

## Welcome to the Digital DIGBY COURIER 1877-1978

### 100th Birthday

The hundredth anniversary of the Digby Weekly Courier has brought to mind some fond memories as recounted in the following historical chapter of the paper. For first, I want to congratulate the current editor of the Courier, Mrs. J.M. (Edith) Wallis, for a job well done over the years and still being well done, good service rendered with great fortitude.

According to my recollection, I have at hand, the Digby Courier, in one hundred years of publication, was controlled under the same family management for 42 years, 1836 to 1978, under the control of Wallis Print Limited. The late J.J. Wallis became editor of the Courier in the second time, in 1929, and at the latter time of the second time, in 1929, and at which he had been running for some time previously and which became Wallis Print Limited sometime between 1929 and 1931.

I well remember the last year of the twelfth when I worked in the office with the husband and father of the Digby Courier. Sometime in 1929 or early 1930, the late J.M. Wallis (Mac), son of J.J., engaged me to work every day after school hours, Saturdays, and for some months after for the office of work was in the building of the present Digby town hall on First Avenue. J.J. Wallis then worked occasionally at the print shop but mostly across the street at the Courier office which was then located on land in the general area where The Royal Bank of Canada is now.

Wallis Job Print operated in this building of four consisting of J.J. Wallis, J.M. Wallis, Miss Elva Haynes, who later became Mrs. George Kicop, and myself. I was in the staff in early 1929.

Mac's job was to run the printing plant but mostly at the Courier office. "Mac" worked nearly full-time at all the different jobs at the Job Print, and I worked at various duties most of the time being spent at operating printing presses.

We worked ten-hour days, six days a week. J.J. and "Mac" sometimes worked overtime. I worked only the regular hours being paid a weekly wage which was comparatively good for those times, and my lack of experience. I received five or five dollars a week for working after school hours to six o'clock and on Saturday all day, and nine dollars a week for half weeks after finishing school. A two or three dollar a week raise was offered to me in the fall of 1929 for me to stay on at printing, but I had made up my mind to enter a branch of the Royal Bank of Canada, starting salary of \$200. The bank salary started out about the same per hour as for the printing plant those days, and experience however short, were helpful and appreciated to me.

J.J. was very jovial in his occasional trip to the Job Print and did consider the kidding all in good fun. "Mac" was a witty person who noised in a good deal of sarcasm now and then for no reason or another. Elva must always had good answers to all the kidding she was called upon to take, and she usually held her own in a quiet sort of way, always in a setting type. We four all got along very well together. However, I do remember that some days all seem long and weary because of the transitory of some repetitious jobs.

In spite of the great demand for printing those last happy days of the twelfth, business generally being brisk, it looked in his that people had to work long and hard to make any decent profit. There was

however, trials and finger ends were used and I was sent back to work.

Now and then a printing job had to be put on a piece of paper which required a new kind of printers ink which smelled very bad some days. I always dreaded it when "Mac" would say that it was the largest press, it was at the factory as always against an outside door to lower the air on the construction.

One of the jobs I had to do, with the paper and printers devil on the staff, was to do a printing job and then, one day not long after I started my job at the printing plant, I decided to show the floor that apparently hadn't been cleaned in some considerable time.

"J.J." came along and said, "how are you getting on Vince?" I assured him that I thought I was beginning to see the floor. "J.J." laughed very heartily, he thought the remark pretty good and amusing.

Sometimes the gasoline engine or a piece of machinery would refuse to work, and the "Mac" the fix it man had patiently worked for a certain length of time to get it going again, without results. "Mac" would then stand back and cross out dramatically, then he would immediately start working. "Mac" would say, "all it needed was a bit of cleaning."

On other occasions when some piece refused to work for the and, seemed to be broken, "Mac" would say, "use a little oil" and sure enough after that is all it took. How often since, have I heard of the value of that remark and the actual need of oil in many life situations, applied at the right time, right place and, in the right way.

Other things that sort of stick in my memory and come to mind now and then are, like the time I told "Mac" of four teenage boys who in the spring month of 1928 got together just before dark one evening and decided to utilize the newly built outdoor Fern Hotel swimming pool which had just been filled with water. Clothes were taken off near the road just out of the pool, nobody else seemed to be around except the four boys, no thought or time for bathing suits up to the pool they went. They stood on the edge of the pool and looked at the chilly water, one soon jumped in. The rest quickly followed and across the pool they swam. "Mac" listened to the story and hardly said anything, but the next "Digby Courier" had a good story on the episode. The heading of the story went something like, "Four Boy Scouts Officially Open Pines Hotel Swimming Pool." Who were the boys? Many years later they are known as: the late Dr. Carl H. Anderson, veteran of two wars, second world and Korea; now prominent druggist, for many years in Digby; Clayton D. Snow, Digby wholesale hardware king merchant; and myself.

As a young teenager I used to like doing some writing about different events interesting to myself and mostly for myself. One day "Mac" said to me how about writing your version of the story told about "The Marooning of Jerome". I did it and read at least two somewhat different versions about the man who was found marooned on a beach in northern point on the French Shore of St. Mary's Bay, Digby County. When I read this man's tale, and then read and his legs quite freshly amputated, were surgically well dressed and bound. He was presumably left by some vessel before dawn one morning, all for some mysterious reason.

"Jerome" appeared to have been a man of some considerable social standing and, possibly, of some considerable wealth. However the way the man could or would ever say after being found and cared for by some family in the French shore was, something that sounded like the story of a hero. He either would not, or would not, write anything about who he was or why he was left there. Well, it was, and is, one of Digby County's best kept secrets, and, different ideas have been put forward over the years concerning this man. However, the name of "Mac" was, I felt no urge to write anything about different about this man. The story seemed to have been very well explained in the story of many people, and he was a sort of a hero and many people who liked ways he was.

There were three print jobs that were quite interesting. One was a printing job for the street that had been closed for some time. The other was a printing job for the street that had been closed for some time. The third was a printing job for the street that had been closed for some time.

### Digby 172 Years Ago

Compiled by David Lambert

From the files of the Courier of January 22, 1881, the following account has been compiled concerning Digby in 1709.

Among a number of old newspapers kindly sent to me by friends is a copy of the first issue of the Digby Courier of 1881. The first issue of the Courier was published on January 22, 1881. The first issue of the Courier was published on January 22, 1881. The first issue of the Courier was published on January 22, 1881.

The Town Plot is situated at the east of the township just within the entrance to Annapolis Basin, and twenty miles from Annapolis Town, and six miles across. It is from the land of W. Mary's estate. This land was then the water's edge, partly as level ground, and partly as the locality of a modern hill, dry and pleasant, and having with an eastern aspect, a view of the Annapolis Basin and its cultivated shores for twenty miles in where it terminates with the Fort and River's mouth of that name. It was owned by Loyola, from New York in 1702, the most of whom went early to farm, or, moving to other countries, left the whole

free trade with the U.S.A., especially with the New England States. The question was then debated by some Digby High School students one of which was J.J.'s daughter, Florence (now Mrs. Melvin G. Thibert, Freeport, Digby Co.). Some days after the debate a man from some part of Nova Scotia came to the printing shop looking for Florence, one of the successful debaters. I had the impression that this man was interested politically but, maybe I was wrong.

Well, I felt that I had learned considerable from my short experience at "The Wallis Job Print." I was learning to do beginner jobs, receiving some knowledge about things like embossing, stapling, perforating, counting, cutting and trimming paper stock, making ink for certain desired colors, and so forth, but, the only experience I had at setting type was just enough to make a "ye", the printers name for a confirmed fool.

There was a taste of trying to sell job printing outside the plant. Work was a little slack one early fall day and so "Mac" said to me, "how about trying your hand at taking orders for printed personalized Christmas cards?" I tried to make several calls around town, spent most of the time at one particular

side to be hoped proved by about who were ready detached, but meetings with and sympathy, at some Digby school. It has common spirit of the year previous to 1904, 1905, 1906, 1907, 1908, 1909, 1910, 1911, 1912, 1913, 1914, 1915, 1916, 1917, 1918, 1919, 1920, 1921, 1922, 1923, 1924, 1925, 1926, 1927, 1928, 1929, We hear that Mrs. Dennis Falvey, Weymouth Bridge, heart was made glad by the arrival home of her daughter, last Friday, who has been away 26 years. The people will remember Grace Falvey if they do not know her present name. We think she is from California.

Sometimes we hear people very sarcastic about it should a mistake appear in the notes. Which no doubt sometimes is the fault of the sender and sometimes of the printer. How much easier it would be for the correspondent, if when there were any news to let them know of it or send a note, instead of one trying to pick it up without help, which is not a very easy job. Every little item interests our people when they are away from home. How often we hear one say, "When I get hold of a Digby Courier I read every word, ad. and all."

# ONLY ONE CURE FOR A BAD STOMACH

Indigestion and Similar Troubles Must be Treated Through the Blood.

Indigestion can be treated in many ways, but it can be cured in only one way—through the blood. Purge the blood, and the troubles will disappear. By this force they move the food on still undigested. That weakens the whole system, uses up the natural juices of the body and leaves the stomach and bowels parched and sore. It is a cause of indigestion—not a cure. Others try predigestive foods and peptonized drugs. But drugs which digest the food for the stomach really weaken its power. The digestive organs can never do the work properly until they are strong enough to do it for themselves. Nothing can give the stomach the power but the new, rich, red blood so abundantly supplied by Dr. Williams' Pink Pills. So the reason for their success is plain. The health of the stomach depends upon the blood in its delicate veins. If that blood is weak and watery, the gastric glands haven't the strength to secrete the juices which alone can digest the food. If the blood is loaded with impurities it cannot absorb the good from the food when it is digested. Nothing can stimulate the glands, and nothing can absorb the nourishment, but pure, red blood. And nothing can give that pure, red blood but Dr. Williams' Pink Pills. Mr. Alfred Gallant, Mill River, P. E. I., says: "For several years, previous and up to two years ago, I suffered continually from indigestion. I could not eat enough to keep my strength, and what little I did eat, no matter what kind of food, caused great pains, so that I became much reduced in flesh, strength and energy. I consulted several doctors and took medicine from them but without any benefit whatever. On the advice of a friend I began to take Dr. Williams' Pink Pills and soon good results were noticed. I could slightly increase the amount of food after day, and suffered no inconvenience, until after taking ten boxes I could eat any kind of food and in a short time got back to my normal state of health and feel that Dr. Williams' Pink Pills have surely cured one of a most stubborn case of indigestion."

You can get these Pills from any dealer in medicine or they will be sent by mail at 50 cents a box or six boxes for \$2.50 by addressing the Dr. Williams' Medicine Co., Brockville, Ont.

## Wedding at Little River.

GRAHAM—FROST.

A very pretty wedding took place in the Baptist church at Little River, Digby County, on Wednesday, June 30th, at 8 a. m., when Miss Myrtle B. Graham, daughter of Mr. and Mrs. E. E. Graham, of Centerville, was united in holy wedlock by Rev. R. M. Browne, of Sandy Cove, assisted by Rev. F. H. Eaton, of Little River.

The church was tastefully decorated with field flowers, ferns, and potted plants, and an evergreen arch spanned the right aisle near the pulpit. The relatives occupied the pews to the left of the pulpit and the three ministers present sat together on the rostrum. Amid the calm and hallowed occasion the inspiring notes of a deftly rendered wedding march softly warbled forth as the groom proceeded up the aisle and stood beneath the arch, followed by a moment later by the bride, who was met with a shower of rice and orange blossoms and carrying a bouquet of carnations.

After congratulations and dainty refreshment at the home of the bride, Rev. Mr. and Mrs. Graham left for Weymouth en route to Pictou, where they will be at home on Sunday, July 4th, at 8 a. m. and 8 p. m. The groom wishes full to express all we hope for this promising young couple whose noble character, consistent life, and faithful service will not soon be forgotten. May the Master ever abide with them and crown their labors with success, to His glory.

## Sweating Boys.

It is regrettable that profanity has become so common among boys. It is not in the least one of the ordinary, but a group of boys of 10 to 15 years when they go to the streets or in any open space to play a game of ball or football, they use such a language that the tongues of the profane vulgar or coarser, and which are shocking falling from the lips of children of tender years. Of all stupid and silly vices, profanity is one of the worst and most abominable. A simple statement of fact is much stronger than any statement embellished with swear words, and no lie is made any the more believable by being framed in profanity. Profanity among men seems to be growing less and less, at least in public places and among those who may lay claim to decency and some education. But the habit seems to have firmly fixed itself upon a great many of the boys, who may imagine it manly to use profanity and smoke cigarettes.

\$200,000 Fire in Chicago.

Chicago, July 1.—Two explosions in the rooms of the American Film Service Company, on the third floor of the Security Building, Fifth Avenue, resulted in a fire which caused a loss of approximately \$200,000 last night.

A Surprised Minister.

"For many years I have been a sufferer from bronchial catarrh, and had despaired of anything like a cure. Judge of my pleasant surprise when I first used Hyomei, which brought complete relief. Hyomei has been a veritable godsend."—Rev. Charles Hartley, Sardinia, Ohio.

A complete Hyomei sufferer has given up in despair. They have tried stomach dosing, spray, snuffs and douches without success, and now believe catarrh to be incurable.

But Jones, druggist, holds out hope to all distressed. He sells a remedy called Hyomei which is guaranteed for catarrh, colds, coughs, bronchitis, asthma and croup.

Hyomei (pronounced High-o-me) is medicated air, full of the healthy virtues of the mountain pines. You breathe in the delightful antiseptic air, and as it passes over the inflamed and germ ridden membrane, it allays the inflammation, kills the germs, and drives out the disease.

A complete Hyomei outflowing a hard rubber inhaler, costs but \$1.00, and an extra bottle of Hyomei, if afterwards needed, costs but 50 cents. See Jones about it today.

—An old diary owned by a Lewiston, Me., man states that on May 25th, 1820, a heavy snow storm occurred in that section, and that sleighs were seen in the streets.

# Answer This Question

When shown positive and reliable proof that a certain remedy had cured numerous cases of female ills, wouldn't any sensible woman conclude that the same remedy would also benefit her if suffering with the same trouble?

Here are two letters which prove the efficiency of Lydia E. Pinkham's Vegetable Compound.

Glanford Station, Ont.—"I have taken Lydia E. Pinkham's Vegetable Compound for years and never found any medicine to compare with it. I had uterus and falling of the uterus, and doctors did me no good. I suffered dreadfully until I began taking your medicine. It has done me much good. I am stronger, digestion is better, and I can walk with ambition. I have encouraged many mothers of families to use it, as it is the best remedy in the world for women. You can publish this in the papers."

Another woman says Lydia E. Pinkham's Vegetable Compound is the best remedy in the world for women.

Fox Creek, N. B.—"I have always had pains in the loins and a weakness there, and often after my meals my food would distress me and cause soreness. Lydia E. Pinkham's Vegetable Compound has done me much good. I am stronger, digestion is better, and I can walk with ambition. I have encouraged many mothers of families to use it, as it is the best remedy in the world for women. You can publish this in the papers."

—Mrs. William Bourque, Fox Creek, N. B., Canada.

We will pay a handsome reward to any person who will prove to us that these letters are not genuine and truthful—or that either of these women were paid in any way for their testimonials, or that the letters are published without their permission, or that the original letter from each did not come to us entirely unsolicited.

What more proof can any one ask?

For 30 years Lydia E. Pinkham's Vegetable Compound has been the standard remedy for female ills. No sick woman does justice to herself who will not try this famous medicine. Made exclusively from roots and herbs, and contains thousands of cures to its credit.

Mrs. Pinkham invites all sick women to write her for advice. She has been successful in curing thousands of women. Address Mrs. Pinkham, Lynn, Mass.

## Blow to Prohibition

ALABAMA, July 15.—In a decision of the Alabama Supreme Court recently the "Locker System" of storing liquors was upheld, delivering a blow to prohibition in Alabama. The Court holds that liquor when kept in lockers by individuals and not for sale is personal property, and therefore any municipal ordinance prohibiting such possession is an abridgment of the privileges and immunities of the citizen without any legal justification and therefore void.

# MOTHERS WHO HAVE DAUGHTERS

Find Help in Lydia E. Pinkham's Vegetable Compound

Winchester, Ind.—"Four doctors told me that they could never make me regular, and that I would eventually have to have my uterus removed. I was a little hasty in my speech—perhaps a little more hasty and emphatic than is becoming."

Ma said she had observed. Pa said: "A wise man has remarked that silence is golden and I have resolved that in future I will say nothing to anybody that I would hesitate to say to the governor general himself."

Ma said it was the best resolution he ever made in his life, "and don't you forget it."

Pa was silent for several minutes. Then he said: "The farm is our kingdom; the house is our castle. It is here that we find peace and happiness if we are in the world. What care we for the world anyway! It don't matter to us whether we have a mail once a week or once a year—whether our mails are golden or tarnished."

Ma said: "If you had told me peace was going to be the reason why, I am going to know the reason why."

Ma said: "You know, Ephraim, that Wednesday is my churning day."

Pa said: "I'm going to town tomorrow, and the butter will be out."

## How He Kept the Peace

MARY ANN TELLS US WHAT PA AND MA SAID.

After I had retired last night I overheard pa talking with ma.

Pa said: "Matilda, I suppose you are possible to burn as in your furnace without inconvenience."

## Another "Sunshine" Feature

This is an entirely new idea, and will especially interest people who desire natural gas districts.

The gas ring takes the place of the lower Sunshine fire-pot, thus making it possible to burn gas in your furnace without inconvenience.

LANCASTER, ONT.

CARRIED BY  
"FRUIT-A-TIVES"

Three Wonderful Fruit Juice Tablets  
Are Winning Friends on Every Side.

Lancaster, Ont. Sept. 18, 1908.  
I was a sufferer for many years to the distressing complaint, chronic constipation. I tried many kinds of pills and medicines without benefit and even physical labor, but nothing did me any good. I then began to take the "Fruit-A-Tives" and these wonderful little fruit juice tablets entirely cured me.

At first I took five tablets a day, but now I take only one tablet every two days. I am now entirely well, and thank you "Fruit-A-Tives" for giving me permission to publish this testimonial.

A Pleasant Outing  
A CRUISE ON THE YACHT OLD GLORY,  
OF SIXTY MILES OR MORE, AWAY  
UP THE ANAPOLIS RIVER, AND  
ALONG THE GRANVILLE  
SHORE.

On the 15th day of August,  
Old Glory set sail.  
With Capt. Russell and party—  
For a day's cruise.

For breakfast we started  
at 8 o'clock and went on  
to the "Yarrow" and there  
the "Old Glory" was a dandy  
which all of us boys know.  
And the captain was a dandy.  
And he can certainly make his go.  
From Digby to Greater Creek  
is a long way you know.  
But the way was not so long.  
We made a beautiful show.

With wind and tide against us  
Our progress was rather slow.  
So the pilot says "We'll turn her about  
to Annapolis Royal we'll go."  
We were not to be deterred.  
And there we rounded to.  
And there we made a show.  
And there we made a show.

The people of Annapolis  
On the 15th day of August  
To the "Old Glory" we went.  
To the "Old Glory" we went.  
To the "Old Glory" we went.

The captain made some lemonade  
For our home port we arrived.  
On the 15th day of August  
To the "Old Glory" we went.  
To the "Old Glory" we went.  
To the "Old Glory" we went.

John and Ralph and J. O.  
The latter we nearly had forgotten.  
But they were with the crew.  
If the next day they did not return.  
The "Old Glory" we went.

Business Cannot Be Cured  
by local applications, as they cannot reach the  
diseased portion of the ear. There is only one  
way to cure deafness and that is by the use of  
the "Fruit-A-Tives" and these wonderful little  
fruit juice tablets entirely cured me.

At first I took five tablets a day, but now I take only one tablet every two days. I am now entirely well, and thank you "Fruit-A-Tives" for giving me permission to publish this testimonial.

A St. John Stone Mason

Cured of Rheumatism  
By "Father Morrice's No. 7"  
After Seven Doctors  
Had Failed.

647 Main St., St. John, N.B.  
FATHER MORRICE'S MEDICINE CO., LTD.  
I am writing to tell you I have been  
a victim to Rheumatism for several years,  
and have been treated by seven doctors  
without finding any permanent relief  
until I got Father Morrice's medicine.  
It has cured me so I am able to do my  
work and find I am as well as ever in  
my life.

Yours truly,  
JOHN CRAWFORD.

Rheumatism is caused by sluggish  
kidneys failing to take the Uric Acid  
out of the blood. The whole system  
becomes loaded with poison, which  
gathers in joints and muscles, causing  
agony at every movement.

"Father Morrice's No. 7" Tablets  
act directly on the kidneys, forcing  
them to vigorous work. They dissolve  
the Uric Acid in the blood and free the  
whole system of the poison. The result,  
of course, the Rheumatism leaves. Price  
50 cents at your dealer's or from Father  
Morrice's Medicine Co., Ltd., Montreal,  
N.B.

Various are the ways and means through which the prices of good merchandise tumble. At this season of the year we find our assortments broken. Many lines we do not care to replace as it is late in the season. Our way is to clear out such lines at a sacrifice in order to have what money they represent to invest in New Goods for Fall. If you do not find something in the list below that would fill a present need, many of the articles mentioned will be profitable to buy at these prices against future needs.

## Recommended As An Ideal Remedy

Lloydton, Ont., March 19th, 1909.  
"For some years I have been greatly troubled with heartburn and indigestion, brought on by stomach disorders, constipation and biliousness. I had tried many remedies with only indifferent success, until 'Fruit-a-Liver' came to my notice. Being a general storekeeper, I was selling a good many 'Fruit-a-Liver' to my customers and remarking how pleased they were with the results obtained from using 'Fruit-a-Liver', I decided to try them and, I might say, the effects were almost magical. Heartaches and biliousness disappeared and to-day I recommend 'Fruit-a-Liver' to my customers as 'An ideal remedy.'"

The Tale of the Modern Mariner  
It was a modern mariner  
That dropped to talk to me,

What's up?" says I to him.

## WANTS HER LETTER PUBLISHED

For Benefit of Women who  
Suffer from Female Ills  
Minneapolis, Minn.—"I was a great  
sufferer from female troubles, and  
caused a weakness  
and broken down  
condition of the  
system. I read so  
much about the  
benefits of the  
Pinkham's Vegetable  
Compound that I  
bought a bottle and  
tried it. It did me  
wonderfully. My  
painful periods  
went away, and I  
was a perfectly well  
woman. I want this

Letter From a Forty Miner.

Here is a simple, interesting and  
sincere letter from a rugged pioneer of  
40 who braved the dangers and hard-  
ships of the overland trail to Ontario.  
It is a story of struggle and triumph.

Santa Rosa, Cal. May 5, 1908.  
Brother Hyman Co., Buffalo, N. Y.

Dear Sir:—I was afflicted with cat-  
arrh and tried a number of remedies,  
but received no relief. I purchased  
a bottle of Hyman's, and before I had  
used the bottle I noticed a complete  
cure. I used it for a month or so, and  
thought I was cured of it forever  
and stopped using it for a year or so.

Thought I was getting catarrh again,  
and started using it again. I use it  
every morning, and keep myself clear  
of catarrh. I consider it the best cat-  
arrh medicine I have used. I have  
often recommended it to my friends.  
I am 41 years old. I came to California  
in 1849, and of course am not as  
vigorous as I was 58 years ago. My  
address is 841 4th Street. Yours  
truly, W. M.

Hyman (pronounced High-one) is  
guaranteed by H. E. Jones not only  
for catarrh, but for grip, cough, cold,  
headache and croup. A complete  
cure, including inhaler, costs only  
\$1.00, extra bottles of Hyman's, if  
afterwards needed, cost but 50 cents.

He Had Seen a Few  
The senior partner of the dry goods  
establishment was freeing his mind  
concerning the style of his beard, that  
had come under his observation.

"The fashion in hats this season," he  
said, "are absolutely the worst and  
most unbecoming I have ever seen in  
an experience of more than forty years."

"Oh, I don't know," said the junior  
partner, who was more tolerant.  
"They have the charm of novelty, at  
any rate."

"The charm of novelty?" exclaimed  
the other. "Tom, have you seen any-  
thing in this spring's styles that you  
can honestly say you admire?"

ROSY-CHEEKED BABIES.

Nothing in the world is such a  
comfort and joy as a healthy, rosy-
