1877- 1978

1877-1977

One of the jobs I had to do, besides putting and
grinding down the staff, was to... I cleaned one
and then... One day not long after I started to get to
the grating plant. I decided to climb the floor that
apparently hadn't been cleaned for some con-
siderable time.

"J.J." came along and said, "how are you making out Vince?" I assured him that I thought I was beginning to see the floor. "J.J." laughed very heartily. He thought the remark pretty good and whole.

Sometimes the gasoline engine, a piece of machinery would refuse to work, and the "fix-it" man had patiently worked for a certain length of time to get it going again, without results. Max would then stand back and come over dramatically then he would immediately start working. "See," he would say, "all it needed was a bit of fixing."

On other occasions when some people would say, "let it be," and seemed to be brokenhearted, I would say, "use a little oil" and vice versa, after that is said, "use a little oil" and vice versa, after that is said, "let it be." They often since have I heard of the value of that remark and the actual need of oil in many life situations, applied at the right time, right place and in the right way.

place and, in the right way.

Other things that sort of stick in my memory and come to mind now and then are, like the June 1 I told "Mac" of four teenage boys who in the spring season of 1943 got together just before dark one evening and decided to mutilate the newly built outdoor Pease Hotel swimming pool which had just been filled with water. Clothes were taken off near the road just out of the pool, nobody else seemed to be around and the four boys, no thought or time for bathing suits, up in the pool they went. They stood on the edge of the pool and looked at the chilly water, one soon jumped in. The rest quickly followed and across the pool they swam. "Mac" listened to the story and hardly said anything, but the next "Digby Courier" had a good story on the episode. The heading of the story was something like, "Four Boy Swims Officially Open Pease Hotel Swimming Pool." Who were the boys? Many years later they are known as: the late Dr. Earl H. Anderson, veteran of two wars (second world and Korean), was awarded the Vietnam Cross; Sidney L. Smith, now prominent draughtsman for many years in Digby; Clayton D. Snow, Digby telephone installer and electrician; and myself.

As a young teenager I used to like doing some writing about different events interesting to myself, and mostly for myself. One day "Mac" said to me how about writing your version of the story told about "The Marooning of Jerome". I did it and read at least two somewhat different versions about the man who was found marooned on a beach in some point on the French Shore of St. Mary's Bay, Duffy County. When found this man's torso had been cut out and his legs quite freshly amputated, were surgically well dressed and bound. He was presumably left by some vessel before dawn one morning, all for some mysterious reason.

"Jerome" appeared to have been a man of considerable social standing and, possibly, of considerable wealth. However, the way things could or would ever get off after being found and lost by some family in the French shore, something that sounded like Outing, before either would end, or, would not, with the fact that he was or why he was left there, or what he was, and is, one of Dignity, Comeliness, and, different ideas have been mentioned in reports concerning this man. However, "Mike" was, I felt no urge to say anything different about this man. The way things have been very well explained.

From the files of the Chamber of January 23, 1967, the following account has been copied concerning India in 1967:

Among a number of old newspapers kindly sent to us by friends is a copy of the failed *John Gazette* of May, 1887, says the *Tri-Weekly* and among other advertisements contained in the issue before us is one describing the town and farming of Digby, and offering for sale certain lots in the town. In this area we are told the township of Digby "extends from the Gulf of Annapolis westward to the extremity of the province of Nova Scotia, and contains about 134,000 acres." The town plot is then described.

The Town Plot is situated at the east of the township just within the entrance to Annapolis Bay, and twenty miles from Annapolis Town, and six miles distant from the head of H. Mary's Bay. This land, and not from the water's edge, partly is level ground, and partly on the declivity of a modern hill, dry and pleasant, and having with an eastern aspect a view of the Annapolis Bay, and its cultivated shores for twenty miles in extent, it terminates with the Fort and River's mouth at that name. It was secured by Leyden's tract, New York in 1643, the land of which went nearly to Britain, or, moving to other countries, left the shore

free trade with the U.S.A., especially with the New England States. The question was then debated by some Digby High School students, one of which was J.J.'s daughter, Florence (now Mrs. Morton of Tibet, Prescott, Digby Co.). Some days after the debate a man from some part of Nova Scotia came to the printing shop looking for Florence, one of the successful debaters. I had the impression that this man was interested politically but, maybe I was wrong.

Well, I felt that I had learned considerable from my short experience at "The Wallis Job Print." I was learning to do beginner jobs, receiving some knowledge about things like: embossing, stapling, perforating, counting, cutting and trimming paper stock, printing ink for certain desired values, and so forth, but, the only experience I had at setting type was just enough to make a "go", the printer name or a confused mess.

There was a taste of trying to work inside the plant. Work was a little slack one early fall day and so "Mac" said to me, "How about trying your hand at taking orders for printed personalized Christmas cards?" I tried it, made several calls over most of the time at one particular order, but

WELCOME TAKE-OVER

No one in Digby or in our total readership area, for that matter, was disappointed to get the news that the government owned C.N.R. had purchased the Princess of Acadia from the Canadian Pacific Railway. (They also purchased some C.P.R. property in Saint John.) Not that the people of Digby have not appreciated the C.P.R. through the years. No one will deny that Digby itself was put on the map through the C.P.R. advertising of the Pines Hotel, (now provincially owned) and the C.P.R. boats back through the years. Digby citizens spoke with pride of the C.P.R. as they told friends and visitors from far and near about the Pines Hotel and the ferry which brings you from Saint John, N.B., to Digby, Nova Scotia.

But times change. A private company facing competition with subsidized ferries could not make the profit necessary to keep the ship in operation at a reasonable rate of charge for services. Comparisons of rates had convinced Boards of Trade, Town Councils and Municipal Councils that those who used the C.P.R. ferry passenger service, the car transportation service and the freight service were cutting into their profits with the high rates. This, they found was often a factor in the lack of industry locating in Digby and area. The take-over by the C.N.R. will without doubt benefit the C.P.R. which confessed to losing on the Saint John to Digby route even with such rates as those classified as exorbitant.

We look for C.N.R. to take over the Dominion Atlantic Railway since that would be an isolated property in the midst of C.N.R. owned properties. Whether the C.N.R. will be able to work up more passenger travel on the D.A.R. or not, we do not know but the purchase of the ferry by C.N.R. should be a boost to tourist traffic industrial locations here and a boom to established businesses and industries.

With all due respect to C.P.R. the time has come when it is more reasonable to have the C.N.R. own the Princess of Acadia and have it "subsidized" as other ferries linking the province with other areas. We welcome the take-over.

Hodge Podge

We have not yet educated all people to do all their Christmas shopping early. There must be a good many last minute shoppers. Our bus on Tuesday afternoon around 2:30 or 3:00 met one long string of cars reaching from Kentville - town, clear out to the Experimental Farm. We met another string, not nearly so long, just outside the New Minas shopping areas.

So the "fairy" boat has changed hands in ownership. Maybe that will put the fairies back on the boat or provide this area with a "fairy Godmother". The little girl had been advised before she left home

hundreds of miles away that she would be going on a ferry boat to get to Digby. Imagine the disappointment of a four year old when there wasn't even one fairy on the boat.

Now that the C.N.R. has purchased the Princess of Acadia, it might be profitable to construct that road from Shelburne to Digby. Remember the one Merle Mullen was trying to follow via of a Digby County map.

Saw a program on Safe Driving Sunday night. It had to do with drinking and driving. No where did we hear any reprimands for not using safety belts. Do you suppose they didn't think them all that important.

— Maybe with the "herring factory" in Digby, we had better chum up with the Swedes. Their main meal at Christmas starts with raw herring and herring salad, a mixture of chopped herring, apple and beetroot. Often sardines are used.

— Each Christmas Acadian Lines provides free sandwiches and pop to its patrons when the usual stop at the restaurants is missing because of holidays.

Are." After the congregational hymn "Joy to the World" the following recitations were given: "Teach Me Humbleness" by Maxine Height; "X-Day" by Joanne Roope, and "My Christmas Wish" by Jeffrey Franklin. "Let There Be Peace On Earth" was sung by the Choir, after which Stephen Franklin read "A Christmas Reading." A trio consisting of Sheila Roope, Maxine Height and Patsy Height sang "Love Makes Our Christmas." A recitation "A Suitable Gift" by Brian Dugas was followed by an exercise entitled "Christmas Journeys" by Sheila Roope, Stephen Franklin and Maxine Height, and a "Closing Prayer" by two members of the Primary Class, Joanne Roope and Brian Dugas, completed the Sunday School program.

Mr. Lloyd MacNeill, Clerk of the Church, introduced Rev. Murray Shaw who arrived in Digby on December 18th, and will be Pastor at Hill Grove Church, as well as in Digby. Rev. Shaw spoke briefly, and also pronounced the Benediction after the singing of the closing Carol "O Come All Ye Faithful."

Thursday dinner guests of Mr. and Mrs. Layton Hinxman were Mr. and Mrs. Stanley Bishop, New Minas; Mr. and Mrs. Frank Macintosh and Mr. and Mrs. Paul Van Tassel and daughter, Cathy, Digby.

Mr. and Mrs. Frank Macintosh and family, also Ricky Robbins, Bear River, were dinner guests on Christmas Day at the home of Mr. and Mrs. Layton Hinxman.

Mr. and Mrs. Raymond Everett entertained at a pre annual Christmas party on Saturday evening, December 21. Guests were Mrs. Shirley Clayton, Mrs. Otis Stark, Leonard Hinxman and Mr. and Mrs. Willard Kinney, all of

Digby. Also Mrs. Bernard Longmire, Hillsburn. A beautifully decorated tree was the centre of attraction. Gifts were presented to each one present. Guests departed at a late hour wishing Mr. and Mrs. Everett a merry Christmas and a happy New Year.

Mr. and Mrs. Layton Hinxman are spending the New Year week at the home of Mr. and Mrs. Stanley Bishop, New Minas. On their return they will visit Mrs. Hinxman's sister, Mrs. Bernard Longmire and Mr. Longmire Hillsburn.

Mr. and Mrs. John Townsend and daughter Denise spent Thursday as guests at a lovely T bone steak dinner at the home of their parents Mr. and Mrs. George Townsend of Clementsport.

Mrs. John Townsend and daughter visited Christmas Day with her grandparents Mr. and Mrs. Edward Tibbetts and mother Mrs. Elwood Haight of Smith's Cove.

The monthly meeting of the Ladies Auxiliary, Digby General Hospital, will be held on Monday, Jan. 6th, at 8:00 p.m. in the Board Room.

Sympathy goes out to Mrs. Stan Vidito, in the loss of her mother on December 20th.

Mr. and Mrs. Hymie Webber spent Sunday visiting her mother, Mrs. Lea Stark at the home of her sister, Mr. and Mrs. Ralph Smith, Port Mouton, where Mrs. Webber's mother celebrated her 90th birthday Dec. 29th, although not in very good health seemed to enjoy her day.

Mr. and Mrs. Otis Stark,

LETTER TO THE EDITOR

Digby, Nova Scotia

December 21, 1974

Mrs. Edith M. Wallis, Editor, The Digby Courier, Digby, Nova Scotia

Dear Mrs. Wallis:

At this festive season it is a real pleasure to extend to you and to everyone in the Electoral District of Digby sincere good wishes for a Happy New Year.

My trust is that the year just ending has brought a full measure of life's joy and but few sorrows to the people of this district.

I hope also that the new year just dawning will hold for us all happiness, peace and prosperity.

Yours sincerely,
Joseph H. Casey, M.L.A.

WINTER PARKING REGULATIONS

Effective January 1, 1975

Regulations made by the Provincial Traffic Authority Pursuant to Section 180 of the Motor Vehicle Act, R.S.N.S. 1967 Chapter 191

WHEREAS due to the congestion on the streets and highways in the villages of Weymouth, Bear River, Sandy Cove, and on the Point Prim Road, in the County of Digby, caused by vehicular and pedestrian traffic and the limitation on the free use of the streets liable to be caused by the presence of snow and ice thereon, I am of the opinion that special conditions exist and I do so declare.

THEREFORE under the authority of Section 180 of the Motor Vehicle Act, as Traffic Authority for the Province of Nova Scotia, I make the following temporary regulations:

1. These Regulations may be cited as the Winter Parking Regulations.

2. (1) Notwithstanding that certain traffic signs have been erected in the Villages of Weymouth, Bear River, Sandy Cove and the Point Prim Road prohibiting or permitting the parking or leaving standing of vehicles upon sections of the highway during the hours stated thereon:

(a) No person shall park upon any highway or street in the Villages of Weymouth, Bear River, Sandy Cove, and on the Point Prim Road between the hour of one o'clock in the forenoon and the hour of seven o'clock in the forenoon of the same day;

(b) No owner or driver or person having control or custody of any vehicle shall park the vehicle if it is unattended by a person authorized to move and capable of operating the same, upon any highway or street in the Villages of Weymouth, Bear River, Sandy Cove, and the Point Prim Road, in such a manner as to hinder, inconvenience or prevent the proper removal of snow or ice from such highway or street;

(c) No owner or driver or person having control or custody of any vehicle shall during the period from one hour after any snow storm has commenced to two hours after such snow storm has stopped, park the vehicle if it is unattended by a person authorized to move and capable of operating the same, upon any highway or street of the Villages of Weymouth, Bear River, Sandy Cove, and on the Point Prim Road.

(2) The provision of Subsection (1) shall not apply to:

(a) The motor vehicle of a physician or surgeon parked reasonably near his office or residence and immediately available for professional calls;

(b) Motor vehicles parked by a physician or surgeon who is actually engaged in his professional occupation and reasonably near where he is so engaged;

(c) Motor vehicles parked by an operator who is actually engaged in discharging his duties as a Police Constable or a member of the police or the armed services;

(d) Motor vehicle parked by an operator who is actually engaged in discharging his duties as a member of a Fire Department;

(e) Commercial vehicle parked by an operator for the purpose of loading or unloading merchandise.

4. No owner or person having control or custody of any vehicle which has been parked contrary to these Regulations shall leave the same standing or parked upon any highway or street in the Villages of Weymouth, Bear River, Sandy Cove, and on the Point Prim Road.

5. The time above referred to shall be the time which is from time to time legally in effect in the Province of Nova Scotia.

6. It shall be an offence for any person to fail to comply with these Regulations and such person will be liable to a penalty as provided by Section 266 of the Motor Vehicle Act.

7. Any peace officer may seize and remove any vehicle with which an offence has been committed under these Regulations.

8. These Regulations shall be in full force and effect from the 1st day of January, A.D., 1975, up to and including the 15th day of April, A.D., 1975.

DATED at Halifax, Nova Scotia, this 19th day of December, 1974.

HELPFUL HINTS by Sally Easton

- Add a little vinegar to a spray bottle of water - great for cleaning bathroom soap dishes. xx
- Keep a new broom in shape by slipping the top third of an old stoking over it. xx
- Dye won't run the first time you wash colored clothes if you add a tablespoon of black pepper to the water. xx

In Memoriams

HANDSPIKER - In memory of a beloved husband and Dad, Nelson Handspiker, who passed away December 25th, 1970.

The rolling stream of life rolls on,
But still the vacant chair,
Recalls the love, the voice, the smile,
Of the one who once sat there.
Always remembered by wife Dorothy and family.

21:lp

STEWART - In memory of Iris Yvonne Stewart who lost her life on this earth, Dec. 24, 1968.

Farewells were never issued
Before you passed away
Only a belief of another world
Sustains us on this day,
So Good-bye for now, Dear Iris
Good-bye again, we say
Some day we'll meet in Heaven
If God doth have his way,
Sadly missed by parents - Mr. and Mrs. Joseph O. Stewart, sisters and brothers.

21:lc

VANTASSELL-In loving memory of a dear Husband, Father and Grandfather, Elmer Vantassell who passed away January 3, 1970.

If he could have spoken before he died
These are the words he would have replied

This life for me has truly passed,
I've loved you all till the very last

Weep not for me but courage, take
Love each other for my sake.

Though his smile is gone forever
And his hands we cannot touch,
Still we have such beautiful memories

Of the Husband, Father and Grandfather we loved so much.
For all he did his very best

21:lc

FORD - In loving memory of a brother, Clifton (Ketty) Stephen Ford, who passed away December 31, 1973.
Time goes on with many changes
Joys, sorrows, smiles and tears
But your memory we will cherish
With the passing of the years.
Lovingly remembered by Father, Brothers and Sisters.

In loving memory of a dear wife and mother who passed away Jan. 9, 1964.

The depth of sorrow we cannot tell
Of the loss of one we loved so well,
And while she sleeps a peaceful sleep
Her memory we shall always keep.

Always remembered by husband, Stephen and Family.

IN MEMORY - In loving memory of Kenneth Merritt who passed away December 25th, 1968.

Never more than a thought away,
And quietly remembered every day
No need for words except to say
Still loved, still missed in every way.

Always remembered by your wife, Florence.

21:lp

MOREHOUSE-In loving memory of husband and father, Robert E. Morehouse, who passed away December 29, 1973.

Time goes on with many changes
Joys, sorrows, smiles and tears

But your memory we will cherish with the passing of the years.
Lovingly remembered by wife, Bernice, daughter, Shelia and sons, Ronnie and Ray, and Grandchildren.

21:lc

SOLLOWS-In loving memory of my dear father Dalton Sollows who passed away on Jan. 3, 1972.

Beyond a smile there lies a tear,
For a Dad I lost and loved so dear,
My heart still aches as I whisper low,
God Bless you Dad, I still miss you so,
He had a nature you could not help loving,
And a heart that was purer than gold,
And to those who knew him and loved him,
His memory will never grow cold.

Dearly loved and forever remembered by daughter Burla.

OBITUARIES

Mrs. Aubrey Everett

Mrs. Aubrey Everett, 71, of Digby, passed away at her residence on Saturday morning.

Born in Digby, she was a daughter of the late Louis and Phoebe (Holmes) Hazelton. She was the former Jannett Lena Hazelton.

Surviving besides her husband are one daughter, Dorothea (Mrs. Gus Comeau) of Digby, two sons: Arthur of Digby; Robert of Guelph, Ontario; two sisters: Mrs. Margaret MacKeon of Lowell, Mass.; Mary (Mrs. Otis Darres) of Digby, twelve grandchildren and six great-grandchildren. The remains rested at R. McCleave Funeral Home Ltd., Digby. Funeral mass was held on Monday at 10:30 AM with Father Leo Malliet officiating. Interment was in Fairview Cemetery, Digby.

Lena Violet Cromwell

The sudden death of Lena Violet Cromwell shocked and saddened the community of Weymouth Falls and area. Her death occurred on Thursday, Dec. 19. Although Mrs. Cromwell had been ailing for sometime, she was active in organizations and in her home.

She was the daughter of Mr. and Mrs. Max Cromwell, and wife of Nelson Cromwell all of Weymouth Falls. She was 53 years of age.

She was an active member of the Ladies Auxiliary of the Canadian Legion No. 67, and a member of St. Matthew's Guild and of the Women's Group at Mount Beulah Baptist Church.

Left to mourn, beside her parents, and husband are six daughters, Margaret (Mrs. Dolan Cromwell), Violet, Odessa and Thursa, all of Toronto. Wilhemina of Halifax and Rhonda at home and two sons, Benjamin of Toronto and Alec at home. There are also four grandchildren. Three sisters, Gertrude (Mrs. Leonard Parsons) of Halifax; Ivy (Mrs. Reginald Langford) of Toronto and Betty (Mrs. E. Fantinel) of Niagara Falls; two brothers, Lloyd and Morris Cromwell of Weymouth Falls also survive.

The funeral service was conducted from St. Matthews Anglican Church on Saturday

with Rev. Isaac Butler officiating. The pallbearers were Lloyd Bright, Arnold Jarvis, Harold Cromwell, Cecil Simmons, Harrison Jarvis and George Langford. Interment was in St. Matthew's Cemetery.

Oran F. Woodman

Oran Fritz Woodman, 83, Joggin Bridge, was buried Sunday in Woodman cemetery, following funeral service in Smith Cove Baptist Church. Rev. Wallace Jordan, assisted by Murray Shaw, officiated.

Born in Joggin Bridge, he was a son of the late Henry and Maximilla (Warren) Woodman. He was a retired general merchant and operated a general store in Joggin Bridge for 63 years.

He was a member of V Keith Lodge, No. 16, AF and AM.

Surviving are a son, Clayton and a daughter, Ruby (Mrs. Robert Harrison), both of Smith Cove; a sister, Blanche (Mrs. Wade Woodman), Conway; four grandchildren and three great-grandchildren.

Besides his wife, the former Leona Blackadar, he was predeceased by a brother.

Mrs. Henry S. Doucette

Mrs. Henry S. Doucette, 81, Quinan, died Saturday at her home.

Born in Quinan, she was the former Elizabeth Mary Doucette, a daughter of the late Henry and Eleanor (Doucette) Doucette.

Surviving besides her husband are a daughter, Leona, Quinan; two brothers, Bernard and Wilfred, both of Quinan; three sisters, Mrs. Eleanor Nigloire and Mrs. Judith Muise, both of Springhaven; Mrs. Marie Harlen, Summerville, Mass.; and a grandchild.

Funeral service was held 3 p.m. Tuesday in St. Agnes Church, Quinan, Rev. Pierre Comeau officiating. Burial was in Quinan cemetery.

Sandy Cove

Mrs. Percy Harris Sr. is spending the holiday season with her daughter, Rev. and Mrs. S.W. Miller and family, Halifax. She will also visit another daughter, Mr. and Mrs. Eric Mayhew and family, Kentville.

Christmas Party At Activity Centre

On Wednesday evening, Dec. 18th, a Christmas Party was enjoyed at the Activity Centre, Conway, for Mentally Retarded Young Adults and their friends. Musical games and singing with a visit from the red-suited jolly gentleman who passed out gifts and treats from the Christmas tree were the special features of the evening. Much merriment and laughter was in evidence.

The young trainees, with the assistance of their teachers, Mrs. Josephine LeBlanc, Mrs. Irene Speichts and Mrs. Stella

Murley, had been preparing for this event for the past few weeks. The centre has been operating on a two day week schedule only. Should finances become available, it is hoped it will be opened full time.

Lucky winners of the three draws (by Santa) were - Lat-chet hooked rug - Mrs. James Wambeck, Digby; punch needle rug - Mrs. Ruby Abbott, Montreal; dressed doll - Mr. Leo Haynes, Digby.

Thanks was extended to Santa and friends.

CANADA: THE MOST INDEBTED PEOPLE IN THE WORLD

The extravagant spending spree of Christmas will give retail merchants a quarter of their yearly sales. Buying customers, caught up by the excitement, become victims of their own buying aggression, while retailers, advertisers, credit companies and banks all promote a buy now and pay later scheme. And pay later do. This compulsion has made Canadians the most indebted people in the world.

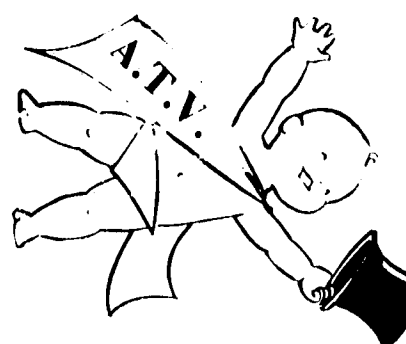

THE GLASS MENAGERIE - Katherine Hepburn stars in Tennessee Williams' classic drama of a woman clinging to the past and dreaming of a better future for her two grown children.

Out of the 21 major credit cards in use, the largest portion of this nine billion dollars goes to ChargeX. The second most popular card is the Eaton's credit card. With this much money at stake, it's no wonder that the credit card companies are trying for the buying power of the customers.

"With the present trend," remarked Producer Jack McGraw, "all Canadians should be prepared to enter the cashless society in another decade or two." It is estimated that there are over 20 million credit cards in use in Canada and McGraw and his Inquiry team look at the people who use credit cards and the system that promotes them.

"Cash Is A Four Letter Word: A CTV News Inquiry" is produced by Jack McGraw and Jeff Fry with reporter Robert Reguly. Heather McMillan is the researcher and Ron Carvik is the director. The Executive Producer is Don Cameron.

The Glass Menagerie

The Fit Stop begins its second season on CBC-TV Tuesday, Dec. 31 at 4:30 p.m. Hosts are Clive Wallace and Jan Tennant with fitness expert Dr. Bryce Taylor, who has designed a progressive series of exercises that all ages can do. The exercises form part of each program which also includes "how to do it" tips on many kinds of sports from rowing to skiing, high jumping to swimming.

distance but not in memory, tells of Amanda Wingfield in the new movie version of Tennessee Williams' classic and award winning drama "The Glass Menagerie", airing Friday, January 3, 10pm - 12am on the "ATV Friday Night Movie".

The deceptively simple story, as seen through the eyes of Tom Wingfield, (Sam Waterston) her son Tom to better himself while keeping his \$85-a-month job that supports the family.

Tom secretly dreams of escape by joining the merchant marine. His sister Laura, played by Joanna Miles, is shy, plain, sensitive and slightly crippled. She is the focus of Amanda's drive for survival and Amanda wants to find a husband for this girl with no social graces.

Finally, Tom agrees to bring a co-worker home for dinner and when he arrives he is "the long-delayed but always expected something that we live for" - and their lives, like Laura's collection of glass animals, are touched, shaken and changed forever.

In late 1944, the play version of "Glass Menagerie" opened in Chicago with thundering success. A year later it opened in New York to win the New York Drama Critics Award and completed a two year run.

David Suskind is the producer for this Talent Associates Norton Simon, Inc. production. The director is Anthony Harvey.

Explosion Closes Digby Forum

The Digby Recreation Commission in special session on Monday afternoon decided to close the Forum for the remainder of the season following the blowing up of the evaporator in the engine room of the ice maker system. A new evaporator would cost \$7,325, it was announced by the presiding president, Captain Reginald Hazelton. Of this 50 per cent would be due with the order being placed and the balance

would be due on delivery. A complete new unit would cost in the vicinity of forty to fifty thousand dollars. Realizing that the equipment at the plant is twenty-five or more years old, the commission felt that should a new evaporator be installed the same problem might come up with the other parts of the old equipment and this could be dangerous. By motion they decided to go for a complete unit.

Should there have been patrons in the Forum making use of the ice all of them would not have been able to escape the dangerous ammonia fumes which poured from the evaporator explosion, Mr. Hazelton informed the Commission.

The ice had been busy the entire day from 9:30 a.m. to 5:30 p.m. on Sunday, the day of the explosion. Tony Lewis, the Recreation Manager was at the

building and saw what he thought was smoke. He went to the engine room, it is said, and just retired from the room when the evaporator blew up. Digby's Fire Department arrived in quick time and an attempt to clear the deadly ammonia fumes was made.

Captain Hazelton said at the meeting on Monday that there was still danger of fire and the Fire Department was standing by. The air was still con-

taminated by ammonia and could not be breathed at the time.

Should the high pressure equipment have blown up the entire building would have gone, the president said and also remarked how fortunate it was that no one had been killed by the evaporator explosion.

With replacing the evaporator only the Forum would be closed only a month but investigation and discussion indicated a

complete new unit which would close the Forum for the remainder of the season.

Mr. Hazelton appeared at the Digby's Town Council on Monday night and advised the Council about what had happened and the decision of the Commission respecting the same.

The Commission hopes to take their concern to the Recreation Committee for assistance.

The Commission had bought a new ice-clearance machine which had been used for only a few days.

It is hopeful, Mr. Hazelton said to have Minor Hockey to continue on CFB Cornwallis ice. He said he wanted to see the kids on ice somewhere. Teams had been playing on Sunday when about 150 spectators enjoyed watching.

Town Clerk Reports

In his report at Digby Town Council on Monday night Glen Pitman Town Clerk informed Council of the resignation of Miss Jackie Connolly who had resigned in order to train for an air stewardess. The resignation was regretfully accepted and the new secretary Mrs. Rose Corbeil welcomed. Miss Connolly was given much praise for her excellent personality and generating a great deal of goodwill from the town hall.

The remainder of Mr. Pitman's report digressed somewhat from his usual report and referred mainly to duties of the Council and its administration. Councils, he said, have a two fold function. These are to determine policy and seeing that this policy is applied evenly and justly. The continual flow of personal problems which are presented to Council to decide upon, he said, keeps a council in touch with the needs of the Town and with possible faults in their present policies and administration but the flow of detail problems is so great that individual cases absorb most, if not all, Council's time so that the larger issues which are being pressed by interested persons are overlooked and side-tracked.

Most members of Council, the report said, are busy earning a living outside of Council and so have only limited time and energy to donate to public business. With too much of their time being used to decide on minor issues there remains no opportunity to deal with larger problems as they may

apply to policies, by-laws, zoning or community planning. Because of this councils tend, he said, to deal with problems as they become urgent at sometime long after they should be tackled rather than to plan a long-term program for the

Gerald VanTassel Gets Safe Driving Award

Constable J.A. Malloy, R.C.M.P., Digby presented the 1974 Safe Driving Award to Gerald Van Tassel on Monday evening. The presentation was made at the regular meeting of Digby Town Council presided over by Deputy Mayor Philip Robertson. Mr. Robertson extended to Mr. Van Tassel congratulations on behalf of the town.

Awards for safe driving are issued in Nova Scotia each year with the local police doing the judging for the one deserving of the award in that particular community. Particular emphasis is placed on Safe Driving Week which was held the first week of December in 1974.

Mr. Van Tassel who lives at the corner of Mount St. and First Avenue is a taxi driver in the Town of Digby.

Mayor and Councillors by Acclamation

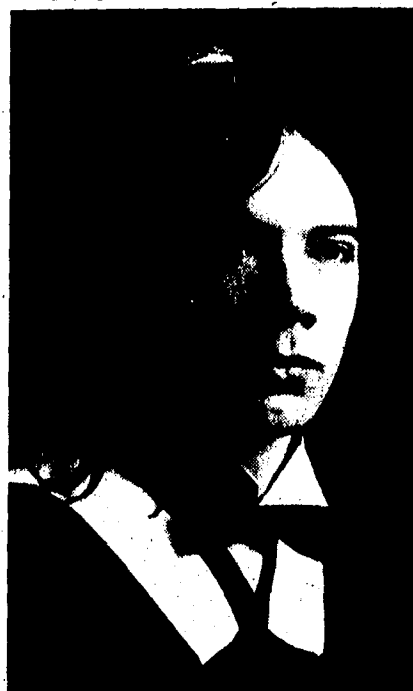

Civic nomination day closed in Digby town on Tuesday with one nomination for mayor and one nomination for councillor. Patrick Comeau, a former councillor, was proclaimed Mayor of the Town of Digby by acclamation and Captain Reginald Hazelton was proclaimed councillor by acclamation filling the seat vacated by Mr. Comeau on December 31.

Councillors presently are Deputy Mayor Philip Robertson, Gordon Ellis, William Reid, Mrs. Eileen Chipman, Guys VanTassel and Mr. Hazelton, newly elected. Glen Pitman is town clerk and MacLeod Rogers, Q.C., is solicitor for the town.

Mr. Comeau has served on the Digby Council for a year and a half and has piloted through important business in serving on several vital committees. Mr. Hazelton is a well-known

Digby man entering "civic politics" for the first time. An especially sports minded person, particularly where the youth is concerned, Captain Hazelton has been president of the Digby Recreation Commission and a past president of the Digby Minor Hockey League. His participation in sport areas has taken him to the district sport field as well as provincial sport fields.

A sea captain, the newly elected councillor has engaged in the fishing business for many years and is keenly interested in community life.

Gets \$2,500 Fellowship

David Clinton MacInnes, Digby, is the recipient of a \$2,500 Fellowship to do graduate studies in Economics at Acadia University. Mr. MacInnes graduated at the Fall Convocation of the university with the Bachelor of Arts degree. He is a 1971 graduate of the Digby Regional High School where he received the school's Current Events Award.

Mr. MacInnes is the son of Mr. and Mrs. Clinton MacInnes, Digby.

Town Appointments Made

Webster Dunn, a former Digby policeman, was on Monday evening re-appointed to the position of parking meter supervising and Frank Robinson was re-appointed to public works superintendent.

The matter of appointing a dog catcher was tabled until it is possible to have the present dog catcher, Clifford Vidito appear before council.

Council agreed that the power of traffic authority be put in the hands of Sergeant Abel of the R.C.M.P. which now does the town policing. Councillor VanTassel suggested that people be notified to dial Zenith if not able to get the R.C.M.P. number.

Councillor Guy VanTassel was named to represent the town on the negotiating committee of the Digby County Power Board. Councillor Van Tassel, who is chairman of the Town's Public Utilities Board is an additional representative on the Digby County Power Board.

Offers Land Sale To Town

The Church of God, Digby, through their solicitor R. Allan Deveau, Meteghan, offered the sale of their property on the South end of town to the Town for \$3000 in order to settle their claim on the Town in alleged trespassing on their property in laying a water line. The town council at their regular meeting on Monday night denied responsibility in that town acted on good faith in their participation in the installing a waterline by request of the Hyrech Co. Any dispute, they felt, should be taken up by the Church of God with that company. The Council by motion decided to act on the advice of the town solicitor on the matter.

Authorization was given at the Council on Monday evening to spend up to \$500 to equip or build a float to represent Digby in the Annapolis Valley Apple Blossom Festival and other such events which the town felt inclined to enter. The float will be available basically from year to year. The proposition was placed before Council by Councillor William Reid.

Town Clerk, Glen Pitman, was asked to contact organizations and clubs to sponsor and take responsibility of having a Digby princess in the Apple Blossom Festival.

Organizations, too, were asked to place their list of coming events for the summer season 1975 in the tour book put out by the Nova Scotia Department of Tourism.

By motion the Town Clerk will meet with the Digby Municipal Council on the proposition of the Halifax Development Ltd. to set up a display at Scotia Square from July 7 to July 12, 1975.

Lawrence Banks Jr. appeared before Council.

Digby Flying Club Obtains Grant

A local Initiatives Program grant of \$10,865 has been obtained by the Digby Flying Club for upgrading the airport at Hill Grove. The grant has been put to work and backhoes and large tractors are presently working at top speed to do as much as possible of this work in the time allotted by the grant and to complete the new landing strip early in the spring. Six persons have been employed in the work under the L.I.P. grant.

Lewis Wyles who is overseeing the work being done by the Digby Flying Club noted that the primary runway had expanded from 2000 feet long to 3000 feet. Plans are to extend this runway to 5000 feet. Also the crosswind runway is to be extended to 2000 feet. The Club through the municipality have applied for two other grants, one federal and the other provincial. If the grants are forthcoming Mr. Wyles said that in six months "you won't know the place." It is hoped that the upgrading will include a terminal building and some paving.

The runway is fairly adequate at the present time, Mr. Wyles said but other facilities are lacking but with the obtaining of

necessary commitments the airport could be ready in a short time.

Mr. Wyles is anxious that people should come to see the airport and have a look at the amount of work done by the flying club. He said the amount of work now gone into the project is pretty well as much as the initial purchase price of the land. All the money for the work has been raised by the club with no taxes put on the ratepayers for the improvements. Mr. Wyles also suggested that the people should consider establishing a charter service at the airport. This would be beneficial to local businesses in general and particularly to motels and tourist establishments.

The L.I.P. grant project began its operation on December 2, 1974. Previously the Club had erected a meeting house on the property where the club members could hold meetings and make plans for future. The Club anticipates the Airport Days as another fund raising project in 1975.

Mr. Wyles, who has been interested in air strips for many years claims this airport which is 500 feet above sea level is ninety per cent fog free.

New Pastor At Church Of God

Pastor and Mrs. Francis Burnett will arrive Saturday, January 11 from Oregon, Illinois and will conduct his first service at the Lighthouse Church of God on Sunday, January 12. Pastor Burnett will be the interim pastor for several months to fill the pulpit vacated by the death of the late Raymond Brown.

Pastor Burnett is the Director of the Sunday School Department of the Church of God General Conference. He will continue to conduct the major portion of that work along with his position of interim pastor of the Lighthouse Church.

Pastor and Mrs. Burnett will

live in the parsonage of the Church of God and will be a part of the community for at least several months while a permanent replacement is found for the pulpit. Mr. Burnett graduated from Oregon Bible College in the class of 1943 and has pastored several churches. In 1968 Mr. Burnett came to the Church of God General Conference Headquarters at Oregon, Illinois and has served as an instructor at Oregon Bible College as Dean of Students of Oregon Bible College, as Youth Director for the Church of God General Conference and presently holds the position of Sunday School Director.

Springwater Habitation Conference

A successful opening conference of the Springwater Habitation at Rossway, Digby County, was held over the Christmas period. Some 30 Christians from six denominations gathered for a three day retreat starting on the evening of Christmas Day. The theme of the conference was 'The Word Made Flesh' and a total of six teachings was given by Rev. Lester Mullen on this theme. The teachings were interspersed with periods of praise, thanksgiving and prayer and each session concluded with group sharing and discussion.

The Springwater Habitation is a new initiative by a group of dedicated Christians to promote a deeper study of Christian living in Nova Scotia. There are three Ministers connected with the venture - Rev. Lester Mullen, Anglican, Rev. Bob Reid, United Church and Rev. Ron Cunningham, Baptist. The intention is that regular conferences will be held at frequent intervals.

Moreover, it is hoped that at

50th WEDDING ANNIVERSARY

Mountain Lea Lodge was the scene of a happy occasion on December 31, 1974 when relatives and friends gathered to help Mr. and Mrs. Hubert Lantz to celebrate their fiftieth wedding anniversary.

Farewell Fellowship For Dennis

Following the Lighthouse Church of God New Years Eve service an hour of fellowship was enjoyed in honor of Dennis Brown, son of Mrs. Brown and the late Rev. Raymond Brown, who had been supplying the pulpit following the sudden death of his father in November.

Dennis was presented with a gift of money, the presentation being made by an honorary elder, Charles Cook. He was also presented with a cake made by James Ross.

The New Years Eve services consisted of music and readings and Dennis gave his farewell address. On Thursday Dennis left for Oregon, Ill., to continue his theological studies at the Oregon Bible College. Another pastor will come from Oregon in January to fill the vacancy.

Editorial

DIGBY COULD HAVE BAND

To-night a group of people will be meeting with Donald Scott, DRHS, Concert Band instructor regarding classes in instrumental music under the Continuing Education program.

There seems to be a keen interest in this special adult evening class and it is expected that a goodly number will be present.

Mr. Scott has done marvellous work with the DRHS band and it is anticipated that his success with adults will be just as great. At the school there is always a new group to be initiated in the fundamentals of band music since the high school students graduate and move on to other goals and careers. The adult class will likely be less transient and will remain here to continue practice with practically the same members year after year.

A good civic band is definitely an asset to a town. Digby used to have a civic band of much prominence some years ago. There are still a number of these bands men of those years in town and who are anxious to get back to that type of music world again. At that time many open air concerts were presented at the Digby Bandstand and crowds came to enjoy the music. The same could happen again and be a real asset to tourism in the area.

Hodge Podge

Learned something new from the Bird Haven column this week. Owls are the only birds with eyelashes. What I want now is to see somebody take a paint brush to do an owl complete with prominent eyelashes. Remember Maude Lewis, oxen with the emphatic eyelashes.

A friend of Mrs. Don Nickerson Brown of Sagamore Beach, Mass. told us that she cannot do without the Courier. She says "I like what I read."

NEW BAPTIST MINISTER ARRIVES

Rev. Murray Shaw arrived in Digby in December where he has taken over the pastorate of the Digby United Baptist Church following Rev. Donald Robertson who moved to Fredericton, N.B. Above is Rev. Mr. Shaw, Mrs. Shaw and three children, left to right, Michael age 11; Robert (Robbie) 9 and Nicole 5. Missing from the picture is their youngest child, Lori.

Rev. and Mrs. Shaw came to Digby from Port Williams where Mr. Shaw was minister at the Baptist Church for approximately eight years. Other pastorates had been at Head of St. Margaret's Bay and New Ross. Mr. Shaw graduated

from Acadia University with the degrees B.A. and B.D.

Mr. Shaw started in the Digby pulpit on December 22 when he preached on "The First Noels" from Psalm 96. Following the Service Mr. and Mrs. Shaw and family were tendered a reception at the Church hall.

Mr. Shaw is the son of Alex Shaw and the late Mrs. Shaw of Yarmouth. His father and stepmother reside presently in Hebron, Yarmouth County. Mrs. Murray Shaw was the former Emma Sharam of Charlottetown, P.E.I.

It was announced that the annual meeting of the Digby Baptist Church will be held on January 15.

MARRIED 55 YEARS

Mr. and Mrs. Potter have five children, sixteen grandchildren and one great grandchild. The children are Mrs. Marguerite Counter of Oromocto, N.B.; Rae Potter, Clementsport; Mrs. Ainsley Robar, England and Lloyd in Shilo, Manitoba. Mrs. Counter, Mrs. Robar and Mr. Potter with their families were with the bride and groom of 55 years to help them celebrate the occasion. Mrs. Meikle telephoned her parents.

OFFERS LAND SALE TO TOWN

Continued from page 1 requesting further financial assistance for the Admiral Digby Library which finds it difficult to continue in their present financial situation.

Bruce Gilliatt, Digby Agricultural Representative with the Nova Scotia Department of Agriculture and John Thompson, District Weed Inspector, appeared before Council to get approval to appoint a weed inspector for Clare and Digby municipalities and Digby Town. Mr. Thompson gave an enlightening account of the detrimental effects of weeds and their control and the various kinds of poisonous and troublesome weeds. Council agreed to meet with Clare and Digby municipalities on the matter.

Discussion arose at the Council meeting on raising the parking meter rates and also on the discrimination in free parking at loading zones down town. Councillor Eileen Chipman referred particularly to the Digby Home Furnishings loading zone. The problem is to be looked into and a report brought back to the next council meeting. Collection from parking meters in December amounted to \$473.16.

Council decided to take a half page advertisement in the Ste Anne's College 1974-75 Year Book.

The town clerk reported that the LIP grant applied for by the town had been turned down.

A letter read from J.J. Brittain for the Digby Housing Committee did not comply with the council's request to be favoured with copies of that committee's minutes. A copy of Mr. Brittain's letter had been forwarded to the Nova Scotia Housing Commission. The letter indicated that there were personal matters which were not open to the public.

Bills for December to the amount of \$8072.32 were passed for payment. The town office staff had been given overtime pay for handling the business of the twenty-five per cent tax rebate.

It was reported to Council that Joe Casey M.L.A. had presented the Digby Fire Department with the \$15,000 Department of Recreation grant for use in the new Fire Hall building costs.

No one had to the present time been found to fill the E.M.O. vacancy caused in the resignation of Reginald Turnbull.

Glen Pitman requested the Council to sit in the near future to discuss the capital budgets proposed by the town schools.

The barking of dogs and the excessive noise of train whistles came in for much comment at Monday's meeting. An investigation of these noises will be made.

PLYMPTON

Mr. and Mrs. William Blinn of Head of St. Margaret's Bay, visited Mr. and Mrs. Dennis Blinn during the Christmas holidays.

Year 1974 Good

Looking over the Digby Courier files for 1974 would indicate to us that the year throughout the County has been one which deserves not too many complaints. There were tragedies and sorrows in the immediate area and in other areas that affected family life in some households. There were also family joys like birthdays and wedding anniversaries and other pleasant occasions to which many people can look back into the year 1974 with a great deal of pleasure.

Digby and county was not without its building boom. Take a look at the South end of Digby town which has practically mushroomed in private housing. New Senior Citizens Homes were completed, apartment houses went up and in general Digby town and most of Digby County area seemed to go ahead despite the inflation and the few disappointments encountered. Of course, the town sewer project which was scheduled for completion in 1975 had to come to a halt because of costs escalating above the town's means. This was one of the disappointments of a material nature.

We note by The Digby Courier files that plans were being made in January 1974 to expand Ste. Anne's College at Church Point. This was brought to a successful conclusion near the end of 1974.

It was in February 1974, when the Municipality of the District of Digby purchased the Hill Grove (Digby) airport. All through the year, with the help of the Digby Flying Club which was organized in March, progress in upgrading the airport continued. A new Digby function developed in support of the purchase, known as Airport Days. This brought in considerable revenue to the Flying Club to be used for the airport upgrading.

At the annual meeting of the Digby General Hospital in February, the president of the Board, F. C. Purdy, in his report anticipated future hospital expansion. While this did not materialize in 1974, we expect the same necessity will come up in the annual meeting, 1975. The Municipality also seriously considered public housing needs in February.

The New Horizons' building, Warwick St., opened in June after several set-backs during the construction.

The down-town area was enhanced in appearance and improved service when the House of Wong was erected on the former Cornwallis Cafe stand. The addition to Levy's Drug Store modernized and improved the opposite side of the street.

On First Avenue can be found one of the most modern of fire halls which was officially opened in October 1974. One of the shortest ratepayers meetings on record approved the borrowing for this construction. Similarly, the short ratepayers meeting toward the end of the year approved the purchase of new fire fighting equipment and testified to the appreciation of the firemen in their services and to the necessity of a good fire fighting force as enjoyed in Digby for many years past. Bear River and Smith's Cove also added to their fire equipment in 1974.

We would not want to omit the extension of the Legion Hall in Bear River which was dedicated in memory of Bill Benson in September and used by the Bear River New Horizons.

Digby County was fortunate to receive federal and provincial grants during 1974. Probably one of the most important being the \$75,000 for repairs to the St. Mary's Bay Marshlands. More than \$150,000 was allotted for wharves in the County and \$80,000 in L.I.P. grants came to the County. There were 20 Opportunities for Youth approved. A new ferry for Petite Passage, the Joshua Slocum, was dedicated and Christened. All welcomed the news in December that the Canadian Government through CNR had purchased the Princess of Acadia.

Young people in Digby County had proved themselves of high merit in 1974. It is impossible to name all the scholarship and award winners and the many fine functions staged by high school students of the area. In March we note where Miss Deidre Morrell topped all other students in music at McGill University with her mark of 92.

In the world of sports we had our young people, such as the Bantam Flyers, become champions. The D.R.H.S. Curlers came home with honors and Pat Theriault participated in track and field in Winnipeg. The young people of the D.R.H.S. concert band proved themselves capable and enjoyed an exchange visit with Ormston, Quebec. Besides being good for the students the exchange indirectly was good for tourist promotion.

In the field of culture a multicultural conference was held in Digby during Brotherhood Week. This was a first in Digby and people of all cultures came from throughout Nova Scotia to the conference. In the arts we might mention the two Maude Lewis art shows in Sackville, N.B. and Halifax. The late Maude Lewis was a highly respected producer of primitive

painting. Art was featured at Sandy Cove when a tea was held to display paintings by local talent there. The Digby Music Festival was held in May of 1974, although in a lesser degree than previous years. It would be a detriment definitely if this music festival had to discontinue. It merits your support to get it on the way for 1975.

How about personalities in the news of 1974 so far as Digby is concerned. Maybe the first to be mentioned was the visit of Prime Minister Pierre Elliott Trudeau and Mrs. Trudeau in June; Dr. Alex Leighton gets honorary degree at Acadia in October; Ronald Winchester wins a safe truck driving award in September; Glen Smith becomes Citizen of the Year in Digby. Citizens of the Month sponsored by Kinsmen and R.C.M.P. were Cpl. Larry Anderson, Sam McKay and Chub Connell. In December V.G. Cardozo was appointed Court of Canadian Citizenship Judge and earlier in the year had been honored with the highest award in Mental Health-Nova Scotia.

Looking at random through our files we note that in March the old warehouse used long back by the H. T. Warne business had burned to the ground but in general the town and County escaped any really serious fires in 1974.

In March a Job Bank was opened in the Digby Canada Manpower office to make the service more efficient for those looking for work. It was in March when the Municipality made plans for tax rebates to their taxpayers because of the municipality receiving an equalization grant.

In May a new dentist, Dr. Harold Boudreau opened an office in Digby, Arthur Everett was elected the Lions Deputy District Governor and 150 Leo delegates from all Nova Scotia were entertained by the Lions in Digby.

Jumping to June we see where the Digby Municipal School Board was planning to engage a reading specialist.

An important item of news in August was the establishment of Canpol Fisheries Ltd. By the end of December more than 10,000 barrels of herring had been shipped from Canpol.

Other August items of news included the town's planning for a five year paving project amounting to to \$970,000, a test depuration plant established, Meteghan harbour improved and Princess of Acadia inaugurates Moonlight excursions and dancing trips. An important step by the Municipality was taken in August when widows and spinsters were granted an assessment exemption to \$3500.

August also brought one of the the most successful Digby County Exhibitions in Bear River. Other successful functions of a similar nature were the Bear River Cherry Carnival, Digby Natal Day, Weymouth Fair, all in July; Acadian Festival in August, Firemen's Day in September and Airport Days.

In September the newspaper recorded that Senior Citizen Week was proclaimed. It was at that time that the New Horizons from Killarney, Manitoba, visited here. The schooner Bluenose II visited Digby, a school milk program was introduced in the elementary grades and The Digby Courier celebrated a hundred years of service completed.

Standing out in October news was the big snow storm on the twentieth which paralyzed traffic and denied householders of electricity. The Municipality made a pollution study and the civic election returned Philip Robertson to Digby Council and brought in Mrs. Eileen Chipman and Guy VanTassell as newcomers. A most successful Reading Association Conference was held at Cornwallis and an attempt was made to shorten the day for children travelling by bus to school. This latter has yet to be fulfilled. In October the Rev. and Mrs. Donald Robertson (Baptist Minister) moved to Fredericton and Rev. Ronald Stevens was elected president of the Digby Red Cross.

Again in November Manpower extended its services, a Human Rights charge was settled in November and the Legion Auxiliary passed over to Digby Branch Canadian Legion Number 20 a cheque for \$2000.

Two of the headlines in December were the resignation of Mayor Willard Kinney and the successful Christmas Daddies show.

This does not give a full account of the most worthy news coverage in 1974 but we hope this short review will bring to mind some of the interests and give opportunity to summarize them and make an evaluation of the year 1974 in Digby County.

On Fish Sale Mission

Development Minister George M. Mitchell today announced finalization of arrangements whereby a group of Nova Scotia Fish Processors will participate in a three-day selling mission in the Boston, Mass. area, on Jan. 7 to 9.

The mission, which is a co-operative venture of the Department of Development and the Provincial Fisheries Department, is designed to reduce present heavy inventories of both groundfish and shell fish currently in storage in Nova Scotia plants.

Organized under the marketing assistance program of the Department of

Development, the project has been timed to take advantage of the presence in Boston of some 100 fish brokers and major institutional and retail buyers who will be gathering for the annual fish dinner being hosted Jan. 9 by the Canadian Consulate.

Mr. Mitchell pointed out that the New England area has always been the best market for Nova Scotia Fish Processors, and by undertaking a selling mission at this time it is expected that many new sales may be developed. Some 15 processors from all parts of the province will be taking part.

HELPFUL HINTS

by Sally Easton

Don't buy bread crumbs - make your own. Let stale bread dry. Put in paper or plastic bag, tie tightly, drush with rolling pin. Add favorite herbs for seasoning. Store in covered jar or coffee can.

Wax your ashtrays after washing. They'll come clean with a tissue, and smoke odor won't linger.

Wash-and-wear clothes dry with fewer wrinkles when you rinse them in cool water.

HERITAGE MEMORIALS LTD

In Memoriams

MARSHALL - In loving memory of my mother Mrs. Annie Marshall who passed away December 31, 1964.

Somewhere, back of the sunset
Where loveliness never dies,
You live in a land of Glory,
Amidst the blue and gold of the sky
Your life a beautiful memory
Your absence a silent grief
You sleep in Gods beautiful garden
In the sunset of perfect peace.

Always remembered and sadly missed by daughter Lois and family 22:lip

BANKS - In loving memory of Bernard Daley Banks, who passed away suddenly January 6, 1974.

He is gone but not forgotten
And, as dawns another year,
In our lonely hours of thinking,
Thoughts of him are always near.
Day's of sadness will come o'er us,
Many think the wound is healed,
But they little know the sorrow
That lies in the heart concealed.

Ever remembered by loving wife Sadie and son Terry. 22:lip

WAGNER - In loving memory of my dear Brother (Sonny) LeRoy Wagner who passed away January 13, 1971.

We often sit and think of you
And things you used to say
And do
And wonder why you had to die

Without a chance to say good-bye

You were always smiling,
always content
Loved and respected
wherever you went

Always so good unselfish and kind
What a beautiful memory you left behind.

Love's last gift is remembrance.

Loved and sadly missed by sister Blanche and Family. 22:lip

BARNES In loving memory of son and brother, Marty Barnes, who passed away January 7, 1971.

A smile for all, a heart of gold,

One of the best this world could hold;
Never selfish, always kind;
These are the memories he left behind.

Lovingly remembered by mother, sisters, and brother. 22:lip

BAKER - In loving memory of my mother and father, Olia C. Baker who passed away December 26, 1958 and Noah F. Baker who passed away January 20, 1961.

Through tears we watched them suffer,

We saw them fade away,

Our hearts were almost broken,

They fought so hard to stay,

But now we know they are sleeping,

So peaceful free from pain,

We could not wish them back to suffer so again,

Our hearts still ache with sadness

And secret tears still flow,

What it meant to lose them,

No one will ever know.

Sadly missed by loving daughter, Frances and Donald and sons 22:lip

Weddings

SURETTE O'CONNELL
Holy Cross Roman Catholic Church, Plympton, Digby County, was the scene of a wedding when Wanda Mary, daughter of Mr. and Mrs. Charles O'Connell, Plympton, was united in marriage to Gary Harold Surette, Digby. Rev. R. LeBlanc, P.P., officiated at the double-ring ceremony and the organist was Mrs. Clifford Doucette, Gilbert Cove.

The bride, given in marriage by her father, wore an empire styled gown with long sleeves and a long attached train made of peau de sole with an overlay of white nylon tulle with velvet roses. Her short four-layered veil was held in place by a head piece of forget-me-nots and bows and she carried a bouquet of yellow and white mums.

Her sister, Mrs. Robert Wagner, Halifax, was matron of honour. She wore a yellow gown of the same material as the bride's and carried a bouquet of mixed flowers.

The groom was attended by his brother, Michael, of Lunenburg, and the ushers were Randy O'Connell and Alan Surette.

Serving the priest during the ceremony were Eddie and Paul Amoro.

The bride's mother wore a gown of multi-coloured flowers on white polyester with a corsage of white mums. The groom's mother chose a gown of pale blue polyester with a pink corsage.

Following the ceremony a reception was held at the Royal Canadian Legion Hall, Digby. Mr. Maurice Hanlon,

gold and pink ensemble with a corsage of pink sweetheart roses. Mrs. Miller was in a soft sea green gown with a corsage of yellow sweetheart roses. Following the reception held at the Lion's Club of St. Lambert, Mr. and Mrs. Miller left for Nassau, the bride travelling in a beige pantsuit with a corsage of yellow and bronze mums. The couple will reside in Chatham, N.B.

matte jersey gown, the yoke and long sleeves appliqued with flowered lace. Her hooded cape was edged with lace flowers and fell into a chapel train. She carried a cascade bouquet of white miniature carnations and tangerine sweetheart roses entwined with ivy.

Miss Ann Prince, sister of the bride, maid of honour, Mrs. Louise Jamieson, bridesmaid, were in mint green matte jersey gowns and wore dark green velvet jackets. They carried pale yellow miniature carnations, bronze mums and baby's breath. Mr. Thomas Prince, brother of the bride, was best man. The usher was Mr. Martin Brown.

Mrs. Prince wore a brown,

BANTAM "B" FLYERS WIN OVER CORNWALLIS

On Sunday morning the Digby Bantam Flyers played host to Cornwallis Bantams. This was a very exciting game with the Flyers winning with a score of 6-2. Top goal scorer in the game was Kevin Locke with 3 goals. Other scorers for Digby were Bruce Theriault, Brian Comeau and Danny LeBlanc. Bruce Gidney and Bobby Cottréau played a strong game for the Flyers each playing half the game. So far this year the Flyers have played 9 games

against other Bantam "B" teams in the Valley and South Shore. Their record for these games are 4 wins and 5 losses. Team executive for the Bantam "B" Flyers are Paul Van Tassel, (coach) Richard Daley, (Assts. Coach and Manager) Stan Locke, (Trainer). The Flyers again as in the past two years are sponsored by the Royal Canadian Legion Digby Branch.

Children Present Program

On the Saturday evening preceding Christmas the Baptist Sunday School, Rossway, presented their annual Christmas concert to a few filled church. Rev. Lester Mullen announced the programme of recitations, songs and exercises carried out by the children under the direction of Mrs. Bernard McBride Sr. and Mrs. Donald Hayden. Mrs. Hugh Robbins and Mrs. Earl Smeltzer were the pianists during the evening. The audience joined in the singing of the carols during the programme. Before closing several of the young married group presented a short play. Treats from the decorated lighted tree were given out to all the children at the close of the concert.

Mrs. Laura Height and son Vaughn were last Friday supper guests of Mrs. Height's daughter Mrs. Stillman Freeman at Brickton, Anna. Co. Mr. and Mrs. Thurston Banks of Smiths Cove called on several of their friends one evening during the Christmas season. Mr. Medford Smeltzer of Windsor spent Christmas with his son Earl, Mrs. Smeltzer and family.

A Christmas party was held in the Community Hall the Monday evening before Christmas. The Hall was decorated for the occasion complete with decorated lighted tree from which Santa Claus distributed a bag of candy and nuts, orange and apple to each child attending the Party under twelve years of age. Then he proceeded and gave each adult present an apple. There were around seventy-five adults and children who turned out for the party and which proved to be a pleasant evening. The Party and treats was made available by the Activity Group of the Rossway Community Hall.

Mr. and Mrs. Michael Corbiel of Ontario were Christmas Day visitors of Mrs. Corbiel's grandmother Mrs. Laura Height.

Mr. Ray Gidney has returned to his home in Wallingford Conn., after spending the Christmas season with several

of his relatives here.

Mrs. Alma Melanson of Sea Wall Hill is a patient in the Digby General Hospital at time of writing.

Mrs. Hilda Theriault spent several days during the Christmas holidays with her daughter Mrs. Allison Merritt. Mr. Merritt and family at Mink Cove.

Mr. and Mrs. Carl Ring of Barton were Christmas Day guests of Mrs. Rings mother, Mrs. Laura Height.

Mr. and Mrs. John McBride of Waterville and Mr. and Mrs. Nelson Huggins of Middleton were visitors of their mother Mrs. Hilda Theriault and Mr. and Mrs. Bernard McBride Sr. during the Christmas season.

HABITATION CONFERENCE

any time a Christian feels the need he can drop in at the Habitation and be assured of a welcome and growth and counselling experience.

Welcoming Christians from all denominations the Habitation is an attempt at the grass roots to concentrate on our unity in Christ rather than on what divides. Building started in the summer and, although the first house is still incomplete, it was decided to step out on faith and hold the first conference as soon as it was practicable. It is hoped that the Habitation will be supported financially by the regular donations and tithes of Christians who feel the need for the man-in-the-pew to demonstrate unity in Christ in

Clementsport

CLEMENTSPORT - The auditorium of the Royal Canadian Legion Hall, Clementsport, was beautifully decorated in red and gold on Thursday evening for the 'Beaver' family Turkey Banquet. The tables were decorated with pots of gilded pine by the decorating committee under the direction of Billy Barteaux. The Banquet was catered to by the Ladies Auxiliary when covers were laid for one hundred and seventy children and parents. A beautiful decorated tree done in silver with colored lights was ready when Santa arrived to distribute gifts and turkeys to each one.

CHRISTMAS

SERVICES OBSERVED

The Christmas service was observed in the United Baptist Churches with combined congregations of Riverside Baptist and Bethel Baptist participating. Rev. Willard Clayton based his sermon on Acts 7, verse 55. In keeping with a tradition of recent years, the Christmas scripture was read by Mr. and Mrs. Fred Manzer, son Brian and daughter, Cindy, Joyce and Susan.

A carol sing, prior to the service was lead by Deacon Stanley Brooks, and Mrs. D. Hankinson was organist. The choir sang the carol, "There's a Song in the Air," and the Manzer trio, Joyce, Cindy and Susan, sang "Silent Night."

Others taking part in the Service were Deacon Willis Mullen who lead in prayer, Earl Manzer and Douglas Hankinson, who received the offering.

The Church was decorated in keeping with the season. Included, was a potted poinsettia on the Communion table in memory of the late Sadie Mullen, placed by her daughter, Mrs. Richard Godel.

A tape was made of the service, by the pastor, to be used in his visitations among the sick and shut-ins.

TOWN CLERK REPORTS

betterment of community development.

The report continued by offering two solutions 1. to leave more of the detail problems to the administrators or 2. retain the handling of small matters and let the larger matters wait indefinitely. It is not in the interests of the majority that councils be so preoccupied with minor problems of the few that the larger problems of the many are ignored or overlooked.

practical ways. Hopefully these tithes will enable the Habitation to continue to be run on a pay-what-you-can and work-while-you-learn basis. In this way it can provide for the needs of those Christians who are unable to afford the high costs often associated with Christian conferences.

The Rev. Lester Mullen, Springwater Habitation, Rossway, Digby County will gladly send further information to anyone interested.

Winchester, Smith's Cove, Eric Van Tassel, Culloden and Ervin Marshall, South Range standing (left to right) discussing the improvements made on the Digby municipality owned airport at Hill Grove. Behind the airplane where the men are standing is the location of the crosswind runway which will be some 2000 feet. The three councillors are the Airport Committee of the Municipality of the District of Digby. The municipality bought the airport for \$14,000 in 1974. Much work has been done on the property by the Digby Flying Club. A \$10, 865 L.I.P. grant is now being used to further improve the property.

Warden Outlines Clare Construction

Vila Acadienne, a 45-bed senior citizens home being built in Meteghan, in the Municipality of Clare, Digby County is nearing completion and will soon be ready for occupancy.

Construction started a year ago.

Warden, Omer Blinn, Comeauville, said construction was temporarily delayed by a dispute with the contractor which has since been resolved. The \$650,000 building will employ about 18 persons.

Mr. Blinn said other construction scheduled for Meteghan in the near future will include a satellite clinic for the Yarmouth Regional Hospital. The clinic, besides housing doctors' offices, will employ at least six persons and will cost between \$150,000 and \$200,000.

Church Point will have a new elementary school within the next month as well as a senior home.

The \$1.3 million school will have 17 classrooms in addition to specialized services classrooms for remedial reading, a school nurse's office, and audio-visual room, and gymnasium.

The 20-unit senior citizens home is now open but official ceremonies will be held later this month.

Mr. Blinn said the municipality has tenders out for garbage collection on a six-month weekly and six month bi-weekly basis.

The project is expected to cost \$70,000.

Warden Blinn said the Clare Municipal Council is the only truly bilingual municipal county in Nova Scotia. The

WEYMOUTH - The Rebekah Christmas party was held in the Guild Hall on Monday, Dec. 16. Mrs. Helen Daley, Digby Deputy Warden was present and was accompanied by Mrs. Anderson of Digby. After the meeting an exchange of gifts took place and refreshments were served by candlelight.

On Tuesday evening, Mrs. Frank Simmonds entertained the ACW at their Christmas meeting, at which time a lunch and an exchange of gifts followed the meeting.

Mrs. Frances Calvert of Halifax spent Christmas with her parents, Mr. and Mrs. Frank Simmonds.

Douglas Hankinson of St. Mary's University is spending the holidays with his parents, Mr. and Mrs. Dan Hankinson.

Members of the family of Mrs. Mimie Bishop, Weymouth-Falls, who were guests during the Christmas season were Miss Deanna Bishop of Lynn, Massachusetts; Mrs. Marie Hutton, from Dorchester, Mass.; Mr. and Mrs. Henry Bishop, Dartmouth; Mr. Benson Bishop, Halifax; Cpl. Nelson Bishop, Canadian Armed Forces, London, Ontario; (Now en route to Cyprus).

Mrs. Bishop is at present in Ottawa, Ontario, spending the New Year holiday with her youngest daughter, Mrs. Madeline Gribben, and her family.

The annual Christmas Concert was held at Weymouth Consolidated School on Thursday evening to a capacity audience. Rev. Willard Clayton, Principal, opened the evening with a few remarks in which he welcomed the parents and friends, and thanked them for their interest. He also thanked the teachers and accompanists for their hours of work in the preparation for the concert. Mr. Clayton Lewis prepared and emceed the program and also accompanied a number of selections. Other accompanists were Twila Sabine, Darlene Goudey, Debby Mullen, Mrs. Eleanor Hankinson, and Nelson Muise, with his group of student guitarists.

Two primary groups conducted by Mrs. Marion MacDonald and Mrs. Judy Mullen, presented selections, "Santa Claus is Coming to Town", "Jolly Old St. Nicholas" and

"Up On The Rooftop". Mrs. Elsa Bartons' grade one sang an old Indian carol, "Mary's Boy Child", and "Away In A Manger". A delightful "Rudolph The Red-Nose Reindeer" was done with guitar accompanied by Mrs. Sharda Kapurs' grade two, and Mrs. Noreen Starks' grade two. They sang "The Birds" and gave a choral reading on "This is the Week that Christmas was." Grades three, of Mrs. Bessie Hankinson and Miss Leota Lewis sang the lovely old carol, "Long Long Ago" and Regina Sabine gave a recitation "Why Do Bells Ring For Christmas". Perhaps one of the lengthiest songs was sung by Vance Mullens' grade four, "The Twelve Days of Christmas" and Nelson Muises' grade four, did a character number "Santa Looked A Lot Like Daddy" which was well applauded by the audience.

Mr. Comeaus' Junior French group sang three carols in French, "O Christmas Tree", "Angels We Have Heard On High" and "Silent Night" and this was followed by a piano solo by Jennifer Cromwell, "My Lady Greensleeves".

The Junior Choir, led by Mrs. Eleanor Hankinson sang a medley of three Christmas carols, "I Saw Three Ships", "Go Tell It To The Mountain" and "Silent Night". These selections were done in two-part singing trained by Clayton Lewis. A senior girls' quintet gave beautiful renditions of "Walking In A Winter Wonderland" and "Silver Bells", these too, were done in harmony and were well received by the audience.

In the afternoon, the concert was presented to the school children, at which time, gifts were distributed to some of the executive members of the school and to the Janitors.

Enus Crawford, has returned to Dalhousie University after spending his Christmas holidays with his grandmother Mrs. Annie Langford.

Mr. and Mrs. Lorne Clements, have returned to Truro after attending their grandfather's funeral, Mr. Herbert Cromwell and visiting their mother, Mrs. Annie Langford.

A large dump truck, loaded with asphalt, got into difficulties when shifting gears on the hill below the track in Weymouth, last Tuesday. As a result, the truck slipped down the hill backwards, cutting off a telephone pole, crossed the sidewalk and walkway, into the Royal Bank of Canada, breaking off the railing and finally coming to a stop on top of the Bank's illuminated sign, which jammed the wheel and held the vehicle until it was removed by a local wrecker. The sign at the Goodwin Hotel was also partially demolished. Fortunately, no cars or pedestrians happened to be there at that time - or the accident would have been much more serious.

Oldest Resident Passes

A senior citizen of Bay View, Frederick Stewart Adams, age 100, died at Digby General Hospital.

He passed away after a brief illness on the 29th day of December.

Born in Bay View he was the only son of the late William Allan and Lois (Stark) Adams.

Following the tradition of his forebears, Mr. Adams went to sea as a boy of 15. He fished with his father at an early age and later with his son. He was a lobster fisherman for many years.

Mr. Adams joined the crew of the Bay View Life Saving Station in 1912. He served for about ten years as second in command and was the last surviving member of the original crew of that station.

For more than 25 years he was associated with the tourist industry. He continued his seafaring career until his retirement at the age of 75.

He attended and was interested in the work of the Salvation Army Corp for many years.

Four generations of Mr. Adams' family were present on Nov. 20th, to join with him in the

celebration of his 100th birthday.

Surviving are his only son, Harry Verduin Adams, Bay View, two grandchildren, Valerie (Mrs. Reginald Bremner) of Bay View and John (Master John Adams) who is a student at the Nova Scotia Youth Training Centre, Truro, N. S. There are three great-grandchildren, Cindy Lynn, Reginald Tony and Adam Wade Bremner.

He was predeceased by his wife, the former Minnie Laura Snow in 1952.

Funeral services for Mr. Adams were held in the Bay View United Church on Jan. 1st, 1975, at 3:00 p.m., conducted by Rev. Ronald Stevens and assisted by Envoy Peter Muise of the Salvation Army and Rev. Douglas Hapeman.

Interment took place in Bay View Cemetery. Pall bearers were Joseph Casey, M.L.A., Gordon Ellis, Harold Emerson, Eugene Burns, Carman Frankland and William Clayton.

Many memorial gifts were presented in honour of Mr. Adams. A memorial fund in his memory was established for the Bay View Cemetery.

Firemen Called

The Smith's Cove Fire Company responded quickly to a chimney fire call at the home of Mr. and Mrs. Tom Milner on Sunday afternoon. The efforts of the men were successful in extinguishing the blaze thus preventing extensive damage to the house.

The Milners were warm in expressing their appreciation to the neighbor, LeMert Raymond, who discovered the fire and called in the alarm, and to the firemen for their successful efforts.

Smith's Cove

Mrs. Susan McKinnon is convalescing at home following her hospitalization at Digby General Hospital.

Congratulations to Mr. and Mrs. John Oikle on the birth of their first child, a son, in the early morning hours, Monday January 6.

Welcome to Mr. and Mrs. Harley H. Weir, Sr., and son, Perry, who moved into their new home this past week.

Miss Catherine Weir was the dinner guest of Mrs. Ruby Christie of Digby on Christmas.

The Death of Adolph Hitler

Frank Finlay stars in his Death of Adolph Hitler, and award winning title role in "The epic two hour production

written by Vincent Tilsley, airing Sunday, January 12, 8-10 p.m. on The ATN Television System.

Caroline Mortimer co-stars as Hitler's mistress Eva Braun in this definitive study of Hitler during the last days of his life. 1945, until his death by suicide from his birthday on April 20, just ten days later. One of the most ambitious single drama projects ever recorded in a British television studio. "The Death of Adolph Hitler" took a year to write and marks the culmination of seven years' research and preparation by producer and director Rex Firkun.

During the week before Christmas a number of people were busy with plans for festivities at Westport. One evening the ladies of Church of Christ gathered at the church vestry to pack "Cheer Boxes" for a number of people in the village.

Wednesday evening the Westport School presented a concert in the I.O.O.F. Hall. This was under directorship of the teachers Ray Tudor, Mrs. George Garron and Miss Patricia Thompson. Master of Ceremonies was student, Mark Titus, pianist was Mrs. Richard Welch. There were a number of recitations, songs, a Tramp Drill and a well portrayed pageant "Still Shines the Star", telling the story of three people who are on their way to a Christmas party and lose their way and take refuge in a deserted barn. They decided to stay and go to sleep. While sleeping they are visited by a vision of Christ's birth. When they awake they wonder if it was a dream or a reality.

During the intermission a draw for a turkey was won by Miss Myrna Garron. Friday evening the United Baptist

Church Sunday School met in the vestry for the annual Christmas concert and a visit from Santa Claus. The vestry was decorated and a pretty Christmas tree was centered in the room. The children gave recitations and songs. Gifts and treats were given out by Santa.

On Sunday December 22, the ladies of the Church of Christ were in charge of the morning service with Mrs. Carol Delsey as leader. A few of the women had Christmas readings, Mrs. James McDormand was soloist and sang "Star of the East". Mrs. Stanley Moore read greetings from absent members.

In the evening the Sunday School presented their program which was in the form of a pageant "The Little Star" with Mrs. Stanley Moore as narrator. The children gave their recitations in various parts of the pageant. The Junior Choir was in attendance and sang "Christmas Voices", "We Shall Shine as the Stars", Misses Joy and Sandy Delsey sang "The Little Drummer Boy" providing their own music on banjo and ukulele. Mrs. Harold Thompson read the scripture taken from Luke 2:1-20. Mrs. Carol Delsey was organist for the service. After the program Santa Claus appeared and gifts and treats were given out.

The Christmas Eve service was held in the United Baptist Church which was decorated with evergreen and poinsettias by Mrs. Earl Webber and Miss Myrna Garron. Lic. David Keith and those present sang carols and scripture readings during the service. Mrs. Webber was organist.

Sincere New Year greetings and best wishes to everyone everywhere from the Tiverton area!

CHRISTMAS PAST

All the hustle and bustle of Christmas activities is over. The final gift has been exchanged, the last carols have been sung and the final hearty, "Merry Christmas" has echoed across the world.

School students of Islands Consolidated School, Freeport, who spent considerable time and effort in studying lines for the concerts can now relax knowing their presentations of poems, songs plays, etc. were successful and enjoyed by parents and friends.

In the churches too, at Freeport and at Tiverton where youngsters of the Christian Church and the United Baptist combined their talents and efforts to produce an hour of entertainment in songs, poems and playettes that related back to Jesus birth and expressed the wish for future peace, and goodwill among men". Mrs. Robert Ruggles was organist for the event, Miss Mildred Outhouse, soloist, sang the well loved, Oh Holy Night; leaders who helped the youngsters were Miss Wendy Cann, Mrs. Roberta Titus, Mrs. Donna Ossinger, and Mrs. Norma Elliott.

The little church at Central Grove with its natural setting of kerosene lamps and a crackling wood fire was an authentic site for Jesus' manger the three wise men and the shepherds of old as the ageless Christmas story was told.

A Christmas party was held for youngsters in the I.O.O.F.

Hall and sponsored by the Tiverton Volunteer Fire Department. Treats were distributed to children who were unable to attend the event.

Of course none of the foregoing events would have been complete without the appearance of Santa Claus!

Just a note of interest while on the subject of Christmas concerts. When young Russell Prime (about 8 or 9) was asked during rehearsal how he managed to know his poem so well, he replied, "I studied it after I got in bed and then slept on it!" The result was perfect - he did not require prompting even at first practice! He is the oldest son of Mr. and Mrs. Henry (Carolyn) Prime.

During Sunday School service in Tiverton Christian Church superintendent, Mrs. Robert Ruggles read a letter containing Christmas and New Year greetings from Rev. Byron Howlett and Mrs. Howlett of Wendlyhome Christian Church at Dartmouth. Also, Lou Outhouse, student at Maritime Christian College who is spending holidays at home, thanked the Church members for their gift of money.

Mr. and Mrs. Anthony Bowers and family of Spryfield, Mr. and Mrs. Bruce Outhouse and family of Clayton Park, Halifax and Mr. and Mrs. Roger Outhouse of Acadia University spent the holidays with their parents, Mr. and Mrs. David Outhouse.

Mr. Lou Outhouse, student at Maritime Christian College at Charlottetown, P.E.I. spent the holidays with his parents, Mr. and Mrs. John Outhouse.

Mr. John and Joey Outhouse recently called on Mr. and Mrs.

Edgar Titus at North Range.

Mr. Carlton Sollows at Halifax spent several days during Christmas holidays with his mother, Mrs. Ella Sollows.

Mr. and Mrs. Terry Jones of Charlottetown and Miss Katherine Cossaboom of Ontario spent the holidays with their parents, Mr. and Mrs. Herbert Cossaboom.

Lic. Robert Johnson and Mrs. Johnson of Halifax spent several days at the home of Mr. and Mrs. Robert Ruggles.

Mr. and Mrs. Alger Sollows visited the latter's father, Mr. Alvertus Outhouse who recently underwent surgery at Yarmouth hospital.

Mr. and Mrs. Del. MacCallough and children Nfld. and Miss 'Ginny' MacCallough of Little River visited their sister, Mr. Fraser Outhouse, Mr. Outhouse and children. They also called on Mr. and Mrs. John Outhouse.

Francis MacCallough who resides at the home of his sister, Mrs. Fraser Outhouse while attending Islands Consolidated School at Freeport, spent Christmas holidays with his mother, Mr. Cereno MacCallough at Little River.

Mrs. Florence Denton and daughter Jeanette of Westport were recent supper guests at the home of Mr. and Mrs. John Outhouse and family.

Mr. John Outhouse and son

Lou motored to Weymouth on Sunday.

Mr. Danny Young and brother Carey Young students at Vocational School at Middleton visited their aunt, Mrs. Anne Crocker and family recently.

Mr. and Mrs. Danny Findley at Halifax spent holidays with their parents, Mr. and Mrs. Owen Outhouse.

Miss Florence Outhouse, Kentville, spent Christmas with her mother, Mrs. Gwen Outhouse and sister, Mildred.

Mr. Robert Outhouse, R.C.A. of Quebec is visiting his parents, Mr. and Mrs. Blair Outhouse.

Mr. and Mrs. Aubrey Elliott and children Alicia and Gerry of Kentville spent several days at their home in Tiverton.

Mr. and Mrs. Louis Elliott are spending an indefinite time at Kentville, N.S.

\$25,000 Grant For Forum

Lister Hannah, principal of the Digby Regional High School and chairman of the recently formed Recreation Committee of the Town, has been informed by Hon. Garnet Brown, Minister of Recreation for Nova Scotia, that a matching grant to a maximum of \$25,000 is being granted to the Digby Recreation Committee.

The Letter written to Mr. Hannah expressed the concern of the Minister in the mishap with the ice making equipment which occurred more than a week ago and felt it was unfortunate to lose the skating for the winter. The Minister was informed by Joseph Casey, M.L.A. for Digby, of the in-

cident and Mr. Casey was informed that the Department was prepared to provide the matching grant up to \$25,000 on the basis of \$50,000 installation costs to equip the Forum again for use.

The matching grant depends on the effort put forth by the Committee and the Public in raising their share of the money needed for the venture. It is the intention of the Committee along with the Digby Recreation Commission to start fund raising at once. With this in mind, Captain Reginald Hazleton, president of the Commission, has called a meeting for Sunday at 2 p.m. in the Multi Purpose Room at D.R.H.S.

Order Changes Uniform

Two VON nurses, Mrs. Anne McGregor, left, and Mrs. Jarime Davidson, right, try out the two versions of the Order's new raspberry colored uniform. Mrs. Heather Stetchyson, of the VON National Office, centre, models the uniform nurses wore in 1898 when the VON was founded.

After more than 75 years of navy blue in various styles, the uniform worn by the Victorian Order of Nurses is changing to a distinctive raspberry shade, and for the first time nurses will have the option of wearing slacks.

The basic uniform will be an A-line dress with short sleeves, with a matching long-sleeved three-button jacket. The optional slacks and overblouse are in the same shade of raspberry. The traditional navy blue hasn't been given up entirely. It will still be the color of the nurses' overcoats, and a hood for bad weather which replaces the Order's former regulation hat.

Digby Branch V.O.N. is one of more than 80 branches in nine provinces. Last year the Digby branch made more than a thousand visits. In the Annapolis County area alone there were 69 new patients last year. In Digby County the branch operates jointly with the Department of Health Nurses.

The V.O.N. Program consists of bedside home care, health education, prevention, prenatal and post natal care. The V.O.N. works under the direction of the doctor. Patients can be released earlier from hospital when there is a V.O.N. ready to take over. The nurse informs the persons at the home

how to handle and care for the patient. Loneliness and worry are dispelled when the V.O.N. calls.

V.O.N. branches operate on a non-profit basis. Nursing care is provided regardless of the patient's ability to pay. Those who can pay fully and others give what they can unless the care is covered by a medical plan, insurance or other types of health coverage.

FIVE VILLAGES ORGANIZE FIRE DEPARTMENT

On Thursday evening Jan 9th a group of men gathered at the Havelock Consolidated School for the purpose of organizing a Fire Department for the Corberrie, New Tuskett, Havelock, Hassett and Easton areas.

Mr. Hubert Boudreau of the Salmon River Department presided at the Chair, assisted by Mr. Walter Deveau.

Officers were appointed and many expressed desire to become participating members of the newly formed Fire Department.

During the evening some one "passed the hat" and a fund of \$125.00 was established.

Several ladies were present namely: Mrs. Louis MacAlpine, Mrs. Wallace Mullen, Mrs. Mel J. Gaudett and Mrs. Lawrence Bethune.

It is hoped in the near future to have further news to report re the newly organized Fire Department.

Appointed Assistant Postmaster

Word was received from Douglas Johnson, area manager for the Postal Department that Philip Harold Franklin, Acaciaville, has been appointed assistant postmaster at Digby.

Mr. Franklin has been working at the Digby Post Office for the past twelve years with the last ten being on a permanent basis. Mr. Franklin, who served as assistant postmaster during the illness and following the death of the Postmaster, Victor Comeau, was chosen from four who applied for the position. Postmaster is Marc Savoie.

Mr. Franklin is a son of Mr. and Mrs. Thomas Franklin, Acaciaville and was educated at the Digby Regional High School. He is married to the former Eva Jefferson, daughter of Mr. and Mrs. Lloyd Jefferson. They have two sons, Stephen, 13 and Jeffrey, 10.

Mr. Franklin is active in the Hill Grove Baptist church and has carpenter work and gardening as hobbies. He did the work in the construction of his own home. His interest in the Post Office work comes first, however, and he is anxious, he said to serve the Public well.

ISLANDS ACCIDENT CLAIMS LIFE

Gordon Maxwell Welch, age 17, Freeport, died at the Digby General Hospital Sunday night after a two car collision near Freeport on Long Island at approximately nine p.m. on Sunday. Other passengers in the car were Wayland Samuel Albright, Freeport; Gary Titus and William Howard, both of Freeport.

Driver of the other car was Cathryn Francis Thurber of Central Grove, Long Island, who was also hospitalized after the accident.

Digby detachment R.C.M.P. are investigating the accident.

Gordon Welch was born in Digby, son of Burton and Marilyn (Thurber) Welch. He attended the Islands Consolidated School at Freeport and worked part time at a fish

plant in Freeport. He was a valued member of the Islands hockey team in the capacity of goalie.

Surviving besides his parents, are three sisters, Cindy, Marguerite and Angela, all at home; paternal grandmother, Mrs. Ada Flewelling, Saint John, N.B.; maternal grandparents, Mr. and Mrs. Parker Thurber, Freeport; two great-grandmothers, Mrs. Kate Churchill and Mrs. Seleda Thurber, both of Freeport.

The body was at Jayne's Funeral Home, Digby. Funeral service was 2 p.m. Wednesday in Freeport Baptist Church, with Rev. K. Daw, assisted by Rev. I.W. Ideson and Rev. George Sharp, officiating. Burial was in the Freeport cemetery.

DENIED USE OF SCHOOL BUS FOR EXTRA ACTIVITIES

Lister Hannah, Principal of Digby Regional High School appeared before the Municipal School Board on Tuesday evening requesting that the school buses be allowed to go on extra-curricular trips.

Following a school hockey game in Middleton, N.S. when the bus was damaged to the extent of \$169.68, the Supervisor of School Buses for the Municipality, Roger Hankinson, disallowed the use of buses for extra activities. Mr. Hannah agreed that the bus should not go to Middleton again but felt other activities and other places should not be penalized. The board advised Mr. Hannah that they had given sole authority to the bus supervisor to use the buses as he sees fit and that policy had not changed. They advised him to talk with Mr. Hankinson about the matter.

FAMILY TAKES COURIER FOR 77 YEARS

Miss S.W. DeLong of Kentville renewed her subscription to the Digby Courier recently saying that the paper has been in their family for at least seventy-seven years, probably longer.

She has in her possession a copy of 1897 which contains her birth notice.

One has to live in a changing world said Miss DeLong and most newspapers and magazines today are largely advertisements. The bit of news that is of interest is still appreciated.

PRAYER OF DEDICATION

By

Digby Mayor Elect

Never in such large measure, have I understood the meaning of the dawn of another day. How providential it is to realize a lifetime of achievement by a daily reassessment of our ideals and contributions to society. Busy with the complexities of daily life, the senses become weary and would falter but for the repose of mind and body. So it is that we face the new day with hope and realism and labour on.

We are labourers in our Master's vineyard and, He rewards us in peace and joy in the measure that we love and dedicate ourselves to our tasks.

Having been called to serve in a new role which embraces the responsibility of helping to administer the principles that help people to enjoy the good

life, is a rewarding experience. The challenge facing me today in a world of questioned stability, I accept with joy. I say joy, because I know that I shall have to work on the basis of real worth and ever keep faith. These ideals I feel, will win for me the cooperation and dedication of our most worthy members of Council. This is my prayer of dedication.

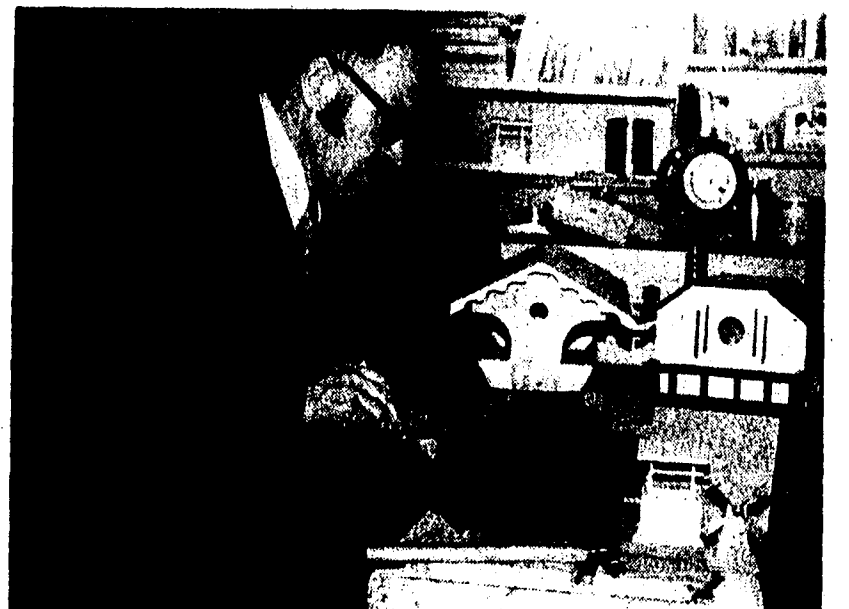

We must now face the realities. In assessing the needs of our Town, there are areas of deep concern. It will be my desire that Council will undertake to assess these needs and to consider priorities relating to urgency and the economic view.

Your Council will need your understanding and participation. If you are to receive the benefits of realistic planning and accomplishments. We are not in a hopeless situation. On the contrary, we are in a hopeful one. Let us go on together, never daunted but determined, knowing that whatever happens has received our conscientious thought and action in that it may be good.

Dugas Finds Pleasure Building Birdhouses

Harley Dugas retired, of Weymouth in his workshop busy with his hobby of woodworking. He has made a number of fancy birdhouses, windmills of the old type as well of old fashioned wooden wells. Here he is seen putting the finishing touch to a jewellery box that he made for his wife. (Melanson Photo)

by Albert Melanson

When Mr. Harley Dugas of Weymouth was advised by his doctor to take things easy after having several warnings that his heart was not working in first class condition, which hospitalized him, he decided after his hospitalization of early summer that he must heed the warnings. He decided to sell his business because that would be the only way that he would be sure not to go to the shop and tinker around. It is difficult for a man who has been quite energetic during his lifetime to settle down and take it easy.

Mr. Dugas decided that he would do just that and sold his successful business which consisted of a hardware store in the middle of the town of Weymouth which also housed the Simpsons Mail Order Office which he operated. He also sold other household items in his store.

Before retiring, he had dabbled in a workshop that he had in his garage near his home having installed some equipment. When his hospitalization occurred in early summer, he made up his mind that he would take it easy from now on but was not a man to sit around the house and watch the clock tick off the time of day. He said that he would dabble a little in his workshop at his hobby which

was woodworking. He built fancy birdhouses, small wooden windmills, wooden old fashioned wells and many other such articles. When visited recently in his workshop he was finishing a jewellery box that he had made on the sly for his wife. He presented it to her for Christmas and he did not want her to know that he was making it for her.

He is interested in his hobby and is cautious not to overwork at it. A stove is in one corner and is used to heat up the workshop. Mr. Dugas only works at his hobby at certain periods of the day and only when he feels like doing something to pass away the time.

Mr. Dugas was a native of Doucetville and spent some time in Halifax where he was employed before he decided to return to Digby County. His father operated a general store in Doucetville. Harley purchased a store building in the centre of the town, which he operated until his retirement last summer. He lives in the dwelling formerly owned by Dr. Hogan, a dentist, a nice and comfortable home.

In the spring when passing through Weymouth do not be surprised if you see several beautiful birdhouses on Mr. Dugas' property.

FASTEN YOUR SEAT BELTS

There is a car in which we sometimes travel along with several children generally. Just as soon as the doors are well closed and locked and command from the front seat is "Fasten Your Seat Belts." This young driver is in a position to pretty well know that seat belts are a protection and we respect his stand. He has seen enough mangled bodies to cause him to be cautious.

There are others who feel that a seat belt is a hindrance in some types of accidents. We think they are right, too, but not to the same extent as that of wearing the belt. None of us are going to go out and deliberately have an accident to prove the point, that is sure.

Though mandatory wearing of seat belts was passed in Nova Scotia Legislature, the act cannot be in force until proclaimed by the Governor-in-Council. Actually, the law is still up in the air and controversy continues while others uphold the bill as passed. With the Spring opening of the Legislative House one might expect to hear more on the subject whether or not there is any real conclusion.

Seat belts can be a nuisance when taking a short ride to the middle or other end of the town. Still if you take a chance without them, it might happen that your worst accident could be just then and not necessarily on the longer rides.

One thing we know is that wearing the seat belt or not, the belt was not the cause of the accident but wearing the seat belt could lessen the extent of injury.

No one would want to deny the passing of a law which protects life and limb. We believe in protecting people but we wonder whether whether more education on the subject wouldn't be a better bet than passing a law. There is no law against smoking cigarettes but an educational campaign has reduced the number of smokers substantially, we read somewhere. No one is forbidden to swim in a lake even though there is a chance to drown.

Another merit in favour of seat belt use is that it is claimed they help the user to be less tired on a long trip. This itself could make quite an impression in favour of seat belts. When people realize this why should a law have to be passed. Similarly those who take the opposite view should have an opportunity to not wear safety belts since the belts are not responsible for the accident.

Just what will be the outcome of the bill we do not know, but we suggest you "Fasten Your Seat Belts" anyway, chances are more in your favour that way. What do you think?

SOME QUOTES

"If there's anything which tends to burn a body's fanny, it's the eternal struggle to get subscribers papers delivered via of mail. Scarcely a week passes but we get complaints about static mail delivery of their papers" (Mirimachi Press, Chatham, N.B.)

From Washington, USA, we read in the Publishers' Auxiliary this "Inconsistency. Inordinate delays. Bunches of newspapers arriving at once. Failure of copies to arrive at all.

These are some of the thorns in the sides of rural publishers who must send their newspapers through the mail - despite reforms in the postal system designed to correct just such problems.

Those places are miles apart so we bet there are plenty others in between. And in Digby, what? Well, with all due respect to the Digby P.O. staff, those words above are familiar ones to our ears.

TOURIST ATTRACTION

Although we have written about this before someone reminded us again last week about keeping the thought alive that the property of Everett Lewis and the late Mrs. Lewis (Maude) be acquired as a memorial and as a tourist attraction. Certainly, Mr. Lewis wants his home as long as he lives but it is something to keep in mind.

Other places such as Sackville, N.B., and Mount St. Vincent, Halifax, have had Maude Lewis Art Shows. So far Digby has not come up with much in her honor. She was a widely known person through her paintings and we are glad that, at least, someone is intending to memorialize Digby's artist by writing a story.

What made our informant remind us was the fact that the house looked as though Mr. Lewis was spending the winter away.

Hodge Podge

Seeing that children are safe, well-fed and that they receive the personal attention they need should be the first priorities of working mothers, says Metropolitan Life. And they far outweigh other concerns, like a spotless house. The main thing is to be sure your helper is a person who truly likes children and who can be cheerful and affectionate with them. Be certain your helper baby-sitter clearly understands your ideas of child rearing and feels free to talk with you when problems arise. It's true, says Metropolitan Life, in their booklet "Mothers At Work", that it's the quality of the parent-child relationship, not the quantity of time spent together that counts and the feeling of being together can prevail even during hours of separation.

Congratulations are extended from the Digby Courier to the Chronicle-Herald in Halifax on their 100th birthday. Their insert of pages from Volume I number 1 was most interesting to see. Seems the style and front pages one hundred years ago were similar in dailies and weeklies.

Well, well, did anybody in Digby go barefoot on that beautiful day Sunday. On the South Shore at Queensland we hear that kids played in the sand in bare feet. Don't think these kids took leave of their senses. I understand a pediatrician joined in the barefoot fun.

Whoever sanded Birch St., Digby, last week, when you almost had to wear skates to get down town, certainly did a good job. Congratulations! You probably saved people from broken hip bones.

Sunday, January 12 was a glorious sunshiny day. More like Spring than Spring itself. Actually, there isn't much to complain about this winter. What seemed to be a forerunner of a hard winter came on October 20, but we've escaped since then and when February comes in the sun shines high in the sky and days lengthen out gradually.

Copied from the Maritime Lumber Bureau Log is this "You can't hire people, yet in 1973 the Federal Government handed out over two billion dollars in Unemployment Insurance Benefits. Goodness knows how much in 1974. We can't compete with welfare and unemployment insurance. Where in the name of that's sensible is our industry going? Where is our society going?"

We liked the Family Circus cartoon in the daily paper on Friday. No discrimination there. The little lad says "Have you seen our snow person".

That wasn't a bicultural conference held in Digby in February, 1974. It was a multicultural conference. What's doing for 1975?

Twenty-One Million To Keep Down Taxes

A new program of financial assistance for the year 1975 will see the province of Nova Scotia aiding its municipalities to the tune of \$21 million.

Announcement of the plan was made by Hon. J. Fraser Mooney, Minister of Municipal Affairs.

The \$21 million earmarked for the municipal units represents slightly more than one-third of the municipal portion of the shareable costs of education.

Mr. Mooney stated that the purpose of the new payment plan is to reduce the property tax burden stressing that the money is not to be used to finance new projects.

"We are making the announcement at this time," the Minister said, "So that municipalities will have time to reflect this financial assistance in their estimates and to help the municipal units to lower their tax rates."

The Minister explained that there are three items involved in the plan.

1. Each municipality will receive an additional grant of \$10 per capita.
2. Each municipality will receive one-sixth of the municipal share of the 1975 shareable costs of education.
3. In order to reduce any

inequities that may be created by the program, a small amount has been allocated for discretionary additional assistance in special circumstances.

The total of these three parts is somewhat more than one-third of the municipal share of education costs.

"It is our feeling," Mr. Mooney said, "That this financial assistance to municipalities for tax relief purposes will be of substantial help to the property tax payers of Nova Scotia in 1975."

Royal Opens New Bank

The Royal Bank will open a new branch of the bank January 20th in the County Fair Mall in New Minas, with an Open House and Official ribbon-cutting ceremony, it was announced.

J.J. Fortune, Royal Bank General Manager, the Atlantic Provinces, said the new branch is "indicative of our faith that New Minas will become an extremely attractive shopping area serving the entire Annapolis Valley."

He said that "the Royal Bank always has had good representation in the Annapolis Valley and we wish to continue to play an active role in the growth of this area." In addition to the New Minas branch, he said, the bank has 12 branches in the Valley, from Windsor to Digby.

LETTER

Mrs. Edith Wallis, Editor
Digby Courier
Digby County, N.S.
Canada

Dear Mrs. Wallis:

On January 7th of this year, my husband, a friend and I, were having lunch at the House of Wong. We ordered sandwiches: and I asked for a glass of beer with mine, which was hot grilled cheese.

When the waitress took the order, she told me that a HOT lunch would have to accompany the beer. Although the grilled cheese WAS hot, it was felt by her that this was not sufficient. Never having had this experience before, we remonstrated slightly and the waitress went on to explain - "They told us three days ago that the above ruling must be enforced."

What laws are in effect that make ordering a simple lunch like the above with a glass of beer, tantamount to a misdemeanor?

A clarification from the proper authority will be appreciated.

Very truly yours,
Marion D. Cameron

No Money Involved For Board

The Digby Municipal School Board on Tuesday evening readily and unanimously consented to two requests placed before them by Keith Manzer, Supervisor of The Islands Consolidated School. One was to introduce a drama course in The Island School with no cost to the Board. The course is sponsored by the Department of Education and will be attended by the senior High School English students, Mr. Manzer said the students are really enthused about the

course and being involved in it. A provincial grant of 44 cents per pupil is available, it is understood.

The other request was to have a noonhour and recess time teacher's aide at the school. The tab for this would be picked up by the Islands Home and School Association and there again would be no cost to the board.

With rapid discussion the two motions were made granting the permission "providing there would be no cost to the board."

HUNTING MISHAPS

"The majority of hunting accidents seem to occur during the last few weeks of the hunting season," Bert Crowe, the department of Lands and Forests supervisor of hunting safety and survival, warns hunters.

"This is rather remarkable, but it is a statistical fact," and this year the season ends on Feb. 15.

The reason, Mr. Crowe says, probably stems from the fact that small calibre weapons, such as the .22 rimfire, or shot guns having limited range, are mainly used. Consequently, hunters are liable to be lulled by a sense of false security and to become careless in their weapon handling.

Hunters are sometimes prone to forget, Mr. Crowe suggests, that a weapon such as a .22 can be dangerous up to one mile. A shot taken at a crow in the top of a tall tree, it has been shown, can travel a great distance beyond that point. The hunter, in this case, cannot possibly tell

where his bullet will hit - or whom.

A bullet, also, may ricochet when hitting water, rock, hard soil, or any other flat surface. The greatest marksman in the world has no control over a bullet that is ricocheting.

In many accidents, it has been shown in accident reports, filed with the department, that the shooter was not sure of his backstop, the bullet, or shot travelling through bush and hitting another hunter out of sight of the shooter. Most of this type of accident happens when two or more hunters are walking abreast. The shooter, when swinging on game in front of him, ignores his companion on either side by concentrating on the game with the result that the muzzle of his weapon will eventually cover the other hunter.

Rabbit hunting can be a dangerous sport, Mr. Crowe warns, if the rules for hunting safety are ignored, for most hunting accidents are caused by carelessness.

The new Senior Citizens Housing unit, apartments, at Church Point which were recently opened for rental. It was constructed by Boyd & Garland of Halifax and financed by Central Mortgage Housing Commission. It is an ideal spot for its occupants, being near the church and stores. (Melanson Photo)

Church Point Senior Citizens Apartment

The Senior Citizens Apartment building at Church Point was recently opened for rental of apartments. A committee has been appointed as follows: Walter LeBlanc, Little Brook; Alfred Gaudet, St. Bernard; Jean Melanson, Lake Doucet and Fred Belliveau, Grosses Coques who will be in charge.

The construction of the Senior Citizens housing project was financed jointly by the Central Mortgage Housing Commission and the Municipality of Clare, and was constructed by Boyd and Garland Construction of Halifax. It contains 20 apartments, two of which are especially built for persons requiring wheel chairs, a storage room (general), a central lounge room, a washroom with 2 automatic washers and 2 dryers.

Each apartment is composed of a kitchenette-sitting room, a bedroom, bathroom and cupboards placed conveniently to store clothing etc. It is a two story building and stairs leading to the second second story have convenient risers of

approximately 6 inches with a landing and a set of stairs to the second floor. Railings on both sides of the stairs are for the convenience of the renters. It was noted that bathrooms are equipped with chrome hand bars conveniently placed at the bathtub and at other points, to assist those who would require assistance.

The following apartments are now occupied: apartment No. 1, and No. 2 are reserved for persons requiring wheelchairs; 3-Mrs. Georgine Harris formerly of Saulnierville; 4-Mrs. Mary (Emery) Comeau sister of Mrs. Harris, of Saulnierville; 5-Mrs. Marguerite Chabot of Meteghan; 7-Mr. and Mrs. Pierre Surette, Comeauville; 9-Ambrose LeBlanc formerly of Mavillette. Two other apartments will be rented within a few days and others later in the month.

A ramp also exists at the entrances for wheelchair users. An electric stove and refrigerator are furnished with the apartment and rental is

charged according to revenue received by those wishing to rent an apartment. Those who have been interviewed expressed that they were very pleased with their apartment. The housing unit is across the highway from the St. Mary's R.C. Church, a short distance from the Post Office and general stores. One fact which the renters like is the possibility of walking on a sidewalk (though not of first class) of gravel type away from the traffic of the area. They are near St. Anne's College and can attend to activities of their choice which occur at the College from time to time.

Already it has been noted that visitors are arriving to visit the occupants of the apartments. The people of Church Point wish the new comers to the village a great welcome.

Cards of Thanks

McDORMAND - The family of the late Wilfred Dakin would like to express their sincere thanks to all relatives and friends for their kindness to our son and brother during his eight weeks at the Digby Hospital. Most sincerely we thank Dr. Birsell, Dr. Stokes, Olyn Sproule, Bob Saulnier and the nurses on the third floor for making Wilfred's last weeks as pleasant as possible. Also special thanks to George Denton, Dean Pugh, the Long family, Marguerite Chapman, Dot Melanson, Theresa Nickerson, Larry Cosman, Ken Durkee, Dr. A. F. Weir and Jayne's Funeral Home for their help and thoughtfulness. We would also like to thank Pastor Keith, Rev. Sharpe, Rev. J. W. Derby, organist Helen Welch, pallbearers, Albert Bailey, Herman Shaw, Lawrence Shaw and George Denton, and all those who sent floral tributes, cancer donations, cards of sympathy to the family and all who assisted in any way during our bereavement. Your assistance and help has been much appreciated. The Family.

Cards Of Thanks

INGERSOLL - To my friends and loved ones how can I ever begin to thank you for all the beautiful gifts, cards and letters. I only wish I was able to thank you in writing to each and every one.

When one has to leave their home behind and associates of so many years it seems hard. We do miss relatives but remember them in prayers. I am so pleased to be able to become a resident of "Ocean View" - It is beautiful, lots of visitors, the very best of nursing care, good food, and companionship. On Sundays especially we have different churches administering to our needs, my pastor Lic Howe and our boys, Walter and Grant Avery, Don Hatt in song and for many friends that call "God Bless them everyone". I wish I was able to answer every letter, card and message that have been sent to me but as that is impossible please accept this as my thanks.

I haven't forgotten my Little River Church, my prayers are with you and hope 1975 may be a prosperous year both spiritually and momentarily. May God Bless and keep you in His care and 1975 be real good to you all. Come and see me anytime.

Yours in His love,

Aunt Annie F. Ingersoll,
(formerly of Little River)

OTTIE TAKES NEW JOB

Mrs. Oattie Murphy, well known in Digby and to many patrons of the Princess of Acadia, has resigned, it is understood, to take the position as hostess at a new motor motel in Saint John, N.B. Mrs. Murphy's resignation was to take effect after the Princess docked at Halifax where it is having its annual inspection and refitting. The Princess completed its run to Digby and back on Saturday evening and will be off duty for a two week period. Oattie spent twelve years or more as chief stewardess on the Princess of Acadia including the present ship as well as the previous Princess of Acadia. During this time Oattie had made many friends in Digby and she became a familiar figure around town during the days when the C.P.R. ferries docked nearer the town. The present ship docks at Rattling Beach, three miles from town.

According to a member of the Acadia crew, Mrs. Murphy has said that she will miss seeing all the friends she has made while stewardess on the Princess. Her friends wish her well in her new position with health and happiness abounding and the means to enjoy each day.

For the resident hockey fans in the family, there's the rest of the Action Players Stamp packet. There's eight beautifully photographed, full colour Action Players Stamps, featuring some of the finest hockey players in the world today. Picture packets are free with any purchase over \$1.00. Ask for one each time you shop Save-Easy.

Action Players are fun to collect. But more than that, they're a great way for your kids to learn more about pro hockey. And the men who play it so well.

Of course, saving Action Players Stamps is one thing, but having a great place to keep them is something else. So we're offering the NHL Action Players Album. It's a full colour book that's just bursting with all sorts of interesting information. Information about hockey. The rules. The trophies and awards. The expansion. And much more. All for just \$2.49.

Save-Easy Action Players are here. They're fun to collect. A great way to learn about hockey. And a great chance for you to save money with valuable coupons.

Weddings

In the New Hyde Park Baptist Church, New Hyde, N.Y., Miss Doris Ann Olsen, daughter of Mr. and Mrs. John Olsen of Garden City, N.J., and the Rev. John Cornwall Pearson, son of Mr. and Mrs. Vaughn W. Pearson of 12 Webster St., recently exchanged wedding vows. The Rev. Bruce R. Jackson performed the double ceremony.

Given in marriage by her mother and father, the bride wore a gown fashioned of French knot lace and styled with a scoop neckline and cuffed bishop's sleeves trimmed with a ruffle of Cluny lace. A beaded and beaded band encircled the Empire waist and ruffled Cluny lace highlighted her A-line skirt hem. Her floor-length mantilla of nylon illusion was edged in matching lace and she carried her mother's White Bible with lily of the valley and a white orchid.

Miss Barbara Knudsen of Valley Stream, N.Y., cousin of the bride, was honor maid. Bridesmaids included Mrs. Peter F. Jaquith of Nashua, sister of the groom; Mrs. Dale Gagnon of Hinsdale, Mass., and Miss Barbara Blake of Chelmsford, Mass.

James C. Pearson, brother of the groom, served as best man. The ushers were Peter F. Jaquith of Nashua; brother-in-law of the groom; Dr. John M. Billinsky Jr. of Waltham,

Mass., and David Hoy of Garwood, N.J.

A reception was held in Stouffer's Restaurant, with Miss Dawn Jaquith of Nashua, niece of the groom, in charge of the guest book.

Mrs. Pearson was graduated from Garden City High School in New York in 1966 and from Gordon College in 1969, where she majored in elementary education. She is employed as a teacher in the public school system of Goffstown.

Dr. Pearson, a 1966 graduate of Nashua High School, received his Bachelor of Arts Degree from Gordon College in 1970. He was awarded his Master of Divinity Degree from Andover Newton Theological School in 1973 and his Doctor of Ministry Degree this May from the same school.

He has been an assistant supervisor of chaplains at Westboro, Mass., State Hospital as special training in the Association of Clinical Pastoral Education. His ordination took place in June of 1973 in the First Baptist Church of Nashua.

Dr. Pearson is acting director and chaplain instructor in the clinical training program at the Tewksbury, Mass., State Hospital for the summer.

They honeymooned in upper state New York and Vermont and are making their home in Goffstown. The groom and family are well known in Digby.

Pleasure Filled Christmas

Guests at Tideview Terrace are keeping up a lively pace of enjoyment in the 1974 Christmas. Sunday the Christian Mer's Fellowship of Weymouth came to the Home to give a program of music, on Monday previous guests and friends joined with the staff for a staff party. Tuesday found the Church of God bringing cheer and the Christmas message to the guests who joined in the service, on Wednesday the Salvation Army, Digby Corps, scattered sunshine by their seasonal sunshine boxes and Kinettes brought gifts and Christmas greeting to the Home on Thursday.

On Friday the guests at Tideview had a complete change of program and were taken out by bus to see the Christmas lights around town and surrounding villages. CK-

ENTERTAIN

Twenty-nine of the active workers in the Digby New Horizon Club were entertained at a Holiday tea at the home of Mr. and Mrs. Waters Comeau, Rossway, on Tuesday afternoon from the hours of two to four. The rooms were decorated in keeping with the season.

Mrs. Comeau presided over the tea cups, while her daughter Mrs. Virginia Shaw of Centreville and Mrs. Mae O'Neill of the New Horizons Group served the refreshments.

Throughout the afternoon a delightful time was spent with friendly talk, meeting and greeting.

Chimney Fires

DY radio had alerted households to turn on their Christmas lights by six o'clock in the evening for the benefit of those on the bus tour.

The Digby Corps Salvation Army again brought Christmas hopes and tidings of joy to Tideview guests on Saturday.

No damage resulted when two chimney fires occurred on Digby Neck. On January 4th, the Digby Fire Department attended a chimney fire at the home of Mrs. Florence Morehouse, Seabrook and on the sixth at Bradford Woods at the Thibault Cross Road in Rossway.

Kenneth Hankinson of Weymouth Motors Ltd., presenting a cheque of \$250.00 to Steve LeBlanc, president of the Association for the Mentally Retarded, Digby Branch - The money will be used to further programming at the Hope Fellowship Activity Centre for the adults. Basic life skills, some academic programmes and arts and crafts are being taught.

Some draw-backs are experienced as the program is funded by donations and volunteer workers. Hopefully some financial assistance may be available later. Every donation is appreciated sincerely.

"Arranging a Registered Retirement Savings Plan is as easy as 1,2,3."

A lot of people look forward to their retirement. But they don't look forward to a reduction in income.

That's why the Royal Bank has available three separate Registered Retirement Savings Plans. If one doesn't suit your needs precisely, you can choose a mix of two, or all three.

Current tax legislation permits you to deposit up to 20% of earned income to a maximum of \$4,000 annually if you are self-employed or do not have a registered company pension. If you do have a registered company pension plan your combined contributions may be up to 20% of earned income to a maximum of \$2,500. Your contributions are deductible for tax purposes.

Give us a call today. We can assist you in making a meaningful choice.

1. Royal Bank Retirement Deposits

Your contributions will be placed in a special deposit account and you will receive an interest return geared to the general deposit rate structure. Because of the long-term nature of the deposits we expect the interest rates to be at the upper end of the scale. Each depositor is insured up to \$20,000 by Canada Deposit Insurance Corporation.

2. Equity Fund. Your contributions

are placed principally in Canadian common stocks. This portfolio is managed by professionals backed by investment analysts and economic consultants, who also manage well over \$100 million for other people and corporations. The emphasis here is in long-term capital growth with reasonable rate of return.

3. Income Fund. Your contributions

are invested in high-yield bonds, deposit instruments and in mortgages insured under the National Housing Act. The portfolio is managed by the same professionals, whose policy here is to achieve as high a current income as is compatible with maintaining reasonable price stability as well as moderate capital appreciation.

3 Registered Retirement Savings Plans for you.

A solo was also rendered by Lee Outhouse entitled "I've Been Born Again." The witness both in testimony and song by this group was a blessing to all. A short program in which all took part was presented and consisted of a reading "No Vacancies" by Mrs. Judson Haines; Duet, "Have You Any Room For Jesus?" by Mrs. Thelma Finigan and Mrs. Alice Westcott, the latter also being the accompanist; reading by Mrs. Harold Crocker. "The Three Legends of Christmas Flowers; Reading "I Like Christmas" by Mrs. Allison Morehouse; Reading, "Follow the Star," by Mrs. Avery Finigan; Reading, "The First Christmas God Was Made Visible" by Mrs. Theodore Teed; Reading "Christmas" by Mrs. Thelma Finigan; Reading "Do You Go To Bethlehem at Christmas" by Mrs. Marguerite Chapman and a poem "Christmas Wishes" by Mrs. Ideson. The President thanked all who had helped in the Service and all through her term of office as President. The supper table had been gaily decorated in keeping with the Holiday season and a tree. Both guests and members sat down to a bountiful supper and enjoyed a time of fellowship. Two of the non-resident members were Mrs. Marguerite Chapman and Mrs. Thelma Finigan from Digby.

give this island nation endurance and strength. Mid-winter in the Outer Hebrides is wild and melancholy. Four brothers, aboard a wooden fishing boat, the Village Maid, hunt for the elusive shoals of herring, hoping to

make their catch before the storm hits. Up the Thames run the river people, the watermen and lightermen who handle tugs and cargo carrying barges. One of them, Freddie Burwood, is only 16 and his family's ancestors were lightermen before peageantry.

Returning to the sea and a tiny Channel Island named Sark we find the legal right to beat their wives, only horse-drawn vehicles are allowed and only the Dame of Sark is permitted to raise pigeons.

In Sark as elsewhere in England, they face old challenges. Can ancient ways be retained in serene defiance of the 20th Century? It is a question that concerns all those people of Britain and all those throughout the world who have started their heritages.

THE PYX - Karen Black stars as a mysterious call girl and Christopher Plummer portrays a tough detective who becomes obsessed by the enigmatic Karen and the mysteries behind her fateful date with "The Pyx." In this contemporary suspense thriller. STARRING: Donald Pleasen, Jean-Louis Roux and Yvette Brand 'Amour' Drama.

the great fire of 1660. For these people life can be hard and cold and we share some moments of pride and one of chilling indignity, after a tumble into a branch of the murky River Thames.

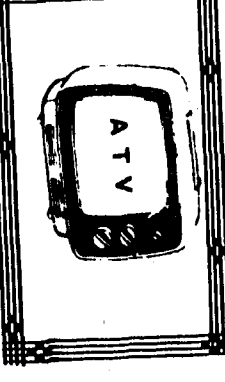

The River enters into the heart of London, the heart of the Kingdom and we meet the people behind the symbols we associate with England, a Yeoman-warden in the Tower of London and in the hilarious lower of babble sequence, the speakers of Hyde Park on a Sunday afternoon. We also meet Ian MacDonald, a horse soldier in Her Majesty's Household Guard, following him through one of the most memorable days of his life as he rides escort in the Royal Wedding Procession of Princess Anne, one of the all-time great displays of English pomp and pageantry.

Heritage
JAPAN
GOOD LAND
IS PRECIOUS

The Japanese farmer, like our Canadian farmer, has given traditional strength to the country, yet in Japan there is some of the most expensive real estate in the world. ATV examines this and other aspects of Japanese life in the "Heritage" series episode entitled "Japan," re-broadcasting Monday, January 20, 11-12 am on the ATN Television System.

Working hard and long Japanese farmers like Nakura Suzuki and his family are cutting new fields from the mountains and tending the precious soil. It will be years before the tea trees he is planting will produce but for Suzuki and his sons, time is not so important. Canadians try to save time and we don't worry about space. For the Japanese it is the opposite. Good land is the most precious thing they have and the rich man is the man who owns property.

In the mountains most of the farmers are Shinto. Before completing a new barn with help from their neighbors a priest calls for a blessing from the Shinto gods. As it is in all activities in Japan, it is group activity in which the individual can feel secure. If a piece of the structure doesn't fit no individual can be blamed. To be found personally at fault is the worst thing that can happen. Japanese morally whether religion is not derived from religion but from social ethics. Nothing is wrong because it is sinful but because it will bring public shame on the family.

Life Membership To Mrs. Hicks

The Smith's Cove United Baptist Women's Missionary Society met at the home of Mrs. George Winchester on Friday, January 3, for their first meeting of 1975. Presiding was Mrs. Alice Landers, president, who led the devotional time with all singing "Have Thine Own Way, Lord," followed by the reading of one of Peter Marshall's prayers and the unison reading of Psalm 93.

During the business session, Mrs. Landers welcomed Mrs. Dorothy Morton of Yarmouth, guest of Miss Blanche Hicks and Miss Marie Morehouse.

Mrs. Phyllis S. Winchester presented the program on "Changing Images" relating to the new look in missions as part of the program to be studied in the new year "Stepping Forward." This first account was on the new look in missions on the African Continent specifically regarding Zaire and Kenya. Mrs. Winchester closed the program with an interesting quiz "Geography - Anyone?" which had the participants calling on their ideas about the new image of

missions in Africa.

Highlight of this meeting was the presentation of a Dominion Life Membership to Miss Blanche Hicks, a faithful member of the society since coming into the community several years ago.

The introduction and account of the purpose of the Dominion Life Membership was read by Mrs. Phyllis Winchester. Mrs. Oakley Smith presented the certificate followed by the planning on of the DML emblem by Miss Sue Winchester. Mrs. Edna Adams offered the closing prayer.

During this ceremony, Miss Hicks movingly related how her grandmother, Mrs. Charlie (Elmira) Hicks, was the first president of the WMS in Westport, Brier Island, when it was organized in 1874. Miss Hicks was born in Westport. She continued to tell the group that at the present time two of Mrs. Charles Hick's granddaughters are active in that same Society, which celebrated its 100th Anniversary last year, namely, Mrs. Lawrence Shaw, present president, and Mrs. Edgar MacDormand.

Lunch was served by the hostess assisted by Miss Marie Morehouse, Miss Ada Winchester and Mrs. Morton.

Mayor And Councillor Sworn In

New Digby Mayor, Patrick Comeau.

Judge John Nichols presided at the swearing-in ceremonies at the special meeting of Digby Town Council on Monday evening when the newly elected Mayor, Patrick Comeau and the newly elected councillor, Captain Reginald Hazelton were installed into office.

His Worship in a few remarks, after taking over the chair from the Deputy Mayor, Philip Robertson, said he would ever be seeking unification of council to overcome the difficulties which can be expected to arise in the process of serving on Town Council. He urged that the Councillors give the utmost consideration to the problems which have to be faced. He asked that when councillors have something to bring before council or committees have reports that they be done in a comprehensive manner to cut down on the deliberations and therefore shorten the sessions.

Mayor Comeau had been a Digby Town Councillor for one year, resigning that position on December 31 to run for the office of Mayor. Councillor Hazelton is a new comer to

council. He is a successful fisherman, having been in the business for 26 years and especially interested in youth through the field of sports. Presently he is president of the Digby Recreation Commission, a past president of Digby Minor Hockey and Zone Chairman for Minor Hockey. Mrs. Hazelton, the former Olive Swain came from England. They have three children, Wendy 19, Vance 13 and Derrick, 10.

Appointments to the Board of School Commissioners, Digby, were made on Monday evening. They are Mayor Comeau, Councillor William Reid and Councillor Reginald Hazelton.

A letter was read from the information service of the Annapolis Valley Apple Blossom Festival that the Theme for 1975 is Valley Heritage. The dates are the end of May and the first two days of June. It was moved that the Festival committee be advised that the Digby float theme would centre around the heritage of the founding of the Scallop fishing industry in Digby.

Swearing in of new Councillor, Capt. Reginald Hazelton.

Organize Financial Committee For Purchasing Ice Equipment

Captain Reginald Hazelton, president of the Digby Recreation Commission presided at a meeting of interested persons on Sunday afternoon for the Purpose of getting a committee to organize fund raising for new ice equipment at the Digby Forum. The evaporator at the Forum had blown up and the Commission and newly formed Recreation Committee deemed it wiser to replace all the equipment for safety sake.

Members of the Finance Committee named on Sunday were Dr. Harold Budreau, Bob Whitmore, Bernie Bell, Mrs. Desmond Woods, Mrs. Ivan Trask, Frank MacIntosh, Mrs. Victor Kynock, Mrs. Donald Hattie, Mrs. Jack Ritcey, Richard Daley, Mrs. Paul Van Tassell, Deputy Mayor Philip Robertson, Mrs. "Bud" Abel, Mrs. Reginald Hazelton and Captain Hazelton exofficio. A co-ordinator is to be chosen.

Mr. Hazelton brought the audience up to date on the happenings at the Forum and said that approximately \$57,400 would be needed to provide the equipment and do the repairs necessary. Of this a recreation grant to a maximum of \$25,000 will be forthcoming from the Nova Scotia Department of Recreation in the form of a matching grant. This leaves \$32,400 to be raised. Further, Captain Hazelton said a down payment of \$19,240.00 on this must be made with the order on a six months delivery. He expressed an urgency to place the order if the Forum is to have skating for 1975-76.

Mayor Patrick Comeau questioned the safety of the building in view of a letter he read from T.B. Dorey, an engineer who had inspected the Building and which referred to the South trusses. Mr. Comeau emphasized that he was not saying the Building wasn't safe but was just passing on an observation for safety sake. Others reading the letter took the opposite view of the contents and felt it indicated safety. Mr. Comeau suggested that it could be possible that an entirely new complex might be needed in a few years since the present building is 27 years old. A thorough investigation of conditions will be carried out. Mr. Comeau said he was 100 per cent behind the need of a Forum.

Mr. Hazelton said that the Municipality had given a grant of \$700 last year and he is in hopes that this will be increased. The Town's grant has been \$2300 of which \$1,100 is returned in taxes and about \$600 for water.

Town councillor, Mrs. Eileen Chipman said she shared concern for safety but she favored priority given to the Forum rather than a new town hall as some of the Councillors do. She said that children are more important for the chosen few.

The coaches and drivers were commended for taking the Hockey teams for ice time in other rinks while the Digby Forum is closed.

Granted Permission For Pool Change Houses

By an amended motion at a special meeting of Digby Town Council on Monday evening, the Kiwanis Club of Digby was given permission to erect change houses at their newly constructed swimming school just south of the Mount Street Elementary School. The motion "that permission be granted to the Digby Kiwanis Club to erect change houses" was amended to "permission be granted to the Digby Kiwanis Club to erect change houses but any sewer or

David Irvine Heads Fire Commission

District 8 Fire Commission, Smith's Cove, held a meeting on Thursday, January 9, in the Smith's Cove Meeting House. Officers for 1975 were elected as follows: President - David Irvine; Vice-President - Harold Dunn; Treasurer - Arthur Hill; Secretary - Mrs. Karl Abbott; Fire Chief - Lawrence Comeau.

The officers were encouraged to see more interested persons, including several women, at this meeting.

Under the Little Red School House Grant, it was reported that the roof of the Meeting House had been re-shingled, parking lot covered with slate, floors refinished, also that new doors for the Meeting House had been purchased to be installed soon, and that work was progressing well on the upstairs meeting room.

The Commission members were reminded that accreditation of Fire Company is retroactive to November 1973 and that this accreditation results in a 10 percent reduction on fire insurance rates.

It was the unanimous decision of the Fire Commission to raise the fire tax rate to \$.10 per \$100 valuation for the coming year. This is being done in order to meet the cost of maintaining fire protection for the area.

Married 55 Years

On December 5th, Mr. and Mrs. Cecil Bell Jr., held a surprise family gathering in honour of her parents, Mr. and Mrs. Roscoe Buckler, this being their 55th wedding anniversary.

When entering the room they were greeted with, "Happy Anniversary."

A corsage and boutonniere of carnations was then presented to the happy couple and the evening was spent chatting and reminiscing.

A bountiful lunch was served by granddaughters, Janice Buckler, Karen Potter, and Carol Ann Isles. Miss Gail Buckler served the honoured couple. The double sweetheart anniversary cake was cut by the happy couple, after which they were presented with a wall chime clock.

Present were Mr. and Mrs. Gerald Buckler and Gail; Mr. and Mrs. Donald Buckler and Janice; Brian Buckler,

Winchester Presents Old Town Receipt

Above left is R.E.L. Winchester of Smith's Cove presenting to the newly installed mayor, Patrick Comeau, on Monday evening, a water receipt he had obtained on November 1, 1939. It was the first such receipt issued. Mr. Winchester at the time was water meter collector and the \$9.19 on the receipt represented the collections for six months. The receipt was signed by Margaret Appleby, whom Digby people remember as being town clerk for a number of years in Digby. Mrs. Appleby is residing in Toronto. Mr. Winchester has had the receipt in frame for the past 35 years.

Mr. Winchester, who is a councillor on the Municipal Council for the District of Digby further addressed the town council on Monday evening making note of the many things both Councils have in common yet he says that lack of co-operation between the two bodies is evident.

Mr. Winchester dealt with the Digby Airport at Hill Grove, which he said is of interest to the community at large. Mr. Winchester told the Town Council members that any assistance which the town could be given to the airport project would be appreciated and looked forward to having closer co-operation with their many problems of mutual concerns such as the airport, the schools, hydro, Tideview Terrace and others.

Councillor Winchester told the town councillors that \$40,000 has been put on the airport by the Digby Flying Club in a year since the municipality had made the purchase. Forty per cent of the Club members reside in Digby town, he said and they are much interested in a training school. The airstrip had been lengthened to 3000 ft. from 2000 and it is expected soon to reach 5000 ft. Cross wind strips have been constructed in preparation for training.

Mr. Winchester spoke of various townspeople who want

The Operation & Financing Of The Digby Library

Mary Marshall, Secretary.

For the interest of people who have come to Digby recently and others who may not know the details, a few facts are given about how the library in Digby is operated and financed.

The building, one of the town's old houses, at 95 Montague Row near Mount Street, belongs to the Admiral Digby Library and Historical Society. It was purchased by the Digby Library Association which had succeeded in establishing a library, with volunteer service, situated for some time on the upper floor of the John R. Nichols building. In the meantime continuous efforts resulted in the Town and Municipality entering the Regional library system. Then the Association raised funds for the purchase of a building and restored it, mostly with volunteer help. Then the Association was re-organized and received its charter as The Admiral Digby Library and Historical Society, for the promotion of historical interests and support of the library.

Space on the ground floor is rented by the Town of Digby, the Society supplying light, heat, water and telephone as well as maintenance care. The library is stocked, staffed and operated by the Western Counties Regional Library, with headquarters in Yarmouth. The W.C.R.L. service covers Digby, Yarmouth and Shelburne Counties with branch libraries and bookmobiles.

The municipality of Digby and the Town of Digby share in the expenses of these services and have representatives as Trustees on the Western Counties Regional Library Board and also on the Board of the local Society.

Multicultural Information and Referral Service. The appointment of Mr. Bell was announced on Friday, January 10 by V.G. Cardoza when the Multicultural Committee convened at the Mental Health Centre, Digby.

Mr. Cardoza was chairman of the meeting and Mr. Bell acted as secretary. Others in attendance were Clyn Boodoosingh; Sam Baney - Development Officer for Nova Scotia with the Department of the Secretary of State;

Frieda Balsor; Dr. Ahmad; Ralph Jarvis; Bal Kapour; Vernon Wessell; Judy Pearson; George Barton and Chief Richard McEwan.

Mr. Cardoza passed on regrets from Wilbert Barton who was unable to attend. Clyn Boodoosingh was named signing officer.

A nominating committee was appointed, composed of: Clyn Boodoosingh, Bal Kapour, George Barton, Chief McEwan, Judy Pearson, and Vernon Wessell, to bring in an executive slate. The Nominating Committee met at 7:30 p.m., January 14th, at the Mental Health Centre and prepared a slate to be presented to the General Meeting.

The time and place of the general meeting is at 7:30 p.m., Friday, January 24th, 1975 at the New Horizons Club Room, Mental Health Centre, Digby. The agenda for the general meeting will include election of executive committee; approval of the budget for '75-'76 and proposals for activities through the year. All interested people are encouraged to attend.

Makes Beautiful Rug

Beverly Hall, Smith's Cove, foster daughter of Mr. and Mrs. Leaman Sarty, is shown with her completed shag rug, made by herself and hooked with the latch hook. The materials for the rug were given to Beverly by her teacher, Mrs. I. Spechts.

This young lady has learned her skill at the Hope Fellowship Activity Centre for young adults, Conway. She is a most cooperative and willing worker, learning and improving each week.

She is also learning to express herself in conversation, her speech is improving and she can form short sentences. No longer is she limited to the words: "Hi", "Beverly" and "O.K." Her teachers, Mrs. Josephine -

LeBlanc, Mrs. Stella Murley and Irene Spechts are pleased with her progress.

Besides her beautiful rug hooking, Beverly is very helpful in the kitchen. She is fond of music and has a large collection of records. She enjoys radio CKDY and is a great fan of Ron Harrison! The Digby Branch Association for the Mentally Retarded, known as Hope Fellowship, have proved it's all worthwhile and urges everyone to support their efforts. The Association is conducting a survey of Digby County to determine the number of handicapped people in the county, to discover where they live and what types of programs could be established for them.

IDEAS ON SPORTS

Sports are much in the mind of leaders today. Possibly Digby is more than usually sports minded just now when the necessary closing of the Forum has left a vacancy in the busy life of the hockey kids. There is no doubt about it, the Minor Hockey lads are in general an industrious bunch of youngsters. There are those who feel too much emphasis is put on Minor Hockey. A Digby lady recently said that a boy has to be in Minor Hockey or he just does not count. Forbid us from having any sport that feels superior.

What is the principle behind any sport, whether it is hockey or another sport. First of all, sport is to condition the body. In the Western world, maybe Canada more so, grown ups as well as young people really do not get enough exercise. So sports of most kinds have the virtue of supplying that ingredient for good health.

A cheerful mind is good for the health too. Hockey or other sports can be joyful and bring much happiness to youth. Games can give a sense of accomplishment to those who win and, of course, a sense of good sportsmanship in losing is one of the attributes instilled in the minds of players where possible. Sad to say, this is an attribute that is not so well respected especially amongst teen age players in this Valley area, according to reports. Other places further away no doubt have similar problems.

There is something to be said, also, for the ambition and striving to win yet too much pushing to beat in the game can make the game just that - a win without the fun and pleasure of the game itself.

One psychologist, Michael A. Casella, Ph. D., does not go along with the idea that pent up aggression in children is released in aggressive play. He finds that future aggressive behavior in social situations usually increases because the child has learned to impress others and to take what he wants with physical and emotional force. Nor does he feel that because a child is successful in sports that he will be successful in other cultures and fields. Some times it works opposite because of too much time spent on sports. All of which depends very much on how the team is managed. This puts the onus a bit on the coaches and referees and trainers. Parents should be happy when suitable and qualified people come forth to properly manage the sports for the young.

Dr. Casella also urged that the physically unfit need fitness programs. He asks should we spend our tax dollars on a few who reach the junior leagues or on the 99.9 per cent of the children.

Digby right now is sport conscious, particularly ice conscious. It looks very much that the Digby Forum could open again for the 1975-76 season. We can only wish the committee heading up the fund raising campaign success and offer these ideas while the public mind is sports oriented.

Further we commend the Recreation Commission in being concerned for the safety of the children or other rink patrons from escaping gases, should the old ice making equipment not stand up to requirements. New equipment certainly will relieve that anxiety. We also think, as Mayor Patrick Comeau suggested, that the safety of the building should be assured before equipment is installed. This should be no difficult problem with building safety inspectors easily accessible.

So much for our Ideas On Sports. Let's hear from you.

Ice Safety

The time is coming when the February and March sun will be high in the sky and lakes and rivers and ponds will normally give up their surface of ice. This winter is an exception, for we've had cold weather and warmer weather interchangeably all winter long. There is no guarantee how safe these lakes, rivers and ponds are from day to day. Also, now that the Digby Forum is closed because of the evaporator explosion, children are likely to head for ice in the outdoors.

With this in mind we give you some Red Cross tips on winter ice safety:

The Red Cross Water Safety Service has some timely tips for winter ice safety. Talk them over with your family at supper tonight. It's a discussion that could save a life.

-Ice should be at least four inches thick for skating and eight inches thick for snowmobiling.

-Weather conditions with alternate freezing and thawing weakens ice structure. Air bubbles form in the ice and it becomes "rotten".

-Sun shining through ice onto sand is reflected back up, weakening the underside.

-If someone breaks through, stay back from the hole. Lie down flat and use a pole, tree branch, hockey stick, rope, or windbreakers tied together to extend your reach to help him. Tell him to reach out his arms

THE DIGBY COURIER

as far over the ice surface as he can and to kick hard with his feet to get his body horizontal. The momentum of the kicking will help inch his body out of the hole and onto the ice surface. You can pull him to safety. Be sure he stays flat on the ice to distribute his weight. Get him warm as quickly as possible. Report the accident to the police in order to prevent the same thing happening to other people. -If you are alone when you break through follow the same procedure. Stay as flat as you can while you edge toward stronger ice and don't stand up until you are sure it can bear your weight. -Be sure your children understand the hazards of frozen water surfaces in your neighbourhood. Until you know the ice is strong enough, know where they are all the time. Ice is a tremendous attraction, especially to young children.

FAMILY UNITY NECESSARY ELEMENT

It matters not what faith you follow or to what church you belong, everybody will agree with the Church of Jesus Christ of Latter Day Saints that family unity for some years has been breaking down more and more and a program to strengthen family unity is necessary. This particular church has proclaimed January as Family Unity Month. They suggest weekly Family Home Evenings to continue thereafter.

During the Family Unity Month, the promoters are encouraging families to enjoy meaningful activities together, like family discussions, some family project, attending church, singing, recreational sports and other programs which will bring the whole family closer together, promote better communication, more respect and greater understanding.

In proclaiming January to be Family Unity Month, Thurn J. Baker, president of the Canada Halifax Mission and Gordon Macmichael, Maritime District president, claimed that the family is the most important unit in our society and the foundation upon which the structure of society rests. No one will contradict that statement, we are sure. They further claim that no other success can compensate for failure in the home. Most of us go along on that score too. Success in school studies, success in sports and success in any extra curricular are all laudable and good. They give the child a feeling of accomplishment and to the parents a sense of pride. However, none of these can give the same security as the feeling of belonging. Entertainment for children at the amusement centres giving the mother or both parents an opportunity to enjoy their own pursuits is no substitute for family togetherness.

The question is so often asked since crime has become so wide spread "What has gone wrong in our society?" This proclamation of which we write says "the quality of our community life begins within the homes of individual families, the most important work we can ever do is within the walls of our own homes." Yes, what has gone wrong in our society? Whatever has gone wrong, there is a ray of hope with families searching anew for more effective ways to combat the elements of our society which seek to destroy the family. Though some may not think too seriously on the subject, the truth of the matter still is that Family Unity is a Necessary Element in today's society more than ever and some honest thought should be given to the subject not by one segment alone but by every segment of our country.

water cost would have to be borne by the Kiwanis Club. The amendment was made by Councillor Reginald Hazelton, seconded by Councillor Guy Van Tassel. The first motion was made by William Reid and Deputy Mayor Philip Robertson. An earlier motion made by Councillor Eileen Chipman that the matter be tabled until the regular meeting of Council in February was defeated for the want of a seconder.

The Councillors took for granted that the change houses would come up to standards because this would be necessary for obtaining an L.I.P. grant for which they had applied. It was noted that the foundation for the houses had already been made. The Mayor and Councillor Chipman each remarked on the public and developers starting projects before obtaining permission from the Council, His Worship attributed the offense to oversight and hoped that the people would begin to co-operate on that score.

Letter To The Editor

We invite young people in your community to send us paintings, drawings, poems and stories which express their feelings about themselves, their environment, and the world we live in.

Our project, ALL ABOUT US-NOUS AUTRES, is a non-profit group which collects, publishes and exhibits creative works by Canadians from six to eighteen years of age. Our purpose is to provide a way for our six million school-age people to get to know each other better. We hope many in your area will share their ideas, their interests, hopes and concerns.

Original works from all parts of Canada, received by May 1, 1975, will be considered for the third annual art exhibit and a second volume of writing planned for fall publication. The national art exhibit will open in Ottawa during Festival Canada, and travel to various regions throughout the year.

Pictures and writings should be sent direct to ALL ABOUT US-NOUS AUTRES. Please include name, age and address on each item so we can let you know about exhibitions and publications. Students, teachers and the public can write for further information. Sincerely,

Tenders or Proposals Called For Family Housing In Digby, N.S.

Tenders or Proposals for 12 family housing units to be built here have been called by Central Mortgage and Housing Corporation.

J. D. Walker, CMHS Assistant Manager for Nova Scotia, said the units will be located in the south end of the town on a parcel of land bounded by Queen Street, George Street and First Avenue.

The units will be semi-detached with six having three bedrooms each and the remainder four bedrooms each.

Financial arrangements for the new development provide that Central Mortgage and Housing Corporation will pay 75 percent of the capital cost and the Province the remaining 25 percent.

Simms Made Honorary Member

A meeting of Branch 20 Digby Legion was held in the Legion hall with Pres. Jerry Campbell in the Chair.

It was decided to buy a new P.A. system for the hall.

It was also decided to buy an ice making machine.

James Simms was made an honorary member. All committee members reported a good year. Irvin Cromwell was awarded the contract as janitor and Breda Campbell was awarded the contract as bar steward.

After the meeting a lunch was served.

Daddies Pledges

Almost Honoured

The treasurer of the Christmas Daddies Fund Committee, Mrs. A.J. Dillon, announced at the January 7th meeting of the Committee that \$10,775.03 of the slightly over \$11,000.00 pledged during the Christmas Daddies Radio Show had been honored.

Annapolis County residents have contributed \$4,595.01, and Digby County \$6,179.94 to January 2, 1975.

With these funds the committee was able to provide Christmas for 288 families in both counties and 971 children. Annapolis County had 90 families with 300 children and Digby County 198 families with 671 children.

The committee thanks everyone who honored a pledge.

CHRISTIAN CORNER

Answer the Pastor

QUE. Does the SAVED SOUL go directly up to Heaven at death?

ANS. Impossible, as Jesus teaches that the BODY and SOUL rise in the RESURRECTION, in spite of the false teachings backed up by much scripture. Common sense tells us that when Jesus taught that "He who believes on me, I give him eternal life", he was not talking to the BODY but the SOUL, which dwells in the body. Neither is he talking to our BODIES when he speaks to us TODAY out of the Holy Bible (K.J.V.) I go to the store and buy a pound of onions and carry them home in a bag. Which is the most important the bag or the onions? Do I eat the bag and throw the onions away? The SOUL, that dwells in the body is the important one that Jesus came to save. The BODY is included in this life and the life to come. So the final part of the scriptures reads (ST. JOHN 6:40, 44, 45) I will raise HIM (not IT) body up at the LAST DAY. Now the LAST DAY could not mean the last day the soul is alive on the earth before death, as Martha said to Jesus (ST. JOHN 11:24) "I know that he shall rise again in the RESURRECTION at the LAST DAY" showing that they are the same DAY.

HELPFUL HINTS
by Sally Easton

Keep telephone and cord like new — clean with rubbing alcohol, polish with dry cloth.

Neat way to give soup lunch to a toddler: drain liquid into cup for drinking, serve vegetables in a bowl. He'll get every nutritious mouthful.

Freeze leftover gravy in ice cube tray, empty into plastic bag, store in freezer. Use cubes whenever you need small amounts of gravy.

Three Fires - None Serious

Digby Volunteer Fire Department was called out to three fires during the last week. An outdoor storage building at

Rewarded For Safety Caution

Lovett Jordan, employee of the Digby County Power Board was hit on the head by a wire cutter during last year and fell from the top of the pole to the ground. Fortunately Mr. Jordan was wearing his helmet or his injuries might have been severe. In recognition of his safety

measure Mr. Jordan was awarded by the Workmen's Compensation Board. The Presentation of a silver hat and scroll was presented on Thursday to Mr. Jordan by Russell MacIntosh, Granville, field officer for the Workmen's Compensation.

the Home of Mr. and Mrs. Shirley Van Tassel burned to the ground on January 17 and a clothes dryer at the Wesleyan Methodist manse on Victoria

St., caught fire on the same day, burning out the motor. A truck at Town and Country service station was damaged by fire when a torch caught the gas line.

Celebrate 50th Anniversary

Mr. and Mrs. Hubert Lantz were entertained by members of their family at a reception held at Mountain Lea Lodge recently on the occasion of their Golden Wedding Anniversary.

The couple were married at the bride's home in Bridgetown on December 31, 1924, with the Rev. R. Hayden officiating.

Receiving with their parents were daughters, Ethel, Mrs. J. M. Stronach, of Kingston and

Phyllis, Mrs. Gerald Chute, of Bear River. The couple also have two sons, Orrin, of Summerside, P.E.I., and Gordon, of Hamilton, Ontario. Many of the couple's 17 grandchildren attended the celebration, also great-granddaughter, Heather Jackson, of Clarence. The couple have seven great-grandchildren.

Mr. Lantz, who was a sawyer by trade, served overseas for 4 years during World War II. He

is a member of the Royal Canadian Legion Bear River Branch and served as president for two years. Before his retirement five years ago, he was a farmer in Centrelea, Wilnot and Bear River.

The couple are members of the United Church in Bear River.

Mr. Lantz is presently a patient at Mountain Lea Lodge. The couple were the recipients of many gifts, cards and messages of congratulations.

Cards Of Thanks

CARD OF THANKS - Ross. The wife and sons of the late Ollie Ross wish to express our sincere thanks to all those who helped in any way during our sad bereavement - for mass cards, floral tributes, sympathy cards, visits, phone calls, etc. Special thanks to the pallbearers, Rev. Leo Mallet, and the McCleave Funeral Home. Wife Bina, sons Henry, Russell and families.

24:1ip

CROMWELL - The family of the late Joseph H. Cromwell wish to thank all those who assisted in anyway in their recent sad bereavement. To those who sent cards, flowers, mass cards, and food. Special thanks to Father Richard, Sister Olive, Branch 67, Weymouth, Ken Sweeny and the pallbearers. Thank you. Judith Cromwell.

24:1ic

FIREMEN - Smith's Cove Firemen would like to thank all those who gave donations during their January Bottle Drive.

24:1ic

THIBAUT - I wish to express my sincere thanks to all who visited me, sent cards and flowers, and all I was associated with while in hospital. Special thanks to Dr. Erjavec, all the nurses and staff on Second Floor. Mrs. Walter Thibault.

24:1ip

LANGFORD - We would like to thank all those who were so thoughtful during our recent bereavement in the death of my father, Mr. Herbert Cromwell, to those who sent cards and flowers, special thanks to the Mount Beulah Baptist Church Ladies Auxiliary for their donation, also to Alfred Cromwell and Mr. Joseph Casey. **MRS. ANNIE LANGFORD.**

24:1ic

CARD OF THANKS - We wish to express our sincere thanks to all who shared our sorrow, and extended their sympathy during our sad bereavement in the offering of floral tributes, prayers, cards and visits. Your kindness will be held in grateful remembrance. Gordon walks with us down quiet paths, And speaks in wind or rain, For the magic power of memory Brings him back to us again. **PARKER AND ANNA THURBER, MRS. KATE CHURCHILL.**

24:1ic

CARD OF THANKS - The family of the late Gordon Maxwell Welch wish to express their sincere thanks to all those who called, sent flowers, cards, food, other donations, and all who assisted in any way during the loss of our loved one.

Special thanks to Dr. Stokes, Dr. Gordon, Pauline McNeil, P.H.N., Warren MacIntyre, Stephen Harris, Dale Harris, Shirlee Scott, Pamela Green, Eunice Moore, Alice Moore and Jaynes Funeral Home. Thanks also to Rev. K. Daw, Rev. George Sharp, organist - Mrs. Mary Finigan and pallbearers - Glendon and Clifton Moore, Chris and Randy Thurber, Claude Elliott and Alfred Cann May God Bless you all. Your helping hand was always first.

To render any aid you could; Your voice was always raised in praise
Your words were wise and good
Dear Gordon since you've gone away
The ones you've loved so true
Try hard to carry on the way
We know you'd want us to.

24:1ic

CARD OF THANKS - The husband and family of the late Mrs. Janet Everett sincerely thank all who sent flowers, mass cards or expressed in any way kindness to them in their bereavement. Special thanks go to the nurses at the Intensive Care Unit at the Digby General Hospital, Dr. D. E. Lewis, Dr. Denton and Dr. Ian Anderson and to the R. McCleave Funeral Home for their care. Special thanks go to Mr. and Mrs. Fred Amoro.

24:1ic

In Memoriams

TITUS - In loving memory of a dear Dad, Earl B. Titus, who passed away January 17, 59. Jesus said, "Come unto me, all ye that labor and are heavy laden, and I will give you rest." This was his favorite passage of scripture. Daughter, Rosetta Prime and family.

WAGNER - In loving memory of my dear Father, Roy Wagner who passed away on Jan. 24th, 1974.

Beyond a smile there lies a tear
For a Dad I lost and loved so dear

My heart still aches as I whisper low
God Bless you Dad, I still miss you so

He had a nature you could not help loving
And a heart that was purer than gold

And to those who knew him and loved him
His memory will never grow old.

Lovingly remembered and sadly missed by **DAUGHTER, BLANCHE AND GRAND-CHILDREN.**

24:1ic

BANKS - In loving memory of our Uncle Stanley E. Banks who passed away January 23, 1968.

Sadly missed but always remembered. Wayne, Jackie and Dwayne Handspiker.

24:1ip

Stevens - In memory of the late Mrs. Flora Stevens we would like to express our appreciation to relatives and friends for sending flowers, cards, a Women's Missionary Society Memorial as well as Hymn Book Memorials.

To the nurses and staff at Tide View Terrace Nursing Home at Digby for their wonderful care as well as the Digby friends who visited her.

To the pall bearers, the choir and to Rev. K. Daw for his comforting message - a sincere thank you in the recent loss of our loved one. **HER FAMILY.**

24:1ic

WAGNER - In loving memory of our dear brother and uncle Sonny, who passed away Jan. 13, 1971, and for our dear Dad and Grampie Wagner who died so suddenly Jan. 24, 1974.

If only we could see you Sonny and Dad,

Your hands we could but touch
And hear you say "hi" to us
Things wouldn't hurt so much.

So many times we've wanted you
A million times we've cried.

If love could have saved you
You never would have died.

In loving memory and sadly missed by sister and daughter Dorothea, Robert and family.

435 Salt And Peppers

There are 435 pairs of salt and pepper shakers in this photo which is a collection owned by Mrs. Leonie LeBlanc of Church Point. No two sets are alike. They were purchased by Mrs. LeBlanc and from gifts from friends who knew Mrs. LeBlanc was interested in collecting salt and pepper shakers. They are on shelves on two walls of her sitting room. Her husband, Denis P. LeBlanc, built the shelves especially for Mrs. LeBlanc's hobby. It is an interesting hobby. (Melanson Photo)

Mrs. Leonie LeBlanc of Church Point who lives on the Church Point wharf road has 435 pairs of salt and pepper shakers in her collection that she started over fifteen years ago. Her husband, Denis P. LeBlanc, built shelves on two walls of their sitting room hold the entire collection. No two identical pairs are in the collection.

Mrs. LeBlanc started her collection following a long illness to help pass the time away. She purchased a large amount of the salt and pepper shakers herself but her many friends have also contributed by presenting her gifts of salt and pepper shakers.

Among her collections you will find, birds of various types, fruits, vegetables, animals and fish. In the animal line you will find resting deer; cats; elephant; dogs; rats; pigs; squirrels, monkeys, black bear cubs; giraffe; mice; walrus. Various types of fish; flowers; candles on a stand; potatoes; pink venus; porcelain boy and girls praying; old man and woman; black kettles; Christmas trees; high-tension hydro insulators; Old lady and

Defensive Driving Course

The Islands Home and School held their January meeting on the 6th at the School with Mrs. Linda Elliott in the chair, acting in the absence of the President and vice-president.

A letter was read from Rev. Mr. Gillis of the Federation of Alcohol and other Drug Problems, in response to one from the group, stating he would be happy to hold some sessions at the School re Drug Problems. No action was taken at the meeting regarding this.

There was no answer from the Digby Municipal School Board re a request for a Teachers' Aide. As the H and S offered to pay a percentage of costs for this Aide they hoped that they will not be denied the services for the Elementary Teachers.

Melvin Perry, Motor Vehicle Branch, spoke about the Defensive Driving Program and also showed a film dealing with this.

The group is to sponsor a Canada Safety Council Defensive Driving Course, beginning on Jan. 22, at the School with Mr. Perry as Instructor. The course will be given on four consecutive Wednesday evenings at 7:30 and lasting for 2 hours each night. Anyone attending all four sessions will receive a certificate which when sent to the Motor Vehicle Branch within a year will delete four points, (if any have been accumulated). There will be no tests and the cost is \$3.00 for all the sessions. Anyone with a beginners or drivers license may attend. Registration and fees to be paid on first evening.

After the meeting tea and lunches were served and the usual Social Hour held.

Mr. and Mrs. Merril Prime and family, Kentville, spent a few days at their home here during Christmas vacation.

Mr. Floyd Crocker, Sackville, visited with his mother Mrs. Watson Crocker and Bette last weekend and also with his father at the Digby Hospital.

Dr. Rice Addresses Digby Cub Pack

On Wednesday evening, January 15th, Digby's new veterinarian, Doctor Calvin Rice, responded to an invitation extended by the 4th Digby Cub Pack.

Doctor Rice gave a brief talk on proper pet care, especially in regards to dogs and cats. He emphasized the need for pet owners to see that their pets are given their distemper shots and subsequent booster shots, as distemper is one of the more serious illnesses that can affect pets.

In response to questions presented to him by the Cubs, Doctor Rice informed the boys that the best food for their dogs is the dry, chewy kind, and that

care must be exercised in giving dogs bones to chew on, the best kinds being rib and knuckle bones, as these do not shatter. Chicken and turkey bones are especially dangerous as they splinter and may get caught in the dog's throat.

Doctor Rice presented two Cubs, John Connelley and Martyn Theriault with their pet keeper's badge, as these two Cubs had fulfilled the requirements for the badge by taking complete care of their pets for a period of three months.

The 4th Digby Cub Pack thanked Dr. Rice for his informative talk on pet care, and his sincere interest in the Cub Pack.

Figure Skating Girls Earn Badges

The Digby Figure Skating Club has had a busy and successful season thus far.

A skate-a-thon was held in October and over the Christmas season a sale of candy bars and nuts was well received by the citizens of the town and area. As a result of this co-operation the club has been able to offer continued lessons with the Cornwallis and Claire figure skating clubs offering to enrol the girls when the rink was closed.

Test days were held over the Christmas vacation and the following girls were successful in earning badges.

Important Information Regarding the Cost of Your Electric Service

(1) Fuel adjustment charge

Effective with electric service billings issued after April 1, 1975, it will be necessary to add a Fuel Adjustment Charge to your bill. This charge is a direct result of the sharp increases in the cost of fuel to the Power Corporation.

As 25% of our power output is generated by oil and coal, (by contract coal is related to the price of oil), such an adjustment charge is essential if we are to maintain adequate income in relation to the increased cost of these fuels.

The Fuel Adjustment Charge will initially amount to .4314 cents per kilowatt hour. As an example, if you use 1000 kilowatt hours during a 2-month billing period, the Fuel Adjustment Charge will amount to \$4.31 or \$2.16 per month.

The Fuel Adjustment Charge will be clearly shown as a separate item on your electric service bill. This charge will be subject to increases or decreases in direct proportion to the cost of fuel to the Corporation.

(2) Rate Standardization

Effective with bills issued after July 1, 1975 our domestic rate structure will be standardized throughout the Corporation's service territory. This uniform rate will apply to all domestic customers regardless of geographic location and no rate distinction will be made among 2-wire, 3-wire and all-electric services. It is significant to note that NSPC domestic rates have not been adjusted for the great majority of customers since 1958. This is an indication of our effective control of operating costs when you consider that every other electric utility across Canada has increased rates several times during this period.

Standard Domestic Rate

BASE CHARGE:
\$2.00 per month

ENERGY CHARGE:
3.0c per kilowatt hour for the first 100 kilowatt hours per month.
2.0c per kilowatt hour for the next 100 kilowatt hours per month.
1.5c for remaining kilowatt hours.

AVERAGE CHARGE:

In no case shall the average charge, exclusive of fuel adjustment, be less than 1.65c per kilowatt hour in any billing period.

FUEL ADJUSTMENT CHARGE:

.4314c per kilowatt hour

MINIMUM MONTHLY CHARGE:

\$5.00 per month.

The Health Service Tax which is 50c per month for each domestic customer, and which the Corporation collects on behalf of the Provincial Government, will continue to be applied in addition to the foregoing rate structure.

Bits And Pieces From bird Haven

Happy New Year to all.
Well, the fourth Baltimore Oriole is safely housed for the winter. He was caught in the South end of town. There has been one more sighted but so far has not been recovered.

The four others are very contented in a large cage in the dining room. Do hope we can catch the fifth one as he can't possibly survive. These birds are all young males.

Looking back over my records of several years the last couple of weeks of the year and first of the New Year, seem to have a scarcity of birds. This year is no exception. I suppose with so much open ground they are able to find sufficient food.

Several times a small flock of Evening Grosbeaks have visited the feeder, but will be gone again for several days.

We did not do the Christmas count this year. Never have I seen such a dearth of birds in the woods and we get the same report from different parts of the country. Lots of Blue Jays, but so far I haven't seen a Chick-a-dee this season.

Had a flock of Robins with me for several days, fed them apples which they picked clean to the skin.

Santa was good to the house birds at Christmas, all kinds of seeds even eggs.

Had a dear little Saw - whet owl brought in. He apparently had been shot as one wing had partly mended. He ate a little but his little body was very thin and he only lived a couple of days. Did you ever look in the face of one of these dear little bunches of feathers with his yellow eyes and lashes blinking at you? Owls are the only birds

IT'S FREE

Just hand me down clothes to wear
It's but a small load to bear
Only wholesome food to eat
I've got good shoes on my feet
In school, small pencil in hand
Who cares, straight I still can stand
Walking not having a ride
To be taken all in stride
Cold mornings first getting up
Nothing of matter can stop
Parents poor but what the hell
I still hear the ringing bell
It matters not how you start
But what you are when you part
The sun shines for all to see
The rose is also for me
Night time visits for us all
The spruce is still growing tall
The waves still dance on the shore
For what else could one ask for
The gulls are singing their song
How can life ever be wrong
Nature is also for you
If only more people knew
What matters in life if free
Just simply know, feel and see

Why would anyone want to shoot one of these little birds?

Don't forget to put your Christmas tree out for a shelter for the birds. Pour a little melted suet or bacon fat over the branches. A good snack on a cold day for some bird.

Asad day at Bird Haven. One of my Hermit Thrushes died. He had only one eye and no doubt had been hurt inwardly as well.

THE CHRIST CHILD

They walked the streets
Night and day
Trying to find a place to stay

They found a manager
Filled with hay
And there when born baby
Jesus lay

When he was born
Everyone stared
Some people jeered some
people cared

A little boy Jesus
Whose future to be
Was to be king over earth
and sea

He didn't live long
For they crucified him
And when they did the whole
world grew dim

He lived and died
To rid our sin
Gave his life our souls to win.

Prayer Week

At

North Range

The Tuesday night week of prayer service of the Weymouth District Ministerial Ass'n was held in the North Range Baptist Church. Rev. Lawrence Corey of the Havelock Wesleyan Church was guest speaker. Mr. Merle Zimmerman conducted the service the combined choirs of the North and South Range churches provided the music. A special selection, "Others," was given by the choir and a duet by Mrs. Ivan Bain and Mrs. Len Hannam. Despite the inclemency of the weather, a good number was in attendance.

Mr. and Mrs. Hantford Lewis, Weymouth North, and Mrs. Maurice Brehaut of Kentville called on Mr. and Mrs. Warren Haight during the holiday season, also Mr. and Mrs. Reg Lewis of Weymouth Point and Mr. and Mrs. Louis Haight and family of Ashmore.

Mr. and Mrs. Warren Height spent Christmas with Mr. and Mrs. Reg Lewis. They were guests of Mr. and Mrs. Dudley Beals, Inglisville on New Years Day.

Cottage bible study and prayer group of the North Range and Barton Baptist churches held its first meeting of the new year at the home of Mrs. Erma Balsor Barton on Wednesday night. The next meeting will be at the home of Mr. and Mrs. Milton Bragg.

W.M.S. At Centreville

The Women of the Missionary Society of Centreville met at the home of Mrs. Berry for their monthly meeting. There were 16 members present.

Mrs. Berry had a reading called "New People For New Order", which contained Creator, transformer and liberator with each being discussed in order. There was a prayer by nine for individual people.

Mrs. Jennie Suttie read "What our Missionary Used To Be Like."

The meeting ended with prayer after which Mrs. Berry served a lunch.

Scouts Have New Subject

Beaverings is one of the New Scout programs which took up discussion time when the Digby District Council of Boy Scouts met in Digby under the Chairmanship of John Campbell. Representatives from C.F.B. Cornwallis, Bear River and Digby were on hand for the meeting hosted by MacLeod Rogers Q.C. The new program for boys of five to seven years has taken on well throughout Canada and Mr. Campbell and other officers hope it will be popular in the Digby District.

The District annual meeting will take the form of a buffet supper at the Knights of Columbus Hall on January 23. Jerry Walsh, Provincial Field Executive will be the guest

Church Point

(Albert Melanson)

Mrs. Leonie LeBlanc who resides on Church Point wharf road has been discharged from hospital in Halifax following a short stay in the village for Christmas. She is presently visiting her brother Thomas (Tommy) Comeau in Halifax for two weeks. We are pleased to announce that Mrs. LeBlanc's health has improved greatly.

Other visitors to hospitals in recent weeks and who have returned to their homes in the area are, Mr. Coral Pothier, Eddie Comeau of Grosses Coudes and John Lloyd Wagner of Church Point, from Digby Hospital.

following surgery.

The people of Church Point wish to welcome all those who have come to the village to occupy apartments in the newly opened Senior Citizens Housing Unit in the village.

Mrs. Juliette Thibault of the Church Point School teaching staff is unable to return to teaching following an accident which occurred just before Christmas holidays at the school, when she slipped on ice and broke her pelvis bone. She is able to hobble about in her home with crutches. She expects to be able to return to teaching at the school in about two more weeks.

J. Denis LeBlanc has caught the flu and is recuperating favourably at this writing. Mr. LeBlanc underwent surgery in the spring. He is retired.

Mr. and Mrs. Isaac LeBlanc spent the Christmas Holidays visiting their daughter Mrs. Willard Saulnier and her husband in Halifax.

A new modular home is being placed on a lot opposite the residence of Philip Comeau on the Church Point Station road, which is less than half a mile from the business section. This building was built by Melanson Construction (Remi & Norman) at Lower Concession. The pre-fabricated home was brought to its present site by half sections and joined together. This section has been built up considerably in the last two years with six residences built.

New Horizons

President

The year 1974 was a successful and rewarding one for participants of the Digby New Horizons Group. The President, Rev. I. Butler said in his address at the annual meeting, not only did the New Horizons Club make financial and material gains but most important was the Fellowship and spiritual achievements acquired by the participants.

On Jun 12th, 1974, the Digby New Horizons Activity Centre was officially opened by the Hon. Allan MacEachern of Ottawa. Since their weekly gatherings have met for fun, games or work, once a month a birthday party is enjoyed. Since last June Liverpool, Round Hill, Yarmouth, Bear River, and Wedgeport visiting New Horizon Group have been entertained at the Centre. The largest visiting group from Killarney Man. the first part of September was the highlight of the season. There were forty two from Killarney accommodated by members of the Digby New Horizons with planned group activity each day for the entire five days they were here. The latter part of September there were forty from the Digby Group who travelled via Air Canada to Killarney, Man for an exchange five day visit.

The Group have held two successful bazaars during the Past Year - one in July and one in December. Their hand made crafts of wood making, needle work and fish, net knitting have been in great demand.

The atmosphere at the Centre, where the participants meet is one of congeniality whether working or relaxing. Every Tuesday afternoon is "Open House" at the Centre.

The Executive for 1975 are as follows President - Rev. I Butler (returned) Vice President - Mrs. Alice Westcott, Secretary Mrs. Winnifred Comeau (returned) Treasurer, Mrs. Ruby Roope (returned). The eleven directors are Mrs. Nan Raymond, Mrs. Edith Walker, Mr. Joe Stedman, Mr. and Mrs. Stan Perry, Mrs. Myrtle Snow, Mrs. Mildred Dukeshire, Mrs. Helen Paterson, Mr. Waters Comeau, Mr. Oakley Smith and Miss Gladys Sullis.

Sunday School Presents Program

The Sunday School Department of Smith's Cove Baptist Church held its annual Christmas party in mid-December with fifty present.

Mrs. Clara Weir, Supt., opened the Program with a word of greeting followed by the singing of "It Came Upon the Midnight Clear."

Mrs. Phyllis S. Winchester introduced the first selection which was presented by the Primary Class, taught by Mrs. Weir, and the Junior Classes, taught by Mrs. Madeline Milner and Ron Harrison. Their part in the Program was a Christmas acrostic "Merry Christmas."

All the pupils sang the lullaby "In a Manger."

Ron Harrison, at the piano, played the favorite yuletide song, "Do You Hear What I Hear?"

Mrs. Winchester's girls' class presented a thoughtful reading on the "Silver Chain of Christmas."

The Program closed with the singing of "Silent Night, Holy Night."

While Ron Harrison played an interlude, the eyes and ears of the children were watching and listening for the arrival of Santa Claus, who soon entered the Vestry and much to their delight was quick to pass out their gifts and bags of candy.

Choir Presents Program

The Church Choir of the Smith's Cove Baptist Church presented their annual Christmas Eve "Carols by Candlelight."

As the Choir entered the candlelight sanctuary singing "O Come, All Ye Faithful" the congregation joined in singing this old carol which was followed by the Choral call to worship, "God Gave the Word."

Rev. Wallace H. Jordan, pastor, greeted those present and led in the singing of several familiar carols followed by prayer.

As the lights were dimmed, Pastor Jordan opened the Program by reading from Luke the account of the Angel Gabriel's announcement to Mary of the forthcoming birth of her child, Jesus.

With Ron Harrison at the Piano, the Choir sang "The Story of Christmas" followed by the lovely "There's a Song in the Air" with Peter Freeman, organist.

Ron Harrison took over the narrative portions of the Program with musical selections interspersed by the Choir, Ladies Quartette - Alice Brinton, Elaine Blacklock, Linda Carly, Phyllis S. Winchester; soloists, Elaine Blacklock and Mrs. Winchester, Chorister.

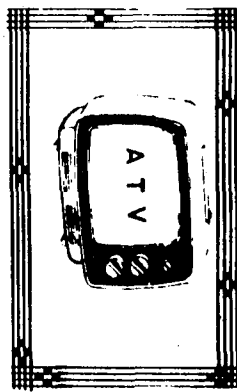

The Congregation joined in singing "Joy to the World" to bring this annual event to a close.

THE UNDERSEA WORLD OF JACQUES COUSTEAU AN INFAMOUS TRAFFIC IN PRECIOUS CORAL

Jacques Cousteau has been a long time admirer of the peoples who have courted danger to wrest a living from the sea. Since the beginning of a group of American tourists "Doing" Europe in 18 days populated because of their food source.

Now, Cousteau films the adventuresome lives of the pearl divers of Tahiti, who dive "THE CORAL DIVERS OF COASTICA" - Jacques Cousteau, entitled "The Coral Divers of Coastica" airing Sunday, January 26, 10-11 pm on the ATV Television System.

As the world's last great storehouse of wealth, fish, minerals, mollusks and living coral becomes depleted, Cousteau warns that man's

repeatedly, with no breathing apparatus, 140 feet or more. Off Coastica, he films the dramatic story of coral divers, who lured by the riches obtained from precious red coral, risk their lives and dive to incredible depths with antiquated equipment in the next episode of "The Undersea World Of Jacques Cousteau" entitled "The Coral Divers of Coastica" airing Sunday, January 26, 10-11 pm on the ATV Television System.

France is famous as the birthplace of Napoleon. Now, it is becoming known for its trafficking in precious coral. Unfortunately, indiscriminate harvesting is destroying the beds and Cousteau films this damage to thousands of years of priceless growth.

It is possible that the destructive processes can be reversed. If the coral can be saved, Cousteau projects massive underwater parks with submarine vehicles from which to view the living wonders of the water world.

FOUR EXCITING NEW SHOWS

Friday, January 24, 7:00 - 7:30 p.m., Karen Valentine stars in "Karen," a hilarious half hour of comedy about a single woman working for an organization lobbying for people rather than for the large industrial interests.

Brian Keith stars as "Archie," premiering Monday, January 27, 11:00 p.m. - 12:00 a.m. Lew Archer is a human private eye with a sardonic view of the world. Despite the tough talk and casual manner he never loses his empathy and understanding of the people who hire him.

The incomparable Cher stars in her first solo venture when she is showcased in a star studded special, "Cher," airing Tuesday, February 4, 9:30pm - 12:30 pm on ATV. Cher will be joined by a galaxy of noted showbusiness personalities.

"Carlie," an adventuresome hour of drama and crime fighting, Vince Travis and his partner, Mark Lang, are cops with a difference. They are an elite, highly mobile inter-island team of police specialists in the Caribbean area acting in co-operation with local officials.

The "ATV Mystery Movie" moves to Sunday night, airing 8:00 pm - 10:00 pm. These movies include such popular favourites as "Columbo," "MacMillan" and "Army Wives." "McCloud" and "Any Given Night Movie" airing 9:30 pm - 11:00 pm.

On Sunday, January 26, 11-12 a.m., ATV re-broadcasts the episode "Adolescence" in the award-winning "Human Journey" series.

A LOOK AT ADOLESCENCE

In this program, we take a look at adolescents from several viewpoints: as a group or sub culture in society; as individuals passing a particular stage in life; as a generation which must relate to other generations; and as people who share the same problems with other persons.

Qualified adults offering insights into the behaviour of adolescents are Dr. Ralph Dettl, a behavioural psychologist; E.A. McCann, a high school principal; and Fern Alexander, head of the youth bureau of the Metro Toronto Police Department and a former schoolteacher.

Evangeline Shoppers Mall— Digby, N.S.

Presents \$1000. Cheque

Hon. John Hawkins, Nova Scotia Minister of Agriculture and Marketing on Thursday evening presented a cheque for \$1000 to R. E. Mervin, president of the Digby County Exhibition Association.

The presentation was made at a meeting called for the purpose at the Fundy Restaurant, Digby, and attended by the executive of the Digby County Exhibition Association; Warden Wilfred Swift; Joe Casey MLA; Bruce Gilliat, Agricultural Representative, Digby, and

Peter Steward of the Department who accompanied Hon. Mr. Hawkins. Roy Warner, president of the Bear River Agricultural Society and past president of the Association was present.

The meeting was presided over by Mr. Gilliat, who introduced Mr. Casey and the Minister.

In making the presentation Mr. Hawkins remarked on the keen interest the people have in the Digby County Exhibition. The \$1000 cheque, he said, is to

assist with repairs to the livestock buildings on the Fair grounds in Bear River. He commended the Exhibition Association executive in their plans for a new water line, cement foundation and floors and the new doors for easier service into the buildings.

The minister also commented on the Class C exhibitions (as Digby County Exhibition) which are seemingly being revived. These shows, he said, add to the agricultural industry, they are a part of the com-

munity program which involves 4-H, livestock, fruit, vegetables, handicrafts, etc.

The Honorable Minister felt there was a great deal of potential in Digby County and Bear River for the expansion of the fruit and vegetable industry. He hoped these would reflect on the exhibition.

The Honorable Mr. Hawkins said that Digby County is experiencing an expansion in the agricultural industry and farmers are increasing the number of beef cattle. He also

mentioned the fur farmers of Digby County.

The next ten years belong to agriculture, the speaker remarked. He feels it is a good industry for a young man to get into. Food is needed, he said and new equipment is available. A new fertilizer and lime project was recently introduced at a cost of \$639,000 and Land Improvement, draining etc., costing \$342,000 and the Annapolis Valley Assistance program of fruit tree growing where a one dollar subsidy was

paid for every new tree. Capital grants had expanded to \$8000 and many young people under 35 years, were taking advantage of an interest free loan for purchasing a farm. Mr. Hawkins said there were 6000 more beef cattle raised in Nova Scotia in 1974 than the previous year.

Mr. Mervin extended thanks on behalf of the Digby County Exhibition Association for the \$1000 grant and in his talk he emphasized that he hoped people would realize that the

exhibition is not a Bear River exhibition but that it is a Digby County Exhibition.

Mr. Warner and Warden Swift extended best wishes for a successful exhibition in 1975 from the Agricultural Society and the Municipality respectively. Mr. Casey remarked that "we haven't written off agriculture here" and mentioned the changes which Hon. Jack Hawkins had introduced. He commended Bruce Gilliat for stirring up the young people in the area to undertake farming.

New Company Sets Tax Exemption

After much debate at the Council meeting of the Municipality of the District of Digby, the councillors, five in favor and three opposed, decided to grant a tax exemption for one year to a new business being established in the municipality. The business is one to manufacture windows, doors and other wood-working articles. Proprietors are Lawrence Banks, Smith's Cove and Andy Brooks, Bear River. The details of the plant are that it is to be 40 x 80 ft. and made of concrete blocks. The material

runs to \$22,554 and machinery \$9,875. With land and building the investment would run to \$57,429. It would employ six persons of which four would be under the Manpower learning basis.

This is the first time that the municipality has allowed exemption of this nature and some councillors felt it would set a precedent while others felt it would be a good precedent to set and create an incentive for people to establish in the area.

Agrees On Weed Inspector

A motion at the Digby Municipal Council meeting on Tuesday agreed to the hiring of a weed inspector when one can be found suitable to the Joint Expenditure Board which includes representatives from the Digby Municipality, Clare municipality and the Town of Digby.

The motion was made Tuesday following the appearance on Monday at the Council of Bruce Gilliat, agriculture representative for the area and John Thompson, District Weed Inspector. Mr. Thompson referred to the Provincial Weed Control Act and advised that the property owner was responsible to clean up the weeds if such were found

Complaints On Cattle At Large

A delegation from Little River, Digby County, with Ernest Frost as spokesman appeared before the Council of the Municipality of the District of Digby on Tuesday with complaints of sheep, horses, cattle and dogs running at large in the village. The animals were considered a pest to the community and particularly the cemetery. Mr. Frost said that a fence around the cemetery to keep the cattle out would cost in the vicinity of \$2000 and he asked if Council could make any suggestions to deal with the situation. There is no pound keeper at Little River but cattle are not supposed to be on other people's property, it was suggested to Mr. Frost. The animals referred to consisted of

The Tempos, a popular Gospel Singing Group, will be appearing in Digby Saturday night, February 1, 1975. They will present a musical concert in the Wesleyan Church on Victoria Street. The program will begin at 7:00 P.M. The Community is welcome.

Ronald Morehouse Resigns

Ronald Morehouse, Centreville, after having served on the Municipal Council for the District of Digby for 23 years, fifteen of which were as Warden, resigned on Monday at the regular meeting of the Council for the month of January. The resignation was regrettably accepted by Council and the secretary was authorized to write a letter of appreciation to Mr. Morehouse. Appreciation in glowing terms for Mr. Morehouse's contribution was

voiced by Council members on Monday and all expressed regret in losing such a valuable member from the Council. Mr. Morehouse gave health reasons (both his wife and himself) which determined his decision to resign.

Mr. Morehouse, besides having been a Municipal Councillor and Warden, was also involved in many phases of community development and community services. Presently Mr. Morehouse is a member of the Municipal School Board, a position he has carried for 18 or 19 years, part of which was chairman of the Board.

He is a member and vice-chairman of the Board of Directors of the Digby General Hospital and chairman of Tideview Terrace as well as other committees. He also served on the Digby Regional High School Board.

Mr. Morehouse has been active in Church as well as in the general community. For 20 years he has been Clerk of Digby Neck First United Baptist Churches and Moderator of Digby Neck First United Baptist Churches. He is a member of the Digby and Annapolis Gideon Camp and has been Commissioner of oaths since 1952.

In July 1967 Mr. Morehouse was recognized for his valued public service when he was presented with a medal by the Centennial Committee on Canada's one hundred anniversary.

How To Get Police

It has been recently brought to our attention that often when dialing the R.C.M.P. Digby, by phone that there is no answer. The question then arises "How do you get the police?" It is quite simple. If there is no answer at the R.C.M.P. headquarters here, you simply

Fatally Injured

A sad message has been received from Mr. and Mrs. Leon Barnes, Paget, Bermuda, that their grand-daughter, Heather Dias, 14, did not recover from injury in an accident which occurred on Sunday. Heather and her mother were riding when her horse slipped and she fell. The parents are Neville and Harriet Dias, also of Paget. They have a nine year old son, Andrew. Heather visited Mrs. Barnes' sisters, Miss Mary and Miss Mabel Marshall this past summer.

Married 54 Years

Charles A. Amero, son of the late Mr. and Mrs. Gus Amero, Plympton, N.S., enlisted in World War I and served overseas where he met Claire, a native of Bordeaux, France. It was there that they were married on January 22, 1921. On Wednesday Mr. and Mrs. Amero residing now in Plympton, N.S., celebrated their fifty-fourth anniversary quietly at home.

Mr. and Mrs. Amero lived the earlier part of their wedded life in the United States where both worked until they retired

some few years ago. They left U.S.A., on retirement and came to Plympton to live where Mr. Amero built their home where they continue to reside. Mr. and Mrs. Amero made several visits back to Bordeaux through the years. Friends called at their Plympton home on Wednesday to wish the couple more happy years together. Mr. Amero, now 84 years and Mrs. Amero, now 75 were the recipients of many cards and gifts. Mr. and Mrs. Amero have no children.

Move Again To Use Industrial Development Money

David Irvine, proprietor of Harbour View House and Cottages, Smith's Cove, appeared before the Council of the Municipality of the District of Digby on Monday wearing "three hats", according to his own terminology. His interests were in garbage collection costs personally, grant to the Annapolis Basin Tourist and Recreation Council and the Smith's Cove Fire Department.

In seeking a municipal grant for the Annapolis Basin Tourist and Recreation Council, Mr. Irvine referred again, as last year, to the fact that money given to the Digby-Annapolis Industrial Development Commission was laying idle and he requested the money be turned over by the municipality to the Council. The Commission had grants from at least two sources, the town of Digby and the municipality of Digby. Mr. Irvine said that the Commission had not been revived as was suggested in 1974 and he requested that the municipality approach the Commission.

Mr. Irvine gave a few highlights on the efforts of the D.A.T. and R Council such as distributing the publication "Basin"; their effort in securing a park at the Prescelski, property in Clements and their initial efforts in trying to get a tour boat to come into Digby. He also referred to boat launches and ramps which were placed at the old C.P.R. wharf for those citizens and tourists who enjoy boating. The park, it is understood will be opened in the summer of 1975.

Mr. Irvine stated that

"tourism is the only business in the area which is growing", and he felt the municipality should assist the Annapolis Basin Tourist and Recreation Commission in any way possible, especially money.

On motion of Ervin Marshall, seconded by L.E.R. Winchester, a meeting with the Annapolis-Digby Development Commission will be requested to find out whether or not the Commission intends to operate.

In his request for financial aid for the Smith's Cove Fire Department, Mr. Irvine was informed that it would be unfair to give to one department and not to another. Examples were given of Westport, Freeport and Tiverton who raised the money for fire service themselves and did not come to Council for help.

The third subject brought up by Mr. Irvine was the rate which he pays for having the garbage collected for two months of the year in comparison with those who have around the year service. Mr. Irvine was not disputing the regular charge but objected to having to pay additional charges. Councillor Arthur Rice felt that the charge did not seem exorbitant in consideration of every day collection through those two months of operation. Mr. Irvine was advised to take up the matter with the garbage collector for negotiation. It was moved by R.E.L. Winchester, seconded by Councillor Walter MacAlpine that Council take under consideration Mr. Irvine's request when a new contract is drawn up.

BEAUTIFY THE COUNTRY

Hon. Jack Hawkins, at a meeting in Digby on Thursday evening, remarked "the next ten years are for agriculture." He made the remark when he presented a \$1000, cheque to the Digby County Exhibition Association for making repairs to a building for the Exhibition, the show window for Digby County Agriculture.

Tidy and fresh looking farms themselves are show windows. They generally reflect the type of person who occupies the farm. Farmers are hard working people and definitely making a living is more important than making a show but a tidy looking farm is beautiful and a pleasure for tourists to see as well as residents here.

With this in mind a Nova Scotia Rural Beautification Committee has been formed for a number of years for the purpose of enhancing the beauty of the country. The project is sponsored by the Nova Scotia Federation of Agriculture and the N.S. Women's Institute. The government gives an annual grant of \$21,000 towards the project.

This is the tenth year of the Rural Beautification program and the Marigold is the chosen flower to mark the anniversary. Judges will consider the impression made from the highways. It is understood that several new categories for prizes and awards have been added to the list for 1975. All entries must be in by April 15 and judging will be done in August.

A real effort should be made to beautify our properties to enjoy for ourselves and to share with others as they visit our province. Every wish for a successful Rural Beautification program in 1975 is extended. Those who wish to enter the competition can get information from Mrs. Eleanor Elms, Conway, or write to the Nova Scotia Beautification Committee, Box 784, Truro.

While on the subject of farms or any property in relation to tourist attraction we might mention that Nova Scotia now has a Farm and Country Vacation Association.

The purpose of the association is to maintain a high standard of services offered to farm and country vacations, and to expand the operation because most of the hosts who have been in this business over the past years find that they are unable to accommodate the number of people who are now looking for this type of vacation.

During 1974 host families increased from 8 to 18 and there is a general feeling that N.S. could easily handle 50 in the province hosts to meet the present demand.

The appeal of a farm and country vacation is IT ALLOWS PEOPLE TO ENJOY RURAL NOVA SCOTIA, to associate with the people of the rural community, to take time to know a small part of the province and thus better understand and enjoy what Nova Scotia has to offer.

Farm vacations tend to offer a SLOWER PACE OF LIFE and appeal to visitors who enjoy clean air, plain home-cooked food, and an opportunity to communicate with nature. At the present time, a committee is working on a brochure and is encouraging all those who wish to enter the program to do so immediately.

With Spring just around the corner, this is the time for rural people and urban people to consider the possibilities of making Digby County a beautiful vacation spot.

SAVE HOCKEY PLAYER'S SIGHT BY FACE MASKS

In today's world, with everyone on the go, you can injure your sight in the twinkling of an eye or the span of a camera flash. Accidents take place in the most surprising places - your own kitchen, the basement workshop, the school playground.

In a special White Cane Week interview, Miss S. J. Hennighausen, Coordinator, Prevention of Blindness Services, The Canadian National Institute for the Blind emphasized, "Since sight is the gateway to 90 percent of our knowledge, our eyes are too important to risk life-long impairment."

Last year 287 Canadians suffered serious eye injuries on the hockey rink. The figure was reported by the Canadian Ophthalmological Society. Only 104 returned to full vision after treatment. On the road to recovery the group spent 968 days in hospital and 17 of the hockey buffs became legally blind in one eye. About half the accidents, 137, happened to young players under 20 years of age.

"The survey is only at its beginning," said Miss Hennighausen, "but it shows that the danger to hockey players' eyes is very real. A face mask would have prevented most of these accidents."

With White Cane Week, Feb. 2 to Feb. 8, under way, make good vision your decision and when you can, share your sight with your fellow blind Canadians.

Hodge Podge

How did it happen? Simple as can be. Mr. and Mrs. Shirley VanTassel are getting calls about their house burning. But the house didn't burn. Neither did Digby Courier say so. The story in the paper started on one column "An outdoor storage building at" and then continued on the next column "the home of Mr. and Mrs. Shirley VanTassel burned to the ground". Simple as can be. Readers should have started the story from the beginning.

There's proof in the eating of the pudding. Complaints come to so many newspapers that subscribers find it difficult to get their papers on time. We don't doubt their words. One of our own Digby Courier staff had a letter which was mailed in Central United States on December 30, air mail, no less, which arrived here on January 22. The distance, 1700 miles. Delays with Christmas mail can be forgiven but it did seem a bit odd to have a whole batch of cards arrive after Christmas, some of which were mailed in the State of Washington, New Hampshire, Connecticut, Massachusetts, etc. They all got held up somewhere. They weren't all mailed late. So much for the postal service. What would we do without it even with it's many faults. We've neglected training the pigeons.

Forgive us. No more can we as we have for years, refer to that airport at Hill Grove as the Digby Airport. That we consider reflects a town ownership. Might as well get used to that longer designation of Digby Municipal Airport. Or, should we project further to the Municipality of the District of Digby Airport. After all they did purchase it.

Letter To The Editor

OPEN LETTER ON FORUM SURVEY

Dear Mr. Hazelton:

Re: Structural Survey of the Digby Forum

Yesterday, October 7, 1974, I visually examined the wooden trusses supporting the Digby Forum, as requested, and would offer the following comments for your use and information.

For record purposes, I have been informed that these wooden trusses and their supporting columns were dismantled in Yarmouth from a former aircraft hanger, were transported to Digby and were re-assembled at the Digby Forum site to support the enclosure for the Digby Forum. In the re-assembly, at the Digby Forum site, centre members on the lower chord and end diagonal members, as well as a column were laminated for local stock to replace original members in the truss that now exists in the south end of the Forum. Re-assembly at the Digby site took place twenty-seven years ago. In summary, the wooden frame of the Digby Forum is a World War II structure that has been re-assembled and in service twenty-seven years.

My visual observations did not reveal, in my opinion, any serious deterioration of the main trusses. The truss in the south end, that was modified during re-assembly, however, suggests to me that the laminated members replacing the original members may not have been properly engineered. My sighting, along the lower chord of the unaltered trusses indicates uniform and non-excessive deflection, in my opinion. The material in the trusses appears to have aged well and I did not observe any serious indication of weakness due to rotting or decaying in the material. Apart from two leaks that I observed in the roof at the south end, the roof appears tight and the decking material appears to be sound. I did not observe any indication of foundation settlement or failure.

It was indicated to me at the site that the bolts had been tightened in three trusses on the north end and that this was a

part of a continuing program of general bolt tightening in the trusses. I examined a spacer block that had split and fallen out, there was little evidence of rusting of the iron work and I was informed that the bolts tightened easily. In other words, little or no condensation takes place in the upper area of the building as evidenced by the absence of rust scale on the iron work. It has been my past, first-hand experience during the war, with the assembly and erection of identical trusses, to note that all of the joints, at panel points of such trusses, are assembled with split ring connectors. The through-joint bolts serve to tighten the joint where as the split ring transfers the forces from one member to the other. An observed looseness in the bolt of a joint, therefore, does not necessarily indicate a serious weakness; however, bolts are intended to be tight and must be maintained tight to ensure the integrity of the joint and the truss as a whole. It is important, therefore, if you wish to maintain the integrity of these trusses that a regular examination or displacement at a joint be reported at once by those responsible for such maintenance.

In order that you may measure the performance of these trusses through the seasons, I would suggest that a wire line with a constant weight on one end be installed on the lower chord of every second truss, running the full span of the truss, beginning at the first truss on the south end. The constant weight on the end of the line should be sufficient to keep the line tight in the same manner a carpenter tightens a line. A piece of yardstick, a scale, or any graduated rule can be secured to the bottom of the wooden truss chord, vertically, in such a way that it will be relatively simple to watch the deflection of the trusses, particularly after heavy snow loads. Any unusual deflections can be quickly noted and the situation can be assessed with respect to structural danger. It is not to suggest that I observed any structural distress, in my opinion, in the trusses, that such a line system be installed. It is being suggested because the trusses are old and concern has been expressed about their structural integrity. In my opinion, should an unusual condition of loading occur, I would be very surprised, in my experience, if abrupt failure occurred. Normally, I would expect, in wintertime when loading is severe in an unheated building, such trusses are noisy and give a warning before anything serious happens.

The truss in the south end, that is loaded by the lean to as well as the main structure, bears close watching. It is presently deflected more than the other trusses because, in my opinion, of the relaxation that has occurred under loading in the lower chord, at centre span. However, it would appear to me that the relaxation noted in the joints of the laminated

St. Anne's college at Church Point which is the cultural centre of the Acadians of the Municipality of Clare, is encouraging artists of the area to hold exhibition of their arts at the college. Recently, Mrs. Nadine Belliveau and daughter of Mr. and Mrs. Adolphe Belliveau of St. Bernard, exhibited her paintings in oils in a week long exhibition at the college.

Thirty-one oil paintings were on display. The following paintings were successfully shown on special display stands lining all three walls of the large room on the main floor in the wooden building which brought praise from the many persons who visited the exhibition: 1. Fisherman cleaning his boat; 2. The mending of the trap; "Paul"; 4. Adolphe's boat; 5. Potato digger; 6. While cleaning clams; 7. To the mill; 8. Preparation of boats; 9. The yellow Boat; 10. Clam diggers; 11. The last detail; 12. Beach at Cape Ste. Marie; 13. Cabin at St. Bernard wharf; 14. Two cabins at St. Bernard wharf; 15. Fisherman at New Edinburgh; 16. The children; 17. Clare's thinker; 18. The picnic; 19. The fisherman; 20. Girl on the beach; 21. Evangeline and Gabriel; 22. Clam diggers; 23. Clam Eater; 24. Camille; 25. Fisherman, (drawing); 26. Old boat at Church Point; 27. Clare's wind; 28. The vase; 29. The man and woman; 30. Man and woman digging clams; 31. Two men.

on his property. The loss by weeds is more than any loss by insects and seed, he said. He distributed pamphlets which contained a number of noxious weeds in Nova Scotia and commented that in Canada there are about a thousand different weeds.

Weeds, the speaker said, deplete the land of moisture and light, they harbour diseases, poison livestock, take away the flavor to milk and effect tourism. Without weeds the land is enhanced in its beauty.

It was learned that the government pays fifty per cent of the cost of a weed inspector and the local inspector works with the provincial inspector.

Instructions for cleaning up a property comes under the Weed Control Act and if the property owner refuses to take responsibility, the neighbours property has to be protected. The tick and webworm came in for discussion but these occur in cycles, it was agreed.

The meeting on Monday presided over by the Warden, Wilfred Swift, was opened with prayer by Councillor Byard Marshall. Mr. Swift thanked the Council members for their co-operation in 1974 and specifically mention L.E.R.-Winchester and Mrs. Helen McNeil as doing a specially good job on their committees giving the Council knowledge of where they stand particularly in finances.

The subject of destruction by bears came up again at Council when the Clerk was authorized to write to the Department of Lands and Forest to give information on their ability and willingness for financial assistance to land owners in the event of damage by bears.

Regarding the paving of the Jordan road, it was noted that

replacement members, probably took place soon after the building was re-assembled. It is quite probable to me that this truss may not deflect any further. However, since the laminated member may not have had the benefit of proper engineering design, it would be my recommendation that this particular truss be observed at regular intervals after the line is installed and that an Engineer be consulted if it shows a progressive deflection at any point over a period of time.

Trusting that this fulfills your present requirements with respect to a structural survey of the Digby Forum, I remain,

Yours very truly,
D.B. Dorey, P. Eng.

herself. Her successful exhibition should be beneficial to her and she should be encouraged to continue her fine work.

It is expected that other artists of the area will have their own exhibitions at the college before too long. It is understood

that another young artist will be having a showing of her oil paintings soon. Others will follow from time to time, so keep your eyes and ears open to learn when the next arts exhibition will be held at St. Anne's college.

Mayflowers In January

It appears that on off-season Spring weather on Sunday January 12 brought forth more than bare feet pattering on the sandy beach. It also brought forth Mayflowers in bloom.

Arnold Cook, Conway, picked three Mayflowers on Sunday,

January 18, in the back field on his property. One was a beautiful pink and white cluster of a dozen completely opened flower units. The other two were not completely open but the pink and white was much in evidence and a drink of water in a nice warm room did the trick.

Diocesan Relief Fund Set Up

At the direction of Bishop Austin Burke, the Social Action Commission prepared a plan for the launching of a Diocesan Fund to be used in assisting the poor, the underprivileged or any one who may become the victim of a sudden or unexpected catastrophe, such as fire, flooding, etc.. Bishop Burke officially launched this Fund last December, in a letter addressed to all Parish communities, setting the Third Sunday of Advent as the date for the first collection. Posters were distributed around the Diocese, and press releases went out to a number of local papers and Radio stations. In spite of competition, while there were many other demands made before Christmas in every community, the sum of \$8,000 was realized and the Fund was officially launched.

A Board of five Trustees is to be named to administer the Fund, jointly with the Bishop. Already a number of calls for assistance have come. One is to assist a derelict to keep their children together, by adding a

small extension to their very small home. The other is to assist a family recently made homeless, by the loss of their home and belongings in a fire. There is also a demand for help from the Honduras, where thousands have lost everything in an earth-quake, and many are dying for lack of food and supplies. All of those needs will be examined and dealt with by the Board of Trustees of the Diocesan Fund.

It is evident that the need for help will be continued, and so the appeal for funds will go on throughout the year, and many parish groups will organize projects, gifts will be made, in order to keep the fund active. Any one wishing to contribute to the Fund may send their donation to the Yarmouth Diocesan Relief Fund, Bishop's Residence, Yarmouth, N.S. All contributions will be acknowledged and Receipts for Income Tax deductions will be available for those who request them. Christ said: "Whoever ye do to the least of these little ones, ye do unto me." Think about it!

Bantam "B" Flyers Bomb Cornwallis 12-0

On Tuesday evening the Bantam Flyers played a strong game against Cornwallis defeating them 12-0 on their home ice. Bruce Theriault lead the Flyers attack with three goals and linemate Brian Comeau scored two goals. D. LeBlanc, K. Locke, S. Raymond, R. Titus, D. Riley, A. Griffiths and B. VanTassel each scored one goal.

The shutout was shared by R. Cotteau and B. Gidney who each played half a game in nets. The Flyers next game will be Monday night in Bridgetown against Greenwood's Bantam "A" team.

The Bantam "B" Flyers are sponsored by the Royal Canadian Legion, Digby Branch.

Vic Thompson Chairman Heart Fund

Victor Thompson, retired Royal Bank Manager, will serve as chairman of the 1975 Heart Fund campaign in Digby. It was announced today by Mr. W. K. Johnston, Provincial Campaign Chairman for the Heart Fund in Nova Scotia. The campaign will be conducted here and in more than 135 other Nova Scotia communities throughout February.

Mr. Thompson said the business campaign starts in February 1st, and will continue for the entire month with the Heart Fund drive reaching its high point during the three day period starting February 17th, when heart fund volunteers in all residential areas will visit their neighbors to deliver educational information about heart diseases and to receive Heart Fund contributions.

Mr. Thompson pointed out that all monies raised by the Nova Scotia Heart Foundation are spent in Nova Scotia. The bulk of the money is used to

support heart research which this year involves four fellowships and ten projects at a total cost of more than \$250,000.00. The Foundation will spend a further \$65,000.00 this year on its professional and public education programs and community development. Campaign and administrative costs each are less than 5 percent total spending annually.

Mr. Thompson emphasized the importance of having funds available to continue the vitally important work of the Heart Foundation. Finding the cause of high blood pressure as one example alone, will lead to new methods of prevention and treatment and eventually a cure that will affect tens of thousands of Nova Scotians. Heart research has meant longer and better lives for thousands of Canadians already and further research is a certain hope for the many who are still suffering some form of cardiovascular disease.

Mr. Thompson strongly urged all businessmen and area

Bremner of Lighthouse Road.

McFETRIDGE-FEVENS

The marriage of Enid Thelma Fevens, daughter of Mr. and Mrs. Lawrence Fevens of Dartmouth, to Andrew Stewart McFetridge, son of Mr. and Mrs. John McFetridge of Kentville was solemnized in First Baptist Church, Dartmouth, with Dr. Richard C. Coffin officiating. Derek Gibbon was organist and Frank Guinta, soloist.

The bride, given in marriage by her father, wore a floor length gown of white polyester crepe, styled with high neckline, and full sleeves. She wore a waist-length veil of Chantilly lace, held by a band of white rosebuds, and she carried an arm bouquet of white roses, carnations and baby's breath.

Mrs. Gayle McDonald of Montreal, was matron of honour, and wore a floor-length gown of burgundy flowered crepe, and carried a nosegay of yellow and white mums and yellow roses.

Lindsay Steele, Stellarton, was best man, and ushers were Robert Fiendal, Bridgewater and Gary Corbett, Liverpool.

The bride's mother wore a grey wool gown with the yoke and sleeves of hot pink crimplene. She wore navy accessories. The mother of the groom chose a beige wool gown with a flowered bodice and brown accessories.

Following the ceremony a reception was held at the First Baptist Church Hall.

residents to support the Heart Fund drive and to give generously when a Heart Volunteer calls. Mail back envelopes will be left so that persons not at home when the canvasser calls may still have the opportunity to contribute. Anyone missed may make their donation at any bank or may mail their donation to Mr. Victor Thompson.

Mr. Johnston's announcement included names of Campaign Chairman for other county areas outside Digby, as follows: Weymouth - Mr. Fred Ross.

WONG-POTTIER

Marla Anne, eldest daughter of Jules Pottier, Digby, was married to David J., eldest son of Soon and Helen Wong, Digby, on 11 January 1975. The double ring marriage ceremony took place at 8:00 p.m. at the home of the groom's parents and was performed by Rev. Hall of Bear River.

The bride wore a gown of pastel pink crepe-over-lace with a corsage of red and white carnations. She was attended by her sister Kathy, who wore a gown of pastel yellow crepe-over-lace with a corsage of yellow and white carnations. The groom was attended by his brother Peter. The groom's mother wore a winter white

brocade gown and a corsage of pink and white carnations.

After the ceremony a buffet luncheon was served at the home of the groom's parents.

The young couple will be residing in Digby.

A hour warming party was given to Mr. and Mrs. J. Burbridge, Clementsport, on Monday evening. Some thirty neighbours and friends gathered at their new home to bring good wishes. A money tree and other gifts were presented to the happy couple. Refreshments were served at the close of the evening.

"Arranging a Registered Retirement Savings Plan is as easy as 1,2,3."

A lot of people look forward to their retirement. But they don't look forward to a reduction in income.

That's why the Royal Bank has available three separate Registered Retirement Savings Plans. If one doesn't suit your needs precisely, you can choose a mix of two, or all three.

Current tax legislation permits you to deposit up to 20% of earned income to a maximum of \$4,000 annually if you are self-employed or do not have a registered company pension. If you do have a registered company pension plan your combined contributions may be up to 20% of earned income to a maximum of \$2,500. Your contributions are deductible for tax purposes.

Give us a call today. We can assist you in making a meaningful choice.

1. Royal Bank Retirement Deposits

Your contributions will be placed in a special deposit account and you will receive an interest return geared to the general deposit rate structure. Because of the long-term nature of the deposits we expect the interest rates to be at the upper end of the scale. Each depositor is insured up to \$20,000 by Canada Deposit Insurance Corporation.

2. Equity Fund. Your contributions

are placed principally in Canadian common stocks. This portfolio is managed by professionals, backed by investment analysts and economic consultants, who also manage well over \$100 million for other people and corporations. The emphasis here is in long-term capital growth with reasonable rate of return.

3. Income Fund. Your contributions

are invested in high-yield bonds, deposit instruments and in mortgages insured under the National Housing Act. The portfolio is managed by the same professionals, whose policy here is to achieve as high a current income as is compatible with maintaining reasonable price stability as well as moderate capital appreciation.

3 Registered Retirement Savings Plans for you.

In Memoriams

MULLEN - In loving memory of our son, Brady Neil who passed away January 31, 1962. Thirteen long and lonely years have passed
Since last we saw you, son,
And golden memories are etched in each and everyone.
So many things to share with you
Had you been left to stay
So much to make life brighter
If you were here today
May God, in His great wisdom
Convey to you our love
And keep you ever with him,
Until we meet above.
Ever loved and remembered by
Mom, Dad five sisters, four brothers and uncle Nevins
Amoro 25:1tc

ISLES - In loving memory of our dear "Pop", S. Chester Isles, who passed away February 2, 1974. He walks with us down quiet paths
And speaks in wind or rain;
For the magic power of memory
Brings him back to us again.
If we had one lifetime wish
One dream that could come true,
We'd pray to God with all our hearts
For yesterday and you.
If teardrops were a stairway,
And memories were a lane,
We'd walk all the way to Heaven,
And bring you home again.
Ever remembered and sadly missed by
stepdaughter Frances, son-in-law, Bernie and grandchildren Leslie and Stuart "Ringo", Currie, Cape Breton
25:1ip

VAN TASSELL - In loving memory of my mother, Mrs. Margate Van Tassel who passed away Jan. 29, 1973. God looked around his garden He found an empty space
He looked down upon this earth
And saw your tired face
Your end was very sudden
It made us weep and cry
But the saddest part of all, dear Mother
We never said Good-bye
He put his arms around you
And lifted you to rest
God's garden must be beautiful
For he only takes the best

Sadly missed by children,
GERTRUDE, MYRTLE, BARBARA, CALVIN, VIOLA AND RONALD. 25:1ip

STEELE - In loving memory of our dear mother, Oressa Elizabeth Steele, who passed away February 4th, 1964. We do not forget her, we love her too dearly
For her memory to fade from our lives like a dream;
Our lips need not speak when our hearts mourn sincerely,
For grief often dwells where it seldom is seen.
Sadly missed by **WINNIFRED, MARGUERITE, FLORENCE, EVONNE AND STEDMAN, ALSO THE GRAND-CHILDREN.** 25:1ip

WINCHESTER - in loving memories of Rudy Winchester who died Febuary the fifth 1974. "In a grave yard softly sleeping where the flowers gently wave, Lies a dear husband one I love but could not save.
He will never be forgotten
Sweetest thoughts will always linger around the grave where he is laid."

Sadly missed by his wife Alice

These are made up of three military colleges and four staff colleges and schools.

Timmy's Bike Arrives

Timothy Thomas Tingley has his bicycle at last! Tim entered the General Foods BIKE-A-RAMA contest way back in the summer, (1974) when he and his family were living in the Waldec area. The family moved to Smith's Cove just before school opened and there he received the skill test which he quickly returned to the committee for judging. October 16 came and he received notice that he was a successful entrant and his award of a CCM Target 10 speed racer was on its way. How Timmy's face glowed as he told his friends and neighbors about this. Finally, Saturday, January 11th, Timmy's patient, though at times on "needle and pins," expectation was rewarded for the bicycle had

Support Of Minor Hockey Week Urged

Jack Kilburn, president of the Nova Scotia Minor Hockey Council, has issued the following statement regarding Minor Hockey Week in Canada:

"Minor Hockey Week '75 gives all parents a chance to enjoy the exciting atmosphere of minor hockey and an opportunity to watch their sons and, in some cases, their daughters participate in our national game. It takes a lot of hard work by the overburdened volunteers who day to day run your local minor hockey programs.

Your support during this special week is a way of showing your appreciation for their interest and patience.

"The growth of minor hockey during the past few years has surpassed all expectations of the few pioneers who visualized a well integrated provincial program. We have introduced the competitive atmosphere of hockey for our better athletes, while still retaining the mass participation and fun for our sons who just enjoy the game and the fellowship of being part of a team. The introduction of the coach and referee certification programs will provide all associations with much higher standards in these important areas of game.

"Minor hockey is good business for Nova Scotians generating approximately \$2.6 million in sales of equipment annually while the gross operating budgets of the local associations pour another \$1.5 million into the economy. These funds are raised and disbursed by volunteers, who if being paid for their respective duties would easily cost in excess of \$3

million annually.

"Minor hockey's growing pains are reflected in the number of cases involving jurisdictional boundaries. Some coaches rile the parents into letter writing and complaints regarding which team or which association a boy should play for. In most cases, the underlying cause is a parochial will to win, or to get the best regardless of how the rules are twisted. If we disregard our new standards, then we will set the minor program back 30 years. At that time, as many fathers will recall, only the best player ever played organized hockey and most teams were controlled by people trying to sell something or make a fast buck. The executives today have the best interest of the boys as their guide and are trying to provide as complete a program as possible. All parents can assist in these aims if they understand that their boy will participate at a level in which he is best suited and in the highest level that can be provided by the local area in which they live.

"If a parent feels that the program lacks something that is available elsewhere, then he should join the organization and try for changes through normal processes and channels. Most minor hockey associations in Nova Scotia require people to help in their program. This is the chance for you or your friends to get involved; new people mean new ideas, new ideas lead to better programs, better programs provide fun, challenge and leadership to the youth of our province."

Increased Rate No Direct Bearing

The Announcement by D.L.F. Kirkpatrick, president and general manager of the Nova Scotia Power Corporation that an increase in domestic rates charged by the Corporation is forthcoming will have no direct bearing on the rate paid by patrons of the Digby County Power Board, according to Stuart MacNaughton, superintendent, D.C.P.B. Mr. MacNaughton did say, however, that the DCPB rates would also have to increase rates to meet the rising costs.

In his announcement on Friday Dr. Kirkpatrick gave reasons for a price hike, the first made by the Corporation in sixteen years.

The Nova Scotia Power Corporation operations produced deficits in each of the past four fiscal periods and a similar result is being experienced this year. The Government of Nova Scotia has partially subsidized the Corporation's losses during recent fiscal periods and this has enabled us to avoid rate increases to domestic customers. Notwithstanding the benefit derived by the Corporation from the Canadian Oil Pricing Policy and the assistance rendered by the Government of Nova Scotia. The Corporation still found it necessary to apply increases to its commercial and

industrial customers during the first part of 1974.

The planned increases consist of the introduction of a fuel adjustment clause and the Adoption of a uniform domestic rate structure throughout the Province.

Effective with bills issued on and after April 1, 1975, a fuel adjustment will be added to our domestic rate structure. The initial charge will be .4314 cents per kilowatt hour. The same fuel adjustment which now applies to commercial and industrial accounts. This new charge will appear as a separate item on the Bill.

The second phase of the domestic rate adjustment program will be the Standardization of domestic rates throughout the Corporation's service territory effective with bills issued on and after July 1, 1975.

Over 85 per cent of the Electrical power output in Nova Scotia is produced in thermal plants by coal and oil. Imported oil, over which the Corporation has no price control, represents the bulk of our fuel requirements. Additionally, the Coal we use is contractually related in price to that of oil. Consequently any upward movement in oil prices reflects a similar adjustment in our coal

Colchester MLA Melinda MacLean, A. Russell McClung, Diane Grant, International Women's Year co-ordinator Kathryn Logan, formerly of Digby, and deputy provincial secretary A. J. Miss Grant played the principle character, Nellie McClung, in "What Glorious Times They Had", a play about women's suffrage. Resolutions passed at the Annual meeting of the Nova Scotia Wildlife Federation and dealing with the Preservation of

costs.

Compared to other countries we have been fortunate in that the Canadian well-head price of oil is being held below world levels which are now approximately five to six times those which existed three years ago. While this federal policy has served to some extent to restrain the cost of imported oil on which Nova Scotia is dependent, existing price levels have still risen substantially during this same time period.

The Uniform domestic rate structure to be introduced on all bills received on and after July 1, 1975, is based on the former Nova Scotia Power Commission three wire domestic rate and will be as follows:

BASE CHARGE: \$2.00 per month

ENERGY CHARGE: 3.0 cents per kilowatt hour for the first 100 kilowatt hours per month

2.0 cents per kilowatt hour for the next 100 kilowatt hours per month.

1.5 cents for all additional kilowatt hours per month.

AVERAGE CHARGE: In no case shall the average price exclusive of fuel adjustment be less than 1.65 cents per kilowatt hour in any billing period.

FUEL ADJUSTMENT CHARGE: 0.4314 cents per kilowatt hour.

MINIMUM MONTHLY BILL: \$5.00 per month

HEALTH SERVICES TAX: 50 cents per month

the Wildlife and Woodland Environment were presented to the Department of Lands and Forests by Dick Parker, President of the Federation.

The Meeting was held in the Office of the Minister, Hon. M.E. Delory, M.D.

"I am delighted that the Federation, once again, is offering the opinion and the concern of its membership to my department," said Dr. Delory, "since it is through co-operation such as this, and the expertise of the Federation Membership, that it is possible for departmental policies to be improved and kept in tune with the changing times through which we are passing. The Creation and the Administration of wildlife policies and environmental programs is a far

different problem than was the case even a few years ago."

A highlight of the Meeting was the Drawing of 14 winners of the Deer Jawbone Contest sponsored by the Department of Lands and Forests. The Winner of the Top prize of \$100 was Gerald Hopkins, of Barrington Passage, whose entry, from the 2,000 submitted was drawn by Dr. Delory. Second prize of \$50 went to Jean Morrison, Truro. Among the winners of \$25 awards were four from the Digby area:

Ernest R. Nesbitt, Centreville, Digby Co.
Coral Amiraault, Saulnierville Sta.

A letter from Rev. A.B. Spooner of Cocoa, Florida, announced the publishing of a booklet of poems written by his mother, the late Mrs. Myra Pearl Ellis. Mrs. Ellis' poetry frequently in the Digby Courier and other publishing mediums was greatly appreciated by her readers. Mrs. Ellis was well known in this area where she returned to Brier Island each summer.

The eight page booklet, with an Island picture on the cover, is called Words, A Christmas Sampler of Seasonal Poetry. The Price of the Booklet is \$1.50 and can be purchased from Mr. Spooner at 1605 Mantes Drive, Cocoa, Florida, 32922. The booklet contains a variety of topics and is divided into Winter Words, Miscellaneous Words, Words for Christmas and Words for the New Year.

Mr. Spooner (Boyce) and his brother, Randall, are intending to publish three more of the booklets, "The Spring Scene" for Easter, the "Amid Summer" and "Falling Leaves" for Thanksgiving Day.

The printing of the late Mrs. Ellis' beautiful poetry was suggested and made possible from donations made to her sons in her memory. The sons have a slight balance left in the fund to start printing the second

Cheques for these amounts will be mailed to winners.

The purpose of the contest, in which some 6,000 hunters entered, is to enable the Department's Wildlife Biologists to determine the age and sex of the deer killed, as well as the district in which each deer was taken.

volume but are anticipating further donations to complete the second volume and print a third and fourth volume. Mr. Spooner's letter said the only indication they will have for a second printing of this volume and to print other volumes is the response to his letter. The sons of Mrs. Ellis have approximately a thousand poems which their mother had written until her death in 1974.

The late Mrs. Ellis was Myra Pearl Thompson before her first marriage. She went to U.S.A. with her sea-captain father, Edward Randall Thompson where he settled down with his family in Boston. It was in Everett, Mass., that the Thompson daughter met and married Arthur Lewis Spooner.

The first son, Boyce, was born in 1914 and Randall was born in New York state in 1917. This was at the time of the flu epidemic of which the father was a victim and died. Mrs. Ellis brought up the boys to high school age when she married Edwin E. Ellis, a family friend also from Digby County. The sons grew up in Everett, Mass.

Randy Spooner became an ace electronics technician in the Coast Guard. Boyce Spooner was a power-plant engineer for General Electric and later for a power plant in Pusan, Korea. It was later that he entered the seminary and became an ordained missionary serving in the area where he had served as engineer.

Rev. Mr. Spooner's and his brother's letter closed with: We love you all, who loved our mother and her poems so well. We hope this little book will give you joy, small as it is.

NEW POLICY ON INSURANCE ATTENTION HOME OWNERS

The Nova Scotia Housing Commission wishes to announce a change in policy respecting the placement and maintenance of insurance coverage on units of housing constructed by cooperative groups under agreement with the Commission.

EFFECTIVE APRIL 1, 1975, the Nova Scotia Housing Commission will no longer be responsible for the placing or renewal of fire insurance on cooperative houses. Effective April 1, 1975, it will be the responsibility of the relative cooperative companies to place and maintain this coverage. information on his personality and popularity. But this may be the problem; there are so many things to be said about CLAUDE LEVEILLEE that it is difficult to know what to say and where to start.

To sum up his career, the following statement should be put forward: he has given over a thousand recitals in Canada and about two hundred in other countries. He has toured France, Belgium, the United States, Japan, Sweden and Russia, where he gave twenty-seven recitals. He has made more than twenty long-play records and besides being the author of his own songs and music, he has written the music and made the orchestral arrangements for a good number of songs by other

To speak about CLAUDE LEVEILLEE does not seem, at first sight, a difficult task. Author, composer and interpreter, he is today widely known throughout the world and his talent seems to have no limits. His career has led him in a wide variety of activities which provides considerable

OBITUARIES

Dr. Eugene Auld

Friends will regret to learn of the death of Dr. Eugene Auld of Malden Mass. Mrs. Auld, the former Agnes L. Anderson, was the daughter of the late Rev. and Mrs. J.B. Anderson. Dr. and Mrs. Auld visited in the area in former years, when the late Mrs. Anderson resided in Weymouth.

The colorful Acadian Costume adopted by Les Danseurs Acadien Square Dance Club several years ago has proven to be great attraction where ever the club has attended with these costumes. Flash bulbs pop as hundreds of amateur photographer swarm around the group for photos. When visiting outside groups with their costumes, the square dance group attract much attention, and in greater numbers when visiting the State of Maine groups at Bar Harbour in a return visit made after the International Square Dancer Jamboree held each summer in Yarmouth and the Municipality of Clare. The Acadian Festival Committee of Clare for costumes has been especially appointed to encourage the wearing of the Acadian Costume during the 1975 Acadian Festival of Clare. (Melanson Photo)

Square Dancers Use Acadian Costume

The colorful Acadian costume is well established to be a tourist attraction as proven by Les Danseurs Acadien square dancers club. The Club chose the costume when first organized several years ago. They first used the Acadian Costumes when invited to present a demonstration of square dancing and Acadian

Frances Margaret LeBlanc

The death of Frances Margaret LeBlanc occurred at Digby General Hospital on Sunday, January 26, after an illness of some months. She was born 59 years ago on January 21st, the daughter of Mrs. Gladys Doucet and the late Clifford Doucet of Weymouth.

Left to mourn their loss is her husband Albert, eight daughters, Sylvia (Mrs. Gene Boudreau) of Port Hawkesbury; Daisy (Mrs. Arnold Jordan) Marshalltown; Eva (Mrs. Roger Sullis) Cornwall P.E.I.; Laura (Mrs. Laurie LeBlanc) Moncton; Gladys (Mrs. John Meisener) Ottawa; Ann (Mrs. Jim Morrison) Dartmouth; Gwen (Mrs. Burt Nakti) Cowansville Quebec; Debbie, of Dartmouth. Another daughter, Freda, predeceased her. Also seven sons, Albert Jr., Weymouth; Vincent, Toronto; Nelson, Lavee, Quebec; Rene and Earl, Toronto; Roy and Timothy, Weymouth. Another son, Clifford died in infancy.

She also leaves her mother, Mrs. Gladys Doucet; six sisters Blanche (Mrs. Amedie LeBlanc) Weymouth Beatrice (Mrs. Sid Morine) Oshawa; Ruth (Mrs. Ed Melanson) Plympton; Mrs. Dot McCormack, Weymouth; Ethel (Mrs. Victor Handspiker) Weymouth Mills; Mary Esther (Mrs. Lawrence Boucher) Kentville; five brothers, Ralph, Clifford, Gifford, Leaman and Reginald, all of Weymouth. Funeral service was conducted from St. Joseph's Roman Catholic Church on Wednesday at 10 a.m.

reels, commonly known as french eights, at a doctors convention held at the Pines Hotel in Digby.

Arriving at the convention at the appointed time during a banquet, the Acadian Dancers were applauded loudly when they made an appearance. Also cameras were out and flash bulbs began to pop as interest in the colorful costume was made evident. The scores of amateur photographers snapped pictures after pictures.

Mrs. Goldie Owen

People of Weymouth Falls and surrounding vicinity deeply regret the passing of Mrs. Goldie Owen, who died at the Bronson Hospital on January 21, in Toronto. The remains rested at Sweeny's Funeral Home and the service was held at 2:30 on Monday, January 27th, from Mount Beulah Baptist Church, Weymouth Falls. She was the daughter of the late Howard and Lottie Beatrice Langford of Weymouth Falls.

Mrs. Owen is survived by her former husband, Mr. Wallace Pleasant, and two children, Mrs. Blanche Evans, and Mrs. Charlotte Borden of Toronto. A son James Wallace, predeceased her. Also surviving are three brothers, Raymond Langford of Digby, Wendall and Arthur of Weymouth Falls. Four sisters, Mrs. Millie Cromwell, Weymouth Mrs. Geraldine Paris of Toronto, Mrs. Estelle Sparks of Weymouth and Mrs. Bertha Langford of Montreal. Two brothers, Eric Langford and Richard Langford predeceased her. There are also 20 grandchildren, 15 great grandchildren and a host of relatives and friends.

On special occasions, Les Danseurs Acadien wear these special costumes, with their bright colors. At their annual International square dancers invasion from the State of Maine, in conjunction with the Yarmouth Twirlers square dance group, their colorful costumes are admired by the visitors from Maine. When the club returned the visit in Maine in the fall, their costumes brought acclaim to the group. Again flash bulbs popped and photos were taken.

One of the group of Les Danseurs Acadien square dance group asked an english speaking group what they thought of the idea of the group wearing the Acadian Costume, the leader of the english group stated: "Don't give up wearing the Acadian costume because you are the only square dance group who have a distinctive costume".

This year the Acadian Festival of Clare has appointed a special committee to encourage the wearing the Acadian costume and a concerted effort is being made to interest the population of the Municipality of Clare to wear the Acadian costume in July of 1975. The wearing of the costume would enhance the Festival and must be encouraged.

A set of Acadian Costumes were presented to Mr. and Mrs. Hillie Bailly, organizer of the International Square Dance jamboree held each year in Southwestern Nova Scotia. Mr. Bailly is from the State of Maine. The couple were very pleased to receive the costume and they have since worn the costume on a return visit to these parts of the province.

Clementsport Church Women Busy Quilting

The United Church Women, Clementsport, met on Tuesday afternoon at the home of Mrs. Fred Potter. This was a business session with Mrs. Bernice Potter, the newly elected President presiding. Eight members were present. The meeting opened with reading of Mark's Gospel Chapter four. Minutes were read by Mrs. Paul Sidney, Secretary, and the Treasurer, Mrs. George Townsend gave her report.

Thank you notes were read from members who had been sent Christmas cheer boxes.

A donation of five dollars was given to the "March of Dimes". A social hour followed sewing quilt squares, after which, refreshments were served by the hostess.

The regular monthly meeting of the Ladies Auxiliary Royal Canadian Legion, Clementsport, was held on Tuesday evening at the Legion Hall with Mrs. Mary Billard, President, in the chair and twenty-three members present.

The meeting opened in the usual manner after which minutes were read by secretary, Mrs. Violet Wilson and approved.

Mrs. Jean Fredericks was

then initiated and welcomed to the Auxiliary. The treasurer, Mrs. B. Haviland, gave her report.

Plans were under discussion to cater to a teacher's dinner to be held shortly and a Valentine tea and sale to be held early in February.

The high light of the evening was presentation of a cheque for two thousand dollars to the Royal Canadian Legion from the Ladies Auxiliary. Mrs. Mary Billard, President, and Mrs. Bertha Haviland, Treasurer, presented the cheque.

A social hour followed after which refreshments were served by the catering committee.

The regular monthly meeting of the Royal Canadian Legion was held on Tuesday evening in the Legion Hall with first vice president, J. Johnson, in the chair with good attendance. Zone Commander, Les Walley was also in attendance.

Reports of all committees were favorably received. Mr. J. Johnson received the cheque of two thousand dollars from the president. Mrs. Billard had graciously thanked the Ladies for their gift to go towards the building fund.

Rossway

Mrs. Alma Melanson has returned home from the Digby General Hospital where she has been a patient for the past several weeks.

Mr. and Mrs. Thurdson Theriault of East Ferry spent Thursday evening with Mrs. Theriault's grand parents, Mr. and Mrs. Waters Comeau.

Mrs. Roy Cook has returned home from the Digby General Hospital where she underwent surgery.

Seven tables of cards were played last Tuesday evening at the Community Hall. The door prize given by an "anonymous donor" was won by Wayne Raymond of Centreville. The Cake donated by Mrs. Trueman Wentzell was won by Mrs. Mary White of Waterford who had it cut and served with the refreshments.

There were nineteen who met at the Community Hall last Monday evening to form a Community Recreational Group. The Community has already received a grant of \$200 for recreational purposes. Mrs. Claude Westcott was elected President of the newly formed group with Mrs. Ruth Harnish as secretary and treasurer and a steering committee comprising Mrs. Vivian Raymond, Mrs. Janice Smetzer, Mr. Hugh Lewis, Mr. Claude Westcott, Mrs. Mary White and Mrs. Sherry Dukeshire. The group met the following day to draw up a budget for 1975 which was presented on Wednesday to the Recreation Commission of the Municipality of Digby. Another meeting is scheduled at a later date in the Community Hall to make further plans for recreation for all ages in the Community.

Freeport

We are sorry to say that Mr. and Mrs. Enos Comeau are both confined to their home suffering from injuries as a result of a motor accident during a trip to the Valley. Hope they will soon be "fit" again.

Mrs. Hattie Moore is a patient at the Digby Hospital. Get well wishes go out to her. Also, Mrs. Gene (Alida) Tibert is a patient in the Yarmouth Hospital. We wish her the same.

Miss Pansy Prime spent a few days in the Yarmouth Hospital recently where she underwent surgery on her nose. She is now home recovering from this.

Mr. and Mrs. Floyd Campbell and Mr. and Mrs. Cyril Campbell spent a day at Yarmouth recently.

Citizens Apartments, and Mrs. Flossie Wentzell, Rossway, each of whom celebrated their birthdays and Judge Victor Cardoza and Mrs. Cardoza. Mr. Cardoza reviewed the accomplishments of the Digby New Horizons since its inauguration.

Gifford Lewis Cancer Unit President

The Canadian Cancer Society was organized originally in 1938 through the efforts of a special committee appointed by the Canadian Medical Association. It was decided at that time, if a society could be formed of people from all levels of the public but under the supervision of the Medical Association the

following aims and objectives could be instigated:

- To support a Cancer Research Programme.
- To develop an Education Program to publicize the facts about Cancer.
- To provide services for persons with Cancer when these services are not available through any other agency.

The Nova Scotia Division was organized in 1946 when a number of members of the Nova Scotia Medical Society played an important part in sponsoring the Division. Members of other Professional Societies, as Nova Scotia Pharmacy Association, Registered Nurses Association, also have representation on Local, Provincial and National Levels of the Canadian Cancer Society.

The First President of the local Weymouth Unit was the late Mrs. Glidden Campbell and after her passing, her son Gordon Campbell carried on this work when a larger number of volunteers became interested in the work of the Cancer Society. The volunteers met every week to make dressings of various sizes and designs. These dressings were given out to local patients where needed and the surplus sent to headquarters in Halifax, to be used in any area of the Province.

In the mid-fifties, under the leadership of Albert Jones the local Unit was enlarged to include The Islands, the Digby Neck, the Town of Digby and surrounding area, Smith's Cove, Joggin Bridge, Bear River and the original Weymouth Area. In fact this includes all of Digby County - excluding Clare District which has its own Unit.

Gifford Lewis is the President of the Weymouth District Unit of the Canadian Cancer Society, having been re-elected for 1975. Mr. Lewis is also a member of the Provincial Board which meets several times during the year in Halifax.

New Booklet On Stress

Blue Cross of Atlantic Canada has available a new booklet from the Blue Print for Health Series published by the Blue Cross Association.

The publication, titled "Stress" was written basically for the layman. However, professionals will find it a source of new and interesting facts. The subject is discussed in all aspects. It tells what stress is, how it is caused, how to overcome it and even what to do when nothing else works.

The booklet is not limited to any age group. It described stress as it occurs in all ages - infancy, childhood, adolescence and old age. "Stress" also covers the environment, as stress in the home and at work may differ but the causes are interrelated.

"Stress" contains eleven articles which include: "Growing Up Mentally Fit", by Lee Salk, child psychologist, "Home: Safe Harbor or Storm Center?" written by Catherine S. Chilman, Ph.D., and "Down With Being Uptight!" by comedienne Joan Rivers who thinks of life itself as one big stress reaction to be laughed at - and then overcome.

Free copies of the booklet may be obtained by contacting the Public Relations Department of Blue Cross of Atlantic Canada, P.O. Box 220, Moncton, N.B. E1C 8L3.

Ice Safety

The time is coming when the February and March sun will be high in the sky and lakes and rivers and ponds will normally give up their surface of ice. This winter is an exception for we've had cold weather and warmer weather interchangeably all winter long. There is no guarantee how safe these lakes, rivers and ponds are from day to day. Also now that the Digby Forum is closed because of the evaporator explosion, children are likely to head for ice in the outdoors.

With this in mind we give you some Red Cross tips on winter ice safety:

The Red Cross Water Safety Service has some timely tips for winter ice safety. Talk them over with your family at supper tonight. It's a discussion that could save a life.

—Ice should be at least four inches thick for skating and eight inches thick for snowmobiling.

—Weather conditions with alternate freezing and thawing weakens ice structure. Air bubbles form in the ice and it becomes "rotten".

—Sun shining through ice onto sand is reflected back up,

weakening the underside.

—If someone breaks through, stay back from the hole. Lie down flat and use a pole, tree branch, hockey stick, rope, or windbreakers tied together to extend your reach to help him. Tell him to reach out his arms as far over the ice surface as he can and to kick hard with his feet to get his body horizontal. The momentum of the kicking will help inch his body out of the hole and onto the ice surface. You can pull him to safety. Be sure he stays flat on the ice to distribute his weight. Get him warm as quickly as possible. Report the accident to the police in order to prevent the same thing happening to other people.

—If you are alone when you break through follow the same procedure. Stay as flat as you can while you edge toward stronger ice and don't stand up until you are sure it can bear your weight.

—Be sure your children understand the hazards of frozen water surfaces in your neighborhood. Until you know the ice is strong enough, know where they are all the time. Ice is a tremendous attraction, especially to young children.

Rev. Mr. Butler

Announces Retirement

The annual meeting of St. Peter's Parish, Weymouth, was held in Killam Hall on January 20th. Rev. Isaac Butler opened with prayer, and the minutes and financial report were given by Mr. John Shaw.

Mr. Butler, in announcing his retirement this year, expressed a regret that he had not been able to achieve more youth work in the Parish, as much of his life in the ministry had been spent with young people, and the difficulty in getting to young people here, had caused him concern. He said that he conducted a service for young people one Sunday of every month, in Weymouth Falls which was well attended.

Mr. Butler expressed appreciation to all who remembered him at Christmas, and to Mrs. John Shaw and Miss Doris Goddett for their immaculate care of the altar. He also gave special mention to Miss Jennie Cromwell for her gift of altar linens to St. Matthew's Church, in memory of her father, Charles Cromwell. Thanks was also expressed to the Sunday School superintendent, Mrs. Rebecca Williams, to the teachers, and all other organizations and officers in the parish.

Reports were given from the A.C.W., St. Matthew's Guild and the Anglican-United Sunday School.

Inquiries had been made from other denominations to purchase lots in St. Peter's cemetery. After some discussion it was decided to hold this over to consider several aspects.

A letter was read from Archbishop Davis regarding the Rector's Stipend Scale, showing an increase of 11.6 per cent in salaries. A motion was passed to accept the direction for the Stipend increase.

A need for an assistant for the organist, Mrs. Beulah Jarvis was discussed, and a vote of thanks was extended to her for her services as organist. The matter of purchasing new hymn books was left to be considered at the vestry meeting.

Discussion also arose about the future of St. Thomas' church, which at present, is unused for services. Painting and repairs to St. Peter's church were also discussed.

The following officers were appointed for 1975: Parish Wardens — Stanley Hallett, Harry Walker. Vestry — Donald Filleul, Ruberta Potter, Owen Hankinson, Richard Godett, Keith Potter, John Jones, John Shaw, Nelson Cromwell, Arnold Jarvis, Ralph Jarvis. Delegates to Synod — Donald Filleul, Ralph Jarvis. Representatives for St. Anne's Camp — John Jones and another to be chosen by him. Treasurer — John Shaw. Secretary — Owen Hankinson.

A motion was made that a letter of appreciation be sent to Donald Filleul to express the appreciation of the Parish for his valuable work of auditing accounts and preparing statements.

A vote of thanks was given to Mr. and Mrs. Butler for their faithful work in the parish. The meeting was adjourned, and concluded with prayer lead by Rev. I. Butler.

Weymouth W.M.S. Meets

The January meeting of the Weymouth U.B.W.M.S. was held in the Ashmore Church Hall last Tuesday evening. The business was conducted by the President, Mrs. Ronald Kinney, and notice was given of the Annual Women's World Day of Prayer, which falls on the first Friday in March, and which will be held this year in Bethel United Baptist Church, Ashmore. Members were also advised by the secretary, Mrs. Merle Mullen of the White Cross needs this year. The new programme material for the year "Stepping Forward" was introduced by Mrs. Victor Doty, and studies on Zaire and Kenya were presented by Mrs. Dan Hankinson and Mrs. Merle Mullen.

Wedding

GARRON—MARSHALL

Ste. Therese Church, Arvida, Quebec, was the scene of a beautiful wedding when Jo-Anne Catherine Rose Marshall, eldest daughter of Mr. and Mrs. Peter L. Marshall, Arvida, was united in marriage to London Hanford Garron, youngest son of Mr. and Mrs. Winford M. Garron, Digby, Nova Scotia.

The double ring ceremony was performed by Rev. John Armour. The wedding music was beautifully rendered by Mr. Donald Cameron, who presided at the organ.

Large baskets of gladioli were placed at the altar, and the Guest pews were marked with lily of the valley and bows of white satin ribbon.

The bride, given in marriage by her father, was radiant in a floor-length gown of white satin, styled with empire-waist, long tapering sleeves, A-line skirt forming a long train, and featuring embroidered daisy appliques at the neck, sleeves, waist, and hem. A tiara headpiece with similar trim held the two-layered full length veil of tulle illusion. The bride carried a bouquet of yellow roses and Stephanotis with white ribbons.

The bride was attended by her three sisters. Marilyn Marshall, as maid-of-honor, was attired in a floor-length gown of blue silk crepe, styled with empire waist, white collar, and A-line skirt, and carried a bouquet of blue and white daisies with multicolor ribbons.

Christene Marshall, as bridesmaid, was attired in a floor-length gown of pink silk crepe, styled with empire-waist, white collar, and A-line skirt, and carried a bouquet of pink and white daisies with multicolor ribbons. Nanette Marshall, as junior bridesmaid, was attired in a floor-length gown of yellow flowered batiste, styled with empire-waist, white collar, and A-line skirt, and carried a bouquet of yellow, pink and blue daisies with multicolor ribbons. They all wore wide brimmed picture hats to match their gowns.

The flower girl, Heather Garron, niece of the groom, looked adorable in a floor-length gown of pale yellow honeycomb dimity with white eyelet embroidery, styled with empire-waist, high neck and long puffed sleeves trimmed with white and yellow daisies.

Attending the groom were his two brothers, Winford Garron and Willard Garron. The Ushers were Allan Marshall, brother of the bride, Donald Hudgin, cousin of the bride, and Martin Field, nephew of the groom.

For her daughter's wedding, the mother of the bride chose a floor-length gown of beige and pink flowered batiste, with white accessories. She wore an orchid corsage.

The mother of the groom chose a floor-length gown of pink polyester crepe, with white accessories, and she wore an orchid corsage.

Following the ceremony, the reception was held at Le Manoir du Saguenay, where a

Growing opportunities and needs for outreach have brought about the reorganization of the Annapolis and Digby United Baptist Association. A Council consisting of three commissions met in Annapolis Royal on January 18th to launch a new epoch in Baptist church work.

With the assistance of the Pastor-At-Large for Western Nova Scotia, Rev. Eugene M. Thompson, commissions on Training, Witness and Mission determined methods of expansion and improved ministry.

The Training Commission, under the chairmanship of Mr. Rocky Hebb, laid plans for an association-wide Sunday School Teachers Conference. An emphasis upon evangelism is

being encouraged by the Witness Commission under the chairmanship of Rev. Ronald Baxter and the Mission Commission, under the leadership of Rev. G. P. Allen, is making arrangements for the visit of missionary Lucy Cooper to association churches.

Council members were pleased to hear reports of progress being made in youth work and plans being made for future youth events.

Association-wide events planned for the future include a Pastors and Deacons Conference to be held February 22nd in the Smith's Cove United Baptist Church and a Women's retreat to be held the last weekend in May. The moderator for the Association is Rev. David Watt of Middleton.

**Booklets On
Buying And Building**

If you are a Nova Scotian seriously considering buying a lot, building a home or, even subdividing your land, you'll be interested in one or all three booklets recently published and jointly released by the Departments of Municipal Affairs, Highways, the Environment and Public Health.

The three booklets, titled "Before You Buy A Lot," "before you build" and "before you subdivide," are now available free of charge throughout the Province at Municipal and Provincial Offices. The Booklets can also be obtained free by writing to the Nova Scotia Bookstore, 1683 Barrington Street, Halifax, N.S. In speaking of the three booklets today, J. Fraser Mooney, the Minister of Municipal Affairs stated that they were developed with the express purpose of protecting the Public and guiding Nova Scotians who are considering buying a lot, building a home or subdividing land. The agencies and the Legislation governing such transactions. For in-

stance, not every lot is suitable for water or sewage, and therefore, it should be investigated.

"Buying a lot or building on a lot you already own," said Mr. Mooney, "is a major step for most of us. It is our hope that these booklets will assist people to seek out information from the best possible sources."

He went on to say that the Subdivision of raw land without prior planning could result in major difficulties for the subdivider.

"Detailed planning," he said, "should precede the actual subdivision of land and we feel this newly published material will be of considerable assistance to the potential subdivider."

Mr. Mooney stated that while the Booklets were published by the Department of Municipal Affairs through its community planning division, they were developed with the full support and co-operation of the Departments of the Environment, Highways, and Public Health.

Honor Mother-To-Be

A baby shower was held at the home of Mr. Dwight Morgan on

Saturday evening in honor of Mrs. Fred Bigelow. There were fourteen guests present and telephone calls were received from those friends who were unable to attend because of bad weather and roads.

Mrs. Bigelow was the recipient of many varied gifts, which she graciously acknowledged.

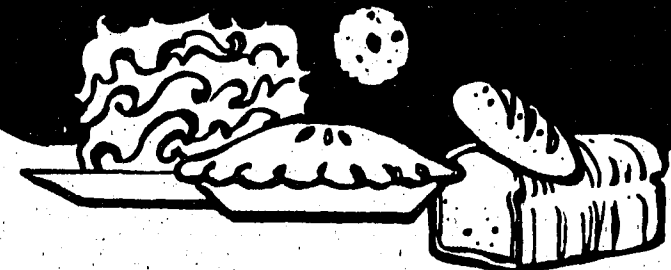

Games and a social hour was enjoyed after which Mrs. Marilyn Robinson and Miss Ettinger served delicious refreshments.

The annual meeting of Trinity Anglican Guild, Digby, N.S., was held at the Rectory on the afternoon of January 9th, 1975. Rev. Isaac Butler presided and opened the meeting with prayer.

The annual report for 1974, was given, showing that several projects were carried on successfully. New pew cushions were purchased through donations from church and former church members and funds earned with coffee parties, teas and sales, rummage sales and a summer auction. These activities also made it possible for two substantial donations to assist with church expenses and a donation to St. Ann's Camp.

In February a silver "Lavabot" had been given to the church through the Altar Guild and donations from friends in memory of a late member. Winnifred Dakin.

During July and August the Guild had served coffee after the morning church services on Sunday, decorated the church for Thanksgiving, and in December, had prepared and delivered previous to Christmas, twenty-two boxes to "Shut-ins".

Three members had participated in the World Day of Prayer and five had attended a special meeting held at Bridgetown in October, when the guest speaker had been Bishop-Mundia.

New officers elected for 1975 were: President—Mrs. I. Butler; Vice-President—Mrs. Wm. Troupe; Secretary—N. A. Grimmer; Treasurer—Mrs. Celeste Hall; Asst. to Mrs. Hall—Miss Marjory Tupper.

In reviewing 1974, it had been a rewarding year with meetings well attended and all financial commitments taken care of.

the holidays were Gerald Burrell, Mrs. Ronald Shano and son of Halifax, Mr. and Mrs. P. DeLong and daughter of Sackville, N.B.

Mr. and Mrs. Eric Hill after having spent Christmas with relatives in New Brunswick will travel south for the winter months.

Mrs. Eric Adams spent Christmas holidays with her daughter, Mrs. Gary Turnbull, Mr. Turnbull and family in Montreal.

Mr. and Mrs. Roger Wagner of Bridgewater spent Christmas day with his parents, Mr. and Mrs. Leslie Wagner. All left on Thursday for Fredericton, N.B., where they visited other members of the family. Mr. and Mrs. Wayne Wagner and Mr. and Mrs. Gerald Porter.

Mr. and Mrs. Luke Vroom spent Christmas with their

daughters, Mrs. Ernest Wheelock, Mr. Wheelock and family and Mrs. Basil Kurivial and Mr. Kurivial in Stewiacke, N.S.

Mr. and Mrs. Malcolm McWhinnie and family spent New Years in Dartmouth with the latter's parents, Mr. and Mrs. Harold Halden.

Visitors at the home of Mr. and Mrs. Chester Potter for Christmas were Mr. and Mrs. David Potter of Sackville, N.S., Mr. and Mrs. Brian Bohaker and son of Amherst and Mr. and Mrs. Bill Jackson and family of Doucetville.

Mr. and Mrs. Chester Potter and Judy visited with their son David and Mrs. Potter in Sackville, N.S., on Sunday.

Digby Municipality Assessment \$28,218,351

Philip Dondale, chief assessor for the Digby and Annapolis municipalities presented the assessment figures for the Municipality of the District of Digby at a meeting of the Council on Tuesday. Total assessment for 1975 is \$28,218,351. This represents \$1,043,300 over the 1974 total assessment of \$27,175,051. The number of accounts in 1975 were 7470 and in 1974 were

7158, an increase of 312. The real property assessment in 1975 was 22,507, 575 an increase of 1,509,960 over 1974. Personal property was assessed at 4,681,380 which represented \$651,300 over 1974. The occupancy assessment of \$2,620,167 in 1975 was \$185, 632 more than in 1974. It was noted also that exemptions were greater in 1975 with these amounting to \$1,590,765 as

against \$287,175 in 1974.

Sheep valuers appointed were Glenden Titus, Westport; Chipman Chisholm, Bear River; Guy Outhouse, Centreville; Melvin Tibert, Freeport and Eli Marshall, Barton.

The solicitor was requested to inform Clarence Denton, Little River to restrain his cattle from running at large within ten days. Failure to do so would have the

constable, Ivan Bain to impound the animals.

Mr. Bain is to be paid three dollars for any dog that he finds necessary to destroy. Also it was mentioned that the policy is that if dog taxes are not paid a registered letter will be forward to the owner and should there be no response the matter will go to court.

Mrs. Mary Darres, Bear River, secretary of the

Digby County Exhibition Association appeared before Council on behalf of the association requesting the usual grant of \$500 or more if possible.

Mrs. Darres enumerated the repairs which are necessary to the exhibition buildings and the problems encountered with the water system.

Joe Casey was questioned on the reason for dismantling a

house to build a liquor store in Weymouth and also asked advice on the structure of the Assessment Appeal Court. Paving occupied the remainder of Mr. Casey's visit to Council.

Stephen LeBlanc appeared before Council on behalf of the Hope Fellowship for the Mentally Retarded requesting a grant and/or tax relief. Letters will go out to Mr. Casey and the

Department of Education for advice on special grants.

Warden Swift declared the Sandy Cove municipal seat vacant. It had been filled by Ronald Morehouse who had to resign because of ill health with both himself and Mrs. Morehouse. A nomination day will be set and if necessary an election will follow in two weeks.

Digby Needs More Water Wells

Robert Morgan, chairman of the Digby Water Commission, in an interview with news media on Monday, made it quite clear the Digby was in need of another well, and - or another reservoir. On the Water Commission with Mr. Morgan are Deputy Chairman, Thomas Cleveland; LeRoy Brooks; Mayor Patrick Comeau and Councillor Guy VanTassel.

Giving a run-down on the 1974 operation, Mr. Morgan said that 23 new water services were installed in the town while several were replaced or repaired.

The New Chlorination Plant installed in the summer and turned on in October. The Commission had been advised by the Department of Public Health that pellet chlorine should be used instead of powder chlorine. This did not prove satisfactory - the chairman said, and the result was that the town water had to be boiled in August, September and October. Boiling regulations were lifted when the new chlorine plant was placed in operation and a decrease in bacteria count had been noted. Work was done to the chlorine plant to ensure that the well

water is also chlorinated before it comes into Town, Mr. Morgan advised.

New water mains were constructed on West St and 1st Avenue in 1974 at an estimated cost of \$10,000 - \$11,000 as well as improvements to water mains elsewhere in town.

At the lake, a new well house was constructed and completed as well as major work being done to the canal. New screens were constructed and the end of the canal was cut out to enable clearer lake water to enter the system.

While the repairs were being made to the lake the Town depended on the lower dam for its water supply, and in November the Town supply was changed back to the lake.

During the year 1974, a thousand feet of 6" plastic water line was laid on West Street and 1st Avenue.

With the opening of Canpol Fisheries in November and December some difficulties were experienced in the water supply.

With the large amounts of water being required to supply the fish plants along with more

Airport Makes Lively Discussion Topic

One of the liveliest topics for discussion at the Council of the Municipality of the District of Digby last week was the Municipal Airport. Councillor Helen MacNeil felt that she was not well versed in happenings re the airport and is at a loss to answer intelligently the questions posed to her by taxpayers.

Councillor L.E.R. Winchester presented facts on the airport and made requests in favor of the airport. His presentation resulted in rescinding aircraft tax, purchasing of a strip of land from John Roope in three years time at approximately \$1,600 issuing of a cheque of \$650 to the Flying Club to facilitate further developments.

It was noted that the Digby Flying Club had put approximately \$40,000 on the Municipal Airport in purchases machines and labor donated. All this has been done and even if the Municipality chooses to sell in future years, they have the benefit of the entire project. Without the Flying Club the Airport would not have progressed as it has. The Club was instrumental in getting the L.I.P. grant of \$10,865 and four persons had employment.

There were 164 donors to the Airport, forty-eight of whom were from the Town of Digby. There are 37 members in the Flying Club, nearly twice as many as had been anticipated.

Another matter which came before the Council was the abolishing of the Digby Livestock Health Services Board and the establishing of a new Board for the Digby area. This resulted from the establishing of a Veterinary Clinic in Yarmouth. Appointed from the Municipality of Digby to the new Board were Councillor Helen McNeil, Marshalltown and Councillor Walter McAlpine, Weymouth North. It is understood that the member at large from the Municipality is LeRoy Warner, Bloomfield

Susan Ross Club President

We would like to introduce ourselves to you. We're the newly formed 4-H Club from Brighton and Marshalltown.

The first meeting was held before Christmas at the Marshalltown church hall. Mr. Brad Hood, 4-H Assistant from Lawrenceburg was present and showed coloured slides explaining the nature of the 4-H.

The second meeting was held at the home of Nora and Wayne Comeau. At this meeting it was voted unanimously to name the club "The 4-H Dudes." The name was thought of by Susan Ross and Penny Ryan. The officers were also chosen at this time. It was suggested that Mr. Hood be asked to attend the next meeting to be held on January 22.

gave guidance as to the proper procedures to be used by all 4-H clubs.

It was also agreed upon that only one formal meeting be held a month and that each week an informal gathering of varying project groups meet to work on projects. The first such gathering is to be the Handcraft one to meet on Wednesday 29 at 5:30 at the Comeau home.

It was also voted at this meeting that a bottle drive be held on Saturday, February 1st to raise funds for the club. It will begin at the cross road in Barton, others will start in Digby. The Dudes will try to do as many houses as they can and asks citizens to remember the bottles would be of help to them and would be appreciated.

Wayne Comeau volunteered his truck and time but other volunteers are needed and would be much appreciated by all members.

They thanked Mr. Brad Hood for his help.

Anglican Guild Meets

The Ladies Guild of St. John's Anglican Church, Bear River, met at the home of Mrs. A. Darres, on Jan. 15th. There were 8 members present. Rev. L. Ripley, minister of the Parish of Clements, was a special guest and opened the meeting with a prayer.

The financial statement was read by the secretary, in the absence of the treasurer. The service sheets for The World Day of Prayer were distributed and commented on. The Anglican Church is hosting the service in Bear River on March 7th.

The yearly Forfeit envelopes again proved successful, netting the Guild \$54.38.

It was decided that the Guild

Raises \$8,237.15 For Rink Fund

The Digby rink fund committee was extremely pleased with the public's response to their appeal for funds through the Telethon Pledge

programme held over C.K.D.V. on Sunday afternoon. From 7:30 p.m. on, the phones were "manned" by members of the committee and CKDY staff members taking pledges and requests for music. The station became a busy place with interested persons dropping in to chat or leave food for the busy workers.

At the end of the day Leigh Everett and Bill Eldridge were able to announce a grand total of \$8237.15 pledged towards the purchase of a new refrigeration plant for the rink.

With the deadline for ordering the new plant set for the end of February it has been requested that all pledges be honoured as soon as possible at the nearest branch of the Bank of Nova Scotia. An official receipt will be sent to all donors requesting it. The pledge is tax deductible.

\$8,000 RAISED

The rink fund-raising committee on Tuesday evening decided that in no way would they allow Miss Marjorie McCormack keep her offer of a ducking in the Basin if \$1000 could be raised in a certain time. They ask that all the people honor their pledges in any case.

An evening of bowling is planned by the committee for February 20.

90 Years Old

Miss Blanche Hicks of Smith's Cove was honored by friends and neighbors last week on the occasion of her 90th birthday, Jan. 31st.

The Do-Your-Bit Club, Smith's Cove, met at her home on Wednesday afternoon, Jan. 29. A social hour was enjoyed by the ten members present which was climaxed with the presentation of a birthday cake, made by Mrs. Stella McGuire, and topped with ice cream. Serving were Mrs. Dorothy Morton, of Yarmouth, Miss Elizabeth Winchester and Miss Marie Morehouse of Smith's Cove.

On Friday, Jan. 31 a dozen friends arrived in the afternoon and saw the array of cards received by Miss Hicks. Among those received were greetings from Prime Minister Trudeau, Premier Regan, Coline Campbell MP and Joe Casey M.L.A.

Tea was poured by Mrs. Dorothy Morton. Serving the refreshments, highlighted by a cake given by the Ladies

60th Wedding Anniversary

Mr. and Mrs. Percy E. Thurber, Freeport, celebrated their 60th wedding anniversary recently when they were "At Home" to many friends and relatives. Mr. and Mrs. Thurber were married in Freeport, January 20th, 1915 by the late Rev. Frank Eaton. Their attendants were Mrs. Christina Cheney of Arizona and the late Lindsay Thurber.

Nine of their eleven children were home to help celebrate the occasion. They have forty-three grandchildren and also thirty-six great-grandchildren, many of whom visited on that day.

Five of their six daughters received, poured and served while a grand-daughter, Mrs. Duncan Mallinson, of Yarmouth was in charge of the guest book.

The couple were presented with a money tree. They received congratulations from Premier Gerald Regan and Mr. Joe Casey, M.L.A. along with many phone calls from friends and relatives who were unable

to attend due to the inclement weather.

One son, Lou, and Mrs. Thurber, Barrington Passage, visited on the previous day and a daughter, Edna, of London, Ontario, was unable to attend due to illness. The other nine children, who attended were Raymond, Clifton, and Carson of Freeport, Earle of Kaministiquia, Ontario; Pearl (Mrs. Burpee Campbell) Gertrude (Mrs. Douglas Thurber), Beulah (Mrs. Lester Thimot) all of Freeport; Louise (Mrs. John McInnis) Thunder Bay, Ont., and Vesta (Mrs. Richard Warner) of Digby.

The house was gaily decorated for the occasion with cut flowers, table arrangements, streamers and wedding bells and a two tiered cake.

Both Mr. and Mrs. Thurber enjoy fairly good health and are able to get out and around although Mr. Thurber is eighty-three and Mrs. Thurber is seventy-seven.

Editorial

NOXIOUS WEEDS

Appointing weed inspections for the towns and municipalities seemed to be a far-fetched need when it was first proposed. Minds are sometimes changed, however, when the facts are all laid on the table. In the pamphlet issued by the Nova Scotia Department of Agriculture and Market called Noxious Weeds in Nova Scotia are listed twenty-four different noxious weeds which are under regulations to the Nova Scotia Weed Control Act. Besides, John Thompson, Regional Weed Inspector, who visited Digby Town Council and the Council of the Municipality of the District of Digby not only reviewed the Act but enlarged on the reasons for control. Some of these reasons, of course, are evident in the Act even to marring the beauty of our landscape and prohibiting our more pleasing vegetation from being successful or at its best.

Whether we want to or not, a weed inspector is practically mandatory and the following facts from the Act gives a few reasons to change our minds on the subject. Mr. Thompson informed his listeners that one of the largest single costs in crop production comes from weeds, over 500 million dollars for Canada, some \$2,000 per commercial farm.

Weeds compete with fertility, moisture and light causing reduction in yields of fifty per cent or more. Mr. Thompson said that fifty per cent of grain grown for seed in Nova Scotia is rejected because of weed seeds. Machines and chemicals necessary are expensive. Weeds harbour insects and diseases. Some weeds poison livestock or persons, they flavor the milk, cause burs in wool, they are fire hazards, lower land values and effect tourism because of hay fever.

The Act puts the responsibility for the control of weeds on the property owner and tends to protect the neighbors' properties.

With these reasons a weed inspector isn't as far-fetched as we thought. He could be a necessity.

Hodge Podge

Surely, Mrs. Cecil Cosman's letter must have taken the long way around. It had been mailed in Ithaca, N.Y., on December 9, 1974 and arrived in Digby January 28, 1975. The letter was from a lady, M. Graeber, whom the Cosman's met on their trip to Alaska. And Joe Steadman called us to tell us that it took fully three days for a pair of galses to come from Halifax to Digby by mail.

At a conference on Human Rights at the Amherst Regional High School Hon. Allan E. Sullivan called on the students to help reverse the traditional pattern of prejudice. He continued "Prejudice comes to children from their parents". How very true. The speaker asked the students to make a conscious effort not to pass on their parent's prejudice to children of their own.

It sounds much worse to hear it than to see it. David Irvine remarked in his presentation to the Council of the Municipality of the District of Digby this "tourism is the only business in the area which is growing". It wasn't done deliberately when the word "growing" turned out to be "growing" in print. Our necks were saved when it was seen that the word wasn't misspelled "groaning". As to the validity of the statement, we pass no comment except to congratulate the tourism business in the area for its growing. Who knows, it could have been the groaning that fed the growing.

"It Happened Back Then..."

Nova Scotia Motor Vehicle Regulations of 1907

by T. D. Perry (Taken from January 21, 1965 Digby Courier)

Planning an automobile trip from Yarmouth to Halifax (204 miles) did considerable planning.

In Yarmouth County the law did not permit automobiles on the highways on Saturday on account of the hazard to the normal traffic, horses and oxen were inclined to take to the fields upon encountering a motor vehicle.

It was, of course, against religious principles to operate a car on Sundays; the trip, however, could legally start out on a Monday.

The next county, Digby, was more space-minded, there were no restrictions. The drive might continue through Annapolis County as Saturday and Sunday only were prohibited days.

King's County presented a real problem, they wanted to outlaw the "pernicious machines" altogether so it was best to scoot through there in the dead of night.

In the adjoining county, Hants, it was legal to operate cars on Monday, Wednesday and Friday only; it was practically impossible to drive through Hants without a stopover for a day.

It therefore took at least a week for the 240 mile trip—it became a real adventure to get anywhere other than jail.

Congress Curling Bonspiel

The girls' winning Curling team from Middleton is being presented, above, with a trophy after a full day of playing at the Digby rink on Saturday. Competing were the high school curlers from Bridgetown, Annapolis Royal and Digby. The presentation was made by MacLeod Rogers, Q.C., president of the Digby Curling Club.

Auxiliary's New President

The regular monthly meeting of the Ladies Auxiliary of the Royal Canadian Legion, Bear River, was held in the New Horizons Hall on Jan. 23rd. There were 20 members and 2 guests present. The meeting was opened by the President Mrs. Lila Harris.

Two letters of Transfer were read and Mary Slo and Glendend Parker were welcomed into the Auxiliary.

A request for a donation for the March of Dimes was read, and members voted to send the usual donation.

Annual reports from the secretary, treasurer and Chairwomen of the various committees were presented. In her report, the secretary mentioned the increase in membership and attendance; the many money-raising events undertaken had been most successful and that all things pointed to continued success in 1975. The treasurer reported that income had been \$1639.12. Disbursements \$1454.61, leaving a balance on hand of \$184.51.

The retiring President, thanked all members for their support during her term of office and wished the incoming Executive the very best.

Irene Harris acted as Sergeant-at-Arms during the following installation ceremonies. The new slate of Officers for 1975 is as follows: President Evelyn Steadman 1st Vice Pres. Annie Banks 2nd Vice Pres. Dora Riley Secretary Shirley Williams Treasurer Annie Hand-spiker Sergeant-at-Arms Pauline Lent

Executive members: - Phyllis Gates, Myrtle Isles, Irene Harris

Town Assessment \$15,920,710

According to figures revealed by Glen Pitman, town clerk, at the Town Council meeting on Monday evening, the 1975 assessment in Digby totals \$15,920,710. This represents an increase over 1974 of \$760,100.

Real property assessment for 1975 is \$12,376,509 while the 1974 was \$11,098,825. Personal property for 1975 is \$3,937,800 against \$2,975,240 in 1974. The occupancy tax which was

rescinded during 1974 represents a loss in assessment of \$1,303,885. Exemptions are up for 1975 from \$217,340 in 1974 to \$393,275 in 1975.

Mr. Pitman in his report requested each chairman of the town committees prepare immediately their projected expenses for 1975 so that the entire budget be set and a tax rate determined.

Digby Girl Gets Award

SACKVILLE, NEW BRUNSWICK - Financial assistance awards provided from a fund established by the Rev. Ralph Brecken for students who maintain good academic standing and good conduct have been granted to eight Mount Allison University students.

Among the Award Winners is Linda Ecker, daughter of Mrs. Louis Ecker of Digby, N.S. Miss Ecker is a graduate of the Digby Regional High School and is in her third year of the Bachelor of Science course and plans to teach.

Potter

The Auxiliary is purchasing its own flag and various money-raising activities were discussed. The Travelling Apron has begun its annual journey and, we hope that it will return in time for the March meeting, well laden. The Auxiliary is sponsoring the annual Sausage and Pancake supper on Shrove Tuesday, Feb. 11th. All members are asked to keep this date in mind.

The meeting closed with "THE QUEEN" and lunch was served.

Kinney Gets School Appointment

Willard Kinney, ex-mayor of the Town of Digby was re-appointed to the Digby Regional High School Board. Mr. Kinney had formerly represented the town in his appointment. In his new appointment he represents the community at-large. Representing the town is Councillor Reginald Hazelton. Bills to the amount of \$10,844, were passed for payment at the January board meeting presided over by the chairman, Austin Morehouse. The \$10,844 covered the December purchases and needs and included the balance of invoices to the end of the year 1974.

The Board decided to have the secretary, D.R. Pyne, request the town for permission to construct a parking lot at the rear of the Composite Wing of D.R.H.S. Detailed plans for the proposed parking will be submitted.

On advice of the Nova Scotia Fire Marshall, the Board will look into relocating any propane

Diamond Wedding

Mr. and Mrs. Percy Thurber were "At Home" to friends and relatives in Freeport on Jan. 20th, the occasion being their Diamond Wedding Anniversary.

Nine of their eleven children were there to celebrate with them. One son, Lou and his wife, Barrington Passage, were unable to stay for the Anniversary, but were present for his mother's birthday on Jan. 18th.

Another son, Earle and a daughter, Louise, flew from Thunder Bay, Ont., and a daughter Vesta, of Digby motored to Freeport to visit with the family at this time.

Congratulations to Mr. and Mrs. Thurber and a wish for more "Happy Anniversaries."

OBITUARIES

Dr. Eugene Auld

Friends will regret to learn of the death of Dr. Eugene Auld of Malden Mass. Mrs. Auld, the former Agnes L. Anderson, was the daughter of the late Rev. and Mrs. J.B. Anderson. Dr. and Mrs. Auld visited in the area in former years, when the late Mrs. Anderson resided in Weymouth.

Hill Grove Baptists Hold Annual

The annual meeting of the Hill Grove Baptist Church held on Tuesday evening, January 28th was opened with prayer by Rev. Murray Shaw, who was appointed Chairman of the meeting, with Mr. Lloyd MacNeill as Secretary.

Reports were presented by officers of the several organizations of the Church showing that 1974 had been a successful and busy year in all groups.

The Clerk reported that the Church had lost one member by death during the year, and had received one member by Baptism, and now has a

membership of 106, of which 43 are non-resident members.

The fence around the cemetery on the Acacia Valley hill was painted during the summer, and all other necessary repairs to Church property had been taken care of.

It was voted that Morning Worship Services be held at 9:30 A.M. starting on the first Sunday of May and continue until Daylight Saving Time ends in October. Tentative plans were also made for the annual Roll Call Service to be held on Sunday, June 29th.

All officers were re-elected for the coming year.

Cox Talks On Managing Money

The regular monthly meeting of the Oakdene Home and School, Bear River, was held on Monday, Jan. 27th, in the school auditorium. Mrs. Tibbett's Grade 1 class won the book count.

The treasurer reported a balance on hand of \$264.43, and while this seems a healthy balance, Mr. Marshall reminded those present that the Home and School is committed to \$800.00 for the sidewalk built last Fall. An Executive meeting will be held shortly to discuss ways of raising this money; anyone with ideas is

asked to contact a member of the Executive. It is going to require the full support of all members of the Association as well as the village in general, to raise the \$800.00, he remarked.

The special guest for the evening, Mr. W. Cox, was introduced by the President. Mr. Cox is well qualified to speak on the subject of "Managing money" and spoke of the various ways to budget and save. Booklets are available from the Royal Bank to aid in preparing a budget. A question period followed. Mr. Cox was thanked by Mr. Marshall.

Mrs. Edmund Titus and family in the death of their son Edward Titus of Digby. The funeral was held in the Baptist Church on Monday afternoon.

Visit

Diary Barn

On Wednesday evening, January 29th, the 4th Digby Cub Pack visited the dairy barn of John Roope in Hillgrove.

Mr. Roope met the boys in the cooler room where the large storage tank for milk was located. The boys faces lit with amazement as they were shown the inside of this huge tank and the method used to measure the amount of milk.

Mr. Roope then led the boys into the main barn where thirty or more cows were waiting to be milked. He explained the system of milking machines and pumps which carry the milk through a clear plastic tube, back to the steel storage tank. The watering troughs were of particular interest to the Cubs. After a brief look in the feed room, and a gentle petting of the young calves, the boys again made their way to the storage room where they were given a sampling of the end product - a very fresh and still warm glass of milk. It is hoped that this group of Cubs will more fully appreciate the different steps which go into the production of milk.

The Cub leaders were pleased with the interest displayed by the boys and were deeply appreciative of the time given by Mr. Roope and his daughter, Joanne, in making this visit such a worthwhile experience.

SINCLAIR—BUNKER

Admired an atmosphere of the Christmas Season the Tidville Pentecostal Church was the scene of a pretty wedding on Dec. 27, 1974 at 7 p.m., when Catherine Anne eldest daughter of Mr. and Mrs. Clifford Bunker of Tidville, and Thomas James Sinclair, son of Mr. and Mrs. James Sinclair, Argyle Head, were united in marriage.

The double ring ceremony was performed by Rev. Eldon Jagoe. Mrs. Avis Gidney presided at the piano and Mrs. Allan Denton was soloist, rendering two lovely selections, "I Heard The Bells on Christmas Day" and "Star Of The East".

The bride given in marriage by her father, looked lovely in a floor length gown of white velvet with shoulder length veil. Her bouquet was red roses with a dash of holly tied with bright red velvet ribbon.

Attending the bride were her aunt, Mrs. Ernest Newell as matron of honor; Mrs. Pamela Larkin and Miss Judy Sinclair, sisters of the bride and groom respectively.

The matron of honor wore a floor length gown of red angora double knit and the bridesmaids wore floor length gowns of green and pink crimp knit. They all carried bouquets to blend.

Attending the groom was a friend, Ernest Newell. Ushers were Darrell Bunker, uncle of the bride and Glendon Raymond, a friend of both.

The church was trimmed with red and green streamers and potted poinsettia.

The mother of the bride wore a floor length gown of brown novelty crimpknit and a cor-

Morehouse-Stanton

The marriage of Nancy Ellen Stanton, eldest daughter of Mr. and Mrs. Clark Stanton, Tiverton to Peter Gregory Morehouse, son of Mr. and Mrs. Paul Morehouse, East Ferry, N.S. took place in the Central Grove, Digby County, Baptist Church. Rev. C.L. Chute officiated at the double ring ceremony.

The bride, given in marriage by her father, wore a white satin, floor-length gown which featured empire styling, long lace sleeves which came to a point at her wrists. The train of the gown was of satin and lace and held by her youngest sister, Deanna Elaine Stanton. Her shoulder-length veil was held by a white rose surrounded by pearls and she carried a bouquet of tiny pink roses and white carnations with white orchids.

The maid of honor was Miss

borough, Ontario, poured.

Cathy Sinclair, sister of the groom was in charge of the guest book.

Linda McAllester, cousin, of the bride and a number of the bride's young friends served the guests.

After a brief honeymoon the happy couple plan to reside in Argyle. Out of town guests were from Peterborough, Ont., Sussex, N.B., Yarmouth, Argyle and Pubnico.

Wendy Gower, Westport, and she wore a floor-length gown of blue crimplene which featured short puffed sleeves, a white collar with embroidered flowers with an empire waist and bow tie at the back. Her head piece was of tiny daisies and she carried a solitary yellow rose with long yellow ribbons.

The bridesmaid was Miss Ruth Ellen Robichaud, Westport, who wore a floor-length gown of pink crimplene which featured short puffed sleeves, trimmed with lace and a bow at the back. Her headpiece was of tiny daisies and she carried a solitary yellow rose with long ribbons.

Harold Theriault, Barton, Digby County, attended the groom. The usher was Carroll Kimball.

The bride's mother, Mrs. Clark Stanton, wore a dress of beige and brown crimplene and the groom's mother Mrs. Paul Morehouse, chose a pant suit of dark green and a white blouse.

A reception was held in the 100F Hall, Tiverton.

In Memoriams

WINCHESTER - In memory of my dear father, Mr. Dudley Winchester, who passed away Feb. 5, 1974.

Dad is such a special word. A word that brings to mind A big warm smile, a helping hand

A way of being kind. Devotion to the family A word of patience too.

"Dad" is such a special word Because it stands for "you." Always remembered and sadly missed by daughter Sis.

26:1ip

WINCHESTER - In memory of our dear father, Mr. Dudley Winchester, who passed away February 5, 1974

God saw you getting tired, When a cure was not to be So He closed His arms around you

And whispered "Come to Me."

You didn't deserve what you went through

And so He gave you rest, God's garden must be beautiful

For He only takes the best. Always remembered by sons and daughters.

26:1ip

WINCHESTER - WRAY - In loving memory of mother, Celia Winchester and niece Marlene Wray who passed away Feb. 5, 1974.

One year has passed since that sad day

They closed their eyes and slipped away

God called them home it was his will

In our hearts we love them still.

Sadly missed by Carl and Leona.

26:1ip

ISLES - In loving memory of my dear husband and father S. Chester Isles whose tragic death occurred February 2, 1974.

It's hard to think of sunsets. And the glory of the dawn.

It's hard to smile with courage.

When the one you love is gone. But he left untreaured memories

Of many happy years And they will always be with us

As we journey through the years.

Lovingly remembered and sadly missed by wife Kathleen and step sons Joey and John S.

26:1ip

WINFIELD - In fond memory of George Winfield who died Feb. 6, 1972.

"He gave us life, a smile, the courage to endure, in our hearts he will live forever"

Remembered by his wife, and families, Winfield & Chipman.

26:1ip

LeBLANC - In loving memory of a lovely father and husband, Frederick Joseph LeBlanc, who passed away Jan. 22, 1970.

"He is gone but not forgotten And, as dawns another year. Our lonely hours of thinking. Thoughts of him are always near.

Days of sadness will come o'er us -

Many think the wound is healed,

But they little know the sorrow

That lies in the heart concealed."

Always remembered by his wife Laurette, and children.

Bits And Pieces From Bird Haven

Guess all our winter birds are with us now, several reports of snow-buntins around the country. They are brown, black and white with cinnamon top head, a little larger than our English Sparrow and showing a great deal of white when they fly.

They breed in the far north but come to our grain fields in late October or November.

When they take off from a field they remind you of huge snowflakes, hence their nickname Snowbirds. Had a call from the naturalist

Food For Thought

Councillor Reginald Hazelton at the meeting of the Digby Town Council on Monday evening gave councillors, as he put it Food For Thought. He reported on the CKDY successful broadcast on Sunday which brought in some \$8000 to aid in equipping the Forum with ice machiner in view of the season 1975-76. Several weeks ago the evaporator at the Forum exploded so that the Forum has been closed.

Councillor Hazelton said by the response to the Sunday program seventy to eighty percent of the people want to

have the Forum facilities restored.

Equipment and repairs will run into more than \$50,000 but with a matching grant from the N.S. Department of Recreation, Sunday's response can be considered over \$16,000. Some \$20,000 should be raised before ordering equipment and equipment should be ordered early to be ready for the next season. Councillor Hazelton asked Council "Is the town going to support getting back in operation again or let the matter die?" This is food for thought, he said.

Is Your Community Interested In Rural Beautification?

by C.G. Sutherland

Judge 1975 Queens County Rural Beautification Project

If the Community in which you live is not interested in Rural Beautification, it may be because you have never told them about it. If you do not know about this very interesting movement, just read the following description.

Some years ago, it was suggested that something should be done to improve the appearance of Rural Nova Scotia and so, under the sponsorship of the Nova Scotia

Federation of Agriculture and the Women's Institutes, the Nova Scotia Rural Beautification Committee came into existence. Since then, the Programme has grown each year, until now with the assistance of \$21,000 each year from the Government of Nova Scotia, there are eight distinct competitions in which one may enter for county laurels, while the first place winner in each division in the County competitions is automatically entered in the Nova Scotia Competition and thus becomes eligible for higher prizes.

In 1975 the eight County Competitions are: (1) Community; (2) New Homes; (3) Resource Based Homes and Farm Vacation Homes; (4) Small Holdings; (5) Community Service Facilities; (6) Mobile Homes; (7) Flower Gardens and (8) Awards of Merit. The last two of these, that is, the Flower Gardens and the Awards of Merit, will not be open to Provincial Competition.

All County First Place Winners will be automatically entered in the Provincial Competition.

COUNTY PRIZES
First \$100.00
Second 60.00
Third 40.00

PROVINCIAL PRIZES
First \$250.00
Second 150.00
Third 100.00

This is the Tenth Anniversary of Rural Beautification in Nova Scotia and the Provincial Committee have chosen the Marigold as the flower to mark this special year. It is very easy to grow and is so bright and cheerful in color that it will add much to the beauty of any garden.

All entries close at midnight, April 15th, 1975, and no entries will be accepted after that date. All entries should be sent to your County Secretary on or before the above date. Each one must be accompanied by a fee of \$1.00.

Judging will be done on the basis of two inspections, the first of which will begin immediately after the closing date for entries, April 15th, 1975, and the second will begin about the middle of August. Judges will take pictures of the property both on the first as well as on the second inspection.

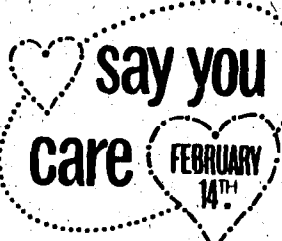

All work done since October, 1974, will be credited to the contestant, so if you wish to get an early start, you should take some pictures before you start and give these pictures to the Judge at the time of his first inspection.

Artificial flowers will not be considered in the Judging.

Contestants must abide by the Judge's decision, which is final.

According to the Provincial Committee, of the 18 Counties in Nova Scotia, 14 have organized County Beautification Committees, leaving only Shelburne, Inverness, Victoria and Yarmouth, still to be organized, so if you live in any one of those areas, or if you have friends or relatives, who live there, why not tell them about the wonderful things that have been accomplished in other Counties of Nova Scotia by Rural Beautification Committees.

Badminton From Islands School

Islands School

On Sat. Jan. 11th, three students and one other player travelled to Bridgetown to play in the Regional under 19 Badminton Tournament. Players from Hants, Kings, Annapolis, Digby and Yarmouth Counties gathered to compete in Singles and Doubles events. The play was most competitive but two Island students Billy Howard and Stephen Comeau captured the boys doubles championship by beating the tournament favorites from Kentville.

In Boys Doubles, Stephen Comeau posted five consecutive victories in single elimination play to capture the boys under 19 laurels.

In consolation play Kim Comeau playing against girls much older, advanced to the finals before losing out by a score of 21-16 to a Kentville player. Judy Thimot and her partner from Bridgetown emerged victorious in the girls double consolation finals.

Plan Youth Activities

Despite the very cold weather and icy conditions fourteen gathered at the Rossway Community Hall to discuss further plans for recreation in the Community. It was decided to start with the eight to twelve age group with Rev. Lester Mullen and Mrs. Phyllis Westcott as leaders. Later, activities for the older age group will be planned for.

The names of Mrs. Paulette VanTassel and Mrs. Linda Lewis were added to the former committee of the Recreation Planning Committee.

Town Gets

Grants

Mayor Patrick Comeau at the February Town Council meeting on Monday announced that Joe Casey, M.L.A. had on behalf of the provincial government presented him with three grants. One was for \$16820 representing a twenty percent grant on phase 1 of the sewer system; another was \$3000, a matching grant for the tourist bureau and \$3400 an eighty percent grant from the Department of Recreation.

Hockey Boys Visit Digby

Digby Bantams Hockey Team will play hosts to a team from Biddeford, Maine on the weekend of February 15, it is understood. They arrive on Saturday and leave on Tuesday,

February 18. Capt. Reginald Hazelton has arranged use of ice at other rinks since the Digby Forum has been closed because of ice-making facilities having blown up.

"Arranging a Registered Retirement Savings Plan is as easy as 1,2,3"

A lot of people look forward to their retirement. But they don't look forward to a reduction in income.

That's why the Royal Bank has available three separate Registered Retirement Savings Plans. If one doesn't suit your needs precisely, you can choose a mix of two, or all three.

Current tax legislation permits you to deposit up to 20% of earned income to a maximum of \$4,000 annually if you are self-employed or do not have a registered company pension. If you do have a registered company pension plan your combined contributions may be up to 20% of earned income to a maximum of \$2,500. Your contributions are deductible for tax purposes.

Give us a call today. We can assist you in making a meaningful choice.

1. Royal Bank Retirement Deposits

Your contributions will be placed in a special deposit account and you will receive an interest return geared to the general deposit rate structure. Because of the long-term nature of the deposits we expect the interest rates to be at the upper end of the scale. Each depositor is insured up to \$20,000 by Canada Deposit Insurance Corporation.

2. Equity Fund. Your contributions

are placed principally in Canadian common stocks. This portfolio is managed by professionals, backed by investment analysts and economic consultants, who also manage well over \$100 million for other people and corporations. The emphasis here is in long-term capital growth with reasonable rate of return.

3. Income Fund. Your contributions

are invested in high-yield bonds, deposit instruments and in mortgages insured under the National Housing Act. The portfolio is managed by the same professionals, whose policy here is to achieve as high a current income as is compatible with maintaining reasonable price stability as well as moderate capital appreciation.

3 Registered Retirement Savings Plans for you.

Thurston Banks New S.S. Superintendent

Celebrate 40th Anniversary

Thurston Banks was elected Sunday School Superintendent of the Smith's Cove United Baptist Church at the annual meeting held on Thursday evening, Jan. 31.

A pot luck fellowship supper preceded the business meeting chaired by Robert M. Winchester, moderator.

For the second year, a Year Book was given to the members which enabled them to note that it had been a good year.

Chester Brinton, Clerk, reported on the following achievements and activities of the Church:

A van was purchased to use for transportation of Sunday School pupils, also for youth and other activities of the Church.

Drive-In Church Services, held from June 16 through August 25 on the grounds of the Smith's Cove Consolidated School, were well-attended and special music provided by the Church Choir, local and out-of-town groups.

Peter Freeman was youth delegate to the Baptist World Alliance Convention held in Portland, Oregon, U.S.A. in July-August.

The annual Roll Call Service was broadcast live over radio station CKDY, Digby, on November 3. Guest speaker, Dr. Morris R. B. Lovesey, professor of Old Testament Studies, Acadia Divinity College.

The Church granted a Church License to Preach to Deacon Fred Bigelow on Dec. 1. Rev. Wallace H. Jordan, pastor, in his message, spoke of

the challenges and rewards experienced by the Church during 1974, and of the unity between the three churches of the Deep Brook United Baptist Pastorate which was fostered to some degree by the Pastorate Board of Deacons and Management. He also reviewed the four points of his message at the last annual meeting: (1) VISITATION - Not only by the Pastor, but by the Deacons and members who took up this labor of love; (2) STEWARDSHIP - In most cases budgets were met and more; (3) INSTRUCTION - Throughout the year Christian Life classes, a Deacon's Workshop and a Sunday School Teacher's Training Course were held. Also a dynamic Bible Study Group had been meeting weekly during the latter part of the year.

Mr. Jordan challenged the members to carry on this work and to continue to support the ministry of the Church through prayers, love, financial support and service. (4) MISSION - All the churches of the Pastorate had exceeded their budget for the Missionary and Extension fund. He urged them to show the same support both through prayer and finances in carrying out the Great Commission.

Officers for 1975 are: Clerk - Chester Brinton; Ass't. Clerk - Mrs. Alice Brinton; Moderator - Robert M. Winchester; Treasurer and Ass't. Treasurer - Mr. and Mrs. Arthur Berry; Ass't. S. S. Supt. - Mrs. Madeline Milner; S. S. Secretary - Eric Kinsman; Financial Secretary - Mrs. Ruby Harrison; Ass't. Fin. Sec. - Mrs. Myrtle Adams; Field Treas. - L. E. R. Winchester; Deacons - Elmer B. Weir, Robert S. Winchester, Clifford A. Robbins, Eric Kinsman, Dean Tidd, L. E. R. Bigelow, Robert Harrison, Harley Weir, Sr., and new deacons, Thurston Banks, Ron Harrison, Robert M. Winchester; Trustees - R. M. Winchester, chair., Harley Weir, Sr., Mike Isaacs, Robert Nelson, L. E. R. Winchester; Chorister - Mrs. Phyllis S. Winchester; Ass't. Chorister - Mrs. Alice Brinton; Organist - Mrs. Alice Blacklock; Ass't. Organist - Peter Freeman; Member-at-Large (Pastorate Board of Management) - Mrs. Myrtle Adams, Mrs. Madeline Milner.

On Saturday evening December 21st, Mr. and Mrs. William Steele, Southville, were pleasantly surprised when their two daughters and families gathered to help celebrate their 40th Wedding Anniversary. Present for the occasion were Mr. and Mrs. Donald Mullen and Dwight, Wayne, David Mullen; also, Mr. and Mrs. Lindsay Ford and Rachel, Edwina and Eugene Ford.

The couple were presented with gifts and a cake decorated for the occasion. On January 1st, Mr. and Mrs. Steele entertained all members of their immediate family for supper. Present were daughter Ruby (Mrs. Donald Mullen) and family; daughter Helen (Mrs. Lindsay Ford) and family and Leta (Mrs. W. F. McClafferty) Digby and Esther (Mrs. Lawrence Sabean) and Mr. Sabean, Barton.

Mr. and Mrs. Steele were married 40 years ago on December 21st, 1934, at the home of the brides parents, Mr. and Mrs. Maly Wagner, Danvers. Rev. Donald Stockford, Church of Christ pastor at that time performed the ceremony.

Congregation Sees Film

The morning worship at Grace United Church, Digby, on Sunday departed from the traditional sermon time and showed a film, Heritage of the Future.

The 50th anniversary of church union, when the Methodist, Presbyterian and Congregational churches in Canada were united, is in the present year, 1975. Union took place in 1925.

Each church will recognize the 50th anniversary in their own way and Sunday's film introduced the anniversary program at Grace United. Other features will be included during the winter and Spring, ending on Sunday, June 8, with a special anniversary service.

Chairman of the Grace United Anniversary Committee is Mrs. Ina Dillon, assisted by Mr. and Mrs. Clayton Snow, Mr. and Mrs. Sherman Rice and Mrs. Elton Arnold.

The film on Sunday showed the lives of the people, their churches, the special services of the 1925 period. Although times were hard in those early years of Union, people being without employment and hungry for food, the church advanced rapidly. In the war period the Church sent Chaplain and men and boys in service to the country and showed compassion to the Japanese who lived in areas of Canada. The progress of the church's mission work, including the coastal and marine missions, medical and hospital mission was depicted in the film as well as the church's world outreach in the mission of the church.

The senior choir under the direction of the organist, Mrs. Elton Arnold, sang an appropriate anthem.

Serious Accident Averted

Six year old Larry Turner was struck by a car in Weymouth North last week, after alighting from a school bus. He was bruised, but not seriously injured. The car, driven by Byard Thurber, was unable to stop on the icy hill, it struck several posts, and swung around by the Weymouth North Library, backing into the fence by the Mill Pond. Fortunately, by the time it struck young

Larry, the velocity of the car was almost at a standstill, averting what might have been, a serious accident. The icy road conditions have been unusually precarious during the cold spell of the past week.

Coaching Development Project Starts

A coaching development program sponsored by the Department of Recreation was designed to satisfy a need to have more and better trained coaches. More specifically the purpose of the program is to provide coaches with an opportunity to receive formal training in the science of coaching, to improve leadership skills, to upgrade coaching knowledge, and to award accredited certification to successful applicants. It is anticipated that all provinces will join Nova Scotia and Ontario in making this coaching development into a national certification program.

The project in the Digby area

starts with an introductory course to be held at College St. Anne under the direction of Paul LeBlanc, Athletic Director. Beginning Tuesday, February 11 it will be held one evening a week for eight weeks.

Anyone presently coaching or interested in coaching is eligible for the course; however numbers taking the course will be limited to forty. Registration fee is five dollars for the complete course. Further details and application forms may be obtained from Lister Hannah, Digby Regional High School (245-2587) or by writing, Bill White, Project Coach, P.O. Box 772, Wolfville, N.S.

If sports are to be developed in this area there is an urgent need for qualified coaches, Mr. Hannah said. Interested? How about trying?

Municipality Hears AVABT Officers

C.A. Coll, Wolfville, president of the Annapolis Valley Affiliated Boards of Trade and Clarence Thompson of the Transportation Committee appeared before the Council of the Municipality of the District of Digby to advise Council what the organization has been accomplishing with transportation and tourism. They also requested a grant equal or better to the one given in 1974 by the municipality.

Mr. Coll informed Warden Wilfred Swift and councillors that 50,000 pamphlets from the Valley would be distributed with 500 printed in French to be sent to Quebec. One hundred thousand copies of the paper Evangeline would also be distributed.

Mr. Coll drew attention to the grants which they were able to get from the government for tourist promotion.

Mr. Thompson dealt with problems regarding the Digby-Saint John ferry service recently purchased by the C.N.R. He felt that there should be a number of changes, especially in the rates for transportation. He said the AVABT was preparing a brief to present to the federal government before the tourist summer begins. He said that a new national transportation policy is supposed to come into effect but no one seems to know when or what it is.

Mr. Thompson went on to advise council of the AVABT's interest in Industrial Development services. He said that Premier Gerry Regan told him that he favors industrial parks and if the Valley has one Digby should also have an industrial park.

Mr. Thompson felt the type of industry which should come into the Digby area should be related to agriculture, lumbering and fishing. He felt that an organization to work on this should be active and have the Industrial Parks established soon. He said there are industries interested in coming to this area. Companies which come from Ontario want lands serviced and ready.

Warden Wilfred Swift, Councillor Helen McNeil and Deputy Warden Arthur Rice commended the two gentlemen and the AVABT for their dedication and their accomplishments.

In his remarks, Councillor Rice observed that private

industry succeeds well while those with government interference soon come to sudden death. He favored boosting private enterprise.

Heads Forum

Fund Raising Committee

Tuesday evening, January 21st, the Fund Raising Committee for the Digby Forum met at the Fire Hall when Mrs. Olive Hazelton was elected chairman of the Committee.

It was decided to accept the offer of C.K.D.Y. Radio to use their facilities to hold a telephone pledge programme. The initial campaign must bring in at least \$10,000.00 so that the committee can take the matching \$10,000.00 grant from the Government in order to make the down payment with an equipment order.

To assure operation next winter the plant must be ordered by the end of February, the committee was told. The telephone will be held on Sunday, February 2nd, from 1:30 p.m. to 7:30 p.m. Requests will be accepted for favourite music as well as pledges to the Rink Fund.

Donations are tax deductible, and may be made at any branch of the Bank of Nova Scotia.

Mrs. Pat Kynock and Mrs. Edie VanTassel offered to canvass the business district. Mrs. Iorena Trask will cover Doucetteville and Area and Mz. Mullen will cover Weymouth and Area. Mrs. Hilma Woods will write to all non-resident property owners and Bob Wignmore to Head Offices of companies doing business in the area. Dr. Harold Boudreau will visit the Professional people of the town.

There are key persons in all large establishments in town who are taking pledges ahead of time to be announced during the programme. Ideas for an on going campaign were discussed and these will be carried out during the ensuing months so that the balance of the money will be available when the plant is delivered. Each dollar pledged is worth two to the Rink Fund.

Another meeting of the Committee is planned for Tuesday, Feb. 28th at the Fire Hall.

Archer

"Archer," a new mystery series based on the detective hero of the popular Ross MacDonald novels.

This character oriented series emphasizes Archer's unique complexities of human nature, personality and the various deep understanding of character and emotion often given him just the edge he needs to crack a difficult case. Archer's closest friend is Lieutenant Barney Brighton, a detective in the Homicide Division of the Los Angeles Police Department. Together, they have a good working relationship, but Lew Archer knows that Barney, in the end, is cop first, then friend.

Veteran actor Brian Keith portrays private investigator Lew Archer. Keith has had extensive experience starring in television series and has been featured in more than 50 motion pictures.

In combining an established star - Brian Keith - with a fictional character familiar to millions of readers, "Archer" promises to be a popular and exciting new series on ATV.

Another World,

Award Winning

Daytime Drama

Expanded

"Another World," now airing in a new hour-long format weekdays, was chosen Best Serial in the readers poll of Daytime TV magazine and Best Serial and Best Written Serial by the writers and editors of Afternoon Magazine.

The expansion to the full one hour format honors the accomplishment of a hard working, talented and experienced production staff, cast and crew who continue to make this series a story about real people and their relationships.

Toronto star columnist Dennis Braithwaite, commenting on "Another World" says, "over the years they have developed and honed to perfection, a style of naturalistic acting that I believe has influenced modern drama"

An additional feature of this series for ATV viewers is a brief reprise of key scenes from the previous day's episode. This is particularly useful for those viewers who might miss an episode.

Also added to the new features of "Another World," consistently Canada's favorite daytime drama, are new sets and full musical orchestration.

The cast of "Another World" boasts major performers from Broadway, motion pictures and television. Continuing in their present roles are David Ackroyd, Terry Alexander, David Bailey, Bobby Doran, Jordan Charney, John Con-sidine, Jacqueline Courtney, Nicholas Coster, Irene Daley, Virginia Dwyer, Constance Ford, John Geiz, Mike Ham-mett, Jeanne Lange, Hugh Marlowe, Bevelsee McKinney, Anne Macadam, Vera Moore, Reinolt Penberthy, George Reubolt, Michael M. Ryan, Susan Sullivan, Dolph Sweet, Muriel Williams and Victoria Wyndham.

NET AND GEAR SCHOOL CLASSES

The Department of Fisheries Net and Gear School which opened in Digby on January 6, completed the course on Friday, January 31. Above, left to right, are Jackie Simms; Martin Picco, Lunenburg of the Department of Fisheries Training Program; Roy Simms and Merle Halliday. About fifteen attended the school where the art of net mending, rope splicing and other features of the fishing trade were learned. Another school was held in Pictou.

Plan June Opening

According to reliable sources the Digby Kiwanians are expecting the new swimming pool to be opened in June on a part time basis and later in the summer it will operate full time.

The swimming pool was started in the summer and early Fall of 1974 with a L.I.P. grant of more than \$10,000.

Kiwanians are hoping to get a matching grant of \$16,000 from the Department of Recreation in Nova Scotia. Kiwanians have done considerable ground work in preparing for the installation of the pool and also on the pool itself after the installation. For some time the Digby Kiwanians have been earning and aiming

at funding a swimming pool. Many people will remember the efforts of some twenty or more years ago when they began a swimming pool at the Racquette. For health reasons this project was abandoned. The present estimation for the new pool is \$35,000.

Recently the Digby Town Council gave permission for change houses to be erected. Over a space of 15 x 80 ft., accommodating 185 swimmers will be built a concrete structure. Besides the change houses there will be an office and storage lockers. Qualified instructors will be engaged by the Kiwanians and it is expected that seven persons will find employment at the pool.

Buried Treasure On Peter's Island

by Mrs. Charles McDormand

According to Yarmouth Herald dated October 31, 1878 an article reads "While our fishermen have been drawing their wealth from nature's storehouse, we have had visitors seeking hidden treasure. Our harbour was visited several times during the season by a little craft especially fitted out as a treasure seeker. Peter's Island was the center of attraction. Marks were sought and, it is said, found on the rocks corresponding to those upon the chart of the island carried by the parties. The mineral rod was applied. An improved boring machine was produced and the surface of the island was tapped in several places,

but Capt. Kidd's heirs have not yet proved themselves equal as seekers to their famous ancestor as a hider."

Peter's Island is a small island across a narrow channel of water from Westport, Brier Island.

In a September 26, 1878 issue there is a copy from St. Croix Courier which reads "Not far from the breakwater, Wilson's Beach, Campobello Island, after every heavy storm some silver and copper Span ish coins of about the year 1717 are washed up and with them buttons bearing the stamp of a crown and the number 42."

In the issued dated October 31, 1878 the school teachers of that time were Mr. B. Havey

who had taught for five years, successor was Mr. James P. Nowlan and the elementary department was conducted by Miss Fannie M. Titus.

Some other items of interest are in 1878 - "The end of the world was predicted to occur on July 11, 1879, and a proclamation to this effect is posted on nearly all the mosques in North India."

Wilson Sewing machine was priced at \$32.00.

In April 16, 1874 issue - Cattle Sale - Pure blood Ayrshire Bull selling at \$80.00. A Durham, 12 months old selling at \$30.00.

Solid silver earrings for \$1.00 a pair.

Parish Reports Successful Year

A successful year was reported by all church organizations at the annual meeting of Trinity Parish here on Monday evening.

The annual parish session was presided over by the Rector, Rev. Isaac Butler. The meeting was preceded by a parish supper, organized by the church Guild.

The Rectors report indicated parish statistics were much in keeping with those of the previous year. Mr. Butler did, however, express serious concern about the lack of young people and said this would effect parish life in future years. He noted the difficulties in dealing with this problem and stressed its importance for the future of the church.

The report of the Guild, presented on behalf of Mrs. A.T. Grimmer the secretary, by Mrs. Percy Robert, noted the Guild had contributed over the year \$2,500 to general parish funds. In addition, new cushions had been provided for the pews in the centre aisles of the parish church.

Total receipts, including a balance of \$934.21 carried over from the previous year, were \$5,497.45. Expenditures by the Guild report showed an amount in excess of \$2,000 realized at an auction at the home of Mr. and Mrs. Harold Emerson.

It was also noted, as a part of the Guild report, that a silver lavabowl had been presented to the church through the Altar Guild in memory of Mrs. Winnifred Dakin. A silver plate was also donated in memory of Mrs. Kathleen Tupper.

Miss Mary Marshall, in presenting the report of the Altar Guild, expressed appreciation for all who had worked during the years. She made special mention of the Sutherland family whom, she said, had attended to the care of the altar as a family undertaking.

The financial report, presented by Warden Victor Thompson, indicated a satisfactory financial year. Envelope collections were up some \$1,200 over the previous year. Mr. Thompson noted. He also pointed out a considerable saving had been effected in fuel costs through the closing of the parish hall during the winter month.

Mr. William L. Troupe, reporting for the building committee, drew attention to the meeting, to the need for replacement of the church heating plant. This he said, had been previously recommended to the Vestry. Mr. Troupe reported on a number of repairs and renovations to church property over the year.

The report of Mr. Ernest B. Tufts, chairman of the grounds committee, detailed work carried on during the year in the care and maintenance of the grounds around the parish church. Mr. Tufts submitted his resignation as committee head in the report and this was accepted with regret. Mr. Tufts report was read by Parish

Clerk, F.C. Purdy, in the absence of Mr. Tufts.

The election of officers for the year resulted in election of Mr. Ernest Ryan and Mr. F.C. Purdy as Church Wardens. Mrs. Maxine Connell was elected treasurer.

Elected as members of the Vestry were Mrs. H.R. Bishop, Mrs. Percy Robert, Mrs. Austin Lutz, Miss Marjory Tupper, Kenneth Woodman, Kenneth Connell, Vernon Wessel, Frank Collins, Judge John R. Nichols, A.T. Grimmer, Hyson Sutherland, Harold Emerson, Victor Thompson, David J. Daley, Peter Nordeen. Mrs. Maxine Connell, Dr. G. V. Turnbull, Mr. Cecil Jones and Judge Victor Cardozo and Mr. Fritz Dakin were elected Honorary Vestrymen.

At the Vestry meeting following the annual parish session Peter Nordeen was elected Vestry Clerk.

At the close of the meeting resolutions of thanks were tendered the Guild and other groups and individuals active in church work over the past year. Special mention was made of the work of returning Church Wardens Mr. Harold Emerson and Mr. Victor Thompson.

Randolph Cottreau Worshipful Master

The officers of Tuscan Lodge No. 111, AF and AM, Weymouth for the ensuing year were installed at the regular meeting held in Killam Hall on January 14th. The installation was under the direction of P.M.R.D. Kinney, assisted by a team of Past Masters. Officers are as follows:

Wor. Master — Randolph M. Cottreau
Senior Warden — Scott W. Kinney
Junior Warden — Gordon H. Cameron
Treasurer — Russell W. Cosman
Secretary — C. Willis Mullen
Chaplain — Ronald D. Kinney
Senior Deacon — Frank T. Turner

Junior Deacon — George E. Wagner
Marshall — Richmond H. Journey
Historian — John F. Jones
Senior Stewart — Sherman C. Prime

Junior Stewart — Walter L. MacAlpine
Tyler — John F. Jones.

Following the installation and business meeting, refreshments were served, which included a seafood chowder and a birthday cake, which was presented to Willis Mullen. The cake was made and decorated by Mrs. Russell Cosman, and was presented to Mr. Mullen by Mr. Cosman on behalf of the recipients' wife, and the Cosmans.

Tourist And Recreation Set Up Committees

Gordon Price, Smith's Cove, was named on the committee for the Presciski Property at a recent meeting of the Annapolis Basin Tourist and Recreation Council. Other committees named were William Troupe, Digby, Marina Committee; Dave Irvine, Smith's Cove, Look Out; Mrs. P. C. Gott, Bear

River Bridge Abutments, and Charles Bower and William Percy, Granville Ferry, the Annapolis Causeway.

The president, David Irvine, on Monday appeared before the Digby Municipal Council and reviewed some of the accomplishments credited to the Tourist and Recreation Council. The Presciski Property is expected to open this summer where it is expected that a wildlife park will be established. Trails, eating, accommodation, handicrafts and other attractions will be found there for the tourists and native people. Mr. Irvine also mentioned the work done to attract people interested in fishing and boating by boat-haul outs. Hopes to establish a marina are still high.

The next meeting of the Basin Tourist and Recreation Council will be at CFB Cornwallis, on February 12th, with Miss Jean Ross as guest.

Sentences Imposed

Three were sentenced to Court last week before Judge Philip Woolaver on charges of three arsons October 31. Roy Giles, Rossway, was put on two years probation; Clarence William Fralic, Belliveau Cove was given four months at the Kings County Correctional Centre and William Russell Graham was sentenced to six months at the Kings County Correctional Centre. The Giles case was on three arson charges and being an accessory to the fact. Graham and Fralic were also sentenced on break and enter charges.

Manus Lloyd Farmer, Weymouth Mills entered a guilty plea on a charge of dangerous driving which arose out of an incident at Weymouth on October 6. He was fined \$100 and three dollars for costs. His license was revoked for two years.

On Wednesday, January 22 Michael Frazee, Darrel Bradley Rice and Stephen John

Potter of Bear River appeared before County Court Judge, Hanson Dowell in Digby, on charges of break, enter and theft at the B.R. Grocery Store, Bear River on November 29. Rice and Potter were each sentenced to eight months at the Kings County Correctional Centre and Frazee was given eight months at the Halifax Co. Correctional Centre.

Power Rates Will Increase

Should the Town of Digby and the Board of Public Utilities approve the Digby County Power Board will raise rates. While the superintendent, Stewart MacNaughton, had said that the increase in rates by the Nova Scotia Power Corporation did not directly effect D.C.P.B., he, in appearing before the Digby Town Council on Monday, said that the increase in rate which the Board will have to pay for the power purchased from the Corporation will reflect on the Digby County Power Board rates. Mr. MacNaughton had foreseen an increase which he felt was necessary for the D.C.P.B. irrespective of the Corporation

increase.

In placing his request for an increased rate before the Town Council and eventually to the Board of Public Utilities, Mr. MacNaughton, presented figures to the Council for their consideration.

Proposals for changes in the domestic two-wire service would see the base charge rise from 75 cents per month to \$1.00, and the minimum charge rise from \$1.50 to \$3.00 per month.

The energy charge will be 2½ cents per kilowatt-hour on the first 100 (formerly 40) kilowatt hours per month and two cents per kilowatt-hour for the next 100 (formerly 40) kilowatt-hours

per month.

In no case will the average price per kilowatt-hour on the whole bill, including the base charge, be less than 1 cent greater than the average unit cost to the utility.

On the domestic three-wire services the base charge will be raised to \$1.50 per month from \$1.00, with the minimum charge going from \$2.50 to \$5.00 per month.

Two and one half cents would be charged on the first 100 kilowatt-hours instead of 65, and the two cents per kilowatt-hour charged on the next 100 kilowatt hours, up from 65 kilowatt hours.

Stipulations as to the average

price per kilowatt-hour will be the same as those for the two-wire service.

For commercial lighting the base charge will be \$1.50 (formerly \$1.25) per month per kilowatt of connected load, or when a demand indicator is installed \$2.50 (up from \$2.00) per month per kilowatt of maximum demand.

The minimum bill will be \$5.00 or the base charge, whichever is greater.

For all electric customers two and one half cents will be charged on the first 150 kilowatt hours per month, instead of the former 100 kilowatt hours.

Alternating current power users will see their base rate

raised from \$1.00 to \$1.50 per month per H.P. of connected load, or when a demand indicator is installed, \$2.50 (formerly \$2.00) per month per kilowatt of maximum demand.

The energy charge will be 1½ cents per kilowatt-hour for the first 150 (formerly 100) kilowatt hours per month per H.P. of connected load or per Kilowatt of maximum demand, whichever is the basis of the service charge.

For combined lighting, power and heating customers, the base charge will be raised from \$1.00 to \$1.50 per month per kilowatt of connected load or if a demand indicator is installed, \$2.50 (formerly \$2.00) per month per

kilowatt of maximum demand.

The energy charge will be 2½ cents per kilowatt hour for the first 150 (formerly 100) hours per month per kilowatt of connected load of maximum demand, whichever is the basis of the service charge.

Only the base charge is to be raised for General Service Light and Power customers. This will rise from \$2.00 to \$2.50.

In street lighting the cost of each 100 watt lamp will rise to \$20.00 from \$16.00; the cost of each 160-watt lamp will go to \$25.00 from \$20.00.

The following increases will be experienced in street and outdoor lighting: each 125-watt Mercury from \$2.50 to \$3.00;

each 175-watt Mercury from \$3.00 to \$4.00; each 250-watt mercury from \$3.70 to \$5.00; and each 400-watt Mercury from \$5.00 to \$6.00.

The proposed increase is estimated between twenty and twenty-five percent in general.

Reporting to the Council on the financial situation of the Digby Light and Power Commission, Mr. MacNaughton said the year ended with a small operating profit but capital expenses of \$18,000, some of which had to be obtained from the Power Board brought the total debt of the Digby utilities to \$55,000.

Acaciaville Gets \$18,450 Grant

Central Mortgage and Housing Corporation has approved a grant of \$18,450.00 to the Acaciaville Women's Institute under the Corporation's Emergency Repair Program.

The program, designed to be carried out by community non-profit groups, provides urgently-needed repairs to

homes to make them habitable, especially with respect to health and safety, until alternative housing is available.

The Acaciaville Women's Institute in this year's program is planning to repair approximately 21 homes in and around Acaciaville and Conway near Digby.

The grant will be made in the form of four accountable advances of \$4,612.50 each.

Robert Robinson of Conway will be co-ordinator for the project.

was requested to check with the town work staff to see who might wish to go to Yarmouth on March 12 to a Workman's Compensation Board workshop on construction safety. Approval was given for payment of registration fees and expenses.

The resignation of Clifford Viditto as dog catcher was accepted, the resignation effective January 31. Expressions were voiced that the by-laws re dog-nuisance had no "teeth" in them and should be revised. It was decided to advertise for a dog catcher on a trial basis at \$1000 a year.

A building permit was granted to Emile J. Comeau to erect a seven room one storey house with partial basement on Prince William St. Sewage disposal is to be by holding tank at the present time but the permit stipulates that Mr. Comeau promise by letter to install a septic tank after a certain period if a sewer line does not go through that area.

Councillor Eileen Chipman, chairman of The Tourist, Publicity and Public Relation and her committee members were requested to choose a date for Natal Day. It was felt that the date should be chosen immediately and the committee was asked to pass the information on to Councillor William Reid, chairman of the Annapolis Valley Apple Blossom committee in Digby.

A letter from the Nova Scotia Housing Commission regional manager informed Council that J.J. Brittain is chairman of the Public Housing Authority committee in Digby.

Council was informed by the Ladies' Auxiliary Royal Canadian Legion that their organization is willing to sponsor a tea and ball for the choosing of a Digby Annapolis Valley Apple Blossom Festival princess. They suggested another service club join them in the project.

Request Bus Investigation

The Digby Regional High School staff has passed a motion calling for a complete investigation by the Digby Municipal School Board into the matter of authority over school buses. The motion expressed the dissatisfaction of the teachers and administration over the lack of concern shown for the safety of the students, by the operation of buses during stormy weather. The staff asks for a speedy reply from the Digby Municipal Board outlining who is responsible for the operation of buses and what guidelines the bus superintendent is to use.

The Teachers also called for a meeting of the Digby Local N.S.T.U. to endorse their point of view

What was expected to be a whole winter's work was done at Tideview Terrace from Thursday of last week until Monday of this week. Digby Red Cross supplied the necessary materials and women of Tideview went to work on quilting a quilt. Seen above, left to right are Mrs. Lottie Lewis, Rossway; Mrs. Lizzie Milberry, Bear River; Mrs. Violet Cann, Westport and Mrs. Christie Thompson, Westport. All are guests at Tideview. Mrs. Eleanor Rice, Head of the Nursing Department, looks on.

The quilt was taken out of the bars on Monday and the ladies prepared to do the job of binding.

"The How" Takes Precedence Over "The What"

A letter read at Digby Town Council on Monday evening from Allan Deveau, solicitor, Meteghan, acting for the Digby Church of God in an issue with Digby Town, brought on more debate on "how" the matter came to the Council table than the issue itself. The letter addressed to the Town Clerk had not been placed on the agenda for Monday night's meeting but was introduced by Councillor Eileen Chipman.

The matter first came to

Council at the monthly meeting on January 6 when the Church of God through Mr. Deveau offered the sale of their South End property to the Town for \$3000 in order to settle their claim on the Town for alleged trespassing on their property in laying a water line. At that meeting the town denied responsibility and stated the Town had acted in good faith in their participation in installing a waterline by the request of the Hyrech Co. Any dispute, they felt, should be taken up by the

Church of God with the Hyrech Company. A motion at that meeting placed the matter in the hands of the Town solicitor, R. Macleod Rogers, Q.C., and stated that the Town would act on the advice of the town solicitor. Mr. Rogers in the February meeting on Monday evening stated that he sent a letter to Mr. Deveau which apparently Mr. Deveau had not received before he wrote the letter in question, read at the February meeting.

\$4,500 Grant

Coline Campbell announced today in Ottawa on behalf of the Secretary of State, the Honourable Hugh Faulkner, that the Digby Multicultural Association will be receiving a grant in the amount of \$4,500. The chairman of the association is Mr. Shingai Nyajeka and the co-ordinator is Reverend George Bell.

The Digby Multicultural Association has been active in the past and has sponsored a number of activities for people of various cultural and ethnic backgrounds.

Attend Forest Ranger School

Three from Digby and nearby are attending the Maritime Forest Ranger School in Fredericton, N.B. They are Donald Arthur Robbins, Digby; Alyne Louis Robichaud, Meteghan and James Harry Shepherd, Granville Ferry. The announcement was made by R.H. Burgess, Deputy Minister of Lands and Forests for Nova Scotia and a member of the school's executive committee.

The Maritime Forest Ranger School was established as a co-operate affiliation with the University of New Brunswick. Mr. Burgess was a charter member of the instructional staff.

Actually, Mr. Burgess added, the term and title of forest technician covers a very broad field of occupation, with some graduates being employed in forest research projects of

Rev. Murray Shaw Inducted

Rev. Howard Hartlin, a former pastor at the Digby United Baptist Church gave the Induction sermon on Wednesday evening when the Rev. Murray Shaw, who took over the Digby church in December was inducted. The order of service was in charge of Rev. Wallace Jordan, assistant Moderator for the Digby - Annapolis Baptist Association.

Special music was presented by a quartet consisting of Dr. George Allen, Bridgetown; Rev. Eugene Thompson; Rev. Frank Guint and Rev. Mr. Shaw.

Miss Carol Dondale was soloist, rendering the vocal selection "He Will Feed His Flock". The church favored with an anthem.

Rev. Mr. Shaw said the entire service was most meaningful to him.

A social hour followed the Induction Service.

On Sunday next the Digby Baptist Church will broadcast on CKDY radio and on February 23 the Boy Scouts will attend the morning service at the Digby Baptist Church in a body.

CANADA WINTER GAMES MISSION STAFF responsible for the smooth operation of the Games relative to the Nova Scotia team left Halifax for Lethbridge, Alberta in advance of team members. Hand picked to provide administrative leadership during the Games, they are: left to right (front row) Bill Spurr, Valley Region Representative, provincial Department of Recreation, Windsor; Nancy Margeson, vice-president, Sport Nova Scotia, Dartmouth; Ken Bellemare, Chef de Mission and Co-ordinator of Sport, provincial Department of Recreation, Halifax; John Barr, President, Nova Scotia Lacrosse Association, Dartmouth; (back row) Dick Hayden, Furry Regional Representative, provincial Department of Recreation, Truro; Duff Montgomerie, Executive Director, Nova Scotia School Athletic Federation, Dartmouth; Joyce Myers, Director, Sport Nova Scotia, Tantallon, and Russ MacNeil, Cape Breton Regional Representative, provincial Department of Recreation, Sydney.

Curling at 91

Above W.H. (Pop) Hanson, age 91, impatiently waits for the Valley Congress High School Curlers to finish their bonspiel so that he and his curling comrades can get on the ice. High school spectators watch the games proceed at the Digby Curling Rink.

WHAT'S NEW IN EDUCATION WEEK?

In less than another month we will be observing Education Week. The dates are March 2 to March 8. Les Walker, chairman and his 1975 Education Week Committee in Nova Scotia have produced a special resource file which can be used by those who plan programs in connection with the special week.

We feel this is one of the best efforts that the Education Week Committee has ever undertaken. What makes it so important is the fact that the Graham Royal Commission report is on everybody's lips but full understanding by the laity is almost nil. Not that the laity is less clever but few seem to have the time or stamina to peruse such "voluminous volumes." The resource file synthesizes the report of the Royal Commission on Education, Public Services and Municipal Affairs in such a way that it can be readily read and digested in a short time. Recommendations set forth in the Graham Report effects everyone in practically all phases of their lives so it behooves everyone to take an interest and try to learn all the implications. The Education Week Committee is being most helpful in imparting this information.

So often the Home and School organization or some service organizations are looking for some meaningful program to present at their meetings not only in Education Week but throughout the year. The Education Week resource file has numerous suggestions for educational topics and goes so far as to suggest subjects which come under the topic chosen. Each topic suggested also advises what category of persons are best suited to carry on discussion under the topic chosen.

The resource file can be most useful. We hope that it might be put into good use. Certainly, a lot of time and thought went into its production and we congratulate the Education Week Committee on their efforts.

Hodge Podge

Ed Knowlton down in Rossway has been reading Hodge Podge. On the postal service he has this to add "A newspaper mailed from Cephryhills, U.S.A. on December 19, 1974 arrived on January 29 and a Christmas card, mailed first class from Vernon, Connecticut on December 13 arrived on February 1, 1975.

We really are not anxious that our readers make disparaging glances at Canada Post Office especially since we appreciate the Digby staff so much. They have always been most pleasant to work with. Our chief aim is to let our readers know that the delay in receiving their newspaper does not result from the printing office. They leave the place of mailing "religiously" every Thursday morning. This is an excerpt from a letter we received from Toronto: Today (Feb. 4) the Jan 30 paper arrived. That was fast. But I still have not received the January 16 or January 23 issue. That is laughable and you might be interested to know that on January 21, 1975 I received the December 26, 1974 paper. The P.O. put it down to the Christmas rush. Spoke with the postman this a.m. and he suggested I put a complaint again to the Post Office. Just can't understand how I could receive Jan 30 paper before Jan. 16. The postman said, if the paper is mailed on Thursday it should arrive no later than Tuesday." With all due respect to the Digby P.O. staff, if we keep plugging we might eventually get through to that Post Personal General commonly called the Postmaster General.

This is progress! There was a time when this editor was a school teacher and used the train for transportation, getting on board from a "two by four" flag station. That was some years ago in her early teens. Saturday we noticed the same type of flag used to flag down the train for stopping at Bridgetown. We tried to reason out whether that comes under progress or retrogress.

By the way, a letter was read at the recent council meeting of the Municipality of the District of Digby wanting to know whether the Municipality wanted the Bear River railway station at Smith's Cove torn down or left standing. In some places in other parts of the province some people feel they should be retained in the interest of our Heritage.

Haven't heard what Clare's assessment for 1975 amounts to but Digby Town and Digby Municipality together reach \$44,139,065. The whole County figures would be interesting.

More Comfort In Council Chamber

The matter of heat control and chairs for the Council Chamber at the Digby Town Hall was left in the hands of Councillor Eileen Chipman. Following the report on the Town Hall and Public Property at Monday's Council Meeting, Mrs. Chipman brought up the subject of the Council Chamber being uncomfortably cold. She wanted to know the location of the thermostat which used to be outside the Chamber door in the hallway. She requested it be returned. It was agreed that Councillor Chipman, after conferring with the finance committee, should take the matters in hand regarding the thermostat and chairs.

Another request placed by Councillor Chipman, when giving her report on Public Relations and Publicity, was to have the agenda of the regular meetings and the dates published in the newspapers. No action was taken on this.

The parking meter report was presented by Webster Dunn and the sewer and street reports were presented by the superintendent, Frank Robinson. Mr. Dunn reported the January take in the meters was \$333.01. Fifty-nine fines were issued and twenty-two of these were paid.

Seven calls were answered by the Digby Volunteer Fire Department in January. They were at Seabrook, Thibault

Road, Town and Country Garage, Shirley VanTassell property, Wesleyan Church, Jordantown and Marshalltown.

The R.C.M.P. through Sergeant Abel reported on policing the town. There were eleven court convictions under the Motor Vehicle Act, five offences under the Criminal Code, eight warnings issued and eleven parking tickets. Fines collected \$245.00. Mileage 1807 miles, a decrease over the last month of 200 miles. Other categories of offences cover fraud, thefts (unlocked vehicles), break and enter, mischief, indecent assault and property charges.

Nutrition - Health

Halifax--The nutritional status of Nova Scotians compares favourably with other Canadians, although there is no reason for complacency, Health Minister Bill MacEachern said today.

The province's Health Minister was commenting on basic findings of Nutrition Canada: Nova Scotia, released today in Ottawa by Federal Health and Welfare Minister Marc Lalonde. The 150-page compilation provides the results of a two-year survey of nutritional intake of more than 1600 Nova Scotians, and was released simultaneously today with reports for all Canadian provinces.

"The malnutrition shown in the data," Mr. MacEachern noted, "results largely from self-imposed habits, such as over-eating and inappropriate food selection, too little or no exercise, smoking, and our general, every-day life-style."

The results, he said, indicate that overweight, obesity, and blood cholesterol levels are health hazards of major proportion and warrant preventive measures.

Nova Scotia children under ten years of age appear to consume more calories than required, the survey showed.

Similar to the findings in all other provinces, the report shows Nova Scotia women, children, adolescents, and elderly men have poor reserves of iron, suggesting that anemia may result from this deficiency.

With the exception of elderly people, the survey indicates that the majority of Nova Scotians are getting enough protein.

Diets of most Nova Scotians also contain adequate amounts of vitamins. Groups consuming the least amount of food had the least satisfactory levels of vitamins. For example, people over 65 years had less satisfactory nutritional status. However, physical symptoms of vitamin deficiency, such as rickets or scurvy, were not found.

Nova Scotia's teenaged girls and children aged five to nine had a somewhat better intake of calcium than other Canadians.

The survey, held from 1970-72, was conducted in special clinics which carried out biochemical, clinical, dietary and physical measurements on men, women and children, in rural, urban and metropolitan areas, in low and upper income communities, and during summer and winter.

"Information in this report will give us a scientific basis for further research, for modifying legislation regarding addition of nutrients to foods, and for planning priorities for future public health and nutrition education programs," Mr. MacEachern said.

"Our future area of research in nutrition, no doubt, will be focussed on children," he said.

"The survey points to the importance of a properly balanced diet and a good variety of food for children."

Mr. MacEachern noted a number of initiatives his department is directing towards improving the nutritional habits of Nova Scotians. The department has nutritionists in all eight health units across the province who consult with public school teachers, school administrators, and utilize radio, television, and organized community groups as vehicles for public education. They also advise individuals and families.

THE GALILEANS of Saint John, N.B., will present two services of inspirational music and testimony at the Smith's Cove United Baptist Church on Saturday, Feb. 15, at 7:30 p.m., and on Sunday, Feb. 16, at 7:00 p.m.

This group of dedicated young Christians, with a desire to see souls saved and believers stirred, come presenting Jesus Christ as the answer.

Each of their lives has been changed because of a personal experience with the living Saviour. It is their desire that through their songs and testimonies their love for Christ will be felt by all who hear; that Jesus will become a living reality to others.

"THE HOW" TAKES PRECEDENCE OVER "THE WHAT."

Continued from page 1

In the letter read on Monday evening of this week Mr. Deveau revealed that he assumed the town was not doing anything about the contents of the previous letter and legal action would be taken March 1 when his clients would remove the waterline from the property and charge the expense to the town.

Councillor Chipman termed it "surprising information" and "scandalous" not to have placed the letter read on Monday evening on the agenda. The town clerk and Mr. Rogers took extreme exception to Mrs. Chipman's accusation by the words "suppression" and "scandalous". Other councillors contended that the matter had been left in the hands of the solicitor at the January meeting.

Mayor Patrick Comeau advised councillors that if they wanted to discuss things among themselves very well and good, but he wanted the council members to refrain from passing on verbal information obtained on the street. It should be properly documented information to place on the Council Table, he advised.

suggested that the province's program for persons 65 and over, pharmacare, should assist the elderly by making a larger portion of their limited budget available for better food choices. The pharmacare program covers the cost of most prescription drugs used by persons 65 and over.

"The efforts of health professionals, educators, government, the food industry and the population at large, must support each other," Mr. MacEachern said. "In the final analysis, responsibility for personal health rests with each individual."

Place baby's freshly-washed sweaters between two towels, go over them with a rolling pin; this "presses" them, and removes excess water. Let dry thoroughly on a third towel.

Make a paste of cream of tartar and lemon juice for hardwater marks on tub or sink. Let stand a minute or two, brush hard and rinse.

Nylon curtains and plastic furniture won't catch dust so easily if you add a few drops of white vinegar to the rinse water when you wash them.

Travels To St. Andrews, N.B.

Friday afternoon
February 7, at 4:45 p.m., ap-
proximately 70 players, coaches
and parents boarded the Saint
John ferry on the way to St.
Andrews, N.B. for a weekend of
hockey. The players were made
up of four teams: the Squirt
Reps, coached by M. Kinlock
and Fred Bates; Pee Wee Reps,
coached for this trip by Frank
Mackintosh; Bantam B team,
coached by Paul VanTassel;
and Richard Daley and the
Midget B team, coached by
Dave Lord and Brian Flanagan.

They were met at the Saint
John ferry terminal by two
school buses from St. Andrews
and all packed in for the sixty
mile drive to St. Andrews. On
arrival, they were shown to
dormitories.

For those who have never
been to St. Andrews, the
hockey arena and the dormi-
tories are all in the building,
as well as a cafeteria, bowling
alley, theatre, dining room and
curling club.

As soon as everyone was
unpacked, the Midgets dressed
for their first game. This game
ended in a 4-2 score for St.
Andrews.

At 7:30 a.m. Saturday
morning the Squirts started off
a day of hockey and were
defeated by St. Andrews 4-2. J.
Harriott, S. Staples and M.
Graham were the scorers for St.
Andrews and Marty Theriault
and Eric Balzer for the Digby
goals.

At 9:00 a.m. the Pee Wees met
the St. Andrews Pee Wees with
the final score being 4-2.
Scorers for St. Andrews were P.
Lord and J. Guptill with three
goals each and J. Sharkey and I.
Lord with one goal each. Dale
Stewart and Joey Hattie scored
for Digby.

The last morning game saw
the Bantams defeat St. Andrews
6-3, giving Digby their first
victory of the tournament.

At noon the boys were invited
to the St. Andrews players'
homes for dinner.

At 3:00 p.m. it was back to the
ice for the final game of the
tournament.

Digby Red Ravens

To Host Bantam

"C" Provincial Tournament

The Red Ravens will play
hosts to the Provincial Bantam
"C" Tournament to be held
April 5th and 6th. Due to the
lack of ice in the Digby Forum,
the Tournament will be played
in Cornwallis ice. However the
Digby team will battle the 11
other participating teams and
be responsible for all other
arrangements. After a late
start the boys have been
steadily improving and have
shown a lot of determination
and fine team spirit to do their
best under adverse conditions.

Practises are held at C.F.B.
Cornwallis every Thursday
morning from 8 a.m. to 8 a.m.
Ice has been rented in other
arenas whenever it is available
the only drawback being that
some games all have to be
played away. The team has
played a total of 12 games since
the 9th of January, when it was
formed. The record being 4
wins, 4 losses and 1 tie, with 39
goals for and 36 goals against.

Recently the boys chose as their
team name "Digby Red
Ravens". This is the old Town
Team name.

BANTAM "B" FLYERS LOSE TO CORNWALLIS

Last Thursday evening the Bantam Flyers played their first playoff game against Cornwallis. This was a hard fought game which ended in a 2-1 win for Cornwallis. Scoring for the winners were P. Graham and K. McCauley with one goal each. K. Locke scored for the Flyers. This was the first game of a two game total goal series in Provincial Bantam "B" playoffs. The second game of the series was played Tuesday evening at Cornwallis. The Flyers are sponsored by the Royal Canadian Legion Digby Branch.

BANTAM "B" FLYERS WIN AT ST. ANDREWS

On Friday afternoon the Flyers hockey team left Digby for St. Andrews where they played three games against the St. Andrews Bantam team. On Saturday morning at 10:30 the Flyers played their first game.

The game ended in a 6-3 score for the Flyers. Scoring for Digby were B. VanTassel, K. MacKintosh, B. Comeau, S. Raymond, B. Theriault, and S. Abell. The second game was played that evening at 7:30.

This was a close game with the Flyers hauling their goal tender in favor of a sixth attacker in the last minute of play.

This paid off for the Flyers by scoring a goal and ending in a 4 all tie. Scoring for the Flyers were B. Theriault, with 2 goals, K. Locke and B. Comeau with 1 goal each. Sunday morning at 11:00 the Flyers played again a very close game. With the Flyers trailing 2-1 with only 5 minutes left to play they scored two quick goals to win the game 3-2. Scoring for the Flyers were K. Locke with 2 goals and B. Comeau 1 goal. The Bantam "B" Flyers would like to thank Mr. Dave Lord for arranging this trip.

The Bantam "B" Flyers are sponsored by the Royal Canadian Legion Digby Branch.

Act Amended

A bill to amend the Settlement Act to provide that time spent in a home for special care as defined in the Canada Assistance Plan does not constitute residence for the purpose of the act was introduced in the Nova Scotia Legislature today by Social Services Minister Harold M. Huskisson.

The amendment means that payments for persons in homes for special care will be charged to the county or municipality where the patient resided rather than to the municipality where the home is situated.

Digby Shared In The Eight Million

Federal funds amounting to more than \$8 million have been made available for student and low income family and senior citizens rental housing in the Annapolis Valley area during the last few years. Sen. B. A.

(A) Graham, speaking on behalf of Urban Affairs Minister Barney Danson, said that this amount includes loans and other assistance in excess of \$3 million for projects recently completed or presently under construction. He made the statement Friday at the official opening of the Hants County Residence for Senior Citizens.

The Windsor project is one of several built recently in the Annapolis Valley area with the participation of Central Mortgage and Housing Corporation. Included in these are two in the Digby area. They are Digby, a 20-unit senior citizen apartment building, with a federal contribution of about \$245,000 which represents 75 percent of the capital costs, with the Province providing the remainder.

Church Point, a 20-unit senior citizen housing project with a 90 percent loan by the Corporation of \$280,106.

MacMurray of Smith's Cove; Miss Gladys Sulis, Digby; Mrs. Hilda Bremner, Lighthouse Road and Mrs. Helen Miller.

Among the gifts for the comfort and pleasure of the guests at Tideview Terrace provided by the "Friends" were separation curtains, table coverings, serviettes and other special and extra gifts to give a joyful atmosphere for the guests.

Honored on 80th Birthday

On Monday evening, Feb. 13 friends gathered at the home of Mrs. Odbur Dukeshire, Waldec East, to help her celebrate her eightieth birthday. Three of her children present for the occasion were her sons, Roy, Ronald and daughter Marion (Mrs. Thane Long). A daughter Marjorie, (Mrs. Walter Saari), phoned from Toronto, during the evening to extend best wishes. Mrs. Dukeshire received many cards and gifts, for which she expressed her thanks and appreciation. A pleasant social hour was enjoyed and delicious refreshments were served, including a

lovely birthday cake. Congratulations and wishes for many more happy birthdays were extended by all.

The 4-H Dudes

We might not win international fame But we're always willing to play the game We stand proud and straight, let everyone know Let us do our best, with honesty grow We won't change the world, the same it will stay But we'll never dishearten come what may We'll do our best to help our fellow man We'll do willingly, with honor we'll stand Together we'll learn by doing each day We'll learn some things that will forever stay We're called the 4-H DUDES and we're quite proud Let us shout it out to all clear and loud

Land Leasing

For Farmers

The first land leasing agreement under the Department of Agriculture and Marketing's farm land leasing and land bank program was approved Friday by Agriculture Minister Jack Hawkins with Churchill Brothers at Overton near Yarmouth.

The Agriculture Minister said the objective of the program is to provide assistance for the production of agricultural products in the province by acquiring land of high agricultural capability for development and subsequently leasing such lands to selected bona fide Nova Scotia farmers to augment a scarce land resource.

A supplementary objective, the minister said, is land acquisition, to consolidate and develop high capability agricultural lands for the purpose of establishing farm units for subsequent leasing to new entrants in primary agricultural production.

The Agriculture Minister noted that the policy was not designed to replace any of the department's existing policies. Farmers who wish to buy land are still eligible for loans under the Farm Loan Board including interest forgiveness and the benefits that accrue to young farmers.

Mr. Hawkins said the policy was designed to meet the requests of farmers, farm organizations and citizen groups interested in land use planning, to protect and preserve good farm land that is going out of agricultural production.

The minister said the policy will assist the department in buying land and making it available for farm expansion and the development of new farms on a permanent basis so that it will always be available to the agricultural industry.

The Agriculture Minister said another major advantage of the policy is that it offsets some of the large investments of capital required to keep farming operations viable. Land leasing allows the farmer to pay for the use of the land only, and use the available capital for expansion in other areas of his operation.

Mr. Hawkins said that as experience is gained the policy

can be improved and developed so long as its primary goals are being met.

The farm land leasing policy and land break policy is administered by the Agriculture Department's extension and economics branch with purchase of land for the purpose being made by the Nova Scotia Farm Loan Board, the minister said.

The 275 acres at Overton acquired by the province is being leased by the Churchill Brothers, a partnership unit, which has a 385 acre farm adjacent to the property. With a dairy operation, Churchill Brothers have a total of 162 head of cattle with 88 milking cows and ship 3,750 pounds of milk a day.

The additional acreage being leased from the province will enable them to grow their own forage crops sufficient to meet the needs of their herd, the minister said.

Mclsaac Talks On Graham Report

J.R. Mclsaac, Mayor of Bridgetown, formerly supervisor of Bridgetown Schools, addressed the Bear River Firemen's Banquet on Tuesday evening at the I.O.O.F. Hall. The banquet was the annual, sponsored by The Commissioners for the Bear River Fire Protection.

Presiding over the banquet was Fire Chief, Allister Milner. Mayor Mclsaac admitted that the Graham report was too voluminous to carry about, it is lengthy but thorough, well thought out and has created a lot of interest. It has a lot of credits, he said.

Mayor Mclsaac said that Dr. John Graham expected opposition to the report, he didn't think he was altogether right and all others were all wrong. Dr. Graham, he said, was concerned for the first three months after the report was published that there was no reaction. He feared the report would be put on the shelf.

The speaker drew particular attention to the emphasis on public services in the report. There is nothing more im-

portant than public services, Mr. Mclsaac said, for our very lives centre around them.

These services he said are not adequate, they do not meet the needs of all or are not available to all people. The Graham report spells out by whom and how the public services should be paid. It recommends a two part service viz general services with all people equal and looked after by the provincial government and local services which are the responsibility of local governments.

Already, the speaker said, general services are divided so there must be a re-division of taxation. With the province having exclusive right to levy taxes on all companies or industrial property and the municipal government the exclusive right to tax residential properties, it probably will work, he said.

The crunch of the matter Mr. Mclsaac said is in the reorganizing of municipal and local governments. There are 65 units of government in Nova Scotia covering city, town and municipality. The Graham report feels these to be cumbersome, he said. They propose 11 units with metropolitan areas of Halifax, Pictou and Cape Breton. County councils would not be used and power of town councils would be greatly

THE DIGBY COURIER

reduced, Mr. Mclsaac said. The tax system would have to be revised and the whole system of government revised. The speaker asked "How much do we want these? When? Have these proposals been evaluated?" Mr. Mclsaac said it is quite clear that the proposal is for greater efficiency but he asked "Is it necessary?"

Not everybody, he said, is happy with the proposals. Some suggest, Annapolis and Digby make up one unit instead of Annapolis being connected with Kings and West Hants in the biggest of all the units. Annapolis will be on the fringe area of that large unit if the divisions are as proposed in the Graham Royal Commission report.

Mayor Mclsaac dealt with the Graham report which has a large section devoted to fire services. Some of the proposals Mr. Mclsaac saw as good but of others he was fearful and suggested a cautious approach and careful study. He felt a Select Committee of the House study the issues and find out what the people think. Nothing was mentioned in the report on a mutual fire department. Mr. Mclsaac felt that volunteer firemen were essential to the economy of the country and saw some weaknesses in the Graham proposals.

Speaking in general terms the Bridgetown Mayor said the Graham report could shake the whole foundation of government and the people want to be sure of the steps they take and he suggested that the provincial government take a cautious approach and carefully consider the issues before they are implemented. He encouraged his listeners to assess the values and press their own views, adopting only those of the report which seemed inclined to a better system.

The banquet hour was opened with prayer of thanks by Rev. R.R. Winchester and a welcome by Mr. Milner. Mr. Milner gave a resume of the Firemen's activities for the season which included the purchasing of new equipment, a successful Cherry Carnival with revenue to apply to the hall and ground and there was good attendance at all the meetings which was encouraging.

Commissioner Howard Yorke reminisced on the inauguration of the Bear River Fire Department when Clayton Harris, Aaron Darres, Ed Chalmers and Mr. Yorke went to Aylesford in November 1949 to purchase fire fighting equipment. They had borrowed \$20,000 at four per cent for 20

years. Today, he said, Bear River has an up-to-date fire department and a Ladies Auxiliary which is doing a fine job. He thanked the Volunteer Firemen for the re-decorating of the fire hall and paving the front of the building.

Other speakers were regional fire chief, Cecil Slauenwhite of Lawrencetown and Rev. R.R. Winchester, president of the Bear River Board of Trade. Mr. Winchester told of the Board of Trade project working toward in-corporation of the Village of Bear River while Mr. Slauenwhite gave words of praise for volunteer firemen.

Also present were Mrs. Slauenwhite and Miss Jane Fraser, 1974 Cherry Carnival Queen and Mrs. Mclsaac. Miss Fraser drew tickets for several prizes which were distributed and Mr. Milner presented gifts to Mr. and Mrs. Slauenwhite who have attended of the Bear River Fire Commissions' banquets.

Flowers donated for the tables from Cameron's Florist and Flowers by Gabrielle were acknowledged.

Celebrate 25th Wedding Anniversary

Carman Frankland head lighthouse keeper at Point Prim and Mrs. Frankland celebrated their silver wedding anniversary.

Mr. and Mrs. Frankland were both born on Grand Manan Island but were married in Norton N.B., River Bank Memorial Church by Rev. A.S. Carpenter on Jan. 31st, 25 years ago.

On Jan. 4th the Franklands celebrated this special occasion with a dinner for invited guests at the House of Wong in Digby and a reception in their new home. The Host and Hostess for this momentous occasion were Mr. and Mrs. Dwight Frankland and his sister, Miss Joanne Frankland.

They were assisted by Mrs. Thomas Sabeen and Mrs. Mabury Ossinger.

There were approximately 43 guests present with out of town guests from Halifax and Grand Manan.

Gifts of silver, crystal and money were received as well as flowers, letters, cards and phone calls.

The Frankland family moved to Bay View in 1963 where Mr. Frankland had been transferred as head lightkeeper for Point Prim. Previous to this he had served as lightkeeper at Long Point, White Head Island Head Harbour Campbello Island, Machias, Seal Island Light and Garnet Rock Light.

The Franklands have one married son, Dwight serving with the RCMP presently stationed at Newfoundland and a daughter Joanne at home.

Weddings

KING-WARREN

A lovely late Autumn wedding took place at the Smith's Cove United Church when Barbara Louise, daughter of Mr. and Mrs. George Warren, Smith's Cove, was united in marriage with George Douglas, son of Mr. and Mrs. Jack King of Digby. Of special interest is that this was the first wedding held in this church. The building now is under the Smith's Cove Historical Society.

Rev. Ronald Stevens officiated at the double ring ceremony. The organist was Mrs. Alice Blacklock of Clementsport.

The bride, given in marriage by her father, was radiant in her floor length gown of yellow polyester crepe trimmed with white flowered lace around the waist and on the full sleeves. Her nylon tulle illusion veil was shoulder length. She carried a bouquet of dried autumn flowers.

Sister of the bride, Miss Linda Warren, was maid of honor. Miss Joy King, sister of the groom, was bridesmaid. They wore matching floor length gowns of green polyester trimmed with white and yellow lace around the waist.

Tom Cleveland, Jr., close friend of the groom, was best man. Ushers were Peter Amrault, friend of the groom, and Darrell Warren, brother of the bride.

For her daughter's wedding, the mother of the bride wore a street length light blue ensemble and a corsage of blue tinted carnations. The mother of the groom wore a floor length gown of peach polyester crepe with a lace bodice. Her corsage was of peach tinted carnations.

Following the ceremony, a reception was held in the Smith's Cove Community Hall. Guests were served by friends of the bride.

The toast to the bride was given by MWO Harry R. Sulis, CFB Cornwallis, and the toast to the groom was given by Tom Cleveland, Jr., to which the groom responded.

The bride's table was centered with a beautiful three-tiered cake trimmed in yellow and white and topped with a bride and groom.

For her wedding trip to Halifax and in the Province, the bride wore a yellow flowered dress and a corsage of yellow carnations. The happy couple are residing in Yarmouth.

ROBAR-GORDON

The Marriage of Debra Lee Gordon, only daughter of Mr. and Mrs. John Gordon, Bear River and Clair Robar son of Mrs. Aleitha Robar, Bear River East, took place at the United Church Manse.

The bride wore a floor length gown of white crushed velvet and polyester crepe. Her bouquet was of white mums and red sweetheart roses.

Maid of honor was Mrs. Rosemond Trimmer, who wore a light blue gown.

Best man was Mr. Wilbur Trimmer Jr.

Rev. Foster Hall performed the double ring ceremony.

A reception was held at the home of the bride's parents when the toast to the bride was made by the best man and was responded to by the groom.

The three tier wedding cake was cut and served by the bride and groom in traditional manner.

The happy couple will reside in Bear River where both are employed locally.

"Arranging a Registered Retirement Savings Plan is as easy as 1,2,3"

Jim Gillis, Manager
Digby

A lot of people look forward to their retirement. But they don't look forward to a reduction in income.

That's why the Royal Bank has available three separate Registered Retirement Savings Plans. If one doesn't suit your needs precisely, you can choose a mix of two, or all three.

Current tax legislation permits you to deposit up to 20% of earned income to a maximum of \$4,000 annually if you are self-employed or do not have a registered company pension. If you do have a registered company pension plan your combined contributions may be up to 20% of earned income to a maximum of \$2,500. Your contributions are deductible for tax purposes.

Give us a call today. We can assist you in making a meaningful choice.

1. Royal Bank Retirement Deposits

Your contributions will be placed in a special deposit account and you will receive an interest return geared to the general deposit rate structure. Because of the long-term nature of the deposits we expect the interest rates to be at the upper end of the scale. Each depositor is insured up to \$20,000 by Canada Deposit Insurance Corporation.

2. Equity Fund. Your contributions

are placed principally in Canadian common stocks. This portfolio is managed by professional analysts and economic consultants, who also manage well over \$100 million for other people and corporations. The emphasis here is in long-term capital growth with reasonable rate of return.

3. Income Fund. Your contributions

are invested in high-yield bonds, deposit instruments and in mortgages insured under the National Housing Act. The portfolio is managed by the same professionals, whose policy here is to achieve as high a current income as is compatible with maintaining reasonable price stability as well as moderate capital appreciation.

3 Registered Retirement Savings Plans for you.

Women's Group Uses Valentine Theme

The Women of the Missionary Society of Clementsport, U.B. Church met at the home of the Secretary, Mrs. Vivian Langille for their monthly meeting. The Service opened with Prayer and a meditation entitled "Teach Each to Love More and Hate Less". The devotional period was by Mrs. Sadie Ringer.

Roll was called by each one answering to their name with a thought read from Our Daily Bread Booklet.

Mrs. Vivian Langille presented the program, entitled "Wanted: A Missionary Heart." This being Valentine Month she used her theme on it's Valentine emphasis, and it's Heart Fund drives. She had a poster with

three hearts of which one was a growing heart, the second a glowing heart and the third a going heart. The third heart was a double heart that opened up to show the picture of a missionary she read about. It was Miss Muriel Bent, who is serving in Serango.

The development of a true missionary heart can well be summarized by a look at the life of Miss Bent, she said.

A social hour followed when Mrs. Langille served lunch. The next meeting will be with Mrs. Sable MacNinch with Mrs. Franklin Thompson and Mrs. Walter Berry having the program.

Clementsport School Boards Have Buffet Dinner

The Digby and Annapolis County School Board administrators associates attended a buffet dinner at the Royal Canadian Legion Hall Thursday evening at six-thirty, catered to by the Ladies' Auxiliary. The tables looked pleasing centered with bowls of winter flowers, covers were laid for seventy five people. The dinner was under the direction of Mrs. Bonnie Wile and Mrs. Phyllis Barteaux. The Buffet table was laid under the direction of Mrs. Hilda Windsor where trays of cold turkey, ham, salads and other food were found. This table was centered by a large salmon and looked natural and tempting. This was followed by dessert and coffee after which a business session was held with colored slides shown by Robert Potts.

The U.C.W. met at the home

of Mrs. Fred Potter on Tuesday afternoon, where eight ladies spent enjoyable time sewing quilt patches. Refreshments was served by the hostesses at the tea hour.

Sorry to report Roland Boudreau was unfortunate to fall on the ice on Saturday and sustained a broken ankle. Get well wishes go out to Roland and get well wishes also go to Roland's mother Mrs. Fred Boudreau who fell on the ice and fractured her left wrist.

A pot luck supper was held on Monday evening at the Parish Hall for the members of the Anglican Church, and was well attended. After the supper, a business session was held and new officers were appointed for 1975.

Mr. James Bennett of Halifax spent the weekend with his mother Mrs. Wm Bennett.

Clementsport

Mr. and Mrs. Franklin Thompson motored to Halifax on Wednesday, Feb. 5th. They were accompanied by Mrs. George Blacklock who went to the V.G. Hospital out patients department for her medical check up.

Miss Elaine Blacklock has gone to Lawrencetown, Annapolis Co. where she will be employed.

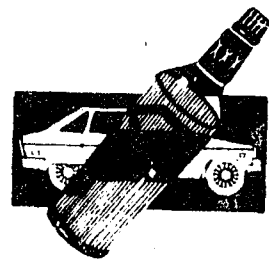

Sorry to report Miss Elizabeth (Beth) MacNinch not enjoying good health. We all hope she will be feeling much better soon.

Mrs. Ezra Potter was hostess to the United Church Women's Group at her home on Tuesday afternoon, Jan. 21st and on the 28th Mrs. Fred Potter of Upper Clements was their hostess.

Deepest sympathy goes out to Mrs. Ezra Potter in the sudden passing of her sister, the late Mrs. Watson Middleton (Nee Reta Rogers) at her home in Nelson B.C.

Mrs. Lucy Rawding is still a patient at the Annapolis General Hospital at time of writing. Get well wishes go out to Mrs. Rawding.

Mrs. Sable MacNinch was hostess to the Baptist Senior Sewing Circle on Tuesday evening of the 4th. The number was small but an enjoyable and pleasant evening was spent. Mrs. Franklin Thompson brought the lovely lunch. It was served by Mrs. MacNinch and Mrs. Thompson. Miss Elizabeth Potter will be hostess next week, weather permitting.

Smith's Cove

Phyllis S. Winchester Miss May Ellis, Port Maitland, was the weekend guest of Miss Katherine Weir. While here, Miss Ellis was honored by Miss Weir and Miss Isabel Cossitt on the observance of her birthday on Saturday. Out of town guests on Sunday were Mr. and Mrs. Robert Brooks of Lequille.

Mrs. Thelma Chalmers returned to her home on Tuesday, February 11, after being a patient at the Digby General Hospital for two weeks.

Mr. and Mrs. Eric Kinsman were the weekend guests of Mr. and Mrs. Douglas Saunders, Berwick.

Recent guests of Mr. and Mrs. Dean Tidd and family were Mrs. Tidd's brother and his wife, Mr. and Mrs. Floyd Trask, Toronto, and Rev. Harry Waugh, N.B.

Mrs. Freeman Sheppard and daughter, Judy, of Dartmouth, were weekend guests of her parents, Mr. and Mrs. Robert M. Winchester.

Mrs. John Berry, nee Sandra McKinnon, and her infant son, John, Jr., are staying with her grandmother, Mrs. Susan McKinnon, while Mr. Berry is attending a course in Saint John, N.B.

Members of the community are reminded that their Volunteer Firemen have resumed the bi-weekly cards and games parties to raise funds for the needs of the Fire Company. The first was held on February 1. Plan now to attend the next one and support these faithful workers.

Sincere sympathy of the community is extended to Mr. and Mrs. Dean Tidd and family on the death of Mrs. Tidd's brother, Surgeon A. Trask of Little River, who passed away last week.

Recent guests of Mr. and Mrs. Harry A. Sulis were Mr. and Mrs. Clifford Armstrong of Liverpool, and their daughter, Mrs. Earl Mosher, CFB Cornwallis. Also present were CWO and Mrs. H. R. Sulis, son and daughter-in-law, also of CFB Cornwallis. An evening of singing was enjoyed with Mrs. Armstrong at the piano.

Weekend guests of Mr. and Mrs. Roger Freeman and Peter were Mrs. Freeman's brother and his wife, Mr. and Mrs. Stanley Freeman of Nictaux.

On Sunday Feb 1st at 3 PM Pastor Rev. Wallace Jordan, along with Deacons, Mr. Franklin Thompson and Kenneth Robinson and several members of the Baptist Church of Clementsport gathered at Tideview Terrace and held a communion service for the aged and shut-ins. Service was opened with a Sing Song.

A solo was rendered by Deacon Kenneth Robinson, "Why should He Love Me So."

The Scripture was read by Rev. Mr. Jordan, reading from Psalm 23, prayer was offered by the pastor. A solo was also rendered by Deacon Franklin V. Thompson, "Neath the Old Olive Tree."

Miss Elizabeth Potter, presided at the piano. A solo was rendered by Pastor, Rev. Wallace Jordan, "Each Step I Take." Another portion of scripture was read by the Pastor on the Breaking of the Bread, and the Cup.

One of the Members of the Home gave the Prayer on the Blessing of the Passing of the Bread and Cup, with Miss Potter at the piano, playing the familiar Hymn, "It is well with My Soul", followed with prayer by the Pastor, Rev. Jordan. The Service was closed by all joining hands by singing Hymn, "Blest Be the Tie that Binds." The benediction was given by Pastor Jordan.

Women's Institutes of Nova Scotia

"Direction for Tomorrow" was the theme of a two-day workshop held in Halifax for the Provincial Executive members of the Women's Institutes of Nova Scotia. Co-ordinator of the workshop was Ms. Brenda Gorman, Supervisor of Home Economics, Dept. of Agriculture and Marketing. Mrs. Frank Norton, Coldbrook, Provincial President of W.I.N.S., took part along with fourteen members of her executive.

Sister Donna Brady, of St. Francis Xavier University Extension Dept., opened the sessions by having the Executive members take a look at their organization as it is today. During the first afternoon the W. I. members met with Mrs. Melinda MacLean, M.L.A., and Mrs. Sylvia Hudson, President of the N.S. Progressive Conservative Association. Issue facing rural Nova Scotia, problems of women and ways in which W.I.N.S. may become a more effective organization were all discussed.

Dr. John Graham, Dalhousie University, explained those part of the Graham Royal Commission's report of particular interest to rural Nova Scotia, discussing many aspects of the Commission's report, and answering questions.

On the second morning, Ms. Judith Maxwell, an economist with the C.D. Howe Research Institute, Montreal, explained the functions of the Institute and how it reads the economic future of Canada. The W.I. members were particularly concerned with the Agricultural industry, especially in Nova Scotia, and the problems arising from insufficient rural income and inflation.

Sister Donna Brady and the executive of W.I.N.S. spend the last afternoon of the workshop working on "Direction for Tomorrow" - the way in which the organization should go in the future. W.I. members agreed the organization could play a more active roll, by speaking out in issues, and taking stands on important matters. Several topics were mentioned and it is expected when the Executive meets for its next business session later this month, many of those topics will be dealt with.

Funds Available For French Curriculum Supervisors

The Nova Scotia Department of Education has agreed to meet the request of the provincial Committee on Acadian Education that additional funds be provided for the appointment of French curriculum supervisors in Acadian regions of the Province.

Appointments have already been made in some bilingual areas, and others will follow. Requests for provincial cost-sharing are made by school boards in the Acadian areas to the Education Assistance Committee of the Department of Education.

Minister of Education, William Gillis, said that such a step is much needed in the interest of improving the quality of programs offered in Acadian schools. He added that this approach to improving the quality of Acadian education is

favoured by all of the groups represented on the Acadian Education Committee, and that the Department of Education will continue to maintain the existing provincial consultant service to the Acadian areas.

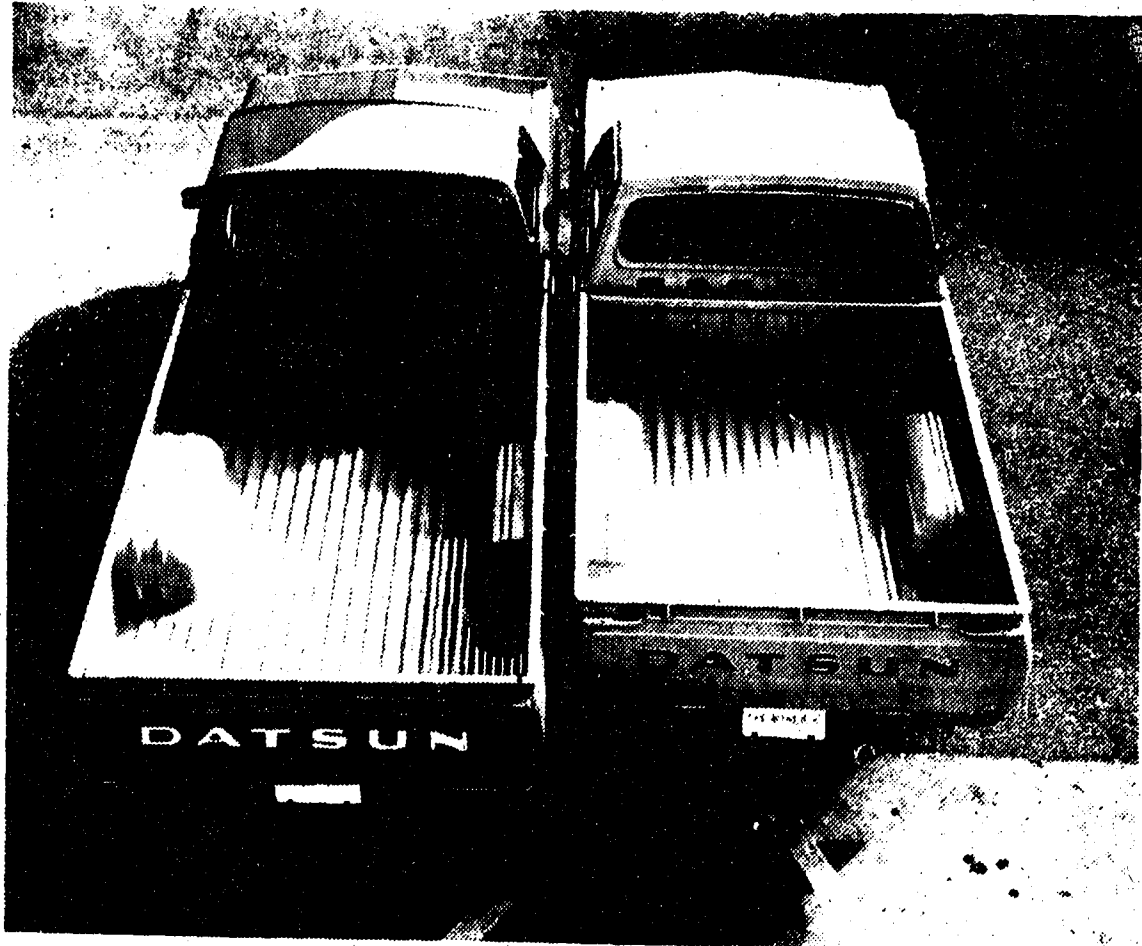

The Committee on Acadian Education was established in 1973 with a mandate to prepare a blueprint on Acadian Education that would meet with the approval of all sectors of the Acadian community. It has also reported on other points of unanimous agreement.

Included in these special objectives for Acadian schools, the Committee favors the acquisition of a good standard of French as an aid to confident communication wherever the language is spoken. Further objectives include attention to Acadian ethnic identity, and the acquisition of the skills and knowledge to enable students to participate fully in "the democratic process of the Canadian mosaic."

There are four recognized Acadian areas in the Province where schools follow a specially designed Acadian Program of Studies. These are the Districts of Clare and Argyle, and Inverness and Richmond counties.

The Acadian Education Committee met last week at the Department of Education in Halifax.

1975 Datsun Sporttrucks. Now in King-Size or Regular.

And still hundreds of dollars less than all other trucks.

Since its introduction, the regular Datsun Sporttruck has been North America's biggest selling small truck. During the week, people found that its muscle more than matched its size, hauling up to 1440 lbs. of just about anything and everything. On the weekend it let them pack up their camping equipment or trail bikes and head for the wilderness in style. And when they priced it, they found this best seller was the best buy.

Now there's another Datsun Sporttruck, King Size. It's a truck and a half, with all the famous features and standard equipment of the regular Sporttruck, but with a longer wheelbase and bed for hauling longer loads, like a snowmobile or a load of lumber.

Maybe your next car should be a Sporttruck, in King Size or Regular. See your Datsun dealer today and compare his prices with all the rest.

How To Battle Hay Shortage

A survey of hay supplies in the province conducted by the soils and crops branch of the Department of Agriculture and Marketing last month revealed that a 1,500 ton deficiency exists, Alex L. Henderson, an agronomist on the staff of the department, said today.

Farmers facing a feed shortage are advised to first calculate their existing supply, the amount used per day, and the amount needed to complete winter feeding.

Several adjustments can be made in feeding which will extend feed supplies. Mature cattle may be restricted to 15 pounds of hay or 45 pounds of silage provided the difference is made up by feeding additional grain.

Another alternative is the use of grain as a substitute at the rate of one pound for each two pounds of hay. It is economical to make this substitution when grain costs \$135 per ton and hay is costing more than \$65 per ton. For heifers and calves, similar substitution can be made and also some adjustments in management will be necessary.

Straw provides an opportunity to save on hay if it is available. Since it contains about half as much nutrient value as hay some additional

Ski-Doo Heaven

Digby County seems to be the Ski-Doo Heaven for snow-minded people this year. The trails are well covered and in good condition for the most part. Trees laden with snow, soft snow falling, fresh air and good companions make Ski-dooing one of the popular winter sports. In back of Weymouth there are several camps where travellers can stop for coffee and lunch, to warm up, and socialize a while before continuing on their way. Nobody is a stranger.

grain should be used. When weather and snow conditions permit, cattle can graze stover or corn crops that were not harvested. Less feed will be wasted when the stover or corn is fed by a strip grazing technique.

Some "opportunity feeds" could offer relief among which are cull vegetables, apple pomace, potato waste, and other edible by-products.

It is recommended that farmers discuss needs with their feed dealer who may be able to suggest other feeds or by-products. Any adjustments in cattle feeding should be made slowly and farmers who require additional information should contact the Agriculture Department's Livestock Services Branch in Truro.

Seedlings Available

The Department of Lands and Forests will be making a quantity of seedling conifers available to schools, youth groups, boy scouts, horticultural clubs, and any other such organizations in the Province which wish to plant these on school or community property on Arbor Day, or on Environment Day, as it is called in some localities. Hon. M.E. DeLory, M.D., Minister of Lands and Forests, said.

Over the past two years, the Provincial Forest Nursery at Lawrencetown, Annapolis County, has supplied upwards of 25,000 seedlings for this purpose, Dr. DeLory said "and I am pleased that we are able to make these available again this year."

The Nursery, the Minister advised, has lots of red pine available for distribution, as well as limited numbers of white pine, Norway pine, black spruce, red spruce and white spruce. These will be made available, free of charge, on a first-come, first-served basis.

Groups wishing to order trees may do so by addressing their requests to the Provincial Forest Nursery, Box 127, Lawrencetown, Annapolis County, specifying first choice of species, number requested, and date of delivery preferred. Prepaid delivery will be by commercial carrier.

A committee was named to prepare the program for the World's Day of Prayer to be held on March 7.

Mrs. Ernest Frost presented the program, "Stepping Forward". A duet, "How Long Has It Been" was sung by Mrs. Clifton Frost and Mrs. Elaine Addington, with Mrs. Edgar Trask pianist.

At the close of the meeting a social time was enjoyed with refreshments served by the hostess, assisted by Mrs. Clifton Frost and Mrs. Royce Elderkin.

Educational Program

The Ministers of Education of the Atlantic Provinces have announced formal government co-operation on regional provisions of new and extended educational programs and facilities for the provinces' visually and aurally handicapped.

An agreement to that effect has been signed by Hon. Gerald Merrithew, who has recently assumed the New Brunswick education portfolio; Hon. William Gillis of Nova Scotia; Hon. Bennett Campbell of Prince Edward Island; and, Hon. Gerald Ottenheimer of Newfoundland.

Under the regional agreement, a special education authority is to be established, with its control vested in a twelve-member board of governors. Each province will appoint two members to that board, in addition to the Deputy Ministers of Education of the Atlantic Provinces.

As its initial task, the newly appointed board will establish resource centres for the education of the handicapped in those areas of the Atlantic Provinces where local resources are lacking. In favouring a concept of decentralization, the provinces are following the recommendation of the 1973 Atlantic Provinces report of the special education within the community and of the community.

Accordingly, the Board of Governors is not required, under the terms of the agreement, to admit a handicapped person to a resource centre if suitable educational provision is available in the school district where he or she resides.

REALTOR**Branch Reports
Activities**

Rev. Ronald Stevens, President of the Digby Red Cross Branch, presided over the February business meeting of the Branch, which was held at the Court House with sixteen members in attendance. Minutes of the preceding meeting were read by Mrs. Percy Robert, followed by the Treasurer's report, presented by Mrs. J. J. Brittain.

Committee reports from the chairmen showed activity in various types of Red Cross work. Mrs. H.M. Warne, reporting for the Women's Work Committee, stated that two shipments of finished articles had been forwarded to Red Cross Headquarters in Halifax since the first of the year, including 222 Diapers, 170 Face Cloths, 50 Terry Towels, 40 Flannellette Blankets, 56 Dressing Sheets, 48 Sterilizing Covers, 2 Quilts, 6 Tropical Afghans and 2 Crocheted Afghans donated for the Blood Donor Service. Mrs. Warne thanked Mrs. Winfield for the latter, also two others which she had donated previously for the same purpose.

Special mention was made of the beautiful quilt on which the quilters were working during the meeting. The top, in an intricate pattern known as "Grandmother's Flower Garden", had been pieced and donated by Mrs. William Sutcliffe, and it was planned to sell the finished quilt by ticket as a further contribution to the Red Cross Financial Crisis Fund. Mrs. Warne also reported that the previous week materials for a quilt had been taken to Tidewater Terrace, where three of the patients had expressed a wish to do some quilting. It had been expected that this would take considerable time to complete, but the ladies had enjoyed the work so much that it was already finished and Mrs. Rice, Nursing Director, felt that it had been a very worthwhile project from their stand-point. Mrs. Warne also agreed that it had certainly been helpful from the Red Cross standpoint, and much appreciated.

The report of the Sickroom Loan Committee, presented by Mrs. Winfield, showed that much use is being made of this Red Cross service. Loans thus far this year have included 4 prs. crutches, 2 walkers, 2 wheelchairs, and a hospital bed with a mattress and a side. Articles returned during the same period have been 2 hospital beds, together with a mattress and a side, a walker, a wheelchair and 3 prs. crutches.

appointed to act in this capacity.

The slate of officers drawn up to serve on the Tiverton Improvement Association were as follows: Edwin Ossinger, president; Alger Sollows, vice-president; Clifton Outhouse, secretary and Jack Pyne as bookkeeper.

Foreman of the labor crew is Melbourne Elliott who is married and has three children.

The report of the Ways and Means Committee, also given by Mrs. Winfield, showed disbursements of \$14.16 for 3 additional pairs of adjustable crutches purchased, as well as the receipt of a \$5.00 donation for the use of crutches. Other receipts included \$9.67 from Tea collections and \$3.00 from the sale of an apron.

Reference was made to the coming Red Cross financial Campaign to be held in March, with James Gillis, manager of the Royal Bank, as Digby Campaign Chairman. It was reported by Harold Emerson that he had advised Mr. Gillis that the usual assistance in making up the canvassers kits would be provided by a group of the Branch workers. Mrs. Robert kindly offered her home for this project and Mr. Stevens agreed to arrange a suitable date with Mr. Gillis.

The meeting adjourned for the customary refreshments served by members of the Ways and Means Committee.

THE DIGBY COURIER

Laborers are Alvin Outhouse and Wayne Buckman of Central Grove, Digby Co., Frank Ossinger and Dale Elliott of Tiverton.

Projects that have been completed by the laborers in affiliation with the L.I.P. since their commencement in January of this year, have been mostly inside work. They painted the floors between the pews of the Christian church, constructed a washroom with panelling and ceiling tiles and installed washroom facilities at the United Baptist church and painted the floor of the vestry.

Extensive renovations took place in the I.O.O.F. hall. Mr. Pyne related that the men finished the stage in the hall by constructing a ceiling above it and utilized the space above the ceiling for a storage room. The speaker said prior to the installation of the ceiling they had experienced a heating problem. Now, he continued, there is a marked difference in the heating. Panelling was used to complete the structure.

Work was also done at the Fire Hall. A paint job gave the interior a new look. Panelling and ceiling tiles created a new office for the present secretary of the Tiverton Volunteer Fire Department, Edwin Ossinger.

In connection with the Fire Dept., a field was cleared of alders, etc. to provide a training field for members of Fire Dept. This is the first of its kind in the Tiverton area. Alders and other plants were cleared from the brook near the fire hall which will allow firemen to construct a dam for easy and instantaneous use of water in the event of fire.

At present work through the L.I.P. is at a stand-still. The inside projects scheduled to be completed during the cold weather have been completed. However, Mr. Pyne said an official of Halifax who is associated with the L.I.P. grants, visited the area and gave Tiverton workmen permission to postpone until the latter part of March.

OBITUARIES**Mrs. Emidy J. Melanson**

Mrs. Emidy J. Melanson, Clementsport, 64, died Tuesday in Halifax.

Born in Legeres Corner, N.B., she was the former Marguerite Eloise Surrette, a daughter of the late Christopher and Matilda Surrette.

Surviving are a daughter, Alice (Mrs. C.R. Mills), Richmond, B.C.; four sons, J. Raymond, Clementsport; Paul, Edmonton, Alta.; James, Victoria, BC and Edward; four sisters, Eva (Mrs. Fred Matheson), Montreal; Aurella (Mrs. James Davidson), Moncton; Marie (Mrs. Reginald Russell), Dalhousie, N.B.; three brothers, Frank, Thomas and Raymond, all of Dieppe, N.B.; a number of grandchildren.

Besides her husband, she was predeceased by a son, Gerard. Funeral was Saturday in St. Bernard's Church, Moncton. Burial will be in Irish Town Road cemetery.

EDWARD J. PAYSON

The death occurred on January 22, 1975, of Edward J. Payson, 1535 West 13th Avenue, Vancouver, B.C. He was born on December 25, 1888, at Acadia Valley, Nova Scotia, the son of Walter William and Annie Sarah (Journey) Payson. In 1913 he married Bessie Weir, of Deep Brook, N.S. After several years in Massachusetts and Digby they settled in Smith's Cove in 1926, where Mr. Payson built and operated the first automobile garage and service station. He was an Anglican and a Past Master of Keith Lodge, A.F. and A.M., Bear River.

In 1948, following a motor trip to Arizona, he settled in Vancouver, B.C. where he was actively employed until 1963. His keen interest in automobiles continued throughout his life. After retirement, he completed four return trips to his beloved Nova Scotia doing all the driving himself.

His funeral service was held on January 27 in Christ Church Cathedral, Vancouver, with many friends and brethren from Progress Lodge, A.F. and A.M., in attendance. Burial was at Boundary Bay Cemetery, Tsawwassen, B.C.

Grateful for the memories of a beloved husband and father are his wife, Bessie; son Austin of Phoenix, Arizona; daughters Barbara (Mrs. A.K. Sutherland, Victoria, B.C.) and Joyce (Mrs. D.B. Wolfe, Tsawwassen, B.C.); also a grand-daughter, Lois (Mrs. P.B. Walsh, Sidney, B.C.) and three great-grandchildren.

Mrs. Philip Robichaud

Mrs. Philip Robichaud, 78, of Meteghan Centre, died Monday in Dartmouth.

Born in Gilbert's Cove, the former Marion Ethel Oliver, she was a daughter of the late John and Laura (Melanson) Oliver.

Surviving besides her husband is one daughter, Lois (Mrs. Donald Kratzer), Fairfield, Calif.; one son, Harold, Lynn, Mass.

The body is at Meteghan Funeral Home, Meteghan. Funeral service will be held 10 a.m. Thursday in Stella Maris Church, Meteghan, Rev. Louis Comeau officiating. Burial will be in the parish cemetery.

George R. Benson

George Robert Benson, Bear River, 78, died Tuesday in Camp Hill Hospital, Halifax.

Born in Bear River, he was a son of the late Robert and Margaret (Young) Benson. He was a retired merchant and a veteran of the First World War.

Surviving besides his wife, the former Ethel Dimmell, are a daughter, Joyce (Mrs. James Dunn), Lansdowne; a brother, Harry, Bear River; four grandchildren.

The body was at R. McCleave's Funeral Home, Digby where funeral service was held 2 p.m. Thursday, Rev. R.R. Winchester officiating. Burial will be in Mount Hope cemetery.

New Tusket**(Mrs. J.E. Ford)**

NEW TUSKET - Mrs. Roy Prime of Pleasant Valley was a visitor Saturday at the home of her parents, Mr. and Mrs. Eldon Ford. During the afternoon Mrs. Ford and Mrs. Prime called at the home of Mr. and Mrs. Donald Mullen and they were supper guests at the home of Mr. and Mrs. Lindsay Ford, Southville.

Misses Sheila Mullen and Diane Blankhorn of Wolfville, and Mr. Arthur Thompson of Saint John, spent the weekend at the home of the former's parents, Mr. and Mrs. Clyde Mullen.

Mrs. LeRoy Sullivan and Mrs. Clyde Mullen motored to Wolfville, on Sunday, where they will spend a few days.

Mr. and Mrs. Cecil Prime and family were supper guests Sunday at the home of her parents, Mr. and Mrs. Donald Manzer in Ashmore. In the evening they attended service at the Smiths Cove United Baptist Church where the Galileans of Saint John, N.B. were presenting the service.

Eric B. Ellis

The many friends of Eric B. Ellis, West Wareham, Mass., will be sorry to hear of his passing on Sunday, February 9th. He had a small summer home, at Westport, N.S. where he and his family visited often, and everyone knew and liked him. He was born at St. John, N.B., April 18, 1909, but moved to the U.S.A. at an early age. He married Myra D. Welch, daughter of Amos Welch, Westport, at Somerville, Mass. He leaves to mourn his passing, his wife, Myra; one daughter, Charlotte (Mrs. Charles Heford) North Reading, Mass.; and two sons, Charles of Ded-bane, Mass., and Richard of Wareham, Mass. He also leaves three grandchildren, two brothers, Jack and Ronald as well as many nephews and nieces. He will be greatly missed by all. Internment was in Mount Auburn cemetery, Mass.

Clementsport**Mrs. Bertha Haviland**

Mr. and Mrs. Glenn Morris of Dartmouth, were weekend guests of Mr. and Mrs. Roland Boudreau.

Mr. and Mrs. Ronnie Lowe of Saint John were weekend guests of Ronnie's brother Jackie, Mrs. Lowe and family.

Mr. Duncan Chamberlain of Dartmouth accompanied by Miss Kathy Moser and brother Jackie were weekend visitors of Kathy's grandparents, Mr. and Mrs. Fred Boudreau.

Mrs. Betty Dondale was the lucky winner of the box of Laura Secord chocolates sold on tickets by the Ladies Auxiliary on Friday evening at the Royal Canadian Legion Hall.

Mr. and Mrs. Arnold Wilson were dinner guests at the home of Mr. and Mrs. Fred Boudreau on Sunday.

The monthly meeting of the Ladies Auxiliary was held on Tuesday evening at the Royal Canadian Legion Hall with Mrs. Billard, President, in the chair and eighteen members present. Mrs. Wilson, secretary, read The Minutes. Mrs. Haviland gave her report as Treasurer which was accepted as read. Reports of all committees were favorably received. Mrs. Elizabeth Dondale was welcomed as a new member, she was presently transferred from Digby Auxiliary. Plans were finalized for the Valentine tea and sale, also plans for future activities were under discussion. Meeting came to a close with the Queen after which refreshments were served by catering committee.

The Galileans

THE GALILEANS of Saint John N.B., thrilled the people who came this past weekend from Digby, and as far away as Yarmouth, to hear their witness in word and music of Jesus' love and grace. The sanctuary of the Smith's Cove Baptist Church, Rev. Wallace H. Jordan, pastor, was filled on Saturday evening when the group presented their first program with Norman Raynes and Charlie Denton emceeing. As the service progressed with the singing of Norman and Barbara Raynes, Connie and Ron Titus and Emily Jeans, the sweet music of Ruth Flewelling's violin virtuosity, Don Flewelling at the piano and Gerald McKay on bass, the witness of Gary Whittaker, hearts were stirred by the sincerity of these young people who came to tell of Jesus' love for them so that others may come to know Jesus Christ as a living reality. As a result several came forward to claim Christ as Lord and Saviour or to dedicate their lives to His service.

Over one hundred remained for a social hour following this service and enjoyed the fellowship of the group on a closer relationship.

Sunday morning, Ron and Connie Titus presented their testimonies at the Deep Brook Baptist Church. Norman and Barbara Raynes, accompanied by Ruth and Don Flewelling, shared their witness at the Clementsport Baptist Church. Gerald McKay and Gary

Whittaker also gave their testimonies of God's work in their lives. Several were moved to come forward at the close of the service for rededication.

Sunday evening, the Smith's Cove Church was overflowing with those who came to hear this talented group. Again hearts were stirred as they listened to the inspirational music and the testimony of Gary Whittaker, who told of how he had been brought out of the deepest degradation, resulting from taking dope and liquor, by the love of Jesus for him.

During this service, Norman Raynes called on Deacon Cyril Middleton of the Mount Beulah Church, Weymouth Falls, who presented his testimony in singing his favorite song, "He Touched Me." Mr. Raynes also called on the Smith's Cove Quartet, (Alice Brinton, Linda Carty, Debbie Milner and Phyllis S. Winchester) to sing and they responded by singing "Because He Lives."

The service closed with several young and old coming forward in response to the altar call.

The Galileans left immediately following the evening service and just made the ferry before it departed, but their witness remains with those who were privileged to hear them, and to share their fellowship in their homes.

**U.C.W. Has
Social Evening**

Grace United Church Women, Digby, began their meeting at the Church Hall on Tuesday evening by a short worship service. In place of business and the usual program, the meeting was turned over to an "Aunt Grace" social evening.

Mrs. William Clayton, assisted by Mrs. Milton Atkinson and Mrs. Boyd Ellis presented the Worship and also featured the Valentine theme. Decorations also had a Valentine flavor.

Following a sing-song led by Mrs. Atkinson and Mrs. Vincent Snow, pianist, the women entered a session of puzzles and games.

Highlights of the evening were gift presentations from "Aunt Grace" and the presentation of a gift to a former president, Mrs. Shirley VanTassel, who awaits a happy event. The president, Mrs. Benjamin Height and Mrs. Norman Wright made the presentation.

Almost a year ago each member of the U.C.W. had chosen a name from their membership to act as "Aunt Grace" to that particular member during the year. Each participant on Tuesday evening received a gift from their unknown "Aunt Grace". During the year "Aunt Grace" kept in touch with her charge by sending cards, letters, etc. On Tuesday evening the "Aunt Graces" were chosen secretly for the coming year. Refreshments were served.

**Plan Day
of Prayer**

Members of the North Range Baptist W.M.S. were entertained at the home of Mrs. Leslie Bacon on Tuesday evening, February 11. The meeting was under the direction of the president, Mrs. Clement Silver.

The devotional period, "Dreams and Visions" was led by Mrs. Hubert Sabean, a poem "Teach Me Thy Truth" was read by Mrs. Floyd McNeill, Mrs. Lloyd Grant read the Bible lesson and Mrs. Hubert Shortliffe offered prayer.

During the business period, plans were completed for the Women's World Day of Prayer Service, this will be held in the Baptist Church on Friday evening, March 7th. The theme for the Spiritual Life Message was "And the Greatest of these is Love," taken from I Cor. Chapter 13. The convener, Mrs. Floyd McNeill conducted this part of the meeting with all present taking part.

During the social hour, refreshments were served by Mrs. Bacon assisted by Mrs. Sabean and Mrs. Floyd McNeill.

Land Leasing Agreement Approved

The first land leasing agreement under the Department of Agriculture and Marketing's farm land leasing and land bank program was approved January 24th by Agriculture Minister Jack Hawkins with Churchill Brothers at Overton near Yarmouth.

The Agriculture Minister said the objective of the program is to provide assistance for the production of agricultural products in the province by acquiring land of high agricultural capability for development and subsequently leasing such lands to selected bona fide Nova Scotia farmers to augment a scarce land resource.

A supplementary objective, the minister said, is land acquisition, to consolidate and develop high capability agricultural lands for the purpose of establishing farm units for subsequent leasing to new entrants in primary agricultural production.

The Agriculture Minister noted that the policy was not designed to replace any of the department's existing policies. Farmers who wish to buy land are still eligible for loans under the Farm Loan Board including interest forgiveness and the benefits that accrue to young farmers.

Mr. Hawkins said the policy was designed to meet the requests of farmers, farm organizations and citizen groups interested in land use planning, to protect and preserve good farm land that is going out of agricultural production.

The minister said the policy will assist the department in buying land and making it available for farm expansion and the development of new farms on a permanent basis so that it will always be available to the agricultural industry.

The Agriculture Minister said another major advantage of the policy is that it offsets some of the large investments of capital required to keep farming operations viable. Land leasing allows the farmers to pay for the use of the land only, and use the available capital for expansion in other areas of his

Program On Safe Driving

All Canadians will have an opportunity to test their driving skills on Sunday, March 2nd, when the Canadian Broadcasting Corporation presents a one hour program called the "Canadian Drivers' Test"

Local listings should be checked for the time of nationwide telecast, which is being produced and directed by Bill Bolt and hosted by Allan Miller.

Multiple choice questions on correct driving procedures will be submitted to both the viewing public and a studio audience of 200. The studio audience response will be compared against two high-mileage professional drivers, one from Edmonton, Alta. and one from Moncton, N.B., and a university graduate from Toronto.

The program will make use of the Canada Safety Council's Defensive Driving Course films and materials.

First Aid Course Concludes at Bear River

A very successful St. John Ambulance Basic First Aid Course was concluded on Wednesday, January 29, 1975. This course was sponsored by the Oakdene Home & School Association and the instructors for the course were Chuck Rogers and Pete Pedersen. All thirteen persons taking the course were tested and will receive cards certifying them as Qualified First Aiders.

A special thank you was given to the Bear River Volunteer Fire Department who paid registration fees for any firemen taking the course and also to the Local Association of the Girl Guides who paid the fees of the two Guiders. Also many thanks went to Chuck Rogers and Pete Pedersen for their time and patience in working with the group.

Taking the course were: Six firemen: Frank Marshall, Lawrence Henshaw, Wilfred Boudreau, Tom Chmiel, Leslie Frost, Ron Brown; and seven ladies: Sylvia Johnson, Jean McLellan, Cheryl Fetter, Joyce Rice, Marjorie Tibbetts, Shirley Williams and Jean Marshall.

Queen of Hearts Chosen at Valentine Party

Queen of Hearts and handed out the Valentine cards exchanged by members, after which she cut the cake. Rev. Foster Hall sang an English love song, "Passing By," and the evening closed with refreshments served by the Social Committee. A happy evening was enjoyed and many new faces were seen in the gathering.

The next party is to be held on St. Patrick's Day, March 17th. The members are at present working towards the sale of handicrafts, pottery and home cooking to be held on Saturday March 29th. Two pottery classes are now in operation, one for non members of the Centre, conducted by one of the Centre; a quilting activity is also in full swing, and the Centre has been very well attended in the last month, despite the winter weather. (Or perhaps because of it, as members claim that it is the warmest place in Bear River.) Certainly those making use of the facilities are finding a great deal of pleasure in their activities, which is what New Horizons is striving to give to the older members of the community.

Mrs. Lawrence Copeland left on Tuesday, for Claresholm, Alberta, to visit her uncle, Kenneth Rice, who recently suffered a stroke.

Bits And Pieces From Bird Haven

It was 7:45 a.m., Saturday morning, the big spruce tree on the west side of the house was coming to life, a cowbird on every branch with a few starlings mixed in with them waiting for their breakfast. One particular starling was having his morning bath on a snow laden bough, he would duck his head in the snow then shake the snow over his body. He did this several times. Don't know whether he took time to shave before he joined the other fifty or more that by this time were devouring their grain.

There is a red-tailed hawk in the vicinity, found the remains of a cow-bird one morning. Of course, they have to eat to survive but I do hope he won't catch one of the white-throats, there are seven now and a pair of purple finches have joined my out door family.

Have had two casualties since last writing, my dear little Maryland yellow throat died after four happy years in the house. He was in bad shape when brought in, kept him in cotton wool in a strawberry box before I was able to clean the blood off his feathers. He had been a cat victim. The other was one of the beautiful Baltimore oriole, I am sending him to the ornithology department at Acadia, he did not appear sick in any way and had been eating well.

Have a number taken from a band on a duck at Joggin Bridge and will forward it to Laurel, Maryland for identification, so we will know where it was banded and when.

A report of a male cardinal feeding regularly at a feeding station in Weymouth.

I had a nice letter from a lady in Massachusetts telling me she had read "Bird News" in the Courier. That goes to show that the Courier is read and appreciated far away as well as at home.

She told me she had a pair of cardinals feeding at her feeder, the Southern birds are surely moving farther north.

A lady in Bedford wrote asking what to feed a female oriole they had caught at their feeder. I phoned her giving the proper menu and I hope it is doing well.

Had a visit from a naturalist from Greenwood last week, he had spent the day at Westport and enjoyed the different seabirds around the coast.

Have you heard the cow birds singing their babbling brook song? It really sounds like a real brook and is the first sign of Spring is on the way.

Thought this verse would fit in well this time of the year. You have to believe in hap-

piness Or happiness never comes, I know that a bird chirps none the less

When all that he finds is crumbs.

You will have to believe the birds will flow, Believe in the grass in the days of snow;

Ah! that's the reason a bird can sing - On his darkest day he believes in Spring.

So Long,
the Bird Lady

"Arranging a Registered Retirement Savings Plan is as easy as 1,2,3."

A lot of people look forward to their retirement. But they don't look forward to a reduction in income.

That's why the Royal Bank has available three separate Registered Retirement Savings Plans. If one doesn't suit your needs precisely, you can choose a mix of two, or all three.

Current tax legislation permits you to deposit up to 20% of earned income to a maximum of \$4,000 annually if you are self-employed or do not have a registered company pension. If you do have a registered company pension plan your combined contributions may be up to 20% of earned income to a maximum of \$2,500. Your contributions are deductible for tax purposes.

Give us a call today. We can assist you in making a meaningful choice.

- 1. Royal Bank Retirement Deposits** Your contributions will be placed in a special deposit account and you will receive an interest return geared to the general deposit rate structure. Because of the long-term nature of the deposits we expect the interest rates to be at the upper end of the scale. Each depositor is insured up to \$20,000 by Canada Deposit Insurance Corporation.
- 2. Equity Fund.** Your contributions are placed principally in Canadian common stocks. This portfolio is managed by professionals, backed by investment analysts and economic consultants, who also manage well over \$100 million for other people and corporations. The emphasis here is in long-term capital growth with reasonable rate of return.
- 3. Income Fund.** Your contributions are invested in high-yield bonds, deposit instruments and in mortgages insured under the National Housing Act. The portfolio is managed by the same professionals, whose policy here is to achieve as high a current income as is compatible with maintaining reasonable price stability as well as moderate capital appreciation.

3 Registered Retirement Savings Plans for you.

Digby Entertains Biddeford Hockey Players

At a game played in the Digby Forum on Monday afternoon, the Digby Red Ravens and the York County All Stars played to a 2-2 tie. Due to the warm weather the ice was slow making the boys work much harder, but it was an exciting game leaving both teams quite happy.

Following the introduction of players by Bill Eldridge of C.K.D.Y. Radio, the boys exchanged souvenirs. The puck was dropped by His Worship Mayor Pat Comeau and Digby Minor Hockey President, Frank Mackintosh.

Scoring for the visitors was D. Simpson from M. Boisseneault, and J. Gunn from C. Dallaire. Digby's goals were scored by M. Hyson from J. Perry, and D. Harvieux from R. MacAlpine. On Sunday the Biddeford boys were accompanied to Middleton by their hosts where they won their game 5-2.

Tuesday morning saw the boys up bright and early to catch the Princess of Acadia for

Buy at Home Boost by Tax Bill

A bill to amend the Health Services Tax Act to allow Nova Scotia to exchange tax information with the Government of Canada and other provincial governments was introduced in the Legislature today by Finance Minister Peter Nicholson.

The amendment, for example, would enable the Provincial Tax Commission to obtain the names of Nova Scotia residents who purchase goods outside of the province and for which the provincial sales tax has not been collected. The Provincial Tax Commission would then inform the purchasers that the seven per cent tax is owing.

Obtaining tax information from other reciprocating jurisdictions would be for the sole purpose of properly administering and enforcing the Health Services Tax Act.

Urged to Raise Standards

Lord Ashby of Brandon, master of Clare College, Cambridge, said that the messages of newspapers, magazines and broadcasts "cut deeper" into a child's mind than the bland English and arithmetic lessons learned at school. He was speaking to the wind-up session of a Dilemmas of Modern Man symposium which was sponsored by Great-West Life Assurance Co. as a Winnipeg centennial project.

He said most parents would be reluctant to take a small child to witness violence and murder. Yet most children living in a house with a television set have seen a score of murders on the screen by the time they are 10.

"The cure for this sort of thing is not censorship - it is education of those who control the media to lift their standard," said Lord Ashby, who is also chancellor of Queen's University in Belfast. "And we do this by demonstrating that their standards are lower than those of the public they serve."

Adelaar Re-Elected at Village Annual Meeting

Emanuel Adelaar was re-elected for a further three year term as a Commissioner of the Village of Weymouth at the annual meeting held in the Fire Hall on Tuesday evening, February 4 and chaired by Mr. Adelaar, who gave a resume of activities during the year.

The balance sheets and year end statements, which had been prepared by H. R. Doane and Company were circulated among those present. These statements showed a surplus of \$4,536 in the Ratepayers Dept. The Village had reduced the tax rate in 1974, which had been slightly increased in the previous two years to raise additional money to assist in building a new Fire Hall. However, as their application for an LIP grant had not been accepted, the Fire Hall had not been started. It is expected that the tax rate for this year will again be lowered and the Village rate would be 20 cents per \$100.00 of assessment; that is, five cents less than last year.

The report of the Electrical Department showed an excess in revenue over expenditures of only \$1,347. The lines are continually being upgraded with the installation of heavier wires and transformers as required due to the increased use of electricity and when it is possible to obtain same. Wire and transformers are becoming increasingly difficult to purchase. The past two years has seen heavy charges being made to this department in view of the temporary line which had to be built across the by-pass in 1973 and removed in 1974. It is noted that there was an increase of

\$2,250 in the operating revenue over the previous year but a larger increase in the operating expenditures for the same period of \$5,397. If this trend continues, it will of necessity result in higher rates being charged for electrical energy.

In the absence of the Fire Chief, R. M. Côtteau, a brief report was read by the Clerk which indicated an active Volunteer Department. The Village is awaiting further word from the Municipal Council of Digby regarding monetary assistance from them to more equably cover the cost of the fire fighting equipment covering designated outside areas.

Present Village officers are Commissioners, E. Adelaar, Sherman Prime, Morton Frankland and the Clerk & Treasurer, C. Willis Mullen.

 MARITIME TELATEL

ONLY NUTRITIOUS FOODS SOLD

"Children will buy foods if they are available," Nova Scotia nutritionist Mrs. Ruth Anne Sutherland of the Atlantic Health Unit, said.

"The findings of Nutrition Canada in Nova Scotia show that overweight, obesity and high blood cholesterol are major health hazards facing us," Mrs. Sutherland said. "But good eating habits can be encouraged - or discouraged - in our youth through school canteens."

Mrs. Sutherland was commenting on the sound example set by South Armdale School, which operates a canteen for students.

Orange, apple and tomato juice, vitaminized fruit drinks, milk, several flavours of ice cream, as well as raisins, apples, oranges, carrots, four varieties of nuts and cheese with crackers are the wide selection of foods available at the South Armdale School canteen.

Most popular are raisins and fruit drinks. In the last three months, sales of cashew nuts has doubled.

Nutritionist Mrs. Sutherland praised South Armdale School for its support of the canteen and teacher, Mrs. Sandra Pettigrove for her initiative in organizing the canteen.

The canteen does not carry any food which does not add to the nutritional value of the students' diet. Many foods and soft drinks are filling, but they are empty of nutritional elements and therefore, are considered "junk".

"Food habits are formed early in life," Mrs. Sutherland said. "With increasing age, habits become more rigid and difficult to change. It is important that students be given a good example and guidance in food selection."

"The results of Nutrition Canada might well be different if good foods were provided in schools," Mrs. Sutherland said.

"Besides, the operation of the canteen provides a great experience in management for the students."

Each day, a food order circulates around every classroom just before 9 a.m. Orders are taken and at recess, they are filled.

Not only does the canteen operation work smoothly, but it is making a profit.

The Halifax School Board recently adopted a list of approved foods (similar to the ones sold at South Armdale School) for canteens and cafeterias. The approved list was prepared by the School Board in consultation with a nutritionist and dental care expert from the Nova Scotia Department of Public Health.

With the introduction of nutritious foods into canteens and cafeterias, classroom teaching of nutrition and the practice of schools go hand-in-hand, rather than contradict each other, Mrs. Sutherland said.

Meet New Employees For Tourism Planning

Miss Jean Ross, director of development with the Provincial Department of Tourism, visited the Annapolis Basin Recreation and Tourism Council at their meeting held at the Officer's Mess at C.F.B. Cornwallis on Wednesday evening. Accompanying Miss Ross were two newly employed by the Department in the persons of Rick Young, co-ordinator of Planning and Ray Pierce, co-ordinator of Tourist Attractions and Events.

David Irvine, Smith's Cove, president of the Council, presided and introduced the representatives of the Department to more than thirty persons who attended the meeting.

A short business meeting was held before discussion with the Department personnel when Miss Sandra Robinson was elected to the office of secretary for the Council.

The Council sought advice on where the Department was going, how it could benefit the Council and how the Council might help it to arrive at desirable goals in tourism which might benefit the individual and local people. They sought information on benefits which are available to those interested in tourism.

It was noted that tourism dollars and cents do not remain on the spot but are multiplied and turned over ten times in such fields as hotels and motels, restaurants, service stations, groceries, candy and many other necessities and take-home gifts.

One project which the Annapolis Basin Recreation and Tourism Council has been looking into is a Scallop Festival. This coming under the jurisdiction of Mr. Pierce's department, he outlined procedures for such an event and spoke on festivals of this nature in other places.

Mr. Irvine as chairman of the Look-Out committee reported that nothing has been done to date in establishing a special area on the new road through Smith's Cove for a Look-Out over the Basin and Gap. Mr. Irvine said that the Department of Highways is afraid of a bottleneck. His intention is to write to the Departments' chief engineer.

Report on the Annapolis Causeway was given by Charles Bower, Granville Ferry. The

Council has been requesting better fishing facilities at the causeway and lower highway speed limits in that area.

No report was given on the Prescesky property, which was purchased by the provincial government for a park area. Gordon Price is head of the committee.

The Bear River Bridge committee reported that the railing had not yet been put on the "wharves" which remained after the old bridge was mostly dismantled. The two ends had been left by request of the Council. The committee also expected about fifty tables to be erected on the Annapolis side of the bridge. These have not yet been produced. It is understood that the Department of Lands and Forests have the necessary funds for this project but the Department of Highways are reluctant to proceed because of a turn in the road. A new boat launch has been supplied to the wharf.

These matters were brought to the attention of Miss Ross and the two new employees. The next council meeting will be March 12.

Above, left, Mrs. Shirley Van Tassell is being honored in recognition of her services having been a president of the Grace United Church Women, Digby. She was succeeded by Mrs. Benjamin Height. Doing the honors for Mrs. Van Tassell is a U.C.W. member, Mrs. Norman Wright.

Better Services For Mentally Retarded

by Mrs. LeRoy Hicks

Mr. Malcolm Jeffreys, Provincial Executive Director visited Digby area and attended a meeting with members and friends of the Mentally Retarded. Despite stormy weather there was a fair attendance. Services for the mentally retarded and funding was discussed.

It is hoped that within the near future, after survey of Digby county is completed the Association for Mentally Retarded will be able to provide services, such as: Day Care services for mentally retarded in space available at

the Childrens Training Centre, classrooms for the trainable mentally retarded, activity centres and workshops, and residential services for the mentally retarded. Need is there, will demand be there? We owe these people the rights which belong to them. Its rights not privilege. Mrs. Josephine LeBlanc, activity centre chairperson of Hope Fellowship Centre is attending a Level II course on activity centres and workshops, in Truro. The course is given by the National Institute of Mental Retardation, Downsview, Ont.

Marine Electrical Seminar

Ministry of Transport, Marine Safety Branch, Marine Services, Dartmouth, Nova Scotia will conduct a one day marine electrical seminar pertaining to standards required for electrical installation in small vessels, it has been understood.

The seminar is open to all tradesmen involved in the ship building and ship repair industry and members of the

public who are interested in boat building. It will be held at the Shelburne Vocational School, Shelburne, Nova Scotia, February 26, 1975 commencing at 9:30 a.m. to 4 p.m.

If other information is required, please contact Mr. C.C. LeBlanc in Dartmouth, Nova Scotia. Telephone Number 426-3336.

Important Notice

**FARMERS and FISHERMEN
Registration Policy Under
the Health Services Tax Act**

The Provincial Tax Commission is accepting "Applications for Registration" from bona fide farmers and commercial fishermen in order to provide them with a tax card with assigned number to be used when making purchases of items exempt under Section 10 (c) and 10 (e) of the Health Services Tax Act for use in their trade.

The tax card, with number, will eliminate the exemption form which has been in use since 1959, and is intended to assist farmers, fishermen, and vendors when purchases of exempt items are being made. Instead of an exemption form being prepared, the tax card number will be shown on the invoice or sales slip. This new procedure has been endorsed by the Nova Scotia Federation of Agriculture, the Nova Scotia Department of Fisheries, and has been well received by vendors, farmers and fishermen to date.

No change has been made in the list of items exempt to farmers and fishermen, and the use of the card is restricted to those items which have been exempt to these trades since 1959 under Section 10 (c) and (e) of the Health Services Tax Act and as defined under Section 9 of General Instructions held by vendors.

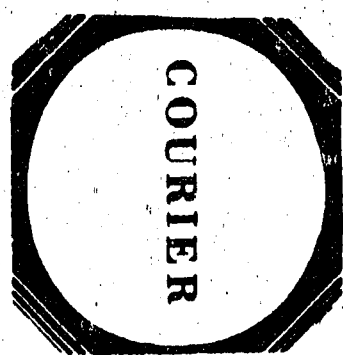

A considerable number of application forms have been distributed to farmers and fishermen, and the program has advanced to a point where the majority have been registered. It is therefore intended to set a cut-off date of April 1, 1975, at which time vendors will be required to charge tax on sales to farmers and fishermen where no tax card is presented.

Although certain qualifications have been listed on the application forms which may be considered restrictive, any farmer who is engaged in the production of agricultural products for sale may be considered to be a bona fide farmer even though his income from the farm may be less than the amount or percentage stated. This would apply to newly acquired farms in the building stage, part time farmers, marginal operations, etc., but would not include persons simply living on farm property or spending weekends on their farm or anyone else just growing agricultural products for their own use.

The same principle would apply to commercial fishermen and where income limits may not be met, the circumstances may permit his qualification as a commercial fisherman. If any person feels that he has special circumstances that would qualify him as a farmer or fisherman and therefore eligible for an exemption or registration card, he should outline his circumstances in the space provided on the application form, or on a separate piece of paper and submit it along with the application.

Farmers and fishermen not in possession of a tax card, and who feel they should be registered, are asked to contact the Provincial Tax Commission, P.O. Box 755, Halifax, Nova Scotia B3J 2V4, for an application for registration.

D. K. Currie
Provincial Tax Commissioner

Police Surgeon

The compelling, fast-paced police-medical drama series, "Police Surgeon," has returned to ATV for its third full season in a new time slot, telecasting Thursdays, 10:00-10:30 p.m. AST.

One of the most difficult jobs on the police force is that of a surgeon. Dr. Simon Locke, portrayed by Sam Groom, must work under the most hazardous conditions, often risking his own life while saving others.

Set in a large Canadian city, Locke's duties take him into many and varied situations. He must treat injured members of the force, care for injured prisoners, and go into the field prepared to face disaster.

The role of Simon Locke is extremely demanding. In a recent interview Groom explained, "I try to spend a lot of time with medical professionals, for example, spending a week with four doctors. Probably the most noticeable thing about medical personnel is they never get excited. They seem to have their emotions under control at all times and most of them are sincerely interested in their profession."

Co-starring with Groom is well-known Canadian actor, Larry Mann as Lieutenant Jack Gordon. He is a hard working, down-to-earth sort of person - someone Locke knows he can depend upon. If Locke is in a tight spot, Gordon will be right there to help out. He works himself to exhaustion, often giving Dr. Locke cause to reprimand him about his health.

In an interview with Marsha Erb of the Saskatoon Star-Phoenix, Mann commented, "I spend a lot of time visiting police stations and finding out the problems a cop is actually faced with. I find I'm getting more involved with the role. I now have much more understanding and sympathy toward the police officer and what his job involves than I did before I was involved with the series."

"Police Surgeon," filmed in and around Toronto, is produced by Chester Krumholz with executive producer Wilton Schiller for Smeo of Canada Limited and Doran Benwood Films.

Farmers Seek Tax Exemption

Wayne Comeau, Marshalltown was spokesman for the Digby County Federation of Agriculture when a delegation of the Federation appeared before the Council of the Municipality of the District of Digby on Monday regarding taxation for farmers. Present with Mr. Comeau were the Federation's president, Leonard Boudreau, Concession; the secretary, Stanley Boudreau, Concession; John Amero, Peter Balser and Bruce Giliatt, Agricultural Representative for Digby County.

Mr. Comeau in his presentation said that the Municipality of the District of Digby is the only district in the province with the system of taxation involving site and road frontage valuation. He proposed that where the Digby District farmers are at a disadvantage that bonafide farmers be immediately exempt from site and road frontage valuation and the assessment on all cultivated farmland under control (agricultural land under ownership or lease by a bonafide farmer for at least a five year period) of bonafide

farmers be reduced by twenty per cent as an incentive to stimulate the agricultural industry in the County.

The presentation was the result of a study by the agricultural Committee of the Digby County Federation. Mr. Comeau said that their aim is to make agricultural land much more productive which in turn will greatly contribute to the local economy of the whole area. Agriculture is the first basic need of any economy, he said and as agriculture grows, this stimulates the development

of secondary intermediate industry in the surrounding area. At the present time, farmers in Digby County are having a very difficult time in expanding their operations due to the high cost of agricultural land because of the pressures put on it for other uses. A strong, highly productive agricultural community, he argued, makes for a good, clean country-side for tourism.

At the present time, the site and road frontage valuation on agricultural land assessment puts a farmer near a major highway at a big disadvantage.

Today, the Municipality of the District of Digby is the only district in the province with this system of taxation, he continued. The effect of such an assessment is that the use of this land is uneconomical for agricultural purposes and it puts the farmer on a non-competitive basis with other farmers in the province. Agricultural products produced in this District cost more than those produced outside of the area, Mr. Comeau had in his brief.

To be more specific and to make a comparison, the

Federation brief told of a farmer in the Digby area who has an assessment of \$247.22 per acre on land lying next to a major highway that is being used solely for agricultural production while the general assessment for farmland in Digby Co. is \$50 per acre.

Mr. Comeau stated that if the farm were sold for a non-farm purpose the tax should then revert back to the usual method of assessment.

Councillor Arthur Rice felt that the systems in Clare and

Yarmouth and other counties should be studied before any action is taken. Ervin Marshall also felt it would be better to find out what others do before a decision is made. Councillor Helen McNeil felt farmers of today need all the help they can get to meet the rapid rise in equipment costs. Without farmers, she remarked, we are not going to eat.

It was announced that the arbitration committee (Digby Town, Municipality of Digby and Clare) found it feasible to engage a weed inspector for one year.

Digby County Power Board Raise Rates

Following prayer by Councillor Byard Marshall of Bear River the warden, Wilfred Swift, called the meeting of the Council of the Municipality of Digby to order on Monday morning. Most of the morning was devoted to business concerning the Digby Co. Power Board. Representing the Board were Stewart MacNaughton, superintendent and Milton Atkinson, accountant.

Although audited statements had not been prepared in time for the Council, Mr. MacNaughton gave a tentative statement of accounts from his own figures. He suggested that the Power Board should apply for a rate increase to the Board of Public Utilities in Nova Scotia.

Mr. MacNaughton mentioned the increases he proposed would raise the revenue for 1975 by \$39,000 based on the 1974 revenue. By motion Mr. MacNaughton was authorized to make application to this Board of Utilities for the increase proposed, although some councillors questioned whether the proposed increase was enough. No increase had been proposed by Mr. MacNaughton for energy costs. The same proposal of rate increase was presented to the Digby Town Council in February.

The subject came up about the utilization of the Sissiboo River power plant and what use the Nova Scotia Power Corporation was making of this source when the government has been concerned about shortage of power. Councillor Arthur Rice, said that as far as he could remember when the government purchased the generating plant that they promised to develop it. A letter

was authorized on Monday to be sent to the Nova Scotia Power Corporation; Hon. Gerald Regan, Premier and to the Digby M.L.A., Joseph Casey, requesting information on the kilowatts which the plant produces at this time and other pertinent information.

The motion passed at Monday's meeting requested the D.C.P.B. superintendent to have some form of contract for extension of lines drawn up and signed by the superintendent and applicant and also work out the cost sharing by the tax rate.

The fact that Digby County Power Board poles and wires withstood the October snow storm so well was cited in a discussion on advantages and disadvantages to selling the hydro operation. There was a bit of division on the subject of selling or not selling. Some felt that with total attention and a raise in prices would make the electric service in Digby County profitable.

Two other letters were authorized to be sent to the Minister of Finance and others requested elimination of sales tax for the Digby County Board. The other letter was also to be sent to Mr. Casey, Premier Regan, Mr. Pace, Department of Highways and additional people. This had to do with responsibility of costs involved in re-location of electric poles. The Municipality felt this should not be their responsibility but that it should be the responsibility of the Department of Highways.

The matter of having the Bear River railway station demolished or preserved as a landmark was tabled with Councillor Winchester offering to contact the Smith's Cove Historical Society.

THE SUM OF \$5,000 was donated by the Digby Branch No. 20, Canadian Legion to Digby Recreation Commission, to assist in replacing the ice making plant in Digby forum. The unit is a complete loss due to an explosion early in the season. Presentation was made by Jerry Campbell, left, Legion president, and receiving the cheque is Mrs. R. Hazellon, chairman of the special fund raising committee. Witnessing presentation are Carl Melanson, Legion treasurer, and R. Hazellon, chairman of Digby Recreation Commission, extreme right. Scouts And Cubs Have Busy Weekend

Digby Scouts and Cubs had an especially busy weekend when they put on a Bean Supper at the Digby United Baptist Church Hall, the 5th Digby Scout troop marched to the Baptist Church for worship on Sunday morning and the fourth Cub Pack were entertained on Sunday evening when the Knights of Columbus put on a supper at their hall.

Rev. Murray Shaw took as his theme for the special occasion on Sunday "It Is Not My Fault, basing his message on Genesis 3:1-14. Michael Burnham read the Scripture and Scouts receiving the offering were Michael Doward, Ronald Doward, Robert Dunn and Jamie Walsh.

The Youth Choir at the Baptist Church rendered three numbers at the morning worship with Misses Margo Levy and Miss Carol Robertson doing the special parts.

At the bean supper on Saturday evening the Scouts raised total \$197 and net funds of

\$140 for summer camp. The Scouts did the serving and special guests included His Worship Mayor Patrick Comeau; former mayors Willard Kinney, Glen Smith and V. Cardozo, who is now Judge of the Citizen Court. Also present were Joseph Casey, M.L.A., Judge Philip Woolaver, and other town and municipal parsonages. Overseeing the Scouts were Donald Brown; Jack Walley, group commissioner and Robert Elliott, leader. Mr. Brown spoke a few words of appreciation to Capt. Connors, CFB Cornwallis for letting the boys use the swimming facilities at the Base. Use of the hall was donated by the Church.

About sixty were present at the Father and Son banquet held at the Knights of Columbus hall on Sunday evening.

Guides And Brownies Visit Grace United

the bonspiel terminated on Saturday evening the "Pop" Hanson winning team won the "Pop" Hanson trophy. The presentation was made by MacLeod Rogers, Q.C., Digby Curling Club president.

On the winning team were Hymie Webber, Mrs. John Nichols, Zena Miller and Mr. Hanson. They defeated Jack Rosenthal, Mrs. Flo Grimmer, Douglas Grimmer and John Murray.

The Consolation winning team consisted of John Rogers, Meredith Cleveland, Donald Grimmer and Robert Morgan Jr.

Mr. Hanson, in whose honor the bonspiel was held, began curling in Amherst, N.S., in 1907. After leaving Amherst to come to Digby as greens caretaker at the Pines Hotel, Mr. Hanson had to lay aside curling for seventeen years because Digby did not have a curling rink. Since its inauguration Mr. Hanson has been a staunch member of the Digby Curling Club. He was club president and in 1952, he was made a life member.

Mr. Hanson is a native of Falmouth, Kings Co.

The first Digby Girl Guide pack and the leadership of Miss Marjorie McCormick and the first and second Brownie packs under the leadership of Mrs. Douglas Van Tassel and Mrs. Calvin Van Tassel Jr., marched to Grace United Church on Sunday morning where the Rev. Ronald Stevens based his special sermon on the passage of scripture pertaining to the wise man who builds a house on a rock and the foolish man who builds on sand.

Guides Nancy Reid and Kathy Donnelly were standard bearers who presented their emblematic flag to the Rev. Mr. Stevens for placing before the altar.

Miss Shelley Fletcher led the congregation in the responsive Psalm reading and Miss Kelley Fletcher read the scripture portion from which Mr. Stevens had based his sermon.

A special anthem was rendered by the choir under the direction of Mrs. Elton Arnold, organist, who also accompanied for two duets. The first duet was rendered by Misses

Calls Wildlife Meeting

A special meeting of the Nova Scotia Wildlife Federation Western Division has been called for Sunday afternoon, March 2 at the Digby East Fish and Game Association Lodge at Haynes Lake. The Meeting at 2 p.m. will follow a meeting of the Digby association which begins at one p.m. These meetings will be held to formulate Resolutions concerning the game laws pertaining to the Western Division and Nova Scotia laws of Conservation.

This meeting is sponsored by the Digby East fish and Game Association, being the most central location. Lunch and refreshments will be supplied by them and the Ladies Auxiliary. It's hoped that this will present a united effort of all fish and game associations, municipal authorities, trappers and invited guests from Lunenburg Co., Kings Co., west to Yarmouth and Shelburne.

There will be representatives from all fish and game associations in this area, and it is anticipated that some constructive programme for the Area will be forthcoming.

Heather Hoare and Karen Trask while those who participated in the second duet were Miss Nancy Rice and Miss Laurie White. Miss Rice, is a daughter of Mr. and Mrs. Sherman Rice and Miss White is from Amherst. Both are Mount Allison University students.

The offering was received by Misses Coleen Winchester, Julie Pyne, Arlie Hattie and Chris Mullen.

Mr. Stevens, in his sermon related the lives being built by people to that of building a house on a rock or on sand. God, he said, gave the raw material with which each must build his or her own life. The life built on a rock like a house will withstand the elements of doubts, temptation and passion. He mentioned persons of Bible times and of later years who built superficial lives and came to destruction like the house built on sand. "You have only one life to live," the minister reminded the Guides and Brownies. "You cannot go back to live it over again."

Joe Casey Speaks

Address in reply
Speech from the Throne
Second session
Fifty-first general assembly
Nineteen hundred and seventy-five
Halifax Nova Scotia

Mr. Speaker,
I, like the other members congratulate you on the excellent job you are doing as speaker of this house. I am glad and relieved to see you are enjoying good health as your good health is of great concern to myself.

Your decisions are prompt, concise and show good judgement. As the Member from Kings South says the Speaker is crisp and that's the way I like my speakers - crisp. Now for the Deputy speaker - I'm afraid I can't say much for him so we'll leave at that.

The Honourable senior member for Colchester did a remarkable job in delivering her throne speech debate. She was fluent and articulate and the Women of Nova Scotia should feel that they are ably represented by this excellent member.

Mr. Speaker,
The Honourable member for Kings North likewise, with his subtle humour and down to earth common sense, made a very impressive speech. This house would be the better if we had more like it. Wait to hear what I am going to say.

Mr. Speaker,
Last month, I was in Boston to a fisheries meeting, where several hundred Canadian fish processors met with American fish brokers, to discuss the future of the Fish business.

There seemed to be nothing

but gloom and doom in evidence at this meeting.

At this time, I was forcefully reminded of a sermon which was delivered by an old preacher in our fishing village, many years ago.

He said: There would be no buying or selling in heaven. This sermon came through, loud and clear and I found myself to be in complete agreement with the old fellow's text because I could see that heaven wasn't the place where our fishing business had gone.

This being as it may, I think this is no time to be pessimistic. We, in the Fishing industry, have found ourselves in similar situations over the years, with more dinnertimes than dinners and I consider myself to be an old-timer in the Trade. I am reminded of the Movie actor who had spent many years in Hollywood and also considered himself to be an old-timer. He said: He could remember the time, in that city, when children had more brothers and sisters than they had fathers. Besides being an old timer I like the Honourable member from Kings West. It means that we will have to economize, at every turn, work a little harder and above all, improve our product so that the average consumer cannot resist buying it. We must get full cooperation from governments, at all levels.

PEACE KEEPING FORCE
Mr. Speaker,

We should, at this very moment, be taking a positive approach regarding Canada getting complete control of the 200 mile limit. We have been talking about this control for a long time but seem to have made very few plans for the take-over.

Mr. Speaker,
We may well find ourselves in the position of the dog, chasing the car but when we catch it, will we know what to do with it?

Every effort should be made to maintain our fishing fleet at its present strength. We should have plans to start immediate expansion for the time when we are given that responsibility. At all costs, our boat yards must be kept ready to start an unprecedented boat building program. Our present fishermen must be persuaded to stay with their jobs and new fishermen trained for the expected expansion.

A fisherman is a very special breed of man. He must be tough physically and alert mentally. He must be willing to work long hours, under deplorable conditions. He must be able to get along with his chums, while living in close quarters with them. Above all, a fisherman must be an eternal optimist. Up to this time, Nova Scotia has been very fortunate indeed that we have turned out, over the years, goodly numbers of men who more than meet these qualifications.

To hold these men, greater compensation must be forthcoming. During the past year, fish companies have found it very difficult to do this as they have been mainly selling on a falling U.S. market, while being plagued by ever increasing operating costs.

"Pop" Hanson Wins "Pop" Hanson Trophy

W.H. (Pop) Hanson displays the "Pop" Hanson trophy with which he was presented on Thursday evening to offer to the winning team in the "Pop" Hanson Curling Bonspiel held in his honor at Digby over the weekend. Mr. Hanson is 90 years old. Winning team was that of "Pop" Hanson, with Hymie Webber, Kiki Nichols and Zena Miller.

Ten teams played at the Digby Curling Rink on Thursday, Friday and Saturday in the "Pop" Hanson Bonspiel held in honor of Digby's oldest curler and possibly the province's oldest curler, W. H.

(Pop) Hanson, now 90 years of age. The Digby Curling Club, on Thursday evening, presented Mr. Hanson with a trophy to be offered each year in competition and known as the "Pop" Hanson trophy. When

SCOUTS, GUIDES, BROWNIES, CUBS AND YOUTH IN GENERAL

Scouts, Guides, Brownies and Cubs have had a busy week as they endeavoured to do homage to their founder Lord Baden Powell of Gilwell. We are told that the first Boy Scouts came into existence during the siege of the town of Mafeking, in South Africa, during the Boer War. Baden Powell commanded the garrison and organized the boys of the town as uniformed messengers and lookouts, thereby relieving the soldiers for duty in the defences. He had also written a book for his army scouts, entitled "Aids to Scouting", and was quite surprised to find upon his return to England, that groups of boys had formed themselves into patrols and were practising scouting. Based on this individual enthusiasm, he organized the first camp for boys at Brownsea Island in 1907. The first Canadian troop was formed in Regina in 1909. The first girls joined the movement in 1909. Lady Baden Powell organized the International Girl Guide Association. Lord Baden Powell died in 1941, leaving behind a legacy for youth that will never die.

The Scout and Guide movement grew by leaps and bounds, not only in England but throughout the world. What a legacy to have left behind for the youth of our country! The influence continues through this day.

Too little being done by too few might be why we occasionally have had reason to complain about youth but, truthfully, it often is the person who does not turn a hand to help youth who does the complaining. There are others who are following in the footsteps of Lord and Lady Powell as leaders of youth and who will also have left a fine legacy to youth.

Maybe, too, that we spend more time broad-casting the negative side of youth than the positive side. Just last week we had occasion to drop in to the Coffee House run by the D.R.H.S. Winter Carnival Committee. We admired their theme "Togetherness," so appropriate for today, and we admired the graciousness with which the committee heads and their helpers received their guests, even to serving cups of coffee. It was really a joy to associate with the group over a cup of coffee and admire youth which so often gets tarred because of a few strays in their numbers.

Sometimes misbehavior by youth can be traced back to the home or the way-of-life in which their generation exists. The following verses puts a bit of the blame on us.

We read in the papers and hear on the air,
Of killing and stealing and crime everywhere;
We sigh and we say, as we notice the trend,
"This young generation - where will it end?"
But can we be sure it is their fault alone.
That maybe a part of it isn't our own?
Too much to spend, too much idle time,
Too many movies of passion and crime,
Too many books not fit to be read,
Too much evil in what they hear said,
Too many children encouraged to roam
By too many parents who won't stay at home.
Now kids don't make the movies, they don't write the books
That paint a gay picture of gangsters and crooks;
They don't make the liquor and they don't run the bars
They don't make the laws and they don't buy the cars.
In how many cases we find that it's true,
The label "delinquent" fits older folks too!

Hodge Podge

Slippery road conditions will be with us off and on for another little while. The smart driver is prepared for them. The Nova Scotia Highway Safety Council reminds us that bridges, shady areas and large culverts can be slippery even when the rest of the road is bare.

The brawl in Glace Bay which has cast a black eye on Nova Scotia as a whole involved drinking. One has to wonder if the drinking had not been involved if the incident might not have happened. What seems so ridiculous to some of us is the impression that because of the drinking these men should be excused. We just wonder how many of these drinkers might have gone in their cars and forgot to fasten their seat belts. After all, they might be excused for drinking but you must fasten that seat belt in case the drinking causes an accident. Which reminds us of a Highway Safety Seminar we heard about. Just as the seminar concluded and people were preparing to take off in their cars, it was announced by the Chairman that the bar was open.

Congratulations to Jack. Jack Brayley, a CBC commentator, along with five others received a certificate from the Hon. Jack Hawkins in appreciation of services rendered to the agricultural

Letter to the Editor

BEAR RIVER IN CORPORATION

Dear Madam Editor:

As you know, there is a move underfoot to incorporate the Village of Bear River under the provisions of the Village Services Act.

While I am not fully aware of all the details of the proposed incorporation, I do understand that it will mean election of Village Commissioners, a paid Secretary - Treasurer. In addition, the ratepayers would become responsible for such items, as police protection, sewage, a water system, fire rates, etc., etc.

All of these items are costly and to provide them through taxation of the property owners in the area to be included in the incorporation would increase taxes on these people tremendously. While it is understood the province would share in the cost of the services, the burden on the people directly could be a heavy one and one which the economy of the area is not likely to be able to support.

This matter is one to which I feel our town fathers should give second thought. As I understand it, the ratepayers of the area which would be included in any incorporation will also have the opportunity to express their views by a vote. It is my hope everyone will fully consider all that is involved, especially the possible cost factor, before casting their ballot.

Yours sincerely,
Louis Darres

JOE CASEY

Continued From Page 1

In my opinion, we should not abandon the co-adventure system but we will have to make it more attractive to the fishermen.

Some help has been forthcoming from Ottawa but more is needed to get us thru this period of recession.

One way to get more fishermen back to sea during the winter months, with an increase in their take-home pay, could be done by the following:

If the Unemployment Insurance Commission would allow the fishermen to catch more fish without cutting his benefits.

There is no incentive for a fisherman to go fishing when he can make well over \$1 hundred dollars per week by staying at home. In fact, he can't afford to untie his boat from the wharf.

Let me ask my fellow legislators to put themselves in the fisherman's shoes. Or should I say, rubber boots? If any one of you members got up at 3:00 a.m., looked out the window to find the wind was

industry. We single out Jack as he is considered by weekly newspaper publishers to be one of their number. The Atlantic Community Newspaper Association functions would not be complete without Jack and his wife in attendance. Well known professionally as a broadcaster and capable newsman, Jack Brayley is widely known in the Atlantic Provinces for his ability to take the activities of rural people and make them interesting and exciting, presenting the appeal of the rural way of life to a wide audience. A 15-minute CBC weekly broadcast, Neighbourly News, is as fresh today as when it was started some 25 years ago and at the same time helps to make the rural areas of Atlantic Canada an exciting and interesting place to live.

We heard this argued the other day. By February 26, 1975 the maximum unemployment insurance benefit an individual can receive will be \$123.00 a week. By February 26, 1975 the maximum old-age pension benefit for an individual will be \$51.00 a week. Why such discrepancy and why such injustice? The senior citizens have kept this country going all these years by a lot of hard work, they argued, while some of the unemployment goes to people who do not want to work.

North East, threatening snow and temperatures near zero. If you knew full well that if you went to sea, you would probably catch less than \$1 hundred dollars worth of fish but if you were lucky and caught more, it would be taken off your U.I.C. benefits.

Also, keeping in mind that you might lose fishing gear, boat or even your life. What would be your decision? I think I know full well what it would be and I would have to think the my plant depended on your decision.

If this greater exemption could be given, you would find the more adventurous and ambitious would fish. If this happened, the Fish plant crews would not be idle and the savings from their U.I.C. benefits would more than compensate for any loss the Government might suffer in the first instance.

Also this increased plant production, which would mostly find its way into U.S. markets, would help with our balance of payments with that country.

I urge the Minister of Fisheries and the Minister of Labour to bring these matters to the Attention of the Federal Government.

Mr. Speaker, We must also be making plans for the Enforcement of any regulations concerning foreign vessels that will be fishing within these limits.

Already, I have made one suggestion to the Federal Department of Fisheries and it fell on deaf ears.

To enforce these C.N.A.F. regulations, we have, in the past, carried out air surveillance. For spot checks, we have landed fishery officers on board the foreign vessels to make certain these vessels do not exceed their quotas of any or all species.

Mr. Speaker, I would say, it is virtually impossible for any fishery officer to board a vessel. After it has been fishing for several days and after these fish are already iced in the hold, to determine the quantities and species of fish on board.

My suggestion is that before a foreign vessel is allowed to fish within our 200 mile limit, that it be mandatory to have a Canadian observer on board at all times, with full authority to, at any time, check the Vessels' position and monitor the fish landings.

This may seem to be a cumbersome method, but I think we have no other alternative.

Over the Years, at tremendous cost, we have seen fit to send a "peace keeping" force to all parts of the World, to protect - Indo China, Cyprus, Korea, and you name it. Is it not much more important to protect

the Coastal waters of our home land from foreign invasion?

The immediate reply, to this suggestion, is that it will cost a fortune. I have an answer for that one, Mr. Speaker. Let the cost of operating this force be paid for entirely by the Foreign nations. After all, we will be the ones who will be making the Regulations. So, why not?

This force could be made up of young fishery officers and placed on duty on a rotating basis. What wonderful training, Mr. Speaker. They would have an opportunity to learn new fishing techniques and really become bi, tri, or multi-lingual and be better able to understand the lot of the fisherman, first hand. Our own fishermen would feel better satisfied, knowing that their interests were being more fully protected.

Mr. Speaker, The Opening up of Can Pol's herring process plant on the old C.P.R. Wharf in Digby, has been very successful to date. This is a joint venture between Poland and a local Nova Scotia Company.

This plant gives work to 30 in-plant workers and several cargos of finished product have already been shipped from the Port of Digby. As a result, many local stevedores received employment.

This has created a tremendous market for large herring, many of which were caught in the Local area.

I would like, once again, to urge the Minister of Development and Minister of Fisheries to make every effort to help promote the Building of a sardine factory in our area. This would, along with Can Pol, then give a market for all herring, regardless of size.

7 PER CENT TAX REMOVED FROM LOCAL LUMBER

Mr. Speaker,

The Lumber business in my constituency has fallen on hard times.

Only one year ago, the local demand for lumber could not be met. Now, most of the mills are closed for lack of sales.

Much of this is due to the slump in housing starts and repairs.

I wonder if the Minister of Finance and Minister of Housing would consider the following idea: could the 7 per cent sales tax be removed from locally sawn lumber?

This may, along with the increased freight rates on imported lumber, make it competitive once again.

This may help to speak a new building boom. If this follows the increased tax collection on other materials which are not produced here, this will more than compensate for any tax loss to our provincial government.

TOURISM

During past year, the Tourist industry in my constituency, has fared quite well. I can foresee a greater increase in the industry during the coming years. To bring this about, we must have reduced fares on the Digby-Saint John Ferry.

During the last session, I

Historical Society Doing Well

The Smith's Cove Historical Society's POINTER for February 1975 reports that the Society had a good year with funds raised through a food sale at the Evangeline Mall, Digby, and participation in the Nova Scotia Derby in the Spring of 1974. The "Good Times Day" in July, in cooperation with the Smith's Cove Volunteer Fire Company brought in over \$1600 for the two organizations. Mrs. Sylvia Irvine and Harold A. Sulis were the chairmen for this

latter event.

A grant from the Nova Scotia Museum and gifts from several members were also received. Among them was a gift from McArthur Morgan of Rothesay, N.B., given in memory of his parents, the late Mr. and Mrs. Oscar Morgan, who were among the original members of the United Church, the building which now houses the Society.

In order to have parking area for the Museum, Mr. and Mrs. Oakley Smith gave the deed to land adjoining the Church to the Society which will provide space for this purpose.

The Society is interested in all historical sites in the Cove, among them the Cenotaph on a small plot of land near the Smith's Cove Meeting House. The deed to this land was presented to the Society by Miss Katherine Weir. The "Do Your Bit" Club will continue to care for the garden and lawn around the Cenotaph.

Mrs. Raymond, past president, reported that guest speakers for 1974 had been Roy Laurence, Q.C., Clerk of Legislative Assembly; Joe Casey, M.L.A., and Judge Victor Cardoza.

Small museums that are local exhibits, such as the Smith's Cove Museum, will primarily interpret, through the use of permanent exhibits, interesting or unique local features of cultural, historical or natural heritage. This year the Society is collecting family records, photos, objects and specimens important to the community.

The Church building, which will house the Museum is scheduled to be opened in July with the first Memorial Service.

Executive Committee for 1975 are: President - David Irvine; Vice-Pres. - Mary Lou Raymond; Secretary - Linda Warren; Treasurer - Frank Wightman.

Committee Chairman are: Building - Councillor "Bud" Winchester and Kelsey Raymond; Ways & Means - Sylvia Irvine; Program - Annie Raymond and Louise Hinton; Museum - Harold A. Sulis; Membership - Mary Lou Raymond.

The next meeting of the Society will be held on Monday, March 17.

OBITUARIES

Mrs. Thomas D. Bell

Mrs. Ethel F. Bell, 89, died February 15 at the Saint John General Hospital, Eastern Division, after a lengthy illness. Her husband, Rev. Thomas D. Bell died in February, 1955. She was born in New Maryland, N.B., the daughter of the late William J. and Ruth (Smith) Noble. Mrs. Bell lived in Saint John for the past 10 years with her daughter, Miss Inez J. Bell. Prior to this she had resided in many pastorates in New Brunswick.

She was a member of Grace Memorial Baptist Church in Fredericton, from where the funeral was held on Feb. 18.

She is survived by one daughter, Miss Inez J. Bell of Saint John two sons, Rev. George R. Bell of Smith's Cove, N.S. and John I. Bell of Ottawa, Ont., two step-daughters, Beaumont, Mrs. Ernest Fox of Jacksonville, N.B., Marion, Mrs. Hinson Morehouse of Upper Blackville, N.B.; a step-son Elmer W. Bell of Pemoquid Harbour, Me.; sixteen grandchildren, thirty-two great-grandchildren, several nieces and nephews.

Wesley N. Raymond

Wesley N. Raymond died February 19, 1975 at the age of 75. Mr. Raymond was born at Bear River, Nova Scotia, August 5, 1899. His family was one of the pioneer settlers in Nova Scotia and became ship builders.

Mr. Raymond always considered Nova Scotia as his home. After leaving Canada he became a pioneer in aviation.

In the 1930's he flew his Bird airplane to Bear River and landed there, the first plane to do so. With his experience in aviation, during World War II the United States Government had him build a flying school at which he trained over 10,000 air force cadets, at Douglas, Georgia. He also trained the first West Point pilots to be officers in the U.S. Air Force.

Mr. Raymond was a Kiwanian for 50 years, and a member of the Digby Kiwanis Club. He resided in Miami Florida, and had a summer home in Bear River.

He is survived by one son, Captain Wesley Raymond, Jr. of National Air Lines, one grand-son, Wesley N. Raymond III, and two sisters, Ruth Flinn, Digby, and Dorothy Raymond, Bear River. Funeral Services were held in Miami Florida, February 22, 1975.

Allan Thomas

Allan Ellsworth Thomas, sixty-four, of North Range, N.S. died at his residence on Sunday. Born at North Range, he was a son of the late Clarence and Annie MacPherson Thomas. He was an active farmer, wood-sman, and a deacon of the North Range Baptist Church.

Surviving besides his wife, the former Phyllis Andrews of North Range, are three sons, Harry, Montreal, David, Grafton Kings County, Murray, Halifax, one daughter, Marilyn (Mrs. George Carman) Freeport, N.S., three brothers: Lloyd, Long Boat Key, Florida; Irving, Quincy, Mass.; Adelbert, Rockland, Mass. One sister, Mary (Mrs. Thomas Duddy) North Easton, Mass. Six grandchildren also survive. He was predeceased by a brother, Arthur.

His body was at Jayne's Funeral Home, Digby, N.S. Funeral service was held on Wednesday at 2:30 from the North Range Baptist Church. Licentiate Edson Willshire conducted the service and interment was in the North Range Cemetery.

EBER PECK

Word has been received in Bear River of the death of Eber Peck, Penticton, B.C. He was born in Bear River, son of Mr. and Mrs. Levi Peck and will be remembered as an excellent sportsman in canoe racing, log rolling and the sports. Several years ago Mr. and Mrs. Peck and family moved to British Columbia.

Mr. Peck is survived by his wife, the former Florette Hazelton, Bear River. There are two daughters Deloris, (Mrs. Donald Bertrand), and Pamela, (Mrs. Ormiston Rand); two sons, Dalton and Randy. There are six grandchildren. Also surviving are two brothers, Watson and Wilber of Bear River; two sisters, Mrs. Samuel Shaffer, Greenwood, Delaware and Mrs. Joseph Martin, Newton, Mass.

MRS. DENNIS AMARO

Mrs. Dennis Amaro, 92, died Saturday at home.

Born in Doucetteville, the former Sadie Amaro, she was a daughter of the late Isaac and Mary Jane (Doucette) Amaro.

Surviving are four daughters, Elizabeth (Mrs. Albert Bennett), Saint John, N.B.; Addie (Mrs. William Jelleau), Larry's River; Mrs. Lennie Stoddard, Smith's Cove; Margaret (Mrs. Calvin Van Tassell), Digby; three sons, Isaac, Swampscot, Me.; Joseph, Calgary, Alta.; Dennis, Smith's Cove; several grandchildren, great-grandchildren and great-great-grandchildren.

The body was at the R. McCleave Funeral Home, Digby. Funeral was held 10 a.m. Tuesday at St. Patrick's Church. Rev. Leo Maillet officiating. Interment was in the church cemetery.

Celebrates 40 Years Married

In spite of numerous objections from their friends and relatives, Mr. and Mrs. Sidney Morehouse, of Westport, decided to continue their "obstacle course marriage" and try for another forty years. The objections (all in fun, of course) were put forth when the "minister" (Captain Henry Porter) remarried the couple recently.

The fortieth anniversary surprise party was held at the home of Mr. and Mrs. Stanley Moore and was hosted by Mrs. Patricia Moore and Mrs. Carol Delsey, the daughters of Mr. and Mrs. Morehouse. Mrs. Carol Porter also assisted with the buffet lunch at the end of the evening.

The highlight of the celebration was the mock wedding ceremony, at which the "bride" looked lovely in a white headpiece with waist-length veil; she wore a two-piece pant suit in a black and white floral pattern, set off by a pink carnation corsage. The "groom" looked handsome in a tall black top hat and a light brown and check suit, set off by

a white carnation boutonniere. With the words, "All right, Tiger, you may kiss your Pussycat," the ceremony was complete and the couple was presented with a money tree and many beautiful gifts by their family and friends.

Following this, the evening was spent playing cards and other games and in reminiscing. The "bride's" nephew, Edgar McDormand, remembered that at the original ceremony, when he was best man, the wedding ring had to be pried from his fingers as he clutched it tightly in his fist for fear of dropping it. The "groom's" cousin, Harold Thompson, recalled that when Mr. Morehouse was dressing for the original wedding, he would put something on, then go put a few pieces in a jigsaw puzzle, then go put something else on, then go back to the puzzle, etc.

A good time was had by all and the couple is wished many more years of happiness together. Their son, Sidney Jr. was unable to attend as he resides in Sudbury, Ontario, where he teaches at Laurentian University.

Westport

(Mrs. Charles McDormand)

Miss Carol McDormand, Halifax, spent the weekend with her father, Melbourne McDormand.

Mr. and Mrs. Danny Kenney and daughter, Holly, left for Florida where they will visit.

Mr. and Mrs. Edward Height, Bear River, E. Mae Height and family, Digby all visited their grandfather, Willard McDormand, at the home of his daughter, Mrs. Victor Strickland and Mr. Strickland.

Sgt. Paul Bailey, Mrs. Bailey and family, Middleton, were weekend visitors of his mother, Mrs. Lou Bailey.

Miss Phyllis Morehouse, Halifax, was a visitor of her sister, Mrs. Albert Welch and Mr. Welch at the weekend.

Mr. and Mrs. James McDormand and family motored to Port Maitland where they spent the weekend with her parents, Mr. and Mrs. Edison Outhouse.

Visiting with Mrs. Lawrence Welch Sr. is her son, Philip Welch, Mrs. Welch and family of River Denys, Cape Breton Island.

Mr. and Mrs. Rex Titus and Mrs. Richard Thompson motored to Wolfville where they were guests of Mr. and Mrs. Roger Outhouse.

89 YEARS

On February 22nd Mr. Willard McDormand, Westport celebrated his 89th birthday.

He resides with his daughter Mrs. Victor Strickland and Mr. Strickland. Mr. McDormand is not able to get out but spends his days watching TV and enjoys reading.

Sandy Cove

(Mrs. E.C. Morehouse)

SANDY COVE - Mrs. Ralph Morehouse and Mrs. Percy Harris left on Friday for Saint John, N.B., where they will join a bus tour for a trip to Florida.

Mrs. J. Osborne Morehouse was a bridge party hostess on Thursday afternoon.

Sorry to report Weldon Trask is a patient at Camp Hill Hospital, Halifax, where he had major surgery last week.

The regular 45's party was held in the Community Hall on Saturday evening. There were ten tables in play with Mrs. Victor Titus winning the door prize and Miss Peggy Morin the Lucky Ticket cake. Miss Elizabeth was the hostess.

Rossway

Mr. and Mrs. Waters Comeau visited Mr. and Mrs. Arthur Lauger at Tiverton and Miss Eva Blackford of Freeport on Sunday last.

Mrs. Percy Harris Sr., of Sandy Cove spent last weekend with her brother Willard Wentzell while Mrs. Wentzell was a patient in the Digby General Hospital for several days.

Mrs. Hetty Handspiker and Herbert Nesbitt of Mount Pleasant were Thursday evening visitors at the home of Mr. and Mrs. Waters Comeau. Mr. Carmen Gidney of Terrace, B.C., was a visitor one day last week of Mr. and Mrs. Trueman Wentzell.

Seven tables of cards were played last Tuesday evening at the Rossway Community Hall. The door prize donated by Barnacle Bill's Restaurant of a dinner was won by Harley Weir of Conway. The cake donated by Mrs. Mary White was won by Mrs. George Thibault who had it cut and served with the refreshments.

MRS. CONWAY 97

Mrs. Arabella Conway celebrated her ninety-seventh birthday on Thursday at Tideview Terrace, Digby, where she has been a guest since April 1974.

Family and friends called during the day and joined in the special birthday refreshments. Members of the Church of God brought a message in sermon and song when Mrs. Conway was joined by other guests.

Mrs. Conway was the recipient of gifts, flowers and cards and also appreciated congratulations from His Honor Governor General Leger.

Mrs. Conway was born in

Flower Cove, Newfoundland, daughter of Mr. and Mrs. John Way. She took employment in Labrador and at Halifax where she met and married Alfred Conway of Edinburgh, Scotland. Following the first World War, they came to Digby where Mr. Conway was engaged in policing the town.

Mrs. Conway has three daughters and four sons. They are Dorothy (Mrs. Arthur Noiles), Hantsport; Hattie (Mrs. Freeman Egar), Calgary; Geraldine, Moncton; Thomas, John, Harry and Gordon of Digby. There are grandchildren and great-grandchildren.

OBSERVES 80TH BIRTHDAY

Bernard Bouchie of Freeport, N.S., observed his 80th birthday at the home of his daughter, Mrs. (Rowena) Leonard Small at Tiverton, Sunday, February 10.

Present for the occasion were his grandson, Roderick, and Stephen, students of Acadia University and Mrs. Barbara

Moran. Unable to attend the event was another grandson Russell Small who had returned to Corner Brook, Newfoundland where he is employed. He spent two weeks vacation with his parents, Mr. and Mrs. Leonard Small.

Birthday greetings were extended to Mr. Bouchie.

DEFINE ANIMAL HEALTH TECHNICIAN

A bill clarifying the status of animal health technicians in the province was introduced in the Legislature Monday night by Agriculture Minister Jack Hawkins.

The bill, which would amend the Veterinary Medical Act, defines an animal health technician as a person who holds a certificate indicating that he has completed a course of formal study or training approved by the Association and who is registered with it.

The bill would also permit veterinarians to engage an animal health technician for a six month period when he is nearing completion of his studies.

Another change in the Veterinary Medical Act contained in the bill is an increase in the maximum fine upon conviction for violation of the Act from \$100 to \$200.

"PAIRS AND SPARES" MEET

A group of Church members of the Christian Church and the United Baptist Church of the Tiverton area who call themselves the "Pairs and Spares", met at the home of Mr. and Mrs. Robert Ruggles, Thursday evening to enjoy several hours of Christian fellowship.

Among the timely entertainment was a Bible Quiz, singing with Mrs. Robert Ruggles, pianist, and discussions of various subjects.

It is hoped the meetings will continue on a regular weekly basis. Mr. and Mrs. Alger Sollows are to host the next meeting scheduled for February 27.

Variety Show At Westport

The Westport Home and School Association presented a Variety Show in the I.O.O.F. Hall on Saturday evening Feb. 22. The Program was made up of skits, singing and drills. The rounds of applause given, showed it was much enjoyed. The hall was filled to capacity.

Mr. Raymond Robicheau was M.C. and Mrs. Richard Welch was pianist.

During the Intermission a door prize of a decorated cake made and donated by Mrs. Danny Kenney was won by Chris Calder. Mr. and Mrs. Henry Porter had made and donated a ceramic Captain's lamp on which tickets were sold. Mrs. Rex Titus was the lucky winner. At the close of the show Mrs. Roland Swift, President of Home and School thanked all who helped and at this time she presented a gift to Mrs. Welch.

Little River

LITTLE RIVER - Mrs. James Tidd spent several days in North Head, Grand Mann with relatives.

Mr. and Mrs. Alden Churchill of Port Maitland, spent several days with her daughter, Mrs. Gregory Denton and Mr. Denton.

From left to right are Leonard Boudreau, Concession; Wayne Comeau, Marshalltown and Stanley Boudreau, officers of the Digby County Federation of Agriculture requesting the Council of the Municipality of the District of Digby to review the form of taxation for Digby County farmers. They said that Digby is the only municipality in the Province which uses the Site and road frontage for farmer's taxation.

INCREASE IN DEER
HUNTING FEES

A bill which would enable the Governor-In-Council to make regulations and to establish a fee structure for non-resident and resident big game and small game licences was introduced in the legislature.

Lands and Forests Minister M. E. Delory, in introducing the bill to amend the Lands and Forest Act, said one of the changes being considered is an increase in the deer licence fee to \$10 from the present \$4.

The increase in fees would help to defray higher law enforcement costs, Dr. Delory said.

Another clause in the bill would enable the Governor-In-Council to make regulations defining resident and non-resident fishing licences and the fees to be charged.

Other provisions define resident and non-resident fur buyer's licences, guide's licence, taxidermist's licence, non-resident trapper's licence and the fees to be charged.

Dr. Delory said the bill also eliminates the Provincial Fire Tax on holdings of more than 200 acres.

The revenue collected through the tax does not cover the cost of administering the program. Last year the

province collected \$35,000, Dr. Delory said. Municipalities also levy similar tax.

The final clause in the bill would make the provisions effective from the first day of January, 1975.

Chimney Sweep

The Digby Fire Department was called out at about 10:30 a.m. on Monday to rescue a seagull from the chimney at the home of Mrs. Donald MacNutt. Firemen rescued the gull from the clean-out at the foot of the chimney. They reported that the gull did an excellent job as a chimney sweep.

On advice from "The Bird Lady", the firemen turned the gull loose at the nearby beach. The bird was heard scat-

ching in the chimney which caused the firemen to be called - constructive programme for the area will be forthcoming.

The Nova Scotia Wildlife Federation is in agreement with this move and will be represented by them and also by Mr. Merrill Prime, Chief Conservationist of Nova Scotia and the Department of Lands and Forests who are in charge of the special experimental conservation programme for Digby, Yarmouth and Shelburne area.

The meeting will be chaired by Jack Nichols, Vice President of the Nova Scotia Wildlife Federation and chairman of the Wildlife division of the Digby East Fish and Game Association.

HAMILTON - In loving memory of a dear mother, Stella Anne Hamilton, who passed away February 28, 1971.

To us you are someone special.

Someone kind and true.

You will never be forgotten

Because we thought the world of you.

We often speak about you,

And wish that you were here

But God knew that you were suffering

So He took you in His care.

The kiss of the sun for pardon,

The song of the birds for mirth,

One is nearer God's heart in the garden

Than any where else on earth.

Always remembered and sadly missed by Shirley, David and Tammy.

HAMILTON - In loving memory of my dear mother, Stella Anne Hamilton, who passed away February 28, 1971.

There is always a dear face before me,

A voice I would love to hear,

A smile I will always remember

Of a mother I loved so dear.

To me she was someone special.

Someone set apart.

Her memory will linger forever,

Engraved within my heart.

Always remembered and sadly missed by Donna, Bobby, Tracy, and Troy.

29:1ip

HAMILTON - In loving memory of my dear wife, Stella Anne Hamilton, who passed away February 28, 1971.

Four years have passed and gone

Since one I loved so well

Was taken from her home on earth

With Jesus Christ to dwell.

The flowers we place on her grave,

May wither and decay;

But the love for her who sleeps beneath

Shall never fade away.

Always remembered and missed by husband Paul.

parable with all other C.N. ferries on the Atlantic coast. (We just want a fair shake with the other areas.) If this does not come about, our efforts were in vain.

It is most urgent that these new rates, if granted, be known well in advance of the coming tourist season, well before the Tourists make their vacation plans.

Speed is of the bus leaving for Bridgetown.

SWORDFISH

Mr. Speaker,

It may be time to revive the Sword fish issue again. I'm trying to best the Leader of the Opposition to the Draw.

I realize the Problems with this industry come completely under the Control of our federal government and the U.S. Government.

I wish more study could be given to the Dangers that may exist in the Consumption of this delectable fish. Apparently, huge quantities of this fish would have to be consumed daily, over long periods of time, before any apparent danger would exist; now Mr. Speaker,

this is true of almost every consumable food or beverage on the Market today. Take tobacco, for instance, medical evidence is now available that proves conclusively that a person using tobacco, has a much greater chance of dying of lung cancer than those who do not.

What restrictions are placed on the sale of this commodity? A warning is printed on the package, in print so fine you can hardly see it and, radio and T.V. advertising has been banned. Why could not the same restrictions be placed on swordfish? These restrictions may curb the sales somewhat. Of course, if the warning was worded, "thou shalt not," people would break their necks to consume even more.

Likewise with liquor, Mr. Speaker, alcoholic beverages are being manufactured and consumed in unprecedented quantities.

We are allowed to consume these to our hearts content as long as we follow certain guidelines. We are at liberty to destroy our liver, kidneys and other vital organs at will. The guidelines say this damage must be inflicted within the confines of our home or in a duly licensed establishment. We are only punished should we drive an automobile under the influence or make a fool of ourselves by taking off our clothes in public, then we can be prosecuted for indecent exposure.

As a steamship pilot, I have occasion to be on board both Russian and Polish merchant ships. Even these ships have oceanographic equipment and they send data back to head office which is helpful to their fishing fleet and could also be useful in time of war.

Our fishermen and fish companies must promote more team work within their ranks.

This, I realize is most difficult. Having been born and brought up in a fishing village myself I realize they are loners at heart. But their very survival depends on mutual cooperation.

SAINT JOSEPH'S HOLD MISSION

The parishioners of Saint Joseph's Church were involved in a lenten mission last weekend. Under the leadership of Fr. Leo Maillet, pastor of St. Patrick's Church, Digby, various services and activities were held both in the church and in the parish hall Friday night, Saturday night, Sunday morning and afternoon. The mission, placed under the Holy Year theme of "Reconciliation and Peace", included discussion periods with audio-visual aids and music, a service of reconciliation and Sunday masses centered around the same theme.

A good attendance was noticed and the assistance of the ladies of the parish, who provided a substantial lunch on Sunday, was greatly appreciated.

The mission gave people who attended the benefit of togetherness and cooperation.

OBSERVE EDUCATION WEEK

Education week is being held at the school in Weymouth from March 3 to 7, and will be open to parents and interested people on Wednesday, March 5 for grades Primary to grade 6, and Thursday, March 6, to those interested in grades 7-12. Displays, programmes, teaching, gym, slides and other activities pertinent to education will be shown.

A Winter Carnival will be held at the School, on Thursday and Friday of this week.

HAVE COASTING PARTY

The Anglican-United Sunday School, Weymouth, held their annual coasting party last Saturday, on the Dan Journey Hill. Twenty-seven children enjoyed the afternoon, which was followed by a supper at Killam Hall. Crysti Colwell and Ruth Gabriel helped serve the

RECREATION TURNS TO 45'S

A province-wide 45-card championship tournament may be conducted in Nova Scotia commencing in the Fall of 1975.

Last year the Nova Scotia Department of Recreation assisted rural communities to develop small community centres under a little re-schoolhouse program. A recent survey conducted amongst members of more than 350 active centres has shown a great desire to participate in a provincial-wide 45-card tournament.

Forty-five's is a traditional card game in the Province, and an international game book describes it as Nova Scotia's national game, with the belief that it originated here.

Now the Department is asking 45-card enthusiasts from all areas of the Province for ideas about the form such a championship should take.

If indeed 45's did originate in Nova Scotia, the Game may join

hockey as being the only two to have had their beginnings in the Province.

Rural Nova Scotians traditionally play 45's as a Saturday night social highlight. Many community groups also use 45's socials as a fund raising means.

MORE MONEY FOR RINK

The past week has brought more money for the rink by a concert, by bowling and a donation.

The band concert put on by the Bridgetown and Digby high school bands on Friday evening raised \$250 to help defray the cost of ice making equipment to replace the equipment which suffered from an explosion this winter.

The bands were conducted by two brothers, Don Scott, Digby and J.C. Scott, Bridgetown. Students of D.R.H.S. entertained at a social gathering after the concert.

Bowling at the Scallop Bowl on Thursday evening had yielded more than a hundred dollars and a representative from Moosehead presented a \$500 cheque to the committee at the Digby school at noon on Wednesday.

MWO I.R. Robinson Retires

On 20 February 1975, Captain (N) T.E. Connors, Base Commander, CFB Cornwallis, presented MWO Robinson with a Certificate of Service to mark his retirement from the Canadian Forces. He served with the RCAF from 1943 to 1946 and again with the RCAF and Canadian Armed Forces from 1948 until his retirement. MWO Robinson returned from Cairo in March 1974 upon completion of a six month peace-keeping tour with the United Nations.

MWO and Mrs. Robinson, daughter Cheryl and son Dean reside in Digby, Nova Scotia.

BASIN VIEW APARTMENTS

Mrs. Edna Gower of Hillside Apts. was a supper guest of Holland Titus, last week. Others guests were: Mr. and Mrs. Coleman Daken, Mrs. Minnie O'Neill, and Mrs. Ode Pyne. A turkey supper was served and enjoyable time was spent by all. Mrs. Gower left for Florida by bus for a few weeks and we all wish her a pleasant trip and safe return.

Bingo was played Saturday evening in the lounge room. Outside guests were Mrs.

LeRoy Hicks, of Hillside Apts. Mrs. Susie Glavin of Westport, and Mrs. Verna Cummings of Annapolis Royal. The last prize was donated by the Met Store and won by Oda Pyne and shared with the bingo players. Mrs. Joe Hazel is spending a few days with her mother, Mrs. Minnie O'Neill, Mr. Hazel left for Halifax last weekend and is a patient at Camp Hill Hospital. We hope to see his return in a few days and best of luck to him.

We are sorry to hear Mrs. Viola Baxter is a patient at Digby General Hospital. We wish her a speedy recovery.

We are glad to have Mrs. Emily Abbott back home again after being a patient in Digby General Hospital for a short time. Joseph Yeoman of Kingston called on his mother-in-law, Mrs. Oda Pyne, one day last week.

Mrs. Pearl Handspiker and Mrs. Fraser Handspiker called on Mrs. Orbin VanTassel at the Basinview Apts. King Street, on Thursday afternoon.

Bill Perrin of Dartmouth, N.S. called on his mother-in-law, Mrs. Orbin VanTassel at Basinview Apts. on Wednesday.

A THOUGHT STARTER ARE WE PROGRESSIVE?

Throw off the old restraints, become radical and activist, then get the headlines. This is the modern way to find peace and freedom. So says a fringe group of those who call themselves liberal and progressive.

There may not be many of these, but they make a loud noise, and may permeate our culture, our schools and some churches with the spirit of rebellion against historical truth.

It is easy to become infected by the rush to live according to new standards and by a new morality, which is no more than the old immorality. Mankind delights in tearing down the proven, and substituting the untried ways.

Some may say that everyone is doing it, that the old truths have been whittled away, and are no longer relevant and workable. Who says this? "Not everyone is doing it, because I am not doing it", can be your new motto.

the only answer by His willingness and power to forgive and to cleanse.

The Bible is the authority by which people can find the really abundant life, and the pathway to Heaven.

Those who are really progressive are anchored to the Rock of ages, and maintain inner peace when storms strike.

The modern self-trusting humanists who avoid God, have no place to hide in the storm.

Cross Country Ski Trails

This winter has been an excellent year for cross country skiing, with lots of snow. The Spectator Office on St. George Street Annapolis Royal, has a map of the area showing many of the fine ski trails easily accessible to those who enjoy skiing. Mr. Harold McCormick brought in a large map, with trails plainly marked for newcomers to the area. Skiers are invited to come in and make use of the map at any time. If you enjoy skiing, you will enjoy the many lovely trails that are close to the town. Come in and look at the map, choose your trail and have fun.

SIX GRADERS MAKE GREENER N.S.

Evergreens

Nova Scotia is expected to become a bit greener as the result of a school project launched with the aid of the provincial Department of Lands and Forests and the Nova Scotia Forestry Association.

Spruce tree seeds are being sent to every Grade VI classroom in the province where they will germinate and the seedlings planted by students before the end of the school year.

"Germination of the tiny black seeds in the classroom," M.E. Delory, M.D., Minister of Lands and Forests observed, "should occur within a couple of weeks of planting and, if given reasonable care, the thought is that the seedlings should be large enough to transplant to home or school grounds by Arbor Day, or at the end of the school year."

The idea of growing trees in the classroom, Dr. Delory said,

came out of the revival of Arbor Day, a couple of years ago by the Nova Scotia Museum.

In addition to the dozen tiny spruce seeds - packaged for the department through the co-operation and assistance of the Canadian Association for the Mentally Retarded - each kit for classroom distribution is a complete package containing peat pellets in which to start the seeds, a plastic tray to hold the pellets, and basic growing instructions. The project is expected to result in more than 6,000 new trees being planted.

"A project such as this," said Dr. G.W.I. Creighton, president of the Nova Scotia Forestry Association, "has much to commend it. The very fact that children become involved in the growing of a tree, as well as in planting one, should add much to the Arbor Day spirit of concern for our environment."

DOWN TO BUSINESS FOR THE 4-H DUDES

The bottle drive held on February 1st by the newly formed 4-H Club, the DUDES, at Marshalltown was a success. They thanked all who helped by giving bottles, also the ones who gave money. It was appreciated by all members, they club said, and they thank each and all. They thank Nora and Wayne Comeau for their help. The DUDES who were able to participate in the drive were, Penny Ryan, Kathy Ryan, Michelle D'Ambrose, Diana Wagner, Kevin Amon, Douggie Morgan, Dean D'Ambrose, Kelly Ryan, Rodney Wright and Darrell Wright.

On January 29 a handcraft gathering was held. Present were Michelle D'Ambrose, Kathy Ryan and Penny Ryan. Books on various crafts were looked at and decisions were held as to what craft would first be worked on by each DUDE.

On February 5 a calve and tractor gathering was held. The first part of the evening was spent in the barn looking at cattle. Some of the characteristics judges would be looking for were pointed out. Proper handling and showing of calves was demonstrated remainder of the evening was spent on emphasizing the importance of safety needed in the proper operation of a tractor.

Present at this gathering were Kevin Amon, Dean D'Ambrose, and Mark Saunders.

Additional members to the 4-H DUDES are Paulette Ryan (handcraft, food) and John Amon (food)

MUNICIPAL TAX RATE \$3.00 PER HUNDRED

Following the budget meeting the Digby Municipal Council in session last week set the tax rate at \$3.00 per hundred of assessment. Although subject to change after appeals are heard, the assessment in the municipality was figured at \$28,218,355.

Noted increases in the budget were those for education which was \$115,000 over the 1974 ap-

propriation; \$46,000 over last year for welfare; an increase of between ten and eleven thousand for Regional Assessment expenses and debt charges are up by \$18,000. Operating deficit of \$22,783 has been provided for as also the hydro deficit of \$33,508.

H. R. Doane and Co. auditors were retained for the year 1975. Appearing before Council

with welfare reports were Vernon Wessell, supervisor at the Digby Department of Social Service and Louis Comeau.

The Municipality established District Livestock Health Service Board with Councillors Helen MacNeil and Walter McAlpine as municipal representatives. Roy Warner is a government appointment with the second government

representative still to be chosen.

The recreation budget was presented by Councillor McAlpine at \$11,000 with \$5,500 of that recoverable from the province and to be used in the recreation program.

A motion was made requesting Bill Spurr of the Department of Recreation to attend the March meeting and

explain the recreation program more fully.

The clerk was by motion authorized to contact the Nova Scotia Housing Commission regarding the municipality being designated in the Neighbourhood Improvement plan. The committee on low rental housing was named as Councillors McNeil, Arthur Rice, Ervin Marshall and Warden

Swift.

The clerk was also advised to write to the Department of Municipal Affairs with copies to Premier Gerald Regan, Opposition Leader John Buchanan, Hon. Peter Nicholson and Joe Casey M.L.A. suggesting that the equalization grants be turned back through the municipal units.

Of the school budgets presented the following capital expenditures were granted, Weymouth, \$5000; Digby Neck Consolidated \$1049; Barton \$500; Smith's Cove \$1379; Westport \$700. and Islands Consolidated \$2000.

Council sat from Monday morning at ten o'clock through to the end of the Thursday afternoon session, February 27.

WILDLIFE FEDERATION FORMULATES RESOLUTIONS

Approximately thirty delegates from the Western Division of the Nova Scotia Wildlife Federation were entertained by the Digby East Fish and Game Association at Defaga Lodge, Haines Lake, on Sunday afternoon. The representation covered all the associations affiliated in Western Nova Scotia with the Wildlife except one.

The Wildlife meeting followed immediately after a short meeting of the D.E.F. and Game when game laws were reviewed and resolutions were drawn up to be placed before the meeting on April 5 and 6 in Halifax of the Nova Scotia Wildlife Federation. There the resolutions will be assorted and recommended to the government.

Among the resolutions submitted was one from D.E.F.A.G.A., that the bear remain big game, a resolution from Clare for stricter enforcement of bag limits particularly in the first few days after stocking - a lake with fish; one made by the President of the Trapper's Association to take fifteen days of the open season for fur-bearing animals and that a list of disqualified hunters be sent to all licence vendors and an ample supply of licences be on hand. The Kings County members of the Federation were supported in their effort to have a bow hunt at the Chignecto Game Sanctuary.

Much discussion arose regarding the Bear issue. Mr. Tufts, biologist felt that the bear situation is not as serious as it has been made to sound. Investigations, he said, show that 70 per cent of the cases amounted to only that a scared person had spotted a bear. He did admit, however that damage was done in about 30 per cent of the cases and about ten per cent of these involved sheep. Paul Tufts, Wildlife Biologist, felt that the

nuisance bears would eventually be all picked up and the bear problem end. Chairman Jack Nichols, Digby, suggested that the provincial government should be responsible for compensation in cases where the bear had been proven to cause damage. Mr. Tufts felt it would be difficult to prove the bear caused the damage and feared advantage being taken of a situation. Twenty four sightings of deer in Digby County were checked out by the Department of Lands and Forests.

Glen Smith of the Fisheries Department, Digby, thanked the Associations for their valuable co-operation and expressed pleasure in knowing that people are preserving wildlife.

It was mentioned that Haines Lake had been stocked with fish for three years and there are still no fish there. Mr. Smith felt the Haines Lake is not the best for restocking and some way must be found to get rid of unwanted fish species. The suggestion was made that stocked lakes should be closed for a time. Members of the Association from Clare felt that stricter enforcement on bag limits, especially for three or four days after stocking should be made.

After considerable discussion it was decided to leave the trout season as at present as well as the salmon season and the rabbit season.

Fifteen days were recommended to be taken off the fur-bearing animal season. Such animals as red fox, mink, bobcat and raccoon would be protected by this measure.

The Kings County delegates were supported in their bid for another bow hunt at the Chignecto Game Sanctuary.

The Meeting also passed a motion urging that a list of disqualified hunters be available for licence vendors.

Speaks On Drug Dependency

Ronald Fraser, chairman, presided at a meeting of the Digby Unit of the Drug Dependency Commission held at the Knights of Columbus Hall on Tuesday evening, when Ross Ramsey, coordinator of Human Resources, Nova Scotia Commission Drug Dependency, addressed the meeting and showed slides. Emphasis was predominately on alcoholism as a drug problem although dependency on non-prescribed drug use was also included. The chairman noted that correspondence from Freeport and Meteghan had revealed some drug problems there.

The Digby unit, which was organized here some years ago was dormant for more than two years because of lack of interest. Tuesday's meeting attended by some thirty persons was a second meeting recently held to reactivate the unit. Eighty invitations to the Meeting had been issued. Two visitors were present from

Digby Unit of the Drug Dependency Commission expanded its workforce at a meeting held at the Knights of Columbus Hall, Digby, on Tuesday evening when Ross Ramsey, Co-ordinator of Human Resources, Nova Scotia Commission Drug Dependency was guest speaker and showed slides. Above left to right are Albert Dugas of the Digby Mental Health Centre, chairman of the Education Committee; Rev. George Bell, secretary-treasurer; Mr. Ramsey; Ronald Fraser; president and Dr. Ian Anderson, chairman of the Treatment and Rehabilitation Committee.

Yarmouth.

Other members were added to the executive on Tuesday evening. On the Executive were Mr. Fraser as chairman and Rev. George Bell as secretary-treasurer. Dr. Ian Anderson was elected to the Treatment and Rehabilitation Committee and volunteering to serve on the Committee with him were Mrs. Barbara Comeau, Mrs. Walter Black and Mariette Doucette.

Albert Dugas was elected chairman of the Youth Education Committee. On the Committee with Mr. Dugas are Ronald Fraser, Maurine Nowlan and Dr. Khaliq Kareemi.

Both in his address and by way of slides, Mr. Ramsey claimed that the most serious drug problem is still the misuse of alcohol which directly affects fifteen per cent of the Population. Alcoholism, he said, is an acute social and physical dependence of a person on the use of alcohol. Financially, there is not only the cost to purchase the Product but taxpayers in general pay millions because of alcoholism. Hospital costs for the Alcoholic must be met, there is the cost to industry because of inefficient

workmen, absenteeism, non-productivity, re-training etc. There are broken homes, lives and property lost in accidents, there are detrimental effects on the nervous system.

Various resources and methods of rehabilitation were discussed in dealing with the alcoholic. The first concern is assistance to those who cannot help themselves. An alcoholic must be motivated to want to get back to a different way of life. Attitudes of the Public and of the Alcoholic often require changing. Both short-term and long-term methods of treating the Alcoholic were mentioned and much credit scored for the Alcoholic Anonymous organization in results obtained. Other agencies which assist in the efforts are family service bureaus, pastoral care, out-patient service, counselling, industrial programs, addiction centres, half-way houses, etc.

It was the general consensus of opinion that if the Digby Unit of the Drug Dependency Commission is reactivated that it should get into the action field. A meeting is slated for March 18. It is also hopeful that a regional board might be formed.

The Secretary by motions was empowered to list phone numbers where A.A. groups can be contacted. A.A. groups, it was recognized are generally composed of and led by people who are themselves A.A.'s.

Dr. Ian Anderson thanked Ross Ramsey for his participation in the Program and the K of C was thanked for making their facilities available for the Meeting.

Musical Group Wants To Visit

Mayor Patrick Comeau advised Council at the regular meeting on Monday evening that a dance and concert school band from Calais, Maine, had requested to come to Digby at the time of the Annapolis Valley Apple Blossom Festival. There was to be no money involved but they requested hall accommodation for boys and also for girls and have one meal provided. The letter is to be

EDUCATION WEEK

WHAT DO WE EXPECT OF SCHOOL?

Probably the most common expectation parents have of the High School is that it should provide their children with the necessary education to earn a secure living - this is well summarized in the saying "the youth who short changes his education now will probably be short of change the rest of his life". Now this is understandably a very important expectation, and we at DRHS offer a broad curriculum to meet it; but sometimes, perhaps too often, this expectation is treated, along with the wish that students be kept out of sight and out of trouble, as all that is expected of the school.

What is too often overlooked is that career orientation is just part of a larger purpose, that of providing an education which produces the rational, responsible, and effective citizens essential to maintaining a free society. For the school to reasonably attempt this requires two basic strategies, the need to motivate the student to think for himself, AND to respect both himself and others; this in turn demands an approach to discipline different to that too often seen and expected.

Where a school has been organized to keep students "under the thumb" an atmosphere often results which contradicts the democratic principles the school is supposedly teaching and makes adults appear hypocrites. If the student is going to learn to respect himself and others he must be treated with respect; if he is to learn to act responsibly, he must be given some opportunity to do so. For this to occur it must be done within a framework of regulations which are reasonably-based and applied firmly but fairly. The resulting disciplinary atmosphere would hopefully be one that would help develop not just blind obedience but self-discipline.

In a fast changing, increasingly complex society, where it is hard for many attitudes and values to keep pace, it becomes imperative not just

to teach specific attitudes and values (some of which may become obsolete) but to teach students HOW to value. Central to this is the principle that in a free society it is an individual's right and duty to think for himself and it is the educator's responsibility to make sure he can do this competently.

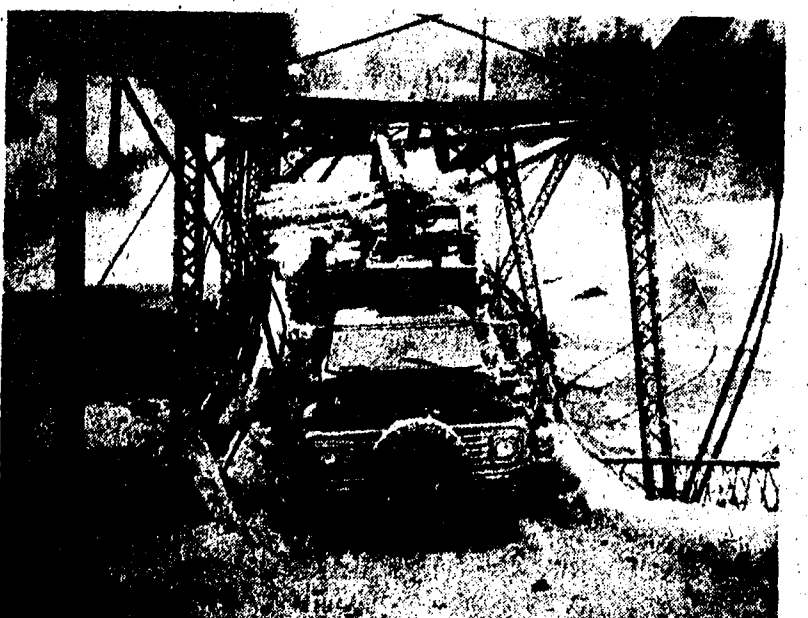

To fulfill this grand purpose means great demands on the school, after all there are 58 fallible teachers and administrators dealing with 950 very fallible students and this makes for situations which unfortunately fall short of perfection. However if society at large, and parents in particular, are prepared to share the responsibility, and not just leave it to the school, then hopefully this society will continue to produce many truly democratic, socially-oriented, dedicated adults prepared to contribute to everybody's welfare.

Making Cross-Walk Safer

The Royal Canadian Mounted Police, who have taken over policing the town of Digby, reported at the regular meeting of Town Council on Monday night that better protection from danger for children crossing on Warwick St., is being planned. Stop signs and other safety measures will be installed. The project will be aided by the Digby Scout troop. Councillor Philip Robertson expressed appreciation for project, something which is necessary, he said, before a tragedy occurs.

The report from the police revealed nine motor vehicle charges laid, three charges under the criminal code, five warnings, 10 parking tickets issued, 62 complaints, attended two fires, 10 liquor cases and fines collected \$310 for the municipality (town) and \$600 for the province. There were 12 thefts of up to \$200 value, three disturbances and 10 incidents of property damages. One charge was laid under the Narcotic Control Act.

Above is the hundred year old one-lane bridge at Maitland, Queens County, as it buckled under a truck driven by Leslie Isles, Bear River. With Mr. Isles was his young son Andrew, age seven, no injuries were sustained.

Mr. Isles was hauling a load of pulp to the Mersey mill at Brooklyn. "Just as we were about halfway across," Mr. Isles related, "the truck lurched. I thought the front wheel was coming off. Next thing I knew, the whole bridge buckled in the middle, and we were sitting on the river bed. Andrew and I climbed out of there fast, and phoned the highways department in Caledonia. Neither my son nor I were injured," continued Mr. Isles, "just shook up a bit, but I don't know about the truck. It was quite a drop, although we went down fairly slow like an elevator. I've been driving pulp through here for six or seven years, I guess, but I won't forget this trip."

A Bailey bridge has been installed.

Re-Elected Hospital Board Chairman

F.C. Purdy, a man who had devoted 29 years in service on the Digby General Hospital Board, 23 of which have been as the chairman, was again on Thursday evening re-elected the Board's chairman for 1975. Mr. Purdy was elected to the position at the annual meeting of the Board which followed the Digby General Hospital Annual meeting.

Vice - chairman elected was R. MacLeod Rogers, Q.C., and secretary - treasurer, Ralph Stacey.

On the Standards Committee are Mr. Purdy, Mr. Rogers, DeMille Raymond and Leigh Jayne. The Finance Committee consists of Victor Thompson, Bruce Hutchins, Mrs. Helen MacNeil and James Gillis.

The Building and Grounds

Committee is made up of Ray McCleave, newly elected to the Board; Hyson Sutherland; Maurice Robicheau, St. Bernards and Harry Titus.

Named to the Executive Committee were Mr. Purdy; Mr. Rogers; Mr. Thompson; Mr. Jayne; Wilfred Swift, Westport and Parker Thurber, Freeport.

TWO REMANDED

Two brothers, Paul Eugene Hersey and Phillip Cleveland Hersey, Centreville, Digby Co., were on Monday, remanded in custody and to appear for trial before Judge Philip Woolaver at Court on March 11. Another brother, Emmerson Simon Hersey was released but is also required to appear in Court on March 11 on the same charge. The charge was that of assault and obstructing peace officers' duties. The incident happened at Centreville on Saturday when two policemen had been on call there to investigate an incident.

Another case to be heard on March 11 is that of the person charged with entering the MacDonald Motor Co. Ltd., Warwick St. last week and stealing a car from the lot. No charges have been laid so far in the breaking of windows at Household Finance, Fundy Restaurant and the Human Rights Office the same night RCMP are still investigating.

We see where the Windsor (N.S.) Board of Trade took on a new lease in life. Twenty-two members turned out to the monthly meeting of the Board. We are just wondering when the Digby Board of Trade is going to take on a new lease in life. However, according to the retiring president, Ezra Parsons, in Windsor, the Board should not concern itself about meetings that could not be held because of lack of a quorum. He said the meetings which were held were very productive. So Ernie Ryan, Digby's Board president, there is still hope.

An open confession is good for the soul. It was just a mistaken voice identity and the name should have been Mrs. Mildred Trask (secretary) instead of Mrs. Barbara Kaulback (secretary). We might add also that the Bridgetown band students did not arrive in Digby until afternoon for their concert practice on Friday.

What constitutes minutes? While personally we seemed to not be able to write minutes of a company or organization without the extra "patter", we were always given to understand that minutes were exactly that, "minutes". We were supposed to have kept to the motion moved, seconded, passed or amended or whatever and none of this unnecessary detail. Now we are beginning to wonder.

Seventh-Day Adventist And Pastor Farewells

In February Elder David Friesen preached his farewell sermon at the Digby S.D.A. Church, after four and one half years in the District of Digby, Annapolis, Yarmouth, and Shelburne counties.

Pastor Friesen has taken up Pastoral duties at Grand Manan: He had lived in the village of Arcadia, Yarmouth County, during his stay here, with his wife, Nancy and son Leslie and daughters, Maria and Juanita. He ministered in churches at Tusket, Oak Park and Digby.

After many hours of hard work, on the part of Pastor Friesen and the Church members, a new Church was raised at 34 King St. Digby.

The pastor's farewell sermon was taken from Matt. 24 and was on the Second Coming of Christ, when we shall reign with him forever.

Pastor Friesen and his wife sang a Duet "I'll go where you

want me to go Dear Lord."

At the conclusion of the service a dinner was held at the I.O.O.F. Hall in the pastor's honor, Mrs. Edward Robinson presented Mrs. Friesen with a bouquet of carnations on behalf of the Dorcas Society and on the behalf of the Church members Eugene Dexter presented the family with a beautiful wood sculptured picture of a Light-house and sea-scape. Everyone wished the Friesen family Gods blessing as they left to take up new duties at Grand Manan.

EDUCATION, TOUGH BUT WORTHWHILE

SUBMITTED BY STUDENTS FOR EDUCATION WEEK

Education is a natural and needy part of life. Years spent on education are the most important and rewarding years of our lives. Not only do we learn, but we get a chance to express our opinions and meet other people.

Systems of teaching are being improved. Radios, televisions, tape recorders, calculators and other such equipment are being used to improve the student's ability.

One of the worst disadvantages of schools is that there are too many students and not enough teachers. A teacher cannot cope with all the individual help and attention the students need and of course, if a student doesn't get the attention he or she needs, that person is likely to lose interest, which means grades lower and eventually that person will give up all together.

In my personal opinion education is about the best thing in life and I know without it, I have no future. Sure, I find it hard and impossible at times but what kind of a life could

Letter to the Editor

Dear Mrs. Wallis:

Mrs. Chipman's well written and informative letter published in the February 20th issue of the "Courier" should be of interest to the taxpayers of Digby.

It would seem that our people are kept pretty much in the dark regarding the operation of our town's business. Surely we are all interested in our town. Being kept in the dark, we are so apt to criticize our Council and perhaps accuse its members of unwise decisions, unwise spending, etc. This could lead to gossip, wrong information and unfriendly relations.

I have noted that some town councils throughout the province use their local newspapers to keep the taxpayers informed regularly in finance, as well as other important areas of business. This is good and makes for good relationship between Council and public. Wouldn't it be a good plan for Digby to follow? Unfortunately, the difficult stairs in our town hall prevent many persons from attending meetings and seeking information.

Thank you, Mrs. Wallis. Perhaps other taxpayers have ideas and would like to comment on the substance of this letter.

Helen J. Anthony

Dear Editor:

In the past two weeks since the Digby High School held their winter Carnival, 2 have overheard people making remarks such as this "Did you hear of all the drinking and kids that were high on drugs at the High School dance the other night. The R.C.M.P. had to take a lot of them home."

I am writing this letter in hopes that it will be published, as my wife and I had the honor of being asked by the students to help chaperon their dance. I wish to congratulate the teachers and students for a very well organized party.

Some 300 students were in attendance and I found them a very well behaved and well mannered group.

The one incident that occurred early in the evening involved a very young student, and I understand she was in this condition when she arrived on the school grounds, and was escorted to her parents home.

I think it a shame that the teachers and student body should be ridiculed for an incident that was out of their hands, and blown up out of proportion.

Credit should be given, where credit is due, and I take my hat off to the teachers and students of Digby High for a job well done.

BOAT SAILS IN 74

Boat sales in 1974 in the Atlantic Region of Canada reached an all-time high. Excellent harbours, new boat dealer outlets and a general interest in outdoor living are just a few of the reasons boat dealers had record-breaking sales in 1974. Above, one of the many types of boat varieties to be shown at this year's Atlantic Boat, Trailer and Sportsman Show at the Halifax Forum - March 11 thru March 16th.

RE - ELECTED HOSPITAL BOARD CHAIRMAN

Continued From Page 1

The House Committee consists of Mr. Jayne, William Reid and Joseph Hattie.

Five names were submitted to take the place of the 1975 retiring trustees which called for election by ballot. Winning the election were Mr. Jayne, Mr. Sutherland and Ray McCleave. Joseph Hattie replaces Gerald Connelly as government representative. William Reid represents the Town with a vacancy for the second representative; Wilfred Swift, Helen McNeil and Parker Thurber, the Municipality of the District of Digby with a vacancy for the fourth municipal member. Other representatives are Mr. Robicheau, Clare; Lawrence Snell, Annapolis and Mrs. Celeste Hall, Ladies Hospital Auxiliary.

The audited financial report of the Hospital was presented by Victor Thompson, treasurer, which showed the revenue for 1974 to be \$1,575,428 and expenditures \$1,540,373. The Report of the Administrator, Ralph Stacey, however showed an operating deficit for the year of \$77,000, caused by increases in goods purchased and increase in Union Contracts which were not known when the Budget was made up.

Mr. Stacey's report found two main areas of congestion within the Hospital. They were the Out Patient Department that is carrying twice the load for which it was designed and the Laboratory where the volume of work has tripled.

During the Year they purchased \$17,600 - \$18,000 in equipment:

referred to the Rink Fund Committee.

Information will be going out to clubs, scouts, guides, etc., advising them of Canada Week from June 24 to July 1, 1975, and requesting them to recognize the week in some suitable way by a special function.

Councillor Reginald Hazelton brought up the matter of having a plaque or memento to present to people from other places when they come to Digby. It was suggested the Industrial Arts Class at school might have the making of such plaques as a project. Councillor Eileen Chipman in charge of Public Relations will look into the possibilities.

It was also approved to ask the Admiral Digby Horticultural Society to take on the project of beautifying the town by attention to the benches, bandstand area and flower gardens.

It was reported that the Town Hall had a recent interior scrubbing and cleaning by town workmen.

Permission to build a home on Prince William St. was granted to Mr. A. G. Sabir-Mian, providing it met with health standards and building codes.

Mr. Pitman drew to the attention of councillors that there is an overdraft in the Natal Day account and since Natal Day is a town function the town should be prepared to cover it.

It was reported by Councillor Guy VanTassel that John Gray, Smith's Cove, has been engaged as director of the Digby Emergency Measures Organization. Mr. VanTassel reported four calls for the Digby Fire Department were answered in February. Three were in Digby and one in Marshalltown. Loss at the Kingfisher Motel has not yet been estimated but the loss otherwise was estimated to be \$1000.

They have authority to purchase a new X-Ray Table and Fluoroscopy to bring the X-Ray equipment up to date, the cost of this will be \$32,000. They have plans to purchase other equipment so as to provide the best care for the Public.

Mr. Stacey commended the Medical staff for their interest in better patient care and service. Active members of the staff number 12, dentists 4, consulting specialists 7 and courtesy staff 9.

The Hospital received full accreditation in April 1974 and praised for its quality of care.

Mr. Stacey's report revealed that the Digby General Hospital employs 150 people with a yearly payroll of \$1,073,160.

The Nursing report was given by the Superintendent of nurses, Miss Muriel Smith.

Her report revealed that the Nursing Staff consists of 71 persons, namely three (3) Supervisors, five (5) Head Nurses for the Wards, One (1) Operating room Head Nurse and one (1) Head Nurse for the Central Supply Room and Out Patient Department. The remaining 61 are Registered Nurses, Certified Nursing Assistants, Nursing Aides, Orderlies and Ward Clerks.

The number of staff (61) excluding Head Nurses and Supervisors provide an average of 3.7 nursing hours per patient care in twenty-four hours. This 3.7 nursing hours includes Intensive Care Unit nursing hours, which are more than the Nursing hours per patient on the Wards because of the serious nature of the illnesses in this unit. The nursing hours per patient on the Wards, excluding the Intensive Care Unit is 3.2 nursing hours per patient care in twenty-four hours.

Of the staff 67 per cent should be Registered Nurses, that is 48 nurses. They have 37 R.N.'s or 52 per cent. 33 per cent of the Staff, that is 23 should be Nursing Assistants, Aides and Orderlies. They have 34 or 48 per cent in the above mentioned category.

Miss Smith reported all departments of the Hospital busy during the year.

To further education two Registered Nurses attended a six month course at the University of Alberta Hospital in Edmonton on Supervisor - Nursing in Coronary and Intensive Care. One Registered Nurse attended a six month course at St. Michael's Hospital in Toronto on the Post Diploma Programme in Operating Room Nursing.

Miss Smith extended thanks to all who gave gifts to the hospital or to the patients, the

R.N.'s, the C.N.A.'s and aides who relieved, the Candy Strippers, the Board and medical staff.

Mrs. Mary Robert reported for Mrs. Jack Whalley, secretary of the Ladies Auxiliary of the Digby General Hospital of which Miss Marjory Tupper is president. The Auxiliary was extended special thanks by the President and administrator for their generous contributions of \$11,000 or \$12,000 during the Years and approximately \$100,00 through their years of service.

Harry Titus was thanked for his special contribution to the Hospital as chairman of the buildings and grounds committee for so many years. His engineering knowledge and diligence had saved the Hospital much expense which would otherwise have occurred.

The report of F.C. Purdy, president, expressed great satisfaction with the medical and clerical staffs at the Hospital as well as the nursing staff. He noted the recent additions of three young medical men whose newer techniques in health care blends with the training and experience of the more senior members of the Medical staff.

Mr. Purdy's report dealt for the most part with the Agnew Peckham Report, a report which had been authorized at the last annual meeting of the Board. The Report was made by hospital consultants, Agnew Peckham, of Toronto and dealt with existing facilities of the Digby General Hospital and a program of development.

Recommendations were:
(1) The Provision of an in-patient, out-patient service unit located in the former Digby General Hospital, designed to provide three programs, identified as child youth services, social programs on prevention and thirdly, psychiatric services for

emergency care.

(2) Provide some 13-15 in-patient beds in the Old hospital for the mentally disturbed and serving a catchment area of some 40,000 people.

(3) Conversion of the first and second floors of the old hospital for use by the Psychiatric team of workers making essential renovations.

(4) This new service to operate as an extension of normal hospital services and under the same administration. A Joint Advisory Control Board to work in conjunction with the Digby General Hospital Board.

The Report recommends the relocation of the Public Health Unit from its present location in the Out-patient Department of the Digby General Hospital to the basement area of the old hospital. This area to be renovated to meet the needs of Public Health Group. The Conversion will provide space for the Community Health Nurses, the Public Health Inspector, the Nutritionist and Office Staff of the Department. The Report refers to this basement area as "an attractive space, with excellent light and high ceilings."

The Report states that the Outpatient area is too crowded for the Volume of work and patient flow to this area. The Consultants recommend the expansion of this area from its present 1,060 sq. feet to a minimum of 2,20 sq. ft. The inadequacies of this area are pointed out in some detail in the Master Plan.

It is the opinion of the Consultants that the Laboratory Department is unable to cope satisfactorily with present work loads, let alone handle increased volume. The Report recommends an immediate expansion that would double the area of this department.

In general it is recommended that the needs for the next 10 years be met with an increase of 35 beds.

In an impressive ceremony during the regular monthly birthday party of the Digby New Horizons Club, Mrs. Ruth Tolles of Bear River took the Oath of Allegiance and was presented with her certificate of

March break with her parents, Mr. and Mrs. Stanley Hatt.

Miss Diane Blankhorne, of Wolfville, spent the weekend at the home of Mr. and Mrs. Ken Hankinson. At the same home on Sunday night was Miss Sheila Mullen.

Mr. and Mrs. Gernon Prime of Danvers spent Saturday evening with Mr. and Mrs. Victor Doty.

Schools were closed on Monday, due to the heavy snowfall, which came so suddenly on Saturday afternoon. We understand there were several people stranded in various areas due to the snowfall.

Mr. and Mrs. Bal Kapur entertained teachers and their spouses and friends on Wednesday evening. Delicious refreshments were served, square dancing was enjoyed and the group presented Mr. and Mrs. Kapur with a crystal vase in honour of their wedding anniversary and Mr. Kapur's birthday.

The Winter Carnival was held at the school on Thursday and Friday of last week. Pie eating contests, plays, games and various other types of fun were enjoyed and a dance was held for the students. Education week is being held this week. Parents and interested persons are particularly invited to attend on Wednesday and Thursday to view the work being done there.

MARITIME COMMAND MINOR HOCKEY TOURNAMENT

The second annual Canadian Forces minor hockey tournament will take place this year in the Annapolis Valley during the March School Break. The tournament, which is arranged for competition between Squirt, PeeWee, and Bantam divisions of Canadian Forces Bases in the Maritime provinces, is being hosted by CFB Greenwood, and is scheduled for Monday 10 March through Thursday 13 March, inclusive, from 9:00 a.m. to 1:00 p.m.

Last year's tournament was hosted by Shannon Park, in the Shannon arena, and was won by teams Shearwater, Shannon Park, CFB Cornwallis, Kentville, and CFB Greenwood will compete for the CFDR Trophy and the Birks Navy League Trophy, which will be presented by Colonel A. Pickering, Commanding Officer of CFB Greenwood. Through the sponsorship of Admiral D.S. Boyle, Commander of Maritime Command, The Command Museum in the Halifax Dockyard has presented individual trophies for division competition which will be familiar to many Nova Scotians. These are HMCS Niobe's Arena Cup, for the Squirt winners; the Keiller McKay Highland Games Cup for the PeeWee winners; and the Quebec Challenge Trophy, for the Bantams.

Accommodation, swimming and movies after the day's games are being arranged by the Tournament Committee, and there will be a reception for parents, coaches, managers, and invited guests at Greenwood on Wednesday, 12 March at 9:00 p.m.

Daily summaries of the results of games and the final winners, will be forwarded to radio and television stations and to newspapers throughout the Annapolis Valley and in the Halifax - Dartmouth area. Come and support your teams as they compete in this fine Service - sponsored competition; admission to the CFB Greenwood Arena is free, and all Servicemen, dependents, and civilian visitors will be welcomed.

DEACONS

INDUCTED

Six men were inducted as Deacons of the Deep Brook United Baptist Pastorate Churches at Clementsport, Deep Brook and Smith's Cove, on Sunday, March 2. They took part in the reading of the Scriptures, leading the singing and offering prayer prior to the induction service held during the Communion Service at each church. Rev. Wallace H. Jordan, pastor, officiated. The new Deacons who will officiate in the Diaconate ministry for the next three years are Mel Waterman and Leslie Potter - Clementsport; Audrey Selig - Deep Brook; Thurston Banks, Ronald Harrison and Robert M. Winchester - Smith's Cove.

World Day Of Prayer

Service At

St. Patrick's

"Become Perfectly One!" is the focus for the 1975 World Day of Prayer on Friday, March 7th. Approximately 3000 communities across Canada and 170 countries around the world will be sharing this interdenominational day of prayer and fellowship. This year the Service was prepared in Egypt.

In Digby a service will be held at St. Patrick's R.C. Church at 7:30 P.M. The guest speaker will be Mrs. Benjamin Height, Men, women and children of all faiths are welcome.

The World Day of Prayer is sponsored, in Canada, by the Women's Inter-Church Council, 77 Charles Street West, Toronto.

The Council is made up of representatives from ten Christian denominations, the Y.W.C.A., the John Milton Society for the Blind in Canada, and the Armed Forces Chapel Guilds. Offerings from the World Day of Prayer are used to support ecumenical programmes that meet the human need, both in Canada and other countries.

PROVINCE OF NOVA SCOTIA

BOARD OF COMMISSIONERS OF PUBLIC UTILITIES IN THE MATTER OF THE PUBLIC UTILITIES ACT and

IN THE MATTER OF AN APPLICATION BY THE MUNICIPALITY OF THE DISTRICT OF CLARE FOR APPROVAL OF INCREASES IN RATES, TOLLS AND CHARGES AND APPLICABLE REGULATIONS FOR ELECTRIC SERVICES PROVIDED BY THE SAID MUNICIPALITY

NOTICE

NOTICE IS HEREBY GIVEN that the Application of the Municipality of the District of Clare for approval of increases in rates for the supply of electricity and electric services by the Municipality through its Electrical Distribution System, will be heard at a Sitting of the Board to be held in the Court House, in Little Brook, Digby County, Nova Scotia, on Thursday, the 27th day of March, 1975, at the hour of 10:30 o'clock in the forenoon, Atlantic Standard Time.

The Municipality seeks the approval of increases in the monthly charges of: 50 cents in all base charges, 3 cents per kilowatt hour in all energy charges; increases of \$6.00 per year in all street lighting and street and outdoor lighting rates and a fuel adjustment clause of 0.4314 cents per kilowatt hour on each electric bill.

Particulars of the proposed rate increases may be seen at the Office of the Manager of the Electrical Distribution System of the Municipality of the District of Clare, at Church Point, Digby County, Nova Scotia, or at the Offices of the Board of Commissioners of Public Utilities, 5516 Spring Garden Road, Halifax, Nova Scotia.

All persons interested will be given an opportunity to be heard at said Sitting.

DATED at Halifax, Nova Scotia, this 18th day of February, 1975.

Beaches For The People

"The Beaches of Nova Scotia," said Hon. M.E. DeLory, M.D., Minister of Lands and Forests, as he introduced in the House of Assembly today, an act to preserve and protect them, "are hereby declared to be for the benefit, education, and enjoyment of the people, and shall be maintained and made use of so as to leave them unimpaired for the enjoyment of future generations."

Under the Provisions of the Act, no person shall wilfully take or remove any sand, gravel, stone or other material from a beach without first having obtained the Permission of the Minister of Lands and Forests, under whose direction the Administration, management and control of all beaches has been placed.

Persons who violate the Act, Dr. DeLory pointed out, will, upon summary conviction, be liable for a penalty of up to \$1,000. Failure to pay such penalty as may be assessed, may result in the person convicted to imprisonment of up to 90 days.

Fishermen, of course, Dr. DeLory pointed out, will not be prevented or restricted from removing beach rocks to be used as ballast in his lobster pots. The removal of beach rocks for such purpose is traditional.

Navy League Annual Held

A continuing increase in the number of young people, particularly girls, enrolling in the cadet movement was reported by a number of branch representatives attending the annual meeting of the Nova Scotia mainland division of the Navy League of Canada in Halifax last week. Digby was one of the branches represented at the meeting.

The first Navy League wrenette corps to be formed on the mainland, and the fourth in the Maritime Provinces, was opened recently in Halifax. The wrenette training program is open to girls 13 to 18 years of age.

In addition to the formation of a separate wrenette corps more than 100 girls were enrolled as wrenettes affiliated with sea cadet corps, one of the largest percentage increases by region in Canada.

The Navy League in conjunction with the Department of National Defence sea cadets for youth 13 to 18 years of age. The league, on its own, sponsors Navy League cadets for boys 11 to 13 and wrenettes.

J.J. (Jim) Kinley of Lunenburg, re-elected president of the division, said one of the reasons for increasing interest in the cadet program has been a more flexible approach to training and related activities "keeping in mind the needs of today's young people."

VOTE AT 18 INSTEAD OF 19

Hon. J. Fraser Mooney, Minister of Municipal Affairs, introduced a bill in the legislature tonight amending the Municipal Franchise Act. The bill proposes amendments to the act showing the change in voting age to eighteen instead of nineteen years of age brought about by the Municipal Voting Age Act of 1974. The bill also sets forth the effective date of the change as January 1, 1974.

family, Mrs. Terry Meisner and family.

of sand, gravel, stone or other material from a beach may be granted by the Minister, but such permission Dr. DeLory said, will be upon such terms and conditions as the Governor in council may determine from time to time, including any fees and charges for such leases, licenses and permits.

In any event, no person affected by the Act, Dr. DeLory said, shall be entitled to compensation for any restriction, encumbrance or use or lack of use, of any nature or kind whatsoever, of a beach that may result or results from the enacting of this act.

A beach, under the Act, Dr. DeLory explained, means that area of land on the Coastline lying to the Seaward of the Mean high water mark and to landward immediately adjacent thereto a distance which will be determined by governor in council. It will also include any lakeshore area as may be determined by governor in council, as well.

Select Committee Wants Briefs

The select committee of the legislature on the Graham Royal Commission Report will resume public hearings following the end of the current legislative session.

The select committee, which has already held two public meetings, is asking those wishing to appear before it to have their briefs completed no later than March 31. The committee will then meet as soon as possible in the month of April and those scheduled to appear will be informed of the date and place of the hearing.

The chairman of the select committee is Hon. J. Fraser Mooney, Minister of Municipal Affairs.

"Those appearing," Mr. Mooney said, "can send in their briefs for distribution to the members of the committee or they can bring them along with them to the hearing."

The minister pointed out that the forwarding of the brief does not prevent those appearing from making oral representations including the reading of the brief in full to the members of the select committee.

In addition to Mr. Mooney those serving on the committee are Hon. Glen M. Bagnell, Hon. Walter R. FitzGerald, M.L.A.'s Glen S. Ellis, Floyd Tucker, Ron Barkhouse, Roland Thornhill and NDP leader Jeremy Akerman.

All briefs requests for information, correspondence and inquiries should be directed to Graham D. Walker, Legislative Counsel, Province of Nova Scotia, P.O. Box 7, Halifax, N.S. B3J 2L6, or by telephoning 424-4041.

THE POSEIDON ADVENTURE

March 8th, A.T.V. viewers will have an opportunity to see the most successful picture of 1973, Irwin Allen's production of "The Poseidon Adventure."

Based on Paul Gallico's best-selling novel of the same name, the story tells of the final voyage of an ocean liner of the Queen Mary class enroute to a ship-breaker's yard in Greece. Her greedy new owners refuse to ballast her properly and when she is struck on her beam by a huge wave created by a submarine earthquake, she capsizes. Death and destruction are everywhere, but there are survivors. The burden of the story becomes the desperate struggle of 10 of these to fight their way up through the inverted ship to possible rescue through her hull.

WHY HAVE WE BEEN NO. 1 IN NORTH AMERICA FOR ALMOST 10 YEARS IN IMPORTED TRUCKS?

THE ANSWER:

D - A - T - S - U - N

(For proof ask the people who own these world famous vehicles)

1975 DATSUN LONG BOX

THE LONG-WHEEL-BASE-LONG-BOX IS NEW WITH US THIS YEAR, OF COURSE WE ALSO CONTINUE TO SELL THE POPULAR REGULAR SIZE 1975 DATSUN PICKUP.

HOW ARE WE GOING TO STAY NO. 1?

SIMPLE! We're gonna take these gutsy two new models with their powerful 2000 overhead cam plants and sell them to the folks we've always sold to: Private owners who use them for work or play and families who buy them as a versatile 2nd car. Of course, a larger volume of sales come from **FLEET BUYERS**. In Digby our fleets consists of Oil Companies, Plumbing Firms, Electrical Contractors, Carpenters, Delivery Companies, Contractors (Industrial), Woods Operations.

WE'VE SAVED THE BEST FOR LAST:

...We think we can beat any competitive 1975 models by as much as up to \$300. Doesn't cost a penny to try us on for size, if you're ready, we are. We'd be honored to have you as a member of our growing family today.

FLEET BUYERS have confidence in Scott and Grace Datsun Ltd., because they know we have an investment of \$25,000, in parts, supplies and equipment to back up their purchase, if they ever need it. They also tell us that Datsun Pickups just about halve their operating costs and stand up to rugged "work-horse" conditions.

NOTE: Our competitive **EDGE** and **PRICES** are subject to change without notice. However, we are prepared to **GUARANTEE** our present prices 'til March 28, 1975 whether purchased from stock or ordered.

"FOR HOME AND COUNTRY"

EDITED BY WOMEN'S INSTITUTE

Rev. MacPherson Eaton of Forest Hill, Wolfville, was the speaker in the Baptist Church on Sunday, March 2nd. Mr. Eaton is a son of one of Nova Scotia's famous sons - Cyrus Eaton of Cleveland, U.S.A. Mr. Eaton was a guest of Rev. and Mrs. E. Winchester and

while in the Village called on several residents of the Bear River congregation.

Miss Rosalind Warren of Halifax was a guest for several days the past week at River-view Lodge.

Due to much sickness and the weather - the meeting of Bear River Women's Institute, which was to be held on Wednesday, March 5th, has been cancelled. The April meeting will be on April 2nd, at 2:30 p.m. at the home of Mrs. Cunningham and Mrs. Fraser.

EXEMPT FROM TAXES

The Bear River Board of Trade Swimming Pool in the village of Bear River was sponsored by regular motion at the Municipality of the District of Digby Council meeting, exempted from taxes.

Hope Fellowship for Adult Retarded Workshop at Conway was given a grant equal to their amount of taxation.

HONOURED ON 80TH BIRTHDAY

Harry A. Sulis of Smith's Cove enjoyed an evening of reminiscing with his friend, Edgar Sulis, also of Smith's Cove, on Monday evening, March 3, when Edgar, along with Harry's family, joined him to celebrate his 80th birthday. Enjoying some of Harry's mouse stories were his wife, Wilhemina, son MWO Harry R. Sulis and Mrs. Sulis, CFB Cornwallis; daughter, Helen (Mrs. John Bennett) of Mallorytown, Ont., and another friend, Mrs. Earl Mosher, CFB Cornwallis.

During the evening, Harry received a telephone call from his daughter, Geraldine (Mrs. Harry Barnes), Long Branch, Ontario. He also had received cards from all his grandchildren.

A lunch, highlighted with a birthday cake with 80 candles on it, made by his daughter-in-law, Juanita, brought the evening to a close. And Harry blew out all 80 candles!

WARDEN DENTON REVIEWS 1974

Warden Allison Denton of Bear River presented his report for 1974 at the annual meeting of the Annapolis Municipality held at the Municipal Building in Annapolis Royal.

Mr. Denton reported that the municipality is in a sound financial position and because of a provincial grant of \$127,000 the county was able to lower its tax rate by five cents to \$1.75 in 1974.

Two hundred and thirteen building permits were issued to the value of \$3,210,350. One hundred and thirty-three of the permits were for totally new construction.

Mr. Denton noted the number of places which have involved themselves in projects of advanced municipal services of

water, sewer, and other benefits. He noted new schools built in Lawrencetown and Annapolis and the new Nova Scotia Land Survey Institute in Lawrencetown. The receipt of a federal winter capital project grant, the warden said, would assist greatly in financing the Annapolis school.

Turning to the much talked about Graham Royal Commission Report, Warden Denton drew particular attention to the suggestion of an Annapolis Valley County which would comprise the area from Bear River to East of Windsor. He expects that municipalities will have opportunities to submit briefs to a select committee of the Legislature.

EDUCATION WEEK A GLIMPSE AT SCHOOL TODAY

BY Nola Jeffrey
Supervisor of Guidance

This morning our son set out for school at a typical Nova Scotia junior-senior high school of approximately nine hundred pupils. He is enrolled in one of at least five various programs available - the program leading towards university. Whether that remains the goal or not will be evident only after several more years have passed. We, his parents, believe that his days' work will consist of academically based courses and cognitive skill development. This, I hasten to add, is a preconceived belief based on our own experiences of a by-gone era.

Highly scholastic! Look at his equipment for the day. A trombone is in one hand; a bag of "gym" items - including shorts, T-shirt and "gym" shoes - is in the other hand; and a large garbage bag overflowing with hockey equipment is being dragged along behind. Lost among this was a French notebook and a boy!

Has school philosophy changed? This introduction should indicate a different idea of school from what we parents knew. A closer look into our son's program would indicate that he could be in music (band) class one period, in wood-working, metals, drafting, or in physical education at another time. In addition to these, he would have science, English (with its various components), mathematics, and social studies. All of these are very much related to present-day activities. Science could be on the topic of erosion but it is updated to include the all-inclusive idea of ecology. A literature lesson involves discussion of ideas related not only to the story but to the lives of the children. Their ideas, thoughts, and interests are as important as the ways in which each child is able to express them. Many parents our age have, no doubt, given up on the mathematics language of the day. From the day seven years ago when my son arrived home to inform me that he had "expanded notation" on that day, I have remained in a hazy atmosphere somewhere between a shallow understanding and complete ignorance of the math vocabulary. With social studies, I felt I would be safe. But not so! The facts, figures, and dates are still there but more important is an understanding of our ancestors and our heritage as Nova Scotians and an understanding of our multicultural and

diversified country, Canada. A debate re: the expulsion of the Acadians develops clearly both sides of the event and places the participating pupils within the situation as it was in 1755. They feel how both the Acadians and English felt. Simultaneously, the debate develops English speaking skills, reasoning, and positive argumentative qualities. In French class, the emphasis is on the ability to speak the French language fluently.

It is not only these cognitive skills that are being developed. Emphasis is on the development of the whole child. His mental ability is stimulated; his physical abilities are strengthened; his interests and feelings (emotions) are considered. He is learning to reason logically and to make choices which will influence his future.

This is his first year in junior high. Although the outcome is uncertain, one definite thing is that the next few years will be frustrating - physically, socially, mentally and emotionally - to any adolescent. While becoming independent and responsible, he will be bombarded with these frustrations. In this period of turmoil of just plain growing, I emphasize the BECOMING aspects. Patience, firmness - tempered with humaneness - fairness and an adult model are all essential. It is more necessary now than ever before for both home and school to co-ordinate activities to provide the assistance to our children. In a time when it is difficult for many parents to know or comprehend what is happening in our schools, parents and teachers must realize the aims and goals of both primary institutions of home and school to provide the essential direction and understanding that these children need.

At the beginning of this article, I mentioned the various subjects available to a Grade 7 pupil. Each year the kinds and number of courses available to pupils increase. Each year's program is more flexible. By Grade X, a young person may take the maximum number of course of just the reverse - the minimum number of five. Some students may take less under certain circumstances. In the years from Grade X on a total of fifteen credits is the minimum amount necessary to enable each to obtain a high school completion certificate. Whether this is obtained in three years, less than three, or more than three years will be up

to the student. Whether he gets the courses he needs for his future will depend upon his development toward a responsible being with guidelines provided by others who are significant to that student. He/she is free to spend time in class, downtown, in the pool room, at the mall, in drama, guitar, photography, etc., clubs, in the music room practicing for the band, in the library reading or doing research, in a free classroom preparing an assignment or studying, in the gymnasium practicing sports, or practicing for cross-country racing. Has this pupil become responsible enough to know what he/she should be doing? Is being outside school a waste of time or additional education? What does the pupil do during each free period? It is the pupil's choice. Parents, together with school personnel, must take the initiative of knowing the activities of our boys and girls although they may be twenty miles away from home during the day. On one hand, a tremendous variety of activities to assist the young person to BECOME are available; however, only a limited number these activities are taken advantage of by some young people. It yet remains for the student to make the final decision. Is this not a monumental task?

It is an aim of education week to provide information to assist those outside the school in becoming more familiar with our school and its programs. Upon our children rests the future which we have helped to create. Let's support them by becoming informed and aware!

BOARD OF COMMISSIONERS OF PUBLIC UTILITIES
IN THE MATTER OF THE PUBLIC UTILITIES ACT

and
IN THE MATTER OF AN APPLICATION OF THE DIGBY COUNTY POWER BOARD FOR APPROVAL OF AN AMENDMENT TO ITS SCHEDULE OF RATES RELATING TO THE SALE OF ELECTRICAL ENERGY

NOTICE

NOTICE IS HEREBY GIVEN that the Application of Digby County Power Board for approval of amendments to its Schedule of Rates for the sale of electrical energy will be heard at a Sitting of the Board to be held in the County Court House, in the Town of Digby, on Wednesday, the 26th day of March, 1975, at the hour of 10 o'clock in the forenoon, Atlantic Standard Time.

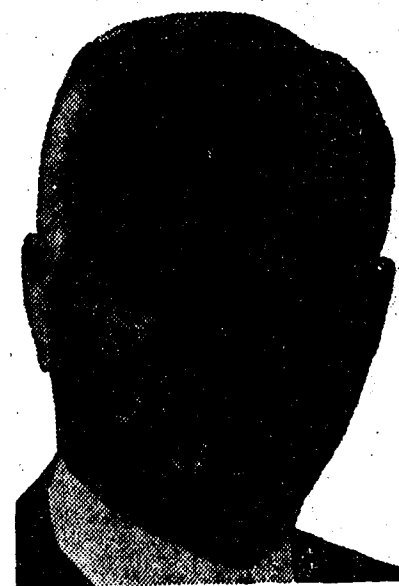

The Applicant proposes to increase the service charges from 80 cents to \$1.00 per month per kva of connected load, and from \$2.00 to \$2.50 per month per kilowatt of maximum demand and an increase in the energy charge from 1.16 to 1.25 cents per kilowatt hour for all consumption under its Alternating Current Power - Wholesale Rate. The Applicant also proposes increases in its Alternating Current Power - Retail Rates as follows: for customers within the Town of Digby, increases in the service charge from \$2.00 to \$2.50 per kilowatt of maximum demand and in the first block energy charge from 1 1/4 to 2.0 cents per kilowatt hour for the first 150 kilowatt hours; for customers outside the Town of Digby increases in the service charge from \$2.00 to \$2.50 per kilowatt of maximum demand, and in the energy charges from 1 1/4 to 3.0 cents per kilowatt hour for the first 150 kilowatt hours and in all additional energy from 1 to 1.5 cents per kilowatt hour. The Applicant proposes to introduce for approval an energy rate adjustment clause.

Particulars of the proposed amendments may be seen at the offices of Digby County Power Board, in the Town of Digby, and at the offices of the Board of Commissioners of Public Utilities, 5516 Spring Garden Road, Halifax, N.S.

All persons interested will be given an opportunity to be heard at said Sittings.

LARGE LIMBS DANGEROUS

In his report to the Digby Town Council on Monday evening, Glenn Pitman, town clerk, said his attention had been drawn to the danger of large limbs falling on homes in high winds. He particularly mentioned one at the house near the street on the Ganong property. He also mentioned the Dutch Elm disease and suggested that the town might want to start a program of planting new trees to counteract any loss of trees.

Mr. Pitman reported two applications had been received for dog catcher.

A by-law was drafted which contains a penalty for leading or driving a horse or cattle on Digby sidewalks. A by-law also was passed setting a penalty for transient traders who do not obtain licenses to trade in town if they are not ratepayers of the town. Both by-laws must be

approved by the the Department of Municipal Affairs.

Councillor Philip Robertson brought up the matter of putting out tenders for the sale of the town's police car. The motion which passed the transaction also put the matter in charge of the hands of the Public Property and Finance Committee with Councillor Eileen Chipman as chairman.

A letter from Seagrave Ltd., from where the town is purchasing a fire pumper, was put into the hands of the finance committee. It dealt with escalating cost adjustments and the finance committee was asked to review the contract and report back to Council.

Councillor Guy VanTassel spoke on behalf of the Royal Canadian Legion Digby Branch No. 20 to have their building exempt from taxes. By regular motion the Council approved.

Fourth And Last "Jeuneses Musicals"

Concert At The Ste. Anne College

On Wednesday, March 12, the fourth and last "Jeuneses Musicales" Concert of the 1974-75 season will be held in the college chapel at 8:00 p.m. This concert will feature the Fresh String Quartet from Stockholm.

In 1967, the year of its foundation, the FRESK QUARTET wrote a letter to Rikonskter (the National Concert Bureau of Sweden, which sponsored the creation of the ensemble). They stated their aims in these terms:

"We hope that - within the widest possible limits - we will be able to combine our normal schedule of evening concerts with a programme of performances for self-contained groups like trade unions, associations, hospitals, prisons and so on. We think that in this

way we can fill a need as well as helping people to approach music. As a matter of principle, we are trying to destroy the stiff framework which so often confines the concert performance. We would like, for example, to introduce the pieces we play ourselves, to create verbal contact." Since then, they have endeavoured, through performances in Sweden and exchange tours with the Jeunesse Musicales member countries, to establish this human contact. All four musicians are graduates from the Sweden National Music Conservatory.

THE BIG SLICE OF PIE

This is Education Week. As we mentioned before, the Education Week Committee has put out a fine resource book and a fine program for the week. They deserve to be complimented and our own town and municipal educational staffs have done themselves proud in their efforts too. We commend them warmly. We know there is still much more they would like to do to advance educational facilities and opportunities for the children in our towns and villages.

It is only when one sees the Financial Pie with the biggest slice for education that one has to stop and take a second look. We just now are not aware of the town's educational budget for 1975 but we believe the Municipality of the District of Digby has found it necessary to make a one hundred and fifteen thousand hike over 1974.

While the song and dance is "Tighten Your Belt", expenses, needs and wants keep spiraling with education being highest on the totem pole. While most of us agree and want the best educational life for the children and adults there might come a time when we will have to "cut our garment according to our cloth" despite our ambitions.

Digby, Nova Scotia or Canada are not the only areas feeling the pinch. We are reading one of our American Weeklies right now which says their school board is asking for help. They want the citizens to help to decide how to reduce next year's school budget, to help them to retain what is best in the system and what to cut out in service in order to reduce costs. They are having a public meeting on the issue.

Of course, we in Nova Scotia have the Graham Report to look forward to. Here and there somebody has taken time to look into this report to assess it and are good enough to convey their findings to groups or clubs but the rank and file have not attempted to digest all the recommendations. Judging from the few addresses and discussions we have heard the report favors individual programs with each student developing at his own speed. This idea, of course, is not new with the Graham Report. Individual pupil teaching methods have again come into their own after some years of teaching collectively so that the majority advanced. More consideration is now being given to the needs of the extra bright student and the retarded as well as the average. Work experience is regarded as education according to the report but not necessarily by the vocational school aspect. There appears to be an idea from the Graham Report of excusing students from school for travel and outside educational purposes and attendance actually only demanded for the students who progress. Better libraries, museums, audio-visual resources are advocated. These

are not exactly new ideas but we might say not generally followed.

The biggest change in the educational section of the Graham report would be in administering the financial angle which has been much the task of local school boards. To date no one has come up with a confirmed answer for better or worse or for richer or poorer. We'll likely have to wait for it to be tried and proven and estimated in cost. Few seem to expect lesser costs.

In the meantime our present educational set-up takes a big slice of the pie. As much as we don't want to we just might have to exchange our educational Cadillac to a Horse-and-Buggy model. Only time will tell.

REQUEST AID

FOR

CLERGY FAMILIES

At a recent meeting of Trinity Guild, Digby, N.S., a letter was read appealing for assistance to all Clergy families in the Diocese of the Arctic and the MacKenzie Diocese.

Not only monetary aid, but, they were also requested to mail parcels to a family, containing such articles as yarn, material, scarves, beads etc, or any item scarce in their area. Many families would appreciate letters as they are not Canadians and have no contact with people in any part of this country.

The Guild donated \$100 towards this work being carried on in the North and the President, Mrs. Isaac Butler has written for more information.

Another worthwhile effort is the collecting of used postage stamps in aid of the Arctic Fellowship organization. Guild members and friends have been donating the stamps to Mrs. Bruce Hutchins, who sorts and forwards the collections to Arctic Fellowship Headquarters in Vancouver.

Plans are being made to have a May Tea and Sale including a pantry table. Later a summer bazaar is planned.

On February 17 several ladies met at the Rectory to form an evening Guild. Future meetings will be held monthly on the 2nd Monday.

The first project will be piecing a quilt in the Bow Tie pattern. This group will assist the afternoon Guild in the work being carried on.

Several Guild members make regular visits to shut-ins at Tide View Terrace and in their homes and to hospital patients. Often they are able to write letters, do errands and make contact with families for the shut-ins.

Following Confirmation

service in April a reception will be held at the Rectory by the Guild.

Each meeting is well attended and under the leadership of the President, Mrs. Butler, many projects are undertaken with full co-operation from all the members

Digby's Tax Rate Goes Up 38 Cents

DIGBY - The 1975 tax rate for the town of Digby was set at \$2.92 per \$100 of assessment during a special session of Digby Town Council on Wednesday, March 5.

The increase of 38 cents over last year's rate of \$2.54 was attributed to a general increase in costs the town.

Some of the cost increases included street maintenance and surfacing, up \$6,000; police protection, up \$10,000 on the assumption another policeman could be added to the force; welfare, up \$12,000; and debt charges, up

\$10,000 to \$12,000.

Capital expenditures from revenues will include a new fire alarm system at a cost of \$6,000 and a new four-wheel drive vehicle, of \$5,000. The remaining cost of the four-wheel drive will be covered by a reserve of \$8,000 already established.

With the increased rate, town clerk, Glen Pitman feels the town has a "workable budget." The total revenues and expenditures for the town this year are expected to be \$733,222.

Various Agricultural Workshops Held

Ralph Morehouse, Regional Extension Supervisor with the Department of Agriculture, Kentville was the speaker of the first Agricultural Workshop held at the Digby Regional High School arranged by Bruce Gilliat, Agricultural Representative for Digby County. Mr. Morehouse spoke on Leadership Development as it relates to persons. He stressed types of leadership and their emergence in groups or organizations.

The second workshop was also held at the D.R.H.S. with Peter Stewart, co-ordinator of Agricultural Publications, Halifax, who discussed Resources and Communications. He spoke on the effective use of press and radio in keeping the general public informed of what is going on in organizations. The participants in the course had an opportunity to prepare radio and press reports as a group.

The Weymouth Consolidated High School was the scene of the third agricultural workshop when Mrs. Phyllis Nixon, vice-president of the Nova Scotia Women's Institute was the course instructor. The topic was Parliamentary Procedure. Mrs. Nixon discussed terms used in formally conducting meetings as well as outlining duties of officers in a properly run group. The subject went over well by the use of skit telling.

On March 8, a workshop on Leadership Development was held at St. Anne's College, Church Point when twenty-five certificates were awarded to the county volunteering leaders. Approximately forty attended throughout the five sessions. Fred Fiske, president of the Nova Scotia Exhibition Association was guest speaker. He is active in youth groups such as 4-H,

Minor Hockey, etc. Mr. Fiske was a former farmer and is now a Dairy Herd Analysis Technician at the Lawrencetown Agricultural office and has much experience with youth groups and other organizations.

Bal Kapur was guest speaker at the fourth workshop on audio visual aids held at Weymouth. Mr. Kapur who is a Guidance Counsellor at the school presented various types of movie projectors, camera, slides, overhead projectors and video tapes.

The Saturday afternoon workshop was headed by Marlene Malcolm of Acadia University with topic of Program Planning. She spoke on preparing the program, the agenda, etc. A banquet and presentation followed.

A Hog Production Short Course was held on Wednesday evening and will continue tonight. The course, open to both employers and employees, will be held again on April 9 and April 10 at St. Anne's College, Church Point. The workshops are designed to bring Hog Producers up to date and review major problems confronting producers.

Boy Scouts Will Be Crossing Guards

On Wednesday evening of last week Corporal T.J. Reports were presented by the president, secretary, treasurer, F.C. Purdy, building committee, Harold Emerson and Mrs. Banks and the acquisition committee, Mrs. H.M. Warne.

Mr. Purdy expressed the fact that while the Society's finances are "better", they are far from being "sound". Total revenue for 1974 was \$2546.98. The total expenses came to \$1824.49 leaving a balance of \$722.49.

Mr. Emerson in presenting the building committee report mentioned the repairs needed, a new roof on part of the building and the foundation to be attended to. He estimated that the roof would cost \$2000.

Mrs. Warne, in her report, referred to the need of money to prepare the second floor of the building. She also asked for donations of second hand books.

Mrs. MacLeod Rogers told of the Nova Scotia antique display which is expected to be held here on May 30 and 31. The theme is to be Heritage, Digby.

Mrs. B. Height Address World Day Of Prayer

Mrs. Benjamin Height, Digby, president of the Grace United Church Women, was guest speaker on Friday evening when the World Day of Prayer was held in Saint Patrick's Church on Queen St. Mrs. Height spoke on a conference she attended in Toronto in November, 1974 and held by the Women's Inter-church Council of Canada. The three Nova Scotia delegates were from Halifax, New Glasgow and Digby. The conference met in a Catholic Retreat House, Queen of Apostles Renewal Centre. The conference theme was The Threshold of Worship and the Logo used on the World Day of Prayer programs was interpreted as "The hand that cherishes the flame of the spirit is one with the hand that releases it".

Mrs. Height spoke on various types of persons from various places around

On display at the meeting were historical postcards belonging to Mrs. H.R. Bishop and Miss Daisy McKinnon. Mrs. Bishop donated her cards to the Society.

Highlight of the evening's program was a talk on the Implications of the Graham Report by Mayor Roy McIsaac, Bridgetown. He was introduced by F.C. Purdy.

Mr. McIsaac found the report to be well researched, with logical and substantiated findings and the copy being worth reading. Features of the report of the Nova Scotia Royal Commission on the Municipality's and Province's Education and Public Services were explained by the speaker as well as ways in which the recommended needs can be carried out.

Mr. McIsaac said the comments were classified under three headings: General Services of Education (including libraries); Health, Social Services, Housing, Administration of Justice and certain Transportation Service. There are supporting services like capital

Housing Contract For Digby

Central Mortgage and Housing Corporation announced the award of a \$270,120 contract for federal-provincial rental housing in Digby, Nova Scotia.

The contract was awarded to Municipal Spraying and Contracting Limited of

Bedford for the construction of 12 semi-detached family units which are expected to be completed by late 1975.

All of the units are the split entry type, with six having three bedrooms and six having four bedrooms. J.D. Walker, CMHC's

Assistant Manager of Programs for Nova Scotia, said the units will be located on a site bounded by Queen St., George St., and First Avenue in the south end of the town.

Financial arrangements for this development provide that CMHC will pay 75 per cent of the capital costs and the Province of Nova Scotia the remaining 25 per cent. On going rental subsidies for the project, estimated at \$50,227 annually will be shared 75 per cent by Central Mortgage and Housing Corporation and the remaining 25 per cent by the Province and the Municipality.

Dogs Are Blamed

Packs of roaming dogs, once again, are taking their toll of the provincial deer herd, reports Merrill Prime, the Department of Lands and Forests Director of Wildlife.

In some instances, according to reports sifting into various offices of the Department of Lands and Forests, deer, weakened by snows and depleted supplies of food, have been chased through the snow to the point of exhaustion, and then abandoned.

In other instances, they have been chased, attached, chunks of flesh torn from their living carcasses, and left to die.

As Mr. Prime reports: "It's not a pretty sight."

What is so often the case, Mr. Prime says, is that the dogs who do this damage are family pets whose owners not only do not know that they are absent but, who, also, would be highly incensed were their dogs accused of being involved.

The bare facts - as has been proven time and time again - are that pet dogs are the dogs who do the damage. They have been caught in the act - many times.

In fact, dogs have a natural instinct to chase and to kill and, because this is so, Mr. Prime says, these roaming packs have earned, and deserve, the reputation of being "the worse killers in the woods".

Trained hunting dogs, on the other hand - used by their owners at certain seasons of the year to hunt rabbits, birds or raccoons - are rarely found to be involved. Rather, as officials of the Department of Lands and Forests have found, it is the unsupervised dogs which are the culprits.

These, quite often, are the dogs which are let loose in the morning when the children go to school, and which are always around when the children return in the afternoon. Between these times, they could be anywhere - and often are. Such dogs band together to play, and chasing deer, to them, is real sport.

There are other dogs, too, Mr. Prime said, which have been found to be responsible.

Radar Tower Completed

The Department of Transport at Saint John N.B. recognized Tiverton, Digby Co. as a feasible site for a radar tower in the Tiverton area.

Captain R.D. Shields, District Manager of the Department of Transport, Saint John, N.B. said the purpose of the installation of the radar in this area is because it is direct relation to a Vessel Traffic Management Plan that is being established for the surveillance of shipping entering and leaving the Bay of Fundy. The purpose of the tower is to support radar equipment components," he continued.

When asked why Tiverton was particularly chosen for the site, Captain Shields replied, "This particular area was chosen because of the elevation of the land which allowed for a larger area of the Bay of Fundy to

be covered by radar."

When questioned as to who would operate or be in attendance of the radar controls, the speaker answered, "The installation at Tiverton is a remotely controlled site. It will not be manned other than required visits by electronic technicians to carry out a routine inspections and maintenance."

Mr. Shields further stated that a specific date for operational commencement is not known at this time, due to factors such as the obtainability of equipment and its delivery to the site.

The radar tower was completed when a red warning light was installed on top of the 82 foot high platform overlooking the Bay of Fundy. It is understood a scanner will be installed at a later date.

During the spring of '74, Mr. Jerome MacDonald of Halifax, foreman of the Maritime Standard Paving Co. and his crew constructed a road leading to the site where the radar tower was to be located. This road is a branch of Bear Cove road which is a popular picnic area during the summer months. During the same year Boyd and Garland Construction Co. Halifax and foreman, Arthur Hupman of Weymouth and crew constructed a concrete building near the radar site that would house equipment for use at the radar tower.

Conduct Panel And Discussion

Rev. George Bell, Smith's Cove, was moderator on Wednesday evening when a forum on Moral and Social Responsibility was held in the Multi-purpose room at the Digby Regional High School as part of the observance of Education Week. Other members on the panel were Mr. and Mrs. Ralph Stacey; Miss Cindy Rice, student; Miss Louise MacDonald, student; Churchill Page and Miss Beverley Champion, teacher.

The informal discussion also centred around the extra curricular and the student and teacher's role, whether students take full advantage of the extra curricular and if parents are aware of the extra curricular. About 30 parents and visitors were present.

Cereal And Grain

Short Course

Mr. Duncan Hough, Soil and Crop Specialist, Nova Scotia Department of Agriculture and Marketing, Kentville, Nova Scotia, was instructor on Wednesday evening at the Cereal and Grain Production Short Course at the Fundy Restaurant, Digby.

Purpose of the cereal and grain short course was to give farmers some pointers on the latest information regarding the growing of grains for livestock feed. Mr. Hough also discussed testing, land selection, grain, fertilization, kinds of grain to grow as it relates

to the soil tests, land preparation, seed variety, seeding, weed control, harvesting and gave some general comments on proper combine operation and adjustments.

Farmers who met on Wednesday had opportunity to ask questions with regard to their own particular situation in grain production.

P. Bruce Gilliat, Digby County representative on Agriculture, encouraged all farmers to find out the facts of efficient production as everyone was aware of the high cost of input, making it important that proper

"MAN'S BEST FRIEND" A MENACE

This week in our news columns there is a story (maybe two) which blames roaming dogs for killing off the deer population. In town we hear of dog packs on school yards and even to tackling and injuring another pet dog. People are becoming outraged by these mishaps as they fear the safety for children and for themselves so far as the roaming dogs are concerned. It is becoming a fact that Man's Best Friend is a menace not only to people but to other animals as well.

Domestic dogs do not belong on highways, town streets, in school yards or roaming around in packs. A bit of responsibility and common sense could go a long way to make these pets less of a menace. Owners of dogs are the people who must take the responsibility of keeping their pets at home in their own yards.

Besides the danger of people being bitten by a neglected dog there is also the danger of a dog interfering with car driving on the highway. Who hasn't at some time had to maneuver a car around to avoid hitting a dog. Yes, even to causing a serious accident. Farm animals are known to have been killed by dogs on the loose.

All these add up to stricter laws regarding dogs and an urgent need for a good dog catcher.

Dog owners, keep your dog in your own yard. It is your responsibility. Don't let your dog, a "Man's Best Friend" to become a menace.

MEETING AN URGENT NEED

Many people will be glad to hear that the Boy Scout troop of Digby is making the town streets of Digby safer for children. Congratulations and sincere appreciation goes to Corporal T. C. Garner, R.C.M.P. and any of his helpers in taking responsibility for this project.

The two places which will be attended by the Scouts when children are going to and from school are at the corner of Queen and Warwick streets and at the corner of King and Warwick St. Warwick St. at these particular spots has been viewed as dangerous by most of us.

While there are cross walks these are not always noticed and strange people driving in from the main highways are not acquainted with the crosswalks. They can so easily be overlooked without intent. The result is that they have come on to the protected area without warning. The Scouts in their bright orange costumes will serve to protect the children from mishaps in these areas. This is a good move now instead of waiting until accidents happen to make the street safer for children.

The Scouts projects, however, cannot be totally relied upon. Drivers must take responsibility of driving safely at all times and always being alert to unsuspecting children in the path.

We all appreciate the project which helps to meet an urgent need.

Hodge Podge

See where the Centre Consolidated School in Lunenburg County had a bomb scare? Warden Charles Walters remarked "It must be realized when such deeds happen that we have in our midst some sick people". We couldn't agree more.

Hodge Podge ran away with us last week. Somehow it hodge podged right up in the editorial space and hodge podged the editorial right to a single column on the back page.

A subscriber in Organ, Ill. got two Digby Couriers one day and the very next day got another. What we'd like to know is where were the first two issues stalled. Not at this office for sure.

Of course, we must give our Postmaster - General, Bryce Mackasey credit. He is a truthful man. He said just recently that western countries have higher postal rates than Canada but there won't be an increase here until efficiency improves. We were of the opinion that our Postmaster General had not known about the inefficient mail service. We take it all back and give him credit.

It is the enormous volume to those Graham Reports that scares one mostly. Just get ahold of the synopsis of the report and many of the complication iron themselves out. Still haven't decided for better or for worse.

Dear Editor and Readers: "CATTLE CROSSING - BEWARE" may appear before you in bold letters, should you venture to tread upon the sidewalks of Digby in future, unless a by-law amendment, duly moved and seconded by your town council, meets with the approval of the legal department of the provincial government's municipal affairs department.

This momentous challenge weighed heavily upon the shoulders of your town councillors at the regular monthly meeting of March 3rd.

Horses and cattle must be prevented from invading the town's sidewalks. What? Sidewalks? They had been tramping up and down the streets ... and there had been criticism. And now, there could be a \$100 fine or imprisonment for two months.

Not having seen a cow on a street since the days when my grandmother sent me to bring "Bossie" home from pasture, I was filled with nostalgia as memories of the warm summer nights and the pungent aroma of the barnyard swept over me.

From what source had this information arisen? Had the S.P.C.A. been aware of the hazards which might befall the unfortunate animals, should they risk life and limb by walking on Digby "sidewalks"?

Queries failed to reveal any documentation of evidence or proof of guilt, though it was readily agreed that "sometimes cattle do get astray," and that it "could be possible." Furthermore, deposits had been seen. As a matter of fact, one night last summer, right on the corner of the main street, there was a healthy deposit which was quite offensive!

My mind wandered again as I visualized my mother hurrying to the roadway when horses passed, to gather the "healthy deposits" for her lily garden. Strange, I had never thought of horse manure as offensive.

"Any other business to come before council?" ... I was aroused from my reverie, and the momentary flashback to peace drifted into oblivion with the phantom horses, the guernsey cows and the sweet aroma of the barnyard.

Another crisis had been resolved, but the question persisted in creeping back in my mind ... "Who would be imprisoned? Would it be "Bossie", her owner or those few who seem casually content to leave sidewalks in a 'walk at your own risk' condition?"

I can see a blue-eyed little boy leading "Bossie" into the court room, and the kind and honest look in her big brown eyes when the judge pronounces, "NOT SUFFICIENT EVIDENCE."

Former Weymouth Resident Selected To Hold Art Show

Above is pictured Mrs. Eileen Holcomb, formerly of Weymouth, now residing in Sarasota, Fla., who was one of the two artists selected to hold a two-man show at the Hilton Leech Art Gallery in Sarasota, in February. Eileen Holcomb's entry was "Rocky Hollow", an acrylic and colour inks on gold

paper.

Over 500 persons attended to view the work of nineteen invited artists at the Petticoat Painters Exhibition. Votes were placed in ballot boxes for the picture they liked most. The other artist winning with Eileen Holcomb was Marilyn Bendell, with an oil, of "Today's Child."

Mental Health Looks Into Suicide

The Mental Health Association organized a seminar to look at suicide. King's, Annapolis and Digby County Branches met in Bridgetown Regional High school.

Rev. Calder Fraser was the chairman of the organizing committee and Vernon Wessell and Major John Hanson were members of the organizing committee.

It is one of the series of activities organized by the Education Committee of the Annapolis County Branch of the Canadian Mental Health Association under the direction of Miss Donald Fraser.

The program was chaired by Donald Burgoine, Regional Representative Continuing Education Program.

The following were resource persons, Rev. Dr. Bernard Osburg, Major A. Alexander Reid, Rev. Don McLeod, Ralph Loomer, Dr. M. A. Khaliq-Kareemi.

Rev. Dr. Bernard Osburg explained the Prevention Movement called Life Line and Help Line that he had been organizing for quite some time. He stressed the need in terms of prevalence of the malady in the Annapolis Valley. The essence of his movement is development of trust between the volunteers and the needy. This, he said, should be preserved by maintaining anonymity.

Rev. D. MacLeod involved every person in the audience by demonstrating how males and females communicate

by giving or taking affection. The isolation and loneliness therefore was obvious, as a negative emotion, which is inductive to suicidal potential. The victim seems to believe, "nobody cares any more". He explained the continuum of violence as it exists geographically. He hypothesized that homicide takes place of suicide as we move from equator to the poles. Major Reid clarified the Volunteer Telephone Organization and thought at least 100 people would be required to be trained for eight weeks to service one phone for a population of 50,000 each person attending four hourly shifts.

Ralph Loomer described the Help Line as it exists in West Hants. The aims of it being family support for all ages, referral agency for specialist help, education of the community for awareness of the problems, planned parenthood. He emphasized need for screening volunteers in order to attain a high level of potential of applicability to the problem.

Dr. M.A. Khaliq-Kareemi explained the misinterpretation of statistics as they indicate total figure for all three counties. He clarified that the prevalence of this problem changes pattern, it increases as we cross the Annapolis County border with Kings County. There was also difference between the Clare area and the Valley like comparing England and Ireland, obviating need for religious support for people who are high on suicidal risk. He said the organization of Mental Health services helped to reduce the incidence, as the numbers are the function of efficacy of the system. He admired the role of volunteer services and expected that a free flow of referrals to specialists in the field will take place.

How The Station Stands

The Smith's Cove Historical Society had been approached, Councillor L. E. R. Winchester advised the Council of the Municipality of the District of Digby at their recent meeting, with regard to preserving the Bear River D.A.R. station in the village. Councillor Winchester reported that the society was not financially able to put money into the property and would not be interested unless the land also went with the station. The municipal clerk, William MacMillan was requested to write to the D.A.R. regarding the land.

Motion Picture At Church

Rev. Murray Shaw, pastor of Digby United Baptist Church has arranged to have a colored motion picture from "underground" evangelism at the church at seven o'clock on Sunday evening. The picture is entitled "The Chinese Are Coming." Mr. Shaw has extended a welcome to every one to attend.

Joins Clinic Staff

Miss Maureen Nowlan of Halifax has recently joined the staff of the Digby-Annapolis Mental Health Clinic on Warwick St. Digby on the preventative program and as therapist.

Miss Nowlan is a graduate of the Isaac Walton Killam Hospital for Children obtaining her Diploma in Nursing in 1969 and later she received her Bachelor of Nursing Degree from Dalhousie University in 1972.

Following graduation Miss Nowlan worked for the Clarke Institute in Toronto and took an extended trip through Europe, returning to Canada late in the fall of 1974.

Miss Nowlan came to the Digby - Annapolis Mental Health Clinic as Mental Health Nurse on February 1975. She is involved in prevention and therapy in Mental Health.

MRS. B. HEIGHT AD- DRESSES WORLD DAY OF PRAYER

Continued From Page 1

Mrs. Height in detail described the workshops in connection with the Conference.

The World Day of Prayer Service in Digby was opened by Mrs. Gerald Connelly of St. Patrick's Church. Mrs. Isaac Butler, Anglican, presided at the organ. Other leaders in various parts of the program were Mrs. William Troop Sr.; Miss Mary Marshall; Mrs. Douglas Hapeman; Mrs. Frances Moses, Calais, Maine; Mrs. Irving Cromwell Eugene Dexter; Mrs. Larry Amirault, and Mrs. Ronald Stevens, with the World Day of Prayer theme "Become Perfectly One."

The section of the program "God Calls Us To Be One" was given in French by Steven LeBlanc, in Latin by Father Leo Maillet and in German by Herbert Potter. Others who assisted in the program were Mrs. Robert Bordan, Mrs. Allan Harris, Mrs. Bruce Robertson, Mrs. Eugene Dexter, and Mrs. George Kenney.

Miss Margo Levy delighted her audience by a vocal solo, "Thank You Lord".

Receiving the offering were Mrs. Victor Comeau, Mrs. Robert McVeigh, Mrs. Glen Smith and Mrs. Rena Brazeau, of the St. Patrick's Church.

Rev. Father Leo Maillet pronounced the benediction and all retired to the hall where refreshments were served.

It has been some years since the World Day of Prayer service had been presented to so large an audience in Digby. The service included members of the Roman Catholic Faith, the Anglican, Baptist at Digby and Acaciaville, Salvation Army, Adventist, Wesleyan and Grace United Church. Capt. Peter Muise of the Salvation Army was unable to attend and his part in the program was taken by Eugene Dexter.

The theme song, "Become Perfectly One", was sung at various intervals. Among the other hymns was "They'll Know We Are Christians By Our Love." Rev. Father Maillet presided at the organ for that particular number.

In the Consolation section, the final game was won with a score of 11-4 by the Bridgetown No. 1 team skipped by A. Bishop, with D. Leonard, Leonard, and Darzel, over Wolfville's R. Stirling, R. Dunn, C. Cavanaugh and M. King.

champion with a score of 8-7. Team members were Wes Anderson, Skip, M. LeFurgey, T. Green and G. Anderson; and for Kentville - G. Meister, Y. Martin, W. Martin and J. Meister.

the Secretary of State, Ottawa.

Mr. Boodosingh presented a budget for the year's operation which had been drawn up by himself, Mr. Nyajeka, Mr. Bell and V.G. Cardozo.

Mr. Cardozo, past president of the Digby Mental Health Association, which organization was responsible for the first multicultural conference in Digby in 1974, drew particular attention to the role of the Mental Health organization as an organization which concerns itself with primary prevention as well as treatment for the mentally ill. Their aim is to assist people to be able to cope with situations and keep their mental health. Mental Health, he said, is interested in assisting newcomers to meet their obligations. He thanked the Digby Mental Health Association for its moral support and facilities.

Mr. Bell and Mr. Nyajeka reported on the Conference recently held in Sydney attended by themselves and Ralph Jarvis, Weymouth Falls, when an excellent program was staged. The task force suggested at the business session would divide the Provincial Federation, Board into six areas with three selected members from each area, making a total of 18.

The Western Nova organization appointed Mr. Bell and Mr. Nyajeka as representatives to the Provincial Federation with the power to choose a third member from a more distant point.

Plans were made to have a Conference meet in Digby in the near future, possibly April or May. The executive was empowered to appoint committees

the aims of the Western Nova Multicultural Association are to promote the full participation of all cultural groups in the area, promote greater understanding and co-operation between all the groups, a means of exchange of information and to assist recent immigrants in Western Nova Scotia to participate fully in all walks of life in the Canadian Society.

Clyne Boodosingh reported that the Association had received a grant of \$4500 from the Minister responsible for Multiculturalism, John Munro and read a letter from the minister to Mr. Nyajeka which stated the grant was to help defray costs of operation and enrich the cultural fabric of Canada. In order to evaluate the effectiveness of the support to the voluntary organization the minister requested a report to the Director of the Multicultural Program of the Department of

the Hymie Webber team consisting of Jack Woolaver, Bill Hovey, and Pat Fletcher, emerging winners over Kelsey Raymond's team of Jack Brittain, Charles Haliburton and Russ Stonehouse.

The Webber team will now represent the Digby Curling Club in the above bonspiel. Good luck boys!

David Hill, son of Mr. and Mrs. David Hill, senior, Mount St. found a receipt upstairs in their home dated 1904, seventy-one years ago.

The receipt made out in June 1904 was for five dollars in full in favor of the Digby Neck Mail Co., and signed by L.B. Eldridge, Sandy Cove.

The final round of playoffs in the Championship section found the Cornwallis No. 1 team skipped by Wes Anderson against Kentville's G. Meister and after a close game with an extra end, Cornwallis emerged the

champion with a score of 8-7. Team members were Wes Anderson, Skip, M. LeFurgey, T. Green and G. Anderson; and for Kentville - G. Meister, Y. Martin, W. Martin and J. Meister.

Multicultural Association
Get \$4500 Grant

A meeting of the area Multicultural Association was held on Friday evening at the New Horizons Club Room on Warwick St. when the draft of the constitution for the Association was accepted as presented and which gave it the name of Western Nova Multicultural Association. The meeting was presided over by chairman, Shingai Nyajeka of the Human Rights Department in Digby, Rev. George Bell, coordinator acted as secretary. Members were present from Weymouth area, Digby, Smith's Cove and Digby Neck. Membership according to the constitution is open to anyone interested from Annapolis, Digby and Yarmouth Counties.

The aims of the Western Nova Multicultural Association are to promote the full participation of all cultural groups in the area, promote greater understanding and co-operation between all the groups, a means of exchange of information and to assist recent immigrants in Western Nova Scotia to participate fully in all walks of life in the Canadian Society.

What Happens?

by Rev. Ronald C. Mac Cormack
R. R. 4, Fredericton, N.B.

What happens when God is
allowed to take over in any of
our lives?

For some, nothing, because
there is no surrender, and no
incoming power.

Those who honestly face need,
confess and seek forgiveness
find deliverance and new
power.

Some no longer have the chip
on their shoulder, no more inner
bitterness toward the world
around, and no show-off-ism.
This is a point worth reaching.

Some are "anti" everything
and everyone. They are
always, negative, pessimistic
and go out of their way to see
evil in every situation. They
find evil joy in being against,
and are ready to fight at a
moment's notice.

Some are forever afraid, even
afraid of problems which have
never happened. They worry
night and day, and seem to feel
that there is some sin in feeling
right about things.

Still others are always self-
conscious, timid and easily
hurt. They seem to be standing
around waiting for some offense
to come to them, then keep their
morbid mood as a part of life's
structure.

If life is dark, and miserable,
even not worth the struggle,
then God can give the light.
Jesus said, "I am the light of the
World."

When this light gets turned on
in us, the difference is great.

Given Farewell Party

The House of Wong, Digby,
was the scene of a pleasant
dinner last week when
employees of the Digby
Branch, Maritime Tel and
Tel honored two of their
members, Miss Helena
Watkins and Mrs. Ellen
Thorne, who have been
transferred to other bran-
ches. Hostesses for the
dinner and for the dance at
the Knights of Columbus
Hall, held immediately after
the dinner were Mrs.
Rosalee Locke and Mrs.
Patricia Griffiths.
Miss Watkins, who was
manager of operating ser-

vices will be employed by the
Maritime T and T. She had
served for ten years in Digby
and had been on the staff at
Kentville also.

Mrs. Thorne will take up
the position of Assistant
Chief Operator in Kentville.
Bernard Bell of the Digby
Maritime Tel and Tel had a
few appropriate words while
Miss Marion Marshall
presented gifts on behalf of
the girls at the office.

Seventeen attended the
dinner and approximately 50
danced to music by Sounds
Unlimited. A mid-night
lunch was served.

Thefts Being Probed

1975 U.I. Up

The maximum insurable
earnings for Unemployment
Insurance purposes has been
increased to \$185 per week for
1975.

However, the rate of benefit
to claimants will not be in-
creased unless they have
contributed on the basis of the
1975 figure. Claimants who
file in 1975, and whose deduc-
tions are based upon the new
maximum figure for insurable
earnings, will realize an in-
crease in benefit.

Based upon the new
maximum rate, the weekly
benefit maximum goes to \$123
per week, less income tax.

A spokesman for the
Unemployment In-
surance Commission's Regional
Office in Moncton said today
that some claimants drawing
benefit based upon their 1974
maximum earnings thought the
increase in the earning ceiling
would result in higher benefits.

"This is not the case," he
said. "The claimant must show
that he has paid premiums
based upon the new 1975
maximum in order to receive
the increase in benefits."

He added that persons who
have not worked in 1975, and
therefore who have not con-
tributed on the new scale, will
not be entitled to the new benefit
rate.

In Memoriam

HARRIS - In loving memory of a dear father, Harry Byron, who passed away March 11, 1964. The depths of sorrow I cannot tell. Of the loss of one I loved so well. And while he sleeps a peaceful sleep. His memory I shall always keep. ALWAYS REMEMBERED BY DAUGHTER ROWENA. 31-tfc

AMERO - In loving memory of our baby son, David Charles Jr., who passed away March 13, 1968. They say that time will heal all wounds. But little do they know. Time only eases the pain. That our hearts will not let show. There's a special place in our hearts. A corner filled with love. For you left before we gave it son. And went to that Home above. Though you are gone. You're not forgot. We will always keep you near. With five days of memories. That are very, very clear. LOVINGLY REMEMBERED BY DAD, MOM, ANITA AND TODD. 31-tfc

WESLEY - In loving memory of my sister, Evelyn Wesley who passed away in Lynn, U.S.A. March 18th, 1971. There is a distant country. Far beyond the vale of tears. From which never comes a message. Thruout all the lonely years. REMEMBERED BY MARVIE IN VANCOUVER, B.C. 31-tfc

MELANSON - In loving memory of father, Henry C. Melanson, who passed away March 15, 1936, and mother, Louise Melanson, who passed away March 16, 1948. Gone, but not forgotten by DAUGHTERS SADIE, JENNIE, AND EVELYN. 31-tfc

OUTHOUSE - In loving memory of a dear grandson Patrick Outhouse, who passed away March 15, 1972. Forever remembered by grandmother, Verna Bates. 31-tfc

ROBBINS - In loving memory of loving parents, Mr. and Mrs. Norman Robbins. Mother passed away March 23, 1949; Father, March 14, 1962. There's many a lonely, heartache. Often a silent tear. And always precious memories. Of those I still hold dear. As we travel down life's pathway. And the days turn into years. You are always in my memory. Behind the smiles and tears. Somewhere back of the sunset. Where loneliness never dies. They sleep in a land of beauty. 'Neath the blue and gold of the skies. ALWAYS REMEMBERED BY DAUGHTER RERA. 31-tfc

Request \$300 Grant

Hubert d'Entremont, president of the Digby County 4-H Leaders' Council along with Miss Phyllis Gaudet, secretary and Bruce Gilliat, agricultural representative for Digby County appeared before the Clare Municipal Council requesting a \$300 grant for their organization. A year ago the grant had been decreased from \$200 to \$150.

At present, Hubert advised the Councillors that there are four clubs in Clare and two in Digby municipality, making six in the County. They are in Meteghan Centre, two in Meteghan River and Saint Bernard's in Clare and the Bear River 4-H Trail Blazers and the 4-H Dudes, Brighton in the Digby municipality.

The Digby County 4-H leaders Council is composed of leaders and junior leaders from various clubs in the county who meet quarterly to discuss areas of concern for the whole county.

Considering the long distance that members have to travel to attend Provincial functions, they feel that the Leaders Council must be supported by outside funds such as our local municipal council. The Nova Scotia Department of Agriculture, through the Provincial Government assist heavily by providing expertise in the form of 4-H workers, assistance on regional and provincial activities and providing project award money to the Clubs and literature. There are 34 members and 14 leaders all working together on a volunteer basis.

Some of the projects are homemaking, clothing and foods, crafts, floriculture.

Granville visited their grandmother, Mrs. J. M. Wallis this week. Accompanying Jimmy was a friend, Lee Harwood, Halifax.

Mrs. Myrtle Snow, Smith's Cove spent several days last week in Halifax.

Rev. Francis Burnette, pastor at the Church of God, Digby; Miss Elaine Hand-spiker and Mrs. Raymond Brown were visitors in Halifax on Thursday.

Rev. and Mrs. Kenneth Gorveatte, Mark, Ruth, Beth and Joel of Westchester, Cumberland Co. N.S. are visiting Mrs. Gorveatte's parents, Mr. and Mrs. J. J. Brittain, Birch St.

Mrs. Francis Moses has returned to Calais, Maine after spending a couple weeks in Digby with her daughter, Mrs. Doug Hapeman and Rev. Mr. Hapeman.

MacPherson Eaton who has been pastor since December while waiting to obtain a regular pastor.

The Church congregation is most grateful for the ministry of Rev. Mr. Eaton during these past months and asked God's richest blessing upon Mr. and Mrs. Eaton in their future ministry.

Gifts were presented to the Ordes and Rev. Mr. Eaton by Roscoe Cross.

Refreshments were served by the Ladies Circle. On March 16th the new pastor, Rev. Ralph Seeley, will begin his ministry here.

The "Muriel Bent", foreman of work. Baptist work was first started in Nigeria by Thomas Bowne of the Southern Convention, U.S.A. in 1849

An interesting feature of the evening was the presenting of a Dominion Life Membership certificate to Mrs. Nadine Parker, also beautifully decorated cake in the form of a cross.

Refreshments were served at the close of the meeting.

Congratulations are extended to Mr. and Mrs. Ellsworth Kinney of Ashmore who celebrated their 62nd anniversary on Feb. 26th.

Mr. and Mrs. Kinney were married in Weymouth North

and spent their lives in Ashmore where they raised their family.

Mr. and Mrs. Kinney are both enjoying good health. Many happy years are hoped for them to come.

Film At Wesleyan

"The Deceiver," 70-minute full color film, will be shown Sunday evening, March 16th, in the Digby Wesleyan Church. The program will begin at 7:00 P.M.

"The Deceiver" details the strategy of evil in the lives of Christians. The production tells the story of a family active in Church affairs and what happened when the teenagers in the family became interested in the occult. Adult Christians in the Church point fingers of blame at the Youth of the Church, but they reassess their viewpoints, when a

series of events turn the accusing fingers back in their direction.

Ken Anderson, who wrote and directed the film, says, "Our thesis is that Satan's boldest strokes are aimed at the Christian rather than the unbeliever. When the Church door opens, he's there. He never misses a Sunday!"

This film is for the entire family said Rev. Doug Hapeman. You are welcome to come view this challenging, eye-opening, and thought provoking film.

Municipal Election

Nomination Day for councillor for the district of Sandy Cove, number 3, of the Municipality of the District of Digby will be held on March 21, 1975. Should an election be required it will be held on April 4, 1975.

The Sandy Cove district was made vacant in January when Councillor Ronald

Morehouse, Centreville, resigned because of Mrs. Morehouse's illness and because of his own health.

Mr. Morehouse had served on the Municipal Council representing the Sandy Cove district for 23 years, fifteen of those being the warden of the municipality.

Gilbert Cove

Mrs. Mary (Ducky) Amirault of Fredericton, N.B., formerly of Gilbert Cove is entering the Fredericton Public Hospital for possible surgery on March 4th. Mrs. Amirault has been in ill health for some time. Best wishes are extended to her from her many friends in this community. Mrs. Amirault, while living in Gilbert Cove for many years, was active in church affairs. At one time, she ran the post office and a store. She was also a receptionist at Dr. Doucette's office in Weymouth.

Mrs. Leger Doucette, who underwent surgery in the Digby Hospital has returned to her home and reported doing well.

Mrs. Jessie Robicheau has returned home after taking treatment at the Digby Hospital for several days. A speedy recovery is extended to them both.

The Digby General Hospital. Mrs. Marianna Hayes visited last week with her son daughter-in-law, Mr. and Mrs. Jack Hayes and sons in Kanata, Ontario.

Mrs. Percy Harris, Jr. and daughter, Miss Travanna Harris left on Wednesday for Toronto where they will visit the former's parents and sisters there.

Mrs. Emden C. Morehouse was a bridge party hostess on Thursday afternoon.

Miss Anna MacKay was an over-nite visitor in Yarmouth on Wednesday.

Smith's Cove

Mr. and Mrs. Bruce Hutchins enjoyed having his sister and her husband, Rev. and Mrs. Lorne K. Baker, of Dorchester, N.B. visit them on Sunday and Monday of this past week.

Mrs. Joyce Carter and Mrs. Beryl Kullop of Moncton, N.B. were guests of Mr. and Mrs. Lawrence Comeau from Saturday March 8, through Tuesday of this past week.

Young Diane Wagner, daughter of Mr. and Mrs. Clarence Wagner of Marshalltown, spent her first day of the March break by assisting her grandmother, Mrs. Nevins Wagner, at Wagner's Groceries.

Mr. and Mrs. David Irvine spent three days in Halifax last week. On Tuesday and Wednesday they were at Old Orchard Inn, Greenwich, with their children, Geoffrey and Jennifer, enjoying the March break.

1975 DATSUN LONG BOX

THE LONG-WHEEL-BASE-LONG-BOX IS NEW WITH US THIS YEAR, OF COURSE WE ALSO CONTINUE TO SELL THE POPULAR REGULAR SIZE 1975 DATSUN PICKUP.

HOW ARE WE GOING TO STAY NO. 1?

SIMPLE! We're gonna take these gutsy two new models with their powerful 2000 overhead cam plants and sell them to the folks we've always sold to: Private owners who use them for work or play and families who buy them as a versatile 2nd car. Of course, a larger volume of sales come from FLEET BUYERS - In Digby our fleets consists of Oil Companies, Plumbing Firms, Electrical Contractors, Carpenters, Delivery Companies, Contractors (Industrial), Woods Operations.

WE'VE SAVED THE BEST FOR LAST:

...We think we can beat any competitive 1975 models by as much as up to \$300. Doesn't cost a penny to try us on for size, if you're ready, we are. We'd be honored to have you as a member of our growing family today.

FLEET BUYERS have confidence in Scott and Grace Datsun Ltd., because they know we have an investment of \$25,000, in parts, supplies and equipment to back up their purchase, if they ever need it. They also tell us that Datsun Pickups just about halve their operating costs and stand up to rugged "work-horse" conditions.

NOTE: Our competitive EDGE and PRICES are subject to change without notice. However, we are prepared to GUARANTEE our present prices 'til March 28, 1975 whether purchased from stock or ordered.

Hog Production Short Course At College Sainte Anne

A short course in hog production, sponsored by the Clare Co-operative Shipping Limited and the Nova Scotia department of agriculture and marketing was held at College Sainte Anne on Wednesday night and will be held again tonight. Further schedules are for Wednesday and Thursday, April 9 and 10.

Hog producers from Western Nova Scotia are invited to attend and obtain factual information on many aspects of production from speakers representing the Canada department of agriculture, the Nova Scotia department of agriculture and marketing, and the (SWINE) livestock services branch, department of agriculture, Truro.

Sessions will run from 7:30 to 9:45 each evening and will cover such topics as farmer protection under the Canada Feed Stuffs Act; feed formulation; pork stabilization program changes; building ventilation and insulation; swine diseases; swine research; and a panel discussion on pork stabilization program changes; building ventilation and insulation; swine diseases; swine research; and a panel discussion on obtaining top reproduction performance.

Ed Lungair, of the plant products division of the Canada department of agriculture in Sackville, N.B. will present an address on farmer protection under the Canada Feed Stuffs Act, Wednesday at 7:30 p.m. followed by tips on feed formulation by Dr. Paul Burgess, Canada department of agriculture's research station in Fredericton, N.B.

Sessions on Thursday will feature changes in the pork stabilization program by Arnold Rovers, economist for the Nova Scotia depart-

ment of agriculture and marketing.

Donald Gunn, Truro, supervisor of agricultural engineering for the department of agriculture will talk on building ventilation and insulation followed by an address on keeping within herd records for management by Hank W. Heukshorst, swine specialist, department of agriculture and marketing in Truro.

Dr. Ross Main, provincial veterinarian for agriculture and marketing in Truro, will open the April 9 session with facts on the prevention, control, and treatment of diseases contracted by swine. He will be followed by Don Cox, supervisor of the (swine) livestock services branch of the department of agriculture.

Mr. Cox will discuss research presently being conducted into hog production.

A panel discussion on obtaining top reproduction performance by four Nova Scotia hog producers will be featured at the final session, April 10.

Chaired by Mr. Cox, the panel will consist of John LeBlanc, Concession; Joe Effing, Pereau; Wendell Carter, Brookside; and Tom Meredith, Great Village.

The course will close with presentations of certificates by the Shur-gain division of Canada Packers Limited.

Sportsman

by Ace Foley, Chronicle Herald

Two well known Nova Scotia sportsmen died this week. Eber Peck, of Bear River, was one of the greatest guides ever developed in provincial woods, and Chalmers Rigney, of River John, Pictou County, was a strongman of international renown.

For many years the guides meet at Lake Williams attracted unusual attention. Even in the days when reportorial staffs were slim the local dailies usually despatched a man of the scene of this outstanding outdoor extravaganza.

Many a city reporter learned something about the great outdoors by covering the Lake Williams meet and out of this annual event came many famous names. Eber Peck was definitely the best of his time, of his Lake Williams performances, and one of the all-time greats in his great love of the outdoors.

In those days, when the

Lake Williams meet flourished, there was great enthusiasm for fishing and hunting throughout the province. Trout and deer and, yes, even moose were in plentiful supply. If you were an amateur outdoorsman you looked for a capable guide to take you to the best fishin' hole or a spot where game would be fair prey.

It was at Lake Williams, however, where the guides gained full recognition. There they displayed their considerable skills to the delight of their friends, and the amazement of the city dwellers to whom a fishing or hunting expedition was a sometimes thing.

The Pecks, Eber and Watson, were among the most skilled of all these guides. Many older people must remember them well. They could do everything to survive all the elements of the 'wilds', and they did everything so well they were as popular with their many followers as today's superstars in professional sports.

Minister Honored

The congregation of Oxford Street United Church has honored Rev. Douglas B. Tupper, with the title of Minister Emeritus of Oxford Street Church.

Mr. Tupper, who was born in Round Hill, served the

church in Western Canada and in the Maritime Conference for 35 years, the last six years as minister of Oxford Street. He is the brother of Mrs. Curtis Hankinson of Weymouth, and has visited this area many times.

Transfiguration

A lump of clay
It was —
Just an unshaped blob.
So he picked it up and
Kneaded it with fine fingers
He was an artist,
An astute craftsman,
And his fingers molded
The willing shape.
While outside, the birds sang for him,
And the sun shone for him.
With giddy hands
He conceived a lion,
Of graceful carriage,
With power —
Yet great wisdom
Etched upon his silent face.
He uttered a shaking sigh
As he leaned back.
Then his kindergarten teacher
Saw it
And laughed, 'What a funny elephant!'
The rapture quickly faded
From his face.
His hands, no longer gentle,
But clumsy and trembling
Flew —
And reduced his work to
A lump of clay.

CHRISTIAN GOOD NEWS

Every normal person wants to find success and fulfilment in life. There are many ways to reach this point, according to common opinion. Do your best, treat other people right, work hard, have a sense of humour or find some good religion. These all have their limitations, and any gains from these goals are but temporary.

There is another dimension to life. It is part of us which needs to relate to the true and living God. Christianity is more than a religion, in that there is more than creed and tradition involved. It is an experience with the living Saviour, the Christ of the Bible. Being alive, He is available to us as a contemporary friend. When the battle is heavy, and defeat seems imminent,

Christ is right there, alive and strong to lift us into the place of relief and security. He is a living and eternal Person.

When we live in union with the Son of God, Christ Himself, we don't need to depend upon ourselves anymore, nor even to trust chance and destiny. Here is One Who came that we might have Life with substance and joy.

Success and right living come in knowing the Lord in our hearts. He changes one's outlook and future. With Him, death is not the end, but the beginning of a way far better than we can imagine. God says in the Bible, John 10:10, "I am come that they might have life, and that they might have it more abundantly". This is good news.

Yarmouth Diocese In Super Effort To Help Third World

Father John Carley, executive director for Development and Peace (Education section) for Canada, gave full marks to Yarmouth Diocese in its efforts to help the poor and starving people in the world. He stated that this Diocese ranks in the top ten across Canada for its per-capita contribution to Development and Peace. In less than four years the Diocesan contribution went up from \$3000.00 to \$18,000.

Development and Peace is "SELF-HELP"

The Catholic Bishops of Canada decided seven years ago to assist the peoples of the emerging nations with "self-help projects". Instead of attempting to send food to the starving, which would be a hopeless effort in any case, this agency took upon itself the task of sponsoring self-help projects in the poorer countries. In conjunction with the other four major Christian churches in Canada, the Catholic Church collects a grand total of \$7,000,000. Out of this total, minor amounts are allocated to emergencies (such as the Honduras disaster), but over \$5,000,000 are used to help the natives in self-help programs: training, machinery, transport, cooperatives, land irrigation, farming, improved fishing techniques, etc. - About \$280,000 is spent in education in Canada; in order to make every Canadian more aware of what is really happening in the Third World. The entire cost of Administration for the program is minimal: a

measly 3 percent (3 cents out of the dollar). It goes without saying that, the Agency is appealing to each and everyone to contribute as much as one can, because this situation is so desperate.

World Development Day

The Social Action Commission of the Yarmouth Diocese recently organized a World Development Day, in Yarmouth, for the purpose of giving further impetus to the SHARE LENT PROGRAM

in the Diocese. Father John Carley, Toronto, and Mr. Mark Belliveau, Halifax, gave talks and led the discussions which were captivating and inspiring for the sixty-five parish representatives in attendance. It is now expected that Development and Peace committees will be established in each community, for the purpose of making world development a year-long project.

Share Lent Program

Every Parish and every community in the Diocese, and across Canada, is presently engaged in collecting funds, in various ways, for Development and Peace. Some parishes take up Collections on the 4th Sunday of Lent. Others sponsor "starvation suppers", or go without food for a whole day, turning over the equivalent food value for the poor of the world, and others have a variety of other projects. In many instances, young people have been leaders in these heart-warming projects.

World Day Of Prayer

Smith's Cove
(Phyllis S. Winchester)

The World Day of Prayer service in Smith's Cove was held Friday evening, March 7, in the Baptist Church Vestry under the direction of Mrs. Eva Rice and her committee of women from the four churches represented in the community. Peter Freeman was pianist.

The theme for this year was "Become Perfectly One". Compiled by the Christian women of the Arab Republic of Egypt. This theme is both the command of Our Lord and His prayer for His disciples. Jesus' prayer invites us to a deeper quality of life, experienced in perfect love and perfect unity in the Spirit. Text was taken from St. John 17:22-23.

Guest speaker was Licentiate Fred Bigelow of Smith's Cove who spoke on "Unity in Christ". He asked the question, "What was Christ's prayer for the Church? That all its members would be one as He and The Father are One. What was the unity Jesus prayed for? It was not a unity of administration or organization, but a unity of personal relationship."

The March meeting of the Women's Missionary Society of the United Baptist Church met on Tuesday evening March 4th at the home of Mrs. Wylie Poole, Westport. In the absence of the President - the Vice-President presided. Following the opening hymn with Mrs. Richard Welch pianist-scripture, Exodus 20: - 1-17 was read in unison.

Prayer time was led by Mrs. David Keith and concluded with the Lord's Prayer. The roll call word was Commandment.

Devotional was conducted by Mrs. Edwin Frost - her theme was entitled "Please Help Me" and the answer "Jesus Never Fails". Letters were read by the secretary, Mrs. Sharpe, who also announced that Western

Association of Baptist Churches will meet in Middleton, Anna. Co., on April 28th. It was requested that a goodly representation from Westport Society be made. The Spiritual Life lesson dealt with Scripture I Cor. 13th Chapter - "the great gift of God's Love in our hearts."

The program was presented by Mrs. Kingsley Denton. Her topic was "Problems of Witchcraft" which still exists in some countries as written by Foreign Mission Board Secretary Rev. Charles Harvey.

Mrs. Richard Welch was co-hostess with Mrs. Poole for the social hour following the meeting. The April meeting will be held in the home of Mrs. Lloyd Frost.

Education Week At Weymouth

The March break at Weymouth Consolidated School, followed Education Week. On Wednesday and Thursday of last week, parents were invited to visit and coffee was served. The primary and elementary grades had displays of Primary School, Eskimos Transportation, Sea Shells.

Science, Language, Arts, Metric System, and French Dramatization. These were along with activities, skits and teaching methods. Much art was included, and a recorder group also performed. The elementary classes had displays of Geometry designs, Great Mathematicians, newspaper projects, Graphing, Art

that Jesus had a personal relationship with God which was a union of love and obedience and which was manifested throughout His ministry. As Christians, we too need to have this personal relationship with Christ, a unity in Christ that bypasses all differences of administration and organization to join hands in love. Only love implanted in the hearts of men by God can tear down the barriers which men have erected between themselves and between churches.

The speaker asked those present to ask of themselves, "What kind of relationship do I have with Christ?" The answer should be that we have a personal relationship with Christ through which we love our fellow man, no matter what creed or church is his, because we are "Perfectly One" with Christ.

Let us pray His prayer that we may be one even as Jesus and the Father are one.

Leaders were: Mrs. Alice Landers, Mrs. Angie Francis, Mrs. Mary Warren, Mrs. Eva Rice, Mrs. Mary Winchester, Mrs. Phyllis S. Winchester, Mrs. Violet Banks, Mrs. Edna Adams with Miss Katherine Weir, Miss Marie Morehouse, Mrs. Euta Berry, Miss Sue Winchester and Mrs. Frances Berry assisting.

"Mr. Bubble" Is Recalled

OTTAWA (CP) - The liquid soap preparation "Mr. Bubble" is being recalled from the Canadian market because of microbiological contamination, the federal health protection branch announced.

Tests conducted by the health department showed that several samples of the

bath product, marketed by H. Schaefer Ltd., Agincourt, Ont., were contaminated by the micro-organism Serratia Marcescens which can cause infections in open cuts.

The branch advises the public to return the product to the store but says no adverse reactions have been reported.

Typing, Geographical displays, Marine displays, and demonstrations regarding various displays. The regular athletic activity was carried on.

Mrs. Estok gave an excellent display of books in the library, showing reference materials for all classes, and was available to discuss the various phases of the operation.

A good number of parents and other interested people availed themselves of the opportunity to visit the school, and to see first hand the excellent work that is going on there. Mr. Kapur showed slides on both days a various regular activities which go on from day to day in the school.

EDUCATION

School itself, isn't bad Cause it gives you your education And sometimes school makes you glad Cause you make many new relations.

Now for some bad points, rotten and such Ten out of twelve months, that's too much And when you miss school because you're sick You bring a note or you're in a fix.

When your assignments aren't passed in Because there was a lot You go to the office Good reason or not.

But school has it's good points Like all things should The hours aren't bad And the cafeteria meals are usually good

The teachers aren't bad And some are really kind So when you're corrected You really don't mind.

The thing I like best About going to school Is keeping with friends And acting the fool.

M.G. Butler Elected V.O.N. President

Rev. M. G. Butler, Annapolis Royal was on Tuesday elected as president of the Annapolis-Digby Victorian Order of Nurses branch when the annual meeting was held at the St. George and St. Andrew Church Hall, Annapolis Royal. Mr. Butler, who had been vice-president, succeeded Lawrence Snell, Deep Brook in the capacity of president.

The nominations presented by J. J. Brittain, Digby, resulted in electing Mrs. Wilmot Christie, Digby, 1st vice-president; Mrs. Allan Dill, Annapolis Royal, 2nd vice-president; Mrs. John Englehart, Digby, secretary and Stewart MacNaughton, Digby, treasurer.

Others on the Board from Digby are Mrs. A. J. Dillon, Mrs. Hyson Sutherland, Mrs. H.R. Bishop, Mrs. Harold Emerson, Mrs. A. Lawley, Mrs. MacLeod Rogers, Charles Haliburton. Further members consist of Mr. Snell, Deep Brook; Mrs. A.L. Anderson, James Kearns, Mrs. Doug Souchon, all of Annapolis Royal; Mrs. Lewis Mills, Granville Centre; Mrs. James Elliott, Mrs. M. W. Harvey and Dr. Gerald Sheehy of Middleton and Mrs. Marie Robinson and Mrs. Maxine Ruggles, Bridgetown.

Charles Haliburton was elected to co-ordinate publicity for the area and Mr. MacNaughton to head the finance committee.

Mrs. Phyllis Brennan, V.O.N. submitted the nurse's report which showed 1086 visits made in 1974 to a total of 125 patients, seventy of these being new patients. Total time on duty 1428 hours. Two patients were

children while others were adults with more than half being over 65 years.

Mrs. Brennan said they covered all areas of nursing and accept all calls but treatment and further care is provided only if the patient is under the care of a doctor. Fees went up in price to seven dollars per visit since January 1, 1975, but Mrs. Brennan hastened to remind the members that service is given whether or not the patient can afford to pay.

It was noted that the Digby part of the branch area is working with the Public Health Nurses in a pilot project.

Mr. MacNaughton's report showed revenue for the year 1974 to be \$25,262.48 and expenditures \$22,968.02, leaving a balance of \$2,294.46.

In her report Mrs. Englehart, secretary informed the Board members that the Digby Community Nursing Project with the

Department of Health appears to be working out well after two years. She reported the resignation of Mrs. Dorothy Elms in October 1974 and who was replaced by Miss Virginia Porter.

Discussion arose regarding a brief which had been forwarded to the Nova Scotia Minister of Finance with regard to having the V.O.N. services under M.S.I.

Mrs. Alan Dill introduced the guest speaker, Mrs. Beatrice Buszek, a professor and a former Nova Scotian who returned after years of study and teaching in the field of psychology.

Presently, she is carrying on in the same capacity at Acadia University, St. Anne's College and CFB Cornwallis. She was thanked by Rev. Mr. Butler.

Mrs. Buszek's experiences in the United States took her into various institutions of

Ship's Captain Injured

Captain Soren Martin Danielsen, Master of the Frost, an 168 net ton refrigeration ship registered in Copenhagen, Denmark, suffered a fall while the ship was in port here at Digby.

The accident happened on March 12 when the captain in the operation of his duties unfortunately fell into the hold of the ship injuring his legs and arms.

The Frost was here to take a cargo of salt and frozen fish to West Germany and to Sweden. Another captain, Niels Jacob Nielsen from Denmark flew here to command the ship while the captain is laid up.

The ship was loading fish from Comeau Sea Foods, Small Bros., and Pirate's Cove Fisheries.

Agree On French Teacher

The Digby Board of School Commissioners at their regular meeting on Monday evening agreed to go it on their own in engaging a French teacher for the Digby Elementary School, 1975-76.

The Board had hoped that the salary of a French teacher would be among shareable costs but the Board was turned down by the Department Education in their request. The Board felt a French teacher was necessary enough to bear the total expense themselves.

C.E. Edwards, inspector of schools in Digby and Annapolis was present. The Board was presided over by the chairman, Captain Reginald Hazleton.

The meeting was held at the Elementary School on Queen Street.

Family Left Homeless

Mr. and Mrs. Gerald Comeau and their four children were left homeless on Tuesday when fire completely destroyed their home on the back of Marshalltown Road. No one was in the house at the time and when Mr. and Mrs. Comeau arrived home at noon the house was ablaze.

Digby Volunteer Firemen were called at 12:30 (noon) and spent nearly two and a half hours fighting the blaze. When they arrived on the scene flames had completely

Man Assailed At Comeauville

Andre Comeau of Comeauville was attacked by a man or youth one evening when entering the home of his sister, Mrs. George Comeau. He was hit upon the head by the assailant who is suspected of intending to rob him.

Mr. Comeau shouted after being hit and Mrs. Comeau's daughter, who resides with her, put on the outdoor lights scaring the assailant away. The assailant jumped into a car which was parked nearby.

Andre was cut on the head and it required several stitches to close the wound. The attack took place after ten o'clock at night.

Mr. Comeau was surprised by the assailant and was hit with some article which fortunately did not knock him out as intended and the fact that the outdoor lights were snapped on immediately following his cries for help, probably prevented more harm being done to him.

At the close of the business meeting, Miss Tupper introduced Mr. Morton as guest speaker for the evening.

Mr. Morton presented two films "Let's Start the Show" and "A Little Bit of Everything for 1974".

School Bus Schedule Remains Same

A number of Elementary School teachers were at the Digby Municipal School Board meeting on Monday evening to find out how the proposed new bus schedule was progressing. It was several months ago that a new schedule was drawn up which would decrease the time that elementary grade students would be away from home. The present schedule, it is felt, is too strenuous for the elementary grade students and is a hindrance to their progress at school. The teachers present on Monday evening gave full support to the proposed schedule but according to the school board the province has not come to a decision on the proposed plan.

C.C. MacInnis, school superintendent, reported that renewal application forms had been sent to all the teachers in the feeder schools, Larry Frenette, Weymouth Junior High submitted his resignation. James Hanscomb, super-

visor at Weymouth Consolidated High School was given permission to advertise for a music teacher, elementary grade teacher and a junior high teacher.

Mrs. Helen McNeil and Mrs. Eleanor Elms are members on the Staff Selection Committee.

The resignation of Arnold Comeau, maintenance man for the municipal schools was read at Tuesday night's meeting.

C.E. Edwards, inspector of schools in Digby and Annapolis Countries explained the curricular enrichment to members of the Board on request.

The Opportunities for Youth group at Weymouth were given permission to use the Weymouth school gym for their summer project with someone responsible as overseer.

Expenses of \$810,161 for the past month were approved for payment.

90 Year Old Admires Great Grandchild

Above is Mrs. C. B. Parker, King St., Digby, admiring her only great grandson, Dana Nielsen, of Keswick, N.B.

Mrs. Parker, who celebrated her ninetieth birthday earlier in the winter resides with her daughter, Mrs. Elton Arnold, her only child.

Mr. and Mrs. David Nielsen and son, Dana, spent the March school break with Mrs. Parker and Mrs. Arnold. Mrs. Nielsen was the former, Miss Carolyn Arnold, who was active in community and musical

circles in Digby. She is the only grandchild of Mrs. Parker.

Although Mrs. Parker has some ear and eye difficulties she is generally in good health, taking care of herself and doing slight jobs around the home while her daughter is at work.

Born in Windsor, Mrs. Parker during her married life lived in Kentville moving to Digby more than thirty years ago. In both Kentville and Digby Mrs. Parker was one of the staunch leaders in church and community affairs.

Editorial Letter to the Editor

BODY AND SOUL SEVERED

It might be sacrilegious to bring the soul, which we expect to fly heavenward, into such a secular and mundane world as this. We can't however, overlook a news release which came to us from Charles A. MacDougell, president of the Halifax Civic Workers Union, Local 108 in referring to the dispute between the Medical Technicians of the Victoria General Hospital and the Pathology Institute and the government of Nova Scotia.

In the release Mr. MacDougell said "there is bound to be trouble when employees are being paid \$100 per week gross pay, before deductions, in an economy that requires \$250 per week to keep body and soul together. Two hundred and fifty dollars a week would be \$13,000 a year. According to that criterion there are now a goodly number from the rank and file of life who are in danger of losing their very souls. Two hundred and fifty dollars is a lot of "dough" for one week when there are still people trying to make do on thirty to forty dollars a week pensions.

We are not taking sides against the Union as much as we dislike strikes which seem to get us nowhere and causes delay in productivity. The inconveniences and delays which result are a bane to the public.

There have been times, too, when we felt some unions were demanding too much of an increase in wage and asked for absurd benefits and privileges but in the light of both federal and provincial members salaries being raised during the past few months, what can one say to members of the Union who are facing increases in the purchase of food, fuel and other living expenses in general much the same as the M.P.'s and M.L.A.'s. Besides who gets free transportation, free telephone service, free postage, stationery and a host of other good things handed on a platter and paid for by the taxpayers.

Sure the members of the federal and provincial governments need reasonable raises to meet rising costs and they should be recompensed for discharging their duties in an efficient manner. How can we, however, reconcile salaries of \$84,000 per year, raises from \$26,000 to \$39,000 a year and salaries jumping from \$15,000 to \$25,000 etc in one grand slam.

They, the governments, have actually given impetus to strikes, confusion and discord in boosting their own salaries to the extent they did.

We will be interested to see how the Medical Technicians make out with their strikes while the rest of the population have their souls severed from their bodies in an economy that requires \$250 per week to keep body and soul together, according to Mr. MacDougell.

PENALTIES FOR IMPAIRED DRIVING

If the penalties for impaired driving are any indication, many countries consider the drunk driver a very serious menace. Here are some examples of the punishments prescribed in various locations around the world:

In San Salvador, drunk drivers are executed by a firing squad.

In Turkey, drivers are taken 20 miles away by police and forced to walk back-under escort.

In Australia, the names of drivers are sent to local newspapers which print them under the headline, "He's drunk and in jail."

In Malaya, the drunk driver is jailed. If he's married, his wife goes too.

In South Africa, he gets a 10-year jail stretch, a fine of \$2,800 or both.

THE DIGBY COURIER

Trade is discussing, as taxpayers, they will have the right to make a decision on any action taken, and it will be a great tragedy if they allow this sort of dishonest and foolish talk to influence their own right to decide, on the basis of the facts. As to what the facts are, the Board of Trade is quite prepared to explain to any sincere enquirer.

I remain, yours sincerely
E. Foster Hall

Dear Editor:

A rumour has been circulating in Weymouth that one of the reasons for the atrocious increase in taxes is, that the councillors salary has been doubled, if this is true I, as a taxpayer am curious and asking why this information was not published along with other business items which appeared in the paper. For instance, how did the voting go? Was everyone in favor of the increase? I am under the impression there were negative votes. Such information could prove most useful and interesting when councillors come up for re-election.

The other rumour is in regards to the airport in Digby. Is this airport owned by a posh private club? If not, why were expenditures not reported to the taxpayers along with other budget items, and if it is privately owned why are the taxpayers footing the bill? Of what benefit is it to the general public?

Traditionally, it has been the duty of the newspaper to keep the general public informed.

Facts properly reported are better than rumours. A famous Nova Scotian, by the name of Joseph Howe, fought for the freedom of the press. If the press does not fulfil their obligations, Joseph Howe's time and efforts shall we say, were wasted. Please enlighten.

Yours truly

SUBJECT: "Princess of Acadia" No. 331571

Dear Miss Campbell:
In recent edition of the Digby Courier, I read of your soliciting for comments from the public regarding the "Princess of Acadia" ferry. I was born and brought up near Digby, Nova Scotia at a place called North Range. I attended Digby Rural High School, Acadia University

and Nova Scotia Technical College. Upon graduation in 1957, there were 230 Engineers of which only 60 jobs in Engineering were open and these could remain in Nova Scotia. I was obliged to relocate in the Province of Quebec. I have retained some property in Digby County that I hope to return to one day soon. I pay taxes on that property and my family have vacationed there every summer since we left.

For family reasons plus vacations I have occasion to cross the Bay of Fundy between St. John, N.B. and Digby.

In recent years I have experienced many inconveniences of which costly alternatives have had to be realized. As an example, there has been lack of communications between Montreal operations and St. John, N.B. Information sought after in Montreal such as boat travel times, etc. are practically non-existent. We have experienced arriving in St. John only to find the boat in Dry-Dock and Montreal didn't know that.

I have not been able to secure reservations prior to making the trip. Nothing is more disheartening than to arrive at St. John or Digby to find the line up too long to get on board and to wait six more hours to find a repeat performance - or to arrive in St. John in the evening with the family and because we could not take the night ferry to have to somehow find a place to spend the night, hurry to the wharf early in the a.m. and find we can not get on that either. Lack of reservation making is a deterrent to visitors, tourists and business people alike. Firstly visitors have only a few days for vacationing and to waste one or two of them while securing a simple travel junction such as this causes much tension, added cost and disappointment. Time is valuable and this seems to have been left out of the ship's travel equation. Secondly, business local to southern New Brunswick and Western Nova Scotia (perhaps including the entire province) should certainly have priority when it comes to the boat's passengers. I have seen business men from St. John enroute to N.S. caught in the same kind of situation as myself and my family. Even though my time is valuable still it is business which makes it all possible in this country and business should be looked after first. A proper reservation program would solve much of the above. CN-CP Telecommunications as co-owners of this enterprise surely they are able to provide accurate and correct information for cities as far away as Montreal.

Regarding cost of fares and services on the ferry, hopefully these will be reduced to be more in line with what people can afford. It is becoming so expensive to use the ferry that people are having to look to other ways to travel. If I am to drive around from St. John to Digby with my family, I can do so in one day, say 8 hours, a distance of approximately 450 miles. My car operating at 20 miles to the gallon and gas at \$0.62 to \$0.66 per gallon, the cost represents approximately \$15.00 for gasoline, plus a dinner for four people, say \$15.00, totalling \$30.00. The cost to travel on the ferry is \$22.00 for car plus \$20.00 for fare, making a total of \$42.00. It would appear to me that a fair matching charge of \$2.50 per person one way and \$15.00 to \$20.00 for the car one way represents a better figure. Special fares should be considered for those making frequent trips and who need some form of discount. For example I was speaking February 16, 1975 with a passenger on the ferry who has been faced with a particular problem. He is an Instructor at St. Anne's College, Church Pointe, Digby County where he owns his home and has a family. He has been required to take a year off to obtain special training at the University of Moncton. It is not practical for him to close up his house so he commutes on weekends from Moncton, where he is studying all week, home to Church Pointe and back. It costs him \$22.00 each way for his car and \$8.75 return for his passage, total cost is \$22.85 per week or \$200 per month. Being more or less a student (Instructor in Training) he can ill afford such luxury yet he needs to be home on weekends with his family. Being away, though, for eight months, his travel cost approaches \$1600.00. This is something one can scarcely overlook. A second frustration to him is the fact that at times he arrives at St. John from Moncton in his Volkswagen and the boat is scheduled to sail on time. On a few occasions he has found by 11:30 P.M., that night just before sailing time that the Boat will not be leaving that night. This leaves him with having either to put up in St. John for the night at extra expense or drive all the way around from St. John to Digby through the night. He has learned to check with the Ferry Terminal in St. John before he leaves Moncton and this is fine except that the person with whom he speaks does not always know, yet he will be told it will be sailing on time and when he gets to St. John the same thing happens all over. Recently (first of February 1975) my niece checked in Montreal about the sailing time of the "Princess of Acadia." The

Montreal people didn't know and she had to remind them that they were the owners of the CN - CP Telecommunications system and that they should check with St. John.

They did and found that the ferry was in Dry-Dock. This in itself was okay but she had already come from Toronto where they told her the ferry was, in fact, sailing.

Another area to be looked at concerns the passenger accommodations. It is my contention that any conveyance used for public service should provide the comforts necessary to meet, at least, the basic needs. The ship's designers, should always delegate a certain percentage of the monies being spent on the total ship's cost to provide some of these essentials. My observations are that the architects of this particular ship must have overlooked the people who travel on it and the monies spent in that area must have barely shown up on the cost sheet. Simply speaking, the seating arrangement is sub-standard; the seats themselves would be good for flies who light briefly here and there, but for humans who may have to sit in them without any back support or a place to put one's head for 2 1/2 hours, this is hardly acceptable. Secondly the ship carries passengers who are truck drivers and business people who only have so many hours in their busy lives to do certain things. It may be very essential for them to have the opportunity to get some rest, particularly when the ship is travelling on its midnight run.

I would like to cite my own experience the Midnight of Feb. 14th, 1975, from St. John. It was necessary for me to occupy my time between my business appointment ending at 5:00 P.M. until 12:00 Midnight when I boarded the ferry bound for Digby. Already on my business tour of New Brunswick between business and travel, I was only able to get a normal night's sleep from day to day and come midnight Friday night, I could have well used an opportunity to sink into a comfortable chair on the boat and at least get a couple hours of relaxation and rest. Instead I was compelled to sit on these so-called chairs. The Lounge was closed and therefore no one could use the limited and inadequate number of lounge chairs there. Cabins are an extra cost and not easily attainable and certainly not worth it in lieu of the high fares. As I sat watching a television which itself was not working very well, my eyes began to close and I periodically

awakened with a start when my head, with no support, pivoted and bobbed about on my neck as it fell from one position to another. For five or six times, I went through these motions. I watched the twenty or thirty truck drivers desperately trying to get some relief, go through this ordeal. These men had driven many tiring miles and would sometime that night have to drive more with little or not relaxation in between. I have now question a large number of business people who have experienced what I have and they feel as I do. As for the public, it seems they do not count because no one listens to them, but between you and I, they, too, can cite a mountain of similar testimonials. Oh, yes, I forgot to mention that I nearly froze on the boat. Even with all my boots, overcoat and gloves, I could scarcely keep warm.

On these midnight runs people tell me they cannot rely on getting something to eat and the seasoned travellers are clever enough to carry food with them.

I trust that what I have given you will help to communicate to you some of the problems presently endured by the travelling public and I thank you for this opportunity to speak of it. With the ferry now a publicly owned vessel, perhaps it can be improved to meet the needs of our people. The cost of change should not be great. I am suggesting that:

a) The existing chairs be replaced by lounges and easy chairs where people can relax in comfort.

b) The fares should be reduced to aid the travellers in affording that means of conveyance, thus increasing their usage of the ferry.

c) To consider the weekend travellers by running the ferry hours, say at 6:00 P.M. leaving St. John on a Friday evening instead of forcing people to wait 'till midnight. A study should be made locally as to best times, etc.

The ship is beautiful, the pier facilities are excellent and with a little more thought to meeting the needs of the travelling public (minor in things to do), this could be one of the most charming runs in Eastern Canada. This, coupled with the friendliness and hospitality of the Atlantic Province's people, would be a giant step forward for this sector of our great country of Canada.

Yours very truly

"Spain '75"

By Claude Pothier

On the morning of March 6th spirits were rising high among ten Digby Regional High School students and three teachers. For this was the day of departure for an overseas trip to Spain. Each member found their own transportation to Halifax for the flight, which was to leave at 8:30 p.m. that evening. Members of this group were, Mr. Harold Theriault (group leader), Mrs. Wendy Burton, Miss Sharon Brooks, Claude Pothier, Mark Connell, Gail French, Bruce Isles, Bruce Handspiker, Jane Fraser, Grant Merritt, Jimmy Warner, George Woolaver and Michael Ross.

The overseas trip to Spain included groups from Antigonish to Yarmouth. All members had to arrive at the Airport at 6:00 p.m. to begin checking their baggage. During this time an announcement was made at 7:00 p.m. that the Airport was closed by the Ministry of Transport because of the labor dispute and because of lack of safety facilities. All Air Canada flights were cancelled. Groans could be heard through out the Airport. A representative from

the games but their young hosts took them on tours of Boston City and the town of Medford. On Thursday evening a reception was held for the team, the coaches and chaperones.

The group left for Medford via Bluenose out of Yarmouth and returned via Princess of Acadia.

Canadian Educational Travel Association (CETA), Mr. Chris White made arrangements for us. The 350 students and chaperones were the only ones allowed to continue checking their baggage. At this time spirits became brighter. We weren't able to depart from Halifax but rumors began that Bangor, Maine might be a possibility. But through efforts of Mr. Chris White, Shearwater Airforce Base was going to be our airport for departure.

At 10:30 p.m. buses started transporting the students to Shearwater. When we arrived our chartered TIA DC10 was sitting pretty in the runway. The remainder of students arrived at Shearwater at 1:00 a.m. on March 7.

During the time in Shearwater snow was falling, but at 1:30 a.m. we boarded the jet and at 2:00 a.m., March 7, we were finally on our way to Spain, away from the cold and snow. During the flight, two meals were served and a movie shown. The 5 1/2 hour flight over the Atlantic Ocean was enjoyable.

We landed at the Malaga International Airport at 1:00 p.m., March 7 (There is a 5 hour difference in time). We went through customs and loaded our CETA chartered buses and we were on our way to our hotel. But another little problem occurred but which was beneficial tous. There was a problem in the Hotel we were

to stay at so we were accommodated in another four star hotel in another town called Fuengirola on the Costa del Sol - Sunny Coast. We finally reached Hotel Las Palmeras and unpacked.

That evening there was a Sanguia party for all students to get acquainted and certain problems students might have had could be solved. We finally retired for a good nights rest. On Saturday, time was spent in Mijas (pronounced MIHAS), a little town 1500 feet above sea level in the mountains where souvenirs were bought. That evening a Spanish Hacienda was arranged for us with barbecued chicken and pork being served. Along with this, potatoes, salad and wine was also served. Then back on the buses for the trip back to the hotel.

On Sunday there was an optional tour to a typical Spanish bull fight. But the group from Digby spent the day touring Malaga by horse and buggy. Later we asked students who went to the bull fight about it. They said it was a cruel experience. That evening there was another optional tour called Torremolinos by Night which was a tour of Spanish night clubs. These optional tours were tours that cost extra if we wanted to go.

Monday morning everyone was up at 4:00 a.m. and had their continental breakfast which consisted of juice, coffee, a roll and jam. By 5:00 a.m. we were in our buses and headed along the coast towards Algeciras. From there we boarded the ferry to Tangiers, Africa, across the Strait of Gibraltar. While we were on the bus and ferry it rained very hard so no pictures were taken of the Rock of Gibraltar. While we were on rough and most students were sea sick. In Tangiers we visited the Caskah, and rode camels, watched Moroccan dancing and had a Moroccan meal. From the restaurant we headed back to the ferry terminal. The weather had become even worse. Winds were strong and the waves were splashing over the dock. Because the ferry trip was cancelled, we waited at the dock and then we were moved to a five star hotel for overnight.

Tuesday we were up at 7:00 a.m. and had breakfast. It was a beautiful but windy day. We left Tangiers at 1:00 p.m. The waves were big but it was a smooth ride. That day we got pictures of dolphins that were jumping

along side of the ship and also pictures of the Rock of Gibraltar. The Strait of Gibraltar was a freeway that day. There were many different types of ships, ocean liners, oil tankers, naval destroyers, and fishing ships. When we arrived in Algeciras we loaded our buses for the journey home. (Home as we called it, because it was good to leave Tangiers.) When we arrived at the hotel our evening meal was awaiting us.

Wednesday was the excursion to Granada. We up at 5:00 a.m. and on the way by 6:30 a.m. The ride was 3 1/2 hours but we stopped at a restaurant after a 2 hour ride. In Granada we visited a cathedral where Ferdinand and Isabella are buried. Then we had our meal and then we were on our way to the Alhambra, stronghold of the Moorish Kings, visiting the castle and its gardens.

Thursday there were three optional tours one was the Burro Safari which was a ride on a donkey up in the mountains; another was a half day tour to Malaga, capital of the Costa del Sol; the third was a trip to Nerja (pronounced NERHA). In Nerja famous limestone and pre historic caves were visited. But most of us stayed at the hotel for the last few hours we had left to spend with our new friends. Some of the Digby group spent the afternoon having a picnic on the beach and wading in the Mediterranean.

Friday was departure day. We were up at 4:00 a.m. and were at the Airport at 6:00 a.m. We left Malaga with our souvenirs, and glorious memories at 8:00 a.m. The flight took 7 hours across the Atlantic because of the prevailing winds. We landed at the Halifax International Airport at 10:30 a.m. (local time). We went through customs, picked up our luggage and said final farewells to friends we made that week, and headed for respective homes.

In my opinion this whole trip to Spain was well worth the money and effort. We had fun, learned a bit about the Spanish people and customs. The memories will always be with us. One of the most important aspects of this trip to me was the making of new friends. Some friendships lasted just for the week. I know personally that letters will be keeping new friends in close contact.

Hill Grove

Several from this area attended the funeral of the late Henry Ambrose at Jayne's Funeral Home on Wednesday afternoon. Sympathy is extended to Mrs. Ambrose and family. The Lavinia Wilson W.M.S. of the Hill Grove Baptist Church held its monthly meeting at the home of Mrs. John Murley on Tuesday evening March 11.

that was on the trip "Spain '75" in saying Thank You to CETA for the patience and extra expenses which they incurred. Thank you very much.

vice-president for Academic Affairs at the John J. College in Criminal Justice and associate professor at Kirkland College in Clinton, N.Y. Her work at Acadia University, Ste. Anne's College, Church Point and CFB Cornwallis is in the form of seminars. Mrs. Buszek is also known through her writing, having had several articles published.

Mrs. Buszek's topic for her address was on Family and Changing times. Mrs. Buszek dealt chiefly with children in her address and noting that the quality of that early environment means much to the outcome of the child. She advised adults to find out what the child is trying to say through his actions. What we do, she said, depends on what happened in the past, is happening in the present and will happen in the future and sometimes we make excuses and influence what happens to us.

Mrs. Buszek told of several cases in the lives of children which she dealt with in her profession. She said a child is particularly vulnerable and his self-image can be easily shattered. He protects himself under the shroud that "nobody expects anything of me." They will, if they can't achieve, be preoccupied with failing and rather than not succeeding at all the child succeeds in failure.

Children, the speaker said, feel love, hate and anger just as grown ups do. We think, she said, that we help the child by saying, "You're a big boy now." The child she observed needs reassurance.

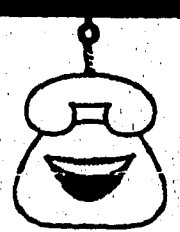

Mrs. Buszek also recognized the fact that parents need help too. They do the best they can with their family problems and need people to help them.

Every child, the speaker said needs to have someone to believe in him before he can believe in himself. He needs somebody and needs to be somebody. Children want to please and do and be admired and loved.

It isn't enough, however, she said, just to love a child but he must be prepared for a world of which we know little. The society is complex and is changing so rapidly. We need, she said, to stand for something in the life of a child, to get involved and give of self to the child. Every child, the speaker, said, tries to be like adults and a good person is needed to show the way.

World Day of Prayer, Centreville

The World Day of Prayer service was observed on March 7 with a combined service of the Rossway, Waterford and Centreville Baptist churches at Centreville under the leadership of Mrs. J.M. Suttie. The theme "Become Perfectly One" was compiled by the Christian women of the Arab Republic of Egypt. The Scripture Text was from St. John 17:22-23.

The slide talk, given by Rev. Robert Reid, developed the theme by exploring common symbols and experiences of unity in daily lives. Biblical unity was shown to be a more profound experience centered in the person and work of the Lord Jesus Christ. Praying and loving resulting from a personal awareness of the Lord became the way of unity. Required for true

unity was a belief that people can change, that the cross of the Lord has power to reconcile, and that the purpose of unity is twofold. "That the world may know that thou hast sent me and has loved them even as thou hast loved me." John 17:23.

The scripture texts presented in the World Day of Prayer service are being explored in greater detail at the weekly bible study and prayer meetings on Wednesday evenings.

The monthly meeting of the W.M.S. was held on Tuesday evening at the home of Mrs. J.M. Suttie. Mrs. Daniel Morton and Mrs. Frances Morton gave an interesting and encouraging report on the rapid growth of the African churches. The devotional by Mrs. Roy Cameron was entitled The First Easter Morning.

Mrs. Myers Guest Speaker

Mrs. Garland Myers of Upper Clements was guest speaker at the World Day of Prayer Service, Friday at the Clementsport United Baptist Church at 7:30 p.m. with a good attendance.

Women from the three churches in the village attended as well as a number from the Parish of C.F.B. Cornwallis. Theme for this year's service was "Become Perfectly One". The theme verse, was read from (John 17:22-23) and was under the direction of Mrs. Borden Fountain.

The Men's Quartet sang the beloved musical selection, "Precious Lord, Take My Hand", under the direction of Mr. Garland Myers.

A welcome to the visiting guests was extended by Mrs. Franklin Thompson. Mrs. Borden Fountain had charge of the service. Prayer was offered by Mrs. Murray W. Langille and Mrs. Joanna Holland.

Others taking part were Mrs. Inez Barteaux, Mrs. Vesta Mac Nintch, Mrs. Wallace Jordan, Mrs. Veta Thompson, Mrs. Hilda

Berry. Organist for the evening was Mrs. Rae Potter.

Mrs. Garland Myers based her talk on Happiness which fitted in well with the theme "Become Perfectly One."

Mrs. Veta Thompson and Mrs. Joanna Holland acted as ushers for the collection. Pastor Wallace Jordan, closed with prayer. Following the meeting all were invited down in the vestry to join in a cup of tea and fellowship.

In Memoriam

BUDD—In memory of my dear wife Hazel, who passed away March 22, 1974. God saw you getting tired When a cure was not to be So he closed his arms around you And whispered "Come to Me" You didn't deserve what you went through And so he gave you rest, God's garden must be beautiful For he only takes the best. Sadly missed by husband Reginald and son William, daughter-in-law, and grandchildren. 32:1ip

BANKS—In loving memory of Hallett Banks, who passed away March 20, 1963. Sadly missed and lovingly remembered by wife Muriel. 32:1ip

PARKER - In loving memory of a dear wife and mother Mrs. Dorothy Parker who met with a tragic accident March 21, 1967. A happy home we once enjoyed How sweet the memory still But death has left a loneliness The World can never fill. **SADLY MISSED BY HUSBAND FRANK DAUGHTER BARBARA AND SON NORMAN** 32:1ic

ETHIER - In loving memory of Joseph Ethier who passed away March 24th, 1969. When ties of love are broken And loved ones have to part It leaves a wound that never heals And also a broken heart But looking back with memories Upon the path we trod We bless the years we shared with him. And leave the rest to God. Always a beautiful memory Of the one we loved so dear. **SADLY MISSED BY THE ETHIER FAMILY.** 32:1ic

SULLIVAN - In loving memory of Tammy Ann Sullivan who passed away on March 21, 1972. Day by day our thoughts do wander To the grave not far away Where they laid our dear daughter Just three years ago today. **LOVINGLY REMEMBERED BY MOM, DAD, SHERRY AND SUSAN.** 22:1ip

BAVELAAR The Weymouth Garden Club has learned with sorrow, of the death on March 16, of its president Onne Bavelaar, in Fairlawn, N.J., and extends the deepest sympathy to his widow, Muriel (Payson) Bavelaar. Because of Mr. Bavelaar's untiring efforts on behalf of the Weymouth Garden Club during his term of office, he will be deeply missed. **GORDEN H. CAMERSON, PRES-PROTEM** 32:1ic

Fellowship Hour

Following the morning worship service at Grace United Church on Sunday morning a fellowship hour was spent by the congregation in the church hall. The United Church of Canada celebrates the 50th year of union in June 1975. Sunday mornings fellowship hour was one of the many observances which will be taking place as Grace United Church joins in the anniversary celebrations in 1975. Convenors for the anniversary functions at

Grace United are Mrs. Ina Dillon and Mrs. C. D. Snow. Mr. Stevens took as his text on Sunday a.m. 'Behold We Go Up to Jerusalem'. The senior choir under Mrs. Elton Arnold, organist and choir leader, sang an appropriate anthem.

Mr. Stevens announced that the reception of new members will take place at the Palm Sunday service and that an Inter-denominational Service will be held at Grace United on Good Friday, March 28 at 7 p.m.

Carpet Of Golden Tulips

Fifty years of service to the ex-serviceman and woman will be marked this year when the Royal Canadian Legion celebrates its Golden Anniversary from November 1975 to November 1976.

To mark this anniversary, the Legion has embarked upon a project which is aimed at having a carpet of golden yellow tulips blooming from coast to coast in the spring of 1976.

A specially-bred Netherlands tulip bulb, registered as "The Royal Canadian Legion Tulip" is being grown in the fields of The Netherlands where so many Canadians died in the Second World War.

The Royal Canadian Legion, through its branches across the country, is taking orders for the Legion tulip bulbs for delivery in September of 1975. Canadians from coast to coast are invited to celebrations and are encouraged to purchase these bulbs from their local branch of the Legion.

Celebrations commemorating the creation of the Legion in 1925 will start on November 10 - the night before Remembrance Day.

In emphasizing that the 50-year old Legion wants to stay young, Dominion President R.D. McChesney, of Kirkland Lake, Ontario, told a news conference recently that the theme of the year will be OLD TORCH, NEW FLAME.

Mr. McChesney said that there are now 446,000 members in 1,825 Legion branches across the country. This is the result of many groups representing about 20,000 persons uniting in Winnipeg in 1925 and holding their first Unity Conference there in 1926.

He said years of peace have led the Legion to concern itself with community and national affairs as well as with ex-servicemen and women.

The organization has recently opened its doors to the children of its members and deceased service personnel. Some 38,000 of these young persons have already joined.

Another feature of the Anniversary year will be a Dominion Convention in June, 1976 in Winnipeg, the birthplace of the Legion.

Help Legionnaires pay a tribute to the past and salute the future of Canada by purchasing these tulip bulbs from your local legion.

Maritime Tel & Tel Employees Honoured

The Story Of Jacob And Joseph

Powerful Human Drama

Recreating a thoroughly human adventure from the pages of the Old Testament, "The Story of Jacob and Joseph", airing Sunday March 23, 8:00-10:00 pm on the ATV Television System, is a vivid dramatization of the story of the Biblical patriarchs: The saga of Jacob, who cheated his brother Esau of his birthright, and of Joseph, who was sold into slavery by his family out of jealousy.

The story comes alive through the use of authentic reproduction of costumes and replicas of the period. The filming was done entirely on location in Israel at such sites as Beersheva and the hill country between Jerusalem and Ithara.

A moving tale of real people who lived in a real place, during historic times, this two hour special is divided into two parts. Part I: "Jacob and Esau" follows the chicanery of Jacob, who aided by his mother Rebekah, stole Esau's birthright. After 20

years of exile he returns home with his large family to reconcile with his brother and to lead his people as was promised to Rebekah by her God.

In Part II - "Joseph And His Brothers", young Joseph is sold by his greedy brothers to a passing caravan. He is taken to Egypt and through his gift for interpreting dreams he becomes the right hand of Pharaoh. When he finds his brothers before him years later during a famine, Joseph throws off his instinct for revenge, forgives his family and entreats them to come to Egypt to live.

"The Story of Jacob and Joseph" stars Colleen Dewhurst, Keith Michell, Herschel Bernardi and Tony LoBianco. Narrated by Alan Bates, written by Ernest Kinoy and directed by Michael Cacoyannis, this special is produced by the award winning Mildred Freed Alberg. The music is by Nikos Theodorakis.

Dionne Warwick

Special

Taped on location surrounded by the beautiful scenery of Lake Tahoe, on the border of California and Nevada, the incomparable Dionne Warwick entertains with her guest stars in the "Dionne Warwick Special" airing Tuesday, March 25, 9:30-10:30 pm on the ATV Television System.

Opening the show, Dionne sings "Then Came You" to her nightclub audience at Harrah's Hotel; then the cameras take us to the Alpine Meadows Ski Resort where she performs "If My Friends Could See Me Now".

Special guest star Wayne Newton joins Dionne in a fun sequence singing "You Are The Sunshine Of My Life" while being towed on a dog sled. This mid-winter treat includes Dionne's other guests Frank Sinatra, Danny Thomas, Christopher George, Linda Day George and Greg Morris, all appearing in cameo spots.

Showing the style that keeps her one of the most sought after singers in the entertainment business, Dionne closes the show with "I.O.V.E."

Westport Observes World Day of Prayer

Two weeks before the World Day of Prayer Mrs. Lawrence Shaw and Mrs. Charles McDormand met at the home of Mrs. W.E. Poole to prepare for the service, Friday afternoon March 7, members of United Baptist Church and Church of Christ met in the Baptist Vestry for the service. Mrs. Earl Webber and Mrs. Charles McDormand were the leaders with Mrs. Arthur Titus, Mrs. Harold Thompson, Mrs. George Clements, Mrs. Stanley Moore, Mrs. Harold Swift and Mrs. Albert Bailey as readers.

Prayer was given by Mrs. George Sharpe, Mrs. Edgar McDormand, Mrs. W.E. Poole and Mrs. Carol Delsey. Prayers for unity of the church were read by Mrs. Arthur Titus, Mrs. James McDormand and Mrs. Albert Bailey.

Special music was a duet "Fill My Cup Lord" by Mrs. James McDormand and Mrs. Ray McDormand. Other hymns used were "Holy, Holy," "Come Thou Almighty King," "What A Friend" "In Christ There Is No East or West" and after Lic. David Keith received the offering, Praise God From Whom All Blessings Flow was sung. Pianist for the service was Mrs.

In last week's Courier the name of George Clements should have been mentioned as one attending the meeting in Freeport.

Recently Mr. and Mrs. Charles McDormand, Westport, spotted a gull like bird, white in colour. In referring to the Audubon Water Bird Guide, found out that it was an Ivory Gull, rarely found in this area.

According to the guide it is known to follow arctic mammals and closely follow Eskimo hunters. The first sight was on the water front by the fish house, and the second was when the men were fishing. It rarely reaches this area except as a straggler.

Richard McDormand, Westport who is a Provincial Fisheries Representative attended the Lobster Task Force meeting held in Halifax on March 12 and 13th.

Richard Welch.

Lic. David Keith was guest speaker and chose for his topic "Unity". Jesus unites those who believe on him, not just one but all races, creeds and colour. There is a behaviour of unity, bearing one another's burdens, rejoice with those who rejoice. All is based on the word of God and spiritual law.

This years World Day of Prayer program was prepared by Christian Women of Egypt, and the theme was "Become Perfectly One."

Church Point

Mr. and Mrs. Hector LeBlanc of Shearwater, N.S. visited Mrs. Mary LeBlanc, mother of Mrs. Hector LeBlanc during the weekend of March 8. They also visited their aunt and uncle, Mr. and Mrs. Denis P. LeBlanc in the village.

Artists Display Works

Fred Trask and Everett Lewis, artists, are among those who will exhibit their works at the Eye Level Gallery in Halifax. Other exhibitors are Diane Benedict, Ralph Boutlier, Percy Houghton, Joseph Sleep, Robert Thompson, Doris Tingley, George Verge and Charlotte Young.

A unique and unusual exhibit opened in Halifax this week at Eye Level Gallery. Called "GRASSROOTS", this is a show of work made by untrained Nova Scotian artists. Sometimes referred to as "naive" or "primitive" the

artists' styles vary but the same sensibilities reign—the art is all imaginative, childlike and often fantastic. The work ranges from small paintings to huge hand-carved sculptures and represents many areas of the province.

The exhibit will be on through March 28, 1975 at 5785 West Street, which is just off Agricola Street. Gallery hours are Tuesdays, Wednesdays and Saturdays. 11 a.m. to 2 p.m. and Thursdays and Fridays 4 to 7 p.m. Should you wish more information phone Eye Level at 425-6412.

Patchwork

by Barbara Hanright

The quiet sound of children intently gathering mayflowers in the old pasture; the solemn mooing of a cow in the still air. Summer. My sister standing in a field of daisies with a little sun hat on her head, too young to play the game "He Loves Me, He Loves Me Not".

Why, in moments such as these, cannot time stand still?

Christmas concerts with school girls dressed in white crepe paper dresses, "Alice In Wonderland" patterned aprons resplendent with frill upon frill, tied with either red or green sashes, performing precision drills on stage. The wonder of Santa's arrival with his mysterious pack of toys and candy, and one small voice piping, "You are not Santa. You are Maggie Blackadar."

The excitement of the Magic Lantern Shows by a visiting Missionary showing distant lands and telling of misery and suffering, bringing about great dreams to the childish mind of some day eliminating sadness and sorrow.

Early evening when snow had fallen heavily a day or two earlier, the cold causing a hard crust to form which cut one's unmitten hands if one should fall....lying

during the March break.

Congratulations to Mr. and Mrs. Wayne Rodgers (nee Dorothy Maynard, eldest daughter of Mr. and Mrs. T. Maynard) who were married March 1st at a Candlelight Wedding in Dondale United Church, Dondale, Ont.

Tony Dobson of Halifax spent the week-end with his mother, Mrs. D. Wilson and Mr. Wilson.

Olympic and World team members, Roy and Sandi Wagelein, present their new adagio skating styles in

"Images and Phases" and capture the feeling of summer with their artistry in "The Seasons."

"The Seasons" production will also bring you Japanese Champion, Sashi Kuchiki. Now in his 13th season with Ice Capades, Sashi continues his well-deserved reputation as a powerful skater and entertainer. He is also featured soloist in "Images and Phases."

Talented newcomers this year include acrobatic skating star David Sadleir from Australia and the beautiful Japanese-Canadian skater Sarah Kawahara.

Complementing these outstanding skaters are the antics of famous British comic, Terry Head, the comedy of Johnny Labrecque and Bob Mac, also the daredevil skating of Kevin Maloney in his barrel-jumping act.

RAPCO FOAM

The RAPCO FOAM home insulation system IT PAYS FOR ITSELF

Rapco-Foam, easily applied in the outside walls and roof of both new and old homes, literally wraps your house in a cocoon of warmth, and it cuts the amount of heating fuel required from 30 to 50%. (Without personal discomfort)

Rapco-Foam is a unique insulating foam developed in Germany. Skilled applicators inject it into the walls of your home where it flows into every nook and cranny - cracks never reached by ordinary insulation. Then it firms into a permanent barrier against cold, drafts, noise and vermin.

Once installed, Rapco-Foam pays for itself in four or five years and goes on paying fuel saving dividends of more than 30% of the original investment year after year.

Given Sentences

Paul Eugene Hersey, Philip Cleveland Hersey and Emerson Simon Hersey, three brothers from Centreville, Digby Co., appeared on Friday before Judge Philip Woolaver and were found guilty of assaulting a police officer on duty. Two charges were laid each with Paul sentenced to six months in the King's County Correction Centre and Philip six months in the Halifax Correction Centre. The case of Emerson adjourned to April 8, 1975.

The incident occurred March 1 at Centreville while Constable R.V. Wall and Constable J.L.G. Laroche were investigating another incident there.

Early on March 13, Daniel Levern Graham, Centreville, was apprehended at

Weymouth North being in possession of two snow-tires which were stolen early in the week. He entered a guilty plea and appeared before Judge Woolaver on Friday, March 14. He was given sixty days in the Kings County Correctional Centre.

On Wednesday Peter Joseph Hersey entered a guilty plea before Judge Hanson Dowell in the theft of a car from Malcolm Smith, Centreville. Also charged was Sherwin Bruce Stanton, Centreville.

Judge Hanson Dowell sentenced Gifford Smith, Weymouth Falls to one day in jail and a \$50 fine for causing bodily harm with intent. The charge was in connection with a fight with his brother, Andrew. Andrew was hospitalized after the incident, November 22.

Man Fined \$50

A charge of causing bodily harm with intent to wound, brought a Weymouth Falls man one day in jail and a \$50 fine in magistrate's court.

Judge H.T. Dowell, Middleton, gave Gifford Smith, 26, the verdict after court was told of an incident

between Smith and his brother, November 22.

Smith's brother, Andrew, was treated in Digby General Hospital for about a week after he was stabbed in the stomach by Gifford. Court was told the two were engaged in a fist fight prior to the stabbing.

Add Three New Members

Three new members were added to the Digby Branch No. 20 of the Royal Canadian Legion at a special meeting at the Legion Hall on Monday evening. A solemn ceremony was performed by the president and the First and Second vice-presidents when Jim Simms and Ed Knowlton were sworn in as honorary members and Danny Doucette a regular member. Mrs. Ed Knowlton and Betty Simms were made

honorary members of the Legion Auxiliary. Mrs. Knowlton is the new secretary of the Auxiliary. Joe Tanner and William Gidney will represent the Digby Legion at the provincial in Halifax on May 18 to 20.

On Saturday evening Mr. and Mrs. Cecil Dickinson, New Tusk, entertained relatives and friends in honor of Mrs. Dickinson's mother, (Ina) Mrs. Stephen Mullens's 80th birthday, which she had celebrated on March 11th.

The following enjoyed a buffet supper and evening of music and singing and pleasant chit chat. Mrs. Mullen is in good health and greatly enjoyed having so many of family and friends present to help celebrate her recent birthday.

appeared before the committee to outline the dissatisfaction of Digby and Annapolis county fishermen with regulations resulting from International Commission for North Atlantic Fisheries agreement and their effect on local haddock catches.

He said the fishing areas he was primarily interested in were Browns Bank and the Bay of Fundy.

Canadian-owned fishing vessels that direct their efforts toward the haddock stocks are operating at a disadvantage to American-owned vessels because of the regulations government has imposed on catches. Canadian boats are restricted to "by-catch" regulations but American boats can catch whatever amount of haddock is available.

He said Canadian boats had to restrict their catch of haddock to 5,000 pounds or 10 per cent of total catch last year and this year 5,000 pound per trip or 25 per cent of total catch.

Two major problems arise for fishermen of south-

See Rare Bird At Clare

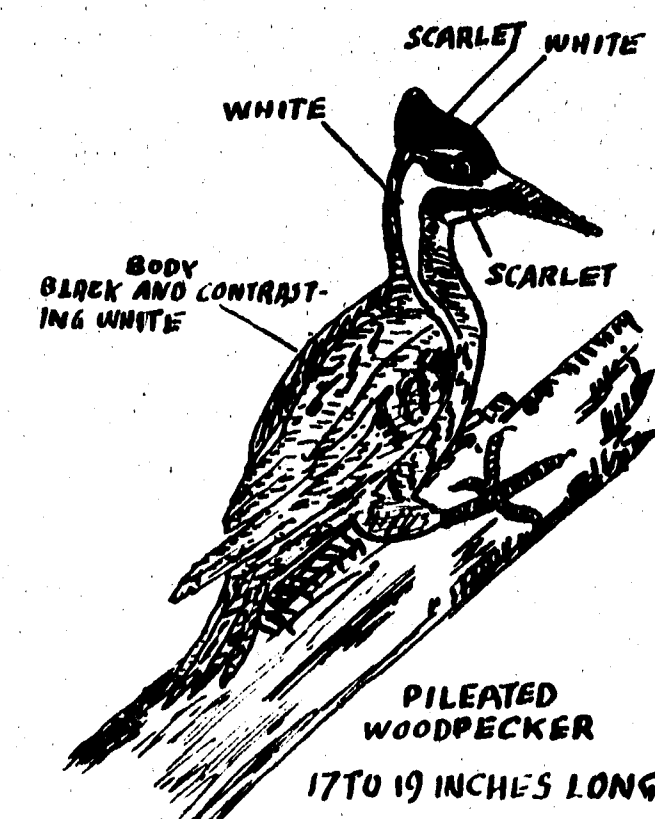

Anselm Thibault of Church Point recently saw a pileated woodpecker in the woods and at the time he did not know what sort of a bird it was. When he arrived at his home, he looked up a book he had, called "The Birds of Nova Scotia" by Robie Tufts and then he found out that the bird was a pileated woodpecker (Dryocopus Pileatus Abieticola).

It measures 17 to 19 inches long and the adult bird has the top of the head of bright scarlet in the form of a crest, another scarlet mark on the side of the face. The head is marked with bold black and white contrasting colors, the white extending down the neck to the wings. The under parts are of sooty black. One was seen on March 13, 1914 at Scragg Lake, Annapolis County.

The female is identical to the male with the exception of the scarlet on each side of the head. It is an uncommon bird and may be found only in old forests away from inhabited areas. Mr. Tufts

BOARD OF COMMISSIONERS OF PUBLIC UTILITIES
IN THE MATTER OF THE PUBLIC UTILITIES ACT
and
IN THE MATTER OF AN APPLICATION OF THE DIGBY
COUNTY POWER BOARD FOR APPROVAL OF AN
AMENDMENT TO ITS SCHEDULE OF RATES RELATING
TO THE SALE OF ELECTRICAL ENERGY

NOTICE

NOTICE IS HEREBY GIVEN that the Application of Digby County Power Board for approval of amendments to its Schedule of Rates for the sale of electrical energy will be heard at a Sitting of the Board to be held in the County Court House, in the Town of Digby, on Wednesday, the 26th day of March, 1975, at the hour of 10 o'clock in the forenoon, Atlantic Standard Time.

The Applicant proposes to increase the service charges from 80 cents to \$1.00 per month per kva of connected load, and from \$2.00 to \$2.50 per month per kilowatt of maximum demand and an increase in the energy charge from 1.16 to 1.25 cents per kilowatt hour for all consumption under its Alternating Current Power - Wholesale Rate. The Applicant also proposes increases in its Alternating Current Power - Retail Rates as follows: for customers within the Town of Digby, increases in the service charge from \$2.00 to \$2.50 per kilowatt of maximum demand and in the first block energy charge from 1% to 2.0 cents per kilowatt hour for the first 150 kilowatt hours; for customers outside the Town of Digby increases in the service charge from \$2.00 to \$2.50 per kilowatt of maximum demand, and in the energy charges from 1% to 3.0 cents per kilowatt hour for the first 150 kilowatt hours and in all additional energy from 1 to 1.5 cents per kilowatt hour. The Applicant proposes to introduce for approval an energy rate adjustment clause.

Particulars of the proposed amendments may be seen at the offices of Digby County Power Board, in the Town of Digby, and at the offices of the Board of Commissioners of Public Utilities, 5516 Spring Garden Road, Halifax, N.S.

All persons interested will be given an opportunity to be heard at said Sitting.

DATED at Halifax, Nova Scotia, this 3rd day of March, 1975.

Town To Set Meeting For Sewer Proposal

Glen Pitman, Digby Town Clerk, will endeavour to set up a meeting with the Minister of Health, the Minister of Environment and the Department of Municipal Affairs to discuss a sewer proposition submitted by His Worship, Mayor Patrick Comeau. A special meeting of the Town Council passed a motion for such action and named Councillor Gordon Ellis, Councillor Guy Van-Tassel and the Town Clerk to accompany the Mayor to Halifax for the meeting. Deputy Mayor Philip Robertson was named an alternative if someone found it necessary to be excused.

While the special meeting was called for other purposes also, the sewer question was considered the most important and urgent. Mr. Comeau said it was something of great concern to him and he had put a lot of time and thought to it. He asked for an opinion from each councillor on whether

the Council should go to the taxpayers for a certain sum of money to either install only the sewers or both sewer and treatment plant. Estimated costs were presented from the W.N. Horner and Associates Ltd., which totalled \$1,980,000 as of March, 1975 estimate. Total grants to offset this figure would be in the vicinity of \$915,500 leaving the amount to be financed of \$375,500. The total annual cost to be financed would amount to \$72,300 after consideration of CMHC and other repayments.

The majority voted to not go to the rate-payers. It was then that the Mayor came up with an altogether different proposition of finishing the sewer lines only and asked to have authority to take the proposition to the government heads concerned for their approval and appraisal. A unanimous vote granted the request and named the committee.

Flying Club Increases Value Of Airport

Councillor L.E.R. Winchester at the meeting of the Council of the Municipality of the District of Digby on Monday wondered if the efforts of the Digby Flying Club were appreciated. He said he doesn't know whether their efforts are interpreted wrong or if somebody wants to undermine the work they have been doing at the Digby Municipal Airport at Hill Grove. He said the airport is far more valuable now than it was a year ago. Mr. Winchester's remarks were made after a form of agreement between the Council and the fixed base operator was produced by

Councillor Ervin Marshall for ratification. The decision to sign was left until the councillors have time to study the agreement.

Councillor Winchester noted that the Municipality purchased the airport from the Digby Air Services for \$14,000 and some additional land for \$1000 but the Flying Club had received a L.I.P. Grant of \$10,865 which was spent in upgrading the property and providing seven local men with employment for the entire winter. All the work done at the airport was given voluntarily and adds to the present value of the property

and it is more valuable should the municipality want to sell the property. When the municipality purchased the airport, Louis Wyles had promised that if the municipality wanted to see the place he would pay the full value for it that the municipality paid plus the value of the improvements made by the Flying Club. Mr. Winchester made it quite clear that no private persons or no club owns the airport but it belongs entirely to the municipality. The work put on the airport by the Flying Club had been estimated to amount to \$40,000, all of which the Digby Flying Club has donated.

Mr. Winchester said he would like to take the councillors and news media on a conducted tour so they could see what has been done.

Questioned on the amount which the Flying Club received for "fill" and wood, Councillor Winchester gave figures of \$1166.95 and \$33.20. The barn on the premises he said had been torn down and given to people to take away and another building was burned. Nothing legal or illegal, he said, can be done without sanction of Council. The 40 members in the Flying Club, Mr. Winchester said are fixing up the airport without cost to the municipality except the original purchase price and the two grants they had given. The fixed base operator, he said doesn't cost the municipality a penny.

projects they had attempted. Their proposed budget for 1975 was presented with expenses of \$830 over a possible \$550 revenue from the municipal grants (Clare and Digby) and their balance of \$100.00 in 1974. A deficit of \$280 would have to be raised by an Acadian Festival booth and other means.

The 4-H Club request was also tabled until the next meeting.

Declare Scallop Day

The Annapolis Basin Tourist and Recreation Council voted at their meeting on March 19 held at the Hedley House, Smith's Cove, to declare a Scallop Day for Digby and make application in writing to the Annapolis Valley Affiliated Boards of Trade for a \$500 grant to promote a Scallop Festival. It was further planned that when such funds are received that the Council join the A.V.A.B.T. and pay the required fee.

Present at the meeting on Wednesday were Lloyd Hill, executive manager A.V.A.B.T. and Mr. Much, chairman of the tourist committee in the Kentville-Wolfville and Windsor area.

It was suggested that there be guided tours through local plants on Scallop Day and actual shucking demonstration be held. Scallop shaped notices should be planned and boat tours be held.

Mr. Dave Irvine,

president, reported having appeared at the Council meeting of the Municipality of the District of Digby. The municipal clerk had suggested to him that the Joint Expenditure Board would be forthcoming with a grant if Clare were to join the Council. The meeting after discussion decided not to approach Clare.

Mr. Irvine read a letter from B.J. Hamm, acting Minister of Highways, which denied the Council's request for a Look-Out on the new road at Smith's Cove. The reason the request was denied was to protect the public and uphold the standards of safety.

Mr. Hill informed the Council that the new ferry schedule has been issued and he looked for a lowering of rates but to date this has not occurred.

Mr. Hill told Council that up-dated brochures for the year had cost \$6000 and were distributed in various

First Clasp To Canadian Decoration

Shown above is MWO Harry Richard Sullis recently receiving the first clasp to his Canadian Decoration. This clasp is presented after 22 years of meritorious service with the Canadian Armed Forces.

MWO Sullis is a native of Smith's Cove, Digby County and the son of Mr. and Mrs. Harry Sullis of Smith's Cove. He joined the service in January 1951 and since that time has served at many bases in Canada as well as a tour in Cyprus and seven years in North West Europe. He arrived at CFB Cornwallis in July 1972 and is employed as Company Senior Instructor, Canadian Forces Recruit School. This job entails the supervision of instruction within a Recruit Training Company, conducting various tests and Company Sergeant-Major duties related to the Recruit School Company.

MWO Sullis is interested in Fishing and Hunting. He has one daughter who is in her second year at the Nova Scotia Teachers' College and he and his wife, Juanita, reside at 338 The Dingle, CFB Cornwallis.

Presenting the Clasp is Captain (N) T.E. Connors, Base Commander, CFB Cornwallis.

Plan Extensive Program

Albert Dugas, chairman of the Youth Education Committee for the Digby Commission on Drug Dependency revealed at the meeting on Wednesday that several projects had been thought out for a program. He had decided to contact Leslie Barnes of the Drug Dependency Commission in Halifax regarding programs for schools; he would contact Joe Hagen regarding Alotene programs and the schools of the county for approval to hold workshops. Ms. Maureen Nowlan reported that she contacted Leslie Barnes who said that the staff of the provincial Drug Dependency Com-

mission would be willing to conduct "in service" programs in an institute, school or hospital or other. Ron Fraser, president, reported he had contacted all the High Schools in the county and received approval from each for workshops.

Attending the meeting were Mr. and Mrs. Owen McGowen from Metegan River.

Mr. McGowen described his acquaintance with college oriented young people and their use of drugs. He recommended publicity through the media about various drugs so the public has accurate information. He said that one source of supply used by some young people is prescription drugs from the family medicine cabinet.

In the report of the Treatment & Rehabilitation Committee: Dr. Anderson and his Committee reported that they had listed various people, organizations and facilities in the area to be encouraged and used. This Committee also recommended education of the public with accurate information. The Committee plans to meet monthly.

Attempts will be made to organize an Alinon Group in Digby.

His Worship Mayor J. Patrick Comeau of Digby commented regarding requests for assistance from Government Departments. He recommended research and classification of need, including numbers, priorities and proposals, be made.

It was moved by Dr. Anderson and seconded by Rev. Fr. Maillet that statistics for our area be requested from the Provincial Commission on Drug Dependency to be available for the next meeting to be held on Tuesday, April 22 at 8 p.m. in the Knights of Columbus Hall.

Walter Black reported progress of the reorganized A.A. Group.

Richard Daley New Councillor

Richard (Rit) Daley, Roxville, who became member of the Council of the Municipality of the District of Digby by acclamation was sworn in by a solemn ceremony when the Council met on Monday. The ceremony was performed by the municipal clerk, William MacMillan and a welcome was extended by Warden Wilfred Swift.

Councillor Daley, who represents the Sandy Cove district is a son of Mr. and Mrs. David Daley, Digby. He finished his schooling at the Digby Regional High School before attending the Nova Scotia Technical College. He is a qualified electrician, having obtained his license in 1951.

Married to the former Inez Theriault, Mr. and Mrs. Daley have four children between the ages of six and

Supports Resolution

The council of the Municipality of the District of Digby in regular session on Monday supported a resolution from the town of Middleton in relation to Senior Citizens Homes.

The resolution read "whereas Senior Citizens projects are attracting persons from outside the municipal units, providing the complex and whereas the local housing authorities are obliged to accept these persons as residents in the housing units after they have established their settlement in the municipal unit and whereas this practice is creating extra burdens on the municipal units with respect to payments to Homes of special care for those people who have to be transferred to these institutions and a possible extra burden in the future for welfare payments, be it resolved that the Provincial Government be requested to amend the Settlement Act so that any time spent by a person as a resident in a Senior Citizens complex shall not be used to determine the place of settlement for that person.

Ask For \$3000 Grant

Captain Reginald Hazelton, chairman of the Digby Recreation Commission appeared before the Digby Municipal Council on Monday requesting a yearly grant of \$3000 towards the Digby Forum. The ice making equipment had blown up during the winter leaving the rink vacant. New equipment is being purchased so that the rink will be opened in the Fall.

Mr. Hazelton reminded councillors that fifty per cent

or more of the patrons to the rink come from the municipality.

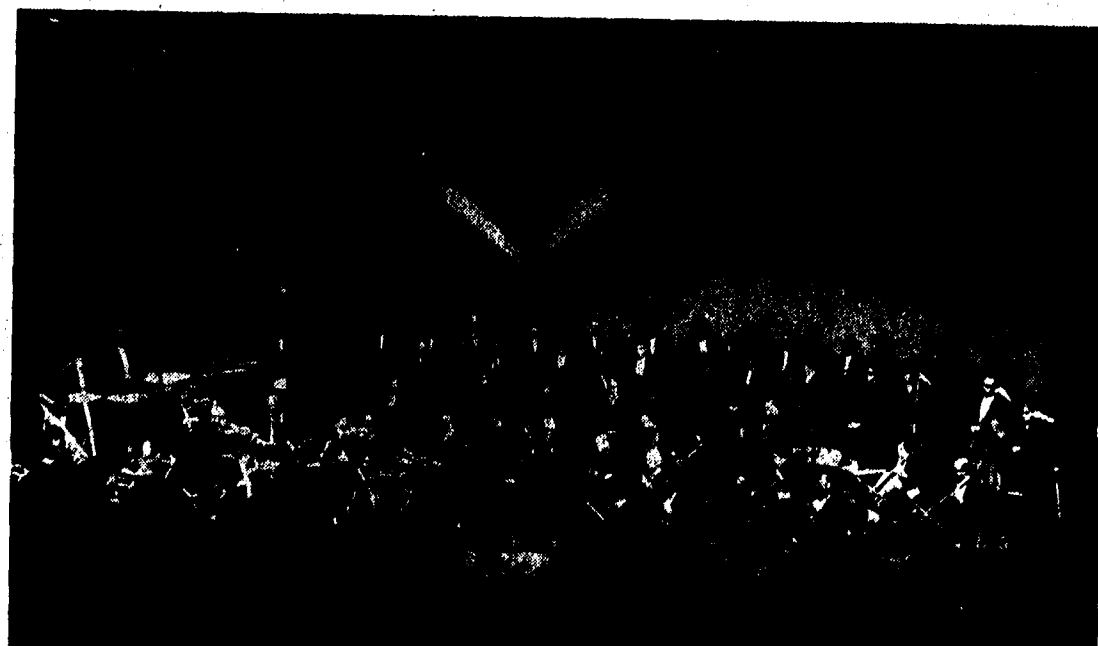

In answer to the councillors questions, Mr. Hazelton said that anybody in town or out of town can be on the Recreation Commission on payment of the \$2 fee. Taxes paid to the town he said were \$1320. The Municipal Council felt it would be fairer to them if the town of Digby wrote off the taxes. They told Mr. Hazelton they would take his request under consideration.

Later in the session the Council decided to table the request until April which would give them opportunity to have dialogue with the town and Commission. They also felt that the municipality should have representation on the Commission.

Another request made on Monday to the municipal meeting was that of a \$150 grant to the Digby County 4-H Leader's Council. Hubert d'Entremont, president, was spokesman for the 4-H Council and with him were the secretary Phyllis Gaudet and Bradford Hood.

The delegation explained the purpose of the 4-H Clubs and related some of the

Atlantic Symphony Will Come To Digby

The Atlantic Symphony Orchestra, under the direction of maestro Klara M. Mizerit, will appear in concert at the Digby Regional High School, Tuesday April 8, 8:30 p.m.

This program is made possible through the courtesy of the Nova Scotia Department of Recreation, and the Digby Recreation Committee.

Over the years, the ASO has looked forward to the day when visits could be made to many more Nova Scotia communities. The Symphony is both pleased and excited that sponsorship assistance of the Nova Scotia Department of Recreation has now made it possible for the Atlantic Symphony Orchestra to visit, this season, ten Nova Scotia centres not previously included in its regular touring schedule. The opportunity has now presented itself for audiences in Digby to experience an evening of music with the ASO, North America's ONLY regional touring symphony.

Included in each evening's performance will be guest solo presentations by concertmaster Jan Bobak, first violin, Miss Phyllis Ensher, harp soloist, and Miss Elizabeth Dubois, principal flute. The entire orchestra of 47 musicians will combine to perform a complete programme of full orchestral selections.

PARAPLEGIC UNITS ARE WELCOME FEATURES

Something is different in the third Senior Citizens Residence, just opened on Victoria St., from the first and second residences of this nature built in Digby on King St. and King-St. Mary's streets. The newest building has the added feature of two units equipped to accommodate wheelchair tenants.

We want to congratulate the housing authorities who were wise enough and concerned enough for the paraplegic to make this departure from the usual to the special design of dwelling and equipment for those who need it.

There is one person especially who would add his own congratulations and thankfulness if he were here. But Cecil and Betty are spending the winter in Arizona. Cecil Day was the former owner and editor of the Liverpool Advance, a successful weekly newspaper. Cecil, through his One Man's Opinion in the Advance, plugged and plugged to get people to realize they should make an effort to accommodate the paraplegic by ramps as well as stairs. Since then he has tried to foster the idea also through the daily newspaper and in conversation.

The last time we spoke to Cecil and Betty was at a conference in Halifax in the Fall 1974. It was held in one of the newest hotels in Halifax where nothing was prepared to accommodate paraplegics.

Cecil knew what he was talking about for Cecil has been on crutches and in wheelchairs since he contracted polio as a young child. This, however, didn't stop Cecil's determination to succeed and he did just that in everything he attempted. But, sticking to the subject of wheelchair guests, if we remember correctly there were three wheelchair delegates at that one conference and not one feature in that new hotel catered to wheelchair guests.

The two paraplegic units in the Digby Senior Citizens Residence on Victoria St. would make us believe that Cecil Day and others like him have made their voices heard. It is a kind and courteous gesture to provide for those people so handicapped.

LETTER REPLY

Letters to the Editor are welcome in The Digby Courier. They make a newspaper interesting and sought after. We would like to have more people to express their views through our columns. Some of the letters give information, others seek information. It was in the latter vein that we welcomed a letter last week from Pauline Ruggles. She wanted an answer to her question on why the increase in the municipal councillors' salaries was not published in the newspaper. The simple reason was that we did not know about it. That bit of business was evidently transacted at one of the sessions which we missed in February. "You see," the press might sit at council a whole day (and more) taking notes but taking notes is useless unless the person reporting has time to arrange the notes in a logical order to make a newspaper story. Often a session has to be skipped to prepare the newspaper copy. Evidently, this is what happened at the time the councillors raised their salaries. We were writing copy from the morning session or the previous day's translations and therefore was not present at the crucial time. We have, now inquired and find a raise was voted at the February meeting. However, the thought has come to us that many people do not realize they are entitled to read the minutes of the sessions if they hear "rumors" of actions in which they are concerned. Small newspapers cannot employ enough on the staff so that there is always some one ready to sit in on a full day of council meetings. We do the best we can with our limited resources. But, again we repeat, do not deny yourself of the information you want or need. You are entitled to know what goes on by the people you have voted for your representatives in Council (either urban or rural). If the newspaper people, who are only human, slip up on any information there is another recourse "Go right to the horse's mouth".

We appreciated the letter from Ms. Ruggles and thank her for writing. We hope she will do so again.

As for her other question "Is this (municipal) airport owned by a posh private club?" The answer is "definitely no" but rather than prolong this article for explanation we refer you to the report in this newspaper given by the municipal airport committee at the March Council Meeting on Monday. Edith Wallis, editor.

GOOD FRIDAY AND EASTER THEN AND NOW

Did you ever hear the police complain that some people just won't come out and lay charges against those whom they know have done wrong. They refrain from bringing evidence to bear on a crime which they possibly had witnessed. Why is it? Crime exposed so that justice can take over does more for society than ignoring situations which abet wrong and allow crime to increase. Why are people so reluctant to report and to aid in tracking down the criminal? Simply because they just don't want to get involved. They are afraid of retaliation in this fearful society in which they find themselves.

This not wanting to get involved isn't something new in this generation. Let us go back to the crucifixion and that first Easter. There were then, as now, people who simply would not get involved. They would not stand up for right in the face of wrong. Judas betrayed his Master. Peter was so anxious not to get involved that he denied that he ever knew Jesus. Pilot washed his hands from the whole crucifixion. They too would not get involved because they were afraid. They let their Master die on the cross.

But Good Friday is followed by Easter, a time of rededication and renewal. It is a time to make amends. It is a time to recognize one's faults, shortcomings and omissions. Out of the biggest faults could be that of "not wanting to get involved".

It would seem that crime in the present generation is far more rampant and closer to home than ever before. Make this Easter meaningful by getting involved in helping to abolish crime and to uphold the good which goes to make the world a safer and better world in which to live.

Letters

Dear Madame Editor:

I have seldom been as disgusted and upset as I am now, after reading the letter signed by E. Foster Hall.

As a matter of fact, I have quite a lot of respect for ministers and priests of any denomination when they stick to their "Calling" but when they mix in local politics and write insulting letters to the newspapers, I think that they forfeit all such consideration.

My ancestors were among the very first pioneers in the Village of Bear River, and they, with others like them cleared the land, built homes, raised large families, many of them becoming prominent in all walks of life. It is an odd fact that most of us, although we may travel far away seem to be drawn back to the place of our beginnings. After my discharge from the Canadian Army at the close of the World War II, I even lived in Europe for 18 months and have seen a fair segment of the world. I was a well qualified and experienced accountant before I took up my present full-time hobby of History and Genealogy, which in some cases even requires me to make translations from original sources.

My father purchased the two houses I now own in 1919. I have owned one of them since 1949 and the other since 1966. My grandparents, parents and two beloved husbands lie buried in Mount Hope Cemetery, so my emotional ties are all here.

Now, a newcomer, not even a property owner seems to consider us all as uneducated morons, and seems to feel that he is called upon to take us by the hand and lead us to the Promised Land. He seems to think that we are a bunch of liars and fools, just waiting for him to enlighten our darkness.

I have had several calls from former residents, all wanting to know who E. Foster Hall is, and they refuse to believe that he is an ordained minister. One even remarked that his letter sounded as though it had been written by Archie Bunker's Script Writer.

The only thing about which he was absolutely correct is the fact that the property owners will decide whether they want Village Incorporation or not. And I might point out that we have been making our own decisions for generations without his interference.

Marion B. McCormick

AN OPEN LETTER TO DIGBY CITIZENS

(Courtesy of THE DIGBY COURIER)

My files contain notes and clippings, many from the Digby Courier, on the subject of a town hall for Digby, which date back several years.

In 1968 the town considered acquiring the railway station property for a town hall, with street level offices and council chambers. It was felt that a comfort station, as well as a waiting room for train and bus passengers could be provided, and with ample parking facilities, this seemed to be an ideal location. After favourable contact with the D.A.R. it was reported that council would pursue the matter further.

In February 1971, this newspaper reported that the former tourist bureau on Water Street was to become the new location for the town hall, and that monies for renovations should be set aside in 1971. When the new bureau was built on the shore road, the Digby bureau ownership was transferred from the provincial government to the town, to be renovated for a town hall. Plans (which linked the building to the bandstand) were designed by a Halifax architect, with an estimated conversion cost of \$60,000. Without explanation, this project was scrapped, and when the architect attempted to collect his fee for services he was advised that authorization for the plans had not been made by Council. The architect's account is still outstanding.

At a meeting of council in July 1971, (then) Mayor Smith reported that a steel door from the demolished Bank of Nova Scotia had been bought, to be used on a walk-in vault in this building. Over the years the door has lived the life of an unwanted

tenant - first stored in Jack's Warehouse, then in Conway Fina Station; from there to Maritime Fish, and now it lies in state in the old fire hall, where it may have found its final resting place - for the old fire hall is another suggestion which might well be considered for a town hall. With sufficient floor space on ground level, renovations and repairs to this building would be minor compared with today's cost of a new structure.

Back in February 1968, the Courier reported that the town council was looking into the possibilities of moving the town offices out of the present building and into the court house. The town contributes to the upkeep of this building and it was felt that the move could bring about a substantial saving of money, including heat, lights and water. And now, with the anticipated amalgamation of municipalities, the county council may soon vacate its offices in this building, leaving more available space. Added to this, it is expected that all town halls will be taken over by the provincial government if the Graham Commission recommendations are implemented.

While this is now 'water under the bridge,' a fleeting glimpse into the past brings to memory the late, lamented brick post office which was ours for a song and which might have stood with dignity for many years as the seat of local government. This, and later our failure to retain the bus terminal with its convenient location and parking area, when it too, was ours for little more than a song, give reason once more to question the wisdom of man. Adding a final splurge of color to the town hall drama, one or two officials last year crusaded with evangelistic zeal to acquire the present liquor store for a town hall, in a promotional scheme to have the liquor outlet moved to the shopping centre area.

When your town council formed its committees for the year, in January 1973, the curtain rose on a "new town hall" committee, chaired by Councillor Phillip Robertson. The following week (then Mayor Smith requested a private meeting with this committee and since then the "new town hall" guessing game has at least provided food for thought and speculation.

The committee has continued to appear on paper and on the agenda of monthly meetings of council, though regularly produces "no report" from the chairman. From time to time, "under the table rumbles" surface momentarily, which appear to indicate strong support for a new building by the mayor and his deputy. (Deputy Robertson listed this in his priorities in his campaign last October.) Plans of the committee, however, have remained veiled and questions seldom produce answers. One exception, however, was the surprise unveiling a few months ago, of a model of the new town hall, made by Mayor Comeau, complete with shrubs and flowers, and for which a bill of \$23.84 for plastic material appeared on the November '74 monthly statement. It seemed this new structure was to be built at the rear of the present town hall, and on completion, the old building would be demolished. When the five-year capital budget was drawn up in 1974, \$150,000 was included for a new town hall. Within the last few months it has been mentioned that an application for a new town hall grant had been applied for and refused.

In campaigning last year I stressed the need for improved and progressive town planning, a reorganization of priorities and more business-like management of public funds. Five months "Backstage" at the town hall has strengthened this conviction. Sidewalks and the paving of the remaining gravel streets are services long overdue, to which every

resident is entitled, and from which the benefits will be shared by all. These are priorities which should claim action without further delay.

Before large sums of money are invested in a new and costly town hall, from which the greatest benefits would be derived by the office staff and town officials, the possibilities available in existing buildings should be explored thoroughly, and citizens should be kept fully informed and consulted throughout the decision making process - not only when the final decisions are made by council. It might be well to consider also, that the space now occupied by the present town hall and barn might serve a more useful purpose as a down town public parking area.

Again I reiterate, too much has been left in the hands of too few, too long.

Eileen Chipman

Dear Editor:

In response to an article published in the Digby Courier, March 20th. by Rev. E. Foster Hall it seems apparent that our Village of Bear River is divided into two distinct groups. The intelligent who are for incorporation, and the unintelligent, who are opposed. There have been many mistakes made in the past by so-called intelligent people of Bear River. I am quite satisfied with our Village as it exists, and I would not want to see it incorporated.

I am guilty of not attending the Board of Trade meetings to be enlightened or brainwashed to the needs of our Village. I have lived in Bear River for the past thirty-three years and I have enjoyed its freedom and privileges. I have visited housing developments in Halifax and Dartmouth, that are controlled by administrators. The people are not allowed to put up clothes-lines, picket fences, etc. with out permission. The people are told what colors they can paint their houses, and if they do not keep their lawns mowed they are fined.

Perhaps this may never happen in Bear River, but keep in mind folks that one step leads to another. The rumor is circulating that if Bear River is incorporated that the taxes will be doubled. If you do not believe this ask Lawrence Town.

In order to establish myself in Bear River I bought a piece of property, got a deep well drilled, built my house, put in septic tanks and drains etc. I paid for all of this myself without any help from the Government or the Village Service act. My assessment is \$17,100.00 now and I would not want to pay additional taxes for the sanitation system down town.

Concerning police protection - we could have one or sixty policemen in the village but crime would continue unless stiffer penalties were issued. A large police force in Moncton did not stop the murders. Remember the shooting of the Officer in Annapolis Royal.

At this time I can only see two advantages in incorporation. It would give employment for one secretary and it could build up business for our Bear River bank. The town would have to borrow money for working capital until such time as the Government could issue grants, and until the taxes could be levied on us and collected.

Sincerely,

Cecil G. Miller

Hear what Harold Connolly from the Senate has to say in his letter to the ChronicleHerald on the recent strikes and labor discontent

"I have been a supporter of labor all during my adult life but I have reached a point of disgust. When laborers at the Halifax airport cause aged and infirm people to be stranded in distant cities for three days, when technicians at hospitals abandon the sick uncaring whether they live or die, we have reached a low in the current morality".

— We are sorry to read that Mr. and Mrs. Murray Bezanon, Berwick, are retiring from the weekly newspaper business, even though we know they have earned a rest. The Bezansons sold the Berwick Register about a year ago but had stayed on as editors until now.

— There is quite some difference in the figure \$810,161 for school expenses for the month and \$8101.61. Somehow newspapers of late are ignoring punctuation although the above was merely a mistake. Punctuation in our day was very important. A favorite sentence to illustrate the importance of knowing the use of the comma was "the inspector said the teacher was a fool" or "The inspector, said the teacher, was a fool".

places in North America. Mr. Hill advised the Council that the reason they did not get a grant was because they had asked for aid with literature instead of an event.

Mrs. M.C. Gott was elected to the post of co-chairman to the A.V.A.B.T. tourist committee. This will provide better liaison between the Board and Council.

Regarding the Annapolis Causeway, Mr. Hill reported that the Minister of Highways has denied the use of the land in question for parking and fishing. He urged the Council to keep pressing the matter.

Mr. Irvine reported that he had a phone call from Ray Pierce re the Payzant Property at Acaciaville. Such house museums are owned by the Department of Education while they are run by Nova Scotia museums. A letter had been written to the family asking permission for visitors to tour the house during the summer. This was granted.

April 1, Canadians will
be given all weather temperatures in the Celsius scale
rather than the familiar Fahrenheit scale. Although
businesses and universities have been using aspects of
the metric system for some time, this will be the first
move into the metric system which will directly affect
all Canadians. In an effort to aid readers not completely
familiar with the Celsius temperature scale, this news-
paper publishes the above chart showing comparison be-
tween the two scales. Readers are advised to clip and

Worth Reading

Prepared by the Annapolis
Valley Regional Library

If sea drama interests you,
then *U-BOAT* by Lother
Gunther Buchheim will
prove an enjoyable read.
Translated from the German
this is a taut, knowledgeable
war novel which takes you
inside a raiding U-boat and
brings to the reader all the
action and suspense he can
handle. The author served
on a German submarine and
knows what he is talking
about. More important he
has the gift of being a natural
story teller and manages to
bring to life the hard, often
coarse existence demanded
by underwater service. Of
the 41,000 German sub-
marines who served in World
War II, 26,000 lost their lives.
This novel will give you a
good idea why their losses
were so high.

John G. Fuller is an author
who has a nose for the
bizarre. Among his earlier
works is a detailed look at
what the participants are
convinced was a trip to a
UFO. His latest book,
*ARIGO: SURGEON OF
THE RUSTY KNIFE* is no
less unusual. It is the story
of Arigo, an uneducated
Brazilian who for years
performed major medical
surgery using only a rusty
pen knife and in some cases
his hands. Arigo himself
claimed that he had no
medical knowledge and that
his mind and body were
taken over by a German
Doctor who had died about
forty years before. Thou-
sands were treated by
Arigo, from the most back-
ward peasant to the
daughter of Brazilian
President Kubitschek. This

is a book full of unusual ac-
tions and hard to understand
phenomena. Arigo's
operations were studied by a
group of American Doctors
and several films taken.
Unfortunately Arigo was
killed in an auto accident
before more extensive tests
could be taken. What is
certain is that something
very strange was going on.
Whether it can all be ex-
plained by rational methods
I don't know; Fuller does not
make any concrete claims.
He describes what he heard
and saw and what cannot be
explained. He leaves for the
reader to draw his own
conclusions.

*THE DEATH OF THE
DETECTIVE* by Mark Smith
is a raw, powerful look on
how two men become locked
in a deadly embrace. One is
a homicidal maniac, the
other a detective. Following
the bloody trail left by the
mad man across Chicago the
detective becomes more and
more like his quarry. This is
not a conventional mystery
story but a 600 page block-
buster which provides a real
feast for those readers who
like to tackle a book which
really has some meat on it.
It is a difficult, involved
novel but certainly worth the
effort.

FINISH THIRD SENIOR CITIZENS RESIDENCE

Above is the third Senior Citizen's Residence built by the Town of Digby in conjunction with Housing and Mortgage Corporation and the Nova Scotia Housing Commission.

Digby Town in conjunction with Central Mortgaging and Housing and the Nova Scotia Housing Commission has completed the third Senior Citizens residence for the people of Digby. The financing of the motel type building was divided in cost with C.M. & H. funding by seventy-five per cent and each of N.S.H.C. and Digby town by twelve and a half percent. The structure embraces some 5000 square feet plus about an acre for landscaping.

One important feature makes the third Senior Citizens residence different from the first two is that the newest residence has two units especially equipped to accomodate paraplegic tenants.

The split level wooden structure which houses twenty units is attractive on the exterior with its stark white relieved by brown trimmings on windows and with bright orange doors. Landscaping will be undertaken when the weather accommodates for such work. Pleasant surroundings and an interesting view of the harbour adds to the enjoyment of the tenants. The interior is completely fire rated.

The community rooms where social activities take place are serviceably carpeted for

comfort and wear in greens on the second floor and brown and gold fleck below. All other floors are tiled. Draperies in white grace the downstairs community room and blinds with the yellow and orange decor to enhance the picture windows. Each of the twelve downstairs units and the eight upper units are equipped with living room, kitchen, bedroom, bath and spacious closets. They are furnished with ranges and refrigerators. Yellow and orange are the predominate colors through the entire building.

As visitors move around the interior of the structure the difference in the paraplegic units and the regular units can be quickly determined. The stove, the refrigerator, the sink and all the other utilities in the paraplegic units are lower. All switches and controls are arranged in the front of the appliances so that wheelchair tenants have easy access to the controls. Bath facilities contain no regular bath tub. Instead a large box formation with sturdy handles is provided for bathing while safely seated. Wall handles within grasp of the paraplegic is also a safety precaution from falls and injuries.

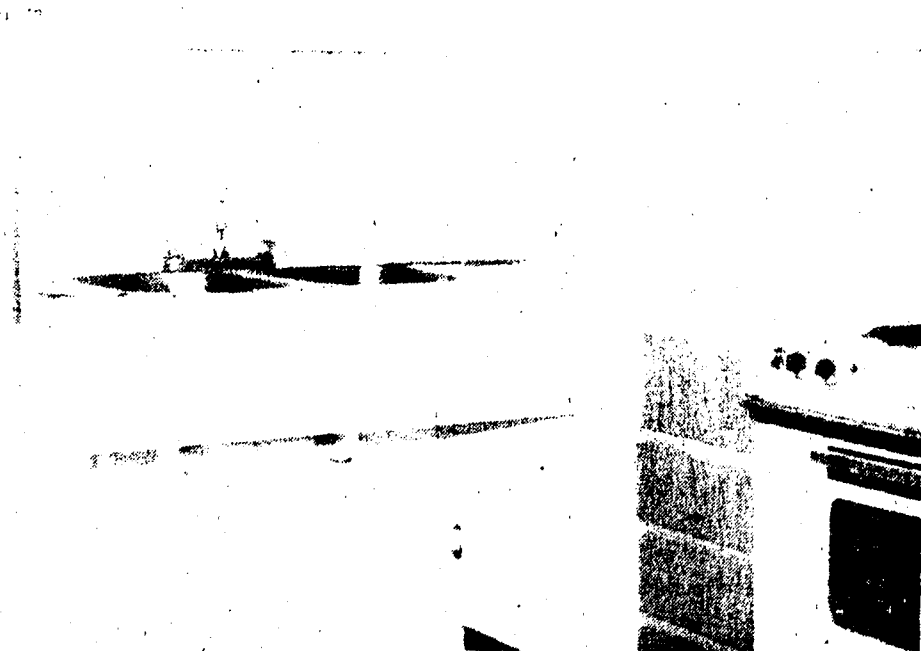

The totally electrical heated construction was in the hands of Boyd and Garland Construction

Services, Halifax and with Arthur Hupman as contractor, the same company which built the second Digby Senior Citizens Residence on St. Mary's King Sts. The keys for the third were turned over on Monday to the Digby Housing Authority which consists of J.J. Brittain, chairman, Reginald Turnbull manager, Gerald Connelly and Audrey Frankland.

The first Senior Citizens Residence in Digby was built on King St. and is generally known as

Basin View Apartments. The second at the corner of King and St. Mary's is Hillside Apartments. The name of the one on Victoria St. just opened will be left to the tenants to choose the name.

A scheduled grand opening for Hillside had to be postponed because of weather. Speculation is that the three residences might be opened at the same time.

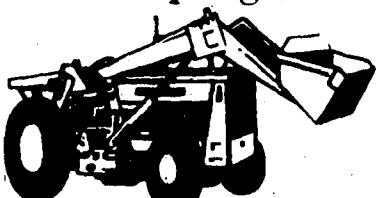

The new Senior Citizens Residence which opened here in Digby on Monday is different from the first two having two units equipped for paraplegic tenants. Above shows the lower sink, refrigerator, range etc. with controls in front where they are easily operated by wheelchair tenants. The bathroom also is specially designed to meet the paraplegic needs.

Crafted In Annapolis Royal

Photo by Verran

This hand crafted chair of oak with natural leather studded with brass did not arrive by ship as the background might suggest. Against the setting of wharf timbers and a fisherman mending his nets for the coming season, the chair looks perfect. It also looks perfect against panelled walls and wall to wall carpeting in a very modern setting. It blends with any decor and it is made right here in Annapolis Royal only a stone's throw from the setting in which this photo was taken. Only one of many designs by Tidewater Industries located in the building formerly occupied by the Nova Scotia Liquor Commission.

These beautiful chairs are of different designs, chrome with black leather seats and backs, laced with leather, or caned chairs with chrome frames. They find a market through design oriented trade in urban areas in Central Canada and United States. They are advertised in well known trade magazines such as Canadian Interiors and American Trade magazines.

Chairmasters who make these creations are Olav Dyrkton, Phillip Obendorf and Charles Curd all master craftsmen. The chair pictured above is one of the loveliest of all, so natural, yet perfect for any setting, office or home.

EASTER
a Time to Rejoice

Teilhard De Chardin And 'The Risen Christ'

Barkat M. Khokhar

Witness to 'The Risen Christ', a loyal French Jesuit, a passionate apologist, a scholar more interested in soil than books, 'scientist and seer', expert palaeologist, a globe-trotter, a gentleman-soldier of the First World War, was, all in one, Pierre Teilhard de Chardin who slept in Christ on the Resurrection Day - April 10, 1955. It was his wish to die on the Easter Day. To him, 'The Risen Christ' of St. Paul's theology, was, everything in life.

Some may raise these questions: What is the relevance of Teilhard after two decades? How does he address the Western Christianity? What is his legacy to the Society of Jesus and the Church?

Resurrection Day, this year, falls on March 30 when the Church throughout the world re-acknowledges the fact of Christ's historical resurrection. The relevance of Teilhard lies in this simple statement: 'The risen Christ has no competition as a magnetizing force.' His whole life was lived to acknowledge and demonstrate this fact.

'What conquered him and held him captive - the main spring of his very personal apostolate' - was the resurrected Christ visible in the world of appearances, and manifesting a power which the Resurrection held certified.

I guess, he would probably put this question to Western Churches: 'Why is your image of Christ, too narrow, too precise, and too limited?'

Go beyond the historical Christ and see the Cosmic Christ of St. Paul whose forehead is of the whiteness of snow, whose eyes are of fire, and whose feet are brighter than the molten gold.

Step beyond the Christ of the Gospels and the Catechism. Find him in the soil and rocks, in the Church and the community.

The mystic-explorer,

Teilhard sees Pauline 'consistence' of all things in Christ. His book - The Phenomenon of Man is a great spiritual testimony of our time. It contains the quintessence of his thoughts. The central point is the Omega point which 'was seen as the incarnate and risen Christ, in whom all things had their beings.'

According to his book - How I Believe - there are three major currents of thought - Eastern (Hinduism), humanism and Christianity, all converging towards the Omega point - the Christ, in whom all things in heaven and earth will be united. (St. Paul's letter to the Ephesians 1:10).

Verbal sharpshooters and seductive modern atheists charge that men are made inhuman by the Church. She is irrelevant, stuffy, insincere, race and color-minded. She trails then leads. The Early Church relied totally on the Spirit of Truth for the spread of the message of the risen Christ.

The Western Churches appear to depend more on dollars than the Spirit. They are throwing a leftover bread, more or less baked, to the mass of Christians in the Third World, perishing of cold and hunger in a dehumanised Church. Can they truly speak like Peter: 'I have no silver and gold, but I give you what I have, in the name of Jesus Christ of Nazareth, walk.' That is the challenge to Western Christianity.

The sensitive Chardin was deeply pained by these charges and wrote to Pierre Lamare: 'That is why Christianity is so anaemic at the present moment.'

To the world and the Church, he spoke: 'Development and detachment must go hand in hand. What the world expects from the Church of God is a generalization and deepening the meaning of the Cross....In a universe which is in the way of unification with God, the Cross (without losing its

93 Years Young

Mrs. Jared (Janet) Banks, Roxville, will celebrate her 93rd birthday on March 27th at the home of her daughter, Kathleen, Mrs. John Ross and Mr. Ross with whom she has resided for more than ten years. Mrs. Banks had spent a number of years in her girlhood in Boston and area and came back to Nova Scotia to reside in Seabrook after her marriage.

Mrs. Banks has one daughter. Her only son died more than a year ago. There are thirteen grandchildren and twenty great-grandchildren.

Mrs. Banks still does chores around the house, enjoys dressing up to receive visitors and follows current affairs and amusement on T.V.

90th Birthday

Congratulations to Fred Franklin, Hill Grove, who celebrated his 90th birthday on Thursday, March 20th. Mr. Franklin lives at the home of Mr. and Mrs. Thomas Franklin who had a social evening in his honor, when those arriving to help him celebrate were Mr. and Mrs. Thomas Franklin Jr. of

Wilmot; Mr. and Mrs. Carl Franklin and daughter Debbie of Conway; Mrs. Debbie Jefferson of Clementsport; Mr. and Mrs. Harold Franklin and sons, Stephen and Jeffery, and Mr. and Mrs. Orbin Minard. Birthday cake and ice cream were served at the refreshment period.

Ship's Captain Injured

Captain Soren Martin Danelsen, master of the Frost, an 188 net ton refrigeration ship registered in Copenhagen Denmark, suffered a fall while the ship was in port here at Digby. The accident happened on March 12 when the captain in the operation of his duties unfortunately fell into the hold of the ship injuring his legs and arms.

expiatory and compensatory function) becomes, even surely, the symbol and expression of evolution as a whole....That is what I believe, and that is what I so long to confess publicly before I die.'

'Christianity is universalist, but Christians cling to a medieval cosmogony. Christianity is personalist, but Christians present the gospel as a moral and juridical precept at the expense of the organic and cosmic splendours included in the Pauline doctrine of Christ recapitulating everything in himself,' is the challenge of Teilhard de Chardin.

Two Celebrate Birthdays

Congratulations to two gentlemen in Weymouth North, who celebrated birthdays this week. Mr. Charlie Hayes, on Saturday, had his 87th birthday. He is well, and active about his workshop, and gets to town frequently by taxi. He says it's too far to walk these days, and too much traffic on the road.

Mr. Hayes is the father of

eleven children, grandfather of fifty-two, and great-grandfather of fifty-one. Arch Ruggles celebrated his 84th birthday on Tuesday of this week. Arch, too, is active and well. He plans another big garden this year. He is a hard worker, looking after the planting, weeding and harvesting by himself.

Basin View Apartments

The Senior Citizens of Basin View Apts. expressed thanks to the "We and Him" singers of Westport and Tiverton for the service they gave on Friday evening, the 21st. They are wished back in the near future also thanks for their driver, Billy Denton.

Many thanks to Mrs. Minnie O'Neill, and Mrs. Oda Pyne for starting bingo. We had several the past weeks, and enjoyed by all who attended.

Thanks for the donations received from the "Met", Levy's Drug Store, Good Neighbor Drug Mart, and Save Easy store. We do appreciate having Mr. "Stan" Perry supply the

bingo game, and being the caller. Thanks, "Stan" also to the ladies for their lunches. We hope to continue bingo for awhile.

Thanks to the Senior Citizens of Hillside Apts who gave the Senior Citizens of Basin View Apts. a most enjoyable evening with bingo and refreshments, Saturday evening, the 22nd.

Mr. and Mrs. Joe Yeoman of Kingston, visited Mrs. Yeoman's mother, Mrs. Oda Pyne. Tuesday, afternoon of last week, also Miss Minnie Gates, Mrs. Pyne's sister. Mrs. Harold Pyne of Oromocto N.B. was an overnight guest of her mother-in-law, Mrs. Oda Pyne on Thursday.

In Memoriam

HERSEY In loving memory of a dear father and grandfather Arthur Hersey who passed away March 28, 1965. A happy home we once enjoyed. How sweet the memory still. But death has left a loneliness. The World can never fill. Things have changed in many ways. But one thing changes never. The memory of those happy days. When we were all together. ALWAYS REMEMBERED AND SADLY MISSED BY DAUGHTERS, SONS AND GRANDCHILDREN. 33:11p

SMALL - In loving memory of my dad, Harold Small, who passed away March 26, 1974. A wonderful father is gone to rest. His love was true, he did his best. His love was true, his heart was kind. A better father no one could find. For precious things are few. So that is why there was just one of you. God bless you, dad, till we meet again. SADLY MISSED BY SON, WILFRED, DAUGHTER-IN-LAW, PEARL, AND TWELVE GRAND CHILDREN. 33:11p

SMALL - In loving memory of my dear mother, Ida Small, who passed away March 29, 1973. Beyond a smile there lies a tear. For a mother I lost whom I loved so dear. My heart still aches as I whisper low. God bless you, Mom, I still miss you so. Lovingly remembered by daughter Burla. 33:11p

The Legend of the Dogwood Tree

There is an ancient legend that the dogwood tree once grew as strong and sturdy as the oak. As tall and stately too. This noble monarch, towering high in majesty and pride. Was chosen to form the rugged cross. On which our Saviour died. The tree was bitterly ashamed. That such a thing should be. And Christ sought words of comfort. To console the sorrowing tree. He promised it should never grow.

Large enough again. For such a use, but should become. A symbol among men.

It should be slender, twisted too. With blossoms that would grow. To form the semblance of the cross. On which He suffered so.

With two short petals, and two long, And each fair petal too. Should bear the imprint of the nails, Forever fresh and new.

A tiny crown of thorns should form. The centre of each flower. To symbolize the suffering. He knew in that sad hour.

Furthermore the dogwood tree. Should be revered, He said. A tree reminder of the cross. On which His Blood was shed.

And so...with every new born spring— Again the dogwood tree. Reminds us of His Love...that lives. Through all eternity.

Palm Sunday In Digby

Palm Sunday was observed at Grace United Church, Digby, at the morning worship, when the senior choir under the leadership of Mrs. Elton Arnold, organist, sang the Palms. The pastor, Rev. Ronald Stevens, took for his text Matthew 21 verse 5 "Behold your King cometh unto you".

Mr. and Mrs. Alfred Warner were received into the fellowship of the church and were welcomed by the clerk of the Session, Norman Wright and other members of the Session. Rev. Mr. Stevens performed the confirmation ceremony and also administered the rite of Baptism on Mr. and Mrs.

Warner's two sons, Michael and Robert. The Sacrament of the Lord's Supper was administered to the congregation near to the close of the service.

An Interdenominational Service will be held at Grace United on Good Friday at 7 p.m.

Mr. Stevens announced that Rev. R. H. Hughes and Mrs. Hughes, Springhill, will celebrate their 50th wedding anniversary on April 14. They expect to travel to Ireland to celebrate the anniversary with the relatives there.

In hospital are Mrs. Gladys Budrow and Miss Neata MacNeil in Digby and Mrs. Gordon VanTassel in Halifax.

Attend Short Courses

Farmers from Digby County motored to Coldbrook, Kings County on Wednesday of last week to a Weed Control Short Course presided over by Don Palfre, Weed Control Supervisor for Nova Scotia and John Thomson, District Weed Inspector. Those from the Digby area attending were Chipman Chisholm, Bear River; Daniel Morton, Centre; Gordon Walker; Elmer Comeau, Meteghan and Bruce Gilliat. They entered a Weed identification contest in which Mr. Comeau and Mr. Gilliat tied for score.

About 48 attended the beef short course at the Fundy Restaurant last week representing many parts of

Digby Co., and areas from Annapolis Royal through Clare. Special speaker was Tom Nunn of the Nova Scotia Department of Agriculture and Marketing.

Mr. Gilliat announced that the March 27 short course session was changed to April 3 at the Weymouth Legion Hall, specially noting it is the Weymouth Hall and not Digby as was reported.

Those who attended the short course in Moncton were Mr. Gilliat, Murray Prime, Earl Prime, Wayne Comeau and Mr. and Mrs. Chipman Chisholm.

Mr. Gilliat expressed his disappointment in the decision of Clare to not appoint a weed inspector.

Making Maud Lewis Film

The students of Oakdene School, Bear River, were pleased on Wednesday, March 5, 1975 to welcome three persons of the National Film Board, Halifax, to the school. Mrs. Diane Cowling, Miss Pat Kipping, and the Cameraman selected Oakdene School to use as part of the film they are making on the life of Maude Lewis, a well known artist of this area.

The reason why Oakdene was chosen is that it is one of the few remaining schools which were or could have been in operation during Maude Lewis' school days.

The students were filmed and sound-recorded during their recess and noon hour playground activities. Many other shots of the school and area were also taken and will be incorporated into a film which should be ready for distribution in a year or two.

The film crew intended to move on to New Germany next to film oxen, as this was one of the favorite subjects that Maude Lewis liked to paint.

We are anxiously awaiting the day when we will see the film - The National Film Board presents "The Life and Works of Maude Lewis".

Sign Of Early Spring

March 21, Spring, has arrived and Frank Kaulback, Bear River, predicts the weather will respond fittingly to the name of the game, Spring. His reason comes from seeing a flock of

wild geese fly over Bear River on March 20. That sign indicates an early Spring, weather-wise. It was not until April 12 when the geese returned two years ago.

World Day Of Prayer

The Women's World Day of Prayer was held in Bethel United Baptist Church, Ashmore, with Miss Ruth Specht of Barton, guest speaker. The theme this year was "Become Perfectly One", prepared by the Women's Ecumenical Prayer Fellowship in Egypt, and the leader was Mrs. Bessie Hankinson, of the Baptist Church with Mrs. June Cosman, organist.

A call to prayer was given by Mrs. Alma Cosman, Church of Christ, and the five main themes (1) God is Love, led by Mrs. Mary Courneau, St. Joseph's Church; (2) We are Not One, by Mrs. Vera Hankinson, Heart Memorial United Church; (3) God Calls Us to be One, Mrs. Roberta Potter, St. Peter's Anglican; (4) Let Us Grow Into One, Mrs. Bessie Hankinson, Riverside United Baptist; and (5)

"God Completes Our Oneness", Mrs. Sankey Mullen, New Tusk United Baptist.

Others taking part in prayers for the unity of the Church, were Miss Leota Lewis, Church of Christ; Miss Frances Lent, United Baptist; Mrs. Mary Corey, Wesleyan Methodist; Havelock; Mrs. Alphonsine Kish, Roman Catholic; Mrs. Jane Shaw, Anglican; Mrs. Victor Doty, Ashmore United Baptist; and Mrs. Della Mullen, New Tusk, United Baptist.

Special music was rendered by the Manzer trio, Cindy, Joyce and Susan of Ashmore, who sang "Jesus and Me".

Planning for this service, was done several weeks ago at the home of Mrs. Muriel Cosman, when representatives of the various churches met with her.

Accept Dog Catcher Application

The application of Clifford Vidito as dog-catcher for the Town of Digby was accepted on Tuesday evening at a special meeting of the town council. Mr. Vidito, who had resigned from the job some short time ago, is to be paid \$950, for the year plus his phone bills.

As for his decision on destroying a dog or not council felt this matter was his and he should have no interference.

The need of a Building Inspector was debated at the same meeting. By-laws regarding buildings were read which gave the figure a minimum of 30 feet from the street boundary where the building is to be located and eight feet on each side of the building to the boundary lines. Council agreed that permits should be issued by the building inspector and only referred to Council where necessary. All other regulations of the National Building Code were also to be observed.

Council frowned upon the habit of some contractors starting to build before an application has been made for a permit. Council was

advised that it was within their right to have the construction pulled down if no permit has been issued.

There was debate on whether or not Digby needed a building inspector where there is so little property left on which to build. Salaries for building inspectors were also discussed and were varied in opinions.

On motion of Councillor Reginald Hazelton and seconded by Deputy Mayor, Philip Robertson, the council decided to get more information on qualifications necessary and reasonable salary for a building inspector.

Councillor Hazelton reported on his approach to the Digby Municipal Council for a \$3000 grant to the Digby Recreation meeting and advised the town council that the municipal council asked for a meeting of both councils along with the executive of the Digby Recreation Commission. Councillor Hazelton was advised to set-up the meeting. The municipal council, it was reported would match dollar for dollar with the same

Meet On Highway Construction

A recent meeting at Clare discussed highway 101 which is proposed to run through the area, when persons expressed concern that communities might be divided physically by the new highway. However, Norman Pothier, of the Community Advisory Planning Committee was not concerned about this as he felt the highways department would construct under the overpasses. He said that he believes the highways department will be most co-operative with the area residents.

Representatives of the N.S. Department of Highways were present at the meeting and showed sketches of proposed routes on which no decision has yet been made.

Mr. Pothier said that the employment picture in the Municipality of Clare in Digby County would benefit from the construction of Highway 101 through the area.

He said the three ferries which run out of Yarmouth and the one between Digby and Saint John cater mostly to transport trucks and the long-distance hauling of goods "and this could easily have a beneficial effect on the employment situation."

He would like to see the development of secondary or subsidiary industries which could be linked with the transport movements through the municipality.

He said he feels most residents on the French Shore are in favor of the highway "but it must be in the right place."

The area's potential for the establishment of secondary industries would be enhanced by Highway 101, he said.

Firemen Kept Busy

Annapolis Royal Firemen were kept busy on Tuesday with two serious fires.

The first call was to a fire at the home of Clyde Longmire of Hillsburn. The home was badly gutted and none of the contents could be saved due to heavy black smoke and intense heat.

The Bridgetown pumper was on hand to assist the Annapolis Firemen. While still at the scene of the first fire, a second call came in. A barn on the Maynard Milner property in Upper Clements caught fire. Two horses owned by one of the Annapolis Firemen were stabled in the barn, but fortunately they were saved.

The barn was a total loss. Mutual aid from Cornwallis, Bear River, and Lawrencetown were called as the Annapolis Fire Department was still on the scene of the first fire. Wayne Spinney, one of our own fire fighters was the owner of the horses, which were fortunately saved.

On Wednesday the Fire Department again had two calls. One was a chimney fire on the shore road and the second, a truck fire on the Perotte road. The truck sustained heavy damage under the hood.

Mrs. Lowdan Stewart of New Glasgow and Mrs. Carl Bremner of Digby spent Sunday night at the home of their late father, Mr. Guy Prime, whose funeral was held on Monday, March 24th.

INTRODUCE EDUCATION ACT

Proposed amendments to the Education Act were introduced in the Legislature by Education Minister William Gillis which would authorize Municipal School Boards to determine the dates of annual meeting of school districts.

An addition to the Act was also proposed to define a "School" or "Public School" as a school established and maintained under the provisions of the existing law by a School Board empowered to operate and maintain schools.

Let us Worship Together at Easter

A Time to Rejoice In the New Beginnings Everywhere Around Us

*The earth grows greener, the
days grow longer, the winds are
whispering promises now...
and the rains are washing away
the last gray memories of
Winter. It's the season of
rebirth... in nature, in life,*

*in the human spirit.
Let's take the time... to
pause and watch the whole
world come alive... to
be in touch with ourselves
and others... and with
the miracle of Easter.*

The Fellowship of Prayer Service

A Fellowship of Prayer service was held in the Freeport Baptist Church on Friday, March 7, at 3 p.m. This service was held separate from the ecumenical World Day of Prayer, sponsored by the Canadian Council of Churches. The belief of those present, ecumenicity is not to be found in any ecclesiastical union of Churches, but in the spirit of Jesus Christ who prayed that all born again Christians may be one, as He and His Father are one.

Instead of the trend by many of the Churches toward union at any price, those at the service take stand as evangelicals to be separate and proclaim the gospel of Jesus Christ to a lost and dying world.

The entire service for the Fellowship of Prayer was written by the pastor of the church, Rev. Kitchener Daw. The leader of the meeting was Miss Eleanor Thurber, president of the Women's Missionary Society. A children's quartet, composed of Misses Angela and Lesa Daw, Michelle and Wendy Kinney, rendered a selection entitled, "Unworthy". Others taking part in the

meeting were Mrs. Daw, Mrs. Ideson, Mrs. Hilda Morehouse, Mrs. Theodore Teed, Mrs. Len Hewit, Mrs. Ada Perry, Mrs. Charles Young, Mrs. Merrill Stanton, Mrs. Vera Crocker, Mrs. Elnora Outhouse. Some read the Scripture Portions others led in prayer and the remainder had readings.

The theme of the meeting was "fellowship with true believers around the world. Prayers offered for persecuted brethren in Russia, for the Church of Jesus Christ in Africa, for all the Churches on the two Islands, and especially for the Church at Freeport that God would send a mighty, Holy Ghost revival to all. The pastor brought the message on "The Apostasy of the Last Days" which threw much light on the spiritual condition of the Church as we approach the end times and the coming of Jesus Christ for His Church draws near to fulfillment.

The benediction was pronounced by the leader, Miss Eleanor Thurber.

The offering received was sent to Underground Evangelism so that they can carry out the ministry of getting Bibles and Christian literature into the Communist lands.

Little River

The World Day of Prayer was held in the Little River Baptist Church, March 7th, in Fellowship with the Sandy Cove Churches and under the Leadership of the president of the W.M.S., Mrs. Rupert K. Trask, (Little River).

The program included Scripture, 1 st. Vice-President, Mrs. Clifton

Frost: Duet, "How Long Has It Been" Mrs. James Tidd, Mrs. Richard Milbury; Offering by Mrs. George Theriault; Solo, "Just A Prayer Away," Edgar Trask.

There was a presentation of four Dominion Life Certificates namely, Mrs. Bailey Gidney; Mrs. Ainsley

On March 8, 1975 Rebecca Lynn Titus, daughter of Mr. and Mrs. Lyndon Titus of Tiverton celebrated her first birthday. Her birthday guests ranged in the ages from 1 to 70 years old. Her younger guests enjoyed the afternoon by playing games, while the older ones enjoyed the afternoon by talking.

The guests were served lunch by Rebecca's mother, Mrs. Roberta Titus and her

Tidd; Mrs. Bernard Denton (absent); Mrs. Stanley Denton accepted by mother, Mrs. Edna Sypher, Mrs. Denton being absent).

The presentation was given by president, Mrs. Rupert C. Trask, Mrs. Clifton Frost and Mrs. Kaulback.

This was followed by a message by our pastor Rev. J. Kaulback, taken from the 17th Chapter of John.

Prayer time was by Mr. Ainsley Tidd for the pastor, wife and family and by Mrs. Curtes Denton for the church and church family and by Mrs. Eddie Sypher missionaries.

Others offering prayer were: Hantford Raymond for the leaders of our government; Mrs. Gregory Denton, A Revival in our churches; Mrs. Anisley Tidd, Protection of our children; George Theriault, Sunday School and leaders; Mrs. Ester Trask, The sick and shut-ins; Mrs. Hantford, The ones in War torn lands; Mrs. Myrtle Tidd, The enslaved loved ones; Mrs. D. Raymond, The leaders of our young people.

The President thanked all who had helped in anyway, especially Rev. J. Kaulback for his message and Mrs. Edgar Trask for taking charge of music.

Bernard LeRoy Smith, eighty-seven, of Bear River, N.S. died at the home of Mr. and Mrs. Roy Alcorn, Bear River, on Thursday. Born at Acadia Valley, Digby County, he was a son of the late George and May Hayter. He was a retired farmer and market gardener.

His wife the former Hattie Yarrigle, predeceased him.

He is survived by two daughters: Virginia (Mrs. Clarence Love) Edson, Alberta; Ruth of Calgary, Alberta. One sister Mrs. Florence Wells, Orlando, Florida. Four grand children also survive.

His body was at Jayne's Funeral Home, Digby, N.S. from where funeral service was held Saturday at 2 p.m. Rev. Foster Hall conducted the service and interment was in Mount Hope Cemetery, Bear River, N.S.

Ivan Paul Jubin

Ivan Paul Jubin, 19, was buried following funeral service at St. Joseph's Church, Weymouth.

Born in Weymouth, he was the son of William and Elizabeth (Saulnier) Jubin.

Surviving are his grandmother, Mrs. Grace (Comeau) Saulnier; his mother Mrs. Elizabeth (Saulnier) Blinn, Toronto, Ont.; his father William Jubin, Halifax and two brothers, Donald Walter, Weymouth Mills and Leonard Wood, Ontario.

The federal government awarded contracts worth more than \$610,350 during the week ended March 14, for the supply and provision of various goods and services in Nova Scotia.

Among the area awards were Howard Lowe, Deep Brook, \$10,000 for truck rental at CFB Cornwallis and Frank Larche Mfg., \$13,026 for a construction hoist.

Freeport

Mrs. Virginia Crocker

Mrs. Ruth Berry, Centreville recently visited with Mr. and Mrs. Alton MacNeill.

Mrs. Mary Monroe, Digby, was the guest of her daughter, Mrs. Vera Prime and family for a few days.

Mr. Roy Guier, Mrs. Belle Thurber and Mrs. Nellie Titus, who have all been patients at the Digby General Hospital, have returned to their homes. We hope that they shall all continue to regain their health.

Mrs. Marion Patterson spent some time at Yarmouth last month where she acted as housekeeper for Mr. and Mrs. Duncan Mallison while they were on vacation.

A few members of the Adult Badminton Club took part in a tournament held at Weymouth.

Mr. and Mrs. Avery Finigan have been in Halifax for a few weeks while Mrs. Finigan is having medical treatments. Mr. Finigan has been visiting with their son, Charles, Mrs. Finigan and family.

Mr. and Mrs. Robert Finigan were in Saint John recently where they spent a few days with Mr. Finigan's sister, Gwen, Mrs. Mandrem and Mr. Mandrem.

The I.C.S. Girls' Basketball Team with their coach, George Carmen took part in tournaments at Annapolis and New Ross last month. They reached the semi-finals at Annapolis. Hopefully another time the winners cup will go to them, so better luck next time girls and Mrs. Carmen.

Read your Tax Guide. It will tell you what's new.

This year the Federal Government has included many new tax benefits that are important to you because they could save you money.

Your federal income Tax Guide explains them thoroughly.

Let's take the Interest Income Deduction as an example. This year for the first time, if you received and reported on your income tax form interest income from many legitimate Canadian sources, including bank deposits, bonds, mortgages and notes, you are allowed to claim as a deduction the total of the amounts up to \$1,000.

Your Tax Guide explains it in detail. Check Item 35.

Increased Personal Exemptions is another item that has changed from last year. All it means is that the federal Government has increased your personal exemptions to coincide with the rise in the Consumer Price Index. The new personal exemptions are printed on your income tax form. Guide Item 11 tells you more about it.

Well, those are just some of the areas where it pays to follow your Tax Guide and, of course, there are others. The Federal Political Contribution Tax Credit is new as well. Guide Item 52H will tell you all about that one. This year, Family Allowance

Payments are income and have to be declared as such. Check Item 7.

Remember to check some of the other items listed in the Tax Guide which may entitle you to claim deductions, such as Child Care Expenses. Guide Item 33 tells you all about that one. And you may be entitled to deduct your Moving Expenses if you moved during 1974 to earn income in a new location in Canada. Check Item 34B carefully for the details.

And don't forget, if you have contributed to a Registered Retirement Savings Plan, be sure to include your receipt and deduct the allowable amount. Guide Item 29 explains it in detail.

Use your Tax Guide and fill in your tax form carefully, step by step. You'll find it's not as difficult as you think.

If you should have difficulties, however, District Taxation Office addresses and telephone numbers are listed on the back page of your Guide.

Tax Guide '74. How long has it been since you've read a really good book?

We're making it easier to understand.

Smith's Cove

Mr. Hoyt Crosby is a patient in the Digby General Hospital.

Congratulations to Mr. and Mrs. Otis Robbins on the birth of their son, Jason, March 12.

Mr. and Mrs. Arthur Hill spent three days in Boston during the March break. At that time Boston had been enjoying excellent weather with no snow, young people outside playing soccer, etc.

Mr. LeMert Raymond is a patient in the Digby General Hospital.

We welcome to the community Mr. and Mrs. Robert McNutt and son, Jason. They are living in the home of Mrs. Josephine Cossett.

M Cpl. and Mrs. Ed Miller spent the weekend with her parents, Mr. and Mrs. Gerald Young, and family.

Mr. and Mrs. Robert Brooks were Sunday guests of Miss Katherine Weir.

Mr. and Mrs. Frank Wightman and Miss Edith Wightman have returned from a two-week vacation in Jamaica.

Mr. and Mrs. Rogar Carty have moved into their new home.

Councilman "Bud" Winchester was the guest speaker at the Smith's Cove Historical Society on Monday evening, March 17. Mr. Winchester brought some of his coin collection to show to the members and presented a very interesting talk on old coins. The meeting was held in the Smith's Cove Meeting House.

During the recent stormy weekends, one local yard was full of our bird friends and we noticed some returnees, such as a Robin, Goldfinch, Purple Finch, Evening Grosbeaks and Pine Siskins. This past weekend the small birds were seeking shelter from a hawk that appeared on the scene.

Clementsport

Mrs. F. Thompson

With so many from our area being ill, it is realized that some names are being missed. Mr. James Rawling has now returned from the Digby General Hospital. Mr. J. Aubrey Feener is a patient at Camp Hill Hospital in Halifax. Mrs. John Burbridge will enter the Dawson Memorial Hospital in Bridgewater on Sunday for surgery. Mrs. Eva Coates is confined to her home with a broken foot. Mr. Coates has recovered from his leg injury. Mrs. Fred Dakin had the misfortune to break her wrist. Mr. Randall Frail and Miss Beth McNinch are ill at home. Mrs. Lucy Gaudin is still a patient at the U.G. Hospital. To all these folks we do send our very best wishes for a speedy recovery.

The U.B. Senior Sewing Circle met at the home of Mrs. Kenneth Robinson on Tuesday evening with the president, Mrs. Mervin Ringer, in the chair. The Devotional was given by Mrs. Murray Langille. Psalm 1 followed by all repeating the Urde prayer.

Many articles were worked on and plans were made for a pantry sale to be held at Evangeline Mall at Digby on March 27. Mrs. Robinson was assisted at the refreshment hour by Mrs. Mervin Ringer.

We are glad to report Mrs. Johanna Holland has recovered from her attack of flu. Mr. and Mrs. Franklin Thompson and Mrs. Murray Langille attended the Rhythm on Ice Figure Skating Show at Lawrence town on Saturday evening.

Mr. and Mrs. Murray Langille entertained Mr. and Mrs. Harold Thompson of Lawrence town and Mr. and Mrs. F. Thompson at the supper hour on Sunday. Mrs. Herbert Bartheaux entertained at the dinner hour on Wednesday when covers were laid for eight.

Those present were Mrs. Lawrence McEachern of Kempt, Mrs. Donald DeLong of Kempt, Mrs. Annie White and daughter Mrs. Paul Ellis of Kempt, Mr. and Mrs. Mervin Ringer and Mrs. Jessie Wright of Waldeck and Mrs. Sadie Ringer.

Visitors on Thursday at the home of Mr. and Mrs. Franklin Thompson were Mrs. Sandra McGinnis of Bear River and Mrs. James Earle of Waldeck. Mrs. McGinnis is a niece of Mrs. Thompson. Mrs. Earle was the former Betty Deveau of Clementsport.

Mr. and Mrs. Robert Coates and family of Barrie Ont have returned after a visit with his parents Mr. and Mrs. Ernest Coates. Mrs. Fred Finley of Morden, Kings Co. has been visiting here with her brothers Mr. Ira Dukeshire and Mrs. Dukeshire and Mr. Israel Dukeshire and Mrs. Dukeshire.

Cpl. and Mrs. Keith Bartheaux of Oromocto N.B. and two children arrived on Saturday to visit here with his parents Mr. and Mrs. William Bartheaux.

Mr. and Mrs. Ted Kaulback of Bridgetown were recent Sunday visitors at the home of Mr. and Mrs. Ezra Potter.

The U.C.W. group met at the home of Mrs. Paul Sidney on Tuesday to work on a quilt. Mrs. Ezra Potter

Robin's Come.

From the elm tree's topmost bough, Hark! The Robin's early song! Telling one and all that now Merry Springtime hastes along; Welcome tidings dost thou bring Little harbinger of spring, Robin's come!

Spring has come at last and the geese are flying north, a flock rested for a few days at Rossway. The little song sparrow that spent the winter with me outdoors was singing the other morning.

The kitchen birds have caught the Spring fever and are all singing, but I do miss my beautiful Hermit Thrush.

The Orioles are turning deeper colour and no doubt counting the days when they will be released.

and Mrs. Fred Potter were co-hostesses.

Mr. T. A. Pettie has returned to his home in St. John N.B. after a two weeks visit with his daughter Mrs. James Mowry and Mr. Mowry.

THE DIGBY COURIER

Bits And Pieces From Bird Haven

A pair of Red-winged blackbirds have been seen on the Shore Wood.

Was interested in the article on the Pileated Woodpecker in last week's Courier and can imagine the thrill Mr. Thibault got when he spotted it. I remember how excited I was when I found a pair several years ago, followed the sound of their tapping through the woods and there they were on separate trees hammering away a pile of chips at the bottom of the trees.

You usually have to go away back in the heavy woods to find them, although I know of a pair that have been very close to civilization for several years.

Have a copy of Dr. Tufts latest book, "Looking Back", very interesting especially, "Herbets tea pot."

Now is a good time to think of swallow houses, another month they should be here looking for apartments.

After the snow storm of the 15th, I looked out and to my surprise saw Snow Buntings feeding. They dropped down from a branch - one at a time and looked like huge snowflakes, hence the name Snow birds.

Now I can add them to my list of 102 species seen in my yard, the first I have had in over 40 years.

A joyous Easter to all from the birds at Bird Haven.

Spring

Wrap your home in a cocoon of warmth... and save 30-50% on heating costs with sensational new RAPCO FOAM.

The RAPCO FOAM home insulation system IT PAYS FOR ITSELF

Rapco Foam is a unique insulating foam developed in Germany. Skilled applicators inject it into the walls of your home where it flows into every nook and cranny - cracks never reached by ordinary insulation. Then it firms into a permanent barrier against cold, drafts, noise and vermin. Once installed, Rapco Foam pays for itself in four or five years and goes on paying fuel saving dividends of more than 30% of the original investment year after year.

Services begin at 7:30 and the host church will provide special music.

A Thought Starter

By

Rev. Ronald C. MacCormack

WINNERS AND QUITTERS
A person may start out with good intentions, but never arrive, accidents or second thoughts may sidetrack or knock him out along the way. Others arrive, perhaps more than a little battered, but they do reach their destination or goal.

A man in the Bible made a great start. This fellow, Demas, set out in company with Paul, the greatest missionary of the Cross, but, in 11 Timothy 4:10, the great apostle was forced to write, "Demas hath forsaken me, having loved this present world." Some distraction, earthly allurements, or temptation caused him to quit and to walk out on a solid commitment.

Too bad! But it still happens. Many believers forsake the church, they go back on spiritual vows, and they let worldly pressures block their Christian growth.

Paul, on the other hand, arrived at the place of fulfillment and victory. He was a winner.

Yieldedness to the power of the risen Christ will take us all the way.

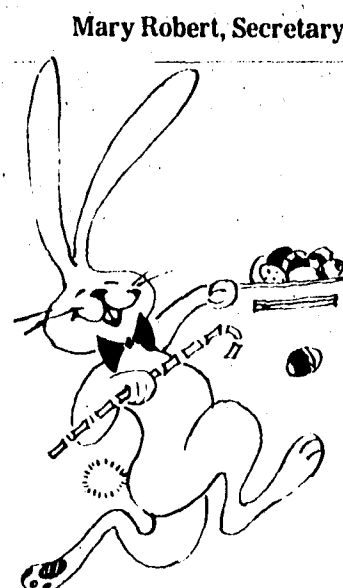

Red Cross Helps Fire Victims

The monthly business meeting of the Digby Branch of the Canadian Red Cross was held in the Court House on March 19th with the president, Rev. Ronald Stevens, presiding and 15 members present.

The Treasurer's report was given by Mrs. J. J. Brittain. Mrs. Allan Harris reporting for Women's work said that the following articles had been shipped to Halifax on March 5th: 139 towels, 330 diapers, 90 face cloths, 39 flannelette blankets, 2 quilts and 9 afghans.

Sick Room Loan report given by Mrs. George Winfield showed that three pairs of crutches, one can and one wheelchair had been loaned and five pairs of crutches returned. Donations for the use of crutches and wheelchair had been received by the Red Cross.

Emergency Aid, also reported by Mrs. Winfield said that a family had lost their home in a fire. Comfort kits were given to each member of the family and

Scotia department.

"This year the fishing license fee has been raised to \$3 for residents and \$15 for non-residents," Dr. DeLory said. "Residents and non-residents under 18 years of age do not require licenses."

The new license fee is increased from last year's \$1 resident rate and \$10 for non-residents. The increased fees will help cover the costs of expanded efforts in lake and stream inventories and management of watersheds. "The Lands and Forests Department is aiming at an expanded law enforcement program involving both fisheries and wild life," Dr. DeLory said.

For speckled, brown and grey trout and landlocked salmon, the open season runs from April 15 to September 30 in all waters east of Highway 102 from Bedford to Truro and all waters in Cumberland, Colchester and Pictou Counties except the part of Colchester County between Highway 102 and the Shubenacadie River and the tidal and non-tidal waters of the Guysborough River.

In all the waters west of Highway 102 between

Bedford and Truro and including Colchester County between the highway and the Shubenacadie River, the open season is from April 1 to September 30.

In the tidal and non-tidal waters of the Guysborough River, but not including its tributaries, the open season extends from May 1 to September 30.

All trout, including rainbow, can be taken from May 15 to October 31 in the following lakes: Sunken (Sumpter) Lake, Kings County; Rumsey Lake, Annapolis County; Levers Lake, Cape Breton County; Clearwater (Brights) Lake, Digby County. The open season for Kelly Lake in the Mosers River watershed, Halifax County, is from May 15 to September 30.

The season for white and yellow perch is the same as for trout. For striped bass there is no closed season but black bass can be caught only from April 15 to October 31.

There is no open season for Atlantic white fish.

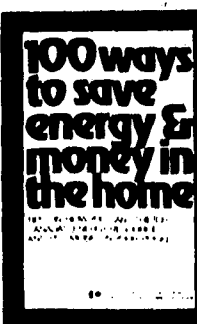

For Atlantic salmon, the open season runs from April 1 to July 31 in the waters of Annapolis, Digby, Yar-

mouth, Shelburne and Queens Counties; from May 1 to September 9 in the waters of Kings and Lunenburg Counties, the waters of Halifax County except the Shubenacadie River and the waters of Guysborough County except those rivers that flow into Chedabucto Bay; from June 15 to October 15 in the waters of Antigonish, Pictou, Colchester, Cumberland and Hants Counties, the Shubenacadie River in Halifax County, the Guysborough County rivers flowing into Chedabucto Bay and all waters of Cape Breton Island except the North River. The open season for the North River, Cape Breton Island extends from June 1 to September 30.

Fly fishing only is allowed on scheduled rivers during certain periods. Signs are posted on scheduled rivers which are listed in a booklet detailing seasons, bag limits and size limits. This booklet, containing all Nova Scotia's sports fishing regulations for 1975, is available where fishing licenses are purchased or from Department of Lands and Forests offices.

100 ways to save energy & money in the home

TIPS ON HOW YOU CAN STRETCH CANADA'S ENERGY RESOURCES AND PUT MONEY IN YOUR POCKET

Energy, Mines and Resources Canada

Don't drown the beans

WHEN you're cooking vegetables, use little water and cook only until they're tender. You'll save vitamins and flavour. Well-designed cookware, used on the proper settings, will also conserve energy. Try cooking the entire meal in the oven, or on one or two burners.

If you're lucky enough to have a dishwasher, don't use it until you have a full load. Do the same with your clothes dryer - and be sure to clean the lint filter after each load.

Saving energy is often a game of pennies, but they all add up - and so do the savings for Canada.

Do you really need a crushed-ice dispenser?

A FROST-FREE refrigerator uses 50% more energy than a standard model. A crushed-ice dispenser is a big energy drain. And a self-cleaning oven uses 20% more energy than a standard model. Ask yourself how many of these extras you really need.

When you go shopping for a new appliance - refrigerator, dishwasher, range, dryer, washing machine - look beyond the price tag. What's the energy cost of running it? Often the better-built, more expensive model is also more energy-efficient. A better buy in the long-run.

Five ways to save on home heating

HEATING is the biggest item in a family's home energy budget. Here are a few simple ways to save:

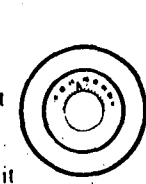

Lower the thermostat. Each degree over 68 adds about 2 1/2% to your heating bill. By dropping the setting from 72 to 70 you can save 5%. Dropping it from 72 to 68 will save 10% - about \$30 a year. It helps to lower the temperature further at night, and when you're going to be away from home for a few days.

Check your furnace filter. A dusty, clogged filter forces the system to work harder, and wastes energy. Inspect it every 30 days. (The book shows you how.) An annual or semi-annual furnace cleaning can save you another 10%.

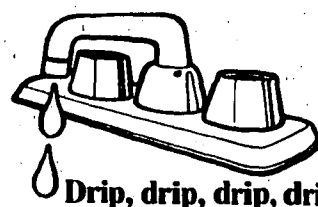

How's your insulation? Many Canadian homes have inadequate insulation. Ceilings should have 6" or more of mineral wool or glass fibre insulation. Wall cavities should be completely filled. Basement walls should also be protected to 2 feet below grade level. To avoid fire hazards, don't use foamed plastic insulation in exposed applications.

Use storms and weather-stripping. Storm windows and doors will reduce heat loss in winter by up to 15%. Weather-stripping is a must. A tiny gap of 1/4" along the bottom of a door is the same as having a 9 square-inch hole in your living-room wall. 100 ways to save energy and money in the home explains how to weather-strip joints and caulk the frames of windows and doors.

Let the sunshine in. Energy from the sun is free, so it makes sense to use as much of it as we can. In the winter, open curtains and drapes during the bright part of

the day and close them at night, for their insulating value. In summer, do the opposite.

Drip, drip, drip

ONE DRIP per second from a leaky hot water faucet or shower-head sends about 175 gallons a month down the drain. That's money down the drain. You can probably fix it yourself with a new washer and a few minutes work.

Be sure the size of your water heater matches your needs. Don't set it for more than 140 degrees, and turn it off when you go on vacation.

Have you tried a cold-water wash for clothes? It usually works just as well. Remember, too, that your average shower bath uses only 5 gallons of hot water, while a tub bath takes almost 10 gallons.

Could you use an extra \$100 a year?

These are just a few of the many, many ways to save energy and money in the home.

It's well worth doing. By making modest energy savings now, we can improve our environment and way of life far into the future.
