Picks Violet On
Birthday, Sept. 23.

Arnold Coombs, of Virginia East, celebrated his eleventh birthday on September 23. Perhaps there is nothing unusual about this, but on that day, while walking in the woods near his home, he picked a lovely violet in full bloom, which is most unusual for this time of year.

Arnold sent us the violet with the hope that Gerry Redmond might think his find worthy of mention on Neighborly News.

Farewell Party For
Nova Scotia Visitors

A farewell party was held at the home of Mr. and Mrs. Colin L. Manzer of Milton street, at Brockton, Mass., for Mr. and Mrs. Parker Manzer of Ashmore, N. S., who have been there for two weeks on their honeymoon.

The home was prettily decorated in pink and white. The table was arranged attractively from which a buffet lunch was served. The centerpiece was a large cake decorated in red, white and blue with the words "Bon Voyage" written over the picture of a ship as the couple had made reservations to return to Nova Scotia on the S. S. Yarmouth from Boston.

The guests present were all relatives of the bride and groom and presented them with a white pastel chevron bedspread and a purse of money. Kenneth, Darrell and Ronald Manzer entertained with musical selections and games were played.

Those present were the guests of honor, Mr. and Mrs. Parker Manzer; Mr. and Mrs. Bernard Prime, Mrs. Lloyd Manzer and sons, Neal, Kenneth, Darrell and Ronald; Mr. and Mrs. Alex Watson, Mr. and Mrs. Oscar Bolin, Mr. and Mrs. John Manzer, Mr. and Mrs. Thaddeus Buczek and the host and hostess, Mr. and Mrs. Colin Manzer.

Unable to be present were Mr. and Mrs. Joseph Petunkas, who were on their honeymoon.

Word Of Missing
Flyer Received

Word has been received this week by his parents, Mr. and Mrs. Wilfred Robbins, Rossway, and by his wife, of the fate of Flt. Sgt. Max F. Robbins, who was reported missing on August 28, 1942, following a raid over Nuremberg, Germany.

According to word received from the Research and Enquiry Service in France, the Halifax bomber of which Flt. Sgt. Robbins was a crew member, crashed in Soize, France, and all the crew were instantly killed. The bodies were removed from the wreckage of the bomber by occupying forces and buried in the Montcornet British Cemetery (1914-1918). Only two of the bodies were identifiable, one of these being that of Flt. Sgt. Robbins. Montcornet is some twenty miles from Laon.

Badly Hurt In
Truck-Train Crash

Eric Marshall, 27-year-old son of Mr. and Mrs. Henry Marshall of Acaciaville and a veteran of World War II, is a patient in the Digby General Hospital with portions of both feet amputated as a result of a truck-train crash which occurred here early last Friday morning.

The accident occurred shortly after ten o'clock when the truck he was driving was struck by the D. A. R. shunting engine on the Queen Street level crossing near the residence of Ernest VanTassel.

At the time of the accident, Marshall was proceeding out of the town and evidently did not see the train as it approached the crossing. He stopped his truck but too late to avoid the crash. As the train struck, Marshall tried to get out of the cab and was crushed between the cab of the locomotive and the truck. Both legs were badly crushed and a portion of one foot torn completely off. The truck was thrown some 20 feet by the impact.

Rushed to the hospital by T. L. Deveau, one of the witnesses of the crash, it was found necessary to amputate parts of both feet, badly torn and mangled by the accident.

VOLUME LXXIV, NO. 3

Celebrate 163rd Anniversary of Masonry in Digby With Banquet

Nearly one hundred members of King Solomon Lodge No. 54, A.F. and A.M., and their wives gathered at the Lour Lodge Hotel Monday night to celebrate the 163rd anniversary of Masonry in Digby.

The gathering was presided over by Worshipful Master John Russell and guest speakers were Grand Master McMillan of the Grand Lodge of Nova Scotia and R. V. Harris, K.C., Grand Secretary of the Grand Lodge.

In his address, Mr. Harris traced the history of Masonry in Digby from its founding on September 29th., 1784, to the present time. The first Masonic Lodge in Digby was known as Digby Lodge No. 6, which was established in 1784 and continued until 1824 when internal discord caused the suspension of charter. In 1827 all Masonic privileges were restored and the

lodge was re-incorporated under the name of St. Mary's Lodge No. 55.

On March 10, 1829, a warrant from the Grand Lodge of England No 483 was issued to St. Mary's and this lodge worked under this warrant until 1862. In 1832 the number of the lodge was changed to 572. Through the period from 1829 to 1848 St. Mary's Lodge was unable to obtain answers to its many letters to the Grand Secretary in England or acknowledgement of its remittances, and discontinued correspondence. The English Grand Lodge authorities, believing the Lodge non-existent, dropped it from their roll. The same situation arose in the cases of other English lodges in Nova Scotia, namely Acacia No. 8, Amherst, and St. George No. 20, Wolfville.

In the case of St. Mary's in

Digby there is no difficulty in tracing its activity until 1862 and the names of the lodge members in that year are on file. On December 13, 1866, most of these members petitioned the Hon. Alexander Keith as Provincial Grand Master under the Grand Lodge of Scotland for a dispensation to form a lodge to be styled King Solomon's Lodge and on Dec. 22, 1866, this was granted. In 1870 the present warrant No. 54 was granted under which the Lodge operates at present.

Mr Harris paid high tribute to the officers and members of the Lodge for the splendid ways in which they were carrying on the affairs of their Lodge and stated the high traditions of Masonry established in Digby so long ago were being well maintained by present officers and members.

Boy Scout Apple Day October 11

Decision was reached at Monday night's meeting of the Y's Men's Club, which sponsors the Boy Scouts and Wolf Cubs in Digby, to hold the annual Apple Day this year on October 11. Gerald Goodwin was appointed chairman of a committee to look after the details of the day.

This is the first time for a good many years that Apple Day which is a world wide event, has been marked in Digby. For several years the Scouts and Cubs have not been active in the town. Last year, under the sponsorship of the Y's Men's Club, they were re-organized and now some twelve boys are enrolled in the Scouts with twenty Wolf Cubs on the rolls. It is expected that, with graduations from the Cubs and new entries, the Boy Scout Troop will be up to twenty members shortly. Peter Humpherson is acting as Scoutmaster with Harold Long in charge of the Cubs.

The weekly meetings of the Y's Men's Club will be held this winter in the banquet rooms of the Masonic Building according to an Executive report presented by President E. B. Tufts. Arrangements have been made to rent these quarters and the first meeting will be held there next week.

Mr. Tufts stated plans were well under way for the joint meeting to be held on Thanksgiving Day between Y's Men's Clubs of Saint John, West Saint John, Halifax, Yarmouth and Digby. District Governor Irving Pink of Yarmouth would be present at this meeting, he said, as would Roy Graham, Moncton, Regional Director.

It was decided to hold induction ceremonies at next week's meeting when several new members will be inducted into the club. Dr. J. T. Marshall, a new member, was welcomed at Monday night's meeting.

National Employment Service

The National Employment Office at Yarmouth, N. S., now serves the whole of Digby Co., including that part of Bear River proper, situated in Annapolis County.

For the convenience of persons residing in this area an itinerant service is operated in Digby on Monday of each week. The office is located in the Town Hall and is open from 10 to 12 a.m., and 1:30 to 4 p.m.

In the event of Monday being a holiday, the office will be open on Tuesday.

A group of friends and relatives gathered at the home of Mr. and Mrs. Burgess VanTassel on Friday evening and tendered a miscellaneous shower in honor of their daughter, Shirley. A lot of beautiful and useful gifts were received. Refreshments were served and an enjoyable evening spent by all.

Rev. F. B. Gaskill Installed As Rural Dean

In an impressive ceremony following the service of Evensong in Trinity Church Tuesday evening, Rev. F. B. Gaskill, Rector of Trinity Parish, was installed as the Rural Dean of the Deanery of Annapolis. Rev. T. B. Anderson of Middleton, former Rural Dean, performed the installation assisted by clergy of the Deanery.

Rev. Karl Tufts, Clements-Port, conducted the office and the Lessons were read by Rev. J. E. DeWolfe, Weymouth, and Rev. A. R. Pitcher, Round Hill. Rev. E. B. Gabriel, Annapolis, acted as Conductor for the installation ceremonies.

In a splendid address based on the text "Watch Thou In All Things", 2 Timothy 4:5, Rev. T. B. Anderson outlined the many ways in which the church has watched and guarded the faith down through the ages. He stated the establishment of the office of Rural Dean was one of the ways in which the church was attempting to keep a constant watch over her affairs.

In concluding, Mr. Anderson paid tribute to the work of the newly appointed Rural Dean since he had been in the Deanery of Annapolis and said he felt proud to have been selected as the preacher for the installation ceremonies. He drew the congregation's attention to the fact that the office of Rural Dean had been held by a Rector of Digby a good number of years ago and said they should be justly proud of the fact this office had returned to the Parish after so many years.

Stormy Weather Hinders Scallop Season Opening

Threatening weather and a rising wind kept most of the Digby scallop fleet close to port on Tuesday night as midnight approached, signalling the official opening of the 1947 scallop fishing season.

Throughout Tuesday, the waterfront of Digby was a veritable hive of activity as fishermen hurried to make last minute preparations for the scallop season. Dragging nets were inspected, worn rings renewed, new cables installed and hoisting and running engines given a last minute overhaul. Fisheries Inspector Filleul was present making a thorough inspection of the fleet and issuing permits allowing the boats to leave for the grounds to be ready for the opening of the season.

As yet the Digby scallop fleet is one of the smallest ever assembled here with only twenty-three boats lined up at the wharves. Boats from Centreville and the Islands have not yet arrived and it is expected these will fish out of their home ports until weather forces them to make Digby their headquarters.

One new boat, as yet unnamed has been added to the Digby fleet this year. Her skipper and builder is Jeffrey White of Phinney's Cove. Another boat, although not new to the Digby fleet, is making her appearance this year under a new name after a war career with the Canadian Navy. She is the General Biggar, and is skippered by Victor Halliday.

One of the largest scallopers ever to fish out of this port will be missing from among this year's fleet. She is the Dale Maxwell, which was sunk several weeks ago, while scallop fishing outside territorial waters.

Several scallopers of the Digby fleet this year took advantage of the Department of Fisheries' ruling allowing scallop fishing during the summer months outside of certain limits. These boats are continuing to fish with the fleet as the regular season opens.

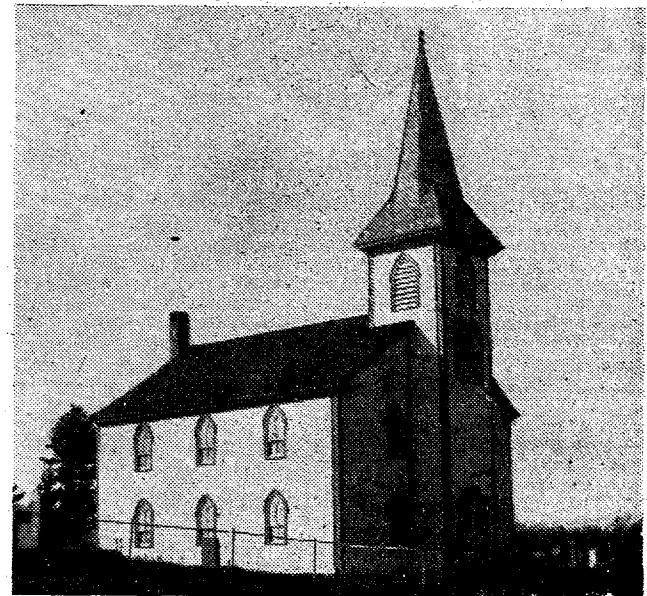

Yesterday, a north easterly storm kept the fleet tied up at the wharves and weather reports indicate a poor day today. As one scalloper put it, "Scallop season weather."

Hospital Superintendent Resigns

The resignation of Miss Margaret Graham as Superintendent of the Digby General Hospital was accepted at a special meeting of the Hospital Board held Tuesday evening. Miss Graham's resignation will take effect at the end of this month.

It is understood the securing of a successor to Miss Graham has been left in the hands of the House Committee.

Hill Grove Baptist Church Marks Anniversary

The Hill Grove Baptist Church last week held services which marked the 110th anniversary of its founding and dedication.

On Wednesday evening, Sept. 26, the services were in charge of the Missionary Society with Rev. Harold Mitten as guest speaker.

On Friday evening, Sept. 26, the Young People's Society, assisted by the Church Choir, staged a Religious Drama "The Lost Church" by Dorothy Clark.

Public Worship took place on Sunday afternoon at 3:00 p.m. with the pastor, Rev. E. C. Churchill, taking the service.

Sunday evening, the anniversary sermon was delivered by Rev. Harvey Denton of the First Baptist Church, Halifax, as special speaker.

The Church Choir provided special musical numbers at all services. Offerings taken at the services will go toward the purchase of a new organ.

Recently a very interesting document was located, the original covenant, which was drawn up and signed, prior to the construction of the building, giving the demonstration and style of the building and full instructions as to how it should be built. This covenant was drawn up

in December, 1833, and signed by Daniel Dakin, Christopher Rook and Jacob Woodman, Jr.

Descendants of both Mr. Rook and Mr. Woodman are still active members of the church. Mr. Dakin's family moved away many years ago.

Many men and women have worshipped here who have made valuable contributions to the social, religious and economic life of the country.

Among a few who might be mentioned are the late F. W. Nichols and E. Harte Nichols, K.C., of the legal profession; Prof. E. W. Nichols, Dalhousie University; Miss Levina Wilson, for a number of years missionary to Bolivia; H. T. Warne, now of Digby, founder of one of the largest lumbering concerns in Nova Scotia; Dr. Walter DeLong, teacher of Chemistry, MacDonald College; Miss Eliphaz Nichols, B.A., teacher in the U. S.

The dedication services were held in 1837 with Revs. Edward Manning, Charles Randall, Adam Wilson and J. Henry Saunders taking part.

The first resident pastor, was Rev. Richard Cunningham. The present pastor is Rev. E. C. Churchill.

Veteran Tool Maker Makes Bicycle Tour Of Acadian Shore

Arthur L. Pierce of Taunton, Mass., may be sixty-five years of age but he doesn't let his age daunt him when it comes to bicycling. He has just completed a 625 mile trip from his home in Taunton through Digby to the Acadian Shore and back to Taunton via Yarmouth. Last year Mr. Pierce, who is a retired toolmaker, took a bicycle trip to Niagara Falls and back, a distance of 1116 miles, covering the distance in twenty days.

Mr. Pierce says that, on his recent trip to Nova Scotia, he was much impressed by the hospitality and friendliness of the people of the Acadian Shore. He says he greatly enjoyed watching the ox teams work, which was a sight he had not witnessed since he was a boy. Of all the trips he has taken, Mr. Pierce says, he enjoyed the one this fall through Western Nova Scotia and along the Acadian Shore the most, since the people were so friendly to one who was a stranger.

Mr. Pierce is an ardent bicycle fan. From 1940 to 1946 he rode 15,000 miles on his bicycle. This year he got a new machine and has already clocked 2600 miles on it so far. During the winter months when he cannot ride his bike, he cuts cordwood for exercise.

Mrs. Dennis Riley, Bear River, left on Saturday for New Brunswick where she will visit friends in Saint John and her parents, Mr. and Mrs. John Murray at Chipman, N. B.

Mr. Charles E. Rav. Long Island, N. Y.; Kirt O'Brien, Halifax; and Dr. W. A. Margolian, Yarmouth, were recent guests at the home of Mrs. L. M. Stewart, Hill Crest Inn, Bear River.

Masquerade On Hallowe'en

At the meeting of the Kiwanis Club last week it was decided to put on a Masquerade Dance and Party in Lour Lodge, on October 31, and a steering committee headed by Roy Carpenter, was appointed to work it up. The proceeds will be used towards the completion of the children's playground at the Racquette, at which the club has been working all summer. The dam at the Racquette bridge has been completed after much delay through difficulty in obtaining material. Of course, nothing more can be done this season except to make plans, but work will be resumed as early as possible next year. So rally around and make the coming masquerade dance a success.

Albert Warner Heads Bowling Club

The annual meeting of the Digby Bowling Club was held at St. Patrick's Recreation Rooms on Thursday evening, Sept. 25th. Officers elected were:

President—Albert S. Warner. Vice-President — Mrs. Helen Daley.

Secretary—M. S. Leonard. Treasurer — Gregg Gilliat.

Plans for re-organization of the club for competition for the 1947-48 season were discussed. A deadline was set for October 10 for registration of all teams competing in the league. It was decided that registrations should be placed in the hands of the secretary before that date.

Mr. and Mrs. Charlie Bragg and daughter, with Ann, of North Ramoth, were guests of Mrs. Bragg's mother, Mrs. D. M. Charles, Trenton, N. J.

About This and That

National Newspaper Week, October 1st - 8th

This week the newspapers of Canada are marking the eighth annual observance of National Newspaper Week. All newspapers, from the humblest weekly in the smallest hamlet, to the largest daily in the greatest metropolitan centre of our great Dominion, are this week rededicating themselves to the principles of freedom and liberty for which the newspapers of Canada have always stood.

Freedom of the press is not an intangible prerogative granted to the owner of a printing press. It is a guarantee to the Canadian people. Freedom of the press belongs to you. It is merely exercised in your behalf by the existing publishers. It includes your freedom to read and hear whatever you wish, the same as it is your privilege to buy the literature you wish, to agree or disagree, to praise or criticize the points of view expressed therein.

Your newspaper is acutely aware of its responsibility to inform its readers on the important news of the day. Because all news items by themselves are not readily understandable or may have wider significance, your newspaper is also aware of its responsibility to analyse and comment on such news.

Freedom and responsibility go together. Your right and duty to vote is interlocked with your freedom to speak. Your right to individual happiness depends on your freedom to go anywhere, whenever you please. And in the final analysis, all individual freedom rests on the first one—your right to read and be informed.

If your newspaper is restrained in any manner in its function of telling you what is going on, you have begun to lose your individual freedoms. And the rights and privileges that you enjoy as a Canadian citizen will slowly but surely begin to crumble away.

There are those who, perhaps in all sincerity, maintain that the press, particularly in a small community, should be restrained in its activities. Certain news should not be allowed to appear because it is "adverse publicity" or because it might be detrimental to plans or efforts of certain individuals or groups which might, or might not, in the long run be beneficial to the community. Some of these people even go so far as to say that the press should definitely be controlled so that they might know "what goes in the paper."

An attitude such as that is dangerous thinking. As we said in the opening paragraphs of this article, our freedom as Canadians depends on a free press. The press of Canada is not only the big city daily, but also the country weekly. If any of these papers are "controlled" then "Freedom of the Press" becomes nothing but a high sounding phrase. After all, no one whose motives are honest and sincere should be afraid to have his activities reported in the press. The white light of newspaper publicity should not be disturbing if the designs of the person or organization whose efforts are revealed are truly for the good of the community and not for revenge or for private gain. Editorial comment on the activities of individuals or organizations as they affect the community, even though it may be adverse, may be disturbing but no individual or organization that is truly democratic in nature would advocate the refusal of the right of a newspaper to comment editorially on their activities.

All of us are familiar with the course of German politics just prior to the last war. Hitler gained control of Germany because he gained control of the press of Germany. No paper, large or small, was allowed to print any news, no matter how trivial, until it had received the O.K. of Hitler's censors. As a result the people of Germany were completely misled until chaos enveloped them and the world was led into history's most devastating war. Individual liberties, freedom of all kinds, vanished wherever Hitler's foot trod.

Some wonder how these things happened in a modern civilization. The answer is simple. It happened because Hitler understood one thing: control the press and communication facilities and you can control thought; that accomplished, all democratic processes can be eliminated at will.

The press of Canada will not forget what happened in Europe and the people of Canada should not forget. The press of Canada is a zealous guardian of all freedoms. Perhaps it is sometimes petty in editorial comment. Some criticisms and warnings may not be warranted in the long run. But if mistakes are made, they are honestly made in an effort to ward off the continuing and ever present onslaught against our Canadian heritage, our precious individual freedoms.

Your newspaper is dedicated to freedom—the Canadian type.

Be Careful In The Woods

Yesterday marked the opening of the big game hunting season in Nova Scotia. The hunting season is also the open season for firearms accidents and every year we are horrified to hear of hundreds of easily avoidable accidents which take place during the hunting season due to carelessness with firearms.

There are certain simple safety rules which the hunter should observe in order to reduce to a minimum the risk of accident while carrying his rifle or shotgun. These are:

1. Carry your gun pointed downward and on safety. See your target clearly before pulling the trigger.
2. Break breeches of guns before climbing fences. Hand them across to your companion. Don't lay a loaded gun on the ground or poke it through a fence. Check barrel for snow or mud before firing.
3. Wear a light coat—red is the best color—in the woods. Never wear white or khaki. Never stand up to

shoot from a boat and only one hunter should fire at one time from a boat. Don't shoot at rocks or the water surface.

4. Never carry a loaded gun in your car and don't mix hunting and drinking. Horseplay has no place on a hunting trip.

5. Never keep a loaded gun in your home and never keep your gun, even though it is unloaded, anywhere in the house where children have access to it.

The observance of the above safety rules and the practice of good common sense while hunting and while carrying firearms will do much to reduce the death toll from hunting accidents. Remember, YOU may be the next victim of a hunting accident, so BE CAREFUL.

MARRIAGE

Height - Teed

A pretty wedding was solemnized at Tatamagouche recently at the home of Rev. G. E. Whidden, when Gladys Aletha, only daughter of Mr. and Mrs. Chas. Teed of Belmont, Nova Scotia, became the bride of Ellesworth Ray, second son of the late Mr. and Mrs. Milford Height, North Range, Digby County.

The bride's street length dress was of white corded silk with matching accessories and she carried a bouquet of American Beauty roses and maiden hair fern.

Mr. and Mrs. Charles Teed, parents of the bride, were the only attendants.

Immediately following the ceremony the happy couple left by motor for the Annapolis Valley. On their return a reception was held in their honor at the home of the bride's grandfather. Many gifts were received. Lunch was

served the many guests.

For two years previous to her marriage the bride was on the staff of Barkers Stores, Truro, and the past year was employed in Tatamagouche. The groom is a veteran of World War II. The young couple will reside in Tatamagouche for a short period before proceeding to their home in Digby.

FLOUR AND BREAD PRICES TO BE INCREASED

Government Withdraws Subsidy to Consumer

CANADIAN housewives will soon be asked to pay higher prices for flour. The Milling Industry of Canada would like to tell why.

Nearly six years ago the price of flour was fixed at the low prices then ruling, based on wheat costing 77½¢ per bushel when milled for use in Canada.

Since then, the price of wheat has advanced step by step, but the Government has paid the difference in the form of a consumer subsidy in order that you might buy flour and bread at no increase.

Wheat has actually risen to \$1.58½ a bushel so that for some time past the Government has been paying more than half the full cost.

Now the Government has dropped the subsidy and the price Millers will pay for wheat through the Government Wheat Board will be more than double what it was originally. That is why the cost of flour will be increased.

Furthermore, the cost of bags, other supplies, labour and transportation has increased substantially during the control period.

Canadian Millers, however, knowing the importance of flour in the family diet pledge themselves to keep the price as low as they possibly can.

The prices of practically all ingredients in bread have also risen sharply and your Baker must take this into consideration when calculating his new prices.

Marilyn Marshall Writes Prize- Winning Essay

At the Community Fair held at Conway recently a prize was offered for the best essay written by a school pupil on the subject "Why Should Farmers Organize?" The prize was won by Marilyn Marshall of Hill Grove with a well written essay on the subject.

The following is Miss Marshall's essay:

Writing in answer to the question, "Why Should Farmers Organize?" I would say that farmers of today are in competition with an organized society, and unless they can organize one hundred per cent. they must remain in the future, as in the past, at a very low level socially, and their standard of living must remain much below that of their fellow citizens in other walks of life.

As the science of Agriculture is being more fully developed, farm organizations furnish a means of education. Farm discussion groups can meet and learn how to become more efficient in the use of the land in fighting insect pests and numerous other things which otherwise would not be known. Thus, more and better crops can be produced to help feed a hungry world.

A very important part can be played by a good, strong, active farm organization in co-operative purchasing of farm machinery, marketing of graded farm products, the purchasing of farm supplies. In living in a world as we have it today, it is for the farmers to realize more strongly than ever the necessity of organization, not only for business reasons, but also for the social side of life and the promotion of a feeling of brotherhood in our local communities, getting better acquainted with one's neighbors, and an understanding of the other fellows' point of view will be helpful.

Projects could be undertaken as a group which could not even be thought of by individuals, such as health insurance legislation, Veterinary Services for live stock, improved laws affecting farm interests could be demanded, Rural Mail delivery carried out, and many other things accomplished which would make life more attractive on the farm, which would give new hope, new courage and greater assurance of security to those who are now choosing what this life's work will be, to decide that a life on the land could be a full life and a useful one, and that working together

we shall be doing our bit to bring about world peace and security which is so urgently needed at the present time.

Street Lights In

Church Point

Church Point is the first village in Clare to have street lights installed. This became a fact last week when lights were installed by the Hydro Electric Commission along the main highway between the Church Point business section and College St. Ann's.

This is only the beginning of street lighting in Clare. It is known that such villages as Meteghan, Meteghan River and Little Brook had applied for street lighting during the war years but due to lack of materials, such a program could not be undertaken at the time.

Necessary electrical supplies are gradually returning on the market and as these become available in sufficient quantities it is expected to see the street lighting program enlarged both in this village and elsewhere.

Street lighting has been a long felt need here especially during the fall and winter months when the days are shorter. A single light had been installed here last fall merely for test purposes, and it has proved successful.

Church Point

Benoit Doucet visited his wife at Digby Hospital Sunday afternoon. Mr. and Mrs. Doucet are the proud parents of a baby boy.

Among those who spent the week end in town were Joseph Stuart, Ben LeBlanc and Sammy Thibault of Halifax and Mrs. Alphonse LeBlanc of Meteghan Centre.

MARRIAGE

Elliott - Hallett

St. Thomas' Church at Weymouth, was the setting for an autumn wedding Sept. 23, when Maureen, elder daughter of Lt. Col. and Mrs. R. S. Hallett of Weymouth, became the bride of Andrew S. Elliott, Jr., eldest son of Mr. and Mrs. Andrew Elliott, Weymouth North.

The ceremony was performed by the rector, Rev. J. E. DeWolfe and many flowers decorated the chancel and pulpit. The wedding marches were played by Miss Phyllis Journeay with Mr. Fletcher Bartlett as soloist, singing "O Promise Me."

Given in marriage by her father, the bride was attractive in her wedding gown of white satin and lace, styled with low sweetheart neckline, long, tapering sleeves and full skirt which fell in soft folds into a train. She wore a four length veil of embroidered net, held in place by a coronet of white roses and carried a bouquet of red roses and fern.

The maid of honor, Miss Eileen Hallett, sister of the bride, was charming in a blue floor length satin gown, with long fitted sleeves, net yoke, and full boufant skirt. Her shoulder length veil was of blue net and she carried an arm bouquet of pink gladioli. Miss Madelon Elliott, sister of the groom, attended as bridesmaid. Her gown of pink crepe floor length, with sweetheart neckline, had a gathered front and full skirt. She wore a shoulder length veil of pink net and carried a bouquet of pink gladioli.

The groom was supported by Harlan Elliott. Jack Walker and Ronald Elliott were ushers.

A reception was held at the home of the bride's parents for 125 guests. Receiving with the bridal party were the parents of the bride and groom. The table of the bride was adorned with a three tier wedding cake, candelabra and gladioli and the rooms had many baskets and vases of gladioli as decorations.

Following the reception, the happy couple left by motor for points in New Brunswick, Quebec and Ontario. For travelling the bride wore a suit of grey gabardine with silver fox fur hat of pink maraboa and black accessories.

The president, Mrs. Arthur Isles, gave a nice welcoming speech on behalf of the Home and School Club and wished

them success and happiness. Mrs. R. J. Isles, the eldest of the neighbours, was given the honour of presenting Mr. and Mrs. MacKenzie with a wool blanket on behalf of the club and neighbors. Mr. and Mrs. MacKenzie both expressed their appreciation of the kindness shown by all.

This was followed by the ladies serving a lunch of tea and sandwiches and cake, which was much enjoyed.

Protest Indiscriminate Killing Of Fawn

A. Toto and his party of four other sportsmen returned to their homes in Massachusetts via Digby on Saturday after a successful hunting trip in Nova Scotia. With them they took ten deer tied to the roof and hood of their car.

Measured at the wharf, three of these deer measured twenty-six inches from the front of the shoulder to the tail, three measured twenty-eight inches and these six all bore the little white spots which so prettily mark a very young fawn. Of the other four, not one was over two years.

A. D. Daley, who with his father, the late Major John Daley, brought the first deer to Nova Scotia in 1894, in commenting on the results of the visitors' hunting trip, said he felt it was a crime that anyone should be allowed to kill such young animals. "If this continues," he said, "Nova Scotia will soon have no deer again." He said he had shot jack rabbits almost as large as some of the deer at the wharf on Saturday.

Everyone who saw the deer were greatly incensed over the fate of the animals. A. R. Pyne, former president of the Digby County Fish and Game Protective Association, stated action should be taken by every game association in the province to have the age limit on deer shot restored. "Indiscriminate slaughtering such as this will soon completely destroy our deer population," he stated.

The first deer ever brought to Nova Scotia were brought here by Major John Daley and his son, A. Douglas, in 1894. Eleven were brought to Digby and taken to Lake Joli to be released in March of 1894. One of these died before being released. Twenty years later four more were brought into the province by the late Sheriff Smith and Carman O'Dell. Two of these were released in Annapolis County and two in Yarmouth. From these fourteen deer the entire deer population of the province has grown.

Since the news item concerning the wanton slaughter of the young fawn by visiting hunters became known throughout the province a rising tide of indignation and disgust has spread among sportsmen all over Nova Scotia. Heads of Fish and Game Associations throughout the province and sportsmen everywhere have expressed themselves as being greatly disturbed and disgusted with such wanton and wholesale slaughter of young fawn.

It is understood the matter will come before meetings of Fish and Game Associations shortly and recommendations will go forward to the provincial government for a revision in the game laws to prevent a recurrence of this. One local sportsman stated that the imposition of an age limit on deer shot was not the solution to the problem since borderline cases would leave much room for argument. He stated he felt the shooting of does and fawns should be completely prohibited. By doing this no hunter would be tempted to shoot a deer without horns for fear it might turn out to be a doe.

Kiwanis Club To Hold Masquerade

Plans for the first annual Halloween Masquerade party to be sponsored by the Digby Kiwanis Club are well underway according to reports received from the committee in charge.

The gala masquerade party, which will be held on October 31st at the Lour Lodge Hotel, will feature dancing games and a variety of entertainment. The funds raised by this dance and party will be used towards the completion of the children's playground at the Racquette which is being built and organized by the Digby Kiwanis Club.

Music for the masquerade dance will be supplied by the Troubadors orchestra of Annapolis Royal. No effort is being spared to make the evening a success and all sorts of games and entertainment are being prepared. A list of valuable prizes is also being lined up and, in fact, everything is being done to make sure that every one who attends the Halloween Masquerade Dance and Party at the Lour Lodge on October 31st from 8 o'clock in the evening on into the small hours of the night, will thoroughly enjoy themselves.

Town Council Meets

Routine business occupied most of Monday night's session of the Town Council. Building permits were issued to Denis Belliveau to erect a store on Victoria Street near his home, and to C. D. Snow to build a wharf and building at the rear of his lobster packing plant near the head of the government pier.

The Council granted permission to the Digby Recreation Commission to sell a portion of the proposed new rink to the Digby Branch of the Canadian Legion for use as a canteen. It is understood that by the purchase of a portion of the rink building the Legion have secured a headquarters and have also acquired canteen concession privileges in the rink.

Fire Chief George Humphrey reported on an inspection of hydrants carried out by himself and Police Constable Ineson. Recommendations made by the Chief concerning these hydrants were placed in the hands of the Fire Committee for action.

Freeman Barton was granted a continuance of his license to sweep chimneys and Rufus Connor was given a license to clean chimneys by a vacuum process.

Saturday To Be Boy Scout Apple Day

Gerald Goodwin, Chairman of the Committee in charge of Boy Scout Apple Day, reported to Monday night's meeting of the Y's Men's Club that all plans for holding the Apple Day on Saturday, October 11, were complete. He stated he had met with the Boy Scouts and Wolf Cubs Friday evening and made arrangements with them for the canvassing of the town. Supplies of tags and publicity material had arrived and the only thing now needed for the day was the apples. These would arrive within a day or two, Mr. Goodwin stated.

Monday night's meeting of the Y's Men's Club was held in the new club rooms, the banquet hall of the Masonic Building. For the first time in several months the club held a supper meeting. This was in charge of the House Committee under Y's Jack Brittain.

In a most impressive induction service several new members were inducted into the club at Monday night's meeting. President E. B. Tufts handed to the new members, Joseph Purdy, H. A. Nichols, Dr. J. T. Marshall, Eugene Merry, Gerry Goodwin and Arthur Wilson, the badge of membership in the Y's Men's Club following the induction and explained the symbolic meaning of the membership badge.

Guest speaker at Monday night's meeting was J. J. Wallis who took as his subject "Great Fakes of History." In a most interesting address Mr. Wallis told the club of some of the great swindles of years gone by that involved both millions of dollars and also, in some cases, the governments of nations. Some of the great fakes he dealt with were the South Sea Bubble, the Perpetual Motion Machine and the great Dutch Bulb Swindle.

In opening his address, Mr. Wallis congratulated the club on the acquisition of their new quarters, and upon the splendid way in which the induction service was carried out. This service, he said, carried his mind back many years to when he was a member of the first Y. M. C. A. in Yarmouth.

Has Birthday Party: Breaks Arm

Little Gloria Gates, nine-year-old daughter of Mr. and Mrs. Frank Gates, celebrated her birthday last Friday by entertaining seven of her playmates at a birthday party. The next day Gloria had the misfortune to fall, breaking her right arm.

She has not, however, let her misfortune keep her from school and is very busy now learning to write with her left hand.

Mrs. Edgar B. Smith of Wrentham, Mass., is visiting her mother, Mrs. Alfred B. Seeley and relatives in Marshalltown.

Arm Broken In Truck-Car Crash

Mrs. Clyde Denton of Little River is a patient in the Middleton Hospital suffering a double break in one arm and multiple cuts and bruises following a car-truck crash on Tuesday at Paradise.

At time of going to press few details regarding the accident are known but it is understood Mr. and Mrs. Denton, accompanied by Mr. and Mrs. Weir of Smith's Cove were en route to Halifax when the accident occurred. It is said a truck turned into the road in front of them without warning, causing the crash which sent Mrs. Denton to hospital. It is not known whether other members of the party were injured.

Discarded Squash Quadruples Self

Mrs. Charles O'Neill of Mink Cove harvested her squash crop this week. In the harvest were four lovely squash weighing a total of 108 pounds. These grew from a small squash which was thrown out on the refuse pile early in March.

No effort was made to cultivate the vine which grew from the seeds of the discarded squash, yet it grew and prospered until it reached a length of thirty-three feet, and produced the four splendid squash which Mrs. O'Neill harvested this week.

Grows Record Hollyhock and Dahlia

While we do not know what the present provincial record is for hollyhocks, we are willing to wager that of Mrs. Eldridge Denton of Clementsport is well in the running.

Mrs. Denton's hollyhock, which is still growing, measures 115 inches tall. During the past week it has grown six inches.

Not only does Mrs. Denton have a hollyhock which is high-minded, but she also has growing in her garden a white dahlia which is no slouch for size. This dahlia, which is famed throughout the countryside for its lovely blossoms, is six feet in height. At present it has twelve blossoms fully opened and fifty-one buds yet to open.

The Courier joins with Mrs. Denton in hoping the frost will stay away long enough for those buds to become fully developed flowers and for the hollyhock to grow at least another three feet.

Suffers Brain Concussion, Broken Arm In Crash

Roy William McCullough, 29, of Sandy Cove is a patient in the Digby General Hospital suffering concussion of the brain and a broken arm following a car accident at Gilbert's Cove early Monday morning. An occupant of the car, Karsten DeVolo, of Mink Cove, also suffered several broken ribs but was allowed to go to his home following treatment.

The accident, which occurred shortly after two o'clock Monday morning, happened near the Kenney Bridge on the main highway at Gilbert's Cove. The car, driven by McCullough, was proceeding towards Digby at the time of the accident. It is thought the driver fell asleep at the wheel and the car left the highway, followed the shoulder of the road for some distance, then crashed into a culvert. All the undercarriage of the car was torn off by the crash.

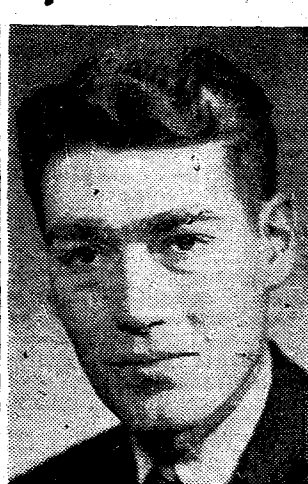

Will Celebrate 59th Anniversary

Mr. and Mrs. W. E. VanBlarcom, well known Digby couple, will celebrate the 59th anniversary of their wedding on Saturday, October 11th.

Mr. and Mrs. "Billy Van", as they are affectionately known throughout Digby County, were married in the Methodist (now United) Church at Brighton on October 11, 1888, by Rev. T. C. Hooper.

Mrs. VanBlarcom was the former Annie Marshall, daughter of the late Mr. and Mrs. Alvin Marshall, Barton.

Opens Clothing Store Here

J. B. Prince (above), formerly of Kentville, has recently moved to Digby and has opened a Men's Wear Store here. Mr. Prince's new store is located in the Keen Building with the entrance on Sydney Street.

The quarters occupied by Mr. Prince's store have been completely renovated and are most attractive. Two-tone tile flooring has been laid and a large display window installed. In the store itself modernistic display counters have been installed and fluorescent lighting fixtures are being used.

Mr. Prince has a large and varied stock of men's wear and a complete line of accessories. Considerable stock has not yet arrived but Mr. Prince says he is receiving shipments every day.

Within a few weeks a modern pressing and dry cleaning plant will be installed in the new store and Mr. Prince will be prepared to handle all cleaning and pressing work for men's, women's and children's clothing.

Mrs. Bessie Carey is a patient in the Digby General Hospital suffering from a heavy cold.

Douglas Ormond, Vice-Principal of Digby Academy, was a visitor to Halifax last week.

Miss Mary Letteney, R.N., formerly of the Kentville Sanatorium staff, is acting Superintendent of the Digby General Hospital.

A Deplorable And Disgusting Thing

Every decent minded citizen in Nova Scotia and elsewhere was disgusted by the news this week of the indiscriminate slaughter by a group of visiting "sportsmen" of six baby deer which still bore the white spots which mark a very young fawn.

From all over the province and from New Brunswick have come expressions of indignation that such a thing could happen. True, no law was broken by the proud hunters. There are, however, certain standards of sporting conduct which are observed by decent men everywhere. These were completely disregarded by the visitors in their callous and heartless slaughter of deer which truly resembled the famed "Bambi" of story book and screen.

The majority of hunters who enter our woods, whether they be local people or visitors, are sportsmen and would not stoop to take advantage of the law which, as it exists, does not prevent the killing of deer of any size. For these people, drastic restrictions and enforced regulations are not necessary. There are, however, occasional hunters or parties who, once they get into the woods, cannot resist shooting whatever comes in front of their sights in the shape of game, be it large or small. For these people, stringent laws are necessary. They are completely lacking in those sporting instincts that mark the true game enthusiast: their only interest is to kill and all rules of decency and sportsmanship are thrown to the four winds.

It is hoped that the publicity given the deplorable actions of the group of "sports" will result in positive action by Fish and Game Associations throughout the province to press upon the authorities the need for a revision in Game Laws to prevent a recurrence of this senseless and needless slaughter. Only through a revision of these laws can the activities of such trigger happy hunters as those who visited our woods last week be curtailed.

Guides To Lose Licenses?

The possibility that the Fish and Game Association would move to have guide licenses of the two guides who accompanied the party of American hunters responsible for the slaughter of a number of young fawn on a recent hunting trip in the woods of Yarmouth County, cancelled, was seen here tonight with the statement by a prominent member of the Association that he would advocate such a step at the next meeting early in November.

"We can well do without guides of this type," he stated, "No guide who had any real sporting instincts or who was at all interested in the preservation of deer life in the province would have permitted such indiscriminate slaughtering of young fawn. It is time such men were made an example of and their licenses cancelled as a lesson to them."

In commenting on the possibility that a move would be made by the provincial association to have the age limit on deer shot restored, this man stated he felt this was not the answer to the problem. "By doing this you are only opening the way for countless arguments as to 'borderline cases.' The real answer," he said, "was to have the game laws amended to prohibit the killing of all does and fawn. This would prevent anyone from shooting deer without horns and would rule out any argument that the hunter 'could not tell how old the deer was before he shot it.'"

One local hunter, familiar with the locale in which the party made their kill of young spotted fawn, said that the woods in that district abound with young deer and claimed it seemed to be a natural rearing area. "To go in there and kill off those little things was nothing short of murder; they needn't have bothered with rifles; the fawn's probably gambolled about them wondering what it was all about."

Miss Minnie Gates has returned to her home at Milford after visiting friends at Deep Brook and Smith's Cove.

Lloyd Thurber, Tiverton, has returned home after spending a week with Elmer Hudson, Parker's Cove.

Power Off Last Evening

The Nova Scotia Power Commission line from Big Falls at Liverpool went dead last night shortly after seven o'clock causing a blackout in Cornwallis and Digby and in several villages on the line from Liverpool through to Digby.

At time of going to press the cause of the blackout had not been learned, but it is understood the cause of the power failure occurred near Liverpool. The break in power happened just as the last run of the Courier was going to press and delayed press work for over half an hour.

MARRIAGE

Berry - VanTassel

A pretty but quiet wedding took place at Annapolis Royal on Friday, October 3, at 4 p.m., when Rev. L. Wright united in marriage Shirley D. VanTassel, daughter of Mr. and Mrs. Burgess VanTassel of Digby, to Keith R. Berry, eldest son of Mr. and Mrs. Walter Berry of Clementsport. The bride looked charming in a gray bunny wool dress with black accessories, with a corsage of red roses. She was attended by Frances Winchester, who also wore a gray bunny wool dress with black accessories and a corsage of pink roses. William Bartheaux was best man. A wedding supper was held at the home of the groom's parents. After supper the happy couple left for a short trip to Yarmouth. On their return they will reside in Clementsport.

About This and That

A NATIONAL DISGRACE

We are a prodigal people. Without turning a hair the Canadian people are compelled to admit that, last year, fire destroyed property in Canada amounting to nearly 50 million dollars, or about 55% more than the losses five short years ago. And, in the short space of twelve months, in 1946, 408 Canadians lost their lives through fire. Here, in stark fact, were 408 tragedies in Canadian homes. Yet, year by year, we continue, seemingly unperturbed, along the path of destruction. Last year, for instance, out of 55,400 fires in the Dominion, 41,005, or nearly 80%, were in residential properties. Through carelessness, or wanton disregard of sensible precautions, fire destroyed, wholly, or in part, residential properties alone equivalent to what one would find in a city of about 200,000 people. And this at a time of a serious shortage of houses for all classes of people in Canada. Is there a remedy?

Organizations spend time and money preaching the gospel of fire prevention and illustrate how carelessness can destroy human lives and property. Regional insurance underwriters' associations of Board companies throughout Canada maintain rigid inspection services which undoubtedly help to prevent many fires. They also impress on the public that insurance rates are related to losses. Yet our fire losses continue to increase at an alarming rate—1946 figures alone, were nearly 12% higher than in 1945. The remedy, and there is one, lies in our own hands. We simply must pay more attention to simple rules established for our own protection. In other words, day by day, we must all exercise more care. We must stop playing with fire if we want to eliminate this national disgrace from Canadian yearly records. A little more common sense and a little less prodigality will save lives and property.

In Memoriam

1946—MACDONALD—1947
In sad and loving memory of our dear daughter and sister, June Grace (Burton) MacDonald, who passed away October 6, 1946.

Our family has been broken. A link gone from the chain. But though we've parted for a while, We hope to meet again. The silver cord was broken When the Saviour called you home. But we'll cherish loving memories Till we meet before God's throne In our lonely hours of thinking. Thoughts of you are always near.

We who loved you, sadly miss you,

As it dawns another year. —Always remembered by Mom, Dad, two sisters and two brothers, also her three little children, Bobby, Jeanette and Gordon. 4:1ic

IN MEMORIAM—In loving memory of my dear niece, June MacDonald, who passed away October 6, 1946.

A wonderful niece we think of you, In memories that are fond and true;

There wasn't a thing, big or small, That you wouldn't try to do for us all.

It's sad but true and we wonder why That best are always the first to die.

Quickly and quietly came the call, Your saddened death surprised us all.

We have lost but God has gained One of the best the world contained.

"We lost a loved one with heart of gold, She was more to us than wealth untold;

The sorrow we felt we cannot explain, The ache in our hearts will always remain."

—Ever remembered by her aunt Flora and Uncle Willard. 4:1ic

IN MEMORIAM—In loving memory of Robert Vidito, who was killed in action Oct. 9, 1944.

Gone is the face we loved so dear, Silent is the voice we loved to hear;

Too far away for sight or speech, But not too far for thought to reach.

Sweet to remember him, who once was here, And who, though absent, is just as dear.

—Ever remembered by Brother, Stan., and family. 4:1ip

IN MEMORIAM—In loving memory of Pte. Robert K. Vidito, who was killed in action Oct. 9, 1944.

In our hearts your memory lingers, Sweetly tender, fond and true;

There is not a day, dear son, That we do not think of you; The depths of sorrow we cannot tell

Of the loss we loved so well. And while he sleeps a peaceful sleep,

His memory we shall always keep. —Always remembered by Mother, Father, Sisters and Brothers. 4:1ip

Pete Hamilton and Tom MacNaughton are busily engaged in blood-testing poultry flocks in the western end of the province and collecting samples from between 1000 and 1200 birds per day in an effort to get as many flocks tested as possible before Tom gets his call to report for induction into the ranks of the Royal Canadian Navy. Recently they really turned on the pressure when they collected 60 samples in a 10-minute period. That record should stand for a time.

A prize list of more than \$20,000, the highest amount ever given at a fair in the east, will be offered to exhibitors showing at the Maritime Winter Fair at Amherst in November. Increases in the awards will go to beef dairy classes, as well as to sheep and swine. In addition, prize money has been set aside for the potato show which is a new innovation this year, and which is expected to attract a large number of entries.

The show will be opened by Premier J. Walter Jones, Charlottetown, P. E. I., on November 6, and is scheduled to close its doors 6 days later, thus enabling exhibitors who wish to attend the Royal Winter Fair at Toronto the following week.

400,000 Left Feet that never push a clutch!

GM HYDRA-MATIC DRIVE has been proved by nearly 400,000 Oldsmobile owners in billions of miles of "no-clutch, no-shift" driving!

400,000 Left Feet... left without a thing to do! Because Hydra-Matic Drive eliminates the clutch pedal and all clutch pushing. 400,000 right hands... on the steering wheel where they belong! Because Hydra-Matic Drive shifts gears automatically.

Oldsmobile first introduced this revolutionary advancement almost 8 years ago! And since then, nearly 400,000 owners of Hydra-Matic Oldsmobiles have found a new freedom in driving. These owners have driven literally billions of miles—without ever shifting, or pushing a clutch.

After these 8 years, Hydra-Matic Drive is still the only "Drive" that eliminates the clutch pedal and shifts gears automatically through four forward speeds. The lowest-priced car to offer GM Hydra-Matic Drive* is the smart new Oldsmobile. It's ahead in performance—automatically. Ahead in appearance—dramatically. That's why people say—enthusiastically... "It's SMART to Own an Olds!"

The demand for Oldsmobile with the new GM Hydra-Matic Drive* is so widespread that it still greatly exceeds the supply. Make sure your present car carries you conveniently and safely through the waiting period by having it serviced regularly by your Oldsmobile dealer.

Shots Deer, Loses Meat

Sydney Hall was successful in shooting a nice deer this fall, while on a hunting trip, but he was not privileged to enjoy a taste of his catch.

After partitioning the deer and distributing tasty cuts to his neighbors, Syd just had enough left for a meal for himself and his family. Not wanting to eat it immediately, he carefully placed it in a glass dish and put it out on the porch to keep cool. During the night a mean thief came and took the lot, dish and all.

Although Syd is very peeved over the loss of the deer meat he says his wife is still more pained over the loss of the dish, one of her favorites.

Picks Daisies And Buttercups

Even though the calendar says it is the middle of October the weatherman seems unconvinced. For the past few weeks the weather has been unseasonably hot and oppressive. Garden and wild flowers are still growing and many lovely bouquets of garden blossoms were used in decorating local churches for the Thanksgiving services on Sunday.

Out in Acaciaville little Joan Amero was out in the woods looking for wild flowers the other day and picked a lovely bouquet of daisies and buttercups which she brought in to the Courier office. This bouquet now adorns the Editor's desk.

Two Fires Tuesday

Prompt action by the Fire Department prevented what might have been a serious blaze at the old Government pier at the Racquette Tuesday afternoon.

The fire, which started from causes unknown under the planing of the wharf, was eating rapidly into the tinder dry wharf top structure when the Fire Department arrived and in a short while had it out.

In the evening a blaze, also of unknown origin, completely destroyed one of the old Indian camps near the Pines Hotel. The camp, which was unoccupied at the time of the blaze, caught shortly after 10 o'clock and burned to the ground.

Fortunately no wind was blowing or the blaze might have had more serious results and spread to the wooded area adjacent to the camp.

VOLUME LXXIV, NO. 5

Police Chief Thibault Wounded by Hunters Gun

Chief of Police F. J. Thibault of Digby is a patient in the Digby General Hospital suffering from a rifle shot wound in the back, the result of a hunting accident early Sunday morning.

The accident took place near the branch of the Weymouth River some fifteen miles from Digby. Chief Thibault, who, in company with Alfred O'Neill and George Cardoza, both of Digby, was staying at a camp near the branch, went down to the river at an early hour Sunday morning to inspect his canoe. While crossing a sawdust pile near the river bank, he was struck in the back, just below the right shoulder, with a rifle bullet.

The shot was fired by Clifton Banks of Sandy Cove who, at the time of the accident, was doing some target practise from near his camp. He had just set up a tin can on the bank of the river to act as a target and his

first shot struck the police chief.

Banks stated he had absolutely no warning there was anyone in the woods near him when he fired. The morning was very foggy and the first indication he had that his bullet had struck someone was when he heard Mr. Thibault groan. Banks, in company with Sidney Gidney and Murray Saunders, all of Sandy Cove, was spending several days in a camp not far distant from the one where Mr. Thibault was staying and had visited this camp the evening before the accident occurred.

Immediately after the shooting, Banks and his companions took Chief Thibault back to his own camp where first aid was applied and a member of the party sent out to the settlement to phone to Digby for a doctor and arrange for a wagon to come into the camp, some three miles in the woods, for the injured man.

At the hospital it was found the shot had passed through Chief Thibault's back, the entry and exit holes being some five inches apart and an inch or so below the right shoulder blade. Had he been standing at a slightly different angle, the bullet would have passed right through both lungs inflicting fatal injuries.

Interviewed at the hospital Chief Thibault said he felt the whole thing was nothing but an unfortunate accident. He said he hopes to return to camp next week to spend the remainder of his vacation in the woods.

At time of going to press, Chief Thibault was reported to be resting comfortably. X-Rays were taken on Tuesday to determine extent of internal injury from the bullet and, following these, Mr. Thibault has been allowed to sit up and it is expected he will be out of the hospital by the end of the week.

Dies Following Accident

Dolphie Comeau, 26-year-old fisherman from Bear Cove, Digby County, died Sunday afternoon approximately 20 minutes after his motor bike had been struck by a car said to have been driven by George Saulnier, mail driver for the district. The young man received a fractured skull, according to Dr. H. E. Belliveau of Meteghan, who was immediately called to the scene.

Son of Mr. and Mrs. James Comeau of Bear Cove, just off the village of St. Alphonse, the victim was unconscious when picked up, and never recovered.

The accident occurred at two o'clock in the afternoon and, according to reports, there were no witnesses to the accident. R. C. M. Police are investigating.

Honor Veteran CPR Employee

George A. Hartshorn, of Saint John was presented with an electric phonograph and a set of records over the week end by members of the Canadian Pacific Steamship Bay Service in honor of his retirement from the service. About 25 members were present at the home of Capt. A. R. Conley, Fairvale, when L. A. Acheson, formerly chief clerk of the general superintendent, made the presentation. A bouquet of flowers was presented to Mrs. Hartshorn.

Sea Cadets To Mark Navy Week

With the recent summer camp life fresh in their memory, several thousand Royal Canadian Sea Cadets are busily engaged in putting their respective barracks in "ship shape" in readiness for Navy Week which opens next Sunday. Most of the 93 corps across Canada will hold "open house" during the week of October 19 to 25, when parents, friends and the public will be welcome to pay a visit and see just how the sea cadets carry on their various training activities.

It is said that the training "refreshes a boy physically, stimulates him mentally and quickens him spiritually" and next week every interested person will have the opportunity of witnessing this program at work.

With the co-operation of the Naval Service, the Navy League of Canada is endeavoring to expand the influence of the sea cadet movement so that its advantages may become more and more available to Canadian youth. As an incentive, the Navy League awards six scholarships annually to sea cadets eligible for entrance to H. M. C. S. Royal Roads, formerly the Royal Canadian Navy College, and within the past few weeks, this year's winners have been installed and have already begun their first term.

Since 1895 the Navy League of Canada has fathered the sea cadet movement in addition to fulfilling its charter obligations toward the men of the sea. Essentially a peace-time organization, it has twice measured up to its war time responsibilities in the two world wars and now in the interests of Canada's all-important export trade, it is operating clubs and hostels for merchant seamen in coastal cities.

The extent to which this work may be continued depends upon the extent to which the public gives its financial and moral support.

Ida Comeau of Bridgetown spent the holiday week end at her home in Belliveau's Cove.

Novadoc Loss Declared "Act of God"

A formal investigation into the sinking of the Canadian merchant vessel Novadoc off the coast of Maine last March with the loss of all 24 hands has pronounced the tragedy an "act of God." C. P. Edwards, deputy transport minister, announced.

The investigation was undertaken by Mr. Justice W. F. Carroll of the Supreme Court of Nova Scotia and Judge in Admiralty for Nova Scotia. The report was concurred in by the three assessors, Capt. Rowland Forbes of Barrington, N. S., Capt. Robert A. Goudey of Yarmouth, N. S., and Mr. A. S. J. Hall of Toronto.

The formal investigation, carried out under the provisions of the Canada Shipping Act of 1934

reported that the hull and machinery of the Novadoc were in seaworthy condition, that the vessel was equipped with all necessary fittings to ensure safety and that the vessel was properly manned.

The ship was lost "during a very heavy gale of hurricane force with heavy seas running, and whether she sank or ran on a shoal, there was no control the master could exercise and the loss must be considered due to an act of God," the report said.

It added that "the loss of the Novadoc was not caused or contributed by the wrongful act or default or negligence of her owners, charter-

ers or any other persons."

"When the ship sailed from Deep Brook, N. S., on March 1, bound for New York with a cargo of 3,860 tons of crude gypsum, the winds were light and the weather fine.

"At 11:18 a.m. March 2 storm warnings were broadcast by radio to all shipping. At 2:17 a.m. March 3 when off the coast of Maine the vessel sent out a message to the effect that one of her hatches had been stove in and that the vessel had shipped quite a bit of water and was running before the wind to keep it down. U. S. coast guard vessels went to the rescue followed by diligent air and surface operations, but no trace of the vessel or her crew was ever found.

Radio Forum Season Approaches

Farm Radio Forum, a listening-and-discussion group project, sponsored jointly by three Dominion-wide, non-profit and non-political organizations, the Canadian Association for Adult Education, the Canadian Federation of Agriculture and the Canadian Broadcasting Corporation, gets under way on November 3, when the topic for discussion will be "Youth On The Farm."

The project this year will be carried out in the Maritimes under the direction of Leo MacIsaac, Department of Agriculture of Charlottetown, who has been appointed Secretary of Maritime Farm Radio Forum. Organizing a listening group is probably simpler and easier than any other type of community organization.

All that is needed is some energy, a few neighbors, and a radio. Any group who would like to participate in the project this

In Digby Church

Sunday, in the Digby Baptist Church, was a day highlighted by services of special significance. At the morning worship the Thanksgiving service was combined with an observance of "Family Sunday." A large proportion of the families of the congregation were in attendance. The minister, Rev. E. C. Churchill, gave a helpful message, answering the question, "Why do people go to church," in three ways; first, for Fellowship with man, and with God; second, to cultivate a good habit; and third to stimulate high motives for family fellowship.

In the evening, the Choir of the Church, with Mrs. Guy Morehouse as organist, assisted by outside talent, presented a programme of Sacred Music. The participants included Mr. Churchill singing "How Lonely Are Thy Dwellings," Hedley Dakin who sang "Not understood," Mrs. Reg Weir, and Mrs. E. C. Churchill, rendering as a duet, "Sweet Peace"; two anthems by the choir, "Prayer of Thanksgiving" and "Give Thanks." The special part of this programme was the rendering of three Negro spirituals by the Missionary Male Quartette from Yarmouth. This quartette of four colored men gave a highly pleasing interpretation of the Spirituals, and the quality of tones of the individual singers, blending in their various parts, left an inspiration that will not soon be forgotten. The church was filled to capacity, extra seats having to be provided for many who would otherwise have had to stand.

At 8:30 the Young People's Society of the Hill Grove Baptist Church assisted by the choir of that church, presented the Religious Drama, "The Lost Church." Over one hundred and fifty people crowded into the vestry of the church to see this presentation. The players with spirit, interpreted the significance of the Church in the world as it was depicted in the dramatic style of the author, Dorothy Clarke Wilson. With Mr. Churchill, Mrs. Orbin Minard, Harold Franklin, little Sandra Franklin, and Shirley Murley taking the leading roles, the presentation of this drama brought many expressions of satisfaction at the message presented and the admirable way in which each player played their respective parts.

MARRIAGES

Chipman - Miller

A wedding of widespread interest throughout the province was solemnized at Holy Trinity Church, Granville Ferry, at 1 p.m. on Friday, October 10 when Rev. Hastings Wainwright, united in marriage Gladys Adelia, daughter of Mrs. Doris Miller of Granville Ferry and the late B. T. Miller, to Eugene William Chipman, son of Mr. and Mrs. L. W. Chipman of Bridgetown.

The bride entering the church on the arm of her brother, Stephen Miller, by whom she was given in marriage, looked very girlish and lovely in her floor length bridal gown of ivory slipper satin. Her sweeping veil of ivory illusion fell from a coronet of silver lace and pearls. She carried a cascade bouquet of American beauty roses and her only ornament was a necklace of pearls, gift of the groom.

The bridesmaid was Miss Mary Miller sister of the bride, who was very attractive in a floor length gown of sonnet blue. She wore a bandeau of small pink flowers and carried pink carnations and white chrysanthemums. The groom was attended by Henry Giesbrecht. Mrs. L. M. How presided at the organ and a very lovely solo "Oh Perfect Love" was rendered by Mrs. James Gray of Annapolis Royal.

Ushers were Jack Miller, brother of the bride, and Charles Inglis of Kentville. A reception was held later at the home of the bride's mother, Mrs. Doris Miller, who was assisted in receiving by Mrs. L. W. Chipman, mother of the groom. The former was attractively gowned in black and white check silk jersey and wore a corsage of pink and white carnations. Mrs. Chipman was becomingly gowned in navy and powder blue and also wore a corsage of pink and white carnations. The bride's table was

three tier wedding cake and flanked by tall white tapers. Miss Cylena T. Pickup poured, and Mrs. V. J. Fox replenished. Those serving were the bride's sister, Mrs. Carmel Cleveland, Mrs. Stephen Miller and the Misses Dorothy Eaton and Irene Potter.

Following the ceremony, the bridal couple left for a wedding trip to Upper Canada. The bride's travelling costume was a dark blue tailored suit with burgundy wine top coat. On their return they will reside in Kentville.

Raymond - Bubb

Holy Innocence R. C. Church, New York, was the recent scene of the wedding of Florence, daughter of Mrs. and the late Herman Bubb, of Brooklyn, New York, and Kenneth Joseph Raymond, son of Mr. and Mrs. Maurice Raymond of Digby, Nova Scotia.

Father William White officiated at the ceremony.

Given in marriage by her grandfather, Mr. Henry Faustick, the bride wore a green tailored suit with brown accessories. The matron of honor was Mrs. Harold Weir, cousin of the groom. The best man was Mr. John Mahony, stepfather of the bride.

A reception was held at the Parkside Hotel in Brooklyn, N. Y., for about 30 guests. Later

wedding trip to Digby to visit the groom's parents.

The bride has been employed at the Prospect Heights Hospital as dietician at Brooklyn, N. Y.

Many beautiful gifts were received by the bride and groom.

OBITUARY

Frank O. Gillian

The death of Frank O. Gillian, a former resident of Port Wade, Annapolis County, occurred in Bridgetown at an early hour on Sunday morning, October 5th, after an illness of eighteen years.

Mr. Gillian, who was 75 years of age, was born in Prince Edward Island in 1862, son of the late Mr. and Mrs. George Gillian.

He is survived by his wife the former Minnie Hudson of Port Wade; two brothers, James and Henry Gillian residing in Prince Edward Island; and one sister Mrs. Charlotte Sleeper, residing in Clinton, Mass. Another sister, Mrs. John Clark of Hillsburn, predeceased him seventeen years ago. A number of nieces and nephews also survive.

The funeral service was held in the Port Wade Baptist Church, conducted by Rev. E. A. Robertson, Tuesday afternoon at 2 o'clock.

Hymns sung by the choir were "Rock of Ages", "When My Life Work Is Ended", and "In the Sweet Bye and Bye." The pall bearers were Gerald Hudson, Kenneth Hudson, Ralph McGrath and Rudolph Hudson. Interment was in the Port Wade Cemetery.

W. M. Society Meeting

The new study book, "Great is the Company", was used by Mrs. Lloyd Sanford, who gave the lesson for this meeting.

At a special evening meeting held recently at the Parsonage, Mrs. C. L. Gesnor gave a most interesting and instructive introduction to this new study book for 1947-48. With the use of map, lighter candle, Hebrew and Greek Bibles, and the open English Bible as a worship centre, Mrs. Gesnor painted a glowing word picture showing the efforts of those who through past centuries had translated and printed the Scriptures, suffering martyrdom in the cause that we might have the Bible to read in our own language.

This new study book promises to be a most interesting one, telling the fascinating story of

S. held their Crusade Meeting in Riverdale Baptist Church, and had as their guest speaker, Miss Helena Blackadar, M.A., retired Baptist Missionary of Wolfville, who returned from India in 1946. Navy League Still Active

The Navy League of Canada celebrated its "Golden Jubilee" year, in 1946. From its inception its primary function has been to arouse public consciousness of Canada's position as a maritime nation and her dependency upon the sea from an economic as well as naval viewpoint. It was to develop a "set sense" among a people, most of whom were far removed from the sea.

Through its educational program, comprising the distribution of booklets, pamphlets and other data, and through the co-operation of newspapers, magazines and radio stations, the Navy League has succeeded to the

point, where Canada's farm and factory products now find markets throughout the world.

Canada's export trade is vital to our national prosperity. One-third of every dollar we get comes from our trade abroad but the foreign buyers of Canadian products must be assured of a consistent supply.

The Merchant Seamen who man the ships that carry Canadian products to the world markets therefore comprise a very important cog in our export machinery and it is essential that the Navy League continue its welfare work on their behalf. This includes meals and lodgings at reasonable prices, clean, wholesome, homelike surroundings; ditty bags, reading material and other amenities not otherwise obtainable.

The record of the work of the Navy League during two World Wars is too well known to require repetition and in peacetime operations it is fulfilling its responsibilities as set forth in its Federal Charter.

The Navy League still operates 12 hostels and clubs for Merchant Seamen and Naval Ratings in Halifax, Sydney, Louisburg, Saint John, N. B., Vancouver and Victoria. Over 750,000 Merchant Seamen visited the two hostels still being operated in the Halifax Area during 1946.

The Navy League also sponsors a national youth-training program designed to refresh a boy physically, stimulate him mentally and quicken him spiritually. Its purpose is to help combat juvenile delinquency by the development of character and inculcation of the principles of good citizenship. 1000 Nova Scotian boys are enrolled in this movement, meeting regularly during the winter months for instruction and organized sport. During the summer, the boys are given two free weeks at beautiful Camp Major, which is located on Herman's Island overlooking Mahone Bay.

The financial support received from public bodies — and the public generally — enables the Navy League to render a dis-

tinct, peace-time service to Canada, and, with the continuance of that support, it will continue to function on behalf of our Naval and Maritime interests.

MORE FALL MILK NEEDED

As the problem of a short milk supply comes to the fore again at this season of the year, as herds move from pasture to the barns, the following suggestions offered by a prominent dairy specialist, may beg of value to those interested in increasing the fall milk production. Here are the suggestions:

1. Change the herd breeding schedule so that a larger per-

centage of the cows will freshen in the summer and early fall.
2. See that the cows have plenty of pasture, supplementary green feed, or hay if either feed is lacking.
3. Feed plenty of green feed to the cows that are producing heavily.
4. Make the change from the pasture to barn feeding gradually.
5. Keep the cows in the barn

during cold or stormy weather and let them have their fill of hay.
6. Save milk by using milk substitutes for calf feeding.

Installs Lights

Meteghan River is the second village in the District of Clare in the County of Digby to have street lights installed. Crewmen of the Hydro Electric Commission of Clare finished putting up the fixtures last week.

The main business section of the village is the area now lighted up and there is no doubt but the lighted area will be extended at some future date.

Meteghan is the next in line to have street lights installed, and as soon as fixtures are a-

available, which is expected to be very soon, a start in this direction will be made. Other villages will probably follow the lead of their neighbors, and before too many years have rolled by, the entire thoroughfare between St. Bernard's and Meteghan will be entirely lighted up.

Mr. and Mrs. Roy Carr and little baby of Saint John are visiting the latter's parents, Mr. and Mrs. F. J. Thibault. They are accompanied by Mrs. Carr.

Shipbuilders

Defeat College

Meteghan Shipbuilders defeated St. Ann's College at Church Point Sunday afternoon in a tuneup match in preparation for their sudden death game which was played in Windsor against the P. E. I. champions for the Maritime Intermediate Championship. The score was 147 with Delbert Lombard going all the way for Meteghan, allowing 7 hits.

Young Al Gaudet, formerly of Meteghan Shipbuilders, pitched for St. Ann's, but received poor support in the outfield and was replaced in the seventh inning when Goguen took over.

The game was chiefly to regain their fielding and batting eye for the Meteghan N. S. champions. The five misses marked up to Meteghan and six to the collegians. The day was ideal for baseball, far better weather than when the N. S. nationals were on.

Chickens—Leave Pay

An unknown group in Digby last week must have had an overpowering desire for a chicken dinner very late at night. Their desire was so strong that they raided the henpen of William Thomas and took seven of his pullets.

These people were not thieves, they just wanted a chicken dinner and the chickens were there so they took them. To prove they did not steal the pullets, they left twelve dollars tied to the door knob of Bill's house in payment for the birds.

Mr. Thomas has asked us, through the columns of the Courier, to express his thanks to the unknown gourmets who visited his poultry yard, relieved him of the pullets and left the money in payment. He hopes the chickens were tasty and the midnight supper enjoyable.

A Letter to The Editor

October 15, 1947.
To the Editor, the Courier:

You may be interested in reading and perhaps publishing the following letter which I have just sent to the London Daily Mirror:

The Editor,
The Daily Mirror,
Fetter Lane,
London, E. C. 4.

Dear Sir:

One of the Toronto papers has published an article which originated in the London Daily Mirror. It concerned the complaints of some former immigrants to Canada who had returned to England. One, Anthony Wilson, was quoted as saying that he could not get farm work here for more than \$6 a month. On investigation, it turns out that the man never applied to the national employment service of the area where he says he sought work.

As an immigrant all I can say is that anyone who cannot earn more than \$6 a month in Canada must be pretty dim. Unskilled labourers make around £10 a WEEK. Mr. Wilson need have gone no further than the nearest railway station to find work loading packages onto trains. For that his wage would have been \$40 a week. There are plenty of jobs in Canada at decent wages. The trouble arises when a few disgruntled or homesick men who are not prepared to work hard start giving false impressions of this country.

It is a pity that these minority views should be the ones to find space both in English papers and those here. It makes the lot of the immigrants who have settled down in Canada difficult and I am sure unnecessary worry is caused to relatives at home in England. It is the old story of the great exception making news, while stories of men who are leading ordinary comfortable lives make poor copy.

Yours sincerely,
David Bernard

Scalloper Drowns When Swept Overboard by Ship's Boom

Elden Conrad, 31, a crew member of the scallop dragger, Tancook II, was drowned Monday night on the scallop banks off Digby as the Digby scallop fleet made its heaviest catch of the present season.

The accident which claimed Conrad's life occurred shortly after Tancook II reached the scallop beds and was lowering her drags. Conrad was standing on the forepeak of the vessel when

the warp carrying the drags out from the side of the boat struck him, knocking him overboard.

James Tanner, who was operating the winch, immediately reversed his engine and pulled the drags back aboard. An empty scallop keg was also thrown overboard in the hope Conrad might use it as a life preserver. The boat was stopped and then circled about the area in a vain at-

tempt to locate Conrad who evidently never came to the surface.

Tanner stated he heard Conrad scream once as the warp struck him, but heard nothing further. He said Conrad was wearing heavy rubber boots and a leather windbreaker and felt the weight of his clothing carried him right under. "He couldn't swim a stroke," Tanner said.

As soon as the Tancook II made port Captain Allan Knickle informed police and Customs officials of the fatality and called Conrad's sister, Mrs. Burt Oxner of Lunenburg, with whom he made his home. Beside his mother, Mrs. Robert Pettit of Bridgewater, Conrad is survived by two sisters, Mrs. Burt Oxner, Lunenburg, and Mrs. Morris Mosher, Lunenburg. One brother, Harry Conrad, Lunenburg, also survives.

Dredging Work Completed

Dredging work in the harbor was completed this week end preparations are now being made for the transfer of the dredge to another job.

The work was in charge of the J. P. Porter Co., Ltd., and was done by their scoop dredge "Fundy." Assisting with the work was a tug, the former fire boat "Rouille," which did fire boat duty in Halifax harbor during the war years. The job of dredging out the channel, the berthing space for the Princess Helene and dredging about the government pier took some three months and a large number of local men were employed together with the permanent employees of the Porter Company.

Has Cruise In Hitler's Private Yacht

In a letter home, Staff Sergeant Douglas MacKay, now in Germany with the American Army, writes that he recently enjoyed a cruise about the Rhine in Hitler's pleasure yacht, together with other members of the American Army newspaper, "Stars and Stripes." Although a fine vessel, he says there is nothing extraordinary about it.

Douglas is the son of Mr. and Mrs. Emdon MacKay, and has been overseas since 1942.

After the war ended, Douglas remained in Germany with the Canadian Occupation Forces, becoming a member of the "Maple Leaf," where he remained until he joined the American Army in the early part of 1946. Since then he has been with the "Stars and Stripes."

Lightning Shatters Home

A severe electrical storm at an early hour Monday morning did considerable damage to the residence of Mrs. Jessie Jefferson at the Racquette.

The lightning evidently struck the chimney, splitting it from top to bottom and scattering bricks over a wide area around the house.

Pipes from the kitchen stove

and a stove in the living room were thrown to the floor and stove covers scattered about the rooms.

In the upstairs portion of the house, parts of every ceiling were torn down and all of the electrical connections torn from the ceilings.

In one room the bolt tore a leg from the bed, splitting the steel caster in two.

Some of the plaster torn from the ceiling landed on the bed in which Mrs. Jefferson was sleeping but did not strike her. She said she was too frightened to move from the bed until after the storm had abated. Several other houses in close proximity to the Jefferson residence were struck, but little or no damage was done.

Shamed By Slaughter

Bay State nimrods are shamed at the staging of a blood bath among the fawns of Nova Scotia by "sportsmen" from this area, the Boston Traveller said Saturday in a front page story by Staff Reporter Bill Schofield.

The slaughter was reported early this month when 10 deer were bagged in Nova Scotia woods. The catch included three "little babies," none bigger than 26 inches from tail to shoulder, three more measuring up to 28 inches and four others under two years old.

The story quoted local hunters as saying the province lacks a law concerning minimum size and age of deer.

About This and That

PROVINCIAL-MUNICIPAL CONFERENCES

Conferences between the Provincial Government and the various towns and municipalities throughout the province get underway this week. Purpose of these conferences is to determine a basis for the possible granting of increased sources of revenue to the towns and municipalities as a result of the recently concluded Dominion-Provincial agreement.

Digby should be in a position to gain advantages as a result of this. Our position with regard to finances is at present satisfactory. There are, however, services and improvements which should be provided in our town which it is economically impossible, under present conditions, to provide. In direct taxation we have well high reached the limit. (93% of all civic revenue in the town of Digby comes from direct taxation.) These taxes come in the main from residential properties (61% residential, 29% commercial, 5% industrial and 5% utilities) with no large industrial concerns or other type of business from which to draw large civic revenue. A policy of direct taxation on residential properties can only be carried so far until it comes under the law of diminishing returns.

Everyone will agree that Digby is badly in need of a paving program; a sewerage system to take in the upper reaches of the town is also a pressing need; our water system is presently under survey with a view to recommendations regarding improvements. All of these things will cost money—lots of it. At present there is no other source for this money than by borrowing and repaying the loan or writing off the debentures by direct levy on the people of the town. This cannot be done unless we plan to establish in Digby a tax rate that will be strangling.

The only solution to the problem, therefore, is to seek new sources of revenue for the town through these forthcoming conferences with the provincial government. What sources will be opened to us we do not know. There are certain taxes now collected by the province, a portion or all of which, if given to the towns and municipalities, would greatly aid them. The gasoline tax, the tax on automobiles are examples of these. There are also in Digby as in many other towns of the province, sources of revenue to the provincial government which bring to them many hundreds of thousands of dollars annually: That is the liquor Commission stores. A re-alignment of the levy in lieu of taxation on these would effect an increase in civic revenue. There are also many other sources of revenue that could be mentioned that would bring increased monies to the towns and municipalities.

With regard to the securing of increased sources of revenue from the provincial government, Digby holds a position that should be favorable. We are a gateway to Nova Scotia through which pours annually thousands of tourists to the province. Last year, from June 1st to September 30th, 31,681 visitors entered the province through the Town of Digby. It should be a matter of concern not only to our town's people, but also to the Province, that Digby be a well kept town, that adequate and proper services be provided and maintained. With our present sources of revenue we can do but little more than maintain existing services.

Digby has thirteen miles of streets that should be paved if proper road surfaces are to be provided and maintenance costs reduced. There are some four miles of breastworks that must be maintained in order to keep our town from sliding into the Annapolis Basin. Our water system is in need of overhauling and some replacements. At present only about one third of the town is serviced by sewers. The bulk of the money needed for these things must come from other sources than by direct taxation. Let us hope, therefore, that during the forthcoming conferences with the government the case of Digby will be well presented, well received, and that out of these conferences will come increased sources of revenue to meet at least a part of our need.

Digby Defeats

St. Ann's College

Digby Ravens defeated St. Ann's Collegians at Church Point Sunday afternoon in a hard fought game of baseball when they emerged the victors by a 6-5 score. St. Ann's made a strong bid in the seventh to overtake Digby when, with three men on and only one out, they were able to score but one run. This run was scored on a wild throw to second by Saulnier in the box for Digby at the time in endeavoring to catch a base runner at second, the ball going to centre field. He then managed to make the collegians bat pop flies that were easily caught by the infielders to come out of a dangerous hole handily. Saulnier relieved Jackson who pitched a good game up until the fifth when he began to find it difficult to locate the plate. Jackson allowed six hits and

Saulnier five in the remaining two innings that he pitched.

T. Gaudet, who went all the way for St. Ann's, allowed nine hits, with four of them coming in the fourth when Digby scored four runs.

St. Ann's Defeats Yarmouth "Y"

St. Ann's basketballers continued their undefeated streak on their home court Thursday evening by taking the Yarmouth "Y" team by a score of 26-13. St. Ann's is yet to be defeated on their home court in two years and they probably intend to keep that record clean if at all possible.

The youthful collegians scored first after a minute's play when Martel scored the first basket on a neat play. St. Ann's held the visitors scoreless until the second half of the first period by their razzle-dazzle passing which kept Yarmouth off balance for most of the time. They walked off the courts at the end of the first half leading 18-3.

Yarmouth "Y" came to life in the first portion of the second period when they scored seven points without a reply, but after that the collegians once more started their passing plays clicking and managed to break even in this period when both sides scored eight points.

Starring for St. Ann's were

Canning Factory For Church Point

A modern canning factory will
be established in Church Point
for the purpose of canning fish
in the very near future. News
of the venture broke out late
last week when work of demoli-
shing an old building on Church
Point wharf started. The build-
ing being razed was in a dilapi-
dated condition and had not
been in use for years.

The building itself was used
as a canning factory many
years ago, and was owned by
the late Philip Gaudet. The new
structure, which will get under
way in a short time, will be a
two storey building and will be
operated by Floyd Frankland,
formerly of White Head, Grand
Manan, N. B., but who has lived
in Church Point for the last sev-
eral years.

The new canning factory
should give employment to a
number of people in this dis-
trict and should aid the fisher-
men also. Mr. Frankland first
started business in Church Point
when he erected a fish curing
plant here for the purpose of
smoking herrings and preparing
them for the trade. His fish
processing plant has given a
large amount of employment in

30 rods to a stake; thence south-
erly parallel with said line of
Augustus P. Marshall to a point
2 rods south of the centre of
said brook; thence easterly par-
allel with the said Brook to the
said west line of Samuel Zeigler
; thence southerly along said
line of Samuel Zeigler to the
place of beginning. Containing
45 acres more or less.

the summer months and it also
has provided means for the lo-
cal weir fishermen to dispose
of their catch.

Since he arrived on these
shores, weir fishing has increas-
ed heavily and today one may
see the weirs all along the
shores of St. Mary's Bay both
on the mainland and the islands.

It will take some time before
the new canning plant will be
ready to operate but it will be
started as soon as the necessary
materials arrive. Mr. Frankland
must be congratulated on his
foresight.

Last year a rumor around
these parts floated around that
an outside party was going to
open a sardine factory at Church
Point Wharf. A party did ne-
gotiate with local parties for
the erection of a factory build-
ing, but for some reason the
plans were abandoned. Today,
the actual building of a factory
is practically on the verge of an
actuality and before many weeks
have passed it will be a certain-
ty.

Church Point has been favor-
ed by having such a man as Mr.
Floyd Frankland establish a fish
curing plant in this district. Dur-
ing the summer just passed an-
other newcomer to these shores
appeared in the person of Mr.
Ohri of Ohri Sea Foods, of Mil-
waukee, Wisconsin, who remain-
ed here all summer to prepare
herrings in conjunction with
Mr. Frankland for the Ameri-
can trade.

Mr. Ohri first invaded the
shores of Prince Edward Island
where he had been advised to go
to procure the fish that he was
interested in, but after a while
he pulled up stakes and headed
for Church Point. Here he was
well satisfied with the results
obtained and unless some un-
foreseen circumstance should ar-
ise between now and next
summer, Mr. Ohri will return
to these shores again next
spring.

Both of these men mentioned
above, have aided the village
people immensely by giving em-

MARRIAGES

Brown - Donnelly

At Windsor, on Sunday evening, October 12, the Rev. D. G. Rose, pastor of the Presbyterian church, united in marriage William Clyde, son of Mr. and Mrs. Walter Brown, of Three Mile Plains, Hants County, and Ruby Marie, eldest daughter of Mr. and Mrs. Bernard Donnelly, of Digby. The bride wore a suit of powder blue with navy accessories and carried a bouquet of yellow roses. Her only ornaments were a string of pearls with earrings to match, the gift of the groom. She was attended by Miss Helen Brown, sister of the groom, who was dressed in a light grey suit with black accessories, and a corsage of red roses. The groom was supported by a former school friend, Raymond Smith, of Windsor. Mr. and Mrs. William Brown were among the guests present. After the ceremony a reception was held at the home of the groom's parents, which was beautifully decorated with flowers and other decorations of pink and white. Suspended over the door was a string of white bells of various sizes. The bride's table was centered with a three-tier wedding cake which was cut by the bride and groom in the traditional manner. The hostess was assisted in serving by Mrs. C. Gibson and Miss R. Marshall, of Halifax, and Mrs. Robert Brown.

The happy couple left on a trip to different points of the province. Mrs. Brown will continue her employment at the Royal Store in Digby, where she has been a valued employee for the past two and a half years. Later they will take up residence in Weymouth where the groom is manager of the Royal Store. They were the recipients of many useful and beautiful gifts.

His wife predeceased him a few months ago.

The funeral services were held from the Church of Christ, of which he was a member, conducted by Rev. R. M. Johnston. Hymns sung by the choir were "One Sweetly Solemn Thought," and "Sweet Bye and Bye." A duet, "Beautiful Valley of Eden" was nicely rendered by H. A. Shortliffe and Mrs. Ralph McNeill. Interment was in the South Range Cemetery. (Halifax and Saint John papers please copy.)

MARRIAGE

Mullen - Nesbitt
Cosman - Nesbitt

A wedding of unusual interest was solemnized at Riverside Baptist Church, Oct. 14, in the evening, at Weymouth North. Rev. F. C. Amery, pastor of the church, assisted by Rev. R. M. Johnston of the Church of Christ, Southville, united in marriage Kathleen Delta and Ernestine Pearl, twin daughters of Mr. and Mrs. Wm. Nesbitt, Weymouth North, and Ivan Henry Mullen, son of Mr. and Mrs. Percy Mullen, Hassetts, and Ralph Cosman, son of Mr. and Mrs. Melbourne Cosman, Weymouth. The ceremony was performed according to the English rite. It was a double ring ceremony as well as a double wedding, having in the wedding party two sets of twins. Rev. R. M. Johnston took the introductory and closing parts of the ceremony. The organist was Mrs. Wilfred Cosman. The church was tastefully decorated by friends of the brides with autumn leaves and cosmos.

The brides, who were identically gowned, entered the church by the side aisles, one on the arm of her father, by whom they were given in marriage, and one on the arm of her eldest brother, Jack Nesbitt, the attendants following.

Both brides were charmingly gowned with floor length white satin, styled with neck yokes of net and embroidery, long finger tip sleeves, fitted bodice and full skirts. They wore long veils of embroidered net, fashioned in halo effect, and carried arm bouquets of American beauty roses and baby's breath.

The maid of honor, Dorothy Nesbitt, sister of the brides, attended Kathleen, Mrs. Clyde Cosman, also a sister, attending as matron of honor for Ernestine. They wore floor length gowns identical in design, one of turquoise blue taffeta, and the other, pink taffeta, with low necks, wide strap shoulders, with full bouffant skirts with side drapes, under which bouquets of pastel flowers were caught. Their headdress was bands of pink and blue velvet from which fell finger tip veils of the same color.

They carried bouquets of asters, baby mums and baby's breath.

The grooms were supported by their brothers, Ivan, by his twin brother, Iver Mullen, and Ralph by his brother, Clyde Cosman. Wilfred Cosman and Dan Hankinson were ushers.

Following the ceremony, a reception was held at the brides' home for immediate relatives and out of town guests, after which the happy couples left on a trip to P. E. I. and other parts of the Maritimes. On their return they will reside in Weymouth.

Previous to their marriage they were tendered two showers, one at Mrs. H. M. Mullen's and one at Mrs. Wilfred Cosman's, and they were recipients of many lovely gifts.

Out of town guests were Mr. Fred Balcom of Paradise; Mr. and Mrs. W. D. Crosby and Mr. J. B. Price of Annapolis Royal; and Kaye Mackenzie of Glace Bay.

Around 300 people attended the ceremony, some coming from points 50 to 60 miles distant.

Mr. and Mrs. Hugh Goldsmith of Bridgetown were visitors in town on Sunday visiting at the home of Angus McPhee.

EVERYBODY'S BUSINESS

Have you picked the next goal in your career?

This may be a job higher up. It may be a broadened field of operation. Or it may be a plan for improving a farm, store or other business. But, whichever applies in your case, the important thing is to choose some goal and work ceaselessly towards it.

But before you start, make sure that you are distinguishing properly between day-dreams and practical objectives. Then work out a definite plan of operation, utilizing all the information you can get on the subject.

It is helpful, too, to picture yourself as having already attained your goal. This has the effect of making you willing to assume more responsibility and to think progressively.

Even people who are content with their present status often yearn for a "better deal". But they get nowhere because they do not work towards a goal. If they did, they would soon achieve the success they want.

The main objective of the life insurance companies in Canada is to provide maximum security at the lowest possible cost. Much progress towards this goal has been made — for today over 4,500,000 Canadians are life insurance policyholders.

Two interesting visits to the Courier office last week when two former "devils" of the Courier called to see us. Unfortunately they did not know each other, neither knowing where the other was in town. Had they known so, we would probably have had some good material to use as they probably knew each other and people of fifty to sixty years ago better than we do living today. The first was Thomas S. Farnham, who a few weeks ago, sold his house in Watertown, Mass., and purchased Mrs. C. E. Armstrong's house on Queen street in Digby. After many years, he returned to his home. He was born in 1865 and when the late Mr. McCormick established the Courier in 1874, Tom, at the age of nine years, joined the staff as the first "devil," his duty being to sweep out the office and deliver the papers every day, for which he received a salary of fifty cents a week. But he liked the work and stayed with the Courier for many years, leaving then to join the staff of the Weymouth Free Press and L'Esperance, and later that of the Sissiboo Echo and Acadie. Those four papers folded in Weymouth, he went to Boston and worked in that city until his retirement. The next "devil" was Ansel B. McWhorter, now of Windsor, N. S. He is probably ten or twelve

years younger than Tom Farnham, but he, too, was one of the earlier boys on the staff. We did not ask how long he worked on the staff, but we do not think it was any length of time, because in his case, the work did not appeal to him and he went into Chalmers' Drug Store. However, we were interested to talk with them and enjoyed their visits. We like to welcome old members of the staff—there are still quite a number of them who can talk of events of fifty and sixty years ago.

Mr. A. R. Turnbull, President of the local V. O. N. Branch, announced recently that all material necessary for the opening of the T. B. Christmas Sale on November 24 has been received from the National Office of the Canadian Tuberculosis Association. Although changes are anticipated in future years, in 1947 again the local V. O. N. is given the privilege of sharing in the proceeds from the Sale in Digby. This year's seal depicts a typical Christmas scene, gaily decorated, and will add a festive touch to the Christmas mail.

Appeal For "Sane Sensible" Observance

The Police Department have appealed for a sane and sensible observance of the Hallowe'en season this year. Because of the continued dry spell and the danger of fire, they particularly ask pranksters, both young and old, to be careful with torches, lighted candles and the like on Hallowe'en. A fire could be easily started at present, and with everything so dry, the results might be disastrous. Everyone is asked to refrain from lighting bonfires anywhere for the present.

NOVA SCOTIA GROWS

Nova Scotia's population is now 621,000, according to the 1947 estimate of the Dominion Bureau of Statistics, an increase of 8000 over 1946. The population of the province hit a wartime peak of 621,000 in 1945, jumping 43,000 in four years under impetus of great military and port activity on the east coast. It dropped off to 612,000 in 1946, but the growth of the past year has brought Nova Scotia back to the largest population in its history.

\$20,000 Debenture Issue To Be Floated for Digby's New Rink

Plans for the floating of a \$20,000 issue of debentures bearing interest at 3%, payable semi-annually, for the purpose of financing the erection of the new skating rink for Digby were finalized at Monday night's meeting of the Digby Recreation Commission. J. J. Brittain, E. H. Anderson and E. J. Theriault were named a committee in charge of the bond selling campaign.

Considerable progress has been made in the building of

the rink to date. The foundation has been laid and all of the building material has been assembled on the grounds. A former drill hall was purchased by the Commission from the East Camp at Yarmouth and has been dismantled and the material transported to Digby. Work is now held up due to lack of funds, but will be resumed on Monday next. Present plans are to have the rink in operation as soon as the weather is fit to make ice. Thomas L. Deveau is

the contractor.

Digby has been without a rink for a number of years, since the former one was destroyed by fire a number of years ago. The campaign to replace this rink has been active for some time and has received the support of the town and surrounding countryside. Considerable sums of money have been raised and a large lot of land purchased to be used as a site for the new rink and as an athletic field. This summer the

Digby Recreation Commission, which was formed to manage the affairs of the rink and athletic field, purchased a former drill hall in Yarmouth which is now in the process of rebuilding here in Digby for use as a rink. It is expected the new building will be used during the summer months for the holding of the annual Hospital Fair and exhibitions.

See Statement of Receipts and Expenditures for Digby Recreation Commission on Page 4.

Recommends

Community

Educational Director

Recommendation that the Digby Recreation Commission secure the services of a community recreation director to take charge of affairs at the rink and athletic field, and to be generally in charge of planned recreation in Digby was made by Hugh A. Noble, Director of Physical Education for Nova Scotia, at a joint meeting of the School Board and representatives of the Digby Recreation Commission held Tuesday night.

Mr. Noble stated he did not advocate trying to combine the services of a teacher of physical education with the duties of a community recreation director. The community recreation director could, however, take charge of athletic programs for the school as part of his duties. The School Board would receive government grants for this service if the man selected were qualified under standards set by the Department of Education, Mr. Noble stated.

In his address to the meeting, Mr. Noble said physical education would be a major part of the new school program. A definite curriculum would be set up covering this part of the school program and the work would be correlated with other school departments. When the new program was fully developed, he stated, the school physical director would have a full time job on his hands.

Mr. Young will have charge of his regular appointments Sunday next, Sunday, Nov. 12, will be observed as Armistice Sunday.

Hallowe'en Festivities

Planned For Friday

Friday evening is Hallowe'en when witches, ghosts and hobgoblins are on the prowl and when children dress up in fantastic costumes and visit houses in their neighborhood to get treats. The grown-ups also believe in entertaining themselves on this special evening.

The Digby Kiwanis Club will hold their first annual masquerade ball and party at the Lour Lodge on Friday evening. This promises to be a gala affair. It is understood a number of Kiwanians and their wives will attend from Saint John, and hundreds of tickets have been sold in and around Digby.

The party and dance will get underway at eight o'clock and will continue well into the night. Music for dancing will be provided by the Troubadors orchestra of Annapolis Royal and arrangements are being made for all sorts of games and cards. Prizes will be awarded for the best costumes. There will also be novelty dance prizes and a lovely table lamp will be awarded as a door prize. The winner of the contest to name the Racquette Swimming Pool and Park will also be announced on Friday night and will be awarded a cash prize of ten dollars.

For the youngsters, the members of the Boy Scouts and Wolf Cubs, the Y's Men's Club have arranged a special Hallowe'en party to be held in the Community Hall beginning at seven o'clock. The lads have been asked to attend in costume and prizes will be awarded for the best. An evening of games suitable to the occasion has been planned and refreshments will be served.

MARRIAGE

Doucet - Goss

A pretty wedding took place quietly at Saint Thomas Aquinas Church, Halifax, when Miss Mary Goss, daughter of the late George Goss and Mrs. Goss, St. John's Newfoundland, became the bride of Wilfred Doucet, son of the late Mr. and Mrs. Frances Doucet, Cape St. Mary's Digby County. Father Gregory Murphy officiated at Nuptial Mass.

The bride looked charming in a gold dressmaker suit with brown accessories, and wore a corsage of deep red carnations. She was attended by her sister, Miss Josephine Goss, who wore a light blue suit with black accessories and a corsage of pink carnations. The groom was supported by his brother, Leo Doucet.

Following the ceremony a wedding breakfast was held at Palmer's Lodge, Waverley, for relatives and friends. After a short wedding trip in the Province, Mr. and Mrs. Doucet will take up residence in Halifax.

Mrs. Douglas Cochrane and Stewart William, have returned to Winnipeg after spending a month with her mother, Mrs. Wm. B. Hazelton.

Wind Topples Cross

Winds of gale force on Thursday night toppled the ornamental cross from the roof of Trinity Parish Hall to the ground. When the huge wooden cross fell, a meeting of Trinity Men's Club was in progress in the hall and several cars were parked outside. The heavy cross and its base just missed hitting one of the parked cars. Had it done so, it would undoubtedly have caused considerable damage.

During the day the Fire Department was called out to three chimney fires within less than an hour. First of these was at the residence of Mrs. Helen Anthony on Montague Row and while the firemen were battling this an alarm was sounded for a chimney fire at the home of Mrs. Celenie Ward, Mount St. Shortly afterward the siren wailed again signalling still another chimney fire at the home of Mrs. Charles Collins, Church St. All fires were extinguished with but little damage.

Scallop fishermen were forced to keep a close watch on their vessels, tied up at local piers, all during the night. No damage to boats of the fleet was reported Friday morning.

The W.H. and F.M.S. of the Advent Christian Church, Bear River, met on Tuesday evening with Mrs. Wilbur Parker.

A new sports stadium to seat 6000 persons is under construction on the Westville road, New Glasgow, by Jack Smith, New Glasgow garage operator.

Fire Destroys Barn;

Damages Other

Property

Valiant efforts by the Digby Fire Department Friday saved the north end residential section of the town from possible destruction from fire, when a fire of undetermined origin destroyed a barn on the property of Miss Edith Letteney and damaged several other buildings nearby.

Fanned by winds which at times reached gale force, the blaze had gained considerable headway before it was noticed and an alarm sent in. By the time the fire department arrived the barn was completely engulfed in flames and burning embers were being carried by the high winds to adjoining buildings.

Quick action by the fire company who, within but moments after their arrival, had streams of water pouring on the burning structure while other hose lines were trained on nearby buildings, soon got the fire under control. The barn on the Letteney property was completely destroyed while a barn on the property of Raymond Everett was also badly damaged. The roof of the Letteney house was also badly burned in several places.

Mrs. Dennis Riley and infant daughter, Nancy Anna, returned home on Monday after spending a month with her parents, Mr. and Mrs. John Murray in Chipman, N. B.

Mrs. Winston Mullen New President Ladies' Hospital Aid

Mrs. Winston Mullen was elected President of the Ladies' Hospital Aid at the annual meeting held in the Court House on Monday afternoon. Other officers elected were: 1st. Vice-Pres., Mrs. H. M. Warne; 2nd Vice-Pres., Mrs. E. D. Dickie; Secretary, Mrs. Blanchard Mahon; Treasurer, Mrs. L. M. Saunders; Asst. Secretary Treasurer, Mrs. Elton Arnold; Supply Committee Mrs. E. D. Dickie, Mrs. H. Reicker, Mrs. Ina Dillon; Visiting Committee, Miss Bessie Chisholm, Mrs. Hugh Vincent, Mrs. W. McMahon, Mrs. C. W. Smith; Mrs. H. T. Warne; Membership Committee, Mrs. J. M. Wallis, Mrs. E. DuVernet, Mrs. F. C. Purdy; Convenor Club Committee for Bridge and 45's, Miss Isabel Williams.

The Convenors of the Entertainment and Fair Committees were left for appointment at a later meeting.

Mrs. L. M. Saunders presented the Treasurer's report which showed receipts of \$1421.57 and expenditures of \$979.29 for the year.

Mrs. Mullen, who has been acting as President since the resignation of Mrs. S. C. Eaton, stated in her report that the Aid were sorry indeed to have to accept the resignations of Mrs. Eaton and Mrs. Fillmore from the Executive during the year. She paid high tribute to the work of the Entertainment Committee who, under the convenorship of Mrs. Helen Anthony, raised \$653.37 during the year. Work of the Supply Commit-

tee under the convenorship of Mrs. H. Reicker was also highly praised by Mrs. Mullen. She stated the committee had worked under great difficulty during the year with supplies needed for hospital use being very scarce. Although splendid work had been done by the committee supplies for the hospital were still badly needed. The linen supply was particularly low, she stated. It was hoped Mrs. Mullen said, that the difficulty in procuring hospital supplies would be eased this year.

Special tribute was paid to Mrs. H. T. Warne and the Good Cheer Club. This club for seventeen years has sponsored the Soldier's Memorial Room, and have now taken on the task of sponsoring another room, the Good Cheer Room.

The work of the Hospital Fair Committee under the convenorship of Mrs. H. M. Warne was worthy of special mention, Mrs. Mullen stated. This year's fair, from a viewpoint of appearance and setup, was one of the finest in the history of Hospital Fairs.

Miss Bessie Chisholm, reporting for the Visiting Committee, said members of her committee had made 142 visits to patients in the hospital, and stated these visits were much appreciated by the patients.

The sum of \$761.13 was spent by the Supply Committee in securing needed supplies for the hospital during the year, according to the report given by Mrs. H. Reicker, convenor of the Supply Committee. She thanked

the ladies of the Aid for their fine work and added a special word of thanks to Miss Elizabeth McGregor, who does much of the sewing for the hospital. Great difficulty had been experienced by the committee, she stated, in securing supplies, particularly of linen, but much work had been accomplished.

About This and That

Last week a fire started in Digby which, had it not been for the prompt and efficient work of the Fire Department, could have destroyed a goodly portion of the north end of town and caused property damage amounting to thousands of dollars.

This fire, which occurred while a near gale was blowing, came just after noon when many of the members of the volunteer fire brigade were home to their dinners, many of them considerable distances from the fire itself. Yet, within but a few minutes of the final wail of the siren, hose lines had been run out from the fire engine and the water turned on the fire.

Such prompt and efficient action on the part of our Fire Department is worthy of mention and should be an object of pride to us all. There are, however, those who persist in unjust, unwarranted and uncalled for criticism of our fire brigade and their work.

Some of these people were present at the fire last Thursday and were very vocal in their criticism of the fire company. Scathing remarks were made, within the hearing of members of the company who were doing their level best to get the fire under control, as to the length of time taken to get the water turned on, the manner in which the hoses were handled and other details.

The persons who were busy passing these observations made no effort whatsoever to help the firemen in their work, in fact some of them had to be literally pushed out of the way in order for the firemen to carry out their duties properly. The only time they made any effort to get out of the way was when spray from the fire hoses landed near them.

It would do us all well to remember that the members of the Digby Fire Company are protecting the property of every resident of our town. For a volunteer brigade their efforts are excellent and their service prompt and efficient. They deserve all we have to say of praise and commendation. Every property owner should get back of the Digby Fire Company and promote and assist them in their efforts to the limit. After all, the safety of all of us is in their hands.

Seal Sale

Committee Busy

It may still be eight weeks till Christmas, but already the Christmas spirit is abroad in some quarters. That is the opinion we got on watching the Christmas Seal Committee at work. They were busy checking and copying mailing lists.

Already they have found people who have asked to have their names on that list and wondered why they had not been on before. The committee is anxious to see that no one is missed in the town and immediate vicinity and they appreciate the interest these people are showing at so early a date.

This interest is proof that the general public is becoming more and more acquainted with the fundamental facts about tuberculosis. It is curable if caught in time. It is preventable if the proper precautions are taken.

One use of the money raised through the Seal Sale is to further educate the people in regard to T. B., and eventually stamp out the disease.

George M. Spurr of Yarmouth North has received word that his Jersey cow, Maribeth Nicolina's Janet, has been awarded the Jersey Roll of Honor Certificate for having produced the highest butterfat record in her class in Canada in 1946—365 Day Division—senior 2 year olds—590 lbs of fat, 2 times a day milking. Mr. Spurr has since sold his cow to Harold McConnell of Yarmouth. Mr. Spurr is now making his home in Deep Brook after disposing of his farm in Yarmouth.

123,000 Tons Gypsum Shipped Via Digby

More vessels arrived at North Sydney last year than any other Nova Scotia port, not even excepting Halifax, the Department of Industry reported in a survey of shipping activity at provincial ports. The Cape Breton port, terminus of steamer service to Newfoundland, handled 2227 foreign and coasting craft, whereas arrivals at Halifax were 1369.

On the basis of ship tonnage, however, Halifax was far in the lead. Registered net tonnage of ships arriving at this port totalled 3,499,003, while the coal and steel port of Sydney reported tonnage of 1,102,077. In the number of ships arriving the Steel City was third with 891 vessels.

Glace Bay, centre of swordfishing fleets during the summer season, counted 700 craft, making it the fourth most active port in this respect. Yarmouth was next in line with 744.

North Sydney was fourth in the tonnage list with 395,391 net tons of shipping and the gypsum port of Windsor came next with 329,983.

Halifax handled 2,380,000 tons of foreign shipping during the year, the largest figure for any port in Canada with the exception of Montreal and Vancouver. Outgoing shipments to foreign countries were made up principally of general cargo and wheat. Petroleum was the largest factor in incoming freight.

Sydney loaded and unloaded 1,151,000 tons of cargo shipped to and from foreign countries, with iron ore and coal the biggest items. Windsor placed

third by handling 724,000 tons, practically all of it gypsum bound for the U. S. Digby shipped 123,000 tons of gypsum and Dingwall 463,000 to make that product the largest single item of foreign freight shipped from Nova Scotia ports in 1946.

Mr. and Mrs. Edmond Comeau.

son played the Wedding March,
and Nuptial High Mass was
played and sung by Fred Comeau.

Given in marriage by her un-
cle, Paul Wellington, Worcester,
Mass., the bride wore a floor
length gown of white brocaded
satin, with sweetheart neckline,
long sleeves, falling in points at
the wrist, and bodice buttoned
at the waistline. She wore a
long veil and a two strand pearl
necklace, the gift of the groom;
and carried a white prayer
book with white streamers to
which rosebuds were attached.

Attending as bridesmaids were
her two sisters, the Misses Ella
and Anita Amirault, wearing
floor length gowns of pink and
blue nylon sheer respectively,
with shoulder-length veils caught
by wreaths of flowers to cor-
respond; and the Misses Cath-
arine and Celina Comeau, sisters
of the groom, whose gowns
were of yellow and mauve ny-
lon sheer. Little Miss Cynthia
Margeson was flower girl, at-
tired in a floor length dress of
yellow nylon sheer and carrying
a basket of multi-colored flow-
ers. Attending the groom were
Harold and Gerald Comeau, his
twin nephews. Master Ronald
Bohaker was train bearer.

A reception which was attend-
ed by about 45 friends and rela-
tives followed at the home of
the bride. A three-tiered wed-
ding cake centred the bride's
table, and serving were young
friends of the bride.

The young couple left follow-
ing the reception on a honey-
moon trip to St. John's, Que.,
following which they will re-
side in Meteghan. Previous to
their marriage they were ten-
dered showers at the homes of
their parents in Kentville and
Meteghan.

PRESIDENT'S AND SECRETARY'S REPORT

Members of the Digby Hospital Aid:
Due to Mrs. Mahon's absence, I am submitting a combined President's and Secretary's Report. I know you ladies will appreciate this as you'll only have to listen to one report instead of two.

We were sorry to have to accept the resignation of two of our executive members this year through ill health: Mrs. Eaton, president, and Mrs. Fillmore, Secretary. Their support is missed and we hope they will both be back in the near future.

The average attendance at the Business Meetings was lower this year than last, and support from all the members and all the ladies in town will be necessary to make this coming year a successful one.

Although this year has been short due to an alteration in the Constitution changing our Annual meeting from January to October, much has been accomplished. Our Entertainment Committee with Mrs. Anthony as Convenor, merits special mention. Funds raised this year by this Committee amounted to \$553.37. Following is the list of Entertainments:

- Jan.: Pantry Sale, \$19.00
- Mar.: Old Fashioned Party, \$252.88
- May: Fashion Show, \$75.30
- July: Tag Day, \$83.10; Bingo at the Pines, \$130.00
- Sept.: Bingo, Dance and Card Party, \$95.09

Business meetings and Sewing Circles were held regularly and some sewing for the hospital was done in conjunction with these. The Sewing Circle will be starting next month and we want everyone to come and enjoy a sociable afternoon and perhaps help with some Hospital sewing. Our supplies of linen are very low. The stock room is practically empty. Mrs. Reicker has worked very hard and faithfully against overpowering odds, and everyone knows, who has been trying to keep a house supplied during the war years and since, how much searching and ordering it has taken to get blankets, linens and curtains, not to mention the baby clothes that Mrs. Reicker had to look for, too. Some of us mothers realize what a task that was. However, with our bank balance of \$737.16, and with materials gradually getting plentiful now, and with you ladies to work, we should be able to get enough linens to use in the hospital and fill our stock room.

The new Hospital Fair Committee earned very favorable comments on the improved appearance of the Fair this year. Special thanks is given Mrs. H. M. Warne, Convenor.

An enjoyable tea was held at the Nurses' Home for Convenors of all the booths. This included ladies from Smith's Cove, Hill Grove, Acaciaville, Marshalltown, Weymouth and Digby, with regrets from Bear River ladies. Although the Weymouth ladies had no booth, they made a sizeable donation by the proceeds from a sponsored movie. They also assisted by selling tickets on the various articles raffled at the Fair.

Three changes were made in our Constitution this year:

- 1. As previously mentioned, the date of the Annual Meeting was changed from January to October in order to prepare for an earlier starting of the Sewing Circle.
- 2. The addition of two standing Committees, namely, Hospital Fair and Card Clubs.
- 3. The appointment of three representatives to the Board of Trustees, instead of one.

The Good Cheer Club, under the leadership of Mrs. H. T. Warne, have set a good example for the past seventeen years in their untiring work, and in sponsoring first the Soldiers Memorial

Heads List

Once again manufacturing heads the list in the official 1945 survey of industrial production in Nova Scotia compiled by the Bureau of Statistics and supplied by the Department of Industry. Final 1946 figures are not yet available.

Net value of production of manufacturing plants in the province was \$84,358,000. The grand total for all main industries, both primary and secondary, was \$182,724,000, largest in the Maritimes and greater than in any other year except 1943 and 1944 when war production was at its peak. This compared with \$122,179,000 in 1940 and the all-time record of \$193,328,000 in 1944.

Outstanding feature of the 1945 figures was the gain made by the fishing industry, now in second place, the spot held in the previous year by agriculture.

ture. Fisheries production totalled \$25,470,000, an increase of \$3,782,000. Farm production dropped to fourth place in net value with a total of \$22,893,000, a decline of \$2,406,000. Fisheries had been fourth in the preceding year.

Mining retained its hold on third place with a net production of \$22,684,000 despite a drop of \$1,525,000 from 1944 levels. Forestry and the construction industry changed places with forest production moving up to fifth spot on a net output of \$17,182,000, a gain of \$2,219,000. Construction value dropped by \$320,000 to end up in sixth place with a total of \$15,954,000.

Figures for other industries in the list were: electric power, \$6,963,000; custom and repair, \$6,515,000; trapping, \$231,000.

The grand total of \$182,724,000 for all industries was arrived at after deducting \$20,527,000 for forest products produced on farms, which appeared in totals for both agriculture and forestry. Net value of production is obtained by deducting from the gross value of products turned out the cost of materials, fuel,

electricity and supplies consumed in the production process, thus giving a more accurate estimate of the contribution to the provincial economy.

Nova Scotia Apples Plentiful, Price

Reasonable

"Never before have Nova Scotians been able to buy better apples at more reasonable prices," R. J. MacSween, marketing director for the Nova Scotia Department of Agriculture, said recently, commenting on reports that many housewives find the price of apples too high.

"Of course," he added, "if consumers buy single apples from some of the smaller retail outlets, then it is quite possible that prices are out of line with the value of the fruit. However, when purchased by the box or hamper, buyers are assured of quality apples at a price that never before has been equalled in the province."

An independent survey of the local market revealed that number one Crimson Gravensteins, individually wrapped, may be purchased for approximately 2½ cents each when purchased by the box, while 40-pound hampers of the same variety are offered at \$2.75 down according to grade.

Nova Scotia grown and packed MacIntosh may be purchased at approximately the same figures, while Cox Orange and other popular varieties are also available at especially attractive prices, he reported.

Two new modern cold storage plants are now in operation in the Annapolis Valley, and according to Mr. MacSween, the fruit turned out from these plants is acknowledged by the trade to be of superior quality. Mr. MacSween said it was the aim of the growers to increase cold storage capacity as rapidly as possible so that only tree-fresh Nova Scotia apples may be placed on the markets. The

wholesale and retail distributors are also improving their facilities to preserve the crisp freshness of the fruit through to the consumer.

Mr. MacSween said it is hoped that with the production of high quality fruit and the arousing of a consumer-consciousness of the value of a Nova Scotia product much of the \$150,000 now

going out of the province annually for imported apples can be kept at home.

Mr. and Mrs. R. S. Searle, Mr. and Mrs. W. A. Searle of Saint John spent the week end with their brother, J. E. Searle, Joggin Bridge.

Barn And House Burned

On Wednesday evening last, the house and barn owned by Harold Potter, on the Cross Road, Bear River, was burned to the ground. Very little of the furniture was saved. The horse, cattle and poultry were saved from the barn, but the hay and all farming implements were lost, besides tools and vegetables and money and bonds in the house.

The Bear River and Cornwallis Fire Departments were called to help fight the fire. A terrific gale was on which made it so difficult. The loss is a heavy one for Mr. Potter at this time of the year.

The construction work on the River Road is progressing very nicely. A great deal of mileage will be cut off when the new road is finished.

BAY OF FUNDY

O, beloved Bay of Fundy,
How I adore your mighty roll,
Awakening dormant chords within me,
Reaching to my very soul.

I can hear the seagulls calling,
I can hear the breakers roar
As each moment draws me nearer
To the Bay of Fundy Shore.

Angry, crashing, turbulent waters,
Breaking high on cliff and shore.
Feathery spindrift, swirling skyward,
As it did in days of yore.

Once again I sail your sea-lanes,
Which grows the distant shore.
O, beloved Bay of Fundy
This is my tribute, Au-Revoir.

EVERYBODY'S BUSINESS

The other day I had an interesting conversation with a piano tuner who was working in my home.

Although I had always thought his profession a rather monotonous one, I was soon to change my mind. For he talked so engagingly about his work, the construction of the instrument and other related matters, that I found myself becoming genuinely interested.

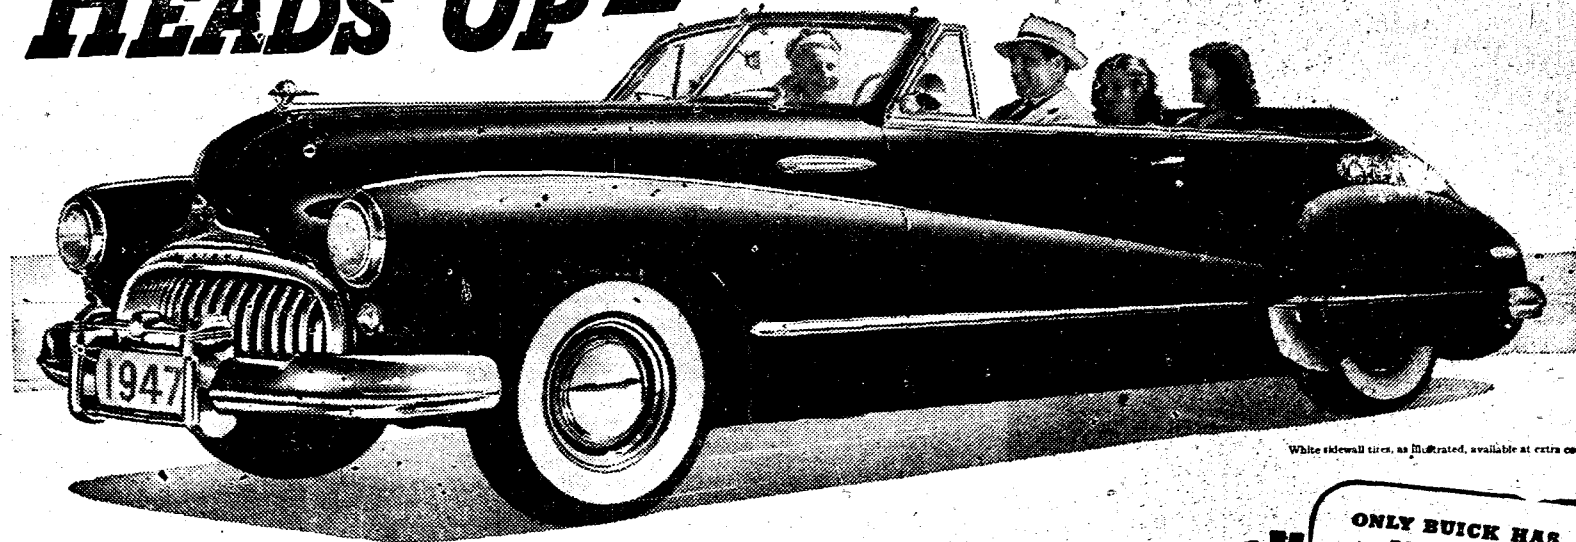

But what fascinated me most was his great enthusiasm for his work.

This attitude towards one's job is greatly to be desired. Enthusiasm has a magic, warming effect on all of us. And in a worker—be he salesman or carpenter, butcher or book-keeper—it wins admiration and co-operation from employers, customers and all others with whom he comes in contact.

So, especially to younger men, I would say: Regardless of whatever headaches and disappointments your work may bring, keep on being enthusiastic!

Millions of owners and beneficiaries of life insurance policies enthusiastically endorse this form of investment for security. Agents of the life insurance companies in Canada, too, are enthusiastic about their work because it renders a valuable service.

OBITUARY

Mrs. Lois McKay

The death of Mrs. Lois McKay
widow of Alexander McKay of
Tiverton, occurred at the home
of her only daughter Mrs. Lau-
rence McLeod, at 217 Carmath-
en St., Saint John, on Oct. 22,
and was learned with regret by
a wide circle of relatives and
friends, both in Nova Scotia and
New Brunswick.

Mrs. McKay was born in
Lockeport, coming to Tiverton
when very young, where she
married.

Of this marriage there were
three children, one daughter and
two sons. The sons and hus-
band predeceased her many
years ago. (She was formerly
Miss Lois Townsend.)

For a number of years she
was telephone operator at Tiver-
ton, where she made many
friends, and was well liked by
everyone. She lived a quiet,
peaceable life, and on account
of ill health, was taken to her
daughter's home in Saint John
eighteen years ago, where, dur-
ing that time she was tenderly
cared for by the entire family.
She was confined to her bed for
eight years. Two weeks previ-
ous to her death she steadily
grew worse, yet until the end
was cheerful and never com-
plained.

Her remains were brought to
Tiverton, where funeral took
place at the Christian Church on
Friday at two o'clock. The
hymns she loved were sung by
the choir: "Face To Face",
"Under His Wings", and "Shall
We Meet Beyond the River." The
service was conducted by Rev.
J. W. Derby, pastor of the Chris-
tian Church of which she was a
member, having been baptized
49 years ago. Interment was in
Pleasant Hill Cemetery beside
her late husband and two sons,
Rodney and Victor.

Surviving are her only daugh-
ter, Mrs. Laurence McLeod of
Saint John, five grandchildren,
and one great-grandchild, all of
whom she loved very dearly.

Flowers were many and very
beautiful, among which were as
follows:

Wreath, daughter and family;
wreath, Mrs. Robert Butler and
family, Saint John; wreath,
grandson Laurie McLeod and
family; wreath, Mr. and Mrs.
Becket; wreath, niece, Mrs.
Townsend; wreath, Mrs. Hallett,
Miss Farrington.

Following the funeral services
these flowers were placed in the
Church in memory of the late
Mrs. McKay. She was 85 years
of age.

Mr. and Mrs. Lawrence Mc-
Leod, daughter and son, attend-
ed the funeral of the deceased.

Church Point Home And School Meets

The first meeting of the new
season of the Church Point Home
and School branch was held on
Wednesday evening, with Mrs.
Edmond Melanson presiding. Jo-
seph P. Doucet, vice-president,
sent a note stating that he
could not attend due to ill health.

Miss Emmanuella Stuart was
appointed to replace Miss An-
toinette L. Belliveau on the So-
cial Committee. Miss Belliveau
left last week for an indefinite
period.

Mrs. Melanson, President and
delegate to attend the H. and S.
Convention in Halifax last sum-
mer, gave a brief account of
what took place at the conven-
tion and some fine points which
were of value to make the meet-
ings more interesting. She stat-
ed that Nova Scotia boasts of
359 branches and over 12,000
members to the Home and
School Association.

Rev. O. Hebert spoke a few
words to the gathering and
stressed the encouragement of
the parents to attend the regular
meetings as it was to their inter-
est that a Home and School
branch was established here.

A bean supper was proposed
as a means to raise funds for
the local branch and it was held

Sunday evening at Melanson's
Hall and the sum of \$30.00 was
realized.

It has been decided that a
film be shown at the next meet-
ing. Several short films were
shown at a meeting during the
last term, and it proved inter-
esting to the members attending
and it is thought that it will cre-
ate more interest in the local
branch by having more diversif-
ied programs of entertainment
at the meetings.

A man of a grumbling spirit
may eat a very poor dinner
from silver plate, while one
with a grateful heart may feast
upon a crust.—E. P. Brown.

Strawberries And
Cream For The Editor

The Editor received a lovely present from Mrs. Frank Hazelton on Monday. To say that the gift was out of season is putting it mildly for it consisted of some delicious ripe strawberries and a small jar of cream to go with them.

Also included in the parcel containing the strawberries was a green pepper, fully developed, and a bunch of mayflowers, all in full bloom.

It is interesting to note that the mayflowers and green pepper were turned over to the office staff, but the strawberries and cream quickly disappeared. Mr. Wallis was also heard commenting quite favorably on the fact the sugar ration was lifted "just in time."

Editor Receives
Beautiful Bouquet

A beautiful bouquet of asters, sweet peas, wallflowers and roses was received by the Editor on Monday.

The flowers came from Smith's Cove and were picked on Monday by Mrs. Sara Cossaboom from her garden.

What with flowers, strawberries and cream and other gifts, the Editor is getting to be quite the popular man.

Dr. E. H. Anderson
Addresses Y's Men

Dr. Earl Anderson was guest speaker at Monday night's meeting of the Y's Men's Club.

Introduced by Jack Brittain, Dr. Anderson spoke at some length on the Rink Project, and traced the history of the rink building scheme from its inception until the present. He stated that, despite criticisms and reverses, the people in charge of this project had carried on until the rink was nearly a reality.

"On the hill we have the opportunity of establishing one of the finest athletic plants in Nova Scotia if we all get back of this project and work," Dr. Anderson said. He urged support of the plan by all the members of the Y's Men's Club and outlined the set-up of the Bond Selling Campaign which is to open on November 10th.

A complete explanation of the system to be used in financing the rink project was given to the club by Dr. Anderson who stated a sinking fund was to be set up to take care of the payment of interest and principal of the Bonds that will be issued. He said all proceeds of the Dominion Day Fairs, which it is planned to perpetuate, will go toward this fund, together with all returns from the rink over and above operating expenses.

"This thing is much more than a business proposition although it will be run strictly on business lines," Dr. Anderson stated. He said that only by securing a rink could we regain some of the glory that was once Digby's through the famed Ravens Hockey Team. Further than that, he stated, a rink was a definite necessity if our young people are to learn what sportsmanship really is, if they are to learn to play and work together and to have the thrill and fine experience of good, healthy winter sports in proper surroundings.

Digby Assessment Over Million Dollar Mark

According to figures of the Assessment Roll which was received at Monday night's meeting of the Town Council, the assessment in the Town of Digby has passed the one million dollar mark. The assessment in town

this year is approximately \$1,009,000, which is an increase of some \$30,000 over last year. The assessment for the outside school section this year is some \$70,000, a considerable increase over last year.

Sewer Committee should secure from the Company a complete statement of its holdings both in property and cash assets, and then make recommendations to the Council.

"Pumpkin Grinners" Cause Blaze

Shortly after one o'clock Saturday morning a fire of undetermined origin did considerable damage to a house on First Avenue recently purchased by Harold Parsons. Vernon Everett, former occupant of the house, had moved out the day before and, at the time of the fire, the house was vacant.

The blaze seemed to originate near the floor at the front entrance of the house and, before being noticed by passersby, it had eaten through the wall and flames were shooting up the outside of the house. Quick action by the fire department soon had the blaze out, however.

Halloween "pumpkin grinners" were responsible for a fire at the home of Gerald Sanford earlier in the evening. This fire did considerable damage to the sunporch of the Sanford home before the fire department was called.

The two Sanford children had placed lighted pumpkin grinners in the windows of the house and the heat set fire to the curtains. The blaze was first noticed by neighbors who sent in the alarm. Woodwork in the sunporch was badly charred by the blaze and several of the windows broken.

Still earlier in the evening the Fire Department was called to a chimney fire in the Fairview Apartments. This blaze proved to be a very minor one and was extinguished before damage resulted.

Mr. and Mrs. Charles Fickes and their five year old twin sons Jack and Donald, of Annapolis Royal, and Mr. and Mrs. Joe Casey, Victoria Beach, put to sea from Digby Monday morning in their staunch little craft Bett on their "gypsy cruise" to Florida.

Before sailing, Mr. Fickes, the master and owner, said: "We are calling it a gypsy trip. We are taking our time. Should we particularly like a port, we may stay there for a week or so. We shall be following the inland water as closely as conditions will allow."

Mr. Fickes added that they expected to spend Christmas with his mother, Mrs. E. S. Fickes, Sea Islands, Georgia. When asked about the boat and its builder, Clarence Heisler, Young's Island, Indian Point, Lunenburg County, Mr. Fickes spoke with warm praise. He has every confidence in his boat. "I do not think that a better boat of that kind and size could be built."

There are 25,000 feet of lumber in the Bett. She is 48 feet, 6 inches in length. Her beam is 13 feet, 6 inches.

Her registered tonnage is 25.06 and she is powered with a pair of twin Chrysler marine engines 110 horsepower. She carries 180 gallons of gasoline.

She has three double state rooms, good sized galley, two lavatories. Her wheelhouse and main salon are in one and measure 10x5 feet.

Town Makes Bid For New Fire Engine

It was decided at Monday night's meeting of the Town Council that the Clerk be authorized to make an offer of \$1,000 on the fire pumper being sold by York Township in Ontario.

The Fire Committee reported they had received appraisals of the machine from independent sources and felt the machine was well worth the money. It was pointed out that if the offer was accepted, delivery of the machine would not be made until York Township secured their new engine.

The engine which the town is planning to purchase is a Bickle Fire Pumper, built and equipped by the Bickle Company and comes complete with ladders, booster hose and other equipment. Freight charges on the machine, it is estimated, would be about one hundred dollars.

Captain A. W. Davidson of Vancouver, who has been visiting Mrs. H. B. Short for the past month, returned to his home on Tuesday.

Child Critically Hurt When Dynamite "Caps" Explode

Little Winston Churchill Brooks, seven year old son of Mr. and Mrs. Seldon Brooks of Weymouth North is in Digby General Hospital in a critical condition and his three year old sister, Doris, is at home with minor injuries following the explosion of a can of dynamite caps with which the youngsters were playing.

The explosion, which so cruelly injured the little lad, occurred on Tuesday morning shortly before nine o'clock. Winston, in company with his brother, Seldon, aged four and sister, Doris, was playing near the edge of the woods near his home.

His mother, who is still bed-

ridden after a serious operation, had just asked Winston's grandfather to call him in to get ready for school when the explosion rocked the house. Mrs. Brooks said the sound was so loud that she felt it must be in the house.

Pulling herself to the window, she was just in time to see the little lad come staggering toward the house, his face streaming blood and his clothes all torn. He cried, "Mummy, Mummy, I'm shot", and collapsed on the floor. Doctors from Weymouth and Digby were called and the boy was rushed immediately to the Digby General Hospital.

It was not until some hours later that the cause of the tragedy was discovered. At first it was thought the boy had been struck down from a blast from a shotgun fired at close range, but questioning of an older brother brought out the information that the lad had been playing with a tin filled with dynamite caps.

The dynamite caps, purchased some eight years ago, were stored on top of a beam in the barn and early in the morning the youngster had climbed up and pulled them down to play with. It is thought that, when he

was called by his grandfather to come to the house, Winston threw the can containing the dynamite caps from him and they struck a large rock near where he was playing, exploding full in his face. His little sister, Doris, who was playing near him, received superficial burns on the cheek and had one ear cut by a piece of tin from the can.

The lad's father was called to the hospital in case a blood transfusion was necessary to save his life. Parts of the metal from the can lodged in the boy's throat and abdomen.

About This and That

REMEMBRANCE

On November 11th Canada will pause to pay tribute to her war dead. On thousands of lapels, in store windows and on cars you will see red poppies, symbols of blood spilled by Canadian youth for Canada. Each of these flowers has been made by some veteran disabled for life in that same cause. The money from the sale of these poppies will be used to help needy veterans, their families and dependents. As citizens of Canada we would acknowledge our debt and honor our dead in a spirit of humble gratitude and we would wear this poppy with pride and reverence. The Canadian Legion will endeavour to have these poppies on sale in every city, town, village and school district on Saturday, November 8th. We would ask that you make sure that you secure one and wear it in your buttonhole. By remembrance we help perpetuate the spirit of these boys who died for Canada, by remembrance we help keep ourselves alive to our own bought privileges and obligations. Let us make Remembrance Day truly a day of remembrance.

C. B. LUMSDEN,
President Nova Scotia Command,
Canadian Legion, B.E.S.L.

Westport Baptist Church Anniversary

The 138th anniversary celebration of the Westport Baptist Church opened Friday evening, Oct. 24, with a Fellowship supper of the members and their families. Special guests were Dr. Frank H. Eaton of Canning; and Rev. and Mrs. F. C. Hinnett of Freeport. A colored male quartette from Weymouth rendered three sacred selections after which Mr. Hinnett spoke briefly challenging the church to go forward in even greater spiritual achievements than their forefathers. This address was responded to by Deacon Fred Gower. Rev. T. W. Howard, pastor, then read a history of the church, a booklet which was compiled by him. Copies of the history were available for the members and the church voted to send a copy to each non-resident member.

For a few moments, the 47th anniversary of the first B. Y. P. U. was featured by the charter members present standing, and also the present president, Miss Marion Denton stood to represent the B. Y. P. U. today.

Saturday afternoon sacred memories were revived in a conference meeting in which was recalled the old days of Conference Meetings in the afternoons, and the pastor stressed that the church is Christ's Church and HE is its Head, while the membership is the body through which Christ would express His spirit. Dr. Eaton assisted in the service, and everyone present renewed their covenant with God and their brothers and sisters in Christ.

Sunday morning, the 92nd anniversary of the Sunday School was celebrated. The Sunday School marched to the church in a body and at this service the names of the superintendents during the years were read, namely:—George William Denton; Henry Glavin; Capt. Thom-

as Peck; William A. Pugh; Johnson Denton; Mrs. Charles Welch; Fred Coggins; Ralph Watkins; Donald Glavin; Mrs. Arthur Hicks. Mr. W. A. Pugh, now 81 years old, who served as superintendent for nearly 46 years, was present at the service.

Mrs. Arthur Hicks, Superintendent, convalescing from a recent operation, sent a very helpful and encouraging letter to be read. Donald Glavin, assistant Superintendent, read the Scripture. After prayer by the pastor, and the Children's Talk, Dr. Eaton brought the message of the morning from the little lad who brought his lunch to Jesus, with which Jesus did so much in the feeding of the Five Thousand. Sunday afternoon a memorial service was held at the cemetery to remember those of the past who so faithfully lived and served in this church.

The crowning event was the Anniversary Roll Call Service in the evening. It was largely attended. Greetings were read from four previous pastors, Revs H. H. Phinney, H. C. Morgan, W. E. Cholerton and S. D. Ricker, also a telegram from the Secretary of Maritime Baptist Convention. W. C. Machum, was read. The Roll was called by Mr. St. Clair Cann, Clerk, with a good response. Dr. Eaton gave the address of the Prodigal Son, stressing God's great love. Special music consisting of anthems, Duet, and solo were rendered by the choir.

The pastor was assisted by Fred Lloyd and Harold Dent, great-grandsons of the first church clerk. E. C. Coggins, descendant of charter member, and St. Clair Cann, in making arrangements for these services.

Mrs. Arch Wright of Sandy Cove was a recent visitor of Mr. and Mrs. Guy E. Morehouse.

Mrs. Guy E. Morehouse and Mrs. Jack Rosenthal spent Sunday in Windsor.

Salmon River Fair To Feature Boxing

The Fall Fair to be held in Salmon River on November 11 will this year feature a splendid boxing card. Among the fighters scheduled to appear at Salmon River are some of the best known names in the fight game in the Maritime Provinces.

There will be four events during the evening. In the welterweights, Crosby Irving of Saint John will tangle with Bobby Walker of Amherst. The Maritime Lightweight Champion Bobby Donovan of Saint John will pit his skill against Bobby Greener of St. Stephen.

Charlie Francis of Digby will also appear on the card at Salmon River. He is scheduled to fight Carl White of Chatham. Both boys are in the middle-weight class.

In the bantamweights, Jackie Britt of Saint John will fight Johnnie Gordon of Moncton.

The bouts are being arranged by Ed Morrissey of Digby. During the evening the prize winner of the 1948 Studebaker car will be drawn.

Minute But Mighty

It is generally recognized that where there is a lack of iodine in the ration of cows, calves are likely to be born with big necks. The sow with a ration lacking in iodine will produce hairless pigs. It is easy to overcome this element of nutritional deficiency by feeding iodized salt to both the sow and cow. It leads to the production of normal calves and normal pigs.

Gravity Does The Work

James MacKillop, Coxheath is one of the many farmers who believe that just because all city conveniences are not available to rural dwellers, is no excuse why farmers cannot enjoy some of the privileges that usually are taken for granted in urban areas. Not so very long ago, Mr. MacKillop decided that he should have running water in his farm buildings so he set about piping the water from a very nice spring down to the buildings in question. He now has running water at the turn of a tap and the pressure is all that is desired since the spring is located about a hundred feet higher than the farmstead. Dave Milligan, assistant agricultural engineer, believes it is a pretty fine set-up.

Prevent Spread

Poultry Diseases

To prevent the spreading of communicable diseases in poultry, an Order-in-Council has been issued, requiring that every owner or operator of a poultry processing plant, or the management of establishments where live poultry are received for any purpose, must clean and disinfect all such crates received at the plants. After each use as a live-poultry crate, and before leaving the plant, all crates must be thoroughly cleaned and dipped for at least two minutes in a solution of two per cent formalin, or other approved disinfectant. Unless this is done, the crates must not be removed from the plant.

LIFE'S Bigger DECISIONS

SOMETIMES a young lady decides to take matters into her own pretty hands—rather than sit around and wait for what's coming next. For example she might decide to turn on full power in her business career; or to make something out of her special musical or dramatic talents. And when a lady makes up her mind to Do Something about those dreams—stand by for action.

One step towards personal independence is to have a chat with a North American Life representative. Programs beginning as low as \$5 a month can guarantee those dreamed-of trips abroad, those winters in the sun.

You'll discover current decisions are more easily and more wisely made when your future independence is abuilding. And should Cupid throw his beflowered monkey wrench into your personal plans, your North American Life investment will be very, very useful indeed.

Suggestion: write or call your North American Life man. His advice is backed by a 66-year-old mutual Company.

IN MEMORIAM—In loving memory of a dear husband and father, Ralph Oakes Baxter, who departed this life Nov. 8, 1939. He suffered patiently and long. His hope was bright, his faith was strong. MARRIAGE

Abdullah - Rubino

A very pretty wedding of wide interest to many friends in New York and Nova Scotia and throughout Canada took place at Saint Malachys Catholic Church, New York, when Josephine Rubino, only daughter of Mr. and Mrs. Gaspard Rubino, of New York, was united in marriage to David Audullah, only son of Mr. and Mrs. Audullah, also of New York.

The bride's mother was the former Mammie Mack of Doucetteville, Digby Co.

Given in marriage by her father, the bride wore a wedding gown of old lace styled long fitted sleeves, net yoke and full skirt falling in soft folds into a train. She wore a finger tip veil held in place by sheared lace and pearls and carried a Prayer Book given her by the late Rev. Father Neice. She wore a beautiful corsage of white and red roses with satin robbin streamers.

The groom's mother and father are widely known as the radio Aces of radio and stage.

The maid of honor, Miss Betty Lawless, also of New York, was charming in a floor length taffeta of black and pink stripes, and with sweetheart neckline and short sleeves. She wore a corsage of red roses. The groom was supported by John Doody, a buddy of the groom from World War II. Both served two years overseas in the Marine Corps.

A reception was held at the Chin Lee Night Club on Broadway. The bride's mother and the groom's mother both wore floor length cocktail dresses of black crepe.

The bride is a bookkeeper at the Sterling National Bank on Broadway. The groom is a radio technician. They received many gifts.

Following the reception the happy couple left for Atlantic City, N. J., for a short honeymoon. On their return they will live in Long Island, New York, in the beautiful home the groom bought for his bride.

OBITUARY

Richard St. Clair Pineo

There passed away at his home in Chilliwack, B. C., on Oct. 26, Richard St. Clair Pineo, aged fifty-nine.

Mr. Pineo, who was born in Nova Scotia, operated a farm at Upper Canard, until his retirement, when he moved to Digby and bought a property on the Lighthouse Road. Four years ago he moved to British Columbia.

Surviving are one brother, C. C. Pineo, Washington, D. C.; three nieces, Mrs. William F. McCullough, Portland, Oregon; Mrs. T. P. Howard and Mrs. Charles Mahoney, both of Montreal; two nephews, Munroe Pineo of Bremerton, Wash., and C. C. Pineo, Jr., Belfast, Maine.

Funeral services were conducted at Henderson's Funeral Home in Chilliwack, with Rev. W. J. T. Clarke officiating. Cremation followed at Vancouver, and the remains were forwarded to Round Hill, N. S. for interment.

Nora Lambertson

The death of Miss Nora Lambertson of Barton, took place at the Kentville Hospital Saturday evening, Nov. 1, after a short illness. Although Miss Lambertson had not been feeling well for some time, she only entered the hospital a few days before for treatment, and news of her death came as a great shock to her many friends.

For many years she lived in Calgary, Alta., where she was connected with the International Harvester Company. She will be much missed in her home, her neighborhood and her church.

She is survived by her mother, Mrs. John Lambertson, and four brothers, Charles, Ralph, Parker and Arthur, all of Barton; and five sisters, Myrtle (Mrs. Walter Weaver), Saskatoon, Sask.; Miss Pearl Lambertson, at home; Miss Minnie Lambertson, Worcester, Mass.; and Hazel (Mrs. John Jennison), Toronto, Ont. and Jessie (Mrs. Louis Loth) of Worcester, Mass. Funeral arrangements will be made on the arrival of her sisters.

Celebrate Golden Wedding

(Continued from Page 1)

Mrs. Edwin Ellis presented the Cosmans with a bouquet of money and Mrs. Cosman wore two orchids on her shoulder.

Mrs. Ingram, president of the Women's Union and chairman of the committee, was assisted by Mrs. Hilbert Crowell, Mrs. Edwin Ellis, Mrs. Frank Mills, Miss Margaret Fowler, Mrs. Enos Baldwin, Mrs. Stanley Willard, Mrs. Stanley Portier and Mrs. Ethel Hinds.

Three favorite hymns were sung by the choir and Mrs. Elaine Wynn and Mrs. Charles Moran sang several appropriate solos. A quartet composed of Mrs. Charles Moran, Mrs. Earl Chetwynde, Boyce Spooner and Hilbert Crowell, sang favorite tunes of the couple. Hilbert Crowell also gave life to the party with his comic readings.

More than a hundred guests attended and more than a hundred dollars presented with the bouquet attested to the high esteem and affection held toward this happy couple. The presentation poem by Myra P. Ellis, was as follows:

Your Golden Wedding

A golden wedding is a lovely thing,

When fifty years are like a shining ring,

Binding two hearts as one, until you stand

At this, your golden wedding, hand in hand.

Some good, some bad, the years have passed away

And brought you to your Golden Wedding Day.

From these, your dear ones, gathered far and near.

From these, your friends, who know and hold you dear,

We, in your honor, greet you here and say,

"Congratulations on your wedding day!"

We bring these lovely flowers, bright with gold,

Symbolic of the fifty years, well told.

We hope you find within these blossoms, too,

The deep affection that we have for you.

May future days like these fair petals spread

And many more sweet years lie just ahead.

T. B. Seal Committee Active

The Christmas Seal Committee in town have been busy this past week arranging for collectors to cover every district in Digby and vicinity for their Annual Sale.

The first nation-wide sale of this kind was held in Canada in 1927. Since then the death rate of T. B. has decreased by 45%. The people have learned about Tuberculosis and their learning has taken the terror out of the disease.

For twenty-one years the people have been backing up the fight against T. B. by purchasing Christmas Seals. They want to do this until Tuberculosis is something for the history books.

Through the Christmas Seal Campaign, sponsored again by the local V. O. N. Branch, the citizens of Digby are given an opportunity to share in Canada's effort to stamp out T. B.

Hockey Game Tonight In New Rink!

The above headline can be a reality THIS WINTER if everyone will get behind the Bond Sales Campaign and provide the funds to complete Digby's new rink. A tremendous amount of work has already been done, land has been purchased, a building secured and the foundation laid. The work is now held up for lack of funds.

The campaign to sell \$20,000 worth of Digby Recreation Commission Bonds of fifty dollar denomination and bearing interest at the rate of 3% per annum payable semi-annually will get under way on November 10th. Representatives of the Service Clubs, Canadian Legion, Board of Trade and other organizations will make a house to house canvass of the town to sell these bonds.

If you are interested in the youth of Digby—if you want the young people of Digby to have an opportunity to enjoy good, clean sport in a modern, up-to-date rink—if you want Digby to again be a hockey town and to regain some of the glory which the famous Ravens once brought it, then you'll get behind this campaign and support it with your dollars.

You are not being asked to GIVE anything, you are being asked to ENVEST your money in the youth of Digby, our greatest asset. Further than that, the money you invest in this most worthy cause will be earning interest for you at the rate of three per cent.

Here is an opportunity to do your bit for the youth of Digby NOW and for years to come. LEND YOUR DOLLARS FOR YOUTH. INVEST NOW IN THE DIGBY RECREATION COMMISSION RINK BUILDING LOAN!

The sudden death of Archie G. Wright occurred at the Digby Hospital Monday Oct. 24, at the age of 74 years. Son of the late Edward E. and Celestia (Potter) Wright, of Bear River East, Mr. Wright was a prosperous farmer and owned farms at Bear River East and at Marshalltown, later living in Sandy Cove.

The deceased was twice married, and is survived by his last wife, Lottie Wright of Sandy Cove; one son, Howard Wright of Clementsvalle; one daughter, Freda (Mrs. Claude Knowlton) of Los Angeles; five sisters, Clara (Mrs. R. S. Ring) of Salem Mass.; Sadie (Mrs. E. Smith) of Salem; Nina (Mrs. Campbell) of Milton, Mass.; Bertha (Mrs. R. McRae), Bear River East; Pauline (Mrs. I. R. Daniels), Bear River East; one brother, Stanley Wright, of Beverley, Mass.; also two grandchildren.

Funeral service was held on Friday afternoon, Oct. 31, at the Clementsvalle Baptist Church, conducted by Rev. C. S. Young, with interment in the Clementsvalle Cemetery. The wealth of flowers were silent tokens of the high esteem in which he was held.

Mr. and Mrs. Fred R. Harris spent last week end at Middleton guests of Mr. and Mrs. W. L. Magee.

Legion To Send Food Parcels Overseas

Good parcels to their comrades of the British Legion, war widows and orphans, will be part of the Canadian Legion's wedding present to Princess Elizabeth.

It was announced recently by Major General C. B. Price. The President of the Legion stated that this would be a regular campaign to aid Great Britain. The parcels will be purchased through the non-profit Canadian CARE organization and delivered to the British Legion from CARE'S warehouses

in Great Britain.

All of the 2,400 branches and auxiliaries of the Legion are being canvassed to support this campaign which will go on for at least the winter months.

It is not intended that this campaign will interfere with the sending of individual food parcels by Legion members, but rather to give an opportunity for the branches and members to send parcels to the many who are in distress.

Each Canadian Legion parcel will carry a sticker with the name of the Legion on it conveying greetings and best wishes to British comrades, and stating that it is part of the Legion's wedding gift to Princess Elizabeth.

If this campaign turns out to be the success the Legion plans it should be, then many thousands of parcels will be sent to Great Britain this winter.

In addition, the Legion has arranged for Prime Minister Mackenzie King to present a gold maple leaf brooch set in diamonds with the Legion crest as a personal token gift.

When Prime Minister King makes the presentation he will be accompanied by the Legion's four representatives on the British Service League Council, Lt.-Col. Wm. Rae, Lt.-Col. Lord Tweedsmuir, Major J. S. P. Armstrong and Rupert Reece.

RENT CONTROL TILL 1949

It is expected that before Christmas — quite possibly in November — the Government will make a firm statement on its intentions regarding rent control, says the Financial Post in an Ottawa dispatch.

The Government is expected to ask authority from Parliament for extension of present control through to March 31, 1949. It will probably be indicated at the same time that this is the only form of control on which the government will seek extension of its powers beyond the present March 1948 deadline.

It is not yet certain whether the Government will go one step further and announce its definite intention to make Mar. 31, 1949, the cut-off date.

Lawrence Thurber, of North Range, has returned home from Camp Hill Hospital. He also visited Mr. and Mrs. Frank Eaton, Brooklyn St.

Dr. and Mrs. Claude Keays of Halifax were week end visitors of Dr. and Mrs. W. R. Dickie.

Home And School In Barton

A meeting of the County Council of Home and School Associations of Digby County was held in Barton Hall, Barton, on Oct. 28, with the president, Mrs. Earl Banks of Bear River, presiding.

The meeting opened with singing "O Canada", with Mrs. Harold Marshall at the piano. Harvey Chisholm of Bear River Road led in prayer. Delegates from Freeport, Centreville, and Bear River Road; L. A. DeWolfe, Provincial President; Miss Dora Baker, Provincial Organizer; Miss Laura d'Entremont, Council President of Clare Associations; Mr. Edwards of Middleton were guest speakers. Other guests from Conway, Digby and Culloden were also present. The pupils of the Barton-Brighton schools had a program of music and recitations, which was very much enjoyed.

After a happy and enjoyable session, supper was served to fifty-nine delegates and a social time was held among them while an Executive meeting was held, after which everyone listened with deep attention to an address by Mr. Edwards on Adult Education.

The evening closed with the National Anthem and ended one of the best Council meetings held by the Digby County Council of the Home and School Associations.

Mr. James Buckman of Westport is visiting his daughter, Mrs. M. A. Hyson and Commander Hyson in Wolfville.

Mr. and Mrs. Arthur A. Smith of Halifax motored to Digby on Thursday and were guests at the Salvia House. Mr. Smith, who is employed with the Imperial Oil Company, is on leave and being attended by the doctor with a badly burned hand.

Mrs. Hyson arrived in Digby from Wolfville on Friday to meet Mr. and Mrs. Ernest MacDonald of Westport, who will visit Commander and Mrs. Hyson in Wolfville. They will later go to Lantz to visit their son, Shirley.

Thinks Nova Scotia Is Tops
 Kathleen Hellyer of Washington, D.C., thinks Nova Scotia is just about the best place in the world. She has been visiting this province for more than a decade and has been a member of the Order of the Good Time since 1936. This year as she was about to leave Smith's Cove, for her home, she and down and composed a poem about it, which she submitted to Industry and Publicity Minister Harold Connolly. Here it is:
 When Digby skies paint the blue,
 And flowers smile in the morning dew;
 When Queen Anne's lace in snowy array
 Bedecks the meadow of new mown hay,
 I'll come again!
 When songbirds return to the woodland trail,
 And Indian pipes gleam in the shadowed vale,
 My heart will wing towards that northern shore,
 Where I'll find dear friends I've missed more and more,
 And I'll come again!

Association

J. J. Wallis, Digby, was on Friday last elected president of the Nova Scotia Weekly Newspapers Association at the annual meeting of that body held in the Scotia Hotel, Truro.

W. B. Foster, retiring president, was chairman of the meeting which was attended by 15 representatives from various sections of the province.

During the afternoon session reports of the various officers were heard, all of which showed the past year to be a most satisfactory one. Much of the session was spent in open forum with the members bringing up problems of mutual interest.

A moment's silence was observed in memory of Charles MacGillivray, former editor of the Antigonish Casket, who passed away during the past year and tribute was paid his memory by a number of those present.

Friday evening the members were guests at a banquet tendered by A. R. Coffin, veteran newspaperman of Truro and owner of the News Publishing Co. W. B. Foster was chairman of the banquet and the addresses were given by Mr. Coffin and F. H. Patterson.

Following is the slate of officers elected:

Past President—W. B. Foster, Truro.

President—J. J. Wallis, Digby.

Vice-President—Thomas Beatty, Bridgetown.

Secretary-Treasurer — W. B. Davidson, Wolfville.

Executive Members — James Cameron, New Glasgow; D. J. Bourque, Lunenburg; Leo MacGillivray, Antigonish; Victor Marchant, Oxford.

Baptist Women's
League Elects
Officers

The Baptist Women's League met in the Church Parlor on Wednesday evening, Nov. 5 to elect new officers.

At last month's meeting, a letter of resignation from the president, Mrs. E. Scott, Eaton, was read and accepted.

The League was organized under the leadership of Mrs. Eaton, over four years ago, and in that time much has been accomplished by its members under such splendid leadership. A vote of thanks was extended to Mrs. Eaton for her fine co-operation and personal interest during her term of office.

Plans for the Annual Christmas Supper and Sale were made and Thursday, Dec. 11, selected as the date for the supper.

The following officers were elected:

President—Mrs. Agnes Eisnor.

Secretary—Miss Hilda Campbell.

Treasurer—Mrs. Ruth Perry.

MEMORIAL SERVICE
AT TIVERTON

A very impressive service was held in the Baptist Church on Sunday in memory of our fallen boys of World Wars I and II.

The service was conducted by Rev. Mr. Hinnett, assisted by Rev. J. W. Derby and Rev. Wilfred Outhouse.

The wreath was placed in front of the pulpit by Eugene Outhouse, veteran of World War I, in memory of his fallen comrades, Boyd Wyman, Lloyd Outhouse, Glendon Farnsworth, after which he spoke very feelingly of the ones who did not return.

A two minutes silence was observed, after which the service closed with "God Save The King."

A number of returned boys from Freeport and Central Grove attended the service.

Academy Pupils
Purchase First
Rink Bonds

In a colorful ceremony at the Town Hall last Thursday afternoon, Mayor J. W. Merkel, the Chairman of the Digby Recreation Commission, handed signed receipts for the first applications for the new Digby Rink Bonds to Miss Marion Warner, Treasurer of the Students' Council of Digby Academy.

The bonds purchased by Miss Warner were for the Senior High School, Junior High and Intermediate Departments. The money used to buy the bonds was raised by the pupils themselves and represents proceeds from candy sales and other pupil projects.

The pupils of the Academy, through their Students' Council, have pledged themselves to purchase sixteen of the fifty dollar rink bonds, one for each classroom at the Academy. All the money needed for this will be raised by pupil effort and various functions are now being arranged by the pupils to raise the needed funds. A 3-act play is now in preparation and will be presented during the Christmas Season.

The Bond Drive to raise the funds needed to complete Digby's new rink officially got under way on Monday. \$20,000 has been set as the objective and bonds will pay 3% interest, payable semi-annually.

Game Biologist
To Speak

Bruce Wright has been obtained as the special speaker at a meeting of the Annapolis County Fish and Game Protective Association to be held at Bridgetown on Tuesday evening, Nov. 18. A trained game biologist he is director of the Northeastern Wildlife Station located on the campus of the University of New Brunswick. This is a regional station of the Wildlife Management Institute whose headquarters is at Washington, D.C.

Mr. Wright was formerly associated with Ducks Unlimited, but during the past year has been investigating waterfowl conditions in the Northeastern part of the continent for the Wildlife Management Institute. He has only recently returned from spending the summer in Quebec, Labrador and Newfoundland. His preparation for this type of work includes studies in game biology and game management at the University of Wisconsin, which has an outstanding department in this field.

An ardent game conservationist himself, Bruce Wright has the faculty of being able to communicate his enthusiasm to others. In his address at Bridgetown, he proposes to discuss the status of the principal game animals and birds of the Maritime Provinces including a list of those species on the borderline of extinction, and those already extinct. He will also give a general survey of the waterfowl conditions in this region, including the latest figures available on waterfowl population in the Northeast.

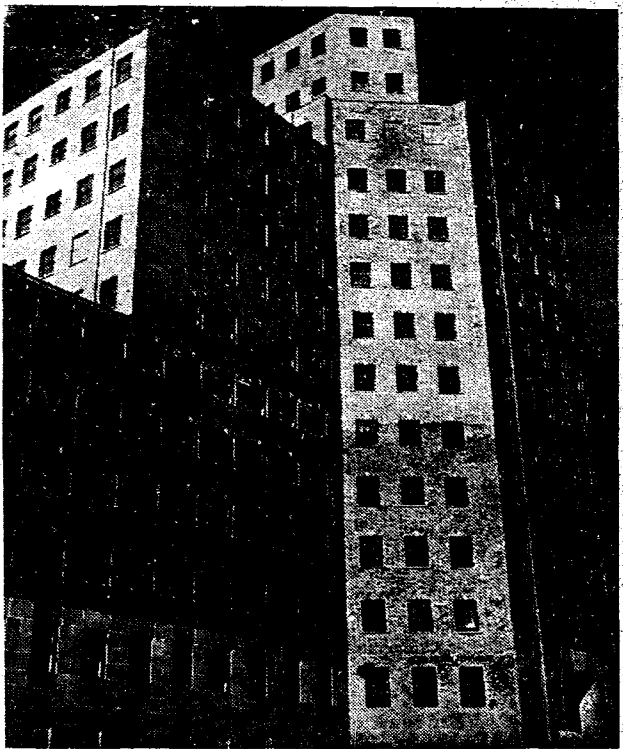

The next important step in game conservation after that of control through law enforcement is that of game management. In other words, the next step is that of so managing our land resources as to create conditions favourable for the maximum amount of game production consistent with our needs in respect to agricultural and forest production. With the aid of lantern slides Bruce Wright will explain how the waterfowl problem is being tackled and what the possibilities are for management of other species of game.

The Annapolis County Fish and Game Protective Association is to be congratulated on its enterprise in creating this opportunity to get firsthand up-to-date information from an active and trained field man in Game Biology.

The principal and teachers of the Digby Schools are attending a three-day institute at Yarmouth.

Charles R. Knowles of Quincy, Mass., arrived by plane at Yarmouth Saturday to spend a few days with Catherine W. Farnham. He returned Tuesday by plane, accompanied by Dorothy M. Farnham of Hyde Park and Corbit, Mass., who has been staying with Catherine for five weeks.

"Most Modern Hospital on the Continent"

That's what medical men say about the new Victoria General Hospital in Halifax, now nearing completion. Fifteen stories of brick and stone, it will contain every modern facility for care and treatment of the sick. The building begun in 1944 is practically completed and installation of equipment is under way. Built by the Province of Nova Scotia for the use of all Nova Scotians, the 400-bed hospital will be operated by the Department of Public Health. Tentative opening date is March, 1948.

Remembrance
Day Observed

Tuesday was, for November, a fine day for observing Remembrance Day, and a large crowd turned out for the service at the monument. The veterans of both wars were in attendance as well as the Sea Cadets, making a parade of considerable strength. The ceremonies opened with the placing of the wreaths on the monument—supplied by the Nova Scotia Government, the Legion, the D.V.A. Hospital, the Town of Digby and by relatives and friends of those who had given their lives, followed by the singing of "O Canada." Comrade William Barton led in prayer, after which Rev. E. C. Churchill pastor of the Baptist Church, delivered the address, and Rev. Dr. Hodgson pronounced the benediction. Comrade Thibault had charge of the parade, and Comrade F. C. Purdy was master of ceremonies.

One feature which was very annoying was the constant passing and re-passing of the shunt engine, with its escaping steam and gong ringing. It surely would not have hurt the railroad to have suspended operations in the yard for a few minutes required, and it would have shown much respect for the dead.

Deputy Mayor
Ill In Hospital

Victor Cardoza, Deputy Mayor of the town, and news editor of the Courier, accompanied Mr. Wallis to the annual convention of the Nova Scotia Weekly Newspapers Association at Truro last Friday, returning home via the South Shore on Saturday.

A few hours after his return, he was taken ill and on Sunday evening underwent an emergency operation for appendicitis. His many friends will be pleased to learn he is making a good recovery.

HALLOWEEN AT
CENTREVILLE

A Halloween party was given at the home of Mrs. John Tibbets for the Centreville C.G.I. T. After shaking hands with the ghost, the girls played several games and had their fortunes told by the witch. Winners of the contests were Frances Gidney, Violet Titus and Lucille Outhouse with the consolation prize going to Greta Outhouse.

At the close of the evening, refreshments were served. Gloria Banks, speaking for the group, thanked the three leaders, Mrs. Donald Morehouse, Mrs. Guy Outhouse and Mrs. John Tibbets, for a very pleasant evening.

Badly Burned By
Electric Shock

Churchill Turnbull, lineman for the Digby County Power Board, met with a serious accident yesterday and is now a patient in the Digby General Hospital.

He was working on a transformer near the Fundy Motors building on the Bay Road, and was engaged in tightening a clamp. A sharp corner of the clamp penetrated his rubber glove and caused 6600 volts to go through his body, passing out through his feet. His face and parts of his body were badly burned. The front part of one of his feet seemed to get the worst part of the shock, as two toes were entirely burned off.

An Appeal To
Youth And Age

Next week the local committee will be mailing you a supply of Christmas Seals.

It has been the custom of the Tuberculosis Association and other town committees to enclose two sheets of seals in each envelope. On recommendation of the Nova Scotia Tuberculosis Association, the Digby Committee are also enclosing two sheets of seals in the envelopes they mail out. This provides an opportunity for business firms, professional men and homes which can make use of more seals to buy in larger quantities and thus lend greater support to the campaign. All envelopes, however, contain the same number of seals and again it is left to the individual to buy the quantity they wish. Any contribution, large or small, will be gratefully received by the collector who calls on you.

Tuberculosis is no respecter of persons. It is a more dreadful enemy of youth, but it does not ignore the aged. The committee believe that the young and older, alike, are aware of this and feel their responsibility in improving the health of their town and country. No town or country can be strong and progressive if it is not healthy. This is your chance to help make it so by buying Christmas Seals.

Starts Long Trip
To California

Capt. and Mrs. Harry Wallis of Clear Lake, California, who have been visiting the Captain's brother, J. J. Wallis, and their many friends in Yarmouth and vicinity, left on their return journey on Monday. En route they will visit friends in Springfield, New York and New Jersey, where they will spend Thanksgiving, and they plan to reach California about Dec. 15.

Capt. Wallis was Lieutenant Commander in the American Navy during World War I and he played an important role in Tim Buck's book, "Take 'em Alive." He was the captain so often referred to by Buck and it was on the steamer, Santa Cruz, of which he was master, that the majority of Buck's animals were carried. After the close of the First World War, he made several trips to Europe carrying relief supplies in the Santa Olivia and Santa Rosa, later going as master of the President Polk and Granite State, all of the Grace Line. He retired several years ago and has since been proprietor of a summer and hunting resort in Clear Lake, California, with a city home in Oakland.

Bond Drive
Going Over

The drive for the sale of bonds for the Digby Recreation Commission got off this week to a good start. The canvassers are pleased with the response received and the sales are going over well. If any person is in doubt as to whether the rink will be in operation this winter, they have only to go "up the hill" to see for themselves. A number of men are engaged and the work is proceeding favorably.

Those from Digby County who attended the Parents' Institute held at Annapolis Royal on Friday and Saturday of last week were Mr. and Mrs. Alfred Boutillier, Mr. and Mrs. Albert Peters, Mrs. Clare Dukeshire and Mrs. Ronald Morehouse of the Centreville Home and School Association; also Mrs. Charles Smith, Mrs. Joseph Spechts, Mrs. Benjamin Height, Mrs. Florence Bacon and Mrs. B. Mahar of the Barton Association. Mrs. Peters and Mrs. Mahar were among those who led in Group Discussions.

Egg!

Edward White of East Digby has a hen which believes in producing the goods. She is a regular output, but once a month tries to excel, and gives her owner an egg much larger than the average. But her greatest effort was made last week, when she tried to emulate an ostrich, and laid an egg measuring 8 inches by 7 inches. Some eggs!

Wants Prices
Advertised

A lady reader of the Courier writes as follows:

"Why not encourage the merchants who advertise in your paper to put prices with their advertisements listed?"

"With prices the way they are, I, for one, would like to know where I can get things the cheapest."

Name Selected:
"Kiwanis Park"

A few weeks ago the Kiwanis Club of Digby offered \$10 as a prize to the person suggesting an appropriate name for the park they are building at the Racquette, along with the swimming pool project. A large number were received, but the judges have decided the name "Kiwanis Park", as suggested by Mrs. Violet Handsaker, is the most suitable, and so she receives the prize.

55 Years Married

Mr. and Mrs. LeBaron Mills, highly respected citizens of Grandville Ferry, observed their 55th wedding anniversary Sunday, Nov. 9. Mr. Mills was 90 years of age in May, and Mrs. Mills was 87 in September. They are both very active for their years, and enjoy attending the church services. They are always on hand when there is a church supper to enjoy the good things. Mrs. Mills still attends meetings of the Baptist W.M.A. & when they are not far away from her home, and both Mr. and Mrs. Mills enjoy getting out and meeting their friends at social gatherings.

Art Robar In
Boxing Tournament

Art Robar, now attending McGill College at Montreal, will be representing McGill in an inter-collegiate boxing tournament to be held December 14. Art's opponent is unknown, but it is believed that he will be the representative from Toronto University.

The winners of the tournament will engage in fights throughout the numerous colleges in Canada and the United States.

Art is well remembered as a protégé of Freddie Cookson who taught Art the fundamentals of boxing that enabled Robar to continue in this gruelling sport. Art is pulling for Art and wishes that he could appear in Art's corner as trainer. Fred, who fought in a McGill inter-collegiate boxing tournament in 1937, was the famous Bert Light was winner of the McGill fighters, and it was the happiest moment of his eight year period as a fighter. "There is no money in boxing or smooth gamblers involved; it's really good, clean sport," said Fred.

Welcome To Digby

We are very pleased to welcome to Digby Thomas S. Farnham and his daughter, Miss Catherine, of Waltham, Mass., who have decided to make Digby their future home. They have purchased a bungalow on Queen Street formerly owned by Mrs. E. Armstrong. Mr. Farnham was an old time resident of Digby and was one of the first employees of the Digby Courier, joining the staff when only nine years old, in 1874, starting with the first issue.

He remained with the Courier for 24 years, then moved to Weymouth and joined the staff of the Weymouth Free Press and L'Evangeline, published by the late Valentine A. Landry. He left the staff later, and was instrumental in starting two opposition papers, The Sissiboo Echo, and L'Acadie.

Although Weymouth at that time was possibly the most prosperous town in the county, still four newspapers were too many and finally all ceased publication, and Mr. Farnham went to Boston and entered the printing business there.

But now he is back with us and we welcome him. He is an interesting writer, and we hope to have an occasional article from him. Miss Catherine has joined the Courier staff as a typewriter.

Youth And The Church Theme

The Fall Sessions of the Baptist Churches of Digby County were held in Barton on Monday and Tuesday of last week. The theme of the Programme was "Youth and the Church." All through the meetings this theme was presented by the speakers in various challenges to the Youth and older people of the Church. What was probably the largest attendance of any District Meeting in recent years gave evidence of the Churches' concern about their responsibility to the Young People of their communities.

On Monday evening Mr. D. B. Wright of Middleton addressed a large and representative gathering of the Young People of the County. Mr. Wright chose as his theme: "Who? What? and When?" In answering these three questions, the speaker reminded his audience that they as Young People were the finest part of God's Creation, that they were living at the peak of life, in an age which was bubbling with opportunities, and that the most serious decision facing them was the occupation they were to choose, the partner for life they were going to select, and the answer they were going to give to the Call of God to their individual souls. At the

conclusion of this meeting, during a social period in the vestry of the Church, a County Young People's Union was formed with Miss Ruth Speichts, Barton, as President, Miss Joan Weir of Smith's Cove as Secretary and Rev. R. S. Dunn, Deep Brook, as Adviser to the Executive. This Young People's Union will become a permanent part of the District Organizations, and have already made plans for other rallies of the Young People of the County.

At the Tuesday morning session Rev. F. C. Hinett, Freeport, led in the Devotional Service. Rev. Prof. E. M. Whidden of Acadia University addressed the gathering on "The Church's Appeal to Youth." In a thoughtful and challenging manner, Prof. Whidden called the church to appeal to Youth with a task, or tasks that were bigger than that of the local church. Youth must be confronted with the struggle in life between the tensions of good and evil, and see the place and value of Jesus Christ as Lord and Master of life in solving the problems connected with this struggle. He called on the Churches to think seriously of organizing a body of lay workers — young men and women who would dedicate their lives forever to the leading and training of other young people in the community. The speaker reminded the Church Members

that in some instances it was necessary for the Church to be interested in the social life of the community, for through the organization of social activities was often the only way of presenting youth with a wholesome response to life.

The afternoon was occupied with the business of the W.M. S. of the County. Lic. John Branscombe led the devotions. Mrs. J. V. Andrews presided over the business session, and Rev. F. C. Amery addressed the gathering.

In the evening a large congregation assembled from the surrounding communities to share in the final deliberations of the day. The meeting was under the direction of Rev. R. S. Dunn, vice-chairman of the District. Rev. E. C. Churchill, Digby, as Chairman of the District, gave the closing address. Mr. Churchill spoke on the subject "Interpreting This Time." His remarks were addressed primarily to the responsibility of the adults of the Church for the training and leadership of the Youth. The speaker said that we could not always blame Youth for a lack of interest in the work of the Church, for one of the most serious situations in our churches today was the lack of individual responsibility for witnessing to the power of the Spirit of God within them. In "Interpreting This Time," Mr. Churchill asked his listeners to think of the need for a more spontaneous expression of the Spirit of God within them, of the call for a vital lay leadership in all of our churches, and for a consideration of the place the Church fills in our democratic way of life, reminding the congregation that people looking to the Church today for direction and leadership, and if the Adult Christians slacked in the response they gave, then the Church would be weakened in its effect in the world.

The programme plans were under the direction of the Executive composed of Rev. E. C. Churchill, Digby, Chairman; Rev. R. S. Dunn, Deep Brook, Vice-Chairman; Mrs. John Murley, Acaciaville, Secretary-Treasurer; and Mrs. Harold Marshall, Conway, representative from the District Women's Missionary Society. The Spring Meeting will be held in New Tuskett in May.

MARRIAGE

Entrement - Deveau

A pretty fall wedding took place in the Stella Maris church, Meteghan, on Tuesday, Nov. 4, when Miss Lucina Deveau, daughter of the late Joseph F. Deveau and Mrs. Therese (Robichaud) Deveau of Meteghan, became the bride of Ben d'Entrement, son of the late Edward (Entrement) and Mrs. Edith (Cousau) d'Entrement, Meteghan River. Rt. Rev. Msgr. J. E. Bourneuf, D.P., F.V., pastor, performed the double ring ceremony and celebrated Nuptial Mass. Mrs. Joseph LeBlanc was the organist and a choir of young girls sang "Ave Maria." The bride belonging to the Sodality of the Children of Mary, a special altar had been erected in the Sanctuary.

Given in marriage by her brother, Fidele Deveau, the bride was charming in her ivory satin gown, slightly entrained, with long sleeves coming to points at the wrists, sweetheart neckline with fitted bodice, and a yoke of sequins and seed pearls. A full length veil fell from a halo of seed pearls. She carried a bouquet of American beauty roses, and wore a single strand of pearls, gift of the groom.

The bridesmaid, Miss Jeannette Deveau, a sister of the bride, wore a floor length gown of sky blue and gold, and wore a large picture hat to match, styled by Madeleine. She carried a shower bouquet of pink and yellow roses. The groom was supported by Jean Theriault of Belliveau's Cove.

After the ceremony, a wedding breakfast was served at the Royal Hotel to over fifty guests. The bride's table was centered with a three tier wedding cake which the bride cut in the traditional manner.

Later the young couple left on a wedding trip to Saint John, N. B.; Waltham, Mass., and New York. The bride wore for travelling a grey wool suit with black accessories and a corsage of pink roses.

Previous to the wedding a shower was held at the Stella Maris Hall. The bride was the recipient of many beautiful and useful gifts including glassware, silver, linen and a substantial sum of money.

The monthly meeting of the Deep Brook Home and School Association was held in the Deep Brook School Monday evening, Nov. 10, with Mrs. E. Hiltz, acting president (pro-tem) in the chair.

A bean supper was planned to be held in the Deep Brook Hall on the last Saturday night of November, proceeds to be the foundation of a fund for school equipment, beginning in the Kindergarten and Primary Section.

It was decided to ask Miss Best, of Annapolis High School, to come in for discussion with Mrs. Karl Nichols, local program director, to help in selection of the articles best suited to rural school kindergarten and primary departments. Miss Anderson, the county health nurse, is expected to be present for discussion at the meeting in December.

An interesting program followed the business meeting, consisting of the reading and discussion of "The Seven Freedoms", and an article prepared by Mrs. Murray Elliott on Dr. Leacock's address given at the Annual Convention held in Sackville in August. The article was exceptionally well prepared. After an enjoyable refreshment period, the meeting closed

We Object To "Being Used"

Last week a personal item was published in the Courier to the effect that "Mr. and Mrs. Arthur A. Smith, of Halifax, motored to Digby on Thursday and were guests at the Salvia." On Monday Mrs. Arthur A. Smith called at the office to say that she certainly had not been a guest at the Salvia and demanded to know who had given us the information. As we strongly object to being "taken for a ride", we looked up the copy and found it was signed by Arthur Smith, 50 Seymour St., Halifax. Well, Mrs. Smith says she was not at the Salvia—so that's that!

Mrs. Helen Anthony, accompanied by her son, William, recently returned from a visit to the White Mountains in Maine, Montreal, Toronto, Muskoka Lakes, Hamilton, Niagara, New York and Boston.

EAST MEETS WEST IN WORLD TRADE

Behind cold, impersonal statistics very often can be found the story of how Canadian traders have reached into strange far corners of the world. In 1946, for example, Canada exported goods valued at \$430,980 to Iran, and imported products of that country to the amount of \$74,446. What do these figures mean? Across thousands of miles, Canada has sent automobile parts, iron tacks, gasoline and oil stoves, lamps and lanterns, which will be sold in the eastern bazaars, while we are buying oriental carpets for our homes, Persian lamb skins for our coats, and almonds and walnuts for our table. In spite of Kipling's prophecy, the barrier between east and west is constantly surmounted by the irresistible flow of world trade.

a Bank

THE VEIN proves rich, a shaft is sunk, and a new mining town springs into life. The main street takes form. Commercial buildings rise.

When such a development occurs, the services of a bank are needed — to handle payrolls, to keep savings accounts and, as the town grows, to furnish bank credit for the needs of the community.

This is a basic pattern in Canada's development. And part of it is the local bank manager, providing those financial services which help Canadian men and women to win the rewards of modern enterprise and modern living.

THIS IS ONE INSTANCE OF how Canada's 3,200 branch banks play their part in the daily life and work of Canadians.

Possibility Seen Former Naval Base To Be Holiday Resort

Still another rumour concerning the possible fate of the huge former naval base, "Cornwallis", is currently going the rounds.

According to reports carried by the provincial press, interest is being shown in the huge naval base, a small part of which is being operated by the Department of Veterans Affairs as a tuberculosis hospital, by W. E. Butlin, managing director of Butlin's Limited, which operates five huge holiday resorts in the United Kingdom.

Mr. Butlin is at present making a tour of Canada with a view to establishing a number of resorts in the Dominion. He has shown particular interest in the Laurentian Mountain area, and in the former navy base district.

Five "Holiday Garden Villages" with a total capacity of 22,000 guests are operated in the United Kingdom by Butlin's Limited. They were originated by Mr. Butlin who has incorporated many new and novel ideas in the realm of catering to holiday crowds in his new tourist resorts.

Each centre is operated as a more or less co-operative venture with organized sports, recreation, camp games and other entertainment.

V. O. N. History Display Window

Through the kindness of Mr. Fred May, a window arranged attractively in his store by the Publicity Committee of the local Victorian Order of Nurses displays a number of histories entitled "The Victorian Order of Nurses of Canada: Fiftieth Anniversary, 1897-1947" by John Murray Gibbon. These histories as the title infers, are issued in commemoration of the Victorian Order's fifty years of public service.

During the fifty years the Victorian Order has grown to be one of the most important national services of the Dominion. Some of the objects of the Order are to establish and maintain visiting nursing services; to undertake the care of the sick in their homes; to aid in the prevention of disease and the maintenance of health; to assist in training nurses in Public Health Nursing and maintaining the highest possible standard of efficiency for all nursing service. From Sydney to Vancouver there are 103 branches, each giving this service equalled by few other organizations.

The Victorian Order knows no distinction of class, race or creed; its services are at the disposal of the poorest and of the well-to-do alike. The well-to-do pay and those who cannot pay receive just the same services as a humane gift. In 1946 the free visits made by the nurse in our own branch in Digby were 1241.

Digby can well be proud to be linked up with Canada's Lady in Blue which has displayed such devotion and fine humanitarian qualities in its services.

W. I. Meeting

On November 12, the Smith's Cove and Joggin Bridge Women's Institute met at the home of Mrs. Gordon Landers with the president, Mrs. Longworth, presiding.

An interesting report was given by Mrs. George Larramore who attended recently the District Executive Meeting at Meteghan.

Mrs. Longworth then gave a detailed and splendid account of the recent W. I. N. S. Convention held at Halifax.

Committees for the coming year were appointed as follows: Youth and Education: Mrs. George Wightman. Mrs. George Larramore. Mrs. O. F. Woodman.

Social Service: Mrs. O. F. Woodman. Mrs. Gordon Landers. Mrs. William Cossaboom. Mrs. Ruth Walker.

After the meeting adjourned, tea was served by the hostess and Mrs. Wm. Cossaboom.

The next meeting will be held at the home of Mrs. Wm. Cossaboom at two o'clock.

Miss Lillian Daley, who is employed as secretary by Fred Silver and Co. of Halifax, spent the week end with her parents, Mr. and Mrs. Blair Daley.

Rink Bond Drive Progressing Most Satisfactorily

The response to the campaign for the sale of Digby Recreation Commission Bonds to finance the completion of Digby's new rink is most satisfactory, J. J. Brittain, Chairman of the Bond Drive Committee, stated yesterday. He said that, although salesmen had as yet only touched the fringes of their districts, they had met with splendid response, and almost every prospect contacted had purchased one or more of the Digby Rink Bonds.

At the rink itself, work is going ahead full pace. At present the huge timbers that will form the uprights of the new rink are being assembled and bolted to-

gether in preparation for raising into place. All of the uprights and roof supports are being assembled on the ground in their proper positions and will all be raised at one time.

Every effort is being made to salvage all of the material possible from the old drill shed to be used in the rink. A forge has been set up on the site of the new building and die tapping and threading machinery secured so that all of the bolts and spikes used in the old structure can be re-used. Much of the perishable material has been stored under cover for use as building operations progress.

It is expected that within about two weeks all the uprights and roof supports will be ready to raise and bolt into position. After this, work of boarding in and putting on the roof will progress rapidly. Rink officials say, barring any unforeseen difficulties, the rink will be in operation when good ice-making weather arrives.

Above picture shows Miss Marion Warner receiving, on behalf of the Students' Council of Digby Academy, receipts for the first Bonds sold by the Digby Recreation Commission. Mayor J. W. Merkel is making the presentation.

Power Board Installs Digby Election Radio Communication Appeal Before Full Bench

Radio communication between trucks of the Digby County Power Board, the main office, plant at Weymouth, Superintendent's home and other working points of the power system has been installed and is now in operation.

This new radio communication system, based on the famed "F.M." principle, is a wonderful improvement and will result in much improved methods of handling emergencies and detailed work on the power line.

By means of the new system employees and Superintendent will be able to keep in constant touch with all phases of the power system and it will be possible to direct "trouble shooters" to scenes of power disruption without waste of time or effort.

The new radio communication system is also in operation in the Clare District of the Digby County Power Board.

Supervisory Report For V.O.N. Read

At the regular V.O.N. meeting on Tuesday the report of the Supervisor following her official visits, was read. Miss Hall, in this report, paid tribute to Miss Margaret Wheby, nurse-in-charge, stating, "She is quiet and efficient in her work, with excellent ideas for carrying out a good nursing program."

To the end of August of this year, 46 new patients were admitted over the previous year, and an increase of six visits were made.

Miss Hall, while in Digby, made a study of the free visits made in relation to the Town Grant. This cost per visit in the Digby Branch, V.O.N., was ninety-five cents for 1946. This is based on the year's expenses. The cost covered by the Town Grant, Miss Hall found to be equal to forty cents per visit, thus saving the town a considerable sum by using the Victorian Order Nurse for sickness in the homes, to say nothing of the preventive work done by the nurse. One of Miss Hall's recommendations was the need for additional grants to more adequately cover free work.

The Nominating Committee formed to bring in a slate of officers for 1948 are as follows: Mrs. L. M. Saunders. Mrs. John Russell and Mrs. Winston Mullen.

In her report at the V.O.N. meeting on Tuesday, Miss Margaret Wheby stated 28 new cases had been served in October and 119 visits made. Thirty-eight hours were spent in school where 188 pupils were given special inspections. Ninety-nine defects were found and 19 pupils excluded. Seven hours were spent at Immunization Clinics where 376 inoculations were done. The time spent in Industrial Nursing was seven hours.

Flames Threaten Local Restaurant

Prompt action by the Fire Department succeeded in quelling a blaze which, for a short time, threatened the Victory Cafe.

The blaze, which was first noticed shortly after twelve o'clock Sunday night, presumably started from a vat of cooking fat. It is thought that when the restaurant closed for the night the heat had been left turned on the large vat of cooking fat which boiled over and caught fire.

When the flames were noticed they were eating into the wall of the restaurant kitchen. The night policeman, Constable Ineson, happened to be in the vicinity and he raced for the fire station, turned in an alarm and returned with the fire engine. Within but a few moments the fire was completely out. Considerable damage was done by the fire and extinguisher fluids.

Famed Church Builder Passes

Little Brook suffered a great loss Friday last in the death of Leo E. Melanson, who passed away after a short illness. Mr. Melanson operated a woodworking factory and mill in Little Brook for many years, and was well known. He was 78 years of age.

Mr. Melanson had been ill for a week having contracted pleurisy while working in his mill.

He was known for the churches he built along St. Mary's Bay shore. His greatest achievement was the building of St. Mary's Roman Catholic Church at Church Point in 1905. This edifice is called the largest wooden church in Canada and is a stopping point for tourists on their way through the Clare district. With its lofty steeple towering 190 feet above the ground, St. Mary's Church attracts great attention to passersby.

Mr. Melanson was a contractor during his earlier days and he also constructed St. Ann's college at Church Point, a wooden structure five stories high. He also erected wharves at different places in Nova Scotia and even constructed wharves in P. E. I.

A man of great influence in Clare, Mr. Melanson will be sorely missed in the district.

Hold Remembrance Day Service

A very impressive Remembrance Day Service, sponsored by the Smith's Cove and Joggin Bridge Women's Institute was held in the Temperance Hall.

The service was conducted by Mrs. Mark Longworth, Dr. Hodgson and Rev. R. S. Dunn. Special music was provided by the Baptist Junior Choir, accompanied by Miss Frances Austin at the piano. The local veterans and school children were also present.

The Scripture, John 15:1-13, was read by Mr. Dunn. Hymns sung were "Unto the Hills" and "O God, Our Help in Ages Past."

Dr. Hodgson gave a very fine message entitled "Remembrance and Dedication." The Junior choir then sang "O Valiant Hearts." Two minutes silence was also observed.

The service was closed by Mr. Dunn giving a few well chosen and appropriate remarks, followed by the benediction and God Save the King.

At the close of the service the congregation proceeded to the Institute Memorial Park where a wreath was placed by Thomas Francis in honor of our fallen heroes of both World Wars.

After the placing of the wreath prayer was offered by Rev. Mr. Dunn.

Enjoy Nova Scotia Hunting Trip

Mayor William Michaelson, Town Attorney Bernard S. White, Police Commissioner Selma Nelson and Tax Collector Al Meisner, all of Clifside Park, N. J., enjoyed a week's hunting trip in the woods of Digby County last week. They were guests of their long time friend, Henry Meier.

All of the visitors stated they enjoyed their stay immensely and all are looking forward to returning in the spring for the trout fishing. While here they were guests at the Hedley House at Smith's Cove.

94 Years Old Last Thursday

Mrs. Letitia LeCain, Clements, celebrated her 94th birthday on Thursday, Nov. 13, when many friends and relatives called to offer congratulations and good wishes. Others remembered Mrs. LeCain by sending letters, cards and gifts among which was a basket of fruit from the Ladies' Aid of the United Church of which this grand old lady has always been a member.

The family arriving for the occasion included Mr. and Mrs. Walter Chute, Mrs. Willard Henderson and Capt. and Mrs. Fred LeCain, who brought with them the chicken dinner with all the trimmings and a decorated birthday cake.

Mrs. LeCain, who resides alone, attends to all her household duties, has a remarkable memory and affords much pleasure to those who call at her home by telling many interesting stories of the old days at Clementsport.

Picks Daisy In November

The calendar was proof to Lawrence Ellis of Port Wade that this was the hunting season, but the woods took on the appearance of Spring. On Nov. 15, while hunting, he picked a daisy in perfect bloom.

The Courier Office also received a strawberry blossom, sent in by Ralph C. Cromwell of Weymouth, which she picked on Nov. 15.

Town Water Again Contaminated

Dr. E. D. Dickie, Medical Officer, stated yesterday he had received advice from the Department of Health that the water of Digby water supply was contaminated, and that all water for human consumption should be boiled.

Two consecutive weeks had passed in the town water had been satisfactory and it was hoped all contamination had been cleaned up. Every effort is being made by civic authorities to remedy the situation and the Department of Health has been asked to go into the matter thoroughly. The reservoir has been treated with liquid chlorine in an attempt to clear up the contamination but this has not been successful.

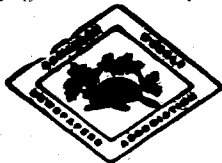

Department of Health authorities in Halifax, contacted yesterday and the contamination undoubtedly stems from the heavy drought and pockets of contamination evidently lie in various parts of the system. A treatment of liquor chlorine will be given the system this week and water users are advised to boil town water while this treatment is being made.

About This and That And Still They Speed

Despite all the warnings of police and despite editorial comments, motorists continue to travel at highly excessive rates of speed along the streets of Digby, particularly through the main business district.

How long will this continue? Will it be necessary for someone to be killed or seriously maimed before certain car drivers of this town learn not to use the main street as a speedway? Will the lives of little children who play along the streets and byways of our town be sacrificed as a peace offering to the god of speed in order to satisfy the unholy desire of certain motorists to "see how fast she'll go"?

Immediate and drastic action is needed to curb the efforts of these speed maniacs. Our police authorities need to "get tough." A few stiff fines handed out to the most persistent offenders would go far in curbing their enthusiasm. The sooner this is done the better. It should not be allowed to wait until public opinion is aroused because of some needless fatality.

Traffic conditions in the business section of Digby require constant attention to driving by motorists in the area. This attention and caution cannot be exercised if the driver is speeding. If he is not willing to co-operate by driving at a moderate and safe rate of speed while in town, then he must be made to. Human life is still a precious commodity in a Christian land.

Nova Scotia Canada's Sunniest Province

Nova Scotia may soon claim the title of "Canada's sunniest Province." It is definitely in the running. For three months in a row sunshine records have been broken. Halifax newspapers have not yet adopted the Florida strategy of free copies when the sun doesn't shine but if they had the losses would have been small indeed in August, September and October, 1947.

The Halifax Weather Office counted only six days without sunshine between July 29 and November 4. Four of those days were in September. In each of the other months there was complete cloudiness on only one day.

During August 259 hours of sunshine were recorded at Halifax, a new record for the month. Total rainfall was only .58 inches. September had 191 hours of sun, also a new record, but October was even better. Last month, despite the shorter days of mid-autumn, Old Sol shone for 194 hours.

October rainfall, a mere trace, recorded on three days of the month, totalled only 9/100 of an inch, the smallest amount registered in any month since weather records began 74 years ago. It was the second consecutive year that a new sunshine record had been established in October.

While temperatures were a bit above normal, they broke no records. The highest in October this year was 78, the average 53. In October, 1946, the maximum was 82 and the mean 52. All time high for the month is 88 degrees registered in 1930.

During the taking of the offer- ing, a duet, "Give of Your Best to the Master," was beautifully rendered by delegates, Mrs. Den- tion and Mrs. Hames.

Following the general theme with its emphasis on youth, Rev. F. C. Amery of Weymouth gave his address to the Mis- sionary Societies on Youth and the Foreign Mission Service.

Citing Paul as an outstanding example of one called by God, he pointed out that Paul's earli- est education, citizenship, and spir- itual qualities were all united to God's purpose.

So today, the called of God must have a clear understanding of the Task before them, and be prepared to follow wherever God may lead. One must develop a sense of responsibility and loyal- ty. Be prepared to start with small things, small responsibil- ities and loyalties grow in spiri- tual quality into full stature.

"Churchianity" is not enough but we must have Christianity rooted in the knowledge and love of Christ.

The challenge of the Church to Youth for foreign service is one to conflict, warfare, an ap- peal to adventure, crusade and heartfelt consecration.

The Church also has its task

This can be done in various ways, such as Missionary Confer- ences, Missionary addresses, vi- sual aids, i.e., motion pictures, slides, etc., all of which may a- rouse interest in the giving of Youth to the service of God.

Y.M.C.A. Secretary Says Soviet Influence Waning

Soviet influence is waning in the Middle East, and this is particularly noticeable in Turkey, which country is rapidly moving toward closer friendship with the West, Ezra P. Young, International Y.M.C.A. World Service representative, told members of the Digby Y's Men's Club at their second anniversary banquet meeting on Tuesday evening.

Mr. Young, who has just returned from five and one half years at Istanbul, Turkey, was introduced to the gathering by Baden Powell, Chairman of the Boys' Work Committee. He gave the meeting a most graphic account of conditions in the Middle East and the Holy Land.

Conditions in the Holy Land, Mr. Young stated, are much worse than they are pictured by press and radio. The Y.M.C.A. in Jerusalem is the only place where Jews, Arabs and Christians could meet together in friendship. The Board of Directors of the Association is made up of all three faiths, he said.

In speaking of Turkey, Mr. Young said that prior to the war the Germans had exerted great influence there. During the war however, German arrogance and brutality came out from under cover and Turkish resentment soon ended the German influence. Today, although British and Americans tend to remain aloof from the Turks, the trend of Turkish opinion is swinging strongly toward the democratic way of life.

"Turkey today is in the forefront of the struggle between two ideologies," Mr. Young said. It is significant that Turkey, pressed by Communism on one side and the democratic way on the other, is keeping her head in this crisis. Russia is exerting great pressure in the country, he said, but "is not getting anywhere."

Mr. Young said the Y.M.C.A. is greatly respected in Turkey and in all of the fifteen countries he has visited for remaining neutral during times of political and military strife. Almost every door in the community is open to the Y.M.C.A. worker because he is respected and trusted.

In telling of his work in Turkey, Mr. Young described the many changes taking place in the educational, religious and political life of the country. A new decree has given to the people freedom of worship. One thousand new primary schools will be opened in Turkey during the year. The eagerness of the people to learn English is amazing, he said. Politically, the Turkish people are showing great tendencies toward democracy.

Mr. Young said he was thoroughly enjoying his trip through the Maritimes, and said the goodness of the people he had met and their hospitality would long be remembered. "It is indeed a pleasure," he said, "to mingle once again with people whose way of living is normal, where it seems perfectly proper to smile and laugh and where the fear bogey is not constantly at your elbow."

The hope of future peace lies with the youth of the world, Mr. Young said, in concluding his address. He said he found little hope or thought of peace among the politicians and diplomats of the countries he had visited, but among the young people, the common man, that hope existed and could be developed if we would but act.

Mr. Young is a native of Glenwillard, Penn. He is a graduate of the University of Michigan and the Chicago Seminary, and the author of several books.

A Gift Of Health For Christmas

Everybody has their own special lot of tasks which they feel must be done or Christmas just would not be Christmas. There's the fruit cake, mince meat and cranberry sauce to be made.

There are decorations to be prepared so that the holiday season will look festive.

There are countless little kindnesses to be done and gifts to be given. Christmas wouldn't be Christmas if others were not remembered.

In that list of thoughtfulness for others, CHRISTMAS SEALS have a place. They safeguard someone's Christmas next year or the year after. Nobody knows who may be threatened by tuberculosis next Christmas. It

may be someone near you, or it may be someone you never heard of. Give yourself and them a GIFT of HEALTH at Christmas.

Next Sunday is Tuberculosis Sunday and on the following day the Seal Sale gets under way. Be prepared to buy as many as you can of the 200 seals sent to you as recommended by the N. S. Tuberculosis Association. Collectors will call for your donation. The proceeds are shared by the local V. O. N. and the N. S. Tuberculosis Association.

Good Cheer Club

The Hospital Good Cheer Club which met at the home of the Misses Chisholm, Birch St., on Friday of last week, will meet this week with Mrs. Wormel.

Mrs. H. M. Warne has extended an invitation to the club to meet at her home on Monday afternoon with the Ladies' Hospital Aid and Sewing Circle.

The Good Cheer Club was originally known as Field's Comfort Club during World War I, before the building of the new hospital, at which time they took the responsibility for the upkeep of one room, namely, Field's Comfort Room, which, a few years later became known as Soldiers' Memorial Room. They glassed in the sun porch provided curtains for the living room, providing linen and comforts in general as need arose.

When the Annapolis Hospital was built the Good Cheer Club took over the Annapolis room, renaming it "Good Cheer Room" and by dint of hard work and continued effort, have, besides their numerous other givings, supported both rooms ever since.

At present a new hospital bed is much needed for the Soldiers' Memorial Room, but so far all efforts to find one suitable have been fruitless, but it is hoped one will be forthcoming in the near future.

Mrs. H. T. Warne has been the president of the club for a long period of years, and she and her co-workers deserve much praise for their untiring efforts through the club in helping to make the hospital a success.

Hold Successful Card Party

A very successful card party and pantry sale was held in the Little Brook Hall Monday evening for the benefit of the St. Mary's Parish Fire Dept., and the nice sum of \$85.00 was realized. The party was sponsored by Les Academics Sports Club and though the weather was inclement a very large crowd attended. There is no doubt that the proceeds would have been

General Motors Products of Canada, Ltd.,

Gentlemen:

We recently received an inquiry from Mid-Town Motors as to the performance of the fleet of Pontiacs which they delivered to us.

In our fleet of over one hundred vehicles there are more Pontiacs than any other make of passenger car. This is rather remarkable because Pontiacs rent for a little more than some of our other cars, but we have bought more of them for two reasons:

1. There is a persistent demand for Pontiacs by customers who have once driven them, and
2. Pontiac maintenance costs have been very low.

We believe there is no better purchase in today's automobile market than the Pontiac. We like its Fisher body and its L-head motor, but best of all we appreciate the low upkeep cost and freedom from minor adjustments and maintenance jobs which we have experienced—and our opinion is based on over 2,000,000 miles of operation of our fleet of Pontiacs.

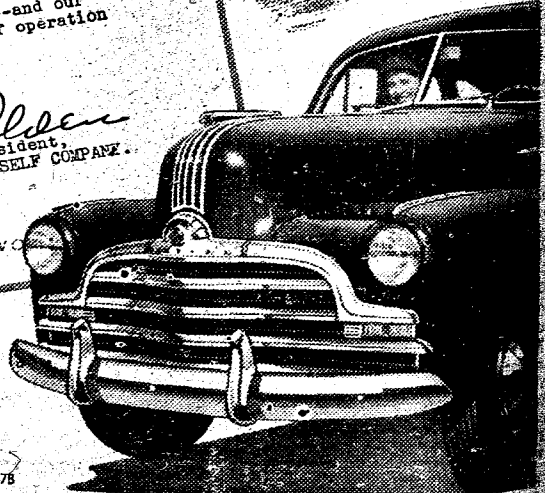

Yours sincerely,
S. F. Tilden, President,

Buckler - McMurtry
A pretty autumn wedding was solemnized at the Rotheray Baptist Church, Fair Vale, N. B., on Oct. 21, when Mary LaVaughn, daughter of Capt. and Mrs. P. B. McMurtry, Margaretsville, N. S., was united in marriage to Donald Keith Buckler, son of Mr. and Mrs. R. H. Buckler, Bear River.

Rev. H. E. DeWolfe, uncle of the bride, officiated at the double ring ceremony.

The church was tastefully decorated with cut flowers and autumn leaves. The couple were unattended.

The bride was charming in an olive green wool gabardine suit with champagne accessories and wore a corsage of tallisman roses. The nuptial choruses were softly played by Mrs. H. E. DeWolfe, aunt of the bride.

Immediately following the ceremony, a bridal tea was held in a salon of the Royal Hotel, Saint John, amid relatives and immediate friends. The bride's table was beautifully decorated with a lace table cloth, white candles and centred with a three tier wedding cake, cut by the bride and groom in the traditional manner.

Call for

MORRIS

Yes, it's a call that's echoed everywhere, the call to more smoking pleasure offered by Philip Morris English Blend. You too, will like the distinctive flavour of this very distinctive cigarette. It's so smooth—so mild—so completely satisfying.

Is You, Or Is You Ain't?

To Edtour, Digby, Paper:
Did you ever travel Yankee Tourist in summer time to see folks? I did, all alone on Yarmouth boat.
Why I ask? Well, Monsieur Editor, I just want to know if everybody have same darn good time I did, with no extra charge and no exchange.
Will you print if I tell story? I will get my cousin Rose to write what I say—she knows better English.
Well, Monsieur, it was as I am going to say. It's funny, better than any French story I ever see.
I saw the man on wharf that asked my name, how much money I had, how much I spend, how much I bring back and how long I stay. I said "Yes, Sir!" (I learn that in the war). He say "O.K." I sign my name. I see other man, he say "Your nationality please, American or Canadian?" I say "French, I'm from Concession, down in Clare." He say "O.K. Keep on moving." Then a big black man with red cap—looked like Joe Louis—grabbed my bag and say "Come on dis way." When a board ship he takes my ticket and says "Stay there till I come back," and he gave me key to my room.
After seeing all on board and all on wharf when boat start I went to my room. The boat she turn around and I got all wrong side to—no room 14 there. I walked around and looked, bumby I seen room 16. I went alley-way and try my key. She don't open. I hear footsteps. It was the red hat black man that grabbed my bag on wharf. I said "See here, Monsieur, my key don't fit. Please you try." He came in the alley, took my key and says "What's de matter with you—Don't you know you know nothing?" I say nothing, my English shes no good. He tried and tried with no luck, using a lot of foreign language same time. Bumby he take flash light and saw it was room 218 instead of 214—more foreign language. He says "Come here man—who is you? How can you get a 214 key in a 218 hole? tell me dat?" I say nothing, just laff inside. He say "Where you come from? Where you been? Man you am dumb. Throw me overboard as I never saw anybody same as you is—good night." I like the whole business. Pain inside keeping in the laff.
This is a true story, Monsieur Editor. Maybe Yankee Tourist have same fun.
On the Yarmouth boat some of dem red cap colored folks change de suit to white, comb de hair and wait on table. The feller with armful of programs or what you got to eat print, gave me a seat at table. I looked up from the program and here was dat same colored feller. He say good morning. I say nothing. It was very foggy—the ship's horn she blow all night. I had an idea to get even with that black man. Every morning at breakfast I read the Boston paper. I decided to ask him for one. (It was impossible for we were going from Yarmouth to Boston). On his return to the table I gave him my order for breakfast and ask him to bring a Boston morning paper. He said "Yes, Sir! Certainly, Sir!" He bowed, almost touched the floor and break dish. When he brought in the tray of food, he said "Sorry, Sir, it was so foggy last night they didn't print the paper."
You can't beat dem guys.
Thank you, Monsieur Edtour, I like that trip.

MARRIAGE

McLellan - Hinton
A very pretty wedding of interest to many friends throughout the province took place on Saturday, Nov. 15, at 11 a.m., when Irma Mae, younger daughter of Mr. and Mrs. Albert Hinton of Round Hill, became the bride of Percy Lewis McLellan, younger son of Mr. and Mrs. Oscar McLellan of Port Wade.
Rev. L. B. Wright, Baptist Clergyman, officiated at the ceremony. The bride, a picture of girlish loveliness, was dressed in a two piece suit of pearl grey, with which she wore a white blouse, a small hat of heavenly blue and a Russian squirrel neckpiece, gift of the bride's mother. Her ornaments were a pearl necklace and matching earrings, gift of the groom. She carried a lovely bouquet of pink carnations and maiden hair fern.
The bride's attendant was her sister-in-law, Mrs. Ernest McLellan of Port Wade, who was becomingly attired in a two piece suit of navy serge, with silver fox fur and black accessories. She wore a corsage of yellow chrysanthemums. Ernest McLellan, brother of the groom, was best man.
Following the ceremony a reception was held at the home of the bride's parents, Mr. and Mrs. Albert Hinton, which was attended by some fifty guests. The rooms were attractively decorated with pink and white streamers.
The bride's mother was dressed in green crepe, with black hat and wore a corsage of white chrysanthemums. The bride's sister, Miss Pearl Hinton, Truro, assisted in receiving the guests, attractively gowned in a smart grey crepe dress and wore a corsage of American beauty roses.
The bride's table was very lovely, centred with a three tier wedding cake. Mrs. George McCaughy served the punch and those assisting in serving the refreshments were Mrs. Lloyd Hicks, Mrs. Horace Weir and Mr. Victor Ellison of Truro.
Later the bride and groom left on a wedding trip to be spent touring the Maritime Provinces.
For travelling the bride wore a top coat of heavenly blue with matching hat and corsage of pink carnations. Later the bridal couple will take up residence in Port Wade.

WORLD TRADING CALLS FOR CONSTANT EFFORT

Shortage of dollar exchange has forced many countries to restrict their imports from Canada and many difficulties continue to hamper our export trade. As examples of this, New Zealand is no longer granting licenses for the import of Canadian canned fish in 1948, Britain is restricting the import of Canadian furs, and Portugal has added 175 items to the list of hard-currency imports requiring a license. Added to this, the shortage of shipping is still delaying many Canadian deliveries, some cargoes being afloat as long as four to six months.

Faced with a set back on the one hand, Canadian traders, however, attempt to gain an advantage on the other. In November, 75 Canadian businessmen will be allowed to enter Germany, with a view to restoring trade, and our trade representation in India will be strengthened with the recent appointment of Mr. Richard Grew as Commercial Secretary for Canada. Formerly trade commissioner in Bombay, in his new position Mr. Grew will be accorded diplomatic status. The recent Canadian Trade Mission to South Africa, and the forthcoming Canadian International Trade Fair in Toronto, next June, are part of the same pattern of effort to maintain the vital volume of Canada's foreign Trade.

Mr. and Mrs. Joseph Hall, who have been visiting friends in Middleton for the past two weeks, returned home Friday.

Season Flowers and Fruit

For a while we thought we were going to have just a daisy of glory when we were presented with daisies picked by Mrs. Carman Banks, Bear River, on Nov. 10. June Hayden of Bay View, Chesney Robbins of Smith's and Ann Brittain and Doris Johnson of Digby.

But daisies are not the only flowers of the season. Two lovely bouquets of sweet peas were sent by one by Mrs. Carman Banks and the other by Mrs. Clyde Rink, Digby. June Hayden also picked a clover blossom to add to the daisies she picked.

Although not enough to furnish a dinner for our evening meal, it was a fine stalk of ripe raspberries that Mr. Ernest Eisener brought to our office on Friday. We believe Mr. Eisener had enough of this out-of-season fruit for several dinners.

Things Are Not Always What

They Seem

A Digby housewife, anxious to please the palate of her sick husband, recently purchased a tin of a nationally known brand of soup. The tin was clearly and unmistakably labelled as "Clam Chowder", but when opened, the tin proved to be a most delicious vegetable soup.

In speaking of this to the storekeeper from whom she purchased the tin of soup, she was told that still another housewife in town had purchased a tin of a not quite so well known brand of baked beans, only to find, on opening them, that she had a tin of spaghetti.

Our housewife feels that this bit of incorrect labelling may be a good thing, for it certainly adds spice to the sometimes humdrum job of housekeeping. She says she approaches the job of opening a tin of soup of what-over with a spirit of adventure and is somewhat disappointed when it turns out to be just what it says on the label.

Plight Of

Farmers Outlined

The fiftieth anniversary of the Digby County Farmers' Association was celebrated Friday night at a banquet held in the Lour Lodge. There was a large attendance of ladies and gentlemen from all parts of the county. D. MacKay of Acaciaville, president of the Association, was in the chair. The guest speaker was C. E. Edwards, of the Provincial Department of Agriculture, and was introduced by Raymond LeBlanc of Meteghan, Agricultural representative for the County.

The speaker told of the methods being used by the Department in their effort to help farmers. One of the jobs is to help communities build community programs. There can be no real prosperity in Nova Scotia as a whole unless the communities are happy and prosperous. At present too many of our young people go to the cities and our rural communities are impoverished.

Many go for education and the proposed rural high school will be helpful in furnishing the aid to the farmers. The province is doing the Agricultural College, experimental farms agricultural representatives, broadcasts and farmers.

Other speakers were H. E. Chisholm, warden of the municipality and Lloyd MacNeill, one of the county's younger farmers who spoke of the economic conditions which confronted the farmer today.

In face of the rising costs of fuel, etc., the farmer cannot make a living at all comparable with that made by professional men in all walks of life and he is just as much entitled to do so. Mr. MacNeill, as affairs stand at present, farmers are being off their cattle and poultry because they cannot afford to keep them. This is reflected in the market for butter, cream and eggs he said.

In his district alone cream has fallen off 30 per cent in the last few months, and will go still lower.

It is true the government has stepped in and put a curb on the speculators and machinery profiteers, but they are determined to get the price of the farmer's produce as low as possible in the market. The evening closed with showing of pictures by Mr. Ed-

Boards of Trade Urge Action On Ferries

Resolutions calling upon the Federal Government to improve wharfage facilities at the port of Digby and to provide adequate ferry service between the Islands at the end of Digby Neck were passed at the semi-annual meeting of the Annapolis Valley Affiliated Boards of Trade held here on Friday evening.

The meeting was presided over by President F. J. Burns of Kentville. A welcome to the visiting delegates was extended on behalf of the Town of Digby by Deputy Mayor Victor G. Cardoza, and on behalf of the Digby Board of Trade by H. M. Warne. Guest speakers were A. A. Dunphy, President of the Maritime Board of Trade and Col. S. S. Wright, Provincial Fire Marshall.

The resolution calling upon the government to improve the wharfage facilities at Digby was introduced by the Digby Board of Trade. In speaking of the resolution, President H. M. Warne said present inadequate wharf facilities at Digby were affecting the whole Valley area. Although briefs and engineering reports had been presented to the government, little had been accomplished to date with regard to needed improvements. Mr. Warne said that condition of the Digby pier as portrayed in shipping manuals issued by Lloyd's and other concerns made captains shudder when they were ordered to Digby. He criticised the fact the government seemed unwilling to act unless they were given more assurance of possible heavy usage of the port facilities.

Speaking to the resolutions urging the Provincial government to immediately and without delay complete the paving of the Digby Neck Highway, and that adequate ferry facilities be installed at both Petite and Grand Passages at the end of Digby Neck, Blanchard Morrell of the Fundy Board of Trade stated eighteen million pounds of fish had been brought during the year from the two islands at the end of Digby Neck across present highly inadequate ferries. Trucks were sometimes held up for days due to the inadequate ferries, he said. Value of fish caught by fishermen of the three villages on the two islands amounted to over half a million dollars annually. Mr. Morrell said, and thousands of gallons of gasoline, fishing equipment, and foodstuffs and other materials amounting to hundreds of thousands of pounds annually are transported across the forty mile long Digby Neck Highway and across the ferries to the islands. The economy of the whole area is being adversely affected by failure of the government to provide proper and adequate transportation facilities in this district, Mr. Morrell said. He urged strong action by the Board.

Guy E. Morehouse, for thirty-six years mail driver on Digby Neck, also told of difficulties encountered because of poor ferry service and the condition of the highway. He said when he first started on the route one large mail bag served the two islands daily, now thirty bags were transported from the two islands alone, back and forth to Digby each day. An average of almost two tons of mail daily was transported up and down the Digby Neck to serve the fifteen post offices in the district.

Rink Bond Drive at Half Way Mark--Now \$10,150

An enthusiastic gathering of members of the Digby Recreation Commission, canvassers for the Rink Bond Drive and workers for Digby's new rink, heard on Monday evening that sales and pledges for Digby Rink Commission Bonds had reached \$8775. These figures were given in a report on sales given by the Bond Drive Committee.

Since Monday night's meeting the amount of sales and pledges has increased so that the figure has passed \$10,000, the half-way mark in the drive to raise \$20,000 for the completion of Digby's new rink.

Canvassers reporting at Monday night's meeting said they were meeting with a ready response in their efforts to sell the Rink Commission Bonds. Everyone was most sympathetic towards the efforts of the Rink Commission to complete the rink this winter and very few refusals to invest in the new rink bonds were being met. Nearly all of the canvassers stated their only refusals came from persons who were absolutely unable to buy the bonds for financial reasons and many of these people

expressed their willingness to help the project by giving labor to help in the actual job of erecting the building.

T. L. Deveau, contractor in charge of erecting the huge structure, told the meeting of the progress being made on the building. The trusses which support the roof and walls of the rink, eleven in number, are being assembled on the ground and will all be hoisted into the air in one operation. Over two hundred bolts were required to bolt each of these trusses together, Mr. Deveau said. Further than that, it is a very ticklish job to get these trusses together accurately as each bolt hole has to meet and the entire truss must be fully in alignment before it can be put together.

As soon as all of the trusses are bolted together and erected, the work of putting on the walls and roof will proceed much more rapidly, Mr. Deveau said. Present work was much like the foundation work of a house, he said, a lot was being accomplished but to the casual passerby there seemed to be little work being done.

Gifts of Food For English Children

An impressive white gift service was held by the officers, teachers and children of Grace United Church Sunday School at the evening church service on Sunday. The planning of the service was under the direction of the Superintendent, Mrs. Fred May.

While Mrs. H. A. Nichols played appropriate Christmas music on the organ, the children marched to the front of the church and laid their gifts beneath two decorated trees. These gifts are to be sent to the boys and girls of the church in England where Dr. Hodgson, pastor of Grace United Church, worshipped as a young boy. Dr. Hodgson on behalf of the Bethel Church, Durham, England, thanked the boys and girls here who chose to send these parcels of food to the more unfortunate rather than to exchange gifts among themselves.

Dr. Hodgson took as the text for his discourse, "And when they had opened their treasures, they presented unto Him their gifts; gold, frankincense and myrrh," referring to gold as the consecration to Him of our best, frankincense as the best of joy, and myrrh, the best of sorrow.

Hospital Donation Day A Success

At the business meeting of the Ladies' Hospital Aid on Monday, the president reported the Donation Day held Nov. 12 proved to be the best one for several years. There were cash donations amounting to five dollars and two linen tray covers were received. Other donations included jellies, jams, pickles, apples, vegetables, fruits, canned meats, milk and cereals.

Over twenty were present at the special tea held at the home

Sunday School Sets Example

Grace United Church was the scene of a very interesting service last Sunday evening when the Sunday School, under the leadership of the pastor and superintendent, put on a "White Gift" service. This Sunday School which is probably the largest in the County, filled the centre pews of the church and turned out almost 100 per cent. It has been the custom for years past for the scholars to exchange gifts at Christmas time, but this year they decided not to exchange gifts, but to donate gifts to some Sunday School in England. Gifts of food and toys, all wrapped in white, were brought and placed under trees on the platform, and these will be sent to the Sunday School of the Bethel Methodist Church in Durham, England, the Sunday School which was attended by Rev. Dr. Hodgson as a child. 160 pounds of food parcels will be sent as a result.

Postmaster J. W. Merkel Elected

His Worship, Mayor J. W. Merkel, Postmaster of Digby, was elected Vice-President of the Canadian Postmasters' Association at the conclusion of a three day meeting of the Dominion Executive held last week in Ottawa.

Donald Taylor, Postmaster of Vermillion, Alberta, was elected President of the Association at the meeting.

Mr. and Mrs. Guy Dunn and Mr. and Mrs. Webster Dunn were visitors to Halifax last week.

of Mrs. H. M. Warne on Monday when she entertained the Hospital Sewing Circle, Ladies' Hospital Aid, and the Good Cheer Club.

Dr. E. H. Anderson, in commenting on the sale of Bonds, said he had every confidence the objective would be reached. He drew the attention of the meeting to the splendid response being received from out of town districts, and said he felt everybody, in the whole Digby area was vitally interested in the rink project, and anxious to see a rink built there.

Pupils of the Senior High School of Digby Academy are going all out in aid of Digby's new rink.

On December 10 in the Community Hall these pupils will present a full evening's program of entertainment including two one-act plays, "Nellie McNab", and "Tea For Two." Entire proceeds of the evening will be turned over to the Digby Recreation Commission to be used toward the completion of Digby's new rink.

One of the plays to be presented by the Academy pupils in the Community Hall on December 10 will be later entered in the Drama Festival to be held by the Annapolis Valley Schools. This is the play, "Nellie McNab."

Flash System To Be Installed

A modern improvement in police service is shortly to be installed in Digby. This is a flash call light system.

The new light will be installed centrally on the main street of Digby and will be operated from the telephone office. When a telephone call is received for the policeman, the operator will set a switch which will cause the light to flash on an off, indicating to the police officer he is wanted.

It is understood a call box will also be installed on the street in order to work in conjunction with the light.

The new system, it is hoped, will greatly improve efficiency of police answers to phone calls.

Loses Valuable Team of Cattle

Bradford Barton of Acaciaville suffered a sad loss on Saturday night when a pair of three-year-old steers were killed by the night train.

The pair of steers, the only pair owned by Mr. Barton, had been turned out to go for water. Usually they returned to the barn when called but Saturday evening they did not do this.

Mr. Barton was still searching for them when he was notified the two steers had been killed by the train. The accident occurred in a narrow cutting near the line switch at Acaciaville.

A subscription list is being started to help Mr. Barton replace his valuable pair of steers, and already several donations have been received.

Friends of Dennis Amoro, Sr., will be sorry to learn he is again a patient at the Digby General Hospital.

Shatters Arm With Accidental Shot

Edwin Barnes twenty-five-year old son of Captain and Mrs. Hillyard Barnes of Digby, and a veteran of World War II, is a patient in the Digby General Hospital with his left forearm badly shattered and a three-inch piece of bone blown completely away following a shooting accident which occurred shortly before three o'clock Monday afternoon.

Although details regarding the accident are meagre, it is understood Barnes, who was cutting wood for his father in the family woodlot on the Lighthouse Road, nearly four miles from Digby, had taken his shotgun and rabbit pound with him in the hope of getting a few rabbits.

This afternoon the dog got on the trail of a rabbit, and was circling it near Barnes who climbed up on a stump to see more clearly. In some manner he slipped and fell, the butt of his shotgun striking a rock, causing it to fire. The full charge of shot from the twelve gauge gun entered his left arm between the wrist and elbow, tearing flesh and bone.

Following the accident Barnes made his way to the road where he hailed a passing truck driven by Alvin Davis. Davis started to bring him to hospital in Digby, but developed engine trouble near the home of Gerald Sanford on the Lighthouse Road. Sanford brought Barnes the rest of the way to the hospital.

According to his brother, Martin Barnes, manager of the Digby office of the C.P. Telegraphs, who was with Edwin when he came out of the operating room, doctors have every hope of saving his arm although much of the flesh and muscle and a large piece of bone are blown away. A portion of one finger had to be removed.

Two Fined For Discharging Firearms Within Town

Douglas Everett and Ernest Everett were fined \$10 and costs each in Police Court yesterday morning by Magistrate G. H. Peters on charges of discharging firearms within the limits of the town contrary to provisions of the law.

The charge concerning Ernest Everett arose out of an incident on Sunday evening, when a dog, owned by William Vidito, was badly wounded when struck by a bullet from a twenty-two rifle fired by Everett.

Douglas Everett received his fine because of target shooting with a .22 in Abramson's pasture near the oil storage tanks of the Irving Oil Company on Monday afternoon.

Police Chief F. J. Thibault, who brought the charges, stated there was altogether too much rifle shooting within the town limits. He said he had recently been advised that a truck had been struck with a rifle bullet while driving along Warwick Street near the park. Several complaints had also been received concerning the firing of rifles in the park near the hospital.

Mr. Thibault stressed the danger involved in this practise, and stated every effort would be made to stamp it out. He stated he would visit the schools to warn the pupils of the danger and of the penalties if this practise continued.

Canadian Club Hears Digby Man

At the annual dinner of the Canadian Club of Boston, held at the City Club in that city last week, the former Lieut.-Governor Gasper G. Bacon, president William G. Sutcliffe and vice-president Rupert L. Mapplebeck of the Canadian Club, and Medley D. Holdsworth, president of the Canadian Club of Lynn, were guest speakers. President Holdsworth was born in Digby, the son of the late Samuel Holdsworth. He went to the United States in early manhood, studied law, and he became one of the leading lawyers in Massachusetts, as well as being very active in city, state and national affairs.

Clayton Snow, Mrs. William Snow, Mrs. Gordon Arnold, Mrs. Milton Atkinson and daughter, Marilyn, motored to Yarmouth during the past week.

SALE CORNWALLIS NAVAL BASE SAID ABOUT COMPLETE

Cornwallis, the largest naval training base in the British Empire during World War II, is to become Canada's greatest summer resort and will probably be opened for that purpose in July 1948.

Authoritative information, received, not from any of the parties immediately concerned, but from a man in close touch with the situation states that William "Billy" Butlin has just about completed a deal with War Assets Corporation for the huge naval base.

From the same source it is learned that Hon. Harold Connolly, Nova Scotia Minister of Industry and Publicity, has been a prominent figure in the negotiations. In fact, it is stated, Mr. Connolly is the man who first brought the proposition to the attention of Mr. Butlin.

The same Mr. Butlin is internationally known as Great Britain's outstanding promoter and owner of low-priced summer resorts. Prior to the war his activities were by no means confined to Britain but extended all over the European continent.

The huge Cornwallis base that was capable of housing 12,000 persons cost Canada more than ten million dollars and at some periods during the war had a sailor strength of around 11,000.

No information has been disclosed as to the purchase price but figured on the basis of previous "big deals" put through by War Assets, the price tag is probably around one million dollars.

According to report this will be the granddaddy of all big sales affected by War Assets.

Makes Inspection

Cornwallis, located at Deep Brook, midway between the towns of Digby and Annapolis Royal, was thoroughly inspected by Mr. Butlin Tuesday. He was accompanied by Hon. Mr. Connolly, George Dinsmore, general manager War Assets Corporation, A. T. O'Leary, Halifax, Halifax director of the corporation, A. A. Dunphy, general manager, D.A.R., and others.

The party, which also includes Hugh A. Green, Montreal, and W. Leyland, Toronto, went to Kentville later in the day and registered at the Cornwallis Inn.

In the last two years, the sale of the mammoth plant has been reported in connection with various enterprises but apparently the negotiation stage was never reached.

Hon. Mr. Connolly, sometime

ago visioned the base as becoming Canada's greatest convention centre and has been continuously working along that line. Mr. Connolly could not be reached for comment Tuesday night.

Mr. Butlin, it is understood, will remodel and operate the Cornwallis base along the same lines on which he has conducted his resort enterprises in overseas countries. According to recent reports the very finest of accommodation is provided at from \$30 to \$40 a week.

The opening of Cornwallis as a tourist resort opens tremendous possibilities, not only for the Annapolis Valley tourist trade but for all Nova Scotia. Located on the shores of the Annapolis Basin, it is within easy distance by train or car of the province's most historic and scenic centres of interest.

About This and That

His Work Lives On

In the news columns of last week's Courier we carried the story of the passing of Leo P. Melanson of Little Brook. Although Mr. Melanson has passed to his great reward, his work will remain for years to come as a living memorial to a craftsman who excelled in his chosen profession.

Like so many of his fellow men on Nova Scotia's famed French Shore, Mr. Melanson was a skilled carpenter and woodworker. Even up until a few weeks before his death he operated his own woodworking and milling establishment at Little Brook.

It is from his splendid abilities as a carpenter and builder that Mr. Melanson's greatness sprang. Everyone who travels from Digby to Yarmouth is familiar with the graceful lines of the lovely St. Mary's Church at Church Point. This beautiful structure, the largest wooden church in Canada, with its spire towering 190 feet towards heaven, was built in 1905 by Mr. Melanson and its lovely symmetry of architecture is a tribute to the care and love which its builder lavished upon the construction of this splendid edifice.

Not only did Mr. Melanson build the beautiful St. Mary's Church at Church Point, but he also constructed many others along the French Shore. Also at Church Point there stands another memorial to this famed builder, the College of St. Anne. This seat of learning, which has been attended by men who have attained prominence in every field of human endeavour, was built by Mr. Melanson. Also a wooden structure, it stands five stories high, near St. Mary's.

Yes, Leo P. Melanson is dead, his hand will no longer fashion upon this earth rough hewn timbers into smooth, finished woodwork. Behind him, though, he has left structures which, to those who live or visit in the district in which he worked, will remain a constant reminder of the faith and ability of this man. Truly he builded a house unto the Lord, the name of whose builder will long remain.

Rain Brings Welcome Relief

Intermittent rains throughout the past two weeks have brought welcome relief to the farmers of the Digby Area, many of whom were suffering severely from the continued drought.

Many of the county's farmers have been forced to carry water from brooks, some of which are miles distant from their farms, in order to provide water for their stock and for human consumption. Wells on many of the farms have been dry for months and fears have been expressed that rain would not come before heavy freezing weather had sealed up the ground, preventing the filling of wells.

Despite the fact that November is rapidly drawing to a close, little cold weather has been experienced in the district. Some snow fell last week, but melted almost as soon as it touched the ground. Already the opinion is being expressed we will have a green Christmas this year. With the development of atomic energy and jet propulsion, this is not expected to affect the annual visit of Santa Claus, however.

What You Should Know about TRAVEL RATIONING

Why?

Canada's supply of U.S. dollars will no longer stretch far enough to permit all the purchases of goods and services or all the travel in the United States that has taken place in the past. It is, therefore, necessary to reduce our expenditures of U.S. dollars in many different ways. As one of these steps, the Government has decided that the use of U.S. dollars for pleasure travel spending must be reduced. To ensure this reduction in a way that is fair to all, an annual "travel ration" has been established. As in the past — a Form H permit is required by anyone taking out of Canada more than \$10 U.S. or more than a total of \$25 in Canadian and foreign currencies.

Pleasure Travel

Regulations now provide that the maximum amount of U.S. dollars which any Canadian resident may obtain for pleasure travel purposes is \$150 per year. In the case of children of eleven years and under, the amount is \$100. There is no restriction on the number of trips as long as this annual allotment is not exceeded. Any U.S. dollars obtained for one trip and not used on that trip must be brought back to Canada and exchanged for Canadian dollars at a bank immediately on return. No credit for these funds can be allowed against the annual ration for subsequent trips.

Personal Purchases of U.S. Goods

A Canadian tourist should remember that the new restrictions applying to imports from the United States govern his personal purchases there. He may not bring back any merchandise which has now been prohibited or which may now only be imported on a quota basis. The list of goods covered by the new import restrictions is an extensive one. Tourists contemplating any particular purchase in the United States would be wise, before leaving the country, to ask Canadian Customs Officials if this purchase will be admitted.

CONNELLS, Digby

Gerry Goodwin of the staff of the Bank of Nova Scotia was the speaker at Monday night's meeting of the Y's Men's Club. Mr. Goodwin spoke on his hobby, amateur photography and gave a most interesting address.

He traced the development of photography from its early beginnings until the present and described in detail the process and equipment used by the amateur in taking pictures, developing and finishing them. He also explained the chemical processes by which photography and the developing of films are possible.

Following Mr. Goodwin's address, a business discussion was held concerning the forthcoming New Year's Eve dance to be sponsored jointly by Y's Men and the Kiwanis Club. Fred Cookson stated several meetings of the committee had been held and if present plans materialized this dance would be the biggest ever held in Digby with floor show and other new innovations.

It is not known whether the eligible bachelors present will have to undergo all the hard-

(Continued from Page One)
which has not yet been completed, was passed by the meeting. The resolution urged completion of the missing six miles of road between Victoria Beach and Deerpark's Cove and the proper marking of the Fundy Trail between Blomidon and Victoria Beach. Middleton Board of Trade introduced a resolution which the annual meeting of the A.V.A.B.T. had previously passed. It was felt this resolution, which calls upon the Trans-Canada Airlines to make Greenwood a port of call for at least three days each week during the tourist season, June 1 to September 15, should be again dealt with and brought to the attention of T.C.A. G. L. Andrews of Middleton stated conditions at Greenwood were now much more favorable to the establishment of the service since the R.C.A.F. had a unit stationed there and T.C.A. also had two operators there.

A resolution of sympathy was passed by the meeting and extended to Arthur T. Smith, General Freight and Passenger Agent of the D.A.R., who is seriously ill in hospital at Halifax. It was decided to write the proper government authorities regarding the need for establishment of a permanent Coast Guard Service which was urged by the Board at their annual meeting. It was stated it was felt this matter was receiving attention by the government and the secretary was asked to write for information as to what had been done.

The Middleton Board of Trade introduced a resolution calling upon the Canadian Pacific Railway to provide more adequate transportation facilities between Saint John and Digby, particularly during the tourist season. It was stated congestion at this entry point was seriously affecting the tourist trade, and it was felt a further steamer should be added to handle the traffic, particularly during the summer months.

George E. Graham of Kentville, representing the Canadian Forestry Association, addressed the meeting briefly and urged action by Boards of Trade to see that more care was exercised in the operation of farm woodlots. He said the matter of reforestation was a most important one in Nova Scotia if our forest heritage is to be preserved.

John Mosher of Kentville was elected Secretary of the A.V.A.B.T. for the balance of the year, replacing L. J. Johnston who had been forced to give up the position. Vocal solos were presented by Miss Frances Phillips, accompanied by her sister, Mrs. Claude Hodgson.

Opens Men's Wear Store In Digby

Samuel Webber, Jr., formerly of Halifax, and now residing in Smith's Cove, will open a men's wear store in Digby on December 1st in the building formerly occupied by Mount's Electric.

Mr. Webber has completely renovated the building both inside and out. A modern system of fluorescent lighting has been installed in the store as well as modernistic display racks, counters and shelves.

The outside of the building has been greatly altered and a modernistic front installed. This front, made of Arborite in a two tone effect in brown and white with the lettering, "Sam's Clothing Store", across the facade, is a great addition to the business district of Digby.

The new men's wear store will carry a complete line of men's furnishings to suit every taste and pocket. Mr. Webber, who has had twenty-five years merchandizing experience in the city of Halifax, has just returned from a buying trip and says his stock will be complete in all price ranges.

Although at present residing in Smith's Cove, Mr. Webber intends to purchase a home in Digby in the near future. He is already well known socially and fraternally in the town, being a member of Halifax lodges of both Freemasons and Oddfellows. The Courier joins with the people of Digby in welcoming Mr. Webber to the business life of the town, and wishes him every success.

At the mink show at Lawrence-town, held under the auspices of the Nova Scotia Mink Breeders' Association, the Acadia Fur Farms, Clementsport, were winners of the Champion Black Cross, Standard Class.

Deer Pioneer's Son President

The annual meeting of the Yarmouth County Fish and Game Protective Association was held at Rotary Hall, Yarmouth, last Wednesday evening, with a record attendance of members present.

Reports showed a year of outstanding interest and activity with a fairly substantial financial balance in the treasury.

Various matters of concern to

the association were very fully discussed and resolutions asking the government to make the following game laws changes were endorsed by the meeting.

That there be an open season on moose during the first 10 days of October, the kill to be limited to one bull moose.

That the open season on deer be changed to be and including the full month of November, and that the kill be limited to one buck with horns.

That the season for geese and ducks be from Oct. 15 to Jan. 1,

and that the open season on both partridge and woodcock be from Oct. 11 to Nov. 11, instead of as at present.

A membership fee of \$1 per year was decided upon, the new fee to come into effect at the end of 1948.

Harry R. Daley was elected president, with Wynn Cann as vice-president, and Ivan Snow, secretary-treasurer.

It is interesting to note that the new president is a son of the man who, in 1894, brought the first deer into the province.

Week end visitors of Mr. and Mrs. Beckwith's sister, Mrs. Ros. Mrs. Kenneth Beckwith were coe Elliott, and daughter, Laura.

Like Digby

To the Editor of the Courier:

We want to thank you for your kind welcome back to Digby of daughter, Catherine, and myself, after an absence of forty-four years, as appeared in your November 13th issue of the Courier.

During my long experience in the newspaper business, I found the Editors always endeavoured to express the wishes of the people of town and county. I trust that it is true in our case. We always had a warm spot in our hearts for Canada, especially Digby and Weymouth, and its people, and hope that the citizens who may be in our vicinity — Queen Street, South — will come in and see us. You are welcome.

In a previous issue of the Courier, you referred to me as "Devil." I accept the title as at that time, but since have been promoted to Satan and beyond. Be that as it may seem, it compares very favorably with the following explanation.

Satan — the Editor — sitting comfortably in his chair, receives and welcomes Eve in the person of a beautiful farmer's wife or daughter, with a half dozen large red apples. Not having enough apples to divide with the staff (the Devil and his angels) causes dissension. Then the Devil steps in and broadcasts it to all the Angels — the public — consequently the staff becomes sinful.

Not being satisfied with the harm already caused, he receives from both Eve and Adam moose and deer meat, plum pudding, and only recently strawberries

and cream, and flowers for decorations.

These are the temptations the Printers Devil and his Angels have had since the beginning of the "Fourth Estate."

In closing I will mention a reference to Noah's Ark and his children. I had occasion to make a phone call from Cambridge, Mass., to Boston. I entered a large tenement block, met the superintendent, who was a very large handsome Negro. I asked him if I might use his phone to make a call. He was very agreeable, called the number I needed and said it was a pleasure. Before leaving I asked him for his phone number and a pencil that I might enter it in my book. He replied, "My dear man, you do not need any pencil or book to remember this phone number. I will explain it to you." His number was Com. 8333. He asked me if I ever heard of "the story of Noah's Ark in the Bible." I assured him that I had read it many times. He said, "now listen to me, Mister. Noah had eight children. He believed in the Trinity — Father, Son and Holy Ghost — three in one. So there you have the number Com. 8333. Remember had eight children, representing number 8; The Trinity — three in one — representing 333 — making the number 8333. You will never forget that number, Mister, and I never have."

Walt Harris, Typographer, Artist, Dies

Walt Harris, one of the country's foremost illustrators, book designers and typographers, and formerly art director of "The Youth's Companion," died Oct. 4 in West Medford, Mass. He had lived there many years.

Born in Bear River, he was educated in Somerville schools. He designed and illustrated books for Ginn and Co., as well as other leading publishers, and planned and illustrated many anniversary books, business histories, and catalogues for New England corporations and printers. Many of his sample books for paper manufacturers are now collectors' items.

Mr. Harris also was a craftsman in wood and metal and an authority on horticulture. Some time ago he gave Dartmouth College his valuable collections of rare typographic specimens. He was a pioneer member of the Society of Printers in Boston.

Besides his wife, he leaves his mother, Mrs. Mary Harris of Malden; a sister, Mrs. Gladys Battis of West Medford, and a brother, Clarence Harris, now in South America. Funeral services were private with burial in Woodlawn Cemetery, Everett.

Fred Deveau of Kentville arrived Sunday to spend several days with his family here. Mr. Deveau has sold his property here, and will be moving his family to Kentville in the very near future.

Mrs. Charles Burke, who had been quite ill, is now capable of getting around once more, improved in health.

Miss Rose Belliveau, who had spent several months visiting her brother, John Belliveau of Halifax, returned last week and is now residing at the old home-
stead.

Miss Nettie Belliveau has gone

There is deep regret in both East Ferry and Tiverton because of the death of Ruby, wife of Arthur Harris of East Ferry, which took place at Digby General Hospital, where she had gone less than a week previous. She had been in ill health for a number of years, and much of her work has been carried on amid pain and suffering, yet she did not complain because of a good disposition and beautiful character.

Ruby was a daughter of the late Capt. and Mrs. Merrill Outhouse. She was born at Tiverton, where she lived until her marriage after which she lived at East Ferry. On Tuesday morning, Nov. 18, she entered into her well earned rest at the age of 46 years. To those who knew and loved her best, will the greatness of their loss be felt.

Sincere sympathy goes out to the husband and family, who are left without wife and mother.

She was a member of the Christian Church at Tiverton. Surviving are her husband, two sons, Merrill and Curtis; one

to Weymouth to spend several weeks with her sister Mrs. Edward Gaudet.

small daughter, Ella, all at home and two sisters, Mrs. Floyd Denton (Zelma), Westport and Mrs. Kendrick Outhouse (Freda), Tiverton; three brothers, Eugene, Emmerson and Lindsay Outhouse of Tiverton.

The funeral took place in the little church on the hill, East Ferry, on Thursday, and was largely attended. The service was conducted by Rev. J. W. Derby, assisted by Rev. W. L. Outhouse. Hymns were "Jesus, Lover of My Soul," "God Will Take Care of You," and "In the Sweet Bye and Bye." Blair Leeman rendered a solo, "The Last Mile of the Way." Floral tributes were very beautiful. Interment was in Forest Hill Cemetery, East Ferry. And so, like the close of a beautiful day, passeth one whose life was an impression of loyalty to her family and those about her.

Weymouth Red Cross Branch has specialized to date in Women's work, but now that European countries are beginning to get on their feet, it is felt, if the Red Cross Society is to carry on effectively, the aim of this branch will need to be along the lines of sick room service and nutrition in our community. The changeover to these activities will need study and thought with the help of every member. We are assured that by carrying on this program, the lives of our people will be completely changed.

Mr. C. L. Illsley, B.A., Commissioner for the Nova Scotia Division of the Red Cross Society, accompanied by Miss Marjorie Belle, B.Sc., M.B.E., Director of Home Services and Nutrition for the Red Cross, met with the Weymouth Branch on Tuesday evening, giving talks on peacetime activities for the Red Cross workers. Mr. Illsley brought before the meeting such activities as swimming and water safety programs, sick room service and public health. Miss Belle spoke on Home Service, stressing the Nutrition Program for pre-school children and mothers to be.

Annapolis Presbytery In Session

The regular meeting of the Annapolis Presbytery of the United Church of Canada was held in Gordon Providence United Church, Bridgetown, Nov. 18, with morning and afternoon sessions. Dr. E. M. Baird, of Annapolis Royal was chairman and Rev. W. C. Picketts of Bridgetown, secretary.

The morning session was given over to a study of the Twelfth General Council's Report of the Commission on Christian Marriage and the Christian Home. From this study presented by Rev. D. C. Matheson, J. A. Jardine and T. M. Cumming, it was found that the Christian standard of the Home and Marriage was threatened at many points but a major cause was the corrosive action of a purely secular view of life. The committee in charge of the study recommended to Presbytery that (a) ministers prepare and deliver a series of sermons to their congregations on the Christian view of Marriage and the Home. (b) that Parent Education study groups be organized. (c) that ministers prepare themselves more adequately for pre-marital counseling.

In the afternoon session Dr. A. E. Armstrong of the Board of Overseas Missions addressed the Presbytery. A long and trusted servant of the Church with a wide experience, Dr. Armstrong spoke with deep conviction and feeling. He saw all church work—Home Missions, Social Service, Overseas Missions, etc., as one task. It is the task of evangelism. The wider our Christian interest the more interest there will be in the home church. Democracy will not work unless it is undergirded with Christianity. The forward movement slogan of years ago—"The Evangelization of the world in this generation" needs to be revived.

The call from the Donkin-Morien Pastoral Charge issued in favor of Rev. Alfred Thorpe of Weymouth, was approved and ordered forwarded to the Settlement Committee. The Presbytery expressed its sincere regret at the departure of Rev. Thorpe from its fellowship.

Reports were given by the convenors of the following committees: Christian Education, the

Pension Fund, Church Property, Education and Students, Home Missions and Evangelism, and Social Service.

Rev. W. C. Picketts of the Home Missions Committee announced that Mr. Edwards has been appointed by the Settlement Committee of Conference as Presbytery Supply for Digby Neck-Weymouth Pastoral Charge and Dr. Hodgson of Digby was named as Interim Moderator of the Pastoral Charge.

Rev. A. D. MacKinnon reported for Evangelism and Social Service. It was unanimously agreed that the Annapolis Presbytery petition the government of Nova Scotia to enact legislation for pre-marital health examinations of both contracting parties of an intended marriage.

The appeal for aid to European and Asiatic countries was presented and discussed, and it was recommended that congregations and Pastoral Charges ship boxes of food and clothing to the needy.

Mrs. Moody Mullen, New Tusket, was a week end visitor with Rev. and Mrs. E. C. Churchill at the Baptist Parsonage, Digby.

Baptist Brotherhood Promoting Church Work

At the monthly meeting of the Baptist Brotherhood held in the Digby Baptist Church on Nov. 18, plans were discussed to assist the pastor and the church in ministering to a greater number of people of the Parish, and doing more effectively the work which is demanding attention.

About thirty-five men sat down to enjoy a delicious scall-op chowder served under the direction of the committee composed of Guy Morehouse Sr., George Donnelly, and Owen Irving. After the supper, a hearty Sacred Song Service was enjoyed. The program for the evening was a forum, led by E. Scott Eaton, on "Ways and Means by which the Brotherhood could assist the pastor in his work." Various plans were discussed for ministering more effectively to the outlying districts of the Parish. The possibilities of establishing churches in these districts, or by means of a bus, transporting the people to the Town Church, or providing an Assistant or Deaconess for the church. The latter suggestion was regarded as one of the projects which the Church would soon have to consider. The members of the brotherhood participating in the forum included H. M. Warne, who spoke on the project of transportation for

children from distances to and from Church and Sunday School; Gordon Turnbull who spoke of the need of a visiting committee from the brotherhood to contact new Baptist people of the town, and also to visit the sick gentlemen in their homes and in the hospital; Mr. Eaton, who spoke of the need for more efficient ushering in the Church, and the need of securing a duplicating machine in order to print the Order of Services, and Pastoral letters to be sent out at various periods.

A committee composed of Gordon Turnbull, Bill Smith, G. H. Peters and Guy Morehouse, Sr., was appointed to visit the hospital and the County Home during the next month. This was felt to be a needed service the brotherhood should render since so many of the men in the County Home are affiliated with the Baptist Churches of the County. Considerations for the purchase of a projection lantern, or a moving picture machine for use in the Sunday School and the Church, which have been going on for some time in the brotherhood were left for more detail proposals. The Executive at the next meeting will recommend the type of machine thought to be most satisfactory.

The next meeting of the brotherhood will be a Business Meeting in the Ladies' Parlor held after the Church Supper on Dec. 11. The president of the group is Dr. E. H. Anderson, and the secretary is Jack Nichols, while the chairman of the Executive Committee is J. J. Brittain.

Mrs. Frank E. Smith, who has spent the past six months here, left by car on Monday for New York City. She was accompanied by Mrs. Ford Urquhart, Annapolis Royal, who will visit relatives in Wollaston and Springfield, Mass. They expect to return before the Christmas holidays, so Mrs. Smith can be with her mother, Mrs. Aubrey W.

Landers, who is still very ill at the home of her daughter, Mrs. W. I. McKenna, Sydney Street.

Mr. and Mrs. George Turnbull and Mr. and Mrs. Fred Turnbull were motor visitors to Halifax on Friday, remaining in the city for a few days.

Will Support Two Missionaries

The United Baptist Church at Bear River, with Rev. G. D. Brydon, pastor, has decided as part of its Missionary Work, to support two missionaries in Africa. This is the outcome of the splendid services held in this church some time ago when Mr. Germain and Mr. Titcomb, representing the Sudan Interior Mission were guest speakers.

During the past week Miss Jean Edler, Olds, Alta., and Miss Lily Erikson, Harvey, B. C., the two missionaries sent, have been in Bear River speaking at the Sunday and mid-week services, and getting acquainted with the church and people who will support them. Miss Edler is leaving immediately to take up her

work in Nigeria, Africa, and Miss Erikson will leave in the near future. These missionaries will receive full support, including maintenance and transportation from this church. During the recent campaign, \$4000.00 was raised for this special branch of the Missionary work.

On Tuesday evening the members of the Ladies' Circle entertained the missionaries, and at this meeting they received their first Surprise Missionary Barrel. On Wednesday evening after the prayer and praise service an informal reception was given Miss Edler and Miss Erikson. After a social time together, Mr. Brydon on behalf of the church, presented each Missionary with a purse of money and the wishes from both pastor and people that God's richest blessing might be with them as they go to take up their work in Africa.

Picks Lovely Cauliflower
Arthur Sullis of Smith's Cove hasn't picked any daisies, buttercups or mayflowers lately, but he did pick, on November 29, two lovely heads of cauliflower from his garden.
Despite the cold spell and the snow, Mr. Sullis says the cauliflowers were delicious when he had them for dinner on Sunday. He says they were just as white and firm as any picked during the normal season.

Celebrate Golden Wedding

Mr. and Mrs. Rudolphe Comeau, Meteghan River, celebrated their fiftieth wedding anniversary on Tuesday, Nov. 25, and a banquet in their honor was prepared at their home with the family and one hundred and fifty guests present. Rt. Rev. Mr. J. E. Bourneuf, pastor, was present, also Hon. J. W. Comeau, M.L.A., who both addressed words of congratulations and wishes for longer years.
Mr. R. Comeau was for a number of years Warden of the Municipality of Clare, and is still councillor for Meteghan River. A few years ago Mr. Comeau was honored with the office of Sergeant-at-Arms in the Provincial Legislature, which was also a great honor for the Acadian people.
Mr. and Mrs. Comeau were the recipients of many valuable gifts with a sum of money from relatives and friends, also several letters and cards of congratulations.

Captain Henshaw Celebrates 91st Birthday

Captain Rolland Henshaw of Smith's Cove celebrated his 91st birthday on Dec. 3.
Captain Henshaw, as one of the residents of Smith's Cove aptly put it, "is very much alive." He is most active and is out around his home every day. He helps with the daily chores and does much of his own wood and kindling.
A son of the late Mr. and Mrs. James Henshaw, Captain Henshaw was born in Clements West. He spent his boyhood in the village, going to sea in 1876. He received his captain's papers in 1884 and followed the sea for thirty-five years.
Captain Henshaw enjoys spinning tales of his experiences at sea in the days of wooden ships and iron men, and many are the thrilling tales which he can tell. In his proud boast that in all his years at sea in command of vessels, he never lost a ship, truly a remarkable record in the hazardous days of sail.
In 1898 Captain Henshaw married Edith Letteney of Clements East. They had two sons, Howard, who lives in Freeport, Me., and Elmer in Smith's Cove, with whom Captain Henshaw makes his home. He has four grandchildren and six great-grandchildren.

Claimed Farmers Forced to Slaughter Cattle

The regular monthly meeting of the Maple Leaf Agricultural Society was held in the new Agricultural building at Conway, this being the first meeting held there since the completion of the building—one of the largest attendance of members since the formation of the Society.

The feed grain question came in for considerable discussion, the farmers being very resentful of the fact that the grain exchange and milling companies were being allowed to make large profits while the farmers were expected to produce food at a

loss. They were alarmed also of the fact that many farmers in their efforts to reduce feed costs were slaughtering and sacrificing much of their valuable breeding stock, which will have a very adverse effect upon production of food products in the near future; also the fact that much unfinished meat products such as poultry, pork and beef were being crowded on the markets in the farmers' efforts to evade purchasing feed at its present unfair price. After much discussion, the following resolution was adopted and ordered sent to Hon.

J. L. Illsley, and Hon. Mr. Gordon, Federal Minister of Agriculture, at Ottawa.

"Whereas the price of feed grain has advanced to a place where it is unprofitable for a livestock farmer to produce food, therefore be it resolved that we the members of the Maple Leaf Agricultural Society here assembled, hereby petition the Federal Government to take immediate steps to rectify this unfair condition; that immediate action be taken to adjust the price of feed grain and livestock products that the farmers may

be guaranteed the cost of production plus a living wage;

"We urgently request the Government to act quickly in making this adjustment that valuable breeding stock that is needed in our present and future livestock program may not be ruthlessly slaughtered by the farmers in their efforts to reduce feed costs."

Rev. E. C. Churchill was present and gave a short address. Mr. Reynolds, representative of Colonial Fertilizer Co., Windsor, gave an outline of the fertilizer situation for 1948.

Board of Trade Names Nominating Committee

C. F. McBride, M. C. Denton and F. L. Anderson were named a Nominating Committee to bring in a new slate of officers for the Digby Board of Trade at the Annual Meeting in January. Election of the Nominating Committee was made at last Friday night's meeting of the Board of Trade. There will be no meeting of the Board during December.

A full discussion of the building of Digby's new rink was carried on at the meeting with reports from Board of Trade canvassers in the rink bond drive. Many questions concerning the financing, operation and construction of the new rink were dealt with and Board members expressed themselves as very pleased with the progress being made and plans for future development.

Mrs. M. H. Taylor Dies In Wolfville

Many friends throughout the province will regret to learn of the death of Mrs. Marion Holland Taylor, of Weymouth which occurred recently at The Birches, Wolfville. She was the widow of Rev. Robert Holland Taylor, D.D., noted English divinity scholar.

Well known throughout the province, Mrs. Taylor was a daughter of the late Colin Campbell, M.P., of Weymouth.

She is survived by one son, Rear Admiral C. R. H. Taylor, Commanding Officer Atlantic Coast, and three grandchildren. She was predeceased by one daughter, Dorothy Cunynghame, and one grandson, Wilfred, of the Royal Air Force, who was lost over Germany in 1941.

The funeral services were held Friday at St. Peter's Church, Weymouth North. Interment was made at St. Peter's Church Cemetery.

Encouraging Progress

Several collectors have turned in their accounts for the 1947 Christmas Seal Sale. These certainly have been encouraging. Reports from others who have been making the rounds and are still not quite finished because of second and third calls, are also good, but the campaign convenors were not in a position to compare them with former years until the actual figures came in. Still others have been prevented by illness or other reasons from canvassing to date but are intending to do so within the next day or two.

The Tuberculosis Prevention and Control Program benefits every man, woman and child in Digby. Every man, woman and child, then, should have a part in supporting it. One way to support it is to buy just as many Seals as you can when the collectors arrive at your door.

Estonian Lumber Boat Loads Here

The Estonian ship, Flamenco, arrived in Digby Tuesday night from Weymouth to complete the loading of a lumber cargo for England. Lumber being loaded here is for the McKen Lumber Company.

The Flamenco, which is owned by Estonian shipping interests, is registered in Panama. Her officers and crew are all Estonians. Included in the crew are three women, two stewardesses and the cook. She took on an under the hatches load at Weymouth, and will complete her deck load here.

Ross Byrne, K.C., of Liverpool Crown Prosecutor of Shelburne and Queens Counties, passed through Digby on Saturday, taking passage on the Princess Helene for Saint John, en route to Montreal on business.

Town Finalizes Purchase New Fire Pumper

A letter was read at Monday night's meeting of the Town Council from the Township of York stating they would accept Digby's offer of \$1000 for their fire pumper, delivery to be made on arrival of a new pumper for York. The Town Clerk was instructed to write York Township regarding shipping instructions.

Traffic Authority F. J. Thibault reported to the Council that action was planned to take care of parking on the main thoroughfares of the town during the winter months. He stated that overnight parking on these streets during the winter hampered the work of the snow plow and made it very difficult to keep the streets cleared following storms.

The Water Committee reported that every effort was being made to clear up the contamination in the town's water supply. It is planned to drain the reservoir on Sydney Street and thoroughly clean it. While the reservoir is empty a clean out pipe will be installed so that the reservoir may be more easily emptied for periodic cleaning.

H. M. Warne appeared before the Council regarding an adjustment of rates on electric power used by the H. T. Warne Ltd. firm. The Electric Light Committee reported they had discussed this matter and regulations of the Board of Public Utilities would not permit the revision asked for, so it was decided to take no action on the matter.

Letters were read from the Board of Transport Commissioners stating the Department of Highways was unwilling to bear a share of the cost of installation of signal device on the Water Street railway crossing and, unless the town were willing to bear the full share of this with the railway, the installation will have to be delayed. It was decided to write the Deputy Minister of Highways with regard to this since a representative of that department had been present when the installation and costs were discussed.

Permission was granted the Police Officers of the town to carry revolvers while on duty. This was in line with action recently taken by other police authorities.

W. M. S. Officers Elected

The Christmas program at the W. M. S. of the Grace United Church held at the Church Hall on Tuesday took the form of a Candle-Lighting Ceremony, and was in charge of Mrs. Oakley Turnbull. Christmas hymns were used throughout the service, the solo parts being taken by Mrs. Gordon Ellis, and Mrs. Ellis and Mrs. Turnbull rendered a duet.

Mrs. C. E. Carty, Community Friendship Convenor, reported at the business session that 90 calls were made by the members in November.

SURPRISE BIRTHDAY PARTY

A real old-fashioned Surprise Party was given Mr. William E. Ellis at his home, the evening of his birthday, Nov. 25. About 14 of his friends and neighbors arrived about 8 p.m., making their presence known by singing "Happy Birthday To You." A very enjoyable evening was spent in conversation and games, after which an excellent lunch was served.

Mr. Ellis was the recipient of many gifts testifying to the esteem in which he is held. One gift was a beautifully decorated cake coming from Saint John. He received several boxes of candy, two coming from friends in the United States. At a late hour the party broke up, wishing him many happy returns as they departed.

Mr. Ellis has now fully recovered from his surprise and wishes to thank all his friends for the good time they gave him.

Lobster Season Opened Monday

Western Nova Scotia's million dollar lobstering industry got off to a start on Monday, Dec. 1. The opening of the lobster season was signalled by a sharp change in the weather with temperatures that went well below the freezing point, accompanied by high winds, hail and snow.

At all the lobster fishing ports in Digby County, up and down the coast line of Digby Neck and along the shores of St. Mary's Bay, lobster fishermen have been feverishly preparing for the opening of the season for the past few months. Boats have been given a thorough overhauling and their engines put in A-1 shape; hundreds of traps have been repaired and other hundreds constructed; marking buoys have been given a new coat of paint in the distinctive colours of their owners. Thousands of yards of rope have been purchased to fit up the trap lines and the fishermen have been busy weaving the net openings for the traps in which the tasty crustaceans are captured.

As the opening hour of the season approached, nearly all of the wharves of Digby County were piled high with the lobster traps and other lobster fishing gear as the fishermen waited somewhat impatiently for the season to open.

COMPLETE REPAIRS TO BREAKWATER

Repairs have been completed to the Little River breakwater. Repairs have also been completed at White's Cove and Tommy's Beach.

Fishermen of this district reported light catches during the trawl fishing season, and are preparing for the lobster season.

Correction:

In our last issue of the Courier we spoke of Medley D. Holdsworth, President of the Canadian Club of Lynn, Mass., being born in Digby, and the son of the late Samuel Holdsworth. It should have read "son of the late Lemuel Holdsworth."

HOLD BIRTHDAY PARTY FOR TWO-YEAR-OLD

On Monday, little Diana Louise Mason, daughter of Mr. and Mrs. William Mason, celebrated her second birthday. Her birthday falls on the same day as that of her father.

In honour of the occasion, a birthday party was held for the little girl, attended by eight of her young friends. After an afternoon spent in games, a lunch of cake and ice cream was enjoyed, and each little visitor went home with a gaily decorated basket of candies. Little Diana received many lovely gifts from family and friends.

Karry On Club will meet with Sadie Wormell Friday evening.

Teen-Age Exhibitor Carries Off Top Honors At Fox Show

Anne Marie Comeau, teen-aged Little Brook Station exhibitor, stole the spotlight as the 13th annual Provincial Fox Show came to a successful conclusion at Little Brook. Miss Comeau's sensational showing in the standard white marked foxes and the platynums gave her a total of seven championships including the Grand Champion and Reserve Grand Champion in the platynums and Reserve Grand Champion in the standard white marks.

H. H. Morse, Bridgetown, carried off honors in four championships awards in those two competitions while S. U. Messenger also of Bridgetown, was tops in three.

Mr. Morse also had the Reserve Grand Champion in the elder blues, an event which saw

Anne Marie Comeau won high praise from Judge C. Johnstone for her best matched pair. Mullen Brothers of Weymouth who made a good showing yesterday, took first ribbons in the pearly-tins, and the freak fox competition.

Last Thursday the annual show banquet was held at the Riverside Inn, Meteghan River, where over 100 persons were present. Raymond LeBlanc, president of the Clare Fox Club was chairman. He introduced Hon. J. Willie Comeau, Minister without Portfolio in the N. S. Government, one of the pioneers of the fox industry in Nova Scotia, who welcomed the guests

and briefly reviewed the industry. Judge Cecil Johnstone of Montreal spoke of the value of high quality and various other matters pertinent to the fur trade.

He commented on the better quality fur shown this year as compared to last.

Others who addressed the gathering briefly were C. E. Edward, Middleton, promoter of adult Education; S. U. Messenger, president of the Nova Scotia Breeders Association; and Cyril Sherwood of Norton, N. B.

About This and That

One of the weekly newspapers in a more central part
of Nova Scotia seems rather skeptical regarding the benefits
that will accrue to the tourist industry of the province from
the proposed development at Cornwallis. Because of the fact
that Mr. Butlin provides for his patrons a "completely man-
aged holiday" this paper feels those others in the province
engaged in the tourist industry will not share in the busi-
ness. The paper goes so far as to say the new development
will probably mean more tourists will leave less money in the
province and comments that the profits of the enterprise will
not remain here.

While this paper's editorial may be based upon sound
reasoning, it does seem to us that a development of the scope
and magnitude which we have been led to believe Mr. Butlin
will establish at Cornwallis must have a tremendous benefi-
cial effect, not only on the area adjacent to the development,
but on the province as a whole, and particularly on every
phase of the tourist industry.

The argument that, because the Butlin system pro-
vides a "managed holiday", other tourist enterprises will not
benefit from the new development, seems to us a false one.
Large numbers of tourists entering this province, no matter
how expertly they are managed, are bound to mean thous-
ands of dollars not only to the organization which "manages"
them, but to other organizations as well. These people will
want souvenirs of their trip, examples of handcraft of the
province which they visit. While here they must be fed, if
it is in the hunting or fishing season they must be guided
and provisioned and perhaps properly clothed.

Although it is possible the profits of the Butlin devel-
opment will not remain here, thousands of dollars will be
spent locally in order to operate the tourist centre. The
effect on employment alone will be considerable, as well as
the effect on market for farm produce, etc.

No, despite the qualms of the editor of our fellow
weekly, we sincerely hope that negotiations presently under

way with regard to Cornwallis and its possible sale to W. E.
Butlin, leader in the British tourist industry, are successful,
and we look forward to the time when we can personally
welcome Mr. Butlin and his organization to this district.

Bank of Nova Scotia

An increase of more than
\$85,000,000 in loans, the largest
of any year in the Bank's history
features the 116th annual state-
ment of The Bank of Nova Sco-
tia, released recently. Deposits
and total assets are also shown
at new high levels in the state-
ment which covers the fiscal
year ended October 31, 1947.

Net profits for the year after
Dominion and Provincial Govern-
ment taxes of \$2,095,000 and de-
preciation of \$399,433 were \$1,-
992,277. This compares with \$1,-
588,455 in 1946. After dividends
of \$1,440,000 and provision for
extra distribution of \$240,000 as
compared with dividends of \$1,-
380,000 last year, \$312,277 was
carried forward to profit and
loss account.

The statement shows total as-
sets at an all-time high of \$714,-
444,000, as compared with \$696,-
175,000 a year ago. Liquid po-
sition continues strong. Cash,
clearings and balances due from
other banks of \$125,565,000 re-
present 18.58% of total liabilities
to the public. Quick assets a-
mount to \$434,697,607 and repre-
sent 64.32% of liabilities to the
public.

Total loans at the year end
were \$257,862,842 as against
\$172,234,605 in 1946. The greater
part of the increase was in cur-
rent loans which, at \$226,664,994
were up more than \$70,000,000,
while call loans advanced to
\$19,325,019 from \$13,666,256 a
year ago. Loans to provincial
governments amounted to \$8,-
948,649 as compared with \$1,569,-
387, and loans to municipalities
and school districts \$2,865,559 as
compared with \$1,283,092.

Reflecting lessened need for
short term financing by the Do-
minion Government, and also as
a result of employment of a lar-
ger amount of the Bank's funds
in loans, investment holdings
were reduced by \$70,750,000 to
\$289,789,297 during the year. Do-
minion Government securities
are \$221,156,225 as compared
with \$283,138,771 in 1946. Secu-
rities of provincial governments,
however, are slightly higher
than a year ago at \$24,497,613.
Municipal securities are shown
at \$7,772,165; public securities
other than Canadian at \$13,776,-
333; and other bonds, debentures
and stocks at \$22,586,958. All
securities are carried at mar-
kets not exceeding market val-
ue.

Total deposits at \$640,683,536
are \$23,119,000 greater than at

OBITUARY

Mrs. W. P. Morrell

The death of Mrs. W. P. Mor-
rell occurred on Sunday morning
Nov. 23, at 2 o'clock, at her home
in Freeport, after an illness of
several months. She was 74
years of age.

She was a faithful member of
the Baptist Church, and also a
valued member of the W. M. A.
S. of which she will be greatly
missed.

Besides her sorrowing husband
she leaves eight children to
mourn the loss of a loving mo-
ther: Mrs. Leonard Haines (Chri-
selda); Mrs. V. S. Hoyt (Doro-
thy); New Glasgow; Mrs. George
Kirk (Maude) St. Stephen; Mrs.
S. W. Hewitt (Clara), Boston;
Mrs. Thomas Daly (Connie) of
Quincy, Mass.; Mrs. Murray Pe-
ters (Geraldine), Westport; Ger-
ald of New York and Theodore
of Freeport; ten grandchildren,
and a wide circle of friends who
will regret to learn of her pass-
ing.

The funeral was held from the
home on Tuesday afternoon con-
ducted by Rev. F. Hinnett, as-
sisted by Rev. T. W. Howard of
Westport. A quartette of mem-
bers of the Freeport choir sang
"Sweet Peace The Gift of God's
Love," a favorite hymn of the
deceased. All the family arrived
home before their mother passed
away. Floral tributes were
many and very beautiful. Earle
and Sypher Morrell of Digby,
and Mrs. Jesse Peters and Dal-
ton Peters of Westport attended
the funeral.

CAN YOU DO THIS?

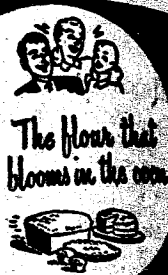

Place a small piece of cork in-
to a wide-necked bottle, and then
to blow it right in seems a de-
lightfully easy accomplishment.
But just try and see if you can
do it. You will find that all you
can do it to blow it right out of
the bottle again, and very likely
into your own face, and the har-
der you blow, the less likely you
are to accomplish the feat.

Apt of Saint John, sister of the groom, who was dressed in heaven blue crepe with black accessories. Lawrence Ellis, brother of the bride, was best man.

Immediately after the ceremony, the bridal party motored to Port Wade, where a reception was held at the home of the bride's parents, Mr. and Mrs. Loran Ellis.

The rooms were tastefully decorated with pink and white streamers. The bride's table looked most attractive, covered with a lace cloth, and centered with a beautifully decorated wedding cake, which was made by the bride's aunt, Mrs. Almeda Casey, of Victoria Beach, and was flanked by tall white tapers in crystal holders. After the bride and groom had jointly placed the knife in the cake, the cutting was completed by Mrs. Gordon Snow. Others assisting in serving were Mrs. Joseph Anthony, Mrs. Arthur Hudson, Mrs. Kenneth Hudson and Miss Marion McWhinnie.

The bride and groom were the recipients of many lovely gifts, including money, pyrex china, and blankets.

The honeymoon will be spent in Saint John. The bride's travelling outfit was a pale blue dress with black top coat and black accessories. On their return they will reside in Port Wade where they recently purchased a home.

Among the out-of-town guests were Mr. and Mrs. Wilfred Hudson, Aylesford and Miss Margaret Apt, Saint John.

"New Look" For Refrigerators.

The "new look" for refrigerators, according to Hardware and Metal and Electrical Dealer involves cabinet trim and interior fittings (hydrator pans, freezer compartment doors, foot scuff, and finger plates, shelf guards) of Rigidized Metal. It's a stainless steel surface made up of hundreds of tiny facets which give the appearance of a woven texture. Kelvinator and Leonard home freezer units are using it and a new Frostair refrigerator put out in the U. S. has it.

MARRIAGE

Sollows - Crooks

Central Baptist Church at Halifax was the scene of a pretty wedding when Miss Ruby Joyce Crooks, daughter of Mr. and Mrs. J. R. Crooks, 151 Walnut St., Halifax, became the bride of George Carl Sollows, son of Mr. and Mrs. Charles Sollows of Tiverton, N. S.

Rev. A. R. W. Murray officiated at the ceremony. The guest organist was Maxwell Clark. The guest soloist was Miss Hemerald Arakelian, of Halifax, who sang, "I'll Walk Beside You."

The bride, given in marriage by her father, was beautifully attired in a floor length heavy brocade satin dress which was gracefully styled in form fitting lines. Her dainty white veil draped from her coronet of white carnations, falling in soft folds to the floor behind. She carried a bouquet of red roses and white carnations.

The bride was attended by her sister, Margaret, as bridesmaid, who wore a pale blue silk floor length dress and carried a bouquet of pink carnations. L. H. Small was best man.

The bride's mother was becomingly gowned in a dress of monastary blue crepe adorned with a corsage of white carnations. Her back felt hat was trimmed with a touch of blue to harmonize with her dress.

After the ceremony many guests attended the reception at the Lord Nelson Hotel.

The happy couple left for Digby, the bride wearing a blue garbaine suit. The groom served overseas for several years as a Flying Officer in the R.C.A.F., and is now employed as Inspector of Fisheries at Meteghan. The young couple will reside in Halifax.

In Memoriam

IN MEMORIAM — In loving memory of my dear mother, Carabell Hersey, who died at East Ferry on December 7, 1946. I cannot say, and I will not say That she is dead. She is just away!

With a cheery smile, and a wave of the hand,
She has wandered into an unknown land.

And left us dreaming how very fair
It needs must be, since she lingers there.

And you, O you, who the wildest yearn
For the old time step and the glad return,

Think of her faring on, as dear
In the love of There, as the love of Here;

Think of her still as the same, I say:
She is not dead, she is just away!

—Remembered by her son, Orville and brother, Albert, Gidney, Eliza Raymond and Marv Muise.

IN MEMORIAM—1947
December brings sad memories,
Of a loved one gone to rest;
But he will always be remembered.

By the ones that loved him best.

Thy willing hands will toil no more.

No one on earth we'll find like you.

Dr. Victor F. Connor returned after spending eight weeks on a trip across Canada (in Canada) by bus.

Tea, Coffee, and Longevity
Canadian Grocer has dug up a curious bit of information of special interest to tea and coffee drinkers. In the 18th century, the grocery business paper records, both beverages were regarded in Sweden as injurious to the health. The king of Sweden, endeavoring to determine the truth of this belief, set free two young condemned prisoners on the condition that one drink a lot of coffee and the other a lot of tea each day. The tea drinker lived to a ripe old age of 83 and the coffee drinker died just a couple of years earlier.

Will Chocolate Bars Cost More?
Prevailing high price levels of raw cocoa will inevitably force an increase in the price of chocolate bars, says Canadian Grocer, reporting current feelings in trade circles. Opening quotations for raw cocoa call for a laid down cost of 46 cents per pound. This is almost twice the 1946-1947 crop price, which ranged between 23½ and 31½ cents, and about eight times prewar levels.

ADULT EDUCATION
Community adult education classes have been organized in eight Negro communities in Halifax, Hants, Digby and Guysboro counties with the help of the government's adult education division. Nova Scotia's colored population includes between one-third and one-half of all Canadian Negroes. Classes are of the 3 R's variety at the outset with a long range objective of community development, economic progress and cultural development.

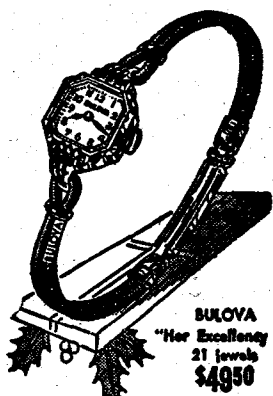

FIRST SNOWFALL
Nova Scotia got its first general snowfall of the season on November 30. Snow was light in the mainland section of the province, varying from ¼-inch at Yarmouth to 2 inches along the eastern shore. In Cape Bre-

ton the fall was heavier, St. Peter's, Richmond county, reporting 4 inches, Inverness 5 and Sydney 7 inches, according to snow removal engineers of the Department of Highways.

ATTACKS CENTRALIZATION
Premier Angus L. MacDonald, speaking to the Canadian Club of Toronto this week, urged changes in Canada's constitution, the British North America Act, to bring it into line with present day conditions. He said the act in its present form has a "bias" favoring increased centralization of government in the federal capital and a weakening of the powers of the provinces.

PROVINCE OF NOVA SCOTIA

NOTICE

FISH BUYERS and OPERATORS of FISH PLANTS and CANNERIES in NOVA SCOTIA will please take notice that the Nova Scotia Fisheries Act has been proclaimed effective the 1st day of January, 1948.

The Act contains the following provisions: (1) Every person who operates a fish plant (or a cannery in which fish are canned) will require a FISH PLANT LICENSE; (2) Every person who buys or collects fish from fishermen otherwise than for his personal use or for sale only by him at retail will require a PURCHASER'S LICENSE; (3) The annual license fee for each plant or buyer is Two Dollars (\$2.00) payable in advance; (4) The penalty for purchasing fish or operating a fish plant or cannery without a license is One Hundred Dollars (\$100.00 per diem).

The expression "fish plant" means any plant or cannery in which fish are prepared for food and includes cold storage plants which handle fish, fish reduction plants and fish liver oil plants, but does not include an establishment used only by a fisherman to prepare or cure only his own catches of fish or an establishment in which fish are sold only at retail.

The expression "fish" includes shellfish and crustaceans, also whales, seals and other marine animals.

A fish buyer who purchases fish only in the capacity of a salaried agent of a licensed fish plant operator will be issued a license without charge if the fish plant operator applies for a license for him. All other fish buyers, including independent buyers, commission buyers and buyers representing firms outside of Nova Scotia should apply directly to the address given below and will be required to pay the regular fee.

The holder of a Fish Plant License does not require a Purchaser's License to buy fish.

Forms of Application for licenses and copies of the Act and Regulations are available and should be written for at once.

OBITUARY

Agnes M. Morrell

Mrs. Agnes M. Morrell, of 701 East Broadway, Whittier, Calif., formerly of Westport, passed away Nov. 12, 1947. She is survived by her husband, Braddish

EVERYBODY'S BUSINESS

To get ahead in the world you need more than ability, personality and experience. You also need good health.

Nowadays the vital importance of the right diet for good health is being more widely recognized. Thus more and more people are eating less of the heavy starch and protein foods and more of the vitamin-rich raw and leafy vegetables, and fruits.

As for sleep, doctors advise a minimum of eight hours rest for average adults.

To most of us, the idea of taking exercise is a chore and a bore. But it is virtually impossible to enjoy radiant good health unless we do so. A few minutes spent daily in setting-up exercises is especially beneficial to those with sedentary jobs. Long, brisk walks are also recommended.

Above all, have your physician give you a complete check-up every year.

All this may have a familiar ring. But I have repeated these suggestions here because they can do so much to help you win success.

Just as health measures safeguard your physical future, life insurance safeguards the financial future for yourself and your family. During the past 10 years the life insurance companies in Canada paid out an average amount of \$400,000 to policyholders and beneficiaries every day.

Morrell; two sons, Atwood of Whittier, and Cleveland Morrell of Pontiac, Michigan; one daughter, Cynthia Barnard of Whittier; four brothers, Ernest Collins of Lunenburg; Hugh Collins of Milton; Balfour Collins of Granville Ferry and Cleveland Collins of Pontiac, Mich.; also surviving are two grandchildren. Funeral services were held on Friday, Nov. 14, at 3 p.m., at the White-Emerison Co. Chapel, with Rev. George Siemens officiating. Interment was in Rose Hills Memorial Park. The floral tributes from family and friends were beautiful.

Mrs. Charles Boudreau, Sr.

A former highly respected citizen of Victoria Beach, Mrs. Charles Boudreau, passed away at the home of her daughter, Mrs. W. Goodwin, 42 Leinster St., Saint John, on Monday, Nov. 24, following a long illness. Mrs. Boudreau was born in Bear River 82 years ago. Before her marriage she was Miss Mary Amelia Crosby, daughter of the late Mr. and Mrs. William Crosby. She was a faithful member of the Baptist Church and being of a gentle motherly disposition, she leaves many friends to mourn her passing.

She was a resident of Victoria Beach for 45 years. Six years ago, owing to the indifferent health of both Mr. and Mrs. Boudreau, they went to Saint John to make their home with their daughter there. On Sept. 3, 1947 Mr. and Mrs. Boudreau observed their 64th wedding anniversary. She is survived by her husband who is critically ill in the General Hospital, Saint John, and he has been a patient there since May; five daughters, Carrie (Mrs. George Gates), Granville Ferry; Alma (Mrs. Ralph Bent), Paradise; Ethel (Mrs. Robert Waters), Rousesay, N. B.; Florence (Mrs. William Goodwin), of Saint John; Pearl (Mrs. Walton) of West Saint John; two sons, Charles, Jr., of Round Hill and

Louis of Port Wade; two sisters, Mrs. George Hicks of Lowell, Mass., and Mrs. James Walsh of West Medford, Mass.; also a number of grandchildren and great-grandchildren.

The remains were brought from Saint John on Wednesday, accompanied by three daughters, Mrs. Gates, Mrs. Goodwin and Mrs. Walton. All the children were present at the funeral service except Mrs. Watters (Ethel) who was unable to attend owing to the serious condition of her father. A large number of friends attended the funeral service which was held in the Victoria Beach Baptist Church on Wednesday afternoon, Nov. 26. Rev. E. A. Robertson officiating.

The floral tributes were many and very beautiful. Hymns sung were "When My Life Work Is Ended" and "Abide With Me."

Pall bearers were Stephen Ellis, Charles Haynes, Burton Everett and Cecil Ellis. Interment took place in Victoria Beach Cemetery.

Mrs. Bernard Lees

Many friends and relatives in Nova Scotia learn with deep regret of the death of Mrs. Bernard Lees (Delma Snow) a native of Nova Scotia, who passed away at her home in Edmonton, Alberta, where she had resided for the past 33 years. Mrs. Lees was 57 years of age. She suffered a cerebral shock some time ago from which she never fully recovered. She passed away quietly in her sleep on Wednesday, Nov. 26.

The deceased was born in Digby in 1890 and before her marriage was Miss Delma Snow, one of a family of nine children born to the late Capt. John Snow and Alma (Johns) Snow. The family moved from Digby to Port Wade when Mrs. Lees was a small child. She was a very capable and efficient school teacher for many years, holding schools in Nova Scotia and the Canadian West. Possessing a friendly and cheerful disposition, she made friends wherever she went. She had not visited her native province for some years.

She is survived by her husband, Bernard Lees; a daughter, Joan; and a son, Jackie; also two step-sons, Edward and Geoffrey Lees, and a step-daughter, May.

She also leaves three sisters, Minnie (Mrs. Fred Adams), Bay View; Etta (Mrs. C. Parks), now in Halifax; and Helen (Mrs. Wallace Bissell) of High Prairie, Alberta; and a brother, Horace Snow of Port Wade.

Three brothers, James, Frank

17-Year-Olds May Now Join Air Force

Air Force Headquarters have announced that young men of 17 years of age may now join the Royal Canadian Air Force. This is a departure from the policy of a young man having to wait until he is 18 years old before joining.

It is necessary for a young man under the age of 18 to submit a letter signed by his parents that they consent to his joining the R.C.A.F., however, before he will be accepted.

The Air Force wants 400 men a month for the next eight months in order to bring the service up to full peacetime strength.

Earl Turnbull, eldest son of Mrs. Lucy Turnbull, left last Thursday for Ontario where he will be stationed in the R.C.A.F. for some time. He was accompanied by one of his younger school pals, Buddy Theriault, of Halifax County, who has also joined the R.C.A.F.

Mrs. Robert Bowers of Shelburne spent the week end with her sister, Mrs. Lloyd Blackford, Freeport.

Have You Bought a Bond Yet?

and Wilfred, and a sister, Lottie, predeceased her.

Funeral services were held in McBride Chapel, Edmonton, on Saturday afternoon, Nov. 29, at two o'clock.

Ask Changes

In Game Laws

Resolutions urging changes in the Provincial Game Laws were passed at the annual meeting of the Digby County Fish and Game Protective Association held at Little Brook last Wednesday evening.

First of these resolutions called upon the government to amend the act relating to the killing of deer to limit the catch of deer to one adult deer per hunter while resident hunters should be allowed two adult deer per hunter or doe. It was felt that the act should specifically state that deer should be culled to curb the present all-too-prevalent practise of killing fawns.

A change in the length of the deer hunting season was also urged by the meeting which passed a resolution asking that the season for killing deer be from October 15 to November 15 inclusive.

A resolution calling upon the government to issue metallic tags of the locking type to each holder of a big game license, these tags to be attached to the carcass of the deer immediately after killing, similar to the system in use in New Brunswick, was defeated by the meeting.

It was decided by resolution that the association favored the continuance of the closed season on moose. A change in the act governing the shooting of woodcock and partridge was urged, making the open season on these concurrent.

Considerable discussion was had concerning the killing of moose and deer in the game sanctuaries by wildcat and bear, and it was decided to call upon the government to allow trappers to enter sanctuaries, under government supervision, to trap bear and wildcat for the protection of other game.

Resolutions that uniform bounties on bear be paid in all municipalities and that a bounty be placed on wildcat in Digby County were passed at the meeting.

Dale Smith of Smith's Cove was elected President to succeed C. C. Nichol of Weymouth. Other officers elected were: Vice-President, J. M. Comeau, Little Brook; Secty-Treas., Basil Belliveau, Belliveau's Cove; Executive, Dr. J. E. Comeau, A. V. Banks, Ernest Mullen, Merrill Mullen, Cerenio Purdy and A. S. Warner; Delegates to provincial meeting, Dr. J. E. Comeau, Cerenio Purdy and A. V. Banks.

A life membership in the Digby County Fish and Game Protective Association was presented to A. D. Daley, veteran member of the organization, and the man, who, with his father, Major John Daley, first introduced the Province of Nova Scotia.

Reporting for the committee on Big Game, Ernest Mullen told the meeting that moose were scarce throughout the county, and that he felt deer were at least 30% less plentiful than two years ago. Some difference of opinion was expressed by others at the meeting concerning these findings.

A. R. Pyne, reporting on fishery, stated 493,500 trout were distributed in the lakes and streams of Digby County during the year, with 65,000 salmon being distributed during the same period.

Paul Porter, reporting for the Forestry Committee, criticized the manner in which loggers left their woods operations and claimed many streams and much of the hunting ground for game was destroyed by allowing the trees to accumulate in large piles following cutting operations. He urged action to have penalties placed on operators who did not take precautions against this wanton destruction. Preservation of our forest resources and immediate action to replant reforestation of the land and cut over areas was urged by S. A. Milner in his report on Conservation.

A. V. Banks, Chief Forester, addressed the meeting concerning the guide problem. He said he was doing all he could to have present regulations amended to enforce higher standards for guides. He urged the Association to seek higher standards for guides and to urge guides the necessity of seeing that their parties abide by the game laws. He said he felt that there should be a Guides' Association in every county, and that guide fees should be set by the guides. Mr. Banks stated that the Fish and Game Association would work toward the adoption of higher standards, regulations and requirements for many of the present untoward happenings would take place. Guides should be better placed, he said, with a real interest in their job and a sincere interest in the conservation of wild life.

Concludes Classes In Jewelry, Leather Work

Miss Ruth Eisenhauer, handcraft instructor of the Nova Scotia Department of Industry and Publicity, has just completed five weeks instruction for jewelry and leather classes in Digby for members of the Digby Crafts.

Miss Eisenhauer is a graduate of Mt. Allison University in Applied Arts and Crafts and took post graduate work in the United States, studying under the late George Elmer Browne of New York and Paris and at the Hawes Art School, Boston.

Digby Crafts is fortunate in having Miss Eisenhauer as an instructor for she is particularly well trained to teach any of the fine and applied arts.

Already members who studied under Miss Eisenhauer have produced fine work, and it is hoped that by the summer of 1948 some nice pieces of handwrought, sterling silver jewelry and leather goods will be produced for tourists visiting Digby.

During the past summer Digby Crafts sold over \$800 worth of hand made goods to tourists, business houses and local individuals. All of these items were of typically Nova Scotian design.

MARRIAGES

Wright - Manzer

The Bethel Baptist Church at Ashmore presented a scene of striking beauty for a wedding of interest to friends in Digby Co., and throughout the province, when, recently, Doris Rita, daughter of Mrs. Flossie Manzer and the late Fred Manzer of Ashmore became the bride of Alfred Rol-

and, son of Mr. and Mrs. Lloyd H. Wright of Plympton.

The double ring ceremony was performed by the bride's pastor, Rev. F. C. Amery, and included the singing of the hymn, "O, Perfect Love" by the assembled guests.

To the strains of Lohengrin's Wedding March, played by Mrs. Gladys Brooks, the bride entered the church on the arm of her brother, Mr. Parker Manzer. The

bride's charming floor length gown of white silk jersey was fully draped from a fitted shirred waist. The bodice fell in soft folds from shoulder shirring which was repeated in the long fitted cuffs. Her bridal veil of silk net hung from a matching tiara, caught with sweet peas and she carried a bouquet of American beauty roses.

Mrs. R. V. Weeks, sister of the bride, was matron of honour and was charming in her dress of pink nylon designed with shirred bodice and sweetheart neckline. She wore a matching veil which fell from a coronet of pink velvet and roses and carried a bouquet of pink roses. The groom was attended by his brother, Avard Wright of Plympton.

Scott Manzer and Fred Manzer brothers of the bride, were the ushers.

After the ceremony the happy couple left by car for a trip through the province. For travelling the bride wore a tailored suit of grey wool with pink and black accessories. Mr. and Mrs. Wright will reside at Yarmouth where the groom is a member of the staff of the U. I. C. Office in that town.

Out-of-town guests included Mr. and Mrs. Arthur Purdy of Fullerton, Calif., and Mr. and Mrs. Edgar Smith of Wrentham, Mass.

Comeau - Comeau

A very pretty wedding took place in the Stella Maris Church on Nov. 25 when the pastor, Rt. Rev. Msgr. J. E. Bourneuf, D.P., F.V., united in marriage Miss Josephine Comeau, daughter of Mr. and Mrs. Louis J. Comeau of St. Martin de Clare, with Bernard Comeau, son of Mr. and Mrs. Siffroi Comeau of Saulnierville, followed by a Nuptial High Mass with a large congregation present. Mrs. Joseph LeBlanc was the organist and Arthur Robichaud directed the choir. Miss Imelda Deveau, with a few young girls, rendered "Ave Maria." The bride being a member of the Sodality of the Children of Mary, a special altar to the Virgin was decorated and illuminated in the Sanctuary.

Given in marriage by her father, the bride was elegantly dressed in a long robe of white satin with lacework around the neck, long veil and she carried a white prayer book. Her sister, Miss Delia Comeau, was brides-

maid. She was dressed in a colour with white net hat and carried a bouquet of rose carnation. Norbert J. Deveau was best man.

Breakfast was served at home of the bride's parents, 150 guests, and about the same number at supper at the home of the groom's parents. Afterwards the happy couple left on a honeymoon trip through Valley. They were the recipients of many useful and wedding gifts.

Mount Pleasant

Miss Sheila VanTassel, daughter of Mr. and Mrs. Earl VanTassel, was a patient in the Mount Pleasant General Hospital one day for a tonsil operation.

Mr. and Mrs. Wm. A. Grant have returned to their home in Saint John after spending weeks with Mrs. B. Fleet and Donald.

Mr. and Mrs. Harold Ross, formerly of Halifax, are occupying Gordon VanTassel's cottage.

81 YEARS OLD

Mrs. Minnie Jarvis of Weymouth Falls is very active, doing her own washing, ironing and also carrying in her own wood. Lots of women elsewhere do this, but Mrs. Minnie Jarvis was 81 years old on her birthday, December 3.

She believes in rising early and retiring early, and when the Church of England had their annual Harvest Supper this year on Nov. 6, Mrs. Jarvis was up at 2:30 a.m. in readiness for it and in the evening worked hard at her usual job, slicing the chickens for serving.

This grand old lady has two sons living, five grandchildren, and thirteen great-grandchildren. For twenty years she worked at the Pines Hotel as a first class pastry cook and even today can still make things to melt in your mouth. All her friends near and far wish her a happy birthday, good health and many more birthdays to come.

A pretty wedding was solemnized at St. Peter's Church at Ketch Harbor, when Rev. B. C. Martin united in marriage Marion Loretta, only daughter of Mr. and Mrs. Richmond Journey of Herring Cove, and Kenneth Gregory, son of Mr. and Mrs. Hilfred Purcell of Portuguese Cove.

The bride, who was given in marriage by her father, was charming in a gown of white satin with a lace bertha and nylon yoke. The hair, sprinkled with seed pearls, held a full-length veil of white lace. She carried a bouquet of red roses. A rose taffeta gown with chapel veil was worn by the bridesmaid, Miss Shirley Anderson, who carried a bouquet of pink and white carnations. Frank Purcell, eldest brother of the groom, acted as best man.

OBITUARY

T. A. Harris

Thaddeus Allison Harris passed away Monday, Nov. 24 at noon from a sudden heart attack at the age of 83.

He had been in good health while living in the United States since last April. For the past six months he had been especially happy at the summer residence of his daughter, Hazel, Mrs. Edward Betty, Halifax, Mass., where he passed away.

Although Mr. Harris had been totally blind for nineteen years, he continued to the last to find some useful work to help others.

Neighbors marvelled at his accomplishments and he gave others courage as he was often heard singing and praising God for His Goodness while he worked in the pine grove. He loved God's pure fresh air in the country.

He was a very active and successful farmer until he lost his eyesight at the age of sixty-five while doing a favor for a neighbor. His wife, Kezla Alcorn Harris, died June 11, 1933. During 1933 to 1947 he resided at Digby. Most of those years his life experience is descriptive of a man of sorrows and acquainted with grief, but through it all he was a faithful soldier of the Salvation Army.

He read the Bible through more than twice, fingering every letter by hand by Moon System for the blind, and has read many interesting books.

He was a great lover of little children.

He was survived by his son, Lovett J. Harris of Bear River, and two daughters, Hazel (Mrs. Edward Betty) of Dorchester, Mass. and Alice (Mrs. Charles B. Davis) of New Haven, Conn. Seven grandchildren and one great-grandchild also survive.

The funeral service was held from the Baptist Church Thursday, Nov. 27, conducted by Rev. G. D. Brydon, and Capt. Holland and Lieut. Watts of the Salvation Army Corps of Digby.

The hymns were choices of Mr. Harris and beautifully sung by the choir: "All Hail the Power of Jesus' Name" and "Precious Jewels" which Mr. Harris so frequently sang during his last nine months. "The Stranger of Galilee" was sung as a solo by Mr. Brydon.

Interment was in Mount Hope Cemetery, Bear River. The floral tributes were silent tokens of the high esteem in which he was held.

Mrs. Edith M. Chesley

After an illness extending over a long period, the death of Mrs. Edith May Chesley, widow of O. W. Chesley of Middleton, occurred at her home Tuesday evening, Nov. 18.

Born at Saint John 69 years ago, she was the former Edith May Holder. In 1924 she came to Middleton from Saint John with her husband who conducted a boot and shoe business in that town. She was a member of the United Baptist Church.

Surviving are two sons, Harold R. Chesley of Middleton and G. Ronald Chesley of Smith's Cove; two brothers, A. R. Holder and D. J. Holder, both residing in St. John; and two half-sisters, Mrs. G. E. Abeyson and Miss Etta Flewelling of California. Also surviving are three grandchildren.

Following a funeral service at her home Friday morning, conducted by Rev. H. K. Grimmer, the body was taken to Saint John where interment took place in the Cedar Hill Cemetery beside her husband. The committal service was conducted by Dr. S. S. Poole, a former Middleton pastor.

The village of St. Martin was saddened on Thursday night, November 27, by the death of one of its most esteemed and respected citizens, Onesiphore Comeau, aged 64, who died after a long and painful illness with internal cancer. He leaves in deep sorrow his sick wife, formerly Emilienne Babin, who has been in bed for over a year; one son, Elol, at St. Martin; four daughters, Nenerisse, nurse at the Royal Victoria Hospital, Montreal; Rosaline at home, Genevieve and Cecile employed in a sewing department at Montreal.

Deceased was a son of the late Mr. and Mrs. Paul V. Comeau of the same village and leaves three brothers, Francois of St. Martin; Leo at Meteghan and Joseph of Lynn, Mass.; four sisters, Mrs. Frank Deveau (Agnathe) of Quincy, Mass.; Mrs. Edmund M. Co-

meau (Beatrice) of Meteghan; Mrs. Fred Comeau (Marguerite) of Comeauville, and Mrs. Vincent Maillet (Lucie) of Mavillette.

Funeral service with Requiem High Mass took place at the Stella Maris Church on Saturday morning, Nov. 29, conducted by the pastor, Rt. Rev. Msgr. J. E. Bourneuf, D.P., F.V., with a large congregation also from the neighboring parishes. The Rev. Sis-

ters of the Sacred Heart Convent with their students assisted in a body, and all received with relatives and friends, the Holy Communion during the Mass. Mrs. Joseph LeBlanc was the organist and the mortuary singing was directed by Arthur Robichaud and Vincent Maillet of St. Alphonse assisted at the choir.

E. P. Deveau directed the burial and the pall bearers were Denis, Leo and Cecil Comeau, all nephews of the deceased, and

Charles Dugas, a neighbour. Donald Maillet carried the Cross.

Daily Has "Christmassy" Look

Despite the fact that as yet we have had little weather that remind one of the approach of Christmas, Digby is adopting a most "Christmassy" look. In the business section of the town almost every shop has already put up their Christmas decorations and the shiny reds and greens with their adornment of tinsel and holly make one feel that Christmas is really on the way.

Many of the store display windows are filled with Christmas gifts and the displays of toys and playthings for the youngsters are attracting the crowds of kiddies from six to sixty. In the dry goods stores one can see lovely displays of fine clothing for both men, women and children. The drug stores have their displays of lovely toiletries and cosmetics to please the eye of both male and female shoppers. In the hardware and electrical stores, too, one can see displays of lovely gifts, practical gifts for Christmas giving. The Digby County Power Board have added a real Christmas touch this year with the installation of a "P. A." system which provides Christmas carols for shoppers passing along the streets.

Yes, every indication points to the fact that Christmas is coming to Digby and Digby's storekeepers are ready for it. Most businesses report moderately heavy buying has already started for Christmas and expectations are this will rapidly increase as the great holiday approaches.

Water System Discussed By Board of Trade

The regular monthly meeting of the Board of Trade was held in the Town Hall on Tuesday evening, and was quite largely attended, as it was known several controversial subjects were to be brought up which would evoke interesting discussions.

The first matter considered was that of the future of Cornwallis. There was not much the Board could do but express pleasure that there was a prospect that something was going to be done with the plant, instead of letting it go to ruin. Letters will be written to Hon. Harold Connolly, Hon. J. L. Illsley and other parties having to do with the project, offering the congratulations of the Board and pledging all the assistance

the Board was able to give.

It was Digby's water supply which came in for the most discussion, and most of those present had something to say about it. All kinds of opinions and views were brought up, and the subject was thoroughly thrashed out. It ended in the appointment of a committee to consider ways and means to formulate plans which will be presented at another meeting and to the Town Council suggesting methods of improvement. The committee consists of F. J. Anderson, A. L. Robinson and W. S. Troop.

A recommendation will be sent to the council asking that the streets be sanded during icy weather.

Christmas Treat

Britons are going to have a Christmas present from their Government. It's an extra holiday ration of ten cents' worth of meat, a pound and a half of sugar and four ounces of chocolate.

Popular excitement greeted the news. It got bigger headlines than the Foreign Ministers or the Parliamentary elections. The Government was commended for its sportsmanship in holding back the news until after the elections. December grew brighter.

Writing of this pitiful enthusiasm in the New York Times, Anne O'Hare McCormick comments on how difficult it is for people who have to think of food all the time to take sustained interest in other questions. Yet the British can see beyond their rations. Another Times correspondent, Herbert Matthews, writes of their true resources, the sterling character, the courage and common sense, that can carry them through this crisis as through others.

The recent Christmas Sale and Tea held by the ladies of the United Church resulted in the receipt of \$425.

Practical Self-Help

Lunenburg County, in more ways than one, is setting an example for the rest of us. That county, in common with the rest of the province, is suffering a shortage of veterinary surgeons. Instead of waiting to the Government, the Lunenburg County Farmers' Association has decided to try a plan of its own. It proposes to select a boy from the county, send him to a veterinary college, and, if the further necessity arises, to assist him with a loan to establish himself professionally. The only condition attached to the plan is that the selectee shall come back after graduation to practice in his native county.

This is a rare, and therefore exceptionally welcome sign that the spirit of self-help is not altogether dead in this province, in spite of the current tendency to expect things to be done on all occasions by some governmental agency. The Lunenburg Farmers' Association is to be congratulated for its sturdy resolution, particularly because it suggests a mode of procedure that might with profit be followed by organizations in other fields where adequate professional services are not sufficient to take care of the situation.

Fire Damages Cottage On Lour Lodge Property

Two families were rendered homeless here early Saturday morning when fire badly damaged the Barn Cottage on the Lour Lodge Annex property.

The fire, which was first noticed shortly after three o'clock in the morning when occupants were aroused by the smell of smoke, is thought to have started from an overheated chimney. Prompt action by the driver of the fire engine, Constable E. S. Ineson, who had the engine on the way to the fire before the alarm had ceased blowing, and by the Fire Department, soon had the blaze under control. Considerable damage was done to the roof of the building by the flames, and to the interior by water.

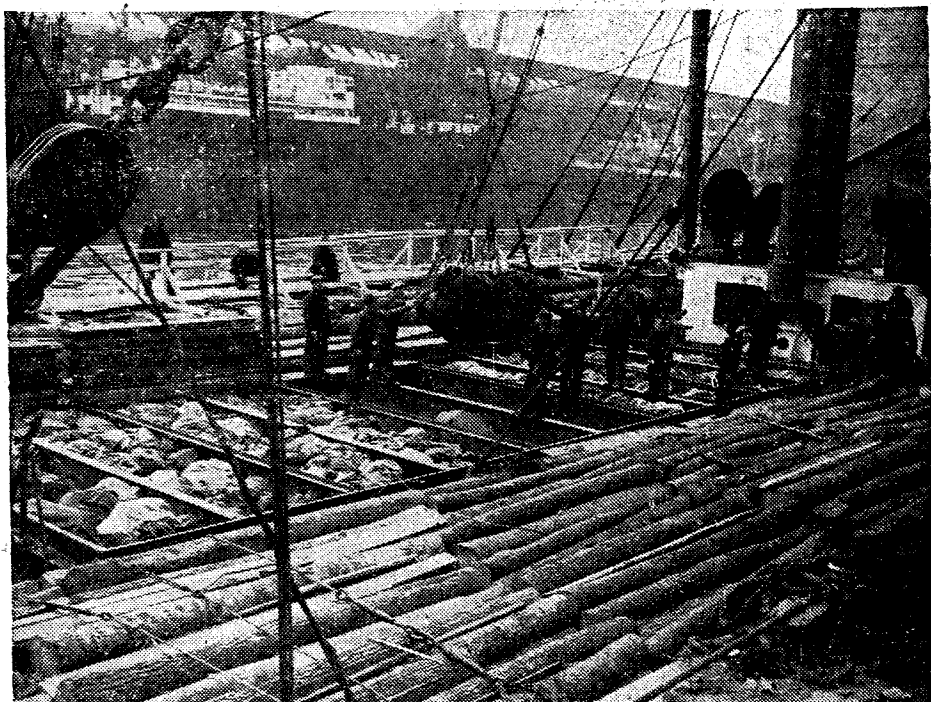

Rendered homeless by the blaze were Mr. and Mrs. Kenneth VanTassel, who occupied the top floor of the house, and Mr. and Mrs. Seymour Raymond and small baby.

MEDICAL OFFICER APPOINTED

Formerly medical officer of treatment at Montreal, Dr. Brown will have his headquarters at Moncton, N. B., and his territory will include all lines between Riviere Du Loup and Monk, Que., and Sydney, Halifax, N. S., and Saint John, N. B., and all lines on Prince Edward Island.

Christmas Mail For United Kingdom

A record shipment of mail, largest ever to leave a Canadian port, was carried to the United Kingdom on the Canadian Pacific cargo-passenger ship Beaverford which sailed from Montreal

for Liverpool Nov. 23 with 19,750 bags of parcel post, in addition to 10,350 tons of regular cargo, including the heavy deckload of logs, shown above, and 28 passengers. In the above picture, the last bags of mail in the

record shipment, which weighed 800 tons and occupied 102,410 cubic feet of space, were being loaded. The mail, a large part of which is made up of Christmas packages, is packed 25 feet deep in the hold.

Shore Fishermen To Learn New Methods

Nova Scotia shore fishermen will go back to school again this winter to learn the latest wrinkles in modern fishing methods. The Department of Industry and Publicity has announced that fisheries schools would be held in January, February and March, 1948, at the eastern Nova Scotia fishing ports of Canso, Petit de Grat and Louisbourg.

Courses will be given in diesel and gasoline marine engine operation and repair and in coastal navigation. Operation of the schools will be under the direction of Howard G. Scott, assistant education officer for the Department of Industry's fisheries division. Clive Boner, Pictou, will be chief instructor in marine engines and Capt. P. Meredith, Dartmouth, in navigation.

The coming season is the second in which short courses in subjects of interest to fishermen have been offered under the department's travelling school set-up. Schools are operated during the slack season in the fishing industry when fishermen have the best opportunity to attend them, and are held in principal fishing centres where interest is greatest, rather than in a central point which would require the men to leave their homes.

The plan is aimed at helping the development and modernization of the industry. Schools conducted last year at Cheticamp, Canso and Petit de Grat as an experiment, were so successful that their resumption this season was practically a certainty.

About 75 young men between the ages of 16 and 30 can be accommodated in the schools, which will open about January 5 and conclude about March 31.

George W. Spinney In Annual Address

The Bank of Montreal's 130th annual meeting took place on Monday in Montreal. At the meeting, George W. Spinney, President of the Bank, and a former Yarmouthian, addressed the group and stated that for Canadians to achieve their full destiny, he felt that a greater population was essential. Saying that countless people on the other side of the Atlantic regard this country as a land of golden opportunity, Mr. Spinney said, "Canadians are at this moment helping to support, at a low level of existence, many of these people who could be and should be carving out a fuller life for themselves in this country where there are far too many empty spaces. If ever there was a time when Canada should press forward with an immigration program, that time is now," he added.

Night Spent In Ice Box

Mademoiselle Angele Loucheur, owner of a grocery store in Roubaix, France, spent a night in a refrigerator, during a heat wave, and lived to tell of it, after a siege in a hospital. She had gone inside the store refrigerator room after the rest of the staff had left, to put some food in, and the heavy door closed on her. She tried in vain to regulate the cold, but could not work the device. An assistant found her next morning, blue with cold and unable to move.

About This and That

A Safety First Program Needed

The other day we witnessed a scene from the window of the Courier office that really brought our heart into our mouth. It was shortly after three o'clock, and the children were coming from the Junior High School on Maiden Lane. At the same time the shunting engine with a number of freight cars was coming from the wharf. One of the young boys, with one arm filled with books, grabbed the steel ladder at the side of one of the freight cars and, after several false starts, pulled himself up on it. His actions were followed by several other young lads, and soon almost every ladder on the freight cars was occupied by one of the boys.

How easy it would have been for one of these lads to have slipped and fallen under the train. What the result would have been we shudder to think.

Surely, something can be done to put a stop to such practises as this. The responsibility lies not only with our schools, but also with the parents. Safety rules must be taught to young people and the importance of following these rules rigidly must be impressed upon them both at home and at school.

Hardly a day goes by that some youngster just misses death or serious injury through some thoughtless action while on the streets or at play. Some weeks ago while riding to the office we witnessed three youngsters, none of whom was over ten years of age, miss being run over by a matter of inches. Had it not been that the driver of the car had great presence of mind and good brakes, these youngsters would surely have fallen victim to the wheels of his car. The fault was all theirs, they were playing tag or some other game along the edge of the street and dashed across just as the car was passing. Similar tactics have brought death to many youngsters throughout the province.

Action is needed immediately to impress upon the youngsters that they must be more careful. The rules of safety should be made a part of every day's school program. Safety patrols should be organized and maintained among the older school pupils to watch over the younger pupils while coming to and returning from school. The older pupils also should be cautioned that they are not immune from accident if they do not obey the safety rules. At home parents should continually impress upon their children the need for being careful at all times.

The importance of all this cannot be overstressed. If the life of one child can be saved, or if one youngster can be saved from being maimed or crippled for life, then our efforts, no matter how tedious or perhaps unnecessary they may seem to us, will not have been in vain. We must preach safety at all times and, further than that, we must practise what we preach for even adults are not always careful when it comes to the commonsense rules of safety.

November Report

Of V.O.N.

During the month of November Miss Wheby, V.O.N., made 114 visits as revealed by her report at the monthly meeting of the Order on Tuesday. Twenty-one new cases were carried. Nine hours were spent in Industrial Nursing and 25.5 hours at school where 175 pupils were given special inspection. Eighty-seven defects were found.

Seventy children were inoculated at the immunization clinic. Miss Wheby was grateful for the help she received at these clinics from Mrs. J. Keen, Mrs. Sydney Smith, Mrs. G. Connolly, Miss L. Daley, Miss J. Webber and Miss M. Woolf.

Twenty-nine children attended the four Well-Baby Conferences. Donations of four pairs of mittens from Mrs. George Trohon and used baby clothes from Mrs. P. W. Holdsworth were acknowledged at Tuesday's meeting. A donation of twenty-five dollars from St. Patrick's Convent was received in appreciation of the splendid work done by the nurse at the Convent.

As the annual meeting ordinarily comes so early in January a motion was made to change the date this year to Friday, January 16. The Publicity Committee was asked to make arrangements for the program for the meeting.

OBITUARY

Mrs. W. E. Nicholson
Word has been received by Mrs. T. J. Harris of the death in Vancouver on Nov. 30 of Mrs. W. E. Nicholson. Lieut. and Mrs. Nicholson made a great many friends in Digby while making their home for three years during the war when Mr. Nicholson was captain of the "Vison."

Besides her husband, Mrs. Nicholson leaves one daughter, Deidre. Mrs. Nicholson was born in Ireland.

Mrs. H. M. Thurber
Her many friends in Digby will learn with sorrow of the death of Mrs. Nellie Pearl Thurber, widow of Capt. Horace M. Thurber, which occurred at Freeport on Monday.

Mrs. Thurber, whose home was in Freeport, had visited many times in Digby, and had a large circle of friends in the county. She was a member of the Baptist Church and the Rebekah Lodge in her home town. Surviving are four daughters: Miss Zelda, at home; Mrs. Warren Gray of Kempville; Mrs. Austin Finigan of Freeport and Mrs. C. F. Hibbard, Vankleak Hill, Ontario; two sons: Sherman K. of Saint John and Capt. Giddin J. Thurber of Freeport; two brothers: Capt. Melbourne Stevens of Galveston, Texas, and H. M. Mrs. Bertha M. Shepard
Word was received by relatives of the death of Mrs. Bertha M. Shepard which occurred at the home of her daughter, Marion in Los Angeles, Calif., on Tuesday, Nov. 4, following a long period of ill health. She was 81 years of age.

She was born in Bear River, daughter of the late Silas and Mary Elizabeth (Burrell) Berry, and was the widow of the late

Nathaniel A. Shepard, a native of New Hampshire.

At the age of fifteen she was baptized and united with the Bear River Baptist Church. At 18 she went to Boston and made her home with her brother, Thomas and his wife. While a resident in Boston she was an active member of the Dudley St. Baptist Church. In August of 1893 she was united in marriage to Nathaniel A. Shepard and went as a bride to St. Lewis Park, Minn., five miles from the city of Minneapolis. Beside her duties in the home as a faithful wife, she found time to enter into the activities of the church and community with a keen sense of responsibility and understanding.

While Mrs. Shepard resided in the Middle West she made many trips east, visiting relatives and friends in Bear River and Deep Brook. Mr. Shepard was a successful market gardener for almost forty years.

Following her husband's death in 1939, she went to live with her daughter and husband, Mr. and Mrs. John N. Mattern where she was tenderly cared for during her declining years.

She was an excellent needlewoman and she spent much time in sewing and knitting for the Red Cross.

The funeral service was held at Kingsley and Gates' Funeral Parlor on Thursday, Nov. 6. Surviving are two daughters, Reta, (Mrs. Edward Thelan), Stillwater, Minn., and Marion (Mrs. J. N. Mattern), W. IN MEMORIAM—In sad and loving memory of our darling son, Roger McCormack, who fell in action Dec. 12 somewhere in the Mediterranean area.

Silent is the voice we loved to hear,

But not too far for thought to reach.
Sweet to remember him who once was here,

Minerals Essential For Winter Fodder

Livestock farmers throughout the country this winter will find it necessary to alter established feeding programs. Shortages of grain and concentrates may make it necessary to feed roughage. At any rate, horses, sheep and pigs will have to become accustomed to a modified diet.

Changes in feed may seriously affect the amount of essential minerals animals receive. Even the best conditions cannot provide feeds such as grain and hay do not fill the need. As examples, most types of forage are low in phosphorus. Protein concentrates, on the other hand, generally contain more phosphorus than calcium. Amounts of other essential minerals such as iron, iodine, salt, sulphur, copper and manganese vary with different crops. When it becomes necessary to improve a ration the supply of these minerals may be completely out of balance.

Speaking on this subject, R. E. Cudmore of C.I.L.'s agricultural chemicals division, stressed that feeding a recognized mineral supplement mixture will provide a well balanced supply of necessary minerals. He emphasized the importance of feeding minerals to pregnant females. Offspring born from a mineral deficient parent will have a poor start in life and, in severe cases, may even be deformed.

As a further point to remember the importance of feeding minerals, Mr. Cudmore said that more than 90 per cent of the bone structure of animals is made up of calcium and phosphorus.

Recognized mineral supplement mixtures are in good supply, he stated.

Fertilizer Boosts Longevity

Don't marvel because grandpa is hale and hearty at 75. Chances are you'll live longer than he will.

In bringing out the fact life expectancy today is almost two-thirds greater than it was 100 years ago, Dr. Firman E. Bear, New Jersey soil chemist, recently claimed that longer life was probable through the use of commercial plant food. He attributed the increase in degenerative diseases of the heart, kidneys and brain to the fact that there were more old people living today than ever before.

In 1850 before farmers began using commercial fertilizers, life expectancy at birth in the United States was given at 40 years. A similar figure held true for Canada.

"By 1900, when fertilizers were being used at the rate of over 1,000,000 tons annually, our life expectancy had increased to 49½ years," Dr. Bear asserted. "By 1940, with fertilizer consumption exceeding 8,000,000 tons, life expectancy rose to 63 years. When fertilizer tonnage

For Your Car, the Squeeze Is On!

Thousands of cars are being forced off the highways and into the junk yards by old age. Thousands more are doomed to go before the full flood of new car production catches up with the demand. But that's no reason your car has to go.

There's many a good tune played on an old fiddle. If your car is still basically O.K., we can put the engine in tip-top shape with a guaranteed Engineered Set of Pedrick Rings. And—even if cylinders are badly worn—we guarantee to stop excessive oil consumption. This is an iron-clad, all-inclusive, written guarantee, that covers both labor and rings. Even though your car has piled up more miles than you ever dreamed it could, even though it's battered and worn, there may still be plenty of mileage and plenty of pleasure left in it. Let us show you how Pedrick Rings renew engine power, give you real savings in gas and oil. Call us for an appointment.

Weymouth Motors Ltd.
Weymouth, N. S.

reached 12,000,000 in 1944, life expectancy was 66½ years."

While Dr. Bear hesitated to claim fertilizers were responsible for our 26 years extra lease on life, he pointed out that livestock often would avoid manured grass to the point of starvation but would pick out chemically fertilized grass and chew it down to the soil. This indicated they needed something the fertilizer supplied.

In conclusion, he said, "It has been shown repeatedly that emaciated, listless livestock can be made to flourish when their impoverished pastures are treated with chemical fertilizers, especially those which supply phosphate."

General J. E. B. Stewart

General J. E. B. Stewart, the Confederate Cavalry Commander, was a total abstainer. In the words of Captain John W. Thomson of the Marines, his biographer, "Stewart not only practised total abstinence but preached it." He was a member of the Order of the Sons of Temperance. While stationed at Fort Wise, just before the outbreak of the Civil War, he wrote his brother, Wm. Alex Stuart: "I made a temperance speech here Christmas which gained me great eclat among the officers and soldiers—there are

4 of the command Sons of Temperance; they had a grand procession and ovation." And then the soldier, more experienced at other things than speaking, added proudly, "I had only a few days' notice and spoke 20 minutes!" Well, some people don't trust fighting men who don't drink—such men as Stuart, Lee and Stonewall Jackson and Montgomery.

Consumers Benefit From Excise Tax Cancellation

Cancellation of the Canadian excise tax effective Nov. 18, reduces consumers' sugar prices by one cent a pound. Observers believe this will encourage larger demand.

The cut in consumer prices does not change returns to cane refiners, beet processors or sugar beet growers.

THE EDITOR'S DILEMMA

Getting out a paper is fun but it's no picnic.

If we print jokes, people say we are silly.

If we don't, they say we are too serious.

If we don't print contributions, we don't appreciate true genius.

If we do print them, the page is filled with junk.

Now, like as not, someone will say we swiped this from some other paper — we did.

VOLUME LXXIV, NO. 13

New Party Organizing Labor Unions

The People's Christian Party (International), which was organized here under the leadership of Rene A. Richard, former fish dealer, in September, is becoming quite active and is instigating the formation of labor unions throughout the province under the Nova Scotia Trade Unions Act of 1947.

According to Mr. Richard, labor units are being set up in various plants and organizations and these will be grouped together under general labour unions for various districts, and there in turn will be organized into one provincial union for all labour.

Organizers for the new unions in Digby, Yarmouth and Annapolis Counties are Rene Richard, President of the People's Christian Party, and H. L. Bullock, A. General Labour Union has been organized in Digby and two units are now applying for certification under the Provincial Act. The Digby General Labour Union is affiliated with the People's Christian Party (International) as will be other labour unions organized by the party in the province. Organizer for the labour union in Halifax is W. C. Lovett, Provincial Secretary of the People's Christian Party.

The People's Christian Party (International), hopes, as its name implies, to become international in scope. According to Mr. Richard, branches have already been organized in Newfoundland, and efforts are being made to organize in the United States. Branches are in operation in Ontario, Quebec and New Brunswick.

The manifesto of the new party, which is being circulated locally, claims that "a democratic federation of local people's councils must have full jurisdiction over the elected representatives of a constituency, not some semi-secret and dictatorial party set up of contact man and political boss." It also maintains that "the functional economic groups must thoroughly organize into free associations of their own choosing and enter into active democratic partnership with the government of the Nation for the administering of commerce and industry."

The manifesto further goes on to say that "labourers and primary producers must thoroughly organize into free local labor unions and free primary producers' unions respective democratic federation of labor leagues of primary producers' leagues in order to effectively carry on their partnership with each other, the nation and other functional economic groups."

In the field of social services the People's Christian Party claims through its manifesto that "the health and growth of the nation necessitates that dental, medical, surgical and hospital care be furnished free of charge to the people by the government. The individual at age fifty-five deserves to receive a government pension as a reward for his contribution in building up the national wealth. Mothers, the moulders of the nation's

Stolen Bike

Traded For Pig

Police Chief F. J. Thibault on Thursday recovered a bike stolen from one of the pupils at Digby Academy during the latter part of October.

Since it was stolen the bike has had a most varied career. It is thought it was first stolen by one of the school pupils who hid it in a clump of alders near the school, to pick up at a later hour. It was found there by Bernard Isnor who sold it for five dollars to Jim Ryan of Marshalltown, some five miles from Digby.

Ryan, tiring of the bike, decided to get rid of it, and made a very good trade with John Tebo of Ashmore, some twenty miles from Digby. Ryan received in return for the bicycle a nice pig.

Chief Thibault recovered the bicycle in Ashmore. It is not known yet whether any action will be taken in the matter, or whether Ryan has returned the pig to Tebo, which he accepted in trade for the stolen bike.

Hillsburn

Christina Everett entertained a few of her friends at a birthday party on Dec. 2.

Mrs. Willard Condon and baby of Young's Cove spent Sunday with her sister, Mrs. Bernard Longmire.

Mr. and Mrs. Jesse McGarey and family spent Sunday with her parents, Mr. and Mrs. Robert Longmire.

heart, must be guaranteed full security by the government and rewarded for the greatest contribution to the nation, our homes."

The manifesto claims further that the nation must guarantee the individual an annual wage set at a minimum which will most effectively guarantee the widest possible diffusion of productive and consumptive property among the people.

Mr. Richard states that candidates will be put into the field to contest both federal and provincial elections as the members of the party desire. He said no figures were yet available as to party membership in the province, but stated it was growing rapidly.

Anglican Primate

Visits Digby

Rt. Rev. George Frederick Kingston, Archbishop of Nova Scotia and Primate of All Canada, passed through Digby last Thursday morning en route to Halifax after visiting many of the Canadian Diocese. He was accompanied by Mrs. Kingston.

The party was met at the Princess Helene by Rev. F. B. Gaskill, Rector of Trinity Parish, Warden Victor G. Cardoza, Vestry Clerk Fritz Dakin, and Vestryman A. D. Daley.

After a short stay here, Archbishop Kingston and Mrs. Kingston entrained for Halifax. A. A. Dunphy, General Manager of the Dominion Atlantic Railway, placed his private car, "Nova Scotia" at the disposal of the Primate and Mrs. Kingston.

Hold Wedding

Reception

A wedding reception was held at the home of Mr. and Mrs. Ernest McLellan, Port Wade, on Wednesday evening, Dec. 3, in honor of Mr. and Mrs. Percy McLellan, who have recently returned from their honeymoon, which was spent in New Brunswick and different parts of Nova Scotia. The bride is the former Miss Irma Hinton, daughter of Mr. and Mrs. Albert Hinton, Round Hill.

About fifty guests attended the reception. The dining room was tastefully decorated with pink and white streamers. The bride's table looked lovely with streamers extending from the ceiling, falling gracefully around the table, and fastened there with bows of pink crepe paper. The table was piled high with all sorts of curious looking parcels, which were later opened by the bride and groom, who were the recipients of many lovely and useful gifts, including pyrex, linen, china and money.

Delicious refreshments were served later in the evening. Those assisting in serving were Mrs. Cyril McWhinnie, Mrs. Clifford McWhinnie, Mrs. Oscar McLellan, Mrs. Roy Westhaver and Mr. and Mrs. Ernest McLellan.

Observe 45th

Wedding

Anniversary

Mr. and Mrs. James Ellis of Bay View received congratulations and best wishes last Wednesday from a host of friends on the celebration of the 45th anniversary of their marriage.

The couple were married at home on December 3, 1902, by the Rev. Mr. Wood. Mrs. Ellis was the former Eleanor Adams of Bay View.

Mr. and Mrs. Kenneth Raymond, New York, are spending an indefinite time in Digby.

NOTICE

FISH BUYERS and OPERATORS of FISH PLANTS and CANNERIES in NOVA SCOTIA will please take notice that the Nova Scotia Fisheries Act has been proclaimed effective the 1st day of January, 1948.

The Act contains the following provisions: (1) Every person who operates a fish plant (or a cannery in which fish are canned) will require a FISH PLANT LICENSE; (2) Every person who buys or collects fish from fishermen otherwise than for his personal use or for sale only by him at retail will require a PURCHASER'S LICENSE; (3) The annual license fee for each plant or buyer is Two Dollars (\$2.00) payable in advance; (4) The penalty for purchasing fish or operating a fish plant or cannery without a license is One Hundred Dollars (\$100.00 per diem).

The expression "fish plant" means any plant or cannery in which fish are prepared for food and includes cold storage plants which handle fish, fish reduction plants, and fish liver oil plants, but does not include an establishment used only by a fisherman to prepare or cure only his own catches of fish or an establishment in which fish are sold only at retail.

The expression "fish" includes shellfish and crustaceans, also whales, seals and other marine animals.

A fish buyer who purchases fish only in the capacity of a salaried agent of a licensed fish plant operator will be issued a license without charge if the fish plant operator applies for a license for him. All other fish buyers, including independent buyers, commission buyers and buyers representing firms outside of Nova Scotia should apply directly to the address given below and will be required to pay the regular fee.

The holder of a Fish Plant License does not require a Purchaser's License to buy fish.

Forms of Application for licenses and copies of the Act and Regulations are available and should be written for at once.

Mrs. D. Sproule
95th Year

Neighbors and many friends joined in extending congratulations and good wishes to Mrs. D. Sproule, Deep Brook, on December 2, when this gracious lady celebrated her 95th birthday, receiving many callers both afternoon and evening. Cards and letters were showered upon her and in addition, she was the recipient of gifts of money and fruit, and a three tier beautifully decorated cake made and presented by Mrs. Herbert E. Rawd- ing, nearby neighbor.

Mrs. Sproule enjoys good health, and although her eyes will not now permit the exceptionally fine needlework for which she was famous, she still carries on the ordinary repair work, and manages her household duties.

There are two sons and one daughter, James of Brockton, Mass., who visited here last summer; Frank of Deep Brook and May (Mrs. Ross Bowlby) of Cayland, Alberta. Before marriage, Mrs. Sproule was Miss Fidelity Whitman of Inglisville, Annapolis County.

Town Erects Christmas Tree

The annual community Christmas tree was erected by town workmen this week. Due to inclement weather, lights have not yet been installed on the tree.

A change in location was necessitated this year due to the erection of the fence between the Town and McNeen woods. The tree this year has been placed in the Memorial Garden alongside the War Memorial.

More and more business houses in town have decorated their premises in keeping with the Christmas season. This year the stores seem to be particularly well decorated and there seems to be a certain amount of rivalry as to whose decorations will be the more attractive. All of the stores and business houses look very lovely and the plentifulness of the Christmas decorations is a mark of the spirit that seems to be abroad in the land.

Worthy of particular note are the Christmas displays in the window of Hugh's Store which features a lovely angel, standing on a groundwork of white with the blue of the sky above. At night this display is particularly effective with the whole window lighted with a really lovely shade of blue.

Another splendid display is that of McNutt's Studio, featuring life size colored photographs of three of the McNutt children gathered about a fireplace in the attitude of hanging their Christmas stockings. Little Alexander stands before the fireplace with his stocking in one hand and a candlestick in the other. The other two children are seated playing on the floor.

The Digby Home Furnishings store is a blaze of coloured lights at night. The store has been festooned with greenery and a large Christmas tree complete with lights has been erected outside. The window display complete with the lights makes a truly lovely sight at night.

Space will not permit a description of all the store window displays in town, but everyone of them is lovely and reflect great credit on their owners. The decorations have certainly brought a great change in the appearance of the business section of the town.

ANGLO-SAXON UNION

The encroachment of Russian Communism is bringing nearer a union of the Anglo-Saxon people of the world, in the view of Ministry Minister Harold Connolly, who recently addressed the convention of the Dominion Commercial Travellers' Association in Montreal. To meet the Communist threat, he said, Canada has three alternatives, a total immigration plan to bring 500,000 new citizens to the country, acceptance of United Nations protection as auxiliary power, or become a partner in an organization of Anglo-Saxon nations.

RATE INCREASE

Following application to the Public Utilities Board by the Pictou County Power Board for an increase in electric rates, the Electric Commission, that controls its power requirements in Pictou, has petitioned for a rate increase to cover additional costs estimated at \$20,000 annually. Basic domestic rate in Pictou and vicinity would be one cent a kilowatt higher under the proposed new schedule.

Fire Destroys Poultry Business

Fire of undetermined origin Monday morning completely wiped out the poultry plant of Annapolis Poultry Farms, Deep Brook, owned by Henry P. De-Adder. The fire was first discovered shortly after nine-thirty Monday morning when Mr. De-Adder went to collect eggs. Starting near the roof of the huge building, over 150 feet in length, the flames swept through the two storey structure in but a few minutes.

Destroyed by the flames were 300 pedigreed pullets which had just commenced laying, and a stock of some ten tons of poultry feeds together with a number of electric brooders and other equipment. The loss is estimated at nearly ten thousand dollars, only partly covered by insurance.

Mr. DeAdder stated he had spent the whole night cleaning out the poultry house and had just put down clean litter in all of the pens. He had worked in the building from five o'clock until shortly after nine when he returned to gather eggs. The fire, he said, seemed to start somewhere in the roof of the building but rapidly spread all through the whole structure.

The Fire Department from the nearby Cornwallis Naval Base was called, but, due to lack of a supply of water on the property, was able to do little but prevent the spread of the flames to nearby buildings. Flames and rolling clouds of black smoke from the fire attracted hundreds of cars from Digby, Annapolis and other points to the scene of the blaze.

Mr. DeAdder, a veteran of World War II, came to Deep Brook with his wife and two children a little over a year ago from Kentville, and had invested all of his savings including his service grants in the poultry business. The fire was a particularly heavy blow as it wiped out his business just as his year's crop of pullets had commenced laying, and were starting to make returns on the money invested.

Former Nova Scotia Vessel Lost

The two-masted schooner, "Effie M. Morrissey", once the pride of the late Capt. Robert A. "Bob" Bartlett, sank at her dock in Flushing Bay Nov. 23, after fire had wrecked the hull and interior of the schooner. The fifty-three-year-old former Arctic exploration vessel, was bought last year by Sydney Jackson, a New York lawyer and insurance man. The cause of the fire was not determined.

The "Effie M. Morrissey" was formerly owned in Nova Scotia and was named for the daughter of a well known Lower East Pubnico family.

Completes Extended Tour

Capt. B. N. Melanson of Gilbert's Cove, one of Digby County's most prominent ship owners has recently returned from an extended trip, taken largely on one of his own vessels — the Pride of Clare, Capt. Chas. H. Melanson — to the West Indies and South America. From here he first went to Boston and from there flew to Miami, Fla., via New York, Washington and Jacksonville.

At the latter place he went on board the Pride of Clare and went to Santa Marta and Semica both Colombian ports. At the latter port he left the ship and flew to Barranquilla, the chief airport of Colombia. After a short stay in that city, he flew to Trinidad, B.W.I., via Tobago,

where he stayed two weeks before taking passage on the Lady Nelson, which landed him at St. John.

Captain Melanson showed us some interesting pictures of the smart-looking Pride of Clare, which is engaged in the banana carrying trade. The vessel looks considerably different from what she did when she left Digby County for the south, having been fitted with eighteen large deck ventilators to carry fresh air into the holds in order to keep the fruit in prime condition.

The vessel's charter was renewed on December 6th for another six months. Capt. Charlie sent his greetings to all his friends in Digby County.

Academy Pupils Present Plays in Aid of Rink Fund

Over \$100 was raised by the Digby Academy Dramatic Club for the purchase of Digby Rink Bonds when they presented two plays at the Scout Hall last week. The plays, which were well presented, were "Nellie McNabb", a farce comedy in one act, and "Tea for Two", a farce in one act.

All of those who took part in the plays acted their parts well and the character portrayal was indeed splendid. Between the two plays a musical interlude was provided. Taking part were Connie Jones and Margaret McLean, who presented a piano duet. Melody Lane was rendered as a vocal solo by Ruth Morehouse and the ever popular "White Christmas" was rendered as a duet by Irene Daly and Ruth Morehouse. A piano solo, "Melody of Love", was presented by Margaret MacLean. This was followed by group singing of Christmas Carols.

The cast of characters for

"Nellie McNabb" was as follows:

Helen Stratford, an attractive social-climbing widow—Dorothy Saunders.

Ursula, her bride-elect daughter—Elizabeth Turnbull.

Daphne, her debutante daughter—Marilyn Campbell.

Rolly, Daphne's boy-friend—Richard Levy.

John Appleford, Helen's author friend—John Roope.

Lottie, the maid—Dorothy Winfield.

TIME: The present; a winter afternoon, about four o'clock.

PLACE: Halifax, Nova Scotia. In the second play the following took parts:

Louise Ainsley, a society reporter—Barbara Perry.

Tom Ainsley, her brother—Bill Hutchinson.

A "Maid"—Marion Warner.

Miss Elliott, the boss's daughter—Annette Muise.

TIME: The present; two-thirty p.m. in early summer.

PLACE: Louise's apartment in Toronto.

Ship Thought To Be In Distress Off Brier Island

Late last night the Courier received a report that flares had been seen by Albert Welch, lightkeeper at Western Light, Brier Island. The flares, red in color, were fired at three minute intervals. Mr. Welch said he counted some ten starting at about six-thirty in the evening. He said he thought they came from a ship some eight or ten miles off the coast. He informed the R.C.M.P., and it is understood the Air-Sea Rescue Unit at Halifax was immediately notified.

At time of going to press, no further details were available, although it is understood fears are being expressed that the ship might be that of Roy Morton which left Yarmouth at three o'clock Tuesday afternoon, and had not been heard of since.

This boat was a small coaster of fifty tons.

Reports from Halifax received late last night, stated that planes from Greenwood were en route to Westport, and would light up the area in an attempt to locate any craft that may have sent up distress signals.

Chester Man Decorated

Virgil Beresford Mader, Chester, this week received the British Empire Medal for outstanding service with the Royal Canadian Army Service Corps overseas. The following citation accompanied the award:

"During the arduous trip from Italy to Holland, Corporal Mader 1st Canadian Medium Regiment Platoon, was in command of his section and was responsible for the safe arrival of the stores and personnel carried. Though the vehicles in use were almost all very old and had travelled thousands of miles, often over almost impassable roads, by his untiring efforts and zeal, these vehicles were successfully maintained and completed the one thousand, two hundred mile journey on schedule. After only a short respite in Belgium, the Platoon once again was first into active operations and this non-commissioned officer played an important role in the dumping programme on the Nijmegen Island in preparation for the final battle launched by the 1st Canadian Corps in this campaign. His efficiency and resourcefulness, his initiative and leadership have been a constant example of the highest order to the men of the Platoon and to all in the Company."

Mr. Mader's brother, Arlington Mader, is an employee of the Holdsworth Drug Store, Digby.

Maine Experiments Shed New Light On Lobster Rearing

The first definite proof of survival of artificially reared fourth stage lobsters when released under "practically" natural conditions has been demonstrated at Winter Harbor, Maine, by Sea and Shore Fisheries Biologists.

Commissioner Richard E. Reed said that more than 25 per cent of several thousand baby crustaceans which were turned loose in a U. S. National Park Service pound early last summer had been found to be in excellent condition and from one and one half to two inches in length.

Reed said that the "fourth stages," which are about one half inches in length, had been released from the routine output of the department's Boothbay Harbor rearing station. The pound which was leased by the State from the park service had been screened prior to receiving the lobsters, to prevent their escape.

"Our biologists were tremendously impressed with the number and condition of the lobsters which they found after draining the pound," he said.

"The fact that many pollock, flounders, sculpins, tomcod, herring, hake and rock eels were found in the enclosure is a further indication that the little fellows know how to elude their natural enemies," Reed declared.

The biologists also indicated that the work should be repeated next summer and that they had obtained new and valuable data on lobster growth rates.

Reed said that the experiments shed a new light on the whole problem of lobster rearing but that a lot more study and research was necessary before the activity could be positively proven to be practical. The rearing station has been

Tenders Called For New High School

Leslie Fairn, Architect for the new Central High School to be built in Digby, was authorized by the Town Council to call for tenders on the construction of the new building after Town Council and School Board had examined and approved the building plans submitted at a special joint meeting of the two bodies. The School Board had previously gone over the plans with Mr. Fairn, as had officials of various government educational departments.

The new school will definitely be a great asset to the town. Built on plain, but graceful lines, the building is of the new approved storey and a half type. Outside finish will be of brick veneer with granite and concrete trim. Windows will incorporate the latest developments in school lighting and glass block will be used in portions of these windows which will be so arranged that all parts of the classrooms will receive almost equal light from outside.

Ten academic classrooms will be included in the building together with Domestic Science rooms, Mechanic Science room which will be so arranged that automotive engineering may be taught as well as other branches of mechanic science. Science and Chemistry laboratories are provided as well as facilities for the study of light, photography and other studies.

All of the classrooms will be fitted with acoustic ceilings and walls, and the latest type blackboards and blackboard lighting will be used. In the Domestic Science Department a model apartment will be included to give the pupils a chance to learn homemaking.

Included in the building is a large auditorium and gymnasium with ample stage space, and a playing floor to accommodate basketball, two badminton courts and full gymnastic equipment. Principal's office, counselling rooms, nurse's room, teachers' and pupils' rest rooms are also provided in the new building.

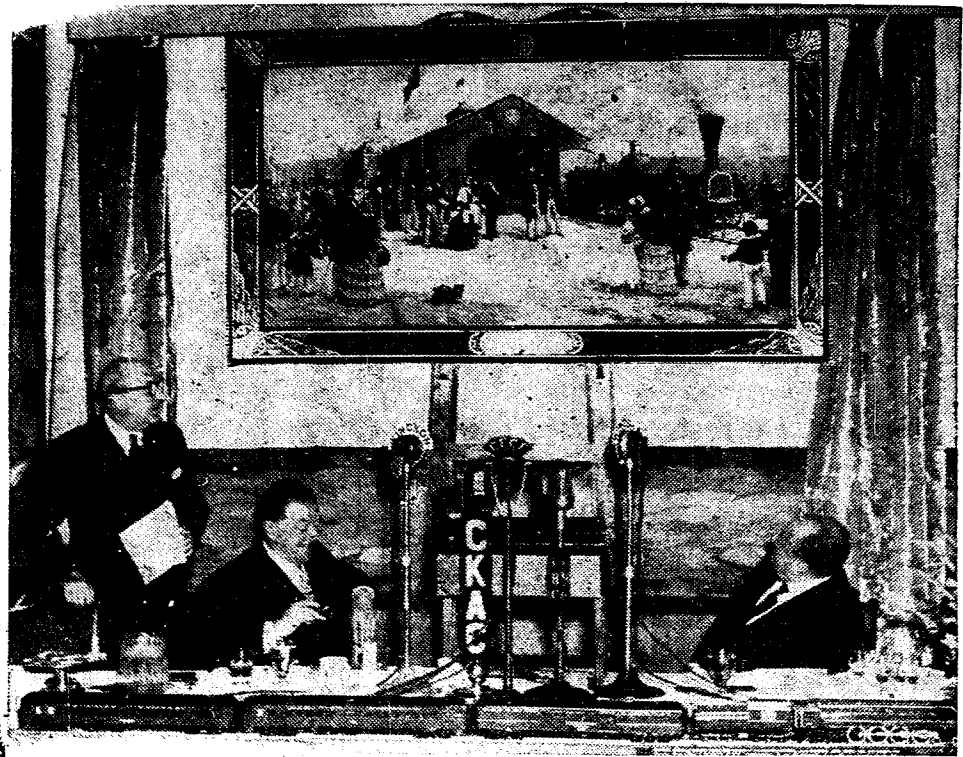

NEW MINIMUM SCALE

The Nova Scotia Minimum Wage Board, operating under the Department of Labor, this week set a new higher minimum scale of pay for women workers in the province. Effective December 15 the lowest legal wages for women will vary from \$13 to \$15 per week in various areas compared with the present levels of \$12 and \$13.

A \$37,000,000 production programme, the biggest in the history of United Kingdom films, has been announced by the J. Arthur Rank Organization. The Companies associated with Mr. Rank are now engaged on 43 full length major feature films. Amongst the other films the Organization is producing are 23 entertainment films specially planned for children.

operating since 1939 on a co-operative arrangement with the U. S. Fish and Wildlife Service. Although many thousands of the young lobsters have been released annually there have been many arguments pro and con as to the rate of survival.

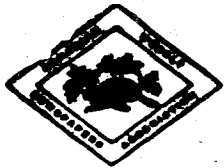

"We placed the station on a 100 per cent experimental basis last spring and hope to keep it under that status until we prove definitely that the rearing effort is or is not beneficial to the industry," Reed said.

Inaugurating the historic day 100 years ago when railway service was inaugurated on the Island of Montreal, R. C. Vaughan, C.M.G., president, Canadian National Railways, presents to the City of Montreal an oil painting by the well known Canadian artist, A. Sheriff Scott, R.C.A. On Mr. Vaughan's left are His Excellency, Viscount Alexander, Governor-General of Canada, and Mayor Camillien Houde, O.B.E. The table decoration, in sharp contrast with the historic scene in the painting, is a model of a modern CNR train.

Letter To The Editor

To the Editor of the Courier:

Dear Sir,—Read with interest the account in your paper concerning the meeting of the Board of Trade held last week to discuss the water situation in Digby. Have also listened with equal interest to street comment evoked by the meeting and the statements made there.

While it may be a commendable thing for the Board of Trade to take an interest in the town's water supply, it would seem that possibly more than an altruistic interest in a serious matter prompted the Board's sudden interest in water or the alleged lack of it.

It does seem rather strange that although when the water shortage in Digby was most acute during the summer months and for a time water had to be secured from Cornwallis to supply the dredge which was operating here, the Board of Trade took no interest in the matter. In fact, so disinterested was the Board in matters concerning the town, no meetings were held from July until December.

Could it possibly be that the interests of a highly placed individual and his failure to secure certain concessions from the town, after these had been refused by a higher authority, together with the fact that a stir concerning water or anything else that might possibly embarrass the Town Council would remain fresher in the minds of the electorate if brought up now rather than way back in the summer, may have prompted the Board's action or, rather, the calling of the meeting?

What did the meeting accomplish beside giving an opportunity for a lot of steam-letting? Even before the meeting was called the Board knew the Town had secured the services of an engineer who was making a survey of the water system with a view to remedying the situation. It was also known his report had not yet been received by the Council.

For a number of years the Board of Trade in Digby had an unfortunate reputation. It was said the organization existed only to "ride" the Town Council whenever possible. This situation seemed lately to have almost passed away. Is it now to be revived? The Board has a place in Digby and a job to do.

It would seem attention to this and a review of the Board's record in its proper field of endeavour might be in order before too much effort was spent in trying to put other organizations "on the spot." It has been suggested the efforts of the Board in this direction may be the work of only a small clique within the organization. If this is so, (and the writer remembers the efforts of some members to have the Board back certain candidates in the last civic election as against others), then apologies are due the Board together with the suggestion that an examination of motives and purposes of Board actions might be in order.

Let it be fully understood, little fault is found with the interest of the Board in the water matter. It is a serious situation in which everyone in town is interested, and one with which Town Councils for years have wrestled. Even former Council members in the Board must admit shortage of water in Digby, particularly in the summer, is not a new thing and the present Council is not the only one which has tried to solve it.

The fault is in the way the matter was handled. A public meeting was called before the engineer's report had been received by the Council, and without the Board having any information of technical value to put before the meeting. Council members were summoned to appear like refractory children before a disciplining parent. Nothing was said or done by the Board when the situation was most acute. It was not until the eleventh hour the Board jumped into the breach with both feet. Positive statements concerning the situation were made during, before and after the meeting, that had no basis in fact and had no backing of qualified knowledge.

Out of the meeting have come recriminations and accusations, unfounded, concerning actions of the Town Council in many other matters beside the water question. In fact, a serious attempt seems to be in the making to line the Board of Trade solidly in opposition to the elected representatives of the people, the Town Council.

This is not a good thing for Digby, and it is something that the majority of Board members do not want to see happen. Domination of any organization by a group or an individual for the furtherance of their own private

Credit Union Meets At Granville

The annual meeting of the Granville Credit Union Limited was held in the Granville Centre Hall recently with 75 members and visitors attending.

The business meeting opened at 8:30 after everyone had enjoyed a fine supper.

In submitting his report, V. A. Eaton, treasurer, showed that capital had more than doubled in the year ending Sept. 30, 1947 and loans had increased in proportion over the same period.

A recommendation of the directors provided for the payment of a two per cent dividend on shares was accepted by the meeting.

Results of the elections were as follows:

Of the two retiring directors, V. A. Eaton was re-elected and Frank DeWolfe was elected to replace Grant Eaton. Norman Nelson was elected to the supervisory committee in place of the retiring member, Firth Balcom. John Troop, retiring member of the credit committee, was replaced by Grant Eaton.

Following the completion of business, everyone enjoyed hearing the special speakers of the evening, Rev. Nelson MacDonald of Dartmouth and Rev. Wm. Pepper of Annapolis Royal. A short talk was also given by Mr. McIntyre of the Co-op Union of Nova Scotia, who was a visitor. His explanation of the common interests of credit unions and co-operatives was of special interest.

aims or a settlement of personal disputes is usually disastrous. Care should be exercised to see this situation does not bring about the end of the usefulness of the Board of Trade.

Church Deficit Cleared

Last Sunday evening was a great time in the history of the Baptist Church in Virginia. As was stated before this church had been repaired during the summer. An inspiring congregation was present. Mrs. Stanley Robar presided at the organ. A large choir sang the good old hymns. The pastor, Rev. Mr. Young gave the message. A small deficit was taken care of by those present.

The pastor and congregation are glad for the work done on this church building. It now presents a splendid appearance.

Evelyn Wright spent Sunday with her mother, Mrs. Eustace Wright at the home of the latter's sister, Mrs. Howard Cress, of Bear River.

Mrs. E. P. Morse Passes At 87

Mrs. Ada Martha Morse, widow of Edward P. Morse, Nova Scotia-born United States drydock magnate, died at her summer home, Clementsport, last Wednesday. She was 87.

Mrs. Morse was the former Ada Martha Gavel of Tusket, Yarmouth County. She married Mr. Morse, a native of Clementsport, and they spent most of their married life in New York. Her husband at one time controlled over half the drydocks in New York. He started out in life as a blacksmith in Clementsport.

Mr. and Mrs. Morse always maintained a summer home at Clementsport.

Mr. Morse was building his beautiful mansion, "Trail's End" at Deep Brook, when he was suddenly stricken and died before it was completed. This property is still the nucleus of the 12 million dollar Cornwallis naval base, the officers' mess being the Morses' former private home.

A woman of sterling personality, she won many friends and was very popular in social circles.

Her daughter, Jessie, wife of Allen Bishop, New York, predeceased her. She is survived by two sons, Edward P. Morse and Roy B. Morse, both of New York who were with their mother in her last illness. There also survive one sister, Mrs. Lillian Kennard, New York, nine grandchildren and five great-grandchildren.

The funeral was from new St. Edward's Church in Clementsport, of which she was a member, on Friday at 2:30 p.m., conducted by the Rev. Karl Tufts, rector, with interment beside her husband in the old St. Edward's Cemetery.

Earl Mosher was a recent visitor at the home of his mother, Mrs. Jean Mosher, First South, Lunenburg Co.

A modern new power house to supply heat to the new Victoria General Hospital and the present hospital buildings began operation a few days ago. Automatically controlled furnaces heat boilers with a steam capacity of 18,000 pounds each per hour. Coal supplies and ashes are handled entirely by mechanical conveyors and no hand shovelling is required. Furnaces are connected to a 200-foot smokestack, the tallest in Halifax. Besides the hospital buildings, the plant also supplies steam to the nearby Provincial Pathological building and Children's Hospital.

OBITUARY

Mrs. Adelaide Baker

The death of Mrs. Adelaide Baker occurred Nov. 30 at the home of her daughter and son-in-law, Mr. and Mrs. Lloyd Longmire, Port Wade, Annapolis County, with whom she had made her home for the past two years.

The deceased, who was 95 years of age, was born at East Ferry, Digby County, in 1852. She was a daughter of the late Mr. and Mrs. Tilson Theriault and widow of the late J. W. Baker, Saint John, who predeceased her twenty-five years ago. She had a friendly disposition, and was highly esteemed by a large circle of friends. Most of her life was spent in Saint John. Mrs. Baker suffered a shock eleven days before her death from which she never recovered. She is survived by two daughters Kate (Mrs. Ellsworth Tufts) of Saint John, and Clara (Mrs. Lloyd Longmire), Port Wade. Four other children predeceased her a number of years ago: Annie, John, Mary (Mrs. Thomas Rose), and Hannah (Mrs. Herman Chase). Ten grandchildren and four great-grandchildren also survive.

The remains were taken to Saint John for burial via S.S. Princess Helene accompanied by Mr. and Mrs. Longmire and Mrs. Tufts. Funeral was held from the G. W. Ross Funeral Home conducted by Rev. F. Christmas Arrives Halifax Dec. 23.

Believe it or not, Christmas will arrive in Halifax on December 23, according to the Canadian National Steamships. But don't get excited, folks, it won't be Christmas Day. It will be Avril Christmas. Avril Christmas is a Trinidad boy coming to Canada for medical treatment under the sponsorship of the Junior Red Cross. He is making the long journey from the West Indies to Halifax on the Canadian National Steamship "Lady Nelson" and will travel from here to Toronto by rail. In the past few years a number of West Indian boys and girls have been restored to health through the interest of the Junior Red Cross in Canada.

Missionary Group Meets

Mrs. Murray E. Elliott was hostess at a tea as a compliment to some ladies who are unable to brave the severe weather later on in the season. Guests included Mrs. Augustus Purdy, Mrs. Belle Burrill, Mrs. J. F. McClelland, Mrs. L. E. Sherman, Mrs. James R. Dittmars and Mrs. Alva Hill. Mrs. Elliott was assisted by Mrs. R. S. Dunn and Mrs. Eric Adams.

The regular monthly meeting of the Women's Missionary Group of the Deep Brook Baptist Church was held at the home of Mrs. George Spurr on Wednesday afternoon, Dec. 10, with Mrs. Mabel McC. Spurr acting for the president who is in Saint John for the winter. Suggestive of the approaching season of Christmas, the music was appropriate to that day, and was under the leadership of Mrs. Dunn who also gave a solo. Possibilities of organizing a Mission Band in the church were introduced by Mrs. Dunn, and discussion resulted in a list of names being compiled for interviews on the subject.

Sale of T.B. Seals

Hits New High

The job of the collectors of Christmas Seals is finished. The committee in charge, Mrs. J. M. Wallis, Mrs. J. Christie, and Mrs. H. R. Bishop, announced the gross sales yesterday had amounted to \$587.25, as against \$492.44 the previous year, a difference of \$94.81. Just \$5.19 more would have made the gain one hundred dollars more than in 1946.

It is gratifying to know the public have responded so nobly and generously to this appeal—the 21st of its kind in Canada. In other words, the Christmas Seal has come of age, and without any coming out parties or special social functions. The generosity of the Digby citizens has made the Seals' 21st year a banner one in Digby. Only a few are lacking in sending in their contributions. The work of the collectors finished and returns have been announced, but the convenors have yet to issue receipts to those who requested them before their job is complete; so there is still time for those promises and donations from the few who have been missed to be sent in to the committee in charge.

The success of the campaign depended greatly on the splendid efforts put forth by the collectors. They were Mrs. L. M. Saunders, Mrs. Basil Porter,

Mrs. W. J. Christie, Mrs. W. K. Ganong, Mrs. J. Russell, Mrs. Vernon Bent, Mrs. Blanchard Mahon, Mrs. W. J. MacMahon, Mrs. Smith Harding, Mrs. Elton Arnold, Mrs. Gordon Ellis, Carolyn Forrest, Mrs. John Abramson, Mrs. Fred Thibault, Mrs. Ted Miller, Mrs. Hugh Perry, Mrs. Kenneth Turnbull, Mrs. Enos VanTassell, Mrs. H. R. Bishop and Mrs. J. M. Wallis.

Others who helped to make the campaign a success were Mrs. A. J. Dillon and the pupils of the Commercial Class by typing envelopes, the business firms by displaying posters, the Capitol Theatre and local press by publicity.

Car Strikes Horse In Head-On Collision

Percy H. Durland of Deep Brook had a miraculous escape from serious injury on Saturday afternoon when the car he was driving hit a horse-drawn vehicle driven by William Hebb of Grandville on South Street, Carleton Place.

Mr. Durland is employed at the gypsum plant in Hantsport and has been working late hours recently. He was proceeding to his home in Deep Brook in his car and fell asleep at the wheel. The car swung to the left side of the road and hit the horse driven by Mr. Hebb head on, according to the police report.

The impact was sufficient to throw the horse to the top of the car which travelled about 60 ft. after hitting it. On orders of Chief of Police C. Coleman of Bridgetown, the animal was destroyed shortly afterwards.

Mrs. Malcolm Todd, of Carleton Place, who was walking along the side of the road, was knocked down by the car as it careened along the left side of the road. She was taken to Soldier's Memorial Hospital at Middleton for X-Ray and medical attention. Dr. O. R. Stone said that several ribs were broken and she is suffering from back injuries.

Mr. Durland was taken to the office of Dr. Gordon R. Mahaney for medical attention and was allowed to proceed to his home after several stitches had been put in a cut on his chin. Damage to the car is estimated at \$200.

Mr. Hebb and his son, Lawrence, who was with him, fortunately escaped with only minor injuries. R.C.M.P. and Chief of Police Coleman investigated the accident.

Mr. Durland stated that he had felt drowsy and had gotten out of the car two or three times and walked around to wash himself as he was anxious to reach home.

Mr. and Mrs. Fred Hamilton of Digby, and Jerome and Frank Amoro of Plympton visited Day Amoro of Plympton, a patient in the Saint John General Hospital, over the week end.

Teeners Critical Of Time Allotted For Meetings

At a regular meeting of the Teeners' Club of Digby held at the Community Hall, Friday evening, Dec. 12, 1947, Ray Underwood of the Kiwanis Club outlined plans for a visit to the Cornwallis Base Hospital on Friday, Dec. 19, 1947.

The program provides for a joint chorus from the Teeners and Kiwanis Clubs to sing Christmas Carols and songs. This will serve as an added feature on the occasion of the regular Christmas visit made each year by the Digby Branch of the Canadian Red Cross.

Mr. C. D. Snow spoke to the Teeners in regard to the availability of the Community Hall for their regular weekly meetings. They were informed that Friday evenings had been allocated to the Scouts and the Teeners; that the scouts will have exclusive use of the main hall until 9:15 p.m., except for a fifteen minute period between 8:00 and 8:15 p.m. when the Teeners will be permitted to pass through and remain in their club room until the Scouts leave.

Discussion ensued both immediately following Mr. Snow's remarks and after his departure. It was agreed that the restrictions governing the fifteen minute period of admission, the confinement to the small club room for more than an hour, and finally the lateness of the evening for dancing or other activities in the main hall would have a decidedly detrimental effect on the Club's membership and activities.

Three Day Christmas Holiday For Troops

Members of the Navy, Army and Air Force will be granted a three-day Yuletide holiday, it was learned in Ottawa. Time granted each man will include

Christmas or New Year's—but not both—and will consist of the statutory holiday plus two working days.

Servicemen, if they wish, may take one or more days annual leave at the same time they take Christmas leave, but must arrange their departure and arrival back at camp so that the leave does not cover both the Christmas and New Year's periods.

Under local arrangements only 50 per cent of all personnel in a camp or headquarters will be granted time off at Christmas. The remainder will be given an equal number of days off duty at New Year's.

LETTER to Christmas

"WONDERFUL weather for Christmas!" Timothy Rowan thought as he tramped home through the snow with an armful of mail from the post office.

But he was apprehensive, for in the bundle was a letter from Caroline, his daughter. Why, he kept asking, would Caroline be writing now, the day before Christmas, unless to tell her parents that she wouldn't be home for the holidays?

Noisily he stamped the snow from his overshoes on the back porch, then walked into the kitchen which was savory with the odor of his wife Rachel's Christmas cooking. Then, as Rachel approached the bundle of letters he had placed on the table, Timothy found himself shrinking from the room, fearful of how Rachel would take the news.

No Caroline for Christmas! Why, never once in her 24 years had Caroline been away. But, then, she was building her own life in the city, now — new friends, new interests. And spending the holidays with two old parents was probably pretty dull.

But how would Rachel take it? If only someone, anyone, would spend Christmas with them to relieve the loneliness! Well, how about young Tom Wakefield, with whom Caroline had once been in love, a fine young chap who didn't have a home, and who probably would miss Caroline this Christmas as much as he and Rachel would?

A few minutes later Timothy was rumping downtown through the snow again, and into Tom Wakefield's garage.

"Merry Christmas, Tom!" he shouted, walking into the small office.

"Same to you, Mr. Stone!" cried Tom. "What can I do for you?"

"Well, Tom," Timothy began, "you can make a couple of old people pretty happy if you'll come to dinner with us tomorrow. You see, I don't expect Caroline will be coming and, well, it would be nice if you'd join us."

"Gosh, thanks Mr. Stone!" Tom answered. He turned red, then pale. "I'll be there!"

Back home, Timothy was reprimanded. "Well, Mr. Stone, where have you been, leaving me all alone with this news about Caroline?" Rachel's eyes sparkled.

"I know, darling," Timothy said. "It's too bad she can't be here for Christmas, but I've asked Tom Wakefield to join us. It'll be kind of nice having him, remembering how he and Caroline used to be so close. You know, I think that boy is still in love with her—"

Timothy found himself shrinking from the room.

Mrs. Stone smiled. "Well, we'd better get busy, since company's coming. Fix a fire in the hearth, will you?" And as Timothy went off on his errand, her eyes followed him, smiling.

The Stone household was a busy place Christmas morning. While Timothy tended his stock and poultry, Rachel fixed the turkey, set the table and then went upstairs to dress. And shortly after noon Tom Wakefield arrived, handsome young Tom, and the three of them sat down in the living room before the fire for a short visit before dinner.

Then an automobile horn blared out front, and Timothy ran to the window.

"It's Caroline!" he shouted, beside himself. "Rachel, come quick! She must have come in on the noon train!"

Then she burst into the room, lovely Caroline, laughing merrily, tossing her bags on the floor and running to her parents.

Suddenly she saw Tom, standing white and tense beside the fireplace, and momentarily her mouth fell open with surprise.

"Oh, Tom!" she cried. "You here, too? This makes it perfect!" And she ran to his arms, while Rachel drew her puzzled husband into the kitchen.

"You may be a pretty smart man, Timothy," she explained quietly as she lifted the turkey from the oven, "but we fooled you that time! You just assumed, because Caroline wrote the day before Christmas, that she wasn't coming home. What she said in the letter was that she was tired of the city and was coming back to stay."

"Of course," she smiled, "I'll give you credit. Poor Caroline's heart was breaking for Tom, so your inviting him here today makes everything perfect!"

Christmas Poem

The time draws near the birth of Christ.
The moon is hid; the night is still;
The Christmas bells from hill to hill
Answer each other in the mist.

Four voices of four hamlets round,
From far and near, on mead and moor,
Swell out and fall, as if a door
Were shut between me and the sound.

Each voice four changes on the wind,
That now dilate, and now decrease,
Peace and good-will, good-will and peace,
Peace and good-will, to all mankind.

—Tennyson.

Christmas Trees, Cribs and Ceppi

Christmas trees and cribs, within respective spheres of influence, provide focal points for observances of the season.

Various legends claim to tell the story of the first Christmas tree; actually, evergreen decorations were so closely associated with pagan celebrations that they were banned by many ecclesiastics of the early church.

According to literature, the first Christmas tree was set up at Strasbourg, Germany, in 1604; even then, the cry rose against heathen customs and, as late as 1851, the Rev. Henry Schwan was severely criticized for setting up a Christmas tree in his church in Cleveland, Ohio.

St. Francis of Assisi received special permission from the pope to present a tableau of the nativity scene. This first crib, set up at Greccio, Italy, in 1223, was an immediate sensation; the renaissance endowed the cribs with ornate pagantry and, modernly, the crib is to southern Europe and Catholic countries what the tree is to America and northern lands.

Eighteenth century Italians were fond of a fantastic decoration called the Ceppo. Pyramidal in construction, the Ceppi were made on a framework of lathes with transverse shelves rising to three or four stories, depending on the over-all size of the Ceppo.

The whole thing was covered with colored paper, tufts, tassels, fringes, tiny pine cones, and little flags; a manger scene was represented on the lowest shelf, while the upper ones were covered with small gifts, etc.; wax tapers were placed along the sides and a large gilt cone ornamented the top. Although the original designer probably never saw a Christmas tree, the Ceppo—aided by a little imagination—bridges the gap between Christmas cribs and trees.

Star of Bethlehem Phenomenon of Age

The Star of Bethlehem has been the subject of extensive research and discussion.

Modern astronomers have considered several natural phenomenon theories without attaching too much weight to any such hypothesis.

Skeptics regard the whole thing as mere invention, colored with Oriental imagery, designed to honor Christ; and faith accepts the star as the supernatural phenomenon which proclaimed the birth of Jesus.

The first chapter of the gospel according to St. Matthew begins:

"The book of the generation of Jesus Christ, the son of David, the son of Abraham . . ."

And confirming Bethlehem as the city of David, the angel of the Lord declared:

"For unto you is born this day, in the city of David, a SAVIOUR which is CHRIST the Lord." St. Luke 2:11.

Considering tradition, which accepts that King David's shield formed a six-pointed star, the Star of Bethlehem appropriately . . . stood over where the young Child was," St. Matthew 2:9.

Rings of mistletoe were worn around the neck in Sweden to prevent sickness.

Baptist Young People Hold Rally

One hundred and sixteen young people, representing Baptist Young People's Unions of the County held their first Rally in the Digby Baptist Church on Friday, Dec. 12. A Christmas party was organized in the hall with Miss Ruth Speights, President, and this is one of some three or four which will be held during the coming year at various places in the county. The evening with the Young People's Unions have shown in the organization some inspiration and that there is a program given by the church. Some twenty present coming all from Freeport and having journeyed up

from the Islands by bus. This was made possible by the generosity of Mr. Guy Morehouse who offered a special fare for the young people for this occasion. From Weymouth to Smith's Cove societies were represented. The number far exceeded any expectation of the Executive of the County Executive.

The facilities of the Baptist Church in Digby were made available for this Rally, and the program took the form of a Christmas party. With the President presiding, and Rev. E. C. Churchill at the piano, the group joined in singing some of the carols. Clayton VanTassel, president of the Digby group, welcomed the delegates to this, their first Rally. Rev. R. S. Dunn, Advisor to the Executive, outlined some of the plans of the Executive for the year, stating that there were plans under way for three or four Rallies to be held during 1948. These, he

said, would be of a various nature — Inspirational Meetings, Picnic Rally, etc.

The hall had been appropriately decorated for the occasion and the program of games was under the direction of the Digby Young Peoples' Group. Each person who attended the Rally brought a present, and upon arrival deposited a slip of paper with their name written on it in a box, and left their present in charge of Marilyn Campbell, and Barbara Perry, who labelled each gift with a name from the box. At the proper time, each guest who had brought a gift was presented with one. This event created no little amusement, since the regulations were that no gift would be in value over twenty-five cents, and could be suitable for either boy or girl. Each gift had to be opened in front of the whole group. The evening closed with a devotional period, led by the Weymouth Group, with Scott Manner acting as leader, assisted by Willis Mullen, Rev. E. C. Amery and others. The theme of the devotions was woven around the Christmas story taken from St. Luke's Gospel, and provided a fitting inspiration for the close of the meeting.

The Young Peoples' Societies represented at this Rally were: Westport, Freeport, Rossway, Weymouth and Ashmore, Barton, North Range, Hill Grove, Digby, Smith's Cove; members of the clergy present were: Rev. F. C. Amery, Weymouth; Rev. R. S. Dunn, Smith's Cove, Rev. E. C. Churchill, Digby. In the absence of Rev. W. S. Howard of Westport, Mrs. Howard accompanied the groups from Freeport and Westport.

Mr. and Mrs. David Doucette and baby are visiting Mr. and Mrs. Fred Amero, Queen St.

The Karry on Club has discontinued its meetings throughout the holiday season.

Impressive Worship Service Held In Digby Baptist Church

A large audience, nearly filling the auditorium of the Digby Baptist Church, joined in an impressive Christmas Carol Candle Light Service held Sunday evening. The pulpit, platform and chancel of the Church was artistically lighted with candles, which provided the light for the choir, and the Minister, while the Nave was softly lighted by two electric lights.

The service had been arranged by the Pastor, Rev. E. C. Churchill, in co-operation with the organist, Mrs. Guy Morehouse, and the Choir, under the leadership of Mr. Hedley Dakin. By the aid of candle lights, the Choir and Congregation joined in singing many of the familiar Carols. These Carols were arranged around Scripture themes, read by the Pastor, from the Nativity stories of Matthew and Luke. A part of the story was read and Carols were sung which had been written through inspiration of these passages. The Choir beautifully rendered two Carols "Once in Royal David's City," and "Brightest and Best of the Sons of the Morning."

Since Carols form such a significant of the Christmas season, this type of worship gave a splendid opportunity to the worshippers to sing Carols with the inspiration of the Scripture in the background. The flooding of the Church with the light from the flickering candles provided an impression which greatly added to the significance of the worship of the evening.

Mrs. Edna Daley of Marshalltown left on Wednesday to visit with her daughter, Mrs. Harry McCormick, East Lynn, Mass.

Candle Lighting Service Held

Led by Mrs. A. J. Dillon and Mrs. A. C. Tingley, the Flamingo Group C.G.I.T. marched into the Grace United Church on Sunday evening to the Processional Hymn, "O Come All Ye Faithful," where they presented their Christmas Candlelighting service. The church, trimmed with evergreen and tinsel, and the girls dressed in their C.G.I.T. uniforms added to the impressiveness of the occasion.

Mrs. Margaret Appleby, senior leader, led the service throughout, and the candle lighters were Constance Kirkpatrick, Shiele Raye Woodman, Dorothy Powell and Betty Turnbull.

Others of the junior group who took part in the Scripture readings were: Myrna Mullen, Barbara Hersey, Isabelle Jefferson, Elaine Fredericks, Jennylou Wallis, Nancy Kirkpatrick, Jean Spray, Edith Hinxman and Marie Comeau.

Miracle Play in Modern Texas Town

LOS PASTORES, the hybrid Spanish - Indian miracle play introduced to Mexico centuries ago by Spanish monks and presented in San Antonio during the Christmas season, is enacted primarily for its spirituality.

A group of amateur actors go from house to house by invitation and because it is traditional that no one prompted by idle curiosity should witness the performance, only the initiated can find the scene of presentation.

Usually someone's back yard becomes the stage; the doorsteps serve as background for the Nacimiento. Manger scene: various objects are set on the stairs; pieces of crockery, tinsel, pincushions, patron saints—anything the household considers especially beautiful. In the center of the lowest step, the Christ Child (a life-sized doll placed on a platter with divers gaudy candy) is surrounded by plaster shepherds, donkeys, etc.

EB-157A

Gerald Rice Heads National Employment Division

Want a \$12,000-a-year job plus \$3,000 bonus? The job's there to be had at Kitchener, Ontario, if you have the qualifications. It's a big "if."

The man who lands this lucrative post must be over 35, experienced in rayons, silks, nylons, fibres and mixtures of filaments, heavy yarns, etc.

"There aren't too many unemployed walking the streets who have those qualifications" said Gerald A. "Jerry" Rice, native of Digby, war veteran, and Acadia graduate, who has charge of the executive and professional division of National Employment service at Halifax.

Looking much like the executive type himself—alert, neatly groomed Jerry Rice is the middleman between the job hunter with executive aspirations and the harassed employer who wants one. He has been instrumental in placing a considerable number of applicants for the higher bracket jobs, for which the take-home pay is by no means peanuts.

Being a veteran himself, Rice adopts a sympathetic attitude toward the returned man who is trying to rehabilitate himself.

A case in point was that of a veteran who had had 17 years experience in a financial house before entering the service. After his discharge the veteran was planning to toss his experience overboard. He didn't want to go back to his old job and was considering a position in which his experience would be of no value.

Rice steered him into a job in which the man could make use of his previous experience and which put him on the road to doubling his salary.

Such service as this has made the E. and P. service a boon both to the applicants and to businessmen who are too busy for time-consuming interviews. An E. and P. liaison official is located in each of the 200 local employment offices of the National Employment Service scattered throughout Canada.

As is the case elsewhere, Halifax employers are making use of E. and P. to provide them with men in specialized jobs that call for executive or professional experience.

Recently the Halifax office placed a superintendent on a construction job at \$400 a month and it has placed many others in positions paying similar better-than-average salaries.

Job applicants don't have a chance to get into this type of pay dirt until they have first been "screened" by trained N.E.S. examiners. If the examiners find the applicant has proven possession of special talents, ex-

perience and education to fit him for the top money jobs, Rice takes over and the follow-through usually means an exhaustive effort to get the applicant placed. It may take weeks, or months, to place an applicant but sometimes employment is found swiftly. Five days after his arrival in Halifax from overseas, one applicant was placed in a job paying over \$3,000. The bouquet for this placement belonged rightly to E.P.

But there's still a sizeable list of Maritime job hunters ranging from 22 to 51 who have professional or executive potentialities. Among this group are lawyers, accountants, draftsmen, chemists, engineers, clerks, a commercial artist, a bookkeeper, a pilot and a clergyman.

On the other hand, employers in Halifax and other parts of the Dominion are looking for a wide variety of top-drawer employees.

Here are some of the jobs and their salaries awaiting the right applicant:

Fur cutters and fitters at Toronto, fully experienced and qualified. Salary \$75 to \$125 a week.

Fur designers and fitters, Toronto, \$4,000 year up.

Chemical engineers at Regina. \$2,500 to \$3,000 per year.

Photogrammatist at Toronto, experienced in third dimensional photography, \$120 to \$300 monthly.

Accountants at Halifax, \$2000 to \$2,400.

Accountants at Moncton \$3000 to \$4000.

Research chemist at Halifax, \$3,000 to start.

Fruit merchandiser at Halifax \$3,000 to \$4,500.

Architectural draftsmen, \$2,400 to \$3,000.

Druggist, \$40 to \$50 per week.

Watchmaker, \$150 to \$225 a month.

Medical research director at Winnipeg, \$4,500 to \$4,980.

Rice reports employers are emphasizing youth in their appeals for help in running their businesses.

A recent release by the employment agency sets out the definition of potential potentes as follows: "All professional and managerial occupations including scientific and technical personnel."

In addition the recommendation suggests the inclusion of the following: agents, and appraisers, secretaries, salesmen, real estate, stock and bond salesmen, and sales agents except to consumers. It is felt the above definition would obviate the uncertainty as to what might be termed borderline cases.

For instance, a hotel cook who gets \$200 a month would not be included because such a case can not be considered E. and P. calibre.

Officials at the employment agency say E. and P. is not likely to play any big part in reducing the ranks of the 3,000 odd

job hunters in the Halifax area who just don't come within the qualification demanded. By comparison with the numbers placed by N.E.S. in run-of-mine jobs E. and P. placements are small. This isn't the fault of E. and P. There just happens to be too many square pegs to fit into the round holes of specialized employment opportunity.

JOGGIN BRIDGE

MARY CRANE emptied the last tub and stood it against the shed to drain, sighing her thanks that if she must wash clothes on Christmas Day the job was at least over and done with by noon. She had just returned to the kitchen when a knock came at the door. It was her neighbor, Hattie Jamieson, decked out in her finest.

"Aren't you the one," Hattie exclaimed, "washing clothes on Christmas Day?"

Mary conceded it wasn't the best way to pass the day, but added that it must be done.

"I wonder if you'd do me a favor?" Hattie asked. "John and Fanny have asked us to come to town for Christmas dinner and the tree tonight. You know, times were a little tough for Henry and me this year, so I took those two little State orphans to board. Now, I don't want to leave them at home alone, and Fanny wouldn't want them to come mingle with her youngsters." She sighed faintly. "Would you let them come stay with you for the evening?"

"Why, of course," Mary replied, smiling. "It will make Christmas for me, who was spendin' it alone. What time will they come?"

"Fanny's sending the car for us about five o'clock, and we'll drop them off here on the way."

After Hattie had left, Mary mused that she didn't suppose the Lord thought Fanny's children too good to mingle with these two orphans, but after a moment she realized there was much to be done. By five o'clock she had walked to the store and spent her few pennies on two tiny pair of red mittens, which were now hanging on the little spruce tree Mary had cut in the back yard. And in the kitchen a hot, hearty supper was waiting.

Mary sat in the living room, waiting. "Lucky I did that extra washing today, so I feel justified spendin' those pennies on the youngsters. Those children must have a Christmas, and maybe—" she sighed—"I shan't have a home another year!"

Waiting there in the old rocker, her head dropped slowly, and Mary Crane fell asleep.

"One thing I'd like to do before dinner," rich old Andrew Craig said to his wife. "S'pose there's time? You remember Mary Crane had some tough luck a few years back. She borrowed money from the bank on her house and couldn't keep up the payments. Well, the directors decided not to give her any more time."

"All tall and bright and—and beautiful."

"I couldn't help remembering our lean years, Sue, when Mary was our neighbor and worked day and night to pull you through pneumonia. So I just gathered in that debt—it was only a few hundreds—and had some papers made out to Mary. I'd kind of like to take them out to her on Christmas night."

Sue pulled his head down and kissed him. "It will take just 10 minutes to pack a basket for you to take along," she reckoned swiftly. "If you drive there and back in half an hour, you can do it. Remember, we have guests coming!"

It was snowing when Andrew alighted from the car. A lamp showed him Mary's kitchen through the window, the cheery tree, and the sleeping old lady. He tip-toed in and placed his basket on the table, papers on top. The latching of the door aroused Mary.

Her small guests rushed in a few minutes later to find Mary holding the papers to her heart, her face alight with joy.

"Merry Christmas, Mary," cried the little girl. "There was a man on your steps when we came down the lane. We saw him plain as could be!"

"You're right," said Mary. "Andrew Craig is a man, if ever there was one."

"Not the man in the fur coat," insisted the child. "It was another just behind him. All tall and bright and—and beautiful."

"Well," said Mary. "I'm not surprised. Some folks might say it was shadows and lamplight and sn. flakes, but—tapping the papers—'wherever there's things like this goin' on Christmas night, I'm persuaded He's there!'"

IT WAS three nights before Christmas and Margaret was packing to go home. Contrary to traditional sentiment, she was not happy about it, for she had planned to stay in New York with Ralph. With considerable forethought she had even planned the day; church in the morning, Christmas dinner with Amy and Bill, a walk down Fifth avenue at twilight, a snack of supper, and the theater.

But Ralph had been invited to a "swell house party in Philadelphia." Margaret slammed down the top of her suitcase. She could have borne up under a Christmas with a lonely mother, or a widowed sister.

"What about me?" she had longed to cry out, but she had, instead, smiled and said that it was just too marvelous, wondering meanwhile if Mr. Johnson would let her have an extra day off. Ralph had only to go to Philadelphia, two hours away, while she had no one within 500 miles!

Several hours later she stood on the porch of a white frame house.

Now she was ready, bag in hand, for the midnight train. As she waited for the taxicab, she smoothed her black tailored woolen frock over her slim hips. If New York hadn't been particularly kind to her, it had at least taught her how to dress!

She couldn't sleep on the train. Closing her eyes, she saw the cluttered desk which she had left at Roswell's Advertising agency, and Mr. Johnston's kindly face when he had told her to go home for Christmas. She saw Ralph's desk in the manager's office, Ralph dancing in Philadelphia, Ralph opening Christmas gifts — and just Ralph, with whom she would never again share good times.

There was a three-hour wait for the local train at Pittsburgh, but Margaret was too tired and depressed to leave the station. After buying a magazine featuring an article on men, and an astrological delineation of her birthsign, she settled herself into the practical task of trying to determine her future in this most unpredictable world. Several hours later, not much wiser but much more weary, she stood on the porch of a white frame house.

The door opened and Margaret blinked.

"I win!" shouted Ralph triumphantly. "She came on the midnight train!"

Mrs. Brown rushed out to the hallway and enfolded her daughter in an ample, motherly embrace. "Margaret! Why child, you're a sight! Your face is as black as coal."

Margaret withdrew herself from her mother's arms and looked at the two of them coolly. "Well, if it isn't asking too much, just what is this? Not a weekend in Philadelphia, I believe!"

Ralph took her bag and magazine and helped her out of her coat. "Don't be like that, Margaret! I bet your mother a box of candy against a mince pie that you'd come down on the midnight train."

"And what, exactly, are you doing here?"

"Margaret!" chided her mother. "I invited myself. A surprise for you, and then I wanted to talk to your Dad about something."

Ralph was awkwardly turning the magazine in his hands. "Jumping fishes!" he exclaimed. "Look at the little red book!" He opened it to a center page, and read: "The natives of this sign are more than likely to have short tempers."

"Give it to me!"

Ralph held it tantalizingly out of reach and Margaret stamped her foot. "Ralph Wells," she said, "I come home for a rest and the first thing you do is make fun of me. If I have a complete breakdown it's your fault. Give me that book!"

"There, there," comforted her mother. "You go upstairs and get washed. You'll feel better."

Margaret started up the stairs, then turned in sudden remembrance. "Are you staying over Christmas?" she asked Ralph.

"I had expected to."

"You might as well. There's a dance Christmas Eve."

At the top of the steps she turned again. "And don't forget, half of that pie is mine. After all, I did the coming home!"

"Okay."

"She's tickled to death to see you," whispered Mother Brown cautiously. She patted his arm, and Ralph understood.

Plympton Man Injured In Train- Car Crash

String Shanks, 36, of Middle Hampstead, N. B., was killed on Friday when a Canadian Pacific Railway train smashed into a truck at Victoria Landing, near Greenwich Hill, 22 miles from Saint John.

James Shiels, 29, Saint John, and Daly Amero, 28, Plympton, N. S., suffered serious injuries and were taken to hospital. Lloyd Shanks, young brother of String, was thrown clear and escaped with a shaking up.

The impact threw the truck more than 60 feet. It burst into flames. The truck was within a few yards of its destination

when the Saint John-bound train, operated tri-weekly for passengers and freight on the Valley route between Saint John and Fredericton, rounded a corner.

Shanks is survived by his widow and three small children. An inquest will be held.

KATE YARROW had so often heard neighbors remark that she would be an old woman before her time, that she had begun to think of herself as quite middle-aged. Actually she was not quite 30, nor had her full days as mistress of the Yarrow household turned her hair gray or her cheeks wan.

Sometimes, since she had taken her mother's place, Kate did think she was imposed upon. But she blamed no one. Her father was generous enough with the money, and she had Martie in the kitchen and old Sam for outside work. But five inconsiderate younger brothers and sisters, a preoccupied father and a grumbling grandfather made a household that required supervision.

For the past two years, Kate thought, there had really been no Christmas. But this year would be different. The brothers, all in boarding school or college, had accepted invitations to spend the holidays with room-mates. One sister was visiting an aunt, and the other had gone south with her exacting but youthful grandfather. And Kate's father was spending the season with a thoroughly capable widow who, it had been whispered, he was considering as a possible second wife.

Bill did not neglect his privilege.

So as soon as the last member of her brood had faded down the driveway, Kate told Martie and Sam to take a two-day vacation — and then settled back to spend Christmas by herself. She ran into the capacious living room and with a completely undignified leap planted herself sprawling upon the divan. Everyone but Kate sprawled on that divan. Kate never had time. Now she would begin the Christmas holidays by staying there for hours.

Before dinner-time she donned her best red evening frock and over this her smock. Then she went down to the kitchen to make herself a meal, admitting for the first time that it was rather lonesome in the old house. She heard loud rappings on the old brass knocker, and went to open the door rather timidly.

But her timidity gave way to annoyance. There was her older brother, Tom, who had started that morning ostensibly to pass the holidays with a group of bachelor friends. And here he was, back — with five young men in tow! They were heavily laden, turkey feet protruding from one of the bundles.

"Well, we began talking it over," Tom said, "and decided Christmas at the club would be a frost. So I asked the fellows to come home with me. I was afraid you wouldn't have things for the feast, so we stopped and got what we thought you'd want. Bill, here, even got mistletoe, though I told him there'd be no pretty girls!"

Then, turning to one of the young men whom Kate had never met, the tactless brother went on. "Bill, this is my sister. Now I'll run along and get the car in the garage. And, sis, you might take the fellows up and show 'em where you want 'em to sleep!"

Bill alone of the young bachelors noted the look of disappointment on Kate's face. Later, after she had prepared an impromptu Christmas Eve supper and laid aside her smock, she heard Bill say from the other end of the table: "I thought Tom said there would be no pretty girls here. Boys, let's drink a toast to Sister Kate!"

It was past midnight that night when Kate left the kitchen. The boys had helped with the dishes under Bill's orders, but there would be pies and puddings to make for the next day and Kate knew she would have her hands full. She was up early to prepare the festive breakfast, and all day she worked in the kitchen.

It was late Christmas night when she had finished the last work in the kitchen. As she passed through the hall, Bill stood waiting for her. There, above them, hung the mistletoe — and Bill did not neglect his privilege.

"It isn't just because of the mistletoe," he told Kate, holding her still close to him. "I loved you when I first saw you. It has been outrageous for us to impose on you this way."

"It's all been worthwhile, Bill," Kate replied, "because I've made myself believe that I was doing it all for you — alone!"

\$460 Raised at Baptist Christmas Sale

Receipts at the Christmas Tea and Sale put on by the Baptist Women's League in the Church Vestry last Thursday afternoon amounted to \$460.

The affair was attended by a large number of people. The Baby Booth, Fancy Work Booth, Delicatessen Booth and Apron Booth were all prettily decorated in keeping with the Christmas season and all displayed a large variety of lovely hand-made articles.

A turkey supper was served by the ladies of the church. Tables were attractively decorated with pine branches, tinted pine cones and lighted candles.

handed over to Canada as part reparations payment. Master of the Beaverbrae is Captain G. O. Baugh, O.B.E., R.D., a Royal Canadian Navy veteran of the Battle of the Atlantic, who quite possibly tangled with some submarines which had been based alongside his new command.

What Became

Of The Puppies?

Quite a mystery developed in Digby over the week end. On Saturday evening a travelling troupe presented a vaudeville show in the Community Hall. Included in the show was a magician who used two small puppies in his act.

After the show, the puppies, together with other equipment, were left in the Community Hall. On Sunday the owner visited the hall to tend the little puppets. When he went to collect his equipment later the pups were gone.

A thorough search was made of the building but no trace of the missing canines could be found. No one had access to the building over the week end so it is thought unlikely they were stolen.

People are wondering if the magician in a careless moment made the pups disappear and forgot the magic words to make them re-appear.

Cheer To Patients At D.V.A. Hospital

Members of the Teeners' Club, some forty in number, the Digby Branch of the Red Cross, and the Digby Red Cross, visited the Cornwallis Veterans' Hospital Friday evening bringing Christmas cheer to the patients at the hospital.

A lovely program of Christmas carols and Christmas songs was presented which the patients greatly enjoyed. One of the loveliest numbers on the program was the solo rendition by Barbara Perry of the Austrian carol, "Silent Night."

Following the program the young people visited the patients and spent an enjoyable hour with them.

Of the 15 students successfully completing this preliminary course, five were from Yarmouth County.

The occasion also marked the opening of a new rest room in the nurses' home, a project that has been successfully sponsored by the Ladies Hospital Aid, and a number of these women were present to participate in the evening's program.

Among the guests of honor for the evening were Col. Frank P. Day, president of the Yarmouth Hospital, Miss Clara A. Caie, also representing the Yarmouth Hospital Society, Dr. G. V. Burton and Dr. L. M. Morton as representatives of the medical staff and Mrs. Fred Rose, president of the Ladies' Hospital Aid.

Academy Holds

Christmas Concerts

Delightful Christmas concerts were held both at the Junior High School and the Academy last week.

The Academy Concerts, which was held in the Community Hall, was a particularly good one and featured many novel and interesting numbers. Each of the young players who took part played his or her part exceedingly well and were a great credit to their teachers.

A feature of the concert was a "Safety Play" which portrayed the dangers of carelessness and stressed the great need for care, particularly in traffic. The play was an excellent one and was written and prepared by the pupils themselves. It taught a splendid lesson and brought home to children and parents alike, the lesson of "Safety first—and always."

Christmas Service

Broadcast To Outside Listeners

The beautiful Christmas music which was a feature of the morning service at Grace United Church and the lovely Christmas Cantata, "The Christmas Vision," which was presented at the evening service were heard not only by worshippers within the church, but also by large crowds which gathered outside.

By means of a public address system the musical part of the services was broadcast to those outside and the lovely strains of the newly installed Hammond organ as the old familiar Christmas hymns were played and voices of the choir with the organ accompaniment sounded most beautiful as they rang out over the snowy countryside outside the church. The music and singing could be plainly heard across the Racquette.

Flora Cann is spending the Christmas holiday at her home in Central Grove.

JOYFUL WISHES

Letter To The Editor

P. O. Box 813,
Texas City, Texas,
December 16, 1947.

The Editor, The Courier.

Dear Sir:
The December 11th issue of the Courier received today. In the first column of the front page, second section, is an item, "New Party Organizing Labour Unions." The first line, "The People's Christian Party (International)," caught my eye.

Now bring out your copy of MacLeans for October 1st, 1947, and read an article, the exact title of which I forget, but it is in effect, "They taught me to be a Traitor."

I believe you will find this same party and its activities described in that article. If I am correct, and if you are not an Uncle Joe Stalin Communist, and if that article is a statement of fact, I believe it will become your urgent interest to warn as far as your paper will reach, as to the true transport of this party. I cannot imagine you a Communist, I am sure I have not tied up two different organizations. If I have I beg your pardon for taking up your time.

As it is my expectation to settle near Digby within the next two years, I am very anxious that I not find myself in a Communist dominated community.

Yours very truly,

JOHN J. WINCHESTER.

Take Part In Carol Service

A group of student nurses of the Children's Hospital, Halifax, formed a large chorus of carol singers heard during the Christmas party arranged by the Gyros and Gyrettes for the little patients of the hospital last Thursday. They sang again during the annual broadcast from the West Ward of the Hospital conducted by "Uncle Mel."

Included among the singers were Mary Webber and Florence Thibault, both of Digby, and Lois Johnson of Mount Pleasant.

St. Patrick's Academy Christmas Cheer For Pupils Present

Christmas Concert

The pupils of St. Patrick's Academy presented a really splendid Christmas concert last Thursday and Friday evenings in the auditorium of the school.

Presented on a stage beautifully decorated with a marvellous scenic background painted by one of the sisters, the concert was a very fine one. The opening number was a song and drill presented by the very young pupils of the school dressed in a long nightgown and carrying a candlestick.

Next came a lovely star drill which was presented with skill and precision and which created a beautiful effect on the stage. Following this, there was a number entitled "The Message of the Bells" presented by the older girls of the school.

The feature of the evening was two plays presented by the pupils, one the story of the flight of the Holy Family into Egypt and their experiences there, and the other a modern play, "Christmas 1947." The pupils who took part in these plays did wonderfully well and played their parts like professionals without a missed line or cue.

Town Well Decorated For Christmas Season

Digby this year seems to have gone "all out" in the matter of Christmas decorations. Every street in town is a blaze of colored lights at night as tree lights and outdoor lights reflect their multicolored radiance on snow.

Many homes have put up lovely spruce or pine boughs around their entrances and twined strings of colored lights in these, creating a very pretty effect.

One of the show places of Digby this year is the Digby General Hospital although most of the decorations are inside the building. A great deal of time and effort has been spent in decorating the rooms, halls, and

Community Hall

Chairman Says Time Schedule Fair

C. D. Snow, head of the Community Hall Management Committee, stated this week that he could not understand the attitude of the Teeners' Club as expressed in a news story carried by the Courier last week concerning time allotted for their weekly meetings in the Community Hall. (This story was not written by a regular correspondent, but turned in at our office, —Ed.)

Mr. Snow stated he had met with the Teeners' Club and had explained the new time schedule to them. Every effort had been made to arrange hours satisfactory to all organizations and the Teeners at their meeting had expressed themselves as being well pleased with the arrangements made for them on Friday evenings.

Friday evenings have always been set aside for the use of the Scouts and Cubs since the hall was first acquired, Mr. Snow said. Due to the fact these groups had been inactive for several years other use had been found for the hall on this evening, but with the re-organization of the Scouts and Cubs, Friday night had been again made available to them.

When the arrangements were first made by the new management committee to allot hours for the hall, the Teeners' Club had been offered Saturday evening which they turned down. They were later offered a night in the middle of the week which they also refused. The unrestricted use of the hall by the Teeners on Friday evenings while Scout and Cub meetings were in progress, caused considerable disruption in the meetings, so some other arrangement had to be made, Mr. Snow said.

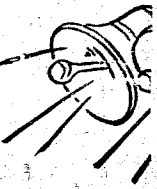

It was decided by the Committee to give the Teeners the privilege of entering the hall from 8 to 8:15 on Friday evenings to go to their clubroom where their business meeting would be held until 9:15 when they would be given the full use of the entire hall for the balance of the evening. It was felt the hour given for the meeting in the Teeners' clubroom would be of good use to the club since a properly conducted meeting with speakers, etc., should take that time at least.

The new schedule for the hall allots every weekday afternoon to the school for Physical Education; Monday evenings are for the girls' and boys' basketball teams; Tuesday and Thursday evenings for the Badminton Club, which is the Club's only source of rental; Wednesday evenings for the Sea Cadets; Friday evenings for Scouts, Cubs and Teeners. As yet Saturday evenings are vacant, but will be used for the school basketball playoffs later.

The new management Committee has been very active and have already done considerable work in installing a new aid circulation system and oil burners. The oil burner will be in operation early in the year as soon as final installation work is completed. A great deal of work is still needed inside the hall which has been allowed to get into a state of disrepair, Mr. Snow stated, and the committee is most anxious to have this done.

Public support is needed, Mr. Snow said, if the hall is to be carried and to provide needed recreational facilities for the use of the youth of the community. Every effort is being made to put the hall in good shape and to operate it satisfactorily. It is available to any organization in town on any night of the week, except Tuesdays and on Thursdays, which nights are already rented to the Badminton Club, for the presentation of plays and other entertainment. Rental fees have been set for local use at \$15 per night plus janitor fees, and for outside entertainment at \$35 per night.

About This and That The Meaning Of Christmas

Today is another Christmas, December 25 on the calendar, the festival that celebrates the birth of the Christ Child.

For two thousand years Christians everywhere have celebrated this great day, the most important day on the Christian calendar.

In this country, and in a few others among those who scored a hard-won victory over tyranny, it will be a particularly happy day, a chance to forget briefly the worry and unrest of modern civilization. It will be a day for gift-giving, plentiful food and drink, a day for song and levity, a break from the humdrum existence most of us experience.

But in far-off China, blood-drenched Palestine, and in other parts of this globe, the rattle of small arms fire and the thump of artillery will drown out the bells of Christendom. For while for some the conflict has been victorious, there is no peace in the world, not the peace of which the angels sang in the Bethlehem night two thousand years ago. Rather, there is mounting testimony of man's inhumanity to man, selfishness, greed and intolerance, revealed in the bold, heavy headlines of the nation's press, the intimidation of the Negro in the Deep South, the Arab and Jew at each other's throats, the political intrigue at the conference table, the feverish race of the world's scientists to perfect the jet plane, the rocket missile, the atomic bomb.

Christmas is a time for the practise of all the great virtues of Christian living, when palace and cottage open their doors to each other, when men shall pause, regardless of station, on their busy way, to clasp each other's hand and accept each other in a common salutation, when materialism gives way to the spiritual quality of happiness, when all men will pause to catch the warmth of a child's song, to thrill to the happy laughter of the young on this day of days.

Let us, then, at this Christmas, strive to attain the great qualities, intensely personified in He Whose birthday it is, for unless we do, how can it be a "Merry Christmas?"

The Night Before Christmas

(Print Shop Version) with apologies to the author of the beautiful and well known poem of the same name

It was the night before Christmas
And all through the shop,
Not a creature was stirring,
Not even the cop
Who, while pounding his way up and down his long beat
Would try every lock on each door on the street.
The lino was silent, the metal pot cold,
The slugs in the galleys were still standing bold
Like so many soldiers out on review
And the proofs were all pencilled
And marked up in blue.
The presses were sleeping,
The rollers washed clean,
The work on the job-hook looked rather quite lean.
When all of a sudden, like so many mice,
From out of a form came so many type lice.
They all made a bee-line to climb the case stand
And swiped the comp's stick, this bold little band,
They found the bold faces, the 60 point stuff,
And dragged out the letters till they had enough,
And the smartest and biggest measured some rule
(They let him be foreman, 'cause he went to school)
And they struggled and fretted to set up each line
And then pulled a proof that looked mighty fine;
Then as they scattered they left it behind
Where the compos, the result of their frolic, could find
The message they left for each friend of this sheet,
It's as old as the hills, but still mighty sweet—

Christmas

Concerts Held

On Wednesday evening the Waldec West school children presented a very entertaining Xmas concert under the supervision of their teacher, Miss Freda Ring. The singing was especially enjoyed by the large audience. Special credit should be given little Anne and Walter Kaiser for their duet, "Santa Claus Is Coming to Town," which was perfectly rendered.

The tableau representing the Three Wise Men and the Mother Mary with the Christ Child accompanied by the voices of Angels singing Christmas hymns in the distance was well worthy of praise. A silver collection was taken at the request of the audience, and a vote of thanks given Miss Ring by Rev. C. S. Young, followed by the Christmas Tree with gifts and the children's treat of candy and oranges.

On Thursday evening, despite the blizzard and blinding snowstorm, quite a number attended the school concert held at Waldec East with their teacher Mrs. James Robbins presenting a fine program, the pupils showing much talent in public speaking and acting.

"Miss Primm's Christmas Shopping", a monologue by Irma Geyer, and "Uncle Herman's Cold," a dialogue, with Vaughn Henshaw, Joyce Boudreau, Irma Geyer, Bob Jefferson, Wilfred Jones, Shirley Wright and Maxine Henshaw taking parts, brought applause from the audience. A vote of thanks was given Mrs. Robbins by Rev. C. S. Young, followed by a silver collection and the arrival of a very jolly Santa Claus who gave all candy, oranges and gifts.

We have looked forward to this time of year when we could have the opportunity to wish you all a Merry Christmas, a Happy New Year and to thank you sincerely for your appreciated patronage.

According to a report received by Town authorities from the Medical Health Officer, Dr. E. D. Dickie, the town water supply is now free of contamination and may be used for human consumption without boiling.

Looking Back to Other Days

As "Tom" Tells It

Today is Thursday. I am at home, and glad of it.

What a delightful snow storm from the southwest, reminding me of other days. I have watched it since 11 o'clock a.m. First the great black clouds coming over from the southwest — almost complete darkness — then snow in plenty covering the trees and shrubbery a glistening white. Sunshine broke through the clouds seemingly to have a peek at how nature looked. This all happened in half an hour. Heavy dark clouds and snow came again and is still doing a good job.

My thoughts went back to the olden days in Digby when snow banks along Warwick street were as high as the telegraph poles. I remember one winter it snowed for several days completely filling in what was then called the "Town Hollow," just below the Digby Hospital. Starling's Coaches, running daily between Digby and Yarmouth with mail and passengers were held up for several days. Finally the citizens of the town called a meeting and decided to dig a tunnel through the fifteen feet of snow in the "Hollow." They were on the job at daybreak with pick and shovel. It took them all day and well in the night, but they succeeded in clearing a tunnel. The large coach, set on bob-sleds, with four horses and many sleigh bells, with "Ned" Cousins and "Bob" Newcombe in charge,

came galloping through the tunnel and over the hill. What a sight and what a send-off they got. The tunnel was dug twelve feet high and twelve feet wide, with a three foot covering of snow above. When the storm had ceased, it became very cold, and the tunnel remained intact for several days.

The above is true—"believe it or not." It happened about 75 years ago. I doubt if anyone in Digby remembers the incident. I was born and lived nearby. The good housewives in the vicinity served hot tea, coffee, sandwiches and crullers to the men who laboured. I don't believe even Will VanBlarcom remembers the above. He has not told me any new ones lately. I even know the story about "Did I ever hear an Angel speak" and "Vinnie, where is my other glasses." I think I got Will on this one. However, he can try.

Please pardon me, Mr. Editor, for intruding on your newspaper space. I am very much alone today—except my thoughts and they seem to be of the past. Not even Stanley put in an appearance for a game of cribbage.

**No Umbrellas?
Then No Faith**

I do not know if there were any prayers offered for today's storm, but it reminds me of a special service held at Jordan Town, or Weymouth Falls, many years ago, that could be mentioned here. There had been

a dry spell for many months—the wells were dry, and the crops needed rain. The deacons and brethren of the church called on the Parson and requested him to call the congregation together for a service and have special prayers for rain. He consented to do so. On the evening of the service, the meeting house was filled with brethren and sisters. Before starting the service, the Parson left the platform and walked up and down the centre aisle, quietly looking in each pew. On returning to the platform, the Parson looked over the congregation and said: "Brethren and Sisters, before I start this service, I want to make one request. Will all the folks present who have the right kind of faith—and sufficient thereof—please hold up their umbrellas?" Not one was shown. He then said: "Brethren and Sisters gathered together here, if the rain had come, you would all be soaked. I warn you—increase your faith and come some other time. I dismiss the congregation."

It is a good lesson on Faith for the Boys, J. J.

I feel better now. Have had no one to talk to today (except "Sport" the dog—we converse all the time and we understand each other), but a little chat with your readers, through the Courier, helps a lot.

Merry Christmas and a Prosperous and Happy New Year.

From now on, month by month

YOUR WAR SAVINGS CERTIFICATES

can be cashed!

The payoff on War Savings Certificates has begun. Right now all War Savings Certificates issued in May 1940 are being redeemed by the Canadian Government at their full face value.

On or after December 15th, you can redeem all War Savings Certificates issued in June 1940... and so on, month by month, for the next few years.

If you are among the thrifty people who own War Savings Certificates, NOW is the time to look them over, sort them out by months and as they fall due, endorse them and mail to Ottawa as described on the back of each Certificate. A cheque for the full face value of each Certificate will be sent to you in due course.

But here is another suggestion...

Have The Royal Bank of Canada do all this "office work" and sorting for you. Save yourself the bother of searching out the right pieces of paper each month, endorsing them and mailing them off to Ottawa.

Here's what you do: Bring all your War Savings Certificates which you have at home or in your safe deposit box, to your nearest Royal Bank Branch. We will put them in our vaults for safekeeping.

As the Certificates fall due, we will cash them for you and deposit the full face value (which includes interest) in the savings account of the registered owner, automatically. If you have no account with us, we will open one for you for this purpose.

The cost of this service, including safekeeping until your Certificates mature, is low, as the following table shows.

SAFEKEEPING CHARGES FOR WAR SAVINGS CERTIFICATES, INCLUDING AUTOMATIC REDEMPTION WHEN DUE—

For each	\$5 Certificate	15¢

"	" \$100	"	55¢

• If your Certificates are already lodged with us for safekeeping, we will arrange for their automatic redemption, as described above, at a nominal charge of 5¢ per Certificate, regardless of the face value.

Christmas Services

Held In Digby

Baptist Parishes

Large congregations gathered for worship at all the services of the Digby Baptist Parish on Christmas Sunday. At Digby in the morning, the Pastor, Rev. E. C. Churchill spoke on the text, "The Word became flesh, and tarried among us," while the Choir sang the anthem "There's a Song in the Air", and the Male Quartette, composed of Earl Dormand, Guy Morehouse, Hedley Dakin and Pat Vance sang "The Guiding Star."

In the afternoon at Hill Grove the children of the Sunday School presented a concert of Readings and Exercises, under the direction of Mrs. John Murrey, superintendent, assisted by the teachers of the various classes. Organ solos of the Christmas Carols were rendered by Marilyn Marshall and Elia Franklyn. A large number of the parents and adults of the community were present for the splendid presentation by the children and Young People. At the three o'clock service the choir sang "And She Brought Forth Her First Born Son," and "Angels From the Realms of Glory." Mr. Churchill spoke of the significance of the revelation of God in the life of Jesus Christ. At the conclusion of the service Mr. and Mrs. Churchill were completely taken by surprise when Duncan MacKay, on behalf of the congregation, presented them with a lovely blanket as a Christmas gift.

In Digby in the evening about one hundred and seventy-five people listened to the presentation by the choir of the Cantata "The Chorus in the Skies." Preceding the Cantata the Minister read poems that told in modern mood the story of the Birth of Christ. The Cantata was one of the most beautiful ever presented by the choir. It blended the strains of the familiar carols with new musical settings of the Scriptures from the Nativity scenes. The presentation of this service of song was under the direction of Mrs. Guy Morehouse, organist and Hedley Dakin, Choir Director.

The individual renderings of the chorus were done by Mrs. Wilga Snow and Mrs. Churchill taking the soprano obligato parts; Mrs. Churchill and Mrs. Weir in the soprano and alto duet; Mrs. Reg. Weir singing the alto solos; Guy Morehouse and Earl Dormand singing the tenor parts; and Pat Vance rendering the bass solo. The congregation listened with rapt attention to the presentation of this beautiful rendering of the Christmas message. Each part, whether by choir or by the individual parts, had the gracefulness and splendor of good music well done by the twenty members of the choir. It is anticipated this Cantata will be repeated on Sunday evening, January 4.

HE'S A CANNED MILK BABY

Thirteen-months-old Terry Stutt, son of Mr. and Mrs. Percy Stutt, Hamilton, beams gleefully amid the 315 cans of evaporated milk he consumed in the first nine months of his young life. Terry went on the "can wagon" a few days after he was born in Western Canada and his parents saved all the tins he had used until he graduated to fresh milk a few months ago. Consumption of evaporated milk in Canada will double in the next three years, according to spokesmen for the American Can Company, the country's largest can manufacturer.

the Birth of Christ.

Reports were received from the various committees and plans were made for packing and distributing Christmas Cheer Boxes to the shut-in people of the community.

The Christmas program, in charge of Mrs. Laurie Thompson, consisted of readings, carols and a Bible Quiz, after which Mrs. Chester Kaulback, acting as Santa Claus, distributed a gift to each member and guest from a prettily decorated Christmas Tree.

Delicious refreshments were served by the committee in charge.

The meeting closed by the Mizpah Benediction.

Spans the World

Movement of Canadian food and food products from the farms of the Dominion to the United Kingdom was job of the year for Canadian Pacific Railway and steamship facilities. Top left picture above shows New Brunswick potatoes being loaded on the Beaverburn, one of the Canadian Pacific's fleet of cargo ships which has come to be known as the "B.U. (Bread Unit) fleet" on the other side. Bottom left picture shows one of the new Canadian Pacific box cars, deliveries of which began at about the same time as the heavy grain movement from the prairies to the coast, following this year's harvest. It was also one of the first cars on which the Canadian Pacific slogan "Spans the World" appeared. Picture at right shows 1,500 horsepower diesel-electric road engine which was tested by the C.P.R. under all types of operating conditions to see if and where it would be used to advantage over steam power.

Special Services Are Held

A day of special significance to the churches of the Deep Brook United Baptist pastorate was observed recently when Dr. Waldo C. Machum, general secretary of the Baptist Federation of Canada, as well as being general secretary of the Maritimes Baptist Convention, was the guest speaker in the churches.

The Sunday was observed as a denominational day, with particular emphasis on the enterprises of the whole church all over the world. Dr. Machum delivered inspiring addresses in Smith's Cove, Deep Brook and Clementsport, stressing the objectives and work of the denomination.

The worship services under the direction of the minister,

Rev. R. S. Dunn, featured outstanding choral work by the three choirs, as well as solos by Mrs. R. S. Dunn.

A significant feature of the day's activities was the ordination of three deacons in the Deep Brook United Baptist Church; the following members of the church having been unanimously accepted by the church some weeks ago as deacons, were ordained: Sheldon Sproule, Eber Peck and Walter Ditmars.

An impressive service of installation, conducted by Rev. R. S. Dunn, was held in the worship service, with Dr. W. C. Machum offering the installation prayer.

During the last denominational year all three churches on the circuit have made splendid contributions to the work of the Convention, as well as having had several accessions to their

membership, either on transfer from other churches or by baptism.

THE RUSH IS ON - 150,000 cards and letters and between 5,000 and 6,000 bags of gifts and other Christmas mail are being handled each day out of Moncton for all sections of the Maritimes and to Quebec points on Canadian National Railways trains. The post office staff at the C.N.R. station had to be increased by 70 per cent to handle the heavy volume of holiday mail. The rush began on December 15 and will continue until Christmas eve, says G.L. Shipp, postmaster. Just how much mail is being handled may be judged from the above photographs. In the top photograph hundreds of bags of mail are shown piled high on wagons ready to be hauled and loaded into C.N.R. mail cars. The lower photograph shows two workers busily engaged in unloading mail at Moncton Station. Photograph - Canadian National Railways.

MARRIAGES

Stanton - Haight

The home of Mr. and Mrs. Burwell Stanton at Weymouth North was the scene of a pretty wedding on Monday evening, December 22, when Rev. F. C. Amery solemnized the marriage of their only daughter, Reta Ruth, and Donald A. Haight, son of Mrs. Warren Haight of North Range and the late Curtis Haight.

The bride, who was given in marriage by her father, was becomingly attired in a street length dress of sapphire crepe with black accessories, and wore a corsage of pink and white chrysanthemums.

Miss Georgia Haight, sister of the groom, was bridesmaid, and wore a romance blue crepe dress with accessories of the same color. Her corsage was rust chrysanthemums. Carman Stanton, brother of the bride, was best man.

The ceremony was performed under an arch from which were suspended pink and white streamers and a large white wedding bell. The Wedding March was played by the groom's mother, Mrs. Warren Haight.

Following the ceremony refreshments were served by Mrs. Florence Cann, sister of the groom, and Miss Hilda Hogan. The happy couple will reside at Weymouth North.

Roving Chicago Reporter Checks Oldest Christmas Presents

In Chicago, a roving reporter for a daily newspaper was given the assignment to go out and ask various persons what were the oldest presents they had saved from the past Christmas holidays.

What he learned from a young musician was that when he was 12 years old his parents gave him a red, white and blue decorated snare drum. That very drum started him on his professional music career. The musician said it was more than "just a gift" for it had influenced his whole life.

Then the roving reporter asked a housewife what gift she had saved from her early days. She replied that it was a doll given by her mother. Since her mother is dead she keeps it in her memory for it has great sentimental value.

Another woman, a "collection correspondent," told the reporter that when she was eight years old her aunt gave her a doll. She, too, as a fitting remembrance of her aunt, has kept the doll even though little of it remains original, having had to replace its head and clothes. It still retains its charm, she said.

Another young man, a cutter by trade, was stopped and asked what he had saved. He said that the Christmas following the death of his mother, his father gave him her ring. He had it made over to fit his finger and has worn it ever since. He has hopes of passing it on to a child of his own.

Tiverton

Our schools of which Mrs. J. M. Small and Miss Ena Outhouse are teachers, held their Christmas concert in the I.O.O.F. hall on Friday evening, and was very much enjoyed by all. Santa arrived at the close of the entertainment with gifts and treats for both teachers and scholars.

Hartley Powell of Weymouth was in town last week.

Mrs. Judson Robbins has returned to her home here after a number of weeks with relatives in New Brunswick.

Mrs. Thurstone Ossinger has returned home from Sydney.

Those home for Christmas holidays are Miss Esther Clifford and Miss Margaret Ossinger, teaching in Yarmouth County; Allan Perry, employed at Saint John; Delbert Outhouse, attending school at Digby; Miss Bertha Outhouse and the Misses May and Eunice Guier, who are students at the Normal College, Truro; Miss Elaine Small, teaching at Yarmouth.

Entertainment In Aid Of Scout Hall

A splendid evening's entertainment was presented at the Community Hall on Saturday evening by the Three Companions,

travelling troupe, in aid of the Hall. Unfortunately, lack of prior advertising and the fact several concerts had already been held during the week, resulted in only a small crowd turning out.

The show was very good and featured dancers, singers, acrobats, and Rialto, the famous magician. A return performance

will be presented on January 30 and 31, with a matinee on the 30th. The troupe have also been engaged to play at the New Year's ball being held at the Lour Lodge on December 31 by the Y's Men and Kiwanis Clubs.

Christmas Overseas Often Grim Affair

Over a million ex-servicemen and thirty thousand men who "stayed in" will celebrate Christmas this year, and many will recall their Christmases "in action," when it didn't seem a bit like the festive season. The war was only too real and they were playing "for keeps." Here are some of those Christmases.

On Christmas Day, 1943, Canadian soldiers, scrapping with the British Eighth Army in Italy, were fighting in and around Ortona. It was cold, raw and unhealthy, but there was no snow—that came a week later, on New Year's Eve.

At the time, there was an old battered church in Ortona, no different from half a dozen other ruined churches in the hotly contested town, except that in this particular church on this particular Christmas Day, the Seaforth Highlanders from Vancouver decided to serve their Christmas dinner. And serve it they did, but never was Christmas dinner eaten in more incongruous surroundings.

But a word about the Seaforth's themselves. Without a doubt they'd have been the last people in the world to tell you they had time just then to eat Christmas dinner. They were street-fighting in Ortona. Street-fighting, and there wasn't a man there who would have bet you fifty cents that he'd live to see the new year.

They served Christmas dinner in that shell-battered old church and they ate it—one company at a time. That was the only way they could manage it. Sneak in, a company at a time, and when they'd eaten, sneak back and let the next company come in. They piped them in in true Scottish style. When they were seated, and while they ate, the padre, who had managed to put the church organ in some semblance of shape, played Christmas carols. Without quite knowing why, men, who only minutes before had been sighting through the sights of a rifle, sang the carols they had always sung at Christmas.

Company after company they sneaked in, and company by company they were served one of the finest Christmas dinners ever served in the line—turkey, nuts, beer, white table cloth and all the trimmings. A great show, a brave show. And at the end of the block and in the next street Tommy guns answered Schneiders. Men died that day—some with and some without, their Christmas dinner. But that was Christmas; that was war.

In Holland, a year later, it was a slightly different story. "Sint Nikolaas", according to tradition, came to many children that year from Spain in a barge. He was mounted on a fine white horse and accompanied by a good Peter and a bad Peter. His bag was full, too, which is as it should be, but it held few, if any, toys. Canadian soldiers stationed in Holland felt particularly bad about that. How-

ever, rather than disappoint the "kinderen", they had loaded Santa's bag with chocolate and candies, hardtack and tinned meat; outter and jam—in fact anything they could salvage from their rations or parcels from home.

Santa, sponsored by Headquarters 10 Armoured Regiment (Fort Garry Horse) duly arrived at the little village near the now famous Grave Bridge on the road to Nijmegen. On either side of him were his two Peters—the good Peter with a sackful of presents; the bad with a big, empty sack in which to carry away all the children who had not been good. The three drew up in fine style in front of the huge crowd which had gathered. Santa beamed at the children. The children beamed happily back. Then Santa, who quite possibly knows more about reindeer than he does about horses, fell off his white steed. It was probably the biggest laugh those Dutch children had that Christmas.

That year, too, members of the 1st Railway Operating Company, RCE, threw a bit of a Christmas for the younger generation in Beaumont-le-Roger, France. In the "Boche" Theatre built by the Germans early in the occupation, Sgt. Vic Lemieux of Ottawa played Santa to some 250 goggle-eyed kids who really believed Christmas had died with the war.

There was lots of fresh snow in Beaumont-le-Roger that year, and it reminded the Canadian soldiers of Christmas at home. So they had this party for the youngsters and it was a great success. It wasn't much of a party the way the Engineers tell it, but Frenchmen, that Christmas, came in by sleigh from all over the surrounding countryside. Saint Nicholas was in town, and although the grown-ups knew that off duty he was just another guy in Canadian battledress, the kids didn't. And after all, who's Christmas for, anyway?

There are lots of instances when Christmas was Christmas regardless of the circumstances. There were times, as so many Canadian servicemen and ex-servicemen and women will tell you, when Christmas was belated orders and whispered prayers; false courage and sickening fear; hope of relief and black despair. When it was a few soiled and much treasured photographs; a guard duty; a patrol; a letter home. When it was chilled steel and the polished wood of a rifle—the death of an enemy; the passing of a friend.

This year it's different, but not much. This year Santa is still dressed in an Army uniform in Europe and the welcome he'll receive from the underprivileged children will be just as hearty and sincere as ever.

The Canadian soldiers who served overseas during World War II have not forgotten the ragged, starved, dirty-nosed youngsters who bummed them for chewing gum and chocolate in Britain, France, Belgium, Holland, Germany and Italy.

WHEN CHRISTMAS WAS BANNED IN ENGLAND

Christmas was once banned in England. Three hundred years ago the act was passed forbidding any celebrations at this season, and Yuletide was suppressed for sixteen years in that country.

Puritans considered Christmas "superstitious and heathen," so in 1644 lords and commons ordered that Dec. 25, "commonly called Christmas Day," should be kept as a fast.

On Boxing Day, 1659, the Long Parliament was restored. With the restoration there was much work to be done, but Parliament allowed itself a holiday on Dec. 25 and 26, and thereafter the Christmas sittings were at an end.

Even during the war Christmas holidays were not encroached upon.

THE CHRISTMAS CRACKER

As in Canada, no Christmas party in Britain is complete without a box of "crackers." Christmas crackers were first made in Britain about 70 years ago. It was a confectioner and maker of ornaments for wedding cakes with the typical English name of Tom Smith who brought back from a holiday on the Continent the idea which evolved into the cracker. He saw that a French confectioner made his sweetmeats more attractive by wrapping them in tissue paper. A few weeks before Christmas he set his assistants wrapping sugared almonds in this way. The cracker came a little nearer when he thought of making the package more entertaining by placing a loving message inside.

ses, carts, trains, wooden and stuffed animals, motor cars and other toys were manufactured in Army hobby shops across the country during the past year and are now in the process of being shipped to Europe. They will arrive in time to strengthen the belief in Santa of many a European youngster who otherwise, for the eighth Christmas in a row, might have thought the old fellow did not exist. He does—and always will. Unless, that is, he gets an early discharge from the Army, and that is unlikely.

CHRISTMAS GIFTS

When Christ was born in Bethlehem, That first sweet Christmastide, The rich Wise Men, in silken robes, Came hurrying to His side. They brought Him gold and lovely scents From far off Eastern lands, And gave their rubies and their pearls Into His baby hands.

But Jesus lay in Bethlehem Upon His bed of hay, Himself a gift, the richest gift That God could give away.

Now Christ is born in Bethlehem We sing the carol clear, And Christmas is the gladdest day Of all the pleasant year.

For all around our comfy beds, The books and toys are laid, Because of that one Christmas gift That God to us has made.

But Jesus, born in Bethlehem, Stands in the shadows dim, And we must give a birthday gift, Out hearts and lives to Him! —Doris Canham in the Kiddies Magazine.

MARRIAGE

Jefferson - Deveau

On Saturday evening, Nov. 29, at 8 o'clock, at the R.C. Glebe House, Kentville, Rev. Father Durney, united in marriage Miss Lillian Deveau, daughter of Mr. and Mrs. Elizee Deveau, of Hectanooga, and Kenneth Jefferson of Kentville.

The bride looked very attractive in a grey suit with pink silk blouse, a black hat and black accessories. She wore a corsage of pink carnations. She was attended by her sister, Miss Olive Deveau, who wore a navy blue suit, white silk blouse, black hat and black accessories and a corsage of white carnations. The groom was supported by Martin McCluskey of Kentville.

After the wedding ceremony the newlyweds were tendered a reception at the home of Mr. and Mrs. Rene Comeau, New Minas, uncle and aunt of the bride. Mr. and Mrs. Jefferson will make their home in New Minas.

Santa Claus doesn't arrive down the chimney. He comes through an opening of the heart. Dr. and Mrs. E. DuVernet are spending the Christmas vacation in the Ottawa with their sons, Jeff, Fred and Edward.

Cornwallis Cafe will be closed today and tomorrow. Closed New Year's Day and January 2nd. Open Sunday.

Gives Community Christmas Party

Mrs. Eldon Frost of Little River last week tendered a most delightful Christmas party in the hall for the people of the community. Each of the children, from six months of age to sixteen years, received two bags of candies and fruit and money. Each of the parents were also given a lovely present and gifts were sent to those who were unable to be present at the party. The hall was tastefully decorated for the occasion and a huge decorated Christmas tree centred the stage from which Santa Claus distributed the gifts to old and young alike.

Nova Scotia Farmers' Association To Meet In Kentville

The annual meeting of the Nova Scotia Farmers' Association takes place at the Cornwallis Inn, Kentville, commencing January 7 at 8 p.m., and continuing through the next two days. As it has been the custom during the last few years, this meeting will be taken up entirely with the business of the Association.

The opening evening there will be an address by the Hon. A. W. Mackenzie, Minister of Agriculture in Nova Scotia.

During the last few years the work of the Association has considerably changed and now a full time job is being carried on for the members in the legislative and protective field. The various counties have, for the most part, built up strong county associations of their own, and there will be a full report of the activities of these counties given at the annual meeting.

The highlights of the agenda will be the discussions of the 1948 program and of the various resolutions that have been submitted by the counties for consideration. Of greatest interest among the resolutions are ones dealing with Bang's Disease, dairy policy for the province, feed grain problems, fertilizer prices, marsh land and drainage and resolutions dealing with public services.

While voting is limited to the officials, delegates of the organization, all members are privileged to be at the meeting and take part in the proceedings.

Candlelight Service At Port Wade

A very lovely candlelight service was held in the Baptist Church at Port Wade on Sunday evening, Dec. 14, conducted by the pastor, Rev. E. A. Robertson.

The church was beautifully decorated for the occasion with numerous candles, all other lights being extinguished. The program consisted chiefly of the singing of Christmas carols rendered by the choir, with Mrs. Ernest McGrath presiding at the organ. Carols sung were, "Oh, Come All Ye Faithful," "Oh Little Town of Bethlehem," "Silent Night," "It Came Upon a Midnight Clear" and "Hark! The Herald Angels Sing." A very lovely Christmas anthem "Hail! Glorious King" was also sung by the choir. This was followed by a Christmas reading by the pastor. Service closed with the singing of that grand old carol, "Joy To The World."

It is quite a tall order to provide traditional and hearty Christmas dinners for the thousands of guests registered in the Canadian Pacific Railway's coast-to-coast chain of hotels, and judging from the picture of one of the buffets of the Chateau Frontenac in Quebec City, presided over by chef

The Song of Christmas

THE long journey from Nazareth to Bethlehem . . . a new star in the sky . . . heavenly music above the hills of Judea . . . the swift journeying of the Shepherds . . . Mary and Joseph and the new-born Child . . . the coming of the Wise Men, with their gifts of gold, frankincense and myrrh . . .

From these inspiring things the Song of Christmas was fashioned more than twenty centuries ago. The years have added new notes of happiness. Carols and song upon the air . . . candles gleaming into the night . . . secret whisperings and laughter in the home . . . greetings going from friend to friend . . . deeds of love and mercy done in the name of a child.

No great symphony or composition can match the Song of Christmas. It rises above the clatter and roar of the city; it throbs through the scattered town and hamlet; it sings through the sunlit islands of the South; it permeates the frozen wastes of the North-land. In ever-widening volume its strains echo around the world.

Before its magic the hosts of darkness take flight. It touches the slumbering chords of memory; it heals old hurts and scars; it binds loved ones in a closer and deeper tie. There are no friendless or forsaken within its sound; under its influence the strong reach out to help the weak. Peace and Love and Joy, these are its loudest notes, and they are for all men. For the Song of Christmas is the greatest of all songs because it is understood by every heart.

Christmas Day

On Christmas Day we repeat the
old familiar greeting that, each
year, in some mystic way rings
fresh and true—"Merry Christmas."
Like such words as "hello" and
"good-by," there really isn't any-
thing else to say that pulls at our
heartstrings as do these old dear
words. And so again we say:

Merry Christmas—to the littlest
ones who skip downstairs in the
gray dawn to ex-
plore their stockings
and the wondrous
tree and to look at
Christmas with the
special radiance of
youth . . . who lend
to the rest of us lit-
tle glimmers of the
real Christmas
glamour.

Merry Christmas
—to father who'll
strain a point any
day to give us all the things we
want . . . who probably works much
too hard and yet keeps younger and
more alert because of the responsi-
bility of a family and the competi-
tion of business . . . who makes the
gesture of tut-tutting all the fuss and
feathers yet beams with affection
and excitement.

Merry Christmas—to mother who
really calls the tune for the holidays
and does the plan-
ning and pulling to-
gether . . . who flut-
ters and bustles ra-
diantly for weeks
ahead and undoubt-
edly has the best
and busiest time of
all.

Merry Christmas—to the butcher,
the baker, the candlestick-maker,
not to mention all those who sold
us shoes and ships and sealing wax
 . . . for what would Christmas be
without them? For through them
we've all been able to share our own
little prosperity in the most whole-
some way of all—by spending it.

Merry Christmas—to dear friends
far and near who've sent us greet-
ings and gifts . . .
most especially do
we cherish the
greetings because
even more than
gifts they express
the true spirit of
Christmas.

Merry Christmas
—to the droppers-in
who come with holiday cheer and
friendship . . . who come to our
parties or stop by to leave a glass
of extra elegant jelly or an origi-
nal privately invented relish.

Merry Christmas—to ourselves, for
that matter. But then we feel pret-
ty sure that we'll have one for we've
put so much work and excitement
and loving getting-ready into it. For
of course we all get out of Christ-
mas just about what we put in.

Those who give themselves grow
richer.

The kindly word, the spontaneous
smile, the thoughtful deed — those
are outward expressions of the
goodness inside the hearts and
minds of men.

Those of us in the newspaper
business must record the little
things that make news day by day.
Often we wish there were less of
pettiness in the world and more of
the spirit of Christmas scattered
throughout the year. But the day
that marks the birth of Jesus
brings with it a rebirth of faith
and hope and a realization that deep
down inside each person there are
Christ-like qualities of unself-
ishness, loyalty and devotion to the
highest principles of God and man.
It is those qualities which make
Christmas the most joyous season
of all.

Truly, there is "joy to the world"
in abundant evidence of self-giving,
of hands clasped in friendship,
of hearty good wishes. How insignif-
icant are the little troublesome
things of the world in the light of
the Christmas spirit that pervades
the world!

And so we again join in the glad-
ness of the season to wish all our
friends and subscribers

A MERRY CHRISTMAS

"Be Thou Well" On Christmas Day

Among the happy customs of
Christmas is that of drinking a wish
for health and happiness to the as-
sembled guests—the early name
used was "wassail."

The name "wassail" is a contrac-
tion of the middle English "waes
hael," meaning "be thou well."

Wassail was usually prepared in a
large wooden bowl. The base of the
drink, which was cider, was placed
in the bowl and other ingredients
added for seasoning. It was then
set on the hearth in front of a log
fire and apples were tied above. As
the apples began to roast, the juice
dripped into the wooden bowl.

Here is a recipe for wassail to-
day:

1 gallon cider, dash of grena-
dine, 6 egg whites, separated and
whipped. Add allspice, cinnamon,
crushed cloves to suit and one pint
of milk or cream.

The Holy Thorn Of Glastonbury

In honor of the Hawthorn, which
legendarily shielded Christ while
he rested in the woods before the
crucifixion, Joseph of Arimathea
chose a thorn staff when he start-
ed on his long journey to Britain
shortly after the death of Christ.
Arriving at last at his new home
in Glastonbury, Joseph stuck his
walking stick into the ground; the
staff began to grow and soon
acquired the habit of producing
flowers each Christmas Eve.

The first literary mention of the
thorn is contained in Hearne's *History
and Antiquities of Glastonbury*,
published in 1722. In this work, Mr.
Eyston states: "Whether it sprang
from St. Joseph of Arimathea's dry
staff, I cannot find, but beyond all
dispute it sprang up miracu-
lously."

When Britain adopted the Grego-
rian calendar in 1753, 2,000 persons
assembled at Glastonbury on De-
cember 25—new style—to see if the
Holy Thorn would bloom in agree-
ment with the new calendar; when
it did not, many refused to partici-
pate in the usual observances of
Christmas. The evil of changing cal-
endars was proven when the thorn
blossomed on January 5—Christ-
mas Eve—old style—and many
ministers in the vicinity of Glaston-
bury appeased their congregations
by announcing that Christmas
would be observed according to the
old calendar.

A cutting of the Glastonbury thorn
was brought to America in 1900 and
planted near St. Alban's school in
Washington, D. C., by the late
Right Rev. Henry Gates Satterlee.
The cutting grew into a tree, blos-
soming for the first time in De-
cember, 1918; since then, it has
blossomed each year at Christmas-
time and attracts thousands of
visitors annually.

Hunting the Wren In Old Ireland

Once upon a time in Ireland, the
wren was hunted and killed on
Christmas morning: a branch of
holly and bright ribbons were at-
tached to his body which was car-
ried from house to house by wren
boys who sang songs and expected
to receive a dole from each house-
hold.

The story goes that during the
Danish-Irish war, the Danes were
resting after an arduous march and
the Irish were creeping up quietly.
All of a sudden a wren, spying a
few crumbs which the drowsy Dan-
ish drummer had dropped on the
drumhead, swooped down and be-
gan to peck at the crumbs. The
pecking awakened the boy, who
aroused the camp: the Irish, driven
off and defeated, blamed the wren.

Modern Irish, ashamed of the
once-honored tradition, say the guilty
bird may have been a starling or a
sparrow anyway, and now welcome
the wren to their farms and homes.

Mexico Did Away With Santa Claus

In 1930 the authorities in Mexico
decided to abolish Santa Claus dur-
ing the Christmas festival as they
considered him out of place in a
country where snow is seldom seen.

The well-known bearded figure
was ousted by Quetzalcoatl, the In-
dian god, half bird, half snake, who
was worshipped by the Aztecs be-
fore the Spanish invasion.

In its new Christmas program,
the southern country has made a

year this big-scale present-giving

On this happy occasion
we wish to you and those

Wassail Bowl For Auld Lang Syne

The Wassail bowl goes around in Scotland and elsewhere—at New Year's time.

The origin of the custom is really lost in antiquity: Saxon ancestors probably quaffed their ale from the polished skulls of defeated enemies, and the Rowena legend must be classified as "presumably fiction."

Rowena is reported to have offered her father's guest—Prince Vortigern—a bowl of wine with the salutation "Lord King, wass-hael," literally, "To Your Health." Draining the bowl with one draught, Vortigern fell in love with Rowena and they lived happily ever after.

Anyway, in time the bowl itself became an ornament of graceful design—decorated with branches of greenery which formed a canopy over the bowl. The mixture within was warm and included ale, sugar, spices, sweetened wine was added by hosts who could afford it, apples floated on top of the decoction, sometimes called "lamb's wool" or the "old man's beard." The poorer classes carried a bowl decorated with ribbons around the neighborhood, begging that it be filled, so they, too, might enjoy the Wassail.

The custom of making short calls on New Year's Day was in full swing throughout America about 1900. Newspapers carried columns of "at home" notices specifying the hours during which visitors would be received. A succession of "open houses" and punch bowls sometimes minimized the courtesy accorded to hostesses—receptions were often "crashed" by bibulous strangers; hence, the publicly announced "open house" custom has fallen into decline and, New Year's calls now being exchanged only by intimates, the Wassail bowl goes 'round in private.

Mistletoe Distinct As Yule Decoration

Mistletoe, that distinctive Christmas green so common in many parts of America, is usually thought of as merely good holiday decoration or as a creator of open season on ladies fair for otherwise bashful swains.

Mistletoe did not always hold this position in our lives. The Druids called it "all-heal," and thought it held many miraculous virtues. The Scandinavians dedicated it to their goddess of love, Friga. Probably this goddess of love is responsible for the custom of kissing under the mistletoe.

The power to heal, to protect against sickness, to perform magic deeds—all these and more are the qualities ascribed to this plant in legends, traditions and even in ancient histories and literature.

Mistletoe is a parasite, which infests branches of various trees of both hardwood and conifers, but mainly on hardwoods. One species is found exclusively, however, on conifers.

Among the Celts and others mistletoe which grew from the oak was considered to have peculiar magical virtues not possessed by that from any other trees. Some even considered it so rare as to be only cut with a gold knife.

Another old tradition is that the mistletoe supplied the wood for the holy cross, as previous to that time it was a forest tree but after the crucifixion was condemned to exist only as a dwarf parasite.

Mistletoe was taken over into the Christian tradition in due course and dedicated to the Christ Child. An old rhyme reads:

The mistletoe bough
At our Christmas board
Shall hang to the honor
Of Christ our Lord.

Edible Manger In Ukraine Rituals

In the Ukraine an elaborate Christmas Eve supper breaks a 39-day fast during which no meat has been eaten. Twelve courses are served, one for each of the twelve Apostles: buckwheat and mushroom soup, pancakes in flax, prunes, ash, bread, and nuts are included in the menu.

An additional course of honey and porridge is also served: called Koutia, the dish represents the holy crib—the porridge represents the straw—as in the manger—and the Holy Infant is symbolized by honey and fruit: the honey is also considered symbolic of the spirit and blood of the Saviour.

The Good Old Times

Christmas in 1847

Christmas in Halifax in 1847 was very different from the one that will seem so good to us this year. The homes were far more independent of the bakeries, candy shops, theatres, groceries, fruit stores and toy shops than they are today. There were no cars and every conveyance on the streets after the first snow-fall had to carry bells. Tinkling bells, in chains, harsh clamoring bells set singly atop the back saddle, ox bells, even hand bells, could be heard from morn until night. Housewives knew the ordinary sleigh bells that went up and down their streets, and so when a strange note was heard they would peer out hopefully, looking for a farmer with his sleigh laden with beef and pork and poultry.

Legend relates that one aged housewife who lived on Morris Street could sit by her fire and tell what rig was passing, simply by listening to the bell. An incredulous caller checked her efforts one morning and found that out of twenty-three passers-by she had made but one mistake.

Preparations for Christmas were begun the first week of December. Mince meat was chopped at home, instead of being purchased. Lard was "fried" in the home, as an entire pig was bought in the late fall, and the carcass cut up as needed. Old "wall" ovens were cleaned out and the cake making was a ritual that occupied several days. The turkeys and the roast beef were always purchased a week or ten days in advance as a big snowstorm might block the highways and prevent the needed supplies reaching the city.

Pop Corn

Corn was bought by the peck and popped as needed. Children loved the task, and many young folk made an evening of the fun. The "popped" article was rolled in molasses and large balls were made. These were usually tied to the tree by a string and, with a plentiful supply of "popped molasses candy," furnished all the sweets needed. Apples were brought up from

the cellar. There were pumpkin pies galore, cranberry preserve, plums and pears. No need to go to the fruit stores at all. Orange peel had been saved for months, dried and grated. No other peel was needed. Plenty of potted meat would do the days between Christmas and New Year when everyone went calling, taking the opportunity to taste each other's cakes, and to drink the home-made wines that were served so generously.

One of the fun-making expeditions of the old times was the "Christmas Boys." Young lads of ten or twelve would array themselves in strange costumes and make the rounds of their neighbourhood, asking for cakes, sweets and money. Three or four went together and often were called in to stand by the fireside and recite some verse or sing a song. With the passing years, however, older boys took up the game until grown youths were making the rounds and acting in an insolent manner. The climax came on the Christmas Eve of 1849 when one gang of youths tried to drive a similar lot from their neighbourhood. One lad took refuge with a gentleman he knew and the pursuing gang burst into the house after him. The householder, incensed at such an invasion, lost his temper and attacked the youths with a knife, killing one and wounding another. He was brought to trial and served a term of imprisonment. Police forbade "Christmas Boys" from that date.

Town Crier

A feature of those days was the Christmas announcements of the Town Crier. He would shout the prices of poultry prevailing, the public events of the week, warnings against over-drinking, and cheerful remarks of his own creation. "Dad" Charker was the Town Crier during the "early forties", and he was the most popular official in the city. His memory was prodigious. It is legend that he knew the ages and birthdays of more than two thousand citizens, that he could name the wedding anniversaries

of every well-known person in the government. Many of his shoutings were neatly rhymed, and it was said that he never made an ill remark about any person, friend or enemy, all through his years of service.

Christmas giving was much more simple then. Wives and maidens knitted articles of wear for husband, brother or lover, usually brilliant scarves or gloves. Home-made dolls and whittled toys entertained and pleased the youngsters perhaps better than do the mechanical

OBITUARY

A. H. Spurr
Relatives in Deep Brook have received word of the passing in Victoria, B. C., at his home, of Lieut. A. H. Spurr, on Dec. 5, following a long period of ill health. Mr. Spurr was the eldest son of the late Capt. W. F.

and Alice (Crosby) Spurr, and was born in Deep Brook 67 years ago. At an early age he went to sea with his father, and later learned telegraphy and served for a time with the Dominion Atlantic Railway, transferring to the Canadian Pacific in 1902 and settling in the western

provinces. Following the death of his wife in 1913, Lieut. Spurr enlisted with a Western Artillery Unit, leaving his four children in the care of his sister, Mrs. Roberta Salter. While serving in France he was gassed twice and during convalescence in England, suffered three attacks of influenza from which he never recovered his health.

After his second marriage, while in England, he returned to Western Canada, a semi-invalid, where he has since resided. Surviving are the widow, his four children, two sisters, Mrs. H. N. MacLaren (Alice) of Manchester, N. H. and Mrs. Roberta Burnstead, Jersey City, N. J. and one brother, Capt. Frank H. Spurr, retired, of New York City, who, it will be recalled, was master of the tanker, Esso Baytown, which figured in the spectacular rescue of "Cavalier" survivors between New York and Bermuda on a cold January day nearly ten years ago.

Mrs. Arthur Charlton

The death occurred on Saturday, Dec. 13, of a well known and highly esteemed resident of Bridgetown, when Mrs. Arthur C. Charlton passed away at her home at Granville St., East.

Mrs. Charlton, who had been in failing health for some time, fell and fractured her hip last June and has been confined to her bed since then. She was 81 years of age.

The deceased was, prior to her

marriage, Miss Emma Jane Cook and was born at Weymouth, one of a family of seven daughters of Mr. and Mrs. Joseph Cook of that place.

She was twice married, her first husband having been James E. Burns of Weymouth, who later went to Bridgetown where he operated a highly successful general retail store until his death in 1899.

Although left with four small children, Mrs. Burns continued to carry on the business until her marriage to Arthur C. Charlton, who predeceased her in 1934.

Possessed of a kindly, generous disposition, she had a host of friends. She was a member of Gordon-Providence United Church and took an active part in its activities until prevented by failing health, being a member of the Women's Missionary Society of the church, and also of the Ladies' Aid.

She has been a member of Autumn Leaf Rebekah Lodge since its organization in 1936, and was a Past Noble Grand of the Order.

Mrs. Charlton is survived by a daughter and two sons; and by four step-sons. Her children are Archie J. Burns of Lincoln Mass., Albert J. Burns, Bridgetown, and Edna (Mrs. Charles M. Cahill), Aylesford. A daughter, Edna (Mrs. Ernest Bauckman) of Everett, Mass., predeceased her.

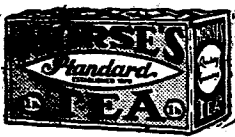

Her four step-sons are Harry Charlton, Braintree, Mass.; Gerald Charlton, Waltham, Mass.; Eugene Charlton, Kentville; Gordon Charlton, Bridgetown. Three sisters survive her: Mrs. Harold Redonette, of Needham, Mass.; Miss Susie Cook, Salem, Mass.; Mrs. Clarence Sabean of North Range, Nova Scotia.

The funeral service took place from her home Wednesday afternoon, the service being conducted by Rev. W. C. Pickett, Gordon - Providence United Church, assisted by Rev. A. G. Robertson of the Baptist Church with a service by members of Autumn Rebekah Lodge.

Music was by the Bridgetown male choir under the direction of Dr. Stone.

Pallbearers were Bradford Hutchinson, Centrelea; Joseph Hall, Hampton; Kempton Hyson and Russel Brooks, of Bridgetown. Interment was in the family plot, Riverside Cemetery.

RED AND GREEN DECORATIONS

The use of green at Christmas time is understandable when it is recalled that the idea of decking churches, houses, shops, etc., centres around the use of evergreen. This custom antedates the Christian era and apparently is a survival of the Roman Saturnalia when inhabitants of Rome ornamented their temples and dwellings with green boughs.

Red, which is regarded as the most cheerful of all colors, is said to react most quickly on the optic nerve. Decorations available at the winter solstice include holly, the berries of which are red.

ON Christmas Eve, Nancy hurried breathlessly into her rooming house. Surely the package from home would be there! But Mrs. Groggins, the ugly little landlady, shook her head.

"Nothing," she said. "The mailman went right by this afternoon."

Up in her room Nancy spent a lonesome Christmas Eve. She read while to forget her hunger, then went to bed. Next morning it was the destitute Mrs. Wilson who awakened her.

"Merry Christmas, Miss Bell!" she shouted, walking into the room uninvited. Nancy was irritated, momentarily, by this highly painted, shallow creature. But she quickly regained her composure. It was Christmas, after all!

"It was swell of you, dearie, to pay Mrs. Groggins a week's rent in advance last night," Mrs. Wilson said, settling herself into the most comfortable chair. "I don't know what would have happened, because I'm caught a bit short just now and couldn't pay!"

Nancy thought fast.

Nancy said it was all right, that she had been glad to do it, but then she felt hungry and remembered there had been no dinner—and now no breakfast. All because of Mrs. Wilson!

"I was just about to drop out for a bite to eat," her visitor explained, "and seeing you're all alone, I thought you might like to come along."

Nancy remembered the lone 25-cent piece in her purse. "Thank you so kindly, Mrs. Wilson," she answered quickly. "But I'm—I'm not feeling so well this morning. I'll just have a cup of coffee in my room!"

About noon she dressed, for Jim was calling for her at one o'clock. What a ravenous appetite she would have.

But one o'clock passed, and no Jim. Nor at 2 or 3, and Nancy's spirits began to give way. Had he, too, chosen to punish her on Christmas?

Downstairs she heard Mr. and Mrs. Groggins welcoming their guests for the day, and she took a vicarious pleasure from it. She heard the dinner bell, the clatter of dishes as they dined, and then the shuffling of chairs as the well-fed guests retired to the living room. By that time it was five o'clock and Nancy sat by her window, figuratively biting her fingernails. She was almost hysterical with fear, and she began to worry.

At six o'clock she put on her coat and dashed down the stairs, head down she knew not where. Perhaps to find Jim, perhaps merely to escape her room. She reached the entrance, turned the knob and pulled open the door—and there was Jim, just arriving!

Tearfully she threw herself into his arms, shivering from fright. "Oh, Jim!" she cried. "Where have you been?"

"But didn't you get my message?" he asked. "I had to work in the laboratory this afternoon, and telephoned Mrs. Groggins at 12:30!" His brow was furrowed.

Just then there was a voice behind them. "Miss Bell!" It was Mrs. Groggins. "A message for you. It came just before dinner, but then our guests arrived and I didn't get around to bringing it up."

Nancy took the slip from her hand, wiping away a tear. She heard Jim cursing.

"Let's get out of here, honey," he said, quietly.

A short time later they were dining by candlelight while a string ensemble played soft Christmas music in the background. Jim looked up from his coffee and smiled, then reached into his pocket.

"There was a big package on your desk at the office," he said. "It came today. From your folks, I guess. Too big to carry with me, but maybe this will take its place."

He reached for her left hand, then for the second finger, and at its tip he poised a diamond ring. Then he looked at her, asking assent.

"Yes, darling," she said softly. "It's the merriest Christmas ever!"

A Christmas Short Story The Day Of Days

Mary Crane emptied the last tub and stood it against the shed to drain, sighing her thanks that if she must wash clothes on Christmas Day the job was at least over and done with by noon. She had just returned to the kitchen when a knock came to the door. It was her neighbor, Hattie Jamieson, decked out in her finest.

"Aren't you the one," Hattie exclaimed, "Washing clothes on Christmas Day!"

Mary conceded that it wasn't the best way to pass the day, but added that it must be done.

"I wonder if you'd do me a favor?" Hattie asked. "John and Fanny have asked us to come to town for Christmas dinner and the tree tonight. You know times were a little tough for Henry and me this year, so I took those two little State orphans to board. Now, I don't want to leave them at home alone. And Fanny wouldn't want them to come mingle with her youngsters." She sighed faintly. "Would you let them come stay with you for the evening?"

"Why, of course," Mary replied, smiling. "It will make Christmas for me, who was spending it alone. What time will they come?"

"Fanny's sending the car for us about five o'clock, and we'll drop them off on the way."

After Hattie had left, Mary mused that she didn't suppose the Lord thought Fanny's children too good to mingle with these two orphans, but after a moment she realized there was much to be done. By five o'clock she had walked to the store and spent her few pennies on two tiny pair of red mittens, which were now hanging on the little spruce tree Mary had cut in the back yard. And in the kitchen a hot, hearty supper was waiting.

Mary sat in the living room, waiting. "Lucky I did that extra washing today, so I feel justified spending those pennies on the youngsters. Those children must have a Christmas, and maybe—" she sighed—"I shan't have a home another year!"

Waiting there in the old rocker, her head dropped slowly, and Mary Crane fell asleep.

"One thing I'd like to do before dinner," rich old Andrew Craig said to his wife. "S'pose there's time? You remember Mary Crane had some tough luck a few years back. She borrowed some money from the bank on her house and couldn't keep up the payments. Well, the directors decided not to give her any more time."

"I couldn't help remembering our lean years, Sue, when Mary was our neighbor and worked day and night to pull you out of pneumonia. So I just gathered in that debt—it was only a few hundreds—and had some papers made out to Mary. I'd kind of like to take them out to her on Christmas night."

Sue pulled his head down and kissed him. "It will take just 10 minutes to pack a basket for you to take along," she reckoned swiftly. "If you drive there and back in half an hour you can do it. Remember, we have guests coming!"

It was snowing when Andrew alighted from the car. A lamp showed him Mary's kitchen through the window, the cheery tree, and the sleeping old lady. He tiptoed in and placed his basket on the table, papers on top. The latching of the door aroused Mary.

Her small guests rushed in a few minutes later to find Mary holding the papers to her heart, her face alight with joy.

"Merry Christmas, Mary," cried the little girl. "There was a man on your steps when we came down the lane. We saw him as plain as could be!"

"You're right," said Mary. Andrew Craig is a man if there ever was one."

"Not the man in the fur coat," insisted the child. "It was another man just behind him. All tall and bright and—beautiful."

"Well," said Mary. "I'm not surprised. Some folks might say it was shadows and lamplight on snowflakes, but—tapping the papers—"wherever there's things like this goin' on Christmas night, I'm persuaded He's there!"

APPLE CUSTOM

Apples play a great role in Christmas customs. In parts of England they are pared and the peeling, taken off in one spiral, is thrown over the left shoulder. Tradition has it that the peeling will form the initial of the person whom the pearer is destined to marry.

The Spirit Of Christmas

By V. M. Snow

"It happens in the heart"

The spirit of Christmas is the same today as yesterday—and will be forever. No matter how world ideas change, or how fast the pace of life, or how far our ideals wander, Christmas still comes to us with a firm reminder of the good things that should be. It brings to us the thought that we are one big family, here on this earth for but a little while to enjoy the adventures of life, needing the warmth of human love and friendship.

Christmas comes but once a year with its symbols of Peace and Goodwill. Love and faith will abound. The Holly, the Mistletoe, the Yule Log, the Christmas Tree; the Turkey, Plum Pudding and Mince Pie; the Stocking; the Christmas Card and the Carols—all go to make the Spirit of Christmas a reality. It is the one season of the year

The First Christmas

Oh, Bethlehem, dear Bethlehem in dreams again I see,
Thy Ancient hills all bathed in light,
And sweet tranquility.
There Mary! gentle Mary!
Among the lowing kine,
Brought forth her babe,
All unafraid!
The child that is divine.

All hail him King, our heavenly King,
Let earth and sea rejoice,
Let praises from all nations sing
In one triumphant voice.

Oh, Bethlehem, dear Bethlehem in dreams again I see,
The manger where the babe was laid,
In deep humility.
And Mary, Blessed Mary,
A joy to her was given,
Bringing to earth this little babe;
This messenger from heaven.

May the Spirit of Christmas be always present and may we as individuals see to it that we help foster the thought.

Faith and Peace

Are Eternal...

TWENTY centuries have passed since the inn at Bethlehem was overcrowded because of Caesar Augustus and his census.

The bigwigs who crowded the inn were committed to oblivion by their contemporaries and, except for the census and resultant conditions at Bethlehem, it wouldn't matter too much if Augustus completely vanished from the history books.

It is generally immaterial that, as puppet king of Judea, Herod fortified the kingdom and kept it out of the clutches of Cleopatra; rebuilt the city of Samaria, and endowed several pagan temples long since crumbled into dust. Few people know, and fewer care, that his wife and two sons were murdered at his command. This sort of a Romanized Jew is remembered chief-

ly because of his hypocritical treatment of the Wise Men and because he authorized the slaughter of the Holy Innocents—and even this deed of incredible cruelty might have been forgotten if the Innocents were not associated with the Babe of Bethlehem who grew into the Christ and bequeathed a new philosophy of love and peace to all mankind.

Some men question what has been accomplished during the 20 centuries since Bethlehem.

True enough, some of the records have been written with indelible inks of hatred and prejudice and splattered with much blood; but cynics had best not rest their argument too confidently upon the gory records written or provoked by men who either did not know Christ or openly rejected his commands.

On the other hand, the glad tidings announced to a few shepherds at Bethlehem have inspired courage and faith and love such as no earthly decree or proclamation has ever called forth.

Faith and Peace are eternal quests—and twenty centuries are mere fleeting moments of Eternity.

If

Children of Provence, France, reverently recite the following before the Christmas eve in the vicinity:

Little Jesus of the Crib—
Give us the virtues of those who surround you.
Make us as philosophical as the fisherman,
Carefree as the drummer,
Merry for exploring the world as the troubadour,
Eager for work as the bugler,
Patient as the spinner,
Kind as the ass,
Strong as the ox which keeps you warm.

Give us the sacred leisure of the hunter.
Give us also the desire of the Shepherd for earthly things,
The pride of the trade of the knife grinder and the weaver,
The song of the miller.
Give us the knowledge of the Magi.

The cheerfulness of the pigeon,
The impulsiveness of the cock,
The discretion of the snail,
The meekness of the lamb.
Give us the goodness of bread,
The tenderness of the wild boar,
The salt of the haddock,
The good humor of old wine,
The ardor of the candle,
The purity of a star.

Propriety of a few of the metaphors may be disputed, nevertheless, nostalgia prompts speculation regarding a world of humanity endowed with the virtues so earnestly and innocently enumerated by the little ones.

Future Foretold By Drowsy Hens

Divinations were an important part of the Christmas festivities in Czarist Russia.

After a special family Christmas dinner, the girls of the household placed five piles of grain upon the kitchen floor: each pile was given a name, such as Hope, Ring, Money, Thread and Charcoal. A drowsy hen was fetched from the henhouse and allowed to walk around the kitchen floor and choose a pile of grain.

Obviously the hen's choice of Money meant wealth; Ring, foretold a wedding within a year; and Hope, promised the fulfillment of a wish or a long journey. If the sleepy chicken chose the grain designated as Thread, a life of toil was predicted for the marriageable maiden of the household; and Charcoal was considered an omen of death in the family.

Old songs were sung to accompany such goings-on, while the girls and women vied to devise complete stories based on the antics of the hen.

Rendezvous

LAURETTE was dining alone in her apartment, while outside the tempo of a New Year's Eve celebration grew in intensity. It was quiet, sitting there by candlelight, a beautiful moment to reflect back over the 12 months just past—except that tonight was so crucial! Tonight the vigil would end, the problem would resolve itself. But which way?

It was a strange thing they had done. Just a year ago tonight, while all New York was going mad welcoming the New Year with raucous gaiety, they had been sitting in this very room—yes, Harry over there in the big arm chair and she, Laurette, in the very chair she occupied at this moment. "Laurette," he used to call her; not "Laurette," but the name everyone else used, but "Laurette," the convenient abbreviation he had invented.

"I'm a failure, Laurie," he had said. "Five years on the same job with nothing to show save a thinning head of hair and an almost empty bank account."

Laurette remembered how she had tried to comfort him, and then the bombshell:

"No, honey," he had said flatly. "It's no use. We can't be married, for I'm merely fastening a millstone around your neck. I'm leaving—leaving you right now!"

She had cried, protested, and then he had agreed to make a game of it. His parting words, still vivid, were:

"If you'll wait a year, Laurie, dear—a year from tonight. If I've succeeded, if I've made something of myself by then, I'll be back. A year from tonight. If not, well, probably you'll never see me again."

She still remembered the firm set of his shoulders as he walked out the door that night, bound he knew not where.

She remembered the questions their friends had asked. Where was Harry? Away on a long trip she had replied, at first. Then she had ceased to offer excuses, and of course the friends stopped asking questions.

Only once had there been word of him, and then only very indefinite news.

"I saw him getting into a cab on Market street," Bill Collins had told her upon returning from a trip to San Francisco. "At least I think it was Harry. Saw him only an instant, though, and I couldn't be sure!"

Midnight came, and the noise reached a mighty crescendo.

So tonight she was waiting. Only God and she and Harry knew how important was this New Year's Eve. Bill Collins had asked her out for the evening but she said, no, she wasn't feeling well and would stay home. Then he asked if he might drop around to her apartment and she begged off. Bill had given her a puzzled look, but only God and she and Harry knew.

Laurette washed the dinner dishes, brushed her hair and straightened up the living room, because Harry used to enjoy sitting in front of the hearth with his pipe.

At eleven o'clock there was a knock at the door, and Laurette's heart jumped. But it was only the lady next door, pausing long enough to extend the inevitable "Happy New Year!"

"What's happy about it?" Laurette wanted to ask her.

She picked up a book and tried to read, but it was no use. Midnight came, and outside the noise reached a mighty crescendo. At that moment Laurette suddenly realized that Harry had failed her: New Year's Eve was over, and he hadn't kept the rendezvous!

Then the telephone jangled and Laurette leaped to answer.

"San Francisco calling Miss Windsor," said the operator. Then a long silence, while Laurette held her breath. Hadn't Bill thought he'd seen Harry in San Francisco? Finally the operator came back: "I'm sorry, Miss Windsor, but our lines have apparently gone out somewhere. I'll have to call you back."

Then Laurette had an idea. "Operator," she asked, "was that call addressed just to Miss Windsor? Wasn't there a first name?"

"Why, I guess so," came the reply. "Yes, here it is—to Miss Laurette, L-a-u-r-e-t-t-e Windsor. That's you, isn't it?"

"I'll say it is!" Laurette shouted gleefully. "But only one person in the world ever called me that!"

"DEPENDABLE ALWAYS"

It's The Spirit That Counts

(by Marcia Carter in the B. C. Farmer)

"I don't know what's the matter with me. I simply can't get the Christmas spirit this year!" How often you have heard that familiar plaint in years gone by and expect to hear it this year. And how many times have you voiced it yourself?

Of course you can't "get" the Christmas spirit because it can't be acquired, like suntan in its season, at the precise moment merchants decide to drape garlands of evergreens and hang holly wreaths. It should be within us all the year around and simply manifested in extra measure at Christmas time.

Ninety per cent of the troubles this old world finds itself wallowing in are due to the fact the "Peace on Earth, Goodwill Toward Men" has become only a phrase on a Christmas card, a card that decorates the mantel shelf for a few days and ends as a cinder in the fireplace.

How many Christmas gifts do you package and how many cards do you mail out that you heartily begrudge? I'll bet you have often muttered to yourself, "I'd so much rather spend the money on poor old Mrs. Perkins but Elleen always sends such elaborate gifts—I simply have to reciprocate, and I can't do both!"

It's appalling when we stop to realize how few Christmas presents are actually given with "goodwill toward men." No wonder we have trouble feeling the Christmas spirit when we barter instead of give!

And you know, I think we do our wealthier friends and relatives an injustice when we strive so desperately to return their

gifts in kind. They love giving us things they know we need or want and can't afford and it hurts and embarrasses them, to say nothing of detracting from their own gifts, when we struggle so hard to equal their generosity.

Oh, I know long years of custom have firmly entrenched this system of barter and it takes a lot of courage to break with custom. And I'll wager a good many of you are growling, "Hmph, I know darn well she doesn't practise what she preaches!" I do—and it did take a lot of courage. (Not the V.C. kind of course, but the kind you women will understand.) For instance, my wealthiest and one of my dearest friends always sends me at least twenty dollars worth of books at Christmas. For years I tried to reciprocate. Then it finally dawned on me that my efforts were making her downright unhappy—to say nothing of denting our slender budget to the point of macaroni three times a week during January. Now I send her a big box of red-berried holly from the garden and I get a lot more thrill and satisfaction when she writes elaborate and detailed descriptions of exactly how she's used it to decorate her house than I ever did from her conventional acknowledgements of other gifts. Last year, for example, she wrote "Your red holly berries in my big silver urn on the foyer table winked a jolly welcome to our Christmas guests and you should have heard the 'ohs' and 'ahs' over the centerpiece on the dining table." I felt like I'd been part of her Christmas!

And isn't that what the essential spirit of Christmas means? A sharing of joy and happiness and goodwill. We'll never attain the Christmas ideal of "Peace on Earth, Goodwill Toward Men"

OBITUARY

Eber Hendricks Turnbull

The sudden death of Eber Hendricks Turnbull of Paradise Row, Saint John, occurred Dec. 17, following a heart seizure. Mr. Turnbull had not enjoyed his usual good health during the last year, but his death came as a severe shock to his family and friends.

Mr. Turnbull was born in Digby on Dec. 13, 1880, a son of the late Eber and Maria (Hendricks) Turnbull, and was of Loyalist descent. For many years he was associated with the wholesale grocery firm of Baird and Peters in Saint John. In 1929 he was appointed manager of the Saint John branch of W. C. Pitfield Co., Ltd., investment brokers of Montreal. He was manager also for a time of Nesbitt-Thomson Co., Ltd.

Mr. Turnbull had a fine record of military service. He served with distinction during the 1st and 2nd Great Wars, receiving the Colonial Auxiliary Forces decoration and three medals. He was commissioned on Nov. 12, 1914, and served in England and France with the British Expeditionary Force with the rank of Major in the Canadian Garrison Artillery. On his return from overseas with the 3rd (N. B.) Regiment Loyal Company of Artillery, he was awarded the Victorian decoration.

On Sept. 2, 1939, he was called up from the reserve of officers and for a time was quartermaster of the No. 7 District Depot at Fredericton. He was a member of the Saint John Branch, No. 14, Canadian Legion.

He had served as provincial treasurer of the Boy Scouts Association for some years, was an honorary member of St. Andrew's Society and a member also of the New Brunswick Loyalist Society and the Scottish rite of the Masonic Order. In religion, Mr. Turnbull was an Anglican and a member of St. John's (Stone) Church.

Surviving are his wife, the former Miss Florence Evelyn Stopford, Fredericton; two daughters, Mrs. J. V. J. Biscoe, Toronto and Miss Evelyn Arras, at home; one son, James Hendricks Turnbull at home; one grand-

daughter; two brothers, Percy Turnbull, Montreal, Toronto, and Bevis, Montreal; and two sisters, Mrs. H. Y. Haines, Halifax, and Miss Helen

... and a happy, prosperous NEW YEAR, too!

It is natural at the Christmas Season to look back over the year; it is then we realize that friendship and friendliness play an important part in making business life more thoroughly wholesome and enjoyable. Yes, it is then that we realize that our many pleasant business relationships make life a happy experience.

It is only natural, too, that we look upon all those we serve as our good friends. And while between friends, it is hardly necessary to express one's feelings, we are mighty glad that the Christmas Spirit gives us an opportunity to pledge anew our friendship for you and to express our gratitude for your good will.

Mrs. Harold Marshall has returned from Halifax where she was called by the serious illness of her daughter, Mrs. C. T. Hill, who, we are glad to report, is improving at this time.

Mrs. Arthur D. Cronin, accompanied by her nephew, Paul Turnbull, arrived Saturday to spend Christmas with her mother, Mrs. F. A. Robinson. Mr. Cronin of West Newton and John Grady of Philadelphia arrived yesterday.

For the first time in many years the tripod and pot of the Salvation Army appeared on the streets of Digby this Christmas season. It is hoped the passers-by will "keep the pot boiling" to help the Army in their great work of mercy.

We extend to our many patrons the compliments of the season, and sincerely trust the New Year may be full of prosperity for you.
