FOREWORD

There are many missing issues, part of issues and torn and dark hard-to-read pages. I have, however, done all issues that have been microfilmed during this period, 1920-1929. Many weeks are missing and I have listed these on the following page.

I know I have likely made mistakes in spelling, etc. but have done them as I see them. I have tried to read each Courier carefully. I hope that I have not missed any births, deaths, marriages, etc., but I am sure that some were.

I would be glad to hear of any omissions or mistakes in spelling, etc. Note, however, that though many spellings for names may look incorrect, I have used the form of spelling given in the original notices.

I would like to thank the staff of the Isaiah Wilson Memorial Library for their co-operation and patience during the indexing of the Couriers. Without their help in ensuring the microfilm machine was available, making sure the film I was working on was there, this project would not have been possible. To Trudy Amirault, Virginia Stoddard and Janice Boudreau, for believing in this project and encouraging me to continue; to the Western Counties Regional Library staff, who have the job of getting each book ready for publication, thank you one and all.

MISSING WEEKS

1. 1920 - May 14, 28; June 25; July 1, 9; Aug. 13, 27; Oct. 8, 15
2. 1921 - no issues missing
3. 1922 - Feb. 10; March 17, 24; May 5, 12; June 9; Aug. 11; Sept., 1; Oct. 6, Nov. 31, Dec. 29
4. 1923 - Jan. 5, 19; Feb. 23, March 16; April 20; July 20; Aug. 17, 24, 31; Sept. 14; Oct. 5, 12; Nov. 2, 9; Dec. 28.
5. 1924 - Jan. 4; Feb. 8, 15, 29; March 28; June 27; July 4, 25; Aug. 8, 31; Dec. 5, 12, 26.
6. 1925 - Jan. 23, 30; Feb. 27, May 15; June 19; July 10, 24; Aug. 21, 28; Sept. 18, 25; Oct. 9, Nov. 27, Dec. 11, 26.
7. 1926 - All Jan.; Feb. 5; March 26; April 2, 9, 16, 30; Sept. 3, Dec. 31.
8. 1927 - Jan. 14, March 11.
9. 1928 - July 27, Sept. 28, Nov. 30.
10. 1929 - Aug. 16.

Many of the obituaries, birth announcements and marriages appear as part of the community news and even if found as separate, often more information as to family home for funerals, etc. can be found in the community section.

If an item appeared more than once in the paper, I tried to indicate this by [2].

B=birth D=death M=marriage Div.=divorce Mem=memorials
Bir=birthday Ann.=anniversary Art.=article which could include anything interesting

I found on various families from achievements to murders.

I also tried to add some interesting happenings from communities, such as fires, discoveries listed under communities names as well as some shipwrecks under the name of the ships but could not enter them all. This project started as just births, deaths and marriages but I soon felt I had to give the feeling of how useful early papers were in telling family and community news.

When an ongoing event occurred such as a murder, court cases, etc., I have entered it for the first date that it appeared only. Ex. Annie Kempton murder, in order not to upset anyone, I have entered all events as articles.

Memorials that appear yearly I have entered only once.
