1877- 1978

1877-1977

Now and then a printing job had a save in parchment paper which required a special kind of printers' ink which smelled very bad some days. I always dreaded it when "Mac" would take you to the largest press in spite of the fact he always opened an outside door to lessen the odors on the room itself.

One of the jobs I had to do, besides putting and
graders' devil on the staff, was to... I cleaned one
and then... One day not long after I started to get to
the grating plant. I decided to climb the floor that
apparently hadn't been cleaned for some con-
siderable time.

"J.J." came along and said, "how are you making out Vince?" I assured him that I thought I was beginning to see the floor. "J.J." laughed very heartily. He thought the remark pretty good and whole.

Sometimes the gasoline engine, a piece of machinery would refuse to work, and the "fix-it" man had patiently worked for a certain length of time to get it going again, without results. Max would then stand back and come over dramatically then he would immediately start working. "See," he would say, "all it needed was a bit of fixing."

On other occasions when some people would say, "all it needed was a little more dirt" for the seed, and seemed to be brokenhearted, I would say, "use a little oil" and vice versa, after that is said. They often since have I heard of the value of that remark and the actual need of oil in many life situations, applied at the right time, right place and in the right way.

place and, in the right way.

Other things that sort of stick in my memory and come to mind now and then are, like the time I built "Mac" of four teenage boys who in the spring season of 1918 got together just before dark one evening and decided to mutate the newly built outdoor Fair Hotel swimming pool which had just been filled with water. Clothes were taken off near the road just out of the pool, nobody else seemed to be around except the four boys, no thought or time for bathing suits, so in the pool they went. They stood on the edge of the pool and looked at the chilly water, one soon jumped in. The rest quickly followed and across the pool they swam. "Mac" listened to the story and hardly said anything, but the next "Digby Courier" had a good story on the episode. The heading of the story went something like, "Four Boy Swims Officially Open Plains Hotel Swimming Pool." Who were the four? Many years later they are known as: the late Dr. Carl H. Anderson, veteran of two wars, second world war and Korean, was awarded the Victoria Cross; Sidney L. Smith, now prominent druggist, for many years in Digby; Clayton D. Snow, Digby wholesale apothecary, and myself.

As a young teenager I used to like doing some writing about different events interesting to myself and mostly for myself. One day, I was asked to contribute about writing your version of the story told about "The Marooning of Jerome". I did it and read at least two times what I had written about the man who was found marooned on a beach in some point on the French Shore of St. Mary's Bay, Duffy County. When I read this man's tongue had been cut out and his legs quite freshly amputated, were surgically well dressed and bound. He was presumably left by some vessel before dawn one morning, all for some mysterious reason.

"Jerome" appeared to have been a man of considerable social standing and, possibly, of considerable wealth. However, the way in which he could or would ever say after being found and cared for by some family in the French Alps, about something that sounded like Old Testament, either, y'all, or, would be, or, who he was or why he was left there, it was, and is, one of Digne County, and different ideas have been years concerning this man. However, "Mr." was, I felt so sure he was different about this man. The have been very well explored, sounds and he was a sort of

The Town Plot is situated at the east of the township just within the entrance to Annapolis Basin, and extends miles from Annapolis Town, and six miles across land from the head of M. Mary's Bay. This land not only has water's edge, partly on level ground, and partly on the declivity of a modern hill, dry and pleasant, and having on an eastern aspect a view of the Annapolis Basin and its cultivated shores for twenty miles in extent, it terminates with the Fort and River's mouth at that name. Celebrates 92nd Birthday

Mrs. Emma Wesley, Weymouth North, but who is making her home for the winter with Mr. and Mrs. Donald Manzer, Ashmore, celebrated her 92nd birthday on Thursday.

Mrs. Wesley is in very good health and during the afternoon and evening received many callers. A beautifully decorated birthday cake, made by Mrs. Manzer, was served, together with ice cream, to all who called. Among her callers was the Rev. Mr. Whitehouse, Pastor of the Baptist Church, and a delegation from the Baptist Circle at Ashmore, who presented Mrs. Wesley with a handsomely trimmed gift from ladies of the Circle. She also received a shower of cards and many other gifts.

Her host of friends in Weymouth, Weymouth North, and Ashmore, extend congratulations and wish her health and happiness with many more birthdays to follow.

Sandy Cove Girl Does Well

Miss Marie Morehouse, daughter of Mr. and Mrs. Norval Morehouse, Sandy Cove, has been successful in obtaining her commission and now holds the rank of Pilot Officer in the R. C. A. F. Marie is a graduate of Digby Academy and of the Provincial Normal School, Truro. Before entering the Royal Canadian Air Force in June 1952 she was, for three years, employed as a teacher in the schools of Nova Scotia.

At first as an airwoman P.O. Morehouse was a Fighter Control Operator, but now she is working in the Administration Branch of the Service. It has been learned that Miss Morehouse is the first airwoman from R. C. A. F. Station, Edgar, Ont., to receive a commission. We wish her the best of success.

Urge "Welcome" Sign At Digby

Erection of a "Welcome to Nova Scotia" sign at Digby was urged in the Legislature this week by Victor Cardoza (L. Digby). He said 32,975 visitors to the province entered via the port of Digby last year. This was exceeded only by those who entered the province at the Nova Scotia-New Brunswick border near Amherst, he said.

Tourist Minister Dauphinee replied the matter of erecting such signs was the responsibility of the Department of Highways, but agreed to make the recommendation to that Department.

Dentist Gives Alarm

Two Yarmouth youths who nearly lost their lives when their leaky old motorboat sank from under them Monday night near their home, were rescued by firemen called to the scene by Dr. T. L. Rogers, Yarmouth dentist.

Dr. Rogers noticed the boys in the water as he looked out from his horseshoe home. The dentist immediately called local firemen to the rescue.

While firemen Dave Bishara, Bob Brittain and Roy Allen made their way out to where Ralph Gamble and Douglas Porter were hanging onto their submerged craft, Police Chief E. S. Nickerson and other members of the Yarmouth Fire Department set out from Evangeline Wharf in a motor vessel with Dr. Rogers aboard.

On arrival at the scene Dr. Rogers applied artificial respiration to the two victims. When Porter failed to respond, he was rushed to hospital, where authorities later reported his condition as "good". Gamble was fully revived and taken to his home.

DR. ROSS EATON GIVES TEMPERANCE TALKS

Dr. Ross Eaton, Field Secretary of the Maritime Temperance Federation, opened his series of Temperance addresses in this locality at Grace United Church on Sunday morning. Dr. Eaton charged that the moderate drinkers were the main support of the liquor business and the recruiters of young people to the evil in their commendation of the drinking habit to the younger generation. He said the younger generation do not like or need or want to drink but are influenced by the world in which they live in a sheep-minded fashion. He cautioned the young in his audience to go out as shepherds in their stand against the evil of the drink habit.

Dr. Eaton, in his discourse, touched on the area of drunken drivers and alcoholics but he particularly appealed to the sense of the social responsibility of Christians in their attitude toward drinking. He asked them to think thru their Christian obligations in the matter and to make a distinctive Christian witness on the side of the non-drinking habit. Two-thirds of our adult population drink alcoholic beverages, Dr. Eaton said, and included in these were about fifty percent of the women folk in Canada. He particularly ap-

pealed to the women in the audience to take a stand on the "right side" and asked that the homes be kept free from the dangerous and deadly evil.

Dr. Eaton showed a film at the Digby Baptist Church on Sunday evening and also addressed the congregation there on Temperance. The picture depicted rescue workers in a Rescue Mission in Los Angeles, telling the story of a drunkard who had lost his job, wandered into the mission and later became a worker there.

Dr. Eaton also spoke at Hill Grove Baptist Church on Sunday afternoon and will be guest speaker at Kiwanis Club this evening.

Mrs. Eaton, who is accompanying her husband, vividly brought the drink problem before her audiences at Bear River, Deep Brook and Acadiaville on Sunday and pleaded with them in the cause of Temperance. She also addressed the Women's Guild of the Digby Baptist Church on Tuesday evening. Both Dr. and Mrs. Eaton will be in the Baptist Church, Smith's Cove, this evening.

On Sunday they will be in the United Church, Weymouth, for the morning service, and at the Church of Christ, Weymouth, in the evening.

Has Arm Severed

James Robicheau, Marshalltown, had his left arm torn from his body below the elbow in an accident which happened at H. T. Warner Ltd. plant yesterday afternoon. Other injuries received by Mr. Robicheau were a fracture above the left elbow and bruise over the left eye. Dr. D. E. Lewis was called to the scene and Mr. Robicheau was rushed to the Digby General Hospital where his condition was reported as good last evening.

The accident occurred about 2 o'clock while Mr. Robicheau was working underneath No. 1 factory. His clothes were torn from his body and it is thought the accident was caused by getting his clothing caught in a moving pulley.

Mr. Robicheau, age 54, is a millwright at the Warner Plant where he has been working for forty years. This was his first accident during that time.

Digbyites Hear "Iolanthe"

Many from Digby motored to Wolfville on Friday and Saturday evenings to hear the presentation of Gilbert and Sullivan's operetta "Iolanthe" at Acadia University Hall by the Acadia Light Opera Society. Among those who motored to Wolfville were about twenty-five students from the Digby Rural High School who will in the near future perform in "Pinafore" by Gilbert and Sullivan, under the direction of Miss Helen Kirkconnell.

The operetta, well performed, was most enjoyable and had a particular interest to the Digby people because of home talent who participated in the performance.

John Andrews, son of Mrs. Vian Andrews, and the late Mr. Andrews, North Range, did himself credit in performing the role of Private Willis (of the Grenadier Guards). Singing in the chorus was also Bill Troope, son of Mr. and Mrs. William Troope of this town. Ronald Cowan, son of Tom Cowan, played the drum and Frank Jefferson son of Mr. and Mrs. Lloyd Jefferson, Marshalltown, was among the stage crew. Frank was recently one of the leading characters in the play "The Lady's Not For Burning", presented by the University Dramatic Society at Acadia.

The operetta on Friday and Saturday nights was directed by Roy Watson with Mrs. Jack McLennan and Miss Ruth Morgan, as accompanists.

Mr. and Mrs. Kenneth Ruddick and son, of Arizona, are visiting Mr. Ruddick's mother, Mrs. Jennie Ruddick. Mrs. Kenneth Ruddick with her son returned last week from visiting her parents in England and was met at New York by Mr. Ruddick from where the family proceeded by motor to Digby.

Addresses Kiwanians

James Ayer addressed the Digby Kiwanians at their regular meeting last Thursday taking as his topic Asbestos Industry at Thetford Mines, Quebec. Mr. Ayer, who is now with the Digby County Power Board, spent three years in Thetford Mines as assistant superintendent of Shawinigan Water and Power Company and was thoroughly acquainted with his subject.

He described the operation of open pit mining and the block caving method used underground. He explained to his audience how the rock was prepared for milling and about the crushing and screening operations used in milling the ore.

Delving into the history of asbestos, Mr. Ayer said it was first discovered around 1895 and the industry has grown steadily ever since. There are now seven mines at Thetford, another will be in full production this year and two more are being built. The mines in operation there now, he said, produce 70% of the world's supply of raw asbestos.

In describing the relocation project which is now in process at Thetford, Mr. Ayer told of seven miles of railway, power transmission lines, offices, passenger depots and freight yards which will have to be moved.

He said the Pennington Dyke which runs through the Thetford area is thought rich in asbestos ore and the district contains asbestos for at least fifty years to come.

In connection with his talk, Mr. Ayer showed samples of milled and raw asbestos.

Mr. Ayer was introduced by H. J. Campbell and thanked by Kiwanian F. C. Purdy.

Twenty dollars was voted at last Thursday's meeting of the Kiwanis Club as a donation to the Digby Regional High School band.

It was also decided at Thursday's meeting to have the Kiwanians attend in a body each church of the town at least twice a year. On Sunday evening last the Kiwanis began this custom by attending the Salvation Army Service.

Guest speaker to night is Rev. Dr. Ross Eaton, Field Secretary Maritime Temperance Federation.

Doing Nicely

Glenn MacGregor, H. M. C. S. Cornwallis, who was injured on February 19th in a car accident while enroute from Halifax where he participated in a hockey game, has returned from the Halifax hospital to H. M. C. S. Cornwallis and is reported as doing nicely.

Mr. MacGregor is a valued member of the Cornwallis hockey team and had on various occasions played on the Digby Ravens.

DR. J. R. McCLEAVE HEADS NEW BOARD

Dr. J. R. McCleave was elected chairman of a new Regional High School Board which was set up last Thursday to take over control and operation of the Digby Regional High School, formerly known as Digby Rural High School.

The new board was set up at a joint meeting of the Digby Board of School Commissioners and the Municipal School Board. Previously the Digby Rural High School had been under jurisdiction of the town school board. Both municipal and town boards have felt the need of a board more representative of the section served by the school and an agreement was entered into Thursday night setting up the new regional board and defining its responsibilities and powers. An organizational meeting of the board was also held.

Other officers and members of the Regional High School Board are H. E. Chisholm, Bear River, vice-president; Guy Morehouse, R. G. Handspraker, H. J. Campbell, Dr. L. F. Dolron and Mrs. J. V. Andrews, North Range. Seymour Denton is secretary with Mrs. Margaret Appieby as deputy.

Dr. Ross C. Eaton At Sandy Cove Tomorrow Night

The Sandy Cove Baptist Church will be the scene of a temperance meeting next Friday (tomorrow) evening at 7:30 while the Rev. Ross C. Eaton, D.D., Field Secretary of the Maritime Temperance Federation, and Mrs. Eaton are working in this area.

At the urging of the minister of the Sandy Cove Church, Dr. Eaton graciously agreed to give this part of Digby Neck a service. Dr. and Mrs. Eaton are doing great things in the Maritime Provinces in the cause of Temperance.

The Doctor is well and favorably known in these parts. For some years he was the popular and successful minister at Freeport. After that he was in the First Baptist Church, Truro, where he was popular with the students attending Normal College. Many are looking forward with delight to meeting him again, hear his message and learn more of Public Enemy Number One.

All are cordially invited to attend this great meeting in the Sandy Cove Baptist Church tomorrow evening at 7:40 o'clock.

St. George Lodge No. 55, I.O.O.F., Digby, celebrated its 63rd anniversary at a banquet at Grace United Church Hall last Friday evening. At a recent gathering of agricultural representatives, at the Nova Scotia Agricultural College, Truro, M. D. MacCharles, Agricultural Representative for Pictou-North Colchester, who is retiring on superannuation from service with the Extension Services Branch of the Nova Scotia Department of Agriculture and Marketing, was honoured by his fellow workers and presented with a chair. The presentation was made by R. A. LeBlanc, Agricultural Representative for the Digby-Claire district.

Auxiliary Completes First Year

The first annual meeting of the Ladies' Auxiliary, Canadian Legion No. 20, was held following the regular meeting last Thursday when the following officers were elected for the year: President, Mrs. Nancy Denton (re-elected).

1st Vice-President, Mrs. Violet Burnham. 2nd Vice-President, Mrs. Beatrice Lutz.

Secretary, Mrs. Ellen Cleveland.

Treasurer, Mrs. Miriam McKenna (re-elected).

Assistant Secretary-Treasurer, Mrs. Shirley Woolaver.

Sergeant At Arms, Mrs. Margaret Wyma (re-elected).

Twenty-four were present for Thursday's meeting and heard satisfactory reports on the first year's work. Mrs. Evelyn Patterson gave the secretary's report and the treasurer, Mrs. McKenna, reported a bank balance of \$77.57 on the year's operations.

The president thanked the committees and individuals for their co-operation in making their first a successful year.

A social hour of refreshments and crochets followed the meeting.

Red Cross Campaign Reports Progress

Good progress in the current Red Cross Campaign is reported by H. M. Warne, campaign chairman for Digby Municipality.

Congratulations are extended to Mrs. Lawrence Atkinson, of Bay View, who was the first district collector to complete her returns. The total collected in Bay View was \$17.50, which is an approximate increase of 20% over the previous receipts from that district.

Digby Town receipts, as reported by the local chairman, Gordon H. Turnbull, now stand at \$41.37, with a number of collectors still unreported. It is confidently expected that last year's total of \$720 may be exceeded by the end of the campaign.

Reports from Lt.-Cmdr. Love, campaign chairman at H.M.C.S. Cornwallis, are most encouraging, where a total of \$846.00 has already been collected, with three more blocks to report.

Weymouth and Bear River, also not completed are progressing favorably, and it is hoped that road conditions may now be sufficiently improved to enable the rural districts to finish their collections at an early date.

Jehovah's Witnesses Meet Tomorrow

The Watch Tower Bible and Tract Society of Toronto will sponsor a three day assembly of Jehovah's Witnesses here Friday, Saturday and Sunday, April 2-4. The convention, which will be held in the I.O.O.F. Hall and the Bijou Theatre, is for Bible instruction and concentrated gospel preaching in this area, spokesmen of the group announced today.

All three days of the Assembly will consist of morning, afternoon and evening sessions of Bible talks, discussions and demonstrations, which are open to the public without charge.

A similar circuit meeting, representing fifteen congregations of Eastern Nova Scotia, was held two weeks ago at Glace Bay. Three hundred delegates were present for that assembly and a similar number is expected to attend the Western N. S. Convention here.

A. F. Danley of Toronto will be the featured speaker of the event. He will appear on the program all three days, and will deliver the main public address in the Capitol Theatre on Sunday. His subject is, "Is Civilization's End Near?"

Digby householders have been asked in personal visits by the witnesses to provide moderate-priced rooms for the attending ministers and their families. Hotel and tourist rooms have also been booked.

Delegates from the Valley and South Shore towns will attend.

Changes Ownership

The Sea Breeze Hotel and Cabins, Deep Brook, has been purchased by William Hall, Roxville, from Frank Dittmars who has operated a thriving tourist business there for many years. The hotel was widely known to many throughout Nova Scotia and Canada.

Mr. Hall will take possession of the Sea Breeze about the middle of April and will continue in the tourist business together with farming.

Mr. and Mrs. Dittmars and daughter have moved into their new home in Deep Brook.

Gets Awards

Mrs. Isaac Melanson, Grosses Coques, Digby Co., N. S., and Mrs. Eva Fleet, Digby, each have received Bulova watches as awards from Best Yeast Ltd.

Their three judges made these awards to Mrs. Melanson and Mrs. Fleet in recognition of their excellent prize-winning letters explaining in twenty-five words why they prefer Best Yeast.

The task of deciding the forty winners in the four Maritime Provinces was a very difficult one the judges found because there were actually thousands of letters to be opened and carefully read and compared. The good ladies all testified most eloquently regarding the product, we are told.

Letter To The Editor

Digby, N. S.
March 19, 1954.

Editor,
Digby Courier.

Dear Sir:
During this season of Lent, my thoughts and feelings have been greatly concerned about the two greatest social problems of this age.

It appears that we the church people as a whole are tragically indifferent, and in a very real sense blind to the needs of human suffering. In our midst, many of us do not know how many others live, and many who know, do not care. This is true concerning the great destroyer "Beverage Alcohol" and the need to help feed the hungry people of this world who are desperately hungry for both the bread for the stomach and the spiritual bread for the soul.

Considering the dollar and cent angle, the people of Canada and the country south of the border, are supporting the liquor traffic (a destroyer of body and soul) to a larger extent than they are supporting the institutions for healing, learning and spiritual growth that we have in both our countries.

Considering the great surplus food stocks for the stomach we have on hand in our store houses, commodities such as wheat and butter are in such large quantities, that an economic problem has developed. We the people and those who are in authority have not as yet properly considered the needs of the many hungry millions of people throughout other parts of the world. Surely the proper solution to this problem for Canada and the U. S. A. lies simply in providing our surplus food to countries in need of them at a price they can pay or at no cost if they cannot pay, even though it may result in our people doing without some of the things we do not need for life—the life that, Jesus Christ called "the more abundant life."

In fact, isn't it true, no people who have enough and to spare of the necessities of life, can enter the more abundant life unless they give at least their surpluses to other people who are in need of them and cannot obtain them by their own efforts? It makes no difference whether the country in need is called friendly or unfriendly—this is the true spirit as taught by the Holy Scriptures, and it is the only way the world can be made into a world that will serve the right and destroy evil, and thus result in all nations being friendly.

Of course the whole matter will rest with the Governments and other leaders of our countries to arrange the details and carry out any such plan, but, we the people must first rise up and advocate that this be done and support it in every way possible, whereas we have democratic Governments.

One clergyman of our town presented an expression that suitably applies here, in words to this effect: we must reach out for others or we ourselves will suffer. Yes, we must meet our christian responsibilities if we have the compassion so necessary in a christian's life.

Now, in regard to the liquor problem, we in Nova Scotia have had so-called "Government Control," for over twenty years; this came about in a plebiscite sponsored by some well-meaning people and by some not so well-meaning. During that plebiscite, one man, a traveller, said that he voted twenty-seven times at different points in Western Nova Scotia during that plebiscite, which certainly indicates the force of the resulting vote.

Since the plebiscite, after a lot of promises had been made which have not been kept, such as no advertising of liquor and promises of strong and effective education along the lines of true temperance, promises of less bootlegging and all that, after twenty years, we have a much larger portion of our people that can

be classified as alcoholics and slaves to the habit of drinking alcoholic beverages than ever in our time. However, the greatest menace, according to the opinion of men that know, is the class known as moderate or social drinkers in our society. Certainly, it is a fact, the alcoholic class developed from the so-called moderate class of drinker.

Where is the compassion of our church people regarding these problems as they stand in this period of history? It is a sad commentary that far too many are spiritually blind and ignorant of the christianity in both matters contained in this letter.

Surely our people must awake to the great need of doing away with the advertising of a commodity "LIQUOR," the consumption of which has become our number one social problem, the cause of more inhumanity to man than anything else, and loss of true love of man for God and God for man.

We must advocate total abstinence as the best policy. Samuel Johnson wrote, years ago, "It is much easier to maintain total abstinence than to practise drinking in moderation." It is a fact known to all who drink alcoholic beverages that will power and good judgment grows less with each drink of this kind of beverage. Shakespeare also wrote in one of his plays regarding liquor to the effect that people put into their mouths an enemy that steals away their brains.

Yes, all who believe in Jesus Christ must surely do all he or she can to put down this liquor traffic—the greatest barrier to the preaching, teaching and learning of God's Holy Word.

For the love of God, ourselves and our neighbours, let us outlaw this poison that is sold as a beverage; the poison is the ingredient "ethyl alcohol"—a poison in any man's language. It is too easy to get for far too many people, and don't forget the habitual drinker will buy his liquor with his own or other people's money, no matter who suffers because of it. The result is, countless thousands mourn, brothers and sisters too fall by the way-side, while many of us pass by on the other side.

Let us stop the false and misleading advertising. Educate the people and especially the children in the truth of this menace that does many times more harm than any conceivable good that anybody can claim for it.

We surely have been a foolish and sinful generation that needs a reformation in our time.

Let us make no mistake about the fact that we all pay in some way, some pay dearly, when we allow this liquor traffic to be legalized with all the resulting tragedy that occurs every day of our lives, in countless homes, on the highways and byways of our land. Also, let it be known, the more alcoholism grows, the more other narcotics will be used.

The future progress and welfare of society will largely depend on how, we the people, deal with the two problems as stated in this letter. Without compassion and proper action with a true sense of responsibility, church people will fail in the mission in which we are supposed to be engaged. Our compassion will be measured by the extent we respond to the challenge.

"Remember Jesus Christ said in words to the effect that the whole material world is not worth the saving of the soul of even one person. Also, Christ made the statement that a certain man was born blind in order that the glory of God would be revealed through Christ Himself giving sight to that certain blind man."

Yes, certain people have been crippled, some made sick and made whole, so the works of God might be made manifest in them. The day is coming when His works will be made manifest through the destruction of the legalized liquor traffic as we know it today. All people will then be more able to pay for and work for the better things of life.

Let us be reminded that prevention is much better than cure, and all people will be more able to look after themselves if the liquor traffic is outlawed and eliminated to the fullest possible extent, then not so many jails and hospitals needed, nor so much needed for public child welfare, mothers' and widows' allowances, insurance premiums, taxes and less wasted time, etc. In fact consumption of liquor has caused some people to break all of God's commandments, and especially the two greatest.

The condition most needed in human lives today is not the thirst for the spirits contained in liquor but for the thirst of a better spiritual life.

Many people say that the life of this world is travelling too fast for a proper moral condition, but, do these same people know how to remedy the situation? Surely it can be done only by more and more people spending more time in meditation and action in spiritual matters. We hear and read much about

Rev. Joseph Stewart, Ex-Vicar, Dies

The Rev. Joseph Westra Barnes Stewart, a retired Episcopal clergyman, died Friday at his home, 1730 Delaney Street, Philadelphia. He was 77.

Mr. Stewart was a vicar at the old Memorial Church of the Holy Comforter from 1919 to 1944, when he retired. The church was then located at 19th and Thian streets.

Mr. Stewart was born in Hampton, New Brunswick, Canada, and attended high school in St. John's New Brunswick. He was graduated from King's College, Canada, in 1903, and received his M.A. degree there in 1909. He was ordained a deacon and a priest in 1906. He served in Canada from 1906 until 1911.

When Mr. Stewart went to Philadelphia in 1911, he took charge of social service and missionary work at St. Peter's Church, Third and Pine Streets. He remained there until 1919.

He was the author of "I Am Calling, or the Call of the Church," "Church School Session Service," "Prayers on Entering and Before Leaving Church," "Church Year Chart" and "Church Teaching by Charts and Questions."

Surviving are his wife, the former Margaret Strauchon, and a sister, Miss Margaret Amelia Stewart, of Toronto.

Funeral services were conducted by Bishop Armstrong at Old St. Peter's Church March 26. The famous boys choir of St. Peter's chanted the Psalms and sang acapella. Souls of the Righteous.

Cremation took place at West Laurel Hill.

Final burial will be in St. Paul's churchyard later at Lakeside, N. B.

Mr. Stewart was well known in the vicinity of Smith's Cove where for many years he visited at his summer home. His sister, Margaret, is a frequent visitor at her summer home at the Cove, also.

CARD PARTY HELD AT SANDY COVE
The last in a series of weekly card parties was held in the Community Hall on Wednesday evening. This was open night and ten tables of forty-fives were enjoyed. Ladies' prizes were won by Mrs. C. F. Dunn and Mrs. Ellisworth Carty. Men's prizes went to Mr. Blair Dakin and Kenneth Merritt. The travelling prize went to Miss Ada Johnson.

Financial statements for the Legion and Home and School Association were given by Mrs. Austin Morehouse. Refreshments were served.

under nourishment concerning the physical body and also regarding the abundance of cheap, worthless, moral destroying literature for the mind. Most people spend considerable time every day reading different kinds of literature and doing many sorts of things for pleasure sake; but what about the lack of nourishment for the soul of man. It is of paramount importance for the better life that we have more action in the way of daily feeding of the soul by reading of God's word, daily prayer and regular sustained support for the church of Jesus Christ.

In conclusion, it is prayerfully hoped all people will realize that the matters contained in this letter are everybody's business that affect the lives of all of us, and many people tragically.

VINCENT SNOW.

In order to strengthen the financial structure of the Digby General Hospital, the Hospital Board again directs public attention to regulations governing admission to the Hospital. These regulations were drawn up with the approval and support of the Municipal and Town Councils of the Digby Area and became effective July 1st, 1953. The public is further advised regarding a new regulation concerning the admission to the Hospital of maternity cases.

For all cases other than maternity and emergencies admission procedure shall continue as follows:

1. A cash payment shall be required on admittance, as determined by a schedule of rates set up by the Hospital Office, approved by the Finance Committee.
2. If patient's financial position does not permit payment of required deposit, it will be necessary to present authorization form from either (a) the Town Clerk or (b) Chairman of Overseers of the Poor for the Municipal Unit in which patient has established a legal settlement.
3. Except in emergency cases, when no deposit is required, patients seeking admission to the Hospital must pay the required deposit or present the necessary authorization form or be refused admission.
4. This required authorization form may be obtained from (a) the Town Clerk of Digby or (b) an Overseer of the Poor for the Municipality.

Effective April 1st, all maternity cases expecting hospitalization must be booked in advance at the Hospital Office. Patients are advised to consult their Doctor concerning this new regulation.

Trout Season Opens April 15th

Prospects are bright for the early bird rod and reel angler in Nova Scotia this year. The fishing season gets underway officially April 15 and if the weather remains normal with a fair amount of sunshine then anglers should be away to one of the best starts in years according to the federal Department of Fisheries in Halifax.

Snow was late coming to Nova Scotia this winter but when it finally arrived it fell on the province with a vengeance. As far as anglers were concerned they were happy to see the snow remain, growing in depth in the woodlands with each new blizzard. There is still plenty of snow in the woods which normally provides for good water levels.

Lake levels are high—another good sign—and ice surfaces are melting rapidly.

Another fine feature this season is that although there is a good quantity of snow in the forests there isn't a trace in open areas or on the roads. Frost is coming out of the ground earlier than usual this year and well before April 1 most roads should be well dried up. This early defrosting—plus the future cooperation of the weather—should mean that anglers will be able to reach many choice angling spots through side-roads, lanes and other little-used traffic arteries which lead to angling havens sometimes quite inaccessible at the start of each season.

Nova Scotia anglers are aware of the promising conditions and are eagerly awaiting commencement of the open season. April 15 will witness the start of the Atlantic salmon angling season in

Unemployment 1954

"Unemployment 1954"—a timely topic—will be the subject of discussion of this week's Citizens' Forum broadcast, Chifford Dunphy, Truro, secretary of the Nova Scotia branch has announced.

The program will be carried over the Trans-Canada CBC network from 8:45 to 9:40 p.m. tonight, March 23, and will originate in Ottawa.

Speakers will include: Ellen Fairclough, M.P., chairman of the Progressive Conservative party caucus labour committee; Don MacDonnell, secretary-treasurer, Canadian Congress of Labor; Raymond Bisset, president of the Canadian Construction Association.

The discussion will be under the chairmanship of Blair Fraser, Ottawa editor, Maclean's magazine.

Maritime stations carrying the Forum include CBLL Halifax; CKRW, Bridgewater; CBL Syd; CBL Sackville; and CHSJ, Saint John.

Report questions are as follows:

1. Has unemployment affected your community more seriously this winter than last? If so, in what ways?
2. Do you think the national employment situation warrants government action? If so, what kind? (a) public works? (b) increased unemployment insurance benefits? (c) others?
3. Do you think there is danger of talking ourselves into a depression?

Clare Fishermen

Report Bad Season

Fishermen in the District of Clare have had a discouraging winter season so far and prospects of it improving before the season ends in June, looks dim. From the very start of the season last December they have been plagued with poor weather or low catches.

In December, especially the first week, lobsters were plentiful in St. Mary's Bay with some boats bringing in as much as 1,500 pounds, but the weather prevented the fishermen to go out about six or seven times during the entire month. After the first few trips out the catch began to diminish and with severe wind storms of the winter months they were unable to tend their traps very often. Catches in late months have been running from 25 to 75 pounds per boat.

With the colder weather during the winter months the lobsters move to deeper water and that accounted for the scarcity along the shore. Warmer weather may improve the catch but the fishermen do not believe that there will be any substantial change.

Honored On 85th Birthday

After the mid-week service held at the home of Mr. and Mrs. Ingram Dakin, Centerville, last week, a surprise social was held in honor of the host, Mr. Dakin, in celebrating his 85th birthday. Mrs. Guy Gauthier made the birthday cake which she presented to Mr. Dakin. Other gifts from the families were presented by Mr. Dakin's granddaughter, Mrs. Frank Titus. About fifteen were present for the occasion.

Rev. R. M. Cameron led in the devotional which preceded the social hour.

Urge Blood Donations

Thursday, April 22, is set for the Blood Donor Clinic in Digby, as announced today by J. J. Brittain, chairman of the Blood Donor Committee of the Digby Branch Canadian Red Cross.

"With the Canadian Red Cross accepting the responsibility for procuring the blood required by the federal government to implement the gamma globulin project, many more donors are needed," said Mr. Brittain. He is making an urgent appeal to all between the ages of 18 and 65 and in average good health to volunteer a donation for April 22.

The amount of additional blood needed for the production of gamma globulin alone is estimated at 150,000 bottles each year. The gamma globulin is used to fight polio. Although it is not a vaccine, nor a treatment for polio, research indicates that an injection may give temporary protection, lasting approximately five to six weeks to those in contact with polio. It may also lessen the crippling effects of polio, if given prior to infection. The Canadian Red Cross Society has no jurisdiction whatsoever over the distribution of gamma globulin, this being done by the federal and Provincial Departments of Health. The Red Cross' only responsibility is to collect the blood.

The Canadian Red Cross is also pledged to supply, free of charge, all the blood and plasma required by every hospital in the province that enters the plan, for administration without cost to patients needing transfusions.

C. H. Stuart in his 1953 report for Blood Donor Service in Nova Scotia said there was an increase of 3,361 donations or 15.2% over the previous year. He also said it was the first time the number of donations received exceeded the total donor objective.

Each year as more and more lives are saved by means of transfusions, people are awakening to the importance of giving blood donations. Mr. Brittain said it is the one thing that has saved more lives than any drug and it is hoped that Digby, where more blood has always been used than donated, will respond to the urgent appeal for April 22.

Bohaker and Mrs. Gerald Bent. The lucky chair prize was won by Mr. R. H. Bond.

VOLUME LXXX, No. 31

TO COLLECT OUTSTANDING TAXES

Steps will be taken to collect all in arrears taxes and electric light accounts for the year 1952 and for previous years according to information received at Monday night's meeting of the Digby Town Council. This decision was arrived at when the Council convened in a special session on March 16. The minutes of this special meeting also revealed that while the town would remain owner, the Digby County Power Board will in future take over the operation of the town's electric light system.

Another special session of the Council was held on March 23rd when consideration was given to the paving of town streets. Estimation of the cost was given as approximately \$180,000. Figures also revealed that \$18,275 was spent on the town streets in 1953, of which approximately \$3,300 was spent for calcium. The matter was left in the hands of a committee for further consideration.

A lengthy matter of business dealing with assessments prolonged the Council meeting on Monday until, after midnight, Kenneth Backwith, Gerald Syda and Clayton Snow appeared before the Council to appeal their assessments which were issued following the Session of the Appeal Court in February. After much discussion the Council decided that the appeals of Mr. Backwith and Mr. Syda be refused and the decision of the Appeal Court in the cases be confirmed. In the case of Mr. Snow, his appeal in the matter of his house assessment was refused and the decision of the appeal court confirmed on the matter. A reduction on the assessment of his business stock was granted. In making his appeal Mr. Snow stated that high taxation would discourage businesses from expanding and were also contrary to bringing new industry and the retired class of people to Digby. He had understood, he said, that one of the aims of the new assessment was to attract new industry and retired people.

Motion was made on Monday evening to approve the minutes of the Assessment Appeal Court with the exception of the above reduction. The Appeal Court it was learned met for several days, beginning February 23 with the following present at each session: E. J. Theriault, Q.C., town solicitor, Gordon Turnbull, Karl Young and Norman Wright. During the Council meeting words of appreciation were made to the Appeal Court members who had spent many hours in making their decisions. While it was admitted that the present assessment was not perfect it was generally felt by the Council members that this was a step in the right

direction and that another year, any difficulties might be further "ironed out". One hundred and twenty-four appeals were on the list, posted before the Appeal Court met and thirty-five were added by the Court in session. Twenty of the total were 1100's of property and ten were deletions through removal.

Appeals to come before the County Court are Hood's Ltd., D. C. Landers, J. P. Richards and Canadian Pacific Railway.

The Town Assessment Roll for 1954 amounting to \$3,554,855 was accepted on Monday evening. Before the Appeal Court session the amount had been \$3,548,030. Outside School assessment is \$510,375 and had been \$490,575 before the Assessment Appeal Court met. Last year town assessment is noted to have been \$1,065,535.

Others to appear before the Town Council on Monday night were Fritz Dakin and Rev. James Brooks on behalf of the Digby Branch Victorian Order of Nurses. They said it is a recognizable fact that the Victorian Order is of valuable service to the town; that the work had grown tremendously in the past few months in town and school. They requested that an increase in grant to this organization be considered by the Council.

Frank Irwin, secretary of the Digby Board of Trade, approached the Council about the sign boards at the entry to town which are now maintained by the Board of Trade. He said the signs were in need of renewing and recommended using fluorescent tape for lighting instead of lights which are expensive to operate. He requested the town to consider meeting the expense or a large part of the expense to replace the signs. Two of these, he said, would cost \$200 if the type were used as the Board of Trade was considering.

Both matters relating to the Victorian Order and Board of Trade were left to consider at a special meeting of the Council called for this evening. The matters of budget and setting of tax rates is also expected to be on tonight's agenda.

Permission was granted the Digby Branch V. O. N. to hold a tag day on Saturday, May 1.

A building permit was granted Gordon Comeau to erect a home on 2nd Avenue between Warwick Street and St. Mary's Street.

The matter of installing fire whistles on each end of the town to more efficiently warn all residents when a fire occurs in town was discussed.

Re-appointments to the Digby Water Committee were made as follows: B. H. Ruggles, chairman, H. L. Woodman and H. M. Turnbull.

H. & S. MEETS AT BEAR RIVER EAST

The Bear River East Home and School Association met on Wednesday evening, March 31, in the school house. The vice-president, Mrs. Gordon Ruggles, presided. The Clementsvalle Society was then welcomed. An interesting programme, in keeping with Founder's Day, was given by ten members.

Several games were played after which lunch was served by Mrs. Lovitt Brown, assisted by Mrs. George Jefferson, Mrs. R. Pierce and Mrs. P. Robar.

BIRTHDAY PARTY AT GRANVILLE FERRY

Mrs. Chester Naus entertained friends of her daughter, Meredith, at a very jolly party on Saturday afternoon. Guests present were Donna Melsner, Emma Leor Saunders, Jane Ellis, Carole Lescaudron and Jean Sarty.

Meredith, who was twelve years old the following day, April 4th, first entertained her guests at a theatre party at the Capitol Theatre, Annapolis Royal, where they thoroughly enjoyed the picture "Ma and Pa Kettle On Vacation", returning to Meredith's home where they enjoyed jolly games and a supper of hot dogs and other goodies, including delicious birthday cake.

Murley, with 7 points. Other Digby scorers were Thibault 6; Balser 2; Lewis 2, and Holdsworth 2.

High scorer for Yarmouth was Cosman, with 9 points. The other Yarmouth scorers were Falle 6, and Suttie 1.

Digby Teaching Appointments Made

A full quota of teachers have now been engaged for Digby town schools for the year 1954-55 according to information received by E. C. Purdy, school supervisor. In the Digby Regional High School the new appointments are Robert J. Vey, of Glace Bay, who will teach Senior Mathematics and Economics; Clinton C. Three Fires In Past Week

Digby Fire Department was called to three fires in the town within the past week. On Sunday morning a fire was quickly extinguished at Chan's restaurant. Although smoke penetrated through the building and adjoining business the fire was confined to the ventilation shaft. The fire is believed to have started from the motor in the ventilating equipment.

On Monday afternoon the Firemen were again summoned to a vacant property at the corner of King Street and the Neck Road where a grass fire got out of control. This fire was believed started by children.

A chimney fire occurred at the home of Miss Margaret Dakin on Tuesday.

FAREWELL PARTY HELD AT GREENLAND

On Tuesday evening, March 30th, a farewell party was held in the school house in honor of Larrie, Richard and Wayne Morgan, who have enlisted in the RCAF.

JEHOVAH WITNESSES HOLD 3-DAY RALLY

The past weekend saw hundreds of Jehovah's Witnesses come to Digby, chosen out of a possible 17 locations to attend their semi-annual circuit assembly.

Weeks prior to the assembly a search was made for rooms to house upwards of 400, who would attend from such points as Halifax, Bridgewater, Liverpool etc. and according to W. Holmes, preaching minister of Jehovah's Witnesses at Digby, "adequate accommodation was found".

Meals were no problem for they operated their own cafeteria serving upwards of 1,500 meals.

An interesting program of instruction and counsel in a house-to-house ministry was developed by discourses, demonstrations, pantomimes, on Friday evening, with participants ranging from the age of 8 to 80.

In spite of the sudden severe storm which struck Digby on Saturday a great many, both young and old, were on hand for the baptismal service which took place on Saturday afternoon. In his lecture Clayton Morrell, circuit minister, said: "True baptism is a symbol of unreserved, whole-hearted dedication to Jehovah God just the same as Jesus' immersion was".

Psychiatrists And Clergy Meet

A Mental Health Institute was held on Monday morning and afternoon, at Hotel Champlain when members of the Psychiatric staff in Digby met with the clergy of the county. The meeting was arranged by a joint committee from the clinic and three of the protestant ministers of the town, Rev. H. Y. MacLean, chairman, Rev. E. C. Churchill and Rev. James Brooks.

Discussions at the meeting concerned the relationship in the work of the psychiatrist and the pastor, how each can understand what the other is doing to alleviate human suffering and how they can best work together for the benefit of the people they serve.

About fifteen members of the protestant clergy were present from various parts of Digby County as well as two visitors from outside the County. Dinner was served the party at the hotel.

The meeting was considered highly successful and plans were made by the committee for future meetings of a similar type.

On the previous Saturday representatives of Kings County Mental Health Association and the Digby Clinic staff met at the Colonial House, Bridgetown, Dr. M. R. Elliott, Wolfville, and Dr. G. M. Smith, Divisional Medical Health Officer in the area were medical representatives. Also present were Dr. Grant and Professor W. A. Draper, representing psychology; Dr. Mortimer Marshall and Charles Eaton, representing Education and Guidance, and Professor Roy Watson, Acadia University, member of the Executive of Kings County Mental Health Association. The Digby Clinic was represented by Dr. A. H. Leighton, Dr. W. H. Vernon, Dr. W. D. Longaker and Dr. E. J. Cleveland.

Discussions at this meeting concerned the interest of the Kings County group in a community clinic. They dealt with the set up of a clinic, how it is staffed, the cost, and what to do to promote a psychiatric clinic in the area. Mr. MacMillan was chairman of the meeting.

Top Contestants

Another indication of Canada's musical growth is seen in the fact that the highest standard so far was set this season in the nationwide Singing Stars of Tomorrow competition.

Typical of the contestants on the program are the youthful singers shown above: soprano Diane Oxner (left) of Lunenburg, Nova Scotia; Norman Mittleman, a baritone from Winnipeg who is also, incidentally, a football star; and Floriane Cotoir of Noranda, Quebec.

All provinces of Canada except Prince Edward Island have been represented in the 11-year history of the program.

Dr. Ben Gullison At Little River

On Good Friday evening, April 8th, there will be a Missionary Rally in the Baptist Church at Little River when the guest speaker will be Dr. Ben Gullison, Medical Missionary in India, who is in Canada on furlough.

The visit of Dr. Gullison to this part of the province will be an experience and privilege for those who hear and meet him. His colored pictures are beautiful, and the message he gives on medical evangelism in India is most inspiring and challenging.

Dr. Gullison hails from the Maritime Provinces. After graduating from Acadia University he took his medical and surgical training in Edinburgh, Scotland. He went to India in 1933, and has been one of the outstanding missionaries in the medical field. Dr. Gullison is famous for his work among the lepers and uses the ministry of healing as a medium of evangelism.

The Minister of the church considers it a rare privilege, he says, to present his friend, Dr. Ben Gullison, to the people of Digby Neck on Friday evening. All are cordially invited to attend the Rally which promises to be one of the highlights in events in the Little River section of Digby Neck.

Quarters For Headquarters

Digby Area Home and School raised eleven dollars towards "Quarters for Headquarters" by selling lunches at the close of their regular meeting, held at the Digby Regional High School last Wednesday. The Canadian Home and School Federation is asking every member of the Home and School to donate a quarter towards the purchase of a building in Toronto for their National Headquarters.

T. Jones, Division Director Adult Education, Middleton, was present on Wednesday evening and took charge of the program. The program consisted of games, singing and film and folk dancing. The film showed in one part the incorrect method of a teacher dealing with a retiring type of personality in the classroom, followed by the correct method of handling the shy child's problems at school. A discussion on the film was entered into by many of the members.

In a few remarks, Mr. Jones compared the usual formal type of Home and School meetings, which have become so through following parliamentary procedure, to the informal type. He pointed out the merit of the former but said the informal meeting was much more conducive to learning.

Four dialogues were presented by the Mission Band, under the direction of Mrs. Elton Arnold, and were entitled, "The Old Story," "I Love," "Because He Was A Boy" and "Easter."

Mrs. J. M. Wallis sang "Beside Still Waters" by Bernard Hamblen.

An Easter pageant entitled "On Life's Highway" was presented by Miss Constance Kirkpatrick, Mrs. James Brooks, Mrs. Dickson Sabine, Mrs. John Russell, Mrs. Eva Fleet, Mrs. Oakley Turnbull and Mrs. Elton Arnold. The pageant portrayed the tremendous relief from fear, hatred and superstition experienced in lives introduced to the Christian way of Light, Love and Life.

You can't go ALL-OUT

If you feel ALL-IN

These days most people work under pressure, worry more, sleep less. This strain on body and brain makes physical fitness easier to lose—harder to regain. Today's tense living, lowered resistance, overwork, worry—any of these may affect normal kidney action. When kidneys get out of order, excess acids and wastes remain in the system. Then backache, disturbed rest, that "tired-out" heavy-headed feeling often follow. That's the time to take Dodd's Kidney Pills. Dodd's stimulate the kidneys to normal action. Then you feel better—sleep better—work better. Ask for Dodd's Kidney Pills at any drug counter.

You can't go ALL-OUT

If you feel ALL-IN

These days most people work under pressure, worry more, sleep less. This strain on body and brain makes physical fitness easier to lose—harder to regain. Today's tense living, lowered resistance, overwork, worry—any of these may affect normal kidney action. When kidneys get out of order, excess acids and wastes remain in the system. Then backache, disturbed rest, that "fired-out" heavy-headed feeling often follow. That's the time to take Dodd's Kidney Pills. Dodd's stimulate the kidneys to normal action. Then you feel better—sleep better—work better. Ask for Dodd's Kidney Pills a any drug counter.

Report From Parliament Hill

GEORGE C. NOWLAN

March 27, 1954

If the Editors approve, I would, for the first time, make this a personal report.

There are two reasons for this. In the first place, it is a confession of neglect of Parliamentary duties. My constituents are

entitled to know this and the explanation for it.

In the second place, it may have some news value. At least I judge that from various whispered reports concerning my health which came to me shortly after the last election. Apparently it was one of the interesting topics of conversation in the Valley. At first, I thought that these arose out of the fact that Mrs. Nowlan was in hospital for a serious operation. It would be an easy mistake for

someone to say that Mr. Nowlan was in hospital, and then the rumours would spread. However, they persisted so long that I realized that they did not arise out of confusion between the words "Mr." and "Mrs." Naturally I appreciated the sympathetic concern for my health which so many people showed. I also was intrigued by the off-hand manner in which friends would delicately raise the subject. Some one would come into the office and after discussing the weather and the last election would casually say, "How are you feeling, George?" I would reply that I was a little tired, but that otherwise I felt fine. Then I would laugh and ask him who sent him to me. He would then break down and admit that some of my friends had heard alarming reports, and had sent him into the office to scout the situation. It is because this happened so often during the Fall that I thought perhaps I should deal with it in this column.

The truth is that I was entirely unconscious of the reason for so much concern. I was not bothered by it in the slightest degree. However, I then realized that the time had come to attend to it, but the problem was "when?" I knew that it would take a couple of weeks to recover from the effect of an operation and to avoid unsightly bandages. There just did not seem to be any two weeks when this could be done, except that in March, I knew I would be vacating the office of President of the Progressive Conservative Association. I also knew that the amount of work involved in preparing for the Annual Meeting and presiding over its Sessions would result in my being a bit tired and that I would need a break in the routine. I decided, therefore, to combine the two, and to enter hospital immediately afterwards. In that way, I could kill two birds with one stone.

I am dictating this from my

hospital room four days after the operation. I hope to be out in a day or two more. Of course, one of the preliminaries to the operation was the most rigorous haircut to which I have ever been exposed. If Cecil Hansford could see my head now, he would have a convulsion! Until my hair approaches something of its normal length, therefore, and until I can discard the bandages, I think I will keep out of public view. In other words, I do not expect to get back to the House of Commons for another week.

However, next week I will revert to the role of Parliamentary Reporter rather than a personal raconteur. I at least will be able to read Hansford and keep you advised of what is happening on Parliament Hill.

I would have much preferred to have had this operation in our own hospital with our own local Doctors. However, I know from sad experience the pressure to which one is subjected when he returns home. One would again be tempted to do as in the past and postpone the matter until there was more time. The result would be that one would never "find the time."

This was my first experience in hospital in the role of a patient, and it is a strange and different world. This was particularly emphasized in my own case. My room happens to be immediately under the operating theatre of the Ottawa Civic Hospital. The room has been soundproofed, and not a voice or a cry is ever heard, but apparently nothing can be done to eliminate the sounds of the operating tables being wheeled over one's head. The rumble of the casters is almost continual. So many operations are performed each day that one finally begins to wonder if this is normal life and if it is those not undergoing operations who are living in the strange world.

I understand that one result of an operation is that upon recovery the patient is inclined to elaborate upon it to all and sundry. I can recall many years ago when Irvin Cobb wrote a sarcastic book entitled "Speaking Of Operations." I hope that my friends will be spared this action on my part. I can understand, however, the temptation because everyone must think his experience is unique. I have heard many stories of hospital efficiency. In fact they are as frequent as the jokes of a former generation about the "Fox-Tin Lizzie." However, this actually happened to me on my first night in the hospital. I was told that I should take a sedative so that I would have a good sleep prior to the operation. I assured the nurse that I did not need a sedative, and in proof of that fact, I proceeded to go to sleep. The pill was left in a small glass on my bed table. Shortly after midnight, I was awakened by the night nurse who told me that I must take the pill in order that

I would go to sleep. Since she was a lady, I controlled my language, but my opinion of hospital practice was as critical as any I have ever expressed with respect to Grit Governments. Probably my political opponents have wished in the past that I could be silenced in the midst of a speech. I can now give them the formula to achieve that end. Modern anaesthetics are certainly potent. I was carrying on a conversation with the surgeon when the anaesthetist gave me a slight jab in the arm. I continued my conversation expecting to feel some form of paralysis creeping up my arm, but fifteen seconds later I passed out like a light and was told afterwards that I stopped talking in the middle of a word. Certainly that never happened to me before.

Letter Received By Mr. Gordon Benson

Senior Chaplain (P)
HQ 1 Cdn Inf Bde Gp.
Cdn Army P. O. 5050
28 March 54.

Mr. Benson,
Bear River,
Digby Co., N. S.
Pte. Benson - RCASC

Dear Mr. Benson:

Some days before this letter reaches you, you and your family will have received the sad news of the death of your son there in Germany. As the Senior Chaplain (P) of this Brigade I knew your son, and hasten to send on my own behalf and the officers and men of this Headquarters our heartfelt sympathy.

I was informed first thing this morning of the accident in which your son was accidentally killed; and later with your son's commanding officer Capt. Clark went down to the British Military Hospital at Iserehorn to identify him. He was in the little morgue, that is really a tiny chapel with an altar, and was draped with the Union Jack under which he had served as a Canadian soldier.

The cause of the accident has not been determined. We talked with the lad who was with your son and who was slightly injured in the accident, but he was still in a state of shock and was not clear as to what happened. It appears that the two soldiers were off duty, and drove down toward Arnshurg, a city about eight miles south of here. It is just below the famous Mohne See. It is a winding road, mostly through woods and in places rather hilly. For some reason not yet determined the jeep left the road and went down an embankment. The accident happened about 11 p.m. last night. Your son was instantly killed when he was thrown from the jeep, and suffered a skull fracture and a broken neck.

Last weekend your son drove me down to Antwerp in an Army Volkswagen. We left here on Friday morning, and did not get back until Sunday evening. He was a good driver and usually extra careful and cautious. We spent Saturday in Antwerp. He had a great time because in the afternoon he went sightseeing with me and two other officers; and in the evening he attended a party of the soldiers at the Canadian Detachment. On Sunday we drove back (after my church service) mostly through Holland. At Nijmegen I stopped for almost an hour to visit the large Canadian Military Cemetery where some 2500 are buried. I took several pictures in colour of the graves, etc., and he helped carry my equipment. This is probably the last picture taken of him. If it comes out well I will be glad to send you a copy. It will be a week or so before I get the negatives back.

Your son was well thought of by his officers. He had planned to promote your son to Lance Corporal and start him on his way up in the army. It is a tragedy that his life should suddenly have been ended in this accident. The funeral will probably be held here on Wednesday. He will be paid full military honors by his comrades. The committal will be in the British Military Cemetery just outside Hanover, where about twenty Canadians of the 27 Cdn Inf Bde are buried. Your son's death is the first we have had in this Brigade here in Germany. The funeral service will be according to the rites of the Church of England, since I understand that is your church affiliation. I will be assisted by Capt. J. Munro.

There will be photographs of the funeral service and committal and these will be sent to you. If I can be of any further help, please write to me. Your son had told me about yourself, and the other members of the family last weekend, and so I felt that I knew you more than the folks of the average soldier.

I pray that the Lord will comfort and sustain you in your bereavement, and that in these unexpected sorrows and trials we may learn each of us to have a constant and living faith in Christ our Saviour.

Yours sincerely

Two very fine films were

shown: "Men of Lunenburg" and "From Land to Sea," the latter on reclamation of dykelands in the Maritimes. Both films were highly interesting.

The evening closed with the usual social half-hour and refreshments.

Eat protein foods for physical vigour

Sports College has made repeated tests on the value of protein for physically active people. We find that athletes getting adequate amounts of milk and other dairy foods 1) feel more like practicing 2) encounter fewer and briefer periods of staleness that slow down training 3) perform better in action.

Get Copies Of Ocean Times

The Courier was pleased to receive a letter from Dick Cox, Halifax, formerly of the Wallis Print staff, and several copies of the "Ocean Times," a newspaper published on board the liners of the Cunard Steamship Company Limited. These particular copies were printed on the R.M.S. Queen Mary and Mr. Cox obtained them while visiting the Queen Mary when she was in port at Halifax last week. After a conducted tour of the ship, Dick along with other printers was allowed to visit the print shop. Describing the visit to the shop Mr. Cox wrote:—

"It was all very interesting and they gave us such an amount of old papers. They only publish daily when they are at sea. They weren't working when we went in. The room seemed very small to us, but everything was arranged so neatly that it did not seem very crowded."

They receive the paper all prepared with inside pages and ads printed. Then all they do is set type for, and print the front page and three columns of sport and financial news on the back page. They try to print and publish in time to get a paper to each passenger before 8 a.m.

There are six printers working a day and a night shift. They have one Linotype—a British-made Model 48—and its frame looks very much different from the ones we know. It has three magazines. Of course, the keyboard and operation are the same as ours. I sat down and cast a few slugs just to try it.

The Linotype, of course, is what I was most interested in. But I saw all the rest of the equipment. There's a very small, flat-bed press for printing the paper, and several job presses for menus, programs, etc. And all the other equipment necessary for a print shop. And they have sufficient hand-set type to publish in case of emergency.

One interesting thing was the gauge on the wall by the Linotype to tell the extent of roll of the ship. When the needle gets past a certain point, they can't cast because it would cause a splash! And sometimes she rolls over so far the mats won't drop!"

The Courier staff appreciated the copies of the "Ocean Times" and were interested in Dick's description of the printing operation.

UNCLE Ed Says

Will some of your shingles be gone with the wind before the month is out? This is the season when shingles are in danger.

There's no way you can make the wind stop blowing, but there are ways you can prevent it from doing damage to your building.

Here's some advice on shingling:

1. Use only the heavy grades of shingles and buy a good brand (Hicks's have several).
2. Be sure your roof is smooth and tight.
3. Cover roof with 15 lb. asphalt felt before shingling.
4. Follow maker's instructions regarding size and number of nails.

Fashion Show Grand Success

The Fashion Show staged for the benefit of the Ladies' Hospital Aid last Wednesday evening proved a decided success as a social event and as a fund raising scheme. Gross proceeds amounted to over three hundred dollars.

The stage in the auditorium of the Digby Regional High School presented an attractive scene set in appropriate fashion with fabrics from Wright's of Digby Ltd. and B. J. Rupp store. Beautiful baskets of flowers donated and arranged by Ruppway. Flower Shop added an air of springlike grace to the setting. Hats from The Hat Shoppe completed the correct setting both for the op-eretta which began the program and for the fashion show later.

Displays of cosmetics, courties from Holdsworth's and Smith's Drug stores, lent their own attractiveness in their arrangement. The Digby Hand Craft also arranged a display.

The op-eretta, entitled "Fash-ions" received much applause from an attentive audience. The cast consisted of Mrs. J. M. Wallis, characterizing a Madame, owner and operator of a fashion-able ladies' clothing store; Mrs. E. C. Churchill, a rich shopper; Mrs. Shirley Clayton and Miss Helen Kirkconnell, the shopper's two daughters; Ann Brittain, Marilyn Clayton and Mrs. Gerald Wilson portrayed the parts of French and Swedish models. Eight of the Fashion Show Models did the modelling for the op-eretta.

Another enjoyable item on the program was a dance "Pistol Packin' Mama" by pupils of Mrs. Francis Peters. The dancers were Nancy Sanford, Linda Ellis, Karen Barnes and Evelyn O'Neill. Garments and accessories were modelled from Wright's of Digby, Mildred Carly's, B. J. Rupp's, Margolian's, Shirley Anne Shoppe, The Hat Shoppe and Dillon's Shoe Store. Jewellery was supplied for a number of models by courtesy of L. M. Saunders. Artists from the Duchess Beauty Parlor and Fidele's Beauty Salon assisted in the make up.

Celebrates 86th Birthday

On Sunday, March 28th, Mr. Ernest D. Morehouse, of Sandy Cove, celebrated his eighty-sixth birthday.

Mr. Morehouse, who is Sudy Cove's oldest resident, enjoys his daily walk to the Cove, a distance of about a half mile from his residence. Even the icy roads of winter failed to keep him at home. Mr. Morehouse also saves most of his own fire wood and takes an interest in all community affairs.

During the day friends and members of the family called to offer congratulations; among them Mr. and Mrs. Clifton Sparks and two children of Harrington, and his 13th great grandchild, Mary Ann Trask, infant daughter of Mr. and Mrs. Weldon Trask.

Many will remember Mr. Morehouse as captain of the schooner "Eva Nickerson".

Schools Pay Respect

Honourable Henry D. Hicks, Minister of Education, has requested that all public schools in the province pay tribute to the memory of Honourable Angus L. Macdonald, late Premier of Nova Scotia, and from 1933 to 1949 Chairman of the Council of Public Instruction, on the morning of Thursday, April 15.

The Minister requests that all schools continue to session on Wednesday, April 14, and that the pupils be assembled as usual this morning. At some time during the morning, at the discretion of the local authorities, an appropriate service for the late Premier is being held, and following the service the schools will be dismissed for the remainder of the school day.

The day will be counted as a regular teaching day.

Board Of Trade Plans July 1st Celebration

President J. J. Brittain and Vice-President A. L. Robinson were named at the regular meeting of the Digby Board of Trade on Tuesday evening to act together in obtaining a committee to manage the Digby July 1st celebration.

A sum not exceeding two hundred dollars (half from the Board of Trade and the hundred dollars granted by the Town Council) was authorized to be expended for installation of two signs at Rice's and Woodman's corners at the approach to Digby from the main highway. The matter of another road sign at Woodman's corner showing the route number into Digby was also discussed. Whereas Digby is on route 1A and Digby Neck is on route 17 it was felt that both these numbers should be on the sign rather than 17 only. The Secretary was instructed to take the matter up with V. G. Car doza, M.L.A., for Digby.

It was also moved at Tuesday's meeting that steps be taken to have lighting installed on the spur pier for the benefit of the fishermen.

Mr. Patterson was appointed to investigate the Little League Baseball situation in town.

A letter from His Worship Mayor Allen of Yarmouth was read requesting support to having the Yarmouth-Har Harbour Ferry berth at Yarmouth over night. This proved a lengthy discussion where pros and cons were aired as to the effect of such berthing on the tourist business in Nova Scotia generally.

Plane-making is a \$2,000,000 a year industry in Canada.

PREMIER DIES

Digby County was shocked on Tuesday morning to hear special bulletins announcing the sudden death of Nova Scotia's Premier, Hon. Angus L. Macdonald. With their fellow Nova Scotians, they mourn the loss of a great leader, a man who had endeared himself to all the people, regardless of their political views.

Premier Macdonald, age 64, died in his sleep at 1:50 a.m. on Tuesday at the Victoria General Hospital, Halifax. The news was received here that he had been ordered to hospital for a complete rest on Sunday. The seriousness of his illness was unknown and so without warning the news of his death came as a severe shock.

The body, which is resting at "Winwick", the late Premier's home, will be taken to the Province House this afternoon where it will lie in state in the Red Chamber until

Monday morning. On Monday a state funeral, attended by leaders of the Church, nation, judiciary and armed forces, will be held with Requiem High Mass at St. Mary's Bas-

ilied, at 10:30 a.m., celebrated by Most Rev. James G. Berry, D.D., Archbishop of Halifax.

Premier Macdonald served in public life for 23 years. He was Premier for 16 years and served in the late Prime Minister Mackenzie King's war-time cabinet from 1944-45. It was at the age of 43 he became Premier of Nova Scotia in 1933 and had the unique distinction of being selected leader of his party and elected to head this Province's administration without ever having had a seat in the Legislature, or any real experience in public life. At that time he was the youngest Premier in Canada. He was twice Premier of this province — from 1933 to 1940, and again from 1945 until the present time.

In his passing Nova Scotia has lost a great soldier-statesman, a great scholar and a man of culture and letters.

Churches Hold Special Services

Special services in commemoration of Palm Sunday were held in Digby churches on Sunday and are continuing throughout Holy Week.

At Trinity Church on Sunday morning, "The Blessing of the Palms" service was used. Appropriate music was sung. Each night of the Holy Week services are held and tomorrow, Good Friday, services will be held at 10:45 a.m., 3:30 and 7:30. Communion was administered at 8:30 and 9:00 o'clock on Wednesday morning. On Easter Sunday the Junior Choir will be heard in special Easter music.

Digby Baptist Church is commemorating Passion Week by nightly services at which time Rev. George Levy, Professor of English Bible, Acadia University, is guest speaker. Mr. Levy is taking the day to day events of Passion Week as his topics. On Sunday morning the Junior Choir will render the Easter music.

At Grace United Church on Sunday morning a Palm Sunday sermon was preached by the pastor and the choir rendered for the special occasion the anthem "Ride On, Redeemer", by Blanche Douglas Byles. Service was held on Monday evening in Digby, Wednesday evening at Bay View and there will be service in Grace United on Good Friday morning. Special Easter music will mark Easter Sunday at Grace United next Sunday morning and Easter portions of Handel's Messiah will be presented there by the Choral Group on Sunday evening.

The service "Blessing of the Palms" was also held at St. Patrick's Church on Palm Sunday morning. This morning High Mass was celebrated and the blessed sacrament disposed all day. On Friday Mass of the pre-sanctified will be read in the morning and the "Way of the Cross" service will be conducted at three in the afternoon. Holy Saturday will be observed at 11:30 at St. Patrick's and 10:00 o'clock Mass will be held on Sunday morning.

Many Blood Donors From Islands

Twenty-two persons from Long and Brier Island came to Digby to donate blood at the last clinic held here and from reports as many or more have promised donations for the clinic on April 22. A good percentage of these came from the village of Westport. This is no mean contribution considering the difficulty in crossing two ferries and the thirty mile drive after the crossings. Eugene Outhouse, Zone Commander of Canadian Legion, Tiverton, is chairman of the canvassing committee on the Islands. He is assisted by Gene Tibert, Freeport, and Gordon Dakin, of Westport.

On the Neck Mrs. Clyde Denton, Little River, and Mrs. Owen Irving, Sandy Cove, are canvassing for donors. In other centres canvassing arrangements are in the hands of Pat McCarthy, Bear River, R. S. Hallett, Weymouth, Mrs. Steven Smith, Smith's Cove and Mrs. Benjamin Mahar, Barton. Mrs. George Winfield is convener of the canvassing committee for Digby town.

Campaign Report

Expectations that Digby Municipality would exceed its quota of \$3000 in the current Red Cross campaign was expressed at the April business meeting of the Digby Red Cross Branch held last week at the Court House. Special mention was made of the success of the campaign at H.M. C.S. Cornwallis where the navy personnel under the chairman of Lieut. Commander Love had given splendid support in contributing over \$1000.

Dr. T. W. Hodgson, Branch president, was in the chair and Mrs. J. J. Brittain acted as secretary for the meeting. Mrs. B. H. Ruggles presented the treasurer's report together with bills totalling \$15.10 to cover freight on a new gatch bed purchased for the Sickroom Loan Service and clothing purchased by the Disaster Relief Committee.

The Ways and Means Committee report, presented by Mrs. R. B. Lent, showed the sum of \$25 paid to the Branch Treasury during the month, \$14.25 of which was raised at the afternoon tea held in connection with the Art Exhibit at the Rural High School. The balance was the proceeds of the regular Ten Cent Teas at the weekly Red Cross meetings.

Mrs. Winfield, reporting for the Disaster Relief Committee, stated that new and used clothing had been provided for a family of three in Centreville who had recently lost their home by fire.

New business included motions to purchase a bolt of flannelette to be made into layettes for use as required in local relief work; to purchase a pair of adjustable crutches to add to Sickroom Loan Supplies; and to authorize purchase of cod liver oil for a child under the care of the County Health Nurse.

Arrangements for the Blood Donor Clinic, which is to be held at the Court House on April 22, were reported to be well under way under the chairmanship of J. J. Brittain.

Leave For Charlottetown

Mr. and Mrs. W. R. Killom were guests of honor on Sunday at a buffet dinner given by the management and staff of Holdsworth Drug Store at the home of Mr. and Mrs. C. M. Levy. DIGBY TOWN TAX RATE SET AT \$2.77

The total tax rate of \$2.77 per \$100 assessment was set at a special meeting of the Town Council held in the Council chambers last Thursday evening. Of this rate \$1.85 is for the general account and 92 cents is on school account.

Total estimated expenditures for general purposes was \$87,567.00 and after deducting estimated sundry revenue amounting to \$21,804.00 a balance of \$65,763.00 remained to be rated for.

The school appropriation was set at \$37,345.00 which was \$1,354.00 less than the previous year despite providing extra classrooms and raising teachers salaries.

The Town assessment for 1954 amounted to \$3,554,855 and outside school assessment \$510,373.

The grant from the town to the Digby Branch Victorian Order of

Nurses was increased by \$100.00 at Thursday's special meeting. With the \$100.00 raise the Order now receives \$500 as town grant and \$200 as a school grant.

One hundred dollars was also voted Thursday night to assist the Digby Board of Trade in erecting two signs at the entry to Digby at Conway. The signs are to be according to plans presented by Frank Irwin, secretary of the Board of Trade, at the April regular meeting of the council.

Hotel Champlain has introduced a progressive step in hotel service in this vicinity where only the largest of the hotels provide a phone service of this type.

J. J. Brittain was guest speaker at the annual meeting of the South Western Fire and Casualty Agents which was held at the Grand Hotel, Yarmouth, on Wednesday evening. Mr. Brittain took as his subject "An Agent's Responsibilities and Opportunities." He stressed the need of the Insurance agent to provide a proper service to the public, to keep informed on the various aspects of the Insurance business and in so doing merit a place in the economic life of the community.

Mr. Brittain was also elected president of the organization and another local man, Roscoe Hand-spiker, Municipal clerk, was elected vice-president. Robert Killam, Yarmouth, was re-elected secretary.

Reports at the meeting presided over by the retiring president, Alvin Chipman, showed that officers and committees experienced a successful year with emphasis placed on the education of the agents in public relations.

COME TO CHURCH

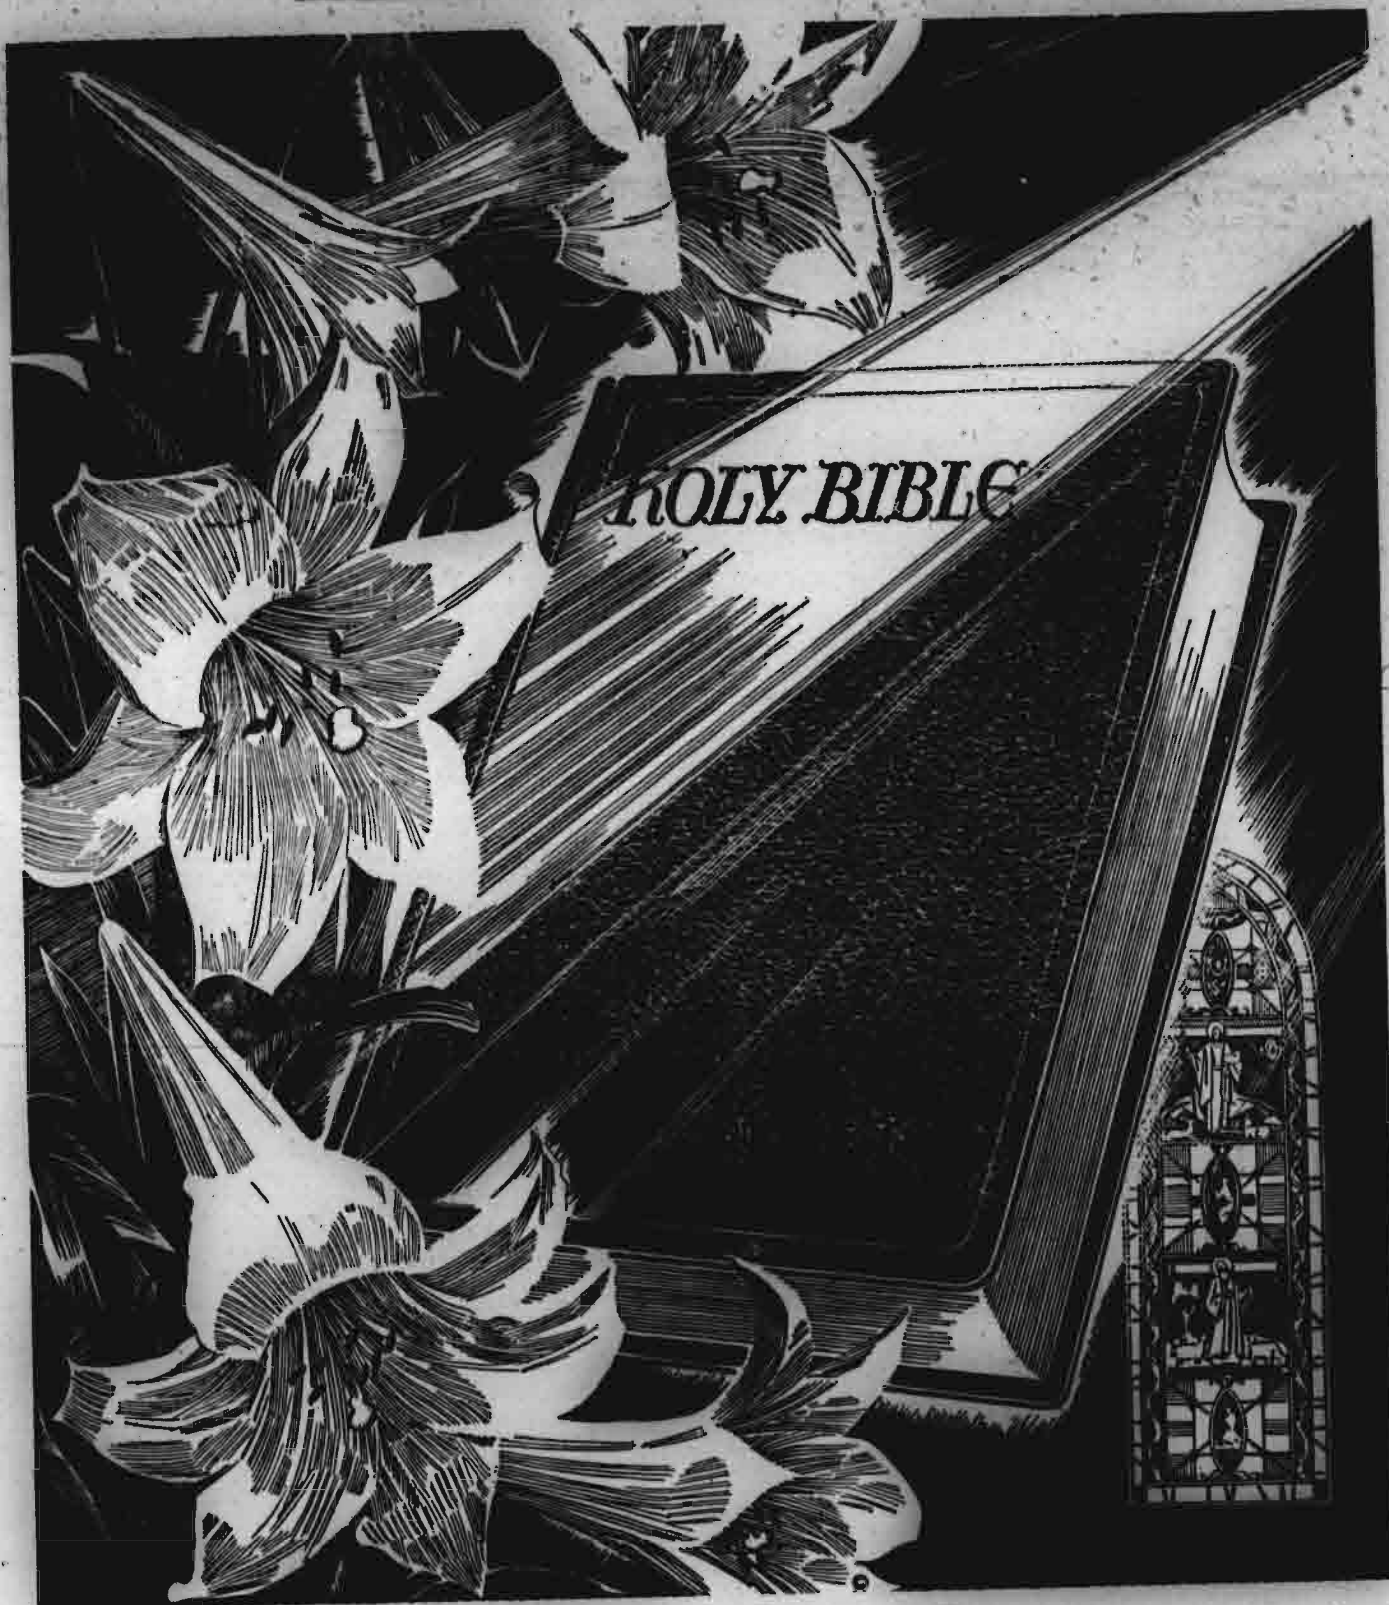

THIS EASTER

Sunday

April 18, 1954

As we gather in church this **Easter Day** and harken to His teachings, it is fitting that we project the symbol of His Resurrection to our own times . . . and that we resolve to follow Him, not only on **Easter Day**, but **Every Day**. For paying heed to His words offers true hope for a world awakened to a new era of lasting peace . . . peace as he taught.

Gospel According to St. Matthew Chapter 28

Verses 1-6 . . .

"In the end of the sabbath, as it began to dawn toward the first day of the week, came Mary Magdalene and the other Mary to see the sepulchre.

"And, behold, there was a great earthquake: for the angel of the Lord descended from heaven, and came and rolled back the stone from the door, and sat upon it.

"His countenance was like lightning and his raiment white as snow:

"And for fear of him the keepers did shake, and became as dead men.

"And the angel answered and said unto the women, Fear not ye: for I know that ye seek Jesus, which was crucified.

"He is not here: for he is risen, as he said . . ."

Above is Hon. Harold Connolly whom a cabinet council decided after the death of the late premier, Hon. Angus L. Macdonald on Tuesday, April 13, should continue to lead the ministry of the government until such time as a convention can select a new party leader. The Hon. Mr. Connolly was accordingly sworn in at a brief but impressive ceremony in the Red Chamber of the Province House with the Lieutenant Governor of the Province, Hon. Alistair Fraser, administering the oath of office.

The House at its final session deferred a number of bills which were not particularly urgent and will probably come up again at the next session.

Estimates totalling forty-two millions of dollars were passed in 17 minutes, all of the items having previously been scrutinized in committee or otherwise.

The service opened with the School Choral Group leading in the hymn "O God Our Help In Ages Past". This was followed by the Lord's Prayer and a suitable passage of Scripture. After a minute of silence, F. C. Purdy, supervisor of schools, gave the "In Memoriam" in which he reviewed the life and career of the late Premier and paid tribute to him as a man of fine character and giving of great and devoted leadership.

The choral group again led in singing "Abide With Me" and the solemn service was brought to conclusion by prayer, the National Anthem and benediction.

EASTER SERVICES WELL ATTENDED

Churches in Digby were filled to capacity on Sunday for the services commemorating Christ's Resurrection, proving that "sunshine and new life" is not always the motive which inspires record attendance at Easter services.

Attendance was good at the Sunrise Service held at 7 a.m. at the Salvation Army Citadel. St. Major Charles Smith, Salvation Army Youth Secretary for Nova Scotia, addressed the congregation on an appropriate Easter topic. Breakfast was served immediately after the service to those who attended.

In the afternoon Major Sim presented the Sunday School awards for 1953. In the evening he spoke on the "Emmanuel Journey." Captain Simpson reported the finest attendance for many years.

Ten o'clock Mass on Easter morning was well attended at St. Patrick's Church, as was also the 11:30 service on the previous night. Good Friday services both morning and afternoon, saw many at St. Patrick's in solemn commemoration of the crucifixion.

On Sunday morning the Junior Choir at Trinity Church provided special Easter music. Holy Communion was administered at the early morning service and at 11 o'clock. Evening prayer was held at 7 p.m. The church was beautifully decorated with many flowers in memory of departed loved ones.

At Grace United Church on Sunday morning a full house heard the choir in a special Easter anthem "Lift Up Your Heads". At this service Mr. and Mrs. Gerald Hoare and Mrs. Alfred Dickie were received into the church by letter and Ellisworth Milburn on confession of faith. Flowers were placed in church in memory of Oscar VanTassel by the family, Mr. and Mrs. Ernest Turnbull and Ross by the family, and Mrs. Alphonse Melanson by husband and family.

In the evening Grace United was again filled to capacity when the Digby Choral Group, under the direction of Rev. E. C. Churchill, presented the Easter Portion of Handel's Messiah. Mrs. Louise Stephen, Mrs. Grace Edwards and Ferber Marshall were heard in solo parts and Miss Ena Robinson was the accompanist throughout.

At the United Baptist Church on Sunday morning the Junior and Senior Chords sang an Easter hymn. Rev. E. C. Churchill was heard in a vocal solo, "Open The Gates Of The Temple", and also preached an inspiring Easter sermon.

Flowers which adorned the church were in memory of Mr. George VanTassel by wife and family; Mr. and Mrs. Dan MacIntosh by daughter Catherine Comeau; Capt. Hilliard Barnes by wife and family; Mr. Harvey Sabine by wife; Donald Levy by Mr. and Mrs. Chester Levy and family, and Miss Ida Germain by Mr. and Mrs. Charles Cook. A lovely Easter lily loaned by Mrs. Minnie Purdy also added beauty for Easter Day.

Special Easter music was sung at Hill Grove and Communion Service was held both there and in Digby.

Bay View:

A most impressive Easter service was well attended at Bay View United on Sunday afternoon. Members of the Digby United choir were present to join in singing of the familiar Easter hymns. Received into full membership of the church at this service were June Hayden, Lewis Burns, Dickie Wilson and Robert Mason. The church was tastefully decorated and flowers were placed in memory of Mr. and Mrs. Leander Ellis by daughter Janet and family and in memory of Arnold Turnbull by wife and family and also by his mother and sisters.

Weymouth:

The Parish of St. Peter's, Weymouth, is reported to have had the greatest attendance for many years on Easter Day this year. Dr. D. F. Forrester conducted the services both at St. Thomas' and St. Peter's. Rev. D. F. L. Trivett, Rector, officiated at St. Mary's, St. Mark's and St. Matthew's.

Granville Ferry:

Large congregations attended the Easter services held in the three Granville Ferry churches on Sunday.

At 11 a.m. a service was held in the United Baptist Church, conducted by the pastor, Rev. Carol R. Armstrong. The church

was beautifully decorated with potted plants and other lovely spring flowers. Memorial flowers being in loving memory of the late Judge J. Eaton given to his wife and little sons, Fred and David. The choir, with Mrs. E. C. Churchill at the organ, rendered familiar Easter hymns and a solo was pleasantly rendered by Miss Betty Jean Mills. Holy Communion was observed at the close of the service.

At 10:30 a.m. on Good Friday morning a service was held at Holy Trinity Anglican Church, conducted by the rector, Rev. W. E. Jefferson. On Easter Sunday Holy Communion was celebrated at 8 a.m. at Holy Trinity and a service of worship was conducted by Rev. Jefferson at 7 in the evening. The church was beautiful with Easter lilies and other spring flowers. On the altar the flowers were given by Mrs. Arthur Eaton in loving memory of her husband and only daughter, Lieut. Nursing Sister Hazel A. Eaton, who died during World War II while serving in Wales. Mrs. B. T. Miller presided at the organ and special music was rendered by the choir.

At the Granville Ferry United Church a service was held at 11 a.m. on Good Friday morning and an Easter service at 7 p.m. on Sunday evening, conducted by the minister, Rev. Neil A. MacLeod. Lovely Easter lilies, tulips, jonquils and other flowers were placed in the church in memory of departed loved ones. Mrs. H. C. Munro presided at the organ and an Easter anthem was rendered by the choir with Mr. F. L. Fields as soloist. At the close of the service the sacrament of the Lord's Supper was held.

Rossway:

Easter morning church services were well attended in both the Baptist and Church of England churches. Mr. and Mrs. Kenneth Peters placed flowers on the altar in the Baptist Church in memory of their son, Ralph, while the altar in the Church of England held flowers placed there by Mr. and Mrs. Donald Dexter, Digby, in memory of their infant son, Donald Eugene.

Sandy Cove:

Special services marked Good Friday in the United and Baptist Churches of Sandy Cove, Centreville and Little River. The ministers of the three churches taking part were Rev. R. M. Cameron, Rev. C. T. Olmstead and Lie. George Hillis.

The first service of the day was observed at Sandy Cove at 11 a.m. The speaker at this service was Lie. George Hillis, of Centreville. Mrs. Arthur Cartwright rendered the solo "Were You There When They Crucified My Lord?"

At 2:30 p.m. worship was held at the Bethel United Church, Centreville, when Rev. C. T. Olmstead, of Little River, delivered the address and took as his text "Thirst"—the words which he believed Jesus would have uttered about this time.

In the evening at 8 p.m. in the Baptist Church at Little River the Good Friday services were brought to a close and where a packed church enjoyed the message brought to them in lecture and colored photos by Dr. Ben Gullison, medical missionary now in Canada on furlough from Sapatia, India.

Music Festival Plans Finalized

Plans were finalized this week for the Fifth Annual Digby Music Festival to be held on May 3, 4 and 5, dates which happen to coincide with National Music Week. Beginning on Monday, May 3, at 3 o'clock the festival will be held in the auditorium of the Digby Regional High School except for the last day, Wednesday, May 5, when the afternoon session will convene in Weymouth. Over 900 people have registered to participate in this year's program.

Working on this committee in charge of the festival are Alvin Doucette, Weymouth, president, Rev. E. C. Churchill, Digby, secretary-treasurer, Wallace Hodgson, Digby, House committee and Rev. D. F. L. Trivett, Weymouth, publicity. The Festival Constitution was redrafted this past year whereby the Music Festival association is now directly responsible to the County Council Home and School but the Festival itself functions as an autonomous body.

The Festival Committee have been fortunate in securing George Little, Montreal, as adjudicator. He is Organist and Choir Director of Briskine and American United Church, Montreal; Professor of Solfege and Organ, Quebec Provincial Conservatory; Founder and Director of the Montreal Bach Choir which is frequently heard over CBC network; Director of Music, McGill University French Summer School; Orchestra and Choral Conductor for the Canadian Broadcasting Corporation.

Letter To The Editor

The Editor,
The Courier.

Dear Sir:

I would greatly appreciate it if you would allow me some space in your valued paper to pay a personal tribute to a great Nova Scotian who passed away so suddenly last week.

As you and many of your readers know, I have not been a supporter of the Liberal Party. In voicing my tribute to the memory of the late Hon. Angus L. Macdonald, however, I feel I am expressing the inner thoughts of all true Nova Scotians regardless of their political persuasion. "Angus L." was a great man, a man whose greatness transcended all thought of party politics. As a scholar, soldier and statesman his memory will long be revered by all who recognize true greatness.

We who have lived in the same days as this great man know at first hand of his deep and abiding sense of public duty. We know, perhaps only in part, of his accomplishments for the people of the province which he loved. We know of his brave efforts as a soldier through one war and as the builder of a great navy for this nation in the second world struggle.

Knowing these things and knowing too that throughout all his life he was motivated by a great love for his people and a desire to give his all, exert his life itself, in their behalf, we all must join in paying tribute to the memory of this great man.

LATE PREMIER LAID TO REST

An estimated one hundred thousand people of all ranks are said to have watched the long funeral procession of the late Premier of Nova Scotia, Hon. Angus L. Macdonald, as it passed through the city of Halifax on Monday.

The body was laid to rest in Gate of Heaven Cemetery at Lower Sackville. Here Father Stanley Macdonald, brother of the late premier and parish priest of Big Pond, Cape Breton, sprinkled soil from their native village of Dunvegan, Inverness County, over the casket as it was lowered into the grave. Funeral services were held from St. Mary's Basilica at 10 a.m. where Rev. Father Macdonald offered a low mass from a side altar while Most Rev. Gerald Berry, D.D., Archbishop of Halifax, celebrated the Pontifical Mass of Requiem from the main altar.

Thousands upon thousands of Nova Scotia men, women and children had filed past the bier as the body lay in state in the Red Chamber at Province House from Thursday at 1:00 a.m. until near the hour of the funeral. Here they paid their last respects to one whom Mr. Justice Lauchlan D. Currie has publicly predicted may rank above even Joseph Howe in the final judgment of posterity and history.

The sudden death of Hon. Mr. Macdonald at Victoria General Hospital early on Tuesday, April 13, was completely unexpected. Although he had been ordered to take a rest, his condition was not regarded as particularly serious either by family, friends or physicians.

He had not been feeling too well since his return last fall from Scotland, where he had been received with outstanding Highland honors usually reserved for the peerage or even royalty.

But long time associates had remarked that during the preceding 10 days or two weeks the

premier had seemed in much better than his usual state of mind. This was particularly noticeable during the brief visit to the home of the late Premier, Hon. Angus L. Macdonald, as it passed through the city of Halifax on Monday.

On Monday night he consulted in his hospital room with Hon. Harold Connolly, who was leading the House in the absence of his chief, and who was to present the latter's Highway estimates next day.

His physician suggested a sedative, which was given, and the premier fell into a sound, apparently natural sleep, which continued undisturbed until about 1:30 a.m. Then the nurse on duty detected a change in his steady breathing, and called one of the house doctors, but when the latter arrived three minutes later, it was only to find that life had fled.

So unexpected was the end that no member of the family had time to reach his bedside. Acting Premier Connolly, who had been kept up late by official duties and had not long since retired, was called to the hospital at 2:00 a.m.

When it became known that the premier had died proceedings of the last week of the Nova Scotia House were completely overshadowed.

At that stage of the session practically all contentious matters already had been decided, and the grief stricken members proceeded to cut last minute finalization ceremonies to the bone, so that Lieut. Governor Alistair Fraser was able to prorogue the Assembly at noon on Wednesday.

A few members decided to remain in Halifax over the Easter weekend, and all others returned on Monday for the impressive state funeral, believed to have been the largest in the history of the province.

Pay Respect To Late Premier

On Thursday morning at 9:30 a memorial service was held in the auditorium of Oakdene School for the pupils and public for the late premier, Angus L. Macdonald.

Mr. Winchester conducted and the hymns sung were, "Where Cross The Crowded Ways of Life," "When on my Day of Life the Night is Falling," "Unto the Hills do I lift up my Longing Eyes," and the group from Grades 7, 8, 9, sang a descendant arrangement of "Crimson." Mr. Ransom read two poems suitable for the occasion. Mr. Humby led in prayer after which Mr. Milner gave a summary of the life of our late premier. The service closed with the benediction and the National Anthem.

Classes in Oakdene School dismissed on Thursday, April 15th, for the Easter holiday and will resume on Monday, April 26th.

Has 92nd Birthday

Although bedridden for her 92nd birthday, Mrs. Michael McKinnon was able to enjoy her many cards, other congratulatory expressions and short visits from her neighbors and close friends on Thursday, April 15.

Mrs. McKinnon was 92 on her birthday and until a few weeks ago was in fairly good health. Before her recent illness she was able to make her daily trips to the Post Office, daily attended St. Patrick's Church, of which she is a devoted member, and made many calls on shut-ins, remembering them with some special kindness.

Mrs. McKinnon has resided in Digby for nearly fifty years where for more than thirty she made a "home away from home" for her many boarders. She was born at Corberrie, Digby Co., in 1862.

Mrs. John Budden, Glace Bay, spent Easter with her son, John Budden, and Mrs. Budden, at Digby.

Jack Brayley Tells Of Trip To Far East

CB's Neighbourly News editor Jack Brayley, has just returned from the Far East where he visited Canadian troops, including many in Japan and Korea. His assignment for Canadian Press took him to the site of the atomic bomb explosion in Hiroshima, Japan, as well. He was also in Japan when news of the recent H-bomb test reached the islands.

Mr. Brayley will give his impressions of these and other experiences in the Far East in two fifteen minute broadcasts on the CBC network. The broadcasts will be heard on "Maritime Comment" on April 26 and May 3rd at 8:30 p.m. A.S.T.

Farmers' District Federation Organized

Ester Mullen, Rossway, was elected President of the District Federation for the farmers of the Digby area, which was organized at a special meeting called for the purpose and held at the Maple Leaf Agricultural building at Conway on Monday evening, April 12th.

Other officers elected were: Vice-President, Lloyd MacNeill, Marshalltown.

Secretary-Treasurer, John D. Roope, Hill Grove.

Directors, Harold Marshall, Conway; Joseph Speicht, Barton; Patrick Collins, Rossway; Eric VanTassel, Mount Pleasant; Cecil Jones, Joggin Bridge; Arthur Gates, Hill Grove; Donald Marshall, Marshalltown.

Before organization was carried out William Jenkins, Assistant Director of Extension, addressed the group in regard to the formation of a Federation and answered many relative questions during discussion. In further discussion and in response to a remark that farmers were leaving the farms for other kinds of employment, Mr. Jenkins said that there is no area in Nova Scotia where the number of farmers is increasing but that production of farm products is steadily on the increase. Mr. Jenkins was introduced by R. A. LeBlanc, Agricultural Representative for Digby County.

Plans were made to discuss further business of the Federation at the regular meeting of the Maple Leaf Agricultural Club to be held the first Monday in May.

Kiwanis Activities

Sponsored by the Digby Kiwanis Club, George Donnelly left on Monday to attend the Water Safety and Swimming Training Course conducted at Acadia University, Wolfville, under auspices of the Canadian Red Cross. In sponsoring a local boy the Kiwanians feel the knowledge gained will eventually be imparted here for the general safety and welfare of young Digby swimmers and those whose pleasure and business expose them to the dangers of water.

The Kiwanis Club, Digby, also sponsor the Digby Sea Cadets and many are looking forward to being present at the presentation of the Nelson Colum Trophy at HMCS Cornwallis on Tuesday, April 27. The Trophy was won by the Digby Corps for being the most efficient corps in Canada in the "under one hundred strength" group. Rear-Admiral R. E. S. Bidwell, Flag Officer Atlantic Coast, will make the presentation. H. M. Warne, C.M. Levy and H. J. Campbell are on the Kiwanis Sea Cadet Committee.

Plans have been made for the sponsorship of a room at the Digby General Hospital by the Digby Kiwanians. A committee consisting of Capt. Claude Simpson, Dr. J. R. McCleave, Karl Young and H. J. Campbell reported at the last meeting that definite choice of a room was about to be made.

A recent donation was made by the Kiwanians to the Digby Regional High School Band and financial assistance was also given the school basketball team for their trip to Liverpool.

On Sunday evening next the Kiwanians in a body will attend Grace United Church in keeping with their aim in support of churches and things spiritual. This committee is headed by Douglas Grimmer.

W.M.S. Meets

The Rossway Women's Missionary Society held their monthly meeting last Wednesday evening at the home of Mrs. Hugh Robbins. Eight members and one guest were present.

Following the opening hymn, Mrs. John McBride read Scripture on the Resurrection, after which the business period followed. The sum of twenty-five dollars has been forwarded to headquarters from the Society and Mrs. Robbins, secretary-treasurer, has sent in a report to the Telings. The usual one dollar was taken from the evening collection and put in the Leprosy Mission Fund.

Mrs. Hugh Robbins had the program for the evening and carried the Easter theme throughout. Cake, tea and coffee were served by the hostess at the close of the evening.

MAKES SPLENDID CONTRIBUTION

Those who assisted in the Red Cross campaign at Smith's Cove were Mrs. Annie Winchester, Mrs. Cecil Jones, both of Joggins Bridge, Mrs. Ward Baker, Mrs. Scott MacKay, Mrs. Tra Davis, Mrs. Frank Wightman, Mrs. Gerald Young, Miss Harriet Graves and Miss Edith Wightman, all of Smith's Cove.

Much credit is due to those collectors for the splendid contribution the Friday Night Club passed in to the Red Cross at Digby. It was learned at last Friday's meeting of the Friday Night Club which was held at the home of Mrs. Stan Paxton, \$112.00 had been collected, surpassing the \$108.00 which had been reported in last Thursday's Courier.

Missionaries Visit Westport

Miss Bessie Lockhart and Miss Farnell, returned missionaries from India, visited the United Baptist Church, Westport, on Tuesday, bringing with them an inspirational message to the U.B.W.M.U. of the church.

Special music consisted of an anthem "Sweet Hour of Prayer" by the young ladies of the church, also a solo by Mrs. Fred Denton. Pianist was Mrs. Helen Welch. Miss Lockhart was introduced by Mrs. George Sharpe, President of the local U.B.W.M.U., and was welcomed to the Easter meeting.

Mrs. Daniel Kenney Jr. assisted Miss Lockhart by dressing as a Hindu girl in clothes which were brought by the missionary. Miss Lockhart related some of her experiences in India, telling of her Easter in India, and also one in the Holy Land where she visited last year. A collection of thirty dollars was received.

Something else that "makes the man" (and does even more for him!)

"Clothes make the man", says the old adage. But today more and more men are learning that they can also enhance their standing with certain people by owning life insurance.

Take employers, for instance. To them, a man's ownership of life insurance suggests that he is foresighted, thrifty, realistic. Above all, it reflects willingness to accept responsibility—an attitude that impresses every employer.

In fact, anyone who learns that a man owns life insurance regards him with added respect. They know that it represents one of the most important assets any man can have. Yet perhaps the most important effect of owning life insurance is on the policyholder himself. It gives him a sense of achievement. For in no other way can he create such a valuable estate for so little in so short a time.

So life insurance can do more than provide financial security for your family and yourself in later years. It also influences people in ways that help win success!

SERVICES AVAILABLE

In recent months your Department of Trade and Industry, through its field representatives and through these advertisements has been offering its services to secondary industries to help in the solution of their management problems. It is felt by the Department that use of its facilities can be of benefit, particularly to the manager of a small industry.

As an additional service your Department is now making available certain pamphlets entitled "Management Aid for Small Business" published for the use of manufacturers by the Small Business Administration of the United States Government. Your Department feels that information of this type could be of use to the management of Nova Scotia secondary industries. For comparatively young firms they may be especially useful. Older and well established firms may find them of interest in that they can compare their own methods with the pamphlets' suggestions.

Made available last month were the following: "How the Small Plant Can Analyze Old and New Markets" and "Pitfalls in Estimating Your Manufacturing Costs." A third pamphlet is now ready for distribution entitled "Budgeting in the Small Plant." To obtain any of these, ask your Field Representative or write the Commercial Services Division, Department of Trade and Industry, Provincial Building, Halifax.

Facts you should know
about Baker's Bread

Naturally all Bakers attempt to offer you the kind of bread you like best. They all use the finest of ingredients, bake in modern plants and under the most sanitary conditions.

All Bread is baked and delivered daily to your favorite food store so that your chances of buying anything but fresh bread are, we hope, very slight. Even so, shoppers feel and even squeeze bread, to be sure that it is fresh.

Because of this "squeeze-test" some Bakers go to extremes in order to produce an exceptionally soft loaf. These Bakers actually under-bake their bread to create this softness. But under-baking is not necessary for softness and results in gumminess and a raw taste.

We, the Bakers of BUTTER-NUT Bread, will never under-bake in order to create the impression of extra softness. For the best flavor in bread, the loaf must be fully baked.

We believe our friends and neighbors want bread that is soft and fresh and has the better flavor that is only possible when bread is fully baked.

We pledge ourselves to always give you the better-flavor of fully-baked bread and rely upon our careful, daily baking and our experienced salesmen who make early and regular deliveries to the stores to assure you of complete freshness.

This we cheerfully and sincerely accept as our responsibility to you. We feel that you in turn will express your appreciation of the better flavor of BUTTER-NUT BREAD through continued purchases at your favorite food store.

Very sincerely,

Celebrates 25th Anniversary

The Bear River East Mite Society celebrated its 25th anniversary on April 9, in the Ladies' parlour of the church, with most of the members present.

The meeting opened in the usual way with the president presiding. The secretary gave a very encouraging report of the year's work which showed that five quilts had been made, a lot of needle work done, and a gift of money given towards the bathroom at the parsonage. The lights in the church were paid for. Donations given to the Red Cross and March of Dimes. All members were remembered with cards and fruit and outside friends were also remembered.

Officers were re-elected as follows:

Pres. Mrs. Le Sanford.
Vice-Pres. Mrs. Louise Jefferson.
Sec'y-Treasurer, Mrs. Gladys Wheelhouse.
Assist. Sec'y-Treas., Mrs. Thelma Jefferson.
Committee to look after buying and fancy work, Mrs. A. Bell, Miss L. VanHuskirk.
Entertainment, Mrs. Audrey Jefferson, Mrs. Roberta Trimmer, Mrs. Alice Trimmer.
Lunch is to be provided by two members each week.
A very delicious lunch was served by the president and secretary, assisted by Margaret Rose Jefferson. The birthday cake was made by Mrs. Gladys Wheelhouse and very beautifully decorated.

H. & S. Meets

The Rosaway Home & School Association met in the school house Tuesday evening for their regular monthly meeting. Thirteen members were present.

During the business period a letter was read from Mysore State, India, thanking the Association for the sum of ten dollars which was raised by selling UNESCO stamps. It said the money would go to purchase adult education equipment.

The five delegates appointed to attend the Spring County Council were Mrs. Darrell Lewis, Mrs. Thurston Banks, Mrs. John Gidney, Mrs. Willard Wentzell and Mr. Melbourne Prime.

The sum of \$200 dollars was voted to be sent to the Unitarian Fund again this year as in previous years. This money goes to Korea to help provide a bowl of barley gruel daily to the starving children there.

The date for the marriage sale to be held in the hall was set. The proceeds for this will go for community projects.

The art program for the month was taken over by Mrs. Willard Wentzell. Much enjoyment was derived by drawing in the dark. This was followed by Mrs. Thurston Banks, social convener, having a game of guessing proverbs.

The refreshment committee for the month, Mrs. Darrell Lewis and Mrs. Willard Wentzell, served sandwiches, cake and tea at the close.

If they fail and impurities stay in the system—disturbed rest often follows. If you don't rest well get and use Dodd's Kidney Pills. Easter At Bear River United Church

The Easter morning service in the United Church of Canada was one of inspiration and promise, particularly to the members and adherents of this church.

A large number were present including the Smith's Cove congregation which became a part of this charge not long ago.

The pastor, Rev. R. F. Humby, brought a suitable and inspiring message to the congregation. He was assisted by the choir which rendered the Easter music very effectively. Special mention should be made of the male quartet and the beautiful solo by Mrs. Sealey of the Smith's Cove choir.

Easter lilies, tulips and daffodils graced the chancel of the church and were placed there in memory of friends and loved ones.

During the service twenty-three people were received into membership of the church, eight of whom were transferred by letter.

ter, fifteen by profession of faith. Immediately following the close of the service the Sacrament of the Lord's Supper was administered to the largest number of communicants this congregation has had for many years — a spiritually uplifting fact to all present.

On Thursday evening about sixteen members of the Ladies' Auxiliary, B.E.S.L., were guests of the Digby Branch.

Changes In Motor Vehicle Act

Legislation introduced during the past week in the Nova Scotia House Session calls for changes in the Motor Vehicle Act regulations:

To make three position arm traffic signals imperative. That is, arm extended horizontally indicates a left turn. Arm out horizontally but extended upward, a right hand turn. Arm out horizontally but extended downward, an intention to slow down or stop.

Car drivers would be required to come to a full stop on meeting or overtaking a standing school bus engaged in setting down or taking on passengers. Car to remain stopped until the bus moves on or the car is signalled ahead by the school bus driver.

Still another change would prohibit installation in the front seat space of any motor vehicle of television screen apparatus.

Another matter that engaged the attention of the House was that of increased indemnities for private members, and cabinet ministers, and that of institution of pensions for private members. All were approved after considerable debate.

Col. G. I. Smith Colchester argued against such increases as inappropriate because of the general conditions at the moment and unsolved provincial problems.

Russell Cunningham, CCF, argued that the private member increases are not sufficiently high, either to take care of the heavy expenses incurred by the average M.L.A. in looking after the affairs of his constituency, or relatively in comparison with indemnities proposed for ministers.

When the private members' indemnity question came to a vote, the measure was approved 23-9, Raymond Bourque, Conservative, Yarmouth, voting with the Liberals, as did the two CCF members, Michael McDonald and Russell Cunningham.

The vote on the private members' pensions proposal also cut across party lines the same three opposition members voting with the government.

Cabinet indemnities increase proposals went through on a voice vote.

Hon. A. B. DeWolfe and George Wilson (P.C.Hants) were unavoidably absent because of illness.

Other events of the week included a Law Amendments committee report against a proposal of the Nova Scotia Teachers' Union for enactment of automatic membership in the union. That is, any teacher taking employment in a Nova Scotia school would automatically become a union member, subject to union checkoff, but would have the right to resign such membership and dues responsibility by written notice given at any time up to October 1. This was rejected after a lengthy hearing of teachers advocating and those opposing such an arrangement.

Committee of the Whole House again turned down a proposal of a type which comes up regularly

from different parts of the province from time to time. This was an application by the city of Sydney to be allowed to impose a \$50 head tax upon all persons coming there for employment from points outside Nova Scotia; and \$15 on such persons coming from other parts of Nova Scotia.

Premier Macdonald, as Minister of Highways, reminded municipal councils which ply him with resolutions asking for winter plowing of still more highways that snow removal is legally a municipal responsibility, and that the province is conducting the work on a voluntary basis.

He pointed out that the cost comes from funds earmarked for "maintenance" of highways, and that every cent spent plowing roads in winter means that much less for road repair work in summer. In this case \$1400, 000 less as that was the cost of plowing last winter.

The premier asked that municipal councils take all these factors into consideration before prying more winter plowing.

On Thursday night ministers, private members and others were guests of the Nova Scotia Bureau of Information Hotel Short Course at the Nova Scotian Hotel. This popular course has been revived as a result of urgent requests of hotel and resort people, and it is believed the present studies will have a favorable effect upon this summer's travel business in the province.

Because of the terrific increase in all hospital costs, the Legislature has voted permission to all hospitals operating in Nova Scotia to increase maximum charges from the present up to

Sea Brook - Roxville

(Mrs. Clarence Porter)
Miss Mary Walker, of Bridgetown; and Miss Patsy Pelly, of Halifax, were guests of Mr. Patrick Collins a few days last week.

Miss Bertha M. Budd returned to Chester on Saturday.

Mr. and Mrs. Jared Banks were business visitors in Bear River one day last week.

Mr. and Mrs. Crawford Daley and family, of Culloden, were Saturday evening guests of Mr. and Mrs. Gerald Budd.

A farewell party was held at the home of Mr. and Mrs. Guy Porter on Tuesday evening for the William Hall family who moved to Deep Brook on Thursday last.

Mr. James Hall went to Halifax last Monday to join the army.

\$6 a day figure is up to \$9 a day.

To safeguard the public against unwarranted increases, the bill provides that:

1. A hospital may charge its actual cost to the patient, but not exceeding \$9 a day.

2. Its charge may be based on the average cost per day in the preceding year, but not exceeding \$9 a day.

The new rates come into effect January 1, 1955, and the present \$6 maximum obtains until the end of the present year.

There is also a general revision of regulations relating to settlement and methods of admission and collection in cases where a municipality may become liable for costs of patients unable to pay for their own hospitalization.

Returned Missionary

Addresses Meeting

Miss Bessie Lockhart, United Baptist missionary to India, was guest speaker at an informal meeting of the North Range Baptist W.M.S. on Tuesday evening, April 13.

The meeting, which was held at the home of Mrs. J. Vian Andrews, local President, was well attended. Visitors included several members of the Bear River W.M.S.

Miss Lockhart explained in her discourse the problems facing native Christians in India. Dealing mainly with the marriage problem arising from Christian Hindu marriages, she pointed out that in one particular case wife and husband stood side by side, the wife worshipping the husband of Calvary, while her husband paid homage to the sun.

A very interesting feature of the meeting was the modelling of an Indian costume (Sari) by Marjorie Thomas. A clay idol and a number of articles used in connection with its worship were also shown by Miss Lockhart.

A number of exercises were enjoyed and a recitation by Clayton Titus. The primary department, under Miss Laue Repol, gave an enjoyable exercise. A puppet, "The Cross," was enacted by Dorothy Welch, Carolyn Welch, Winnifred Shaw and Greta Ann Kenney. Mrs. Richard Welch was pianist.

MARRIAGES

Milne — Bent

A wedding of widespread interest was solemnized in All Saints Church, Granville Centre, Monday, April 19th, when Joan Ruth, only daughter of Mr. and Mrs. G. Arnold Bent, became the bride of Donald Ralph, son of Mr. and Mrs. Lawrence Milne, of Kentville.

The double ring ceremony was performed by Rev. W. E. Jefferson and the church was filled to capacity with interested friends and relatives of the bridal couple.

The bride, given in marriage by her father, was lovely in a queen's blue suit with pink accessories. She carried a bouquet of American Beauty roses, centred with an orchid. Her only jewellery was a single strand of pearls, gift of the groom.

Miss Elizabeth (Betty) Rafuse, of Annapolis Royal, was bridesmaid, wearing a pink suit with navy accessories and carrying a nosegay of pink carnations and baby mums.

Mr. Gordon Whalen, Kentville, was best man. Mrs. Laurie Wal-

ker, of Granville Centre, was organist, and ushers were Mr. George Bent, brother of the bride, and Mr. Gerald Milne, brother of the groom.

During the signing of the register, the congregation sang "The King Of Love My Shepherd Is".

Following the ceremony a reception was held at the home of the bride's parents with 125 guests.

Mrs. Bent, mother of the bride, wore a gown of nylon print with navy accessories and a corsage of yellow mums, and Mrs. Milne, the groom's mother, was dressed in navy blue nylon and a corsage of yellow mums.

Out of town guests were from Kentville, Halifax and Dartmouth.

Following the reception the bride and groom left on a wedding trip to points of interest in the United States. On their return they will reside in Granville Centre.

The bride, before her marriage was a popular member of the staff of the Royal Bank of Canada, Annapolis Royal, while the groom is a salesman for the Annapolis Royal branch of Milne's Garage Ltd.

Much happiness is extended to the happy couple.

Slauenwhite — Armstrong

A lovely wedding of widespread interest took place at the Century Baptist Church, Toronto, Ont., on Thursday, April 15th, at 8 p.m., when Dorothy Mahel, younger daughter of Mr. and Mrs. Hugh Armstrong, of Granville Beach, Anna Co., was united in marriage with Robert Slauenwhite, son of Mr. and Mrs. Clarence Slauenwhite, of Chelsea, Lunenburg Co.

The double ring ceremony was performed by Rev. Hackson. To the strains of the wedding march the lovely bride entered the church which was beautifully decorated for the occasion.

She chose for her wedding a ballerina length gown of white nylon net over satin, fashioned with fitted bodice and full flowing skirt. She wore a matching bolero with short sleeves, and her fingertip veil of illusion net fell gracefully from a bridal coronet. Her bouquet was one dozen red roses, carnations and gladioli.

The bride's sister, Miss Elizabeth Armstrong, was the very attractive bridesmaid, dressed in a ballerina length gown of yellow nylon net over taffeta, with matching headdress.

Oscar Wile, of Toronto, was

best man. Following the ceremony a reception was held. Later, the happy couple left for Niagara Falls, where they spent their honeymoon.

For travelling the bride wore a cocoa brown suit with corresponding accessories and a corsage of roses.

Mr. and Mrs. Slauenwhite have taken up residence in Toronto. Many friends here join in wishing the bridal couple many years of wedded happiness.

Mr. and Mrs. Erecand Smith and Miss Ruth Gayton, of Yarmouth, were guests Sunday at the home of Mrs. Edward Young, Brighton.

Speaks Of Canadian-American Friendship

Dr. William Longaker, of the staff of the Digby Psychiatric Clinic was guest speaker at last Thursday night's meeting of the Digby Kiwanis Club. The meeting, which took the form of a "Ladies' Night", was held at the Hedley House in Smith's Cove, where a turkey dinner was served.

Taking as his subject "Canadian-American Friendship", Dr. Longaker drew the attention of his listeners to the fact that the world had been set aside for the promotion of goodwill and friendly relations between the two nations. In a most interesting address he spoke of the friendly relations that had existed over the years between the two great countries and outlined ways in which this relationship might be improved and enlarged.

PROPOSE BORROWING FOR PAVING PROJECT

The Town of Digby will seek authority to call a ratepayers' meeting to borrow a sum of money not to exceed \$180,000 for the purpose of street paving, it was decided at Monday night's meeting of the Town Council.

Decision to ask borrowing authority came after a long and sometimes heated discussion of the whole problem. Council in voting on the matter tied and the deciding vote was cast in favour of seeking authority from the Department of Municipal Affairs by His Worship, the Mayor.

One of the arguments advanced in favour of the paving program was that to pave the streets of the town would mean a considerable saving in public works expenditures. This saving applied to the cost of the paving project would materially reduce the extra burden created by the program, it was claimed. It was also claimed savings could be made in other town departments through a more careful and economical operation of these departments and that these savings could also be applied to reduce the direct costs of the paving program.

In opposition to the paving it was claimed that, while the paving program was most desirable, the town was not in a financial position to embark on such a large program of borrowing as that proposed. Reference was made to the funded debt of the town and the monies borrowed over the past two or three years for which bonds have not yet been issued. It was claimed the proposed borrowing would mean an increase in the present tax rate of some thirty-five cents.

Permission was given at the meeting to David C. Landers to erect two houses on his property on Warwick and Third Avenue. Permission was also given Hyman G. Webber for the erection of two summer cottages on his property on Montague Row and Warwick Street.

Jack Nichols and Earl Blenkinshorn appeared before the council.

Answer Two Calls

The Fire Department attended two fires on Monday. The first of these was at about two o'clock Monday morning when a small English type car, owned by Mrs. Donald Cameron, caught fire on the main street of the town where it had been parked near the Cameron home.

The blaze was noticed by the night policeman who got in touch with the fire company and the fire was extinguished. Considerable damage was done to the interior of the car.

The second blaze was a heavy chimney fire at the old Royal Hotel. This fire, although it created a great deal of smoke, did little damage and was quickly extinguished.

Local registered nurses assisted with the work of the clinic and refreshments were provided by the donors and workers by a group under the chairmanship of Mrs. H.M. Warne.

Fifth Digby County Music Festival Held

More than nine hundred persons, representative of quite a number of communities in Digby County took part in this year's Digby County non-competitive Music Festival.

The festival opened Monday afternoon at the Digby Regional High School with George Little, organist of Trunkway and American United Church, Montreal, as adjudicator.

Formal opening of the festival was held Monday evening when a welcome to the entrants, and to the public was extended by Elaine Doucet, of Weymouth, Festival Association President. Mayor Guy E. Morehouse extended a welcome on behalf of the town and response was given by Mr. Little.

The program throughout the festival was an exceedingly interesting one with piano solos making up the greater part of the entries. A novel part of the program on Tuesday evening was the presentation of a number of family groups in piano duets and trios.

Taking part in these were Mrs. Lillian Nichols and son, Peter; Helen Harding and brother, Gary; Elizabeth Morrell and sister, Josephine; Mrs. Mildred Turnbull and daughter, Juliana; Mrs. Maureen Arnold and daughter, Carolyn; Rev. E. C. Churchill and two sons, Keith and John, presented a piano trio.

The closing session of the festival was held Wednesday afternoon at St. Joseph's Hall, Weymouth.

FUNDS FOR FESTIVAL TRANSPORTATION

On Friday evening, April 30th, a program to raise money, to transport the participating pupils of Westport school to the Digby Music Festival, was held in the I.O.O.F. Hall, under the direction of Mrs. Malcolm Dakin and Mrs. Richard Welch, with Alex Shaw as master of ceremonies. A goodly number of selections were presented and the performers did themselves credit.

A dance followed the program, with music supplied by the Westport orchestra, during which two selections "Make Love To Me" and "Hold Me" were rendered by Mrs. Malcolm Dakin.

Interest Mounting In Apple Blossom Ball

According to the committee in charge, interest is mounting in the annual Apple Blossom Ball, which will be held on May 14th at Hotel Champlain, and at which Digby County's Princess for the Apple Blossom Festival will be chosen.

It is understood entries in the contest this year may come from a wider range of communities throughout the county than in previous years. The Women's Institute of Bear River, it is understood, are sponsoring an entry from that village. Entries are also expected from the islands of Digby Neck, and from Clare, it is understood.

Rector Inducted

A most impressive Service of Induction was held in All Saints' Church at Granville Centre on Tuesday evening, April 27th, when Rev. W. Evans Jefferson was inducted as Rector of the Parish of Granville, Church of England.

Evensong and the Service of Induction were taken by the Ven. G. W. Bullock, Archdeacon of Annapolis Valley. The music was by the combined choirs of All Saints and Holy Trinity Churches, under the direction of Mrs. Laurie Walker, organist of All Saints.

The Bishop's mandate was read by the Rev. C. C. Veinotte, Rural Dean of Annapolis, and the keys of the churches were presented by the Wardens Earl Kearns and Jack Troop.

The Lesson was read by Canon E. Underwood, of Bridgetown, and the Letters of Institution by Archdeacon A. W. Watson, of Granville Ferry.

Rev. C. R. Elliott preached a thought-provoking sermon on the responsibilities of members of the church towards the world in which they live and their duties in maintaining the traditions of the church.

Other clergy present included Canon E. B. Spurr, of Lawrenceville, and Rev. J. S. Sherren, of Middleton.

H. J. LEWIS ELECTED AS DEPUTY WARDEN

Councillor Harry J. Lewis was elected Deputy Warden of Digby Municipality at the opening session of the May term of the Municipal Council here Tuesday afternoon.

Mr. Lewis succeeds Councillor William C. Woodman, former Deputy Warden, who passed away early this spring.

Elected to fill the vacancy on the Committee on Arbitration created by Mr. Woodman's death was Councillor B. F. Blackford. Councillor Ronald Morehouse was elected to fill the vacancy on the Poor Committee and Councillor Ernest Ring to fill that on the Tenders and Public Properties Committees.

At the beginning of Tuesday afternoon's session a moment's silence was observed in memory

of the late Premier of Nova Scotia, Angus I. Macdonald, and in memory of the late Deputy Warden of the Municipality, W. C. Woodman.

Warden Chisholm stated that two of the most difficult problems facing the Council were those of education and hospitalization. These problems, he said, must receive careful and earnest consideration by all levels of government if solutions within the ability of the public to meet were to be secured.

At the opening of the session Councillor-elect Cecil E. Jones, of Smith's Cove, was sworn in to office. Mr. Jones succeeds the late William C. Woodman, Councillor for the Smith's Cove district for more than twenty-five years.

Hear Missionary

About ten members of Grace United W.M.S. motored to Bridgetown on Wednesday to hear Miss Dulsie Cook, missionary on furlough from Japan. Miss Cook was commissioned to Japan in 1930, later she served in New Waterford, N. S., and returned to Japan again in 1948.

Miss Cook, in her address, said "The future of the younger churches in the East depend on what they see in the West. They watch us. If we fail Christianity and it loses its vitality (in the East) we have no one to blame but ourselves." She said the Christian congregations in Japan had lost the older generation and they are largely made up of those under 25 years of age.

There is great tension between the younger and older generations as the younger want to throw off the old traditions so carefully guarded by the older people. These young people, she said, want to be democratic but they do not understand democracy. They are frustrated and disillusioned and in a great many instances harbor anti-American feeling. They are craving something bright and sensational and on the other hand they are looking for something more solid and some faith to guide their lives. In their hopelessness, insecurity, frustration and loneliness they come to the missionary with their troubles.

Speaking of conditions in Japan, a country one-third the size of Ontario, Miss Cook said that before the war there was a population of 63,000,000, today there are 86,000,000 people living there. Only 15 per cent of the land can be cultivated, raw materials for manufacture are insufficient and about six or seven million are unemployed.

Miss Cook was introduced by Mrs. J. A. Ruffee, Granville Ferry, president of the Annapolis Presbytery, and thanked by Mrs. J. M. Wallis, Digby.

The worship was conducted by the Bridgetown United W.M.S. led by Mrs. Seeley.

Prizes for the evening were won by:

Bridge: Ladies' High, Mrs. Charles Hersey.

Ladies' Low, Miss Geraldine Syda.

Men's High, Louis Daley.

Men's Low, Charles Hersey.

Forty-fives: Ladies' High, Miss Gwen Hand-spiker.

Ladies' Low, Mrs. Cyril McWhinnie.

Men's High, Reginald Holdsworth.

Men's Low, Clarence Porter.

The door prize, a basket of groceries, was won by Ted Sanford and a crocheted dog by Walter Murphy. At the close of the evening delicious refreshments were served.

Decide Against Intermediate Baseball

Digby will not enter a team in the Western Valley Intermediate Baseball League this year, it was decided at a meeting of the local baseball club held here this week.

Decision to seek a year's leave of absence from the league was made because of the lack of local players to make up a team. Only four players showed up to discuss plans for the season and it was felt it would be impossible to recruit enough local talent in the intermediate class to warrant trying to enter a team in the league this year.

A meeting has been called for Friday evening to discuss the possibilities of organizing junior ball in the Digby area. It is felt that if junior ball can be started in the town and a junior league organized, a renewed interest might be aroused in baseball locally and talent recruited and trained to build toward an intermediate team for entry in the Western Valley League next year.

It is hoped by the committee in charge of the movement, under the chairmanship of Dr. D. E. Lewis, that there will be a good turnout of prospective players in the junior class at Friday night's meeting so that work of organizing the team and other plans might get underway immediately. The meeting is being held in the Legion Headquarters at 8:30 p.m.

Celebrate 60th Anniversary

Mr. and Mrs. Ingram Dakin, Centerville, are receiving congratulations on the celebration of their 60th wedding anniversary on May 3.

Mr. and Mrs. Dakin were married in the United Church (then Methodist), Digby, by the Rev. J. W. Presswood. Mrs. Dakin was the former, Addie Dakin, daughter of Mr. and Mrs. Solomon Dakin, Centerville. Of their children three daughters and three sons are living, viz: Mrs. Arthur Walker, Somerville, Mass.; Mrs. Egbert Banfield, Morningdale, Mass.; Mrs. Nina Bucci, Worcester, Mass.; Ansel, Medford, Mass., and Harley and Hilbert, at home. They have 31 grandchildren and 25 great grandchildren, the youngest being the month old twins of Mr. and Mrs. Edsel Dakin, Hamilton, Ontario.

Mr. and Mrs. Dakin are enjoying good health. Mrs. Dakin is able to do her own housework and Mr. Dakin still does chores around the home.

The anniversary day was spent quietly by Mr. and Mrs. Dakin at their home, where they enjoyed informal calls by immediate relatives and friends. The couple proudly displayed their congratulatory message they received on their anniversary a year ago from the late Premier of Nova Scotia, Hon. Angus I. Macdonald.

Digby Highest Per Capita

Rev. H. Y. MacLean, President of the Digby Branch Canadian Tuberculosis Association, attended the annual meeting of the Provincial Branch, held at the Y.M.C.A., Halifax, on Friday.

Mr. MacLean reported on his return that Digby still maintains the position of the highest per capita returns in the province from the sale of T. B. Christmas Seals. Digby town per capita is 30c while the average in the province is 24c. Forty per cent of the town population is on the T. B. Seal mailing list and Mr. MacLean said this also is the highest percentage in the province.

Baptists To Meet At Sandy Cove

The Baptists of Digby County are meeting for their spring session with the church in Sandy Cove on Tuesday, May 11th. There will be three sittings, morning, afternoon and evening. In the morning Rev. Eric Miner, Freeport, will lead the devotions. After that will come the report of the Keyman, who will tell how they are doing with Missionary giving. The chief speaker in the morning will be Mr. D. B. Wright, Middleton.

The afternoon sitting will be under the auspices of the Women's Missionary Society and it is expected the ladies will have an interesting program.

The climax of the day will come with the evening meeting. The preacher at this time will be the Reverend E. C. Merrick, D.D., (above) professor of Practical Theology at Acadia University. Dr. Merrick was for sometime a Missionary in Bolivia and has brought a lot to his new position at Acadia.

All are cordially invited to attend these services. The ladies of Sandy Cove are making arrangements for meals in the community hall.

The meetings will be presided over by Mr. Earle Frost, Little River, chairman of the Digby District of Baptist Churches. Mrs. John W. Murley, Digby, is the secretary.

DRINKING AND DRIVING IN AUSTRALIA
Disturbances Affecting Eyesight and Reaction Time.—It has been adequately proved that consumption of alcohol has a direct effect on the ability to drive a car.

It is generally admitted that alcohol in all doses acts as a depressant to the nervous system and that the apparent stimulating effect is due to the removal of inhibition of the higher centres.

Over-confidence. Many people claim that they can drive better after the ingestion of alcohol, but controlled experiments on such people show that this is a false confidence and that their actual performance is impaired. This very confidence is therefore a source of danger.

Psychic Disturbances. Under this heading one can group changes in behaviour peculiar to the individual which are so commonly used to reinforce arguments as to the different degrees in which alcohol affects people; but psychic disturbances must not be confused with factors affecting the four cardinal—attentiveness, alertness, coordination and responsiveness. Some psychic disturbances are important in themselves as sources of danger—the tendency to 'show off'; the urge to beat the yellow light; the determination not to let another car pass; the insistence on the right of the road, and the host of other discourtesies so apt to be manifested by drivers after they have had a few drinks.

Disturbances Affecting Eyesight and Reaction Time. It has been adequately proved that comparatively small doses of alcohol do to the driver what blinkers do to the horse, the only difference being that a driver who is oblivious to vehicles and pedestrians approaching from the side has no one at the reins to pull him out of trouble.

Reaction Time. Alcohol definitely slows reaction time so that a stimulus reaching the eye is not conveyed as rapidly as normal.

Dairy Farmers To Increase Advertising

Dairy Farmers of Canada will try for a new record in their 1954 June advertising Set-aside which last year topped \$366,000. Officials of the national producer organization, representing 453,000 farmers, believe that with more promotion effort in Ontario and Quebec, the national fund for advertising, public relations and research can be boosted over the \$400,000 mark. Support for this belief is found in the numerous resolutions presented at recent dairy meetings favoring an increased basis of Set-aside across the country. Most dairy officials give the program considerable credit for Canada's increased per capita consumption of dairy foods in 1953.

In their 1953 report, members of the Dairy Farmers' publicity committee, stress the importance of the 1954 Set-aside. They draw attention to the fact that when farm income declines there is a tendency on the part of the farmers to increase production to meet their costs which remain at a high level. Almost certainly increased production leads to a surplus of one or more dairy foods. Advertising, which focuses attention of consumers on the food value and economy of dairy foods, is an important means by which to whittle down surpluses or avoid them entirely.

Because of the record budget in 1953, Dairy Farmers of Canada advertising, public relations and research program has been extended in 1954. All aspects of the program are aimed at maintaining Canada as one of the world's top consumers of dairy foods. Only the New Zealanders and the Swedes eat more dairy foods on a per capita basis than do Canadians.

Finally to the motor centres and the motor response is also delayed. The degree of impairment in reaction time need obviously be only very small under modern driving conditions to determine the difference between a collision and a safe passage.

Speaks On Conservation

"All conservation and management of wildlife and recreational resources should be on an adequate scale, adjusted not only to

the existing human population but also to the continuing increase in population and in leisure time," said Harrison E. Lewis, West Middle Sabie, when speaking at the Canadian Conservation Association at Ottawa last week.

Mr. Lewis advocated improved legislation giving adequate consideration to wildlife and recreational interests and more nature parks, reserves and sanctuaries, especially in the five eastern provinces.

"Wilderness areas should be reserved promptly before their pristine quality is lost forever,"

he declared.

Pollution of waters by industries and municipalities had become a major problem for wildlife conservation and should be fully controlled, primarily by provincial governments, Mr. Lewis continued.

He also advocated the purchase of appropriate licenses by all hunters and anglers and warned against the stocking of lakes and streams with species of fish which would do more harm than good.

Sportsmen and naturalists, he said, should be well organized and should work in cooperation with each other and with appropriate government agencies. He saw the need of a "broad and all-inclusive view and a sense of responsibility."

An important function of government, even in a democracy, continued Mr. Lewis, was to provide guidance rather than merely to do the will of the multitude or to bow to pressure.

Observes 96th Birthday

Congratulations and best wishes are extended Mrs. W. H. Weatherhead, a native of Granville Ferry, now residing in Banff, Alberta, who on May 8th observed her 96th birthday anniversary.

Mrs. Weatherhead, before her marriage, was Miss Susan Mills. She lived the greater part of her 96 years at Granville Ferry where her marriage to W. Herbert Weatherhead took place and where their two daughters were born and brought up.

Following the death of her husband she lived with her daughter in Windsor, N. S., for several years, and five years ago Mrs. Weatherhead and daughter, Mrs. Lena Farnsworth, moved to Banff to be with her other daughter, Mrs. W. H. Weatherhead. The latter passed away during the past year.

Mrs. Weatherhead is a native of an old lady of 96 can be expected to be. She reads, sews, knits and has a hearty appetite. She's hardly been sick a day in her life and daily surprises her family with her still sharp wit and keen sense of humour.

Mrs. Weatherhead has three grandchildren and three great grandchildren.

Many friends join in wishing this grand old lady happy days and good health in the years ahead.

Catches Clam While Trout Fishing

One Digby fisherman received quite a surprise the other day while fishing for trout at the outlet of Porter's Lake.

After making several unsuccessful casts this intrepid fisherman felt a sharp tug on his line and thought at last he had a good bite. He did—but instead of a trout, a freshwater clam had attached itself firmly to his hook. The Courier did not get any report on the length or weight of the clam.

Entertain In Honor Of Miss Mason

The Earn and Give Club entertained members of the Ladies' Aid at a delightful social evening in the church hall on Tuesday, the occasion being in honor of Miss Vera Mason, who has been a member of the club since she came to Digby. Miss Mason, who is presently on the teaching staff, will take up new duties in the fall at the school in Shelburne. Both Miss Mason and Mrs. Alice Costin were presented with going-away gifts during the evening. Mrs. Costin will be teaching next term in the new Rural High School which will open in New Germany.

Mrs. Russell Stonehouse, president of the Earn and Give Club, presided throughout the program and welcomed the guests. A short worship service was arranged by Mrs. Elton Arnold and Mrs. John Russell had charge of games.

Mrs. Gordon Ellis and Mrs. Oakley Turnbull sang a duet accompanied by Mrs. Vincent Shaw and Mrs. J. M. Wallis gave two short readings. Films on Prince Edward Island and Newfoundland were shown.

A sing-song led by Mrs. J. M. Wallis with Mrs. Frank Hayden at the piano preceded the refreshments. In charge of refreshments were Mrs. Oakley Turnbull, Mrs. Gladys Budrow, Mrs. John Abramson and Mrs. James Wambach.

Car And Truck Collide

The occupants of a car reportedly driven by Mrs. Rodney Denton of Little River had a narrow escape from death or serious injury last Friday evening when their car was involved in a collision with a truck, which it is understood was driven by Eugene Raymond and was owned by McCafferty & Theriault of East Ferry.

It is thought the accident occurred when the truck hooked the side of the car as it passed the car. The car was dragged for some distance and rolled over several times before coming to a stop in the ditch.

Passengers in the car were Mrs. Denton's children, Brenda Chester and Austin; Frank Morehouse and Weidon Trask. Two of the children received cuts on the legs and face and Mrs. Denton was badly shaken up as well as cut and bruised.

The occupants of the truck, which also rolled over, escaped unhurt. A great deal of damage was done to both vehicles.

Has Early Crop Of Potatoes

While most farmers throughout the district are just now beginning to get their seedling underway Mrs. Gladys VanTassel of Digby has already harvested a crop of potatoes.

In the winter Mrs. VanTassel planted a seed potato in a flower pot in her home. The plant grew and flowered and this week Mrs. VanTassel dug it out of the pot to find a good crop of well formed potatoes under it. The smallest of these was about an inch and a half in diameter.

Mrs. VanTassel also has been

GRADUATION HELD AT ST. PATRICK'S SCHOOL

The annual commencement exercises of St. Patrick's Business College were held in St. Patrick's Church, Digby, N. S., on Sunday, May 2, at eleven o'clock. Those participating in the ceremony entered the church and proceeded into the main aisle as follows: Cross Bearer, Donald Hattie; acolytes, Robert Ecker and Michael Hayden; the Business College graduates; and Rev. Father F. McCarty, O.M.I., who officiated at the entire service. The girls of the graduating class were clad in white caps and gowns, and took their places in the sanctuary for the Mass which followed immediately.

At the time of the procession the church organist, Mr. E. J. Theriault, played a very beautiful selection.

The guest speaker for the occasion was Rev. Father Patrick Miller, Pastor of St. Thomas' Church, Annapolis Royal, N. S. Father Miller in speaking to the graduates said that during their time at the convent the Sisters had tried to help them cultivate those principles and values which are the essential condition of real success—success in the eyes of God. That the Sisters had taken an interest in each one of them, not only in an academic way but also in a spiritual way and that they tried to impress upon them, that the greatest achievement, the noblest and most desirable object of their ambition, was not worldly success or fame, but success coming from a life lived according to the law of God.

Father Miller also stressed the important part parents played in the future lives of their children. He stressed the fact that the work of parents does not end with their death, it only begins then. Parents must not blame the actions of their children on the future lives of their children. He stressed the fact that the work of parents does not end with their death, it only begins then. Parents must not blame the actions of their children on the future lives of their children.

The films of the 44th Canadian Open Golf Championship were shown at the regular meeting of the Digby Kiwanis Club at Chan's Coffee Shoppe last week. Present for the films were the members of the club and, as guests, members of the Digby Golf Club. All greatly enjoyed the films.

It was reported the Club is sponsoring the presentation of a dance recital by the pupils of Mrs. Frances Peters at the Digby Regional High School on May 19th. Proceeds will all go towards the Kiwanis Swimming Pool project.

L. M. Saunders reported to the meeting saplings, supplied by the provincial Department of Agriculture, were now ready for planting at a site near the Digby General Hospital. He urged participation by all club members in the reforestation project.

It was reported by Alphonse Deveau of the Public Relations Committee that Kiwanis road signs were now ready for erection at the entrances to the town and would shortly be erected. It was felt this was a good manner in which to publicize the Club in Digby.

Vice-President R. W. Ward reported that five hundred magazines had been distributed to the County Home, the Hospital and the jail by the Club.

This week's meeting will be held tonight at 6:15 at Chan's Coffee Shoppe.

Fire Company Officers In Special Meet

Decision to ask the Town Council to take necessary action to have the burning of paper and other rubbish on the beach, along the waterfront of Digby prohibited was made at a special meeting of the officers of the Digby Fire Department on Wednesday evening of last week.

It was stated at the meeting this practice, which has been carried on for a number of years, is becoming an increasing fire hazard and it was felt by the Department's steps should be taken to make it illegal.

The meeting also decided to ask the Water Commission to have three more fire hydrants installed along the main business section of the town. It was felt these hydrants, one located midway on Water Street between Sydney and Prince William Street and one midway between Sydney and Church Street were essential if maximum protection was to be given to the business section of the town. The third hydrant was requested for the Racquette area near the plant of the Maritime National Fish Co. Ltd.

Other matters discussed by the meeting were the seeking of greater cooperation regarding the removal of known fire hazards and the need for more cooperation from motorists and the general public at the time of fire.

It was stated failure on the part of some motorists to pull over to the curb on the approach of the fire engines on their way to a fire had on occasion impeded the progress of the engines and had also caused near accidents on several occasions. The crowding of large groups of spectators in the immediate vicinity of a fire also hampered the firemen in their efforts to fight the fire, it was stated.

Sets \$1,600 As County Objective

According to the county organizer, Capt. Claude Simpson, the county objective in the Red Shield Drive, which opened under the auspices of the Salvation Army last week, is \$1,600. In charge of the County campaign is A. R. Sallis; R. B. Ward is Treasurer, and Gordon Turnbull is town chairman.

The worthwhile work of the Salvation Army has been recognized throughout the world. Whether homeless or unemployed, distressed, down trodden or sick, the Salvation Army extends its helping hand. The lonely traveller, the imprisoned, the non-Christian, are all ministered to in body, mind and soul by the aggressive force of men and women in the Salvation Army. Locally, we are told, the Army has performed many of these valuable services through the years. They are looking for support in their great work.

TRADE BOARD REJECTS YARMOUTH REQUEST

The Digby Board of Trade Tuesday night decided they could not support a resolution from Yarmouth requesting that steps be taken to have the Yarmouth Fair Harbour Ferry dock in Yarmouth over night.

It was reported at the meeting plans were going ahead for the Apple Blossom Princess Ball at which Digby County's Apple Blossom Princess will be chosen. James Richards, chairman of the committee in charge, stated the ball would be held May 14th at the Hotel Champlain. Entries have already been received from several communities throughout the county, Mr. Richards said.

The Secretary reported that arrangements were underway for the erection of a "Welcome to Nova Scotia" sign near the head

of the pier by the provincial government. A representative of the Bureau of Information had been in Digby, he stated, and the site for the sign located and preliminary arrangements for erection made.

It was reported at the meeting that the Digby Fire Company had agreed to take charge of the parade and its organization for the annual July 1st celebration. Considerable discussion was had concerning the celebration but no definite action taken.

The president, J. J. Brittain, reported on the visit of Canadian Chamber of Commerce President, Mr. Borrie, to this area. It was decided to send a letter of thanks to Captain Plomer, HMCS Cornwallis, for arrangements made to have Mr. Borrie visit the base.

To Make Tax Drive

The matter of outstanding taxes came in for a considerable amount of discussion at the May meeting of the Digby Municipal Council. After discussion it was decided that action to sell thirty-six properties, scattered throughout the county, would be taken by the municipal council unless outstanding taxes against these properties were paid before the date set for the sale.

Committee work occupied much of this spring's session of the Municipal Council. Friday morning the Council made their annual inspection trip to the Municipal Home.

Twelve new cases were admitted to the Digby Branch Victorian Order Nursing Service during April according to the report presented by Miss Mary Blair, V.O.N., at the regular meeting of the Order held at the Court House on Tuesday afternoon. One hundred forty-four visits were made. Thirty-seven children were inspected during the eleven hours spent at school and seven attended the Well-Baby Conferences.

The number of visits for the first four months of 1954 had increased by 71 over the same period last year. Most notable was the fact that the percentage of nursing visits in the 1953 four-month period was 35 while the visits for the 1954 four-month period were 80% nursing.

Firemen To Sponsor Clean-Up Week

Clean-Up Week in Digby this year will be sponsored by the Digby Fire Department. It was learned this week. Dates for the nationally celebrated week are May 17th to 22nd.

It is understood the firemen will seek to secure the cooperation of all Digby property owners and occupiers to have their premises cleaned up and tidied during Clean-Up Week.

A special effort will be made to have accumulations of rubbish or other materials that could constitute fire hazards, done away with.

The object of the firemen is to have Digby residences and business places cleaned and brightened up so that the town will present an attractive appearance during the months ahead.

About This and That

Help The Blind

In the history of civilization, there is no more heart-warming story than that of the growth of the services provided for those without sight. Over the years, profound changes have taken place as callous neglect gradually gave way to sympathetic care. But that was not enough. They yearned to be self-reliant, independent individuals—to be PEOPLE. They needed help, for they had to be led out of a bewildering wilderness of darkness to the place where they could assist themselves—and others. In a word, they wanted to stand on their own feet.

And this has come to pass. Every year, thousands of sightless Canadians are helped on the way to useful citizenship, enjoying a not inconsiderable measure of self-sufficiency—the stepping stone to the most important point of all: the peace of mind that comes with the realization that one is not a burden any more.

This is what the Canadian National Institute for the Blind is doing. All over Canada, it is helping sightless citizens find themselves; and first, too, an inner tranquility such as they once thought would never again be possible. In workshops, recreation centres, in the home, the sightless are taught how to become skilled machinists, weavers, typists. Any number of occupations are open to them, because of the painstaking, patient work of the CNIB which serves all races and creeds.

In recreation centres they are taught the art of relaxation, take part in competitive games, and—thanks to the great gift of Braille—they find that they can still settle back with a good book!

The Canadian National Institute for the Blind operates 15 residences, 20 recreational and 23 rehabilitation centres across Canada.

Up to March 31, 1953 there were 20,115 blind persons of all ages registered in Canada. 18,731 of these were served by CNIB during the year.

There are sixty-three blind people in Digby County who look to the Canadian National Institute for the Blind for service. Seventy-five percent of the funds required to give them the service they need must come from public support. That is why the CNIB is asking you to give generously to the Tag Day on Saturday. "The work is growing, the need is great." The Tag Day in Digby for The Canadian National Institute for the Blind is sponsored by the Zelma Rebekah Lodge with Mrs. Charles Hersey as convener.

On Public Speaking

The 5th Annual Music Festival in Digby County is over and all who helped to arrange for this valuable movement are to be highly commended for the work and time they have put into it without remuneration or recompense in anyway to themselves.

The departure into having part of the Festival held in Weymouth proved satisfactory and drew a large audience to hear the performers there. Another interesting feature of this year's Festival was the performing by family groups.

The Music Festival idea in any case encourages children to perform to the best of their ability, to gain confidence in appearing before the public, it creates a better appreciation of music to enjoy in adult years and often discovers hidden musical ability worthy of extensive development.

Within the past week we had the opportunity of seeing a young boy appear before an audience and hear him tell a story. To our minds, it was most creditably done and the young lad shows promise as a public speaker. We could not help but give credit to and appreciate what the Digby Schools have done in developing this art in our community, for their numbers for much instruction in this respect must be limited and many other schools in the County do not offer such opportunities. With the Music Festival fresh in our minds as we listened to the lad deliver his story, our thoughts naturally resorted to the possibilities a Speech Festival might have in developing the art of public speaking. It is an art which is most necessary to develop, all will agree. Whether a combination of Music and Speech Festival would be feasible we have not given consideration but the idea of developing public speaking in our area is surely worthwhile.

While on the subject of public speaking here is an article taken from "Industry" published by the Canadian Manufacturers' Association, Inc. which has some helpful suggestions along this line—

So To Speak:

"A great many words have been written on how to compose a speech. It is surprising that more have not been written on how to deliver one, for that is where the majority of speakers fail. Any man who accepts an invitation to address a gathering should certainly have something to say. But he is under no less obligation to present it in an interesting and sincere fashion.

The first condition is not difficult. If a man were asked to speak on a subject upon which he had no specialized knowledge,

it would surely be in error. Should that arise, he can always decline the invitation.

The second condition—that he shall present his subject in an interesting fashion—is not so easy. It is essential that, to the cold words of the written page, he should add something of the warmth of his own personality. And, since all men are born different, he won't accomplish this by imitation, however excellent his model may be.

There are, however, a few rules which, if followed, will help a lot. First and foremost, the written draft should be read through and through. The object of this is to so implant in the mind the sequences of thought and argument that they become almost second nature. There is no need to learn the thing by heart, but it should be made so familiar that all concentration can be devoted to the subject of presentation, to ensuring that the ideas are given, that quips are given with dexterity and that serious points are hammered home with force.

How but a speaker when a speaker, in the act of carrying his audience along by inspired exhortation, suddenly looks down to find out what his next sentence should be? Certainly, the written draft is there on the lecture in front of the speaker. But remember, it is there for reference, not for reading from.

Don't discount the value of rehearsal. Actors do it and they learn to be firm and better by their ability to hold an audience. Interest, silent read-throughs in the smoker of a train are fine up to a point, but a couple of misy ones in the hotel room are useful too. When a speaker goes "dead" on his audience, it is usually for that reason—he is hearing the speech for the first time and all the time he practised in silence deserts him.

A speech cannot be read too many times. That is the way the words acquire life—the "do not's" and "cannot's" of literary language become the "don't's" and "can't's" of conversation. That is the way the variations of pace and sound arrive naturally—the meticulous quiet expression for an explanation and the forceful, word-by-word sentence to ram home the conclusions.

Don't think that rehearsal will produce an artificial or insincere effect. Rehearsal will only do that to a speech if there hasn't been enough of it. This has been the lazy speaker's excuse for too many years. It is time it was discarded.

Lastly, don't rely too much on public address systems. Such things only make a voice louder. Balancing that they are liable to distort and they create an audience remoteness which is not easy to overcome. Admittedly, a mild voice may demand the use of a public address system, particularly if the audience is a large one, but with a good, strong voice and an audience which is not too large, a speaker may well do much better without it.

Don't be fantastic about delivery. The idea that the ability to speak well in public is a God-given talent is a foolish fallacy. Thought and time will do just as much for delivery as they will for composition—sometimes more."

●Scald 2 1/2 c. cream, 2 lbs. granulated sugar, 1 tsp. salt and 1/2 c. shortening; cool to lukewarm. Meanwhile, measure into a large bowl 1/2 c. lukewarm water, 1 tsp. granulated sugar; stir until sugar is dissolved. Sprinkle with 1 envelope Fleischmann's Active Dry Yeast. Let stand 10 minutes, THEN stir well.

Add cooled cream mixture and stir in 3 well-beaten eggs. Stir in 2 c. once-sifted bread flour; beat until smooth. Work in 2 1/2 c. (about) once-sifted bread flour. Knead on lightly-floured board until smooth and elastic. Place in greased bowl and grease top of dough. Cover and set in a warm place, free from draft. Let rise until doubled in bulk. Mix 1/4 c. granulated sugar and 2 tps. ground cinnamon; sprinkle half of this mixture on baking board. Divide dough into 2 equal portions and turn out one portion onto prepared board. Roll out into a 12" square; fold from back to front and from one side to the other. Repeat rolling and folding 3 more times, flouring board lightly if it becomes sticky. Sprinkle remaining sugar and cinnamon mixture on board and treat second portion of dough same as first portion. Cover and let rise until doubled in bulk. Bake in a moderate oven, 350°, 15 mins., while preparing the following syrup; simmer together for 5 mins. 1 c. granulated sugar, 1 1/2 tps. grated orange rind, 1/4 c. butter or margarine and 1/4 c. orange juice. Quickly pour hot syrup over the 2 partially-baked cakes and bake cakes about 15 mins. longer. Stand baked cakes on cake coolers for 20 minutes, then loosen edges and gently shake from pans.

MARRIAGE

Stewart — Saunders

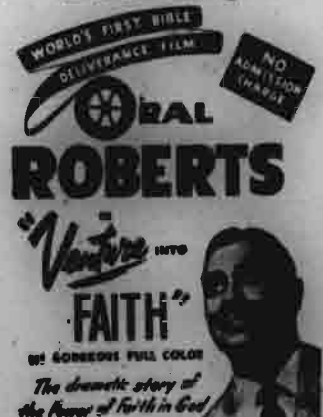

Zion United Church, Sandy Cove Digby County, was the scene of a very pretty wedding on May 8, when, in a double ring ceremony, marriage vows were exchanged between Dorothy Laroche, only daughter of Mr. and Mrs. Harry Saunders, of Halifax, and Dr. Donald Alan Stewart, son of Mr. D. O. Stewart, Q.C., of Summerside, P. E. I. The wedding was performed by Rev. H. L. Cameron, assisted by Rev. G. Dorell. Quantities of spring flowers made an effective background for the bridal group, while old-fashioned nosegays marked the guest pews. The bride, entering the church to the music of the Wedding March from Lohengrin, played by her aunt, Mrs. G. E. Morehouse, was given in marriage by her father. She looked radiant in a gown of imported Chantilly lace, in the new Windsor pattern, a strapless model with a tiered skirt. She wore a small shrug jacket of matching lace, with a Queen Anne collar, and long tight sleeves, coming to a point over her wrists. Her veil of nylon was held in place by a tiara of lace and pearls. She carried a bouquet of pink roses and snapdragons. Her only ornament was a single strand of pearls. The bride was attended by her cousin, Miss Charlotte Goodwin, of Halifax, as maid of honor, who wore a gown of mauve taffeta with matching head-dress and mitts, and carried a nosegay of yellow 'mums and mauve snapdragons. Miss Nora Symonds, of Dartmouth, a college friend of the bride, was senior bridesmaid, and wore a yellow taffeta dress with matching head-dress and mitts. Her nosegay was yellow 'mums and white snapdragons. Linda Morehouse, cousin of the bride, and Avril Gozma, of Sandy Cove, were junior bridesmaids. They wore identical dresses of green taffeta.

There the happy couple were assisted in receiving their guests by the bride's mother, Mrs. Saunders, wearing a mid-night blue dress with rose and navy accessories.

Best Yeast Contests End

The third and last of a very successful series of letterwriting contests, conducted by Maritime made BEST YEAST, closed last week with 40 Bulova watches going out to winners all over the Maritimes, making a total of 120 watches for all three Contests.

The large number of entries received was most gratifying and showed BEST YEAST, Fresh or Dry, as premier yeast in many localities. Some of the entrants were old fans of BEST while others had just discovered its benefits. But new users or old, it's a pretty safe bet that BEST will be a welcome guest in their homes for many years to come.

A list of Contest No. 3 winners is given below. To those who were not included, Best Yeast sends its thanks and a hope for "Better Luck next time."

The bride, under an arch of evergreen and red roses tied with white satin bows, and centered by a white bell, was given in marriage by her father and looked very charming in her ballerina-length dress of pale blue net with sequin and lace inserts over tulle, fashioned with a strapless bodice over which she wore a lace jacket with long sleeves coming to long points over the hands and stand up collar edged with sequins. Her headdress was a bandeau of tulle ribbon and net caught with tiny flowers. She carried a beautiful bouquet of American Beauty roses and maiden hair fern.

Mrs. Ernest Baxter, sister of the bride, was maid of honor and looked lovely in a ballerina-length dress of pink nylon lace and net over tulle with matching lace jacket. She wore a halo headdress of pink lace and carried a beautiful nosegay of red roses and white mums.

Fire Takes Lives Of Three Children

Many friends of Mrs. Budd C. Weaver, now of Kilmistine, Sask., who formerly resided in Weaver Settlement, Digby Co., and who is a daughter of the late George Wagner of Danvers, will learn with sorrow of the tragic fire which took the lives of three of Mrs. Weaver's great-grandchildren at Indian Head, Sask., recently.

A blaze, cause unknown, fanned by a strong wind, burned to the ground the home of Mr. and Mrs. Peter Marshall and with it took the lives of their three eldest children, Mary Jane, age six, Robert William, five and Harry Lorne three and a half years. Two younger children, a baby eight months old, and another child, one and a half year old, were brought to safety by their father who was alone in the house, Mrs. Marshall being in the Indian Head hospital suffering from pleurisy.

Mr. Marshall was awakened during the night by fumes and smoke coming from the kitchen range, which had been banked for the night. Desperate efforts were made by the father and fire department to save the children but the fire, which it is felt, was caused by a down-draft created by the high wind, causing an explosion, burned like a match and in no time the house was one sheet of flame.

The Red Cross Branch at Indian Head sent a disaster report to Regina, Sask., which brought immediate results in the form of blood plasma and clothing, blankets, sheets, a layette for the baby and money to help in medical aid for the Marshall family. Also a fund was opened by the Board of Trade which brought financial aid to the family, Mrs. Marshall's parents are Lieut. and Mrs. H. Weaver, Salvation Army officers of Indian Head.

A guest at the home of Mr. and Mrs. H. E. Wagner on Wednesday was Mr. George Little, B. Mus., Mus. Bac., of Montreal, who acted as adjudicator for the Digby County Music Festival this year.

Former Bear River Girl Noted Book Reviewer

A native Nova Scotian, Miss Edna G. Peck, formerly of Bear River Digby County, is gaining national recognition in the United States as a book reviewer.

Miss Peck has been a staff member of the Boston Public Library 25 years and for more than 15 years she has served as Chief of the Book-Selection Department, responsible for the selection of thousands of books constantly being acquired for the Division of Home Reading and Community Services of the library.

Born in Bear River, daughter of the late George and Samyra Peck, Miss Peck received her early schooling in her home town, later graduating from Acadia University. She is a cousin of Mrs. K. W. Fraser, of the Fraser House, at Middleton.

For two years, Miss Peck organized and presented the program, "Meet the Author" over Columbia Broadcasting System's key New England station, WEEI, in Boston. She has also appeared on television interviews.

Miss Peck's travel in the United States, Canada, and Europe has brought her appreciation of international events into sharp focus and has broadened the basis for more effective interpretation of the works of authors writing on world problems.

Miss Peck also has given book talks in Canada and the United States before women's clubs, college groups, church and civic organizations and literary clubs.

Ladies' Aid, United Church, met on Tuesday at the vestry.

Mr. and Mrs. Herbie Theriault, of Bloomfield, Digby Co., were Sunday guests of Mr. and Mrs. Carey Henshaw.

Mr. and Mrs. Roscoe Cress motored to Kingston on Saturday and on their return they were accompanied by Mr. and Mrs. Weldon Stevens and family who were their guests for the weekend.

Observe Mother's Day

At the morning service in the United Church of Canada on Sunday Rev. R. F. Humby paid tribute to all mothers. Flowers were placed on the altar in memory of Mrs. Harry Purdy, Mrs. Henry Wright, Mrs. W. Hinkman, Mrs. George Crookup and Mrs. Bessie Parker by their families, also pink and white carnations were placed by members of the Ladies' Aid in memory of all mothers.

The evening service was under auspices of the Women's Missionary Society, assisted by the Sunday School, and consisted of recitations, dialogues, reading, solo, and a quartet by Gary Gesner, Bentley Rice, Donald Hardy and Ray Riley, singing Crimond's "The Lord Is My Shepherd."

This was followed by a very touching pageant depicting the eight stages of motherhood. During the service appropriate music was rendered by the choir.

Honored At Rothesay, N. B.

Members of the Edgehill Old Girl's Association, Saint John, of which Mrs. H. L. McMackin is the president, entertained at a delightfully arranged dinner at Shadow Lawn, in honor of Miss Mildred H. Roehling, a former headmistress of Edgehill, at Windsor, N. S. The table had in the centre a silver bowl of red and white carnations, the school colors, and was lighted with red candles in silver candlesticks. Covers were laid for 20. Following the dinner the members were addressed by Miss Roehling, and a substantial sum was voted by the association to the building fund of the new school residence.

To analyze the charms of flowers is like dissecting music; it is one of those things which it is far better to enjoy, than to attempt fully to understand.

Mr. and Mrs. Frank Brennan, Aylesford, were Sunday guests of Dr. and Mrs. Brennan.

New Banking Service Introduced

A new type of banking service to provide incentive for saving with life insurance protection, was introduced in Canada for the first time today. It was inaugurated by branches of The Bank of Nova Scotia across the country who made available "personal security program" accounts.

From today on p.s.p. accounts will be a standard service of this bank in Digby and may be opened like ordinary savings or current accounts. Under the personal security program the depositor reaches his savings goal in 50 monthly instalments. During this period his savings goal is protected by life insurance at no cost to himself.

"P.s.p. accounts are based on a simple principle — it is easier to save on the instalment plan and when there is a definite amount in mind," explains R. B. W. Ward, Digby manager of The Bank of Nova Scotia. "Personal security program accounts are designed to provide this service. There is the added advantage of having the savings target insured."

Anyone between the ages of six and 46 years can open a p.s.p. account. He decides what the savings goal will be, then contracts to make 50 monthly deposits to meet this goal. In turn, the bank provides the depositor, immediately, with an insurance policy. In the event of death before the goal is reached the depositor's beneficiary would receive the whole amount of the goal, plus interest, to that time.

Five different savings goals are provided under The Bank of Nova Scotia personal security program. These are: \$1,000 by \$20 monthly payments; \$750 by \$15 monthly payments; \$500 by \$10 monthly payments; \$250 by \$5 monthly payments; \$100 by \$2 monthly payments. Once the p.s.p. account is opened, payments are made in the same way as a deposit would be made in another type account.

P.s.p. accounts do not provide checking facilities. If for any reason, however, the p.s.p. depositor cannot complete the 50-months program or decides to abandon it, he receives all the money that he has paid in, plus interest, less a charge to cover the bank's services. P.s.p. ac-

counts can be terminated and the money withdrawn by merely notifying the bank.

Men, women, and children, married or single, are all eligible to participate in this program providing only that they are within the age bracket and are in good health. No medical examination is necessary. The depositor need only give assurance of good

DIGBY, N. S.

To Hydro Electric Users in The Town of Digby:

We would like to draw your attention to the fact that in future hydro electric bills will be computed at net rates and 10% added if not paid within 10 days from date rendered.

In the past the bills have been made out at the rate plus 10% and a corresponding discount allowed if paid within 10 days from date rendered. This does not mean that there is any change in rates — only in the way in which the account is made up. The cost is still the same.

The reason for this change is that considerable time and money will be saved both in regards to the computing of the bill and in bookkeeping.

Service may be disconnected if the account is outstanding over 40 days.

Please make all cheques and money orders in payment of electric accounts payable to Digby County Power Board and remit to their office.

To Replank

Joggin Bridge

Local Highway Department officials stated here yesterday work on replanking the Joggin bridge about five miles from Digby toward Halifax on Highway No. 1 would begin this evening.

It is understood plans are to replank the whole bridge and also to place a new girder under it.

In order to do the job with the minimum of inconvenience to the travelling public the work will be done at night. It is understood work will commence at eight o'clock each evening after the passing of the last west bound bus from Halifax and will end at eight in the morning before the day traffic starts.

During the hours the job is underway traffic will have to detour through Acadia Valley around the head of the tide at Joggin Bridge. This detour route was widened and improved last year.

In order to make the detour west bound traffic will turn left near the approach to the bridge at the village of Joggin Bridge. East bound traffic will take the detour at Aymer's Corner.

Mrs. Harold Titus, who was a patient in the Digby General Hospital last week, returned home to Centreville on Sunday.

Insulation has brought about greater comfort than any other single feature in modern home improvements. It keeps your home cooler in the summer and warmer in the winter.

It's a known fact that almost one-third of the heat that's lost in the home escapes through the roof. Heat is also lost around doors and windows.

It pays to buy the best in insulation. It should be fireproof, moisture-proof and vermin-proof. Well chosen and applied insulation won't need to be replaced or repaired for many years. If ever, and will be a source of year round comfort.

Miss Kathleen Brown

Canada Packers' Brenda York

The cooking school to be held on June 1th and 8th in Digby under the sponsorship of The Hospital Ladies' Aid will be conducted by Miss Murielle Kathleen Brown, of Canada Packers' Brenda York Food Clinic. Miss Brown graduated with Honour Standing in Household Economics from Laval University in 1952 and brings to the problems of home cooking the delicate touch for which French chefs are famous. To perfect her English she went to Toronto upon graduation, spent a year as a dietitian with the Toronto General Hospital. Miss Brown possesses the charm and practical common sense of her French background. Her demonstrations and lectures are spiced with wit and homely comment, which have won her applause wherever she has appeared.

In 1953 Miss Brown toured the Maritime Provinces with Mrs. Jean Neider, in a series of schools which won the hearts of audience after audience. Since last September she has conducted many successful schools throughout Ontario. The secret of her charm is her extreme sincerity, and her enthusiasm for doing what she can to help housewives in their task of preparing for their families, week in, week out, three tasty and attractive meals daily.

The sessions will be enlivened by presentation of prizes, including the many dishes prepared during the school. Other prizes will consist of several food hampers donated by Canada Packers. The range and refrigerator Miss Brown will use will be supplied through the courtesy of the Digby County Power Board.

The net proceeds of the school will be used for Hospital Benefit, a worthy cause which deserves support by all citizens of Digby. Those who attend will be assured of a gay evening of useful and interesting entertainment.

Finds Old Courier

Larry Smith, young son of Mr. and Mrs. Donald Smith, Digby, made quite a find the other day while visiting his grandmother, Mrs. Charles Hall, in Rosedale.

While playing in the attic of his grandmother's home he came across an issue of the Digby Weekly Courier, dated May 7, 1886. The paper was in excellent condition.

Items in this old issue of the Courier make most interesting reading. One item concerning the estimates which had just been brought down by the provincial legislature stated that \$200,000 had been budgeted for education in the province; \$13,000 for agriculture and for legislative expenses, \$39,750.

Included among the advertisements is one from Letteney's stating they are selling linen shirts at 55 cents each, and yard wide gray cotton at 75 cents a yard. John G. Rice advertises coffins and caskets any style from \$4.00 to \$75.00. He also advertises horse and horse with driver from any residence within the town limits to the cemetery for \$2.00; any distance outside said limits ten cents mileage to be added.

According to this old Courier advertising was more expensive in 1886 than today. The Courier quotes a rate of fifty cents per column inch in 1886. The rate today is 49 cents a column inch.

In the news columns of that 1886 paper there is little local news. Among the items, however, it can be learned that the New Brunswick left for Boston on Tuesday with 300 passengers and a full cargo of freight. It is also stated the Northumberland Straits tunnel railway bill had passed its third reading at Ottawa.

Digby Red Cross Holds Business Session

The May business meeting of the Digby Branch of the Canadian Red Cross, presided over by Dr. T. W. Hodgson, was held last week with a good attendance.

Mrs. B. H. Ruggles, in presenting the Treasurer's report, showed expenditures of over \$100.00 for the month, the largest item being approximately \$75.00 for a gatch bed for Sickroom Loan. Receipts for April consisted of \$25.00 from the Ways and Means Committee.

In her report of Ways and Means, Mrs. R. B. Lent stated her committee had a cash balance of \$15.85, the sum of \$5.60 having been received from the April Ten Cent Tea, the only expenditures being some small items for the quilts.

In the absence of Mrs. H. M. Warne, the report of the Women's Work Committee was read by the secretary, Mrs. A. J. Dillon. A shipment of finished work had been forwarded to Halifax Headquarters, consisting of five large quilts, twelve crib quilts and blankets, forty-seven infants' garments, forty-eight children's garments, nineteen stuffed toys, also twelve hundred gauze wipes for the Blood Transfusion service.

The stuffed toys were a much appreciated donation from Mrs. Hugh Vincent, and two of the crib quilts were donated by Miss Louise Daley and her mother. Another nice donation in April had been three quilt tops received from Mrs. Guy Dunn, and appreciation was also expressed for the assistance received from Mrs. Oscar VanTassel in making up a large number of quilt tops during recent weeks.

A quilt top donated by the Conway Club had been finished by the Digby Branch quilts and presented to Mr. and Mrs. Harry Hersey when they returned to Digby after their fire. Mrs. George Winfield, chairman of Disaster Relief, stated that help had been given to two cases during the past month.

A report from Delbert Forrest, chairman of the Sickroom Loan Service, showed two hospital beds, two wheelchairs and two pairs of crutches in use at the present time, with a waiting list of four for the wheelchairs, which seem to be the item in greatest demand. The new gatch bed and mattress purchased by the Branch had been in only one day before being sent out in response to a call, and the same thing happened in regard to the new adjustable crutches.

The usual quilting, social hour and tea followed the meeting.

CHURCH GROUPS HOLD DISTRICT MEETINGS

A large delegation of Baptists were welcomed by Deacon Mitchell to the Sandy Cove United Baptist Church on Tuesday morning, May 11, for their annual District meeting.

Rev. Erle Miner conducted the morning devotion, reading Psalm 18:33 and speaking on this Psalm which depicts the Love and Power of God.

The keyman, Mr. J. J. Brittain, reported continued interest in denominational giving among the churches of the district. A discussion on ways and means of raising such funds followed his report.

The highlight of the morning session was an inspirational address by Mr. D. B. Wright, Middleton, on the five-year program of the Maritime United Baptist Convention. Mr. Wright emphasized every objective of the program using illustrations and statistics to prove the importance of supporting Evangelism, Christian Education, Missions and Denominational giving. When we can convince people we are in a big business, and everyone is working to capacity, then will the five-year program go forward and lead on to a much larger work, said the speaker.

The evening session opened with a sacred song service conducted by Rev. E. C. Churchill. Encouraging reports from fifteen churches in the district were given by pastor or delegate. It is interesting to note all churches are under the leadership of a full-time pastor.

Rev. R. R. Winchester read the Scripture lesson from portions of Matt. 16, also Matt. 23 and Rev. G. E. Sharpe offered prayer.

The evening sermon was ably delivered by Dr. Earl Merrick, professor of Practical Theology at Acadia University. In his heart-searching message on the atonement, Dr. Merrick stated that 80 per cent of the world know nothing about it, yet the world cannot get along without the atonement of Jesus Christ. The challenge of man's future—this 80 per cent is waiting for you to go out and be a witness for Jesus Christ.

The nominating committee named the following officers for the ensuing year:

Chairman, Rev. F. Miller, Smith's Cove.

Vice-Chairman, Rev. E. Miner, Freeport.

Secretary, Mrs. J. Murley, Hill Grove.

District Keyman, Mr. J. J. Brittain, Digby.

The annual meeting of the Annapolis Presbyterian of the Women's Missionary Society was held in Middleton United Church on Wednesday, May 12th, with one hundred and twenty delegates and visitors present. The meeting opened with a very impressive communion service conducted by Rev. R. C. Robbins.

The president, Mrs. J. A. Ruffee, Cranville Ferry, presided. The address of welcome was given by Mrs. Robbins and responded to by Mrs. Harold Murray, of Berwick. The minutes of the executive meetings were read by Mrs. W. R. Seelye. The president of the Maritime Branch, Mrs. A. J. Reynolds, and Miss Anetta Rose, who recently returned from Korea, were introduced and invited to the platform. The memorial service was presented by Kingston Auxiliary, led by Mrs. G. W. Hawkins and the solo, "O Lord of Life" was sung by Mrs. Enos Varner.

During the business meeting the treasurer, Mrs. Elton Arnold, reported that although our allocation had been increased this year from \$2700. to \$2900, we had gone over our allocation last year and would meet the new one this year.

Certificates of merit were presented to four Explorer Groups and to six Mission Bands by Mrs. Harold Murray. The reading award went to Middleton Auxiliary, Miss Marion Carly gave a very interesting and enthusiastic talk about her experiences at the School for Leaders at Berwick Camp Meeting last summer. Her praise of the Camp Meetings made everyone present wish they could attend. Mrs. Steele, Middleton, sang the solo, "Open My Heart."

A solemn installation service was conducted by Mrs. Reynolds and the following slate of officers installed: Past President, Mrs. G. W. Hawkins; President, Mrs. J. A. Ruffee; 1st Vice-President, Mrs. W. R. Seelye; 2nd Vice-President, Mrs. H. S. Bird; 3rd Vice-President, E. C. Sturge; Recording Secretary, Mrs. R. T. Harris; Corresponding Secretary, Mrs. Fred Bath; Treasurer, Mrs. Elton Arnold; Christian Stewardship, Mrs. J. M. Wallis; Mission Circles and C.G.I.T., Mrs. Kenneth Parker; Mission Bands and Baby Bands, Mrs. Harold Murray; Associate Members, Mrs. W. Morine; Supply, Mrs. L. Hutchinson; Community Friendship, Mrs. Walter Milo; Literature, Mrs. J. Brooks; Christian Citizenship, Mrs. J. M. Wilson; Missionary Monthly and World Friends, Mrs. Lewis H. Haley; Press, Mrs. Robert O. Parker.

Miss Ross, in her address, expressed sincere and heartfelt thanks for relief parcels sent to Korea. The need there is very great and will continue so for at least two more years. After supper, which was served by the Middleton Auxiliary, Mrs. Reynolds showed slides and gave a very fine talk on her recent trip to Bermuda.

The annual meeting of the Annapolis Presbyterian of the Women's Missionary Society was held in Middleton United Church on Wednesday, May 12th, with one hundred and twenty delegates and visitors present.

The criminal case is that of the Queen vs. Auguste Louis Doucette. Doucette is charged with manslaughter arising out of the shooting of 61 year old Delia Comeau of Meteghan Station last December 15th.

Two civil cases are included on the docket. Both are actions arising out of a car collision some time ago near the Cornwallis Naval Base. In the first May E. Hewitt of Digby is plaintiff with Jack D. Harris, of Bear River, as defendant. In the second Jack D. Harris is plaintiff with Benjamin F. Webber as defendant.

In the first of the civil cases E. J. Theriault, Q.C., is appearing for the plaintiff with H. P. MacKeen for the defendant. In the second H. P. MacKeen appears for the plaintiff and E. J. Theriault for the defendant.

Digby Skipper Goes To Ceylon

Captain Victor Halliday of the scallop dragger "General Blegier" left yesterday for Montreal from where he will fly to Ceylon where he has accepted a position under the Colombo plan.

Captain Halliday on his arrival in Ceylon will take charge of the research vessel "Canadian" under the direction of Dr. Carl Medcott, a biologist from the Canadian Fisheries Research Station in St. Andrews, N. B., who is well known in Digby. The Canadian will have an all Sinhalese crew.

For the first part of his stay in Ceylon Captain Halliday will be based at Trincomalee. It is expected he will stay in Ceylon for a year during which time efforts will be made to teach the Sinhalese the art of dragger fishing and impart to them other fishing "know-how" so that they will be better enabled to earn their livelihood from the sea than at present.

It is understood conditions in the fishing industry in Ceylon are still quite primitive and are in marked contrast to methods followed here. Weather conditions are also much different than here and it is understood Captain Halliday will be spending 98% of his time during the year he is in Ceylon dressed in white cottons in order to keep as cool as possible.

Another Digby fishing skipper who is going to Ceylon under the Colombo Plan is Captain Roy Pyne who has for a number of years been fishing out of Lockport. Captain Pyne, who is a brother of A. R. Pyne, of Digby, will take charge of the fishing vessel "North Star" and will also remain in Ceylon for a year.

Vandals Damage Trees At School

Eighteen ornamental maple trees on the grounds of the Digby Regional High School, destroyed by vandals, have now been replaced, it was reported at the regular monthly meeting of the Regional High School Board here Monday night.

It is understood these trees which were planted some four years ago by representatives of the districts served by the regional school, have been repeatedly damaged by vandals and that the replanting of eighteen of them this year is a repetition of work made necessary each year by action of vandals.

It was reported to the Board the fence surrounding the ball field near the regional school is being destroyed and the boards being taken away. More than twenty feet of the fence, which carries advertisements for local business concerns, have been carted off in the past two weeks, it was stated.

Arrangements for the annual closing exercises were finalized at the meeting. It was decided the closing of the Domestic Science classes would be held on the evening of June 3rd at the auditorium of the regional school. The Dramatics Class will present a one act play at this closing, it was stated.

Graduation exercises will be held at the regional school on June 18th. Rev. Dr. W. T. R. Flemington, O.B.E., President of Mount Allison University, will be the guest speaker. Class day exercises will be held on the morning of June 17th with the annual graduation class dance the same evening.

KAYE WATKINS NAMED AS DIGBY'S PRINCESS

Twenty-one year old Kaye Watkins, a vivacious brunette, was last Friday night chosen as Digby County's Apple Blossom Princess to represent Digby at the Annual Apple Blossom Festival.

Chosen as Miss Watkins' attendants were Miss Betty Mount and Miss Patricia Thibault, both of Digby. The Princess and her attendants were chosen from among eleven contestants at the annual Princess Ball, held here last Friday night at the Hotel Champlain.

Judges for the contest were Commander and Mrs. Madgwick of H.M.C.S. Cornwallis, and Mr. and Mrs. Kenneth Brooks, of Paradise. Announcement of the name of the Princess and her attendants was made during a colorful formal ceremony near the close of the ball by J. J. Brittain, President of the Digby Board of Trade, which annually sponsors the event here. Miss Watkins was crowned by Marilyn Campbell, Digby County's Princess in 1952 and Queen Annapolis XX. A bouquet of beautiful flowers was presented to the Princess by Mayor Guy E. Morehouse. Trade Board President Brittain also made presentations to the Princess and her attendants.

Prior to the ball the contestants and their escorts, Midshipmen from H.M.C.S. Cornwallis, were guests at a buffet supper at Hotel Champlain. Following the supper the Midshipmen took part in a colorful formal flag lowering ceremony on the lawn of the hotel. Master of ceremonies for the entire evening's function was J. B. Prince, James Richards was chairman of the Ball Committee in charge of the Ball.

Miss Watkins, the new Princess, is a graduate of the Digby Regional High School. She is the daughter of Mr. and Mrs. Carl Watkins, of Digby.

Reverse Decision On Paving Project

By a unanimous vote on Wednesday night of last week the Digby Town Council reversed a previous decision to ask the Department of Municipal Affairs for authority to hold a ratepayers' meeting for approval of the borrowing of a sum not to exceed \$180,000 for the paving of streets within the town.

Decision to seek borrowing authority for the street paving program from the department was made at the regular meeting of the Town Council this month when the Mayor cast the deciding vote in favour of the project after the Council polled a tied vote following a heated debate on the subject.

At Wednesday night's special session, called to further discuss the matter, a letter from the Department of Municipal Affairs was read. This letter suggested the matter of embarking upon the proposed \$180,000 expenditure be given more thorough study by the Council.

It was drawn to the Council's attention the present per capita debt of the town is \$142. Capital expenditures already made but not funded will raise this to \$190, it was stated. The proposal to borrow \$180,000 for the street paving program would raise this to \$280, which would be among the highest in the province, it was claimed.

Present tax rate of \$2.77 would be increased next year to \$2.97 by capital expenses already authorized but not funded and the paving proposal would increase this to at least \$3.31 it was said. It was also noted tax collections had dropped so that in 1953 only 92.8% of a year's levy had been collected. Tax arrears were also mounting it was stated.

After the matter was thoroughly discussed it was decided by the Council that although all members were agreed that the paving project was a desirable one, it was not financially feasible for the town to embark upon it at this time.

H. & S. Entertains

The members of the Smith's Cove Home and School Association met on Tuesday evening, May 11th. They had as their guests the members of the Landsdowne Home and School.

A short film, "Why Doesn't Your Child Eat?" was shown, followed by a discussion on Mental Health. Later the program continued with a "Share The Wealth" quiz, and Master Raymond Dunn, of Landsdowne, won the Oscar.

Three poems were written when each member had to choose a word to rhyme with the word at the end of a sentence given to him by the one who sat next to him. This proved to be hilarious and the prize for the best elephant molded from gum was won by Mrs. Ruby Kinsman.

Mrs. Harry Woodgate, President of the Landsdowne group, thanked the members here for their cordial invitation, in a few well chosen words.

The next executive meeting will be held at the home of the President, Beth Bailey, on May 25th, followed by Home and School June 8th, when the officers for the new year will be appointed. Nominations were brought in at this month's regular meeting.

Mr. and Mrs. Percy Hill, South Range, had a close brush with death or serious injury last week.

Mr. and Mrs. Hill were on their way to call a doctor to attend their granddaughter who was very ill. In some manner their car overturned, trapping them both.

After several attempts both Mr. and Mrs. Hill made their way out through the window of the car. Mrs. Hill suffered severe shock and bruises but Mr. Hill escaped unhurt.

Firemen Sponsoring July 1st Parade

The Digby Fire Department is this year sponsoring the annual July 1st parade in Digby. It was learned here this week.

Plans for the parade are already far advanced, it was learned. So far two bands have agreed to take part in the parade. These are the Kentville Fire Department Band and the band of H. M. C. S. Cornwallis.

Nearly all the business houses in the Digby area have been contacted to enter floats, decorated cars or other vehicles in the parade and it is expected the response will be good.

Entries are also expected from outside points. It is also expected a good number of novelty items will also be entered in the parade this year which the firemen hope to make the biggest and best in Digby's history.

It is understood those planning to enter the parade should contact A. Reginald Turnbull, President of the Digby Fire Company.

Agriculture Representative To Speak

Raymond LeBlanc, Agricultural Representative for Digby County, will be the guest speaker at tonight's meeting of the Digby Kiwanis Club. It is expected Mr. LeBlanc will have a most interesting subject for his address.

Next week the guest speaker at the Kiwanis Club will be George Donnelly who was the club's delegate to a recent swimming and water safety course held in Wolfville. A special film will also be shown as part of next week's program.

It was reported at the last meeting the hospital room to be sponsored by the Kiwanis Club had been chosen and \$75.00 voted for redecorating.

Plans for operating the Kiwanis Swimming Pool during the summer were also discussed. Plans are also underway for tag days to assist the financing of the project.

Two local girls were among the five prize winners at the recent graduation exercises of the Victoria General Hospital in Halifax.

Miss Shirley Stark, of Digby, was the winner of the Medical Staff Prize for the highest aggregate. Miss Marilyn Adams, of Deep Brook, won the Dartmouth Medical Centre Prize.

About This and That

Spring Fever

Among the sure and certain signs of spring is that calculating far-away look that comes into the little woman's eyes as the first breath of warm air wafts over the meadow and the frogs begin to stir in the damp home that has been their winter retreat. The frogs have begun to sing, spring has really come and the uneasiness that betokens spring cleaning has fixed the season in its appointed place.

Whether or not the accoutrements of home are where you personally, like them, they won't be there long once that look comes across her face. Some night soon, if it hasn't already happened, you will arrive home and your favourite chair will have moved from the front of the living room, under the window, to a far back corner. It MAY even have moved to the back porch if it happened to have a wobbly arm. Tables will have usurped the place of comfortable seats, and they will be dusted within an inch of their lives and lovely bouquets of flowers will sit upon them — just where the light was best for reading.

All those papers which you had saved, and the magazines still not finished will have gone, along with some old clothes (really not a thing wrong with them) to some organization or boxed up for a rummage sale. The windows will sparkle in the sunshine, that old can of tobacco, successfully hidden in a corner behind the curtain all winter, will be no more and it is just possible that more recent purchases will have followed suit.

Curtains will have that almost new look that is imparted by the cleaner; the rug will be shampooed to a state of newness and woe bed the foot that treads it still shod in a wet galosh.

Nobody can describe spring fever, it can only be felt, and when the housewife feels it, the actions which we have noted, follow as the night the day.

THERE'S A SPIDER IN MY NEWSPAPER

There is a story now about 80 years old, that is told about Mark Twain, who before he became a famous author was editor of the Virginia City "Enterprise."

Always on the look-out for omens of good luck a subscriber wrote to Editor Mark Twain to tell him that she had found a spider in her newspaper, and asked if it was an omen of good luck.

The Editor was quick to take advantage of the opportunity and he replied:

"Dear Subscriber: Finding a spider in your newspaper was neither good or bad luck for you. The spider was merely looking over the paper to see which merchant is not advertising, so that he can go to his store and spin his web and live a life of undisturbed peace."

Report From Parliament Hill

By GEORGE C. NOWLAN

May 13, 1954

The poet who spoke of "a painted ship upon a painted ocean" might have had Parliament in mind. In fact, the rate of speed of that vessel really exceeds the progress which Parliament seems to be making. All of which is very strange for this mid-May season. When Parliament reassembled last November, everyone said, "O this is a quiet one. We will be through early." Certainly the middle of April was then considered a late date for prorogation. What has happened?

There are many reasons for this rather desultory progress. At the beginning of the session, the C.C.F. Party, rather weakly after having nearly doubled its strength, attempted to seize the Parliamentary initiative. Every amendment, every Motion, every speech, made by the Official Opposition was duplicated by the C.C.F. For a while, they boasted of the fact that they were in control of Parliament. But we have heard very little of that lately.

For another reason, there has been a much heavier legislative program than anyone ever anticipated. Weeks were spent upon the amendments to the Criminal Code, which has been the major piece of legislation. But almost every day, the Government has come forward with some minor amendment to routine legislation, all of which has taken time.

And the end is not yet. More legislation has appeared on the Order Paper this week, and although Parliament seems to be making little progress, yet no one can question the fact that it has been working, and working hard.

One of the most important matters of legislation has not yet been introduced. The Honourable Paul Martin, the Minister of Health, is still holding back his legislation for pensions for disabled persons. That is expected next week. Why the delay? Possibly it is because Mr. Martin is an excellent Parliamentarian. He knows that virtually every member of the House will want to speak in support of this legislation. One would have thought for that reason that he would have introduced it earlier.

But possibly he is influenced by recollections of the judgment of his former leader, the Late Mr. MacKenzie King. On important matters of legislation, that astute

gentleman is reported to have told his Ministers, "Hold it back until the hot weather comes, and that will drive the boys home." If Paul is waiting for the hot weather, we can understand the delay, because that has also been very slow in its progress. In fact, it is hard for members of Parliament to realize that winter is over, and summer is almost here. Day after day, we have had clouds, rain and drizzle, more reminiscent of early April than of summer.

And back of it all lies the fact that Parliament looks to the Government — for initiative and drive. Ordinarily by this time Cabinet Ministers would have been acting as if they were Cromwells, when he once said, "You have tarried here too long." This spring, they act as if they liked to have Members of Parliament around them. Ordinarily by this time, Parliament would have been meeting mornings, afternoons and evenings. That, of course, is a cruel grind, and Members can only stand it so long. But the initiation of that program always marks the beginning of the end. Members expected that the Government would have insisted on it before this. It is true that a week ago feelers were put out from the Government to the Opposition suggesting that next week we embark on that program. Naturally the Opposition protested, as protest they always have and protest they always will. But differing from some other seasons, the Government immediately withdrew the proposal, and said, "Alright it will carry on a while longer as is."

Certainly one underlying factor is the increased indemnity. Members are hesitant to suggest a speed-up when they have recently voted themselves an increase in salary. Each Party has a substantial number of Members who rarely speak themselves. Ordinarily by this season of the year, these members stamp indignant out of the House when any Member attempts to prolong a debate. There is none of that atmosphere this Session.

And I think the Government may have a more astute motive in its apparent deliberate progress. Throughout the Session an inter-Party Parliamentary Committee has been meeting regularly trying to redraft the Rules of the House of Commons. These rules would include a shortening of debate and the curtailing of many of the tactical advantages now enjoyed by Opposition Parties. Naturally the Opposition Members are reluctant

ant to give up these rights, because some day an issue may arise on which they will want to fight to the last ditch. The Government, of course, could compel the passing of these amended Rules, but hesitates to exercise its majority to that end. I sometimes suspect that the Prime Minister and his Cabinet have decided that this year Parliament will sit until it is sick and tired of sitting, and that then perhaps of its own volition, it will pass the necessary amendments which have been in the background for so long.

One of the important debates of this week, one of the most bitter and vehement of the whole Session, was that on the setting up a Veterans Affairs Committee. No one objected to the creation of the Committee. In fact, it was unanimously welcomed. But every individual member of Opposition Parties protested against the terms of reference of that Committee. It had been thought that amendments to the War Veterans Allowance Act would be proposed. These were not included in the Government's Motion. I think that the Government was really shocked by the vehemence and bitterness of the criticism which arose. I do not want to raise false hopes in the matter, but rumours in the corridors of Parliament are that the Government was affected by that debate, and will include certain amendments to the War Veterans Allowance Act. If these are introduced, they probably will not raise the rates presently in effect, but will deal with ceilings on earnings and other fringe benefits. As I said, I am not prophesying that this will happen, but that is the rumour at the moment. Certainly it was a good debate, and one which obviously impressed the Government.

DON'T QUIT

When things go wrong, as they sometimes will,
 When the road you're treading
 Seems all uphill,
 When the funds are low and the
 taxes are high,
 And you want to smile, but you
 have to sigh,
 When care is pressing you down
 a bit,
 Rest if you must—but never
 quit.

Life is queer, with its twists and
 turns,
 As everyone of us sometimes
 learns,
 And many a failure turns about,
 When he might have won, if he
 stuck it out,
 Stick to your task, though the
 pace seems slow,
 You may succeed with another
 blow.

Often the goal is nearer than
 it seems to a faint and faltering
 man,
 Often the struggler has given up
 When he might have captured
 the victor's cup,
 And he looked too late, when
 the night slipped down,
 How close he was to the golden
 crown.

Success is failure turned inside
 out,
 The silver tints of the clouds of
 doubt,
 And you never can tell how close
 you are;
 It may be near when it seems
 afar,
 So stick to the fight when you're
 hardest hit,
 It's when things seem worse that
 you mustn't quit.

The Golden Rule works like
 gravitation. — C. F. Dole

THINKING OF HOME

The Bay of Fundy is rough in-
 deed,
 Its shores are covered with brown
 seaweed,
 The tides run high, the strong
 winds blow
 Making our fishing and sail boats
 go.

It lies between the north and
 south
 Of that beautiful land we boast
 about

There is plenty of beauty as all
 of us know,
 Mountains and hills covered with
 snow.

The Land of Evangeline, its arms
 stretched out
 Welcoming the tourists as they
 move about

Watching the tides as they come
 and go,
 Wondering why God had planned
 them so.

The rivers and lakes with fish
 galore,
 Apple blossoms surrounding
 them from shore to shore,
 A more beautiful sight than
 many have seen,
 This wonderful Land of Evange-
 line.

The maple leaf with its golden
 hue
 Filtering about in the Autumn
 dew
 Teaching us faith that God is
 there
 Promising always His loving
 care.

OBITUARIES

Mrs. Howard Anderson

Mrs. Howard Anderson, aged 92, passed away at the Digby General Hospital here Saturday morning after a lengthy illness.

Mrs. Anderson who was the widow of Captain Howard Anderson, one of the pioneers in the fish processing business in this section of Nova Scotia, was throughout her lifetime noted for her community spirit.

She was one of the original members of the Ladies Aid Society of the Digby General Hospital and for many years was the guiding spirit of that organization. She was also a faithful and tireless worker in the Digby branch of the Red Cross Society and was one of the foremost suppliers of knitted articles for the servicemen during both world wars.

Her continued efforts for the Red Cross in the past few years despite her advanced age, made her the inspiration of many of the young members.

A member of the Digby Baptist Church, she was also a devoted church worker. She is survived by two daughters, Mrs. F. A. Bower, of Morristown, N. C., and Mrs. M. E. Harmer, of Inglewood, Calif.; a sister, Mrs. Edith Winchester, of Halifax, and a brother Loran, Adams, of Digby, also survive.

Her husband predeceased her 35 years ago and a son, Frank L. Anderson, a former mayor of Digby, passed away in 1953.

The funeral services were held from her home on Queen Street Monday afternoon at three p.m. The Rev. E. C. Churchill, pastor of the Digby Baptist Church, officiated and interment was in the Baptist cemetery here.

Mrs. Herbert Riley

Funeral services for Mrs. Herbert Riley, 49, were held from the Clementsvalle Baptist Church on Tuesday afternoon, the pastor, Rev. E. Robertson, officiating. Burial was in the village cemetery beside her first husband.

Mrs. Riley left home Saturday evening with her husband, motored to Digby where she visited the office of Dr. Lewis for a check-up. Minutes later she collapsed on the street, and was taken to the hospital where she died at 8 o'clock Sunday morning, May 9th, without regaining consciousness.

She was the former Catherine Amoro, daughter of Mrs. John T. Amoro and the late Mr. Amoro, Doucetteville. Her first marriage was to Roland Potter Clementsvalle, who, with two others, was drowned in Lake Mulgrave, October 4, 1944. Six years ago she married Herbert Riley of Beaconsfield.

Surviving in addition to her mother and husband, are eight children, Arnold, Cecil, Oscar, Alfred, Percy, Roland, Evangeline, Mrs. Gus Wamboldt, and Georgina, all of her first marriage and all living in Clementsvalle. There are also three grandchildren.

George B. Bain

The funeral service for George B. Bain was held from the family residence in Culloden, N. S., on Friday afternoon at 3 p.m., May 7th, and was conducted by Rev. D. S. Calkin, pastor of Waterloo Street Baptist Church, Saint John, N. B., assisted by Rev. E. C. Churchill.

Three favorite hymns were sung, "The Haven of Rest", "Nearer My God to Thee", "Let the Lower Lights be Burning".

The many beautiful floral tributes showed the high esteem in which the deceased was held.

The pall bearers were Arthur Robert and Joseph Hersey, For man Handspiker, Louie Campbell and W. Randal Lewis. Interment was at Culloden.

The Federal government's Old Age Security Fund can hardly be self-supporting despite taxes that were supposed to make it so, for in October, 1953, the Government decided to lend the fund \$2,262,000.

MARRIAGE

Elderkin — Trask

The Baptist Church of Little River was the scene of a very pretty wedding on the evening of May 13th, when Joan Carol, youngest daughter of Mr. and Mrs. Lee K. Trask, became the bride of Arthur Royce, only son of Mr. and Mrs. Eustace Elderkin, of Hantsport.

The wedding ceremony was performed by the pastor, Rev. Claude Olmstead, and took place under an arch trimmed with spring flowers and white bells. The bride, who was given in marriage by her father, was very lovely in a ballerina-length gown of Queen's blue nylon net over tulle, with white accessories. Her shoulder length veil was caught up in a beaded tiara and she wore a pearl necklace and earrings and carried an arm bouquet of sweetheart roses.

The bridesmaid, Miss Betty Lee, of Tiverton, wore pink frosted nylon with bandeau of white flowers and carried a bouquet of pink and white hyacinths and roses.

Clayton Denton, Jr., acted as best man and the ushers were Elfred A. Frost and Garfield Trask, brother of the bride.

The wedding march was played by Mrs. Harley Ingersoll, the church organist.

At the close of the ceremony Wallace Hodgson, of Digby, sang as a solo, "Because," accompanied at the organ by Mrs. Ingersoll.

Later in the evening a reception was held at the bride's home where about a hundred guests were present. There, a large collection of useful and beautiful gifts testified to the esteem in which the young couple are held.

The wedding cake was cut in the traditional manner and a delicious lunch was served.

Those who assisted in serving were Mrs. Ashton Thomas, Mrs. Nelson Kelley, Mrs. Clayton Denton, Mrs. Lyndon Collins, Mrs. Murray Lewis, Mrs. Clyde Denton, Mrs. Lindsay Raymond, Mrs. Euda Stephens, Miss Alma Kelley, Miss Mora Mac Cuskin, Mrs. Wallace Hodgson, Mrs. Garfield Trask and Miss Faye Trask.

The guest book was in charge of Miss Beulah Trask.

Among the out-of-town guests were Mr. and Mrs. Eustace Elderkin, Hantsport; Mr. and Mrs. Ashton Thomas and Mrs. Euda Stephens, Port Maitland; Miss Beulah Trask and Miss Mac Cuskin, Kentville; Mr. and Mrs. Lockhart Lawrence, South Maitland; Mr. and Mrs. Dean Tidd, Smith's Cove; Mr. and Mrs. Wallace Hodgson, Mrs. Emerson Graham, Mr. and Mrs. Martin Barnes, Mr. and Mrs. Phillip Robinson and Miss Clare Merritt, Digby; Dr. and Mrs. Rice, Sandy Cove and Mrs. Conrad Gidney, Mink Cove.

A shower was held in the bride's honor by the young ladies of the community, shortly before the wedding at which she was the recipient of many nice gifts.

After the reception the happy couple left for a motor trip through the province, the bride travelling in a dress of navy blue tulle with blue and natural checked tweed coat and white accessories, with a corsage of yellow and white mums.

On their return they will live in Little River.

Temperance Notes

Furnished by the Order of the Sons of Temperance

Alcohol is a disastrous, destructive force in the homes of millions and is constantly eating away at family life. In all too many cases, it has caused the breakdown of marriage; has seriously affected the emotions of children; has destroyed the body of men and women and ruined the minds of many mothers and fathers.

It is one of the main causes of divorce. In its wake, our children are abused, neglected, abandoned and brutally treated. Their little minds become disturbed, confused and distorted as they live and grow up in such unwholesome environments.

The figures and facts, as seen by the judges of children's and family courts, and by the judges of police courts throughout the nation, attest that intemperance is gnawing away and effectively destroying the fibre of a large segment of our social organization. Renewed strength is needed in combating this cancer upon social living. So, therefore, we must continue to be ever alert to the value of education among children and adults alike. Reduce and eliminate exposures by legislation, and fight against advertising of alcoholic beverages which has only one purpose and that is, psychologically to encourage and educate people to drink.

Yippee! DOUGHNUT TWISTS

Relaxed light and tender with new Active Dry Yeast!

There's a new twist in doughnuts — a new thrill in all your baking. Say goodbye to perishable yeast. Fleischmann's Active Dry Yeast keeps full strength until you use it — just active when you use it. Get a dozen packages — it keeps in your cupboard!

DOUGHNUT TWISTS

Scald $\frac{1}{2}$ c. milk, $\frac{1}{2}$ c. granulated sugar, $\frac{1}{2}$ tsp. salt and $\frac{1}{4}$ c. shortening, cool to lukewarm. Meanwhile, measure into a large bowl $\frac{1}{2}$ c. lukewarm water, 1 tsp. granulated sugar, stir until sugar is dissolved. Sprinkle with 1 envelope Fleischmann's Active Dry Yeast. Let stand 10 minutes, THEN stir well.

Add scalded milk mixture and stir in 2 well-beaten eggs and 1 tsp. vanilla. Stir in 2 c. once-sifted bread flour, beat until smooth. Work in 2½ c. (about) once-sifted bread flour, knead on lightly-floured board until smooth and elastic. Place in greased bowl and grease top of dough. Cover and set in a warm place, free from draught. Let rise until doubled in bulk. Punch down dough and roll out into a rectangle, $\frac{1}{2}$ " thick; loosen dough; roll again to $\frac{1}{4}$ " thickness. Cut into strips 7" long and $\frac{1}{4}$ " wide. Fold strips in half, twist, then pinch ends together. Arrange, well apart, on lightly-floured cookie sheets; grease tops. Cover and let rise until doubled in bulk. Carefully lift a few at a time, into shortening that has been heated to 350° — not enough to brown a whole day old bread in 60 seconds. When undersides are browned, turn and cook second sides. Carefully lift from fat and drain on absorbent paper. Coat with a mixture of fruit sugar and cinnamon or brush hot doughnuts with the following syrup. Heat, stirring until the sugar dissolves, 1 c. granulated sugar, $\frac{1}{2}$ c. water, simmer 3 mins. Then stir in 1 tsp. vanilla; keep hot over boiling water — it syrup becomes too sugary, stir in a little boiling water and heat to boiling point. Yield — 3 dozen doughnuts.

Note: Dough may be cut with an excruciating doughnut cutter; try the doughnuts and the "house".

Meeting Held Re Rural High School For Weymouth

On Thursday evening, May 13, a public meeting was held in the Community Theatre, Weymouth, with a capacity audience which gathered from this and surrounding districts to hear the Hon. Henry Hicks, Minister of Education for this province, speak on the subject of a Rural High School for Weymouth. On the platform with Mr. Hicks was Mr. Victor G. Cardozo, M.L.A., of Digby, and the committee appointed by rate-payers and the Board of Trade who were responsible for this meeting. These men were Albert Jones, Chairman; R. J. M. Taylor, President of the Board of Trade, and Isaac Melanson, Dr. A. Lawley and Hartley Powell. The speakers were welcomed by Mr. Jones who then introduced Mr. Cardozo. Mr. Cardozo, in reply, said he was pleased to be in Weymouth and at this meeting and said he felt that from the large gathering it indicated the interest of this district in the education of their children. He congratulated the Board of Trade for their interest in this work and he felt much thought had been given the matter at hand. He introduced the Hon. Henry Hicks, who was the main speaker of the evening.

Mr. Hicks spoke of the pleasure it gave him to be in Weymouth to engage in this general discussion, although he felt there was some danger in his presence here, giving the impression that more was committed than there was meant to be. He spoke of the previous meetings in 1949, held before he was Minister of Education, and said that until the year 1957 no commitments could be made, although he would like to help this area. It would be 1956 before he would have finished the commitments for Rural High Schools made before he took office.

In the preliminary plan, 25 school sections would go in with Weymouth, which would give enough pupils for a Rural High here, but in a recent survey made by Mr. Crowell, only 103 high school pupils were reported. This would mean a big expense to the tax payers as ten or twelve thousand dollars would be needed each year to maintain a Rural High, and the local school would have to be kept up as usual, making this added expense.

Among the questions asked were: What is the difference in a Rural High and a Consolidated School? Who accompanied Mr. Crowell on his recent survey? Does not the Minister feel that it is desirable that something be done for this part of the province? Are Consolidated Schools proving satisfactory?

R. J. M. Taylor expressed the thanks of the Board of Trade and of the village for Mr. Hicks' visit here and asked that a vote of thanks be extended him. It was the general opinion that the explanations given were fair and given so that all might understand the position here. Also that we should continue to work for a Rural High School in Weymouth.

In recent months your Department of Trade and Industry, through its field representatives and through these advertisements has been offering its services to secondary industries to help in the solution of their management problems. It is felt by the Department that use of its facilities can be of benefit, particularly to the manager of a small industry.

As an additional service your Department is now making available certain pamphlets entitled "Management Aids for Small Business," published for the use of manufacturers by the Small Business Administration of the United States Government. Your Department feels that information of this type could be of use to the management of Nova Scotia secondary industries. For comparatively young firms they may be especially useful. Older and well-established firms may find them of interest in that they can compare their own methods with the pamphlets' suggestions.

Made available last month were the following: "How the Small Plant Can Analyze Old and New Markets" and "Pitfalls in Estimating Your Manufacturing Costs." A third pamphlet is now ready for distribution entitled "Budgeting in the Small Plant." To obtain any of these, ask your Field Representative or write the Commercial Services Division, Department of Trade and Industry, Provincial Building, Halifax.

HEALTH MENACE OUR WORST PLAGUE

Americans are noted for their attentive concern over the public health.

They move with generosity and energy to reduce the incidence and halt the ravages of dread diseases like cancer, tuberculosis, malaria, diphtheria, and the legion of infections that cause disability or death.

Vast sums are invested in research, laboratories, clinics, and enforcement of hygienic measures.

There is, however, one disease of vast social and medical importance, shameful and squalid in itself, a destroyer of minds and bodies, a major factor in violence and death, which is being allowed to grow unchecked. This sickness and derangement is alcoholism which works in ruin far beyond the physical, mental and spiritual body of the drunkard.

The habitual excessive drinker afflicts and humiliates and often leads to destruction whole families, societies and classes.

Alcoholism, in fact, is the one disorder that qualifies as our worst threat to national sanity in modern times.

It is something that is either curbed, quickly and drastically, or something that will in time, vitiate the vigorous stream of American life and lead it into the same morass where rest the glory and grandeur of other civilizations which succumbed, first to internal vice, and then to external enemies.

OBITUARIES

Lowry W. Carson

Friends in Digby and vicinity were shocked Wednesday to hear of the death in Saint John of Lowry W. Carson, former assistant accountant at the Bank of Nova Scotia here.

Mr. Carson, although in poor health since his discharge from the services following World War II, had been employed in the Supervisory office of the Bank in Saint John for some time, and his death was unexpected.

He leaves to mourn his passing his wife, the former Margaret C. Currie of Saint John, three children, Susan, Terry and Sally, and his mother, Mrs. W. L. Carson, of Saint John. Also surviving are a brother, Jack Carson, McAdam Junction, and two sisters, Mrs. Kaye McLeod and Mrs. Mary McLeod, Saint John. A funeral service will be held this evening in Saint John. It remains will then be brought to Digby where a funeral service will be held in Grace United Church Friday afternoon at 1:30. Rev. Dr. T. W. Hodgson will officiate and interment will be in Fairview cemetery.

Coleman S. Powell

The community of Central Grove was saddened on Tuesday afternoon, May 18th, by the death of Coleman Sanford Powell, a highly respected citizen and life-long resident of that place. He was in his 87th year, having been born on August 13th, 1867.

He was a charter member of Central Grove Baptist Church and served as deacon there for fifty years. He was Postmaster for over thirty years, having retired from that office in 1948.

He was the son of the late Mr. and Mrs. William A. Powell.

He leaves to mourn his loss one daughter, Mrs. Harold Thompson of Shrewsbury, Mass., his wife and two daughters having predeceased him in 1933.

Funeral services were conducted from the Central Grove Baptist Church on Thursday afternoon, May 19th, with Rev. Eric Miner officiating.

Mrs. Mary Jane McLeod

The village of Acadiaville, N. S., lost a well known figure in the person of Mrs. Mary Jane McLeod, who passed away peacefully in her 88th year, after suffering a short and painful illness at the Digby General Hospital, May 15th.

Born in Delaps Cove the daughter of the late Harry and Lucy Jackson, she moved to Acadiaville with her family where she made her home ever since. Her husband, a daughter, Edith, and a granddaughter, Ella, predeceased her several years ago.

In spite of her 88 years she was very active and alert. She was blessed with a keen mind, a strong body, and great talents, and the causes she undertook were many. All her life she was highly respected, and many a man and woman can look back on the solid instructions she gave.

Incessant and important as her good works were, however, it was her strong character, keen mind, healthy sense of humour and outstanding personality that will be remembered most.

She is survived by her son-in-law, Mr. Fred Guy, four granddaughters, Mary, (Mrs. Bradford Barton), Marjorie, (Mrs. Reginald Cromwell) and Pauline Guy, all of Acadiaville; Gladys, (Mrs. Crosby Irvine) Saint John, N. B., and 15 great-grandchildren.

The funeral services were held from the Acadiaville African Baptist Church, Saturday afternoon, May 15, conducted by her minister, Rev. M. L. Anderson. The filial piety and the beautiful floral tributes bore silent testimony to the esteem in which she was held. The choir led in the singing of the hymns "Rock of Ages," "Abide With Me" and "Safe In The Arms of Jesus."

The pall bearers were Gerald Barton, Wilbert Barton, Victor Francis and Ryland Walton. Interment was in the family lot the cemetery in Conway cemetery.

Speaks To W.M.S. Group

A most interesting and informative talk was given the Women's Missionary Society members at the District meeting held in Sandy Cove on May 11, by Miss Melita Vye, Field Worker for the U. B. W. M. U. and guest speaker for the women's meeting.

The meeting was presided over by Mrs. Euella Andrews, District President, with hymn, responsive reading, prayer by Mrs. J. Murley, welcome to the delegates by Mrs. Austin Denison and reply given by Mrs. Hugh Vincent.

The minutes of the last meeting were read and approved and the devotional service was given by Mrs. C. T. Olmstead, on the theme "Thoughts on Prayer." During the service a solo "He Will Answer Prayer" was beautifully rendered by Mrs. Mitchell and after the close of this part of the service a group of young girls sang "Soldiers of the Cross" very charmingly.

Reports of the Country Societies showed many encouraging trends and much faithfulness to the Master's cause.

In her address Miss Vye told of her many and varied activities, the organization of W.M.S. on many fields, the call to pastoral fields where she held services, the response of many widely separated communities and their interest in the gospel although their standard of living was sometimes low, and her work among the children and young people. These were all spoke of in an unforgettable manner.

She touched briefly on her work in summer camps and the Sanatoriums, at the Preston (colored) Home and the Coverdale Home for Girls, also mentioning various incidents of her visits to the port of Halifax.

The audience listened with rapt attention to her vivid description of her work and she concluded with the reminder that if our outreach is to accomplish much in the Master's service, we must allow Him to use us as He wills. He must go in and through us if He goes at all.

The President expressed appreciation of the inspiring address and the meeting closed with a hymn and benediction by Rev. Miller, of Smith's Cove, after which all enjoyed a delightful supper at the Community Hall, served by the ladies, and a heart-warming fellowship hour.

Rossway H. & S. Meets

The Rossway Home and School Association met for their regular monthly meeting in the school house with eight members and one visitor present. Empire Day, falling within the month of May, "O Canada" was chosen for the opening.

During the business it was decided that the association would take Melbourne Prime to convey the Home & School delegates and any others who wish to attend the County Council at Barton Friday afternoon and evening. It was announced that the sum of \$13.50 had been raised at the rummage sale held previous to the meeting. Ballots were distributed to be filled in with officers of their choice and these are to be passed in at the annual meeting in June when the new officers will be voted into office.

Mrs. Hugh Robbins, program convener, conducted a "buzz session" which took the form of the hymns "Rock of Ages," "Abide With Me" and "Safe In The Arms of Jesus."

The pall bearers were Gerald Barton, Wilbert Barton, Victor Francis and Ryland Walton. Interment was in the family lot the cemetery in Conway cemetery.

Hear Digby Psychiatrist

"Mental Health and Employee Morale" was the subject for a talk given to the Yarmouth Rotary Club Tuesday by Dr. W. Longaker, Digby psychiatrist.

The address was a part of the program for Mental Health Week as arranged by the Yarmouth Branch of the Mental Health Association. Dr. Longaker was introduced by L. M. Mushkat, president of the Yarmouth Mental Health Association, who pointed out the outstanding qualifications in psychiatry of the guest speaker, who is a native of Philadelphia.

Dr. Longaker said that mental health was something like the winter, particularly during Mental Health Week when a lot of people would be talking about it but not many would do anything for it. He said this was easy to understand because the problem was one of personal suffering and another reason was that very few people knew what could be done. Only a small minority, he said, knew about the various treatments which could be of immense help in alleviating one's personal problems. In order to conquer this problem he said that everyone must help.

discussing past achievements and future aims. Mrs. Thurston Banks, social convener, also had an interesting and pleasant quiz. Mrs. John McBride and Mrs. Dorothy Porter were the refreshment hostesses for the evening and served tea and sandwiches.

PRAYER

O God who art from everlasting to everlasting, the Creator and Upholder of all things, the Source of love and light, Thy ways are not our ways, nor Thy thoughts as our thoughts. Thy wisdom is unsearchable, reaching from one end of the world to the other. In the wonder of Thy creation, Thou hast shown us something of Thyself; and for Thy wisdom, majesty and beauty revealed therein, we would praise and worship Thee.

Help us, Heavenly Father, to discern even more clearly Thy abundant goodness to us, and as Thou hast made us rich in blessings, make us also rich in gratitude. We thank Thee, for our friends and for all that friendship has meant to us, and that we may think of ourselves as friends of Jesus Christ. Wilt Thou help us also to understand what high obligation such friendship lays upon us?

Make us, Thy servants, O God, to be set on fire with Thy Spirit, illuminated by Thy splendour, and filled with Thy grace, that there may be in us simple affection, brave patience, persevering obedience, purity of mind and spiritual strength through Jesus Christ, Amen.

Adm. W. R. Molloy in War Cry.

An act of goodness is of itself an act of happiness. No reward coming after the event can compare with the sweet reward that went with it. — Maurice Maeterlinck

Is 91 Years Old

On May 24th a host of friends joined in extending birthday greetings to Wilbur Denton, of Little River.

Mr. Denton, who is 91 years of age, has been a life long resident of that community and is one of their oldest and most respected citizens. He resides with his daughter, Mrs. Reginald Trask, and Mr. Trask.

Although he has been more or less confined to his home for the last few years, his mind is still keen, his eyesight and hearing unimpaired.

A unique record in the fishing industry was set by Mr. Denton and Mr. Burpee Frost, now deceased, who worked as partners for over 50 years.

The cards and gifts which Mr. Denton received are evidence of the respect of his many friends.

Finds Weather Cold

Mrs. Gurner Brown and two children, who spent several months with Mrs. Brown's parents, Mr. and Mrs. Harry Turnbull, have arrived at their new abode at Cold Lake, Alberta. Mrs. Brown stated in a letter received by her parents here shortly after their arrival at Cold Lake, that the temperature was still down to zero. Daylight begins at 4:00 a.m., she said, and soon there will only be two hours darkness.

In order to do a bit of fishing since their arrival in Cold Lake, Mr. Brown had to cut through two feet of ice.

Despite the cold temperatures, the Browns are enjoying Cold Lake very much.

Scholarship

Mr. Murray Frazer, son of Mr. and Mrs. Sandy Frazer, Halifax, was awarded a scholarship which will support his scientific studies for a Ph.D. at Cambridge, England. He received his M.Sc. in Physiology at Dalhousie's Convocation and was awarded an 1881 Exhibition Scholarship.

Mr. Frazer attended Yarmouth Academy and Queen Elizabeth High School. He entered Dalhousie with a Morton A. Hoinish Memorial Scholarship in 1948. He received a B.A. with honors in Chemistry in 1952 and was awarded the John Hamilton Barrett Prize for exceptional ability in fourth year Science. He carried out Post Graduate work in Physiology under Dr. Gordon Kaplan.

Mr. Frazer is well known in Westport which was the former home of his mother and where he has visited his grandmother each summer.

Hold Successful

Rally

Mrs. J. L. Robichaud presided over the Annual Rally of Women's Institute of Nova Scotia, held last Wednesday at the parish hall in Meteghan, where 52 delegates registered. Following the opening of "O Canada" and flag salute, a warm and impressive address of welcome was given by Mr. R. A. LeBlanc, agricultural representative for the district.

After hearing reports from various institutes, the Bear River Institute members then entertained with a short but amusing playette.

The superintendent in her address said that the rallies are the busiest and most interesting meetings of the Institute year, and also of the interest taken by members all over Nova Scotia in the Handcraft project—a summer outfit for a six-year-old girl, which will be eligible for Tweedsmuir Cup competitions for 1953-55. Those two displayed at the rally by Meteghan River-Saulnierville Institute, and one by Meteghan Institute, both were chosen to be sent to convention in the fall.

The guest speaker was Dr. Julius Comeau, dentist, who gave an interesting talk on dental care, followed by a discussion.

Meteghan River gave a quiz which was instructive and amusing.

The Provincial President's address was read by Miss Laura d'Entremont, secretary. She expressed regret on being unable to attend personally. She also spoke of "International Co-operation," the rally theme. "If we are to have International Co-operation," she said, "we must start in our homes which will then spread to our group and our community."

The business was then followed by recreation. A cake, marking the 26th anniversary of the Meteghan Institute, was cut by Mrs. Arthur Robichaud, who was first president twenty-six years ago. Tea was poured by Mrs. Desiré Comeau, branch president, and Mrs. Hilarion Theriault.

The following slate of officers was nominated:

Past Pres., Mrs. J. L. Robichaud, Meteghan.

Pres., Mrs. Woodgate, Bear River.

Vice-Pres., Mrs. Kaiser, Meteghan.

Sec'y-Treas., Mrs. Gordon Landers, Smith's Cove.

Directors, Miss Laura d'Entremont, Meteghan River; Mrs. J. L. Robichaud, Meteghan.

Twenty-six years of success in Digby Co. Women's Institute is due to Mr. and Mrs. R. A. LeBlanc, Meteghan.

H. & S. HOLDS SPRING COUNCIL MEETING

One of the most successful Digby County Council Meetings of the Home and School was held at Barton on Friday with Mrs. Owen Irving, Sandy Cove, presiding.

Guest speaker at the afternoon session was Dr. Mortimer Marshall, formerly of Yarmouth and now Head of the Education Department at Acadia University, Wolfville. He took as his subject "Education in Schools of 1954" and made comparisons in the life and education of the people of Nova Scotia forty years ago with that of the present day. He stated that the school should deal with the whole child, the physical, intellectual and emotional, and that school work should be related to life, contributing to it so that it can be lived better. He said children differ widely in their abilities and have many different human abilities, all of which are worth cultivating.

Officers elected for 1954-55 at the afternoon business session were:

President, Mrs. Owen Irving, Sandy Cove.

1st Vice-President, Mrs. Waters Comeau, Rossyway.

2nd Vice-President, Victor MacNeil, Weymouth.

3rd Vice-President, Mrs. J. Vian Andrews, North Range.

Recording Secretary, Mrs. Frank Ross, Culloden.

Corresponding Secretary, Mrs. Elmer Lewis, Sandy Cove.

Treasurer, Mrs. Ernest Powell, Freeport.

The following committees were named:

Music, Rev. E. C. Churchill.

Guidance, Mrs. Eva Wendell.

Executive, Melbourne Prime.

Mrs. Merle Mullen, Weymouth North; Mrs. Dan Hankinson, Weymouth; Bernard Manzer, Barton.

Baden Powell, Plympton, was named Council convener of a drama contest sponsored by the N. S. H. & S. confederation.

Mrs. Eva Wendell was named delegate to the Home and School Federation which convenes in Antigonish on July 7 and 8.

The Council was entertained by Barton-Brighton and North Range Home and School Associations and delegates and guests were given a warm welcome by Mrs. J. Vian Andrews, responded to by Mrs. J. M. Wallis.

Reports from the various associations within the Council revealed many active organizations which are accomplishing much.

Thanks to the speakers of the day and to the hostesses who were extended by Alain Doucette and Lawrence Hersey, Weymouth, respectively.

An art exhibit of entrants from the County Schools was arranged by Mr. Charles Melanson, Gilbert's Cove. First prize was attained by Jim Purvis, Smith's Cove, in the primary group and by Lois Height, North Range, in the older groups.

Return Not Guilty

Verdict In

Manslaughter Case

The petit jury here yesterday morning brought in a verdict of "not guilty" in the manslaughter charge against Auguste Louis Doucette of Saulnierville.

The charge arose out of the death of Delia Comeau, of Meteghan Station, on December 15th last.

Giving evidence for the Crown in the case against Doucette were Dr. Robert Belliveau, of Meteghan; Albert Theriault, of Saulnierville; Gerard d'Entremont, of Meteghan Station, and Constables Babin and Gibbs of the R. C. M. P. Only witness called by the defence was the accused.

The Crown witnesses gave evidence of the search for Comeau and the finding of his body on the night of December 15th. Dr. Belliveau gave medical evidence as to the cause of death and told of an autopsy at which buckshot were removed from the body.

Police officers told of their efforts to seek out the person responsible for the shooting and of the statement given them by the accused. They also stated the accused had gone with them to the scene of the accident and had operated in providing evidence and details concerning the accident.

The accused in his evidence traced the events of the day and told of the circumstances surrounding the shooting. He stated he had no knowledge of the presence of any other person in the woods where he was at the time he shot at what he took to be a rabbit. He stated the woods were very thick in the area where he was hunting and his testimony was corroborated by that of the police in this regard. He also told of his panic after he realized he had shot someone and of his later statement to the police.

DIGBY DANCE RECITAL

SUCCESSFUL AFFAIR

A more than capacity audience thronged the auditorium of the Digby Regional High School last Wednesday evening for the annual dance recital presented by the pupils of Mrs. Frances Peters. The recital this year was sponsored by the Digby Kiwanis Club and the Kwanian Queens sold home-made candy during the intermission.

The evening's program was excellent throughout but several numbers really caught the imagination of the audience. One of these was a number in the Calendar Suite depicting June. In this number all the well known personalities of Dogpatch took part. Nancy Sanford starred as Mammy Yokum with Marguerite Dolron as turnip eating Pappy Yokum. Evelyn O'Neill was the winsomely beautiful Daisy Mar persisting in her unsuccessful efforts to woo L'il Abner, portrayed by Linda Ellis.

The evening's program opened with a drill by the tiny members of the cast. Taking part in this were Valerie Holdsworth, Gloria Baxter, Elizabeth Peters, Cecile Dolron, Marilyn Patterson, Gail Hersey and Pamela Wright. This was followed by an attractive number "School Days".

Taking part in this were Donna Hersey, Julianna Turnbull, Faye Hawkins, Heather Murley, Lorraine Patterson, Betty McGinnis, Valerie Holdsworth, Bernice VanTassel and Mae-Ling Chan.

One of the most beautiful numbers on the first half of the program was the waltz ballet by Carolyn Peters, Julie Peters, Julie Smith and Patsy Potter. The performance of these girls was faultlessly graceful. This number was followed by a song by Larry Muise who received several encores on his performance.

A sprightly tap dance, "Goo-fus", followed. Those who took part in this were Evelyn O'Neill, Nancy Sanford, Linda Ellis, Karen Barnes, Marguerite Dolron, Margie Black, Ruth Atkinson and Julia Smith. The excellence of the performance was demonstrated by the fact almost every number received insistent calls for encores.

A surprise part of the program was the solo ballet dance by Donna Logan, who with her parents has recently moved to Smith's Cove. This dance was gracefully executed and showed flawless style. It is understood

that the dance was choreographed by her mother, Mrs. Logan.

The second half of the program was a calendar suite with each of the numbers representing an important event in each month of the year. Opening this portion of the program was the Valentine Dance. No reference was made to the New Year because of the unavoidable absence of the little fellow.

In the Valentine Dance the cupids were Heather Murley and Lorraine Patterson. Taking the ballet portion were Patsy Potter and Carolyn Peters. St. Patrick's Day in March came next with Evelyn O'Neill, Nancy Sanford, Linda Ellis, Karen Barnes, Marguerite Dolron, Margie Black, Ruth Atkinson and Julia Smith.

The Easter Parade which followed, Glenna Wambach, June Hawkins, Patty Purdy, Faye Thurber, Sheila Robbins, Carol Robbins, Carolyn McCleave and Jean Trask took the part of the belles of the ball in all their Easter finery. A beautiful Mother's Day song was presented by Pat Wilson in a very charming fashion.

The Dogpatch number followed and this was followed by a macabre dance by two skeletons, Carolyn McCleave and Jean Trask, to mark the advent of Halloween. The closing number brought winter back again, with Glenna Wambach and June Hawkins as Suzy Snowflakes and Elizabeth Peters and Faye Winchester as the almost mechanical snowmen.

Master of Ceremonies for the occasion was Art Stone. Just before the close of the program a beautiful bouquet of roses was presented to Mrs. Frances Peters by Gordon Turnbull, President of the Kiwanis Club. Mr. Turnbull expressed the thanks of the Club to Mrs. Peters for her splendid efforts in directing and presenting the recital and also thanked all those who took part or assisted in any way in the production.

MARRIAGES

Bent — LeBlanc

A very pretty wedding of wide spread interest took place at St. Thomas' Church, Annapolis Royal, on Monday morning, May 17, at nine o'clock, when Odille Edith Mary LeBlanc, daughter of Mr. and Mrs. William LeBlanc,

of St. Alphonse, was united in marriage with Maurice Arnold Bent, son of Mr. and Mrs. G. Arnold Bent, of Granville Centre.

The double ring ceremony was performed by Rev. Father P. E. Mills, O.M.I., in the presence of relatives and friends of the bride-

couple.

The bride was very charming in her floor-length wedding gown of white nylon net over taffeta, fashioned with fitted bodice and full flowing skirt. A row of tiny buttons fastened the bodice from the waist to neckline in front. The sleeves were short and she wore long white gloves. Her long wedding veil of

misty illusion net fell gracefully from a coronet of orange blossoms. She carried a very beautiful bouquet of American beauty roses.

The bride's sister, Mrs. Peter Saulnier, of Saulnierville, was matron of honor, dressed in a floor-length gown of pink tulle net with lace bolero. She wore a matching headdress and carried a nosegay of roses and carnations.

Peter Saulnier attended the groom. The bride's mother, Mrs. LeBlanc, wore a blue suit with corresponding accessories and a corsage of pink carnations and white sweet peas.

Mrs. Bent, mother of the groom, was dressed in a flowered nylon dress with navy accessories and corsage of carnations and sweet peas.

A reception was held at the home of the bride's sister, Mrs. P. Saulnier, at Saulnierville, at 2 p.m., which was attended by a number of relatives and guests. Later the bride and groom left for a wedding trip to Sherbrooke, Que. For travelling the bride wore a two piece suit of blue with pink accessories.

Mr. and Mrs. Bent will reside at Granville Centre.

Vroom — Dittmars

At St. Matthew's Church, Deep Brook, on Saturday morning, May 22, marriage vows were exchanged by Pauline Joyce Dittmars and Jack Roscoe Vroom with the rector, Rev. W. R. Anthony, celebrating the Nuptial

Eucharist. The bride is the daughter of Mr. and Mrs. Frank H. Dittmars, and the groom is the only son of Mr. and Mrs. Harry H. Vroom. For her wedding the bride chose a gown of white brocade taffeta, ballerina length, sweet-heart neckline with yoke of net and long pointed sleeves, finger-tip veil with matching flower-trimmed bandeau, and she carried an arm bouquet of American Beauty roses. Lohengrin's march was played by Mrs. Elmer Porter as the bride entered the church with her father, who gave his daughter in marriage.

Miss Marlene Dittmars, niece of the groom as bridesmaid, wore a pink taffeta dress bolero style, with overskirt of studied net. Her bouquet was of Tallmarn roses. The bride's little flower girl, powered in sky-blue taffeta with overskirt of matching net. She carried a nosegay of carnations and sweet peas. Both attendants wore flower bandeaus. Groomsman was Guy Adams. Luke Vroom and W. H. Spurr acted as ushers. During the signing of the register the hymn "O Perfect Love" was sung by the congregation.

The bride's mother wore an afternoon dress of navy nylon sheer, white accessories and corsage of carnations, while the groom's mother wore an afternoon dress of powder blue, and white accessories. Her corsage was also of carnations.

Following the ceremony a reception was held at Chez Leo's with Mrs. Seymour Raymond and the Misses Ruth Morehouse, Anna Buckler and Jean Lewis in charge of serving. Padre J. H. Godfrey, Chaplain, H. M. C. S. Cornwallis, proposed the toast.

The young couple will spend part of their honeymoon motor ing through the province, and later will return to Deep Brook to reside.

For travelling the bride wore a navy suit with white accessories and topcoat of light blue.

The bride is secretary to the Chaplains at H. M. C. S. Cornwallis, and the groom is with the Motor Transport.

Test it your way!

TEST IT FOR LOOKS

If you like sleek styling, you'll like Plymouth. It's lower than most cars in its field... over 3" longer than ever before. Inside, its two-tone fabrics and fine appointments rival those of expensive cars.

TEST ITS BIG-CAR RIDE

Self-adjusting Oriflow shock absorbers and big, tapered-leaf springs help deliver a truly balanced ride. Try a Plymouth over the bumpiest road you know.

TEST ITS COMFORT AND VISIBILITY

Relax on Plymouth's soft, wide seats. They are chair-high so you enjoy better down-front visibility through the big, one-piece curved windshield. And see how much extra headroom and legroom there is.

TEST ITS "GO" AND HANDLING EASE

Pick a really steep hill to check Plymouth's lively, high-compression engine and reserve power. Then see how you can park with one hand with reliable Full-Time Power Steering, available at moderate extra cost.

TEST ITS SAFETY FEATURES

Try the electric windshield wipers that never stall or slow down. Ask about such added safety features as Safety-Rim wheels that hold tires securely in case of a blowout. These items are of special interest during May, which is Safety Month.

TEST IT FOR EXTRA VALUE

In Plymouth you get many quality "extras" ... things like the oil-bath air cleaner and Oilite fuel filter. Ask about them. You'll see why "it's PLYMOUTH for VALUE."

Learn why the beautiful

PLYMOUTH

is Canada's BIG-VALUE buy!

Brush dough with melted butter or margarine and cut into strips 1 1/2 inches wide. Place 7 strips one upon the other and roll into 14-inch length. Place each piece, a cut side up, in a greased muffin pan; separate the slices a little at the top. Cover and let rise until doubled in bulk. Bake in a hot oven, 400°, about 12 minutes. Makes 6 rolls.

UNCLE ED SOAP

A Scotchman who owned a store put a sign in his window "Coal hanger and cigar lighter given away with each purchase." The people swarmed into his store and each received a nail and a match!

Well, that's one way to get customers. Another way is to give them something more valuable than nails or matches — courteous service, good materials at reasonable prices, easy payment terms. All these are available to anyone going to Hicks' for building supplies.

Delegates attending the 29th annual convention of Kiwanis International at Miami, Florida, elected a prominent manufacturer from Spokane, Washington, to head the organization in the year ahead.

Officers of the Kiwanis Club of Digby were informed today that Don E. Engdahl, president of the Spokane Sash and Door Company, would succeed Donald T. Forsythe, of Carthage, Illinois, as president of Kiwanis International, which is now comprised of more than 3,800 clubs throughout the United States, Canada, Alaska, Hawaii, and the Yukon Territory.

President-Elect Engdahl won the Spokane Junior Chamber of Commerce Award for the city's most outstanding citizen, under 35 in 1944. The following year, he was chairman of a committee which secured a \$3,000,000 school bond appropriation. He now is a member of the Chamber of Commerce as well as many other civic and philanthropic organizations. Mr. Engdahl is a graduate of Syracuse University, where he majored in business administration.

A Kiwanian since 1933, Mr. Engdahl has served as club president, lieutenant-governor, governor of the Pacific Northwest District, a member of the International Committee on Business Standards, and chairman of the International Committee on New Club Building for the United States. Last year he was treasurer of Kiwanis International. Preceding his office as treasurer, he served as a trustee for two two-year terms from 1949 to 1953.

Delegates to the Miami convention, which drew an adult attendance exceeding 10,000 men and women from all sections of Canada and the United States, also elected two vice-presidents, a treasurer, and six trustees.

Vice-presidents are Jackson A. Raney, Indianapolis, Indiana, and Ewart G. MacPherson, Winnipeg, Manitoba. R. Warren Graffam, of Pittsburgh, Pennsylvania, was elected treasurer.

Trustees elected for two years include Kenneth Lohred, Toronto, Ontario; Joseph Tally, Jr., Fayetteville, South Carolina; J. R. Witthuhn, Milwaukee, Wisconsin; David Doner, Brookings, South Dakota; H. Park Arnold, Glendale, California; and H. W. Driver, Cleveland, Ohio. The latter two men are re-elected trustees.

At the Forum the Queen was introduced to the gathering by Seymour Gordon, Master of Ceremonies for the tour. In her address to the people the Queen paid high tribute to the Digby Princess and said Miss Watkins had represented Digby at the Festival in a most outstanding manner.

The Queen also congratulated Digby on the excellence of their float in the Festival Parade and stated it had drawn a great deal of attention in the parade as well as winning first prize as the most original float in the parade.

An official welcome to the Queen and her party was extended by His Worship Mayor Guy E. Morehouse and by Victor Cardozo, M.L.A., for Digby. C. W. Severely Injured In Truck-Car Collision

Gordon Baxter, meter reader for the Town of Digby, received severe head, facial and body injuries early Saturday morning when his car was involved in a collision with a log laden truck reportedly driven by Arnold Jarvis, an employee of the lumber firm of H. T. Warne Ltd.

The accident occurred shortly after seven o'clock Saturday morning at the intersection of Queen and Warwick Streets at the south end of the town. Both vehicles were proceeding east on Warwick Street.

While it is not known how the accident actually occurred it is understood the Baxter car struck the rear of the truck. Baxter was in some manner, thrown from the car after the impact, landing on the pavement near the west side of Queen Street.

The heavy log smashed through the right front windshield of the Baxter car following a great deal of damage. Following the crash the car carried on across the intersection, coming to rest against a guy wire on the east side of Queen Street.

The load of logs was strewn over the intersection following the crash.

Neighbors who heard the crash summoned medical aid and the unconscious Baxter was rushed to the Digby General Hospital. It was found there he had suffered two skull fractures, a broken jaw, broken rib and other injuries. Later Saturday night the injured man was taken by ambulance to the Victoria General Hospital in Halifax where reports are that his condition is "satisfactory".

After the play, the Queen and her party left for RCAF Station Greenwood where they attended a dance.

Fishermen Find Strange Skull

Scallop fishermen aboard the dragger owned by Captain Elwood Oliver last week dragged up in the Bay of Fundy in their scallop drags a strange skull which so far has had local people completely puzzled as to its identity or nature.

The skull, which is well preserved, does not seem to be that of a fish but a portion of what appears to be vertebrae which is attached to it is solid like that of a fish.

Flat in shape and more than twelve inches in length, the skull seems to be the top portion of what might have been a whole head. It has definite nasal holes which continue through to what would be the throat. There is also a high ridge of bone to above the centre of the nose holes.

Two eye sockets are located one on either side of this nasal ridge and the skull then flanges out on either side toward the rear to a thin edge. Holes are located in this thin edge but these may have been worn through by action of the water.

The lower edge of the skull, or what might be considered the upper lip section, is very thick and two heavy sections of bone occur in this that could be the base of teeth or tusks. They are a part of the skull formation however.

In actual fact the skull appears like that of some animal with a broad flat head and yet with a sharply defined nasal ridge running back almost the full width of the top of the skull.

It is understood the skull will be sent to Dalhousie University for possible identification.

Addresses Teachers

The teachers of Oakdene School were host to some hundred members and friends of the Nova Scotia Teacher's Union of Annapolis County West on Friday evening. After a brief business meeting in the auditorium of Oakdene School, they moved to the I.O.O.F. Hall for a chicken dinner, under the caterership of the Ladies' Aid of the United Church.

Rev. R. R. Winchester asked the blessing and after the delicious dinner a toast to the Queen was proposed by President Norman Ferguson and responded to by the singing of the National Anthem. Miss Roehling proposed the toast to the teachers and the response was made by Miss Donald Fraser, of Bridgetown Regional High School.

Inspector C. E. Edwards introduced Hon. Henry Hicks, Minister of Education, who was the guest speaker for the evening. Mr. Hicks mentioned the work of his department and the better methods for teacher training which will be announced in the near future.

In thanking Mr. Hicks, President Norman Ferguson spoke on the work accomplished by the teacher's union and assured Mr. Hicks that the union would be glad to co-operate with the Department of Education in all matters that tended to the improvement of the educational system of Nova Scotia.

After the address the teachers returned to the Oakdene School where the remainder of their business was completed and then a social hour was spent in square dancing and the evening's program was brought to close by a sing-song with Mrs. Lent at the piano.

SOUR CREAM BUNS

It's such a thrill to make new yeast treats with Fleischmann's Active Dry Yeast. Keeps full strength, fast-acting without refrigeration. Get a month's supply.

SOUR CREAM BUNS

Sift 1 1/2 c. milk, 1/2 c. granulated sugar, 2 tps. salt and 1/4 c. butter or margarine; cool to lukewarm. Meanwhile, measure into a large bowl 1/2 c. lukewarm water, 1 tsp. granulated sugar; stir until sugar is dissolved. Sprinkle with 1 envelope Fleischmann's Active Dry Yeast. Let stand 10 minutes. THEN stir well.

Sieve 1/2 c. cold mashed potato and mix in 2 unbeaten egg yolks and 1/2 c. thick sour cream; stir into yeast mixture and stir in lukewarm milk mixture. Stir in 3/4 c. one-cupped bread flour; beat until smooth. Work in 3 c. (about) one-cupped bread flour to make a soft dough; grease top. Cover and set in a warm place, free from draught.

Let rise until doubled in bulk. Punch down dough, grease top, cover and again let rise until doubled in bulk. Punch down dough and turn out on lightly-floured board; roll to 1/2" thickness and cut into 3 1/2" rounds and place, well apart, on greased cookie sheets. Using a floured thumb, make a deep depression in the centre of each bun. Brush rounds of dough with mixture of 1 slightly-beaten egg white and 1 tbs. water; sprinkle generously with granulated sugar. Cover and let rise until doubled in bulk. Deepen depressions in buns and fill with thick raspberry jam. Bake in hot oven, 425°, about 15 minutes. Yield—3 dozen large buns.

"YOU BETTER NOT DO THAT!"

If you want only one quart of paint to do a job you had better not buy KYANIZE products because one quart of LIFEKOTE SCRUBABLE FLAT will go as far as two quarts of any other brand of paint. This means that you will have too much paint for the job and would have paint left over. We lose money on KYANIZE too because no one falls short on a job and has to come back for a second quart to finish. Not having a rubber base it is not affected by the sun's rays and will not "Alligator". The LUSTAQUIK ENAMEL WHITE is guaranteed not to turn yellow year in and year out, as she would not be able to find any excuse for painting the kitchen or bedroom come spring. What would she tell hubby: You just cannot find a drab look to any room when once you use any of the KYANIZE PAINTS — VARNISHES — or ENAMELS — "SO" — You better not buy KYANIZE "UNLESS" you give up your spring painting.

You can't go ALL-OUT

If you feel ALL-IN

These days most people work under pressure, worry more, sleep less. This strain on body and brain makes physical fitness easier to lose—harder to regain. Today's tense living, lowered resistance, overwork, worry—any of these may affect normal kidney action. When kidneys get out of order, excess acids and wastes remain in the system. Then backache, disturbed rest, that "tired-out" heavy-headed feeling often follow. That's the time to take Dodd's Kidney Pills. Dodd's stimulate the kidneys to normal action. Then you feel better—sleep better—work better. Ask for Dodd's Kidney Pills at any drug counter.

NOVA SCOTIA COAL - THE THRIFTY FUEL

YOUR Future Security demands that YOU use Nova Scotia Coal

Modern Coal Washing and Cleaning Plant at Old Sydney Collieries

Are you aware that the coal mining industry is the most important industry in Nova Scotia, because:

1. It employs more people than any other industry.
2. It pays annually for wages, salaries and supplies more money than any other industry.
3. It contributes more directly and indirectly to municipal and provincial revenues than any other industry.
4. Without it Nova Scotia would have no steel industry—the second largest industrial activity in the Province.

Do you realize to what extent the continued successful operation of Nova Scotia's coal mining industry insures your future security?

The product of this industry is the only fuel available to you, of which you can be sure of continuous supply.

The competition of other fuels from sources outside the Province threatens the existence of Nova Scotia's coal industry.

As a matter of duty and of self-interest every Nova Scotian should support the coal-mining industry of the Province to the utmost of his ability.

This means that every house and all commercial premises in Nova Scotia must be heated with Nova Scotia coal. Otherwise, the industry cannot be maintained.

Failing consumers to use their outputs, the production of our collieries must be curtailed, some must be closed never to reopen.

The fate of individuals now employed in the coal mines, of the communities in which they live, and of those who are dependent on them, depends in part on you. You must use Nova Scotia coal; and you should do so, because:

1. You fulfil a duty which you owe to your neighbour and yourself.
2. Nova Scotia coal gives you more heat for your money than any other fuel.
3. By using it you can have continuous heat with no wide variations of temperature.
4. With proper equipment, its use presents no greater inconvenience than that of any other fuel.
5. It is clean.
6. It is odorless.
7. It is safe.

Efficient coal-burning appliances are available today. Engineering advice will be given freely to you to assist you in making a choice of such appliances. DOSCO Stoker Coal, washed and dustless, will be available in abundant supply next heating season.

Give your family the comfort of heat from Nova Scotia Coal. Use the thrifty fuel, and support home industry.

Asphalt shingles are the last in the line of shingles you can buy.

They are built to endure, season after season, through all the extremes of our climate — and to resist fire, too.

They're quickly, cheaply applied — whether for re-roofing or new building — there's no expense for paint.

PLAN PROPERTY SALES FOR TAX ARREARS

It was decided at Monday night's meeting necessary action would be immediately taken to have a number of properties in town which are in arrears in taxes, remain unpaid before the date set for the sale.

Town Clerk S. C. Denton was instructed to take the necessary legal steps concerning the preparation for tax sale and to proceed with the matter as soon as feasible possible.

The Town Clerk reported that \$55,257.07 had been collected during May of the current tax levy. This is 53% of the current levy. Mr. Denton stated. He also reported that during May \$2,247.49 had been collected in tax arrears.

Alfred Bailey appeared before the Council with a proposal regarding the matter of garbage disposal for the town. Mr. Bailey stated he had secured a plot of land and other necessary equipment and was prepared to enter into an agreement with the town for handling garbage.

The proposal put forward by Mr. Bailey, it was stated, would make possible the closing of the present town dump. Considerable discussion was had on the matter and it was finally decided an agreement should be prepared which would cover points that seemed to be contentious and troublesome to the Council and this would then be studied by the parties concerned and, if satisfactory, signed.

A petition was received by a number of ratepayers in the south end of the town, asking that the town open the portion of West Street between St. Mary's and Mount Streets for vehicular and pedestrian traffic. It was decided the streets and public properties committee would make a survey of the area and secure estimates of costs and report back to the Council on this matter.

Ferber Marshall appeared before the meeting asking that the old band room on 1st Avenue be made available for the use of a junior band group which he was

Red Cross Holds Business Meeting

The June business meeting of the Digby Red Cross Branch was held at the Court House last week with Dr. T. W. Hodgson presiding.

Regular reports were presented, but as only two work meetings had been held during May, owing to other activities in the Court House, there was less work than usual to report. The Ways and Means report showed only \$245 received from Ten Cent Teas in May, giving a balance of \$18.30.

The Disaster Relief Committee report, given by Mrs. George Winfield, showed no calls during the past month. However, thanks were expressed to all those who had contributed clothing for recent disasters, the list including the following: Barton-Brighton Red Cross Auxiliary, Smith's Cove Friday Night Club, Mrs. David Landers, Mrs. Sydney Hall, Mrs. Arthur Robinson, Mrs. C. M. Levy, Mrs. Karl Young, Mrs. Curtis Harris, Mrs. Vincent McCarrie, Mrs. Hugh Vincent, Mrs. John Woolaver, Mrs. Forrest Elsenner, Mrs. Elton Arnold, Mrs. Vincent Snow, Mrs. Harold Sillis, Mrs. Bruce Baxter, Mrs. Gordon Turnbull, Mrs. L. F. Doiron, Mrs. D. G. Black, Mrs. Marjorie Tupper, Mrs. P. Nixon, Mrs. G. E. Morehouse, Mrs. L. H. Morse, Mrs. T. Sabean, Mrs. Ringer, Mrs. Bent, Mrs. William Winchester, Mrs. J. J. Brittain, Mrs. Smith Harding, Mrs. J. B. Prince, Miss Dora Warne, Mrs. H. M. Warne.

Mrs. H. M. Warne, who had attended the annual meeting of Central Council in Toronto early in May, presented the report which she had brought back to the Nova Scotia Division. The predominating impressions of the Toronto sessions were the world wide scope of the Canadian Red Cross, and the outstanding men and women volunteers who are filling the top-ranking posts in the society. Emphasis in the meeting was placed on the part Canadian Red Cross can and does play in creating international goodwill — something sorely needed in the world today. The sessions presented a bird's-eye view of Canadian problems and endeavours from coast to coast and provided a sharp contrast to the close-up view of Red Cross work as we see it in the small branches. Nevertheless it is the sum of all the branches and individual workers which create such impression totals as for example the 56 miles of flannel etc. which were made into layettes in Canada last year for relief purposes. Mrs. Warne concluded her report with an expression of appreciation to the Division for the privilege of attending the Toronto meeting as one of the Nova Scotia representatives.

At the conclusion of the business session the usual Ten Cent Tea was served.

Permission was granted Mrs. Iona Villeneuve to build a cottage on her property on Sydney Street.

Permission was given the Digby Kiwanis Club to hold Tag Days on June 26, July 7 and August 14 in aid of their swimming pool project. St. Patrick's Parish was given permission to hold their annual bazaar on Saturday, July 31st.

Although wet weather prevented the campers from carrying out the entire program as it was originally planned, they held a mass camp fire Friday night and through the two days participated in fire-fighting competitions, wide games, lashing and bridge building, scout staff throwing, lifeline throwing and signal ling.

The mass camp fire was opened by Lieut. Panchard, HMCS Cornwallis, acting district commissioner for the Digby-Annapolis area, and closed by Field Commissioner E. C. Emery, Canadian Scout Headquarters, Ottawa.

The Digby Ladies' Hospital Aid sponsored a successful Cooking School at the Digby Regional High School Auditorium on Monday and Tuesday evenings.

Demonstrations in methods of cooking were conducted by Jean Nedder, of Canada Packers, assisted by Audrey Beaulieu.

Fifteen hampers of groceries and ten articles of cooking made during the demonstrations were given away as prizes each night. Hams were won by Mrs. Harry Jefferson and Mrs. B. Franklin and a radio, the grand prize, donated by Digby County Power Board and Northern Electric was won by Mrs. H. A. Nichols.

F. C. Purdy, president of the Digby General Hospital Board introduced the demonstrators and thanked all those who made the evenings successful.

Refreshments were served at an informal gathering at the close of the demonstrations on Tuesday evening when visiting participants in the program were given an opportunity to meet members of the sponsoring organization. Mrs. F. C. Eisner, president of the Ladies' Hospital Aid, introduced the guests, and Mrs. D. G. Black was in charge of refreshments.

Refreshments were served at the close of the program.

HOME ECONOMICS DEPT. CLOSING HELD

The Home Economics classes of the Digby Regional High School, under the direction of the teachers, Miss Mary Davidson and Miss Anna Dunn, presented a fine closing program at the auditorium on Thursday evening.

During the first half of the program Grades IX, X and XI modelled garments made during the present school term. Grade IX modelled cotton dresses, Grade X afternoon and party dresses, and each of Grade XI girls made two appearances showing a variety of styles from the class in afternoon and party dresses and two piece ensembles. Miss Patricia Ryan, Grade XI was commentator for the three classes. Miss Helen Kirkconnell presided at the piano for the fashion parades. Interspersed between modelling, an old-fashioned dance was presented by Grade VII girls and Grade VII girls sang a chorus under the direction of Miss Kirkconnell and accompanied on the piano by Dick Milbury.

The second half of the program consisted of a one act drama, "This Dark World", written and directed by Baden Powell of the Regional High School teaching staff. The setting of the play was in a Nova Scotia village about two weeks following the Halifax Explosion in 1917. Rosamond Sabine took the part of the captain's blind and only daughter whose father was on submarine duty in the English Channel. Ruth Minix portrayed the part of a greedy and unscrupulous housekeeper in whose care the captain left his daughter. Richard Harris took the part of the housekeeper's husband who felt more kindly towards the daughter. The parts of kind neighbors who were interested in the daughter's welfare were played by Patricia Ryan and Reta Specht. All players brought out very cleverly the intention of the author in the contrasting of characters. A bit of humor added interest and relieved the sadness of the tragedy of war and circumstances of which the lonely blind girl was victim.

Following the program the audience was given an opportunity to view a display of Home Economics products. On display were skirts, blouses, hats, towels etc., made by the various classes. Crocheting and smoking done by the students received much comment. Home Economics scrap books and note books were also displayed.

Another much admired display was that of the Art Class, under the direction of Miss Margaret Woodworth. These included oil paintings, water colors and pencil sketches. Scrap books and geographical posters were also among the collection of art exhibits.

Victorian Order Drive Underway

At the regular meeting of the Digby Branch V.O.N. on Tuesday, Mrs. J. M. Wallis, convener of the June Drive, reported the campaign well underway. A few collectors had already started their calls and several generous responses were received from requests by letter. Attention was called to the window at Wright's of Digby Ltd., arranged by the V.O.N. publicity committee, and also to a poster in May's, made by Mrs. J. R. McCleave.

Tom Farnham's Column

"Long Time — No See"

"Come and See Me Sometime"

I received a letter from Ben Hatfield, of Southville, N. S., a few weeks ago, in which he tells some of his adventures as guide in and around New France for the past fifty years.

His story is all the more interesting because on this occasion there were two friends of mine from Weymouth, N. S., Dr. Vincent Hogan and his brother, Dr. Fred Hogan, in the party, with Ben Hatfield and Ned Sullivan as guides. "Old Marley" was with them.

In this column you have read an account of Dr. William F. Fyfe, of Tilton, N. Y., relating his experience with "Old Marley" at New France, and Ben Hatfield as guide.

Also letters from C. W. White, Lawrence, Mass., A. F. Comeau, of Weymouth, N. S., and others, all seeing "Old Marley" in many different acts.

Following is Ben Hatfield's letter:

Southville, N. S.
Mr. Farnham,
Digby, N. S.

Dear Sir:

Your letter of a few days ago, received. In answer to your question about "Old Marley," he was at New France before the Stehelin family came here from France in 1885.

I have been a sportsman guide in this vicinity for over fifty years. Every time I was on guide duty "Old Marley" would appear in some form.

In 1892 I went back to the camp to set eel weirs—Edward Cromwell was with me—there was an old mill and a camp, all woods and a little clearing around the camp. We went down to the mill to get some wood for the night. Slabs on one side and edgings on the other. I had to go through the mill to get my load. While getting it something hit the edge-saw—nearly an awful crack. I thought it was Ned Sullivan—our official guide—but when I came out Ned had his load and was near the camp. It was near dark. We cut the wood and got supper. After a while we got in our bunks and enjoying a smoke, when something hit the floor—and it sure hit it—and jumped the covers up on the stove.

"What did that," asked Ned.

They must have had a yoke-stick overhead and it fell on the floor. We got up and lit the lamp, but there was nothing larger than a stick of wood, the stove covers were not moved. I told Ned it must have been—the door sill. They crack some times in a camp. We got back in our bunks and it hit again. It must have been a pile-driver, it was awful, believe me. We did not get up to see what had fallen on the floor. I never stayed there again.

The Stehelin's came and built New France. I went to other parts and never returned until the Stehelins moved out to Weymouth.

When Dr. Vincent Hogan returned from the first world war he and his brother, Dr. Fred Hogan, of Weymouth, and Mr. Harner went back moose hunting. We stayed at New France, they slept in the kitchen, we had two mattresses on the floor, making a filled bed. Ned Sullivan and myself were the guides. Ned said, "I will stay here with them, in case they want anything I will be handy." I went up the stairs, when I got to the top I returned for my coat used for a pillow. To my surprise I found them all sitting up and Ned Sullivan was on his hands and knees looking under the table.

Dr. Fred Hogan accused me of throwing something down stairs. When I told him I threw nothing, he told me I was lying. He said it sounded like one of Stehelin's railroad car wheels coming through the roof, they weigh about 400 pounds. I was not over twelve feet away but never heard one thing. Then we started calling him "Old Marley."

I have been guiding sportsmen around New France for the last fifty years and have seen and heard strange happenings. If you care to hear any more about "Old Marley" I can tell you plenty.

Yours Truly,

V. B. Hatfield.

No doubt you readers know that Digby Town was once called "Loyalist Town" and why?

When reading the Halifax Chronicle-Herald a few days ago I found the following item tucked away at the bottom of a column as a filler:

Digby, in Nova Scotia, was named after the admiral who conveyed 1,500 Loyalists there in 1785."

The Nova Scotia Game Society intend importing another lot of deer. A letter from Douglas Daley, Digby, to C. S. Harrington, Q.C., Chief Game Commissioner, says that the first of the imported deer were taken out Saturday and liberated to the south end of Lake Jolly, about 20 miles from Digby. They were let loose on the lake, but headed for the bush and began browsing. When approached by several men, the deer bounded away and were soon out of sight.

He's changing the nation's landscape
You may see the result of what he is doing in the city's changing skyline — or out where the corn grows tall ... in the mushrooming suburbs — or in the new look of Main Street in a mellow old town. Where many a vacant lot once stood, he helps fill it with a fine new school. Where you used to see a structure that was an eyesore you may now see a new apartment house, store or other building he played a role in providing.

Thanks in part to him, many houses rise here and there, or row on row, in community after community. New black ribbons of asphalt tie town to town. Somewhere, a new bridge is built. New industrial plants, too, are sometimes the by-products of his helping hand. Perhaps one of them has provided you with a job.

Wholesome goodness in each frosty bottle

Just like generations of Canadians before them, young folks love Coke!

When churning legs and high spirits slow down for a pause, watch the boys and girls reach for a frosty bottle—see the smiles of anticipation—the pleasure as they taste its sparkling delights.

Coke is pure as sunlight. The water that goes into Coca-Cola is treated and made neutral to taste to protect the delicate flavor of the drink. The ingredients are the finest obtainable in the markets of the world. And in our plant, lines of stainless steel carry sparkling-clean bottles to be filled and crowned under the eyes of trained personnel. The flavor of Coca-Cola is world famous... the quality continuous for 68 years.

EACH STEP in the bottling of Coca-Cola is rigidly controlled to safeguard the purity and quality you trust.

Mr. and Mrs. Gordon Snow and Audrey were visitors in Bear River on Sunday.

Mr. Carl York and Mr. Royal Woodworth, Halifax, spent the weekend visiting their parents.

UNCLE ED SAYS

Women use enough lipstick to paint 2000 barns each year, says the weekly paper my wife's sister sends her.

Well, all I can say is, I think it looks better on the gals, and it would be a mighty slow way to paint the side of a barn, anyway.

If I had a barn—or a house—or anything else I wanted to paint, I'd go up to Hicks's and buy some of the good Pittsburgh paint they've got up there.

Also, while I was there, I'd pick up anything else I needed to fix my buildings up. Because Hicks's prices are right—and you can buy on easy Home Improvement Finance terms.

MARRIAGE

Frost — Thomas
Nestor — Frost

The ladies' parlor of Bay View Baptist Church, Port Maitland, decorated with pink and white streamers, white wedding bells, wild cherry blossoms and house plants, made a pretty setting for the double wedding on Saturday evening, May 22nd.

Marilyn Joyce Thomas, eldest daughter of Mr. and Mrs. Walter Thomas, of Port Maitland, became the bride of Roy Hamilton Frost, son of Mr. and Mrs. Chester Frost, of Port Maitland, and Faye Elaine, younger daughter of Mr. and Mrs. Chester Frost, became the bride of James Stephen Nestor, son of Mrs. John McCormack, of Wellington, and the late Mr. Nestor.

While the wedding march was played by Mrs. Freeman Currie, the brides entered side by side, followed in like manner by their fathers, who gave them in marriage. The brides took their places beside the grooms under an arch trimmed with wild cherry blossoms and white wedding bells. Rev. Freeman Currie performed the double ring marriage ceremonies.

Mr. Frost's bride wore a powder blue suit with white accessories and corsage of pink rosebuds, while Mr. Nestor's bride had chosen a navy suit, also with white accessories and pink rosebud corsage.

During the signing of the register the guests enjoyed hearing Mr. Wallace Hodgson sing "Because."

After the happy couples had received congratulations and had photos taken, they took their places at the brides' table. A three-tiered wedding cake, topped with miniature bride and groom, centred the table with tiny vases of cherry blossoms on each side. The cake was decorated by Mrs. Walter Thomas, and after being cut by the brides and grooms, was served by Mrs. Wilford Sanders and Mrs. Kingsley Outhouse. Sheila and Sharon Churchill passed napkins, and refreshments of ice cream and cake were served to about forty guests by Misses Helen Thomas, Greta Outhouse, Audrey and Olive Rose Thomas. Mrs. Arthur Sollows was in charge of refreshments, assisted by Mrs. Elmer Nickerson, Misses Marion Smith and Atlanta Sollows.

Letter To The Editor

Digby District Office
June 9, 1954.

The Editor,
Digby Courier,
Digby, N. S.

On behalf of all dependent children who are under the care and custody of the Director of Child Welfare in the area served by the Digby Branch of the Victorian Order of Nurses, the staff of this office wishes to express its thanks. For several years fewer children placed in the Town of Digby have derived considerable benefit from the visits of the V.O.N.

The services of the Order are not always realized nor fully appreciated. During this period of fund raising some mention should be made of the valuable help provided by the local staff nurse. Whether it is the rachitic child who has been apprehended from neglectful parents or the new born of the unmarried mother taken direct from the hospital the V.O.N. is always ready to answer the call and help the patient towards better health and social rehabilitation. Because service to this group is given gratuitously and without fanfare, it is not generally known nor ap-

preciated, except by those initiating the referral or the patients receiving service.

Although this Department speaks only for those children who are unable to speak for themselves, there are without doubt many more persons who would wish to express their gratitude in some manner. It would seem that the best way to do so is to give generously when the canvasser calls.

J. M. Sautier, B.A., M.S.W.
Supervisor of Welfare Services

Many people suffer from chronic illnesses. But this does not mean that they can not lead happy, and useful lives. The V.O.N. nurse tries to help chronic invalids to rehabilitate themselves.

Deer Make Early Morning Trip

Two deer made an early morning visit to Digby's shopping district last Thursday. In the course of their visit they met the street cleaner and their mutual surprise at this meeting resulted in Sid being bowled over.

After giving the stores the once over and inspecting television displays the two deer, both does, continued on their way through Birch Street, across the Racquette and thence to the Digby Pines Hotel. It is not known whether they registered at the hotel, but since it is not yet open for the summer it is thought they may have continued on their trip, after a short inspection tour of the premises.

Unfortunately the deer's visit to Digby was at such an early hour it was not possible for the Courier to interview them. It is understood, however, they showed considerable interest in the stores and window displays in the town and inspected them all quite leisurely.

RADIO TELEPHONE SYSTEM INSTALLED

An engineering feat of some magnitude was performed here this week in the installation of new radio telephone equipment at a location on the Lighthouse Road by engineering and work crews of the Maritime Telephone and Telegraph Company Limited.

The new equipment, which is the latest of its kind that has been manufactured, will stand partly on a tower located on two poles each ninety-five feet in height. The ground installation of equipment is located in a building near the foot of the tower.

The job of making the new installation began some time ago and required a good deal of engineering ingenuity right from the beginning.

The first problem involved was the transportation of the huge crescent poles which supported the parabolic reflectors from flat cars out to the location on the Lighthouse Road. This required the use of large trucks and careful maneuvering about corners and curves.

After the poles were located on the site the job of getting them erected began. This was complicated by the fact the reflectors and other equipment had to be mounted on the poles before they could be erected.

While this was being installed

trenches were dug and an 80 foot "gin pole" erected to aid in hoisting the tower into place. Yesterday morning the job of putting up the two pole tower was started and went forward, due to careful planning and preparation, without a hitch.

The twelve man crew, which was in charge of the job, was under the direction of Fred Finner, Supervisor of Outside Installations, Middleton. In general charge of the work was Alex McKinnon, General Superintendent, Halifax. Foremen on the job were Don Kehoe and Edward Martin.

The installation of the technical equipment is under the direction of Ray Wilson, Radio Engineer of the Telephone Company. The equipment, which is very complicated, will provide for twelve beams or channels between here and Saint John, and it is expected it will greatly speed up long distance service through Digby by removing much of the bottleneck which now exists.

This new installation, which is located on the high point of land on the north side of the Lighthouse Road, replaces the equipment previously located near Bay View. That installation had, because of the heavy increase in traffic volume, become obsolete.

Holds Closing Meeting

The Annual Meeting of the Good Neighbour Club was held recently and the following officers elected:

President, Mrs. K. C. Woodman.

Vice-President, Mrs. Keith Dunn.

Secretary, Mrs. F. L. Wilson.

Treasurer, Mrs. William Eldridge.

Convener of Work Committee, Mrs. R. Berwick.

The membership of the Club has grown considerably and a most successful year was reported. A considerable amount of work was done under the capable convener of Mrs. Berwick. The season's activities were brought to an end by the members being entertained at a most delightful chicken dinner at the home of the President elect, Mrs. Woodman. Following the dinner, the members enjoyed a social evening and are looking forward to meeting in the fall.

Joint Meeting Held At Freeport

The Home and School meeting was held in conjunction with the Sewing Exhibit in the Community Hall on Wednesday evening, May 26th. This was a public meeting and many guests were present, including Mr. Tom Jones, Regional Director of Adult Education, several members from Westport Association and many from our community. The President, Mrs. Burpee Campbell, presided.

The meeting opened by singing "O Canada", after which the President welcomed the guests. Roll call showed eighteen members present. The treasurer's report was read showing a credit balance of \$421.35. The amount of \$78.00 was paid to Jackie Tinker and Wayne Perry for digging the trench from the well to the school house. The Sewing Exhibition took place with the instructress, Mrs. Harold Crocker who gave a talk on the work for the year.

Following this Sharon Prime sang a solo and Donna Crocker and Marilyn Thurber sang a duet. Mr. Tom Jones was then introduced. He gave a short address, then showed two films, which were much enjoyed. Remarks were given later by Dr. J. C. MacDonald, Mrs. MacDonald, Mrs. Lent and Mr. Blanchard Morrell.

The meeting closed with the National Anthem, after which a social hour followed and refreshments served.

ST. PAT'S PUPILS WIN COMMERCIAL AWARDS

The students of St. Patrick's Business College have successfully passed the monthly timed tests prescribed by The Gregg Testing Program New York City, and have been sent 135 awards in certificates and pins by their Committee of Examiners. This testing program is part of a national system of recognition in the Commercial field where business students all over the world distinguish themselves for the quality of their work in shorthand, typewriting and bookkeeping that makes success in business easier to attain.

In spite of the fact that students were in school for a shorter length of time than usual, the high standard of the school was maintained, as may be seen from the following record of achievement:

Gregg Junior and Senior Order of Gregg Artists Certificates — Elizabeth Comeau, Marion Crowell, Dorothy Dunnington, Ella Harris, Eleanor Hinxman, Patricia Robinson, Geraldene Spurr, Myra Theriault, Arlene Wagner and Margaret Wilson.

Awarded Gold Seal Certificate

In the International Gregg O. G. A. shorthand penmanship contest, the class submitted shorthand specimens of exceptional merit and were awarded a Gold Seal Certificate for the school. Fire Destroys Joggin Bridge Home

Fire of unknown origin early last Friday morning destroyed the home belonging to Harry Trimmer of Joggin Bridge.

The fire was first noticed by Mrs. Oran Pulley, who lives across the street from the building, about four o'clock in the morning. When first noticed it had gained considerable headway and flames were pouring out through the roof.

The Digby Fire Department and the Department from H. M. C. S. Cornwallis were summoned but before they could arrive the building was a mass of flames beyond any hope of saving. Fortunately no wind was blowing at the time of the fire or it may have spread to other nearby properties.

The house which was destroyed was a large one, built by Captain Gilliat. It is understood Mr. Trimmer had recently purchased it and was remodeling it for occupancy. It was vacant at the time of the fire although considerable work of redecorating had been done to the structure. It is understood Mr. Trimmer had some insurance on the building but the loss is said to far exceed this amount.

Holds Annual Roll Call Service

The Annual Roll Call and Fellowship services of the Hill Grove United Baptist Church (above) was held on Friday June 11th, commencing at 3:00 p.m. and continuing with an evening service at eight o'clock.

The weather for this event was ideal, and the beautiful grove of beech and maple (from which the church takes its name) which is situated in front of the building resplendent in new garments of living green, the well kept cemetery and the church building with the white tower crowning the hill-top, made a picture long to be remembered.

The afternoon services opened by the pastor, Rev. E. C. Church, III, with a short devotional, after which the Acadia College Male Quartette, who were guests of the church for the occasion, gave a number of selections, after which B. Lloyd MacNeill, clerk, called the church roll of members who answered to their names by quoting a favourite verse of Scripture or hymn. Absent members and friends sent gifts and greetings by letter, which were read in answer to their names.

It is understood that the Freighters Irish Oak will also make port later this week. It is expected she will take on a cargo of lumber for the United Kingdom.

About This and That

Preserve Nova Scotia's Beauty

The Scrimptist Club of Halifax, a branch of an International Service Club for Women, sponsors a campaign for a clean countryside. The picnic season is now here and we appeal to all Nova Scotians to preserve the beauty of our Province.

Each year more tourists reside the many attractions of Nova Scotia — the splendid heritage of forest, rivers, lakes, and a sea-coast of unsurpassed beauty. They acknowledge the excellence of our highways and appreciate the roadside tables placed for their use.

So often these beauties are marred by the thoughtless picknickers who leave their picnic spots in a deplorable state. The litter of papers, cartons, discarded food, and worst of all, broken glass, is a disgrace to our Province. Nature has provided us with so much — why are we so careless and thoughtless?

"After you picnic — pick up" is our slogan. Let each of us remember this and thus help to preserve the beauty of our lovely Province. — Scrimptist Club of Halifax.

WHEN YOU PICNIC — PICK UP!

- Listen, friends, to a simple rhyme.
- Made for the good old Summer Time.
- When we picnic let's pick up
- Each empty box and paper cup.
- Sandwich wrappings, discarded bags.
- Tin cans, bottles, half-smoked fags.
- Candy gum-papers, remnants of cakes.
- All the litter a picnic makes.
- Bury this trash or burn it there,
- Put out all fires with utmost care.
- Let all be proud as proud can be.
- Of our grand old Province by the sea
- And make it our pleasure and our duty
- To help preserve Nova Scotia's beauty.

—The Scrimptist Club of Halifax

Teach Children Safety

This year more than 500 pedestrians will be killed and 7,000 injured in traffic accidents, according to the All Canada Insurance Federation. And, as in the past, a large percentage of the victims will be children who have not been taught proper safety habits.

Insurance experts recommend the following pedestrian safety rules for children:

1. Always look to right and left before crossing street, or leaving buses and streetcars.
2. Cross streets only at intersections, when traffic lights are green.
3. Always walk facing oncoming traffic where there are not sidewalks. At night, carry an easily seen, white object or a flashlight.
4. Never jump off or on moving vehicles. Don't play behind parked cars or trucks.
5. Be particularly careful in crossing wet or slippery streets — cars require greater stopping distance.
6. Watch carefully for cars turning corners.
7. Never chase a ball on to the street.
8. When in doubt, ask an adult to take you across the street.

Letter To The Editor New Headmaster

Weymouth North
June 2, 1954To the Editor of
The Courier:

I was interested in Mr. C. F. Sabean's letter in the May 27th Courier. I know nothing about the glass of which Mr. Sabean has written, but I have in my possession a diary of the late Mr. Thomas Hankinson, of Weymouth North.

Here is an exact copy from the diary and the names mentioned will, I believe, be of interest to many Courier readers.

"1875 — The crew of the Bright Agnes Raymond was wrecked on Thursday Night the 17th of January and was brought to Weymouth on the 21st. The first went to Jacob Wymans. I was taking care of his horse while William Lent, Capt. Ah Grant, Capt. T. Brooks, Capt. Abner Lewis and Martin Hankinson took Charles Ayman in the house. I got in before they opened the coffin. When it was opened he was a pitiful sight, they then laid him out and made him look very nice and comfortable.

"We then went to the Rev. C. Randalls and laid Joseph out made quite a difference in his looks for the better. Mrs. Charles Randall was quite pleased that he was laid out so comfortable. Finding \$20.00, Jack Kniff, pencil, & Tobac in Joseph's pockets. Being 5 laying dead in Weymouth so it must be very dreary time. Hoping it may all prove good to the Glory of God.

"T. E. Hankinson"
 Readers may wonder why I have the diary. The late Mrs. T. E. Hankinson (Sarah Lent) was my great aunt.

FRANCES L. LENT.

Last weekend his Lordship Robert Harold Waterman and his wife were in residence at their home, Smith's Cove.

CITIZENS OF NOVA SCOTIA

Dear Fellow Nova Scotians:

For some time now your Government in association with the coal companies, has been studying future coal markets. One conclusion is outstanding; namely, that the markets for coal are falling off in the areas served by our mines. Unless special measures are taken this trend will prevent the beneficial results anticipated from the large-scale mechanization and other improvements now being applied in our coal mines. In fact, market trends and forecasts imply strongly a serious curtailment of our coal mining operations.

It is my belief that one basic step necessary to help the industry — and ourselves — is for all Nova Scotians and all our fellow Maritimers to boost the use of coal in our home territory.

My present advice is that unless we do rally to this cause, closing of mines and general curtailment of industrial activity will remove the basic income of some 30 - 35,000 people. To be realistic, the chances of alternative employment are minimal and essentially those affected will have to leave the Province.

I do not need to point out the personal tragedies of such an event nor it be necessary to suggest what this will mean to the Provincial economy. I am confident it would be a staggering blow which would not be confined to the mining areas. The effect of such a loss on the revenues to the municipal and school authorities of the mining communities are obvious; but very little thought is necessary to rest the implications of such an event to the markets for agricultural and fisheries products for example; not to mention the general loss to Provincial revenues from taxation and royalties.

The coal operators and the miners are addressing themselves to their own problems of production and currently the sales and servicing arrangements of the industry are undergoing very active revision and revitalization. I am assured that in the immediate future we shall all reap the benefits of the latest scientific developments in coal preparation and of modern coal-burning equipment.

I am confident that all of us will do our part to meet this serious situation and take advantage of this opportunity to help ourselves and one of our great basic industries.

Yours sincerely,

M. A. Patterson

TYPICAL PROBLEMS

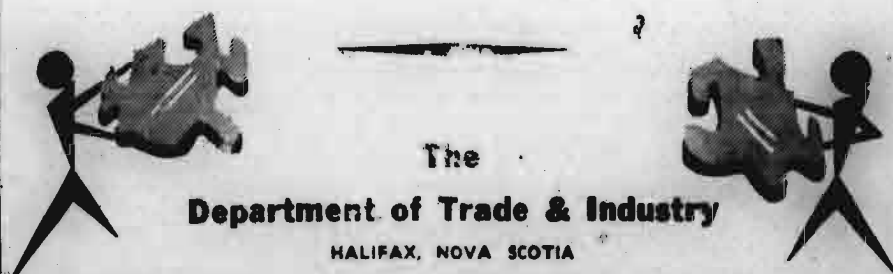

The Department of Trade and Industry policy of assistance to secondary industry sometimes benefit a whole community.

A village in the Province had been practically dependant for 30 years on its local industry, a forest products industry, which employed most of the village labor and provided a steady market for the farmer's logs, but in 1953 the plant and equipment were destroyed by fire. This meant a serious loss to the entire community.

The Owner-Manager did not wish to re-build, but he was willing to help a group of his senior employees to start operations again. They needed assistance however to finance a new Company and to establish confidence, in persons outside the village, in the economic soundness of their venture.

The advice of the Field Representative of The Department of Trade and Industry was sought and, after a thorough examination of the project, he was able to recommend the enterprise to various interested people so that the necessary capital was secured.

This effort by The Department of Trade and Industry, coupled with the determination of the former owner and his employees, has provided an economically sound industry capable of profitable operation and expansion to a community that, without this industry, had little chance to survive.

He's changing the nation's landscape

You may see the result of what he is doing in the city's changing skyline — or out where the corn grows tall ... in the mushrooming suburbs — or in the new look of Main Street in a mellow old town. Where many a vacant lot once stood, he helps fill it with a fine new school. Where you used to see a structure that was an eyesore you may now see a new apartment house, store or other building he played a role in providing.

Thanks in part to him, many houses rise here and there, or row on row, in community after community. New black ribbons of asphalt tie town to town. Somewhere, a new bridge is built.

New industrial plants, too, are sometimes the by-products of his helping hand. Perhaps one of them has provided you with a job.

Who is he?

He represents all the millions of life insurance policyholders in Canada. And it's money from their premiums, which life insurance companies invest for them, that makes possible such improvements as these throughout the nation.

So, if you are a life insurance policyholder building security for your family and yourself, you're also helping to build a better Canada!

AT YOUR SERVICE!

A trained life insurance broker, representing one of the more than 50 Canadian, British and United States life insurance companies in Canada, will gladly help you plan for your family's security and your own needs in later years. Rely on him!

MARRIAGE

Heckman - Foster

A pretty wedding of special interest to Valley friends took place at St. Mark's Anglican Church, Halifax, on Saturday, June 5, at 3:00 p.m., when Helen Jean, only daughter of Mr. and Mrs. C. Bernard Foster, former residents of Annapolis Royal, now residing in Halifax, became the bride of Philip Jeffrey Heckman, son of Captain Fred Heckman and the late Mrs. Heckman. The double ring ceremony was performed by Rev. E. R. Cochran, assisted by Canon W. W. Clarkson. The organist was Miss Cecilia Mosher.

The altar of the church was beautifully decorated with white chrysanthemum pom poms and the guest pews were marked with satin ribbon and yellow mums. The lovely bride entered the church on the arm of her father, by whom she was given in marriage. She chose for her wedding a beautiful gown of white French chantilly lace, combined with nylon tulle. The fitted bodice had long sleeves tapering to points over the hands. The neckline was finished with a ruching of pleated tulle. The full crinolined skirt was tulle over satin and her finger-tip veil of tulle illusion was held in place by a bridal head-dress. She carried a nosegay of red roses, shasta daisies and lily of the valley.

Mrs. Ross Leck, sister of the groom, acted as bridesmaid, dressed in a gown of daffodil yellow taffeta with a jacket of lace over net.

Mrs. George Blunden was matron of honour, dressed in blue taffeta with lace jacket and Miss Judith Bailey, of Round Hill, cousin of the bride, was junior bridesmaid. She wore a frock of light rose taffeta. Miss Bailey's gown was made by her great-grandmother, who is 88 years of age. The attendants carried nosegays of roses and lily of the valley.

The best man was Roy D.

He had barely time to help his wife, who is a semi-invalid, downstairs before the whole upper part of the house was afire.

A few pieces of furniture from the lower floor were saved but Mr. and Mrs. Stanton were left with only the clothes they stood in. The sympathy of the community goes out to them in their great loss.

One of the worst fires in this vicinity for some time occurred during the night of June 8th, at Weymouth North, when the home of Mr. and Mrs. Burrell Stanton was completely destroyed and nearly all their furniture with it.

Mr. and Mrs. Stanton had been out for the evening and were late going to bed. Mr. Stanton, not feeling well, had the occasion to get up and smelling smoke, he found his attic was already on fire. He had barely time to help his wife, who is a semi-invalid, downstairs before the whole upper part of the house was afire.

The regular monthly meeting of the Legion was held on Tuesday evening, June 8th, in the Legion Hall, the vice-president, Neil Bartlett, officiating in the absence of the president, C. R. Ruggles. The zone commander, Eugene Outhouse, was present and gave a summary of the business enacted at the provincial council meeting. He expressed the view that if all ex-service men realized what the Legion has accomplished in the past and is still trying to do for them, they would immediately become members; as in unity there is strength, and that the chief object of the Legion is the welfare of the ex-serviceman.

Plans for Weymouth Day, July 1st, were fully discussed by committee chairman, R. S. Hallett. Neil Bartlett was appointed O.C. Parade and already has a number of floats promised from the village, which with the floats from outside communities, gives expectation of the largest number of floats yet, and a larger parade than ever. Roger Comeau was appointed grounds O.C. and obtained volunteers to work on the ox and horse haul location, to extend same. John Comeau was appointed O.C. canteens. Philip LeBlanc, overseer kitchens, fireworks, midway, ball game, dance. Prizes, etc. were arranged for.

AGAIN the Royal heads north to new industrial frontiers

For over two years the Royal Bank has provided on-the-spot service for the men tunnelling and bulldozing, building dams and transmission lines for the gigantic "Alcan" project on B.C.'s rugged coast. At Kemano, 400 miles north of Vancouver, and at work sites back of the coastal mountains, the Royal Bank has had its branches almost from the beginning.

Now, as the smelter and port are readied for operation, and the new "Aluminum City" of Kitimat emerges from the wilderness, the Royal Bank's Kitimat branch opens for business. So another page turns in the story of Canada's northward expansion, and in the pioneering record of The Royal Bank of Canada.

Elsewhere, too, the Royal has moved forward to new frontiers. Already two branches are operating in Alberta's important new Pembina oil field. And at Fort Radium, on the fringe of the Arctic Circle, we maintain the "farthest north" branch bank in Canada.

**NOVA SCOTIA COAL
THE THRIFTY FUEL**

Use NOVA SCOTIA COAL

Of all fuels used in Nova Scotia, coal is the most economical for domestic uses. With the properly designed appliances for using coal which are available today, a home can be heated with coal at a saving of 20% of the fuel bill in those areas furthest away from the coal mines. Near the coal mines, a home can be heated with coal at half the price of heating it with any other fuel. These savings can be obtained by using properly sized, washed and dustless coals in automatic stoker-fed furnaces which are now available.

Trained combustion engineers in the service of the Dominion Coal Company will gladly advise any Nova Scotian about the appliance most suited to his needs, so that the maximum economy can be obtained from the installation used.

Old Grads Support Home Town School

All out success is attending the campaign being carried on by Tiverton Home and School to purchase modern desks for their school house.

After a year and a half of pantry sales and entertainments had produced only eleven new desks, one member, recalling her chums of bygone school days, suggested that some of them might like to help their old school. Consideration of this idea brought up so many reminiscences of school days that the following verses were composed:

MEMORIES OF TIVERTON SCHOOL

Do you recall that dear old school house by the sea
Where we got our education, you

and me?
Writing, arithmetic, spelling bees,
I guess
Started us well on the road to success.

'Twas there we learned to add and to divide
As we sat and worked our problems side by side.
We remember all our teachers fond and dear
Who rammed the knowledge home with right good cheer.

Remember the call of that old school bell?
And the sooty pipes which sometimes fell
From the stove that only half warmed up the room?
Ah! those were the good old days! They passed too soon.

Now, with oil burners, new porch and pretty paint,

She's the best school hereabouts — don't say she ain't!
And on that old school house we hold so dear,
Improvements are needed from year to year.

Modern chairs and desks are what we need
The Home and School has taken the lead;
Eleven new ones are now on the floor,
Come on folks! Let's buy some more!!

So now to you we make an appeal
To help us with this great ordeal.
A donation from you, large or small,
Will be appreciated by all.

Perhaps some of you, we won't say who
Could write us back a verse on

two.
Of those old school days... a little greeting
To all who came to the Home and School Meeting.

This rhyme, which was sent to a list of a hundred old students, met with an enthusiastic reception. The business men of Tiverton responded heartily. A complete set of desk and chair was donated by seven different firms: Holland Althouse; Gorham; Elliott Ltd.; H. Cossaboom and D. Outhouse; Ferryman; C. Outhouse and H. Greenlaw; Long Island Fisheries; Bernard and George Robbins; Small Bros.; Young Bros.

Contributions of from 50 cents to \$100.00 were received from erstwhile Tiverton scholars in all walks of life, in various parts of Canada and the United States, and all the way from Texas. Along with the donations came letters of good wishes and happy memories. Vernon and Donald Cossaboom remembered the old fashioned seats with "sympathy for the present generation of sitters and thinkers." Delbert Clifford recalled the "ink stain on the ceiling caused by me leaving a frozen bottle of ink on the hot stove to thaw out, with the cork in tight." Others were inspired to rhyming, such as:

Your request brings back memories dear
To recall those days, fills my heart with cheer,
And tho I wasn't a number one scholar,
It's with sincere pleasure, I donate this dollar.

And this excerpt from another:

I remember, too, the heat and the cold
Of draughty windows and stoves grown old;
And desks that never did fit my knees,
But those modern ones should surely please.

The improvements you've made, of course, are grand,
And so I'd like to lend a hand
With this contribution to help you do
The splendid task you're devoted to.

Within a few weeks grades 6 to 11 were outfitted with modern desks, and with contributions still coming in, it is expected that there will be up-to-date desks for the primary grades when school re-opens after vacation.

The pupils are exceedingly proud of these handsome desks and guard them vigilantly against scratches, stains, or anything that might mar their beauty. They are of modern design in sturdy plywood with comfortable individual chairs. Not being bolted to the floor in the old-fashioned style, they can be moved into whatever position makes for the most efficient teaching arrangement, or for the enjoyment of a social, or an evening club meeting.

The Victorian Order nurse is both a nurse and a family counsellor. She encourages patients and members of the family to take an optimistic attitude toward recovery. Many Canadians who at one time felt their usefulness had come to an end are living normal or almost normal lives today because of the special efforts of a V.O.N. nurse.

KIDNEY ACIDS Rob your Rest..

Many people never seem to get a good night's rest. They turn and toss—blame it on "nerves"—when it may be their kidneys. Healthy kidneys filter poisons and excess acids from the blood. If they fail and impurities stay in the system—disturbed rest often follows. If you don't rest well get and use Dodd's Kidney Pills. Dodd's help the kidneys so that you can rest better—and feel better.

SPECIAL SERVICES HELD

(Continued from page 1)
Rev. Saunders Young was heard in a thought-provoking message on the subject of "Christ Washing The Disciples Feet", and the large congregation listened with rapt attention to its close. Rev. Frank Smith offered prayer. At the close of this service the congregation went to Jaggars Point where the ordinance of "Believer's Baptism" was administered by the minister, assisted by Rev. C. S. Young and Deacon Raymond Moore. Jr. Twelve candidates received the ordinance from the three churches. In the evening the service was held at Clementsport where Mr. Miller was again heard in a relevant and thoughtful sermon. After this service the communion service was held at which the right hand of fellowship was extended to the candidates who were visiting with the Clementsport church.

These services brought to a climax the special services which had been held at an earlier date and which were conducted by the Rev. Don Calkin, pastor of the Watford Street Baptist Church, Saint John, N. B.

ANNUAL ROLL CALL

(Continued from page 1)
The message of the afternoon was given by Rev. Charles Taylor of the University teaching staff accompanying the quartette and was greatly appreciated by the large congregation present. After this service the members of the congregation spent a very pleasant social hour in the new church hall which is near at hand, after which a delicious fellowship supper was enjoyed, which was prepared and served by the ladies of the church under the very capable direction of Mrs. Perry Porter, head of the committee of social activities.

The evening service, which opened at 8 o'clock, was in charge of the Quartette, consisting of Scripture reading by Mel Scott, prayer by Wallace Reid, and short addresses by Eugene Thompson and John Andrews, and other members of the group on the general theme of service, using the prophecy by Isaiah, Chapter 6, Verse 8, as the text: "Whom shall I send, and who will go for us?" Then I said, here am I, send me.

The Thank Offering for the two services amounted to \$407.00 which will be used for general church purposes.

Ministers present besides those of the Quartette, were Rev. R. R. Winchester, Barton; George Hillis, Centreville; Francis Miller, Deep Brook; Frank Smith, Deep Brook; Saunders Young, Parker's Cove, and the pastor, Rev. E. C. Churchill, Digby.

Attendance at the evening service taxed the seating capacity of the auditorium and chairs had to be brought in so that all might be comfortably seated.

Who steals my purse steals trash; but he that filches from me my good name, robs me of that which not enriches him, and makes me poor indeed.

The main bout of the boxing card will be a ten round scrap between Cobey McCloskey, Maritime Middleweight Champion, and Cecil Gray, of Montreal, leading contender for the middleweight championship of Canada. The semi-final bout will be between Buddy Dave, of Halifax and Babe Roberts, of Dartmouth. These two fighters are well known to followers of the ring. SPEAK AT MT. ALLISON

(Continued from page 1)
Since the day of its founding, Mount Allison has occupied a distinctive place in the thought and life, first of the Methodist Church and in these last years of the United Church, not merely in the Maritimes but in our whole land. From Coast to Coast it is regarded as one of the most effective and important units in the Church's program of education which seeks to train the youth in an atmosphere of Christian faith and idealism.

In addition to providing general courses to hundreds of young people, Mount Allison also offers courses in preparation for the ministries, thus giving leadership of high quality both ministerial and lay for church, community and national life.

Dr. Flemington, who will be at Grace Church at both services on Sunday is an able speaker. He is widely known in the educational life of our provinces and has travelled considerably. His talk on Sunday evening will be on his trip to Palestine. Dr. Flemington is a graduate of Mount Allison and also of Toronto University. During World War II he was Senior Chaplain overseas and was awarded the O.B.E. for outstanding services.

Hold Celebration Party

What might be termed a real live wire party was held one evening last week when members of the construction and engineering crew who recently installed the new radio-telephone system at Lighthouse Road, other local telephone workers and local Power Board workers gathered at a beach party and wined and dined to celebrate the successful erection of the radio-telephone tower at its new location.

Guests of the power and telephone workers at the party were members of the staffs of the two local banks.

Mount Allison President Is Speaker

Dr. Ross Flemington, President of Mount Allison University, Sackville, was guest speaker at both morning and evening services at Grace United Church on Sunday when Mount Allison Sunday was observed. Dr. Flemington briefly traced the history of Mount Allison from the time it came into being in 1843 when seven students were enrolled. It was not until 1854 that classes were opened for women at Mt. A. This university had the distinction of being the first in the British Empire to grant a degree to a woman back in the year 1875. Dr. Flemington said. In 1863, he said, two graduates from Mount Allison, this year there were 180 graduates. Seven hundred students lived in residence at Mt. A. in 1953-54 and over 1,000 attended classes at the university.

Dr. Flemington, who is also an ordained minister in the Maritime Conference of the United Church of Canada, based his remarks from the book of Proverbs and said that education and religion should never be divorced but always associated together. In keeping pace with greater demands each year to accommodate the increasingly number of students seeking education at Mount Allison, Dr. Flemington asked for the prayers and assistance of the congregation so that the university could walk along with others of the same nature.

At the evening service Dr. Flemington gave a vivid description of Palestine as he saw it during his visit there a year ago. He told of the strife between Jew and Arab in the country and also of the vast project of making the desert soil fertile to provide a means of livelihood for the many Jews who have taken up abode in the country in recent years. Bible description of the land of Palestine became real as Dr. Flemington portrayed in detail the changes which had taken place in some of the towns while others he saw had remained almost as in Bible times as he visited Nazareth, Cana, Capernaum, Bethlehem and travelled the Jericho road to Jerusalem.

At the close of the evening service Dr. and Mrs. Flemington had the pleasure of meeting friends at the parsonage as guests of Rev. and Mrs. James Brooks.

Mission Band Holds Annual

The Rossway Baptist Mission Band held its annual meeting after Sunday School on June 20. The meeting opened with a devotional period followed by the minutes and roll call.

The new officers elected were: Pres., Mrs. Thurston Banks. Sec'y., Mrs. David Balser. Asst. Sec'y., Laura Balser. Treas., Mrs. Melbourne Prime. Organist, Mrs. Hugh Robbins. There were twenty-three members enrolled.

During the meeting the story of the "Mustard Plant" about Miss Anne Munro, a missionary in India, who adopted a little ten day old Indian girl and in 1947 when on furlough to Canada, brought her here. She was at this time nine years old and her name is Wendy. Wendy is a very smart and attractive little girl and can speak four languages. They are now back in India, Miss Munro carrying on her missionary work and Wendy conducting her education.

To Inspect New School

Another School Board delegation, this time from Shelburne, will be in Digby over the weekend to inspect the new Elementary School.

This school, which constructed and furnished at a total cost of less than \$40,000, has created a great deal of interest throughout the province as an excellent example of low cost school construction.

It is understood the building will be the subject of a paper to be delivered at a meeting in Halifax of School Board representatives from the whole province this week.

Princess Helene To Start Sunday Trips

The 4,000-ton Princess Helene will resume her Sunday schedule on the Saint John-Digby service starting this weekend, June 27, and continuing through September 12. It was announced Tuesday by W. E. Clappitt, district passenger agent for the Canadian Pacific Railway.

The trim vessel will leave Saint John for Digby on Sunday morning at 8:00 a.m. (AST) arriving at Digby three hours later. She leaves Digby at 2:00 p.m. and arrives at Saint John at 5:00 p.m. (AST).

Two special weekend rates will go into effect with the start of the Sunday service. One is an attractive all expense tour from Saint John to Digby and return on Sundays only which will include return passage on the ship, luncheon at the renowned Digby Pines Hotel and taxi service from the Digby wharf to the Pines and return. This tour, which costs \$5.45, is limited to 90 persons.

The second rate covers a one-day return trip on either Saturday or Sunday between Saint John and Digby. Both going and return passage must be made the same day to take advantage of the special \$2.95 round-trip fare.

The parade route will be along Montague Row and Water Street, through Maiden Lane and across Carleton Street to Birch and then along Birch to Water Street and back to the bandstand where the jolting will take place.

It is understood the parade this year will be one of the finest ever held. There will be over forty floats and three bands will also take part. The parade is again this year under the direction of the Digby Fire Department who are also in charge of the fireworks display which will be held to end the day's performance at 11:15 p.m.

A special ball game, which is expected will provide many thrills, will be held during the afternoon and a special attraction for the evening show will be a boxing card which will feature four outstanding bouts.

The main event on the boxing card will be a ten round bout between Cobey McCloskey, Maritime Middleweight Champion, and Cecil Gray, of Montreal, leading contender for the Canadian middleweight title. In the semi-finals Buddy Daye, of Halifax, will meet Babe Roberts, of Dartmouth. Two other bouts, both from Halifax, will complete the card.

HOLD SIXTH ANNUAL D. R. H. S. GRADUATION

The sixth annual graduation exercises of the Digby Regional High School were held in the school auditorium on Friday evening. Guest speaker for the occasion was Rev. W. T. R. Fleming, O.B.E., President of Mount Allison University.

The Valedictory address was given by Graham McCleave of the Graduating Class. Processional and recessional marches for the graduates were played by Miss Helen Kirkconnell and during the program a piano duet, "Semper Fidelis," was rendered by Miss Kirkconnell and Attridge Jones.

Dr. Fleming, who was introduced to the gathering by Victor Cardoza, gave a most stirring address to the graduating class. Among the points which he made were that to find himself the student must be willing as was Sir Galahad to lose himself; that a helping of others was often the surest way of helping one's self.

Dr. Fleming also told of his visit to Palestine and drew from some of his experiences there and some of the things he had seen, lessons for the members of the graduating class.

The thanks of the audience were expressed to Dr. Fleming by Guy E. Morehouse.

In his report F. C. Purdy, Supervisor of Schools for Digby, told of the program being carried out in the schools and stated every effort was being made to give the pupils the type of education that would best fit them for life. He said a great deal of criticism was being directed at modern education but that, while some of it was constructive in nature, far too much came as a result of lack of understanding of what actually was being accomplished in the field of education today.

Dr. J. R. McCleave, Chairman of the School Board, in his report contrasted the educational program offered locally today with that of twenty years ago. Tremendous advances have been made, Dr. McCleave said, not only in the physical plan and the number of teachers employed but also in the post graduation success that is being achieved by pupils who have secured the elementary and high school education here.

Dr. McCleave stated that in 1934, just twenty years ago,

there were only eight teachers on the staff of the Digby public schools and that the total enrollment was three hundred and ten. He said there were twelve in the graduating class and of that number only one went on to university. No graduates of 1934 entered the Normal College, he said.

By 1948, Dr. McCleave said, there were sixteen teachers on the school staff here with 525 pupils enrolled. There were twenty-five members of the graduating class of which two entered Normal and none went to university.

In 1954, he said the teaching staff has been increased to thirty-seven with 1,030 students enrolled. Sixty pupils graduated and of that number twenty enter university and four the provincial Normal College. Three graduates of the Digby Regional High School, he said, will return to Digby to accept teaching positions here next term.

Following the formal graduation and the addresses of Dr. Fleming, Mr. Purdy and Dr. McCleave the presentation of prizes and awards was made.

The Regional High School Memorial Cup was presented by Supervisor F. C. Purdy to Robert VanTassel, Legion President Ernest B. Tufts announced the winner of the Digby Branch No. 20 Canadian Legion, B.E.S.L. Memorial Trophy and called on Dr. McCleave to make the formal presentation of the trophy to Graham McCleave.

Mayor Guy E. Morehouse presented the Mayor's Scholastic Award to Walter Johnson and the Regional High School Citizenship award was presented by Warden H. E. Chisholm to Ralph Humphrey. Dr. L. F. Doiron presented the Birk's Gold Medal to Attridge Jones.

The Regional High School Athletic Award was presented by Dr. McCleave to George Donnelly and the Digby Home Furnishings Bursary, a one hundred and fifty dollar scholarship, was presented to Robert VanTassel by R. G. Handspliker.

Following the presentation of awards Dr. McCleave read the prize list for Grades VII to X. The graduation exercises were then closed with the singing of the National Anthem and the recessional march of the graduates.

Canadian Freight Association In Session

Some one hundred representatives of Canadian railroads are attending the annual meeting of the Canadian Freight Association, which is in session at the Digby Pines Hotel. Also meeting with the representatives of Canadian railroads are representatives of American lines which operate in Canada and representatives of other U. S. railroad lines.

Business sessions occupied the most of yesterday's program of the association. Matters of joint interest between the U. S. and Canadian railroad men were discussed as were matters of freight transportation, rates, and other items affecting the industry.

Attending the sessions as guests of the Association are Frank VanUmmerson, Boston, Chairman of the New England Territory Railroads, and W. T. Tannehill, Chicago, Chairman of the Central U. S. Territory Railroads. Presiding over the meetings is Robert K. Watson, of Montreal, the permanent chairman of the organization. J. F. Cunningham is recording secretary.

Tuesday night the delegates and their wives were guests of Captain J. C. Plomer, DSO, R.C.N. Officer Commanding H. M. C. S. Cornwallis, at a Ceremonial Supper set at the Cornwallis Naval Base. All of those present at the ceremony expressed themselves as being tremendously impressed with the precision and excellence of the drill which was carried out.

Tuesday afternoon members of the association, their wives and guests, were tendered an enjoyable afternoon party by Mr. A. A. Dunphy of the Dominion Atlantic Railway.

The sessions of the association will conclude Friday.

Victor Cardoza, M.L.A., was a business visitor to Halifax this week. He was accompanied by Mrs. Cardoza and daughter Elizabeth.

St. Patrick's Academy Holds Closing

The annual June closing of St. Patrick's Academy was held in the school auditorium on last Thursday and Friday evenings. A program of plays and other entertainment featured both evenings with the presentation of prizes for highest standing in the various grades at the close of the program Friday evening.

On both evenings the program was thoroughly enjoyed by the capacity audiences which attended. The young performers all excelled themselves throughout the entire program and gave real evidence of the excellence of the instruction and training they had received.

The opening play of the program was in honour of the Marian Year, and was entitled "Our Lady of Fatima". Stage settings and costumes for this performance were excellent and were in keeping with the characters and time portrayed. Taking part were Judy Hattie as Lucy; Judy Saurier as Jacinta; Clifford Melanson as Francis; Mary Sweet, Rae O'Neill, Marjorie Belliveau and Joan VanTassel as witnesses; Patricia Surrette as announcer and Theta Winchester as the Blessed Virgin.

An operetta, which really brought down the house was next presented. This was "Little Brave Sambo" and was preceded by a rhythm band overture which was also much enjoyed. The cast of the operetta was Joan McIntyre, Mumbo; Arthur Surrette, Jumbo; Johnny Amira, Sambo; Tommy Muise, David VanTassel, Floyd Amoro, Mary Sharon Theriault, four tigers; Donna Hersey, reader.

Folk dances, "O Susanna", by grades five and six, and "Pop Goes The Weasel" by grades four and five followed. Next was a playlet, "Belling The Cat", in one act, with music. In this a recitation, "Mice", was presented by Wendy Adams. The mice were Lorna Winchester, Doreen O'Neill, Elizabeth Cardoza, Elizabeth Peters, Jean Dugas, Yvonne Comeau, Marlene Comeau, Wendy Adams, Linda Paxton, Louise Comeau, Douglas VanTassel.

A folk dance, "The Crested Hen", by grades three and four then followed and this was followed by a play taken from "Anne of Green Gables". This play told the story of the adoption of Anne and was extremely well presented. The cast was as follows: Anne — Sharon Foster; Marilla — Addie VanTassel; Matthew — Billy Amira; Mrs. Rachel Linde — Joanne Hattie; Mrs. Blewitt — Betty Ecker.

The grade eight farewell, a recitation by Stearnes, Henshaw, brought the program of entertainment to a close.

The presentation of prizes then followed. Prizes for highest standing in the grades were awarded as follows: Grade I: 1st, Cecile Doiron, 2nd, Yvonne Comeau; Grade II, 1st, Elizabeth Cardoza, 2nd, Louise Comeau; Grade III, 1st, Brian Ruddick, 2nd, John Roope; Grade IV, Judy Hattie, Tommy Muise; Grade V, Mary Sharon Theriault, Arthur Surrette; Grade VI, Patricia Surrette, Gregory Eldridge; Grade VII, Stearnes Henshaw, Sharon Foster; Grade VIII, Rae O'Neill, Joanne Hattie. Prizes for perfect attendance during the year were awarded to Betty Ecker and Joanne Hattie.

Convocation Exercises Home And School Held At Church Point

The Bishop of Yarmouth, Msgr. Albert Lemenager, presided at Convocation exercises in Church Point in the College Auditorium where 13 Bachelor of Arts and a Bachelor of Commerce degree were conferred.

Graduating with the degree BA were Alfred Melanson, Corberrie N. S.; Allan McInnis, Sydney; Leon Laidlaw, Sydney; Balbo Bianchini, Reserve Mines; Benoit Robichaud, Meteghan Center Digby County; Donald Boudreau, Meteghan; Paul Urbain Bellevue, Bellevue Cove; Enos Theriault, Ste. Anne, N. B.; Rodolphe Dupre, St. Basil, N. B.; Francis Blighard, Charlottetown, P. E. I.; Raymond Richard, Grand Digby, N. B.; and Kenneth d'Eon, Lynd, Mass., U. S. A. The Commerce diploma was presented to William Doucet, Salmon River, Digby County.

Alfred Melanson carried off the Governor General of Canada Medal, awarded the student carrying the highest average up on graduation. A medal presented by the Government of France to the student of the sophomore class holding the highest average was won by Pierre Poulin, Ville St. Georges, Beauce County, Que.

French Valetudinarian Alfred Melanson told his fellow students that when Christopher Columbus stumbled on the Americas, he discovered a door to colonization. He paralleled this idea by pointing out to the graduates that they had discovered a new world, a key to the door of success through their "good Christian education and instruction at St. Ann's."

Special thanks went from the graduating class to the fathers of St. Ann's for work and zeal which "will be appreciated forever by the members of the Class of '54."

English Valetudinarian Allan McInnis said, "The graduates of St. Ann's are both glad and sad. They are glad to receive the degrees they studied so earnestly to obtain, and sad to leave their Alma Mater, where they have spent interesting and pleasant years."

His Excellency Msgr. Lemenager reminded the graduates that "this is the greatest day of your lives."

Elects Officers

The Roseway Home and School Association met in the school house last Tuesday evening for their annual meeting. Twelve members were present. The meeting opened by repeating the Lord's Prayer in unison.

The new officers for the coming year were voted in and were as follows:

President, Mrs. Waters, Com-
eau, re-elected.

Vice-President, Mrs. Thurston Banks.

Secretary-Treasurer, Mrs. John Gidney.

Program Convener, Mrs. Hugh Robbins, re-elected.

Ways & Means Convener, Mrs. Darrell Lewis.

Health Convener, Mrs. Dorothy Porter, teacher, re-elected.

Membership & Social Convener, Mrs. Thurston Banks, re-elected.

The Education Convener will be elected at the first fall meeting.

Mrs. John Gidney was appointed as delegate to the Music Festival Committee when it meets again next year.

The membership dues for the coming year will be raised from thirty-five cents to forty-five cents.

Cash on hand at the present time is \$22.96. The work of finishing the sink drain in the school house is being done by Mr. Mike Isaacs, of Roxville.

The project of the Home & School now is to concentrate on building up a fund for the purpose of repairing the Community Hall, which is badly in need of outside work. It is hoped all the citizens of the community will respond as generously as they can. A tea is being held shortly for this purpose.

After the business Mrs. John Gidney read from the Home and School magazine an interesting article on Citizenship — the privileges a Canadian citizen has and enjoys and also his duties.

Mrs. Thurston Banks, as social convener, conducted the social program for the evening.

In activity we must find our joy as well as glory; and labor, like everything else that is good, is its own reward. —Edwin P. Whipple

Red Cross Leadership Training

It will be "rise and shine" at 7 and "lights out" at 10:30 again this year at the Atlantic Provinces High School Junior Red Cross Leadership Training Centre.

And there will be more "must" activities, including some which might seem a bit on the tedious side for boys and girls who have only just begun their hard-earned summer vacations.

On second glance, however, the daily schedule of the big event to be staged at Acadia University, Wolfville, N. S., July 6 to 15, reveals that rests, breaks, recreational periods and free time will add up to a fairly sizeable portion of the delegates' waking hours. There is also plenty of provision for special events, such as visits to the Grand Pre National Park and outings to other points of interest.

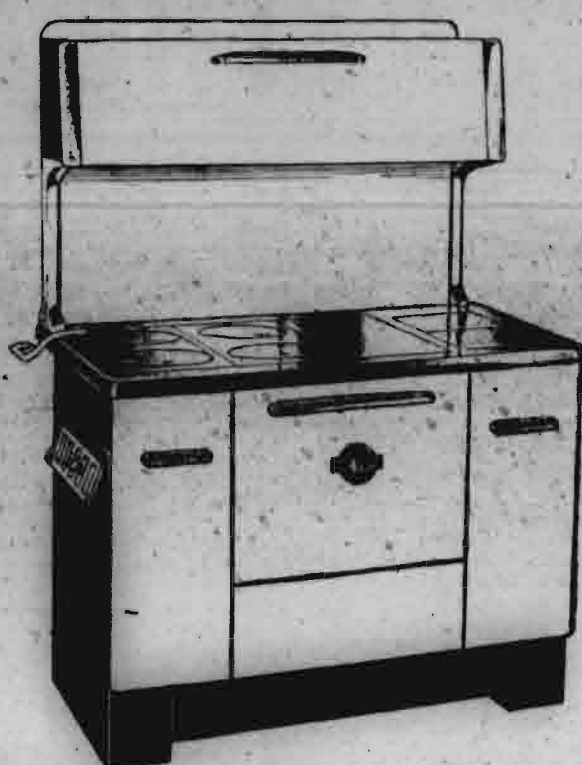

"All in all, it is shaping up as bigger and better than last year's," it was stated by Miss Elizabeth O. R. Browne, Halifax, who recalled that students attending the 1953 centre — at Mount Allison University, Sackville — had described it as the "best time in their lives," and meant it.

The broader all-camp participation plan, on the other hand, ensured greater benefits to Junior Red Cross, insofar as the future growth of its high school program is concerned. Miss Browns, director of the junior society in Nova Scotia and now named to serve as assistant director of this year's Atlantic Provinces centre, said that all delegates would take part in such activities as art, music, sewing, photography, swimming and water safety — including first aid — the preparation of exhibits for international exchange and of therapeutic toys and other articles for children in hospital.

Journalism and public speaking are among special subjects to be taught. The centre's director, it has now been announced, will be Lewis A. Fraser, principal of the Lockeport, N. S., rural high school.

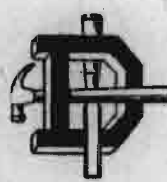

Adventures are to the adventurous. —Benjamin Disraeli

NOVA SCOTIA COAL - THE THRIFTY FUEL

No. 18 Bankhead, Cape Breton

USE
NOVA
SCOTIA
COAL

With a coal-burning furnace of modern design which is fed by an automatic stoker, a very steady heat can be obtained because there is always a fire burning in the furnace. Consequently, the temperature of the water in the heating system may be kept practically constant. A constant temperature may be obtained in the home if the system is provided with adequate controls. This constant temperature which gives a maximum of comfort is not obtainable from other fuels. Where fuels other than coal are used the fire is extinguished entirely when a pre-determined temperature is reached in the home. This results in a temperature variation of as much as six degrees with the attendant discomforts which such a variation causes. You can avoid this temperature variation by using Nova Scotian coals in the proper furnace.

Give your family the comfort of a steady heat in the winter months by using Nova Scotian coals.

Getting Along

With People

Happy human relations depend on ability to get along with others whether they are our children, our associates, our employees, or even our employers. In a recent address, Dr. C. C. Goldring, Director of Education for Toronto recommends some important words.

"In human relations the five most important words are 'I am proud of you'."

The four most important words are 'What is your opinion?'

The three most important words are 'If you please'.

The two most important words are 'Thank you'.

And the smallest word is the capital 'I'."

An Interesting Letter

During the first part of April of this year we read in our news the horrifying details of a west-bound Trans-Canada Airlines transport and a northbound R.C. A.F. training plane colliding in the prairie sky over Moose Jaw, Saskatchewan.

On March 31, Mrs. Donald F. Brown, of Bear River, had sent an order for stationery to the Pacific House Ltd., located in British Columbia. About a month later the package was delivered with an enclosed letter from the firm stating the following:

"We thought that you might be interested to know that your order was in the Moose Jaw plane crash and are enclosing it with your order."

The original letter that was aboard the T.C.A. North Star is entirely readable but quite charred around the edges. The fire from the plane made a distinct imprint of the two-dollar bill that had been enclosed.

In reality, a rather insignificant stationery order was sent by letter, but from this incident we realize how carefully our Canadian mails are taken care of even during times of disaster.

Report From Parliament Hill

By George C. Nowlan

June 19, 1954

This week, Parliament sat from eleven to one, from three to six and from seven to eleven, every day of the week, including Saturday. The long hours accomplished much in progress of legislation, and also exacted their toll of strength and energy. As a result, it can definitely be stated that hatching the unexpected development of some National or International emergency, Parliament will prorogue before the end of next week, probably before these lines are being read. Therefore, this will be the last Report from Parliament Hill for this Session. I trust that this column has been of some little interest to the various readers throughout the constituency. At least I have had many letters to that effect. If the Editors concur in this judgment, then I will look forward to reporting again to you when Parliament re-opens for the next Session.

Although a great deal of work has been done, yet very little of it would make interesting reading in this column. Practically all of the time has been spent in the hum-drum chore of perusing estimates. So let us, in this last report of this Session, indulge in a little political speculation.

There can be little doubt that before Parliament reassembles, a major Cabinet reshuffle will have taken place. It is now generally believed that Mr. Lionel Chevrier will resign as Minister of Transport, and become the Chairman of the St. Lawrence Waterway Commission. This move, of course, has been rumored for many months. A year ago, it was believed to be impending. At that time, it was understood

that the Professional Engineering Institute of Canada had suggested that the Chairman should be an engineer, at least during the construction stage. Then came further delays at Washington. As a result, more than a year has elapsed since the rumors were first heard. Now it is believed that an appointment will be made within the next few days. In fact, the Minister was asked the other night in such an appointment had been made. He smilingly replied that he believed the appointment had been approved and that an announcement would be made by the Prime Minister in the near future. At any rate, when he concluded his Estimates, various Members referred to these rumors, and suggested that if he did leave the House, he carried the best wishes of all of us. As his last item was passed, he received a tremendous round of applause from the Members of all political parties.

Another resignation believed to be in the immediate offing is that of the Minister of Finance. Mr. Abbott's friends say that he has definitely decided to retire from public life. One would think he might return to private practice in Montreal, where he could undoubtedly achieve a substantial fortune in a relatively short time. However, his friends say that his eye is cast upon a judicial appointment. The Montreal Gazette, the other morning, ran a powerful editorial criticizing the Government on the possible appointment of a Cabinet Minister to the Supreme Court of Canada. No names were mentioned, but it was obvious that Mr. Abbott was a very irritated gentleman on the morning the editorial appeared. It is believed that tremendous pressure has been exercised to attempt to have Mr. Abbott remain. There is little doubt but that he could attain the Liberal Leadership if that became vacant in the immediate future. Apparently, however, he has had enough of public life, and prefers the serenity and dignity of the Court to the hurly-burly of politics. There is no doubt that the pressure to continue will be intensified as the date of his resignation approaches, but his friends say he is adamant.

And there are many new rumours respecting the Prime Minister. These are not based on any supposedly breach of confidence of friends. No whispers have prompted them. They have originated because of the appearance of the Prime Minister, himself. You may remember that in this column I ventured the suggestion many weeks ago that the Prime Minister's World tour would exact a terrific toll. Unfortunately, my prophecy was all too true. When he returned to Canada, he was obviously very tired. After getting back with old friends, he seemed to recover his strength for a few days, but during the last few weeks, he has appeared very weary. It would not be unfair to say that he has suddenly become an old man. Apparently he has always enjoyed the best of health, and possibly a long rest at his summer home will restore his vitality and energy. If so, he probably will carry on. However, Liberals very active in the Councils of their Party have been known to say that they would not want to have happen on the eve of an election what has happened here during the past few weeks.

Undoubtedly many a Cabinet Minister is wondering where he will land in the reshuffle, and more than one ambitious Parlia-

The report of the Convention Board of Evangelism was brought by Rev. L. R. Atkinson, the Maritime Convention evangelist. He was assisted in this report by Rev. Hobson, of Lawrencetown, who related that more than 200 first time decisions for the Church had resulted from the preaching mission in the Annapolis Valley Baptist Churches during the first two weeks of May. Rev. Fred Gordon reported for the "Maritime Baptist" in the absence of Dr. Gibeau, the editor.

Rev. H. C. Wilkinson, Feller College, Quebec, addressed the Association on the work of the college, and in the French Baptist Churches. Rev. Carol Armstrong, Annapolis, gave the report of the Lord's Day Alliance. The morning session closed with a fitting memorial service for those passing from the work of our Association during the past year. This service was conducted by Rev. R. R. Winchester, of Barton.

The afternoon session of the closing day of the Western Association was opened at two o'clock with Rev. Fred Helps, of Toronto, addressing the meeting on Church School materials, as published by Baptist Publications of Canada. At two thirty the session came under the direction of the Associational W. M. S. with Mrs. Austin MacPherson, Middleton, in the chair. Mrs. Eric Miner, Freeport, welcomed the delegates and visitors. Dr. Ben Gullison, on furlough from India, addressed a capacity audience on the work of the mission in India. He gripped the congregation with his portrayal of what we are doing in India as a Christian mission and the possibilities of what we might do.

At the afternoon session Rev. Ernest Churchill, the moderator, called to the platform Rev. R. W. Lindsay, Lower Grandville, who is the incoming moderator of the Association for next year. Rev. Mr. Lindsay is one of our veteran pastors and spoke feelingly in reply to the introduction by Mr. Churchill.

The closing session of the Western Association opened at 7:30 on Friday evening, June 18. The moderator led in the open-
