital in Digby?"

To answer the latter question we shall have to take a long look at the present situation at the hospital. At least there are one-third as many more patients in the hospital than the present hospital was built to accommodate, and we are sure that figure is conservative. There seems to be sometimes no way that very ill people can be separated from not so ill or from those well on the way to recovery. While a tremendously good job is being done with facilities available yet the lack of modern facilities hampers greater and more efficient care of the sick. In case of emergency there is a long distance to travel to hospitals provided with better facilities than our own. So on the other side of the coin we could be considering the matter of life and death, of quick recovery from illness or impeded recovery. These are the matters to be considered on the question "Can we afford not to go through with the proposed new hospital for Digby?"

Secondary to the above is also the business feature of a new hospital. In other words, it would be practically an industry for Digby. Let us emphasize the main function of any hospital — giving care and comfort to the ill and preserving life — but the business proposition can be considered particularly when so much conversation and effort by us is directed toward industry for this particular area.

Take it whichever way you will — from the point of view of an institution, its primary function, or as a business proposition. In either case we cannot expect to get something for nothing and we shall have to be prepared to sacrifice somewhat or give from our abundance as the individual case might be in order to provide the facilities we need for our sick and as an afterthought have the "industry" for the area.

We note by the daily press that a renewed effort is underway to secure a grant from the federal authorities because of services rendered by the Digby hospital to dependents of HMCS Cornwallis personnel. This grant was unsuccessfully applied for in the amount of \$100,000 in or previous to the year 1961. Explanations for it not being granted were made at the time, it is understood. While it would be foolish to lay all the financial troubles presently confronting the new hospital proposal to the unsuccessful attempt to obtain this grant and we expect certain regulations must apply in this particular case as well as with any other type of institution, we can see where such grant would help us out of our present difficulties and can only hope that a way might still be open whereby the existence of HMCS Cornwallis nearby might enter the picture.

In the meantime the hospital board is looking for \$125,000 to be raised by public subscription. How well the campaign turns out will depend on how much the people can afford and how important they feel the hospital is to them. It will be a matter of not getting away with as little as possible but a matter of each bearing full responsibility. It will be a matter of sacrifice and to some that sacrifice will be \$1, to some \$10, to some \$50 and to some \$1,000 and up.

We hope this plea might reach the hearts of some of our readers away from home who might not be personally contacted but who have a stake in the proposed new hospital for Digby through loved ones in the area. To those who are solicited for donations we ask you to weigh the issue not only from the standpoint of "Can we afford to give?" but also from the standpoint of "Can we afford not to give?" Mark you, both questions must be weighed but not one without the other.

Friends are happy to hear that John Comeau, 15, year old son of Mr. and Mrs. Dennis Comeau, is on the road to recovery, after a serious accident on Saturday night when the car in which he was a passenger, driven by Doug Gidney, collided with a car driven by Mrs. W. L. Melanson of Ashmore. All passengers were taken to Digby General Hospital at which time John Comeau was found to be seriously injured, having been thrown through the windshield causing a severe skull fracture.

The Nova Scotia Art Exhibit was on display at Weymouth Consolidated School Thursday of last week. This was not too well attended but those who viewed were delighted with the exhibits. A pantry sale was held in connection with this, at which about \$30 was raised.

Spring must be here! Two caterpillars were found wandering around one warm day last week. One by Eddy Hankinson while he was out sliding, and the other by Judson Nickerson. Both insects seemed to be none the worse for their premature appearance.

Address Of Victor Cardoza

M.L.A., Digby, in the 1963
Throne Speech Debate

(Continued from last week)
I am deeply concerned about this question of attention to the problems of minority groups as I have within my constituency a sizeable segment of the Negro population of this Province as well as a number of the Miamae population of Nova Scotia. I would, therefore, like to see any efforts designed to improve the lot of these minority groups in our Province extended as rapidly as possible to areas outside of the County of Halifax where, so far, these efforts seem to be concentrated. What is needed, Mr. Speaker, is, as I have said before, a practical and realistic program, designed to help these people to help themselves; designed to improve their economic lot and tailored to meet the real needs that exist. There is a crying need, Mr. Speaker, for immediate attention to the problems of our minorities in the rural sections of our Province and I hope this need will be met in realistic fashion and without delay.

And now, Mr. Speaker, I would turn to the needs of another group of citizens in Nova Scotia. I refer to the farmers of our Province, particularly those who are trying to eke out a living from the soil of my own County of Digby. I was pleased to hear in the speech from the throne that assistance under the provisions of the Nova Scotia Land Settlement Board is to be extended and that arrangements are to be made to permit the Federal crop insurance program to be implemented in Nova Scotia. These are good moves, so far as they go, but a great deal more must be done if the farmers of our Province are to have their economic lot improved.

One of the ways in which effective help can be given, Mr. Speaker, is by selecting certain sections of the Province where the full agricultural potential is not being developed and concentrating on these so that local farmers in those sections may be able to fully develop the potential that exists. These areas could then be used as examples for other districts of the Province. A start is being made on this type of approach in my own County of Digby with the co-operation of local farmers, and the Federal and Provincial Departments of Agriculture. I earnestly hope that the program under way in the Digby area will receive the full support of Provincial authorities as it seems to me to be one sure way of demonstrating what can be done to help agriculture and the effectiveness of agricultural departments in this connection.

The facilities provided under the ARDA legislation should also be made available to strengthen and expand the present program under way in the Digby area and I urge upon the Minister of Agriculture that he enlist the cooperation of the ARDA organization to assist in the carrying out of a rural redevelopment program in the district of Digby. Such a program, involving government agencies and the

local people, could, I believe, do much for an area such as the district of Digby. An all-out program of this type in this area could also serve as a model for similar projects in other areas.

As a matter of fact, Mr. Speaker, I would like to suggest, in connection with the voluntary economic planning program, that this same type of approach be employed. It seems to me that to attempt an overall planning program for a whole sector of the Province's economy might be too monumental a task and could result only in a great many meetings and discussions without any real application of the planning of the local level where it must be applied if it is to bring tangible results. I agree that there must be a certain amount of overall planning. This should be aimed at the attainment of general goals and should also provide for the application of theories and programs at the local level to demonstrate their effectiveness and assess the results. I would suggest that certain sections of the Province, particularly my own constituency where the economy is lagging, be selected for a concentrated attack on the problems facing that area. This would mean a combining of forces of Government Departments, the enlisting of the support and cooperation of the local citizenry and solicitation of help from outside agencies and organizations. It is a big task, Mr. Speaker, but one which, in my opinion, must be done if a planning program is to reach down into areas where it is needed and deal effectively with the problems facing the people of our Province.

I was pleased, Mr. Speaker, to hear the other day that a European car manufacturer has decided to select Nova Scotia for the establishment of an assembly plant. It was, however, disappointing to me that this plant should be located in the already highly industrialized Halifax-Dartmouth area and not in a section of Nova Scotia such as my own constituency which is badly in need of new industries. It seems to me, Mr. Speaker, that the Trade and Industry Department of this Government and Industrial Estates Ltd. should be doing more to promote the location of new industries in areas of the Province where there is a scarcity of industrial development.

In connection with industrial development, it was most disturbing to me to learn some time ago that there was a strong possibility that the manufacturing plant of Weymouth Industries Ltd. would be closing out their operation in Weymouth. The confirmation of this by the Minister of Trade and Industry in reply to my questions in this House the other day was most upsetting to say the least. I am wondering, Mr. Speaker, if everything possible was in fact done by the Trade and Industry Department and Industrial Estates to keep this plant in operation in its Weymouth location. The closing down of this plant is going to mean economic hardship for upwards of 100 families in Digby County and it will also seriously affect the livelihood of many others whose businesses and work depended in great measure on the continuance in operation of the Weymouth Industries plant.

After all, Mr. Speaker, the people of Weymouth and vicinity, many of whom were employed at Weymouth Industries Ltd. before the original plant was

destroyed by fire in 1958, went all out in contributions of labour and in other ways to ensure the rebuilding of the plant in Weymouth after the fire. It seems to me a major tragedy that this plant should be allowed to close now if there is any reasonable way to keep it in operation. As I understand it, Mr. Speaker, there is a good market for the products of this firm and I have been told by those who should know that the Weymouth boat is tops in its class.

The Trade and Industry Department of this Government and Industrial Estates Ltd. seems to spare no expense to let the public know how much help they claim they are giving, both financial and technical, to assist industry to establish and continue in operation in this Province. Surely, Mr. Speaker, there must have been some way in which these bodies, working with the management of Weymouth Industries Ltd., could have seen this Company through its difficult days to the point where its future was assured.

Unfortunately, Mr. Speaker, there exists in the minds of many people in my constituency the feeling that the Government was not sufficiently concerned about the maintenance of the operation of this plant in Weymouth. It is poor consolation to the work force of that plant that the government is now waiting for the plant to be vacated so that another tenant may possibly be found. The old adage that a bird in the hand is worth more than two in the bush can well be applied to this situation.

It is a sad fact, Mr. Speaker, that the failure of an industry in a given area affects, not only the present in that area, but also has a depressing effect on the future. Business concerns are often influenced by the success or failure of another industry in an area in making their own plans as to whether they should locate in that area. I call upon the Government now, Mr. Speaker, as I did some time ago in a letter to the Minister of Trade and Industry, to exercise every effort to salvage the operation of this plant in Weymouth. If it is now too late for that, I urge that the Government and Industrial Estates Ltd. take prompt and effective action to find without delay a new tenant for the Weymouth plant so that the loss of employment and the economic hardship caused by the closing of this plant might be speedily overcome. I would urge, also, Mr. Speaker, a greater effort on the part of the Government and Industrial Estates to seek out other industries who might be persuaded to locate in my constituency. We have a sizeable and stable labour force, most of whom now must go far afield to seek employment; we have abundant power and many suitable sites for the location of industry and Industrial committees have been established by organizations within the area which will give full cooperation in any efforts to locate industry in the area. (To be continued)

ACCIDENT

Achie Nickerson, of Freeport, met with a painful accident on Wednesday while making preparations for halibut fishing. It seems that the pot of tar into which he had dropped an ice-coated rope, exploded into his face and eyes. Dr. Paul Minc was quickly summoned and attended the patient who is recovering from the mishap.

Joggin Bridge

His many friends will be pleased to learn that Mr. E. Weyhe of New York is improving after a recent illness and is looking forward to returning to Nova Scotia in May.

Mr. and Mrs. Lloyd Adams and daughter, Gail, visited Mrs. Adams' father, Mr. Wm. Frost in Little River, Sunday. Recent guests of Mr. and Mrs. Lloyd Adams were Mr. and Mrs. Clifton Frost and family, and Mr. Wm. Frost, of Little River.

Mrs. Earle Thomas has returned home from Halifax, where she received treatment at the Victoria General Hospital. We wish her a speedy recovery.

The YPF of the Baptist Church held a crokinole party and candy pull at the home of Senior Counsellor, Mrs. Chester Brinton, Wednesday. Later in the evening some of the members enjoyed tobogganing, taking advantage of the crusty surface of the hills.

Messrs. Robt. Winchester, Clayton Woodman and Larry Woodman attended a Liberal meeting in Middleton, recently.

Mr. Norman Joudrey, Halifax, spent a few days with Mrs. Joudrey and Valerie, recently.

Mrs. Cyril Daniels entertained the Society of Friends on Friday, Feb. 22. The vice president, Mrs. J. A. MacLean presided over the business session. A program of contests and readings followed and a social time was enjoyed by all.

Obituary

Arthur Roy Hicks

Arthur Roy Hicks, well-known retired sea captain of Westport, passed away at his residence on Thursday. Born at Westport 73 years ago he was a son of the late Thomas and Annie Payson Hicks.

For many years he sailed coastal freighters with his brother, Capt. Charles Hicks, and was known through many Nova Scotia and New Brunswick ports. On retiring from the sea he operated his own general store at Westport. Ill health forced him into retirement four years ago.

He was a member of the Christian Church, Westport, and of Freeport Masonic Lodge. Surviving besides his wife, the former Irene Hamilton, is a son, Capt. Thomas Hicks of Halifax, and two daughters, Mary (Mrs. Edgar McDormand), Westport, and Geraldine (Mrs. D. L. Gardner), of Tonawanda, N. Y. He is also survived by six grand children and one great grandchild. The remains rested at Jaynes Funeral Home, Digby, until Friday, when they were taken to the Christian Church, Westport, for service at 2:30 p.m. on Saturday. Rev. Neil Burt conducted the service assisted by Rev. J. W. Derby, and Rev. R. MacLean. Interment was at Hill-top cemetery, Westport.

Explorer Party

On Saturday, March 2, the Boy and Girl Explorers of Acadiaville United Baptist Church held a farewell party in honor of one of their members, Master Michael Barton, son of Mr. and Mrs. Alvin Barton, who will return to Children's Hospital, Halifax, later in the month for an extended period.

The party was held at his home and the proceeding got underway with a chorus by the group. Running Over, followed by prayer by Bruce Barton. Scripture was read by Eugene Miller. A trio composed of Beverly Cromwell, Marjorie and Maureen Barton sang "Jesus Bids us Shine". After the singing of "Fishers of Men" the devotional period closed with the Lord's Prayer.

A gift of fruit and a most attractive scrap book made by the group were presented to

Deep Brook Lady Has Interesting Plants

Mrs. A. Young, Deep Brook, claims she hasn't a green thumb but she certainly has an interesting variety of healthy plants.

In her sunny back porch she has several daffodil bulbs well advanced, some King Alfreds have already bloomed. Among pots of begonia, wandering Jew, etc., in the corner is a beautiful tropical plant, Billbergia by name, with a sheath like bloom of rose unfolding into blues, greens and pale rose smaller sheaths among streaming green leaves. This is the first bloom, the plant being a few years old.

In the corner of her living room stand a couple of potted citrus fruit trees which she grew from lemon and orange seeds over a period of years. Though nearly touching the ceiling they not as yet borne fruit but the branches of shining green leaves are ornamental alone.

A month ago before the heavy snowfalls there were daffodils about three and four inches above the ground in a sheltered place at the back of

Michael along with prayers and good wishes for his speedy recovery to good health, by Gale Bundy, assistant Explorer leader.

A delicious snack was served by Mrs. Elsa Barton and Mrs. Mary Barton, and Mrs. Willard Clayton.

There were 22 Explorers present and all will miss Michael who has been, when health allowed, a most active and helpful member, having held the office of treasurer last year.

The party was under the direction of Explorer leader, Mrs. Mary Barton.

the house, also grape hyacinths and a viola in bud. Two little holly plants about five inches tall were also here which she grew from B. C. holly berries a friend had given her a couple of Christmas ago.

Last spring Mrs. Young had the first out of door daffodil blooms reported in the area, and we are looking forward to her first spring blooms again this year.

Mr. and Mrs. Arleigh White of Lawrencetown, and Fred Gesner of Granville, spent Sunday evening with Mr. and Mrs. Willis Potter.

Mr. and Mrs. Robert Potter and Danny were the Sunday guests of Mr. and Mrs. Marshall Wheelhouse at Bear River East.

Congratulations and best wishes for a happy birthday goes this week to Mrs. Mas-

on Wamboldt and her daughter, Nancy, who both celebrated their birthdays the same day.

Mrs. A. B. Thompson and Rachel of Bedford, spent the weekend with Mr. and Mrs. Willis Potter.

Scouts are holding weekly meetings at the Scout hall. There seems to be a good attendance and interest is good.

The monthly meeting of the Scout committee was held at John Salsman's on Tuesday.

Mrs. Harold Trimper visited her daughter, Mrs. Alvin Rice, recently.

S. M. Isles and A. S. M. Maling attended the Basic A

Troop Scouter's course held at Digby, in the United Baptist hall, on March 2. Several instructors from Halifax attended making this course interesting as well as an education to the ones attending. Much credit was given Donald Brown, ADCT, for his time and effort to make the course a success.

Mrs. Albert Wamboldt spent Friday afternoon with Mrs. L. Baird.

Miss Kathleen Dukeshire visited Mr. and Mrs. Carroll Dukeshire, Bear River East, on Sunday.

Mr. Willie Potter is home for a while. Mr. Potter has been spending the winter

with Mr. and Mrs. Bob Taylor, Clarence.

Mr. and Mrs. Donald Baird and James visited her mother, Mrs. H. Marshall, Clarence.

now draw unemployment insurance. He said that another fisherman's insurance scheme should be designed whereby it would be impossible for the fisherman to stop fishing by choice, one established to pay in case of need, one that would eliminate such evils and something that would pay the fisherman to get established in industry again if faced by ill luck. Making a comparison, Mr. Snow said that fire insurance pays for a legitimate fire but when arson is proved insurance is not paid and the party involved is punished. The fisherman on the other hand, he said, gets paid even when by his own choice he is unemployed.

V. G. Snow, chairman of the port committee, suggested that the attention of authorities should again be directed to the wharf and motions to this effect were passed on Tuesday night. He emphasized the lack of docking space which contributed to boat damage in recent storms, the lack of parking and facilities for service to the public using the wharf in transportation. The latter confusion, Mr. Snow said, would be added to when a larger ship is in operation.

Renewed interest in Tobatic Park proposal was again aroused by Mr. Snow and letters are to be forwarded to government officials regarding the suggested area at Lake Rosignol. A park in this area, it was stated, would automatic-

Letter to the Editor

Digby, N. S., Jan. 21/63.

Editor,
The Digby Courier,
Digby, N. S.

Dear Editor,
If it is right and good to drink alcoholic beverages, then, home, or wherever a person is staying is a good place to drink it, and it is there, if the drinker prefers, he or she, can drink it from the glass, instead of the bottle, and need not drink all the bottle at one sitting.

When one, two, three, four, or more persons go to a tavern for drinks, how many stop at one glass? In fact, it can very well be four, or more glasses; it's just a matter of time and money, as a general rule, and tavern drinkers usually do not stop at the equivalent quantity of one bottle of beer, or ale.

However, it is not lawful for a person under twenty-one years of age to drink liquor, in Nova Scotia, in any situation. Now, when it comes to the Recreation Center, at the Digby Forum, there is one particular part where our youth cannot lawfully go, because liquor is consumed there. Surely, this situation is not as it should be, for the simple reason that anything not good to drink, for the twenty-year-old boy, or girl, or younger, is certainly not good for the twenty-one-year-olds, and older, and, isn't the chief reason for the Center's existence, to be for the Youth.

Signed,
Question Mark.

Baptist Mission Band Meets

The Sandy Cove United Baptist Mission Band was held at the church on Sunday, Mrs. Edmund McCullough was leader for the day. There were twelve members present and each responded to Roll Call with a verse of scripture.

Miss Carolyn Jeffrey, president, opened the meeting with the hymn "Jesus Shall Reign". Miss Beverly Frost showed colored slides of Mission La Bonne Nouvelle, Moncton, N. B., where their work is carried on among the French in Canada. The slides were interesting and questions followed concerning the work.

Mrs. Edmund McCullough gave the story on Bolivia entitled "Schools for Teachers".

NOWLAN NOMINATED

(Continued from page 1)

Mr. Nowlan took Hon. Robert Winters to task for saying the government of Canada had a deficit of four billion dollars. The deficit, he said, over the past five years was around \$2,000,000,000 and if we did have a deficit, he continued, there was an increase of payments to provinces and municipalities and other reasons which caused it. A tremendous increase in spending for technical and vocational training was noted by the speaker. The unemployed, he said, are those without education and the only way of changing that is to provide training.

Mr. Nowlan did not dwell on atomic weapons for, he said, the Prime Minister will be making a statement. As to the charge that the Prime Minister is indecisive, Mr. Nowlan said that it often shows more decisiveness and more courage to make no decision. Canadians, he said, love a man in days of adversity, who has courage to stand up and show courage like John Diefenbaker. The world is moving rapidly with nuclear weapons, the speaker said. It is difficult but anyone who says one thing one day and something else another is indecisive and irresponsible, he charged.

In seconding, the nomination for Mr. Nowlan, Mrs. Moir said that the issues at stake are stirring every man and woman to the roots. Anyone with a young family cannot escape the heart rending issues of nuclear warfare. It is time, she said, to think deeply and not be concerned with petty problems.

Chief speaker for the evening was Premier Robert Stanfield, who said that George Nowlan and John Diefenbaker were the best friends Nova Scotians ever had. He noted that many things had been done for Nova Scotia by Nowlan but one thing had never happened before and that was an automobile plant for the province. He gave credit to Mr. Nowlan for the plant locating here.

In dealing with many fiscal needs and assistance provided Nova Scotia through the federal government, the premier mentioned education, social assistance to municipalities, social reforms, hospital insurance plan, the agreement with the federal and provincial governments of N. S. and N. B. in regard to thermal power, road building program, vocational training and assistance to universities.

Mr. Stanfield also recognized the fact that in the past year Canada had the best of any industrial record in the western world.

In regard to unemployment, Mr. Stanfield said there is more than we like to see but Canada is no worse than the U.S.A. and if the economy rolls faster in the U.S.A. it rolls faster in Canada too. Mr. Nowlan, he said, is making splendid progress in rectifying the situation of Canada buying more from other countries (particularly the U.S.A.) than she sells.

Approval In Principle

The Legislature gave approval in principle last week to a government bill increasing the amount authorized to be advanced to Industrial Estates Limited by \$6,000,000 to \$18,000,000.

Trade and Industry Minister Manson, who moved second reading of the bill, said the originally authorized amount — \$12,000,000 was not considered sufficient in view of commitments made and negotiations underway by the Crown-owned industrial promotion firm.

A number of residents attended a Home & School meeting at Freeport on Friday.

Prime Minister John Diefenbaker was moved by Paul Bethune and seconded by Dr. D. E. Lewis.

Light refreshments were served to the overflow crowd by the ladies of the Annapolis East and Annapolis West Women's Progressive Associations. Mac Dodge and his orchestra provided music during the evening.

Sissiboo Claims Released

A mutual release of claims against one another has been exchanged by the Nova Scotia Power Commission and Atlas Construction Company in settlement of a controversy over leakage from one of the dams in the Sissiboo power development.

A report on the negotiations and settlement was tabled in the Legislature this week by Finance Minister Smith, also chairman of the power commission.

The dispute arose over expenditures resulting from improper construction practices on the Fourth Lake dam of the Sissiboo system near Weymouth. Residents of the area recall their fears of flooding at the time a leakage had developed at the dam.

Dealing with the disputed claims, the report said the Commission originally had claimed \$606,000 — the cost of emergency measures, investigation, remedial work and additional inspection resulting from the leakage.

The company, general contractor on the \$7,500,000 job, had originally claimed \$973,000 additional to the contract price, including \$325,000 losses which the contractor claimed were caused by variation of the terms, conditions and circumstances of the contract.

The Commission later reduced its claim to \$263,000, valuing work done following discovery of leakage at approximately \$300,000.

The contractor rejected this claim and offered to settle for \$354,000 and withdrawal of the Commission's claim. Later it offered to settle for \$100,000 and withdrawal of the Commission's claim, the report said.

Finally at a meeting between the two parties and their solicitors, the contract or proposed settlement to each other on the basis of no payment by either party to the other on the conflicting claims.

Mr. Smith said all three developments now appeared to be in satisfactory condition, and working properly.

There was a continuing leak in the Weymouth Falls development, of approximately 1.2 cubic feet per second. The volume was not increasing, he said, and there was no question of danger to the structure of the dam. Such leaks, he said, were not unusual in earth dams.

The Sissiboo development is a most important segment of the commission's generating facilities, and will become even more so as the remaining potential on the river is developed as load increases in the western part of the province require, the report concluded.

"The performance of the generating plant and structures during the past year has been quite satisfactory and without incident," the Commission's report — prepared by General Manager L. F. Kirkpatrick — told the Legislature. The output of 66,882,000 kilowatt hours was

Church Elects Slate

Mr. William F. Cossaboom was chairman of the annual business meeting held in the Church of Christ (Disciples) at Tiverton recently.

Clerk Chester Outhouse read the minutes of the last meeting. Reports were given by Treasurer, Milton Outhouse, and Sunday School Superintendent, Mr. William Cossaboom. The minister, Mr. Burt, gave a review of the year's activities in the area. He conducted five funerals, baptized 11 and accepted 16 new members into the church. He had started three new Bible Study Groups, Juniors, Young People and Adults.

The members voted to have new, improved heating equipment installed during the coming year. It was also decided that greater support be given to Johnston Christian Park at South Range, Digby County, and also for missionary work.

The following officers were appointed: secretary-treasurer, Milton Outhouse; deacons, John Outhouse and Herbert Cossaboom; elder, Milton Outhouse. Committee in charge of the heating equipment, Melbourne Outhouse, Herbert Cossaboom, Malcolm Greenlaw and John Outhouse.

Digby Municipal Council In Special Session Approves \$340,000 Loan To Digby General Hospital

The Municipal Council of Digby in special session at the Court House in Digby on Monday, March 18th, approved the borrowing of the sum of \$340,000 in support of the construction of the new Digby General Hospital. It is understood that the Digby Council plans to issue debentures totalling \$170,000 and will obtain the remaining \$170,000 from the Provincial Hospital Loan Fund. The entire amount from these borrowings is to be turned over to the Digby General Hospital as a loan which will be repayable to the Municipality from hospital revenues including the annual per capita tax and certain preferred revenues derived from hospital services to its patients.

Mr. F. C. Purdy, president of the Digby General Hospital, addressed the members of the Digby Municipal Council, in special session, and the members of the Municipal Council of Clare and the Town Council of Digby, who sat in committee with the Digby Council in its special session. Mr. Purdy outlined the hospital's proposal to the Councils pointing out that the Hospital Board could not proceed with construction plans unless it could receive greater financial support from the civic authorities in the area served by the hospital. He offered assurance that if the hospital building fund deficit of \$650,000 could be covered by the Councils then the Hospital Board would be prepared to enter into formal agreements with the respective Municipal Units to repay from its annual per capita tax and preferred revenue accounts all indebtedness incurred, either directly or indirectly, by the Councils on behalf of the Digby General Hospital.

Following Mr. Purdy's presentation and a thorough discussion by council members, the respective Councils broke up into separate committee meetings to discuss their individual commitments. It is now understood that final

decisions provided for the following commitments. The Municipality of Digby has undertaken to provide \$340,000; the Municipality of Clare \$40,000, and the Digby Town Council is prepared to submit to its ratepayers a resolution that would provide an additional \$230,000 for hospital construction. The Municipality of Annapolis has agreed to provide the sum of \$40,000. This action was reaffirmed at the 1963 winter session of the Annapolis Council. It is further understood that the Digby Town Council intends to call a ratepayers meeting for a date late in March and that the ratepayers will be asked to approve the issuing of \$15,000 in debentures, with the balance to be obtained from the Hospital Loan Fund.

Mr. Purdy offered the Council positive assurance that the Hospital Drive for \$125,000 would press forward with vigor and determination. Information submitted to the Councils by Mr. Purdy would indicate that the proposals accepted by the Councils might be expected to increase the tax rate in the Municipality of Digby by approximately 11.5c for the first ten year period of the loan and by approximately 15.3c per \$100 assessment during the second ten year period. The increase for the Town of Digby for the first ten year cycle is understood to be in the vicinity of 19.2c and 25.3c per \$100 assessment for the second ten year period of the loan.

To put this another way, a municipal taxpayer with an assessment in the range \$5,000 to \$10,000 would pay an additional tax of \$5.75 to \$11.50 per year, depending upon his assessment. Urban ratepayers would pay an additional levy of \$8.60 to \$19.20 depending upon the assessed value of his property.

Highlights from the financial statement presented by the Hospital Board is presented below for the information of urban and area ratepayers.

Meet On Hospital

An estimated thirty business men of the town and vicinity met at the Digby Regional High School on Wednesday night of last week to discuss building a new hospital in Digby. The meeting was chaired by Leigh Jayne, chairman of the campaign for funds, and F. C. Purdy, president of the Digby General Hospital Board, reviewed figures and answered questions from the audience.

Mr. Purdy explained that the estimated cost of the hospital, including architect and mechanical trades, was \$1,397,000; the architect's fees \$84,000; equipment and furnishings over and above what is already in use at the present hospital, \$95,000; and interest on borrowing, \$24,000. Total \$1,600,000. Mr. Purdy explained that this total figure was considerably more than the estimated \$1,250,000 when the project was first considered, but that additions which were found from the commission to be mandatory had raised the figure substantially. Included in this were such items as private toilet facilities for each private room, Public Health Clinic, an intensive care unit, air conditioning and substitute diesel power.

Mr. Purdy listed the sources of funds for the proposed hospital as grant re construction \$627,000; Town of Digby, \$80,000; Municipality of Digby, \$160,000; Municipality of Annapolis, \$40,000; Municipality of Clare, \$20,000; estimated recovery from hospital tax and sales tax, \$75,000, leaving a deficit of \$598,000. (Editor's note - Further to a planned municipalities meeting the above figures might change from time of writing above).

To provide for the deficit Mr. Purdy explained deferring of purchases to the amount of \$45,000; hospital drive, \$55,000; hospital investment, \$150,000; unprovided, \$348,000. He stated that the \$627,000 grant referred to is definitely available but they cannot be held indefinitely for others are also seeking grants.

Mr. Purdy said that a new hospital would provide an estimated \$700,000 in salaries and wages which would be spent in the area. Preferred accommodation is expected to be made use of when a new hospital with more facilities is erected.

Harry Thomas, of a Halifax firm, is engaged to put on a campaign for \$125,000 for hospital construction. In addressing the meeting Mr. Thomas said that the support of everyone in the Digby area will be needed to make the campaign a success. He said

Mobile Sample Room Burns

A mobile sample-room, belonging to Ralph Wright, Digby, and several thousand dollars worth of clothing were destroyed in a flash fire near Caledonia, Queens County, late Monday afternoon.

At the time Mr. Wright was at a nearby service station making preparations for his stay for the night. Electricity for the bus stop was being made available by the service station. Reason for the fire is not known. The vehicle and its contents were covered by insurance.

Made Honorary Chairman Rt. Rev. R. H. Waterman, D.D., Anglican bishop of Nova Scotia, is honorary chairman of the fund raising campaign for the Digby General Hospital project; Eric S. Morse, of Montreal, formerly of Digby, is national chairman; G. R. K. Lynch, Halifax, formerly of Digby, is chairman for the Atlantic provinces.

Announce Engagement

Mr. and Mrs. Cecil Murley, Acaciaville, announce the engagement of their twin daughter, Carolyn Gail, to Yvon Jodouin, son of Mr. and Mrs. Albert Jodouin, Timmins, Ont. Marriage to take place May 18th

Liberal Meeting At Bear River

John E. Shaffner, the Liberal candidate for the federal constituency of Digby-Annapolis-Kings, was the principal speaker at a meeting held Saturday night at the Oakdene School, Bear River. Joseph Langley, Bear River, acted as chairman of the meeting and introduced the other two speakers, Peter M. Nicholson, M.L.A. of Annapolis Royal, and Victor Cardozo, M.L.A. of Digby, who in turn introduced the principal speaker.

Mr. Shaffner stated that Canada's prestige abroad declined drastically during the Diefenbaker administration. Accusing the Conservative government of ineptness in handling its relations with Canada's allies, Mr. Shaffner said the country had lost the respect it commanded when Lester Pearson was Minister of External Affairs. Mr. Shaffner further stated that the Cabinet resignations of Defence Minister Harkness and Trade Minister Hees indicated that the present Prime Minister no longer commanded the respect of his own party because of his lack of leadership and indecision. He described Mr. Pearson as an outstanding leader of proven international ability who could provide a positive government.

The Liberal standard bearer, Mr. Shaffner, also took issue with Finance Minister Nowlan's comments on Robert Winters' statements concerning the fact that the financial position of Canada had fallen by \$400,200,000,000. Mr. Winters, former minister of Public Works in the St. Laurent government, made the statement at a nominating convention. Later Mr. Nowlan said the decline in the financial position of Canada stood at only \$200,200,000,000.

Quoting the Public Accounts of Canada Mr. Shaffner said that the Finance Minister's figure was incorrect because he neglected to include superannuation accounts, 1961 pay increases, the decrease in 1/2 unemployment insurance funds and other net debts which increased under the Diefenbaker government. The full story was not being told, Mr. Shaffner said, and this lack of moral fibre in the present government was another reason for the lack of confidence of the Canadian people and the people abroad in the present Diefenbaker government.

Mr. Peter Nicholson, who introduced the speaker, quoted figures which showed that the Prime Minister was the most expensive Prime Minister Canada ever had - two elections to get Diefenbaker into office and two elections to get him out at a total cost of \$40 million of dollars. Victor Cardozo, M.L.A. for Digby, also spoke at the rally. He stated that Canada needed a government with an overall majority to get the country moving again, which only the Liberal party could provide, behind the able leadership of Lester Pearson.

Refreshments were served by the Liberal ladies of Bear River to all in attendance. Mrs. George Jefferson is the president of the Liberal ladies' organization in the Bear River area.

Missionary Rally

Nearly 175 people from various Baptist churches in Digby county attended the missionary rally held in the Digby Baptist Church on Tuesday evening. Highlights of the gathering were the address given by Dr. Ben Gullison, head of the Canadian Baptist Mission Hospital in Sompet, India.

Dr. Gullison, who is a medical missionary, told a thrilling story of the work being done in this hospital, supported solely by free-will gifts and some assistance from the Canadian Baptist Mission Board. More than 13,000 cataract cases alone are treated every year by the hospital, at approximate cost of \$10.00 per patient. A similar case in Canada would cost many times that amount. Dr. Gullison gave a graphic portrayal of the healing ministry of the hospital by the use of colored slides. Dr. Gullison is also a specialist in the field of leprosy, and is a member of the India Government Advisory Council for the control of leprosy, the only Canadian and the only Christian leader on this Council.

Dr. Gullison is on a speaking itinerary across Canada and will return to his work in India next fall. He is a native Nova Scotian and both of his parents were missionaries in India. He is a graduate of Acadia University & Edinburgh University.

The speaker was introduced by Rev. H. S. Hartlin, and a brief devotional service was conducted by Mrs. Hugh Vincent, president of Digby Baptist W.M.S. A substantial offering was taken at the meeting, which will be used for missionary objectives.

Successful Blood Donor Clinic

A total of 189 blood donors braved wind, weather, and icy roads to attend the Red Cross Blood Donor Clinic held at the Lions Club Hall on Monday of this week. The clinic, sponsored by the Digby Lions Club, under the chairmanship of Ernest B. Tufts, proved to be the most successful which Digby has had in many years.

The team of Red Cross nurses and technicians from the Red Cross Blood Transfusion Service in Halifax also faced hazardous driving conditions in reaching Digby, but upon arrival were met by an energetic group of Lions Club members who rendered able assistance in setting up their equipment. In his task of advance publicity and notification of prospective donors, Mr. Tufts was also assisted by members of the Lionettes Club, who also played an important part in the success of the clinic. Workers in the clinic rooms were members of the Digby Red Cross Branch, under the chairmanship of the president, Mrs. R. B. Lent, with Mrs. Sidney Smith, R.N., in charge of the local nurses in attendance.

The first blood donor of the afternoon was Hyman G. Wober, Deputy District Governor of the Lions Club, and his ex-

Candidate For NDP

In the forthcoming April 8 election, the New Democratic Party has nominated Murray A. Bent, a 54-year-old insurance agent from Middleton, to contest the constituency of Digby-Annapolis-Kings. Mr. Bent, who was nominated by L. J. McLanson, was also candidate for the NDP party in the previous election.

Professor J. G. Tillotson, Wolfville, chaired the meeting, which was held at the Cornwallis Inn. Guest speaker for the meeting was Dr. J. H. Aitchison and he attacked both the Progressive Conservative and the Liberal parties during his address.

He set forth questions for parties, asking the Liberal party "if after the next election they form a minority government will they seek an early election and, having been refused twice, ask the Canadian people a third time to give them a majority?"

He said in part, "The Liberals have amply shown their contempt for Parliament."

"Nor will the Progressive Conservatives be anxious to bring about or force an early election," he said. Dr. Aitchison said the 26th Parliament will be a repetition of the last one.

"We will at last be able to show the world that we Canadians are as skillful as Finland, Norway, Sweden, Italy and West Germany in combining minority or coalition governments with stability," he said.

Attended Convention

Mr. and Mrs. Bruce Robertson, of Canadian Tire, Digby, were in Toronto at the biggest Canadian Tire convention ever held.

The 3-day festivities began on Tuesday, March 12th.

"Since time began, progress can be measured by the inventors, the musicians, the artists, and the businessmen who stuck out their necks to advance and progress." So states A. J. Billes, president of Canadian Tire Corporation Ltd. A giant turtle captioned "Behold the turtle" was the theme of the largest convention ever held by Canadian Tire. Two hundred and twenty independent associate dealers ranging from Kenora, Ontario, through Quebec, the Maritimes, Newfoundland, and with one dealer from Nassau, Bahamas, participated in 3 days of business sessions and social festivities in Toronto, which commenced March 12th. The Nassau dealer, Mr. C. Noel Brooks, has aptly named his C.T.C. store "Tropical Island Enterprises".

The only lady dealer in the group was Mrs. Audrey Smith, of Bancroft, Ontario, who is doing a flourishing business since her husband died several years ago.

At the closing banquet on March 14th at the Royal York Hotel (Canadian Room, of course), Mr. A. J. Billes unveiled a giant turtle, symbolic of the Company's 1963 theme, "Behold the turtle - he makes progress only when he sticks his neck out". The turtle was also the background for honoring 22 dealers who this year became members of Canadian Tire's 25-Year Club. For 57 other dealers, this was the first Canadian Tire Convention they had attended.

Legs Broken In Accident

Two girls were treated at Digby General Hospital following an accident at the intersection of King and Warwick Streets, Tuesday afternoon.

Nora Gavel, 12, and Lola Thomas, 11, evidently stepped out from behind a transport truck, and were struck by a car driven by A. Reginald Turnbull, Digby. Each girl suffered a broken leg.

Lola is a daughter of Mrs. Donald Humble, and Nora, a daughter of Mrs. Arnold Gavel, Digby.

Red Cross Reports Activity

The March business meeting of the Digby Red Cross Branch, held last week at the Court House, heard reports of continued Red Cross activity in the area.

Mrs. R. B. Lent, branch president, reported progress in the annual campaign for funds being carried on under the chairmanship of Mrs. R. Berntsen for the town, and Mr. Alfred Grimmer for the surrounding area. On the basis of early returns, it was hoped that their quotas might be met. Mrs. Lent also reported that plans were being made for a Red Cross Blood Donor Clinic to be held at the Lions Club Hall the following week with E. B. Tufts as chairman.

A committee of Red Cross members was appointed to take charge of registration, refreshments and other club duties to assist the Lions Club.

The Women's Work Committee report, presented by Mrs. H. M. Warne, showed materials for knitting and sewing received from Red Cross headquarters, including a bolt of flannelette for local welfare work. A sample "Cash-ohio", which is a hooded woolen robe that the Canadian Red Cross is having a token shipment of these garments made up as a contribution toward the work of the International Red Cross on behalf of the Arab refugees. It was reported that a shipment of finished work would be forwarded to Halifax as soon as the display was removed from the Rexall Drug Store window, where the Red Cross Centenary is represented by posters, with quilts, disaster supplies and clothing also on display. Mention was also made of the quilt contest in commemoration of the Red Cross Centenary, and it was hoped that the Digby branch might be able to produce a suitable design, the finished quilt to be forwarded to Halifax by September, with the winning quilt going on to the national competition.

Mrs. Winfield gave a full report of the activities of the Disaster Relief Committee, which included the provision of clothing for 7 families during the past month, in addition to housecoats for two ladies requiring hospitalization. Flannelette jackets and children's mittens were being made up, and thanks was extended to all those assisting with this work, and also to those contributing much needed clothing, for which there is a never-ending call.

The report of the Ways and Means Committee, presented by Mrs. Loran Hayden, showed receipts of approximately \$10 during the month. Expenditures included the recent purchase of a new sewing machine for \$55.70, and sundry expenses of over \$5.00, with a balance of \$27 still on hand. Thanks were extended to the hostesses who had provided refreshments for the Ten Cent teas during the month.

Correspondence was read by Mrs. J. J. Brittain, assistant secretary, including a letter of thanks from Commissioner Illsley for the successful Area Meeting to which the Digby branch had played host in February. A letter was also read from Mr. Purnard, Director of Swimming and Water Safety, requesting the co-operation of the branch in providing transportation for 16 Digby high school students to HMCS Cornwallis for advanced instruction in swimming, a course being given for several weeks. Mrs. Lent explained that this would be of great benefit locally, as the young people from Digby and Annapolis Royal thus trained would provide a nucleus of future swimming instructors for the area. The matter had already been brought to the attention of the Digby Kiwanis Club, and the required \$35 transportation expenses were shared equally between the Digby Branch and the Kiwanis Club.

Following the conclusion of the business session tea was served by the Ways and Means Committee with Mrs. E. B.

P.C.'s Meet

Honourable George C. Nowlan, P.C. candidate for Digby-Annapolis-Kings, attended a meeting of the officers, executive members and poll workers of the P.C. Association for the electoral district of Digby at the Firemen's Hall on Malden Lane Monday night, March 18. The meeting was largely attended, with representation from every polling district in the constituency.

Mr. Nowlan gave a resume of the issues leading up to the election, and the highlights of the campaign to date. He stated that the party was receiving enthusiastic support throughout the nation and the rallies being held are well attended.

He informed the meeting that tenders had been called for the reconstruction of a section of the wharf at Weymouth North, and for harbour improvements at Freeport. He stated further that temporary renovations were being made at the public wharf at Digby to accommodate the new ferry, the Princess of Nanaimo, which he stated would be in service on the date scheduled.

"A new wharf will have to be constructed at Digby", he said, "in order to accommodate the new and larger ship." This project would be proceeded with, without delay, as soon as the location and design have been determined by the officials of the department of public works.

Writes History

Mrs. Helen R. Thurber, Digby, who has been successful in having a number of her songs published, has now completed a simplified history of England for Nova Scotia boys and girls. The history, it is understood, covers the period of 50 B.C. to the present day.

Also soon to be published by Mrs. Thurber is a book of songs titled "Songs of Nova Scotia, Volume I", including Sable Island, Seven Mountains, A Hundred Thousand Welcomes, In the Land of the Blue Tartan, Queen of the Fishing Fleet, Around the World in Spray, Mystery of Jerome, and Land of Blue Tartan.

The music for the songs was written by Mrs. Frances Peters.

Sponsor Digby Princess

Digby Lions Club will again sponsor an Apple Blossom Festival princess for Digby, it was learned from Mrs. Helen Anthony, deputy mayor.

The festival is scheduled to be staged from May 31 to June 3 this year and the princesses are all expected to be chosen by April 30.

This year marks the Centenary of the Nova Scotia Fruit Growers Association and the requested theme for the festival is "A Century of Progress".

Lady Bowlers Down Men At Carleton Lanes

An interesting contest was witnessed at Carleton Lanes last Friday night when the top ten women bowlers competed against the top ten men. With their handicap, the women downed the men by 48 pins with a total pinfall of 2,931 to 2,883.

High single for the ladies was by Shirley Woolaver with 111; high ladies' triple was by Rene Melanson with 291. High single for the men was by Dick Warner with 115 and Luke Dugas had high triple with 317.

A re-match is planned to give the men a chance to redeem themselves.

Mrs. Sadie Stark spent a few days last week with her son and daughter-in-law, Mr. and Mrs. Fulton Stark and family at Deep Brook.

Richardson as hostess for the afternoon.

About This and That

Message From 4-H President

J. R. Racine, President of the Canadian Council 4-H Clubs in a recent message said that one of Canada's real needs in Agriculture today is the training of young people so that they may be more properly prepared to serve this most basic industry as well as the nation as a whole. Early in a year dedicated to mark 50 years of growth and progress, it is gratifying to note how 4-H has contributed to Agriculture and its many associated industries, he said. Successful men and women in every community and in all fields of endeavor refer frequently to their 4-H activities and emphasize how these experiences have contributed to their accomplishments.

To be successful, one must be guided, the president said. This guidance must start early in one's life and must come from several areas of influence. From its simple beginnings fifty years ago when the emphasis was largely on the product and not the person, 4-H Club work has grown to become a potent educational force becoming increasingly more recognized by educators, industrialists, bankers, clergy, and many others. This is essential because the purpose has shifted to placing the emphasis not so much on the work the 4-H member performs as on the development of the person himself. The 4-H movement has thus become a team effort, guiding the rural youth of Canada into channels of respectability whilst preparing them for their roles as adult citizens of the future. The team is a unique one indeed . . . club members, parents, leaders, farm organizations, department of Agriculture and business firms, with the Canadian Council on 4-H Clubs active at the national level to blend and coordinate activities for the benefit of all.

Public Meeting of the Ratepayers of the Town of Digby

NOTICE is hereby given pursuant to a Resolution passed by the Town Council of the Town of Digby, that a public meeting of the ratepayers of the said Town is convened, called and summoned for Saturday, March 30, A.D. 1963, at 8 o'clock in the afternoon, in the auditorium, Digby Regional High School, in the said Town, to which meeting there will be submitted resolutions in the forms following, that is to say:

NO.1 Resolved that this public meeting of ratepayers of the Town of Digby hereby approves of the proposed borrowing by the said Town of a sum not exceeding two hundred and thirty thousand (\$230,000.) for the purpose of erecting, furnishing or equipping a building for a General Hospital, the said amount of two hundred and thirty thousand dollars (\$230,000.) being the portion which the said Town is required to pay towards the total cost of said Hospital.

NO.2 Be it further resolved that this public meeting of the ratepayers of the Town of Digby hereby approve of the proposed borrowing by the said Town of a sum not exceeding forty-six thousand dollars (\$46,000.) for the purpose of installing new water mains along King Street from Prince William to Warwick, and along Warwick from King to the new Hospital, along Victoria from Church Street to Mount Street, along King from Warwick to St. Mary's Street in the said Town.

Dated at the Town of Digby this twentieth day of March, A.D., 1963.

J. F. WHALLEY,
Town Clerk.

Hill Grove Church Elects Slate

The annual business meeting of the Hill Grove United Baptist Church was held on Thursday evening, March 7th, in the church, with the pastor, Rev. H. S. Hartlin, acting as chairman, who conducted a brief devotional service before opening the business session.

Minutes of the last meeting were read by the clerk, Lloyd MacNeill, and on motion adopted. Reports of the various committees and societies within the organization were presented and recorded. Report of the clerk revealed an increase of four members by baptism and the loss of one by letter.

Report of the treasurer disclosed an increase in both contributions and expenditures. After all obligations were fully met a comfortable cash balance remained to help out in an emergency.

Highlighting the past year's activities was the splendid

response at the annual roll call held in June, which exceeded in attendance, and contributions and good fellowship anything attempted heretofore. The untiring efforts of the Ladies' Auxiliary in having a good supply of water in the church hall also caused a lot of favourable comment. The pastor, in giving his report, thanked the members for their assistance and co-operation in carrying on the work and wished to thank some of the older members for their work in connection with getting out the Roll Call letters and their continued interest in all phases of the work of the church.

The advisory board presented the following slate of officers and committees for 1963:

Pastor, Rev. H. S. Hartlin; Clerk, B. Lloyd MacNeill; assistant, Mrs. MacNeill.

Treasurer, W. J. Franklin; assistant, Thomas Franklin.

Trustees, W. J. Franklin (3 years), Perry Porter (2 years), J. W. Murley (1 year).

Deacons, D. C. MacKay, Perry Porter, Thomas Franklin, L. B. MacNeill, W. J. Franklin.

Auditors, P. Porter, J. W. Murley, Cecil Murley, Carl Franklin.

Organist, Mrs. D'Arcy Roop; assistant, Mrs. Harold Marshall.

Ushers, Carl Franklin (chairman) with power to choose.

Unharvested Grain Assistance

Farmers who were unable to harvest their 1962 grain crop, because of the extremely wet condition of the fields, are advised that an Unharvested Grain Assistance Policy, under which cost will be shared on a 50-50 basis between the Government of Canada and the Government of Nova Scotia, has been provided.

Under the provisions of this policy:

- (1) Assistance will be paid to farmers who grew five acres, or more, of Oats, Barley, Mixed Grains, Wheat, or Rye;
- (2) Assistance of \$16 per acre on unharvested grain will be paid; provided that:

- (a) No assistance will be paid where the total acreage in grain crops on the farm was less than 5 acres; and, that,
- (b) In no case shall the assistance payment per farm exceed \$600.

All applications for assistance must be in the office of the local Agricultural Representative, from whom official application forms are available, and must be filed with him, on or before March 31, 1963.

Persons found guilty of providing false information regarding grain acreage will be liable for prosecution.

For further information relative to this Assistance Policy, consult your local Agricultural Representative, the Field Crops Office at the Nova Scotia Agricultural College, or write:

APPRECIATE HMCS BAND

The people of Weymouth area were given the opportunity to hear the nationally known band from HMCS Cornwallis, on Thursday evening, directed by Lieut. A. Peter Metcalf at the school auditorium. Again the Kiwanis Club has sponsored an outstanding event for the community and are to be congratulated on their efforts. The band is one of the best known, and gave a most exciting program. In music the audience was given a tour of Europe, Ireland, England, South America and back to North America. Every type of music was produced to please every taste. A fantasy on Casey Jones brought the house down, and many of the audience were practically in the aisles with the rendition of the Twist. Western music was included as well as Latin American and Spanish dances. It was an evening that will long be remembered with pleasure by those who had the privilege of hearing it.

The Kiwanis Club has given on this area wonderful opportunities, not only in this instance, but in so many ways, the Kiwanis park where the children can learn to swim, and swim in safety all summer; the little league, and skating at St. Anne's in the winter. Weymouth should be proud of such a group, and back them in their efforts.

Mr. Maurice Young left this week for Lunenburg.

Mr. Frank Williams, Saint John, spent a few days this week with Mr. and Mrs. Austin Williams.

Obituary

Miss Helen Amraut

Miss Helen Amraut passed away at her home in New Edinburgh after a short illness.

Born in New Edinburgh, she was the daughter of the late Basil and Marie Anne (Therault) Amraut. She was 87 years old. She received her education at Sacred Heart Academy, Meteghan, at Mt. St. Vincent and Provincial Normal College. She taught school a few years, then opened a general store in New Edinburgh which she operated until ill health forced her to retire just prior to her death. She also served as post mistress for the village for over 40 years.

She is survived by a sister, Emma, and one niece, Evelyn, with whom she resided.

Funeral services were held in St. Bernard's Church with Rev. L. d'Entremont, Superior of St. Anne's College, celebrating high mass of requiem. Interment was in the church cemetery and pall bearers were Gilbert and Basil Belliveau, Harley Amraut, nephews of the deceased; Chester Doucette, Emile and Fred Amraut.

Joggin Bridge

Miss Anne MacPherson of Halifax, visited at the home of Mr. and Mrs. Chester Brinton, Wednesday.

A recent visitor of Mrs. N. Joudrey was her sister, Mrs. Clyde Foster and daughter of Lawrencetown.

Mr. and Mrs. Roy Durling of Digby, visited Mr. and Mrs. Coleman Rice recently.

Miss Linda Brinton spent the weekend in Halifax, with Miss Anna Adams.

Mrs. Clayton Woodman was hostess to the Society of Friends Club on Friday evening, March 8th. Mrs. Cyril Daniels, vice president, conducted the business period after which a social time was enjoyed. Mrs. Marshall Turner was in charge of the program.

Mr. and Mrs. Chester Brinton visited the latter's brother, H. L. Woodman and Mrs. Woodman in Kentville, Sunday.

Hold on to your bucket seats — now COMET has a Mercury V-8

Rarin' to really travel? Comet's ready for you with sizzling V-8 power — 164 horses' worth. Now you'll really wonder what the big ones have that Comet hasn't! Want more thrills? Team up this V-8 with Comet's 4-speed floor-mounted stick shift. And, for a sporty touch, add bucket seats in either convertible or sedan models. With your choice goes Comet's zestful styling flair and an interior that suggests the luxury of costlier cars. Plus Comet's

soothingly quiet, ultra-smooth ride. (That 114-inch wheelbase makes a difference! So does the lavishly applied sound insulation.) Plus service-saving features like the 36,000-mile major lubrication interval. Visit your Mercury dealer and learn more about the '63 Comet, including its 24,000-mile or 24-month warranty. See what modestly-priced quality looks like on wheels! P.S. If you don't have sizzling taste, remember Comet has two 6-cylinder engines. Both Sixes and V-8 thrive on regular gas.

Digby Girl Capped

Capping ceremony for student nurses of the Saint John General Hospital were held on the evening of February 28th. Among those capped was Miss Veronica Handspiker, of Digby.

Receive NOMA Certificates

Early in 1963 the students of St. Patrick's Business College entered the Noma Spelling Project, which was conducted by the Halifax-Dartmouth Chapter of the National Office Management Association.

The first Noma Official Spelling List consisted of 300 words. After a test of 100 words, taken from this list, Noma Spelling Certificates for 100% accuracy were awarded to: Diane DeLong, Mildred Donnellan, Anne Mulligan, Maureen McCormick, Susan Vidito and Dianne Wentzell.

After the second Noma Spelling List, consisting of 300 words was given, and Noma Spelling Certificates for 100% accuracy were awarded to: Betty Baxter, Donald Beattie, Judith Clayton, Diane DeLong, Brenda Deyuan, Mildred Donnellan, Gordon Grant, Nancy Huntley, Philip Mervin, Judith Miller, Brenda Milner, Anne Mulligan, Maureen McCormick, Carol Robbins, Rosanne Titus, Susan Vidito and Dianne Wentzell.

Mr. C. S. Loughlin, Chairman of the Noma Education Committee, Halifax, has sent his congratulations to the school and to the twenty-three students who passed these tests, and especially to Diane DeLong, Mildred Donnellan, Anne Mulligan, Maureen McCormick, Susan Vidito and Dianne Wentzell, who passed the two tests and thus earned their Gold Seal Certificates.

Bonnet Tea Discussed

On March 7 the regular meeting of the Digby Lionettes was held at the Lions Club Hall with the newly elected president, Jean Turnbull, in the chair.

Other officers are: 1st vice-president, Jean Raymond; 2nd vice-president, Helen Daley; secretary, Sandra Moses; treasurer, Jean Williamson.

Mr. E. B. Tufts was present and gave an interesting talk on the Blood Donor Clinic. At the meeting plans were discussed for a Bonnet Tea, to be held in the near future, at which time a display of spring and summer hats will be shown.

DONOR CLINIC

(Continued from page 1)
ample was later followed by many others of the local club members. Of the 189 donors registered, 89 were from Digby, with another 11 from Smith's Cove and nearby communities. Bear River practically took over the clinic at one time in the evening when a large proportion of their 55 donors were on hand at the same time. This was truly a record in view of the evening driving conditions. Another record must have been established by the 6 donors who attended from Freeport, in spite of their stormy crossing on the ferry. Other donors from Digby Neck community totalled 13. Weymouth was represented by 9 donors and the other communities from Brighton to Lower Saultville contributed a total of 12.

Mr. Tufts is certainly to be congratulated on the outstanding success of his efforts as chairman of the Blood Donor Committee, and the Lions Club is rendering an outstanding community service in sponsoring the Red Cross Clinic in Digby, where the Free Blood Transfusion Service is a regular, and frequently used, part of our local hospital treatment.

Hawks Beat St. Anne's

In the first game of the total goal Nova Scotia Intermediate "A" hockey playoffs, Bridgewater Hawks and St. Anne's battled to a 3-3 tie.

The second and final game was played at Church Point on Sunday, where Bridgewater trimmed St. Anne's 5-3 and captured the title.

Fundy Tourist Trail Speed Up

Some progress is being made in developing a tourist trail along the Fundy shore, but the Annapolis Valley Affiliated Boards of Trade hope to speed up the project with the help from member boards.

In a report at the annual meeting of the Kentville Board of trade, D. W. Waterbury, affiliated boards president, said the proposed route to be known as the Fundy Trail would extend from Victoria Beach, Annapolis Co., to Blomidon and the North Mountain, in Kings.

Application has been made to the department of highways and tourist promotion authorities to erect Fundy Trail signs on the route.

United Baptist Church News

The first meeting of a class to prepare candidates for Baptism and Church Membership was held in the Baptist Church of Digby last Sunday morning following the worship service. A considerable number of candidates, signifying their concern for the Christian life and their relationship to the church are now meeting with the pastor for a brief period on Sunday mornings.

At the services in the Baptist churches during the Sundays preceding Easter, the pastor, Rev. H. S. Hartlin, will preach on themes associated with events leading up to Easter. "What is Christianity?" is the topic for next Sunday.

A Bible Class for Adults and older young people was formed at the Hill Grove church last Sunday. The class, which meets at 2:15 on Sunday afternoons, will be conducted by the pastor, and a course of studies dealing with the great themes of the Bible will be given. Seventeen members were present for the opening meeting last Sunday.

Cardoza Heads Mental Health

V. G. Cardoza was elected president of the Digby County Mental Health Association at the annual meeting held at the Digby Regional High School, on Tuesday evening. Mr. Cardoza, who had been a previous president of the association, succeeds Hubert Deveau who was president for the year 1962-63. Other officers are: 1st vice president, Mrs. Penny Gott, Smith's Cove; 2nd vice president, Mr. John Nichols, Digby; 3rd vice president, Mr. Steve LeBlanc, Saultierville; secretary, Mrs. N. M. Armstrong, Digby; treasurer, Mr. Ed MacNeven, of Digby. Board of Directors: Miss M. Tupper, Digby; Mrs. Joyce Baxter, Digby; Mrs. Cecil Raymond, Smith's Cove; Rev. W. P. Clayton, of Conway; Mrs. Edith Wallis, Digby; Mr. and Mrs. H. Morehouse, Sandy Cove; Mr. Andy Williamson, Digby; Mr. Robert Bearne, Digby; Rev. H. S. Hartlin, Digby; Miss Catherine Amoro, Digby; Mr. Ernest LeBlanc, Church Point; Mr. Gerald D'Entremont, Meteghan Station; Mrs. Keith Potter, Plympton.

The report of the nominating committee was given by Reginald Purdy. Appointed to the Mental Health Board were Mr. Shaw, Dr. LeBlanc, and V. G. Cardoza.

Guest speaker was Andrew Crook, secretary of Nova Scotia Mental Health Association, who was introduced by Dr. R. A. Armstrong. Mr. Crook traced recent developments in Canadian mental health services and advancements made in the services in Nova Scotia. He stated that there are about 1600 persons from all over the province of N. S. who are patients at the Nova Scotia hospital each year and the average stay is five years. Mr. Crook showed slides to accompany his talk.

Hubert Deveau, chairman of the Housing Committee, reported that it was expected that the Mental Health Clinic would be able to obtain space in the new proposed hospital when it is built. It must be recognized that the local clinic should be more closely connected with the General Hospital, it was stated, so that professional medical help may be more easily available. More volunteer services were stressed by Mr. Deveau.

Delegate appointed to the C.M.H. conference to be held in Halifax is V. G. Cardoza.

Emergency Measures At Hospital

Due to severe overcrowding at Digby General Hospital, emergency measures were put into effect last weekend. The hospital was closed to visitors on Friday and Saturday. The measures were lifted on Sunday.

On Friday 50 patients were in the hospital, which has a standard capacity of 28 beds. Emergency beds were erected in corridors and all available space was in use during this situation. So serious was the problem that James Wambach, hospitalized after last week's fire, had to be placed on a mattress on a corridor floor. At that time it was decided to close the hospital to visitors as a safety measure. The present situation, however, has not been occasioned by influenza, hospital officials said. None of the patients during the weekend was an influenza victim.

On Wednesday 38 patients were at the hospital. Officials said that there is still an overcrowding of about ten patients, this number being somewhat similar to the number of patients regularly at the hospital. It was also pointed out that although the hospital is again open to visitors, a careful watch is being kept in order to safeguard the health of the patients, and if at any time such action is felt necessary, last weekend's emergency measures will once more be put into effect.

The Digby General Hospital Ladies' Auxiliary will hold their monthly meeting on Monday evening at the home of Mrs. A. J. Dillon. Mrs. Fred Stoddard will be co-hostess.

To Manufacture Furniture Again At Weymouth

Industrial Estates Limited has leased its two buildings at Weymouth, N. S., to a new firm that will manufacture furniture there.

Frank H. Sobey, President of Industrial Estates Limited, and R. B. Proudfoot, President of Rhuland Industries Limited, made the announcement.

"Furniture to be manufactured in Weymouth will feature upholstered goods using quality construction and fabrics comparable to any in Canada retailing in the same price range," said Mr. Proudfoot.

He said one line of furniture — the top of the line — will have a one-year warranty on construction and fabrics.

A complete selection of institutional furniture suitable for offices, motels and hospitals, also will be available.

"The people who will make this furniture have a reputation for producing durable, quality products," Mr. Proudfoot said.

He explained that at the present time more than 95 per cent of all furniture purchased in the Maritime Provinces is manufactured in Central Canada and that about half should and could be manufactured in the area. Mr. Proudfoot has the backing of a number of Maritime businessmen, some of them from Weymouth itself. "There is adequate capital to ensure the success of the operation," he said. The first furniture from the factory under its new management will be produced on April 15.

A native of New Glasgow, Nova Scotia, Mr. Proudfoot received his education there and at McGill University and the University of Toronto.

He has more than 10 years experience selling and servicing the furniture retail trade in the Maritimes as representative of well-known Canadian furniture manufacturers.

During the past two years he was general sales manager for J. W. Kilgour and Brother Limited of Beauharnois, Quebec, one of the largest furniture manufacturing companies in Canada.

He was in charge of the firm's exhibit in New York last year which was part of the first Canadian furniture show put on for American buyers.

Was 93 On Monday

George Bailey, Saint John, N. B., for many years chief steward on the Princess Helene, soon to be replaced by the Princess of Acadia, was 93 years old on Monday.

"Captain" Bailey, who had been hospitalized for some time, was allowed to be home at 417 Main St., Saint John, to celebrate his birthday.

According to Mrs. Jennie Beckwith, chief stewardess on the Princess Helene at present, who has been caring for "Captain" Bailey, says that he will return to hospital now that the celebration is over.

"Gramps," as Mr. Bailey is called by many, was steward on the Bay of Fundy ferry "Empress," on the "Yarmouth" and on many C.P.R. dining cars. He also sailed on ships to overseas Eastern ports.

Water Shortage In South End

The water shortage on the South end of Digby town in case of fires was discussed at the Emergency Measures organization which met at the Digby Fire Hall on Monday night. The meeting was chaired by Thomas Cleveland. Reginald Turnbull is secretary.

It was stated at the meeting that while the water pressure was not in noticeably short measure on the lower streets the lack of pressure is serious on the higher ground on the South end of town. The shortage while of concern for such emergencies as fires, was also mentioned as an inconvenience to domestic users in the area.

To Discuss Fishermen

More than forty fish dealers are expected to gather in Digby this Saturday to discuss the payment of unemployment insurance premiums to seasonally unemployed fishermen.

The meeting was originally scheduled for April 30. C. D. Snow, who recently criticized unemployment insurance payments to certain classes of unemployed fishermen, recently announced that the meeting has been set at this earlier date.

In addressing the March 12 meeting of the Digby Board of Trade Mr. Snow charged that the present unemployment scheme for fishermen defeats its own purpose. He said that at present fishermen were being paid to stay ashore by choice. This, he stated, was not good for the economy of this area or the country. Chasing after unemployment books from shore to shore is an inconvenience to the dealer, Mr. Snow said, and bogs down industry.

He suggested insurance of a percentage on the purchase of fish would be a better scheme and be fairer to all commercial fishing interests. Today, he stated, benefits to fishermen are out of all proportion to their payments and are a drain on the unemployment insurance fund. Even fishermen who earn five, six or even ten thousand dollars a year can now draw unemployment insurance. He said that another fishermen's insurance scheme should be designed whereby it would be impossible for the fishermen to stop fishing by choice, one established to pay in case of need, one that would eliminate such evils and something that would pay the fishermen to get established in industry again if faced by ill luck. Making a comparison, Mr. Snow said that fire insurance pays for a legitimate fire but when arson is proved insurance is not paid and the party involved is punished. The fishermen on the other hand, he said, gets paid even when by his own choice he is unemployed.

Saturday's gathering will be held at the Champlain Motor Hotel.

At present Mr. Shortliffe is resting at home with his foot in a cast.

Rescue Disabled Boat
The crew of the Bay View Life Saving Station went to the rescue of the Joan & Isabella, on Tuesday morning, at 5:30. The boat, operated by Captain Fred Kay, had a broken shaft and was unable to operate. On board also were deck hands Leo Haynes and Milton Gregory. She was towed to Turnbull's wharf, Digby, at about 11 a.m.

Winner of the highest aggregate prize was Treasure Diane Hickling, of Granville Ferry. She was awarded the medical staff prize with a mark of 91. Included in the class were Maxine Alice Andrews, North Range; Mary Evelyn Chandler, Richfield, Digby Co.; Beatrice Shirley Comeau, Marshalltown; Carol Louise Daley, Digby; Carol Myrna Harding, Havelock; Treasure Diane Hickling, Granville Ferry; Gladys Edna Mullen, Easton; and Marie Loretta Thibault, Hectanooga.

Two boys of the 1st Digby Troup of Boy Scouts were presented with Queen Scout badges at a recent regular meeting of the troupe. Seen above, front row, left is Roger Wright, son of Mr. and Mrs. Norman Wright being presented with the badge by the Scout Master Graham Saunders. Centre is Michael Surrette, son of Mr. and Mrs. Harold Surrette, who was also presented with a Queen Scout badge. In the rear left is Frank Ayer, troupe leader, already a Queen Scout, and Donald Jayne, Assistant Scout Master. The 1st Digby troupe of about 30 Scouts is sponsored by the Digby Lions Club.

Injures Foot

Henry Shortliffe, of South Range, has returned home from the Digby General Hospital where he had been hospitalized since last Friday due to an injured foot.

Mr. Shortliffe was working in the woods near his home when the axe he had caught in a limb above his head and on lowering severed a cord, artery and bone in his foot at the instep.

At present Mr. Shortliffe is resting at home with his foot in a cast.

Citizens Meeting Re Hospital

A citizens meeting will be held tonight at Digby Regional High School. The meeting concerns a proposed ratepayers' meeting, which in turn concerns a borrowing proposal in support of the new Digby General Hospital.

Authorities have called this meeting to clear up misunderstandings and give Digby citizens an opportunity of getting information regarding the proposed borrowing prior to the ratepayers' meeting, called for Saturday.

At the ratepayers' meeting the Digby Town Council will submit a proposal calling upon ratepayers to approve borrowing by the town of \$230,000 as a loan to assist in the building of the new 90-bed Digby General Hospital.

Total cost of the new hospital is \$1,600,000. At a special meeting last week the Digby Municipal Council authorized a loan from the municipality of \$340,000 to assist with construction of the new hospital.

The District of Clare has authorized \$40,000 as has the County of Annapolis. Additional funds required to finance construction will come from federal and provincial construction grants, hospital investments and a fund drive presently underway, as well as from other sources.

It is understood provincial and federal construction grants will total \$627,000. Aid from the municipal districts will total \$650,000.

Congratulations Received

Mr. and Mrs. Ernest VanTassel were recipients last week of several letters of congratulations on their 50th wedding anniversary recently celebrated. Prime Minister John Diefenbaker sent warm congratulations and also Premier Robert Stanfield. With the premier's congratulations on behalf of himself and the Government of Nova Scotia was also a specially prepared certificate commemorating the golden anniversary occasion. Congratulations were also received from V. G. Cardoza, M.L.A.

Mr. MacLeod also reported that a welfare course in Emergency planning would be conducted shortly. Already requests had come in from the district of Clare to have leaders attend the course.

Both evacuation and reception in case of emergency is planned for Digby. Charles McBride is working on transportation facilities.

Festival Closes With Concert

The 13th annual Music Festival in Digby County came to a successful closing on Thursday night when a festival concert was staged.

Piano solos in the concert were played by Deborah Douglas, Kimberley Melanson, Candace Comeau, Barbara Olsen, Deidre Morrell, Carol Kaye, Sharon Cook, Judith MacNeil, Vincent Bourgeois, Mary Lou Parker, Nancy Jayne, Gale Bundy, Nadine Belliveau and Susan Comeau. Vocal solos were rendered by Wendy Crocker, Charmene Belliveau, Joyce Melanson and Madonna Cole.

Playing piano duets on Thursday night were Kimberley Melanson and Eddy Hankinson, Valerie Sullivan and Carol Lombard, Dayle and Lina Baxter, Margaret Black and Cecile Dolron, Rosmary Claire and Cecile Dolron, Susan Comeau and Gail Hersey, Cheryl Woolaver and Susan Morrell.

Violin solos were played by Benny Marshall and Myfanwy Davies and a violin, trumpet and piano selection was played by Myfanwy, Danny and John Davies, sister and brothers.

A vocal trio was sung by three sisters, Marilyn, Sylvia and Cheryl Dukeshire.

Junior choirs which appeared at the concert were St. Peter's Anglican, Weymouth; St. Joseph's, Weymouth; and St. Patrick's.

Choruses in Thursday arrangements.

Eleven Sign For St. John Ambulance

It was learned at the local Emergency Measures (C.D.) meeting at the Digby Fire Hall on Monday night that eleven had signed up for the St. John Ambulance course to be conducted in Digby in the near future. A complete class consists of twenty and as soon as this number has been obtained the class will begin. The candidates for the course can be entirely new recruits or they could be those wanting to renew a previous course.

Graham Saunders reported that a radiation monitoring course would be started the first week in April since it was learned that the radiation kit would be available by that time.

Another police course is planned by the Emergency Measures police chief, Webster Dunn, town police chief. Already eleven have taken the police course but a complete complement consists of about twenty leaving nine new recruits to be obtained.

Thomas Cleveland, director of Emergency Measures in Digby, reported that wardens were needed and also someone to direct engineering services in the Emergency Measures organization in Digby. It was hoped that persons qualified for these positions might volunteer their services.

The arduous task of Emergency Housing was recently taken over by Edward Belliveau. A housing survey will be conducted immediately. Feeding under William Troupe is in an advanced stage of planning, it was reported.

Stations for feeding are set up on paper, committees are lined up and lists of food required are on hand. Lieutenant Kenneth Crews of the Salvation Army, who is experienced in clothing needs, has been approached to head up that committee. William MacLeod, overall convener of welfare services, reported that an overall plan would be submitted as soon as information from the auxiliary committees was available to tie together the five social services plans. He stated that if necessary the plan sketch now available could be put into practice.

Mr. MacLeod also reported that a welfare course in Emergency planning would be conducted shortly. Already requests had come in from the district of Clare to have leaders attend the course.

Both evacuation and reception in case of emergency is planned for Digby. Charles McBride is working on transportation facilities.

Engine Trouble Delays Boat

"Generator trouble" caused the C.P.R. Bay of Fundy ferry, "Princess Helene" to be nearly five hours late in arriving here on Monday.

The difficulties were found and corrected before the Princess had started the trip across the bay. The boat arrived in Digby at 6:50 p.m. and sailed again for Saint John at 9:20 p.m.

night's program were Grade I, Tiverton; Grades I-III, St. Patrick's, Digby; Grade IV, Weymouth, and the C.G.I.T. Shenandoah United Baptist.

Grace United Senior Choir, Digby, sang the anthem "King of Love".

Thursday night's concert was well attended, as were most of the festival sessions. Special note was made at the pleasure of having the Islands schools participating. This was the first year that competition entered the festival by giving marks to the junior classes. Another addition to the 1963 festival was piano sight reading.

Leonard Mayoh, of Acadia University, adjudicated more than 100 entries in the festival. President of the Digby County Music Festival is Gifford Lewis, Weymouth, and secretary is Mrs. Daniel Hankinson.

Elton Arnold was in charge of Choruses in Thursday arrangements.

John Nichols Again Heads V.O.N.

The annual meeting of the local V.O.N. was held on Friday, March 22, in the Trinity Church Hall. The guest speaker for the occasion was Dr. R. Armstrong, who gave an address on the problems of mental health.

The president, Mr. John Nichols, in his report, stated that the area had a more successful year, more in the sense that the nursing services were called upon more often, and less because there were still financial difficulties. Through increased efforts of all board members the former nurse and present nurse in charge that the nursing area had been expanded. The new step which he hoped would be successful was the service now given to the Annapolis area.

Nurse in charge, Miss Shirley Grant, reported an increase of 206 visits over the past year due to more medical and surgical visits. These made up 40 percent of the total visits as compared to 25 percent in 1961. The average age of patients getting medical care in homes was 61 years.

There were 772 visits made for public health teaching. 591 of these visits were to mothers and babies, 157 visits were made to children up to school age. Health supervision was given to children in the town elementary schools. Vision testing, routine health inspections, and control of infectious diseases were included in the program.

A treasurer's report showed total receipts were \$5078.40, total disbursements, \$5280.44 and on Dec. 31, 1962 the debit balance was \$103.85.

Mrs. Mel Thurber in giving the secretary's report said that the Digby branch VON was to be commended for their efforts in fund-raising over the past year, and thanked Mrs. J. M. Wallis of the Digby Courier for giving a coverage of the VON work and devoting her time to special news items.

About This and That A Debt Of Gratitude

Again Digby's volunteer Fire Department displayed great fire fighting skill when they confined the Central Motors fire on Friday to the one building. The Central Motors fire, a flash blaze in the midst of the downtown shopping area could have spelled ruin under more hazardous wind and tide conditions and without the alertness displayed by our volunteer fire department. The people owe to this fire department a great deal of gratitude.

This is the third major fire which has broken out in Digby within a short period of time which the fire department has been successful in confining to the one building. We think of the Central Market fire more than a year ago, the Digby Motors and now the Central Motors fire. Further back can be recalled times when even worse fire situations had been confined and brought under control by the men who volunteer their services for little or no remuneration.

To the on-looker, especially children, a fire is exciting. It also brings out sympathy for the owners of property destroyed by fire and the on-looker often gazes with a breath of thankfulness that he didn't happen to be the victim as well as gazing with a breath of sympathy for the victim. The on-looker also gazes at the fire-fighter with a certain sense of pride and admiration but all too often not really realizing the dangers to which the firemen are exposing themselves for the welfare of unfortunate fire victims. There is the danger of burns, of falling debris and as was witnessed at the Central Motors fire, by someone being overcome by smoke or exertion as was fire fighter James Wambach. Indeed, we owe a deep debt of gratitude to our volunteer Digby Fire Department. In this past particular instance we noted the Cornwallis Cafe showed appreciation by supplying refreshments for the fighters. Others, too, can find their own method of showing appreciation to a group of men who unquestionably warrant our admiration and praise.

Digby Has An Obligation

The new boat to replace the Princess Helene, formerly the Princess of Nanaimo, now the Princess of Acadia, is expected to begin her scheduled time-table on the Digby-Saint John run somewhere around the end of April, we understand. Sun tanned by the Panama weather, Chief Engineer Walter Miller and Chief Officer John Goodwin arrived back on the Princess Helene on Friday morning after seeing the Princess of Nanaimo put on her best performance enroute from her old home in Victoria, B. C., through the Panama Canal to Halifax dry dock where she is undergoing preparations for her new scheduled duty. Besides the sun tan the faces of Miller and Goodwin revealed a sense of satisfaction as they praised the boat and bragged of her trip through the Panama in 6 hours and which normally takes eight hours. She's a grand boat, they remarked and we must see that people use her so that we can keep her.

We have no doubt but that the Canadian Pacific Railway will advertise the new boat. They have been noted for advertising well and with the C.P.R. advertising Digby, as a town, has been advertised tremendously. How often people from other provinces have said, "Digby, oh yes, that is the Pines Hotel location."

The new boat will undoubtedly be an asset to this area and to no place as much as it will be to Digby. To Digby also can go a lot of credit for continuous reminding of the need for better boat facilities. We hope that Digby will not now rest on its laurels as far as the Princess of Acadia is concerned and feel that it has been released of all obligations. Since the new boat is to be of so much benefit to Digby we feel Digby has some obligation to the C.P.R. to advertise Digby to potential tourists and advertise that you get to Digby via Saint John, N. B., and that the boat trip from Saint John to Digby is one that no visitor wants to miss.

Of course, we can advertise along with the Annapolis Valley and we are sure that some of the Valley tourists will spill over to Digby. There is no advertising which doesn't do some good but there is always the good, the better and the best from which to choose and we suggest that any advertising which stresses Digby is the best advertising for Digby. Especially is this true when one of the doors through to the Valley and the rest of the province is through Digby. Why not try to get as many tourists as possible to enter the province through that particular door? Unless we let people know that Digby (and we mean Digby) exists we might find we are "missing the boat."

The new ship Princess of Acadia is a large boat. We do not fear that her car capacity won't be filled during the summer months even though some people will have remembered that they had to use "the long way around" on previous summer visits. But should every car space be filled and a full complement of passengers with each car there is still going to be ample boat passenger space. We are going to have to tell the world we have new transportation from Saint John to Digby and we are going to have to tell our story both summer and winter.

And, by the way, we think it would be profitable, maybe, for the transportation service to make it less costly for motorists to travel by ferry than to drive all the way through to New Brunswick. Volume of traffic might balance the ledger better than sustained rates.

In any case, Digby has some obligation to let the

Address Of Victor Cardoza

M.L.A., Digby, in the 1963
Throne Speech Debate

(Continued from Mar. 14)

Mr. Speaker, a great deal of what was said by the Honorable Member for Kings West in this House recently concerning the need for a new hospital in Berwick, could and does apply in Digby. We have a hospital in Digby which is overcrowded and outdated, whose facilities are totally inadequate to meet the need for hospital services which exists and which are being strained to the breaking point and beyond in an effort to meet that need. Hospital authorities in Digby have been warned by the Hospital Commission of the urgent need for a replacement for our hospital and for the past three years, local officials have been making an all-out effort to secure a new hospital which will meet the standards required for hospital service in the area.

A financing plan has been developed and local municipal and civic authorities and the hospital board itself have pledged monetary support and a public drive for funds is also underway. Plans and specifications for the new hospital have received necessary approval and it is understood that grant approval is virtually assured. One stumbling block remains, however. This is, that a Federal Grant, similar to that given to Middleton, which was expected because of the service provided by the Digby hospital to dependents of service personnel at HMCS Cornwallis, has not so far been made available and hopes of securing it seem rather dim.

Failure to secure this grant or the assurance that it will be made available, is creating a serious financial problem for the hospital board and its Building Committee. The board has been informed, I understand, that the gap in financing arrangements must be filled before necessary approval will be given for municipal authorities to provide their commitment. In other words, Mr. Speaker, the whole construction program for the proposed new Digby hospital could founder if some means of getting the additional funds required is not assured. A time element also exists with regard to this assurance. I understand that the contractors have given the board a firm commitment on price for a six week period. If financial difficulties cannot be overcome in that time, this arrangement no longer holds.

It would be an absolute tragedy, Mr. Speaker, if these financial problems cannot be resolved within the time allotted and the hospital building program is dropped. It would mean a continuation of hardship insofar as hospital services are concerned to the people of my area, an area where the relationship of hospital beds to population is one of the lowest in the Province.

I fail to see, Mr. Speaker, why this situation cannot be worked out. I understand a sum of about \$100,000 is involved and I feel some arrangement could surely be made to overcome this difficulty. Civic and municipal authorities, as well as the Hospital Board and the public in general are deeply concerned, Mr. Speaker, and I call on the Government here and now to lend every effort to hospital, civic and municipal authorities in the area in solving of this problem. Perhaps some arrangement could be made for a provincial loan of the amount required. Further pressure could be exerted on federal authorities regarding the grant in relation to HMCS Cornwallis or borrowing authority for the civic and municipal authorities could be widened to bridge the gap. I feel, Sir, action must be taken and that right soon to resolve this problem if the Digby area is not to be left without urgently needed hospital facilities.

And now, Sir, I would turn to other matters. I was disappointed not to hear in the Speech from the Throne any reference to that section of highway No. 1 just west of the Victoria Bridge which, in my opinion, is one of the most dangerous sections of that highway. It was disappointing also not to hear any reference to any plans concerning the Victoria Bridge itself. As I have said before in this

House, the sharp blind curves and roller-coaster hills of the section of No. 1 highway just west of the bridge constitute a severe hazard to motorists and are the bane of every driver, particularly the drivers of the many transport trucks who must use that highway. This situation should be corrected. Victoria Bridge itself should also be replaced with a modern, two lane structure. The present bridge is an ancient, rickety, single lane affair and constitutes a bottle neck that should be eliminated.

As a matter of fact, Sir, the whole of highway No. 1 is in bad shape and needs replacing with a modern traffic artery. The condition of this highway right now constitutes a hindrance to traffic and is dangerous. Pot holes abound in profusion and bumps are so closely spaced that it is almost required in some sections to drive with one foot poised on the brake pedal to avoid being bounced through the roof.

Speaking of highways, Mr. Speaker, leads me to again bring to the attention of this House the pressing need of a permanent crossing over Petite Passage which separates Long Island from the mainland of Digby Neck in my constituency. Provision of a bridge or causeway across this passage is an urgent need and I call on the government to take immediate steps leading to the provision of such a bridge or causeway. Provision of a permanent crossing for Petite Passage will remove a handicap under which the people of the islands of Digby Neck are living and will do much to assist the fish processing industry of the area. Across this passage, Mr. Speaker, must pass the millions of pounds of fish processed on the Digby Neck islands annually. Across it, too, must pass all of the commodities used by the island peoples, including fuel for their homes, their cars and trucks. At present, transport across the passage is provided by a ferry which although somewhat improved in recent years, is still not adequate for present day needs. I would predict, Mr. Speaker, that if a bridge or causeway is provided for this passage, it would result, not only in an upsurge in business for the islands, but also tremendously increase the number of people visiting the picturesque islands of Digby Neck thus making possible the development of a lucrative tourist industry on the islands. I cannot urge too strongly, therefore, Mr. Speaker, that early and effective action be taken immediately to provide such a crossing.

In connection with highways, Mr. Speaker, I could speak at considerable length about needs in my constituency. It seems to me, Sir, that many of the so-called back roads in my area have been sadly neglected in the past several years. True, some work has been done on a number of roads, but in 1962 no paving was laid in the district despite the fact several roads have been ready for paving for some time. Later in this session, Mr. Speaker, I intend to bring directly to the attention of the Minister of Highways during consideration of his departmental estimates other specific matters concerning the highway needs of my constituency so I will not refer to these further at this time.

One matter concerning highways which I feel I must mention at this time, however, Mr. Speaker, is the practice which is still being carried on by the highways department in the spraying of bushes alongside many of our roads. While it may possibly be that there is some money saving logic in this practice, I feel its disadvantages far outweigh any benefits it may have. In the first place, this spraying leaves the sides of our country roads in a most unsightly condition, lined with dead and dying bushes and small trees — a miserable sight for visitors and natives alike who traverse our roads. Surely, Mr. Speaker, this practice of spraying the sides of our country roads with noxious poisons is not at all in keeping with the plea of the Lands and Forests Department to "Keep Nova Scotia Green". Secondly, Sir, the spray method of bush control seems to be less than effective in eradicating those bushes and thirdly, Sir, there is the danger, this practice holds for birds and other wildlife and for privately owned shrubs and ornamental trees which

are often affected by the spray that sometimes gets carried by the breeze beyond the area for which it is intended. I would urge, therefore, Mr. Speaker, that the Highways Department abandon this method of bush control and explore the possibility of substituting a more effective and less unsightly and dangerous approach.

While speaking about highways, Mr. Speaker, I want to state that the handling of ice conditions, particularly on the secondary roads in my constituency is far from satisfactory. It seems to me that in recent years ice on our roads has become a greater hindrance and danger to transportation than snow. From what I can learn about the handling of ice conditions in my area, a sizeable sum has been budgeted for snow removal but a very inadequate sum has been provided for ice conditions. As I understand it, persons asking for something to be done about icy roads are being told nothing can be done because there is no money and, although there is money for snow removal, this cannot be used for ice control. This seems like a narrow and short-sighted policy. After all, snow is removed to make the roads passable. If it is ice that

makes them impassable, then this should be remedied as well. We have many people living on secondary roads who must get over them in order to get to their employment. School buses must also travel the back roads taking children to and from school. It is vital, it seems to me, that these roads be made reasonably safe for travel and kept from being impassable whether it is snow or ice that blocks them. I would urge the Minister of Highways to check in to this matter and to see that action is taken to remedy the situation that seems to exist concerning ice control on our roads.

At this point, Mr. Speaker, I would like to say that the people of my area are pleased that the Canadian Pacific Railway has decided to replace the CPS Princess Helene with a larger and more modern ship capable of carrying many more cars and passengers across the Bay of Fundy between Saint John and Digby. This new service should mean a lot to the tourist industry particularly, and should act as a stimulant to the economy of western Nova Scotia. That great transportation system, the C.P.R., deserves commendation for its policy and action

in this connection.

An item in the Speech from the Throne on which I would now like to comment, is the statement that negotiations are still continuing on a second national park for Nova Scotia. It seems to me that an ideal location for such a park would be in that area of western Nova Scotia embracing the Tobieville game sanctuary, the Lake Rossignol and Kedgwick districts. A park in this area would provide excellent inland recreational facilities for visitors and native alike and I urge upon the Government favourable consideration of this site as the location for the second national park in Nova Scotia.

Mr. Speaker, there are many more matters affecting my constituency that I could bring before the House at this time and I assure you that I shall bring those matters to the attention of this Assembly as the sessions proceed. For the present, however, I shall conclude my remarks by saying I am not at all convinced that the government's program as revealed in the Speech from the Throne or as commented upon by the Premier in his remarks the other evening, really comes to grips in a positive fashion with the two biggest problems facing our

THE

Digby Courier

province, unemployment and economic conditions. It may be all very well for those in certain metropolitan areas to look about them and say all is well in Nova Scotia. Sure, there are spots in Nova Scotia where things are booming — the fishing industry in part of my own district, for example — but what about those many areas of Nova Scotia where there is high unemployment, where industries have been allowed to dwindle away? Surely, Sir, the government has a responsibility to provide leadership in industrial development in all areas of Nova Scotia. In my own district, it would seem from remarks made by the Premier in this House two years ago, that the government disclaims responsibility and throws the burden on the people of that district. For this reason, Sir, and for many others, I feel that I must at this time support the amendment proposed by the leader of the Opposition to the address in reply to the Speech from the Throne.

Mr. Fred Milbury of Port Lorne, spent several days at the home of his niece, Mrs. Ralph Jefferson, and Mr. Jefferson. On Sunday he was a guest at the home of his brother, Arch and Mrs. Milbury, Bear River.

Mr. and Mrs. R. Brown, and daughter of Kentville, were Sunday guests of Mr.

Report of Commissioners For Fire Protection, Bear River, N.S.

The annual meeting of the Bear River Fire Department was held at the Fire Hall on March 14, 1963, at 8 p.m., with Mr. R. Parsons, chairman, Mr. H. Yorke, secretary.

Mr. A. C. Milner, Fire Chief, gave the yearly report.

Mr. Byard Marshall, chairman of the commission, gave the commission report.

Mr. H. Yorke, secretary-treasurer, gave the financial report for the past year.

Offices for 1963 —

Commission — R. Parsons, chairman; Chas. Balsor, Byard Marshall.

Secretary-treasurer, H. G. Yorke.

Auditor, Truman Wright.

Fire Chief, A. C. Milner.

Fire Chief's Report For The Year Ending Dec. 31, 1962.

During the year of 1962 the Fire Dept. responded to a total of 38 calls. This was an increase of 14 calls over the past year. The average attendance to these calls was 12.3.

Of the 38 calls there were 25 chimney fires, 4 house fires, 4 grass fires, 1 at a trailer, 1 at Rolling Homes, 1 barn, 1 truck, 1 bed.

There were only 2 fires in the taxation area where there was any damage, with a total of \$1,800.00, and 5 outside fires where damage amounted to \$13,500.00. The amount of damage in the area is one of the smallest since the start of the Fire Dept. There was also loss of life in the past year caused by fire, which makes it the second worst year in the Fire Dept.

There were some 384 man hours spent at fires and cleaning equipment after fires. We also spent a good many hours equipping a new truck and a new building at the rink. There were also several evenings spent in the spring burning grass.

We have spent approximately \$2,250.00 in the past year on a new truck and equipment for tending outside fires. We feel that both trucks are in good condition and well equipped at present.

The pump on the big truck was checked over by King-

and Mrs. Lovett Brown. Guests of Mr. and Mrs. Mansford Wyles have been Mr. and Mrs. David Potter and family of Halifax; Mr. and Mrs. John Wyles and baby and Mr. and Mrs. Jean Wyles and family.

Mr. Clyde Wiles spent several days last week with her father, Mr. Irving Sarty in Granville Ferry.

Mrs. Oscar Berry's friends will be pleased to know that she has returned from the V. G. Hospital.

Sunday guests of Mr. and Mrs. Keith Fraser were Mr. and Mrs. Donald Lowe and boys Michael and James, of Deep Brook.

Seagrave mechanic last July and reported to be in good condition. There may have to be something done to the portable pump on this truck in the near future.

I would like to see a new stand made for the siren this summer. This should be made of angle iron and raised a few feet from the roof.

In closing I wish to express my thanks to the Commissioners and the firemen for their work and cooperation during the past year.

Report of Chairman

Speaking for the Commissioners for Fire Protection, District of Bear River, we first wish to thank most heartily the Volunteer Firemen of the Bear River Fire Dept. for their very efficient and faithful service to this community during the past year. We would also at this time congratulate the firemen for their new truck and equipment which has been purchased during 1963. This truck is for outside calls and is a credit to their fire district. I may state that this truck and equipment has been purchased by funds raised by the firemen alone with no assistance what ever from the Commission rate-roll.

1962-63 saw 2 new Scott-Air packs, 1 fire extinguisher, three hundred feet of hose, 22 pairs mittens and booster hose purchased. This you will note was recommended at our last meeting by the Commission and passed at the annual meeting.

In regards to the dial system going into effect, this will be taken care of as time occurs.

The above articles have been paid for out of our General Account.

You will notice that our tax collections and finance are in a healthy condition. In closing, I wish to thank the ratepayers and other members of the Commission for their cooperation, and trust they will do the same for my successor. I would especially thank the officers and members of the Volunteer Fire Company and congratulate them for their continued attention to duty.

Respectfully submitted,
Byard Marshall,
Retiring Chairman.

Fertilizer And Lime For Grass

Lime and fertilizer are both essential for successful grassland production in Nova Scotia. It may well be a complete waste of money to buy fertilizer and apply it to land which has not been limed, as practically all soils in the province are acid by nature and require limestone to reduce this acidity. When the soil has been conditioned by limestone the plant roots may take up the plant food elements supplied by fertilizer. As lime is chiefly required to condition the soil, it must not be supposed that applying lime without fertilizer is worthwhile either, both are needed.

Experiments conducted by the Nappan Experimental Farm from 1957-61 have shown conclusively that when sufficient lime has been applied to bring the pH of the soil up to the range of 6.0 to 6.5 maximum yields of grass will be obtained when at least 400 lb. per acre of 0-20-20 commercial fertilizer is applied with an application of 300 lb. of ammonium nitrate annually. The nitrogen treatment was split into two parts, a spring and early summer application.

Results of experiments have also shown that lime penetrates the soil very slowly. Two years after applying lime on the surface of the sod there was no effect found below the one inch depth of soil. In subsequent years some effect was found in the two and three inch level of soil where four to six tons of lime had been applied, but at the highest rate of penetration lime did not descend into the soil at over one half inch per year, so that it would take ten to twelve years for lime to reach plow depth, if applied on the surface; by which time cropping would have used up much of the lime applied.

In comparisons between applying various rates of lime (0, ½, 1, 2, 4 and 6 tons per acre) to the surface and mixing the lime in the top six inches of soil, it was found that greater yields were obtained where lime was mixed into the soil. This was true whether lime was applied to an open (thin sod or to a dense heavy sod; however, there was less advantage in working the lime into the thin open sod than there was in the case of the more dense sod type. Lime which is concentrated in large quantities near the surface of the sod will induce root growth in that area and lime mixed in the plow depth layer will induce root growth throughout this area. It is easily seen that roots in a shallow soil are apt to suffer more from drought than when they have grown down further into the soil and therefore this factor should be considered in how limestone is used. However, it must be pointed out that a very considerable increase in yield may be obtained by applying lime on the surface of an unproductive, open sod provided that seed and fertilizer are also applied. The importance of this fact can be realized when all the steeply sloping and rough grass lands which exist in Nova Scotia are considered, since it is unwise to plow these areas because of the loss which may occur from erosion and

Mrs. Edith Wallis,
Editor,
Digby Courier,

I was interested in a Music Festival item in your paper, and also in the Halifax Chronicle-Herald to the effect that for the first time in the history of the Digby Music Festival this year's would be competitive.

Just for the records. In the early years of the festival there was some agitation for it being competitive. To accede to the request of one school in the county certain sections of the entries were on a competition level. The result was almost a failure, the school making the request finding the chore quite to their dislike. The following years competition classes were not included.

The Digby Festival has always been known for its high quality in the 'spirit of participation'. I hope this will be maintained in the competitive festival.

With the best of wishes,
E. C. Churchill.

In fact it may be nearly impossible to plow many of these areas anyway.

Digby, N. S.

Dear Mrs. Wallis,—

The undersigned would like to express appreciation for the good and courageous work our firemen displayed on Friday last, in fighting the fire at Central Motors Ltd., Water Street.

Some of us bystanders "felt the heat" from the burning water front side of the garage, seventy-five yards away. The firemen who had to work so close to the fire must really have felt the scorching heat from burning grease, gas, oil, and tar paper, beside breathing the heavy black smoke. I wish to say, "three cheers" for our fire-fighters, and many thanks.

Now, I believe the record for most car garages in this area, and maybe for all areas, shows a high rate of costly fires. It seems to me that it is just a matter of quite limited time before most car garages have a bad fire. Our town, as a whole, was very fortunate in this last fire. It was close to wiping out a lot of property, business, and tax revenue, and possibly human life.

Surely, the risk of having such a fire again in the heart of our business section should be minimized. Our buildings are close, and not built of fire-proof materials, and on the water front side, it is harder

to fight a fire. A fire in even a so-called fire proof building, can be plenty bad, as we know.

Vincent Snow.

Mr. and Mrs. Howard Price and family were guests of his sister, Mrs. Russel Dowe and Mr. Dowe, Wolfville, on Sunday.

Surprise Birthday Party

Mrs. Hattie Long entertained unexpected guests on Wednesday evening when the Neighbourly Club dropped in without warning to help her celebrate her birthday. Mrs. Long, who was viewing television, was unaware she had guests until they appeared at the living room door singing "Happy Birthday." She lives at Deep Brook.

A pleasant evening followed with games, fun, prizes. Mrs. Long played several selections on the piano. Mrs. Wayne Hall and Mrs. Borden Fountain served refreshments.

Mrs. Long was the recipient of a birthday cake, gift of china and a beautiful floral arrangement of roses and spring flowers. In a few well chosen words Mrs. Long expressed her thanks and appreciation for the gifts and thoughtful gesture on the part of the Neighbourly Club.

Mrs. Long was vice president and a valued member of the club for a number of years but is now unable to attend regular meetings.

Demonstrate Cake Decorating

The regular monthly meeting of the Digby Neck Home and School Association was held in the auditorium of the school on Thursday evening, March 7th.

The meeting was called to order by the president, Mrs. Elmer Lewis. Mrs. Lewis read a short poem and Mrs. Bailey (Gidney) read "A Parent's Code of Ethics". There was then a discussion whether or not to have a lobster supper sometime early in April. The general feeling was, that despite the high price of lobsters, if the supper were well advertised, it would be well patronized. No definite decision was reached.

The meeting was then turned over to Mrs. Osborne Morehouse who gave a most interesting and instructive demonstration of cake decorating.

Tickets were sold and the beautifully decorated cake went to Mrs. Victor Raymond.

Winter Carnival At Church Point

The winter carnival at St. Anne's College rink and auditorium was held Friday, Saturday and Sunday.

On Friday the regular winter carnival at the arena took place with 9 lovely dutchesses representing various youth organizations of Clare. A masquerade was featured, races, many clown, and Majorettes kept the audience in fine fettle. One of the main events was the choosing of this year's princess, Miss Jeanne Comeau, of Meteghan.

Local high schools and St. Anne's basketball tournament on Saturday afternoon in the college auditorium.

The music hall was the centre of attraction when a variety show of music was presented Saturday evening.

On Sunday, a hockey game between St. Ann's All-Stars and an outside team was played in the arena at 2:30 p.m. and in the evening a public skating session ended the three day Winter Carnival of Sports.

Home Nursing Class Graduates

An impressive ceremony of the graduation of the Home Nursing class of a group of ladies from the parish of Mont Carmel of Concession took place at the Clare branch of the Canadian Legion hall at Saulnierville. Guest speaker of the evening was Dr. Phillip LeBlanc, of Little Brook.

Dr. LeBlanc congratulated the ladies for completing their course. "There is always an inward feeling of contentment on receiving graduation certificates and I hope that you now have this feeling", stated the doctor. He mentioned that the special occasion was one at which they must be congratulated for attending and faithfully following the instructions that they had received.

It was appropriate, stated Dr. LeBlanc, that the short history he was to present to the group of the Red Cross should be presented here. The Red Cross owes its origin to the upswelling of sympathy throughout Europe during the Crimean War 1854-6 by the sufferings of the wounded soldiers and also in the Austrian-Italian wars in 1859 when 40,000 dead and wounded resulted after 15 hours of fighting in the battle of Solferino.

Henri Dunant, of Geneva, was nearby during that battle. He worked among the wounded for hours but was unable to meet the demand for assistance to the wounded. He went out in the streets gathering a group of women to help him. This was the start of the Red Cross. Three years later, in 1862, Dunant published a book entitled "Un Souvenir de Solferino" (a souvenir of Solferino). He told of the harrowing experiences and the aftermath of the battle. The book was translated in several languages and in 1863 a conference in Geneva was attended by representatives of sixteen European states. It was recommended that relief societies be established in every country to cooperate with the army and medical services.

Rev. Father Amiraault, parish priest of the parish in Concession, spoke briefly, stating that it was a pleasure for him

to see such a devoted group giving their time to such a noble role of taking the Home Nursing course. Much self sacrifice went into their effort to complete the course which has prepared them for any eventuality. "May God bless your work and give you courage and health so that you may be able to attend to any emergencies that may arise," stated Rev. Father Amiraault.

Basil Belliveau, director of Civil Defence, introduced the guest speaker, Dr. Phillip LeBlanc, and also spoke briefly to the ladies of the class, thanking them for giving much of their time to follow the Home Nursing Classes. The instructor, Mrs. Raymond (Blanche) Gaudet, of Concession, a registered nurse, spoke of the determination of the ladies to complete the course and she hoped that they would be able to benefit from the course in their homes or in event of a disaster, either man-made or a natural one.

Those taking the course were: Mrs. Louis LeBlanc, Mrs. Elizabeth LeBlanc, Miss Kathleen LeBlanc, Mrs. Edna Theriault, Mrs. Bertha Theriault, Mrs. Linus Jordan, Mrs. Medrie Boudreau, Mrs. Stella LeBlanc, Mrs. Celeste LeBlanc, Mrs. Anne Marie LeBlanc, Mrs. Therese O'Neill, Mrs. Josephine Gaudet, Mrs. Angel Dugas, Mrs. Marthe Comeau, Mrs. Aimee Melanson, Mrs. Victor Boudreau, Miss Dorothy Melanson, Mrs. Laura Gaudet, Miss Dianne Dugas, Mrs. Cecelia Doucet, Mrs. Gilbert Doucet, Mrs. Alex Deyeau, Mrs. Emile Melanson, Mrs. Edna Boudreau, Mrs. Patsy Meyers. Following the ceremonies a lunch was served buffet style to all those who were in attendance. The lunch was prepared by Mr. J. C. "Buddy" Meade, of Concession, who is chef in the Canadian Air Force. Mrs. Cecelia Doucet donated a beautifully decorated cake for the event with a red cross made with icing.

U.C.W. First Annual

Mrs. Harold Murray, president, Berwick, presided over the first annual meeting of the U.C.W. Presbyterial held at Middleton on Wednesday, March 13th. Those attending from the Digby U.C.W. were Mrs. Elton Arnold, Mrs. Bryson Denton, Mrs. C. C. McInnis, Mrs. James Ayer and Mrs. J. M. Wallis. From Weymouth and Barton were Mrs. Curtis Hankinson and Mrs. Samuel Cosman.

Special speaker for the afternoon was Rev. Fred Burhill, Berwick, who illustrated his topic by three stories about God, Church and God's People and gave interesting glimpses of a convention he attended at the Bangor Theological Seminary. He told his audience that each person was a channel through which God works and that lives should not be cluttered up so that the love of God cannot work through a person to those who need God's love. In speaking of organizations and buildings he suggested the question be asked not "What with Him?" but "Who with Him?" He continued in that so often we are missing the boat by not taking off our royal robes and crown. He said God took off his royal robe and crown to live among us.

The meeting was opened with a worship conducted by Mrs. Hugh Lloyd and Mrs. Cook, of Waterville. Mrs. G. W. Andrews gave the welcome, responded to by Mrs. Ishball of Lawrencetown. Greetings from the Presbytery were brought by Rev. Prescott Burhill.

In her report Mrs. Elton Arnold, treasurer, revealed that \$4,720, seventy-five dollars short of the allocation, had been forwarded to Conference U.C.W. Mrs. Harold Willett, Bridgetown, reported for the finance committee that a two percent increase in allocation had been handed down.

Mrs. Murray, in a president's address, noted that the U.C.W. just one year old is like a child which must grow in stature both physically and spiritually.

Mrs. G. Banks, Kingston, secretary, said the past year saw 25 congregations out of the 38 in the Presbytery organized in U.C.W. There are 48 groups and 913 members. Total amount raised by the women was \$2,395, of which \$12,000 went into church manses. In all Canada the women had raised \$19,000 more than their allocation, which amount will be used in outreach work.

Special music was rendered by Mrs. Steele, Middleton, soloist, accompanied by Mrs. A. Belcher, organist, after which a Question Box discussion was conducted by Mrs. J. M. Wallis, Digby. Mrs. R. K. Allen presented the literature. Mrs. J. A. Ruffee extended courtesies.

Mrs. James Ayer, Digby, presented the nominations for officers and committee heads and the newly elected slate was dedicated by Rev. Prescott Burhill.

Officers and committees are: President, Mrs. Harold Murray, Berwick; 1st vice-president, Mrs. Warren Roop, Middleton; 2nd vice-president, Mrs. J. M. Wallis, Digby; recording secretary, Mrs. F. B. Banks, Kingston; corresponding secretary, Mrs. Curtis Hankinson, Weymouth; treasurer, Mrs. Elton Arnold, Digby.

April Cancer Campaign

The Canadian Cancer Society will launch its annual educational and fund-raising campaign in Digby County on April 1.

Again this year, the society will emphasize "To Cure More, Give More" and "Fight Cancer with a Checkup and a Check".

With thousands of Canadians now alive cured of cancer, and the prospect of saving many more lives, a very successful 1963 campaign is predicted.

The public is becoming increasingly aware of the urgency of the cancer problem and that something can be done about it. In 1963, thousands of men and women will be saved who would have been lost to cancer had they developed the disease 10 years ago.

While it is now possible to save at least one out of two of those who develop cancer, only one of three is being saved. "If the present rates continue, many hundreds of men, women and children will die of cancer this year who might have been saved by earlier diagnosis and prompt treatment."

Because of the unnecessary loss of life, the first goal of the 1963 campaign will be to get more people to doctors in time for early treatment. An annual health checkup is a person's best protection against death from cancer.

Another part of the first goal is the objective of making sure that physicians are informed on the latest methods of diagnosis and treatment. When a person goes to a doctor, he should receive all the benefits of the best medical knowledge and skills.

The second goal of the 1963 campaign will be more needed money for research. Only through research can we hope eventually to save the one-half of those who develop cancer who can not now be saved. There is new hope in the scientific community that cancer can be eliminated as a threat to life. New knowledge of cancer is piling up at a rapid rate.

Increased funds are greatly needed to keep this knowledge building toward eventual solution of the cancer problem.

Contributions to the 1963 campaign will pay dividends in the future. It is very gratifying that the 1962 campaign went over the top. Let us make the 1963 campaign a success by making a generous contribution when the canvasser calls at your house.

Bernard Manzer, Publicity Chairman. Mrs. John Shaw, Campaign Chairman.

Spring Showing Of Furs And Fashions

Fashions from Leslie's Dress Shop and Mrs. Daniel's Hat Shop, Annapolis Royal, and furs from Mitchell's Furs, Halifax, were modelled at a Spring fashion show on Saturday, March 16, by members of the Cornwallis Wardroom Ladies' Club, and their daughters. Mrs. Gordon Turner was the commentator and a tea followed the showing.

Appropriately, as fashion begins with the very young Miss, the show opened to the gay music of "Thank Heaven For Little Girls" to introduce the adorable little Janet and Debbie Shorten. The former, aged five, modelled a white pique dress, with cheery tulip print in applique effect. Debbie, who is eight, was in a one-piece pink broadcloth with a jacketed appearance. Their almost dancing steps and turns down the runway delighted the audience and set the mood for the rest of the showing.

A charming group of pre-teen and junior Deb misses, showed outfits ranging through stretchie slacks and sweaters, slims and pop-over tops, shorts and sleep-wear, to lovely date dresses and light weight suits. These models were: Janette Addison, Nancy Fleming, Gillian Orton, Diana Steele and Cheryl Arnold.

Perhaps the most outstanding afternoon outfit shown was a three piece powder blue linen suit, modelled by Mrs. Ronald Lewis. The straight skirt with back walking pleat, was topped with a three-quarter sleeved box jacket, trimmed with heavy soutache braid, over a sleeveless blouse. With this costume, Mrs. Lewis wore a stunning beige straw cloche featuring self band and bow trim. Mrs. A. M. MacInnis, Mrs. H. C. LaRose, Mrs. H. T. Addison and Mrs. B. A. Massie drew many pleased comments about the costumes which they showed with such great effect.

A group of "all-weather" coats was outstanding for its versatility. Two in particular — a red corduroy with handsome gold monogrammed button trim, and self-belt with gold buckle, worn by Mrs. Bruce Massie, with a "Garbo-ish" white slouch hat; and a dramatic black velvet double-breasted coat featuring six large mother-of-pearl buttons and mandarin neckline, worn by Mrs. Charles LaRose. With this, Mrs. LaRose wore an elegantly stylish Breton in white straw, with upturned brim and tailored grosgrain band and bow.

The drawing for the door prize was held in a pause between the showing of the fashions and furs. The winners were as follows:

1. Miss Barbara Thompson, Annapolis Royal - \$15.00 Gift Certificate donated by Leslie's Dress Shop.

2. Mrs. L. Potter, Clements-ville - \$15.00 Gift Certificate donated by Cornwallis Wardroom Ladies' Club.

3. Miss Susan Sparks, Clementsport — Gift donated by "Exquisite Form".

During this intermission, too, the audience was entertained delightfully by Mrs. Barry Cummings, of Annapolis Royal, who sang two numbers, "A Little Bit of Heaven" and "A Few of My Favourite Things" from "The Sound of Music". Her accompanist was Mrs. Clifford Morine, also of Annapolis Royal.

A wide selection of jackets and stoles from Mitchell's of Halifax, provided an exciting highlight, featuring as it did Persian Lambs, Processed Seal, Beaver and, of course, Mink, both in Natural and Mutation.

This fashion showing was co-ordinated by Mrs. John H. Fleming, who also provided the background music. Mrs. R. A. Fatt was convener of the tea.

The proceeds from this show will be used to further various charitable projects throughout the surrounding communities, notably the Christmas Hamper Fund.

Parish Hockey League Closes

Three events marked the close of the season for St. Patrick's parish league in the last week. They were the hockey night on Wednesday, the all-star game Friday, and

the Father & Son Banquet Sunday.

On Wednesday night the fathers, older brothers and other men of the parish played against the boys of the parish. In a game loaded with a combination of laughs, spills, and some very good hockey, the boys came out ahead, 10-6. The win was threatened towards the end of the game when the old-timers goalie, Murray Burgoyne, began scoring, pads and all, and when all three lines of the fathers poured onto the ice together, but the commanding lead already chalked up held the day for the young-timers.

In the second game of the night, St. Pat's dropped a 2-1 decision against Notre Dame, of Yarmouth. In a fast-skating, close game that was scoreless for more than the first half, Notre Dame's Doug Upton and Wayne O'Connell dumped in two fast ones to get a lead, held all the game. St. Pat's Doug VanTassel scored the locals' lone marker from Mike Surette in the third period, but there were no further goals to even the score.

In the final game of the season, championship team St. Theresa's tripped an all-star team from the other teams of the league in a 12-9 contest Friday. Goals by Andy Doucette, Sherwin Doucette, Danny Doucette, Fred Jordan and Pete Comeau clinched the match, while the markers fired by David Wood, John Amirault and Richard VanTassel failed to even the tilt. A good many of the victors' assists, as during most of the entire season, were picked up by star forward Jimmy Melanson.

The closing event of the league's season was the Father & Son Banquet held Sunday night and attended by the boys, their fathers, members of the old-timers team, donors of trophies and benefactors of the league. With Joe Hattie in the chair, trophies were presented as follows: league championship, St. Theresa's; most valuable player, David Doucette (St. P.); leading scorer, Andy Doucette (St. T.); best defenceman, Mike Surette (C); leading goalie, Ronald Robicheau (St. T.); most improved player, Gerard Connolly (C).

A special cup of remarkable description was presented to Tom Amirault and David Wood, who spent the most time in the penalty box. Trophies were presented by Frank Ervin.

Grace United Brotherhood

Grace United Church Brotherhood met in the Church Hall on Saturday, March 16, at 6:30 p.m.

After a delicious supper served by Mrs. Clayton Snow, Mrs. Reginald Holdsworth, Mrs. Boyd Milbury and Mrs. Edward Murphy, the president called the meeting to order. Mr. George O'Neil welcomed the new members and Mr. Wilfred Cosman from Church of Christ Disciples Brotherhood, Weymouth.

Mr. Norman Wright presided most effectively over a panel discussion on "The Lord's Day Act".

Arguments were presented for modification of the Act to bring it more in keeping with our times so that it may be more effective.

On the other side arguments were presented for no change in the Act because it is based on the Fourth Commandment given by God and is therefore for the good of mankind.

The members entered into the discussion and it proved beneficial to all.

It was agreed to have more such discussions at future Brotherhood meetings.

Elta Rebekah Lodge Meets

Elta Rebekah Lodge met for their regular meeting Monday night and received one new member into the order.

The candidate was Mrs. Fern Denton and the degree was nicely presented by the seven member degree staff, with Sister Lila Harris, N.G., as degree mistress.

A pleasant social time was held following the meeting, with refreshments.

Mrs. Florence Bacon, Barton, spent Sunday with her mother, Mrs. Wm. Wamboldt.

North Range

Miss Maxine Andrews, Yarmouth, spent Sunday with her parents, Mr. and Mrs. Reg Andrews. Mr. Clayton Titus of Westport was a guest at the same home.

Capping ceremonies for student nurses attending Yarmouth Regional Hospital were held on Friday evening. Mr. and Mrs. Reginald Andrews of North Range attended the ceremonies when their daughter, Maxine, was a participant. They were accompanied by Mr. and Mrs. Crawford Daley of Culloden whose daughter, Carol, also received her cap.

Letter to the Editor

March, 1963.

Digby Courier, Digby, N. S.

Dear Editor,

Recently there have been many letters written against a tavern or liquor permits for Digby and Nova Scotia.

These letters have been, for example, from an aged lady whose life is spent between her kitchen and livingroom rocking chair and a temperate businessman whose entire life is his business and his home. How can these people possibly speak for the young people and other people of the province who have entirely different beliefs, desires and activities?

These people cannot speak for the population because they know nothing of the activities of the greater portion with whom they do not associate.

Liquor drinking in parked cars, woods roads, gravel pits, outside every dance hall and many other undesirable places result in many sinful acts which would not happen if these people had a proper place for moderate drinking and entertainment.

Those who do not wish to visit the tavern have only to stay out but they should not be permitted to drive the other citizens to parked cars, lonely roads and gravel pits.

Perhaps if some of these people who are saying "no" could take a peek into some secluded spot one night and they would find their own son or daughter, maybe then, their mind would change, unless they were foolish enough to think a good sound spanking would prevent it from happening again.

In the estimation of someone speaking from what they have seen, I say a vote "Yes" is helping the younger set instead of hindering.

A Digby Native.

Hospital Drive Progressing

In recent weeks the people of Tiverton, Freeport and Westport have been learning much about the project to build the new Digby General Hospital. The man responsible is Eugene W. Outhouse, active community leader on the Islands.

Mr. Outhouse has been telling everybody within earshot about the campaign to raise \$125,000 to assure construction of the new hospital. He has talked to the Odd-fellows Lodges, the Rebekah Lodges, and the Freeport Consolidated Home & School Association. In every instance he has found great willingness

to assist the project. Each of these groups have volunteered to help with the canvassing on the Islands.

In order to get the full support of the public we have to tell all the facts, said Mr. Outhouse. Once the people know the situation there is no question that each will do what is possible.

Organization of the financial campaign for the new hospital is also taking shape in other communities in the area.

At Weymouth, Dr. H. J. Pothier has spoken to the Kiwanis Club and other groups in the community. Dr. Pothier believes there is strong support for the new hospital in his district.

Dr. D. S. Brennan is spearheading the drive for funds in the Bear River district. A com-

mittee is presently being formed to assist him in his work.

Campaign committees are now being formed in all communities in the Digby area.

In the Town of Digby the campaign leaders are Reigh W. Jayne, who is also general chairman of the drive, and Edward Twohig.

Anyone seeking information about the campaign is invited to visit the campaign office on Water St., in Digby, or contact one of the local chairmen.

Gilbert's Cove

A pre-nuptial shower was held in honour of Lorraine Doucette on Saturday, March 16th at the home of Mr. and Mrs. Ralph Thibodeau. Games were enjoyed. The bride's table was decorated with an umbrella and a lovely doll shower cake. Miss Doucette was the recipient of many useful gifts.

Letters to the Editor

March 25, 1963, Digby, N. S.

Mrs. J. M. Wallis, Editor, Digby Courier, Digby, N. S. Dear Madam:

In the near future Digby will be visited by an important lady — a princess. To my way of thinking, this will be the most important royal visitor this district will ever have.

The last princess to visit here some years ago was marked by a gala time by all. I feel that school children in a large area be given an opportunity to see this princess on her first visit would be in keeping with the importance of this ship to us locally.

Some other suggestions could be the Mayor and Council of Digby as well as other Regional officials could be in the welcoming committee along with small flower girls, navy bands, cadet band, and any other interested party who would like to show the CPR and the nation that we appreciate this important link in transportation.

By the town being decorated up and the local citizens all taking part in such an occasion, I feel sure TV, radio and news outlets would give this occasion complete coverage nationally, thereby giving us very valuable publicity tourist wise as well as in other commercial ways.

This is one of the most important occasions to us in Western Nova Scotia, having our own "princess". An honour no other place in this province holds, to my knowledge.

The first ship up the St. Lawrence River to Montreal each spring receives a suitable plaque. Could not the first passenger, or car owner receive a plaque?

I feel that the first arrival of our own "Princess" should be well attended by her loyal subjects.

A Citizen.

honour of Mr. and Mrs. Walter Blanchard at Dartmouth.

Grace Comeau and Linda Robicheau are at home with the mumps.

Mrs. Hedley Maxner and son Freddy of Lower Grandville, visited Mrs. Maxner's parents, Mr. and Mrs. James While on Sunday.

Mr. and Mrs. James Lovett of Halifax spent a weekend at the home of Mr. and Mrs. Harley Amiraault.

Mrs. Stanley Nesbitt and daughters, Taryn and Darlene of Freeport accompanied by Miss Nellie Nesbitt of Weymouth visited Mrs. Clifford Doucette recently.

Mrs. Roger Sulis and son Roger of Digby visited various friends recently.

Sunset In St. Mary's Bay

In the summer, on fine days, the sunset in St. Mary's Bay is glorious. The sun casts its last dying rays over the sparkling waters, which reflects the glowing red into a great brilliance. The little wharf casts a shadow on the water, but on the other side swimmers gaily splash amid the twilight following. The clouds above are tinged with rouge and purple and blend into the scene perfectly. Sunsets here are always beautiful.

Even when the tide is out and the mud flats are laid open to the eye the sunset is still resplendent. The little moisture left in the mud catches the rays of the sun and turns the bay into a glowing red lake which tinges the land and sky with reflections.

In the winter the bay is covered with ice floes jammed closely together and no water is visible. However, as the sun sets its beams hit the ice and dazzle the eye of anyone looking at it. But who can help but look at it? It is beautiful, clear and fits in with the overwhelmingly majestic surrounding scenery.

Whenever there is a clear sunset in St. Mary's Bay everything is lit up in various colours. The sea, the land and the sky are colourful and perfect. The sea is a placid, dazzling and calm lake. The sun serves us in many and numerous ways but none are as beautiful and superb as when it lights up the world as it sets!

Duncan Armstrong, Grade 9-W, March 1st, 1963.

Study Eastern Asia

The C.W.F. group of Westport Church of Christ held their March meeting at the home of Mrs. Harold Thompson with the president, Mrs. Edgar McDormand, presiding.

The meeting opened with the C.W.F. prayer and was followed with the devotional led by Mrs. Herman Dakin.

Bible Study, with Mrs. Burt, was titled "The Work of a Woman", using scripture Proverbs 31:10-31, written by Solomon. A woman who is busy working for her family, helping others, teaching their family, happy in all her work, is blessed. Some questions on this lesson were asked, and Mrs. Burt closed with prayer.

In Mission Study, with Mrs. Harold Swift, the subject was on Korea, with Mrs. H. Thompson giving the background. Korea belonged to the Japanese from 1910 to 1945 when it was divided along the 38th parallel, with the industrial north to the Japanese and the agricultural south to the Americans. Disciple Churches help in Korea in several ways — through Church World Service — World Day of Prayer — National Council of Churches.

The Christianity was given by Mrs. Allison Swift. Christianity started in Korea, as early as the 17th century and has grown so that today there are over 5,300 Protestant churches and there are signs of real promise of the young people who respond to needs of the church. Some of the churches there have sent out Korean missionaries to Manchuria, North China and Pakistan.

Mrs. H. Swift gave a summary of the work of Church World Service — distributing food and clothing to widows, orphans and aged people, setting up feeding stations in outlying districts. These stations not only help by giving food, but the non-Christians are seeing for the first time the evidence of Christian love and concern for the less fortunate.

In Seoul, Korea, there is an independent radio station which broadcasts messages of life and hope to all within hearing distance and is the "mother" station of the only Christian radio network in the world.

Women Have Easter Meeting

United Church Women of Grace United Church held its regular meeting on Tuesday evening when an Easter theme featured the program, led by the president, Mrs. Bryson Denton. Special parts were taken by Mrs. Elton Arnold and Mrs. Robert Morgan. Mrs. William Marshall led in prayer and scriptures were read by Mrs. John Russell, Mrs. Gladys Budrow and Mrs. Oakley Turnbull.

Mrs. Vincent Snow and Mrs. Milton Atkinson sang a duet, "I Remember Calvary", accompanied by Mrs. Elton Arnold on the piano, and Mrs. J. M. Wallis sang the solo "I Know That My Redeemer Lives", accompanied by Mrs. Snow.

Mrs. Denton reported on the annual meeting of the Annapolis Presbyterial held recently in Middleton and announced the annual meeting of Conference U.C.W. in Moncton on April 2 and 3. Mrs. Wallis gave a few highlights of the meeting of Information and Stewardship in Toronto last week.

Mrs. Milton Atkinson reported that the missionary boxes would be packed on Thursday and Mrs. William Marshall told the members that the Brunswick St. Mission in Halifax was again in need of clothing.

The next meeting of the U.C.W. will take the form of a pot luck supper.

Establish Project-Farm

G. B. Kinsman, Director of Horticulture and Biology Services, at the Nova Scotia Agricultural College, Truro. Recently reported that much interest is being shown in the closed development of a new project farm in Digby County.

On one 20-acre field on this farm, which will be established in the Marshalltown - Hill Grove area, it is proposed that such fruit as pears, peaches, apricots, raspberries, strawberries, grapes will be grown and studied. The purpose of establishing the project farm in Digby County is due to the fact that this area offers some of the earliest land to be found in Nova Scotia. It has a long frost free season, with winter temperatures rarely going below 0 degrees F., thus favouring the culture of tender fruit crops.

Obituary

Hallet Otis Banks passed away at the Digby General Hospital on Wednesday of last week. Born at Weymouth, N. S., seventy-one years ago, he was a son of the late James and Belle Peck Banks.

Mr. Banks resided at Clementsvalle, Lake Jolly, Bear River and two years ago moved to Digby, where he has since resided.

His wife is the former Muriel Barnes, of Digby.

He worked for a number of years with the Lincoln Pulp Wood Company, of Bear River, as a truck driver and woodsman. Twenty-three years of his life were spent in the United States, where he worked as a woodsman.

Surviving besides his wife Muriel are three brothers and a sister: Oakley and Lewis, of Bear River, Wilton, of Lequille, and Hazel (Mrs. Avard Robar), Virginia East.

A brother and a sister predeceased him.

The remains rested at Jayne's Funeral Home in Digby, N. S., until Saturday, when they were taken to the Bear River United Baptist Church for service at 2 p.m. Rev. George Brydon conducted the service and interment was in Mount Hope Cemetery, Bear River, N. S.

Kiwanis Mail Easter Seals

During recent dinner meetings of the Kiwanis Club of Digby at the Hotel Champlain, members of the club have been busy getting out Easter Seals and letters which go to about 5,000 recipients from Little River to Annapolis Royal and Victoria Beach.

This annual drive is in aid of the Crippled Children's Fund, and is one of the most important public service projects of the Kiwanis Club in this area. The Kiwanis International, of which the Digby club is a member, is one of the most outstanding service clubs on this continent, and sponsors many projects of public interest and welfare.

The Digby club, by means of this fund, has been able to give financial aid for medical treatment and assistance to many crippled children in this area since it undertook to support the project some years ago.

Saturday afternoon in honor of her grand daughter, Dorothy Wade. A pretty decorated birthday cake was included in refreshments served by Mrs. Gidney.

Thursday when services were held at Clementsvalle Baptist Church. Rev. W. B. Armsworth conducted the service and interment was in Clementsvalle.

John McFetrick

John McFetrick, prominent Montreal stockbroker and retired naval officer, died suddenly at his home in Pointe Claire. He was 61.

Born in Saunderville, England, Mr. McFetrick came to Canada at an early age and settled in Montreal.

In 1924 he established the stockbroking firm of McFetrick and Company in Montreal's financial district, and joined the Montreal and Canadian stock exchanges.

He served briefly in the Canadian Navy during World War I and was commissioned in the RCNVR shortly after the outbreak of World War II. He closed his firm for the duration of the war.

In 1941, as a lieutenant, he was appointed to command the naval division at Hamilton, Ont. The following year he was promoted to the rank of lieutenant commander and later served aboard warships on North Atlantic convoy duty.

He was promoted to rank of commander in 1944, and in 1945 was appointed commanding officer of HMCS Donnacona, Montreal naval division. He retired from the Navy in 1916 and re-opened his stockbroking firm.

He was a member of the Shriners' Richard Coeur de Lion Lodge of Montreal, Beaconsfield Golf Club, Mount Stephen Club, Royal Order of Jesters — Court 63, Naval Officers' Club, Royal St. Lawrence and Pointe Claire yacht clubs.

He is survived by his wife, the former Evelyn Mitchell; two sons, John David and Robert Neville; three daughters, Clare, Mrs. Anthony Sergi; Patricia and Sally; and two sisters, Mrs. George Jay, and Mrs. T. Ogilvy, of Grimsby, Ont. A brother, Alex McFetrick, predeceased him last July.

The body rested at Jos. C. Wray and Bros., 1234 Mountain St., Montreal.

Mr. McFetrick is a nephew of Mrs. Ella Marshall, of the Salvia House, Digby.

Mrs. Roy W. Mallett

Plympton lost one of its well known citizens in the passing of Mrs. Roy W. Mallett, on Friday, March 1. She was born at Digby in 1885, a daughter of the late William and Minnie (Mallett) Hutchinson. She spent her entire life in Plympton, except for a few years after her marriage, when she lived in Massachusetts.

She was a devout member of Holy Cross Church and for years an active member of the Catholic Women's League. She leaves her husband and one daughter, Winnifred, Mrs. Richard Thorne, of Oshawa, Ont., two grandchildren and four great grandchildren.

There also remains one sister, Grace Hutchinson, Yarmouth, and one brother, Tom in New Jersey. One daughter predeceased her.

Funeral service was held at Holy Cross Church, Monday, March 4, with Father R. Deveau, P.P., officiating. Interment was at Holy Cross cemetery.

Mrs. Evelyn Whyte

Mrs. Evelyn Ellis Whyte, widow of Dr. Earle F. Whyte, died on Tuesday at the Willow Nursing Home.

Mrs. Whyte, who was born in 1887, was the daughter of Captain James Ellis and Mrs. Ellis of Digby. For many

years she was a teacher on the staff of the Halifax school for the blind and was a charter member of the Canadian Institute for the Blind.

For her work in this capacity Mrs. Whyte was honored in October, 1962 by the Canadian Council of the Blind.

Mrs. Whyte leaves one daughter, Marion (Mrs. Douglas T. A. Haviland), Birch Cove, and one son, the Rev. Robert Ellis Whyte, of Winnipeg. Another son, Muir, predeceased her. She also leaves 5 grandchildren, a sister, Mrs. Donald Thurber, of Watertown, Mass., and a brother, Boyd Ellis, of Digby.

Funeral services were held on Thursday, March 14, from the Halifax Funeral Home, with the Rev. Dr. H. Rockham officiating, assisted by the Rev. Douglas T. A. Haviland.

Burial took place in Camp Hill cemetery, with the committal conducted by the Rev. Robert E. Whyte.

Hazel Wade

Hazel Wade, a native of Hillsburn, died Friday at the Annapolis General Hospital. She was born in 1896.

She was the daughter of the late Mr. and Mrs. Watson Guest of Young's Cove. The late Mrs. Wade was predeceased by her husband, Charles, in 1960.

She is survived by nine children, Elmer, Kenneth, Carl, and Malcolm, all of Hillsburn; Elaine (Mrs. Murray Beals), Lawrenceville; Ruth (Mrs. Lawrence Elmer), Blackerton; and Wilfred, Granville Ferry; Cyril, Digby; and Endon, of Dartmouth. She is also survived by 31 grandchildren.

The funeral was held from Holy Trinity Church, Granville Ferry, Rev. S. R. Sheppard officiated and burial was in Hillsburn.

Adelbert A. Prime

The death of Adelbert Alston Prime, Weymouth North occurred at his home on Monday evening after a lengthy illness. He was 72. Mr. Prime was born in Hassett's, a son of the late Isaac and Annie (Porter) Prime. In his youth

he worked in the United States but for the past several years he had resided in Weymouth North where he farmed and operated a general store until ill health forced his retirement.

Besides his wife, the former Sadie Alma Steele, he is survived by one daughter, June (Mrs. Russell Cosman), Weymouth North, and three

grandchildren as well as one sister, Mrs. Herman Steele, Southville. An only brother, Clarence Prime, predeceased him one year ago.

The funeral service was held Thursday from Church of Christ Disciples, in Weymouth, with Rev. L. B. Nethercott officiating.

Guest soloist was Mrs. L. Nethercott who sang "I Want To Tell You What I Think Of Jesus". Pall bearers were Gerald and Stanley Prime, Stedman Steele and George Ayer. Interment was in the church cemetery, Weymouth.

NO.2 Be it further resolved that this public meeting of the ratepayers of the Town of Digby hereby approve of the proposed borrowing by the said Town of a sum not exceeding forty-six thousand dollars (\$46,000.) for the purpose of installing new water mains along King Street from Prince William to Warwick, and along Warwick from King to the new Hospital, along Victoria from Church Street to Mount Street, along King from Warwick to St. Mary's Street in the said Town.

Dated at the Town of Digby this twentieth day of March, A.D., 1963.

Emergency Haircut

Mr. Elmer Wyman, 75-year-old Tiverton man, had an attack of appendicitis and was told that he needed an immediate operation.

However, Mr. Wyman's chief concern was that he needed a haircut. He was assured that his haircut could wait until after his operation, but Mr. Wyman insisted upon his haircut.

Andy's Barber Shop was Mr. Wyman's first stop on his arrival at Digby, where he suffered severe appendicitis pains and got his haircut before proceeding to the hospital.

The operation was a success and Mr. Wyman is doing fine.

Missionary At Ashmore

Miss Shirley Freckleton, a United Baptist missionary, home on furlough from India, was guest speaker in the Bethel United Baptist Church in Ashmore, Wednesday evening.

She spoke on foreign missions, and her experiences. Her text was taken from the book of Acts, which tells of Barnabas "who gave his all to Christ". She was dressed in a beautiful green Sari, such as the women of India wear. It was made of pure Konjeevaram silk, and on her feet, open sandals, of black and gold.

Miss Freckleton is a native of Dartmouth, N. S., a graduate of Acadia University, Wolfville, has spent five and one half years in India on the Bobbili and Visakhapatnam fields, and is returning there in October.

At the close of her address slides were shown depicting the life and customs of the people there.

The speaker was introduced by Rev. C. R. Barkhouse, and a short devotional service was conducted by the president of the WMS. A solo was rendered by Mrs. George Wagner, accompanied by Mrs. Scott Kinney. An offering was taken to be used for missionary purposes. Rev. Barkhouse closed with prayer.

New Residence At St. Ann's

Abbey Landry, of Moncton, was the successful bidder on tenders for the construction of a residence for students of St. Ann's College at Church Point. Work on the new building will commence on or about April 1st and the building must be completed by August 15th, 1963.

The estimated cost of the building, including its furnishings, is \$300,000.00. The building will be in the form of a "T" measuring 143 feet by 145. The architects are Le-Blanc and Gaudet, of Moncton. It will be a two storey building and 120 students will be housed in the new building.

There will be some transformation in the new wing which was constructed a number of years ago. The dormitories in the stone faced building west of the proposed men's residence will be transformed into larger laboratories of chemistry and physics rooms and also permit the enlarging of the library. This work will be started next year, it is stated.

Some of the sub-contractors will be from the region and Mr. Landry stated that employment for twenty persons from the area will be available. Mr. Landry was the lowest of nine other companies submitting tenders.

The new building will have two drawing-rooms, a chapel and more than sixty double rooms.

Course For Teen-age Swimmers

For the past couple of years no organized classes for teen-age swimmers have been held in Digby, due to lack of facilities, according to Mrs. Peter de Waard, Red Cross Swimming and Water Safety representative for Digby area. It would benefit the Digby children greatly, if, in the near future, this town could be included in the Red Cross Swimming and Water Safety courses, Mrs. de Waard said.

An outdoor swimming pool might well be made available if all local organizations and town council were to make a joint effort, she continued. More and more communities in Nova Scotia feel that a well organized swimming and water safety program is a necessity and in this regard Digby should not stay behind.

For a community swimming program more instructors and assistants are needed and it is for this reason that leadership courses are held, so as to give young people in the area an opportunity to qualify.

Through courtesy of Captain R. Steele, the pools of HMCS Cornwallis are now available on Saturday afternoons for teenage swimmers who want to attend a leadership class, to run for eight weeks, for boys and girls of 16 years of age and over from communities surrounding Cornwallis. Participants should be advanced swimmers, preferably holding a Senior Red Cross award and bronze medallion. There is, however, an opportunity for strong swimmers who don't have these qualifications, to take a test at the beginning of the course.

The evaluation of the ability of candidates is made on three counts:

1. A written examination.
2. A practical teaching period in the pool.
3. Observation by the course director throughout the course.

The four main points on which marking will be based are: (a) personality; (b) technique; (c) control; (d) attitude.

It is hoped that these classes can be followed up with an instructor's course for those of 18 years of age and over.

Participants from Bear River are sponsored by the local Boy Scout organization and the Board of Trade.

The course is conducted by Mrs. Peter de Waard, Bear River, assisted by Mrs. Reg.

HEADS CAMPAIGN

Harry Thomas, of a Halifax firm, is engaged to put on a campaign for \$125,000 for hospital construction. In addressing a recent meeting Mr. Thomas said that the support of everyone in the Digby area will be needed to make the campaign a success. He said each must work, talk, think and give hospital. About \$15,000 had been pledged by the time of Wednesday's meeting. Usually in a campaign, he said, 90% of the objective comes from 10% of the people. Mr. Purdy also suggested that pay-roll deductions might be arranged.

On the committee with Mr. Jayne and Mr. Thomas are C. V. Snow, H. C. Morton, Dr. J. R. McCleave and Gordon Turnbull.
