1877-1977

One of the jobs I had to do, besides putting and
grinding down the staff, was to... I cleaned one
and then... One day not long after I started to get to
the grating plant. I decided to climb the floor that
apparently hadn't been cleaned for some con-
siderable time.

"J.J." came along and said, "how are you making out Vince?" I assured him that I thought I was beginning to see the floor. "J.J." laughed very heartily. He thought the remark pretty good and said:

Sometimes the gasoline engine in a piece of machinery would refuse to work, and the "blue" fix-it man had patiently worked for a certain length of time to get it going again, without results. "Ma!" would then stand back and come quite dramatically, then he would immediately start working. "See," he would say, "all it needed was a bit of coaxing."

On other occasions when little girls refused to do for me and seemed to be broken, I would say, "use a little oil" and use another oil that is in value that remark and the actual need of oil in many life situations, applied at the right time, right place and in the right way.

Other things that sort of stick in my memory and come to mind now and then are, like the time I built "Mac," of four teenage boys who in the spring season of 1928 got together just before dark one evening and decided to utilize the newly built outdoor Pines Hotel swimming pool which had just been filled with water. Clothes were taken off near the road just east of the pool; nobody else seemed to be around except the four boys, no thought or time for bathing suits, so in the pool they went. They stood on the edge of the pool and looked at the chilly water, one soon jumped in. The rest quickly followed and across the pool the swim-

rest quickly followed and across the pool the boys
"Mac" inferred to the story and hardly said anything,
but the next "Digby Courier" had a good story on the
episode. The heading of the story went something
like, "Four Boy Swims Officially Open Pines
Hotel Swimming Pool." Who were the boys? Many
years later they are known as: the late Dr. Earl H.
Anderson, veteran of two wars (second world war
Korean), was awarded the Victoria Cross; Squire L.
Smith, now prominent druggist; for many years in
Digby; Clayton D. Snow, Digby wholesale habster
and himself.

As a young teenager I used to like doing some writing about different events interesting to myself and mostly for myself. One day I was asked to me how about writing your version of the story told about "The Marooning of Jerome". A friend and I read at least two somewhat different stories about the man who was found marooned on a beach at some point on the French Shore of St. Mary's Bay, Duxbury County. When I read this man's story, it had been cut out and his legs quite freshly amputated, were surgically well dressed and bound. He was presumably left by some vessel before dawn one morning, all for some mysterious reason.

free trade with the U.S.A., especially with the New England States. The question was then debated by some Digby High School students, one of which was J.J.'s daughter, Florence (now Mrs. Abbott of Thet, Prescott, Digby Co.). Some days after the debate a man from some part of Nova Scotia came to the printing shop looking for Florence, one of the successful debaters. I had the impression that this man was interested politically but, maybe I was wrong.

Well, I felt that I had learned considerable from my short experience at "The Wallis Job Print." I was learning to do beginner jobs: receiving some knowledge about things like embossing, stapling, perforating, counting, cutting and trimming paper stock, mixing inks for certain desired colors, and so forth. Well, the only experience I had at setting type was just enough to make a "go," the printers name for a corrected manuscript.

There was a taste of trying to sell people outside the plant. Work was a little less an early fall day and a "Mac" said to me "how about trying your hand at taking orders for printed personalized Christmas cards?" I tried to make several calls throughout the time at one particular sweet spot and I got an order but

MARRIAGE

Gibney - McCullough
St. Andrew's Anglican Church, Lawrentown, was the scene of a quiet but pretty wedding on Tuesday, Dec. 21, at 2:30 p.m. when Arthur McCullough, daughter of Mr. and Mrs. Conrad Gibney, Miss Cove, became the bride of Russell Arthur McCullough, son of Mr. and Mrs. Ernest McCullough. Sandy Cove, Digby County, Rev. William Chard officiated at the ceremony.
The bride looked charming in a white gingham suit with grey accessories and wore a corsage of American Beauty roses. She was attended by her sister, Judith, Garfield Frank supported the groom.
Immediately after the ceremony a reception was held at the home of Mr. and Mrs. Lester Keddy, Clarence.

OBITUARY

Miss Anna Louise Jagger
Funeral services for Miss Anna Louise Jagger, who passed away on December 19, 1956, will be held at 2:30 p.m. at the Smith's Cove United Church with Rev. Wm. Chard officiating. Burial will be in the cemetery. Interment will be in the cemetery.

Miss Jagger, who was in her 82nd year at the time of her death, was one of the most beloved residents of Smith's Cove. She was born in New York and was a daughter of the late Bishop Thomas Jagger. She spent her childhood in Ohio and later in charge of American Episcopal Churches abroad. She first came to Smith's Cove as a young girl with her parents and took up permanent residence at her home here, summer home, Kelpie Lodge, there some thirty years ago.

Intensely interested in youth work, Miss Jagger was active in organizing Brownies, Girl Guides and Boy Scout groups in the village and gave freely of her time and many talents in developing these organizations.

A talented artist in herself, she was greatly interested in the promotion of art in this area and the development of talent among the people of the district. For a number of years she conducted art classes at her home and was always willing to give advice and assistance to informal artists who came to her for help.

Of a most kindly disposition and a charming personality, she was loved by all who knew her. Her circle of friends included all ranks and walks of life. Widely travelled, she was a keen student of art, a pianist and greatly enjoyed entertaining her many friends at her lovely home at the Point.

Miss Jagger is survived by one brother Dr. Thomas Jagger of Hawaii, a noted volcanologist, and a cousin, Rev. W. O. Kim, singing of Westport, Conn. A niece and nephew also survive.

More than half of the cash paid for the funeral by the Canadian Pacific Railway Company in 1956 went towards payrolls.

Centreville United Church Christmas Concert

The Centreville United Church held their Christmas concert on Wednesday evening, December 21. The church was attractively decorated with evergreen and Christmas trimmings and a large Christmas tree.

The program opened with a carol, "Oh, Come All Ye Faithful," followed by a recitation, "Welcome," by Little Richard Anderson.

The Scripture was presented in the form of a pantomime, Gladys Morton reading the Scriptures taken from Luke, Ch. 2, verses 1-15, and Matthew, Ch. 2, verses 1-15.

The churchmen, were, represented by three little boys, Wilfred Banks, Charles Graham and Daniel Morton. The angel was represented by Joan Titus and the three Wise Men by Jude Ashton, Glenhouse Ford and Richard Anderson.

Gifts and candy were presented by the churchmen and the churchmen.

"Cheerful Carol was 'Joy to the World', followed by the Benediction by Rev. Ralph Knack.

For every day of its existence since 1883 the Canadian Pacific Railway Company has paid more than \$15,000 in taxes.

Centreville C.G.I.T. Girls Hold Party

A Christmas party was given for the C.G.I.T. Girls Juniors of Centreville on December 23rd, at the home of their leader, Mrs. Ronald Marchese. Eleven girls were present and a very happy evening was spent playing games and carol singing.

The most exciting part of the evening was at the later part of the party when Santa Claus arrived to deliver their gifts. The role of Santa was played by Mary Titus.

Prizes were won by Greta Outhouse, Priscilla Marchese, Geraldine Frye and Helen Graham. A prize was also presented to Mary Titus for playing the role of Santa.

The evening and cake was served and a very enjoyable evening spent. The girls all felt well and each other. It was very Merry Christmas.

Digby Motors Announces Incorporation

The firm of Digby Motors this week announces its incorporation and effective January 1st, 1950, the firm will do business under the name of Digby Motors Ltd. The firm of Digby Motors has been long established in the automotive business in Digby. Mr. Forrest R. Eisener took over the business in 1923 when he purchased the building formerly occupied by the location of the corner of Third Street and Prince, William Street, from Mr. C. A. Edwards with whom he had been associated since 1905.

Mr. Eisener increased and expanded the business until in 1929 he moved to the new building, now being constructed in the building occupied by Digby Motors. The present building was built in 1927, he said, the corner of Third Street and Prince, William Street, and the building was moved to the present location in 1927.

Following his sale of the original building of Digby Motors to the oil company, Mr. Eisener increased the size of his remaining building by building an extensive addition on the rear of the structure to serve as workrooms and storage space and added a large addition to the front of the building.

Mr. Eisener, President and General Manager of the newly incorporated firm, would well be called a pioneer in the automotive business in this area. Coming to Digby in 1915 he was first employed in a very stable. Visioning the tremendous future in the automobile industry, he soon left this and became associated with the late C. J. Edinger in the selling and servicing of automobiles which were then a comparatively new development in the field of transportation.

Stories of happenings in the early days of the automotive business in this area as related by Mr. Eisener are most interesting. He states when he first entered the business cars were not nearly the perfected vehicles of today. In those days there were no sedans or closed cars of any sort. The development of the automobile which gave its occupants but scant protection from the weather was hailed as a tremendous forward step in the development of cars. Later, when closed cars did appear, they were high, square and clumsy looking without any of the sleek, streamlined characteristics of modern vehicles.

In the early days of the automobile, there were no service stations as such. The car had to be serviced at the home of the owner or at the garage of the neighborhood. Mr. Eisener's father had a garage and he had to be brought to the car tank in many cases only a few feet away. Clay's Say:

A friendly get-together with the
well-known Canadian author and
columnist.

CHARLES CLAY

Do you know Elsie Hume of
R. R. 5, Milton, Ontario?
Well, you should.
Elsie Hume is the kind of
neighbor of which any commu-
nity can be proud.

In fact there
is an Elsie
Hume in every
community.
The Elsie
Humes of this
world are self-
effacing. They
don't do things
for glory. They
do things be-
cause they
want to help.

Like the
Elsie Humes of
this world, Elsie
Hume of R. R. 5,
Milton, Ontario,
is all her own-
ers. No body
asked her to do it. But
the important things she did.
Elsie Hume of R. R. 5, Milton,
Ontario, is the kind of
neighbor of which any commu-
nity can be proud.

Thousands of Canadians re-
sponded to this appeal generously
enough so that the Canadian
Foundation for Polymyelia
(The Canadian March of Dimes),
of which I have the honor to be
the first president, is now a real-
ity. But it remained for Elsie
Hume to write out by hand ten
copies of Horace Brown's letter
and send it to organizations in
her community.

The other day, The Canadian
March of Dimes received a letter
from Elsie Hume, with which
was enclosed a cheque for fifty
dollars. Mrs. Hume apologized
for not having sent the money
sooner but it had taken so long
to copy out all those letters by
hand! Would the Canadian
March of Dimes please send her
some typewritten copies, so she
could try to get more money.

The Canadian March of Dimes
would and could.
About two weeks later came
another letter to the Canadian
March of Dimes from Elsie
Hume. It contained a further
cheque for \$25.00. This was a
donation Mrs. Hume had collect-
ed from the Nassagawey Insti-
tute, the Nassagawey Women's
Institute, the Lincolnton Women's
Institute.

Altogether, Mrs. Hume has
sent the Canadian March of
Dimes \$133.00.

And apparently she has just
started.

I wanted to know about Elsie
Hume, because I think she's the
kind of neighbor everyone should
have.

I also thought her story might
give you some ideas.
Ideas like starting off the New
Year right by giving a VOR
contribution and help to the Cana-
dian March of Dimes, 410 Bloor
Street East, Toronto.

All during January and after-
wards, the Canadian March of
Dimes is appealing for money to
carry on its great work of help-
ing those who cannot help them-
selves.

Perhaps you cannot do as
much as Elsie Hume, but what-
ever you can do will be gratefully
received.

And your donations will be de-
ducible for Income Tax purposes.
Why not send that cheque or
money order TODAY to: The Cana-
dian March of Dimes, 410
Bloor Street East, Toronto 5?

Make this a truly Happy New
Year for some unfortunate child.
Your donation may help that
child walk again.

If Elsie Hume can copy out ten
letters by hand, you can surely
write out one cheque.

Intellectually, as well as politi-
cally, the direction of all true pro-
gress is toward greater freedom,
and along an endless succession
of ideas. —Bove.

OBITUARY

Edward C. Webber
Funeral services were held in Halifax Sunday afternoon for Edward C. Webber of Digby who died suddenly here late Saturday afternoon.

Mr. Webber, whose sudden passing came as a severe shock to his many friends and relatives, had been in good health until Saturday afternoon, when he was stricken while driving in his car, rushed to the hospital, he died within a few moments of his arrival.

Aged 35 at the time of his death, Mr. Webber was a son of the late Mr. and Mrs. Morris Webber (Shannon) of Digby, formerly of Lunenburg, N.S.

His wife, one, Mrs. Mary Ann Webber, nee (Shannon), of Digby, formerly of Lunenburg, N.S., and one daughter, Mrs. Mary Ann Webber, nee (Shannon), of Digby, formerly of Lunenburg, N.S.

He was a member of the St. John's Baptist Church, and was a member of the St. John's Baptist Church, and was a member of the St. John's Baptist Church.

The late Mr. Webber was active in the business life of Digby for many years and was a prominent member of many of the organizations in the town.

Henry R. Sanderson
The death of Henry R. Sanderson, one of the oldest residents of Waterford, Digby County, occurred at his home on December 14 at the age of 82 years.

He was born in Waterford, though in failing health, his death came as a shock to his family. He will be greatly missed by all who knew him, as he was a kind and ever generous man.

He was a member of the St. John's Baptist Church, and was a member of the St. John's Baptist Church, and was a member of the St. John's Baptist Church.

There are left to mourn his loss his wife, three daughters, Mrs. Elmer Johnson, Waterford; Mrs. Alice Johnson, Waterford; Mrs. Donald Johnson, Waterford.

Funeral services were held at the home Monday afternoon, December 18th, conducted by Rev. W. Anthony. Burial was in the "Good Will Take Care of You" cemetery.

Edward Wallace Brimmer
The death occurred on December 22nd, of Edward Wallace Brimmer at the age of 78 years.

He was born at Lighthouse Point, Digby, son of the late Daniel and Wally Brimmer. He was a member of St. George's Lodge No. 35, I.O.O.F.

He was predeceased by his wife a number of years ago. He leaves to mourn two sons, Vernon and Gerald, of Boston, Mass., and one daughter, Mrs. E. J. Brimmer, of Boston, Mass.

Funeral services were held at the Baptist Church on Saturday, December 21, conducted by the pastor, Rev. E. C. Churchill, assisted by members of the choir.

Clementvale
Donald Perkins had a crew of men moving wood Monday. Hunting rabbits is the order of the day.

The M. M. G. of the Baptist Church held their monthly meeting at the parlour Monday evening. In the absence of the President, Mrs. Watson Potter was efficiently presided.

Miss Thelma Potter, R.N., is returning to Halifax late this part of the week.

Mr. and Mrs. Robbie Gillatt spent Sunday afternoon last with friends at Central Grandville.

Mr. Harold Sanford spent Sunday last with his mother, Mrs. Simpson, Bear River.

The many friends of Mr. Drew are extending to him their sympathy in the death of his wife who passed away December 21st at the home of her brother, Geo. Day.

A man may fall into a thorn and perplexities, but if his heart be upright and his intelligence unclouded, he will rise from them all without dishonor. — Robert Louis Stevenson.

About This and That

Nations Should Be Consistent

We expect people with whom we have dealings of any kind to be consistent. This is a reasonable expectation. It is time to be very much regarded by the associates.

Why do we not have the same opinion regarding nations? A few days ago Great Britain acknowledged the Chinese regime in China and opened full diplomatic relations. Ceylon followed the mother country. And yet both these nations have been condemning communists generally for years. How is it that these nations can get away with this "Good God, Good Devil" business? Looking in one direction there is nothing so easy, as devastating as Communism; then turning their faces in another direction they see Communists as good fellows and are willing to grant them any favor they ask! Gosh! No wonder the world is "out of whack!"

OBITUARY

William E. Crowell
After a short illness the death of William Robertson Crowell of Sandy Cove, N.S., occurred on January 4 at the Digby General Hospital. Known throughout Digby County as "Bill", the deceased was born at Sandy Cove 67 years ago and was the fourth son of the late William H. Crowell and Annella Saunders Crowell. He leaves to mourn his passing his wife, the former Nina M. Crowell, two daughters, Marion (Mrs. Hugh Morehouse); Barbara (Mrs. Roy Stanton); one son, Sinclair Robertson; two granddaughters (Gloria (Mrs. Weidman Stanton); Margy (Mrs. Perry Mossman); two grandsons, Paul Morehouse and Eugene Stanton; also four great grand children.

Also surviving him are five sisters, Helen (Mrs. Wm. Hersey); Anestha (Mrs. Omer Gidney); Flora (Mrs. Geo. Morrill); Mink Cove; Mattie (Mrs. Custer Pat); Louie (Mrs. Ralph Ott) of Bridgeport, Conn.; two brothers, Arlington G. Crowell of Sandy Cove and Harry S. Crowell of Charlottetown, Mass.

Two brothers, William Robert Crowell and Byron C. Crowell, died at an early age and a sister, Angie (Mrs. Alvin Morehouse) of Bridgeport, Conn., predeceased him by two years.

Also surviving are a number of nieces and nephews.

Funeral services were held from the United Baptist Church, Sandy Cove, with Rev. E. C. Churchill officiating. Interment was in the Baptist cemetery.

Mrs. Cynthia J. Dittmars
(by the local correspondent)
Deep Brook lost another of its oldest and most highly respected citizens in the sudden passing of Mrs. Cynthia Jane (Radose) Dittmars, wife of the late Rupert Vanderbilt Dittmars, which occurred at the home of her son.

North Range W.M.S. Plan Missionary Memorial Fund

The W.M.S. of the North Range Baptist Church held its January meeting on Thursday evening at the home of Mrs. Hubert Shortliffe. The meeting was presided over by Mrs. J. J. Vanda.

After singing "Am I a Soldier of the Cross," the President of the church, Mrs. Vanda White, presented the invitation program. Eleven members responded to the solicitation. An interesting item of business was raised, that of contributing to a Memorial Fund for the late Laynie Wilson, who was a missionary to Bolivia, and passed away several years ago.

From an illness brought on by overwork, she died. Mrs. Wilson was a member of the church for many years. Each member present received a privilege to be able to contribute to this fund. In view of the fact that the fund is now being established to hold a public meeting in the near future at which time any who wish to help have an opportunity of doing so.

The meeting closed with the singing of "Jesus Saves" and a New Year prayer read in unison.

MARRIAGE

Trask - Reid

A quiet wedding of much interest took place Friday afternoon, December 22, at the home of Mr. and Mrs. Henry Johnson, Truro, when Rev. Angus McElhannon united in marriage, Norma Doreen, daughter of Mr. and Mrs. Norman Reid of Street's Ridge, Cumberland Co., to Keith Brian Trask, son of Mr. and Mrs. Wilfred Trask, Little River, Digby Co.

The bride was becomingly attired in cinnamon brown wool crepe with dark brown accessories and wore a corsage of yellow roses and baby mums, and pearls. They immediately left for the bride's home, where a reception followed to the evening. They received many lovely gifts. They spent a few days with the bride's parents and then left for Little River to spend a few days at the groom's home.

The happy couple will reside in Truro.

Lobster Outlook Not Bright

The lobster fishermen of the Church Point district are finding the going rather tough with heavy gales prevailing the last week or so.

The catch has not been too large to date and in the last week it has been below normal. Prospects for the next two months are none too bright as during these months ice and gales prevent the fishermen from tending their traps.

It is customary for most fishermen to haul up their traps during the most severe months of winter, but this season most of them will continue fishing.

Home Saved By Neighbours

Travelling with great difficulty through the snow blocked roads, and storm, the neighbours of Mr. and Mrs. William Wagner of Mount Pleasant rallied in a bucket brigade and saved their home from total loss by fire.

The fire broke out about five o'clock Saturday afternoon around the chimney. Before it was under control damage was caused by fire and water to two rooms and the hall on the ground floor as well as to the upstairs.

In the home were Mr. and Mrs. William Wagner and two children, aged four years and four months. Mr. and Mrs. Wagner were saved by the bucket brigade. The two small children were taken to the home nearby. Mr. Wagner's sister, Mrs. Stanley McCall, and Mr. McCall, Victoria Beach, but all were able to return to the Wagner home to spend the night.

Clementsvalle W.M.S. Meeting

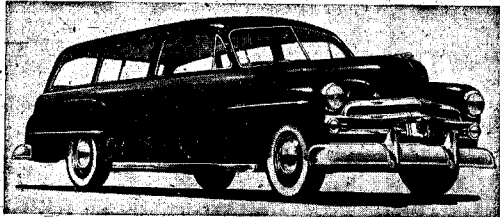

The New Year's meeting of the Baptist Women's Missionary Society of Clementsvalle was held at the parsonage on Monday evening, January 3, with eighteen members in attendance.

Mrs. Watson Porter efficiently presided in the absence of both the president and Vice-president. Mrs. Leslie Baird led the devotional period.

Mrs. Parker Long gave an interesting paper on the work at Bethel Hospital, Yvonne, India. Inspirational readings were given by Mrs. Denton Trimmer, Mrs. Stuart Porter, Mrs. N. D. S. J. and Mrs. C. S. Young.

New Dodge Deluxe Suburban

Comfortable seating for 6 passengers, and a large luggage carrying space are features of the 1950 Dodge Deluxe Suburban shown above. The rear seat may be folded to the floor, giving a carrying space of 34 cubic feet.

With the tail board down the loading area behind the front seat becomes 7 ft. 8 in. long, which makes the Suburban easily adaptable in many ways as a light commercial vehicle.

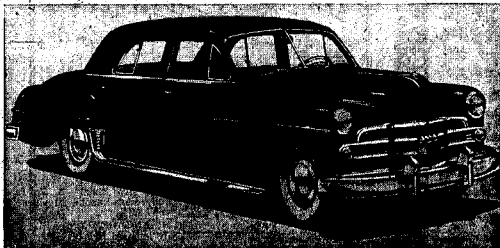

First Picture of the New DeSoto

The new DeSoto Custom 4-Door Sedan shown above possesses greater visibility, riding comfort, improved performance and economy, and many new style features. The famous DeSoto "Tip-Toe shift" standard on all DeSoto models, eliminates shifting gears in all normal driving.

The new DeSoto Custom is also available in a Club Coupe as well as the 4-door sedan.

New Custom Dodge With Fluid Drive

New massive grille, enlarged rear window, chrome highlights, and smooth riding comfort are claimed as features of the new Custom Dodge shown above. The Dodge Fluid Drive, standard on all Custom Dodge models, minimizes the need for clutch operation, and lessens the possibility of

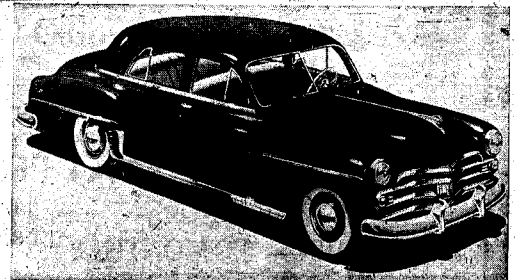

skidding on slippery roads, since it provides better traction on muddy and heavy areas. In addition to the 4-door sedan, a Club Coupe and 2-passenger sedan are also available in the Custom Dodge models now on display.

ANNOUNCING the showing of the New 1950 Dodge and DeSoto Cars, at The Digby Garage Co. Ltd. new building at the Corner of Victoria Road and Warwick Street. The public is welcome to see these new cars and inspect our new building beginning January 13, 1950.

MARRIAGES

Dugas — Comeau

A very pretty wedding took place at Holy Cross Church, Yarmouth, on December 27th, when Miss Anna Comeau, daughter of Mr. and Mrs. John A. Comeau, North Yarmouth, became the bride of Mr. and Mrs. Leslie Dugas, Digby. Rev. Fr. O'Donnell officiated at the nuptial Mass.

The bride, who was given in marriage by her father, looked lovely in a floor-length gown of ivory satin with bustle effect skirt and long sleeves which came to a point at the wrists. Her finger-tip veil of ivory net was held in place by a large tiara. She carried an arm bouquet of roses and baby's breath.

The bridesmaid, Miss Margaret Gousses, Bloomfield, wore a floor-length gown of ivory tulle with a wide, ruffled collar and long sleeves. Her shoulder belt was held in place by a large tiara. She carried an arm bouquet of roses and baby's breath.

The groom wore a tuxedo with a white shirt and bow tie. He carried a boutonniere of roses and baby's breath.

The wedding breakfast was served at the home of the bride's parents, Mr. and Mrs. John A. Comeau, North Yarmouth. The bride and groom were accompanied by their parents and bridesmaids.

Clay's Say:

A friendly get-together with the well-known Canadian author and columnist.

CHARLES CLAY

Somewhere along your street or road, somewhere in your community or on a neighboring farm, a child or an adult needs medical attention and citizenship education because of that terrible tripper, Polymyolitis.

I want to know about these cases.

As President of the Canadian Foundation for Polymyolitis, I am sure that you, too, are interested in this disease.

Let us know about these cases. Send along the names and addresses, and if possible, the case history of the patient. Always include an up-to-date medical report saying the doctor concerned believes the patient can't be helped. If the patient has not been receiving medical treatment for some time, a local chapter of the Canadian Foundation for Polymyolitis is not yet in operation in your area, the Foundation is sure.

His experience with the unbounded generosity of the medical profession, that any doctor approached will be glad to make an examination and report.

But let me stress this:

The Canadian Foundation for Polymyolitis (the Canadian March of Dimes), however firm its intentions, cannot take care of these cases unless you help with your generous donations. No matter how small or big your gift, it will help. And anyone giving a dollar or more becomes automatically a member of the Canadian Foundation for Polymyolitis and will be eligible as a local chapter member. Not only that, but all donations to the Canadian March of Dimes are deductible for Income Tax purposes.

By the way, please don't send your patients to the Foundation. The case will have to be investigated and documented before action can be taken. And please don't be too impatient, if the

you will have to see... the millions of my fellow Canadians... that we get the money to carry on our work. If everyone gives something, then the burden is shared by all and becomes so much lighter.

There must be someone in your community or living near you who needs help. Surgery, boot or braces, rehabilitation, physiotherapy... any one of the many ways a case of crippling drop-Polymyolitis can be helped today. No doubt, many of these have already received generous government help, but you require even more attention than the government can provide.

Miss Margaret Sand, R.N., of the Digby General Hospital Staff, visited Mr. and Mrs. Bailey Gidney one day last week.

Mrs. Harold Crowell visited her mother, Mrs. Lemuel Raymond, Centerville on Friday.

Mrs. Dutton Sypher is spending a few days with her daughter, Mrs. Stanley Denton, who is ill.

Mr. Frederick Dalin of Centerville is spending a few days with his brother, Arthur Merritt, and family.

Mrs. Perry Mossman of Kentville attended the funeral of her grandfather, the late William R. Crowell.

We are sorry to report Mrs. Frank Morphouse is a patient at the Digby General Hospital at the time of writing. We wish her a speedy recovery.

One you recommended is not taken care of immediately. We will have to set upon priority and need. We will take care of every patient case as soon as possible and we must be guided by medical opinion as to the urgency of cases. All cases presented will eventually have to be passed up to the Foundation's National Medical Advisory Committee.

With friends, I say the story, "On the case in the way I have justified above." Send us records of these cases, together with the related medical opinions, to me: Charles Clay, President, Canadian Foundation for Polymyolitis, 42 O'Connor Street, Ottawa, Ontario.

Celebrate 45th Wedding Anniversary

Mr. and Mrs. Frank Alcorn of Digby celebrated their forty-fifth wedding anniversary last Thursday, January 12th.

Mr. and Mrs. Alcorn received many lovely cards and letters of congratulations and during the day many of their friends called on them to express best wishes. In the evening a party to celebrate the occasion was held.

Oddfellows Hold Installation

S. G. Charlton, D. D. Grand Master and staff, consisting of Joseph Warner, G. J. McNave, P. L. Conrad, E. E. Mason and H. D. Wile, installed officers of St. George Lodge I.O.O.F. on January 13th. Following are officers installed:

Benjamin F. Webber — Noble Grand.

A. R. Turnbull — Rec. Secretary.

R. K. Beckwith — Fin. Secretary.

Guy D. Dunn — Treasurer.

Earl B. VanTassel — Warden.

Arnold A. Melanson — Conductor.

Joseph E. Jefferson — R.S.V.G.

Harold S. VanTassel — L.S.V.G.

A. Layton Hinckman — I.G.

Raymond B. Lent — O.G.

Douglas C. Forbes — J.P.G.

Harry A. Jefferson, Vice Grand

elect was unable to be installed as at present he is a patient at Digby General Hospital as well as members Reginald E. Jefferson and S. S. Aymar are at the hospital. Another member, Albert S. Warner, is also under treatment at Victoria General Hospital, Halifax.

The installation was carried out in splendid manner by the visiting members from Lakeview Lodge at Springfield and who made the trip from Springfield to Digby and return over the very bad road conditions that existed on above date. After the closing of the lodge a shag was enjoyed with A. Fred Turnbull at the piano.

Jolly Troupers Raise Over \$100 For School

Over \$100 was raised by the Jolly Troupers of Acadiaville for the benefit of the Conway School at the entertainment held Monday evening in the auditorium of the Digby Rural High School.

The entertainment, which featured many entertaining acts, reminiscent of the old days of vaudeville, was an excellent one and kept the audience amused for nearly three hours.

Every performer played his or her part well and is deserving of high praise. The comedy acts were most amusing and the singing was really worthwhile.

The Mammoth C.G.T. Group held a party at the home of their leader on Friday evening. Games were played, and after refreshments were served the girls enjoyed a toffee pull.

It's Not News, But . . .

Singing for one's supper doesn't always bring the expected results.

Even snowplows should carry those essential little cards if they are going to go around bumping into cars and things.

It couldn't be possible there was any connection between that broken set of molars at the hockey game the other night and the fact a dentist was one of the referees.

Speaking of such things, that song, "All I want for Christmas is my two front teeth", could be amended to "All I want right now is a new set of teeth" to suit a certain hockey fan.

Perhaps those people who broke into the schools the other night were looking for an education. Their search will probably be rewarded when the authorities catch up with them, maybe they'll be taught a lesson, at least.

Those lads who always get their hair should really be on the ball now. Just imagine anyone telling the audacity to steal money from a moulton.

Will Aid Pitprop Industry

Trade Minister Howe told a Maritime delegation he will immediately open personal discussions with the British government with a view to getting orders for the collapsing Maritime pitprop industry.

The 25-man delegation, headed by Premier McNair, of New Brunswick, had told a cabinet committee under Mr. Howe that loss of the British market for pitprops—timber used for shorting mines—had created a serious unemployment situation in the coastal provinces.

New Brunswick, hardest hit by Britain's decision to shift the \$5,000,000-year purchase to non-dollar countries. That province obtained about \$6,000,000 from this source in 1949.

After the conference Mr. McNair indicated there was still some hope that the Maritimes might resume production this winter for 1950 delivery to the U.K.

The Premier issued this statement:

"A full and informative discussion took place on conditions in the Maritimes and the unemployment situation existing there, due in substantial measure to the collapse of the pitprop industry."

"The delegation was assured by Mr. Howe who is leaving for London in a day or two, that immediately on his arrival there he would revive discussions with the British authorities to the end that orders may yet possibly be obtained for the industry to permit operations to be undertaken shortly for 1950 deliveries."

Members of the delegation included four other members of the New Brunswick cabinet, members of the N. B. legislature and Commons members from the province, representatives of the Maritime Pitprop Association, officers of New Brunswick and Nova Scotia municipalities and members of New Brunswick Boards of Trade.

The delegation presented the cabinet group with a brief containing what it termed an "urgent appeal" for immediate assistance.

"Thousands of unemployed demand assistance—and the funds available in our municipalities are now exhausted through the granting of relief and alms assistance," the brief said.

"Some other form of relief must now be undertaken by our government, and we appeal to you that such assistance be arranged immediately."

"Our hospitals now have actual cases of malnutrition in the distressed areas. If disaster and chaos are to be averted during the coming winter, our workers must be given assistance in the form of work rather than dole."

Out of Hand

"Thousands of unemployed in any one area is a dangerous situation in any country, and one which demands federal action. Our labor leaders have for some time been aware of a movement of unrest among their members because of unemployment, even destitution. They now state that these men are becoming more difficult to handle."

The brief quoted unemployment insurance officials as saying they are completely swamped with requests for work and relief, which they cannot provide. It said most of the eligible unemployed now have used up unemployment insurance benefits, and in the lumber trade they represented only a small percentage of the unemployed.

The cause of the widespread unemployment was in large measure the collapse of the pitwood industry, one of the few that returns 90 per cent of the selling price to workers in direct wages.

To rehabilitate the industry, the delegation proposed broadening the government's plan for postponing wheat deliveries and having Britain use some of the funds for other purchases.

"It is our understanding," the delegation said, "that the U. K. agreed to hold over 12,500,000 bushels, which has provided \$25,000,000 for other Canadian commodities."

"We urge that the Canadian government impress upon the U. K. authorities the necessity of accepting the original figure of 15,000,000 bushels (proposed for postponing wheat) Canada; this additional 2,500,000 bushel hold-over would make \$5,000,000 immediately available for the distressed pitprop industry."

The delegation declared that if the dollar-producing pitprop trade—one of the few exporting industries of the Maritimes—were allowed to collapse, it would seem that we are not receiving adequate consideration in the 1950 trade allotment."

"We believe," it added, "that the necessary decrease in our Canadian exports should be borne in an equitable manner by all geographical areas with particular attention being paid to distressed areas."

Along with Premier McNair, the delegation consisted of the following:

Lands Minister R. J. Gill, Labor Minister S. E. Moors, Works Minister W. S. Anderson, Provincial Secretary-Treasurer J. G. Boucher, all of New Brunswick; Warden J. M. O'Brien of Northumberland County, N. B.; Mayor Robert Wood and Alderman G. K. McKnight of Chatham, N. B.; Alderman F. B. Fowle of Newcastle, N. B.; Deputy Mayor V. G. Cardoza of Digby, N. S.; Jas. W. Ryan, president of the New-

castle Board of Trade; Frank McLean, president of the Maritime Board of Trade; P. H. Leggett of the Richmond and Rexton County, N. B. Board of Trade.

Roger Parter, president of the Northumberland (N. B.) Canadian Legion and a labor representative; Milton Simons, president of the Canadian Legion at Chatham and another labor delegate; Warren P. Fleet of Newcastle, representing a truckers' association.

W. V. Dolan of Moncton, N. B., president of the Maritime Pitprop Association; E. B. Brown of Nashville, N. B.; M. M. Vail of Middleton, N. S.; A. W. Broughton of Dartmouth, N. S.; and George S. Kerr of Campbellton, N. B., all members of the association.

F. C. Young, Liberal member of the N. B. Legislature for Gloucester, and these Liberal members of the Commons: C. T. Richard, Gloucester; A. D. LeGer, Kent; and E. W. George, Westmoreland.

St. Bernard's Church, which was completed a couple of years ago, but which has been forty years being paid for, held a special session on Sunday, January 15th, following the morning service, when Mr. Isale Belliveau, under whose workmanship the church was built, burned the mortgages.

Rev. Elie LeBlanc, P.P., gave an account of the building which cost \$225,000.00. It was started in 1910 and is paid for with a credit balance of \$167.00 on hand. A new Glebe House will be begun in the spring.

Lobster Catch Increased After Size Limit Boosted

After the legal minimum size limit for lobsters had increased two inches, fishermen in Nova Scotia caught 72 per cent more lobsters two years after, Dr. A. W. H. Needer, director of the Atlantic Biological Station told the annual meeting in Ottawa of the Fisheries Research Board.

Because of their market value and ready sale in the United States, Atlantic lobsters are intensively fished, and the problem is to allow Maritime fishermen to take the greatest possible number, without depleting the stock.

In determining the size which fishermen may legally take, in

any locality, to conserve the grounds and give the greatest long-term yield depends on a knowledge of the numbers caught by local fishermen, the proportion dying from natural causes and rate of growth, Dr. Needer said.

Thousands of lobsters have been marked or tagged and careful record kept of the catches in certain localities. Lobsters, marked in 1948, have been recaptured, the marking device being a hole punched in one of the five sections of the tail fin. This area is strategically selected to survive the lobsters' moulting period.

At Forchu, a lobster market area on the coast of Cape Breton Island, the minimum legal size limit was increased in 1947 from seven inches to nine inches.

A survey shows that as a result, the average catch of lobsters per boat during the 1948-49 season was 72 per cent more, and the average catch per trap was 66 per cent more than in the preceding three seasons.

At the same time, the population of lobsters in the area is estimated to have increased 38 per cent.

Burn Church Mortgages

St. Bernard's Church, which was completed a couple of years ago, but which has been forty years being paid for, held a special session on Sunday, January 15th, following the morning service, when Mr. Isale Belliveau, under whose workmanship the church was built, burned the mortgages.

Rev. Elie LeBlanc, P.P., gave an account of the building which cost \$225,000.00. It was started in 1910 and is paid for with a credit balance of \$167.00 on hand. A new Glebe House will be begun in the spring.

Investigate Entries Into Digby Schools

Local police are investigating breaks into two of Digby's schools which occurred sometime Friday night. The two schools, which were broken into are the Digby Rural High School and St. Patrick's Convent school.

At the Digby Rural High School, the thieves ransacked every classroom, leaving a trail of burned matches and charred pieces of paper in their wake.

P. E. Linn in a preliminary investigation showed that a sum of money was stolen from the student's canteen as well as a number of boxes of chocolate bars. The lock on the soft drink vendor was jammed but it was thought no money was taken from the machine.

In St. Patrick's School it was thought entry was gained to the building through a window in the auditorium. Here a sum of money was stolen and a record player and electric clock. It was felt a number of other items may also have been stolen and a full check of the classrooms was made to determine this.

In the break at St. Patrick's, as at the Rural High, every classroom in the building was ransacked and teachers' desks thoroughly searched. Here too, a trail of burned matches was left behind by the thieves.

Thieves in Digby last Friday night also made a thorough clean-up of money left in milk bottles in the north end of the town, it was learned. In some cases every householder on an entire street was relieved of his or her milk money. In other cases the stealing was spotty with

Canada's Record. Mr. Mifflin briefly summarized Canadian economic conditions in 1946. The year saw a record increase in Canada's industrial plant and equipment, the maintenance of a high level of employment, the increase in 1948 and the overall expansion of the net and gross national products beyond the levels of a year ago. He pointed out that "Canada is one of the few countries today that are producing a surplus. This not only contributes to stability, but it turns the balance of trade into a factor improving the credit of the government."

come. We have a small number of elements that need only a little time to bring about an enormous increase in our national wealth. These sources of economic growth are our natural resources and the human resources of Canada's scarce natural resource is her working population. Here, as with our forests, mines, and oil fields, we must practice conservation through the judicious use of what we have. But to realize our new discoveries and to ensure their efficient use we must embark on a bold policy of immigration. In this way we can insure that is in the country. In this way we can remove the one factor that sets a present limit to the growth of our national wealth. Against this prospect the hundred millions of U. S.

MARRIAGE

Donat - Kynar
A wedding of interest to many relatives and friends was solemnized at the residence of Mrs. Kynar, 100 St. John St., on Monday, Jan. 10, at 8 a. m. The bride, Miss Donat, was the daughter of Mr. and Mrs. Donat, of St. John. The groom, Mr. Kynar, was the son of Mr. and Mrs. Kynar, of St. John. The ceremony was performed by Rev. Father Donat, assisted by Mr. Kynar. The bride was given away by her father, Mr. Donat. The wedding party consisted of the bride, groom, best man, maid of honor, bridesmaids, flower girls, ring bearers, and ushers. The reception was held at the residence of Mrs. Kynar. The bride and groom were accompanied by their families. The wedding was a private affair.

Meaning - Martin
John, son of Mr. and Mrs. Martin, was the bride of Thomas James Manning at a wedding ceremony in Las Vegas, Nevada, on December 28. Miss Martin is a graduate of San Marino High School and is attending the University of Arizona. Mr. Manning is a nephew of Ted Dakin of Digby, N. S. The bride and groom were accompanied by their families. The wedding was a private affair.

Kerr - Collins
At St. James the Apostle Church, Kenogami, on January 10, 1934, at 3 o'clock in the morning, the wedding took place of Miss Sadie Kerr, daughter of the late Robert Kerr, of St. John, and Mr. John Collins of Arvida, Quebec. The bride wore a dress of navy blue crepe with white accessories and was given in marriage by Mr. C. Williams of Arvida. The wedding was supported by Mr. C. Williams, also of Arvida. The Rev. T. Matthews officiated at the ceremony. After the ceremony a reception was held at the home of Mrs. J. Collins, mother of the groom, and later in the evening the couple left on a honeymoon trip to Montreal. On their return the couple will reside in Arvida, Quebec, where the groom is employed with the Aluminum Co. of Canada.

OBITUARY

Mrs. Ella Drew
Many friends throughout the district were saddened at news of the passing of Mrs. Ella Drew, 68, wife of William Drew, at the home of her brother, George Long, Clementville, following an illness of several months.
Mrs. and Mrs. Drew owned a summer home at Sandy Bottom Lake, Annapolis County, where their hospitality has been enjoyed for many years as this couple returned each season from Miss Clementville.
Mrs. Drew was a daughter of the late Mr. and Mrs. Charles Long, Clementville. Besides her husband, she leaves two daughters, Misses Mary and Helen, and a son, Mr. George Long, Clementville. She was also survived by a sister, Mrs. George Long, and a brother, Mr. George Long, all of Clementville.
The funeral was held from the residence of the late Mrs. Drew, 68, on Monday, Jan. 10, at 2 o'clock in the afternoon. The Rev. E. C. Churchill officiated. Burial was in the Digby cemetery.

James Barlow
James Barlow, 75, well-known resident of the district for 25 years, died suddenly at his home in Smith's Cove Tuesday morning, Jan. 10, following a heart attack, leaving an invalid wife of 40 years, who has been his constant care for more than two years. Mr. Barlow was born May 4, 1859, in Bloomsbury, Yorkshire, England, the son of the late Charles and Mary (Smith) Barlow, and when a young man joined the Scottish Yorkshire Light Infantry. Before the end of the century he served in India, Malaya and Macao, and for his meritorious service had several citations and medals. On January 5, 1900, Mr. Barlow married Anne Haigh, daughter of the late William and Hannah (Freder) Haigh, Annapolis, and together they came to Canada in 1921, settling in Smith's Cove. Surviving are his widow, one daughter, Ethel Mary, in Dartmouth, and a niece, Mrs. Snodgrass, Saint John, N.B.
Funeral was held Thursday morning at 9 o'clock at St. Patrick's Church, Digby, by the Rev. High Mass celebrated by the pastor, Father McCarthy. Committal was in Mount Hope cemetery, Bear River.

Mrs. Ella May Moore
Funeral services for Mrs. Ella May Moore, who passed away at Saint John on Tuesday will be held this afternoon from Trinity Church, Digby. Rev. H. Y. MacLean will officiate. Interment will be in Forest Hill cemetery.
The late Mrs. Moore, who passed away at the home of her brother, Harry L. Beaman, had been ill about two weeks before her death.

her death. Widow of Daniel D. Moore, she spent much of her married life in Glace Bay. She had been a summer visitor to Digby for some twenty-five years, where she stayed with her cousin, Miss Margaret Beaman.
Mrs. Moore was born in Digby and was a daughter of the late John and Mary (Armat) Beaman. She was of Loyalist and Huguenot descent and her ancestors came to Digby from New York when the town was first settled.

Surviving are also one brother, Harry L. Beaman, Saint John's stepdaughter, Miss James Walsh, Edmonton, Alberta, a niece, Mrs. J. Miller, Montreal, and an aunt, Mrs. John Beaman, Saint John.

Rev. E. C. Churchill Re-elected V.O.N. President

During the annual meeting of the Victorian Order of Nurses (V.O.N.) held in Digby, the Rev. E. C. Churchill was re-elected president of the district. The meeting was held at the Victoria Hotel, Digby, on Monday, Jan. 10, and was attended by a large number of members of the order. The Rev. Mr. Churchill was elected to the position for a second year. The meeting was a successful one and many resolutions were passed.

The president's secretary, Mrs. J. M. Walcott, was also re-elected. The meeting was held at the Victoria Hotel, Digby, on Monday, Jan. 10, and was attended by a large number of members of the order. The Rev. Mr. Churchill was elected to the position for a second year. The meeting was a successful one and many resolutions were passed.

Tiverton

Tiverton Home & School Association held its regular meeting on Thursday evening, January 12, with the President in the chair. After the regular order of business, there followed a short programme and an interesting talk by Eugene W. Outhouse, Redbank, who was served, and the meeting closed with the singing of "God Save The King".

The "Jolly 8" Club met at the home of Mrs. Ernest Powell, Freeport, on Tuesday evening, January 10th. A good time was reported by all, even if they did have to shovel their way through the snow. The roads were blocked with snow during the evening, and three cars took shelter in the snow.

After a frost at the head of Mr. Stewart Smith, then finished shovelling, and with the help of the ladies, they arrived home at 3:15, feeling none the worse for their experience.

Mr. and Mrs. Stuart, Cornwall, were the guests of the evening. Mr. and Mrs. Lindwood Perry.

Mr. Scott Sypher is spending some time with Capt. and Mrs. Charles W. Outhouse, Halifax.

On January 10th, Saturday afternoon, Janette Irvine, daughter of Mr. and Mrs. Owen Irvine, entertained her little friends at a party, the occasion being her ninth birthday. Seven guests were present and a good time was had by all.

DIGBY N. S.

NOTICE

To the General Public of Area

Served by the Digby General Hospital

The Hospital Board is compelled to increase existing rates to patients due to the fact that during the past eight months the Hospital has operated at a very substantial deficit which may be ascribed to the following circumstances:

- (1) The age of the Hospital (approximately 20 years) involving heavy expenditures for replacements and equipment.
- (2) A substantial increase in the cost of supplies and salaries over the past five years.

The Digby General Hospital is your Hospital and it provides an essential service to all residents of the Digby area who require medical and surgical care. It is staffed by a Medical Group second to none in hospitals of comparative size and is providing a service which compares favourably with other institutions in the same category, reflected in a very low mortality rate, a certain indication of the efficiency of the staff and the standard of service rendered to the public.

In view of the above circumstances your Board feels that it will have your full support in establishing the following rates, effective February 1st, 1950.

New Schedule Of Rates Digby General Hospital

Private Room with bath	\$7.00 per day
Private Room	6.00 per day
Semi-Private—2 beds	5.00 per day
Semi-Private—3 beds	4.50 per day
Ward Rate	4.50 per day
No change in rates for Child's Room or Nursery.	
No incubator charge.	

The new schedule of rates compares favourably with those in force in similar institutions.

BOARD OF TRUSTEES
DIGBY GENERAL HOSPITAL

Victorian Order of Nurses, 1949

President's Report

Officers and Members

It is with some degree of pleasure, mingled with the sense of responsibility, and happy pride that I try to give an account of my stewardship as President of the Branch for the last year. I have tried to discharge my duties as faithfully as possible. I have tried to use wisdom in leading the important work in which we are engaged or render our health services to the town. There is, no other service just like ours. We depend on voluntary contributions from interested people locally on our work. The number of paid cases would never pay for the amount of work we do in the area we serve. Every effort is made to put into the organization the spirit of the confederate of the town of almost a mile or so beyond. Our money is well spent. Our services are to the sick in their homes. We are dedicated to this because we are dedicated to the V.O.N. We are dedicated to the welfare of the sick and the interest of our citizens.

Our Board Members this year have not been too faithful in attendance of meetings. Each of them was asked if they would act on the Board. But some have not been too active. The work has fallen on a few. Now I think that is rather unfortunate. It is not that the few are unwilling, but the others are missing an opportunity to direct and assist in the actual work of the business sessions. It is true that the Board members have been willing to assist in raising money for our work. But, as President, it would be much more encouraging if we had nearly a complete group of our monthly income.

During the year Miss Whyte, our nurse, felt it necessary to resign. But after a conference by a committee from the Board, she reconsidered and has stayed with us. She still carries on her work to the satisfaction of the Board. We hope she will continue with us for some time.

There has been considerable amendment among the Board members over the adoption of a new set of by-laws. These had to conform in some matters with regulations suggested by the Dominion-wide organization. This meant writing back and forth between our branch and the Ottawa office. Every time by-laws was mentioned a smile mysteriously pulled across the Board. But we have had final acceptance of these, and now are governed by them—to the satisfaction of the Board and the head office.

We have instituted the policy of helping to finance the expenses of one of our Board members to the Annual Convention. This is a move in the right direction. It is a move in the right direction. It is a move in the right direction.

Nurse's Report

Mr. President, Officers and members of the Digby Branch V.O.N., Ladies and Gentlemen:

Intelligent citizens everywhere will help but be concerned with the critical situation in the world today as we approach the end of the first half of the 20th Century. The picture of two terrible wars and the worst economic depression in history, coupled with the threat of a third world struggle that may be necessary to decide the fate of our western civilization—the freedom on enslavement of the human soul—is not one calculated to fill us with much comfort or hope.

And last, the shadow of a mighty political and economic upheaval, the work of misanthropic vision and the burning of each successive generation on quidity and unquidity by, making follow-up of the wonders of medical science that have been given to us during the twentieth century, the burden of the role.

The majority of our members are of a personality of a missionary character, are a blending of success and failure, and community nursing is no exception to the rule. At times the nurse sees opportunities that remain unfulfilled, because unvalued by the patient and the home. Yet minor frustrations are more than offset by the professional and personal satisfaction that results from a measure of encouraging progress, no matter how slow and painful.

During the past year 415 patients were given nursing care and 2,474 visits were made. Of the total number of visits 1,428 were by visits to the home.

The number of visits made to medical and surgical cases totaled 955, while the number of visits giving nursing care to chronic cases totaled 285.

The V.O.N. made 10 visits to expectant mothers, visiting literature and hospital printed literature.

Eight deliveries were attended in the home; an increase of four over the previous year. Hospitalization tends to become more and more the accepted practice.

For a period of six weeks after the baby is born, the home is visited to provide instruction in the care and treatment of both mother and child.

Apart from the routine duties listed above there are special activities included in the V.O.N. service.

Well baby clinics are held in the Court House every Friday afternoon. Here, infants and preschool children are weighed and checked and their problems discussed with the mother.

School nursing is another important activity performed by the V.O.N. The program consists of a yearly check up of each child. In grades 7-12 inclusive complete physical examinations are given by the doctors, assisted by the nurse.

Routine inspections are made in lower grades after each vacation period in order to check the spread of communicable disease.

Immunization Clinics were held in the Court House in the Autumn with the Health Officer in attendance. The children were inoculated against Scarlet Fever, Typhoid, Whooping Cough and Diphtheria.

The work of the V.O.N. is

NOTICE

Served by the Digby General Hospital To the General Public of Area

The Hospital Board is compelled to increase existing rates to patients due to the fact that during the past eight months the Hospital has operated at a very substantial deficit which may be assessed to the following circumstances:

(1) The age of the Hospital (approximately 20 years) involving heavy expenditures for replacements and equipment.

(2) A substantial increase in the cost of supplies and materials over the past few years.

(3) The fact that at present no insurance policy is provided an essential service to all residents of the Digby area who require medical and surgical care. It is staffed by a Medical Group second to none in the hospitals of comparative size and is providing a service which compares favourably with other institutions in the same category, reflected in a very low mortality rate, a certain indication of the efficiency of the staff and the standard of service rendered to the public.

In view of the above circumstances your Board feels that it will have your full support in establishing the following rates, effective February 1st, 1950.

New Schedule of Rates Digby General Hospital	
The new schedule of rates compares favourably with	
Private Room with bath	\$7.00 per day
Private Room	6.00 per day
Semi-Private—2 beds	5.00 per day
Semi-Private—3 beds	4.50 per day
Ward Rate	3.50 per day
No change in rates for Child's Room or Nursery.	
No incubator charge.

Tigers In Loop Win

Paced by the sharpshooting of frontliners Puffister and Melanson and the spectacular netminding of Flynn, the Annapolis Tigers racked up a 7-0 win over Digby Ravens here last Friday night in a regularly-scheduled game of the Western Valley Intermediate Hockey League.

The smooth-working forward duo combined their talents for four of the Tigers' tallies, with Puffister bagging three and picking up one assist. Melanson had one goal and supplied the aid for Puffister's three scores. Support of the Tigers' attack came only scoring punch, picking up the first two goals—the first at the 27-second mark and the second immediately three minutes later. Digby played a painful hockey for the Ravens.

Royal Bank's Annual Figures Set New Record For Canadian Banking

Total assets increased \$122,497,000 and reached new high level of \$2,343,883,354. Deposits total \$2,442,000,000 to set Canadian record. Loans in Canada continue steadily rising. Liquid position strong.

New records in the field of Canadian banking have been established in the annual financial statement of The Royal Bank of Canada, just issued. Covering the twelve months period ending November 30th, 1935, the statement shows total assets have again increased by well over \$100,000,000 to reach \$2,343,883,354, the highest in Canadian history.

Since 1931, the assets of The Royal Bank of Canada have more than doubled, an indication of the bank's participation in the remarkable business and industrial expansion which has taken place in Canada in recent years. Deposits, which rose from \$2,192,140,778, show an increase of \$122,497,000 over the figures of the previous year. The bank has also reached the highest level ever attained by any Canadian bank.

Indicative of the scale of public saving is the steady increase in The Bank's deposits. Total deposits, which have risen to \$1,940,320,000, the highest level in the history of the bank. The Bank's interest-bearing deposits are now over two and a half times the 1931 figure.

The steady upward trend of commercial banks in Canada began in 1935, has continued the figure which this morning having reached a total of \$1,940,320,000, an increase of \$122,497,000 over the figures of the previous year.

The liquid position of the bank is usual, very strong. Liquid assets are substantially higher than a year ago and now stand at \$1,077,497,851, which is equal to 76.27% of the bank's liabilities to the public. Included in the bank's liquid assets are Dominion and Provincial securities totaling \$897,755,671, an increase of \$10,421,152 as compared with 1934 figures in the 1934 balance sheet.

Bank Premises Account has increased from \$11,729,000 to \$15,601,661, as a result of new branch openings in districts requiring additional building service, plus an extensive programme of improvements and extensions to existing branches undertaken during the year for the better accommodation of the bank's steadily increasing clientele and the resulting greater volume of business.

Profits are higher. After the usual deductions for Staff Pension Fund and Contingency Reserves, profits amounted to \$10,918,243 as compared with \$9,537,482 in the previous year. Of this amount \$4,450,000 was set aside for Dominion and Provincial taxes, an increase of \$1,285,000 over the figure for 1934. In addition \$653,721 was set aside for decoration of bank premises.

After the above deductions the net profit was \$5,827,521. This compares with \$5,588,545 in 1934. Out of net profit, \$3,500,000 was paid in dividends and 2,327,521 carried forward, resulting in a balance of \$3,800,313 in Profit and Loss Account.

The Annual General Meeting of shareholders was held at the Head Office of the bank on Thursday, January 12th, at 11 a.m.

Denis B. Thibodeau left for Roseway Saturday morning where he will receive treatments. Mr. Thibodeau is over 70 years of age.

Mr. Maurice Bellevue of Bellevue Co. visited his aunt, Mrs. Alphonsine LeBlanc Saturday. Mr. Bellevue formerly resided here and was professor at St. Anne's college but is now on the Teaching staff of St. Bernard's school.

Mr. and Mrs. Benoit Comeau visited Mr. and Mrs. Gerald Comeau of Conception Sunday.

Mr. Armand Thibault, formerly of Montreal, who was staying with his aunt, Mrs. William Thibault, left for Halifax Monday morning where he will be employed.

Mrs. Emile Melanson, formerly of Cantic, visited Mr. and Mrs. Louis Melanson at Plymp Monday afternoon.

The lobster catch in the Church Point district continues to be poor. Some boats came in last week with as low as 30 pounds of lobsters. At its best the catch so far this season has been but fair. In and around the Meteghan district catches have been somewhat higher but this is due to the fact that the fishermen there fish in deeper waters.

Annual Bank Report To Take Canadian Maples To England

In issuing its annual report booklet to shareholders this year, The Bank of Nova Scotia has gone out of its way to present a warm, human document, complete with photographs, emphasizing the place of the Bank in the daily lives of Canadians.

"Banking is a personal thing," says the report. "It affects not only industries and corporations, but enters into the daily life of people in every station in life."

The report goes on to point out the steady human progress being increased savings, and shows how the extension of bank credit has affected every man, woman and child in the country.

Illustrating some of the 24 new branches that have been opened during the past year, the report says: "These are more than just buildings. Each branch is started by confident men and women with a special degree of training. To them, banking is not a job, it is a life. They are, to them, the sign of good citizenship, the sign of progress, the sign of the Bank's service to the community. They are the Bank's year with this more formal terminology of the annual meeting. The Bank of Nova Scotia introduced a style in Canadian bank reports which should lead ultimately to a far better understanding among the general public of the human and personal side of our banking system."

Annual Bank Report To Take Canadian Maples To England

When Canada's champion plowmen sailed on January 12th, to participate in matches abroad they took maple trees with them to plant in Great Britain, Holland, Denmark and West Germany.

In addition to the maple trees the Canadian plowmen carried with them a quantity of maple sugar supplied by the Province of Quebec for distribution to plowmen. The trees are furnished by the Ontario Department of Lands and Forests.

Canada's champion plowman, Ronald K. Marquis, 28, of R.R. 1, Sunderland, Ont., and James M. Zeeke, 30, of R.R. 2, Brampton, Ont., also took maple seedlings in the horse and tractor classes respectively at the international "Plowing Match" held near Bradford last October. The pair were accompanied by Al McKinnery Jr. of Brampton, as coach manager.

The three sailed from New York on the Queen Mary for the month's tour of the British Isles as guests of Imperial Oil. In addition to taking part in plowing matches they will study British methods of agriculture and visit many places of interest. At the end of the British Isles tour they plan to visit Holland, Denmark and West Germany at their own expense. They will fly back to Canada.

None of the three have ever been abroad but they are all of British stock. They represent fourth and fifth generations of families that migrated to Canada more than a century ago and they plan to look up family connections when overseas.

The streets of New York are paved with asphalt, not gold.

EVERYBODY'S BUSINESS

by Dan Graham

Have you ever felt that you had reached the "end of your rope"? Most of us have felt perfectly at ease in dealing with a person after working long years with him. It is a good thing to remember that we have within ourselves extra reserves which can carry us through every crisis.

There is plenty of evidence to prove this fact. Countless stories of heroism reveal the human capacity to endure unbelievable stress, hardship and pain. More than one victim of a disaster at sea, struggling in icy water, felt sure that he would not survive for five minutes. Yet many hours later he was still hanging on and thus lived to be rescued.

Such endurance may be developed not only in connection with physical trials but also those which are mental and emotional. And if you can keep looking for the good in a little while longer, the success or relief you seek will be yours!

In short, there is a whole world of truth in the old saying: "It's always darkest just before the dawn."

No family need endure hardship in the event that its breadwinner dies. Life insurance puts within reach of every father the means to provide for all their needs, as well as for his own retirement income.

The Mining Industry of Nova Scotia, 1949

By Honorable M. A. Patterson

After expansion and several years of successful operation, the mining industry of Nova Scotia is now in a position to meet the demand for coal and iron ore. The industry has been able to produce a record output of 1,000,000 tons of coal and 1,000,000 tons of iron ore in 1949. This is a significant achievement for the industry, which has been able to maintain a steady production level despite the challenges of the war years.

CHEVROLET FOR a history of new front grille, body, new two-tone paint.

THE MINING Industry of Nova Scotia has been able to produce a record output of 1,000,000 tons of coal and 1,000,000 tons of iron ore in 1949. This is a significant achievement for the industry, which has been able to maintain a steady production level despite the challenges of the war years.

Industrial Minerals

The greatest expansion in the mineral industry has taken place in the industrial mineral division. This is particularly true of the pyritic industry which increased its production from 375,774 tons in 1945 to approximately 25 million tons in 1949. One of the producing companies recently completed the installation of a new primary crushing plant having a capacity of 800 tons per hour. This year's output, however, did not show the annual increase of previous years, but dropped slightly below the 1948 figure. Key products such as bricks, building tiles, sewer pipes, and the like are in great demand and it is expected that markets for these items will remain strong for some time. Production of other minerals such as salt, barites, granite, pumice, limestone, dolomite and silica rock has remained stable for some years and the outlook for this branch of the industry is promising. A new company recently completed geological investigations on a barite occurrence in Colchester County. Plans for the erection of a milling plant early in 1950 are already completed. During 1947-48 the Mines Department investigated many of the known occurrences of peat moss in the Province that were considered of possible value. The results of this work were published and the amount of interest aroused was sufficient to establish an industry in this field. Preliminary work has already been carried out on the Caribou Bog near Antigonish, Kings County. The production of peat moss is expected to be under way by the middle of 1950.

Metallic Minerals

Gold mining in the Province began falling off rapidly during the war. This decline continued until in 1949 the industry became practically dormant, with no mining in the producing stage. However, some encouragement for this branch of mining is derived from the activity in prospecting which is being pressed vigorously. Some well known Canadian mining companies are carrying out widespread investigations by geological reconnaissance and diamond drilling for the minerals gold, copper and tungsten. A special investigation of a tungsten occurrence was carried out this year by the Department Mines through its Mobile Mining Plant, and field parties checked over occurrences of rare minerals and possible areas of tungsten in Lunenburg County.

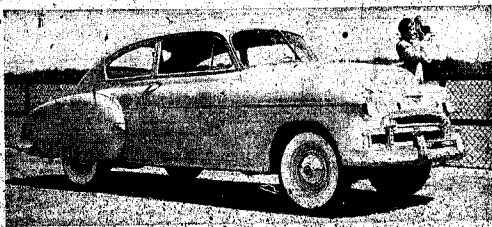

So great has been the advance in the technique of mining in dressing that mineral deposits hitherto considered unworthy of exploitation may now be viewed in a more favourable light. As a consequence, reconnaissance of various mineral deposits is to be undertaken in the near future.

Mobile Mining Plant

The Mobile Mining Plant, operated by the Department is available to prospectors to assist in carrying out prospecting activities or to develop mining work. (Please turn to page 1)

REGAL FLOUR
In New Bore

CHEVROLET PONTIAC offers increased horsepower, new cabination, and a more advanced chassis. Also featured is a redesigned front grille, improved body construction, which makes for added rigidity and greater strength, and new two-tone interior for the deluxe model. Shown above is the Pontiac 2-Door Sedan.

THE MINING INDUSTRY

(Continued from page 6)
ing for purposes of conducting sampling and bulk testing. In addition, the actual transportation and operation of the equipment is charged to small private rate for each unit used for the actual work. It is operated to cover general upkeep of the equipment. No rental charge is made for purpose of profit as the Department desires to assist the prospector or mine operator in his exploration to the greatest possible extent.

The mobile plant equipment consists of (a) three generating units, each consisting of a 100 h.p. diesel engine directly connected to a 63 K.V.A. generator and exciter, with switchboard and box, fuel for cables and two 45 gallon fuel tanks; (b) a tractor-bulldozer equipped with a front wheel, hydraulic bucket, backloading, spreading or end dump carbody of 15 cubic feet capacity; (c) an industrial diesel four wheel tractor equipped with a front end loader, directly connected to long distance towing of utility work; (d) two three-ton trucks with dual performance axle for long distance towing of equipment and supplies, and (e) a 100 h.p. pickup; (f) a 215 c.f.m. air compressor mounted on pneumatic tires; (g) two centrifugal slinking pumps and several station pumps; (h) a 10 h.p. electric tugger hoist and a single drum 25 h.p. reversible electric hoist; (i) miscellaneous equipment such as rock drills, air and water hose and all the necessary equipment for carrying on mining operations; and (j) portable electric quatters which can be dismantled in sections and moved from place to place.

In addition to this plant in 1949 was a coal sampling unit consisting of a crusher, triple scale, vibrating screen and automatic samplers, all operated by electric motor. This unit, which is mounted on a trailer and towed to the various collieries, will determine the percentage of each size in the original product, automatically sample each for analysis and provide proper bulk samples for experimental treatment and sink-and-float tests. The latter work is carried out at the Nova Scotia Technical College. The operator supplies the electric power for the unit and any casual labour, and in return receives from the Department a complete report on the work carried out including the results of the sink-and-float tests.

Diamond Drills
The Department also has available for the prospector or mine operator nine of the most modern diamond drills available. They range from light prospect drills to one of the heaviest in the Dominion, capable of boring to a depth of 4,250 feet with a 3 and one eighth inch core. The drills are available rent free to bona fide licensees or leasees. The only charges are transportation and operating costs including wages and parts.

During 1949 the Department put down 106 holes with a footage of approximately 15,000 feet. This year the demand for drills was exceptionally heavy.

Mineral Advisory Board

An Advisory Board on Mineral Development holds sessions twice a year. The Board's function is to advise the Department on matters of mineral development and to suggest any project of mineral investigation that it considers worthwhile undertaking for the benefit of the Province. It also acts in an advisory capacity to the Department on applications for assistance.

Geological Centre

The Nova Scotia Centre for Geological Sciences, established last year at St. George's Bay, is now open to the public. The centre is a modern building, supervised by the Department of Mines, and operated by the Province of Nova Scotia in conjunction with the Massachusetts Institute of Technology of Cambridge, Mass. Approximately thirty students from St. J. T. and Nova Scotia universities are enrolled, but because of the large number of applications for admittance, new buildings are being erected which will more than double its present accommodation.

Copies of all reports, together with plans made by the students and post graduates on their geological investigations are presented to the Department of Mines for its science files.

Films

The Department recently completed five 16 mm films with sound covering various phases of the mining activity of Nova Scotia. They are produced for educational purposes and to advertise the mineral industry of the Province.

The five films now available cover the subjects of (a) gold mining; (b) diorite gneiss industry; (c) the manufacture of clay products; (d) seismic prospecting; and (e) the operation of the steel plant at Sydney. Five other films are now in process of completion and will be available early in 1950.

The distribution of these films is handled through the Visual Education Branch, Department of Education, Halifax, N. S., and application for these films may be made direct to them.

OBITUARY

Mrs. B. N. Melanson
Funeral services for Mrs. B. N. Melanson, wife of Captain B. N. Melanson, who passed away on Monday, was held last Thursday morning from Holy Cross Church, Digby, at 10 o'clock. A requiem high mass was celebrated by Rev. S. Comeau, assisted by Rev. Elie LeBlanc and Deacon Rev. Charles Preker, as sub-deacon. Floral offerings were many and beautiful and there were also many mass cards.

The late Mrs. Melanson, who was highly respected throughout this district, was a daughter of the late Mr. and Mrs. Joseph Ethier of Weymouth. She is survived by her husband, who for years has carried on a highly successful shipping business at Gilbert's Cove, and by two brothers, Wilfred Ethier, Weymouth, and John Ethier, Lunenburg. Two sisters, Mrs. Fannie E. Lombard and Mrs. Carrie Doucet of Weymouth, also survive.

Hints On Care Of Laying Flock

Among the most profitable raising factors of the egg producing phase of poultry keeping, for at the death of a bird, the potential profit from future egg production must be added to the immediate market value of the dead bird.

In the poultry breeding work at the Dominion Experimental Station at Harrow, Ontario, the state of mortality within family groups has shown that although some lines demonstrate a better state of longevity than others, some males when bred more than one year vary as regards daughter mortality. Some exceed the first year mortality during the second year, while in other cases the opposite is met with. Where males show a consistently low family depletion during two or more years of testing, special effort is made to extend their progeny as having something extra in the way of vitality.

Mortality cannot always be at-

tributed to inherent weakness, for it is possible for adverse environmental conditions to have a bearing on vigor. Nutritional deficiencies may reduce a flock where they give way to ordinary exposure, whereas the same birds on adequate diet would stand up through similar circumstances.

The causes of poultry mortality are numerous and often puzzling as to their way to ordinary exposure, whereas the same birds on adequate diet would stand up through similar circumstances. British poultry clubs say the reason so many fairs fail at home is they do without lunch to eat to the games.

The term "pitter's devil" comes from the 1500's when the boys who were apprentices used to get so covered with ink they were black and called "devils". Acetate rayon is a natural product from Canada to produce its basic source material is wood from Canadian forests.

The Bible still ranks as the world's best seller. "Gone With The Wind" takes second place.

In the 9th century the Danes imposed a head tax which became known as the "nose tax". Hence, the expression "pay through the nose".

There has been a decrease in the inventories of canned applesauce in Canada. Result of a heavy election campaign?

Auditor's Report for 1949

Kentville, Nova Scotia,
January 10th, 1950.

To the Warden and Councilors,
Municipality of the District of Digby,
Digby, Nova Scotia.

Gentlemen:

We have examined the books and records of the Municipality of the District of Digby, for the year ended December 31st, 1949, and have received all the information and explanations which we required.

In accordance with Subsection 1 of Section 105, Chapter 4 of the Municipal Act, we also examined the books and records of the Municipal School Board for the fiscal year ended July 31st, 1949. Our report on this examination is a part of the schedules attached hereto.

We did not verify the outstanding taxes direct with the taxpayers of the Municipality, but we checked the listings of outstanding accounts and found the totals to be in agreement with the controlling accounts. All cash recorded as received on account of outstanding taxes and for other purposes was checked against serially numbered duplicate receipts.

All disbursements were made by cheque. Our verification of the bank account included an examination of all cancelled cheques and supporting vouchers. Vouchers supporting expenditures of the County Home, Court House and Jail were accepted on the signature of Capt. H. B. Fitzgerald.

The inventory of County Home supplies has been carried forward unchanged from last year's Revenue and Balance Sheet. We understand that this amount represents a reasonable estimate of the value of supplies received at the County Home on December 31st, 1949.

The Financial statements for the year have been prepared in a manner consistent with that of previous years. The Capital Fund is shown on two Balance Sheets, the first consisting of the capital assets and liabilities appearing in the general ledger of the Municipality, and the second being these same assets and liabilities in consolidation with the capital assets and liabilities shown in the general ledger of the Hydro Electric Distribution System.

Subject to the above comments, in our opinion, the attached Balance Sheets of the Revenue Fund, Capital Fund and Consolidated Capital Fund are properly drawn up so as to exhibit a true and correct view of the financial position of the Municipality of the District of Digby as at December 31st, 1949, according to the best of our information, the explanations given to us, and as shown by the books and records.

Municipal School Board—Auditor's Report

To the Chairman and Members,
Municipal School Board for the District of Digby,
Digby, Nova Scotia.

Gentlemen:

We have examined the books and records of the Municipal School Board for the District of Digby for the fiscal year ended July 31st, 1929, and have received all the information and explanations which we required.

All accounts pertaining to the construction of the new garage building and deemed to be of a capital nature have been either forwarded direct to the Department of Education for payment, or have been paid by the Municipal School Board and charged to the Province of Nova Scotia. The classification of expenses incurred on account of the garage building as between current and capital is subject to the approval of the Department of Education.

The maintenance allowance for rural schools was paid to the trustees of the various school sections in accordance with the recorded Minutes of the School Board. In some cases, however, vouchers substantiating expenditures in excess of the minimum allowance were not available. We understand that in the majority of these cases the funds were still in the hands of the trustees at the Balance Sheet date but that it was the intention to expend these necessary repairs before the re-opening of the schools.

Subject to the foregoing we report that, in our opinion, the attached Balance Sheet is properly drawn up so as to exhibit a true and correct view of the financial position of the Municipal School Board for the District of Digby at July 31st, 1929, according to the best of our information, the explanations given to us, and as shown by the books and records:

About This and That

Management Increases Woodlot Returns

The remarks of Hon. A. W. MacKenzie, Provincial Minister of Agriculture and Marketing and of Lands and Forests, concerning the need of more scientific management for the woodlots of the province are most timely and very sound.

For the benefit of our readers we are quoting Mr. MacKenzie's remarks in full. They are as follows:
"If Nova Scotia farmers would follow sound and scientific woodlot management practices, timberland production in Nova Scotia could very easily be tripled," says Honorable A. W. MacKenzie. "Good management of wooded areas and efficient cutting of timber," continued Mr. MacKenzie, "would eliminate much of the waste that now exists, and yields could be stepped up materially without cutting a larger volume than can be grown each year. Then, too, in some areas, almost 50% of the volume of some trees is being left behind in the woods, rather than being hauled out and used for other purposes."

Mr. MacKenzie has several ideas of the subject of woodlot management which he feels might well be adopted by all woodlot owners. Here, for instance, are several of his darts which should be remembered by all who wish to implement a good timberland programme:

1. Don't make your woodlands do double duty by using them for pasture. Undergrowth is destroyed and young trees eat in off.
2. Don't cut trees in your woodlot indiscriminately. Cut wisely, so new growth is coming along at all times. Cut mature trees only.
3. Don't clear marginal and sub-marginal land for use as pasture or crops. Much of this land will not give as high returns under cultivation as it would under good forest management.
4. Don't damage your remaining stand when removing mature timber. Such damage discourages reproduction and growth.
5. Don't hesitate to ask for assistance and advice regarding the restoration of eroded land. Such land, eventually, will be a dividend. In addition, it will conserve water supplies, prevent soil erosion, maintain wild life, and provide additional recreational facilities.

"It has been the habit of many Nova Scotia farmers to take their woodlands as a matter of course, cutting them indiscriminately and without any regard for the future and in great measure completely neglecting the matter of reforestation entirely. This seems to be particularly true in this area of western Nova Scotia."

In the past twenty years entire areas of forest land adjacent to Digby have been denuded of their growth and no effort made to plan or prepare for any rebuilding or reforestation. In some places, plan or prepare for any rebuilding or reforestation. In some places, plan or prepare for any rebuilding or reforestation. In some places, plan or prepare for any rebuilding or reforestation.

Such a policy is a short-sighted one and one which will lead eventually to the loss of a revenue producing "drop" to this part of Nova Scotia and soil erosion that will have an adverse effect, not only on the land but also on our wildlife and fish.

Woodlot owners, and these include the owners of large tracts of lands and Forest and exercise more care and planning in their woodlot management. The forests of our province are a heritage passed down to us which we should so manage that they will be handed on to those who follow us, that they may bring to them not only profit but the preservation of the resources, which are dependent upon them.

Tom Farnham's Column

Digby County Boy

More Good

I always enjoy reading about Digby boys and girls succeeding during their early life and finally reaching the goal of their ambition, both at home and abroad. The story I am telling you today, took place here in 1887, sixty-three years ago. It speaks of the successful career of the late A. J. Denton, of Watford, Digby County, and uncle of M. C. Denton, former Mayor of the Town of Digby.

The "Halifax Evening Mail" of

about the same time as Mr. Denton, as follows:

"A. J. Denton, teacher of Mathematics and Sciences in the Prince of Wales School, in the school of Science in connection with the Maritime and Aviation School, and having been in the school for many years, has been asked to accept the position of Principal of the school. He will probably accept it. The County Academy can fill at least one such teacher as Mr. Denton."

About the same time "The Digby

"Courier" had this to say:

"The subject of the above paragraph is a son of Mr. Jacob Denton of Watford, Digby Neck. He began his career some years ago as a teacher in the public schools in this county, and after taking a course in Arts at Acadia College, and studying the School of Science at Harvard, teaching in the intervals of his studies, was appointed to the position which he now holds. Mr. Denton may be reckoned among the number of young men Digby County has produced, who, instead of wasting the best part of their life in vain pursuit of wealth in a foreign country, have utilized the advantages within their reach at home in advancing themselves to positions of honor, responsibility and profit. We are informed that Mr. Denton has obtained a year's leave of absence from his academic duties, and will at once proceed to Harvard where we hope he will meet with

still greater success than in the past."

Death of a Nova Scotia Millionaire

I have known many people named "Smith", many of whom are close friends of mine, and it is for this reason that I insert in this column a report of the death of a Nova Scotia millionaire named Bennett Smith, hoping that some of his descendants may be still living and the "old news" may be of interest to them.

The following is a report of his

death in the year 1935:

"Bennett Smith, a well known member of Watford, N.S., died at his home recently. He was born in Watford in 1846, and has lived there all his life. In 1868 he built a large cannery, which was destroyed by fire in 1872. Mr. Smith then built 35 vessels, many of them of large tonnage, and was successful in his business. He was interested in sugar manufacturing, and owned a large sugar refinery. His wealth is estimated at from \$1,000,000 to \$2,000,000. He was undoubtedly one of the most enterprising, as well as one of the wealthiest men of his province. Three sons and three daughters survive him."

OBITUARY

Mrs. John H. Farwell
Word was received here Saturday of the death of Mrs. John H. Farwell, wife of John H. Farwell, who lived for many years at Moncton, N.B. and vicinity, having been summer visitors here for a great many years.

Mrs. Farwell is survived by her husband and two daughters, Mrs. George Moore and Miss Anna Farwell. A granddaughter, Mrs. Frederic Stoddard of Digby, also survives.

Funeral services will be held at Moncton on Thursday afternoon.

Mrs. W. E. Parr
Friends in Port Wadsworth and along the Grandville shore will be glad to learn of the death of Mrs. W. E. Parr, who passed away Friday afternoon, February 19th, at the home of Mrs. C. J. Saunders, Grandville Ferry, where she had made her home for many years.

Funeral services will be held at Moncton on Thursday afternoon.

the home of Mr. and Mrs. Watson, Anthony, Port Wadsworth.

Mrs. Parr passed away on her 60th birthday. She was the former Miss Effie Hall, and was a school teacher in her younger days. Born at Port Lorne on Feb. 10th, 1864, she was a daughter of the late Mr. and Mrs. Charles Hall, who lived for many years at Waterville, Kings Co., and widow of the late Wallace E. Parr, Grandville Ferry.

On August 27th of last year Mrs. Parr suffered a very bad fall and was a patient in the Annapolis General Hospital for some time. She has been in failing health ever since. Previous to that time she was remarkably active. She had a keen mind and was a well known conversationalist. She was a faithful member of the United Baptist Church for many years.

Surviving are one sister, Mrs. Elmer Macdonald, Grandville, and a brother, Mr. J. H. Hall, in Moncton, N.B. There are also two nephews, Messrs. C. J. Saunders and Stanley Cook of Grandville, and a nephew, Mr. C. J. Saunders, Grandville Ferry, with whom she had made her home for many years.

The funeral service was held on Saturday afternoon at the home

of Mrs. Charles Saunders, Grandville Ferry, at 1:30 p.m., conducted by Rev. Donald Martin, pastor of the Baptist Church. Friends were invited to attend.

Funeral services were held Sunday morning at 10 o'clock at the home of Mr. and Mrs. Stanley Cook and son, Claude Cook, of Waterville, Kings Co., attended by the funeral home of the late Mr. J. H. Hall, Grandville Ferry.

Mrs. Jessie Jane Crosby
The death of Mrs. Jessie Jane Crosby, wife of Charles Crosby, occurred at her home in Smith's Cove, Digby, County, early Sunday morning, February 12, following a brief illness of about a month. She was born in Bear River, daughter of the late Henry and Sarah Crosby, and was married to Mr. Charles Crosby on May 1st, 1884.

She was a devoted wife and mother, and was well known in the community. She was a member of the United Baptist Church and was very active in its work.

Surviving are her husband, Mr. Charles Crosby, and three children: Elizabeth, Mrs. Fred Potter, and Miss (Mrs. Albert Webster), all of Smith's Cove, Digby. Also a daughter, Mrs. John Leale, Waterville, and a son, Edward Dugas, and a daughter, Mrs. Dugas, all of Bear River.

Funeral services were held at the home of Mr. and Mrs. Charles Crosby on Sunday afternoon at 2 o'clock.

What Some Great Folk Say
Hon. Phillip Snowden, Chancellor of the Exchequer, England, said it is no argument for liquor to say that its manufacture and sale gives employment. He asked: "Would you justify the occupation of a burglar on the ground that he provides work for the jailer?"

"Boys, I never had a drop of liquor in my whole life, and I don't want to begin now," said Abraham Lincoln.

"I have never used alcoholic beverages, and for many years have been in favor of total abstinence," said Dr. Mary E. Moody, of Holyoke College.

"You can get along with a wooden peg, but you cannot get along with a wooden head. In order that your brain may be clear, you must keep your body fit and well. That cannot be done (one drinks liquor) without the aid of a wooden head," said Charles Mayo, Mayo Clinic.

"My experience teaches me, in dealing with the liquor traffic, that the best safeguard to morals and health is General Robert E. Lee."

If you expect to stay in the game, leave alcohol alone. It gets you sooner or later," said Walter Johnson, famed "Big Train" of baseball.

MARRIAGE

Murphy - Coakley
A quiet and pretty wedding of interest to a wide circle of friends took place at the United Presbyterian Church on Saturday evening, Feb. 11th, when Lucy Mae, only daughter of Mr. and Mrs. Walker Coakley of Digbyville, was united in marriage to Harold Irving, son of Mr. and Mrs. Wilfred Murphy, Colburn.

The ceremony was performed in the presence of immediate relatives of the couple by Rev. Dr. T. W. Hodgson.

The bride looked lovely in a brown, velvet, gown, with matching accessories, and was escorted by Mrs. Elsie Timperley, sister of the groom. The groom was supported by Lovett Coakley.

On Monday evening, Feb. 12th, the newlyweds were given a reception at the home of Mr. and Mrs. Wilfred Murphy, where many friends gathered to wish the young couple.

The bride is the daughter of Mr. and Mrs. Wilfred Murphy, and the groom is the son of Mr. and Mrs. Harold Irving.

For the present they will reside at Colburn.

Kiwanis Lieutenant-Governor Pays Official Visit

Lt. Governor M. M. Gardner of Kiwanis District No. 11 paid his first official visit to the Digby Kiwanis Club at the regular weekly meeting last Thursday, which was held at Clara's Coffee Shop in conjunction with the "V. O. N. 'Gala Day' program."

Mrs. Gardner was accompanied by his wife who was entertained at luncheon by Mrs. Scott Eaton and the wives of the past presidents of the Digby Club.

The Lieutenant-Governor was welcomed by Digby President, Scott Eaton, of the Digby Club, and introduced the Club on the splendid progress they were making, especially in the field of public service.

Following the luncheon, Mrs. Gardner was entertained by the wives of the past presidents of the Digby Club, and the wives of the past presidents of the Digby Club.

The Lieutenant-Governor was also introduced to the new Digby Kiwanis Club, which was welcomed by the wives of the past presidents of the Digby Club.

Mrs. and Mr. Gardner were entertained Thursday evening at the home of Mr. and Mrs. H. M. Warner.

C. W. Amero, Church Clerk 50 Years, Passes

Charles Michael Amero, life-long resident of Weymouth, died at his home in Weymouth on Feb. 15th. Celebrating his 77th birthday last September, Mr. Amero had been in failing health for nearly a year, although death came suddenly.

Born in Weaver Settlement, the son of the late Capt. Charles Amero and Mrs. Menetta (Wheeler) Amero, Mr. Amero worked as a cooper and then to Weymouth. He married Minnie Adeline Wagner, who survives.

He was a member of the Southville Church of Christ, and served faithfully in every capacity which he was asked to fill. For 50 years, he was clerk and treasurer of the congregation. He also served for many years as editor and co-editor of the Weymouth Times.

His wife died in 1910. He is survived by two daughters, Mrs. Harry J. Lewis, and Mrs. George G. Gaudet, and three granddaughters, Mrs. Gloria and Stewart Lewis, all of home, one, brother, and one, sister, all of home. He is also survived by a son, Philip, and a daughter, Mary, both of Rochester.

Funeral services were held from the home Friday afternoon, then to the Southville Church of Christ where further services were held under the direction of the minister, Mr. J. H. Gaudet. Burial was in the Southville cemetery.

Suffers Broken Back In Fall

William Matheson is a patient in the Digby General Hospital, suffering from a broken back following an accident on the Digby pier.

When the accident occurred, Mr. Matheson was helping to re-erect the motor vessel, Sled L., in preparation for the installation of a new motor. Climbing from the deck of the vessel to the pier, he lost his grip and the vessel fell, striking his back on a projection on the vessel's deck, breaking a bone in his spine.

It is reported from the hospital that Mr. Matheson, who is now thirty-two years of age, is making satisfactory recovery.

Celebrates 85th Birthday

Mrs. James Hayden celebrated her 85th birthday on February 15, a number of friends in honor of Mr. Hayden's 85th birthday. The celebration was a very delightful occasion, including a party and a dinner.

During the evening Mr. Hayden received two long distance telephone calls. One was from his daughter, Mrs. J. H. Gaudet, and the other was from his brother, Mr. J. H. Gaudet, who lives in Watertown, Mass., and the other was from his brother, Mr. J. H. Gaudet, who lives in Watertown, Mass., and the other was from his brother, Mr. J. H. Gaudet, who lives in Watertown, Mass.

Investigate Break Into Ship

Police are investigating a break into the motor vessel, Sled L., owned by Captain Daniel Cheney of Little River.

Early in the evening, the vessel was made one time Thursday night by forcing the lock on the door of the motor vessel, Sled L., and the ship was stolen in the break.

Wild Pear Blossoms

Level Brooks of Bear River brought the first of a lovely spray of wild pear blossom which he picked from a tree in his field on Saturday. The blossoms are well formed and fully opened and the lower tips of the branch are covered with swelling buds.

OBITUARY

Mrs. Mary A. Holdsworth
Funeral services for Mrs. Mary A. Holdsworth, widow of former Mayor Percy W. Holdsworth of Digby, were held from Grace United Church here yesterday afternoon at 2.30. Rev. Dr. T. W. Hodgson, pastor of the church, conducted the services, assisted by Rev. E. C. Churchill, pastor of the Digby Baptist Church. Interment was in the family lot in the Baptist cemetery.

Mrs. Holdsworth, who passed away at the Victoria General Hospital, Halifax, on Sunday afternoon after a lengthy illness, was 67 years of age. She was the daughter of the late Mr. and Mrs. James Young of Ayr, Ontario, and leaves to mourn her death, two sons, Mr. and Mrs. Charles, and two daughters, Mrs. J. B. Chapman, Halifax, and Mrs. J. B. Plummer, Digby. She was a member of the Victoria Chapter of the Order of the Eastern Star, and was an active member of several church organizations, and played an active part in the work of organizing and administering the local branch of the Victorian Order of Nurses and the Ladies Aid Society of the Digby General Hospital. Her husband, who predeceased her some ten years ago, was for many years Chairman of the Board of School Commissioners of Digby and a former Mayor of the town.

Charles C. Gammon
Charles C. Gammon, 56, retired Nova Scotia farmer, who had made his home with his sister, Mrs. Anna K. Larkin, Gloucester, Mass., since last November, died early February 26th, at the Addison Gilbert Hospital where he had been a patient since February 3.

Mr. Gammon was born in Atwood, Brook, N. S., son of the late William and Eudavilla (Armstrong) Gammon. Mr. Gammon went to Gloucester last November.

Survivors include three sisters, Mrs. Larkin of Gloucester, Elizabeth, wife of James McCaulley of St. John, N. B., and Grace, wife of Dean Pugh of Westport, N. S., a brother, Clarence of Somerset, Clarence of Somerset.

MARRIAGE

Amoro - Sarette
A quiet but pretty wedding took place in St. Patrick's Church in Digby on February 4th, when Rev. Thomas Murphy united in marriage Alice Ann, daughter of Mr. and Mrs. Frank Gidney, and Donald James Amoro. A double ceremony was performed. The bride, given in marriage by her father, looked lovely in a street length dress of white and jersey with forest green accessories and carried a bouquet of American Beauty roses. She was attended by Mrs. Gordon Cornish, who wore rose wool jersey with black accessories, and wore a corsage of bright winter flowers. Kenneth Wootter was best man.

Following the ceremony, a wedding reception was served at the home of the bride, Mrs. Sarette, and relatives and friends. The bride and groom were accompanied by the bride's mother, Mrs. Sarette, who is residing at 1111 Main Street, and her accessories and corsage of white flowers.

The happy couple left on a motor trip through Nova Scotia and New Brunswick.

Previous to the wedding at Digby, and several nights and places. His wife was the late Rachel (Morrison) Gammon.

The service was held on Sunday at 2 o'clock at the W. S. Pike Memorial Funeral home, 61 Middle Street. Interment was in Beechbrook cemetery, West Gloucester.

Gordon B. Arnold
Funeral services for Gordon B. Arnold were held on Tuesday afternoon, February 21, from his late residence on Queen Street. The service was conducted by Rev. Dr. T. W. Hodgson, assisted by the choir of Grace United Church, with prayer being offered by Rev. E. C. Churchill. Pallbearers were Messrs. John Russell, William Turnbull, and Clayton Snow of Digby and B. A. Marshall of Halifax.

The many lovely flowers were a fine tribute to one who will be remembered by a host of friends for his many acts of kindness. Interment was at Fairview Cemetery, Digby.

Centreville

Mr. Charles McRehouse at Little River spent last Wednesday with his daughter, Mr. and Mrs. Frank Gidney and family.

Albert Peters of Hebron was an overnight guest at the home of Mr. and Mrs. Frank Gidney.

Mrs. Alton Graham returned home after spending her week-end with Mrs. Henry Graham, Halifax.

Mrs. Izee Haight spent a few days at the home of her mother, Mrs. Mary White, East Ferry, last week.

A basket of social flowers was placed in the casket in loving memory of the late Mrs. W. S. Sarette, who passed away on Monday, February 26th, at the Addison Gilbert Hospital. The flowers were from the members of the World Day of Prayer Service in this community.

Crumbaker - Walker
At the Stratford Street Baptist Church, West Roxbury, Mass., on Tuesday, February 14th, at 4 p.m., Miss Phyllis Walker, only daughter of Mr. and Mrs. John Harvey Walker of 66 Coolidge Ave., Needham, Mass., became the bride of Mr. Leslie Grant Crumbaker, son of Mr. and Mrs. Curtis L. Denton of 2 Hastings Street, West Roxbury, Mass.

Rev. James O. Eshridge, pastor of the church, performed the double ring ceremony. Only immediate relatives were present.

The bride, given in marriage by her father, looked charming in a street length aqua blue gown with matching hat and corsage of gardenias and hydrangeas.

The bridegroom, a graduate of Brimley High School, is a Chief Electronics Technician, United States Navy.

After a honeymoon trip to Pennsylvania and Virginia, Mr. and Mrs. Crumbaker will reside in Norfolk, Va., where he is now stationed.

World Day Of Prayer Observed At Clementsvale

With Mrs. Marshall Whetstone, Vice-President of the local U. B. W. M. S., as leader, twenty six women from Clementsvale and Bear River East met at the Baptist Church here on Friday afternoon, February 24, to observe World Day of Prayer.

Mrs. Gordon Ruggles, Mrs. Pender Long, Miss Ethel Longley, Mrs. Watson Potter, Mrs. John Wright and Mrs. Everett Pyne offered the special prayers.

Readings, "The Joy of Self Before," by Anna Fiedler, and "The Significance of the World Day of Prayer," by Mrs. Norman Sandford, added much to the interest of the meeting.

A basket of social flowers was placed in the casket in loving memory of the late Mrs. W. S. Sarette, who passed away on Monday, February 26th, at the Addison Gilbert Hospital. The flowers were from the members of the World Day of Prayer Service in this community.

Fresh as the day it was packed!

The call that wakes a nation's heart to action

Somewhere in Canada, somebody in distress, perhaps a little child, is calling to you for help. . . through your Red Cross. Answer generously, from your heart. Give to sustain the never-ending work you cannot do the Red Cross do. This year the need is urgent for \$1,000,000. Only you can help. Share. Give from your heart. . . and give all you can.

THE WORK OF MERIT NEVER ENDS...

Give from the heart

EVERYBODY'S BUSINESS

by *Edna Graham*

The business of life is not always a happy one. It is a struggle for survival, a constant battle against the forces of nature and society. But if you should be the least, don't hold a grudge. Similarly, fence-mending is usually necessary when we wrong others, or they wrong us. In such cases we should try, by expressing our regrets - or "letting bygones be bygones", to keep all venues friendly.

Actually, few matters are important enough to warrant letting them impair your relations with others in any way. Your life insurance plan, too, may need mending from time to time. Additions to the family, the needs of growing children, increased living costs - these and other changes suggest bringing your life insurance plans up-to-date with today's needs.

Governor General Endorses Red Cross Drive

Because it serves as a channel for each man's kind and generous impulses, the Red Cross is particularly valuable and worthy of the generous support of every Canadian. His Excellency, the Governor-General, declared in a statement endorsing the national appeal of the Canadian Red Cross Society for \$5,000,000 opening March 5.

"Through it, we can make sure that our spare shovels, saws, axes, etc., are put to use in promoting the health and welfare of our fellow citizens and contributing to large measure toward the alleviation of human suffering throughout the length of our land."

His Excellency Alexander Johnston said that Canadian could do "better than the rest of the world" in the free national Red Cross Society, one of the greatest health and welfare organizations by a voluntary organization, and mentioned the medical aid brought to still expanding frontiers by Red Cross Outpost Hospitals and the continuing service to veterans.

COMFORT AND DISTINCTION

THE Prefect

UP TO 35 MILES PER GALLON

built by FORD in England

Here's the ideal car for many motoring purposes. On the highway and in city traffic, it gives remarkable economy—up to 35 miles to the gallon of gasoline! Yet, though built for low operating costs, the Prefect is a roomy, comfortable car, and its smart, "impored" stylishness gives it real distinction in any setting.

You'll like the quality of upholstery and interior appointments. You'll appreciate the convenience of parking—def handling ease. Of course, the Prefect has left-hand drive and a standard gear shift. Come in and see it today. We will gladly arrange a demonstration drive.

EVERYBODY'S BUSINESS

by

Don Graham

It is far of future generations that we must think when we are planning for the future.

That was the theme of the first of the series of lectures given by Don Graham at the Digby High School on Tuesday evening.

The speaker, who is a well-known author and lecturer, stressed the importance of planning for the future.

This is not to say that obstacles should be ignored; it's only common sense.

Don Graham, a well-known author and lecturer, stressed the importance of planning for the future.

He pointed out that the future is not a blank page, but a page that has already been written in part.

He urged the audience to think about the future and to plan for it.

He concluded by saying that the future is in our hands.

Education Week

An Opportunity

by Hon. Henry D. Heles, Minister of Education

Each year Education Week gives us an opportunity to direct our attention to the schools and their activities. Investigation will show that the progress of education is now a rapid and fascinating business.

In addition to the usual subjects, such as the three R's, science, history, geography, mathematics and languages, we see that special attention is also given to health and physical education, art and music, social studies and in industrial and vocational arts.

Special attention is also given to the teaching of the English language, the study of the history of the province, and the study of the history of the world.

The aim of all this is to give the children a broad and balanced education, and to give them the opportunity to develop their own talents.

It is the duty of the government to provide the best possible education for all its children, and to give them the opportunity to develop their own talents.

It is the duty of the government to provide the best possible education for all its children, and to give them the opportunity to develop their own talents.

Birthday Celebration At Port Wade

On Tuesday evening, February 26th, a very enjoyable birthday celebration was held at the home of Mrs. D. Cronin.

Mrs. Cronin and son, John W. Cronin, whose "bated" dates are February 26th, are among those whose birthdays will around once every four years. However, the family, which included Mrs. Cronin and two daughters, Mrs. Bertha Cronin, Karslake, and Miss Mary Cronin, and son, John Cronin, were all present.

The birthday girl, Mrs. Cronin, was the guest of honor, and was presented with a lovely birthday cake and a number of gifts.

Mrs. Cronin and Mr. Cronin were both born on February 26th, and are now 40 years of age.

The birthday celebration was a most enjoyable one, and was attended by many friends.

It happens almost every hour, somewhere in Canada.

A thoughtless step, a scream of brakes... and another life hangs in the balance—with an emergency blood transfusion the only hope!

Will you reach out a helping hand to snatch one of these lives from the jaws of death? You can do so by giving generously to support and extend the Red Cross Free Blood Transfusion Service, through which more and more Canadian hospitals are being supplied with precious blood and plasma.

"You'd have \$200 a month!"

Could you, too, say that to your wife? An easy way to make this true in your case is to get your name on a "Family Income" Policy. At once. You can do this for very little. For example, at age 30, only \$4.50 a week would protect your wife with \$200 a month for the next 20 years and then with \$10,000 in cash. (Other amounts cost in proportion.) Get full details of the benefits the "Family Income" plan brings to you and your family.

300 MOTORISTS LOSE LICENSES

Unable to Prove Financial Responsibility After Accidents

In the first two months of Nova Scotia's new Motor Vehicle Liability Law between 300 and 400 owners of drivers of motor vehicles lost their permits and licenses because they were unable to prove financial responsibility after traffic accidents.

DON'T TAKE CHANCES

Before renewing your registration for 1950, establish your financial responsibility by:
 1. Carrying public liability and property damage insurance or
 2. Posting a bond or depositing cash or securities with the Provincial Treasurer.

MARRIAGE

Rev. Booklet took place at the Baptist Church on March 10th, when Rev. C. D. Clayton united in marriage Jacob May, daughter of Mr. and Mrs. J. J. Barnes, and Miss Margaret Moring of the same family.

The bride was given away by her father, Mr. J. J. Barnes, and the ceremony was performed by Rev. C. D. Clayton. The wedding party consisted of the bride, groom, bridesmaids, and best man.

The reception was held at the home of the bride's parents, Mr. and Mrs. J. J. Barnes. The bride and groom were surrounded by many friends and relatives.

The bride and groom were married at 2 o'clock in the afternoon. The ceremony was a simple and beautiful one.

T. A. M. Kirk Addresses House

T. A. M. Kirk, M.P., Federal Minister for the constituency of Digby-Yarmouth, addressed the house of Commons in his first speech last Thursday.

Mr. Kirk's speech was a tribute to the people of the constituency and to the work of the government.

He discussed the various projects and plans for the constituency, including the construction of a new bridge over the Digby River.

Mr. Kirk also mentioned the importance of the fishing industry in the area and the need for government support.

Card of Thanks

Many thanks to all who attended the funeral of Mrs. J. H. Jones, held on Monday, March 13, 1950.

The family wishes to express their appreciation to all who attended the funeral and to those who sent flowers and cards.

In Memoriam

Mr. J. H. Jones, who passed away on Monday, March 13, 1950, at the age of 78.

He was a member of the United Baptist Church and was well known in the community.

Ottawa Report

Sat., March 11, 1950.

On Monday of this week the Speaker announced that he had received the report of the N.S. Supreme Court Judges stating that the election in Annapolis Kings of June 27th last had been declared void. This means that a new election will be held in that constituency and that Angus Elderkin, who has been representing the constituency for the last eight months is no longer a Member of Parliament.

Three days of this week were devoted to the Throne speech debate and it appears now as though it will close next week. Many members have taken part in this debate and have taken advantage of the opportunity to bring the problems of their own constituencies to the attention of the House.

On Tuesday there was an extended debate on Foreign Affairs, opened by the Secretary of State for External Affairs, Mr. J. H. MacLean, who answered some of the points raised by the opposition members on the previous Friday. Mr. George Drew followed Mr. MacLean and presented the views of the Progressive Conservative party. Mr. Coldwell and Mr. Blackmore then spoke outlining the views of the CCF and Social Credit parties respectively.

On Friday, the Hon. Paul Martin moved the adoption of a resolution to set up a committee of inquiry to make a thorough study of social security legislation in Canada and in other countries. Mr. Martin outlined the types of old age and retirement pensions in effect in other countries and placed on Hansard showing the cost of various old age and security proposals, various ages and amounts on a test, and incorporated many of the proposals which have already been made in the House.

This morning a number of the members and senators journeyed to the Rockcliffe C. C. A. station to view the demonstration.

Auditors' Report

Halifax, Nova Scotia,
January 25th, 1950.

That election results may move Prime Minister Abee to shelve nationalization plans is good news not only for Britain, but for this country.

They emphasize that the H-bomb is still in the mere theory stage, and let us hope it so remains for a good while yet.

We report that we have examined the books and accounts of Digby General Hospital for the year ending November 30th, 1949, and have obtained all the information and explanations we have required. Subject to our report of this date, attached hereto, in our opinion the above Balance Sheet is properly drawn up so as to exhibit a true and correct view of the state of the affairs of the Hospital as at November 30th, 1949, according to the best of our information and the explanations given to us, and as shown by the books.

Kids Feel Diesel Will Ruin Ambitions

While the adults of Digby might be solidly behind the move to have the present steam plant replaced by a quieter, less polluting diesel, at least two youngsters are bitterly opposed to the move.

Little George Mount and Alexander Vango informed the Courier last week they both have ambitions toward becoming railway engineers and feel if diesel engines are to replace steam engines these ambitions will be ruined.

Fire Damages Lettency Home

A three alarm fire yesterday afternoon for a time threatened the residence of Miss Ethel Lettency on Carleton Street. Prompt action on the part of the Digby Fire Department soon had the stubborn blaze under control.

"But now," said they, "what about the rainbow? There it is, right up into the sky, and you cannot see it, and you can't get to it, at it's very top is the rainbow space where the wild are holding their summer meeting, deciding on what grounds they'll settle next, what routes they'll follow to them, and other matters."

The members brought children, who will present consulting the rainbow, and that's great fun. Would you

OBITUARY

Mrs. Sophie M. Carter
Mrs. Sophie M. Carter, wife of Edmund C. Carter of Gloucester, Mass., passed away at her home early Friday morning, March 17, after an illness of two weeks.

Mrs. Carter, who was 77 years of age at the time of her death, was born in Digby County, N.S., and was a daughter of the late Luke and Mary (Deddy) Clement.

She moved to Gloucester when she was 21 years old.

Survivors besides her husband, include 4 sons, Herman E. and three daughters, Miss Francina, Miss Emily M. wife of Wm. L. Carter, and Pamela L. wife of Joseph T. Boyce, all of Gloucester. Also, granddaughters, Miss Mary, Miss Emily, and Miss Josephine, all of Gloucester.

Mrs. Carter was a member of the Central Baptist Church, and was a devoted Christian.

Funeral services were held on Monday, March 20, at 10 o'clock, at the Central Baptist Church, with Rev. J. W. Purdy officiating. Burial was in the cemetery.

Shamrock For The Irish Guards
When the Irish Guards, on March 17th, celebrated the half century of their foundation, the King, who is the regiment's Colonel-in-Chief, presented them with the traditional shamrock. In 1902, Queen Alexandra made the first gift of a shamrock to the regiment on St. Patrick's Day and the custom has been continued.

Mrs. Walter M. Romans introduced in honor of Mr. and Mrs. Roy Stewart of Eastport, Sask., one evening last week with two tables of bridge. The prize winners were Mrs. A. M. Simons, Major Simons and E. W. Purdy. Mrs. Stewart received a small guest prize.

Tea was introduced into Canada commercially by the Hudson Bay Company.

Home and School Card Party at Sandy Cove

On Friday evening a card party was held at the home of Mrs. J. H. Smith, 100 Main St., for the benefit of the Sandy Cove School. The party was very successful and the proceeds were \$100.00.

WHY PROPERTY TAXES?

Why do we pay property taxes? The answer is simple. We pay them to maintain the roads, bridges, and other public works of our community. Without these taxes, our community would be a shambles.

Sandy Cove

The Sandy Cove community is very active and is always looking for ways to improve itself. The recent card party was a great success and the proceeds will be used for the benefit of the school.

Westport

The community of Westport is very active and is always looking for ways to improve itself. The recent card party was a great success and the proceeds will be used for the benefit of the school.

OBITUARY

Aubrey Leonard Jarvis, who was born in Westport, died on March 23, 1938, at the age of 78. He was a member of the Westport Church and was a very active member of the community.

WARNS AGAINST DRINK

Dr. Duhig, Roman Catholic Archbishop of Brisbane, Australia, in his Lenten Pastoral Letter last spring, asked Catholics to "disassociate themselves altogether from bodies which permit the introduction of intoxicants, into sports clubs, on youth, social rallies, and the like."

Archbishop Duhig's protest that halls, dances, and other entertainments can not be held under the auspices of the Church unless a guarantee is given that none will be taken to exclude or exclude the use of intoxicating drinks from such parties.

Thus Archbishop Duhig's protest only half the picture, there were those who were not only not of the chief members to Australia, but also to the United States.

Archbishop Duhig's protest only half the picture, there were those who were not only not of the chief members to Australia, but also to the United States.

PARENTS ARE BLAMED

Parents are largely to blame for the lapses of their children in this matter of drink," he said. "They condone the beginnings, and once the son or daughter has been initiated into drinking they find it difficult to stem a practice, which soon grows into a habit."

Formerly, overindulgence in strong drink was chiefly confined to men, he said, but it had now become a habit with both sexes and had grown into a scandal.

The intelligent observer or student of our social conditions," Archbishop Duhig declared, "it must be clear that strong drink is connected with the majority of the crimes committed today. Its connection with immorality is well known. It worked havoc during the war, when young women were first drawn into the vortex in large numbers, and it has always very little else."

Clementsport

Clifford Ramsay has returned from Digby Hospital where he has been a patient receiving treatment for ear trouble. His friends are glad to know he is much better.

Miss Helen Bennett was a week and guest at Mrs. Elliott's.

Ward Master E. C. Harbord and family, who have been living at the Caffrey house for several months, moved to their new home at Cornwallis on Saturday.

Mayor and Mrs. Rodger of Kentville were Sunday guests of Mr. and Mrs. Frank Sawford.

Mrs. D. Mansfield received a box of Shamrock St. Patrick's Day from a nephew with love from County Cork, Ireland. This came by air mail and arrived in perfect condition, when, much to her delight, she found it to be a box of Shamrock St. Patrick's Day from a nephew with love from County Cork, Ireland.

Mrs. H. H. Marshall, who has been in Halifax for a week visiting her husband, Captain Marshall, returned home on Monday.

Word was received here this week of the death of his home in Lynn, Mass., of Joseph Burrill. He was a son of the late Mr. and Mrs. Charles Burrill and spent his boyhood in Clementsport. Since his marriage he has lived in Lynn. Fred, Harry and William Burrill are brothers, and Mrs. Fred LeCain and Mrs. Ella Savage are sisters, who survive. His wife, formerly of Moncton, one daughter, and one son, live in Lynn.

To guard their children, particularly their daughters, against indulgence in intoxicating drink, by giving them a good example, keeping them from companionship and parties that could be the occasion of their falling into the habit of drinking. Fathers and mothers who neglect this duty to their children, or who by their own example, become a stumbling block to them in a matter so vitally connected with their character, honor, and happiness, must render to God a strict account of neglect of their chief duties as parents."

LEADER in SALES

There's no question about this matter of leadership. FORD'S OUT FRONT! Look at the record... look at the leader... before you buy any new car.

LEADER in STYLE

Twice-as-new style winner—only Ford has ever won such honors. Again in '50, Ford has been awarded the Fashion Academy Gold Medal as "Fashion Car of the Year"—over all makes in all price classes!

Here, we believe, is proof far more convincing than any mere "claim" of QUALITY in the field of low-priced cars. It is Ford's two-way leadership in sales, awarded to Ford by the buying preference of Canadian motorists... leadership in style and beauty, confirmed by the Gold Medal Award of the "last word" in fashion authority, the Fashion Academy of New York.

Ford leadership plainly underlines the fact that buyers who want the best are enjoying their choice to the '50 Ford... 50 WAYS NEW... the One Fine Car in the Low-Price Field!

That's why we say it's wise for you to see and "Test-Drive" the '50 Ford before you accept less than the Leader offers!

Port Wade W.M.S. Meets

The Baptist W.M.S. of Port Wade held their March meeting at the home of Mrs. Alton Hagden on Tuesday evening, March 14th. Meeting opened with the singing of "Beautiful Words of Life." The devotional was led by the president, Mrs. Vandora White. Scripture lesson, Proverbs 30th chapter, was read in unison, followed by the Lord's Prayer in unison.

Extracts from the letter of 1949 - Mrs. James Johnston. From their song, Rev. Gordon Barrie, relating his experiences while in prison in Egypt to Pharaoh, which others, in his song, related to the story of the Exodus.

The hymn, "Miles in Our Valley," was sung by Mrs. Ernest McLachlan, followed by a reading by Mrs. White. Pastor's prayer was distributed among the members for a special thank offering at the Easter meeting.

A prayer was offered by the president, followed by the Bishop Benediction.

In 1949 Canadian manufacturers shipped out of the country 280,634 cars, trucks and other commercial vehicles, a greater export value than in any previous year.

Mrs. Raymond Comeau, Weymouth, had the honor to be one of the models at the Fashion Show, held in Yarmouth by the Royal Store there.

Rev. J. E. DeWolfe left on Sunday for Bridgetown and Dartmouth. On his return, he will be accompanied by his wife and children, who have been visiting in Dartmouth.

Miss Marjorie Tupper, District Nurse, Digby, and Miss Rossie, Digby, N. S., assisted Dr. E. Duffley with the T. B. Clinic, which was held here Wednesday and Thursday of last week.

Mr. and Mrs. Rubella Bourne, of Yarmouth, spent yesterday and today in town, Mr. Bourne being on duty on Saturday, while Mrs. Bourne was at the St. Peter's Hospital at Yarmouth.

Mr. and Mrs. J. E. DeWolfe and Edward Rice, mother of Digby, last week where they assisted in the organization to the Priesthood of their nephew, Louis Theriault. While in Halifax they were guests of Dr. and Mrs. Herbert Rice.

The regular meeting of the Weymouth Legion Branch No. 27 was held recently at Killam Hall. It was decided a dinner would be held on April 11th, with an orchestra from Yarmouth furnishing the music. Arrangements were also made for the parade and all day celebrations to be held here on July 1st, under the management of the Legion.

A box, containing 3 large sized quilts, 2 sweaters, 28 bonnets, 3 pairs booties, 4 pairs leggings, 1 cap, 2 girls nightgowns, 5 diapers, was shipped from the Weymouth Red Cross Rooms, their last meeting, to headquarters at Halifax. The knitting was the work of the ladies and school children at Danvers, who work under the competent leadership of their school teacher, Mrs. Amy Lewis.

House Hears Of Public Works Plans

Details of one of the largest public works programs in history of Nova Scotia were outlined last week in the speech from the throne read at the opening of the Provincial Legislature. The program, expected to alleviate the current unemployment situation, will include bridge and highway building, schools, hospitals and other public buildings.

Plans for the Strait of Canso bridge will be completed in a few months; it was announced that legislation for a provincial highway building program is being introduced. The program, which will include bridge and highway building, schools, hospitals and other public buildings, is expected to be completed by the end of the year.

One highlight of the program is the construction of the Canso bridge, which will be completed in a few months. The program also includes the construction of a highway building program, which will include bridge and highway building, schools, hospitals and other public buildings.

The program is expected to be completed by the end of the year. The program also includes the construction of a highway building program, which will include bridge and highway building, schools, hospitals and other public buildings.

How To End Taxes

Most rural municipalities in Canada think they are doing very well indeed these days if they can hold tax levels to anything close to previous levels. But they would get a shock if they went to Sweden, comments The Financial Post.

There's some countries' very similar in climate, and area to those of the more thinly settled portion of Eastern Canada, have abolished municipal taxes altogether. And these have hope this action, the highest sacrifice in municipal service. The rate in the Swedish story is the lowest area which the Swedish people and who, after neglect, now almost a voluntary municipal service. These people have made a great deal of money out of their such successful action that they have been able to pay for their municipal expenditures. As well they can afford to do so, they have a healthy, recreation area for their folk and their future.

Increased activity in the field of forest conservation was forecast with the setting aside of areas of Crown land where attitudes and experiments will be conducted in co-operation with the Dominion Forest Service.

The Nova Scotia Power Commission reported the completion of more than 400 miles of new power lines during the year, bringing the benefits of electricity to many more Nova Scotians in rural areas.

Temperance Notes

Published by the Sons of Temperance of Nova Scotia. The temperance movement is one of the most important in the world. It is a movement for the betterment of the human race. It is a movement for the salvation of the soul. It is a movement for the redemption of the body. It is a movement for the purification of the mind. It is a movement for the glorification of God.

On April 19, 1919, he issued the following public statement: "I do not drink. This is my policy because I find life filled with so many challenging tasks and demands. To meet them I must have the full benefit of all my spiritual, mental and physical capacities at all times. I have never found a need for the so-called 'kick' to enjoy my life. I have never found a need for a social gathering, nor do I require it to relax from strenuous duties. To me, the exhilaration of outdoor life, the joy of good music, the companionship of family and friends, the comfort of religious faith, provide lasting sources of happiness with which liquor does not mix."—Luther W. Young, 4th, Liverpool.

In a publication of December 1919, he says: "As I write these words I am preparing to meet with the State Board of Temperance. I am wondering to myself how many times we shall hear again those old familiar words: 'It's not a bad fellow, but I guess he ought to have liquor at home' or, 'He had been drinking and didn't know what he was doing.'"

It is difficult to accurately estimate the number of crimes caused by intemperance, but certain it does cause many, and it is a contributing factor in an even larger number.

"Crime is but one phase of the drinking problem. Whether we like it or not, drinking has become a serious national problem, which is taking a terrible toll of our human and economic resources."

"John G. Dill, would be amazed to find out that intemperance today is costing us. Death rides with many a driver on our highways and streets. Did you ever see a bad wreck take place at night and listen to the drooling of the driver trying to explain how it happened, when you shift off, of his breath explained everything. If so, you know what I mean."

"The findings of the Yale School of Alcoholism show that two thirds of the alcoholics have been drinking since childhood. It is not a bad fellow, but I guess he ought to have liquor at home."

On every road our children see this drinking habit at home and in public. They are continually bombarded with a constant advertising campaign that seeks to sell them on the fact that it is "smart" to drink, and that if you don't you are nothing but a social liability.

"Men of distinction" as not in clever ads, blurtly hint that "to be a success in this age, a person must drink and drink a certain brand."

If this dangerous propaganda is to be successfully resisted by our teen agers, we must have a better example from parents.

There is no use fooling ourselves on this point, for children naturally look to their parents for guidance. The fact that so many young people are playing with the social and personal dynamite of alcohol is evidence that a vast number of parents are failing their children at a time when they are most needed.

There are now over 30 different railways in Canada, ranging in size from the Canadian National Railway with its 21,000 miles of track to small local lines like the Thousand Islands Railway with its four and a half miles of track.

Cement produced in Canada in 1946 exceeded all previous records both in quantity and total value. During the year 14,127,223 barrels were sold for \$28,264,997.

Mayor Tells Of Experiences As Mail Driver

John Charles Morehouse, mayor of Digby, told the members of the Digby Rotary club, at a luncheon at the Digby Hotel, that he had been a mail driver for many years. He said that he had been a mail driver for many years, and that he had been a mail driver for many years. He said that he had been a mail driver for many years, and that he had been a mail driver for many years.

Attractive Booklet Marks Jubilee

The Digby Diamond Jubilee booklet, which was published by the Digby Diamond Jubilee committee, is a most attractive and informative booklet. It contains a wealth of information about the town of Digby, and its history, and is a most valuable addition to the collection of any Digby resident.

Rendered Homeless In Roxville Blaze

Mr. and Mrs. John J. Ross, and their three children, of Roxville, were rendered homeless by a fire which destroyed their home on Sunday night. The fire broke out at about 11 o'clock, and spread rapidly, burning down the entire structure.

Bear River East

On Friday afternoon, March 27, a party of five, consisting of Mr. and Mrs. J. B. Ross, and their three children, left Digby for a trip to the east. They were accompanied by Mr. and Mrs. J. B. Ross, and their three children.

He received a cheque from them in recognition of the work he had done. Later the department adopted the idea and still later erect a memory light fixture.

1950 - Digby's Diamond Jubilee

For several years, Mr. Morehouse stated, he and his wife had been making a mail route and much success or failure was entirely dependent upon the way they travelled the route. He urged his listeners to so "travel" that when they reached the end of the route they would have "travelled" in the way they had "travelled" in the route.

1950 - Digby's Diamond Jubilee

The family were given shelter at the home of Mrs. Amherst. There will be another meeting on March 28th to appoint officers when all will be welcome.

1950 - Digby's Diamond Jubilee

Loggers say: "FORD TRUCKS Last Longer!"

NEW LOWER PRICES Now in Effect
Ask your Ford Dealer about the new, lower prices on all 1/2 and 1-Ton Ford Trucks... made possible by advanced production and engineering methods; plus the fact Ford of Canada built and sold more trucks in 1929 than any other Canadian manufacturer.

Maybe logs aren't in your line BUT...
If you want the best and biggest truck value for extra money, Ford's new 1-Ton Ford Trucks... made possible by advanced production and engineering methods; plus the fact Ford of Canada built and sold more trucks in 1929 than any other Canadian manufacturer.

Trucks have to be tough to "take it" in the lumbering and pulpwood field. And that's why here again—as in every hauling field where real stamina counts—more FORD Trucks are used than any other make!
Built stronger to last longer... From new 4 and 5-ton "Big Jobs" to 1/2-ton Pickup, Ford Trucks have extra strength built into every vital part—for that extra margin of durability that means longer life and lower costs.
The right truck for every hauling job. 7 series ratings—1/2 to 5 tons. 3 Ford V-8 Truck

Engines, powered for truck jobs—up to 255 lb. torque. 10 wheelbases. Gross Vehicle Weights up to 21,500 lbs. (G.T.W. up to 39,000 lbs.). The biggest Ford Truck line ever offered!
Bonus* Built Ford Trucks give you truck-engineered features and many "extras" for longer life, greater adaptability, lower operating and maintenance costs. Get the whole story of this exclusive Ford Truck construction principle from your Ford Dealer.

SHIPBUILDING

What's ahead for the Canadian shipbuilding industry in 1950? How far will government orders offset the collapse of merchant tonnage orders since devaluation?

A survey by The Financial Post shows total employment in Canadian shipbuilding yards is presently close to the 7,000 mark. And maritime experts in Ottawa believe that despite devaluation and the virtual blackout of foreign business, total employment will stay above the 7,000 mark this year.

Present volume of orders in the hands of Canadian shipbuilders is placed at \$38-50 million. That's exclusive of the \$34 million CCL freighter which was virtually completed in 1949 and a 1,000 passenger vessel at Col. C.D. Howe, which is now nearing completion.

57 millions of Argentine orders that have been hanging fire in Halifax now for the past two years and which are also due for April cleanup. Also put included is the \$2 million Arctic vessel, C.D. Howe, which is now nearing completion.

MCS Magnificent Sea

Behind the men who pilot the Navy's high-speed fighter-reconnaissance aircraft on and off the carrier HMS Magnificent are the maintenance crew whose job is to "keep 'em flyin'."

A carrier's air organization is like a football team. The ship's maintenance parties are the players who clean the way for the "ball-carriers," the pilots. Working up their "back" requires a lot of teamwork. But their role is as important as any other on the ship. Without them, the Navy's high-speed fighters would be out of action.

When the pilots land observers step out of their aircraft at the end of a busy day's flying—the maintenance men take over. The Commander (Air), Air Group Commander and the Air Engineer Officer decide the number of aircraft to be flown the following day and the skilled mechanics swing into action to bring the planes up to serviceability requirements.

First the aircraft is refueled and then in assembly line fashion it undergoes a thorough "daily inspection" by each of the individual specialists. For instance, the Air Engine Mechanic checks the power plant from air screw to throttle. The Airframe Mechanic, likewise, goes over the entire body of the aircraft looking for possible defects in movable parts such as the rudder, ailerons, flaps, etc.

The Ordnance man sees that the cannons in the wings are serviceable and ready for rearming for the next day's firing exercises; or it may be intended to carry out rocket firing and he has to install rocket racks. Electrical personnel may have a short circuit in the rocket firing control box to repair; the Radio Mechanic checks the radio sets so that both pilot and observer will be sure of communication with the ship after they become airborne.

The daily inspection carried out on naval aircraft is a lot quicker said than done. It takes an average of 45 minutes for each specialist to make his routine checks. If he runs into any defects that will require repair there is no telling how late into the night he will work.

Each aircraft in the Group has its own maintenance crew, and wherever possible its own pilot. As a result, maintenance personnel develop a high spirit of pride in the particular aircraft they look after. Should an aircraft be taken off the day's flying list for some minor defect, the crew concerned hears about it from fellow mechanics whose planes did get airborne. Pilots are required to go over the daily inspections with the men from time to time after their mechanics in return go flying with them whenever there is a back seat empty.

This all adds up to team spirit and tremendous speed in all types of ships, but especially so in a carrier, where skill is the keynote from the hangar deck to cockpit level.

As an example of maintenance efficiency in the Air Group the Magnificent's aircraft flew 226 hours during the first 17 days of the two-month training cruise.

On February 28 the Air Group went into "tropical routine." That meant that the maintenance personnel were in the hangars at 6:30 a.m. doing their pre-flight checks, and the first aircraft left the deck at 7:15 a.m. Out of 14 aircraft ranged on the flight deck, 14 got airborne and by 11:45 a.m. all aircraft were back in the ship after having flown two trips and logged a total of 42 hours. The air department got the afternoon off. Maintenance personnel, however, still returned to the hangars that night

to service their aircraft for the next day's flying.

In tropical waters, working conditions in the steel plated hangar spaces are not the most inviting. Temperatures often go over the 100 mark, but the maintenance personnel in the Magnificent simply shrug off their shirts and get on with their job

with admirable devotion to duty. Air Engineer Officer in charge of the 18th Carrier Air Group's maintenance section is Lieut. (E) (AE) E. S. Smith of Saskatoon. He is assisted by Lieut. (E) (AE) R. G. Monteth, of St. Mary's, Ont.; Lieut. (E) (AE) W. L. Brown of St. John's, and Halifax, and Comins

Engineer G. M. Cummings of Ottawa and Dartmouth. The Magnificent's permanent air engineer officer, Lieut. (E) H. W. Isaac, Fenelon Falls, Ont., is the Air Electrical Officer of the 18th Carrier Air Group. William Gammon of Digby, is Meteorological Officer aboard the Magnificent.
