# 1877- 1978

**1877-1977**

One of the jobs I had to do, besides putting and  
graders' devil on the staff, was to... I cleaned one  
and then... One day not long after I started to get to  
the grating plant. I decided to climb the floor that  
apparently hadn't been cleaned for some con-  
siderable time.

"J.J." came along and said "how are you making out Vince?" I assured him that I thought I was beginning to see the floor. "J.J." laughed very heartily. He thought the remark pretty good and said:

Sometimes the gasoline engine, a piece of machinery would refuse to work, and the "Man" fix it. A man had patiently worked for a certain length of time to get it going again, without results. Man would then stand back and come quite dramatically then he would immediately start working. "See," he would say, "all it needed was a bit of coaxing."

On other occasions when my wife refused duty for me and seemed to be broken, I would say, "use a little oil" and use humor, often that is all it took. Then often since, have I heard of the value of that remark and the actual need of oil in many life situations, applied at the right time, right place and in the right way.

place and, in the right way.

Other things that sort of stick in my memory and come to mind now and then are, like the June 1941 "Mac" of four teenage boys who in the spring season of 1941 got together just before dark one evening and decided to initiate the newly built outdoor Pease Hotel swimming pool which had just been filled with water. Clothes were taken off near the road just out of the pool, nobody else seemed to be around and the four boys, no thought or time for bathing suits, up in the pool they went. They stood on the edge of the pool and looked at the chilly water, one soon jumped in. The rest quickly followed and across the pool they swam. "Mac" listened to the story and hardly said anything, but the next "Digby Courier" had a good story on the episode. The heading of the story went something like, "Four Boy Swims Officially Open Pease Hotel Swimming Pool." Who were the four? Many years later they are known as: the late Dr. Earl H. Anderson, veteran of two wars (second world and Korea), was awarded the Vietnam Cross; Sidney L. Smith, now prominent draughtsman for many years in Digby; Clayton D. Snow, Digby wholesale importer and bookshop; and myself.

As a young treasurer I used to like doing some writing about different events interesting to myself and mostly for myself. One day "Mac" said to me how about writing your version of the story told about "The Marooning of Jerome". I did it and read it aloud to two somewhat different groups of the men who was found marooned on a French Island some place on the French Shore of St. Mary's Bay, Duffy County. When I read this man's tongue had been cut out and his legs quite freshly amputated, were surgically well dressed and bound. He was presumably left by some vessel before dawn one morning, all for some mysterious reason.

Jerome appeared to have been a man of considerable social standing and, possibly, of considerable wealth. However, the only thing I could or would ever say after being asked and probed by some family in the Forest was that something that sounded like the name before either, could not, or would not, apply to the man who he was or why he was left there. I was, and is, one of Dugby County, and I am sure, different ideas have been put forward in the past concerning this man. However, "Mia" was, I felt so sure he was, that I was different about this man. The only thing I have been very well explained to me.

From the files of the Chamber of January 22, 1967, the following account has been copied concerning India in 1965:

Among a number of old newspapers kindly sent to us are items in a copy of the Saint John Telegraph and among other advertisements contained in the issue before us is one describing the town and farming of Digby, and offering for sale certain lots in the town. In this area we are told the township of Digby "extends from the Gut of Cansuque westward to the extremity of the province of Nova Scotia, and contains about 124,000 acres." The town plot is then described.

The Town Plot is situated at the east of the township just within the entrance to Annapolis Bay, and twenty miles from Annapolis Town, and six miles distant from the head of H. Mary's Bay. This land, and not from the water's edge, partly is level ground, and partly on the declivity of a modern hill, dry and pleasant, and having on an eastern aspect a view of the Annapolis Bay, and its cultivated shores for twenty miles in extent, it terminates with the Fort and River's mouth at that name. It was secured by Leyden's train (New York) in 1645, the point of which went nearly to farther, as, moving to other countries, left the shore

The question was then debated by some Digby High School students, one of which was J.J.'s daughter, Florence (now Mrs. Marvin of Tibert, Prescott, Digby Co.). Some days after the debate a man from some part of Nova Scotia came to the printing shop looking for Florence, one of the successful debaters. I had the impression that this man was interested politically but, maybe I was wrong.

Well, I felt that I had learned considerable from my short experience at "The Wallis Job Print." I was learning to do beginner jobs, receiving some knowledge about things like embossing, stapling, perforating, coaming, cutting and crumpling paper stock, mixing inks for certain desired colors, and so forth, too. The only experience I had at setting type was just enough to make a "go," the printers name for a completed mass.

There was a taste of trying to do it all inside the plant. Work was a little slack one early fall day and so "Mac" said to me, "how about trying your hand at taking orders for printed personalized Christmas cards?" I took it, made several calls, spent most of the time alone preparing the orders and got an order, but

## SUGGESTS CAUSEWAY FOR BEAR RIVER

Dear Mr. Editor —

March 30/57.

The Year 1886. A year to Remember — Lord Strathcona in driving the last spike, touched off the Celebration of Canada's First Transcontinental Railroad.

Across the mouth of Bear River, dividing Annapolis and Digby Counties, workmen were already started on construction of a new traffic bridge — two years later this was completed.

Henry Ford, an unknown machinist was lying awake nights, dreaming of a horseless carriage, which four years later became a reality, but evoking insufficient enthusiasm to suggest to a conservative age, it would ever crowd the horse drawn vehicle off the highways.

The Bear River Bridge was built for horse drawn vehicles, and the engineers of the day estimated the stresses and strains on that basis. A sign placed at the approach warned, "Walk your Horses".

A resident of the area recalls that in 1904, when rock ballasting was required, a limit of three carts carrying one yard, was all that was allowed on one span.

Time marches on — nature takes its toll even in steel, underwater parasites thrive on pilings, and the horseless carriage, confounding the skeptics, gets bigger and faster, one ton, two tons, twenty tons, hit the bridge at varying speeds, depending on the wisdom of the driver. Marked a One Lane Bridge, this admonition is overlooked at times, and one wonders if the designing engineers ghost is not muttering in his beard "How Long, How Long can this last?"

At the peak of the tourist season it is not uncommon to witness on the Digby County side, where the wooden approach to the steel takes a 90 degree left turn, six, eight, or

## Town Council Meets

Digby will adopt Daylight Saving Time April 28th, and continue the fast time until October 26th, it was decided at Monday night's meeting of the Town Council.

Building permits were issued to Jack Rosenthal for the construction of a house on his property on King Street and to Henry Shortliffe for improvements to his apartment house on 1st Avenue.

Representations were made to the Council meeting regarding decision of Council to close the town dump for several days each week. It was stated this constituted a hardship to garbage collectors and to the general public, particularly at this time of the year when the winter's refuse was being handled.

It was decided to open the dump each week day between the hours of eight in the morning and six in the evening.

John Raymond also spoke at some length to the Council regarding the town dump and the approaches to it. He repeated claims made at previous meetings concerning his dissatisfaction with an agreement made between himself and the town some years ago regarding an approach to the dump and the dump itself. He also stated the town could not bar the approach to the dump as it was a public thoroughfare.

Permission was given the VON to hold a Tag Day on April 6th. Dr. D. G. Black was appointed the Council's representative on the July 1st Fair Committee. An appeal from the Annapolis Valley Affiliated Boards of Trade for a financial contribution from the town was tabled.

Mayor Gordon Turnbull reported that the delegation which appeared before Premier Stanfield and Trade and Industry Minister E. A. Manson in Halifax regarding the fate of the H. T. Warne Ltd. lumber and box plant had been well received.

It was reported appeals dealt with by the assessment appeal board had resulted in a lowering of the total assessment of the town by only \$2,600.

## Fish Packers Discuss Insurance Problems

A number of fish processors from Digby County attended the meeting of Nova Scotia Fish Packers held last week in Halifax. Included among these were Chester Outhouse, Tiverton; E. B. Richardson, C. D. Snow, Vincent G. Snow and R. B. Lent, Digby.

Among important items which were discussed at the meeting was the problem of Unemployment Insurance for fishermen which goes into effect April 1st. Difficulties in connection with applying the unemployment insurance to fishermen who are self employed and other such matters came in for a great deal of discussion.

It was pointed out that in the case of fishermen who are self employed the first general rule is that the person who first buys the catch makes the contribution for all the fishermen who will get earnings from this catch. He has this responsibility whether he buys the catch himself or through a representative. When he is thus regarded as an employer, the buyer makes contributions for all members of the crew. This includes the skipper or head fisherman, even in cases where the skipper is the real employer of the other members of the crew.

The major exception to this rule is that where a fisherman is working for wages, or for wages plus a share of the catch, and has an actual employer who is not one of the crew, then the actual employer makes the contributions. An example of how these rules work is the lobster fisherman who employs a helper and pays him a weekly or monthly wage. In this case, the buyer must insure both the lobster fisherman and his helper. (This applies only during the period of active fishing, that is, while fish is being delivered to the buyer. Before or after the period of active fishing, the helper must be insured by the lobster fisherman, provided he is working at insurable employment such as preparing for the fishery).

There will be some cases where the skipper packs and ships his own catch and the catch of his crew members to a distant buyer in Canada, or perhaps in the United States. The buyer in such cases cannot act as the employer; the skipper must make the contributions for his crew and he would not, himself, be insurable.

If a Canadian fisherman himself takes a catch to a buyer with no place of business in Canada, and the sale and delivery are both made outside of Canada, the buyer cannot be the employer. In such a case, the contributions will be paid by the actual employer if the crew works for wages; if not, then that operation is not insurable.

## Bible Society Holds Meet

A report on the 1st annual meeting of the Nova Scotia Auxiliary of the British and Foreign Bible Society was given at the annual meeting of the Digby Branch here last Friday night by Mrs. Douglas Syda.

In her report Mrs. Syda gave an interesting account of the meeting, which was held in St. James Church, Dartmouth, and said \$360,000 had been sent to England to assist in the work of the British and Foreign Bible Society by the Canadian Bible Society.

Invocation at the annual meeting of the Digby group, which was presided over by Vincent G. Snow, was given by the Rev. E. C. Churchill. It was reported that collections for the work of the society had amounted to \$586.38 in the Digby area in 1956. This was an increase over the previous year, it was stated.

During the past year literature on the work of the society was widely distributed, it was reported. Six outside contacts were made during the year and a number of films shown. Two points were reorganized during the year.

It was decided a further meeting for the election of officers and planning of the 1957 financial campaign and other business would be held on the evening of either the first or second Sunday in May. J. J. Brittain, Lieut. Clarence Bradley, Ralph Berwick and Mrs. J. M. Wallis were named a nominating committee to bring in a proposed slate of officers at that meeting.

A delegate will also be named to attend the annual meeting of the Nova Scotia Auxiliary of the Bible Society which will be held this year in Truro today. The meeting will open at 2:30 with reports of committees and other business. The evening session will feature an address by Rev. Dr. Mohan, branch secretary for Cape Breton and Newfoundland.

## BOY SCOUTS ENJOY PARENTS' NIGHT

On Wednesday evening, March 27th, the Scouts of the First Digby Troop held a Parent and Scout supper in the Fire Hall on First Avenue. Approximately sixty persons were present.

The hall was tastefully decorated for the occasion with signal flags and souvenirs from the 1955 World Jamboree in Niagara-on-the-Lake, Ontario. The tables were trimmed in the traditional Scout colours of green and yellow. Miniature signal flags were fashioned into napkin holders, and there were little birchbark canoes, stamped with the Scout motto, "Be Prepared", as favors. The Rev. Mr. Churchill asked the Blessing, after which everybody enjoyed a delicious lobster chowder prepared and served by the Group Committee.

At the close of the meal S.M. Rufus Connor welcomed the guests and introduced the members at the head table. They were Dr. G. V. Turnbull, President of the Group Committee, and Mrs. Turnbull; Mr. H. C. Morton, Treasurer of the District Council; District Commissioner Norman D. Wright; A.S.M. Gerald Hoare and Mrs. Hoare; A.S.M. Carl Warner and Mrs. Warner, and Mrs. R. Connor.

Commissioner Wright expressed his pleasure at seeing so many of the parents present, especially the mothers, as this was the first time they had been invited to a Scout supper. He then gave a brief outline of Scouting and the opportunities it affords. At this time Commissioner Wright introduced two Scouts who have had the honour of being chosen by Provincial Headquarters to represent Digby at the Jubilee Jamboree in Sutton Park, England. They were Queen Scout John Hawkins and Scout 1st Class Douglas Wright. Mr. Wright then described briefly the duties of the Group Committee and the District Council, for the benefit of those who did not understand their connection with the Scout Association. Lastly, Mr. Wright introduced the idea of forming a Ladies' Auxiliary to work with the Scouts.

S.M. Connor, who recently resigned, due to the fact that he will shortly leave for the United States, called on the Chairman of the Group Committee, Mr. T. W. Cleveland, to promote A.S.M. Hoare to Scoutmaster and present him with the green hat plume, the symbol of his rank. Mr. Hoare, in thanking Mr. Cleveland, expressed the hope that he would be able to carry on in the fine manner of his predecessor. S.M. Connor then handed over to the new Scoutmaster the record books, with the wish for every success in his work.

Next on the program was a presentation of three volumes of P.O. & R. to S.M. Hoare, A.S.M. Warner and T. L. Hawkins. Each Scout and Patrol Leader received neckerchief slides made and presented by S.M. Connor, S.M. Hoare, on behalf of the First Digby Troop, then presented S.M. Connor with a statuette in appreciation for his services.

The Rev. Mr. Churchill gave a vote of thanks to S.M. Connor on behalf of all the parents. Mr. Churchill spoke in appreciation of the time and effort S.M. Connor had devoted to the welfare of the Scouts, and regretted the fact that he was leaving the Troop and the community.

Mr. Rufus Connor Sr. spoke a few words on the Scouting in England during the First World War and of how the Scouts helped the cause by patrolling the coasts and running messages, thus releasing men for more important duties.

Following this Patrol Leader Keith Churchill showed some slides taken by him at the Jamboree in Niagara. Troop Leader John Hawkins then ran two films, one of the Niagara Jamboree and one of Valley Forge. The evening came to a close with the singing of "God Save The Queen".

## Local and Personal

Victor Cardoza was a business visitor to Halifax last week.

Phillip Woolaver was a visitor to Halifax and Truro last week.

Sydney L. Smith is in Halifax at Camp Hill Hospital undergoing a check-up.

Mr. and Mrs. Clayton Hewey and daughter, Marina, of Annapolis Royal, spent the weekend with their daughter, Mrs. Basil Lewis, and Mr. Lewis and family, of Canning, Kings Co.

Recent visitors at the home of Rev. and Mrs. L. R. Atkinson were Mrs. Maynard Dakin, Dartmouth, Mrs. Wayburn Frost, Deep Brook, and Dr. Murray Armstrong, Saint John, N. B.

## Residents Puzzled By Blast

A mysterious explosion which was heard from some distance occurred in the south end of town late last Thursday evening.

Investigation into the blast, which occurred about eleven o'clock Thursday night, revealed a shallow hole in a roadway near the town dump, thought to have been a result of the explosion.

Because of the lateness of the hour, no one was around to observe the actual location of the blast but residents of the extreme south end of the town are convinced it was in the dump area.

So severe was the blast it was heard across the Joggin, in Conway and in some of the north end sections of the town. Residents of the immediate area where the blast is thought to have occurred were much alarmed and ran out of their houses to find out what had happened.

It is understood local police are looking into the matter.

## Rebekah Lodge Holds Regular Meeting

The regular meeting of Zelma Rebekah Lodge was held on Monday, March 25th, presided over by the Noble Grand, Mrs. Evelyn Patterson.

Following the meeting a social hour was spent honouring the birthday of Schuyler Colfax, who established the Rebekah Branch of the Independent Order of Oddfellows. Refreshments included a lovely birthday cake made by the Noble Grand, Mrs. Patterson, who was assisted in serving by Mrs. Rena Dunn and Mrs. Helen Daley.

The form of entertainment following the next meeting, April 8th, will be a penny sale.

## Receive Long Distance Call

Mrs. J. J. Brittain and daughter, Jean, spent several days last week visiting Mrs. Brittain's father, Albert Shaw, and Mrs. Shaw at Black's Harbour, N. B. While there they talked by telephone to Mr. Shaw's other daughter, Mrs. William Morgan, and Rev. Mr. Morgan, of Louisburg, Natal, South Africa. Conversation could be carried on with ease and clearness Mrs. Brittain reported.

## Breaks Hip Bone In Fall

Bobby Vidito, ten year old son of Mr. and Mrs. Stanley Vidito, had the misfortune to fall while playing on box cars near his home Monday, breaking his hip bone.

The accident occurred about four o'clock Monday afternoon as Bobby and some companions were playing on the roofs of some of the box cars. Young Vidito slipped and fell between the cars, striking his back and leg on the steel couplings.

At first it was thought no bones were broken but later X-ray examination at the Digby General Hospital showed the broken hip bone.

## Accident Could Have Been Fatal

Mr. Baden Outhouse, Tiverton, who was swept overboard from the scallop dragger "Singer" on Friday morning, is resting at his home here from his terrible experience.

Baden was in the water ten minutes, and, with freezing temperatures and a badly hurt foot, he was about to shed his clothing when the dragger reached him.

Had he not been a good swimmer the accident would have been fatal.

Baden saved little Valerie Outhouse from drowning last summer when she fell from a wharf.

His friends hope to see him out again in a few days.

At present he is suffering from a badly swollen foot, which was hurt in the accident.

## Ask Closed Season On Beaver

The Digby County (East) Fish and Game association passed a resolution at their annual meeting here last week asking that the provincial member of the Legislative Assembly, M. S. Leonard urge the provincial Lands and Forests Department to place a closed season on beaver in the county of Digby for the year 1957.

In the House of Assembly last week Mr. Leonard also voiced a plea for a bounty on raccoon. He said these animals were doing great damage to farm crops and poultry. Present municipal bounties were too low, he said, to make it attractive for hunters to hunt raccoon.

## Special Easter Program

A special Easter program was conducted by Grace United W.M.S. on Tuesday afternoon with the president, Mrs. James Brooks presiding.

Readings entitled "The Festival of Easter" and "Happiness at Easter" were read by Mrs. Elton Arnold and Mrs. Philip Kaye respectively. An Easter solo, "The Saviour Liveth", was sung by Mrs. J. M. Wallis, accompanied on the violin by Mrs. Elton Arnold and on the piano by Miss Janet Cornum.

Assisting in the worship service were Mrs. Gordon Arnold, Mrs. Brooks and Mrs. Kaye. A special Easter study was presented by Mrs. Wallis, Mrs. Oakley Turnbull and Mrs. Burton Fleet.

Mrs. Turnbull announced that her secretarial department will be presenting a film program on Wednesday evening, April 10, in the Grace United Hall, when a picture on Temperance and another educational picture will be shown.

## BAPTISM HELD AT ANNAPOLIS ROYAL

Rev. E. A. Robertson, Clementsvalle, held a baptism at Annapolis Royal Baptist Church on Sunday evening, March 17, after the regular evening service. By request of Rev. Carroll Armstrong Mr. Robertson brought the message of the evening.

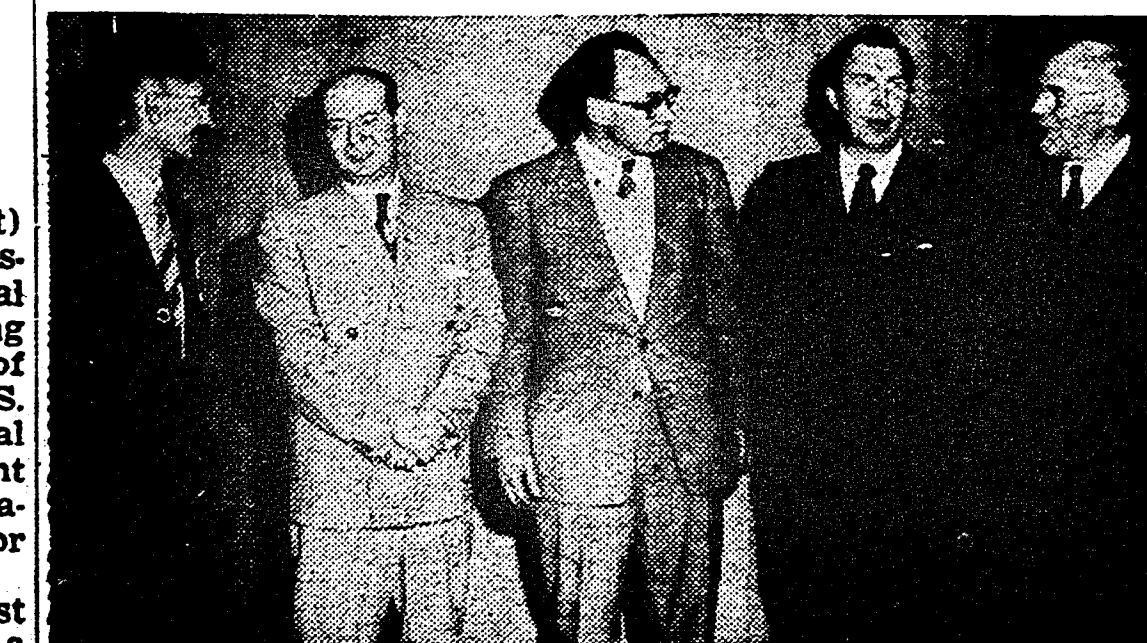

Eight candidates were baptized: Mr. and Mrs. Ralph E. Jefferson, Miss Hazel L. Jefferson, Miss Ruth Ruggles, and four Frost sisters, Sylvia, Vivian, Marjorie and Evelyn.

## H. & S. MEETS TONIGHT

The postponed meeting of the Digby Area Home and School Association will be held at the Regional High School here tonight at eight o'clock, it was announced yesterday. An interesting program, including a panel discussion, has been planned.

During the evening's program many problems will be discussed, including school finance, school activities and curriculum and other matters. A program of entertainment has also been arranged, it is understood.

An invitation to the public, interested in education, has been issued by the executive of the association.

A group of directors of the Maritime Hospital Service Association which sponsors the Maritime Blue Cross-Blue Shield Plans at the annual meeting in Moncton. Left to right: J. A. Comeau, Meteghan River, N.S.; Chairman Dr. J. A. MacDougall, Saint John; Dr. W. E. Hirtle, Sackville; Dr. H. E. Christie, Amherst; Vice-chairman, M. R. Chappell, Sydney.

## Staff Changes

Howard S. Walker, Manager, Digby Pines Hotel, has announced the following staff changes for the 1957 season.

Mr. Vernon R. Hupman, Greenskeeper, Digby Pines Hotel Golf Club, is promoted to the position of Assistant Accountant, Digby Pines Hotel. Mr. Hupman, a native of Yarmouth, has filled the position of Greenskeeper since 1952.

Mr. Clayton VanTassell has been promoted to the position of Greenskeeper, Digby Pines Hotel Golf Club. Mr. VanTassell, a native of Digby, has been employed as Golf Course Foreman since 1954.

Mr. Richard Amoro is promoted to the position of Golf Course Foreman.

## RETIREES AFTER 45 YEARS SERVICE

Mr. Omer Denton, who has been spending the winter in Digby with his daughter, Mrs. Guy L. Morehouse, and Mr. Morehouse, has returned to his home in Little River.

Mr. Denton has recently resigned his position as wharfinger at the Little River breakwater, after serving for forty-five years in that position. He has also served for thirty-five years as Secretary of the Little River school section.

## TENDERED SHOWER

Mr. and Mrs. Dwight Morgan, Smith's Cove, entertained at a post-nuptial shower on Friday evening in honor of Mr. and Mrs. Conrad Franklin, of Hill Grove (nee Marie Height).

A table was decorated with pink and white streamers and wedding bells, with lovely gifts of china, glassware and money. Games were played and refreshments were served.

All present wished Mr. and Mrs. Franklin all the best for a long and happy wedded life together.

## ESCAPES INJURY

Harry Haines, of the crew of the CPS Princess Helene, had a narrow escape from serious injury here Saturday when he fell some sixteen feet from the top of the Iron Duke wharf to the beach below.

He was rushed to the Digby General Hospital where it was found his injuries amounted to a severe shaking up and numerous bruises.

## Fire Department Has Busy Day

Monday was a busy day for the Digby Fire Department with grass fire calls heading the list of alarms.

Two calls were received for fires at the town dump and the department was also called to fight a runaway grass fire at the rear of the Digby General Hospital.

Danger from the grass fires was heightened by a strong wind which blew throughout the day and also by the low humidity which existed on Monday.

The grass fire at the hospital was caused when the wind blew a burning ember from the incinerator into nearby grass. The flames spread rapidly until the whole field was engulfed by the blaze. No damage was reported from this fire or from the fires at the town dump.

Later in the day the department was called to fight a chimney fire and a grass fire at the Racquette. This grass fire was spread rapidly by the wind and later a fire in cleared land at the Pines Hotel required attention from the department when it spread into nearby woods.

It was necessary to fight this fire with back pumps and to leave a man on watch overnight to prevent further outbreaks in the area.

## Runaway Fire Destroys Shed

A runaway grass fire Saturday afternoon destroyed a woodshed on the property of Mrs. Hart Hayden, Bay View, and for a time threatened Mrs. Hayden's home and the village of Bay View.

The Digby Fire Department was summoned and although they could not save the woodshed, were successful in blocking the spread of the flames to other properties in the village.

## LORD MAYOR APPEARS ON T.V. PROGRAMS

It was of interest to many folks of the Islands to hear of Lord Mayor Briscoe of Dublin, Ireland, being on television as well as in the news in Canada. The Lord Mayor is the father of Mrs. Hugh O'Reilly (formerly Dr. Joan Briscoe), who lived in both Westport and Freeport a few years ago where Dr. Hugh O'Reilly succeeded Dr. Edward Blair in his medical practice.

Lord Mayor Briscoe spoke at various meetings in Toronto and Ottawa, later appearing on the Ed Sullivan Show in New York and on to Boston to make an appeal for the Jewish people in their native land.

## Polio Clinics To Be Held

The month of April will see polio clinics started in all school districts in the Western Health Division.

At these clinics, children who received two doses of Salk vaccine last year will be given a booster dose and children who started school last September will begin their initial series.

Children for whom permission for vaccination was received last year but who for various reasons failed to receive the series of injections will also be given an opportunity to continue with the vaccination, if the parents so desire.

It is estimated that 3870 children in the three counties of Digby, Yarmouth and Shelburne, will receive the booster dose, while 1300 will begin the initial series.

Local physicians are again co-operating with the health department and volunteers in arranging and staffing these clinics.

It is of interest to note that no cases of poliomyelitis occurred in the vaccinated group of school children in the Western Health Division since the Salk vaccine was given.

## HOUSE BURNS AT WESTPORT

A grass fire at the southern end of Brier Island got out of control Sunday and burned a house owned by Mr. Victor Strickland. The house was formerly the Glaven home. The fire pumper was taken to the scene but in a short time the house was a mass of flames and the loss is considerable. No one resided at the house.

The homes of Mr. Phillip Graham and one owned by tourists from Virginia were prevented from catching fire in spite of high winds.

## BROTHERHOOD HAS SPECIAL SERVICE

The Brotherhood members at Little River held a service in the Tiverton Baptist Church on Sunday evening, March 31st.

The service was led by Deacon Earl Frost and guest speaker was Rev. Olmstead, pastor of the Little River Baptist Church.

Music was furnished by the Brotherhood, with Mrs. Lindsay Raymond, organist.

Following the Roll Call two male quartettes were beautifully rendered and enjoyed by all present.

## D. F. D. ACTIVITIES

No. 2 Company meeting is second Tuesday of each month.

Card party committee for April 8th: Anthony Saulnier, George Humphrey, Frank Baxter, Wilbur VanTassell, Eddie Amoro, James Wamback.

Winners at Monday night's card party were: Helen Saulnier, raffle; Door Prize, Mrs. Janet Everett; Ladies' High, Lena Handspiker; Ladies' Low, Mrs. S. Barnes; Men's High, Neil Saulnier; Men's Low, Dan Dakin.

Some 14 calls have been received during the dry spell last weekend, most of them resulting from grass fires. This included some still alarms and two outside calls. Further details of these will be found in another column of this paper.

At present tickets are being sold by the members of No. 2 Company on an Easter ham, to assist in the purchase of uniform hats needed by the members not having same.

The public is asked to please be careful of grass fires this year as the grass is unusually hazardous there being more than usual and resulting in not being able to control the burning. In the event that grass fires do get out of hand it is recommended that attention be given to buildings in danger by wetting the grass around the building before starting a fire and in that way may prevent damage.

## Students Visit Legislature

Some twenty students of Grade XII in the Digby Regional High School motored to Halifax last Thursday. While in the city they visited a session of the provincial legislature; visited the Fairley Aircraft plant in Dartmouth, the Halifax Citadel museums and other points of interest in the city.

The pantry sale under the auspices of the Institute will be held on Saturday afternoon, April 20th, not April 1st as was reported in error last week.

## Capitol Current Attractions

Randolph Scott as the Marshal, slow to anger but quick on the draw, furnishes thrills aplenty in the action full pioneer Technicolor production "A Lawless Street", in which he has to cope with a notorious gunman. "A Lawless Street" will be showing at the Capitol Thursday, Friday and Saturday. This is a typical Randolph Scott vehicle for the hard-riding, fast-shooting on the side-of-the-law star. A Stogie comedy and cartoon complete this weekend program. "A Lawless Street" is a Technicolor production. "A Lawless Street" is a Technicolor production. "A Lawless Street" is a Technicolor production.

## About This and That

### Extend Sympathy

The editor and staff of The Digby Courier extend heartfelt sympathy to the widow and daughter of the late Francis MacPherson, and also to his parents, Mr. and Mrs. Frederick J. MacPherson. Mr. MacPherson, whose untimely death occurred last week at the Dawson Memorial Hospital in Bridgewater, was associated in business with his father, editor and publisher of The Bridgewater Bulletin. His death while still a young man in the early forties, came as a shock to his family and also to the weekly newspaper people in the province. Besides the great personal loss to his immediate loved ones, the loss of so promising a young man with a wide experience in weekly newspaper work will be keenly felt in the realm of the weekly press.

The sympathy of the editor of The Digby Courier, moved all the more deeply because of a parallel experience, goes out to the bereaved family.

### Watch That Fire

Carelessness and recklessness are usually counted as the principal enemies to be constantly fought against in the safe guarding of life and property from fire. Careless use of matches ranks among the first in the list of known causes of fire, we are told, and we think immediately of someone throwing away a match before it has been completely extinguished of flame.

But matches can be used carelessly otherwise and we must have many of the most fire-prone could have been wood lots must always be given serious consideration if a match is not to be used recklessly and carelessly in setting a grass fire. Then watch the fire — never leave it even for a short time.

**William Agustus Turnbull**  
William Agustus Turnbull, well known Digby carpenter and farmer, passed away at the Digby General Hospital early Saturday evening.  
Born at Digby seventy-eight years ago, he was a son of the late Agustus and Sarah Young Turnbull. He spent the greater part of his life as a farmer and carpenter in the Digby area. For many years he served Digby as a milk distributor.  
Mr. Turnbull took a keen interest in the affairs of the community. He was a member of Grace United Church and active in the Imperial Order of Odd Fellows. For many years he was active in the Digby Citizens Band.  
He is survived by his wife, the former Leta Lent; a daughter, Charlotte (Mrs. Ernest Mack), of Bridgetown; and a brother, George Turnbull, of Digby. He is also survived by two grandchildren, William Mack, of Acadia University, and Gerald, at home in Bridgetown.  
The remains rested at Jayne's Funeral Home, Digby, N. S., until Tuesday noon, when they were taken to Grace United Church for service at 2:30 p.m. Rev. James Brooks conducted the service and interment was in the family lot, Fairview cemetery.

**Benjamin Budrow Mahar**  
Benjamin Budrow Mahar, well known Digby County carpenter, passed away at his home in Barton on Monday evening. His passing came as a great shock to the residents of Barton. He had been at his usual position at HMCS Cornwallis during the day. Death was due to a heart seizure.  
Born at Harbourville sixty-one years ago, he was a son of the late Albert and Annie Lightfoot Mahar. He was a veteran of the first World War. He saw service in France with the Royal Canadian Army Service Corps. Following discharge he settled in Halifax where he worked as a carpenter. In 1932 he was married to Ina Balser. The family moved to Barton about 20 years ago. For the past 15 years Mr. Mahar has been employed at HMCS Cornwallis as a carpenter.  
He leaves to mourn besides his wife, two sons, Benjamin Jr., of Shilo, Manitoba, and Lloyd, at home; a daughter, Ethelyn (Mrs. Earl Dilon), Truro; and a sister, Maude (Mrs. James Weatherbee), of Waterville, N. S.  
The remains, which rested at

**SCHOLARSHIPS TO BE AWARDED**  
Bowater's Newfoundland Pulp and Paper Mills Ltd. announced today the institution of three university entrance scholarships for Corner Brook students.  
The scholarships will have a value of \$500 each and will be awarded annually.  
Two are for students of the Regional High School and one for students of Regina High School, a Roman Catholic school for boys. A fourth scholarship will be awarded if a Roman Catholic high school for girls is set up.  
The scholarships will be tenable for any course at any recognized university. They will be awarded according to merit and economic need, and payable \$250 on registration and \$250 at the beginning of the second semester.  
Jayne's Funeral Home in Digby, were taken to his late residence and then to St. Mary's Bay Baptist Church, Barton, for service at 3 p.m. today. Rev. R. R. Winchester will conduct the service and interment will be in the Barton cemetery.

## UP SASSIBOO ROAD

Can it be possible, is it really true,

Sand is now being spread on the Sissiboo? (road)

So out with our cars and travel at ease

You won't crack a spring or break your old knees.

'Tis hard to believe, but really is true

We will have better roads up the Sissiboo.

Just wait 'till Stanfield gets off his winter wear

Then we'll have perfect roads and no one will swear.

Why wait 'till June or July

Just to watch the sand fly high in the sky?

Who knows, perhaps before fall, we will roller skate

Right through to town and won't even fall down, hurrah!

There's our dear friend, Leonard So faithful and true, called at each house and said "How do you do?"

He did get our votes with some coming from Liberals so staunch and true,

No use to crow, for we may go out flying in 1962.

—T.V.

Douglas Hatt, Liverpool, spent the weekend with his parents, Mr. and Mrs. Jordan Hatt.

Mr. and Mrs. C. Aker spent the weekend in Halifax with Cpl. and Mrs. G. G. Doucette. They were accompanied to Halifax by their nephew, Timmie Doucette, who has spent the past two weeks with them.

## OBITUARY

**Mrs. Charles Prime**  
The death of Mrs. Charles Prime occurred at the home of her son, Curtis, at an early hour Saturday morning, March 23. She had been in failing health for the past three months and had been tenderly cared for by Mr. and Mrs. Curtis Prime.

Mrs. Prime was formerly Annie Morehouse, daughter of the late Mr. and Mrs. Augustus Morehouse, Tiverton. The family later moved to Westport. She was a member of the Westport Christian Church.

Mrs. Prime is survived by a son, Curtis, Freeport; step-daughter, Mrs. Roy Littlefield, Sausage, Mass.; two grandchildren, Margaret and Jimmy Prime of Freeport; a brother, Judson Morehouse, and sister, Mrs. Guy Thompson, Westport; also several nieces and nephews. A son, Hamilton, was killed in France while serving with the RCAF in World War II. Her husband died three years ago.

Funeral was held from the Freeport Baptist Church on Monday afternoon conducted by Rev. J. W. Derby, Westport, assisted by Rev. Frank Smith. Hymns sung by the choir were "Jesus Lover of My Soul" and "O God Our Help in Ages Past." Flowers were numerous and beautiful.

Pall bearers were Keith Finigan, Rendall Prime, Theodore Teed and Harold Crocker. Interment was in Brookside cemetery.

**Mrs. Mary Young**  
Mrs. Mary Young, widow of Ernest Young, of 5 Gordon Court, Concord, N. H., passed away at the Concord Hospital on March 16. She was 56 years of age.

A talented artist, Mrs. Young for many years was associated with Mrs. Sadie Hart of Concord in the operation of the "Young-in-Hart" Studio there. She was also a member of the Concord unit of the American Legion Auxiliary.

Mrs. Young was a daughter of the late Mr. and Mrs. Cyril Muise, of Digby. She is survived by two brothers, Fred of Digby, and Eugene of Toronto. Several nieces in Digby also survive.

Funeral service was held from the Waters Funeral Home in Concord on March 19th. Attending from Digby were Mrs. Rosie Muise and Mr. Fred Muise.

**Alva Lewis**  
The death occurred in Kentville on March 2 of Alva Lewis, Berwick, Guy of Grenfell, Sask., and Dr. LeRoy Dakin of New York. Also surviving are a number of nieces and nephews. Included among these are Mrs. Lawrence Atkinson, Digby, William Dakin, Centreville, and Maynard Dakin, Dartmouth.

Funeral service was held on Wednesday at the North Hanover Baptist Church at 2.30 p.m.

**Dr. D. A. Stewart** has returned from Summerside, P.E.I., where he spent the past week with his father, Mr. D. A. Stewart, Q.C., and Mrs. Stewart.

Downright delectable... these flavorful Cheese Puffs, fresh and fragrant from the oven.

Made with Fleischmann's Active Dry Yeast, they're a cinch to prepare. Next time you bake at home, bake a batch of these delicious cheese treats!

## Cheese Puffs

1. Scald  $\frac{3}{4}$  cup milk. Stir in lukewarm milk mixture and 1 cup shredded old cheddar cheese. 2 cups once-sifted all-purpose flour.  $\frac{1}{2}$  teaspoon celery seeds. and beat well—about 2 minutes. Scrape down sides of bowl. Cover with a damp cloth. Let rise in warm place, free from draft, until doubled in bulk—about 50 minutes.
  2. Meantime, measure into  $\frac{1}{2}$  cup lukewarm water. Stir in 1 teaspoon granulated sugar. Sprinkle with contents of 1 envelope Fleischmann's Active Dry Yeast. Let stand 10 minutes, THEN stir well.
  3. Beat down batter. Spoon into 12 greased average-sized muffin pans. Bake in a hot oven, 400°, about 25 minutes.
- Yield—12 puffs.

## MARRIAGES

### Franklin — Height

A quiet but pretty wedding was solemnized at the parsonage of the Baptist Church, Annapolis Royal on the evening of March 9th, when the Rev. Mr. Armstrong, pastor of the church, united in marriage Gertrude Marie Height, daughter of Mr. and Mrs. David Height, Lansdowne, and Conrad DuVernet Franklin, son of Joseph Franklin and the late Mrs. Franklin. The bride looked charming in a powder blue street length dress. The couple were attended by Mrs. Donald Franklin and Joseph Franklin.

### Johnson — Marriott

A quiet but pretty wedding was solemnized on March 23 when Rev. E. C. Churchill united in marriage Marion Ann Frances Marriott and Roger Blake Johnson at the United Baptist Church, Digby. A small reception was held in honour of the couple at the home of the groom. The bride is the daughter of the late Mr. and Mrs. Clarence Marriott, formerly of Halifax. The groom is the son of Mr. and Mrs. Walter Johnson, of Digby.

### Vidito — Abbott

A pretty wedding was solemnized on March 21st at 8:00 p.m. at the United Baptist Church, Digby, when Rev. E. C. Churchill united in marriage Joan Marie Abbott, eldest daughter of Mr. and Mrs. Durward Abbott, Marshall's Town, to Nelson Bertrume, son of Mr. and Mrs. William Vidito, Digby. The bride looked charming in a floor length gown of white satin with over-skirt of white nylon net. She wore a shoulder-length veil of white nylon net held in place with a sweetheart tiara made of satin and tiny beads. She carried a nosegay of white carnations.

Mrs. Shirley VanTassel, sister of the groom, was bridesmaid. She wore a ballerina-length gown of pink nylon net over taffeta with matching head-dress. She carried a nosegay of pink carnations. Shirley VanTassel was best man, and the ushers were Mr. E. Crane and Douglas Hodgson. Following the ceremony a reception was held at the home of the groom with some forty guests attending. The happy couple received many beautiful and useful gifts.

They will reside at Digby where the bride is employed at the Digby General Hospital and the groom with the firm of Max Nathal.

groom by Mr. Kenneth Cossett, Trinity Church, Digby, after which they will reside in Toronto.

### Sparks — Cromwell

A pretty wedding took place at Trinity Church, Digby, on March 16th, at 10 a.m., when Brenda Irene Sparks, youngest daughter of Mr. and Mrs. George Sparks, was united in marriage to Caesar Cromwell, youngest son of Mr. Rollic Cromwell, of Weymouth Falls. The bride wore a pretty jacket dress of turquoise with a camelsole neck and full skirt beneath a low waistline and a white lace clip-on bonnet, also white gloves, and she carried a bouquet.

The bridesmaid was Phyllis Jarvis, who wore a sheer nylon net dress over yellow taffeta. The little flower girl was Wanda Pleasant, niece of the bride, who looked very charming in her dress of pink nylon over a pink slip, with white gloves and a headdress of flowers, also carrying a bouquet.

The best man was Reginald Langford, also of Weymouth Falls.

The bride was given in marriage by her father. Rev. H. Y. MacLean, rector of Trinity Church, was the officiating clergyman.

After the ceremony the wedding party motored to Yarmouth and in the evening a reception was held at the bride's home in Weymouth Falls, and the couple received some lovely gifts, including a sum of money. The newlyweds, in a few well chosen words, thanked the well-wishers.

Decorations and the serving, both beautifully done, were carried out by Mrs. Hilda Jarvis, Mrs. Clyde Langford, Alberta Smith and Mrs. Janie Jarvis. Out of town guests included Mrs. Freddie Sparks, sister-in-law of the bride, and Annette Sparks, sister of the bride, both of Halifax.

**CENTREVILLE**  
Herbert Nesbitt, of Rossway, called on his sister, Mrs. Darrell Morton, and other relatives and friends here one day last week.

Kenneth Lewis, of Maine, called on friends here and also was a guest at the home of Mr. and Mrs. Frank Gidney over the weekend.

## CARS ARE MY LINE

by Ken Hankinson  
FROM END TO END

Some of our customers were a little skeptical. I'll admit, when I announced proudly that the new 1957 Pontiac had been redesigned and restyled right from front to back to make it the best car buy on the road today.

From front to back, I told them, and I proved it. From the front . . . well, take the radiator. The Pontiac radiator is structurally much stronger this year and the pressure has been raised from seven pounds per square inch to 13.

I sometimes get a big "so what" when I reveal this — so I explain it. Among the advantages is the fact that the boiling point in the radiator is raised to 31 degrees above normal — that's a big margin of safety.

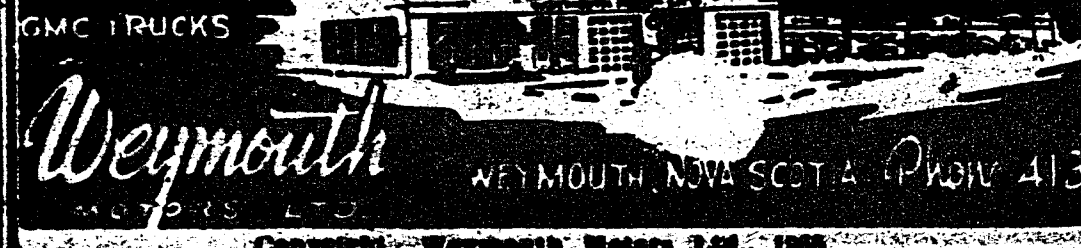

Pontiac is a mass produced car — sure — but not so mass produced it forgets individual needs. There are three different kinds of radiators. With Hydra-Matic transmission the radiator has a built-in oil cooler. And with air conditioning the radiators are bigger to take care of the extra load.

Going toward the back of the new Pontiacs we find a more powerful engine, a new distributor and — Pontiac really stands out here — the entire drive assembly has been improved.

And at the back, rear axle shafts are redesigned and stronger, the differential is new. All of Pontiac is new right back to the striking rear fender fin with its integrated lights reflectors and dual exhaust ports.

Yes, from front to back, Pontiac is the most exciting new car I've seen.

## Talks On Crippled Children Care

At last Thursday's meeting of the Digby Kiwanis Club the speaker was Mr. Daniel J. Rooney, the Executive Director of the Nova Scotia Society for the Care of Crippled Children with headquarters at Halifax. Mr. Rooney was chosen for this post on January 1956 after having taken a special course in the rehabilitation of crippled children at the University of New York.

Mr. Rooney told his listeners about some of the highlights of work which is being done by the Society and associated organizations throughout the Province. This work is made possible largely by funds received from the sale of Easter Seals.

More is being done each year as more funds become available. It is the aim of the Society to eventually contact every crippled child in Nova Scotia and to assist in making this possible a central register is now being compiled.

Mr. Rooney pointed out that while at one time the term, "crippled child," signified one using a crutch or a brace and unable to use his limbs properly, the present interpretation has been broadened to include any child who suffers from a disability severe enough to interfere with his obtaining an education or later, the earning of his livelihood.

Some centers, like Sydney and Yarmouth, have been holding local free clinics for some years and the Society is organizing new ones as the need becomes apparent.

Thus, the Digby Clinic was started in April 1956, and is being held twice a year with 50 children receiving treatment so far.

A recent development has been the formation of a Medical Advisory Council at Halifax composed of leading doctors who meet regularly to deal with the more difficult cases which require very special treatment.

Mr. Rooney told how many children attending local clinics are subsequently referred to the Nova Scotia Rehabilitation Center at Halifax, where physiotherapy, occupational therapy, speech therapy, vocational guidance, job placement and other services are available at nominal costs.

## Scout To Visit England

Willard W. Buckley, son of Mr. and Mrs. Willard Buckley, Saint John, N. B., and grandson of Mr. and Mrs. Stephen VanTassel, Digby, N. S., has been selected to attend the World Jamboree of Scouting, to be held in England in July.

## Armament Course Completed

LAC Vernon S. Bent, son of Mr. and Mrs. Vernon L. Bent, of Digby, has recently completed a twenty-six weeks course for qualification as an Armament Technician at Camp Borden, Ont.

Passing his examinations at the completion of the course with commendable marks, LAC Bent has now been posted to Bagotville, Que., where he will be stationed.

## Well Known Harbor Pilot Passes

Captain Harry Edward Raymond, well known Digby Harbor pilot, passed away at the Digby General Hospital here Sunday morning. He was 70 years of age and had been in failing health for several months.

A son of the late Mr. and Mrs. George Raymond of Centreville, Digby County, Captain Raymond went to sea at an early age and followed the sea all his life.

During the First World War he served in the Merchant Marine overseas and later saw service with life saving crews in English ports. After the war, he went into commercial fishing in the Digby area and also served for a number of years as captain at the Bay View life saving station.

For the past 10 years, he served as harbour pilot in the port of Digby and became widely known among captains of the many cargo vessels which visit this port.

Keenly interested in community affairs, Captain Raymond was noted for his wit and his comments on local affairs were widely quoted.

He is survived by his wife, the former Lena Taylor, of Granville, and by a half-brother, Allan Stackhouse, of Wells, Maine.

The remains rested at the Ramsay Funeral Home until Tuesday when the funeral was held from Grace United Church at 2:30 in the afternoon. Rev. James Brooks officiated.

## Former Bear River Man Killed

Charles Cleveland Riley, 31 year old Windsor lumberman, died on his way to hospital Saturday after being struck by a car on the Halifax-Windsor highway. The accident occurred about nine o'clock Saturday evening.

Riley was a former resident of Bear River and is survived by his father, William Riley, two sisters, Ruby (Mrs. G. O. Bradley), Vancouver, and Jennie (Mrs. Foster Fahie), Dartmouth; three brothers, Herbert, of Granville Ferry, William, of Digby, and John, of New York.

Funeral service was held Tuesday from Lindsay's Funeral Home, Windsor, with interment in the St. Croix cemetery. Rev. Donald Martin officiated. Mr. Riley had lived in the Windsor area for the past ten years.

## Atlantic Almanac Received

One of the most information packed volumes we have seen arrived in the Courier office last week. This was the 1957 Atlantic Almanac, published by the Atlantic Advocate in Fredericton, N. B. The almanac, which is 376 pages in size, also incorporates the Atlantic Provinces Trade Directory.

Among the information contained in the almanac are facts concerning the four Atlantic provinces, their Members of Parliament and Legislatures, government officials, finances and population.

Facts are also contained concerning the educational institutions of the four provinces, their societies, newspapers, hospitals, professional people and a host of other useful data.

What is perhaps the most important feature of the almanac is the regional trade directory section. This section is composed of sixty pages containing approximately 4,000 listings of manufacturers, processors, packers and mining operators.

Also contained in the almanac are sections containing the organization and regional directors of the Atlantic Provinces Economic Council and a complete list of the Maritime Provinces Boards of Trade and Chambers of Commerce.

The new almanac seems to fill a long felt want for such a directory of the Maritimes and should prove a useful and valuable document.

## Visits Mayor

His Worship Mayor Gordon Turnbull was accorded a visit on Monday from Paul Tegeler Meyer, Consul General of the United States of America, while enroute from Halifax to Saint John. The senior officer, who was formerly at Ottawa and now at Halifax, was enroute to Saint John to swear in the Consul General at Saint John where a new office has been opened.

The Consul General was deeply impressed with Digby and is planning a few days vacation here for Mrs. Meyer and himself during the coming summer.

# C.P.R. Plans To Sell Digby Pines Hotel

Confirmation of a statement by Eric W. Balm, Liberal member for Kings North in the Provincial Legislature, that the Digby Pines Hotel and two other CPR hotels in Nova Scotia were likely to close at the end of the coming season was made by R. A. Mackie, general manager of CPR hotels, in a statement from Montreal Monday.

Mr. Mackie said the three hotels were being put up for sale because they no longer filled the purpose for which they were built. The three hotels are the Digby Pines and Lakeside Inn, Yarmouth, summer hotels, and the Cornwallis Inn, Kentville, which is a year 'round operation.

The hotels, general manager Mackie said, were constructed during a period when vacationists generally used the railway as a means of transportation and as such were designed to

be traffic feeders to the railway. Now, however, most vacationists, particularly those who visit Nova Scotia, travel by auto or other means of transportation, he said.

In his statement in the Provincial House last week Mr. Balm said closing of these hotels would be a great loss to the tourist industry. Henry D. Hicks, opposition leader in the Provincial House, also added the name of Pictou Lodge to the hotels which were said to be closing at the end of the coming season.

Both Mr. Balm and Mr. Hicks urged the Department of Trade and Industry to offer whatever government help was possible to keep the hotels open, or if they should close, to assist private companies interested in re-opening them.

Meanwhile in Digby the matter of the announced closing of

the Pines Hotel has created a great deal of concern. At Tuesday night's meeting of the Digby Board of Trade the matter came in for considerable discussion. It was decided to contact Mr. S. Leonard, MLA for Digby, immediately, urging him to press the provincial government to purchase the Pines Hotel. "In the interests of the tourist industry in this area and in Nova Scotia".

Suggestion was made at the meeting the government could purchase and operate the Pines Hotel in the same manner the Kelic Lodge in Cape Breton is now being operated. It was stated continuation of such a luxury type hotel as the Pines in this area was essential to the tourist industry.

James P. Richards, President of the Annapolis Valley Affiliated Boards of Trade, said the issue of the proposed sale of

the CPR Hotels, The Pines, Lakeside Inn and the Cornwallis Inn, would be moved to the head of the agenda at the annual meeting of the AVABT, scheduled for Kentville on Friday.

Mr. Richards said continued operation of the hotels on the present luxury basis was necessary to the tourist trade in western Nova Scotia. Closing down, he said, would be a calamity, but lowering of the standards under new ownership would also have an adverse effect on the tourist traffic. He said the AVABT would probably propose government intervention to ensure every thing is done to continue the hotel operations at the present high standards.

In Yarmouth C. Roger Hall, President of the Yarmouth Board of Trade, said a meeting of his board's Council would be called immediately.

## Entertains VON Board

Mrs. J. W. Christie entertained members of the Digby Branch V.O.N. Board at her home on Warwick St. on Tuesday afternoon.

Rev. E. C. Churchill presided at the regular monthly meeting when various items of routine business were put through. Miss Ellen Murphy, nurse-in-charge, reported 116 home visits made in March of which 54% were for bedside nursing. Ten new patients were admitted, 19 school children seen at the office and 26 given class room inspection. Sixteen attended the five well-baby conferences.

The dates for the June membership drive were set for June 10 to June 22 with the following committee in charge—Rev. J. A. Brooks, Mrs. J. W. Christie, Rev. E. C. Churchill, Father Lewis Comeau and Earle Crane.

Mrs. J. M. Wallis was appointed a director of the Victorian Order of Nurses for Nova Scotia. The annual meeting of the provincial organization it was learned will be held on Monday, April 15, at the Board of Trade Building, Spring Garden Road, Halifax. All members of the Digby Branch V.O.N. Board are members of the Victorian Order of Nurses for Nova Scotia and are entitled to attend the meeting in Halifax on Monday. Any member who can attend is asked to contact Mrs. Wallis during the present week.

At the close of the meeting on Tuesday refreshments were served by the hostess, assisted by Mrs. E. C. Churchill.

## Recalls Battle Memories

The date of April 9th is one which brings back memories to at least one Digby man. He is Gerald E. Syda, at present caretaker of the Digby Post Office, but on April 9th, 1917 a sergeant serving with the 28th Field Battery, C.F.A., at the battle of Vimy Ridge.

Sgt. Syda was wounded in the head at the famed battle of Vimy Ridge and later, in August 1917, was again wounded, this time in the knee at another famous battle, Hill 70. Altogether he spent twenty-one months overseas in active service during World War I after receiving his basic training at Valcartier Camp. He went overseas in August 1915.

In 1936 many memories of his war days were recalled for Sgt. Syda when he revisited the scene of the battle of Vimy Ridge. The occasion was the unveiling of the Vimy Memorial by King Edward VIII.

Although forty years have passed since the famed battle in which the Canadian lads so proudly distinguished themselves, memories of the scrap are still vivid. Zero hour was at 5:30 in the morning and the day was a Tuesday. Sleet swept the countryside, changing to a blinding snow. Under a thunderous barrage of 983 field guns the men crawled out of the shell holes, trenches and tunnels and swept forward through the mud, wire and murderous chatter of machine guns.

The Canadian Corps did not halt until it had captured Vimy Ridge which never fell from Allied hands during the rest of the First World War.

## To Appear On T.V.

Misses Valerie Harris, Gail Hersey, Digby, and Gloria Theriault, Belliveau's Cove, will appear on the "Jene Wood show," Time For Juniors, channel 4, T.V., on Thursday, April 19.

The announcement was made today by Mrs. Frances Peters, who has instructed the young ladies in their dance performance for the show.

## Kiwanis Club Sponsors Move

A custom, which has been adopted by freedom loving people in the oppressed countries behind the Iron Curtain to signify their desire for a return of freedom to their oppressed lands and the continuance of freedom in lands which have so far escaped the tyranny, is being sponsored locally by the Digby Kiwanis Club.

This custom is the burning of a green "Candle of Hope" at Easter time. The people behind the Iron Curtain, knowing that open resistance against tyranny is often useless, have nevertheless acquired a skill in outwitting the regime. They now celebrate the "Festival of the fire tree" by lighting a single green candle on their trees.

The reason the green candle was chosen is because green is the color of hope and they want to feel they are not altogether abandoned. The custom of lighting a green candle is not confined to Christmas. The hopeful now place a single green candle on their tables at Easter. They call it the candle of Hope and Resurrection. Iron Curtain refugees are spreading this idea of the green candle of hope all over the free world.

In Digby the Kiwanis Club are hoping that many will place a green candle on their table at Easter so that the flickering lights of these candles along with those of freedom loving folk around the world will turn into powerful floodlights of warmth and sympathy, shining into the concentration camps, prisons and dreary homes of oppressed masses behind the iron curtain. The prayers of all are asked also for the oppressed.

Following this the Group Committee met and discussed plans for this year's summer camp. It was decided to join the Digby Troop who will be under the leadership of A.S.M. Carl Warner of the First Digby Troop. Scouter Connor then outlined the plans of the camp in regard to fees, equipment, etc. He also expressed the hope that someone would show their interest in the Scouts by taking time to assist the leaders at the camp. Due to the time of year at which the camp will be held, it will not be possible for Scouter Sulis to attend for its entirety.

## Storm Renews Memories

Tuesday's severe snow storm in this area brought back memories of a similar but much worse storm which swept this area twelve years ago on April 10th.

At that time some twenty-two members of St. George Lodge, I.O.O.F., had journeyed to Freeport for an initiation meeting.

The severe storm blocked the roads and kept some of the Oddfellows storm stayed on Long Island while others braved the gales and drifts to reach points on the mainland of Digby Neck. Quite a number were given shelter at Truman Wentzell's while others stayed with Carman Gidney. A few got as far as Porters in Sea Brook where they

secured a horse and sleigh and made the rest of the trip to Digby.

## Digby Man On Musical Ride

The famed "Musical Ride" of the Royal Canadian Mounted Police will be performed at various centres in England and Scotland this spring and summer, and the liner "Cornalido" sailed from Saint John, N. B., recently from Glasgow, carrying, in specially-prepared stalls, the 36 horses used in the Ride.

The animals arrived in Saint John in Canadian National Express cars, accompanied by their attendants, to board ship for overseas. Along with them was the colorful regalia used in the ceremonial performance.

The 30 Mounties who make up the personnel of the Ride arrived in Halifax by CNR at about the same time, and sailed on the "Saxonia" for Great Britain.

Above are W. H. Porter, and E. W. Comeau, son of Mr. and Mrs. Waters Comeau, Ross, N. S.

## Digby Scouts Guests At Smith's Cove

On Friday evening last Scout Commissioner Norman Wright and Scouter Rufus Connor were guests of Scoutermaster Harold Sulis and his Troop in Smith's Cove. Com. Wright showed films on the Valley Forge and the last world jamboree, which were received with much interest. He also addressed the troop on the value of scouting and its growing strength in Digby County. It was pointed out that three or four new troops are in the beginning stages at the present time. Those who are already in scouting wish them every success in their new venture.

Scouter Connor did some work with Scout Stearns Henshaw who expects to attend the jamboree in Valley Forge, USA, this summer. He also spoke to the troop on the value of camping and reviewed the good time had at the camp last summer. Scoutermaster Harold Sulis thanked his guests for their interest and for the help given his troop. He then brought the meeting to a close.

Following this the Group Committee met and discussed plans for this year's summer camp. It was decided to join the Digby Troop who will be under the leadership of A.S.M. Carl Warner of the First Digby Troop. Scouter Connor then outlined the plans of the camp in regard to fees, equipment, etc. He also expressed the hope that someone would show their interest in the Scouts by taking time to assist the leaders at the camp. Due to the time of year at which the camp will be held, it will not be possible for Scouter Sulis to attend for its entirety.

## Films Shown

Mrs. G. A. Cox, of Pick-A-Rose Gardens, Round Hill, was guest speaker at the Admiral Digby Horticultural Society when it met at the home of Miss Mildred Carty, Queen St., on Friday evening. Mrs. Cox showed films and slides and gave instruction on preparing the ground and planting of bushes. She spoke particularly on the types of bushes to reject and those to accept for planting.

Mrs. Cox had offered the Society a generous donation of six bushes to be used for their Cannon Banks project this summer.

The May meeting will be held at the home of Mrs. Hubert Shortliffe, when each member will contribute a portion of the program.

At the close of the service the members were served delicious refreshments by the hostess, assisted by Mrs. Allan Thomas and Mrs. Lewis Cook.

## Distribute Folders

More than two thousand folders publicizing the series of television programs being presented by the Canadian Broadcasting Corporation on child development have been distributed in Digby County by the Digby County Mental Health Association. It has been learned.

The distribution was made through the county schools and a letter accompanying the folders gave advance notice of the financial campaign to be sponsored in Digby County by the Mental Health Group in the month of May.

The CBC-TV series on child development which begins over CBC-TV stations in the Maritimes April 14th is entitled "The Family Circle" and is of a special interest to parents, teachers, and all those who have

## & S. Meets

panel discussion on extra-curricular activities featured a week's meeting of the Digby Area Home and School Association. The panel was chaired by Rev. James Brooks and those taking part were Mrs. Donald Logan, Mrs. Lloyd McNeill, Victor Cardoza and Harry Gesner.

After a period of lively discussion, participated in by members of the panel and the audience, it was finally agreed that the program of extra-curricular activities being carried out in the Digby schools meets adequately the need for such a program in these schools.

It was pointed out in the discussion that the program of extra-curricular work carried out in the schools is well planned; that provision is made that it does not interfere unduly with regular school studies and work and that it is properly balanced to ensure a wide pupil participation.

Careful checks are made, it was stated, to see that academic standards are not adversely affected by participation in extra-curricular activities. The value of such extra-curricular activities as debating, sports, production of the school paper and the like in the development of a student was stressed.

It was also pointed out that, even with a well developed program of extra-curricular activities, present day students are spending more hours in the school year on academic studies than did the students of twenty years ago.

Following the panel discussion the meeting broke up into groups to discuss school finances and other matters of interest to parents. This was followed by a most excellent program of entertainment by members of the Sandy Cove Home and School Association.

## HMCS Buckingham To Leave

Chester M. Levy, President of the Digby Board of Trade, informed Tuesday night's meeting of the Trade Board that he had been advised by naval authorities that plans to remove HMCS Buckingham from the port of Digby had been finalized and that these plans had been so integrated with other naval plans for the near future that it would not be possible to have them reversed.

News of the proposed moving of the Buckingham from Digby was first received by the Board in a letter from the Digby Branch of the Canadian Legion which stated the vessel was to be taken from Digby in the fall and would not be replaced by a ship permanently stationed here.

The letter said some thirty families now living in the Digby area would be affected by the removal of the Buckingham and this would seriously affect the economy of the area. The Board was asked to take steps to see if the removal decision could be reversed.

## Valley Nurses Meet

The regular monthly meeting of the Valley Branch of the Registered Nurses' Association was held at the home of Mrs. Elizabeth Clark, Main St., Kentville, on March 20. The president, Miss Maud McLellan, presided.

Miss Joan Miller, convener of the nominating committee, read the proposed slate of officers for the Provincial Association and this was approved by the meeting.

Miss Janice Ross, the educational guidance teacher of the elementary schools of Kentville, and Mrs. Charlotte Boates of the Children's Aid Society of Kings County gave very interesting accounts of their work and answered questions.

Mrs. Clark, assisted by several of the Kentville nurses, served delicious refreshments. The April meeting is to be held at the Payzant Memorial Hospital, Windsor.

## GIVEN APPOINTMENT

Blair H. MacNeill, a native of Freeport, N. S., and a graduate of Acadia University, was recently appointed Professor of Botany at Ontario Agricultural College, Guelph, Ont.

Dr. MacNeill is engaged in research in diseases of vegetable crops and is in charge of the training of graduate students in the field of plant pathology.

Mr. and Mrs. Edward Murphy spent the weekend in Saint John.

to understand something of the emotional needs and development of children.

## Citizens Group Organized

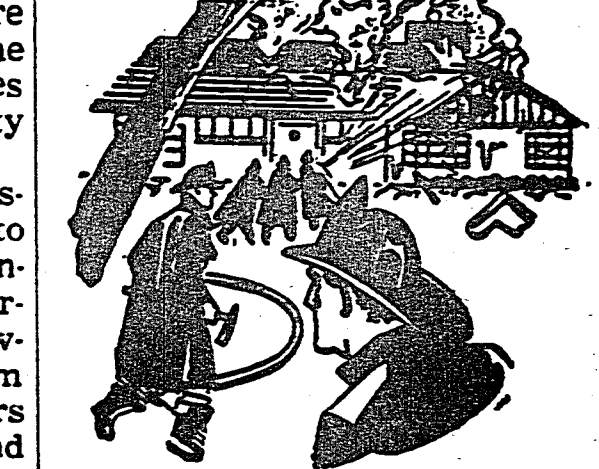

Seventeen people from Rossway met in the Rossway Hall last Wednesday evening and organized a Citizens Group. Geo. McKay was elected chairman, Cameron Robbins, vice-chairman, and Waters Comeau clerk for the citizens committee. Geo. Thibault was elected secretary-treasurer of the chapter. Election of president, vice-president and 2nd vice-president was left open until Waterford was represented in the group. It is hoped at the next meeting the whole polling district of Waterford and Rossway will attend with life councillor present.

The meetings of the group are to be held the first Wednesday of each month at eight o'clock in the Rossway Hall.

## Marks 101st Birthday

Congratulations and best wishes are extended to Mrs. Gertrude Lombard, of New Edinburgh, who recently marked the 101st anniversary of her birth. Mrs. Lombard, who makes her home with her son, Julius, is very active for her age, helping about the house and knitting. When weather permits she is able to get around out of doors.

## D. F. D. ACTIVITIES

Card party committee for April 15th: Mel Nixon, Don Barr, Harold Small, Paul Winchester, Joe Doucette, Paul Snow.

Winners at Monday night's card party were: Door Prize, Mrs. M. Comeau; Ladies' High, Cora Skillen; Ladies' Low, Margaret Comeau; Men's High, Dan Dakin; Men's Low, Carl Winchester. Due to the fact that the attendance at card parties has been poor, and other reasons, it was decided that the April 15th card party would be the last one.

At a meeting of the Ways and Means Committee on Tuesday evening it was decided to have Bingo games starting April 27th at the Fire Station. The following committee was made up to get this started, along with the regular Ways and Means committee: Bill Mason, Carl Melanson, Tom MacInnis, Harold Parsons, Murray Baxter, Arthur Handspiker.

At the same meeting it was reported that word had been received from Clyde Benity Circus regarding sponsorship by the Fire Department and arrangements will be commencing on this at once. Date of the show will be the last part of July.

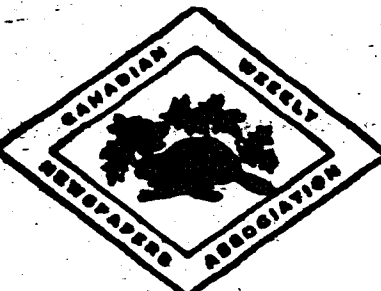

The regular meeting of the Department was held last week and many items came up for discussion. It was unanimously decided to sponsor the Cubs along with the Boy Scouts under the same Group Committee. A committee was also appointed to get a start on the annual "CLEAN UP" Campaign. It was also decided that the Department would have a special fund raising day, namely Labor Day, at which time efforts will be made to have a big day. This is an entirely new effort for the Department and work will be commencing on this almost immediately.

At a meeting of No. 2 Company favorable reports were made on the sale of tickets for an Easter ham, drawing for same to take place at the Fire Station next Wednesday night during other activities there. They also decided to have a ladies' night on April 24th, at which time the wives and friends of the men and officers of No. 2 Company will be entertained.

A Clean Up Campaign committee meeting will be held on Wednesday, April 17th, at 7:00 p.m. On the same night No. 2 entertainment committee will hold a meeting.

Every member of the Department is expected to be on hand Wednesday, April 17th, for practice, at which time instructions will be given in pumping.

## About This and That

### Some Sobering Statistics

In Russia 19.6 per 1000 of the population go to university, in the United States 15.0 per 1000, and in Canada 4.94 per 1000. These statistics were given at the National Conference on Engineering, Scientific and Technical Manpower held in September last year. They will surprise many Canadians. They indicate that we are lagging far behind in higher education if numbers are any indication, as indeed they must be, when such disparity as this exists.

During Education Week, which we are now observing in Canada, it is appropriate that we be faced with facts like these. They emphasize the importance of our elementary and secondary school system. For it is in our public and high schools that students of university calibre are developed.

If we want more Canadians to go to university, obviously standards of teaching in our schools must be of the best. There can be no slumping here.

One of the great needs in Canada is more scholarships and bursaries to enable bright boys and girls who cannot afford with their own resources to go to university to continue their studies. Here is an opportunity for public-spirited companies and citizens that can afford to do so to make a contribution of vital importance to the future of our country.

### Fight Cancer With Dollars

Do you know that cancer kills almost seven times as many people each year as are killed in automobile accidents? Do you know that it is estimated that annually Canada loses more than 55,000 man years of labor due to cancer?

Last year cancer killed more than 20,000 Canadians, of which 6,500 were people under 60 years and 400 were children under 15 years of age. The cause of death in children from 5 to 15 last year was greater from cancer than from any other disease and cancer also caused more deaths in women from 25 to 54 than any other disease.

The above startling facts are all the more startling because ignorance in regard to cancer is responsible for so much of the loss of life and causes so much needless grief and suffering.

Because of these facts you are asked to share in raising \$2,200,000 in Canada during the month of April. Much of the money will be used in fighting cancer with knowledge. Your dollars will help to replace superstitions about cancer with fact, they will replace unreasonable fear with positive action and ancient taboos with purposeful discussion. The symptoms of cancer will be taught and attempts made to persuade the public to seek early diagnosis and proper treatment. By catching cancer growths early, lives can be saved.

Besides for educational purposes your dollars will be used for research and for helping those afflicted with cancer. Transportation to clinics, nursing care, sickroom equipment, physiotherapy and many other means of help are given to cancer sufferers because of the dollars you give for the Crusade Against Cancer. Remember that in April.

In Digby County an objective of \$2,000 has been set for the Cancer campaign. General chairman is the Rev. W. Armitage, of Weymouth. Eighteen cancer patients in this area are receiving care through the efforts of the local branch of the Canadian Cancer Society.

**C.W.L. HOLDS ANNUAL**  
The annual meeting of the Weymouth division of the Catholic Women's League took place Sunday afternoon, April 7, at St. Joseph's Glebe House. There was a good attendance. Mrs. Dixon Rice, president, presided. A report of the work during the year was presented after which appreciation and gratitude were expressed to the Spiritual Director, officers and members for their loyal support by the retiring president.

The nominating committee, whose chairman was Mrs. I. A. Melanson, brought in the slate of officers for the ensuing year. The following were elected: Pres., Mrs. Louis Comeau. 1st Vice, Mrs. William LeFort. 2nd Vice, Mrs. D. V. Theriault. 3rd Vice, Mrs. Victor Bishop. Sec'y., Mrs. D. V. Theriault (re-elected). Treas., Miss Patricia Comeau. Counsellors, Mrs. L. M. Rice, Mrs. I. A. Melanson, Mrs. Donald Gidney, Mrs. Philip Brun. Following the adjournment of the business meeting, Father Comeau installed the new slate of officers.

**GARDEN CLUB MEETS**  
A meeting of the Weymouth Garden Club was held on Thursday evening in the office of the Dept. of Agriculture representative with about twenty members present. Guest speaker was Mrs. Rose Marie Cox, manager of the Pick-A-Rose-Garden at Annapolis Royal, who spoke on the "growing and care of roses." Mrs. Cox also showed pictures of her garden.

Mrs. Dixon Rice is president of this group.

By: EDGAR B. MCKAY

April 27, 1877 — Isaac F. Jones has established a first class carding machine here.

The Brigantine "Belle Starr" from N. Y. is lying at the mouth of the river and will be brought up by Capt. Peters on the first favorable wind.

Schooners "Armada" and "Argo" have arrived from Boston. The Packet arrived from St. John Saturday.

Cleared last week: Fishing Schooners "Sea Bird" and "Seven Brothers" for the (Newfoundland) Banks.

(First mention of "inside plumbing in the area). April 27, 1877 — "Annapolis is about to boast of a hot and cold water bathroom, thanks to the enterprise of Mr. Robert Hopkins. This will be a great boon to the inhabitants of the town, and as Mr. Hopkins intends to make it first-class, he having had considerable experience in N. Y. and Boston, we augur this sanitary scheme success."

May 25, 1877 — The Calathumplains turned out to celebrate the Queen's Birthday. This is a group of forty young men, some on horseback, some in carriages — in comic attire — paraded on streets, amused crowds. A boat race completed the programme.

The cherry trees are in full bloom which indicates an abundant crop; last year's crop was a failure.

May 25, 1877 — (Note the increased mention of lumber and shipping to the West Indies). E. Walsh & Co. are running their mills night and day, manufacturing lumber. Two cargoes have been shipped during the week. Messrs. Rice's mill also is busy, having just shipped cargo on board the "Xebec" for Barbadoes.

Vessels cleared: Schooners "Xebec" and "Heiress" with lumber for Barbadoes; "Volant" with wood for Boston; Brigantine "Kaluna" with lumber for West Indies; "Belle Starr", deal for Glasgow, Great Britain.

"The Brigantine "Kaluna" while passing through the Victoria Bridge broke the line with which she was held to the buoy, and was carried into forcible and unloving contact with that structure damaging it to some extent, and breaking a part of her rail and jibboom."

"The Schooner "Ripple" lately launched in the Milberry's yard is engaged in packing, with the intention of plying between this port and St. John, N. B."

June 22, 1877 — Brigantine "Dei Gratia" having repaired her spars is loading lumber for the West Indies.

Brigantine "Annie Bogart" is loading lumber.

The afternoon tide on Sunday, 17th, brought in 4 ships — the "Annie Bogart" from Turk's Island with salt and molasses; the Schooners "Armada" and "Volant" from Boston, and the "Bear River" from St. John.

Schooner "Alert" (Capt. Beeler) cleared with wood for Boston.

Schooners "Armada" and "Vo-

lant" will follow during the week.

The Schooner "Ripple" (Capt. Morehouse) is loading lumber for E. Walsh for Nantucket Island and will bring back the rigging of the condemned barque "W. F. Marshall", lately wrecked off that island.

July 13, 1877 — The first cherries of the season have been offered during the week and are selling for 50c per box. The yield is not as great as expected due to the ravages of a small fly which destroys the leaf.

July 20, 1877 — "There is plenty of cherries in the market; they sell for 20c per box. A large number has been shipped away."

**THE DIGBY COURIER**  
Thursday, Apr. 11, 1937 page 5

July 27, 1877 — "Although business is not quite so active as usual on account of the mills having shut down, there is still work and enterprise enough to keep all the laboring class employed. The two fine ships being built by Marshall & Hardwick and Mr. John Lent give employment to a large number of men and are rapidly being pushed forward to completion. The cherry season attracted larger numbers of visitors than usual, many having to seek quarters in private dwellings, owing to the hotels being overcrowded."

## CARS ARE MY LINE

by Ken Hankinson

### THE LOVE 'EM AND LEAVE 'EM SUITOR

We've all known, at one time or an- other, young men who've had a bookful of sweethearts, treated them all pretty shabbily, and then settled down with one girl who has been convinced that the rascal is a pure, blushing angel.

It's easier to do this, if you want to, in a big city. In a smaller, or medium sized place the love 'em and leave 'em suitor soon gets known for what he is, just a scamp.

The same thing sometimes happens. I'm afraid, in business, and in the automobile business too.

You can often see ads in the larger dailies for cars at absolutely astounding prices.

The prices seem impossible and, as a matter of fact, they are.

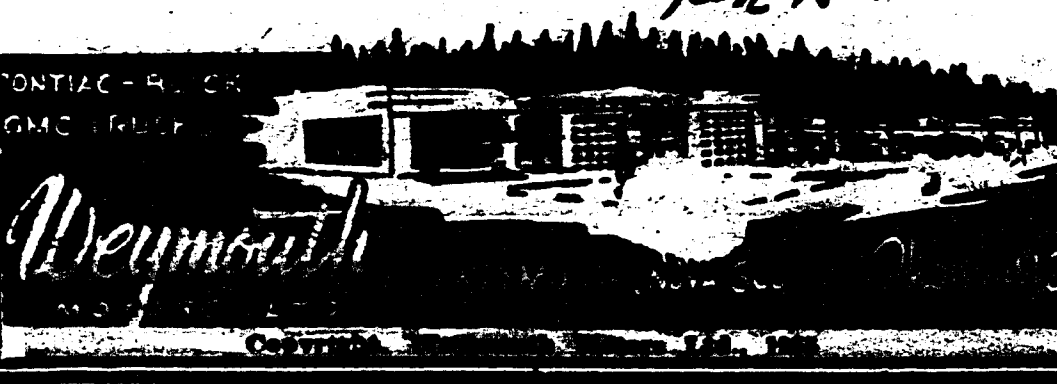

Here is what happens: a dealer advertises a car at, let us say, \$500 less than you would expect to pay for it. You rush in, cash ready in your hot little hand, all ready to buy. But, I'm awfully sorry, you can't buy the car for cash.

You have to have a car to trade-in. And what do you find — you find that the generous, give-'em-away dealer is offering you \$500 less on your trade-in than you honestly think it is worth.

In a big, metropolitan city you can make a thousand people mad at you and still find a couple of dozen to sell cars to. We couldn't do that if we wanted to.

If you want to test us, you'll find we offer a fair price for your old car and sell you a newer one at it's fair price. A bargain, or an end-of-year sale with us has to be a REAL sale. We want to make sure you'll come back again when you're in the market, like many, many others have done.

**MY FAMILY LOVES THIS RASPBERRY Double-boiler Pudding!**

Grease upper pan of double boiler generously. Measure into pan

1 1/4 c. (10 oz. can) canned raspberries and syrup

1/4 c. granulated sugar

2 tps. corn starch

Mix well and set aside.

Sift together

1 1/4 c. once-sifted pastry flour

or 1 1/2 c. once-sifted all-purpose flour

1 1/2 tps. Magic Baking Powder

1/4 tsp. salt

Cream

3 tps. shortening

Blend in

1/2 c. granulated sugar

1 egg

Combine

1/2 c. milk

1/4 tsp. vanilla

1/2 tsp. grated lemon rind

Add dry ingredients to creamed mixture alternately with flavored milk, combining lightly after each addition. Turn into double-boiler over raspberries. Cover closely and cook over boiling water until batter is cooked — about 1 1/2 hours — add boiling water, if necessary, to under pan.

Turn hot pudding out onto a deep serving dish. Pass chilled custard sauce or pouring cream. Yield: 4 or 5 servings.

MAGIC protects all your ingredients. Get lighter, finer-textured results... buy MAGIC Baking Powder today.

## Radisson ponders the Pipeline

In his day few knew the northwest as did Radisson. Radisson, a businessman trader, knew values. He knew the territory. He invested in what he knew and he blazed profit trails for others to follow. Canada's new pipe line will run over land his moccasins once trod.

Born a century and a quarter ago in Canada The Bank of Nova Scotia shares the spirit of Radisson. Our people, too, know their territory, and are helping businessmen and industry blaze trails to a higher standard of living for Canadians ... by directing community savings into

productive channels to benefit us all. Whatever and wherever your business may be, you will find your local BNS manager can offer helpful counsel. His ability and training, and the wide and varied experience of the Bank's officers in Canada and abroad, are yours for the asking.

If you seek competent, financial counsel ... trade information ... advice on personal savings, safekeeping of valuables, or travel funds—talk it over with your BNS manager. He will be glad to see you.

to be proud of!*

Not just the way it looks, but the way it's put together—the finer materials, workmanship and finishing touches. Not just its friskier, smoother performance, but the deep-down soundness that's special to Chevrolet in the low-price field. Try it out and you'll see it's Sweet, Smooth and Sassy.

You name it. The new '57 Chevrolet has more of it ... inside, outside and underneath that Body by Fisher. There's a finer ride, smoother performance and a sweeter way of going. For there's a finer balance, a more solid construction, so that great Chevrolet 6 or V8 engine can "get with it" more efficiently, delivering up to 245 h.p. (and so quietly). Chevrolet, you

know, won the famous Manufacturer's Trophy as the best performing car at Daytona Beach competitive trials.

There's more luxury, too, more to be just plain proud of. For there's more attention to detail. In Chevrolet, body panels fit snugly. The chrome trim is on to stay. Interiors have the smartness of the custom touch. Everywhere you look in a Chevy, you find the obvious marks of extra care, even to a quiet limousine "click" when you close those big solid doors!

Come on in! Get a close-up of all there is to enjoy in this exciting Chevrolet!

\*Optional at extra cost. 270 h.p. high-performance V8 engine also available at extra cost.

## Report From Parliament Hill

GEORGE C. NOWLAN

In many respects this has been the most interesting week since Parliament opened early in January. In some ways it was strangely reminiscent of the pipe line debate of last year. On one day, we had four divisions in quick succession, demanding correspondence sent by Cabinet Ministers and officers of the Liberal Federation to the Canadian Broadcasting Corporation. In every case, the Motions were refused. It is hard to understand why, because each Cabinet Minister had either denied writing any letters, or had explained what they were, and one would have thought that it might have been better politics to have had the record produced so as to corroborate their statements. However, the Government decided otherwise.

While the House of Commons has been sitting, the political battle for the Province of Saskatchewan has been raging in the Agricultural Committee. A year ago, a sheep breeder in Saskatchewan by the name of Rock, found that his flock had developed a disease known as "scrapie." The Department of Agriculture ordered the flock destroyed. This was a very valuable flock of pure bred sheep, and Mr. Rock received an average payment of a hundred and fifty-six dollars per sheep including more than two hundred lambs amounting in all to one hundred thousand dollars for the whole flock. The other day, Mr. McCullough, a CCF Member for Saskatchewan, suggested that there was something fishy in connection with this payment. He inferred that altogether too much had been paid for the sheep, that the payment was made for political purposes, and that some of the pure bred sheep had been hidden, and culls bought from other farmers to substitute in their place. The Right Honourable J. G. Gardiner, the Minister of Agriculture, demanded an investigation, and the Committee has been meeting all the week, conducting the

Inquiry. Undoubtedly Mr. Gardiner has the best of the argument. He produced a host of witnesses from the Department of Agriculture, all of whom have confirmed the propriety of the transaction. Of course, Mr. McCullough and the CCF Party had only twenty-four hours notice of the fact that the Committee was going to sit, and they complained bitterly that they could not call their witnesses in time. In any event, this Committee meeting has been the most interesting sideshow that Parliament has seen for many months. It culminated on Friday night by Mr. Cameron, the CCF Member from Nanaimo, calling Mr. Gardiner a liar, and Mr. Gardiner challenging Mr. Cameron to "leave the Committee Room and fight it out." In fact, the doughty little Jimmy, shouting at the top of his voice, and shaking his fist, said "I have whipped better men than you before." As this report is being written, the Committee has not yet reported, but there is no doubt that the report will fully exonerate the Minister from the charges made. It is also obvious that Mr. Gardiner saw an opportunity to discredit the CCF Party, and thought that this investigation would have considerable influence in the federal election.

But if there have been moments of stress and battle this week, we also have seen an original touch of grace and beauty. For the first time in the history of Parliament, a woman stenographer appeared on the floor to take her turn as a Hansard reporter. This, of course, is one of the most difficult tasks in the Government service. Hansard reports work at top speed, take turns of ten minutes in the House, reporting verbatim what has been said, then leave to transcribe that ten-minute take and return for another ten minute period of duty. Never

before has it been possible for a woman to have achieved the experience, and more probably the nerve, to carry on this task. However, Mrs. Douglas Blair, of Toronto, has made her debut in this field, and it is likely that she will continue to give the same efficient service as her male colleagues have done and are doing. Incidentally, Mrs. Blair's husband is studying shorthand in Toronto at the present time, and it is within the realm of possibility that wife combination on the Hansard staff in the future.

During the week, Parliament has been sitting morning, afternoon and evening, and has accomplished a great deal. Most of the work does not make the headlines because it has consisted largely of amendments to Bills in Committee. Some of these amendments, however, are important to various sections of the Country. One such amendment is of some interest to the potato growers of our constituency. The Government had introduced its amendments to the Customs Act, these were printed, distributed and considered in Committee and approved. Then the Government introduced the Bill to implement them. After the Bill received second reading, the Government suddenly decided to do something for the potato growers of the Country. Therefore, at the last minute, typewritten sheets were passed around, amending the printed Bill. In short, the potato grower will now have a protective tariff of 37½¢ a bushel on seed potatoes and table stock, except for new potatoes harvested between January 1 and June 14, which will enter free. In exchange for this tariff concession, Canada has agreed to accept a reduction on the quotas which may be shipped into the United States of six hundred thousand bushels on table

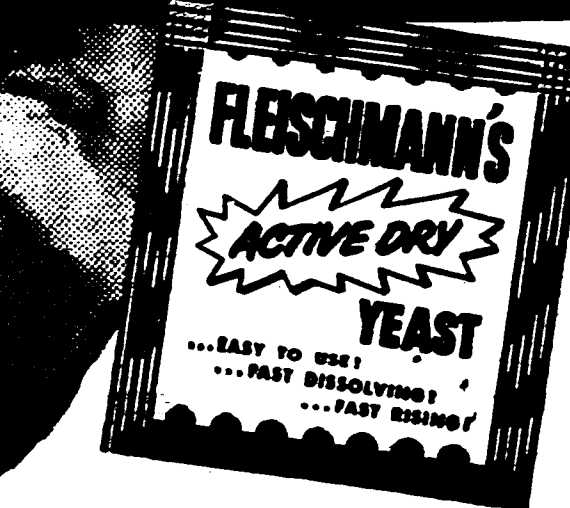

## ICED HOT CROSS BUNS

They're "topping" made with new Active Dry Yeast

• They rise so wonderfully—taste so wonderfully good! That's because Fleischmann's new Active Dry Yeast keeps full-strength and active till the very moment you bake! No more spoiled yeast! No more refrigeration—you can keep a whole month's supply of Fleischmann's Active Dry Yeast in your cupboard!

**ICED HOT CROSS BUNS**  
Scald 1 ½ c. milk, ½ c. granulated sugar, 2 tps. salt and 5 tps. shortening; stir in 1 c. crisp breakfast-bran cereal and cool to lukewarm. Meanwhile, measure into a large bowl ½ c. lukewarm water, 2 tps. granulated sugar; stir until sugar is dissolved. Sprinkle with 2 envelopes Fleischmann's Active Dry Yeast. Let stand 10 minutes THEN stir well. Add cooled milk mixture and stir in 2 well-beaten eggs. Sift together twice 4 c. once-sifted bread flour, 3 tps. ground cinnamon, 1 tsp. grated nutmeg. Stir about half of this mixture into yeast mixture, beat until smooth. Mix in 1 c. seedless raisins and ½ c. chopped candied peels. Work in remaining flour mixture. Grease top of dough. Cover and set in warm place, free from draught. Let rise until doubled in bulk. Turn out on lightly-floured board and knead until smooth and elastic. Divide into 12 equal-size pieces; knead each piece into a smooth round bun. Place, well apart, on greased cookie sheets and cross each bun with narrow strips of pastry, if desired. Grease tops. Cover and let rise until doubled in bulk. Bake in a hot oven, 425°, 18-20 mins. Glaze hot buns by brushing them lightly with corn syrup. Other treatments: Use confectioners' icing for crosses, on baked buns... or spread cooled buns with white icing and make crosses with chopped nuts.

stock, and six hundred thousand bushels on seed potatoes. This change, of course, is a very important one, and it is unfortunate that it was introduced at the very last minute, so that proper consideration could not be given to it. But at last it is a step in the right direction.

Some of us succeeded in obtaining a change in the Sales Tax Act which will be of some importance. The Act, as introduced, provided that printing done by School Boards and Universities, in their own plants, would, in the future, be free from Sales Tax. I pointed out that this would be grossly unfair, and incidentally the fact that the University of Toronto or McGill, with its own printing plant, would, in the future, pay no sales tax. On the other hand, Acadia or St. Francis Xavier, with no printing plant, would have to pay sales tax. Similarly the School Board of the City of Toronto, owning its own plant, would pay no sales tax, but the School Board of Annapolis Royal would have to continue to pay the tax. The Bill was held up for several hours, and in the end, the Government agreed to reconsider the matter. When the Bill came up again, typewritten sheets

## Smith's Cove Women Meet For W.M.S.

The W.M.S. of the United Baptist Church, Smith's Cove, held an interesting and well attended meeting in February, March and April with the following programs.

The February meeting was held at the home of Mrs. Elmer Weir and was opened with prayer and Scripture reading. Members brought donations for the parcel to be sent to the Hungarian Relief at Halifax. The roll call word "bread" was answered by thirteen members.

Mrs. Stanley Weir led the devotional period with scripture reading from John's Gospel, the story of "Feeding the Five Thousand." Mrs. Ruth Walker spoke on "The Lord's Prayer," which is the study subject. The program under the direction of Mrs. Garnet Adams, was based on "our daily bread" from The Lord's Prayer.

Mrs. Langman told of the great importance and need of bread in many European countries—where it is indeed the staff of life. Two poems, "A Prayer for Rural Life" and "Because Men Toil," which told the story of the men and their toil to give us our daily bread, were read by Mrs. MacLean.

A special duet was sung by Mrs. Chester Brinton and Miss Sue Winchester, in memory of Mrs. John Smith, who recently passed away in the United States.

The meeting closed by singing "Guide Me, Oh Thou Great Jehovah," and prayer by Miss Winchester.

The March meeting was held at the home of Mrs. Stanley Weir and opened with prayer by Mrs. Foster.

The devotional period was presented by Mrs. Nelson Speights who read Psalm 19 and led in prayer.

The program under the direction of Mrs. A. MacLean, consisted of readings by Mrs. Foster and Mrs. Landers. Mrs. Foster read an interesting account of the missionary work of Einar Mickelson to the Danis in the Balum River Valley of New Guinea. They brought medical aid as well as the Gospel to these primitive people whose strange customs and beliefs made the mission an extremely dangerous one for the brave men and women who went to their isolated region called Shangri-la.

Mrs. Landers read an account of the missionary work of bringing the Gospel to veterans in Sunny Brook Hospital, Toronto, where many are brought to accept Christ through this ministry.

The meeting closed with the Mizpah Benediction. The April meeting held at the home of Mrs. Oran Woodman with Mrs. Clayton Woodman co-hostess, opened with prayer by Mrs. Stanley Weir. Scripture reading in unison, led by Mrs. Clayton Woodman, was the 27th chapter of Matthew. The story of Jesus' trial before Pilate—His condemnation—crucifixion—and death on the cross.

During the business meeting it was decided to distribute Mother's Day envelopes for special offering. To have the name of Mrs. John Smith placed in the memorial column of "The Tidings." Mrs. Smith, who was a charter member of the Society, recently passed away in the U. S. A. and to send cards to Mrs. Stella McGuire who recently underwent an operation in Kentville Hospital.

The roll call word "forgive" was answered by twelve members.

A special program for Easter, arranged by Mrs. Landers, was directed by Miss Winchester since Mrs. Landers was unable to be present. The program was as follows:

16th Chapter of Mark, read by Mrs. Langman.

Prayer, Mrs. Chas. Foster. The Second World (written by Rev. H. H. Renfree of Gasper, N.B.), read by Mrs. Aileen Woodman.

Power to Forgive (By Allen Gibson), read by Mrs. O. F. Woodman.

Duet (Nailed to the Cross), Mrs. Stanley Weir and Mrs. R. Walker.

Because He Rose (From the Sermons of Peter Marshall), read by Mrs. Stanley Weir.

Easter, read by Miss Blanche Woodman.

Closing Prayer by Miss Sue Winchester.

A social hour followed the meeting.

## Partridge Eggs Needed

For two years now the Wildlife Park of the Department of Lands and Forests at Shubenacadie have been asking for Ruffed Grouse eggs. Last year a man found a nest of eggs nearly hatched and keeping them warm, they were taken to Shubenacadie, where, a week later they hatched. Now this man has six adult birds for breeding stock.

"In-breeding is something which seldom seems to cause any trouble in the woodland but it could be a trouble with these grouse because they all come from one clutch of eggs."

The Department could use more eggs or young chicks this spring.

The report stated that perhaps Ruffed Grouse have passed their best. "There are some reports of continued increase through the Annapolis Valley Counties. Most of the rest of the mainland says "no change" although there are several small areas where reports of increase and decrease lie close together on the map. Cape Breton Island is almost unanimous in declaring a decrease."

The total provincial Pheasant kill figures for 1956 are as follows:

Resident	2,241
Non-Resident	23
Total	2,264

The total for 1955 was 3,128 which shows a considerable decrease.

"Nine Ruffed Grouse eggs were sent to us by Department staff and placed in the incubator. Nine were hatched and at present we have six full grown birds at the hatchery. These birds are very tame and we have hopes of being able to raise some young from them this spring. Literature on Grouse rearing is very scarce, so that we were not able to learn much from the experience of other people. However, we hope that the method that we are using will be successful."

In 1949 the Department of Lands and Forests started a Pheasant raising program, and since that time they have hatched and liberated over thirteen thousand pheasants. During the past season birds were placed in every county of the Province. Some of these birds were sent as day-old chicks to various branches of the Nova Scotia Fish and Game Association and were raised and released by them. The other birds were liberated at the age of six weeks or older from the hatchery.

In 1955 there were 1814 Ring-neck Pheasants released, whereas in 1956 the number totaled 1891 birds showing an increase of 77 birds.

During the latter part of July of last year the Department was greatly concerned when a number of birds died of a cause resembling Newcastle disease. After examination of the birds and premises by veterinarians of the Nova Scotia Department of Agriculture, Canadian Department of Agriculture and a veterinarian from the Pathological Laboratories in New Brunswick and shipment of birds, both sick and dead, to Ontario, there was found to be no Newcastle disease present.

"If Newcastle disease had been found, all birds at the Hatchery and Park would have had to be destroyed. It is now believed that the trouble among the birds was caused by overcrowding."

## New Tusket

Mr. and Mrs. Carl Mullen and family, of Arcadia, spent last Sunday at the home of his parents, Mr. and Mrs. Harvey Mullen.

Mr. William Thibodeau spent a few days last week in Halifax. A Polio Clinic was held in the Havelock high school on Friday for the small pupils from the surrounding sections.

Mr. and Mrs. Louis Cook, of North Range, were visitors here on Sunday.

Mr. and Mrs. Alden Prime and family, of Bear River, and Mr. and Mrs. Carl Bremner and baby, of Digby, spent Sunday at the home of their father, Guy Prime.

Miss Leota Gaudett returned Sunday evening from Pleasant Valley where she has spent the past few months.

Rev. R. R. Winchester, Brighton, occupied the pulpit of the United Baptist Church here on Sunday.

Mrs. Tim Sullivan, of Hillsdale, spent a few days last week with Mrs. Wm. Thibodeau.

On Wednesday evening a stork and miscellaneous shower was held at the home of Mr. and Mrs. Edward Gaudett in honor of Mr. and Mrs. Charles Mullen. A very enjoyable evening was spent and Mr. and Mrs. Mullen received many lovely birthday gifts. Delicious refreshments were served by the ladies.

Mr. and Mrs. Eldon Ford and daughters, Erma and Bona, spent last Saturday in Yarmouth and were supper guests at the home of Mr. and Mrs. Dwight Sabean.

Many from this place attended the 25th wedding anniversary of Mr. and Mrs. Louis MacAlpine of Hassetts, on March 30.

## Centreville Native Promoted

The appointment of Ernest Holmes Gilliat as regional transportation engineer, Canadian National Railways, at Moncton, was announced recently by Frank M. Ward, general superintendent of transportation for the Atlantic Region of the company.

Mr. Gilliat, a native of Centreville, Digby Co., was educated at Granville Centre and Annapolis Royal Academy and received his engineering certificate at Acadia University in Wolfville, N. S., and a B.Sc. in civil engineering in 1952 at Nova Scotia Technical College in Halifax.

He joined the Canadian National Railways in 1952 as trainee engineer in the research and development department Montreal in 1955. He returned to Moncton the following year and was appointed acting regional transportation engineer in 1956. He is married to the former Gwendolyn Marie Thorpe, of Kentville, N. S., and they have two sons, Paul, three, and Dayle, one. He is a member of the Engineering Institute of Canada, the Canadian Railway Club, and the CNR Inter-Departmental Educational Association.

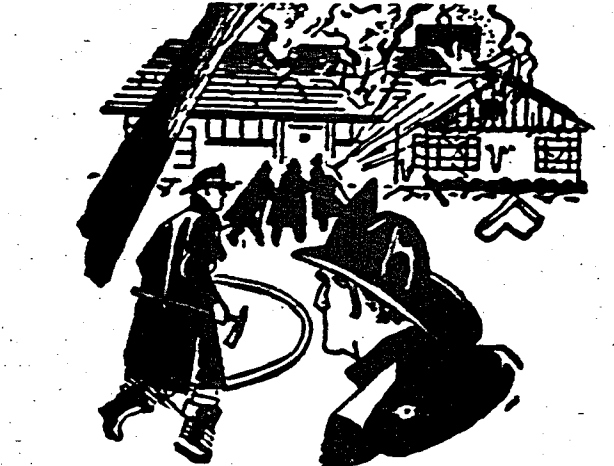

## Princess Helene To Undergo Overhaul

The 4,000-ton vessel Princess Helene, which operates between Saint John, N. B., and Digby, N. S., in the Canadian Pacific Railway's Bay of Fundy service, will enter Saint John Drydock to undergo regular overhaul after her return to Saint John April 27th, it was announced in Saint John today by F. E. Bailey, acting general superintendent of the Canadian Pacific Railway's New Brunswick district.

The ship is expected to remain in drydock until May 11 and will resume her daily except Sunday round-trip schedule on May 13th. As a consequence, there will be no service to provide direct connections between the C.P.R. at Saint John and the Dominion Atlantic Railway at Digby from April 28th until the morning of May 13.

Visitors at the home of Mr. and Mrs. Arthur Baxter, Barton, on Friday, were Mr. and Mrs. Barry Baxter and family, Deep Brook; Mr. and Mrs. Russell Lewis, Mrs. Ellery Lewis, Mrs. George Cosman and Mrs. Lloyd Fulton, all of Danvers.

## D. F. D. ACTIVITIES

Winners at Monday's card party were: Door Prize, Mrs. Melbourne Comeau; Raffle, Mrs. Meda Cook; Ladies' High, Mrs. Meda Cook; Men's High, Fred Feck; Men's Low, Dan Dakin. This is the last card party being held for the time being. Our thanks are expressed to those who attended or assisted in making these parties a success.

At a meeting of the Ways and Means Committee Tuesday evening it was decided to start bingo on Thursday, April 25th. The committee in charge will be the regular Ways and Means Committee, assisted by Carl Melanson, Tom MacInnis, Harold Parsons, Murray Baxter, Arthur Handspiker.

Meeting of the Salvage Corps will be held on Tuesday, April 23rd, 8:00 p.m., at the Fire Hall. All members are urged to attend.

## TOWN TAX RATE SHOWS INCREASE

Tax rate for the Town of Digby for the year 1957 was set at \$3.144 per hundred dollars of assessment at a special meeting of the Town Council here. This is an increase of twenty-four and a quarter cents over the \$2.90 rate for 1956.

Although the total tax rate for the town has been increased for 1957, the general rate shows a reduction of thirteen and one-half cents, while the school rate is up thirty-seven and one-quarter cents.

Budget figures presented at the meeting showed an estimated revenue of \$24,304.89. Estimated expenditures are \$133,637.08, leaving a total of \$109,332.19 in general expenditure to be raised by taxation. Included in this amount is \$41,140.75 estimated expenditure for education in the Town of Digby for 1957.

Included in estimated expenditures is the sum of \$13,835 for

public works. This is an increase of \$4,568.38 over the 1956 figure of \$14,316.62. Also estimated is an expenditure of \$16,775 for protection to persons and property. Education expenditure for 1957 is estimated at \$41,140.75. This is an increase of \$17,819.53 over the figure of \$23,321.22 actually expended in 1956.

Other expenditure items in the 1957 budget include \$6,105.50 for recreation and community service; \$4,525 for social welfare; \$6,100 for health; \$7,300 for general government expense and \$1,800 for sanitation and waste removal.

Included in estimates of estimated revenue are \$4,600 from licenses and permits; \$11,235.61 from grants, subsidies and contributions; \$1,600 from interest and tax penalties and \$5,927.28 from poll tax and a grant in lieu of taxes from the telephone utility.

## Two County Men On Missing Tug

Two Digby County men are members of the crew of the missing tug "Glenfield" for which search has been called off this week. The 110 ton Glenfield has been missing since April 7th on a trip from Liverpool to Saint John.

Digby County men aboard the Glenfield are Ray Tibert, chief engineer, of Central Grove, and Clayton Morehouse, second engineer, of Weymouth.

A lifeboat found Sunday off Shelburne is said to be similar in construction to those carried aboard the Glenfield. Kent Line officials in Saint John say little hope is held for the five man crew. An air-sea rescue search was carried out from the date the tug was reported missing until April 15th, but was called off pending some definite leads.

## Worthy Grand Matron Visits O.E.S.

At the regular April meeting of St. Mary's Chapter, O.E.S., Sister Jessie C. Moss, of Springhill, N. S., Worthy Grand Matron of the Order of the Eastern Star of Nova Scotia and Prince Edward Island, made her official visit.

Sister Moss was welcomed to St. Mary's Chapter by the Worthy Matron, Sister Daisy Ruggles.

At this meeting each member gave a dollar which they had earned during the past month, and each one gave a humorous account of how the dollar was earned. A short program was enjoyed consisting of readings by Sister Blanche Russell and Eva Wendell, and a duet by Sister Barbara Weir and Bro. Guy Morehouse. Delicious refreshments were served at the close of the meeting. The tables were gaily trimmed with Easter decorations and favors.

While in Digby Sister Moss was the guest of Mr. and Mrs. B. H. Ruggles.

At the March meeting of the St. Mary's Chapter a Jewel Case, which was made and donated by Past Patron Bro. John K. Smith, of Plympton, was dedicated. Jewels and Bible belonging to the late Past Worthy Matron, Catherine Farnham, were placed in this case.

## Vocational Classes Close

Vocational Evening Classes at the Digby Regional High School came to a close for the winter season when a short program and a social hour were held on Thursday evening.

In a short talk before the students and friends, Baden Powell, local administrator, said that the benefits of the Vocational Evening Classes were beginning to be seen. Two of the instructors of the classes had begun studies under these same classes and several had obtained full time employment on completion of the courses. He said students often obtain employment in the Digby area and so the district receives a direct return for the service it renders in this respect.

Nine students it was learned completed the full year in bookkeeping under the direction of Vernon Hupman, and one student, Guy Harrington, completed the course and received the certificate.

In the shorthand and typing class, under Miss Geraldine Syda, there were ten who continued studies to the end of the year and four completed the entire course. Miss Anne Saulnier completed the course with an average of 98 in shorthand and 50 in typing. The other students and their marks were Miss Joyce Bremner, 97, 90, 45; Mrs. Helen Thurber, 94, 90, 46; Miss Doris Thibault, 91, 90 and 55. Average of the second year student, Mrs. Marjorie Morse, was 96. The first year students with their averages were Mrs. Patricia Robbins, 99, Mrs. Barbara Kauback, 99 and Ethel Embree, 97.

The Home Sewing Class was under the direction of Mrs. Thomas Sabine and ten completed the year. Certificates for the full three term course were obtained by Mrs. Edith Hayden and Jennie Saulnier. On display were garments made during the past winter by the students. They included skirts, dresses, jackets, blouses, ensembles in cotton, woolsens, rayons and taffetas, corduroys and in plain and plaid designs. All showed neat and skilled workmanship. Certificates in recognition of merit were received by Nellie Dren in bookkeeping, Anne Saulnier, typing and shorthand, and Stella Surette in home sewing.

Mr. Powell expressed the hope that other classes would be opened in the future with the view of filling a need which exists for more skilled workmen in technical fields.

## Contributions To Red Cross Show Increase

Contributions to the 1957 Red Cross campaign in both Digby and Clare have shown increases over the 1956 figure, it was revealed in a report issued on April 12th.

In Digby 1957 contributions to that date had reached \$2500, compared with \$1773 at the same date last year. The Clare figure showed \$1260 to April 12, 1957, while the 1956 return to the same date was \$1000.

Greatest increase in 1957 over the previous year's figure was at HMCS Cornwallis where contributions this year amounted to \$1003.18. This is a 100% increase over the 1956 figure.

## Plan July 1st Fair

Preliminary plans for the annual July 1st Fair in Digby were discussed at a meeting of the group in charge of the fair on Monday night. The meeting was under the chairmanship of Ralph Wright, general chairman of the Fair Committee.

It was reported the Scallop Queen Ball, at which the 1957 Digby County Scallop Queen will be chosen, will be held on the evening of June 26th. Other events scheduled for the fair include a Ceremonial Sunset Service by the band and naval party from HMCS Cornwallis on Sunday evening, June 30th. This event will be held at the Digby Ball Park.

Also included in the Fair program will be a air-sea rescue demonstration by personnel of HMCS Cornwallis and a demonstration of prision work in physical training, also by personnel from the Cornwallis naval base. Included in the physical training demonstration will be an exhibition of tumbling.

A gala parade will also be held, it is understood, and the usual midway attractions will be provided. Efforts are being made to bring in a top flight western entertainer for an evening show at the Forum on July 1st.

## Attend V.O.N. Meet

Mrs. J. M. Wallis and Mrs. John Russell represented the Digby Branch V.O.N. at the first annual meeting of the newly formed Victorian Order of Nurses for Nova Scotia which met at the Board of Trade building in Halifax on Monday. A directors meeting at 11 a.m. preceded the general annual meeting at 2 p.m.

Cyril J. Webb, Halifax, was re-elected president. Others named were vice president, Mrs. George Reid, of Halifax; corresponding secretary, Mrs. J. Arthur Roberts, Bridgewater; recording secretary and treasurer, Walter DeWitt Bars, Q.C., of Dartmouth.

Named as directors were Mrs. Donald Cameron, W. E. Jefferson, both of Amherst; Mrs. E. S. Dickie, Dartmouth; Mrs. J. M. Wallis, Digby; George Walker, Kentville; C. B. Jones, Lunenburg; Mrs. H. M. Smith, Lunenburg; Mrs. J. J. Kinley, Lunenburg; Mrs. C. H. Sutherland, J. A. Morgan, Sydney; Mrs. Douglas Baker, Mr. Preston Wilcox, Truro; Mrs. H. S. Haslam, New Glasgow; Miss Bessie Logan, Pictou; W. E. Porteous, Windsor; Dr. G. B. Richmond, Wolfville; Dr. George Burrige, Yarmouth; Miss Jean Forbes, Halifax; Miss Dorothy Fowler, District Supervisor, and W. M. Wickwire, Q.C., of Halifax.

Elected to the publicity committee was Mrs. Wallis, of Digby; Mrs. Kinley, of Lunenburg; Mrs. Baker, of Truro.

Mrs. George Reid, of Halifax, was chosen to represent the provincial order at the annual meeting of the board of governors in Ottawa in May, with Mrs. J. J. Kinley as alternate.

A fact-finding committee to obtain provincial V.O.N. statistics was formed with Dr. G. B. Richmond, of Wolfville, as convener. Others on the committee are Dr. Burrige, of Yarmouth; Mrs. Sutherland, of Pictou; Mr. Porteous, of Windsor; Mrs. Dickie, of Dartmouth, and Preston Wilcox, Truro.

A directors meeting will be held in Lunenburg in October. Over 30 V.O.N. directors from across the province attended the session, presided over by President Webb.

## To Speak To Adults And Youth

Keith Ellinwood, secretary of District No. 1 of the Allied Youth, will be in Digby Wednesday, May 1st, to address the high school pupils of the Digby Regional High School and will also hold an adult meeting at Grace United Church on Tuesday evening, April 30.

Mr. Ellinwood is a native of New York state, a university graduate, a lay therapist with Alcoholics Anonymous working among the prison personnel of the State of New York. He is a writer, a radio and T.V. personality and an outstanding authority on alcohol problems.

Mr. Ellinwood, representing the Allied Youth, has been drawing large audiences throughout the province and it is expected many from Digby and area will avail themselves of the opportunity of hearing him while he is in the district.

Allied Youth was founded in the United States in 1931 and the first Nova Scotian groups were formed in 1949. There are now 20 Allied Youth posts in Nova Scotia, with about 2,000 teenagers as members.

## URGE C. R. CONTINUE TOURIST PROMOTION

Annapolis Valley Affiliated Boards of Trade in annual session at the Cornwallis Inn, Kentville, on Friday endorsed a resolution calling on the Nova Scotia Government to give leadership in having the Canadian Pacific Railway maintain its active participation in the promotion of tourist travel in the province.

Reflecting the discussion on the announced intention of the CPR to sell its three hotels in Nova Scotia, Cornwallis Inn, Kentville, Digby Pines, and Lakeside, Yarmouth, the delegates of twelve boards, Windsor to Weymouth inclusive, approved the resolution unanimously as presented by Frank J. Burns, of the Kentville Board. This stated: "Annapolis Valley Affiliated Boards of Trade view with great concern the possibility of losing the active participation of the Canadian Pacific Railway in the promotion of tourist travel to Nova Scotia, and believe it to be of sufficient importance to the economy of Western Nova Scotia to warrant careful study by the provincial government, with a view to having the company maintain its services in the province, and its active interest in the development of tourist travel in Nova Scotia."

President James P. Richards, proprietor of the American House, Middleton, and the Hotel Champlain, Digby, who presided was re-elected, and other officers are: vice president, G. R. Palmer, of Kentville; Gordon Goucher, Middleton; John J. Jodrey, Hantsport; Chester D. Kitchen, Bridgetown was re-elected secretary-treasurer.

The main topic of the business session was, the hotel situation. It was felt that the government has both the machinery and the influence to take the leadership and while the boards, individually and collectively, are prepared to do everything possible to assist, it was the feeling that through the provincial government more effective action could result.

There was no discussion of the report tabled by the Legislative Committee on industry on its suggestion that a broadening of the Nova Scotia liquor laws would be of great financial interest to hotels in the province.

The CPR was lauded by Mr. Burns and others for its many years of Nova Scotia tourist promotion, which it was said the railway, pioneered, and it was emphasized that this province needs the CPR in continued development.

The statement was made by Digby delegates that a report was current in that town that the Princess Helene will not carry mail after April 28th, and that it is only a question of time when first the express shipments and then freight shipments would be discontinued.

Digby has been particularly hard hit, it is said, through the transfer of HMCS Buckingham to Halifax and also the fact that the Maritime Fish Corporation has been operating on only a small scale.

Along with all this, said C. M. Levy, president, Digby Board of Trade, the decision of the CPR to sell the Digby Pines Hotel and prospective discontinuance of other service on the Princess Helene presents anything but a bright picture.

Another resolution passed concerns the more wholehearted support by wholesalers, retailers and consumers in the Maritimes to our own manufacturers. Presented by Mr. Levy, it was pointed out that the APEC and trade boards have been devoting much time to bring to the attention of governments various ideas which would benefit the Maritimes, it was resolved that the Valley Boards recommend, along with an effort to bring new industries, to make an appeal to wholesalers, retailers and consumers to lend more support to well established and reputable Maritime industries which we now have.

Secretary Kitchen reported that many business firms throughout the Valley during the past year had taken out membership and as a result there was increased interest in the board's affairs and also financially.

Decision was made to print 32,000 trip maps for the coming tourist season. This is an increase over the quantity printed a year ago.

James Moir, Bridgetown, reported that federal government engineers are now making a survey of the Annapolis River causeway to be built by the

J. P. Richards

Eleven members of the Digby Board of Trade and three from Weymouth attended the meeting in Kentville on Friday.

Guest speaker at the banquet in the evening was Raymond Dupuis, president of the Canadian Chamber of Commerce. He said the Maritime Provinces with new prospects for power, new mines, and the present forest wealth, and fisheries and tourist attractions, present an excellent opportunity for the investment of capital.

He said "investors who take the hint and act now will not be sorry", for he said he is certain there is a rich harvest in the future of many fields in the Atlantic Provinces.

## Many Notables Guests At Famed Digby Pines

News of the proposed sale of the Digby Pines Hotel by the CPR at the close of the coming season has brought back memories to Digby residents of many internationally famous figures who strolled about the streets of Digby during a stay at the noted luxury hotel.

Included among these were Rt. Hon. Ramsay MacDonald, British pre-war labour prime minister, and his daughter, Sheila, who stayed at the Digby Pines in 1934 on their only visit to Nova Scotia. The British prime minister was welcomed to the province by Nova Scotia's Angus L. Macdonald and legend has it that "Angus L." greeted the British prime minister in Gaelic and that Mr. MacDonald turned to his daughter seeking a possible translation of what to him was obviously a strange tongue.

Among other notable internationally known figures to stay at the Digby Pines was Sir Montague Norman, Governor of the Bank of England. This quiet, retiring man, often referred to as a "mystery man," visited Digby in 1936 and during his stay at The Pines seemed to enjoy nothing more than his morning walk along the quiet streets of Digby where he often stopped to chat awhile with the children.

During the early years of the Second World War the Digby Pines became the site for many top level secret conferences of British and Canadian government and armed forces leaders. During those years long sleek automobiles often converged on the hotel and important looking personages were taken by car from the CPS Princess Helene or a seaplane landed in the harbor by the shortest route to the hotel.

Rumour was often rife in the town that high level leaders were in conference at The Pines but seldom did real knowledge of who these people were leak out until long after they had departed, often as mysteriously as they came.

Included among top-level wartime leaders who conferred at the Digby Pines was Lord Beaverbrook, wartime minister of aircraft production for Britain. He was accompanied on one conference here by Brendan Bracken and by Lord Lascelles.

Since the war the Digby Pines has also played host to many other notable figures among who may be listed Sir John and Lady Anderson, Sir John Anderson served as Minister of Civil Defence during Britain's dark years and is well known for the development of the "Anderson Shelter" which saved many lives during the terrible bombings of London and other British centers. Lord Cornwallis, descendant of the founder of Halifax, also visited Digby and The Pines in 1950.

Not only has the Digby Pines played host to internationally known figures in the world of finance, politics and military affairs, but top flight personalities in the world of sports and entertainment have also visited here. Included among these are Jack Sharkey, Babe Ruth and Kate Smith.

## Retired Captain Has Colourful Career

A ship's captain, veteran of the great days of trade between Nova Scotia and the New England States and the last survivor of wooden shipbuilding in this province and the last survivor of a family of six brothers, five of whom followed the sea as their life's career, today lives in retirement in the Digby County port from which he first sailed as a "cookie" aboard his father's schooner, "Levoise", at the age of thirteen in 1889.

He is Captain Bernard Melanson of Gilbert's Cove in Digby County. Today, still hale and hearty, Captain "Bernie" as he is called by all who know him, thinks back wistfully of his days at sea in the coastal and West Indies trade and of the years in which he headed a shipbuilding firm which built some ten vessels, both sail and steam, along the St. Mary's Bay coast of Digby County.

Although he has regretfully decided to leave both his seafaring and shipbuilding days behind him, Captain Bernie is still keenly interested in marine matters and only a few months ago bought an eighty ton motor vessel, the Tagati, which he has refitted and overhauled and now has decided to sell.

The story of Captain Melanson's life is a saga of the seafaring and shipbuilding days of western Nova Scotia. A son of Captain Dennis J. Melanson, who himself went to sea at an early age and worked his way up to ship's captain and owner, Captain Bernie first went to sea in 1889 and later, at the death of his father in 1909, took over his father's trading business, operating three vessels between St. Mary's Bay ports and the New England states. He later went into shipbuilding and also sailed in the West Indies trade for the United Fruit Company. He also developed a lucrative business in the manufacture, shipping and sale of hardwood molasses puncheon staves for the West Indies.

(Continued next week)

## Addresses Rally

J. L. MacGregor, Executive Commissioner for Training with Boy Scout Headquarters at Ottawa, was guest speaker at a rally here last Wednesday night of some thirty-five Scouters, Cubbers and Scout Group Committee members representing Scout and Cub organizations in ten western Nova Scotia centres from Middleton to Yarmouth.

In a challenging address Mr. MacGregor stressed quality in leadership and outdoor activity in the Boy Scout training program. He stated there must be close cooperation between the Cub Pack and Scout Troop at the leadership level. This was necessary, he said, if Cubbers were to be properly assisted and guided when they made the important step up from Cub activities to the Boy Scout program.

A Royal Canadian Naval veteran of World War II, Mr. MacGregor saw action at Dieppe, North Africa, Sicily and France as a rating. He was mentioned in despatches in the Sicilian campaign and commissioned in 1944. He retired from the navy in 1947 after serving as Commanding Officer of HMCS Lloyd George.

In his address to the Scouters and Cubbers Mr. MacGregor stressed the great value of Cub and Scout training in the development of youth and urged that leaders never lose sight of the true values in their work with the boys.

Following Mr. MacGregor's address some time was spent in discussion of problems relating to Scout and Cub work in the area and much valuable information was obtained.

Mr. and Mrs. William Semple, Victoria, B. C., are visiting for a couple months at the home of Mrs. Semple's parents, Mr. and Mrs. Arthur Ryan.

## Report From Parliament Hill

Shortly after 9 o'clock on Friday evening, the Members of Parliament remaining in Ottawa took the long walk from the Chamber down to the Senate, and heard the Chief Justice, acting for the Governor General, prorogue Parliament. A few moments later, the Prime Minister drove to Rideau Hill and obtained the consent of the Governor General for dissolution. The twenty-second Parliament of Canada was history. Immediately afterwards, the Chief Electoral Officer sent out the telegrams which he had long ago prepared, instructing the hundreds of Returning Officers across Canada to put into motion the election machinery. These messages had to be dispatched on that date, in order that the election might be held on June 10th.

For a while it looked as though Parliament might not conclude on that day. Two short-lived, bitter debates erupted. The first was provoked by that tireless worker, Mr. Stanley Knowles of the C.C.F. Party. During the preceding days, he had been laying the foundation for this attack. He had succeeded in establishing that full time Executives of Crown Corporations had been appointed as Directors of private companies doing business with these Crown Corporations. All of these, of course, were associated with Mr. Howe's Department. Probably the "ben mots" of the Session was Mr. Howe's reply to an inquiry by Mr. Knowles as to whether he thought it was proper for these Executives to be accepting Directorships of private companies with whom they were doing business on behalf of the Government. Mr. Howe said: "That, of course, is a question of ethics on which I would have to obtain an expert opinion."

In particular, Mr. Knowles singled out Mr. Barrington, the President of Polymer Corporation, who had recently been appointed a Director of McIntyre Porcupine Mines. Superficially this would not appear to involve any great conflict of interest, although, of course, McIntyre Porcupine as a gold mining industry is in receipt of subsidy from the Federal Government. But on Thursday afternoon, there broke in the newspapers a story to the effect that A. V. Roe, Limited, and McIntyre Porcupine Mines had bought control of Algoma Steel, by purchasing the shares of the estate of the late Sir James Dunn. Of

course, Mr. Howe is an executor of that estate. Fortunately, too, McIntyre Porcupine Mines had a reserve in cash of over Eighty Million Dollars with which to assist in the investment. We, therefore, had the picture of A. V. Roe, Limited, which is constantly being awarded contracts from the Department of Defence Production, and McIntyre Porcupine Mines, with one of Mr. Howe's full-time Government employees as a Director, buying the control of a Company of which Mr. Howe was one of the largest nominal shareholders. It could have provoked an ugly debate, and it raises many questions yet unanswered, and suspicions which should be dispelled.

Mr. Knowles established the facts, but Mr. Howe refused to be drawn into a debate on the matter, and there it stood as Parliament dissolved.

The second matter was raised by Mr. Diefenbaker, and had to do with the tragic death of the late E. J. Norman. At the beginning of the day, Mr. Diefenbaker asked the Government to deny specifically the charges which had been made against Mr. Norman in the United States. Mr. Diefenbaker said that the Government owed that much to the memory of Mr. Norman, so that he might not rest under a cloud of suspicion. Mr. Pearson was on a speaking tour in southern Ontario. He had spoken in Belleville the night before, and on Friday was driving to Kingston, where he was to address another Nominating Convention. Mr. Martin, who is always the Acting Minister of External Affairs in Mr. Pearson's absence, had promised to give a statement later on in the day. However, the Prime Minister apparently decided to put the responsibility on Mr. Pearson, and telephoned him to return to Ottawa at once. Mr. Pearson entered the Chamber about 5.30 p.m. The Press Gallery, having been notified that Mr. Pearson was returning to answer Mr. Diefenbaker himself, was packed. But Mr. Pearson refused to deny specifically the charges that had been made in Washington, but again restated his faith in Mr. Norman, and went on to say that it had been known that as a college student, Mr. Norman had been in close association with Communists. Some papers, on Saturday morning, carried headlines to the effect that the House of Commons was "shocked," "stunned." I do not think that anyone was either shocked or stunned. After all, there is no great crime in a young man in University having associated with Communists. Many have done much worse. Actually, a student, studying post-graduate economics would perhaps be justified in so doing. In fact, almost anyone who could read between the lines of the late Sir James Dunn. Of

FACTS THAT SPELL "OPPORTUNITY" FOR YOUNG MEN WITH AMBITION

1. The "Royal" is North America's fourth largest bank. More than 870 branches are in operation and new ones are being opened all the time. During the past four years we have opened 94 new branches, each one creating new managerial positions... and resulting promotions for young Royal Bankers.
2. "Influence" plays no part in advancement at the Royal Bank. Our senior officers from the Chairman and President on down started as juniors in small branches and advanced on merit alone.
3. Home study banking courses are available to all staff members. Successful candidates advance quickly. Practical experience plus the banking course is equivalent to a university course in Commerce.
4. For young men interested in gaining international banking experience, the Royal Bank has 75 branches abroad... in New York, London, Paris, Central and South America, Cuba and the West Indies.
5. We have generous pension plans that compare with the best, as well as group, health and hospital insurance, at low cost to employees.

## Earl Clark Issues Statement

The following statement was released today by the former Director of Industrial and Tourist Promotion, Mr. Earl Clark.

"Within the next few days, it will be regrettably necessary for me to leave Nova Scotia to accept a position elsewhere. I would like it to be known that, even with its difficulties, it has been a privilege to act as Promotional Director for a Province with so much natural beauty and with so obvious a potential for living. These wonderful assets helped to make my work easy."

No promotional director expects to find his work easy. Mine was no exception. But it was a work that gave real pleasure and satisfaction. In particular I was happy that my family took Nova Scotia to themselves within the first few months and will depart with genuine regret.

Regarding the present controversy, I have said and written all that needs to be said to indicate the situation. To say more would involve me in a political arena, for which I have neither taste nor ambition. If Nova Scotian groups, or persons, wish to carry it further, the matter is now in their hands. My record is open and available, and a complete scrutiny is welcomed. I shall be happy to make myself personally available so long as sufficient attention is given to my need to attend to my new work.

I would like to add a word regarding the Civil Service. Within the high school textbook, "The Modern World", on pages 252-254, Nova Scotian students are taught the importance of the service and its freedom. The chapter is worth adult reading.

In contrast, the following is a Nova Scotian legal opinion: "Contrary to the views of many people, the Civil Service Act gives no security of tenure to any civil servant. The idea that a civil servant should not be dismissed except for cause is a question merely of policy and is not expressed in any statute or any principle of law on which any servant of the government can rely in any Court of Law."

Regardless of how moral the case might be, there is no legal

cause for action for wrongful dismissal.

There are many excellent persons in Nova Scotia's civil service. They deserve more protection.

For many years before becoming its promotional director, I was able to be of service to the province. I expect that there will be many similar opportunities in the future. Through the attachments that have been formed during the past two years, Nova Scotia will never be far away from either myself or my family.

## Delicious Feather Buns

So easy to make! If you bake at home, make these delectable buns with fast-rising Best Yeast.

## FEATHER BUNS

Combine ½ c. water, 3 tbs. granulated sugar, 1 tsp. salt and ¼ c. shortening; beat, stirring constantly, until sugar and salt are dissolved and shortening melted; cool to lukewarm. Meantime, measure into a large bowl ½ c. lukewarm water; crumble and add 1 cake Best Yeast—or stir in 1 tsp. granulated sugar and sprinkle with 1 envelope Best dry Yeast. Let stand 10 minutes, THEN stir well. Add cooled sugar-shortening mixture and stir in 1 well-beaten egg and 1 tsp. lemon juice. Sift together twice 2 c. once-sifted

all-purpose flour and ¼ tsp. ground mace. Stir into yeast mixture; beat until smooth. Work in 1 c. once-sifted all-purpose flour to make a very soft dough. Grease top of dough. Cover; set in warm place, free from draft. Let rise until doubled in bulk. Punch down dough; cut out rounded spoonfuls of dough with a table-spoon; drop into greased muffin pans, filling each pan about half-full. Grease tops. Cover and let rise until doubled in bulk. Bake in a hot oven, 425°, about 20 minutes. Yield — 20 medium-sized buns.

### W.M.S. Meets

The W.M.S. of Sandy Cove held their regular meeting at the home of Mrs. Curtis Denton on Wednesday evening, April 10th. There were nine members and four visitors present.

Meeting opened with the reading in unison the 4th chapter of Amos. Mrs. Clarence Hersey had the devotional. Scripture was taken from John 20:1-16.

Various members engaged in the circle of prayer. Theme for the evening was "Easter". Mrs. Norval Morehouse read a poem entitled "God's Windowsill".

Hymns used were "Christ The Lord Is Risen Today" and "Rejoice The Lord Is King". Roll call was responded to by a memorized verse of scripture.

Those on the visiting sick committee for the month of April are Mrs. Fenwick Jeffrey and Mrs. Edmund McCullough.

The program was about the Grand Ligne work and Mrs. Olmstead continued the reviewing of the life of Dr. John McLaurin.

The meeting closed with the Mizpah benediction, followed by refreshments.

ATTEND CHURCH EASTER.

## Deep Brook B.Y.P.U. Holds Service

Members of the Deep Brook B.Y.P.U. held a special young people's church service on Sunday evening, April 7th, at the Baptist Church, presenting the following order of service:  
Doxology.  
Invocation, Miss Elizabeth Long.  
Hymn, "All Hail The Power".  
Responsive Reading, Miss Ruth Nichols.  
Scripture, Psalm 27, Stearnes Henshaw.  
Young People's Choir, "Sing Them Over Again To Me".  
Prayer, Miss Velma Bacon.  
Choral Response.  
Offering (to be used for a memorial gift to the church).  
Dedication of Offering, Miss Patsy Baxter.  
Hymn, "Sun Of My Soul".  
Sermon, "How Strong Is Your Christian Faith", Vaughan Henshaw.  
Hymn, "Jesus Calls Us".  
Benediction, Rev. F. Miller.

Organist was Miss Paula Moore; Choir Director, Miss Donna Hall; Ushers, Leonard Harvey and Roscoe Wright.

All phases of the service showed the intellectual and spiritual training these young people have received during the past few months under the leadership of Rev. F. Miller and Mrs. Miller.

A large congregation, including visitors from Clementsport, Smith's Cove, Digby, Acadiaville, Hillsburn and Waldeck, attended.

ATTEND CHURCH EASTER.

# CARS ARE MY LINE

by Ken Hankinson

## ARE YOU A COWBOY DRIVER?

It has always seemed obvious to me that the cowboy driver, the smart alec and the jack-rabbit starter will get fewer miles to the gallon than the easy and more cautious driver. But after all, I thought, the cowboy gets where he's going faster, and maybe it's worth it.

I never knew, until I saw the results of some engineers' tests the other day, how expensive it is to be a cowboy behind the wheel and how little you get in return. These engineers sent two identical cars over the same route through a city, one driven by an easy driver who didn't pull away from stop signs like he was shot from a gun, and the other driven by the sort of jack-rabbit you see on the streets every day.

The easy driver got 60 percent more miles to a gallon of gas. That really surprised me — 60 percent! If, for instance, the cowboy was getting 12 miles to the gallon, the easy driver was getting 19.2 miles.

And the easy driver sacrificed almost nothing in return for his greater economy. His average speed was 2 percent less than the cowboy's, and his time on the road to go the same distance was only 2 percent more. When it took the cowboy 30 minutes to go a certain distance, the easy driver did it in 30.6 minutes — and saved all that gas.

All the wear and tear on the nervous system of being a cowboy driver seems hardly worth it.

It's certainly not worth it in terms of engine wear and tear. The signs of the cowboy driver soon show up in a car, that's why we take extra care in looking over the cars that are sent in to us for resale.

We much prefer to take the car of an easy driver. Let the cowboy go stick someone else for his worn out bronc.

(Continued from page 5)  
Mrs. Robert Bartlett entertained friends on Saturday evening in honor of Miss Phyllis Journeay's birthday.

During the storm on Tuesday the Fire Dept. responded to a call for a chimney fire at the home of Mrs. H. Journeay.

One of the widows of M. J. Gaudet and Co. has been trimmed by the Weymouth Unit of the Canadian Cancer Society showing the work of the organization. Literature may also be found at the Weymouth Drug Store.

The officers of the Riverside Baptist Auxiliary wish to advise the members and friends who have saved Allsweet carton ends for them in the past that the spring collection is now open. However, the ends are not acceptable this time. In their place please save the "coaches" which appear on the new packages. These may be given to the members or left at Mullen's store.

Mrs. H. M. Mullen spent Monday with her niece, Mrs. Guy Morehouse and family, in Digby.

Dolly Fitzgerald and Millie Nelson, Wolfville, spent the weekend with the former's parents, Mr. and Mrs. Harvey Fitzgerald.

**YOUTH INTERESTED IN CENTRE PROJECTS**

A regular business meeting of the Weymouth Youth Centre Association was held at the Weymouth Agricultural Office on Wednesday evening with president R. S. Hallett as chairman. Fifteen members were in attendance.

After the reading of the minutes reports were given from several committees. Miss Eileen Hallett of the Girls Work Committee stated that there had been an average attendance of twelve girls who had been working at shellwork and felt craft.

Mrs. J. D. Rice of the Social Committee reported that the social evenings were very successful and suggested that new games and sports be started for the youth.

Mr. R. S. Hallett reporting for the Boys Work Committee, stated that approximately 30 boys had worked at woodworking as well as participating in sports, but due to the lack of leaders for the youth no other projects could be started.

All workers stressed the great need for leaders and personnel to instruct the youth and it is hoped that more assistance and support may be obtained in the future in order to continue with the worthy projects for our youth.

After considerable discussion on various business matters the meeting adjourned at 10 p.m.

**OBITUARY**

**Fred G. Brooks**  
The passing of Fred G. Brooks at Lankenau Hospital, Philadelphia, of a heart ailment on April 5, was heard with regret by his many old friends.

He was born at Weymouth 73 years ago, son of the late Capt. John and Georgia Brooks. He has been residing in Philadelphia the last 41 years and at Lynn, Mass., a number of years.

He leaves to mourn his loss

a sister, Mrs. H. M. Mullen, of Weymouth North; a nephew, Willis Mullen, of Weymouth, and a niece, Mrs. Guy Morehouse, of Digby. His wife predeceased him two years ago, also a sister, Mrs. Omer Denton. Burial was at Philadelphia.

**Mrs. Alice Stark**  
Alice Nellie Stark, wife of Luther Stark, well known caretaker of the town cemeteries, passed away at the home of her daughter, Mrs. Clyde Bremner, Lighthouse Road, Digby, N. S., early Friday evening. She had been in failing health for the past several months.

Born at Port Wade, Annapolis County 68 years ago, she was a daughter of the late Howard and Janet Haines. She moved to Lighthouse Road when a young girl. She was first married to Thomas Walter Barnes, who predeceased her in 1944. Following her marriage to Luther Stark she established residence in the town of Digby.

She was keenly interested in the various town organizations and on many occasions did cooking for them. She was also a member of Grace United Church. She leaves to mourn beside her husband, six daughters, Hilda (Mrs. Clyde Bremner), Lighthouse Road, Digby; Mildred (Mrs. Ralph Milbury), Bear River; Beatrice (Mrs. Harry Gregory), Digby; Eileen (Mrs. Harry Ring), Victoria Beach; Blanche (Mrs. George Barnett) and Bertha (Mrs. Joseph Tanner), of Deep Brook. She is also survived by a twin sister, Mildred (Mrs. Stanley McCaul), of Victoria Beach, and sisters Etta (Mrs. Charles Tinkham), Lynn, Mass., and Lottie (Mrs. Reginald Tinkham), of Kempville, N. S.

A brother, Warren, predeceased her. Four stepsons, Lorne, Louis, Clyde and Boyd Stark, all of Digby, also survive.

The remains rested at Jayne's Funeral Home, Digby, N. S., until Monday noon when they were taken to Grace United Church, Digby, for service at 2:30 p.m. Rev. James Brooks conducted the service. He was assisted by Lieutenant and Mrs. Bradley of the Salvation Army.

Interment was in the family lot, Methodist Cemetery, Digby.

## Marks 95th Birthday

The Courier extends congratulations to Mrs. Edward (Seraphine) Potter, of Clementsvalle (shown above) who celebrated her ninety-fifth birthday on Monday at an anniversary dinner and Mrs. Purdy, Somerville, Mass., made a special trip to hold the celebration in their country home in Deep Brook for Mrs. Potter.

Mrs. Potter enjoys excellent health. Although she gave up her usual five mile walk several years ago, she is still a familiar person along this community's streets.

Attending the party were Mrs. Potter's three children, Mrs. Purdy, Mrs. Manning Potter, Wilmet, and Stewart Potter, of Clementsvalle, as well as a number of grandchildren and great grandchildren.

## Strange Pals

Mrs. Anne Campbell, of Culloden, writes the Courier that she has a real problem on her hands.

Some time ago Mrs. Campbell secured a dog which she calls Lassie to guard her poultry from the depredations of foxes and other such animals.

The other day she was shocked to see the dog, whom she was depending upon to drive off the foxes from her flock of hens, gambling about a neighbour's field all morning and seemed to be the best of pals. Mrs. Campbell is somewhat puzzled about the whole matter and is wondering if perhaps Lassie is just trying to divert the fox's attention from the hens or whether her dog has gone over to the side of the enemy.

So far, Mrs. Campbell says, she has not lost any of her hens. If she does she is wondering if she should go after the fox with a gun or just shoot Lassie.

## Visits Municipal Home

The Earn and Give Club of Grace United Church, Digby, visited the Municipal Home at Marshalltown on Tuesday evening when the visitors and inmates enjoyed a sing-song. Treats were distributed by members of the club.

Other groups to visit the Municipal Home during the Easter season were the Hi-Y group from Digby and a group from the Anglican Church at Marshalltown.

Both Mr. and Mrs. Thomas expressed pleasure with the visits and appreciated the fact that visits were continued through the year, rather than just at Christmas time.

## Cars Crash At Intersection

Two cars were badly smashed in a collision at the intersection of Queen Street and Prince William Street here last Thursday morning.

It is understood drivers of the two cars were Kenneth Woodman of the Digby County Power Board and Mrs. Violet Roberge. The Woodman car was reportedly travelling north on Queen Street and the Roberge car east on Prince William Street when they met at the intersection.

Although both cars were badly damaged by the impact the drivers and Oscar Russell, a passenger in the Roberge car, received only superficial cuts and bruises.

The intersection where the accident occurred has been the scene of a number of collisions over the past few years.

DRIVE CAREFULLY.

## LIBERALS NOMINATE A. LAWRENCE MORFEE

Arthur Lawrence Morfee, of Granville Ferry, has been nominated as Liberal candidate for the constituency of Digby-Annapolis-Kings in the federal election, scheduled for June 10.

Mr. Morfee was nominated at a largely attended Liberal convention, held last Thursday evening at the Regional High School in Middleton. Mr. Morfee's name, which was the only one to come before the convention, was placed in nomination by Peter Nicholson, MLA for Annapolis West in the Provincial Legislature. It was seconded by Wilfred Tudor, of Kentville.

Speakers at the nominating convention included Henry D. Hicks, MLA for Annapolis East, and provincial Liberal leader, and the Hon. Robert H. Winters, MP, federal Minister of Public Works. Also addressing the gathering was Eric W. Balm, MLA for Kings North and Liberal standard bearer in the forthcoming federal election.

Mr. Morfee was born in London, England, in 1897 and came to Canada in 1913 and engaged in agriculture in western Canada. He enlisted at the age of eighteen in the Canadian Expeditionary Force in the First World War and saw action with the 19th Canadian Infantry Battalion in France

and Belgium. He was wounded at Hill 70 and was evacuated to the United Kingdom. He later joined up with the Royal Air Force and was commissioned as an Observer.

He returned to Canada in 1919 and engaged in air survey work as a photographer. In 1924 Mr. Morfee was commissioned with the first group of officers when the RCAF was formed in 1924. He earned his pilot's wings in 1925. He later attended and graduated from the Royal Air Force Staff College. When the Second World War broke out in 1939 he was on the staff of the original Training Command and assisted in putting into operation the Commonwealth Air Training Plan.

In 1940 Mr. Morfee took command of RCAF station Dartmouth when operations were concentrated on anti-submarine duty. After the war he served in the Canadian military as a member of the Canada-United States Permanent Board of Defence.

Since his retirement from the Air Force Mr. Morfee has made his home in Granville Ferry, where he has taken an active part in community efforts. He is also Co-ordinator for Civil Defence for the province of Nova Scotia.

## Celebrate 47th Anniversary

Mr. and Mrs. George H. Gates, esteemed residents of Granville Ferry for the past 29 years, celebrated the 47th anniversary of their wedding at their home on Saturday, April 6th, when friends and neighbors tendered them a "surprise" anniversary party.

Mr. Gates was born at Nicotau Falls, Annapolis County, a son of the late Mr. and Mrs. Henry Gates. Mrs. Gates, the former Carolyn Boudreau, is a daughter of the late Mr. and Mrs. Charles Boudreau, of Victoria Beach, Annapolis County.

The couple were married at Victoria Beach by Rev. J. K. West, Baptist clergyman, and following their marriage, in 1910 the family moved to the United States where they resided for about ten years. They moved to Granville Ferry in 1928.

Mrs. Gates since coming to Granville Ferry to reside has been active in the work of the United Baptist Church. She is a member of the church choir, president of the Baptist Sewing Circle and is also an active member of the Granville Ferry Ladies' Hospital Aid.

At the party held in their honor, Mr. and Mrs. Gates were presented with a nice gift, the presentation being made by Mrs. Gerald Bent, and they were presented with a beautifully decorated wedding cake made and decorated by Mrs. Arthur Gilliat. The evening was pleasantly spent playing jolly games.

Mr. and Mrs. Gates were the parents of two sons. Their eldest son, Carrol, a member of the merchant navy, was lost at sea on the S.S. St. Malo in 1940.

Their youngest son, Charles Gates, resides in Sudbury, Ont., and they also have two grandsons, Billy and Raymond Gates, residing in Sudbury.

Many friends join in wishing this very fine couple many more happy anniversaries.

## Valley Nurses Meet

The Valley Branch of the Registered Nurses Association held its regular meeting on Wednesday, April 17, at the Payzant Memorial Hospital, Windsor. Miss Maude McLellan presided and reports from various committees were read. Margaret Teed, Councillor, brought an interesting report from the Executive meetings in Halifax.

An interesting T.V. program on Diabetes was received with interest and discussed. The nurses of Windsor Hospital gave an hilarious skit on an operating theatre in action and "we do mean action", as major surgery was performed, complete with nurses mopping surgeons brows with dish mops. To the public, the nurses say, this may seem a little frivolous, but to people with constant serious work to do a little comedy is, if not a necessity, at least highly desirable.

A delicious lunch was served by the Windsor nurses and a social hour enjoyed. The next meeting is to be held

## Hydro Has Five Lake Control

In order to provide firm power during the normally dry summer months from June through November, the Digby County Power Board has control dams on five lakes on the Sissiboo River.

The largest of these lakes is Grand Lake or Sissiboo Lake, containing about 700 acres, which furnishes the principal control of water since three of the other four lakes run into this natural storage basin. The Power Board has a cabin on this lake near the control dam where a man can be stationed during critically dry periods. Going up the river from Grand Lake we come to Fifth Lake. It is understood the guest speaker at this week's meeting of the club will be Miss Alberta Letts, Director of the Nova Scotia Provincial Library. Miss Letts is expected to speak on public and travelling libraries and their development and operation.

Plans were discussed at last week's meeting for the crippled and General Hospital. This week's clinic is the third to be sponsored here by the Digby Kiwanis Club.

DRIVE CAREFULLY

Fourth Lake is another large, and beautiful lake. It has 10 foot sluice gates to assist in water control. Considerable work was done on this lake by the Board last year and some additional work will be done this spring and summer as soon as the weather permits.

Going up river from Fourth Lake we come to Fifth Lake. It seems lakes are so plentiful on the Sissiboo that our forefathers ran out of names and resorted to numbers. Into this big lake pours the water from about one-half the Sissiboo River Watershed. Construction workers on the Board's new dam say that it is impossible to drain the lake as water continues to pour in from the many lakes, springs and swamps that flow into it. Those who are interested in numbers will be interested to note that the numbered lakes start with Ninth Lake just south of Lake Jolly.

The next controlled lake is Lake Uniacke, named after the great Nova Scotia pioneer by that name. It empties directly into Grand Lake. The largest branch of the Sissiboo River is the Wallace River.

Into this river flows Lake Tom Wallace which also has a Digby County Power Board Water Control.

By the aid of these controlled lakes, the generators of the Board continue to run, even in the unusually dry summers such as we experienced in 1955. By these controls, the "free fuel" of running water gives continuous electric power to Digby County users.

Asked about future plans, Mr. J. R. Ayer, Acting Superintendent of the Digby County Power Board, states that additional control on Grand Lake is very desirable. At present only 40% of the river is controlled for summer operations, which cuts generation during dry months requiring the purchase of additional energy from outside the system. He feels, however, that larger generators at the Digby County Power Board generating dams are needed before the cost of the added project could be properly liquidated.

at the Berwick Memorial Hospital on the third Wednesday in May.

## A Reflection On Local Youth

The Courier has been advised that a group of juveniles from this area have been indulging in a practise that is reflecting badly on the good name enjoyed generally by the youth of this district.

It is understood that on several occasions recently this group of juveniles have attended functions in such places as Yarmouth and Bridgetown and have gained admission to the functions by claiming they were members of either a high school group or the local Teen Town organization.

According to reports, the juvenile group have behaved themselves badly at these functions and, it is understood, have had on occasion to be evicted. Some damage has also been done, it is reported, by this group to the premises in which the functions were being held. On one occasion, it is stated, a scuffle ensued in which an official of the entertaining organization Digby regional sign saw and the Teen Town organization are deeply concerned about the matter and fear a severe reflection on the character of local youth is being cast by the activities of this juvenile group. It is understood steps are being taken to put a halt to the actions of the group but in the meantime much concern is being expressed about the matter.

## Delivers Easter Message

An inspiring Easter message was delivered at the weekly meeting of the Digby Kiwanis Club last week by Rev. E. C. Churchill, pastor of the Digby Baptist Church.

It is understood the guest speaker at this week's meeting of the club will be Miss Alberta Letts, Director of the Nova Scotia Provincial Library. Miss Letts is expected to speak on public and travelling libraries and their development and operation.

Plans were discussed at last week's meeting for the crippled and General Hospital. This week's clinic is the third to be sponsored here by the Digby Kiwanis Club.

## U.S.A. Visitor Sees Need Of Pines Hotel

April 17, 1957.  
The Digby Courier,  
Digby,  
Nova Scotia.

To the Editor:  
Mrs. Nash and I were sorry to read in The Courier that the Digby Pines may have to be closed and we hope that your efforts throughout the Annapolis Valley to keep it open will be as fruitful as that beautiful valley is itself.

We enjoyed our stay at The Pines three years ago and have since planned a return visit sometime. Nova Scotia is certainly a fine vacationland but it can't afford to lose accommodations for travelers like The Pines and the other CPR hotels, not at least without providing some modern motels like those at which we frequently meet Canadians while on a winter trip to Florida.

We enjoy reading The Courier and congratulate you on the job you're doing.

Very truly yours,  
Ridgefield, Conn.,  
U. S. A.

## Injured When Struck By Car

Ernest Germaine, 86 years old Digby resident, was injured Saturday evening when struck by a car, reportedly driven by Mrs. Paul MacNichol, of Bear River.

The accident occurred on Warwick Street at the south end of the town. Mr. Germaine was reported to have been walking across the street when he was struck by the car.

The injured man was rushed to the Digby General Hospital, only a few yards distant from the accident scene.

Examination at the hospital showed a scalp wound requiring stitches and other injuries. The injured man was reported resting comfortably yesterday.

## To Mark 50th Anniversary

The Courier extends congratulatory wishes to the 50th anniversary of their marriage on May 1st.

Mr. and Mrs. MacDonald will be at home to their many friends from two until seven o'clock on the afternoon of May 1st to mark their anniversary.

## LOCAL CHURCHES CELEBRATE EASTER

Digby churches were thronged for the special services on Sunday, marking the Festival of Easter. Fine, warm weather marked the day and many hundreds turned out to attend the special church services which were a feature of the day.

At Trinity Anglican Church there was a good attendance at the service of Holy Communion at 7:30 in the morning. A large congregation also attended the Choral Eucharist service at eleven o'clock. A special anthem by the choir marked this service and an inspiring sermon was preached by the Rector, Rev. H. Y. MacLean.

Large congregations also attended the special services of the Mass at St. Patrick's Roman Catholic Church where a special Easter message was delivered by the Pastor.

Special Easter music by the junior and senior choirs was a feature of the morning and the Lord's Supper was observed. Topic of the sermon by Rev. E. C. Churchill at the morning service was "The First Easter, Private, Not Public". At the evening service Mr. Churchill preached on the topic "Three Crosses On A Hill". A special anthem was rendered by the choir, "O Sons And Daughters Sing". Peter Nichols presided at the church organ for the evening service, while Anne Brittain was at the organ for the morning service.

At both Trinity Church and the Digby Baptist Church beautiful Easter lilies adorned the church for the special services. These were placed in the church in memory of former church members and loved ones who had passed away.

Grace United Church was filled to capacity on Sunday morning when a special Easter service was held and the sacrament of the Lord's Supper administered. Rev. James Brooks spoke on the subject "There Have We Buried Him?" Easter messages were also brought at the evening service and at the service at Bay View in the afternoon. Selections by the choir, by Caleb Simpson, and "Lilies" by Archer Mumma. Mrs. J. M. Wallis was soloist for each occasion. In Memorial flowers were placed in the church in memory of Mr. A. J. Trohon by Mrs. Trohon; Oscar VanTassel

## Digby County Native Accident Victim

Mildred Laura Stevens passed away in Truro as a result of a highway accident at Hilden on Friday morning. Born at Lansdowne, Digby County, fifty years ago, she was a daughter of the late Eber Balser and Ethelene Murray Balser, Deep Brook. Following her marriage to Walter Stevens, residence was established in Digby, N. S. Her husband predeceased her in 1944 and a daughter, Irene, in 1945.

She moved to Truro ten years ago where she served several years as a practical nurse. For the past several months she had been employed at Stanfields Limited.

Mrs. Stevens was on her way to visit her mother over the Easter holidays when the accident occurred. She passed away four hours later.

She leaves to mourn besides her mother a son, Walter, who is a pilot with Canadian Pacific Airways. Two brothers and two sisters also survive, one of whom is Mrs. B. B. Mahar, of Jayne's Funeral Home, Digby, were taken to the Digby United Baptist Church for funeral service at 3:00 p.m. Monday. Rev. E. C. Churchill conducted the service and was assisted by Rev. R. R. Winchester.

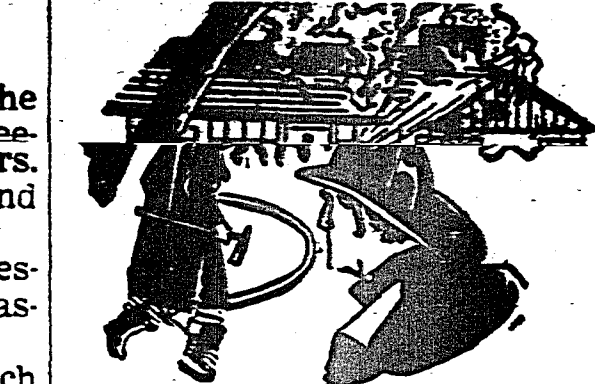

Interment took place beside her husband and daughter in the Baptist cemetery, Digby.

## Fire Marshal Visits Digby

Mr. Pattington, the Provincial Fire Marshal, visited Digby recently and made a tour of various properties in the town about which complaints had been made concerning the fact they were alleged to be fire hazards.

It is understood following his visit to Digby the Fire Marshal has issued a number of orders with regard to the remedying of fire hazard conditions at a number of properties within the town.

## D. F. D. ACTIVITIES

The first Bingo game gets underway tonight in an effort to raise additional funds for the Department. It is hoped that these will turn out successful.

The winner of the Easter ham was Lloyd Hicks, the winning number being 92, which was drawn by the D.F.D. Ice Carnival Princess, 1957, Miss Joan White.

The regular meeting of the Department will be held Wednesday, May 1st, at 8 p.m. Reports of all committees will be required at this meeting.

At last week's practice session instructions were given in pump operation, more particularly the events leading up to the actual operations, and this will be continued at the next practice.

Additional members are required for the Salvage Corp to complete its numbers and bring it up to full strength.

There have been a great many calls for grass fires over the long week-end but fortunately there has been no damage reported. It has been the practice of the Department to burn the areas that have been regarded as dangerous in different parts of the town. However, this year calls have prevented this being done with any regularity which has resulted in some abuse from some people and annoying remarks by others. We feel that we are trying to do a good job but some people do not seem to realize that we are doing the best we can. If these people would take heed to some of the precautions that the Department is trying to educate them to, a great deal of time and trouble would be saved by those who have nothing to do but criticize. In fact, there are vacancies in the Department for just those who consider themselves capable of fire fighting and an invitation is extended to anyone interested in fire fighting or having a knowledge of fire fighting to share it with us.

## Gift Of Bible Dedicated

Part of the Easter service in the United Church at Sandy Cove was a dedication of a copy of Revised Standard version of the Bible, for pulp use. This was the gift of the family of the late O. H. Morehouse, who placed it in the church in his memory. The Bible was received and dedicated by the minister, Rev. W. Armitage. A good congregation was present.

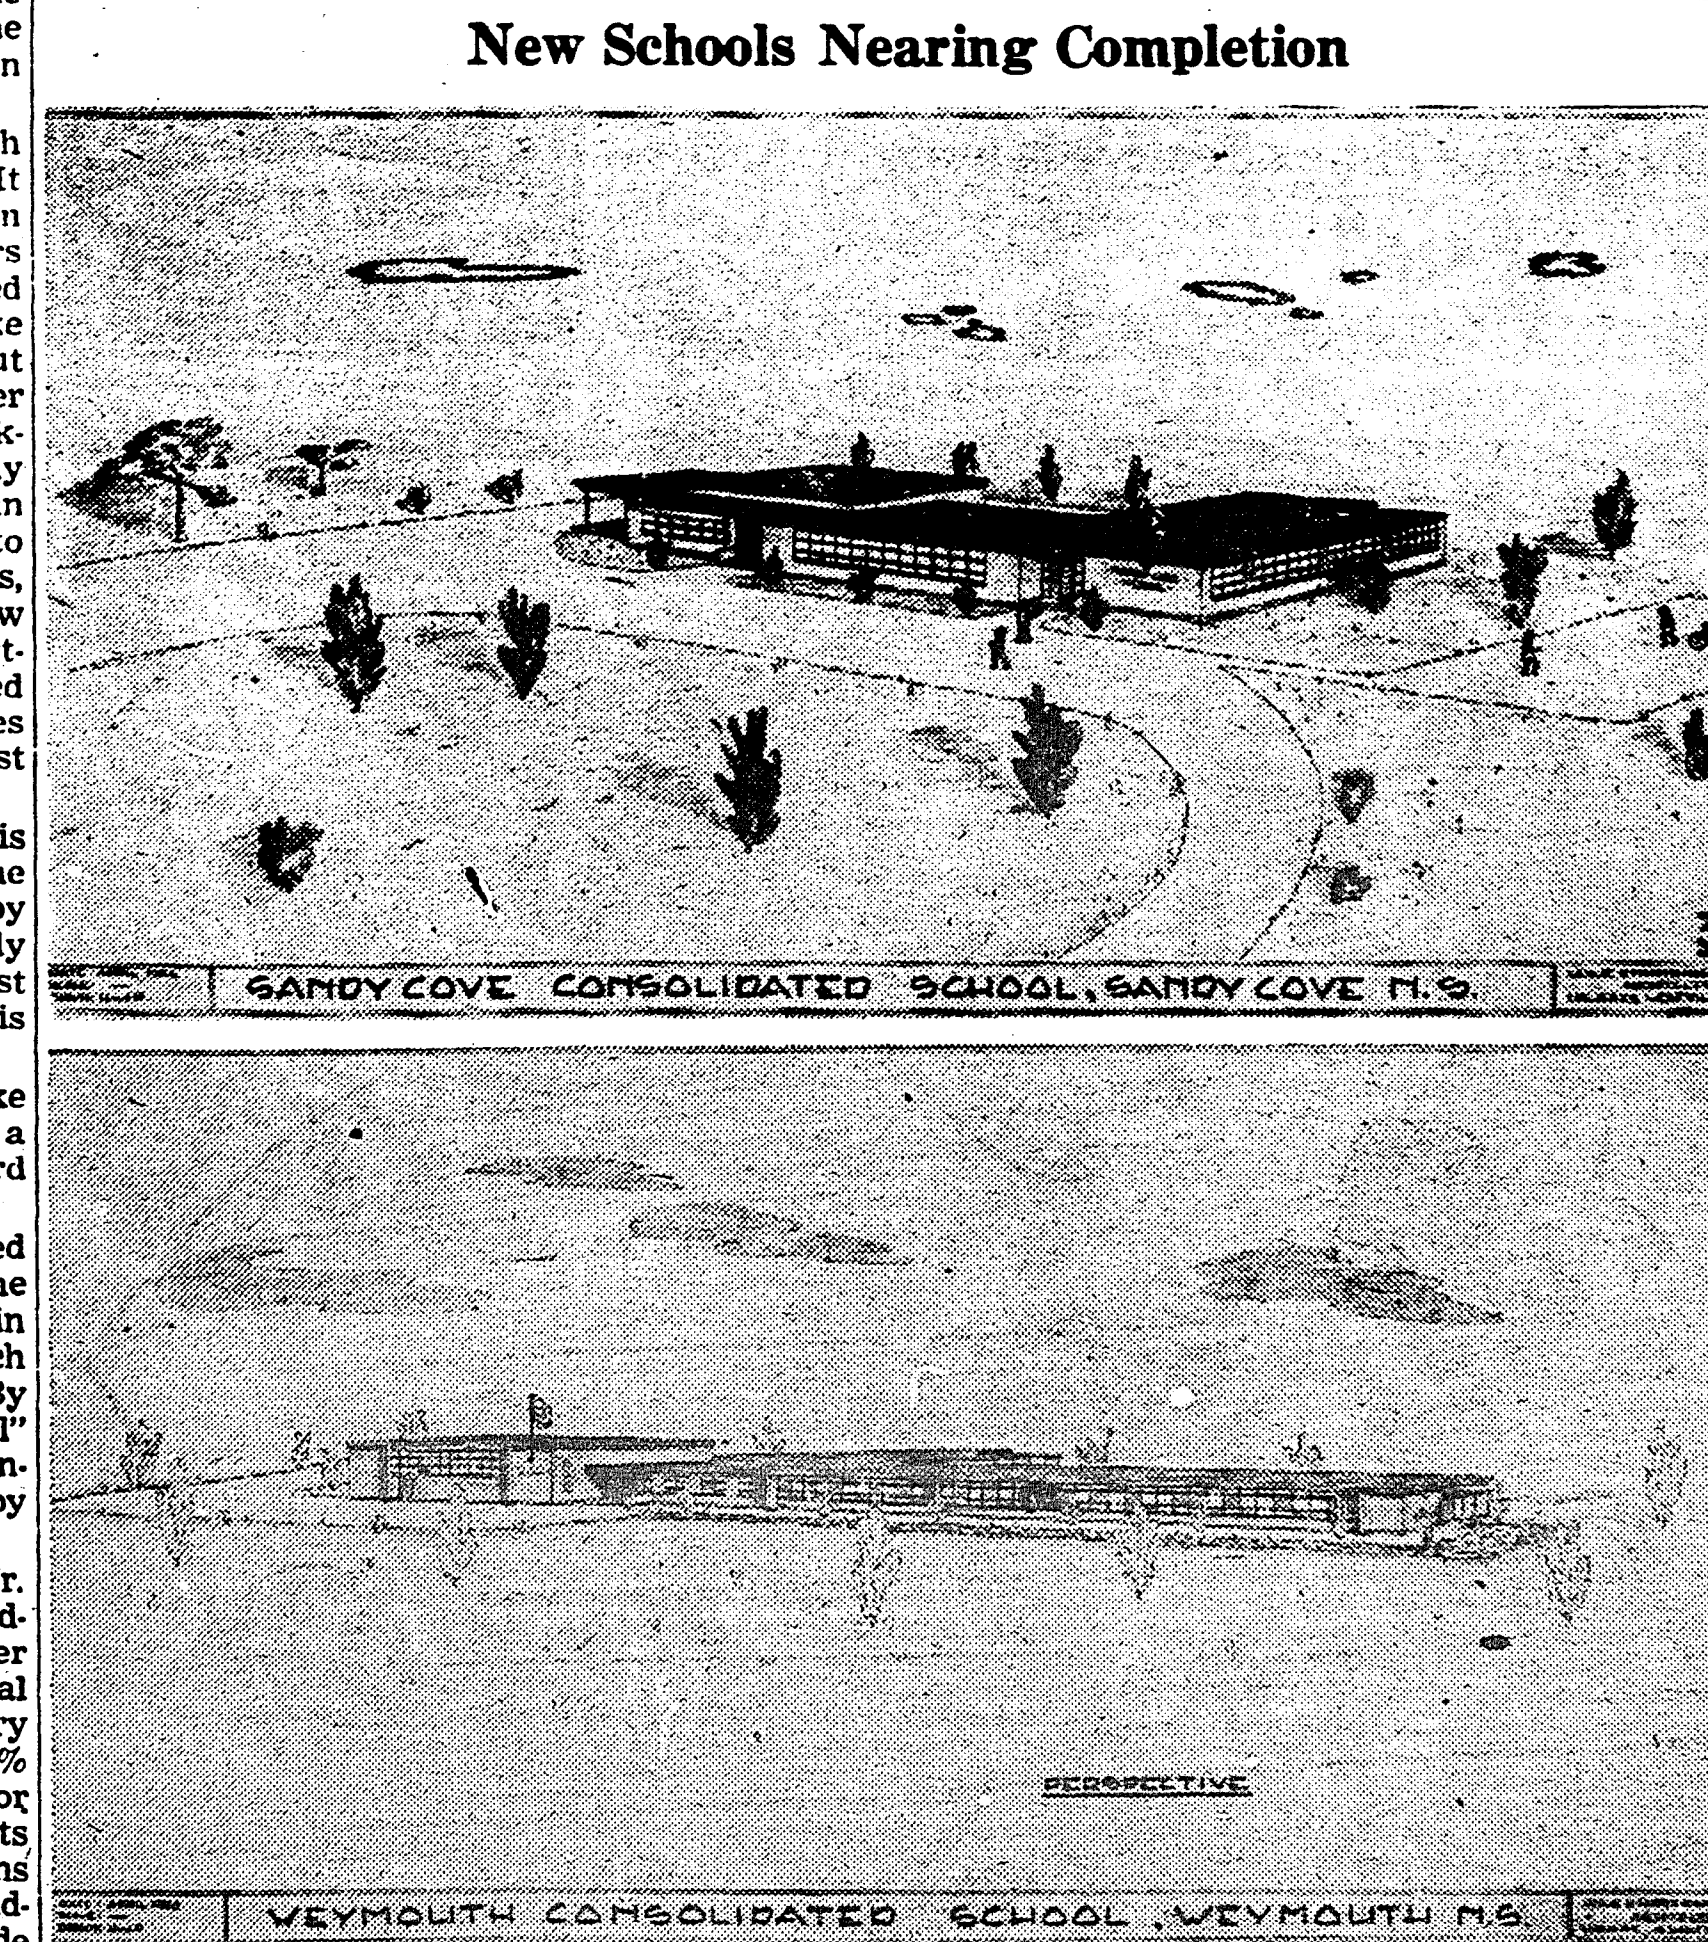

This is the second gift received in recent months, the first being a Pulpit Hymnary, given by Dr. Alan Stewart in memory of his mother.

## United Good Friday Service At Sandy Cove

A good company from the various churches in Sandy Cove met in the Baptist Church for a Good Friday service, conducted by Rev. C. T. Olmstead. The sermon was preached by Rev. W. Armitage, who spoke from the text "It Is Finished". The choir sang "The Old Rugged Cross". The service was much appreciated this year, as it had not been possible, due to weather conditions, to hold the service last year.

A community choir led in the singing of the hymns and sang two special numbers. Mrs. Fenwick Jeffrey presided at the organ.

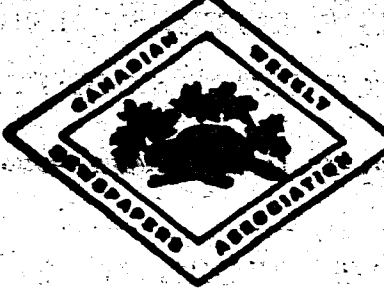

The church was beautifully decorated for the occasion.

Above are shown architect's drawings of the new Consolidated Schools at Weymouth and Sandy Cove which are now nearing completion. Architects for the two new schools are Leslie R. Fairn and Associates of Wolfville and Halifax and contractors engaged in the construction of the two buildings are the Annapolis Valley Construction Co. Ltd.

Work on the two new schools began late last fall and has progressed rapidly so that it is now understood the school in Sandy Cove is near ready for occupancy while the Weymouth School is also rapidly approaching readiness.

## About This and That

### Allied Youth

Anyone who has worked with youth knows that usually they like to operate in gangs, be in with the crowd, do what the rest of them are doing. They follow their leader with ardent fervour whether it be in some clothing fashion, the latest slang phrases, the hit song and dance tunes or the popular eating places. Where one goes, or what one does others like to follow. This same pattern is often noticed in the area of crime and drink. But on the other side of the ledger this same ganging and crowding and supporting the leader strikes a hopeful note. For example, there is the organization among high school students known as Allied Youth. There are in Nova Scotia about twenty such organizations with a membership of two thousand, approximately. At a recent convention of these groups in Nova Scotia a great deal of interest and enthusiasm was shown by the members. It revealed that youth can and will take responsibility toward the fight of alcoholism, which is, we believe, the main purpose of the Allied Youth groups. It is seen that such groups can be a success. A small amount of figuring can estimate the tremendous force for good which can be accomplished when youth gangs together in support of a worthwhile movement. There is no better age, no more vital time to encourage youth to gang-up against the consumption of alcoholic beverages than in the teen-age and the present teen-age at that.

As seen elsewhere in this issue of The Courier, Keith Ellinwood, executive secretary of District No. 1 of Allied Youth will address an adult group in Digby on the evening of April 30. He will also speak to the students at Digby Regional High School. Mr. Ellinwood's visit has been arranged by D. R. Gilchrist, Temperance Education Supervisor of the Department of Education for the Province of Nova Scotia. We urge the public to support and encourage this work of the Department of Education. Back up the teen-agers against alcohol in their habit forming years and alcoholism will descend the scale as a major social problem in the future years. We urge you to hear Mr. Ellinwood who can speak with authority on the subject.

### Need Hotels Like "The Pines"

We take great pleasure in publishing this week a letter from Mr. Karl S. Nash at Ridgefield, Connecticut, regarding the announcement of the proposed closing of "The Digby Pines" and other C.P.R. hotels. We need not relate here the economic setback which would be experienced in Digby if the plan to close "The Pines" should materialize. Digby needs "The Pines Hotel", it needs the tourist trade enjoyed in this area because of "The Pines" being located here. As for natural beauty and climate, the tourist has a difficult time finding something which might excel that of our own area.

The Boards of Trade and other organizations have made known the feelings of the Digby people in regard to the closing of "The Digby Pines". They have tried to place before influential people the economic disadvantage which would be felt to the town and area. That is one side of the picture. We now have the point of view of a tourist through Mr. Nash's letter. We feel the point of view of the tourist can be very effective and we appreciate Mr. Nash's expression through our columns. We would welcome other expressions through our columns both from the tourist point of view and from our own people.

UNITED CHURCH  
W.M.S. MEETS

The auxiliary of the United Church Woman's Missionary Society met with Mrs. William Morine on Friday afternoon. The president, Mrs. J. E. Langley, led the Easter worship programme. Easter hymns were sung and five members read a summary of the outstanding events following the Resurrection from portions of Matthew, John and Acts.

A dialogue illustrating the real meaning of the Resurrection, the Church and importance of Laymen and the influence they may have in the life of the church, was well depicted by three members, Mrs. Langley, Mrs. R. H. Purdy and Mrs. H. A. Lantz.

The worship service closed with an Easter reading by Mrs. Langley and an Easter hymn.

Treasurer, Mrs. Chas. Balser, gave the financial report for the first quarter and Mrs. Lantz read a most interesting letter from a former member, Mrs. Lloyd Sanford, of Ontario.

After completing several matters of business and plans for future activities, the lesson was given by Mrs. M. Morgan from the study book "East From Burma."

The meeting closed with the Mizpah Benediction after which the supply secretary, assisted by Mrs. Milbury and Mrs. Lantz, packed a large carton of clothing to be forwarded for overseas relief.

### CLASS HAS EASTER PROGRAM

The regular meeting of the Philathea Class was held at the home of Mrs. John MacLeod with thirty-one members and visitors present. The devotional theme and hymns were in keeping with the Easter season.

It was decided the Class would send Easter cards to the sick and shut-in members of the church.

A splendid Easter programme was presented which consisted of hymns by the ladies' quartet and Harris Trio, Easter reading by Mrs. Ruggles, piano duet by Mrs. McLeod and Mrs. Sabine. Mrs. Scott showed two films "The Last Supper" and "The Trial and Crucifixion." Following this was a mystery contest. Mrs. Neva Rice was convener of the programme committee.

Delicious refreshments were served by Mrs. Grace Harris and committee.

The May meeting will be held at the home of Mrs. Cecil Miller.

### ROLL CALL TO BE HELD AT WEYMOUTH

At the regular meeting of Olive Branch Rebekah Lodge on Monday evening, plans were completed for the annual Roll Call service to be held at the next regular meeting on May 6th. The meeting will be preceded by a buffet supper at the home of Mrs. R. E. Tower. It is hoped that all members

will keep this date in mind and support this effort either by their presence or by letter.

## DAYLIGHT SAVING TIME

The Village of Bear River will adopt Daylight Saving Time effective Midnight, Saturday, April 27th.

### THE ANGLERS' DREAM

By  
Lola A. Peck

I love the winding trails and streams. They seem to speak like living things. Of their wondrous beauty. And ever shifting scene.

O those winding, sparkling streams. As they go rushing to and fro. And the speckled trout are jumping. They thrill and fascinate you so.

And how I long for spring to come. So I can take my rod and reel. How young again you seem and feel. As to your favorite stream you steal.

And as your fly you deftly cast. Oh! that sparkling pool that looks like glass. And the speckled beauty strikes, swift and fast; Oh! what a thrill, your reward has come at last.

### ENTERTAINS GUEST AT DINNER

Cherry Blossom Chapter, No. 46, Order of Eastern Star, Bear River, held their meeting on Monday evening at the Chapter room. The honored guest was the Grand Worthy Matron, Miss Jessie Moss, who was on her official visit. A large number were present.

After the meeting lunch was served in the reception room. At 5.30 officers and members with their guest, held a banquet in the reception room. A turkey dinner with all the trimmings was served. Lovely bouquets of blue, yellow and white flowers centred the tables with candles the same colors making a very attractive setting.

### CELEBRATE PALM SUNDAY

Sunday, April 14, Palm Sunday services were conducted at the United Church of Canada by Chaplain Wm. Taylor, HMCS Cornwallis. He took his text from John, 20th chapter, and presented a most interesting sermon. The choir sang a beautiful anthem in keeping with the day and sermon. Mrs. Donald Brown sang as her solo "The Palms."

On Easter Sunday special services will be held at 2 o'clock. New members will be taken in to the church, and the sacrament of The Lord's Supper will follow.

Padre Andrew Mowatt, Cornwallis, will be conducting the services.

The change of time of the services to 2 o'clock from 2.30 is because of the extra services.

### DRIVE CAREFULLY.

will keep this date in mind and support this effort either by their presence or by letter.

### Port Wade

Mr. and Mrs. Alton Hayden and David were Sunday guests of Mr. and Mrs. Carmen Inglis and family, Tupperville, on Sunday.

Mr. and Mrs. Donald MacArthur and little son, Bruce, of Dartmouth, spent a weekend with Mrs. MacArthur's family, Mrs. L. J. Hayden and family. On their return they were accompanied by Mrs. Hayden who will plan to stay with her daughters, Mrs. MacArthur and Mrs. Doane, for two weeks.

Red Cross was held at the home of Mrs. Ralph McGrath last week with a large number attending. Delicious refreshments were served by the hostess, assisted by Mrs. Gerald Hudson, a quilt is to be put in during Easter vacation at the hall and with good attendance it should be quilted in two days. The amount of \$44.40 was collected in Port Wade for the Red Cross.

Miss Daphne Keane, who is in training at the Payzant Memorial Hospital, Windsor, is spending Easter with her family, Capt. and Mrs. E. Keane. Little Jimmie Hewey is spending Easter with his sister, Mrs. Durling, Mr. Durling and family in Centerville.

We are glad to report Miss Peggy Calder is improving after a tonsil operation in the Annapolis General Hospital on Thursday. Peggy has been in bed for over a month and at home for two months from a light attack of rheumatic fever. We wish her a speedy recovery.

Mr. and Mrs. Jack Morehouse and family, Sandy Cove, were Sunday guests of Mr. and Mrs. Horace Snow.

Mr. and Mrs. Gordon Snow spent a day recently with Mr. and Mrs. Harold Barteaux in Mochelle.

Mr. and Mrs. Ernest Bent and son, Bill, of Belleisle, spent a day recently with Mr. and Mrs. Alton Hayden.

Miss Mildred McGrath, Digby, and Mr. Ralph McGrath, Halifax, are spending Easter at home with Mrs. McGrath and family.

Mrs. William McGrath is in her home again after spending the winter with her daughter, Mrs. Blair Hatfield, and Mr. Hatfield, Granville Ferry. We are pleased to see Mrs. McGrath so well and able to be out again.

Mr. Harold Barteaux, Mr. Gordon Snow and Mr. Horace Snow went on a fishing trip for a few days.

## Cheesebread

And it's so easy to make, when you use fast rising dry Best Yeast! If you bake at home, please your family by baking this treat tomorrow!

### CHEESEBREAD

Scald 3 c. milk, 1/4 c. granulated sugar, 1 1/2 tbs. salt and 4 tbs. shortening; cool to lukewarm. Meantime, measure into a large bowl 1/2 c. lukewarm water; crumble and add 1 cake Best Yeast—or stir in 1 tsp. granulated sugar and sprinkle with 1 envelope Best dry Yeast. Let stand 10 minutes, THEN stir well.

Stir in cooled milk mixture. Stir in 4 c. once-sifted all-purpose flour; beat with a rotary beater until the batter is smooth. Cover and set in a warm place, free from draft. Let rise until doubled in bulk. Work in 2 c. lightly-packed finely-shredded old cheese and 5 c. (about)

once-sifted all-purpose flour. Knead on lightly-floured board until smooth and elastic. Place in greased bowl and grease top of dough. Cover and let rise until doubled in bulk. Punch down dough; turn out on lightly-floured board and divide into 4 equal portions. Cover lightly with a cloth and let rest for 15 mins. Divide each portion of dough into 3 parts; knead and shape into smooth balls. Place 3 balls in each of 4 greased loaf pans (4 1/2" x 8 1/2"). Grease tops and sprinkle each loaf with 1/4 c. shredded cheese. Cover and let rise until doubled in bulk. Bake in moderately hot oven, 375°, 45-50 mins.

A reception was held at the home of the bride's parents.

## OBITUARY

Mrs. Stella A. Henderson

Mrs. Stella A. Henderson, the widow of Charles T. Henderson, passed away at the Massachusetts Memorial Hospital in Boston on March 28th. Born in Digby, N. S., 69 years ago, she was the daughter of the late Hayes and Mary VanTassel.

In 1907 she left Nova Scotia to make her home among her husband's people on Campobello Island. She resided between there and Lubec, Maine until the early thirties when she moved, with her family, to Malden, Massachusetts. After the passing of her husband in 1949, she made her home with her daughter, Gertrude in Revere, Massachusetts.

Mrs. Henderson was a loving and devoted wife and mother who believed that no sacrifice on her part was too great for her family. She was highly respected by her friends and neighbors, who did not hesitate to seek her advice and counsel. Because of her intelligent understanding of the individual and keen insight into the art of living, she has enriched the lives of all who knew her. Her zest for life and interest in her children, who adored her and endowed her with every possible comfort, maintained her as a symbol of strength to the end. Her children are: Mrs. Gertrude M. Collins, 385 Procter Avenue, Revere, Mass.; Hazen C. Henderson, Oak Bluffs, Martha's Vineyard, Mass.; Mrs. Mary H. Armstrong, 12 Jones Lane, Brunswick, Canada. The Boston services were conducted by a dear friend of the family, the Reverend Charles L. McEachern, while the Reverend Norman P. Fairweather conducted the services at Campobello where the interment also took place.

## GOOD REASONS WHY YOU SEE MORE FARGO TRUCKS on the road than ever before!

1. Forward Look styling. Clean, smooth-flowing lines, forward-thrusting fenders, modern hooded headlamps, wide-sweeping grille—all have a business-building look of flair and fleetness.

2. Super-rugged design. From built-to-take-it chrome-alloy springs to extra-heavy-duty frames to shot-peened rear axles, Fargos give you

a valuable bonus in hauling ability.

3. Economical operation. Fargo V-8's and proved Sixes give you full power on regular gas. Exclusive full-opening alligator hood makes engine maintenance easier, faster, thriftier.

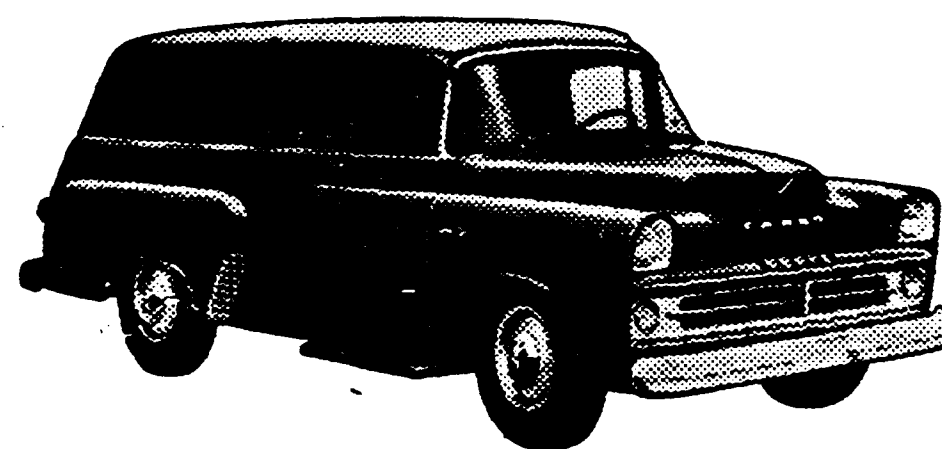

4. Top power. Fargo trucks lead in advanced design V-8 power, from 180 to 232 h.p. Fargo Sixes, too, are leaders.

5. Driving ease. Shortest turning diameters (on many models) take you easily out of tight spots. Push-button driving is available on D100 (1½-ton) models for start-stop hauling ease.

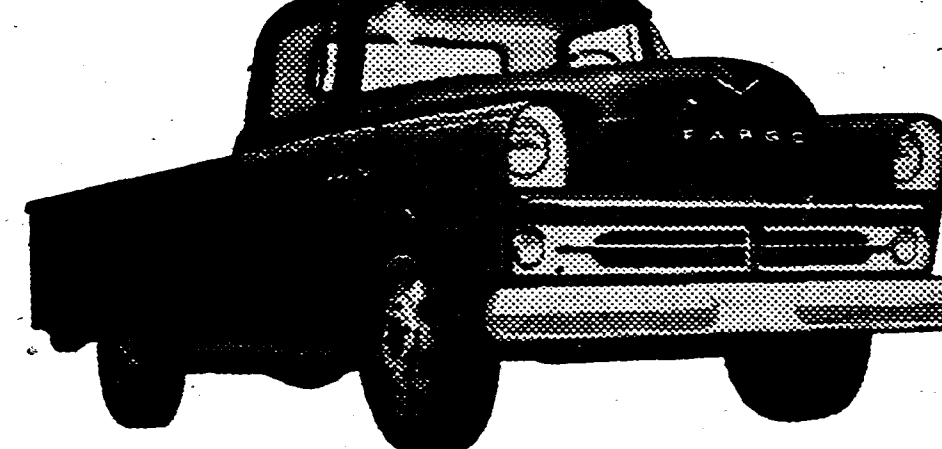

6. More comfort, safety. Wide, wide cab seat has fore-and-aft plus seat-back angle adjustment. Electric windshield wipers, safety door latches are standard equipment.

## In Memoriam

IN MEMORIAM—In memory of  
mother, Mrs. Bertha Outhouse,  
who passed away April 25, 1906.  
A thousand to m o r r o w s w e  
would give.

If only God had let her live.  
To be with us in the same old  
way  
Would be our greatest wish to-  
day. 34:1p

— Lovingly remembered by her  
family. 34:1p

IN MEMORIAM — In loving  
memory of our dear mother and  
grandmother, Mrs. Nelsie P.  
Rafuse, who entered into rest  
April 25, 1956.

Her weary hours and days of  
pain  
Her troubled nights are past;  
And in our aching hearts we  
know  
She has found sweet rest at  
last.

— Sadly remembered by Jack,  
Hughena, Jon, Cheri, Harry,  
Jaunita and Dolly. 34:1c

IN MEMORIAM — In loving  
memory of dear son and brother,  
Murray Eugene Gower, who  
lost his life in Germany  
in 1953.

Nothing can ever take away  
The love a heart holds dear,  
Fond memories linger every  
day.  
Remembrance keeps him near.

— Always remembered by mother,  
dad, sisters and brothers. 34:1c

## Letter To The Editor

Digby, N. S., April 20, 1937

Editor, Digby Courier.  
Dear Editor:—

In another part of this week's issue of the Courier is a notice of an adult meeting to be held on the evening of April 30th next, at Grace United Church, Digby, N. S.

It is the opinion of a considerable number of people that the time has come to do something more than previously done, about the beverage alcohol problem which has become very much of a problem for many people in Nova Scotia, and we had better face it now.

In complex, frustrating, modern society, youth faces the following questions:

(1) Should I drink beverage alcohol?

(2) What are the Christian answers to the alcohol beverage problem?

(3) What can I do to help fight the increasing use of intoxicating drinks?

## THE DIGBY COURIER

Thursday, Apr. 25, 1937, page 5

(4) What can an Allied Youth organization do?

Allied Youth is non-demonstrational, open to all. It is not a reform movement, but seeks to band teen-agers together in order to give scientific facts (and discussion) about drinking, and to help youth meet social pressure to drink.

Christian Youth are campaigning for The Fifth Freedom. The social pressure to drink is terrific in many communities in the U. S. A., and we in Nova Scotia are on the way. Many people, including youth, who stand for abstinence are ridiculed. We must stand for a fifth freedom, The Right not to Drink, and know why we stand for it.

## Retired Captain Has Colourful Career

(Continued from last week)

Captain Bernie's father, who  
trained five of his six sons to  
love the sea and follow it as  
their life's career as he did, was  
a pioneer in many aspects of the  
coastal trade between Nova

Scotia and the New England  
states in the early 1900's. He  
was the first in this area to  
start shipping hemlock bark to  
the tanneries of Maine and also  
pioneered in the shipping of two  
inch plank from Nova Scotia  
to the lumber yards of Boston.

Early efforts in connection  
with the shipping of hemlock  
bark to the New England tan-  
neries resulted in the develop-  
ment of a profitable business.

## NOTICE

The Annual Meeting of the Children's Aid Society of An-  
napolis will be held at the Community Centre, Annapolis Royal,  
on Wednesday evening, May 1, 1957, at the hour of 8 p.m. All  
residents of Annapolis County who have, during the fiscal year  
ending March 31, 1957, contributed \$1.00 or more to the Children's  
Aid Society are members of the Society and are entitled to attend  
the annual meeting and to vote.

The annual reports of the Society will be given and refresh-  
ments will be served. This meeting affords an opportunity to all  
interested in child welfare in this County to assist the Society in  
formulating its policy for the coming year.

Margaret F. Wetmore, Secretary.

## NOTICE

## Important Adult Meeting

TUESDAY, APRIL 30

GRACE UNITED CHURCH, DIGBY

SUBJECTS —  
1. BEVERAGE ALCOHOL PROBLEM.  
2. ALLIED YOUTH ORGANIZATION.

Speaker: Mr. Keith Ellinwood

Allied Youth Field Secretary for the North Eastern United States.  
Native of New York State. Outstanding Authority on Alcohol  
Problems. Speaking under the authority of the Department of  
Education of Nova Scotia.

NON-DENOMINATIONAL. OPEN TO ALL.  
EVERYBODY WELCOME!

Farmers and woodsmen in Dig-  
by County were kept busy strip-  
ping bark from the hemlock  
trees which were common to  
the area. They later bundled it  
and shipped it to the tanneries.  
As much as one hundred cords  
were shipped at a time.

At the time Captain Bernie  
started to sea with his father  
coastal trade with the New Eng-  
land states was brisk. Nova  
Scotia coasters did a big busi-  
ness in carrying hardwood cord-  
wood to the Boston market and  
each year New England lumber  
yards would stock up on Nova  
Scotia timber. The schooners,  
barques and brigs from Nova  
Scotia brought flour, feed and  
manufactured goods back with  
them from Boston as a return  
cargo. In 1889 there were 96  
schooners, 5 barques, 3 brigs  
and 2 steamers with a total ton-  
nage of 12,201 tons registered  
in the ports of Digby and Wey-  
mouth, and most of them were  
engaged in the coastal trade.

When Captain Melanson's fa-  
ther died in 1909 Captain Bernie  
took over the operation of the  
business which then included  
the operation of 3 schooners,  
the Florence E., Lily E. and  
Laura E. Melanson. With the  
beginning of the first World  
War he went into the shipbuild-

ing business and launched the  
first vessel, the Edith M. Greene,  
a three masted schooner, in  
1914.

During the first World War  
Captain Melanson built 5 ves-  
sels, 2 schooners, the Ethel  
M. Greene and the Melanson  
Bros., and 3 steamers, the Her-  
bert M. Greene, R. W. Hendry  
and Sigogne. The Sigogne was  
named in honour of the famed  
Abbe Sigogne, revered early  
leader of the French Acadian  
people of the district of Clare.

Shortly after the first World  
War Captain Melanson made a  
trip to the West Indies to ex-  
plore trade possibilities there.  
He returned home to pioneer a  
hardwood stave manufacturing  
business in western Nova Scotia.  
These staves were made for use  
by the West Indian molasses  
producers for the construction  
of the huge puncheons used to  
ship their molasses to market.

Captain Melanson continued  
his shipbuilding efforts and  
soon had a fleet of vessels en-  
gaged in shipping lumber, hard-  
wood staves and other com-  
modities to widely scattered  
markets. The advent of the  
tanker brought the molasses  
puncheon business almost to an  
end but Captain Melanson says  
that even today there are some

markets that refuse to accept  
molasses unless it is shipped in  
the traditional hardwood pun-  
cheons and he is still able to ship  
several hundred thousand staves  
a year to the West Indies.

Between the two world wars  
Captain Melanson built one  
motor vessel, the Bernardo, and  
purchased three others, all of  
which he later sold, except the  
Florence E., which was lost off  
Brier Island. During the second  
World War he constructed four  
ships, the 300 ton Celeste M. at  
Weymouth, and the three Clare  
ships, Lady, Maid and Pride of  
Clare. All these were built at  
the A. F. Theriault yard in Met-  
cogan River. The 500 ton Pride  
of Clare was lost in the Gulf  
of Mexico; the Lady was later  
sold in Martinique and the Maid  
in the Magdalen. In 1951 he  
bought and refitted the well  
known Atlantic Trader but used  
her only until 1954 when she  
was sold in Quebec.

The old days of coastal trad-  
ing and shipbuilding in this area  
of Nova Scotia are gone for-  
ever, Captain Melanson says.  
The opportunities are no longer  
here, he says, and young people  
want an easier life that will  
bring more monetary reward.

In the days when he was a  
boy, he says, it was often cus-  
tomary for every male child in  
the family to follow the sea in  
some capacity or other. In his  
own family five of six brothers  
went to sea. Four of them be-  
came Master Mariners and the  
fifth a Marine Engineer. Al-  
though the sixth brother pre-  
ferred to be a landlubber his  
son carried on the seafaring  
tradition of the family. He is  
John F. Melanson, chief engi-  
neer of the CNR ferry Abegweit,  
plying between Borden, P.E.I.,  
and Cape Tormentine, N.B.

Captain Melanson has four  
nephews who are following the  
sea. They are Captain Charles  
Melanson, who has been as-  
sociated in business with him;  
Captain Leo J. Melanson, USN;  
Nelson Melanson, a marine en-  
gineer, and John F. Melanson,  
son of the only one of Captain  
Bernie's brothers who did not  
go to sea.

The first afternoon program consisted of two discussion groups, namely, "How Can We Use Recreation In Our Communities?" and "Music In Our Communities." In these groups many problems were brought up and discussed. For the discussion of drama the group was broken up into four smaller groups and each one was given a problem from which to make short skits. These included, "Why Are Municipal Taxes Necessary?" "A Problem Of Consolidated Schools," "How Can We Raise The Standard Of Physical Efficiency?" and "Physical Fitness and Parent Responsibility." These skits were acted out on Saturday afternoon. Between each discussion of the afternoon a short period was given to recreation.

The evening's program was planned by some of the graduates which included talks, panel discussion, group singing, and was closed with square and folk dancing.

On Saturday morning workshops were held in recreation, music, and business procedure and an advanced workshop was held in the same three topics. Other items on the program for Saturday were discussions on publicity and the Regional High School and the Farm Community.

Everyone present learned much from all discussions and workshops and have many ideas to take home to their own community.

Those attending included the following: Staff-Herman Timmons, Adult Education Division, Halifax, N. S.; Ralph Morehouse, Department of Agriculture, Bridge-

water, N. S.; Dorothy Walker, Physical Fitness Branch, Halifax, N. S.; Betty Murray, Adult Education Division, Halifax, N. S.; Tom Jones, Adult Education Division, Lawrencetown, N. Easter Services At Bear River

The services at the United Baptist Church, both morning and evening, were well attended. Dr. Henry Allaby was the speaker at both services. The church was beautifully decorated with potted plants and cut flowers, placed there in memory of departed members. The music by the choir was much appreciated.

The Evangelistic services will continue during this week. On Wednesday afternoon Mrs. Allaby will speak to the women of the church and every afternoon will hold services for the children. Next Sunday Rev. Lawrence Atkinson will be guest speaker and will remain in Bear River during the week for special services.

## Mark 63rd Wedding Anniversary

Mr. and Mrs. Ingram Dakin, Centreville, Digby County's oldest couple, will celebrate their sixty-third wedding anniversary on May 8th.

Married by the Rev. J. W. Presswood on May 3rd, 1894, Mr. and Mrs. Dakin have lived all their lives in Centreville. Both of them are in fairly good health and Mrs. Dakin is still able to do all her own housework.

Mr. and Mrs. Dakin have six children. They are Ansel, Medford, Mass.; Harley and Hilbert, Centreville; Mrs. Edward Banfill, Morningdale, Mass.; Mrs. Nina Bucci, Worcester, Mass., and Mrs. Arthur Walker, Somerville, Mass.

They also have thirty-two grandchildren and forty-four great grandchildren.

## Attend Game Meet

A sizeable delegation from the Digby East Fish and Game Association attended the meeting of Digby, Annapolis, Kings and Hants Counties Game Associations held last week at RCAF Greenwood, R. A. Pierce, of Bear River East, District Governor, presided over the gathering.

Considerable discussion was had concerning the possibility of increasing the pheasant population of the counties. Also discussed was the possibility of an increase in the number of game fish in the rivers, lakes and streams of the counties.

The meeting endorsed a resolution passed by the Digby East Association asking that Haines Lake be poisoned and restocked.

A report on the number of trout released in the rivers, lakes and streams of Digby County in 1956 by the federal fisheries Department showed that 95,260 speckled trout fingerling; 17,000 brown trout and 48,800 salmon were distributed.

It is understood the Digby East group plan to petition the Fisheries Department for provision of a fish rearing pond in Digby County. Proponents of the move say such a pond or ponds would permit the rearing of game fish to a larger size before release. This would in turn mean that more of the fish would develop to maturity.

## Dedicate Rug

A new rug in deep red bordering the communion rail and into the chancel of Grace United Church was dedicated by Rev. James Brooks at the regular Sunday morning worship. The gift was dedicated in memory of the donor, the late Miss Kate VanTassel, to the Glory of God and for service to the congregation. Besides the rug new chairs for the hall and other benefits were received through the late Miss VanTassel. Mr. Brooks commented on the fine gesture of remembering God in some practical manner and urged that others might do the same.

The gift was presented by Leigh Peck in the name of the late Miss VanTassel, and received by Kenneth Beckwith, representing the Session of the church, and by Roscoe Hand-spiker, representing the Board of Trustees.

## Mark 50th Anniversary

Mr. and Mrs. John Wells, of Coldbrook Station, parents of Mr. Clarence Wells, of Deep Brook, recently celebrated their fiftieth wedding anniversary. Mr. and Mrs. Wells came to Nova Scotia from England in 1902 and since that time have lived in Kings County.

The couple have three children: Clarence, Deep Brook; Edward, Waterville; and Mrs. Eva Rockwell, Halifax. They also have nine grandchildren.

## Winchester Heads Temperance Group

Rev. R. R. Winchester was installed as Worthy Patriarch of Isiah Wilson Division Sons of Temperance at the regular installation ceremony held at the North Range school house on Tuesday evening, April 23. He will have associated with him for the quarter:

W.A. Mr. Reginald Andrews, R.S. Mrs. R. R. Winchester, Chap. Mrs. J. V. Andrews, F.S. Mrs. Reginald Andrews, Treas. Mrs. Milton Bragg, Cond. Mrs. H. A. Shortt, Asst. Cond. Mr. Ralph Haight, I.S. Mrs. Ralph Haight, O.S. Mr. Arnold Marshall.

The meetings are being held at North Range on the fourth Tuesday and at Barton Baptist Church vestry on the second Tuesday of each month.

## PRO-CONS. NOMINATE GEORGE C. NOWLAN

George C. Nowlan, Q.C., was nominated Progressive Conservative candidate for Digby-Annapolis-Kings in the June 10th Federal Election at an extremely well attended convention held at the Bridgetown Regional High School on Friday evening.

Mr. Nowlan's nomination was moved by Dr. R. S. Longley, Mayor of Wolfville, and seconded by Dr. G. V. Turnbull, Digby. Immediately on taking his place on the platform, Mr. Nowlan was presented with a cow-boy hat by the Young Progressive Conservatives from Kings County, relative to his being dubbed "The Lone Ranger" by a political opponent. The title became a source of jesture for each speaker throughout the evening who, in turn, remarked on the highly complimentary title as a man who is always found fighting in the cause of truth and justice and usually against odds but he always comes up by getting his man.

In a more serious vein of thought, Mr. Nowlan told his audience that he accepted the nomination with pride, humility and with confidence and would attempt, as before, to represent the constituency in Parliament to the best of his ability and to urge upon the government the problems and just demands of the Maritime provinces. He said Canada was in possession of almost every raw material known to mankind and pointed out the benefits of developing and using that material in Canada. The Maritimes, Mr. Nowlan said, had received more attention from the Federal government during the last year than in any of the twenty-three years previous that the government had been in power. In speaking of the inshore fishermen's problems, he said that each year since he was in the House of Commons he had stressed that the territorial waters should be extended to the twelve mile limit. For years, mine was the only voice, he said, that dealt with this matter, although lately this has received the support of other Maritime members as well. The government has recognized that this should be done and has referred it to the United Nations. Other nations, however, have dealt with the matter directly and unless we obtain action in the near future, our inshore fisheries will be completely destroyed.

Another successful measure cited by Mr. Nowlan was the action on the Freight Rates. Each year, he said, he had hammered away at that and this year the government has increased the subvention by 20 percent. "I do not think it is enough, but at least it is an admission that there is a freight rate problem here and it is a step in the right direction."

Premier Robert Stanfield paid high tribute to Mr. Nowlan in an address before Friday night's audience. He said Mr. Nowlan has always understood the need for national policies which would permit and encourage Nova Scotians to walk forward in step with Canadians from Central and Western Canada. What I admire most about George Nowlan is the complete absence of smugness and complacency which seems to have become so common among successful politicians in this country today. Few public men in Canada would have better reason for smugness than he, but he always remains the same human George.

Speaking from the provincial angle the Premier stated that the government of Nova Scotia proposed to have the hospital insurance program in operation by January 1, 1959.

Mr. Stanfield said his government plans to submit enabling legislation to the Nova Scotia legislature in 1958.

While announcing the proposed date for the start of the hospital plan the Premier said

the government of Nova Scotia is not satisfied with the attitude of the federal authorities and will continue to press for a more satisfactory conclusion to negotiations now under way with federal authorities.

The Premier said \$11,000,000 will have to be spent on hospital facilities before enough accommodation is provided for the proposed plan. He said the program for hospital insurance as a Nova Scotia program for the benefit of Nova Scotians and with Nova Scotians bearing the greater burden of cost. He added that it will cost the people of Nova Scotia at least \$9,000,000 in its first year of operation, exclusive of capital costs. By 1965, the Premier said, this cost will rise to a minimum of \$16,000,000.

Outlining action to be taken by the province, Stanfield said a hospital service planning commission will be appointed "immediately."

Speaking of the federal power proposal, he said the government of Nova Scotia is anxious to discuss with the federal government ways and means of reducing power cost. He said that though the Nova Scotia Power Commission has been in the power business for over thirty years and the officials of our Power Commission know a great deal more about power problems in this area than does the federal government, yet the Nova Scotia government was not asked its views but was presented with a proposal.

He then said, "we are considering the federal proposal on the basis that it is intended to be helpful. It does create problems for Nova Scotia, however. Furthermore, we can only discuss electric power in terms of price. We must know how much this federal power will cost us. We cannot make any agreement with Ottawa until we know the price. We assume Ottawa is trying to be helpful, but we cannot sign a power contract until we know the cost. It may be that when they tell us the price of their power, we will decide that we can generate it cheaper ourselves."

Mayor Charles LeBrun, of Bridgetown, was chairman of the meeting. Motions of confidence in the national leadership of John Diefenbaker and the provincial leadership of Hon. R. L. Stanfield were respectively moved by H. R. Thomas, M.L.A. for Kings West, and seconded by Mrs. James Moir, Bridgetown, and Malcolm Leonard, M.L.A. Digby. With Mrs. Doreen Roberts, Kentville, as seconder. Brief remarks were made by Frank C. Welch, Wolfville, president of the Nova Scotia P. C. Association, and Hon. E. D. Halliburton, M.L.A. Kings South, minister of agriculture.

Mrs. Moir presided at the piano for "O Canada" and "The Queen."

## "Lucky 7" Win Ladies' Bowling

Rene Melanson's "Lucky 7" won the finals of the ladies' bowling league here when they defeated Grace Pulsifer's "Old-timers" in a best five out of nine series.

The series was an exciting one with feelings running high as play proceeded. The Lucky 7s win gives them the Ladies' Bowling League Championship for the 1956-57 season.

## Opens Account For Youngster

Rachel O'Reilly, of Kingston, Ont., who is only a few weeks old, is sure that someday when she visits in the United States she will have some money of her own to spend.

The assurance was given little Rachel, who is the daughter of Dr. and Mrs. O'Reilly who some time ago practised medicine in Freeport and the Islands of Digby by Neck, by Henry L. Shenk, President of the Trade Bank & Trust Company of New York.

Mr. Shenk opened a savings account for Rachel with one hundred dollars to commemorate the visit of Rachel's grandfather, Lord Mayor Robert Briscoe, of Dublin, Ireland, to New York.

In a letter to Rachel signed by Mr. Shenk it was stated "to commemorate your illustrious grandfather's visit to us, I am opening a savings account in your name. When you grow up and visit the United States you will be assured of having some spending money of your own."

## Accident Claims Life Of Major E. H. Anderson

Major Earl Howard Anderson, DSO, was killed last Thursday in Germany in a motor accident. Dr. Anderson, a veteran of World War II and the Korean struggle, was serving in Germany as acting head of the Royal Canadian Army Medical Corps. He was the son of Mrs. F. L. Anderson and the late Frank L. Anderson, a former Mayor of Digby.

Dr. Anderson, or "Andy" as he was familiarly known by a great circle of friends, was born in Digby on June 12, 1913, and received his early education at the Digby Academy. After graduating from high school in Digby in 1932 he went to Acadia University where he received his B.Sc. in 1933. Following this he attended medical school at McGill University, Montreal, graduating in 1938. He interned at the Montreal General Hospital. In 1939 he married Miss Joyce Atherton, R.N., of Sackville and Amherst. While at McGill he became a member of the honorary medical fraternity Alpha Omega Alpha.

In 1940 Dr. Anderson volunteered for service as an army doctor and spent the next five years as medical officer for the Seaforth and Black Watch regiments in a number of field ambulance units. A man of great personal courage and a most amiable disposition, he became a great favorite of all who served with him and with his patients.

While serving in Italy Dr. Anderson was awarded the Distinguished Service Order for his efforts in evacuating the wounded from the battle area in the San Martino feature on September 20, 1944. In this battle Dr. Anderson went on foot into the battle area, despite a heavy enemy bombardment, and personally supervised and assisted in the evacuation of the wounded from the area and from regimental first aid posts.

After the war Dr. Anderson returned to Canada and for a short time was associated with the Army Medical Corps at Camp Hill Hospital in Halifax. Later he opened a medical practice in Digby. He remained here until 1950 when he re-enlisted in the medical corps. He saw service in Korea as commanding officer of the 25th Field Ambulance. After the close of the Korean struggle he came back to Canada and was stationed for a time at Camp Borden and Sunnybrook Military Hospital in Toronto. While at Sunnybrook he completed a number of post graduate studies in internal medicine.

Last year Dr. Anderson went overseas again, this time to Germany, and at the time of his death was head of the RCAMC in Germany.

During all of his lifetime Dr. Anderson took a keen interest in athletics and outdoor sports. As a boy he became a member of the Boy Scouts and later became a leader of the Scout movement in Digby and attended a number of international Scout meets. During his student days at Acadia and McGill he was active in sports and played on the hockey and football teams of Acadia. He was also noted as a runner and discus and javelin thrower and held a number of records in these sports, both in civilian and service athletic circles. An ardent fisherman and hunter, he spent many of his vacations in the woodlands of western Nova Scotia. He also took a keen interest in natural history and made an exhaustive study of the life and habits of various types of marine life in the coastal waters of Nova Scotia.

While in medical practice in Digby, Dr. Anderson took a great interest in the development of community sport activities for youth and for a number of years headed the Digby Recreation Commission. It was through his untiring efforts that an artificial ice rink and a curling club were established here. Keenly interested in the welfare of ex-service men, he was an active member of the Digby Branch of the Canadian Legion, BESL. He also was a member of the Digby Baptist Church and was active in church life.

Dr. Anderson is survived by his wife and by two children, Leslie, 11, and Ian, 10. His mother, Mrs. F. L. Anderson, Digby; also survives, as does a sister, Jean (Mrs. Dr. T. L. Rogers), Yarmouth. His wife and children went to Germany in December.

Mrs. Willis Dennison, who is employed at Steadman's, spent the Easter holidays with her sister, Mrs. Steve Russell in Saint John.

## Bowling Finals Tied

Dick Warner's H-Bombs and Vince McCarlie's Sidewinders ended the second night of finals play in the Digby Bowling League with a three-all tie. The two teams will meet again tonight to decide the best of nine final series.

Last Friday night the H-Bombs took a one string lead on the Sidewinders when they took two of the three strings played. In Tuesday night's play the H-Bombs dropped the first string by a 12 pin margin and took the second by 49 pins. In the second string Phil Robertson of the H-Bombs scored a pinfall of 147 which is the highest yet recorded in the season's series and, so far as can be determined, on the local alleys. The H-Bombs dropped the third string Friday night by 19 pins, to tie up the series three games each.

## Plan Mental Health Drive

A fund raising campaign will be conducted in Digby County during the month of May for the Digby branch of the Nova Scotia Mental Health Association, it has been announced.

Contact will be made with all the schools in the County urging cooperation of teachers and pupils in the campaign. It is also hoped to conduct a house-to-house canvas in some of the more populous centres if the County.

Funds raised during the campaign will be used, it is understood, to assist in the work of the mental health clinic in Digby; to provide comforts for those who have been so unfortunate as to have been stricken with mental illness, and to assist in carrying out an educational program in the field of mental health in the County.

## Hold Memorial Service

A large number from Freeport attended the memorial service at Central Grove on Sunday afternoon for the late Ray Tibert, one of the five men who were lost at sea in the "Glenella."

Rev. Frank Smith officiated at the sad service and the Freeport trio rendered two hymns, "Jesus Saviour Pilot Me" and "Beyond the Sunset."

Following the service at the church another short service was held at the breakwater, Tiverton, and all floral tributes were cast on the water in memory of Ray.

Sympathy from the community of Tiverton is extended to the grief stricken parents, Mr. and Mrs. Ralph Tibert in the sad loss of their only son. Sympathy also goes to a sister residing in the U.S.A.

## The Mayor's Message

During the month of May the term "Red Shield" will be on many lips. To practically everyone its use will have reference to The Salvation Army, and to that worthy organization's annual appeal for funds. The Salvation Army provides pleasant, comfortable accommodations for aged men and women in need, and strives to combat juvenile delinquency. Neglected children are taken off the streets and directed into channels that develop healthy minds and strong bodies. This Army of Mercy, the Salvation Army, also maintains and supports Maternity Homes, Prison and Police Court Work and other necessary services.

I sincerely endorse the Salvation Army's call for assistance in the Town of Digby and ask that we do not forget those whom the Army helps so faithfully. Help all you can financially and by so doing you will help the Army to continue its great work of mercy.

Gordon Turnbull, Mayor of Digby.

## STRESSES PROBLEMS OF ALCOHOLISM

Donald Gilchrist, Director of Temperance for the Department of Education in the Province of Nova Scotia, and A. Keith Ellinwood of New York State, were in Digby on Tuesday and Wednesday in the interest of Allied Youth. Allied Youth is an organization of young people of Canada and the United States seeking, as they claim, the truth concerning alcoholic beverages and the problems which arise in society from its use. It also has for one of its objectives seeking solutions to problems facing young people because they believe that the emotionally stable, self-confident person is less likely to lean, as they put it, on the false crutch of alcohol.

Mr. Gilchrist and Mr. Ellinwood visited the Digby Regional High School on Wednesday afternoon and addressed members of the High School classes. On the previous evening they addressed about one hundred and twenty-five persons at Grace United Church. Padre B. W. Taylor, of H.M.C.S. Cornwallis, was chairman.

Mr. Gilchrist briefly told of some of the work attempted by the Department of Education in Temperance and introduced Mr. Ellinwood, guest speaker for the evening.

Mr. Ellinwood classed alcoholism as an incurable disease. It can be arrested, he said, and the alcoholic can be rehabilitated, but never cured, for the alcohol-

ic is only one drink away from the torture of alcoholism at any time. He strongly advocated total abstinence. There are in the United States 5,000,000 known alcoholics and probably as many more unknown, and of these about 300,000 have been rehabilitated. The cost to care for alcoholics in prison, loss to industry, care of their families, etc., far exceeds any income to the state or government by the sale of alcoholic liquors. Besides, there is added the heartache and misery, Mr. Ellinwood said.

The speaker said he was far more concerned about what we are doing to ourselves by the drink habit than by what the Russians can do to us, and he urged his audience to get behind the Allied Youth movement, encourage its members, and stress its importance to school administrators and supervisors. He said that one out of every nine or ten becomes an alcoholic if they use alcohol in their formative years and there is no way to tell in advance who will become an alcoholic.

The speaker charged that the public did not get the true facts about alcoholism and deplored the often lack of freedom of the press in this respect. He pointed out that money was not everything and that life, human happiness and health should be weighed against the dollar.

## Saw Comet

At least one family in the village of North Range had the privilege of seeing the comet presently reported to be visible in the heavens. The night of April 24th was very clear, the phenomenon could be distinctly seen about 9.30 p.m. in the northwestern sky about one-third the distance from the horizon toward zenith.

Though not as large as Haley's Comet, yet it stood out brightly in the spring sky, the tail sweeping gracefully like a bridal veil toward the horizon. The watchers made several trips out under the stars between 9.30 and 10.00 o'clock to view the unusual star on Wednesday evening.

## Letter To The Editor

The Editor, The Courier.

Dear Madam: I read with some interest of official notices and news stories in your paper some time ago concerning efforts which it was stated were to be undertaken by the town to curb dogs running at large in Digby.

From comment about the streets it would appear a goodly number of other people read these accounts also. However, from events which have transpired since those notices and stories appeared in the Courier, it would seem that two important groups in Digby did not read them at all.

First of all the dogs in Digby certainly could not have read the articles for they are still running at large, individually and in packs. Secondly the town authorities who were to be given the task of putting the curbs into action could not have read the reports for, as far as can be determined, little if anything is being done by anyone to put a stop to the dogs who are having a gay old time gambling about all over nearly everybody's property in town.

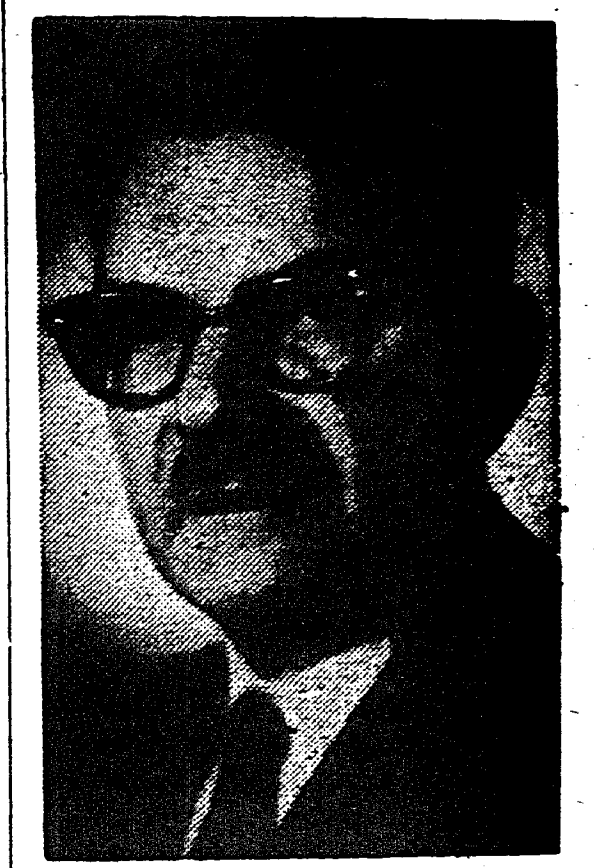

Perhaps it might be a good idea at this time to refresh the minds of our civic authorities on the dog question since getting the word through to the dogs themselves that they are not supposed to run at large would appear to be a well nigh impossible task. At this time of the year many gardens, both utilitarian and decorative, are being planted in town and it is a nuisance to say the least, to have them trampled down, torn up and desecrated by thundering hordes of cavorting canines.

Yours truly, Citizen.

## Church Services At Freeport

On Palm Sunday evening, in the absence of the minister, Rev. Smith, the Junior Choir under the direction of Mrs. Egbert Crocker, had charge of the service. They were assisted in the service by ladies from the Missionary Society, the president, Mrs. Charles Young, acting as leader. The Junior Choir presented "We're Marching to Zion," an anthem in two parts, as the opening number. (Please turn to page 8)

## Nominated By Liberals

A. L. Morfee (shown above) who was nominated last week at a Liberal convention in Middleton to contest the riding of Digby-Annapolis-Kings in the June 10th federal election on behalf of the Liberal Party.

## Bear River Teacher Gets Award

Miss June Sophia Lemma Schmidt, B.A., Bear River, is one of two teachers in Nova Scotia who have been chosen as recipients of the Dora M. Baker Scholarship awards given annually by the Nova Scotia Federation of Home & School Associations to outstanding teachers.

These awards are based on scholarship, teaching ability, community interest and activity. Miss Schmidt is a primary teacher at Oakdene School and has spent all her teaching years in Bear River, where she has been active in many community projects. In the summer of 1955 she travelled in Europe on an educational tour.

Miss Schmidt is known as an outstanding teacher, using up-to-date teaching methods. Her particular interest is the teaching of reading and Children's Literature. She has acted as school librarian during most of her teaching years and tries to encourage good reading habits.

She enjoys working with High School Dramatic and Debating Groups and has a keen interest in the Bear River Drama Club.

## Plan For Hospital Fair

The annual Digby General Hospital Fair will be held this year on August 21st, it was learned here this week.

Committee in charge of the fair this year will be composed of W. L. Troop, Donald Amirault and Earl Crane.

In recent weeks a great deal of renovation work has been carried out at the hospital, it is understood. Changes have been made in the kitchen of the hospital including installation of new ranges, more convenient work arrangements and other alterations.

Intention of the Hospital Board in making the changes is to provide more convenient working conditions for the kitchen staff and to provide more room for staff accommodation at the hospital.

## D. F. D. ACTIVITIES

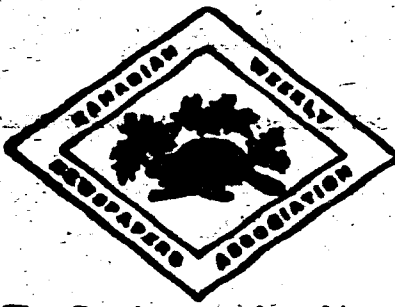

Bingo got off to a good start last Thursday night and indications are that tonight's game will be a much better one with good prizes.

Last Wednesday evening the members of No. 2 Company, with their wives and friends, enjoyed a very lovely supper prepared by the members of the company, after which films were shown and bingo played, rounding out a full evening.

Monday evening the Clean Up Campaign committee met to discuss ways of cleaning up areas of the town and improving the situation over past years. In conjunction with this, it was decided to conduct a poster contest in certain age groups in the schools of the town and having the posters on display. It was also decided a campaign would be carried out on May 25th with the Boy Scouts, Cubs and townpeople cooperating to clean up any areas that were considered in need of cleaning.

## About This and That

### Red Shield Drive Begins

On Wednesday, May 1, the Salvation Army's annual Red Shield Appeal got under way according to Lieutenant Clarence Bradley, officer in charge of local Army operations.

The objective of \$1750.00 in Digby County is the amount set to help with an assured maintenance of Salvation Army services for another twelve-month period nationally.

Citizens of Digby and County have always responded to the call of the Red Shield said Mr. Chester Levy, campaign chairman. The whole County will again show in a practical way, he felt certain, their appreciation of The Army's varied and necessary ministry and the full amount of \$1750 and more will eventually be turned in to the County Campaign treasurer, H. C. Morton, manager of the Bank of Nova Scotia, Digby.

The Salvation Army directs its appeal to all citizens, for the Salvation Army's services are placed at the disposal of all citizens, particularly those in unfortunate circumstances and those who are a liability to the community. It is doubtful if there is in existence today a more economical or more efficient welfare group than The Salvation Army. It is sometimes asked if the Army publishes an annual balance sheet. Of course it does, and this is made available and should be studied by those who are interested. But the story of service is not to be found entirely in figures. It is to be found in the daily actions of the uniformed men and women who are not ashamed of the source of their power and who believe in practical Christianity.

The Army places its accent on action — action motivated by the love of God and love to man.

## In Memoriam

IN MEMORIAM — In loving memory of our dear mother, Myrtle M. Forrest, who passed away April 29, 1949. We often think of by-gone days When we were all together; The family chain is broken now But memories live forever. To us she has not gone away, Nor has she travelled far. Just entered God's eternal home And left the gate ajar. — Sadly missed and ever re-membered. 35:1p

IN MEMORIAM — In loving memory of my husband, W. Lloyd Graham. Just a year the 4th of May But to me just a day; The golden gates were open, A gentle voice had come. And with farewell unspoken He calmly entered home. — Ever remembered by his wife. 35:1p

IN MEMORIAM — In loving memory of George VanTassel, who passed away May 4th, 1953. Asleep in God's beautiful garden. Away from all sorrow and pain; Some day when life's journey is over, We shall all be together again. — Always remembered by wife and son, Harold and family. 35:1p

### EASTER SERVICE AT NORTH RANGE

An impressive re-dedication  
service was conducted by the  
pastor, Rev. R. R. Winchester,  
in the North Range Baptist  
Church on Good Friday evening  
with the B.Y.P.U. group as-  
sisting. The service opened with  
the Doxology followed by the

invocation and remarks by the  
leader. The Scripture, taken  
from St. Mark's Gospel, chapter  
1, was read by Shirley Thibo-  
deau. The hymn "In the Gard-  
en" was beautifully dramatized  
by Marilyn and David Thomas,  
after which it was sung as a  
duet by Maxine Andrews and  
Lois Haight. A short period of

personal witness followed in  
which the young people, as well  
as older members of the con-  
gregation, took part. Another  
duet "When I Think of Cal-  
vary" was sung.

Rev. Mr. Winchester then  
brought the message of the ev-  
ening, using as his text: "Fol-  
low me and I will make you

fishers of men" Mark 1:17. He  
urged his listeners to consecrate  
their lives to their Lord. Di-  
viding his thoughts into three  
parts, the plea of Jesus, "Fol-  
low Me"; the promise, "I will  
make you fishers of men" and  
finally the power of Jesus, "And  
straightway they forsook their  
nets and followed Him." He em-  
phasized the great work there  
is to be done and the power to  
be had by obeying the plea of  
Jesus—"Follow Me."

The re-dedication hymn —  
"Where He Leads Me I Will Fol-  
low" was sung at the close of  
the message.

The Easter service was well

## CARS ARE MY LIFE

by Ken Hankinson  
THOSE 'BIG CITY' ADS  
A few years ago when new cars were hard to get some pretty grim jokes were told at the expense of car dealers. Some of the cynicism involved in the jokes was probably deserved. No garden is completely free of pests.

"Sure, I'll sell you a car at list price," a dealer would be quoted as saying. "Of course, I'll have to charge you for the extras — \$500 for an engine and \$200 if you want a front seat."

Today, with the shoe on the other foot, there are still some jokes around. Or perhaps I should say jokers.

Friend of mine brought this to my attention the other day with a story of his experience. He had seen a newspaper ad in one of the big-city papers full of bold type and bold statements offering cars at fantastically low prices.

He went in to see what it was all about; he felt he couldn't afford to do otherwise. He had a fairly new car to trade in and he had wisely put aside a little money every month so he could pay for a new car.

To his surprise, the dealer offered him a not-so-bad trade-in on his old car, a little less than he had expected but that old trick of juggling trade-in prices works only on the most gullible nowadays.

But then came the joker. The dealer wouldn't take my friend's money. The dealer insisted that he finance the car over a long period of time although he was willing and able to write out a cheque on the spot. That, of course, was how the dealer could advertise his fantastically low prices; he made it up on the finance charges.

So my friend came sadly home and told me: "I guess there's only so much pie and everybody has to get his slice somehow. But I do think, he added, "that it would be a lot better if people were straight-forward and didn't try to confuse the issue with all that bold type, I mean type."

EASTER SERVICES

(Continued from page 1)

Readings on Easter and Palm Sunday were presented by the following ladies: Mrs. Ray Finigan, Mrs. Ralph Haines, Mrs. Young, Mrs. Avery Finigan, Mrs. Victor Finigan and reading "Mary Magdalene" by Mrs. Egbert Crocker. Between readings the choir presented a festival anthem with descant, "Praise The Lord, Ye Heavens Adore Him." Misses Donna Crocker and Marilyn Prime sang the descants. The following hymns were also sung "The Old Rugged Cross," "There Is A Green Hill Far Away" and "When I Survey the Wondrous Cross."

Mrs. Crocker rendered appropriate service and for the choir rendered the anthem, "Hosanna! Raise the Joyful Hymn" after the offering and prayer was offered by Deacon George Bouchie. The service ended with the choir singing in a very touching manner the two part anthem "Softly and Tenderly."

The offering taken was put aside for a choir gown fund and

amounted to \$9.72.

Easter Sunday Evening

The Junior Choir under the direction of their leader, Mrs. Egbert Crocker, had charge of the music.

The Easter anthem (two-part) was presented at the opening of the service entitled "All Praise to Thee, Eternal Lord." Following the prayer by Rev. Smith, the choir rendered the beautiful choral number "The Lord's My Shepherd" (Brother James' Air) with descant. Following the taking of the offering the choir rendered the Easter anthem, "Alleluia."

At the close of the service the choir rendered again the anthem "Softly and Tenderly." Much praise was given the choir and director for the fine music presented at this service.

**Provincial Polio**  
 The annual meeting of the Nova Scotia Chapter of the Canadian Foundation for Polioymyelitis in Halifax last Saturday.

Speakers during the morning session pointed out that no vaccinated children in Nova Scotia have developed polio, but speakers added that it was still the best time to make a positive diagnosis.

Dr. B. F. Miller, of Halifax, speaking on "Post Polio Treatment", explained each step in the care and treatment of the patient, and the various types of surgery used.

Dr. Cecil Kinley reported on the meetings of the national medical advisory board. He said the board is currently studying the effects of the vaccine.

Dr. Hugh MacLennan reported on the work of the rehabilitation committee, and Mrs. Nina Cohen, Sydney, reported on the annual meeting of the national board held last June in Vancouver.

Proposed provincial budget for 1957-58 which was adopted at the meeting makes provision for \$10,000 for hospitalization; \$10,000 for orthopedic appliances and supplies; \$11,000 for rehabilitation of polio victims; \$5,000 for the rehabilitation centre, and \$6,000 for social service, as well as other amounts for research and other work in the fight against polio.

The meeting also approved a detailed statement of policy outlining the programs of aid and assistance to be given to polio patients and in the work of research and rehabilitation in Nova Scotia.

It was also decided to contact the provincial government concerning a change made recently in government policy which has resulted in polio patients returning to the clinic at Halifax being charged for these treatments. It was stated this was not felt to be in keeping with previous policy which provided free polio treatment after the first thirty days. The provincial polio chapter will also seek to have the government extend the free treatment period to include the first thirty days.

Attending the sessions from Digby were Mrs. J. M. Wallis, provincial executive member, and Victor Cardoza, chairman of the polio campaign for Digby County.

## Watch Helicopter Make Landing On Buckingham

Hundreds of people gathered on the waterfront here Sunday shortly after noon to watch a large helicopter make a successful landing on the flight deck of HMCS Buckingham.

The navy helicopter made a perfect landing on the deck of the training vessel and was quickly made fast by the ship's crew.

HMCS Buckingham left Monday on a cruise to southern waters to take part in naval exercises.

## C.G.I.T. Affiliates

The Flamingo C.G.I.T. of Grace United Church affiliated with the W.M.S. of the church at an impressive service at the church hall on Monday evening.

Miss Kaye Ellis, assistant leader, led the worship service which opened the program. Miss Constance Kirkpatrick, leader, took the leading part in the affiliating service, while Mrs. James Brooks, president, and Mrs. Elton Arnold, treasurer, officially represented the W.M.S. in receiving gifts and presenting badges and seals.

Misses Margaret Black and Valerie Holdsworth conducted a discussion on the Philippine Islands. Susan Carson and Marilyn Atkinson gave talks on Formosa, Shell VanTassel and Elizabeth Morrell arranged a display on Korea, and Misses Carolyn Arnold and Lorna Turnbull took as their subject Hong Kong.

**Town Clerk E. S. Eaton** was authorized by the Town Council at their regular monthly meeting here to prepare a list of properties in Digby on which taxes are to be levied on waste metals at various locations in the town. The Town Clerk was authorized to write various waste metal dealers in the town asking them to take steps to remedy alleged unsightly conditions.

## Lecture

Lovers of outdoors and followers of nature will have the opportunity of seeing films and hearing a lecture on wildlife by Emerson Scott to be given at the Digby Regional High School on the evening of May 21. The evening's program will be sponsored by the Digby Area Home and School it was decided at a meeting of the executive on Tuesday evening. According to D. K. Crowdis from the Nova Scotia Museum of Natural Science, Halifax, which department arranged the lectures, the speaker is well versed in his subject and has done extensive travelling, photographing and lecturing. The pictures and talks by Mr. Scott are of such a nature, it was learned, that repeat visits invariably double and triple house patronage. Mrs. J. M. Wallis and F. C. Purdy were named on the committee to make arrangements for Mr. Scott's visit to Digby.

A nominating committee named to bring in a slate of officers to be voted on for the coming year consists of Mrs. Wallis, Mrs. Jack Morehouse, and Mrs. Russell Atkinson. The committee will present its report at a short meeting preceding the lecture on May 21.

It was announced on Tuesday evening that the Provincial Conference of Home and School will be held in Wolfville in July and that the Digby County Council will be held in Freeport on May 17 with an afternoon and evening session.

The executive met at a supper meeting previous to the business session when Stanley MacDonald of the Department of Public Welfare in Digby was guest speaker. He outlined the various provincial acts which come under his department and explained how each is carried out in the province and by the Department in this area. The placing of wards and adoption were two touching subjects with which Mr. MacDonald dealt with in a capable and interesting manner. In adoption a child is placed in the home on probation for one year. Mr. MacDonald said, to satisfy authorities that the parents really want the child and that the needs of the child are being satisfied by that home. The child has always been given a previous check-up physically and psychologically and a child is usually chosen to resemble as nearly as possible that of the new parents. Religious backgrounds, too, must always correspond, if possible, Mr. MacDonald said.

Mr. MacDonald also dealt briefly with the work of the probation officer under his department, particularly in the field of rehabilitation. He closed by urging the need of more students entering the field of social work.

The teaching staff of grades 2, 3 and 4 were guests of the Home and School executive at the supper which was provided by girls of the H-Y group under Mrs. Eva Wendell. Those serving were Misses Joan Hall, Andrea Richard and Faye Height.

## Waldeck Couple 50 Years Married

Mr. and Mrs. Joseph Sommerauer went to Hamilton, Ont., on Friday, April 26, to visit their daughter, Mrs. Clarence Alexander and family. While there they celebrated the 50th anniversary of their wedding.

Mr. and Mrs. Sommerauer will also visit friends in Eganville, Ont., where they first made their home in Canada when they arrived from Austria thirty years ago.

## Enjoy Tour

Mr. and Mrs. James Richards entertained managers and staff members of Nova Scotia Information Bureaus and historic houses at Hotel Champlain on Sunday morning. The party, including Robert Taylor and Mrs. Douglas Syda from Digby, were on the last part of a two-day motor trip around the province.

On hand at the hotel to welcome the visitors were Mayor and Mrs. Gordon Turnbull. His Worship, the Mayor, extended official greetings and welcome from the town and brought to the attention of the party the many attractions to tourists which could be found in and around Digby. Others who extended welcomes were Howard Walker, Digby Pines Hotel, and Mrs. J. M. Wallis, Editor of the Digby Courier. Responses and thanks to the host and hostesses were extended by George Herman, chief of the Nova Scotia Information Bureau, and Wylie Garreath, manager at the Amherst Information Bureau.

The party was entertained in the hotel dining room where Wright's of Digby had arranged a tea table with miniature boats, lobster traps and other items pertaining to the sea, and where lobster was the basis of refreshments. After a tour of the Digby Pines Hotel, the garden plot at the Cannon Bank and the Information Bureau, the party continued where they were entertained at a scallop luncheon at the American House.

In Halifax where the tour began the party was addressed by Will R. Bird, Loran E. Baker, chief supervisor of fisheries for the Maritime area; James Catt, regional supervisor of fish culture for the Maritimes, Saint John; Stuart Fraser, bureau of office manager, Deputy Minister of the Department of Trade and Industry, John Bigelow, welcomed the bureau managers on behalf of the government.

Following luncheon at the Carleton Hotel the managers were taken on a tour of Halifax and Dartmouth through courtesy of Acadia Lines Limited and then attended a further meeting where they were addressed by Mr. Herman and also Clarence Arthur and Charles Bezanon, accountants of the Department of Trade and Industry. At a meeting at the Nova Scotian hotel they were shown Nova Scotia films.

## Kiwanis Hold Third Successful Clinic

Thirty-six children were examined by Dr. T. B. Acker of Halifax at the third annual Crippled Children's Clinic sponsored here by the Digby Kiwanis Club. Dr. Acker was assisted at the clinic by Miss Marjorie Tupper, R.N., and Miss Molly MacLean, R.N., Public Health Nurses for Digby County. The clinic was held at the Digby General Hospital.

The Digby Kiwanis club has financed the Crippled Children's Clinic here for the past three years through funds raised in the annual Easter Seal campaign. This year the campaign raised the sum of \$1,227.

Kiwanis club officials in charge of the clinic expressed their appreciation to the hospital for provision of facilities for holding the clinic; to Mr. Stoddard, X-ray technician at the hospital and to Misses Patricia Ryan and Constance Kirkpatrick for secretarial work. Appreciation was also expressed to the general public for their support of the Easter Seal campaign which made the holding of the clinic possible.

A mass meeting of Digby merchants here Monday night failed to reach agreement on a new system of closing hours for stores of the town.

Seven proposals were tabled by a vote of 15-6. Another proposal that Digby stores remain open as usual on Saturdays but close all day on Mondays was defeated by a vote of 11-10. Also defeated was a proposal that stores close at 12:30 on Wednesdays rather than at one o'clock as at present and at 9:30 Saturday evenings rather than the present ten o'clock closing. Vote on this was eleven for and nine against with one ballot spoiled.

It was decided a further meeting would be called for May 21st. A. R. Pyne and Vincent McCarlie were appointed to try to secure a good attendance at the meeting.

## Letter To The Editor

Digby, N. S.

Dear Editor:  
**"DIGBY A GHOST TOWN"**  
 The handwriting is appearing on the wall — "Will Digby become a ghost town?"

With the announcement by the C.P.R. of the sale of its Nova Scotia hotels which includes our "Digby Pines Hotel" and the rumors of a car ferry operating from Deep Brook, the Pines Slip or recently rumored Port Wade. Let us face the facts now, not after it is too late. What if the "Digby Pines" does not find a buyer — after all, \$11,000 taxes a year is no small object. We understand the Digby Pines pays the town of Digby approximately \$15,000 per year for their taxes, hydro, and water — this for approximately three months operation.

Even though the class of trade is reduced by another buyer, unless some concessions of taxes or bar facilities are granted, who would wish to purchase this establishment and expect to realize a profit.

Had not a company as large as the C.P.R. owned and operated the Digby Pines for the past ten years, I imagine it would have been closed or sold long ago.

What if the "Digby Pines" is not sold. Can we assume the C.P.R. will pay the town of Digby \$11,000 for taxes a year on its vacant buildings. My opinion is that the Digby Pines will be torn down and its land, if suitable, sold as building lots.

What has the town of Digby done to advertise its tourist industry, or better, what have we to offer the tourist who pass through Digby. Can you hire a canoe or a boat? Where are our nice clean beaches, bathing houses, etc.

The only advertisement to any great extent has been done by the Digby Pines. I imagine if the figure spent by the Digby Pines in advertising its attractions in the town of Digby were known, we could pave all the streets, sidewalks and back alleys in the town.

The Board of Trade seems to be the only organization in our town who are endeavouring to remedy the situation, but they can only adopt resolutions and place them before the government.

The time has come when our Honorable Mayor and his Town Councilors, who have the power of an incorporated town, to act.

If the C.P.R. is definitely through with its Nova Scotia hotels our Mayor and Councilors should contact the C.P.R. headquarters and keep in close contact with all possible buyers. Every effort should be made to secure bar privileges that are required, and even, as a last resort, should base the taxation on the months they are operating.

Don't forget there is a possibility the Digby Pines will be torn down, the car ferry can bypass the town of Digby by operating from Deep Brook or Port Wade, or the Pines Slip.

The handwriting is on the wall. Digby could easily become a ghost town.

Citizen.

Bambi Freeman was a patient in the Digby Hospital for a tonsil operation.

League held their annual banquet at the Legion Hall here Tuesday evening. A most delicious turkey supper was served by the Ladies' Auxiliary of Branch No. 20 of the Canadian Legion, which provided the bowling alleys for the league. In a short address Father Comeau congratulated the league winners and extended good wishes to the other teams in the league.

Church had certain plans to improve the facilities for the league but did not know just when these could be put into effect.

Awards were presented by League President Saulnier to the various winners. These included Eric VanTassel, who won a shirt, donated by Margoliass Ltd., for the high triple score in playoffs, and Philip Robertson, who won a hat donated by Wright's of Digby Ltd. for the highest single score.

High player average awards were presented also by Mr. Saulnier. These went to Dick Warner of the H-Bombs; Eric VanTassel of the Legion; Guy VanTassel of the Legion; Pete Stoddard of the Milkmen; Reg Turnbull, Smokeaters; Joe Hattie, Fyrtayers; Jack Keen, Rockets; and Fred Amirault, Blockbusters.

The league trophy was presented to Dick Warner, Captain of the H-Bombs, by Mr. Saulnier, who also presented individual trophies to the team members. An individual trophy was also presented to Father Comeau, who was a member of the H-Bombs, who also won the league in 1956.

A hearty vote of thanks on behalf of the assemblage was tendered by Victor Cardoza to Anthony Saulnier, president of the bowling league, for his untiring efforts during the year and for his unfailing good humour despite the many difficulties which were encountered.

## H-Bombs Win Championship

Dick Warner's H-Bombs won the Digby Bowling League Championship here when they defeated Vince McCarlie's Sidewinders in a best of nine final series last Thursday evening.

The finals were tied up at the end of play last Tuesday with both teams having three points each. In Thursday night's play the H-Bombs took the first two games to give them the championship.

Both games Thursday evening were close with the H-Bombs taking the first 465-463 and the second 481-477.

Scores in the two games were as follows:

H-BOMBS		1st	2nd
	game	game	
Vern Bent	82	108	
Stan MacDonald	80	92	
Dick Warner	92	83	
Gerry Connolly	84	100	
Phil Robertson	127	98

Doug Grimmer	89	105	
Guy Morehouse	88	91	
Don Jayne	90	97	
Eric VanTassel	102	103	
		463	477

Two members of the H-Bombs team did not bowl in Thursday night's final games. They were Victor Cardoza and Bill Gidney. Clare Keen of the Sidewinders also did not play Thursday evening.

## Tendered Shower

Mrs. Malcolm Height and Miss Marilyn Hinxman were joint hostesses at a bridal shower given in honor of Miss Dorothy Perry last Wednesday evening at the home of Mrs. Layton Hinxman.

The evening was spent by the twenty-two guests making a bride's book for the bride elect. Many pretty and useful gifts were received. The evening ended with all her friends wishing her much all happiness in her coming marriage.

Approval for the borrowing of a sum not to exceed \$200,000 for the construction of a consolidated elementary school at Barton was given at the open new elementary school will serve pupils of the Plympton, Plympton Station, Barton and Brighton school sections.

Hon. Clifford Levy, Minister of Municipal Affairs, met with the Council at their session day menaced a party of fishermen on the Barnes River in the back country from Weymouth.

According to David Daley the storm was first noticed when he and Bernard Baxter heard a roaring noise. Looking for the source of the noise they noticed the grass along the river bank being whirled up into the air about seven feet and then dropping back to the ground.

The wind continued and, crossing the river, it raised a wall of water about two feet high in its path. A canoe in which Arlie Mader and Merle Mullen were fishing was whirled about and Mr. Mullen's hat was snatched from his head and tossed several feet in the air. It dropped back into the canoe as the wind passed.

The fishing parties were startled by the freak twister and for a few moments the duo in the canoe feared their craft might be swamped.

## Springtime Concert Presented

Based on the theme of Easter and Springtime the Mission Band of Grace United Church, under the leadership of Mrs. Elton Arnold, presented a concert in the church hall on Friday evening. Evergreens on the stage and daffodils placed in the church hall did much to enhance the Springtime impression.

The program consisted of readings, plays and choruses and games. Readers were Juliana Cudmore, Patricia Hay, Carol Kaye, Lila Wong, Colleen Cameron and Bunny Sabean.

A play entitled "A Story for Springtime" was presented with Juliana Cudmore acting as narrator. The South Winds were represented by Eugene Hay, Peter Dickie, Greg Stonehouse and Bruce Wright. The Sunbeams were Debby Turnbull, Marcia Trask, Christine Dickie. The parts of Snow Drops were taken by Carol Kaye, Linda Jeffers, Lila Wong and Patricia Hay represented the Leaf Buds. Sandra Turnbull was the Pussy Willow and Nancy Jayne was a Raindrop.

Others besides the above who took part in recitations, worship service, choruses or a questionaire were Marcia Trask, Marion Turnbull, Joan Milbury, Vanya Turnbull.

Mrs. Arnold was assisted by Mrs. Milton Atkinson, and pianists for the evening were Misses Carolyn Arnold and Constance Kirkpatrick. Bruce Wright and Joan Milbury received the offering.

Rev. James Brooks pronounced the benediction.

## Celebrates 95th Birthday

The Neighbourly Club, Deep Brook, held a social at the Baptist Hall on Wednesday, April 24, when the guest of honor was Mrs. Serephine Potter, of Deep Brook, who was celebrating her 95th birthday. She was presented with a dozen roses at her home by Mrs. Russell Henshaw on behalf of the club members. At the surprise party she was presented with a lovely cake which was made by Mrs. William Hall.

A very enjoyable evening was spent with delicious refreshments being served.

Some of the guest clubs were the Willing Workers, of Waldeck West, some members of the Sewing Circle of Waldeck East, and guests from Clementsport.

**TEMPERANCE STUDIES**  
 In January all pupils of Grade III, Weymouth Consolidated School, took a temperance study course sponsored by the Canadian Women's Christian Temperance Union. Papers from five pupils: Louise Powell, Patricia

Tues. and discussed matters of municipal finances and other like matters with them.

Mr. Levy stated assessment was a very important matter in With regard to education Mr. Levy said there could be little disagreement with consolidation but said each municipality would have to decide just how far and how fast it could proceed in this direction. Mr. minister of the Digby Congregation Jehovah Witnesses, announced that a three day conference of Jehovah's Witnesses is scheduled to meet in Liverpool, N. S., on May 17 to 19.

"As a stimulation to the preaching methods of the Witnesses the Liverpool program carries the theme "Tell The Good News". This will provide the background for the advanced course planned," Mr. Holmes said.

"The program is really an extension of and a refresher for the regular training program conducted in all congregations of Jehovah's Witnesses," Mr. Holmes explained.

According to Mr. Holmes Jehovah's Witnesses conduct a regular schedule of five weekly classes in their congregations. Their object is to develop each believer into a preacher. Two classes are conducted as advanced studies of the Bible, another is to improve speech and speaking ability with practice sermons given by the students enrolled. Another is a ministry improvement class, where problems of the ministry are discussed. The fifth meeting is a public sermon on a timely Bible subject.

"After a new student expresses his willingness and dedicates himself to do God's will as Jesus did," Mr. Holmes said, "he is assisted in practical field ministry by being assigned to a mature minister, who assists him in developing his preaching ability."

All the features of the regular training program will be covered at the Liverpool assembly, Mr. Holmes said. "However, these meetings will be under the direction of Mr. L. Saumur, District Supervisor, of the Watch Tower Bible and Tract Societies Canadian Branch, Toronto."

The Liverpool assembly will draw between 300 and 400 delegates from 14 congregations in Western Nova Scotia, according to Mr. Holmes. In addition a number of car groups of interested persons are planning to attend the sessions, all of which are open to the public.

## D. F. D. ACTIVITIES

No. 1 Company will hold its regular company meeting on Thursday, May 16th, at 8:00 p.m.

No. 2 Company's meeting will be held Tuesday, May 14th, at 8:00 p.m.

Salvage Corps meeting Monday, May 13th, at 7:30 p.m.

The regular meeting of the Department was held last Wednesday evening with a small attendance, with the result some business was necessarily held over for the June meeting. Further arrangements, however, were made for the carrying out of the annual Clean-up campaign, and a meeting in connection with this will be held tonight at 7:00 p.m. to complete plans. An added feature to this year's program is a poster contest in some of the local school grades, which is already in progress. All entries must be in by May 15th for judging, following which the winners will be announced and prizes awarded.

The posters will be on display in one of the store windows in town after the contest is over. A general Clean-up Day, May 25th, is being set aside, at which time the Boy Scouts and members of the Fire Department will clean up certain sites in town, making the town more attractive and also eliminating some of the fire hazards.

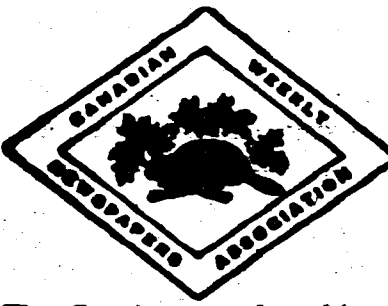

The committee in charge of bingo tonight is Anthony Saulnier and Victor Comeau. The jack pot is now up to \$1500. A canteen is now being operated at the bingo games.

The Department has another fund raising project in progress at present. It is hoped the public will support this effort when approached by the members. By supporting these efforts added equipment will be procured for the Department, making it a more effective fire fighting unit for the town.

## MEMORIAL SERVICE

A memorial service for the late Dr. E. H. Anderson, DSO, will be held Sunday at 3:30 in Digby Baptist Church.

## About This and That

### The Mentally Ill Must Be Helped

Within the next few weeks through the schools of Digby County and house-to-house in a number of communities in the County a canvass will be made for funds to assist the Digby County Branch of the Mental Health Association of Nova Scotia in their work.

It is only in recent years that public attention has been focussed on the need of the mentally ill and that real strides have been made in both preventative and curative efforts in the field of mental illness. It is only recently too that public attention has been drawn to the need for rehabilitation programs for those who have been so unfortunate as to suffer mental illness.

Mental illness is Canada's No. 1 health problem and disables more people than T.B., cancer and polio combined. Nearly half of all the hospital beds in Canada are occupied by mentally ill patients. This health problem threatens everyone. It is no respecter of social position, wealth, race or creed and strikes all age groups.

The fight against mental illness has only just begun so far as the general public is concerned and is badly hampered by lack of funds. The real tragedy of the situation is that most of those, not only in hospital but those whose illness has not reached the stage where hospitalization is the answer, can be helped. They are not being helped because there are not enough community mental health clinics, guidance services and trained people to do the job. Only a meagre beginning has been made to organize preventative programs. Research — the vital effort to discover basic causes and better treatment — is also hampered by lack of funds and trained personnel.

We can play a great part in changing all this. The public helped to make important gains against polio, cancer, T.B. We can do as much to help those who need us the most — the mentally ill. When the canvass for the Mental Health Association is made here we urge your wholehearted support. Remember — every dollar you give means a further step forward in the battle which must be won against the disease which is crippling one million Canadians.

### DEDICATION AT HILL GROVE

A large congregation attended the Easter services in the Hill Grove church on Sunday. Special Easter music was furnished by the choir under the direction of the organist, Mrs. Darcy Roope. After an appropriate sermon by the pastor, Rev. E. C. Churchill, the ordinance of The Lord's Supper was observed.

A special feature of the service was the dedication of new seat cushions for all the pews and one hundred new hymnals, all of which were given by Mrs. Elizabeth Gorrie, of Short Hills, N. J., who as a child attended Sunday School in this church and received here impressions which have never been forgotten. The cushions and hymnals fill a long felt want and were

## CARS ARE MY LINE

by Ken Hankinson

### THE ENGINE OF THE FUTURE

Within 10 years, the family car may lose its radiator and its gear box, its hungry appetite for expensive gasoline and the need for frequent oil changes.

The gas turbine engine, a simple and efficient mechanism that works like a windmill, is pretty certain to become the new engine for automobiles — although the most optimistic estimates put it still a decade away.

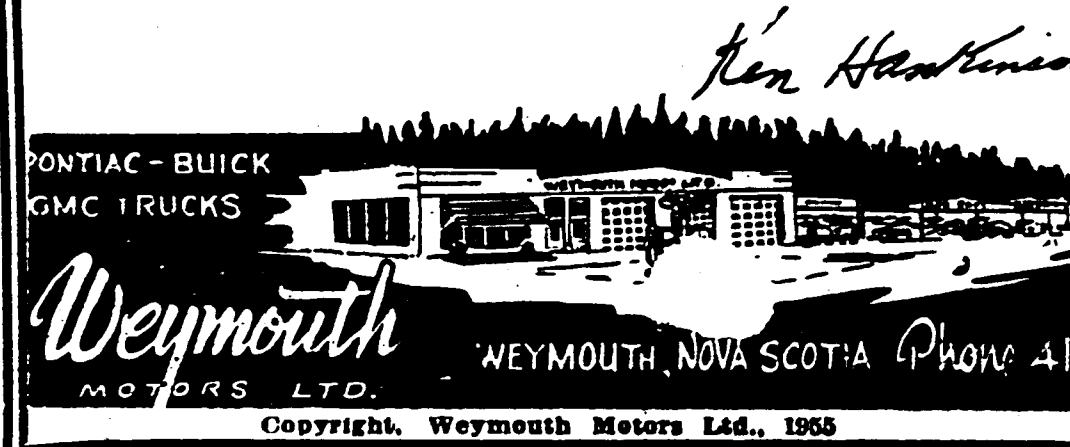

The gas turbine engine does away with the six or eight cylinders of today's automobile in which rapidly burning gasoline slaps the pistons up and down.

In a single metal sleeve about the same size as today's cylinders a roaring flame sends a rush of hot, expanding gasses against a metal pinwheel. The pinwheel revolves like crazy, 50,000 times a minute, and that's your motive power.

Acceleration is smooth and fast, lubrication is simpler because the turbine has one-fifth the number of moving parts and oil is never exposed to contamination. It can burn the cheapest gasoline, or even kerosene if need be.

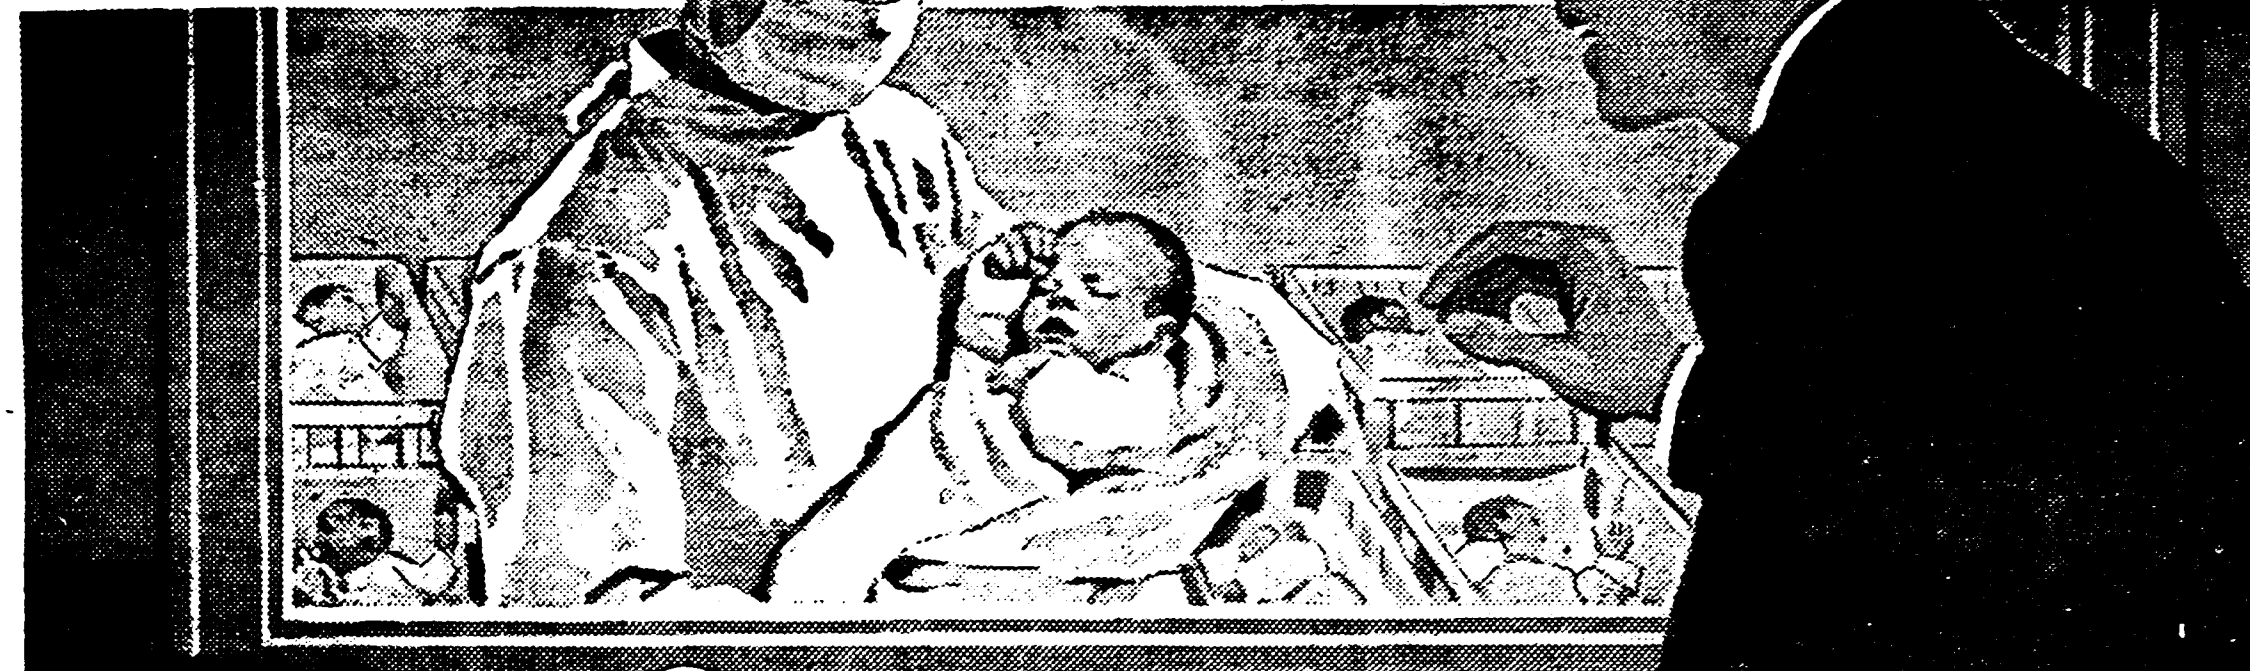

There are a lot of production problems to iron out yet because the turbine is still an expensive, hand-crafted and delicate instrument. But exciting news is ahead in the auto mobile business.

It's always an exciting day, too, when a customer we've served for years brings in his car (that we sold him new) to trade on this year's model. These cars are our pride and joy, the ones we've serviced and maintained since they were babies. They are cars we can be especially proud of on the used car lot and can keep in top shape for many years to come because our mechanics know them like a childhood sweetheart.

a purpose for saving

Nurse and father both agree that some things are too important to leave to chance. So, like most Canadians, each uses a chartered bank for planned saving, making regular deposits to accomplish a definite purpose.

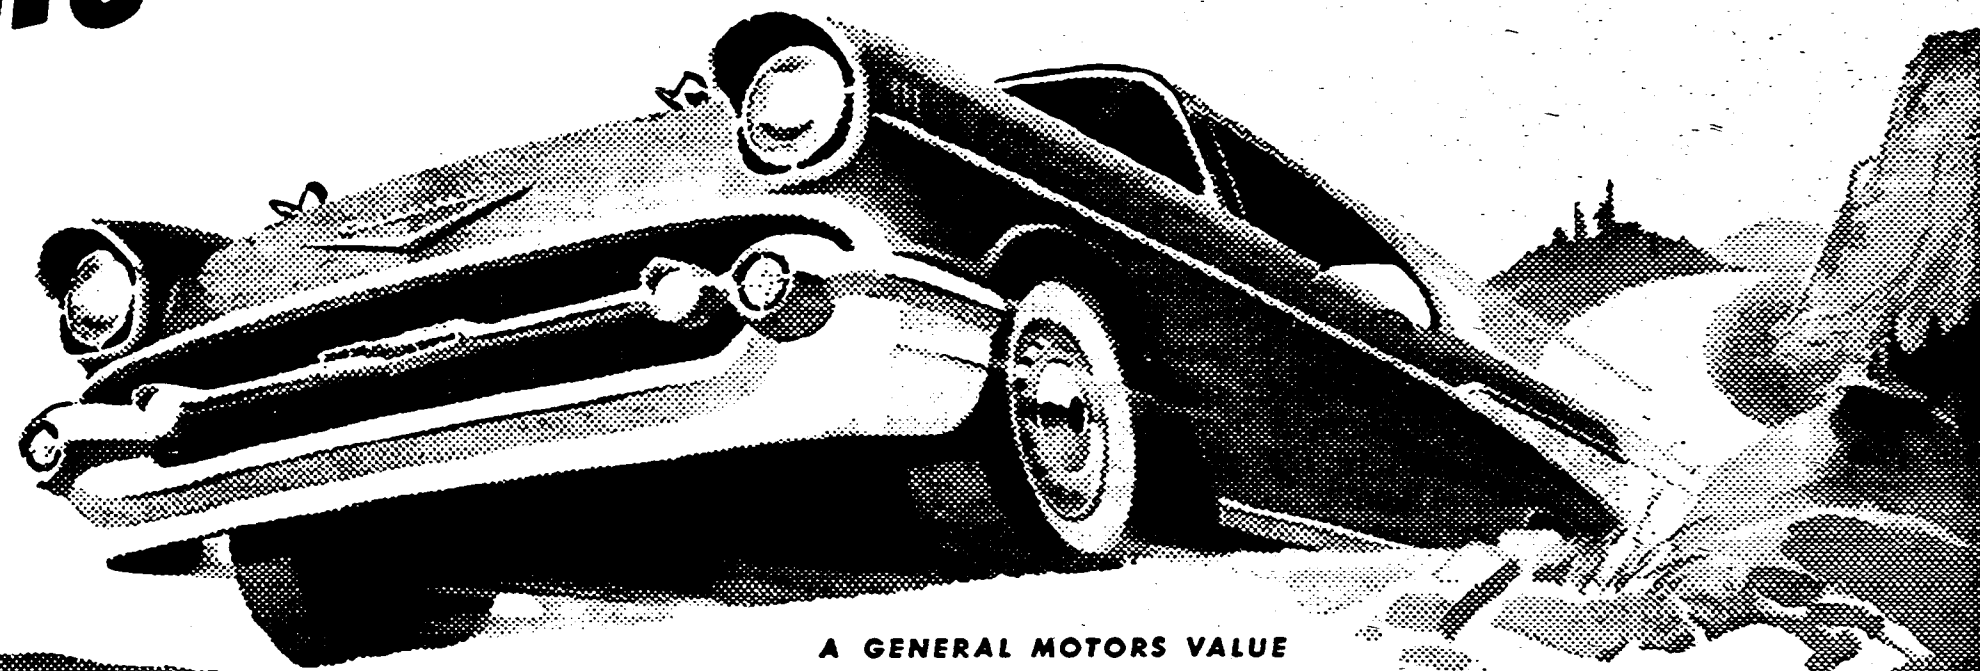

Your own savings plan may be a short-term, modest one — maybe a vacation trip, or new drapes for the living room. Or your goal may be long-range, like providing more security, greater comfort and independence for you and your family.

But whatever use you find for the money you save, you'll always be glad you saved it!

## OBITUARY

**Mrs. E. M. Harris**  
The death of Mrs. Erdine Maude Harris, widow of P. C. R. Harris, occurred at her home at Lawrencetown, Annapolis Co., on Tuesday, April 16.  
She was the daughter of the late George DeWolfe and Margaret (Fuller) DeWolfe, and was born at New Minas, Kings Co., in 1889. Following her marriage to P. C. R. Harris in 1915 she lived in Rothesay, N. B., Digby, N. S., and Lawrencetown, N. S., where her husband was manager of the Royal Bank of Canada.  
Mrs. Harris will be remembered throughout the province for her school photography, as well as her work in former years with the Annapolis County Exhibition. She was an active member of the Lawrencetown Tennis Club for many years. In later years she had taken a keen interest in dogs and had a kennel of Boston Terriers.  
Surviving are one son, Charles DeW. Harris, of Lawrencetown, and one daughter, Mrs. Betty E. Ayre, of Lawrencetown; also three grandchildren, Erdine Ayre, Anne and Gordon Harris, and one brother, J. W. DeWolfe, of Kentville.  
Funeral services were held on Friday, April 19, with interment in Fairview cemetery, Lawrencetown.

## PERSONAL CHEQUING ACCOUNT

the **new** thrifter way to pay  
personal bills by cheque  
(AVAILABLE, JUNE 3)

If you now pay your personal and household bills by cheque, drawn against a Savings Account, then a **PERSONAL CHEQUING ACCOUNT** is tailor-made for you!

Here's how a **PERSONAL CHEQUING ACCOUNT** works.

When you operate a **PERSONAL CHEQUING ACCOUNT**, you use a special cheque book (containing 10 or 20 cheques — whichever you prefer) on which you pre-pay service charges at the low rate of 10¢ a cheque. There are no other service charges of any kind!

No time is lost at the bank when you use a **PERSONAL CHEQUING ACCOUNT**, because there is no passbook to write up. Instead, you make your deposits using a special deposit slip, in duplicate, retaining the carbon copy.

We mail your cancelled cheques and a complete statement of deposits and withdrawals every three months. The cancelled cheques are proof that bills have been paid, and the up-to-date statement lets you know exactly how your personal finances stand.

Important: We recommend very strongly that you retain your present **Savings Account** on which you earn regular interest. A **Personal Chequing Account** is for making payments by cheque — A **Savings Account** is for saving money!

## Local and Personal

Mr. and Mrs. C. W. Ramsay have returned home after spending the winter in Florida.

Mrs. John Handspiker, of Cooper's Mills, Maine, is spending a short time with Mr. and Mrs. Allan Stark.

Mrs. William Snow returned last Friday, after visiting in the U.S.A. She also attended the Hotel Short Course in Halifax. Mrs. Audrey Freeman spent Easter with her parents, Mr. and Mrs. Art Baxter and her daughters, Carol and Bambi.

Miss Doreen Walker, Annapolis Royal, spent a few days visiting her parents, Mr. and Mrs. Donald Walker, Pictou, N. S.

Mrs. Bruce Hewitt and son, Derek, have returned to Halifax, after visiting Mrs. Hewitt's parents, Mr. and Mrs. W. F. Webber.

Mrs. Doris Edmonston and Mrs. Helena Best visited at the home of Mr. and Mrs. Alfred Jones, Hamilton, Ont., on May 2, 1957.

Colin Purdy, Mount Allison University, was a visitor of his parents, Mr. and Mrs. F. C.

Purdy. He left on Monday and will be among the graduates of Mount Allison at the Convocation, May 14. He will spend the summer in Newfoundland.

Gordon Snow, who attended Mount Allison University, spent a few days with his parents, Mr. and Mrs. Vincent Snow, before leaving to spend the summer in Ontario. He will return to Mt. A. in the fall.

Mr. and Mrs. Earle VanTassel spent a few days in Halifax, guests at the Nova Scotian Hotel. They attended the annual ball given by the Imperial Oil Co. They were the lucky couple to receive the door prize of a beautiful travelling clock.

William Brooks is spending a week with his parents, Rev. and Mrs. James Brooks, before taking charge of a church in Saskatchewan for the summer months. William attended Mt. Allison University during the past year.

Beverly Kaulback entertained several of her friends at her home on Thursday, May 2, the

occasion being her 8th birthday. Those attending were: Lina Baxter, Lynn Hall, Joan Milbury, Linda Blenkhorn, Jacqueline Boudreau, Patricia Sollows, Carol Roberge and Theresa Coles.

Robert VanTassel, of Mount Allison University, spent three days visiting his parents, Mr. and Mrs. Eric VanTassel. He left for Moncton from where he will fly to the Yellowknife Gold Mines in the North West Territories to spend the summer. He will return to Mount Allison in the fall.

**MAKE FINE MUSIC MARKS**  
At the Annapolis County Music Festival held at Bridgetown, Nancy Parker made 84 on piano solo "Swallows In The Wind" and Delores Rice made a mark of 82 in this class also in vocal solo, "The Maid and the Miller." Deane Rice sang in the non-competitive age group.

The above are pupils of Mrs. S. W. Sabine and will be appearing in a recital soon.

## Hill Grove

Mr. Newman Greg, Bloomfield, was a visitor here on Saturday.

Mr. Claude Height, of Little River, who has been spending a few days at the home of his son, George Height, and Mrs. Height, returned on Sunday.

Mr. and Mrs. Carleton Conrad, of Halifax, were weekend guests at the home of Mrs. Conrad's parents, Mr. and Mrs. Curtis Porter.

Mrs. Benjamin Marshall, who is on the sick list, is somewhat improved. We wish her a speedy recovery.

Mr. and Mrs. Eric Kinsman and family, of Smith's Cove, were Sunday guests at the home of her parents, Mr. and Mrs. Perry Porter.

The members of the Maple Leaf Agricultural Society received a large shipment of fertilizer last week for use on their farms the coming season. The members of the Ladies' Auxiliary of the Hill Grove United Baptist Church are completing a decorating job on the new Church Hall. The floor in the kitchen has been scraped down and covered with floor enamel and the floor of the auditorium, which is hardwood, is being sanded and refinished. Mr. Benjamin Marshall is doing the work.

The Woman's Missionary Society of the Baptist Church held their regular monthly meeting in the church on Sunday evening with a large attendance of members present. Members of the C.G.I.T. were also present and presented an interesting programme after the business session. Mrs. W. J. Franklin, president, announced plans for a crusade meeting to be held May 17 when Miss Bain, returned missionary, will be present.

## Sandy Cove

Mr. and Mrs. Kenneth Carty, Digby, spent the weekend at their home here.

Mr. and Mrs. Spurgeon Jeffrey were visitors last weekend in Digby with their son, Victor Jeffrey, and Mrs. Jeffrey.

IN MEMORIAM — BAIN — In loving memory of my loving husband and our dear Dad, George B. Bain, who departed this life May 4, 1954. Dear God, please take a message To a loved one up above, Tell him how much we miss him. — Always remembered by wife, daughter, Sylvia, son-in-law, Randall, grandson, David. 36:1c

IN MEMORIAM — In loving memory of our dear mother, Mrs. Lennie M. Porter who passed away May 14, 1956. She was a wonderful mother. She played life's battles square. No matter when we needed her. We always found her there. So on this day our hearts go out To the dearest and best of mothers. Who never had time to think of herself. But always thought of others. What would we give, her hand to clasp, Her patient face to see, To hear her voice, to see her smile. As in days that used to be. But some sweet day we'll meet again. Beyond the toil and strife. And clasp each other's hands once more. In heaven, that happy life. — Lovingly remembered by her daughter, Ella, and son-in-law, Arthur. 36:1c

IN MEMORIAM — In loving memory of our son, Arthur Out-house, who passed away May 11th, 1956. What would I give to clasp his hand, His happy face to see; To hear his voice and see his smile. That meant so much to me. — Ever remembered by his mother, sister and brothers. 36:1c

**HI NEIGHBOUR!**

Did you ever realize exactly what your stake in this country is? Regardless of how you may measure it, you will come back to this basic conclusion. It's your home, your friends, your school and your church. In other words, it's the community in which you live.

This is why your IGA grocer has dedicated himself to this proposition of being a "Community Builder". Through building his community, your IGA grocer feels that he is contributing to the growth and furtherance of one of the notions ever to grace the earth.

## Weymouth News MARRIAGE

Therlaunt — Chetwynd

A pretty wedding was solemnized recently in St. John the Baptist Roman Catholic Church, Lockeport, when Myrna Rose Chetwynd, daughter of Mr. and Mrs. Maurice Chetwynd, Lockeport, became the bride of Richard Joseph Therlaunt, son of Mrs. Herbert Therlaunt and the late Mr. Therlaunt, of Weymouth. The ceremony was performed by Father Thibault, of Shelburne.

The bride entering the church on the arm of her father, by whom she was given in marriage, wore a floor length dress of white with shoulder length veil and carried a bouquet of red roses. She was attended by her sister, Mrs. Cecil Townsend, as matron of honor, who wore a pink ballerina length dress with matching headdress and

carried a nosegay of mixed flowers.

The bridesmaids were Miss Eleanor Hallett and Miss Jean Aitchison, who were gowned in blue and yellow ballerina length dresses respectively. They both had matching headpieces and carried nosegays of mixed flowers. Little Susie Chetwynd, niece of the bride, was a winsome flower girl and was dressed in blue nylon. The wedding music was played by Miss Coralie Seaboyer. Ushers were Thomas MacKay and Charles Mahr.

A reception was held in the auditorium of the regional high school for some 150 guests. Mrs. Malcolm Huskisson, aunt of the bride, poured. Misses Sally Anne Huskisson and Vivian Therlaunt served the bride's table. The toast to the bride was proposed by Mr. K. K. Aitchison. The three-tier wedding cake was cut in the traditional manner. Mrs. Curtis Amirault had charge of the guest book.

For travelling the bride wore a blue tweed suit with matching accessories. After spending a short honeymoon in Weymouth the happy couple will take up residence in Preston, Ont.

## CELEBRATE 39th ANNIVERSARY

Flowers and smiling faces drew all eyes to one table at Mario's Wednesday night. Dean Roy S. Claycomb of Carteret Academy had a lot to celebrate at his dinner in honor of his wife. It was the 39th anniversary of the East Orange couple and also was the first time Mrs. Claycomb was able to go out after a long illness.

Guests were seven of the Claycomb's closest friends, Mr. and Mrs. Reginald Porter, of Montclair and the Robert McColgans, Carol Furman, Dorothy Davison and Gladys Thurber of East Orange. There were flowers for everyone—orchids for Mrs. Claycomb, corsages of pink carnations and tulle for the other ladies and carnation boutonnieres for the men. The school's student council and alumni got into the act with relays of telegrams which arrived at intervals all during

dinner. Mrs. Gladys Thurber is a resident of Weymouth who spends her winters in East Orange and Mr. and Mrs. Roy Claycomb are well known in Weymouth where they open Camp Aldercliff during the summer months. (Taken from Newark Sunday News).

## CULLODEN

Mrs. John Daley and Mr. and Mrs. Joseph Hersey and children spent Sunday in Kentville with Mr. and Mrs. Phillip Boylan and other relatives.

Mr. and Mrs. Victor Finlay, Freeport, spent Sunday

with their daughter, Mrs. Frank Ross, and Mr. Ross. Miss Ellen Stark celebrated her 13th birthday on Friday with eleven guests at a party. She received many nice gifts and all enjoyed an afternoon of games and a delicious lunch. Mr. Gerald Handspeker, of the Gypsum King, is spending a month's leave with his family. LAC Carl Stark, RCAF, Halifax, is spending the weekend with his parents, Mr. and Mrs. Sidney Stark.

## Proclamation

I hereby proclaim the period of May 13th — May 25th as a time for a Clean Up Campaign in the Town of Digby.

I also urge residents and householders to co-operate in this campaign as a means of beautifying our town and also reducing fire hazards.

Gordon R. Turnbull,  
Mayor.

Have you tried the ride that put bumps out of business?

Even if you can only spare a few minutes out of a busy day, take a demonstration ride in a new Plymouth with Torsion-Aire suspension

It's downright wonderful... what a difference it makes when you get out of the ordinary and into a new Thrill-Power Plymouth with Torsion-Aire suspension.

Just take a beautiful Plymouth a few miles down one of those old bumpy-bump side roads and you'll see what we mean. It is an entirely new ride experience, because of Plymouth's remarkable

Torsion-Aire suspension. It's like coasting along on a thick, velvety carpet.

And your turning and braking feel entirely different, too. For Plymouth's Torsion-Aire suspension keeps it from "heaving over" when you round a corner... and keeps the nose of the car from "diving" when you stop.

But why not get the rest of the

story while you're flashing along in the lowest, sleekest Plymouth ever built? You'll love it—every bit of it.

Just dial for a demonstration in a new Thrill-Power Plymouth! How about tomorrow? Phone us, and we'll bring a fresh, frisky new Plymouth to your door. Try its new V-8 or 6 Thrill-Power GO... Push-button Torque-Flite automatic drive... Total-Contact brakes... and all its other exciting advances!

## Present Variety Program

A large audience enjoyed the Variety Show presented in the Sandy Cove Community Hall recently.

After the opening chorus Mrs. Norval Morehouse delighted the audience with a monologue. This was followed by a comic song, Fussy Old Maid From Lynn. Those taking parts in this were Miss Gertrude Warne, Mrs. Warren Crowell and Elizabeth McCullough. A folk dance, "The Waves Of Tary", and a vocal solo by Mrs. Arthur Carthy completed the first part of the program.

The second half of the program included motion pictures shown by Mr. Wilfred Gidney. These included pictures of Upper Canada and pictures of the various villages of Digby Neck. The play "Wanted, A Housekeeper", was thoroughly enjoyed. A vocal solo by Miss Linda Morehouse, a quartette, "The Much Afflicted Choir", a violin solo by Mr. Curtis Denton, and a fashion show, "Easter Parade", completed the second half of the show. The Easter Parade consisted of the modern dress of today compared with the old-fashioned styles of by-gone years. Modelling the modern styles were Mrs. D. A. Stewart, Mrs. Emdon Morehouse, Mrs. Frank Jeffrey, Miss Myrtle Morehouse, Mrs. Curtis Denton, while the old-fashioned styles were modelled by Mrs. Seldon Merritt, Mrs. Nelson Merritt, Mrs. Norval Morehouse, Mrs. Owen Irving, Mrs. Austin Morehouse and Mrs. Elmer Lewis.

A sing-song, with the audience participating, closed the program.

Members of the cast for the play were Mrs. Jack Morehouse, Mrs. Elmer Lewis, Mrs. Seldon Merritt, Mrs. Nelson Merritt, Mrs. Owen Irving, Miss Myrtle Morehouse, Mrs. Warren Crowell and Mrs. Austin Morehouse. Others taking part in other numbers were Mrs. Robert Winchester, Mrs. Emdon Morehouse and Mrs. D. A. Stewart. Mrs. R. W. Sypher was pianist for the evening's entertainment.

The sum of sixty-nine dollars was realized and will be used for Community Hall purposes and to help defray the street lighting expenses.

### EASTER SERVICES AT WEYMOUTH

#### Anglican Churches

Beautiful spring flowers enhanced the chancel of St. Peter's Church, Weymouth North, on Easter Sunday morning. Dr. D. F. Forrester was priest in charge and the combined choirs of St. Peter's and St. Thomas' were in attendance and rendered the anthem "Ave, Thou That Sleepest." Special selections rendered by the organist were Handel's "Hallelujah Chorus" and "I Know That My Redeemer Liveth."

On Good Friday the annual Three Hour Service commenced at noon, was held in St. Thomas' Church. Rev. H. Y. MacLean, Digby, was the special speaker.

Heart Memorial United Church A regular morning service was held here followed by communion. Among the flowers which added much to the beauty of the service were those placed there by Mr. and Mrs. Howard Payson in memory of their son, and by William Nickerson in memory of his mother and brother.

On Good Friday evening a joint service was held in conjunction with the Church of Christ (Disciples). Rev. J. Carrelled the service and Rev. Armltage was the speaker of the evening.

Church of Christ (Disciples) Special music was rendered by the choir at the regular services of the church on Easter Sunday conducted by the pastor, Rev. J. Carr. Flowers were placed about the church by the members in memory of deceased members.

St. Joseph's Church Beautiful lilies adorned the altar of the church for the services which were conducted by Fr. Sampson of St. Anne's College, Church Point, in the absence of Fr. Comeau who is ill.

### FOLKSCHOOL REFRESHER A HUGE SUCCESS

Approximately 40 Folkschool graduates, ranging in ages from 18 to 80, and from every county in Western Nova Scotia, gathered at Weymouth for a refresher course.

The sessions opened on Friday at 2 p.m. with singing, music and group discussions on ways in which we can use music, recreation and drama in our communities. On Friday evening several short talks were given and a solo, "We Would Be Building" was beautifully rendered by Mrs. R. J. Hoase, of Middleton. Another highlight of the evening was a panel discussion on "Folkschools and their Future."

On Saturday three workshops were opened for music, recreation and parliamentary procedure. Besides the workshops four short talks were given and short skits were performed by the students, entitled: 1. What

About Our Teen-agers?; 2. Problems Arising In A Consolidated School Area; 3. The Importance of Physical Fitness and Health; 4. Our Municipal Taxes. From these skits many enlightening facts were pointed out. Another important feature was a group discussion on, "The Regional High School and the Farm Community." This subject created many comments and questions on various school problems, proving to be very interesting and highly instructive. Mrs. Jean Pell, Lawrenceville, gave the summary of reports on this topic.

Most of the refresher program was planned and arranged by Mr. Tom Jones, Regional Representative of Adult Education Division. Others directing and instructing at this reunion were Mr. Herman Timmons, Director of Adult Education; Miss Dorothy Walker, Physical Fitness Branch and Miss Betty Murray, Department of Education who was in charge of music. Also assisting were Agricultural Representatives: Ralph Morehouse, Benny d'Entremont, Harold Wilson, William LeFort and Home Economics Representative, Miss Marie Saulnier.

All sessions were held in the Killam Hall and accommodations for meals and rooms were furnished by the Goodwin Hotel. The refresher came to a close on Saturday at 5:30 p.m. with singing and folk-dancing for all those who wished to participate.

Like all other Folkschool gatherings the same warm spirit of friendliness and willingness to co-operate existed. The entire sessions were very successful and proved to be two days well spent. On departure everyone were of the same opinion that much had been accomplished as well as new ideas to take back home for participation in community activities.

### Neighbory Club Holds Dedication

On Friday evening members of the Neighbory Club, Deep Brook, were very proud to have the tile floor in the Baptist Hall dedicated. The \$800.00 project undertaken last May seemed a far off dream in the beginning, but through faithful efforts of all members and of several kind friends who gave cash donations, the final payment was made in March.

The President, Mrs. Borden Fountain, opened the service with a suitable poem, followed by Rev. F. Miller offering prayer. Mrs. Cleveland Jefferson read the Scripture. Four hymns were sung during the service.

Dedication of the floor in memory of the late Mrs. A. D. Pickett (whose idea instigated the project, but who suddenly passed away before the work began) to the United Baptist Church was followed by the presentation of a scroll engraved with the members names, from which Rev. F. Miller called the roll. Mrs. Pickett's name was "In Memoriam" lines. Mrs. John Rawding beautifully read "The Vineyard Gate."

Mrs. Bain Thompson introduced the guest speaker, Rev. Cyril Gough, from the United Church of Canada, Annapolis Royal, who was the late Mrs. Pickett's pastor and from whom she received this inspirational idea. Rev. Gough spoke on "Indispensable Christians," using the text "Ye are the light of the world."

Mrs. Fountain closed with reading John Oxenham's "The High Way."

Mrs. Hattie Long was pianist. Mrs. Frank King and Mrs. Harold Hirtle took the offering, which goes toward a Cancer Fund the club is now using as a project.

### W. I. Meets At Rossway

Due to bad weather conditions the Women's Institute held their meeting on Wednesday evening in the Rossway Hall, instead of Tuesday evening as usual.

Seven members and one guest attended. After the opening exercises the roll was called with each answering with a gardening hint or something new they were going to plant in their garden this year.

The Institute are again asking any one interested to save them the Cinderella coaches on the back of All Sweet Margarine. The company pays 2 cents for each coach sent to them and the contest closes June 15th. This helps our Institute treasury.

It was decided that the Women's Institute sponsor collecting for the Cancer Drive now in progress. The collectors will be Mrs. Douglas Andrews, Mrs. John McBride and Mrs. Ingeborg Worthylake.

The programme for the evening was on Health and Welfare and in charge of Mrs. Ingeborg Worthylake, who presented a very interesting one. She had on display many attractive posters on nutrition, good health habits, vitamins and safety habits.

Mrs. Worthylake related to the audience the advancement of medical science in the past ten years which makes for better health. The common cold was the most common of illnesses and she told of how one could help cure and keep it from spreading to others. Good health habits were the basis of one's health as well as the prevention of accidents in maintaining life. The welfare of the people should be of interest to all. Everyone can help by supporting all health projects and clinics, blood donor clinics, etc., and every thing pertaining to the betterment and advancement of the nation's health.

Several members took part in presenting a playlet "Food for Thought" on vitamins and their health value.

Mrs. Thurston Banks ended the evening's program by having a "Cake Quiz" and Riddles for the social program.

### Victoria Beach

Mrs. Norman Rogers visited friends here on Sunday.

Mrs. Albert Ellis and infant son have returned home from the Annapolis General Hospital. Mr. and Mrs. Leland Ellis and children visited relatives here on Sunday.

Mrs. Roy Casey, who is employed at Annapolis Royal, spent the weekend at her home here.

Mr. and Mrs. Fred Ryan and family spent Sunday with relatives in Freeport.

A beautiful new electric organ was installed in the Baptist Church. It arrived late on Saturday evening and service was held on Sunday evening by the pastor, Rev. John McLeod. Miss Beulah Haynes presided at the organ and the choir rendered special music which was much enjoyed by a large gathering.

### Bear River News OBITUARY

William Bertram Hogan passed away at his home on Thursday following a lengthy illness. Born at Bear River 70 years ago, he was the son of the late James Parker and Alice Forbes Hogan. He had been living in Weymouth the past 29 years and had been in ill health for about 20 years. A cook by trade, Mr. Hogan went to sea in his younger days. He was a veteran of the First World War and a member of the Canadian Legion.

Surviving besides his wife, Mildred Wilson, are two daughters, Eleanor (Mrs. Bill Henderson), Vancouver; Alice (Mrs. Dan Cocklin), Ottawa; two sons, Gilbert, of Antigonish and Little Brook; Sgt. William, of Petawawa, and thirteen grandchildren and one great-grandchild.

Interment was in St. Joseph's cemetery on Saturday following a funeral service at St. Joseph's Church conducted by Fr. I. G. Sampson.

### COMMUNION SERVICE & CHIMES DEDICATED

On Sunday morning, following the regular service conducted by Rev. Stanley Armstrong, rector, a dedication service was held when a silver communion service and purple hangings for the altar were presented to the church. Also the newly-installed chimes were dedicated at St. John's Anglican Church.

The church was beautifully trimmed with plants and flowers placed there in memory of departed members.

The music was furnished by the junior choir of St. Anne's, Smith's Cove and St. Edward's, Clementsport, with Mrs. Roscoe Buckler at the organ.

### UNITED CHURCH HOLDS EASTER SERVICES

At the United Church of Canada, once more on Easter Sunday the story of the Resurrected Christ was read from John, 20th chapter.

Padre Mowat, of Cornwallis, was the guest preacher, giving the essential message of Easter and the living Lord. He told of Christ's appearance to Mary Magdalene, the Disciples, and to the doubting Thomas. The congregation was reminded in the Easter message that, seldom did Christ stop at death in His thinking. His emphasis was always on life. "I am come that ye might have life, and that ye might have it more abundantly."

After the sermon the sacred rites of baptism and the Lord's Supper were given. Two new members joined the fellowship of the church.

The choir gave its Easter message in song and three anthems were beautifully rendered.

Mrs. Darrell Henshaw presided at the organ.

### GIVE MUSIC RECITAL

The pupils of Oakdene School presented a recital of their entries in the Annapolis County Music Festival on Tuesday, April 16, in the school auditorium.

The children have been trained by Mrs. Walter Lent, music teacher at Oakdene School.

Also taking part in the program were Mrs. James Harris, who sang "The Holy City" and Mrs. Donald Brown who sang "Some Day My Prince Will Come," "My Hero," and "Prayer From Hansel and Gretel."

Monday evening and service was held on Sunday evening by the pastor, Rev. John McLeod. Miss Beulah Haynes presided at the organ and the choir rendered special music which was much enjoyed by a large gathering.

Mrs. V. Olmstead and daughter, of Ontario, are spending a few days with her parents, Mr. and Mrs. Ellsworth Taylor.

Mr. and Mrs. Donald Franklyn have moved from Digby to their home here.

Mr. Percy Johnson is spending some time in Halifax where he has employment.

DIGBY - ANNAPOLIS - KINGS

The distinguished career of this great man began as a farmer boy in Western Ontario in 1913.

World events in 1915 and service with the Canadian Expeditionary Forces in France and Belgium were the foundations for a brilliant future with the Royal Canadian Air Force.

His keen power of observation plus a demonstrated executive ability saw him become Air Officer commanding Eastern Air Command with opera- tional units in Maritimes, Newfoundland, Labrador, Bermuda and Iceland. Laurie again demonstrated his foresight, when at the time of his retire- ment he settled here, choosing the Annapolis Valley as his home, not by necessity, but by choice.

His contributions to Canada have not ended with retirement—his tireless efforts in the Canadian Red Cross, St. John's Ambulance, Canadian Public Health Association, and as Co-ordinator of Civil Defence for Nova Scotia, clearly demonstrate his interest in the people and desire to serve this province and Canada.

## Son Of Locally Known Man Gets Scholarship

William Carleton, of Hope High School in Providence, Rhode Island, was one of two winners of scholarships offered by the Providence Journal-Bulletin.

William, who has set his sights on a newspaper career, is a son of Mr. and Mrs. Harry Carleton, of Providence. Mr. Carleton and his father, David Carleton, both wholesale antique dealers, are well known in the Digby area.

The scholarship won by William Carleton, who is 17 years of age, will allow him to attend the 1957 National High School Institute in Journalism at the Medill School of Journalism of Northwestern University. He was selected along with 96 other high school students from the forty-eight states. All were selected on a basis of outstanding work on school publications, a serious interest in journalistic careers and a high scholastic average.

William, in the first semester of his senior year at Hope, plans to remain there until June 1958, spending the spring semester next year as a post-graduate student. He hopes to attend Yale.

## In Burma With Colombo Plan

Mrs. Vernon Everett received word Saturday, May 4, that her husband had arrived in Rangoon, Burma. He expects to be there a year and is an advisor in the Fisheries Department with the Colombo Plan.

In a letter home Vernon says it's very warm, and although it hasn't rained for six months, everything is green. He made the trip by plane and flew at 20,000 feet with stops at Scotland, London, Rome, Istanbul, Karachi and Rangoon, Burma.

## Wins Scholarship

Malcolm Stafford Mullen, son of Mr. and Mrs. Merle Mullen, of Weymouth, was awarded the Burroughs and Welcome (Canada) Ltd. scholarship at the Maritime College of Pharmacy, it was announced last week.

The scholarship is valued at two hundred and fifty dollars and provides for further study in pharmacy. Malcolm, who won the scholarship, is a second year student at the Pharmacy College. He also had the distinction this year of leading his class in all subjects.

## Special Services At Little River

The church at Little River will be the scene of a great service next Sunday evening at 8:30 o'clock. Last fall the choir of the Little River Brotherhood sang in Grace United Church, Digby. Next Sunday evening Grace United is returning their call. Mr. Elton Arnold, choir leader, has a very fine order of service planned and an inspiring service is assured.

Considering the preaching the people of Little River suffer every Sunday, it is prayerfully hoped that the Reverend James Brooks will come with the choir and give the message. He surely can do it.

The service will be conducted by the minister of the church, assisted by one of the members of the Brotherhood.

All are cordially invited to this great service. Please note the change of time.

Rev. C. T. Olmstead

## Addresses Society

J. N. Yankov, of the Department of Agriculture, Truro, addressed the Admiral Digby Horticultural Society on Foundation Planting at the home of Mrs. Reginald Weir, Queen Street, on Wednesday evening. Mr. Yankov also showed slides of various homes throughout the countryside to demonstrate his talk. Before leaving Digby, Mr. Yankov looked over the Cannon Bank park and expressed his pleasure at the care given to it.

Other business transacted on Wednesday night was in preparation for the coming plant sale.

Mrs. Weir was assisted in serving refreshments by Mrs. J. W. Christie and Mrs. Louise Steven.

Mr. and Mrs. Harley Dakin, Centerville, celebrated their 30th wedding anniversary on Sunday, May 12.

## LOCAL HAPPENINGS SUBJECT OF LETTERS

230 Boylston Street,  
Boston 15,  
Massachusetts.  
May 6, 1957.

The Digby Courier,  
Digby,  
Nova Scotia.

To The Editor:  
Mr. Karl S. Nash's letter in the Courier, April 27, I feel most certainly expressed a calamitous, disastrous turn of events for the town of Digby, should the Pines Hotel be allowed to close.

Digby is synonymous with Nova Scotia for beauty, so when you meet people who have traveled throughout Nova Scotia and mention many of the grandeur they saw in their varied tours they insist the scenery in and around Digby, the Annapolis Valley and Basin, is most unforgettable and beautiful. Yes, nine times out of ten, they all agree on Digby and the Pines Hotel. This grand Hotel nestled there among those tall pines overlooking the splendour of this Annapolis Basin, Digby and Bear River, they now and always will remember. So we say, let not this grand and beautiful Pines Hotel be closed.

Awake, you businessmen of Digby before it is too late. Tourist business is Big Business! Without the attraction of this fine Pines Hotel, Digby will be set back thirty or more years in tourist business.

My brother and I traveled for six weeks last Summer in Nova Scotia, Cape Breton, Sydney, around the Cabot Trail and visited Prince Edward Island. So being an artist (advertising) I feel I should be qualified to make this statement: "Digby has everything in superb beauty to be found in Nova Scotia."

With the Pines Hotel centrally located in Digby for short trips to such places as lovely Westport on Brier Island, Bear River, Annapolis Royal and many others too numerous to mention, means many tourist dollars to be spent in Digby and surrounding towns.

As an illustration, we took the trip down beautiful Digby Neck to Westport on Brier Island and found it so unusual and delightful that we stayed for a couple of weeks. This little gem of an island, with the shores washed by the mighty Bay of Fundy, St. Mary's Bay and Grand Passage was to me a little bit of Heaven. I only mention this trip to show how tourists find these remote and out of the way places within a small radius from Digby and the Pines Hotel.

So men of Digby, get busy, do something, anything — right now. Tourists are planning to visit your Digby and the Pines Hotel — don't let them down. Always remember where there is a will there is a way. Don't forget that Tourist Business is Big Business.

Sincerely yours,  
Edward C. H. Denton.

## Cancer Campaign Successful

Rev. William Armitage, organizer of this year's membership drive for the Cancer Society, reports that the results show a small increase over last year. Several communities which had received no previous services from the Cancer Society were included this year, and the financial results from these were very gratifying, the total to date being \$1,670.

Window displays in the store of M. L. Gaudet and the drug store in Weymouth and Wright's of Digby Ltd. caused much interest, and thanks are expressed to these stores for their cooperation. The help of various organizations in the communities has been much appreciated, and the work of the Cancer Society could not continue without their support.

Over 1,000 persons have seen films dealing with the detection and cure of cancer, and more than 10,000 pieces of literature, aimed at educating the public in the disease, have been distributed. At the moment the Society is providing help to 18 patients, in ways varying from the financing of the travel to the tumor clinic for early cases, supplying bed and dressings, to the provision of drugs, etc., to the incurable cases. A large percentage of the financial assistance gained through this membership drive is used locally in services and education, whilst most of the balance is used in research projects.

Whilst the Campaign is officially over, it is known that some people were missed due to insufficient canvassers, and it is requested that any such

Dear Editor:  
In view of the action of the Municipal Council, on Tuesday last, in approving of the borrowing of a large sum of money for the building of still another large consolidated school at Barton, a great many of your readers will be interested in my view on the matter. This, in view of the fact that I have the privilege and the responsibility of being the local member, and particularly in view of the very definite stand that I have taken in the past on such matters.

My views may be very briefly stated. I will oppose this proposition. The taxpayers of this Municipality are now carrying a burden of taxation that is very heavy. Taxes have risen to a serious degree because of the school building program on Digby Neck and at Weymouth and the attendant expenses of operating such schools. These factors in the main have caused the 1957 increase in taxes, and taxes will probably increase further in 1958 due to the 1956 building program.

It is interesting to note that on Tuesday last, Hon. R. C. Levy, Minister of Municipal Affairs, visited and addressed the Municipal Council at Digby. He used strong words of caution to the Council and I understand, cautioned them to give very serious consideration to the matter before recommending any further building program. It is my information that, after Mr. Levy left, and despite his warning (which was not reported in your newspaper) the resolution to which I have referred was introduced. It was debated hotly and upon coming to a vote, it stood five for and five against the resolution. The Warden then cast the deciding vote in favor of the resolution.

It would be interesting to learn what prompted this resolution, and the reasons for the haste with which it was introduced. I might suggest that the people of the Municipality contact their Councillor, and determine how he voted.

I might further suggest that the Council members themselves, who supported this resolution, should be prepared to run contested elections in their districts this fall. They will then have the opportunity of testing public opinion.

It is not my desire to interfere in matters which concern the Municipal Council. But this is a matter in which the Municipal Council is not solely concerned. I am concerned with the welfare of the taxpayers of the Municipality, and I must therefore take the stand which I have stated I will take.

Sincerely yours,  
Mac Leonard.

At the close of the business meeting a Ten Cent Tea was served by the Ways and Means Committee.

## Lecture On Wildlife Tuesday

An illustrated lecture on wildlife will be delivered by Emerson Scott, noted naturalist, at the Digby Regional High School Tuesday evening, May 21st.

This lecture, complete with films, which is being sponsored by the Digby Area Home and School Association, should be of great interest to all nature lovers in this area and particularly to members of the local Fish and Game Association.

The Digby Home and School Association is hoping that not only its own membership will attend the lecture and film showing, but also the general public.

person desirous of making a contribution should do so through Rev. William Armitage or any member of the Executive. A most excellent way for helping in the fight against cancer is to remember the Society by leaving a legacy, and in this connection it can be designated to a specific project such as research or some special form of welfare services.

The results of the membership by communities are as follows:

Sandy Cove Area, \$130.44; Bear River, \$214.26; Joggins Bridge, \$33.22; Smith's Cove, \$58.60; Gilbert's Cove, \$25.35; Digby, \$306.87; Weymouth, \$455.07; Weymouth North, \$71.66; Ashmore, \$28.60; Freeport Area, \$205.83; Barton-Brighton, \$45.95; Plympton, \$30.02; Ross, \$22.35; East Ferry, \$42.39.

## Digby Red Cross Branch Holds Business Session

The May business meeting of the Digby Red Cross Branch was held at the Court House last week with Vice-President Ralph Wright presiding.

Following routine reports by the Secretary, Mrs. E. G. Arnold, and the Treasurer, Mrs. B. H. Ruggles, the report of the Ways and Means Committee was read, showing a balance of \$21.16 on hand.

The Women's Work Committee reported a recent shipment of 173 finished articles to Halifax Headquarters, including 3 quilts, 57 knitted articles and 113 baby garments and towels. New materials for sewing, to the value of \$58.54, had been received from Headquarters, in addition to a bolt of flannelette purchased by the Branch for local welfare layettes.

The report of the Disaster Relief Committee showed assistance given to a family of six children at the recommendation of the Department of Welfare. A layette was also supplied to the Digby Hospital for a needy case there. In reference to a reported fire case, inquiry revealed that the Annapolis Royal Red Cross had already supplied the family before they left that area.

Delbert Forrest, chairman of the Sickroom Loan Committee, reported that 2 gatch beds, 1 standard hospital bed, 3 pairs crutches and 1 wheelchair had been returned during the month. One wheelchair had gone out and one gatch bed was booked to go out on loan. A total of 14 loans of sickroom equipment had been made thus far this year.

Bills were authorized for payment in connection with the recent Blood Donor Clinic held by the Branch. A motion was also passed that a letter of thanks be sent to the local Ladies' Legion Auxiliary for their cooperation in canvassing the town for donors.

A report from the Campaign Chairman, H. M. Warne, showed that the campaign had closed April 30th with a total of \$346.19 for Digby Municipality, this being a slight increase over last year's total. Thanks were expressed to the canvassers and contributors in the following districts for the amounts making up that total:

HMCS Cornwallis, \$1003.18; Bear River, \$441.25; Weymouth, \$576.19; Digby Town, \$703.87; Digby Rural - Acadiaville, \$9.25; Barton-Brighton, \$70.75; Bay View, \$17.50; Bloomfield, \$7.50; Centerville, \$37.35; Conway, District 1, \$27.00; District 2, \$8.25; Cullodon, \$13.00; Freeport, \$51.60; Hill Grove, \$19.50; Joggins Bridge, \$51.95; Lighthouse Rd., \$20.00; Little River, \$38.80; Marshalltown, \$14.60; Mount Pleasant, \$46.70; North and South Range, \$40.85; Rossway, \$31.40; Sandy Cove and Mink Cove, \$65.00; Sea Brook, \$10.10; Smith's Cove, \$68.55; Tidville and Whale Cove, \$19.95; Tiverton and Central Grove, \$82.00; Westport, \$70.10.

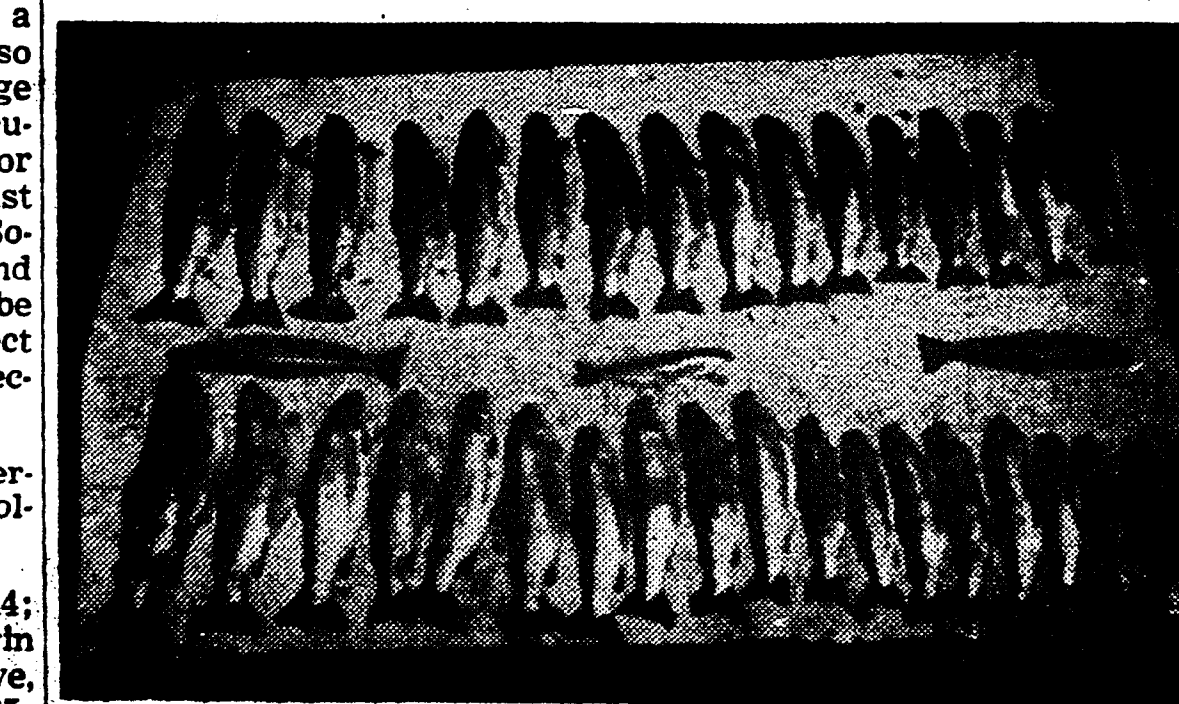

At the close of the business meeting a Ten Cent Tea was served by the Ways and Means Committee.

## Seek Recruits For Salvage Corps

The Salvage Corps of the Digby Fire Department is planning a recruiting drive for new members. It was learned following a meeting of the corps here Monday night.

At present there are seven members in the corps and it is hoped to double this membership through a drive. A. W. Mason is president and treasurer of the corps while Lloyd Hicks is assistant captain.

## Get Huge Catch Of Trout

Above is pictured part of a splendid catch of trout caught a week or so ago by Charles Hall, Hant Glavin and Bernie O'Neill.

## C.G.I.T. Conference Held Here

A C.G.I.T. Conference for Digby, Annapolis and Yarmouth Counties opened at the Digby United Baptist Church last Friday evening with over sixty girls from the three counties registering. This Conference was promoted by the Girls Work Board of the Maritime Religious Education Council, with Miss Jean Windsor, Girls Work Secretary, as Director.

Rev. J. Brooks, of the Grace United Church, Digby, welcomed the delegates and leaders, and Rev. E. C. Churchill of the Digby Baptist Church introduced Miss Windsor.

Discussion Groups for this Conference were led by Mrs. Jack Russell, Mrs. Elton Arnold, Miss Ethel Embree, Mrs. Eva Wendell and Mrs. Ina Dillon. The Interest Groups were led by Miss Molly MacLean, First Aide; Miss Ramona Vincent, Spatter Painting and Cork Work; Mrs. Helen Anthony, Drama; and Miss Anne Brittain, Music Appreciation.

The officers elected for the Conference were: Pres., Miss Anne Brittain, Digby, and Miss Marilyn Trefry, Yarmouth, Sec. Saturday evening a banquet was held and the girls and leaders attended in uniform. Following the banquet the Digby girls presented an interesting and enjoyable program of skits and music.

Sunday morning the delegates attended Church with their hostesses, and at 2 p.m. held their closing service, at which the C.G.I.T. girls formed the choir and Miss Windsor brought the message. This marked the closing of a very happy and profitable conference.

## To Inspect Sea Cadet Corps

Rear Admiral R. E. S. Bidwell will inspect Sea Cadet Corps "Cornwallis" and the Wrenette Corps at HMCS Cornwallis Friday evening, it has been announced.

The inspection is slated for eight o'clock Friday evening and will also include demonstrations of the year's work by Wrenettes and members of the Sea Cadet Corps.

A cordial invitation has been extended to the general public to attend the affair.

## Tiverton Entertains Freeport H & S

At their May meeting Tiverton Home and School entertained members of the Freeport Association.

Mrs. Myra Vernon, from the Central Library at Halifax, was the speaker of the evening. She spoke of the importance of worth while books in developing our children into more knowledgeable people, more intelligent, more understanding, with broader horizons.

At the close of the meeting members of both associations discussed books informally with Mrs. Vernon, who gave them good advice on the selection of books for children. She brought with her a display of splendid books in which the parents were very interested. Mrs. Beulah Outhouse moved a vote of thanks to Mrs. Vernon, and Mrs. Pearl Campbell, of Freeport, expressed the enjoyment of the Freeport Association.

During the business part of the meeting a new slate of officers was appointed for the 1957-58 season, and a sum of money was voted for the purchase of books for the school library.

Announcement was made of the Digby County Spring Council Meeting, to be held in Freeport on Friday, May 17th, with registration at 2:30, D.S.T.

## TO SEEK ASSURANCE ON FERRY TERMINUS

Assessing the impact on the economy of the town of Digby effective to the closing of the Digby Pines Hotel after the 1957 season as announced, and the removal of the HMCS Buckingham, the Board of Trade passed a unanimous motion on Tuesday evening to request that a special meeting of the Town Council be called to consider the question of the landings of the proposed CPR train-car ferry. Visualizing the future of the town should the ferry be situated to the exclusion of CPR traffic through Digby, the Board of Trade went on record as supporting the Town Council in steps which might secure the landing of the ferry so as not to by-pass the town. It was also to be requested that the Board of Trade be notified of the meeting so that a large representation might be present.

Another matter brought before the Board was that of the possible closing of the Joggins Bridge during the tourist season and the detour through the Acadia Valley road.

It was decided to take up this matter and also that of the possible closing of the Victoria Bridge for repairs during the summer with provincial highway authorities to see if arrangements might possibly be made to have work on the Joggins Bridge delayed until the close of the tourist season if this will mean that a detour for any length of time might be necessitated.

The matter of the highway entrances into Digby also came in for considerable discussion. It was pointed out that both the entrance from Yarmouth and from Halifax are at right angles to highway No. 1 and it was stated this was felt to be a deterrent to motorists who might

make a side trip into the town. It was decided to take this matter up with the provincial government to see if improvements could be made to these entrances that would provide less abrupt turns and more inviting approaches.

A report on the preparations for the annual July 1st Fair, in which the Board of Trade is one of the sponsoring organizations, was given to the meeting by R. O. Wright. He stated plans were well underway and that the general committee in charge is finding good cooperation in arrangements for the fair.

Some discussion was had on the matter of the Cannon Bank park which has been improved by the Board of Trade. It was decided the Canadian Legion and other organizations using the park grounds for the holding of sponsored fairs should be charged fifty dollars for the use of the grounds and that this money would be used to further improve the property. Arrangements for the use of the property are to be made with J. J. Brittain, chairman of the grounds committee.

A report on the tourist folder being prepared by the Board for distribution indicated this is now ready for printing and will shortly be distributed to information centres in Nova Scotia and elsewhere.

It was stated a meeting of the farmers of the area with representatives of the Department of Agriculture to discuss the matter of marshland reclamation in this area would be held at the Maple Leaf Agricultural Hall, Conway, Thursday evening. Representatives of the Board were urged to attend this meeting as it was felt decisions reached might affect the economy of the whole area.

## St. Mary's Chapter, O.E.S., Observes 8th Anniversary

St. Mary's Chapter, No. 35, Order of the Eastern Star, celebrated its eighth anniversary at a regular meeting in the Masonic Temple here. Present for the occasion was Ray Schwartz, Lunenburg. Worthy Grand Patron of the Grand Chapter, O.E.S. of Nova Scotia. Also present were representatives of four Eastern Star Chapters in western Nova Scotia. These were: Grace Chapter, Lunenburg; Arbutus, Milton; Mae, Bridge-water and Arcadia, Lawrence-town.

Charter members of St. Mary's Chapter present for the meeting were honoured in a fitting ceremony. A birthday cake, suitably decorated to mark the chapter's anniversary, was cut in traditional manner by the charter members.

A program of musical numbers and readings was a highlight of the evening. Included was a vocal duet by Mrs. F. K. Hayden and Guy E. Morehouse; a vocal solo by Mrs. Joyce Daley and a vocal solo by Mrs. Dorothy Cook, Worthy Matron of Grace Chapter.

Plans for the annual Musical Tea, sponsored by St. Mary's Chapter, were discussed at the meeting. The tea will be held this year on May 23rd. Arrangements for the Grand Chapter meeting, scheduled for Annapolis Royal in early June, were also discussed. St. Mary's Chapter will be one of the host chapters for the Grand Chapter session.

## Plan Visit Of Clinic

J. Eastwood Ives of the Nova Scotia Tuberculosis Association was in Digby this week in connection with a visit to this area of the mobile X-Ray clinic, sponsored by the Nova Scotia TB Association.

It is expected the mobile clinic will visit communities in the Digby area in early June and hopes are that as many as possible will avail themselves of the opportunity to secure a free chest X-Ray.

Arrangements for the visit of the mobile clinic to Digby will be under the sponsorship of the Digby Branch of the TB Association, whose president is Rev. H. Y. MacLean.

## WINS HIGH LEAGUE AVERAGE

Guy L. Morehouse was winner of a trophy for high individual average in the year's play in the Digby Bowling League. He also was a trophy winner for high team average. Trophies were among those presented at the annual bowling league banquet last week.

## Ernest B. Tufts Heads Lion's Club

Ernest B. Tufts was elected President of the Digby Lions Club at the annual dinner meeting at the Hotel Champlain here. He succeeds Roger Furlong, immediate Past President of the club.

Other officers elected include Lou Ecker, 1st Vice-Pres.; Bob Bearn, 2nd Vice-Pres.; Andy Perry, 3rd Vice-Pres.; Earl Crane, Secretary; Eric Caldwell, Treasurer; Victor Jeffrey, Lion Tamer and Hyman Webber, Tail Twister. Directors elected were Earl VanTassel, Fred Stoddard, Doug Daley and Watson Larra-more.

Guest speaker for the annual banquet meeting was Padre George W. Mowatt, of HMCS Cornwallis, who gave a most interesting address on the people of China.

It was decided at the meeting that the Digby Lions Club would take on the task of sponsoring a Girl Guides group in Digby and plans were made to get this project underway.

A campaign to assist in beautifying the Town of Digby will also be adopted by the Lions Club. This will include the placing of refuse containers on the main street of the town.

It was reported at the meeting that a Lions Club is to be organized in Meteghan. The Lions Clubs of Digby and Yarmouth are co-sponsors of the Meteghan Club. Plans were discussed for the holding of a gala Charter Night celebration at Meteghan on May 29th.

## Hold Successful Card Party

A most successful card party, featuring some forty tables of bridge, forty-fives and canasta, was held last week at the Hotel Champlain here, sponsored by the Ladies' Aid Society of the Digby General Hospital.

The affair was not only a real success as a social event but also realized a net of about one hundred dollars for the sponsoring organization.

Great credit is due the committee in charge for the success of the affair and to all those who helped in any way. The rooms at the hotel used for the party were tastefully decorated in a spring motif and refreshments were served.

## D. F. D. ACTIVITIES

Winner of the \$1,000.00 prize was John Donovan, 309 Hamilton Ave., St. John's, Newfoundland. Winners of the remaining prizes will be announced as soon as the lists arrive.

Bingo committee this week is Mel Nixon and Anthony Saulnier.

Clean-up Campaign is now in full swing and started off by announcements in the churches on Sunday. Digby Dairy has been kind enough to have bottle caps on their bottled milk publicizing the fact that you should CLEAN-UP—PREVENT FIRES. The poster contest being conducted in the schools closed yesterday and the judging of these will be done immediately. Watch this paper for the announcement of the winners next week. Next week on Saturday, May 25th, the Scouts and members of the Fire Dept. along with the co-operation of town officials, will have a clean up collection and this will involve certain areas considered by the Fire Dept. as hazardous and untidy along the streets of the town and other areas. The full co-operation of the public is solicited in order that we make our town a better looking one as well as a safer one from fires.

## Engineering Degrees Received By 3 County Students

Among the 98 graduates from Nova Scotia Technical College in Halifax, on May 8, were three students from Digby County. They were John E. Andrews and Louis E. Deveau, both of whom received the degree of Bachelor of Engineering in Mechanical Engineering, and Frank R. Jefferson, who received the degree of Bachelor of Engineering in Chemical Engineering. Mr. Deveau, whose parents are Mr. and Mrs. Alphonse Deveau, of Salmon River, is also a graduate of St. Mary's University in Halifax where he received a B.A. in 1953. He has accepted a position with the Moncton Foundry and Machine Company.

Mr. Andrews is the son of Mrs. J. V. Andrews, of North Range, and will be going to Cleveland, Ohio, to work with the Bally Meter Company. He is also a graduate of Acadia University, of Wolfville, where he received his B.Sc. in 1954.

Mr. Jefferson also graduated from Acadia, receiving a B.Sc. in 1955. He is the son of Mr. and Mrs. Lloyd Jefferson, of Marshalltown, and left on May 12 aboard the S.S. Homeric, bound for France, where he will be serving with the RCAF as a Technical Armament Officer.

Events on schedule for the Fire Station the next week are: May 16—Meeting of No. 1 Company. May 17—Conservative meeting (Executive). May 21—Salvage Corps meeting. May 23—Bingo.

## Church Point

Mrs. Ernest F. LeBlanc, who broke her leg several weeks ago, is now able to move around in her home with the aid of crutches. Mrs. LeBlanc broke her leg when she slipped and fell while returning from church one morning.

Alvin Frankland spent the weekend visiting his father, Floyd Frankland. He returned to Dartmouth on Sunday evening.

Audrey Frankland and Delbert Boudreau went to Eastport, Me., leaving Thursday via the Blue nose, and returning with the furniture of Mr. and Mrs. Chester Frankland. The latter are residing with their son, Floyd.

Gustave Thibodeau and sister, Marie, returned from Boston on Tuesday to prepare the opening of Hotel Marie for the summer months.

Several schools of herring have invaded these shores in recent weeks and herring have been landed at Frankland's fish plant here. This is extraordinary for these shores to catch herring at this season of the year.

Thursday, May 16, 1957 page 3

**RAILS AND LEE RAYMOND**, sons of Mr. and Mrs. Nelson Raymond, of Gulliver's Cove, saw a strange colored object floating slowly over their home one evening last week. It landed in a tree on Kenneth Peters' property. With the aid of Mr. Peters they extricated it and found it to be a balloon about the size of a bushel basket with a battery and a light bulb attached. The printing on the balloon read—United States Air Force.

Mrs. Peters informed the RCMP who came and took the balloon to Digby.

Crocker and Sylvia Lent are participants in the Yarmouth Music Festival this week. We wish them success.

WATCH THE SMOKE SIGNALS

At a used car lot I know of, a salesman was looking over a car that had been offered as a trade. Before he even started it, or stepped inside, he said: "Too bad it's using so much oil."

The owner was startled and a little annoyed. First of all, it wasn't true. Secondly, what made the salesman think so?

There was a quick explanation: the rear bumper was clouded with oily fumes around the exhaust pipe.

The salesman, nine times out of ten, would have been right. But an exhaust will smoke for a lot of reasons. The use of special oil, or additives in the oil, may cause it. It's not such a hot test anyway because it's easy enough to wipe the cloudiness off the bumper.

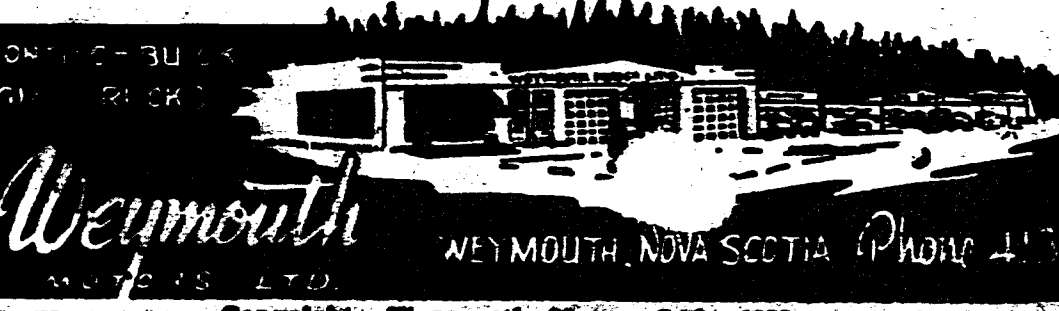

But smoke at the exhaust can tell you a lot. The bluish variety that I've discussed before means oil is being sucked into the cylinders, probably because of bad rings.

Black-looking smoke, or smoke with a brownish tinge, means the mixture of gas and air is too rich with gas.

The best engine burns only 75 percent of its fuel. When the mixture becomes just a little too rich, this quickly drops to only 50 percent. You see why it's important, then, to watch for that tell-tale black smoke.

There are many adjustments that can be made to clean out, or enrich the mixture. Some of them you can easily do yourself if you want to, but we'd much sooner show you on your own car when you bring it in. If and when you pick up a used car from us, I hope you'll remember to bring it in every so often—not only for servicing but also to let us know how it's going. We can often recall something about the car that will straighten things out in a second.

## Given Rite Of Baptism

Kenneth James, son of Mr. and Mrs. Lawry Mundy, Halifax, formerly of Clementsport and Digby, was given the rite of baptism at St. Mark's Anglican Church, Halifax, at 4 p.m. on Sunday afternoon. Rev. E. B. Cochran officiated at the service in the presence of close friends of the parents. Godmother for Kenneth James was Mrs. Ira Dukeshire, Clementsport, and the godfathers were Mr. Dukeshire and Mr. Edgar Hemmingway, Halifax, and formerly of Digby.

Kenneth James wore at the baptism the same gown worn by his mother at her baptism in England and which was recently sent here by his grandmother.

Following the impressive service at the church a christening tea was held at the home of the parents at 62A Basin View Drive, Halifax. Those attending from the vicinity of Digby, besides the Dukeshires, were Mrs. J. M. Wallis, Miss Janet Corkum, Miss Ruth Wallis and Miss Jean Snow.

## Takes Post At Port Radium

Miss Virginia Ritcey, daughter of Mr. and Mrs. E. M. Ritcey, 37 Chestnut St., Halifax, left for Port Radium, North West Territories, where she will be employed by Eldorado Mining and Refining Co. as a chemist in the uranium laboratory.

Miss Ritcey was working for the past few months with Dr. Van Rooyan in the bacteriology department at Dalhousie University. Enroute to the North West Territories she visited in Montreal, Ottawa, Toronto and Edmonton. Miss Ritcey is a granddaughter of Mrs. James Ellis, Bay View.

Gordon Ritcey, a brother of Miss Virginia, who was previously chief chemist at Port Radium, has recently been transferred to Ottawa as assistant chemist in the Research and Developing Laboratories.

All those taking part is much appreciated.

(Edited by Gloria Mullen and Mrs. Marion Lewis)

St. Thomas Guild meets with Miss Helen Journey on Thursday afternoon.

The W.M.S. of the Riverside and Ashmore Baptist Churches held their May meeting at the home of Mrs. Boyd Mullen.

Mr. and Mrs. G. L. Coggins, Mr. and Mrs. Llewellyn Coggins and children and Miss Marjorie Hutchins visited Mr. and Mrs. Hugh Allan, Yarmouth, on Sunday.

A brush fire broke out on Wednesday afternoon on the new road but was brought under control before too much damage was done by men and equipment from the Dept. of Lands and Forests assisted by the Weymouth Fire Dept. which was standing by as there were several homes in the immediate area.

Congratulations and best wishes are extended to Mr. and Mrs. Douglas C. Stark who were recently married in Prince Edward Island. Doug formerly lived in Weymouth North and was on the staff of the Royal Bank here.

Rev. M. A. Rogerson, Montague, P.E.I., conducted services on the Baptist pastorate last week on Wednesday and Thursday evenings.

Mrs. H. M. Mullen and Mr. and Mrs. Willis Mullen visited Mrs. R. Curtis, Clementsvalle, on Sunday.

Mr. L. C. Ruby, Weymouth Industries Ltd., attended the conference of financial needs and problems of manufacturers and processors at Dalhousie University, Halifax, on Thursday of last week.

Mr. and Mrs. D. V. Theriault have moved into the house formerly owned by the late Mrs. Edward Gaudet.

Mr. and Mrs. Cereno Jones left on Monday for Montreal to attend the graduation of their daughter, Judy, from the Royal Victoria Hospital.

Albert Theriault is spending a holiday in the United States, having accompanied Messrs. Jones and Belliveau.

C.P.O. Louis Melanson, Halifax, spent the weekend at his home. Louis just returned on Thursday from a three months tour of duty in southern waters as a member of the crew of the HMCS Iroquois, of the First Canadian Escort Squadron.

Mr. and Mrs. Camille Muise motored to Yarmouth on Saturday to visit the latter's mother, who is a patient in Yarmouth Hospital.

## WEYMOUTH YOUTH CENTRE HOLDS ANNUAL MEETING

The annual meeting of the Weymouth Youth Centre Association was held at the Legion Hall in Weymouth on Wednesday evening with sixteen members present. Mr. R. S. Hallett, president of the association, presided as chairman.

Mrs. J. D. Rice, chairman of the Social Committee, gave a very interesting report on the social activities of the youth. The social evenings have been successful with an average attendance of forty.

Eileen Hallett, reporting for the Girls' Work Committee, gave a very outstanding report of the girls work. She explained all work activities of the girls and described the courses given in First Aid, Shellcraft, Feltwork and Leathercraft. The attendance being around thirty.

The financial report was given by the treasurer, Mr. Clyde Cosman. Reporting for the Boy's Work Committee was Mr. Hallett, who described the work and other interests of the youth from the opening of the association until the present time. Successful courses were given in woodwork, mechanical training and several short periods of sports, with approximately thirty boys attending. Due to the shortage of instructors no other courses were started.

The following slate of officers were elected for the coming year:

President, Mr. John Comeau. Vice-President, Mr. William LeFort.

Treasurer, Mr. Clyde Cosman. Secretary, Mrs. Annie Dennison.

Mrs. Glidden Campbell was appointed chairman of the Social Committee and Mr. R. S. Hallett, chairman of the Membership Committee.

A vote of thanks was extended to the retiring officers, Mrs. J. D. Rice and Mr. Hallett, for their devoted services rendered during the past year.

As retiring president, Mr. Hallett expressed his thanks and appreciation to all committees and to all who supported him during his term of office. He also mentioned how well the association had been organized at the beginning with much credit due to the clergymen and citizens of this area who so

## Truck Overturns

A large truck driven by Charlie Boudreau went out of control early Sunday morning, left the road and turned over by the home of Joe Doucette. Mr. Boudreau was just a short distance from his home when the accident happened. Although the cab of the truck was demolished, Mr. Boudreau escaped unharmed.

## OBITUARIES

Stewart Freeman Small, Relatives, friends and neighbors gathered at the Central Grove Baptist Church on May 1, 1957, to pay their last respects to Stewart Freeman Small, third son of Freeman and Elizabeth (Wilson) Small, born at Tiverton, N. S., May 1st, 1879.

As a young man he was a fisherman, later running a coastal freighter. Forty years ago, with his family, he moved to a farm in Central Grove, spending the remainder of his days as a farmer. In December, 1956 he and Mrs. Small celebrated their Golden Wedding.

He is survived by his widow, the former Josephine Delaney, of Central Grove; two daughters, Melena (Mrs. M. V. Bartheaux), of Moschelle, N. S., and Lillie at home; four grandchildren, Zelma Bartheaux, of Ontario, Ruth Bartheaux, of Moschelle, John and David, of Central Grove; one brother, Roy, of Tiverton, N. S., and one sister, Lennie (Mrs. A. Sutherland), of Taunton, Mass. Five brothers and two sisters predeceased him.

He was the son of the late Mr. and Mrs. Michael Gosson of Tiverton. He is survived by his wife, the former Gertrude Frost of Little River, and by five children, Robert, 16; Rena, 14; Richard, 9; Beverly, 8, and Wanda, 2. Also surviving is a brother, Basil, and a sister, Leila (Mrs. Milledge Tidd), Tiddville.

The remains rested at the Ramsay Funeral Home, Digby, until Tuesday when the funeral was held from the Tiddville Pentecostal Church at 2 o'clock. Rev. R. S. Mulligan, pastor of the church, officiated and interment was at Little River.

There being no further business the meeting adjourned at 9:30 p.m.

Mrs. Arthur McCormick Funeral service was held on Sunday afternoon at the Gospel

Prayers were conducted at the home and service at the church by the Rev. J. W. Derby of the Disciple Church, assisted by Rev. F. Smith of the Baptist Church, Rainbow Lodge No. 113, of Tiverton, of which Mr. Small was a member, had charge following the church service. Brother Oddfellows were pall bearers. Melbourne Out-house sang at the church and a quartette of brother lodge members sang at the graveside. Burial was in Central Grove cemetery. Floral tributes were many and beautiful, testifying to his many, many friends.

## John Michael Gosson

Residents of this area were deeply shocked to learn of the sudden passing at the Digby General Hospital on Sunday of John Michael Gosson, of Tiddville.

A well known fisherman, Mr. Gosson was 39 years of age. He was the son of the late Mr. and Mrs. Michael Gosson of Tiddville. He is survived by his wife, the former Gertrude Frost of Little River, and by five children, Robert, 16; Rena, 14; Richard, 9; Beverly, 8, and Wanda, 2. Also surviving is a brother, Basil, and a sister, Leila (Mrs. Milledge Tidd), Tiddville.

The remains rested at the Ramsay Funeral Home, Digby, until Tuesday when the funeral was held from the Tiddville Pentecostal Church at 2 o'clock. Rev. R. S. Mulligan, pastor of the church, officiated and interment was at Little River.

Mrs. Arthur McCormick Funeral service was held on Sunday afternoon at the Gospel

Lighthouse in Centreville for Mrs. Arthur McCormick who passed away suddenly at the Digby General Hospital on May 10th. Rev. R. J. Duncan, pastor of the church, conducted the service which was one of the most largely attended funeral services ever to be held in Centreville.

Mrs. McCormick, who was 28 years of age, had been employed at the Cornwallis Naval Base for the past three years. The former Bernice Ossinger, she was a daughter of Mrs. Harry Outhouse and the late Maynard Ossinger. She is survived by her husband and two children, Edward, aged nine, and Peggy, aged seven. Also surviving are a brother, Stewart, of Freeport, and a sister, Florence (Mrs. Gerald Titus), Centreville.

## ATTEND MUSIC FESTIVAL

The pupils of Oakdene Academy, Bear River, attending the Annapolis County Musir Festival held at Bridgetown May 1, 2, and 3, whether a single contestant or chorus group, received very commendable adjudication as performers.

The teachers of Oakdene wish to thank all who in any way helped to transport or provide cars for the transportation of the pupils.

## To Hold Annual In Freeport

The spring meeting of the County Council of Home and School Associations for Digby Municipality will be held Friday afternoon and evening at Freeport, it has been announced.

An interesting program has been arranged for the meeting, including reports from member associations, election of officers and other matters.

Included in the program will be a panel discussion on school curriculum. This is expected to provide a good deal of audience participation.

Guest speaker at the evening session will be Victor Cardoza, a Past President of the Home and School County Council. Mr. Cardoza will speak on the history of Digby County.

Mrs. Seraph Barnes spent the weekend in Bear River visiting her daughter, Mrs. Hallett Banks, and Mr. Banks. On Friday evening she was a guest at the Neighbourly Club at Mrs. Lewis Banks'.

## "I'm Betting on Colonial Brand!"

"Why shouldn't I? Before I started to use Colonial Quality Fertilizer I was an ordinary dirt farmer—barely getting a living from my farm.

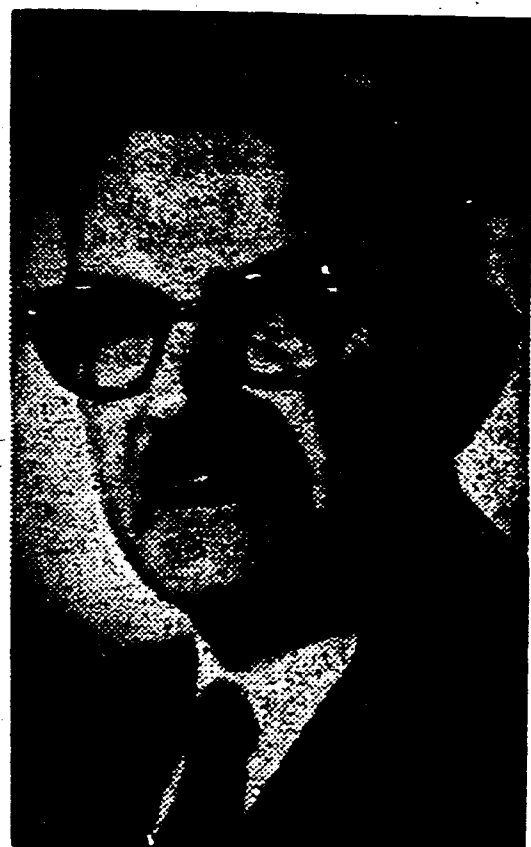

"But now, thanks to Colonial, I'm getting the biggest yield per acre of oats and potatoes in the county. And just look at my orchard!

# Vote MORFEE

LAURIE MORFEE

May 16, 1957

The political field is not too far removed from the business field—in fact—it is big business—the nation's business.

Every day we hear the cry—"They have been in too long—we need a change". The opposition in using this, their only slogan and reason, offer free this, free that and assure the people it will cost less.

Laurie Morfee, your Liberal candidate, in a recent comment on these free offers, comments as follows, "The rat trap is baited with 'free' cheese". That is one reason Laurie Morfee, our Liberal candidate, has been nominated to represent our constituency. His clear cut, clean, concise thinking and expression sums up in a few words, (the voice of experience) the answer to our political situation.

In Digby-Annapolis-Kings we need a representative in Ottawa—who can work with the other staff. We need a smart thinking, dignified representative, one who lends prestige to our constituency—and one who is known and recognized.

Laurie Morfee is a man known in Ottawa, respected in Ottawa—in fact, known and respected from St. John's, Newfoundland, to Victoria in British Columbia.

His organizational abilities, his analytical brain, his decisions in very critical times (war) have been known, recognized and respected from coast to coast.

This is the man we need—this our Liberal candidate. When you vote for Laurie Morfee, you vote with the assurance that you are voting for a man who has dedicated and given his whole life to Canada.

Vote Morfee and you vote for Canada.

As a young man he was a fisherman, later running a coastal freighter. Forty years ago, with his family, he moved to a farm in Central Grove, spending the remainder of his days as a farmer. In December, 1956 he and Mrs. Small celebrated their Golden Wedding.

He is survived by his widow, the former Josephine Delaney, of Central Grove; two daughters, Melena (Mrs. M. V. Bartheaux), of Moschelle, N. S., and Lillie at home; four grandchildren, Zelma Bartheaux, of Ontario, Ruth Bartheaux, of Moschelle, John and David, of Central Grove; one brother, Roy, of Tiverton, N. S., and one sister, Lennie (Mrs. A. Sutherland), of Taunton, Mass. Five brothers and two sisters predeceased him.

He was the son of the late Mr. and Mrs. Michael Gosson of Tiverton. He is survived by his wife, the former Gertrude Frost of Little River, and by five children, Robert, 16; Rena, 14; Richard, 9; Beverly, 8, and Wanda, 2. Also surviving is a brother, Basil, and a sister, Leila (Mrs. Milledge Tidd), Tiddville.

The remains rested at the Ramsay Funeral Home, Digby, until Tuesday when the funeral was held from the Tiddville Pentecostal Church at 2 o'clock. Rev. R. S. Mulligan, pastor of the church, officiated and interment was at Little River.

There being no further business the meeting adjourned at 9:30 p.m.

Mrs. Arthur McCormick Funeral service was held on Sunday afternoon at the Gospel

# Thank You

The Executive of the Weymouth and District Unit of the Cancer Society extend their sincere thanks and appreciation to all who shared in the recent Membership Campaign in any way and ensured its success.

North Range United Baptist W.M.S. was held at the home of Mrs. H. A. Shortliffe on Thursday evening, May 2. The president, Mrs. J. V. Andrews, presided. Mrs. Ralph McNeill conducted the devotional period, using "Faith" as her topic, and basing her thoughts on Hebrews, chapter 11. Mrs. George White read the scripture and prayer was offered by Mrs. R. R. Winchester and Mrs. Shortliffe.

The program consisted of readings, poems and a favorite hymn, each member contributing to this. Following the program a special offering was taken when over \$8.00 was realized for "Churches For New Communities" fund. The June meeting will be held at the home of Mrs. Ralph McNeill. During the social hour the hostess served delicious refreshments. She was assisted in serving by Mrs. Winchester.

## Sure to please!

Easy to make... and sure to please the fustiest appetite! You'll make them often... these light tender buns with a delicate orange flavor. For finest results when you bake at home, always depend on Fleischmann's Active Dry Yeast!

### Orange Blossom Buns

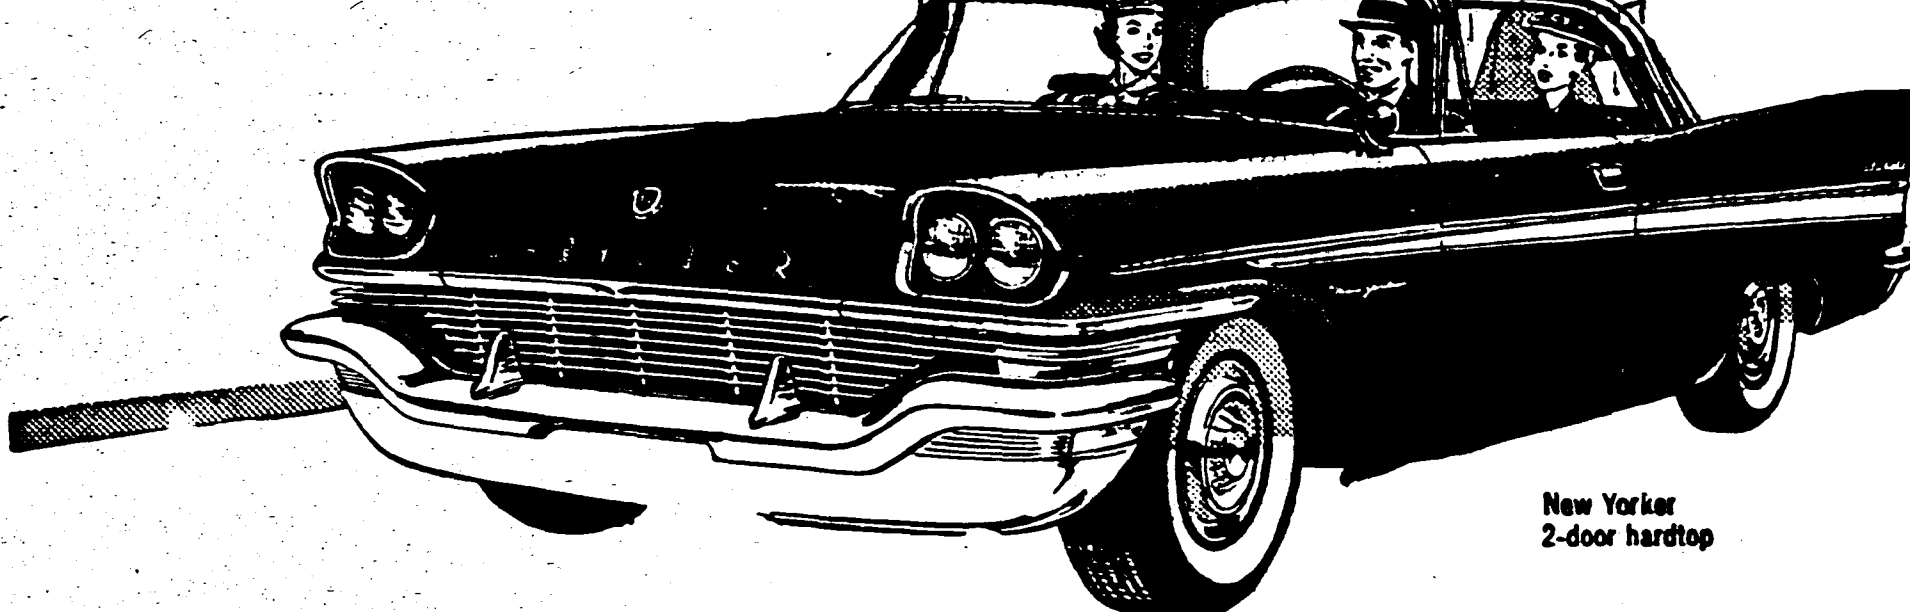

1. Scald 1/2 cup milk	Sift together and stir in 2 cups once-sifted all-purpose flour
Stir in 1/2 cup granulated sugar	1/2 teaspoon ground mace and beat until smooth and elastic.
1 1/2 teaspoons salt	Work in an additional 2 cups (about) once-sifted all-purpose flour
1/2 cup shortening	
Cool to lukewarm.	
2. Meantime, measure into bowl 1/2 cup lukewarm water	
Stir in 2 teaspoons granulated sugar	
Sprinkle with contents of 2 envelopes Fleischmann's Active Dry Yeast	
Let stand 10 minutes, THEN stir well.	
Stir in lukewarm milk mixture and 2 well-beaten eggs	
1 tablespoon grated orange rind	

16 cubes of sugar one at a time, into a little orange juice and press a cube into top of each bun. Bake in a moderately hot oven, 375°, about 25 minutes. Yield—16 buns.

## Look how beautiful the height of fashion is this year!

Spacious... gracious... advanced in every respect... and right at the zenith of fashion—that's the magnificent new Chrysler!

At the club... the golf links... the festive house parties... and all the other gay places this year, it's Chrysler the crowd is admiring and talking about.

For nothing quite like this slim, graceful, fashion-plate beauty has ever glided in beneath the smart porticos before. Nothing so tastefully styled. So luxuriously appointed. So smooth and powerful in action.

There's the superb Chrysler New Yorker with its splendid length... and its great 325-h.p. V-8 with 4-barrel carburetion. And there's the wonderful Windsor with its clean,

lovely lines and the exciting performance of up to 295 horsepower under the hood.

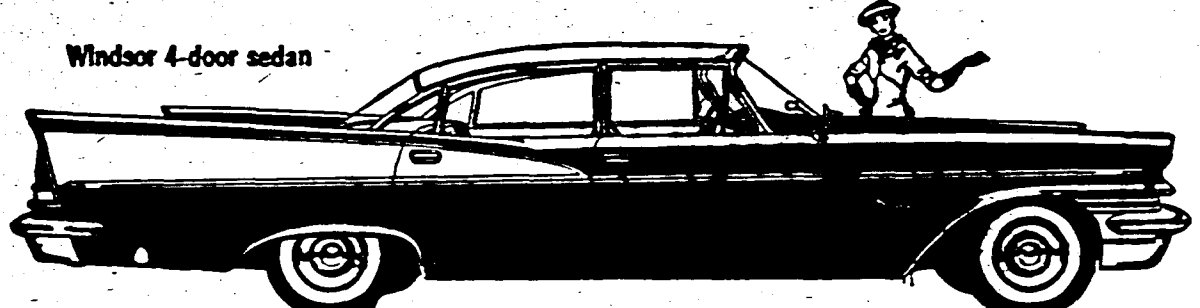

All Chryslers have the extraordinary convenience and flashing responsiveness of push-button Torque-Flite automatic drive. All have the new Torsion-Aire Suspension system that gives Chrysler its remarkable sports-car handling characteristics, as well as the smoothest ride on wheels. All have the roominess, comfort and safety Chrysler is famous for.

It's your kind of car, this long, low and luxurious Chrysler of 1957. And its cost is less than you may imagine. So let us demonstrate one to you soon. Just telephone. We'll bring a Chrysler to your door for the most revealing demonstration drive you've ever experienced.

# CHRYSLER

What a Chrysler ride will show you... Try one soon. See how it feels to command up to 325 h.p. with push-button ease... skim over bumps as though they weren't here... make tight turns without leaning and quick stops without "nose-diving". It's really an eye-opening experience. One you shouldn't miss!

Letter To The Editor

2 May, 1957

Editor,  
Digby Courier,  
Digby, N. S.

Sir,

Would you be so kind as to devote space to this plea and consider running an editorial designed to bring about Legislation by our Federal Government which could greatly improve our lot as "the poor sister of Canada".

I refer to the all important matter of tourist attraction through our sport fishing, one of the very few assets of this Province today.

It is inconceivable that in the next fifty years, at least, we will be regarded as other than a tourist attraction. What appeals to these tourists, principally from U. S. A.? Fishing, hunting and scenery. What have we today to offer these people?

A bunch of the finest salmon and trout streams in North America being ruined by edicts from Ottawa and so called "experts" from the Federal Department of Fisheries.

One has only to talk with our older, experienced residents to observe at first hand — if he has any experience in the art of fishing — to see what the Minister of Fisheries and his employees have done to Nova Scotia.

Several years ago the Federal Government erected fishways in the Tusket River, against the protests of local residents, which proved to be almost totally inadequate to allow the salmon to reach their natural and original spawning grounds.

About three years ago this same Minister and his cohorts allowed a rich and powerful power company to make installations on the famous salmon stream, the Nictaux River, without installing any fishway whatsoever.

This, despite the fact that it is definitely laid down in the statutes of Canada that no stream frequented by game fish, one of the many tourist attractions, may be obstructed (with a power dam or any other impediment) to the normal coursing of the fish to their natural spawning area.

The subscriber can remember that many years ago we were honored and benefited by the visit each Spring of prominent and wealthy sportsmen from the U. S. A. to fish salmon in our Valley streams and later in the season the Margaree and other important rivers. What of the situation today? In regard to the Valley, the famous Nictaux is shut off to the migrat-

ion of salmon approximately 20 miles below their natural spawning grounds. A power dam has been placed across this stream and what salmon do not die in low, warm water are stripped of eggs, which, in great numbers, die in artificial incubation.

If it is true as reported, the Government has added insult to injury by shipping any of these salvaged eggs to New Brunswick.

To show how unwise and foolhardy our destruction of salmon by Ottawa has been I would refer to the treatment of this subject by our sister Province, Newfoundland. Over there, even in days of great depression, costly but adequate fishways were installed to preserve this wonderful game fish so all important to the tourist industry, the sportsmen, and the province as a whole.

Today, many Maritimers, not to mention hordes of Americans, are visiting Newfoundland to fish for salmon and, while enjoying a wonderful vacation, leave large amounts of money in that thoughtful, planning Province.

May the Lord protect them now from the depredations of Ottawa and somehow allow their fisheries to still come under the influence of earnest thinking people in Great Britain.

You, Sir, regularly have much to write about the issues of the day but how little, if anything, you have contributed to this subject.

A Petition to the Minister of Fisheries, the Hon. James Sinclair, at Ottawa, has been distributed among 30 Secretaries of local Fish and Game Societies throughout the Province asking the Minister to repair inadequate fishways, to place fishways in those rivers which are now obstructed and to bring about proper policing of all streams by reputable and honest wardens.

It would be most helpful if, at this particular time, all sympathetic readers would write the Minister to support this cause.

Doubtless, any opinions by your good self would be very helpful indeed.

Yours very truly,  
**Gordon W. Baker.**

**MARRIAGE**

Garnum — Wallis

A wedding of interest to many in Nova Scotia and New Brunswick took place at Mount Allison University Chapel on Saturday afternoon when Janet Louise Wallis, daughter of Mrs. J. MacNaughton Wallis and the late Mr. Wallis, Digby, was united in marriage to Daniel Graham Garnum, son of Mr. and Mrs. Brenton Garnum, Truro, N. S.

The double-ring ceremony was performed by Dr. W. T. Ross Flemington, president of the university.

The bride, given in marriage by Robert Dewar, Saint George, N.B., looked lovely in a white ballerina length dress of lace over satin, designed along princess lines with a soft and graceful fullness in the skirt. Her headpiece was a matching bandeau and she carried a white prayer book.

Miss Ruth Wallis, as bridesmaid for her sister, wore a blue corded taffeta dress styled with

a full ballerina length skirt and tight bodice. She wore a pleated matching bandeau and carried a nosegay of tiny roses in varied dark and pale pink interspersed with baby's breath.

Supporting the groom was Keith Chappell, of Amherst, and John Burrill, also of Amherst, acted as usher.

Miss Shirley Bruhm, Liverpool, presiding at the chapel organ, rendered the nuptial music.

The bride's mother was attended in a beige duster style dress with pink accessories and corsage. The groom's mother also used pink accessories with a dark fitted suit and wore a corsage of pink and white roses and carnations.

Following the ceremony, a reception for the immediate members of the family and a few college friends of the bride and groom was held at Fort Cumberland Hotel in Amherst. Dr. Flemington proposed the toast to the bride which was responded to by the groom.

Both the bride and groom attended Mount Allison University and the groom was among the 1957 graduates in Bachelor of Arts. They will reside at 126 University Avenue, Halifax, where the groom will continue his studies in medicine at Dalhousie University in the fall.

## Observe 40th Anniversary

On Friday evening, May 3rd, Mr. and Mrs. Fred Amaro, of Barton, celebrated their 40th wedding anniversary.

A very enjoyable evening was spent with cards and other games being played. There were forty-two present for the event.

The happy couple received lovely gifts, one being an electric clock from friends in the community.

Refreshments were served by the hostess, assisted by relatives and friends.

At the close of the evening congratulations and wishes for many more years of happiness were extended, followed by the singing of "For They Are Jolly Good Fellows".

## Letters to The Editor

Digby, N. S.  
May 20, 1957.

Editor,  
Digby Courier.  
Dear Editor:

Too many persons do not seem to realize certain facts that I think should be pointed out at this time.

It has been proven by authoritative calculation in several States of the U.S.A. that one of the worst and most unprofitable ways for people to try to help finance their economy, is by profits or taxes derived from sales by the liquor traffic.

The above factual statement of course means that when any business such as a catering establishment or transportation service must depend on liquor profits to keep it operating, it then operates at the expense of the people as a whole, and no longer serves a true need or good purpose for any society or community.

Historical accounts have clearly and definitely shown that any community or nation that has permitted or encouraged the expansion of the liquor traffic, has been progressively hindered in the management of its affairs, and where the traffic has been given enough freedom, it has brought about a tragic state for the people concerned. Surely, great responsibility rests upon the governments, leaders, publishers, and educators of any people, to make known the false economy of the liquor traffic.

Results have shown by factual records, that where law against the liquor traffic is diminished or enforcement of the law grown more lax, more vice and sin is committed, and crime increases accordingly. Also, let us heed the true words of one writer who pointed out by saying, "Each concession to the liquor traffic brings another demand by it."

Strange as it may seem to some people, according to accepted standards there are communities and countries throughout the world that appear to have little drunkenness but actually have a comparatively high percentage of alcoholism. France has little apparent drunkenness, according to some people who have been there, but according to official records, France has the highest rate of alcoholism in the world. Canada's record shows that British Columbia leads the nation in rate of alcoholism, Ontario next, and Quebec third.

One article in Collier's magazine dated March 18, 1956, was headed "The Sorry State of Nevada." The article told that Nevada, through deliberately planned a minimum of laws and restrictions against the liquor traffic, gambling, etc., now appears to have the barest minimum of freedom from disease, freedom from crime, freedom from poverty, and freedom from fear. Welfare provisions for the destitute are at a minimum in this State. There are three times as many suicides as the national average, a higher infant mortality rate and a higher rate of death from tuberculosis. The general crime record is the highest of any State.

Official records show that liquor consumption increases with increased liquor outlets, resulting in more alcoholism, which condition can go on to saturation point. Greater liquor consumption means greater alcohol created expense to the people of Nova Scotia. There is now an annual direct loss in cash to the people of Digby and area between Annapolis and Weymouth, to the extent of the best part of a million dollars through liquor consumption in that area. The aftermath of this is incalculable.

Now there is need in the Maritime Provinces for a sanatorium to provide care and treatment for alcoholics, and to rehabilitate where possible. I believe the cost and operation of such a sanatorium should be (Please turn to page 8)

## Church to Celebrate 99th Anniversary

Members and friends of the congregation of the Barton and Brighton United Church are looking forward to the celebration of the 99th anniversary of the opening of the present church. This is to be held on Sunday, May 26th. In the afternoon the choir of the Digby United Church will be present and the service will be conducted by the minister, Rev. William Armitage. In the evening a choir from HMCS Cornwallis will provide the music and the special speaker will be Padre W. B. Taylor, Protestant Chaplain from the base.

The congregation itself is much older than 99 years, the first Methodist services being held from 1837 in various homes in the village, among the first being Freeman Treffy, William Bent, Major Durland and their families. As the numbers grew, the erection of a church became a necessity and a small building was erected on the north side of the Bay Road, opposite the home of Freeman Treffy. This soon became inadequate as the numbers grew, and in September, 1857, a lot was purchased from Nathan Seeley for the sum of £25 and the next year the new church was opened, the pulpit being supplied by the minister stationed at Digby, Rev. James Taylor.

Originally the church was plain and utilitarian, but with ample accommodation. In 1895 extensive alterations were made to meet the "modern" requirements of organ and choir, and to make provision for the installation of a bell. A chancel was added, together with a belfry and a spire, but it was not until 1911 that the worshippers were called to church by the sound of a bell, and this bell was the gift of a minister who was born and brought up in the community, Rev. J. S. MacNeill, who has only recently passed on.

Owing to the practice of the Methodist Church of changing its ministers every year at the beginning, the church has seen thirty-three ministers come and go, and in addition three lay ministers. As all along the Bay, the present congregation is small, but the few are exceedingly faithful, and they look forward with eager anticipation to the celebration of their anniversary, extending an invitation to all to come and share the day with them.

## Fashion Show To Be Presented

The Home Economics Department of the Digby Regional High will present its annual Fashion Show in the school auditorium on Friday, May 31st, at eight o'clock.

Patricia Potter will be the commentator while the girls model the blouses, skirts, dresses and suits which they have made during the school year. Bonnie Wright will provide piano accompaniment.

Several variety numbers will be presented during the evening and the Grade VII and VIII sewing projects will be on display in the new Home Economics department following the show. It is of interest to note that D.R.H.S. has won the Western Valley Home Economics trophy for the third consecutive year. This award is presented annually to the department receiving the greatest number of points when garments and notebooks are judged at the spring meeting of the Student's Congress.

## Announce Education Appointments

Included among educational appointments recently announced by Education Minister Hon. R. L. Stanfield is that of a former teacher at the Digby Regional High School to the post of Supervisor of Rural Schools for Kings County.

Appointed to that post was Willis M. Hall, of Springhill, who was on the staff of DRHS from 1948 to 1952. He left Digby in 1952 and since that time has been Principal of Schools at Fairview and Supervisor of Schools for Halifax County.

Born in Springhill, he was educated in Parrsboro and then graduated from Acadia University with the degrees of Bachelor of Science in 1944 and Master of Science, specializing in Chemistry, in 1945. From the same university he received the degree of Bachelor of Education in 1948.

Throughout his teaching career Mr. Hall has been active in the work of the Home and School Federation and the Nova Scotia Teachers' Union.

He is a past president of the Digby Local of the Nova Scotia Teachers' Union and was Chairman of the Research Committee of the NSTU for three years, during which time the committee conducted a well-known survey on the teaching of arithmetic in the schools of the province.

## Clementsvalle Man Gets Twenty Years

George Watson Potter, 40-year old Clementsvalle lumberman, has been sentenced to 20 years in Dorchester Penitentiary following his conviction on charges of manslaughter.

Potter had been originally charged with murder of his wife, Meredith, aged thirty-five. A jury found the man guilty of the reduced charge. Mr. Justice J. H. MacQuarrie presided over the term of the Supreme Court at Annapolis where the trial of Potter was held and sentenced him at the closing session of the court.

Mrs. Potter was found shot to death outside her home in Clementsvalle on December 24. Potter was found severely wounded lying in a pool of blood inside his home nearby. After treatment at the Digby General Hospital he was rushed to hospital in Halifax.

While in hospital at Halifax Potter was informed of his wife's death and charged with her murder. They had been married for fifteen years.

Potter was defended at his trial in Annapolis by M. S. Leonard, MLA, Digby.

## Plan Summer Activities

The Digby Golf Club held their first meeting of the year last Thursday to plan the summer's activities.

It is anticipated the Pines Hotel Golf Course will open June 10th and at that time the club will go into action.

Dr. P. C. Outhouse was named at the meeting as chairman of the membership committee and K. V. Young was named as representative of the Digby Golf Club on the Nova Scotia Golf Association.

It is expected a number of new members will be enrolled in the Digby Club this season and the outlook for a good season for the club is bright.

## Sponsor Work Shop

A Vacation School Work Shop will be held in the Smith's Cove Baptist Church on the afternoon and evening of Friday, May 31. The work shop is sponsored by the Maritime Religious Education Council and will be directed by Rev. Frank Miller.

A meeting to formulate plans for the day was held at the United Church parsonage, Digby, on Wednesday and it was found in general that the work shop had received the support of the ministers and church workers of the district.

## East Ferry Man Drowns

Tragedy struck the fishing community of East Ferry early Monday morning when Keith Theriault, popular young fisherman of the community, was drowned while getting his dragger ready for fishing.

Although details regarding the tragedy are scarce, it is understood the accident occurred shortly after midnight as Keith Theriault and his partner, Walter Theriault, were starting out with their fish dragger on the flood tide.

Shortly after they had left the mooring in Petite Passage an explosion occurred and within moments the boat was a mass of flames. The two men went overboard and took refuge on a hatch combing.

Their shouts for help were heard in Tiverton, it is understood, and fishing boats put out to help them. Keith, however, attempted to swim and was caught in the fierce eddy and drowned. Walter was saved by fishing boats from Tiverton.

The victim of the tragedy, in his early twenties, is survived by his father, Oscar Theriault; a sister, Myra (Mrs. Robert King), Digby, and by two brothers, Llewellyn and George.

## Visiting Choir At Little River Church

Special music was rendered at Little River Baptist Church Sunday night when the choir of Grace United Church, Digby, made a return visit to the church. The Little River men's choir had visited Grace United nearly a year ago. The special numbers on Sunday night were anthems, "Great and Marvelous" by Peery, and "Break Forth Into Joy" by Caleb Simpson, with Mrs. J. M. Wallis taking the solo part. A three-part women's chorus, the Old Crusader's Hymn, "Beautiful Salvation" was sung and the anthem, "Whispering Hope," arranged by Alice Hawthorne, was rendered featuring a duet by Mrs. Gerald Wilson and Dr. D. G. Black.

## Bible Society Elects Slate

Lieut. Clarence Bradley was elected president of the Digby branch of the British and Foreign Bible Society at the annual meeting at Trinity Parish vestry.

Other officers elected were: A. E. Dickson, Vice-President; J. Oakley Turnbull, secretary-treasurer.

The treasurer's report showed that the sum of \$536.38 was collected during 1956.

An interesting report on the convention in Truro was given by Vincent G. Snow.

## Meteghan Blasts Weymouth 14-8

In the first game of the season for both clubs Meteghan Shipbuilders crushed Weymouth Monarchs 14-8 behind fine pitching by Hubert Comeau, and 9 errors contributed by the opposition.

Neither club showed much polish on defence, but the Monarchs seemed to err with men on base. Comeau fanned 13 men, allowing but 8 hits. Hubert Soucie tossed a nine hitter for Weymouth, but hurt himself considerably with 8 walks.

Harvey Gaudet led the Meteghan offensive with 3 hits in 5 trips, while Mac Smith lined a homer for Weymouth with Winston Brooks on first base.

Ray Thimot called balls and strikes, while Doug Brooks worked the bases.

Lineups were as follows: Meteghan: Maillet, cf; Theriault, c; F. Comeau, ss; Gaudet, 2b; Robicheau, 3b; Melanson, 1f; E. Comeau, 1b; A. Comeau, rf; H. Comeau, p.

Weymouth: Winston Brooks, rf; Victor LeBlanc, cf; Mac Smith, 3b; Arthur Stewart, c; Leo Belliveau, ss; Desl Belliveau, 2b; Hubert Soucie, p; Steele, lf; Blinn, 1b; Theriault, 1f; Wagner, rf.

## Digby Woman Heads Presbyterian

Mrs. J. M. Wallis, Digby, was elected president of the Annapolis Presbyterian of the United Church of Canada at a meeting held at Kingston, N. S. Mrs. Wallis succeeds Mrs. J. A. Ruffee, Granville Ferry, who was president for the past four years. Thanks was extended to Mrs. Ruffee for her excellent services by Mrs. Robert Parker, Wilmot, and also to Mrs. Fred Bath, Middleton, who had been corresponding secretary for several years.

Other officers elected were: vice presidents, Mrs. G. W. Hawkins, Kingston, Mrs. Ernest Myers, Middleton and Mrs. Harry Foote, Woodville; recording secretary, Mrs. Walter Milo, Granville Ferry; corresponding secretary, Mrs. C. H. Gough, Annapolis Royal; treasurer, Mrs. Elton Arnold, Digby; Christian Stewardship secretary, Mrs. H. S. Bird, Kingston; secretary of Mission Circles and C.G.I.T., Mrs. Prescott Burrill, Aylesford; Mission Band, Mrs. Harold Murray, Berwick; Explorers, Mrs. M. G. Spicer, Berwick; Associate Members, Mrs. William Morine, Bear River; Supply secretary, Mrs. L. L. Hutchinson, Bridgetown; Community Friendship, Mrs. Robert Parker, Cambridge Station; Literature, Mrs. James Brooks, Digby; Missionary Monthly, Mrs. Frank Seward, Berwick; Citizenship, Mrs. Garnet Palmer, Melvern Square; Press, Mrs. J. M. Wallis, Digby; Candidate secretary, Mrs. J. A. Ruffee, Granville Ferry.

The meetings opened at 10:30 a.m. with Holy Communion administered by Rev. E. C. Sturge, pastor of the church, assisted by Rev. James Brooks, Digby, and A. W. Leslie, Wilmot.

Mrs. G. W. Hawkins extended the welcome to the delegates, which was responded to by Mrs. Leonard Ruffee, Annapolis Royal. The dedicatory prayer was given by Mrs. Percy Appleby, Middleton.

Excellent reports were heard from each departmental secretary. The treasurer, Mrs. Arnold, reported that the allocation had been exceeded to the amount of \$125.61 which amount was given towards home and overseas scholarships. Mrs. Bath reported a total membership of 309. Mrs. Brooks said a total of 1242 books had been read by the members in 1956 and that the Bear River society, reading an average of 10 books per member, had won the literature award. Mrs. Brooks also outlined tentative plans for a Presbyterian library.

A luncheon was served by the ladies of Kingston church, when Rev. G. A. D. Elliott brought greetings from the Presbytery.

The afternoon service opened with a memorial service conducted by Mrs. Harold Willett, Bridgetown, assisted by Mrs. Ruffee.

Miss Mary Jost, Bridgetown, installed the officers after which Rev. James Brooks introduced the guest speaker, Dr. John Corston, professor of New Testament studies at Pine Hill Divinity Hall. Dr. Corston took as his subject, the theme for the meeting, "Christ in Faith and Witness." He said "God is a missionary God and in Him we discover the meaning of our task." He said we must not think of missions in terms of statistics but must be always mindful of the personal element and think of people as persons who have needs which need to be met. We must be personal in our missionary thinking and in our missionary work in the home, business, factory or on the farm. To be a missionary the speaker said is to be like unto God, to think God's thoughts, be possessed of His mind, His will, His creative and redeeming love and power. Dr. Corston was thanked by Mrs. Robert Parker.

Mrs. Ernest Myers, Middleton, sang "I Shall Not Pass Again This Way." She was accompanied by Mrs. A. C. Tingley, also of Middleton.

## Enjoys Gardening

Mrs. Frank Hazelton was a visitor last week of her brother, W. H. Cossaboom, Port Maitland. Mrs. Hazelton reports her brother of 81 years to be in good health and particularly interested in gardening. His garden shows peas, lettuce and radish already through the ground and growing well. Just recently Mr. Cossaboom set out 900 strawberry plants and also planted 9,000 hills of potatoes. The interesting thing about his planting at the age of 81 is that he does it all alone and by using only the small hand tools.

## H. & S. County Council Meets at Freeport

A panel discussion on the subject, "Do we need a dual program in our educational system — a general and an academic course?" featured the annual meeting of the Digby County Council of Home and School Associations at Freeport. More than sixty representatives of Home and School Associations attended the sessions.

Taking part in the panel discussion were Mrs. J. M. Wallis, Phillip Woolaver, Mrs. Eva Wendell and H. E. Nelson. Robert Swim acted as chairman.

Opening the discussion Mr. Woolaver stated he was opposed to an entirely academic course and was also opposed to a course totally divided. He said pupils have to be challenged and felt there should be more emphasis on the academic side of education.

Mrs. Wendell, a teacher at the Digby Regional High School, said there was a need to fit the curriculum to varying abilities, aptitudes and needs of the pupils. She said consideration should be given to parental influence, the child's own drive and interests and the family's plans in arrangement of courses. She stated she favoured two courses, one academic for those students whose bent was in that direction, and a general course for those for whom university was not the next step.

Mr. H. E. Nelson of the Greenwood School explained the English solution to the problem. There, he said, there was a bifurcated curriculum with children divided at the age of eleven years on a basis of exams and tests. Such a system, he said, had certain drawbacks but in the main its advantages far outweighed these. Entirely separate schools are provided, he said, and experience has shown that the academic or superior schools are attracting better teachers.

The result of such a school system, Mr. Nelson said, was to build a class society based on intelligence.

Mrs. J. M. Wallis stated there were many problems posed by a double course of study. If such a program were followed there was great need for careful guidance so that youngsters would not get into the wrong area. There was also a need, she said, to acquaint fully the parents of the merits of such a plan. In small schools time-table difficulties would create problems of administration, she said. Although there was some feeling the general course might become but a pale shadow of the academic, this would not happen if such a course were properly planned and care given in selecting pupils whose aptitudes their need of such a course.

At a recess period following the panel discussion delegates attended an art exhibit of art work done by school pupils and adults in the three island communities of Tiverton, Freeport and Westport. Included in the exhibit were splendid examples of free-hand drawing, water and oil colours.

Guest speaker at the evening session was Victor Cardoza of Digby. Taking as his subject the history of Digby County, Mr. Cardoza delivered a most interesting address. He stated Freeport, the site of the Council meeting, had played an important part in the history of the county. Champlain when he came to Port Royal in 1604 had written in his journal a descriptive account of Long Island. In 1783 when Admiral Digby brought the Loyalist settlers to Digby County, Nathaniel Bates, who was then living at Freeport, had piloted the flotilla up the Bay of Fundy into harbour at Digby.

During the evening's program two duets were presented by Mrs. Evelyn Crocker and Mrs. Norman Perry. They were accompanied at the piano by Mrs. Malcolm Dakin.

At the close of the day's program Rev. George E. Sharpe, of Westport, was elected President of the County Council. He succeeds Albert Jones, of Weymouth. Other officers elected include Victor Cardoza, 1st Vice-Pres.; Mrs. William Melanson, 2nd Vice-Pres.; Mrs. Charles MacDormand, 3rd Vice-Pres.; Chester Outhouse, 4th Vice-Pres.; Mrs. Theodore Morrell, Secretary, and Mrs. Ernest Powell, Treasurer.

Committee conveners elected were Mrs. Lloyd Derby, Health; Everett Pugh, Audio and Visual Education; Mrs. Egbert Crocker and Mrs. Sydney Hooper, Music and Art; Mrs. Herbert Cossaboom, Home and School Magazine; Mrs. T. Edwin Outhouse, Founders' Day.

Additional members of the executive elected at the meeting include Mrs. Leonard Dakin, Mrs. Llewellyn Thomas and Mrs. Warren MacIntyre.

The delegates were guests at a delicious lobster chowder supper provided through the auspices of the Freeport Association.

## Former Westport Man Master Of "Esso Reading"

After twenty years service with the Esso Company, Mr. Eldridge J. O'Connell, son of Mr. and Mrs. George O'Connell, of Westport, returned to sea as Master of the Esso Reading. He went to sea at the age of sixteen, sailing in cargo schooners in Nova Scotia. In 1922 he shipped in vessels of the Fall River Line. Later he spent a few years as fireman in the U.S.S. Ossipie, U.S.S. Beale, U.S.S. Fanning and U.S.S. Downs. He then served a few months in Boston at the Hood Rubber Company and then was in the Field Artillery of the Massachusetts National Guard.

Later, going back to sea, he was quartermaster in the Lckembach S.S. Co., bos'n in the Panama Lines and third mate in the Atlantic Refining Co.'s W. M. Irish. In 1956 Mr. O'Connell signed on the G. Harrison Smith as able seaman and later became second mate on the Esso Boston. While on the Esso Bolivar he was standing watch in 1942 when a submarine shelled the tanker. During his attempt to outrun the U-boat the tanker received several direct hits which started fires and she was abandoned off the coast of Cuba. After a party of officers and seamen returned to the vessel and made repairs and returned her to port.

Mr. O'Connell was then Chief Mate on trans-Atlantic voyages. He was in the Caribbean, Gulf and Atlantic coastal waters. In 1947 he attended the Navy Fire Fighters' School at Rockefeller Centre. He has taken special courses in navigation, commercial banking and attended gunnery school. He was relieving Master aboard seven different Esso boats.

Born at Westport, Mr. O'Connell is a U.S. citizen and resides on Staten Island with his wife and son, who is in college. His hobby is making model tankers.

Mrs. Leonard Garron, Westport, is a sister of Mr. O'Connell.

## H. & S. President Re-elected

Mr. Baden Powell of Plympton was re-elected for his third term as President of the Digby Area Home and School Association at the closing meeting for the season here last night.

Other officers elected include Rev. James Brooks, Vice-President; Mrs. Smith Harding, Secretary and Mrs. Eva Wendell, Treasurer.

Committee Conveners elected at the meeting are Mrs. Bernard Denton, Little River, Entertainment; Mrs. Keith Potter, Plympton, Membership; Mrs. J. Vian Andrews, North Range, Founders' Day; Victor Cardoza, Digby, Publicity; Baden Powell, Program.

In his presidential address Mr. Powell stated he regretted it had not been possible to hold as many general meetings of the association during the past year as had been hoped. A number of circumstances intervened, he said, to force cancellation of several of the meetings.

Directors' meetings had been held at regular intervals throughout the year, he said, and these had proven very successful. He urged all sections included in the consolidated area served by the schools in Digby to make sure they elected Directors to represent their district on the Home and School Association.

Mr. Powell, stated it was his hope that a regular schedule of general meetings could be arranged for next year and said a meeting of the directors would be called at the opening of school term to arrange this.

## Legion Entertains

Digby Branch No. 20, Canadian Legion were hosts to some thirty Chiefs and Petty Officers from HMCS Cornwallis Thursday evening.

The evening was spent playing darts and cards, after which a delicious lunch of spaghetti and meat sauce and side tables of hors d'oeuvres was served by Charles Hall and Arthur Everett.

## Roy Snell Again H. ds P.C's

Roy Snell, of Bear River, was re-elected President of the Progressive Conservative Association at the annual meeting of the association held in the Firemen's hall here. Dr. G. V. Turnbull was also re-elected as Vice President of the Association.

Sec. Williams was elected Secretary-Treasurer. He succeeds Robert L. Taylor, former Secretary-Treasurer of the association.

Members of the executive elected at the meeting are Fred Amaro and B. F. Webber, Digby; Stanley Sabine, Hillsburgh; Cecil Jones, Smith's Cove; Lloyd Jefferson, Fred Height, Mar-shalltown; Jack Gillespie, Barton; Donald J. Amaro, Plympton; Malcolm Cosman, Weymouth North; Camille Muise, Weymouth; Elmer Jarvis, Weymouth Falls; Reid Melanson, Doucetteville; Edward Ross, Leander Handspiker, Culloden; Sidney Westcott, Rossway; Keith Raymond, Centreville; George Merritt, Sandy Cove; Frank Stanton, Little River; Eugene Outhouse, Tiverton; Sydney Hoopes, Freeport; Wilfred Swift, Westport. Dr. G. V. Turnbull was named to head the Finance Committee.

Speaker for the meeting, which was attended by representatives from most of the polling districts in the Municipality, was M. S. Leonard, MLA. In his address Mr. Leonard dealt with a number of provincial matters.

## Wildlife Story In Pictures

More than two hundred attended the first Audubon Screen Tour, held at the Digby Regional High School here last night. Under the auspices of the Nova Scotia Museum of Science, the screen tour was sponsored locally by the Digby Area Home & School Association.

Emerson Scott of Carq, Michigan, noted naturalist, conservationist and wildlife photographer, was lecturer and the beautiful coloured films shown, which were taken by Mr. Scott, were of wildlife and national parks in Colorado. The film showing was entitled "Rocky Mountain Rambles" and was accompanied by a splendid commentary by Mr. Scott.

Baden Powell, president of the Digby Area Home & School Association, acted as chairman for the evening's program. Mr. Lockhart of the Nova Scotia Museum of Science, spoke briefly concerning the museum in Halifax which he said had recently secured the first public planetarium in Canada. He invited the audience to visit the museum while in Halifax.

Mr. Scott was introduced to the audience by Victor Cardoza and the thanks of the meeting for his film showing and lecture were expressed by Mrs. J. M. Wallis.

## D. F. D. ACTIVITIES

Bingo committee tonight is Buddy Barr and Arthur Everett.

Due to the delay in receiving entries in the Poster Contest in connection with the Clean-up Campaign announcement of the winners is delayed until the judging can be completed. It was intended to make the announcement today, however, this is delayed for one week and the announcement will be made Thursday, May 30, in the Courier. Entries were to be in the hands of the judges May 16th and judging was done on that day, however, it was learned that all entries were not in and rather than disappoint those who may have had entries in those grades, postponement was decided until all entries could be judged.

A group of Boy Scouts and Firemen will be out Saturday morning, the 25th, to clean up areas in the town which are in need of same.

There will be an executive meeting at the station Thursday, May 30, at 7:00 p.m.

Salvage Corp meeting, Monday, May 27, 8 p.m. Urgent meeting. All members requested to attend.

## POLICEMAN'S LIFE A FRUSTRATING ONE

Policemen everywhere seem to "get it" from all sides. Latest summing up, published in the "Police National Review" is attributed to a "Police Officer's Wife" and just about covers the situation.

"If he's neat, he's conceited."  
"If he's careless, he's a bum."  
"If he's pleasant, he's a flirt."  
"If he's brief, he's a grouch."  
"If he hurries, he over looks things."  
"If he takes his time, he's lazy."  
"If you get pinched, he's had it in for you."  
"If he passes you up, he's being lax in his duty."  
"If he's deliberate, he's too slow to catch a cold."  
"If you strike him, he's a coward."  
"If he strikes you back, he's a bully."  
"If he outwits you, he's a sneak."  
"If you see him first, he's a bonehead."  
"If he makes a good catch, he's lucky."  
"If he misses it, he's a simp."  
"If he gets promoted, he's got pull."  
"If he's energetic, he's trying to make a record."  
"If he isn't . . . aw, what's the use?"

## THE FISHERMEN OF THE BAY OF FUNDY COAST

While I'm sitting here alone With nothing else to do, I'll take the time To write a verse or two.

We hear about the miner, And the farmer and his soil, But nothing of the fisherman Who's life is filled with toil.

As my thoughts go back to my home port, For I remember well, Of the days I spent in the fishing boat Would take me years to tell.

I started out when just a boy To fish with my old Dad, Times were hard, the going rough, We worked for what we had.

There were eleven in the family, And eleven eat a lot, So it took every cent we made And what few fish we caught.

It was early in the morning, Long before the sun, We were in the Bay of Fundy To try for a good run.

But every day it seemed the same And I remember too, All went for expenses And nothing for the crew.

Then when I got big enough And started on my own, Things will be different then I thought, I wouldn't fish from home.

So Frank Titus and I, we got a boat And rigged her up first rate, Frank was small but full of work, He made a d— good mate.

So we went to the Ferry And joined the fleet down there, We worked hard both day and night And always got our share.

Of course we had our troubles We lost a lot of trawl, Our engine went to pieces And so that took it all.

And when the season ended We found to our regret, That we hadn't paid expenses, That we were still in debt.

And so it goes for the fisherman, He works without a thought, And always seems to brag about All the fish he caught.

But in the end as I well know

## OBITUARIES

**Stewart Small**  
A large number from Tiverton attended the funeral on May 1st of the late Stewart Small at Central Grove.

Service took place at the Baptist Church with Rev. J. W. Derby officiating, assisted by Rev. Frank Smith. Music was furnished by his brother Odd-fellows and a solo "After" by Melbourne Outhouse.

At the close of the service the large number of Oddfellows marched to the cemetery where their very impressive service was held and the hymn "Last Mile of The Way" sung by the Lodge.

The deceased was a member of Disciple Church, Tiverton, was baptized many years ago, and was also a member of Rain-

You work from day to day, And at the end of every year You still have bills to pay.

And when you've worked so hard and find There's nothing left to gain, You then get rheumatism And have to put up with the pain.

Of all the men that go to sea The one's that bear the most Are the boys that fish from Centreville On the Bay of Fundy coast.

But probably some day in their lives When their burdens hard to bear, God will watch over the fisherman And he will get his fair share.

My little poem is ending, I did the best I can, My heart goes out to the boys at sea For I was once a fisherman.

—Written by Wilfred Banks and submitted by Mr. and Mrs. Frank Titus, Centreville.

## Bake a batch of crusty Dinner Rolls

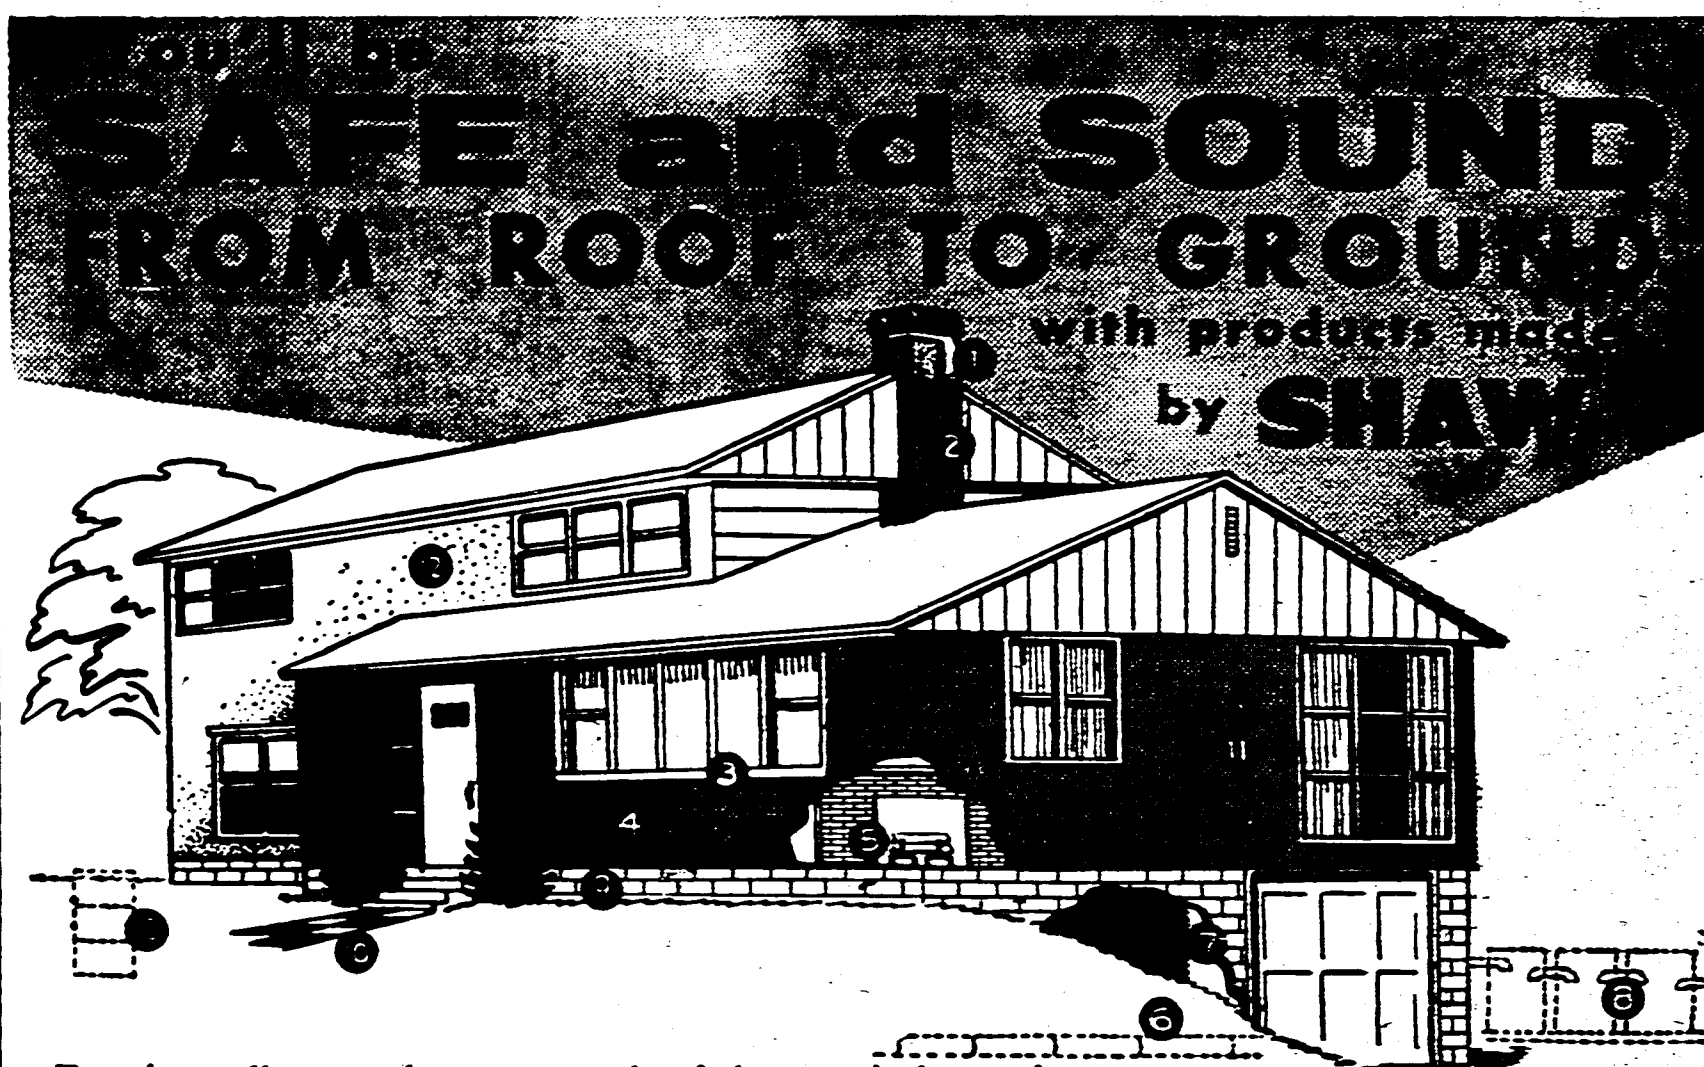

● If you bake at home, you'll want to try a batch of crunchy Dinner Rolls. They're so easy to make when you use fast rising dry Best Yeast!

### CRUSTY DINNER ROLLS

Measure into a large bowl 1/2 c. lukewarm water; crumble and add 1 cake Best Yeast—or stir in 1 tsp. granulated sugar and sprinkle with 1 envelope Best dry Yeast. Let stand 10 minutes, THEN stir well. Add 3/4 c. lukewarm water and 1 tsp. salt. Add, all at once, 3 1/2 c. once-sifted all-purpose flour and work in with the hands; work in 3 tbs. soft shortening. Knead on lightly-floured board until smooth and elastic. Place in greased bowl. Cover with a damp cloth and set in warm place, free from draft. Let rise until doubled in bulk. Punch down dough in bowl, fold over, cover and again let rise until doubled in bulk. Turn out on lightly-floured board and divide into 2 equal portions; shape each

portion into a long roll about 1 1/2" in diameter. Cover with a damp cloth and let rest 15 mins. Using a floured sharp knife, cut dough into 2" lengths and place, well apart, on ungreased cookie sheets. Sprinkle rolls with cornmeal and let rise, uncovered, for 1/2 hour. Brush with cold water and let rise another 1/2 hour. Meanwhile, stand a broad shallow pan of hot water in the oven and preheat oven to hot, 425°. Remove pan of water from oven and bake the rolls in steam-filled oven for 1/2 hour, brushing them with cold water and sprinkling lightly with cornmeal after the first 15 mins., and again brushing them with cold water 2 minutes before removing baked buns from the oven. Yield—18 rolls.

**TO ALL LIFE INSURANCE  
POLICYHOLDERS:**

## IMPORTANT NOTICE

**Retirement Savings Plans Eligible for  
INCOME TAX DEDUCTIONS**

The Income Tax Act (Canada) was recently amended to permit individual taxpayers to deduct from their income, within certain limits, premiums paid for retirement savings plans in 1957 and later years.

The savings portion of either a new or an existing life insurance policy may be qualified as a retirement savings plan. Existing life insurance policies therefore need not be surrendered in order to take advantage of this tax relief.

The possible advantages of the deduction should in each case be considered in relation to the restrictions required by law to be included in a savings plan to make it eligible for the deduction, and in relation to the policyholder's own particular tax circumstances.

Policyholders interested in the new deduction should consult their life insurance underwriters or their companies.

**BUSIEST TRUCKS  
in the business!**

Wherever big jobs are being done, Chevrolet trucks are there, putting their mightier kind of muscle to work. Chevrolets are Canada's busiest trucks by a wide margin . . . because they're the unbeatable champs of every weight class!

Next time you're out, check the trucks you see at work. It won't be long before you get the message . . . truck after truck, from lively pick-up to giant load hauler, is a Chevrolet.

And that's not hard to understand. Because truck buyers who know their

business, know that Chevrolet trucks give more on-the-job hours, more operating economy, more hauling efficiency than any other trucks, bar none. Look at the facts. Engines . . . thrifty 6's or mighty V8's, every great dependable Chevy engine delivers the right horsepower, the usable horsepower for your job . . . gets the most out of every gallon of gas.

Transmissions . . . only Chevrolet has revolutionary new Powermatic that gives you easy, efficient automatic shifting through 6 forward speeds with direct-drive cruising economy. Or take

your pick of Hydra-Matic, Powerglide or Chevrolet's famous synchromesh transmissions.

Styling—Chevy has modern Work Styling that fits the job, gives you more efficient loading, longer life. Handsome Work-Styled cabs bring you panoramic visibility, concealed Safety Steps, High-Level ventilation and other big advantages.

Get the whole impressive story from your Chevrolet dealer right now. Have him show you why no truck can meet your needs half as well as Chevrolet . . . or give you more for your dollar!

At this time we are faced with the question, "DO WE WANT CONTINUED PROSPERITY UNDER A STRONG AND EXPERIENCED GOVERNMENT?" We are faced with a choice between a strong government and a weak government. CANADA NEEDS the sort of strong and confident government that it now has under Louis St. Laurent.

The record of the Liberal Government stands for itself. Since 1953 with 10 elected members, Nova Scotia has shared in the general prosperity. The Liberal Government has been the CHOICE OF THE PEOPLE for the past 22 years.

We in Digby-Annapolis-Kings need a representative who works with the government—not "in opposition". For a continued prosperity and a strong government—

## VOTE LIBERAL

THE ANSWER TO DESTRUCTIVE CRITICISM

Prosperity has been our lot here in Canada, for well over a decade and a half. Contrary to pessimistic opinions of SOME it continues to grow. Stimulated by prosperity Canadian economy has constantly expanded, until today, with a 25% increase in the last four years, the gross national product is about \$ 30 Billions per year.

Under a strong Liberal Administration Canada has grown rapidly, personal income continues to rise and we enjoy much higher standards of living. In fact, Canada, is today one of the wealthiest countries in the world. Canada's dollar the most valued, the most wanted dollar in the world.

## MARRIAGES

**Hillday — Corkum**  
On Saturday evening, April 20th, in the presence of immediate friends and relatives at Hillsburn, Rev. John MacLeod united in marriage Anne Shirley Corkum, youngest daughter of Mr. and Mrs. Oliver Corkum,

Hillsburn, formerly of Maitland Bridge, and Curtis Morland Hillday, son of Mr. and Mrs. Morland Hillday, Hillsburn.  
The bride was given in marriage by her father and was becomingly dressed in a strapless waltz-length gown of net over nylon. She was attended by the groom's sister, Wilma Joan Hillday, who was dressed in blue sheer nylon.

Lawrence Corkum, of Cornwallis, brother of the bride, was best man.  
Following the ceremony a reception was held with some 100 guests present. The happy couple received many beautiful gifts and a sum of money. Miss Carol Robbins, Smith's Cove, was in charge of the guest book.  
Out of town guests were: Lic. Lloyd Leadbeater, who assisted in the marriage, and Mrs. Leadbeater, Wolfville; Lic. Ronald MacLean, Moncton Bible School; Mr. and Mrs. Albert Corkum, New Elm; Mr. and Mrs. Chesley Robbins and family, Smith's Cove; Mr. and Mrs. Russell Venlo, New Elm; Mr. and Mrs. Glenwood Smith, of Bridgewater; Mr. and Mrs. Edward Rowter and family, Maitland Bridge; Mr. and Mrs. Jas. MacNutt, Kentville; Mr. and Mrs. Ernest Halliday, Paradise.  
The bride and groom are residing at Hillsburn.

**Smith — Handsaker**  
A quiet but pretty wedding took place at 7 o'clock on the evening of May 4, at the Baptist Church, Digby, when Rev.

E. C. Churchill united in marriage Barbara Ann Smith, daughter of Mr. and Mrs. Arthur Smith, Halifax, and Jackie Lea Handsaker, son of Mr. and Mrs. Leander Handsaker, Mt. Pleasant.  
Following their marriage at the church a small reception was held at the home of the groom.  
The groom is now stationed at HMCS Cornwallis and the bride will reside at the home of the groom for the present time.

**OLD LANDMARK REMOVED**  
The first Methodist Church in Bear River was built in 1837 on the site where the United Church of Canada now stands. It was built by R. Jack who came from Scotland. It was used until 1859 when it was moved to a piece of land owned by the late Harding Chute (now the home of Mr. Thomas Hood) and made into a dwelling house of two apartments. It was owned by Robert Jack who later sold it to Edward Troop, and sold to Curtis Higgins. It has of late been purchased by Cndr. T. Hood and he has had it torn down by a party to be built into a new bungalow. The house is 120 years old.  
The United Church was built in 1859 and 1860.

Mrs. Gordon Rice received a letter on Friday from her son, Keith Rice, who is in the West Marines and is now stationed in North Carolina where he is taking a course in electrical work.

## Ottawa Legion Officials Begin Conference Tour

Two officials from Legion Headquarters, Ottawa, started a ten day series of conferences in Bridgewater on May 27. The conferences, dealing with Legion service or welfare work, will be attended by representatives of some 120 Legion branches and will be held in ten localities.

The officials are Don M. Thompson, director of the Legion's Service Bureau, and Bert Hamner, service officer, both of Ottawa. Purpose of the meetings is to discuss the latest amendments and the intricacies of veterans' legislation. The service bureau is the department of the Legion which handles pension and allowance claims for veterans and dependants. All of the 120 branches will be represented by a service officer appointed for that purpose.

At the conferences, emphasis will also be placed on the benefits to which veterans and dependants are entitled as Canadian citizens.

During the past year, the Legion's Dominion Service Bureau achieved pensions and allowances for applicants in the amount of \$271,450.

For the first quarter of 1957, awards granted to veterans and dependants in Nova Scotia alone amounted to over \$5,000. These were achieved through Legion representation to the government.

"Over 70 per cent of all our work is for non-Legion members," said Mr. Thompson recently. Mr. Thompson noted that the amount of the Nova Scotian awards was up over the immediate previous years. In 1955, Nova Scotian veterans and dependants got at least \$19,450 as a result of Legion work.

Mr. Hamner's subject is on problems relating to Imperial veterans. The rallies will be held in the following centres: Bridgewater, Kentville, Digby, Clark's Harbour, Halifax, Mulgrave, Baddeck, Glace Bay, Truro and Springhill.

## Addresses Rebekahs

Mr. Eastwood Ives of the Nova Scotia Tuberculosis Association, addressed members of the Zelma Rebekah Lodge here Monday evening in connection with the forthcoming visit of the mobile X-Ray clinic to this area.

Following Mr. Ives' address it was decided by the lodge that they would organize a house-to-house canvass of Digby to line up appointments for the visit of the clinic.

It is understood the X-Ray mobile clinic will be in Digby June 17, 18 and 19. The clinic will then go to Freeport on June 20th and visit various centres on Digby Neck between that date and June 28th, when it will be in Rossway.

Mr. Ives stated a real drive will be made to get as complete a coverage as possible through the mobile clinic and he said it is considered extremely important that elderly people take advantage of the opportunity to secure chest X-Rays.

In his tour of this area in connection with the visit of the mobile X-Ray unit Mr. Ives has addressed groups in Smith's Cove, Bear River, Digby and other centres seeking support of various organizations in the work of mobilizing the general public to attend the clinic.

## No Signature

We wonder if "A Young Mother" has been looking in vain to see her letter printed in The Digby Courier. The reason it has not been printed is because there was no signature.

We explain again that your name does not have to appear in "The Courier", but we cannot and will not print anything, no matter how good, without conforming to our rule of having the writer's signature for our protection.

## TALKS ON PLANS FOR FUNDY FERRY

A joint meeting of the Digby Board of Trade and the Digby Town Council here heard J. C. McQuaig, manager of the Dominion Atlantic Railway, state that the proposed new CPR Bay of Fundy car ferry, if it is built, will use Digby as its Nova Scotia terminus if it is economically sound business to do so.

Mr. McQuaig said that so far, all the rumours about possible Nova Scotia landing places for the proposed new ferry are nothing more than just rumours. A survey has been made, he said, of the possibilities of putting such a car ferry into operation between Nova Scotia and New Brunswick and a number of places on the Annapolis Basin have been surveyed.

A maximum sum of money has been set by the railway, Mr. McQuaig said, within which the cost of the proposed new ferry, its landing docks and other service must come if it is to be good business to go ahead with the project.

One thing that must be kept in mind, Mr. McQuaig said, is that the CPR is a private enterprise and its management is responsible to the shareholders. Decisions made by the management must be economically sound, he said. The proposed ferry, if it is built, he said, will be built to make money.

There is only one place for the Nova Scotia terminus of the proposed new car ferry, he said. That is where it can be located to meet economic and engineering requirements that must be met if the service is to be satisfactorily operated. "We have no brief for any location, he said, it is all a straight question of economics, nothing else."

The operation of the proposed new ferry, Mr. McQuaig said, must be an all year, all tide, operation. The provision of facilities to make this possible will be an elaborate, costly operation, he said. Preliminary meetings on the subject have been held, he said, and plans submitted. A lengthy period of time must elapse, however, before any real decisions are made. He speculated that it might be a year before any decision was made with regard to piers. Over two years would possibly be required to construct a ship for the service, he said.

Mr. McQuaig said it was his own opinion such a service as contemplated in the new car ferry would be a real boon to the overall economy of western Nova Scotia.

Mayor Gordon R. Turnbull, who acted as chairman of the meeting, said the Town Council had been in touch with the situation with regard to a terminus for the car ferry for some time. He said a letter had been received from Mr. Crump, president of the CPR, in which he stated he felt there was no concrete value for the town to take any further action on the matter at this time. He stated Mr. Crump had written that the town would be informed of any developments in the matter.

Commenting on the matter of possible concessions, Mayor Turnbull stated railway property used as such is not assessed by reason of a provincial statute. He said any concessions as to utilities would have to be a matter for the ratepayers.

If the terminus for the proposed new ferry is located at a point beyond the present Digby Pines Hotel, Mayor Turnbull, stated a new road would have to be constructed to serve it. This, he said, would involve a heavy expenditure which, under existing agreement with the province, would be shared with the provincial government. It would also involve replacement of the present Racquette Bridge.

The Mayor said he felt it would be helpful to have an expression from the Trade Board regarding their stand should such an expenditure become necessary.

A three man committee was named by the meeting to work with a committee already appointed by the Town Council. This group will keep in close touch with developments concerning the ferry. Named by the meeting were A. L. Robinson, J. J. Brittain and James Ayer.

A message of regret from Mr. F. E. Bailey, general superintendent of the CPR at Saint John, concerning his inability to attend the meeting was voiced by F. C. Ervin, local CPR agent.

Mr. McQuaig said that so far, all the rumours about possible Nova Scotia landing places for the proposed new ferry are nothing more than just rumours. A survey has been made, he said, of the possibilities of putting such a car ferry into operation between Nova Scotia and New Brunswick and a number of places on the Annapolis Basin have been surveyed.

After some discussion it was decided not to ask to have the work deferred but to seek assurance from the highways department that every effort would be made to make the period when the main highway was closed as short as possible.

## Letters to The Editor

Smith's Cove, N. S., May 27, 1957.

The Editor, The Courier, Dear Madam,— I note a letter, signed Reader, in last week's issue of the Courier in which our local representative was being taken to task over his statements regarding the school situation and the proposed \$200,000.00 school for the Barton district.

We hear a great many people these days asking, "Why is Nova Scotia an also-ran in Canadian affairs?" I suggest that the main reason for this is that in everything we do our judgment is confused by politics. The time has long since arrived when we should forget our political affiliations and try to think straight.

If the Municipality borrows \$200,000.00 at this time they will have to pay between five and six percent for it. About twice as much as it would have been as little as two years ago. The interest alone on this borrowing will be over \$10,000.00 per year and will go on for many, many years. Can we not repair and alter the schools in the area under consideration until such time as interest rates come back to normal and prevent the placing of this additional burden of taxes on the backs of our people?

Taxpayer.

The Editor, Digby Courier.

Dear Madam, In your issue of May 23 there appeared a short article purporting to be a history of the United Church at Brighton-Barton.

Since a member of my family was mentioned in the garbled and inaccurate account I should like to correct the more obvious errors. The writer states that from 1837 until the time a church was built Methodist services were held in various homes in the village, among them being that of Major Durland. No meeting of this sort was ever held in the home of my grandfather, Major Durland. In fact, at that time he would be only five years old. When the present church was built he was not yet married and it was many years later before he came to live in Brighton.

With woeful lack of accuracy the writer goes on to state that the bellfry bell was the gift of a Methodist minister, a "Rev. J. S. MacNeill, who only recently passed on". The donor of the bell has been dead for thirty-three years and was certainly not a Methodist minister.

The chronicles of life in our villages and small towns, while restricted in range, should be regarded as a valuable index to social change, and most carefully kept.

Very truly yours, Norma H. Morehouse.

"Brookwood" Brighton, N. S. 15 May, 1957. (Note: The article referred to in the above letter was contributed).

## Take Poll Of Merchants

An effort has been made this week to poll local merchants with regard to their stand on store closing hours for Digby.

The method used has been the distribution of ballots to be marked by the merchants to show their preference regarding the suggested store closing hours. The ballots are unsigned to keep the vote a secret one. It is understood results of the balloting will be announced at a special meeting of the merchants, scheduled for Friday evening.

At the meeting of the merchants last week only seventeen out of sixty were represented. It was decided at that time to conduct the opinion poll regarding store closing hours through the secret ballot method.

## Keith Churchill Heads New Organization

The Digby County Baptist District Young Peoples' Union was reorganized at Smith's Cove on Friday night, May 24th. About eighty young people from the Baptist Churches in Digby County met in the Baptist Church Friday evening for fun, and fellowship, and inspiration. The evening had been arranged by the Smith's Cove Baptist Young Peoples' Group, under the direction of Rev. Frank Miller. Miss Nancy Robbins, of Smith's Cove, presided at the meeting, and stated that its purpose was to reorganize a District Rally of Young People. Such an organization had not functioned for some eight years.

At the reorganization meeting Keith Churchill, Digby, was elected Chairman; David Olmstead, Little River, Vice-Chairman; Judith Buckler, Bear River, Secretary; Nancy Robbins, Smith's Cove, Treasurer; Rev. J. W. Scott, Bear River, Senior Counsellor. Among the societies represented were Bear River, Smith's Cove, Digby, Little River, Centreville, Barton, North Range Freeport.

During the evening a panel discussion was held in which the three following men spoke on "Christ In My Vocation" — Dr. D. G. Black (Medicine), Digby; Mr. James Olmstead (Teaching), Freeport; Rev. Alder Colpitts (Ministry), Bridgetown. Following the panel a buzz session was held in which the Young People, divided into groups, discussed their ideas of one's life work as it related to God's call for service.

Miss Dorothy Soules, Smith's Cove, was the only participant in the Oratorical Contest, which is a part of the Programme Project of the Maritime Baptist Young People's Union. Miss Soules will represent Digby County at the Association Rally of Lunenburg, Annapolis, and Digby, to be held at Middleboro June 1st. The winner from this Session represents the three counties at the Maritime Convention in Wolfville in August.

## Political Campaign Warming Up

With the date of the federal election only a little over two weeks away political activity has been warming up in the local area.

The Liberals have scheduled several meetings in the district. First of these is this evening at Bear River. This will be followed by a rally at Weymouth June 5th, when Senator Harold Connolly, former Nova Scotia Premier, will be guest speaker.

On June 7th a reception and afternoon tea will be held at the Hotel Champlain. Guests of honour at this affair will be Mr. and Mrs. A. Laurie Morfee and Mrs. Angus L. Macdonald. A meeting will follow that evening at the Capitol Theatre here at which Mr. Morfee, Mrs. Macdonald, Liberal Leader Henry Hicks, Eric Balcom, MLA for Kings North, and others will speak.

The Progressive Conservatives scheduled a "Victory Rally" for Cambridge June 3rd and will also hold a meeting at the theatre here June 5th. Speakers in Digby will include George Nowlan and M. S. Leonard, MLA.

## Six Barton-Brighton Students Win Prizes

The Barton-Brighton school pupils were very successful in the W.C.T.U. contest.

The contest was carried out under the supervision of the principal, Bernard W. Manzer. Mrs. William Lent is the W.C.T.U. President, and the contest was under her direction.

Those winning provincial prizes were Laura Mae Kinney, Carol Amon, Thomas Haight, Cheryl Amaro, Eric Manzer, Maurine Manzer.

National prizes were won by

## Clean-up Poster Campaign Winners Announced

Winners in the Clean-up Campaign Poster Contest, which was conducted in local schools from Grades IV to IX inclusive, were announced yesterday by the judges, who had the task of selecting the winners from the many entries received. The contest was sponsored by the Digby Fire Department in conjunction with their annual clean-up campaign to create more interest and try to eliminate fire hazards. The winners of the contest are as follows:

Prizes will be awarded to winners for their efforts in this contest.

## Visits Digby After 69 Years

Mr. George Goucher, of Gloucester, Mass., was a visitor in Digby this week. This was the first time Mr. Goucher had visited Digby since he left here sixty-nine years ago to go to the United States. He was accompanied on his visit to Digby this week by Mrs. Lizzie Brown and Mrs. Florence Russ, both of Gloucester.

During his stay here Mr. Goucher visited the Courier Office in search of Vernon Bent, a childhood playmate. He met with the Courier foreman who is Vernon Bent, but found him to be a son of his former chum.

Mr. Goucher stated he had lived as a child in a house on what is now the site of the Courier Office. He said his mother operated a restaurant here. He said also that a relative of his, George White, carried on a photography business here when Mr. Goucher lived in Digby.

## Art Exhibit & Tea

St. Anne's Guild, Smith's Cove, held a very successful Daffodil Tea in Trinity Hall, Digby, May 15. A feature at this tea were paintings which were on exhibit. These paintings were the work of Mrs. Marie Harney, Smith's Cove, and her pupils. Mrs. Harney is a very popular art teacher and judging from the paintings a very apt one as well.

The hall was attractively decorated with daffodils. The ladies who graciously poured were Mrs. Cecil Jones, Mrs. H. MacLean, Miss Louise Daley. Miss Bessie Turnbull. The waitresses were Mrs. George Flewelling, Mrs. Stanley Paxton, Mrs. Freeman Beeler. Replenishers were Mrs. Aubrey Adams, Mrs. Arnold Purdy, and ticket seller was Mrs. Elmer Henshaw. President of St. Anne's Guild, Behind the scene workers were Mrs. Charles Kaulback, Miss Isabel Cossitt and Mrs. William Mason.

## HOLD 8th. ANNUAL DANCE RECITAL

The eighth annual Dance Recital by the pupils of Mrs. Frances Peterson attracted a large audience at the Digby Regional High School auditorium here Tuesday evening.

The audience was welcomed to the recital by Joan White, Ice Carnival Princess for 1957. She was accompanied by her attendants, Beverley Kaulback and Carolyn Everett. The program got off to a rousing good start with a "Hoe-Down" by Gail Hersey, Pam Wright, Lorraine Patterson, Joan White, Patty Swiber, Valerie Harris, Sally Carson, Diane Mason, Karen Jayne, Elizabeth Peters, and Rossie Wamback.

Second number on the program was presented by the "Baby Class," a group of youngsters making their first appearance. The audience was enthralled with their South American dance to the tune of "Tico, Tico." Dressed in engaging costumes they gaily shook their maracas as they stepped off the measures of the tune. Taking part in this number were Debbie Turnbull, Linda Graham, Lila Wong, Donna King, Brenda Dunn, Maryanne Woolaver, Jackie Robicheau and Karen O'Neil.

A number with a story was "Ballet vs Tap" as presented by Julie Smith, Elizabeth Peters and Lorraine Patterson. This was followed by an engaging Doll Parade with Nancy Jayne, Cheryl Woolaver and Beverley Kaulback. A smart solo tap dance was presented next by one of the senior pupils, Jean Anderson.

This was followed by a most pleasing number, "School Days" by the group from Belliveau's Cove under their teacher, Sadie Robicheau. Pupils who took part in the snappy tap routine and dressed in smart gaily coloured costumes were Gloria Theriault, Denise Doucet, Nicole Boudreau, Rosemary Saulnier, Roseanne Belliveau, Helen Belliveau, Fay Cromarty, Audrey Macdonald and Priscilla Doucet.

An acrobatic number that was a real crowd pleaser followed.

Those taking part were Joanne Kenney, Valerie Harris, Patty Swiber, Pamela Wright, and Carol Roberge. With them was petite Gloria Theriault of Belliveau's Cove, who made such a hit recently on television.

Another delightful number which received high acclaim on T.V. was presented by Gail Hersey and Valerie Harris, "Ma... He's Making Eyes at Me." The ever popular "Teddy Bear's Picnic" followed. In this were Beverley Kaulback, Carolyn Everett, Judith Gates, Nancy Jayne, Cheryl Woolaver, Karen O'Neil and Maryanne Woolaver. With Sally Carson doing the vocal. Julia Smith presented a beautiful ballet solo, "Gypsy Dance."

One number which really brought down the house was "I Wish I Wuz" with Karen Jayne, Joanne Kenney, Diane Mason, Pam Wright, Rossie Wamback, Patty Swiber, Joan White, Elizabeth Peters, Sally Carson, Valerie Harris and Gail Hersey. In this number Valerie Harris' interpretation of a night club singer and Gail Hersey's portrayal of Elvis Presley drew great audience response.

A smart drill, "Parade of the Wooden Soldiers" by the Belliveau's Cove group, all dressed in smart red military outfits, got a big hand from the crowd.

This was followed by a ballet, "Sleigh Ride." In this Gail Hersey played the part of Laughery, Elizabeth Peters, Music, and Valerie Harris, Deviltry. Others were Pam Wright, Lorraine Patterson, Sally Carson, Diane Mason, Joan White and Patty Swiber.

At the close of the program corsages were presented to members of the cast who have advanced in their training during the year. These presentations were made by Bill Anderson of CFBC. Mr. Anderson also paid tribute to Mrs. Peters, teacher of the group and a lovely bouquet was presented to Mrs. Peters on behalf of the cast by Victor Cardoza who acted as master of ceremonies for the evening's program.

## Hold Musical Tea

A delightful musical tea was held at the Masonic Temple here last Thursday, sponsored by St. Mary's Chapter, No. 35, Order of the Eastern Star.

Mrs. Louis Daley was in charge of the program, while Mrs. Clarence Gould had charge of the floral decorations which were beautifully arranged. Refreshments were in charge of Mrs. Roger Beckwith, with Mrs. Alice Brinton in charge of the servers and Mrs. Reginald Weir at the head of kitchen arrangements.

Guests at the tea were received by Mrs. B. H. Ruggles, Worthy Matron of the Chapter, and those who poured were Mrs. Ruby Roope, Mrs. Dickson Sabine, Mrs. Eva Wendell and Mrs. William Woodman.

Those taking part in the most enjoyable program included Carolyn and Kathryn Murley who played a piano duo; Linda Brinton, piano solo; Ruth Atkinson, piano solo; Margie Black, piano solo. Piano solos were also presented by Keith Churchill, Sandra Franklin and Carolyn Arnold. Ruth Atkinson and Linda Brinton also presented a piano duo and Mrs. Maureen Arnold presented a delightful violin solo. Incidental music was provided by Bonnie Wright.

Vocal solos were presented by Mrs. J. M. Wallis and Mrs. Louis Daley. A lovely vocal trio number was presented by Jean Brittain, Marilyn Clayton and Helen Harding. Vocal duets were presented by Pat Wilson and Joyce Daley.

## Gets Eighteen Dog Show Ribbons

Mrs. Ralph Wright and daughter, Pamela, brought home 18 ribbons from the dog shows at Truro, Amherst and Pictou last week. They entered two cocker spaniels and each dog took points at all the shows.

At Amherst Mrs. Wright won first prize in the Ladies' Handling Class. Miss Pamela, age 10, does all the caring and grooming of her own dog and is also adept at handling.

They were accompanied on their trip by Mr. Wright.

Norman D. Wright and his mother, Mrs. O. Wright, were visitors to Halifax this week.

Mrs. Gladys Budrow has returned from Amherst, where she visited her daughter. Mr. Fred Henshaw, Windsor, Vermont, arrived last week to spend the summer with his niece, Mrs. George Turnbull, and Mr. Turnbull.

## Makes First Visit In 57 Years

Mr. and Mrs. Alfred Bartlett, Edmonton, Alta., have been visiting in Digby. For Mrs. Bartlett, who is the former Annie Young of Digby, this is the first visit to her birthplace since she left Digby at the age of three months fifty-seven years ago. It is Mr. Bartlett's first visit to Digby and he says he also enjoyed his first taste of scallops which he described as "delicious."

Mrs. Bartlett is the daughter of Charles Albert Young, who celebrated his 93rd birthday on March 28. Mr. Young began his career as a printer with the Digby Courier and later worked as a printer in Windsor.

Some time later Mr. Young went to Boston where he was foreman for the Mudge printing company. He later moved to Edmonton where he established his own printing firm, the Metropolitan Publishing Company.

Mrs. Bartlett told the Courier she was enjoying her visit to Digby and had met a number of people who remembered her folks. She also visited the house in which she was born, which is now owned by Mr. and Mrs. F. J. Thibault. She also visited with Donald Young, a cousin, and with other relatives here.

## Injured In Accident

Rossy, Trueman Wentzell, of Rossway, received a severe shaking up and was badly bruised when her husband's truck, in which she was a passenger, was involved in a collision with a car reportedly operated by Roy Graham, of Centreville.

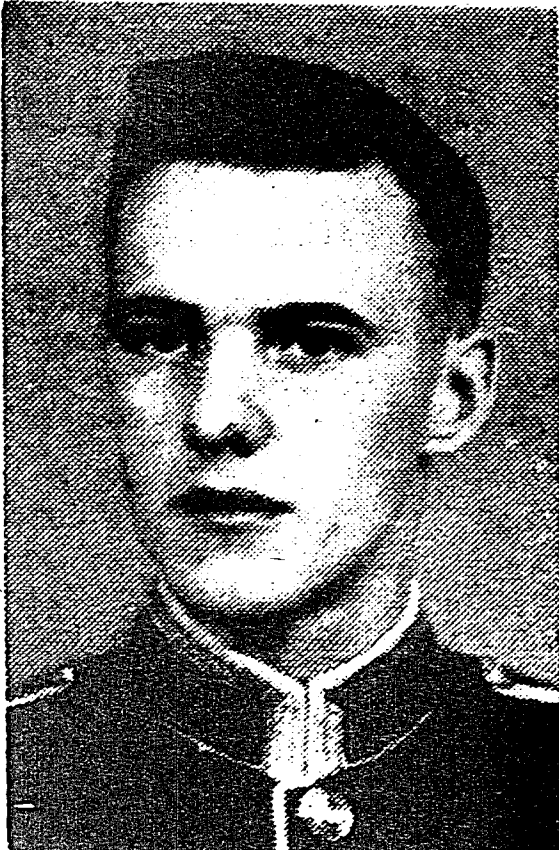

The accident occurred early Saturday evening on the Digby Neck highway. Both vehicles were proceeding toward Digby. It is understood the Graham car attempted to pass Mr. Wentzell's truck and the two vehicles hooked.

Both vehicles took off across the ditch. Fences were torn down and the Wentzell truck went over the top of a well. A team of horses being tended by David Baltzer, panicked by the onrush of the careening vehicles, stampeded and dragged Mr. Baltzer across the field. He received severe leg injuries.

It is understood Mr. Graham and Mr. Wentzell received only a shaking up. Both vehicles were damaged.

## Local Boy Graduates From Military College

Officer Cadet Johnson, W. G. (above), 21 years old, son of Mr. and Mrs. W. S. Johnson, Mount Pleasant, has just graduated from College Militaire Royal, St. John's, P. Q., where he has been studying for the past three years. The Honourable George Marler, Minister of Transport, was present at the graduation exercises as guest of honor.

Prior to the actual awarding of diplomas, Mr. Marler and the many other guests watched the entire student body of the College participating in an impressive ceremonial parade.

Cadet Johnson is a member of the RCAF in which he expects to serve as Tel-Com. Officer. In September Cadet Johnson is to report to the Royal Military College at Kingston, where he will complete the final phase of his officer and professional training.

## COMMUNION PLATES DEDICATED

At the Communion Service on Mother's Day in the Tiverton United Baptist Church, the pastor, Rev. Frank Smith, dedicated two Communion Plates to the Glory of God, given in memory of Deacon William H. and Jerusha Outhouse, from their grandchildren.

## D. F. D. ACTIVITIES

## About This and That

### Young Forests Swept By Flame

"Three hundred million young trees, on their way to replenish Canada's forests, are wiped out each year in needless conflagrations," G. Harold Fisk, Montreal, President of the Canadian Forestry Association, said today in a public message.

"While fires caused by lightning are beyond human control," Mr. Fisk said, "the 4,000 other outbreaks of human origin do vast damage to the timber resources which are Canada's biggest employer of labour. With the influx of scores of thousands of recreation-seekers and workers to wooded regions, the fire hazards of the careless camper or smoker can be controlled only by self-imposed vigilance and a code of decent human behaviour. It is out of reason to expect some seven thousand official fire-rangers in Canada's employ to patrol and guard more than a million square miles of inflammable timberlands. Such a policing job is effective only when the hundreds of thousands of woods travellers perform their own forest protection duties, each man or party obeying the rules of forest safety. For those who refuse to play the game, the law courts are now imposing more severe penalties.

### The Purpose Of Shut-in's Day

Nearly two thousand years ago the visiting of the sick was included among the virtues to be practised by those who would be the Lord's disciples. On June 2nd many people will carry out the Master's injunction by making a special effort to help bring joy and fellowship to as many shut-ins as possible. Shut-ins include those who are aged, disabled or who by illness of some sort are not able to lead the normal type of active and busy life.

Unless we have experienced illness ourselves, there is little realization of what it means to be deprived of the opportunity to enjoy "God's great out-of-doors," or to be unable to come and go at will, even tho' able to walk a few yards unaided. In hospitals, homes and many out-of-the-way places, millions of people know all too significantly the meaning of the word "shut-in". To encourage more thought of these folks the first Sunday of June is annually set aside to remind the public of its obligation of visiting or in other ways remembering those who are laid aside. Adjustment to this frustrated way of living is not easy, but it is greatly helped by your consideration. None are more appreciative of remembrance and understanding, a visit, card, letter or some token of your thoughtfulness. Perhaps if you have a car, and they are able to go out a bit, they would like to attend Church service (any Sunday!). Or, a car-ride in the country or city.

### Voting A Serious Business

In less than two weeks our readers of voting age will be called upon to exercise their right in helping to choose a new Parliament. June 10, as all have had opportunity to see, and hear, is Election Day throughout Canada. Newspapers, radio and television have been announcing the day for several weeks and there is now no excuse for those who might answer if queried, "I didn't know there was to be an election" or "I do not know when the election is to be".

Choosing the people who are to represent us in Parliament is serious business and a business which is taken far too lightly, all too often. There are others in the world who would give anything to have the right of franchise enjoyed by citizens of our democracy. Yet there are those in our country who trifle with this solemn exercise and privilege or ignore the responsibility of using it entirely. For those who ignore this responsibility it would be well to have them ponder carefully the risk of losing such a right and privilege.

Before June 10 arrives everyone will have had the opportunity of receiving information on the candidates up for election in his or her constituency, their personality and background can be considered and the policies of the parties represented can be thoroughly studied. This is a responsibility of each voter so that when the votes are cast there is surity that the successful party represents the sincere and earnest wish of the people and not a mere whim or fancy. Deep and full consideration of all issues should be given. When the people begin to really evaluate the term democracy, when careful comparisons are made with undemocratic ways of life and practices, then the right to vote will become a personal and solemn occasion eliminating any chance of bribery being offered in any form. The candidate and the voter who takes a stand either publicly or privately to eliminate all such practices has the admiration of all clear thinking people. On the other hand it is a sad reflection on our political and civic mindedness when we fully comprehend a situation where bribery or other ill practices might have been allowed to creep into such a grave and serious responsibility as the political affairs of our country. Our readers, along with the candidates and thousands of other voters can help to wash out any of these weaknesses by taking or holding to a firm stand against them. Let June 10 be a clean election so far as we are concerned.

We urge all of you — plan now to vote, study the candidates and the issues and then decide your vote for the man and party of your choice. Having done so, get your ballot, be sure you know how it is to be folded so that you have absolute secrecy, if you wish, to vote for the man and party of your own decision.

### Wanted Chaperones

Possibly shopping chores, open-store night, weekend visiting and preparation for Sunday are the reasons that the teenagers of Teen-Town find it difficult to obtain chaperones for their recreation at the Legion Hall on Saturday nights. A town which has been talking so much about juvenile delinquency within the past few years, which has occasionally held meetings to consider the problems of youth, most certainly must have people who are willing to give an evening to supervise recreation for the teenagers.

The teenagers want chaperones. They want to be supervised and most definitely should be. The president of Teen Town is calling for volunteer chaperones from among the teenagers' parents. We hope he gets a ready and favorable reply.

In contact with the chaperones for Saturday night we were informed that the Teen-Town recreation was carried on in a most orderly fashion. The young people filled in the hours with wholesome and enjoyable recreation and special note was made of the capable management of the evening's activity under the president, David Bent.

If there is anyone who has time, who is interested in giving the teenagers a chance for fun and recreation under supervision, why not contact David and offer your services as chaperones. There is nothing like interesting work or organized and supervised recreation to fill the hours and minds of the younger set to prevent delinquency.

## Rossway Women's Institute Meets

The Rossway W. I. met in the hall on Tuesday evening last with nine members present. The business period was short but plans were left with the Ways & Means chairman, Mrs. Willard Wentzell and Mrs. Chas. Robbins with their committee of Mrs. Edison Specht, Mrs. Nelson Raymond, Mrs. Darrell Lewis and Mrs. Douglas Andrews, for a parcel post sale and tea before the last of May.

Mrs. Waters Comeau and Mrs. John Gidney, senior and junior representatives for the spring executive meeting at Meteghan, will be attending.

Mrs. John McBride reported the sum of \$22.50 had been collected from the community for the Cancer campaign which was sponsored by the Institute.

The postponement of the June meeting from the 11th to the 17th was decided upon due to other activities taking place in the community.

Mrs. John McBride was chairman of the agriculture programme for the month of April. This was carried out by Mrs. Ingeborg Worthylake, who read an article on rock gardens and flagstone walks, how these may be planned to good advantage with a natural setting. Mrs. Thurston Banks gave a poem "May is Building Her House;" Mrs. Edison Specht an article on lily ponds and how easily any one can have one in their front or back yard; a poem, "Spring Lament," by Mrs. Douglas Andrews; a reading, "Agricultural Bliss" by Mrs. John McBride, depicting the plight of ten farmers, followed lastly by an appropriate poem for this time of year entitled "House-cleaning."

Mrs. Thurston Banks, social chairman, ended the evening's activities by a quiz of "stuffed words."

### CHILDREN PRESENT PLAY

Mrs. E. Llewellyn Thomas, Freeport, entertained a large number of children at her home on Saturday afternoon, the occasion being the presentation of a play, "The Wizard of Oz," which she wrote and directed. The play was in three acts, the first act taking place at Dorothy's home in Kansas, second act along the yellow brick road, while the third act took place in the emerald city of Oz. The costumes were designed by Mrs. Peter Milburn, while various members of the art class assisted with painting of scenery. Dr. Thomas acted as stage manager.

The children did their parts well and too much praise cannot be given Mrs. Thomas for putting on such a fine entertainment. Cast of characters are as follows:

Dorothy, Betty Jo MacIntyre.  
The Tin Woodsman, Roland Thomas.  
The Scarecrow, Billy Tibert.  
The Lion, Gary Haines.  
Witch of the North, Caroline Thomas.  
Wicked Witch of the West, Ruth Perry.  
The Wizard of Oz, Linden Haines.

### Central Grove

Mr. and Mrs. Alvin Elliott and daughter, of New Minas, are spending the weekend at the home of his parents.

Gerald Stanton, who has been a patient at Roseway, has returned home.

Mr. and Mrs. Glendon Elliott and family, of Halifax, are visiting his parents, Mr. and Mrs. Austin Elliott.

### "I'm Betting on Colonial Brand!"

"Why should I? Before I started to use Colonial Quality Fertilizer I was an ordinary dirt farmer — barely getting a living from my farm."

"But now, thanks to Colonial, I'm getting the biggest yield per acre of oats and potatoes in the county. And just look at my orchard!"

"Of course it takes a lot of fertilizer to get results like mine. But, shucks, that's only peasant money compared with the profit I make on Colonial."

The moral is: "Go slow and do things right." But order EARLY. And ask your dealer for the free Colonial "Farmer's Handbook for 1957". Or write us direct for a copy.

### UNITED CHURCH SERVICES

At the United Church of Canada on Sunday afternoon a large congregation listened to Padre Wm. Taylor of HMCS Cornwallis, who gave an inspiring sermon. He read from the Book of Ephesians and stressed the fact that all bad habits and wickedness can be overcome by faith and strength.

Padre Taylor reminded the people of the slogan which was in part a strength to many during the great war of 1939 to 1945. "The difficult things we do immediately, while, the impossible takes time."

The choir rendered a beautiful anthem well in keeping with the sermon. OS James Wade, of HMCS Cornwallis, sang as a solo the beautiful old hymn, "In the Garden." The voice of this young man was very pleasing to listen to.

### Joggin Bridge

### Digby Firm Opens Bear River Branch

Complete renovation of the former store premises of Derby Jack in Bear River is being made by Digby Home Furnishings Ltd., who recently purchased the building to house their newly established Bear River branch.

An astounding transformation of the interior of the building has been effected, both with the renovation of the ground floor, the completion of a second floor, and the opening of a modernly equipped television department.

Work of renovating and remodelling the exterior of the building is now underway and, when completed, will make it one of the most modernly appointed business structures in Bear River.

In the interior of the new store a most eye-pleasing job of redecoration has been carried out with a blending blue and white two-tone colour scheme. Tile floor covering in a pleasing design adds to the bright, modern effect that has been created. Picture windows have been installed both on the ground floor and in the second floor to give a pleasing view from almost every position within the building.

Attractively displayed in the spacious quarters of the first floor of the new store are refrigerators, washers, ranges and other appliance items. Also displayed are fine examples of kitchen and dining room furnishings. The floor covering department is also on the first floor and here are displayed a wide variety of various floor covering materials.

Also located on the first floor is the television service department. This section of the store is fully equipped with the latest electronic equipment and devices for testing, servicing and repairing television and radio.

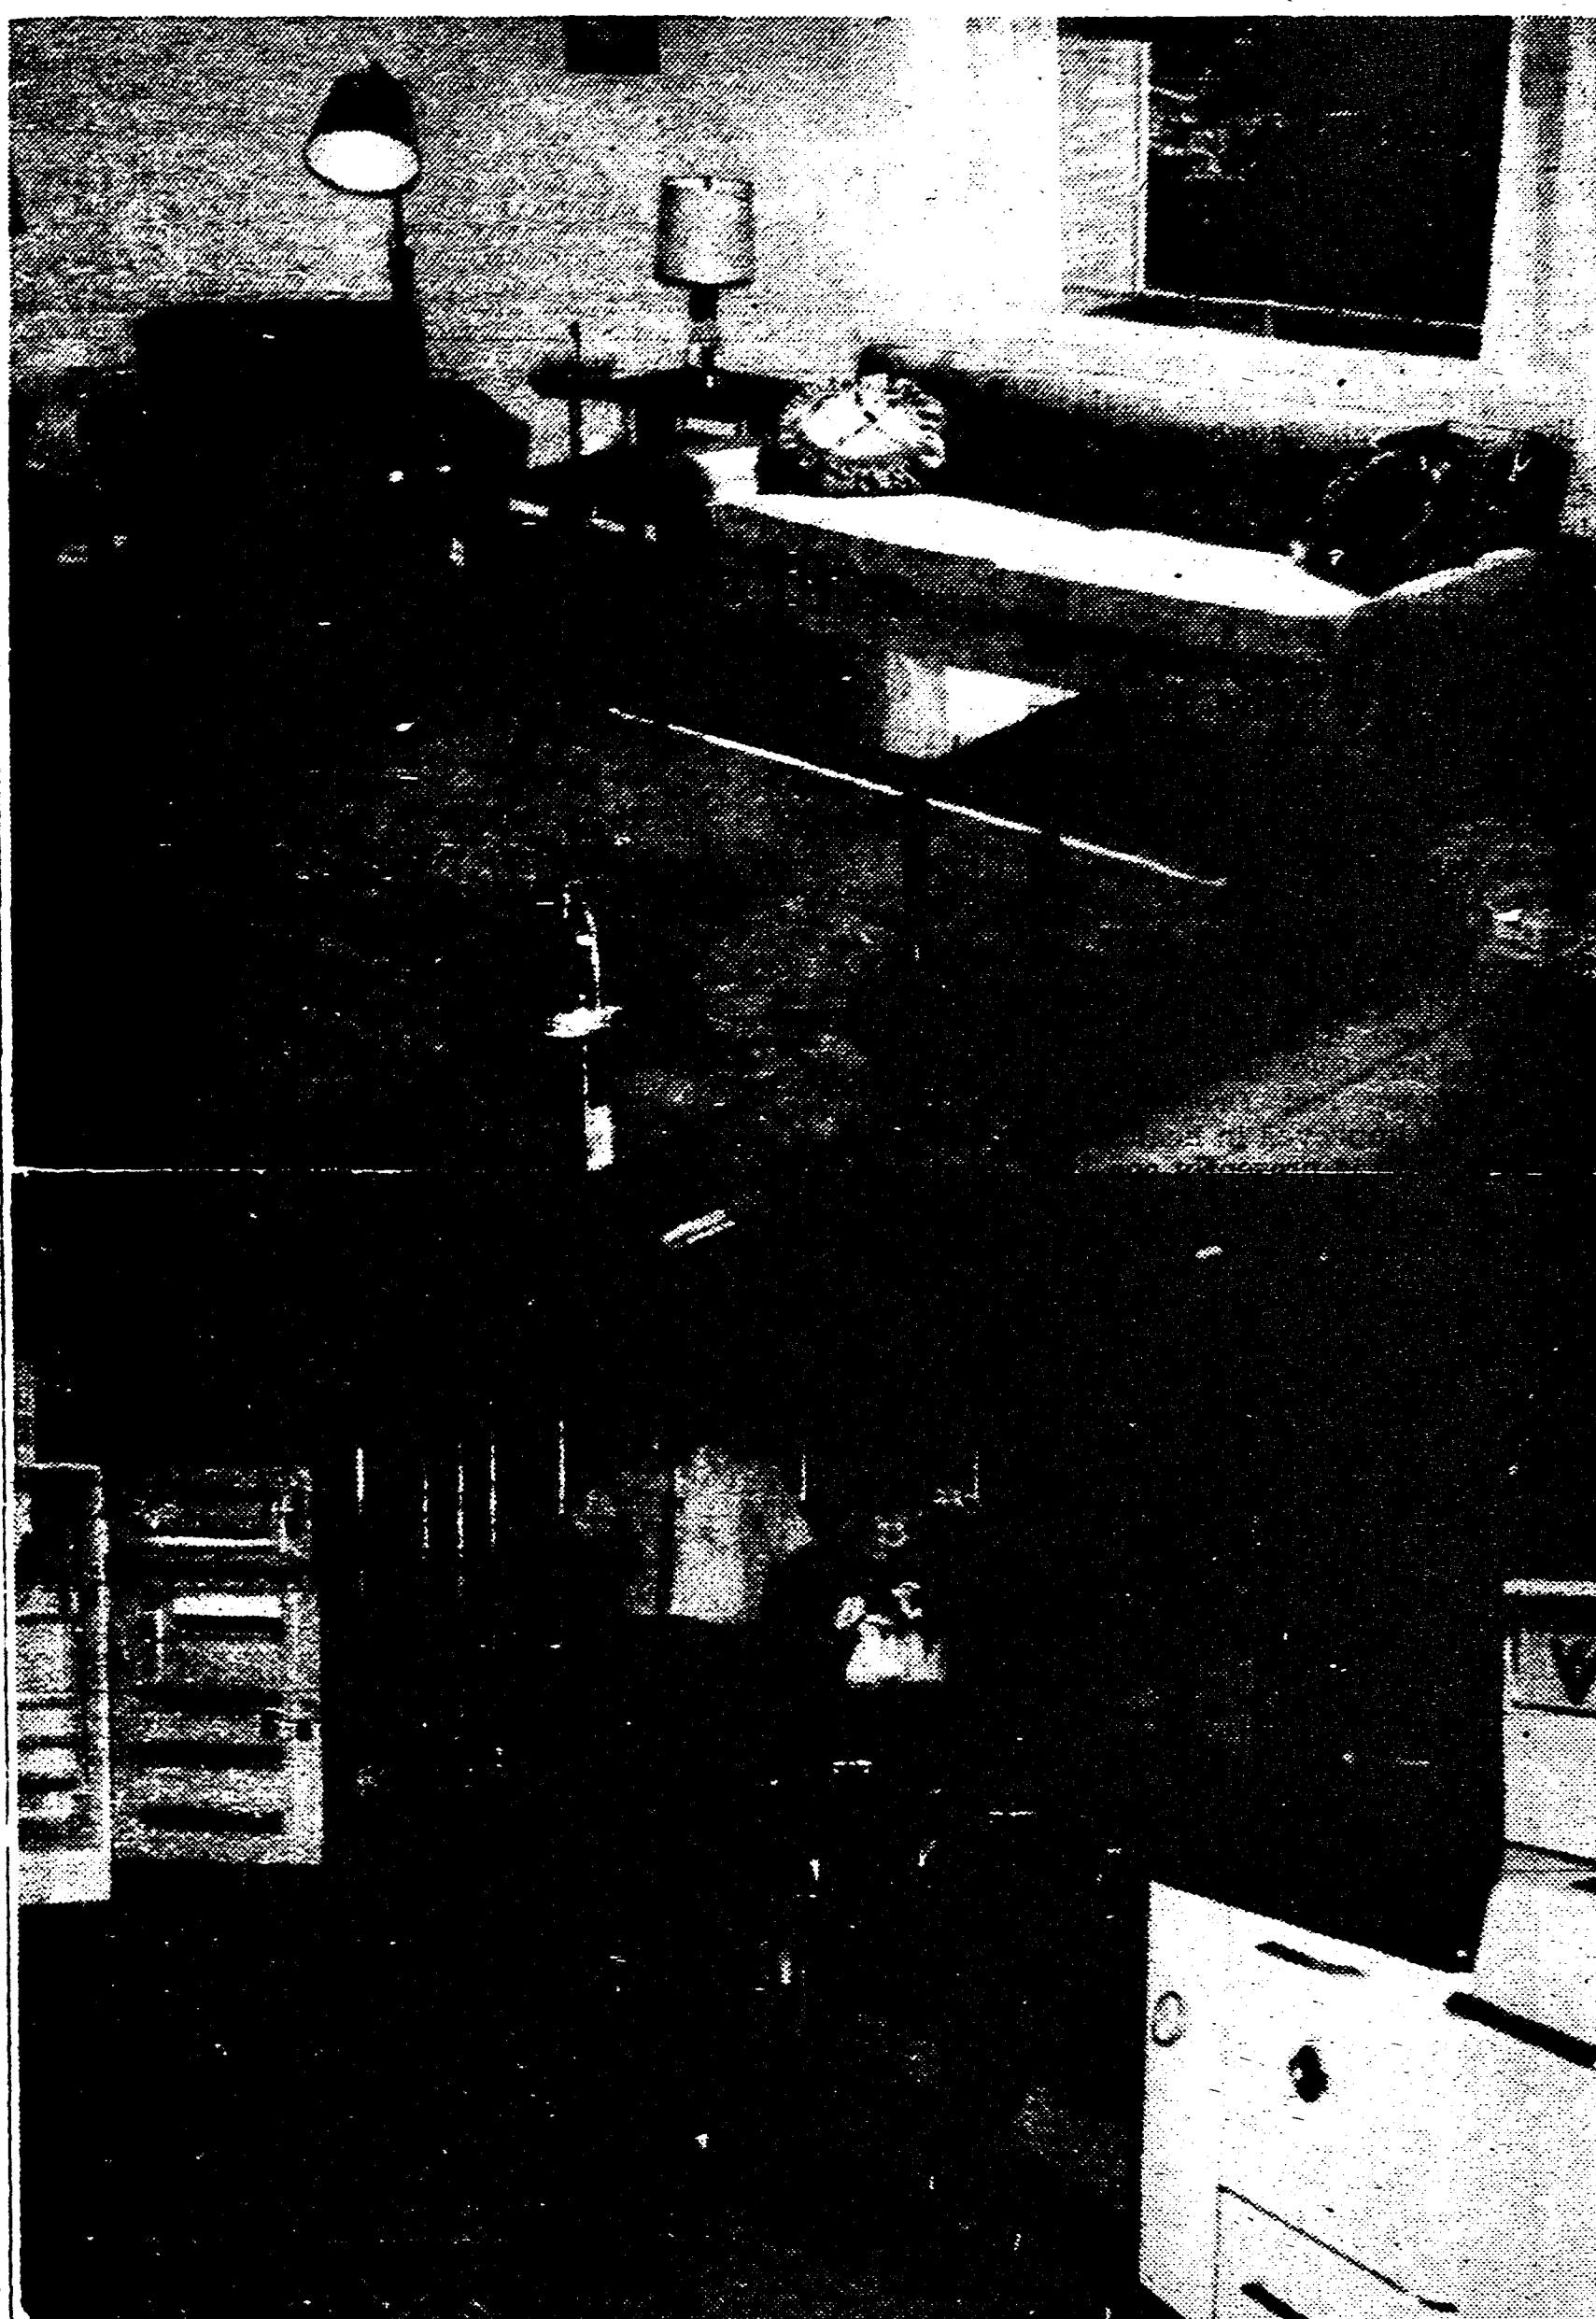

On the second floor are to be found attractively arranged displays of living room and bedroom furniture. The blue and white colour scheme, which is also a feature of the second floor of the new store, adds to the attractiveness of the display area and assists in creating a "homey" atmosphere to the displays.

Manager of the new branch store of Digby Home Furnishings Ltd. in Bear River is William Power, who comes from St. John's, Nfld. With him is Elmer Porter, a native of Bear River. Dave Mercer, who is in charge of the television service department at the Bear River store, trained at the Radio College of Canada and is highly qualified in television and electronic equipment service and repair. Service assistant at the Bear River store is Maurice Darres, of Bear River.

The building is attractively lighted throughout with fluorescent fixtures and flood lights add illumination to the displays. In charge of the electrical installations at the store was David J. Daley, of Digby, and renovations to the building were done under direction of Herbert Hazelton and Maurice Darres. Lumber was supplied by B. A. Alcorn.

Digby Home Furnishings Ltd. have not only taken over the former Derby Jack store for their Bear River branch but they have also purchased the former theatre building in Bear River. This building will be used for storage and furniture repairs. A large, illuminated sign has been placed on the former theatre building advertising the services of the new store.

Lorne Fyne is spending the weekend at his home.

Shown above are interior views of the new Bear River branch store of Digby Home Furnishings Ltd. The top view shows the interior of the second floor of the new store, while the lower photo shows the main floor. Also shown in the lower picture is Mr. Elmer Porter, in charge of accounts at the new store. (Courier Staff Picture)

### Cancer Meeting Held

A meeting of the executive of the Weymouth and District Unit, Canadian Cancer Society, was held at the home of Mrs. E. A. Fergusson Tuesday evening. Plans were made for an educational meeting with the Ladies' Auxiliary of the Digby Branch of the Canadian Legion which was held in Digby on Thursday evening. Three films were shown by members of the executive. Mrs. E. A. Fergusson reported on the work that had been accomplished this year and stated that over 17,000 cancer dressings had been made.

Following the meeting refreshments were served by the ladies and enjoyed by all. A similar meeting is to be held at the home of Mrs. B. Mahar, Brighton, on Tuesday evening, May 28.

### Hold Ladies' Night

The members of Tuscan Lodge, No. 111, A.F. & A.M., held their annual Ladies' Night banquet on Friday evening in the dining room of the Goodwin Hotel. The banquet tables were tastefully decorated in blue and covers were laid for forty. Albert Jones, P.M., acted as toastmaster. Mrs. Robie Hill, wife of the Master of the Lodge, responded to the toast to the ladies. Mr. Lawrence Hersey, P.M., thanked the management.

Following dinner all adjourned to Killam Hall where an enjoyable sing-song was held, followed by games.

Two other children, Bernard and Irma, were unable to attend.

## OBITUARY

### Mrs. May Andrews

Mrs. May Andrews, widow of George Andrews, passed away at the home of her daughter, Mrs. Newman Grey, of Bloomfield, Digby County, this morning. She was 83 years old.

Born in Outram, Annapolis County, Mrs. Andrews was a daughter of the late Mr. and Mrs. John Balser of that place. She is survived by three daughters, Elizabeth of Bridgetown, Mabel (Mrs. George Snell), of Harvard, Mass., and Ella (Mrs. Newman Grey), of Bloomfield, and two sons, Theodore and George, Outram. Also surviving are several grandchildren and two great grandchildren.

She was a member of the Port Lorne Baptist Church from where the funeral will be held Friday at 2 o'clock. The remains will rest at the Ramsay Funeral Home, Digby, until that time.

Mrs. Elsie Saulnier spent Sunday with her brother, George Gavel, and Mrs. Gavel.

Mrs. George Gavel is visiting her mother, Mrs. Maud Sullivan, Brighton.

## Large Crowds

### Attend Anniversary

The weather smiled on the many people who attended the 99th anniversary services of the Barton/Brighton United Church. In the afternoon the service was conducted by the minister, Rev. Wm. Armitage, who preached from two texts, "Remember the days of old," and "Leave the ninety and nine, and go after the one." He urged the people to be guided by history, but not to dwell in the past; to concentrate on the present year rather than to long for the 'good old days' of the past 99 years.

The congregation were led in praise by the Digby United Church choir, augmented by other local singers. The choir sang an anthem "The Church Wherein I Worship," a women's chorus, "Beautiful Saviour" was

sung and the Digby male quartet sang a very lovely setting of the Welsh tune, "Diadem."

In the evening the singing was led by a section of the Cornwallis Naval choir which sang a good number of selections under the direction of their leader, Padre Taylor. The service was led by the minister, assisted by the Rev. R. R. Winchester, the minister of the Baptist Church, who also brought fraternal greetings from that church. The sermon was preached by Rev. W. B. Taylor, B.A., Protestant Chaplain at the Naval Base, who challenged the people to 'have more faith' and 'to have more faith in their faith.'

The church and grounds were specially prepared for this anniversary, flowers were in abundance and the atmosphere was a very happy one; it was generally agreed that the day

was successful in every way.

After the evening service the Cornwallis choir and officers of the church were entertained at the home of Mr. and Mrs. Parker Lambertson where the choir literally 'sang for their supper,' a delightful lunch being served by the Ladies' Aid.

### Art Exhibition For Amateurs

The announcement by the Atlantic Amateur Artists' Association that non-members are invited to enter pictures in their Annual Exhibition, will be of considerable interest to all adult amateur artists in Digby.

The Atlantic Amateur Artists' Association, founded in April, 1956, have already held two exhibitions for Members only. The interest shown in those exhibitions have by far exceeded the expectations of the Members.

For that reason, and because of the many inquiries received from points outside of Halifax, the Association has decided to open this 1957 Annual Exhibition to non-members residing in Nova Scotia.

This Exhibition will be held in the Citadel Hill National Historic Park. It will officially open Saturday, June 1st, at 3:00 p.m., and will continue for the entire month of June.

The Members of the Atlantic Amateur Artists' Association feel there are many excellent amateur artists in Nova Scotia who have not had the opportunity of having their paintings exhibited. While this Association has a standard which must be maintained, it is not as high as the professional standard.

If you are an adult amateur artist, the Association invites you to take part in this Exhibition of amateur paintings.

The awards shall be ribbons, 1st to 3rd, in different groups. Water colors and pastels shall be eligible as well as oils. A special ribbon is to be awarded to the painting selected as being the entire exhibition. The judging for the ribbons shall be by a Jury of professional artists. Their decisions shall be final.

As the exhibiting space is limited, if you qualify and are interested, write at once to the Secretary. She will, at your request, send you an Entry Form and additional information. Address: The Atlantic Amateur Artists' Association, c/o The Secretary, Miss B. A. Robar, 6 Moran Street, Halifax, Nova Scotia.

### BEAR RIVER EAST

Empire and Citizenship Day, May 17, was held at the new elementary school, Clements-vale. Parents and friends were present and a programme was carried out in keeping with the day.

Miss Virginia Smith, Kentville, spent the holiday at the home of her parents, Mr. and Mrs. Bernard Smith, and sister, Ruth.

Mr. and Mrs. Lloyd W. Jefferson, of Digby, were guests of Mr. and Mrs. Fred E. Jefferson on Sunday.

Recent callers of Mrs. Gertrude Spears were Mr. and Mrs. Walter Berry and Mrs. Fred LeCain, Clementsport. Mr. Thomas Kennedy and granddaughter, Ceretha Balcom, Bear River, and Mr. Elmer Rice and mother, Mrs. Susie Rice.

Mrs. C. Simpson and daughter, Mrs. Ethel Peck, were guests of her sister, Mrs. Arthur Brown, on Thursday. Mrs. Peck, also called on Mrs. George S. Jefferson.

### Weekly Paper Best Advertising Medium

A weekly newspaper is the best advertising medium for merchants in the community and district served by the paper says the founder of a new public relations and advertising organization in the province.

David D. Archibald of Saint John, N. B., managing director of Archibald Associates, expressed the opinion in a Woodstock interview last week. He was here during the course of a trip through central and northern New Brunswick.

The weekly community newspaper is "like a member of the family," Mr. Archibald said. He added that weekly publications are studied more closely than are dailies. Moreover, the weekly paper usually is kept in the home from one issue to the next, with frequent reference made to its advertising content.

Established a few months ago, Archibald Associates "is designed to promote advertising and public relations' services to the smaller advertiser, a field we think has been neglected in New Brunswick," Mr. Archibald said.

The fledgling firm provides market research data in areas served by advertisers, along with information concerning their markets and advertising media covering them, Mr. Archibald said.

Well known to N. B. radio and television audiences, the Saint John native was associated with Saint John and Truro, N. S., stations during 11 years in this field.

Until formation of Archibald Associates he was on the staff of CHSJ and CHSJ-TV in Saint John as announcer-producer and salesman-writer.

Mr. Archibald has also been in the forefront of stage production in the province. An actor and director with the Saint John Theatre Guild Ltd., he was chosen best supporting actor in the 1952 regional drama festival and won honorable mention in the dominion festival. — "The Fundy Fisherman".

### MOTHER'S DAY IS THEME

The Little River WMS held their meeting at the home of Mrs. Austin Denton with the president, Mrs. Rupert Trask, presiding. The meeting opened with the hymn "Mother's Prayer."

Miss Beverley Frost was in charge of the devotional period and used the theme "Renew Your Strength."

Reports of the Dept. of Home Missions were read by Mrs. Stanley Denton, Mrs. Clyde Denton, Mrs. Wilfred Trask, Mrs. Lloyd Smith and Mrs. Austin Denton.

Poems were read: "A Fellow Mother," by Mrs. Lee Trask; "Memories of Mother," by Mrs. Bernard Morehouse, and "Only One Mother," by Mrs. Lloyd Smith.

A nominating committee was appointed, namely, Mrs. Lyndon Collins, Mrs. Reginald Trask, Mrs. Bernard Morehouse, Mrs. Lee Trask, to bring in the slate of officers for the coming year.

### Resolutions To Protect Fisheries

The Canadian fishing industry recently appealed to the Canadian Government to amend regulations governing fishing in the easter coastal waters to allow its own nationals the same privileges presently enjoyed by craft of foreign register.

The request was contained in one of a dozen resolutions passed by the Fisheries Council of Canada at the final session of its 12th annual meeting at the Seigniory Club.

For many years Canadian owned and operated fishing craft over 65 feet in length have been prohibited from fishing in waters off the eastern Canadian coast which are open to foreign vessels.

There is evidence, the resolution stated, of intensified fishing by these foreign registered craft in these coastal waters from which the Canadian vessels are excluded and continuation of prohibition by the Government discriminates against an increasingly important section of Canada's commercial fishing industry.

The Council also resolved that the Government of Canada be requested to enact legislation providing for adequate statutory protection for the fisheries so that the Federal Department of Fisheries may prohibit, prior to the commencement of construction, dams and other types of construction which would have the effect of diminishing or eliminating a run of commercial fish in any stream.

Under the B. N. A. Act, the various provinces now have the authority, in the absence of competent, conflicting Federal legislation, to authorize the construction of dams and other obstructions in provincially owned waters.

Another resolution asked the Federal Government to stiffen penalties for pollution of waters where commercial fishing or the propagation of such fisheries is carried out.

The resolution pointed out that water pollution is increasing as the population increases and industry grows and pointed out that the penalties contained in existing legislation are outdated and insufficiently heavy to curb the practice.

Other resolutions commended the Federal Minister of Fisheries and his Department for their efforts in protecting, conserving and developing the fishery resources of Canada and extended thanks and congratulations to Deputy Trade Minister, F. W. Bull, on his promotion to Canadian Ambassador to Japan.

O. Box 875, Halifax, N. S., and at the Post Offices, at Weymouth, Digby and Yarmouth, N. S.

To be considered each tender must be accompanied by a security in the form of a certified cheque or Bonds as specified in the form of tender and made on the printed forms supplied by the Department and in accordance with the conditions set forth therein.

The Department, through the Chief Engineer's office (H.R.), or through the undersigned, or through the office of the District Engineer at Halifax, N. S., will supply blueprints and specification of the work on deposit of a sum of \$20.00 in the form of a CERTIFIED bank cheque or money-order payable to the order of the RECEIVER GENERAL OF CANADA. The deposit will be released on return of the blueprints and specification in good condition within a month from the date of reception of tenders. If not returned within that period the deposit will be forfeited.

The lowest or any tender not necessarily accepted.

ROBERT FORTIER,  
Chief of Administrative Services and Secretary,  
Department of Public Works,  
Ottawa, May 13, 1957.

## You'll find my CHERRY DUMPLINGS easy to make!

Turn out into broad saucepan or electric frypan  
1 can (approx. 15 ounces) cherries and syrup  
Add and stir until sugar is dissolved  
1/2 cup granulated sugar  
1/2 cup water  
Cover and bring just to boiling

Meantime, sift together into a bowl  
1 1/2 cups once-sifted pastry flour  
or 1 1/2 cups once-sifted all-purpose flour  
2 1/2 teaspoons Magic Baking Powder  
1/2 teaspoon salt  
2 tablespoons granulated sugar  
Cut in finely  
2 tablespoons chilled shortening  
Mix in  
1/2 teaspoon grated orange rind

Make a well in dry ingredients and add  
1/2 cup milk  
and mix lightly with a fork, adding more milk, if necessary, to make a drop dough. Drop by large spoonfuls over cherries. Cover and simmer 15 minutes, without lifting lid. Serve immediately. Yield: 4 or 5 servings.

## OBITUARIES

Mrs. Edward VanTassel  
Mrs. Edward VanTassel passed away at the Digby General Hospital suddenly on Saturday morning. She had been ill only a few hours and her sudden passing came as a severe shock to a host of friends and relatives. She was 70 years of age and was a daughter of the late Mr. and Mrs. David Parker, of Bear River.

A mother of nineteen children, she is survived by her husband; two daughters, Rosalie (Mrs. Pat Ryan), Saint John, Lillian (Mrs. Thomas Connell), Saint John, and by four sons, Alan, James and Wilson in Ontario and Lawrence in Saint John.

A number of grandchildren also survive as does a brother, Fred Parker, North Range, and two sisters, Elvie (Mrs. Flagg), Grand Manan, and Mrs. Hattie Collins, Digby.  
The remains will rest at the Ramsay Funeral Home here until Tuesday at 2.30 p.m. when the funeral will be held from the Digby Citadel of the Salvation Army, conducted by Lieut. Clarence Bradley.

William Alfred Andrews  
William Alfred Andrews, well-known North Range farmer and lumberman, passed away at the Digby General Hospital early Tuesday morning. He had been a patient there for the past two weeks.

Born at North Range 77 years ago, he was a son of the late Mr. and Mrs. John Andrews of that place. When a young man he worked in the United States. He then moved to North Range where he married Jennie Gates. Mr. Andrews spent the remainder of his life engaged in farming and lumbering. He was a member of the North Range Baptist Church and active in the affairs of the community.

He leaves to mourn besides his wife, seven sons: Douglas of Rossway, Newman of North Range, Tom of Kingston, Alfred of North Range, Churchill of Trenton, N. S., Gerald of North Range and Earl of Hamilton, Ont.; four daughters, Kathleen (Mrs. Deward Abbott), Marshalltown, Marjorie (Mrs. Elton App), Saint John, N. B., Maude (Mrs. Roy Powell), Freeport, N. S., and Mrs. Flora Amiraull, of Halifax. Three half-sisters also survive: Beatrice (Mrs. Perry Porter), Hill Grove, Bessie (Mrs. Avar Marshall), eBar River, Nina (Mrs. Hugh Armstrong) Granville Ferry.

The remains rested at Jayne's Funeral Home, Digby, until Wednesday evening when they were taken to his late residence. On Thursday the remains were taken to the North Range Baptist Church for service at 2.30 p.m. Rev. R. R. Winchester conducted the service and interment was in the family lot in the Methodist cemetery.

Bennie B. Stanton  
Bennie Burwell Stanton, well-known Little River fisherman, passed away at the Digby General Hospital early Thursday morning. He had been ill for the past few months and for the past eleven weeks had been in hospital.

Born at East Ferry 54 years ago, he was a son of the late Benjamin and Lizzie Height Stanton. At the age of ten years he went to sea and had been engaged in the fishing and boat building industry all his life. Mr. Stanton was known to

be an active community worker. He helped build the Centreville Pentecostal Church and served as one of its trustees for many years.

He leaves to mourn his passing his wife, the former Lottie Hersey, a son, Carman, Little River, and a daughter, Reta (Mrs. Donald Height) of North Range. He is also survived by a brother and three sisters: Curtis in Ontario, oCra (Mrs. Herbert Theriault), Black's Harbour, N. B., Reta (Mrs. Wilfred Hazelton) and Hilma (Mrs. Geo. Trask) of California.

## Mrs. Mary E. Gidney

Mrs. Mary—Estella Gidney, widow of Joseph Howe Gidney, died at the home of her son, Elwood, 89 Purrell's Cove Road. A native of Digby county, she was the daughter of the late Mr. and Mrs. Gilbert (MacNeil) Robbins. She was 82.

Mrs. Gidney resided in Wolfville for 17 years, prior to taking up residence with her son in 1945. She was a member of the Wolfville Baptist Church and was active in the Rebekah Lodge and Order of the Eastern Star.

She is survived by her son, three grandchildren and ten great-grandchildren. Also by two nephews.

The remains are resting at the R. D. Lindsay Funeral Home, Halifax, and will be forwarded to Wolfville Wednesday for funeral services at the Baptist Church at 2 p.m., with Rev. H. C. Olsen, D.D., officiating. Interment will be in the family lot at Aylesford.

## Mrs. Roy Rice

Funeral services for Mrs. Cassie Lenora Rice, 70, wife of Roy Ransom Rice, of 13 Francis St., Belmont, Mass., were held in the Brown & Sons Chapel, Belmont. Besides her husband, she leaves a son, Ralph V. Rice of Farmington, Conn.; two granddaughters, and two brothers, Clyde Fielding of Montreal, and Harold Fielding of Annapolis Royal, N. S.

## Mrs. Eliza Jane Amoro

Stricken with a heart seizure, Mrs. Eliza Jane (Jennie) Amoro, widow of Lewis Amoro, died on Monday evening at the residence of a daughter, Mrs. Frank St. C. Williams, 91 Beaverbrook Avenue, Saint John. Mrs. Amoro had been in failing health. Born at Doucetteville, Digby County, N. S., the daughter of the late Justine and Margaret (Amiraull) Robichaud, she had been a resident of Lynn, Mass., for 30 years.

For the last three-and-a-half months, Mrs. Amoro had been residing in Saint John with her daughter, and was a parishioner of St. Pius X Parish. Surviving are three sons, J. Donald Amoro, Weymouth, N. S.; Joseph Amoro, Doucetteville, and Herbert Amoro, Berlin, N. H.; two daughters, Mrs. Williams, Saint John, and Mrs.

**You can't go ALL-OUT**  
**If you feel ALL-IN**

These days most people work under pressure, worry more, sleep less. This strain on body and brain makes physical fitness easier to lose—harder to regain. Today's tense living, lowered resistance, overwork, worry—any of these may affect normal kidney action. When kidneys get out of order, excess acids and wastes remain in the system. Then backache, disturbed rest, that "tired-out" heavy-headed feeling often follow. That's the time to take Dodd's Kidney Pills. Dodd's stimulates the kidneys to normal action. Then you feel better—along better—well better. Ask for Dodd's Kidney Pills at any drug counter.

## Leonard Announces Construction Program

M. S. Leonard, M.L.A., has announced that the 1957 highway capital construction program for the Digby Constituency includes the following projects:

The re-construction of the approach to the Victoria Bridge at Bear River;

The construction of the approaches for a new Joggin Bridge (tenders for this project to be called for shortly);

The re-construction to paving standards of 1.1 miles of the Lighthouse Road;

The re-construction to paving standards of a portion of the Weymouth Mills and the Sissiboo Road.

In addition to ordinary maintenance work which will be carried on throughout the constituency, there will be expenditures to improve the following roads:

Gulliver's Cove Road; Culoden Road; Centreville Road; North Range Road; South Range Cross Road; also breast works at Westport and Freeport.

An engineering survey will be conducted on the Main Highway between Tiverton and Freeport.

It is understood that the capital expenditures mentioned above and above ordinary maintenance and improvement expenditures will involve an expenditure of approximately \$225,000.

## Women P. C.'s Meet At Bear River

A regular meeting of the Women's P. C. organization of Bear River was held May 23rd in the Canadian Legion Hall with a large attendance. Miss Roehling presided over the business session which was mainly occupied with routine matters.

Letters were read from Mrs. Hayden, Provincial President, and from Mrs. James Moir, Bridgetown. A welcome was extended to Mrs. Lewis, Mills, Bridgetown, new county President, and other guests.

Special business included discussion of a date for the semi-annual meeting, a membership drive and the presentation of a paper, "Why Vote Progressive Conservative?".

At the close of the program a social hour was enjoyed with Mrs. Stewart Potter and Mrs. Willis Buckler presiding.

## Planes Over Digby Tomorrow

Three Neptune aircraft will herald Air Force Day, which is being observed at RCAF Station Greenwood on Saturday, June 8, by flying in formation on a route about the Province this Friday. The aircraft, of the anti-submarine type, are based at Greenwood and will be among the many types both on ground display and in the air show. Station Greenwood will be having an "Open House" from 1:30 to 5:00 p.m. on Saturday, with the air show commencing promptly at 3:00 p.m.

Route of the aircraft in formation this Friday, with approximate times overhead the various points enroute, is as follows: Digby (via Route No. 1) 12:28; Middleton, 12:40; Kentville, 12:49; Windsor, 12:59; Halifax, 1:10; Dartmouth (via Route No. 2) 1:11; Wellington Station, 1:15; Stewiacke, 1:22; Truro (via Route No. 4) 1:27; New Glasgow, 1:39; Tatamagouche (via Route No. 6) 1:50; Pugwash, 1:58; Amherst, 2:07; Springhill (via Route No. 2) 2:12; Parrsboro, 2:20; Canning (via Cape Blomidon) 2:25; Centreville, 2:27; Grafton, 2:30; returning to Greenwood at 2:34.

## To Hold Pre-School Polio Clinic

A pre-school polio inoculation clinic will be held at the Firemen's Hall on 1st Avenue Thursday, June 13th, it has been announced here.

Public health officials are anxious that parents of all pre-school children in Digby and area bring their youngsters to this clinic as it is the only one that will be held for the first inoculation. A clinic for the second dosage will be in about a month and the third will be administered in three months.

Next Thursday's polio inoculation clinic will be held between the hours of 1:30 and 3:30 p.m. and local doctors are cooperating in the administration of the Salk vaccine.

Miss Mary MacDougal, R.N., Supervisor of the western division, Department of Public Health, stated this week that inoculation of all high school pupils in Digby will be completed this week and it is hoped to cover all the pre-school group at the clinic.

## BUSINESS COLLEGE HOLDS GRADUATION

The annual commencement exercises of St. Patrick's Business College were held in St. Patrick's Church, Digby, on Sunday, June 2nd, at eleven o'clock. Those participating in the ceremony entered the church and proceeded up the main aisle as follows: Cross Bearer, Arthur Surette; acolytes, Thos. Mulse, Floyd Amoro and John Amrault; the Business College graduates; and Rev. Father W. Leo Murphy, Pastor of St. Stephen's Church, Halifax, who officiated at the entire service. The girls of the graduating class were clad in white gowns and caps and they took their places in the sanctuary for the Mass which followed immediately.

The High Mass ("Missa Parochialis") by Jos. McGrath—Four Mixed Voices—was conducted by Rev. Father Luc Gaudet, Pastor, who was accompanied by the Con Artist organ by Mr. E. J. Theriault, Q.C., organist of St. Patrick's Church.

The guest speaker for the occasion was Very Rev. William A. Penny, V.F., Rector of Immaculate Conception Church, Woodside, Halifax County, who had been stationed in Digby many years ago. Father Penny in speaking to the graduates took the day's Gospel as his theme. He reminded them that they were assembled in conclave, so to speak, to receive a parting anointing and last blessing from their Teacher and Alma Mater. It was, in fact, a consecration as hundreds of our youth step from their Scholastic Halls into the Arena of Life—there to follow its golden visions and to realize at last its precious dreams.

The graduates were reminded also that we hear a lot about Education at the present time. We have private and public education. We have it in terms of millions of dollars. It is considered to be the corrective for all our social ills. But many are trying to obtain this education not as a discipline to improve their minds and souls, not as a growth from within—but rather as a growth from without. The result is a ruthless materialism.

What then is Christian education? Christian education is an education that recognizes God as our beginning and last end, our responsibilities to God, man as a spiritual as well as a physical being, that he has a soul as well as a body. It is an education that links every action of our life with our last end. In fine it is the thought that with education there comes that fullness of development that makes the man the truly Christian Gentleman and the young girl the truly Christian Lady.

The graduates were told that their real greatness, as well as their real sphere of influence was to be found, not so much in studies, learning, social work, but within themselves—in the high character of their womanliness. "All the beauty of the King's daughter is within." The mission of women has ever been civilization in its highest sense. There is their career, whether it be in the office or in the home. Women have always been regarded as the conscience of the human race. Your school days are over. Before you, Father Penny said, opens out your picture of effort and success. Within you burns the holy flame of devotion and the real Christian spirit. We think we see you already consecrated to the great work that lies before you. Your lives will be the criterion of the success of your training. You will be the living proof of the superiority of this Christian Philosophy. Your teacher, parents and friends place great hope in you, and feel assured you will not betray their secret trust.

Father Penny expressed his sincere hope that regardless of how social or economic changes might affect the moral standards of modern society, they should remember that the Ten Commandments of God can never be antiquated. Our faith today is just as powerful a force as it ever has been in the past. Remember that Truth is eternal and can never change.

At the conclusion of the Mass Rev. Father W. Leo Murphy congratulated the graduates, and after wishing them every success in their new work, presented the following diplomas and prizes:

Business College Honor Diplomas: Joan McDormand, class leader; Judith Perry, Nancy Isles, Marilyn Hayden, Sylvia Frost, Pass; Judith Justason, Norma Sitland, Bernice Burrell, Shirley Burbridge, M. Delena Comeau, Margaret Woodland, Betty Woods, Donald Frost, Elizabeth Long, Fay Trask, Monica Woods, Maxine Oliver, Mildred McGraw, Ann Longmire, Twila McGarvey and Mrs. Myrtle I. Casey, Granville Ferry.

The following awards were announced:

Class Leadership Certificate and Prize, awarded by Rev. Fa-

ther Luc Gaudet for Highest Standing to Joan McDormand. Shortland Prize—For Proficiency in Shortland at 100 words per minute, awarded by Rev. Father Louis Comeau to Judith Perry.

Typewriting Prize—For the Most Proficient Typist in the class, donated by Rev. W. Leo Murphy, Halifax, to Joan McDormand.

Business Ethics Prize—For Outstanding Character and Personality Qualities, presented by The Women's Club to Marilyn Hayden.

Bookkeeping Prize—donated by the Holy Name Society, to Judith Justason.

Artyping Prize—given by Rev. Thos. Murphy, O.M.I. Tewkesbury, Mass., for the finest typing designs submitted for Education Posters to Mary Delena Comeau.

Spelling Prize—donated by Hattie's Store to the Best Speller in the class to Shirley Burbridge.

Progress Prize—presented by the Women's Club for the greatest progress made by a first-year student to Nancy Isles.

Red Seal Certificate—for best Shortland Penmanship in the Annual International Contest, won by Sylvia Frost.

Certificate and Prize for Perfect Attendance during the school year 1956-57 earned by: Bernice Burrell, Maxine Oliver, Sylvia Frost and Nancy Isles.

Following the graduation exercises in the church, the graduates proceeded to St. Patrick's Hall where they were congratulated by ladies of the Catholic Women's Club; after which they were seated at an appropriately decorated table and partook of a turkey dinner, prepared and served by the following ladies: Mrs. E. J. Theriault, Mrs. Thomas Deaneau, Mrs. Alma McInneson, Mrs. Lou Ecker, Mrs. Clarence McIntyre and Miss Anne Saulnier.

## Fisherman Killed In Car Crash

Walton John Wamback, 22 year old scallop fisherman, was instantly killed early Wednesday morning in a car accident at Smith's Cove, some five miles from Digby.

The accident occurred shortly after one o'clock when the car in which Wamback was an occupant, plunged off the road on a curve. Injured in the crash was Harry Hilton Gregory, of Hillsburn.

Wamback, who is a native of Rose Bay, Lunenburg County, is survived by his mother, Mrs. L. M. Wamback, of Rose Bay.

At the Coroner's inquest evidence concerning the accident was given by Constable James Dickie and Dr. J. R. McCleave. Foreman of the jury is Harry Trask. After the hearing of the two witnesses the inquest was adjourned until June 14th because of the hospitalization of Harry Gregory, passenger in the death car.

According to the evidence of Const. Dickie the car plunged off the road to the bottom of a gully some 17 feet below the pavement. It sheared off five guard rail posts in its plunge. There was no sign of any other vehicle involved, Const. Dickie testified, and there were no brake marks on the pavement.

Dr. McCleave testified that the deceased had suffered a skull fracture over the left eye. There was also evidence of a severe blow on the chest over the heart. Death, he said, could have come from either or both of these. He stated he was of the opinion death was almost instantaneous.

The accident victim had been a crew member of the scallop dragger, Janet L. for the past month. A native of Lunenburg County, he first went to sea at seventeen. His first trip was as a crew member of a yacht going to Bermuda. Following this he spent four years with the Canada Gypsum Company. His father was lost at sea in 1942. He is survived by his mother, Mrs. Lillian M. Wamback, Rose Bay.

Funeral service will be on Friday afternoon from the Rose Bay United Church.

## To Attend Medical Meetings

Dr. J. R. McCleave leaves today for Edmonton, Alta., where he will attend meetings of the Canadian Medical Association. Dr. McCleave is President of the Nova Scotia Medical Society and a member of the General Council of the Canadian Medical Association.

Following attendance at the medical meetings Dr. McCleave, Mrs. McCleave and family will motor to the west coast to visit relatives in Seattle, Wash., and other points. They expect to return to Digby by July 15.

## Election Campaign Reaches Climax

With election day next Monday the election campaign in this area is reaching its climax this week. Last evening the F.C.'s held a mammoth rally at the Capitol Theatre here at which George Nowlan, Q.C., Progressive Conservative candidate, and M. S. Leonard, Digby M.L.A., were speakers.

The Liberals held a rally at Weymouth last evening also. At this rally Mrs. Angus L. Macdonald, Provincial Liberal Leader, Henry D. Hicks, Mr. Morfee, Victor Cardozo and Eric Balcom, Kings North, M.L.A., will be speakers.

So far as this area is concerned public meetings will end with a Liberal rally at the Capitol Theatre here Friday evening.

At this rally Mrs. Angus L. Macdonald, Provincial Liberal Leader, Henry D. Hicks, Mr. Morfee, Victor Cardozo and Eric Balcom, Kings North, M.L.A., will be speakers.

The Liberal rally Friday evening will be preceded by a public reception and afternoon tea at the Hotel Champlain in the afternoon.

In Digby Municipality both sides appear confident of the results. In the 1953 federal general election Mr. Nowlan, the P. C. candidate, took a majority of 52 votes in Digby Municipality. Results of that election in this municipality were as follows:

	Lib.	P.C.

## Plan For Princess Ball

The second annual Princess Ball to choose the Scallop Queen for Digby County will be held at the Harbour View Casino, in Smith's Cove, on Wednesday, June 26th, it has been announced here by the committee in charge.

The new Scallop Queen, who will be chosen at the Ball, will be crowned by Miss Donna Holdsworth, the present Scallop Queen, at the Ball.

The committee in charge are hoping to receive entries from communities throughout the county. Entry forms are available from Reigh Jayne or De-Mille Raymond, and the contest is open to all young ladies up to age twenty-one from any area of the county. The applications, when completed, must be forwarded to Earl VanTassel, secretary of the Digby Curling Club. Closing date for entries is June 24th.

An effort will be made to have groups and organizations sponsor Princesses in the contest and those desiring to do so are advised to contact W. L. Troop, of Digby.

ATTEND RALLY  
Rev. E. C. Churchill, Oliver Wentzell, Keith Churchill, Ethel Embree, and Eileen Smith attended the Young Peoples' Rally at Middleton on Saturday. Young people from Baptist Churches in Digby, Annapolis and Lunenburg counties were present.

The group from Digby conducted the Devotional period at the morning session. Keith Churchill was a member of a Panel Discussion on "Questions Young People Ask". He was

## Plan Gala Program For Holiday

Plans for a gala program for the July 1st holiday in Digby were discussed and many finalized at a meeting of the committee in charge here Tuesday evening.

Lieut. Taylor, of HMCS Cornwallis, was present at the meeting and outlined much of the participation by naval personnel from the base in the celebrations.

A full Sunset Ceremony will be held Sunday evening, July 1st, at the Digby Ball Park. This will get underway at about 8:30 p.m.

On Monday, July 1st, the Cornwallis navy lads will put on a physical training demonstration. It is expected close to two hundred men will take part in this and a fine display of precision drill, tumbling and other athletic displays will be featured.

Also planned as a feature of the program on Monday is an Air-Sea Rescue demonstration, in which a naval helicopter will take part. The navy band will also be playing for the grand parade and for other events.

Plans are also underway for a revival of a one time great holiday favorite in Digby, dory and motor boat races. Efforts are being made to get these organized and a further announcement will be made on this.

It is expected the program on Monday, July 1st will get underway at 10:45 a.m. with a mammoth parade. Water sports will follow from one o'clock until 2:30 and the P.T. demonstration will be held from three to three-thirty. Supper will be served at the Forum from five to seven and the evening's program will close shortly before midnight with a colourful fireworks display.

Twenty-one booths are planned for this year's Midway at the Forum and already work has started on decorating and preparing these booths.

The holiday program will get underway actually on Wednesday, June 26th, with the Princess Ball at Harbour View Casino. The Scallop Queen for Digby County will be chosen at the Ball.

## DEACONS APPOINTED

An impressive part of the regular service at Hill Grove on June 2nd was the installation of W. J. Franklin and Lloyd MacNeill to the Board of Deacons. The service was conducted by the Pastor, Rev. E. C. Churchill.

## COUNTY BAPTISTS HOLD DISTRICT MEET

The annual District Meeting of Digby County United Baptist Church was held at Little River on Thursday, May 30th, with a large delegation present.

The task of the Christian church was the theme of the morning devotional, conducted by the Rev. Frank Smith. He re-affirmed Paul's message, that the church constantly be in the attitude of prayer.

The chairman, Rev. George Sharpe, conducted the business session, and the delegates were warmly welcomed by the pastor of the entertaining church, Rev. C. T. Olmstead.

The Keyman, Mr. Willis Mullen, reported on the churches' denominational giving as of April 30th, 1957. The amount raised to that date represents only 27.83% of the objective set for the churches of this district by the Convention.

Rev. R. R. Winchester reported that of the seventeen churches in the district, nine churches had paid in full their allotment to the "Churches for New Communities Fund" for the first year.

The morning address by Rev. Harry A. Renfrew, Secretary of the Board of Stewardship and Finance for the Convention, was most interesting and informative.

The speaker reminded his listeners that two things were necessary for financial stewardship—first, a new conception of spiritual giving, and secondly, a plan.

Mr. Renfrew then explained a new plan which is being used most successfully for raising funds and getting many people interested in the expansion and growth of the church.

The evening devotional by the Men's Brotherhood of Little River, led by Mr. Earl Frost, was a blessing to all present. Members of the group rendered lovely musical numbers, testimonies and prayers, which should be an example to other churches in the district to have a Christ-centered program for the life of the church and the building of God's Kingdom.

The evening session was ably delivered by Rev. J. W. Scott, who spoke from the text "That ye might walk worthy of the Lord" Col. 1:14.

New officers appointed by the nominating committee for the ensuing year:

Chairman, Mr. Willis Mullen. Vice Chairman, Rev. R. R. Winchester, Barton.

Secretary Treasurer, Rev. E. C. Churchill, Digby.

## W.M.S. HOLD SERVICE AT DISTRICT MEETING

At the District Meetings at Little River on May 30th, the W.M.S. was well attended in the afternoon. The district president, Mrs. J. Vian Andrews, opened the meeting with the hymn "Onward Christian Soldiers," followed by responsive reading and The Lord's Prayer. Welcome to the delegates was given by Mrs. Rupert Trask, of Little River, and responded to by Mrs. Stanley Weir, Smith's Cove.

Rev. R. A. Whitney, superintendent of Home Mission work, gave a talk on the work. He said we must be faithful at home in our missionary work to help spread the Gospel to others. We must help to lift others.

Thanks was extended by the district president.

Good reports were given by all societies. The devotional service of the Little River society was conducted by Mrs. Olmstead. The president spoke of the Home Mission work also.

## This Week's Courier Bigger

This week the Courier has increased its page size. This increase will be continued in all subsequent issues of the Courier.

As a result of adopting a new paper size, readers of the Courier will now receive an extra ten inches of type on each page of the Courier.

This amounts to an extra one hundred inches of type space in this week's paper. In a regular eight page Courier eighty extra inches of type space will be provided.

We hope Courier readers will be pleased with the Courier's new size which will make it possible for us to carry considerably more type matter in each issue of the paper.

## Mobile X-Ray Clinic In County

The mobile X-Ray clinic, sponsored by the Nova Scotia Tuberculosis Association, will be at Bear River next Wednesday. It has been announced from there it will move to Smith's Cove, Joggin Bridge and other county sessions. A full schedule of the clinic's visits will appear next week.

## Favor Saturday Closing

By a margin of 41.7 Digby merchants, in a secret ballot poll last week, voted in favour of new store closing hours which would result in stores in Digby remaining open until ten o'clock on Friday evenings and closing at twelve-thirty on Saturdays.

No action will be taken right away on the proposal, however. It was decided instead to inform Bear River, Weymouth, Annapolis, Bridgetown and Middleton of the decision of the Digby merchants and await response from these towns.

In last week's poll on the subject sixty-one merchants were polled. Of these forty-eight cast ballots indicating their preference. Thirteen did not vote on the matter, either indicating willingness to go along with the majority decision, await results or for other reasons.

Speakers at the meeting Friday evening stressed the need to "go slow" on the new proposal as some dissatisfaction had arisen in other communities where action had been hasty. In one town, it was stated, merchants had found the new store hours produced good results on Friday evening but total week sales had been down. This effect was more noticeable with food stores, it was said.

## March Of Dimes Results Announced

Final figures on the March of Dimes Campaign for 1957 were announced here this week. According to these figures a total of nine hundred and fifty-two dollars and seventy-two cents was collected in the drive in Digby County.

Of this figure \$215.34 was accounted for by the Porch Light canvass; \$657.95 from the collection through the schools of the county; \$30.73 from receptacles in public places and \$45.70 from sundry donations.

Victor Cardozo, chairman of the March of Dimes campaign, expressed his thanks to all who assisted in any way in the conduct of the drive. Returns from the schools of the county and from the Porch Light canvass were particularly gratifying, he said, and all of the teachers, pupils and those who had any part in the porch light drive were to be commended.

## Breaks Record For Shot Put

Donald H. Snow, son of Mr. and Mrs. Vincent Snow, of Digby, and student at the Digby Regional High School, broke previous Nova Scotia records for Class B in interscholastic track and field meets in the shot put division at Wolfville over the past weekend.

Donald drove the shot thirty-nine feet seven and three quarter inches, which is over one and one half feet further than the previous record.

Beside breaking the provincial record at Wolfville, Donald also placed first in a recent interscholastic meet at Bridgeville in the shot put. Cleanthia Pettis, of the Digby Regional High School, placed third in this event.

## Has Close Brush

Little Danny Haight, three-year-old son of Mr. and Mrs. Bernie Haight, Hill Grove, had a close brush with death Saturday evening when the door of his father's car, in which he was riding, flew open throwing Danny out.

It is thought he may have been hit on the head by the door as he fell.

The report is that he received a fractured skull and possible internal injuries. Word received from the Digby General Hospital Sunday was that the boy was bright and resting comfortably.

## Clerk Reports Tax Collections Up

Town Clerk E. Scott Eaton reported to Monday night's meeting of the Town Council that tax collections this year to date amounted to some \$75,000. This was an increase of about three thousand dollars over collections to the same date last year, he said.

An application for a building permit to construct a service station on the former Excel Inn property, which has been before the Council on previous occasions, was again discussed. Action on the matter was deferred for one month.

It was reported the town dog catcher had resigned his position and that, at the present time, the town is without the service of a dog catcher.

**Both have a bank account - and a purpose for saving**

You probably have your own equally good reasons for saving. There are thousands. One way to be sure you will have the money you want when you want it is to make regular deposits in your bank account. It takes will-power. Sometimes it means doing without things you are tempted to buy. But as you advance steadily toward your chosen objective, you know the satisfying feeling that comes with getting ahead financially. You realize that you are creating a reserve of ready cash that can be a gateway to future opportunity, or serve as a bulwark in time of need. You can always count on a bank account. **Save at a bank - millions do!**

**CARS ARE MY LIFE**

by Ken Hankinson

WHERE DO THE OLD CARS GO?

One of the sure fire stories for the movies and Sunday supplements used to be the mystery of the Elephant Burying Ground. There is a legend that no one knows where elephants go to die.

But in the movie version of this tale Sabu or some other muscled he-man of the jungle would swing through the vines and discover the elephants doing a rhythmic death dance for their departed brothers. And the mystery would be solved.

Remember the old movies on this theme? There were a lot of them.

I'm kind of insulted though. These days people ask "where do all the old cars go?" and I haven't noticed Hollywood rushing to make a movie of that one.

It's a good question, though, and one you might well ask now that America's auto factories have the capacity to turn out 10 million cars a year without working an hour of overtime.

In some places old cars are a real problem. I'm told that in San Francisco there are more than 100 cars a month abandoned on the streets.

Some figures I saw recently showed that 4 million old klunkers a year are pounded into scrap. The auto junk business is big business.

Not all the old klunkers wind up in junk yards, of course. Too many of them wind up on used car lots or more often, are passed from private owner to private owner without ever being thoroughly tested for safety.

The new cars are sporting many safety features this year. But, you know, we've been safety conscious about all our cars since we started in business.

That's why we spend more money reconditioning our used cars than any other dealership we know of.

## OBITUARIES

**Mrs. Florence Dittmars**

The death of Mrs. Mary Florence Dittmars occurred at the Whitehall Nursing Home, Grand Bay, N. B., on Saturday, May 25th, 1957. Mrs. Dittmars has been in failing health for several months.

She was born in Clements-port, N. S., the daughter of the late Dow I. and Sarah Jane (MacDormand) Morse and the widow of the late Frederick J. Dittmars. She was in her 92nd year. She had lived most of her life in Bear River, where she was a member of the United Church and one of the original members of the Ladies' Aid Society of that church. After the death of her husband she made her home with her son, Voorheis Dittmars, in Moncton and St. George, the last two years of her life having been spent in the nursing home at Grand Bay.

She is survived by one son, Voorheis M. Dittmars, of 663 Philip St., Fredericton, N. B., and two nieces, Mrs. Raymond Oliver, of Berkeley, California, and Mrs. Alfred A. Hall, also Darwin Morse, of Albany, N. Y. Funeral service was held from the Bear River United Church Tuesday, May 28th, at two p.m. Interment was in the family lot.

**Mrs. L. S. Payson**

Mrs. Leander S. Payson of Digby died in the Annapolis General Hospital early Sunday after a lengthy illness. She was eighty-six years of age at the time of her death.

A descendant of one of the United Empire Loyalist families, Mrs. Payson was the former Kate Austin Tobin, a daughter of Joseph Kirk Tobin, a former Customs Officer at the Port of Digby, and Elizabeth Mudge Tobin. Her maternal grandfather was John W. Mudge of Court Barton, Islington, Devonshire, England.

Born in Digby in 1871, Mrs. Payson entered training at the Newton-Wellesley Hospital in Newton, Mass. After her graduation she followed the nursing profession in various United

States centres and in Halifax and Digby.

An intensely patriotic person, Mrs. Payson was active in many patriotic and welfare organizations during the first World War. In World War II she endeared herself to literally thousands of service personnel in her capacity as house mother of the YMCA service hostel in Halifax.

A member of the Church of England, Mrs. Payson was active in the Women's Auxiliary of Trinity Anglican Church here and in the Ladies' Guild of the church. Many of the appointments of Trinity Church, including collection plates, communion service and other articles were placed in the church through the efforts of Mrs. Payson and in memory of members of the Tobin family.

Mrs. Payson's three brothers, Dr. E. W. T. Tobin, Otto A. P. and Fred K. Tobin, predeceased her some years ago. She is survived by her husband and three step-children, Alfred of Dedham, Mass., and Howard and Grace of West Roxbury. A cousin, Mrs. Harry A. Driscoll, and several other relatives in New Brunswick also survive.

The remains rested at Jayne's Funeral Home, Digby, until they were taken to her late home. Funeral service was held Tuesday afternoon from Trinity Anglican Church with the Rev. Rev. H. Y. MacLean officiating. Interment was in the Tobin family lot in Forest Hill cemetery.

**John Vernon DeLaney**

John Vernon DeLaney, of Toronto, passed away at his home on May 15th. A carpenter by trade, he was a son of the late Seth and Mary DeLaney, of Long Island, Digby County, Nova Scotia. He was 61 years of age at his passing and was a veteran of World War I. He was a life member of the Canadian Legion, B.E.S.L.

He is survived by one daughter, Thelma (Mrs. Lloyd Hicks), Digby, N. S. His wife, the former Nina Starratt, predeceased him. Funeral service was held from the A. W. Miles Funeral Home in Toronto with interment in York cemetery. Mrs. Hicks attended the funeral.

**Nathan Y. Rice**

Nathan Y. Rice, son of Chauncey F. and Marion M. Rice, formerly of Digby, passed away very suddenly May 20th, 1957. Funeral services were held on Wednesday morning. Burial was in the World War II burying ground at Mount Hope cemetery.

He leaves a wife, Evelyn, father, grandmother, three sisters and a brother.

## Hotel Short Course At Halifax

Mrs. Florence Hilchey, Truro and Halifax, superintendent of the W.I.N.S., offers advice on how to prepare a good, tempting breakfast to the over 100 delegates attending the annual Hotel Short Course, sponsored by the Department of Trade and Industry, and held recently at the Nova Scotian Hotel in Halifax. Provincial hotels, motels, tourist homes and establishments in every section of Nova Scotia were represented by those attending the informative course.

Attending from this area were Mrs. Avis VanDyke, Bear River; Mrs. William Snow, Digby; R. D. Rice, Weymouth; Mrs. Emdon Morehouse, Sandy Cove; Heinrich Mangels, Mrs. D. S. Logan, Mrs. Dorothy Hustins and Mrs. Marion Gott, Smith's Cove; Mrs. Vivian Fox, Parker's Cove.

at his home on Sunday after a lengthy illness. He was seventy-five years of age and was a son of the late Mr. and Mrs. Stephen Marshall of South Range.

He is survived by his wife, the former Mabel Drake, three daughters, Eva (Mrs. Wilfred Rice), Marie (Mrs. Joseph Stewart), South Range, Esila (Mrs. Vincent Tarrant), Bear River, and two sons, Harry of Brighton, Ont., and Lealand of Bear River. Fourteen grandchildren also survive as does a sister, Mrs. Eleanor Campbell, Bear River.

Funeral service was held from the Church of Christ, South Range, Tuesday afternoon with the Rev. John Carr officiating. The remains rested at the Ramsey Funeral Home, Digby, until the funeral.

## GIFT OF LAND FOR CEMETERY

A business meeting in the interest of the Port Wade cemetery was held Saturday evening, May 11, in the Baptist Church. Plans were made for the upkeep of the cemetery for this year. Mr. George Johns was reappointed as manager again after ten years of wonderful service, and was presented with a gift of money by the chairman, Ralph McGrath, on behalf of the committee and community. Mr. Johns had considered resigning this year but due to the fact no one could be found to carry on as well, he

was asked to reconsider, which he did.

Mr. Horace Snow gave much credit to Mr. Johns who has so freely given of his time and efforts to make the cemetery what it is today. Thanks was also extended to those who work under Mr. Johns for the splendid job they have been doing.

A new section of the cemetery, a gift from Ralph McGrath, will be put in order and fenced in during the summer. This piece of land is 12 feet wide and joins the west line of the present cemetery.

The same committee was re-appointed: Horace Snow, Gordon Snow, John Burke, Ralph McGrath, Gerald Hudson, Alton Hayden, George Johns, manager-treasurer, and Mrs. Gordon Snow, secretary.

## Closing Meeting Of Home & School Held

The final meeting of the Church Point Home and School Association was held on Tuesday evening, May 21st, with Mrs. Louis Thibodeau presiding. Elections of officers for the next term were held and Mrs. Francis LeBlanc, of Little Brook, will replace the retiring president, Mrs. Louis Thibodeau, next term. Mrs. Thibodeau had officiated as president for three years.

Praise was given by Rev. Sister Juliana of the Church Point teaching staff to the local branch when she stated that the Church Point branch was the most interesting branch of the association that she ever associated with. She congratulated the president and the executive for organizing interesting and instructive meetings.

Other officers selected were: Mrs. Louis J. Thibodeau, vice-president; Stanislaus d'Entremont, secretary-treasurer; Mrs. Ismay Comeau, Little Brook, social convener; Alain Doucet, Little Brook, program convener. Other officers will be elected in the first fall meeting.

A special feature of the meeting was the presenting of trophies to winners of the public speaking contest held at an earlier meeting of the local branch in which pupils of the Church Point consolidation participated. Trophies were presented to Anselme LeBlanc, Church Point, Grade 9; Norman Blinn, Belliveau's Cove, Grade 10; Miss Louise Belliveau, Church Point, Grade 11 & 12; Miss Rose Marie Thibodeau, Little Brook, Grade 11 English. All other speakers spoke in French. Grades 7 & 8 participated in reciting and dialogue. Winners were: Grade 7 & 8 English, Miss Carol Walton and Miss Lucille Melanson, Church Point and Comeauville respectively; Miss Lorraine Thibault, Church Point, and Yvonne Belliveau, Grosses Coques, French dialogue, Grade 7 & 8; Miss Mildred Comeau, recitation, Grade 7 & 8 competition.

Prizes were presented to Grades 7 & 8 with the entire presentation being made by Prof. Alain Doucet, of Comeauville teaching staff and past president of the Clare Council of the Home and School Association.

## The Bible Today

One hundred and fifty-three years young! That is the age of the British and Foreign Bible Society which this week held its annual meeting in London, England. At birth, in 1804, this Christian organization spoke to the world in 64 languages — it has acquired an additional 1045 languages.

In its 153 years the Society has printed and distributed more than 624,000,000 copies of Holy Scriptures. Almost all denominations depend upon the Bible Society for the translation used in their missionary work everywhere in the world.

More than four and one-half tons of new newly-printed Scriptures are shipped daily from the Bible House in London.

# YOUR REPRESENTATIVE AT OTTAWA

## *To The Electors:*

When I was first elected as your representative at Ottawa, the problems of the Maritime Provinces, when heard of at all, were usually ignored by the Federal Government. The problems of the inshore fishermen were almost unknown to the Government and the needs of Maritime universities were foreign to the House of Commons. These matters now receive attention at Ottawa and also the intelligent and sympathetic consideration of all Canadians. I do not think you will consider me immodest when I suggest that I, as your Member, have played some part in achieving these results.

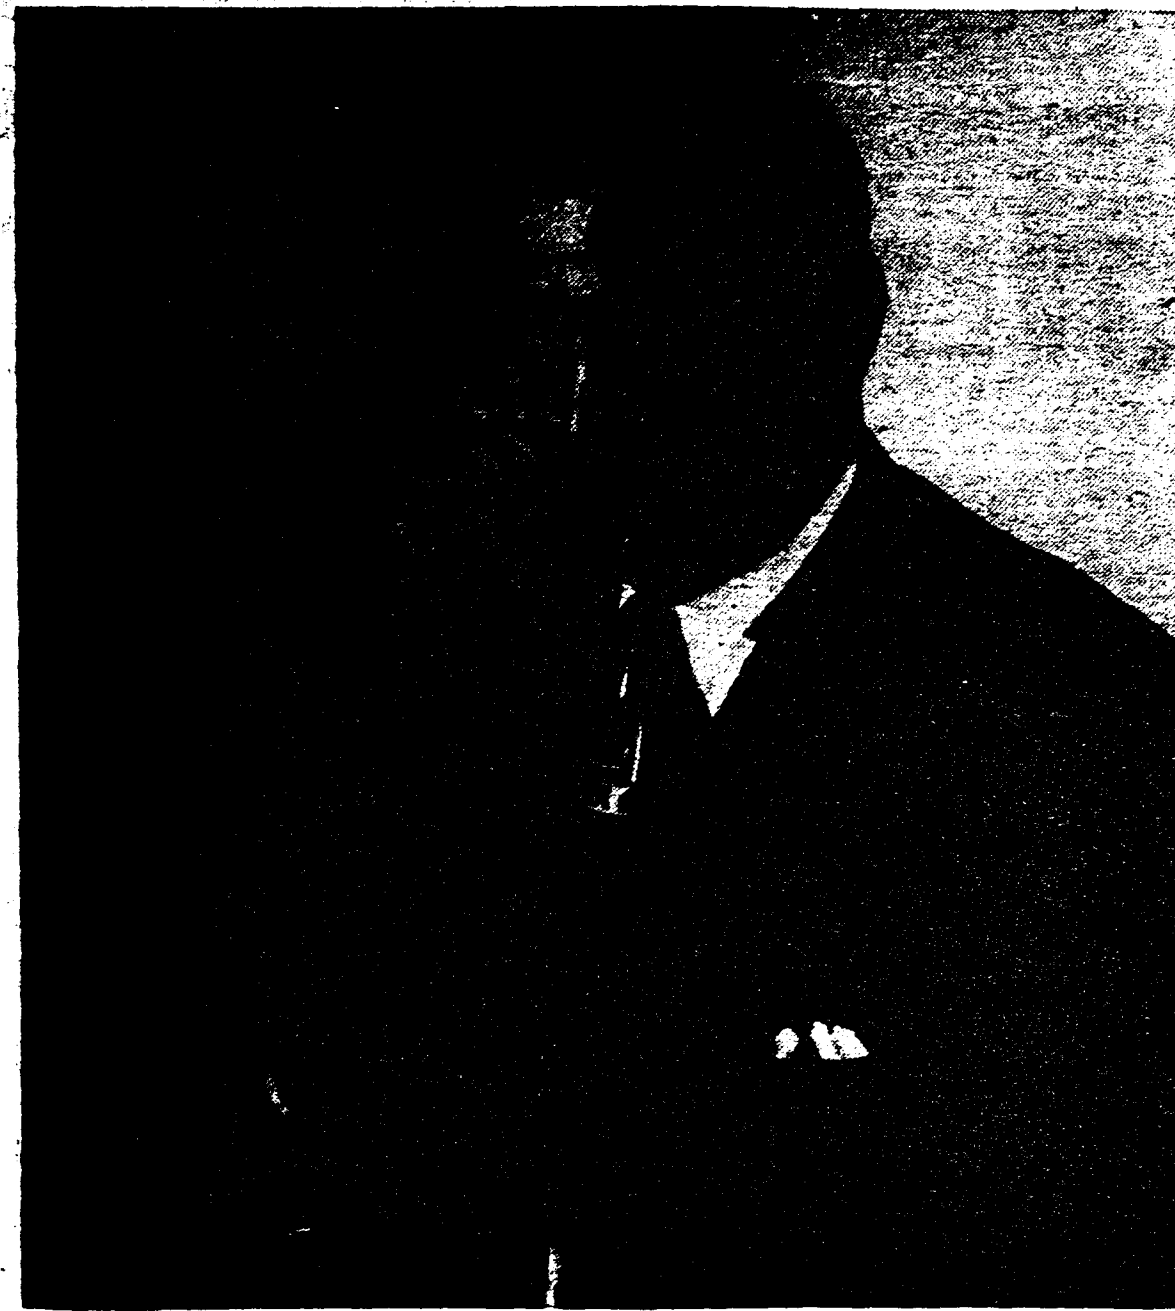

But we have only made a beginning. Our farmers are facing a crisis. Our children require education facilities, the cost of which places a crushing burden upon the taxpayer which can only be relieved by Federal grants for education. The Government has neglected the farmer and has opposed, and for obvious political reasons will continue to oppose, grants for education. These and many other problems demand action. That action can only be obtained by continued representation in the House of Commons by Members with the necessary experience and knowledge.

You know of my record as your Member. Eight years ago I said "If elected I will raise the matter of your demands upon the floor of the House of Commons. I will serve the constituency to the best of my ability and will endeavour to represent each of you, regardless of your political affiliations, in the manner in which you would like to be represented.

If you believe that I have kept that pledge, if you feel my record warrants your support, then I ask for your vote on June 10th, repeating only again the pledge which I made at that time.

Faithfully yours,

GEORGE C. NOWLAN.

GEORGE C. NOWLAN

**George C. Nowlan**  
**Voice of Nova**  
**Scotia in Federal**  
**House**

George C. Nowlan who has represented this constituency in the House of Commons for the past eight years is known across Canada as a brilliant spokesman for Nova Scotia and the Maritimes generally.

Mr. Nowlan was born at Havelock, in Digby County. His father was a farmer and operator of a sawmill. Mr. Nowlan received his early education there. As a boy, one of his many tasks on the farm included yoking the oxen and hauling lumber to Weymouth.

Later, his parents moved to Wolfville so that he might live at home and still obtain a college education. Mr. Nowlan Sr. operated a dairy farm there and while at college, George assisted his father by delivering milk.

The first world war interrupted his education and at the age of eighteen he enlisted with the Royal Canadian Artillery and served with the 11th Battery in France as a Gunner.

On his return he graduated from Acadia University and later from Dalhousie Law School where he worked his way through by being employed as house master for the School for the Blind at Halifax.

The problems of the Maritimes were an important topic of conversation to George and his fellow law students at Dalhousie. Much thought was given to the possibilities of moving elsewhere to obtain greater financial reward. George and many of his classmates who are now well known Nova Scotians decided they should stay in the Maritimes although most young people of that day were leaving their native provinces. This is a decision which he has never regretted.

Mr. Nowlan was admitted to the Bar in 1922 and immediately opened a practice in the Town of Wolfville where he has since resided. In 1925, he was elected to represent Kings County in the Nova Scotia Legislature where he was the youngest member up to that date.

He has served his community in many capacities as President of the Canadian Legion, Rotary Club and the Board of Trade and as a member of the Board of Governors of Acadia University. He was Vice-President of the Nova Scotia Barristers Association and a member of the Council of the Canadian Bar Association.

During these years Mr. Nowlan established one of the largest law practices in western Nova Scotia. In this connection he has dealt with all phases of the life of this community and knows intimately the problems of the farmer, the fisherman, the lumberman and the individual businessman.

As a member of Parliament representing this constituency for the past eight years Mr. Nowlan has acquired a national reputation as a brilliant spokesman for Nova Scotia and the Maritimes in general. The respect he has won is largely due to the fact that while vigorously promoting the interests of this area he has always remembered his responsibility as a Canadian.

It is of major importance to this constituency that a candidate who is fully acquainted with the needs of our farmers, fishermen and lumbermen continue to represent you at Ottawa. In George Nowlan you have such a man.

On June 10th, Vote

**A Cook Book is to be published by the Weymouth Area Home & School Association.**  
Anyone wishing to donate recipes may leave them with Miss Eileen Hallett at the local Post Office or with Mrs. Gifford Lewis. All recipes must have donor's name and method of preparation, and must be submitted by June 15th.  
Recipes will include main dishes, pies and pastries, desserts, cookies, cakes and squares, breads; also a section on men's recipes. It must be understood that all recipes received may not be used, as some may be duplicates and too many may be received. Let's see who are the better cooks — men or women!

It is not my intention, in this election campaign, to waste precious time in replying to petty opposition remarks and accusations.  
My simple pledge to you, as an elector, is to run a clean campaign. My aim is to work in the best interests of our constituency, Digby-Annapolis-Kings, and of Canada.  
And my sincerest wish is to serve you faithfully and well.

## Mechanical Difficulty Delays Boat

The CPS Princess Helene was delayed until one o'clock Tuesday morning in making her regular sailing from Digby to Saint John, scheduled for Monday afternoon.

Cause of the delay was mechanical difficulties which required the services of a diver to remedy. It is understood a diver was despatched here from Halifax, arriving about eleven o'clock at night.

Temporary repairs were effected, it is understood, and the Princess Helene set sail for her Saint John port about one o'clock.

Completion of repairs was made in Saint John, which necessitated a delay in sailing time Tuesday. The ship did not arrive in Digby until four o'clock Tuesday afternoon.

## First To Use Radar Commercially

According to an item in the Moncton Transcript the C.P.S. Princess Helene, plying between Digby and Saint John, was the first ship in Canada to use radar commercially.

The electronic device is most helpful as a navigational aid in foggy weather and for spotting possible obstructions in the path of the ship as she sails daily across the Bay of Fundy.

## Addresses Lions Club

J. Eastwood Ives of the Nova Scotia Tuberculosis Association was guest speaker at the meeting of the Lions Club at the Hotel Champlain here Tuesday evening.

Mr. Ives dealt with the matter of the campaign being conducted by the Tuberculosis Association to help eradicate tuberculosis and also showed films. He urged his listeners to assist in making the visit of the mobile X-Ray clinic to this area a success and spoke particularly of the need for elderly people to have X-Rays for the detection of possible tuberculosis.

At a joint meeting of the Westport, Freeport and Tiverton Home & School Associations last week Mr. Ives was also the guest speaker. He also addressed a group from Barton, Brighton, North Range and Ashmore at the Baptist vestry in Barton this week.

## Conservation Of Wildlife To Be Discussed

Problems and issues with regard to conservation and propagation of wildlife resources of the Atlantic Provinces will be highlighted at the annual meeting and banquet of the Maritime Wildlife Federation, according to an announcement by A. J. Hicks, Federation President. Date set for the convention will be Saturday, June 22, at the Shediak Inn, Shediak, N. B.

Important figures in the field of conservation from various sections of Canada and the United States are expected to be among the speakers. Representatives of all Branches of Fish and Game Associations in Prince Edward Island, Nova Scotia and New Brunswick are expected to attend.

The Federation acts as a sounding board for issues presented by these Associations, as well as a co-ordinating organization designed to centre public attention on the present and future of natural resources in this area.

## ENTERTAINS AT BRIDGE PARTY

Mrs. E. C. Sollows entertained last Monday evening at a most enjoyable bridge party at her home on Queen Street.

The rooms were tastefully decorated with tulips for the occasion. Six tables were in play during the evening. First prize winner was Mrs. Eva Wendell. Mrs. Alfred Kenney won the second prize while the low went to Mrs. P. C. Outhouse. Mrs. J. R. McCleave was the winner of the lucky prize.

## Celebrates 80th Birthday

A delightful birthday party marked the 80th birthday of a well-known resident of Digby. He is Mr. Joseph Hall, of Queen Street.

Mr. Hall came to Digby from Dordoun near Birmingham in England more than thirty years ago. In England he had been a miner but here he soon gained a reputation as a gardener and for many years until his retirement he did this work.

At his birthday party Mr. Hall received congratulations and good wishes from many friends and relatives who attended. He was presented with a beautiful birthday cake and among those who wished him a Happy Birthday were two of his great-grandchildren.

Mr. Hall has four children, all living in Digby. They are Sydney, Annie (Mrs. Ameroff), Ella (Mrs. George Humphrey), and Emily (Mrs. Jas. Abbott). He also has ten grandchildren and nine great grandchildren.

## Church Camp To Open In July

Saint Anne's at Gibson's Lake, West Dalhousie, the camp of the Anglican Church in the Deanery of Annapolis, will be operated as usual during the month of July.

The camp will be conducted in four separate weekly sessions, beginning with the senior boys' camp on July 1. The second camp, the following week, is for the senior girls, while on July 15 a camp for junior girls will be held. The session of the camp will be directed by Miss Catherine Greene, Diocesan Youth Worker, and will also serve as a training period for prospective camp counsellors. The final camp session, for junior boys, will begin on July 22.

Some important changes have been made in preparation for this summer's activities, including provision of a new water supply, and a much improved playing field.

In line with the policy of making the camp's facilities available to as many as possible, a number of children from outside the deanery are being admitted to the camp program. At the close of the regularly scheduled camps, the camp properties are to be used by the Girl Guide Company of Annapolis Royal, as well as by a group of young people from the Baptist Churches.

## BASS BEGINNING TO RUN

Reports from some ardent bass fishermen indicate the striped game fish are beginning to run again this year.

According to reliable information several have been caught from the Annapolis River at the Granville bridge, and although the Courier has not heard directly that any bass have been caught yet in the Bear River, it is understood there have been some captured.

## Appointment Received By G. T. Eaton

George T. Eaton has been appointed assistant head of the applied photography division of Kodak Research Laboratories, Dr. Cyril J. Staud, Kodak vice-president in charge of research, announced today.

Eaton, who lives at 160 Harding Road, Rochester, N. Y., has degrees from Brandon College, Manitoba, and Acadia University, and an M.A. from McMaster University. From 1934 to 1937 he taught and did graduate work in chemistry at the University of Toronto.

In 1946 he joined the industrial sales division and the next year was appointed supervisor of the industrial sales laboratory, then technical editor, sales service division, in 1951.

He returned to Kodak Research Laboratories in 1952 as technical staff assistant in the applied photography division and was appointed head of the photographic chemistry department in 1956.

Eaton was a joint recipient with John I. Crabtree and L. E. Muehler of the Journal Award of the Society of Motion Picture and Television Engineers in 1943. He was made a fellow of the Photographic Society of America in 1952 for contributions to the field of industrial photography by writing, teaching, and for PSA service. He currently serves as chairman of the Rochester Technical Section, PSA. He has been nominated for president of the newly formed national Society of Photographic Scientists and Engineers.

For nine years, 1946-54, he taught photographic chemistry in the evening school at the Rochester Institute of Technology.

Besides numerous scientific papers on various aspects of photographic chemistry, he has written a series of reports on photography and photographic processes for yearbooks and encyclopedias.

Mr. Eaton is a son of Mr. and Mrs. E. Scott Eaton, Digby.

## Former RCMP And War Vet. Passes

Veteran of the First World War as a member of the famed 85th Battalion, and later a constable with the Royal Canadian Mounted Police, Stanley Solomon Kempton, passed away suddenly early Friday morning at his home, 9 Carol Avenue, Yarmouth. Mr. Kempton had retired early Thursday night and suffered the fatal attack shortly after midnight.

The deceased was wounded in France during the First World War, and back in Nova Scotia joined the old provincial police.

When the RCMP took over from the provincial police, Mr. Kempton became a valued member of that force and was stationed at various places before going to Yarmouth, including Bridgewater, Halifax, Shelburne and Digby. Since his retirement from the force he had been connected with the Penni Fruit Company of Philadelphia as an exporter of Christmas trees and other products.

For several years Mr. Kempton was associated with the Mason brothers in the pitprop and pulpwood business in Digby under the firm name of Kempton and Mason.

He was a member of the United Church and of Scotia Lodge, No. 31, A.F. & A.M.

He was 59 years of age, and was born in Harmony Mills, Queens County, the son of the late Mr. and Mrs. Stanley D. (Elizabeth Delahaye), Kempton and is survived by his wife Kathleen, three sons and one grandson.

## District Meet In Bear River

The Association of Rebekah Lodges of District No. 2 met at Bear River on May 20th with Elta No. 82 as hostess lodge. At the opening of the meeting the officers were presented with beautiful corsages, introduced and seated by Past Noble Grands of Elta Lodge. Mrs. Charlotte Lavers, Past President of the Rebekah Assembly, was Instructress for the meeting. One minute's silence was observed in memory of the late Phoebe Ellsworth, Past President of the Rebekah Assembly, after which Mrs. Evelyn Crocker, soloist for the day, rendered a very fitting solo.

Very fine reports from the seven lodges represented were heard and an invitation to meet at Digby next year, with Zelma Lodge as hostess lodge, was accepted.

At a special session of Elta Lodge in the afternoon, Rebekah work was exemplified, and an interesting address by Mrs. Lavers was enjoyed.

In the evening Zelma Lodge, of Digby, conducted a very beautiful Memorial Service, which was followed by a regular session of Elta Lodge, at which the Rebekah Degree was conferred on one candidate. Mrs. Lavers again favoured the gathering with a short address.

Officers for the following year are: President, Mrs. Helen Welch, Sunset Lodge, Westport; Vice President, Mrs. Ellen

## Addressed Baptist Association Meet

Rev. Lorne Stars (above) was the Missionary Speaker at the Nova Scotia Western Association of Baptist Churches at Westport, Digby County, on Wednesday afternoon, June 12, at 2:30 p.m. Rev. Mr. Stars is now on furlough from Bolivia.

Rev. Lorne Stars hails from Lower Southampton, N. B., the son of Mr. and Mrs. Seely Stars. He was reared in a Christian home and there he accepted Christ as his Saviour. His education was interrupted by service in the Royal Canadian Air Force during the Second World War. After the war, he completed his Arts and Divinity school in Boston, Mass. It was there that he met his wife. Having dedicated their lives for missionary service, they left for Bolivia in 1952.

After language study, they served for some time on the staff of the Cochabamba Theological Seminary and then for a short time in Guatjata, on the shore of Lake Titicaca (the location of Peniel Hall Farm), where Mr. Stars was in charge of the Guatjata Bible School for the training of Aymara Indian converts.

Rev. and Mrs. Stars are on their first furlough and have just completed a year's study at the Westminster Theological Seminary.

## Tiverton School Children Show Talent

Saturday evening was the occasion of an interesting display of the talents of the pupils of Tiverton school.

The parents and friends of the children were delighted with a musical programme of beautifully executed vocal and piano solos, choral readings and choruses. An exhibition of the pupils' drawings and art work, along with examples of their school workbooks and handwork, also attracted enthusiastic praise for its excellence. Another interesting feature was an original poem entitled "Boats" by Margaret Leeman, a sixth grade student.

The youthful artists have been under the direction of Mrs. Rowena Small, who has taught singing in Tiverton school during this school year. Mrs. Ruth Outhouse and Mrs. Helen Blackford, their school teachers, and Mrs. Doris Outhouse, piano teacher.

## About This and That

### Slow Down And Live!

High speed and tired drivers are blamed for most summer highway accidents by the Canadian Highway Safety Conference in a reminder to Canadian motorists.

Learning to slow down and take it easy is the beginning of wisdom at the wheel, says the Conference which suggests the following code for safe driving:

1. Slow down at the first glimpse of children playing in the street.
2. Slow down at intersections, traffic circles, and railway and cattle crossings.
3. Slow down before entering city and town limits and any other crowded area.
4. Slow down for coffee breaks every 100 miles.
5. Slow down after dark and under bad weather or road conditions.
6. Slow down to give the other fellow a chance, even if he is only a pedestrian.
7. Slow down for greater comfort and less strain. You'll enjoy your trip more, and will survive it!

### Swimming And Water Safety

With the period June 16 to 22 being observed throughout Canada as Swimming and Water Safety Week, a message of advice and caution has been issued on the subject of swimming and boating by Hugh A. Noble, director of physical fitness for the province.

"It is hoped," he said, "that when this summer is over, Nova Scotia will be able to record that no more lives have been lost because of a swimming or boating accident."

"Parents are urged to make sure their children swim under adequate supervision. Every effort should be made to encourage non-swimmers to enrol in the various learn-to-swim classes conducted by the Canadian Red Cross Society, the Y.M.C.A., and other groups.

"Nova Scotia offers to its residents and tourists a wonderful opportunity to enjoy one of summer's greatest assets, swimming. This province with its 4625 miles of coast line, inland lakes and rivers is indeed a haven for young and old alike who enjoy all forms of water activity.

"A great number of children and adults take advantage of our mild climate and warm water for swimming and boating recreation. Sometimes we are inclined, by virtue of our close association with the water, to be a little careless in our water safety habits. No one will question the value of swimming as an excellent recreational activity and one which contributes substantially to physical fitness. It is important, however, that all those who swim or go on the water in boats or canoes remember that certain safety rules will help them to better enjoy these recreational activities and at the same time assure them of a safe return to shore and home.

"It is wise for all swimmers to remember that they should never go swimming alone and always swim within their depth, preferably parallel to the shore line. It is wise also not to dive into unknown waters before knowing what is beneath the surface and that it is clear of all obstacles which can result in injury. There is a tendency for some people who have passed certain swimming and life saving tests to feel that when they are canoeing or boating that life jackets are unnecessary.

"The importance of all boaters to wear appropriate safety clothing and to stay with the boat in case of accident cannot be stressed too strongly.

"I sincerely trust that girls, boys and adults of the province will enjoy a safe and healthy summer of swimming and boating activities."

### Graduates, Have You Thought Of Printing Or Newspaper Work?

There is an old saying that "no printer is ever bored." To this we can add that no publisher of a weekly newspaper is ever bored.

Try to imagine a world without printing . . . a world without books, magazines or newspapers. Look around you and you will see printed posters, printed letterheads, printed business forms. Look in your pocket and you may find printed money.

Civilization as we know it would end without printing. Take away the weekly newspaper, the lines in your school notebooks, the colorful billboards, and we would return to the dark ages.

There is so much variety in the printing industry that no printer could ever become bored. Printing keeps up our standard of living, it enlightens the world, it helps to make democracy work. Printers can hold their heads high.

In the weekly newspaper field, we are not only printers, but we are writers, too. That is an exciting occupation. We constantly meet all the people in our community, find out what they are thinking and doing, and then sit at our typewriters to create — yes, create — these activities into interesting sentences.

We think what our community needs and we do what we can through the press to see that they are met. When our printed words are added to the speeches of community leaders, and our campaigns are successful, we are rewarded by a feeling that we are helping to shape our environment.

So being a weekly newspaper publisher is exciting and rewarding and satisfying.

In the old days, when they decided to enter the weekly newspaper field, they swept floors, put away type, folded newspapers, and learned the business slowly and methodically. (Some days we still do sweep the floor.) Today, the printing industry is becoming complex. Since World War II, new printing processes have been developed, new concepts of quality have been adopted, new methods of doing business have been accepted.

And shortly after the war, a new college was founded which teaches exactly these things. Ryerson Institute of Technology not only has a Printing Management course, which trains students as printers and managers, but it also has an outstanding Journalism course. Ryerson has now accepted an invitation from the weekly newspaper publishers of Canada to train young people for work in the weekly newspaper field.

They will do this by offering instruction in business principles, business law, estimating costs, accounting, labor relations, production management.

They will teach students how to operate such machines as the Linotype, presses, and lithographic cameras.

In addition, students entering this special course will be

taught reporting and feature writing, writing for editorial pages, editing and headline writing, newspaper law, and press photography.

Such a course can equip students for an important role in the management of a weekly newspaper.

Because going away to college costs money, Ryerson is offering ten entrance bursaries of \$500 each to help students defray expenses of living in Toronto. In their second and third years, there are generous scholarships and bursaries to help them along.

The cost of attending Ryerson is much lower than in most colleges, because it is sponsored by the Ontario provincial government. Fees are \$160 a year for residents of Ontario, and \$285 for students from outside Ontario. The school year runs from mid-September to early May, leaving a student more than four months to work during the summer.

If you have an ambition to make a career of weekly newspaper publishing, you can study at Ryerson by writing a 1,500 word essay. Your school principal or your weekly newspaper editor has application forms.

### Boat Show

In late April, at Shirley Street Arena in Halifax, Nova Scotia held its first full-scale boat show. Sponsored by Cleveland Industries Limited, the show was attended by more than 9,000 people and was judged a great success. Hopes are that it will become an annual event and attract more and more exhibitors and viewers.

One of the features of the show was the "Bluenose 26." This 26 foot mahogany and oak inboard cruiser was made by Smith & Rhuland Limited of Lunenburg and was designed by the well-known naval architect, Walter MacInnis of Boston. It has already been well received in the United States and the company has four more on the ways at the present time.

Another display which aroused considerable interest was that of Scotian Fibreglass Products. This newest material for boat building has caught the imagination of agents and customers. Lightweight, durably and fine permanent finish are its principal features. The company's 12 foot "Restless," the sports car of boats, was admired by many as were also the 11 foot utility and neat "pram."

David A. Mason, of Tanook Island, a builder well-known in both Canada and the United States, showed a sturdy and finely finished mahogany plank-lapstrake sea skiff.

One of Nova Scotia's younger boat building companies is Weymouth Industries Limited. This company, already famous for its furniture, went into boat building only two years ago and has achieved great success in its new line. It showed some 16 foot cabin and day cruisers, well finished and well designed.

Nova Scotia's largest builders of small boats, Industrial Shipping of Mahone Bay, displayed its popular pace ships. These craft, made of moulded plywood, are shipped all over the world and everywhere have proved as sturdy and durable as in their home waters.

It was particularly pleasing to boat enthusiasts to see the displays of Industrial Shipping and Scotian Fibreglass. Both of these companies are leaders in their lines and both have suffered in the past year from fires which could have been disastrous. To see them back in action, stronger than ever, was a good sight to Nova Scotians eyes.

These are but some of the many displays of the show. Boatbuilders from other provinces also came to show their craft and suppliers of engines, fittings, accessories, safety and navigational equipment were there to let the public see their products.

Congratulations must be accorded to the organizers of this first Nova Scotian boat show on the success of their efforts. May future shows be even bigger, better and more successful.

### Arts Festival In August

Two big painting and crafts tents have been ordered for the second Nova Scotia Festival of the Arts at Tatamagouche, Aug. 9, 10, 11 and 12.

They will supplement the 35 smaller tents on the Festival grounds last year.

The new tents, each 40 feet by 60 feet, are being made by Maritime Canvas Convertors Ltd., Halifax, at a total cost to the Festival of over \$3,000.

The tents will be of tanned duck and will be trimmed with a gay blue and white striped scallop.

Decision to order the new tents was made at a recent meeting in Halifax of the Festival's provincial executive.

They were ordered because crowds jammed the smaller tents used last year and made it difficult for everyone to see the displays and demonstrations of paintings and crafts.

The new tents will provide more space for viewing displays and make it possible to elevate painters and craftsmen who are demonstrating so that they will be visible to everyone.

In meeting the cost of the new tents, the financial assistance of interested individuals and organizations will be sought.

The Festival of Arts, created as a showcase for the arts and crafts of the province, is operated on a non-commercial basis, with artists, craftsmen, dancers, musicians and actors and workers donating talent, time and effort.

### THE ADMIRAL'S COUNTY COUNTY

There's a Nova Scotia County That an Admiral called his own Where the song birds praise our country In a gay and happy tone.

Now the lakes and streams are calling And their message is that Spring Comes a tripping up the valleys Giving life to everything.

Waking up the sweet arbutus Stimulating maple groves Shaking out the spruce and birches On the banks of all the coves.

It is summer in a village And you hear the jersey's chime As they wander o'er the meadow Or 'neath well filled mows recline.

You are maybe with a lassie Where the moon is shining bright While you tell that "old old story" "Wonder where she is tonight?"

Of that land I dream quite often As I roam the wide world o'er For it's there I long to settle And remain forevermore.

For I love that little county That an admiral called his own Where the song birds praise our country In a gay and happy tone.

### Family Camp Being Planned

A camp for the whole family is in the process of being planned by the United Church of Canada in the Maritimes. It will take place at Berwick, N. S., from July 18th-25th.

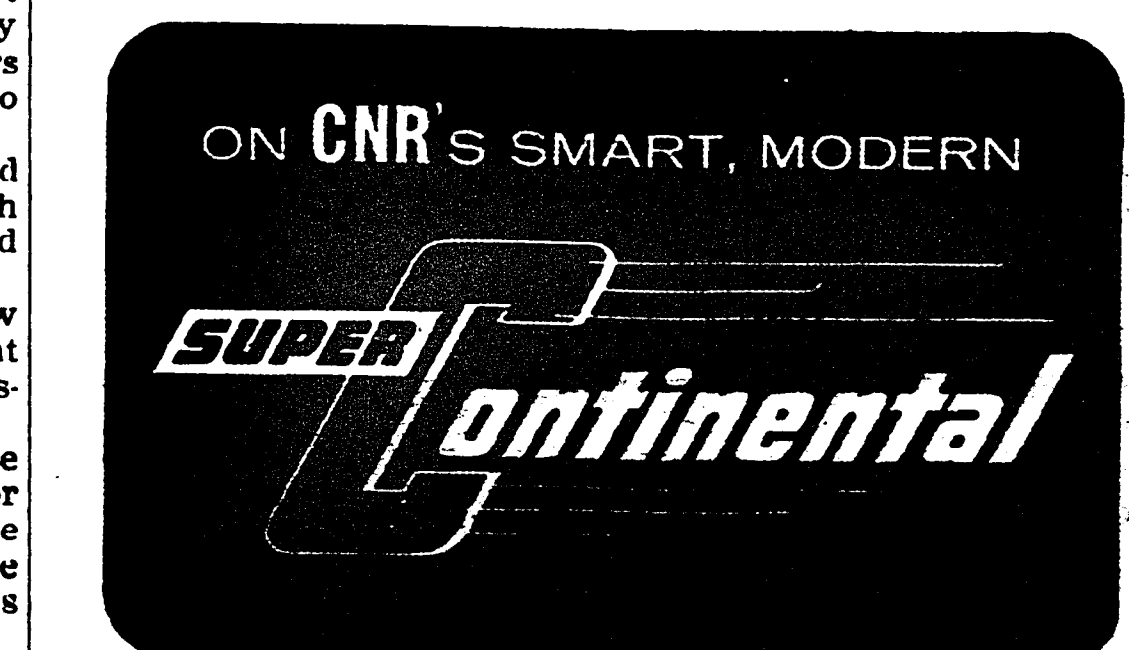

This information was given to recently by the Maritime Christian Education Field Secretary for the United Church of Canada, Rev. J. Elton Davidge.

For many years, boys and girls have been going camping. But this idea of the whole family sharing a camping experience is rather new in the Maritime provinces. So enthusiastic, however, are those who have done this kind of camping that it is expected that the Family Camp will be a regular feature of the summer program in the United Church of Canada.

The Family Camp provides parents with the opportunity to share their concerns and their experiences, and to learn from each other. Special attention is given to programs for children and teenagers. Then, there are many activities in which the whole family shares as a unit.

### Thirteen Get Degrees At St. Ann's Closing

Thirteen BA degrees and four commercial diplomas were conferred at the St. Ann's College Auditorium, Church Point, at the colorful convocation ceremonies and exercises presided over by Emery LeBlanc, editor-in-chief of the French Language newspaper, L'Evangelin, Moncton, N. B.

The following BA degrees were conferred: David Gaudet, Concession; Martial Gelinas, Shawinigan, P. Q.; Marcel LeBlond, Trois Pistoles, P. Q.; Georges Cloutier, St. Georges, P. Q.; Desire Boudreau, Westport; Laurent Beaudoin, Laurier Station, P. Q.; Lionel Bellavance, Causapscal, P. Q.; Gerard Cormier, Moncton, N. B.; Guy Cyr, Atholville, N. B.; Yvon Boudreau, Berresford, N. B.; Willie Melanson, Church Point; Andre Cossette, Trois Rivieres, P. Q.

Commercial diplomas were presented to the following: William Gaudet, Saultville Station; Lery d'Entremont, West Pubnico; Alain Poulin, St. Georges, P. Q.; and Fred Merchant, Sydney.

The Governor-General of Canada Medal which is presented to the student with the highest average in the final or graduating exams was won by David Gaudet, son of Mr. and Mrs. Joseph H. Gaudet, of Concession.

The valedictorian, David Gaudet, spoke in French and English. He told the graduating class of '57 that they were arriving at a stage which is the most important one of their lives. "We are closing the doors of our Alma Mater today — tomorrow we open the doors of life. The moments of meditation are over and now is the time to act."

"We have made our decision. Whatever career we may follow will be done in a Christian way and worldly riches should not be our sole aim in life. We should be apostles of good example, assist our neighbors and community. The future appears to be bright and promising but it also has its deception and pitfalls. We will show our courage in times of difficulty. Obstacles will be placed in our path to bar the road of life but we will surmount those difficulties."

### Set Up Art Scholarship

A scholarship to the painting section of Nova Scotia's School of Community Arts, has been established by Chester B. LeGrow, inspector of schools for Queens and Shelburne counties.

It was set up as a memorial to Mr. LeGrow's late wife, A native of New Glasgow, Mrs. LeGrow was an enthusiastic amateur painter and an active worker in community organizations. She attended the School of Community Arts for several sessions, and was the instructor of adult painting classes in Queens County.

She was instrumental in arranging for annual travelling exhibitions to visit her town and was prominent in encouraging an intelligent public interest in art.

The School of Community Arts is an annual 10-day residential summer-school held in Tatamagouche, and organized and conducted by the Adult Education division, Nova Scotia Department of Education. Scholarship applications should be addressed to the Adult Education division.

Mr. LeGrow is well known in Bear River and Digby.

### Home Division Activities

On Monday evening, May 13, Home Division, No. 169, Smith's Cove, entertained about thirty members of the Smith's Cove B.Y.P.U. at a crokinole party in the Temperance Hall. Miss Grace Lewis and Walter Keizer received the prizes for the most skillful playing. Rev. Francis Miller and the Grand Patron, Rev. R. R. Winchester, were present. Refreshments of sandwiches, cookies and cocoa were served.

On Tuesday evening, May 14, eleven members of Home Division paid a fraternal visit to the Isiah W. Wilson Division being held that evening in the Baptist Church vestry, Barton. They were officially welcomed by the W.P., Rev. R. R. Winchester, and made to feel at home by the other brothers and sisters of the entertaining division.

During the evening the W.P. of the Isiah W. Wilson Division called for remarks from the visiting members. Those responding were Mrs. Alice Brington, W.P., Mrs. Mary Snow and Mrs. Hazel Clayton.

Mrs. Hazel Clayton reminded the brothers and sisters assembled that May 8 was the birthday of Mr. Isiah W. Wilson in whose memory the entertaining division was named. Mrs. Clayton stated that the late Mr. Wilson was born in Hill Grove, then known as "The Ridge," on May 8, 1848, one hundred and nine years ago.

Delicious refreshments were served at the end of which Mary Snow was presented with a prettily decorated birthday cake in honor of her 84th birthday on May 18. Mrs. Helena Comeau, granddaughter of Mrs. Snow, carried the cake for the presentation, while all joined in singing happy birthday. Mrs. Comeau was the third generation of Mrs. Snow's family present that evening, the other being her daughter, Mrs. Hazel Clayton.

On Monday, May 20, four members of Home Division attended the semi-annual session of the Grand Division held at Wolfville, N. S. Those attending were Mrs. Pauline Robbins, Mrs. Helena Comeau, Mrs. Ruby Kinsman and Mr. Eric Kinsman.

### Radioactive Fall-out

(Eighteenth in a series of 24 articles)

It would be a waste of time to head for the hills if a nuclear war ever came to Canada—unless the hills had been prepared ahead of time. Nor would it be any wiser to lie down in resignation to die in pieces. Fall-out might get you wherever you were.

The facts about nuclear weapons, particularly the hydrogen bomb, are cold, hard and frightening. But they are real, and civil defence officials have spoken and written of them in detail and with the view that "Ye shall know the truth and the truth shall make you free."

Turning away from the facts will not change them. Now, what are the facts about fall-out? What is fall-out?

Explosion of all nuclear weapons, including the H-Bomb, has four characteristics: blast; heat; flash; immediate radiation; residual radiation. Fall-out carries the residual radiation.

The blast results from an instantaneous release of immense energy by fission and fusion of atoms. It produces an extremely high temperature within a few millionths of a second in the form of a ball of fire. Its light has been estimated to be about 100 times that of the sun.

Where the fireball touches the ground the surface becomes highly radioactive for a considerable time and almost everything, including great chunks of earth, is pulverized. The fireball may be three miles across. It sucks up the pulverized material possibly 70,000 feet in the air. It is this pulverized, radioactive material which may be carried by the winds over areas 150 miles long and 20 miles wide, or bigger, and then settle to the earth, contaminating all it touches. This is called fall-out.

Humans and animals subjected to fall-out radiation may receive fatal doses or enough to cause severe illness. Safety lies only in shelter. So the hills won't save anyone without adequate shelter and without it, death might come slowly and painfully.

The federal and provincial civil defence organizations have a plan to take care of both these problems. But it can be used to protect every community in the country from possible nuclear disaster only if every community

### TO SPEND YEAR IN CALIFORNIA

Mrs. (Dr.) Leighton entertained the Society of Friends on Wednesday evening at her home. The members were busy with folding and packaging cancer dressings for the first part of the evening. Mrs. Ernest Weyhe was heartily welcomed back for the summer.

Regret was expressed that Mrs. Leighton would be leaving shortly for California with her husband and family to spend a year, and will only have a short vacation period here before leaving. A social hour was enjoyed following the work period.

**FOR SPARKLE A-PLenty, SERVE MILK OFTEN**

Of course, there's always milk on the table at mealtime for the youngsters to drink, but what about in-between times? In this month of June, when dairy foods are at their peak of production, it's a good idea to have a milk drink ready for the toddlers and teenagers at mid-afternoon. And then keep up the custom during the summer holiday months. Serving lots of milk, either "fat is", in a milk drink, or in a milk dish, is one of the best ways to insure that their health is kept at top level, nutritionally speaking. And for the very simple reason that it contains in large quantity, some of the best food essentials for growing bodies. And when the growing business is finished with, milk goes on to maintain your good health. So Mom, won't you join the children in a glassful of Arctic Grape?

### Conclude Three Day Meet

The Western congregations of Jehovah's witnesses concluded their three day convention at the Liverpool Regional High School on Sunday, May 19.

The convention opened Friday evening with Mr. L. Barker using as his opening address the convention theme "Tell the Good News." He most emphatically stated that the scriptures teach that there is more happiness in giving than receiving this good news. The remainder of the evening program presented model classes in public Bible speaking and ministry development. Talks were given by T. Holmes, Digby, R. Boylen, Halls Harbour and M. Boylen, Kentville.

The highlight of the Saturday sessions was the talk "Dedication and Baptism" by L. Barker, after which a number of new ministers symbolized their dedication to the service of Jehovah by water immersion. The evening program centred around the colored film "The Happiness of the New World Society". The film clearly showed the results of telling the "good news" to all nations regardless of nationality, color or tongue.

The three day convention reached its climax on Sunday when Mr. Laurier Saumur, District Supervisor, delivered the timely Bible lecture "Removing the Barriers Dividing Mankind."

The convention came to a close with scriptural counsel for all to become faithful stewards of divine interests, telling the good news of salvation to all persons of good will.

The problems of recreation and pest control are being killed with one stone by these members of the unofficial "Slingshot Squadron" at the RCAF's base in Abu Suweir, Egypt. Off duty hours in the evening are enlivened considerably by slingshotting in and around the bombed-out hangars at the former Egyptian base. All serving with No. 115 Communications Flight on duty with the United Nations Emergency Force, the sharpshooters are left to right, LAC Milt MacDonald of Morell, P.E.I.; LAC H. M. McAusland of Bloomfield, P.E.I.; AC G. B. Boudreau, of Digby, N. S., and LAC Ed D'Eon of Yarmouth, N. S. (National Defence Photo).

## In Memoriam

IN MEMORIAM — OUTHOUSE — In memory of a dear wife and mother, Mildred Ellen Outhouse, who passed away June 18, 1955. We often sit and think of you. And of the way you died. And that you could not say good-bye. Before you closed your eyes. The blow was hard, the shock severe. We never thought your death so near. And only those who lost can tell. The pangs of parting without farewell. — Ever remembered by husband and family. 41:1p

IN MEMORIAM — BARR — In loving memory of our little son and brother, Richard Lee Barr (Ricky), who was killed by a car June 13, 1953, age 7 years. Those dear little feet that pattered upstairs each day at the set of sun. Are patterning now on the golden streets with life's short journey run. Those dear little hands that clasped each night on the breast of our darling child. And the innocent eyes that smiled. These are our treasures laid out on high with Christ in that blest retreat. How sweet shall sound when we enter there, the patter of little feet. — Dearly loved and sadly missed by mom, dad, brothers and sisters. 41:1p

**Titus — Morehouse**

Zion United Church, Sandy Cove, was the scene of a pretty wedding on Saturday, June 8, at 3:30 p.m. when Myrtle Norene Morehouse, only daughter of Mrs. Enoch Morehouse and the late Mr. Morehouse, was united in marriage to Victor Clifford Titus, son of Mr. and Mrs. Albert Titus, of Centreville.

Rev. William Armitage, pastor of the church, officiated at the ceremony. Baskets of apple blossoms, tulips and delphinium formed the floral decorations in the church.

The wedding music was played by Mrs. R. W. Sypher and Mrs. Eldon Mitchell as soloist sang "O Perfect Love."

The bride who was given in marriage by her brother, Bernard Morehouse, looked charming in her princess gown of ivory brocade taffeta with matching headpiece trimmed with iridescent sequins and short veil. She carried a bouquet of yellow roses and lily of the valley.

Miss Elizabeth McCullough was maid of honor and wore a princess gown of dusty pink tissue taffeta with matching flower bandeau. She carried a cascade bouquet of pink and white carnations. Angus Boutiller, of Centreville, acted as best man while Frank Jeffrey, cousin of the bride, and Roy Cameron, of Centreville, ushered.

Mrs. Morehouse, mother of the bride, wore a blue mist dress with pink accessories and corsage of pink mums. Mrs. Titus, mother of the groom, was attired in a grey flowered silk with pink accessories. Her corsage was of pink mums.

Following the ceremony a reception was held at the bride's home for some eighty guests. A buffet luncheon was served. Cousins of the bride and friends assisted in serving. Mrs. Floyd Frost, sister of the groom presided over the guest book.

Later Mr. and Mrs. Titus left for a wedding trip which will take them to various parts of the province, the bride traveling in a natural beige suit with beige accessories and corsage of yellow mums. On their return they will reside at Sandy Cove. The groom, who is a graduate of the Industrial School of the Provincial Normal College, is now manager of the Centreville Garage, Centreville.

The wedding was attended by friends from Halifax, Wolfville, Yarmouth, Centreville, Little River and Waltham, Mass.

**N.S.T.U. Provides Scholarship**

The Digby Local of the Nova Scotia Teachers' Union held a closing banquet in Sandy Cove Community Hall on June 6th with sixty members present. After a delicious dinner served by the Ladies' Aid of the Sandy Cove United Church, a short business meeting was conducted by Mr. C. C. MacInnes, president of the Digby Local.

A motion was passed to provide a scholarship of \$100. for some promising student who plans to become a teacher. Any grade XI or XII student who is attending one of the following schools is eligible for the award: Digby Regional High School, Weymouth Consolidated High School, Tiverton School, Freeport School, and Westport School. Application forms may be obtained from Mr. J. C. Adams, secretary, Digby Local, N.S.T.U.

The following officers were elected for the 1957-58 term: Pres., Mr. C. C. MacInnes (re-elected). Vice Pres., Mr. Lawrence Hersey and Mrs. Jack Morehouse. Sect'y-Treas., Mr. Harry Gesner.

**The Feller MacKellar**

Phil MacKellar, Toronto jazz personality and disc jockey, is the new host on CBC Dominion's "Jazz Unlimited". MacKellar takes over the spot occupied by the late Dick MacDougal. Like his predecessor, MacKellar is a leading figure in jazz circles and a tireless organizer of jazz concerts. He himself is a drummer and has played with Marion MacPartland, Charley Barnett, Dizzy Gillespie and Charlie Ventura. He is the only disc jockey ever to have had a theme composed for him — by vibraphonist Terry Gibbs; he's also been acclaimed disc jockey of the year by Metronome Magazine.

## Farming the Woodlands Is Big Forestry Job

### Perpetual Harvests Topic of Largest Woodlands Meet

Montreal — Forest Management,  
the science of growing and har-  
vesting trees like a farm crop,  
was a key topic at the 39th annual  
meeting of the Woodlands Sec-  
tion, Canadian Pulp and Paper  
Association which has just been  
held in Montreal's Sheraton-  
Mount Royal Hotel.

The three day conference, the  
largest gathering of its kind ever  
held anywhere, was concerned  
with increasing the productivity  
of the forests and the efficiency  
of forest operations.

To provide for future wood  
crops, said W. A. E. Pepler, man-  
ager of the Woodlands Section,  
the individual pulp and paper  
companies manage their wood-  
lands on a sustained yield basis.  
"Just as the farmer plants, tends,  
and harvests his crop and at the  
same time maintains his soil to  
produce future harvests, the pulp  
and paper foresters harvest a tree  
crop; encourage regrowth; nur-  
ture young trees; and with cre-  
ative conservation maintain the  
forest land so that it will produce  
continuous crops," said Mr. Pe-  
pler.

Highlighting the importance of  
scientific investigation as one  
aspect of forest management, the  
heads of Canada's four forestry  
schools told the meeting the  
"what and how" of research at  
the universities. Most university  
research is of a fundamental na-  
ture, they said. But it provides  
the background for the develop-  
ment of faster-growing and hard-  
ier trees.

Studies are being made in Can-  
ada leading to the development  
of insect and disease resistant  
trees, a step similar to the devel-  
opment of rust resistant wheats.  
Other studies cover the use of  
parasites and insecticides to con-  
trol insects, fertilizing the forest  
by aerial spraying, and preparing  
the forest floor to facilitate re-  
seeding.

The Tree Farm Movement also  
got a big boost at the conference.  
J. L. Van Camp, general manager  
of the Canadian Forestry Asso-  
ciation, said it was the most im-  
portant single step that individual  
Canadians have taken in active  
forest management. Hundreds of  
small and large private woodlot  
owners now display the Tree

The heads of Canada's forestry schools, attending the 39th annual meeting of the Woodlands Section of the Canadian Pulp and Paper Association, outlined the place of the universities in woodlands research and forest management. They are (left to right): Dean G. S. Allen, University of British Columbia, Dean J. W. B. Sison, University of Toronto, W. A. E. Pepler, manager, woodlands section, C.P.P.A., Dean L. Z. Rousseau, Lovel University, and Dean J. M. Gibson, University of New Brunswick. (Upper left) Pulp and paper woodsmen guide the forest harvest to the mill in the annual river drive. (Upper right) A young forester inspects a pulp and paper sponsored tree farm.

Farm sign as certification that they are growing trees on a managed basis to provide continuous crops. In addition, he said, they are growing trees as a cash crop, and in many instances on land

that was not suited for other crops. The Tree Farm Movement is sponsored by the Canadian Forestry Association, a non-profit organization devoted to improving forestry practice in Canada. Anyone with a woodlot he is prepared to manage can apply to the local or provincial committee for certification as a tree farmer.

### Adult Education Appointments Made

Several appointments and pro-  
motions relating to the Adult  
Education Division have been  
announced by Hon. R. L. Stan-  
field, Premier and Minister of  
Education.

Herman P. Timmons, Sydney,  
has been appointed director of  
the division, succeeding Guy  
Henson who resigned from the  
position to become director of  
the Institute of Public Affairs  
at Dalhousie University, after  
heading the division since its  
inception in 1945. Mr. Timmons  
had been assistant director of  
the division since 1954.

Former regional representa-  
tive of the division for Annapo-  
lis, Digby, Queens, Shelburne,  
and Yarmouth counties, Thom-  
as N. Jones, has been appointed  
assistant director of the adult  
education department, succee-  
ding Mr. Timmons.

Keith C. Langille, Sydney,  
former rehabilitation supervisor  
with the Department of Health  
at Roseway Hospital, Shelburne,  
succeeds Mr. Jones as field re-  
presentative of the adult educa-  
tion division for the western  
counties of the province.

J. Patrick MacAdam, Glace  
Bay, has been appointed sec-  
retary of the division, succeeding  
Donald F. Maclean. Mr. Mac-  
Adam has been employed with  
several Maritime newspapers in-  
cluding the Cape Breton Post,  
Sydney; the Antigonish Casket,  
Fredericton Daily Gleaner, cor-  
respondent for the Halifax  
Chronicle-Herald and also with  
CJCB-TV, Sydney.

The assistant director of ad-

ult education, Thomas M. Jones,

was born in England but came  
to Canada at an early age. He  
graduated from Hantsport high  
school in 1939, then attended  
Nova Scotia Technical College  
and later Acadia University  
from which he received the de-  
grees of Bachelor of Science in  
1949 with high awards, Master  
of Science in 1950 and Bachelor  
of Education, 1951.

Mr. Jones entered the RCAP  
in 1942 while still in his teens  
and spent four years as com-  
bat pilot and on other duties.

On completing his studies he  
became principal of a consolida-  
ted school at Bury, Que., and in  
1952 joined the provincial ad-  
ult education division.

During his five years as re-  
gional representative for the  
western counties of Nova Scot-  
ia, Mr. Jones assisted in de-  
veloping and maintaining a pro-  
gram of adult education in co-  
operation with county and dis-  
trict federations of agriculture,  
home and school organizations  
at all various levels, co-operative  
and credit union groups, wo-  
men's institutes, and a number  
of other voluntary organiza-  
tions. At the same time he acted  
as director of the Western  
Nova Scotia Folk School and  
played a part in the develop-  
ment of the Folk School Coun-  
cil and the Regional Extension  
Conference program. He has  
served the home and school  
movement as chairman of the  
Community Influences Commit-  
tee of the Canadian Home and  
School and Parent-Teacher Fed-  
eration, and chairman of the  
Adult Education Committee of  
the Nova Scotia Federation of  
Home and School Associations.

Sydney-born Keith C. Langille  
graduated from the local acad-  
emy in 1944 and from Acadia  
University with a Bachelor of  
Arts degree in 1948, and Bache-  
lor of Education a year later.  
He then joined the staff of Shel-  
burne Regional High School,  
following which he was appoint-  
ed rehabilitation supervisor  
with the provincial health de-  
partment, administering the re-  
habilitation program for tuber-  
culosis patients at Shelburne's  
Roseway Hospital.

In 1955, with the aid of a fed-  
eral health bursary, he studied  
in rehabilitation and psychology  
counselling at Teachers' Col-  
lege, Columbia University, at  
the Institute for the Crippled  
and Disabled, New York, and  
at the New York University  
School of Social Work.

In 1956 he was awarded the  
degree of Master of Arts by  
Columbia and also a profession-  
al diploma as Rehabilitation  
Counsellor.

### Acadians To Celebrate

The 8,000 Acadians of Clare,  
living along the French Shore  
of St. Mary's Bay, Nova Scotia,  
are preparing for an invasion  
in August, an invasion of thou-  
sands of friends, relatives and  
visitors from the New England  
States, the Maritimes and other  
sections of the United States  
and Canada.

August 8 to 15 will mark the  
second annual Acadian Festival  
of Clare, an event which bids  
fair to become the top-ranking  
of its kind on the continent,  
with emphasis placed on cus-  
toms, traditions and language  
which the Clare Acadians have

preserved with the greatest  
fidelity. Ten different committees,  
working in close collaboration  
with the main festival commit-  
tee headed by Dr. Julius J.  
Comeau, Meteghan, are expend-  
ing all effort to make the Acadian  
Festival an outstanding,  
worthwhile success. Taking an  
active part is the Clare Board  
of Trade, led by president Ker-  
neth Weaver.

A definite program has been  
announced with a gala Acadian  
Ball scheduled for Thursday  
night, August 8, at which Gab-  
riel and Evangeline will be  
chosen to reign over the festive  
event. This will be held at the  
Parish Hall, Meteghan.

A grand dance will take place  
in Bellevue's Cove on Friday  
with gay soirees in other local-  
ities along the shore.

During the afternoon and  
night of Saturday festivities  
will centre around Bellevue's  
Cove commencing with a mam-  
moth barbecue with bands pro-  
viding additional entertainment  
and culminating at night with  
a huge bonfire on the shore at  
Pointe a Major. One of the  
highlights, thousands are ex-  
pected to be in attendance.

A spectacle Sunday will be a  
gigantic parade, two-miles in  
length, consisting of floats and  
decorated cars. The colorful  
parade will wind its way along  
a 10-mile route on Highway 1  
from Cape St. Mary's to Saul-  
nierville. Its arrival on the  
grounds of Gay School will sig-  
nal the beginning of an open  
air concert, climaxed by pre-  
sentation of awards for the  
most outstanding floats.

"Les Talents de Chez Nous,"  
a talent embracing racial  
music, dancing, singing and  
folklore will be held in the  
evening, Monday, August 12, at  
St. Anne's College, Church  
Point. Tuesday afternoon the  
children will take over with a  
Field Day and Doll Carriage  
Parade on St. Anne's grounds.

Wednesday's activities in-  
clude a grand Bingo with spe-  
cial features in the Meteghan  
Parish Hall and the Acadian  
Festival will be brought to a  
fitting close, Thursday, with  
special religious ceremonies in  
all the numerous churches  
along the shore, in honor of the  
patron Saint of the Acadians,  
Our Lady of the Assumption.

Exhibitions of local hand-  
craft, paintings and industrial  
products will be displayed at St.  
Anne's College, Monday and  
Tuesday.

With thousands of Clare Acad-  
ians dressed in old French pro-  
vincial costumes and the Acadian  
flag flying from mastsheads  
along the 32-mile-long shore,  
the district of Clare will appear  
as a transplanted section of old  
France during the week of the  
Acadian Festival.

## FIELD DAYS PLANNED

The Illustration Station Divi-  
sion of the Kentville Experiment-  
al Farm is sponsoring field days  
on the Illustration Stations in  
Western Nova Scotia to explain  
to the farmers in the areas the  
results of experimental work  
being conducted and the overall  
general farm plan being con-  
ducted. The meetings start at  
7:30 p.m. with a tour of ex-  
perimental work and later a  
meeting in a marquee tent on  
each of the farms to discuss the  
work in more detail. The dates

## 80 Years Old But Still Active Gardener

Mr. Wilfred Robbins, an old friend of Mr. W. H. Cossaboom, Port Maitland, read with interest the account of his gardening activities.

Mr. Robbins has one over Mr. Cossaboom in regards to peas. His are not only up but ready for hoeing. However, Mr. Cossaboom scores in the planting of strawberry plants and the number of hills of potatoes. Mr. Robbins, who is 80 years old, also uses only hand tools and raises all his own vegetables as well as having "quite a famous" roadside flower garden.

## Public Health Nursing Staff Changes

The following changes in Public Health Nursing Staff have been announced by Miss Caroline Macdougall, Supervisor of Nurses, Western Division, Department of Public Health, Yarmouth.

Miss Yvonne Theriault, daughter of Mr. and Mrs. E. J. Theriault, Digby, is resigning at the end of May as staff nurse in Argyle Municipality. Miss Theriault is a graduate of the Hotel Dieu Hospital, Moncton, and of Dalhousie University School of Nursing, Halifax. She has been a valued member of the staff of Western Division for the past two years, and will be greatly missed in the communities of

Argyle.

Miss Florence Thibault, daughter of Mr. and Mrs. Frederick J. Thibault, Digby, has been appointed to the staff and will temporarily be stationed in Yarmouth. Miss Thibault attended schools in Digby and graduated from the Children's Hospital, Halifax. In May of this year, she received her diploma in Public Health Nursing from Dalhousie University School of Nursing. Prior to entering University last September Miss Thibault worked in Western Division for several months, and has had several years nursing experience in hospitals across Canada.

## Letter To The Editor

Smith's Cove, N. S.,  
May 30, 1957.

Editor of the Digby Courier,  
Dear Editor:

There has been much talk recently in all branches of Citizenship about youth. Will you accord youth a little space in your paper to reply to the letter by "Citizen" in the May 9th issue of the Courier?

First, I fully agree with Citizen that we are already seeing the "handwriting on the wall." There our viewpoints part company, I am afraid "Citizen" failed to take into consideration the rest of the passage of scripture found in the 5th chapter of Daniel from which his text was taken. Was it not the drinking of wine and the vice of rioting accompanying that caused Belshazzar and a thousand of his lords to read the handwriting on the wall?

Surely when we hear of, and see, boys and girls of high school age drinking strong drink, some even staggering home, when we read of the brutal murders, suicides, car accidents and other accidents by the score caused by liquor we are more certainly reading the handwriting on the wall because of the liquor outlets which we already have.

If we, like Belshazzar who coveted the golden vessels, covet the gold and silver paid by those who are attracted by added liquor outlets we will read the handwriting on the wall even to a greater degree than at present.

The majority of young wives and mothers do not want drinking husbands and fathers for their little children. True they may not have realized the seriousness of it until these little ones came to bless their homes. Neither do they want their young children, or older ones, perhaps, themselves crushed beneath the wheels of vehicles driven by drinking drivers even though those drivers may have come from a distance being attracted by added liquor outlets and even though they might have paved the very streets with their gold. What comfort is gold and silver to broken hearted parents who see their young sons and daughters travelling the downward path of vice and shame through strong drink? Or what comfort is gold and silver to young mothers and fathers who have their children torn from them by any of the many accidents caused by drinking?

Again with "Citizen" I would say "DON'T READ THE HANDWRITING ON THE WALL," but I would add the words which always accompany the use of beverage alcohol. Please take your Bibles and read the following passages: Daniel, Chapter 5: Proverbs, Chapter 23, verses 31-32; Romans, Chapter 14, verse 21. "A Young Mother."

## IT'S ALWAYS COTTAGE CHEESE TIME...

You may be surprised to learn that most anything you make in your kitchen has a cottage cheese version . . . yet whether you're planning the main dish, salad, dessert, or perhaps hors d'oeuvre for a party, there's an interesting recipe for it using cottage cheese. The cottage cheese variation of old-time favorites makes for culinary excitement at anytime of the year . . . but particularly in the spring and summer months when cottage cheese plays a leading role in cool summer eating. In this dairy month of June . . . when dairy foods are at the peak of their production . . . we're featuring cottage cheese in Cottage Rice Pudding, a dessert so decidedly different that even those who are not fanatics of rice pudding will be enthusiastic. Using quick cooking rice speeds the pudding along . . . the rice is cooked for about 4 minutes, then milk, the yolk of an egg, sugar, nutmeg, cottage cheese

and raisins are added and the whole brought to the boiling point. To give the pudding a tart flavor, thick orange marmalade is stirred in . . . and after standing for 10 minutes, your pudding's ready to serve to four.

## Cottage Rice Pudding

(Makes 4 Servings)

1/2 cup quick cooking rice; 1/4 teaspoon salt; 3/4 cup water; 1/2 cup milk; 1 egg yolk, beaten slightly; 2 tablespoons sugar; 1/4 teaspoon nutmeg; 1/2 cup cottage cheese; 1/4 cup raisins; 1/4 cup thick orange marmalade.

Combine rice, salt and water in heavy saucepan or top of double boiler. Boil 4 minutes. Remove from heat and add milk, egg yolk, sugar, nutmeg, cottage cheese and raisins. Bring to boiling point, remove from heat and stir in marmalade. Cover and let stand for 10 minutes. Serve hot or warm.

*They're eager-beaver beauties... these Chevrolet wagons!*

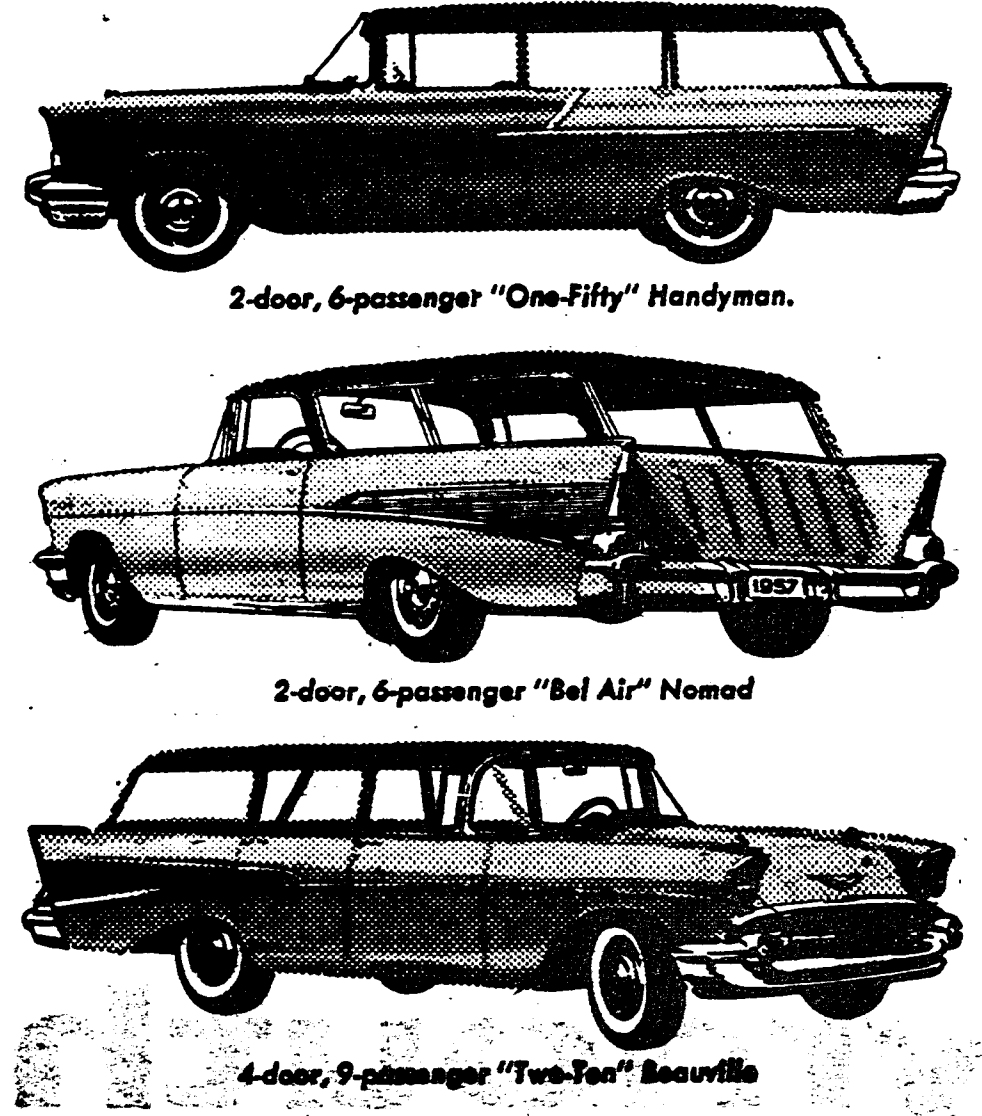

A GENERAL MOTORS VALUE New '57 Chevrolet station wagons have Body by Fisher, of course. Above, the "Bel Air" 4-door Townsman.

They're built to carry heavy loads, yes, but you can drive them with a light touch—these gay, good-looking Chevrolet wagons. You have six models to choose from — and they're all Sweet, Smooth and Sassy!

Talk about beautiful hard-working wagons! Chevrolet offers you the handsomest line-up of all to choose from. Whatever the work load you have in mind for the coming years, and whatever the price, here are the eager beavers to see!

There are two-door and four-door models, with six- or nine-passenger capacities. They convert in a flash to take up to a half a ton of cargo. Being a Chevy, the one you choose will be a joy to handle with its steady way of going, its easier steering, smoother cornering and its keen, alert response. Take your pick of five great engines... mighty V8's and the best-selling, most trusted, best-built 6 in the world. The modern performance YOU want, Chevy has.

2-door, 6-passenger "One-Fifty" Handyman.  
2-door, 6-passenger "Bel Air" Nomad  
4-door, 9-passenger "Two-Ten" Beauville

Month after month since the '57 Chevrolet was introduced, Canadians have bought more Chevrolets than any other car... positive proof of public preference.

# CARS ARE MY LINE

by Ken Hankinson  
**TWO BOYS & A USED CAR DEALER**  
They tell the story about the used car operator who set up his trailer on a vacant lot in these parts a few years ago.

got himself a few worn-out oil-burners in shiny bodies and with that was all set for business.

Among his first customers were two young lads who were looking for a car to take them on a cross-country tour. They were trusting lads and after some real side-winding sales talk they plunked their dough down for a klunker in the back row.

Well, sad to relate, the old buggy broke down 100 miles from town, and 200 miles from town and 500 miles from town, and, as a matter of fact, it broke down just about once a day.

But these were spirited lads and they "er complained (not that it would have done them any good anyway). At almost every stop they sent back to their used car friend a postcard with the message "Wish you were here".

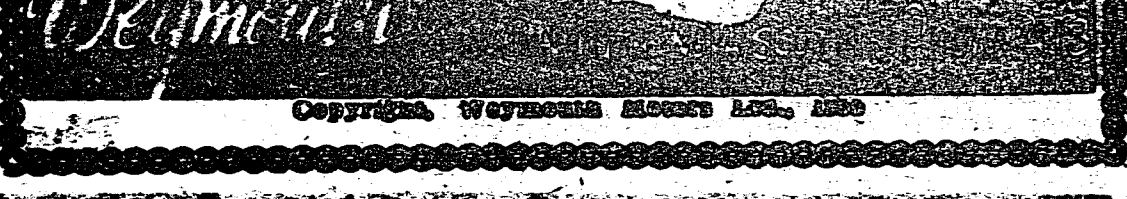

The postcards were sent from Leavenworth, Death Valley, Hell's Canyon and Suicide Gorge.

We don't know whether the boys ever got back to that town, but one day that used car dealer disappeared and no one ever saw him again.

This little story, though, brings to mind the problem: how can you ever really be sure when you're looking at a used car that the glistening wax and touched up tires aren't distractions to hide a twisted frame and a haywire engine?

You can never really be sure — unless you're sure of the dealer you've gone to. The need of a franchise agency — like ourselves — to have lots of happy customers is your most important warranty.

That warranty of thorough service and the best prices doesn't last for 30 days, or 60, or 90, it lasts forever.

## Double Cola Of Canada Limited Announces Important Changes And Expansion Plans

Mark Seguin, President of Double Cola of Canada Limited, is pleased to announce the election of Robert E. Ardiel and Herbert C. Rogers to the Board of Directors of Double Cola of Canada Limited.

Mr. Seguin has been associated with Double Cola of Canada Limited, as President, since its inception here two years ago. Double Cola Company of Chattanooga, Tenn., is the world's 3rd largest producer of cola and has enjoyed tremendous success throughout the United States. In the two short years in Canada, Double Cola of Canada Limited has appointed some 28 franchised bottlers from coast-to-coast and its new plans call for a very carefully planned expansion in selected markets in Canada during the next few years.

The franchised bottler for Double Cola in the Digby and Weymouth area is Weymouth Springs Bottling Co., Weymouth, a local company under the management of Mr. M. S. Mullen.

Mr. Wilfred P. Gregory, Q.C., Vice-President, formerly senior partner in Gregory, Anderson, Egoetz and Bell, Stratford, is now managing director of the British Mortgage and Trust Corporation of Ontario. Mr. Gregory is a Bench (Governing Body) of the Law Society of Upper Canada and a Director of the Strat-

ford Shakespearean Festival Foundation of Canada. He has been mayor of Stratford for the past two years.

Mr. Herbert C. Rogers brings to the Board of Double Cola of Canada Limited a complete and up-to-date knowledge of the business procedure for production and financing in the bottling industry. He has acted as consultant on many occasions on the designing of accounting systems and methods. Mr. Rogers is a partner in the firm of Wilton C. Eddis and Son, Chartered Accountants, Toronto, and has been associated with his firm for 21 years.

Mr. Robert E. Ardiel, President and General Manager of one of Canada's oldest National advertising and merchandising companies, The Ardiel Advertising Agency Limited, brings to Double Cola of Canada Limited, many years of experience in all phases of marketing, advertising and merchandising from manufacturing to point-of-sale, and including public relations and publicity. Mr. Ardiel is a Director of the World Institute of Advertising Agencies.

Double Cola of Canada Limited supplies Double Cola concentrate to the Double Cola family of bottlers from coast-to-coast and maintains rigid quality control until the time it reaches the hands of the consumer.

## MARRIAGES

### Ells — Mullen

A pretty spring wedding was solemnized at St. Andrew's United church, Wolfville, when Myrna Forence, only daughter of Mr. and Mrs. Winston Mullen, became the bride of William Webster, eldest son of Mr. and Mrs. Kenneth Ells, of Upper Canada, Kings County. Rev. John Barbour, Canning, assisted by Dr. Herman Olsen, Wolfville, officiated at the double ring ceremony.

The bride, given in marriage by her father, looked charming in a gown of slipper satin and nylon lace, featuring a full hooped skirt and train, long lace sleeves coming to a point at the wrists. Tiny pearl buttons extended down the center back from neck to the torso waist line. She wore a pearl necklace and ear rings. A finger-up embroidered veil was held in place by a halo head dress of pearls. She carried a white Bible adorned with lace and an orchid with attached streamers.

The bride was attended by Mrs. Bertram Eagles of New Minas, sister of the groom. Miss Betty Mullen, cousin of the bride was junior bridesmaid. Train bearer was little Linda Eagles, niece of the groom. Bertram Eagles, brother-in-law of the groom acted as best man.

Immediately following the ceremony a reception was held at Blomdon Lodge with about 100 guests in attendance. Mr. and Mrs. Ells will reside in the Annapolis Valley.

### Tynes — Tynes

St. Peter's Parish entertained at a social evening and reception at Killam Hall Thursday evening in honor of the new rector, Rev. E. C. Irwin, who came to Weymouth in May. A number of special guests attended among whom were Rev. Canon Puxley, president of Kings College, and Mrs. Puxley, Rev. and Mrs. H. Y. MacLean, of Digby, Mrs. V. G. Cardoza and daughter, Elizabeth, of Digby, as well as a number of local residents. Rev. Dr. D. F. Forrester acted as host for the reception which was followed by speeches of welcome to Mr. Irwin by Canon Puxley, Rev. H. Y. MacLean and Rev. Wm. Armitage of the United Church, Weymouth. The wardens, members of the vestry and presidents of the women's organizations also gave a word of welcome.

Dr. Forrester extended a greeting and thanked the parishioners for their co-operation during the nine months while he was priest in charge. Mr. Irwin replied to the greetings with thanks and said he hoped to have a successful ministry in the parish and looked forward to a united effort in the Lord's work. Immediately following this Mr. Irwin presented an album of records of Handel's Messiah to Rev. Dr. Forrester as a token of love and appreciation from the parish.

Mrs. Leah Marshall was presented with a corsage and gift of money in appreciation of many years of faithfulness as organist in both St. Peter's and St. Thomas' churches. Mrs. V. G. Cardoza accepted a gift on behalf of Mr. Cardoza who was unable to be present. Mr. Cardoza took charge of the evening services in the parish during the winter months.

Delightful refreshments were served, the tables being decorated with lovely apple blossoms and spring flowers, silver candelabras and pink candles. Mrs. Robert Bartlett and Mrs. John Halliday, wives of the wardens, poured tea for the first hour and Mrs. Max Cromwell and Mrs. Ralph Jarvis, wives of the vestrymen of St. Matthew's church poured for the second hour. Cards and dancing and a singing brought a most delightful

A COLORFUL CEREMONY was held aboard the Canadian National Railway motor ship, "Nonia," at St. John's, Nfld., when Lady Outerbridge, wife of the Lieutenant Governor of the province, presented the vessel with a bronze plaque. Lady Outerbridge, a Honorary President of the Newfoundland Outport Nursing and Industrial Association, the organization after which the ship is named, NONTIA was started in Newfoundland about 35 years ago as a unique welfare project designed to bring medical services to the people of the isolated coastal settlements which are served by the new CNR ship.

A SILVER TELEGRAPH KEY, symbolic of the communications industry, is received by Sir Leonard Outerbridge, (left), Lieutenant Governor of Newfoundland, from John R. White of Toronto, general manager of Canadian National Telegraphs. The presentation was a part of colourful ceremonies marking the official opening, by Sir Leonard, of CNT's new \$1,500,000 communications centre in St. John's. The big building, one of the most modern in Canada, now is the headquarters of the extensive CNT telegraph, telephone and radio services in Newfoundland. It is also the eastern terminal of the last link of the trans-Canada television network which CNT will complete in 1958 between Sydney, N. S., and St. John's, Nfld., at a cost of nine-million-dollars.

## Children's Aid Hold Joint Conference At Annapolis Royal

The first joint conference of the Nova Scotia Association of Children's Aid Societies and the Nova Scotia Association of Child Caring Institutions was held at the Community Centre, Annapolis Royal, recently. Canon Arnold, of Sydney, opened the sessions with prayer and the delegates were welcomed by Mrs. Gladys Porter, of Kentville, President of the Association of Children's Aid Societies and Sister Mary Clare, Home of the Guardian Angel, Halifax. President of the Association of Child Caring Institutions. The address of welcome from the Town of Annapolis Royal was given by Mr. Peter M. Nicholson, M.L.A., as His Worship Mayor Hall was unable to be present. Registration of the 75 delegates was in charge of Mrs. J. C. F. Owen, 2nd Vice-President of the Children's Aid Society of Annapolis, and Mrs. Merle Gibson and Miss Katherine Mills, members of the Board of Directors.

Mr. W. H. E. Ry, Director of Child Welfare for the Province of Ontario, was the special institute speaker during the first two days and gave a most interesting account of the history and growth of welfare services in that province.

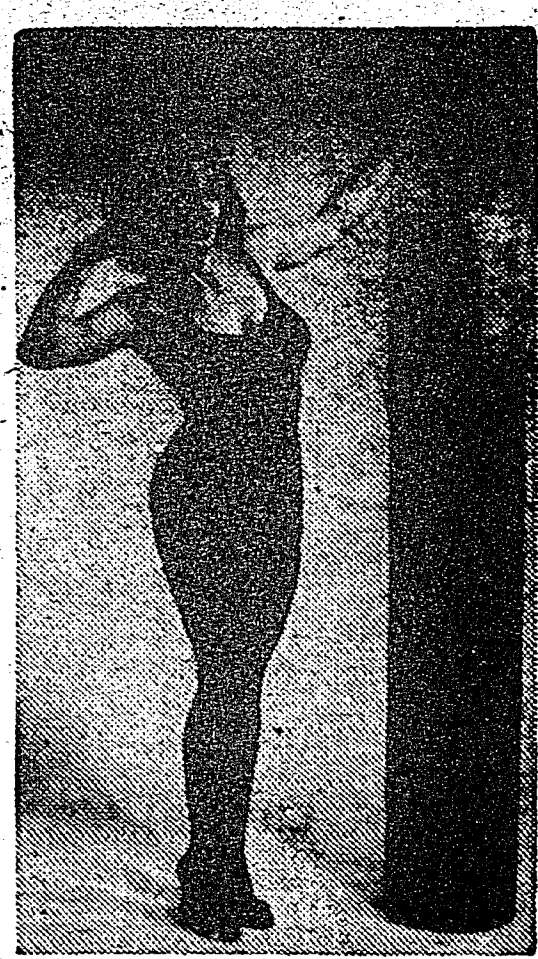

At the luncheon the guest speaker was Dr. Watson Kirkconnell, President of Acadia University. He gave a talk on his own experience in social service work. He said he had never been either a ward or an official of the Children's Aid Society but for five years in Winnipeg (1933-35) he had been active in prisoners' welfare work and secretary of the regular visiting committee of the Canadian Welfare Association Children's Aid. Later he was for nine years Chairman of the Social Service Committee of the Baptist Federation of Canada and had had to keep in touch with the whole range of social service work in Canada.

Among many interesting topics discussed were "Delinquency Problem of Children" Speaker, Mr. J. A. Grandy, Supervisor of Delinquency Services, Department of Public Welfare, Halifax. He said "This is a community problem and as such the responsibility is on the community to deal with it." He mentioned that in a study of 500 delinquents by the Glucks it was brought out that the age at which the largest number first appeared in Court was between 11 and 13 years. 90% of the group had marked difficulty adjusting to normal social life before 11 and 50% gave signs of becoming delinquent at the age of 8. Juvenile delinquency he said is usually the result of failure to satisfy the basic needs of children and youth such as their need for love and affection, a sense of belonging, a sense of security, opportunity for growth and achievement and for recognition. Discussants of the delinquency problems were Mr. George Colwell, psychiatric social worker at the N. S. School for Boys, and Mother Mary of St. Esther, Home of the Good Shepherd, Halifax. Chairman, A. J. Sands, Principal of the N. S. School for Boys.

"Unmarried Parents and Adoptions" — Speaker, Rev. Father Webb, Diocesan Charities, Sydney. He spoke of the need of unmarried parents for the services of a Social Agency to assist them in their problems. There are feeling problems on the part of the mother around the fact of her pregnancy arrangements to be worked out before and during her confinement, plans for the child and her own future. Discussants during this period were Miss Isabel McLellan and Miss Lilian Romkey, of the Department of Public Welfare, Halifax, and Miss Bernice Boudreau, of the Department in Sydney, Chairman, Rev. A. P. Hunt, Executive Director of the Yarmouth Children's Aid Society.

Other subjects were "Emotional Problems With Children" Speaker — Dr. E. Cleveland, Executive Director Fundy Mental Health Clinic, Wolfville. Discussants, Dr. Ralph Townsend, Phyllis Marshall

## Giant Firecracker!

The day children wait for as they stock up on firecrackers is July 1st. They are probably envious of this huge firecracker; no doubt the picture is equally interesting to male viewers thanks to dancer Joan Roberts. Joan can be seen each week on CBC television's "Cross-Canada Hit Parade".

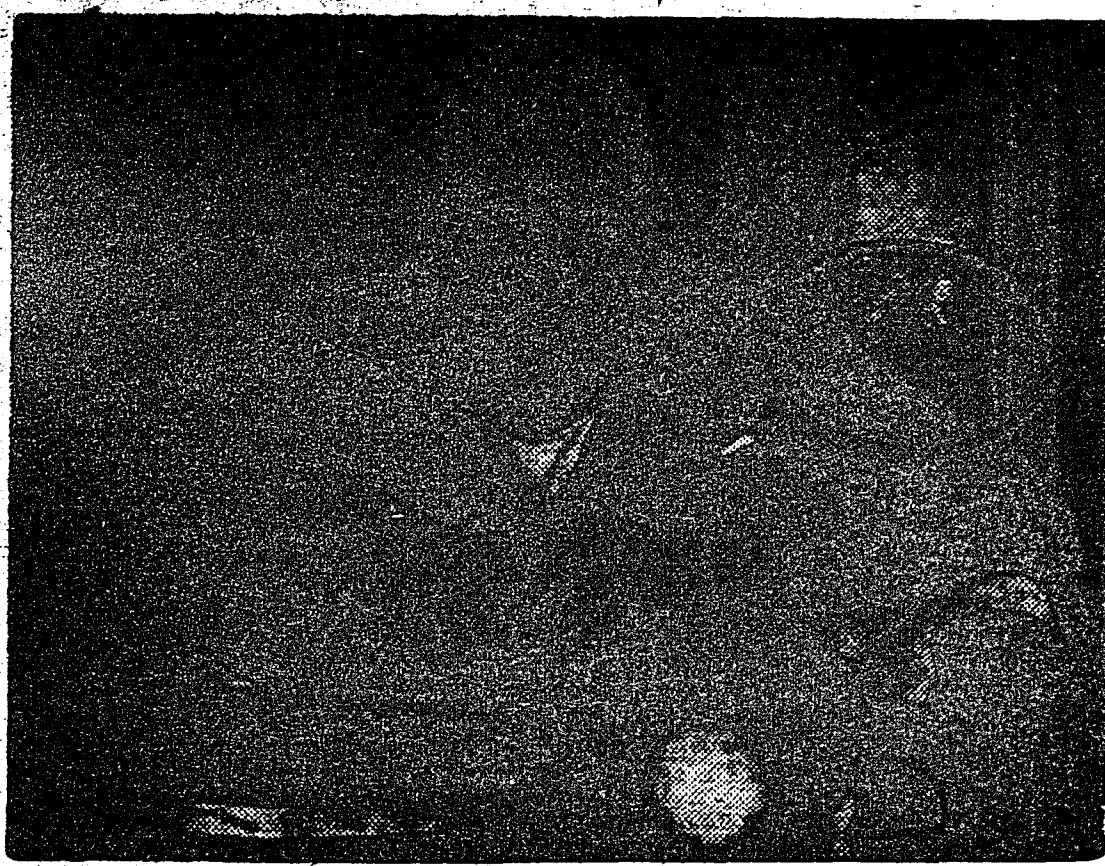

Psychiatrist, Fundy Mental Health Clinic, and Mr. L. R. Denton, Chief Psychologist, Department of Public Welfare. "Significance of Worker Relationships between C. A. S. and Institutions". Speaker, Miss F. L. Montgomery, Assistant Director Maritime School of Soc-

ial Work, Halifax. "Recruiting Candidates For Social Work". Speaker, Mr. L. T. Hancock, Director of Maritime School of Social Work, Halifax. "Indian Affairs". Speaker, Miss Edith Appleby, Social Worker, Department of Indian Affairs, Amherst. "Responsibilities of Board Members". Speaker, Mr. D. C. McCready, Past President of the C. A. S. of Pictou. Discussants, Mr. Herbert Mosher, President C. A. S. Halifax, and Mr. Eric Dick, Superintendent N. S. Training School, Truro.

The Conference ended with a delicious lobster dinner provided by the Community Centre when the guest speaker was Mr. F. R. MacKinnon, Director of Child Welfare for the Province of Nova Scotia. His subject was "The Transient Poor". He said he had searched the records of the Departments in Halifax and the Archives in Halifax and at Fort Anne Museum and prepared a most interesting address on the conjectures and myths surrounding "Jerome", that legless, speechless, homeless castaway found on the shores of the Bay of Fundy at Sandy Cove in the year 1863. Although he lived in Nova Scotia for 49 years nothing was ever discovered about whence he came and his maintenance was paid by the Municipality under the heading "Transient Poor."

## Decide Against Operating Pool

The Digby Kiwanis Club has decided against operating their swimming pool at the Racquette this summer, it was learned here this week.

One reason given for the decision not to operate the pool at the Racquette this summer is the condition of the underside of the bridge over the Racquette River, which is reported to be in bad shape.

It is understood rocks on the underside of the bridge are giving away and fears have been expressed a rock fall might injure some youngster using the pool, therefore it was decided not to operate at all this summer.

## Elect Slate

The Little River W.M.S. held their Annual Business Meeting at the home of Mrs. Reginald Trask, with the President, Mrs. Rupert Trask, presiding.

The meeting opened with a short devotional period led by Mrs. Clayton Denton Jr. Her theme was "Healing Power". A poem, "The Touch Divine", was read by Mrs. Reginald Trask.

During the business period the nominating committee appointed the following slate of officers for the coming year: President, Mrs. Rupert Trask; Vice Pres., Mrs. Lee Trask; Secretary, Mrs. Eldred Frost; Treas., Mrs. Royce Elderkin; Organist, Mrs. Annie Ingersoll.

Asst. Organist, Mrs. Edgar Trask.

Baby Band Leader, Mrs. Eldred Frost.

Asst. Baby Band Leader, Mrs. Royce Elderkin.

Mission Band Leader, Mrs. Bernard Denton.

Asst. Mission Band Leader, Mrs. Claude Olmstead.

Sick and Visiting Committee — names to be taken from the roll call and changed each month.

Two Life Membership certificates were presented to Mrs. Clayton Denton and Mrs. Clyde Denton.

A short outline of the seven mission hospitals in India was given by Mrs. Stanley Denton.

## Digby Girl Guides

A preliminary meeting of those interested in forming a Girl Guide Company in Digby was held in Trinity Church Hall on Friday evening at 7:30 p.m. Twenty-four girls were present and a keen interest shown in forming a company.

Four Patrol Leaders and four second leaders were elected, and it was decided to meet occasionally during the summer months to learn the various tests required to pass the Tenderfoot Test, a necessity for a Girl Guide.

The Patrol Leaders arranged to spend Saturday, 22nd inst., out of doors.

## To Commence Sunday Trips

The popular Sunday trips of the Princess Helene from Saint John, N. B., to Digby, N. S., across the Bay of Fundy and return, will be instituted again this year, it was announced today by George Walsh, district passenger agent for the Canadian Pacific Railway, operators of the 4,000-ton vessel.

From June 23 through September 8 the Princess Helene will make the round trip across the 43-mile stretch of water, providing the dual purpose of accommodating the heavy flow of tourists travelling through the Maritime provinces during the summer months, and affording residents of Saint John and district and visitors with an opportunity to take a one-day ocean cruise.

The special Sunday return service will help ease the backlog of people who daily use this popular route between New Brunswick and Nova Scotia. Cabin and meal facilities are available on Sundays and automobiles will be carried as during the week-day trips.

Mr. Walsh pointed out that both an excursion rate and a special all-expense package tour rate will be in effect this summer. The all-expense tour, limited to 90 persons, includes return passage on the ship, lunch at the renowned Digby Pines Hotel and taxi service between Digby Wharf and the Pines. Prices of the full day travel package in effect from June 23 until Sept. 1, is \$5.65, while the return one-day excursion fare is \$2.95.

The Sunday schedule of the Princess Helene will see the ship sail from Saint John at 9:15 a.m. A.S.T., arriving at Digby at 12:15 p.m. A.S.T. After a four-hour layover at Digby, the ship sails from there at 4:15 p.m. A.S.T., and arrives at Saint John at 7:15 p.m. A.S.T.

## New Comers Welcomed

At Tiverton Home and School Association's June meeting, a welcome was extended to Mr. and Mrs. Ronald Peake, new residents in the community, who have recently come from England with their three daughters.

The programme featured a panel discussion on whether education is better today than in grandfather's day. Members of the panel were Mr. and Mrs. David Outhouse, Mr. and Mrs. Chester Outhouse, and Mrs. Edwin Outhouse.

At this closing meeting of the season, retiring president, Chester Outhouse, praised highly the success of the vocal training given the school children during the past term by Mrs. Rowena Small, and expressed the appreciation of all the parents. The meeting voted to endeavour to secure her services for the coming school term. Mrs. Small was presented with a silver cream and sugar set with matching tray, as a token of thanks. Gifts were also given to her assistants, Mrs. Emma Outhouse and Mrs. Bertha Ruggles; also to Mrs. Doris Outhouse.

During the business meeting arrangements were made for a house-to-house canvas in preparation for the Mobile T. B. X-Ray Unit, which will be in Tiverton on June 25th.

## W. I. Meets

The Rossway Women's Institute met in the hall on Monday evening, June 17th, a postponement from the regular second Tuesday evening of the month. Six members attended. Roll call was answered to by naming a cut of meat.

After the short business period and reports read, discussions took place on "how to make money to boost our funds" and "how does publicity help the Women's Institute."

Mrs. Edison Specht, convener of the planned June program on Home Economics, was not present so Mrs. W. Comeau filled in with the "Life of the Famous Canadian Indian Poetess E. Pauline Johnson", after which each member read a poem from "Flint and Feather", the book containing her collection of poems.

Mrs. Thurston Banks, social convener, concluded the evening's programme by having an unique "spelling bee". Instead of speaking the vowels they were answered to by different motions for each of the vowels contained in the word to be spelled.

## Has Narrow Brush With Death

A crew member of the Liberian freighter, "Maria Luisa", had a close brush with death here Thursday evening when he plunged headlong off the top deck of the vessel into the harbour.

The accident occurred as the crew were making fast the deckload of pitprops. In some manner the seaman lost his balance and plunged overboard between the vessel and the dock.

Two of his shipmates jumped overboard and a rope was tossed down and the seaman hauled on board. He had evidently struck his head in falling for he was unconscious and badly waterlogged when brought to the deck. Artificial respiration revived him, however, and he was later taken to the hospital for observation. He was released from the hospital next morning.

One crew member, who decided to leave the "Maria Luisa" before she sailed, was apprehended near Digby Sunday afternoon. The vessel sailed Friday after delaying her departure for some hours in the hope the missing man might return.

## Injured In Car Accident

Kenneth Raymond, of New York, son of Mr. and Mrs. Maurice Raymond, of Digby, is a patient in the Digby General Hospital suffering from a broken hip and other injuries following a car accident Friday evening.

The accident occurred shortly after seven o'clock Friday evening just west of Brighton when the car driven by Raymond left the road. The car was badly demolished by the crash and Raymond suffered severe cuts and a broken hip.

Ronald Carpenter, of Digby, also an occupant of the car, received minor injuries and was treated at the Digby General Hospital.

Mr. and Mrs. Lloyd Forsyth, of Danvers, Mass., Mrs. John Covert, John, Frank and Wilfred Kilcup, all of Kentville, spent Sunday with Mr. and Mrs. George Kilcup.

## Ten Year Old Boy Killed On Bike

Ten-year-old Laurie Morrell, son of Mr. and Mrs. Carl Morrell, Barton, was killed Tuesday afternoon when his bicycle was involved in a collision with a car, driven by Harold J. Bishop, 5 Lawnwood Ave., Armdale.

The accident occurred about 1:30 p.m. on the main highway at Barton, near the Baptist church.

An inquest was called into the fatality by Digby Coroner, Reigh Jayne, and met Tuesday afternoon.

Evidence given by Mr. Bishop at the inquest indicated the boy had jumped on his bicycle as his car approached where the boy and a companion were standing on the roadside, the lad swerved the bicycle directly into the path of Bishop's car and, he stated, he had no opportunity to avoid striking him.

After viewing the body and hearing evidence of Mr. Bishop and his mother, Mrs. Susan Bishop, the inquest was adjourned until next Monday. Foreman of the jury is A. Reginald Turnbull.

The young accident victim is survived by his parents and by several brothers and sisters.

## Plan Bass Tournament

A bass fishing tournament in connection with the annual Cherry Carnival in Bear River is being sponsored by the Bear River Fire Department, it was learned here this week.

The tournament, which gets underway June 20th, and continues through until September 1st, carries an attractive prize for the largest bass caught during that period.

Entry forms for the competition are available in Digby from Fred Mulse, and in Bear River from M. C. Parker, it is understood.

In the meantime reports are coming in of sizeable bass caught on the Bear River, locale of the proposed competition. This week Earl VanTassel caught a twelve pounder and last week Shirley Clayton hooked a nice fourteen pounder.

## Married At Smith's Cove

Above are shown Lieut. and Mrs. Ernest E. Lowen, who were married last Saturday at Smith's Cove. The bride is the former Sibyl Jean MacPherson, daughter of Captain and Mrs. James I. MacPherson, while the groom is the son of Mr. and Mrs. George Lowen, of Charleston, West Virginia. The marriage was performed by the Rev. Dr. T. W. Hodgson. (Photo by Jeanette Yates).

## Accidental Death Verdict Given

A verdict that Walton John Wamback came to his death as a result of an accident, was arrived at by the Coroner's jury, empaneled by Digby Coroner Reigh Jayne, to enquire into the death of the young scallop fisherman, killed last week when the car he was driving went off the road at Smith's Cove.

Harry Hilton Gregory, a passenger in the Wamback car, gave evidence at Friday night's adjourned sitting of the Coroner's inquest. He could shed no light on the cause of the tragedy as he stated he had been asleep at the time of the crash and knew nothing about it. He received a broken arm and other injuries in the accident.

Mrs. James Wong and daughter, Lilla, motored to Halifax and Dartmouth last week, and on their return visited Capt. and Mrs. Ferguson in Hantsport.

## Leave For France

Shown above are LAC and Mrs. Austin Westcott, who left on June 12th for Grostenquin, France, where LAC Westcott will be stationed with the RCAF. Mr. Westcott is a son of Councillor and Mrs. Sydney Westcott, of Watford. Mrs. Westcott is the former Mildred Pyne, daughter of the late Mr. and Mrs. Irvin Pyne, of Tiverton.

## Speaks To Youth Leaders

Miss Margaret Caruthers, Student Field Worker from the United Church of Canada Training School, Toronto, was guest speaker at a meeting held in the Bridgetown United Church on Saturday. Miss Caruthers, a native of Augustine Cove, Prince Edward Island, and a former school teacher, is touring the Maritimes in the interest of leaders of the younger groups of the churches and will be at the Pinehurst M.R.E.C. camp during the present summer. On Saturday she illustrated new games for children, suggested programs and materials for use with the younger groups and showed samples of handwork suitable for teaching various ages of children.

The meeting was presided over by Mrs. Gertrude Fraser, vice-president of the Bridgetown United W.M.S., and Mrs. B. G. Elsner led the worship. The speaker was thanked by Mrs. Fraser. Refreshments were served to those who attended from the Bridgetown to Digby district. While in Bridgetown Miss Caruthers was entertained at the home of Mrs. A. M. Lyett.

## Communities Should Attract Visitors

The provincial government can create the atmosphere but it is the communities and the private concerns which can do most to make the tourist industry flourish, said Hon. E. A. Manson, Minister of Trade and Industry, in addressing a luncheon meeting of the Nova Scotia Weekly Newspapers Association held at the Nova Scotian Hotel, Halifax, on Friday. To attract tourists a community must be neat and attractive, there must be homey and clean eating places and something for the tourist to do. He advocated welcome signs with activities of the community advertised during the tourist season. He said that communities should stick to the normal activities and recreation of the community as tourists wanted to have a change and something different from the activity of their own city or town. These, he said, needed to be advertised to attract the tourist. Mr. Manson also said he would like to see the development of more trailer grounds and camping sites in the province.

Friday's meeting was presided over by the president, Ralph Morton, of the Dartmouth Free Press, and attended by newspaper people from various points in Nova Scotia. Representing The Digby Courier were Mrs. J. M. Wallis and Mr. and Mrs. Daniel Garnum, Halifax. The afternoon session dealt with matters pertaining to the weekly newspaper business and laying preliminary plans for entertaining the Canadian Weekly Newspapers Association in Nova Scotia in 1958.

Speakers at the evening dinner were Robert H. Jardine, Provincial District Manager of Dominion Stores Ltd., and Syd Kennedy, of C.B.C. Broadcasting.

Mr. Jardine said that the Dominion Stores Ltd. were purchasing more than \$2,500,000 worth of Nova Scotia produced food products in a year.

Mr. Jardine said there were many segments of this province's agricultural economy that were not fully exploited. He said there was a great growth potential for beef, poultry, egg, pork, horticultural crops and fruit and vegetable production.

"With some sound planning and development, these areas of agriculture and horticulture could be greatly expanded and could in turn add to the prosperity of the whole region," he said.

Dealing with Atlantic Provinces economy on a general basis, he said that most of the problems now confronting the region could be solved through effective leadership.

"And much of that leadership can and should come from our weekly newspaper editors," Mr. Jardine said. "As a moulder of opinion, the role of the editor is of paramount importance." Some specific spendings of Dominion Stores in the province cited by Mr. Jardine included:

## Fair Plans Proceed

Plans for the annual July 1st Fair in Digby are proceeding satisfactorily, it is reported here.

Already many of the booths at the Digby Forum, which will go to make up the Midway at the Fair, are being decorated, and plans for other entertainment features are well underway.

The Fair will open with the annual Princess Ball at which the Scallop Queen for Digby County will be chosen. The Ball this year will be held at the Harbour View Casino in Smith's Cove, on June 26th.

On Sunday evening, June 30, a Sunset Ceremonial will be held at the Digby Ball Park, and the July 1st program will get underway with a Grand Parade at 10:45 on Monday.

Reports on the progress of plans for the Fair will be carried on a series of interviews with committee heads over radio stations CHSJ and CFBC from Monday through Friday until July 1st. The program over CHSJ will be heard from 10:30 to 11:00 a.m. and 1:30 to 2:00 p.m. each day.

Over CFBC the program will be heard from June 24th to 26th inclusive from 2:30 to 3:00 p.m., except on June 25th, when the program will be from 4:00 to 4:30.

## Gives Talk On Orphanage Work

The W.M.S. of the North Range United Baptist Church held its June meeting at the home of Mrs. Ralph McNeill. The president, Mrs. J. V. Andrews, presided.

The responsive reading was led by Mrs. R. R. Winchester. The devotional was given by Mrs. Frank Andrews, who took for her topic "The Task of a Christian", basing her remarks on St. Luke 10:1-10.

Mrs. Milton Bragg prepared the program that followed, using the theme "Christ's Healing". A duet, "Rose of Sharon", was sung very impressively by Mrs. J. V. Andrews and Mrs. Del. Thomas. Mrs. Winchester summarized missionary reports on hospitals in the Canadian Baptist Mission in India. Several members read excerpts from letters written by missionary hospital workers.

Following the program, the president introduced Miss May Bartlett, who spoke briefly on the Preston orphanage for colored children, and gave a report on the work being done for new communities. Miss Bartlett showed colored slides on her work later.

During the social hour refreshments were served by the hosts.

The next meeting will be held at the home of Mrs. Milton Bragg, when Mrs. Lewis Cook will give the devotional and Mrs. Thomas the program.

Mr. and Mrs. Gordon Ellis and daughter, Verile, motored to Halifax on Sunday. They were accompanied by Mrs. Everett Ritcey and Mrs. James Ellis, who is a patient at the Victoria General Hospital.

butter, \$600,000; eggs, \$336,000; bread, cakes and pastry, \$300,000; milk, \$180,000; \$228,000; fresh produce, \$380,000.

Mr. Kennedy reviewed the history of broadcasting during the past 25 years in an extremely interesting and enlightening address. He also gave interesting information on the operation of T.V. today and on the programs televised.

After the dinner members of the Newspaper Association were guests of C.B.C. and toured the Canadian Broadcasting Corporation building in the city, where Charles Albon, Springfield, Ralph Morton, Dartmouth, George Murray, Pictou, and Cecil Day, Liverpool, appeared on the City Reporter program.

Owing to weather conditions a flight on the new Viscount Jet plane for the morning had to be cancelled.

## Lack Of Rain Affecting Crops

A prolonged drought is having a serious effect on crops in the local area, it is learned. According to some farm spokesmen unless a heavy rainfall occurs shortly the strawberry crop will be a failure this year. Hay crops are reported to be very poor with much of the grass maturing early due to the lack of rainfall. Leaf crops are also reported badly affected by the drought and root crops, too, are said to be suffering from the drought.

Another aspect of the prolonged dry spell which may become serious is the effect the lack of rain may have on hydro power development. Although no curtailment has yet been placed on hydro consumption, it is understood storage water is far below normal for the time of year and fears are being expressed some curtailment may have to be put into effect if the dry spell continues much longer.

So far no restrictions on water use have been put into effect by the Town of Digby and reports are that the Lily Lake source is still in good supply. Continuation of the dry spell may change this, however, it is stated.

## V. Snow Addresses Women's Group

The May and June meetings of the W.M.S. of Smith's Cove United Baptist Church were both of special interest.

The May meeting, which was held at the home of Mrs. Lloyd Adams, opened with the usual hymn and prayer, brief business session and the devotional period. Mrs. Alleen Woodman read the scripture, 1st James, 1:15. Miss Blanche Woodman read "Afterward", based on Mark 4:17. Mrs. Foster read a poem entitled "A Woman's Prayer". The roll call word "Deliverance" was answered by thirteen members.

President Miss Winchester then introduced Mr. Vincent Snow, of Digby, special guest speaker. Mr. Snow's topic was "Temptation", used in connection with the problem of alcohol. He quoted from a sermon that the true interpretation of "Lead us not into temptation" in the Lord's Prayer is "Lead us away from temptation". He went on to say that the whole problem brings terrific temptation, especially since there is such an extensive and intensive advertising campaign for the sale of all sorts of alcoholic beverages. We should press for the truth about liquor advertising and work for the suppression of extreme advertising both in Canada and the United States.

He also suggested education through the schools as a means of prevention and highly commended and urged support of "Allied Youth" and "The Sons of Temperance" organizations, that through efforts to curb this great problem was a way to serve the Lord.

Miss Winchester thanked Mr. Snow for his inspiring talk and closed the meeting with prayer by Mrs. Stanley Weir and the Mizpah Benediction.

The June meeting was the Annual Crusade meeting. Ten societies were represented. Miss Sue Winchester presided and opened the meeting with the hymn "Saviour More Than Life To Me". Mrs. William Snow offered prayer and the scripture, Romans 12, was read by Mrs. Stanley Weir.

Life Membership certificates were presented to Mrs. Chester Brinton, Mrs. Lloyd Adams and Mrs. Clayton Woodman, by the president, who expressed her pleasure that these younger members had joined the society and her appreciation of the assistance they had given during the year.

The program was provided by the visiting societies: Bear River — quartette — "A Wonderful Saviour".

Deep Brook — three brief readings on Foreign Missions by Mrs. Myrtle Jackson.

Digby — trio — "All For Jesus".

Little River — chorus — "The Love Of God Is Greater Far".

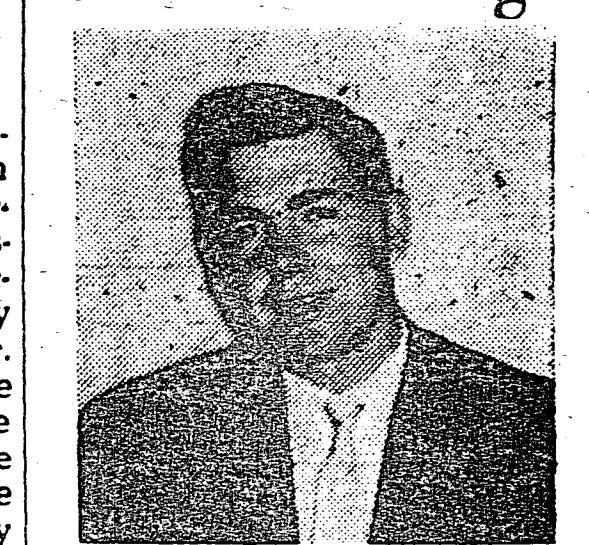

North Range gave their program time to Miss Bartlett, who gave a very interesting lecture, accompanied by colored slides, of the new churches in the rapidly growing areas outside Dartmouth, Halifax, St. John and Moncton.

Clementsport, Clementsvalle, Hill Grove and Sandy Cove were represented but did not participate in the program, because of illness and other reasons.

Mrs. Frances Wallis spoke on behalf of the Smith's Cove United Church, thanking the Baptist W.M.S. for their invitation and expressed the pleasure of herself and other members at being present.

Miss Winchester expressed her pleasure that so many members of so many societies

## Resident Manager

Above is shown Mr. Edward W. Twohig, C.A., resident manager of the newly opened office of H. R. Doane & Co., Chartered Accountants, in Digby.

Mr. Twohig is a native of Kentville and has been with H. R. Doane & Co. for six years, during which time he has done accountancy and auditing work in Truro, Amherst, Moncton, P. E. I., and Kentville. Last December he received his Chartered Account degree and is now a member of the Nova Scotia Institute of Chartered Accountants. Mr. Twohig is married and has three children. His wife is the former June Sainsbury, of Amherst. They have taken up residence in the former Mrs. Joseph Milberry house here.

The offices occupied by H. R. Doane & Co. in Digby are located in the Rexall Drug Store Building and are on the second floor. Attractively decorated, they are well arranged to provide adequate business office space as well as provision for private offices.

The new branch of the auditing firm will service accounts between Yarmouth and Bridgetown and it is expected that by fall a staff of four will be required. This will include three auditors and secretary.

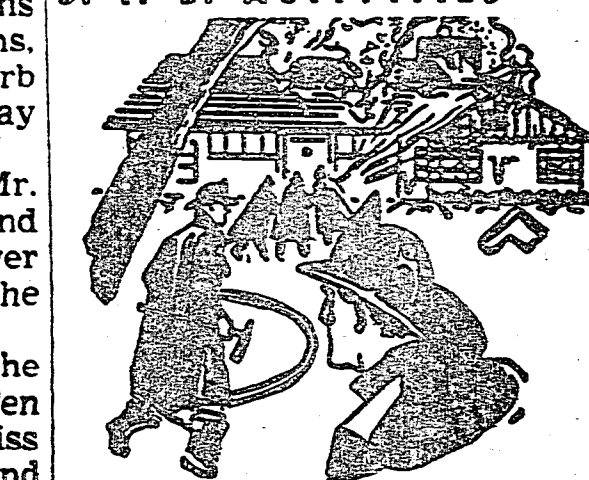

## Meteghan Gets Street Lights

Meteghan will have street lights in the business section within a few weeks thanks to the energetic Lions Club which was recently organized, with Denis Soucie, local bank manager, as president. With one of its first objectives obtained the Lions Club will go into their next project to make their community a better place in which to live.

The Lions Club will sponsor a decorated float in the forthcoming Acadian Festival parade in August, in assisting to make this festival one of the best to date.

With approximately 30 members enrolled from the business men in Meteghan, the Lions Club has organized a fine group of men who are dedicated to work together unselfishly to improve their community. One of the projects that is planned for the immediate future is the organizing of sports for the junior element of the town.

## D. F. D. ACTIVITIES

Bingo committee June 20th are Joe Doucette and Paul Winchester.

All members are asked to bring a donation to the pantry sale at Chan's on Saturday and help in the cause for raising money for the maintenance of the gardens at the railway station. This work is done in conjunction with the Garden Clubs, Legion and Fire Department.

There will be a meeting Friday, June 21st, at 7:30 p.m. at the Fire Station, which will include the Ways and Means committee, Circus committee, July 1st committee, Float committee and Building committee. It is important that all these committees meet together to make arrangements for work to be finalized.

Several members motored to Bridgetown Tuesday evening to attend the Association meeting. Various topics of fire fighting and maintenance and operations were discussed.

were able to be present. She especially welcomed Mrs. Frances Wallis and Mrs. Violet Larimore back to Smith's Cove, after their winter spent in Ontario. She also expressed her regret that Mrs. Norman Sulis was unable to be present at this meeting.

Hymn "Close To Thee" and prayer by Mrs. John Winchester, brought the meeting to a close.

The visiting societies were invited to the vestry where refreshments were served by the W.M.S. members and a social hour enjoyed by all present.

## Hold Reception And Tea

Above are shown Mrs. Donald Logan, Mrs. Angus L. Macdonald, Mrs. Victor Cardoza and Mrs. A. L. Morfee at the after-reception and tea held recently at the Hotel Champlain in honour of Mrs. Macdonald and Mr. and Mrs. Morfee. An estimated two hundred from Digby and other communities in the municipality attended the reception and tea.

## MY FAMILY LOVES THIS RASPBERRY Double-boiler Pudding!

Grease upper pan of double boiler generously. Measure into pan:

1 1/4 c. (10 oz. can) canned raspberries and syrup  
1/4 c. granulated sugar  
2 tps. corn starch

Mix well and set aside.

Sift together:

1 1/4 c. once-sifted pastry flour or 1 1/4 c. once-sifted all-purpose flour  
1 1/2 tps. Magic Baking Powder  
1/4 tsp. salt

3 tps. shortening

Blend in:

1/4 c. granulated sugar  
1 egg

Combine:

1/2 c. milk  
1/4 tsp. vanilla  
1/2 tsp. ground lemon rind

Add dry ingredients to creamed mixture alternately with flavored milk, combining lightly after each addition. Turn into double-boiler, over raspberries. Cover closely and cook over boiling water until batter is cooked—about 1 1/4 hours—add boiling water, if necessary, to under pan.

Turn hot pudding out onto a deep serving dish. Pass chilled custard sauce or pouring cream.

Yield: 4 or 5 servings.

## Clarabell Meets Young Fans

Many thousands of Canada's youngsters see Clarabell the clown every weekday on CBC television. Hundreds are able to see him, and the others on "Howdy Doody" in person, as members of the Peanut Gallery and a few lucky youngsters even get to meet him personally. It is a pretty one-sided conversation though because Clarabell, as you know, doesn't talk, but manages to make himself understood with the help of a seltzer bottle and a horn.

Mr. and Mrs. Harry Hersey, of Wolfville, spent the weekend in Digby, guests of Mrs. Rosie Muise.

Mr. and Mrs. Victor Cardoza and daughter, Elizabeth, spent Sunday in Bridgetown with Mrs. Cardoza's parents.

Miss Freda Apt, R.N., Montague, P. E. I., visited with her sister, Mrs. C. W. Letteney, last week before taking up duties in Grand Manan.

Mrs. William Christie and children arrived this week from Ireland where Lieutenant Commander Christie was on the new aircraft carrier Bonaventure.

Mr. and Mrs. George Souleby, Halifax, spent the weekend with Mrs. Souleby's parents, Mr. and Mrs. Delbert Forrest, Mount Pleasant.

Mr. and Mrs. John Walker, Mount Pleasant, accompanied by Mr. and Mrs. Victor Daley, Halifax, spent a few days visiting in Cape Breton with Mr. and Mrs. Paul Swansbury.

Mrs. Stanley McGee arrives in Saint John, N. B., from Jamaica on Friday to spend the summer. She will be accompanied by her children, Audrey, Mae, Philip and Cathy. Mrs. McGee was the former Alice Wilson, of Digby. Mr. McGee will remain in Jamaica at the Bank of Nova Scotia for the summer.

## SOUTH RANGE WEST

## Obituaries

Charles Louis Walker  
The death of Charles Louis (Buster) Walker, formerly of Digby, occurred in hospital in Hamilton, Ontario, on June 13, after a short illness. He was forty-seven years of age.

A son of the late Mr. and Mrs. C. E. Walker, of Digby, Buster served with the RCAF overseas during World War II, and at the time of his death was a member of the Argyle and Sutherland Highland Regiment (Reserve).

During his residence in Digby he was a member of the original Digby Ravens Hockey team. He studied geology at Dalhousie University and following the war was employed by a number of mining and exploration firms. At the time of his death he was employed with the Oceanic Iron Ore Company Ltd., of Hamilton.

He is survived by his wife, the former Vera Riordan, of London, England, and by two sisters, Lois (Mrs. Gerald Sanford), Digby, (Mrs. M. E. I. Winchester), Saint John, and by one brother, Edward, of Toronto.

Funeral services were held in Hamilton.

Annie Mae Cann  
There passed away early Tuesday morning, June 18th, the oldest Westport resident, Mrs. Annie Mae Cann. She had been in failing health for some time and was tenderly cared for by Mrs. Herman Cann, with whom she has lived for some years.

The deceased was born eighty-eight years ago in Westport, the daughter of the late Daniel and Caroline Welch. Her husband was drowned very few years after the marriage, and Mrs. Cann lived in the U.S.A. for a number of years.

She is survived by one son, Herman, Westport, and a number of nieces and nephews. All brothers and sisters predeceased her.

The funeral was held from the United Baptist Church on Thursday afternoon, with Rev. George Sharpe officiating, assisted by Rev. J. W. Derby. Interment was in the family lot.

Mr. and Mrs. Charles Bragg and little Judy, of Lawrence town, and Mrs. Phoebe Bragg, who spent the winter in Springfield, Mass., were recent visitors at the home of Mr. and Mrs. Dennis Dugas.

## CHERRY BLOSSOM CHAPTER MEETS

Cherry Blossom Chapter, No. 46, O.E.S., Bear River, held its meeting on Monday evening at the Masonic rooms with a large attendance. After the opening and business, initiation of new members was held.

The Chapter will be closed during the months of July and August. Grand Chapter is being held at Annapolis Royal June 25, 26 and 27.

## BEAR RIVER GIRL FIRST TO COMPLETE COURSE

Miss Jean Wheelhouse, daughter of Mr. and Mrs. Marshall Wheelhouse, Bear River East, has successfully completed a course in radiology and laboratory techniques at the general hospital, St. John's, Newfoundland, and is spending a short vacation at her home before taking a position on the laboratory staff of the Yarmouth General Hospital.

Miss Wheelhouse, a former student of Oakdene School, Bear River, and a graduate of Horton Academy, is the first Nova Scotian student to complete this course which is sponsored jointly by the federal and provincial boards of health.

## AUXILIARY MEETS

On Friday afternoon, June 14, the Bear River Auxiliary of the United Church Woman's Missionary Society met at the home of Mrs. R. H. Purdy. The devotional and business sessions were led by the president, Mrs. Jos. Langley.

During the business session the gift book presented to this Auxiliary for reading the highest number of missionary books in the Annapolis Presbytery during the past year, was removed from its gift wrappings and will be read by the members in turn. "Bare Feet in the Palace" by Agnes Newton Keith promises to be interesting reading.

The last poem written by the late Danny Boutillier was read by Mrs. Langley and Mrs. Wm. Morine gave an interesting lesson on Indonesia. The meeting was dismissed by repeating the Mizpah benediction.

## PRESIDES AT NEARLY 90

Election Day, June 10, passed off very quietly in New Tusket, where C. F. Sabean was deputy returning officer, as he has been for many elections, both provincial and federal.

Mr. Sabean will be ninety years old in October, and did his work as well as ever.

Is this a record?

## ADDRESSES RED CROSS

G. C. Gillingwater, provincial director of First Aid and Swimming and Water Safety for the Red Cross, was the speaker at a meeting for Red Cross workers, executive members, members of the swimming pool survey committee, and friends on June 6th at the Legion Hall, Bear River. The Ladies Auxiliary members were the hostesses for the evening.

Being also members of the Red Cross, the Auxiliary members were instrumental in having the swimming pool survey committee set up with Dr. Brennan as chairman. It was very gratifying to hear the committee report that a site had been found. Mr. Gillingwater said that in his opinion the site was an ideal one, with an abundant supply of clean water, and that it was of such a nature that the cost of development

would be very small.

A film was shown and was followed by a question and answer period.

An award of merit with citation was presented to Mrs. Howard Cress for valuable service in connection with the Women's Work Committee, and a similar award was also given to Mrs. William Morine in recognition of her years of work as secretary of the local branch.

## CLASS USES FARMING FOR THEME

The June meeting of the Philathea Class was held at the home of Mrs. Vernon McCormick with the president, Mrs. Roy Snell, in the chair. The Class poem "Weather," Scripture, 2nd chapter of Song of Solomon and hymns were all in keeping with the president's devotional reading, "Farming."

Eighteen members responded to the roll call with favourite scripture verses. There were two visitors present.

It was decided that the next meeting would be in the form of a picnic at Mrs. Snell's cabin. Mrs. Carl Parker and Mrs. John MacLeod were appointed

to be in charge of transportation.

An enjoyable programme was presented by Mrs. Pauline Miller and committee.

After delicious refreshments served by Mrs. John MacLeod and committee the meeting closed with the Mizpah Benediction.

## Waldeck Fast

Mr. Paul Geyer, Jr., of Toronto, is spending a vacation with his parents, Mr. and Mrs. Paul Geyer, and other members of the family.

Mr. and Mrs. Everett Wentzell and son, Margeson, and grandson, Philip, of Maplewood, spent Friday, June 7th, with Mr. and Mrs. Aubrey Durling and family. Mr. Oliver Wentzell and Mr. John Feindel of the staff of the Royal Bank, Digby, were also guests at the same home.

Mr. Ernest Dukeshire, Halifax, spent the weekend with Mrs. Dukeshire and son, Grant, at his home here.

Mr. and Mrs. Max Uhlman and son, Freddie, of New Elm, Lunenburg Co., visited the former's cousin, Douglas Uhlman, and family on Saturday evening. Mr. Horace Crandall was a dinner guest at the same home on Sunday.

Mrs. Douglas Uhlman spent Sunday afternoon with friends

at Deep Brook.

Miss Avis Jones and Douglas Beattie of Halifax, spent the weekend with the former's parents, Mr. and Mrs. Clifford Jones.

Mr. and Mrs. Ronald Dukeshire and daughter, June, accompanied by Mr. and Mrs. Fred Lewis and family, of Rossway, attended the Air Force Day celebrations at Greenwood.

Mr. Wendell Robbins, of Liverpool, spent the weekend with his parents, Mr. and Mrs. Jas. Robbins.

Mr. Roy Dukeshire, of Halifax, spent the weekend at home.

## South Range West

Miss Thelma Rice, of Tusket, was a visitor at her aunt, Mrs. Earle Marshall, several days this past week.

Mrs. T. Banks and son, of Saint John, visited at the home of Mr. and Mrs. Lloyd Sabean recently.

Mr. and Mrs. Gilbert Marshall were Sunday guests at the home of Mr. and Mrs. Earle Marshall.

Mr. and Mrs. Eldred Marshall and family visited at the homes of Mr. and Mrs. Elton McCullough and Mr. and Mrs. Ira Sabean on Sunday afternoon.

Miss George and Joseph Hines, of Digby, visited their sister, Mrs. Johnston, and Rev.

Johnston recently. Rev. Johnston is in ill health at time of writing. We wish him a speedy recovery.

Mr. C. A. Sabean is visiting Mr. and Mrs. Alfred Jumyn at Hamilton, Mass.

The Nova Scotia Advent Christian Conference is meeting at the Bear River Advent Christian Church June 27-30. Rev. Raymond Bucroft of Boston, Mass., is to be the guest speaker. A cordial welcome to all.

## OH - THOSE WOMEN DRIVERS

Why, oh why, do we keep perpetuating those roary old jokes about women drivers? "Because they're true," one of our salesmen just chipped in, and then insisted that I not use his name - he's got to go home to his wife tonight.

"Just the other day," he said, "I had a woman looking at a new car and suddenly she piped up: 'First thing I want to see is the depreciation - my husband says that's the most important part of a car.'"

And then one of our servicemen, emboldened by all this chatter, said, "Just the other day I was out front when a lady drove in and pleaded with me: 'They say I have a short circuit, could you lengthen it for me?'"

They were pulling my leg, I suppose, but they'll go on making their little jokes about women and cars because they're ashamed to admit that the most important thing about a car is not really the depreciation or the piston displacement - it's whether the wife likes it or not.

You can see how true that is with just a glance inside our showroom this week. Bright new colors on the outside of the new models, smart decorator shades inside, new fabrics of nylon, vinyl or combinations with leather, weaves and twists that any woman would be proud to have in her living room.

When you come down to look 'em over don't forget to bring the wife. Or, if she's the girl who may become your wife before depreciation sets in - on the car, that is - bring her along, she'll appreciate the compliment that you respect her taste.

They have good taste in cars, most women do. But men go on making jokes about them. "Only one guy in town I know who isn't troubled by back-seat driving," said the mechanic as he left.

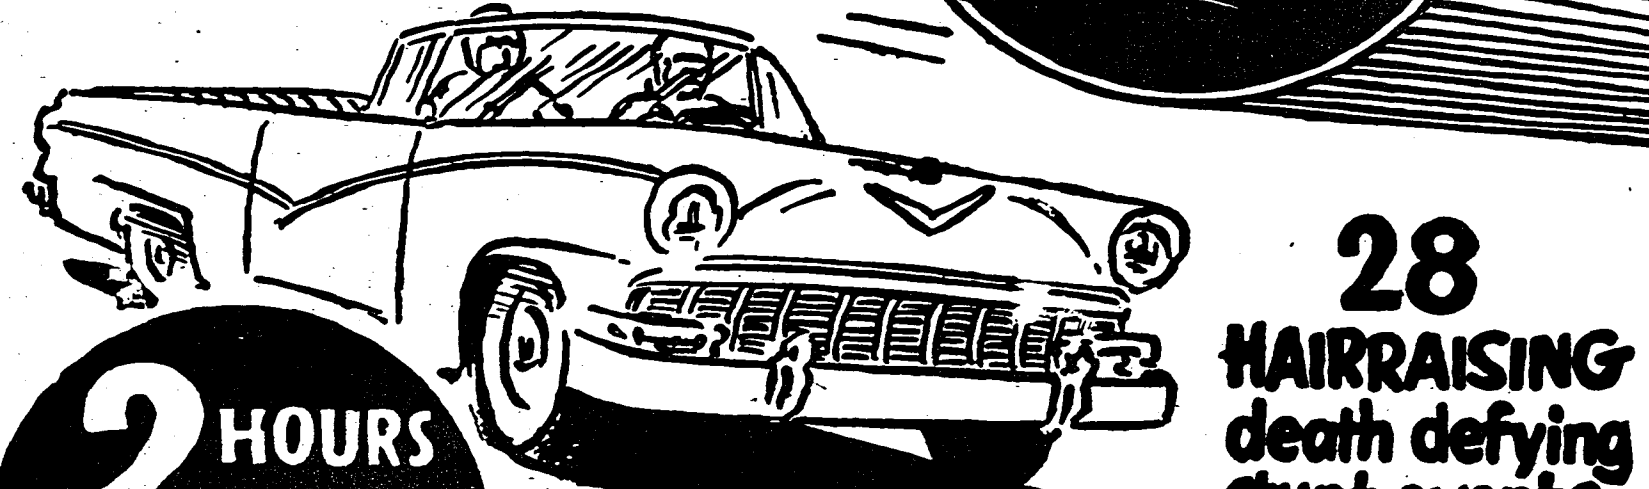

"Who?" I asked innocently.

"Guy who drives the hearse for the undertaker."

## PUTS 5 O'CLOCK TRAFFIC IN ITS PLACE!

You need extra-spirited response—you get it with Oldsmobile's fabulous Rocket engine. You need quicker, easier steering—you get it with new Dual Centre-Control Steering. No car in Olds' field handles so handsomely!

Road-ruling grace...a specialty of OLDSMOBILE

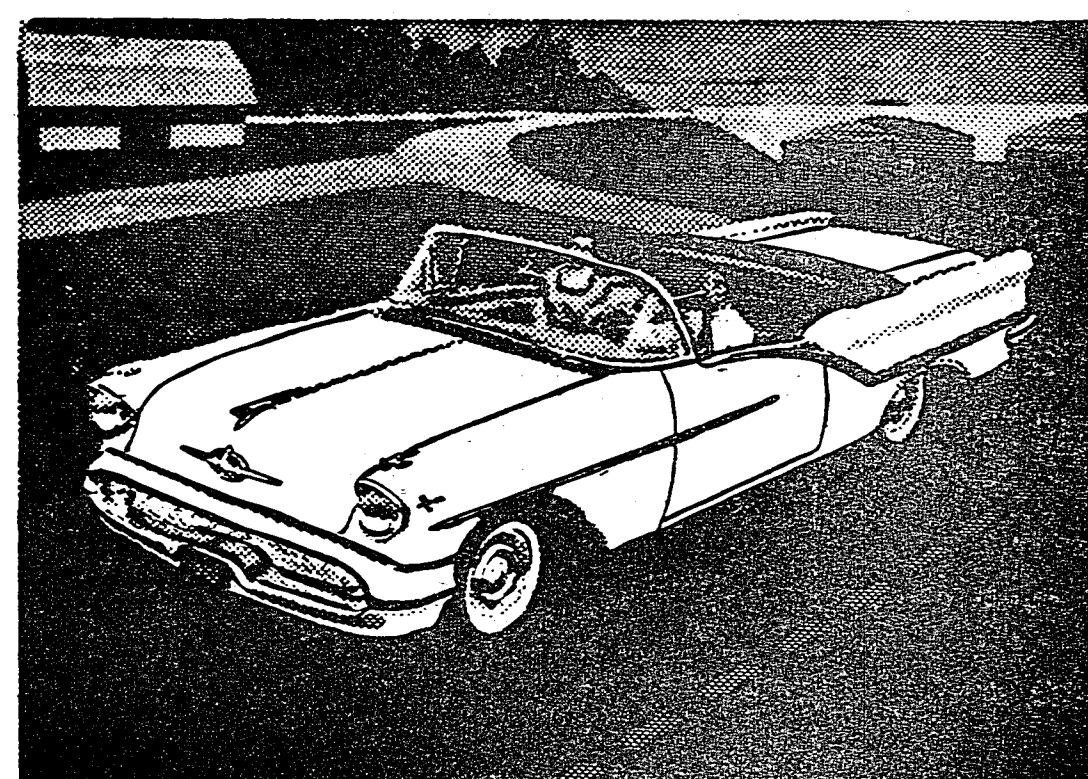

It's only when you take a demonstration drive that you discover the exhilarating difference between Oldsmobile and all other cars! For it's only on the road that Oldsmobile's major ride and handling advances, like the Wide-Stance Chassis and Pivot-Poise Front Suspension, reveal themselves. Oldsmobile's graceful sureness of control... its reflex-quick response to driving demands... have set an exciting new standard of road behaviour.

Test Oldsmobile's road-ruling qualities yourself. Visit the Oldsmobile quality dealer of your choice soon and take a trial drive. While you're there, take a good close look at Oldsmobile's luxury—Olds welcomes close inspection! Another thing—check the price... it's probably less than you'd guess!

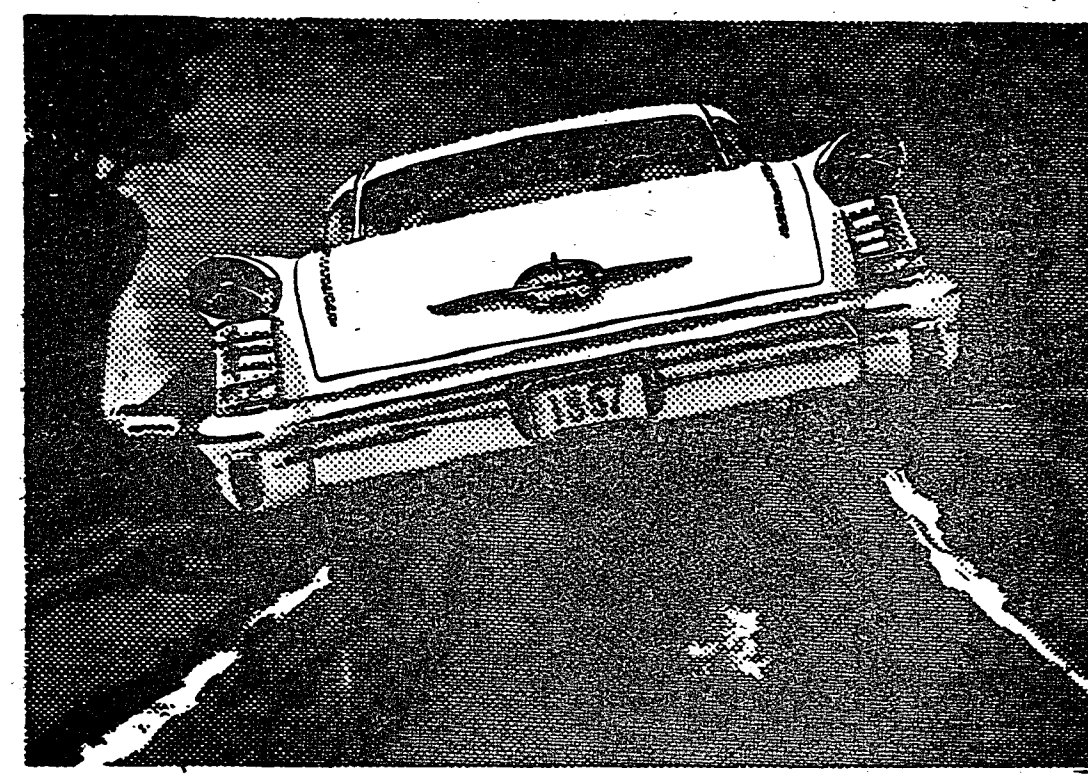

## CORNERING? OLDS IS AT ITS LEVEL BEST!

You've never felt so secure—Olds keeps an exceptionally even keel! Rubber-cushioned front torsion bar takes lean out of turns, big-car springs are set wider apart both front and rear. The stability that's yours in Oldsmobile is unbeatable!

## HIGHWAY HERO—WITH THE SEVEN-LEAGUE STRIDE!

Let the Rocket lengthen out its stride, and far-away places draw luxuriously close. Olds cruises so solidly, so smoothly—trips that once would tire you are no trouble at all. Oldsmobile has a talent for travelling!

## ROUGH ROADS MEET THEIR MATCH IN OLDS!

Secret of the smoothness? A chassis-full of new road-leveling ideas—to cushion shock, to prevent rebound on large bumps, to counter "wheel fight", to smother vibration. Don't miss Oldsmobile's spectacularly comfortable new ride!

## WEYMOUTH LEAGION SEEKS JULY 1ST CO-OPERATION

A general meeting of the Weymouth Branch Canadian Legion held in the Legion Hall on Monday evening, June 17, proved very interesting and successful.

The meeting, attended by a good percentage of the members and six members of the executive, was presided over by the branch president, John Coe. The special guest speaker was Mr. Gene Outhouse, the zone commander.

A ten item agenda was presented to the meeting dealing with welfare work, property improvements, entertainment, Dominion Day activities and the adoption of a branch of the Ladies' Auxiliary to the Weymouth Branch No. 67, Canadian Legion.

The zone commander spoke on welfare work, the need of increased membership and the importance of a Ladies' Auxiliary.

The president made a special appeal to all branch members to give their full support to the Weymouth Fire Dept. for a very successful July 1st celebration.

It gives us an opportunity to show our interest in the affairs of the community and our willingness to co-operate with other organizations to gain some of the necessary things for our community. Only by doing this can we expect their co-operation in return, he said.

After the meeting delicious refreshments were served by Miss Hilda Harrington, Miss Eileen Hallett, branch secretary, and Mr. Phillip LeBlanc, vice-president Weymouth Branch.

Miss Ruth Goodwin, Mrs. Annie Ely, Mrs. R. S. Hallett, Mrs. W. G. Blackader, Mrs. G. Fielding motored to Kentville on Tuesday to visit Mrs. Fielding's sister, Mrs. F. E. Porter.

Mr. George Urquhart, Moncton, formerly of Barton, is a guest at the Goodwin Hotel while visiting his relatives and friends.

Mrs. Robert Bartlett and Mrs. Laleah Marshall visited Miss Helen Taylor, Annapolis, on Saturday, returning with Mr. Tom Bartlett.

Rev. W. Armitage and Mr. and Mrs. Bill Nickerson motored to Halifax on Saturday where Mrs. Nickerson entered the V. G. Hospital.

Mrs. E. P. Gates entertained the Ladies' Aid of Heart Memorial United Church at her home on Friday evening. A farewell gift was presented to Mrs. Armitage who leaves for her new home in Haliburton, Ont., the latter part of June.

Mr. Stuart Ferguson, Halifax, spent the weekend with his mother, Mrs. E. A. Ferguson.

Miss Marina Hill spent the weekend with friends in New Tusket.

## YOUTH CENTRE NEWS

A meeting of the social committee, Weymouth Youth Centre Association, was held at the home of Mrs. Glidden Campbell on Tuesday evening with the president, Mr. John Comeau, and five other members present. Plans were discussed to reorganize activities on social evenings and the formation of two competitive teams, the Reds and the Whites, which has proven very successful.

Members leaving prior to closing time are now being "checked out" due to inquiries from some parents.

Since this organization began over a year ago it has been the wish of the executive that parents would show more interest. The same few people have willingly given their time and efforts since the organization began and any assistance or suggestions from parents would be greatly appreciated.

Due to the many fund raising campaigns this spring, the executive decided to hold the Y.C. drive in the fall in the hope that at that time it will receive greater support.

Miss Carolyn Potter and friend, of Halifax, spent the weekend with her grandparents, Mr. and Mrs. W. G. Blackader.

Mr. and Mrs. Jim Gates have returned from their honeymoon spent in the United States and are spending a few days with the former's parents, Mr. and Mrs. P. K. Gates, before taking up residence in Bridgewater.

George Gates and friend have returned to Newfoundland after spending a vacation at the same home.

## Rossway

Mr. and Mrs. James Farrell and two children, of Digby, were Sunday guests at the home of Mr. and Mrs. Fred Lewis.

Little Marilyn Specht has returned home after spending a few days last week with her grandparents, Mr. and Mrs. Clifford Farnsworth, Digby.

Mr. and Mrs. Edison Specht motored to Halifax on Friday last where they attended the

Dr. and Mrs. J. E. Comeau spent the weekend at their camp.

Mr. Parker Moore, Halifax, spent several days last week with his family.

Donna Lea MacCaskill, Kennebec, is visiting her friend, Nanine Armitage.

Mr. and Mrs. E. P. Gates were weekend visitors in Bridgewater.

Mrs. F. E. Porter has returned to Kentville after visiting her sister, Mrs. G. Fielding.

St. Thomas' Guild will meet at the home of Mrs. E. A. Ferguson on Thursday afternoon.

Choir practice for St. Peter's Parish will be held at 8 p.m. on Thursday evening at St. Thomas' Church.

Mrs. Bob Gordon and son, of Montreal, are spending several weeks with her parents, Mr. and Mrs. Restair Gaudet, while Mr. Gordon is stationed at Camp Gagetown. Visitors at the same home have been Mr. and Mrs. Alex DeYoung and children, of Sydney.

Mrs. Blanch Richardson has arrived in Weymouth from the United States for the summer months.

## To the Electorate:

May I express my sincere thanks and appreciation to the electorate of Digby-Annapolis-Kings, and particularly to our party workers, for their support in the recent election.

The vote would indicate that many have supported our party for the first time and it is my hope their confidence will be justified.

Now that the election is over we have one goal in common — to work for the good of our people regardless of party.

Sincerely,

**George C. Noulan.**

## PROCLAMATION

By The Honourable R. Clifford Levy

Minister of Lands and Forests

To all whom these Presents shall come or whom the same may in any wise concern:

WHEREAS the Minister of Lands and Forests of Nova Scotia deems it necessary for the protection of the forests to make this Proclamation:

NOW KNOW YE that the Minister of Lands and Forests of Nova Scotia under and by virtue of Section 117 of The Lands and Forests Act doth hereby set aside on, from, and after the seventeenth day of June, A.D., 1957, until the fifteenth day of September, A.D., 1957, unless this Proclamation is sooner revoked, every area of forest land as an area of forest land upon which no person shall enter for the purpose of travelling, camping, fishing, or picnicking, or any other purpose, without first notifying the local Forest Ranger or other person duly authorized to receive such notification of the route, destination, purpose and duration of the trip with dates, and having obtained authorization in writing from the local Forest Ranger or other person duly authorized to issue same: Provided, however, that forest land may be entered upon by the actual owner or occupier thereof or his or their employees as such, and by Forest Rangers, Voluntary Rangers, fire fighters and land surveyors:

Any person found in any area of forest land without a permit whilst this Proclamation is in force is, upon conviction, subject to a penalty of not less than Ten Dollars nor more than One Hundred Dollars:

Of which all persons concerned are to take notice and govern themselves accordingly.

Given under my hand at the City of Halifax, this seventeenth day of June, A.D., 1957.

**E. D. HALIBURTON,**

for **R. CLIFFORD LEVY,**

Minister of Lands and Forests.

## About This and That

### Show The Visitor Courtesy

No one in Digby believes in advertising more than we at The Digby Courier. On the other hand we are wise enough to know that one disreputable clerk in a business establishment can undo all the advertising the employer can do. The same thing applies to the tourist industry. The tourist industry is one which not only benefits the hotel keepers but its profits are indirectly shared by many throughout our town and county. It is a big business which is worth developing further and definitely one which should not be hampered by the lack of common courtesy.

Our visitors have started to arrive. They could be seen in numbers on our town streets for the past two weeks, and with conventions at The Pines Hotel they are here in still greater numbers. No matter where the delegates or visitors come from, near or far, they still are visitors to our county or town. The business brought to us by visitors from our own province takes its place with that of visitors from more distant points. A good report of our town, county or province by a few hundred convention delegates can mean publicity of tremendous value to us. Each happy and satisfied tourist will stimulate interest in others to visit with us and they in turn will influence more, until a thriving industry has been created in our area. To encourage repeat visits or resulting additional visits is a job not only for the hotel keepers but a job for every individual who comes in contact with the visitor. It is a job for the tourist bureau attendant, the gas station attendant, the taxi driver or bus driver, the cop on the beat, the sales clerk in the store, the church members, or any individual who has the opportunity to show a polite and friendly interest in the visitor.

To encourage visitors we must have tidy surroundings, we must give them good accommodation, we must give them good food, we must try to have some entertainment for the visitor, and we must put ourselves out to advertise the natural beauty of our countryside and all these other attractions and facilities we have to offer. This can be done by only a limited number of persons even though all may benefit from the efforts of the few. Common courtesy to the visitor can be practiced, however, by everyone. It is something which should be practiced by all. It should be stressed, taught, preached and lived. Tourists, after all, are just other local citizens like ourselves, away from home. We expect courtesy here, we expect courtesy when we are away. The visitor comes to us looking for courtesy. Let's practice it. Its benefits will multiply themselves many times over. Give the tourist industry the genuine human touch as well as the commercial touch and in the end it will be more likely to pay off in a monetary way. Be genuinely interested in the tourist as a human person, not as a travelling pocket book, and it will pay dividends. Let's make a point to practice courtesy.

### A Despicable Practice

Digby and Digby County is a place which over the years has been making great claims as a tourist resort. For the most part citizens of the area have been cooperating to make these claims true.

However, there is one jarring note that in its intensity does much to wipe out all the good that has been and is being done to promote the tourist industry in this area and to improve the beauty of our countryside.

We refer to the despicable practice of persons so far unknown who use the sides of the lovely country roads in our county as dumping places for all sorts of unsightly rubbish.

One flagrant case of this miserable practice was brought to our attention this week. This occurred on one of the loveliest little roads near Digby — the Acacia Valley road — and created not only an unsightly mess but also a serious fire hazard.

Some time last week someone dumped a whole load of excelsior, onion bags and other rubbish in a parking place on the Acacia Valley road. The excelsior was piled high, creating a severe fire hazard. This offence was perpetrated, not only on the road side but also on private property adjoining the road. As a matter of fact, we are informed a fence was cut in order to provide access for the vehicle which was used to truck the rubbish to its dumping place.

Surely this is something which should be stopped and for which those responsible should be brought to book. There are laws governing such behaviour and if the persons responsible have not sufficient pride in their county to refrain from doing such despicable things out of civic pride, then they should be taught that the law cannot be flouted in such a flagrant manner with paying an appropriate penalty.

It is time such organizations as the Board of Trade and other civic groups interested in the beautifying of our countryside took action to impress upon the appropriate authorities the urgent need to stamp out this practice. It is a practice which detrimentally affects every citizen of the county — even those who indulge in it.

As a result of what happened last week one long time summer resident of this area has said he does not know whether he wants to come back here again. If that is the reaction of people who have been coming here for years, what must those who visit our county for the first time feel when they see unsightly, odorous and hazardous dumps on our roadsides?

Positive remedial action is called for and there should be no hesitation about it. All the advertising programs in the world cannot counteract things like this. The only thing to do is to stamp them out without delay. If this is not done everyone will suffer.

### Slow Down - Live & Let Live

Canada is in its first month of a three-month vacation-time campaign against the "in-a-hurry" motorists. It is too early to judge the trend of the drive or to estimate its effect, but evidence has reached its sponsor, the Canadian Highway Safety Conference, that agencies all across the nation are taking up the cudgels in the war on speed. The campaign, bearing the slogan-title of "Slow Down and Live" coincides in Canada with a parallel drive being carried out in the United States and Puerto Rico.

Police, magistrates and judges, provincial and community safety organizations, provincial government departments and officials, industry and various associations and societies are giving active support to the "Slow Down and Live" effort. They aim their guns not alone at the speeder, who is termed by the Conference as one of the deadliest menaces on wheels, but at the driver in a hurry. This includes the motorist who cuts in and out of traffic, tries every trick of the road to "make time" especially on long trips, crowds the rear of the car ahead, ignores the right of way when other traffic has it, insists on maintaining high speed in rain, fog, heavy traffic, road construction and other hazards, ignores speed restrictions in built-up sections. "He's the impatient one. He knows better, but he neglects what he knows," says the Conference.

This campaign has the support of Canada's Governor General and Prime Minister, the provincial Premiers, as well as the President of the United States and the State Governors. Transport groups are working at it and the public has been urged to participate as strongly as they can.

"Speed kills," reads the campaign material. "Slow Down and Live."

## Marriages

Deveau — Surette

St. Patrick's Church, Digby, was the scene of a pretty wedding on Monday, June 10, at nine o'clock.

Rev. Father Gaudet, pastor of the parish, united in marriage Mary Stella, youngest daughter of Mr. and Mrs. Elie Surette, to Joseph Benedict, son of Mr. Albany Deveau and the late Mrs. Deveau.

The bride, given in marriage by her father, looked charming in a cocktail-length gown of white satin with overskirt of white nylon lace with matching headpiece trimmed with iridescent sequins and short veil. She carried a cascade of red carnations.

The bridesmaid was Miss Annie Surette, R.N., sister of the bride, attired in a cocktail-length gown of blue taffeta with overskirt of blue and white net and matching headpiece. She carried a nosegay of white carnations.

The groom was attended by John Comeau, of Halifax. Usher was Mr. Victor Comeau.

The bride's mother wore a dress of teal blue with white accessories and a corsage of yellow 'mums. The groom's step-mother wore a dress of navy with white accessories and a corsage of yellow 'mums.

After the ceremony a reception was held in the church hall for over 40 guests. Toast to the bride was proposed by the best man and responded to by the groom.

The couple left on the Princess Helene and will motor through parts of the United States and Canada. They will reside at Grand Center, Alberta, where the groom is a member of the RCAF and stationed at Cold Lake.

Out of town guests were Mr. and Mrs. A. Deveau, Meteghan; Miss Annie Surette, John Comeau, Halifax; Mrs. Frank Spencer and Marleen, Montreal; Mr. and Mrs. Jerry Surette, Middleton; Mr. and Mrs. Gus Comeau and Terry, Sheffield Mills; Mrs. Pat Comeau, Paul Comeau, of Saulnierville; Mrs. Will DeViller, Mrs. Joe Doucet, Mrs. Joa DeViller, Irma and Alfred DeViller, all of Arcadia, Yar. Co.

Evans — Saulnier

A quiet but pretty wedding took place at St. Patrick's Glebe in Digby, on Monday, June 10, at 9:30 o'clock, when Anne Mary Saulnier, daughter of Mrs. Mary J. Saulnier, of Digby, was united in marriage to Petty Officer Alan Evans, RCN, son of Mrs. Gladys Evans, Toronto, Ontario.

The double ring ceremony was performed by Rev. Father L. Comeau, in the presence of immediate relatives.

The bride wore a white semi-formal gown of lace with silk underskirt and a fingertip veil

of French tulle. Her hair, held in place by a sweetheart crown of seed pearls. The bride's only jewellery was a strand of pearls, gift of the groom. She carried a cascade style bouquet of pink and white carnations.

The matron of honor was Mrs. Gerald A. Byrne, sister of the bride. She wore a duplicate of the bride's dress, in powder blue, with blue accessories, and a bouquet of pink sweetheart roses, white poms edged with lily of the valley.

The groom was attended by Cpl. Gerald Byrne, 2nd Battalion The Black Watch (RMR) of Canada, brother-in-law of the bride.

Flower girl was little Miss Julia Anne Byrne, niece of the

bride, who wore a white nylon dress with pink accessories, and carried a nosegay of pink and white carnations.

The bride's mother wore a dress of rose taffeta with white accessories and a corsage of white carnations.

Following the ceremony, a wedding breakfast was held at the Hotel Champlain, Digby, for relatives and friends.

Prior to the wedding a shower was held for the bride at the home of Mr. and Mrs. Pat Comeau, the hostess being Miss Faye Comeau.

Toast to the bride was proposed by Cpl. Gerald Byrne and responded to by the groom. Out of town guests who attended the wedding were: Mrs.

THE DIGBY COURIER

Daniel MacIsaac, of Yarmouth, sister of the bride; Petty Officer S. Green, Petty Officer B. MacLean and Petty Officer D. Brooks, all of HMCS Shearwater, friends of the groom.

The happy couple left shortly after on a wedding trip which will take them to the U. S. A., Ontario and Quebec. For travelling the bride chose a green and tan sheath dress with a tan duster and white accessories. Her corsage was of red roses.

Capt. W. E. Sinclair, Digby, spent the weekend with Mr. and Mrs. Gordon Snow, Port Wade.

**What a Personal Chequing Account is**

A Personal Chequing Account is a new BNS service that can save you money if you pay bills the convenient way—by cheque. To open an account you deposit money in advance—then write as many cheques as you need, up to the amount you have on deposit. Low cost!—the prepaid service charge is just 10¢ a cheque. There are no other service charges when using these cheques.

**Shop, Order by Mail, or Pay Bills With a Personal Chequing Account**

Pay for your major purchases by cheque when you shop or order by mail. Then there's no need to carry or risk sending cash... and you save time and C.O.D. charges.

Pay Bills by Cheque. No waiting for change. When you pay bills by mail, your cancelled cheques are kept safe at the bank—always available—in case of need to serve as a receipt. By recording all deposits and withdrawals you can always tell at a glance just how your account stands.

**How to Open a Personal Chequing Account**

Simply go, phone or write your nearest BNS branch, state the amount you wish to deposit, and whether you need a book of 10 or 20 cheques. (The prepaid service charge of 10¢ a cheque can be charged to your account.) Personal Chequing Accounts are easy to operate, for all deposits, withdrawals and current balances may be entered in the cheque book itself... providing an exact record at all times. If not convenient to come personally, you can deposit by mail. Joint Accounts Welcome.

### Obituary

**Frank Sproule**  
Relatives and friends were shocked to learn of the sudden passing of Frank Sproule at Digby General Hospital early Friday morning, June 14th.

Mr. Sproule had returned home on Sunday from the Victoria General Hospital, Halifax, was at the Deep Brook polling booth on Monday and seemed in fairly good health, but was stricken on Wednesday afternoon, going into a coma, from which he failed to revive.

Mr. Sproule was born at Deep Brook, Anna Co., in 1878, and was 79 years of age in April. He was the son of the late Mr. and Mrs. Daniel Sproule, Deep Brook. His mother passed away in July, 1955, at the age of 102 years and 7 months.

He was a good husband and father, and gave his elderly mother the most faithful care.

Left to mourn the loss of a kind husband and father are his wife, Clara (Wilson), and daughter, Ethel; one sister, May (Mrs. Ross Bowley), of Alberta; and one brother, James, of Brocton, Mass.; also two nephews, Grant Bowley, of Alberta, and James Sproule Jr., of Brocton, Mass.

Funeral services were held from the Clementsport Baptist Church on Sunday afternoon

with Rev. Frank Smith and Rev. Francis Miller officiating. The hymns were "Abide With Me" and "Sometime We'll Understand."

Underbearers were Messrs. Herbert and Zebe Bartheaux, of Clementsport, William Spurr and T. R. Lowe, of Deep Brook. Interment took place at Clementsvalle Baptist cemetery in the family lot.

Many beautiful floral tributes expressed the sympathy of friends.

Mr. and Mrs. James Sproule, of Brocton, Mass., arrived on Saturday and will be spending a few weeks with Mrs. Sproule and daughter, Ethel.

**Southville**  
Joan McCullough, Riverdale, spent Thursday with her grandparents, Mr. and Mrs. Hermon Steele.

The Misses Mabel, Jessie and Madeline Comeau have returned home after spending three weeks at Massachusetts.

Miss Helen Steele spent the weekend with her parents, Mr. and Mrs. William Steele.

Mr. and Mrs. Kenneth Hill have moved to Weymouth for an indefinite time.

Miss Irma Gaudette, Danvers, spent the weekend with her grandparents, Mr. and Mrs. Hermon Steele.

Mrs. Maud Sullivan, Brighton, is visiting her daughter, Mrs. George Gavel.

### Cheesebread

• And it's so easy to make, when you use fast rising dry Best Yeast! If you bake at home, please your family by baking this treat tomorrow!

#### CHEESEBREAD

Scald 3 c. milk, 1/4 c. granulated sugar, 1 1/2 tbs. salt and 4 tbs. shortening; cool to lukewarm. Measure into a large bowl 1/2 c. lukewarm water; crumble and add 1 cake Best Yeast — or stir in 1 tsp. granulated sugar and sprinkle with 1 envelope Best dry Yeast. Let stand 10 minutes, THEN stir well.

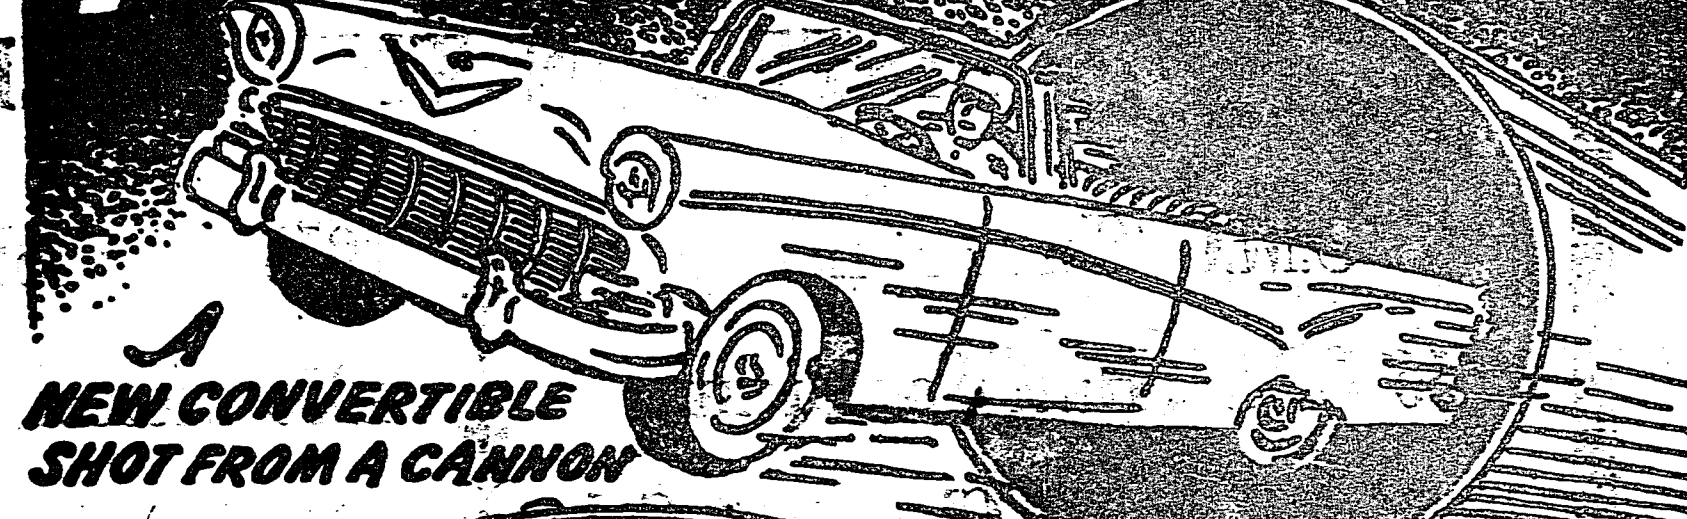

Stir in cooled milk mixture. Stir in 4 c. once-sifted all-purpose flour; beat with a rotary beater until the batter is smooth. Cover and set in a warm place free from draft. Let rise until doubled in bulk. Work in 2 c. lightly-packed finely-shredded old cheese and 5 c. (about)

once-sifted all-purpose flour. Knead on lightly-floured board until smooth and elastic. Place in greased bowl and grease top of dough. Cover and let rise until doubled in bulk. Punch down dough; turn out on lightly-floured board and divide into 4 equal portions. Cover lightly with a cloth and let rest for 15 mins. Divide each portion of dough into 3 parts; knead and shape into smooth balls. Place 3 balls in each of 4 greased loaf pans (4 1/2" x 8 1/2"). Grease tops and sprinkle each loaf with 1/4 c. shredded cheese. Cover and let rise until doubled in bulk. Bake in moderately hot oven, 375°, 45-50 mins.

## MARRIAGES

A lovely outdoor wedding of widespread interest was solemnized at 11 o'clock on Saturday morning, June 8th, at the summer home, Smith's Cove, of Capt. James I. MacPherson, U.S.N.R., and Mrs. MacPherson, when their eldest daughter, Sibyl Jean, was united in marriage with Lieutenant Ernest Eugene Lowen, U.S.N., son of the late Mr. and Mrs. George Lowen, of Charlestown, West Virginia.

Under sunny skies, amid the beauty of flowering shrubs and lovely garden flowers, the ceremony was performed by Dr. Thomas W. Hodgson, of Digby, retired clergyman of the United Church of Canada.

To the strains of nuptial music, the bride party wended their way through an aisle lined by white ribbon and took their places beneath an arch of white lilies and apple blossoms.

The bride entered on the arm of her father, who gave her in marriage. She was a picture of girlish loveliness in her bridal gown of white corded tulle with hooped skirt, slightly en train. The bodice, cut on princess lines, was of lace. She wore matching elbow length mitts and pearl necklace and ear rings. Her veil, which was a family heirloom, and had been worn by the bride's maternal great, great grandmother, was of point de Venice and was caught in place with a coronet of white lilies and a butterfly of lace. Her bouquet was a cascade of white lilies with spray of heather.

Miss Allison MacPherson was her sister's maid of honor and presented a lovely appearance in a ballerina length gown of mauve embroidered nylon with cape. She wore a pearl necklace and carried a bouquet of French lilies. Her younger sister, Anne, was the bridesmaid and was charming in a similar gown of yellow embroidered nylon, with bouquet of yellow rose buds.

The bride's mother was becomingly gowned in an ensemble of rose raw silk with matching hat and corsage of lily of the valley.

The groom's sisters, Misses Marguerite and Rosalie Lowen wore beige lace over rose satin and turquoise lace respectively. Their corsages were of spring flowers.

Dr. Herbert Davy, of Smith's

Cove, acted as best man. Both Capt. MacPherson and Lt. Lowen were in naval uniform.

Immediately following the ceremony a reception was held for seventy-five guests, when refreshments were served by friends of the bride, and the three tiered wedding cake was cut in the traditional manner by the bride and groom.

Later the wedding party went to the Hedley House for lunch, after which Lt. and Mrs. Lowen left via the Princess Helene and car for Norfolk, Virginia, where they will spend a three weeks honeymoon, after which Lt. Lowen will return to sea duty with one of the U. S. fleets, and Mrs. Lowen will return to spend some time in Nova Scotia.

For travelling the bride wore a tailored suit of natural pongee silk with matching accessories and corsage of lily of the valley.

The many beautiful and useful gifts testified to the popularity of the bride, who, with her family, has spent many summers in Smith's Cove.

Lt. Lowen is a graduate of Annapolis, Maryland, U. S. Naval Academy, class of '46, and served in World War II, in the Pacific and Korean wars and is now executive officer on the U.S.S. Borie.

The bride attended Dominican College, Marin College and the University of Miami. She has been associated for the past four years with Dr. Charles L. Tanner, Miami, as nurse technician.

Wedding guests from out of town were Misses Marguerite and Rosalie Lowen, West Virginia; Mr. and Mrs. E. Weyhe, New York; Mr. and Mrs. "Scotty" Stewart, Yarmouth; Mr. and Mrs. Harry Hersey, Wolfville; Misses Helen May and Betty Dennis, of Halifax; Mr. and Mrs. Dennis, from Shearwater, and many friends from Digby and vicinity.

Howard — Spence

On Saturday, June 1, at the St. Croix United Church Manse,

Dorothy Elizabeth, daughter of Mr. and Mrs. Frank Spence, of St. Croix, was united in marriage to Eugene Cleveland Howard, son of Mr. and Mrs. E. M. Howard, of Deep Brook, Anna, Co., N. S. Rev. Sweeney performed the ceremony.

The bride, given in marriage by her father, was charming in a gown of white tulle with ballerina length. She wore a fingertip veil of tulle illusion, held in place by an opalescent sequin tiara. She carried a nosegay of red roses.

The bride's only attendant was her sister, Mrs. Percy Grant, wearing a dusty pink chiffon dress and carrying a nosegay of yellow roses.

The best man was Ralph Swackhammer, of Guelph, Ont., close friend of the groom.

Following the ceremony the bridal couple motored to the home of the bride's parents, where a reception was held for the immediate family and close friends of the bride and groom.

After a short honeymoon trip through Nova Scotia, the couple will reside in Dartmouth, N. S., where the groom is stationed at R.C.N.A.S. Shearwater.

For travelling the bride wore a tulle suit with white accessories and a corsage of white carnations.

Mr. and Mrs. E. M. Howard, of Deep Brook, attended the wedding.

Mullen — Doucette

Father L. Gaudet, of St. Patrick's Church, Digby, solemnized a very pretty wedding on June 3rd, when Irene Ann, daughter of Mr. and Mrs. Arthur Doucette, of Sydney, N. S., became the bride of Clifford E. Mullen, Jr., son of Mr. and Mrs. Clifford Mullen, of Digby.

The bride looked charming in a floor length gown of lace over appliqued tulle. Daisies adorned the skirt. The neckline was high, while the sleeves tapered to points over the wrists. She carried a bouquet of red roses.

The Misses Sharon and Linda Mullen, sisters of the bride, were maid of honor and bridesmaid. Alden Mullen, brother of the groom, was best man.

Following the ceremony a reception was held at the church hall. They were the recipients of many beautiful and useful gifts.

Later, they left on the Princess Helene for a short honeymoon. On their return they will reside in Digby.

THE NEIGHBOURLY CLUB met with Mrs. Harold Hirdle on Wednesday evening.

Mrs. Margaret Cassidy and Mrs. Alfred Murphy, of Murphy's Cove, Halifax, are visiting with Mrs. Frank King.

Miss Norma Stiland, of Halifax, spent the weekend at home.

**CARS ARE MY LINE**

by Ken Hankinson

CAES OF THE FUTURE

When friends of mine in other businesses look into the future they talk about the prospects for the next five, ten, or twenty years. But in the auto industry the future is always as close as next year: five years is an eternity. Things change fast.

I've made a hobby through the years of boning up on what the experts think is coming in cars. I talk to the industry people when they come through town and I talk some more when I go out of town.

Take the two-car family, for instance, the institution that's grown so rapidly since the end of the war. Not all of us can afford to be two-car families, and those who can, sometimes find the two cars don't quite suit the jobs intended for them.

The business of the auto industry is to build cars that will fit the needs of people, so they're planning quite a lot of changes to satisfy the two-car family.

The big car of the future — say 10 years from now — will be larger than today's station wagons, powered by an economical and smooth gas turbine engine. The car will be big enough for long family vacations and will store all the gear that's needed.

The small "second" car will be a really small electric job for shopping and commuting to work. You can charge it up in the morning from an electrical outlet and it'll be good for about 35 miles. It will cruise at 25 or so and 35 will be its top speed.

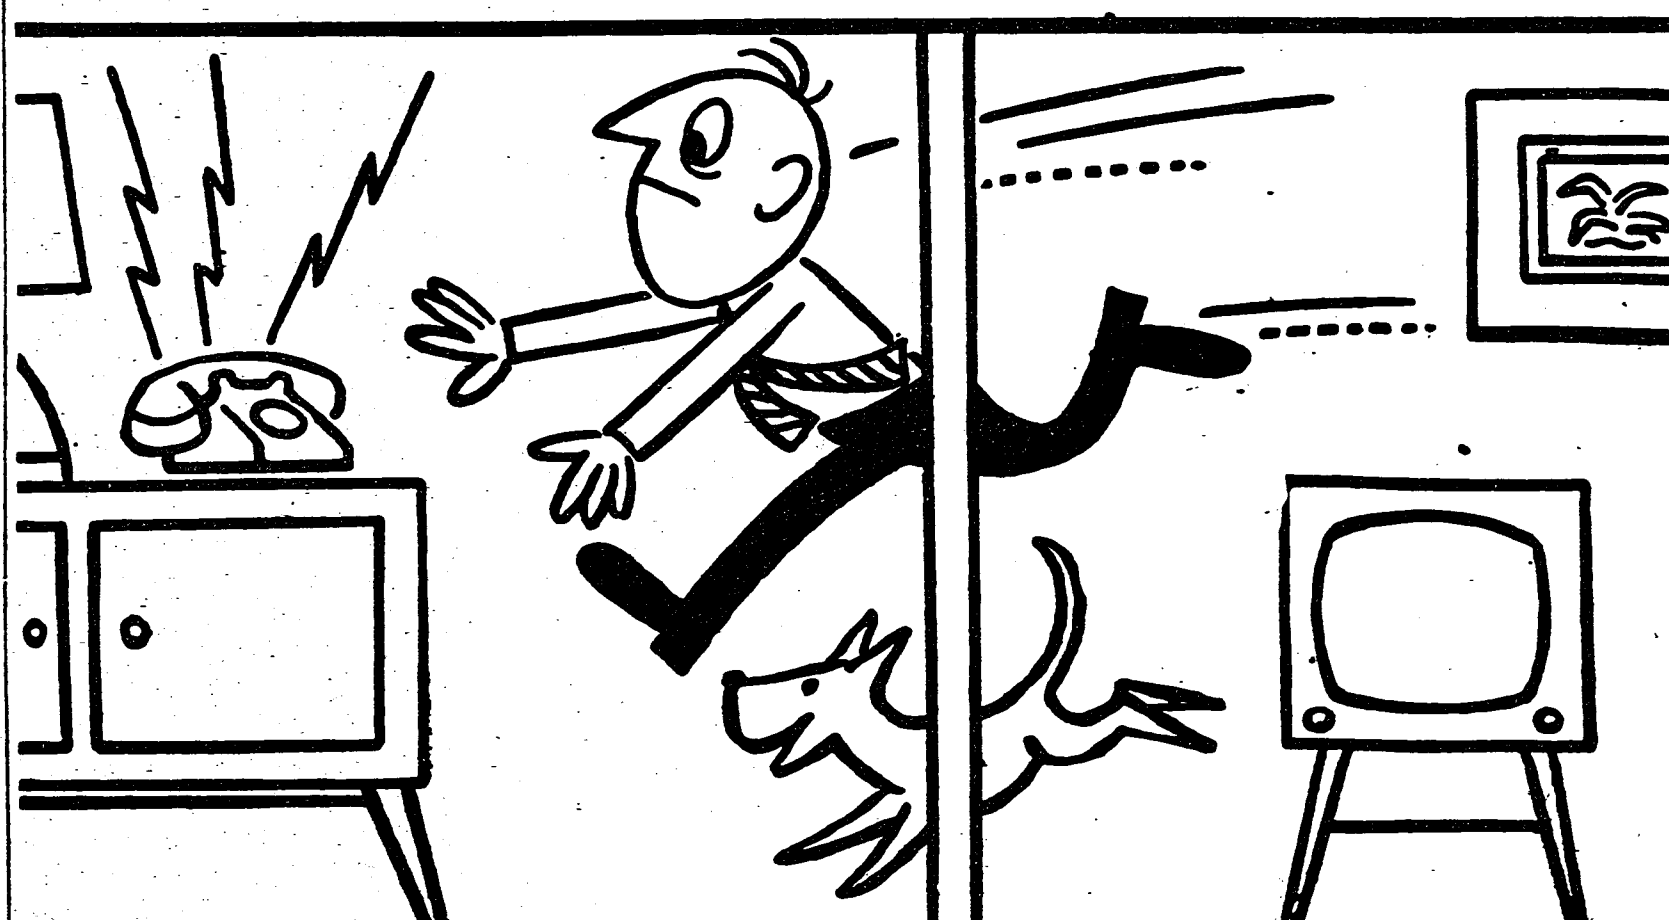

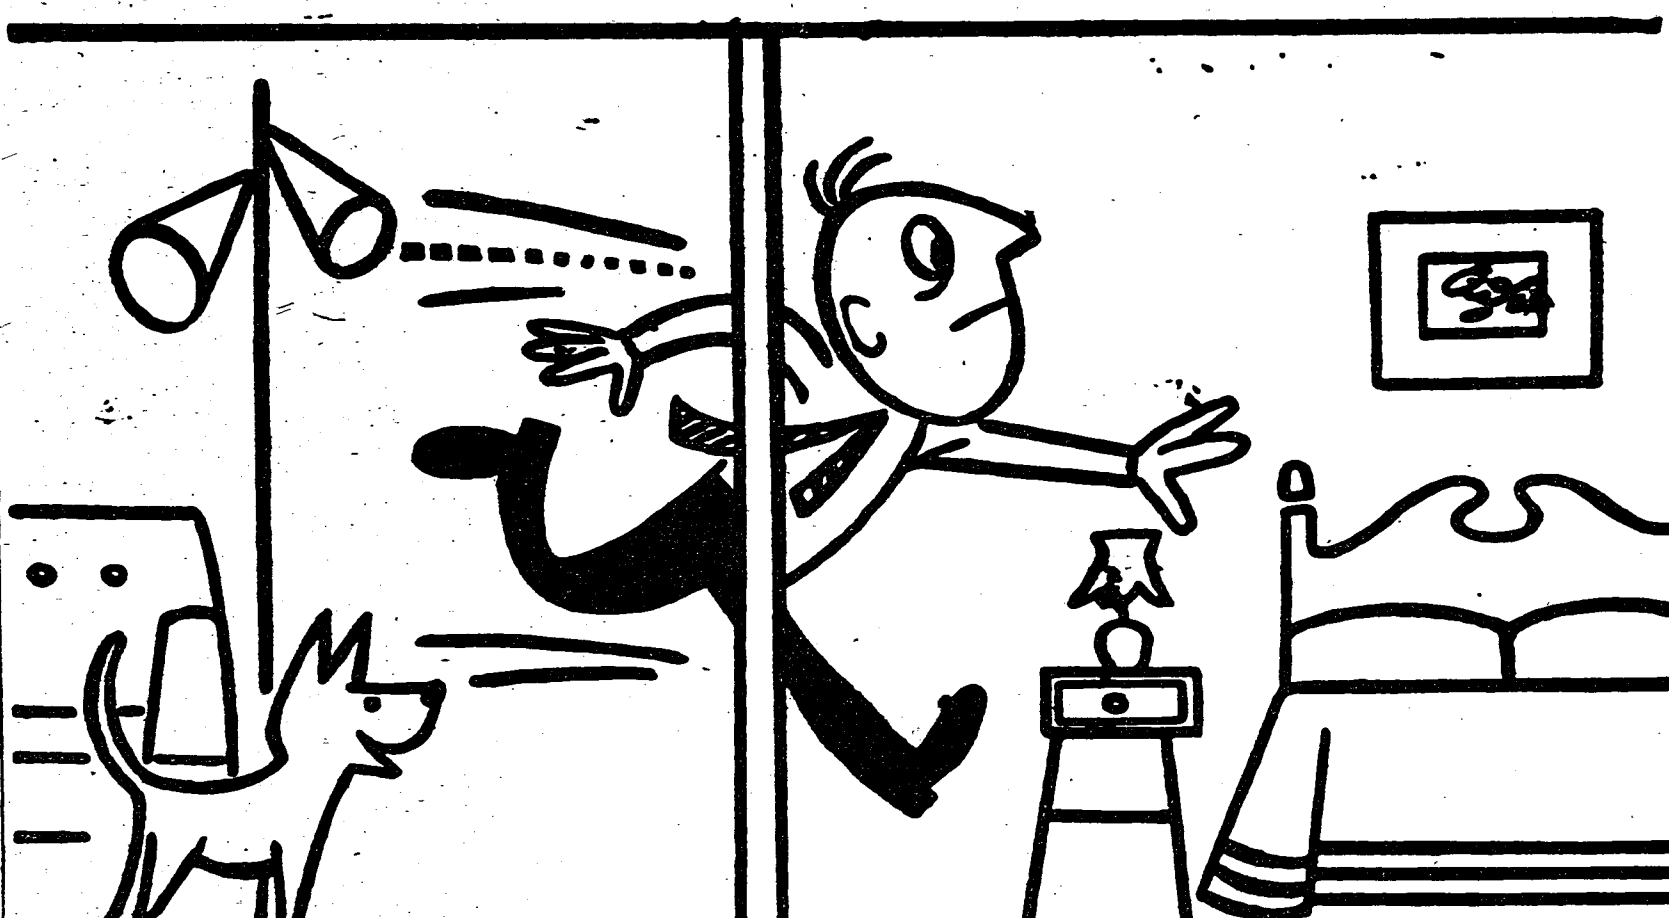

Well, that's for the future — but have you thought about a second car for the family now? The way to do it is with a bargain-priced used car. With our large selection and high turnover we can find exactly what you need in price, style and economy. Whatever you want a car for, this is the time of year — and our place is the best place — for real bargains.

## "Work-horse jobs are a cinch for Fargo Trucks"

says Eastern Construction Company, Limited

1. It's the ruggedness Fargo builds into a truck that pays off. Eastern's big-muscle Fargos work day in, day out, hauling masonry to construction jobs like this big \$2,000,000 project. It's a punishing schedule that requires reliability.
2. This Fargo "construction job" can meet all the demands placed on it — 4x4 drive, 10' frame has double-width front crossmembers. Springs are of durable chrome-alloy steel.
3. Extra V-8 power, rated from 180 to 232 h.p., makes Fargo trucks the power leaders in their price ranges, from agile Fargo express and panel models to rugged heavy-duty trucks.
4. Safe operation is a cinch, too. Big wrap-around windshield and optional wrap-around rear window, constant-speed electric windshield wipers are just a few of many safeguards.

## Missionary Welcomed

At the Wednesday evening prayer meeting of the Bear River United Baptist Church the pastor, Rev. J. W. Scott, welcomed Mrs. Ernest J. Hodges and her four children, missionaries on furlough from Billiri District in Nigeria. Mrs. Hodges (nee Jean Elder) is supported by this church as a missionary to Africa. Soon after reaching the mission field, she was united in marriage to her fiancé, Rev. Ernest J. Hodges, also a missionary with the S.L.M. (Sudan Interior Mission). The wedding took place at the mission chapel at Mlungo, Nigeria.

On the furlough preceding this one she was accompanied by her husband who made many friends during their brief stay at that time. This present furlough the pleasant personality of Mr. Hodges was sadly missed, he having succumbed to a dread form of polio contracted on the mission field; he was transported at once to the hospital accompanied by faithful fellow missionaries and native Christian converts, who administered artificial respiration during the entire trip, in an effort to save his life. However, he passed away in the hospital at Jos, Nigeria, in 1954.

On Friday evening Mrs. Hodges, sponsored by the B.Y.P.U., again spoke on her experiences at Billiri Bible School illustrating her talk with pictures taken by her husband. This school is for training native Christians to be missionaries to their own people. At the close a social hour was held, refreshments were served, and Mrs. Hodges was presented with a set of matched luggage by the young ladies' and young matrons' classes of the Sunday School.

On Sunday Mrs. Hodges spoke at three services on the need of evangelism in Africa.

While in Bear River Mrs. Hodges and children, David, Ruth, Daniel and Ernest, were guests of Mr. and Mrs. Vernon McCormick.

Mrs. Hodges and family left Monday via Digby and the Princess Helene for points in New Brunswick where she will visit relatives and fill speaking engagements, then on to Maine for a few more appointments, and then to Toronto where she will purchase and pack supplies to provide everyday needs for herself and children during the next term of four years in Africa. They sail on the Empress of Britain on July 30. This term she will begin her work teaching at Kent Academy, a school for missionaries' children, at Miango, Nigeria.

Mr. and Mrs. Conner returned to his home in Montreal on Sunday after spending a two weeks holiday with his sister, Mrs. Lewis Banks, and Mr. Banks.

Miss Florence Smith has returned home after graduating from the Nova Scotia Normal College, Truro.

Mrs. John Harris has as her guest her niece, Ester Fleet, infant daughter of Mr. and Mrs. Lester Fleet, of Grand Bay, N. B.

## Gifts Dedicated

On Sunday, June 23, at an afternoon service in St. John's Church, Bear River, a memorial stained glass window was dedicated to the glory of God and in loving memory of Mr. Alfred Porter and his wife, Emma Jane Porter; Lt. Col. Cecil George Porter and Capt. Thomas Southall Porter. The former is a son of Mr. and Mrs. Alfred Porter, and the latter a grandson.

Tom and his brother, John, as boys, visited their grandparents for many summers and had a wide circle of friends in Bear River. Mr. and Mrs. Alfred Porter were members of St. John's congregation for over 25 years and are still remembered by many Bear River friends.

The window was given by

Mrs. Ethel Porter and her late husband, Horace Porter, of St. John, N. B. In the window is depicted the full-length figure of St. John the Evangelist holding the Chalice and Eucharist symbols of his eucharist writings.

The glass used in the manufacture of the window is all hand-blown, known as antique potmetal and slab glass.

Those attending the service from outside Bear River were Mrs. Ethel Porter, her daughter, Mrs. Steele, and her husband and four children; Mrs. Helen Anthony and Mrs. Louise Stephens, of Digby; Mr. and Mrs. Henry Romans, Miss Mary Romans and Mrs. Andrews, of Halifax.

Also dedicated at this service was a Lectern in memory of Beatrice Dunn Anthony, daughter of the late Capt. and Mrs. C. O. Anthony. The Lectern was the gift of her sister, Miss May Anthony, who was also present at the service.

The service was conducted by the rector, Rev. S. J. Armstrong, and the dedication was performed

## GRADUATION DANCE

HELD AT FREEPORT

The advanced department of the Freeport school held a graduation dance in the Nuera Theatre on Friday evening. Students from Westport and Tiverton and invited guests attended.

The evening was spent in dancing and refreshments were served by the school pupils. Mr. Olmstead presented the grading certificates to the class and a prize to Brenda Thurber, Grade VII, for the best attendance in the school.

Mr. Olmstead was presented with a lovely pair of cuff links by Donna Crocker on behalf of the class. Mrs. Sidney Hooper presented Mr. and Mrs. Olmstead with a scenic T.V. lamp from the Home and School Association of which he was president the past year. Mr. Olmstead will be teaching in Hantsport next term and we are sorry to lose them, but our best wishes follow them.
