This project was made possible with assistance from the Nova Scotia Department of Tourism, Culture and Heritage through its Strategic Development Initiative. This initiative supports projects aimed at enhancing the self-sufficiency of the heritage sector throughout the province.

The Municipality of the District of Digby is the lead organization to spearhead this project. The Digital Courier is part of the municipal initiative to preserve the past and develop the future; Council is honoured to be part of the preservation of these significant historical documents.

1800's

- (1810) the first elections were held in the County.
- (1837) the County of Annapolis was divided to include the County of Digby.
- Old Post Road and rural school system improved.
- Weymouth Trading Post established.
- Ship Building is a major industry in the area.
- (1879) the District of Digby was incorporated.
- (1891) the railway (the missing link) between Annapolis and Digby was completed.
- Joshua Slocum sails around the world alone.
- Temperance Movement.
- Summer Tourism Industry develops.
- I.M. Singer invents the sewing machine.
- Canadian Confederation (1867)
- Klondike Gold Rush
- The Supreme Court of Canada is established
- Florence Nightingale takes London nurses to the battlefields of the Crimean War

1900's

- Poor Farm in operation
- Isaiah Wilson's Geography and History of the County of Digby Published.
- Prime Minister Sir Wilfred Laurier visits Digby.
- Marconi transmits wireless message across the Atlantic
- Queen Victoria dies
- The Boxer Rebellion breaks out in China.
- The Boer War in Southern Africa ends

1910's

- (1912) last race of the Brattain Cup in the Annapolis Basin.
- First motorized vehicle in the area.
- Communities collect cloths and money for the war effort.
- Spanish Flue kills many in the area.
- First Calgary Stampede
- Women in Canada get the vote
- Halifax explosion
- WW1
- The Titanic Disaster
- Norwegian Roald Amundsen becomes the first to reach the South Pole.

1920's

- Motorized vehicles becoming more common.
- Last wooden ship built in Bear River.
- Electric lights installed in villages.
- Motorized vehicles becoming more common
- Canadian Schooner "Bluenose" wins the International Fisherman's Trophy
- Agatha Christie launches her career as a mystery writer.
- George Carnarvon and Howard Carter unearth King Tutankhamen's tomb

1930's

- Economic Depression.
- Rural electric lines being installed.
- Electric lights installed in villages.
- Highway paving projects underway.
- First crossing of the Princess Helene Ferry.
- Rum running along the coast.
- Rum running in its heyday
- Dionne quintts born in Ontario
- Movie "King Kong" released starring Canadian Fay Wray
- WW II begins

1940's

- Digby home to WWII submarine base.
- CFB Cornwallis largest training base in the Commonwealth.
- Scallop Industry expands.
- Hog farming expands.
- Population decline in rural communities.
- Newfoundland enters confederation
- UN Formed
- U.S. planes drop atomic bombs on Hiroshima and Nagasaki
- Orson Welles' film Citizen Kane, premieres

1950's

- Bus service along the Digby Neck.
- Population in villages continue to decline. NORAD formed with USA
- National Ballet of Canada founded
- Bear River Power Plant built
- Korean War
- Smoking linked to lung cancer
- Sputnik launched
- Castro takes over power in Cuba
- Elizabeth II coronation - Queen of England

1960's

- Sissiboo Power Plant built.
- Kejimikujik Park established.
- Conners Brothers Fish Cannery Plant closes in Freeport.
- Fish Meal Plant opens in Mink Cove.
- Weymouth Industries closure.
- Bear River Village Fire.
- Canada celebrates 100th birthday
- Pierre Trudeau sworn in as Prime Minister
- Bay of Pigs invasion
- Thalidomide deformities revealed
- Cuban Missile Crisis
- John F. Kennedy assassinated
- Demonstrations against Vietnam War

1970's

- Evangeline Mall built.
- New CN Ferry Terminal built.
- Ground Hog Day Storm.
- Municipal Airport opens.
- Hwy 101 completed to Digby.
- First Computer used.
- Jones Bottling Plant burns in Weymouth
- War Measures Act invoked
- Pierre Laporte murdered
- Canada-Soviet Summit Series in hockey begins
- Quebec language legislation (Bill 101) passes
- Munich massacre at the Olympics
- Rock stars Jimi Hendrix and Janis Joplin die.
- At Kent State University in Ohio, protesting students are killed by National Guardsmen

Westport Correspondent Makes First Start In Our Campaign

The First of the Five Hundred New Subscribers Received on Tuesday

Five hundred new subscribers in two months. That is the target set for correspondents of the Courier and already subscriptions are being sent in. Although instruction and receipt books had not been sent out from this office until Tuesday afternoon, Tuesday morning's mail brought from Mrs. Randolph Gower, Courier correspondent at Westport the first of the five hundred. Mr. Warren Buckin is the first subscriber and to him as well as to Mrs. Gower, our thanks.

It was easy to get this subscriber. The paper is so much more a newspaper that everyone wants to read it, and read it regularly.

The second new subscriber was Mr. Jesse Jefferson, who called at the Courier office to order the paper sent to him for a year. He used to take the paper, but stopped it about a year ago. Now he wants it again.

Receipt books and instructions have been issued to all correspondents on our list and the campaign can be said to be started. To the first correspondent who

FREIGHT REBATES SUGGESTED AS WAY TO HELP FISHING

Handicap of American Duty Is Bar to Expansion of Fish Markets

Means of reducing the cost of marketing fresh and cured fish are suggested in a circular letter addressed by the federal fisheries department to principal fresh and smoked fish producing houses operating along the Atlantic seaboard. The circular suggests the subsidizing of vessels engaged in the collection of fish from fishermen as a means of reducing the costs of initial transportation and asks suggestions as to the type and size of boats to which the subsidy shall be restricted and as to the basis of the subsidy to be paid.

That this will have the effect only of increasing the present congestion of supplies of fresh fish at shipping points and not have the desired effect of extending the market and creating a steadier demand for fish products, is the opinion of those engaged in the production end of the industry and will have the result, unfortunately of creating more unfavorable con-

ditions than that which already faces the development of the industry during the coming season. Because of the open winter, the action of the United States import restrictions on fish and seasonal reactions on the fish and cured fish markets, and the keen competition of the Norwegian fisheries, which have practically flooded the southern markets with cured fish, the producing houses have reached the opening of the season with large surpluses of stocks on hand; unusual supplies of fresh fish coming in all winter to the markets leaving large stacks of cured fish practically unsaleable. The prospect for disposal of these, or even the handling of the new seasons catch is a matter of speculation in which the only prospect is a loss to the producing houses and consequent loss to the fishermen.

An alternative method of assisting the industry is suggested by fishermen as one which will bring about more beneficial results, and will also have effect in reducing congestion in the Central Canadian market. The adoption of the Duncan Report recommendations on reduced freight rates as outlined by the Minister of Railways, is seen to have advantageous effect in stimulating the central Canadian market and with present overproduction on the Atlantic seaboard this will be glutted and the benefits of reduced freight rates nullified.

The present condition of the fishing industry in the Atlantic ocean areas is that access to the United States, the natural market of Western Nova Scotia, is denied by present excessive transportation charges added to import tariffs of the United States. Reduction of twenty per cent in freight rates will help, but the Nova Scotia inshore fishermen will continue to be handicapped by the American import tariff. Local fishermen suggest that if the federal government proposes any measures of relief these shall be applied in transportation rebates to the shipper in such way as will offset the American duty and so doing provide a market for the fresh fish of Western Nova Scotia, mackerel, halibut, herring, cod, albicore, haddock and thereby leave the central Canadian market open to the Eastern Nova Scotian and at the same time establish a wider market for the Western Nova Scotian inshore fishermen.

All along the Nova Scotia coast the inshore fisheries are the most important as engaging the majority of native fishermen in the industry. The Lunenburg bankers are maneuvered chiefly by fishermen from Newfoundland and this branch of the industry requires altogether

Red Raven Building Will Be Opened as Vulcanizing Establishment

Equipment for the operation of an up-to-date vulcanizing plant is enroute to Digby and will be set up in the Red Raven building under the ownership of Mr. W. H. Farnham. The equipment will be electrically operated, and the new business is the outcome of the new hydro service as previously to its coming it was not possible to operate such an establishment on up to date methods with partial electric service.

The new service should be a benefit to motorists who live in or visit Digby and will enable economies in automobile tire and tube purchases to be effected without the necessity of sending out of town. Attachments for the repair of rubber footwear will be included in the equipment.

POWER BOARD TURNS ON ITS HYDRO POWER

Weymouth Has Great Night to Celebrate Coming of Hydro

Without formality or ceremony the Digby County Power Board's development at Upper Falls, Sissiboo River on Saturday last connected its service to the people of Digby county.

The main line switches were thrown over at 10.05 Saturday morning and tests made of the transmission service, which was absolutely satisfactory. Then at 1.07 the switch connecting with the distribution service of the village of Weymouth was charged over and hydro had come to a village, a village that ranks with many towns.

At 5.37 the connections of the step down transformer at the junction of the town of Digby distribution service were set in place and the change over made from the steam generating plant to the hydro, and the new power had commenced to serve Digby.

The turbine operating the generator had completed a twenty-four hour test before the current was turned on to the main line and most satisfactory results obtained. No changes were required no alterations necessary. On the arrival of the chairman of the Board, Mr. H. H. Marshall from Halifax, instructions were issued to lay out the lines and service commenced. Weymouth got it first, and so satisfactory was it working that the town of Digby was connected up. The installation of two fuses and the changing of a switch at the power house was all that was needed to make the change and without a hitch the change over was made from the steam plant to hydro, and the fireman laid down his shovel, threw the last slab back on the pile and called it a day. Until Monday many didn't know the change had been effected. One lady tells as a joke on herself, that she wanted a light early on Monday morning and went down two flights of stairs looking for a match to light her bedroom lamp only to find on reaching her dining room that the family had gone to bed without turning the lights off downstairs and they were all helping to make hydro pay its way.

At Weymouth on Saturday the coming of hydro was properly observed. All turned out to celebrate and in procession several hundred strong citizens of all ages paraded the streets, to greet every street light and every electrically lighted residence with rounds of cheering. It was Weymouth's great day. A day long waited for, the fulfillment of dreams and plans for electric service as a servant of the people and an inducement to give growth and when at one o'clock contractor Walter Snook connected up the village distribution service a new era had dawned for Weymouth.

During the first week or two the service will operate during night time only, to permit completion of rural distribution services without undangerous workmen, and then the service will be continuous, with the districts of Smith's Cove, Barton and Plympton, connected up, and supplied directly by the Board.

HYDRO AND WEYMOUTH

Mr. Glidden Campbell, of Weymouth contributed the following special article.

One of the most pleasing events in the history of Weymouth took place

AT WRIGHT'S

Obituary

MR. HEDLEY V. MacKINNON

The death occurred at Vancouver, B. C. on Tuesday the 13th, after a four months illness, of Mr. Hedley V. MacKinnon at the age of 49 years.

Mr. MacKinnon was born in Charlottetown, being the son of the late Alexander MacKinnon. He graduated from Prince of Wales College at the age of 17 and studied law for a time in the office of Mr. W. S. Stewart, now Judge Stewart. He served in South Africa as a member of the First Contingent, and was the first man to cross the Modder River in that famous battle.

When he returned to Canada, he joined the editorial staff of the Saint John Star and later became Editor of the Standard and later its proprietor. Five years ago he sold out to a syndicate and left for Vancouver, B. C., where he was engaged in journalistic work for a time and later in the radio business.

He leaves tomorrow, a widow, nee Edith Dwyer, two sons, Donald a student at Harvard, and Shirley at home, his mother in this city, three brothers, John J. in Charlottetown; George in Sherbrooke, P. Q. and Alexander in Montreal, also two sisters Mrs. J. H. MacNeil, New York and Mrs. Oswald Wright of Digby N. S.

He belonged to the Odd Fellows' order and was a prominent member of Oliver Lodge, while in Saint John. Mr. MacKinnon was a brilliant newspaperman, and one of the foremost journalists of Eastern Canada. He was a very clever musician, being one of the best pianists in this province.

He enjoyed a wide popularity, and the news of his death will be learned with deep regret.

Charlottetown G.I. ards

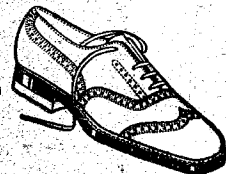

Tennis Club Meeting Will Discuss Improvement of Courts

A meeting of all interested in Tennis will be held in the Town Hall on Wednesday night of next week to consider plans for the coming season and to reorganize the club. All interested, whether having belonged to the club or not, are invited to attend.

The success which has followed the development of Golf in Digby points to the time being favorable to also develop tennis as a summer sport for residents and an attraction for tourists and the meeting should have the attention of all interested in the development of this town as a tourist resort.

In other years tennis was a popular sport in Digby. The coming of golf permitted it to decline, but there are still a number that is increasing each year, to whom golf is not an attraction and for whom tennis holds opportunities for recreation not otherwise obtainable.

The present courts represent a considerable investment of money for improvements. The owner of the land has offered it to the club at a price which takes the improvements into consideration and the opportunity offers of putting the club into a sound position. This matter will be discussed, among other plans at the meeting

The Golf Course A Tourist Attraction

The most remarkable indication of the development of the district of Digby as a tourist resort is seen in the annual growth of the Digby Golf Company, organized in 1905 with a membership of 43 the club has grown from year to year with phenomenal strides. The number of players using the course in the year 1925 was 453 and last year 493 players registered. Most of these were summer visitors, attracted to Digby by the Golf Course. Had it not been in existence they would no doubt have gone to some

resort where golf was available and whether the golf club can show a dividend in cash or not, or even must show a loss in operation, the return to the people of Digby is incalculable, far beyond the most optimistic estimate.

One need only watch the arrivals by boat or train during the summer months to check up on what visitors to the province seek in the way of recreation and of the number who come to or pass through Digby by a large percentage carry golf clubs whether they have other baggage or not. To the golfer, amateur, "pro," or the man or woman who just plays a little, golf is the chief summer sport and Digby as a tourist resort would not enjoy one half its present popularity without its golf course.

In the advertising of summer resorts all over the world the facilities for enjoyment of golf are featured as chief attractions and in its golf course Digby need not take second place to any town of its size or ambition in North America.

What Can You Do

About This?

Theodore Roosevelt said, "A Churchless community is a common phenomenon in the down-grade." A churchless man is the same. But even if you never went to church in your life, you share in its benefits. Can you sign your name or add a column of figures? You are then receiving a benefit from the Christian church which founded the first free school

and even now helps to keep public opinion at a standard which will support such institutions. Does your family ever need hospital or medical services? Once more, such institutions are known only where the influence of the Christian Church has been actively at work. Could you safely do business in a churchless community? Not on the efficient scale which the credit system allows. And that only means that the word of your fellowmen is more often trustworthy than not. Business men say that the chief reason heathen countries have not prospered is that the people cannot trust each other. If a majority of our countrymen were not trustworthy, an army of policemen could not make them so. The sense of honor and the desire to see fair play and mutual helpfulness is the product of a largely Christianized public opinion.

Do you want your children trained in Christian character and given a fair chance? Do you value the kind of home you live in? These things are founded on the spirit of Jesus Christ Himself, brought to us through His Church. Do you want a clergyman for a baptism, a marriage, a funeral, for advice, encouragement, or other help? Do you value the leadership of trained minds in thinking out present-day problems? If so, you are depending on the Church. And you desire, as any honest man always does, to do your share and not to be dependent on the charity of others.

The above is from the parish paper of St. Paul's church at Newburyport, Mass. It might have gone on to say that the worth of the church in a community is reflected in the activity of the fraternal and charitable organizations which make up the life of that community. Take the churches out of Digby, or even let people become indifferent to their teachings, and the charitable and fraternal institutions will inevitably decline. The poor and the needy will be neglected, the sick uncared for. In our own case the V.O.N. and the Hospital Aid would become of no worth and the welfare of the whole community would be disregarded.

Hydro Turned On Saturday

Continued from page 1

Saturday night when the electric power from the hydro development at Sissiboo Falls was turned on, lighting up four miles of streets throughout the village.

The innovation was unique and met with such generous response of public favor that the village took on a new look at least the appearance of a young city, bristling with well thronged thoroughfares and merry-making pedestrians who were out to see the sights they had never seen before.

All are of the opinion that this power that has been neglected for over twenty years, has at last opened up a new era with vast possibilities for greater development in the future.

It is not possible to define just who is the WHO behind the movement that brought this improvement about. However, it is generally recognized that through a co-operative spirit prompted by the dire needs of Digby and Weymouth the inspiration to do something of practical value gave birth to the The Digby County Power Board resulting in an expenditure of \$75,000, for a 360 horse power development at Sissiboo Falls nine miles from Weymouth. These falls have a drop of 34 feet over a perpendicular ledge and engineers estimate that 2,500 horse power is going to waste at the present time.

Perhaps one of the greatest sources of satisfaction lies in the fact that neither Digby or Weymouth or the Municipality would have undertaken the proposition alone, but by uniting in one common effort toward one common good the finest results have been achieved, thereby exemplifying in the highest sense that which we need more of in the Province of Nova Scotia today—the true spirit of CO-OPERATION.

EVERY WOMAN SHOULD READ

HOW "FRUIT-A-TIVES" GAVE HER NEW LIFE

MRS. J. F. RUTKOWSKA

"For several years I suffered with severe constipation and was a nervous wreck. I had great pain in my limbs, and such terrible headaches I thought I would go crazy. I had no appetite, could scarcely eat anything without stomach distress. After reading about 'Fruit-a-tives' I decided to try them. Before I had taken three boxes, I was entirely well. I sincerely think 'Fruit-a-tives' saved my life."—Mrs. J. F. Rutkowska, Tolstoi, Manitoba.

Indigestion, biliousness, headaches, nervousness, pains in the back and limbs are largely caused by allowing poisons to accumulate in the body. "Fruit-a-tives" is nature's remedy, made from intensified fresh fruit juices combined with tonics. "Fruit-a-tives" stimulates the bowels, liver and kidneys to normal action and brings about a condition of delightful health. Buy a box of "Fruit-a-tives" today. Enjoy life again. 25c and 50c, everywhere.

Lobster Industry Doing Well at "Neck Ports"

Most satisfactory report of the lobster industry in the districts of Westport, Freeport and Tiverton are being received. While fishermen are claiming only fair catches the buyers report having paid out an average of one thousand dollars more each over the same period of last year and the lobster factory at Tiverton, operated by Alden Elliot, has put up nearly double the pack this season as was put up to the end of March 1926.

The outlook for the season in the canning industry is very favorable with extensions in several factories to care for increased business. At Westport the factory of the F. E. Davis company was remodelled during the winter and new retorts of double capacity installed with general rearrangement of the packing and labelling tables to save handling.

The J. W. Windsor clam canning factory at Little River commenced operations on Friday last and has reached full time basis with supplies plentiful and demand good. This factory was also enlarged during the winter, new storage rooms being added and the space formerly used for storage turned over to the packing department.

There is something about MORSE'S TEAS that just suits the taste of our Maritime Provinces people. Our people like a thick lingering tea and also one of good flavor. They get this combination when they buy MORSE'S.

Cook's Regulating Compound

A safe reliable regulating medicine. Sold in three doses. Large bottle 1/2 lb. \$1.00. Small bottle 1/4 lb. \$0.50. Sold by all druggists or sent prepaid on receipt of price. Free pamphlet. Address THE COOK MEDICINE CO., TORONTO, ONT. (Formerly Windsor).

Dominion Biological Board Plans To Aid Industry With Plant At Head Of St. Mary's Bay

H. E. Tanner, Educator of the Dominion Biological Board, with headquarters at the Fisheries Experimental Station, at Hali ax, returned to Digby on Friday, after a week spent in the fishing villages on Digby Neck, where he addressed meetings of fishermen, to interest them in the project being undertaken by the Biological Department, to improve conditions in the lobster industry. Mr. Tanner addressed meetings at Centreville, Sandy Cove, Freeport, Westport and Tiverton and at all places had large and interested audiences.

In his discussion, Mr. Tanner outlined the growth of the lobster from the egg to maturity and by means of charts showed the different stages of development and the increasing bearing value of the lobster at increasing ages and size. The effect of water temperature on the propagation and growth for the lobster was also illustrated by charts.

The Board proposes to establish an open hatchery at the head of St. Mary's Bay, where average temperature is adapted to the growth of the lobster and conditions favorable to its life. The Board proposes to collect seed or "berry" lobsters from the fisherman during the catching season and transplant them to the preserve, the young as hatched will be protected and permitted to reach maturity. The securing of the co-operation of lobster fishermen was the object of Mr. Tanner's visit and he received every encouragement.

At each meeting resolutions approving the effort of the Board to promote the conservation of seed lobster and premising co-operation in the project were unanimously passed. Arrangements for the collection of these seed lobsters will be made by the Board.

In his discussion, Mr. Tanner also dealt with the general phases of the lobster industry, making comparisons between the increased prices received, and the decrease in catch and dealt with the different investigations carried on by the Board, in determining the habits and life history of the lobster, as a means of increasing the marketable supply and leading up to the proposals for a hatchery area in St. Mary's Bay.

Mr. Tanner expressed himself a highly pleased by the interest taken in the meetings and the co-operation promised and is optimistic that the establishment of the preserve will have a distinctly beneficial effect on the industry.

It has been figured out that the restocking of the whole area, from Cape St. Mary's to above Digby and beyond, will follow the establishment of the preserve. The natural migratory habits of the species will be aided by the ground currents, which circle the mainland side of the Bay, and urge down the Neck side through Pett Pass and Grand Passage, into the present fishing grounds.

Mr. Tanner was accompanied on the tour by G. E. Torrie, Fisheries Officer for Digby County, who arranged the schedule of meetings.

Its fine qualities preserved in the modern Aluminum package.

NEW TELEPHONE DIRECTORY

A new issue of the Telephone Directory for the Western District is in course of preparation and lists will be closed on April 9th.

The Directory serves out subscribers in "The Valley" (including Brookville, Clarksville, Hantsport and Windsor in Hants County) and in Digby, Lunenburg, Shelburne, Queens and Yarmouth Counties.

Persons who wish to become Telephone Subscribers at this time and Telephone Subscribers who want changes made in their listings are urged to send in their orders to our nearest business office at once, and at all events not later than April 9th.

We cannot undertake to give effect in the new issue to orders received after that date.

Advertisers who wish to avail themselves of the opportunities for effective, yet low priced, publicity afforded by use of space in the new issue are requested to communicate with our nearest business office.

Realizing that the average tourist looks upon the Telephone Directory as an unfailing source of information, we have decided to include a special Tourist's Guide Section in the coming issue of this book.

Advertising space in this section is now on sale and can be obtained by application to our nearest business office.

THE MARITIME TELEGRAPH & TELEPHONE COMPANY, LIMITED

How To Serve Coffee

Isn't it curious how difficult it is for so many people to make a truly delicious cup of coffee? And yet it is not so hard of a task as it seems. Good coffee, a percolator and care in method of serving are the requisites. It is said that more coffee is spoiled in the serving than in the making. The proper proportions of cream and sugar, and their being perfectly dissolved in the leverage, have a great deal to do with the successful cup of coffee. Milk, generally top-milk, is sometimes used, but does not give satisfaction. Undoubtedly the most uniformly delicious coffee is that served with Eagle Brand Condensed Milk, because in Eagle Brand, a rich creamy milk, always the same, there is precisely the right amount of sugar to satisfy the taste. Another advantage of using the condensed milk is the saving on the cream and the sugar bill.

Isn't it curious how difficult it is for so many people to make a truly delicious cup of coffee? And yet it is not so hard of a task as it seems. Good coffee, a percolator and care in method of serving are the requisites. It is said that more coffee is spoiled in the serving than in the making. Milk, generally top-milk, is sometimes used, but does not give satisfaction. Undoubtedly the most uniformly delicious coffee is that served with Eagle Brand Condensed Milk, because in Eagle Brand, a rich creamy milk, always the same, there is precisely the right amount of sugar to satisfy the taste. Another advantage of using the condensed milk is the saving on the cream and the sugar bill.

CARD OF THANKS

WE wish to express our thanks to all the neighbours and friends who so kindly assisted us in every way in the illness and death of Beatrice. Also those who assisted at the funeral. We also wish to express our many thanks to the Methodist Aid for their kindness.
Gone dear Beatrice goes forever
How we miss your smiling face.
But you left us to remember
None on earth can take your place.
A happy home we once enjoyed
How sweet the memory still
But death has left loneliness
The world can never fill.
Mr. and Mrs. Hill and family.

A Feat Unequaled in Golf

F. Tanaka, local Vancouver golfer, went out for a round on the Canadian Pacific Railway "Langara" golf course one fine day in February this year. The "Langara" course was opened last year by the C.P.R. after construction at a cost of \$150,000. The all-the-year-round golf that can be played on this course is well indicated by the photographs, which show the fifth and sixteenth greens as they appeared on the February afternoon when Mr. Tanaka astonished the world.

Here and There

An honor was conferred upon Captain James Turnbull, C.B.E., R.N.R., commander of the Canadian Pacific steamship Montserrat, recently, when he was appointed Aide-de-Camp to His Majesty King George V.

All golfing records were shattered recently when K. Tanaka, local Japanese golfer, playing on the Canadian Pacific course "Langara," scored a hole in one twice in one round of the eighteen-hole links. The first was obtained at the fifth hole which is 115 yards, and the second at the sixteenth hole, which is 210 yards.

During the month of January of the present year automobile production in Canada has increased 95 percent over and above the production for the corresponding month of last year, being 15,376 cars, as compared with 7,952 for the previous year. Almost half of the cars produced were for export, according to the Dominion Bureau of Statistics.

With the fisheries of the province of British Columbia running to \$21,000,000 annually—or half the Canadian total—numbers of enquiries are being received from financial interests in Eastern Canada and the United States, with a view to supplying out business opportunities.

Until the problem of truck competition is solved satisfactorily all transportation in Canada will suffer, according to T. E. McDonnell, Vice-President of the Canadian Pacific Express Company, in a Toronto address recently before the Transportation Club. He states that under the present transportation regulations the railway and express companies are operating under very unfair conditions.

For the second time in three weeks the stork has paid a visit to a Canadian Pacific passenger train. Yesterday on the Imperial Limited going east from Vancouver, Mrs. Olson, of Malahwa, B.C., gave birth to a son between Malahwa and Revelstoke. Mrs. Olson was on the way at the time the Revelstoke hospital, having officials and employees all in their power to render assistance. Telegraphic dispatches from the hospital state that both mother and son are doing well.

Local and Personal

Mrs. John Roper returned from Clemensport on Wednesday.

St. John's Guild met Thursday at the home of Mrs. Simons.

Mr. and Mrs. Burke, who have spent the last two or three weeks in Middleton have returned home.

The Ladies Aid of the United church met Tuesday afternoon at the home of Mrs. Ralph Parry.

The ladies Circle of the Baptist church met Tuesday evening in the vestry of the church.

Mr. and Mrs. Roscoe Buckler are being congratulated on the birth of a daughter last Friday.

Mr. and Mrs. W. D. Sutherland (nee Miss Dorothy Lovett) of Lockport are receiving congratulations on the arrival of a son on March 17th.

Mr. and Mrs. Robinson of Windsor are visiting at the home of Mr. and Mrs. Nelson Jefferson.

Mr. W. E. Miller, of Yarmouth, spent several days in town the past week.

Capt. Darrel Cheney, of Little River, was in town Monday. The timber for the "Alta C" has been delivered at the ship yard and the work of rebuilding this schooner was started on Thursday.

Mr. Maurice Zwicker has returned to his home in Bear River East after spending the winter in Halifax with his daughter.

At the Gypsum Co.'s site at Deep Brook a Cook House and Bunk House have been erected and work has been started on the Office Building. A quantity of lumber has gone down from the Imbert Mills this week in connection with this work. There is also a large quantity of round timber on the wharves and river banks at Bear River to be rafted down in the near future to be used for wharf construction. As soon as the office building is completed a private line will be installed to the Bear River Telephone Central.

Mrs. John Harrow has been at Sea Breeze, for the past few days attending the little daughter of Mr. and Mrs. Frank Dimers who has been quite ill.

The many friends of Miss Katherine Marshall will be delighted to hear that she recently won the prize in a competition for an original cover design, to be used on the 1928 Mt. Allison Calendar.

The United Baptist Choir will present a very fine program of music on Easter Sunday.

Rev. Father Graham, of Annapolis Royal, was in town on Sunday and held service in the Chapel on the Indian Reservation.

Bear River East

Miss Victoria Robbins left on Saturday for the United States.

M. Zuicker's home again after spending a few months in Halifax with his daughter, Mrs. W. E. Jacks.

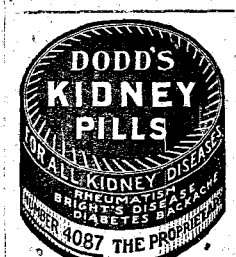

Mr. and Mrs. Stewart Buckler, left on Saturday for Boston.

Rev. Mr. Dunkey held his monthly meeting at Union Hall on Sunday evening.

Otis Buckler and Reginald Buckler left last week for the United States.

Mrs. Cleveland Jefferson is visiting her parents, Mr. and Mrs. N. S. Smith in Deep Brook.

Arthur Brown and son Albert returned home on Saturday from the lumber woods in New Brunswick, where they have been employed.

Aid To Fisheries

(Continued from Page 1)

altogether different treatment to the inshore fisheries. The conditions under which they carry on their industry are different, their markets are different, and their handicaps such as that relief measures applied to the inshore fisheries will not assist them to any extent.

Reduced to a phrase, the fishermen of Western Nova Scotia will not receive full benefit of reduction in freight rates unless special consideration is given to overcome the United States import tariff by further rebate in transportation charges equivalent to the import duty over and above the twenty per cent reduction.

Such relief will place the inshore fisheries of the whole Atlantic coast in a position to enter the wider market and the effect will immediately be seen in steadier demand and prices and provide employment for hundreds of young men who emigrate each year in order to follow their chosen calling.

These suggestions are put forward as reasonable that the fishing industry of Nova Scotia is at least as important as the coal industry and in view of the fact that in addition to freight rate reductions the federal authorities propose to grant additional incentives to the development of the coal industry by means of subsidies to coking plants; the fishing industry should receive such relief as will overcome the restrictions placed upon it by the United States tariff. Fishermen should receive the same consideration as the coal miners and be assisted in developing their industry to the point where it would control the world market.

Improvements are being made in the Pastime Club building so that the post which were formerly in the lower room can be removed and it is hoped to have this room ready for Volley Ball on Saturday night.

A large cut of timber has been assembled at the Clements mill, being up to J. H. Cunningham and operations will begin there on April 4th. This mill will afford employment to twenty-five or thirty men for the balance of the year.

N.T. Rockwell, of Smith's Cove, spent the week end at the home of Mr. C. Green.

Mr. and Mrs. L. E. Steadman, of Smith's Cove, were in town Monday calling on friends.

Rev. Frank Sullivan who was in Halifax for a few days returned to his home on Saturday.

HEADQUARTERS IN HALIFAX

"Grippe"

It was just at this time last year that medical men gave warning of the approaching epidemic of Grippe. History seems to be about to repeat itself.

Now is the time to prepare to meet the attacks of this dread disease.

Take two or three times a day and before retiring at night a full dose of Mathieu's Syrup of Tar and Extract of Cod Liver in triple quantity of hot water—following each dose with a Mathieu's Nerve Powder or Tablet.

This treatment does not interfere with one's daily occupations. All dealers sell these preparations. J. L. Mathieu Co., Sherbrooke, Que.

A. E. MORRIS, Amherst, N.S. Distributor for the Maritimes.

Weymouth

Robert Brooks is visiting relatives at Smith's Cove, for a few days.

The service of the United Church of Canada was very successfully taken over by the C. G. I. T. Groupe of this town on Sunday last.

J. L. Allen was in town recently on business in connection with the hydro development.

The funeral of the late Malcolm Durling was held Tuesday morning from his residence. A large number were in attendance.

W. R. Harris, of the firm of Harris and Silver recently motored to Bear River on a business trip.

Mrs. Warren Brittain leaves Friday for Boston where she will be met by her husband.

Miss Grace Blagdon, Miss Phillips and Dr. Grace Rice accompanied the remains of the late Mrs. Clara Rice from Halifax on Friday last returning in the evening.

Everett Nickerson leaves Friday for Boston and vicinity where he will visit relatives.

Miss Margaret Hunt, of Digby, was visiting in town over the week end.

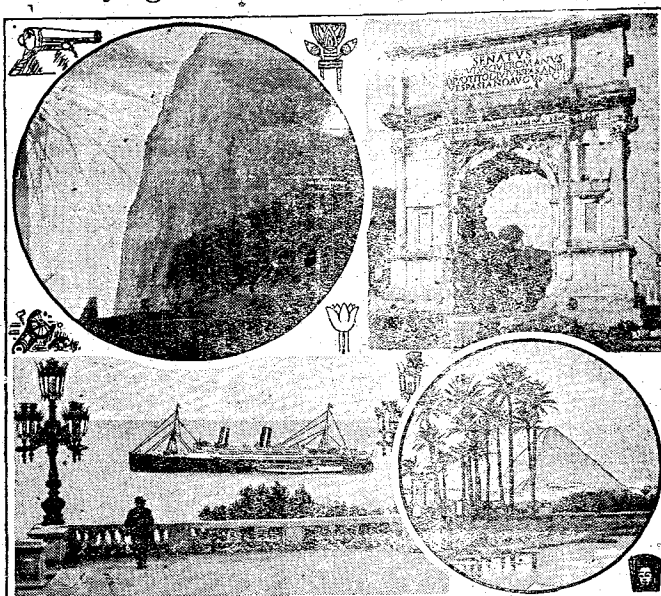

Clare Huggles who recently underwent a slight surgical operation at Halifax has returned home.

SULPHUR CLEARS A PIMPLY SKIN

Apply Sulphur as Told When Your Skin Breaks Out

Any breaking out of the skin on face, neck, arms or body is overcome quickly by applying Mentho-Sulphur. The pimples seem to dry right up and go away, declares a noted skin specialist. Nothing has ever been found to take the place of sulphur as a pimple remover. It is harmless and inexpensive. Just use any druggist for a small jar of Rowles Mentho-Sulphur and use it like cold cream.

Carrying the Canadian Flag to World Ports

Upper left—The Rock of Gibraltar with its unending sources of interest. Lower right—Empress with its pyramids of St. John's at the harbor. Lower left—The Empress of France at anchor off the fashionable resort of St. John's.

As evidence of the popularity of Canadian ships, at home and abroad, the Canadian Pacific Empress of France sailed from New York recently on her annual cruise of the Mediterranean booked to her cruise capacity. In all over 400 passengers were aboard for the two-month voyage to many of the world's "high spots".

The cosmopolitan group of wanderers was composed of people from every branch of activity in North America. Some were habitual globe trotters, but in the main they represented the average successful citizen going abroad with the satisfaction of having achieved his life's desire—travel. Every province and state on this continent was represented.

According to recent statements made by Walter Maughan, steamship passenger traffic manager, cruising to the four corners of the earth has come to stay. The traveller of the hour approves of the arrangements made by experienced hands, and of going from place to place under one management on ship and shore.

This obviates worry to the passengers, as every small detail incident to foreign travel is worked out and seen to by the cruise managers and directors, intricate money transactions in foreign currency included. The Empress of France has won the hearts of the travelling public as she has possibly carried as many world celebrities as any other ship afloat, including the heir to the British throne, who has travelled to and from America four times on her.

After two consecutive years as the Canadian Pacific Mediterranean cruise ship, the Empress of France will next year break the trail for the new cruise to South America and South Africa, now being arranged by the company. She will, in addition to touching many ports in the southern hemisphere not readily accessible to the tourist, pay calls once more, at the closing portions of the cruise, to the familiar ports of the Mediterranean.

Westport

The Misses Esther Buckman and Olive Bailey spent Monday at Freeport.

Miss Dorothy Thompson who is attending Business College in Saint John arrived Thursday to spend a week with her parents, Mr. and Mrs. Albert Thompson.

George Clements was a passenger from Saint John Thursday.

Leon Hinwood was a passenger from Saint John Thursday.

Frank Gower and Steve Comeau had the misfortune to lose their motor boat in Friday night's gale.

Miss Adella McDormand, of Saint John spent the week end with her parents Mr. and Mrs. Wm. McDormand.

Mrs. Clifford Melanson and son of Saint John spent the week end with her sister, Mrs. Milton Gower. Returning to Saint John Monday she was accompanied by Mrs. Gower and son Stanley.

William Howard one of our best known residents of Westport, died at the home of his daughter, Mrs. J. H. Churchill, Sunday afternoon at the advanced age of 70 years. He was a valued member of the United Baptist Church and his Christian life was an example to all. He is survived by one son William, of Thiverton, and one daughter Mrs. J. H. Churchill, with whom he made his home, besides a number of other relatives and friends. The funeral was held from the United Baptist Church Tuesday afternoon and was conducted by the pastor, Rev. H. H. Phinney. We extend our sympathy to the bereaved ones.

New Tusket

Messrs Bernard Goudy and Walter Prime left Friday for Boston.

Mrs. C. R. Nowlan, of Wolfville, is visiting her sister Mrs. C. F. Sabean, for a few days before going to Boston to visit her and friends for an indefinite time.

Misses Lella and Susie Dickie spent the week end with Mr. and Mrs. Moody Mullen, Corbierie.

Miss Nellie Lewis who has been visiting in Boston returned home recently.

Mr. and Mrs. Chester Stevens, of Weymouth, spent Sunday at the home of Luke Gaucho.

Rev. M. B. Whitman was at this end of the field on Sunday. He was entertained at the home of Mr. and Mrs. Heber Greene.

Weymouth North

Capt. H. B. Fitzgerald was a passenger to Digby Wednesday returning same day. The W. C. T. U. met with Mrs. Alfred Johnson on Wednesday.

The C. G. I. T. met at the home of Miss Greta Journey on Friday evening.

Mrs. Haines Marshall arrived home from a trip to Saint John and Halifax on Monday.

The C. G. I. T. intend holding a four act play entitled "The Pill Bottle" in the Guild Hall on Tuesday evening, April the 5th at 8 p.m. Admission 35c.

The electric street lights which run as far as the Guild Hall are now on every evening after 7 o'clock.

Wedding

COY—HARLOW

A quiet but very pretty wedding took place Thursday evening at the residence of the bride, 350 Haymarket Square, Saint John, when Mrs. Hattie C. Harlow was united in marriage to Herbert Coy of the C. N. R. shops, that city, Rev. A. L. Tedford officiating. Immediate friends of the bride and groom were present.

The bride, who was attired in dove grey silk and carried a bouquet of roses, was attended by her daughter, Lulu, while Harold Coy, son of the groom, was best man. The wedding took place under a spider web arch.

After the ceremony the happy couple were hosts at a buffet supper. A wedding trip is planned for later.

Numerous and costly gifts were received by the popular couple and included a piano lamp from the bride's daughter; silver cake basket from Mrs. Asuba McKenna, mother of the bride; a cut glass set from the Dominion L. O. L. sewing circle; silver and cut glass from Mr. and Mrs. C. D. Cudmore, Mounton, silver cake knives from Mrs. George Capstick, and numerous other gifts.

The bride formerly resided in Digby, while the groom is related by marriage to Mr. and Mrs. S. VanTassel of Digby.

Great Canadian Remedy Helped Him Like Magic

Saskatchewan Man Used Dodd's Kidney Pills.

Mr. A. M. Pacholko Who Suffered From Backache Tells of Relief He Sought and Found

Jedburg, Sask. Mar. 28 (Special) Every corner of Canada holds at least one person who has found relief by taking Dodd's Kidney Pills. They have been relieving kidney troubles all over this vast Dominion for more than thirty years. They relieve only kidney trouble and those diseases that spring from disordered kidneys. That's why they are so popular to-day. Read what Mr. A. M. Pacholko says about them: "I have suffered from backache for a long time and have tried different plasters, etc. and found no benefit. Finally I tried Dodd's Kidney Pills which helped me like magic. I also found them good for that tired feeling."

Dodd's Kidney Pills have become a family remedy because people have tried them and found them good. They help Rheumatism, Lumbago, Lame Back, Heart Disease and Urinary troubles, because all of these are either kidney diseases, or are caused by the kidneys failing to do their work.

Not the Man

Advises received from Halifax that Officer Curry of the Attorney General's department, who was sent to Halifax to bring down a man suspected of being implicated in the theft of bonds from Major Daley, has returned to Halifax after investigating his man, deciding that the suspect was not one of those thought to be involved.

Car Traffic on County Roads

Although not officially declared open the roads in Digby county are in pretty good condition and the restrictions on operation of automobiles are practically removed in abeyance while the present fine weather continues. Quite a number of out of town cars have been noticed in Digby during the week and some of them are still operating on last year's number plates. The traffic constables have been notified to watch for such offenders.

Letters and Telegrams Congratulate Digby on Coming of Hydro Service

The turning on of the hydro service at Sissiboo Falls to serve the municipality of Digby has attracted the interest of a large number of former Nova Scotians and others in the United States. Many letters and telegrams of congratulation have been received at the office of the Power Board, and on Wednesday the Courier received one from a former Digbyite, now residing in Boston; that is a message of congratulation to a host of people whom he knows and Mr. Thomas F. Anderson sends us this message:

Boston, Mass., March 30 1927

The Digby Courier, Digby, N.S.

The many loyal friends and well wishers of Digby in Massachusetts cordially congratulate the town and county on the inauguration of the new hydro service recognized by all as one of the most forward looking steps ever taken in Western Nova Scotia.

Thomas F. Anderson.

Another important letter of congratulation comes from Mr. John S. Ackhurst, manager of the Canadian General Electric Company of Halifax. Mr. Ackhurst's letter is a congratulation and also a suggestion as to how full benefit of the service may be reached through development. Writing to Mr. H. H. Marshall, chairman of the Power Board Mr. Ackhurst says:

Halifax, N.S. March 29, 1927

Mr. H.H. Marshall, Chairman, Digby County Power Board, Digby, N.S.

Dear Sirs—

We are pleased to hear through our Erection Engineers, Mr. Shore and Mr. Graham, that your plant at Sissiboo has been put in satisfactory operation and you are now supplying Weymouth, Digby and surrounding country with an up to date power service. This is good news indeed, and we trust the results you obtain from your canvass of the outlying districts will warrant your Board extending the line throughout other parts of Digby County.

Your Board certainly deserves congratulation on being able to put over this difficult proposition and we trust that the rate-payers of Digby County will appreciate the wonderful service you have given them throughout.

If, at any time there is anything we can do to help you in this connection kindly advise.

With kind personal regards, I am,

Yours truly,

CANADIAN GENERAL ELECTRIC CO. LTD.

New Subscribers

Continued from page 1

returns his or her book with all the stubs filled in a special award is offered and every completed book is worth \$2.50 in addition to the regular commission.

This contest is not being run as a premium game. No pianos or automobiles or dolls are offered, but every solicitor is paid a commission on each subscription sent in. This is decided to be the most satisfactory way of paying for this service and the opportunity is open for every correspondent to make as much money as he or she cares to earn.

The campaign is on, with everyone on an even footing. Let's go and make this the quickest work ever put over in Digby County. The paper is worth the money, its news contents and nice appearance make it an attractive visitor to the home of the county and to those who are not home, but live in foreign lands it will come as a thrice welcome weekly letter from the home county.

The correspondent in your district is trying to make the paper better. If you appreciate the effort hand your subscription to her without waiting for a call and so help to make the paper even better and encourage her in her work.

The Courier is \$2.00 per year to any address in Canada and for foreign subscriptions 50 cents must be added to cover postage of one cent per copy.

The appointment of Dr. Rice of Sandy Cove, as Coroner for the Digby Neck section of the County has been approved by the provincial government on recommendation of Mr. W. H. Farnham, M.P. The appointment of Dr. Rice will obviate delays and difficulties in securing the services of such an official in cases where one is needed.

MINARD'S "KING OF PAIN" LINIMENT

Early Morning Blaze Destroyed Office and Store of H. T. Warne and Threatened to Destroy Mill and Plant

The mill office and store of H. T. Warne was left a mass of destroyed merchandise and smouldering ruin on Wednesday morning after the fire company had fought a successful two hours fight to prevent the destruction of the whole mill plant at a fire that started in the second floor of the store at seven o'clock in the morning. The loss is in the vicinity of ten thousand dollars on building and stock, partially covered by insurance and to the excellent work of the firemen may be credited the continuance of the town's chief industry.

The fire was noticed just as the seven o'clock whistle blew and immediately fire extinguishers and bucket brigades started to fight the flames. The mill whistle was sounded to spread the alarm and Hubert Warne who arrived just as the fire was first noticed, drove to the town hall to ring the town bell and call out the apparatus. Meantime men had been sent to fetch out the South End hose reel. Fortunately the town truck had not left the Town Hall when Mr. Warne arrived there and the equipment was hooked behind it and quickly drawn to the fire. Within twenty minutes after the fire was first noticed three streams were playing on the blaze and men with buckets of water stationed around the mill to drench flying sparks which threatened to set the mill going. The house of Joseph Surette, just north of the store, caught several times and required the attention of the firemen to prevent it also from being destroyed. By nine o'clock the building was in ruins with all the stock and all the ice files and books excepting those in the safe. So quickly did the fire spread that it was impossible to organize a salvage corps. All that could be done was to keep the fire from spreading and in doing so the firemen saved the pay envelopes of sixty or more families and saved for Digby its chief industry. Sparks from the burning building were carried several hundreds of yards by the steady south west wind blowing at the time. Several firemen suffered minor burns from flying sparks.

The building was valued at \$10,000 with between \$8,000 and \$9,000 stock stored in it.

The building was one of the oldest in Digby, having been built upwards of ninety years ago. It was originally part of the Trinity Church property and was used as a Sunday School hall. In 1903 when the present Trinity church was built it was moved to a site at the mill by a man named Steadman and was moved to its later location by the Warne's in order to reduce the danger from fire, a move which Wednesday's experience proved valuable.

DIGBY, NOVA SCOTIA, FRIDAY APRIL 8, 1927

Vol. LIII Number 35

Officer and Engineer of Kipawo in Digby

Tuesday of this week Captain Clinton Cook and the chief officer E. R. Trefry, with the operating engineer, arrived from Parrsboro to take the motor vessel Kipawo of the Dominion Atlantic Cross-Basin ferry service between Parrsboro and parts of the Kings County shore, to the dock of the Saint John Dry Dock and Shipbuilding Company, where the vessel will undergo overhauling of the hull and painting thereof adjustment of the Diesel Engines and complete renovation as well as painting of the outside and interior of deck houses and cabins.

This fine motor craft performed in a very satisfactory manner the

service proposed for last year and will renew it again beginning May 1st.

A Parrsboro newspaper states that a movement is on foot to have the Kipawo run every day of the week for a period of about four months in each summer, in order to give opportunity for developing a greater volume of tourist and automobile traffic, as well as provide a interchange of native travel, sight seeing and recreation, on the only day possible to many whose earnings and livelihood are dependent on full six days employment.

The Kipawo sailed on Wednesday for Saint John.

King Solomon Lodge Officers Installed by District Deputy Stanley Aymar

Paying his first official visit to King Solomon Lodge, A. F. & A. M., the District Deputy Grand Master, Right Worshipful Brother S. S. Aymar, on Tuesday evening installed the officers of the lodge for the ensuing year. He was assisted by Right Worshipful Brother F. E. Rice and Worshipful Brother S. A. Keen. Worshipful Brother A. J. Dillon acted as presiding officer.

Following the ceremonies of installation the retiring master, Bro. Guy E. Morehouse, addressed the brethren; thanking them for the assistance given him in the performance of the duties of the chair and commenting upon the activities of the lodge during the past year. He congratulated the new Master Bro. Charles E. Armstrong, upon his elevation for the honorable post of master, and in well chosen phrases commented upon his merits for that important office. He also gave expression of the pride King Solomon lodge had in congratulating Bro. Aymar on his appointment as representative of the Grand Master for the district and welcomed him in his official capacity. Following are the officers of King Solomon Lodge for the coming year:

Chas. E. Armstrong—Worshipful Master.

Harry L. Roberts—Senior Warden

W. H. Farnham—Junior Warden

Worshipful Bro. P. W. Holdsworth—Treas.

Egbert M. Robertson—Secy

B. H. Ruggles—Senior Deacon

J. P. Wormell—Junior Deacon

J. J. Wallis—Senior Steward

J. D. Casswell—Junior Steward

H. W. Bowles—Marshall

Right Worshipful Bro. Wm. Driffield—Chap.

C. E. King—Inner Guard

Rufus Connors—Tyler.

Red Raven Club Contributes To Johnny Miles Training Fund

Of all distinguished visitors to Digby, and Digby has had some, Senators, Premiers, politicians and potentates; none was ever accorded a more sincere welcome than that extended to Johnny Miles on Tuesday, when he was in Digby for a few minutes enroute to Yarmouth to take ship for Boston and the famous marathon.

President Holdsworth of the Red Raven Club, accompanied by Secretary William Eldridge, conveyed official best wishes of the Red Raven Club and presented Miles with fifteen dollars contribution from club funds to his training expenses.

There was a little trouble locating Miles. All the way down the line he had been feted at every stop of the train and at Digby he made a slip from the train before it had stopped and was away from the platform before he could be located. Just the same the crowd was not to be cheated out of meeting the famous runner and on his return he was greeted in fine style.

Miles did not seem to be worrying much about his chances. Trained to fine shape and ready for the finishing touches that will be put on over the route, Miles is a fine example athlete and whether he wins or someone else wins he will run a great race and the winner will know that there has been one on.

The contribution to the Miles Fund was the wind up of the Red Raven's hockey season. Everything paid for, everything wound up for the winter, and a few dollars left over to start another season. This was the best winter, for finances and sports, that hockey has known in Digby for years and next winter will see the Ravens out to win championship honors.

Tax Rate Will Not Provide Expenses of Running The Town

Defeating a motion of Councillor Dakin and Councillor Wightman to set the tax rate at \$3.50 per hundred, and so provide sufficient revenue to care for the transaction of civic affairs during the year 1927, the Town Fathers in passing the estimates for the year set themselves a task of "making bricks without straw." On motion of Councillor Aymar, chairman of the Finance committee, seconded by Councillor Raymond, the rate was set at \$3.40, which will provide at best \$1500 less than is estimated will be required, with a certainty that at least \$300 will have to be deducted from revenue by reason of discounts granted for prompt payment of taxes. Add to this an amount of \$200 as unpaid taxes for the year 1927 and the Council is faced with a shortage of revenue of at least \$2000.00.

Unless some drastic cuts in expenditure are made there will continue to be an overdraft at the bank and the town will start off the year 1928 with another handicap.

Estimates for 1927	
Streets	\$ 3000.00
Fire	650
Street Lighting	1378
Salaries	1500
Joint Expenditure	3,800
Poor and Charities	1360.00
School	8473
Miscellaneous	7,154
Total	28,743
Total Income	5,800
To be raised by taxation	22,943

The tax rate of \$3.40 per hundred will provide \$21,490 less such discounts as may be earned by prompt payment of taxes.

It will be seen therefore, that strict economy must prevail in the carrying on of the town's business. The estimates of expenditure for the year are not much greater than last year and in the case of the streets at least should be kept within bounds. Last year the streets department over ran the estimates by \$775.00, being due to charges for snow shovelling and for permanent improvements.

The estimates for "Miscellaneous" are much greater than for last years due to the inclusion of items not provided for when last years estimates were prepared, and to cover the overdraft, \$3,863. In this amount is included a grant for the Dominion Day celebration, \$260.00.

Joint expenditure account is also larger this year, being \$3,800.00 as compared to \$3,640 of the year before.

The small income on which the town may depend is due to the fact that in years gone by no provision was made for sinking funds to retire obligations on light and water accounts and all earnings from these sources must be applied to retiring of these obligations.

Will Visit Digby in Interests of Tuberculosis Prevention

Dr. W. F. Read has been advised by the provincial department of Public Health that Dr. G. W. Smith, of that department, will be in Digby on Tuesday, April 12th, for the purpose of holding himself in readiness to examine cases of suspected tuberculosis which may be referred to him by physicians.

Married in The West

At Lloydminster, Sask., on Wednesday evening, March 22nd Mr. William James Hepburn, Lloydminster, and Miss Pauline Marling of Caruthers, Sask. were quietly married at the Presbyterian Manse. The ceremony was performed by the Rev. Lloyd Hughes minister of Knox church. The young couple were attended by Mrs. J. Ind, sister of the groom and Mr. R. Leonard. We wish them a long and happy married life and prosperity in the future.

School Board Removes Principal, High School Scholars Address Letter Demanding Fair Play

Action of the School Board in removing from his duties Principal Swin who has been supplying during the leave of absence of Principal Chisholm is resented by students of the High School in a letter addressed to the School Board, in which the scholars protest the changing of instructors at this season of the school year and ask for reinstatement of their present instructor.

Principal Swin's removal was decided on by the Board as a necessity if school discipline were to be maintained and came as a climax after investigation of conduct of several pupils suspended for breach of discipline and who have since been reinstated.

The Courier, while in possession of several versions of the matter is not in a position to give full details of the case. Those interested are not in a position to say their piece with any foundation of authority.

The letter addressed to the School Board is type written, carefully compiled and presents the scholars view in firm, yet respectful language and is signed "The Indignant High School Scholars."

J. E. Steadman formerly teacher at Bear River and Annapolis has been engaged to complete the term.

Mrs. Louis LeBlanc of Comeauville returned home Wednesday after spending a week in Digby, the guest of her daughters, Mrs. William Theriault and Miss Rosie LeBlanc.

An Appreciation

Through the Courier we wish to express our appreciation of the heroic effort of the firemen and citizens in combating the fire which last week destroyed our mill office and store. In spite of trying conditions the battle with the flames was well fought and it is due to the noble work done that the mill plant and equipment was not also destroyed.

We also wish to express our appreciation of the work done by our own employees in preventing spread of the flames through the mill.

H. T. Waine.

FORD FACTS

From figures obtained from the Motor Vehicle department at Halifax, Fredericton and Charlottetown there were 4403 commercial vehicles registered at those offices during 1926. Of these 3105 were Fords, 395 Chevrolets, other makes 907. This is positive proof of the provinces wide popularity and dependability of the Ford Commercial vehicles.

The world famous 1 ton chassis with indestructible worm drive may be had with the four speed rear axle, giving four speeds forward and two reverse, with either high or low-speed drive worms.

This wide range of speeds gives the Ford Truck an adaptability to classes of commercial transportation requiring a vehicle of 1 ton capacity, that is absolutely untouched by any other truck of equal size.

Before purchasing that new truck please allow us to demonstrate the new Ford Four Speed Truck, equipped with 30 x 5 tires and Holly Hot Plate Vaporizer, which increases the mileage per gallon and is standard equipment on all new Ford Models, Also attachable to old models.

ROBERT J. MILLS
Managing Editor

FRIDAY, APRIL 8, 1927

How Much Does It Cost

A reader asks how much does it cost to install fixtures for hydro service and after the fixtures are in, how much does it cost for monthly payment for the service.

Costs of installation are hard to set. Much depends upon the number of outlets and the style of fixtures, but a fair estimate for wiring an average country home is about \$20.00. Cost of service is much more easily determined. In comparison with kerosene oil at 46¢ a gallon and Hydro at 16¢ per unit, hydro is as cheap as oil and far more serviceable. The convenience cannot be compared, the efficiency cannot be compared and the saving

of labor, using hydro, not to take into consideration the saving of eyestrain, fire risk and a dozen other relevant matters, is such that hydro at any price is to be preferred.

The extension of the service down Digby Neck is a matter which depends altogether upon the residents of that section of the municipality. If they want it they can have it. All that need be done is send in sufficient petitions to warrant the extension of the service and instruct the councillors for each district to support an application for increased capitalization to cover cost of the extension and the thing is done, or will be done during the coming summer.

New Subscriptions Coming In Fast

Most gratifying success has attended the first week of the Courier's subscription campaign. On the first day of the month ten subscriptions were received and on Saturday and Monday the number was increased and continued to be increased all through the week.

One correspondent sent five in one day.

Reports from all correspondents say that the Courier is so much more interesting to people that new subscribers are hard to sign up and the full five hundred assured. If you have not handed your subscriptions to the correspondent in your district so today, or if you prefer, mail it direct to this office with instructions that the commission shall be credited to your district correspondent and we will attend to it.

The percentage of commission

being paid is generous. Most subscription campaigns are run on a fifteen per cent commission basis. The Courier's present campaign is being run on a more generous plan, as a reward to correspondents who have helped to make the paper better and the amount which can be earned by a correspondent who gets down to business in large. It is not impossible to earn \$25.00 in a single week, if the readers in a district will give their correspondent fair support and it is the hope of the management that some one will earn the special bonus during the second week of the campaign.

"Brown's In Town" To Be Presented In Aid of Digby Hospital

Under the direction of Mr. A. J. Dillon the selected cast is preparing for the presentation on Thursday evening, April 28th, of the delightful mystery farce comedy "Brown's In Town." The selection of this play is one which shows aspiration on the part of the cast as its presentation as a success depends upon very clever work and very attentive interpretation of the various parts. Progress made at rehearsals is most encouraging and in the opinion of many the cast is sure of securing a success.

Proceeds of the venture will be devoted to the use of the Ladies' Hospital Aid, and for this reason a bumper house is assured. The development of local theatrical talent is a matter of interest to the social life of a community, which, situated as Digby is, must rely on its own resources for winter amusements and the presentation of Brown's in Town is the result of considerable personal sacrifice on the part of all interested in its presentation.

Commanded Last Square Rigger on Last Trip out of Digby

Captain J. A. Read, a retired sea captain living at Fredericton, celebrated his 89th birthday in that city on Friday and received the hearty congratulations of friends. He is in the enjoyment of excellent health and is very active for one of his years.

Captain Read is a native of Bay Verte, Westmorland County, and began his nautical career in 1860, one year before the outbreak of the American Civil War. Upon his retirement in 1918 he had completed 58 years of seafaring life. He was engaged in the West Indian and South American trade for many years, sailing out of the ports of Halifax, Saint John, Dorchester and Hopewell Cape. His last vessel was the tern schooner Silver Leaf which sailed from Saint John for East Africa, lumber laden, in the summer of 1918, while the Great War was still in progress. This vessel sprang a leak off the coast of Brazil and was wrecked while entering the harbor at Barbados. The captain made a voyage to the Cape Verde Islands while the war was going on in 1916.

Captain Read handled ships at different times for several Saint John firms and the late Sir Albert Smith Riverside, N. B., who was the owner of New Brunswick's last square rigger, the barque Alert, Captain Read commanded it, the last trip of that vessel being from Digby with a cargo of lumber for Buenos Aires.

Since his retirement from the sea Captain Read made a trip as a passenger on the freight steamer Lewis Luckenbach through the Panama Canal and up the Pacific coast, the vessel in charge of his son, Captain Eldon Read, who is still in command of her.

Planning Alterations at Pines

M. R. McQuarrie, chief engineer of the Dominion Atlantic railway system and O. C. Jones, manager of the summer hotel, The Pines, were visitors in Digby on Friday going over plans for alteration and improvements at the Pines in preparation for the opening of the season.

PROVINCE OF NOVA SCOTIA
COUNTY OF DIGBY S.S.

IN THE COURT OF PROBATE

IN THE MATTER OF the Estate of Peter U. Gaudet late of Concession in the County of Digby, Farmer, deceased.

To Telephore Gaudet, Leon Gaudet, Benjamin Gaudet and Louise Gaudet, all of Concession in the County of Digby and Province aforesaid; Charles Gaudet of Boston, Mass., U. S. A.; Celeste Therault of Beverly, Mass., U. S. A.; Agathe Babin, of Boston, Mass.; Edith Belliveau, of Church Point and Elizabeth Thibault, of Grosses Coques in the County and Province aforesaid, being the heirs, next of kin and devisees of the said deceased:

WHEREAS the said Elizabeth Thibault, daughter of the said Peter U. Gaudet, late of Concession in the County of Digby, farmer, deceased, died on or about the 31st day of October, A. D. 1926, at Concession aforesaid, has presented her Petition to the Court of Probate at Digby, praying that a citation might be issued requiring Isaac H. LeBlanc, executor of the said Peter U. Gaudet, to have the last Will and Testament of the said Peter U. Gaudet proved in solemn form of law and its validity determined, and upon such Citation an Order was made by said Court on the 26th day of October, A. D. 1926 requiring said executor, within twenty days, after service of said order upon him, to take out a Citation to have said Will proved in solemn form and its validity determined, and the said executor in compliance with the said Order has now applied for a Citation requiring you the above named heirs next of kin and devisees, to appear at the Probate Court at Digby, on Tuesday the twelfth day of April, A. D. 1927, at the hour of eleven o'clock in the forenoon, when the said Isaac H. LeBlanc executor as aforesaid, will proceed to prove in solemn form of law the Will of the said Peter U. Gaudet, deceased, which was admitted to Probate in common form in the Probate Office at Digby aforesaid on the 26th day of November, A. D. 1926.

YOU ARE THEREFORE REQUIRED to appear before Judge Goffin presiding at the Registry of the said Probate Court at Digby in the County of Digby on the twelfth day of April, A. D. 1927, at eleven o'clock in the forenoon when the said Isaac H. LeBlanc executor named in the Will of the said Peter U. Gaudet, deceased, will proceed to prove said Will in solemn form of law, and to have the validity of said Will determined by said Judge.

Given under the seal of the Court at Digby aforesaid this eleventh day of December, A. D. 1926.

Frank Jones
Solicitor for the said Isaac H. LeBlanc.

CANADA

Burglars Take Three Hundred Dollars

Effecting an entrance through a side window of Syda's Fish Market in the early hours of Sunday morning a thief or thieves, made away with three hundred dollars in cash, contents of the office, strong box. No clue as to the identity of the burglars is apparent.

Mr. Syda keeps considerable sums of money on hand for the prosecution of his business. On Saturday there was slightly over three hundred dollars in the cash box, and Sunday morning cash box and money were gone. The safe is an ordinary day lock affair, easily opened and was not locked. The cash box lock was smashed with some heavy instrument and the money taken. Mr. Syda had cheques for several hundred dollars at his home and intended taking them down to put in the safe on Saturday. That he did not is a piece of good fortune which saves him considerable delay in realizing on recent fish and scallops sales.

Attempts were also made to enter Yerxa's and Holdsworth's Drug Store.

At Yerxa's the bolt of one lock was forced but the spring lock held, preventing an entrance. At Holdsworth's marks of a chisel or large screw driver on the frame of a back window show where an attempt was made to force an entry.

Pure tea of finest quality, free of dust and packed in Aluminum.

RED ROSE
TEA "is good tea"
RED ROSE ORANGE PEKOE is extra good.

Will Spend Summer in Digby

Word has been received by Mrs. Abbott from the Laytons of Philadelphia, frequent summer visitors to Digby, that they will be coming to Digby early in June. They have engaged Mrs. Abbott's house on the hill from the middle of June until the middle of October.

MEMORIAM

In loving memory of our darling mother, Mrs. John E. Henshaw, who passed away April 6th 1924. In our hearts your memory lingers, sweetly, tender, fond and true. There is not a day dear mother, that we do not think of you, Sadly missed by husband and family.

King Solomon Lodge Masonic Order of Digby will receive a visit from Grand Master Davis, of Halifax, at their regular May communication.

NEW TELEPHONE DIRECTORY

A new issue of the Telephone Directory for the Western District is in course of preparation and lists will be closed on April 9th.

The Directory serves our subscribers in "The Valley" including Digby, Chikville, Hantsport and Windsor in Hants County, and in Digby, Lunenburg, Shelburne, Queens and Yarmouth Counties.

Persons who wish to become Telephone Subscribers at this time and Telephone Subscribers who want changes made in their listings are urged to send in their orders to our nearest business office at once so that all events not later than April 9th.

We cannot undertake to give effect in the new issue to orders received after that date.

Advertisers who wish to avail themselves of the opportunities for effective, yet low priced, publicity are urged to use of space in the new issue are requested to communicate with our nearest business office.

Realizing that the average tourist looks upon the Telephone Directory as an unfailing source of information, we have decided to include a special Tourist's Guide Section in the coming issue of this book.

Advertising space in this section is now on sale and can be obtained by application to our nearest business office.

THE MARITIME TELEGRAPH & TELEPHONE COMPANY, LIMITED

REGAL FLOUR

It's Wonderful for Bread

Easter

Bright Easter morn—drear Easter morn
Our thoughts they soar so far away
To Bethlehem's Plains where Christ was
born.
To Joseph's tomb wherein He lay,
And though they sealed the rock-bewen
door.

He thence emerged a conqueror.
The woman came that early morn
With spices to His form enshroud,
All night their hearts were racked and torn.
The tempest o'er, they now were calm,
Oh, who would roll that stone away
That lying homages they might pay,
They gazed amazed—No sealed tomb
But open door now met their sight.
They looked within, an empty room
Lay open to the morning light.
They spoke, and then a voice they heard,
And lo, it was the risen Lord.

E.C.B.

Westport

W.A. Fugh, Melbourne McDormand and son Edgar were passengers to Yarmouth Friday returning Monday.

Mrs. Ernest McDormand and son Shirley spent Monday at Freeport.

Miss Gerlie Stevens has returned to Freeport.

The devotional committee of the B. Y. P. U. met at the home of Mrs. Charles Gower Monday evening.

John Peters returned home from Yarmouth Monday.

Mr. and Mrs. Wm. Howard returned to Tiverton Wednesday.

Jesse Peters was a passenger to Yarmouth Friday enroute for the United States where he has accepted a position on a yacht.

Judson Morehouse was a passenger to Yarmouth Friday.

Mrs. Albert Moore spent the week end in Freeport.

Miss Helen Thurber, of Freeport, spent the week end the guest of Miss Leon Gower.

The B. Y. P. U. held a social in the vestry Friday evening.

Mrs. Albert Perry and Mrs. Bernard Blackford of Freeport, and R. W. Van Blarcom, of Lynn, Mass., spent Tuesday the guests of Mrs. Charles Hicks.

Mrs. Halland Titus spent Wednesday at Freeport.

The many friends of Mrs. A. J. Codding in Westport and elsewhere will sympathize with her in her recent bereavement. The death of her husband Alain J. Codding, of Haydenville, Mass., which occurred on March 18th after ten days illness of pneumonia age 66 years and a resident of Haydenville for 40 years. Mrs. A. J. Codding was formerly Mrs. Emily Danton of Westport, and married Mr. Codding in 1916 and has been a resident of the United States for a number of years.

A great many of the people of Westport do not think much of the idea of having the mails routed via Meteghan as in the winter it is likely to be two and three days at a time that the ferry would not be able to cross the bay on account of the rough weather, and in very cold weather the ferry would not be able to land at Meteghan on account of the ice which makes out for about a quarter of a mile from the shore. So a great many think the Digby Ntck service the best as the mail comes direct from Digby from about the 12th of May till late in the fall. The ferry between Westport and Meteghan would be very convenient for passengers and freight and is just what is needed here.

Here and There

Alberta is now the largest producer of oil and gas in Canada. In 1925 the production of gas amounted to approximately 9,000,000 thousand cubic feet, and the production of oil 183,000 barrels.

Louis Kon, trade delegate to the Union of Soviet Socialist Republics, confirms the report that an order for \$1,000,000 worth of binoculars has been placed with a Brantford firm. Other large orders for Canada are pending.

During the season of 1926 over 35,000 square miles of mineralized areas in the Dominion were mapped out by means of aerial photography, according to the Department of Natural Resources at Ottawa. This is one of the most important uses to which aerial photography has been adapted.

A bill to establish a fish, game and wild life sanctuary in the interior of Nova Scotia has been passed in the Legislature. The sanctuary is to be located at the intersection of the counties of Annapolis, Digby, Yarmouth and Shelburne-Queens. Others may follow in other parts of the province in the near future.

A large single shipment of motor oil, a solid trainload of 26 cars of Marvulube, left Sarnia for various points in the west, but mostly for Vancouver. The oil is a Canadian-manufactured product which has been developed within the past year. At Port William the special train was handed over to the Canadian Pacific Railway for exhibition along its lines.

Announcement of the offer of two scholarships annually by E. W. Beatty, chairman and president of the Canadian Pacific Railway, and Chancellor of McGill University, to the first male candidate in Greek and Latin, and to the highest male candidate in mathematics entering the University, was made recently by Sir Arthur Currie, principal of McGill. A prize of \$500 is attached to each scholarship.

According to the department of Colonization and Development of the Canadian Pacific Railway, there is every indication that there will be a great increase in the number of immigrants coming to Canada this year compared with the number leaving during 1926. It has been estimated that immigration figures for this year will be almost double those of the past year. Since the first of the present year Canadian Pacific liners have brought to Canada approximately 15,000 new settlers.

E. W. Beatty, chairman and president of the Canadian Pacific Railway, announced from headquarters recently that the name of the new hotel now being erected at Regina would be "Hotel Saskatchewan." The new C.P.R. hotel at this place will be an eleven story structure containing 234 bedrooms with bath and will cost in the neighborhood of \$1,500,000, the opening being scheduled for May 24. The hotel is being built on one of the finest sites in the city on Victoria Avenue, facing the park. It will be only within a few minutes' walk from the C.P.R. Station.

The Canadian Pacific Railway made an excellent showing in 1926, gross revenue for the twelve months being the best shown since 1920, while net revenue was the best shown since 1917, being nearly 45 million ahead of the fine record of 1925. In gross earnings from railway and lake steamers the year resulted in a very notable increase over the preceding fiscal year, the showing being one of the best on record, while income from special sources, including steamers, held up well, being only slightly below that of 1925, and also being one of the best exhibits ever made up by the company.

Weymouth North

Miss M. C. Thurston returned to her home in Sandford on Tuesday.

James Merkle of Digby was in this place on business a few days last week.

The C. G. I. T. met with the group leader, Mrs. M. B. Whitman on Friday evening.

Mrs. William Thurber was a passenger to Yarmouth on Monday to enter the hospital there for treatment.

Miss Hilda Hogan, teacher at Gilberts Cove spent the week end at her home here.

Miss Emily Taylor, who is attending Edgell, girls school at Windsor arrived on Saturday to spend her Easter vacation with her grandparents, Mr. and Mrs. G. D. Campbell Sr.

Mrs. William Amaro arrived home from Kentville on Monday.

Mrs. Emma Nichol who spent the winter in Saint John, arrived home last week. She was accompanied by her granddaughter, little Miss Katherine Smith.

Mr. Torrie of Digby was in town on business last week.

Easter Beef at Westhaver's

At Easter time the main item on the family bill of fare is the Roast of Beef for the mid-day meal. In preparation for the Easter season the Digby Meat Market has ordered a particularly fine Western Beef, one which Mr. Westhaver says will be the best he has yet had for the people of Digby. So, if you are particular in choice leave an early order for your favorite cut, and don't forget that the roast is only part of the carcass. Juicy tenderloin, delicious Sirloin for steaks, rump, rib, sirloin for roasts and so many nice cuts for pot roasts and stewing that it is not hard to choose. Order early for Easter delivery.

Acaciaville

Miss Ruth Gates who has been spending some time in Needham, Mass., has returned home.

Mrs. E. Doty, of Port Maitland, Y. Co., is the guest of Mrs. Frank Gates.

Mrs. W. A. Bacon and daughter Catherine returned on Tuesday from visiting her sister Mrs. Masters in Deep Brook.

Hope Division are holding rehearsals for a concert to be held in the near future.

First class Shoe Repairing PROMPTLY DONE

I wish to tell the public of Digby and surrounding country that I am prepared to do all kinds of SHOE REPAIRING. I guarantee to give you the best work town or your money back. I am installing electrical equipment to do work "while you wait."

M.A. MANTHORN DIGBY

Sandy Cove

Mr. and Mrs. Carl Eldridge of Digby spent a few days with her parents here.

William Jones was a guest at the Sypher House last week.

The last meeting of the Progressive Club was closed with a banquet given at the home of Mr. and Mrs. Amasa Eldridge on Friday evening. This was the last meeting of the season.

Mrs. William Saunders has returned to her home in Bridgeport, Conn.

Mrs. Cassie Morehouse and son, Allison spent the week end with Mrs. Reginald Sypher.

Harry Saunders spent the week end with his sister, Mrs. Guy Morehouse of Digby.

Miss Josephine Newcombe spent the week end with Mr. and Mrs. A. B. Frost of Little River.

Mr. and Mrs. Leonard Theriault of East Ferry spent Sunday with her son, Marjia Griffiths.

Mrs. Victor Harding of Yarmouth is spending a few days with her parents.

Phyllis Gidney and Evelyn Dakin spent Sunday with Miss Grace Hersey of Centreville.

New Tusket

Mrs. C. R. Nowland of Wolfville, who has been visiting her sister, Mrs. C. F. Sabean, left Tuesday for Boston.

Levi Mullen had the misfortune to cut his wrist quite badly on Saturday. Dr. Hallett was called and put five stitches in the cut.

Louis Melanson of Corberrie called on friends in this place on Monday evening.

L. S. Sears who has been away the past few weeks in Port Maitland returned on Saturday. We are sorry to know he is in poor health. We are also sorry to learn that Mrs. Sears is ill at Port Maitland. We wish them a speedy recovery.

Mr. and Mrs. Moody Mullen of Corberrie spent the week end at the home of Mr. and Mrs. Harvey Mullen.

Frank Mullen, who purchased Gifford Green's mill last summer started operations on Monday with C. F. Sabean as sawyer.

Culloden

Weston Crawford of the Lighthouse Road spent one day last week with his daughter, Mrs. Wilfred Murphy.

Mrs. Tressie Ford of Point Prim spent last week with her sister, Mrs. George Stark.

Mrs. Garfield VanTassel spent a few days last week in Mount Pleasant with her sister, Mrs. James Teed.

Mrs. Willey Ross of Yarmouth is visiting Mr. and Mrs. Alex Ross.

Mr. and Mrs. Burton Stark spent Sunday with friends in Gulliver's Cove.

The Sunday School girls intend having an Easter Concert on Sunday evening the 17th at 8 o'clock. A silver collection for the benefit of the school. If the evening proves stormy, on Monday evening, every body welcome.

Alex Ross spent a couple of days last week in Mount Pleasant with his daughters, Mrs. James Todd and Mrs. Charles Handspiker.

Dr. W. F. Read and Mrs. Read, who have been at Mrs. Dexter's, Mount street, for the winter, re opened their home on First avenue this week.

Sea Breeze Hotel, Deep Brook, Will House Students Conference

The Students' Christian Movement of Canada, Annual Summer conference for students of the Maritime Provinces will be held from May 26th to June 3rd, inclusive at the Sea Breeze Hotel, Deep Brook.

The theme of the conference is "Religion and its Expression in Life," and a large number of distinguished leaders in religious thought and education have been secured to assist in making the session a success.

Some of those who will attend are: Mrs. Wm. D. Macdonald, Monsiur H. L. Hensley, Geneva, Switzerland, General Secretary of the W. S. C. F.; Rev. F. J. Moore, Secretary University of Toronto S. C. M.; Professor John Lee, United Church Theological College, Halifax; Miss E. S. Nutt, College of Art Halifax; Miss Margaret Crutchfield, Secretary S.V.M., New York; Miss Gertrude L. Rutherford, National Secretary S.C.M., Toronto; Mr. S. T. Liu, of China; Mr. Murray G. Brooks, recently of Ceylon, our new National General Secretary, S.C.M. "This is but a partial list of the leaders."

The music of the conference and the devotional periods are given special attention, and have a close relation to the theme.

The Committee plans to leave the afternoons free for recreation. The country about Deep Brook offers many attractions for hikers and outdoor enthusiasts.

Two Important Things.

A business education does two things for the graduate—two important things.
(1) It prepares him to take a position where he can be self-supporting and self-respecting.
(2) It gives him an opportunity to acquire knowledge that will enable him to set up in business for himself.
You may enter at any time.

MODERN BUSINESS COLLEGE
ST. JOHN
UNITED WITH SUCCESS
BUSINESS COLLEGE—Moncton

Yearly Business Meeting, B. R. United Church

The Ladies' Aid of the B. R. United Church held its yearly business meeting on Tuesday afternoon March 29, at the home of Mrs. R. H. Purdy, President in chair. A large number were present. After the regular business various reports were read from the officers. The President's report expressed her deep appreciation and sincere gratitude for the support and co-operation, she had received from the officers and members of the Aid.

The Secty's report marked a year of success for this society both in the meetings and special work which has been carried on. Several new members have been added. 47 regular meetings have been held, 54 calls on the sick and shut in, have been made and many remembrances have been sent to the sick. The social affairs have all proven a success. The Treas. reported a splendid financial standing \$259.00 has been raised and with all bills paid, there is a surplus of \$100.00. The Flower Supt. Mrs. Fred Dittmar assisted by Mrs. Robt. Yorke resigned their office. Many regrets were expressed as this office has been most efficiently filled. Each Sunday the church has been well decorated and too much can not be said in words of appreciation to Mrs. Dittmar and the committee for this splendid work. At Xmas under the supervision of Mr. Farquhar, the church was beautifully decorated with the seasons effect. This deserves special mention and much thanks and appreciation are due Mr. Farquhar for this work. The flower committee have made artificial flowers to be used for special occasions when flowers are not in season. These are well made and exhibit much work and credit for this committee. The Supt. expressed in a most pleasing way her thanks to those who have so willingly assisted her and those who contributed flowers. New business was then taken up and discussed. A vote of thanks was given Mr. Mack for his faithful work and service he has given, to this work of the church. Both he and Mrs. Mack have helped to make this the successful year it has been. A short program was rendered, and at this time the officers and members of the Aid took this opportunity of thanking all who in any way have helped this society. Special mention is made of the co-operation and social standing and special attention to the meetings. For this we thank each and every one. Mrs. Purdy served refreshments, after which Mr. Mack offered prayer.

President—Mrs. Wm. Morine
1st Vice—Mrs. R. Baxter
2nd Vice—Mrs. Fulton Parker
3rd Vice—Mrs. Lovett Harris
Secty—Mrs. Harry Purdy

Convenor—Mrs. R. Purdy, Mrs. Lloyd Sandford
Sick and visiting com.—Mrs. Mary Hubbard, Mrs. Fred Harris.
Buying Com.—Mrs. Schmidt, Mrs. Harry Harris, Mrs. Fred Harris, Flo. I. Harris.
Rec. Secty. Mary Purdy, Treas.

Institute Meeting
The Women's Institute met Monday afternoon in the Masonic Reading Room with a fair attendance. The reports of the different committees were received and the usual routine business transacted. Plans are being made for a concert the latter part of the month, featuring Miss Whidden, Reader, with local artists. At the close of the business meeting Mrs. Barras sang very delightfully, a reading was given by Miss Henderson and a paper on friendship read by Miss Flemming.

Port Wade
Rev. W. G. Hise, of Canine, occupied the pulpit in the Baptist church here on Sunday. Having been a former pastor here, a large and appreciative audience assembled to greet him and to enjoy the splendid discourse.

Mr. and Mrs. A. B. Kendall, who have been spending the winter with their children in Saint John and Digby have returned home.

The infant son of Mr. and Mrs. Arthur Wear has been seriously ill, and under observation at the Digby Hospital. The little one is convalescent and has been brought home this week.

Mrs. Edward Keans entertained the W. M. A. S. at her home on Wednesday afternoon.

Presentation

On Thursday night, March 31st Mr. John Craig of Yarmouth, P.E. M.I.O.O.F. visited the local Lodge and presented Past Grand's Jewel to Past Noble Grand L. V. Harris. Several degrees were conferred during the evening. A fine program and delicious refreshments brought the evening to a close.

Institute Meeting

The Women's Institute met Monday afternoon in the Masonic Reading Room with a fair attendance. The reports of the different committees were received and the usual routine business transacted. Plans are being made for a concert the latter part of the month, featuring Miss Whidden, Reader, with local artists. At the close of the business meeting Mrs. Barras sang very delightfully, a reading was given by Miss Henderson and a paper on friendship read by Miss Flemming.

Port Wade

Rev. W. G. Hise, of Canine, occupied the pulpit in the Baptist church here on Sunday. Having been a former pastor here, a large and appreciative audience assembled to greet him and to enjoy the splendid discourse.

Mr. and Mrs. A. B. Kendall, who have been spending the winter with their children in Saint John and Digby have returned home.

The infant son of Mr. and Mrs. Arthur Wear has been seriously ill, and under observation at the Digby Hospital. The little one is convalescent and has been brought home this week.

Mrs. Edward Keans entertained the W. M. A. S. at her home on Wednesday afternoon.

Local and Personal

Capt. and Mrs. Darrel Chaney and child were in town for a few days last week.

Mr. and Mrs. E. Robinson returned to Windsor, N.S. on Monday. They will be residents of the town for the summer months, having leased the house formerly occupied by Mrs. Scott Chute.

Mr. and Mrs. Cleveland Jefferson of Bear River East are receiving congratulations on the arrival of a daughter on Monday, April 4th.

Miss Emma Dunn is again occupying the Emma Adams residence, after spending the winter months with Mr. and Mrs. Leander Alcorn.

Dr. A. B. Campbell was called on Friday to his former home, Inverness, C.B. by the serious condition of his mother's health.

Watch next week's Courier for date of Miss Whidden's recital under the auspices of the Women's Institute.

Elta Rebekah Lodge is in a flourishing condition a number of new members having been initiated recently.

Miss Katherine Brown was the week end guest of her cousin, Mrs. Guy of Halifax.

John Deyau of Meteghan was in town on Monday afternoon.

If everything one wanted were as easy to get as a good cup of tea, what an easy thing life would be for one only has to call up the grocer and say: "Send me a pound package of MORSE'S SELECTED ORANGE PEKOE", and a fine, flavorful cup of first-class tea is quickly assured.

The Pastime Club opened its new Volley Ball court on Monday night, for the use of its members.

The Ladies Circle of the United Baptist church met on Tuesday afternoon and evening in the church vestry. The ladies are repairing the cushions of the church pews.

Reg. Harlow of the Royal Bank spent the week end in Halifax.

J. H. Cunningham accompanied Mr. Joseph White of the Lincoln Pulpwood Co. to Parrsboro on Tuesday and returned on Thursday.

The Young Men's Organized Class of the United Baptist church was entertained at the home of Mr. and Mrs. J. L. Warren on Thursday evening.

The Ladies' Aid of the United church met at the home of Mrs. W. A. Chute. Delicious refreshments were served.

Mr. and Mrs. Charles VanBuskirk, of Bear River East, spent Sunday with Mr. and Mrs. G. T. Trupper.

Walter Cunningham representing the firm of Robertson, Fisher and Smith, was in town on Friday.

Mr. Caswell, of the Willett Fruit Co., made a business trip in town on Friday.

Arthur Suits of Puddington and Cole was in town on Friday.

Mr. Hardacre, of Grand Pre, is spending a few weeks with his daughter, Mrs. Will Morine.

Mr. Milligan concluded his interesting lectures on Sabbath School teaching on Wednesday evening.

We are sorry to report that John Harrow is confined to the house with an infected hand. We wish him a speedy recovery.

On Saturday night about nine o'clock when Edward Alcorn and little granddaughter were returning to their home in town, while crossing the bridge near Potters Mill the team was struck by a large car. Mr. Alcorn was thrown from the team and badly bruised, and one of the horses was considerably cut. The full extent of Mr. Alcorn's injuries is not yet determined.

The many friends of Dr. and Mrs. J. Wright, who have spent the last two years in Africa, will be interested to hear some recent news of them. Dr. Wright left on Jan. 21st for a three month trip in South Africa which will probably conclude his work in Africa. This "safari" was led by Captain Forde with a guard of ten rifles, 80 coolies, two master trucks and carrying three month's provisions. Dr. Wright has had an excellent trip so far, and expects to return to Nairobi in British East Africa early in May, where Mrs. Wright is awaiting him. They expect to return to Canada in the autumn.

Deep Book

Mr. and Mrs. John Adams arrived home on Wednesday from Halifax, where Mr. Adams had gone for help at the V.G. Hospital.

Rev. and Mrs. Frank Smith of Aylesford, were in Deep Brook last week, guests of Mr. and Mrs. Reginald Long.

Mrs. D. B. Wright of Annapolis was a guest of her parents, Mr. and Mrs. J. M. Nichols on Saturday.

The Work at the Gypsum plant is progressing very satisfactorily. Nearly every home in the lower section is filled to capacity with bars.

Mr. Whitehall and Mrs. Swan representing the Marine Electric Co. were in the village last week securing contracts for installing lights in the houses here. Mr. Swan will be in the village again next week.

The Dorcas Society held a social evening and out picnic at the Hall on Wednesday evening March 30. A good number were out and a pleasant evening spent.

The Deep Brook, Smith's Cove and Clementsport churches, held a Circuit meeting at the Baptist church on Saturday, April 2nd and extended a unanimous call to Rev. W. G. Harlow of Canine to become pastor of this field.

St. Matthews Guild met on Tuesday evening with Mrs. Robert Vroom.

Mrs. L. E. Sherman spent the week end in Clementsport as guest of Capt. and Mrs. J. N. Berry and Mrs. Laura Munroe.

Rev. W. G. Harlow was in town Monday morning.

Mrs. Amanda Coghill passed away at the Masonic Home in Windsor early Saturday morning, April 2nd. The remains were forwarded to Clementsport on Monday for burial. Mrs. Coghill was a sister of Mrs. Samuel Purdy of this place.

Social Service Convention

Truro, April 21, 1927

The Annual Convention of the Nova Scotia Social Service Council will be held in First United Church, Truro, on Thursday, April 21st. Sessions at 9.30 a.m., 2 p.m. and 8 p.m.

The morning and evening sessions will be devoted to Temperance. The afternoon session to Child Welfare, Prison Reform, and other social questions.

All churches, Temperance Societies, all organizations in sympathy with the object of the Social Service Council are invited to send representatives to this Convention.

Clergymen and officials of Temperance and Social Welfare Societies are requested to make announcement of this Convention to their respective churches and temperance organizations and to have delegates appointed.
R. W. Ross President.
H. R. Grant General Secretary.

The Keith Lodge No. 15 A. F. & A. M. held their regular communication on Monday evening in their Lodge Room. The following officers were installed: J. E. Farquhar—W.M., L. B. Hoop—S.W., A. B. Campbell—J.W., J. E. Langley—Sec., A. B. Marshall—Treas., P. R. Harris—S.D., Taylor—J. D. C. E. Clarke—Marshall, L. V. Harris—Chap., Vernon Harris—S.S., Roy Snell—J. S. Ralph Purdy—Organist, Wm. Morgan—Tyler. The ceremony was performed by Right Dist. Dep. G. M. S. S. Aymar of Digby.

They Are Undoubtedly Womens Best Friend

Dodd's Kidney Pills Have Relieved Thousands of Canadian Women Sufferers.

Saskatchewan Woman Advises All Kidney Sufferers to Use Dodd's Kidney Pills.

Hentiborough, Sask., April 4 (Special) "I must say that the use of Dodd's Kidney Pills has done me much good," writes Mrs. T. S. Reeves, who lives in this place. "I also got some Dodd's Kidney Pills and sent to a sister-in-law of mine who was unable to get them. She also found a great relief after having suffered with backache for a long time." It is statements like this that have built up and maintained the reputation of Dodd's Kidney Pills hold today, as the old Canadian kidney remedy.

Dodd's Kidney Pills have become a family remedy all over the Province because people have tried them and found them good. They are purely and simply a kidney remedy. They help Rheumatism, Lumbago, La Grippe, Back Pain, Headache, and urinary troubles because all of these are either kidney disease, or are caused by the kidneys failing to do their work.

Obtained from all druggists, or The Dodd's Medicine Co., Ltd., Toronto.

Last Lecture of Board of Trade University Extension Course

On Tuesday evening next, April 12th, the final lecture of the University Extension Course sponsored by the Board of Trade will be held. The lecturer will be President A. S. McKenzie, of Dalhousie University, and his subject, "This is My Own, My Native Land."

In the very subject of the address there is something that appeals to pride of race and home in every heart—"My Own, My Native Land"—stirring up emotions mostly hidden under a veneer of indifference and desire not to appear too easily moved by sentiment. The lecture comes at a proper date, just following the anniversary of the most famous day in the history of the Canadian Corps. Vimy Day, April 9th, and a large attendance at the lecture should be sure.

To those who in manhood have taken their nativity as a matter of course, whose patriotism routine, rather than emotion, and as well to the youngsters who as yet do not appreciate the privileges and responsibilities of Canadian citizenship, this lecture has a particular message.

In reaching the end of the lecture course the Board of Trade is faced with a small deficit, one which can be overcome if a large attendance of non-subscribers turns out to the last lecture and it is the hope of the committee in charge that they will be able to report an even balance sheet when they make report to the governing body.

Mount Pleasant

Mr. and Mrs. John Freeman spent Sunday with Mr. and Mrs. Gifford Handsaker.

Mr. and Mrs. Frank Scragg spent a few days of last week with their daughter, Mrs. Fred Daley.

Mrs. E. MacA'oney spent Sunday with Mr. and Mrs. Luther S.

Mrs. Wiley Ross of Yarmouth spent one day last week with Mr. and Mrs. James Teed.

Mr. and Mrs. Charles VanTassel and children are spending a few days with Mr. and Mrs. Forman Rice at Milford Corner.

Mrs. Freeman Handsaker spent a few days last week in Bear River.

Mr. and Mrs. Frances Leut and son, who have been spending a few on this with her parents, returned to their home in Westport.

Lewis and Louisa Daley are visiting their grandparents, Mr. and Mrs. Frank Scragg at Greenland.

World Poultry Congress At Ottawa

The final programme and announcement of the World's Poultry Congress to be held in Ottawa from July 27 to August 4 has just been issued. The contents show that the great convention and exhibition will be an event of the first magnitude and importance to all Canada.

Some idea of the size of the congress may be gauged from the following salient facts regarding the proceedings. The ten large buildings of the Central Canada Exhibition in Landsdowne Park, have been commandeered for the exhibition Sessions of the congress proper will be held in the Auditorium, beginning at 9.30 a.m. daily, and at each session an average of ten papers will be given by poultry experts from every part of the world, thus making a total of approximately 250 lectures and addresses in the five days.

But the business proceedings of the World's Poultry Congress will not be the most attractive from the general public's point of view. In connection with the congress will be held the greatest live and dressed poultry exhibition ever assembled in the world. Nearly two score foreign countries are sending exhibits. These countries include Japan, South Africa, U.S.S.R. (Russia), Poland, Spain, Latvia, Finland, Mexico, Italy, Germany, Egypt, Dominica, Argentina, Denmark, Brazil, Belgium, Great Britain, the United States and Canada. The last three countries will send the greatest number, and particularly the last two.

For this reason he exhibits are sure to outnumber those brought together on any previous occasion. Special arrangements have been made to receive poultry in Ottawa, and special rates on the Canadian National and Canadian Pacific railways have been agreed upon for the congress. Particulars may be obtained from the Congress Secretary, World's Poultry Congress Exhibition, Ottawa, Ontario.

Alexander Pass of Culloden and Mrs. Wiley Ross, of Yarmouth were guests last week of Mrs. Ross' daughter, Mrs. James Teed.

Nujol method is modern treatment for Constipation... said physicians

THE daily use of laxatives for constipation is over. Eight doctors out of ten now recognize that the Nujol type of treatment is better from every point of view than laxatives and cathartics.

Recently we asked leading physicians throughout the country how they treated constipation. 81.3% answered that they advise the Nujol type of treatment. Seven out of ten stated that the continuous use of laxatives is dangerous. On every hand we got answers like this—"Laxatives

bring on the laxative habit and do not remove the cause."

Doctors Advise Nujol
Eight doctors out of every ten told us they were advising the Nujol type of treatment for their patients in place of laxatives—and for these reasons:

1. Nujol is not habit-forming.
2. A more natural method.
3. A lubricant is better than a laxative.
4. Does not gripe.
5. Is not irritating.
6. Nujol gives lasting relief.

Unlike Laxatives
Laxatives and cathartics act by irrit-

tating the intestinal tract. They cause the bowels to frantically expel the contents of the intestines and thus rid the system of the drugs that pills and potions contain. Nujol acts entirely differently. It contains no drugs, no medicine. Its action is mechanical. It merely softens the dried waste matter in the intestines and lubricates the passage so that the muscles of the bowels can expel the waste matter regularly, naturally and thoroughly.

Nature-given Remedy
Nujol appeals to the medical man because it is a simple, scientific and safe remedy for constipation, no matter how severe the case may be. It is gentle in its action and pleasant to take. Children love it! Get a bottle of Nujol from your druggist today. Doctors advise it for constipation, whether chronic or temporary. Avoid substitutes.

Mrs. Brown is proud

She deserves to be, when other women demand her cakes

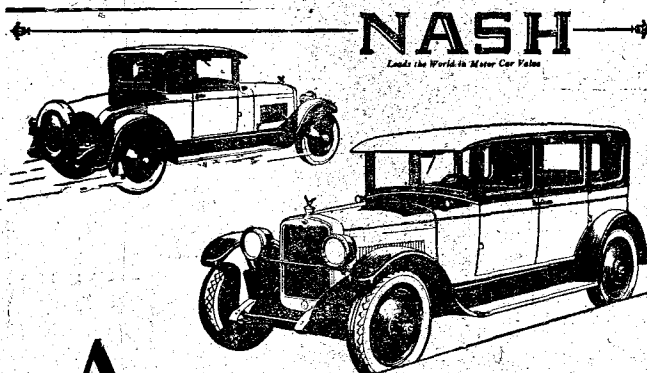

How often you've heard at bazaars, or socials, "I want Mrs. Brown's cake". In every community there are women who are noted for their cakes.

These women take pride in their baking. Many of them stick to Quaker Flour. They know that recipes always turn out right with this flour. It's tested every day under home baking conditions in our own kitchen. No flour can bear the Quaker Brand unless it comes up to our rigid standards.

Every bag is sold under the guarantee that if for any reason you have trouble with Quaker Flour, the dealer will replace it, or give your money back.

Quaker Flour
Always the Same Always the Best

Add \$50 or \$60 to the down payment on a Four—and get a Nash

Nash 6-cylinder, 7-bearing performance costs little, if any, more than 4-cylinder performance. You can buy a Nash Light Six enclosed car at an amazingly low price for a car like this—a quality car in every way. For besides the exceptional smoothness of Nash 6-cylinder, 7-bearing performance, the Nash Light Six has every worth-while feature of modern motoring: Full force-feed lubrication; Nash mechanical 4-wheel brakes, with front wheel brakes totally enclosed. Double-beam headlights; Automatic

windshield cleaner; Rear view mirror; Gasoline gauge on instrument board. 5 Budd-Michelin steel disc wheels; Alemite chassis lubrication, instead of old-fashioned grease cups. Air cleaner and oil filter to seal the engine; steering gear especially engineered for balloon tires. And, in closed car bodies, genuine hardwood frames with rounded rear roofs like the costliest custom cars. You can buy this car for about the same price as one of the higher priced fours. At the most, you'll only need to add \$50 or \$60 to your first payment.

Annual Meeting of Ladies' Hospital Aid Reports Good Year

The annual business meeting of the Ladies' Aid was held in the Court House on Wednesday the 6th inst. at 3 o'clock. The reports on the year's nature, showing the effort put forth by the ladies has been well worth while. They are looking forward now to an even better year to follow and have appointed competent committees to that end.

The officers for the past year were re-elected for another term as follows:— President—Mrs. E. DuVernet 1st Vice Pres.—Mrs. H. Williams 2nd Vice Pres.—Mrs. H. L. Roberts Secretary—Mrs. H. M. Warner Treasurer—Mrs. A. J. Dillon.

With this meeting the Ladies Hospital Aid completes the second year of its history. That it has been a successful year the records give ample proof and the degree of success is the greater in view of the fact that we are as yet a comparatively new organization. This success has been made possible by the almost unanimous cooperation of the community as a whole. Our thanks must be extended not to the town alone, but to the outlying districts as well, for even as the Hospital is a benefit to the entire county, so from a wide area has come support for the Summer Fair, the Variety Shows and the Benefit Bridges by means of which the Ladies' Hospital Aid has obtained funds through the past year.

During the year a few changes incidental to growth have taken place within the organization, the most outstanding of which was the abandonment of the 25c collection at each regular meeting and the substitution of an annual membership fee of 50c. By this means an enrolment of 187 members was secured on May last together with the sum of \$101.30 in membership fees.

In February of this year a Sewing Circle was formed to meet weekly at the homes of the members for the purpose of sewing for the Bazaar. A collection of ten cents per member is taken at each meeting and used for the purchase of material with which to work.

Early in the year an entertainment committee was formed to provide for some means of raising money by entertainment or otherwise on each of the ensuing twelve months. A programme was drawn up which has been carried out in so far as it was possible during the year, resulting in the Annual Membership Drive:

2 Variety Shows	May, Oct.
A Tag Day	August
The Bazaar	August
3 Benefit Bridges	Nov Jan, Mar.

The total receipts from the above are \$3012.18. Of this money, part has been spent for the purchase of equipment for the Hospital, part for the purchase of silver and dishes to be used by the Ladies Hospital Aid at the Bazaar and Bridges, and the remainder has gone into the regular funds of the Hospital Board.

At the present time there is a balance of \$80.56 to our credit with all bills paid. During the year the interest in the meetings has been fairly well sustained, there having been an average attendance of 11.6 for the twelve meetings, 17 being the largest number present at one time. Of these many are very faithful in their attendance but we may hope that their number will be added unto so that during the coming year we may have a great exuberant present at our meetings, together with an even greater measure of success along every line.

L. M. WARNE,
Rec. Secy.

Weymouth

Mrs. Addie Moore who has been visiting relatives at Bear River for the last two weeks has returned.

The Ladies Aid of the United Church of Canada met at the home of Mrs. Ephraim Gates on Monday evening.

Mr. and Mrs. H. S. Hoyt, accompanied by Mrs. Addie Moore, motored to Digby on Saturday.

Mrs. W. Turner of Middleton is spending a few days with her daughter, Mrs. A. G. Pentz.

Rev. A. Pentz, accompanied by his mother, Mrs. Annie Pentz, left Tuesday morning on a motor trip to Shelburne.

Mr. and Mrs. J. F. Blagdon and daughter Grace, who have been spending the winter months at Halifax, have returned to their residence here.

The Weymouth North C.G.I.T. group presented an interesting missionary midget play entitled "The Pill Bottle" on Tuesday evening at the Weymouth North Guild Room under the direction of their leader, Mrs. M. B. Whitman. Solos and duets were delightfully rendered during the intermissions. A large number attended and a goodly sum was realized.

M. C. Foster, inspector of schools in this district is making his annual visit.

CARD OF THANKS

Mr. Ralph Baxter wishes to thank all those who were so kind to him and his family during his illness at the Digby Hospital. Mr. Baxter is home now under the skillful hand of Dr. DuVernet and good attention at the Digby Hospital. Mr. Baxter, in a few weeks, expects to be at his work at the canning factory in the South end.

Dean Lloyd Gave Interesting Lecture on Pre-War Russia

"The Story of Pre-War Russia," an unusually interesting topic, most interestingly presented and carrying its theme through all the contributory factors which had a part in the forming of the Russian National life, was the subject matter of the lecture presented by Rev. Dean Lloyd at the University Extension Course lecture at the Court House on Tuesday evening.

Mayor Lynch presided, introducing the speaker and an excellent attendance heard a most interesting address on a subject of exceptional interest.

The Dean spoke from experience gained during a visit through Russia following his graduation from the University of Berlin, at which he had made a study of Russian history and economics and from study of this subject. The effect of racial distinctions, curious delineation of east between the Finnish, Slavic and Tartar components of the Russian nation; of geographical and climatic influence, and of religious training and beliefs upon characteristics of the people were most clearly pictured, the effect being traced to the cause, and the result of those influences upon the literature, and life of the nation, and upon the whole of civilization were plainly portrayed in language which was as beautiful and appropriate as could be. For an hour and a half the Dean carried his hearers from one aspect of the Russian national life to another, from the beauty and grandeur of its literature to the extravagance of its art in decoration of its places of worship, from the habits of its bourgeoisie and its aristocracy with their racial and racial characteristics to the portrayal of the poverty and meanness of its peasantry. The extraordinary place which Russian literature holds in the literature of the world was particularly emphasized and by quoting from translations of Russian poetry, folk lore and popular song the lecturer most clearly interpreted the ever changing moods and characteristics of the Russian people.

Inextricable intermingled in the theme were references to the present political conditions in present day Russia, conditions which were the natural result of the mental unbalance of a people too gifted with poetic and sentimental imaginations tendencies in which lie the hope of Russia's reorganization under constitutional government and the restoring of her national balance.

Rev. William Driffield, rector of Trinity Church and Rev. F. E. Bishop, pastor of the United Baptist Church joined in moving a vote of thanks to the lecturer for a most interesting and instructive address. The mover expressed the hope of the gathering that the Dean had recovered from the accident which necessitated changing the original date set for the lecture and ventured the opinion that the lecture heard came as a climax to a course of value from an educational standpoint.

Arleux in Port

The Canadian fisheries protection stowager, Arleux, Captain Cousins was a visitor in port this week, arriving on Tuesday. The Arleux has been engaged in ice breaking service during the winter and soon goes into Halifax for overhauling and inspection. Captain Cousins, his officers and crew are forward to visiting Digby on July first to take part in the celebration.

Missionaries Ordered to Leave Honan

Press dispatches contain information from China that the British Consul has ordered missionaries to leave Honan to return to their headquarters a precautionary measure. Bishop White and Rev. C. A. Andrews, located at Honan will remain at their post for the present.

Among the missionaries located at Honan are several Canadians, Miss Mary Peters, sister of Mrs. DuVernet, Dr. Catherine Travis, of Hampton, New Brunswick and Miss Helen Bailey, of St. John, are among the number.

MEMORIAM

In Loving Memory of Mary Alice Bell, who passed to her Heavenly Home April 11, 1925.

Safe in the arms of Jesus. Safe on his gentle breast, There by his love o'er shaded, Sweetly my soul shall rest. Hark! 'tis the voice of angels, Borne in a song to me. Over the fields of glory, Over the Jasper sea.

Safe in the arms of Jesus, Safe from the world's temptations, Sin cannot harm me there. Free from the blight of sorrow. Free from my doubts and fears. Only a few more trials, Only a few more tears.

Jesus, my dear refuge, Jesus has died for me, Firm on the Rock of Ages, Ever my trust shall be. Here let me wait in patience, Wait till the night is o'er, Wait till I see the morning, Break on the golden shore.

Lovingly remembered by her sorrowing husband. —oo—

In Loving Memory of my little boy, Francis Harley Uhlman, who departed this life April 15, 1926 at North Range at the early age of 6 years, 11 months and 11 days, of tubercular spinal meningitis, after an illness of 11 days. Son of George and Lydia Uhlman. One lonely year has flown since to the Great Unknown Thy spirit Red. We see the empty chair, we miss thee everywhere. Our dear little Harlie.

Also in memory of my dear father, Cornelius Cook of North Range, who departed this life June 2nd, 1916, at the age of 62, after an illness of several months.

Also dear brother Albert Cook who departed the preceding November 2nd at the age of 30 years.

Blessed are the dead that die in the Lord, They rest from their labors with Christ.

CARD OF THANKS

The Field Comforts Club wish to thank Mrs. David Ellis for the nice reading lamp donated to their room in the Digby Hospital.

Firemen Recommend Electric Alarm System

A special meeting of the Digby Fire Company, at which attended the fire committee of the Town Council, was held on Monday night to consider installation of a proper fire alarm.

The meeting was ordered at the regular monthly meeting of the Company, held a week ago at which reorganization of the fire alarm system was discussed. At this meeting discussion centered upon the selection of an electrical operated central alarm, connected to a series of signal boxes, and the secretary was instructed to call a special meeting for Monday night next and to advise the Fire Committee of the Town Council, to attend.

The necessity of modern transportation for the fire apparatus was touched upon in the discussions, it being pointed out that through there was a hose reel with in two blocks of the Warne fire the central apparatus arrived on the scene as quickly as the South end section. The use of the town motor truck on this occasion enabled the equipment to make a quick run.

In this connection it seems reasonable to suggest that the truck be held at the fire hall at all times when not in use. The streets superintendent could walk home nights.

These views were presented to the committee of the Council who expressed themselves as impressed with the need, and promised consideration by the Council. A representative of the Northern Electric Company was in attendance and discussed various systems of a signal installation, each with its advantages.

NEW SILK LINGERIE FOR EASTER AT WRIGHT'S

will be rendered by a COMBINED CHOIR from the Anglican, Baptist and United Churches in the

BAPTIST CHURCH TUESDAY, APRIL 19

Miss Edith Titus, Organist. Mr. Alfred Boden Conductor. Proceeds to be divided between the three churches.

Dr. Read's Brother Died in Hamilton, N. Y.

Dr. W. F. Read returned on Tuesday from Hamilton, New York, where he attended the funeral of his brother, the late Dr. Melburn Stuart Read, Vice Principal of Colgate University, whose death occurred at Hamilton on Monday, April 4th, being due to heart failure, brought on by over exertion and inhaling of smoke while fighting a brush fire which threatened his home.

Born in Berwick, N. S., September 27, 1869, the son of Rev. Elihu O., and Margaret Catherine Parker Read. Dr. Read was graduated from Acadia College in 1891, and pursued graduate studies at Cornell from 1892 to 1895, receiving the degree of Doctor of Philosophy in 1895. He was Principal of the Wolfville, N. S., High School for one year, 1891-92.

Dr. Read was appointed associate professor of philosophy at Colgate in 1895 and was promoted to Professor and head of the department in 1900, serving until his death.

He was a member of the American Association for the Advancement of Science, American Psychological Association and American Philosophical Association. He was the author of introductory psychology in 1911, and English evolutionary ethics, 1922. His wife, Caroline Mott Read, whom he married in 1900, survives.

Many brands of ORANGE PEKOE TEA have been put on the market since the original MORSE'S SELECTED ORANGE PEKOE won its reputation for richness of flavor. But it is a mistake to imagine that the mere adoption of the term "ORANGE PEKOE" guarantees the same quality as MORSE'S.

Weymouth

The W. A. Tea of St. Thomas' Church was held at the home of Mrs. Judge Grieson on Wednesday last. In spite of the stormy weather a large number were present including several from Dartmouth and Brighton and a delightful repast was served.

Robert Brooks who has been spending the last few weeks with relatives at Smiths Cove has returned home.

The three thousand ton Danish steamer "Samaria" is completing its cargo of pulp at the wharf here.

Harry Talbot of Boston, Mass. is spending a few days with Mr. and Mrs. Harley Johns.

Mr. and Mrs. W. G. Blackadar and daughter Marion, motored to Digby on Tuesday.

Mrs. Forbes Jones, and daughter Marie of Weymouth, Maine, are spending a few days with Mr. and Mrs. W. F. Journey.

Miss Mae Earle and Miss Geraldine E. teachers of Weymouth School are spending the Easter holidays with their parents at Yarmouth and Port Maitland.

Death of O'd Stage Coach Driver of Digby

The funeral was held yesterday, Rev. William Driffield, of Trinity church, reading the Offices of Burial, of Charles Winchester, aged resident of Digby, who died on Monday in his 88th year at the home of his son, Stewart Winchester, with whom he lived.

Mr. Winchester was one of the old originals. Born at Smith's Cove, on September third, 1839, to Charles Winchester and his wife Maria Hopely. Mr. Winchester lived all his life in Nova Scotia. His father was ferryman across the Bear River at Victoria bridge, and the son, reaching manhood drove the mails from the ferry to Digby. He also drove stage coach between Digby and Shelburne. Before the coming of the railway he took the contract of conveying the mails between the St. John boat and the post office and has had the contract for fifty years.

Mr. Winchester was married three times. His first wife was Miss Amelia Smyth, by whom he had three children, W.S. Winchester, Express messenger of Digby, Mrs. E.B. DeShon, Mrs. Frank Davis, of Lynn, and Mrs. Joseph Johnson, residing in Illinois.

His second wife was Miss Alma Everett, who bore him three sons and one daughter, of these the only survivor is Angus, now in New Westminster.

His third wife was the Widow Blackford, who bore four sons, Charles in Connecticut, Stewart, Digby, Burkett, of the St. John Postal service, and Joseph, who died overseas, killed in action.

Mr. C. C. Nicholls, Funeral Director of Yarmouth, had charge of the preparations for burial.

Miss Marion Hoop who is attending Edgely School, Windsor, returned on Tuesday after spending a week with her parents, Mr. and Mrs. Frank Hoop.

Miss Grace Fountain spent the week end in Halifax returning Monday.

Burgess VanTassel who has been spending several weeks here visiting his parents, has returned to the United States for the summer.

Michael McKinnon has resumed his position with Harris and Silver Weymouth for the summer.

Mrs. Arthur Casey and daughter Dorothy returned home on Tuesday from Boston where they have been visiting friends.

Principal Swim Goes Back on The Job

Principal Swim, discharged by the School Board as incompetent, was reinstated in his duties at a special meeting of the Board held last Saturday night.

The meeting was attended by a number of parents, mostly ladies, who expressed themselves as satisfied with Mr. Swim's ability as an instructor and disciplinarian, and objected to a change of teacher at this stage of the school year.

After hearing a statement of Mr. Swim's side of the case and cross examining him on various points, the Board decided to accede to the request of the citizens, reversing their resolution of dismissal.

Mrs. Frank Hayden has returned home after spending a few weeks visiting relatives in Boston and suburbs.

Mrs. Wiley Ross of Yarmouth, who has been visiting Mrs. Alex Ross, Culloden, has returned to her home.

CHILD DRESSES AND REVERS AT WRIGHT'S.

Dr. H. J. Fisher and J. W. Rice, of Weymouth, were in town Monday on business.

MENS TWO PANT SUITS AT WRIGHT'S.

Mr. and Mrs. A. T. Spurr who have been spending the winter in Florida have returned home.

Arleux Sent To Search For Missing Seamen

The steamer Arleux, Captain Cousins, which has been in Digby for a week was on Monday morning ordered out to search the ocean off the south shore for trace of twelve missing seamen, crew of the American steamer Commonwealth, destroyed by fire last Friday night.

The Commonwealth was in collision and in some way the engine room caught fire. How, may never be known, because the engineer is among the missing. While part of the crew remained to fight the flames, others took to the boats, and these are missing. No word of them has been received.

The Arleux will go in for repairs after completing her present job and may be here for Dominion Day.

Left for Toronto

W.H. Farnham left on Monday on a visit to Toronto. Mrs. Farnham accompanied him as far as St. Stephen, where she will spend Easter with her daughters, Mrs. J. W. Christie and Miss Eileen Farnham.

Miss Chisholm has just received a new lot of Easter Hats both in Straw and Silk. The latest in styles and colors.

ROBERT C. MILLS
Managing Editor

FRIDAY APRIL 15, 1927

A Matter of Latitude

Students of the characteristics of people and nations tell us that mankind is a creature of environment; that hot tempered, swift passioned, and impulsive people are those who live in warm latitudes. The temperate zones breed a temperate people, people of mature judgment, of ability to study cause and effect, of temperate habits and serene mind. Whatever academic theorising may do to controvert or support such analysis of humanity the people of Nova Scotia and New Brunswick have been presented with evidence for the affirmative, which, if Darwin could have so ably supported his theory of man's progression from the monkey stage would have relieved certain States of the Union considerable notoriety.

In the province of Nova Scotia this spring, in the latitude of about 44 degrees North, the government, having an overwhelming majority of supporters, shelved a proposal to legalize the government sale of alcoholic stimulants.

Now Fred, fiction is further North, and lately the government of the province of New Brunswick, in session in that city, has taken action similar to that proposed for the Province of Nova Scotia. Oppon-

ents of the New Brunswick government used the tactics and theories adopted by the government side in the Nova Scotia Legislature. They said that the government was not justified in providing for government control; that the people had not been consulted, that no one wanted government sale of liquor anyway. Premier Baxter, on the other hand, decided that his government had been instructed and authorized to take such measures as were deemed to be in the public interest, and that the government in promoting measures to provide for government control has in mind the development of the resources of the province as a tourist Mecca is most apparent in the light of the high prices paid only last week for salmon fishing privileges in various parts of that province. Tourists, it seems want certain things, they want sport, relaxation from daily care and toil, and above all want their comfort and those things which assure enjoyment of their holidays. In New Brunswick it is possible for men of means to secure on yearly lease restricted areas of fishing grounds for their private entertainment. In New Brunswick, when the government's liquor control goes into effect, it will be possible for men and women too, to secure such beverages as they desire without subterfuge, back alley negotiation or misuse of public regulations. There will be no more liquor drunk in New Brunswick than there is today, it is safe to say, but those who drink it will not be under stigma of supporting an organized violation of the laws of the country and may take their ease secure in the knowledge that they in drinking are not outside the law.

It is not necessary nor is it profitable to discuss the fate of the Nova Scotia Liquor Control Bill. It was defeated without division, and there are those who say that they had a division been forced the bill would have been passed.

Keeping Him Busy

As perhaps you know, every time a new subscription comes in for the Courier it is necessary to set up the new address in type and insert it in its proper place in the mailing galleys. It is a piece of work we like to do a lot of, and these days it has kept us pretty busy. The operator in charge of that work says it isn't a bit of use trying to keep his mailing list changes hook clear because every time he gets it all cleaned up the mail brings another batch of new addresses and renewals, until he thinks the best thing to do is to start all over again. Part of three different days last week were used to set up names

Would you buy canned goods that bore no label? Would you buy an automobile of unknown make, no matter how cheap? Nobody would be so foolish.

You get to trust a name or a label just as you get to trust a man, through satisfactory and honest dealings. That is why kitchen and household utensils bearing the SMP label are bought without question by millions of Canadians. The shield-shaped green and red SMP trademark is a guarantee of full value and best quality. The firm behind SMP goods is

THE SHEET METAL PRODUCTS CO., LIMITED

MAIL CONTRACT

SEALED TENDERS addressed to the Postmaster General, will be received at Ottawa until noon, on Friday, the 6th May for the conveyance of His Majesty's Mails twelve times per week between

WEYMOUTH NORTH P.O. AND WEYMOUTH RY. STATION

under a proposed contract for a period not to exceed four years, dating from the 1st July, next.

Printed notices containing further information as to conditions of proposed Contract may be seen and blank forms of TENDER may be obtained at the Post Office at Weymouth and at the office of the undersigned.

W. E. MACLELLAN

District Superintendent of Postal Service DISTRICT SUPERINTENDENT'S OFFICE Halifax, 23rd March, 1927. pl 1, 8, 15

for the mailing list. Monday it took four hours to make the changes, Tuesday an hour and a half, Wednesday another little bit and Thursday morning, just when we were the busiest the mailing clerk wanted new proofs with some more changes made.

It certainly is great the way the new subscriptions are coming in. More than twice as many last month as there were in February, and this month already half as many as there were in all last month. Several correspondents wrote to say their receipt books had not arrived, but they were waiting for them in order to send in names of subscribers they had in prospect. That is the real spirit! That is the spirit that is going to make us get out the best newspaper we know how, and a little better than that, and if all our correspondents will

make a point of sending in a few names each week there isn't going to be a great deal of time elapse before we have the five hundred new subscribers we set out to get.

When we have those we will be able to talk increase in size and make a try at eight pages a week. Meantime we do the best we can. There are not many inches of "filling" get into the Courier these days. Every line, almost, is news of interest to all in the territory which the paper serves. "Your paper is so much better" is a common phrase in the letters we get every day. The last is from a lady in Virginia. She "had intended stopping the paper, but your paper is so much better that I am glad to send in my renewal subscription."

This month should be a record breaker in new subscriptions. If you like the paper send it to a friend. \$2.00 pays for it for a year to any address in Canada, and when remitting instruct us to pay commission to the correspondent in your district who is helping us to make the paper newsy.

Roasting The Goose That Lays The Golden Egg

To kill the goose that lays the golden egg has passed into a proverb for foolishness, and yet we, patriotic and intelligent Canadians, are doing that very thing in allowing our forests to be burned to death. We are doing even worse than the people of the proverb, for they at least had one dish of roast goose, however costly, but our "roast" forests provide not a single meal for any human being. Presumably the man of the proverb did not injure the remainder of his flock, but we in burning our forests singe the Agricultural goose, that lays the largest golden egg of all, and we injure beyond calculation those other producers of golden eggs, Manufacturing, Transportation, Banking and Commerce, the Fur Trade, and Tourist Traffic. And the worst of it is that we do not commit this crime because of any foolish theory about the source of the golden eggs. We do it, or permit it to be done, simply because we do not think. As the poet truly says:

"Evil is wrought by want of thought As well as want of heart".

Our second greatest natural resource is not only in danger; it is actually burning up before our eyes. Our foresters, lumbermen, railway executives, bankers and leading men in every walk of life are calling aloud to arouse us to the situation.

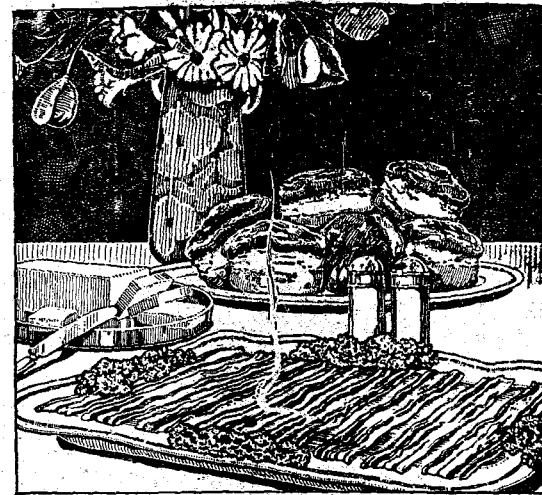

"What can we do about it?" you ask. Everything! We can stop forest fires now, and by a little protection and attention, we can have our singed geese put forth new feathers and lay more and larger golden eggs next year than ever before, and keep on doing it as long as grass grows and water runs.

"And how shall we do this?"

Just the same way as we stopped prairie fires in settled districts by the force of public opinion. When every man, woman and child in Canada, not only those who live in and near the forested areas but those on farms and in villages and towns and cities far away from the forests—yes, if even thirty per cent of the people of Canada decide in their own minds that forest fires must cease, fires will be cut in two this year and will virtually stop next year. Small accidental fires there will be from time to time just as there are in a city, but the old and costly fallacy of forest fires as a dispensation of Providence will be gone forever.

"And when will this come?"

Just as soon as a majority or even a small minority determine to do their part in this matter. April 24 to 30 is Canadian Forest Week and a little earnest thought, a little getting together and talking with fellow citizens and a light touch and school children, will turn the scale

Had Visit From Mr. Peters

A subscriber of the Courier, Mr. K. Hughes, of Vancouver, B. C., in remitting his renewal to the paper says that Mr. J. L. Peters who is who is visiting in British Columbia, had paid him a visit a short time ago.

Mr. Peters has been rounding up the "Digby Chickens" located in the West and Mr. Hughes was surprised to find that several of his acquaintances belonged right down in this County. At a social gathering of all the Digbyites recently Mr. Peters was able to entertain, regaling the company with anecdotes in which their relatives, back east had prominent part. Mr. Hughes is a member of the Consolidated Exporters Corporation.

NASH

Leads the World in Motor Car Value

Special Six
Special Sedan
\$2310
fully equipped
Delivered

A More Distinctive Style in Motor Cars—Achieved by Nash

For those who hope to find their cars at the very peak of style and luxury, Nash has created this charming Special Sedan on the Special Six Chassis.

Its graceful profile suggests the custom-car design of Parisian boulevards. Here is the low-swung French-profile effect so desirable today.

Every interior detail is luxurious. The upholstery is tailored in exquisite Mohair Velvet. Window mouldings, door panels and instrument board are in walnut finish. And there is a walnut steering wheel.

And the way this car performs is every bit as enjoyable as its sparkling style.

It has the Nash 7-bearing motor—as do all Nash models—for superlative smoothness at every speed.

It has the Nash tubular-trussed frame, for extra strength and steadiness, to guard the body from destructive strains.

And it has power! Nash models, all of them, have extra power for exhilarating acceleration, on the hills, and in the traffic.

Compare this car to others sold at this surprisingly moderate price and you cannot fail to decide you would rather have the Nash.

Sacred Cantata-The Easter Victory

The Cantata is a short choral composition in the manner of an Oratorio. Where a large choir and capable orchestra is not available, lovers of music, with their limited resources find pleasure in attempting the presentation of a work which though falling far short of the great masterpiece of Handel, Haydn, Mozart and Mendelssohn yet contains within itself the elements that make the Oratorio the ideal choral composition.

The Oratorio has for its text the biblical language without alteration, whilst the sacred Cantata has characteristic

descriptions of incidents largely, if not altogether based on scripture. The words of the Easter Victory are by Rene Bruger and portray the events immediately following the crucifixion of Our Saviour and with poetic license intimate the universal blessings accruing through the great accomplishment of the resurrection, and ends with "God's great Love is shining o'er all the world."

The music by H. W. Petrie is somewhat difficult and calculated to test the quality of soloist and choir. It is well adapted to the words, and contains many passages that enable singers to interpret the more with effectiveness.

The opening chorus "Dawn after Darkness" begins in the minor mode, is follow-

ed immediately by the brighter vision of the Dawn and gives the intent and scheme of the work.

The plaintive duet "We need Thee" is full of yearning and pleading; "He sleeps" is descriptive of the peaceful slumber of the tomb, whilst the marching of the Roman soldiers is heard; the finish of this number gives an opportunity for the choir to show its subdued tonal qualities.

"Fear ye not" is a Tenor solo calling for great care in its rendition, with a crescendo in which the full harmony of the organ largely adds to the effect.

Lighter in character is the Soprano solo "Angels rolled the stone away" with a confident chorus and obligato.

Then follows "Morn of Joy" for women's voices—solo, duet and trio which is fittingly appreciative of the joyous welcome the women watchers gave to the Dawn of the Easter Day, though the sadness that was theirs is recognized and emphasized; the relief they felt finds expression in exquisite song in which the deeper tones of the altos are prominent. This is a most pleasing number.

The Contralto solo "The Cross" is a slow, expressive movement and preludes a Bass solo "Open wide the gates of Paradise" with a big range and plenty of scope and power, and the chorus accompanying the Obligato makes one of the telling numbers of the work, the sustained notes of the Solo being in striking contrast to the staccato of the chorus.

The Soprano solo "Earth and Heaven rejoice" a movement with distinctive accompaniment also has a decided range and finishes very confidently.

"If ye believe" a Bass solo in the minor mode calls for precision of time and tone and is followed by a short jubilant chorus, and a Tenor solo introducing the title has a pleasing melody afterwards repeated by the choir in full harmony; if this unaccompanied the full effect of choral singing is heard, and becomes a test to the accuracy of the choir in maintaining pitch.

The penultimate number is confined to four voices, and comprises a Bass solo, Soprano and Alto duet, Alto and Tenor duet and Quartet. It begins with an impressive movement of strength and character and paves the way for the duos of great beauty and sweetness. These are followed by a quartet, musical and intricate and full of possibilities—in fact the whole number lends itself to an interpretation that should be very appealing and satisfying.

The cantata concludes with God's great Love a chorus of broad declaration, swart attack and staccato undertones, and a triumphant finish, in which some of the parts double, and the Tenor and Soprano supply an obligato most telling, adding to the brilliant finale of the Easter Victory, with the full volume of choir and organ. It is a fitting termination to an agreeable composition.

Weymouth North

The W. M. A. S. met with Mrs. Sadie Mullen on Wednesday.

The 3,300 ton Danish steamer "Sarmatia" arrived Wednesday and is loading a cargo of pulp for Aberdeen, Scotland.

Mrs. Charles Grant who spent the winter in Annapolis the guest of her sister, Mrs. B. Hardwick and Mr. Hardwick has returned to her home here.

The Willing Workers Sewing Circle met at the home of the president Mrs. H. M. Mullen on Monday evening.

Robert Newcomb spent a few days last week in New Tuxedo.

Ralph Mullen and family who have been living in Digby during the past winter have moved back to their home here.

A serious accident occurred on the Clyde and Sissiboo Pulp Company's pier here on Saturday when James Melanson of Ashmore, one of the men employed loading the Danish steamer "Sarmatia" was hit by a sling of pulp and pinned between it and the top of the hatch. Medical aid was at once summoned and the injured man rushed to his home. The latest report is that he is doing as well as could be expected.

"The Pill Bottle" a medical missionary play was given Tuesday evening, April 14 in the Guild Hall by the "Pathfinders" C. G. I. T. under the direction of Mrs. M. B. Whitman, Lender. Two or three of the actresses displayed unusual dramatic ability and all parts were creditably taken by the entire cast which was as follows:

Barbara Lane—Kathleen Fitzgerald
College Girls—Lillian Doty, Helen Shortlife and Dorothy Coggins
Mrs. Lane—Mrs. Arnold Lent
Dr. Lane—Donald Ellwell
Hindu Husband—Greta Journey, Willis Mullen and Dorothy Thurber

Patients—Francis Lent, Gwendolyn Titus, Dorothy Thurber, Evelyn Hill, Greta Journey, Dorothy Coggins, Isabel Solows, Mary Tooker, Mrs. A. Lent

Outcast woman—Lillian Doty
Bible woman—Helen Shortlife

Mrs. F. W. Lent was accompanied for the evening and the following musical numbers were much enjoyed.

Solo—India, O India, by Luella Hogan

Duet—Florence Sabin, Mary Hankinson

Quartet—Mary Hankinson, Florence Sabin, Milton Sabine and M.B. Whitman
Francis Lent and Evelyn Hill dressed as nurses, distributing cardboard programs in the shape of pill bottles. The large audience received the entertainment most enthusiastically and the sum of \$28.00 was realized.

Agricultural Demonstration Train Will Make Three Stops in Digby Co.

The Agricultural Demonstration Train, to be operated by the Nova Scotia Department of Agriculture in conjunction with the Federal department and the various railways, as was done last year, will stop at three points in Digby County, instead of one as last year. On recommendation of Mr. W. H. Farnham, M. P., the department has arranged the train schedule to provide for stops at Bear River station, Digby and North Range, in order to give every possible opportunity for agriculturists to visit the train without undue loss of time from their work or unnecessary expense.

Last year the train stopped at Annapolis only.

As soon as the dates of the train schedule are announced the merchants of Digby will make preparations to make its stop in Digby a specially attractive day for visiting the shire town.

Tyro Division No. 145, Sons of Temperance, Westport Reorganized

Tyro Division No. 145, Sons of Temperance, Westport, was reorganized on Tuesday evening by Provincial Organizer R. H. Ward. This Division was organized in 1858 but for the past four years has been dormant. It now starts in the work again with a good membership, and a zealous spirit.

The following are the officers elected to guide the good ship "Tyro" for the current term:

W. P. William A. Pugh
W. A. Mrs. Charles Gower
R. S. Miss Blanche Hicks
A. R. S. Mrs. Randolph Gower
F. S. Mrs. Frank Cousins
Treas. Mrs. Elsie Buckman
Chaplain Mrs. Walter Titus
Cond. Gordon Gower
A. C. Miss L. V. Bailey
I. S. Mrs. Charles Pugh
O. S. Lawrence Shaw
P. W. P. Edward Cousins
S. N. P. W. Miss Rosina Cousins

Culloden

Harry Bain of Mt Pleasant spent Sunday with his brother, Willis Bain.

Mrs. Alex Ross is visiting friends and relatives in Yarmouth.

Mrs. James Collins of Digby spent Sunday with her sister, Mrs. Emdon Stark.

Dame Rumour says wedding bells will soon be ringing in this place.

Miss Kate Vantassel of Mt. Pleasant called on Mrs. James Handsaker on Monday.

Three reels of demonstration motion pictures, two interesting sales talks by Mr. Berry, Assistant Manager of the Ford Distributors, at St John and Mr. Rogers, Service Manager, will be on the programme of the Ford Exhibition to be staged at the B. J. Dream Theatre Digby and the Community Theatre Weymouth, on two evenings next week by Messrs. Harris and Silver, Ford dealers for Digby

Feels Better In Every Way And Is Stronger

That's Why Mr. F. Hartman Says Use Dodd's Kidney Pills

Alberta Man Suffered With Weak Kidneys and Found Dodd's Kidney Pills Very Helpful.

Fries, Alta. April 11 (Special) I have found your Dodd's Kidney Pills very helpful for my kidneys, states Mr. Fred Hartman, a well known and highly respected resident of this place. "I used to have a weak back and since using your Pills I feel better in every way and am lots stronger. I used to have bad spells and would feel miserable all over. As soon as I started taking your Dodd's Kidney Pills I felt better."

It is astounding how many people go on suffering day after day with aches and pains, rheumatism and backaches. They suffer because they are not aware of the fact that they can get relief. Strengthen the kidneys which are the source of the trouble and these pains vanish. Dodd's Kidney Pills act directly on the kidneys. They heal and strengthen them so that they do their full work of straining all the impurities out of the blood.

Obituary

(Liverpool Advance, April 6, 1927.)

MINNIE JANE HARDY

The death occurred at her home at Milton, Queens Co., on March 22nd of Minnie Jane widow of the late George H. Hardy who predeceased her six years ago. The deceased was seventy-nine years and eight months of age and was a native of Brighton, Digby Co., and a daughter of the late Jacob and Louisa Grafton of that place. In her early life she professed faith in Christ as her Saviour and was baptized by the late Rev. Charles Randall whose memory she always cherished. After marriage she united with the Baptist Church at Smith's Cove and after moving to Liverpool thirty seven years ago, she transferred her membership to the Liverpool Baptist Church and was always a devoted Christian and an active worker in every good cause as long as health permitted. For about twenty years she had been denied the privilege of meeting with God's people in the sanctuary but her deep interest in the Kingdom never wavered and she had

the privilege of reading her Bible and going to God in prayer. The last five months of her life was spent in bed with intense sufferings owing to the nature of the disease and thus death came as a happy release for she longed for rest and to meet the loved ones who had passed on before. She leaves one son, Clifford G., of Saskatchewan, one daughter, Mrs. Alberta Mosher, who had tenderly cared for her during her last illness, two sisters, Mrs. Emma Trevis, of New Bedford, Mass., Mrs. George A. Coleman, Brighton, Digby Co., six grandchildren, Clayton C. Kempton, Halifax; Avery L. Kempton, Harding, Mass.; Clyde C. Kempton, Saskatchewan; Mrs. K. E. Harton, Readville, Mass.; Miss June Kempton, Hartford, Conn.; Mrs. E. J. Ebel, Newton, Mass., and many other relatives and friends. One daughter predeceased her seven years ago. Funeral took place on Sunday afternoon March 27th, from her late home, the services being conducted by her pastor, Rev. J. D. Spidell, of Liverpool Baptist Church, assisted by Rev. C. W. Cook, of Milton. The pall bearers were Messrs F. B. Shields, Charles Beals, Frank Cole, Barnabas Seldon. Interment was made in the Milton Cemetery beside the remains of her late husband.

PREVENT FOREST FIRES

You May Lose Your Job If Forest Fires Continue Unchecked

Hundreds of thousands of Canadian men and women depend upon the forests for their livelihood. You may be one of them.

A lighted match, a cigarette butt, thrown down carelessly in the woods, or a campfire left smouldering, may cost you your job. It is up to you; be careful of fire when in the woods.

CHARLES STEWART
Minister of the Interior.

Save Your Forests

Old Methods Give Way To New

Messrs. Harris & Silver, local dealers for Gutta Percha & Rubber Limited, when interviewed today advised they have just received their first spring shipment of the new construction "Gutta Percha" tires and in conversation with Mr. Harris he states this progressive firm of Canadian Manufacturers have recently placed on the market an automobile tire having impressive advantages in construction, which are featured not only in the full range of Balloon Covers, but the four other popular cord treads, viz: Paragon, Cross, GP. and Express type.

These tires have already created a sensational and favorable impression throughout Canada, and Messrs. Harris & Silver consider themselves fortunate in having the exclusive agency for this line of tires in Weymouth and vicinity.

Recent capital will develop the only known blue tale deposits in Canada, the bed located about ten miles southwest of Banff. A private company, adequately financed, has been organized, and it is said that development operations will begin at once. White tale deposits are also found in association with the blue tale.

To replenish depleted British Columbia herds a carload of mountain sheep from the Banff National Park and another of elk from the Watnsworth Park are being brought in to the province and will be released in the mountains near Spence's Bridge, according to M. B. Jackson, chairman of the Provincial Game Conservation Board.

In order to establish a model settlement just outside Winnipeg, a party of Catholic colonists sailed on the Canadian Pacific liner "Marloch" for Saint John and reached Winnipeg in charge of Father Keindorf, of the German Catholic Immigration Association. The party consisted of about 30 families and came under the direction of the Canada Colonization Association.

Included in the programme of new construction in the Manitoba district of the Canadian Pacific Railway is the building of new standard station houses to be located at Upsala, Toulon, Peterfield, Kemnay, Alameda, Pettapiece and Dominion City. New section houses will be built at sixteen points in the Manitoba district while a mechanically operated coaling plant with a capacity of 100 tons will be built at Poplar Point.

Saint John Nelson Christananda, describing himself as a Christian Apostolic Preacher, and originating from Southern India, arrived in Canada recently on the Canadian Pacific liner "Montrose" from England. He is a "Sadhu" which translated signifies a Saint and is conducting a short mission of about two months in Canada. Mr. Christananda stated that he had been preaching through Europe and had visited about twenty countries on that continent. His creed, he asserted, associated with all Christian churches without being bound down by any dogmas. He said he was welcomed by all religious organizations.

No matter what the weather is Brown will be in Town on Thursday, April 28th. "Brown's In Town" is the funniest of funny comedies, a laugh every line, and an ambitious thing for amateurs to tackle. It is for the benefit of the Hospital, so of course it will be good.

Deep Book

Mrs. Mary Lowe, of Clementsport, spent last week the guest of Mr. and Mrs. Wm. Vroom.

Mrs. Alice Bell is visiting her sister, Mrs. J. N. Berry, of Clementsport.

Mr. and Mrs. Aubrey Sanford and little son, of Torbrook, are guests of Mrs. Sanford's parents, Mr. and Mrs. J. R. Berry.

Rev. W. C. Hiesler, of Canning, was the preacher at the Baptist Church on Sunday. An appreciative audience listened to a very able sermon.

Miss Clara M. Sulis spent a few days of last week in Bear River guest of her sister Mrs. B. C. Clarke.

The Maritime Electric Co., have started wiring the residence of Deep Brook.

St. Matthews Guild met on Tuesday evening with Mrs. Wallace Purdy.

The W. M. A. Society met on Wednesday April 6th with Mrs. Louise Clements. The Society, Mrs. Bessie McBride conducted a very interesting meeting.

Members and friends of the Deep Brook Baptist Church met at the home of Mr. and Mrs. Reginald Long on Saturday evening and presented Mrs. Long with a gift of money in appreciation of her services as organist at the church.

Belleisle

Miss Gladys W. Troup returned home on Sunday from a visit in Aylesford with her cousin, Mrs. Dr. M. P. Nichols.

Mrs. John H. Bent of Bridge-town spent last week with Mr. and Mrs. Joseph D. Bent.

Miss Flossie Kearns is spending Easter with friends in Nictaux West.

Miss Kathryn Fraser teacher at Berwick is spending the Easter holidays with her parents, Mr. and Mrs. Alex Fraser.

Mr. and Mrs. Elroy Bent and two children of Tupperville were recent guests of Harry H. Bent.

Mrs. Cora J. M. Parker returned home last week after visiting her sister Mrs. Wallace Covert Jr. at Karsdale.

Miss Edith Hudson teacher at Aylesford, Hants Co. is spending Easter with her parents Mr. and Mrs. A. L. Hudson.

Dr. Bezaous Aylesford was a Sunday guest at the home of Mr. and Mrs. Archie F. Troup.

The label on your copy of the Courier should show the date to which your subscription is paid. If it reads any time before April 1927 your subscription is in arrears or as may have happened, there is a mistake somewhere. Look at your label, see the month and year, and if not correct let us know.

Representative Doctors declared continued use of laxatives harmful

WHEN we found that eight doctors out of ten were recommending the Nujol type of treatment we asked them why. 28.6% said, "Because it is non-habit-forming." 26% said "it is a more natural method." 13% favored it "because it is not irritating." And so on down the line. We found doctors had innumerable reasons for preferring the Nujol type of treatment for the relief of constipation.

The other side of the story is shown by the following typical answers to the question: "Do you consider continued use of laxative

Sealed in a Package
"SALADA" TEA
retains all the goodness nature gives.

FARMERS SPEND \$3---CLEAR \$4

Nine hundred recent experiments in Nova Scotia and the States, with clover, roots, hay and grain, show that every \$3.00 spent for ground lime stone brings a net profit of \$4. On most soils it is impossible to grow clover without it.

It takes 20 tons of timothy a year to give a high producing cow the lime she needs. But only 3.2 tons of clover.

No wonder some dairymen are clearing only 7c an hour for their labor while the man next door gets as much as 75c.

Raise your Income Club with neighbors and get a carload lot of lime, landed at any station in Nova Scotia for \$4 a ton up to April 30th. The Eastern Lime Co., Windsor, and Kennedy & Porter, Shelburne, are large manufacturers. Names and addresses of others will be forwarded on application.

Write for interesting circular "Lime for Nova Scotia Farms."

Unlike Laxatives

Laxatives and cathartics act by irritating the intestinal tract. They cause cramps, colic, and sometimes the contents of the intestines and thus irritate the system of the drugs that pills and purgatives contain. Nujol acts entirely differently. It contains no drugs, no medicine. Its action is mechanical. It merely softens the dried waste matter in the intestines and lubricates the passage so that the muscles of the bowels can expel the waste matter regularly, naturally and thoroughly.

Nature-given Remedy
Nujol appeals to the medical man because it is a simple, scientific and safe remedy for constipation, no matter how severe the case may be. It is gentle in its action and pleasant to take. Children love it. Get a bottle of Nujol from your drugist today. Doctors advise it for constipation, whether chronic or temporary. Avoid substitutes.

Doctors Advise Nujol

Eight doctors out of every ten told us they were using the Nujol type of treatment in their practice in place of laxatives and for these reasons:

1. Nujol is non-habit-forming.
2. A more natural method.
3. A lubricant is better than a laxative.
4. Does not irritate the bowels.
5. Is not irritating.
6. Nujol gives lasting relief.

Corberie

Albert Melanson, of Gilbert's Cove, was visiting his brother Agoo over the week end.

Edgar C. Blinn left for Waverly, Mass. on Friday.

Pelix and Raymond Melanson have gone to Boston for an indefinite time.

Miss Emile Blinn, teacher at Doucetteville, is home with her parents to spend the Easter holidays.

Miss Ella O'Brien, who has been visiting friends and relatives at Weymouth and St. Bernard's returned home on Saturday.

Dr. Herbert J. Melanson, of Weymouth, spent Saturday night with his parents.

Miss Emma Melanson is spending the Easter holidays with her parents Mr. and Mrs. S. Melanson.

Benj. Gaudet attended the Court at Digby on the 12th.

The men are now busy driving their logs to Lombard's mill. Mr. Lombard will start sawing on Monday which will last during the summer months.

Louis H. Melanson accompanied by his friend Ephraim Gaudet, motored to Weymouth and returned on Thursday.

Anselme Lombard was to Weymouth on business on Monday.

Valerie Deveau, of Mar vilette, has purchased James' Melanson's oxen. While here Mr. Deveau was the welcomed guest of Louis Melanson.

Mrs. Edgar C. Blinn is spending a few days at her home at Wedgeport, Yr. Co.

Freeport

Curtis Prime was a passenger to Yarmouth via Keith Cann enroute to Boston where he has accepted a position. We wish him every success.

Ralph Teed was a passenger to New York to join a yacht.

Mr. and Mrs. Clair Whitteave have moved in their new home recently purchased from Mitchell Melanson, of Wallaceburg, Ont.

We are glad to report Charles Haimes who has been to St. John for treatment greatly improved in health.

The sad news was received here Friday of the death of Edward Moore, at the Sailors Snug Harbor, New York. He was formerly a resident of this place. He leaves to mourn one sister, Mrs. G. F. Teed of this place, an adopted brother, W. P. Moore, of Yarmouth, besides a large circle of relatives and friends. We extend our sympathy to the sister in her bereavement. He was 72 years of age.

Mr. and Mrs. E. B. Tibert called on friends here on Saturday, they were accompanied by their son Earl.

Mrs. F. H. Teed spent a few days in Tiverton last week.

Harlem

Miss Emma Gaudet of Havelock spent the week end with her friend in Harlem, Miss Margaret Beaudro.

A Basket Social was held in the Harlem School house on Tuesday evening April 5, the sum of \$20.10 was realized.

Miss Katie and Dora Mullen of Harlem spent a few days last week with their sister Mrs. Stephen Ford of Hassett.

Kenneth Smith spent the week end with his aunt and uncle, Mr. and Mrs. Charles Annis, Deep Brook.

Mr. Billie Sabin is on the sick list at time of writing.

Kenneth Smith and Hector Barr left on Tuesday for Wakefield, Mass. We wish them the best of luck.

The community of Harlem was greatly saddened when on the 29th of March little Marjorie Barr, aged 3 years, the third daughter of Mr. and Mrs. Stephen Barr passed away with pneumonia after an illness of three days. The child suffered considerably but bore it all with great patience. Many willing hands assisted all possible in caring for her but in spite of all she left us for a better land.

The funeral services were held on Friday April 1st, conducted by Rev. "Mr. Paine of Weymouth. Interment was in Southville Cemetery. The pall bearers were Margaret Beaudro, Dora Smith and Bertha and Dorothy Mullen.

To all who so kindly assisted during her sickness and have expressed words of sympathy, the family wishes to express their sincere thanks and appreciation. She leaves to mourn her father, mother, six brothers and two sisters.

Don't Forget

The annual Parish Tea held by the Ladies of Trinity Church will be held on Thursday evening, April 21st. Tea served from 5.30 to 7. Tea Tickets 35c.

The articles for the Missionary Bazaar will be on display at this tea.

Sandy Cove

On March 30th about eighteen Ladies met at the home of Mrs. E. H. Timpany to spend a pleasant hour with her, it being her 84 birthday and to leave her many tokens of remembrance and to present her with a purse of money. In spite of her 84 years Mrs. Timpany is enjoying fairly good health and does all her own house work also all her knitting and sewing and when the weather permits she often goes out to spend the afternoon with her neighbours and friends. We hope to spend many more happy birthdays with her.

Good Friday. It would not be real without Hot Cross Buns. Get them at Smallie's.

Westport

A. B. Crocker, of Portsmouth is the guest of his sister Mrs. Edgar McDormand.

Mr. and Mrs. Edward Cousins were passengers to Saint John Monday where Mrs. Cousins entered the Hospital for treatment. Mr. Cousins returned home Friday.

Miss Dorothy Thompson returned to Saint John Monday.

Mr. and Mrs. Francis Lent and son Earle have returned from Mt. Pleasant.

Miss Alice Cousins returned to Saint John Monday.

Harold Payson and son Russell were passengers to Saint John Monday.

Rev. H. H. Phinney is assisting Rev. Hamilton in the special work at Freeport. Mr. Farnham accompanied by Mrs. Farnham spent a few days in town Wednesday Mr. Farnham gave a temperance lecture in the I. O. O. F. hall. Thursday evening a meeting was held at which Ernest McDormand was elected to run the ferry between Westport and Meteghan.

The Ladies' Aid met at the home of Mrs. Freeman Welch Tuesday afternoon.

A number from Tiverton held a play "Out of Bondage" in the I. O. O. F. hall Monday evening.

Sunday afternoon the "Brighten the Corner Club" visited the "Mens Bible Class" at Freeport.

Sunday morning Rev. Hamilton and Rev. Phinney exchanged pulpits. Rev. Phinney preached at Freeport and Rev. Hamilton here.

On Thursday afternoon Austin and Leslie Carson, brothers, had a narrow escape from drowning. They had been down to the rock pulling their lobster traps, and while coming home in a thick snow storm, their boat was struck by a three masted schooner doing considerable damage to their boat which was a new one, only launched about four weeks ago. The damage happened to be mostly above the water line so they were able to reach land before dark. The Carson Brothers say had their boat been half the length behind the schooner, would have cut their boat in two as they did not see a thing until she struck their boat.

THE EASTER VICTORY

An Important Musical Event
In the Digby United
Baptist Church

A few comments by Paul Yates

Writing by request, I am free to express personal opinions which, may, or may not, meet the approval of the editor and his readers, and which certainly will not fully cover the subject. I am not writing as a musical critic to magnify defects, but as an average music-lover who appreciates every sincere effort to accomplish big things with limited material. Digby has no graduate musicians of the New England Conservatory, Kneller Hall, or the Eastman School, but it has abundant God-given talent, and its musicians evince a commendable desire to give the rest of us such rich musical enjoyment as can be provided only through their sacrifice of time, their laborious rehearsals, and their earnest personal efforts which were so much in evidence last Tuesday night in "The Easter Victory."

I often wonder why our rare home talent is inadequately recognized here, though highly honored elsewhere. I fear we are behind the times musically (and perhaps otherwise). We may tacitly admit the cultural influence of music, but we seem too slow in comprehending its immense value in mental discipline and development. Modern public schools, the world over, include music in the curriculum, making it compulsory study in all grades and giving it equal importance with grammar, or history, or mathematics. In Digby the schools ignore it, and the public seem to look upon music as a harmless amusement like tiddle-de-winks or crokinole. What a mistake! Digby needs a musical awakening. Really good music by a large ensemble of local talent is unfortunately very rare. We need more of the spirit of co-operation—getting together of all our talent. In 1915 the Digby Glee Club of 20 male voices, and a few years later the Digby Amateur Band afforded considerable pleasure to music lovers, but since those ancient days little has been done in the way of community music until the installation of a pipe organ in the Baptist church last year made possible a highly effective rendering of those two sublime old masterpieces "The Heavens are Telling" and the "Hallelujah Chorus" given by a large choir under the skilled direction of Mr. Alfred Boden.

And now again the pipe organ, splendidly handled by Miss Edith Titus, supplied the necessary foundation for this delightful cantata sung by the combined choirs of Digby, trained by the same indefatigable conductor, Mr. Boden. Rehearsing a large volunteer choir involves strenuous labor on the conductor's part, and it is fortunate that his leaders are led among us who are willing to sacrifice time and unlimited nervous energy as the conductor has done in the present case. I noted with pleasure the distinct enunciation which he had endeavored to secure, a d which is rare in choral singing.

The duet, trio and chorus "Morn of Joy" by female voices appealed to me as one of the most effective features of the cantata. The chorus "a capella" was a difficult test nicely accomplished without variation in pitch, as demonstrated on repetition with organ accompaniment. "Crossing the Bar," a beautiful version and a special favorite with the old Digby Glee Club, was given a very impressive rendering by the male quartet as an introductory treat preceding the cantata.

Some of the solos were beautifully rendered, though one or two singers showed a slight nervousness and did not do justice to themselves. This might be expected before such a large and eagerly attentive audience. I heard undeveloped talent of very high order among some of the voices which were new to me. Although space is lacking to mention individuals in the chorus, all of whom sang in a manner creditable to themselves, and delightful to the listeners, I think I should refer to Mr. Hedley Dakin whose rare voice, clear enunciation and keen musical insight deserve special mention. In sacred music his renderings are remarkably impressive.

The pipe organ, of course, is a distinctive feature in such music and its skillful handling by Miss Titus is surprisingly excellent considering the short time since she began its study. Her faithful and consistent work during rehearsals of the cantata lightened the labors of the conductor, and her musically

News Was Crowded Out

Even at Christmas there was never the rush of advertising that has struck the Courier this week. Unfortunately it came in too late to make preparations for an eight page issue and much interesting news is crowded out. Some of this will be printed next week, and some, we are sorry, will not be news by then. We ask indulgence from our readers.

performance was an essential part of its final success.

It is gratifying to note that events of this kind demonstrate the harmony—musical, social and spiritual—existing among the churches of Digby. No petty jealousies, nor denominational aloofness can exist where music with its uplifting and inspiring influence unites all in the bonds of mutual interest.

The entire community is under deep obligation to the talented men and women who have given so much of their time and effort to present for our enjoyment "The Easter Victory."

Miss Wallis A Winner

By unanimous choice of the judges Miss Florence Wallis, Grade XI Digby High School, was chosen winner of the district elimination contest for Annapolis Valley district, held at Wolfville last Friday, in the High School Oratorical contest. The subject was "Canada's Achievements Since Confederation." By her success at Wolfville Miss Wallis goes to Halifax today to participate in the finals for the province. All good wishes for her further success and congratulations at the present.

Home From Ottawa

H. B. Short, M. P. and Mrs. Short, returned to Digby on Tuesday from Ottawa. Mr. Short was highly pleased with the progress made during the parliamentary session and the net result, in his opinion, of the enactment of Maritime Rights legislation will be a vast improvement in all Nova Scotia industries.

Tennis Club Meeting

The postponed general meeting of the Digby Tennis Club and all those interested in tennis, will be held in the town hall on Tuesday evening, April 20th, commencing at 8 o'clock. All are invited to attend.

Home From The West

Mr. J. L. Peters, who has been spending the winter visiting in Seattle, Washington and British Columbia returned home this week. He had a delightful trip and is looking as tho he had enjoyed himself immensely.

Miss Ruth Bishop of Acadia, Wolfville accompanied by Miss Tyneth Belyea and Nina White of New Brunswick, students at Acadia, returned to Wolfville Monday evening after spending Easter with her parents, Rev. and Mrs. F. E. Bishop.

Messrs Seymour Denton and Harold Nichols returned to Wolfville on Monday after spending the holidays with Mr. and Mrs. M. C. Denton.

SUIT CASES, BAGS TRUNKS AT WRIGHT'S.

Memoriam

IN loving memory of Pte. Willard O. Melanson, only son of Mrs. Arabella Melanson, East Ferry, N.S., who was killed in action at Vimy Ridge, April 9, 1917. Age 21 years. Upon the fields of Flanders, that I may never see, Is many a Mother's son like mine, who died for you and me. Upon the fields of Flanders, where sleeps these soldiers brave, Lies buried all my heart held dear, within one narrow grave. Oh little cross in Flanders, deep graven on my heart, Christ carried his to Calvary, tis mine to bear my part, When war's forever silenced, and troubles here shall cease, My boy and I will meet upon the Golden Fields of Peace. Inserted by his Mother.

MEMORIAM

In loving memory of Myrtle M. Theriault, East Ferry, who departed this life April 26th 1926, aged 16 years.

One lonely year has passed, dear Myrtle
Since you were called away,
We see the empty chair, we miss you
In the house.
But hope to meet you in a better place
When our time on earth is spent.
Lovingly remembered by her parents, sisters and brothers.

IN memory of mother, Bertha A. Outhouse, Tiverton, N.S., who died April 25th, 1926.
The heaven called you and we had to part,
And our heart was aching with sorrow,
Tho the plans that we made, like our dreams had to fade,
There'll be another tomorrow.
When night shades are falling, and memories return
With love dear that nothing can sever,
Tho our thoughts bring us tears, as we go through the years,
Our love will live on forever.

We will meet at the end of the trail, dear heart,
Know you'll be watching and waiting,
Tho we pine for the touch of your hand in ours,
Worms through our tears force'll meet something.

In our dreams we caress you while angels all bless you,
It seems that we hear you sigh,
We will meet at the end of the trail, dear heart,
Till the end of life's Journey, Good-bye,
Sadly missed by her children.

WANTED—A capable girl for general housework. Good wages. None but an experienced person need apply. Mrs. H. B. Short, Queen St., Digby. —adtc

ROBERT C. MILLS
Managing Editor

FRIDAY APRIL 22, 1927

The Limitations of The Freight Rate Reduction

(Maritime Merchant)

July first is the day set for the inauguration of reduced freight rates on the eastern lines of the Canadian National Railways. The Bill before parliament as we write provides for a reduction of approximately 20 p.c. on the present tolls on what are termed "preferred movements" of traffic, but this reduction does not extend to certain movements described as "non pre-

ferred." There is considerable misunderstanding with respect to the scope of the concessions, which cannot by any means be considered as a complete reduction in freight rates of 20 p.c., although, even within the limits of the proposed Act, the concessions will constitute a worthwhile celebration of the national holiday in our jubilee year.

In order to present the scope and limits of the Bill, we shall show by concrete cases what "preferred" and "non preferred" movements are.

The reduction will apply in cases like these:

1 If all-rail traffic originating at a point within the Maritime Provinces is destined for another point within the same territory, the reduction will apply the whole distance. For example, from Halifax to Truro; from Saint John to Sydney; from New Glasgow to Moncton; from Amherst to New-

2 If all-rail traffic originating at a point within the territory of the eastern lines, which terminate at Diamond Junction or Levis, is destined for a point in Canada west of Diamond Junction or Levis, the reduction will apply only as far as Diamond Junction or Levis. For example, if a westbound shipment is to be sent from any point within the Maritime Provinces to Montreal, or Winnipeg, or Vancouver, or any point west within the Do-

You see it everywhere—the pearly gray enameled ware that spells long service and real, old-fashioned satisfaction. This splendid kitchen ware, SMP Pearl Enameled Ware, defies wear and tear and its surface, like all SMP Enameled Ware, is so china-smooth and clean it harbors no taints or impurities.

You need no steel wool or special cleansers to keep SMP Pearl Ware sparkling clean. Soap and hot water do the trick in a jiffy. Made in every new handy shape and size by an old established Canadian industry.

THE SHEET METAL PRODUCTS CO. OF CANADA

MONTREAL TORONTO WINNIPEG

EDMONTON VANCOUVER CALGARY

SMP

Pearl Enameled

WARE

minion, the reduction of 20 p.c. will apply as far as Diamond Junction or Levis, and after that point will pay the full rate as now.

But, if all-rail traffic originating in any of the western points named in the preceding paragraph or any other Canadian point west of Diamond Junction or Levis is destined for any point within the Maritime Provinces, there will be no reduction, not even on that portion of the haul within the territory of the eastern lines.

Or, if any one exports merchandise from the Maritime Provinces to the United States by all-rail freights, or imports from the United States in the same way, there will be no reduction, not even on that portion of the haul within the territory of the eastern lines.

3 If overseas export traffic originates at any point within the Maritime Provinces, the rail-portion of the haul, that is to say the haul to the port of transhipment, will be subject to the reduction. For instance, if a shipment were going from Fredericton to some point in the United Kingdom, via Saint John, the reduction would apply from Fredericton to Saint John; after that the full ocean rate. Or, if a shipment were going from Truro to a point in the United Kingdom via Halifax the reduction would apply from Truro to Halifax; after that the full ocean rate.

But, import traffic originating overseas will not enjoy this reduction on any part of the rail haul after it reaches our ports. Thus, if one in Fredericton were importing merchandise from a point in the United Kingdom, he would not enjoy a reduction from Saint John to Fredericton, as he would from Fredericton to Saint John if he were exporting. The same would apply to the importer at Truro or any other Maritime Provinces point importing via Halifax or any other port. In fact, no import traffic originating at any source will enjoy a reduction.

4 Traffic moving over the car ferries will be regarded as all rail traffic.

Express freights will not be subject to reduction.

Now, to express all the above concisely: (a) All-rail freights

originating within the Maritime Provinces and destined for western points within Canada, will be subject to approximately 20 p.c. reduction only on the portion of the haul to Diamond Junction or Levis but there will be no reduction on western freight coming east to points in the Maritime Provinces. (b) There will be no reduction on Maritime Provinces exports to or imports from the United States by rail. (c) The 20 p.c. reduction will apply on the rail haul within the Maritime Provinces in the case of Maritime Provinces export overseas, but there will be no reduction on the rail haul in the case of imports from overseas to Maritime Province points. (d) Express shipments will not be subject to the reduction.

The effect of the reduction will be to favor Maritime Provinces producers in shipping to western points in competition with producers in other parts of Canada, and is equivalent to a protection in our home market against the producers of other parts of the country. So far so good. We could wish, though, for the sake of our forest and fishing industries, that the reduction were to apply also on exports to the United States going all-rail and over the eastern lines of the C.N.R. And particularly it would help our fish business, which we are anxious to foster, if express rates were also to be embraced within the reduction. It may be argued that these extensions would be arbitrary. But then the whole business is arbitrary, and as such principal as there is in it is the fostering of our Maritime industries, we are disappointed that exports of forest products to the New England states and of fish to the Chicago and other markets are not favored; though that may be because of complications involved in the international traffic agreements.

NASH

Leads the World in Motor Car Value

How many main bearings in your motor car? Nash recommends 7

Because for the finest and smoothest performance results, you need 7, rather than 3 or 4.

Obviously, 3 or 4 supports for a crankshaft cannot give it the rigidity and smoothness of 7. That is why Nash—with customary engineering progressiveness—has developed the 7-bearing motor for all Nash models.

The 7 bearings of Nash achieve power-smoothness and quietness, and achieve it, moreover, with no sacrifice of acceleration. In fact, the proper support of the crankshaft decidedly improves the energy and aggressiveness of the car.

Here is another fact to remember about the 7 bearings of Nash: They have more bearing surface, by actual measurement, than any 6-cylinder engine of similar size and price, no matter how many bearings it has. (Actually 20 square inches more than cars with fewer bearings.)

When you buy your 1927 motor car be sure to ask: "How many main bearings?" And for better results choose the car that has 7. Nash offers you this performance advantage in every single model, no matter which one of the 23 Nash models you choose.

W. H. Farnham -- Digby

Safer Driving for Everybody

Talk to the car owners of today and see how many of them are depending on the safety features of Firestone Gum-Dipped Balloons. For Firestone engineers have designed and built these big tires—with full appreciation of their responsibility for the safety and comfort of that big army who use the motor car.

With Firestone Balloons there is no skidding, slipping or sliding. The tread is broad and scientifically designed to hold the road—on oily boulevard, slushy highway or frozen, rutted places. You will be delighted in the way the tread seems to iron out the road beneath you, giving freedom from jolts or jar.

The Firestone process of Gum-Dipping adds so much strength and flexibility to these tires that you get much more mileage and are relieved of annoying tire troubles.

The Firestone Dealer will not only see that you have these better tires but he will give you the better service that goes with these tires. Ask him to call and explain details.

Sales everywhere indicate the greatest Essex popularity of all time. Already far ahead of factory production, retail orders continue to pile on the largest output in Essex history.

ESSEX is a SUPER-SIX

And it differs from all other "Sixes"—not by little margins—but bold, vivid advantages that instantly stand out from all comparison.

Here is 50 miles an hour all day long, with ease to car and comfort to passengers. (Yet that is far below its maximum speed.)

Here is size, generous passenger room, simple, positive controls. No car of any price excels its easy riding qualities.

Here is economy, engineered not only to savings in fuel and oil, but particularly to freedom from early depreciation, and to lowest maintenance costs.

There are four new bodies on the Essex Super-Six chassis—beautiful, smart in line, luxurious in upholstery and appointment. They are the greatest and deservedly most popular values Essex ever built.

A Marvel In Lamps

Smooth on the outside, Frosted inside.

By putting the frosting inside, a new lamp has been produced. It can be used everywhere with excellent results. Where the old style lamp gives a light having a tinge of yellow, this new lamp diffuses a soft, powerful, white light which is much more effective giving more light for the amt. paid for current.

M. WEBBER

Westport

Miss Francis Bailey was a passenger to Yarmouth Monday to visit her brother Wm. Bailey.

Arnold Crocker has returned to Port Maitland.

Miss Leona Gower spent the week end at Freeport.

Miss Dorothy Brooks, of Freeport, spent the Easter holidays with Mrs. Holland Titus.

Mr. and Mrs. Frank Lent have returned home after spending the winter in South Carolina.

Mrs. Perry and Mrs. Campbell, of Freeport, visiting friends here for a few days last week.

Mrs. Norval Morehouse, of Lake Midway, spent the Easter holidays with her father Stewart Hicks.

Mrs. Myrtle Gower and son Stanley returned from Saint John Thursday.

Mr. and Mrs. Harold Denton are receiving congratulations on the birth of a daughter, born April 8th.

Mr. and Mrs. Fred Campbell, of Freeport, spent the week end with the latter's parents, Mr. and Mrs. Hilbert Garrison.

The sad news came Monday morning that the bodies of Capt. Burgess and Ward Shey, of Parsboro, and Herman Glavin, of Westport, had been washed ashore at Cape Chebucto.

Mr. Shey leaves here a sorrowing wife, a bride of only a few months to mourn his loss.

Herman Glavin leaves to mourn besides his parents, two sisters and five brothers. He was a member of the Baptist church and his beautiful voice will be greatly missed.

Herman was a great favorite among the young people who will miss his cheerful presence from their midst. Our sympathy goes out to the bereaved ones in their great sorrow.

Capt. Burgess, Ward Shey and Herman Glavin were members of the Sch. Nellie, which foundered off Cape Chignecto recently.

Bear River

Messrs Alexander Brown and Kenneth McKennie, of Halifax, and Miss Catherine Brown, of New Glasgow, were week end guests of Mr. and Mrs. Frank McNaught.

Mr. Carey, of the "Canada Paper Board Co." was a recent guest in town.

R.J. Moore and wife spent the Easter week end with friends in Yarmouth.

Reg. Harlow, of the Royal Bank spent Sunday in Weymouth with his parents.

H.W.B. Warner, of Barton, Digby Co., was in town on Tuesday.

Miss Alice Rice's many friends will be interested to know that she will shortly be returning from Whittier-California, to Bear River. Miss Rice has visited many points of interest including New Mexico and San Francisco.

Mrs. Colin Rice, of Round Hill, accompanied by her son Tom and two sisters, were guests of Mrs. Thomas Rice on Saturday.

Mr. Otis Wack, of the Canadian Gyp sum Co., and Mr. Putnam, of the Prov. Engineer's Office, Halifax, were in town on business on Monday afternoon.

Tom MacDormand who is attending Acadia University, Wolfville, spent the week end with his parents Mr. and Mrs. Charles MacDormand.

Mrs. Harvey Kinney went to Halifax on Friday where she will be the guest of her sister Mrs. Maye Morse.

Mrs. Harold Seamone and child returned from Boston on Tuesday.

Bruce Read had the misfortune to strain his ankle while playing baseball on Friday.

Mrs. John A. Fraser, of Princetown, was the guest last week of Mr. and Mrs. Ernest Davis.

Mrs. Warren, of Albion, Mass., is visiting her cousin Mrs. Stephen Rice.

Jim Hubley student at Acadia spent his Easter vacation with his parents, Mr. and Mrs. G. Hubley.

Willis Rice, Middleton, was in town on Sunday visiting his sister, Mrs. Fred Read.

Mrs. Clarence Morgan and daughter, of Morganville, have been visiting at the home of Mr. Wm. Morgan.

The pantry and apron sale held by the ladies of the United Baptist church on Saturday was a great success. The sum of over twenty one dollars was realized.

W. L. HOLDSWORTH

Freeport

Sherman Thurber is leaving to day for Saint John en route for Montreal where he has accepted a position there.

Mr. Elwell of Saint John was a caller at the home of Capt. Charles Teed one day last week.

Mr. and Mrs. Charlie Musgrave spent Saturday with Mrs. Herman Nichols before leaving for their home in the United States.

Warren Gray of Kempville is a guest at the home of Mr. and Mrs. Horace Thurber, he leaves for his home today and will be accompanied by his wife and little daughter, who have spent the winter with her parents, also Thomas Jeffery who spent the week end with his friend, Muriel Nickerson.

Steady Progress

The citizens of this Province, we are sure, find reason for deep satisfaction in the unquestioned integrity and soundness of Nova Scotia institutions. The latest to report on last year's business and further prospects is the Nova Scotia Trust Company, which held its annual meeting here yesterday.

The president of the company, Melvin S. Clark, presented a most encouraging statement, showing assets to have reached more than \$400,000, a substantial increase over last year. This Nova Scotia institution has been steadily growing in strength and usefulness in the financial field, and enjoys a fundamental soundness that must be gratifying to all who have had to do with its progress.

The outlook for the present year is most promising.

Deep Book

Courtney Purdy spent a few days of last week the guests of relatives here.

Mr. and Mrs. Willis Rice and two children, of Middleton were guests of Mr. and Mrs. Loren Adams over Easter.

Miss Ethel Purdy spent the Easter vacation with her parents, Mr. and Mrs. Ernest Purdy.

Mr. and Mrs. D. B. Wright and son Millard, spent Monday guests of Mr. and Mrs. J. M. Nichols.

Mrs. Elburn Berry spent Easter at Torbrook, the guest of Mrs. Aubrey Sanford.

Mrs. Carl Nichols and son James spent a few days of last week guests of Mr. and Mrs. D. B. Wright at Annapolis Royal.

Miss Jannett Gregg of Saint John spent Easter the guest of Mr. and Mrs. Ernest Purdy.

Miss Wanetta Burrell of Acadia Seminary, Wolfville spent Easter with her parents, Mr. and Mrs. Avarad Burrell.

The Easter Service on Sunday morning at St. Matthews church was well attended. The Rector, Rev. A. W. L. Smith preached a helpful Easter sermon. Special music was rendered by the choir under the direction of Mrs. W. H. Spurr, organist. The church was prettily decorated with evergreen plants, Easter lilies and cut flowers.

Now packed in Aluminum, the same as years ago.

WOODMAN'S GARAGE

DON'T MAKE COSTLY VISITS;
TALK FROM YOUR OFFICE
BY TELEPHONE

There's just one reason for visiting a customer in person to make a bargain.

And that is to have a talk with him.

To achieve this, many a business man will spend valuable business hours in the train and pay out good hard cash in expenses.

Conversation is always a better means of bargaining than correspondence, but there's no need, in these days, to make an expensive journey to have the advantage of a talk with a person.

That can be enjoyed just as effectively and at the merest fraction of the cost in time and money by staying in the office and using the Long Distance Telephone Lines.

Easter Pageant

On Friday evening in the Temperance Hall, the B.Y.P.U. of the United Baptist church will present an Easter Pageant "The Resurrection" a vivid portrayal of the Easter story. The young people have spent a great deal of time and energy in the preparation of this Pageant and it is hoped there will be a large attendance. The entertainment will start at eight o'clock sharp. An admittance fee of twenty-five cents will be charged.

Recital in L.O.O.F. Hall

On Monday evening, April 25th, citizens are promised a rare and delightful treat. Only those who have heard the readings, impersonations and dialect sketches given by Miss Whidden can appreciate to the full the privilege awaiting them. Miss Whidden is not a reader in any ordinary sense of the word. Her work has passed the stage of artistry and she may easily be ranked at the top of the list of those following her profession. Her record is a brilliant one, and she comes to Bear River with many flattering recommendations too numerous to publish.

Never an apology for your baking if you use

Quaker Flour

Always the Same Always the Best

Recipes turn out right every time.
Money back if Quaker Flour gives you trouble.

Nujol treatment now recognized method of relieving constipation say medical men

We recently asked representative doctors all over the country under what conditions they recommended the use of the Nujol type of treatment. The list of special cases was astounding. Almost uniformly they recommended it for both occasional and chronic constipation, as well as an aid to regularity. Nujol, as one doctor put it, "Acts with nature, instead of against it." Another said, "A lubricant is better than a laxative in both chronic and temporary cases."

Doctors Advise Nujol. Eight doctors out of every ten told us they were advising the Nujol type of treatment for their patients in place of laxatives—and for these reasons:

1. Nujol is not habit-forming.
2. A more natural method.
3. A lubricant is better than a laxative.
4. Does not gripe.
5. Is not irritating.
6. Nujol gives lasting relief.

Laxatives and cathartics act by irritating the intestinal

Miss Whidden brings to those who hear her a delightful appreciation of the comedy of life, as well as a deep and tender understanding of the richer and sometimes tragic phases. She has in store for you a treat that you will long remember. For instance, have you ever seen a play with eight characters all acted by one person? Miss Whidden will do this for you in the reading of the delightful one-act play, "Neighbors". Here she will present for you Grandma Peter, Inez, Mrs. Abel and the neighbors, going so quickly and cleverly from one character to another that you will think you are witnessing a play presented by eight individuals. It is said of Miss Whidden that she carries her art to the point of perfection. The play, "Neighbors" is witty, humorous, tender and altogether absorbing, made so by the wide variety of characters and the vein of romance running throughout.

In addition to this play, her program will consist of stories, impersonations and dialect sketches. Miss Whidden comes under the auspices of the W.I., and will be assisted by local musical talent.

Baseball

On Good Friday the Baseball season opened at Bear River with a match game between the Town and the School, on the Oakdene Diamond. The game was closely contested throughout and neither side had a leading score at any time. The play finished with a score of 16 to 15 in favor of the School. Some of the School players were very light, but will make excellent material for any local Ball Team with a little more practice. A good crowd of fans was present and gave their support to both sides whenever the playing deserved it.

TOWN

James Hubley, catcher
Waldo Chute, pitcher
Carleton Parker, 1st base
Fred Kempton, 2nd base
Bill Parker, 3rd base

The game was refereed by Gordon Benson with Arthur Dunn as Base Umpire.

Mr. and Mrs. Gilliat spent the Easter holidays at their farm in Upper Clements.

Alfred Porter left on Friday for St. John where he will visit his son Horace Porter.

Clarence Harris, of Auburn, Mass., is visiting his parents, Mr. and Mrs. Chipman Harris. Mrs. Harris is also in Nova Scotia visiting her parents at Upper Dyke Village, Kings Co.

Miss Joyce Roop who is attending Mt. St. Vincent, Halifax, spent the Easter holidays with her mother, Mrs. John Roop.

On Friday afternoon Mrs. Frank Milligan was "At Home" at the tea hour to the teachers of Oakdene School and a number of their friends.

"Musicals"

The music pupils of Mrs. Harry C. Anthony gave a "Musical" at the home of their teacher on Monday afternoon April 18th, about 20 invited guests being present. Refreshments were served after which Mr. Milligan delighted both pupils and guests with two appropriate songs.

Pageant in United Church

On Sunday evening a very entertaining program was given in the United Church under the auspices of the Woman's Missionary Society.

The opening selections consisted of music by the choir and a reading entitled "The Crosses" by Mrs. George Cressup.

A pageant called The Conquering Cross was then presented by members of the W.M.S. assisted by members of the Mission Band. India, China, Mexico, Arabia, Japan and Armenia were represented by Mission Band members in costume. The forces of War, Wealth, Learning and Power were represented and offered in turn to the Spirit of Missions as a means of bringing light to heathen lands. These all fail, and only Love, of which the conquering Cross is the symbol, is found worthy to fulfill the great command "Go ye into all the world and preach the gospel to every creature." The choir then sang "O Conquering Cross" and an effective juvenile chorus entitled "Chain of Love" furnished the closing numbers of a very interesting program.

Two very fine vocal solos were rendered by Rev. F. Milligan and Fred R. Harris.

Easter Cantata

The Easter Cantata, Easter Glory presented by the Mission Band and Choir of the United Baptist church on Sunday evening was a great success. The music was of a high order and the children of the Mission Band took their parts well. The following is the program:

Mission Band March

What are We Doing for Jesus—choir
Recitation—Bernice McI
From Calvary's Hill—choir
Recitation—Nancy McIntyre
Solo—Geraldine
Recitation—John Alexander
The Victory is Won—choir
Exercise—10 girls (The Easter Lily—Answer)
Angels Triumphantly Singing—choir
Recitation—Roland Barriss
Recitation—Louise and Dotty
Solo—Bertha Dukes
Recitation—Jennie
He Liveth to Save—choir
Offering—3 girls
Dawns of Gladness—choir
Benediction—Mr. Hartung

John McGrath representing N. F. Hatheway, was in town on Thursday.

The Ladies' Aid of the United Church met in the vestry of the church on Tuesday afternoon. Mrs. Will McBride was hostess and served delicious refreshments.

Dr. Rice wife and son, of Sandy Cove, accompanied by Mrs. E. Harris and Mrs. Saunders were the guests of Mrs. W. R. Read on Sunday.

Misses Lillian and Grace Henry who are teaching in Charlottetown, were guests for Easter of Mrs. R. A. Harris.

P. H. Reed arrived in town the first of the week and 639 1/2 tons of fish were landed on the river that day.

Sufferer With Severe Backache Finds Relief

Mrs. A. Wilcox Used Dodd's Kidney Pills.

Saskatchewan Lady Suffered With a Very Lame Back.

Strasbourg, Sask., April 18 (Special). The sterling value of Dodd's Kidney Pills is again shown by the following statement from Mrs. A. Wilcox, a well known resident of this place. She writes: "My back was so lame that I would have to move out of a chair when I was going down. They were such sharp pains that I had. I took a box of Dodd's Kidney Pills and have not been bothered since." The satisfaction Dodd's Kidney Pills are giving as a remedy for kidney trouble is shown by the large number of people who keep them always at hand. They have cleared the way for the proper use of all serious forms of kidney trouble, such as rheumatism, diabetes, dropsy and heart disease is to correct the entire symptoms of kidney trouble.

Dodd's Kidney Pills act directly on the kidneys, healing and strengthening them, they enable the kidneys to strain all the impurities out of the blood. Obtainable from all druggists, or The Dodd's Medicine Co., Ltd., Toronto.

Here and There

From the year 1919 to 1925 there was an increase of \$1,303,772,336 in the total taxable value of realty in Canada, according to the Dominion Bureau of Statistics. The value in the latter year was \$7,331,785,535.

The maple syrup production of the Province of Quebec will be in the neighborhood of 20,000,000 gallons, it has been officially estimated, this being an average output. The season has been much more advanced than in former years.

The pulp newsprint mill of the New Brunswick International Paper Co., Ltd., will be erected in Dalhousie, it is understood, as it is said that satisfactory arrangements resulted at the conference between representatives of the company and the town council.

A school will be established at the Vancouver Shops of the Canadian Pacific Railway for the purpose of instructing the apprentices in mathematics and drawing, it was announced recently by A. Sturrock, assistant superintendent of motive power, western lines.

"Merry Sunshine," an eight year red poll cow, bred and owned by Gowan Brothers, of Kamloops, has recently completed a 365-day R.O.P. test and established a new Canadian record with 13,517 pounds of milk. This record was made under ordinary farm conditions on a ranch nearly 4,000 feet above sea level, the cow staying out of doors day and night.

A cable from London, England, reads: "Following the perfection of a method for the production of artificial wool from pine needles by Italian and German scientists, a British financial and industrial corporation is in touch with Quebec Provincial Agents Office at Quebec City investigating the possibility of establishing such an industry in Quebec Province."

A great future for tobacco growing in Western Ontario is predicted by the Hon. J. S. Martin, Provincial Minister of Agriculture, who states that counties engaged in the industry have demonstrated that they can

grow as fine tobacco leaf as Kentucky or Virginia. A number of experts have been engaged, he announced, to visit new growers and give them all information possible.

Supervising 200 Norwegian settlers, including wives and children, from the districts of Nottodden, Heddal and Valdres sections of Norway, Eric Platebo, chief clerk in the Canadian Pacific Railway offices at Bergen, saw the settlers off for Winnipeg from the Windsor Station, Montreal, fifty of the party are going straight to relatives. Mr. Platebo estimates that some 600 persons from the districts named will eventually come to Western Canada.

Via Canadian Pacific Railway recently there was forwarded to His Holiness the Pope an album of photographs of the Canadian Rockies offered by E. W. Beatty, Chairman and President of the system, following the suggestion made by a prominent Canadian citizen who had described the Canadian Rockies to His Holiness in an interview some time ago. A wish for a book showing views of the mountains was expressed by the Pope whose wish was conveyed to Mr. Beatty. The album is beautifully bound in white kid.

Canadian ilmenite ore will soon be used in the manufacture of a new pigment called "Titanium White" (to be used in the same way as white lead) according to R. H. Monk, of Montreal, who states that plans are nearing completion for the erection of a plant in Montreal, and, if everything develops as expected, this plant will be set up in the autumn. The development branch of the Department of Colonization and Development, Canadian Pacific Railway, has been active in furthering the establishment of this industry.

Lights in Chicken Yard Lowers Cost

Wilson Morris, an Orange ship carpenter, says that he has discovered a new value for electricity in the poultry business.

Morris observed that electric lights put out in the yard for the young folks attracted bugs, to the extent that the children could hardly play. He conceived the idea then of putting up lights in his poultry yard, with the result that the bugs came in such numbers that the chickens were able to feast throughout the night.

While admitting that there was some inconvenience realized by the chickens on account of the electric light system in that it caused them to work most all night, he was able to feed a flock of 300 at a cost of no more than 50 cents a week, whereas the cost to buy regular feed was from \$2.50 to \$3 a week.

Morris has been unable to see that there has been any decrease in the bug supply, regardless of the fact that bushels of them are gobbled up each week by his flock of 300 hearty eating chickens.

Weymouth North

Hallett Sabean was a passenger to Boston on Tuesday.

Miss Hilda Hogan, teacher at Gilbert's Cove, spent the Easter holiday at her home here.

The W.C.T.U. met with Mrs. Alfred Sabean on Wednesday.

The Misses Carrie Brooks and Evelyn Moore who are attending the Sacred Heart Convent, Meteghan, spent the holidays at their homes here.

Mrs. F. H. Lent left on Thursday to visit relatives in Amherst and Oxford.

Walter Sabin left on Friday for

Montreal where he has accepted a position for the summer.

Mrs. J. Armour Morehouse of Brighton, Mr. and Mrs. George Nickerson and Mrs. Fred Smith of Smith's Cove and Mr. and Mrs. Raymond Lent of Digby spent Easter with Mr. and Mrs. Warren Lent, Sunset Cottage.

Mrs. H. Journeay returned home from a trip to Saint John on Thursday. She was accompanied by her mother, Mrs. Mussels.

Miss Geraldine Fitzgerald of Saint John spent her Easter vacation with her parents, Captain and Mrs. H. B. Fitzgerald.

Miss Helen Shortliffe, teacher at Fort Point, spent the week end at her home in North Range.

Mrs. C. C. Nicholl is visiting her parents Mr. and Mrs. Parker at their home in Middleton.

The marriage of Miss Florence daughter of Mr. and Mrs. Nelson Sabin to Clarence Thurber, son of Mrs. Ellen Thurber took place at the home of Rev. M. B. Whitman on Friday. Mr. and Mrs. Thurber left immediately after the ceremony for Montreal where they intend residing during the summer.

Miss Rosa Jones returned home from Saint John on Monday.

Miss Mable Sabin who has been employed at Kentville during the past winter returned home Wednesday.

The C.G.I.T. intend repeating the four act play "The Pill Bottle" in Hankinson's Hall, Weymouth, on April 25th at 8 p.m. Admission 35 cents.

The Mission Band of the Baptist church held an Easter concert in the church Sunday evening. Although all the members did their parts remarkably well, special mention should be made of the three little tots, Phyllis Weaver, Jean Doty and Alice Thurber who sang solos and took parts in Exercises and songs. A silver collection was taken for missions.

Josephine Newcomb teacher at Sandy Cove, spent the holidays with her parents here.

Mrs. Omer E. Denton and little daughter, Georgena O. Little River spent the week end with her sister Mrs. H. M. Mullen and Mr. Mullen.

Belleisle

Belleisle Division Sons of Temperance enjoyed a very pleasant and profitable evening on Wednesday the 13th Inst., the entertainment taking the form of a debate. The subject under discussion was, Resolved that Poverty causes more Crime than Wealth.

Miss Cora Parker presided over the meeting in her usual capable and efficient manner.

The speakers for the affirmative were Miss Florence Kearns, Arnold D. Bent and H. G. Parker, while the negative was upheld by Mrs. A. B. Woodworth, Ernest M. Bent and Fred C. Parker. While all the speakers did exceedingly well, special mention should be made of Arnold Bent by far the youngest member of the team who delivered one of the finest addresses of the evening. At the close a vote was taken resulting in a large majority in favor of the negative.

An Inter-divisional Debate is now being arranged between Belleisle and Seymour Division Granville Centre.

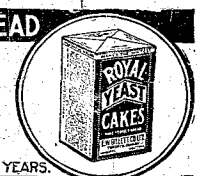

Dr. and Mrs. M. P. Nichols and two daughters of Aylesford were guests on Good Friday at the home of H. G. Parker. Mr. and Mrs. Earl Pool and Miss

Jennie Bent of Bridgetown called on friends during the Easter holidays.

Miss Francis Gessner is spending the Easter vacation with her parents, Mr. and Mrs. H. N. Gessner.

Miss Jannette Nichols of Aylesford is visiting her cousin, Miss Gaudy Troop.

Mrs. Thomas C. Eason and baby are visiting Mrs. J. J. Parker.

The members of Belleisle Division S. of T. have invited Easter Day, to meet with them May 13th. All interested in temperance are cordially invited to be present.

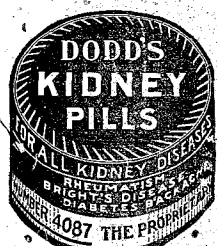

Mr. and Mrs. Walter Troop of Granville Ferry were recent guests of Mrs. Eugene P. Troop.

Miss Susie M. Troop spent Easter with Capt and Mrs. A. J. Willett.

The death of Mrs. Alice Withers, widow of the late Charles Withers took place at the home of her eldest daughter, Mrs. William Hutchings, Brookline Mass., on Thursday, April 14th. Mrs. Withers has been suffering from stomach trouble for several months past. Her daughter Mrs. Will Inglis was summoned to her bed late some weeks ago and since then she has weakened until the end came.

Mrs. Withers was a woman of sterling worth. She had been a very old member of the Baptist church for many years and a loyal member of Seymour Division S. of T. Her home was always open to all. She leaves two daughters and one son to mourn the loss of a loving mother. Her remains will be brought here and buried beside her late husband. We extend our sympathy to the sorrowing friends.

The marriage of Miss Gene L. Troop only daughter of Mrs. Eugene P. Troop

Owing to the severe illness of her mother, Miss Margaret Lantz has been unable to return to her school here.

Mrs. Charles Parks spent a few days in Saint John last week returning home on Saturday. She was accompanied by her sister, Mrs. Fred Adams of Bay View, who spent the week end here.

Miss Lena Keans spent the Easter holidays at her home here, returning to Wolfville on Monday.

The Mission Band gave a pageant entitled "The Garden of the Lord" to a packed house on Sunday evening in the Baptist church. The pageant consisted of five scenes, the first showing Joseph of Arimathea and Nicodemus, the second the three women early at the tomb. In the 3rd scene came Light with seven junior girls holding yellow paper streamers representing the rays the scene ending in a pretty drill. In the next scene,

"Need Doubt and Sorrow were made happy with gifts and the Easter message from Kindness. Joy, Courage and attendants." In the last scene the cast of characters were all on the platform at once forming a pretty tableau. The music of the pageant was well rendered, while the tomb and garden formed a pretty background. Miss Hattie Apt. representing Easter, took the leading part and deserves special mention for the easy manner in which she acted her difficult part. Also little Margaret Morrison only five years old sang a solo "Lilies in His Garden" with such skill and poise as to attract the admiration of all. The offering of the evening amounted to \$10.

East Ferry

Rev. I. D. Harvey held service in the Hall Sunday evening.

Mrs. Minnie McLeod, Yarmouth is visiting her sister, Mrs. F. Small.

Byron Small spent Easter Sunday with Mrs. S. Horner, Tidville.

ANNOUNCING

Special

ENTERPRISE

Stove Sale

One Week Only, APRIL 23rd-30th, Inclusive

It is with a feeling of justifiable pride that we announce this Special Enterprise Sale, constituting as it does the greatest opportunity ever extended to the people of Digby and vicinity to install a finer, modern coal or wood range in their homes.

In presenting the Enterprise we do so with the conviction and knowledge that it is the premier Canadian Range, both as to beauty of appearance and superior service performance. With confidence we place an absolute guarantee on every Enterprise Range—a guarantee that assures you of perfect, satisfactory service through the years.

The exceptional offers and values in effect only during this sale, have been made possible by reason of unusual concessions both on the part of the manufacturer and ourselves. Of necessity this sale has been limited to one week, at the expiration of which these unusual offers will be withdrawn.

To the discriminating buyer, who demands the utmost for his money, this sale offers a particular appeal, presenting as it does an exceptional opportunity to purchase a quality coal or wood range at a remarkably low price and on extremely liberal terms.

ALL ENTERPRISE RANGES INCLUDED IN THIS SALE

FREE

with every

Enterprise

With every Enterprise Range purchased during this sale we will give, absolutely FREE of charge, this beautiful 41 piece set of high quality china, a product of one of the world's best makers.

41-PIECE SET OF CHINA

The Enterprise Coal Range is today the acknowledged standard by which others are judged.

Throughout the entire construction of the range only the finest and most durable of materials are used—resulting in a range which is practically indestructible and which after years of constant service, will still preserve its original beauty of appearance.

DON'T DELAY—Remember all special offers on the Enterprise Stove limited to One Week Only

Remember, This Sale starts April 23rd and ends April 30th

Hydro Extension Down Digby Neck Should Pass Council

Brown's in Town a Big Success In Amateur Presentation last Night

Packed House Enjoys Laughable Comedy, Work of Well Selected Cast.

All success attended the presentation last evening at the Bijou Theatre by splendid cast of local talent of the mysterious farce comedy, "Brown's in Town" as a benefit for the Digby General Hospital. A crowded house greeted the opening curtain and until the drop had fallen on the last act the interest was well maintained and bursts of laughter greeted each increasing difficulty of "Brown".

The work of the High School Orchestra was particularly pleasing especially its program during the intermission between the 1st and 2nd act, while the dancing specialty of little Miss Frances MacNutt called for deserved applause.

The dialogue between Primrose, the Cook, played by Miss Isobel Williams and Pollock, the Gardener taken by Mr. Iabez Appleby, creat-

ed a first impression of confusion in the affairs of "Brown", which throughout the first act and to the end of the second became more and more complicated as the different characters in the piece were woven into the action. The difficulties of the Browns in their matrimonial secret were not lessened by the fear of Preston Senior's wrath, or the remembrance by Brown of his lady's old admirer. Primrose and Pollock were highly amusing. Miss Williams being in particularly good form as a multi-named lady of color and distinct knowledge of social usage. The discussion by Preston Junior, played by Mr. Dalton McKinnon and Lettie Leonard, his bride, taken by Miss Mildred Carty of their matrimonial problems was excellent portrayal, but it was in the second act that Mr. McKinnon

continued on last page

Where Do You Buy? And Why?

One way and another there is a great problem in this matter of buying. The lady of the house so often has just so much money to do so many more things with that she is hard pressed to make ends meet. If she buys from a local merchant she thinks she could have bought cheaper somewhere else, and if she buys from an out of town mail order house she wonders if she got the worth of her money—and there she is.

Apart from the advantages of seeing what one buys, from aiding in building up the community in which one lives and apart from several other good reasons why one should buy at home, there is another and very important one. It is cheaper! Not only cheaper in the long run, and quicker in obtaining what one requires, but actually cheaper, from first to last. This may seem a sweeping statement, may seem impossible of proof to many who think they can save cash by extending their patronage to mail order houses, but the proof is produced. How many times in purchasing from local merchants the sales clerks produced the mail order catalogue to show the comparison of prices to be in favor of the local storekeeper. Often enough and recently Mr. Woodford Connell has placed in his show window a demonstration of comparative prices on several lines of seasonable house cleaning aids, paints, brushes and so on.

The mail order prices were actually paid, the goods shown are selections from current catalogues of one large mail order house and in every case Mr. Connell has similar or better quality, goods with the manufacturer's trade marks and guarantees—at lower prices.

Mail order Sash Brush, 25c. Book's guaranteed Sash Brush, 25c. The same price, but the local store has a named article.

Mail order 1 1/2 inch Varnish Brush, 40c.

LOST—German Police dog, answers to name of "Don", light brown, strap collar. Winchester Poultry Farm, Smith's Cove.

At the local store a 2 1/2 inch Varnish Brush made by Book's, 40c. A bigger, better brush for the same money.

Mail order Varnish, Lipid Granite, \$6.50 for a 1 gallon can. The same varnish bought at Connells is \$6.30.

Mail order paint, \$1.30, 5 gallon tin, \$23.00.

At Connells-Sherwin Williams, a nationally known paint-quart tin \$1.25 5 gallon tin, \$21.50.

Every local merchant in Digby County can show you how you save money and get better quality by spending your cash at his store.

MEMORIAM

IN loving memory of our mother, Elizabeth White who departed this life April 28, 1926.

A year has passed since that sad day When one we loved was called away. To his home he went, we can't forget. We hold her memory sacred yet. And as the years pass swiftly by, Her spirit shall be ever nigh. To guide us as in days of yore. Ever she joined the loved ones gone before. 'Tis oh so very hard to part. No words can soothe the aching heart. There's only one alone who knows Just how to give us sweet repose. Thus we need fear no false alarms Our mother's safe in Jesus arms. Gone but not forgotten by her daughter's.

CARD OF THANKS

THE family of the late Charles Winchester wish to express their deep appreciation to all the many kindnesses and expressions of sympathy extended to them in their bereavement.

New Industry Made Possible by Hydro Will Open on May First

Machinery and equipment for the new vulcanizing plant to be opened up by Mr. Farham in the Red Haven, is now in Digby and is being installed in preparation for opening up of business on May first. The plant equipment is of modern type, electrically operated and is a product of hydro development. Auto owners who in the past have had to either buy new tubes or send their old ones to St. John or Halifax to be vulcanized will be the first to appreciate the new service, but not the only, but users of all rubber footwear also will be benefited by the equipment. Vulcanizing is the only satisfactory means of repairing rubber articles and the new plant is equipped for any demands made upon it.

In addition to the vulcanizing plant Mr. Farham has purchased equipment of a real electrical supply store, every electrically operated household aid being included, and the ladies will be interested in the stock of electric ranges, vacuum cleaners, percolators, irons, curlers, toasters, stoves, heaters and other accessories to good housekeeping which hydro has made possible to the homes of Digby County.

The "Easy" Vacuum Electric Washer is a leader of the new store, and ladies who are planning on a new washer should call phone 171 for a demonstration in their own homes, on their own washing, of the labor saving, clothes saving qualities of the "Easy". This washer is a modern application of the old principle of alternate suction and air pressure as the best means of gently forcing the dirt out of clothes. The demonstration is without cost or obligation to purchase and is a first step to broken in selecting a washer best suited to your needs.

NEW WHITE SILK DRESSES at WRIGHT'S

New Bounty Declared on Hair Seals

Because of the increase in numbers of the hair seal and consequent increased destruction of fish, the department of fisheries has renewed the bounty granted some years ago as an incentive to the destruction of these ocean pests. The sum of \$2,000 has been set aside by the department for this purpose.

The bounty to be paid for the destruction of a hair seal is \$3.50, and will be paid by local fisheries officers, or by the department honoring bounty vouchers signed by them. Proof of destruction of the seal is required the nose and sufficient of the skin adjoining to prove that it is from a hair seal being required as proof. This proof to be presented to the fishery officer when claiming the bounty and to be destroyed by him.

The bounty on hair seals has not been operative for a number of years. It was at that time set at \$1.00. Not a large number of bounties were claimed, but the department by increasing the payment to \$3.50 hope to rid the in-shore fisheries of the pest.

Hair seals are a common spring visitor to the Bay of Fundy waters. At Sea Wall and Sandy Cove large numbers have been seen in former years and, curious as it may seem, specimens have been caught far inland. At Springhill, Cumberland County, three years ago, miners going to work one afternoon noticed a strange animal flopping through the snow banks along the brook running from the mine mouth. Giving chase they caught a hair seal, about two feet long, and an amateur Barnum picked up quite a number of dimes exhibiting the body as a "Strange Sea Lion". Springhill being at least fifteen miles from tide water it is supposed that the seal followed the smelts up the river and brook.

To Demonstrate Necessity of Cleanliness in Fish Canning Factories

To impress upon canning factory employees and operators the need for absolute cleanliness in all operations connected with the putting up of canned lobsters and fish foods, Mr. Hess, demonstrator of the Biological Board at Halifax will from May first tour the canning factories of the province to demonstrate the dangers which lie in careless practices. The time spent at factories will be two days, during which time the possibilities of bacterial infection will be demonstrated. Mr. Hess will show by means of bacterial cultures the growth and development of bacterial infections and impress upon employees the simple measure which each must take to prevent contamination of the pack and consequent loss.

Dates for the visit of Mr. Hess to the factories in Digby County will be announced when his schedule of visits is made up.

Mr. O. C. Jones, Mgr. of Pines, W. K. MacQuarrie, of Kentville, Chief Engineer of the D. A. R. Kentville, were in town yesterday.

Canadian Ansel Snow arrived in town on Wednesday from Yarmouth.

Clare Ruggles, teller in the local branch of the Bank of Nova Scotia is enjoying his annual vacation at his home in Westport.

CHIPMAN-FORREST

Miss Rose Forrest only daughter of Mr. and Mrs. Howard Forrest, of Digby, N. S., and Brenton Chipman, son of Mr. and Mrs. George Chipman, of St. John, were married on March 14th. Rev. Mr. Robbins performing the ceremony in the presence of friends and relatives. The young couple will reside in St. John for the present.

Time for Action on Hydro Extension Down Digby Neck

Many Applications for Service, but Extension Should be Supported by All

On Tuesday members of the Municipal Council of the district of Digby will meet in Digby in mid year session. At this meeting decision will be reached covering extension of the Hydro service to various parts of the County, principally down Digby Neck, and it is important that prior to the opening of the Council sessions that all information as to demand and probable consumption be ready to place before the Council by officers of the Power Board. In some sections of the Neck district applications for service have been circulated with success, but others have not yet moved to demand extension of the service.

The Hydro development at Sissiboo Falls is capable of serving the whole territory. The more demand the better, because the greater distribution of overhead costs, and every day that goes by without the

service being extended is another day of less than full efficiency of the plant.

There is sufficient demand, if it were expressed, in the Digby Neck district. Westport, Prepart, Tiverton, Sandy Cove, Centerville, and all the other localities should receive the advantages of the hydro service, and all that is necessary is to make applications for it, setting out the probable number of consumers, and the average amount to be required. With this information available the Power Board will be in position to have the Municipal Council and the other guarantors of its bonds, agree to increased capitalization to provide for necessary contraction.

The success of the development is assured, as is indicated by the exceptionally high figure received from the date of the first bond

ROBERT C. MILLS
Managing Editor

FRIDAY APRIL 29, 1927

A Matter for Pride

The development of the Digby High School Orchestra, which on Easter Monday rendered a most pleasing programme of numbers for the dance at the Bijou Dream Theatre, is a matter in which the Orchestra, the High School Students and the town generally can take a deal of pardonable pride. Development of talent in instrumental music is the only way to build up the reorganization of the Digby Band, and the High School students are deserving of every encouragement and assistance in their undertaking. More dances, the music for which to be supplied by the orchestra will be welcomed by the dance lovers, and give the orchestra needed practice and funds.

Prepare for the Dominion Day Celebration

It will be unfortunate if the advantages gained in the present-

ion last week by combined choirs for the churches of Digby of the Cantata "The Easter Victory" be permitted to be lost sight of in preparing the programme of the celebration of this year's Dominion Day. Music takes a prominent part in all community worship, and the significance of the achievements of Confederation will not be fully realized unless some form of community worship has prominent place in the celebrations of the event. The committee in charge of the affair should take steps to have those who presented the Cantata prepare the music for a community service to be held in one of the churches, or better still in the open air at the Pavilion on the Sunday following Dominion Day. The musical part of such service should not be elaborate, rather the opposite, and should consist of familiar tunes universally popular, in order that those attending shall do so as participants rather than as listeners. A committee of the town clergymen together with the choir leaders would constitute a good sub-committee to attend to this feature of the celebration.

The Campaign Is Going Good

Most satisfactory results are following the opening of the Courier's Five Hundred New Readers Subscription campaign.

New subscribers are coming in from every district and at Bear River, the Women's Institute, which edits the Bear River Page, has appointed a special committee to solicit subscriptions and boost their local subscription list. This is more than gratifying and an example in enthusiasm that may be followed by every correspondent. There are a number of residents in every section who do not now read the Courier. Many of them used to and will again if they are canvassed. The Courier is now so

WOMEN APPROACHING MIDDLE LIFE

WHAT MRS. GODIN SAYS ABOUT "FRUIT-A-LIVES"

MRS. O. GODIN.

Mrs. Godin's letter is of particular interest to women approaching middle-life. It reads: "I am giving this testimonial hoping it will benefit every woman suffering as I did at the change of life. I was obliged to go to bed, had terrible dizziness and pain, and felt extremely weak. 'Fruit-a-lives' were really a God-send to me. Now I am in perfect health. Every woman should follow my example. They would surely get the wonderful relief I did." Mrs. O. Godin, Paquetville, N.B.

By toning up the stomach, kidneys and bowels, "Fruit-a-lives" is a great help to women at this trying stage of life. "Fruit-a-lives" is a sure medicine. It acts in a natural way because it is made of intensified fresh fruit juices combined with tonics. Let "Fruit-a-lives" help you, too. Start today. 25c and 50c a box, everywhere.

much nearer being a real newspaper all should be interested in it and all will be if they are approached in the matter.

Don't let the first enthusiasm lag, but make each success a stepping stone for further endeavor, and soon we will have the Five Hundred and be all set for further improvement in the paper. For the last week or two so many advertisements have been ordered, at the last minute each week, that some news has had to be left out.

That is not the fault of our correspondents, or the fault of anything except that the Courier is gaining in popularity as an advertising medium, and while we are sorry it was necessary to leave out much news we are also proud of our success in serving the advertisers. A large number of advertisements is an indication of a good paper, and is an important part of the newspaper service. In every issue is offered a buying opportunity which is worth a full year's subscription to the paper and that is what the paper is for, as much as anything, to show folks where they can save money.

Congratulations From Washington

Seattle, Washington, U.S.A., April 9th, 1927.

To the residents of Digby Co. — As a native born Plympton man, and having visited my native Province several times since coming west (the last visit in 1920), I am able to visualize in a limited way the wonderful reception by you of the successful completion of your hydro power plant at Sissiboo Falls.

In 1877 as a boy filled and thrilled with curiosity I witnessed the opening of the Western Counties railway and saw the first train that was run from Yarmouth to Digby on the opening day; and though I am several thousand miles distant I am thrilled again with YOUR successful achievement.

You have awakened to the necessity and possibilities of hydro-

electric power and service and the dawn of further prosperity and development has arrived on the horizon of Digby County.

The demonstration at Weymouth was an outspoken expression of appreciation, and with silent distant applause I join with them in congratulations. I am glad to cover the effort of the Power Board, the Courier and all others who helped to make it such a splendid success. Your dreams have come true—press onward my native county with full speed ahead.

Yours sincerely,
Millard F. MacDonald

Culloden

(Held over from last week.) The Easter Concert which was held in the Methodist Church Sunday evening April 17, by the Sunday School girls was a decided success. The program which consisted of Easter music, exercises and readings was very well rendered showing marked talent of the young people. There were a number of people present and the entertainment was greatly enjoyed by all. A silver collection was received and the sum \$5.20 was realized which will be used for the benefit of the Sunday School.

In a small country place there is rarely any excitement great enough to compel the whole community to turn out. But when a fire breaks out and gets almost beyond control there is cause for excitement. Such was the case when a fire was started in some dry brush near the road just below the Methodist church and started to eat its way rapidly towards the spot where the church stood. On its way it licked up a part of the wood near the road. Observing the clouds of black smoke, several persons rushed to the scene and discovered the fire gradually burning down upon the spot where the church stood. The call for help was quickly responded to and after much fighting, during which the fire had consumed much of the woodland, the men succeeded in conquering the flames. This should be a warning to all who attempt to start brush fires at this season of the year when the grass is so dry a fire can easily get beyond control if not closely watched. Small fires often merge into large ones and the result proves fatal enough.

Tiddville

(Held over from last week.) Our teacher Cora Morrell spent the Easter holidays with her parents, Mr. and Mrs. Wm. Morrell, Freeport.

Mr. and Mrs. Charles Height and daughter Arline motored to Weymouth on Tuesday returning same day.

Mrs. Boyd Farnsworth, of Tiverton, was the guest at the Wayside Cottage Thursday.

Harold McCullough is confined to the house with rheumatism.

Hubert Height, of Danvers, who was visiting his mother, Mrs. Heli Stanton, returned home Friday by SS Grace Hankinson to Weymouth.

Mrs. Arch Horner and little son Freddie who have been visiting her mother, Mrs. Laura Burke, Weymouth, have returned home.

Mr. and Mrs. Guy Stanton is receiving congratulations on the arrival of a daughter April 10th.

Little Gertrude Frost spent the Easter holidays with her grandparents, Mr. and Mrs. Gilbert Bates, Freeport.

Deep Brook

Joseph Dittmars arrived home from Boston on Friday. He will spend the summer with his parents, Mr. and Mrs. Geo. Dittmars.

Ralph Berry after an absence of several years in the Canadian West is spending a well earned vacation with his parents, Mr. and Mrs. J. R. Berry.

Mrs. Mary Nichols spent the week end at Annapolis, guest of her daughter, Mrs. D. B. Wright.

St. Matthews Guild held a social on Tuesday evening April 19th. Fancy articles, ice cream and cut pies were on sale. A good number were present. The tables were all well patronized and about \$30.00 received for church purposes.

A large congregation were present at the Easter Service at the Baptist church Sunday evening. Rev. W. G. Hiseley preached a very fine sermon on the Resurrection of Christ. The choir under the direction of Mrs. Rigmold Long rendered a splendid program of Easter music. The church was decorated with Easter Lilies, cut flowers and potted plants.

Mr. and Mrs. Robert Curtis returned home from New Hampshire on Friday.

Mrs. G. L. Benson who has been at the N. S. Sanatorium for the winter months has returned home for the summer.

Mrs. Alice Bell returned home on Friday after a pleasant week spent with relatives at Clements and Clementsvale.

Mr. and Mrs. Charles Tupper and family of Tupperville spent Sunday at the home of Mr. and Mrs. W. A. Burrell,

Central Grove

(Held over from last week.) Mr. and Mrs. Bernard Boushish, of Freeport, spent a few days last week with her parents, Mr. and Mrs. Elwood Tibert.

The W.M.A.S. met at the home of Mrs. John Elliott, Tuesday, 12th.

Mr. and Mrs. Mead Bates and Clarence Bates spent Easter with Mr. and Mrs. Alfred Cann.

Mr. and Mrs. Burton Shortliffe spent Sunday with friends at Tiverton.

Mrs. B. B. Tibert was the week end guests of Mr. and Mrs. Alton MacNeill, Freeport.

Mrs. Leslie Powell visited her daughter Mrs. Victor Finnigan last week at Freeport.

Mount Pleasant

Lloyd Everett left last week for the United States.

Mrs. L. Atkins and baby, from Malton, is the guest of her parents, Mr. and Mrs. Wm. Jefferson.

Mrs. Elsie Budd and daughter Bertie, of Roxville, spent Sunday with Mr. and Mrs. George W. VanTassel.

Mr. and Mrs. Charlie G. VanTassel, and children have gone to Milford Corner, to spend a few weeks with her parents, Mr. and Mrs. Forman Rice.

Kenneth Rice, of Milford Corner, spent a few days this week with his sister, Mrs. Leo VanTassel.

Mr. and Mrs. Fred Daley and children spent Sunday with her parents, Mr. and Mrs. Frank Scragg at Greenland.

After long tests we are convinced Aluminum is the best container for tea.

RED ROSE TEA "is good tea"

Now packed only in Aluminum.

Fiftieth Anniversary

On Tuesday evening April 19th, many friends of Mr. and Mrs. Henry A. Casey, of Victoria Beach, gathered at their home to join in celebrating their fiftieth wedding anniversary.

Everything was in readiness for the occasion, the rooms being prettily decorated with flowers. All were entertained by music and the singing of old time songs. Later in the evening a dainty luncheon was served to about fifty guests. An interesting feature was the cutting of the brides cake by the bride, and enjoyed by all present.

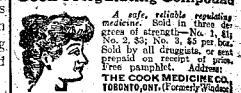

Mr. and Mrs. Casey were the recipients of many valuable gifts, including a substantial sum in gold.

Everyone left for their homes at a late hour all reporting a good time and wishing the elderly couple many more happy years together.

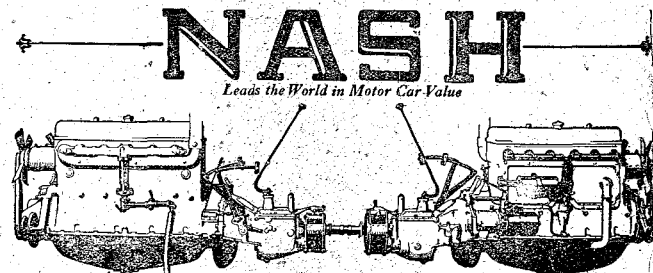

Mr. and Mrs. Casey have resided at Victoria Beach since their marriage. They have five children, all living and with them on their anniversary.

15 extra hours
on the NASH motor
to be certain it is right

The illustration shows two Nash Advanced Six engines hooked together in the great Nash testing room.

One of these motors is driving the other, to limber it up. After a few hours of this, the motor now being driven will limber up another.

Then, after 8 to 10 hours on its own power, it will be taken apart. Bearings, connecting rods and pistons carefully inspected. Valves ground and resealed.

Next, the trained ear of an engine expert will listen to the operation of this motor. When he is sure it is absolutely

right, it will be mounted on its chassis. Then another rigid examination, in the car, out on the road. 15 extra hours in all are consumed before the motors shown above are ready for their owners.

How easily Nash could save this time and expense. You would never be able to see the difference.

But every Nash owner knows there is a difference!

There are extra hours of extra care in every Nash, to lift it above the level of the average car—to be certain Nash performance leads the world!

DIGBY MOTORS
F. R. EISNER, Prop Phone 12

EXTRA HOURS OF EXTRA CARE IN EVERY NASH

CAN YOU IDENTIFY THIS MAN?

He is said to have left Digby or Digby County at about the age of fourteen in or about the year 1875. Send all information to P.O. Box 3111 Boston, Mass.

Mr. and Mrs. Weston Crawford of the Lighthouse Road spent one day last week with their daughter, Mrs. Wilfred Murphy.

Mrs. Charles VanTassel of Digby spent a day last week with her parents, Mr. and Mrs. Alex Ross.

Mrs. William Daley spent a few days last week in Digby with Mrs. Bernard Cossaboom.

Mr. and Mrs. E. C. VanTassel of Mount Pleasant spent Sunday with his mother, Mrs. Emma VanTassel.

Edgar Post had the misfortune to break his leg Saturday.

Venning Handspiker and Archie Handspiker of Mount Pleasant spent Sunday with Mr. and Mrs. Burton Stark.

Miss Louise Handspiker of Digby spent the Easter holidays with her parents, Mr. and Mrs. Wallace Handspiker.

Mrs. Alex Ross has returned home from Yarmouth.

Mr. and Mrs. Wiley Ross of Yarmouth were the guests of Mr. and Mrs. Alex Ross on Sunday.

Mrs. Edward Campbell of Digby was in this village on Monday to see her sister, Mrs. Lessie Murphy who is very ill.

Mrs. Garfield VanTassel is visiting relatives in Yarmouth.

New Tusket

Stanley W. Sabine motored to Yarmouth Monday accompanied by his sister, Miss Bessie who entered the hospital for surgical treatment. We wish her the best of luck.

Misses Lella and Susie Dickie spent the week end at the home of Mr. and Mrs. C. F. Sabean.

Mr. and Mrs. Moody Mullen, Corberrie and Mr. and Mrs. LeRaye Wagner and family, Riverdale spent Sunday at the home of Mr. and Mrs. Harvey Mullen.

Mr. and Mrs. H. E. Mullen and family of Port Maitland are visiting relatives and friends here for a few days.

William Steel, Southville, called on friends here Sunday. He motored to Norwood to visit his mother Mrs. Mack, returning in the evening.

Mr. and Mrs. Ernest Mullen of Easton spent Sunday with friends here.

On the evening of Mother's Day, May 8th we will give an entertainment in the church. A collection will be taken for Demonstration work. Everyone come.

Weymouth North

Mrs. F. H. Lent returned home from a visit to Amherst and Oxford on Friday.

J. C. Trask of Little River spent Tuesday in this place.

Mrs. W. Buckman and daughter Esther of Westport spent the week end with Mrs. G. L. Coggins.

Mrs. A. C. Smith, children and maid of Saint John arrived last week to spend the summer months here.

Miss Hilda Hogan spent the week end at her home here.

Capt. H. B. Fitzgerald spent Saturday in Digby.

Donald Kemp of Halifax arrived on Monday to spend the summer months here.

Miss Florence Campbell returned to Yarmouth Clinic on Tuesday

THURBER-SABINE

A quiet wedding took place at the Baptist Parsonage, Friday, April 14th. Rev. M. B. Whitman officiating when Miss Florence Sabine eldest daughter of Mr. and Mrs. Nelson Sabine became the bride Clarence Thurber youngest son of Mrs. Ellen Thurber. The bride looked charming in an expensive costume of navy charmetaine trimmed with grey squirrel and hat to match. They were attended by Miss Mable Sabine, sister of the bride and Darrel Thurber brother of the groom. After the ceremony the happy couple motored to Digby en route to Montreal, where they will reside for the summer. Both bride and groom are from Weymouth North and we wish them many happy years of wedded life.

25 April 1927

Here and There

Reports received by the Provincial Department of Agriculture indicate that the crop acreage this year will be much larger than last year. Some of the estimates show as much as 500,000 acres in advance of 1926.

Roger Babson, noted statistician, in addressing the Canadian Club of Toronto, said that in 25 years time Vancouver would be the greatest port on the American Pacific coast and that it was only a matter of time before the trade across the Pacific Ocean would equal, if not exceed, that of the Atlantic.

It is announced by the Hon. W. R. Motherwell, Minister of Agriculture, that a contract had been entered into with the Nova Scotia Public Fish Cold Storage Terminal, Limited, at Halifax, respecting the construction and equipment of a modern cold storage plant at Halifax, to be completed about November 1st, 1928.

It has been officially announced that the Canadian Pacific Railway will operate the Hopedale Railway which extends in Quebec from Line Ridge to the United States boundary, passing through several Eastern Townships, including Cookshire, Sawyerville, Malville and down to Paquette. This line has not been operated since November, 1925.

Heirs to the thrones of Great Britain and Spain will visit with each other at the World's Poultry Congress to be held at Ottawa July 27 to August 4. H.R.H. the Prince of Wales will exhibit some live birds from his farm in Cornwall, England. Now word is received that H.R.H. the Prince of Asturias, heir to the Spanish throne, will exhibit some fowl from his own poultry farm.

Over 1,000 members of the parish of St. Aidan's Church, New Jersey, journeyed to Montreal over the Canadian Pacific line on Easter Monday to visit the famous Oratory of St. Joseph. The visit was in the nature of an act of thanksgiving for the miraculous cure last year of their pastor, Rev. Father Roger McGinley. Father McGinley had been suffering from heart trouble for some years preventing his entering the pulpit. Following a visit to Brother Andre, however, in Montreal, his condition improved almost instantaneously. Within a few days he was able to address his flock.

Passengers on the Canadian Pacific flagship "Empress of Scotland" now completing a world cruise, visited the ruins of the site of the old city of Panama destroyed in 1671 by Sir Henry Morgan, the famous English pirate. The ruins have come into the limelight recently on account of the fact that treasures valued at over \$50,000 have been discovered by a young English fortune hunter, Lieutenant George Williams. The discovery, which was made by means of a delicate violet ray detecting instrument of his own invention, consisted of gold Church ornaments, gold dust and jewels. The delicate instrument still indicates that larger treasures exist at this site.

Completing a journey of over 30,000 miles during which the entire globe was circled, the Canadian Pacific flagship "Empress of Scotland" docked at New York recently. Over 400 passengers disembarked laden with every imaginable kind of souvenir from every country. The ship carried back the first refugees to America from the war zones of China in the persons of Mr. Melvin Southwick and her young baby, who were forced, through Chinese disorders, to board a tramp steamer for Kobe, where they were picked up by the "Empress of Scotland". Mrs. Southwick's husband is an official of the Standard Oil Company at Hankow. During the great cruise of the "Empress of Scotland" she visited about 20 countries and anchored in over 25 world ports.

Centreville

We are glad to see Mrs. Fred Morehouse out again after being confined to the house for the past two weeks with a bad cold.

Mr. and Mrs. E. D. Morehouse, of Sandy Cove, spent Sunday with the former mother, Mrs. Rachel Morehouse; Kenneth Cossett, of Waltham, Mass., is visiting his parents, Mr. and Mrs. S. Cossett.

Miss Rena Shaw, who is attending Normal at Truro spent the past two weeks with her parents, Mr. and Mrs. C. Shaw.

Rev. Walter Ramsey spent last week with his family at Bear River.

The Anchor of Hope Division which was reorganized a few weeks ago is in a flourishing condition and new members are being taken in at every meeting.

Mrs. Floyd Jeffery and family spent last week with her mother Mrs. Helen Holmes.

The Bethel United Church held their annual congregational meeting last Thursday evening. A large number were present to hear the report of the year and to welcome back their much esteemed pastor Rev. G. T. Bryant for another year. The Junior Aid gave a musical program after which refreshments were served.

The Easter Concert presented by the Sunday School of the Bethel United Church Sunday evening was a great success. The music was of a high order and the children took their parts well. The church was decorated for the occasion with potted plants, and crowded to the doors. The collection amounted to \$17.

Freeport

Maurice Cline left last week for Saint John for an indefinite time.

Mrs. Benjamin Campbell met with a serious accident one evening last week, as she was returning from a neighbors house she tripped and fell breaking her ankle. Dr. Milner was called and set the fractured limb. We wish her a speedy recovery.

Capt. Horace Thurber of the schooner Firelight arrived home Tuesday and sailed again for Weymouth on Wednesday.

Capt. George Horridge and Capt. I. Halibur arrived here from North Sydney this week to purchase the Schr. Jennie T. from Capt. Chas. Teed. They left for their homes on Friday. They were accompanied by Harold Teed who will meet his father Capt. Chas. Teed in Sydney to bring back a large vessel which he has purchased for his coasting trade.

Sandy Cove

Mrs. J. D. Morehouse spent Easter with her son, Lawyer Crowell of Bridge town.

Miss Ethel Saunders Weymouth, spent the Easter holidays with her parents. The Misses Roy and Mary Hankinson were guests of Miss Saunders.

Mr. and Mrs. Carl Eldridge spent Sunday with Mr. and Mrs. Terah Morehouse.

Miss Josephine Eldridge is spending a few weeks with her grandmother, Mrs. Carolyn Saunders.

A number of people from this place attended the Easter Cantata in Digby Baptist church, Tuesday evening.

Mr. Roy Stanton was the week end guest of his friend, Barbara Crowell.

Capt. and Mrs. George Morrell have returned from Saint John.

The C.G.T.I. met with the group leader Mr. Amos Eldridge on Saturday afternoon.

Mr. and Mrs. Fred Dakin, Centreville, were the guests of Mr. and Mrs. W. R. Crowell.

Capt. Daniel Morehouse has returned from Digby where he was spending a few days with his son.

Mrs. William Eldridge spent Sunday with her parents at Little River.

The S.S. gave an interesting program on Easter Sunday.

MEMORIAM

In loving memory of Pte. Jeffrey H. Saunders, who died in France, April 25th, 1916.

In Holy Cross, softly sleeping Where the flowers gently wave Lie the one we loved so dearly In his lonely silent grave.

He will never be forgotten Never shall his memory fade Sweetest thoughts will always linger Around the grave where he is laid.

Sadly missed by his mother and sister, Mrs. C. J. Saunders Mrs. P. P. Foster

DON'T GROW "APPLES" GROW DOLLARS

If apple raising is merely a hobby, it may be all right to raise over a hundred varieties in the Valley.

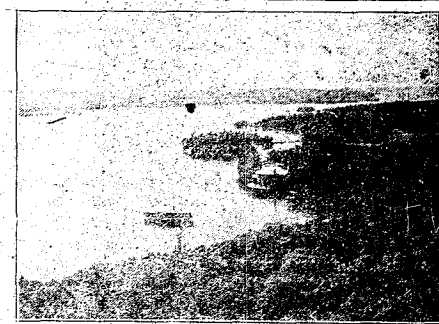

But if you want to raise apples for profit, concentrate on the seven varieties that sell best. Such as: Crimson Gravenstein, Red King, Red Spy, Cox's Orange, Baldwin Golden Russet, Mackintosh Red.

Many varieties only lower your average returns. Graft them out—it's easy—now's the time. See posters, consult your Agricultural Representative, or write for special bulletin.

Halifax

Attractive Convention Centre

In the Lake of the Woods district of the northwestern shore of Lake Huron, there is a beautiful resort, the Bixby Inn. A spacious pavilion, with seating capacity for one thousand people, makes an ideal convention centre. In the artistic dining room, five hundred delegates may be entertained at one sitting, while comfortable quarters may meet around the spacious first floors in the main building. Bixby Inn was chosen as the 1927 convention centre of the Canadian Newspaper Association. The Bixby Inn is one of the charming summer hotels of Eastern Canada, is conveniently located near Huronville, Ont., and splendid boat and train service collections ensure the comfort and convenience of visitors to this delightful resort. Council Refers Fire Alarm Purchase to Electric Light Committee

At the regular monthly meeting of the Town Council held on Monday night the matter of securing adequate fire alarm protection signal was discussed by the full Council and referred to the Electric Light and Fire Committees with power to purchase and install. The committees were instructed to select what was in their opinion most suitable for the needs of the community and to purchase at earliest possible moment.

It is likely that the signal system adopted will consist of an electric siren, similar to that in use in Annapolis and Kentville.

Splendid Cast Scores Distinct Triumph in Hospital Benefit

continued from first page

was at his best. His alternating between expressions of pleasure at his dad's arrival and his natural embarrassment under the circumstances was admirably done. Miss Carty "played up" nobly as the confused bride and while her independent assistance to avoid exposure of their secret was well interpreted it was as the unwelcome object of the attentions of her temporary "Brown" that she showed her best dramatic talent.

Mr. George Peters, the irascible woman-hating Preston Senior had a part that permitted fine work and it was portrayed in a manner that would win his place in character at any time he wants a change from the routine of selling life insurance.

Miss Bertha Curry as Miss De Cree, as the mutual friend eager to assist the newly weds in the keeping of their secret was entirely at home in the part and her boast of skill as a cook was only second in pleasantry giving to her acknowledgment in the closing scenes of a desire to untangle the difficulty by further entangling herself.

Through the presentation the repeated appearance in the plot of Miss Freda VonHollanbeck in "search of her Affinity" and of Mr. Worth Carey, a seeker for the love of Miss DeCree, were occasion for shrieks of laughter. Mrs. F. R. Eisner made a Hollander hard to distinguish from the common conception of the real article while Mr. Oakley Turnbull was complete in his part from monodrama to drawl.

Mr. A. J. Dillon played the part of Arthur Howard in splendid form and his love for Lettie Leonard, his ignorance of which of the girls really was the bride, and his final avowal to Miss DeCree were altogether good.

Congratulations are due to the entire cast on their success. The play, prepared under direction of Mr. Dillon and Miss Williams is one which because of the thread of mystery running through it, and of the need of sustaining every atom of the action in order to work up to the climax is an ambitious undertaking for amateur talent. That it was successful is indication of the interest taken by the participants, who are worthy of all praise.

Mr. C. E. King, a former stage carpenter, acted in that capacity on the occasion and with Mr. C. F. McBride as his assistant, the scene built by them for the third act called forth many well deserved compliments and was material in the "putting over" of the difficult last act.

Will Spend Summer Here

Mr. and Mrs. E. Hart Nichols are moving down from Halifax this week to spend their summer cottage on Warwick street. Mr. Nichols will take a short holiday here before returning to Halifax and will be a frequent visitor here during the summer months.

Mr. and Mrs. C. B. Simmons are receiving congratulations on the birth of a son.

H. B. Hayden has returned from a short business trip to St. John.

BOYS FIRST LONG PANTS AT WRIGHT'S.

Mrs. F. A. Bent, of Quincy, Mass., who was in Digby handling her mother's funeral, had home Tuesday.

Mr. B. H. Morrell, of Westport, who has been visiting his sister Mrs. A. J. Westhaver has returned home.

B. H. Ruggles left on Monday for New Brunswick where he was called by the death of his brother.

Miss Josephine Eldridge returned yesterday from Sandy Cove where she has been the guest of her grandmother, Mrs. Caroline Saunders.

Back from Toronto

W. H. Farnham, M.P.P., who has been on a business trip to Toronto, returned home this week. Mrs. Farnham, who accompanied him as far as St. Stephen, where she spent the Easter season with her daughters, Mrs. J. W. Christie and Miss Eileen Farnham, also returned.

Oh, Boys! If you want a new bike, and don't like putting it up to dad, just open the Courier up to Dakin's advertisement and slip it in front of his place at the table when he comes home to supper.

Before you buy that electric washing machine ask for a demonstration of the Easy Vacuum Electric. It entails no cost or obligations to purchase, and the demonstration will be conducted in your own home on your own clothes. Just call phone 171.

The weekly dances at the C.O.F. Hall Clementsvale were resumed on the Wednesday following Easter, the second being held on Wednesday of this week. The one man orchestra, Mr. Cunningham, conductor, is on the job again this year with music in excellent dance time and the refreshment department is in hands of a capable staff. For the present the dances will be held each Wednesday night.

For sale, Perfection Oil Stove, 3 burner, Mrs. Paul Yates.

REAL VALUES IN MEN'S SUITS AT WRIGHT'S.

Westport

Mrs. Ervin Thompson spent Monday at Freeport.

Mrs. R. V. Watkins and sons Albert and Ralph were passengers to Saint John Monday. Mrs. Watkins and Ralph returned Friday. Albert has taken a position on the steamer with his father.

George Clements and son were passengers to Saint John Monday returning Thursday.

Mrs. Warren Buckman and daughter Esther were passengers to Weymouth Friday to spend a few days with Mrs. G. L. Cogges.

Mrs. Irene Fugh and son Emmerson were passengers to Yarmouth Friday where Emmerson will enter the Clinic for an operation on his throat.

Charlton Gower is visiting relatives in town.

Mr. and Mrs. Harry McDermott and daughter Dorna and Gordon came spent Sunday at Freeport.

Harvey Peters of the Str. Arleux arrived Monday to spend his vacation with his mother, Mrs. Annie Peters.

The B.Y.P.U. gave a Pageant "From Garden to Gallies" in the Baptist church Sunday evening. There was a huge attendance and the offering was for Missions.

We are sorry to report that the body of Herman Glavin has not yet been recovered as was first reported.

FIRST ARRIVALS OF SUMMER DRESSES AT WRIGHT'S.

Time For Action on Hydro Extension

continued from first page

issue, and no uneasiness need follow increased capitalization for extension purposes.

The cost of constructing necessary transmission lines and secondary lines down to Westport should not be as great as was the main transmission line. It will not be necessary to put in the extra long poles which were necessary on the main highway.

Hydro-generated electricity, at the price for which it can be delivered to Westport and other points on the Neck, is cheaper, more efficient and more serviceable than any other method of illumination. It brings with it so many and so varied an array of household helps, washers, vacuum sweepers, curling irons, irons, toasters, and so on, that its convenience can only be measured by the use to which it is put. A very short time spent on construction will bring it to the whole Digby Neck district, and there is no reason why the work should not be undertaken at once.

When the development was first talked of it was intended that it should serve the whole of the Municipality. That is still what it is intended to do, and the residents of the villages of the Neck are not looking to their own interests if they permit the Municipal Council to meet and adjourn without passing the necessary authority to provide capital for construction purposes.

There is only a short time to get busy in, and the work will have to be done quickly.

Mail Contractor Guy Morehouse, who carries the Digby Neck mail has been advised by the Post Office Department that the through service to the Eastern Passage starts May 2, instead of May 15, as formerly.

Genuine Closing Out Sale

Balance of Stock at present in
Robinson's Store, Digby
Next door to Oddfellows Hall

**Must be sold on or before Saturday, May 7
as store has to be vacated on above date.**

We are creating an "Extra Big Sale", remarking over all lines of goods at a considerable reduction in prices from previous sale.

Municipal Council Proves Belief in County Hydro Development

Passes Resolutions Authorizing Expenditures for Construction to Westport and for Rural Distribution Lines

The report of the Digby County Power Board, presented by Councillor Marshall, chairman of the Board, had the right of way at the session of the Municipal Council on Wednesday afternoon. Mr. Marshall reported that the auditors Messrs Belyea and McNece, had audited the accounts for construction. The main transmission lines and plant, including all costs to the time of operation had amounted to \$67 314.81. On construction of rural distribution services the sum of \$11 399 10 had been expended. Expenditures for construction of rural distribution services had been kept in separate account because the Board of Public Utilities required that no part of the amount authorized for the construction of main transmission lines and plant be used for this purpose. The Municipality would be asked to separately guarantee such expenditures and separate debentures of the Board would be issued for this purpose.

Petitions had been presented from Westport, Freeport, Tiverton, Little River, Sandy Cove and Rosaway for extension of the service down Digby Neck to Westport. Petitions had also been presented from residents of Weymouth North for extension of a distribution service. Regarding construction of the line down the Neck, it would cost about \$800 a mile. Representations were being made to have the lighthouse in the district converted to use electricity and an endeavor was also being made to secure government assistance in the laying of the cables to cross the ferries. If all these could be secured the extension could be made on the basis of present demand, but in order to secure the approval of the ratepayers of the Town of Digby and the Village of Weymouth, who would also have to authorize expenditure for this purpose. Mr. Marshall asked that the Councillors in the Neck sections endeavor to secure more signatures to the petitions. With 400 users to serve from the start they could go ahead without waiting on the lighthouse proposals.

On motion of Councillor Lent, seconded by Councillors Hillman and Fitzgerald the Council authorized expenditure by the Board, to be secured on the assessable property in the Municipality, of a sum not exceeding \$20,000 for the construction of distribution sections

where the transmission line was now ready to serve.

Authority to the Board to borrow under conditions of section 13 of the Power Board Act, a sum not exceeding \$50,000 for the construction of main transmission line down the Neck and to the Islands, was passed on a motion proposed by Councillor Outhouse and seconded by Councillor Lent.

In putting the questions the Warden commended them to the favorable consideration of the Council. He hoped that the hydro development was only properly under way and that in time it would extend to all sections of the County. In the present plan and transmission service the generators of the bonds had an asset that would bring more than the cost in open market and he was enthusiastic over the outlook.

Obituary

MRS. ANNIE S. DUNN

The removal by death of Mrs. Annie S. Dunn on the morning of April 18th, has robbed us of one of our best citizens. She had been a widow for a number of years. William E. Dunn her husband having gone on before. They were very devoted to each other and before the break came by death were a very happy family. Mrs. Dunn leaves two sisters Mrs. George Chute and Mrs. John Abel of Springfield Ontario, one brother Othello Couse of Bear River, a daughter Mrs. Frank A. Bent of Quincy, Mass. three sons, Frank of Bear River, Richard and Cervantes of Digby. Cervante lived with his mother until the end. The deceased was 73 years of age and was the acme of patience for she suffered for a number of years. The funeral was conducted at the house by her pastor, Rev. Jabez Appleby and interment took place at Bear River in the quiet but lovely hillside where her husband and daughter Rose are resting.

The last year of Mrs. Dunn's life was made painful and by the sickness and death of her beloved daughter, Rose. She was the chief factor in the home relieving her mother of much care and work. When in defiance of all the skill and nursing, Rose walked into the Valley the sorrow to her mother was overwhelming. Their promotion is a source of comfort to the rest of the family.

"Thou, Oh Christ art all I want,
More than all in Thee I find."

In Loving Memory of Mrs. Celestia Murphy

The community of Digby was saddened by the news of the death of Celestia Murphy which occurred on May 2nd after being confined to her bed for three months with a cancer. Deceased was 68 years of age. The funeral services were conducted at the home of her son Russell Smith, the Rev. Mr. Bishop of Digby officiating.

She leaves to mourn their loss one son Russell of Culloden and three daughters, Mrs. Flynn of St. John, Mrs. Lent of Breslau, Sask. and Mrs. George Hickey of Mink Cove N. S. by her first husband, and one son Edgar Murphy of Culloden by her second husband. Also two sisters Mrs. Sarah Brown of Gloucester, Mass. and Mrs. Edward Campbell of Digby and one brother Enos Campbell of Culloden besides eight grandchildren and three great grandchildren.

The nice flowers testified the stern cherished for the departed. The sympathy of a host of friends goes out to those who mourn.

She has only stepped over the threshold. Just into the other room. Where we may follow her soon. The pain that she suffered while with us has passed like the morning dew. We can rejoice with our dear one. Even while we are sorrowing too. Just think of the joy that awaits her in meeting with those gone before. And how they will never be parted. Who dwell on that beautiful shore. She will watch over her loved ones in Earth's life. Wherever their footsteps may roam, And welcome each one as they enter Their beautiful Heavenly Home.

Mother's Day Service at Grace United Church

On the evening of May 8th there will be a Special Mother's Day Service in Grace United Church, Digby. All are welcome to the services of the day. The emblem for Mother's Day is a white or red Carnation.

Advocates of Having Over-Assessor Win by Single Vote

By a majority of only one vote the Municipal Council of Digby in semi annual session on Tuesday adopted the policy of continuing the appointment of a chief assessor and so levelling up the assessments in the different polling sections. The vote came after a two hour debate on the report of the Committee on Assessment Appeals and disposes of one of the most contentious questions which were on the agenda of this session.

The Council assembled at the Court House in the afternoon and were welcomed to their duties by Warden Andrews, who outlived the matters which would be brought for their consideration, which were to include, hydro development and extension, assessments, action of the council on pulpwood embargo, celebration of Canada's Diamond Jubilee. Respecting the latter the Warden reported a visit he had made to Halifax to attend a meeting of the provincial committee and suggested that at proper time the Council should consider entering into conjunction with the committee of the town of Digby for the celebration and assisting in a material way.

Those attending were: Warden Andrews, North Range; Councillors, Hankinson, Weymouth; Fitzgerald, Weymouth North; Marshall, Marshalltown; Chisholm, Bear River; W. Cossaboom, Smith's Cove; Hillman, Culloden; H. Cossaboom, Centreville; Outhouse, Tiverton; Lent, Freeport; Pugh, Westport.

By unanimous vote the council adopted a resolution moved by Councillor Hankinson and Fitzgerald that the Municipality guarantee the payment of principal and interest of an amount up to 8,000 to be used by the Village of Weymouth, under the Village supply Act, for the construction of an electrical distribution system for the village. This followed adoption of a motion to rescind a resolution passed three sessions before guaranteeing \$25,000 for Weymouth to install its own generating plant.

Bills for sheep destroyed by dogs were presented to the Council and offered to be paid at their assessed valuation, \$6.00 a reduction from \$8.00. One of the bills presented was for sheep destroyed in April 1923, which had been several times held over.

The report of the board of assessment appeals, which was expected would bring the first division of the council was then presented. Setting forth a list of appeals granted the report included recommendation for the appointment of a chief assessor, mentioning the re-appointment of T. O. Morgan who was appointed for 1926. It also recommended that local assessors be reappointed for a period of three years and recommended that sheep assessed at \$2.00 and foxes over one year old valued at \$100 a pair for assessment purposes.

Discussing this report Councillor Hillman put himself on record as unalterably opposed to the appointment of a chief assessor. He relied on the local assessors as being competent to bring in proper reports and the trouble that had followed Mr. Morgan's work last year as chief assessor would not be again made possible. He commended the work of the chief assessor as being a waste of municipal funds and cited the assessment of sheep at \$3.00 half value as a glaring mistake. He moved "That the Council do not reappoint or appoint any chief assessor." Councillor Fitzgerald seconded the motion. Continued on page 6

L. V. Bailey of Westport Chosen Chief Assessor of Municipality

Fitzgerald Threatens Resignation Unless Morgan's Appointment is Rescinded So Council Over-works Warden's Vote

L. V. Bailey of Westport was chosen as Chief Assessor for the Municipality of Digby at Thursday morning's session of the Council, disposing of the matter for another year. The resignation of Councillor Fitzgerald, tendered as a protest against the appointment of T. O. Morgan as Chief Assessor was withdrawn, the Council having acceded to his demand that Mr. Morgan be removed.

work of last year as a guide. The nomination was seconded by Capt. Fitzgerald. Councillor Marshall endeavored to get the matter laid over until Thursday morning, which Mr. Cossaboom was willing to do, his second declined to permit the motion to be withdrawn. Councillor Marshall, supported by Councillor Pugh, moved as an amendment that Mr. Morgan be reappointed.

The selection of T. O. Morgan as Chief Assessor for the Municipality of Digby in accordance with the recommendation of the Board of Assessment Appeals was the cause of a real disturbance in the Municipal Council session on Wednesday afternoon. The matter came up for discussion in the consideration of the report of the Appeal Board and was precipitated by the nomination of Sebe Rice of Bear River for the appointment and the nomination as an amendment to the motion, of Mr. Morgan for reappointment. Councillor W. Cossaboom moved the appointment of Mr. Rice. He felt that the Municipality should have a chief assessor, but that the appointment of Mr. Morgan would not be popular, that it would cause trouble in getting the work done, and that the best interests of the municipality would be served by the appointment of a new man who would have Mr. Morgan's

On the question being put Councillors Marshall, Pugh, Hankinson, Outhouse and H. Cossaboom stood for the Amendment; Councillors Hillman, Fitzgerald, W. Cossaboom, Cronin, Chisholm stood against the amendment. Councillor Lent declined to vote. He had voted against the appointment of any chief assessor and would not vote on the appointment of any. The Warden gave the casting vote in favor of Mr. Morgan's appointment. In giving his vote Warden Andrews said that he felt it was only fair that Mr. Morgan should be given an opportunity of completion of his work. He considered Councillor Cossaboom's remarks about a new man being able to start from where Morgan left off well taken, but he felt strongly that Mr. Morgan had accomplished much and would through the experience gained last year be able to do more.

Rising to address the Council Captain Fitzgerald said that he

FRIDAY MAY 6, 1927

Mother's Day

By popular approval the first Sunday in May has been set aside as Mother's Day, and on Sunday, May 8th, the churches of this and other countries will lead in the observance of this day of homage to the Mothers of the World.

And rightly, for it is the mothers who raise sons to be good citizens, good business men, good soldiers of war and peace, and it is the mothers who by example and teaching raise daughters to take their places in the business of humanity.

Mother's Day was first conceived as an opportunity of consumerism. How far, in a few short years since its inauguration, it has advanced from its original footing is impossible to conceive, and yet commerce

must as in all things play an important part in its celebration.

To the mothers of the world pass tribute. In every village, in the humblest home as well as in large cities and their stately mansions, and the hearts of children their love of home, of native land, their pride of race and citizenship is all expressed in their love of mother.

That is why Mother's Day has succeeded beyond the greatest expectations of its promoters, that is why the day is celebrated in every home, and as may happen, the mother does the most of the preparation of meals and pleasures for the event, why that is just another proof of what Mother's Day can mean.

The Rates And Taxes

The financial affairs of the Town of Digby are not a matter to cause any grave concern on the part of residents of the town, and though this year the rate is a little higher than it was last year it is not yet high enough to cover all the necessary expenditures.

In preparing the estimates and setting the rate the Council figured things out fairly well, and in spite of the fact that the resolution moved by Councillor Dakin to set the rate high enough to cover all the estimated expenditure was not carried there is no great reason to worry.

But when the present year is up it will be well to remember that Councillor Dakin had the right idea.

And even his figure was not sufficient. When the estimates were prepared the matter of providing fire alarm equipment was overlooked, although it was known that the steam whistle at the electric light

Splendid Washboards

Here's a washboard so strong that a big 165 pound man can stand on it without damaging it in the slightest way.

That tough SMP Pearl Enamelled rubbing surface is mighty near everlasting, and the rest of the board is built in the same way. The remarkable wearing qualities of this sturdy washboard demonstrate the lifelong wear you get from all SMP Enamelled Ware utensils. Made by that old established Canadian company.

THE SHEET METAL PRODUCTS CO. OF CANADA
CENTRAL CANADA WINDING
EDMONTON VANCOUVER CALGARY

station would have to be replaced when the fires were drawn.

Now an unprovided for expenditure of several hundred dollars will have to be taken care of, and the bank overdraft, which made an increase in rates necessary this year, will again be the reason of a further increase. Unless some very unexpected revenue comes along to help out affairs.

Fined for Distributing Posters

On the grounds that the defendant had been guilty of a public nuisance in distributing posters on the streets of Montreal, the magistrate convicted a storekeeper and held him to payment of a fine.

"Use the newspapers for your advertising" was the Magistrate's summing up of the case.

This may seem drastic action, and we may be accused of a selfish interest in circulating the magistrate's decision, but there is another point to the matter.

The magistrate was not concerned in soliciting advertising for the Montreal newspapers. He was interested in safeguarding the appearance of the city streets, and the fine was imposed because the storekeeper was contributing to making these streets unsightly.

The tourist season is drawing near, and many motoring parties will pass through Digby during the coming months. Will they drive through streets kept clean and tidy, or will their pleasure be marred by whirling odds and ends of paper old envelopes cast on the sidewalk, sweepings from stores permitted to be carried by every wind that blows, hither and thither, to make the streets unsightly and unclean. It seems unnecessary that the town authorities should have to hold some offender into court and inflict a fine in order to compel observance of the town bye laws, but it does seem necessary that a word of caution be given.

As a matter of civic pride, don't throw waste paper, fruit skins and other rubbish out where it will be blown into the streets. Burn everything of that nature and it will be easy to keep the streets clean.

A few metal containers placed at intervals along the street would be a good idea. Say one at the post office, one near the crossing, one at the bank corner and one down by the theatre; and if the streets department would undertake to empty them once or twice a week folks would soon get into the good habit of throwing rubbish into the tins instead of into the gutters.

READ THE ADS!

Here and There

Nineteen ex-service men's families, sent out to Canada by the British Empire Service League, arrived at Quebec recently on the Canadian Pacific liner "Montrose." These families, totalling in all about 100 persons, have been carefully selected and have been given training at the Ministry of Labor's Training Farm at Brandon, Suffolk, England. The men will carry on farming in the Western part of the Dominion.

A unique "Seeing Canada" expedition will set out from Ottawa on August 4 this year to visit the principal points of interest in the provinces from the Atlantic to the Pacific. The party to make the tour will include a selected number of delegates to the World's Poultry Congress, to be held at Ottawa in July. Practically all the nations of the world will be represented, and the party will journey first to the eastern part of the Dominion over the Canadian Pacific lines.

Record wool clip and wheat output for the province have placed Australia in a condition of prosperity that was never so great as at present, according to J. M. Myers, correspondent of the London "Daily Telegraph," when interviewed at the headquarters of the Canadian Pacific Railway in Montreal recently on his way from the Commonwealth to England. He estimated that the exports from Australia had probably reached a record figure.

The farthest north settlement in the world, Bache peninsula, is cheered by radio programmes. Situated in the Arctic Ocean, 750 miles above the Arctic circle, this far-flung outpost is situated ten and one-half degrees off the North Pole. Here there is a post of the Royal Canadian Mounted Police, the garrison consisting of Sergeant Joy, two constables, and a few Eskimos. From November to March they do not see sunlight. Their one great pleasure is in listening to radio programmes from the outside world.

A unique musical event will take place at the Chateau Frontenac, Quebec, May 20 to 22, when a folk song and handicraft festival will be held. The songs will be sung by local singers, famous for their knowledge of traditional airs of Old Quebec. French-Canadian folk songs are gaining in popularity throughout the country since so many of them have been translated into English by John Murray Gibson, of Montreal. Charles Marchand, one of the outstanding interpreters of these old-time songs, will figure prominently at the coming musical festival.

President Coolidge's natal State, Vermont, has been brought vividly to the attention of the Middle West, Ontario and Quebec by a special train, known as the Vermont Maple Sugar Special, which has been touring the western states and which visited Ontario and Quebec in the latter part of April, carrying special exhibit of Vermont products and also a car of Canadian Pacific exhibits. Governor John E. Weeks, Vermont's chief executive, and Mrs. Weeks, together with his staff, the United States Senators for Vermont, and many other State legislators and representatives of leading business interests, were aboard the train during its extended tour.

Sidelights on the Chinese situation were thrown by travellers from a trip around the world, who arrived at the Windsor street station in Montreal recently, on the last lap of their journey. They were: Harrison Williams, well-known public utilities financier of New York; Paul Cravath, general counsel of the Missouri Pacific Railroad; and Colonel R. B. Worgan, of the Indian army, who had joined the trip at Madras. Mr. Cravath was in Shanghai, his arrival corresponding with the capture of the city by the Nationalist forces. Mr. Cravath stated that he had not heard a shot fired on that day, and would not have been aware he was in a city taken in open war if he had not been informed of the fact.

Young Angler is Swept to Death Over Spillway

The first drowning accident of the season in this district occurred Saturday afternoon in the Lequille River, a few miles from Annapolis, when Winfred Burrill, a boy eleven years of age, was swept to his death over the spillway of the power house dam.

The lad had been fishing from a small boat in the stream, and while his attention was absorbed in the sport, the craft drifted so close to the spillway that he was unable to propel it away from the danger point. After a vain struggle to keep the boat from going over the boat from going over the spillway, he jumped into the stream in a desperate effort to swim to the bank, but the current was too strong to be resisted and before help from men a few hundred yards away could reach him, he was swept into the rushing waters of the spillway, along with the deserted boat and disappeared.

The stream was searched today by grapplers, but the body could not be located. Further effort will be made tomorrow to recover the body.

Imported direct from the Orient in metal lined chests. Blended and packed into 1 lb., 1/2 lb., 1/4 lb. bright Aluminum packages.

RED ROSE
TEA "is good tea"

RED ROSE ORANGE PEKOE is extra good.

The boy was an adopted child of Mr. and Mrs. Fred Burrill of Annapolis.

New Booklet is Issued

The 1927 booklet Nova Scotia, Canada's playground, issued by the Department of Natural Resources, is now being forwarded to individual inquirers—tourist bureaus, chambers of commerce, and motor clubs throughout Central Canada and the Eastern States.

This folder, which is splendidly illustrated in sea-blue color, features Peggy's Cove as its frontispiece and carries a full line of pictures representative of the Province from Yarmouth to Sydney. An interesting sports' may has been included and the various highways of the province fully described. Full information is given about how to reach Nova Scotia both by steamer train and road.

The regular monthly meeting of the Victorian Order of Nurses will be held in the Court House Tuesday May 10th at 3 p.m.

The Spring Rummage Sale will be held Saturday May 14th. Place to be announced later.

Obituary

OSBORNE RUGGLES

The people of Tiverton were greatly grieved and shocked on Sunday, April 24 to learn that Osborne Ruggles had passed away at 2 p.m. at Kings Memorial Hospital Berwick, N. S. He had been in a rather broken state of health for a number of weeks and about five weeks ago went to his bed as advised by the physician.

During his illness he complained of weakness chiefly and although relatives and friends realized that he was critically ill hopes were entertained for his recovery.

He was tenderly cared for by his sister Sarah who has taken the place of mother in the home for some years.

While ill, four physicians were called and finding no change he was taken to Kings Memorial Hospital for treatment. He was accompanied there by Dr. Rice of Sandy Cove and one of his Oddfellow brethren Mrs. F. Ruggles, Tiverton, on Saturday April 23rd, but all efforts were fruitless and the end came a few hours after his arrival there.

His sister Myrtle of Boston, who had gone to Berwick to be near him during his stay there, was with him when he passed away.

On Monday, April 25th his body was brought to his home by his sister Myrtle and brother Benj. Ruggles of Digby. Members of Oddfellow Lodge at Berwick marched to the train and assisted with the arrangements there.

Funeral took place from his late home on Friday, April 29th at 2 p.m. A short service was held at the house by Rev. McLeod, after which Chippewa Lodge No. 85 Freeport, of which he was a member, took charge. A quartette "I Lay My Head On Jesus" was tenderly rendered by this Lodge at the house.

The procession was then formed to wend its way to the cemetery, headed by one of the largest representations of Oddfellows seen in Tiverton for many years all in full regalia, Rainbow Lodge, No. 113 also marched with Chippewa Lodge in respect and love for their late brother.

I.O.O.F. Service at grave was very touching. Noble Grand W. Stevens, Chaplain Rev. Hamilton, officiating.

The deceased was fifty years of age the cause of his death being diabetes.

In his community he will be greatly missed. As a citizen he was one of Tiverton's best. Quiet industrious, a peaceful disposition, honest in his dealings with his fellow men and a friend to all who knew him. He was a member of Laurico Tent no. 11 K.O.T.M. and Chippewa Lodge no. 85 I.O.O.F. Freeport. Many friends throughout Canada and United States learned of his death with regret. Left to mourn a kind son and brother are: A father, three sisters, Miss Sarah Ruggles, Tiverton, Mrs. Myrtle Ruggles, Boston, Mrs. James Outhouse, Tiverton, two brothers Irvin of Tiverton, Benj. of Digby and a large number of relatives and friends. He was the oldest son of Sinclair Ruggles.

The floral tributes were beautiful Spray from Oddfellow Lodge, Berwick, wreath from Miss Daisy Prime, Freeport, wreath from father and sisters and brothers and many beautiful flowers from relatives and friends in his community.

May He who wiped the tears from eyes Be near and comfort all who mourn Fold him, oh Father, in thine arms, E. And let him henceforth be A messenger of love between Our human hearts and Thee.

MRS. EDWARD BREMMER

The death of Mrs. Edward Bremmer occurred at the Digby General Hospital on April 25th, after an illness of five weeks.

The deceased was 48 years of age and was a member of the Digby Baptist church.

She leaves to mourn her loss her husband, Edward Bremmer of Digby, one daughter Miss Eva Chute of Boston, two sons, Vernon of Boston and Garret at home, besides a host of friends. She was always bright and cheerful and beloved by all who knew her.

The funeral was held on Wednesday afternoon, April 27 from the Baptist church. The service being conducted by Rev. F. E. Bishop. The pall bearers were Messrs. A. R. Turnbull, A. J. Dulo, Ernest Collins and Charles Cartty.

Interment was in the Baptist Cemetery.

Our Suburban Sales Force

FUNERAL SERVICES, REG'D STANLEY, A. KEEN, Proprietor

Funeral Services Reg'd Extends Throughout County

In time of bereavement and grief, when Death has touched the family circle, it is good to know that the tribute of love and affection with which we do honor to our dead may be paid in surroundings which are in keeping with our grief and in conformity to custom. The organization of Funeral Services, Reg'd, Digby performs just such service. Founded by the late John G. Rice who was in turn succeeded by his son Mr. J. Rice, and was some five years ago acquired by its present owner and manager Mr. Stanley A. Keen, grandson of the founder.

In all appertaining to the preparation and care of the dead their equipment is in excellent taste and their county wide service enables the solemn duty to be performed in a manner that is a comfort to those who mourn.

With a county organization of representatives in each community the service extends to each hamlet and village while at the centre of

the County, Digby, an equipment used only for burial is at command.

The mortuary chapel, completed during the last year, composes a suite of apartments where all respect may be paid to the departed.

and by the addition of a steel fire-proof vault, and chapel for the holding of services it is possible to hold, in proper surrounding, the last services. This part of the service is especially designed for the comfort of relatives of deceased persons whose remains are to be sent to other points for interment, or who are to be brought home for burial in their own family lots, and is in keeping with modern ideals of mortuary service. The chapel, on First Avenue, was remodelled to suit the needs of the service and not only in its interior fittings, but its exterior style, is appropriate for such purposes as it was designed.

The county organization enables bereaved ones to obtain immediately that service and assistance which is needed at time of death and by careful working out of a system of service the district representatives are in a position to at once assist in the selection of all that helps to ease the feeling of grief and assist the family of the deceased.

All in all the equipment and organization of Funeral Services Reg'd has been developed upon a high plane of service and is as complete in every way as that of many cities and sections much larger than Digby.

Mr. Keen, the manager, has devoted himself to perfecting every ideal for mortuary service and has built-up an organization which in every department, from the first preparation of the remains for burial to the final rites of interment is dignified, appropriate and comforting.

NASH

Leads the World in Motor Car Value

You can see why Nash has extra power

The extra power that makes Nash a more capable car to drive, particularly on the hills or in dense traffic, is directly due to extra-efficient design.

The Nash Straight Line Drive, for instance, diagrammed above.

Nash power flows directly from the engine to the rear axle in a straight line. There are no angles along the route to waste energy, as there would be if the motor were mounted parallel to the frame, as the ordinary motor is.

The Straight Line Drive accounts in part for Nash aggressiveness—for the powerful

pick-up at low speeds (where you need it most). You will always notice it is the Nash that gets away soonest when the traffic starts.

The Straight Line Drive also avoids wear on the universal joints, and thereby prevents noise and looseness.

Of course, it takes a little longer and costs more to build Nash this better way—

—But any Nash owner will tell you it makes a lot of difference in the results he gets.

Drive a Nash, before you decide which car to buy!

THE COURIER IS \$2.00 A YEAR**Obituary**

MRS. STEPHEN KELLY
Mrs. Stephen Kelly, of River Hebert, passed away on Sunday night, April 24, at a hospital in St. John. Mrs. Kelly, who was thirty three years of age, had been ill for a year with tuberculosis. She leaves to mourn, her husband and little daughter Pauline, her father, George Nickerson, Brighton, one sister, Mrs. I. Dillon, of Highland Heights, Mass., and one brother, Bernard Nickerson, of Somerville, Mass. The remains were brought to Brighton Tuesday and the funeral took place from her father's residence Wednesday afternoon, Rev. G. Hamilton, of the Baptist Church and Rev. A. G. Pentz, of the United Church, officiated. Interment was in the family lot at Barton Cemetery. A very large number were present to pay their last respects, and the floral offerings were very beautiful. Friends from Yarmouth, Port Maitland, Weymouth, Digby, Smith's Cove, River Hebert, Barton and Brighton, and also Mass., attended. Mrs. Kelly was well known in Digby having for many years been a clerk in J. L. Peters store.

LAWRENCE B. GATES

The death took place this morning at his home, North Brookfield, of Lawrence B. Gates after an illness of about six months. Following a surgical operation at Halifax, the deceased had returned home, but suffered a recurrence of the illness which caused his death. He is survived by a widow, formerly Miss Viola Gates of Caledonia and an infant daughter, also by an aged mother, Mrs. L. B. Gates, living at Digby, and two sisters, Mrs. Harold L. Daley at North Brookfield and Mrs. Mary Frost at Halifax. The late Dr. C. R. Gates of Caledonia was a brother. Funeral services will be conducted Sunday from his late home and interment will be made at Caledonia.

Seven in Ten Men Past 40 Need This Special Treatment

Writer Explains Wondrous Value of Doctor Southworth's 'Uratabs' And Invites All to Try Them Without Cost Unless Pleased

With middle age ailments attacking over two-thirds of those past 40, every man who notices such distressing symptoms as Lumbago, Pain in back and down through groin, scanty but frequent and burning Urination. Getting up at Night, Nervous Irritability and Lack of Force—should at once try the amazing value of Dr. Southworth's URATABS.

While new to many, the truly remarkable value of URATABS has been thoroughly proven by more than 40 years of successful use in the private practice of Dr. H. C. Southworth. Reports from Doctors and Users alike offer convincing proofs: "I have never found anything to help my case until I tried URATABS." "URATABS are the best thing for Bladder Weakness and Irritation I have ever used." "No more backaches, no more pain, no more daily embarrassment or getting-up-at-night. I now sleep soundly and get up in the morning full of pep—thanks to URATABS."—This is amazing evidence!

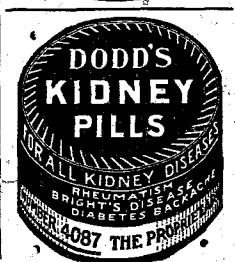

No matter how long you have been troubled or how stubborn your case may seem to be, a ten-day test of Dr. Southworth's URATABS offers comfort and relief—and you can get it without risk of cost, for any good druggist will supply you on guarantee of money back if not satisfied. Try URATABS today!

British Columbia is spending \$25,000 in eastern Canada in advertising for tourists.

On the other hand Eastern Canada is spending nothing to get tourists from British Columbia.

**Digby Branch of the Red Cross Society Reorganized**

The Digby-branch of the Canadian Red Cross Society, inoperative since the year after the war, was reorganized at a meeting held in the Town Hall last Friday afternoon by Mr. J. P. Quinn of Halifax, who is visiting various parts of the province in the interests of the society. Mrs. W. F. Read is the President of the new organization and Mr. R. L. Lockward, manager of the Digby branch of the Royal Bank of Canada was elected secretary treasurer.

The officers are: Honorary President Mayor T. E. G. Lynch; Patrons Rev. William Driffield, rector of Trinity church, Rev. F. E. Bishop, pastor of Digby United Baptist church, Rev. Jabez Appleby, pastor of Grace-United church. President Mrs. W. F. Read; Vice President A. J. Dillon; Secretary Treasurer R. L. Lockward; Executive Committee W. H. Farnham, M.P.P., Mrs. Frank Roop, Mrs. P. W. Holdsworth, Mrs. Frank Nichols, Mrs. A. D. Merkel, Mrs. J. J. Wallis, Mrs. Lindsay Kirkpatrick, Mrs. Lillian Jones, Miss Margaret Stewart, Municipal Clerk, Mrs. C. E. Dexter, Mr. DuVernet, Messrs O. Wright, Woodford Connell, R. C. Smallie.

Mr. Quinn in setting before the gathering the purposes of the meeting discussed briefly the activities of the Red Cross Society, a society international in character, with strong organization and resources, and one which was capable of augmenting the activities of local organizations. He particularly pointed out that the formation of a branch of the Red Cross in Digby would not infringe on the activities of local charitable organizations concerned with the betterment of public health conditions but which would assist in the work now being undertaken and open up opportunities for service which are beyond the means of purely local societies. In its various phases of activity health clinics, home nursing classes, Junior Red Cross societies, Veteran workshops, Port Nursing, the Red Cross had done tremendous good and particularly in its care of disabled soldiers and their dependents had entered into a field of activity which was difficult for any other to enter upon.

The Junior Red Cross was a branch in which public health and

Blind Boy Musician Radio Star

Ronald—otherwise "Ronnie"—Matthews, blind from birth and possessing a natural talent for music which has been carefully nurtured, has become a welcome performer at special broadcasts over CNRV, the Vancouver Broadcasting station of the Canadian National Railways. "Ronnie" chose the piano as his instrument of expression and the foundation of instruction has been so carefully prepared that he has already successfully passed two examinations under the auspices of the London Academy of Music.

personal hygiene was stressed upon, training the youth of the community in health matters and it was intended that a series of lectures with motion pictures should be placed at the disposal of Red Cross nurses for instruction in the schools and the society had the approval of the superintendent of education for their programme.

Dr. Read, and Mr. Farnham both spoke favorably to the organization of a branch of the society in Digby. Dr. Read illustrated the benefit it would be to the community by speaking of cases which had come to his notice in his practice and which through the activities of the Red Cross had restored to a crippled boy full control of his body after an injury which had left him a cripple, and which his parents were unable to remedy by reason of lack of funds. Mr. Farnham spoke of a visit while in Halifax to the Port Nursing staff at Pier Two saying that he had been greatly impressed by the good work carried on by the volunteer staff of Red Cross workers in attending the arrival of immigrant ships and he hoped that the society would have a branch in Digby.

After discussion of details in which Mr. Quinn made it clear that the Red Cross desired only to be of service a motion to organize, carried by unanimous vote.

Those attending the meeting included: Mrs. DuVernet, Mrs. P. W. Holdsworth, Mrs. L. Kirkpatrick, Mrs. C. E. Dexter, Mrs. Frank Nichols, Mrs. A. D. Merkel, Miss Stewart, Mrs. Lillian Jones, Mrs. Harry Smith, Mrs. J. J. Wallis, Rev. F. E. Bishop, Dr. Read, W. H. Farnham M.P.P.

Lobster Industry of Maritime Provinces

A general discussion of the lobster industry of the Maritime Provinces is made in a report prepared by American Consul W. Henry Robertson at Halifax under date of March 22nd, 1927. This report covers trapping and baiting for lobster, canneries, employment, equipment of plants and annual supply.

Municipal Council Will Join With Town In Celebration

At Wednesday morning's session of the Council Mayor Lynch appeared on behalf of the Digby celebration committee to extend an invitation to the Municipality to join with the town in making one big celebration for the whole County. His remarks were given favorable hearing and the Councillors expressed themselves in favor of the plan. Suggestions for the inclusion of fishermen's races in the list of sports and for special provisions for all the schools to take part were put forward. Miss Stewart, particularly advocated its branch of the festivities and offered a prize for the best school float depicting the progress of Canada since Confederation.

On behalf of the Municipality of Digby Warden Andrews extended an invitation to the Municipality of Clare to join with the rest of the County in the celebration of the anniversary. He referred to a confusion which might result from the impression given by a Halifax paper that Mayor Lynch had reported at the meeting of the central committee in Halifax that Clare would join with Yarmouth. He desired to correct that impression. Mayor Lynch had said only, that some from lower sections of Clare might go to Yarmouth for the day. Major McLean, representing the Canadian Pulpwood Association addressed the Council on the Pulpwood question and the Council recorded a resolution as being opposed to any embargo or export tax on pulpwood.

Hospital Aid Will Make Annual Collection in May

The Ladies' Hospital Aid met on Wednesday afternoon of this week at the home of Mrs. H. M. Warner, Queen street. The usual sewing hour was preceded by a business meeting at which it was decided to make the annual collection for the hospital during the month of May.

Mrs. Irene Pugh and son Emerson returned from Yarmouth Monday.

The "Westport Tennis Club" held a meeting at the home of Mr. and Mrs. Bernard Bowers on Tuesday evening. The officers were elected for the year. They would like to have all the young people to join the club and make it a success. Their plans are to have two tennis courts this summer so as to give all the members a chance to play.

The Westport Theatrical Company put on an entertainment at Freeport Friday evening

Mrs. John Swift was a passenger to Saint John Monday.

Miss Esther Buckman has opened up her new ice cream parlor. We wish her success.

Rev. H. H. Phinney will preach an I. O. O. F. sermon in the United Baptist church May 8th.

We are glad to report Tyro Division in a flourishing condition.

We are sorry to report Mrs. Judson Morehouse on the sick list.

Mr. and Mrs. Leander Handspiker, of Mount Pleasant, have moved into town for the summer months.

The Westport Theatrical Company held an entertainment in the I. O. O. F. hall Wednesday evening to a crowded house. Although some of the actors were a bit nervous, everything was fine and much praise is due to each one taking part

Weymouth North

The Misses Geraldine Ellis and May Earl of Weymouth were the week end guests of Mr. and Mrs. A. G. Lent.

Mrs. Joseph Cornwall arrived home on Saturday from a visit to her daughter, Mrs. C. Reeves in Port Mulgrave.

Mr. and Mrs. Albert Hood and family of Yarmouth spent Sunday with Mrs. Hood's mother, Mrs. J. Grant.

The Misses Evelyn Moore and Carrie Brooks who are attending the Sacred Heart Convent at Meteghan spent the week end at their homes.

Mrs. A. W. Carr and Miss Constance Carr who spent the winter in Philadelphia and New York have returned and opened their summer home, "The Elms"

Hallett Sabean arrived home from Boston on Tuesday.

Capt. H. B. Fitzgerald motored to Digby on Tuesday to attend the May meeting of the Municipal Council.

The C. G. I. T. met with Miss Evelyn Hill on Friday evening.

L. V. BALIEY

Continued from page 1

could not permit himself to be a party to such a transaction. His section did not want Mr. Morgan and he tendered his resignation in protest to the appointment. At the request of the Clerk he reduced it to writing as required by law. Meantime there was confusion: The Warden deplored such action. He felt that it was not necessary. The Council should stand together according to the ruling of the majority, but, though he had voted for Mr. Morgan believing that he was the best man for the position he would not have done so had he known that this would follow.

Councillor William Cossaboom gave notice of reconsideration, closing the discussion.

ADVOCATES

Continued from page 1

which was supported by various arguments. It was brought out in the debate that \$40000 had been added to the assessment rolls last year for property which had not until that time been assessed at all and Councillor William Cossaboom opposed the motion on the ground that the chief assessor in spite of mistakes which could be rectified had proven his services of value. Saying that he was not too honest, if a chief assessor were not appointed, to advise his local assessor cut his district down to its very lowest, in order to be sure of being as low as any, Councillor Pugh moved an amendment to Councillor Hillman's resolution "That an over assessor be appointed with a new committee of the Council to advise him, for the year 1927." The amendment was seconded by Councillors Marshall and Chisholm. In speaking to the amendment Councillor Marshall pointed out that at least \$1200 in new revenue had been found for the municipality by Mr. Morgan and had he not done so each district would have had to contribute in increased rates what the newly assessed properties had provided. Councillor Hankinson supporting the amendment with a declaration that unless some general oversight of the local assessor were provided the municipality would lose what had been gained and revert to the unsatisfactory condition of every local assessor trying to keep his district at the lowest, rather than getting uniformity in assessments of properties in all sections. It was the rate of taxation on rather than the assessed valuation of properties which was the important thing and he preferred a low rate, so long as all sections were on a uniform scale.

On division the Warden called for a standing vote, Councillors Hankinson, H. Cossaboom, W. Cossaboom, Chisholm, Marshall and Pugh voting for the amendment which was declared carried.

Mrs. S. B. Camb of Hebron, Yarmouth Co. is spending a few days in Digby, the guest of Mr. T. Peters.

DIGBY NECK ROAD WILL BE INCLUDED IN TRUNK SYSTEM

Efforts of Digby Member Get Results and Highways Minister Announces Work of Standardization Will Start Soon

The second class highway down Digby Neck to Westport will be taken over by the Highways department as part of the trunk road system of the province, according to an announcement made on Monday night by Hon. Percy L. Black, Minister of Highways on his return from a trip over the road to Westport. The Minister was accompanied by W. H. Farnham, M.P.P. for Digby, J. L. P. Robichaud, M.P.P. for Clare, G. C. Nolan, M.P.P. for Wolfville, W. C. Mackay, district engineer for Digby, Yarmouth and Shelburne; Alcid Comeau, superintendent of Roads, for Clare and Adolphe Specht, superintendent of roads for Digby.

For at least six years the people of the Neck district have been endeavoring to have the road taken over as a trunk road and for the last two years the department had been urged by Mr. Farnham to make the change. Two years ago the department decided that any work done on the road would be handled in a manner which would comply with trunk road standard and a short section is now in shape.

The work will be undertaken by department of Highways employees

and will commence as soon as the heavy tractor grader, now operating in Yarmouth County can be brought to Digby.

The Minister of Highways was greatly impressed with the scenic beauties of the Digby Neck route, and the development of the fisheries of the section. He thought that no finer scenery than in Digby County could be found anywhere in the province. "Someday" he hoped, "A bridge would be built across Petite Passage, connecting Long Island with the mainland." And this would open up an entire new section of Country to motor tourists in search of the beauties of nature.

To Make Rates For Electric Service From Hydro Plant

Application has been made to the Board of Public Utilities by the Digby County Power Board, the Town of Digby and the Village of Weymouth for hearings of schedules of rates to be set for the electric services of the three applicants.

The hearing will be held in the Court House Digby on the afternoon of Wednesday May 25th, at which time all interested in the rates will be given an opportunity of being heard on the matter.

Schedules of rates are now being drawn up for the three services. The Power Board rate to the Town of Digby and the Village of Weymouth will be about 8c per unit. The rate of the town and Village distribution services will be in the vicinity of 15c, which same rate will be applicable by the Power Board to their directly domestic consumers.

A rate for power service and heating units is also in course of preparations.

V.O.N.

The Rummage Sale will be held in Robinson's Restaurant Saturday May 14th, opening at Ten o'clock a. m. Mrs. Smith and Mrs. Jack Conners.

Please send contributions Friday the 13th. Telephone 133 if you wish parcels called for.

Local and Personal

Dr. and Mrs. E. F. Whyte of Halifax were passengers to Digby last Friday, Dr. Whyte spent the week end, and Mrs. Whyte is still visiting her parents, Mr. and Mrs. James Ellis, Short Road.

BOY'S SUITS at WRIGHT'S. Friday last, May 6th, was the seventeenth anniversary of the accession to the throne of George V. At Halifax a royal salute was fired by the regular artillery last Friday in honor of the anniversary.

Mrs. Frank Swett, who has been spending the winter in Belmont, Mass., arrived on Friday to spend the summer at her Digby residence.

LADIES' NEW NECKWEAR at WRIGHT'S.

A government dredge arrived in port on Tuesday in tow of a tug and proceeded to Deep Brook to dredge out channels and landing berths for the Gypsum line of steamships which will ply between the new storage plant at Deep Brook and the New York factory terminals.

NOVASKIL LINGERIE at WRIGHT'S. If you eat bananas don't throw the peels on the street, but put them somewhere where they won't litter up the roadway.

Mrs. D. Thomas has returned to Plymouth from Pinebluff, North Carolina, where she spent the winter months.

The Plymouth Free Public Library will be open to the public on Wednesday, May 17th from three to five in the afternoon. Will all persons having books out for the winter return them as soon as possible.

Board of Trade Winds Up Season's Work

With a small attendance the Digby Board of Trade on Tuesday night heard reports from its various committees and wound up its season's work by the suspension of its meetings during the summer months. President Fritz Dakin presided.

The report of the committee in charge of the Dominion Day celebration was not promising. Difficulty was being encountered in securing a band for the day, and the committee felt that until definite results on this matter were secured it was useless to proceed with the arrangement of a programme. The Annapolis Band, first communicated with, had found it necessary to decline the invitation feeling that they were required to serve their own people on that day and after much correspondence the Board of Trade of Saint John had been able to open negotiations with the Carleton, Saint John, Band and a decision on the matter would be reached shortly.

The secretary reporting for the Industrial committee which had been negotiating with Messrs Jack and Cardozo for the development of a canning and fruit preserving industry in Digby reported that the amount of subscriptions and pledges secured among townspeople was sufficient to warrant proceeding with the formation of a limited company to operate the plant. Up to the present, however, the allotment for the country districts had not been taken up and until a number of the farmers had shown their

VICTIM OF WORRY ENDS TROUBLES IN CULLODEN COVE

Neighbors Find Rock Battered Body Under the Cliff

The body of Willis Bain, 56, resident of Culloden, missing from his home since Wednesday morning was found drowned jammed between the rocks in Culloden Cove, about a mile from his home, yesterday morning by a party of searchers who became alarmed at his absence.

He was found by Stewart Murphy, Arthur Hersey, Hanford Handsaker, neighbors, who had been searching for two hours before they caught sight of the body under the rocks at the base of the cliff.

Mr. Murphy told the Courier that Mr. Bain had gone up past his home about ten fifteen Wednesday morning. When he did not return fears were entertained for his fate and yesterday morning a search party went out. Coroner Keen was immediately notified and arranged for an inquest in the evening. When seen the body was lying face downwards, with a cut over his left eye and the hands clenched over the breast. Rigor mortis had set in. It was removed to the Bain homestead where it was viewed by jury.

Mrs. Harold Kiley was a visitor in Yarmouth on Monday, going down to meet her sister, Miss Ruth Snow, who returned from Boston on Tuesday to spend the summer with her parents, Captain and Mrs. Amed Snow, Queen street. Miss Snow has been employed as stenographer with the H. B. Smith, Real Estate Agency of Boston.

PUBLIC AUCTION

TO BE SOLD AT PUBLIC AUCTION in front of the Court House at Digby on Tuesday the 7th day of June A. D., 1927 at eleven o'clock in the forenoon, the property formerly owned by the late John W. Dakin located at Sandy Cove in the County of Digby and bounded and described as follows:-

All that piece or parcel of land commencing at a certain stake on John W. Dakin's eastern line, thence northerly along said line until it strikes land owned by Collins Johnson thence easterly one and three quarter rods, thence southerly to the Beach, thence westerly one and three quarter rods till it strikes place of beginning, containing one quarter of an acre more or less.

For further particulars apply to Frank W. Nichols, Digby, N. S.

Digby N. S., May 9th, 1927.

BLAIR E. DAKIN
Executor

The great question of whether it is cheaper to develop electricity with coal or water power seems to be in favor of coal. Strange as it may seem the town of Truro produced energy at their steam plant as cheaply as any of the hydro developments in the Maritime Provinces.

Special Notice

I am pleased to inform my customers and the public generally, that I have been very fortunate in securing the services of Mr. William Kaiser, the renowned hand sewed workman, who is no stranger to a number of Digby people as he formerly worked here some years ago.

Lots of people who wear fine footwear object to have the taps nailed on, but would rather pay the difference in the cost and have them sewed on, clearly showing that they belong to the wise ones the best is none to good for them.

My desire is to keep up the reputation of this shop as formerly ran by Mr. G. H. Hooper for a long number of years, using good work and fittings, and above all first class workmanship.

Herbert Comeau

A part of the cargo of the Prince Arthur loaded at Digby on Monday were two cartons of fresh fish from Yarmouth and a shipment from the Maritime Fish Company plant at Digby. The latter consisted of forty cases of iced fresh fish, consigned to various points in New Brunswick and Quebec.

Retail price of Smoked Fillets at Truro markets is 2 pounds for 25c.

Major Daley Died at Supper Table

Death came gently on Wednesday to Major John Daley, aged resident of Digby, and for many years a prominent sportsman of this section of the County. Major Daley has not been in good health, his eighty-five years of active life had made their mark upon him, and when at the supper table on Wednesday evening Death touched him, he passed quietly away.

Born in St. John, a son of Irish parents, Major Daley came to Digby sixty-five years ago. He was for many years proprietor of the Royal Hotel, which stood where the Royal Bank is now, and was active in promoting all variety of sport, especially water events. Through his activities Digby became noted as a water sport town and many of the best events staged in the province were willed off under his supervision on the waters of the Annapolis Basin.

He was also the means of introducing deer into Nova Scotia from New Brunswick. Interesting the Nova Scotia government in the value of deer as game Major Daley was able to have the New Brunswick government interested to supply the nucleus for the present herds which are to be found in all parts of the province. The first were brought here by way of St. John, housed, first at the Royal Hotel and released in the woods back of Lake Jolie.

Retiring from the hotel business the Major took over the electric light plant and operated it until it was acquired by the town as a civic utility.

He was active in all matters of interests to the community. Having been associated with the militia in St. John he transferred to the Digby Company, attaining the rank of Major.

He was a Past Master of King Solomon Lodge, A. F. & A. M. and was treasurer for twenty-five years after passing through the chair. He opened the treasurers book now used by the present treasurer and on its fly leaf is the inscription. "John Daley, Past Master, Treasurer April 1st, 1882 to April 1st, 1907."

The funeral will be held with Masonic Rites.

Every advance notice of any kind where the object is the benefit or convenience of any person or number of persons is advertising, and will be treated by the Courier as such. If no instructions accompany the notice, advising us to whom to charge, it will be charged to the person phoning or sending it in.

ROBERT C. MILLS
Managing Editor

FRIDAY MAY 6, 1927

General Approval of Joint Celebration Plans

There will be general gratification in the adoption by the Municipal Council of the District of Digby of a resolution to join with the Town in the celebration of Canada's Diamond Jubilee by making the celebration in Digby representative of the whole County.

This district is one of the oldest settled parts of the provinces of Nova Scotia. Historians relate that the earliest French explorers found their first real resting place within the gateway of Digby Gut, and while Annapolis Royal was the first settlement, the town of Digby is not without its place in the early

history of the province. It was at a point near the band stand that one of the last engagements between British troops and the native Mic Macs was fought and it was near that point that the first Loyalist settlers landed from the ships which brought them up from the New England States. The original structure of the Waverly hotel was brought here from New York by the Loyalists, and in many other ways the history of Digby is a part of the early history of this section of the Country.

It is most fitting therefore that the celebration by the people of Digby County of the Diamond Jubilee of Confederation shall centre in the County town. No other place has the same associations, the same advantages for the holding of land and water sports, and the decision to combine the Municipal and Civic committees, working together to produce a variety of entertainment that will be remembered for many years to come, is one which will receive general endorsement.

The suggestion made in the discussion at the Council meeting at which the matter was brought up that a prominent place should be given the holding of fishermen's races is a good one. The fast motor boats which have replaced sailing vessels in the Bay fisheries are capable of producing good sport, and events of this nature will be sure to attract a large number of those who follow the fisheries as a livelihood and whose interest is closely bound up in the development of the best that can be produced for the prosecution of their industry.

By all means let us have the Fishermen's Races. And two classes would be better than one.

The suggestion made by the Municipal Clerk, Miss Stewart, that the schools of the rural sections should be encouraged to take part in the celebration program is also a good one. Miss Stewart has offered a prize for the best float illustrating the progress of Canada since Confederation, and it is hoped that all the schools will endeavor to win that prize.

The amount contributed by the Municipality towards the celebration fund brings it up to \$500.00 and with individual contributions which are almost sure to come in it will be possible for the committees in charge of the arrangements to prepare for a real celebration of an outstanding day in the history of this county and of the Dominion.

Every Man Past 40 Should Make This Test

For Amazing and Lasting Relief From Middle-Age Ailments That Cause Daily Annoyance and Sap Vital Force

No longer need men near or past the prime of life put up with those painful and often embarrassing conditions brought on by overwork, sluggish kidneys, bladder weakness and prostate gland trouble, with their distressing symptoms of aches, pains in back and down through groin, scanty but frequent and burning urination, "getting-up-nights," nervous irritability and lack of force—because a ten-day test of Dr. Southworth's URATABS will convince the most skeptical of the value of this special treatment for their particular case. Amazing testimony of Physicians and users gives convincing proof of the power of URATABS to restore Health and Strength to a weakened, inflamed or irritated Bladder and Urinary Tract. A multitude of alarming symptoms seem to quickly disappear—and you see and feel a truly genuine improvement often within two or three days. "No more Backaches, no more pain, no more embarrassment or getting-up-nights. I now sleep soundly, and get up in the morning full of pep, thanks to URATABS."

While new to the general public, the wondrous value of URATABS has been thoroughly proven by nearly 40 years of successful use in the private practice of Dr. H. C. Southworth. And now any good druggist will supply them on a guarantee of satisfaction or money back. Try URATABS today.

The fisheries of Yarmouth county were worth a lot of money in the month of April. A total of 1,557,800 lbs. of all kinds of fish and k2 barrels of clams, were taken at an estimated value of \$265,145 to the fishermen, or nearly \$500,000 by the time they reached market.

Providence moves in mysterious ways. The Mississippi floods have boosted the price of New Brunswick potatoes from \$1.75 to \$3.00. Farmers who had been holding their crops for the \$2.00 price have cleaned up at the higher figure. The destruction of the Mississippi stores and the loss in acreage resulting from the floods will set the price of new potatoes way out of sight.

We know of at least one reason why we would like to live in Carleton County, New Brunswick. The Carleton "Observer" reports that Mrs. H. H. Hatfield, made rhubarb pie on April 27th, from rhubarb grown in her own garden. The answer to the famous question is in the affirmative so far as Hatfield is concerned.

In matters of color selection the Courier would probably take the booby prize, but we are told that the color scheme used in the decoration of the Little Art Gallery is entirely in keeping with artistic taste and many have complimented Mr. Yates upon the improvement in the property. The new awning also has won considerable compliments. More paint along both sides of water street, not excepting, or perhaps we could say, especially the Courier building would add to the general appearance of the street.

Agricultural Demonstration Train Will Make Four Stops in Digby County

The Agricultural Demonstration Train, which by arrangement between the provincial department of Agriculture, the Dominion Atlantic Railway and the Canadian National, will leave Truro on May 31st on its way down the Annapolis Valley.

It will make four stops in Digby County, at Bear River Station on the afternoon of June 7th between the hours of four and six o'clock; at Digby town from eight o'clock, remaining over night; at North Pango on June 8th, from ten a.m. and at Weymouth in the afternoon from two p.m. o'clock.

The various branches of Agriculture, dairying, breeding, field crops etc., will be featured in the demonstrations and each will be in charge of a specialist as lecturer and demonstrator.

The limitations of the train's schedule last year prevented full advantage being taken of its services and this year Mr. Farnham M.P.P. for Digby, has been able to have the train make four stops in the county instead of one as last year. Its visit to Digby will be of especial interest, not only to agriculturists, but to townspeople who will welcome the opportunity of securing advice and information on the care of domestic poultry and pets and on the management and methods of successful gardening.

In Weymouth For The Summer

M. Jean dePeiffer, of New York, who each year spends five or six months in Digby County, arrived a short time ago at Weymouth to take up his summer residence at his home there. M. dePeiffer was a visitor in Digby last Friday, with the first car with a United States registration seen this spring. He called at the Courier office to congratulate us on the excellence of the paper, bestowing words of praise which were most pleasant to hear, though perhaps not too greatly deserved.

Mrs. J. H. Jameson and daughter, Miss Florence, returned to their summer home in Digby on Friday after spending the winter with Mr. Clarence Jameson at Ottawa.

Last week's issue of the Courier ran to seven hundred extra copies, carrying reports of the chief debates of the sessions of the Municipal Council. The Courier has received several compliments upon the excellence of the reports.

Mrs. Lillian Jones, and daughter, Miss Carolyn, secretary of the Courier, left on Friday on a week's visit to Boston, travelling via Yarmouth.

Mr. L. M. Trask, of Yarmouth formerly a resident of Digby, and at one time chief of police, was a visitor in Digby on Friday. Mr. Trask is devoting his attention to the fulfillment of the principles, as well as the letter, of Maritime Rights, and is discussing, in the Halifax Citizen, various phases of the Duncan Report and legislation implementing its findings.

Wouldn't it be a good idea to get started on preparations for the Digby County Farmers' Picnic and the Digby County Exhibit

To The Belated Sparrow

Dear little birdie up there so high, Outlined 'gainst the wintry sky, Speeding along so silent and fleet Breasting perilous storm and sleet.

Oh why didst thou linger thus little one? Thy comrades to sunny lands, have gone, Did memory of happy days forbid thee to roam? Did this cruel North spell to thee Home? Why didst not instinct enter thy little wee pate Warning of frozen death:—"Thy certain fate Of the pangs of hunger's fearful power, Bidding thee depart from a land so dour? Hasten to the southland—speed along—Ere hushed forever is thy little song, Up! and away!—on outstretched wing, Bon voyage, little traveller: return in the spring!"

Tenders For Coal

SEALED tenders addressed to the Purchasing Agent, Department of Public Works, Ottawa, will be received by him until 12 o'clock noon (daylight saving), Wednesday, May 25, 1927, for the supply of coal and coke for the Dominion Buildings in the Province of Nova Scotia, New Brunswick and Prince Edward Island.

Specifications and forms of tender can be obtained from G. W. Dawson, Chief Purchasing Agent, Department of Public Works, Ottawa; Luke Day, Clerk of Works, Halifax, N. S., and W. W. Allingham, Resident Architect, St. John, N. B.

Tenders will not be considered unless made on the forms supplied by the Department and in accordance with departmental specifications and conditions. The right to demand from the successful tenderer a deposit, not exceeding 10 per cent of the amount of the tender, to secure the proper fulfillment of the contract, is reserved.

By order, S. E. O'BRIEN, Secretary.

Department of Public Works, Ottawa, May 3, 1927.

New Tourist Publications Issued Jointly By Eastern Steamship Lines and Dominion Atlantic Railway

The Eastern Steamship Lines have recently published new illustrated Booklets, descriptive of tourist attractions, entitled "Waterways to Vacation, Lands" and "Eleven Coastwise Services."

These pamphlets deal particularly with steamship services from New York to Boston, to Maine Coast, Saint John, N.B. and Yarmouth, N.S. Mention is made of Nova Scotia's famous "Land of Evangeline", and the many summer resorts reached by the Dominion Atlantic Railway.

Another Booklet published jointly by the Boston & Yarmouth S.S. Co. and the Dominion Atlantic Railway, entitled "Vacation Days in Nova Scotia", is also being distributed to the various Agencies in the United States and Canada. This booklet is beautifully gotten up, showing excellent half-tone cuts featuring the principal "tourist" attraction in Nova Scotia. The cover page shows the statue of "Evangeline", with the background done in gold. The text is well written, and gives the reader a clear description of the wonderful summer attractions of the "Land of Evangeline".

These publications will, no doubt, do much to attract summer visitors to Nova Scotia during this Confederation Jubilee year. Nova Scotians living abroad are being invited to come home and take part in our various celebrations, joining the many Americans and Upper Canadians attracted to our midst by the descriptive literature published by the Transportation Companies.

Mr. Charles Eddleson, of New York, who last summer purchased the Weyman property at South end as a summer home, died suddenly at New York last week. Contractors who had in hand the work of renovating the Digby property are now awaiting further instructions as to its disposal.

TIRED OUT? RUN DOWN? NERVES GONE?

"FRUIT-A-TIVES" MAKES LIFE WORTH LIVING AGAIN

MR. J. O. RINGHEIM.

"Before I learnt about 'Fruit-a-tives' I felt tired out and run-down, and my nerves were completely gone. Work seemed impossible. Since taking 'Fruit-a-tives' I feel like doing my work. Life is worth living again. I owe my present good health to 'Fruit-a-tives' and unhesitatingly recommend them."

So writes Mr. John O. Ringheim, of Weymouth, B.C., whose experience is typical of thousands restored to health by this fine fruit medicine. When the bowels and kidneys are not functioning properly and the stomach is hampered in its work, nervous troubles often follow. "Fruit-a-tives", the natural medicine, sets things right quickly and safely. "Fruit-a-tives" is composed of fresh fruit juices, intensified and combined with tonics—a wonderful medicine. Step into the nearest drug store. Buy a 25-cent or 50-cent box. And know good health again.

NASH
Leads the World in Motor Car Value

Nash 7-bearing crankshaft takes longer to build—costs more

There is a DIRECT force-feed oil line to each and all of the 7 bearings and to the cylinder walls to guarantee positive lubrication.

It takes longer to build a 7-bearing motor than it does to build one with only 3 or 4 main bearings.

There are at least 3 more bearings to hone and polish. (Nash has considerably more bearing surface than other six-cylinder motors in the Nash price field with 4-bearing crankshafts.)

There are at least 3 more bearings to align. And there are at least 3 more bearings to check for proper clearances.

But the Nash 7-bearing crankshaft eliminates the "whip" which loosens bearings and piles up expensive shopwork on motors with fewer crankshaft bearings.

Obviously, it costs more in time and money to build the Nash 7-bearing crankshaft.

Why then does Nash build it, when other manufacturers still use engines with fewer bearings?

The answer is that Nash owners have come to expect Nash to be definitely better than any other car they could buy at the Nash price.

And 7 bearings alone produce superlative power-smoothness and power-quietness.

Before you select your new motor car, drive a Nash and see how smooth it is at high speeds, how powerful and effortless its pick-up at every speed.

Miss Grace Goudy of Easton spent the week end with her parents, Mr. and Mrs. F. Goudy.

On Sunday evening, a Mother's Day programme was given in the Union Temple. A large crowd was present and all enjoyed the concert.

Obituary**E. HART NICHOLS SR.**

It is with much regret that we chronicle the death of E. Hart Nichols Sr. which took place at the home of his daughter, Mrs. William Oederkerk, at Bocking, Mass., on April 17th at the age of 85 years and six months.

The deceased had been spending the winters of late in the United States returning to Acadiaville every spring and was planning to return this month as usual, when he was suddenly stricken and passed away as above stated. He leaves to mourn one sister, Mrs. S. Fay of Westborough, Mass. two sons, Deacon J. A. H. Nichols of Acadiaville and Prof. E. W. Nichols Ph. D. of Dalhousie University, Halifax, and five daughters Mrs. William Oederkerk of Bocking, Mrs. Ruthens Welsh of Roxbury, Mrs. Arch Peck of Sharon, Mrs. Frank Carr of New Westminister, B.C. and Miss Elizabeth Nichols, B. A. of Philadelphia and a large circle of friends and relatives in different parts of the country. Mr. Nichols was earlier in life a very successful farmer and lumberman and was held in the highest respect by all with whom he came in contact. He led the misfortune to lose his eyesight a number of years ago which affliction he bore with the utmost patience and cheerfulness. In religion he was a Baptist, having joined the Hill Grove United Baptist church many years ago and has always taken a leading part in all the activities of that organization, and his wise council and helping and will be sorely missed by his associates in the church and community in which he lived.

The remains, accompanied by his son-in-law, William Oederkerk, were brought home for burial and the funeral services conducted by Rev. F. E. Bishop, were held in the Hill Grove United Baptist church Thursday afternoon, April 21st with interment in the Hill Grove Cemetery. A large number of friends and neighbors were present to pay their last respects to one who was beloved by young and old alike. The floral offerings consisted of wreaths, sprays, pelicans etc. were beautiful and showed in a small way the deep affection in which the deceased was held. The Courier extends sympathy to those who mourn the loss of a kind father, a wise councillor and a faithful friend.

Little River

Omar Denton and daughter, Georgina went to Weymouth on Friday to visit Mr. and Mrs. Hamilton Mullen, returning Tuesday.

Mr. and Mrs. Douglas Denton have returned from Boston where they spent two weeks with her sister.

Mrs. Bessie Frost, who spent a month with her aunt in Boston has returned.

Rupert Trask left for Chester last week.

Capt. Shirley Tidd and Ernest Denton of Digby spent the week end at their homes.

Miss Hazel Trask left last week for Digby and will remain the summer.

Miss Josephine Newcomb of Sandy Cove spent the week end the guest of Mrs. Archess Frost.

Miss Florence Collins of Digby spent the week end with her parents, Mr. and Mrs. P. Collins.

Miss Kathleen Denton, teacher at Centreville spent the week end at her home here.

A terrible THING happened at last Saturday's masquerade—Left my CUTIE for a second to Howdo to a GUY, who gives me a knock-down to his own particular BUNDLE of CHARM. Then away he goes to telephone, and SHE says, "Let's dance."

I'm not denying it WAS a bad BREAK on my part. The frigid air-at our table when I got back would have discouraged an ESKIMO.

I squared it Sunday afternoon though with a box of GANONG'S—it broke the ice. Yessir, she's still my BABY.

**Ganong's CHOCOLATES****What do you get for the price you pay?****Chevrolet Dealers****DIGBY MOTORS****F. R. Eisner, Prop.**

The Most Beautiful Chevrolet in Chevrolet History

VALUE is not a matter of price alone. It is simply what you get for the price you pay. Chevrolet is low in price but not at the expense of quality. It is economical because it is not closely built. It is supreme in value because it gives more of the things you want for the price you pay.

First and always, quality counts with Chevrolet. There's quality in the distinctive Fisher bodies; in the low, low line-up; in the rich, lustrous finish; in the smooth, powerful, easy-inward riding, on the quiet, efficient, smooth, such as air control, oil filter, 24 valves, in the luxury of its appointments and upholstery; in the long, resilient springs; in the easy, three-speed transmission.

The Most Beautiful Chevrolet in Chevrolet History is now being sold at new and lower prices—the lowest for which Chevrolet has ever been sold in Canada.

Obituary

GRACE E. COSBY

The death of Grace E. Cosby, daughter of Mr. and Mrs. William E. Cosby took place at the home of her parents in Bear River on Monday, May 2nd, after a long illness most patiently borne.

Miss Cosby returned from Boston about ten months ago, not in her usual health and tho at first not critically ill, gradually grew worse in spite of all that loving care and medical skill could do for her.

She was of a retiring, gentle disposition and those who knew her best came in closest contact with her could not but appreciate her sterling qualities of character, and her passing has cast the deep shadow of sorrow and bereavement over all her loved ones.

Especially will she be missed by her parents, and the brother who are now the only members of the large family permanently resident in the old home.

Beside her father and mother, seven brothers, and two sisters are left to mourn her loss.

The brothers are Bernard, George and Reginald of Boston, Leonard of Saint John, Howard, Hiram and Cleveland of Bear River. The sisters are Mrs. David Hicks of Bridgetown and Mrs. A. W. Shipley of Boston, all of whom came home for the funeral to pay their last tribute of love to their beloved sister, the first time since 1902 they had all gathered beneath the home roof.

The funeral on Wednesday, May 4th was a very large one, interment being at Mount Hope Cemetery.

Rev. E. J. Barrass, pastor of the Bear River Baptist church, assisted by Rev. J. W. Smith, conducted the impressive service at house and grave, and many beautiful floral tributes, particularly one from the B.Y.P.U., testified to the respect and sympathy of friends and relatives.

CARRIED WIFE TO BED

Suffered So She Could Not Walk. Restored to Health by Lydia E. Pinkham's Vegetable Compound

Mining, Ontario.—"I am a practical nurse and I recommend Lydia E. Pinkham's Vegetable Compound to suffering women. For three months I was almost helpless and could not sit at the table long enough to drink a cup of tea. Many a time my husband carried me to bed, I would be so weak. Then he read in the paper of a woman suffering as I did who got better after taking the Vegetable Compound, so we went and got it for me. When I had taken three bottles I was just like a new woman and have had splendid health ever since. When I feel any bearing-down pains I always take it; sometimes a half bottle or whatever I need. It is my only medicine and I have told many a one about it. Any one wanting to know more about Lydia E. Pinkham's Vegetable Compound, I will gladly write to her. I do all I can to recommend it for I feel I owe my life and strength to it."—Mrs. NEAL BOWEN, R.R. 1, Mining, Ontario.
Do you feel broken-down, nervous, and weak sometimes? Do you have this horrid feeling of fear which sometimes comes to women when they are not well? Lydia E. Pinkham's Vegetable Compound is excellent to take at such a time. It always helps, and if taken regularly and persistently will relieve this condition.

Morning Noon and Night Refreshing KING COLE TEA

Bear River East

Mrs. G. Melville after having spent the winter with her daughters in Berwick and Weston returned home on Thursday of last week.

Edgar Sulis spent Sunday with his sisters Mrs. G. Ruggles and Mrs. C. Jefferson.

Mrs. Arthur Jefferson is much improved in health after her recent severe illness.

Friendship Lodge Attends Church Service (In Celebration of Anniversary

Friendship Lodge No. 122 I.O.O.F. paraded to Divine Service on Sunday evening last in the Baptist church and heard a most impressive and appropriate sermon by the pastor, Rev. E. J. Barrass.

A packed house listened with rapt attention while the speaker eloquently urged his hearers to be faithful to their vows of "Friendship, Love and Truth."

About fifty members formed up under the leadership of P.D.D.G. M. Ramsay and in the new official regalia recently purchased by the Lodge, were the occasion of much favorable comment.

Renewed interest in Oddfellowship is manifested here and many new members are being added.

Weddings

CAREY-HIRTLE

A wedding of local interest was solemnized by Rev. E. J. Barrass at the Baptist parsonage at ten o'clock Saturday morning when Miss Annie Viola, daughter of Mr. and Mrs. Colin Hirtle became the bride of Fred Stanley Carey.

The bride attractively gowned in powder blue and carrying a bouquet of bridal flowers, was attended by her sister Miss Catherine Hirtle also wearing powder blue and carrying flowers. The groom was supported by Carleton Hirtle, brother of the bride. After a short honeymoon spent with relatives of the groom at Avonport, Mr. and Mrs. Carey will reside at Bear River.

Parkers Cove

Service in the Methodist church on Sunday at 3 o'clock by the Rev. J. W. Dean.

Schr. Viola Pearl, Capt. D. D. Clayton, sailed for Saint John the 10th, she is loaded with cordwood for Saint John parties.

Deep Brook

Mrs. S.A. Spurr arrived home from Boston on Tuesday called home by the death of her sister, Mrs. Charles Bacon of Bridgetown. She was accompanied by three sisters of Lynn.

Mrs. Aubrey Sanford and son Freeman were week end guests of Mr. and Mrs. J. R. Berry.

Mr. and Mrs. Willis Rice and children spent the week end guests of Mr. and Mrs. Loran Adams.

Mrs. J. D. Spurr is at the Colonial Arms hotel making preparations for the summer season.

St. Matthews Guild met on Tuesday evening with the president, Mrs. W. H. Spurr.

The many friends of Ralph Ruggles will be glad to know that he is out of the hospital and doing well after the serious accident of a few weeks ago.

Bruce McClelland who is in training at the Bellview Hospital, New York has recently undergone an operation. He is receiving every care and attention from the medical staff and nurses and is doing well at present writing.

The W.M.A.S. met on Wednesday, May 4 with the president Miss E.A. McClelland. The society was happy to welcome the president back. A good program was arranged.

Mother's Day was fittingly observed at the Baptist church Sunday afternoon. The pastor, Rev. W. G. Hisler gave a strong sermon on the influence of a good mother. Special music was arranged by the choir.

ITCHING ECZEMA DRIED RIGHT UP BY THIS SULPHUR

Any breaking out of the skin, even fiery itching eczema, can be quickly overcome by applying a little Menthol Sulphur, says a noted skin specialist. Because of its germ destroying properties, this sulphur preparation instantly brings ease from skin irritation, soothes and heals the eczema right up and leaves the skin clear and smooth. It seldom fails to relieve the torment and discomfort. Sufferers from skin trouble should get a little jar of Rowles' Menthol Sulphur from any good druggist and use it like a cold cream.

FIRESTONE DEALERS

Demonstrate This Extra Value

The Firestone Dealer in your locality will gladly explain to you the extra value of Gum-Dipping. He is prepared to demonstrate how the cords of the carcass are saturated in a rubber solution, insulating every fibre of every cord with rubber, which minimizes friction. Naturally, tires built of Gum-Dipped cords have extra carcass strength and stamina insuring longer wear.

Parkers Cove

Mrs. Cecil Bell and children of Bear River spent a few days last week with her mother, Mrs. Lelah Alcorn.

Mrs. Guy Thomas returned home last week from Marshalltown where she has been caring for Mrs. William Thomas who has been quite ill with scarlet fever and is now improving.

Mrs. Oscar Balcom was called to Parker's Cove last Sunday, her father being very ill.

Mrs. Eliza Chute leaves for Boston to visit her children. She will be accompanied by Mrs. Frank McClelland of Deep Brook.

Mr. and Mrs. Tebo of Church Point were guests of Mr. and Mrs. Edward Alcorn on Saturday.

Mrs. Elizabeth Fraser of Fraser Town is visiting Mrs. Eliza Chute.

MORSE'S TEA is a perfect blend of Assam and Orylon leaf. By slightly mellowing the full strength of the Assam with the softening influence of the milder Orylon, a perfect blend is produced, full in strength yet captivating to the taste because of its subtle flavor. There is no other best tea once you have tested MORSE'S.

It is best, the choice of Canadian hard wheat is where the millers of REGAL FLOUR obtain their supply. But they only accept that particular quality of wheat which will insure REGAL standard. Such selections are determined by laboratory and actual baking tests.

REGAL FLOUR

Opposed To Compulsory Grading

The action of the Valley Fruit Growers Association in condemning a one hundred per cent grading of apple pack is one which will come as a surprise to most people, even many who are interested in the orcharding of apples as a commercial crop, and to those who are merely interested as it affects the general welfare of the province the action is one hard to justify. If the quality of the crop is so good it needs no inspection and grading why kick because it is proposed? If the quality is so poor, as seems most likely, that grading will eliminate most crops from the better classes, why it is time that inspection was made compulsory. To mix grades, trying to pass poor apples as good, is to discredit all apples from the province and unfortunately development of apple orcharding in other countries and other provinces of the Dominion of Canada has overreached the development of the industry in Nova Scotia and we are up against competition which will not permit of such practice.

By all means let us keep free as we can from government control of any industry, but when the government endeavors to build up an industry by eliminating, second class wares, let us all boost for such methods. It is almost as cheap to grow good apples as poor ones. It is possible to eradicate scab and smut and other ills of apples and if it can be done, if the quality can be improved better prices will be received in compensation for the effort and the whole Valley will be better off.

Strict inspection and grading coupled with real cooperation. These may be the salvation of the apple industry in Nova Scotia and to follow these up a number of factories to handle seconds, turning out evaporated and canned apples will be of utmost importance as contributory industries.

Bill To Disarm All Canadians Proposed

A bill which would virtually disarm all civilians in Canada is now before the federal Parliament. It would place drastic restrictions not only upon fire arms, but upon possession of knives, bayonets, sling shots, sand bags and knuckle dusters.

The bill is fostered by Senator H. A. Belcourt and has the support of the Senate, but considerable opposition is expected in the House of Commons, particularly on behalf of sportsmen, and retail merchants who are interested in the sale of sporting weapons.

Senior police officials have been called before a Senate committee to give expert evidence on the regulations regarding firearms and other weapons and most of them have approved the bill.

In essence, the proposed law would provide for the licensing of the importation, manufacture and sale of weapons. It would take the form of an amendment to the Criminal Code. It would require not only registration of weapons but would increase substantially the penalties in the present law for concealing of carrying arms.

Manufacturers, importers and retailers would be strictly licensed. Only persons holding permits would be permitted to own weapons of any kind. And sale or transfer of weapons between citizens would be recorded. Dealers would be forced to keep a strict record not only of sales, but of repairs and replacements of weapons, or parts of weapons.

The military and naval forces, officers of the Royal Canadian Mounted Police, officers of the Crown, and police of provinces or municipalities would be exempt from the regulations concerning permits. Weapons would be permitted as part of ship equipment. Museums and private collectors would be allowed to have weapons as souvenirs or relics. But with the foregoing exceptions, permits would only be issued by police officials for 12 months at a time.

Westport

Mr. and Mrs. Lloyd S. Bailey and daughter Ruth, have arrived home from Barton where for some time they have been guests of Mrs. Bailey's parents, Mr. and Mrs. H. VanBlarcom. Mr. Cormac Bailey was also a guest for some weeks at the same home.

Mrs. J. H. Saunders of Rosindale, Mass., is spending several weeks with her mother, Mrs. Helen Peck.

Mrs. Frank H. Beattie who was called to Westport by the illness of her mother, returned to her home on Monday accompanied by Mr. Beattie who spent a few days at Westport the guest of Mrs. Helen Peck and of Mr. and Mrs. S. T. Payson.

Mrs. Hubert Bowers and Mrs. Bernard Bowers and Mrs. John Swift were visitor to Saint John last week.

The men's church clubs of Freeport, and Tiverton Baptist churches visited Westport on Sunday and joined in service with the club in Westport. About a hundred men were present and were addressed by Rev. H. H. Finney, pastor of the Westport Baptist church. A nice musical program was rendered and the occasion much enjoyed by all participating.

On Sunday evening the officers and members of Juanita Lodge 100 F.

Alluring Flavor "SALADA" TEA

Crisp, fresh leaves sealed air-tight.

Westport joined by the Rebekah Lodge celebrated the 10th anniversary of the founding of Oddfellowship in a very creditable manner. About a hundred and fifty members of the order marched from the lodge room to the Baptist church under the direction of Edward Vennart as marshal. The procession presented an excellent appearance and was very favorably commented on by Rev. H. Finney after some brief appropriate references to the order particularly preached a very effective sermon in a congregation which filled the church. The center pews were fully occupied by the Oddfellows and Rebekahs.

Cook's Regulating Compound

A safe, reliable regulating medicine. Sold in three degrees of strength—No. 1, 2, 3. No. 3, 40¢ per box. Sold by all druggists, or sent prepaid on receipt of price. Free pamphlet. Address: THE COOK MEDICINE CO., TORONTO, ONT. (Formerly Windsor)

Zelma Rebekahs Enjoy Pleasant Evening

On Monday evening seventy-five
or eighty members of Zelma Re-
bekah Lodge enjoyed a most pleas-
ant evening in their lodge rooms.

During the first part of the even-
ing cards and games were played
the prizes being won by: Bridge,
Mr. and Mrs. A. J. Dillon; Crokin-
ole, Miss Coggins and Mr. Collins;
Fourth-fives, Mr. and Mrs. J. J.
Wallis.

After the prizes were awarded the
floor was cleared for dancing. Ice
cream and cake were served by a
committee of lodge members.

At Weymouth For The Summer

Mr. and Mrs. George Sack of
New York, and daughter Miss
Ruth, arrived last week at their
summer home at Weymouth. They
will spend the summer in the coun-
try, a part of the time at their
camp at Tusket.

Mr. Sack says he likes to get
down to Nova Scotia before the
trees begin to bud and stay until
the last autumn leaf has fallen, so
he will know that dame nature isn't
putting anything over.

Their plans for next year is to
come earlier and try a hand at tap-
ping the sugar maples around their
Tusket camp.

Girl's Work Secretary Will Address Meeting in Acadia- ville

Miss Marjorie Trotter, Girl's
Work Secretary of the M. E. R. C.
Religious Education Council will
address meetings in the interest of
her work at the Hill Grove Church
on the afternoon and evening of
May 19th.

The public are cordially invited
to attend these meetings which
promise to be interesting. Miss
Trotter will describe the activities
of the Girl's Work division.

Harlem

Mr. and Mrs. Stephen Ford and
family spent Sunday with their
parents, Mr. and Mrs. Fred Mullen.

Mr. and Mrs. Stephen Barr, Mr.
and Mrs. Arnold Barr spent Sun-
day at Harry Lewis', Danvers.

Misses Mildred Smith, Katie
Mullen, of Harlem, Miss Fannie
Walker, of Weymouth North, left
for Augusta, Maine, on Monday.

Mr. and Mrs. Henry Deveau
spent Sunday with Mrs. Avery
Amoro.

Edward Melanson is home visit-
ing his parents, Mr. and Mrs. Am-
brose Melanson.

Scovil Dugas is on the sick list at
time of writing.

Misses Fanny, Isabelle, Evelyn
Walker, of Weymouth North, spent
Sunday at the home of Fred
Mullen's.

Arthur Tebo and son Arthur who
has been visiting his sister, Mrs.
John A. Beaudou, Harlem, returned
to his home in Yarmouth.

Freeport

Clair Prime of Bridgewater, Mass. is
spending the summer with his sister, Mrs.
Edgar Whitteck.

Mrs. Gordon Titus and little son Ar-
nold left this morning for Digby to visit
relatives.

Robie Tibert has recently purchased
the property of Howard Welch, who we
understand will reside in Westport for the
future.

The Amateur club of Westport held a
very successful entertainment in the
Temperance Hall on Friday last to a
large audience. We hope to see them
again soon.

Schr. Firelight, Capt. Horace Thurber
arrived from Gloucester on Saturday.

About sixty members of the men's Bi-
ble Class of this place, met with the
'Brighton The Corner' club of Westport
on Sunday afternoon.

CARD OF THANKS

MR. E. Bremner and family wish to
express their appreciation to the many
kindnesses and expressions of sympathy
extended to them in the recent bereave-
ment.

Board of Trade

Continued from page 1

desire to support the factory,
which would secure for them a
market for surplus crops, no further
progress should be made. Presi-
dent Dakin reported that a com-
munication had been received from
the Development department of
the Canadian Pacific Railway, offer-
ing their service in bringing the
matter to a head.

The Board discussed the new
tourist booklet issued by the pro-
vincial department of Natural Re-
sources, voicing surprise that Dig-
by, pioneer of the tourist move-
ment and one of the most import-
ant tourist centers of the province
had been entirely overlooked in the
book, with the exception of a three
line paragraph in the road guide,
and even this contained inaccura-
cies. The Publicity Committee of
the Board was instructed to remedy
the complaints of the Board in a
resolution to be sent to the depart-
ment and to the Members for Dig-
by and Clare Messrs W. H. Farn-
ham, M. P. P., Digby and J. L. P.
Robichaud, Clare.

In an effort to standardize taxi
charges the secretary was instructed
to communicate with the Town
Council suggesting that a schedule
of taxi rates be prepared and pub-
lished and that each taxi should
display a copy of the rates in a
prominent place.

There will probably be a special
meeting of the Board early in June
to go over the plans for the July
celebration.

Will Address Meeting Here on Forest Fire Prevention

Mr. A. Hector Cutten, represent-
ative of the Dominion Forestry
Association will visit Digby next
week and address meetings in the
Bijou Dream Theatre on the sub-
ject of Forest Fire Prevention.
The lecture will be illustrated with
5000 feet of motion picture reel
illustrating the salient points in the
address. These pictures were taken
in the Canadian forests and are of
themselves and interesting and
educational feature. Preparations
for the meetings are now in hand
and it is proposed to have one meet-
ing in the afternoon, for school
children especially, and the school
commissioners will be asked to ar-
range that classes be dismissed early
in order to allow the pupils to at-
tend.

In the evening a meeting for
adults will be held, commencing at
eight o'clock.

Local and Personal

Mrs. (Captain) C.F. Lewis, of St. John, is visiting her parents, Mr. and Mrs. G. H. Holdsworth, Carleton Street.

Captain Spurr, Proprietor of the Myrtle House, left on Tuesday night's train for a business trip to Halifax and to take a little holiday after the labor of getting the hotel ready for the opening. The Myrtle House will open its season on May 24 when the new flag will be hoisted. Miss Odessa Leat, for seven years Captain Spurr's assistant in the office, will report for duty on Monday.

"Herbie" Holder, chef at Kiley's Cafe, who has been at his home in Shelburne on a winter vacation, returned to his duties last Saturday.

Miss Charlotte Tempay, of Marshall town, was the guest over the week end of Mrs. G. H. Holdsworth, Carleton street.

Mr. and Mrs. Frank Nichols were visitors in Halifax on Saturday last.

Mrs. Howard Anderson, who has been spending the winter in the Southern States, returned to Digby on Tuesday.

Miss Zoë McKinnon is visiting her sister, Mrs. Jack Culbert, of Peterboro, New Brunswick.

Mrs. M. B. Cunningham, who has been visiting friends in Windsor for the past month has returned to her home here.

Nathan Askins, of Chicago, who has been visiting his former home in Weymouth was the guest of Mr. and Mrs. C. J. Boston on Sunday.

Captain and Mrs. Donald Barkhouse were passengers on the Arthur to Saint John on Monday, starting off on a motor trip to New York.

OUTING SKIRTS AT WRIGHT'S.

Mr. and Mrs. H. S. Hoyt, of Weymouth, were visitors in town on Saturday.

Miss Blanche Deveau, of Weymouth North, was a visitor in Digby on Wednesday.

Mr. Harris, of Harris and Silver, Ford Dealers for Digby County, with head office at Weymouth, was a visitor in Digby on Wednesday, coming back from Westport where he delivered the nineteenth car owned on the Island.

Mrs. E. B. Woodrow, who has been with her son, Arthur Woodrow, in Cambridge, Mass., returned to Digby this week.

NEW NECKWEAR at WRIGHT'S

Game Warden Back Again

Provincial Constable William Chandler, of Amherst, who was busy in Digby County last fall, securing several convictions for violations of the Game Act, particularly the illegal killing of deer and cow moose, returned to Digby on Wednesday and registered at the Winchester.

Yesterday he was joined by Fire Ranger Ritchie, Chief Ranger of Digby, Yarmouth and Shelburne Counties.

The Soup Got Cold

Charlie Gorman, Canada's champion exponent of ice racing, together with Colonel Simons, president of the Starr Manufacturing Company, was a visitor in Digby on Wednesday. The two were enroute from Halifax to Saint John, coming down by car, to attend the banquet arranged to be given by the citizens of the Fog City in honor of their famous townswoman on Wednesday night.

Meeting with car trouble their arrival was delayed until after the sailing of the Prince Arthur and they remained in Digby over night guests at the Waverly.

To Deepen Berth at Deep Brook Wharf

The Courier is informed that engineers of the Department of Marine are to be at Deep Brook during the next week to make a survey of the berth at Deep Brook wharf. The dredge now operating at the Gypsum Company site is of too deep draught to work in the wharf berth, even if she was available, and arrangements will probably be made to have the fill removed with teams during low water.

The construction of a baffle, to turn the flow from the stream under the culvert to keep the berth from filling might be possible, and the engineers will investigate this also.

Mattresses and Springs

Tennis is Sure For Summer Sport This Season

The Digby Tennis Club, which almost went out of existence as a factor in Digby's attraction for summer tourists, has been given a new lease of life, and incidentally a new lease on the property where the game is played.

After two attempts and much doubt of the outcome, a meeting for organization finally got underway and officers and committees elected for the year. Mr. Gerald Tupper was chosen as president and Miss Phyllis Dakin Secretary-Treasurer. Immediately upon her appointment Miss Dakin got busy on a canvas for dues and was so successful that the club has paid off its debts incurred last year, paid its rents for the 1927 season and has money in the bank.

Dr. Read who has taken a most active part in maintaining tennis as one of the summer sports, assisted in the organization meeting and was able to report that Miss Forsythe, owner of the property had declined to dispose of the grounds, though offered a very attractive price, for other than as a tennis court, and had advised him that the club might feel easy about renewal of the present arrangement from year to year, which is practically a trust.

President—Gerald Tupper
Vice President—Miss Mildred Carty
Sec'y Treas.—Phyllis Dakin

Asst. Sec. Treas.—Frank Whitman
Treas.—Misses Oliver, Burnham, Carty, Warrington and Wallis.

Grounds Committee—G. Tupper, D. Daley, F. Whitman, E. Armstrong.

Meeting of Red Cross Society

The President, Mrs. W. F. Read, presided at a meeting of the Executive of the Digby Branch of the Red Cross Society, held Wednesday afternoon.

Digby Vulcanizers Put Through First Jobs This Week

The Digby Vulcanizers, which opened up the first of May under the management of Mr. W. H. Farnham, M.P.P. turned out the first vulcanizing jobs this week, jobs which compare favorably with any done anywhere and which called forth the compliments of the customer.

A visit to the plant is interesting especially while the work is being done, and the click and whirr of the automatically controlled motor which drives the compressor is most curious.

The vulcanizer does all sizes of auto tubes, tires, rubber footwear and any article made of rubber that is worth repairing. Already a number of customers have been able to save time and considerable money by the locating of the plant in Digby and a steady season's operation is assured. The first out of town customer was a motorist from New York, who suffered a stone tear on the way from Yarmouth, and was highly pleased when on reaching Digby he found that the repairs could be made here.

Mr. Hector Cutten, of The Dominion Forestry Association to Hold Meetings All Over County

Prevention of forest fires, the preservation and proper care of our forest areas, will be advocated by Mr. A. H. Cutten, representative of the Dominion Forestry Association at a series of meetings to be held in various parts of the county during the coming week. Mr. Cutten carries with him 5000 feet of educational film, presenting a good moving picture show which illustrates the destruction caused by forest fires, and amplifies the lecture. The picture is an exciting and interesting one, besides being educative.

The schedule of meetings is as follows:

Digby Friday, May 20th.
Smith's Cove, Wednesday, May 25th.

Joggins Bridge, Thursday, May 26th.

Weymouth, Friday May 27th.

Arrangements are also being made for a meeting at Plympton or Barton on Saturday, May 28th.

Managing Editor

FRIDAY MAY 20, 1927

Contagion is Spreading

The malady which struck Digby Board of Trade and the Town Council causing them to decide that Digby would get more tourists than it could handle this year, and for that reason no tourist booklet should be issued, seems to have broken out in a new place. This time in Halifax. The department of Natural Resources has issued a booklet "Nova Scotia, Canada's Playground." It is well printed, contains some very good and a few fair pictures, and a lot of information—of both kinds.

Halifax is featured; Cape Breton gets the display its scenery and resources deserve. Chester, also, gets a fair presentation of its beauties and charms, and many other places, of lesser and greater importance are treated as they deserve to be in a booklet issued by a government department. The panoramic view of Bear River is the chief feature so far as the Annapolis Valley is concerned, while some description of Annapolis Royal and the Band of Evangeline, very properly, has a place in the booklet.

But! The most wonderful scenery of Nova Scotia, the view of the Gut, is not there! Neither is any other part of Digby illustrated. Digby, the pioneer town of the tourist movement, might as well be in the middle of the Sahara Desert so far as the Department of Natural Resources take any interest or recognition of it. It is mentioned in the travelogue section which says: "Digby was settled by the

Empire Loyalists in 1753." As a matter of historical record that reference takes first place in the misinforming column. To begin with Digby was not called Digby until Admiral Digby brought settlers here and to finish up with there were no "United Empire Loyalists until the War of Independence, which was in the seventies. Our American cousins sing a song in honor of the heroes of '76, and they will wonder how they got all astray by some twenty years.

Looking the book over from cover to cover, sizing it up as an representative of the most important tourist country in North America one wonders how it ever got by the censor. Almost any small tourist town in the United States would get out a bigger and better booklet; and it is a safe bet that any one of the important resort hotels from Bar Harbor, Maine, to the end of the Florida Keys gets out a tourist booklet that is better, contains more enticing illustrations, more information and is more value as a trade getter than the booklet under discussion. If cost is the cause of its limitations the province of Nova Scotia had better stop trying to cater to tourists.

The Courier would not endorse the views of the New Glasgow Evening News, which says that the Department of Natural Resources ought to be scrapped because of its lack of comprehension of the tourist possibilities of the province, but we do say that the department needs a new conception of what tourist are worth and what money and effort should be expended in getting them to come here.

One also wonders why Mr. Kenneth Crowell's slogan—Nova Scotia, the Ocean Playground of a Continent—was discarded in favor of the limitation—Canada's Playground. Surely we are international enough to want to share our land with the whole world.

An Appreciation of Melbourne Stewart Read

In the current issue of the Acadia College magazine is published the following appreciation of the late Melbourne Stewart Read, brother of Dr. Read of Digby, written by Dr. Cutten, President of Colgate University and former President of Acadia.

Colgate University has undergone a severe shock in the death of three professors within five weeks. When Dr. French, the head of the department of Philosophy died on March 15th, the memorial service

held in the College Chapel was addressed by his friend, Dr. Read. Within three weeks a memorial service was being held for Dr. Read.

When he came into the Chapel on the morning of April 14th, he never appeared to be in better health. I tried to reach him over the telephone early in the afternoon to talk over some matters concerning his department, but was unable to get him; and within half an hour he was shocked to learn of his sudden death. It is difficult to conceive of a loss more severe for us at Colgate than the passing of this man who has served the University in several roles so faithfully and so well for thirty-two years.

Melbourne Stewart Read was born in Berwick, September 22, 1869. He was the son of Reverend E. O. Read. He graduated at Acadia in 91, and after a short teaching experience, entered the Sage School in Philosophy and Ethics, Cornell University; receiving his doctor's degree in 1895. That same year he came to Colgate as assistant professor of Philosophy and his department developed so that not long afterward Philosophy and Psychology were separated, and he became head of the department of Psychology and Education which next year would have included four men. In 1910 he became Secretary of the College; in 1912, Vice President; in 1920, Acting President; and in 1921 President pro tempore. Besides numerous magazine articles, he published two books, one Evolutionary Ethics and the other Introductory Psychology. In 1923, Acadia conferred upon him the degree of Doctor of Laws. He is survived by his wife, who was Miss Caroline Jane Mott, of Hamilton. The funeral services were held in the First Baptist Church, and the interment was in the College Cemetery of Hamilton.

Dr. Read was one of the most prominent of Acadia graduates. He had a fine mind, well trained, and always judicial. He was appreciated as a teacher, and esteemed as a colleague. On account of his genial disposition, and gracious personality he is much missed not only by the college community but by the people of the town, where he has lived so many years. His sudden death will be mourned by many Acadia friends.

GEORGE B. CUTTEN D.D.
President Colgate University

Red Cross Campaign For A Million Dollars

The Canadian Red Cross, on Empire Day will enter on a nation wide campaign to raise \$1,000,000 with which to carry on its comprehensive peace time programme in the interests of the returned soldiers and the health of the citizen generally, a program of national welfare on which it has already spent a sum of over \$7,000,000 since the war.

Chief Commissioner J. L. Biggar of Red Cross Headquarters, states that plans for the campaign are well forward in all provinces so that it is now only a matter of days until the first posters appear in many parts of the Dominion and the first guns are fired.

While the general plans of campaign have been worked out at headquarters, the detailed local arrangements in the nine provinces have been in the hands of the various Presidents and Directors who will carry them onward to the close of the campaign on Dominion Day in the way best suited to their districts. President F. T. Short, is in charge of the campaign in Nova Scotia.

It is understood that the Society will make its appeal directly on its record of accomplishments in its services for the disabled soldier, its thirty nine Outpost Hospitals, the Seaport Nurseries in Halifax, Saint John and Quebec, the Junior Red Cross now numbering in Canada 140,000 children engaged in the pursuit of health for themselves and handicapped children; the Disaster Relief activities of recent times, and the Home Nursing Training which has been extended to over 12,000 women and girls in the last three years.

Nova Scotia Board of Commissioners of Public Utilities

in The Matter of The Application of The Digby County Power Board For Approval of A Schedule of Rates For Electric Energy.

King Solomon Lodge Masons Pay Last Rites to Major Daley

With full Masonic Ritual the funeral of the late Major John Daley was held from Trinity church on Sunday afternoon. The members of the order, marshalled by Bro. Harris Bowles, marched from their lodge rooms to the home and escorted the body to the church, where Reverend and Worshipful William Driffield, Rector of Trinity and Chaplain of the lodge read the Offices for the Dead. From there the remains were borne to Trinity Cemetery where the Masonic Rites were conducted.

The esteem of his townspeople and their sympathy for his family were expressed in the number and beauty of floral offerings which covered the casket and the large attendance at the funeral.

Rev. Jabez Appleby Resigns Pastorate Of Grace United Church

Giving family reasons as requiring his withdrawal from the pastorate of Grace United Church, Rev. Jabez Appleby, at the service on Sunday night, tendered his resignation of the pastorate of the church to take effect on June first.

No objection to the resignation was recorded and it will therefore take effect at the time requested by Mr. Appleby. Steps to secure a successor to the present pastor are now being considered.

The Courier does not propose to discuss the events which culminated in the resignation of Mr. Appleby, suffice to say that the congregation was taken into their pastor's confidence and the reasons given for his resignation seemed quite sufficient.

TALK OF THE TOWN

Fisheries inspector H. H. Marshall and Fisheries Officers G. E. Torrie were visitors in the fishing ports of Clare and Yarmouth on several days last week spending Thursday in Yarmouth.

Miss Bessie McMullen has been South for the winter, has returned to Digby and reopened the family home on Sydney street.

Mrs. T.C. Shreve, and daughter Miss Edith who have been spending the winter in Halifax, returned to Digby on Saturday to remain the summer.

Mr. and Mrs. Usher, of Hamilton, Bermuda, are leaving Bermuda on June 26th enroute to Digby to spend the summer here. Mr. and Mrs. Usher have many friends here made during previous visits to Digby, who will welcome them back.

Mrs. L.H. Morse, who has been in Halifax during the winter, returned home recently to spend the summer in Digby.

The office of the Digby County Power Board is to be removed from the Warne Block, Main street, to offices in the Court House.

If you want to win a bright new dollar bill, try writing an advertisement. See particulars in "Dakin Bros. advertisement."

The schools of Digby will celebrate Empire Day, Thursday May 23rd, with special exercises in the individual class room.

Victoria Day is a holiday.

Then comes the Third of June.

Then Dominion Day, the Diamond Jubilee celebration of Confederation.

Onions have advanced two cents a pound in local markets.

DOESN'T CRACK SCALE OR CHALK

PRACTICAL use for generations under Canada's varying temperatures has proven the worth of the exclusive B-H 70-30 formula—70 parts of Pure White Lead and 30 parts of Pure White Zinc.

The perfect combination of these two superior white pigments makes B-H "English" paint elastic. It does not crack or scale. Based on the exact and unvarying proportions of 70-30, the paint film withstands the action of the elements. It does not chalk. It wears and wears and WEARS.

B-H "English" Paint goes farther—its hiding power is greater. The minute particles of pure white lead differ in shape from those of pure white zinc. They dovetail exactly. Nothing gets through the paint film.

Ask the B-H dealer for his pure paint with the 70-30 guarantee. The low cost of painting with pure paint will amaze you.

BRANDAN HENDERSON

efforts on behalf of the Hospital and are now working for the Fair to be held in August, hoping to make it an even greater success than the affairs of 1925 and 1926.

The success of the Hospital shows what can be accomplished by every one doing a little, starting less than three years ago without either capital or endowment the results accomplished speak for themselves.

One member of the Board Mr. Ingram Saunders of Sandy Cove, having died since the last annual meeting, Dr. F. E. of Sandy Cove was elected a member of the Board to fill the vacancy. Mr. Saunders took an active interest in the Hospital and his passing was greatly regretted.

The Board expressed their thanks to Mr. A. J. Dillon for the work he has done as Treasurer, and their appreciation of his giving much of his time and attention to the affairs of the Hospital, his keeping of the books and looking after the financial matters in such a very satisfactory manner.

PROCEEDINGS OF THE MUNICIPAL COUNCIL FOR THE DISTRICT OF DIGBY MAY SESSION 1927

The Council in and for the Municipality of the District of Digby met at the Court House, Digby, on May 2nd, at 2 p.m. Present, the Warden, Councillors Chisholm, Marshall, Lent, Pugh, Cossaboom, Outhouse, Cornwall, W. Cossaboom, Hillman, Hankinson and Councillor elect H. W. Cossaboom. The Warden took the chair and called the meeting to order at 2 o'clock, and welcomed the new Councillor. The minutes of the previous meeting were read and approved, after which the Councillor elect, H. W. Cossaboom was sworn into office, taking the oath of allegiance and of office.

The nominating committee were asked to retire and later brought in their report, which was read by Councillor Pugh, they recommending that Councillor H. W. Cossaboom be appointed a member of the Committee on Finance and Public Accounts and also of the Committee on Matters concerning the Poor and Harbours.

Letters were read from the Minister of Public Works and H. B. Short, M.P., being replies to a copy of resolution passed at the January session of the Council regarding the building of a breakwater at East Ferry; as the reply from the Department of Public Works was not favourable Councillors Pugh and Lent urged upon the Council the need for further action in the matter. On motion Councillors Pugh, Lent and Outhouse were appointed a committee to draft a further request to the Minister of Public Works. This was done and was as follows:—With reference to the proposed Breakwater at East Ferry as

set forth in our resolution of last January, the breakwater as at present located is entirely inadequate for the requirements of the traffic, for the reason that it is unfit to land at except at high tide, and mails and passengers are often delayed in waiting for the tide, and it is impossible to land automobiles, except at high tide. This breakwater serves and is the only communication for a large and flourishing section of the County of Digby. It has now outgrown its usefulness, therefore it is essentially necessary that a breakwater suitable to the present traffic should be built at a location some two or three hundred yards to the eastward of the present breakwater; this would avoid a dangerous hill that is almost impossible for a motor car, and would be in a much more sheltered location and would be accessible at all times of tide. We would therefore suggest that your engineer be instructed to visit the location and interview prominent parties interested, with a view of learning more fully of conditions as they exist."

Moved by Councillor Pugh, seconded by Councillor Hillman that the resolution as read be approved by the Council and that copies of the same be sent to the Minister of Public Works, to H. B. Short, M.P., the Member for this constituency, and to Mr. Ralston, the Minister of National Defense. Passed.

Moved by Councillor Hankinson that the motion passed in May, 1926 allowing and empowering the Village of Weymouth to supply itself with Hydro power be rescinded, seconded

by Councillor Fitzgerald, and passed. The following resolution was moved by Councillor Hankinson: "Whereas the Commissioners of the Village of Weymouth, under the Village Supply Act, have resolved to borrow and have been authorized by a meeting of the electors to make and issue debentures in the sum of Eight Thousand dollars (\$8000.00) to raise funds for the purpose of installing its electric distributing system, under the provisions of the Village Supply Act, and have requested the Municipality of the District of Digby to guarantee the payment of the interest and principal of such debentures.

BE IT THEREFORE RESOLVED that the Municipality of the District of Digby do hereby guarantee the payment of the interest and principal of the debentures to be issued by the Commissioners of the Village of Weymouth, under the Village Supply Act, to the extent of Eight Thousand dollars (\$8000.00) (under provisions of section 44 of said Act), seconded by Councillor Fitzgerald, and passed.

Moved by Councillor Pugh that the bill of Mr. Stephen Outhouse, Tiverton, for seven sheep killed by dogs be allowed at six dollars per sheep, that \$42.00 be allowed for this bill; seconded by Councillor Fitzgerald, and passed.

Moved by Councillor Hillman that Mr. Freeman Handspiker, Mount Pleasant, be allowed \$15.00 for sheep killed by dogs, seconded by Councillor Marshall, and passed.

The report of the Appeal Board was read and discussed, this Board having recommended the appointing of an

over-assessor for the coming year. The various Councillors gave their ideas on the question. Moved by Councillor Hillman that no over-assessor be appointed for 1928, seconded by Councillor Fitzgerald.

Moved in amendment by Councillor Pugh that an over-assessor be appointed for 1928 by this Council and a new committee of three be appointed to meet and advise this over-assessor, seconded by Councillor Marshall; on being put to vote the amendment carried; voting for the amendment, and passed: "Resolved that this Council goes on record as in favor of manufacturing pulpwood into paper at home in Nova Scotia and recommends that the Government make proposals of a constructive character that will assist in the establishing of industries in the Province, and resolved that this Council other restrictions on the exporting of pulp wood, and will oppose it, because it believes such a measure will hurt Councillors Pugh, Marshall, Hankinson, W. Cossaboom, Chisholm, H. W. Cossaboom, against Councillors Hillman, Fitzgerald, Cornwall, Lent, Outhouse (these names were entered by a special motion which was moved by Councillor Hillman, seconded by Councillor Lent and passed).

On motion the Council adjourned until 10 a.m. Wednesday, Wednesday, May 4th.

The Council met at 10 a.m. Wednesday, May 4th, all Councillors present. The Warden took the chair and called the meeting to order. Minutes of previous meeting approved.

On motion Major MacLean was permitted to address the Council, speaking on the proposed embargo on Pulp Wood, and asking the Council to pass a resolution expressing their attitude toward this question. The following resolution was moved by Councillor Hillman, seconded by Councillor Cossaboom, not produce any good results, but that on the contrary that it will be harmful to the whole Province by making it more difficult to conduct business and by adding to unemployment.

The Warden then spoke of the proposed celebration of the 80th anniversary of the Confederation of the Dominion; he and the Mayor of the Town having attended a meeting at Halifax, held to make arrangements for the celebration; all the Councillors spoke in favor of the holding of a united celebration and agreeing to help in their districts to make the undertaking a success. T. E. G. Lynch, Mayor of the Town being present told of the plans made by the Town. On motion Councillors W. Cossaboom, Chisholm, Pugh and Fitzgerald were appointed a central committee to deal with this matter.

On motion Mr. S. Marshall was permitted to address the Council, asking for a refund of 1921 rates; which he claimed he should not have paid; the question was referred to the assessment committee.

Moved by Councillor Chisholm that the sum of one hundred and fifty dollars (\$150.00) be voted by this Council for assistance toward the proposed celebration on July 1st; (this to be paid by the Treasurer on order of the Chairman of the Central Committee), seconded by Councillor H. W. Cossaboom, and passed.

Council adjourned until 2 p.m. Council reassembled at 2 p.m. All Councillors present, the Warden in the chair.

A recommendation for surveying of marsh lands in Roxville school section was read. This was left for the assessment committee.

Councillor Marshall gave a report on the Hydro development, telling of what had been done and reporting the receiving of many applications from districts on Digby Neck and on Long and Brier Islands, asking that the Hydro development be extended to these districts.

Moved by Councillor Lent that: "Whereas the Digby County Power Board has under the provisions of the Digby County Power Board Act, constructed works for the development, transmission and distribution of electrical energy in the Municipality of the District of Digby, and such works are now in operation, "and Whereas it is necessary and desirable that the Municipality of the District of Digby provide a system to distribute such electrical energy and supply users of same throughout such parts of the Municipality of the District of Digby as may seem advisable to the Digby County Power Board, "and WHEREAS for such purposes it is necessary to borrow a sum not exceeding Twenty Thousand Dollars (\$20,000) on the credit of the Municipality of the District of Digby:

"Now Therefore be it RESOLVED that the Municipality of the District of Digby be and hereby is authorized to borrow a sum not exceeding Twenty Thousand Dollars (\$20,000) for the purpose of providing a distribution system and for carrying out the distribution and sale of electrical power and energy within the said Municipality, or such part thereof as may be decided by the Digby County Power Board, under the provisions of Section 12 of said Act, and to issue debentures for such sum, not exceeding

BABY'S OWN SOAP for the Nursery

Best for You and Baby too

Try Rice Pudding Made this Way

1 cup boiled rice
1/2 cup Borden's Eagle Brand Condensed Milk
1 teaspoonful vanilla
1 egg
1/2 cup water
1/2 cup butter
Mix Eagle Brand and water together thoroughly. Beat egg and blend with the milk and vanilla. Add this mixture to the rice (boiled) and mix well. Pour into buttered pan and sprinkle top with the nutmeg. Place pan in a dish of water (as for a custard) and bake in a slow oven until a golden brown. 5272

ing Twenty Thousand Dollars (\$20,000) payable in thirty years from date, with interest at a rate not exceeding five per cent per annum, payable half yearly at such time or times and in such place or places as may be decided.

"And further Resolved that the Warden of said Municipality is hereby authorized and empowered on behalf of the said Municipality to make such borrowing and to issue and sell such debentures in such amounts as he may deem necessary to raise the sum required and to sell and dispose of such debentures at such price or prices at such terms and conditions and in such manner as he deems most advantageous to the Municipality." Seconded by Councillor Hillman and passed.

Moved by Councillor Outhouse that WHEREAS the Digby County Power Board has under the Digby County Power Board Act, constructed works for the development, transmission and distribution of electrical energy in the Municipality of the District of Digby, and such works are now in operation:

WHEREAS the districts of said Municipality known as Digby Neck and Islands are anxious to enjoy the benefits of such electrical power and energy and are applying to the Digby County Power Board for the extension of the distribution of such electrical power and energy into their district.

And WHEREAS for the purpose of such extension it is necessary for the Digby County Power Board to raise a sum estimated at Fifty Thousand Dollars (\$50,000).

Therefore be it resolved that the Municipality of the District of Digby in its semi-annual regularly convened meeting hereby authorize and empower the Digby County Power Board to borrow a sum or sums of money not exceeding Fifty Thousand Dollars (\$50,000), and to make and issue debentures therefor in such form and containing such terms and at such rate of interest and payable thirty years after date of issue and in such time or place as the Board may determine, and approve of such borrowing under the provisions of the Digby County Power Board Act, and amendments thereto." Seconded by Councillor Lent and passed.

The report of the Appeal Board, as read on May 3rd, was on motion received and left on the table. The various recommendations therein were discussed.

Moved by Councillor Cossaboom that C. D. Rice of Bear River be appointed over-assessor for the coming year, seconded by Councillor Fitzgerald; moved in amendment by Councillor Marshall that T. O. Morgan of Smith's Cove be appointed over-assessor; seconded by Councillor Hankinson; on being put to vote the result was a tie, the Warden giving the deciding vote in favour of Mr. Morgan. (THIS WAS AFTERWARD RESCINDED AND IS THEREFORE VOID)

Councillor Cossaboom gave notice in writing that he would make a motion at the next meeting of the Council that the motion appointing Mr. Morgan over-assessor be rescinded.

The Council adjourned until 10 a.m. Thursday.

Thursday, May 5th:

The Council met at 10 a.m. on Thursday, May 5th, all Councillors present; the Warden in the chair. Minutes of previous meeting approved. On motion the Council resolved

HOLMAN'S SUMMERSIDE P.E.I.

IF SKIN BREAKS OUT AND ITCHES APPLY SULPHUR

Just the moment you apply Mentho-Sulphur to an itching, burning or broken out skin, the itching stops and healing begins, says a noted skin specialist. This sulphur preparation, made into a pleasant cold cream, gives such a quick relief, even to very severe cases that nothing has ever been found to take its place.

Because of its germ-destroying properties, it quickly subdues the itching, cools the irritation and heals the eczema right up, leaving a clear, smooth skin in place of ugly eruptions, rash, pimples or roughness.

You do not have to wait for improvement. It quickly shows. You can get a little jar of Kowles Mentho-Sulphur at any drug store.

A hearty Vote of Thanks was passed expressing the appreciation of the Board to Mr. Boden for his very complete and comprehensive audit.

The appointing of members of the managing committee from the Ladies Aid was left until a recommendation was received from that organization.

The Board expressed themselves as satisfied with the progress of the past year, an increasing number of patients had been cared for, in all Two Hundred and Three, representing Three Thousand days of nursing care. There are eleven beds at the Hospital, with three bassinets; one room was furnished and equipped by the Ladies of Bear River and a third by the Women's Institute of Plympton. The staff consists of Miss C. M. Campbell, superintendent; Miss Ethel Chisholm and Miss Constance Woodman nurses and Mrs. Lena McKay matron.

The medical staff are Dr. E. DuVerne, Dr. H. L. Roberts, Dr. W. F. Read and Dr. W. R. Dickie.

The doctors from the surrounding districts are bringing their patients to the Digby General Hospital, in many cases doing their own work, since the Hospital started in August 1924 to date Five Hundred and One patients have been entered at the Hospital. The members of the Ladies Aid have been unceasing in their

NASH

Leads the World in Motor Car Value

Advanced Six Sedan \$2275

Prominent and very popular in the public life of CANADA

C. W. NASH has never built a more popular model of Nash than this Advanced Six Sedan.

You see it everywhere, and the reason is: it offers charming style, Nash performance and luxurious comfort for five passengers at a very moderate price.

This Nash—every Nash—is in a value class all its own. The car is designed and built with care high above the average, yet it is priced no higher than the average car.

For exceptional power-smoothness and

proper bearing support Nash has 7 big bearings in the Nash six-cylinder motor.

To provide extra chassis strength without excess weight, C. W. Nash tubular-trusses the frame. Nash tubular cross members actually furnish 5 times more resistance to road strain than plain cross members.

Even the 4-wheel brakes in this popular Nash are of special Nash design—with Two-Way action for permanent, care-free efficiency. Come in and see this car. Let us show and explain to you its many other equally important, features of extra value.

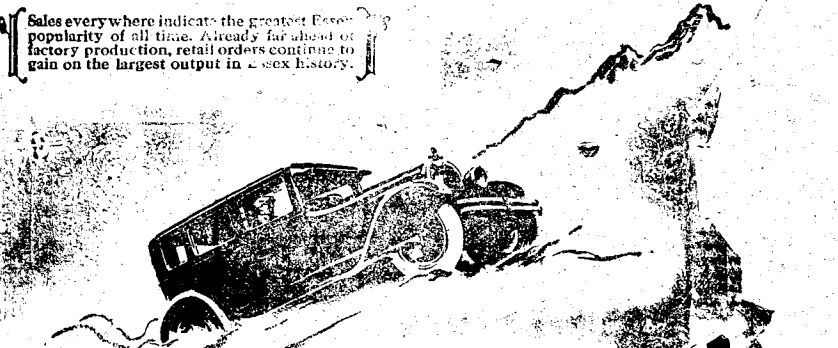

26 different Nash models priced from \$865 to \$2090 f.o.b. factory

SEND THIS COPY OF THE COURIER TO A FRIEND

Sales everywhere indicate the greatest factory popularity of all time. Already far ahead of factory production, retail orders continue to gain on the largest output in Essex history.

ESSEX is a SUPER-SIX

And it differs from all other "Sixes"—not by little margins—but bold, vivid advantages that instantly stand out from all comparison.

Here is 50 miles an hour all day long, with ease to car and comfort to passengers. (Yet that is far below its maximum speed.)

Here is size, generous passenger room, simple, positive controls. No car of any price excels its easy riding qualities.

Here is economy, engineered not only to savings in fuel and oil, but particularly to freedom from early depreciation, and to lowest maintenance costs.

There are four new bodies on the Essex Super-Six chassis—beautiful, smart in line, luxurious in upholstery and appointment. They are the greatest and deservedly most popular values Essex ever built.

into assessment committee. Councillor Pugh taking the chair.

Moved by Councillor Hankinson that on the tax bills for 1927 be placed "All taxes due NOW; all taxes not paid by August 31st will be placed in warrant"; seconded by Councillor Cossaboom; moved in amendment by Councillor Hillman that the date be changed from August 31st to September 30th, seconded by Councillor Fitzgerald; on being put to vote the motion carried.

Moved by Councillor Hillman that Mr. Stephen Marshall be refunded \$230 on 1917 rates; seconded by Councillor Outhouse and passed.

The assessment committee rose and Councillor Hillman read their report, which on motion was accepted.

The Warden then took the chair. Councillor W. Cossaboom moved that the motion passed the previous day appointing T. O. Morgan over assessor for the coming year be rescinded; seconded by Councillor Chisholm and passed.

Councillor Fitzgerald moved that W. H. Brooks of Weymouth North be appointed over assessor; seconded by Councillor Cossaboom; moved in amendment by Councillor Pugh that Lloyd Bailey of Westport be appointed over assessor; seconded by Councillor Outhouse; on being put to vote the amendment carried, Mr. Bailey being appointed.

Moved by Councillor Cossaboom; seconded by Councillor Fitzgerald that the chief assessor take his instructions from the Warden, Councillors Chisholm and Hankinson, passed.

Letter from Mr. B. McCormack, registrar of deeds, was read in which Mr. McCormack asked that new index books be obtained for the office of the registrar. Moved by Councillor Hankinson that Mr. McCormack be permitted to obtain necessary books; seconded by Councillor Fitzgerald and passed.

Council adjourned until 1:30 p.m. Council reassembled at 1:30 p.m., all Councillors present.

Moved by Councillor Cornwall that the list of officers for Hillsburgh, Sandy Cove, Smith's Cove, Brighton, Westport, Weymouth, 22, Culloden, Tiverton, Plympton be approved and accepted; seconded by Councillor Chisholm and passed.

On motion the Committee on Finance and Public Accounts held a sitting. This committee rose and Coun-

cillor Hillman read their report, which on motion was received and accepted.

Moved by Councillor Marshall that Councillors W. Cossaboom, Fitzgerald, H. W. Cossaboom, Hillman be a committee on Hydro distribution; seconded by Councillor Chisholm and passed. On motion the Council adjourned until 10 a.m., Friday.

Council met at 10 a.m. of Friday, May 20th. All present except Councillors Outhouse and Marshall. Minutes of previous day read and approved. The Warden in the chair.

Moved by Councillor Hankinson that Mrs. H. Taylor be charged \$3.00 per week for her maintenance at the Country Home, this amount to be charged out from the trust account held for her by the Municipality, seconded by Councillor Lent and passed.

The following resolution was moved by Councillor Hillman: "Be it resolved that this Council urge upon the Provincial Highway Department the necessity of taking such action as will make the approach to the overhead bridge on the Bay Road, known as Keen's Bridge, safe for traffic, and that in view of the fact that this Council had on a previous occasion brought this important matter before the Provincial Highway Department and no action has been taken, and that with the great increase in motor traffic the danger has not lessened, it is the opinion of this Council that in the public interest immediate action is necessary"; seconded by Councillor Hankinson and passed, with instructions that copies be sent to the provincial Highway Department, Mr. W. H. Farnham and Mr. J. L. P. Robicheau.

Moved by Councillor Chisholm that all Hospital Bills sent to the Municipality be referred to the Council for the district in which the patient resides, seconded by Councillor Hankinson and passed.

F. W. Nichols, solicitor, came before the Council answering questions regarding the resolutions having to do with appointment and duties of the Hydro committee.

The following resolution was moved by Councillor Chisholm: "Whereas the Digby County Power Board has under the provisions of the Digby County Power Board Act, (chapter 113 Revised Statutes 1925) constructed works for the development and transmission of electrical energy in a portion of the Municipality of the District of Digby.

and WHEREAS it is necessary that the said Municipality of the District of Digby provide a system to distribute such electrical energy and supply users of the same within such parts of the Municipality of the District of Digby, as may be deemed advisable by the proper authorities,

and WHEREAS for this purpose the Council of the Municipality of the District of Digby has passed a resolution authorizing the borrowing of the sum of Twenty Thousand Dollars (\$20,000) for such distributing purposes, and for the payment of expense of installing branch or subsidiary transmission lines as may be constructed by the said Digby County Power Board. NOW BE IT THEREFORE RESOLVED that the Hydro committee

What the Red Cross is doing for the Good of Canada

For the Veteran

Befriends 3,500 soldiers still in hospital... cares for the sick and need in their families... provides sheltered employment for the disabled in three Veterans' Workshops.

For the Children

Through Junior Red Cross, has aided 5,000 crippled children and has pledged over 137,000 school children to practice health habits and to serve others.

For the Pioneer

Brings nursing service to those in frontier districts through 39 Orphan Hospitals and Nursing Stations.

For the New Canadian

Welcomes and gives needed attention to immigrant mothers and children at three Sesqui Nurseries.

For the Mothers and Daughters

In Home Nursing Classes, has taught principles of nursing, diet and home hygiene to over 12,000 women and girls.

For the Disaster Victim

Is organized to afford prompt relief to sufferers from fire, flood and epidemic.

Remains of Victim of Drowning Tragedy Given Honors of Christian Burial

The remains of Willis Bain, of Culloden, who ended his earthly troubles in the waters of Culloden Cove on Wednesday of last week were given Christian burial on Saturday last, when Rev. F. E. Bishop pastor of the Digby United Baptist church, officiated at the services held in Culloden church. The preparations for burial were in charge of Mr. Stanley Keen, of Funeral services, Reg'd., Digby, and the whole community attended to pay a last tribute of respect to one who was favorably known throughout the district as a faithful and attentive son, and whose untimely end cast a shadow of tragedy over all.

Interment was in the church yard cemetery of Culloden church in the family plot where within the year two visits had been made to place in their last resting place the mother and father of the victim of life's queer destinies. Harry Bain, elder brother of the deceased was the only member of his immediate family in attendance at the funeral.

Westport

Mrs. H. P. Bowers, Mrs. Bernard Bowers, Miss Reta Dakin and Mrs. John Swift were passengers to Saint John Monday returning Thursday.

Harvey Peters who has been spending his vacation with his mother left Tuesday to join the steamer Arlex.

Mrs. Olivia Titus who spent the winter in Wintthrop, Mass., returned home Monday.

Mrs. Edward Dukeshire arrived from Yarmouth Monday to visit her daughter, Mrs. Leenie Carron.

Miss Francis Bailey returned from Yarmouth Monday.

Mrs. Arthur Hicks who has been visiting her parents at Apohaqui, N. B., returned home Thursday accompanied by her father, Rev. Hamilton who returned Thursday.

Miss Dorothy Thompson returned from Saint John Thursday.

Mrs. F. B. Lent was called to Saint John Tuesday by the illness of her husband who was in the Hospital there.

Miss Elvora Thurber spent the week end in town.

Mrs. Willard McDormand and daughter Rosa, were passengers to Yarmouth Friday returning Monday.

Mrs. L. V. Bailey and Mrs. Harry McDormand spent Monday at Freport.

Mr. and Mrs. Norman Outhouse, of Tiverton were in town Sunday.

The death occurred here on May 1, of Henry Welch after a short illness, leaving two sisters Mrs. James Coover and Miss Fannie Welch, of Westport, to mourn the loss a kind and affectionate brother. Funeral took place Tuesday May 3, from the United Baptist Church and was conducted by the pastor Rev. H. H. Phinney assisted by Rev. Stott of the Christian Church. To his sisters and other relatives we extend our sympathy.

An impressive memorial service was held in the United Baptist Church Sunday afternoon in memory of Herman Glavin an active member of that church who was recently drowned in the Sch. Nellie. The pastor Rev. H. H. Phinney conducting the service. A large number of relatives and friends of the deceased brother were present showing their respect to the memory of one they loved so dear. Herman had many friends here as he was always of a cheerful kind hearted and loving nature and for a long time we shall miss him. Being a great lover of music, three of his favorite songs "Hold the Fort," "Still Sweeter Every Day" and "In the Garden" were sung by the Choir. A Male Quartette "Only Remembered by what we have done" was also sung by Rev. H. H. Phinney, Gerald Bailey, E. C. Coggins and Frank Shaw.

Only a river between us, Parting with Herman a while, Only a veil between us, Hiding the light of his smile. Only a face that is absent, When we walk out on the street, Only poor Herman is missing, As other young men we meet. Tho' 'neath the clouds of the ocean The form of friend Herman may sleep, God has commissioned his angels, Watch o'er our loved one to keep.

Mr. and Mrs. Wm. Glavin and family wish to express heartfelt thanks to their many friends and neighbors and also for the kind letters received from abroad who showed their sympathy and kindness in the loss of their son Herman, who was drowned in the Sch. Nellie in the great storm of April of this year.

The schools will be dismissed early today to permit the attendance of pupils at the special picture and lecture, to be presented by Mr. Hector Cutton, of the Dominion Forestry Association, on forest fire prevention and forest preservation.

W. L. HOLDSWORTH**Westport Associates of Boston Enjoy Pleasant Function**

The home of Mr. and Mrs. Harry Veazie, 11 Cleveland St., Linden Mass., was the scene of a pleasant gathering on Tuesday, May 10th, when the club known as "The Westport Associates of Boston" met there.

A very delicious supper was served at 6.30, Mrs. David Young and Mrs. N. Bunstein assisting the hostess at this time.

A short business meeting was then conducted by Mrs. D. L. Welch, President of the Club, after which the party was entertained by friends of Mrs. Veazie and by other visitors. Little Miss Marjorie King gave an exhibition of fancy dancing in a very pleasing manner.

Miss Evelyn Duncanson of Wolfville, Nova Scotia was present and she and Miss Catherine Corbery of Malden entertained the company with choice vocal selections which were much appreciated. Miss Rhoda Young was accompanist.

This "Westport Club" is a means of bringing together many old time friends who would meet in no other way; and the happy time enjoyed at the cherry Veazie home will long be remembered.

Mrs. Veazie was formerly Miss Florence Glavin of Westport, N. S.

Belleisle

Mr. and Mrs. Elroy Bent and children of Tupperville, were the Sunday guests of Harry Bent.

Mrs. Gladys Troop spent a few days last week in Halifax with her cousin, Miss Gladys Woodbury, South Park St.

Mr. and Mrs. Walter Troop of Granville, spent Sunday the guests of Mr. and Mrs. Albert Marshall.

Rev. and Mrs. W. S. Loring and children of Avenale are visiting their parents, Mr. and Mrs. R. L. Dodge.

Rev. and Mrs. C. L. Gesner and son, Herbert of Amherst are visiting Mrs. H. W. Bent.

Miss Florence Young of Boston, is visiting her parents, Mr. and Mrs. Joseph Young.

Mr. and Mrs. Willis R. Meltzer of Clarence were Sunday guests of Mrs. A. W. Parker.

Mrs. Captain John Longmire of Bridge-ton is spending some weeks with her niece, Mrs. William E. Bent.

Mrs. Douglas Firth and, little daughter Francis of Campbellton, N. B. recently visited Mr. and Mrs. Henry Troop.

Miss Barbara Willett returned last week from Waverly, Mass. where she spent the winter.

Mrs. Albert Marshall nee Miss Jennie Troop, was at home to her friends May 11th for the first time since her marriage. She was assisted in receiving by her sister-in-law, Mrs. Hugh Troop. Miss Cora Parker attended the door, Mrs. Archie Troop and Mrs. William Morse poured. Miss Blanch Goodwin and Miss Doris Troop served.

Culloden

Mrs. James Tidd and Mrs. Charles VanTassel of Mount Pleasant spent a day last week with their parents, Mr. and Mrs. Alex Ross.

Mrs. Garfield VanTassel has returned home from her visit to Yarmouth.

Mrs. Wiley Ross and Chester Ross of Yarmouth spent one day last week with Mr. and Mrs. Alex Ross.

Mrs. Gordon MacDonald of Mount Pleasant spent last week with her parents Mr. and Mrs. M. H. VanTassel.

Mr. and Mrs. Weston Crawford of the Lighthouse Road spent Saturday with their daughter, Mrs. Wilfred Murphy.

Mrs. James Apt of Victoria Beach was the Sunday guest of Mr. and Mrs. Otis Middleton.

Mr. and Mrs. William Daley spent Sunday in Gullivers Cove with her parents, Mr. and Mrs. David Peters.

James Trohon of Digby was the guest of Mr. and Mrs. Wilfred Murphy on Sunday.

Mr. and Mrs. George Bain and daughter, Sylvia of Saint John spent the week end with relatives in this place.

Otis Middleton went to Saint John on Tuesday to spend the summer.

Jury Impanelled to Investigate The Death of Willis Bain Returns Verdict of Suicide

That Willis Bain, of Culloden, met his death by committing suicide by drowning while temporarily insane was the verdict of a coroner's jury impanelled by Coroner Keen at the Culloden schoolhouse on Thursday evening to make inquiry into the facts surrounding his death. Herbert Daley, Culloden, was foreman of the jury.

Three witnesses from the section were examined and Dr. H.L. Roberts, physician and surgeon of Digby by also gave evidence after performing an autopsy at the request of the jury.

Stewart Murphy, Hartford Hand spiker and Arthur Hersey were the local witnesses examined. Their stories were practically the same, excepting that Mr. Murphy gave evidence that the deceased had been moody, suffering from some worry and "anything but right".

Asked by the Coroner if the victim of the tragedy had ever made any expressions to lead them to think that he might take his life all the witnesses declared they had never heard him mention such a thing. "I can't stand it" an expression which the deceased had used in conversation with Mr. Murphy, was the nearest approach to that sort of thing which any of them had heard. Mr. Murphy testified that he had last seen the deceased on Wednesday morning about ten fifteen. He was then passing by the Murphy home. He had been over for his milk earlier in the morning, but Mr. Murphy had not seen him then or at the time of his second call, about eight o'clock. The witness had been out at his lobster traps, getting home around nine o'clock and was in the kitchen eating breakfast when Bain went by the house. Mr. Murphy told of how a search was organized. On Thursday morning none of the Murphy household had noticed Mr. Bain about, and he had not come for his milk. It was thought he might have gone to town, or to work on the roads, but inquiry brought out that he had not been working on Wednesday and the boy, Joseph Hersey who had been in the habit of staying with Mr. Bain at night, had not been told by him of any plans for being away. About noon Arthur Hersey and Hartford Handsaker called at the Murphy home and after discussing Mr. Bain's absence they decided to make a search for him. Joseph Hersey showed them the path to

the beach used by Mr. Bain. They had periwinkles there, and they followed the tracks. They were boot tracks and there was no sign of a companion. The other men in the community wear rubbers. Separating at the Cove, Mr. Murphy went towards one end and the two others in the opposite direction. The body was first seen by Murphy, from the top of the cliff. It was lying face downwards and as soon as Hersey and Handsaker had seen it the three went to the village and notified the Coroner. They had not touched the body. By the time Mr. Bain would reach the Cove after passing the Murphy home the rock under which the body was found would be partly uncovered by the outgoing tide.

Dr. Roberts was the last witness called. He gave evidence that he had performed an autopsy and from the condition of the body would state that death had been due to drowning. There were several superficial wounds on the body none of them sufficient to have caused death and apparently were inflicted by the body being washed against rocks by the tide. There was no evidence of external violence sufficient to have caused death previous to drowning, which occurred because of the presence in the lungs and lung cavity of a quantity of water, in each cavity about a quart of fluid. The condition of the skin and clothing indicated that the body had been in the water for a long period and he would judge from the state of rigor mortis that the deceased had been dead at least twenty-four hours before the examination was made.

While the evidence given seemed to indicate accidental death the jury returned a verdict of "suicide while temporarily insane." This verdict followed out the opinions expressed during the afternoon by those who assisted in bringing the body up from the beach to the little cottage where since the death of his father Captain John Bain, Willis Bain had lived alone.

Skeleton of Small Child Found In Sand on Bear Island

Workmen engaged in securing sand and gravel on Bear Island, at the mouth of Bear River for purposes of the Gypsum Co's development at Deep Brook on Wednesday turned up the skeleton of a child. The thigh and shin bones, part of the jaw in which were several teeth, and several ribs were uncovered. There was no sign of flesh, and the remains have apparently been buried there for several years. Gathering up all that could be found the bones were reburied under a log further up on the beach, where they would not again be disturbed by the diggers.

The matter was reported here on Saturday.

Medical authority is given for the estimate that the skeleton is of a child upwards of three years old and the time which had been buried would be at in the vicinity of five years, the absence of flesh on the bones and their condition, from description given by James Robinson to the Coroner leading to this opinion.

How the bones came there, whether they were of a child illegally buried or had been washed up by the tide is a question, but in the opinion of those who uncovered them there is no doubt that they were buried.

It is possible that they are the remains of some child drowned in the waters of the Basin or Bear River, but inquiry covering a period of years finds nothing that would support such a theory. No one seems to know anything of a child being drowned and the body not being recovered.

Obituary

LUKE DUGAS

Luke Dugas, 72, died Saturday afternoon, May 17th, at the home of his daughter, Mrs. John J. Crane, 40 Washington street, Bath, Maine, where he had made his home the last nine months. He was born in Digby, N. S., and was a farmer. Besides his wife he leaves three sons, William of Gardner, Mass., Harry of Ellsworth and Alfred Dugas of Charlottetown, Mass., four daughters, Mrs. Crane of Bath, Mrs. Sandy Hall of Malden, Mass., Mrs. Frank Malley of Mass., Roland Haining of Quincy, Mass., also one sister, Mrs. Mafik Ameron, of Doucetteville and three brothers, John, Henry and Charles of Brighton. The funeral was held Tuesday morning at 8.15 in St. Mary's Church. Burial in Mt. Calvary.

New Car For Digby Neck Passenger Service

Mr. and Mrs. Reg. Sypher of Sandy Cove, were visitors in Halifax on Thursday of last week, returning Thursday night, with a fine seven passenger Buick, to be used by Mr. Sypher in his Digby Neck passenger service.

"Reg" is one of the most popular fellows in Digby County, never too busy to oblige and his record with the travelling public is as good as the best. The new Buick is already on the route, providing the utmost in comfortable travel. Whether it will buck the snow drifts as well as the old one remains for the coming winter to prove, but it is a safe bet that if any car is on the road "Reg" will be there, right through till the snow gets too deep for travel.

Passengers for Digby Neck points will find the Sypher service all that can be expected, and whether for a run to the first village or right through to Petite Passage the whole trip will be all enjoyment.

Local and Personal

Miss Marilla Walker returned recently to her home in Tiverton after spending the winter with her sister, in Port Maitland and has opened up her house for the summer.

Mrs. H. H. Marshall left on Friday's boat from Yarmouth on a short visit to friends in Boston.

Mr. E. Hart Nichols who had been spending a short time in Digby where the Nichols have opened their summer home returned to his law practise in Halifax last week.

Mrs. F. C. Lane, with her twin daughters, Dorothy and Florence of Morden, North Mountain have been visiting this week her sister Mrs. G. E. Torrie Queen street. The Torries motored to Morden last Sunday taking their guests down.

Mrs. Jabez Appleby and daughter Francis left on Saturday morning last on an extended visit to Kentville.

SMP DAIRY PAILS
and Dairy Tin Ware

"Coals to Newcastle"

Part of the cargo of the Boston Yarmouth steamer arriving at Yarmouth on Friday morning consisted of 25 barrels of fresh haddock imported from Boston by Wm. Nickerson, a Yarmouth fish dealer. The shipment would run to 5000 pounds and value at \$300.

Inquiry at the local office of the department of fisheries brings out the information that until recently there were few inshore fishermen engaged in haddock and until last week none in the Bay of Fundy. Last Thursday several cases of fresh haddock were secured by fisherman on the French Shore and on Digby Neck.

The importation bears out the theory that it is cheaper to land fish at Boston and pay the duty in to Canada than it is to land it in Nova Scotia for shipment to the Montreal market.

SCHOOLCHILDREN!

WIN A \$10.00 BILL

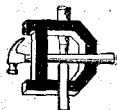

By Writing an Advertisement For Us

This competition is open to every boy or girl in the district who attends public school. The prizes are \$10, \$5, and \$2. Simply write an advertisement (not longer than 200 words) on "The Benefits of a Bicycle". Tell in your own words the fun a bicycle enables you to enjoy, the trips you can take, the health and growth one affords, how useful you can be with one, how handy it is for school, and anything else in favour of bicycles that you can think of. Come round to the store and inquire about anything you're not sure of.

Write on one side of the paper only, and give your name, address, age and name of school you are attending. Your advertisement must be handed in to the Courier before June 4th. The judges will be Mr. Robert Swin, principal of Digby Academy and Mr. Robert Mills, editor of the "Courier". Their decision will be final.

Here's a splendid chance to have some fun writing a real advertisement and win some big pocket money for the holidays as well. Think what you could do with \$10. Put on your thinking cap and write your ad.

Contest ends June 4th. Prizes will be awarded as soon as winners have been selected. Mail compositions to the Courier marked "Bicycle Advertising Contest".

DAKIN BROS.

The Cash Hardware Store
Storage Batteries Recharged
Telephone 51, Digby, N. S.

A Contest in Advertisement Writing for \$15.00 in Prizes

With the Dominion Day holiday coming on, school closing, and goodness knows how many ways to take a fellows pocket money it is great news to hear that just by telling how many ways you can enjoy life with a bicycle you can win \$10.00.

By arrangement with the Courier Mr. Dakin of Dakin Bros. is offering a prize of \$10.00 to the boy or girl who writes the best advertisement on "The Benefits of a Bicycle" and every boy or girl who owns a bike, or would like to own one, and that is every boy and girl that ever wanted anything, has a chance to win the money.

You don't have to buy anything, or take part in any selling contest, or any other tricky arrangement but just put in your own words what you think is the best way to get fun out of life with a bicycle, and see if it will make a good advertisement.

The judges will pass on the essays their merits, giving points for composition, spelling and "selling point talk" and the prize winning advertisement will be arranged for display and printed in the Courier after the prizes are awarded.

Get BUSY. The contest closes on June 4th, giving you just two weeks to work in, and everyone starts even. The first prize is a Ten Dollar Bill. Two other prizes of \$3.00 and \$2.00 will be awarded the entries awarded second and third places.

At Smith's Cove For The Summer

Weymouth North

Miss Ethel Grant, R.N., arrived home from Waltham on Tuesday.

Capt. Fitzgerald was a passenger to Digby on Wednesday returning same day.

Mrs. Eliza Mullen is a guest of Mr. and Mrs. Adelbert Prime.

Miss Annie Gray has been spending a week with relatives in this place.

Arch Morse was called home last week by the illness and death of his mother.

Miss Luella Hogan of Weymouth Mills was the week end guest of Mr. and Mrs. M. B. Whitman.

Miss Olyessa who has been visiting relatives and friends in this place left to Digby.

A number of people from here attended the three act farce comedy "Brown's in Town" presented in Community Theatre Weymouth by the Digby Amateur players on Tuesday evening. The play was greatly enjoyed by all and the interest was well maintained until the end of the last act and each new difficulty of Brown's was greeted with bursts of laughter. Every part was admirably taken and great praise is due both to those taking part and to the ones directing it.

The dancing specialty by little Miss Frances MacNutt called for deserved applause and she was forced to give encore after encore.

Rev. M. B. Whitman was called to his home in Lawrencetown on Friday by the illness and death of his mother. Rev. E. J. Barras pastor of the Bear River Baptist church, who has been helping Rev. Whitman with his special services in Astmore preached in the Riverside Baptist church here on Sunday.

The death of Mrs. Morse occurred at her home on Thursday evening. The funeral service was held in St. Peter's Anglican church on Sunday afternoon. Mrs. Morse who was 75 years of age had been sick only a week.

Mr. and Mrs. Albert Hood and family of Yarmouth spent Sunday with her mother, Mrs. Johnson Grant.

Capt. and Mrs. H. B. Fitzgerald, little son Harvey and Darrel Thurber motored to Digby on Sunday to attend the funeral of Major Daley.

The Woman's auxiliary of the Baptist church which has recently been formed in place of the Sewing Circle held their first "at home" on Friday afternoon at the home of president, Mrs. M. B. Whitman. Afternoon tea was served from four to six and the sum of \$11 realized for the parsonage fund.

Mrs. Blanchard Grant and sons Donald and Johnson are enjoying a visit at her home in Noll, Hants County.

Mrs. Jennie Gaudett and son Richard and Mr. Veno and son Ralph of Deep Brook spent Sunday in this place.

The Misses Mary and Annie Oakes motored to Halifax on Sunday to visit their sister Mrs. Halloway.

Mrs. Minnie Rudolph, who spent the past month in Saint John the guest of her son, Leonard, has returned home.

Weymouth Ladies Assist in Aiding Hospital

One of the most courteous favors ever extended the Digby Hospital was the action of the ladies of the Weymouth, who on Tuesday prepared candy for sale at the presentation of Brown's in Town, by the Digby Amateur Players at Community Theatre, Weymouth, and between the acts conducted a sale of their wares in aid of the hospital funds. At the conclusion of the performance the proceeds of the sale were turned over to the treasurer to be included in the receipts of the evening.

Needless to say the Ladies Aid is highly appreciative of the kindness of the Weymouth ladies.

Obituary

CATHERINE O'NEILL

The death occurred at Marshalltown on May 10th of Catherine, wife of Joseph O'Neill, in the 56th year of her age, after an illness of 3 months, during which she suffered intensely. Deceased was born at Roxville, and was a daughter of the late James Hutchinson. She survived by her husband, two brothers, William of Faco, Maine, Dennis of New Hampshire, and six sisters, Mrs. Hebe Small, Roxville, Mrs. Stephen Marshall, Marshalltown, Mrs. Etta Brown, Somerville, Mass., Mrs. M. MacQuilton, Lawrence, Mass., Mrs. George Pinkham, Exeter, N. H. and Mrs. Archie Brooks, Lynn, Mass. Mrs. O'Neill was a member of the Hill Grove Baptist Church and her kindness and Christian influence will be greatly missed in the community.

The funeral was held on Thursday following, Rev. F. E. Bishop, pastor of Digby United Baptist Church officiating. Funeral Director C. C. Nicholl, of Weymouth, was in charge of the arrangements for burial.

Interment was made in the Baptist Cemetery, Marshalltown, where a large attendance and a profusion of beautiful floral offerings testified the high esteem in which the deceased was held and the sympathy of the community in the bereavement of the family.

The severest of all tests, the test of time, only serves to add to the prestige of real merit, hence the splendid success of MORSE'S TEA - 56 years old, and today more popular than ever.

An Outstanding Ford Improvement

The Hot Plate VAPORIZER

Now Standard Equipment

The Ford Hot Plate Vaporizer is the most advanced improvement on the Ford engine in the last nineteen years. It produces a perfect fuel mixture which burns to the last atom because it is completely vaporized.

The Ford Hot Plate Vaporizer

Gives these Advantages

- 1 Gasoline burns more readily and completely.
- 2 More even distribution of fuel to the cylinders affords smoother performance.
- 3 Crank case dilution is eliminated.
- 4 Better cold weather performance and easier starting.
- 5 Even when low grade fuel is burned a remarkable improvement is obtained in engine performance.
- 6 Greater power and more mileage per gallon.
- 7 One setting of carburetor is sufficient for all weather and driving conditions.
- 8 Greater flexibility, particularly at low engine speeds.

IMPORTANT: Present owners of Ford cars and trucks can have the Ford Hot Plate Vaporizer installed by their Authorized Ford Dealer.

Will be Here in July

The British warship H.M.S. Heliotrope, of the West Indies Squadron, will include a visit to Digby in her northern cruise during the coming summer. Leaving station in Bermuda on June 27th the Heliotrope will reach Halifax on Dominion Day and cruising along the South Shore will visit Digby, arriving here on July 25th remaining until the 29th.

Mothercraft Class Receive Diplomas

On Saturday last the Mothercraft Class organized by Miss Gulliver, of the Victorian Order of Nurses, received their diplomas on the completion of a course of training.

The public exercise were held in the Bijou Dream Theatre, kindly lent by Mr. Walker.

The program comprised a short Health Play by the Mothercraft Class, a recitation by Catherine Rickards and a chorus by the Mothercraft Class.

The Rev. Rural Dean Driffield acted as Chairman in the unavoidable absence of the Rev. F. E. Bishop and after a few remarks presented diplomas to the following girls: Gertrude Abramson, Marguerite Baxter, Mary Keene, Frances MacNutt, Catherine Rickards, Marie Tidd and Marion Tidd.

An interesting series of Lantern Pictures was then exhibited on the screen, showing the varied activities of that eminently useful organization the Victorian Order of Nurses. The meeting closed with the National Anthem.

LADIES SUMMER DRESSES AT WRIGHT'S

Mr. John Sulis of Smith's Cove was a visitor in Digby yesterday.

Mrs. J. H. Liggett, of Chicago, is visiting her mother and sister at the home of J. L. Peters, Montague Row.

CONGOLEUM RUGS AT WRIGHT'S

Mrs. Edw. d Payson of Smith's Cove was in town yesterday afternoon.

J. Lorne Allen, engineer of the Digby County Power Board was in Digby this week attending the hearings of the Public Utilities Commission. Mrs. Allen accompanied him. They were guests at the Winchester.

Mass will be held in St. Patrick's church on Sunday morning, May 29th, at ten o'clock.

The Home League of the Salvation Army are planning on a sale on the afternoon of June 10th. Particulars of the sale will be published in next week's Courier.

Mr. and Mrs. Harry Williams and their children, spent the week visiting Mr. Williams home in Lockport. Motoring from Digby they were joined at Yarmouth by Mrs. McMullen and Mrs. Utley, who accompanied them to Lockport. The roads were excellent, much better than at midsummer last year and the beautiful sand beach at Lockport was a great attraction for all the party.

Eastern Conference of Religious Education Movement Opens at Sea Breeze Hotel

More than eighty delegates and instructors are registered today at the sessions of the Sea Breeze Hotel Deep Brook, in attendance at the Eastern Conference of the Religious Education Movement which opened there yesterday.

The arrangements for study have been made to leave the afternoons open for recreation and among the lecturers are a number of outstanding educationists from as far west as Toronto.

Most of the delegates are from the Maritime Provinces, but a few are from Ontario and Quebec.

Mr. Dittmars, of the Sea Breeze, had all in readiness for their arrival yesterday, with everything thought of that could make their stay pleasant and live in their memories as a most enjoyable visit to the best part of the province.

Digby General Hospital

The regular meeting of the Ladies Hospital Aid will be held at the Court House on Wednesday, June 1st, at 3 p.m.

Setting The Date Ahead

The Courier has been asked to give notice that Zelma Rebekah Lodge are planning a Garden Party for Thursday July 21st, and to ask that the date be reserved.

Bear River Student Wins Scholarship at Acadia University

In the list of prize winners at the graduation of the 1927 class of Acadia University the name of Carol Snell appears as winning the Class of 1905 Scholarship, of fifty dollars.

Gordon Ambrose Potter, of Plympton, was awarded Superior First Bank Diploma, Class A.

Town of Digby Asks for 14c Rate for Current

Application was made before the Board of Commissions of Public Utilities in session yesterday for a 14c rate for domestic consumption of electric current in the Town of Digby. This is a reduction of 6c per kilowatt from the present rate and is to be in force for one year only, or until new application for rates is made.

A Minimum charge of \$1.50 per month, as now, is stipulated in the application.

Power rates will be at 4c per kilowatt if the application is granted. For short term users the rate will be 16c for the first step and 8c for over. With a service charge of 90c act.

The application of the Board of Commissions of the village of Weymouth asks for a 15c rate, with \$1.50 per month minimum and this rate is also asked by the Power Board for their retail service.

For summer hotels and churches the average of last year is set as the rate, with a service charge of 90c per month.

The schedule for the Town of Digby is set out below.

Proposed Schedules of Rates of Electric Energy For The Town of Digby for 1927

Small consumers. Where the minimum used does not exceed 6 KWH per month a Minimum Inclusive Charge of \$1.50 per month to be made.

Ordinary consumers. Service charge per month 90c net. Up to 18 KWH at the rate of 14c, over that quantity 07, less 10 per cent.

Short term users. Service charge per month 90c net, up to 18 KWH 16c, above that quantity 08c, less 10 per cent.

Summer hotels and churches. Service charge per month 90c net, up to the average of 1926 per month of consumption 16c above that quantity 08c less 10 per cent.

Power rate. 4 cents per KWH. Street lighting. At cost of current used.

Too Busy Tongues

In connection with recent cases in the local courts the tongues have been wagging freely. Too freely, and some one is going to gather up a lot of trouble before it is all over.

That people are permitted to air their views, scandalize their neighbours and generally bring the laws to ill repute is natural. No one cares to scotch the snake of scandal, but it is time that some one did.

Fishing Party

Mr. and Mrs. S. G. Parker, Dr. Bishop and son Gerald and L. A. Redden, all of Kentville arrived at Mrs. George Curtis, Bear River, Monday and left Tuesday for a fishing trip at Big Lake returning home Wednesday night.

Section 93 of the Lands and Forests Act reads:

93. (1) No person shall make, kindle or start a fire for the purpose of clearing land or other like purposes, nor set up nor operate a portable steam engine within sixty rods of any woods, between the fifteenth day of April and the first day of December next following, in any year, without first having obtained leave in writing from the Chief Ranger or Sub-Ranger. It shall be the duty of such Chief Ranger or Sub-Ranger, on being requested to grant leave to start such fire, or to set up or operate such portable steam engine, to examine the place at which it is intended to start the fire, or to set up or operate the steam engine and the adjoining lands, and the timber trees and other property thereon, and to refuse such request and to decline to grant leave, or to grant it only on condition to be performed by said persons, if in his opinion it would not be safe by reason of the danger of fire spreading thereon or otherwise. The obtaining of such leave in writing shall not be pleaded or given in evidence in any action for negligently setting fires or operating a portable steam engine, or in connection therewith, or in extension of or in mitigation of damages, but the absence of such leave or permission shall in such action be deemed prima facie evidence of negligence.

(2) Any Ranger appointed by a Chief Ranger under this Part may make such examinations and grant such leave in writing.

(3) Every person who neglects or refuses to comply with the provisions of this section shall be liable to a penalty of not less than fifty nor more than two hundred dollars.

Other violations of the Act carry a fine as high as \$400.

PUBLISHED EVERY FRIDAY BY THE DIGBY PRINTING AND PUBLISHING CO., LTD.

The Courier cannot accept cheques on outside banks in payment of subscription unless exchange is added, or cheque made payable at par in Digby. Kindly send money order or postal note.

Every advance notice of any kind where the object is the benefit or convenience of any person or number of persons is advertising, and will be treated by the Courier as such. If no instructions accompany the notice, advising us to whom to charge, it will be charged to the person phoning or sending it in.

ROBERT C. MILLS
Managing Editor

FRIDAY MAY 27, 1927

Dominion Day Celebration

It will be unfortunate if the efforts of the committee in charge of Digby County's celebration of Canada's Diamond Jubilee are unable to make such arrangements as will provide a memorable holiday. Digby used to have a pretty good band, and according to what information the Courier has been able to obtain there is still some amount in bank to the credit of the band organization, and most of the instruments are knocking about.

This is not to suggest that a band could be organized here in Digby and trained to a state of proficiency which would solve the music problem for Dominion Day. It cannot be done; but it is timely to suggest that the Board of Trade, that body that falls heir to all the civic welfare jobs that no one else can or will tackle, should make "band" on its programme for the Fall and at that time take steps to reorganize the old band or wind it up and transfer its instruments and equipment to a new organization.

Did some one say "The man don't know what he is talking about?"

Perhaps we don't, but we know that Digby used to have a pretty good band, which it has not now, and it can have as good or better a one if the musically inclined are encouraged to organize themselves and arrange a program of practice next winter that will relieve the town of depending upon strangers. And as for what the members will get out of it—The Annapolis Band being the band for the Annapolis Regiment, gets the military grant—

but that won't prevent the town from paying them for their services at a series of summer concerts during the tourist season of next year.

Examination Time

In about six weeks the schools of Digby will close for the summer holiday, and during the latter part of June the minds of scholars will be filled with "these terrible exams."

June is "grading time" diligence will be rewarded, carelessness receive its deserts in failure. It is a time of high expectations and bitter regret. How much success shall follow the result of the terms work depends to a great extent on the encouragement and assistance given by parents outside of school hours. It is not enough to pay your taxes and get Johnny and Susie off to school on time, but there must also be an interest in what Johnny does in, what Susie finds hard, and some encouragement for their success and assistance in their failures. The biggest cost of running the town is the cost of educating the children. Teachers salaries, interest on the money invested in the school buildings, fuel, janitor service, a dozen things, go to make the schools estimates the largest part of the town budget. Do we get out of it what is put into it. We may, and again we may not. We certainly cannot under present theories of education unless pupils get as much training and assistance in their homes as they do in school hours. And not only assistance, but that little praise and encouragement that means so much to young

people.

Even the backward can reach proficiency before the end of the term if they set their minds on it, and it is for parents to see that they get the assistance they need in order that the credit of the school may be kept good and the ratepayers get a proper return on their expenditures for school plant and equipment and the teachers be able to enjoy their vacations with the knowledge that they have succeeded in their work and earned their salaries.

Digby Academy Teaching Staff For The Year 1927-28

Principal—Mr. Bernard Chisholm B.A.

Vice Principal—Miss Elizabeth McWhinnie B.A.

Miss Rose F. Lawlor
Miss Bertha Curry
Miss Adelaide Coggins
Miss Bessie Turnbull
Miss Jessie P. Swallow
Miss Dorothy Moses

The only changes from last year are the Vice Principal and Miss Lawlor. Both these teachers have had considerable experience, and Miss McWhinnie has previously taught in Digby. Mr. Chisholm hopes to be sufficiently recovered to take up his duties again in September.

Letters We Like To Get

312 West 109th St., New York City
May 16th, 1927.

To the Editor of The Courier

Dear Sir:
In response to your letter it gives me much pleasure to enclose my check for \$5.00. I did not realize that I was in arrears. I think that it is the least we subscribers can do, who have the news so well gathered for us in Digby County, to see that our subscriptions are paid up to date. I trust that your little reminder has resulted in prompt remittances in other cases than my own. Many people fail to realize the responsibility that is theirs for keeping up-to-date and well run the paper that they depend upon and enjoy each week.

I have just come from San Diego, California, where my husband and I have bought a lovely home, our garden was gay with roses and petunias and all sorts of other flowers when I left. I am returning to "Journey's End" in a week or two, and must, I am afraid, look for a purchaser for my dear place, as I shall not be able to journey across the continent every summer and leave Mr. Hensley alone. As soon as I am settled I will call at the office and consult with you as to a suitable advt. Advertising in its columns is another way in which we can aid The Courier to keep up to its standard of excellence.

Yours very truly
(Mrs) Almon Hensley

Mount Pleasant

Mrs. William Jefferson and daughter Mrs. Atkins and little daughter Mary spent a few days with Mr. and Mrs. Reggie Jefferson at Middletown.

George Tidd, of Tiddville, spent the week end with Miss Bessie Bain.

Mr. and Mrs. Reggie Jefferson, of Middletown, spent a few days last week with their parents, Mr. and Mrs. William Jefferson.

MR. BOVAY EXTENDS HIS THANKS

"FRUIT-A-TIVES" ENTIRELY STOPPED DYSPESIA AND LIVER TROUBLE

MR. R. A. BOVAY.

After much suffering, Mr. Roy A. Bovay of Treston, Ontario, turned to "Fruit-a-tives" for relief from digestive and liver troubles which were making his life a burden.

"I wish I could tell every sufferer in the world what 'Fruit-a-tives' have done for me," he writes. "For years I was much troubled by bad headaches, nervous dyspepsia and liver trouble. Then I commenced taking 'Fruit-a-tives'. Thanks to these wonderful tablets, I am once more entirely well."

If your nerves are upset, digestion poor, system generally out of kilter, you need the corrective help which "Fruit-a-tives" unfailingly gives. There is no other medicine like "Fruit-a-tives" which is made from the intensified juices of fresh fruits combined with tonics. "Fruit-a-tives" brings health and happiness to people every day—why not to you? 25c and 50c a box, everywhere. Buy one, to-day.

Elderly Man is Jailed in Digby For Forest Fire

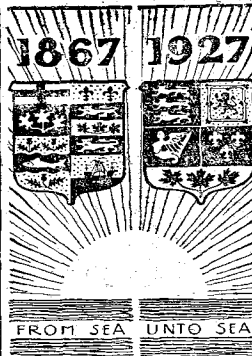

For lighting fires without permits, two residents of Digby County tried before Stipendiary Magistrate J. A. Taylor, received sentences of twenty days in jail and a fine of \$50, respectively. David VanTassel, of Culloden, drew the jail sentence and the magistrate stated that it was only VanTassel's age which made the sentence as light as it was. He is 80 years old.

The \$50 fine was imposed upon Wm. Jefferson, of Mount Pleasant.

Both informations were laid by W. E. Chandler, Chief Inspector of Game and Forests.

The arrest of VanTassel followed an information laid against him for setting a fire on April 19, which got beyond his control and seriously menaced the Methodist Church at Culloden, and also a large tract of valuable timberland. It was not without considerable effort by the residents that the fire, which had made its way into the slash, was finally subdued. The arrest of VanTassel was made by Inspector Chandler this morning, and as he was bringing the accused to Digby to face the charge, he noticed in passing through Mount Pleasant, that Jefferson was setting a fire. Having ascertained that no permit had been issued for such an act, the Inspector on arriving in Digby laid an information against Jefferson, returned to Mount Pleasant, and placed him under arrest.

CANADA'S THREE SCORE YEARS OF NATIONHOOD

Very literally are the Provinces of Canada bound together by bands of steel. As a matter of fact, British Columbia became a Province of the Dominion in 1871 under promise of railway connection, though the actual linking-up did not become a reality till 1883. The enormous development of railroading has been one of the outstanding features of the sixty years that have elapsed since Ontario, Quebec, New Brunswick and Nova Scotia united under one central

government in 1867. At that time the new-born Dominion boasted 2,278 miles of track; it has over 42,500 miles today. In equipment, too, the evolution has been great. The old wood burner of 1867, though capable of every creditable speed, was a pigmy in size, weight and strength compared with the huge locomotives of today. Mr. C. W. Jefferys, Canada's foremost historical artist, here graphically depicts the changes that have taken place.

Local and Personal

Mrs. A. E. Burnham of Brooklyn N. Y. has reopened her home here for the summer months.

Seymour Denton who is attending Acadia University arrived in Digby on a Saturday to visit his parents, Major and Mrs. M. C. Denton.

Miss Annie Oakes of Providence, R. I., who has been visiting her sister Miss Mary Oakes of Weymouth North returned home on Saturday.

There may be teas branded ORANGE PEKOE which you can buy at a lower price than the price of MORSE'S SELECTED ORANGE PEKOE, but there is a difference, and if you wish to be sure of getting the best ORANGE PEKOE on the market you must always insist on having MORSE'S.

Miss Neta MacNeill, book-keeper at Wright's, accompanied by Miss Amy Westhaver, Clerk at Mrs. B. J. Ruop's left Saturday for Kentville to spend the 24th with the former brother, Arthur R. MacNeil.

Home From College

Mr. Kingsley Collins, second year student in Engineering at Acadia University, arrived home on Wednesday.

War History of the Fourteenth Battalion

Scattered all over the Dominion of Canada are men who served overseas in the 14th Battalion Royal Montreal Regiment, C.E.F. The demands of civil occupations, time, and distances have somewhat weakened the links of comradeship that were forged in the mud and blood of Flanders, but an opportunity is now presented for recalling the memories of those glorious, tragic days and renewing old friendships. There is now available a history of the gallant 14th, such as few regiments can boast of. A day-by-day itinerary, showing every town where the battalion billeted overnight, as well as every battle and every trench tour, is included in this historical review, together with complete lists of the honors and awards made to the regiment, of commissions granted in the C.E.F. or the Imperial Army, as well as the roll of those who gave their lives for the Empire in the great struggle.

The history has been in course of preparation for the past eighteen months. It has been written by R.C. Fetherstonhaugh of Montreal, in collaboration with the Regi-

SCHOOLCHILDREN!

WIN A \$10.00 BILL

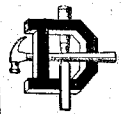

By Writing an Advertisement For Us

This competition is open to every boy or girl in the district who attends public school. The prizes are \$10, \$5, and \$2. Simply write an advertisement (not longer than 200 words) on "The Benefits of a Bicycle". Tell in your own words the fun a bicycle enables you to enjoy, the trips you can take, the health and growth one affords, how useful you can be with one, how handy it is for school, and anything else in favour of bicycles that you can think of. Come round to the store and inquire about anything you're not sure of.

Write on one side of the paper only, and give your name, address, age and name of school you are attending. Your advertisement must be handed in to the Courier before June 4th. The judges will be Mr. Robert Swin, principal of Digby Academy and Mr. Robert Mills, editor of the "Courier". Their decision will be final.

Here's a splendid chance to have some fun writing a real advertisement and win some big pocket money for the holidays as well. Think what you could do with \$10. Put on your thinking cap and write your ad.

Contest ends June 4th. Prizes will be awarded as soon as winners have been selected. Mail compositions to the Courier marked "Bicycle Advertising Contest".

Special Notice

I am pleased to inform my customers and the public generally, that I have been very fortunate in securing the services of Mr. William Kaiser, the renowned hand sewed workman, who is no stranger to a number of Digby people as he formerly worked here some years ago.

Lots of people who wear fine footwear object to have the taps nailed on, but would rather pay the difference in the cost and have them sewed on, clearly showing that they belong to the wise ones the best is none to good for them.

My desire is to keep up the reputation of this shop as formerly ran by Mr. G. H. Holdsworth for a long number of years, using good stock and findings, and above all first class workmanship.

T. W. BOYD & SON 27 Notre Dame St. W. MONTREAL

Acaciaville

Miss Marion Bacon returned to St. John on Tuesday after spending a short holiday at her home here.

The Misses Susie and Lella Dickie teachers at New Tusket and Hassetts, spent the holidays the guests of Miss Ruth Gates.

Miss Mary Cronen of Medfieldboro, Mass., arrived on Tuesday to spend the summer with Mrs. Hunt.

The concert held by the Division on Monday night met with good success, and was well patronized. The sum of twenty-nine dollars was realized.

The delegates who attended the meeting of Grand Division at Belleisle last week, were: Mrs. D. C. McKay, Margaret Vincent, Ruth Gates, D. C. McKay, Roy Warner, and Wade Woodman. All report a very pleasant time.

Miss Susie DeLong entertained her Sunday School class, "The King's Daughters," at the mill brook on a fishing party on Tuesday. If they were weary coming home it wasn't the load of fish they carried.

B. M. Goldsmith is in St. John consulting an eye specialist.

Hope Division

The members of Hope Division Sons of Temperance, No. 154, gave a musical and dramatic entertainment in the hall here on Monday evening.

The show which consisted of a minstrel first part was enlivened with merry jokes, songs, stump speeches, step dancing, and local hits, followed by an intermission during which home made candy was sold.

In the second part of the programme were some splendid readings, recitations, songs, monologues, followed by the Vanderville Sketch Harmony Junction by Roy Warner, Wade Woodman, D. C. McKay and Fred Roop which was a scream from start to finish. Every part was well taken and received vigorous applause and a number of encodes demanded by the audience which packed the hall to the doors. All the performers are to be congratulated for their efforts to provide a splendid evening's fun.

Weymouth North

Little Miss Esther Hood, of Yarmouth, was the guest of her aunt Mrs. Haines Marshall over the week end.

Miss Burnes is a guest of Mr. and Mrs. William Lent.

The Welsh Steamer Hyligen which arrived back here from the Dry Dock in Saint John last week completed loading its cargo of pulp and sailed for Aberdeen, Scotland, on Sunday.

Mrs. Frank Toomey and children, of Kentville, are visiting her parents, Mr. and Mrs. Wm. Amero.

Arch Morse returned to his home in Lynn, Mass., on Tuesday.

Miss Helen Shortliffe spent the week end at her home in North Range.

Capt. H. B. Fitzgerald motored to Digby on Wednesday returning same day.

Miss Clara Hankinson arrived home from Waltham on Tuesday.

Miss Annie Oakes who has been spending the past two weeks with her sister, Miss Mary Oakes at Idyll Knoll returned to Rhode Island on Friday.

Miss Hilda Hogan teacher at Gilberts Cove, spent the week end at her home here.

The Misses Evelyn Hill, Revona Weaver, Dorothy Coggins, Lillian Doty, Roberta Rand and Kathleen Fitzgerald and the Messrs Douglas and Clyde Raymond, Peter and Sammie Weaver, Charlie Brooks, Arthur Moore and Martin Robicheau motored to New Tusket on the 24th and held a picnic at Cedar Lake returning home in the evening.

Culloden

Mr. and Mrs. Hart Hayden, Roy Hadden, Harry Fine, Alex Adams and Gene Adams, of Bay View, were the guests of Mrs. Henrietta Handspiker on Sunday.

Walter Sweeney and company motored from Yarmouth on Sunday and spent the day with Mr. and Mrs. Alex Ross.

Miss Ruth Elkherty, of Saint John, spent last week with her grandparents, Mr. and Mrs. Alex Ross.

Mrs. Tressie Ford, of Bay View, spent last week with her sister Mrs. George Stark.

Mr. and Mrs. Eugene Muise, of Digby, spent Sunday with Mr. and Mrs. Wallace Handspiker.

Miss Louise Handspiker, of Digby, spent the week end with her parents Mr. and Mrs. Wallace Handspiker.

Central Grove

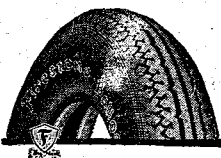

Mr. and Mrs. Bernard Boushie of Freeport spent Sunday with her parents, Mr. and Mrs. Elwood Tibert.

Mrs. John Elliott spent Thursday with her sister Mrs. Charlie Prime of Freeport.

Miss Melvena Small spent last week with friends at Westport.

Son of Councillor Wm. Cossaboom Married in Medford, Mass.

A very interesting event took place at the home of Mr. and Mrs. Ralph Shepard, Medford, Mass., on April 16th, when Miss Frances Cameron, daughter of Mr. and Mrs. Archibald Cameron, Chatham N. B. became the bride of Mr. William Donald Cossaboom, son of Mr. and Mrs. W. M. Cossaboom of Smith's Cove, N. S. The ceremony was performed by Rev. Denton Neiley of the First Baptist church, Medford.

The Bride was charmingly attired in white satin and georgette crepe and wore a veil of tulle and orange blossoms, and carried a bouquet of tea roses. She was attended by Miss Phoebe Pentz of Boston, who wore peach georgette-over satin. Mr. Archibald King of Boston supported the Groom.

Only the immediate family was present at the ceremony, after which a dainty luncheon was served to about twenty invited guests.

Mr. Cossaboom is on the staff of the Locomotive Engineers National Band, and with his bride will reside at 60 Westland Ave, Boston, Mass.

INCREASED SERVICE YARMOUTH TO BOSTON

Four trips weekly, commencing May 31st, S. S. "Prince George" and "Prince Arthur."

Commencing May 31st, the Boston & Yarmouth Steamship Co. will increase sailings between Yarmouth and Boston, four trips per week, leaving Yarmouth on Tuesdays, Wednesdays, Fridays and Saturdays at 6.30 p.m. Atlantic Time to arrive in Boston the following morning at 9.30 a.m. D. A. R. train 95 leaving Halifax on these days at 7.15 a.m. Standard Time makes connections with the Boston & Yarmouth Steamship Steamer at Yarmouth for Boston.

This is the shortest, cheapest and most direct route between Halifax and Boston and at this season of the year, the trip through the Land of Evangeline is a most pleasant and attractive one.

For tickets and reservations, apply to any Dominion Atlantic Railway Agent.

were the Sunday guests of her parents, Mr. and Mrs. Leslie Powell.

Glad to see Colman Powell out again after being confined to his home several weeks with lumbago and heart trouble.

Mrs. Alfred Conn spent last week with relatives at Freeport and Westport.

Mrs. Gilbert Bates of Freeport, spent Saturday and Sunday with Mr. and Mrs. Alfred Shortliffe.

Mr. and Mrs. Victor Finigan and baby

New Tusket

Mr. and Mrs. A. J. Hobbs and family spent Sunday with relatives in Port Matland. While returning at about five thirty they had a collision with Roy Gaudy of Port Matland at Meteghan River. Mrs. Hobbs is badly cut and bruised about the face but the rest of the occupants of both cars escaped uninjured. Mr. Hobbs' car is a total wreck.

Miss Clara Sabean who is teaching at Richfield spent the holidays at her home here.

Misses Lella and Susie Dickie spent the holidays with friends in Acadaville.

Miss Thelma Mullen who is working in Hebron and Miss Bessie Mullen who is teaching in South Range East spent the holidays at the home of their father Mr. Robie Mullen.

Arthur Titus and sister Owendolyn spent Saturday May 14, at the home of Mr. and Mrs. C. F. Sabean. They motored to their home at Weymouth North in the evening accompanied by Miss Helen Sabean who spent the week end with them.

Mr. and Mrs. V. H. Freeman and family and Laurie Thompson of Kempsville, Var. Co., spent Sunday with relatives and friends here.

Miss Dorothy Hankinson, of Weymouth, spent Sunday with friends here.

Mr. and Mrs. Chester Stevens and daughter and Mr. and Mrs. John Deveau, of Weymouth, spent Sunday at Luke Gaudette's.

On June 7th and 8th the Quarterly Meetings will convene the Baptist church of New Tusket.

RED ROSE TEA "is good tea"

You must try RED ROSE ORANGE PEKOE. A little higher price than other teas, but a real difference in quality. Now packed in Aluminum.

North Range

Mr. and Mrs. Avard Marshall and children, from Bear River, motored to North Range Sunday and were guests of her mother Mrs. Jane Andrews also her sister Mrs. John Andrews.

Mrs. Arthur Lamberton and children from Barton spent the 24th the guests of her parents, Mr. and Mrs. Edward Bragg.

Mr. and Mrs. Ernest Ring spent Sunday the guests of her parents Mr. and Mrs. T. W. Cook.

Mr. and Mrs. T. W. Cook is spending a few days at Barton the guests of their daughter Mrs. Ernest Ring.

Obituary

MRS. C. O. ANTHONY

Mrs. C. O. Anthony (Alice Eugene Dunn) passed peacefully away at her home early Friday morning after an illness of several weeks.

Mrs. Anthony leaves to mourn her husband, Capt. C. O. Anthony and two daughters, Beatrice and Mary at home, one son, Harry C. and a grandson, "Billy" of Bear River, and two brothers Arthur Dunn of Bear River and Fenwick Dunn of Yarmouth.

Mrs. Anthony, who was sixty-five years of age, had been a life long resident of Bear River where she was greatly beloved, and her passing will bring sadness to a wide circle of friends.

The funeral, which was largely attended was held at her late residence on Sunday afternoon, and was conducted by Rev. C. M. Mack of the United Methodist church assisted by Rev. E. J. Barras of the United Baptist church.

The music was furnished by a quartette from the choir of the United Methodist church and Mr. Fred Harris sang a solo "Crossing the Bar".

The floral tributes were numerous and very beautiful.

The pall bearers were Mr. Harry Purdy, Mr. Ralph Purdy, Mr. Celso Rice and Mr. Chas. McDermott. Interment was in Mount Hope Cemetery.

SICK ABED EIGHT MONTHS

After Taking Lydia E. Pinkham's Vegetable Compound Could Do All Her Work and Gained in Weight

Melfort, Saskatchewan. — "I had many troubles, headaches and severe pains in my back and sides. I was so sick generally that I could not get up and I was in bed most of the time for eight months. An aunt came to visit and help me as I was unable to attend to my baby and could not do my work. She told me to try Lydia E. Pinkham's Vegetable Compound, and after taking two bottles I could get up and dress myself. I also took Lydia E. Pinkham's Blood Medicine. When I first took the medicine I only weighed seventy-eight pounds. Now I weigh twice as much. If I get out of sorts or weary and can't sleep I always take another bottle of the Vegetable Compound. I find it wonderfully good for female troubles, and have recommended it to my neighbors. I will be only too glad to answer any letters I receive asking about it." Mrs. WILLIAM REYNOLDS, Box 486, Melfort, Saskatchewan.

Local and Personal

Ralph Purdy and son, and Vernon Harris and son spent several days this week at Fifth Lake fishing.

Frank Donkin of Halifax spent the week end in town.

Mrs. E. F. Powers arrived from Florida last week to reopen her bungalow at Victoria Bridge for the summer.

Clifford Smith of the Federal Government Hydrographic Survey with his family are visiting Mrs. Smith's parents, Mr. and Mrs. Daniels at Clementsvale. Mr. Smith leaves shortly to continue his work on the Labrador Coast.

Alfred Porter entertained a few gentlemen at Bridge Thursday night.

Mr. and Mrs. Howard Cunningham motored to Wolfville Friday afternoon to attend the Convocation of Acadia University.

St. John's Guild met Thursday afternoon at the residence of Mrs. W. M. Romans.

Mr. and Mrs. Moore are now occupying the house of William Miller, having moved on Thursday.

Clayton Robbins left Saturday for Halifax to resume his duties on R.M.C.S. Patriot, after spending a fortnight's vacation at his home here.

Mr. and Mrs. A. B. Marshall and Miss Catherine, returned home Friday from Sackville.

W. W. Clarke went to Wolfville on Saturday to be present at the closing of Acadia University.

Rev. C. M. Mack and Horace Moore spent the holiday fishing at Big Lake.

Miss Al Rice is being warmly welcomed by her many friends, having returned Thursday after a winter spent in Amherst and Whittier, B. C.

Mrs. Vernon White and little son David came from Boston Saturday to visit her parents, Mr. and Mrs. John York.

Mrs. John Reop spent a day in Clements on route to Wolfville to attend the closing of Acadia.

Mr. and Mrs. John Brown left on Tuesday for Maine where they will remain for the summer.

Miss Esther Benson arrived home last week and will remain with her parents, Mr. and Mrs. Robert Benson for the summer.

Mr. and Mrs. Mack motored to Weymouth on Saturday. They were accompanied by Mrs. W. A. Chute.

Miss Emma VanBuskirk spent the 24th with her parents, Mr. and Mrs. Chas. VanBuskirk, Bear River East.

The Ladies Aid of the United Church met at the Parsonage on Wednesday afternoon. After a very enjoyable time spent in "wood picking," Mrs. Mack served delicious refreshments.

Mr. and Mrs. Ward Hazen and Mr. Mrs. Ross, of Yarmouth were motor guests of Mr. and Mrs. Moore on Sunday. Mr. W. G. Clarke went to Bridgetown on Monday to attend the funeral of Mr. O. T. Daniels.

A Correction

Through transposition of the lines the reports of the debates of the Municipal Council published in last week's issue were confusing as regards the pulpwood and chief assessor resolutions. In order to make these clear the extracts are reprinted in this issue. The application of Mr. S. Marshall for refund of taxes should read 1917 and not 1921 as previously printed.

The report of the Appeal Board was read and discussed, this Board having recommended the appointing of an over-assessor for the coming year. The various Councillors gave their ideas on the question. Moved by Councillor Hillman that no over-assessor be appointed for 1928, seconded by Councillor Fitzgerald.

Moved in amendment by Councillor Pugh that an over-assessor be appointed for 1928 by this Council and a new committee of three be appointed to meet and advise this over-assessor, seconded by Councillor Marshall; on being put to vote the amendment carried; voting for the amendment: Councillors Pugh, Marshall, Hankinson, W. Cossaboom, Chisholm, H. W. Cossaboom, against Councillors Hillman, Fitzgerald, Cornwell, Lent, Outhouse (these names were entered by a special motion which was moved by Councillor Hillman, seconded by Councillor Lent and passed).

On motion the Council adjourned until 10 a.m., Wednesday.

Wednesday, May 24th:

The Council met at 10 a.m., Wednesday, May 24th, all Councillors present. The Warden took the chair and called the meeting to order. Minutes of previous meeting approved.

On motion Major MacLean was permitted to address the Council, speaking on the proposed embargo on Pulp Wood, and asking the Council to pass a resolution expressing their attitude toward this question. The following resolution was moved by Councillor Hillman, seconded by Councillor Cossaboom, and passed: "Resolved that this Council goes on record as in favor of manufacturing pulpwood into paper at home in Nova Scotia and recommends that the Government make proposals of a constructive character that will assist in the establishing of industries in the Province, and resolved that this Council is against the placing of a tax or other restriction on the exporting of pulp wood, and will oppose it; because it believes such a measure will not produce any good results, but that on the contrary that it will be hurtful to the whole Province by making it more difficult to conduct business and by adding to unemployment."

Miss Jean Seely who has been visiting Mr. and Mrs. Alfred Porter returned to her home in Saint John, Monday.

Rev. F. M. Milligan who has been conducting Religious Education Conventions in Yarmouth county returned to Bear River on Monday. He occupied the pulpit of one of the Yarmouth churches on Sunday morning and preached at Maitland in the evening.

Mr. Cross, of Saint John was in town on Monday.

Mr. S. A. Grinn was in town on Monday having motored from Middleton.

Mrs. F. B. Millett, of Kentville, F. D. Cameron and C. W. Eisner, of White Plains, New York, were guests of Mr. and Mrs. O. A. Eisner while in Bear River, enroute from Chester Basin to New York.

Smith's Cove

Quite a lot of building is going on in our community these days.

Joseph Mills of Milton, Quebec Co. is the guest of his aunt, Mrs. W. B. Snow.

Glad to welcome back to us again this season Austin and James Clayton of Young's Cove who will be employed here during the summer.

Mrs. M. Cornwell spent Saturday last at Annapolis Royal, the guest of her sister, Mrs. MacKip.

Mrs. Robert Cossitt has returned from a visit to Bear River where she has been visiting her sister, Mrs. J. Forman Hardy.

Mrs. W. B. Snow recently returned from an extended visit to her daughter Mrs. Dean Clayton, principal of the Tanook School, also visiting her parents Mr. and Mrs. John Kempton Dexter at Milton, Queens Co.

A number of summer tourists have arrived during the past few days and will be with us for the season. Amongst them we notice the familiar faces of Dr. and Mrs. Vedder and Mr. and Mrs. Ford. Because of their many seasons amongst us and their helpful interest in our community, we are especially glad to welcome these friends back and wish them a delightful summer.

A large delegation from here went to Bellefleur on Wednesday of last week to take part in the organization of a District Division of the Sons of Temperance. This new organization represents Digby and Annapolis Counties. The large number of delegates present, about fifty percent of whom were men shows well for the interests of Temperance in these two counties and such a successful gathering at this busy time of the year shows a readiness to line up for an aggressive province wide campaign in the interests of Prohibition law and enforcement. The new officers elected are men of business ability and push.

Medical Men to Meet

A special meeting of The Valley Medical Society will be held in Middleton, Wednesday June 1st, for the purpose of hearing special lectures on Medical & Surgical subjects by a couple of distinguished Toronto medical men.

Dr. R. V. B. Shier, Associate Prof. of Surgery Toronto University will speak (1).

He Recommends Them to His Many Friends

New Brunswick Man Speaks Highly About Dodd's Kidney Pills

Mr. W. A. Smith, J.P., Suffered for Many Years from Weak Kidneys

St. John, N. B. May 23 (Special)

"I have received a lot of benefit from the use of your Dodd's Kidney Pills," states Mr. W. A. Smith, J.P., who resides at 45 Waterloo Street. "I have used them for several years. I was on the P. Railway for many years and owing to weak kidneys, had to give it up. I was troubled with rheumatism, lumbago, backache. My sleep was broken and unrefreshing and I always seemed tired and nervous. I have used a lot of your Dodd's Kidney Pills and find them very satisfactory for my kidney trouble. I have recommended friends who have used them with very good results."

It is on account of the good work that Dodd's Kidney Pills do that they occupy such a prominent place in the family medicine chest. So many of the ordinary everyday ills come from sick kidneys. Rheumatism, backaches, lumbago, urinary troubles and heart disease can be traced directly or indirectly to sick kidneys.

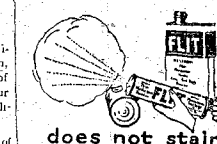

Pre & Post Operative care, (2) Acute Abdominal Emergencies.

Dr. G. H. Agnew, Associate Prof. Medicine Toronto University will take as his subjects (1) Care of Nephritis. Patients in private practice (2) Medical Problems of Pregnancy.

The afternoon meeting, commencing at three o'clock, will be held in the Assembly Hall of The MacDonald School Building.

There will be a dinner at the American House at 7 p.m., followed by a evening session in the dining room of the Hotel.

THE COURIER IS \$2.00 A YEAR

NASH has the power you need on the HILLS

Every Nash owner notices that he has very little gear shifting to do on hills, no matter how steep the grades may be.

Nash is a very powerful motor car. There is nothing half-hearted or sluggish about its response—the motor never "talks back" at you—even though you are climbing mountains.

One reason is the more than adequate power designed into every Nash motor car. Nash engineering has provided reserve energy for situations that tax the resources of other cars, and extend their engines to the point of strain.

Another reason for the powerful performance of Nash is 7 bearings. 7

bearings in every Nash model, instead of 3 or 4, means that power is not thrown away by crankshaft "whip." Proper bearing support throughout the entire length of the crankshaft conserves energy that older motor types waste.

Quick acceleration—powerful responsiveness—such as Nash provides, is a safety factor you cannot overlook. It is invaluable on the hills, very handy in traffic.

When you select your next car, be sure to see how unfavorably the power and pick-up of other cars compare to Nash, before you decide!

Former Teacher in Digby Academy Elected Secretary Massachusetts Federation of Women's Clubs

Quincy, Mass. May 18. (Special to Courier)

Mrs. Boyd F. Bowles of 72 Brook street Wollaston Mass was today elected recording secretary of the Massachusetts State Federation of Women's Clubs at the annual meeting held at Swampscott, Mass. The organization is comprised of 370 woman's clubs with approximately 145,000 members.

Mrs. Bowles, who is one of the most prominent clubwoman in Quincy and Greater Boston, previous to her marriage to Dr. Boyd F. Bowles was Miss Elsie M. Best daughter of the late Nathan Best of Waterville, N.S. and was at one time a teacher in Digby Academy.

She has been actively affiliated with women's club work for several years during which time she has been president of the Canadian Club Auxiliary of Boston; the Quincy City Federation of Women's Organizations and the Wollaston Woman's Club, the latter having a membership of 600.

Beginning her club activities in 1915 she served as corresponding secretary of the Wollaston Women's Club for two years and as its president from 1919-1921. She was corresponding secretary of the President's Club of Boston from 1923-25 and of the Quincy City Federation from 1924-26.

At present Mrs. Bowles is a member of the Republican City Committee and is secretary of Ward 5, Quincy, Mass. She had served as trustee of the Thomas Crane Public Library of Quincy for two years.

Besides being active in Women's Club work, she is prominent social-

ly and has won an enviable reputation as an after dinner speaker of much brilliance. She is a member and ardent worker in the Wollaston Congregational church and is chairman of the foreign missionary department of the Women's Union. Before being elected corresponding secretary of the "Massachusetts State Federation of Women's Clubs." Mrs. Bowles served on the credential, volunteer service and legislative committees of that organization. She is popular in Quincy, Wollaston and throughout the State and her many friends will follow with interest her advancement in the ranks of the Massachusetts State Federation of Women's Clubs.

Note-Editor. Mrs. Bowles is well known in Halifax, Kentville, Digby and Berwick. I would appreciate very much if you would use as much of this material as possible: I am a native of Halifax, N.S., but later lived in Lunenburg for many years. Heartfelt Greetings.

B. Maude Lothrop (Matteson) Women's Club Editor, Quincy Patriot Ledger.

Deep Brook

Mrs. Abner Woodworth and her daughter, Mrs. Marguerite Page arrived home on Friday of last week from Vancouver where they have been spending the winter.

Mrs. Ella Hutchinson returned to her home here on Friday from Boston.

Mrs. J. F. McCalland left here on Friday for Boston where she will spend two weeks with relatives and friends. She will be present at the graduating exercises of her daughter, Margaret, who will graduate from the Newton Hospital June 2nd.

Miss Vera Hiesler of Canning spent the week end with her parents, Rev. and Mrs. G. W. Hiesler at the parsonage.

Mr. and Mrs. J. R. Berryman and their son Ralph motored to Clarence on Tuesday to attend the funeral of their aunt, Mrs. Wilson.

At the Baptist Hall, Deep Brook Tuesday evening May 10 the Boy Scout Band of Annapolis gave a very nice concert to an appreciative audience. The program was well rendered. The members of the band gave evidence of the careful training of their leader F. J. Miller. Several readings given by Mrs. Hiesler were well received. The pastor Rev. Hiesler spoke words of appreciation of the kindness of the friend from Annapolis in giving their services also Rev. H. E. DeWolf, Mr. Rowley, D. B. Wright and others for the use of autos to convey the band to Deep Brook. A rising vote of thanks was moved by Mrs. Dunbar. The ladies of the church served refreshments and a social hour was enjoyed.

Express Rates on Lobsters

When asked regarding progress being made in the matter of securing a readjustment of express rates on lobsters from Provincial points to Boston via Yarmouth the Honorable J. A. Walker, Minister of Natural Resources, stated that the Department has had this matter in hand for some time, and although no definite readjustment has yet been arranged, there is every likelihood of a reduction in rates being brought into effect before next season.

The Department has been making a special study of the whole question and working in co-operation with shippers through Mr. F. C. Cornell, Maritime Rate Expert will continue to press for a material reduction, particularly in connection with the export rate.

It is the intention of Mr. Cornell to visit the Province for the purpose of studying this matter in the course of the next few weeks. In a letter addressed to the department a few days ago Mr. Cornell points out: "The more I go into this the more I am convinced that the lobster shippers have a perfectly justifiable case."

Pocket of Giant Scallops

Fishermen down Buck's Harbor way are said to have run across a small pocket of scallops, between Yellow Island and Buck's Head, in Maine. These scallops were of giant size and not more than 15 or 20 in all were found. The shells of the largest measured 28 inches across and either half would hold three pails of water. One fisherman took one of the shells home, his wife to use as a bathtub for the new baby. Others have been utilized as unique home made wash basins for a summer cottage, for bird baths and one chap who is a radio enthusiast has turned one of the largest into a loud speaker.

Harlem

Miss Mildred Smith went to Boston Friday on her way to Augusta, Maine, where she will enter the Hospital to take a nurse's course. Mrs. Osborne Smith accompanied her daughter Mildred as far as Yarmouth returning the same night.

Mr. and Mrs. Stephen Ford and their three children Kathleen, Beulah and Clifton motored to Yarmouth Friday accompanied by Mrs. Ford's sister Miss Katherine Mullen who was a passenger on the Prince George on her way to Augusta, Maine, to finish her nurses training course.

Jack Walker spent Friday and Saturday with his friend Marian Smith.

Here and There

It is estimated that 23,500,000 acres will be sown to crops this year in the West, an increase of 2,500,000 acres over 1926.

Canadians hold the record for eating eggs. The average Canadian last year consumed 337—a record according to Dr. J. H. Grisdale, Deputy Minister of Agriculture.

Tobacco-growing is flourishing in Western Ontario, and this year the acreage will likely run to 45,000 or double that devoted to the production of this plant in 1925. The crop last year was valued at \$6,000,000.

One of the most powerful radio stations in Canada will be erected at Red Deer, Alberta, in the near future. Stations will be operated in Calgary and Edmonton by remote control to the main station.

New Zealand will be officially represented at the World's Poultry Congress at Ottawa, July 27 to August 4. R. W. Hawke, one of the Island Dominion's best known poultry breeders, will represent that country.

Canadian Firm Dates Origin from Reign of Charles the Second

Two hundred and forty eight years ago in the City of London, England, in the reign of Charles the Second the foundation of the present Canadian firm of Brandt-Henderson, Limited, was laid.

Such was the information given by Mr. George Henderson, President of the company, on the occasion of the twentieth anniversary of the incorporation of the present company.

The firm of Brandt-Henderson is understood to have started in business about the year 1679. Fifty years later or about one hundred and ninety eighty years ago there was developed the new world known as the "Brandt Process." In 1879, just fifty years ago, last November, the founders of the Brandt-Henderson Limited, came to this country to establish their first Canadian plant in Colchester County, Nova Scotia. The company is thus one of the oldest concerns in the British Empire in the paint and varnish industry, or indeed any industry.

Besides the paint and varnish industry which will be established in the Dominion Government in the Wapiti Lakes district in Southern Alberta, a commercial fish hatchery will be established in the north. The latter will also handle certain species of game fish suitable to lake waters.

The Canadian Pacific steamship passenger traffic through the port of Saint John during the winter season of 1926-27 was over 30 per cent greater than that of the previous season, and it is expected that the summer traffic through the St. Lawrence port will show a still greater increase.

The last addition to the chain of Canadian Pacific hotels is the "Hotel Saskatchewan" located at Regina, opening on May 24. It is one of the finest of the chain of a character in keeping with the importance of the capital city of the Province which furnishes 50 per cent of the Dominion's wheat output. The hotel is 12 stories, containing 216 bedrooms, bath, and many beautiful public rooms and administrative offices.

The Canadian Pacific Railway Company recently from Winnipeg the marketing of grain at the present rate of 100,000 bushels daily, as compared with 120,000 for the corresponding season of last year.

Manitoba's 180,000 cowboys with Saskatchewan's 333,000 and Alberta's 260,827, together constitute above last year's record with 770,000.

Native of Digby Died at Gloucester

The Gloucester Times of recent date reports the death at Staten Island, of a former resident of Digby. The report is as follows.

William Henry Blinn, a well known resident of this city, passed away at Sailors' Snug Harbor, Staten Island, N.Y., at the age of 70 years and 12 days, death resulting from bronchial pneumonia. The deceased was a native of Digby County, N.S., but resided here for many years, where he followed the fisheries for a time, later engaging in the rigging business and during his later years was employed on the local wharves, his last employment being with the Gorton-Pew Fisheries Company.

He had been at Sailors' Snug Harbor only since February 23 of this year.

The deceased was the son of the late Charles and Eliza (Gibbons) Blinn and married Arvilla Steele, the ceremony taking place in this city, March 14, 1875. He leaves six children, William H. Jr., of Allston; Marshall N., of Belfast, Me.; George H., of Quincy; Mrs. Corinne, wife of Howard Greenwood, of Arlington; Mrs. Alice, wife of Frederick Campbell, of Dorchester, and Miss Esther Blinn, who with her mother, makes her home at 6 Winchester court, also leaves eight grandchildren. Mr. Blinn was an attendant at the First Church of Christ, Scientist of this city.

The remains will be brought here for interment.

Weddings

EMMERTON-MARSHALL
Rev. S. James Cann, of Haverhill officiated at the marriage ceremony of Miss Blanche Annabel Marshall, of Peabody, and Silsbee Emmerton, of Peabody and Salem, which took place at the home Mr. and Mrs. Perley C. Goodale of Goodale street West Peabody. Attending the bride as her maid of honor was Miss Annie Ellis, of Peabody and the best man was Charles H. Wood, of Rial Side, Beverly.

Mr. Emmerton is a World War veteran and is now stable sergeant of Battery D, 102d F.A., M.N.C., and is stationed at the artillery stables on Highland avenue, Salem. His bride, a graduate of the J. B. Thomas hospital, Peabody, is a registered nurse and is employed in the social welfare department of the A.C. Lawrence Leather Co., of Peabody. She was visiting nurse of Peabody for over three years.

After a honeymoon being spent in Nova Scotia, Mr. and Mrs. Emmerton will make their home at 22 Cottage street, Peabody. They will be at home to their friends after July 1.

For the Comfort of Motor- ists

With increasing motor traffic through Weymouth and increasing numbers of tourists visiting the province every year the installation of a rest room at the Harris & Silver Garage is one of the indications of how the business men of this county realize the importance of service to their public. The new rest room is most comfortably fitted up for ladies, a place where they can remove the stains of travel and rest from the, to many, nervous strain of motoring and should prove a popular stopping place for people passing through town.

Port Wade

Sch. Valdare, Capt. Keans sailed on Friday last with a cargo of lumber and cord wood for Booth Bay, Me.

Mrs. Mary Daley of Digby is visiting her sister, Mrs. Elizabeth Cummings.

Miss Lena Keans having completed the year at Acadia spent the week end at her home here. She left on Wednesday for Boston en route to Chicago, where she expects to attend the Northern Baptist Convention.

Miss Mattie Apt is in the Digby Hospital where she recently underwent an operation.

Miss Lillian Johns left on Tuesday for a visit with friends in Brighton.

Midnight Strikes Before Town Fathers Clean Up Slate of Busy Monthly Meeting

Petition for Water Extension Bears Many Signatures and Mayor Asks For Ratepayers Meeting

Council Disappointed Over New Rate For Lighting Service

Electric lighting rates, petition for the extension of the water service, report of the Medical Health Officer, treating of the streets to prevent dust nuisance, Fire Alarm siren, Dominion Day celebration, the care of a number of dependent children and the passing of accounts for the various town services occupied the attention of a full board of Councillors at the regular monthly meeting on Monday night and required the acceptance of a motion to continue when eleven o'clock brought the hour for closing.

The committee appointed to arrange the installation of a new fire alarm signal reported the purchase and partial installation of a Federal Siren, double head type with 5 h p 220 volt 3 phase 60 cycle motor, with two knife switches for control. One of these to be installed at the Town Hall and one at the telephone exchange. The cost installed is \$432.25. A system of signals is to be worked out for the different districts to quicken attendance at fires.

Dr. Read, Medical Health Officer reported the town in good health, there having been only one case of scarlet fever, in the quarter.

Mr. Steven VanTassel was present in support of a petition of residents of Carleton street for the extension of the water service. The petition carried over a hundred signatures. The Clerk reported that application had been made in previous years for the extension of the service on this street, on which there were only seven or eight users. The cost was estimated at \$1400 for a four inch main. Mayor Lynch objected that the town could not expect every section to be a revenue producer and in this was supported by Councillor Aymar, who advanced the theory that with the water extension made the section would be opened for the building of homes. On motion of Councillors Dakin and Wightman the Clerk was instructed to advertise the calling of a public meeting on Tuesday June 14 to consider the petition and the granting of authority to issue debentures covering the construction.

The dust nuisance occupied the attention of the Council at length. Tender of B. O. Baxter at \$5.00 per day for the operation of the street grader and watering cart was accepted. The merits of Calcium Carbide as a dust layer were discussed and a ton shipment to give the stuff a thorough trial was ordered.

It was decided to close the North Dump, to purchase two new Union Jacks to fly from the Town Hall and the Summer Pavilion, and to devise means of preventing the destruction of garden by wandering dogs.

Town Clerk Boden reported the proceedings of the Board of Commissioners of Public Utilities, at the meeting held on May 5th for the setting of rates for the Town of Digby. The rates which had been submitted at the hearing had been altogether too optimistic, in view of the rate which was asked by the Power Board and it was necessary to revise the rates proposed. He

submitted figures showing the fixed charges of the town for their system would amount to six and one half cents per kilowatt, on last year's consumption and at the rate required by the Power Board a new rate could not be better than a reduction of two cents from the present figure, 20c per kilowatt. This rate would be subject to revision and all that could be done was to make formal request for a schedule and leave it in the hands of the Utilities Commission to work out. Mayor Lynch suggested that no one connected with the hydro development seemed able to work out a solution of the rate schedules and that with the Power Board officials and the Utilities Commission working together on it the rates to be set would not work out as high as was figured on by the Clerk.

Councillor Dakin, on behalf of the Dominion Day celebration committee of the Board of Trade, applied for the closing of a section of Queen Street from Warwick St. to the Schools on Dominion Day for the holding of track sports. The hill at the school house provided a natural grandstand for the finishes and the road was fairly level.

The services of the streets department would be required to erect side lines along the route and to set barricades on the cross streets. Some work would need to be done with the grader also. This authority was given and Mayor Lynch suggested that the funds voted by the Town and Municipal Council should be implemented by public subscription in order to relieve the committee of any fear of financial embarrassment.

As the clock on the Post Office struck the hour of midnight the Council adjourned.

A Dozen Guests of Mail Driver Enjoy Pleasant Outing To East Ferry

On Saturday May 21, a party of twelve friends were entertained by the ever popular Digby Neck Mail driver, Mr. Morehouse, on a most enjoyable drive to East Ferry in the Mail Bus. The drive was all that could be desired in comfort, fun and beauty of scenery.

At East Ferry the party was invited by the ferryman, Mr. Blackford, to cross the passage in his fine new boat. On the return they enjoyed the sail out past the light and they all wish to thank Mr. Blackford for his kindness.

On returning to East Ferry they partook of a bountiful supper including a delicious lobster chowder.

The evening was spent in Sandy Cove at the pleasant home, Hillcote of Mr. and Mrs. Amasa Eldridge, where music and delicious refreshments were enjoyed and again we wish to say "Thank you."

Some of the party have been guests on three other similar trips in previous years and feel that a pleasanter, jollier time could not be spent.

Once again we thank Mr. Morehouse and wish him many years of prosperity.

CHILDREN'S HATS AT
WRIGHT'S

Still A Chance to Win That \$10.00 Prize For An Advertisement

Tomorrow is the last day of Dakin Bros. Ad Writing Contest, but there is still time to write an advertisement that will win the \$10.00. If you haven't got a bicycle, and want one, winning the prize will give you nearly one third of the purchase price. Just think: You win \$10.00, then you get dad to help you out with the rest, and for the summer and a lot of summer to come you enjoy the fun and exercise that only a bicycle can give. You will want one to enter the Big Parade on Dominion Day, to take you quickly from the water front to the place where the track sports are to be run, and for a lot of other things. A little hard work with your head will perhaps win the first prize.

If you aren't sure of the conditions read the advertisement in last week's Courier or ask Mr. Dakin all about it.

But act quick. All entries must bear a post mark not later than June 4th, and the prizes will be awarded as soon after the closing date as possible.

Many Claims For Bounty On Hair Seals

The increase of the bounty on hair seals has brought such results as indicate that the allotment for the Maritime Provinces will be altogether insufficient to pay the claims which may be presented. Already in the western district upwards of forty bounty claims have been presented and many more are expected to be in before the seals move out.

Only two bounty claims have been presented from Digby County, which seems to show that the seals have not been very plentiful in the Bay and that the fisheries are escaping easily.

The Eighteen Cent Rate

The more you use,—the cheaper it is—for the other fellow as well as for yourself. Even if the rate is high don't condemn hydro, or the men who worked to accomplish the desired end, but think what must be done to develop a demand for electricity all over the county and do a little bit toward that end on your own account. Hydro is 18c, with 24 hour service, is better and cheaper, and a lot more like real lighting, than partial service at 20c with everyone having to take a "blindman's holiday" on rainy days and dull ones, until the clock showed it was time for the lights to be on. "18c juice" seems like a lot, but it is better than what we have had, and by another year all hands will know where we are at, and a decent reduction in rates will be possible.

LAKE MIDWAY

Mrs. H. F. Henshaw of Danvers, Mass., and her brother, Mr. D. C. Walker of Somerville, Mass., have been the guests of Mr. and Mrs. Clarence Walker of Lake Midway.

Mr. D. E. Walker of Somerville, Mass., and his sister Mrs. H. F. Henshaw of Danvers, Mass., have been visiting their parents, Mr. and Mrs. Allen Walker, who are residing at Waterford, both were very much grieved to find their mother very ill. Mr. D. C. Walker has not been home for seventeen years. A host of friends and relatives welcomed them home. Mr. Reginald Sypher drove them to Digby last Saturday on their return to their homes in Boston. Their sister, Mrs. Clarence Walker accompanied them to Digby.

FRIDAY JUNE 3, 1927

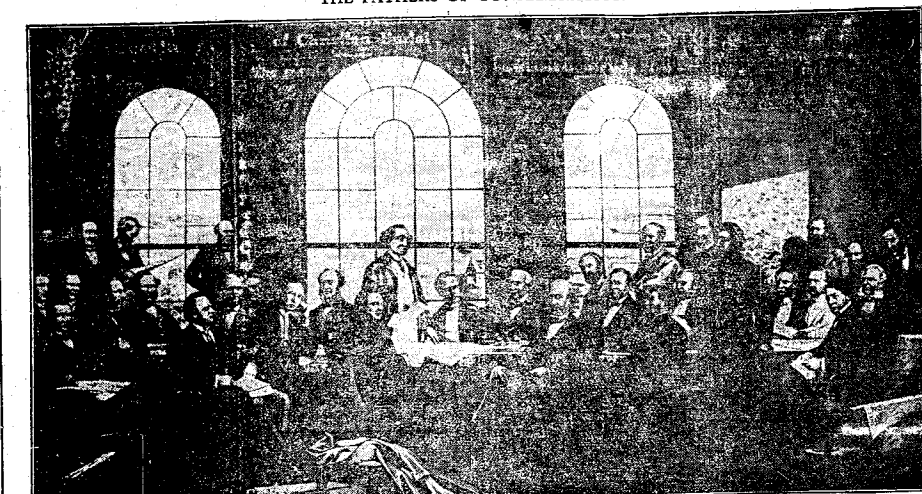

Getting Along

Arrangements for the celebration of Dominion Day are getting along nicely. The Carleton Band, of St. John, a fine organization of 27 pieces, has been engaged to provide the music which is the most important part of all celebrations of this character, and the arrangements for other branches, the water and land sports, are proceeding very nicely.

While the contributions of the Town Council and the Municipal Council have provided funds for getting the affair under way the committee in charge of the arrangements is not going to have too much money with which to do all that must be done if the celebration is going to be a success. Right off at the start the music is going to cost more than half of the total appropriations and there are many other things to be attended to.

Our Summer Visitors

Already numbers of our annual summer visitors have arrived in Digby and soon these will be followed by many, until the middle of July all accommodations will be taxed to the utmost to provide them with hospitality. Increasing numbers year by year show what results can be obtained by proper methods of service, by desire, backed up with performance, to give our best in order to make our visitors glad

MEMBERS OF THE QUEBEC CONFERENCE, OCTOBER, 1864

F. Palmer Hewitt Barnard (Secy.)	W. A. Henry Charles Fisher	F. B. T. Carter George Cole	E. B. Chandler J. C. Chapais	John A. Macdonald George E. Cartier	Thomas H. Bayland Sir Etienne Paschal Taché	Peter Mitchell Alex. T. Galt	R. B. Dickey J. Cockburn	W. H. Pope William McDougall	J. M. Johnson A. A. Macdonald	J. McCully Thomas D'Arcy McGee
W. H. Steeves John Hamilton Gray	Edward Whalen Samuel L. Tilley	Alexander Campbell Rector L. Langevin	George Brown Charles Tupper							

to have been here and eager to come back again.

And it is by deference to their opinions, by permitting them to think their own thoughts and have their own ideas on how things should be and how they have been, that we can make their visit most pleasant. It is not necessary, nor would they ask that we form opinions from theirs. But we can consider their point of view, and without forsaking our own ideals of things, acknowledge that they too may be right as they see it.

This summer as for many summers to come one topic of conversation, of debate and even of controversy, will be "Who Won the War." Our American cousins are fortunate in their newspapers, which are not letting the great part played by the American troops in the world conflict be forgotten and it is apparent to a who study current literature as exemplified in the magazine and Sunday publications of the United States that a valuable contribution is being made to tradition and to sentiment by the publication of what might be termed romantic history of the United States' troops participation in the important campaigns which ran

through the Spring and Summer of 1918.

And if our summer visitors, better posted in what their troops have done than we are in the achievements of our own are almost boastful in their praise of their countrymen, it is not for us to belittle or disparage. What we know we know. In the achievements of the Canadian Corps we have a record that history will uphold as the outstanding achievement of young nationhood, and which is worthy to be recorded in the hearts of the whole world. In our pride of race we need give first place to none. But it is not in keeping with honor that we should belittle the part played by others. The influence and the pressure which was put up on the United States to enter into the war on the side of Germany what intrigues endeavored to interfere with the sending of troops and supplies to the allies will perhaps never be known. But we do know that the United States chose to support the Allied cause and sent, in man, power and supplies, that which was desperately needed in time to be thrown all unready into the gap made by the German drive in the Spring of 1918.

In memory then of the thousands of our own Heroic Dead, in honor of thousands of United States soldiers who lie where they fell in the battlefields of France and, in gratitude for the return of those who otherwise would lie with their comrades, let us honor where honor is due. It will not make us think less of our own, but rather help to bring about that time when there shall be a union of all English speaking people for the maintenance of a world peace.

Advices from Halifax are that the Highways department is considering the petition of the Municipal Council to improve the approaches at the overhead bridge on the highway leading to Weymouth. It is likely that the old road, closed by the railway, will be opened up and two one-way roads made, to lessen the danger of accidents. But while the job is being done it should be well done. As now the turn is so dangerous that even the most reckless driver takes precautions and no accidents have happened. If a poor job is made, and the danger decreased, and not removed altogether, then accidents will surely occur.

Fire Ranger Carl Miller, of Bear River has issued sixteen permits for the burning of brush in the Digby Neck District.

A. C. Badger his brother Dr. Badger and E. Fitch, all of Boston arrived in Smith's Cove Thursday afternoon and today left on a weeks fishing trip to Lake Jolie. The party are guests of Councillor Wm. Cossaboom of the Harbor View Summer Colony.

At Last

After years of existence in a room, by courtesy "The Fireman's Room" the quarters in the Town Hall which have been occupied by the Firemen have been fitted up in decent shape. The old floor has been covered with an attractive oil-cloth covering and with nicely decorated walls and ceilings and with the Chief's desk ornamented with relics of bygone days when "spray nozzles" were the up-to-the-minute in fire equipment the room is more in keeping with what the quarters of the Fire Department should be.

The materials were supplied by the town, under direction of Councilor Whightman, who is Chairman of the Fire Committee and the work was done jointly by the Fire men and town employees.

Someday Digby will have a new Town Hall, with proper facilities for the civic officers and the storage of fire and other equipment, and when that day comes it will be well if the Council will visit Truro and other towns where the Fire Brigade is considered as the most valuable arm of civic development and where the Firemen are fitted up with quarters which are on a par with the best of city clubs. When this shall be the firemen will take their proper place in town affairs, and in the meantime the present improvement is a step in the right direction.

One good turn deserves another, so the merchant who contributes to the success of the house wife's tea party by supplying her with MORSE'S SELECTED ORANGE PEKOE will reap his reward through new business from the guests who inquire where it is she obtains her supply of tea.

Similar to the Dominion Tourist issue of last month but specially broadcasting the attractions of the province of Ontario, the June number of Rod and Gun and Canadian Silver Fox News is published in the shape of a special Ontario Tourist issue. A special feature is a tinted, illustrated section which describes some of the splendid summer resorts that Ontario offers the tourist. In addition a personal message of welcome to tourists by the Hon. G. Howard Ferguson is published in the place of the editorial.

The regular contents are made up in this issue of stories and articles dealing for the most part especially with Ontario.

An important change is made in the appointment of C. G. Hopton, internationally famous breeder and judge, to be editor of the Kennel Department, associated with Dr. L. E. L. Taylor. He commences his duties in the June issue.

Rod and Gun and Canadian Silver Fox News is published monthly by W. J. Taylor, Limited, Woodstock, Ont.

Male Choir of Yarmouth Church Sings at Trinity Church Digby

Quite often church goers of Digby have had opportunity, particularly during summer months, of hearing single visitors assisting in the song worship at Sunday services in the different churches, but it is not often in any town that a whole choir of visiting singers takes charge of the music of a period of worship. This unique feature was not alone the beauty of the service at Trinity last Sunday evening, when the Male Choir of Old Trinity, Yarmouth, came to sing at Evensong at Trinity Digby, but the appearance of the choir in the processions, their rendition of the hymns, and Psalms and Anthems made the whole service one which was greatly enjoyed by the large congregation which attended.

From the Processional Hymn, the voices ringing through the nave of the church as the choir proceeded to their places in the chancel, to the last echoing note of the Recessional, the music was beautiful. The chants of the Psalms were the setting by Woodward and in these the trebles of the youngest boys were quite at their best.

Stainer's setting was sung for the Magnificat and for the Nunc Dimittis Semper, most beautiful music was beautifully rendered.

The Anthem, Schaeffer's composition of the old familiar "Abide With Me," gave opportunity for the choir's excellent ability and the solo parts were particularly pleasing. In the Offertorium also, the "Te Deum," by Thomas, the solo parts were good, and the work of the choir excellent.

The Vesper Hymn, composed and set to music by Mr. Penn Spicer, Choir Leader, was a composition of real beauty, and as rendered by the choir completed in music an evening of worship that has not been seen in like manner in Trinity church.

In extending the thanks of the congregation and the church officers to Mr. Penn Spicer and his choir for their kindness in providing the music for the service, the Rector, Rev. Wm. Driffield, said that "gratitude was perhaps a lively sense of anticipation of favor to come." Whether such were the case he was sure that those present had enjoyed the music of the service and would hope that at some time in the near future Mr. Spicer and his choir would again visit Digby.

Mr. Driffield's text was taken from the Psalms: "I was glad they said unto me 'Let us go up into the House of the Lord.'" Most appropriately it discussed the prominent place which music had in the forms of worship of the children of Israel.

Dealing particularly with the Psalms of Ascent, the fifteen which

BEFORE THE JOB IS DONE, YOU'LL KNOW

DON'T be impatient with the B-H Dealer when he urges you to use paint with the 70-30 guarantee. When you finish painting you will know as well as he does that PURE paint goes further, lasts longer, and so costs less. No other paint man can give you a 70-30 guarantee. B-H "English" Paint alone carries the 70-30 label—the karat mark of paint.

This mark does away with mystery—it makes paint as easy to buy as silver or gold. It says plainly 70 parts of Pure White Lead and 30 parts of Pure White Zinc—100% Pure Paint.

You will be agreeably surprised when the B-H Dealer tells you how little of this pure paint will suffice for your work. Probably not one-half as much as you had supposed.

Visiting Speakers at United Church

The congregation of the United church, Bear River, were greatly favored on Sunday the 29th inst in having at their morning service two leaders of the Student Christian Association Conference now in camp at Deep Brook.

Mr. Shuming L'u of Shantung China, spoke briefly but impressively of conditions in China, and of his impressions of the United States and Canada. Mr. Liu who is president of the Chinese Student Association of America has been sent to Harvard for five years study of Education and Social Economics. Upon receiving his doctorate next year he will spend some time studying in France before returning to be a leader of thought in his native country.

Prof. John Line of Pine Hill Divinity Hall delivered a helpful and inspiring address on "The Unconscious Indifference of Christian Character."

The choir rendered special music including a solo by Mr. Fred Harris and a mixed quartette.

Mr. Liu accompanied Mr. Mack to his afternoon service at Pinedale where he was heard with great interest.

W. I. Meeting

The regular June meeting of the Bear River Women's Institute will be held Monday afternoon in the Masonic Reading Room and a full attendance is requested as matters of importance have to be decided.

YOUNG WOMEN SUFFER MOST

These Two Found Relief by
 Taking Lydia E. Pinkham's
 Vegetable Compound

Ayer's Cliff, Quebec. "I have been teaching for three years and at the end of the year I always feel tired and have no appetite. I was a full sick each month too, having pains in my back and sometimes I was obliged to stop working. A friend recommended Lydia E. Pinkham's Vegetable Compound to me and I heard many women telling how good it was so I thought it would help me. And it did. Now I take six bottles every year and recommend it to others." — DONALDA FANTEUX, Ayer's Cliff, Quebec.

"Unable to Work"
 Canning, Nova Scotia. "I had irregular periods and great suffering at those times, the pains causing vomiting and fainting. I was teaching school and often for some hours I would be unable to attend to my work. Through an advertisement in the papers I knew of Lydia E. Pinkham's Vegetable Compound, and it has been of great benefit to me, the troubles being completely relieved." — LAURA J. EATON, Canning, King's County, Nova Scotia.

Cook Vegetables by Steam
 Great doctors the world over agree on one thing anyway, and that is "If you want to be healthy, cook all vegetables by steam!" It's real advice.
 Steaming cooks the food and leaves all the health-giving contents unharmed. For health's sake there should be an SMP Vegetable Cooker in every pantry. Made of enduring, china-pure SMP Enamel Ware, by

Local and Personal

Marshall Taylor, of Moncton, spent several days in town last week.

Mrs. T. J. Guy was an over night guest recently of Mrs. Frank McNaught while en route from Clitham, N.B., to Schenectady, N.Y., where she will spend a month visiting her sister.

Mr. and Mrs. Ira McCormack are receiving congratulations on the birth of a daughter on Thursday.

Joseph Steadman, of Smith's Cove, was in town on business last Saturday.

Mrs. Reginald Benson arrived Friday and will spend a month at her home in Bear River.

We are sorry to report Mrs. Robert Benson on the sick list.

Mr. and Mrs. Patrick Doyle and family and Mrs. John DeVany, of Granville and Annapolis Royal, were motor visitors in town on Sunday calling on friends.

Miss Vivian Stevens returned home from Boston on Friday and will spend the summer with her father.

The Ladies Aid of the United Church met on Tuesday afternoon with Mrs. Maurice Benson.

Richard Baxter has accepted a position with the Metropolitan Life Insurance Company and will begin his duties on Monday June 6.

James Hubley and Carol Snell, students at Acadia arrived home last week.

S. Stevens went to Freeport on Friday to visit his father who is ill.

Walter Morine spent a few days last week with his family in Greenland.

Miss Lillian Barstow, of Halifax, and Hilton Page of Toronto, students attending the Student Christian Association Conference at Deep Brook, were tea guests of Rev. F.M. and Mrs. Milligan on Sunday.

Mr. and Mrs. H.C. Anthony and Billy, motored to Lawrenceton on Sunday.

Thos. Lynch, of Digby, was in town on Monday.

Dr. A.B. Campbell entertained a few gentlemen at "Bridge" on Thursday evening.

The Best Gift of All

As a reminder to folks away that those at home still think of them, and to take the place of a weekly letter, there is nothing like a year's subscription to the home County paper.

The Woman's Institute of Bear River is the Courier agent for subscriptions in the Bear River district, and all subscriptions may be handed to any member of the institute to be forwarded to the Courier.

The subscription price is \$2.00 per year, and for foreign addresses \$5c. must be added to cover postage at 1c. per copy.

Wilton Page and Maurice Armstrong motored from Deep Brook and called on Mrs. Milligan on Monday.

Mrs. Charlotte Hardwick, of Upper Clements, spent Monday with Mrs. Hubbard.

George Morine has purchased the Murray Aikman farm at Portpincourt Corner, and is moving this week. Mr. Morine's property has been purchased by Mr. and Mrs. B.C. Clarke. The house will be remodelled and used as an annex in connection with their summer hotel, "River View Lodge."

Miss Lottie Sails, of Annapolis Royal, is spending a few days with her sister Mrs. B.C. Clarke.

Mr. Rice, of Annapolis, Mr. and Mrs. Alfred Shortliffe, Miss Jessie Hooper, of Digby, and Miss Clara Sails, of Deep Brook, were the Sunday guests of Mr. and Mrs. B.C. Clarke.

The Ladies of the United Church held a Pottery and Apron Sale in Harris Bros. Sample Room Sat. May 28. The sum of \$14 was realized.

Mrs. E. Tupper has returned to her own home for the summer.

Mr. and Mrs. Ralph Dunn are being congratulated on the arrival of a son last Sunday morning.

Archie Darras had the misfortune of cutting his foot rather badly on Saturday at the mill at Clementsville.

The many friends of Miss Edith Lovett will be pleased to know that she has recently passed her examinations and been accepted as a nurse in training at the Roosevelt Hospital, New York.

Delegates to Student's Conference

The delegates to the Conference are as follows: University of New Brunswick, Mr. J. Scott, Fredericton; M. M. Phillips, Fredericton; A. E. Coughy, St. Andrews; Marjorie Marsereau and Catherine Jones, Fredericton; Mount Allison—Betty Ross, Edmundston; N. B. Betty Braine, Annapolis Royal; Leonard Bacon, Nappan Station; N. B. G. R. McCutcheon, Wolford; N. B. H. B. Tupper, Kingston; N. S. Agadia—Joan Wyse, Sidney; Marion Harlow, Truro; May Glenenden, Wolfville; Nancy Bowden, New Waterford; Mae Robbins, Mary Chase, Hazel E. Moffatt, S. B. Davidson, Yarmouth; W. E. Colpitts, Sonny Brae, N. B. R. W. Longley, Paradise, N. S. V. V. DeLong, Hampton, N. B. W. A. Black, Amherst; Harry Hill, Shubenubee, N. B. Prince of Wales College—Freely Sinclair, Charlottetown; Dalhousie—Janet S. Piggott, Margaret Covert, Lilian Barnstead, Pansy Vail, Owen Fraser, H. J. Hax, H. J. Williamson, Yarmouth. Adelaide Humphrey, H. A. Davidson, Middleton; W. J. Duchemin, Charlottetown; M. W. Webster, Halifax; James A. Fraser, Stellarton; Robert F. Ross, Sydney; P. L. H. Muschall, Halifax; Pine Hill Divinity Hall—F. J. Lugs, Toronto; J. S. Nickerson, Shelburne.

The Conference is being directed by Mr. Bruce Clark, General Secretary of the Canadian Student Christian Movement and Miss Gertrude Rutherford, Associate Secretary of the S. C. M. Mrs. Keirstead, of Fredericton, is the hostess. Other leaders are Professor H. L. Bronson, of Dalhousie University; Dr. John Line of Pine Hill Divinity Hall; Dr. Rutgers, of Toronto University; S. T. Liu of China; H. L. Hendrick of Geneva, Switzerland; and Miss Margaret Crisfield, Traveling Secretary of the Student Volunteer Movement of America; Murry Brooks, head of the Y. M. C. A. of Ceylon, who will this fall become the General Secretary of the S. C. M. of Canada, and E. M. Cumming, of Pine Hill, Maritime Secretary of the S. C. M.

Students Go On Pilgrimage

On Friday last the annual Ascension Day Pilgrimage of the students of St. Ann's College, Church Point, was made to Ed Brook, Yarmouth County, fifty miles distant.

At eight o'clock four trucks and some ten autos departed for Ed Brook. They were supposed to arrive there to have mass at ten o'clock. As the distance was long all were not able to reach there at the time required. So mass could only be celebrated at half past ten. Rev. Mgr. D. H. Comau, curate of Ed Brook, officiated. He was assisted by Rev. Father Louis LeBlanc, of Wedgeport, as deacon and by Father Louis Senechal, of Yarmouth, as sub-deacon. The college choir, under the direction of Father A. Leger, rendered the singing.

Dinner was served by the parishioners. Comic songs were sung, also several selections of laud were played. Vespers were sung at two o'clock. A sermon was delivered by Rev. Father M. J. LeBlanc, curate at Quinlan Yarmouth County.

Then there was the Benediction of the Blessed Sacrament.

Among the priests who assisted there those already mentioned were Rev. Father Joseph Sillet, Superior of St. Anne College; Father Bouvier, also of St. Anne College; Rev. O. L. Bellefleur, of East Pubnico; Rev. J. M. Comeau of West Pubnico; Rev. J. M. Deveau of Wedgeport; Rev. A. J. Maillet of Saint-Jovite; Rev. L. Schreiber, of Saultville and several others.

Here and There

Hamilton's air port comes into operation May 1st. The property used is four hundred acres in extent. A large hangar is being constructed and the old hangar on the property will be remodelled as an aviation boarding school.

Driven by over-population to eating bark of trees and seaweed from the ocean, the wild goats of Gaudaloupe Island are changing their habits and, in some respects, their form. They are learning to climb leaning frost in search of foliage.

According to recent game regulations in the Province of Alberta, prairie chicken, grouse, partridge, quail and lesser yellow legs, black breasted and golden plover, are now on the protected list, while the ban on Hamilton port does not apply to the North Saskatchewan River, has been lifted.

It has been announced by Premier Ferguson of Ontario, that the Government proposes to foster the creation of an industrial research institution with an endowment of \$200,000 for the purpose of solving scientific problems of production and process for Canadian industries.

While on a tour of the Maritimes recently, Dr. P. T. Wahlen, chief of the seed branch of the Department of Agriculture at Ottawa, was of the opinion that a great deal more of the seed used in those provinces should be grown on their own farms. The seed is very hardy, he declared, and with proper care, a market could be established in the northern states of the Union, and the crop profitably disposed of.

The versatility of the sealpaw was ably demonstrated recently. G. P. Tenness, a Swedish sea captain, with urgent business in Shanghai, was taken from the Canadian Pacific Toronto Express at Mission City, B.C., and rushed by sealpaw to the outer wharf at Vancouver, where he caught the flag-ship of the Canadian Pacific fleet, the "Empress of Canada" for the Orient. The sealpaw was landed on the Fraser River within easy reach of the depot.

The season for "bass" fishing in Ontario, with the exceptions of St. Lawrence and the Ottawa Rivers, has been closed for the year by about a fortnight, opening July 1, and ending November 20, according to information given out by the tourist department of the Canadian Pacific Railway. This action was taken by the Ontario Provincial Government when it was found out that bass had not finished spawning when the season opened June 16 in previous years. The same ruling applies to muskellunge fishing in Ontario this year.

Canada is pending increasing supplies of tobacco to the West of England, according to the Trade Commissioner of British Columbia. One organization has built a factory in Ontario, have their own buyers, and are packing the leaf, Canadian Bury, to suit the English trade. Consumers in England are getting used to Canadian tobacco, and with the Empire preferential duty, which amounts to 45 cents per pound less than the duty on foreign tobacco, increased quantities of Canadian Bury will find their way to the United Kingdom.

In token of the fact that this year is the Diamond Jubilee of Confederation in Canada, E. W. P. "The Christian and President of the Canadian Pacific Railway, has issued a personal invitation to Miss Lillian Carter, first daughter of Sir George Ethelbert Carter, one of the Fathers of Confederation, to take part in the trip over Canada, organized by the University of Montreal under the auspices of the Canadian Pacific, to begin in July. Miss Carter, who is in her 74th year, has never left her home in England, and she has been selected that she will meet Sir John A. MacDonald, son of Sir John A. MacDonald, another Father of Confederation, who is in his 84th year in Winnipeg.

Clean Kidneys By Drinking Lots of Water

Take Salts to Flush Kidneys If Bladder Bothers or Back Hurts

Eating too much rich food may produce kidney trouble in some form, says a well-known authority, because the acids created excite the kidneys. Then they become overworked, get sluggish, and then cause all sorts of distress, particularly backache and misery in the kidney region, rheumatic twinges, severe headaches, acid stomachs, constipation, torpid liver, sleeplessness, bladder and urinary irritation.

The moment your back hurts or kidneys aren't acting right, or if bladder bothers you, begin drinking lots of good water and also get about four ounces of Jad Salts from any good pharmacy; take a tablespoonful in a glass of water before breakfast for a few days and your kidneys may then act fine. This famous salt is made from the acid of grapes and lemon juice, combined with lithia, and has been used for years to flush clogged kidneys and stimulate them to activity; also to neutralize the acids in the system so that they no longer irritate, thus often relieving bladder disorders.

Jad Salts can not injure anyone; makes a delightful effervescent lithia-water drink which millions of men and women take now and then to help keep the kidneys and urinary organs clean, the often avoiding serious kidney disorders. By all means have your physician examine your kidneys at least twice a year.

About Hydro

Little River, N. S., May 31, 1927.

Editor of the Courier

Sir—May I venture a few questions bearing upon the subject of Hydro, for explanation thru your columns? Generally speaking, we people hereabout are very enthusiastic over the likelihood of enjoying all the wonderful advantages of electricity. I myself signed a petition to aid such a possibility and surely cannot picture a finer thing for Digby County by way of advancement. But since reading the Courier's account of the recent Council proceedings, several questions have arisen in my mind, which I would like to have explained away.

First, I notice that the village of Weymouth asks for a separate system of its own and the Council agrees to this, and votes that the Municipality come good for the \$8,000 necessary for this private system, together with the interest on this amount. We should like to ask why the village of Weymouth desires such a system. As I understand the main system provides continuous twenty-four hour service, what more can they desire, and what are the extra advantages to be thus gained? We people feel that we have a right to ask, since it's something that we are to help pay for. And provided there are some advantages to be obtained, why should the Municipality be obliged to pay for them? Wouldn't it seem that the village of Weymouth itself should provide for such extra expense?

Next I notice that the Council is authorized to borrow \$20,000 for the distribution of power throughout the Municipality. Next, that the Power Board is authorized to borrow \$50,000 for distribution down Digby Neck and the Islands. Don't Digby Neck and the Islands belong to the Municipality? Where are the \$20,000 voted for the Municipality to be placed? I understand that \$75,000 were borrowed in the beginning for the construction of the plant and main lines, and these main lines must run through many of the larger villages, those likely to be desiring service. Where then, are the extra \$20,000 to be expended if none of it is to be used in the Digby Neck construction? It hardly seems possible that it would cost \$20,000 more, for what extensions are likely to be made to the more outlying rural districts. But of course I'm possibly mistaken, perhaps these small outlying villages are all asking for service. But anyway Digby Neck comes good for \$50,000 and interest for a period of thirty years. We're not going to kick at that. We don't expect to get something for nothing, and we are willing to pay our share. But all the same time \$50,000 seems to us like a pretty good share, and we wonder why we must also help bear the extra expense of Weymouth's private system.

Now let us figure up the total amount of money to be borrowed, \$75,000 for plant, and main lines, plus \$50,000 for Digby Neck, plus \$20,000 for Municipality, plus \$8,000 for Weymouth, Total \$153,000. Isn't that a pretty round sum for a Municipality the size of ours to guarantee? Do you really think the Municipality can handle this amount and interest in thirty years along with all other expenses?

I understand that this is a self paying proposition. Again, I take it for granted that a certain part of the principal, plus interest, will be supposed to be paid in each year. Now supposing there should be a slump, and the yearly come-back from the users should fail to meet this required amount, by what means would the balance be raised? Would it not necessarily be raised by increased taxation? And would the non-users thus have their share of it to pay?

Will some person, as Mr. Boden for instance, be kind enough to explain these questions that are bothering us, in the next issue of the Courier? We would heartily appreciate the favor, as it would doubtless assist us to obtain a

clearer understanding of this important matter.

Thanking you, I am Respectfully yours, EMDEN F. TIBERT.

Freeport

Ralph Perry who has spent the last year with his mother, Mrs. Seretha Perry, leaves to day for New York.

Mrs. Walter Floyd, of Roxbury, Mass., and little daughter Virginia, arrived on Tuesday to spend a few weeks with her mother, who a short time ago had the misfortune to fall and break her ankle, and is still confined to the house, hope to see her out soon.

Samuel Stevens, of Bear River, is visiting his father who is in poor health.

Capt. Oscar Outhouse, of White Head was the week end guest of Mr. and Mrs. J. Stevens.

Mr. and Mrs. Gordon Titus and two children and Isaac Titus spent Sunday with friends at Westport.

Mr. and Mrs. Claire Whitte and son Russell was the guest of her parents, Mr. and Mrs. Ed. Sutherland, Peters Island.

Mr. and Mrs. Hartly Ellis and little daughter is spending their vacation with her parents, Mr. and Mrs. Esrom Thurber. They will return to their home in Saint John this week. We are glad to welcome old friends.

George Teed, of Montreal, is at the home of his parents, Mr. and Mrs. G. F. Teed for a short time.

Peter Titus, of Saint John, is a guest at the home of Mr. and Mrs. Otare Melanson.

Horace Churchill after spending a few months with his family has returned to New York.

Mrs. Sophia Cline and daughter Vivian, who have been visiting Mr. and Mrs. Maurice Cline for the past few months, were passengers today on the S. S. Keith Cann via Saint John to their home at Wilsons Beach.

Bay View

Vernon Everett, of Victoria Beach, spent last week with his grandparents at Point Prim.

Mr. and Mrs. Maurice Condon and family of Kentville, were the week end guests of Mr. Condon's mother, Mrs. Laleah Condon.

Mrs. Everett Ritey, of Halifax, has been the guest of her parents, Mr. and Mrs. James E. Ellis. She returned to her home on Tuesday.

The many friends of Miss Miriam Turnbull will be glad to know that she is getting along so well after undergoing an operation for appendicitis on May 25th in the Digby General Hospital.

Obituary

MRS. CURTIS L. DENTON

After a long and painful illness cheerfully borne, there passed away at her home in Little River on Friday May 27th, Lila Olivia, wife of Curtis L. Denton, at the age of thirty eight years.

The deceased was the daughter of Mr. and Mrs. Asby Hutchinson of Bridgetown. The occasion was made doubly sad for the family by the passing away of a little daughter Norma, three months before. But the spirit of the little child remained with the mother and greatly sustained her. Her last words were, "I shall soon be with Norma."

She leaves a sorrowing husband, four daughters, Louise, Pauline, Mary and Hattie, two little sons, Russell and Bradford at Little River, her parents and two brothers, John and Bradford all of Bridgetown.

The funeral services were held on Sunday May 29th, Rev. I. D. Harvey officiating. The choir sang "In the Shadow of His Wings" and "Sometime We'll Understand."

Weymouth North

Miss Clara Hankinson was a passenger to Digby on Tuesday having accepted a position at Lour Lodge for the summer.

Mrs. W. C. Hankinson and son William arrived home from Wolfville on Thursday.

Mrs. A. C. Smith returned on Saturday from a visit to her home in St. John.

Mrs. Alfred Johnson is visiting relatives in the United States.

Frank Tooney spent the week end with his wife and family in this place.

Mrs. Emmaline Skidmore and the Misses Annie Simmonds and Rosa Jones left on Saturday for a motor trip to Sydney.

The C.G.I.T. met at the home of Miss Mable Fabio on Friday evening.

Mr. and Mrs. Reginald Nilson and family moved to Kentville on Friday where they intend spending the summer.

Mr. Nilson having sold his home here to Capt. Arthur Moore.

Mrs. G. W. Brooks has returned home from a trip to the United States.

The W.M.A.S. of the Baptist church met with Mrs. Joseph Cornwall on Tuesday.

Culloden

Arnold Turnbull, of Bay View, spent Sunday with Mr. and Mrs. Newton Ross.

Mr. and Mrs. Charles VanTastell, of Digby, spent a few days with relatives in this place.

Rev. Mr. Bryant, of Sandy Cove, preached in the United Church here on Sunday.

Mrs. Otis Middleton and Miss Rhoda Handsaker, of this place and Mrs. Nelson Rowe, of Gloucester, and Mrs. Lilly Warner, of Wellington, Mass., spent Monday with relatives in Bay View.

Mr. Bryant and Reginald Sypher, of Sandy Cove and R. C. Smallie, of Digby, were guests at the Sea View Cottage for dinner on Sunday.

Miss Hilda Daley spent last week in Digby with her aunt, Mrs. Bernard Cosca's home.

Mr. and Mrs. Valentine Pulley, of Mt. Pleasant, spent Sunday with Mr. and Mrs. Emdon Stark.

Miss Hilda Stark spent last week in Digby with her grandparents, Mr. and Mrs. Edward Campbell.

Miss Kate VanTastell, of Mount Pleasant, was the guest of Mr. and Mrs. Burton Stark on Sunday.

Miss Giddie Stark spent last week with her aunt, Mrs. Valentine Pulley, Mount Pleasant.

Corberrie

Among the recent visitors here were the Rev. Sisters Eugenie, Madeline, and Ursula and the pupils of St. Mary's School, Church Point.

Dr. and Mrs. Thomas Melanson, of Yarmouth, spent the 24th with friends here.

Mr. and Mrs. Boyd, of Meteghan River, accompanied by Rethel LeBlanc of Little Brook, were here on a fishing trip one day last week.

Rev. D. C. Melanson, of East Chzebecoek, Halifax, Co., is at present visiting relatives here.

Pierre Comeau and Ira Gaudet, of Lower Concession, are working with Augustine Lombard.

Mr. and Mrs. Armand Saulnier, Mrs. Charles Blinn and her daughters Josephine, Emilie and Rose motored to St. Joseph on Sunday and spent the evening with Mr. and Mrs. Antoine Comeau.

Ephraim Gaudet and Louis H. Melanson were in Weymouth on Wednesday night.

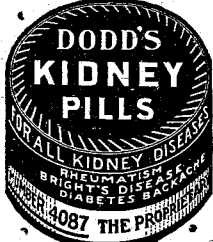

Mr. and Mrs. Frank Blinn and family motored to New Edinburgh on Sunday to spend the day with Mrs. Blinn's parents, Mr. and Mrs. Robert Doucet.

Congratulations to Mr. and Mrs. Roger Melanson on the arrival of a baby girl.

CARD OF THANKS

For myself, my family, and the family of my deceased wife I wish hereby to express the sincerest thanks for the many acts of kindness and expressions of sympathy shown during the short illness and death of my daughter Norma some twelve weeks ago and through the long and very trying illness of my wife, Lila Olivia Denton which ended in her death on May 27th.

Male Choir of Yarmouth Church Sings at Trinity

Church Digby Continued from page 2

Following the 119th Psalm, the preacher discussed the ritual of certain of the celebrations in the Temple, of how at certain times the sons of the Levites were permitted to assist in song in the service and pointing out the particular emphasis placed on song worship by the ancient Jews.

These Psalms of Ascent were sung on the return of the Children of Israel from the Babylonian captivity; They were their sacrifice of praise that they were again to see the Holy City wherein lay the Temple where sacrifices could be made in performance of their religious duties. This feeling of sentiment, of considering one place as hallowed was equally strong in modern times. Tradition and association had set aside in the hearts of men certain places as being hallowed. The land of Palestine was still the "Holy Land". In old lands tradition and association had set aside certain parts, certain buildings as having a hallowed significance, and the same was not wanting in the comparatively new country in which we live. Those who had assisted in the erection of Trinity church, who had been present at its consecration and who within its walls had seen their loved ones receive the Sacraments of Baptism of Confirmation and Matrimony and whose dead had been borne from the church to their last resting place on earth, must hold in their hearts a feeling of reverence for the Holy place.

The coming of Christianity had made open to all men the worship of God in freedom without restriction of cast or race, and all could say in their hearts the words of the Psalmist, "I was glad when they said unto me—Let us go up into the House of the Lord."

The members of the choir were as follows:

Trebles
Maurand Baker
Farish Baker
Donald Chipman
Eric Crosby
Frank Crowell
Lloyd Crowell
Ronald Fraser
Gerald Haslam
Horace Porter
Walter Quickfield
Edward Watkins
Alto
Mr. G. R. Wilson
Tenors
Mr. A. H. Hood

Mr. S. C. Hood Jr.
Bass
Mr. H. Crosby
Mr. R. Fream
Dr. H. DeWolfe
Organist and Choir Master
Mr. Penn Spitzer

Arriving in the afternoon the choir held a short practice in the church and at tea time were the guests of Trinity Church at supper at Mrs. Dexter's Mount St.

The Annual Conference of the Adventist Church will take place (D. V.) June 23, holding over the following Sunday. The names of the ministers will be announced later.

HEADQUARTERS IN HALIFAX

Confederation And After—Sixty Years of Progress

JOSEPH HOWE

Principal G. M. Grant in one of his inspired moments spoke of Joseph Howe as "Nova Scotia incarnate"—to Howe his province and his people were everything.

This Canadian statesman was born in Halifax on December 13, 1804. His father, a United Empire Loyalist after the American Revolution came to Halifax, where he established a newspaper. His son had little chance of regular schooling but was carefully trained by his father. At thirteen Howe was apprenticed to the printing trade and ten years later purchased an interest in the Weekly Chronicle, renamed the Acadian. A year later he sold his interest in this paper and purchased the Nova Scotian, which, under his able editorship, became a power in the social, political, and literary life of his province.

Early in life he began the battle for responsible government, the same battle against a "Family Compact" that Mackenzie and Papineau were waging in the Canadas. He won his battle, and that with never a thought of rebellion or resort to arms.

He was a graceful poet, a brilliant prose writer, a powerful orator, and a statesman in the broadest sense of the word. As an orator, it is doubtful if he has ever been excelled in the Dominion, and his platform power, combined with his ably conducted newspaper, placed Nova Scotia in the hollow of his hand.

In 1836 he was elected to the Assembly, and at once took rank as the leader of the people's party. His work for responsible government in the Assembly and in his brilliant letters to the Colonial Secretary ultimately won the day, and in 1847, largely due to his efforts, a full measure for respon-

sible government was granted his province.

He had long visioned a union of the British North American provinces and worked earnestly for the construction of an intercolonial railway as the necessary step towards this end. Meanwhile, he had held the important office of Speaker of the Assembly, Provincial Secretary, Commissioner of Railways, and finally provincial Premier. In 1863 he retired from office to take the position of Fisheries Commissioner. This was unfortunate. He was not on the ground when the Maritime Union Convention was held at Charlottetown, or when the Quebec Confederation Convention consummated the name of the British North American provinces. When he returned to Nova Scotia, he joined forces with the anti-Confederates, becoming their leader. He did this not from any change of heart. He feared, and not without reason, that the Maritime Provinces would be completely overshadowed by the Upper Provinces. He vigorously opposed the scheme and fought for the repeal of the Union, by his energy, magnetism, and great oratorical gifts, causing the election of an almost solid representation against Confederation to the Provincial and Federal Parliaments. He carried the fight to London, but when he saw how hopeless it was, accepted the situation, but not until better terms were granted his province. Thus in sense, he won his battle. He was persuaded to enter the Cabinet of Sir John A. Macdonald and held several important portfolios. In May, 1873, he was appointed Lieutenant Governor of Nova Scotia. On June 1 of the same year, the city of Halifax and the province were stunned with the news that the greatest of Nova Scotia's sons had died. There was deep sorrow throughout the land, even those who looked upon him as a deserter forgetting their differences and joining in the general mourning.

Eastern Conference of Student Christian Movement Opens at Deep Brook

Amid the beautiful surroundings of the Dittmars' Seabreeze Hotel at Deep Brook with its excellent accommodations for study, recreation and community enjoyment of all the pleasures of life the Eastern Conference of the Student Christian Movement opened on Thursday afternoon of last week. The first day's registration totalled fifty-two students and teachers, the latter coming from all parts of the world to conduct the instruction courses.

By Monday upwards of eighty were expected at the conference which closes today.

Among those present are: E. H. Clarke, General Secretary, of Toronto; his assistant, Miss Gertrude L. Rutherford; Henry Lewis Herriot, Geneva, Switzerland; Marjory T. Brooks, Ceylon; Miss Margaret Crutchfield, Swickley, Ohio; Rev. F. J. Moore of the University of Toronto; Dr. E. E. Rutgers, Deingerga Holland; C. H. H. Lowden, Utrecht, Holland; Mrs. Gertrude L. Kierstead, Fredericton. Mrs. Kierstead is hostess of the Conference.

The opening session was held on Wednesday afternoon when Miss Rutherford conducted the organization of the sessions, arranging for periods of study and recreation. In the evening Rev. F. J. Moore conducted the meeting, his address being "What is Religion?"

Friday morning there was group study of the Life of Jesus, the groups being in charge of Dr. Line, of Pine Hill, Halifax; Rev. Moore, Professor Brown, instructor in Physics at Dalhousie and Mr. Clarke.

In the afternoon a hiking party to Clementsvale occupied the attention of most of the students, while others wandered up and down the shore front of the Sea Breeze grounds, exploring its beauties.

The general arrangement of the conference is that classes will be held in the mornings and evenings, leaving the afternoons for recreation. The delegates are housed in the cabins of the summer colony, while the meals being served in the central dining hall. The sessions are held in the community hall. Altogether the Conference is being held in ideal location, with every opportunity for enjoyment of the beauties of nature along the Annapolis Basin.

Agricultural Demonstration Train

The Canadian National Railways have just finished the work of fitting out the cars which are to compose this train and for compactness of space and suitability for the purpose intended they are marvels of ingenuity.

There will be eight cars in the train all told; the first car will contain a seed-cleaning exhibit; the second will carry supplies and has been equipped with a gasoline driven electric generator for supplying electricity for lighting the train; the third is for display of dairy cattle and sheep, being fitted with two pens for cattle and four for sheep. The fourth car contains an exhibit showing the various classes of feeds and fertilizers. The sixth car will house the dairy and poultry exhibits and the seventh is devoted to the interests of the Women's Institute and Public Health. The eighth car contains the living quarters of the experts and demonstrators who will travel with the train.

A train of this class is of inestimable value in promoting the welfare of the agricultural industry of the province, being practically an agricultural college on wheels. It will bring to the farmers expert advice and demonstrate advance methods in growing crops and the breeding and care of farm animals such as cattle, sheep, swine, etc., also with regard to dairy products.

Those who originated the idea deserve great praise, and it is one that should result to Nova Scotia becoming one of the most advanced of the Maritime Provinces in the matter of agriculture.

More Brush Fire Cases Tried in Digby

Joseph Trask, Little River, charged before Stipendiary Magistrate Taylor with having set a fire near standing forests without a permit, was on Friday convicted of violation of the Lands and Forests Act and fined fifty dollars and four dollars costs.

The information was laid before Magistrate Taylor on Monday by provincial Constable Wm. Chandler, on Special duty with the Lands and Forests department. At the preliminary hearing Trask entered a plea of Not Guilty, which was on Friday withdrawn.

The fire was set after April 15th the last day when fires are permitted without a permit, and spreading burned over a considerable green woods.

Charles Peters, Centreville, also contributed fifty. Charged on Monday with setting two fires, one in the latter part of April and one on May 20th, he entered a plea of not guilty. Friday the plea was withdrawn and a plea of guilty entered. The minimum fine was imposed.

Maynard Cossaboom, Lakeside also before the Stipendiary on a charge of violation of the Lands and Forests Act, was dismissed.

The three cases were conducted for the department by Provincial Constable Chandler. Mr. Cossaboom was represented by Mr. Frank Nichols.

Ninety Dollars for The V. O. N.

The ladies who conducted the V. O. N. Rummage Sale, which took the form of an auction at Robinson's Spa, report most satisfactory results from the affair.

The contributions included a host of articles of all descriptions and the auctioneer, Mr. Fred Robinson was kept busy from the opening taking bids.

Ninety dollars were realized, a decidedly creditable reward for the efforts of the ladies and all purchasers got good value for their money.

Chief Fire Ranger E. B. Ritchie of Yarmouth, was in Digby Friday enroute to Annapolis and Kentville to make an inspection of locomotives of the Dominion Atlantic Railway systems.

Deep Brook

Mrs. F. W. Rice has returned home from Central Falls, R. I., where she has been spending the winter with her sister, Miss Blanche Spurr.

Miss Margaret Jones and friend, Mrs. Roberts of Boston arrived here on Friday. Miss Jones will occupy her bungalow for the summer.

Miss Harriet Spurr of Annapolis was a recent guest of Mrs. F. W. Rice.

Gilbert Potter of Clementsvale has recently bought the property owned and formerly occupied by J. F. McLeod.

Rev. W. C. Hisher, Mrs. Hisher and delegates from the Baptist church attended the Quarterly meetings at Centreville on Tuesday.

Mr. and Mrs. Avaril Burrell attended the closing exercises at Acadia Seminary returning home on Tuesday, accompanied by their daughter, Wanda, who was graduated from the Seminary.

Carol Snell of Acadia University is the guest of Mrs. L. R. Sherman for a few weeks. His many friends will be pleased to know that he has been awarded a \$50.00 scholarship for having the highest average in the Freshmen year 1925-26.

To Find out if you need Dr. Chase's Nerve Food.—A study of these symptoms will enable you to decide.

This blood and nerve restorative was devised for use in two great classes of diseases, one of which usually develops from the onset of Anemia or bloodlessness, and Nervous Exhaustion. If the blood is thin and watery, and is aggravated by palor of the face, and some form of nervous ailment, you will find in Dr. Chase's Nerve Food the most restorative of blood and restoration. Some of the symptoms and ailments which sometimes this leading agent:

Thin blood, pallor of face, and general, tired feeling, loss of energy and ambition, tendency to fear and anxiety, loss of breath and easily fatigued, weak heart action, loss of flesh and weight, neurasthenia, nervous prostration, nervous headache, indigestion, dizziness, irritability, nervousness, twitching of nerves and muscles, sensitiveness to sound and light, glowing forehead, loss of memory, inability to concentrate the mind.

Dr. Chase's Nerve Food is easily the greatest of restoratives. By forming new red corpuscles in the blood this food treatment nourishes the starved and depleted nervous back to health and vigor. Try it when you are run down and out of sorts. It will restore vigor and energy and make you feel that life is worth living.

Dr. Chase's Nerve Food, 60 Cents per box, all dealers, or The Dr. A. W. Chase Medicine Co., Limited, Toronto, Canada.

Robinson Plant at Gulliver's Busy

Curing of Cod Fillets is the chief run at E. M. Robinson's fish plant at Gulliver's Cove. On Tuesday 2500 lbs of fine fillets were packed, being the largest days work of the season. The run of codfish along the Cove is very good this year.

Local and Personal

Among visitors to Digby this week was Mr. Curless L. Denton of Little River

Mrs. Ernest Denton, of Little River who has been visiting friends in Digby returned home yesterday.

KAYSER SILK HOSE AT WRIGHT'S

Miss Beatrice Nute of Little River is a patient at the Digby General Hospital, where she is making fair progress under a course of treatment.

Mrs. Howard Franklin, who has been in attendance on her aunt, Mrs. Julia Brown of Parrsboro, who has been seriously ill, has returned to Digby. Mrs. Brown is now nearly recovered.

Mrs. Carmon Langille, of Halifax where Mr. Langille is an architect on the staff of the Brookfield Construction Co., was the guest this week of Mrs. Dalton McKinnon.

BLAZER COATS AT WRIGHT'S

Dr. W. F. Read has returned from a visit to Boston where he has been attending specialist clinics in eye, ear, nose and throat.

Mrs. John D. Piper of West Orange, New Jersey, and Miss May Letteney, R. N., of Boston Mass., are visiting their parents, Mr. and Mrs. Geo. R. Letteney.

Mr. Carl Tibert, former accountant at the Bank of Nova Scotia, branch at Digby, who was transferred to the Pictou branch last year, has again been moved to the bank branch at Kentville.

Mrs. Paul Yates left this week on a visit to friends in Boston. She was accompanied by Mr. Yates' son, Paul Jr.

Mr. Raymond Neily, who was recently transferred from the Bank of Nova Scotia branch here to Perth, New Brunswick, was a visitor in Digby on Tuesday, en route to his home in Caledonia.

Miss Gulliver, V. O. N. Nurse, left this week on her vacation. She is being relieved by Miss Helen Blackford, R. N. of Tiverton.

DIGBY CLUB COATS AT WRIGHT'S

The Waverly Hotel is in the hands of the decorators, being put through its Spring Cleaning paces in preparation for the summer tourist rush. Among the visitors who will come to the Waverly for the summer are Mr. and Mrs. Usher, of Hamilton, Bermuda and Mr. and Mrs. William Wilson of New York.

Work of altering the Bowling Academy to prepare for the opening of a tea room and dancing casino is in the hands of the carpenters. The new pleasure resort will open as soon as alterations are completed with the Moonlanders Orchestra playing for the first dance. The dancing floor will be 23 by 60 feet, with accommodation for over three hundred couples.

The Ladies Hospital Aid wishes to thank all those who contributed in the recent collection of membership fees. The sum of \$105 has been received to date with some districts yet to report. Further acknowledgment will be made next week. Thanks are also extended to the ladies who canvassed the different sections of the town.

Haddock Plentiful in St. Mary's Bay

Curtis Denton, of Little River, was a visitor in Digby this week and talking with the Courier said that the fishing is getting better. The usual spring run of haddock in St. Mary's Bay struck in at about the usual time and the fishermen are getting good catches.

Home For The Summer.

Miss Edith Shreve, assistant librarian at Dalhousie University, Halifax returned home on Wednesday for the summer. She is the guest of her mother, Mrs. T. C. Shreve.

No Close Season for Scallops Fishing Beyond Three Mile Limit

Advices have been received from Ottawa that there will be no close season restrictions placed on the scallop fleets operating out of Digby in territorial waters. The matter has been looked into by the department at the suggestion of several scallop fishermen and it has been decided that no closed season is necessary.

The Courier is advised by practical fishermen that bad weather is sufficient "close season" to prevent the extermination of the scallops, and the seasonal scarcity is due not to depletion, but to the changing of the beds. With the approach of warm weather the bed colonies tend to scatter and only by following them on their migrations it is possible to maintain high catches. It is suggested that a scout dragger might be employed to keep track of the beds, much as the mackerel scouts operate along the Atlantic shore, excepting that a smaller boat would be able to do the work and results would be more certain. The suggestion seems a good one. According to authority the Nova Scotia coast is practically surrounded by an almost continuous bed of scallops and by prospecting with a dragger it would be possible at all times to keep the fleets operating on the beds.

District Rebekah Lodge Will Meet Here Monday Night

District Rebekah Lodge, comprising the Rebekah Lodges of Annapolis and Digby Counties will meet in Digby on the afternoon and evening of Monday, June 13th, holding sessions in the lodge rooms in the Oddfellows Hall. The visitors will be entertained at supper at six o'clock by the members of Zelma Lodge and after the conclusion of the evening session refreshments will be served.

The lodges in the districts are: Autumn Leaf, Bridgetown Unity, Annapolis Elita, Bear River Sunset, Westport Fair Isle, Freepport Olive Branch, Weymouth Zelma, Digby.

Mrs. George Peters, of Zelma Lodge is district President and other district officers are: Mrs. Elizabeth Bath, of Autumn Leaf Lodge, Vice President and Mrs. B. Roney, of Zelma, Secretary Treasurer.

Do You Read The Advertisements

The editor feels that no more important work can be carried on by a newspaper than to keep readers posted on price changes and money saving opportunities. This week we have come close to our idea of what a newspaper should do. Mr. H.T. Warne's announcement of the advances in the prices of flour, corn meal and shingles is a matter of general interest, and when coupled with that is the announcement that while present stocks last the old prices will prevail, — well any buyer of angles, or corn meal, or flour, gets his or her money's worth of the Courier in a single advertisement.

People who are unaware of the business done in Digby will be surprised to learn that one merchant buys 6 cars of flour and 22 cars of corn meal in one order. As for half a million shingles, its enough to shingle all the roofs in the county, almost.

If any one tells you there is no business being done in Digby just read him Warne's Ad.

SILK LINGERIE AT WRIGHT'S.

Mr. Glenn MacNutt of Boston, arrived on Tuesday to spend his vacation with his parents, Mr. and Mrs. G. R. MacNutt Sydney Street, he will be home for two months.

Mr. and Mrs. Ward Hazen, of Yarmouth and Mr. and Mrs. R. H. Lockwood of Digby, motored to Kentville last Friday to attend the Royal Bank Staff convention held there on that date.

The Degree staff of King Solomon's Lodge A. F. & M. of Digby paid a fraternal visit to the Keith Lodge, Bear River on Monday night and conferred the 14th degree on a class of candidates. W. M. C. E. Armstrong of King Solomon's Lodge led the degree staff. Following the completion of the work the visiting brethren were entertained most royally by the Bear River Masons.

Joseph A. Murdoch, Deputy Grand Master, I. O. O. F. will pay an official visit to St. George's Lodge this evening, and a large attendance is expected.

Special Notice

I am pleased to inform my customers and the public generally, that I have been very fortunate in securing the services of Mr. William Kaiser, the renowned hand sewed workman, who is no stranger to a number of Digby people as he formerly worked here some years ago.

Lots of people who wear fine footwear object to have the taps nailed on, but would rather pay the difference in cost and have them sewed on, clearly showing that they belong to the wise ones the best is none to good for them.

My desire is to keep up the reputation of this shop as formerly run by Mr. C. H. Holdsworth for a long number of years, using good stock and findings, and above all first class workmanship.

Herbert Comau

Will be sold at a bargain to make room for premises. Inspection at ART'S SPA, Digby.

Agricultural Demonstration Train Visited by Large Number at Each Stop

On Monday and Tuesday of this week the Agricultural Demonstration Train, a joint endeavor of the Provincial Department of Natural Resources, the Federal Department of Agriculture, and the Dominion Atlantic and Louisburg Railway system, made six stops in that section of the province, at Clements, port, Bear River Station, Digby, North Range, Weymouth and Church Point, serving large numbers at each stopping point and being a most instructive and interesting opportunity to learn the fine points of modern methods of the agricultural industry of the province.

While the ladies were naturally most interested in the Public Health and Women's Institutes department they were also inquirers into all that appertains to all branches of agricultural life and their anxiety to learn the best ways of increasing revenues from dairying and poultry keeping were of themselves sufficient to warrant for next year an extra train and longer stops at each point.

At Digby Tuesday night the train was visited by many from out of town as well as townspeople, and not at least interested were several summer visitors who seemed eager to learn the method by which the province proposes to further develop its natural industries.

To one whose business brings him in contact with the merchandises on shelves of every kind of the exhibits of Nova Scotia manufactured and prepared food stuffs seemed a revelation to all who in buying for their households are as quick to ask for foreign goods as for domestic, perhaps quicker. The exhibits were excellent in bringing to the attention of users the number and variety of products which Nova Scotia produces and it may be hoped that some good will result also from this feature of the train.

The train is in charge of Prof. F. L. Fuller, Superintendent of Exhibits.

Continued on page 5

Bird Lecture Today

A most interesting lecture, illustrated with lantern slides and Motion pictures is promised for today under the auspices of the Victorian Order of Nurses, when Mr. R. W. Tufts, Inspector of Migratory Birds, will give a lecture on Bird Life in the Bijou Dream Theater. The habits and identification of bird life is an interesting study and the lecture is one which should receive a large attendance. To assist the purposes of the Victorian Order a silver collection will be taken.

A Welcome in Flowers

On Friday last, the King's Birthday, the links were well patronized, the roads filled with motoring parties and on all sides people were out to enjoy the holiday.

Combining recreation with good works Town Clerk Boden spent the morning fixing up the flower plot in front of the Soldier's Monument laying it out for the summer. The design chosen is a motto of welcome to the many visitors who delight to rest on the seats along the plot enjoying the view and the sea breezes. Mr. Boden believes in "Saying it with flowers" and has laid out the garden in accordance with this idea. When nature has done her share of the work the words "Digby Welcomes You" will catch the eye of visitors, a most graceful expression of the pleasure we have, all of us, in the coming of visitors to enjoy our summer pleasures.

Along the seaward side of the plot has been set out a row of Dahlias gift of Mr. Henry Fox the gardener of Mr. Justice Harris' beautiful home at Annapolis, while at the ends banks of calendulas enclose the motto of which the words Digby and You are planted in lobelias and the Welcome in candytuft. Along the inside rail nasturtiums have been planted and the garden lover can easily picture how delightful the plot will be when all are in full bloom.

Variety Sale and Collection Helps Hospital Funds

The Ladies Hospital Aid reports a total of \$83.50 received from the Variety Sale together with several articles forwarded to the Hospital in the drawing for the doll. Mrs. H. Anderson held the lucky ticket No. 71. Mrs. A. E. Dickson was the winner of the vacuum cleaner with ticket No. 1.

Since last reporting, five dollars has been added to the receipts from the collection making a total of \$110.00 with more still expected.

On Wednesday of this week the Hospital Circle met in the room over Mr. Shindler's store, the topic of which has been kindly given for dressing the dolls for the Bazaar. It has been decided to meet there every Wednesday at 3 p. m. and all are invited to come to assist in sewing or for the afternoon tea which is served.

Mrs. Ingram Smith is of Sandy Cove visiting her daughter, Mrs. H. E. Jones, Montserrat Row.

It Thompson of the Royal Bank of Canada main office at Montreal and Mr. B. Wilson of the Halifax branch were guests this week of Mr. and Mrs. R. H. Duck.

Mrs. L. M. Peters of Yarmouth, N.B. was the guest on Friday last of her sister Mrs. DuVerney, while enroute to her home from the Eastern Conference of the Student Christian Movement which included the session at Brook Brook on Friday. Miss Peters was a delegate to the Conference from the Women's Auxiliary of New Brunswick.

THE DIGBY WEEKLY COURIER.

An Independent Newspaper devoted to the interests of the town of Digby and surrounding country.

PUBLISHED EVERY FRIDAY BY THE DIGBY PRINTING AND PUBLISHING CO., LTD.

The Courier cannot accept cheques on outside banks in payment of subscription unless exchange is added, or cheque made payable at par in Digby. Kindly send money order or postal note.

Every advance notice of any kind where the object is the benefit or convenience of any person or number of persons is advertising, and will be treated by The Courier as such. If no instructions accompany the notice, advising us to whom to charge, it will be charged to the person phoning or sending it in.

ROBERT C. MILLS
Managing Editor

FRIDAY JUNE 10, 1927

Mr. Tibert's Questions Answered

In a letter to the Editor in last week's issue of the Courier Mr. Emden Tibert, of Little River asked a series of questions concerning hydro, its development, its system of financing and its possibilities for drain

upon the taxed resources of the municipality. The letter is republished herewith, together with such replies as will, it is hoped, remove from the minds of many who have like Mr. Tibert, been wondering about what it all means and where the Municipality fits in connection with the development.

Believing that a series of questions and answers will best convey the information Mr. Tibert seeks the subject is dealt with in such manner.

First, I notice that the village of Weymouth asks for a separate system of its own and the Council agrees to this, and votes that the Municipality come good for the \$8,000 necessary for this private system, together with the interest on this amount. We should like to ask why the village of Weymouth desires such a system. As I understand the main system provides continuous twenty-four hour service, what more can they desire, and what are the extra advantages to be thus gained? We people feel that we have a right to ask, since it's something that we are to help pay for. And provided there are some advantages to be obtained, why should the Municipality be obliged to pay for them? Wouldn't it seem that the village of Weymouth itself should provide for such extra expense?

Under the provisions of the "Village Supply Act" sections of municipalities which are not incorporated as towns may elect or appoint a group of Commissioners and by majority vote of the ratepayers of the section or village may empower their Commissioners to construct, purchase or otherwise acquire any machinery, utility or public convenience which will benefit the community, the same to be paid for by issue of debentures or bonds, approved by the Lieutenant Governor in Council under the provisions of this Act the Village of Weymouth has purchased fire equipment, made several improvements in their community and lately has issued debentures for a sum to cover the installation of a distribution system for their electric service. They have not a separate system but only a local distribution system. These bonds, as all bonds issued by the Village of Weymouth, are endorsed by the Municipal Council and it is this which is referred to by Mr. Tibert in his letter. The Municipality could not be called upon to pay, principal or interest on these bonds until after every property in the Village of Weymouth had been sold to raise the amount required. To cover these improvements the Village of Weymouth residents pay a special tax of one and one half per cent to provide these advantages for themselves.

Next I notice that the Council is authorized to borrow \$20,000 for the distribution of power throughout the Municipality. Next, that the Power Board is authorized to borrow \$50,000 for distribution down Digby Neck and the Islands. Don't Digby Neck and the Islands belong to the Municipality? Where are the \$20,000 voted for the Municipality to be placed? I understand that \$75,000 were borrowed in the beginning for the construction of the plant and main lines, and these main lines must run through many of the larger villages, those likely to be desiring service. Where then, are the extra \$20,000 to be expended if none of it is to be used in the Digby Neck construction? It hardly seems possible that it would cost \$20,000 more, for what extensions are likely to be made to the more outlying rural districts. But of course I'm possibly mistaken, perhaps these small outlying villages are all asking for service. But anyway Digby Neck comes good for \$50,000 and interest for a period of thirty years. We're not going to kick at that. We don't expect to get something for nothing, and we are willing to pay our share. But all the same time \$50,000 seems to us like a pretty good share, and we wonder why we must also help bear the extra expense of Weymouth's private system.

In order to save time and money the Power Board as retail dealer to small groups of users, such as Barton, Plympton, Smith's Cove, erects distribution systems. For this they require not more than \$20,000 as is used for this purpose will be raised. If this was not done and the Council did not authorize the borrowing, each small community, each group of people who wanted to use Hydro would have to apply under the provisions of the Village Improvement Act and spend money on securing special legislation. To relieve them of this the Power Board is acting as a retailer, and the rate to users in rural districts provides for revenues to cover the cost of these distribution systems.

The \$50,000 authorized to be expended down Digby Neck is for construction of main transmission lines and distribution services as well, which places Digby Neck in the same position as the rural sections across the St. Mary's Bay. The estimated cost of constructing main lines down Digby Neck is \$50,000 for 40 miles. The cost of the same mileage from Weymouth to Bear River, including the rural distribution services was upwards of \$70,000. And Digby Neck does not "come good" for \$50,000, but the whole Municipality guarantees the Bonds of the Power Board for the whole amount.

Now let us figure up the total amount of money to be borrowed, \$75,000 for plant and main lines, plus \$50,000 for Digby Neck, plus \$20,000 for Municipality, plus \$8,000 for Weymouth, Total \$153,000. Isn't that a pretty round sum for a Municipality the size of ours

to guarantee? Do you really think the Municipality can handle this amount and interest in thirty years along with all other expenses?

I understand that this is a self paying proposition. Again, I take it for granted that a certain part of the principal, plus interest, will be supposed to be paid in each year. Now supposing there should be a

SHERIFF'S SALE

IN THE COUNTY COURT
For District No. 3

BETWEEN:
PETER LEBLANC Plaintiff

LEONARD MALLETT Defendant

TO BE SOLD AT PUBLIC AUCTION by the Sheriff for the County of Digby at the Court House at Digby Nova Scotia, on

Tuesday, the 12th day of July, A. D. 1927.

at eleven o'clock a. m. under execution issued on a judgment recovered by the Plaintiff herein against the Defendant herein on the 26th day of May A. D. 1926, and duly registered in the Registry of Deeds at Weymouth in the County of Digby on the 28th day of May 1926, unless before the day of the sale the amount due the Plaintiff herein with costs and expenses shall be paid to the Plaintiff or his solicitor.

All the estate, right, title, interest, claim, property and demand of the herein Defendant, Leonard Mallett and of all persons claiming or entitled by, from or under him at the date of the judgment herein, and at any time since, of, in, to and out of

(1) All that certain lot, piece or parcel of land situate, lying and being at Salmon River in the County of Digby near the corner of Pleasant Cove Road and bounded and described as follows: On the East by lands of Timothy Melanson on the South by lands of Oliver Deveau, West by the Post Road; North by lands of Robert Deveau and Simon Deveau and being the home stead premises of the late Archange M. Deveau.

(2) All that certain lot, piece or parcel of land being at the rear of Salmon River aforesaid and bounded and described as follows: On the East by lands of Philip Deveau, on the South by the cross-road, on the West by lands formerly owned by Nathaniel Powers and on the North by lands of the heirs of the late Thomas Foley.

(3) All that certain lot, piece or parcel of land situate lying and being at Salmon River aforesaid, bounded on the west by the Post Road; on the North by lands formerly owned by Catherine Couture; on the East by Barrens; on the south by lands of the late Michael Deveau.

The said three above described lots being part of the land conveyed to the said Leonard Mallett by Archange M. Deveau and wife by Deed dated the 2nd of March A. D. 1926 and duly recorded in the office of the Registry of Deeds for the said County of Digby on the 15th day of March, 1926 in Book 101 page 350.

Together with all and singular the buildings, woods, ways and waters, watercourse, easements, privileges, hereditaments and appurtenances to the same belonging or in any wise appertaining.

TERMS:—Ten per cent deposit at time of sale, remainder on tender or delivery of Deed.

Plaintiff's Solicitor

slump, and the yearly come-back from the users should fail to meet this required amount, by what means would the balance be raised? Would it not necessarily be raised by increased taxation? And would the non-users thus have their share of it to pay?

All of Mr. Tibert's questions are answered in his own letter. The Hydro development is a self paying proposition. As wholesalers the Power Board sells to the Town of Digby and the Village of Weymouth, and to Westport, when the line extends that far, power at a wholesale price—a price figured out to cover actual cost of generating plus interest and sinking funds. As retailers delivering direct to users on rural distributions services they must change the wholesale rate, plus the cost of the distribution lines, just as the Town of Digby and the Village of Weymouth must add their own costs to the price paid to the Power Board.

There will never come a time when any cost of the Power Board will be included in the tax rate. If in any year the revenues of the Board do not meet the annual costs the rates will be advanced in the following year, and which is what must happen, when increased amount of current used permits a profit to be made the rates will be lowered in the next year, and each year, until the full benefit of the hydro development is obtained. The more power and lighting that is used the cheaper it will be, Mr. Tibert, nor any other person need have no worry over the future of hydro. At any price it is worth all it could cost, and at the rate which will eventually go into effect it will be cheaper to use electric lights than burn oil, cheaper to use an electric range than go into the wood lot for firewood and its cheapness and convenience for operating farm machinery, pumping water, milking cows, operating the separator and the hundreds of uses to which electricity can be put on a farm will make life in the rural districts as convenient, as pleasant and as comfortable as in the biggest city in the country.

All through the development of the Sissiboo River hydro project the Municipal Council of Digby the ratepayers of the Town of Digby, and the ratepayers of the Village of Weymouth and the Board of Commissioners of Public Utilities as well as the Provincial Legislature which in granting the charter to the Power Board approved the scheme have been kept informed of every undertaking of the Power Board, and have approved all that was done or planned to be done, to provide hydro generated electricity for the district.

It might be added, although Mr. Tibert did not ask the question, that the Ratepayers of the Village of Weymouth and the Ratepayers of the Town of Digby are joint guarantors with the municipality in the whole undertaking.

An Old Sign Passes

A coat of fresh paint on the store front of Graham's Furniture Store has added to the appearance of the street and when some day the front of the Courier building gets a new dress Water street will look as nice and prosperous as it should.

In the path of progress nothing is permitted to interfere with keeping pace and in decorating the front of the Graham store the painters have removed what used to be the sign of one of the towns most prosperous and important business houses. To that building for nearly half a century people came to buy and for thirty-six years the sign, "J. L. Peters Oilcloth and Furniture Department" has braved the storm and sun, sometimes bright with new paint, sometimes dim from the wearing hand of time, until at last it has disappeared, the last visible sign of a once important and familiar trade name.

But the old business is not now non-existent. In the main store building the same business is being carried on, earning for itself new friends and holding the old ones, and in years to come, when still younger hands take up the task it will be that the passing of this name now, will be as the passing of a friend.

Scientifically Designed Balloon Tire Tread

Low pressure conditions distribute most of the weight and wear toward the outer edges of the Balloon Tread, so that is where Firestone engineers place most of the rubber. At the direct center is a deep groove, between two narrow flexing rider strips and flanked by additional grooves, which nearly close up when the rubber spreads out as the tire is placed under load. Next come the wide outer rider strips with numerous sharp-edge projections for non-skid qualities. These projections are small to permit the tread to yield to irregularities and cling to the road. The carcass of the Balloon Tire must have the qualifications to withstand the extreme flexing which this tread permits. Firestone provides extra strength and endurance by dipping the cords of the carcass in a rubber solution, which completely saturates and insulates every fiber of every cord, insuring the highest degree of economy, safety and comfort.

Reliable Engine Operation/

WHILE it takes more than one factor to ensure reliable engine operation, there is one easily adjusted factor—lubrication has a lot to do with it. Your boat's performance depends partly on the design of the engine, partly on its construction; but the most important single factor is "Proper Lubrication."

No matter how good the design or materials of your engine's mechanical condition, damage is sure to result from poor lubrication.

To obtain correct lubrication:

- 1—Use Marvelube Motor Oil.
- 2—Use Marvelube of the proper grade.
- 3—See that the oil is at proper level.

The use of the correct grade of Marvelube will effect a noticeable improvement in the efficiency and economy of your boat. Fill your tank with Premier Gasoline—your crank-case with Marvelube Motor Oil—and get all the power your engine was intended to deliver—along with that reliability which is so largely dependent upon lubrication.

Baptists Elect Dr. Denton Head of K. C. Seminary

The Kansas City Post in the issue of May 26th contains the story of the election of Dr. Lyman Morse Denton as head of the Kansas City Theological Seminary. Dr. Denton is a brother of K. C. Denton of

Montreal and Mrs. Mary Trask of Little River. The account follows:

Dr. Lyman Morse Denton, for ten years a member of the faculty of the Kansas City Baptist Theological Seminary, Twenty-ninth street and Minnesota Avenue, Kansas City, Kas., has been elected by the board of governors to head that institution.

Dr. Denton was an instructor in the department of Greek, public speaking and Bible structure.

He succeeds Dr. Phillip Wendell Crannell, president of the seminary since its inception twenty-five years ago, who recently announced his intention of retiring as head of the school. Dr. Crannell, had been in ill health.

Dr. Denton was born in Nova Scotia. He received his M. A. degree at Acadia University and later graduated from the Rochester Theological Seminary. He is a member of Pi Gamma Mu.

From 1900 to 1911, Dr. Denton was pastor of the First Baptist church, Lincoln, Neb. He was re-

sponsible for the construction there of a \$100,000 church building. He later served as pastor of the Edgerton Place Baptist church, Kansas City, Kas.

His next pastorate was the Olivet Baptist church in Montreal, Canada, after which he accepted the chair of New Testament Greek in the Baptist seminary here.

For the second time the board of governors has been considering Dr. Denton for the seminary presidency but the first official announcement of the election and Dr. Denton's acceptance was made at the commencement exercises last night.

The senior class of the seminary presented the school with portraits of Mr. and Mrs. Crannell.

Demonstration Train

continued from page 1

tions, a member of the Agricultural College staff, Truro, who is well known and highly regarded all over the Province. This year the train consists of eight cars, all well arranged and admirably equipped for demonstration purposes.

The rear car known as the living car has facilities for sleeping, with a chef and provisions for meals. This provides comfortable quarters for the various demonstrators and others necessary to carry on the work.

The next car to the rear is devoted to Public Health and Women's Institutes. This is fitted up in two

compartments. The Public Health demonstration is in charge of Miss MacKenzie, Supervisor of Nurses from the Department of Public Health, Halifax, and is being ably conducted.

Among the various educational lessons in hygienic and sanitary methods for improving the health of the people shown by Miss MacKenzie, was a model school building recommended for rural schools. Alongside of this was a similar structure showing the old fashioned school and also, the one too frequently seen among the prevailing school buildings of today.

Literature describing in detail the improved school building was handed out to the visitors.

The demonstration under the care of Miss Smith, assistant to Miss Helen MacDougall, Superintendent of Women's Institutes for Nova Scotia, attracted special attention. It was an eye-opener to many visitors to note the handsome collection of food products for the Nova Scotia pantry displayed in the car. As our eyes gazed along the well arranged display of jams, jellies, etc.

Miss Smith supplied all enquiring visitors with literature showing Home Canning by the cold pack method, how to prepare the 'school lunch', 'The comfortable kitchen' and 'Home economics courses' given at the Agricultural College. The invaluable work of the Women's Institutes was realized more than ever before by the display. A full rigged miniature ship in one corner of the car, each jib, mainsail and mizzen labeled naming all the different forward and progressive movements of the Women's Institute work being done in each community wherever organized.

The next car is that of the Dairy and Poultry. Prof. J. J. Creighton, Inspector of Dairying at the Agricultural College, Truro, was in charge and was the right man in the right place. There we actually swelled with pride over Nova Scotias creamery production which in four years has grown enormously. If this Demonstration Train does nothing more than educate the people in the dairying possibilities, it will have fully justified the idea of its existence and crowned with the glory of achievement worth while of the Department of Natural Resources of Nova Scotia.

Mr. Creighton, demonstrated by reliable figures, compiled that Nova Scotia is actually growing yearly in creamery production. In 1907 only 7 creameries were in operation in this Province. In 1927, thirty creameries are serving every person in Nova Scotia.

A most remarkable increase in dairying is seen in the figures supplied by the dairy demonstrators. From a production of 370,745 pounds of butter in 1911 the industry has developed to amazing proportions, and there is still room for at least doubling the output. Fig-

ures for every year from 1911 are as follows:—

1911—	370,745
1916—	1,586,679
1921	3,135,475
1926—	4,764,807

Another useful lesson learned from the demonstration was that if this Province had been endowed with cold storage facilities during the summer months, a much greater production would have obtained in the past twenty-five years. Any butter produced in the summer season for export must be disposed of and naturally cannot command the best prices, hence capitalists are discouraged from becoming producers of creamery butter.

Most interesting was the Poultry demonstration in charge of Professor J. P. Landry, well known and much esteemed authority on the breeding of the best class of poultry for Nova Scotia both as to domestic and commercial profit.

Prof. Landry had a most interesting demonstration and much valuable information was given out to visitors anxious to learn. Among the articles shown and explained were model houses including coops, brooders, and incubators. There were 165 live chicks to be seen and an incubator containing 130 eggs. During last year's train journey through the Annapolis Valley and along the South Shore to Halifax thence to Musquodoboit, the incubator hatched 85 chicks out of 130 eggs. This hatching chicken journey and its splendid results created a great deal of interest among poultry raisers. This year Prof. Landry hopes to increase the percentage in his hatching totals during the 1927 train trip. These chicks are chiefly of the white leghorn variety.

Another possibility of development in tur bearing animals in Nova Scotia has been demonstrated by Mrs. N. R. Barrett of Avonport, who had on the train an exhibit of Chinchilla rabbits. These pretty soft grey little animals consisted of a doe and six young rabbits. They stand the Nova Scotia climate well if their healthy condition and thick soft fine coat is any guarantee of good health. To judge by the appearance of Mrs. Barrett and her children, Mrs. Barrett must have reared them according to the most approved and advanced scientific methods of the Public Health Department and Women's Institute combined. We did not ask whether tooth brushes had been supplied to the Chinchilla family but we are sure that all other sanitary regulations and dietetic rules of every day living must have been observed to the letter.

The Field Crop's demonstration car was made interesting and informing by S. J. Moore of the Federal Seed Branch, who is the Inspector for the Maritime Provinces. Perfect specimens of wheat and oat seeds were shown, also the imperfect seeds which had not been put thru the grader in order to eliminate the imperfect seeds. Arranged side by side were small flats, containing earth and growing wheat and oats. The flat contained the growing plants and in front of each was a bottle containing specimens of the seeds planted in each flat. To compare the growth size and appearance of the plants growing from the perfect and the imperfect seeds must to the observing farmer have been a revelation in the importance of grading and using the best seeds before sowing a crop. It is recommended that communities join together in procuring a seed. A demonstration of the seeders in use was made on the train by Cecil Bird of Truro, who had a machine on the train for the purpose of showing the visiting farmers the operation of the seeder. There was much interest created and many visitors watched the machine running and noted the results.

Prof. L. C. Harlow, Chemist at the Agricultural College, demonstrated

Grown in the best gardens in the Orient.

the importance of lime in the soil. By practical results as shown in plant life, it was shown that lime enriches the soil. Lime is necessary in all animal and plant life. It was further shown that lime and phosphorus are required in pastures. Circulars were given out which contained minute directions on the sources of supply and its uses and its beneficial effect on crops and pastures for dairy cattle.

The swine car in charge of Prof. F. W. Walsh, Truro, showed some wonderful hogs. From the attitude of the many farmers and meat dealers examining these handsome meat producing hogs, they were undoubtedly the best of their class.

Much information was given out by Prof. Walsh who is a well known authority on the subject.

Agriculturists are familiar with the wonderful grade Holstein cow from the Agricultural College farm at Truro. This cow has been nicknamed 'Jesse the Scrub', but from the way the demonstrators brag about her she should be better named as 'Jesse the Lady of Truro'. However the primary object of parading 'Jesse' to the public is to show the advantages and benefits of pure bred sire service.

The dairy cow and sheep were in charge of Mr. Duncan Brown, of Kingston, Demonstrator of the Dominion Live Stock Branch. Mr. Brown gave interesting talks on horses, cattle, sheep, etc. A feature of special interest was a collection of plates showing diseases and defects commonly found in horses. Groups of sound and unsound horses were depicted, also properly bred horses. Groups of perfect types were seen including Belgian and Friesian prominently bred and perfectly conformed.

It is Serious When The Kidneys Go Wrong

These letters tell of two cases in which Dr. Chase's Kidney-Liver Pills afforded the desired relief.

For about half a century Dr. Chase's Kidney-Liver Pills have been known to the public as an effective treatment for the most distressing ailments of the kidneys and liver. Before first they had been for years proven by private practice. Surely they have stood the test of time. And to-day they are more popular than ever before. Why? Simply because they promise the desired results. You know when you use them that you are not experimenting with an untried medicine.

Mrs. Fred Martin, Box 61, Bradford, Ont., writes:—
"I can highly recommend Dr. Chase's Kidney-Liver Pills, as I used to suffer greatly with a gravel in the kidneys and tried several medicines with no result, until one day I decided to try Dr. Chase's Kidney-Liver Pills."

Mrs. Mary Pettigrew, 158, Upper Water St., Halifax, N.S., writes:—
"I suffered for two years with kidney trouble and tried a great deal of medicine, which did not help me at all. I was so nervous I could not rest at night. A neighbour advised me to try your Kidney-Liver Pills, and since taking them I feel like a new person and now sleep soundly at night, thanks to Dr. Chase."

Dr. Chase's Kidney-Liver Pills—25 cts. per box, all dealers, or The Dr. A. W. Chase Medicine Company, Limited, Toronto.

Weymouth

Mrs. Henry Taylor of Port Maitland arrived last week to spend the summer months here.

Mr. and Mrs. Simid LeBlanc of Boston are visiting his parents, Mr. and Mrs. Julius LeBlanc.

The Misses Evelyn Moore and Carrie Brooks spent the week end at their homes here.

Owen Oaks of Boston spent a few days in this place recently.

Miss Clara Hankinson spent the week end at her home here returning to Digby on Monday.

Congratulations to Mr. and Mrs. Adelbert Prime on the birth of a daughter, June Frances.

Mr. and Mrs. Syda of Digby were guests of Mr. and Mrs. G. W. Brooks on Sunday.

Among those from here who attended the quarterly meeting at New Tuxford this week were: Rev. and Mrs. M. B. Whitman, Mr. and Mrs. William Lent, Mrs. Sadie Mullen and little daughter, Ruth, Mr. and Mrs. H. M. Mullen and son Willis and Miss Kathleen Fitzgerald.

Mrs. E. Skidmore and the Misses Rosa Jones and Annie Simmons returned on Sunday from a motor trip to Sydney.

Mrs. Arthur Moore, Mrs. Sadie Mullen and Miss MacDonald spent the week end in Yarmouth.

Capt. H. B. Fitzgerald and Hallett Sabine attended King Solomon's Lodge in Digby Tuesday evening.

Mrs. G. L. Coggins and family spent the week end in Ashmore the guests of her parents, Mr. and Mrs. George Doty.

A jolly bunch of young people motored to Sandy Cove on June 3rd where they held an enjoyable picnic. In the afternoon they motored to Centerville where they had a picnic supper followed by a delightful motor boat ride in the Bay of Fundy. The happy young people returned home in the evening.

Mrs. Aubrey Butler and son Bobby arrived from Boston on Tuesday to visit her parents, Mr. and Mrs. Frederick Sweeney.

Flies cause more deaths than all wars. In the United States, each year, 40,000 deaths. Flies must be killed. Health authorities advocate the use of Fly-Tox. Fly-Tox is the scientific insecticide developed at Mellon Institute of Industrial Research by Rex Fellowship. Insist on Fly-Tox. Fly-Tox is safe, stainless, fragrant, sure. Simple instructions on each bottle (blue label) for killing ALL household insects. Fly-Tox is the modern safeguard to health.

Weddings

AMERO—THIBAUT

A wedding of great interest was solemnized at St. Croix church, Plympton, Monday morning, Rev. Fr. Doucette officiating assisted by Rev. Adolph LeBlanc when Miss Mary Helen, eldest daughter of Mr. and Mrs. Winfred Thibault of Doucetteville became the bride of Herbert Henry Amero of Berlin, N. H.

The bride looked the picture of loveliness gowned in white silk beaded gown with conventional bridal veil caught up with orange blossoms, her large bouquet being American Beauty roses. She was attended by her sister, Miss Nettie, and Miss Emile Blinn of Corberrie, N. S. both dressed in gray chiffon with large picture hats and carried carnation and fern. The groom was supported by Clifford Thibault and Louis Thibault brother of the bride. The bride is highly respected by all who know her, especially in many parts of New York where for a number of years she was companion to that famous writer, Mrs. Frances Burnett Hudson.

The groom is well known in Berlin, N. H. where he carries on a successful milk business.

Immediately after the ceremony the happy couple motored to Digby where a sumptuous dinner carefully prepared by Mrs. M. McKinnon "McKinnon House" awaited them. The bridal cake, made specially by one of the bride's friends, Mrs. Clifford Beaton, with its miniature bride and groom holding hands across the top, helped make the attractively trimmed table and dining room complete. At 2:45 o'clock they boarded the S. S. Express en route to Bar Harbor, Me. The bride travelling in a powder blue suit with hat to match. They were accompanied to Saint John by the bride's sister, Miss Nettie and Clifford Thibault.

The bridal gifts were many and costly including cheques from New York and other American cities. The groom's gift to the bride was a substantial cheque.

They will be in their own little home to their friends after June 10th at 345 Madison Ave. Berlin, N. H.

Annual Roll Call Service at

Hill Grove United Baptist Church

The annual Roll Call Services of the Hill Grove United Baptist Church were held on Thursday afternoon and evening June 9th. The afternoon meeting opened with a devotional service led by the pastor Rev. F. E. Bishop, which was followed by a splendid address by Rev. W. G. Heiser, who has recently settled with the Deep Brook group of Churches. Then followed the calling of the Church Roll of members by the clerk, Deacon J. A. H. Nichols, which was responded to by a verse of scripture. A number of letters were received from absent members and friends including one from a former pastor Rev. C. W. Robbins, containing words of appreciation and good wishes. The "old fashioned Conference Meeting" which followed was very helpful many taking a part. Those present then adjourned to the Church Hall near by, where a bountiful supper was served by the ladies and a pleasant social hour spent.

The evening meeting opened with a song service and devotional, led by the pastor, which was followed by a powerful sermon effectively delivered by Rev. E. J. Barras, of Bear River followed by an evangelistic appeal to which a number responded.

The choir furnished special music for both services including a solo by Fred Roope and a number by the Male Quartette, consisting of Joseph Vincent, Roy Warner, Fred Roope, and D. C. MacKay, which was much appreciated by the large congregation present. The offering the day was \$141.00 which was used for church purposes.

Thanks are due all those who helped make this the most successful Roll Call Service in the history of the church.

Suggestion From the Parade Committee

Preparations for the big parade with which the Diamond Jubilee celebration will really start has been made by the sub committee and report made to the general committee. It is proposed that the parade form up at the Long Wharf and starting from the head of the wharf, the route of the parade be along Water street to Four Lodge, across to Queen street, along Queen to Carleton, down Carleton to Birch and along Birch and Water streets to pass slowly by the judges stand at the Pavilion.

The prizes to be offered are:

For the best float \$10.00. Second best float \$5.00.

Best decorated auto \$5.00. Best trimmed bicycle \$3.00. Second prize \$2.00.

School float prize donated by Miss Stewart.

Visiting In Digby

Mr. J. E. Tobin of Pictou, and Mr. John D. McDonald, Registrar of Deeds for Pictou County and former Editor of the Pictou Advocate, was a visitor in Digby this week, and Mr. McDonald's daughter, Miss Lillian, who was the guest of Miss Caroline Jones.

They were met here by Mr. Tobin's daughter, Miss Elizabeth, who returned on Tuesday's boat from Boston, and continued their homeward trip by auto.

Miss Ruth Flaherty, of Saint John, is visiting her cousin Miss Beatrice Teed.

BLACK ENAMEL HAT CASES AT WRIGHT'S.

IN THE SUPREME COURT

BETWEEN: MARY ELLA MUISE Plaintiff

—and— HANSON W. STEVENS Defendants

ANNE STEVENS George the Fifth, by the Grace of God Etc

To Hanson W. Stevens, residing at 125 Main Street, County of Digby, and State of New Hampshire, and Anne Stevens residing at Flint in the County of Genesee and State of Michigan.

WE COMMAND you that within twenty days after the service of this Writ on you inclusive of the day of such service, you do cause an appearance to be entered for you in an action at the suit of Mary Ella MuiSE.

AND TAKE NOTICE that in default of your so doing the Plaintiff may proceed therein and judgment may be given in your absence.

Issued the 12th day of March A. D. 1927 Frank W. Nichols Plaintiff's Solicitor.

N. B. This Writ is to be served within twelve months from the date hereof, or if renewed within six calendar months from the day of the last renewal, including the day of such date and not afterwards.

The Defendants may appear hereto by entering an appearance either personally or by Solicitor, at the Prothonotary's Office at Digby, in the County of Digby, N. S.

The Plaintiff's claim is against the Defendants for the foreclosure of a certain Indenture of Mortgage dated the 5th day of March A. D. 1923, made by the said Hanson W. Stevens and Anne Stevens his wife, to the said Mary Ella MuiSE, of land situate at Weymouth in the County of Digby, for \$2000.00 payable in four years from the date thereof with interest at six percent per annum payable semi-annually, and for a sale of the said land at Public Auction in payment of the amount due on the said mortgage, and for possession of the land and premises described in the said mortgage.

Particulars: 1923 March 5th. To Principal of Mortgage \$2000.00 March 5th " principal due 1200.00 To interest on said 1200.00 To insurance premium 5.00 \$1205.00

This Writ was issued by Frank W. Nichols, Esquire, Solicitor, at Digby, in the County of Digby.

This Writ is to be used where all the Defendants, or one or more Defendant, or Defendants is or are out of the Jurisdiction. When the Defendant to be served is not a British Subject, and is not in British Dominions, notice of the Writ, and not the Writ itself, is to be served upon him.

—600—

IN THE SUPREME COURT

BETWEEN: MARY ELLA MUISE Plaintiff

—and— HANSON W. STEVENS Defendants

BEFORE THE HONORABLE J. ARTHUR GRIERSON, JUDGE OF THE COUNTY COURT FOR DIGBY, TRUST NO. 3 MASTER EX OFFICIO OF THE SUPREME COURT IN CHAMBERS AT WEYMOUTH.

UPON READING the Affidavit of Frank W. Nichols sworn herein on the 15th day of June A. D. 1927, and the papers on file herein, and on hearing Mr. Nichols for the Plaintiff herein.

THE PLAINTIFF herein having in pursuance of an Order granted by this Honorable Court bearing date the 10th day of March A. D. 1927, issued a Writ of Summons herein on the 12th day of March A. D. 1927 for service out of the Jurisdiction.

IT IS ORDERED that the Plaintiff be at liberty to serve the said Writ upon the said Defendant Hanson W. Stevens at any place within the Dominion of Canada or within the United States of America, by sending the same by prepaid registered post in an envelope addressed to the said Hanson W. Stevens at Weymouth in the County of Digby, and by inserting an advertisement of such order and Writ twice in the Digby Weekly Courier, a Newspaper published at Digby, in the Province of Nova Scotia, by one insertion each week for two consecutive weeks, and that the posting of such Writ and Order and the inserting of such notice shall be good and sufficient service of the Writ of Summons herein upon the said Hanson W. Stevens.

AND IT IS FURTHER ORDERED that the said Defendant Hanson W. Stevens, shall file with the said Court, said posting of said Writ and Order and the last insertion of such advertisement which ever may last occur within which to enter an appearance to the Writ of Summons herein.

J. A. TAYLOR, Prothonotary.

Dated at Digby, N. S. this 15th day of June A. D. 1927.

BLACK ENAMEL WEEK END

Joy Riders Sentenced to Year

Imprisonment on Charge of Theft

One criminal case the King versus Percy Cook and Frank Ellis, on a charge of theft of a car, property of J. Milton Sabean, at Weymouth, was brought before the Grand Jury, when it met at the June session of the Supreme Court at Digby on Tuesday. Chief Justice Harris presided.

A true bill being returned the Petit Jury was called, being sworn in as follows: Charles A. Armstrong, Legere Doucette, J. A. Crocker, Kenneth P. Dakin, Thomas Carty, Henry Trask, Heber Small, Carman Nass, Silas O'Neil, Horace Nicholls, John W. Merley, Warren Lent, Charles A. Armstrong was elected foreman by the Jury. Andrew Morrissey was called but objected to by counsel for the defence, Mr. Landry, and Fred Melanson, called was objected to by the Crown Prosecutor, Mr. Frank Jones, K.C. Harrison Jones also was objected to by the defence and Charles Connell was relieved duty on presenting medical certificates of ill health.

The prisoners were arraigned in court on the charge that "At Weymouth, on Sunday May 29th, they did unlawfully steal a touring car or automobile the property of J. Milton Sabean." Asked to plead they entered a plea "not Guilty."

Opening the case for the Crown the Crown Prosecutor presented the Crown case to the jury. Evidence would be presented to them that J. Milton Sabean, of Weymouth, was the owner of an automobile used by himself and his son, Lorraine Sabean. On the night of May 29th the car was used by the son to drive to church at Weymouth Bridge, where he left the car parked while going into the service. When he came out the car had disappeared and on investigation made by him led him to believe that the accused had taken the car. Some days afterwards the car was found on the Corberrie Road. Evidence would be presented of young ladies who arrived late for church and saw the accused near the car, and afterwards in the car, and witnesses would also testify to admissions made by one of the accused of having taken the car.

Lorraine Sabean, Miss Brayley and Miss Ethel Saunders, J. Milton Sabean and Fred Hankinson were called as witnesses for the Crown to establish the evidence outlined by the Crown Prosecutor in addressing the Jury. The Crown then rested its case.

Opening the defence Mr. Landry addressed the Jury briefly. He would put the accused on the stand in their own defence and it would be admitted that they took the car. They would confess that they had started on a "joy ride" but had no intention to go away with the car. Ellis would admit that he had suggested the ride and had driven the car.

Ellis was first called. He gave his birthplace as Dorchester, Mass. He had come to Weymouth first last November on a Hankinson schooner and again landed in Weymouth on evening prior to May 29th. That night he and Cook were out. They had one or two drinks, "feeling pretty good," and he had said to Cook, "let's take the car and go for a ride." It was not prearranged, but done on the spur of the moment. After driving down toward Yarmouth he had suggested turning back but Cook said to go by the back road, round the pulp mill and they would

get back without anyone seeing them.

Cook called gave much the same story, excepting that he told how the car had got into the ditch. He had seen lights of a car behind, and thought it was someone after them. He got Ellis excited and the car left the road. They tried to get it out but failing thus took to the woods and walked home, arriving at 3.20. Early in the morning Lorraine Sabean came around and roused him out. He wouldn't talk about the car at first but at the Sabean home said that the car was back of Tusket somewhere and it was not damaged. He had admitted that E. I. was with him. He could not drive a car.

In his address to the Jury Mr. Landry asked for the acquittal of his clients on the ground that the Crown had failed to prove intent. He advocated that to commit the

crime of theft intent to deprive the owner of the car would figure and if intent was lacking as it was lacking, and as the prisoners had admitted in evidence that they had been guilty only of a misdemeanor in taking the car for a ride, and had started back to Weymouth before the car went into the ditch the benefit of any reasonable doubt should be in favor of the accused.

The Crown Prosecutor discounted the effect of having put the prisoners on the stand in their defence. The case had been proven by the Crown's witness and the evidence of the prisoners was not necessary to establish the case. If because two had taken a car, when they were faced with the consequence said they had only taken the car for a ride, could escape their just merits it would be impossible to

WOODS' LAVENDER LINE

Death of Mrs. Mary Middleton

The death occurred at Digby, at the home of her granddaughter, Mrs. Eugene H. Muise, on Saturday, June 11th of Mrs. Mary Middleton daughter of the late William and Phoebe Ann Stark of Culloden, at the age of seventy-five years, after a short illness of one week.

She leaves to mourn their loss, one daughter, Mrs. Alexander Adams, Bay View, one son, George Middleton, Grand Manan, N. B., two sisters, Mrs. Alice Rice, Digby, Mrs. Allen Adams, Bay View, and one brother George Stark of Culloden; three grandchildren, Mrs. Thomas Binnmore, New York; Mrs. Eugene Muise, Digby and Clarence Middleton of Maine.

Deceased was a devout member of the United Church and a firm believer of the Christian Faith. She was well liked by all who knew her and will be greatly missed by her sorrowing family.

Interment took place in the United Cemetery. Rev. Jabez Appleby conducted the ceremony at the house and grave.

The pall bearers were A. A. Shortliffe, A. R. Turnbull, Hart Hayden, Judson Handspiker.

The floral tributes were lovingly testifying to the high esteem in which the deceased was held.

MRS. WENDELL LEIGHTON

There passed away, Mrs. Wendell Leighton at her late residence, 36 Vesper street, Portland, Me., aged seventy-eight years, leaving one daughter and three sons, all living in Portland, also one brother G. H. Holdsworth of Digby.

The late Mrs. Leighton was born in Digby and was the youngest daughter of the late Thomas and Lucy Holdsworth of whom there were twelve children, eight sons and four daughters and all have now passed away excepting G. H. Holdsworth, the sole surviving member of the family.

Mr. and Mrs. Leighton were life

long members of Congress St. Methodist Episcopal church, Portland.

In 1925 Mrs. Leighton experienced a shock and was left in a weak and disabled condition until two years later May 18th she had the second which proved fatal, within a few hours.

Funeral obsequies took place on Sunday May 21st at Evergreen Cemetery.

Digby General Hospital Pantry Sale and Tea

A Pantry Sale and afternoon Tea under the auspices of the Ladies' Hospital Aid will be held at the home of Mrs. C. F. McBride on Saturday, June 18th. Your assistance and patronage are solicited.

Harlem

Mr. and Mrs. Steve Ford, and family of Hasselts spent last Sunday with Mrs. Ford's parents, Mr. and Mrs. Fred Mullen.

Mrs. Johnie Budreau spent Monday with Mrs. Stephen Ford.

Miss Emma Gaudett of Hasselts spent the week end with Mrs. Aubrey Amero.

Mr. and Mrs. John B. Beaudro spent Sunday evening at the home of Mr. John A. Beaudro. All are glad to see Mrs. Beaudro out again.

It is good to see the gravel trucks on the road again. Mr. and Mrs. Stephen Ford spent Sunday last with friends in Danvers.

CARD OF THANKS

We wish to express our thanks for the many acts of kindness and expressions of sympathy shown during the short illness and death of our mother and grandmother, Mrs. Mary Middleton, also for the many floral tributes, and to Rev. Jabez Appleby, who conducted the ceremony. Mr. George Middleton, Mrs. Alexander Adams, Mrs. Eugene H. Muise.

Mrs. E. Hart Nichols, Mrs. Moody and Mrs. Boyd motored to Windsor on Monday to attend the closing exercises at Edge Hill School and returned Tuesday accompanied by Constance Nichols, who has been attending this school.

FRIDAY JUNE 17, 1927

On Summer Closing

The regular summer discussion on the Wednesday half holiday for the stores of Digby is getting warm again, and supporters of the plan are talking of legislation approving a bye law making the half holiday compulsory.

The half holiday idea is a good one, to close all the stores, candy stores, bowling alleys, ice cream parlors, restaurant, blind pigs, make the bootleggers observe the half holiday and every man woman and child who caters to the public "call it a day" at noon on Wednesday will give the store clerks an extra half day's leisure each week. The scheme will only work if all the stores closes, that is why legislation enforcing the bye-law is included in the scheme. If some stores close and others stay open the customers of the stores which close will patronize the ones which are open, and the closed stores will lose trade, hand over to their competitors a nice bit of summer business and the half holiday will cost more in lost profits than it is worth.

Did the folks who are advocating the closing day ever stop to figure that the automobile has upset the old notions of buying, that a town thirty miles away is only an hour's run, and that if people can't buy in Digby on Wednesday afternoon they can in Annapolis or Bear River, or Weymouth, and at any of the stores scattered all over the Valley? The competitor of the business house is not the store around the corner or across the street, but the store thirty, yes fifty miles away, and unless, which is obviously impossible, a provincial law is enacted to close all stores in the province on the same afternoon

the stores which are closed in one town will lose trade to the store in the next. And there is no Wednesday half holiday for buying postage stamps to send orders to the catalogue house.

The Wednesday half holiday scheme was started in towns where the shop-keepers ideals of service included keeping their places of business open three nights a week. In order to give their employees a chance to enjoy some of Summer's pleasures they adopted the idea of closing one afternoon to make up for the evenings when the stores were open, and during the months of June, July and August in many towns the half holiday is a common thing. In some towns they go further. In Springfield, for instance, where stores close at five-thirty every day but Saturday, and the Wednesday half holiday is an all the year institution. And not just some stores, but everything. You can't buy an ice cream or a package of cigarettes, from 12.30 until 5.00 o'clock, when the candy stores and ice cream parlors open for evening business. That is the law in Springfield and is generally observed, strictly observed in the business section, and the little front parlor shops sell from the back-door. Amherst takes advantage of this, and as a result Wednesday afternoon all through the summer is the busiest business day that Amherst has.

But to get right down to local cases. During the months of July and August there are anywhere from two thousand to four thousand tourist visitors located in the trading area of Digby. To them Digby is a shopping center. They like our stores because we have good ones, with fine assortments of stocks, good service, fair prices and all round satisfaction for the customer. Their business is worth from \$100.00 to \$300.00 per day to every store in town. It is so good that we keep going all winter on the prospect of how good business will be next summer, and to refuse this business, drive it to another town, is going to be a mistake. The weekly half holiday has advantages which cannot be ignored, and to deny the clerks a share in summer pleasures is not easy, but it can be made up to them in other ways. Perhaps general adoption of the closing scheme in force at Dakin Bros. last winter would be the nearest to it that Digby can afford.

Before any decision in this matter is reached it would be a good idea to have a public meeting to discuss it pro and con.

No merchant can give a satisfactory service based on quality and value unless he is discriminating in his selection of the things he buys. If this is true, how important it must be to every grocer when buying CRANG'S PEKOR to see that the brand he purchases is MORSE'S.

Transcontinental Travel

Much is heard these days of transcontinental and transoceanic travel, especially by aeroplane, but so far, this mode of transportation has not reached that stage where it is considered a commercial proposition to travel across the continent in that way.

Swift as the aeroplane is, yet this great distance is covered in remarkably fast time by the "Continental Limited", one of the luxurious high class fast trains of the Canadian National Railways. This train leaves Montreal daily at 10:15 P.M. and arrives in Vancouver the fifth day after.

While speeding across the continent the traveller enjoys practically all the conveniences of a modern hotel and from the car window the whole of Canada passes before him in one vast panorama.

Connections with the "Continental Limited" from Maritime Provinces points are made by both the "Maritime Express" and "Ocean Limited". That by the "Ocean Limited" enables one to spend the day in Montreal and see that vast treasure house of historical lore. Radio equipped compartment-library-observation cars are attached to the "Ocean Limited", which enables passengers to enjoy the wonderful scenery of the Maritimes and lower St. Lawrence under delightful auspices.

Illustrated booklets describing the country traversed by the "Continental Limited" and information as to fares, reservations, etc., may be obtained by writing the General Passenger Department of the Canadian National Railways at Moncton, N. B., or on application to the nearest Canadian National Agent.

The Cruising Club is Coming

From August 20th to August 27th there will be visiting in Digby members of the Cruising Club of America, on their annual vacation cruise from their home port to the Nova Scotia Coast. The programme of the cruise has been arranged to make the longest stay in port in Digby and there is no doubt that the Cruising Club is looking forward with great anticipation to their visit here. Digby is obliged to Mr. George P. Ronnell for the arrangement that brings the Cruising Club to this port. Mr. Ronnell spent most of his boyhood in Digby and in a letter to the Editor inquires most kindly after several of his former companions here and asks most interestedly of the Digby Yacht Club. Unfortunately the Digby Yacht Club is no more. The automobile changed the interest, and in place of the saucy acting cat boat or the sleek sloop rig the yachtsmen of Digby slip behind the steering wheel of the "old bus" and help pulverize the landscape. The "wake" of a fast speeding car has more attraction than the wake of a sailing yacht or motor boat.

But the spirit of the Digby Yacht Club still persists, and the visiting yachtsmen will find nothing lacking in the Hospitality of Digby. This visit should be made the occasion for some really high class tourist promotion effort. The visitors are just the sort of people we like best to have come here, and the sort to whom Digby's attractions will have the greatest appeal, and a combination of hotel and other interests should prepare to give the visitors and their crews a royal welcome and a splendid visit. At the same time an invitation might also be extended to the yacht clubs of Halifax and Saint John to meet the Cruising Club at Digby on their arrival.

SUMMER IS HERE

And you will want to enjoy all the pleasures of Out-of-Doors. We have splendid lines of all Summer Wear for Men and Boys.

Obituary

ELLA JANE MCCORMICK
Shortly after eight o'clock Tuesday morning June 14th the death occurred at Bear River of Ella Jane eldest child of Mr. and Mrs. Ira E. McCormick, after one week's illness of scarlet fever.

Little Ella was six years of age last January and besides her parents is survived by a brother Everett Edward, three years of age, and a tiny sister, Clara Thelma, less than three weeks old. Mr. and Mrs. McCormick have the sympathy of a wide circle of friends in their very sad loss.

MARIA M. LONG

Maria M., wife of Charles A. Long, after a long illness, patiently borne, passed away at her home in Clementsvalle on Sunday, May 29, at the age of 78 years.

She leaves a sorrowing husband, six daughters and two sons. Mrs. F. W. Fraser of South Boston Mass. Mrs. F. C. Hutchings of Watertown, Mrs. W. L. Drew of Brighton, Mrs. Clara Stanhope, Auburn, Maine, Mrs. John A. King, Barnstead, N.H., Mrs. William L. Ramsay and V. A. Long of Clementsvalle and George with whom she resided.

The funeral services held at her late home on Wednesday, June 1st, at 2 p.m. were conducted by her pastor, Rev. G. C. Durkee, and were largely attended. The daughters residing in U.S.A., also W. L. Drew, son-in-law and Charles W. Ramsay of Allston, grandson of the deceased came on Tuesday to be present at the funeral.

The pall bearers were Messrs. Ralph and George Douglas, Messrs. Genos and Lloyd Sanford.

Rev. Carl Mack and Rev. Frank Milligan arrived home by motor on Saturday from Sackville in company with the Revs. Dr. B. C. Borden and Mr. Kinker, of Annapolis, and Mr. Dean, of Granville Ferry.

Rev. and Mrs. Kinker and two children of Annapolis Royal, were the supper guests of Rev. and Mrs. Milligan on Monday.

OPERATION LEFT HER VERY WEAK

Letter Tells of Wonderful Relief After Taking Lydia E. Pinkham's Vegetable Compound

Coniston, Ontario.—"After a severe operation and a three weeks' stay in a hospital I returned home so weak that I was unable to move a chair. For four months I was almost frantic with pain and suffering until I thought sure there could not be any help for me. I had very severe pains in my left side and suffered agony every month. One day when I was not able to get up my mother begged me to try your medicine. My husband got me a bottle of Vegetable Compound at once and I took it. I started a second bottle, and to my surprise and joy the pains in my side left me completely and I am able to do all my work without help. I am a farmer's wife, so you see I can't be idle long. In all, I have taken six bottles of Lydia E. Pinkham's Vegetable Compound, two boxes of the Compound Tablets, two bottles of Lydia E. Pinkham's Blood Medicine, and have also used the Sanative Wash."—Mrs. L. LAVERGNE, Box 108, Coniston, Ontario.

Local and Personal

Mrs. Chas. Hinman who has been visiting her daughter has returned to Lansdowne.

Miss Oradell Peck arrived home last week intending to remain the summer.

Miss Constance Woodman of the Digby Hospital was the over Sunday guest at the home of Mr and Mrs L. J. Peck.

The Nova Scotia Adventist Conference will hold its annual session with the church at Bear River, commencing Thursday evening and continuing over the following Sunday. Miss Florence Bartlett, H. E. Thompson, LeRoy Cleveland, C. P. Henderson and others are expected to be present to preach the word. Every one welcome.

Foster Nicholl and daughters Misses Marion and Jean Sutherland, of Port Clyde were the guests of Mrs. B. S. Davis on Sunday.

Miss Eunice Irving, of New York, spent a few days last week visiting relatives here.

Rev. F. Milligan conducted the services at the United Church on Sunday morning. Mr. Mack having the service at Digby.

Miss Florence Vroom attended the Federated and Provincial Institutes which met at Wolfville last week.

Mrs. Frank Roop with her two daughters Phyllis and Bernice, Mrs. (Dr.) Dexter and two little boys of Digby, were the Sunday guests of Mr. and Mrs. B. C. Clarke.

The Ladies Aid of the United Church met on Thursday afternoon with Mrs. Milligan.

Rev. Frank Milligan accompanied by Mrs. Milligan motored to Bay View on Sunday afternoon to conduct the services at the United Church there. He also preached at the United Church, Digby on Sunday evening.

Charles W. Ramsay, Funeral Director, of Allston, Mass., who came to be present at the funeral of his grandmother, Mrs. Charles Long, returned to his home on Saturday.

Mr. and Mrs. Wilbert L. Drew, of Brighton, Mass.; Mrs. F. W. Fraser, of South Boston; Mrs. F. C. Hutchings, of Watertown; Mrs. Clara Stanhope, Auburn, Maine; and Mrs. John A. King, of Barnstead, N.H., arrived on Tuesday to attend the funeral of their mother, Mrs. Charles Long.

Mr. and Mrs. Harrison Jones and party, of Weymouth, motored to Bear River on Saturday and had supper with Mrs. Hubbard and Horace Moore.

Eber Turnbull, of Saint John, was in town last week.

Dr. and Mrs. Archibald and family, and Miss K. Sutherland, of Charlotte-town, P.E.I., were in town several days this week.

Mrs. Thos. Rawding, of Liverpool, was the week end guest of her sister Mrs. Wilfred Chute. On Sunday they motored to Wolfville.

Miss Mabel Harris arrived Saturday from Boston, to visit her parents Mr. and Mrs. Chipman Harris.

A. G. MacIntyre came from Montreal on Saturday to spend several days with his family here.

Mrs. Burpee Alexander who spent the winter with her husband in Florida, arrived in Bear River last week and is making her home at present with her mother, Mrs. Addie Read.

Mrs. George Harris is spending a month with relatives in Boston.

Kenneth MacKenzie, of the Royal Bank of Canada at Halifax, spent the week end with Mr. and Mrs. Frank McNaught.

Ward Hazen, of Yarmouth, was the guest of Mr. and Mrs. J. R. Moore on Sunday.

Miss Isabel Brown R. N., of Boston, is spending a vacation with her mother, Mrs. Frank McNaught. They also have visiting them Miss Helen Herbert R. N.

A. B. Marshall and J. A. Rice spent a couple of days in Halifax last week.

Hector Thompson, of the Royal Bank of Canada Montreal, and Mr. Wilson, of Halifax, were guests of Mr. and Mrs. J. R. Moore for several days last week.

Dr. and Mrs. A. B. Campbell and son Jim spent the week end with relatives in Halifax.

Dr. and Mrs. J. W. Wright arrived on Wednesday after a sojourn of three years in South Africa, and are guests of Mr. and Mrs. A. B. Marshall. Mrs. Brown, of Taunton, Mass., is also visiting her sister Mrs. Marshall.

Mrs. H. C. Anthony entertained at two tables of Bridge Saturday evening in honor of Mrs. Reg. Benson. Mrs. Moore and Miss Purdy were the fortunate prize winners.

Pastime Players of Bear River Present "So This is London" to Crowded House

Oakdene Hall Bear River was crowded to its utmost capacity on Tuesday night to witness the presentation by the Pastime Players, of Bear River of "So This is London" and from the overture to the final curtain were all amply rewarded for the slight discomforts attending over crowding.

To write of the plot of the play the work of the different members of the cast or in fact to say much about it is almost superfluous, for every man, woman and child of Bear River who could get there was there, and everyone knows how good it was. The committee in charge and the director, Mrs. A. G. MacIntyre, as well as every member of the cast, who worked so faithfully to make of it a success, deserve the praise of the community and their reward was not only in the excellent patronage, swelling the box office receipts to nearly \$150.00 but in the close attention paid to the acting and the instant praise in applause of every good point.

Before the opening of the performance Misses Thelma Morris and Hattie Marshall rendered a short programme of piano solos and duets and this was greatly enjoyed.

The ladies' quartette, Mrs. E. J. Barras, Mrs. L. E. Litchfield, Mrs. R. Benson and Mr. R. H. Purdy were heartily cheered for their number between the first and second acts, and Mr. Walter Dueshine, in blackface comedy, singing Travel On and the Coons Doozology, "brought down the house".

After the show the cast and committee were entertained at supper at the Grand Central, where the whole play was reacted over the dining tables.

When "So This is London" is repeated on Carnival Night, in the middle of the cherry season Oakdene Hall will need to be enlarged if the crowd is going to be accommodated.

Adopting Modern Methods

One convenience which the coming of hydro makes possible is the elimination of the crank turning apparatus which we use in Digby to call Central when wanting to use the telephone. With 24 hour service it is possible to install what is known as "common battery" system for automatically signalling to Central that service is wanted and this is the system which is in use in all modern telephone exchanges. In order to get this convenience influence will have to be brought to bear on the telephone Company to make the change, and a movement should be begun at once to promote the idea. The increased efficiency of the service, eliminating as it does the crank turning nuisance and the irritation of "ringing through" caused by neglect to "ring off" is one which will more than repay the cost of installing modern switchboard apparatus.

That "handy man" organization, the outfit that was to take up the jobs that are everybody's business, might appoint a committee to look into the matter and confer with the Telephone Company official in order that when the Company makes its appropriations for new development the modernizing of Digby Exchange may be included. It isn't a matter that should be expected right at a moment's notice, but it is one which is in accordance with modern methods and should be not only kept in mind but brought to accomplishment in reasonable time.

The Panama Canal was impossible until mosquitoes were killed. Enough mosquitoes to infest a whole neighborhood can breed in an ordinary tin can. Mosquitoes spread disease. They must be killed. Health authorities advocate Fly-Tox. Fly-Tox is the scientific insecticide developed at Mellon Institute of Industrial Research by Rex Fellowship. Insist on Fly-Tox. It is safe, harmless, fragrant, sure. Simple instructions on each bottle (blue label) for killing ALL household insects. Easy to use.

Close Season for Scallops Will be Put Into Effect

Changing the decision first arrived at the department has adopted a close season policy in territorial waters of the Bay of Fundy as a means of protecting the scallop fishery. The close season goes into effect as from the 1st of June.

Whatever the effect it will have on the preservation of the scallops and whether it is even necessary time alone will tell, but it has had one important effect. The canned scallop, so far as the Bay of Fundy is concerned, will not figure in the market. The scallop canning industry one which it was hoped would be developed into a real benefit to the scallop fleet and make a bit of profit to its promoters is automatically put out of business.

Daughter of Mr. and Mrs. Alex. H. Ross, Married in Waverly, Mass.

An interesting event took place at St. Luke's Church, Waverly, Mass., when Miss Frances Ross, daughter of Mr. and Mrs. Alex. H. Ross, Culloden, became the bride of Dr. Edmund J. Martin, of Waverly, Mass. The ceremony was performed by Rev. Father Joseph Splain. After the ceremony the happy couple left on a honeymoon in New York, after which they will reside at Long Island.

New Customs Cruiser

Another fast cruiser has been purchased for the use of the customs preventive service in the Bay of Fundy, according to official announcement.

The new cruiser, formerly known as the "Tillicum," will be renamed the Bayhound and will be commissioned immediately and shipped from Montreal to either Saint John N. B., or Digby, N. S. The Bayhound will be capable of maintaining a speed of 17 knots.

The preventive service will have three fast cruisers, the Vigilants, Bayfield and Bayhound, in commission within two weeks. The Bayfield, which has been out of service for some time is being reconditioned.

Canadian National Railways Earnings

The gross earnings of the Canadian National Railways for the period ended May 31, 1927 were \$7,321,875.00 as compared with 7,952,684.55 for the same period of 1926; a decrease of 630,809.55.

Prize Winning Ads in Bicycle Advertising Contest Will Be Published

The judges have been considering the contributions to Dakin Bros. Bicycle Advertising Contest and will reach their decision on Monday, selecting three prize winners from the twenty odd essays contributed. Some of them were excellent and all showed how much every boy and girl wants to own a "bike."

Mr. Dakin has advised the Courier that in addition to awarding the prizes he has decided to publish the three prize winning advertisements, each to bear the name of the writer. In addition to publishing these prize winning advertisements the list of contributors will also be carried in next week's Courier.

In Memoriam

In loving memory of our dear mother, Mrs. Mary E. Davis, who died at Westport, N. S. June 14th 1926.

While the midnight stars are gleaming
On a lone and silent grave,
Beneath it sleeps our dear mother,
The one we loved but could not save.
Her weary hours, her days of pain,
Her troubled nights are passed.
Her ever patient worn out frame
Has found sweet rest at last.
Long days, long nights, she bore her pain
To wait for cure but all in vain.
Till God Himself knew what was best.
He took her home and gave her rest.

Worth the price, has been the keynote of the success of MORRIS'S TEA for more than 40 years. MORRIS'S is cost little more than some other teas, but always it is worth the price.

Nurse Tells How To Relieve Eczema

Lady had face disfigured with Eczema. Skin now clear.

Mrs. Wm. Campbell, a graduate nurse of Morden, Man., reports a very interesting experience she had recently with a distressing case of eczema. The patient was a lady who had suffered keenly both mentally and physically because of the way her face was disfigured and by the itching, burning sensations of the skin. She had become discouraged because doctors considered her case incurable.

Mrs. Campbell had known of similar cases and by patient persistent treatment was able to obtain complete relief and restore the natural beauty of the skin.

Mrs. Campbell writes:—"A patient under my care was so severely afflicted with eczema on her face

that the doctors considered it incurable and could do nothing for it. I decided to try Dr. Chase's Ointment and never found anything like it for the first application stopped the itching. By continuing the use of the Ointment, the eczema was entirely removed and the complexion greatly improved. No one would ever know that my patient had previously been so disfigured by this annoying and torturing ailment."

Dr. Chase's Ointment is the recognized standard treatment for eczema. It should never be confused with ordinary salves for it is a medicinal ointment of proven merit and effectiveness. 50 cents a box, all dealers, or The Dr. A. W. Chase Medicine Co., Limited, Toronto.

SHERIFF'S SALE

No. 2852

IN THE COUNTY COURT For District No. 3

BETWEEN PETER LEBLANC Plaintiff

—and—

LEONARD MALLETT Defendant

TO BE SOLD AT PUBLIC AUCTION by the Sheriff for the County of Digby or his Deputy, at the Court House at Digby, Nova Scotia, on

Tuesday, the 12th day of July, A. D. 1927.

At eleven o'clock a. m. under execution issued on a judgment recovered herein by the Plaintiff herein against the Defendant herein on the 24th day of May A. D. 1926, and duly registered in the Registry of Deeds at Weymouth in the County of Digby on the 25th day of May 1926, unless before the day of the sale the amount due Plaintiff herein with costs and expenses shall be paid to the Plaintiff or his solicitor.

All the estate, right, title, interest, claim, property and demand of the herein Defendant, Leonard Mallett, and of all persons claiming or entitled by, from or under him at the date of the judgment herein and at any time since, of, in, to and out of:

(1) All that certain lot, piece or parcel of land situate, lying and being at Salmon River in the County of Digby near the corner of Pleasant Cove Road and bounded and described as follows: On the East by lands of Timothy Melanson, on the South by lands of Oliver Deveau, West by the Post Road; North by lands of Robert Deveau and Simon Deveau and being the home-stead premises of the late Archambeau Deveau.

(2) All that certain lot, piece or parcel of land being at the rear of Salmon River aforesaid, bounded and described as follows: On the East by lands of Philip Deveau, on the South by the crossroad, on the West by lands formerly owned by Nathaniel Powers and on the North by lands of the late Thomas Foley.

(3) All that certain lot, piece or parcel of land situate lying and being at Salmon River aforesaid, bounded on the west by the Post Road, on the North by lands formerly owned by Catherine Couture; on the East by Barreux; on the South by lands of the late Michel Deveau.

The said three above described lots being part of the land conveyed to the said Leonard Mallett by Archambeau M. Deveau and wife by deed dated the 2nd day of March A. D. 1910 and duly recorded in the office of the Registry of Deeds for the said County of Digby on the 8th day of March, 1911 in Book 101 page 330.

Together with all and singular the buildings, woods, ways and waters, watercourse, easements, privileges, hereditaments and appurtenances to the same - belonging or in any wise appertaining.

TERMS: Ten per cent deposit at time of sale, remainder on tender or delivery of Deed.

TRUST HIM—AND SAVE MONEY

REFUSE 9 karat paint if you want 24 karat results. Be convinced by the B-H Dealer when he says, buy paint with a 70-30 guarantee. 70-30 is like the karat mark on gold. It tells you plainly what you are getting—70 parts of Pure White Lead and 30 parts Pure White Zinc. Almost two centuries of experience have proven that nothing gives more yards of coverage and more years of wear.

Trust the man who sells paint products on this honest basis. Ask him what to do to get the best results. Ask him about prices. The low cost of painting with pure paint will surprise you.

BRANDAN HENDERSON

Makers of White Lead, Pure White Zinc, Portland Cement

BH 'English' PAINT

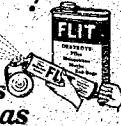

THERE are two aristocrats among the White Pigments—Brandan's Centum 70, White Lead and French Process Pure White Zinc. Combined in the ideal proportion of 70 to 30, a union of great strength is formed, producing a Paint Film of the utmost adhesion, capacity and resistance to weather and wear. Buy Here and Save Real Money**Rebekahs. District Lodge Meets in Digby**

On Monday afternoon upwards of eighty delegates, representing all the lodges in district Number Two comprising Autumn Leaf, Bridgetown; Unity, Annapolis; Elta, Bear River; Olive Branch, Weymouth; Fair Isle, Freeport; Sunset, Westport; Zelma, Digby; met in the lodge rooms of St. George's lodge in district session. The District President, Mrs. George Peters, of Zelma presided, being assisted by District Vice President Mrs. Elizabeth Bath of Autumn Leaf.

The special guest of the lodge was Mrs. Minnie Robinson, first President of the Rebekah Assembly in the Maritime Provinces who acted as Instructor, discussing the ritual, constitution and fine points of the Order in simple language, and bringing out the beautiful meanings of all that pertains to the Order, gave a most interesting talk.

A session of District Lodge was held in the afternoon and at night the regular meeting of Zelma was held. At this meeting upwards of one hundred and thirty attended. The Degree staff of Unity Lodge, Annapolis, exemplified the Degree splendidly, drawing forth much praise.

At six o'clock the visiting delegates were guests of Zelma lodge at a bountiful supper served in the lodge hall.

The new District Officers are: President Mrs. Agnes Beeler, Unity Vice President Mrs. Lena Perry Fair Isle, Secretary Treasurer, Mrs. Emma Tremper, Unity.

OBITUARY**MRS. ALLEN WALKER**

Mrs. Allen Walker passed away last Wednesday morning at the home of her son William after an illness of nine months during which time her cheerfulness and patience in spite of her suffering has been the wonderment of her family and friends. No matter how badly she felt she was always "pretty good" to all inquiries. She was in her 75 year.

Besides a sorrowing husband and son with whom she lived, she leaves seven sons and one daughter, Daniel, Charles, Henry, Berganzie and Mary in America, Kelsey in St. Martin's, Clarence and Walter in Lake Midway also four sisters.

The funeral was held on Friday interment at the Digby Baptist Cemetery.

Weymouth North

Mrs. Ella John was the week end guest of Mr. and Mrs. F. H. Lent, Bayside Farm.

Alden Amero of Boston is spending his vacation with his parents, Mr. and Mrs. William Amero.

A number of people from here attended the entertainment at Weymouth Friday evening put on by the Kiwanis club, Yarmouth. All proclaimed it one of the best things that had ever been to Weymouth. Capt. and Mrs. H. B. Fitzgerald and son Harvey, spent Sunday with relatives in Little River.

Rev. M. B. Whitman pastor of the Riverside Baptist church baptized three candidates on Sunday morning.

The annual Dental Association was held at Bayside Farm on Friday.

Mr. and Mrs. Albert Hood and family of Yarmouth were guests of her mother, Mrs. Johnson Grant on Sunday.

Mrs. A. W. Carr and daughter, Constance motored to Annapolis on Tuesday returning same day.

Mr. and Mrs. William Urquhart of Yarmouth spent Thursday with Mr. and Mrs. A. Dooy.

The Women's Auxiliary of the Baptist church intend holding a supper and sale on the new parsonage grounds, July 19th.

The C.C.I.T. met at Bayside Farm Friday evening.

Rev. E. W. Forbes is New Pastor of Grace United Church

Rev. E. W. Forbes, at present at Sydney and formerly at Shelburne, has been chosen as Pastor of Grace United church, Digby, replacing Rev. Jabez Appleby, who resigned his pastorate due to "family reasons". Mr. Forbes will assume his duties on August first being now on furlough.

Commencing Sunday Rev. A. N. Jost will supply until the new pastor takes over his duties and will take services on Sunday at both Digby and Bay View.

STRAW HATS AT WRIGHT'S.

Retired Sea Captain Enters His Last Port

The death took place at his home in Deep Brook on Tuesday of last week of A. Gilpin Sulis, one of the oldest and most respected residents of this section of the province.

He was the youngest son of the late Jeremiah Sulis and Mary Ann Boice of Loyalist descent, and was born in Deep Brook, in August, 1840, which would have made him 87 years old on his next birthday. In his early life he followed the sea, and at one time, associated with his father, owned three vessels in the coasting trade to St. John, Halifax and the West Indies. Retiring from the sea he, for some years sailed a yacht in the Basin. All his life he has been a strong temperance man. To his friends he had many—he was most generous and unselfish. In religion he was an Anglican and in politics a Liberal. For some years he has been ill and for the last few months of his life he was a great sufferer.

He leaves his widow, who was Elizabeth, daughter of the late William B. Ruggles, of Annapolis Royal; and eight children who mourn the loss of a good husband and father. The children are: Miss Clara M. Smith, Cove, William A. of Digby, Miss Lottie of Annapolis Royal, Bessie J., wife of Frank N. Roop of Digby, Miss Mary of Newton Centre, Mass, Henry at home, Josephine, wife of B. C. Clark of Bear River and Sadie, wife of Clifton L. Hynes, of Brookline, Mass. The youngest son, Fred died eight years ago.

The funeral took place last Thursday afternoon in St. Mathew's Church, services being conducted by Rev. A. W. L. Smith. Appropriate music was rendered by the Choir assisted by members of the Baptist Choir.

A large number of relatives and friends attended the service to pay their last tribute of respect to a good citizen and life long resident. The floral tributes were beautiful. Interment took place in the family lot in the historic cemetery at Clementsport.

"Father in thy gracious keeping Leave me now thy servant sleeping."

Joy Riders Sentenced

Continued from page 1

hold any property in tact from thieves

After lunch the Chief Justice charged the jury. The law defined theft and they must judge on the evidence. A verdict of guilty was returned and the youths sentenced before the close of the term to one year's imprisonment in the County Goal.

The Logical Choice of the Two-Car Family

There are many reasons for the choice of Chevrolet in the two-car home—its dependability, its all-weather and under all conditions—its quick response, ease in handling, and its irresistible beauty appeal to the car buyer. The many improvements first introduced in low-priced cars by Chevrolet and the striking beauty of design and color make it a car worthy of service to those who also own the most of cars. More and more the owners of big cars are now turning to Chevrolet for a second car.

Miss Marion Hersey Becomes Bride of DeLancey Gessner of Bridgetown

Miss Marion Hersey, senior operator at the telephone office sprang a surprise on her friends on Tuesday this week and joined the noble army of chaperones. The lucky fellow is Mr. DeLancey Gessner, of Bridgetown also an employee of the Telephone Company.

The marriage ceremony was performed by Rev. William Driffield, at Trinity church Rectory. Mr. Gessner took his bride to his home in Bridgetown.

Mrs. Gessner will be returning to Digby after July first and the honeymoon will be taken in the Fall when Mr. Gessner's duties will permit him to obtain leave of absence.

Best wishes of many friends will follow Miss Hersey in her happiness and her departure from Digby will be regretted.

Attended Baptist Convention

Mr. and Mrs. Leslie Finnegan, Miss Evelyn Finnegan and Rev. P. M. Hamilton of Freeport and Mrs. Murray Small of Tiverton returned to their homes on Monday after a motor trip through the Annapolis Valley. While away they attended the sessions of the Western Baptist Association held in Bear River.

Digby General Hospital

The ladies of Barton are holding a Rummage Sale in aid of Digby General Hospital at Union Hall, Barton on the afternoon and evening of Tuesday, June 28th, next. There will be lots of fun for young and old, and the motor drive to Barton will not be the least of the pleasure, so make up a party and attend the Rummage Sale.

The Funniest Thing

Isn't it funny? The only time some people remember what the Courier phone number is, is when they want something kept out of the paper.

FARM FOR SALE—46 acres, 12 under cultivation, balance in pasture and woodland. 7 room house. Small barn. Rockwood and weir privilege. One of the best localities in Smith's Cove. View unsurpassed. Apply to S. E. Rice, Joggins Bridge, Digby Co. N. S. 433p

CARD OF THANKS

Mrs. Eliza Adams and family wish to express their sincere thanks to the many friends who assisted in any way during the illness and death of their beloved husband and father, also those who sent floral tributes and words of comfort.

We make special mention of Rev. J. B. Appleby and Dr. Roberts. Mr. Appleby so faithfully visited and was such comfort to our loved one through out his illness, and Dr. Roberts did all that medical aid could do and for deeds of kindness and words of comfort after his passing.

TALK OF THE TOWN

Mrs. L. M. Robinson, of Saint Stephen, N. E., while attending the Rebekah District Association in Digby was the guest of Mrs. Percy Wornell at the Racquette.

Mrs. Moore, of Sydney, C. B. was called here on account of her mother's illness. She returned to her home on Thursday.

Mrs. George Wightman, Miss Edith Wightman and the former brother, Frank Coombs, of New York, arrived home from Montreal where they were attending the Wightman-Graham wedding. The newly married couple are visiting Mr. Wightman's parents before going to Newfoundland.

Miss Marie Doucette, of St. John, who spent her vacation with her aunt, Mrs. Philip Theriault, Bloomfield, returned to her home Wednesday.

The proceeds of the pantry sale held last Saturday at the home of Mrs. McBride in aid of the Hospital Aid amounted to \$27.75.

Mr. and Mrs. H. T. Warner, Mr. and Mrs. Robert Warner and Miss Dora Warner motored to Halifax last Thursday returning home Saturday.

Mr. and Mrs. McKenzie and family, of Kansas City, arrived in Digby on Wednesday and will spend the summer at "Linden Terrace".

Mrs. H. P. Bowers, of Westport, was the guest of Mrs. A. E. Dickson last week.

Mr. and Mrs. J. A. Faust motored to Halifax for a short visit.

Mrs. Douglas Daley and sister Mrs. Armstrong, of Saint John, are spending a few days at Mr. Daley's camp at Potters Lake.

Miss Eric Adams is visiting friends and relatives at Bay View.

M. B. Cunningham was called to Windsor on account of his mother's illness.

Eric Morse is visiting his mother Mrs. Mae Morse.

Mr. and Mrs. H. F. Williams accompanied by Mr. and Mrs. G. W. Utley, of Yarmouth, are leaving on Sunday for a motor trip to Sydney returning via the South Shore.

Rev. W. A. Penny accompanied by his mother was a visitor to Digby this week. Father Penny was the curate of St. Patrick's Church here five years ago and his many friends were very pleased to see him again. He is now the Parish Priest of Bridgewater and Chester. He left on Thursday for a visit to Rev. L. L. Graham. While in Digby he was a guest at Myrtle House.

A Rummage Sale in aid of the Digby General Hospital, will be given in Union Hall, Barton, Tuesday afternoon and evening June 28th. Lots of fun for young and old. Come and bring your friends.

John Wightman and bride accompanied by his mother and sister motored to Wolfville Thursday.

Mr. and Mrs. Frank Anderson accompanied by Dr. H. L. Roberts and Mr. and Mrs. H. F. Williams motored to Bear River and Deep Brook on Tuesday.

Mr. and Mrs. Percy Holdsworth left for Pictou by motor to attend the Drugists Convention.

Dr. and Mrs. A. G. Howard, of Boston, are visiting Mr. and Mrs. Jules Faust.

Mrs. and Mrs. F. W. Copithorne accompanied by Mrs. Grace Bell of Boston, were guests of Mr. and Mrs. A. E. Dickson on Thursday.

Mrs. J. H. James, of Kirkland Lake Ont., arrived in Digby last Friday, accompanying her sister Mrs. Paul Yates and Paul Jr. from Pictou. To spend the summer with her mother Mrs. Chas. Van Tassel.

Mr. and Mrs. Ralph Baxter and children, Mr. and Mrs. John Baxter, and Fred Lawrence enjoyed a car drive to Waterford Thursday night and spent the evening with Mr. and Mrs. Henry Sander on.

The last main business meeting of the celebration Committee was held at McPhes on Monday night when arrangements were perfected for the First of July Celebration and the chairman of the various committees instructed. A feeling that the Day would be the greatest in the history of Digby permeated the meeting and the enthusiasm with which all entered into the work promises that the whole day will be as good as can be and a day long to be remembered. The various committees are receiving general support in their efforts and contributions of cash and assistance are being received on every hand.

Mr. Lockward, in charge of the arrangements reported that the Carleton Band, of Saint John, would arrive on Friday morning's boat, with 27 players. Mr. Agate of the Waverly Hotel and Mrs. Winchester of the Winchester and Mrs. Cossaboom of the Excel Inn had offered special rates for catering to the band while here and the offer of Mr. Agate and Mrs. Winchester was accepted, the two hotels being closed together and near to the wharf and most convenient for the band.

The Parade Committee reported that many inquiries had been received for places for horse drawn floats and after general discussion the programme of the parade was decided as follows: Parade to form up at the head of the government pier at 10.30, to start off as soon as the band is embarked. The parade to include school children carrying flags, Boy Scout Troop Carromated Floats, Decorated Cars Horse drawn Floats, Ox drawn Floats decorated Bicycles. While all children entering the parade are requested to bring flags the committee is arranging to supply them to any children who may not have them when the parade starts.

The route of the parade will be from the head of the pier along Water Street to Lour Lodge, across to Queen, Queen to Carleton, Carleton to Birch and thence to the Pavilion, where the judges stand, will be erected. On passing the judges stand the school children will circle in around the pavilion where, with band accompaniment they will sing "O Canada" and "God Save the King". This will end the morning.

The water sports will start at one o'clock and all events will finish in front of the Pavilion.

The different classes have been arranged to give excellent sport and already several entries have been received. Mr. F. L. Anderson is chairman of the Water Sports Committee and all entries may be handed to him. The schedule of the sports has been arranged so it will be completed by 3.30 o'clock when the land sports begin.

The land sports will be held on the roadway in front of the Court House, where the slope of the hill provides a natural grandstand. All events will finish in front of the judges stand and the mile race will start at that point.

At eight o'clock in the evening the band will give a concert at the Pavilion and a display of fireworks will be discharged. There are no arrangements being made for a bon fire, but that may come if materials can be collected.

Taking everything into consideration it looks as though Digby was going to have a real bang up day on Dominion Day and from reports from all over the county everyone who can manage it will be in town. The committee was advised that

Sport Footwear for the Sports

If you are going in the races we can supply you with the running shoes that are sure winners.

If you are going to watch the races you will need a pair of our comfortable Sport Shoes.

We have a great assortment of Summer Footwear and our pleasure is to show you.

A. J. DILLON
Dependable Footwear

Weymouth would not be holding a special day of its own, but would join in the county celebration at Digby entering floats and decorated cars. From several school sections in the county entries have come for school floats in contest for the prize offered by Miss Stewart from CHURCH ST. to WARWICK ST. WILL BE CLOSED TO VEHICULAR TRAFFIC and will be BARRICADED OFF.

The programme of sports and prize list are published in an advertisement in this issue.

Mrs. Lockward, Mrs. Frank Nichols, Mrs. H. E. Jones and Miss Cosswell were guests of Mrs. Dickie on a motor trip to Weymouth where they were entertained by Mrs. Harrison Jones at two tables of bridge. Delicious refreshments were served at the tea hour.

Town of Digby Diamond Jubilee Celebration July 1st, 1927

NOTICE is hereby given that during the SPORTS on the 1st JULY that portion of QUEEN STREET from CHURCH ST. to WARWICK ST. WILL BE CLOSED TO VEHICULAR TRAFFIC and will be BARRICADED OFF.

The MAYOR requests that ALL CHURCH BELLS, STEAM WHISTLES, FIRE ALARM SIREN be RUNG or BLOWN at 7 o'clock on the morning of the 1st JULY.

FRIDAY JUNE 24, 1927

Promoting Patriotism

No surer indication of the public spiritedness in ones town can be shown than the effort to make the whole town attractive by looking after one's own premises and keeping the lawns trimmed, the building painted and the fences fixed. It makes such a difference in the opinion formed of the town by visitors and passers through, and the number of nice things which are said more than repay the work and time used in making all attractive. Digby, as pretty a town as will be seen in a long days journey, and the manner in which private properties and business stores are kept looking their best is a matter for gratification.

Next week we hope to entertain at least two thousand visitors from all parts of the County and outside and it will be in keeping with our civic pride in all property owners to do their utmost to have their places looking at their best. Along the line of route of the parade es-

pecially, properties will be on display and liberal use of flags and bunting is requested by the committee in charge of that part of the arrangements. Dominion Day, every year should be a day for decoration and celebration. This year is especially important as being the Diamond Jubilee Celebration of the Confederation and this year the interest being taken is more general. Some will say it is a waste of money, that no good can come of it, and that the money spent on decoration and celebration should be used for other things. Which may sound strange, but it is not more strange than that there are money grubbers who can think of nothing but the almighty dollar.

To accumulate a goodly share of this world's wealth is a laudable ambition. But to skimp on patriotism, to neglect the education of the young people in their duty, in priceless birthright as Canadians is nothing short of criminal. So when for Dominion Day you prepare the flags and bunting, dip into your pocket to contribute to the funds of the celebration, think proudly that you are doing your bit to make good Canadians out of the lads and the lasses who might otherwise never know what glorious heritage is theirs.

for 70 years

doctors have been prescribing Eagle Brand as an infant food when mother's milk is not available. Use it with confidence.

School Girl's Nerves

Lost year's time from school with St. Vitus' Dance. Completely restored by Dr. Chase's Nerve Food.

The anxiety and strain in connection with school life and examinations are too much for many girls who are naturally of a nervous temperament or have become so as a result of anaemia or a run down physical condition.

Nervous conditions are most difficult to overcome and there seems to be no treatment to compare with Dr. Chase's Nerve Food to restore exhausted nerves. Children's health responds quickly to this well known restorative treatment.

Mrs. George A. Moot, St. Ann's, Lincoln Co., Ont., writes: "Our daughter, who was never very strong from birth, at nine years of age became all broken down, suffering from what the two doctors we consulted called 'Midnight Walk', which was caused from overtax at school. She seemed to show

symptoms of St. Vitus' Dance and had queer spells, something like fits, at night. She was out of school for a whole year, as her nerves were so bad. Acting on a friend's advice, we gave her Nerve Food and after a few months' time we began to see a noted change in her, so we kept on with the Nerve Food until she was completely restored and for the last year she has been absolutely free of the old trouble, sleeps well and is doing fine at school. Now we are never without Dr. Chase's Nerve Food in our house, as we owe our daughter's health to it."

New rich blood, steady nerves, new energy and new vigor come with the use of Dr. Chase's Nerve Food. 60 cts. a box, all dealers or The Dr. W. A. Chase Medicine Co., Limited, Toronto.

We sell and recommend

Quaker DAIRY RATION

The extra quart in the milk pail is your profit.

Quaker Dairy Ration will produce most milk for each dollar of feed cost.

Keeps cows in best condition—because it feeds while it produces milk.

FUL-O-PEP POULTRY FEEDS

Chicks that pay you the best are those that earliest reach healthy maturity. Ful-O-Pep Chick Starter promotes the best growth because it feeds properly. Based on results, it is your most economical chick feed.

The Big Day

Congratulations are due the committee in charge of the Dominion Day celebration for their success in drawing up a programme of sports which utilizes all Digby's resources for this class of public entertainment. The water sports, which will be held off the Pavilion are varied enough to provide entertainment for all classes and the boys divisions particularly are wisely chosen. The same may be said of the land sports, for it is to the youngsters we must look for development of acrobatics and athletics in years to come. Their elders are out of the running. Business interests, autos, a dozen distractions, prevent older generation from being of much value, except as advisers, in the development of Digby as a sporting town, and it is to the lads we must look if Digby is to regain its former place as a centre for these sports.

The land sports, will be run in front of the Court House, where the school house hill will provide a natural grandstand and where all will be able to see the fun.

It is not the fault of the committee that the parade will have to start without a hand to lead it. To bring the flag over a day ahead would use up all the funds available, and while music does play an important part in all celebrations of this kind it is not absolutely necessary.

In awarding the prizes care should be taken not to injure the amateur standing of any of the contestants. To win a prize and as the price of winning to forfeit eligibility to enter into amateur sports would be too high a price to pay. No doubt the committee in charge of the events has taken recognition of this phase of the affair and that when the day events are over Digby will wake up to the fact that we can boast of material for both land and water sports which under proper development can carry Digby colors to win in similar events anywhere.

New Tusket People Greet Nephews in Western States

Mr. and Mrs. J. S. McAlpine, of Gaston, Oregon, who left New Tusket in Digby County in the year 1881, were reminded recently of their home land when their nephews, F. J. Mullen of Seattle, Washington a son of Stillman Mullen and E. P. Mullen of Everett, Washington, son of Levi Mullen, paid them a surprise visit motoring from Everett and Washington. F. J. Mullen had never seen his aunt and uncle until making the trip and it was twenty-four years before that E. P. Mullen had visited them, at that time in Portland, Oregon. Mrs. McAlpine is a sister of Sears, Stillman, Snook and Levi Mullen all of New Tusket.

Obituary

EMMA DAY SPOURLE
Emma Day Sproule, beloved wife of Orbin E. Sproule, 10534 92 street, Edmonton, passed away in one of the city hospitals, Friday, June 10, aged 69 years. She is survived by her husband and two sons, Harry A. Sproule, Edmonton, and Ernest C. Sproule, Mannville, Alberta. The Sproule family came west from Digby, N.S., in 1906, and ranched in the Mannville district, until fifteen years ago when they moved to Edmonton to make their home. A wide circle of friends and acquaintances, endeared to the late Mrs. Sproule, left to mourn her loss. The funeral was held Sunday afternoon at 2.30 o'clock from Howard & McBride's private chapel. Rev. W. A. Smith of Norwood United church conducted the service and interment was made in the Edmonton cemetery.

It is better to be sure than sorry. If you want an especially good cup of tea for a particular occasion, it is better to pay a little more and get MORSE'S SELECTED ORANGE PEKOE, and then you will be absolutely sure of having secured the best.

TRENTON MAN IS VERY GRATEFUL

SAYS THAT "FRUIT-A-TIVES" STOPPED NERVOUS HEADACHES

MR. R. A. BOVAY.

Mr. Roy A. Bovay of Trenton, Ontario, thinks very highly of "Fruit-a-tives" for removing the cause of nervous headaches. "If I could tell every sufferer in the world what 'Fruit-a-tives' have done for me," he writes, "For years I was much troubled by bad headaches, nervous dyspepsia and liver troubles. Then I commenced taking 'Fruit-a-tives'. Thanks to these wonderful tablets I am once more entirely well."

Are you, too, afflicted with nerve headaches? Quite probably they are traceable to lay bowels, stomach, kidneys or liver. What you need is the gentle, natural help of "Fruit-a-tives" which is made from deacidified fresh fruit juices blended with tonic. "Fruit-a-tives" is nature's own ally in promoting health and happiness. Enlist its aid for yourself, to-day. 25c and 50c, everywhere.

Ending The Dust Nuisance

The first week's trial of Calcium Chloride, spread on the streets as a dust layer, has proven quite satisfactory and that section of Water street on which the experiment was made has been fairly free from dust. When next the Town Fathers meet another shipment of the material will no doubt be ordered and all the main section of the town given a treatment of it.

The method used to apply, was an ingenious sifter arrangement, attached to the rear of the streets department truck and resulted in an even layer being spread on the street. A sand screen was rigged on the back of the truck and by keeping a stream of the chemical pouring over the screens the job was done well and quickly.

When next the roadway is treated the coating should extend close in to the curb and make a real job of doing away with the dust nuisance.

The cost will be met, it seems, by saving of water from the reservoir, an important item in the summer season and by saving of horse hire for the watering cart.

The newest attraction for tourists is the Hooked Rug Shoppe, opened by Mrs. Harry Williams, in the little store opposite the Courier Office. The number of attractive rugs displayed is going to prove too much for the pocket books of some people and the new store is a convenience which our visitors will appreciate.

Two Tested Recipes For Salad Dressings

Now that salads are the order of the day, really good recipes for salad dressings will be welcomed. A salad is often made or marred by the piquancy of the dressing used, so that tested recipes are very desirable. Since some prefer an uncooked dressing and others a cooked dressing we give two recipes, both of which we know will please.

SALAD DRESSING (Uncooked)
2 eggs beaten until light; 1-2 teaspoon salt; 1-2 teaspoon mustard; 1-2 can Eagle Brand Condensed Milk; 1-2 cup vinegar. Beat the first four ingredients vigorously for a few minutes, add the vinegar, stir well and set aside for a few hours to thicken. Excellent for fruit or vegetable salad. Will keep for weeks. For Russian dressing add Chili sauce to taste.

SALAD DRESSING (Cooked)
1-2 tablespoon salt; 1 teaspoon mustard; 1 teaspoon flour; 1 tablespoon butter; 1-4 cup Eagle Brand Condensed Milk; 1-2 cup water; 1-4 cup vinegar; 1 egg. Mix dry ingredients, add slightly beaten egg, butter, milk, water and vinegar. Cook until thickened. Strain and cool. Whipped Borden's St. Charles Evaporated Milk, or cream, may be added before serving if desired. Yield, 1 cupful.

A New Craft For The Pleasure Fleet

The swing back to water sports gains momentum each season and the latest addition to the pleasure fleet is a fine new sailing yacht for F. L. Anderson, which took the water on Friday and was given sailing trials this week.

Built by Evan Dunn, of Canadian spruce and riggs by George Nedau, the yacht is as pretty as a picture. Her dimensions are 22 feet length, 8 feet 6 inches beam and 4 foot draft. She carries high peak mainsail and jib.

This summer should see a bit of sport among the sailing vessels and when the Cruising Club of America visits Digby in August races for small craft as well as the ocean going types will likely be arranged.

The First Entry For The Dominion Day Sports

The first entry for the single rowing event of the Dominion Day sports is the new row boat MicMac put into the water this spring. The owners are Misses Winchester and Weir, of the Western Union, who are tossing up every day to see which is to be captain and which mate. Fred McBride is sailing master and crew, so far as the races are concerned and will be at the oars when the gun starts the entries over the course.

The Mic Mac is a fine looking boat, finished in oak stain to the water line and on the inside and looks as though one could have a lot of pleasure from it.

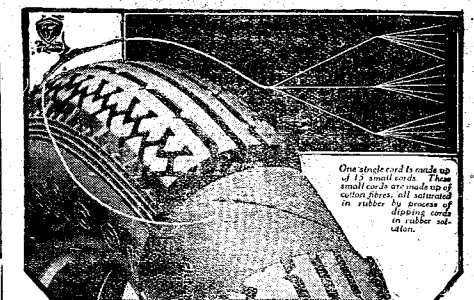

Failing the time honored beverage from the name giving at the launching the owners used "pop," but that has not spoiled the boats sailing qualities any.

The moth harp does but one thing and does it well—it eats and eats and eats. Carpets, rugs, upholstery, clothing, woolens and furs are riddled with holes to satisfy the enormous appetite of the moth larva. Fly-Tox kills the moth, the eggs and the larva. Fly-Tox is the scientific insecticide developed at Mellon Institute of Industrial Research by Rex Fellowship. Simple instructions on each bottle (blue label) for killing ALL household insects. Insist on Fly-Tox. Fly-Tox is safe, stainless, fragrant sure. Every bottle guaranteed.

Pure tea of finest quality, free of dust and packed in Aluminum.

RED ROSE TEA

RED ROSE ORANGE PEKOE is extra good.

GUM-DIPPED TIRES Help You Save Money

The Firestone process of saturating the cords in rubber solution, insulates every fibre of every cord with rubber, minimizing internal friction and wear. It gives stamina to the cords and makes possible the strong, flexible sidewalls of Firestone Full-Size Balloons, that give you full cushioning on rough roads—absorbing the bumps and bridging the ruts. The scientifically designed Firestone Balloon tread grips the road—resisting skid and giving traction in slippery places. Firestone Balloon Gum-Dipped Tires on your car will deliver greater safety and comfort and materially lower your tire costs. The nearest Firestone dealer is equipped to serve you better with these better tires. See him now.

"Smooth Sailing Ahead" - For Those Who Adopt This Better Lubricant -

Every boat owner is always on the alert for anything that will lower his operating cost or raise the efficiency of his boat.

Marvelube does both.

Hence the eagerness with which Marvelube Motor Oil has been tried and adopted by those to whom efficiency and economy are essential features of their business.

Hundreds of Maritime boat owners have found that Marvelube is the oil that enables them to get the most out of their engines. And with this higher quality of performance, they get the lower fuel bills and the slower depreciation which proper lubrication helps so materially in bringing about.

Why wait another day for the lubrication that will aid so materially in the profitable use of your boat—put Marvelube in the crank-case and Premier Gasoline in the tank—you will find this the ideal combination of perfect fuel and wonder-working lubricant.

Local and Personal

Mr. and Mrs. Vivian Harris and child, of Union, Maine, are visiting relatives in town having arrived by motor on Friday.

Mrs. Addie Moore, of Weymouth, is the guest of Mrs. Mary Hubbard.

Miss Withrow, of the teaching staff, of Oakdene School, left Saturday for her home in Emsdale, Hants Co.

Miss Henderson and Miss Hatfield, of Oakdene School, left Tuesday for their homes at Fox River, Cumberland Co. Miss Hatfield was accompanied by her nieces the Misses Helma and Harriet Green.

Mrs. J. R. Moore entertained a few friends at "Bridge" Saturday evening, the first prize was won by Mrs. Alfred Forter.

Saturday afternoon Miss Blagdon from Mrs. Harrison Jones and Mrs. Dr. Potter, of Weymouth, motored to Bear River and spent the afternoon with Mrs. Fred Harris, who entertained in their honor at two tables of "Bridge", the prizes were won by Mrs. Potter and Mrs. Simons.

Mrs. Murphy and Miss Esther Curphy, of Deep Brook, were in town on Monday calling on friends.

Mr. and Mrs. M. N. Usher, of Hacketts-town, N.J., are guest at Riverview Lodge.

Mrs. Banks, of Middleton, was the week end guests of Mrs. Fulton Parker.

Mrs. Snow and two children, Mrs. Wilde and two children, of Roxbury, Mass., arrived on Wednesday and will spend the summer at Maple Hurst.

Mrs. Smith, of Brooklyn, N.Y., is the guest of Mrs. Jesse Harris.

Mr. and Mrs. Fleming and two daughters, of Shubenacadie, motored here on Saturday. On their return they were accompanied by Miss Olive Fleming of the teaching staff.

Rev. Mr. Bishop, of Digby, conducted the services at the United Church on Sunday morning.

The evening service at the United Church was cancelled in order that the congregation might attend the closing service of the Baptist Association.

Aubrey Sproul, of Clarence, and Miss Sproul, of Paradise, were guests of Mrs. W. A. Chute on Sunday.

Mr. and Mrs. T. G. Bishop, Mr. and Mrs. Alton Brown, of Lawrenceport, and Mrs. Mrs. Clarence Crouse and Mrs. Thomas, of Grandville, were the Sunday guests of Mrs. George Crouse.

D.R. Wright, of Annapolis Royal, is in town this week conducting the Provincial Examinations which are being held here.

The Aid Society, of the United Church met on Tuesday with Mrs. Wm. McCormack.

Frank McNaught, Miss Isabel Brown and Miss Robert motored to Halifax on Friday and returned Saturday with Alexander Brown who spent the week end with his parents, Mr. and Mrs. McNaught. Mr. Brown left again for Halifax by the midnight train on Sunday night.

Invitations were received recently in Bear River for the wedding of John Edmonds McMillan to Miss Caroline Catter which took place Monday, June 20th, at Salem, Mass.

Miss Joyce Roop arrived home on Wednesday from Mount Saint Vincent Academy where she graduated in Secretarial Science. Miss Roop was the winner of the pearl emblem given by the Underwood Typewriter Co. for speed.

Mrs. Watt, of Charlton, N.B., was the guest of Miss Frank McNaught last week.

A number of the brethren of the Keith Lodge No. 16 A.F. and A.M. motored to Annapolis Royal on Sunday afternoon and took part in the service held in St. Luke's church in honor of St. John's Day, union service of the lodges from Annapolis Royal, Bear River, Digby and Freeport.

Mrs. Adams, of Annapolis Royal, is the guest of her cousin Miss Edna Peck.

Meeting of Western Baptists Association Held in Bear River

Bear River—"The Switzerland of Nova Scotia" was the scene of a large gathering of delegates from the churches of the Western United Baptist Association, which includes within its bounds the Baptist Churches of Digby, Annapolis and Lunenburg Counties. On Thursday evening, June 16th, when the Association was opened by Rev. A. J. Prosser, the Moderator, Rev. A. H. Whitman and Rev. M. O. Brinton assisted in the opening exercises and Rev. Harry Barber of Paradise preached, his theme being "Great Questions Concerning Life's Emergencies." The Friday morning session was opened by an hour devotion period, led by Rev. F. E. Bishop of Digby, his theme being "The Best Definition of Religion." "Thou shalt love the Lord thy God with all thy Heart, Mind, Soul and Strength. Following this address the Moderator appointed three Committees as follows: Nominations—Rev. A. H. Whitman, Rev. P. M. Hamilton, Deacon A. Feindel. Arrangements—Rev. E. J. Barriss, Rev. G. C. Durkee, Rev. F. E. Bishop.

Resolutions Rev. W. D. Wilson, Rev. M. B. Whitman, Rev. H. W. Hutchinson. A hearty welcome was extended to the delegates on behalf of the entertaining church by Mr. W. W. Clarke which was responded to on behalf of the delegates by Rev. M. B. Whitman.

A welcome to the new pastors who have taken up work within the Association during the year was fittingly extended by the Moderator. These were as follows: Rev. Harry Barber, Paradise; Rev. Osgood Morse, Margareville; Rev. C. G. Heisler, Deep Brook; Rev. H. W. Hutchinson, New Germany; A. P. Hunt, Lic. Milford; James Wilson, Lic. Mount Hanly; Harry Hill, Tanook; and Walter Ramsey, Lic. Centreville.

To this welcome each minister briefly responded. Following this the report of the nominating committee was received and adopted. The officers for the ensuing year being Rev. Osgood Morse, Moderator; Rev. F. E. Bishop, Vice Moderator; Rev. F. H. Eaton, Clerk; Rev. M. O. Brinton, Assistant Secretary; J. L. Warren, Treasurer.

The Friday evening session the high level of interest shown during the Association was fully maintained as the large audience listened to two stirring addresses. The first being given on the subject of Education by Rev. J. H. MacDonald, D.D., of Acadia University, in which he clearly discussed the Great Problems in Connection with Education—These problems being first: "The Tendency of the Material to Dominate Over the Spiritual—2 The Problems of the Development of Personality 3 Problem of Co-education 4. Adapting Courses of Study to the Needs of the Times. 5 The Problem of the Spiritual Life of the Student (6) Problem of Creed (7) Problem of Finance. Dr. MacDonald made a strong plea for the support and sympathy of the churches towards the work which Acadia is endeavoring to do.

Rev. A. J. Prosser followed in an address on Social Service which was based on the words of Matt 25—"Inasmuch as ye have done it unto the least of these ye have done it unto Me." Mr. Prosser said we need a revival of Christian Ethics. Social Service in Christian Service. Jesus' program was a program of Teaching, Preaching and Healing. The church must follow his example by teaching and practicing Practical Christianity. Men will be judged on the basis of their conduct. What they have done or left undone. If we fail to recognize human need we have no religion. It is a very serious thing to treat the demand of the needy as

Morning Noon and Night Refreshing KING COLE TEA
All Grocers

an optional thing. It is an obligatory thing. We are to save not only men's souls but care for all their needs. The unfit are increasing disproportionately. The problem of the feeble minded is both a problem and a peril.

The Saturday morning session was devoted to the consideration of various reports, including that of the Nominating Committee Committee of Arrangements. Report of the Social Service Committee which was presented by Rev. E. J. Barriss provoked an animated discussion, particularly that section referring to the action of the Government of New Brunswick and the position of the Chief Liquor Commissioner of the Province, and his acceptance of an office which lines him up as a friend of Government Control.

The report of Missions which included Home, Foreign, Western Canadian and Grand Ligne was presented by Rev. J. W. Meisner and adopted. The Saturday afternoon session will be given over to the Annual Meeting of the Women's Missionary Aid Societies of the Association.

The Digest of Letters was presented by the clerk Rev. F. H. Eaton. The report was encouraging in many respects and showed many increases in the churches of the Association. Most of the fields had received regular patrol care during the year. Of the membership of the churches about 30 per cent were non-resident and these are frequently found to be of little strength to the church to which they belong. Of the churches where increases had been made Bridgetown led with fifty additions, Melvern Square, Kingston, Freeport, Springfield and other churches had enjoyed seasons of spiritual revival and were encouraged by addition to the membership. The problem of the exodus of the people from the rural districts was an ever recurring and serious one. The remainder of the morning session Friday was given over to Rev. C. L. Whitman, Canadian Field Secretary of the Sudan United Mission, who had spent eight years in Africa as a Missionary. The Mission was established in 1905 and since then the cause has been marching on. They had brought the gospel to thirty of the pagan tribes of Nigeria and to others on the French Sudan and to others again in the valley of the Upper Nile.

Mr. Whitman's address stirred the Association as he told of the superstition, cruelty and degradation of the people and of many whose lives had been transformed by the Gospel. At the afternoon session, Friday Rev. F. E. Bishop, again led the Association devotionally, giving a fine address on "Religious Relationship to Others". Taking as his text "Thou shalt love thy Neighbor as Thyself". The report on Denominational Funds was prepared and presented by Rev. G. C. Durkee. This clear and carefully prepared report showed the progress made in the giving of the churches since 1923 and also pointed out clearly the allocations of each church for the current year and the amounts raised to date. After discussion the report was adopted.

The report on "Denominational Literature was given by Rev. A. H. Whitman and emphasized the value of the Bible as the great text book of the churches and the Sunday Schools; the importance of the distinctive principles of the Baptists pointed out the need of reaching the best histories of the church and emphasized the importance of the Denominational Paper, the Maritime Baptist to the homes of the people. Rev. L. H. Crandall, Editor of the Maritime Baptist, in a fine address made reference to the great need of increasing the circulation of the paper and the strong appeal was made by him to the people to give it their hearty support. At the present time only about one family in seven in the Maritime Provinces are subscribing for it.

The report on Obituaries was presented by Rev. M. B. Whitman and showed that an unusual number of the members of the churches had passed away during the year, many of them being among the best and most loyal. Among these were the following: Rev. H. D. Bently, Mrs. J. Haddon Balcom, Emerson Road, Deacon A. D. Brown, Alvin Eisner, Dea. Lindsay R. Gates, John Hirtle, Mrs. J. John E. Shaffner, Mrs. T. H. Denton, Mrs. W. B. McKeown, Mrs. Mary Wheelock, Mrs. Norman Franks, Mrs. Phineas Whitman, Miss Eva M. Marshall, Mrs. Edward Daniels, I. D. Parker, Mrs. J. A. Balcom, Fenwick-W. Jackson, Mrs. Stewart Hicks, Mrs. Joseph Fitch and several others.

At the Saturday evening session two strong addresses were delivered the first by Rev. F. H. Eaton of Bridgewater, who treated the subject of Home Missions in a clear and convincing manner. Mr. Eaton said that the work of Home Missions in relation to the other work of the denomination was foundational and fundamental. Jesus went about among the villages teaching and no community was too small to be overlooked. The very spirit of Home Missions is christian, for much of the work carried on today in unpromising localities there is little hope of much financial remuneration.

We have heard of the impact of the city upon the country said Mr. Eaton but what about the impact of the rural church and the splendid men and women who have gone from rural churches to city churches.

A man said, when the election returns were coming in, 'You can't tell how the Election is going until the back country is heard from', and you can't tell how the tide of spiritual battle will go if you do not reckon with the rural districts. The next address was given by Rev. F. E. Bishop of Digby whose clear and forceful presentation of the claims of the denomination for support and the importance of the Denominational Enterprise gripped his audience and brought home to them the responsibility of Christian Stewardship as he discussed the challenge presented by Home and Foreign Missions Education, Social Service, Ministers Aid and Relief and other great denominational interests. "We need to follow the dollars to their destination" Mr. Bishop said, if we are to have the true incentive to give. The church is only half a church which is not helping in denomi-

Bear River Nova Scotia

tional work and a minister is only half a minister who cares only for the local church and home community.

A largely attended devotional service was held at 9.30 concluded by Rev. F. E. Bishop of Digby which was followed by the Annual Association Sermon preached by Rev. P. R. Hayden of Bridgetown. Mr. Hayden's text was found in Isaiah 52 "Awake! Awake! Put on thy strength Oh Lion" and the discourse was a most fitting one for the occasion.

The afternoon session was devoted to the cause of Religious Education the first speaker being Rev. W. C. MacClum the Big Brother of the Boys, or Boys Secretary of the Maritime Religious Education Council. Mr. MacClum who is always heard with great interest was at his best on this occasion. He urged that the program for boys activities should not be arranged so much for boys as by boys.

The report of Sunday Schools and Young People's work prepared by Rev. M. O'Brien was read by E. R. Hamilton and adopted.

The closing session of the Association was held on Sunday evening and there were no signs of the interest or attendance waning.

Miss Winnifred Eaton and Rev. J. H. West, M.P. missionaries on furlough from India were the speakers. Rev. A. Gibson, Maritime Baptist Religious Education, Field Secretary was the other speaker.

The Association then adjourned to meet with the church at Middleton on June 1928.

The kindness of the Bear River Baptist church and congregation and the pastor Rev. F. J. Barriss as well as that of all the people of Bear River to the delegates and visitors was phenomenal and their

christian hospitality will not soon be forgotten.

The music by the choir was of a high order and the solos and duets and trios were exceptionally inspiring.

Rev. A. H. Whitman

W. I. Library

All W. I. members having books must return them to the Library on Saturday, as no books will be issued for the next couple of months.

Bear River Tennis Club

The first round in the tournament being played among the members of the Bear River Tennis Club was finished on Thursday and considerable interest is being taken and some speculations as to the final outcome.

Tea was served last Thursday at the Club Courts by Mrs. H. C. Anthony, Miss Catherine Brown, Miss Robina Romans and Reg. Harlow.

The Quoit Crease is now in readiness and it is hoped that before long the water pipes will be laid also.

GOD SAVE THE KING

Built for Endurance

BEHIND the beauty of Chevrole is an abundance of strength and endurance. So there is a difference between looking good and being good. The rugged chassis steel frame, the heavy body and sturdy steel construction combine to give the Chevrole the wear and tear of hills and ruts, of dust and rain, of extremes of climate and of hard, constant use.

As a Chevrole has been designed to beauty, powered by the world-famous Chevrolet 4-cylinder engine, so the Chevrole has been designed for endurance. It is the most beautiful, the most powerful and the most rugged Chevrolet in the world.

Chevrolet History — is selling at new prices, the lowest for which Chevrole ever went, and in Canada.

NASH

Leads the World in Motor Car Values

Special Six Special Sedan

The UTMOST Value at its Price— —This Nash Special Sedan

Search as you may among other cars selling for or around this price. Nowhere can you buy such VALUE, such costly, LUXURIOUS quality.

NONE have the style. NONE have such high character in finish and fittings.

Step into the front seat and SEE the luxury. A costly walnut effect on the instrument board before you, on the door panels beside and behind you, Choice Mohair Velvet upholstery all around, cushioned deeply on the seats, tailored smartly on the side walls.

And when it comes to performance, NOT ONE comes even NEAR this spirited Nash. There is absolutely no comparison!

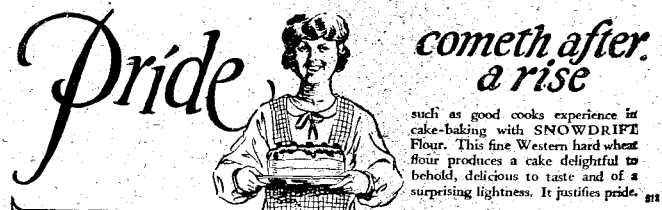

Step on the starter, then on the accelerator—and GO! The soft even flow of power is due to the ultra-modern crankshaft. It has 7 main bearings—three or four MORE than most other cars. A bearing at every possible place to hold the shaft firm and rigid.

It has BIGGER bearings too—wider and stronger ones. MORE bearing surface than any other Six in its price class.

Try a long steep hill and feel the EXTRA power. Nash straight-line drive sends the power DIRECT from motor to rear axle—no energy wasted by angles or curves along its route.

Bring in your old car as part payment on a new Special Sedan. Among fine sedans at this price, there's nothing to equal this Nash. Come in—TODAY—and see.

Lady Williams Taylor Speaks at Dinner Given Students

Lady Williams-Taylor was the principal speaker at a most enjoyable dinner given at the Mount Royal Hotel, Montreal, on Monday May 30th., by Mrs Fenwick Williams to her students in the course of writing and marketing the short story. Numbered among the guests were prominent leaders of business and professional life in the city, as well as distinguished members of literary and cultural circles of Montreal.

Choosing as her subject 'Some Celebrities I Have Known,' Lady Williams-Taylor gave a series of piquant and charming impressions of a few famous characters, enlivening her address with a wealth of amusing anecdotes. In introducing the speaker, Mrs. Fenwick Williams spoke briefly on the activities of the short story course and expressed satisfaction with the quality of the manuscripts which have been submitted to her by the students.

She concluded by saying: "Now that my guests have swallowed the pill—they are introduced to the jam—Lady Williams-Taylor."

"Some Celebrities I Have Known" was the theme which permitted Lady Williams-Taylor to paint vivid word pictures of famous men and women whom she has met during various winter sojourns in Italy, Tunisia, the Riviera, and the West Indies. She ran the gamut from Mark Twain and George Cable, who prepared her for many beautiful days in Louisiana to Pope Pius X. and included a delightful episode of Lord Tennyson reading his favorite poem "Maud" in his lovely garden. A luncheon at Bisham Abbey with Sir Arthur Sullivan and Sir W.S. Gilbert, Frederic

Mistral and Fabre Materlinck and Gertrude LeBlanc in France, Henry James, Gilbert Parker, Roosevelt, Hichens, Cleveland Moffatt, G. K. Chesterton, John Lae and W. J. Locke. Rann Kennedy and Edythe Wynn, Matheson, Lord Roberts—these great ones comprised Lady Williams-Taylor's portrait gallery.

"Of one thing I am convinced Lady Williams-Taylor said, "and that is, that only by intimate and sympathetic association with the brains of this world can one overcome its stupid conventions, and attain the intelligent tolerance and mental independence that endow one with originality, and spontaneity that lighten life's burdens and inevitable gloom."

Mr. Justice Fabre Surveyer moved the vote of thanks to Lady Williams-Taylor and B.K. Sandwell seconded it. Sir Fenwick Williams-Taylor was prevailed upon to tell a story about his youthful days in Pictou. The other speakers were Howard Kennedy, Dickson, Patterson, and Mrs. Genevieve Lipsett-Skinner.

At the end of the evening Lady Williams-Taylor announced that she desired to offer a prize of one hundred dollars for the best story submitted by any member of Mrs. Fenwick Williams Short Story Class for 1927-28. Anyone of Mrs. Fenwick Williams' students may compete, whether a member of the Montreal class or a student of the course by mail.

Montreal-Toronto-Chicago

Travel between the cities of Montreal, Toronto and Chicago is increasing to a large extent and vast numbers are daily passing to and fro. Especially is this the case with business men, who, in these modern days, can leave Montreal at 10:00 A.M., any day of the week via the "International Limited", the fast, high class train of the Canadian National Railways between those cities, "The Inter-City Limited" which leaves Montreal daily at 12:30 P.M., arriving Toronto at 8:30 same night.

To meet the increasing demand for additional train service between Montreal and Toronto, the Canadian National Railways have inaugurated another high class train between those cities, "The Inter-City Limited" which leaves Montreal daily at 12:30 P.M., arriving Toronto at 8:30 same night.

Both of these trains afford excellent facilities for travel between the respective cities and that they meet with the approval of the travelling public is evidenced by the numbers patronizing them.

Connections from Maritime Provinces are made with both "The International Limited" and "Inter-City Limited" by the "Ocean Limited" on which radio equipped compartment library-observation cars are operated.

Information as to reservations, fares, etc., can be obtained from any Canadian National Agent, or from the General Passenger Department at Moncton, N.B.

Cemetery Lots Cared For

I am prepared for all kinds of work in connection with cemetery lots. This graded, gravelled and sodded. Stones erected, and straightened up. Lots cared for by the season at moderate fee. Orders may be left with A. R. Turnbull, Digby, OSCAR R. VAN TASSEL, Mount Pleasant.

Special Notice

I am pleased to inform my customers and the public generally, that I have been very fortunate in securing the services of Mr. William Kaiser, the renowned hand sewed workman, who is no stranger to a number of Digby people as he formerly worked here some years ago.

Lots of people who wear fine footwear object to have the tacks nailed on, but my tailor pay the difference in the cost and have them sewed on, clearly showing that they belong to the wise ones the best is none to good for them.

My desire is to keep up the reputation of this shop as formerly run by Mr. G. H. Holdsworth for a long number of years, using good work and findings, and above all first class workmanship.

1927 "A" No. 2853
IN THE SUPREME COURT
BETWEEN:
MARY ELIA MUISE Plaintiff
and—
HANSON W. STEVENS
ANNIE STEVENS Defendant
George the Fifth, by the Grace of God Etc

To Hanson W. Stevens, residing at Keston, in the County of Digby, and State of New Hampshire, and Annie Stevens residing at Pituit in the County of Gt. George and State of Michigan.

WE COMMAND you that within twenty days after the service of this writ on you inclusive of the day of such service, you do cause an appearance to be entered for you in an action at the suit of Mary Elia Muise.

AND TAKE NOTICE that in default of your so doing the Plaintiff may proceed therein and judgment may be given in your absence.

Issued the 12th day of March A. D. 1927.

Frank W. Nichols, Plaintiff's Solicitor.

N. B. This Writ is to be served within twelve months from the date thereof, if renewed within six calendar months from the day of the last renewal, included in the day of such date and not after wards.

The Defendants may appear, hereto by entering an appearance either personally or by Solicitor, at the Prothonotary's Office at Digby, in the County of Digby, N. S.

The Plaintiff's claim is against the Defendants for the foreclosure of a certain Indenture of Mortgage dated the 5th day of March A. D. 1923, made by the said Hanson W. Stevens and Annie Stevens his wife, to the said Mary Elia Muise, of land situate at Weymouth in the County of Digby, for the sum of \$1000.00 payable in four years from the date thereof with interest at six percent per annum payable semi-annually, and for a sale of the said land at Public Auction in payment of the amount due on the said mortgage, and for possession of the land and premises described in the said mortgage.

Particulars:

1923 March 5th. To Principal of Mortgage \$2000.00
March 5th. To principal due \$2000.00
To interest due on said \$2000.00 \$1531.00
To insurance premium 5.00
Total \$3536.00

This Writ was issued by Frank W. Nichols of Digby, Nova Scotia, Solicitor for the said Plaintiff, whose address is Weymouth in the County of Digby.

N. B. This Writ is to be served where the defendant or the Defendants, or one or more Defendant or Defendants are or are out of the Jurisdiction. When the Defendant or the Defendants is not a British Subject, and is not in British Dominions, notice of the Writ, and not the Writ itself, is to be served upon him.

1927 "A" No. 2853

IN THE SUPREME COURT

BETWEEN:

MARY ELIA MUISE Plaintiff

and—

HANSON W. STEVENS

and—

ANNIE STEVENS Defendant

BEFORE THE HONORABLE J. ARTHUR GRIFFITH, JUDGE OF THE COURT OF APPEAL FOR THE DISTRICT NO. 3 MASTER EX OFFICIO OF THE SUPREME COURT IN CHAMBERS AT WEYMOUTH.

UPON READING the affidavit of Frank W. Nichols sworn before me the 15th day of June A. D. 1927, and the papers on file herein, and on hearing Mr. Nichols for the Plaintiff herein:

THE PLAINTIFF herein having in pursuance of an Order granted by this Honorable Court two consecutive weeks and the 15th day of June A. D. 1927, issued a Writ of Summons herein on the 12th day of March A. D. 1927 for service out of the Jurisdiction.

IT IS ORDERED that the Plaintiff be at liberty to serve the said Writ upon the said Defendant Hanson W. Stevens at any place within the Dominion of Canada or within the United States of America, by sending the same by prepaid registered post in an envelope addressed to the said Hanson W. Stevens at Weymouth in the County of Digby, and by inserting an advertisement of such writ and Writ twice in the Digby Weekly Courier, a Newspaper published at Digby, in the Province of Nova Scotia, by an insertion each week of such writ for two consecutive weeks, and that the posting of such writ and order and the inserting of such notice shall be good and sufficient service of the Writ of Summons herein upon the said Hanson W. Stevens.

AND IT IS FURTHER ORDERED that the said Defendant Hanson W. Stevens, shall have twenty days after the said posting of such writ and order and the last insertion of such advertisement, which ever may occur, within which to enter an appearance to the Writ of Summons herein.

J. A. FAYLOR, Prothonotary.

Dated at Digby, N. S. this 15th day of June A. D. 1927.

1926 "A" No. 2852

IN THE COUNTY COURT For District No. 3

BETWEEN:

PETER LEBLANC Plaintiff

and—

LEONARD MALLET Defendant

TO BE SOLD AT PUBLIC AUCTION by the Sheriff for the County of Digby or his Deputy, at the Court House at Digby Nova Scotia, on

Tuesday, the 12th day of July, A. D. 1927.

at eleven o'clock a. m. under execution issued on a judgment recovered herein by the Plaintiff herein against the Defendant herein on the 26th day of May A. D. 1926, and duly registered in the Registry of Deeds at Weymouth in the County of Digby on the 26th day of May 1926, unless before the day of the sale the amount due the Plaintiff herein with costs and expenses shall be paid to the Plaintiff or his solicitor.

All the estate, right, title, interest, claim, property and demand of the herein Defendant, Leonard Mallett and of all persons claiming or entitled by, from or under him at the date of the judgment herein, and at any time since, of, in, to and out of

(1) All that certain lot, piece or parcel of land situate, lying and being at Salmon River in the County of Digby near the corner of Pleasant Cove Road and bounded and described as follows: On the East by lands of Timothy Melanson, on the South by lands of Oliver Deveau, West by the Post Road; North by lands of Robert Deveau and Simon Deveau and being true and legal premises of the late Archange M. Deveau.

(2) All that certain lot, piece or parcel of land being at the rear of Salmon River, adjacent and bounded and described as follows: On the East by lands of Philip Deveau, on the South by the cross-road, on the West by lands formerly owned by Nathan Powers and on the North by lands of the heirs of the late Thomas Polley.

(3) All that certain lot, piece or parcel of land situate lying and being at Salmon River aforesaid, bounded on the west by the Post Road, on the North by lands formerly owned by Catherine Dubreuil, on the East by Barrons, on the south by lands of the late Michael Deveau.

The said three above described lots being part of the land conveyed to the herein Defendant, Leonard Mallett by Archange M. Deveau and wife by Deed dated the 2nd day of March A. D. 1910 and duly recorded in the office of the Registry of Deeds at the County of Digby on the 5th day of March, 1910 in Book 101 page 330.

Together with all and singular the buildings, woods, ways and waters, watercourse, easements, privileges, hereditaments and appurtenances to the same, belonging or in any wise appertaining.

TERMS—Ten per cent deposit at time of sale, remainder on tender or delivery of Deed.

THE SHEIK DISCOURSES

AIN'T LOVE THE BUNK

In the story books a fella used to knock out sob stuff on a guitar under his SHERBA window, but that don't go any more. Making love with an ORCHESTRA is one of those bighouse fables nowadays, and, besides, the COPS won't stand for it. Bimbos these days must EAT—you've gotta feed em something more substantial than SOUND WAVES or ether vibrations.

Bring 'em CHOCOLATES—and bring THE BEST.

The Late R. STANLEY WEIR

Owing to the fact that numerous suggestions were received from all parts of Canada that a uniform English version of "O Canada" be approved, the National Committee for the Celebration of the Diamond Jubilee of Confederation circularized the Prime Ministers and the Ministers of Education of all the Provinces. Replies were received that the version written by the late R. Stanley Weir, D.C.L., Recorder of Montreal, is being used in the schools of all the Provinces, including the English-speaking sections of Quebec. In view of this, the Committee is using the Weir version in its own publications.

O CANADA

Words by WEIR Music by LAVALLEE

O Canada! Our home, our native land!
True patriot love in all thy sons command,

With glowing hearts we see thee rise,
The True North, strong and free,
And stand on guard, O Canada,
We stand on guard for thee,
O Canada, glorious and free,
We stand on guard, we stand on guard
for thee!

O Canada, we stand on guard for thee!

**Dr. Victor Turnbull Elected
Secretary of Dental
Association**

Dr. H. O. Harding of Yarmouth was elected president, Dr. Mitchem, Barrington Head, Vice-President and Dr. G. Victor Turnbull, of Digby, Secretary of the Western Counties Dental Association at their annual meeting held at Weymouth on June 10th last.

There were in attendance at the meeting dentists from Middleton around to Shelburne and most interesting sessions were held. A particularly instructive paper was that read by Dr. McLanahan on "Difficult Extractions".

At the close of the business session the association dinner was served by Host Lent of the Rayside Farm. Being specialists in the care of the teeth it is safe to say that the dentists suffered no toothaches from the good things served.

In the evening most of those attending the meeting stayed over at Weymouth to witness the Kiwanis Play, presented under the auspices of the Kiwanis Club of Yarmouth.

Bay View

Miss Dorothy Ellis is no more from Normal College. We congratulate her on her success in getting her C license. Also a temporary B.

Mr. and Mrs. Aubrey Bowles motored to their home in Waterville, Kings Co. last Monday. They were accompanied by Mr. and Mrs. Frank Adams and daughter, Athalia, who will spend a few days with them before returning to their home in Rowley, Mass.

Mrs. Elmer Weir, of Digby, has been the guest of her mother, Mrs. Eliza Adams for a few days this week.

George VanTassel and bride, of Church Point, were guests of his aunt, Mrs. Lillian Condon for a few days.

In the full page advertisement for the Dominion Day Sports there is an error which will lead to confusion in making entries unless care is taken. Dr. Victor Turnbull is mentioned as chairman of the Water Sports and F. L. Anderson as chairman of the Land Sports. This is an error. Mr. Anderson is in charge of the water events and Dr. Turnbull chairman of the Land Sports. Entries for these events must be handed to the proper chairman.
