Look at the man above. He's SHAKING an ordinary furnace. He bends nearly double, exerts all his strength; works up a prespiration, and gets a sore back.

Now, look at the woman. She stands nearly erect, gently moves the lever to and fro, a few inches, and the ashes are dropped into the Sunshine ash-pan. This is called ROCKING DOWN. It's so easy a child can do it.

Which method do you prefer? Why, Rocking yn, of course.

Go to our agent in your locality. Let him show you the many other time-saving labor-saving and fuel-economizing features of the Sunshine. Order him to install the Sunshine with a guarantee to heat your home to your entire satisfaction.

Suffering Farm For Sale!

Each grate bar has three sides-long wear

When only one side of a grate bar is continually next to the fire all the wear is concentrated on that one side. The life of the grate bar is thus naturally just one-third as long as when the wear is distributed on three sides.

That explains why Sunshine grates have three liver. Each of the four grate bars has three sides. Each time the sahes are "rocked down" (no sitaking with Sunshine) the side next to the fire can be changed. Thus the life of the grates is greatly prolonged. When desired, the fiver he was the side will seize hold of clinkers, grind them up, and drop the particles into the ash-pan.

EVERY good grocer is willing and anxious to please his customers. Some-

times if he happens to be out of the goods you ask ommend a different brand rather than keep you waiting. But when it comes to flour, he knows that Ogilvie's

Royal Household Flour

is, one of the things for which there is no substitute. No other flour is "just as good." Ogilvie's "Royal Household" is in a class distinctly by itself. To offer a substitute for "Royal Household" would be like offering oleomargarine to a customer who wanted prime dairy butter. No good grocer would do it. When you tell him you want Ogilvie's Royal Household Flour, he will send that and nothing else.

"Ogilvie's Book for a Cook," with 125 pages of recipes that have been tried and tested, will be sent free if you will send us your address and mention the name of your dealer.

Canada.

A FAIR GROUND.

This land of ours is "a fair ground" because it is a land of vash extent, of magnificent distances. It is washed by three oceans, its coast line equals half the earth's circumference. It has nearly 6000 miles of continuous, navignable, inland water ways, and has nearly a million square miles of unexplored territory.

Tonic or Stimulant?

There is an immense difference between a tonic and a stimulant. Up one day, way back the next; that's a stimulant. Steady progress day by day toward perfect health; that's a tonic. Ayer's Sarsaparilla is a tonic, a strong tonic. The only Sarsaparilla entirely free from alcohol. Do not stimulate unless your doctor says so. He knows. Ask him. Do as he says. J.C. Ayer Co., Locoll. Tog those pupils, seeking the advantages of higher education, particularly those desirous of qualifying themselves for teaching or for entering college, Digby Academy is now offering advantages which, we believe, should be more fully known in order that they may be the more thoroughly appreciated.

ppreciated.
It is evident to all who are in any It is evident to all who are in any way familiar with the curriculum, that the High School studies for Grades IX, X, and XI, to say nothing of Grade XI, I are sufficiently numerous and extensive to engage the undivided attention of one teacher every moment of his time. It is equally additionable that without an equipment of the necessary aids to school work such as charts, chemicals, apparatus, etc., is difficult—nay even impossible to teach some of these subjects. Where this work is attempted then, as it frequently is, along with much of the lower grade work, in achools with very little if any equipment, to say the least, it is difficult to obtain the best regular as regards stolkarship.

Healthy Happy Children

A's everyday food for growing children, good bread and butter is much more wholesome than meat. It is lighter in the stomach, more easy to digest and furnishes every element of health and strength necessary

of hearth and strength necessary for the growing child, provided the flour is rich in that fine quality of high grade gluten which distinguishes Ogilvie's

Royal Household Flour.

It is this rich nourishing element which makes children grow fat and happy when given plenty of bread made from this finest of all flours. Children thrive on it. It puts flesh on their bones and brings the rosy flush of health to their checks.

This is not so with bread made from inferior flours. It falls very far short of being whole food and fails to build up strong, vigorous growth. For the children's sake buy the best flour—Ogilvie's Royal Household. It counts for health and happiness. Best and most nutritious for pastry as well as for bread.

"Ogilvie's Book for a Cook," with 125 pages of recipes that have been tried and tested, will be sent free if you will send us your address and mention the name of your dealer.

Digby, July 8, 1910 FEELING SORE.

FEELING SORE.

As might be expected the Yarmouth Herall is feeling sore over the opening of the new line between Boston and Digby. No que will pay any serious attention to the Herall but its readers will now probably expect a similar repetition of the same matter which appeared in its columns when the D. A. B. opened it of itents service between Yarmouth and Boston during the days of the old y Yarmouth S. S. Co. It took the Herald a long time to recover from that shock, but it did. In the meantime its readers will conjoy (f) its free advertising of the Dig. by route and its count of the S. S. Boston's passengers, which we presume will be performed as securately as it recorded the S. S. Prince Edward's list to and from Yarmouth.

What the D. A. R. officials think about the Herald is as tory which the

to and from Yarmouth.

What the D. A. R. officials think
about the Heradi is a story which the
Countes does not care to publish.
The Yarmouth Times, as we have
already stated, takes a proper view of
the new route and devotes its first
page of Tuesday's edition to Dominion
Day in Digby and the opening of the
new line.

THE BIG FIGHT.

The big prize fight is over and a colled man is champion. In other words The big prize fight is over and a colored man is champion. In other words Johnson defeated Jefferies in the 15th round. We are glad to know that a prize fighting is prohibited in almost all parts of the civilized world and we think the present fight will do much to put a stop to this cruel sport. We regret to say that we have citizens in this town who profess to be of a very pious, religious nature, who will forget all their good (f) qualities when a prize fight is on and will stay up all night, if necessary, to get a word from the fight and who will leave business as soon as the boat blows, hustle to the steamboat wharf to secure a daily paper to read the whole story in younge.

The result of the fight has caused ace riots in many parts of the United States and firere battles have already been fought between the whites and he lacks. In several instances negroes have been killed and white persons seriously injured.

Ir. Lindsay will preach in the Fresbyterian', church every attenuous at 3 o'clock during (Angust, His subject next will be "The Armor of God."

## 1910 **Seeds!**

I have just received, and am opening up, my stock of FRESH Field, Garden and Flower Seeds, surchased from some of the largest and most reliable dealers in Canada.

As some varieties of Peas and Mangels are very scarce and high in price this year, it will be advisable to supply your needs in these lines ascarly as possible, as the Seed Houses will be unable to fill repeat orders for them.

Remember; every attention will be given to your Mail Order, whether for Drugs or for Seeds

I take this opportunity to thank my numerous customers and friends who have assisted me in making my business such a big success. I had been in the grocery business, for myself, but a short time when it became evident that my store was entirely too small to accommodate my rapidly increasing trade. I have therefore just moved into a new block which has been erect ed especially for my requirements. I am now in a position to give my old customers an excellent service and attend to the wants of new ones. With an experienced staff and a full supply of fresh groceries, flour, feed, etc., at

I take this opportunity to thank my numerous customers and friends who have assisted me in making my business such a live juncers. I had been in the grocery business, for myself, but a short time when it became oridenthat my store was entirely too small to accommodate my rapidly increasing trade. I have therefore just moved into a new block which has been creeded especially for my requirements. I am now in a position to give my edd customers an excellent service and attend to the wants of new one. With an experienced staff and a full supply of fresh groceries, floor, food, etc., as fright prices, I can surely please. Give me a trial.

AN OLD MAN FROM BRIDGEWATE GOT RID OF HIS HARD EARNED CASH. Healthy Happy Children

As everyday food for growing children, good bread and butter is much more whole much more wholesome than meat. It
is lighter in the
stomach, more easy
to digest and furnishes every element
of health and
strength necessary
for the growing
child, provided the flour is rich in that fine
quality of high grade gluten which distinguishes
Ogilvie's

Royal Household Flour.

It is this rich nourishing element which makes children grow fat and happy when given plenty of bread made from this finest of all flours. Children thrive on it. It puts fissh on their bones and brings the rosy flush of health to their cheeks. This is not so with bread, made from inferior flours. It falls very far short of being whole food and fails to build up strong, vigorous growth. For the children's sake buy the best flour—Ogilvie's Royal Household. It counts for health and happiness. Best and most nutritious for pastry as well as for bread.

"Ogilvie's Book for a Cook," with 125 pages of recipes that have been tried and tested, will be sent free if you will send us your address and mention the name of your dealer.

## 70 Years with Coughs

We have had nearly seventy years of experience with Ayer's Chierry Pectoral. That makes us have great confidence in it for coughs, colds, bronchitis, weak throats, and weak lungs. Ask your own doctor what experience he has had with it. He knows. He can advise you wisely. Keep in close touch with your family physician. No alcohol in this cough medicine. ICAger Co. Local Man.

A Your 6 222 Grocer Knows

EVERY good grocer is willing and anxious to please his customers. Some-

times if he happens to be out of the goods you ask for, he may recommend a different brand rather than keep you waiting. But when it comes to flour, he knows that Ogilvie's

## Royal Household Flour

is one of the things for which there is no substitute. No. other flour is "just as good." Ogilvie's "Royal Household" is in a class distinctly by itself. To offer a substitute for "Royal Household" would be like offering oleomargarine to a customer who wanted prime dairy butter. No good grocer would do it. When you tell him you want Ogilvie's Royal Household Flour, he will' send that and nothing else.

"Ogilvie's Book for a Cook," with 125 pages of recipes that have been tried and tested, will be sent free if you will send us your address and mention the name of your dealer.

I take this opportunity to thank my numerous customers and friends who have assisted me in making my business such a big success. I had been in the grocery business, for myself, but a short time when it became evident that my store was entirely too small to accommodate my rapidly increasing trade. I have therefore just moved into a new block which has been erected especially for my requirements. I am now in a position to give my old dustomers an excellent service and attend to the wants of new ones. With he experienced staff and a full supply he acreprenced staff and a full supply
