## Public Meeting On Utility Amalgamation

A public meeting will be held in the Multipurpose room of the Digby High School on July 27th to deal with possible amalgamation of the four municipal electrical utilities under the Digby County Power Board.

Two power board representatives spoke on the matter at Monday night's regular Digby Town Council session - Emmanuel Adelaar of Weymouth and Mayor Stewart MacNaughton in his role as superintendant of the Digby County Power Board. Mr. MacNaughton discussed the financial situations of the utilities. He noted that amalgamation would result in a higher cost of electricity in the town, but that over the long run such a step would enable the customers to control the rates far better than if the utilities were sold or operated separately.

Mr. Adelaar reported that one of the greatest problems facing the power board is the tremendous line losses in the municipality of Digby and, more particularly, the municipality of Clare.

Line losses in Clare exceed 20 percent (10 percent is the upper limit of acceptability) Mr. Adelaar said consulting engineers have done a survey and decided something had to be done to get the situation back in order.

To rectify the line-loss situation could result in a capital expenditure of around two and one-half million dollars.

The four courses of action mentioned were: leave the system as is, sell one or more of the utilities, sell all the utilities, or amalgamate the four utilities into one.

Mr. Adelaar felt the only available buyer is the Nova Scotia Power Corporation but said there is possibility the system is not as valuable now as it was four years ago when a corporation offer was deemed not acceptable.

He noted several things could be done to increase the output of electricity in the area. For example, the Sissaboo could generate two to three, or possibly four times more power than at present, he said.

Mr. Adelaar also spoke of wood-burning electrical generators built. He said one was being built in the Cumberland-Colchester area and felt one would be coming to the Digby County area.

### TOWN HALL

The much-awaited new town hall was discussed. A motion was passed that steps be taken to clean up the town's Sydney Street location and investigate the type of building which should be constructed.

Two students will be hired to assist the town crew during the summer.

### PAVING

A decision was made to call tenders for paving the following streets Carleton (King to Church), West (Sydney to Church), West, (Church to Mount); Third Avenue, (Church to Sydney) and Sydney (King to Victoria).

The town has included a sum of money in its budget to pave these streets.

## May Form Citizens Auxiliary As Voluntary Policemen

Although it was considered of prime importance by Sergeant Thomas Barlow and many who attended the public meeting on Monday evening that the people stand behind the R.C.M.P., inform them and be willing to stand in court when they know of vandalism and crime, another suggestion which gained much support was that of forming a citizen's auxiliary to act as voluntary policemen to aid the R.C.M.P. in the curbing of vandalism and crime in the Digby, Bear River and Weymouth areas. Supporting this move was Joe Casey M.L.A., who offered to get in touch with the Attorney General's Department on the possibility and

learn how such an auxiliary could operate under R.C.M.P. training. Detection of crime, itself, was considered a most important step in stopping repetition of crime, and it was felt that possibly after some months such an auxiliary, if formed, would again not be necessary. Several offered to join such an auxiliary.

The meeting, prompted by a case of arson and other crimes, was presided over by Stephen Wade, pastor of the Digby Trinity Pentecostal Church of the Pentecostal Assemblies of Canada. Between 225 and 250 were in attendance, including members of clergy and town and municipal councillors. The meeting

opened with prayer and hymn-sing.

Reviewing the state of the town since the R.C.M.P. took over in July, 1974, Sergeant Barlow said there had been no figures whereby conditions could be reflected, but in 1975 and 1976 there was a lot of juvenile crime. Break and enter in the year 1976 then dropped by 22 per cent and crime was down by 20 per cent. In 1977 the trend was again up, loitering was up and disturbances rose in number.

Sergeant Barlow claimed a total lack of recreation for youth in the town was one of the major causes of the vandalism and crime wave. He said the rink is not used, not even the playground and

the swimming pool presently needs repairs. He advocated a full time recreation manager. Again the help of everybody will be needed, he said. Some persons asked the Sergeant how recreation could play a part when offences occur at two o'clock in the morning.

Mrs. Bruce Robertson ventured that the trouble is not with the children but with the parents.

Liquor, drugs and attitudes of parents were all mentioned in considering causes of crime. Unemployment, too, added significantly, it was noted.

Sergeant Barlow said there were a lot of good youths but they need leadership. People, he said, have become audience and depend on professionals.

Mr. Casey also remarked of the "good kids" in the town and country, and felt the media makes more of the bad ones in publicity which encourages them to continue.

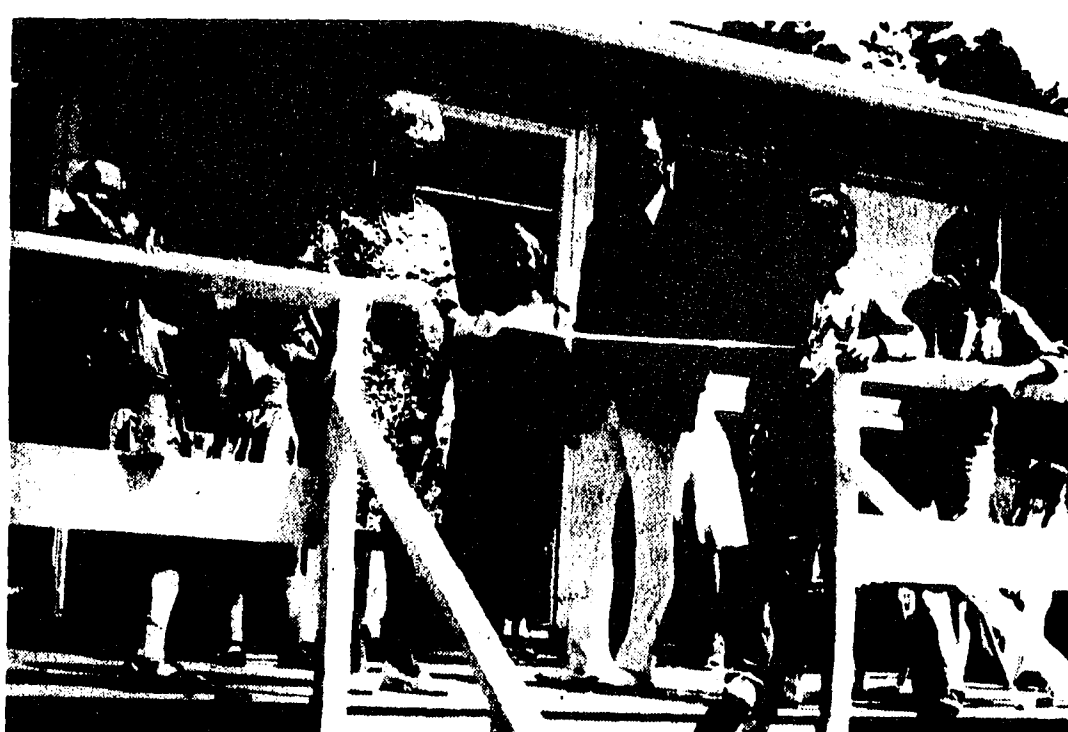

The suggestion was made that the drinking age be 21 years and older instead of 19, to which Mr. Casey suggested writing letters to the legislature on the subject.

Of the buildings in Digby, such as the Digby Fire Hall, the Legion Hall, Lions Hall, Swimming Pool, Digby Room at Pines, to which the government has made grants, how many of them have been used for youth, asked Mr. Casey. Young people, he remarked, like to get together.

What is done when the offenders are convicted, some asked, to which the Sergeant said more people have gone to jail in the last two months than in the previous six months.

The meeting closed with prayer.

## Cossaboom's Corner Officially Opened

Mrs. Joseph Steadman, the former Miss Nellie Cossaboom, daughter of the late William and Clara Cossaboom, Smith's Cove, cut the ribbon on Thursday afternoon to mark the opening of Cossaboom's Corner named in memory of the late Mr. and Mrs. Cossaboom, who founded Harbour View House and Cottages, in the village of Smith's Cove. Holding the ribbon are Jennifer Irvine and Andrea Webb while to the right is David Irvine, proprietor of Harbour View which has added Cossaboom's Corner.

Cossaboom's Corner consists of seven housekeeping apartments erected by renovations to what previously had served as a dance casino. The attractive building covered with Ranch Wall has five of the units on the ground floor and two units in the basement area which also houses a laundry and garage.

Unique about the attractively furnished apartments is the fact that practically all the furniture is redone pieces. The apartments are all similar in decor bringing out shades of orange, rust and brown. Living quarters include a living room, a bedroom with two double beds or double and single; kitchenette, bath and large closets. The walls in general are vinyl covered gyprock in beige with rust colored wall to wall carpeting on the floors except in the kitchenette space. Curtains of green and rust mixtures and bedspreads of orange blend harmoniously with the rugs and other pieces of furniture, such as plaid chesterfields and painted chairs.

Stoves, fridges and utensils are supplied.

Guests were received on Thursday by Mrs. Irvine and Mrs. Mona Lou Webb of Smith's Cove and escorted to the unit where refreshments were served.

Mr. Cossaboom, in whose memory the building was named, was born in Smith's Cove, son of the late Edward and Sarah Anne Cossaboom, and one of the first to see the possibilities in developing the tourist business. As a councillor of the Municipality of Digby for 20 years and serving as Warden, Mr. Cossaboom unselfishly worked for his community but also realized that what was good for the community was also good for his business. Beginning 1898 with the small dimension of a single residence, Mr. Cossaboom adapted his assets to the needs of his patrons who often built cottages for their summer homes at the site of his log cabin colony.

Mr. Cossaboom died in 1927 after which the Harbour View Log Cabin Colony was managed by Mrs. Cossaboom, their sons, Earl and Duke and later bought by Walter Flett. In the meantime, a swimming pool was added as well as other additions for keeping up with the expectations of the travelling public. David Irvine, who purchased the property from Mr. Flett, has continued to modernize and add to the structure.

Present on Thursday were three generations of the Cossaboom family, Mrs. Steadman, her daughter Pat, Mrs. Allen Rathbone and little Margot Rathbone.

## Digby Swimming Pool Expected Back On Schedule

The Digby Swimming Pool is expected to be back on regular schedule within a week and a half according to a spokesman from the Digby Swimming Association Board of Directors who held a meeting with the Kiwanis Club directors (sponsors of the pool) on Monday evening. In making the statement the directors asked that the public bear with them in the delay which

has been caused by occurrences of damages.

In what appears to be trouble in the drainage system, one wall of the pool had collapsed and because of the pull from this, it is said that the lining became torn. Patching attempts were made but when all appeared ready-to-go, another collapse was experienced causing further damage and further delays necessitated.

Members of the swimming pool committee went to Halifax on Tuesday in an effort to find suitable material to use and with qualified engineers to apply these, it is hoped the pool will operate within a few days.

While the pool will be unattractive with an unsightly spot, the spokesman for the pool assured there would be no danger in using the pool. Following the summer schedule, the directors of the Swimming Association expect to revamp the pool in the Fall. The Association regrets that costs of travel and insurance prohibits transporting swimmers to other pools.

## 2.2 Million For Prescesky Estate

Under the terms of the recently signed Tourism Subsidiary Agreement between Canada and Nova Scotia some \$2.2 million will be pumped into the development of the provincially owned Prescesky Estate in Upper Clements.

With the funds provided by this agreement, the Prescesky Estate will be turned into a tourism recreation facility that will be promoted internationally.

The estate will become a multi-cultural centre that

will act as the focus of cultural and ethnic heritage of the entire western portion of Nova Scotia.

The development of the Prescesky Estate will give western Nova Scotia another major attraction that will hopefully cause tourism flows to be more evenly distributed throughout the province, according to Tourism official, Rick Young.

Facilities will include a major entertainment centre where local, provincial and national groups will perform

both nightly and during the days. Young indicated that a wide variety of entertainment will be offered once the facility is completed.

Reflecting the agricultural roots of the Annapolis Valley tourist region, an apple museum and orchard will be developed. While the orchard will feature the real live part of the apple industry throughout the seasons, the museum itself will permit the visitor to see the various aspects of the industry. Young noted that it is hoped that a market featuring local produce will be established in conjunction with the apple museum and orchard.

An arts and crafts building will also be developed with the funds provided by this agreement. This centre will feature displays, sales, and short craft courses for the visitor. Young noted that thought has been given to encouraging visiting master craftspeople to hold special workshops for local and provincial professional craftspeople.

A children's farm and day care facility will be combined into one facility that will be developed at the Prescesky Estate. This farm will be aimed at the children and will feature small animals for the pleasure of the visitor.

The wildlife park will, of course, continue to be operated according to Young.

Young indicated that a number of alternatives are being investigated with respect to the future of the stone house, the traditional focal point of the Prescesky Estate. A decision regarding the details for the development of the stone house will be made

sometime in the future, according to Young.

For this summer, at least, the stone house will be utilized by the Annapolis Basin Tourist and Recreation Council as a cultural centre to display the arts, crafts, and writing of Basin area artisans and authors. Sources report that the ABTRC project is going ahead full steam with the official opening slated for mid-July.

Executive manager of the Annapolis Valley Affiliate Boards of Trade, Herb Smale, indicated that he is extremely pleased with the signing of this agreement and the development of the Prescesky Estate. Smale said that he is "very, very happy that the long range plans for the Prescesky Estate are finally going forward."

Other aspects of the recently signed agreement indicate that both interest rate subsidy and grant contributions will become available to provincial tourism operators who might wish to erect new facilities or expand existing accommodations.

In addition, the agreement provides for management skill enrichment programs for the tourism operators. This program will be primarily aimed at improving cost control and other necessary management control systems.

Under the terms of this agreement, the Tourist Information Points will be completed. Young indicated that a TIP will be erected on Highway 1 for the visitor venturing toward the Annapolis Valley region from Yarmouth.

This agreement provides for a total of \$13.8 million with the federal government picking up 80 percent of the total.

## Weir Fishermen To Meet

All those involved in the weir fishery are being called to a meeting of the Digby County Inshore Fishermen's Association at the Digby Neck Fire Hall in Sandy Cove on Monday (8 p.m.)

The meeting is being held to deal with assistance to weir fishermen, either through guaranteed income or some type

George Barton, left, chairman of the Digby Regional High School Board, who presided at the graduation exercises held on Tuesday evening and C.E. Edwards, retired school inspector who was guest speaker.

Whatever may be their goals in life, C. E. Edwards, retired school inspector, in his address to the Digby Regional High School graduates on Tuesday evening named five goals which he hoped they would include in their list. First he asked them to discover and foster their God-given talents and abilities. To help discover this goal by means of creative education is the principle task of the school, he said.

The second goal was to work as closely as possible with the Creator and help build His world. This, he said, would be successful according to faith in God and fellowman.

Self discipline and honesty were two other desirable goals. To be able to control

and command oneself is unquestionably one of man's highest accomplishments. People who can do that are well equipped to lead, direct and guide others. There is no substitute for integrity in life, he remarked. A leader cannot be a leader without integrity. His word must be as good as his bond.

The fifth goal to be included, the speaker suggested, was understanding and urged the graduates to keep an open mind. In our world community, Mr. Edwards said, where there are vicious prejudices, class hatreds and harmful racial feelings, we need to understand the other's point of view. An open mind will let the light from another's point of view

### SUM TOTAL OF MERITS

Often one of the benefits delegates attending a conference or convention get is the knowledge and ideas picked up in conversation with other delegates at coffee breaks and social hours. Such an opportunity is often more beneficial than the down-to-business straight-laced speech. You get to know the type of person with whom you are dealing.

We are not aware of the cost to our taxpayers of the conference held recently at the Pines in Digby, that of the New England Governors and the Eastern Canadian Premiers, but we have heard criticism of the high cost for something more than five hours honest-to-goodness work by the delegates. Our purpose here is neither to uphold nor deny that trend of thought but simply to remind those who sit in judgment that there is this benefit in conferences and conventions, too.

A personal letter from Massachusetts contained a clipping from the Boston Globe which showed Mrs. Barbara Snelling, wife of Vermont Governor, Richard Snelling, serving the tennis ball on the Pines Tennis Court during the conference held at the Pines. Playing against Mrs. Snelling was the governor of Massachusetts, Governor Michael Dukakis, whose picture was shown on the return ball. Governor Snelling and Premier Gerald Regan were partners. How much would a 64 column inch advertisement cost in the Boston Globe? Again, we do not know off-hand, but the figure can be charged against that portion of costs which has been talked about as exorbitant. Other newspapers, periodicals, T.V. stories and radio carried news comments. All these are good for the tourist trade in Nova Scotia with Digby in the favorable spot for benefitting most by the visit here of persons attending the New England Governors and the Eastern Canadian Premiers.

Costly, we'll agree. But, it was a fine show. One that could well make Nova Scotia show up proudly among the States and Provinces when the sum total of merits are calculated.

## Letters To The Editor

Opinions expressed in the Letter to the Editor column in this newspaper are not necessarily those of the editor.

Dear Sir:

The special meeting held by the Bear River Board of Trade was well attended. The main subject being the removal of the changing house with the knowledge of the Board. Built last year, the Bear River swimming pool was OK if used properly, but soon the two doors were broken in and other damage. It soon became a hang-out, smoke room, outhouse and other things that need not be mentioned. There was zero privacy. Committees are chosen for their sound judgement, so what is wrong with their decision to remove an unsightly object? The meeting was asked if it wanted the shack brought back, rebuilt or paid for... Silence!

Long before we heard of L.I.P., the town decided to build a pool. Much money was collected and work begun by Mr. Charlie Balser, on the old Cunningham mill dam site. A huge freshet came and washed it away, with no fault of the builders. If this could have been completed, we would have had a fine body of water for all purposes and few problems.

A few years back two steel pipes were set in cement to draw water from the West Branch but in dry times it didn't work.

With the grant of upwards of \$20,000, we were sure our inlet problem would be solved. However, no money was spent where it was most needed; inlet control. A great deal of time was spent

on the construction of a rock wall around the pool. This proved too shallow, muddy and no chance to dive, where many kids have fun. When the water was raised to swim level we had other problems. One child was rescued by Lawrence Henshaw as he stepped off the wall, not suspecting; another dove and hurt his head. The wall also was difficult to climb over. With due respect to Mr. Hall who administered the grant, we found it no small decision to remove these and return the shores to their original slopes. The money for the dozing was collected privately.

A park with picnic tables was a good idea, but past experience with tables, found they were either burned, or thrown in the pool, or river.

The pool is second to none in the province and all we need is the simple co-operation of old and young to keep it clean, and prevent accidents.

Watson A. Peck

Dear Sir:

Glad to answer the concerned parent as to the goings on at the swimming pool.

Since this is an unsupervised pool, am I responsible for injuries, foul language and nakedness... Tall order! A world wide problem?

At present I am not on the committee, as of late July, I guess it was. I resigned in favor of my son, who like most of us, like the water like

On July 12-13 the Nova Scotia Junior Boys Championship will be held at the Pines Resort Hotel Golf Course.

The Digby Golf Club will host the event which is expected to attract over 200 entries. Among those attending will be Matt Shaw of the Eden G.C. who is currently Nova Scotia and Canadian Juvenile Champion. A few days after the Tournament here he will leave for California to

to see kids learn to swim, jump off the board, and maybe even learn to roll the log.

In the past 17 or 18 years since the pool has been in operation I have seen only one naked small child with its mother, or was it two. I have heard some foul language, which we hear every where. Is the pool an exception, and should I go and say, "Jonny tut, tut, that is a naughty word, so go home and wash your mouth, with strong soap.

If someone "streaks" across the beach at MN when I'm home in bed or in my garden, or in the powerhouse, how can I help it as long as they aren't my children. If children are not taught in their homes or school how to talk and conduct themselves, then maybe we could set up a summer school at the pool. Are there volunteers?

In a pool of this type I believe the law says that the town is not libel for accidents, and why should it be, when parents or guardians do not accompany their children.

If nakedness and foul language is shown on TV and elsewhere, then could we expect the pool to be the exception? Any more questions?

I've always thought the 'ole swimmin' hole' held happy memories and I believe 99 percent enjoy it, but for the few, who peek out behind the blinds or ride by just to see what is going on rather than lending a helping hand....

Watson Peck

Letter to the Editor

Mrs. Wallis:

What are these rumours I hear? Let's hope that's all they are.

What happened at that town council meeting a week or so ago? Did the lady councillor have violent hands laid on her? Was her tape recorder wrestled out of her hands and thrown out of a window, by a person who is in authority there, and should have been able to "keep his cool", no matter what the circumstances. Going berserk is no help at any public meeting.

For those who did not hear the radio broadcast, the public has a right to know what's going on. A representative of your paper and also a police member should attend the meetings of council.

Can we deplore the violence that is now going on in Digby when we think of this serious fact? That violence is taking place in the council chamber and the young people know it, and are acting accordingly.

From a  
Concerned tax-payer.

## Major Golf Tournament At Digby

participate as the Canadian entry in the World Championship.

The boys range in age from 8 to 18 and about twenty will be entered from Digby, some of whom are expected to be strong contenders in the various age groups.

This is the first time a N.S. Junior Championship has been held in Digby and will give those interested in young people in general and in golfing in particular an opportunity to come out to the Club to watch our best Nova Scotia young Golfers in

competition. All are cordially invited.

The next Golf attraction at the Pines will take place the last week of July when top Professionals and amateurs from Canada and U.S.A. will compete for major prizes in the first-ever "Pines Open."

At a recent meeting the Juniors elected Darren Daley as their Junior and Juvenile Captain and Jeff Skinner in a similar capacity for the Midgets.

Jack Harris continues as chairman Junior Golf Development.

## Reflecting To 1947

Digby Town Council was informed that the ship's bell of the former HMCS Digby along with a scroll containing words of appreciation to the Digby people from the Department of National Defence was to be presented to the town. Plans were made for the presentation August 31 at 3 p.m. Officers of the HMCS Snipe in port were to be invited.

Town Council received a letter from the Board of Transport Commissioners recommending improvement in the level crossings in town. Stop signs were recommended for several of the crossings while a pedestrian bell and two flashing light signals were recommended for Water Street crossing.

Digby Town Council took steps in line with the rest of the Valley by going on Daylight Saving Time at midnight Saturday, July 12 until September 28. Nearly all businesses in town and 150 residents and ratepayers signed petition to adopt D.S.T.

Youngsters in Digby were disappointed when the circus train which was expected to arrive didn't do so because of a washout on the D.A.R. line near Middleton. From shortly after midnight cars and trucks, each full of a quota of youngsters, eight years to eighty, began arriving. Railway tracks were completely lined, four and five deep, for the full length of the loading area and yards away. The afternoon show had to be cancelled but the evening show went on.

John Melanson, Church Point, was presented with the president's medal and scroll by Mayor J.W. Merkel, on behalf of the National Safety Council of Toronto for saving human life. He saved the life of Marie Irene Gaudet of Saulnierville who fell in the icy waters of river.

Permission of Town Council was granted to Peter Humpherson to open a florist's shop in town.

## Wesleyan Church Baptism For 19

On Sunday, July 3rd at Johnson's Christian Park a Service of Baptism was held.

The candidates baptized were all members of the younger generation from the Digby Wesleyan Church.

The service opened with the singing of a solo number The Stranger of Galilee by David Wilson. He was accompanied by Mrs. Garland Myers on the accordion.

The ordnance of Baptism was performed by Rev. Walter L. Fernley who was assisted by Garland Myers.

The sun shone and the wind blew as the nineteen candidates entered the waters of Baptism on profession of their faith. They were: Timothy Potter, Tammy Potter, Tenna Potter, children of Mr. and Mrs. Allen Potter; Susan Wilson, Wanda Wilson, daughters of Mr. and Mrs. Robert Wilson; Donna Trimper, Beverley Trimper, daughters of Mr. and Mrs. Donald Trimper; Marcia Robinson, Shirley Robinson, Rebecca O'Neill, Tammy O'Neill; Peter Cook, Patty Cook, youngest children of Mr. and Mrs. Roy Cook; Tanya Chute, daughter of Mr. and Mrs.

Charles Chute; Michael Fernley, son of Rev. and Mrs. Walter Fernley; James Bremner, son of Mr. and Mrs. Larry Bremner; Andrew Wilson, son of Mr. and Mrs. David Wilson; Rodney Hudson, son of Mr. and Mrs. Kenneth Hudson; Crystal Bremner, daughter of Mr. and Mrs. Wayne Bremner.

## TENDERS

Tenders are called for demolition and removal from premises of the building known as the 1948 wing of the Digby Regional High School.

All salvageable material in the furnace room and cafeteria kitchen to be protected. All footings in lower concrete floor to be protected during demolition and removal procedures.

The contractor will be required to carry insurance for the job protecting the owner from all liability.

Closing date for tenders is July 15, 1977. Tenders should be addressed to MR. D. R. PYNE Secretary-Treasurer, Digby Regional School Board, P.O. Box 75, Digby, N.S. Tenders to be marked "Demolition and Removal".

*Thank You*

The Digby Fire Department wishes to take this opportunity to thank all those who assisted in any way in combating the recent fire at the Digby Regional High School.

Special thanks to the Bear River, Cornwallis and Digby Neck Departments who were there to fight and also to Smith's Cove, Barton, Plympton and Weymouth for offering their assistance.

We would also like to thank our veteran firemen from the area and the Ladies Auxiliary who were on hand to serve refreshments, provided by the Galley and The Kingfisher Restaurant.

And thank you to those citizens of Digby who aided us in any way.

Your help was greatly appreciated.

**Sincere Thanks To All**

## Universite' Sainte-Anne

## Church Point Institution

## Change Of Name

The institution of higher education at Church Point, Nova Scotia, will henceforth be known as "Universite' Sainte-Anne". This change was brought about following the passing of a private bill on May 18, 1977, and its assent on May 19, 1977, by the General Assembly of Nova Scotia and the Lieutenant Governor respectively; the Governor in Council ordered and declared it law by proclamation on June 30, 1977.

Historically, the institution at Church Point was known as Saint Ann's College (College Sainte-Anne); founded in 1890, it was incorporated and endowed with the power of conferring all university degrees in 1892 by an act of the Nova Scotia Legislature. It was the only institution of higher learning answering the needs of the Acadians of Nova Scotia and it was also the only French University in Nova Scotia.

Presently, Universite' Sainte-Anne is the only bilingual university of the Atlantic provinces and it still answers the needs of the Acadians of the province, as well as all Canadians who wish to become bilingual. Universite' Sainte-Anne offers the Bachelors of Arts and of Education degrees, an honours program in French, and certain professional

programs. Bilingualism is the general specialization of the University, that is, all students must learn two official language of Canada while pursuing their education.

The Association of Universities and Colleges of Canada (Annual Catalogue, 1976, Statistics Canada) of which Universite' Sainte-Anne is a member, reports that "the term 'University' is used in Canada to describe almost any post-secondary educational institution which has the power to grant degrees... until recently, the term 'College' was occasionally applied to other post-secondary institutions with limited powers or to constituent parts of a university but this term is now generally applied to 'Community colleges' which are outside the university structure."

Under its new heading, Universite' Sainte-Anne will publicly reflect its true character in conformity of its mandate towards the population of Nova Scotia and Canada.

Without modifying the essence of the status received by the original university charter of 1892, the law proclaimed on June 30, 1977, simply updates legal name and certain contents of the charter of Universite' Sainte-Anne.

### SPEAKER SETS GOALS FOR GRADUATES

Continued from Page 1  
shine in and can change the darkness of prejudice into understanding.

Mr. Edwards commended the students on being mature, knowledgeable, responsible and courteous students and remarked that the quality of education in Nova Scotia has never been better. He advised the students to make a specific choice for further study, develop skills along those lines and take courses available in relation to the choice and become an authority in a specific field.

Mr. Edwards was introduced by C. C. MacInness, superintendent, and thanked by Mark Applejohn, president of the Class of 77.

The Digby Regional High School Band under the director, Donald Scott, rendered the selection theme from The Homecoming before they struck Land of Hope and Glory which supplied the music for the processional march of teachers, school board representatives and graduates.

Following the National

Anthem, George Barton, chairman of the Digby Regional High School Board, welcomed the audience and introduced special guests.

Miss Jennifer Morehouse, Sandy Cove, gave the Valedictory Address, and certificates and award presentations were in charge of Mr. MacInness and D. G. Ross, principal.

Following closing comments by Mr. Ross, the entire graduating party made the recessional march to the music of Yesterday When I Was Young played by the Band. The Band had also rendered the selection taken from The Way We Were.

## Subsidiary Agreements

## For Forests And Tourism

Two Federal-Provincial subsidiary agreements to aid development of the Nova Scotia forestry and tourism sectors were signed here today by Regional Economic Expansion Minister Marcel Lessard and Provincial Development Minister A.M. (Sandy) Cameron.

The agreements were signed at the Citadel Inn, following the annual meeting of the federal and provincial officials at which continuing DREE-Nova Scotia activities and concerns were reviewed.

The two, five-year agreements have a total value of \$39,327,000.

The tourism agreement calls for DREE spending of \$11,005,600 and provincial spending of \$2,751,400.

The forestry agreement calls for DREE spending of \$20,212,000 and provincial spending of \$5,358,000.

They are the eighth and ninth agreements to be signed since the Canada-Nova Scotia General Development came into effect in September 1974.

Total value of the nine agreements is \$255,782,000, with DREE pledged to pick up the tab for \$184,059,000 and the province for \$71,723,000.

Other agreements involve mineral surveying, development of the Canso Strait Area, Development of the Metro Halifax-Dartmouth area, agriculture, industry, planning and infrastructure assistance to coal mining in Cape Breton.

## Bear River Gets Fourth Shut-Out

Bear River's Western Valley Softball League team scored its fourth shut-out of the season Thursday with a 3-0 win over Annapolis Royal.

The score was tied at 0-0 after seven innings of play. But pitcher Blair Bell brought in the winning run in the 8th with a squeeze bunt scoring centre-fielder Doug Hapeman. Walks to Robinson and Saulnier forced in runs after hits by Peck and Henshaw loaded the bases.

For the Annapolis team, John Armstrong and Karl

Cleveland each had two singles. Hits by J. Armstrong, K. Cleveland and R. Tumilty started an Annapolis rally in the eighth but two flies and a ground ball finished the game.

The win brings Bear River's record to 10 wins and one loss. Bell now has a pitching record of 4-0.

### Plan To Add Islands To Park

A proposal to have several islands off the coast of Lunenburg County added to the national park system will be discussed at a public meeting July 5 at West Dublin.

Under discussion is the addition of Cape LaHave Island, George Island, Round Island and Indian Island, as well as Black and Green Rocks as an ocean-side adjunct to Kejimikujik National Park. Officials of both Parks Canada and the Province will attend the meeting in the West Dublin community hall at 7:30 p.m. on Tuesday to outline preliminary proposals for the land in question, and hold discussions with interested parties.

The meeting will be chaired by Lunenburg County Warden L.E. Nauss. While all of the aspects of the proposal are open to discussion, the main issues identified by Parks Canada and the Province are land tenancy, fishing rights and the levels of development. It is proposed that permanent residents who wish to remain on the land will have the option of having life tenancy for themselves and their children living at home. There are three families in

this category, all living on George Island.

The lands of the half-dozen seasonal cottagers would be acquired over a period of years following the signing of an agreement between the two governments.

Because of the value of the area to the local commercial fishery, it is proposed to maintain traditional fishing practices. The natural resources of the islands are fragile so it is visualized that all development on the islands will be modest. Possibilities for national park use are nature study, hiking, boating, beach use, and scuba diving.

Following the public input from the local area and other interested parties, Parks Canada and the Province of Nova Scotia will negotiate a final agreement. The province will be responsible for acquiring all lands in the area in question and transferring them to Parks Canada.

Also to be agreed to is the transfer of federally-owned lands in the Cheticamp Lake area of Cape Breton to the Province for inclusion in the Wreck Cove hydro electric development.

### Weymouth Braves News

On Saturday the Braves, Weymouth Sr. Baseball Team played with The Hantsport Tides in Hantsport at 4.00 p.m. with the score 7-3 for Hantsport.

## Sports Day At Smith's Cove School

The last full day of school for Smith's Cove School students was an exciting day of sports events.

Three stations were set for the primarys, grades one and two and four stations for the grades 3-6. The children rotated through the stations grouped according to grade.

The last event in the morning was a tug of war with the grade 3 and 6 students pulling against grades 4 and 5. The grades 4 and 5 were successful on the first pull but the 3's and 6's immediately challenged and were victorious on the second pull.

After this there was a break for lunch. The afternoon's activities started with a presentation of prizes and trophies by Mr. Wade. Prizes had been donated by The Good Neighbour Drug Mart, The Met, Save Easy and Steadman's. Winning students were: Primary; Holly Weston Pully, Holly Weston Pully, Armista Frothinger and Nicole Coker. Grade 1; Jenny Irvine, Juanita Johnson and Kevin Robicheau, Grade 2; Maurice Cromwell, Allen Amero and John Rice; Grade 3, Jeff Jordan, Terry Miller and Tracey Martin, Grade 4; Morton Cromwell, Victor Weir and Brett Cromwell, Grade 5; Robert

Gates, Randy Barton, Mike Goguen and John Chisholm, Grade 6; Guy Simms, Garrick Cromwell and Phillip Green.

Two trophies were donated by MacDonald Motors for the top boy and girl. Top boy was Jeff Jordan and top girl was Jenny Irvine.

A trophy for sportsmanship was donated by the Hedley House. This went to Morton Cromwell. After the presentation of awards, Mr. Wade thanked the high school students and parents who helped to make the day a success.

The remainder of the afternoon was spent enjoying films. All involved would agree it was a most successful day.

# You can pocket the difference!

Compare us with the big tire-names. We think that our low prices and discounts for cash put us way out front for value. Check us out — it's like money in your pocket!

## Radial

For radial performance at low cost our Glide-Air 78 has to be your choice. And installation is included. What a plus. Fibre glass belts atop a polyester casing provide stability and smoother low speed ride — greater comfort than popular steel radials but losing none of the handling characteristics. Fibre-glass radials are now standard equipment on many cars and will appear on many more by 1978. It's the radial of the future — 32,000 mile-treadwear rated.

Bias-belted give longer mileage and better handling — qualities gained by simply gridding a bias-ply casing with circumferential belts of steel or fibre cords.

The Turnpike 2-2 Polyflex has 2 polyester belts atop 2 plies of DuPont-66 nylon. Has most advantages of the glass belted — including better braking traction and steering — but gives you the comfort of a bias-ply. Adds up to super value — especially as installation is at no extra charge!

## Nylon tires for light trucks and campers

Rugged bias-ply tires built with heavy denier DuPont nylon casings for great strength and durability with high resistance to bruising. We show only a selection of our tires but we have many more.

1. Master Highway rib-tread is a modern 5-rib tread with interlocked tread elements to reduce noise and improve steering control. Deep groove for traction and long mileage.

2. Turnpike Express rib-tread has distinctive tread elements that make it a super performer. Deep-grooved to provide lateral traction needed for reliable steering control.

## Westport Celebrates Canada Day Weekend

A dunking pool provided much fun and laughter during Brier Island weekend held at Westport over the weekend. The pool proved to be one of the most popular attractions of the event which ran from Friday to Monday.

Canada Day weekend was again celebrated in what is coming to be a yearly event. Friday just started in low gear to get the ball rolling, but the ferrymen were busy all day bringing the first of the native sons and daughters home for the celebration. During the day the children had their games, races, etc., with prizes galore. The afternoon was spent by many in the new Recreation Hall at the game of their choice. Others attended the Turkey Shoot. The evening saw a glorified BINGO game in the IOOF Hall with all kinds of prizes all donated. At the same time an enormous bonfire was kindled at the home of Mr. and Mrs. Henry Porter, where many friends from Westport and Freeport gathered for a big cook-out. All kinds of steaks, salads, etc., were bountifully supplied. Raymond Robicheau got the singing started with the help of his accordion.

Saturday was the big day, and there were so many cars crossing that a goodly number left their cars in Freeport, and used their own two feet for locomotion. In the morning was the big parade led by two horses, followed by all kinds of bicycles and cars. In the afternoon one of the popular events was the drinking pool. The hardy volunteers hit the icy water from the harbor with gasps. One chap lost his false teeth, a chilly groping for them ensued, vociferously encouraged by his friends. Another went in with his cornob pipe in his mouth, came up and kept on smoking. Much extra money was raised by "I'll give \$5 (or even \$10) to see so-and-so dunked." One brave

soul climbed back for six dunkings at \$5, a dunk!

The Recreation Hall was filled with all kinds of tables where just about anything was for sale. John Bisson held sway in the actual Fire Hall section as a very successful auctioneer. In addition to the people "Home" for the weekend, Freeport and Tiverton were well represented. Almost 60 gallons of Fish Chowder was served in addition to Spaghetti, beans, salad, etc., not to mention the pies, in the IOOF Hall. This was served all afternoon till they finally scraped the last pot and had to say, "Folks- this is all." This was in spite of ladies scurrying to their homes to strip their own larders. In the ballfield Westport went down to defeat by Freeport.

On Friday evening the young folks had their dance in the Recreation Hall, and on Saturday night the Hall was packed for the dance that was open to all. This is the first time the Hall has been used, and while far from finished proves the effectiveness of insulation. There was an attempt last year to use it when the Bazaar was held there, but the din was terrific, and the dance had to be held in the IOOF Hall. A highly successful day shows what co-operation by the whole community can achieve.

### CONGRATULATIONS.

Sunday report: On Sunday afternoon the Senior men with the aid of crutches, canes, etc., were slightly edged out by the junior team. Freeport and Tiverton played later and Freeport was also the winner today.

## Weymouth Day Draws Large Crowds

One of the largest crowds ever participated in Weymouth Day celebrations on Friday. Estimated attendance was put at 8,000.

The day started off with a street parade through Weymouth to the cricket fields. All the day's activities were blessed with sunshine.

The Thomas shows were at the cricket field where the children as well as adults enjoyed rides, a midway and fun and games.

As in the past the Kiwanis Club held a gigantic Chicken Barbecue. Hot dogs, stands, french fries, soft drinks, canteen, etc. were also sponsored by other organizations.

One of the main attractions was the ox pull contest which began at 1:00 p.m. Fifty-two teams participated. They came from the South Shore, Yarmouth as well as the Valley. Prizes were awarded to the top teams.

At 2:00 p.m. a baseball game was held between Weymouth Braves and Brizal Lake. After 12 innings the score was 7-6 for Brizal Lake. At 10:00 a.m. the Bantams played Digby with a 20-6 score after 9 innings.

The Weymouth Fire Department operated a Dunking Pool which gave laughter for the viewer and tense moments for the one to be dunked.

To close the day there was a fireworks display.

The entire proceeds from Weymouth Day will go to the Youth Programme which the Kiwanis have sponsored for many years. They have a swimming project, with Water safety and instructors, every summer at Journeays Lake.

The Parade consisted of: The Yarmouth Majorettes and Yarmouth Citizens Band; The Weymouth Majorettes which were led by Mrs. Anita Dalhgren; Mr. Ralph Cromwell-homemade camper trailer; Amiraaults Riteaway-display; Fire Department, with the fire dog from Digby; Gaudet Float-(Good old Summer Time); Weymouth Motors Float; Most Horse-Riders were dressed up, one as a clown; Franks Trucking - Frank also rode horseback dressed as a cowboy. He is the son-in-law of Mr. & Mrs. Cyril Middleton

of St. John N.B.; Chum CB-Club float; Weymouth New Horizons Club car decorated; Digby Co. Ambulance Service; A decorated car.

### WINNERS:

Winner in childrens Catagory:

Roslie McGowan- clown who rode horseback; Most original float went to CHUM float; Best Commercial float went to Weymouth Motors float; Best Non Commercial float went to Ralph Cromwell.

Fifty-two teams participated in the ox-pull with participants being broken down into five weight classes.

A Class - 3,000.80 and over: 1st prize-Darrell Walkins; 2nd Harvey Penkney-East Pubnico; 3rd Kenny Grant-Bridgetown.

## Crafts Show On Weekend

Over 100 of Atlantic Canada's finest craftspeople will converge on the Pines Resort Hotel this weekend for The Atlantic Show, being billed as the largest and most diverse summer craft show ever held in the maritimes.

Among features at the show will be a brass band, dancing on the lawn, a major Maude Lewis show and refreshments. The show will be open mornings, af-

ternoons and evenings.

Most of the activity will take place at Digby Hall. The program is being organized by Mike Susnick of Bear River.

Highlighting the demonstrations will be a working forge demonstration iron works (operated by Luke Geerligs of Sherbrook Village) and a display of the largest privately-owned Maude Lewis works in existence.

## Weymouth Red Cross Campaign "Over The Top"

The Weymouth Branch of the Canadian Red Cross Society has completed its 1977 fund raising campaign. Forty-six volunteers, under the direction of Chairperson Leota Lewis, canvassed Weymouth and nineteen surrounding communities, raising \$1,314.22, well over their original goal.

The Weymouth Red Cross Branch has been active in many other programs throughout the past year, and is looking forward to their summer activities.

## "Scallop Tagging Program For Georges Bank"

A scallop-tagging program for Georges Bank is being undertaken by the federal Department of Fisheries and Environment.

Biologists of the Fisheries Management Services' Resource Branch, St. Andrew's Biological Station plan to tag about 4,000 scallops in the waters of Georges Bank during the month of July. The purpose of the program is to provide additional information on the number of scallops in this area and to further document scallop growth rate, natural mortality, and catch efficiency. It is believed this information can be estimated from the number of tagged scallops recaptured and by comparison of individual scallop sizes at release and recapture dates.

The tags are yellow in colour, about one-half inch (14mm) in diameter and will be wired to the top shell, near the hinge. A reward of \$1.00 (one dollar) will be paid for the return of each tag attached to the shell.

Fishermen are requested to forward the top scallop shell with attached tag, along with the location, date of capture, and name and address to the Biological Station, Department of Fisheries and Environment, St. Andrew's, New Brunswick, E0G 2X0; or deliver to their local Fishery Officer.

## Crash Causes Heavy Damage

The Digby detachment of the RCMP is investigating a two car crash which occurred near the Bear River Bridge in Deep Brook around 9:15 pm Saturday. Several persons were injured.

Drivers of the cars were Wayne Parker Banks of Bridgetown and Loretta Shuffleton of Pembroke, Mass., USA.

Both vehicles were extensively damaged in the crash, one involving damages of \$4,000 and the other of \$3,000. The injured people were sent to Digby General Hospital. None were reported to be seriously injured.

Among award winners at the Digby Regional High School Graduation were front, left to right, Miss Gertrude Melanson, Miss Jane Denton and Miss Ann Rogers. Rear, Eric Woods and James Kempton.

## Youths Get Jail Terms

Two Digby area youths were sentenced to terms in Kings County Correctional Centre following a court appearance in Digby Monday.

Michael Thibault 18, and Matthew Thibault appeared on charges of auto theft, break and enter into a store in Weymouth, break and enter into the Weymouth High School, and damage to property (involving slashed tires) at the Weymouth Legion.

Robert Stanton of Weymouth will face the same charges next week.

John Sheldon MacLean of Digby was sentenced to 14

days in jail (weekends) on charges of resisting arrest, obstructing a police officer and damage to property.

Edgar Pyne of Digby was fined \$200 on a charge of using a firearm in a manner dangerous to the public.

Ernest Oliver of Weymouth Falls was sentenced to two months in Digby County Jail for break, enter and theft at a house in Weymouth Falls. He received a two months concurrent sentence for breach of probation.

Graham Cromwell of Weymouth Falls was fined \$50 on two charges of causing a disturbance and \$50 for

threatening.

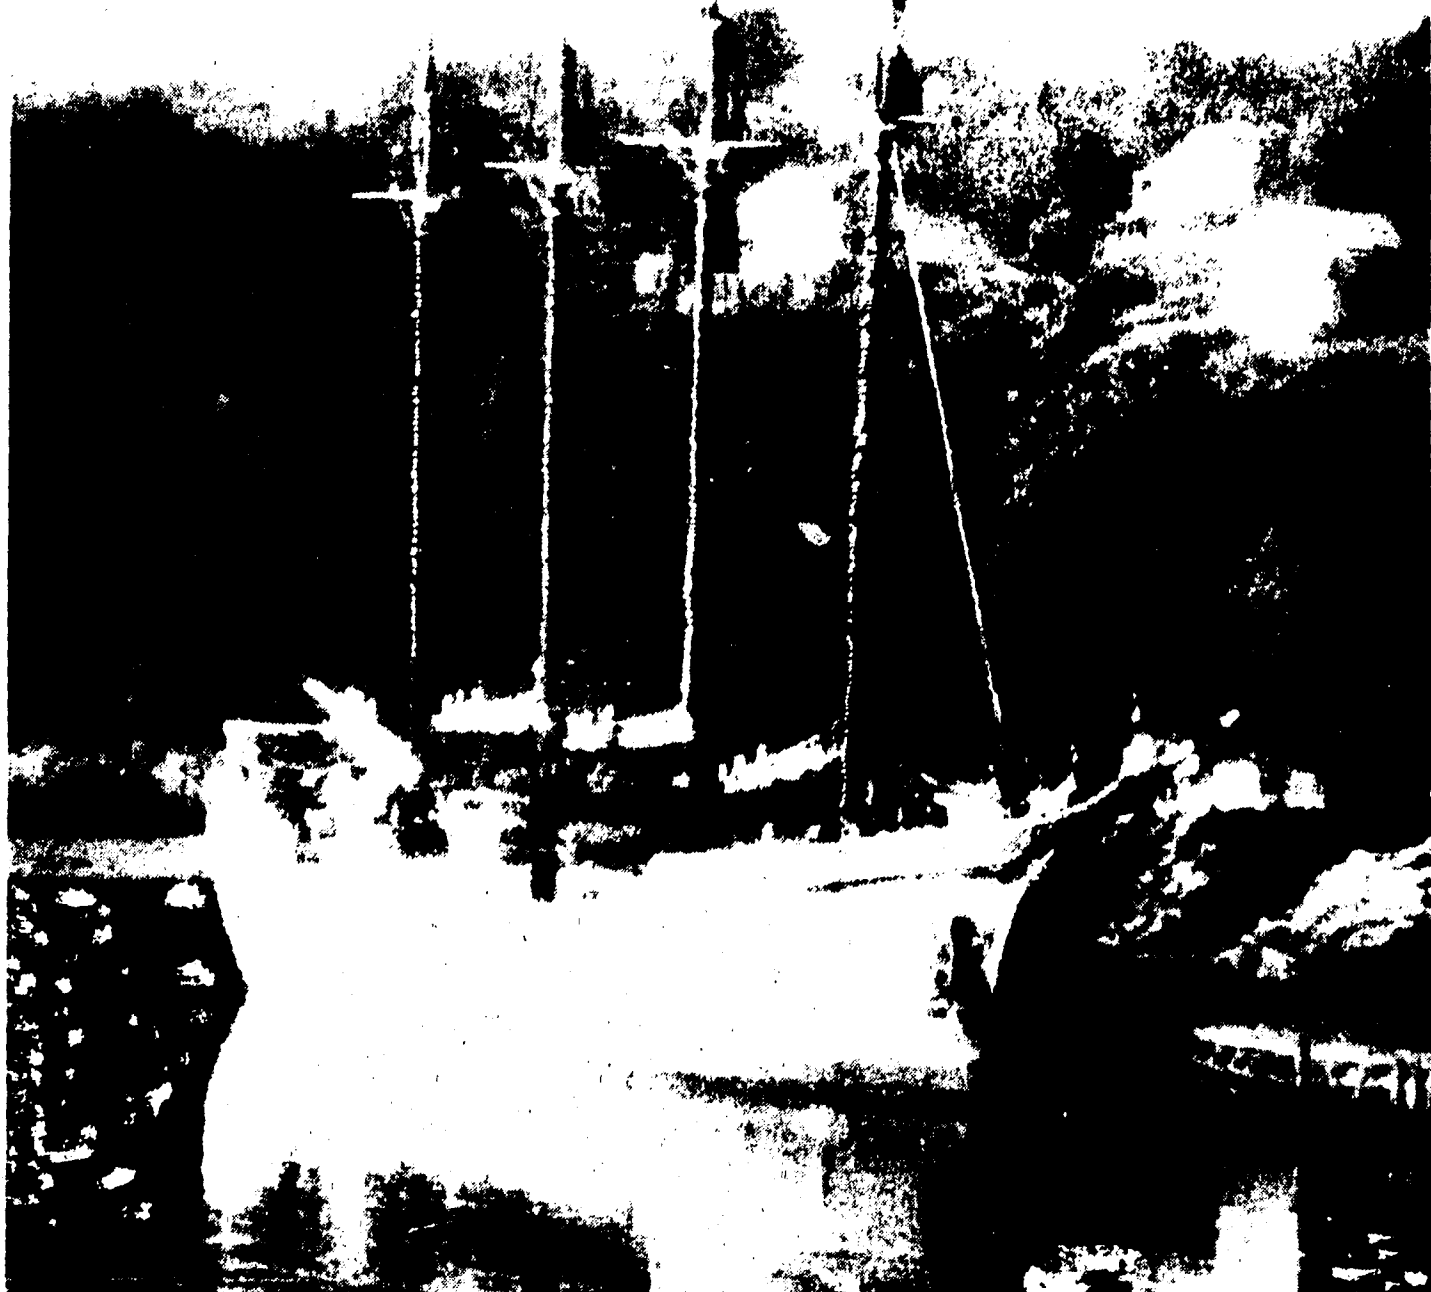

Dale Charles Germaine will be sentenced on July 4 on a charge of break and enter into MacDonald Motors on May 6.

Terry John Ryan was fined \$25 for making a noise with a motor vehicle contrary to a town noise by-law and fined \$10 for shouting contrary to another town by-law.

Leo Turcott of Bear River was jailed for one day and placed on 12 months probation for break and enter in Bear River.

Timothy Darnell Miller of Jordantown was convicted on a charge of shoplifting. He will be sentenced July 11.

## Posted To Egypt

M.W.O. Harry Rosso left  
Shearwater Airport on  
February 8, 1977 on a six-  
month posting to Egypt.  
During the weekends, Mr.  
Rosso has spent many en-  
joyable hours as he toured  
The Holy Land, Syria, Israel,  
and visited numerous places  
of interest. The temperature  
at Egypt has already  
reached the 130 degree mark

— according to letters and  
phone calls from Mr. Rosso.  
Mrs. Rosso plans to leave  
Bear River on June 28 and  
fly to Germany where she  
will be joined by her  
husband. While there, they  
will enjoy a two weeks'  
holiday visiting friends  
whom they met when  
stationed there, during the  
years of the last war.

## Digby New Horizon Busy

Thirty five members  
enjoyed the June 30th bir-  
thday party at the New  
Horizon Club by her sons  
Lincoln and Woodrow  
Carnwell of California, in  
appreciation for the en-  
joyment their mother had in  
the New Horizons. A very  
enjoyable afternoon was had  
by all of the eighty five who  
were present. Delicious  
refreshments were served at  
the closing.

On June 9th, Miss  
Lorraine MacNeill,  
Nutritionist was a speaker in  
the afternoon explaining to  
those present the proper  
foods one should eat and the  
health benefits derived from  
them especially for senior  
citizens. She showed slides,  
along with her talk.  
Refreshments were served  
at the close of the afternoon.

On June 13th the Club  
celebrated the 3rd an-  
niversary of the opening of  
their New Horizons Centre  
with thirty-eight members of  
the Kentville Senior Citizens  
Club as guests. Major Paul  
Stelheim of Port Wade,  
former Regional Director of  
the New Horizon  
Programme in Nova Scotia  
was an invited guest  
speaker. Mayor Mac-  
Naughton of Digby, ac-  
cepted the invitation to at-  
tend but was not present.

Judge Victor Cardoza was  
also invited to speak but sent  
his regrets that he was  
unable to do so, having to be  
away. Rev. Isaac Butler  
dedicated a painting in

memory of the late Vera  
Langman of Smith's Cove. It  
was given to the New  
Horizon Club by her sons  
Lincoln and Woodrow  
Carnwell of California, in  
appreciation for the en-  
joyment their mother had in  
the New Horizons. A very  
enjoyable afternoon was had  
by all of the eighty five who  
were present. Delicious  
refreshments were served at  
the closing.

On June 16th, Mrs. Edith  
Harvie of Halifax, came to  
speak on Pensioners Con-  
cerned at the Centre.  
Refreshments were served  
at the closing.

On June 21st, Mrs. Mildred  
Beckwith went to Halifax as  
a delegate to the three day  
Jamboree held at Saint  
Mary's University, for the  
Senior Citizens of Nova  
Scotia. On June 22nd thirty  
one members went as  
visitors for the day enjoying  
a free lunch and a most  
enjoyable programme  
provided in the afternoon.  
They travelled by the Spring-  
water Habitation bus.

On June 25th forty-three  
members went to Port  
Maitland as invited guests of  
their Club there. Delicious  
refreshments were enjoyed  
ending with everyone joining  
in a sing-song with music  
provided by several musical  
instruments. The members  
travelled by the Springwater  
Habitation bus.

June 28th— Mr. Roy  
Comeau, Regional Director  
of the New Horizons  
Programme in Nova Scotia,  
held a morning session with  
the Club members.

**BLENDER-A FEW TIPS**  
All too often the blender  
sits on the kitchen counter  
unused and unappreciated.  
So many times I've heard  
that its only use is for  
milkshakes. What a pity.  
Today, I want to share  
with you a few tips to make  
your blender an everyday  
helper.

**COLESLAW**—Coleslaw can  
be made in the blender in  
short order. Cut up the  
cabbage in one inch chunks,  
fill the blender half way with  
cabbage chunks. Cover the  
cabbage with cool water,  
then start and stop the  
blender four or five times.  
The water carries the  
cabbage to the blades  
quickly so that it only takes  
five seconds to chop it. The  
water is drained off and can  
be re-used for the remainder  
of the cabbage. Small  
chunks of carrot can be  
chopped as well. Both the  
quick cutting action of the  
blades and the cool water  
help to produce crunchy  
coleslaw. Because it's done  
so quickly there is not as  
much vitamin loss as the  
open air grater method.

**COLESLAW DRESSING**—  
A simple coleslaw dressing  
can be made right in the  
blender after the cabbage is  
chopped. My favourite is 1/4  
cup each of mayonnaise,  
vinegar, salad oil and sugar.  
Season with a bit of salt and  
dry mustard. Speaking of

salad dressings—homemade  
versions stay mixed longer  
and are smoother when  
processed in a blender.

**SOUPS**—If your children  
like soup but are not fond of  
cooked vegetables, blend the  
cooked vegetables with their  
cooking liquids and serve a  
very unique tasty homemade  
cream soup. Cooked carrots  
with onion is delicious done  
this way. Vegetables can be  
blender pureed raw then  
cooked for a very different  
style of soup, much like the  
canned vegetable soups with  
clear broth. These are  
particularly good for those  
who are ill, but great for  
everyone.

**ONION PUREE**—Another  
vegetable that adds a lot of  
flavour to main dish meals is  
the onion. Many like its  
subtle flavour but not its  
texture. So to disguise it,  
chop the onion in four parts,  
place it in a blender with 1/4  
cup of water and buzz until  
smooth. This onion  
flavoured puree can be  
added to meat loaves, soups,  
stews, and casseroles, and  
no one will be able to detect  
the small pieces.

**TOPPINGS**—For toppings  
on casseroles, a blender is a  
great way to crush crackers,  
chunks of bread, potato  
chips, and dry cereals.

**YOGURT-FRUIT  
CUSTARD**—And finally, for  
dessert, the blender can be  
used in many ways. Blend-  
ing yogurt and fruit  
together gives every bit as  
tasty a product as the  
packaged ones. This allows  
you to serve a wide variety of  
fruit custards with yogurt as  
the base.

**Farm Safety**  
FIRST, LAST AND ALWAYS

### North Range

(Sue W. Bragg)

Mrs. Mildred White closed the doors for the last time on Thursday night, June 30th, as proprietress of the corner store at North Range; she had been in the grocery business for thirty-eight years. In 1939 she operated a small business in partnership with Lloyd Grant of Barton on a commission basis at her home on the corner of the North Range and Meghar Road, from there the family moved to the former Edward White home, where the business expanded including many items other than groceries.

In 1948 she purchased the Corner Store from Walter Thibeau, at this time it became a general store operated by Mrs. White independently. Mens boots, rubbers, and work clothing, children's footwear as well as flour, feed, hardware and kitchen utensils were in evidence at all times. After a few years a spacious stockroom was added to accommodate the thriving business. For the past few years Mrs. White has been considering retirement. Early this spring she sold her home and business to Mr. Nelson Boudreau of Montreal, formerly of Yarmouth, N.S.

Mr. White, who for many years was a section man with the D.A.R., retired some time ago because of ill health. They will reside with their son, Stanley and family, until their new home nearby is finished. Best wishes are extended to them on their retirement.

### Southville

## Staff Dinner At Barton Consolidated School

A dinner was held on June 27th at Barton Consolidated School in honor of Mrs. Hazel Brooks, Sister Saulnier, and Jean McLellan who are leaving the staff. Special guests at the dinner were Jack Ritcey, supervisor of curriculum; Nola Jeffrey, supervisor of guidance; and Barry Jennings, president of Digby local NSTU.

At the beginning of the dinner Mrs. Brooks was presented with a corsage of red roses from C.C. MacInnis, superintendent of schools, who was unable to be present.

Following the buffet dinner, Jack Ritcey, on behalf of the staff, presented Mrs. Brooks, the retiring principal, with an engraved gold locket and spoke about her forty-seven years service in the field of education - fourteen of which have been at this school.

and Ontario.

Record of Performance testing of beef cattle has grown by more than 500 per cent since 1968.

Mrs. Nola Jeffrey, on behalf of the staff, then presented Sister Marguerite Saulnier with an engraved locket and spoke of her nine years, teaching in Barton School.

Barry Jennings, on behalf of the Digby Local NSTU, presented Mrs. Brooks and Sister Saulnier with engraved silver trays in honor of their retirement from the teaching profession.

Glenda McNeill, on behalf of the Barton teachers, gave Jean McLellan an engraved desk set as a farewell to her three years of teaching grade one.

Marilyn Bremner then presented Winnifred Prime with a cup and saucer as a special thank you for her work with the grade two class during the last three months, in the absence of Maizie Marshall.

Best wishes were extended to Mrs. Brooks and Sister Saulnier on their retirement; and to Jean McLellan and Winnifred Prime on their new teaching professions.

## Predator Control Officers Meet

Predator Control Officers from the Department of Lands and Forests inspect the workings of a humane live bear trap during a two-day depredation control course held at the Department's depot at Shubenacadie Wildlife Park. Among over 30 officers taking part in the course were (left to right) Henry Ford, Annapolis County; Arcade Comeau, Digby County; Art Patton, Wildlife Resources Manager, Kentville, and Don MacDonald, Antigonish County. Mr. Patton was in charge of over-all direction of the course.

and domestic rabbits. "We have been called upon to capture or destroy pest animals such as a skunk in a basement, or squirrels in an attic, and, of course, we have had a considerable problem lately with the suspected coyote killing sheep at Salt Springs in Pictou County. One of our predator control officers, Harry Mowatt, has been assigned full-time for a period to try to track down that animal."

Mr. Patton said that people often get excited when they spot a bear near their homes and report it to the Department of Lands and Forests. Usually the bear is just passing by harmlessly, but there is a call to get rid of the animal by trapping it or shooting it. This sometimes presents a problem.

"We would prefer not to shoot a large animal such as a bear," Mr. Patton said. "However, if we trap it and remove it live from a location, we have the additional problem of where to re-locate it. On one occasion we removed a live bear some 60 miles away. In a few days he had returned, and we knew it was the same animal because we had tagged his ear."

In the case of many predator animals who damage crops or prey on livestock, if the predator control officer can analyze the situation quickly, prevention of further damage or loss is usually the course taken. In the case of deer getting into gardens, orchards, grain or ornamental trees and shrubs, bobcat scent sprayed around, or letting a dog run in the area often deters the deer before they form the habit of returning.

It is expected, from the response of those attending,

everybody gains from the exchange."

The job of the predator control officer is to investigate cases of predator animals damaging crops on farmland, attacking livestock, or just making nuisances of themselves in settled areas.

"Our job is to manage wildlife, not destroy it, if we can possibly avoid taking that route," Mr. Patton, who was in overall charge of the course, said.

Humane trapping

Over 30 predator control officers from all parts of the province took part in a two-day depredation control course held at the Shubenacadie Wildlife Park in Colchester County.

"The idea of the short course is to exchange ideas and techniques among these men who are all skilled woodsmen and trappers," Art Patton, Manager of Wildlife Resources from Kentville said.

"Of course some are better in one area or the other, so

## Notes From The House Of Roth

MASSACHUSETTS CALLER

On Saturday July 9th, Red Bates of Massachusetts, New England's Singing Caller, will be calling with Gloria Roth at House of Roth, Clementsport. This will be the opening event at the 16th Annual Caller's School at House Of Roth.

Reservations have been made by dancers from Halifax, Bedford, Milton, and Bridgewater, to camp and dance to Red. Mr. Bates has recorded many Square Dance records, and is popular in the east. Besides being a well known Caller, he is also a Guidance Teacher in the School System near his home town of Hampden, Mass.

### GLORIA TO RECORD

At the recent Atlantic City Square Dance Convention, over 24,000 dancers were in attendance to dance to 450 square dance callers from all over the Square Dance world. Two bus loads of Square Dancers went to the Convention with the House Of Roth International, with Gloria Roth as Hostess on the trip. While fulfilling her duties on the program at the 'National' Gloria Roth was asked to make a square dance recording on the Blue Ribbon label out of Fresno, California, by caller Ernie Kinney, who owns the record

that the course will become a regular part of the predator control program in the province.

## Cheque Presented

Pictured above is Digby Lions Past President Pat Fletcher presenting a cheque to Lions International Zone Chairman Roy Smith of Middleton. The cheque is Digby's share to purchase an audio-visual machine for the Canadian National Institute for the Blind. Other clubs participating were Annapolis Royal, Aylesford, Middleton and Kingston.

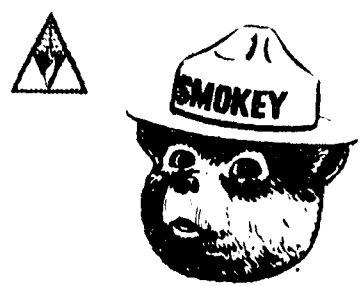

company. At the same time, Gloria's Round Dance, "Valentino Tango", will be cut on the same label, with her cueing the choreography on one side of the 45 recording. Both records will be released in the fall.

### 'O CANADA' WOWED THEM

House of Roth Blacklighters performed in front of thousands at Atlantic City on Friday night, June 24th. 24 dancers dressed in costumes that glow under Black Light, entered the hushed ballroom at the Atlantic City Convention Center to the strains of 'Oh Canada'. As they gracefully took their positions around the 'Carousel' of horses, the crowd broke into applause that lasted considerable minutes. The shock of beauty astounded many who had not seen anything done under black light. During the dancing of the Music Box, the audience, once again, broke out into applause as they witnessed the Blacklighters melting into the center, to emerge on the other side. While many Exhibition groups perform more than once, the House

Of Roth Blacklighters, due to equipment and props, only performed once, although asked to perform more. From that moment on, the lobby information booth was besieged with requests for another showing. This was the only Canadian group to perform in this, or any other of the 26 National Conventions.

Gloria Roth received invitations for the group to perform at the 27th, in Oklahoma City, Oklahoma, and at the 28th, in Milwaukee, Wisconsin.

## Atlantic Folk Festival

**SUNDANCER** - the single-engine stunt plane piloted by Ken Wright, who will perform a display of twists, loops, rolls and dives at the Atlantic Folk Festival, Sunday July 31.

## LOOK UP

Not all the activity at this year's Atlantic Folk Festival is strictly earthbound. On Sunday, July 31, the skies over John Moxsom's farm will be filled with sky jumpers, a glider-sail plane and aerobatic stunts by flying ace Ken Wright.

Dartmouth-based Ken Wright is a veteran pilot with more than 25 years under his wings. Wright and his single-engine light aircraft, Sundancer, have performed at major airshows throughout the Maritimes, Ontario and the United States. An experienced instructor, Ken has trained many of Canada's top stunt flyers. Wright will perform a daring display of dramatic twists, loops, rolls and dives.

Towed in from its headquarters at an old World War II airstrip at Stanley,

N.S., a glider from the Bluenose Soaring Club will be set loose directly above the Festival site. The sail plane will soar and glide over the crowd, eventually descending into a field adjacent to the Festival area. Members of the Bluenose club will be on hand to discuss gliding with Festival-goers.

The 1977 Atlantic Folk Festival is set for July 29

through 31 just south of Truro on the Moxsom Farm, Hardwood Lands, Hants County, N.S. This year the grounds open for camping at 6:00 p.m. on Friday the 29th with festivities getting underway at noon on Saturday. The musical talent is made up of traditional and contemporary folk artists from the Atlantic provinces and elsewhere in Canada including such performers as:

Carolina Edwards; Denny Doherty; Figgie Duff; Jonathan Edwards; Kevin Head; Chris Hennessy; Kil tarlity; Eloi LeBlanc and Laura Boudreau; Sue-Ellen Lothrop; Marie-Paul Martin; Paul and Lutia; Red Island; Ron MacEachern; Ted Jordan; and Valdy; who will be appearing on Saturday. Sunday's line-up includes: Charlotte Cormier; Finnigan; Gerald Mitchell; Good Brothers; Gospel Hour; Harry Hibbs; Jimmie Oulton and Friends;

Linda Slade; Last Chance Band; Men of the Deeps; Sam, Matt and Marcel; Wilf and Baxter Wareham.

## Not Too Late For Corn Crop

Information has been received at the Digby County Agricultural office in Weymouth, from Alex L. Henderson that it is not too late to plant corn. But if they still have 20-25 percent of their corn to plant I would suggest they continue planting their present hybrids until the first of July. If 40-50 percent or more of their corn is still not planted I would suggest that all late maturing hybrids be replaced wherever possible with Acco. D.C. 103, Stewart 2300, Pride R102, R097, Pioneer 3994, 3992, etc.

Forage maturity has been delayed at least 7-10 days but a few days of hot sunny weather will rapidly mature the standing crop. Once fields are dry enough for machinery travel, all stops should be pulled in the harvest operation to make best use of what quality is over in July.

Mrs. Bertha Haviland came home Saturday after a three weeks stay at the Annapolis General Hospital for tests and treatment.

Miss Ruby Merritt of Halifax, spent the weekend with her brother, Glenn, Mrs. Merritt and family.

Mr. and Mrs. Frank Rawling returned home this week after a pleasant vacation spent with friends in Michigan, and other parts of U.S.A.

left. Rapid filling of silos is of ultimate importance. With this year's delay caused by wet weather N.S. Farmers should not overlook double shifts or round the clock filling of silos. This holds true with forage that is harvested for hay; it should be harvested as soon as possible.

With the dry, wet conditions last week, hay matured very rapidly. Haying operations should go into full swing this week if weather conditions are good.

# Thirty-Three Islands Students Graduate

(Mrs. Virginia Crocker)

The graduation exercises took place at the Islands Consolidated School on Wednesday evening, June 22. There were 33 students from grades 11 and 12 taking part in this event.

The graduates and teachers marched into the auditorium capped and gowned, along with the guest speakers and took their places on the platform. Mr. Floyd Gale presided at the piano for the Processional, the "Queen", "O Canada" and the choral selections. The Invocation was given by Mr. Gale, then the Greeting by the Vice-Principal, Mr. E. Donovan. Miss Debbie Stanton gave the Valedictory, Mr. Peter Outhouse the Class History and the Class Prophecy written by Miss Wendy Cann was read by Miss Heather Delsey.

These were followed by choral selections by Miss Joy Celsey and two numbers by the "Who-Dun-It" group.

The Supervisor, Keith Manzer presented his report, followed by a few words from Parker Thurber, representing the Digby Municipal School Board. The presentation of certificates of marks to the

grade 11 and 12 students was made by teachers, Roger Outhouse and Wayne Lincoln. The awarding of prizes took place next and this was done by Mr. Outhouse, Mr. Lincoln and stage guests. The prizes are as follows for

Junior High:

These were presented by the Warden, Mr. Wilfred Swift, who also presented the following prizes to the Senior High Students.

Math prize - Donald Thurber; Modern Foreign Languages - Helen Outhouse; Home Economics - Deborah Stanton; Geography - Bette Crocker; Biology - Peter Outhouse; Chemistry - Everett Pyne; English - Joyce Robicheau;

History - Pamela Prime; Physics - Bette Crocker.

Inspector Boudreau then presented the following prizes for Highest Average in grades 10, 11, and 12 to Helen Outhouse - 92.2, Norma Prime - 92.0 and Beverly Buckman - 92.2.

The Lieutenant Governor's medals to William Howard and Jane Thurber, Queen Elizabeth II's medal to Deborah Stanton, Home and School Bursary of \$150.00 to Deborah Stanton and also a \$50.00 Bursary from the Home and School to Randy Elliott and Teachers Union Bursaries of \$200.00 to Deborah Stanton and \$200.00 to Peter Outhouse.

Mr. Parker Thurber presented the following prizes: Most Valuable Player in Girls' Basketball - Bette Crocker; Most Valuable Player in Boys' Basketball - Kendall Ossinger; Most Valuable Player in Boys Badminton - Steven Comeau; Most Valuable Player in Girls Badminton - Michelle Kinney and Kimberly Comeau.

The House Trophies and the Grand Trophy were then

presented and the Gordon Welch trophy from the Welch family in memory of their son, presented to Kendall Ossinger by Miss Cindy Welch and the Student of the Year presented to Randall Prime by Mr. Thurber.

Not presented at the Graduation, but received by grade 11 students were two Bursaries valued at \$8000.00 each for French Immersion Course at St. Ann's College. These went to Miss Joy Delsey and Miss Bette Crocker. The guest speaker was introduced by K. Manzer and he gave a most inspiring talk to the graduates and audience. He was thanked by Mr. E. Donovan and with the Benediction by Mr. Gale, "The Queen" and the Recessional of Graduates this brought the exercises to a close.

Following the graduation, the graduates and their guests were guests at a reception held in their honor by the Islands Home and School. This was held in the Home Economics Room. A buffet style lunch was served from tables decorated for the

event with white table cloths, flowers, candles and fancy dishes which contained sandwiches, sweet breads, fancy squares, pickles, cake and also two bowls of punch. About 100 students, guests, teachers and Home and School members attended this reception.

As of now, thanks to all the Home and School members and all others who contributed "goodies" for this event and helped make it so successful. May we also wish all the graduates the "best of everything" in the years to come and success in what ever endeavor they may do.

evening, June 30th. The  
group met at the summer  
cottage of Mr. and Mrs.  
Gerald Budd.

The Minister of Fisheries and Environment, Romeo LeBlanc announced today that preliminary lobster landing statistics from Lobster District 4 indicate that catches for the 1976-77 fishing season closely parallel those attained during 1975-76. Lobster District 4 is comprised of the waters off Southwestern Nova Scotia from Cole Harbour, Halifax County, to Burns Point, Digby County. Mr. LeBlanc noted that although the landings during the past fall and winter were considerably lower than the previous year, the lobster catches during the 1977 spring fishery exceeded those caught during the spring of 1976 by over 6.2 million pounds. He stated that the exceptional landings during March, April, and May of 1977 followed the pattern of other years in that when the fall and winter catches are low the landings during the spring fishery are normally above average. Total landings for the 1976-77 season amounted to 10,730,000 lbs., compared to 10,752,000 lbs., landed during 1975-76.

Mr. LeBlanc observed that several factors could have contributed to the fall and winter decline in catches, specifically, very adverse December and January weather, colder than normal water temperatures and the after effects of the February 2, 1976 storm. He also stated that intensified biological research was well underway on lobster stocks. This year's studies include three separate projects. One is a lobster larvae survey in both the offshore and inshore waters to determine the

distribution and movement of the larvae to help in the understanding of the source of recruitment to the various lobster grounds. These studies will be carried out from late June to early September period. Another project is an assessment of the juvenile lobster populations in the inshore area. Special traps will be used to capture smaller lobsters and this sampling will be undertaken in the waters off Port Maitland, Pubnico, Seal Island, and at Baccaro. The long-term aim is to correlate catches of juvenile lobster with subsequent landings of adults with a view to predicting stock abundance a year or two in advance. In addition to these projects, an intensified sampling program will be initiated during the regular lobster fishing season to obtain detailed

biological data on the lobster catches and fishing effort. Such information is essential for stock assessment purposes. These research programs will contribute to a better understanding of the population dynamics of lobster stocks.

## Scallop Day Planning Cherry Carnival Queen Candidates Gains Momentum

Planning for this year's edition of Digby Scallop Day is well underway. This year's Scallop Day Committee chairman, Ken Eavis, says the program for this year's event should witness more activity and participation than in previous years.

Among events being planned are: a bicycle decorating contest will start off the day's activities. Judging of this event will be held between 10 a.m. and 10:30 a.m. Band music will get underway at 11 a.m. and continue until 1 p.m. Featured bands will be Don Scott's German Olmpapa Band and Eric Twahig's Champlain Quartet.

From 3-4 p.m. judging will take place for the photo contests. Prizes will be awarded for a number of categories, i.e. local scenes, town scenes, etc., in both black and white or color. The contest is open to all.

A children's fishing contest will be held from 2-4 p.m. with judging from 4-4:30 p.m. Both local and non-local youngsters are welcome to participate. Hand lines and bait will be available for a small charge.

Another afternoon event will be demonstrations provided when two scallop draggers and one lobster boat anchor to put on a show.

The popular scallop-shucking and fish-filleting contests will be held from 2-4 p.m.

Other activities will include the Scallop Shis-ka-bob and beer garden (10 a.m. to 6 p.m.), and the yacht races beginning at 4:30 p.m.

The welcoming of VIP's (invited guests) will take place at 1 p.m. Among the guests will be MP Coline Campbell, M.L.A. Joe Casey and fisheries minister Dr. Dan Reid.

Casey's fish plant will be open for tours during the afternoon.

A new activity this year will be a balloon-travelling contest. Balloons will be on sale and released at the wharf. A prize will be provided for the owner of the balloon which travels the farthest. Names of the owners will be marked on each entry.

Another newcomer is the scallop-shell decorating contest. Those wishing to enter this event can pick up shells at either the O'Neill or Casey fish plants.

The public won't have to stand to watch Scallop Day activities on the wharf this year. Bleachers will be installed which will seat 400 spectators. All Scallop Day activities will be held at the wharf area.

### Liberals Plan Annual Meeting

The founding meeting of the South West Nova Liberal Association, which will also be an annual meeting, will be held in the form of a picnic on Sunday, July 24, at the Digby East Fish and Game Club from 2-6 p.m.

The founding meeting will take the form of an old-fashioned picnic and Liberal gala. There will be swimming facilities, and free hot dogs, tea and coffee. An area has also been set aside

for local talent.

Coline Campbell, M.P., notes that this event will give everyone an opportunity to welcome the residents of Annapolis East, who, because of redistribution, will be part of South West Nova for the next election.

There will be many special guests, including the Hon. Don Jamieson, Secretary of State for External Affairs; the Hon. Daniel MacDonald, Minister of Veterans Affairs; the six local M.L.A.s -

the Hon. Peter Nicholson, Mr. Joe Casey, the Hon. Benoit Comeau, the Hon. Fraser Mooney, Mr. Hugh Tinkham and the Hon. Harold Huskisson. Senators who have agreed to come are Senator Al Graham, President of the Liberal Party of Canada; Senator Ernest Côtteau, and Senator Henry Hicks. As well, Mr. Al Abraham, President of the Nova Scotia Liberal Association, will be attending.

### Highest Enrollment For French Immersion Program

The annual French immersion summer course at Université Ste-Anne is once again underway. This year's student population numbers 210 students from various parts of the province and nation...the highest number ever registered for the course.

The purpose of the course is to develop interest and ability in French as a second language (only five of this year's students are Acadians) and its enrollment has steadily increased since it was first offered in 1972 to the current high of 210, 178 from Nova Scotia with the rest from P.E.I., New Brunswick, Ontario, Alberta, Saskatchewan, Quebec and British Columbia.

The students registered Saturday and took placement tests and on Sunday night took "the pledge", a key ingredient of the school's success, namely that for six weeks they would speak no English - only French, both in the regular morning sessions, the afternoon courses and workshops (theatre, film, and many others) as well as in their normal day to day social contacts with other students.

Rev. Leger Comeau, director of the summer school and the university's extension services department, said most of the young people attending the course are between 16-18, mainly due to the requirement of the Secretary of States Department that students

have completed grade 11 to be eligible for the bursary they provide to cover the student's tuition.

Father Comeau said one problem that has arisen with the funding scheme is that it makes it impossible for people who should, and would like to take a second year to do so as most students have to put in their next summer (after grade 12) working to earn money for college.

"We believe," he said, "if a student can attend two summer programs they really become most efficient in the use of French, so it is really unfortunate that the funding program is set up the way it is."

Father Comeau said he has written the department asking them to consider making a program along the lines of the old OFY scheme available for grade 12 graduates who had shown ability in French to be "paid" for spending a second summer improving their French.

"I think this would be money wisely invested as any Canada Works or similar program, as it would ultimately serve Canada instead of just helping the student finance his studies."

He said another problem is "follow up" to the summer school as many former students have complained that they do not get often a chance to use French in immersion situations again during the following school year.

September 1972 he was awarded the Medal of Bravery for rescuing a comrade from a burning vehicle.

Chief of Defence Staff commendations are awarded to members of the forces who perform a deed or action beyond the call of normal duty.

Capt. Gesner, a pilot, was cited for his exceptionally good aircraft handling and crew-coordination during the rescue of 17 survivors of a crashed civilian Twin Otter aircraft at Bella Coola, B.C. on Sept. 22, 1976. The flights were carried out under extremely hazardous flying conditions.

### \$1,660 For Pool

The 1977 Digby Swimming Pool Walk-a-Thon Project, sponsored by the Kiwanis Club of Digby, has been completed with a total of \$1,660.00 being raised. The Kiwanians have expressed their appreciation for the excellent support of all who participated, the merchants who donated prizes and treats, and the fine support from the public.

The top prize winners in the Project are Tina Doucette collecting \$59.02 and Timmy Simms, collecting \$55.00. Tina wins a portable radio from Digby Home Furnishings, while Timmy wins a bank account with \$25.00 from the Royal Bank of Canada.

### Traffic Increases On Princess Of Acadia

Passenger traffic on the Princess of Acadia, operating between Digby and Saint John, increased in June by 1.1 percent to 18,135 from 17,941 a year ago.

The N.S. - N.B. service was the only ferry service

operated by CN Marine to experience an increase in passenger traffic. Overall use of CN Marine passenger services has been in steady decline for the past nine months. The overall decline for June was 7.1 percent.

During June, the Princess of Acadia carried 5,042 passengers vehicles, up 2.5 percent; 506 trucks, up 3.5 percent; and 1,874 tractor trailers, up 31 percent.

Rail freight tonnage also took an overall decline during the month while truck and tractor trailer traffic was up over last year's figures.

### Crafts Show Termed Fantastic Success

An estimated 4,000 people visited Digby Hall Saturday and Sunday for the Atlantic Crafts Festival, a show which organizer Mike Susnick terms the largest summer show in the maritimes.

The 115 craftspeople on hand for the show came from all over the maritimes. Displays were set up on both levels of the hall and on the adjacent grounds.

The show was officially opened on Saturday with addresses by Joe Casey, Digby M.L.A.; Digby Mayor Stewart MacNaughton, and Pines manager Victor Bradshaw. MP Coline Campbell was also in attendance.

The show was organized by Mike and Donna Susnick of Bear River with assistance from Pines socio-

cultural co-ordinator Lantz Woolaver. Facilities were donated by the Pines Re-ort Hotel.

Works on display and for sale included weaving, stained glass, ceramics, quilts, agate and amethyst jewelry, wrought iron, paintings, handcrafted furniture and over 100 more.

The show also included a brass band concert (Champlain) and a free ballet performance by the Halifax Dance Corps on Saturday.

Display highlights included a showing of a private Maude Lewis folk-art collection and a demonstration by Lunk Gerlugs, a blacksmith from Sherbrook Village.

Mr. Susnick is hopeful the show will become an annual event.

CN Marine carried 177,745 passengers on five major ferry services last month, a drop of 7.1 percent over June of 1976. Statistics for each of the eight previous months also show a decline in passengers carried.

Passenger vehicles carried also dropped last month. The total of 57,812 automobiles, auto trailers, campers, buses, motorcycles and bicycles handled represents a decline of 4.9 percent.

Rail freight tonnage declined 23.6 percent on the 99,335 tons carried during June of 1976.

Trucks transported last month totalled 8,569, an increase of 11.9 percent. The number of tractor trailer units handled was 9,388, an increase of 21.4 percent.

### Multicultural Band In Festival Parade

Arrangements have been made to have a multicultural pipe band appear in the Acadian Festival Parade which gets underway at 2 p.m. Sunday.

George Bell, co-ordinator of the Western Nova Multicultural Association announced Monday that the arrangements were made over the weekend by the regional association and the Nova Scotia department of recreation.

The group, the Springhill Pipe Band, is well-known in areas of the province. Its membership consists of representatives of a number of ethnic and racial groups in the province.

The Western Nova Multicultural Association also plans to enter a float in the festival parade featuring representatives of the various ethnic groups in

western Nova Scotia. The Springhill Pipe Band will arrive in Church Point on Saturday evening. The following day it will appear in the Halifax Natal Day

### Bear River Serviceman Commended

Master Corporal Robert L. Harris, 33, of Bear River, is one of three Nova Scotia members of the Canadian Armed Forces to be commended for exceptional performance by General J.A. Dextraze, Chief of the Defence Staff.

The others are Captain Nelson B. Gesner of Granville Ferry and Sergeant Charles H. Clements of Sydney.

MCpl Harris, a member of the 3rd Regiment Royal Canadian Horse Artillery at

parade. Festival committee chairman Yvon Comeau confirmed the multicultural band's appearance Friday night.

CFB Shilo, Man., was commended for his quick action in extinguishing a fire in a truck carrying high explosives during a night exercise at CFB Shilo last October.

The trucks were in convoy when MCpl Harris saw the one ahead of him on fire. The burning truck was stopped and MCpl Harris crawled beneath it with a fire extinguisher and got it out.

This was not the first award for MCpl Harris. In

### HOW TO FIGHT OFF A BAD MOOD

Depression is the most common and perhaps the oldest known emotional problem, reports the Canadian Mental Health Association. Socrates, Lincoln and Churchill were three leaders who suffered from the "blues" or "bad moods". It doesn't really matter what we call it as long as we recognize that our bad mood isn't unique.

We all have periods when we feel worthless, afraid, alone. A depressed mood can be triggered by circumstances ... the death of a relative or friend, divorce, unemployment, sickness. This emotional dip is to be expected, but when the depression lasts a long time, or gets in the way of productive living, you should seek professional help.

If your depression is not severe, here are some ways that you can help yourself:

1. Concentrate on doing things that you do well to help build your self-confidence.
2. Engage in some physical activity.
3. Talk over your feelings with someone you trust.
4. Visit someone who is lonely or ill. This will help you feel better about your own situation.
5. Break out of your usual routine. Take a vacation if possible.

6. List as many of your personal and professional achievements as you can. You'll start to look better to yourself.

7. Even though you may not feel like it, work at making your physical appearance as attractive as possible.

If your blue mood persists, and becomes something you can't handle alone, seek professional help. A family doctor, social service agency or local Branch of the Canadian Mental Health Association can refer you to sources of help.

### FESTIVALS APLENTY

The season of summer festivals is now well underway.

Community festivals, events, celebrations and whatever encourages a sense of community spirit among residents and serves to provide leisurely activity for residents and tourists alike.

Some of those which have already come and gone include the Brier Island Weekend, Smith's Cove Good Times Day, DEFAGA's Annual Sports Day and at the western end of our municipality - Weymouth Day.

But the largest and most popular annual festival attractions are yet to come. Those coming most readily to mind are the Bear River Cherry Carnival and Digby Scallop Day.

The Bear River Cherry Carnival is an excellent example of what community-minded citizens can do by pulling together.

This annual event attracts visitors from far and near to Digby County's most picturesque village. Cherry Carnival parades and events are second to none in the area. Although the organizers may be few in number, participants are numerous.

The Cherry Carnival has become a long-standing and dependable means of raising funds for the Bear River Volunteer Fire Department. Don't miss it - July 23.

Digby Scallop Day is a relatively new event to the area. The third festival, planned for August 20, is expected to be bigger and better than in previous years.

A tribute to Digby's most famous product the scallop, Digby Scallop Day is sponsored by the Annapolis Basin Tourist and Recreation Council.

And then there's the Digby County Exhibition in September. Well, we'll hear more about that in future editions.....

## Letter To The Editor

Opinions expressed in the Letter to the Editor column in this newspaper are not necessarily those of the editor.

To the Editor  
OUTHOUSE GENEALOGY  
Dear Mrs. Wallis:

In 1933-34 Mr. L. Cunningham of Halifax started a genealogy of the descendants of Robert Outhouse, with the hopes that in the future, someone would continue where he left off. I have undertaken that monumental task and have

received much help from members of the family who have added to their copies of the original document through the years.

Robert Outhouse was the first of that name to settle in Tiverton when he received a grant of land in 1788. Recent information received in Tiverton from a genealogist in Texas tends to confirm

## History Of Point Prim Lighthouse

### Part 1

By Frances Stronach Adams

A lighthouse has been described as a "Signpost of the Sea". The mariners who follow the ways of the sea and fight it's never ending battle, are always pleased to see a flashing light or hear the sound of a fog horn. This "signpost of the Sea" not only guides them to a safe harbour in a dark or stormy time, but warns them of some hidden reef.

Canada was officially formed on July 1, 1867 and at that time 227 lighthouses were located in Canadian territory. It is believed at least 52 of these lightstations were along the coastline of Nova Scotia. The Department of Marine & Fisheries had been newly established and all lighthouses had been placed under their authority.

The first form of "lighthouse" was a huge bonfire. Canada's first lighthouse was built at Louisbourg by the French in 1733, and about 84 years later the Government established a lighthouse on the rock bound coast of Digby Gut.

This lighthouse was established in 1817 and during the early days it was referred to as "The Fundy Light". The original lighthouse was located on the Northern most end of the road, now known as the "Lighthouse Road". It stood on the west point of the entrance to Digby Gut. History tells us by 1820 a total of 10 lighthouses were located in Nova Scotia. From the time "The Fundy Light" was established until the 2nd, (second), recorded keeper, Mr. Sheppard J. Frost, was appointed, there was a period of about 55 to 56 years.

Mr. F. Bragg was the only recorded keeper during this time. The writer does not know when he was appointed as keeper, only that he did tend the light for a period of time

during these years. He completed his term in 1873 on May 1st, when the second (2nd) keeper was appointed.

The first fog signal was the firing of a gun. We are told Mr. Bragg had a swivel type gun and that when it was used, the noise was so loud that one would find ear stoppers beneficial.

In 1871 a steam whistle was established and this method of blowing a fog signal replaced the first. To operate this steam whistle a deep well was dug and water was carried through a square box instead of a pipe. The box was elevated several feet high on a row of poles which had been erected on a slant allowing room enough in places for a child to walk under. This water supply made power to blow the Fog Whistle and remained in operation until 1911, when oil engines were established. They were used to compress air for the new type fog horn. These engines have been largely replaced by electricity. The signal consisted of a four second blast and 26 seconds of silence.

The original lighthouse was burned to destruction on the night of March 18, 1873. Records tell us that the old tower was not safe because it had been falling apart. The keeper was not in the chamber when the fire started and no one was injured.

A new lighthouse was then built on the same site, at a total cost of \$3,410. The lighthouse was a square white tower with a red stripe on each side and had a dwelling house attached. Mr. Sheppard J. Frost was appointed as keeper of the light on May 1, 1873. His wife was Mary J. Approximately two months after they had taken up residence at their lighthouse home their son, Angus R. was born and died 22 days later, on July 28th.

Today over 101 years later, a small monument and foot stone made of white marble, still marks the infant's resting place in Bay View Cemetery on the North side of the little church, which is just over a mile from Point Prim Lighthouse. This lighthouse has been, for many years, called Point Prim Lighthouse. Point Prim was over a hundred years ago called Rogers Point. It was named after General Rogers, who defeated at the Point, the last band of hostile Indians in Digby. The name of the point remained unchanged until many years ago, when a ship was wrecked on the Point. All hands were lost except a negro whose name was "Prim", so from then on it has been called "Prim Point" or more commonly "Point Prim". The remaining men were buried on the Point.

Mr. Sheppard J. Frost's term as keeper of the light ended in March 1876 and on the 8th of that month Capt. William Ensley Ellis became keeper of the light. Capt William E. Ellis was born in New Brunswick, Sept. 25, 1837 and was the son of Mr. and Mrs. Ephraim Ellis, his father being from Digby and his mother from New Brunswick. On Sept. 25, 1860, on his 23rd birthday, he married Mary, daughter of Mr. and Mrs. David Hazelton. Mrs. Ellis was born in Ireland, moving to this country with her parents in her youth.

The wedding ceremony was performed by Rev. Mr. Gray, then rector of Holy Trinity Church, Digby.

The salary of the keeper at that period was \$800.00 a year.

In 1876 the tower of the lighthouse was struck by lightning but no serious damage resulted.

The lighthouse keeper Capt. William Ellis, and his brother, Capt. James Ellis, who resided on the Shore Road, owned the Telephone line from the lighthouse to Digby. Captain James Ellis was the father of Boyd S. Ellis, who now lives in Digby. They built this and maintained it for 20 years at least. Mr. Alexander Adams was one of the first people in

## Let's go Boating

Boating is one of the most exciting and satisfying sports ... but it pays to do it safely. There's no need to take chances when a little care and caution will make every outing a pleasant experience.

"Nobody likes to be lectured about safety," says a spokesman for the Allied Boating Association of Canada. "But the wise sailor learns to accept and adopt basic safety rules for his own protection and that of his passengers and fellow boaters."

The early spring boating season presents the greatest hazards. New owners are anxious to try out their boats and may rush headlong into trouble without having mastered the operation of their craft or by ignoring rules and regulations.

Canadian waters can be chilly. A person won't last very long in cold water and heavy clothing can quickly drag you down.

There is an equipment check list available for every size of boat. This information is contained in the publication *Boating Safety Guide*, which may be obtained free from the Federal Ministry of Transport, or the Allied Boating Association of Canada, Suite #210, 4800 Dundas St. West, Islington, Ontario M9A 1B1, telephone (416) 236-2497. Here are some basic rules:

First, a government-approved flotation aid is required for each person aboard. In a boat 18 feet in length or smaller, these can be a lifejacket, personal flotation device or a cushion. These items should be stored in a dry, accessible area, and not used for other purposes such as fenders. Lifejackets should be worn at all times, particularly by children.

A fire extinguisher is a must for every boat with an inboard motor and larger types of sailing craft. It should be held securely by a bracket and located near the steering position. It should also be checked a couple of times each season to ensure that it has adequate pressure. If it is of the dry powder type, shake it to make

sure the powder is loose and not caked.

Most of today's power equipment runs without too many problems, but it is a good idea to have some basic repair items stored and secured aboard in a dry container, such as a large plastic garbage bag fastened at the top. These emergency items should include a tool kit with pliers, wrenches, screw drivers, spark plugs and wrench, cotter pins, and often a spare prop. The engine manual should be easily available at all times and stored in a waterproof case.

Operate your boat in a conservative manner. Take care not to jump the wake of other boats and stay away from areas of turbulence. Don't put a heavy hand on the throttle. Keep your speed at a rate where your boat feels steady, comfortable and controlled. Remember that debris will be at the peak during the spring. Look for and remove deadheads, driftwood and other navigational hazards whenever possible.

Of course, it's an absolute rule to never overload your boat. When you are opening up a cottage or camp reached by boat, there is a temptation to shorten the number of trips by piling in people and supplies. Don't do it. Use safe loading limits. These are posted in boats 12 feet in length and over.

Of course any new boater should learn the "rules of the road". Know all the necessary navigational regulations required to operate your craft in a safe manner. Don't guess. There are plenty of books and information sources readily available on the subject. So "learn the ropes" before you cast off.

Also remember that alcohol and boats don't mix. As captain of your craft, confine your drinking to dockside.

A safe boating holiday is a happy one. Careful cruising! For more information contact the Allied Boating Association of Canada, Suite #210, 4800 Dundas Street West, Islington, Ontario M9A 1B1 or telephone (416) 236-2497.

this area to have a telephone on this line. Later it was sold to the Valley Telephone Company and then to the present Company, Maritime Telephone and Telegraph Company.

Mr. Douglas Thompson, of Bay View, served with Capt. William Ellis as his assistant keeper for 22 months. In July, 1887 Capt. William Ellis discovered a comet which is now known by all astronomers the world over as the Ellis Comet.

## Court Report

### Youth Gets Four Months

Robert Alfred Stanton, 20, of Ashmore was sentenced to a total of four months in Digby County jail during an appearance before Judge K. Crowell in Magistrate's Court in Digby Monday.

Stanton was sentenced to two months for break and enter with intent, and to one-month terms on each of two charges of theft over \$200. The sentences will run consecutively.

Three area youths received \$5 fines on charges of loitering contrary to a town by-law. The offence took place on Water Street.

Those fined were Evelin Peters, Angela Moore and Bonnie Lee Adams, all of Digby.

that the family name was Uythuysen, from No. Holland.

I am most anxious to hear from any members of the Outhouse family, even those who have descended from daughters and therefore carry another name.

I am staying at present with Mrs. Colin Crowell, beside the cove in Sandy Cove and my address until September is Sandy Cove, N.S.

Mrs. Gerald B. Otis.

# Applying for a Social Insurance Number for the first time? Don't listen to how someone did it last year.

Where you apply for a Social Insurance Number and what you need when you apply. Where? Your local UIC office. What will you need? Proof of your identity.

If you were born in Canada, you'll need a primary document like a birth certificate or a baptismal certificate from Quebec. Naturalized Canadians need their citizenship certificates. If you're a landed immigrant you'll need your immigration papers. Originals or certified copies are needed.

You'll also need secondary identification. It can be something official with your name on it, like a driver's licence or a school report card. Here photocopies are fine.

You don't want these important documents lost or misplaced. That's why we ask you to go, in person, to your local UIC office. They'll approve your documents on the spot, help you with your application and send it to Ottawa. You can take your documents home right away. You'll get your Social Insurance Number card in the mail.

If you can't get to a UIC office you can go to a Canada Manpower Centre or you can mail your application direct to Ottawa. But you'll have to send original documents or certified copies. And if there are problems with your application or documents it's going to take longer to iron them out than it would face to face in a local office.

Establishing your identity is the best way to make sure your Social Insurance Number stays with the right person. And that's pretty important.

## Culloden Church Opens

The Culloden church, closed for a great number of years, is again back in business as the Culloden Bible Fellowship. The building was the former site of the Culloden Baptist Church.

Church leader of the Fellowship congregation is Keith Hatt who moved here from Kingston in July of last year. Mr. Hatt had been holding Sunday School at his home before services started at the church in May.

Mr. and Mrs. Hatt have three children, Penny-Lee, 13; Teddy, 12; and Kenny, 9.

Everyone is welcome to the church's Sunday program consisting of Sunday School at 10:00 a.m., morning worship at 11 a.m. and evening service at 7 p.m.

## Smith's Cove Drive-In Church Service

The Drive-In Services sponsored by the Smith's Cove United Baptist Church, continue to be well attended.

On Sunday, July 3, Rev. Earl Waterman, pastor of the Christian Advent Church, Bear River, was the guest speaker. Special music was presented by the Advent Church Choir.

This past Sunday, July 10, Rev. Paul Legge, pastor of the Clementsvalle United Baptist Church, was the speaker. Mr. Legge also accompanied the Clementsvalle Baptist Choir and mixed quartet. Mr. Legge also shared in the music ministry of the Clementsvalle

Choir by accompanying them on his accordion and joining in the singing.

This coming Sunday, Rev. George Brydon, pastor of the Chegoggin United Baptist Church, will bring the message. Mr. Brydon is not a stranger to this area as he has served in pastorates on the local scene as well as lead the Men's Choir.

Special music will be presented by the Men's Choir now under the direction of L.E.R. "Bud" Winchester. The public is cordially invited to attend this service held at 7:00 p.m. on the grounds of the Smith's Cove Consolidated School.

## Bride-To-Be Honoured

On Monday evening, July 5th, a bridal shower was held at the home of Mrs. David Cosman in Ashmore in honor of Yvonne White.

The evening was spent playing games after which the bride-to-be, assisted by Mrs. Alfred White Jr., opened her many lovely and useful gifts. The bride-to-be then thanked the many

guests for their lovely gifts. A delicious lunch was served, after which the bride-to-be served the shower cake. Hostesses for the evening were Mrs. David Cosman and Mrs. Alfred White Jr. Also assisting in the playing of the games and serving were Susan and Joyce Manzer, Pat Howell and Sandra White.

## Facts About Our Forests

Nova Scotia has 10.8 million acres of land suitable for timber production (84 per cent of the total provincial land area). Provincial crown land accounts for 2.6 million acres (24 per cent); federal crown land 0.3 million acres (2.5 per cent) and private ownership eight million acres (73.5 per cent).

Of the eight million acres in private ownership, 5.6 million acres are in approximately 50,000 parcels distributed among some 30,000 owners each holding a total of less than 1,000 acres of forest land.

This ownership pattern, showing a predominance of private land, is in sharp contrast to the general ownership pattern for all of Canada in which 91 per cent of all productive forest is

crown land. Softwoods cover 53 per cent of the total productive forest land; mixed wood and hardwoods account for 29 per cent and 18 per cent, respectively.

The average capability of forest land in Nova Scotia for timber production, assuming site proper species, fully closed natural stands, even age class distribution and good management, has been estimated to be at least double the current annual growth. Thus, a program aimed at removing the present constraints and improving management of the resource could eventually allow the harvesting and processing of two to three times more timber than at present.

## Special Guests At Rossway Church

Rarely does one get such a combination of dynamic and talent in one place as there will be at the Rossway Baptist Church on Sunday morning, July 24th, at 10:00 a.m. There are exciting things going on in the world of the Christian Church and some of them will be apparent at this special service.

SIGI is internationally known as an exceptionally interesting and dynamic speaker. Born in East Berlin during the last stages of World War II, she and her family fled Communist Germany just as the Berlin Wall was in its last stages of completion. As an escapee, it was unsafe for her to ever be found behind the Iron Curtain again. Yet, each year she will make several pilgrimages into Russia itself and satellite countries with contraband cargo - Bibles. The Church in Russia must exist for the most part underground, meeting in secret. People have been executed for the crime of owning a Bible. One man of Sigi's acquaintance, who pastors a number of secret congregations, has been punished by the State for his faith; his children have been surgically operated on to cause deafness, that they might not hear the precious name of Jesus. Others have been persecuted and harassed in similar ways. The Bible is prohibited, and is classed as pornographic literature if found being carried in.

Yet these courageous people from a number of different agencies have been able by the grace of God to carry Bibles into Communist countries by the carload, often very poorly disguised. Some have been caught. One group recently was only saved from long arrest and possibly serious penalty by the fact that a member of the party was a retired U.S. Court judge. Yet these courageous people carry on, and the persecuted Church in Russia has a constant, though inadequate, supply of Bibles. In the forefront of the struggle, at repeated risk to her own life is Sigi, the young lady who, following her marriage last December, went with her new husband behind the Iron Curtain with another cargo of Bibles as their way of taking a honeymoon. Sigi has been on national television in the USA and has been

the subject of several books.

THE KEYNOTES are a Halifax-based Gospel singing group that have really made a reputation for themselves in the Maritime Provinces and even beyond. They have sung in concerts with the Cathedral Quartet, the Speer Family, the Kenny Parker Trio, and others and have gained a large and enthusiastic following. Their style ranges from close harmony to a wide, five-octave range; from slow devotional songs to up-tempo Southern spirituals, from old favourites to the very newest of contemporary Gospel songs. Their attitude is joyful, their stage presence is exciting and their lives are mirrors of what they sing. Everywhere they go, they attract an enthusiastic following and invitations for return engagements come in faster than they can be accommodated. Obviously able to make a success in any type of music, they choose to remain faithful to the Gospel message and their performances are a blend of professional sound, downhome humour, and total enjoyment of what they are doing.

Miss Odile Boyd is from Bridgetown and is famous throughout the Churches of the Maritime Provinces. She has toured extensively with the choir from the college she attended, and has been soloist in many of the services held around the Annapolis Valley region. Possessed of a very dramatic voice with an excellent range from low contralto to flowing high soprano notes, she thrills audiences wherever she sings.

There are further plans, as yet in the works, to make this service a milestone in the history and ministry of the Church. It is expected that a large crowd will be present, and arrangements are being made to seat an overflow crowd. Sound will be piped in to another room for the ones unable to find sitting room in the main auditorium. With such an array of talent, and such dynamic persons as the KEYNOTES, Sigi, her new husband, and others, it promises to be a very special service. Pastor of the Rossway Baptist Church, David Keith, invites any and all who are within driving distance to come and take part in the celebration.

## Retiring Superintendent Presented With Gift

Mr. Robert Wilson who served the Digby Wesleyan Sunday School faithfully was on Sunday July 3rd presented with a Plaque in recognition of his service of seven years as Sunday School Superintendent.

The presentation was made on behalf of the Sunday School by Mr. Kenneth Hudson, the newly elected Sunday School Superin-

tendent. When expressing thanks to the Sunday School, Brother Robert said he loved children, everybody's children and he also remembered he loved leading little ones to Christ.

He retired last month as superintendent of the S.S. but he is presently serving as the assistant superintendent.

## Patchwork Pieces

by Marlene Dale

"Be it ever so humble there's no place like home." Yes, it's great to be back in my own home and kitchen, using my own appliances and utensils. Three months is too long to be away. But O! the weather in Alberta! Sunshine every day for weeks at a time. It is well called "The Sunshine Province". It was an unusual winter weatherwise, with record high temperatures. Several people spoke of experiencing 20 and 30 degrees below zero in former years. But this past winter, the thermometer hovered around freezing most of the time, with many days up in the 40's. I'm glad I escaped the snows of Nova Scotia. My husband sent coloured pictures to me, so I know just how plentiful and mountainous the snow was.

Now we are bothered with mosquitoes, blackflies and woodticks. To compensate for this annoyance, we can hear the singing of birds, and the croaking of frogs, and see the beauty of the countryside—so lush and green during this wet weather. I marvel at the abundance and variety of wildflowers as we drive along the country roads. The lupin is of course the most colourful. I would like so much to have some growing around our mailbox.

One day last week I found a bird fluttering around in the window of the back porch. It was dull red in colour, so I think it was a pine grosbeak. This time I had sense enough to open the door and allow the bird to fly out by himself. A year ago when I found a bird vainly trying to get out by flying against the window, I tried to catch it. How foolish of me.

The other day I had two small boys come to the house. They came to pick up a parcel I had brought for the mother of one of them from Digby. I let the boys into the kitchen and then stepped out to let the dog in. When I came back, the boys were at the sink, drinking water from an unwashed glass flower vase! Boys will be boys I guess!

After working in the garden for about half an hour yesterday, I brought 11 woodticks into the house with me.

The wildflowers are irresistible to me. I have five different arrangements in the kitchen. One consists of three daisies and a bud with a spray of green leaves from another plant. One is a small spray of blackberry blossoms, in a low brown earthenware vase. Another is three daisies, three pink clover and a few buttercups. These are in a yellow ceramic vase. A few flowers can make a more attractive bouquet than a large bunch.

### Weymouth

(Mrs. J. Cosman)

Congratulations to Oakley Sullivan, son of Mr. and Mrs. Colonel Sullivan, Hassets, who received a gold medal and award of \$20.00 for the best athlete of the year at the Weymouth Consolidated High School.

Mrs. Wallace Seaver of Warren, Ohio, is visiting her brother, Mr. Jack Ruggles and family.

Mr. and Mrs. Eddy Hankinson and baby Erika spent the weekend visiting her parents, Mr. and Mrs. Fred Blenkhorn, of Port Williams.

Mrs. E. C. Irwin and children, Joanne and Susan, and Mrs. Irwin's mother, Mrs. Evelyn Johnston, of Camp Borden, Ontario, are spending the summer at their home.

Mr. Peter Gabriel Sr. and son Peter and daughter Ruth left this week for India to visit relatives and friends.

Mrs. Edward Rice and children of New Glasgow are spending the summer at their home in town.

Mr. and Mrs. Eloi Comeau have recently moved from Montreal after retiring to take up residence at their home here.

Mrs. Thomas Comeau and daughter Brenda have returned home after visiting the past few days in Halifax.

Mr. and Mrs. Doug Woodcox of Ontario have recently been transferred to Shelburne, N.S.

Mrs. Woodcox is the daughter of Mrs. Ken Dalhgren and the late Mr. Dalhgren.

Get well wishes go out to Mrs. Annie Langford who is a patient at the V.G. Hospital, Halifax.

Mrs. Stewart Lewis and children are visiting her parents, Mr. and Mrs. Kenneth Norris in Charlottetown, P.E.I.

## The Impossible Dream

Some day the world will all be one;  
No "this country" or "that country"; no more need  
For emperors, ambassadors, kings,  
Presidents, prime ministers, or any of their breed.  
There shall be no war; no hate;  
Neighbor shall not plot 'gainst neighbor to cause him loss or pain;  
Crime shall have become a relic of the past;  
No man evermore shall feel he was born or lived in vain.

"Utopian", you say, "future history  
Will likely never record it."  
Ah well, perhaps not. But then,  
We might each one try living toward it.

## My Prayer

Pauline Hardwick

Be with me now, dear God, I ask,  
Help me to face each daily task,  
Help me my cross of life to bear,  
In others' sorrows let me share.  
A kindly word, that I might say  
To those who've fallen by the way,  
"Lift up the helpless and the weak,  
Help them, dear God, their faith to keep,  
When strength and courage seem to fail,  
Let love and tolerance prevail.  
Our guiding light to always be  
An anchor in life's troubled sea,  
You gave to love, the flowers, the trees,  
The sinking sun, the evening breeze,  
These simple things, I love, you see,  
Because God, you gave them all to me.  
And you will never hear me cry,  
Because fame and fortune passed me by,  
No matter what my fate may be,  
"Be with me in my hour of need,  
Dear God, you'll all my sorrows share  
Hear me in this, my evening prayer."  
If I have failed my earthly vow,  
Forgive me and be with me now,  
Abiding faith, let me be sure,  
Watch over my dear ones, gone before.  
Where there's no sorrow, grief or pain,  
This prayer I ask in Jesus' name.

"FOR HOME AND COUNTRY"

EDITED BY WOMEN'S INSTITUTE

Mr. and Mrs. Carlton Parker accompanied by Mrs. Lila Purdy, Mrs. Hattie Brown, Mrs. Alma Banks and Mrs. Kathleen Banks motored to Greenwood on Thursday.

Mrs. Janice Purdy, daughter Christine and son Stephen from Agincourt, Ontario are spending two weeks at the home of Mrs. Lila Purdy.

Sgt. Ronald L. Parker who is in the Armed Forces, Communication Department, Halifax, has been posted for the summer months, to Borden, Ontario as an instructor for the Cadets. Sgt. Parker is the elder son of Mr. and Mrs. Carlton Parker. Their younger son Sgt. Allen D. Parker is at present stationed at Saskatoon, and lives in Hanley, Saskatchewan.

Recent guests of Mrs. Lila Purdy were her cousins Mrs. Rhoda Vye, Mrs. Stella Woodberry and Mrs. Rita Steele of Middleton, also Mr. and Mrs. Duvernet Cummings of Paradise. Other guests were Mr. and Mrs. Darrell Porter and Mr. and Mrs. Carlton Parker. All enjoyed a delicious turkey dinner.

Mrs. Purdy celebrated her eighty-fifth birthday on June 13th and was entertained at a party at the home of Mr. and Mrs. Darrell Porter Morganville.

Mrs. Francis Young and son Michael of Yarmouth spent a week with her parents, Mr. and Mrs. Darrell Porter, Morganville. Mr. and Mrs. Young recently moved from St. John's Newfoundland where Mr. Young is manager of the Royal Bank.

Mrs. Lizzie Milbury of Digby and Miss Margaret Milbury of Halifax are spending the summer at their home, Sissiboo Road. Miss Phyllis Cox, Halifax, was an overnight guest at the home of her brother, Eric Cox and Mrs. Cox.

Friends of Mr. Tom Hancock will be sorry to hear that he is a patient at Blanchard Fraser Hospital, Kentville.

Mrs. Annie C. Nicholl, Boston, is spending some time at her home in Bear River.

J.J. Gordon McDonald, Eureka, Pictou County, is relieving manager at the Bear River Branch of the Royal Bank while Mr. William Cox, Mrs. Cox and family are on holiday. Mr. McDonald is a guest at the home of Mr. and Mrs. Chester Kaulback.

Stephen Peck, eldest son of Mr. and Mrs. Rodney Peck, has summer employment on an icebreaker.

Recent guests at the home of Mr. and Mrs. Morris Cox were Misses Phyllis and Marie Cox, Halifax, Mrs.

Cox's brother, Mr. William McClair, Gypsum Mines and also visits from Mrs. Cox's sister, Mrs. Carl Cochran and Mr. Cochran, and Mr. and Mrs. Earl Ward of Gypsum Mines and Mr. William Graham, Dartmouth.

### Smith's Cove

(Phyllis S. Winchester)

Vacations are great, but it takes time to catch up on the news when one returns, so if we are a bit tardy you'll know why.

We have new members of the community who moved here from Pointe Claire, Que., to a new home on the Old Post Road. They are Mr. and Mrs. Arthur (Laura) Belson, and Mr. Harold Newman, parents and uncle of Mrs. Karl Abbott.

Visiting at the Abbott home recently were Mr. and Mrs. Harold Abbott of Pointe Claire, Que. While they were in this area they also visited their son, Donald, and his family who reside in Culloden.

Visiting relatives and friends in the States for two weeks were Mr. and Mrs. Clifford Robbins.

Mr. and Mrs. William Rogers of Sudbury, Ont., were home for a few days visiting with her parents, Mr. and Mrs. Gerald Young and family.

Mr. Kenneth Smith, Sudbury, Ont., visited his father, Oakley Smith, who then returned with Kenneth to Ontario.

Among the returnees to our area are W.O. and Mrs. Harry R. Suls who are now posted to CFB Cornwallis. Their former posting was Petawawa. Harry and Juanita are residing with his father, Harry A. Suls.

Arthur Belson is a patient at the Halifax Infirmary. Another patient at the

Infirmary is Clifford Robinson who is recuperating from hip surgery.

Mrs. Ella MacDonald was a patient at the Victoria General Hospital for several days where she underwent major surgery. Mrs. MacDonald is now at home recuperating.

Mr. and Mrs. Robert M. Winchester enjoyed an extended vacation in New England recently. While there they visited former neighbors, relatives and experienced a trip through "Mystery Hill", North Salem, N.H.

Councilman and Mrs. L.E.R. Winchester enjoyed a recent weekend at Sherwood Forest campgrounds with their daughter, Mrs. H.A. (Rae) MacKenzie, S-Sgt. MacKenzie and family of Dartmouth.

### Waldec East

(Mrs. Aubrey Durling)

Mr. and Mrs. William Thorne, of Port Royal, and Mr. and Mrs. Ira Dukeshire, of Clementsport, spent Sunday evening July 3rd with Mrs. Guy Haight. Guests at the same home on Friday evening were Mrs. Reta Stevenson, Ottawa, and her son, Mr. Chester Stevenson, Digby.

Mrs. Charles Robbins and three children of Fredericton, N.B. were recent visitors of Mr. and Mrs. James Robbins.

Mr. and Mrs. Wilfred Jones and children, Pauline and Peter, of South Branch, N.S., visited at the homes of Mr. and Mrs. Aubrey Durling, and Mr. and Mrs. Albert MacKenzie on July 7th.

Mrs. Everett Pyne of Clementsvalle and Mr. and Mrs. Donald Chute of Somme, Sask., visited Mr. and Mrs. Aubrey Durling on Friday.

Mr. and Mrs. Mervin

Ringer have returned from a visit with her sister, Mrs. Robert Moulton, Mr. Moulton and family, in Montreal.

### Joggin's Bridge

Mr. and Mrs. Chester Brinton motored to New Minas on Sunday evening, July 3rd and on Monday they accompanied their daughter, Mrs. Ronald Wright and daughters, Kim and Carrie on a week camping trip to Prince Edward Island.

Mrs. Joseph Jefferson was hostess to the regular meeting of the Society of Friends Club on Tuesday evening, July 5th. The refreshment of the evening was strawberry shortcake.

Miss Candia Simpson, Dartmouth, is visiting her grandparents, Mr. and Mrs. Earl Thomas.

Mr. and Mrs. Douglas Woodman and children have been visiting their parents, Mr. and Mrs. Gerald Marshall, Mr. Clayton Woodman and other relatives.

Glad to report that Mrs. Olga Shupe has returned home after being a patient in the Digby General Hospital.

Mrs. Ernest Lowen and three children, Pam, Cathy and Jimmy, Fairfax, Virginia, have arrived to spend the summer months at their cottage and to visit her father, Capt. James I. MacPherson.

At the time of writing Mr. Clifford Robinson, is a patient at the Halifax Infirmary following major surgery. Mrs. Robinson is staying in the city during his hospitalization.

### Bear River

#### New Horizons Notes

The New Horizons Centre in Bear River held a combined birthday party - picnic in the Kejinkujik Park, and also shared in the fortieth wedding anniversary of Mr. and Mrs. Chester Kaulback, two of their members. It was the Centre's first visit to the Park as a group, and a delightful outing was shared by all members.

Preparations for the Arts and Crafts Exhibition at the site of the County Exhibition grounds in Bear River are going well. The roof of the new stadium is almost completed, and it is expected that all will be ready for the opening of the Festival of Art and Music on the 29th of July. A number of Senior Citizen's centres are taking part in the display of arts and crafts, together with many local artisans from the Valley and South Shore area, and a colourful display can be expected when they are all set out in the Exhibition buildings. The evenings

concerts are almost completely programmed, and will provide some varied and interesting offerings of music and song.

With the Cherry Carnival almost here, the Centre is preparing for an influx of visiting senior citizens and will have an open house during that special Bear River event. Members have made a lot of new friends in the course of inter-group visits and it will be a pleasure to welcome them to share in the Cherry Carnival activities.

The special Charter Flight to London in the fall has created a great deal of interest across the province and many enquiries have been received for details of the trip. Local senior citizens, (who do not require to be members of any existing group, may find out the details of the trip by writing to E.F. Hall, New Horizons, Bear River, who will be glad to send out the

#### In 3-2 Victory

A throw by centrefielder Doug Hapeman cut down Bob Sanford at home plate with the potential tying run with two-out in the last of the ninth inning to preserve a 3-2 extra-inning victory for Bear River over Clementsport Legion in a Western Valley

Softball League game.

A sacrifice fly by pitcher Blair Bell sent Terry Riley, who had tripled to lead off the ninth inning, home with the winning run.

Steve Saunier and Riley led the winners with two hits each.

Mike Mansfield and losing pitcher Harry Potter were the top hitters for the Legion with a double and single each.

#### MAKING IT IN CANADA

**CAVENDISH COUNTRY** - 27' - Cal Cavendish a Canadian Country and Western song maker who refuses to sing in bars where "they don't listen" works as a Calgary security guard part-time. Disc jockeys begin to play his music and he gets closer to the big time.

**LONELY BOY** - 26½' - A candid look at a boy who really made it - Paul Anka - from both

sides of the footlights. The teen audience screams and Paul reveals what he thinks of it all. A classic film - one of the best half-dozen films made by the N.F.B.

**THE BEST DAMN FIDDLER FROM CALABOGIE TO KALADAR (FEATURE)** - Nova Scotians will see many parallels from their own environment in this film about the consequences of choosing uncertain and

itinerant bush work over factory shift and the effects of such isolation on a family who tries to go it on their own. This semi-sad reality set in upper Ottawa Valley woods might well have been filmed at Sissiboo Falls or Greywood. Appearing as well-charactered husband and wife are Chris Wiggins and Kate Reid.

## New Advantages For Atlantic Fishermen

OTTAWA - New advantages for Canada's Atlantic fishermen within the 200-mile zone and good cooperation by foreign nations fishing within and outside the zone emerged from international discussions concluded recently in Ottawa, Romeo LeBlanc, Minister of Fisheries and the Environment, has announced.

"I welcome the results, especially the increasing harvest by Canadian fishermen of cod off northeast Newfoundland and Labrador," Mr. LeBlanc said. "This fishery saw the worst losses of Canadian fishermen to foreign fleets. Now, conservation measures have the Canadian catch already rebuilding."

The May - June discussions took place on the occasion of the annual meeting of ICNAF (International Commission for the Northwest Atlantic Fisheries), which retains fishery management powers outside Canada's new 200-mile limit. Informal talks made progress toward new multilateral arrangements for northwest Atlantic fisheries to replace ICNAF; official negotiations will take place in Ottawa next October.

The Ottawa meeting set quotas for 22 Atlantic fish stocks with foreign fisheries.

Following further consultation with fishermen's groups and industry representatives, the Department of Fisheries and the Environment will set quotas later in the year for some 20 other major stocks fished exclusively by Canada or by Canada and France.

The stocks for which quotas were set include those outside the zone, those overlapping the 200-mile line, and those inside the limit in which there are

foreign fisheries. For stocks within the zone, Canada sets Total Allowable Catches and reserves quantities for Canadian fishermen to meet their needs, allocating the rest to other nations.

Since 1976, catch limits in the northwest Atlantic have been drastically reduced to let stocks rebuild. "For the cod stocks off Newfoundland in particular, which lie within our zone, we will make sure of a fast build-up," Mr. LeBlanc said.

"Newfoundland depends above all on fishing, and above all fishing depends on the northern cod. The catch from this stock in 1974 was one-fifth the level of 1954; the Grand Banks cod also declined under foreign fishing pressure; and we must try to undo the damage this depletion caused to fishing communities."

Quotas for northern cod have been reduced from 660,000 metric tons in 1974 to 160,000 metric tons in 1977, with increasing percentages for Canadian fishermen. For 1978 Canada has reduced the total catch again, to 135,000 metric tons, and reserved 100,000 metric tons for Canadian fishermen. "The conservation measures have already shown results," Mr. LeBlanc said. "Our cod

"Neither rain nor..." stopped GOOD TIMES DAY at Smith's Cove on Saturday, July 9, 1977, as evidenced by the sizeable crowd that joined the local residents in having a day of fun. Not only fun, but also to raise funds for the two local groups sponsoring the event, the Smith's Cove Volunteer Fire Department, District 8, and the Smith's Cove Historical Society.

Of necessity, some stalls that normally would be outside were brought inside -

catches on the northeast coast went up last year and will increase more this year. We will continue to rebuild this stock of fish, providing increasing benefits for our hard-pressed inshore fishermen."

Canadian quotas for redfish, another species of major importance, and for Grand Banks cod are up substantially (see attached table and map). For the 22 stocks considered, both inside and outside the zone, Canadian fishermen will be able to increase their catches by 50,000 metric tons of groundfish and 30,000 metric tons of other species. Foreign quotas for groundfish (which includes cod, redfish, flounder and similar white-flesh species) dropped by 24 percent.

such as books - and made for a snug fit in the hall, however, no grumbling.

The games stalls bravely withstood the elements and carried on in carnival manner. Likewise the lobster, clam, burger and hot dog stalls and they were kept busy throughout the day.

The Fireman's Auction took place inside the garage with Councilman L.E.R. (Bud) Winchester and Lynwood Thompson sharing the calling honors.

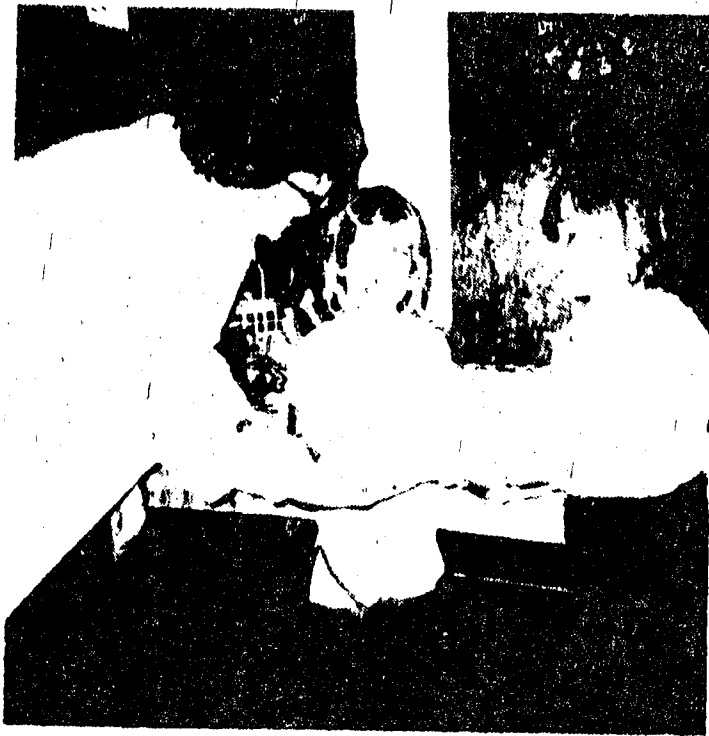

Managing the games sections were Harold Dunn, Jim Martyn, Fred Raymond, John Murray, Rae McCleave and Fred Mazner.

The food stalls were ably run by Guy Adams, lobsters; Harold A. Sulis and Kelsey Raymond, clams; pop and chips, Anne Raymond; "Bear Island" burgers and hot dogs, Mrs. Kelsey Raymond, Douglas Irvine, Peter Belyea and Peter Hinton.

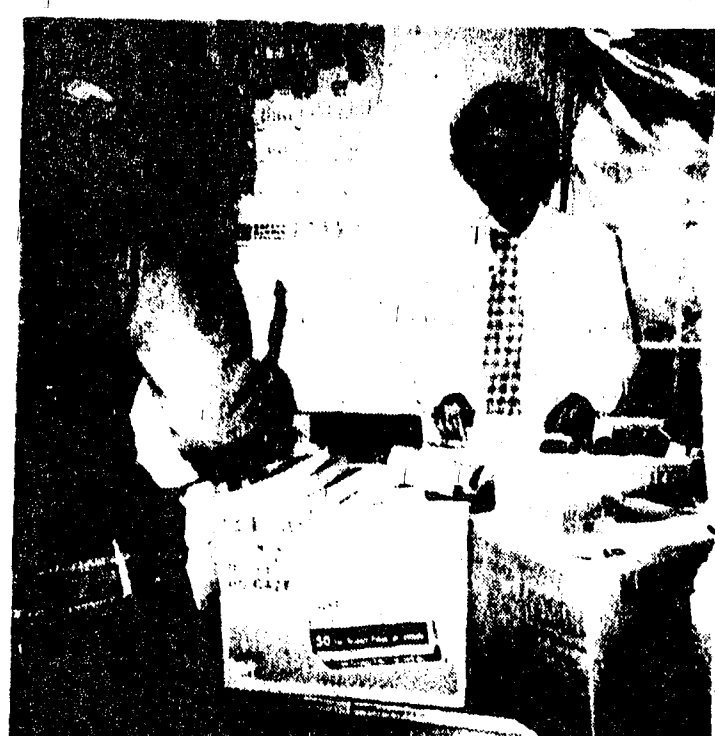

Publicity was handled by Frank Wightman and David Raymond.

Inside the Community Hall were the plants table, knick knacks (just poke around and you might find that unusual object you needed), books for young and old, fancy work, home baked goods and - to rest weary feet for awhile - a place to sit down and enjoy a cup of tea.

## Good Times Day

South Western Nova MP Coline Campbell presents a lovely doll-cake to Amy and Whipple Smith, daughters of Mr. and Mrs. Hugh Smith of Harbour View House and Halifax, during Smith's Cove "Good Times Day" activities on Saturday.

A book for everyone - Miss Margie Moorehouse was in charge, assisted by Miss Brenda Brooks.

A plant for your lover? Mrs. Nancy Hutchins asks the question as Miss Isabel Cassit looks on.

Mrs. Arthur Hill and Miss Elizabeth Winchester were co-conveners for this area and were assisted by the following committees: Plants - Mrs. Bruce Hutchins and Miss Isabel Cassit; Knick Knacks - Mrs. George Warren, Teresa Warren, Miss Catherine Weir; Books - Miss Marie Morehouse and Miss Brenda Brooks; Fancy Work - Mrs. L.E.R. Winchester, Miss Daisy Andrews and Mrs. Frances Wyles; Baked Goods - Mrs. David Irvine and Mrs. Mona Hebb; Tea - Mrs. Ted Miller, Mrs. Douglas Miller, Mrs. Gerald Young, Mrs. Guy Adams, Mrs. Frank Wightman, Mrs. Zena Rice, Mrs. Cecil Raymond and Floral Center arrangements - Miss Edith Wightman - Mrs. Elsie Daniels donated

a beautiful doll to be raffled and which was won by Pat Potter of Clementsvale.

Another doll, this time a delicious cake, donated for raffling by Mrs. Brian Handspiker, was won by Whipple and Amy Smith, daughters of Mr. and Mrs. Hugh Smith of Halifax and Harbour View (Smith's Cove). Coline Campbell, MP, Southwestern Nova, was standing by when the girls arrived to receive their prize and graciously assented to present it to the excited girls.

The Fireman received \$100 from the sale of a "Flower Girl" quilt which was donated by Mrs. Hugh Amero, Acadia Valley.

David Irvine, president of the Historical Society, Fire Chief Gerald Thompson and

their members are to be commended for a job well done in spite of adverse weather - it was still GOOD TIMES DAY at Smith's Cove!

# Life: it's non-returnable

Waste is a dirty word yet last year Nova Scotia's highways saw the worst waste of all... the waste of 203 lives in highway accidents.

This year there will be others - you can bet on it. Nobody knows who they'll be but we do know how it will be... inattention, the single greatest cause of car accidents.

When you drive, drive as though your life depended on it. Pay attention or it could cost you your life! And that's non-returnable.

What are you doing with the rest of your life?

Nova Scotia Department of Highways

## Celebrate 35th Wedding Anniversary

Mr. and Mrs. Fred Amero of Queen Street, Digby, were guests of honour at a party Friday evening. The occasion was their 35th wedding anniversary. Present were some thirty friends, neighbors and relatives.

Hosts and hostesses for the evening were Mr. and Mrs. Gary Wamboldt of Bear River and Mr. and Mrs. John Amero of Deep Brook. Mrs. Wamboldt is the former Susan Amero, daughter of Mr. and Mrs. Amero and John Amero is their son. Another son, Mr. Floyd Amero, and his wife who live in Salem, Mass., were unable to be present but sent greetings.

After the presentation of many beautiful gifts, cards, letters and flowers a toast to the happy couple was proposed by Judge Victor Cardoza. Following this Mr. and Mrs. Amero cut in traditional fashion a beautifully decorated anniversary cake. Serving were members of the family of the honoured couple. Miss Crystal Amero, granddaughter of the happy couple, was in charge of the guest book.

Among the guests present for the occasion were Mr. Henry Comeau, Tracy, N.B., best man at Mr. and Mrs. Amero's wedding, and Mrs. Viola Rose of Enfield, bridesmaid at the wedding. Mr. and Mrs. Amero were married at Holy Cross church in Plympton by the Rev. Luke Gaudet.

On Wednesday the salad luncheon which was held at the Parish Hall Deep Brook, was very well attended. The tables looked very attractive and the food good. The proceeds will go to St. Edwards Guild for church purposes.  
A number from here attended the Birthday party of

the Neighborly Club at the home of Mrs. Joan Chalmers, Deep Brook, on Thursday evening which was a very enjoyable affair with games and music and at the close of the evening delicious refreshments was served by hostess including Birthday cake and ice-cream.

Mr. and Mrs. Fred Efford and family left on Thursday for Pembroke, Ontario, to spend their vacation with relatives and friends.

**Local Students At Forum For Young Canadians**

Two Digby County High School students were among five youngsters representing Nova Scotia in the Forum for Young Canadians held from June 25 to July 2 in Ottawa. The local participants were Nora Saulnier and Carolyn Marshall. The other Nova Scotia students were Wayne McDonald from Port Hastings, Mark Theriault, Wolfville and Cathy Bagnell of North Sydney.

The Forum is an educational program which brings outstanding senior high school students from all over the country to Ottawa to learn about the federal government from the people involved in its operation. In the process, they also hash over and discuss each other's regional points of view.

Each Forum session consists of a week crammed with 22 lectures, seminars and discussions. Last week's began with a lecture on the Canadian Constitution given by an expert on the subject, Sen. Eugene Forsey. There was a discussion with Robert Stanfield on the function of an opposition party, and with Postmaster General Jean-Jacques Blais on the role of a Cabinet Minister.

Some time was also set aside for important extras like a formal dinner with the

Forum participants' MP's, tours of the city and a special for last week - a visit to the Great Canadian Birthday. All Forum sessions follow basic course format, designed to lead students from a study of the structure of government to an examination of the various factors affecting the decision-making process. There are two week-long sessions held concurrently in March and again in June during regular school holidays.

Each session is attended by a hundred students over 16 who are specially selected on the basis of their academic standing and demonstrated leadership ability as well as their interest in politics and current affairs. They are first recommended by their school principals and then have their applications approved by a provincial Forum selection Committee.

They all go to a private session in the House of Commons where they sit in their MP's seats and question the Speaker, the Hon. James Jerome. Later they return to watch the MP's themselves in a Question Period.

In the Senate Chamber, Speaker Renaude Lapointe explains to them the function

of The Senate, then she takes them all to her private offices for a tea party.

There are discussions with representatives of business and labour groups, the External Affairs and National defence committee and the native people's organizations.

Home base for participants is Ashbury College, a school with its own political aura; it is situated in the same area of Ottawa as the embassies, the Governor General's residence and the home of the Prime Minister.

It is from Ashbury's development Office that Executive Director Tony German and his staff conduct Forum business.

Mr. German stresses, however, that the Forum has no political party affiliations; "the whole thing is an independent operation." It's run by the privately-funded, non-profit foundation for the study of the Processes of Government in Canada.

The idea, he says, when he started the program in 1976, was to create a "forum, a place where kids come with open minds to question and form their own opinions." In the process, he says, they learn how essential it is for everyone to participate in government if we want it to function as it should.

**Kitchen Regulations For Food Serving**

"All establishments that serve food to the general public must be licensed under and according to the new regulations set out by the Nova Scotia Department of Health," according to Kay Dean, Home Economist with the Nova Scotia Department of Agriculture and Marketing. These regulations are applicable to community halls, church basements and wherever community groups provide food for sale as money raising projects.

Any group or club that sells food or meals should be aware of these regulations and make the necessary changes in their kitchen facilities in community halls, etc. Following are a few of the regulations which might cause some physical or structural changes to be made to their facilities.

The regulations state that there should be at least three sinks; one for washing, one for rinsing and one for sanitizing all dishes and utensils. Thermometers should be attached to each to show that the temperature is 43 degrees celsius. Seventy-seven degrees Celsius is required for the sanitizing sink, if no commercial sanitizing solution is added to the hot water.

All utensils and dishes must be air dried, drying towels are prohibited. If the water is hot enough and

several racks are used, this will not be a problem. All surfaces on floors, walls and ceilings must be smooth, non-absorbent, free from cracks, crevices and readily cleaned. Ceiling tiles with holes are unacceptable.

Cold foods must be kept no higher than 5 degrees Celsius. This means that adequate refrigerator space is necessary for salads, pies, milk products, etc. Hot foods must be kept hot - over 60 degrees Celsius.

The use of wooden plates, bowls and serving boards is prohibited.

All wipers for tables and counters must be disposable. No pesticide sprays, strips or devices shall be used in areas where food is prepared, served or eaten. Thus, screens on windows and doors are essential.

Kay Dean recommends that community groups get a copy of the regulations to become aware of the details. For those who are beginning to re-vamp an old schoolhouse or community hall, now is the time to plan the plumbing and other physical changes so as to meet the standards of the regulations.

These regulations were established to ensure that absolute cleanliness and care are the background conditions for serving the public safe, clean food.

Copies of the regulations and information regarding licensing are available from the Nova Scotia Department of Health in your area.

## ANNOUNCEMENT

Canadian Imperial Bank Of Commerce

The appointment of Ralph W. MacLean as Manager at Digby is announced by J. Donald Simpson, Vice-President, Canadian Imperial Bank of Commerce.

Mr. MacLean, a native of Peter's Road, P.E.I. has served at a number of branches in the Atlantic Provinces and prior to his recent appointment was Assistant Manager at the Campbellton, N.B. branch.

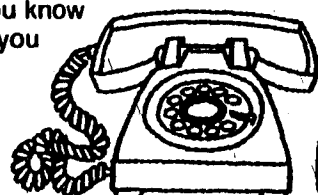

# Good service travels fast

by long distance.

Chances are you can't make every out-of-town service call immediately. It's not physically possible. But you can make a long distance call and tell your customer that you know about the problem; what you plan to do about it; and when.

You can create a lot of good will that way and maybe even some new

business too. It's that old power of positive thinking that can turn a service call into a sales call. And the cost is less than a dollar a minute for direct-dialed, daytime calls within Nova Scotia. Remember, service can be a good word and the good word travels fast by long distance.

## SPORTS

### The King And His Court

The King and His Court, one of the greatest shows in the world of sports, will be performing against Cornwallis Cougars on Wednesday August 10th.

The King, who pitches a softball in every way imaginable will unfold his bag of tricks before amazed fans. Eddie Feigner, The King, will pitch behind second base, blindfolded, between his legs and sideways, depending on the score of the game.

His team, consisting of only four players, are top heavy favorites. Tickets are on sale at the Fundy restaurant in Digby.

## Little League Baseball News

By Bob McVeigh

### K Of C Take Opener 23-7

His Worship Stuart MacNaughton threw the first ball to open the Little League Baseball season on July 6th, 1977. In an abbreviated game the K of C behind the six hit pitching of Larry LeBlanc downed the Harold Haines' coached Lions 23-7. The downfall of the Lions was the wildness of their pitching staff, which allowed eighteen walks. Dick MacDonald had four for six (two singles, two doubles) Larry LeBlanc had three for six (two singles and a triple),

Phillip MacDonald and Avery Lawrence scored three runs. Trevor MacKenzie received four walks and scored four runs and Aralee Hattie in her first Little League game hit the ball hard but at somebody each time (3) while striking out twice, all these players contributed to the defeat of the Lions. In a closing cause Mark Fletcher, Robert Whalley, Jeff Learn and Keith Mackintosh scored the runs for Lions.

### Kiwanis Outslug Firemen 28-15

In the first meeting of the season the Brown coached Kiwanians outlasted the Baxter coached Firemen by the score of 28-15 in a game played on the Digby Little League Baseball Diamond on Friday, July 8, 1977. Trailing 15-14 the Kiwanians scored fourteen runs in the top of the fifth on nine hits including two home runs, triple, four doubles and two singles to win the game going away. David Comeau went the distance for the winners and David Roberts handled the mound chores for the losers. Michelle Margolian had two singles, double, two triples and a home run in nine appearances, for the winners and Robert Cullen (four singles, double and home

run), David Comeau (two singles, double and home run), John Connelly (three walks, double, triple and home run) were the top batters for the winners. Stephen Mackin had five for seven (three singles and two doubles) David Roberts three for six (two singles and triple), and David Margolian had three for six (two triples and home run) for the Firemen.

## Merchants Rout Legion 32-4

Legion were unable to get consistent pitching and the twelve hit attack plus the twenty-four free walks served by the pitching staff contributed to the one sided score of the first game for either team. Winston Wells in his first year with the Little League did the best he could with the situation and there is no doubt that this team will be heard from in the future. Davidson gave up seven hits, walked three, struckout eight to record his

first victory.

## Bear River Edges Clementsport

Bear River edged Clementsport Legion 3-2 in a close Western Valley Softball League game played at Bear River on July 4. Dave Banks, pitching for the home team, brought his season's record to 5-0. Terry Wright took the loss for Clementsport.

Mell Smith's triple with two outs in the 6th scored two runs to bring Clementsport into a 2-2 tie. Ross Potter had two single for Clementsport.

In hitting, Terry Riley had

a triple, a single and 1 rbi; Steve Saulnier had two doubles and a single.

With two outs in the seventh inning, Danny Haight singled to bring in Lindsay Peck for the winning Bear River run. He had sacrificed to bring Peck in for Bear River's second run in the 5th.

## New Home Economist

Kay Dean has been appointed Home Economist, with the N.S. Department of Agriculture and Marketing for the Counties of Digby, Annapolis, Hants and Kings.

Ms. Dean replaces Susan Horne, who has recently been appointed Home Economist Supervisor in the Truro office.

Ms. Dean will work from the Kentville office and is certainly not unknown to the Women Institute and the Department of Agriculture as she has worked as a regional Home Economist in the Antigonish area for the last 3 years. She has made a number of valuable contributions to rural communities in Nova Scotia.

Through her close association with livestock producer groups in N.S., she has been responsible for developing a close liaison with these groups, the Department of Agriculture and the consumer.

I am sure that the people in all Counties will give Ms. Dean their full support and we look forward to her working with the Women's Institute, 4-H and women in rural areas.

A special welcome to her from the Nova Scotia Department of Agriculture and Marketing in Weymouth.

She can be contacted during week day hours at 678-7365.

## Activities At The Keith Lodge

An emergent communication of "The Keith Lodge No. 16, R.N.S. was held in Freemason's Hall, Bear River on Saturday, July 9th, 1977 when the Lodge was duly opened and a team of Past Masters under the direction of our Master of Ceremonies Wor. Bro. Raymond (Bud) Winchester and his team of Past Masters mostly from "The Keith" but assisted by Past Master from Annapolis and Freeport. A special feature was the presence of Most Wor. Bro. Fred Hayter, G.M. of Masons for Nova Scotia,

who was accorded a welcome to the meeting and who later addressed the Brethren on our work in Nova Scotia.

Following the first part of the 3rd degree the labour was dispensed with for recess and the brethren sat down to a bountiful meal when all present enjoyed the fellowship and expressed "thanks" to those who laboured to make this possible.

After supper labour resumed again and the drama part of the degree was exemplified. The degree work was in charge of our immediate past master Wor. Bro. W.V. Troupe and with his team of past masters did an excellent job in their various duties.

Among those assisting at the drama included Bros. H.N. Lingley, R.Hoyt Purdy, L.E.R. Winchester, Kirk Whitman, H. Cossaboom, C.E. Miller, K.J. Paul, C.Niemeyer, C.E.Jones, E.S. Sullis, L.A. Savary. The music was under the direction of Rt. Wor. Bro. C.H. Woodman.

Among those addressing the meeting were W.L. Troup (present Master) Kirk Whitman, Willis Mullen, C.E. Miller, L. Trenholme, H. Cossaboom, H.A. Brinton, C. Niemeyer, F. Hayter (Grand Master) Newly made Bros. - McGeney, LeDrew and Manderson and our newly appointed Dist. Deputy Rt. Wor. Bro. T.E. Hankinson who also announced the Dist. Meeting will be held in Middleton on October 1, 1977.

## Dragon News

A number of the Digby Dragons traveled to Maine to participate in a basketball camp, which was run by Acadia University's mens' coach, Dick Hunt. The camp was held the end of June.

The girls participated in drills, cookouts, games and lectures. Their days started at 8:00 a.m. and ended at 9:00 p.m. with 10 hours of basketball.

Those attending the camp included Kim Roy, Cheryl Trask, Pam Locke, Erin

Gardiner, Janet Wilson, Joanne Wilson, Susan Marshall, Debbie Pyne, Kathy Naylor and Kathy Troupe.

Three of the girls made the camps All Star team, others took away 8 of a possible 12 awards.

The Dragons are starting a fund raising program to help them go to Sweden. Anyone wishing to help out please contact either Don Hattie at 245-4083 or Greg Jamieson at 467-3730.

## Softball Legend Coming To Cornwallis

The legendary Softball Team "The King and His Court" with Eddie Feigner will play the Cornwallis Cougars at Cornwallis on August 10.

FEIGNER is classed as one of the Best Softball pitchers in the world and has set many records for No Hit Games and strikeouts. He has pitched 5830 games and has only lost 700 while pitching 746 no hitters. In the 31 years playing ball they performed in 3374 cities and towns to a crowd of over 13

million.  
The team not only play ball but put on an excellent show such as Feigner pitching blind folded, pitching from behind his back and pitching from second base.

The court will be at 16 maritime communities in 12 days beginning in CFB Cornwallis and finishing at Kentville on the 21 August.

Tickets are on sale at the Fundy Restaurant.

## AVABT Supports Atlantic Concept

The president of the Annapolis Valley Affiliated Boards of Trade, Murdoch Macleod, today expressed support for "Atlantic Canada Plus".

This plan for self-help is designed to keep our money circulating in the four Atlantic Provinces instead of sending it out of the area when we purchase products. Too much of what we use comes from elsewhere, this is why Federal equalization grants have not improved the Atlantic area sufficiently.

The "buy Atlantic" plan was presented to the Atlantic Provinces Chamber of Commerce annual meeting in Charlottetown June 7. The delegates unanimously recommended it be implemented as soon as possible.

Mr. Macleod said Atlantic Canada Plus is a simple but effective plan. It achieves self-help through the distribution and sale of what we ourselves grow, package, assemble or manufacture. All stores in the region would be asked to change at least 1 percent of the of their stock to Atlantic made products. These items would be prominently displayed thus increasing their sales potential.

A marketing program would be implemented to

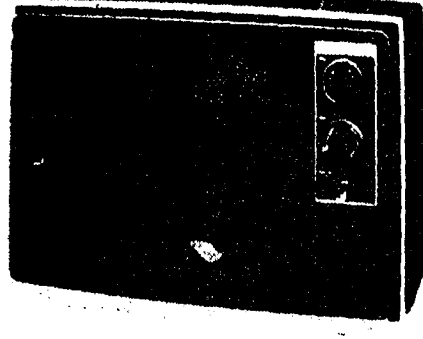

make consumers aware of what products were available and the self-help advantage in buying them.

If just 1 percent of our annual purchasing power turned to Atlantic products, over \$5,900,000 dollars in new sales would be generated. This would certainly create more jobs and increase the

region's tax revenue. It would also put new life not only into our economy, but into those less tangible elements such as regional pride.

The above are but some of the many reasons why the A.V.A.B.T. is pledging support for Atlantic Canada Plus, Macleod concluded.

**Judge Nichols Named President**

Judge John Nichols, Digby, was named president of the Nova Scotia Lung Association when the 31st annual meeting of the Association was held in Moncton, N.B. Other important business at the meeting was the changing of

the name from the Nova Scotia Tuberculosis and Respiratory Disease Association to the Nova Scot Lung Association. At the meeting the Dr. J. Earle Hiltz scholarship was presented to Harold MacCausland of the Dalhousie

Medical School and the first Roger Ricketts Memorial Award to Anna Freeman.

Honorary awards and distinguished service pins were presented to W.W. Archibald, Shelburne, Alistair MacDonald, Moncton; George Beckwith,

Sydney; Pauline MacIntosh, Antigonish, Dr. John Quinlan, Kentville; Dr. Helen Holden Quinlan, Kentville; Hazel Morrison, New Waterford; Phil Lake, Annapolis Royal; Aileen MacLaren, Shelburne; Fred W. Arenburg, Amherst, and Bruce Rafuse, Antigonish.

**Bay View**

We are always happy to have our American friends and Bay View neighbors with us to spend the summer months. Several of our part time residents arriving recently are: Dr. and Mrs. William Dunphy- La Grange III.; Mr. and Mrs. Russell Merrill- Wellesley, Mass.; Mr. and Mrs. Owen Young- Brielle, New Jersey and Mrs. J. Paul Emerson- Somerville, N.J. Mr. and Mrs. Webster Young of N.J., have been spending sometime here

visiting with Mr. and Mrs. Owen Young.

J. Paul Emerson has now returned to his home after spending some time here. One of our long time residents of the area, Mrs. Evelyn Atkinson, has recently sold her home. She is now residing in Digby with her daughter, Mrs. Max Robbins and family. We will miss having her here with us.

**Cornerstone****Articles Redeemable**

Although in precarious state, the articles in the cornerstone of the 1948 wing of the Digby Regional High School which was leveled by fire last week, are redeemable and will be secured for placing in the cornerstone of the replacement of the fire destroyed wing. The articles were on Thursday given by the Digby High School Board in the care of F.C. Purdy who was the superintendent of the Digby schools at the time

of the construction of the 1948 wing.

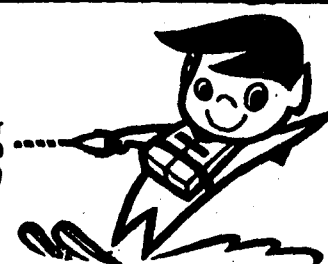

Placed in the cornerstone had been a Historical Development of the Digby Rural High School; Fundy Light; Chronicle Herald with Sod Turning Ceremony on March 3; The Digby Courier; Program Cornerstone Laying; an official invitation to the cornerstone laying addressed to Mrs. F.C. Purdy and several coins.

BLENDER TIPS

Part II

Here are more everyday ways to use the blender.

**WHITESAUCE:** Blenders are great for making ultra smooth sauces. Basic white sauce can be made with no lumps every time with this method: heat the milk and butter. Pour half into the blender and add flour and seasonings. Blend a few seconds then return to the saucepan with the other half of the milk. Cook until thick. Even if lumps do form they can easily be blended to a smooth consistency.

**CHOPPING STICKY FOODS:** Do you ever get bogged down trying to cut up sticky dates or raisins for a fruit cake, or gumdrops for cookies? They can be easily blender chopped, but must be partially frozen first. In the fresh stage, sticky fruit gums up the blender blades, but when frozen they blender chop with no problem. Chopped fruit thaws quickly. Also, by accident I found that frozen cranberries will blender chop much more easily than trying to grind fresh ones for my favourite

cranberry relish.

**JELLO & DAIRY FOODS:**

Jello alone doesn't have much positive food value at all, but lots of people like its texture and flavours. Using a blender, various dairy foods can be blended smoothly into jello to produce a creamy jellied dessert. Substitute ice cream, cottage cheese, or yogurt for the cold water in the jello directions and simply blend until smooth. Those jelly powders are so highly flavoured that the flavour of cottage cheese or yogurt is masked. It's a great way to get a serving of a dairy product into a fussy child or an adult who does not enjoy fluid milk.

**COTTAGE CHEESE:** A favourite food combination has always been sour cream on baked potato. However, sour cream has many calories for those who are counting them. A lower calorie substitution is cottage cheese blended with a bit of lemon juice. It may be slightly grainy but will melt nicely on a hot baked potato.

## Reflecting To 1947

According to an editorial in The Digby Courier of 1947, July 17 issue, the increase in crime in Canada from 1900 to 1944 was five times the increase in population. Of 42,511 convictions 4,437 were second offenses and 9,058 third. Too much leniency in the Courts was feared. Also out of those 42,511 offenders only 2,306 had full high school education or better. The suggestion then was to graduate as many as possible of the young people from High School, Technical or Commercial schools. The editorial went on "Should not some committee be formed to lay down a program of education for delinquent parents that would be optional for interested parents and compulsory for delinquent parents?"

Resignations at the Digby General Hospital were a concern. At the Hospital Board meeting the superintendent, Miss Margaret Graham R.N. was given authority to take every step to secure nurses for the hospital staff. Five staff nurses had resigned and the positions advertised without result. Domestic help also demanded increase in pay or they would leave. Another item of business was to form an Inspection and Personnel Committee consisting of Mrs. H. M. Warne, Mrs. Winston Mullen and Mrs. H. E. Reicker.

Mr. and Mrs. Henry Goodman of Brooklyn, N.Y., were in town on their walking tour of Nova Scotia. This was the third year they made a walking tour of Nova Scotia.

Mrs. G. W. Connell had a letter from Mrs. Gwendolyn Winfield Digby, Sherbourne, Dorset, England, descendant of Admiral Digby for whom the town was named. The letter thanked the local Red Cross for boxes of food and comforts sent overseas to Britain.

Hugh Dickie opened a Children's Wear store in the McMullen block.

Simone Stehelin, son of the founder of New France in Nova Scotia, was visiting in Digby from France after having left Weymouth 18 years prior to return to France from where he had come in 1896 with Father Emile Stehelin who owned and built up the property of New France.

Miss Esther Rosenthal was chosen Miss Digby County at the Digby Board of Trade, July 1 Fair.

## Reflecting To 1927

Thousands of people, pleasure bent, weather to order for the occasion, a committee in charge that handled every detail in splendid manner, and hotels, restaurants and caterers with all prepared to make the visitors enjoy themselves, combined to make the Dominion Day Celebration at Digby the greatest pleasure event in the history of the town and county. (That was recorded in The Digby Weekly Courier just fifty years ago.) Marshalled by Douglas Daley and Major Denton, the parade was drawn up on roads leading from the head of the government pier, awaiting the arrival of the Carleton Band on the Empress. First came the band, then the children of Digby schools, followed by scholars from North Range and Plympton, bicycle riders, decorated cars and horse drawn floats. It took the parade seventeen minutes to pass the Post Office. Such a demonstration had not been seen in Digby, not even at the Armistice. Boat races and land races entitled many to prizes.

A series of afternoon teas and pantry sales at the Golf Club House for the benefit of the Victorian Order of Nurses began on July 9 with Mrs. Howard Anderson as convener.

On July 1st a picnic was held by the Keith Lodge No. 16 at Lake Joly. At noon fish chowder manufactured by the famous firm of Cryssus and Nicholl was served.

Editor Robert C. Mills in his editorial for Canada's sixtieth birthday said that patriotism, national pride, loyalty and ideals for citizenship should have their beginning in the small circle of local affairs.

Footwear advertised by A. J. Dillon on the front page of The Digby Courier were Ladies Black One Strap Pumps, \$5.50 and Black Satin Pumps \$3.50 and \$4.50. Blue-White Enamel Ware ranging in price from 20 cents to \$2.55 was advertised by W. L. Holdsworth.

Shows at the Bijou Dream Theatre advertised 25 cents and 35 cents evening, and children 15 cents, adults 25 cents for matinee. A special show demanded 25 cents and 40 cents.

## Reduced Travelling Fares For Disabled

Information has been received from Ian MacConnachie, President of the Canadian Rehabilitation Council for the Disabled, Nova Scotia Chapter, that the National Bus Traffic Association has effected changes which allow a permanently disabled person to be accompanied by an adult attendant for a single fare on specific Canadian carriers. This change also applies to Canadian National Railways and Canadian Pacific Railways and is effective immediately.

The reduced fares authorized will be granted to a permanently disabled person, unable to travel alone (regardless of age) and accompanied by an adult attendant, if such disabled person has received authorization from the C.R.C.D. or one of its designated affiliated members.

The disabled person and the adult attendant must travel together for the entire trip. The adult attendant must be capable of assisting the permanently disabled person in boarding and alighting from the bus or train and during the trip without assistance from carrier personnel.

smooth running of the show were lined up and the members are looking forward to an enjoyable, successful event. It is hoped that not only Club members will enter specimens and arrangements, but that the general public will also participate.

Following the adjournment of the business meeting, there was a sale of house plants which had been supplied by members. The co-hostesses for the evening refreshments were Mrs. Barbara Weir and Mrs. Gloria Reid, assisted by Miss Mary Robinson, Miss Marjorie LeBlanc and Miss Verna Hanf.

The disabled person must make application to the C.R.C.D. for a certificate of eligibility which must be signed by a physician and returned to the C.R.C.D. form an identification card will be issued to the bearer which he retains for presentation to the ticket agent.

In Nova Scotia, disabled persons or parents of a disabled child who are in-

## Amateur Radio News

The last meeting for the summer of the Fundy Amateur Radio Club was held Tuesday evening June 21 at Barton School. President Gifford (VE 1 AMM) presided over the meeting of ten licensed amateur radio operators. Final plans were made for the annual field day picnic which was held Saturday June 25 at Denton's (VE 1 AKI) cottage at Barne's Lake, Bear River. Over 20 persons, amateur operators, xyls, friends and members of families enjoyed the bountiful repast of steamed clams, salads, casseroles, beans, trout, cake, pie, strawberries and steamed clams (that's the way it was folks.) Contact from the spacious cottage of 'the Ordes' was maintained with the outside world via portable and mobile two meter transceivers.

## Expect High Exhibition Attendance

"Exhibitions in Nova Scotia are preparing for and expecting large attendances in 1977," Agriculture Minister Jack Hawkins said. "These popular agricultural fairs have been in existence in Nova Scotia since 1765 when the Hants County Exhibition, Windsor, Nova Scotia held the first agricultural fair in Canada," the minister said.

Mr. Hawkins said since this beginning, agricultural exhibitions have been popular and expanding. A number of new buildings and improvements in present buildings and grounds are offered to the public. Attendance at exhibitions in Nova Scotia in 1976 was around 450,000 people.

Mr. Hawkins said agricultural fairs attract people from all walks of life. They offer an excellent facility to display various sectors of the one hundred and twenty million dollar agricultural industry of Nova Scotia. Exhibitions appeal to those who have left

the farm and who want to return to the rural area.

The minister said they attract urban dwellers who are not familiar with farming where families gather to bring their children to the showing of cattle, horses, hogs and sheep. All fairs have the thrill of the midway and there is entertainment

by local talent. Educational exhibits and classes in flowers, fruit and vegetables, arts and crafts and home baking round out a visit to any of the agricultural exhibitions.

Digby County Exhibition at Bear River is from August 31 to September 4.

## Collected \$1,411 For Heart Research

The February Heart Month is now history and with the books closing on another successful year Mr. Fred Ross, Manager of the Royal Bank of Canada, and Heart Fund Chairman for the Weymouth area, announced the completion of the 1977 campaign.

Mr. Ross reports that thirty-six canvassers covered Weymouth and twenty surrounding communities and collected a total of \$1,411.06, while the

In-Memoriam program, which is handled directly from the Royal Bank, realized \$121.00. Returns like these indicate the utmost confidence of Nova Scotians in the need for heart research, he said.

This year the Heart Foundation will be contributing more than \$350,000.00 to research and education programs in the province in order to improve the diagnosis and treatment of heart and blood vessel disease, as well as, making the prevention of it a reality. Mr. Ross indicated that without the continued interest and support of all heart fund volunteers, none of this would be possible. He expressed his thanks, as well as the appreciation of the Nova Scotia Heart Foundation, to all who assisted him in this most worthwhile endeavour.

## Works Projects Worth \$158,043 Announced

Manpower and Immigration minister J.S.G. (Bud) Cullen has announced funding for 16 Canada Works projects in six federal constituencies in Nova Scotia, amounting to a total cost of \$158,043, which will employ 138 people.

Canada Works and Young Canada Works are federal programs of the department of Manpower and Immigration's job creation branch to help communities hardest hit by unemployment.

Following is a list of the funded projects and the monies involved:

Cornwallis Summer Recreation Program, \$10,000 to employ 12 people; Hall and Playground Project in Hillburn, \$8,590 to employ eight people; Digby Kin-

men Club Youth Self-Help Service project, \$7,330 to employ seven people; Helping Hand Project, Clare, \$11,349 to employ six people; Weymouth Day Activities Centre, \$10,000 to employ six people.

## Basin View Apts.

Mrs. Eunice Pearson was presently surprised last weekend, when Mr. and Mrs. Paul Harris from California arrived. These women attended the same school but had not seen each other in 45 years.

Again on Wednesday she had a surprise visit from Mr. and Mrs. Delbert Jones, Calif.; Mrs. June Routson of Ill. and Mr. and Mrs. Charles Jones, their son and his friend from Ohio.

Wednesday supper guests were Mr. and Mrs. Russell Fewell and children, Steven, Sandra and Susan and Mr. and Mrs. Edgar Harvey and Barbara Harvey, Ind. The Harveys came to teach in the Vacation Bible School at the Lighthouse Church of God, Digby.

Mrs. Leta Handspiker, Digby, was a supper guest of Mrs. Pearson on Thursday.

Those visiting here from the States enjoyed days of sightseeing in the Digby and Annapolis counties. They were pleased with what they saw and would have liked to stay longer in our beautiful province.

Messrs Oscar Finnigan of Trenton, Ontario and Keith Finnigan of Conway were Wednesday visitors with Mr. and Mrs. Arthur MacKay and Miss Susie Nichols.

Mrs. John Bouchard of Round Lake, Ontario, is visiting her parents, Mr. and Mrs. Roy Warner.

Mr. and Mrs. Douglas Schade, son Brian and daughters, Allison and Janet of Cornwall, Ontario arrived on Sunday to visit Mrs. Schade's mother, Mrs. John Murley.

## Mrs. Butler Entertains Horticultural Society

Mrs. I. Butler was hostess for the monthly meeting of the Admiral Digby Horticultural Society at her home on the evening of July 5th. Donald White, president thanked Mrs. Butler for her hospitality on this special occasion, and welcomed back all members who have been away for some time - Mrs. Hugh Oliver, Mrs. Margaret Robinson, Mrs. Peggy Wentzell, and Mrs. Elizabeth Ripton, and guest, Mrs. Crozindich. Another guest was Miss Mary Robinson. In all, there were 29 members and two guests in attendance.

The minutes of the previous meeting were read by Mrs. H.M. Warne, in the absence of the secretary, Mrs. A. Grimmer.

The president asked for reports from Chairmen of Committees. Miss Marjorie Tupper listed several things that had been done to improve the appearance of the

Loyalist Cemetery, including the removal of the lilac hedge on the Warwick St. side, as well as trimming the remaining hedge on First Avenue. The planters containing geraniums on the Boulevard will be watered by the Fire Department and the Flower Boxes at the Information Bureau will be looked after by Mrs. A. Tufts, who is in charge there. The Hospital Garden Beds have been planted with seedlings, and are being cared for by Miss Marjorie Tupper.

Mrs. B. Hutchins reported on arrangements regarding the Flower Show to be held in the Recreation Hall of the Digby Pines Hotel on August 3rd. Detailed plans were then made for setting up the Show and a Committee in Charge was appointed - Mrs. B. Hutchins, Miss Marjorie Tupper and Miss Louise Daley. The several duties which are necessary for the

## Residential Tax Rate \$1.31

The tax rate for the town of Digby has been struck. Residential ratepayers will pay \$1.31 per \$100 of assessment this year while commercial ratepayers will pay \$2.32.

The delay in setting this year's rates was the result of an application to the department of municipal affairs for financial assistance in meeting the town's obligations.

The town requested a grant of \$76,177 to keep tax bills down to last year's level. A grant of \$38,572 was approved. The final results is an average increase of 6 percent for residential ratepayers, and 7 percent for commercial.

A 2 percent discount will be allowed on bills paid by Aug. 15 with the exception of mortgage companies which will be given more time to pay. Taxpayers can expect to get their bills near the end of July.

A charge of 14 percent will be applicable on accounts which remain unpaid after Sept. 21.

An exemption of \$85 will be allowed for those in special categories (i.e. senior citizens, single mothers, etc.) earning under \$4,000.

There will be no Digby Natal Day this year. However, Mon. Aug. 1 has been declared a town holiday.

At a special Digby Town Council session, it was generally agreed that the Natal Day question had been left standing too long and it was too late to start getting things organized now.

Coun. Robert McNutt suggested that the weekend of Digby Scallop Day be made a long weekend. Coun. Robertson then moved that Aug. 1 be declared a town holiday, whereas there is no Natal Day, and that any activities arranged be held in conjunction with Scallop Day.

Clerk Treasurer James Wheelhouse was instructed to contact the Scallop Day Committee to see if they can organize a parade. This move came on Mayor Stewart MacNaughton's suggestion after he noted that Apple Blossom princesses from up the Valley were reportedly interested in participating in Digby's Natal Day parade.

In the absence of Digby Natal Day celebrations this year, Monday, August 1st was declared a public holiday. The idea of holding any Natal Day activities in conjunction with Digby Scallop Day was discussed and will be investigated.

## Building Committee Formed For High School

Reconstruction of the section of Digby Regional High School destroyed by fire several weeks ago now awaits only the approval of Digby Town Council.

A building committee has

been established to oversee the reconstruction project. This move was taken during a joint council meeting involving Digby town and municipality.

The committee consists of

four members of the municipal council, three of the town council and the superintendent of schools.

Members are Mayor Stewart MacNaughton, Chairman; Lloyd Grant, Robert MacNutt; C.C. MacInnes, Foster Journeay, Richard Daley, Helen McNeil and Warden Wilfred Swift.

Digby municipal council approved the reconstruction shortly after the fire. Its approval was conditional upon rebuilding the structure as it stood before the fires. Any modifications

would have to be brought before it for approval.

The town has not yet dealt with the question.

The Building Committee will look after the hiring of an architect.

The fire which destroyed the 1948 wing of the high school in late June was the worst to strike the region in recent years. The destroyed section carried \$990.00 in insurance.

Digby RCMP have cited arson as the cause of the blaze but no charges have yet been laid.

## Appointed Regional Co-ordinator For Fine Arts

DON SCOTT

Don Scott, well-known in the Digby area for organizing and leading bands, has been appointed Regional Co-ordinator for the Fine Arts under the department of recreation's Happy Days Project. The appointment is effective for the summer months.

The Happy Days Project is designed to promote fine arts in all regions of the province. Fine arts is a wide field including music, visual arts, sculpting, wood-carving, drama, etc., etc., etc.

Mr. Scott's job is to blanket his area - Windsor to Meteghan with as much fine-arts coverage as possible...giving local artists a chance to get out in the public eye and giving the public a chance to see crafts performed.

## Town Hall Issue Settled

The long-term Digby Town Hall debate may at last be over.

Via a motion placed on the table by Coun. Phillip Robertson at a special session of Digby Town Council, council has decided to erect a colonial-style building - at a cost of up to \$80,000 - behind the present town hall site.

Elderly residents will no longer be required to climb a long flight of stairs. The new building will have a ramped entrance.

The hall will include a walk-in vault on the main floor for record storage etc., and space will be available for the library.

Council also decided to purchase a 40 x 60 foot building for use as a public works building at a cost of \$6,500.

In other council activity, \$5,000 has been put into an

account for breastwork. The town had to put at least \$4,000 into such an account in order to obtain a \$20,000 grant.

The town granted permission for the Champlain Brass to provide a free concert of ragtime music at the bandstand. The band is being funded under a Canada Works program and sponsored by ABTRC.

Mayor MacNaughton read a letter from the AVABT addressed to the premier re. utilizing the potential of the Sissaboo River system.

A borrowing resolution calling for an expenditure of \$92,750 by the Digby Water Commission was approved.

This will be used to install a 12-inch line up Victoria Street and Sydney Street to the town reservoir.

Councillors Gordon Ellis and Eileen Chipman were not in attendance.

## Appointed To Order Of Canada

A Digby area woman, Edith Tufts, is among 63 Canadians who have recently been appointed as members of the Order of Canada, the Right Honourable Jules Leger Governor General Chancellor and Principal Companion of the order has announced.

Appointments are made by the Governor General, with the approval of The Queen who is Sovereign of the Order. The Governor General is assisted by the Advisory Council. This year marks the 10th anniversary of the Order of Canada which was created in 1967 to recognize outstanding achievement and merit in every major field of endeavor.

Mrs. Tufts, the daughter of Acadian parents, was born in 1919. She is the mother of fifteen children, seven of whom have already graduated from College Ste-Anne in Pointe-de-l'Eglise.

A graduate of the Maritime Business College in Halifax, Mrs. Tufts has worked as a secretary for many volunteer and community organizations for thirty-seven years.

She is the founder of the Dames Patronesses de la Colonie de la Jeunesse acadienne Inc, a group of Acadian women from Clare who have been looking after the needs of this holiday camp for sixteen years. The aim of the movement is to help young Acadians and to keep the traditional language, culture and religion alive among them. The association is 17 years old and consists of more than 400 women from St. Mary's Bay who work for the welfare of young Acadians.

In 1962, acting through this association, Mrs. Tufts sent the first petition to the

Canadian Broadcasting Corporation requesting a French television network for the Acadians in southwest Nova Scotia. Through her continued interest, Mrs. Tufts shows her dedication to improving society as a whole and the status of women in particular.

During International Women's Year, she was the motivating force behind the activities of a group of rural women in Clare, the benefits of which are still being reaped.

Because of her husband's poor health after the Second World War, she often had to play the role of breadwinner for her numerous children. She is bilingual and held several positions during her secretarial career. The two most interesting jobs she had were at Clare Municipal Hall and the rector's office at College Sainte-Anne.

Mrs. Tufts is currently a member of the provincial board that determines the indemnity paid to owners when their property is expropriated.

Editor of the publication Cuisine Acadienne d'Aujourd'hui, researcher for Marielle Boudreau's La Cuisine Traditionnelle en Acadie and author of several unpublished short stories, articles and poems, she holds the copyright to Acadienne de Clare. This book, which is now at press, was written to give Acadian women credit for their role in the past and contemporary history of Acadia.

It is only natural that Mrs. Tufts' name should reflect her identity: Edith (Comeau) Tufts.

Decorations to recipients will be presented at an investiture which will be held later at Government House, Ottawa.

## Man Still Missing After Fishing Tragedy

The cause of the boating tragedy which claimed the lives of two Digby County fishermen on Wednesday evening remains unknown.

The Paul and Phil, a lobster boat, was found partially submerged in waters off Gulliver's Cove around 5 p.m. The body of one of the boat's occupants - Ronald Eugene Morehouse, 42 of Centreville and Massachusetts was recovered. However, Search and Rescue is still searching for the boat's owner, Ernest Reginald Nesbitt, 46, of Centreville. The boat fished out of Centreville.

Morehouse had been fishing out of Centreville for the past few months.

## Accident Injuries

The Bear River Bridge intersection between Bear River and Smith's Cove was the site of two accidents last week - both resulted in injuries.

On Tuesday a two car collision resulted in minor injuries to two persons. The cars were driven by Maurice LaGace of Montreal and William Woodworth of Nictaux Falls.

An accident at the same location Saturday resulted in three injuries, two in the car driven by Horace Lent of Freeport and one in a car driven by Ruth Baker of Bridgewater.

In a single-vehicle accident Saturday, Jerry Vantassell of Middleton suffered broken ribs and a slight concussion. His van reportedly made a wrong turn onto a dead-end road in thick fog and smashed into a steel fence. The accident occurred on the old highway in Conway.

## Plan To Attend The Bear River Cherry Carnival

## Brier Island Weekend Brings In \$5,500

WESTPORT - A total of \$5,500 was taken in during Brier Island Weekend Celebrations, July 1,2,3, sponsored by the Ladies Auxiliary to the Westport Fire and Recreation Department.

The celebrations started Friday morning with a bicycle race for the children. Winners were Heidi Titus, Tracey Guptil, Michael Welch. Later there were games for the children at the new ballfield.

At 2 p.m. there was a turkey shoot with firemen in charge. Fifty turkeys were won by expert marksmen. Also during the afternoon, board games and card games were played in the recreation center. Lucky chair tickets were held by Mrs. Crystal McDormand, Mrs. Evelyn Saunders and Mr. Emerson Titus.

Friday evening many enjoyed Bingo in the I.O.O.F.

Hall, playing for prizes donated by merchants of Digby, Westport, Weymouth, Conway, Annapolis and St. John.

For the teenagers, there was a dance at the recreation centre with music provided by the "Life and Times Band".

A great parade began the festivities Saturday. Huge earth moving machines, tiny home tractors, horses, bicycles, motorcycles and many decorated automobiles made several tours of the village.

During the afternoon the recreation centre was the site of a village market. There was a bake table, book store, old country store, plant booth and bazaar. Booths were also held by Mrs. Inez Moore, Mrs. Eleanor Bailey, Mrs. Gertrude Welch and Mrs. Carol

The annual meeting and picnic at Haines Lake on July 24th will mark the first time residents of Annapolis East will be involved in the activities of the constituency of South West Nova as a part of the constituency. Under redistribution Annapolis East will be a part of the South West Nova Riding for the next federal election.

Seventeen-year-old Jennifer Ettinger of Clementsvalle was crowned Queen of the Bear River Cherry Carnival on Saturday. Standing behind her is Linda Langley, 18, first runner-up.

## Letter To The Editor

Opinions expressed in the Letter to the Editor column in this newspaper are not necessarily those of the editor.

Dear Sirs:

On behalf of the Clare Planning Advisory Committee and College St. Anne, I would like to extend my gratitude to you for your attendance at the conference on Planning, Development and Energy held June 18th and 19th.

Enclosed is a mailing list of all persons who attended the conference as well as a list of the recommendations which were passed by the conference. I shall endeavour in the next few months with your aid to try and push for the im-

plementation of the recommendations. I hope that next year should we hold a similar conference that we will be able to look back on some of the progress that we have made on the recommendations of this first conference.

Once again, thank you very much for your interest and participation in this conference. I believe that all Southwest Nova Scotia will someday benefit from it.

Yours sincerely,  
Normand O. Pothier,  
Chairman Clare Planning Advisory Committee.

Dear Mrs. Wallis:

On behalf of the Smith's Cove Fire Department and The Smith's Cove Historical Society I would like to express to you our sincere appreciation of the way you helped to promote our GOOD TIMES DAY.

While our results were not quite as good as usual, due to the bad weather on that day, we certainly would not have made out as well as we did without your wonderful co-operation.

Sincerely,  
G.F. Wightman.

## History Of Point Prim Lighthouse

By Frances Stronach Adams

### Part 2

During the history of Point Prim Lighthouse we find that various kinds of lighting devices were used to aid passing ships in the night. The first light consisted of a whale oil lamp, which gave a very dull and smoky light. The next light was a kerosene lamp. This was a much better light but could only be seen a short distance at sea. Kerosene vapor was the next lighting device. This gave a very bright and intense light. The lamps had to be cleaned and refilled daily and it was the women's work to care for these 12 kerosene lamps which were located in the lighthouse tower. The next and last step was an electric light which is a tremendous advance over oil lamps. It can be seen greater distances and is much cleaner to operate.

Point Prim Light is intended for the guidance of ships into Digby Gut. It also warns sailors of some danger. There have been several shipwrecks near the Point, the ill-fated government steamship "Princess Louise" being one. This wreck took place over 92 years ago on the well remembered night of December 3rd, 1883. The steamship "SS. Newfield" was towing the "Princess Louise" from Canning where she had been recently launched. It is understood that near Christopher's Bluff her line parted and she was driven on the rocks. Christopher's Bluff is located approximately 1 1/4 miles west of Point Prim Lighthouse. The crew numbered ten men and all were drowned except two. The survivors were saved by the lightkeeper's son, Leander M. Ellis. The body of Captain Brown was found hanging on a sharp rock and the body of one of the officers was found in a crevice of a

## School Construction

Two schools in Digby County are among 23 school construction projects in the province which have been approved by the provincial government, Min. of Education George Mitchell has announced. The total value of the projects is close to \$16 million.

Local projects call for additions to the Saulnierville Consolidated School and to the Weymouth Consolidated School.

"Contrary to some reports circulating," Mr. Mitchell said, "we have not lifted the general moratorium on school construction which became effective March, 1975, but we have responded to certain submissions from school boards for projects which are absolutely necessary because of serious overcrowding in classrooms, potential health hazards, or the complete inadequacy of present facilities. In all cases, the Minister said, "the exceptional cir-

cumstances of each submission demanded the government respond to the school board requests."

The approved projects involve construction in all parts of the province and will help alleviate some of the pressures caused by high unemployment rates in certain areas, according to Mr. Mitchell.

The 23 projects include construction of new facilities, expansion of existing ones and major renovations.

Mr. Mitchell said that he expected some of the projects would get underway very quickly and that all municipal units would be urged to take the necessary steps to accelerate construction.

Estimated construction costs range from \$25,000, for needed renovations to classrooms, to seven major projects with an estimated cost of more than \$1,000,000 each.

FBDB operations are markedly decentralized, and 98 percent of its loans are approved at its five regional and 89 branch offices located across the country.

Representatives from FBDB offices regularly make advertised visits to smaller communities to discuss financing proposals and other services of the bank with local business people. Some 7,000 visits were made last year to over 700 different centres. Nearly 20 percent of the loans made by the bank result from this program.

The management services of the bank include counselling, training and in-

formation. Under the CASE (Counselling Assistance to Small Enterprises) program, retired business persons acting as counsellors for CASE assist small businesses overcome problems. There are now 1,600 counsellors on the CASE roster and last year 2,840 assignments were undertaken.

FBDB is conducting over 600 management training seminars annually in smaller cities and towns. Some 12,000 owners or managers of smaller businesses attend these one-day seminars to discuss bookkeeping, taxation and other subjects.

## Wedding Bells

PETTIPAS-HUBLEY

Saturday, May 14, 1977 at 3 p.m. the St. Paul's United Church at Bancroft, Ont., was the scene of a pretty wedding, when Heather Anne, only daughter of Mr. and Mrs. Ronald McMahon of R.R. No. 5, Bancroft, became the bride of Richard Arthur, son of Mr. and Mrs. Arthur Pettipas of R.R. No. 3, Bancroft.

The double-ring ceremony was performed by the pastor, Rev. Weese.

The bride, given in marriage by Mr. Delbert Sararas, was radiant in her gown of luster satin and lace trim. Her train, fastened at the waist, was of luster satin, trimmed in lace. Her veil was held in place by a headdress covered in sequins and pearls. She carried a cascade bouquet of red roses and white daisies. Her gown was made by her mother.

Her maid of honor was Carol Sararas, friend of the bride, who wore an aqua gown, white accessories and

carried a nosegay of yellow mums and white daisies. Bridesmaid was Bonnie Young, sister of the groom. She wore a beige flowered gown, beige accessories and carried a nosegay of yellow mums and white daisies.

Flower girl was Elaine Sararas who looked very petite in her gown of blue. She wore blue flowers in her hair and carried a white

basket of yellow mums and white daisies.

The bridegroom wore a powder blue suit and was attended by Douglas Hubley of Edmonton, Alberta, brother of the bride, who wore a powder blue tuxedo trimmed in navy velvet.

Ushers were Christopher Hubley, brother of the bride and Robert Pettipas, brother of the groom.

The bride's mother wore a gown of luster blue satin with a long, blue flowered, sheer, sleeveless cape and wore a corsage of blue-tipped carnations.

The groom's mother wore a gown of green luster satin with a long, sheer, sleeveless cape of green flowered material and wore a corsage of green-tipped carnations.

Following the ceremony a wedding supper was held for about 25 guests at our Lady of Mercy School, followed by a reception at 8:00 for friends and relatives with the Kawartha Clearwaters playing for the dance.

For travelling the bride wore a beige two-piece dress with a corsage of orange-tipped carnations.

The newly-wed couple will reside in Bancroft, Ont., where the groom is employed at Madawaska Mines, Ltd. and the bride at Bancroft Pinto.

Out of town guests were from London, Toronto, Owen Sound and Mississauga, Ont.

The bride is the granddaughter of Mrs. Edna McCormick of Bear River, Nova Scotia and of Mr. Borden Hubley of Clementsvalle, Nova Scotia.

We would like to thank all the parents that allowed their children to come to Bible School and hope they enjoyed being there as much as we enjoyed having them with us. A lot was learned from this year's Vacation Bible School that will help us plan an even better Bible School next year.

## Special Presentation At Drive-In Service

Over one hundred cars filled the grounds of the Smith's Cove Consolidated School on Sunday evening, July 17, 1977, as the Drive-In Service began under the direction of Deacon Lic. Fred Bigelow.

Mr. Bigelow warmly welcomed those present and expressed the welcome of he people for the speaker of the evening, Rev. George Brydon, formerly pastor at Bear River, and friend to many in the area. Mr. Brydon is now pastoring at Chegoggin United Baptist Church.

Special music was presented by the Deep Brook Pastorate and area Men's Choir, organized and led by Mr. Brydon for many years, now under the leadership of "Bud" Winchester. The men sang many of their old favorites as well as of those listening.

During the announcements, a very special presentation was made by Mrs. Florence (Larramore) MacGillivray, Halifax of a Memorial Book to the Smith's Cove Baptist Church. Mrs. MacGillivray said, "Many of us wish to give a monetary memorial donation in the name of a loved one and look more and more to the churches for such a book."

We the Larramore family would like to dedicate to the Smith's Cove United Baptist

Miss Mary Jane Mossman of Toronto; Mr. and Mrs. Douglas Schade, son Brian and daughters Allison and Janet of Cornwall, Ontario.

## Freeport

Mr. and Mrs. Linwood Thurber, Halifax, are

Church this Memorial Book in memory of our parents, Violet and George Larramore.

We hope many will make use of the book which will in turn help to defray church expenses.

We would also like to start the book off with a fifty dollar donation in memory of our brother, Lloyd.

Mr. Bigelow, it gives me great pleasure to present this Memorial Book and monetary donation to the Smith's Cove United Baptist Church."

Deacon Bigelow graciously thanked Mrs. MacGillivray on behalf of the Smith's Cove Baptist Church.

Present from the Larramore family were Mrs. MacGillivray and her family; Mrs. Cyril (Marion) Patterson, Aylesford; Mrs. Lorne (Lillian) McBride, Victoria, B.C.; Mrs. Mildred Williams; Toronto and Mrs. Lloyd Larramore, Digby. One member was unable to attend, Watson Larramore, Valley.

Rev. Brydon based his message on Acts 16, 16-34 and spoke of the challenge to "only believe on Jesus Christ and thou shalt be saved!"

The service closed with selections by the choir ending with Rev. Brydon singing "Until Then" joined by the choir on the chorus, and their habitual ending, "Till We Meet Again."

visiting with his mother, Mrs. Charles Thurber.

Spending some time at their home here are Dr. and Mrs. Richard MacLeachlan, Halifax. His father, Dr. J.D. MacLeachlan, and Mrs. MacLeachlan, Guelph, Ont., are visiting with them.

### In Memoriams

**FADELLE —** In loving memory of our dear baby daughter, Kimberlee Karen, aged 4 months, whom we lost so suddenly in an auto accident July 22, 1958.

While travelling into the dawn of a new day and the sky in beauty smiled; God sent down his Angels without a warning and picked our darling child. So, "If that is God's way" then it is hard to say When the baby you love is taken away; As for the tragic way she had to die

There is often a sigh and a question asked "Why?" For she had so many reasons to live, and "If that is God's way" then we find it hard to forgive.

So dearly loved and wanted and in our thoughts she will always live. Sadly missed by MOMMY AND DADDY, NORMA AND BOB FADELLE, DIGBY, N.S. 50:1ip

**GOSSON —** In loving memory of Richard Wayne Gosson who was killed in a car accident July 13, 1971. The years are quickly passing, Though still we can't forget, For in the hearts that love him

His memory lingers yet. Always remembered by BROTHER ROBERT GOSSON, WIFE AND FAMILY. 50:1ip

**BROOKS —** In loving memory of my dear son, Robert Harris Brooks, who passed away July 21st 1976 in Boston, Massachusetts. One sad and lonely year has passed Since my great sorrow fell The shock that I received that day

No one can ever tell. God gave me strength to bear it And courage to bear the blow But what it meant to lose you, No one will ever know. You left the one who loved you, Without a last goodbye, And in my sad and lonely heart I keep on asking why? MOTHER LILLIAN C. HAINS. 50:1ip

# Fort Anne Diamond Jubilee

A series of special events will take place on the grounds of Fort Anne, in Annapolis Royal, to celebrate the Diamond Jubilee of the Fort's establishment as a National Historic Park.

On July 22, at 7:30 p.m., the 45 piece Sea Cadet Band from C.F.B. Cornwallis, under the direction of Lieutenant-Commander Perreault, will play an evening concert. This will be followed on July 24 by the Champlain Brass Quartet playing a concert at 3 p.m.

This year the Fort will witness the Annapolis Royal Natal Day celebrations on August 1.

The main Jubilee activities will be on August 10. During the day there will be a display of vintage firearms by the Maritime Arms Collectors Association as well as periodic displays of making shingles by hand in the old way.

At 11 a.m. and again at 2 p.m. the Princess Louise Fusiliers from Halifax, dressed in scarlet tunics and white helmets will demonstrate 1870 drill and tactics, using the old Martini-Henry rifles.

Throughout the day, Ross Wilson from the Halifax Citadel, dressed in the uniform of Rogers Rangers of 1750 will stroll the grounds and tell the visitors what it was like to be a soldier during that period.

There will also be a combined meeting of Nova Scotia Historical Societies, sponsored by the Annapolis Royal Association, starting at 3 p.m. Miss Coline Campbell, M.P., will be the guest speaker.

Commencing at 4 p.m. the Champlain Brass Quartet will once again entertain visitors to the Fort.

Fort Anne, located in Annapolis Royal, was established as Canada's first National Historic Park in 1917 and this summer will celebrate its Diamond Jubilee of the event.

The first defences were raised on the present site in 1635 by D'Aulnay de Charnisay, who led a group of French colonists from the abandoned settlement on the LeHave River to this more fertile area.

Over the years the Fort and town of Port Royale developed, despite several attacks by British and New England forces. Finally in 1710, a New England force captured the Fort, renamed it Fort Anne and the town Annapolis Royal, in honour of the reigning monarch, Queen Anne.

Despite many attacks by the French and the Indians to regain the Fort, it remained under British control. The Fort was the seat of British government in Nova Scotia until the founding of Halifax in 1749.

The Fort went through many fluctuations in development and importance as British policy towards the military requirements of the province changed. By 1854, however, the last detachment of British troops was withdrawn and the Fort was placed in caretaker status.

The Fort remained with the Department of Militia and Defence until 1917, when it was transferred to the Department of the Interior and designated as a National Historic Park.

## Girl Guide Camp To Be Held

Premier Gerald A. Regan proclaimed the week of July 18 through 25 as "International Girl Guide Week" in a special ceremony at Province House.

The Premier also presented a cheque for \$14,000 to Nova Scotia Girl Guides Commissioner Anne Fraser as assistance from the Government for the International Girl Guide Camp to be held near Mira River from July 20 to August 3.

Recreation Minister A. Garnet Brown was master of ceremonies at the proclamation ceremony which was also attended by Lands and Forests Minister Vincent MacLean, whose department prepared the 470-acre Two Rivers Park site of the International Camp for the Girl Guides.

Girl Guide Wendy Knowles of Halifax, represented the Girl Guides of Nova Scotia.

Mr. Brown said that the Province was pleased that the Girl Guides of Canada had chosen Nova Scotia as the site for the International Camp which is expected to attract approximately 2,000 young Girl Guides, leaders and organizers from 83 countries around the world.

"As part of the discussions at this year's international meet, the young girls will be taking a close look at women's role in society and the many choices for service and leisure time activities offered to women in the world today," Mr. Brown said.

"As Minister of Recreation, I would be very interested to learn of the conclusions arrived at in relation to the pursuit of leisure time activities," he said.

Lands and Forests Minister Vincent MacLean briefly outlined his department's role in preparing the Two Rivers Park site which is located along the Mira and Salmon Rivers in Cape Breton about 16 miles from Sydney. The Minister recently toured the site and is satisfied that everything is in order to receive the Girl Guide campers.

Following the conclusion of the International Camp, the park will become a public park in the provincial

### Brighton

(Barbara Haight)

A hearty welcome is extended to new neighbors, Mr. and Mrs. Sam Wilkinson. We hope they will enjoy their new home.

Mr. and Mrs. William Priest of London, Ont., have visiting their parents, Mr. and Mrs. Ted Clark. While here Mr. and Mrs. Priest visited Halifax where they went to the Museum, Citadel Hill and other points of interest.

## Clementsport Pool Officially Opens Saturday

The long awaited moment has finally arrived. The official opening of the Clementsport Legion Swimming Pool will be held at 2:00 p.m., Saturday 23 July, 1977, at the Pool.

This pool is located on Moose River, just East of the Guinea Bridge on the Clementsport-Clementsvalle Highway. Those who have not seen the pool this summer, are in for a big surprise. Large parking lot, bridge over the river, large beach and swimming area, picnic tables, shade trees, toilets, change houses, roped off swimming area for children. In addition swimming classes are being conducted from 10:00 a.m. to 2:00 p.m. The pool is then open to the general public, free of charge. There are life guards on duty from 10:00 a.m. to 7:00 p.m.

This project has been completed with funds and voluntary labour from Clementsport Branch of the Royal Canadian Legion, grants from the Municipality of County of Annapolis, Young Canada Works and Nova Scotia Department of Recreation. The swimming program is being conducted by qualified instructors, certified by the Red Cross Swimming Program. This pool is open seven days a week, everyone welcome.

The general public are cordially invited to attend the opening ceremonies. Representatives from the Federal Government, Provincial Government, Municipality of the County of Annapolis, Legion Branches in the area and CFB Cornwallis will be in attendance.

So if the heat gets you down this summer, take the afternoon off and take a swim in the Clementsport Legion Swimming Pool. A great way to cool off.

## Meat Prices-Canada And The World

Canadians enjoy average meat prices on a world wide basis, says Lester Settle, Secretary-Manager of the Nova Scotia Federation of Agriculture (NSFA). Despite consumer complaints, a study of world prices conducted in 1976 confirmed that Canadians paid average prices for meat and poultry, while enjoying an above average economy and wage levels.

In 1976 Canadians paid an average \$2.04 per pound of sirloin steak boneless and \$1.38 per lb. of roast chuck boneless, while the people of Tokyo paid \$8.42 and 6.73 per lb. respectively reported Mr. Settle.

In any event, he added, Canada's meat prices do not exceed world averages by any great amounts. Prices per lb. of sirloin steak boneless (2.04), roast chuck boneless (1.38), canned ham (2.35) and packaged ham (1.66) fell below world prices in 1976 while only pork chops (2.19) and broiler chicken (0.89) rated higher in price by only a few cents, and even they were exceeded in cities like Bonn, Copenhagen, Stockholm and Tokyo.

When considering that Canadians enjoy an above average standard of living, average world meat prices do not justify calls for reduced meat prices, concluded Mr. Settle.

Everyone is invited to

## Clementsport Legion Notes

The regular monthly meeting of the Bear River Legion Branch 22 of the Royal Canadian Legion was held in the legion hall with the president, Com. L.M. Parker presiding.

The meeting opened in the usual manner with depositing of the colours and singing of O Canada followed by one minute silence in memory of fallen comrades.

The minutes of the last meeting were read and approved. The correspondence was read and discussed. One new member Jack F. Ellis was sworn in by the president Com. L.M. Parker and welcomed to the branch by all present.

The treasurer's report was read and accounts from the working fund, poppy fund and other various funds were given by the treasurer.

A short talk by Com. M.J. Wheelhouse was given in regards to those who are planning on retiring at age 60. Also on veterans pensions, etc. Fathers day golf was held on June 26th due to rain on the 19th June. Talk by Com. R.A. Isles on Legion Day Golf to be held at Pines Golf Club on Aug 20th, sponsored by Branch No. 22 of Bear River for Western Valley Legions. Cards sent

to sick members at various hospitals, float for Carnival Day on July 23rd by Legion and Auxiliary members.

Talk by Com. R.A. Isles on Zone Rally held on June 10th at Capriquet Branch 92 Freeport. Well attended by Legion and Ladies Auxiliary from Branch 22 Bear River. A wonderful evening spent by all especially the lovely seafood chowder prepared by the ladies of the host branch.

A short talk by Com. Pres. Parker was given to Legion and Ladies Auxiliary who were guests of the Legion during their regular meeting on some resolutions that were passed at the Provincial Convention held in May. Also what is taking place on July 23rd Carnival Day.

## Ethnic Resources Being Sought

Funded by the Secretary of State, through the Student Community Service Programme, the Multicultural Association of Nova Scotia (MANS) has embarked on a summer project designed to locate Ethnic Resources for future programmes. The purpose of the Student Community

Carnival Princess on July 23. Regular monthly meeting for Legion and Auxiliary members will be held on July 28th. Attendance 15 members.

Mr. and Mrs. Allister M. Harris spent the past weekend with their son Sgt. Robert M. Harris and family of CFB Shelburne.

On the long weekend Lyle T. Harris of Edmonton, Alberta, visited his sister Mr. and Mrs. Gilles Julien and family of Victoria, B.C. He also contacted his aunt and uncle Mr. and Mrs. Weldon Stevens of Edmonton, Alberta.

Service Programmes is to promote volunteer community work, as well as providing jobs and learning experiences for students.

MANS is an umbrella organization providing assistance for ethnic groups throughout Nova Scotia. In an effort to locate information for future projects, for use by the Department of Education, Department of Recreation, Interpreter Service, etc., as well as MANS, the idea for a province wide survey was formed.

In the month of May, MANS' head office in Halifax hired two senior university students, Patricia Parks and Susan Knight, to begin work on formulating the survey. By June 6, the survey was ready to be administered throughout the province. Sixteen students were hired in various locations, including South West Nova,

through the local Multicultural Councils, to interview throughout each county. The information they are receiving from the interviews is sent to the Head Office where it is filed by the students there. In September, the information will be compiled in booklet form.

The interviews will continue until the middle of August. Results already indicate that the project has led to a greater awareness of MANS and has provided information for existing and future planning of programmes; such as, the plan proposed by the Department of Education to institute a Multicultural Studies Programme in the school system by September.

Mrs. Barbara Campbell, Coordinator of MANS, welcomes those who are interested in the project to contact her for further information. 4th Floor, Student Union Building, Saint Mary's University, Halifax, Nova Scotia, B3H 3C3. Telephone - 423-6534.

## Carnival Queen Chosen

Queen Jennifer Ettinger was crowned on Saturday by Julia Henshaw, last year's queen.

Jennifer Ettinger, 17, of Clementsvalle was selected Bear River Cherry Carnival Queen, 1977, during the Princess Tea held on Saturday afternoon.

Hot, sticky weather is becoming a trademark of the annual Princess Tea. Saturday's event was certainly no exception as over 150 spectators gathered at the Oddfellows Hall in a sweltering heat. This was the largest crowd ever to attend a Princess Tea.

Jennifer is a student at Annapolis West Education Centre in Annapolis Royal. She enjoys playing the guitar, sports and crafts. She was sponsored by Reg Baird Groceries in Clementsvalle.

Runner-up in the contest was Linda Langley, 18, of Deep Brook. Linda also attends school in Annapolis Royal. She likes painting, macrame and stamp collecting. Her sponsor was the Bear River Post Office.

The nine other contestants were Karen Lincoln, Karen Thaler, Doris Keats, Terry Vroom, Melody Henshaw, Jennifer Love, Karen LeFurgey, Ardith Isles and Liz Hopkins.

Those with the unfortunate task of choosing a queen from the finest of Bear River's young ladies were Peggy Armstrong, author; Const. Smith, Digby RCMP; and Louise Bradshaw, wife of Pines Manager Victor Bradshaw.

The two-hour tea began with each girl entering the hall individually. After a parade around the floor, each shook hands with the judges. Then came the individual interviews with Master of Ceremonies Lee Everett of radio station CKDY in Digby. Each girl was later interviewed by the judges.

The crowning of the new queen was performed by last year's queen, Julia Henshaw.

Other events during the tea included a presentation of gifts (from the sponsor of each) to each girl, and presentation of a gift to the new queen by fire chief Allister Milner.

The Princess Tea is organized annually by the Ladies Auxiliary of the Bear River Fire Department with assistance from other organizations in the community such as the Alta Rebekah Lodge, Order of the Eastern Star and the Legion Ladies Auxiliary.

Some of the key organizers included Mrs. Allister Milner, Mrs. Rosalind Rice, Mrs. Phyllis Read, Mrs. Hazel Bell, Mrs. Dorothy Denton, and Mrs. Mary Darras.

clude Horton High School and Fredericton High School.

For the Dragons, the camp will provide the girls their first real taste of top Senior competition. The team will be without four of their regulars - Kathy Troupe, Kathy Naylor, Judy Kenley and Pam Locke are remaining behind.

It is felt that the team camp will greatly improve the team aspect of the Dragon team. We wish the team well at the All Maine Basketball camp.

Part of the Digby Dragon team is travelling to Maine this week to participate in a team camp with 10 senior teams from New England and Eastern Canada.

The Dragons represent the youngest team at the camp. The ten members that are participating are: Karen Hattie, Kim Roy, Erin Gardiner, Darlene Haight, Cheryl Trask, Janet Wilson, Joanne Wilson, Pam Griffiths, Susan Marshall and Debbie Pyne.

## Bike-A-Thon For Digby Dragons

A number of members of the Black Community of Digby are holding a Bike-a-Thon in August. The purpose of the financial drive is to help the Digby Dragons raise money in order to represent the Province in Sweden.

Under the direction of Vernon Simms the group felt that the Dragons had brought a respectable name to athletics in the town of Digby and therefore

deserved support. The group decided that it would be a good gesture to help the Dragons.

In the next few weeks members of the Black community will be soliciting the Digby community for support for this fund raising campaign. It is hoped that the town and area will rally behind this fine effort by the Black community.

## Lions Lose Second By Score Of 25-18

The Kiwanis outlasted the Lions in a game played on July 15th, 1977, and picked up their second win of the young season. As in the other earlier games walks were a determining factor in the outcome of this game. It must be remembered that the majority of the Little Leaguers this year are not used to pitching and therefore the number of walks. All the pitchers that were with Little League last year and for several seasons were too old to play this year. Robbie Kynock did the mound chores for the winners and allowed four hits, walked twenty-three and struck out ten to fashion the win. Keith Mackintosh and Mark Fletcher shared the pitching duties for the Lions. Ricky Cullen had four for seven (all singles), Michelle Margolian had three for seven (two singles, double), John Connelly playing short

stop had three for six (two singles and triple) and Robbie Kynock three for six (home run, single, double).

Line Score					
Lions	7	2	0	0	3
Kiwanians	6	0	6	4	9

This column would like to send greetings and good wishes to two former Little League coaches who are recuperating from recent illnesses. They are Thomas Wood, who for years coached the Merchants and won the championship on at least two occasions - the best from all Little Leaguers and the coaches, it is good to see you out and around. The other person is none other than Stan Perry, who coached the Legion entry in the Little League for years and was also successful in winning the championship. To you, Stan all our best and a speedy recovery.

## Potato Meeting

Potato experts are convinced the potato has the potential to become a staple food in developing countries.

This idea will be the focus of the annual meeting of the Potato Association of America being held at the University of New Brunswick in Fredericton from July 25-28.

Leading potato researchers from three continents

will be discussing the potential for genetic improvements that could lead to potato production in areas of the world where the crop is not now established.

There will also be sessions on other aspects of potato production and storage. The international meeting is being hosted by Agriculture Canada's Fredericton Research Station.

## Local Delegates At Watch Tower Conve

A total of 6,460 persons flocked to the Coliseum Sunday for the final session of the "Joyful Workers" district assembly of Jehovah's Witnesses in Moncton, including delegates from the congregations in Digby, Weymouth and Annapolis Royal.

The principal address of the convention, "How God's

Kingdom Can" was delivered by Rosam of Toronto. Speaking to the young and old, Rosam made a change in what is needed an

AN IMPOSSIBLE? Rosam could order where there is no great gulf and poor; in authority, wealth, cheat and sin.

Stressing of government: "Without government would be no less. And if you are a mob in action that would a mob people opportunity, greed, anarchy, feeling the will identify themselves.

"True! then," he said, "a all-powerful One, the Creator, Jehovah can bring about a harmonious whole."

"In a very blessed conflict of the twentieth century, we have often slain how Catholic, Protestant, fellow Protestants, fellow Buddhists, fellow B. But this has not been among Jehovah's Witnesses," he said.

Pointing to the international unity of Jehovah's Witnesses, Rosam said, "Only... has testified reality of

God's kingdom as the only government that can unite peoples of all nations and races into a harmonious whole."

**BAPTISM A FEATURE** Friday morning's program saw 86 persons take the step of baptism: men, women and children being completely submerged in water, including 2 from the Digby area.

Fred A. Roberts of Truro conducted the baptism service. He spoke on the theme, "Our Choice to Work with Jehovah."

Roberts explained how the decision to be baptized as one of Jehovah's Witnesses followed a systematic program of study that lasted many months.

"Faith leads to works of repentance," Roberts said. "Repentance leads to doing right works."

"This leads to conversion," he added, "a formal dedication to give oneself over completely to God through Jesus Christ."

## Tiverton

Mr. and Mrs. Bill Waring and son Micheal, of Ontario are vacationing in their summer home in the Tiverton area. They visited Mrs. Waring's grandmother, Mrs. Ella Sollows at the home of her son, Mr. and Mrs. Elverson Sollows.

Miss Florence Outhouse, Kentville spent the weekend with her mother, Mrs. Gwen Outhouse.

Terry Titus of North Range and his friend Daphne of Digby were supper guests at the home of Mr. and Mrs. John Outhouse.

It is understood a malfunction in the steering gear of Petite Passage ferry, "Joshua Slocum" occurred Saturday afternoon. As a result traffic was held up for several hours.

Mr. Phil Harris, Digby, called on Joey Outhouse on Saturday.

A superbly engineered tire, offering more mileage for your money... and more safety for your family

ER78/14 WHITEWALL

**53<sup>45</sup>** each

Two or more after discount\* **46<sup>98</sup>** each

The Super-Lastic Supreme is one of our best total performance tires, identical in design to new-car steel-belted radials. It's a top mileage-getter with a 2-ply Polyester cord body for stable control and a soft, smooth ride. Two steel belts provide improved penetration resistance for long, dependable service. The 14 and 15" 78-series sizes feature an additional 2 nylon plies under the sure-footed open-element tread to ensure high-speed endurance. The Supreme Steel-Belted Radial is treadwear rated at 40,000 miles. **5-year road-hazard insured.**

The Whippet II is our best twin-ply. Constructed of heavy denier DuPont 66 Nylon that's 50% stronger than cord used in 4-ply tires. Double-ply sidewalls allow fast heat dissipation for cooler high-speed running with a cushion ride. Treadwear rated at 12,000 miles.

The Turnpike Standard meets and exceeds all government safety standards. Built like new car tires of the early 60's but much stronger—thanks to DuPont 66 Nylon. At these low prices buy Standards instead of retreads. 10,000-mile treadwear rated.

Standard and Whippet II are 5-year road-hazard insured

## Successful Acadian Festival Winds Up

This year's edition of the Acadian Festival was blessed with generally fine weather and large crowds for the many events spanned out over the past week.

The street parade on Saturday was probably the highlight of the festival. Large crowds turned out to witness the event.

Among parade stars were Evangeline and Gabriel who represented the Colonie de Jeunesse Acadienne. This year's couple are Pauline Doucette, 18, New Edinburgh, and Wayne Melanson, 20, of Corberrie.

Another feature this year was a decision to honor local Acadian actress Ann Marie Comeau, a housewife and community worker with a wide reputation for her

satirical skits presented under her stage name "Rosealba". Mrs. Comeau was official guest of honor and officiated at many of the festival's functions.

Activities this past weekend included a five-mile foot race Saturday morning, and ox-pulls in the afternoon which drew a large number of spectators.

For people with a more musical nature, Saturday and Sunday afternoon saw the Festival de Musique de Clare, an outdoor festival on a point of land (complete with lighthouse) located directly behind Universite Sainte-Anne, where hundreds of people congregated to hear not only Acadian music but folk music from all over the world as per-

formed by Noel Harrison, Marty Reno, Johnny Comeau, Bonded Stock and a variety of local groups and entertainers.

The new million dollar library at University Sainte-Anne housed a display of arts and crafts, open both days, featuring a display of paintings by area people in many styles and from many periods in time, a special collection of dolls dressed in Acadian costumes, again representing various periods of history, a giant model of the community of Church Point as it appeared in its early life, and a display of quilts and other knitted and sewn items.

A well-rounded line-up of activity for the rest of the week provided entertainment for all age groups. Among performers at Sunday's music festival were Noel Harrison, Pauline and Lucien Lauzon, Marty Reno, Jonny Comeau and his group, 1755 St. Mary's Choir and the Acadian Choir.

The Digby Council, Knights of Columbus presented a monitor for use in emergency situations such as cardiac arrests to Digby General Hospital on Monday. The device has a value of \$1,325. Alex McDonald is shown in photo shaking hands with Muriel Smith, Director of Nurses. Others in photo are (left to right) Mary Ellen Amaro, Dianne Stanton, Larry Amaro and Ralph Stacey, hospital administrator. Mr. Amaro was chairman of the monitor project, Mr. MacDonald is a Grand Knight. The money was raised through ticket sales, a dance and an auction held at the Knights of Columbus Hall.

## Vandals Strip Forum

Vandalism has struck at the Digby Forum resulting in extensive damage to the ice plant. Various valves and gauges on the ice-making machine were broken and the electrical control panel damaged.

Town Hall personnel indicated that the vandals had endangered their own lives in the break since ammonia is used in the ice-making machine. Had the wrong valve been broken, the airtight ice-making vault would have quickly filled with deadly gas.

Vandals have also been working at the outside of the building, ripping shingles and lumber from the side of the forum complex. Total damage at the forum is estimated as high as \$25,000.

## Cultural Float Award

The Western Nova Multicultural Association's participation in the Acadian Festival last week paid off with a trophy for the best Cultural float in the parade.

The multicultural float included representation from five different Nova Scotian cultures. The banner was written in English and French.

The association was also instrumental in bringing the Springhill Pipe Band to the festival. The band was given the lead position in the parade.

After the parade, the pipe band put on a concert. They left on Monday to participate in the Halifax Natal Day Parade.

## Clown Chowder

Clown Chowder, a revue sponsored by the Parks Awareness Canada Program, will play in Digby this Sunday.

It is to be presented in the Digby Hall at the Pines Hotel at 7:00 p.m., July 24.

The Comic Revue has great appeal for children and adults alike. It stars fine young Canadian actors as the clowns, and is under the direction of John Dunsworth, a Dalhousie professor of

Theatre.

Locally the players are sponsored by the Pines Hotel Recreation Dept. The show is expected to amuse and thrill the local audience consisting of persons from the community and Pines Hotel guests alike.

The players are touring eastern Canada for the Parks Awareness program. They will go on to other centres after the presentation in Digby this Sunday.

## New Multi-Cultural Centre

A Multi-Cultural Centre will be created in the Annapolis Basin destination area. It will be located on the 750-acre Prececky Estate which fronts on three-quarters of a mile of the Annapolis Basin and contains meadows, orchards,

two houses. The Centre will demonstrate how various ethnic groups have influenced present day Nova Scotia culture in the arts, crafts, music, dance, drama, food and entertainment. Estimated total cost: \$2,175,000.

## Summer Plans For Firehall

Summer plans are underway for the Digby Neck Firehall and Community Center. A special meeting has been called by the Recreation Chairman, for the Digby Neck Youth Group. The Group has been working to obtain funds for their use in the Firehall. The Committee now wants to know what programs, etc., they can provide for the Group. Only the Group members can tell the Committee.

Firehall bingo is still on Thursday nites and folks look forward to the Jackpots and the fun. All festivities start at 7:45 p.m. and the

canteen is open for cold pop and chips.

The hall is not complete, but it is ready for use, and it is up to the community to tell the Committees what programs they would like. It is not necessary to be a member of the Fire Department to take part in the recreation hall. The recreation hall is community owned and it is expected that it will be community used.

Department meetings are held on the second Friday of each month and the Commission meetings are held on the first Friday of each month. Your help is solicited.

## Around Weymouth Village

(Mrs. J. Cosman)

Mr. Richard Amiraault is a patient at the V.G. Hospital. We wish him a speedy recovery.

John Cameron and a friend, Eric Cohen, spent the 4th of July weekend at "Crowberry" in Weymouth North. Beautiful weather was enjoyed, and John revelled in trips through Camp Aldercliff and in old memories of camp days as a boy.

Guests also at the Camerons were Mr. and Mrs. Michael Ishien, as well as Mr. and Mrs. J. Wolf of Malta, N.Y., and Mr. and Mrs. Geoffrey Patten, Ashby, Mass.

Prior to this the Camerons spent a couple of days at Point Pleasant Lodge in Halifax while Mr. Cameron had dermatological therapy at the V.G. Hospital.

Guests at the home of Mr. and Mrs. Dennis Comeau over the weekend were Mr. and Mrs. Harold Bayley, of

Dartmouth.

Mr. Payson Amaro has returned home from the Yarmouth Hospital after a two week stay.

Mr. and Mrs. Oliver Dickey of Lower Sackville spent the weekend with Mrs. Dickey's parents, Mr. and Mrs. Wesley Grant. Also at the same home over the weekend were their daughter, Mrs. Kenneth Marshall, and Mr. Marshall of Hillsgrove.

Mr. Clifford Banks and daughter Barbara and his mother, Mrs. Chesley Banks, of Doctor's Cove were dinner guests of Mrs. Victor Doty on Tuesday. They were accompanied home by Mrs. Clifford Banks who has spent the past two weeks visiting relatives here. Next week they will be returning to their home in Campbellford, Ontario.

Mrs. Bruce Bowers and son James of Jordan Bay accompanied by Mrs.

Beatrice Condon, Bayview, Mrs. Bower's mother, Mrs. Fred Barr, spent several days at the home of Mr. and Mrs. Victor Day.

Sunday, July 10th, a memorial service for the Bower brothers was held at Jordan Bay wharf. Robert, 22, and Rickey, 17, Bowers, sons of Mr. and Mrs. Bruce Bowers. Mrs. Bowers was formerly of Ashmore. The boys were lost and drowned on April 11, 1977, while fishing in Jordan Bay Harbour.

Tuscan Lodge No. 111, AP & AM, met on July 12th for their regular meeting with Bro. Frank Turner in the Chair. The meeting was held at the Weymouth Fire Hall.

Mr. and Mrs. Vaughn Lent and family of Lynn, Mass., are visiting with their daughter, Mrs. Walter Robicheau Jr. and Mr. Robicheau at their home in Weymouth North.

Mr. and Mrs. Vernon Sabean have returned home after visiting relatives in U.S.A.

Mr. and Mrs. Charles Ashe, Toronto, have arrived to reopen their summer home in Weymouth North.

Sympathy is extended to the family of the late Mrs. Melvin Langford, who passed away recently after a lengthy illness.

The Women's Missionary Society of the Church of Christ held their monthly meeting on Thursday evening in the church basement with the president, Leota Lewis, in the chair.

Mr. Leon Doty of Bowmanville is visiting his parents, Mr. and Mrs. Victor Doty.

Mr. and Mrs. Robert Howell and son of Amherst are visiting the latter's parents, Mr. and Mrs. Wilfred Cosman.

Mrs. Spurgeon Roscoe and son of Halifax are visiting her parents, Mr. and Mrs. Scott Kinney.

Mrs. Laura Schofield of Wayland, Mass., accompanied by Mrs. Margaret Coughney, of Hudson, Mass., and Miss

Sarah Kinney, of Marlboro, Mass., are spending the summer at Mrs. Schofield's summer home.

## Middleton Makes Music

Courtesy of WILF MOARE  
Special Correspondent for the Greenwood Argus

In just a few hours from now a very happy group of young musicians and their chaperones will step down from a jet flight returning from Vienna, Austria. They will be Middleton Regional High School Concert Band from the Annapolis Valley of Nova Scotia, as remote a spot on the map to Europeans as the Yossak Valley in the Tyrol is to Canadians.

Middleton's young musicians are returning home from the International Festival of Bands as World Champions. Topping the best school bands from 17 countries deserves world wide acclaim but from a Province the size of Nova Scotia.....This outstanding success is a particular tribute to M.W. Harvey, the bandmaster responsible for such a performance from the 45 member band.

However it could not have been achieved without the support of many, many persons from the Heart of the Valley, in the main the Band Association. It takes quite a sum of money to transport an organization of this size to a place as far distant as Vienna. It takes quite a lot of hard work to raise it. Yet it was done.

Tonight when the young musicians disembark from the plane they will be met by a motorcade from Middleton who will collect the group and return well after midnight - to the Annapolis Valley town. Upon arrival at Auburn they will be met by the R.C.M.P. who will escort the caravan into their hometown. This puts the band into Middleton around "three o'clock in the morning" which has a musical lilt to it...but is nevertheless not usually a time that heroes come home. It probably won't make one iota of difference to the band members who are still running on European time because it will be around 9 a.m. for them.

So it will be back to reality on Thursday, back to the place where it all began with an extraordinary fund raising effort. A major portion of this was raised by the ten persons who accompanied the group to Austria. They were Dr. John and Mrs. Arendz, President of the Band Association; Mr. and Mrs. Doug Cook, Tour Director; Dr. Ben and Mrs. Wilson, Tour Doctor; Mr. and Mrs. Hugh Lawrence, chaperones; Wilf and Mrs. Harvey, Bandmaster. Many other persons helped to make this dream come true since

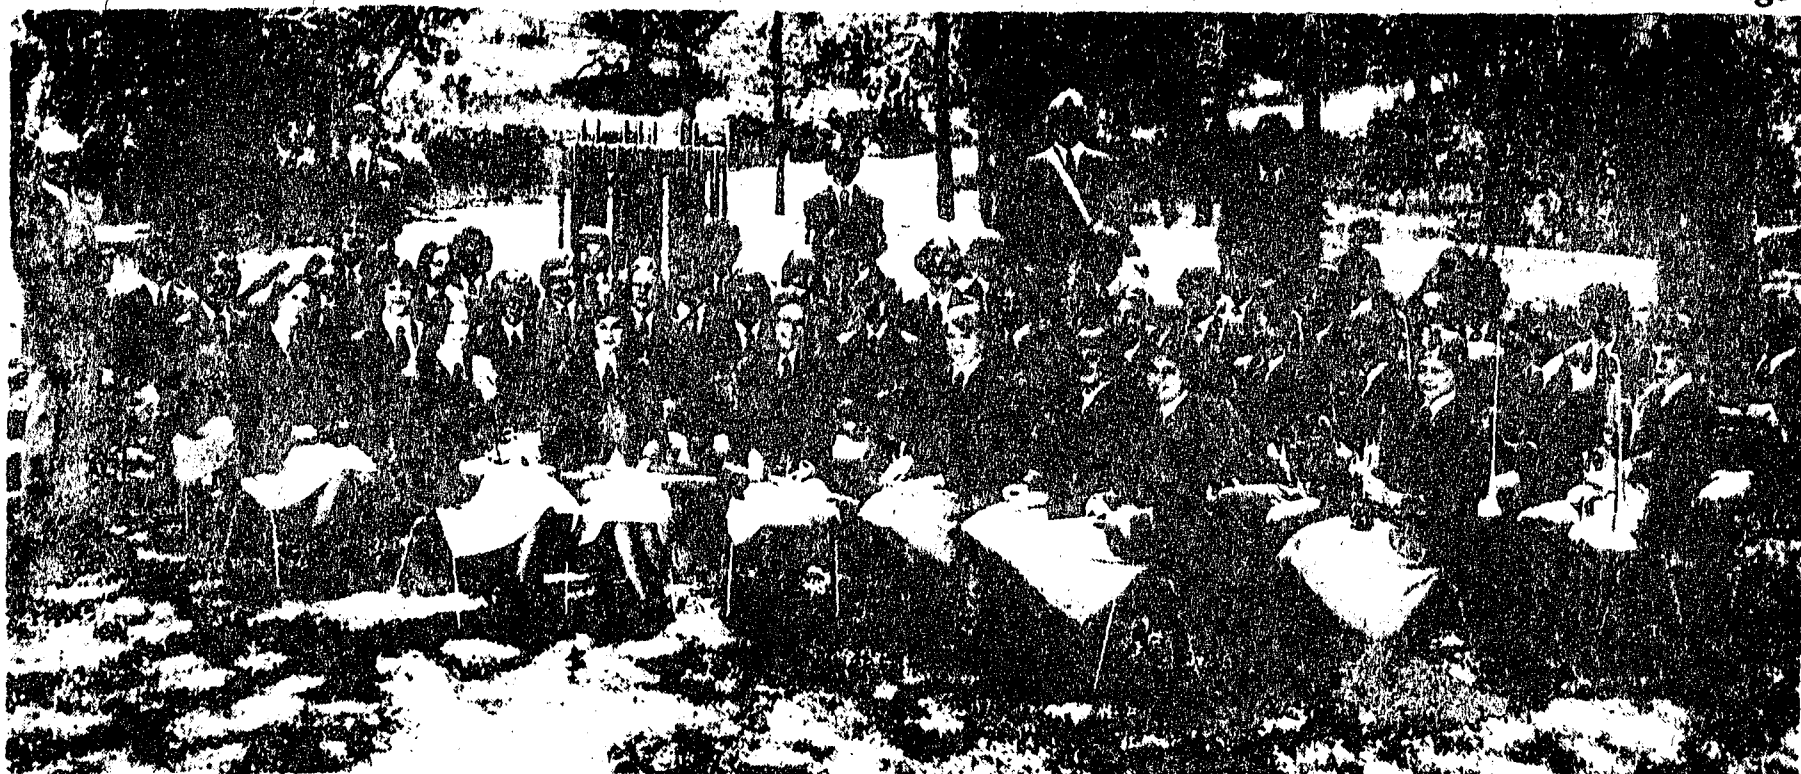

Photo by Neily

the trip was "Go" way back in September. Figures released show that \$26,000 came from parents, \$14,000 from local companies, \$16,500 was raised from projects created by the band and fellow students. The Provincial Government has promised \$2,500 and the Federal Govt. \$3,000. The town of Middleton is arranging a suitable occasion to recognize this tremendous achievement. When they do they must surely recognize where it all began. It began a long time ago in Newfoundland.

Musical Director M.W. Harvey is a native son of the tenth province. This particular Noof came to Middleton many years ago and eventually created the first of the bands that Middleton Regional High School has been proud of during recent years. Like the one that journeyed to Harrogate, England, in 1973 and was widely acclaimed in the British press.

Captain Harvey had been a bandmaster during the war; it stood home in good stead for the trip to Vienna for Middleton did not have any marching experience. In the Austrian competition it was a

requirement. Nothing daunted, they practiced in the arena and on ball diamond to master the technique within a couple of months.

Middleton Regional High School offers music and an opportunity to become a band member to every pupil from Grade VII up. Music is a curriculum activity; band an extra-curricular activity. In this particular area of the scheme Mr. Harvey is a dedicated coach. Coaches in all walks of recreation work unstintingly for the BIG ONE. Not for themselves but for the recognition that their protégés earn and so richly deserve.

Dedication at Middleton Regional High School has paid off in Vienna but when the cheering and the tumult has faded into posterity Coach Harvey will think back with pride and no doubt, with a lump in his throat to that wonderful moment of triumph when his young musicians were acclaimed World Champions. Thinking of their success rather than his own.

But then the world of music is a wonderful world. Thanks, Harv. and thank your wonderful "kids" too.

in-law, Derek, is ill in hospital in Toronto, after suffering a heart attack, a speedy recovery is extended to him.

Mr. Roy Saulnier, Dayton, Yarmouth Co., was a visitor to the Island one day recently. Mr. Saulnier was a former industrial arts teacher at the I.C.S.

Mrs. Caleb Howard

(Linda) and children, Halifax, have been spending a week's vacation with her parents, Mr. and Mrs. Harry Crocker while Mr. Howard has had some work to do in the Digby area.

Mr. and Mrs. Raymond Titus were hosts at a birthday party for their brother in law, Mr. Caleb Howard this past Saturday evening.

Quite a number of friends enjoyed the evening with them.

## National Farm Safety Week July 25-31, 1977

Farming is a physically hazardous occupation. The farmer operates complicated machinery, handles livestock and heavy supplies and potent chemicals. He is subjected to dust, heat, cold, rain, snow and sun. Although basically a business man he must also be a mechanic, a trouble-shooter, a carpenter, and a handyman. In no other occupation is one person faced with such a variety of hazards. In order to reduce injuries the Canada Safety Council urges farmers to use personal protective equipment.

Other industries have long used personal protective equipment to minimize worker injuries. Many farm injuries could be prevented

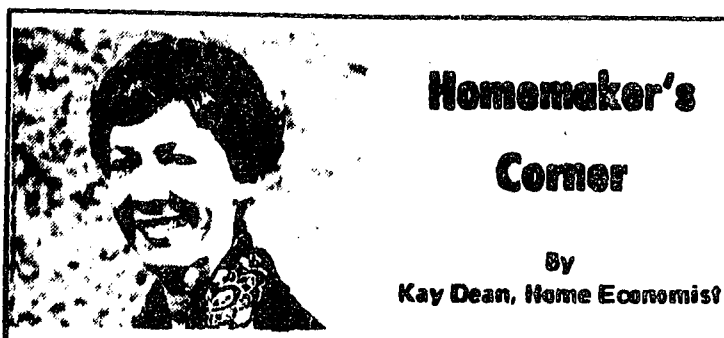

or reduced in severity by the use of this equipment. Hard hats, safety boots, heavy duty gloves, chemical or petroleum resistant gloves, respirators, dust masks, mono-goggles, chipper goggles, welder's helmets and face shields are some of the items which farmers should consider as essential to their personal safety.

Personal protective equipment is meant to be used only when it is impossible or impracticable to eliminate a hazard. Wearing this equipment tends to prevent injury by the hazard remains a potential danger. It is better to remove a hazard than to try to safeguard against it by means of special clothing or equipment.

### FRESH FOODS AS

### "CONVENIENCE" FOODS

When we hear the term "convenience foods", an image of brightly packaged processed food immediately comes to mind. However, this need not always be the case. Consider the convenience of fresh fruit and vegetables:

To serve fruit and vegetables in the raw state, little preparation is needed - just a thorough rinse, drain, dry, and trim. Often this can be done in less time than a processed food can be defrosted or opened and heated.

Raw vegetables and even fruit can be the main dish of any meal with a little added protein food such as cheese, eggs, nuts, meat, fish or poultry. My first introduction to a fruit plate with cottage cheese was "That's for supper!" How it has become a refreshing change and quick to prepare.

The colours of a fresh fruit or vegetable plate immediately make the mouth water. The flavours and crisp textures add to the enjoyment.

Don't forget, too, the other

valuable contributions that fresh foods make: vitamins, minerals, and bulk.

Regarding bulk, we are all probably convinced through much advertising that breakfast cereals are the only contributors of bulk. Whole grain cereals do provide good sources of bulk or dietary fibre, but fruit and vegetables also contribute valuable amounts when you consider the quantity of fresh produce we eat.

Bulk is necessary for good digestion and its importance in our diet is under a lot of scrutiny these days.

Another plus for serving fresh fruit and vegetables is that they are lower in calories than many other "quick" foods we tend to grab on the run. For those who must limit their calories fresh fruit and vegetables are just the thing.

July is Salad Month and a great time to serve fresh produce in many ways. However, during busy times when you're tempted "to heat and run" consider those fresh fruits and vegetables. They are convenient.

## Multi-Cultural Centre Planned For Precosky Property

Herb Smale, AVABT Executive Manager and Area Tourist Director, has announced details of the Tourism Subsidiary Agreement signed between Canada and Nova Scotia. In reviewing the details of the \$13,757 agreement, Mr. Smale indicated that it would have a far reaching impact on the overall development of the Tourist industry of the Annapolis Valley Region.

The agreement contains two broad programs:

1. A program encompassing various province-wide projects for promoting the tourist industry within Nova Scotia, improving the efficiency of the industry and expanding the industry where possible and desirable.

2. A program related directly to development of destination areas which includes projects providing for construction or expansion of major attractions, providing suitable attractions for day trips and co-ordinating planning, promotion and implementation activities within the destination areas. The first program includes six projects:

A hospitality industry development project provides for the use of uniform accounting and cost control systems in hotel and food service establishments. This project will be augmented by improved training and educational programs developed in co-operation with federal Department of Manpower and the provincial Departments of Education and Labour. Estimated total

cost: \$200,000.

Tests will be undertaken to determine the feasibility of installing a computer reservation system across the province. Funding is provided for such things as computer hardware and software, training operators, and computer and storage time. Estimated total cost: \$400,000.

Two types of financial incentive will be provided tourist operators who meet specified criteria:

"Interest subsidies" will be available to operators of existing facilities and to entrepreneurs who construct new facilities anywhere in the province. A bottom limit of \$10,000 of eligible assets will apply to modernization, \$25,000 to expansions and \$100,000 to new construction. Maximum assistance to a single project will be limited to \$250,000 of subsidized interest. This scheme will provide rebates to operators of 100 per cent of the first year's interest and 50 per cent of the second year's interest on loans from recognized commercial or public lending institutions.

Grants will be available to the operators of tourist facilities which are deemed to be particularly beneficial to tourism-development or which have a significant economic impact. Such grants will be available to operators within destination areas, and to highly beneficial facilities in other areas, provided certain criteria are met. A bottom limit of \$50,000 on eligible assets will apply. Maximum assistance to single projects

will be \$250,000. Grants up to 50 per cent on eligible assets from \$50,000 to \$100,000 will be available. For eligible assets exceeding \$100,000, grants up to 25 per cent will apply. Estimated total cost: \$1,000,000.

An information project provides for the completion of the provincial system of Travelway Information Points (TIPS) throughout the province by constructing them at eight additional locations. (There are now seven TIPS in Nova Scotia.) The project also includes improvement to the Caribou entry point through provision of an interpretation centre, a tourist information centre, reservation point, dining room and lounge. Amenities will be provided to make this entry point an integral part of the Pictou County Destination Area development. These amenities include landscaping, signs, lighting and facilities for a boat trip to Caribou Island Beach. Estimated total cost: \$1,370,000.

The fifth project provides for grants of up to 75 per cent of the capital cost of snowmaking equipment at five Nova Scotia ski slopes. It is estimated this project will double the length of the ski season and provide significant income and employment benefits. Estimated total cost: \$600,000.

Finally there is a project calling for collection of data for evaluation purposes, public information on projects funded under the

agreement and evaluation of the agreement during its final year. Estimated total cost: \$150,000.

A second program consists of eight projects directly related to the Destination Area strategy. It provides for development of "destination areas" in the Annapolis Basin, Lunenburg County, the Eastern Shore, Pictou County, Louisbourg and Bras d'Or.

Destination areas are subdivisions of tourist regions which are deemed significant enough to require facilities for overnight stays. All are areas with potential for tourism development and in need of increased income and employment opportunities.

To facilitate this development the agreement includes projects which will increase the length of the tourist season: extend the stay of travellers who come to Nova Scotia; increase the amount of money spent by travellers; distribute travel expenditures geographically according to opportunities for profitable investment and the need of areas for income and employment opportunities; and increase the total number of visitors.

In our area a Multi-Cultural Centre will be created in the Annapolis Basin destination area. It will be located on the 750-acre Precosky Estate which fronts on three-quarters of a mile of the Annapolis Basin and contains meadows, orchards, woodlands, two lakes, and two houses. The centre will demonstrate how various ethnic groups have influenced present day Nova Scotia culture in the arts, crafts, music, dance, drama, food and entertainment. Estimated total cost: \$2,175,000.

Funds are provided for projects in each of the destination areas which will induce tourists to make day trips. Projects which could be funded include, for example, restorations, beach developments and clearing of trails. Estimated total cost: \$800,000.

Destination area "co-ordinators" will be hired on short term contracts, to ensure that development efforts in the destination areas are in harmony with municipal and provincial tourism development plans.

As a first step in the development of a Tourist Destination Area in the Eastern region of the Annapolis Valley, Mr. Smale stated that an invitation is being extended to all tourism associated firms and operators in the area from

## School Construction Projects Approved

Hon. George M. Mitchell, Q.C., Minister of Education, today announced that the provincial cabinet had approved 23 school construction projects with a total value of close to 16 million dollars.

"Contrary to some reports circulating," Mr. Mitchell said, "we have not lifted the general moratorium on school construction which became effective March, 1975, but we have responded to certain submissions from

Cosman, Ashmore, Tuesday, July 5.

Mrs. George Cosman was supper guest of Mrs. Joseph Sabine, Riverdale, Sunday, July 10.

Mr. Victor McCullough, accompanied by Mrs. Ralph McCullough, Joyce Perkins and Leslie Handspiker, Riverdale, spent a week in P.E.I. visiting Mrs. McCullough's daughter, Mr. and Mrs. Lou Outhouse.

Mr. Malcolm Marshall, sons Curtis and Blair, Lacombe, Alberta, spent a few days with Mr. and Mrs. Sherwood Marshall and Bonnie, and visited relatives and friends in the surrounding area.

Miss Patricia Marshall and friend Greg Mahar, Halifax, spent the weekend of the 9th with her mother, Mrs. Winnie Marshall. Mrs. W. Marshall accompanied them to Halifax for a week.

Mr. and Mrs. Hazen Height, South Range, and Miss Edna May Marshall, Digby, spent the weekend of July 9 with their mother, Mrs. Winnie Marshall.

On Saturday evening, July 9, a bridal shower in honor of Miss Patricia Marshall was held at the home of her mother, Mrs. Winnie Marshall. She received many lovely gifts. On the same evening Mrs. Winnie Marshall was surprised with a birthday cake and gift.

Mr. and Mrs. H. Budd Lewis and family, Halifax, spent the 16 and 17th visiting his parents, Mr. and Mrs. Ellery Lewis. Jeffery Lewis remained to spend a week with his grandparents.

Pamela and Marven Foster, Yarmouth, spent the weekend of July 17 with their grandparents, Mr. and Mrs. Ellery Lewis.

Mrs. Hugh Foster and children, Yarmouth, spent Thursday the 14th with her parents, Mr. and Mrs. Ellery Lewis.

school boards for projects which are absolutely necessary because of serious overcrowding in classrooms, potential health hazards, or the complete inadequacy of present facilities. In all cases, the Minister said, "the exceptional circumstances of each submission demanded the government respond to the school board requests."

The approved projects involve construction in all parts of the province and will help alleviate some of the pressures caused by high unemployment rates in certain areas, according to Mr. Mitchell.

The 23 projects include construction of new facilities, expansion of existing ones and major renovations.

Mr. Mitchell said that he expected some of the projects would get under way very quickly and that all municipal units would be urged to take the necessary steps to accelerate construction.

Estimated construction costs range from \$25,000, for needed renovations to classrooms, to seven major projects with an estimated cost of more than \$1,000,000 each.

Mr. Mitchell said he was delighted that Cabinet had agreed to partial lifting of the moratorium and he was pleased to indicate that the 1977 exclusions from the capital school building moratorium were as follows: Municipality of the District of Clare: Saulnierville Consolidated School (addition) Grades - P-7; Students - 283. Municipality of the District of Digby: Weymouth Consolidated School (addition) Grades - P-12; Students - 725.

## Westport

(Mrs. Sidney Morehouse)

Mr. and Mrs. D. R. MacKinnon and family spent the weekend with her parents, Mr. and Mrs. Lawrence Shaw.

The funeral of Miss Blanche Hicks took place from the Baptist Church, Westport. A native of Westport, she taught school for over 40 years, and was principal of Westport school for 20 of them. Our sympathy to the relatives.

Mrs. Iris Rodgers, Fairview, spent the weekend with her mother, Mrs. Viola Garron. Miss Marilyn Denton, Yarmouth, spent the weekend at her home here. Mr. and Mrs. Rocky Welch spent the weekend with Pete Welch and family. Mr. and Mrs. Philip Welch and family, River Denys, visited his mother, Mrs. Gertrude Welch.

In my report of the High School graduates I see I omitted to mention that Joyce Robicheau won the prize for highest standing in grades 10, 11, and 12. Also that Joy Delaney sang a solo at graduation. My apologies girls.

The Robicheau home is at present bursting its seams. There seems to be a regular reunion. Janet has graduated from Vocational School, and is at home; Ruth Ellen is home after a prolonged visit in Louisiana, and Denny has now joined the gathering. Mr. and Mrs. Gary Vanburgh are visiting Mr. and Mrs. Brian Baker and the Robicheaus.

Mr. and Mrs. Edgie Titus and Peter are visiting in Halifax.

The rains descended and the floods came. Westport finally emerged from the deluge with gutted driveways, washed out gardens, and flooded cellars. Some cellars even overflowed, the water coming out the doors and windows. Many residents claim that it is the most water they had ever seen come down.

Mr. and Mrs. Roy Welch, Indiana, have been visiting his father, Albert Welch. They left to visit his sister and husband, Mr. and Mrs. Roy Peters, at Greenwood, accompanied by Albert. Roy and Dorothy will visit with Alan and family in Ontario on their way home.

Mrs. Rita Peters, Yarmouth, and daughter Barbara, Mass. spent a short time in Westport.

Mrs. Les Barnaby motored to Yarmouth to pick up Mrs. Ray McDormand, who has been in Yarmouth for minor surgery. Marilyn Peers accompanied them.

Mr. and Mrs. Les Barnaby and Bruce motored to East Chester and Kentville on Sunday.

Rodney Barnaby, accompanied by two friends, Wallace Losier and James Scoggins, all of Kitchener, arrived at his home here for the long weekend. His friends stayed on for an enjoyable week canoeing and fishing. They plan to camp and fish through the Maritimes on their way home.

Again Mrs. Franny Poole was transported to Freeport by Coast Guard to meet the ambulance on her way to Digby Hospital. The usual state of affairs after the ferry has had her annual refit.

Mr. and Mrs. Edward Welch and family are

visiting his parents, Mr. and Mrs. Richard Welch.

Mrs. Stan Moore and sons, Donnie and Bernie, and Mrs. Inez Moore have taken to the tall timber. They plan to spend a couple of weeks at their cottage in Mucklesham.

We hear that a social gathering took place at the Court House in Digby, when a number of local fishermen or their wives assembled to pay their just debts one by one. I gather that there is now a rush business in life preservers.

Raymond Robicheau motored to Kentville on Sunday to pick up Mrs. Edna Bowers, who has been in hospital there for surgery. Muriel Bowers, Quebec City, accompanied them home, where she will be spending her holidays with her mother.

Mrs. Herman Flewelling (formerly Ada Welch) is in hospital at Saint John after a heart attack. She is in intensive care, and I'm sure would appreciate cards and letters.

A goodly number of Legion members and friends finally settled on Per Jacques for their proposed picnic, Gull Rock field being too exposed.

Huge bonfires and a wall of hot dog buns (owing to a slight error in the order!) sheltering them they claimed a very enjoyable, though foggy, time. Some of the less hardy left for Freeport in time to catch the last trip of the ferry, which promptly broke down in Freeport. Those hardy souls who stayed to the bitter end gathered at the home of Mr. and Mrs. Sidney Morehouse, where they spent the next few hours waiting for the ferry.

A number of Westport children are spending a week each at Johnston Christian Camp. The Senior group consisted of Brenda Porter, Sandy Delsey, Kevin Roy, and Troy Guptill. This week the Intermediates have gone—Randall Titus, Albert Moore, Anne Barnaby, David Buckman, Troy Frost, and Lisa Graham. Tony Glavin accompanied them hoping for a cancellation. Next week the Junior group will go.

## Centreville

(Mrs. Dakin)

Wilfred Banks Jr. of Calgary, Alberta, visited with his grandfather, Oswald Banks, and other relatives recently.

Rev. and Mrs. Robert Reid and family are visiting friends in P.E.I.

Helbert Dakin of Worcester, Mass., visited his brother, Mr. and Mrs. Harley Dakin, and niece, Mr. and Mrs. Arnold Lombard and family, and friends here for 10 days recently and returned home last Saturday.

Mrs. David Russell spent a day at the Yarmouth Hospital for an operation on her throat and returned home the same day.

Mrs. Charlie Cann of Freeport and Miss Fannie Taylor of England spent Friday with her sister, Mr. and Mrs. Harley Dakin.

Mrs. Ted Beals of Middleton and daughter Joan visited her brother, Gerald Titus Sr. recently.

Mr. and Mrs. Arnold Lombard visited his parents, Mr. and Mrs. Alex Lombard at Ashmore, and his sister, Mrs. Goldie Andrews, at Ashmore last Sunday.

Mr. and Mrs. Harley Dakin and granddaughter Shelly Lombard, and Mrs. Ruth Berry and two grandchildren, Brad and Kim, visited their two daughters, Mr. and Mrs. Guy Marshall, at Barton, and Mr. and Mrs. Louie Doucet and family, and Mrs. Dakin's sister, Mr. and Mrs. Felix Doucet at New Edinburg last Sunday. They also attended the church service at Weymouth Church of Christ Sunday evening.

Mr. and Mrs. Berry Craig of P.E.I. visited his grandparents, Mr. and Mrs. Edmond Titus for a week.

Mrs. Arnold Lombard and her father, Harley Dakin, and Mrs. Russell Lombard motored to Yarmouth on Saturday accompanied by her uncle Helbert Dakin.

Mr. and Mrs. Fred Lombard and two children of Bridgewater, and Mr. and Mrs. Joey Patterson and two children of New Edinburg, and Mr. and Mrs. Lister Lombard, son Tracy, of Freeport visited their parents, Mr. and Mrs. Russell Lombard last weekend.

Mrs. Wendell Graham and sister, Mrs. Glendon Titus, visited with their sister, Mr. and Mrs. Irvin Titus at Hopington, Mass. They also visited their brother, Douglas Graham, who was ill, in U.S.A.

Mr. and Mrs. Michael Kelly and family of Saint John, N.B. spent last weekend with her parents, Mr. and Mrs. Austin Hersey.

Guests at the home of Mr. and Mrs. Guy Outhouse were Mrs. Richard Boswell, Georgetown, Mass., and Mrs. Lauriston Tidd of Little River and other relatives and friends due to the death of Mrs. Outhouse's son, the late Ronald Morehouse.

Mr. and Mrs. Harley Dakin visited their grandson, Mr. and Mrs. Murray Marshall, and Mr. and Mrs. Vernon Marshall at South Range, and their daughter, Mrs. Guy Marshall, at Barton on Saturday.

Mrs. Ruth Berry and grandchildren of California visited Mr. and Mrs. Herford Raymond at Digby.

Mr. and Mrs. Paul Berry of California are spending three weeks with friends at Belgium.

Mr. and Mrs. Richie and children of Ottawa are visiting her mother, Mrs. Guy Outhouse, and Mr. Outhouse due to the death of her brother, the late Ronald Morehouse.

Mrs. Keith Raymond spent a week in New Glasgow

recently.

Mrs. Michael McNutt and two children of Halifax spent last weekend with her parents, Mr. and Mrs. Keith Raymond.

Mrs. Mabel Raymond of Digby visited with her son, Mr. and Mrs. Keith Raymond, last weekend.

Mrs. Ronald Morehouse and three children of Pepperell, Mass., visited with Mr. and Mrs. Guy Outhouse and attended the funeral of her husband, the late Ronald Morehouse, on Sunday at the Baptist Church.

Relatives and friends of different areas attended the funeral of the late Ronald Morehouse on Sunday at Centreville Baptist Church.

Mr. and Mrs. Earle Melanson and daughter Kim of Ashmore visited his brother, Mr. and Mrs. Russell Lombard on Sunday.

Ernest Dakin and Mrs. Leta Hersey of Waltham, Mass., visited at the home of his stepmother, Mrs. Mabel Dakin, and Mr. and Mrs. John Jago one day last week.

Mr. Dakin is visiting his sister, Mrs. Freda Robichaud, at Digby for a month.

Mrs. Lila Hersey of Waltham visited her brother, Mr. and Mrs. Darrell Morton.

The Bible vacation school was held in the Baptist Church last week, led by Carol Thomas and Carman Thomas, Philadelphia, Jackie Jefferson, California, and Paul Jeter, Joey Jeter, Philadelphia, Betty Bliston, Florida, now Middleton. Closing night was last Thursday night.

## Freeport

Miss Patay Stanton, daughter of Mr. and Mrs. Merrill Stanton is a patient at the Digby Hospital. We hope that she will soon recover.

Miss Jean Haines is spending the summer vacation at her home here.

Nice to welcome Mrs. Elsie Prime back to her summer home after spending several months living in Halifax. She has had visiting with her son James and Mrs. Prime of Halifax.

We would like to extend our sympathy to the relatives of the late Mrs. Geraldine Peters. Mrs. Peters was born and raised in Freeport and was the daughter of the late Mr. and Mrs. William Morrell.

Mr. and Mrs. Douglas Spry, Toronto, have been vacationing at their home here.

Mr. and Mrs. Floyd Campbell have been enjoying a visit from their son, Floyd Campbell Jr. and Mrs.

Campbell from Mass.

Mr. and Mrs. Austin Finigan (nee Gladys Thurber), Ontario, are spending their vacation with Mrs. Finigan's brother, Cap't Glidden Thurber. Also visiting is his brother, Mr. Sherman Thurber and Mrs. Thurber, Fredericton, N.B.

Miss Kathy Prime, Halifax, is visiting with her mother, Mrs. Vera Prime and her sisters.

Mrs. Robert Daw (Wendy) and infant son, Matthew, Moncton, N.B. have been spending a few days with her parents, Mr. and Mrs. Watson Crocker. Lic. Daw motored from Moncton to take his family home and en route to visit friends and relatives in the area and Halifax.

Glad to report that our former Pastor, Rev. K. Daw, who recently under went surgery at the Victoria General Hospital is recovering nicely. Hopefully he soon will be able to return to his home at Boylston, Guysborough Co. His many friends wish him the best for a good recovery.

Mrs. Stephen Guier (Sheryl) and son visited with her mother and sisters and brother, Mrs. K. Daw and family at Boylston for several days. She was accompanied home by her brother Ricky and sisters, Lisa and Angie who visited with Mr. and Mrs. Guier for a few days.

Capt. and Mrs. Walter Crocker and family spent the weekend at their summer cottage. On their return to their home at C.F.B. Shearwater they were accompanied by Miss Wendy Kinney who went to stay a few days with her friend Melanie Crocker.

The heavy rains last week raised havoc with quite a number of people by flooding cellars, washing out drive ways, gardens to name a few things. We hope there will be no repeats of rains such as this for a long, long time.

We were all sorry to say good bye to our bank

## Island Mail Schedule Undergoes Change

A notice regarding a change in mail delivery service was recently issued to patrons of Tiverton post office by the post master of the area, Chester M. Outhouse.

The announcement said the change over would be in effect Friday, July 15. The highway postal service from Digby to the Islands, Long Islands and Westport, now originates from Digby instead of Westport from where it originated for many years.

The incoming mail from Digby and other localities arrives at Tiverton post office at 9:40 a.m. which means that residents can now peruse their mail in the forenoon instead of undergoing the long wait until 2:00 p.m. as previously.

Incoming mail from

Westport will arrive at Tiverton at 1:00 p.m. instead of 8:30 a.m.

Patrons of the Tiverton post office will now have the morning hours in which to write their letters. This will avoid the early morning rush at the wicket for stamp, money orders, etc.

The outgoing mail to Digby will leave Tiverton at 12:45 p.m. instead of 9:00 a.m. as previously.

Wicket hours from Monday-Friday are from 8:30 a.m.-5:00 p.m. and on Saturday from 9:00 a.m.-2:00 p.m. Mr. Outhouse advised patrons that the wicket will be closed at 9:40 a.m. for sortation of mail.

The notice pointed out to patrons of the R.R. mail service that the mail picked up each morning (after delivery) will be dispatched

daily from Tiverton post office at 12:45 p.m.

Mail carriers for Tiverton R.R. 1 service are Mr. and Mrs. Grafton Outhouse and for Freeport area, Mr. and Mrs. Harry Crocker.

Many residents felt that under the new mail delivery schedule system their mail would be a day later in arriving. However, the post master assured patrons there would be no slow down in the mails as the new schedule of operations will provide the same daily service to all points as the previous one did.

It is understood the mail trucks arrive in Digby at about 6:00 a.m., which allows ample time for sorting and making ready for Island pick up by mail carrier, Mr. Ray Hersey. Mr. Hersey will now reside at Digby instead of Westport.

Thurber was a native Freeporter and leaves besides his immediate family many relatives in this area.

Recent guests of Capt. and Mrs. Judson Haines have been Mrs. Hazel Brittan, Yarmouth, his sister, Mrs. Charles Marshall and Dr. Marshall, Ottawa, and Mr. and Mrs. Earl Kenyon, Swanscott, Mass.

Mr. and Mrs. Raymond Titus motored to New Glasgow last weekend to visit with the Harrisons.

Mr. and Mrs. Watson Crocker motored to Wolfville recently where they called on Mr. Crocker's cousin, Mrs. Jack McLennan (nee Phyllis Crocker) and Mr. McLennan and also to meet their daughter Mrs. Wendy Daw and baby, who returned to Freeport with them to visit.

Mrs. Marion Browne, California, is spending a vacation with her parents, Mr. and Mrs. Ray Finigan.

## Attention all community organizations in Nova Scotia.

CanadaWorks is your federal job creation program in Nova Scotia, and it's ready to help your community organization or municipality serve your fellow citizens. But remember, the deadline for application is August 26.

Once again, you have the opportunity to create jobs and lasting benefits for your community.

If your idea is good, and your group has the will and the expertise to see it through, CanadaWorks may be able to provide the necessary funding.

Here's how to get things under way. Agree on a project you can all support. Think it through. How many jobs will it create? How much for salaries and other costs? Who will run the project on a day-to-day basis? Then go to your local Canada Manpower Centre and pick up a Canada Works application and "Guide to Applicants". The application is not complicated, but please supply full details and fill it out clearly and accurately.

Please remember that your project, whatever it is, should make use of and add to the skills of the unemployed in your area, helping them to re-enter the work force on a full-time basis.

CanadaWorks is for your community. Your province. Your country. For all of us. So let's get working on some new ideas.

**Summer Camp At Cornwallis**

Summer Camp training for sea cadets in eastern Canada began this weekend at CFB Cornwallis. More than 500 young boys and girls from homes in the four Atlantic provinces, also from Quebec and Ontario, "invaded" the training facility in this beautiful Annapolis Valley area of southwestern Nova Scotia.

Later, a contingent of cadets from the United States, and a group from Bermuda will attend this camp. The cadet camp is under the command of Commander J. J. Tobias of Maritime Command, Halifax.

Cadets attending general military training courses stay for one of the three two-week camps and are then replaced by cadets from other corps. They spend their time in such activities as service knowledge, parade training, boat drill, educational lectures, local tours of historic sites, sports activities highlighted by swimming and sailing. The six-week courses, taking care of approximately 250 cadets, are junior leadership, practical leadership, and military band. The band cadets (109 of those, both boys and girls) spend most of their time receiving musical instruction, undergoing rehearsals, and making public appearances. They engage in recreational activity when not at music.

Leadership, the prize course of the camp, follows a rigid schedule of training, designed to equip the top senior cadets with

**31st Wedding Anniversary**

Friends and relatives gathered at the home of Mr. and Mrs. Robert Stark on Saturday, June 25th to celebrate their 31st wedding anniversary. A buffet supper was enjoyed and Mr. and Mrs. Stark were presented with an anniversary cake made by their daughter-in-law, Mrs. Cheryl Stark. After supper the happy couple were presented with many lovely gifts including a set of lawn swings from their children. All of the couple's children were able to attend, except one.

The evening was spent playing guitars, singing, dancing and picture taking.

At the close of the evening Mr. and Mrs. Stark thanked everyone for a most enjoyable evening.

Those attending were Mr. and Mrs. Roland Beland, Mrs. Gerry Connelly and Craig, Mr. and Mrs. Robert Stark, Jr., Mr. and Mrs. Alvin Carty, Mr. and Mrs. Randall Vantassel, Darlene Stark, Mr. and Mrs. Orrin Pulley, Mrs. Pauline Prest, Mr. and Mrs. Boutilier of Dartmouth, Mr. and Mrs. Nelson Yonkey of Bear River, Mr. Emdon Stark, Mr. and Mrs. Orrin Peck, Mr. and Mrs. Steve Trimmer, Mr. and Mrs. Larry Budd, Mr. and Mrs. Tom Amiraault, Mr. and Mrs. Mark Amiraault.

## Municipality Favours Sale Of Electric Utility

The Municipality of the District of Digby decided in favour of selling its hydro distribution system, during a regular council session held on Monday.

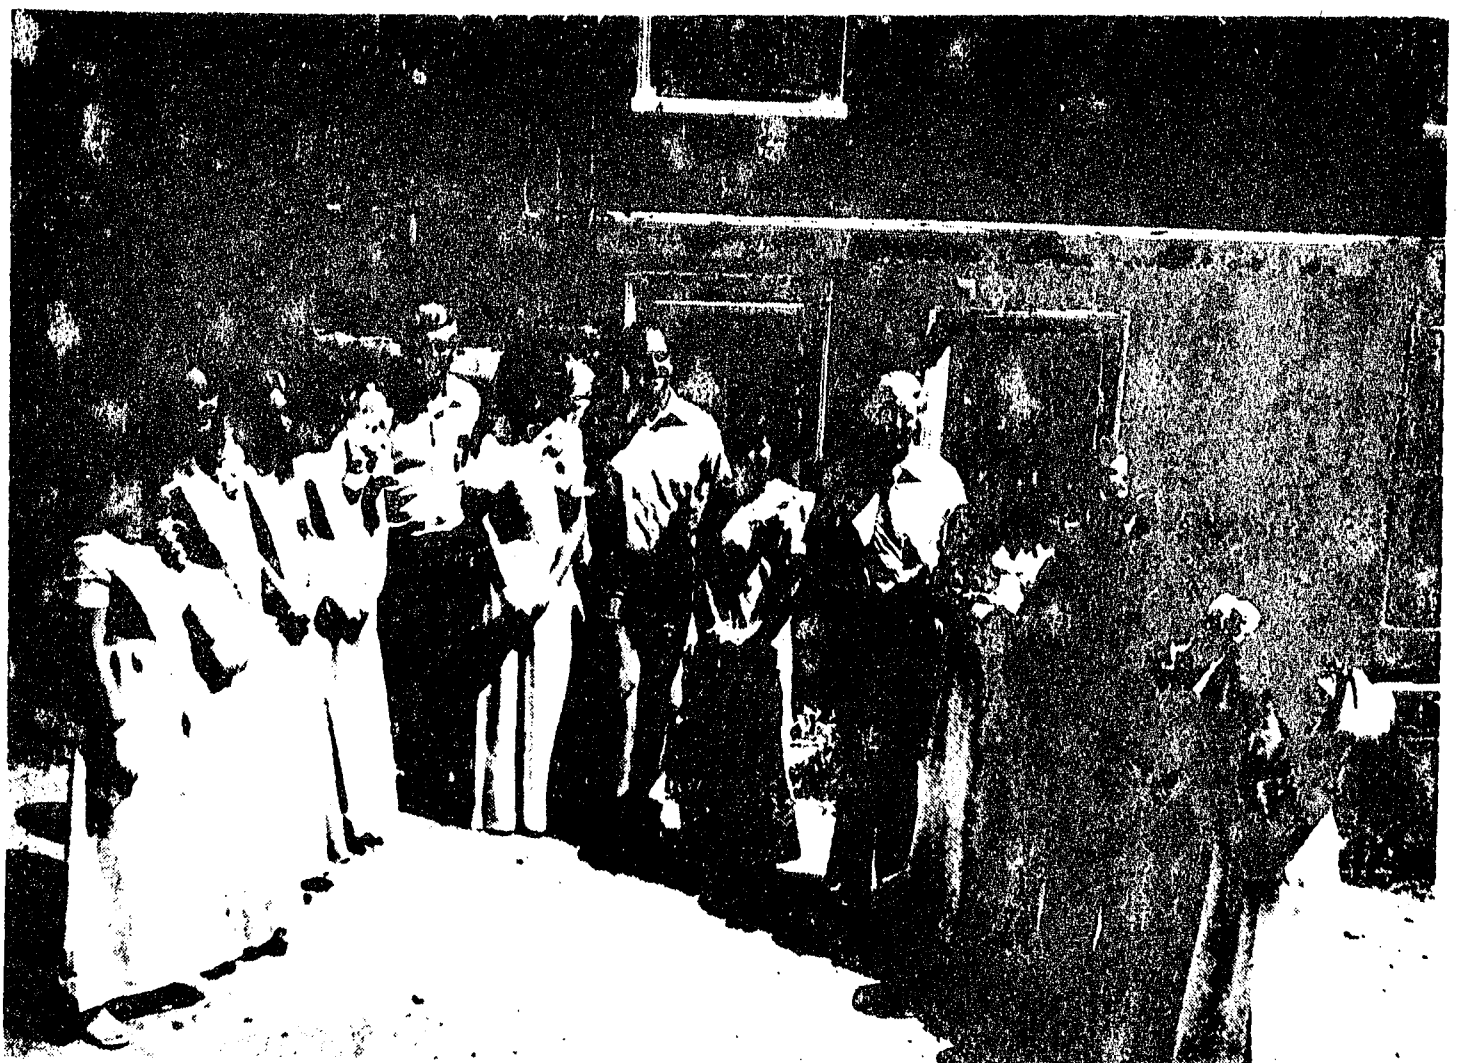

The motion on this matter was made by Councillor Parker Thurber and seconded by Councillor Eric VanTassell. Councillors Richard Daley and L.E.R. Winchester voted against the motion.

Digby Municipality's decision

places it in line with the thinking in Clare. Clare municipal council has already expressed its desire to get rid of its distribution system. However it has been unable to do so since it is only one component of four comprised in the Digby County Power Board.

Councillor Winchester has always fought for retention of the system considering it a local industry which should remain under local control.

## Cherry Carnival-One Of Best Ever

The Bear River Cherry Carnival was blessed with clear, comfortable weather this year, bringing success both in terms of crowds and income.

Carnival secretary Trueman Wright reports that gross income this year compares with that received in 1976 when the carnival brought in a record, \$9,300. About \$4,800 was raised for the Bear River Fire Department last year.

Cherries, long a popular product of the the Bear River area, were as popular as ever. About 2,800 boxes of the fruit with a value of about \$1850 were sold.

Large crowds were evident for most of the day's events as residents and tourists combined to enjoy this community's largest annual celebration.

The days activities started off with the Grand Street Parade with top honors for Best Decorated float going to the Chum Radio club.

Second prize went to the Ladies Auxiliary of the Bear River Fire Department for the Queen float. This was the first public appearance for Cherry Carnival Queen Jennifer Ettinger since her coronation the previous week.

Third prize for best decorated float went to the Legion and Ladies Auxiliary. Other parade prizes were: Proulx Green House- best decorated float in commercial division; Blue Lite Canteen, second. The traditional Indian entries took prizes for best woods

Perfect weather along with the charm and beauty of the many princesses helped to make it a splendid day for the many visitors to this year's Bear River Cherry Carnival. Among those who thoroughly enjoyed the day were P.C. Leader, John Buchanan, Dr. Gerald Sheehy, P.C. MLA Annapolis East and P.C. candidate Annapolis West, Greg Kerr, pictured above surrounded by the many lovely princesses.

The Princesses are in alphabetical order: Jennifer Ettinger, Carnival Queen; Melody Henshaw, Liz Hopkins, Ardith Isles, Doris Keats, Linda Langley, Lady-in Waiting Karen Lefurgey, Karen Lincoln, Jennifer Love, Caryn Thayer and Terry Vroom.

scene with awards going to Betty and Louie Pictou for first, and the Native Council for second.

Elisha Wyles won the award for Best Horse and Buggy in the parade; the best decorated car award went to Allan McCormick.

Best Horseback Rider in the parade was Laura Isles. Robbin Isles was second and Mike Fudge third. Funniest Entry awards went to "Jackie and Jim", first; and the Bear River Hillbillies, second.

Water sports proved to be very popular with the crowds again this year, especially the Greased Pole event. The idea behind this competition is for the contestants to walk across the pole and remove a flag at the end of it.

All contestants, however, met a watery downfall. No one reached the flag. Eddie Peck of Bear River made the best attempt, followed by Frank Muise of Bear River in second spot.

In the single canoe event,

Frank Jeremy of Molega Mines, came first followed by Jim Harris of Bear River.

1. Watson and Eddie Peck of Bear River

2. Jim Harris and Gary Harris of Bear River

3. W. Lohnes and W. Mosher of New Germany.

In the lands-sports department, Eddy Crouse of Caledonia, and Carter Spidell of Cornwall took top spot. Eddy Crouse also first

place honors in the Swede Saw and Chopping event. D. VanTassell of Digby, won the axe-throwing contest.

A performance by Noel Harrison at the Oakdene School closed off the day's activities. The Valley entertainer was given a warm reception.

Visitors to the carnival found an ample supply of fun rides, amusement booths, snack facilities, etc., to round off their entertainment quests.

Speakers during the official opening ceremony included Fire Chief Allister Milner, MLA Joe Casey, local municipal Councillor and Ruben Mervin and carnival queen Jennifer Ettinger.

Mr. Milner outlined what the department is doing at present and made a few comments on the carnival. Mr. Casey and Mr. Mervin congratulated the fire department for its work.

## Council Takes Stand Against Bilingualism

The Municipality of the District of Digby has given support to a resolution opposing any move by the provincial government to make Nova Scotia a bilingual province.

The resolution was forwarded here by Councillor Eugene Deveau of Halifax County.

The local council was concerned with the cost which might be required to implement bilingualism in the province.

A decision was taken to write to the Nova Scotia Housing Commission requesting information on the proposed senior citizens' home in Weymouth. Council wants to know when tenders will be called.

The municipality will have a resolution drafted calling for an increase in grants paid in lieu of taxes. It will also request that full assessment and taxation rights be given on properties of all government departments.

A couple of unsightly property complaints were considered: two in Bear River and one in Weymouth. Action will

be taken to have these cleaned up.

By motion of Weymouth area councillors Walter MacAlpine and Grant Sabine, council went on record as opposing the establishment of a tavern at the proposed site in Weymouth. They felt it was a dangerous area for parking etc.

The department of highways will be requested to impose a 30 mph speed zone through Conway.

## Celebrates 100 Years

A day to remember and celebrated by few will be attained by Mrs. Gertrude Amanda Tufts on July 29th when she will celebrate her 100th birthday. A reception is being held in her honour at the home of her daughter, Mr. and Mrs. Tim Ogilvie, Aylesford, R.R. No. 3. Mrs. Tufts came to Nova Scotia with her parents, Cyrus J. Jordan and Josephine Johnson Jordan of Caribou, Maine, in 1900. Here her father became a successful farmer.

In Auburn, she met and married. Gordon R. Tufts and moved to Aylesford where they lived throughout their married life until Mr. Tufts passed away July 28, 1957 and Mrs. Tufts moved to Digby.

Family members who plan to attend the reception are the eldest son Ernest and family of Digby; Irvin and family from Middleton, and her only daughter, Eva, and family, Aylesford, as well as many other relatives and friends. Mrs. Tufts has two grandsons, Christopher Tufts, Digby and John Tufts, Middleton, and two great-grandchildren. Mrs. Tufts is a direct descendant from the United Empire Loyalist stock. Mrs. Tufts grandfather Edward M. Jordan was born in Nova Scotia in 1848.

Mrs. Tufts has been a staunch member of the United Church of Canada.

## The Western Nova Round Robin Golf Tournament

A refreshing new challenge is being offered to Nova Scotia golfers and visitors to our province this summer through the cooperative efforts of the Annapolis Valley Affiliated Boards of Trade, the South Shore Tourist Association, and the Yarmouth County Tourist Association.

A western Nova Round Robin Golf Tournament has been organized by these Regional Associations, which will enable golfers to play a number of courses in Western Nova Scotia at reduced green fees and at the same time to compete for awards in men's and women's singles and men's and women's mixed doubles.

Participating courses include the Avon Valley, Windsor; The Paragon Golf and Country Club, Kingston; The Eden Golf and Country Club, West Paradise; Hillsdale Golf and Country Club, Annapolis Royal; The Pines Hotel Golf Club, Digby; The Clare Golf and Country Club, Cornsavage; Yarmouth Golf and Country Club; Shelburne Golf and Country Club, Clyde River; Liverpool Golf and Country Club, White Point Beach; Bridgewater Golf and Country Club; and The Bluenose Golf Club, Lunenburg.

This tournament offers Nova Scotia golfers the unique opportunity to try their skill at new courses at reduced rates for both green fees and accommodation, and to enjoy the fresh country air and beautiful scenery of Western Nova Scotia. Best of all, this attractive package is available to both residents and non-residents for an entrance fee of only \$5.00, available at any of the participating courses.

The tournament runs until October 31, and players can play wherever they wish, whenever they wish and with whomsoever they wish. The more courses played, the more points scored.

## Amero Remanded On Three Charges

Jeffrey Edward Amero, 17, of Digby, facing charges of attempted rape, robbery with violence and rape appeared in court Monday after returning from a 30-day examination at the Nova Scotia Hospital in Dartmouth.

The accused was remanded in custody until today (July 28). To be released on bail he must "show cause" as to why release should be granted. A trial date has not yet been set.

## Nine Charged After Ferry Disturbance

Nine of 18 motorcyclists arrested during the weekend for allegedly terrorizing passengers aboard the Bay of Fundy Ferry Princess of Acadia Saturday were charged Monday while nine were released without charges being laid.

Robert Thomas Dowie, 20, of Ontario was the last to be charged during day-long court proceedings as a result of the disturbance aboard the vessel. Dowie was charged with creating a disturbance.

Also charged were six members of the Vagabonds, an Ontario motorcycle club and two Saint John area residents.

Dowie and the six other Ontario residents were remanded to jail pending bail hearings to be held Wednesday and Thursday.

The two Saint John area residents were released on their own recognizance pending trial.

All nine pleaded not guilty to a total of 13 charges.

The only indictable offence charged was a count of assaulting a police officer laid against Harry Rest-mage, 27, who also gave his address as Ontario. Rest-mage was also charged with theft of liquor valued at less than \$200 from the ship's bar.

Samuel Irvine Hull of Ontario was charged with two counts of common assault and one charge of causing a disturbance.

Beverley Bowe of nearby Grand Bay, N.B., the only woman arrested was charged with creating a disturbance on the wharf by using obscene language and with resisting arrest.

David Francis Gilles, 28, of Saint John was charged with indecent exposure.

A Toronto man, Wayne Richard Fernley, 28, was charged with possession of a stolen wallet containing less than \$200.

Stephen Paul Clark of Toronto, Richard Kihl, 27, of Ontario and John Wayne Brown, 28, of Ontario, were each charged with resisting a police officer.

Trial dates have been set for August 8 and 9.

Several of the men who appeared in court wore T-shirts with Vagabonds MC written on them. Gilles wore the insignia of Odin's Wrath, a Saint John motorcycle club.

Police said the arrests were made following reports of a disturbance on board the ship where many passengers were frightened by other passengers dancing in the nude and using obscene language.

## Group Gets \$1,150.

A grant of \$1,150 has been awarded to the Meet the Artisans Committee in Bear River. This is the latest in a series of contributions by the federal department of health and welfare for New Horizons projects in the Atlantic Provinces.

The money will be used to provide an opportunity for delegates of retired citizens groups in Yarmouth, Digby, Annapolis and Kings Counties to join the retired residents of Bear River at the Western Nova Scotia Arts and Crafts Exhibition and Demonstration. The Bear River group is hosting the event this year.

Total value of contributions to the Atlantic Provinces is \$86,215. This covers 12 projects and involves 843 participants. Since New Horizons was introduced, 694 projects have been funded in Atlantic Canada for a total value of \$4,861,051.

New Horizons enables retired people to create projects of their own choosing. It offers contributions to groups of retired people who will undertake activities for the benefit of themselves and others in their community.

The accent is on local needs as seen by older people and on their willingness to meet such needs.

## 50th Wedding Anniversary

Lou and Laura Dakin of 241 Taylor Street, London, were honoured at a family reception, also a tea on the occasion of their 50th wedding anniversary.

Mr. and Mrs. Dakin were married in St. Paul's Cathedral, London, May 28th, 1927. They have one son and one daughter both living in London and one daughter deceased, also ten grandchildren and six great-grandchildren.

Congratulations were received from the Governor General of Canada, the Prime Minister of Canada, the Premier of Ontario and from their friends and family.

Mr. Dakin was a member of the Courier staff in 1916 or 1917 and also a member of the Digby Concert Band in 1918.

## Legion Swimming Pool Opened

Clementsport's swimming pool-park project was officially opened Saturday by a ribbon-cutting ceremony performed by M.P. Coline Campbell.

Work at the pool and surrounding area was done by members of the Clementsport Legion with the financial aid of a \$6,800 Young Canada Works grant, \$1,800 from the Nova Scotia department of recreation and a smaller grant from the municipality of Annapolis County.

Southwest Nova M.P. Coline Campbell, cut the ribbon to officially open the Legion's swimming pool project in Clementsport on Saturday. She was assisted by Legion and provincial officials.

During speeches by various guests during the afternoon, Legion President Charles Long thanked several key people responsible for this project. Among them were Legion members John Batemen, Mason Wambolt, Roy Dukeshire, Elmore Long and Walter Robar.

Mr. Long noted that

Legion members have spent over 1000 working hours at the site to date.

Other speakers offering their congratulations and best wishes on this accomplishment included MP Coline Campbell, MLA Peter Nicholson, Minister of Finance; and Digby MLA Joe Casey.

### A GOOD VACATIONLAND

An everyday sunshine holiday of two thousand two hundred motor miles without being involved in a mishap should afford a restful experience. It did. Of course, there is the grief one shares with others that can mar optim joy. For instance, passing the dead body of a young motor cyclist and putting oneself in the place of the parent who would have to be informed of the death of their beloved son or daughter. Such an experience can only make one more determined to foster Cycling Safety programs.

Aside from that our trip via Gaspé Coast to Quebec city was most enjoyable. Not one of the party could speak French but this seemed to not be the handicap we had envisioned. Except for one man at the ferry in Lévis all others contacts throughout the province were fluent speakers in both English and French or knew they knew enough English to understand our wants and wishes. Of course road signs, etc., were in French entirely but this certainly created no problem. The friendliness of the French people was indeed a pleasure and we have no reluctance in recommending the province of Quebec for a fine vacation land. Any friendly associations which can be fostered with the people of Quebec in making for the best understanding can only be in general. We can all be ambassadors for Nova Scotia in this respect.

The province of Quebec, without a doubt, is a picturesque country with its mountains and valleys and its rugged coastline. Though the hills are frightening to motorists at times, the highways are kept in good condition and with careful driving we would suggest the coastline to any tourist to that beautiful and resourceful province.

For many reasons other than its beauty and friendliness, to be sure, we hope that Quebec remains in confederation. In the meantime we can all make an effort to understand the people of the province and encourage their reasoning toward this end. Their land like ours, too, is a good vacationland.

## Hodge Podge

We see where fifty years ago the Lour Lodge was offering ox-wagon rides to show the tourists the beauty spots of the area. Even today at New Ross in Nova Scotia and the Kingsway in New Brunswick horses and hay wagons are used to transport people from one place to another. Might even work out here for Scallop Day at a fee.

Another thing of interest is that fifty years ago Captain Wormell got the patent for a certain type of scallop dragging rake he devised.

Our very efficient ferry has really excelled itself this time. It may know that the old one is not available, being "on refit". Since its "refit" I've lost count of the number of times our ferry has been broken down for 2 or 3 hours at a time. Saturday night it was broken down for approximately 5 hours. However, on Thursday (Bank day, and no bank.) one motor finally gave up the ghost. This had to be removed and sent to Halifax. After that it crossed a few times on one engine for emergencies. On Friday there were some crossings with one engine - which meant no power at all if that broke down on the way. By Saturday afternoon it was actually back on schedule. This service, which includes crossing passengers only, by boat, is an added attraction to tourists - the thrill of climbing around slippery slips and in and out of boats is excellent advertising. When the men from the manufacturers of these engines were brought here to examine the system their advice was to toss away the present "logs" instal those from Tiverton ferry and get heavier ones for Tiverton. We wonder why "they" bothered to seek advice -

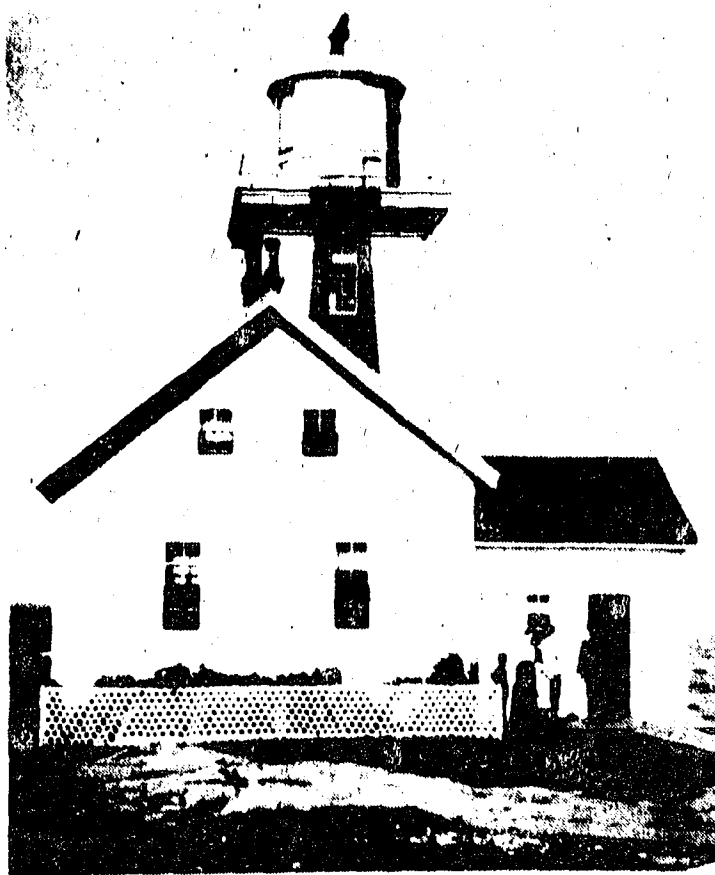

Westport correspondent.

## History Of Point Prim Lighthouse

By Frances Stronach Adams

PART 3

In November of 1910 a new light was installed but little or no change was made in the lighthouse or in the keeper's living accommodations.

For many years soft coal was brought in boats in bags and taken up over the cliffs to the lighthouse where it was used as fuel to blow the whistle. Each time the whistle blew the cord had to be pulled by hand until the ingenious keeper Capt. Ellis invented a whistle which blew in a different manner.

In late April or early May of 1912 a Digby Courier representative visited Point Prim and was shown over the new fog alarm plant by the lightkeeper. This new style of fog alarm, known as a diaphone, instead of the old time steam fog whistle, was placed in operation early that spring.

A new building was erected 30 x 30 ft., the work being in charge of Mr. D. F. Young of the Lighthouse Road.

This is a building that was especially designed for the purpose and had on its first floor two separate fog alarm plants, one to be kept in reserve while the other was in use.

On the second floor the diaphone or fog horn, while in the basement which is solidly built of concrete was a 28 x 8 x 8 ft. fresh water tank connected with a natural water supply.

In an annex to the main building is the engineer's quarters and Mr. Leander Ellis, the keeper's eldest son, was occupant of the quarters. It is said he was certainly a faithful and very capable man in charge of that complicated machinery.

The power was provided by two - 12 H.P. Fairbank-Morse stationary kerosene motors with magnet attachments. These engines were conveniently started on gasoline through a priming cup and then fed with kerosene. They drive two air pumps manufactured by the Clayton Air Compressor Works, New York. This supplies the air for the diaphone which was installed on the upper floor and pointed out to sea. This apparatus was manufactured by the Fog Signal Co. of Toronto, Ontario, while part of the attached gear was made by the Smart Turner Machine Co. of Hamilton, Ontario.

The whole building was lighted by electricity, the power being supplied by a 20 light dynamo and manufactured by Chapman and Walker Ltd. of Toronto.

There are two air tanks 12 ft. high and 5 ft. in diameter, situated on the first floor and also two water tanks 9 feet high and 4 feet in diameter. The government supplies the station with all the necessary tools to keep the machinery in order, including a first class set of wrenches and dyes from 3-16 to 3 inches in diameter with taps to match. The new fog alarm was an Ellis patent, the keepers invention which was attached to the plant in 1887 and later became the universal method of sounding fog alarms all over Canada and the United States.

The old fog alarm building was moved down on the cliff. In old times, Capt. Ellis, in order to salute the inbound and outbound steamers, was required to use his full-strength in order to blow the whistle. Now with the present equipment, a child could salute a passing boat with the diaphone, a sufficient

quantity of compressed air always being available in big tanks above referred to.

Among many of the little anecdotes of Captain William Ellis heard about, some true and others likely not, was this story: One day when things were not going right or did not seem to be going right for the veteran keeper, we are told when talking with his wife he remarked "Mary, I am no fool, I am going to Vancouver and die behind a pine stump."

It has been said he drove a fast horse and he used to shoot ice off the cliffs with his gun. Captain William Ellis saved the government thousands of dollars each year. His invention of a derrick for discharging coal and other supplies from the government boats and coal vessels saved large sums. The removing of the old whistle house was another big item. The economical use of coal and dozens of other things might be mentioned. Capt. William Ellis, 75 year old veteran lighthouse keeper, served as keeper of the light for nearly one half his life over 37 years. It was said he saved the government annually large sums of money, enough to pension him for the rest of his life. On December 14, 1912, only a short time before his retirement, he passed away.

## Speaks At Drive-In

Rev. Murray Shaw, pastor of the Digby United Baptist Church, was guest speaker for the Drive-In Service held Sunday evening at Smith's Cove. He brought an inspirational message from Saint John on "Forgiveness". Special music was brought by the Digby Choir and men's and ladies groups.

Next Sunday, the pastor, Rev. Wallace H. Jordan, returns to the pulpits of the Pastorate and will bring the message at the Drive-In Service. Special music will be provided by the Little River United Baptist Church Choir.

There is an open invitation for all to come to the Smith's Cove Consolidated School grounds at 7 p.m., this Sunday, July 31, come as you are and join in worshipping in God's great outdoors.

## New Federal Boundaries Outlined

In excess of five hundred people attended a family picnic at Haines Lake, Digby County, on Sunday and witnessed the founding of the new Liberal Association of South West Nova reflecting the recent changes in federal electoral boundaries. During the business meeting a new constitution was brought in and the new boundaries outlined. The only changes from the present boundaries are the exclusion of Barrington Municipality, Shelburne County, and the addition of Annapolis East. The new federal constituency is now encompassed by the boundaries of three counties, Yarmouth, Digby and Annapolis.

Hugh John Fraser, Yarmouth, was elected president of the new association with vice-presidents being elected from each Liberal Association within the new constituency - Mrs. Shirley Bradshaw, Yarmouth; Seritha Sahean Digby; Rev. Mac Butler, Annapolis West; and Mr. Francis Bishop, Annapolis East. Mr. R. McLeod Rogers, Digby, was elected treasurer and Mr. H. William MacConnell, Yarmouth, secretary. Mr. Charles LeBlanc, Wedgeport, was elected director of organization, and Mark Applejohn, Digby, was elected as the youth representative.

Area representatives are Charles Gosling, Argyle; Norbare Comeau, Clare; Helen Matheson, Digby; Mrs. Marjorie Saunders, Annapolis West and Carl Bruce, Annapolis East.

Among members of the Nova Scotia Government are the Hon. Fraser Mooney, Minister of Highways, Hugh Tinkham, M.L.A., Yarmouth;

the Hon. Benoit Comeau, Minister of Public Works; Joe Casey, M.L.A., Digby; the Hon. Peter Nicholson, Minister of Finance, all of whom were present for the day.

Executive Assistants to the ministers are Mr. John Murphy, Yarmouth; Mr. Chales Gaudet, Clare and Mr. Harry Verran, Annapolis West. Regina Deveau is secretary to the M.P.'s. Wayne Patterson is in charge of the N.S. Liberal Headquarters, Halifax.

Among the Liberal dignitaries attending the meeting were Al Graham, president of the Liberal Party of Canada; Ab Abraham, president of N.S. Liberal Association; Senators Henry D. Hicks and Ernest Côtteau; the Hon. Mike DeLoey, Minister of Tourism; Mr. Harold Huskisson, Provincial Secretary; Miss Coline Campbell, M.P., South West Nova; Hon. Dan MacDonald, Minister of Veterans' Affairs and the Hon. Dan Jamieson, Minister of External Affairs.

The Hon. Dan MacDonald, Minister of Veterans' Affairs, addressed the gathering and stated that the Liberal Government appears to have reached its highest peak in popularity but doubts very much that the Prime Minister will call an election this fall.

The Hon. Dan Jamieson, Minister of External Affairs, noted that the federal government has done a great deal for the Atlantic Provinces during the past ten years and is continuing moves to correct their "have-not" status, pointing out that regional disparity is as much a threat to Canadian unity as any other issue.

Among many of the little anecdotes of Captain William Ellis heard about, some true and others likely not, was this story: One day when things were not going right or did not seem to be going right for the veteran keeper, we are told when talking with his wife he remarked "Mary, I am no fool, I am going to Vancouver and die behind a pine stump."

It has been said he drove a fast horse and he used to shoot ice off the cliffs with his gun. Captain William Ellis saved the government thousands of dollars each year. ## Weddings

### JEFFERSON - BATES

On July 2, Donna Lee  
Bates, only daughter of Mr.  
and Mrs. Gilbert Bates,  
Freeport, and Lawrence  
Warren, youngest son of  
Mrs. Dorothy Jefferson and  
the late Cleveland Jefferson  
of Deep Brook, were united  
in marriage. Rev. Wallace  
Jordan performed the double  
ring ceremony in the Deep  
Brook Baptist Church.

The bride, given in  
marriage by her father,  
wore a floor length gown of  
turquoise polyester and  
carried a cascade bouquet of  
red roses and baby's breath,  
with matching headband.

The matron of honor was  
Mrs. Linda Surette, of  
Digby, who wore a yellow  
polyester pant suit and  
carried a nosegay of pink  
carnations.

The groom's attendant  
was Ronald Surette of Digby.  
Ushers were Clyde Jeffer-  
son, brother of the groom,  
and Stanley Webb of Auburn,  
brother-in-law of the groom.

The bride's mother wore a  
blue dress with corsage of  
blue tipped roses. The  
groom's mother chose a pink

polyester with white ac-  
cessories and she wore a  
corsage of yellow roses. The  
groom's mother chose a long  
gown of blue floral polyester  
with white accessories and  
she wore a corsage of pink  
roses.

Following the ceremony, a  
reception for 85 guests was  
held in the Christian  
Education Centre of the  
Baptist Church in Annapolis  
Royal. The bride's table was  
attractively set, continuing  
the pink and blue theme.

The toast to the bride was  
proposed by Mr. Ronald  
Higgins, Saint John, office  
manager of the Atlantic  
United Baptist Convention,  
and responded to by the  
groom. Master of  
Ceremonies was the best  
man, Mr. John Coffey.

The bridal party was  
served by Miss Paula  
Condon, Saint John.

Serving the guests were  
Miss Jane Armstrong, Miss  
Laurie Armstrong, Miss  
Anne Chisholm, and Miss  
Barbara Chisholm, all  
cousins of the bride. Miss  
Valda Millen, Moncton, had  
charge of the guestbook.

For travelling the bride  
wore a navy and white  
polyester-crepe dress with  
cowl neckline. She wore a  
corsage of red roses and  
carried white accessories.

Following their  
honeymoon to Newfoundland,  
the happy couple will  
reside in Gondola Point, N.B.

The groom, a graduate of  
the University of New  
Brunswick in Engineering, is  
employed with Kimberly-  
Clark, Saint John, and the  
bride, a graduate of the  
Atlantic Baptist College,  
Moncton, is employed with  
the office staff of the Atlantic  
United Baptist Convention,  
Saint John.

Out of town guests were  
from Dartmouth, Truro,  
Kentville, Digby,  
Bridgewater, Saint John,  
Fredericton, Moncton, Minto  
and Ottawa.

STIRLING-LEBLANC

On June 11, 1977, at  
Manning Memorial Chapel,  
Acadia University, was the  
wedding celebration of  
Harold Stirling, son of Mr.  
and Mrs. Ralph Stirling of  
Wallbrook, N.S., and  
Angeline LeBlanc, daughter  
of Doctor and Mrs. P.H.  
LeBlanc of Little Brook,  
Digby County, N.S.

The couple will reside in  
Wolfville, N.S.

CORKUM-ARMSTRONG

An early summer wedding  
was solemnized in the  
Granville Beach United  
Baptist Church on June 11,  
when Shirley Evelyn,  
daughter of Mr. and Mrs.  
Donald A. Armstrong,  
Granville Beach, N.S., and  
David McKay Corkum, son  
of Mrs. Audrey Corkum and  
the late Mark Corkum, Saint  
John, N.B., were united in  
marriage.

Rev. Roy Campbell, Saint  
John, assisted by Rev.  
Robert Crothwaite, Port  
Royal, performed the double  
ring ceremony.

Mrs. Judy Wallace, Minto,  
N.B., sister of the groom,  
was soloist, and Mrs.  
Dorothy Boudreau, Port  
Royal, was organist.

The church was tastefully  
decorated for the occasion  
with baskets of pink and blue  
carnations.

Given in marriage by her  
father, the bride was lovely  
in a slipper length gown of  
sheer organza over nylon net  
and pure silk faille with  
reembroidered lace,  
featuring a small stand-up  
collar with ruffles, long  
sleeves with deep fuffed  
cuffs with ruffles and a  
flounced hemline extending  
in a chapel train. Her  
bouffant elbow-length veil  
was held in place by a white  
floral headpiece and she  
carried a cascade bouquet of  
pink roses and white daisies.

Mrs. Kathryn DeNuke,  
sister of the bride, was

dress and corsage of pink  
roses.

Following the ceremony a  
reception was held at the  
home of the groom, where a  
buffet luncheon was served  
to about 35 guests. The  
bride's table was decorated  
with blue and white  
streamers and the table  
cloth used was a hand  
crocheted lace one made by  
the groom's grandmother  
(the late Mrs. Jessie Salis of  
Smith's Cove.)

The three-tier wedding  
cake decorated in blue and  
white was made and  
decorated by the groom's  
sister, Mrs. Marjorie  
Webb of Auburn, which was  
cut and then served by the  
bride and groom.

The toast to the bride was  
given by Murray Legge of  
Rhodes Corner, and  
responded to by the groom.

The bride's table was  
served by Miss Janice Webb  
and Mrs. Dorothy Legg of  
Rhodes Corner, nieces of the  
groom. Members of the  
Neighbourly Club served the  
guests.

For going away the bride  
chose a blue and white pant  
suit and wore a corsage of  
blue tipped roses. After a  
honeymoon trip to various  
parts of the province, the  
couple will reside in Deep  
Brook where the groom is  
employed.

Out of town guests were  
from Freeport, Digby,  
Auburn, Smith's Cove, Bear  
River, and Bear River  
East.

### DOUCETTE-THIMOT

The St. Bernard Catholic  
Church was the scene of a  
lovely summer wedding  
when on July 2nd, Father  
Raoul Deveau united in  
marriage in a double ring  
ceremony, Paulette Marie,  
second daughter of Mr. and  
Mrs. Eddy Thimot, Little  
Brook and Phillip Gilbert,  
oldest son of Mr. and Mrs.  
Felix Doucette, New  
Edinburgh, at three o'clock  
in the afternoon.

The bride entered the  
church to the strains of the  
Wedding March and on  
the arms of her parents who  
gave her away. The Wedding  
March was played by Mrs.  
Nelson LeBlanc of St.  
Bernard.

The bride looked lovely in  
a floor length dress of  
polyester cotton, long  
sleeves trimmed with lace on  
sleeves and waist. She wore  
a shoulder length veil held  
in place by a tiara and  
carried a bouquet of red  
roses and fern with a white  
ribbon.

The bride was attended by  
her sister, Louise, Miss  
Cindy MacLellan of Sac-  
ville, and Janet Lee Murray  
of Halifax and Sydney. They  
wore identical long blue and  
white dotted dresses with

cap sleeves with matching  
hats of white and blue rib-  
bon. They each carried a  
basket of daisies with a blue  
ribbon on the handles. The  
flower girl was little  
Charlene MacDonald of  
Lower Sackville, niece of the  
bride, and she wore a long  
white dress of polyester  
cotton with a blue trim. She  
also carried a basket of  
daisies with a blue ribbon.

The groom was attended  
by his cousin, Alphonse  
Doucette, Wayne Thimot,  
brother of the bride and  
Brian Hastings of Dart-  
mouth. Their suits were like  
the grooms' who wore blue,  
and the others wore navy  
light blue and brown plaid.

The ring bearer was little  
Ian Cosman of Digby,  
cousin of the groom, who  
wore a rust color suit with a  
beige sweater and carried a  
white satin pillow with lace  
and blue trim.

The ushers were Martin  
Doucette, brother of the  
groom, and Neil Doucet,  
cousin of the bride and  
groom. Miss Kimberley  
Doucette sister of the groom,  
assisted in the mass.

The mother of the bride  
chose for her daughter's  
wedding, a two piece floor  
length dress of light green  
jersey and wore a corsage of  
yellow roses. The mother of  
the groom chose a yellow  
cotton floor length dress with  
red and blue flowers and  
wore a corsage of white  
roses. The grandmother of  
the bride wore a street  
length two-piece dress of  
peach color with flowers and  
wore a rose corsage. The  
grandmother of the groom  
wore a street length two-  
piece dress of blue lace and  
wore a rose corsage.

After the ceremony the  
bridal party all motored to  
the Knights of Columbus hall  
at Comeauville where a  
reception and a supper were  
held. The best man,  
Alphonse Doucet, gave a  
toast to the bride and groom  
which was responded to by  
the groom. The three-tiered  
wedding cake was placed in  
the centre of the bridal table  
and was cut and served by  
the bride and groom.

They received many lovely  
gifts and money. Miss  
Michelle Thimot, sister of  
the bride, was in charge of  
the guest book. The bride  
was honored at a bridal  
shower at Lower Sackville  
prior to her marriage and  
received lovely gifts.

Out of town guests were  
from Digby, Parrsboro,  
Nictaux Falls, Lower Sac-  
ville, Halifax, Dartmouth,  
North Williamston, Yar-  
mouth, Plympton, Barton,  
Roxville, Freeport, Cen-  
treville, Bridgewater, St.  
Catherines, Ont., and  
Moncton, N.B.

The happy couple are  
residing in Sussex, New  
Brunswick, where the groom  
is employed at the  
Metropolitan store there.

age 61, died Thursday, July  
21st in Sharon, Penn. Born in  
Westport, he was a son of the  
Rev. James Derby and the  
late Florence (Sencebough)  
Derby. He had been the  
pastor of the Central  
Christian Church in Sharon,  
Penn., since 1968. He was a  
member of the Juanita  
Lodge No. 81, Westport, and  
was a veteran of the Second  
World War, serving in the  
Royal Canadian Navy.

Surviving besides his  
father, is his wife, the former  
Muriel Mae McDormand;

one son, Derie, at home; two  
daughters; Mrs. Michael  
Craig, of Chatham, Ontario;  
Mrs. Donald D. Sharps, of  
Cedar Rapids, Iowa; two  
brothers: Whitney, of  
Westport; Lewis, of Calgary,  
Alta.; one sister, Mrs.  
Harold Swift, of Westport  
and three grandchildren.

The body of the late Mr.  
Derby will arrive at Jayne's  
Funeral Home, Digby, on  
Monday evening. A  
grave service was held  
on Wednesday at 2:00 p.m. in  
Westport. Rev. Charles  
McNeil officiated.

### MISS MADELINE PAUL

Miss Madeline Paul, age  
71, of Bear River, died  
Tuesday at the Shoreham  
Village Nursing Home, in  
Chester. Born in Bear River,  
she was a daughter of the  
late John and Joanne Paul.

She is survived by one  
niece. She was predeceased

by two sisters.  
The body was at Jayne's  
Funeral Home, Digby.  
Funeral service was held at  
Saint Anne's Catholic  
Church in Bear River on  
Thursday at 10:30 a.m. Rev.  
Father Leo Maillet officiated  
with interment in the church  
cemetery.

## Berwick Camp Meeting

The Berwick Camp  
Meeting Association, under  
the auspices of the United  
Church of Canada, is en-  
tering its 106th year. This  
year's camp is scheduled to

meet from July 29 to Aug. 7.  
Berwick camp is an "ex-  
perience", not really a place.  
It is an experience that  
hundreds of people of all  
ages have discovered year

## ENJOY THE SUN... ENJOY YOUR TAN...

Let Cocrema Tanning Creme  
help you. It is rich with cocoa  
butter to moisturize your skin  
and help the sun turn it a  
smooth deep brown.

Cocrema contains a superior  
screening agent to help keep out  
harmful rays, so you may relax  
in the knowledge that you are  
getting a "safe", comfortable tan.  
With Cocrema Tanning Creme  
the tan comes fast - it's rich and

dark, and it even works on  
hard-to-tan skin.

Let your skin drink up Cocrema  
before it drinks up the sun. It  
doesn't wash off easily or stain.

Cocrema is available in Tanning  
Creme, Lotion or Oil -  
choose the one you prefer.

Available at  
GOOD NEIGHBOUR DRUG MART - Digby;  
WEYMOUTH DRUG STORE - Weymouth;  
VALLEY DRUG MART - Middleton;  
HINES' PHARMACY - Kingston;  
BEAR RIVER DRUG STORE.

## Ratepayers Meeting

# Small Turnout No Action

Digby ratepayers apparently have little interest in what becomes of their municipal electrical utility. A ratepayers meeting to decide the utility's fate attracted only 20 people - including a few members of the Digby County Power Board.

The final letdown of the evening came about an hour and fifteen minutes after the opening. Time for the vote. The legality of any decision was questioned and a new meeting date was set - August 24th.

The legality question came up when Dave Landers was requested to act as poll chairman for the vote. In reply he suggested the resolution to be voted upon had to be published in advance of the meeting and the ballot box had to be locked.

As a result the meeting chairman, Guy VanTassel, ruled that a new meeting date must be set. The resolution to be voted on will be published for a three-week period and a proper and locked ballot box will be on hand for the vote.

Four of those present voted in support of the Chair's decision while no-one opposed it.

The decision being looked for is whether the five utilities making up the Digby County Power Board should remain as they are, amalgamate, or be sold.

Power board officials Stewart MacNaughton and Board Chairman Emmanuel Adelaar, were clearly looking for a green light to pursue amalgamation.

Mr. Adelaar was the first to speak on the present situation of the Power Board. He pointed out that line losses in Digby district and Clare have ranged up to 20 per cent in recent years, with only half as much being lost in the compact consumer areas (Digby and Weymouth).

He reported that the consulting firm which did a study on

the system last Fall had new transmission lines should be put to Clare and along the Digby Neck to breakages. This would cost about 2 1/2

However, he said the man felt the technical improvements cost half that cost - about \$1 1/2 million. He didn't realize in making them, now serving Weymouth to Clare could be twice to Digby Neck and the Islands line was replaced.

As for selling the utility a buyer is necessary to conclude such this time in history I don't believe we

He said provincially agreed from this area to the eastern part of the Digby County system has sufficient since the province last offered to it

Another alternative of all utilities into one electrical instead of four.

Via this method, according to the board would be able to project one and then could afford to buy a new utility-Clare and improve service to Digbys. "We would, in all probability, have a gain."

However, he noted, sacrifice for ratepayers in Digby townships in these communities would increase they would be somewhat in line with the Digby municipality.

According to figures provided by Mr. MacNaughton, the Digby town and Weymouth utilities has a net profit for 1976. But this was more than offset by losses in the Clare and Digby municipalities.

Under questioning by a ratepayer, Mr. Adelaar noted that energy loss is the main reason the system is not viable as it is. Mr. MacNaughton said that by not changing the present set-up ratepayers could look forward to a decreasing level of service, increased losses, an increasing gap in rate structures etc.

Under questioning from Charles Haliburton, Mr. Adelaar admitted that "who owns what" has not yet been determined for the event the utility might be sold.

Stating his personal opinion, Mr. Adelaar said he saw no advantages in selling to the power corporation. He also pointed out the "excellent service" provided by power board staff in rough weather. He said he doesn't have the same confidence in service the Power corporation could be expected to provide.

He concluded that he would like to see the utilities amalgamated. Then, he figured, we might be able to bring in other sources of energy.

MLA Joe Casey, said he saw no direct benefit to Digby County by further utilizing power potential on the Sissaboo River system - the increased potential of which is often discussed, since all power generated there goes back to the main line for distribution.

Before the vote-call came, Charles Haliburton suggested residents might want to know the terms of any amalgamation before any carte blanche approval was given.

## Film Festival Attracts Large Crowds

The inaugural Annapolis Film Festival, held in conjunction with the Annapolis Royal Natal Day weekend has more than lived up to the expectations of its director Laughton Bird.

Commenting on the public reaction received during the three-days of showings, Mr. Bird said there was a "much much stronger response than I had expected. People were 'absolutely enchanted by what was shown'."

The highlight of the festival came on Saturday night when the film "When all the People Play" was screened. This film portrays people and recreation in the town of Annapolis Royal 30 years ago.

Saturday night's crowd could not be contained in the high school's cinema theatre which has a normal capacity of about 130 people. An additional 100 or so persons had to watch the films on a separate screen set up in the gymnasium.

This, according to Mr. Bird presented a very unusual factor - an Annapolis Royal film which greatly out-attracted all other films in the festival.

That, however, does not imply that the other films were not well attended. The theatre was almost filled for most of the other showings. Mr. Bird spoke of an "overwhelming response of the audience right through the festival."

Among the major "hits" with the audience were Lies My Father Told Me (The audience really went for it.) and Blackwood (a stunning film appreciated by everyone in the audience).

Six Nova Scotia films were included in the festival all of which proved to be popular

with the audiences. Among them was Maud Lewis, A world without Shadows; a film about the Digby artist and her simple, joyful art.

Of the 21 films shown during the three-day festival, 17 had a Canadian theme or origin and of these, six were made in Nova Scotia.

Among the features was: "The Apprenticeship of Duddy Kravitz", shot in Montreal and starring Richard Dreyfuss of "Jaws" fame. Others included the Last Holiday and "The Last Picture Show."

New shorts shown included "The Street" (1977 awards at Cannes and New York) and "Voices from a Landscape", a film from Yarmouth by Nova Scotian John Brett.)

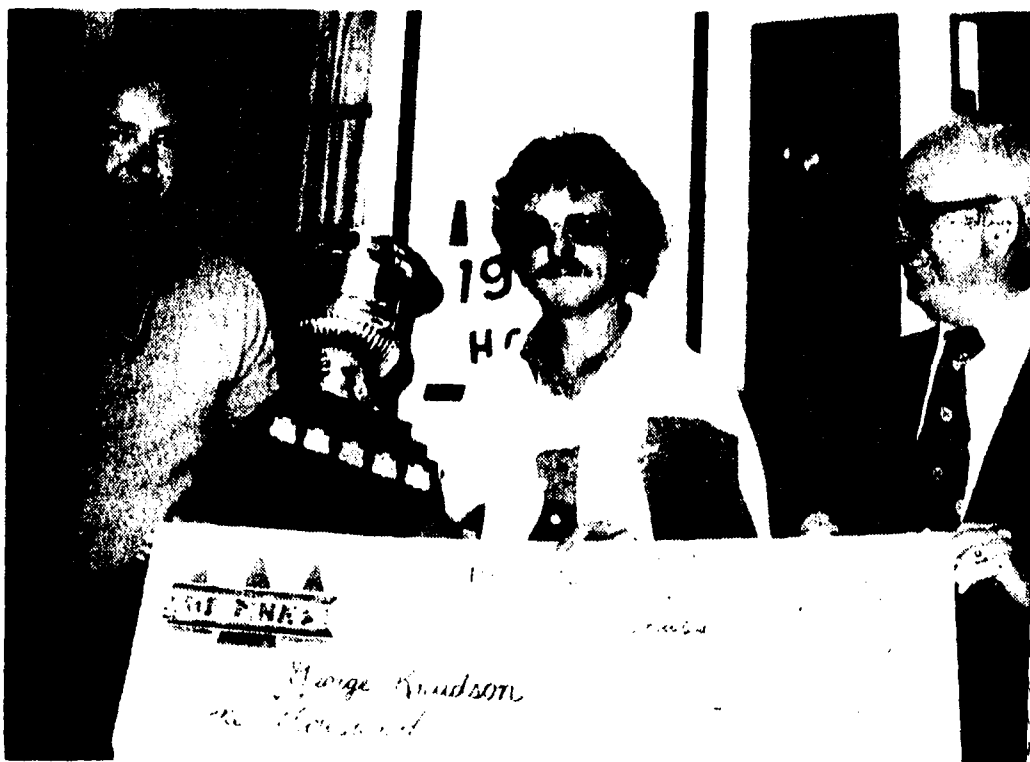

The Annapolis Film Festival is a community project sponsored jointly by the local film society and the Annapolis Royal Natal Day Committee.

Program director and moving spirit of the festival is C. Laughton Bird of Port Royal, authority on film and the allied arts, who has organized a number of successful on-going cultural programs in the Annapolis Valley area.

Assistance to this first film festival came from several sources.

The National Film Board offered to underwrite the cost of all posters and brochures when it became aware of the program to be offered. The department of tourism made widespread circulation of brochures and posters possible; and, AB-TRC gave a small grant to assist with commercial film rentals.

## Knudson Wins Digby Pines Open More Than 1,000 Attend Demonstration And Sale

Pines Manager Vic Bradshaw (left) and MLA Joe Casey flank the victorious Knudson after Knudson's nine-stroke victory in the Digby Pines golf tournament over the weekend. Knudson's \$1000 check and championship trophy appear in foreground.

Highly rated pro-golfer George Knudson proved a little too much for his competition during the Digby Pines Open Professional Golf Tournament here over the weekend.

Knudson finished with a two-round total of 137 - three under par for a comfortable lead over his nearest rival, Digby pro Billy Nickerson who finished with a 146 total.

The Toronto pro arrived in Digby nearly a week before the tournament began. A little relaxation was in order after Knudson finished in a 19th place tie in the Canadian Open a week before hand.

Knudson is a native of Winnipeg although he has made Toronto his home and Glen Abbey his home course.

In Digby the pros were playing for 10 professional purses with a total value of \$3,700 and amateur prizes worth \$1500. These are among the largest offered for professional golf tournament players in Atlantic Canada.

The tournament was sponsored by the Pines Resort Hotel which is operated by the Department of Tourism.

In a brief address after his paycheck was presented by MLA Joe Casey, Knudson said the trip had given him a chance to see the province. He termed it "one beautiful place."

He said he is looking forward to coming back after his "supervisit".

Saturday, July 1st saw the first project sponsored by the Digby Pines Open on the occasion of the Western Nova and Crafts and Sale and community concerts.

As held in the Digby Exhibition Centre the new ox haul was used as the main line for distribution.

Thousands of people gathered through the weekend during the two-day event. The standard of the event was of very high quality.

The feature of the event was the presence of 300 performers from the area in the neighbourhoods who attended the through funds through the Dept. of 72- for Nova Scotia.

72- for the opening 76- were Mr. 72- chairman of the 75- Centre, Mrs. 74- secretary; Mr. 80- L.A.; Mr. Rube 81- chairman of the 78- Exhibition and Stehlin, former

seniors and many new friends were made and old ones welcomed again. The Bear River Centre is very happy to have had this opportunity to host the event as a contribution to the summer activities of visitors and locals during the holiday season.

The Saturday night presentation, which was well attended, included the Cornwallis Cadet Band, led by Lt. Cmdr. Perrault, the Champlain Brass Quartet, from Halifax; the Aylesford Bell Ringers, a group of senior citizens who have revived the ancient use of bells as musical instruments; and a visiting singer, no stranger to Bear River, Cathy Martin from the United States.

Mrs. Martin sang two groups of songs, one operatic in Italian, and a second group of English songs, which were enthusiastically received by the audience.

Very heavy rain was falling during most of the concert, but it set no limits on the appreciation of those present. Performers and audience shared a very worthwhile musical experience.

Three area residents took the Oath of Citizenship and were presented with their certificates of Canada Citizenship at a formal court ceremony held at the Digby court house.

The three new citizens are Mark Leopold Bluguerman, Geraldine Phyllis Bluguerman and Joan Winnifred Thimot.

The Bluguermans, of Waldec, a small community near Bear River, have lived in Canada for the past six years. Mark was born in Argentina; Geraldine in the United States. Mrs. Thimot is from England.

The ceremony was performed before a number of spectators including Joe Casey, Digby MLA; Rev. George Bell, on behalf of the South Western Nova Multicultural Association and MP Coline Campbell.

Const. Brian Ash in dress costume, represented the RCMP. Welcoming the newcomers into the Canadian family, Citizenship Court Judge Victor Cardoza outlined the freedoms which accompany citizenship.

He noted, however, that each and every one of us is also faced with a number of responsibilities, such as participation in the life of the nation, conducting ourselves so as to maintain and add to our freedoms, etc.

The judge urged the new Canadians to know their responsibilities as citizens and to recognize that their opportunities as citizens are not limited.

He said their decision to become Canadians signifies they have something to give and share with all Canadians and that they intend to do so. "This nation becomes yours and you become Canada." The judge described Canada

Const. Brian Ash in dress costume, represented the RCMP. Welcoming the newcomers into the Canadian family, Citizenship Court Judge Victor Cardoza outlined the freedoms which accompany citizenship.

He noted, however, that each and every one of us is also faced with a number of responsibilities, such as participation in the life of the nation, conducting ourselves so as to maintain and add to our freedoms, etc.

The judge urged the new Canadians to know their responsibilities as citizens and to recognize that their opportunities as citizens are not limited.

He said their decision to become Canadians signifies they have something to give and share with all Canadians and that they intend to do so. "This nation becomes yours and you become Canada." The judge described Canada

## Face Trial Over Ferry Incident Instruction Of

Two of those charged in connection with incidents aboard the Princess of Acadia on July 28 will appear in court Monday in Saint John.

Both men have been remanded to jail following an earlier bail hearing before Provincial Judge Andrew G. Harrigan. The two are Samuel Irvine Hull, 28, of Scarborough, Ont., and Wayne Richard Fernley, 28, of Downsview, Ont.

Hull was charged Monday with two counts of common

assault and one count of causing a disturbance by using obscene language.

Fernley is charged with the possession of a stolen wallet.

Two other Ontario residents were also due for bail hearings Tuesday but their cases were put aside when Judge Harrigan closed court about 4:45 p.m.

Harry Restmagne, 27, Gormley, Ont., and Robert Thomas Dowie, 20, of 30 Glider Drive, Scarborough, are now scheduled to appear

Thursday.

Restmagne is charged with assaulting a police officer on behalf of the Hon. and Dowie is charged with using obscene language in the public place.

Posting \$225 bail to the Foundation were Richard Killich, a division of Toronto; John H. Company of Brown, 28, of Mississauga, Ont.; and Steven Paul, 25, of Toronto.

All three are charged with resisting a police officer in the public place. They are charged with using obscene language in the public place.

## OBITUARIES

EDOUARD LeBLANC

## WEDDING

BARRON-WALKER

Edouard LeBlanc, 68, of Meteghan Station, died Wednesday in Yarmouth Regional Hospital.

Born in Meteghan River, he was the son of the late Denis and Agnes (Melanson) LeBlanc.

Surviving are his wife, the former Angele Hicks; three daughters, Geraldine, Mildred and Pearl, all at home; two brothers, William Virginia; Louis, Michigan; a sister, Emilie (Mrs. Siffroi LeBlanc), Meteghan Station. He was predeceased by a daughter, a sister and a brother.

Funeral service was held Saturday at 1 p.m. in Sacred Heart Church, Saulnierville, Rev. Claude Cote officiating. Burial was in the parish cemetery.

The wedding of Mary Elizabeth, daughter of Mr. and Mrs. Harry Walker to Roger LeBarron son of Mr. and Mrs. Jack LeBarron of Tempe, Arizona took place at Point Loma Community Presbyterian Church at San Diego, California on July 2nd., officiated by the Rev. Louis Vick. The couple was attended by the groom's parents and other intimate family members.

After the ceremony a

dinner was held at Anthony's Harbourside, after which the couple left on a honeymoon to Las Vegas, Nevada.

The groom is a Principal with the International Apparel Textile Management Consulting Firm of Kurt Salmon Associates, head quartered in Atlanta, Georgia. The happy couple will be residing at their home in Salt Lake City for an indefinite period.

## Baptist Women's Convention

"Complete in Christ" (Col. 2:10) is the theme chosen for the 71st Annual Convention of the United Baptist Woman's Missionary Union of the Atlantic Provinces to be held in Wolfville, N.S., on August 29th to 31st.

Sessions will be chaired by the President, Mrs. I. Judson Levy, assisted by Vice-Presidents Mrs. Murray Armstrong, Mrs. Gerard Steeves and Mrs. Wilbur Wright. Soloist will be Miss Catherine Fitch. Mrs. Donald Jackson will preside at the organ and Miss Christine McDormand will be song leader. Mrs. Blois Crawford will lead devotional periods and intercessory prayer periods will be conducted by Mrs. Henri Lantini, Jr.

Highlights of the Convention include presentations on Brazil by Dr. John Keith, General Secretary,

and Mr. Robert MacQuade, Chairman, Canadian Baptist Overseas Mission Board. Rev. Maurice Boilat of the Union of French Baptist Churches will speak of the advances being made in French Canada. Mrs. Gordon Bars will report on India, Mrs. Malcolm Card on Indonesia, Miss Shirley Freckleton on Africa and Mrs. Marshall Thompson on Bolivia.

A reception will be held in McKean Room after the opening session Monday evening, to which everyone is invited.

Morning sessions open with intercessory prayer at 8:45 and afternoon sessions resume at 2. Evening sessions convene at 7. Societies from the four Atlantic Provinces are urged to send delegates and an invitation is extended to visitors.

## Orchard Spacing

Closer spacing of apple trees in orchards can result in higher yields per acre.

Trials carried out at Agriculture Canada's Smithfield, Ont., Experimental Farm, using McIntosh apples, showed that smaller trees planted closer together yielded 1,035 bushels per acre. This compares to the average production in Ontario of 300 to 400 bushels per acre.

The small trees also increase the efficiency of labor operations because pruning and picking can be done from the ground.

hurt person, whom we may not even notice, unless we have the love of God in our hearts.

## A Thought Starter

By Rev. R.C. MacCormack  
RR 4, Fredericton, N.B.

WHO IS MY NEIGHBOUR?

Recently, on the road from Jerusalem to Jericho, our guide pointed out the Inn of the Good Samaritan. You recall the story told by Jesus, of the traveller who found himself alone and bleeding by the roadside. A pack of robbers had jumped him, beaten him murderously, and had helped themselves to his money and clothing. He was moaning and dying.

A prominent religious leader was passing that way, but as he spotted the stricken man he remembered his appointment up the way, and hurried on by, on the other side of the road. Another church officer appeared, but

he too, had a cold heart, excused himself from compassion, and kept going. They both missed the point of their calling, in their absence of mercy.

Shortly, a foreigner came along, one who was shunned by the people of that area. He had a warm heart, which led him to stop, delay his journey, and give first aid. He put the half conscious victim on his own donkey, took him to the nearest Rest House, and paid the bill in advance. This is the story of the Good Samaritan found in Luke 10.

Which of these three would you or I be?

Chances to show kindness come to us every day as we pass along the road of life. Our Jericho road may bring us near an automobile wreck where people are broken and dying. It may lead us to a

## 1977 Little River Choir Special Guests

Rev. Wallace H. Jordan, pastor of the Smith's Cove United Baptist Church, returned from a vacation of several weeks in P.E.I. with his family, to lead the Drive-In Service on Sunday evening, July 31. While he was away several local pastors shared the weekly message from Scripture with those attending congregation. Special music was brought by local church musicians.

For his message Rev. Jordan took the portion of Luke 9, 1-10.

The inspirational music was presented by the Church Choir of the Little River United Baptist Church under the direction of Mrs. Avis Gidney, organist-director. Choir selections were "Wonderful Grace of Jesus," "I Believe in a Hill Called Mount Calvary" with solo by Royce Elderkin, also "Jesus Will Outshine Them All." A mixed quartet composed of Mr. and Mrs. Royce Elderkin and Mr. and Mrs. Ainsley Tidd sang "Jesus Is the Lighthouse." Mr. and Mrs. Edgar Trask sang "He Gave Me Something Worth

Living For."

Following the benediction, the choir sang "There Is A River," which concluded the service.

Next Sunday, August 7, at 7:00 p.m. on the grounds of the Smith's Cove Consolidated School, Rev. Jordan will conduct the service. Special music will be presented by Mrs. Mary Harris, Dorothy and Venable Hill, also Cleveland Dukeshire of Bear River.

## Cards of Thanks

**COMEAU —** We would like to take this opportunity to express our sincere thanks and appreciation to our friends and relatives for all their kindness during the loss of our dear dad, Lawrence Comeau. Special thanks to the doctors and staff of the McCleave Medical Centre, Mr. Rae McCleave and Digby General Hospital staff. Special thanks for floral tributes, cards, masses and food and all your kindness which cannot be expressed in words. We shall remember you all. WIFE DOROTHY, DELENA, RAY AND LARRY. 52:1ip

## Cards of Thanks

**BELATED THANK YOU —** To all my friends in the Digby area and elsewhere, I wish to thank you most sincerely for your great generosity to me July 2, 1975. I did appreciate everything, and wanted to write individual notes to you, but that was impossible for I was undergoing a "psychosocial moratorium" — missing you! I know that you will try to understand. Your teacher-friend, 1951-1975 Sister Rita O'Keefe 491 College Ave. Winnipeg, Manitoba R2W 1M7

**BOWERS —** Many thanks to all my friends who visited me while I was a patient in the B.F.M. Hospital, Kentville. Also for the lovely cards and flowers. EDNA D. BOWERS. 52:1ip

**DERBY —** The family of the late Rev. Lloyd Derby thank all who helped them with visits, gifts and cards during their recent bereavement. MURIEL, KAREN, STEPHANIE AND ERIC. 52:1ip

**NESBITT —** We wish to express our sincere thanks and gratitude to every one who sent cards, gave food and money or helped in anyway during our recent bereavement. JOYCE, BOBBY AND JOANNE. 52:1ip

**FOR RENT — Equipment** Rentals, Electrical - Concrete. Precision Saw Sharpening. Phone 837-4277. Syd Webber 12:1fc

## In Memoriams

**COOK —** In loving memory of our dear mother, Zoie Margaret who passed away suddenly August 4, 1970.

**A Golden Heart** stopped beating And working hands at rest God broke our hearts to prove to us He only takes the best We cannot read God's purpose But there will come a day When God will make us understand Why she was called away. We miss her because we love her She was dearer than silver and gold No treasure will ever replace you Friendships will grow old.

Always loved and dearly missed by son GORDON, DAUGHTER-IN-LAW LAURA, GRAND-CHILDREN KEVIN AND WENDY. 52:1ip

**THERIAULT —** In loving memory of our dear son, Reggie Theriault, who drowned August 8th, 1964. We could never count the many times We've wished that you were here, Or ever forget the memories Of a son we loved so dear; We could never tell the tears we've shed From the day we had to part, Just three small words — "We miss you" From the bottom of our hearts. Sadly missed by MOM AND DAD AND BROTHER DONNIE. 52:1ip

## In Memoriams

**OUTHOUSE —** In memory of Grace Young Outhouse who died July 27, 1968. Remembered with love always by SYLVANUS, LAWNA, WINSTON AND GRANDCHILDREN.

Death is a going home. It is a door into the large life and into the greater glory. Where the wounded of life are healed and the tears of life are dried, and broken Hearts are mended with the balm of Gilead given by the Great Physician there.

**NASH —** In loving memory of our dear father and grandfather Titus Nash.

We often sit and think of him when we are all alone, For memory is the only friend that grief can call its own.

Like ivy on the withered oak, when all other things decay,

Our love for him will still keep green and never fade away.

Sadly missed but forever loved by DAUGHTER JOYCE AND HER FAMILY. 52:1ip

**NASH —** In loving memory of our dear husband and father Titus Nash.

He is gone but not forgotten And as dawns another year In our lonely hours of thinking Thoughts of him are always near. Days of sadness will come o'er us Friends may think the wound is healed, But they little know the sorrow That lies within the heart concealed.

Sadly missed but forever loved by WIFE SUSAN AND DAUGHTER SUE. 52:1ip

### New Horizons

Twenty-five members enjoyed the July Birthday Party held on the last Thurs. of the month. Many were away visiting resulting in a small gathering, nevertheless everyone enjoyed the usual activities followed by cake and ice-cream. Only one was present whose birthday occurred in the month of July.

The Craft Sale and Tea held on July 14th was well attended. The home baking goods seemed to be the most in demand. The sum of two hundred and forty dollars was realized.

On July 19th fifty two members motored to Peggys Cove via New Ross where the first stop was to see the Old Ross Farm there. All had lunch at Peggy's Cove. The trip home was via the shore route through Hubbards, Chester, Mahone Bay and Bridgewater. The stop for supper was at Milford and then home. Everyone enjoyed the trip immensely by the Spring water Habitation bus with Rev. Lester Mullen as the driver.

On July 25th the Digby New Horizon members were invited to a luncheon at Spring Water Habitation, Rossway, down Digby Neck Trail.

On Good Times Day at Smith's Cove the Digby New Horizons had a booth and two days at Bear River to the Western Nova Scotia Handcraft Demonstration and Sale — doing exceptionally well at Bear River.

The three "wind break" porches for the three front doors is an asset to the centre and all the building has been newly painted.

## Appointed Assistant Director Of Youth

Mitchell said.

Mr. Sheffield, a former principal of schools in Wolfville joined the Department of Education in 1967 as inspector of schools for Hants County. In 1970 he became an inspector-at-large in order to deal primarily with the creation and development of the first school board amalgamations in the province.

In 1974 he assumed his present position as head of the Department of Education's consultant services, dealing with the various areas of the school program and curriculum. His new appointment becomes effective September 1, 1977.

The sections of the province where amalgamation of school boards is now in effect are Kings County, Colchester-East Hants, and Northside-Victoria County. In each of these areas all the former town and county school boards have been amalgamated into one administrative unit.

"In view of the growing interest being expressed in amalgamation in several parts of the province Mr. Sheffield has been given the special assignment of co-ordinating developments towards school board amalgamation and providing advice and assistance to interested boards and their county, town and city councils," Mr.

## Crime Situation Improving

The crime rate in Digby is in decline according to the monthly report of the Digby detachment, R.C.M.P., presented to Tuesday night's town council session.

Only one break and enter was reported during the

month of July while disturbances and damage complaints were down considerably. Six thefts were reported.

The report indicates that the investigation into the arson at the junior high

school is continuing but there is nothing new to report on the case.

A number of persons were charged during the month under the Town's Act and By-laws for loitering, and under the anti-noise by-law.

Two persons were sentenced to the Kings County Correctional Centre, one for two weeks and one for three months.

Cases reported for the month numbered 37 under the criminal code, 28 under provincial statutes, 13 under the liquor laws and 2 under municipal by-laws.

There were 20 traffic convictions under the criminal code, 14 under provincial statutes, five under municipal by-laws and 37 warnings under provincial statutes.

Eight accidents occurred in town during the month, seven involving damage over \$200 and one involving injury.

During a brief discussion on the report, Councillor Gordon Ellis suggested that the R.C.M.P. should be used to direct traffic coming off the Princess of Acadia.

## Demonstrate Handcrafts

Rae Gilliat, member of the Bear River New Horizons group is shown making floral basket mobile at the Western Nova Scotia Handcrafts Demonstration and Sale.

Painting is a hobby Ethel Benson of Bear River only got interested in two years ago through New Horizons. Here she shows one of her works on display at the Western Nova Scotia Handcrafts Demonstration in Bear River.

Queen Annapolis, Paula Lescaudron

## Paula Lescaudron Chosen Miss Annapolis Royal

Seventeen-year-old Paula Lescaudron of Granville Ferry was crowned Miss Annapolis Royal before a large crowd at the Annapolis West Education Centre on Saturday evening.

Paula, representing the community of Granville Ferry, was crowned by Susan Holmes, last year's queen. Future plans for the new queen include attendance at Université Ste-Anne where she plans to become a bilingual secretary.

Paula enjoys hooking rugs, drawing and horseback riding. She will be entering

Grade 12 at AWEC this fall.

Barb Oliver, 18, of Parker's Cove, will serve as the new Queen's First Lady in Waiting. Barb was sponsored by the Fundy Thread and Thimble Club. Her aim in life is to become a registered nurse.

Other candidates in the contest were Brenda Shorey

(Port Royal Legion), Wendy Miller (Milford), Susan George (Annapolis General Hospital), Jane Scott (Granville Centre), Cheryl Fish (Clementsport Legion), Pam Goucher (Mohill softball teams), and Karen Bartlett (Annapolis Royal Lions Club).

Paula was crowned amidst a burst of emotional turmoil as all other candidates in the contest rushed to congratulate her. The large crowd responded with loud cheering.

Before the decision was announced, Cathy Oickle introduced the nine princesses. Cathy was organizer of the committee.

Laughton Bird then took the stand to invite all those present to attend the evening film festival session which was to be held later in the same building. The effort apparently paid off. The video room was unable to handle the interested spectators. Extra facilities had to be set up in the gymnasium for the overflow.

Mayor George Richardson also played a role in the Queen contest. He entered the gymnasium in the company of Susan Holmes and left with the new Queen.

During a brief address, he welcomed those present and encouraged them to participate in the Natal Day weekend of activities. He thanked those responsible for making the event a success.

The mayor went on to thank Susan for the job she has done over the past year. He then announced the contest winners.

In her last function as Natal Day Queen, Susan Holmes thanked town council for its support - "especially Councillor McCormick" - and thanked Cathy Oickle for her work

## William Germaine Dies In Fire

A Culloden man is dead as the result of a Tuesday evening fire which gutted his home. William Germaine, in his 50's reportedly died of asphyxiation.

The Digby Volunteer Fire Department was called to the scene of the blaze at 6:20 p.m. At this point, Fire Chief Vaughn VanTassel reports, there was a lot of heat and fire inside the building.

A first attempt at entry

was foiled by the heat. A second attempt proved successful and firemen were able to remove Mr. Germaine's body.

Germaine was the lone occupant of the two storey wood-frame house.

The fire department remained at the location for four hours. The cause of the blaze has not been determined.

## Beer Garden Approved

A beer garden will again be included this year with Digby Scallop Day festivities which will be held on Saturday, Aug. 20th.

Town Council gave its approval to the beer garden - to be held at the Admiral Digby park - during its monthly council session Tuesday night.

Only Coun. Foster Journey voted against the motion of permission while Coun. Gordon Ellis expressed some

reservation about the move.

When organizations have to stoop to bootlegging to get funds it's time to pack it up, according to Coun. Journey. The motion was made by Coun. Robertson and seconded by Coun. MacNutt.

The Digby Scallop Day committee was also given permission to hand out two plaques containing the crest during its program. The plaques are made by Coun. Ellis.

## Exhibition Horse Show

One of the major horse shows of the late summer circuit, the Annapolis County Exhibition Horse Show, will be held at Lawrencetown from August 15 to 20.

The show will include driving classes for Percherons, Belgians and Clydesdales plus the always-exciting six-in-hand hitch for

heavy horses. There will also be oxen, horse and pony pulls.

Judge for the light horse show is Mrs. Charles H. Coffin, Jr. of New Jersey and stewards are Mrs. Shirley Robertson, Lawrencetown and Mr. A. E. Johnson of Halifax.

For further information please contact F. A. Duncan, Annapolis County Exhibition, Windsor, Nova Scotia.

# Life: it's non-renewable

You've heard it... "The car was a write-off but the driver walked away without a scratch. It was a miracle!" A miracle, sure. Only miracles don't often happen. The fact is that most times when they write-off the car, they write-off the driver too. And maybe his passengers as well! The car they can re-cycle; but the life: that's non-renewable.

Know what causes most fatal highway accidents? Inattention! That's inattention to the mechanical condition of the car before you drive and inattention to highway conditions, regulatory signs or other traffic while you drive.

So pay attention and protect your most valuable non-renewable resource... Life!

What are you doing with the rest of your life?

## Community Movie Programs For August

Port Wade - Habitation New Horizons' Building - 7:30 p.m.

Thursday Aug. 11, 1977 - A NIGHT OF MUSIC

## THE BOY WHO HEARD MUSIC

A young boy discovers the beauty of organ music through the magical powers of an old man and magically passes it on to his friends.

## FEATURE - OLIVER

1968 Great Britain-Director Carol Reed with Mark Lester as Oliver-148 minutes. Oliver, one of the best films of 1968, a musical version of Oliver Twist, is a movie of sheer delight. There is a good cast who play with great vitality; there are numerous good production numbers like "Consider yourself" and "You've Got to Pick a Pocket or Two". Unlike many musicals that give you the impression that they've given you all and then scraped the barrel, Oliver gives one a feeling of super abundant life. It is a film of grace, unity and many visual delights.

(There will be an intermission break for refreshments)

Thursday Aug. 25, 1977 - WORK AND LIFE STYLES

## THE SEA GOT IN YOUR BLOOD

Another taste of the sea recording people of the Atlantic ports like Bill Rowe designer of Bluenose 1 and Capt. Angus Walters, the launching of the first Bluenose, dory fishing and racing, the actual building of the Bluenose 11 and something about her Lunenburg builders.

## BACK-BREAKING LEAF

In this film you drift with the immigrant harvest hands in the tobacco country of Southwestern Ontario. It shows how fickle the tobacco plant is and how curing is so much at the mercy of weather. Once ripe the leaves must be harvested at all costs and when hail strikes.....

## RUTH AND HARRIET

Are two women in their thirties who live in the Peace

River area of Northern Alberta. Both married with families and strongly individualistic; Ruth is the restless "mover" and Harriet a true "homebody". Even though they've heard of women's lib, its the homestead, the river, the bush and wildlife and their children and their men that make a gutsy life for them in the vigorous Canadian Northwest.

## TARA'S MULCH GARDEN

A record of one complete cycle of Tara Callaghan's healthy garden at Hampton, New Brunswick. She's in her

third year of mulching - with no machinery, no weeding, no soil preparation. Much of the film's information came from Ruth Stouts' book "THE NO-WORK GARDEN".

NOTE: So many of you asked us to reorder the previous July movie program which was not shown due to power failure in the area, so we have re-booked the three films - Lonely Boy, Cavendish Country and The Best Damn Fiddler - for a date in September.

## AT Royal Trust

## SPORTS

## Quarts Overpower All-Stars

A steady and sometimes spectacular fastball game by the Sunset Beverage Room Quarts resulted in the demise of an All-Star team from Smith's Cove, last Sunday at the Digby Ballfield.

The first star of the 5-3 decision was pitcher, Eric Bell, going the distance and collecting 13 strikeouts. He also helped his own victory with clutch hitting and heady base running, such as beating out a dropped ball on a third strike.

Second baseman, Tom King, earned second Star rating by playing a stonewall game defensively, including his one-man double play, and equalling this with his offense. While caught in a pickle King's base running mesmerized the Smith's

Cove infield allowing Larry Baker to score from third. The All-Stars finally lost the ball and King went on to second.

Catcher Adair Potter was third star of the 9 inning contest with his heavy bat and glue glove. He blasted a long 4 bagger for the Quarts' first up of the game.

The steadiest part of the Smith's Cove team was the pitching-catching duo of Donnie Grimmer and Pete Belyea.

The game ended with a dramatic long running catch by left fielder Dave Learn, leaving two on and ending a ninth inning rally by the All-Stars. The Quarts' exhibition record now stands at 4 and 1 with the next game scheduled for Sunday against the Globetrotters.

Penny Gott, president of the Annapolis Basin Tourist and Recreational Council, officially opened her organizations arts and cultural centre here this week at the Precesky Estate, saying that her biggest dream, that of a year round culture centre, was off to a good start.

She recounted the early years of ABTRAC and told the guests and dignitaries attending the opening that ABTRAC has very early in its life put many ideas for the Estate down on paper, including plans for an apple museum, wildlife park, and other attractions, and now since the province had purchased the estate, many of these things may be realized.

## Further Steps To Aid Bay Of Fundy Herring Fishery

Two more steps in the overall program to rebuild the Bay of Fundy herring fishery were announced by Fisheries and Environment Minister Romeo LeBlanc.

"We began with the purse-seine fishery last year, and the value of its landings has announced a comprehensive \$1.4 million program to boost the value of the great heering resource for all sectors of the Bay of Fundy fishery; weirs, seiners, and gill-netters. We are now able to announce two more parts of the program, worked out with the purse-seiners' and weir fishermen's organizations, that will bring this year's expenditures to \$1.8 million."

Weir fishermen will receive \$320,000 assistance towards building fishholding pounds. The pounds enable fishermen to continue fishing while delaying sales until marketing conditions are right.

Fishermen in the mobile purse-seine fleet will receive \$120,000 to help them buy nine processor-owned vessels. The purchase will assist the conversion of the purse-seine fleet from low-value fish meal to higher-value food production, and will strengthen the fishermen's new marketing cooperative.

"In meetings with fishermen on both sides of the Bay, I have stressed that we need to look at the three sectors of this fishery not as competitors, but as equally worthy components of the herring industry," Mr. LeBlanc said. "We have encouraged and helped the fishermen's organizations. They in turn have done more than just state their needs;

they have worked hard with us to bring about the needed changes."

The 234 weirs, mostly on the New Brunswick side of the Bay of Fundy, employ about 1,000 fishermen and supply the small herring for the Canadian sardine industry. The fixed structures depend on fish swimming into them, and catches fluctuate greatly. Because most weirs have no pounds, fishermen must hold herring in the main body of the weir; this prevents further fishing until carrier vessels pick up the fish for market. During periods of heavy catches, weimen may have to wait a long while to market their catch, or else sell at lower prices to empty the weir.

The federal program will provide up to \$10,000 per weir to match the operator's approved expenditure towards building pounds. Built adjoining the weir, the pounds hold catches for market while the weir continues fishing. Pounds also allow holding herring until they are of prime quality for sardines. About 70 weirs may receive contributions for building pounds. A newly-completed survey of costs and earnings in the fishery will aid in judging which weirs can best benefit from the expenditure, and a committee of weir fishermen has been established to scrutinize applications and advise the Department.

Measures begun last year in the purse-seine fishery have already doubled its value of landings (from \$2.8 million in 1975 to over \$6 million projected for 1977). Shore employment from this fishery in 1977 will probably

reach four times the 1975 level. The purchase by seiner fishermen of nine company-owned vessels formerly used for fish-meal production accompanies the change of the purse-seine fishery to food production. Besides the \$120,000 federal contribution towards down payments, the fishermen have received special consideration in loan arrangements with the Nova Scotia government's Resource Development Board.

The new owners of the vessels (formerly owned by Sealife Fisheries of East Pubnico, N.S.), will be members of the Atlantic Herring Fishermen's Marketing Cooperative (AH-FMC). Formed last year with federal government encouragement and assistance, the fishermen's marketing organization includes almost all purse seiners from both sides of the Bay of Fundy and dominates the large-herring fishery. Since the AH-FMC came into being, the value of a ton of large herring in the Bay of Fundy has nearly tripled.

The news release of May 17 gave details of other measures to increase the herring fishery's value, including:

- A two-year, \$750,000 program to improve ice-making facilities ashore and ice carrying facilities aboard Bay of Fundy herring vessels.

- Development work on a catch insurance scheme for the weir fishery.

- Information systems to enable constant matching of catch rates to processing capacity.

- Increased fishing effort by large seiners in the Gulf of Maine and on George's Bank.

- Research studies related to food herring production by processing plants and fishermen's cooperatives.

- Development studies on a herring-roe fishery with special reference to the gillnet fleet.

- Measures to link the gillnet fleet into the overall management and marketing system.

- Arrangements to avoid over-catches of herring that result in dumping.

## Edible Wild Plants Of Nova Scotia

In Europe, the leaves of this plant were once used extensively as a remedy for coughs and lung irritations. One can make a good batch of coughdrops from the leaves. The leaves can also be used to make an Oriental tasting tea.

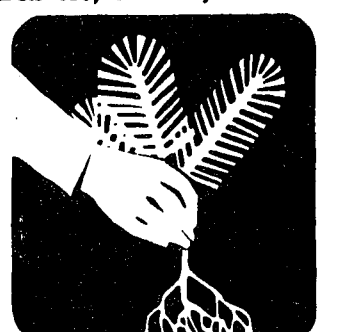

This plant, a very common weed called the coldfoot, thrives in lawns, fields and roadsides throughout Nova Scotia. Its just one of more than 50 edible wild plants in the province, described and illustrated in Edible Wild Plants of Nova Scotia now available from the Nova Scotia Museum. It covers the array of natural treats, from cattails to fiddleheads, dandelions to dwarf ground nuts.

Whether you're interested in medicinal remedies, dressing up your diet with wild greens, or brewing a pot of bog tea, all the information for the wild-growing ingredients is contained in this publication.

The well-illustrated pages tell you where to find the edibles, when, how to identify them and how they are prepared.

Separate sections cover the woodland edibles, foods from fields and waste-places, plants from ponds and streams, delicacies from the seashore and fruits of bogs and barrens.

The book is co-authored by Heather MacLeod and Barbara MacDonald and illustrated by Dean Brousseau. It is available for \$3.60 from the N.S. Museum and the Nova Scotia Government Bookstore, P.O. Box 637, Halifax, B3J 2T3.

## EDITORIALS

### SMALL TURNOUT, NO ACTION

"Small Turnout, No Action". Those were the headlines on the front page of The Digby Courier last week in reference to the ratepayers meeting called to decide on the future of Digby's electrical system. In fact as reporters, we took it upon ourselves to editorialize in our news columns to the extent of saying "Digby ratepayers apparently have little interest in what becomes of their electrical utility." To this remark someone objected for that person felt it was not so much matter of "little interest" as it was a lack of knowledge about the operation and not knowing what decision to make. Before we agree with that person entirely, we want to remind the ratepayers that at such a meeting that was called for last week was also an opportunity to pick up some of the knowledge necessary for making a decision now or later.

To the lay person, we'll admit, the annual reports of the electrical systems and the Digby County Power Board appear complicated and after awhile begin to be "Greek". Ordinary ratepayers had not concerned themselves throughout the years and left the operation and business entirely in the hands of experts or those who knew the why's, the whereof's and whereabouts. In fact, we often had seen new members of the town and municipal councils finding it difficult to comprehend, in discussing the Digby County Power Board, the set up of four units, Digby Town, Digby Municipality, Clare and Weymouth.

The Digby County Power Board and the electrical utility in use throughout Digby County as a whole, though often confusing to the inexperienced, is an important issue to each one of us, especially now, and needs to be grasped as thoroughly as possible. For this reason we draw attention to letters and articles in this Courier issue, not as a biased position but simply as a matter of information which will present food for thought and argument one way or another. As we mentioned before this is an important issue effecting the lives of all and needs careful thinking and lots of time. The next issue of this newspaper will have columns available for other and more considerations should anyone want to make use of them. It is yours to express your opinion and eventually vote as you wish.

as such. The tasks of Citizen of the Year in Digby are not arduous by any means. In fact, we often feel more use could be made throughout the year of our Citizen of the Year.

Just a little hint about the holiday question. Everybody likes a holiday and employees are more than pleased when a "day off" is declared. The truth of the matter is that some employers do not see it that way. Often as high as two or three hundred dollars and more is paid out by the employer with no production for the day. It is one of the factors we so often forget.

We obtained a few answers to our editorial last week on what airport facilities are available at Hill Grove. One question referred to telephone service available for persons coming in by plane and wanting to make overnight accommodations or engaging taxi service. Our guess was that vandalism might have something to do with there being no telephone booth. Councillor L.E.R. Winchester, chairman of the Digby Municipal Airport Committee, informs us we were right on that guess but also adds that the costs would be over \$38 per month and a minimum number of calls are required to warrant the service. Regarding an additional 2000 feet necessary for the runway as had been suggested, Councillor Winchester found this an unnecessary requirement as there are now 3000 ft of paved runway and an extra 1000 ft. unpaved.

In the course of conversation Mr. Winchester said there had been two planes in from British Columbia this summer and a two engine plane from London, England along with many more. According to the councillor, the municipality is keeping the tax rate as low as possible by exhausting all possibilities of grants available for airports and presently his committee has the rough draft ready for a brief to be presented to government officials now. Several things have priority in Councillor Winchester's mind such as an administration building, lighting for night and ground radio control. They are open to suggestions, he reports.

Children are welcome Monday evening 7 to 9 p.m. accompanied by parents to the tour of the Maritime Tel and Tel Digby Central Telephone Switching Office. Looks like a good opportunity for children to observe and learn. There has always been a lot of fascination to telephone offices although the system likely has been getting more complicated through the years as it provides conveniences to customers.

### PROPOSED CHANGES IN THE ADMINISTRATIVE SET UP OF THE DIGBY COUNTY POWER BOARD

By Emmanuel Adelaar (Chairman)

There obviously is a need for all consumers of a electrical power in the County of Digby to know all the facts concerning a very important decision their representatives on the various councils are faced with, in connection with the future of their electrical distribution system known as the DIGBY COUNTY POWER BOARD, serving the electrical utilities of the Municipality of Clare and Digby, as well as the Town of Digby and the Village of Weymouth.

It should be noted that the DCPB purchases its electric power wholesale from the Nova Scotia Power Commission and in turn sells it to the four utilities as mentioned above, with the DCPB responsible for the overall technical management for all of Digby County and of course, also responsible for the overall technical management for all of Digby County and of course, also responsible for the payment of all electrical energy used in this County to the NSPC.

With regard to this technical service supplied by the management and staff of the DCPB, it should be recognized that this service to the people of Digby County as a whole, has been excellent, as was so clearly illustrated over the past few years during which this part of the Province suffered under some vicious storms and came out of it with a very limited number of poles down and with the least possible inconvenience to the public, especially when one considers the geography of Digby County.

In the last 1960's and early 1970's, it became clear that the electrical utilities of the district of Digby and Clare were suffering substantial financial losses, and a situation was created indicating a necessity of a basic change in the operating philosophy of the DCPB.

As a result of this, it was agreed upon in the fall of 1976 by the Directors of DCPB, consisting of representatives of the four utilities involved, to call for a study and report by a group of independent experts on the viability of all utilities that comprised the DCPB. This study was consequently carried out by Canadian British Consultants Limited of Halifax with an in-depth look into the technical and commercial situation of the above mentioned utilities.

The final report was tabled for consideration in February of this year and further discussion on their findings with the four Municipal units was delayed by the action taken by the NSPC before the Nova Scotia Board of Public Utilities, requesting drastic increases in rates. The Board of Public Utilities gave its decision as to the new rates in April of this year. Immediately after the new rates were established by the PUB, discussions between management of the DCPB and the four utilities on an individual basis got under way and are continuing in order to come to a final and (as required under the act) unanimous decision by these four municipal units as to the findings of the Consultants reports which concluded that we have the four options as follows:

1. Stay as we are, which is clearly not feasible from a financial point of view.
2. Sell one or two of the utilities. This is also practically not possible due to the fact that the decision by the DCPB has to be unanimous and also the one potential buyer had indicated that it would not be interested in such a fragmentation of transfer.
3. Sell all of the utilities.
4. Amalgamate the existing four utilities into one unit with one rate structure.

It should be clear to everybody who is interested in this serious problem which touches all of us, that the real choice before us lies in option numbers 3 and 4, selling everything or amalgamated into one unit. Looking first of all at item number 3, selling all of the utilities, we have to consider the following consequences:

(a) We will get the same rate structure as the rest of the Province.

(b) Transfer of purchase price, which has to be negotiated, back to the Municipality, under the proviso, that whatever amount we can agree on will be held for us "in trust" by the Department of Municipal Affairs in Halifax and only to be used under Ministerial discretion.

(c) Loss of local autonomy for electrical distribution and in our valued opinion, possible deterioration of services with NSPC units stationed only in Bear River and Yarmouth.

(d) Possibly some revenue generation to the Municipalities from the NSPC grants in lieu of taxes. (e) Possibly loss of some jobs in the Digby area as a result of the reorganization.

At this stage we should also consider the fact that we will have to go to Halifax, hat in hand, and request the only potential buyer, the NSPC, to buy us out and in view of our overall financial situation when negotiating a purchase price by the NSPC, we would be dealing from a position of weakness rather than a position of strength.

When considering all of these above mentioned facts, it would be logical for the people of Digby County to come up with a number of questions which we could anticipate, as follows:

"Why is it considered possible to function as a viable operation as one amalgamated unit when it is not possible to do so under the present set up?" ANSWER: The reason that the districts of Clare and Digby lost money during the past years lies in the fact that the line losses on the main distribution lines into Clare and into Digby Neck and the Islands, were approximately 20 per cent which means a good 10 per cent over and above what is considered acceptable and which the tremendous increase in the cost of electric power, a saving of 10 per cent in these line losses would amount to a saving of close to \$150,000 per year at today's rates. With the

very limited capacity under the present set up by the DCPB to generate any capital for improvement and technical changes required to implement the changes recommended by the Consultants, it is clear that only by operating as one unit, under one rate structure, can we overcome these financial problems and at the same time retain local autonomy over our distribution system.

QUESTION- The Consultants report recommends new transmission lines into Clare and Digby Neck and other technical improvements in order to cut the line losses at a total cost of \$2,500,000. Can we afford to do this?

ANSWER: First of all since the Consultants report was written some of the Technical changes and improvements have already been effected by the DCPB (in 1976 an amount of over \$50,000 was spent on this). The major items of replacing and purchasing two new transmission lines was an erroneous assumption by the Consultants.

For instance, we can replace the present 23 KVA transmission lines into Clare by purchasing and installing a new 69 KVA line at a cost of approx. \$1,000,000 and use the present 23 KVA line from Clare on Digby Neck replacing the old 12 KVA line in that area. This means that the estimated total cost of purchasing 2 lines by the Consultant could be cut into less than half and the capital required by the new amalgamated unit could be borrowed in the form of a debenture issue, service of which could be met by projected annual revenues of the new unit.

QUESTION- In the light of expected new increases of the cost of oil and coal, and consequent increases in the cost of power by the NSPC, what alternate sources of energy in Digby County?

ANSWER: In the Sissiboo and Bear River generating system, there is enough water to anticipate a possible increase of hydro generated energy in this area of between 200-300 per cent of the present capacity. The cost of hydro power, which is a renewable resource, is only dependent on the capital cost of constructing the new generating facilities and can be held fairly stable for years to come. Furthermore, there are great possibilities of generating energy by gasification of hard wood fuel wood and other waste wood from our forests of which we have plenty. For instance, 100 cords of fuel wood per day could provide us with approximately 40 per cent of the peak energy required per day in this area. Then there is still to be explored the possible use of wind power and all in all, these above mentioned sources of energy could be used in Digby County in years to come and could be used to keep the total cost of electric power in this area down, provided we have an independent distribution and power system over which we, the rate payers in Digby County, have our own autonomy.

QUESTION: How would the rates of new amalgamated utility compare with NSPC rates?

ANSWER: Without taking into consideration the benefits as outlined above, of the additional power sources, our own utility rate would probably be higher than the NSPC rates to the tune of 2-5 per cent, this of course in exchange of keeping management into our own hands. Substantial benefits from "additional sources of energy" as outlined above, should bring these percentages down very considerably.

Under a proposed new rate structure, it is the people that are living in areas with a compact population like the Town of Digby and the Village of Weymouth who will have to sacrifice some of the very advantageous rates they now enjoy in order to assist those who are living in the rural areas of the District of Clare and Digby.

For a rate comparison without taking into account this years very substantial increases allowed by the PUB, the situation in October 1976- was as follows: for monthly bill for consumption of 1,000-4,000 KWH:

	NSPC	TOWN DIGBY	District Digby	Village Weymouth	District Clare
Usage of 1,000 KWH	27.23	98.20	29.41	27.50	29.43
4,000 KWH	96.45	28.80	106.50	98.00	105.33

We trust that above information will be of some assistance in declaring your preference on our local energy problem and we hope that you will be able to communicate your position to your representatives and councillors in order to assist them in coming to a responsible and fair conclusion when it comes for a vote.

It must be obvious to all who have read this article that the writer is in favour of continuing the DCPB operations, as one amalgamated unit of the four utilities with one rate structure especially when one considers the other options of selling out completely which is a very "final" step to take and from which there is no return.

Thanking you for your kind attention.

E. Adelaar  
Chairman- Digby County Power Board

Dear Editor:

In answer to the question "Who own's what?" in the Digby area Electric Utilities? On January 1st, 1974, the percentage of ownership (including share of the Digby County Power Board) was as follows: Municipality of Digby 42.58 percent - Municipality of Clare 36.87 percent - Town of Digby 16.52 percent - Village

of Weymouth 4.03 percent. The Municipalities of Digby and Clare have voted to sell to the Nova Scotia Power Corporation and to date their motions still stand, representing 79.43 percent of the ownership.

Why they have voted to sell? Based on a three wire, two month basis, 1000 KWH cost: - Town of Digby \$30.22- Municipality of Clare \$39.35- Municipality of Digby \$41.35. Not only, through our meters, paying the highest Hydro cost, we also pay for our Hydro through our Municipal Taxes. Digby Municipal Grants to the Municipal Hydro, were for years 1974 \$81,196.00, 1975 \$71,796.00, and for 1976 \$41,980.00.

Excess of Expenditure over Revenue for year 1976 was: Digby County Power Board \$2,325.00- Town of Digby \$9,333.00- Municipality of Digby \$75,455.00.

By selling to the Nova Scotia Power Corporation we will pay less for our Hydro and not saddled with more borrowings.

Yours truly,  
Rene A.J. Richard

**another step forward for telephone service in Nova Scotia**

Customers in the Digby exchange, served with one and two-party lines, will be switched to Automatic Number Identification System this Friday morning.

These customers will no longer be required to give their number to a checking operator when placing a long distance call.

The new switching equipment, recently installed in the Digby telephone building, will automatically register the calling party's number on special automated equipment.

The project is part of a \$300,000 investment made in the area during the past two years to provide additional telecommunications services to the more than 2,000 customers served

from the Digby switching center.

The new identification system will be in effect for all Direct Distance Dialed calls. Customers are reminded they must still call the operator to place person-to-person, credit card and collect calls.

The completion of this \$44,000 project marks another step in the continuing efforts of Maritime Tel & Tel to provide Nova Scotians with the finest telephone service available.

P.S. We're having a tour of the telephone building on Water Street Monday, August 15, 7 to 9 p.m. Join us for coffee and doughnuts and meet the MT&T people who make your telephone system work.

# Johnston Christian Park Camp Closing

Sunday, July 31, was the closing day of camping at Johnston Christian Park under the direction of the Christian Church (Disciples of Christ) after a full month of Christian teaching in a camping atmosphere. The camping program is run on a weekly basis with different age groups attending each week ranging between the ages of nine to nineteen. Over two hundred young people from various parts of Nova Scotia received a week of Christian teaching and leadership.

Among those attending from this area as campers or leaders were: Joanne Cosman, Shelly Thurber, Wendy Thurber, Kim Thurber, Jimmie Smith, Krista Cosman, Mark Cosman, Cheryl MacAlpine, Kevin MacAlpine, Linda Wagner, Michelle

MacAlpine, Karen Brown, Marcia Smith, Blake Frankland, Julie MacNevin, Sendel Barr, Muriel Cosman.

As a result of the camping program, five young people were baptized during an impressive worship service by the lakeside on Sunday morning.

During the weekend July 8-10, twenty-nine women registered for a Retreat at Johnston Christian Park and enjoyed a weekend of fellowship, worship, study sessions and service projects. During the weekend the ladies were responsible for making ten scrapbooks and twenty-one bibs which were donated to the Children's Training Centre, Digby. They also donated money to several mission works - the money being raised from a silent auction on Saturday evening.

**Church Women Hold Supper**

On Thursday evening the "Muriel Bent Society", Bear River, with husbands and friends held a picnic supper at Gordon Morines' cabin beside Barnes Lake.

After a bountiful supper the Society held their usual monthly meeting.

Mrs. Myrtle Selig gave an illustrated devotional showing slides entitled "Sea of Galilee", On a tape recorder she had recorded a short poem or an inspirational quotation as each picture of the sea was shown.

Mrs. Winchester, Mrs. Tibbetts and Mrs. Ruggles were appointed as delegates to attend the United Baptist Convention at Wolfville.

A large number of eyeglasses have been collected for "Operation Eyesight", India.

**Many Worship At Drive-In**

Over fifty cars were on the grounds of the Smith's Cove Consolidated School for the Drive-In Service Sunday evening, August 7.

Rev. Wallace H. Jordan, pastor, led the service and brought a stirring message on Mark 10:13-16 entitled "In Living Colors."

Special music was presented by Mrs. Mary Harris, accompanied by Mrs. Carlene Porter, Cleveland Dukeshire, accompanied by Mrs. Dukeshire, and Venny Hill, accompanied by Mrs. Dukeshire ... all of Bear River.

Next Sunday, August 14, Pastor Jordan will bring the message and special music

**Vacation Bible School**

The staff of the Deep Brook Baptist Pastorate are busy making last minute arrangement for the Daily Vacation Bible School which opens on Monday, August 15, from 9-11:30 a.m. at the Deep Brook Church. Classes will be provided for ages 4 (through 13 (kindergarten through juniors). The School will be for one week only with closing sessions on Friday, August 19.

The theme this year is "Teach Me, Lord Jesus". Many interesting projects, as well as Bible study, music and joy of learning together will be uppermost on the schedule! Bus transportation will be provided.

**Hillgrove**

(Mrs. D Roope)

Mr. and Mrs. Stanley Morton of Newfoundland, visited for several days with Mrs. Lewis Frude.

Saturday afternoon visitors with Mrs. Darcy Roope were Mr. and Mrs. Vaughn Pearson of Maine, formerly of Nashua, N.H.

Immediately following the close of the service, an Open House will be held in honor of the Jordans who will be leaving the area on the 21st (following the Drive-In Service) for a new pastorate in the Halifax area. This will be held in the Vestry of the Smith's Cove Baptist Church with ladies of the three churches in charge of refreshments.

# WEDDING

WARREN-SWEENEY

A beautiful summer afternoon wedding took place June 25th, 3:00 P.M. at Holy Cross Church, Plympton, when Annie Maria Sweeney, daughter of Mrs. Johanna Sweeney and the late Vincent Sweeney of Gilberts Cove, was united in marriage to Gary Nelson Warren, son of Mrs. Mabel Mount and the late Charles Warren of Bear River. Rev. Father Rene LeBlanc conducted the Wedding Mass and double ring ceremony. Mrs. Mary Robinson of Digby was organist, Mrs. Beverly Morine of Bear River was soloist and sang "More" during the signing of the registrar.

The bride was given in marriage by her brother, Robert Sweeney. She looked radiant in a floor length gown of white satin, with lace bodice and long tapered sleeves with a flowing train. Her waistlength veil was held by white pearls and beaded headpiece with a satin bow. She carried a bouquet of Cascade Red Roses.

Miss Maria Sweeney, sister of the bride was maid of honor and was charming in a gown of blue sheer floor length and matching blue picture hat. She carried a bouquet of mums and daisies. The bridesmaid, was Miss Deanne Wade, Bear River, niece of the groom, who wore a gown identical to the maid of honor. Miss Melissa Wade, niece of the groom, was flower girl, wearing a floor length pink organza, with pink ribbon in her hair and carried bouquet of cascade of pink and white mixed flowers. Little Kimberlea Slater, cousin of the bride, acted as honorary flower girl and wore a yellow organza floor length gown

and carried a cascade of yellow roses and white mums. She also wore ribbons in her hair. Rickey Amaro, friend of the groom, was best man and Eben Sabean, cousin of the bride, Carl Vroom, nephew of the groom and Kenneth Thibault, cousin of the bride, acted as ushers.

The mother of the bride wore a floor length gown of mint green silk floral, with silver accessories and her corsage was of mint green mums. The groom's mother chose a pink gown of sheer with a pink picture hat, white accessories, a corsage of white mums.

A reception was held in the Church Hall with 125 guests.

## Hillgrove (Mrs. D Roope)

Mr. and Mrs. Reginald Murley were weekend visitors with Mr. and Mrs. John Murley and son, Gregg, in Halifax.

Mr. Frank Gates spent the weekend in Saint John.

Rickey Amaro proposed the toast to the bride responded to by the groom. Debra Melanson of Ashmore was in charge of the guest book.

Serving the bride's table were Mrs. Frank Thibault and Mrs. Andrew Melanson. Others assisting were Mrs. Aren Vial and Mrs. Walter Melanson.

Out of town guests who attended were from Halifax, Hantsport, Middleton, Greenwood, Digby, Yarmouth, Westport and Waterford.

For going away the bride chose a brown and beige pant suit and corsage of yellow roses.

The happy couple will reside in Bear River. The bride is a nurse employed at the Digby Children's Training Center and the groom is employed at Cornwallis.

visiting Mr. and Mrs. Robert Bowe.

Mrs. Eldon Wynn and niece of New Germany, were Tuesday visitors with Mrs. Wynn's parents, Mr. and Mrs. Thomas Franklin and weekend visitors at the same home were Mr. and Mrs. Thomas Franklin Jr. of Wilmet.

Mrs. Charles DeLong of Weymouth, was a visitor on Monday with Mr. and Mrs. William Roope.

Cpl. and Mrs. David Griffin and family, formerly of Victoria, B.C., and who were transferred to CFB Cornwallis last week, were Friday and Sunday visitors with Mr. and Mrs. Orbin Minard. Mr. and Mrs. Bert Baggeley of Hamilton, Ontario and Mr. and Mrs. Donald Franklin of Victoria Beach, were Tuesday visitors at the same home.

Mrs. Seddie Balser has returned home after a two week trip to British Columbia.

Mr. and Mrs. Chester Keen of Halifax, visited Mr. and Mrs. Arthur MacKay and Miss Susie Nichols for a few days last week and a Thursday visitor at the same home was Mr. John MacDonald of Digby.

## "Elephants Are Like Children"

"Elephants are like children", says their trainer, who will be presenting literally tons of ponderous creatures at the 40th Anniversary Edition of Garden Bros. Three Ring Circus which appears at the Digby Forum on Friday, August 26 for two performances.

"First you must teach them to respect you," the world-renowned animal trainer explains. "They are intelligent animals which makes them actually more difficult to train than lesser animals. They simply refuse to learn a trick unless they

themselves want to do it. It's absolutely impossible to force such an enormous animal to perform against its will.

He points out that most of the elephants performing at the circus are female elephants of the Indian variety.

"The best time to begin training a young elephant is

at the age of 5 or 6. This is when she is at her physical and intellectual peak. Every animal has different personality traits and a trainer must be aware of these

differences before training begins".

He adds "trained elephants are natural performers. They love the music, the lights, the peanutty smells of the circus atmosphere."

Show times for the Garden Bros. Circus are 3:00 p.m. and 8:00 p.m. General admission tickets are available from the box office one hour before show times. Doors open one hour before show times. Ticket prices are \$3.85 for children and \$4.95 for adults, both tax included.

## Busy Schedule For Digby Junior Golfers

Junior membership at the Club this year is at an all time high-up 15 per cent over 1976- and the boys have been participating activity - and well-in Major Tournaments.

At the early July zone match, played at Eden, Charles McCarlie and Darren Daley were prize winners.

At a similar Zone Match at Clare four Digby boys were "in the money". Glen Oliver, Randy Cleveland, David Reid and Joey Hattie.

The Nova Scotia Junior Championship was held this year for the first time ever at the Pines Resort Hotel Golf Course.

Perry Handspiker and Jamie Parent were prize winners and Jeff Skinner and

Paul Moase finished in the top 10 out of a new record 220 entries. Jeff only 14 and competing against boys up to 18 years of age - and Paul, then went to a Halifax Club to try to become Nova Scotia representatives in the Canadian Championships.

They didn't make it, but made a real good showing.

The Nova Scotia Midget Championship- ages 14 and under was held at Paragon and our boys came home with 7 out of the possible 12 prizes in the age groups for which they were eligible.

The happy group: Glen Oliver, Jeff Skinner, Joey Hattie, Kirk MacKintosh, David Reid, Peter Handspiker and Brian Wong.

### Centre To Be

## Officially Opened

There will be a Grand Opening and Ribbon Cutting Ceremony at the new Firehall- Recreation Centre at Westport on Friday, August 12 at 2 p.m.

Inside the hall, there will be a book store, country store and bazaar table with every article marked down in price. Sandwiches and sweets will be on sale at the canteen.

This official ceremony marks the culmination of a year-long fund raising effort by the members of the Ladies Auxiliary to the Fire-Recreation Department. These hard-working women, with the total support of the village, have raised \$8,000. to completely pay the existing debt on the building.

Finishing touches are being put on the Centre this month and it is expected to be in full use by September.

The Auxiliary is planning a Harvest Sale and Bake Sale to be held September 15.

## Are We Confused?

by Pat Comeau

On reading the various opinions set forth with regards to the all important matter of electrical utility for our communities, it appears to me that something very important is lacking and, it is not necessarily all an apparent lack of interest on the part of the ratepayers, in which category I am, but a very significant lack of presentation of facts and figures upon which a person may be able to formulate a rational judgment.

Will amalgamation dispel the four different rate structures which I understand are now in effect? If so, then why is the consumer not given the details of the program? Surely it is the primary objective to determine how this utility can continue to function and serve its customers with efficient and equal favour. I have read that Digby County Power Board operation could not remain as it is presently constituted. Would it not help if one knew what amendments to the constitution are proposed?

I personally cannot vote for or against anything that fails to qualify fully, in terms of reference, monetary or physical implications involved. I would have to have this information in order to see first, if amalgamation is the answer before adding greater confusion by suggesting a sell-out.

Basically, I am inclined to support the theory of amalgamation. Unity of purpose, programming for development of natural sources of energy, seem to me acceptable terms of reference. I have read that further utilizing power potential on the "Sissiboo River" system may have no direct benefit to Digby County, since all power generated there goes back to the main line for distribution. This puzzles me, because I have also read about the possible installation of wood burning thermal generating plants in certain areas. What would happen to the energy generated from these plants? Would it go back to the main line or, go direct to local consumers? Believe me, I am interested. I am a strong advocate of presenting fully to a client, all details of any resultant action to person or property.

I believe we have a matter of urgency. I also believe the most appropriate adjudication of the situation requires careful analysis of the benefits attainable now and for the future.

I must point out that I claim no qualifications in the design of and transmission of electrical energy. However, I put myself on record as advocating care in pressing for sanction to implement either of the two proposals, "amalgamation or sell-out".

## History Of Point Prim Lighthouse

By Frances Stronach Adams

PART 5

It is said history repeats itself and so perhaps my lighthouse history would not be complete without this event being recorded.

In 1897 Mr. Harold Pattison, a young man then 28 years of age, visited in Bay View at the home of Mr. Alexander Adams and during his brief stay in the area enjoyed a walk to the lighthouse. He later recorded in his diary that the fog horn lulled him to sleep. On August 3rd, 1974, about 77 years later, Mrs. Robert Keham of Milton, Mass., a daughter of Mr. Pattison, visited Bay View with her husband and two children and, following in the footsteps of her father, she also walked to the lighthouse. This was about 1 1/2 miles from the house where her father visited with Mr. Alexander Adam many years previous. This house today is the summer home of Mr. and Mrs. Owen Young.

If you were to visit Point Prim lighthouse today you would find a more modern lighthouse because it was during the spring of 1964 that the old lighthouse was demolished and this present one was put into use. The new lighthouse is not located quite as near the water's edge as the old one. It is over all about the same height as the old building. It was erected on higher ground and so the building itself is 8 or 10 feet shorter than the old one. It is a concrete structure and has red and white markings like the former light but unlike the former light does not have a dwelling house attached. The lighthouse keeper and his assistant each have small modern homes located side by side on the lighthouse grounds. The head lighthouse keeper resides in the residence which is located nearest the light. This new lighthouse stands about 30 feet above the ground and the light is located about 82 feet above sea level, flashing 4 seconds on and 4 seconds off. It might be described as four seconds of light and four seconds of darkness. In the years now gone a lighthouse was lighted at sunset but such is not the case today because I believe the light is always burning.

The machinery located in a lighthouse today is very delicate and if repairs are required the lighthouse keeper is no longer responsible for keeping it in running order. A man is sent to do the required work who is more qualified to deal with the matter. All lighthouses I am told are now semi automatic.

Mrs. Bragg, wife of one of the earliest lighthouse keepers, was noted for her beautiful flower gardens which were located at their lighthouse home and I am sure these gardens were a tourist attraction. For many years the bluebells of Scotland and the moss roses that bloomed there were numerous and even today, if you visit Point Prim, the bluebells of Scotland can still be seen. They bloom in the area close to where the old lighthouse once stood and were more than likely seeded from flowers which bloomed in Mrs. Bragg's beautiful gardens so many, many years ago.

ENERGY  
OF THE  
FUTURE

ELECTRICITY

There is a substantial weight of opinion that says electricity will play a larger part in the overall energy future.

As we reduce our consumption of oil — or as it becomes less available — electricity will help fill the gap for water and space heating.

Electricity can be generated in so many ways. Coal, tidal power, nuclear, wind, solar, wood and waste products can all be used to produce electricity.

The Corporation is building a coal-burning generating station at Langan and plans to convert existing oil-fired plants to Nova Scotian coal where possible. Hydro power is being developed at Wreck Cove and tidal power is being seriously investigated.

All forms of energy should be used wisely and efficiently. We have a booklet that can help you. Write to us at Box 910, Halifax.

### WHO IS MY NEIGHBOUR?

Recently, on the road from Jerusalem to Jericho, our guide pointed out the Inn of the Good Samaritan. You recall the story told by Jesus, of the traveller who found himself alone and bleeding by the roadside. A pack of robbers had jumped him, beaten him murderously, and had helped themselves to his money and clothing. He was moaning and dying.

A prominent religious leader was passing that way, but as he spotted the stricken man he remembered his

Woodman and Mr. and Mrs. Robert Harrison on Friday afternoon, July 29th.

Mrs. Pat Simpson and daughters, Dartmouth were recent guests of her parents, Mr. and Mrs. Earl Thomas.

Mr. and Mrs. William Burgess have returned to Belmont, Mass., after spending the past two months at their summer home in the community.

appointment up the way, and hurried on by, on the other side of the road. Another church officer appeared, but he too, had a cold heart, excused himself from compassion, and kept going. They both missed the point of their calling, in their absence of mercy.

Shortly, a foreigner came along, one who was shunned by the people of that area. He had a warm heart, which led him to stop, delay his journey, and give first aid. He put the half-conscious victim on his own donkey, took him to the nearest Rest House, and paid the bill in advance. This is the story of the Good Samaritan found in Luke 10.

Which of these three would you or I be?

Chances to show kindness come to us every day as we pass along the road of life. Our Jericho road may bring us near an automobile wreck where people are broken and dying. It may lead us to a hurt person, whom we may not even notice, unless we have the love of God in our hearts.

Six Hours  
On Ferry Wharf

Mr. and Mrs. Wm. Neilson and family are visiting Mr. and Mrs. Henry Porter, and Mrs. Porter's brother, Mr. and Mrs. Walter McQuade are vacationing at Inez Moore's camp, Mucklehane.

Mr. and Mrs. Belanat and child, Lake Echo, endeavoured to join them, but almost regretted it when they spent the night (1:00-7:00 a.m.) on Freeport breakwater. This time for a change, we cannot blame the Ferry. The culprits are the vandals who repeatedly destroy the signal phone at Freeport breakwater so that we now have no means of signalling. The local people (most of them) know that they have to contact the Coast Guard after 12:00 if only at Freeport. If crossing both ferries they ask the Tiverton-East Ferry crew to call the local ferry. Surely something can be done about this - perhaps a prominent lighted sign on the Tiverton

## Vice Principals Appointed

A meeting of the Digby Municipal School Board was held on Monday night.

Cecil Comeau and Barbara Martin have been appointed vice-principals of the Weymouth Consolidated School.

They replace Willard Clayton who resigned at the end of the 1976-1977 school year.

Teacher Barrie Jennings appeared before the board to request that council consider the use of Teachers' aides for various supervisory details.

A motion was passed to tender for a new submersible pump for the Weymouth school and to undertake other necessary repairs.

## Letter To The Editor

R.R. 1, Hill Grove,  
Digby Co., N.S.,  
Aug. 8, 1977

Dear Editor,

I was saddened to read the Digby Municipal Council has passed a motion which opposes any move by the provincial government to make Nova Scotia a two language province. The reasons for this action would interest me very much.

Recently, I motored to Toronto for the first time. As so many others have done, I became lost in Montreal. The prospect of spending time lost in this enormous city was frightening to a novice traveller like myself. Fortunately, I found the people of Montreal friendly and willing to "go out of their way" to help. Not able to speak French, I was somewhat bewildered. One French motorist made a valiant attempt to give me directions in his second language, English. Another guided me through the city and headed me towards

Toronto. I wonder how many people of our area could or would do the same for a French speaking person lost in Digby County.

Not being able to communicate in one's native tongue is a frustrating and bewildering experience. The French influence in the history and development of Nova Scotia has been great. Why should Nova Scotia not make provisions to enable her French speaking citizens to communicate with government agencies and the courts in French?

At this time, when the unity of our county is threatened, we should make a special effort to promote understanding between the French and English speaking people of our nation. I wonder if the decision of the Digby Municipal Council was made in the best interest of the people?

Yours sincerely,  
B. Jennings

NORMAL LIVING...

What is the normal way to live? Normal by man's standards or God's?

The accepted way may not be the best way.

To be grasping, cultured, well-dressed, and respectable may look proper, but through whose eyes? Something may be missing from this life. "The life is more than meat, and the body is more than raiment." Or to put Luke 12:33 in modern language, it says, that life consists of more than food and clothing. Even physical wellbeing and possessions don't bring satisfaction. To indulge the flesh may be to ignore that man has or is a soul. No amount of earthly goods will

provide the comfort of the soul.

God has made provisions for every part of us. That which is for the outward part of us is well-known and visible.

In making possible the well-being of the soul, God sent His only Son to be our Saviour, and to give us a new life. This follows our confession of sin and cry for forgiveness. It includes prayer, and brings a plan for life which includes the Lord, and a willingness to please Him.

This new and different life seems more likely to be the normal life as seen by God. We must come to see things His way."

## Firemen Upset Merchants 16-11

By Bob McVeigh

Behind the steady pitching of Richard McVeigh the Merchants went down to their first defeat of the season in a game played on July 29th, 1977, by the score of 16-11. This game was a pitcher duel between McVeigh and Davidson, both pitchers gave their all, McVeigh allowed nine hits, walked eleven, struck out eight in recording his first pitching effort while Davidson allowed sixteen hits good for sixteen runs, struck out nine and walked only three in a losing cause. Carmen Burnie had three for five, all singles, Allan

Davidson two for four (single, triple), Brian Comeau had two for four (single and home run) and Peter Theriault playing third, had two for four (two singles) all these efforts in a losing cause. The offensive power for the Firemen was lead by David Margolian with two home runs and two doubles in five trips, Steven Mackin had two for five (two doubles), Bruce Baxter had two for five (single, double) and David Roberts had two for five (double, home run), Charlie Vidito played a strong left field and had two singles for the winners.

## Lions Forfeit Game To Merchants

On August 1, 1977, the Haines coached Lions were not able to muster enough players for a game and forfeited the game to the Merchants. Nevertheless, a game was played in which

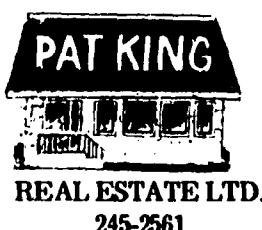

the Merchants came off the winners by the score 18-7. A total of four home runs were hit for the winners, Brian Comeau had three and Allan Davidson one.

## Merchants And Kiwanis Deadlock 6-6

In the best matched up of the season as far as pitching is concerned Allan Davidson (Merchants) and Robbie Kynock (Kiwanis) gave a superb performance, Davidson allowed five hits, struck out eleven and walked seven while Kynock allowed five hits, struck out twelve and walked five. David Comeau with two doubles and Kynock with two doubles

and a triple led the batting attack for the Kiwanis. Allan Davidson with three for three for the Merchants (single and two doubles) was the top batter. This game would have continued but had to be called on account of darkness.

## Anniversary Service

On Sunday July 31st the United Church at Bay View was the scene of an Anniversary Service.

The service was conducted by the new minister of the Grace United Church in Digby, Rev. Kenneth Lowe. The choir of the Grace United Church had some members present to take part in the service. Mr. Robert Wilson joined the choir for this special occasion.

The Church was nearly filled to capacity when the congregation participated in the service with the singing

of the Hymn "Unto the Hills". Joy Fleet rendered a beautiful solo for this service.

Rev. Lowe spoke a bit about the founding of the church. He remarked that through the generations the church must have been cared for because it was in such good shape today.

Mrs. William Ganong presided at the organ for the service which concluded with the singing of the hymn "Faith of Our Fathers".

Some graves were decorated for the occasion.

## Man Severs Finger

Herman Cann, employee of Small Brothers fish plant, Tiverton suffered a severed finger recently while operating machinery at the plant.

Mr. Cann was feeding fish into a machine called a "skinner" which turns at a high rate of speed. His finger was caught up in the action of the machine and part of his finger was cut off. Nearby workmen located the severed area and applied it to the whole remaining part. He was rushed by ambulance to Digby hospital.

Mr. Cann resides at

Tiverton and has four children.

## Drowning

Keith Joseph Robinson, 34, of Hassett, Digby County died Sunday as the result of a drowning mishap on Joe Simon Lake.

Meteghan RCMP report that the boat the victim was in capsized when one of four companions swimming nearby tried to climb in.

Efforts by the swimmers to rescue Robinson proved unsuccessful.

Born in Hassett he was a son of Mrs. Celeste Cromwell and the late Edward Robinson.

He is survived by three daughters, Terry, Alita and Ann Marie, all at home; five sisters, Gloria (Mrs. Lloyd Cromwell) Florence (Mrs. Morris Cromwell), both of Weymouth Falls; Bertha (Mrs. Robert MacKenzie), Yvonne (Mrs. Yvon Migneault), and Verna, all of Toronto; two brothers, Leonard and Edgar, both of Saint John.

The body is at R. McCleave Funeral Home, Weymouth. Funeral service will be held 10:30 a.m. Wednesday from St. Theresa Church, Rev. Al Amiraault officiating. Burial will be in church cemetery.

## Reflecting To 1927

The inauguration of the publicly owned Hydro Development at Sissiboo Falls in the Spring of 1927 was considered the greatest individual advance in progress in Digby town and county the past 53 years. This statement was made in the August 12, 1927 fifty-third anniversary issue of The Digby Courier. Hydro, it said, brought to rural sections convenience of electricity at a moderate cost and development of industrial resources in the country. The power house equipment installed was considered of most modern design and built in such a way as to permit additional units. The Digby County Power Board, incorporated by the Legislature of Nova Scotia in 1926 to manage the construction and operation of the hydro development, was composed of H. H. Marshall (municipality) (chairman); F.L. Anderson (town) and Mr. Potter, manager of the Weymouth Royal Bank. Louise Stehlin was the first representative from Weymouth on the Board. Quoting from The Digby Weekly Courier, August 12, 1927 "Power from the new plant was turned on at 10.05 on Saturday morning March 26 and transmission lines tried out. Everything worked without a hitch and at 5.37 in the afternoon the switches at the Town of Digby sub-station were thrown in and the change-over made from the steam plant to the new system. The firemen at the old power house threw the last slab back on the pile and called it a day. Weymouth got service a few minutes earlier. There the coming of hydro was celebrated with all the enthusiasm of a great public victory. Hundreds of citizens of all age gathered in an impromptu parade and marched through the streets to greet every street light and every home lighted with electricity with rounds of cheering." Several comments were included in the Courier file of August 12, 1927 on the progress and convenience with hydro and plans for extension to Clare, Digby Neck and Islands. The hydro development on the Sissiboo was constructed on the site of the first pulp mill of the Clyde and Sissiboo Pulp Company.

The August 12, 1927, issue of The Digby Weekly Courier gave an account of the development of the Maritime Fish Corporation in Digby. The Short and Ellis and the Howard Anderson plants amalgamated to form a Digby branch of the Corporation. The Maritime Fish Corporation was organized in 1910. Short and Ellis handled their first fish in 1895 and developed a big industry in the years prior to amalgamation with Anderson who operated a fish business on a property adjoining Short and Ellis. At the same time as the amalgamation in Digby Canso plants of Whitman Fish Company and the Canso Cold Storage and the Montreal plant of A.H. Brittain were acquired. Located on the Racquette with wharves, smoke houses, drying flakes and warehouses and shipping rooms, the Maritime Fish Corporation was the source of much of Digby's economy.

Organized in 1923 but written for the August 12, 1927 special 53rd anniversary edition of The Digby Courier was the Jack and Cardoza Jam Factory which put out "Silver Tide" jams, jellies and pie fillings. It was located on the South end of town and was becoming, the article said, one of the important industries in Western Nova Scotia. The operators, Jack and Cardoza, came to Digby from Ontario, having had experience in the manufacturing of the products there. This was the first jam factory for the Maritime and the operators considered Digby an excellent location for rail and water transportation and in easy access of fruit. Sixteen lines of manufacturing were begun but local growers showed a lack of interest.

Another 1927 industry for Digby was the Digby Vulcanizers, a plant installed by W.H. Farnham M.P.P. at Red Raven. Up-to-date vulcanizing repairs to tires, boots etc., were in the service performed.

Though it was The Digby Weekly Courier's fifty-third anniversary special mention was made of the Bear River Courier being the envy of the whole World Journalism. It was managed by the ladies of the Bear River Women's Institute who gave their services and time for their community. (The same organization continues to edit the Bear River Courier section). The Bear River Courier is a successor to the Bear River News established by the late G.I. Brooks. This had succeeded the Bear River Telephone started in 1897 by J.L. DeVaney and was in 1903 absorbed by the Bridgetown Monitor. The Bear River News started in 1904 and it was in 1919 that the B.R.W.I. arranged for the special page in The Digby Weekly Courier. The failing of the Bear River Pulp Co., saw dwindling of advertising to support the news.

Tourist business in Digby was estimated at \$300,000. The Digby port was busy with the Empress having to make extra trips for accommodating freight. The Shunter from Annapolis was also put to extra work.

Mr. and Mrs. Bernard Bara, parents of the movie star, Theda Bara were among summer visitors at Clementsport. The famous movie star also visited.

Prices from years back are always interesting. The August 12, 1927 issue of the Digby Courier advertised 13 lbs. sugar \$1.00; 3 pkg Rinso, 25 cents; 14 P.G. Soap \$1.00; 14 Surprise Soap \$1.00; 4 lbs. onions 25 cents and new molasses at 65 cents a gallon, all at Yerxa's. M. Webber had shirts 1.75-3.50; boy's knickers 1.25; felt hats \$3.50 to 7.50; straw hats 1.50-3.00; Panama Hats 2.00 - 4.50. Dakin Brothers gave \$1.00 trade in for an old kettle on the Sunny Blue Tea Kettle purchase. Jones Drug Store offered Vacuum Thermos

## Reflecting To 1947

An article in The Digby Courier written by Guy Pelton told of the changes he found in Digby. In a single summer there were probably ten times the summer guests. Credit for this increase was given to the C.P.R. because of their Pines Hotel advertising which put Digby on the map. The Pines had become as familiar and popular as Banff, Alberta, Pelton wrote.

An unusual accident and one scarcely heard of today happened at Hill Grove when Leonard White of South Range was thrown from a horsedrawn hay wagon. The horse balked in passing a parked car by the side of the road and jumped a ditch. Mr. White was thrown out and died of a broken neck.

Daisy Burgoyne narrowly escaped asphyxiation at St. Alphonse while driving in a car. The car, in spite of open windows, was filled with poisonous fumes.

Eight of the First Digby Boy Scouts were away to camp at Seven Pence and Penny Deadmaster. They were taken within a half mile of the first Weymouth Troop property.

## Queen And Princesses Coming

Queen Annapolis and most of her Annapolis Valley Apple Blossom Festival princesses - including Digby's Julie MacIntosh will be in town to take part in a fashion show at the Evangeline Shoppers' Mall on Aug. 20.

The fashion show is being held in conjunction with Digby Scallop Day activities. Clothing from Muttart's Style Shop will be modelled.

The queen and princesses will also be accompanied by Annapolis Royal Natal Day Queen Paula Lescudron, and Bear River Cherry Carnival Queen, Jennifer Ettinger.

The girls will make their first appearance during morning Scallop Day activities at the government wharf where they will present prizes etc.

While in Digby the girls will be hosted at the home of Julie Mackintosh (Mr. and Mrs. Frank Mackintosh).

## Court Report

Timothy Darnell Miller of Acaciaville, will spend three weeks in Digby County Jail as the result of an appearance in court Monday.

Miller will serve two weeks for breach of probation and one week for causing a disturbance. The sentences will run consecutively.

Claude Maurice Westcott, 17, and Jerome Neil Prime, 19, of New Tusket, pleaded guilty to two charges each of break, enter and theft; and one charge of break and enter with intent. Prime also pleaded guilty to one charge of possession of stolen goods. They will be sentenced later this month.

A third person was also involved in the incidents but has entered no plea.

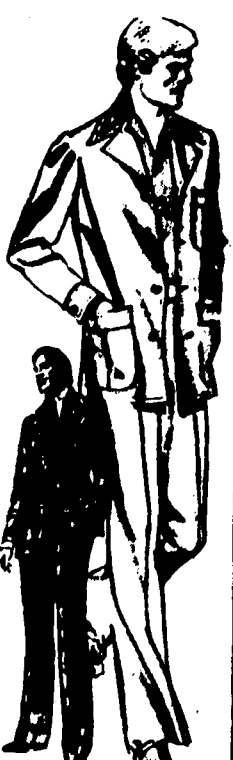

The break and enters occurred at summer homes in the Sissiboo Falls area and New Tusket, and at a restaurant in Weymouth.

Harvey Pulley of Lansdowne was fined a total of \$500 on two charges of storing food under unsanitary conditions.

## Brewers Gather For Annual Meeting

DIGBY - Researchers from Japan, Denmark and the U.S.A. were at the Pines Hotel this weekend for the annual meeting of the District Eastern Canada of the Master Brewers Association of America to present technical papers on their research in various areas of the manufacturing of beer.

Jim Spiers, meeting organizer and brewmaster for Olands in metro, said the purpose of such meetings is to provide to association members information of a technical nature, which applies to the brewing of beer.

He said the openness with which people in the brewing industry share such information is characteristic of his industry that is unique in a world where individual security and secret processes are the keywords. Mr. Spiers said it was really fantastic that the guest technical speakers such as Dr. George Charalambous of Anheuser-

Busch Inc. in St. Louis would come up and "show us what they've been doing in their labs six months ago with no hesitation."

## Hold Family Reunion

Some forty members of the Mrs. Gladys Stark family of Culloden held a family reunion in the form of a picnic at Lake Gehue, Weymouth, on Sunday. The picnic began in the morning and continued throughout the day climaxed by a buffet style dinner.

Six of Mrs. Stark's children were in attendance including Robert and Mrs. Stark, Bay View; (Elsie) Mrs. John Handspiker and Mr. Handspiker, Toronto; (Ruth) Mrs. James Smith, Mount Uniacke; (Laura) Mrs. Gordon Cook, Weymouth; Emdon Stark, Digby and Mrs. Violet Mercer, Culloden. Mrs. Robert Germaine, Kentville, was unable to attend. Attending the picnic were

thirteen grandchildren and twelve great-grandchildren. Mrs. Joan Cleghorn and Susan; Myles Boudreau and Sandra Dugas.

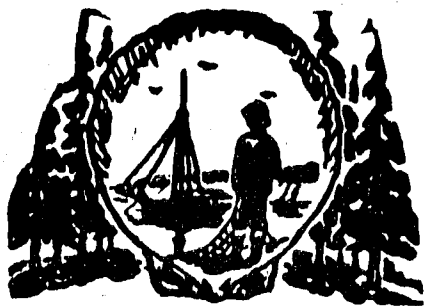

## Letter

On behalf of the Westport Recreation-Firehall Auxiliary, I wish to thank you for the fine editorial which was in the Digby Courier, about Brier Island Weekend. Our weekend was most successful, and your support is very much appreciated. VERA WILLIAMSON

# RECREATION CENTRE OPENED

A Grand Opening ceremony was held at the new Fire Hall-Recreation Centre in Westport Friday. In spite of rainy weather, many people attended the proceedings which marked the end of a two-year major effort to provide an indoor recreation area and fire hall for this village.

Southwest Nova M.P. Coline Campbell, Digby MLA Joe Casey; Warden Wilfred Swift and Westport Fire Chief Gordon Thompson participated in the official ribbon cutting ceremony.

During brief remarks by officials present, Miss Campbell said she is very impressed with the undertaking and extended her congratulations to those involved.

She noted there will be a lot more Canada Works money available this winter and recommended that another application for assistance be submitted.

She then presented the Chief Thompson with a Canadian Flag for use at the centre.

Mr. Casey commented on the job done here and noted this is what can be done when a community starts

pulling together. Such a facility, he said, "makes for oneness" in a community. Warden Swift added his congratulations to the firemen, the Ladies Auxiliary and all those who helped.

Chief Thompson offered a "great big thank-you to the Ladies Auxiliary who really worked and toiled", and are still doing so.

He reported that the centre will be open to the public by the end of this month or in early September. Then, he said, everyone can have their night to come and have a good time.

Officials at the opening celebration thanked Mr. Whitney Derby for doing all the plumbing work in the building and D. B. Kenney and Son Ltd., for doing all the excavating, grading and fill work at the site. Neither charged for these services.

The steel dome building, which measures 100 by 40 feet, was first begun in October, 1975. This original building was three-quarters completed when the infamous Ground Hog Day Storm struck the island, February 2, 1976. The storm flattened the building.

The Westport fire department recreation centre was officially opened on Saturday. Shown here during the official ribbon-cutting ceremony are Digby Municipal Warden

Wilfred Swift, Southwest Nova M.P. Coline Campbell, Westport Fire Chief Gordon Thompson and Digby M.L.A. Joe Casey.

A Department of Recreation grant of \$8,000 had been used to buy materials for the first building with a \$12,000 LIP grant providing funds for

wages. Both grants were renewed after the storm, giving the village a second chance to have a Fire Hall and Rec Centre. A door-to-door fund campaign netted \$1800.00.

At this point, July, 1976, the price of materials has escalated from \$8,000 to \$10,000. The Ladies Auxiliary to the Fire-Recreation Department stepped in to borrow \$8,000 to be used for materials until the grant money arrived. The other \$2,000 was given by tax-

payers from village funds. Another \$9,500 Canada Works Grant was approved earlier this year to complete work on the building. It is estimated the entire cost of the building will total \$46,000.

Archdome Steel Ltd. was contractor for the building. The structure is heated with propane and has been completely insulated throughout.

For members of the Ladies Auxiliary, the opening of this building is cause for pride in their achievement. The

Auxiliary managed to raise the \$8,000 needed to pay existing debt within a year's time.

Every month the Auxiliary had some fund raising project - a bake sale, pizza supper and dance, pie sale or harvest sale. Their most recent fund-raising event was Brier Island Weekend last month. More than \$5,000 was earned during this three-day celebration.

The Auxiliary plans to continue supporting the Hall as much as possible. They are providing the stove for the kitchen, dishes and other necessary items. The Auxiliary officers are Mrs. Maxine Swift, president; Mrs. Carolyn Frost, vice-president and Mrs. Verna Williamson, secretary-treasurer.

The Executive Committee in charge of administering use of the building consists of Mrs. Marion Swift, president; and members Mrs. Patricia Thompson, Mr. and Mrs. Charles Glavin, Mr. Harold Graham, Mr. John Graham, Mr. Glendon Titus and Mr. Everett Titus.

The Building Committee which has been meeting for the past two years consisted of Mr. Winston McCullough, Mrs. Nancy Swift, Mr. George Clements, Mr. Glendon Titus, Mr. Whitney Derby and Mr. Gordon Thompson.

It is expected the new hall will be used throughout the school year for physical education for the students in addition to other sports activities. It is well stocked with various types of athletic equipment.

achieved this distinction for 1976-77: Jeanette Christine Denton, Westport, N.S.; Jean Louis Deveau, Meteghan River, N.S.; Heather Dale Elms, Digby; Kenneth Wayne Everett, Granville Ferry and Pamela Dawn Graham, Little River, Digby Co., N.S.

"I hope these trials and demonstrations will assist your members in the year ahead in the selection of ornamental shrubs, flowering plants and lawn grasses," he said.

Mr. Hawkins said he had been particularly impressed with the renewed interest in home gardening over the past year. Indicative of the interest was the fact that about 3,000 people attended short courses and garden clinics throughout the province in the past year, he added.

The agriculture minister congratulated association president Jack Harris of Bear River on his contribution over the last two years and commended the association for sponsoring junior gardeners in both flowers and vegetables and supplying both seed and prizes.

## Record Attendance At Weymouth Flower Show

The fine weather brought record attendance at the 19th annual flower show, sponsored by the Weymouth Garden Club on August 10th.

Although many familiar faces were there, a number of visitors came from towns and villages situated considerable distances from Weymouth, indicating the interest shown in this colourful annual event.

The volume of exhibits was lower this year, possibly due to the recent dry weather, said President Sydney Bellworthy, but the actual quality of the specimens on display was of a high standard. Judging was carried out by R.S. Morton from the Nova Scotia Department of Agriculture in Truro.

Three awards donated by Vesey's Seeds Ltd. for the best collection of vegetables were won by Mrs. George Fielding, Mrs. J.E. Comeau and Mrs. Curtis Hankinson, in that order.

Three "Best in Show" awards were made for Mrs. John Shaw's arrangement entitled "Green Pastures", for Mrs. William Robicheau's begonia as best House Plant and Mrs. Syd Bellworthy's arrangement of sweet peas as best specimen of cut flowers.

Tea convened by Mrs. O. Bavelaar proved to be a popular attraction to the visitors, who were served by five charming hostesses, the Misses Karen Brown, Laurie Lewis, Shirley Nesbitt, Linda Wagner and Margaret Brown.

Miss Lexie Peck of Bear River rendered piano selections during the tea - she was sponsored by the N.S. Department of Tourism.

Of added interest to the guests were the considerable number of items donated by local merchants for use as door prizes - their generosity and support were appreciated.

(N.B. List of prize winners will be published in next week's Courier.)

Some of the prize winners included: three prizes offered by Vesey's Seeds - 1. Mrs. George Fielding, 2. Mrs. J.E. Comeau, 3. Mrs. Curtis Hankinson.

Two visitors to Weymouth also entered successful exhibits Mrs. Thelma Harris (guest of Mrs. E.A. Ferguson) and Miss Susan Cooper (guest of Mr. and Mrs. R. Cottrill).

Mrs. Harris is from Edinburgh, Scotland and Miss Cooper from Worthing, England.

(Note - a more comprehensive winners' list will be published in next week's Courier.)

## Responses Delay D.R.H.S. Special Registration

Delays in receiving Registration Forms for next year's Grade 10 students are hampering efforts of staff members at the school to plan for the coming year.

The original forms were destroyed in the fire of last June, along with a great deal of the Junior High School. The forms were mailed out in early July and were to be returned to the Senior Vice-Principal's office at D.R.H.S. New forms are also available at that office, along with counselling services.

Students whose forms are not returned will encounter difficulty in September as they will not be enrolled for classes and may wait several days for placement. It is hoped by staff members that this can be avoided by prompt return of the registration forms.

Staff members are hoping to have a nearly complete response prior to the opening date for students, September 2.

Although initial response to the request for new forms to be filled out and sent in was good, only about one-half of the student body have replied so far.

## Married 63 Years

A former Digby couple, Mr. and Mrs. Ernest Deming, now guests at the Stewart's Nursing Home, Annapolis Royal, celebrated their 63rd wedding anniversary. Present for the

occasion was their son, Donald and Mrs. Deming of Yarmouth and friends of the Valley area where the Demings resided both in Digby and Middleton.

## Vagabond Faces Trial In Digby

A member of the Vagabonds Motorcycle club in Toronto plead not guilty in Digby court Monday to charges of common assault and possession of a weapon for a purpose dangerous to the public peace.

The club member involved is Samuel Irvine Hull of Scarborough, Ontario. He was scheduled to face trial in Little Brook yesterday.

Hull was one of a number of motorcycle club members charged after a disturbance on the Princess of Acadia during a dance cruise on July 23.

About 30 club members were on the cruise which included a dinner and dance

for round-trip passengers. Most court cases resulting from the incident were heard in Saint John, N.B.

## Named To Dean's List

The Dean's List of Acadia University has been released recently by President Dr. J.M.R. Beveridge. Students whose names appear on the list are being recognized for their high academic achievement during the past year.

Usually representing approximately five percent of the eligible student population, the Dean's list is limited to full-time undergraduate students taking at least five full courses.

The selection committee consists of Academic Deans, the Director of Schools, Registrar, and three other faculty members elected by faculty.

The following are among the names of those who have

achieved this distinction for 1976-77: Jeanette Christine Denton, Westport, N.S.; Jean Louis Deveau, Meteghan River, N.S.; Heather Dale Elms, Digby; Kenneth Wayne Everett, Granville Ferry and Pamela Dawn Graham, Little River, Digby Co., N.S.

Keith Raymond of Digby and Centreville, Digby Co., was elected president of the Progressive Conservative Association of the Federal Electoral District of South West Nova on Thursday evening. Mr. Raymond is seen above (extreme left). Others left to right are Victor Amiraault, Yarmouth, vice president; Gifford Lewis, Weymouth, vice president and Orman Watkins, West Paradise. The election was held at the Founding Meeting at the Digby Fire Hall when the constitution for the Association covering the new boundaries of the constituency was adopted.

## Keith Raymond Heads South West Nova P.C.'s

Keith Raymond, Digby and Centreville, was on Thursday evening elected president of the Progressive Conservative Association of South West Nova when a Founding meeting was held at the Digby Fire Hall. The Founding meeting was a result of change of boundaries for the electoral constituencies of Nova Scotia. An amended constitution presented by Hanson Dowell, Middleton, was adopted. The constituency's new boundaries include Annapolis West, Digby and Yarmouth Counties to the Yarmouth-Shelburne Counties border.

Other officers elected on Thursday evening were Dr. G.N. Turnbull, Joggin Bridge, honorary president; Victor Amiraault, Yarmouth, vice-president; Gifford Lewis, Weymouth, secretary and Orman Watkins, Paradise, treasurer.

Guest speaker for the meeting was Patrick Nowlan, M.P. for Annapolis, Kings and Hants. While Mr. Nowlan did not predict a federal election in the Fall of 1977, he predicted that in an election the real thinking of Canadian people will be on

the lines of unity and the economy of the nation. He said the Trudeau policy will be challenged.

In 81 years from 1896 to 1977, the Liberals, Mr. Nowlan said, held power for sixty years. Canadians are going to question, what the party has done in those years as they look at the problems facing Canada, he remarked. He noted the difference in economic ills that effect this area and that of Toronto and of the transportation problems which effect the area. He referred to the last ten years as wasted years when bringing up the subject of the unemployment rise to over one million in Canada at present. He charged that Prime Minister Pierre Elliott Trudeau will have to take responsibility for the losses.

Speaking of the present parliament, Mr. Nowlan said it has become a ten months of the year job, but production is doubtful. He felt that with an August cabinet shuffle in August one might expect an election but he felt the real test to make up Trudeau's minds would

be his own mental and physical stamina.

Dr. Julien Comeau, Church Point, presided at the meeting. Others present at the head table were Jack Turner, Annapolis West; Bruce Gillis, Annapolis East; John Comeau; George Snow, Yarmouth and Ms. Valerie Melanson, secretary.

## Commends Jack Harris And Association

The Department of Agriculture and Marketing is interested in the production and development of new plants, grasses and ornamental trees and shrubs, delegates attending the Nova Scotia Garden Convention in Truro were told Saturday.

In his address to the convention Agriculture Minister Jack Hawkins said Richard Morton, the department's ornamentals horticulturalist, has developed and supervised various plant trials on the campus of the Agricultural College over the past four years.

"These trials have been done on a demonstration basis for the benefit of your garden club association members, nursery operators and the general public," Mr. Hawkins said.

The minister said he had been advised there are trials being conducted on bedding plants, turf grasses and a demonstration nursery has been developed which contains 260 trees and shrubs. The various tests include evaluation of the most suitable plants for our climatic conditions, growth, habits, fertilizer trials, colour and hardiness.

## Organist Honored

Miss Joanne Frankland, Bay View. Mrs. Alice Brinton, Smith's Cove, chorister.

Miss Joanne Frankland, organist at the Smith's Cove United Baptist Church for the past year was presented with a necklace Sunday evening, August 14, from the members of the Church Choir in appreciation for her faithfulness, assistance with the music program and her Christian witness while

organist for the church.

Mrs. Alice Brinton, chorister, made the presentation. Miss Frankland's last Sunday as organist will be August 21 as she prepares to take up studies at the Atlantic Bible College in Moncton, New Brunswick, this fall.

### BACK TO SCHOOL, PARENTS

Pick up a newspaper, listen to the radio or watch T.V. and we find Back To School advertisements for clothing and school supplies for all ages from primary to high school years. These advertisements announce, to our sorrow to some extent, the demise of vacation 1977 and herald the approach of new school days once more.

Where did the summer go, we ask. It seems just a few days ago that we listened to addresses being delivered from school platforms marking the close of school 1977. These addresses were generally good, informative and encouraging and a great help to the student who, of course, was entering another phase of his or her young life. However, we must not forget that this opening of school, too, is a phase in the life of the student and the same type of address or the same type of interest is applicable to mark this phase. Students definitely need guidance to begin the new school year in order to make the most of it. A good start, choosing the proper goals, the appropriate courses for the individual is most important. Schools do prepare programs to reach each type of student throughout his or her school life whether the student is academically inclined, vocationally so, whether the student be extra intelligent or might be suffering a handicap. Special guidance teachers give assistance in channelling students toward the best particular goal but we venture that no one knows a child better than the parent and in the end the parent becomes the most important source for encouragement and interest. True, a great many parents assume responsibility in this regard but there are still many who appear detached from school, teacher and student.

Digby town and county are fortunate in having high quality students throughout its school grades as was evidenced by the many scholarships, bursaries and prizes earned during last year. We were, indeed, proud of our scholars. Unfortunately a scandalously unfortunate incident occurred when fire levelled the Junior High School building. While of no fault of the school this unfortunate incident is bound to have its effect on school life for students in the 1977-78 year. The fire has been a most discouraging fact for all concerned, the teacher, the student, the boards and the taxpayers. By building together, however, especially with the help of parents, faith necessary for the student and teacher to carry on can be restored as well as the physical aspects of the building. The parent can throughout the year show interest in the students achievements and bolster faith in the student himself.

There are many remarkable students around. There, too, are a few ill-behaved of

which we more frequently hear about. But there always were Quoting Socrates of 2000 years ago "Children now love luxury. They have bad manners and contempt for authority. They show disrespect for their elders and love chatter in place of exercise. They no longer rise when their parents enter the room, they contradict their parents, chatter before company and gobble up dainties at the table. They cross their legs and tyrannize their teachers." Sound familiar?

It's Back to School, parents. You are an important cog in the wheel. Make a resolution now to share the responsibility of the best education for your child. Give him or her a good start for 1977-78.

## Hodge Podge

The annual conference of Canadian premiers opens today in St. Andrews, N.B. There is a special drawing card to the conference in the person of Quebec Premier Rene Levesque and more than 150 newsmen are on hand to report the transactions and addresses presented. Accommodation has been booked throughout the town and as far away as St. Stephen for weeks ahead. The Fifth Annual Conference of New England Governors and Atlantic Premiers held at the Pines, Digby, brought 90 news personnel. We thought those were a goodly number affording much publicity for the area. Sixty more should give St. Andrews By the Sea and the town some enviable publicity as many persons follow the media reports each day. And what most favored news will they look for? Some favorable words by Premier Rene Levesque on Confederation.

## Letter To The Editor

Opinions expressed in the Letter to the Editor column in this newspaper are not necessarily those of the editor.

Dear Editor:

Why sell the Digby Area Electric Utilities to the Nova Scotia Power Corporation?

Because the Corporation is in a position to continue to improve the standard of service provided by the Digby Area Electric Utilities. They will use the same basic staff and honour all terms of existing Union Agreements. All employees will be entitled to benefits under the Public Superannuation Act and to all fringe benefits afforded employees of the Corporation.

The benefits derived by the municipal units from the sale of their utilities will be much greater than they currently derived from the operation of the utilities. The Corporation will pay in lieu of taxes a grant based on 2 1/2 percent of the retail revenue from the sale of power, this will be greater than what they are now receiving. The Corporation has the ability to undertake and finance major capital expenditures for the upgrading or expansion of existing lines, etc., and can supply any new large industrial loads for power-intensive industries. The municipalities could use the proceeds of the sale for the upgrading of the other services, better than being faced with immediate borrowings of \$1,500,000 to \$2,500,000 for the present upgrading, and later on with more borrowings to feed those lines.

Disadvantage in selling - the loss of local control.

The Digby County Hydro System, including the digby county power board, is jointly owned by the Municipality of the District of Digby, the Municipality of

Clare, the Town of Digby and the Village of Weymouth. On January 1st, 1974 - Digby Municipal Hydro was serving 3496 customers. Clare Hydro 3121 customers. Town of Digby Hydro 1297 customers and the Village of Weymouth 277 customers.

Municipal officials and councillors are nowadays too taxed with their municipal duties to deal with Electric Utilities. Some Councils cannot get a report from their representative on the Digby County Power board, they seem to have been sworn to secrecy. When councillors are kept in the dark what do you expect the rate payers to know. When I ask for a Financial Statement from my municipal office I get it, minus 12 pages dealing with Municipal School Board, and minus 8 pages dealing with Municipal Hydro.

Before any RATEPAYERS are asked to vote to amalgamate with the other utilities of the Digby County Power Board or to sell, they should be given a picture of "the other side of the coin", a study of the report on DIGBY AREA ELECTRIC UTILITIES prepared by the Nova Scotia Power Corporation on the request of our four utilities.

By selling, is it local control you will be losing or the product of your own making a bureaucratic machine that controls you.

Yours truly,  
Rene A.J. Richard.

Dear Editor:

On the evening of August the eighth, I spoke before the Digby Municipal School Board. The Board gave permission to speak.

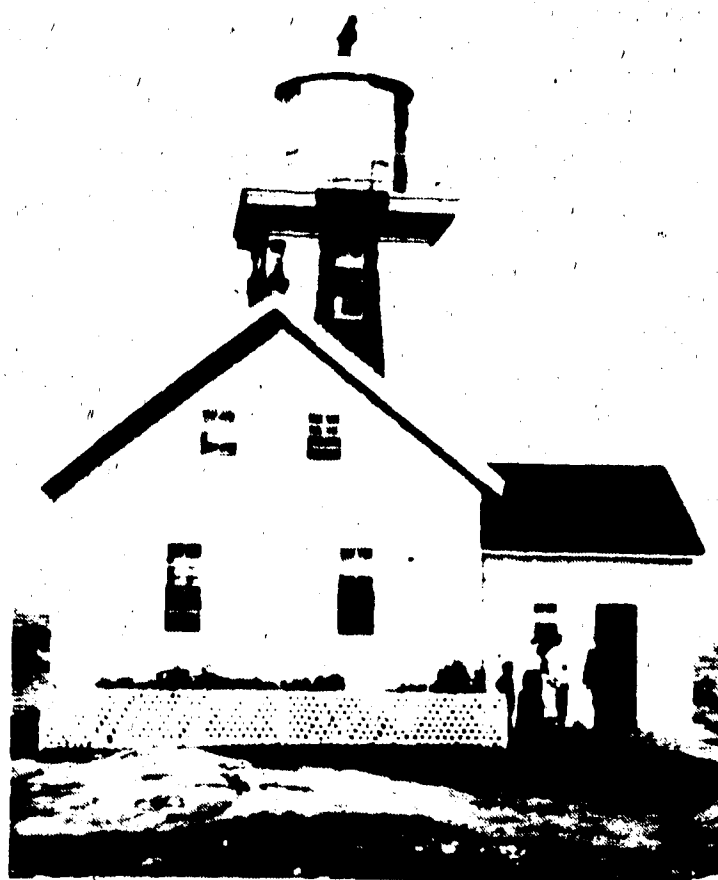

## DIGBY RATEPAYERS MEETING

A ratepayers meeting will be held in the multipurpose room of the Digby Regional High School at 8:00 p.m. on August 24, 1977.

The following Resolution will be voted upon by the ratepayers:

Resolved that the Town of Digby Electric Utility be amalgamated with the other three utilities of the Digby County Power Board.

## History Of Point Prim Lighthouse

By Frances Stronach Adams

### Part 6

History tells me that six lighthouse keepers have been recorded for Point Prim Lighthouse. The pictures of the first two recorded keepers are not available to me, however, I believe they were:

1. Mr. F. Bragg who completed his term on May 1, 1873.
2. Mr. Sheppard J. Frost who served from May 1, 1873, to March 1876.

Pictured below are the last four keepers and the approximate dates they served:

3. Veteran Lighthouse keeper Capt. William Ensley Ellis, March 1876-Dec. 14, 1912.

although I had not given notice five days prior to the meeting. For this, I thank them.

Shortly after I made my request, the Board went into "Committee of the whole". It is my understanding this is done when individuals or personalities are to be discussed. Of this, I approve whole-heartedly.

I waited for over thirty minutes in the hall until the meeting was again open to the public. I discovered, at the end of the meeting, that my request had been considered in "Committee".

This also happened to the previous request. I had presented to the Board. At that time, I had put forth considerable effort before I discovered the Board's decision regarding my request. This time I asked the chairman if the Board had any reply to my request. I was told that if the Board had any response they would let me know in due time.

My requests did not deal with personalities and it is my opinion they should not have been taken into "Committee". They were public business that should have been dealt with in public.

If items of this nature are to be considered behind closed doors, are school board meetings truly "public meetings"?

Yours sincerely,  
B. Jennings.

4. Mr. and Mrs. Leandor Montgomery Ellis, Dec. 14, 1912 to about 1935.

5. Frank V. Wilson, about 1935 to May 27, 1963.

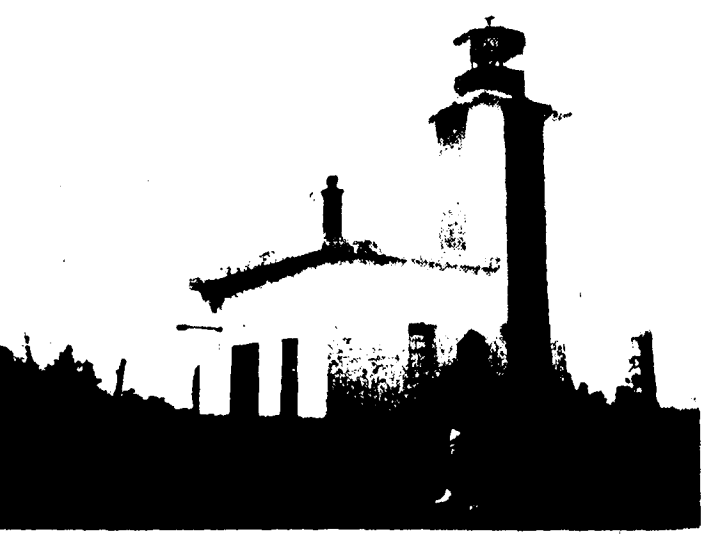

6. Mr. Carman Frankland is the present keeper of Point Prim Light. He began his service in June, 1963.

I wish to express my deep appreciation to the many people who have either by making available important information, pictures, or by offering encouragement, helped me to complete this History of Point Prim Lighthouse.

The above photo is one of Point Prim Lighthouse in the spring of 1964. The tower is missing because this lighthouse is being demolished.

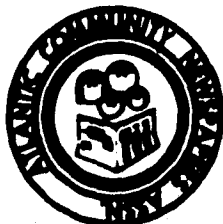

The above photo is one of Point Prim Lighthouse. This is the present lighthouse which was constructed of concrete and was put into use in the spring of 1964, replacing the old building at the left.

## Sailing Rescue

CFB Cornwallis Sea Cadet Summer Camp - Lt(N) Banks (far left, standing) with his crew of duty petty officers brings the rescue boat along side the sail boat where the three GMT cadets are working their way out of the thrill of a spill. The cadets handled the nautical manoeuvre almost like experienced sailors. It is part of their training in boat handling and water safety. The second two-week camp for junior cadets in the general courses is now underway. The Camp is under the command of Commander J.J. Tobias, CD, of Maritime Command, who is the camp commanding officer. LCDr Guy Poisson of RCSCC Magog, Que., is boats officer. (DND Photo by Cadet Sgt. (Air) Peter Burns)

## Watch For Hidden Costs

Buying a home is an exciting experience for most people, says the N.S. Department of Consumer Affairs, but it is also a time for caution and investigation.

"Many first-time home buyers, especially," says the deputy minister Kenneth M. Mounce, "aren't aware of all the hidden costs involved."

They assume that if they have a sufficient downpayment, they won't have any problems. What they don't realize, sometimes until it's too late, is that the downpayment is just one of the costs involved. There are many others, some of them small amounts, which must be taken into consideration in the final price of the new home.

The home buyer should obtain a detailed breakdown of the total costs of closing the sale from his lawyer. Mr. Mounce says, in order to avoid nasty surprises. Among the costs to look out for are deed transfer tax, escrow real estate tax, lawyer's and mortgage fees, as well as any special terms and conditions of the sale. The selling price agreed on by the buyer and seller does not normally include these or other costs the buyer is responsible for.

Before signing any agreement to purchase, the buyer should have the house inspected by a qualified person to determine if there are any defects in the house which could prove costly to repair, he says. Any repairs that the buyer feels should be done by the seller must be listed in the agreement to purchase. If the offer is accepted, the buyer should ensure that the repairs have been completed.

Other costs the home buyer should check out, are the cost of upkeep in order to keep the house in good condition. Maintenance costs vary from house to house, Mr. Mounce says.

The buyer should also investigate the cost of insuring his house adequately and should ascertain the conditions of sidewalks, sewers and other municipal services whose cost of upkeep and repair can be passed on to the homeowner. The yearly tax bill should also be determined.

Finally, a cost that many people overlook, says Mr. Mounce, is the cost of moving. Whether the move is long or short, the cost should be taken into consideration when buying a new home.

evening with his parents, Mr. and Mrs. Ellery Lewis.

Sympathy is extended to the family of the late Keith Robinson, Hassetts, whose death occurred from a drowning accident on Sunday Aug. 7.

Congratulations to Mr. and Mrs. Ronnie Barr on the birth of a son born August 1.

## Smith's Cove Baptist Drive-In

In spite of threatening clouds and an occasional shower, the grounds of the Smith's Cove Consolidated School was filled with cars and those who came to the Drive-In Service. This service, sponsored by the Smith's Cove United Baptist Church was conducted by the pastor, Rev. Wallace H. Jordan. Pianist was Joanne Frankland.

Special music was provided by the Smith's Cove Baptist Church Choir singing, "Victory In Jesus," featuring a mixed quartet: Joanne Frankland, Alice Brinton, Cliff Robbins, and Titus; "Farther Along," and "I'll Be Somewhere Listening." Solos were sung by Joanne Frankland, Pastor Jordan and Ron Harrison.

Mr. Jordan used John 12:17-28 for his scripture

reading and for his message of the evening, "Sir, We Would See Jesus."

The choir closed the service with the singing of "Do You Know My Lord?" Immediately following this service an Open House was held in the Vestry of the Smith's Cove Baptist Church in honor of Rev. and Mrs. Jordan and family.

Next week, Pastor Jordan will bring his farewell message to the people of the Pastorate, on Sunday evening, August 21, 7 p.m. Mr. Jordan and his family will be leaving immediately following the service for the Halifax area where he will take up a new pastorate.

Special music will be provided by the Smith's Cove Baptist Church Choir and the Ladies Trio.

The public is cordially invited to attend.

## The Wind

The wind has many voices as it prowls around my house, It's many moods are interesting to see, It can make the rafters tremble, or be quiet as a mouse Or unashamedly disrobe a leafy tree.

It skulks around the corners and jumps out as you pass And makes your hat go sailing up the street Then, when you think its gone for good, its getting back its breath To loose a blast to sweep you off your feet.

Some days it blows so soft and warm across your arms and face, As gentle and as fond as a caress, Who'd think that it could cruelly cause a raging storm at sea, And make the ships cry out in their distress.

It usually accompanies a driving summer rain, And seems intent to turn the earth to sea. It sneaks up on a snowstorm, and piles the drifts up high, I can hear it as it chuckles in its glee.

At Autumn time its howls around the gables of my house It sends the clouds a sailing cross the sky. It strips the trees of fruit and leaves, and puts the birds to flight As they swarm across the fields I hear them cry.

It is one thing on this earth that no man can command It's gentle or it's angry, but its free. It blows from North, South, East or West and all points in between Does only God above its moods foresee?

M.M.R.

### ROBERT W. MARSHALL

Robert Witfield Marshall, 71, of Digby, died Tuesday in Digby General Hospital.

## Rehabilitation Program

A new rehabilitation program featuring an independent living unit was opened today at the Halifax County Regional Rehabilitation Centre by Social Services Minister Bill MacEachern.

The Centre provides care for persons recovering from the residual effects of mental illness and prolonged hospitalization.

The primary purpose of the new program is to enable residents to return to the community and lead normal lives. All aspects of the program, Mr. MacEachern said, are aimed at enabling the residents to prepare for independent living when they may be totally on their own in the community.

The new facility, which is called a pre-discharge unit, will stress the development of skills aimed at independence, said Mr. MacEachern.

Kelly Barnes, Lower Sackville, N.S., is a patient in the Digby General Hospital, where he underwent surgery.

Ms. Pat Lotz of the Department of Consumers and Corporate Affairs was in Digby on Monday preparing to have a mobile consumers service van with guides to visit the area in the Fall.

Mr. and Mrs. Alan Ashwell of Windsor, Ontario, spent a few days visiting with Mr. and Mrs. Donald Fleet and family, Mount Pleasant.

Major and Mrs. Alfred Boutillier, Digby, have returned from an extended trip abroad. Major and Mrs. Boutillier experienced some of the inconveniences caused by the air strike while on their trip.

Douglas MacKay of Marlboro, Mass., formerly of Digby, visited relatives and friends in the area last week. Enroute to Digby he visited his sister, (Harriet) Mrs. Claude Parker and Mr. Parker, Moncton, N.B. His brother Vernon, of Hamilton, Ont., recently visited in Marlboro with Mr. MacKay, Mrs. MacKay and family.

Among the visitors who called on Mrs. Alice Van-

MacEachern.

Mr. MacEachern, at the opening ceremonies, commended the County of Halifax and the superintendent of the Centre, Percy Baker, for their initiative in developing the new service.

Residents in the facility at Cole Harbour come mainly from Halifax, Lunenburg, Colchester, Cumberland, Guysborough, Pictou and Antigonish counties.

The pre-discharge unit will accommodate eight residents, who will be totally responsible for the management of their own affairs prior to their discharge. They will participate in vocational training and when this final phase of rehabilitation is completed, they will either return to their own homes or go to group homes or boarding homes.

# Energy Council Introduces Enersave

An extensive energy conservation program covering industrial, commercial and institutional establishments in the Province was outlined today by Hon. William Gillis, Minister Minister-in-Charge of the Nova Scotia Energy Council.

In making the announcement, Dr. Gillis said, "The Industrial Energy Conservation Program I am announcing today will provide industry, commerce, and government bodies a unique opportunity to reduce energy consumption in our effort to stabilize rising energy costs."

"All Nova Scotians as direct and indirect consumers of imported oil, have become aware of recent escalations in the price of petroleum products." The Minister described the undertaking as "the most comprehensive industrial conservation program implemented to date in Canada."

The program, named "Enersave for Industry and Commerce" is part of the \$79.6 million Federal-Provincial Agreement on Energy Conservation announced earlier this year.

Other programs under this Agreement include home insulation grants administered by Central Mortgage and Housing Corporation, low interest loans available through the Nova Scotia Housing Commission, and an oil import substitution program.

Dr. Gillis added that the federally-funded \$5 million Enersave Program will be administered by the Nova Scotia Energy Council. Based on the initial response from industry in the Province, it is expected that Enersave will provide important assistance to industry and commerce in reducing rising energy costs.

"Schools, hospitals, and other institutions will also benefit substantially from the program," he said.

The major emphasis of Enersave will be the deployment of three sophisticated Energy Audit Vehicles which will carry out computerized audits and analyses of plant energy use at no cost to client companies or institutions. The audits will analyze the client's opportunities for reducing current levels of energy consumption and identify the associated financial savings.

Dr. Gillis expressed his appreciation to the Federal Government for their efforts in the final outfitting of the Energy Audit Vehicles. The Ontario Ministry of Industry and Tourism, as well, have

played a key role in the development of the program.

The idea of the Energy Audit is not totally new. The Ontario Ministry of Industry and Tourism has conducted an "Energy Bus" program for manufacturing firms over the past two years with encouraging success. Total energy expenses surveyed to date have amounted to over \$100 million with indicated potential savings of 17 per cent. Initially the Enersave Program will focus on highly energy intensive manufacturing establishments in Nova Scotia.

Explaining the operation of the Energy Audit Program, Dr. Gillis said, "To date over 300 of the major manufacturing firms in the Province have been invited to participate in Enersave. However, over 3,500 Nova Scotia establishments are eligible for the program."

"Having provided data on plant energy consumption and the structural characteristics of their building, the firm will receive a visit from the Energy Audit Vehicle. The visit of the Energy Audit Vehicle will generally last half a day, depending on the size and nature of the firm."

"The staff of each vehicle, consisting of a professional engineer and two technicians, are trained and experienced in dealing with the types of energy-related problems experienced by Nova Scotia firms."

Staff will tour the establishment to supplement the data provided in advance, check any apparent inconsistencies in the data, and generally become familiar with the facility.

Management and key operating personnel will return to the vehicle with the technical crew and a computer analysis of the energy data will be performed. The results will then be analyzed and suggestions for improvements outlined.

During the visit, firms and institutions in the Halifax-Dartmouth area will be offered an interpretative

analysis of aerial infra-red thermography. Thermography is a process which indicates heat loss by measuring the intensity of infra-red emissions from a building and recording them pictorially.

Based on the effectiveness of the program in Halifax-Dartmouth, the pilot project will be assessed in the fall for province-wide coverage.

Upon completion of the Energy Audit, participating firms with annual energy bills in excess of \$5,000 will qualify for significant energy consulting assistance. Based on their energy expenditures, firms will be offered consulting assistance to detail specific corrective measures offering the most attractive economic benefit.

Dr. Gillis said, "The energy consultants will provide management of industry and commerce with the hard facts to make any decisions on retrofit or other corrective measures."

"Government will pay 75 per cent of the allowed consultant's bill, to a maximum of \$3,000 for the larger energy users in the province."

Energy conservation workshops, subsidized by funding under the Agreement, will also be offered to companies commencing in the fall. The sessions will focus on

energy-related issues ranging from general, "good-house-keeping" measures to detailed sectoral problems particular to any given sector of the provincial economy."

## Basin View Apartments

Guests of Mrs. Eunice Pearson for the past ten days were her daughter, Mr. and Mrs. Robert Marquis and children Greg and Kelly, Dayton, Ohio. Mrs. Pearson accompanied them on a three day trip to Cape Breton Island. They also enjoyed a day at Kedgie and sight-seeing around the local territory as well as playing golf at the Pines and Keltic Lodge.

Guests on Saturday were Jeanie and Nancy Brown who have spent the last nine weeks traveling thru the Eastern States with their mother, Mrs. Doris Brown as she and Elaine Handspiker conducted Bible Schools and helped in a youth camp. The Browns will be making their home in Front Royal, Virginia the first of September where Mrs. Brown will be employed in the Church of God.

#### Kiwanis Clinch First By Touncing Legion 34-9

Behind the four hit pitching of Robbie Kynock and a twenty-two hit attack the Kiwanis finished the regular season in first place in a game played on August 10th, 1977. There was little doubt as to the outcome of this contest after the first inning. Robbie Kynock went the distance for the winners allowing three hits, walked thirteen and struck out twelve. The Legion used four pitchers, David Reid, Joey Cotteau, Kim Wright and George Franklin. David Comeau led the batting attack for the Kiwanis with two singles, two doubles and a triple in six trips, Steven Hazel had a single, two doubles and a triple plus a walk in seven trips. Michelle

Margolian had two walks, three singles and a double in seven trips. Bruce Vantassel playing shortstop scored five runs on five walks for the winners. Joey Cotteau walked, singled and doubled in five appearances at the plate while Timmy Bates had a single and double in four trips for the losers.

Line-ups:  
KIWANIS: S. Moir 1b, B. Vantassel, R. Kynock p, M. Robicheau 1f, M. Margolian 2b, S. Hazel cf, J. Connelly c, K. LeBlanc rf, D. Comeau 3b.

LEGION: K. Wright 1b, J. Cotteau c, T. Bates 2b, D. Reid p, G. Franklin p, 3b, Joey Smith 1f, Leon Gray rf, J. Griegoschewski cf.

#### Bear River Clinches League Lead

Bear River pulled out of a mid-July slump to clinch first place with wins over Round Hill (17-2), (6-2), Clementsport Legion (8-4), Digby (11-1) and Annapolis Royal (10-0) of the Western Valley Softball League.

After having problems at bat, Bear River slugged their way to a season high of 17 hits against Round Hill's Randy O'Neil. A first inning

double and homer by O'Neil and Jerry Rice accounted for Round Hill's scoring of two runs, while rookie Steve Robinson led the visitor's attack with a three run homer to left and a double and single for five R.H.I.'s.

The win marked the return of injured catcher Murray Baxter who fought the five hit, eight strike-out mound effort of Blair Bell.

### Bear River Sinks Waterville

The Bear River Softball Club visited Waterville Saturday August 13, for a double header and put on an impressive defensive and hitting display to capture the Graves Waterville Field Day Trophy.

Locked scoreless through five innings, Bear River capitalized on an error, singles by Doug Hapeman and Ed Banks and a sacrifice fly by Riley to take a 3-0 lead in the 6th. Dave Banks backed up by sharp fielding yielded a triple to Waterville pitcher Carmie Best and a single to second baseman Randy Rockwell. Catcher Murray Baxter scored Bear River's 4th run in the seventh.

Waterville opened the second game with a barrage of three hits and two runs which held up through five innings until Bear River got on the scoreboard with three hits and three runs to go

ahead. Unable to get past the Bear River fielding, Waterville weakened on defense in the sixth to allow eight hits and eight runs including homers by second baseman Dan Haight and Dave Larkin playing third in place of absent Steve Saulnier.

Terry Riley came up with an outstanding effort again with four singles in five bats to maintain his team leading average of 400 plus. Dave Banks held the hosts hitless after shaky 1st and 2nd innings.

Supper was generously provided by the Waterville Field Day committee before the players were introduced and presented with the Graves Trophy, awarded annually to the winner of the Field Day doubleheader. Coach Lawrence Henshaw thanked the Waterville team for their sportsmanship and generosity.

#### Bear River Tops Digby

Digby visited Bear River on the 4th and got things going early as Kevin Locke reached first on an error by the shortstop, stole second, and scored on Doug Griffin's double off the left field fence. A walk and a single and two Digby errors in the bottom of the first scored Bear River's Robinson and Saulnier to give the home team a 2-1 lead and what

proved to be the winning run.

Dave Banks gave up singles to Fred Miller and Robert Dugas but shut out the visitors through the seventh while Bear River went on a hitting spree for six runs in the fourth. Robinson and Riley continued their hitting streaks with two hits apiece contributing to the eleven run offense.

#### Round Hill Topples

Blair Bell took the mound against Round Hill at home on August 9, surrendering five hit and two runs but got plenty of help from the Bear River bat for a five-one lead in the bottom of the first on a triple, two double and a

single by Robinson, Banks Riley, and Saulnier. Baxter sacrificed Robinson home in the second inning to finish the scoring after Durling and LeCain had scored Round Hill's two runs in the top of the first and second.

Eddie Feigner putting on his blindfold.

#### King And His Court

The King and His Court Softball Game which was postponed due to the air controllers strike and the late ferry from Bar Harbour, Maine, will be played at CFB Cornwallis on Tuesday, 23 August, at 6 p.m. The Cornwallis Cougars, who are sponsoring this event, regret any inconvenience it caused the fans. All tickets purchased will be honored on this date.

#### Bear River Over Clementsvalle

In Clementsvalle on August 2, Greg's Sanford's first inning triple scored Ross Potter for a first inning lead but the Bear River bats came back for eight runs in the next three innings off Terry Wright and reliever Harry Potter.

Bell recorded another win, scattering Clementsport's 10 hits and 4 runs over several innings, and hitting a

standup triple to right field in the sixth.

Left fielder Steve Robinson with two triple and Terry Riley with a single and triple led the winners at the plate.

Ross Potter led off Clementsport's seventh inning with a homer to deep left but the rally died with a fly to left and two grounder to short.

Legion (W.Wells)	2	3	0	WILL BE DRAWN 31st August 1977.

#### Annapolis Demolished

In Annapolis on August 11, the Bear River attack came up with a season high of fourteen hits and ten runs an impressive defense which shut out their host, giving up only two singles in the seventh to Tumilty and Armstrong. Dave Banks went the distance for Bear

River, helping his cause with a single and triple, while Robbie MacLeod and George Oikle shared mound duties for the Merchants. The game was Bear River's third shutout on the Annapolis field this season which was some consolation for a 28-7 loss in Bear River in July.

Playing the rained out game of July 13th, the Saulnier-coached K of C downed the Baxter-coached Firemen on August 13th by the score of 19-9 thus taking over sole possession of third place and meeting the Kiwanis in the Quarter-Finals in Series "A". The winners produced fourteen hits (Gemmell two singles, Larry LeBlanc-two singles, double and triple, Phillip MacDonald-two singles and three walks, Lawrence-two triples, MacKenzie-two singles, Mark Comeau-two singles). Avery Lawrence handled the mound chores for the K of C. He allowed six hits, struck out seven and walked ten to fashion the victory. Steven Mackin with a walk, two singles and a double in five trips was the leading batter for the losers.

## Jordan Family Honored

Rev. and Mrs. Wallace H. Jordan and family were honored by an Open House at the close of the Drive-In Service on Sunday, August 14, 1977, held in the Vestry of the Smith's Cove Baptist Church. Many members and friends of the Deep Brook United Baptist Pastorate were on hand to share in this time of fellowship with their pastor and family who will be leaving the area next week for the Halifax area.

Rev. George Bell led in a song-fest prior to special presentations made to the Jordans.

The first presentation was by Deacon Richard Moore, Deep Brook, who presented Mr. Jordan with a gift of money from the Pastorate. Then Deacon Franklin Thompson, Clementsport, presented gifts to Rev. and Mrs. Jordan which were pieces of china given by the ladies of the Pastorate.

Mrs. Myrtle Adams then called Geoffrey and Juliana Jordan to come forward for a gift for each one for them to remember their friends in the Deep Brook Pastorate after they leave... a wallet for Geoffrey and a locket for Juliana.

The ladies of the Pastorate served a delicious lunch and a time of fellowship was enjoyed by all.

Guests were present from surrounding areas, among them fellowpastors of the Annapolis-Digby Baptist Association who were able to be present: Rev. Paul Legge, Clementsville; Rev. Robert Matthews, Annapolis Royal; Rev. R.R. Winchester, Bear River; Rev. George Bell. Also present were Col. and Mrs. Fox, Base Commander, CFB Cornwallis.

## Results Of "Scallop" Project

The people of Smith's Cove are now seeing the results of the first six weeks of the eight-week Young Canada Works Project "SCALLOP." The project, employing local youth in coordination with community organizations, is nearing its final stages with an impressive work record to its credit.

With less than a week before the annual Smith's Cove "Good Times Day," SCALLOP took over. Many jobs needed to be done to ensure the success of the event. In the building of booths, great care and workmanship was taken to ensure their use in future years. Brush and poles were cut and added to provide cover in the event of rain. Members of SCALLOP also operated some of the booths on the big day itself. Clams were dug for the flocks of people who came to make this event a success. In the same week, the grounds surrounding the Smith's Cove Museum were stripped of brush, stumps and tall grass.

That was only part of the work as the brush at the Museum and at the Fire Hall, residue of "Good Times Day", had to be removed from the grounds. Special thanks to David Irvine of Harbour View, who supplied a tractor, driver and a place to dispose of this rubbish. The booths themselves then had to be disassembled and packed away for next year.

The biggest challenge of the project was then undertaken. Using paint and other supplies, provided by the Smith's Cove Fire Department, the Old Baptist Meeting Hall and the new addition, that houses the two fire trucks, were painted. The project members proved equal to the task as interior and exterior areas were added to its growing work string.

Three pits for broad jump and high jump were dug on the Smith's Cove Consolidated School grounds and

filled with sand supplied by John Oikle. Some of the sand was added to the baseball diamond.

Under the direction of the Smith's Cove Historical Society, the Museum became a major target of this project. Using supplies provided by the Society, both interior and exterior areas of the building are all but completely painted. The stairs of the Museum now have a cement base and the foundation of the building has been reinforced.

The replacing of glass window in both the Fire Hall and Museum, a job long put off, has now been done.

A wiener roast under SCALLOP'S supervision provided a fun-time for local children.

The three fire ponds were cleared of bushes and grass to ensure access by the fire trucks during a fire.

Welcome signs to the

Smith's Cove area are being painted and will be placed in strategic spots soon.

More wiener roasts are planned by the project manager, Brian Wambolt, as well as building picnic tables for the Cove. Another major project will be the cleaning up of the beach in the Cove area.

In general, by coordinating the efforts of such people as Darrell Warren, Mrs. Mary Lou Raymond, David Irvine, Ron Milne and other community members and organizations with SCALLOP good results are being seen in this youth project. Work that might otherwise go undone is greatly improving an already great community.

Members of the project are: Brian Wambolt, manager, Paul Brown, Terry Dennison, Mark Hyson, Howard Oliver, Glendon Young.

Tourists of the Week Anna (seated) and Steve (third from left) Shantz of Bucks Co., Pennsylvania, look over some of the souvenirs they were provided with. From left to right are Mrs. Wilfred Swift, Warden Swift, Mr. Shantz, Dave Irvine (ABTRC) and Mrs. Shantz (seated).

## RCMP Nab Bucks County Prosecutor

Steve H. and Anna M. Shantz of Bucks County, Pennsylvania, were somewhat shocked and dismayed when an RCMP vehicle pulled them over near Digby recently.

But the dismay soon turned to delight. Mr. and Mrs. Shantz were destined to become the Annapolis Basin's first Tourists of the Week.

After the "arrest" of the visitors by Const. Doug Miller, the Shantz's were escorted to the Digby Court House where a pre-arranged sentence was handed out. The Shantz family had temporarily - but not unwillingly - lost its freedom.

The court first declared that Mr. and Mrs. Shantz would dine that evening at

the Mountain Gap Inn in Smith's Cove. They were ordered to spend the night at the Harbour View House and appear the next morning for breakfast at the Hedley House.

From the Digby area, the tourists proceeded to Annapolis before dining at the Old Village Inn, Sandy Cove.

For public prosecutor Steve Shantz and his wife, this was the first visit to Nova Scotia and only their second trip anywhere in Canada.

The Nova Scotia visit included tours along the Sunrise and Cabot trails, Amherst, Antigonish, the Eastern Shore, etc. The Shantz's were especially fond of the seafood available here.

The visitors were greeted at the court house by Herb Smale, AVABT, Wilfred Swift, Warden of Digby Municipality and Dave Irvine on behalf of the Annapolis Basin Tourist and Recreation Council. ABTRC is sponsoring the Tourist of the Week program in conjunction with the Annapolis Valley Affiliated Boards of Trade.

The Shantz's were presented with several souvenirs of this area including a tourist packet of the Annapolis Basin, a copy of "Reflections from Sandy Cove", the tourist publication, "The Basin" and a print donated by House on the Hill in Bear River.

## Bay Of Fundy Service Up

CN Marine passenger traffic increased in July for the first time in 10 months when compared with figures for the same month a year ago.

## Pines Fall Classic

Entries are now being accepted for the annual Digby Pines Fall Classic golf tournament scheduled for October 1 and 2 at the Pines Golf Course.

Both the low net and the low gross winners of this tournament will be given a free weekend for two at either The Pines Hotel or Celtic Lodge.

Prizes will also be awarded to the four low gross and four low net finishers in each division.

Action will get underway at 9 a.m. both Saturday and Sunday. Entries will be limited to 144.

## Ladies Golf Draws 35 Players

A most successful Invitational Tournament was held at the Digby Golf Club on Monday August 15.

Sponsored by the Ladies' Division of the club 35 players representing Clare, Eden, Hillsdale, Ken-Wo, Paragon and Digby took part in the tournament.

Winners in the 18-hole tournament were: Low Gross, 95 Margaret Bishop, Ken-Wo; Low Net, Bernie Doherty, Digby 70; First Division - Low Gross, Liz Vermeulen 95, Ken-Wo; 1st Low Net, Wendy Moore, 72, Digby; 2nd Low Net, Linda Kenne, 75, Digby; Second Division - Low Gross, Marlene McCarlie, 109, Digby; 1st low Net, Betty Faulkner, 80, Paragon; 2nd Low Net, Marjorie Prince, 80, Digby; Third Division - Low Gross, Helen Daley, 125, Digby; 1st Low Net, Giselle DeCoste, 95, Hillsdale; 2nd Low Net, Brenda Mosher, 96, Ken-Wo. Most Honest Golfer, Lena Comeau, Clare; High Hidden Hole Front Nine, Helena Wightman, Digby; High Hidden Hole Back Nine, Doris Mailman, Eden; Highest Number of strokes on any two holes, Roberta Potter, Hillsdale.

Through the generosity of the following, local merchants prizes were donated by, Wilson's Hardware; Digby Jewellers; Saunders Jewellers; Canadian Tire Associate Store; Good Neighbor Drug Mart; Muttart's Ltd.; Metropolitan Stores; Stedmans Store; Digby County Power Board; Gabrielles Flowers; Bank of Nova Scotia; Royal Bank of Canada; Jones Bottling Co., Weymouth.

Following a buffet luncheon all participants voted their approval of a most successful tournament.

## "Some Reasons Why We Should Keep Our Power Development"

by Councillor L. E. R. Winchester

This is the title of an article printed in "the Digby Weekly Courier" in the January 16, 1931 issue. A full reprint of this letter might be appropriate at this time, to point out to the readers what was taking place when the Digby County Power Board was barely three years old. This attempt was partially realized in 1958 when the generating rights of the D.C.P.B. were acquired by the N.S.P.C. which is deeply regretted by all who have been and still are connected with the Utility, D.C.P.B. This subject is another matter and the purpose of this letter is to explain in the clearest way possible what the customers of the D.C.P.B. are now paying per kw. hour as compared to the customers of the N.S.P.C. To begin, compare the components of the gross electrical bill and the ingredients which go into making a cake. With a cake you use a little of this, add a little of that and some other stuff and you have the finished product. With a light bill you start with a base charge, add a rate charge, of one, two or three steps, which includes the fuel adjustment charge as set by the N.S.P.C. and payable to them, plus the H.S. tax and you have your gross bill. This figure, divided by the number of kw. hours used gives the actual cost per kw. hour, delivered to the customer. Keep in mind the figures quoted in a letter in last week's Courier were based on rates in effect last October which favored slightly the N.S.P.C. The picture today is entirely different. Since last October the N.S.P.C. has been granted an increase of 47 per cent and the Municipality of Digby two increases totalling 1.08 c per kw. hour, approximately 17 per cent. Now let's compare bills of the two utilities. Let's use the rate structure for the Mun. of Digby which is the highest rate structure of the utilities within the D.C.P.B. A bill issued by the D.C.P.B. dated Aug. 8/77, using 914 kw. hrs. grossed \$47.24 an average cost per kw. hour of 5.16c. A N.S.P.C. bill issued June 1977, using 364 kw. hrs., grossed \$24.92 a cost per kw. hr. of 6.8 c. These are both domestic users. Let's look at the commercial user's rate.

These are actual figures taken from N.S.P.C. bills.  
Example 1 - 410 kws bill \$70.42 average cost, 17.1c per kw hour.  
Example 2 - 910 kws bill \$100.91 average cost, 11.8c per kw hour.  
Example 3 - 270 kws bill \$27.04 average cost, 10c per kw hour.  
Example 4 - 1150 kws bill \$94.72 average cost, 8.24c per kw hour.  
Comparative figures of the D.C.P.B.  
Example 1 - 410 kws bill \$60.05 average cost, 14.6c per kw hour.  
Example 2 - 910 kws bill \$110.43 average cost, 12.1c per kw hour.  
Example 3 - 270 kws bill \$27.52 average cost, 10.9c per kw hour.  
Example 4 - 1150 kws bill \$96.16 average cost, 8.4c per kw hour.

N.B. These differences arise from the use of demand meters which are more costly than the charge on a connected load basis.

The financial operation of a utility is not greatly different than the financial operation of any other business except that its operational profit must be kept within guidelines acceptable to the Public Utility Board, usually 10 to 12 per cent under normal circumstances. This allows very small latitude for Capital Expenditures when one realizes that over the past four years an average of \$60,000.00 per year was required in this department, in the Mun. of Digby. This in-

creased the value of the fixed assets of the Mun. Utility from \$723,000 to \$895,000 with a depreciation over the same period of \$66,000. With the present rate for electricity in the Municipality of Digby, the projected 1977 increased earnings is sufficient to take care of its requirements for the utility. The outstanding indebtedness is negligible in comparison to the indebtedness of the N.S.P.C. which is approximately \$673 million (See issue of July 22/77 of the Chronicle-Herald). The transmission of electrical power can be likened to the transmission of water in a pipe. A 1/2" pipe will adequately supply water to an ordinary house tap but it would be rather ridiculous to try to supply a fire hydrant with the same size pipe. This is one factor which is contributing to the line loss of 20 per cent which means that for every 1000 kw. hrs. purchased the utility only has 800 for resale. Mr. Adelaar's letter states that if this line loss can be brought within an acceptable figure of 10 per cent, a savings of close to \$150,000 per year can be saved. This is true but in addition there would be thousands of dollars worth of transformers, insulators, etc., which can be re-used on the other 12 KVA lines which still exist in the system.

Two remarks made to me within the past few weeks are worth passing on for your consideration. They are not verbatim, but convey the general thought. (1) With a situation as serious as this, (referring to the present utility position), it behooves me to put party politics aside and decide what I feel is best for the people of this county. This person was referring to keeping the utility by one means or another, not to sell. (2) If the people of this municipality, all 9000 of them would stand shoulder to shoulder and demand the return of our generating facilities and the water rights, they would get them. Unquote. And if the residents of the Municipality of Clare would join with the residents of the rest of Digby County in this effort, who knows what may happen. If this could be brought to a successful conclusion the D.C.P.B. would have all the electricity it could use, with some for sale, and the cheapest power rate in Canada. May every resident of the County of Digby be urged to support retention of these utilities whether in their present status or by amalgamation into one unit.

The letter referred to at the beginning of this letter, was written by Mr. George Wightman, and his closing remarks were, and I quote, "I am sure that no citizen of Digby County would be a party to the sale or transfer of our hydro system, franchise, or river rights, unless that person has been bribed to do so. I think it is time that we people of Digby County should do less fault finding and get together and boost our own county, our own resources, for we have ample reason to be proud of our many and varied resources, one of the most valuable of which is our HYDRO DEVELOPMENT, which we are asked to hand over control of. Let us keep it for ourselves, our children and for the future benefit of our county."

To this may I add "AMEN". Perhaps these few remarks have only added to your confusion of mind. If so, there is one sure remedy. Attend the meetings on this subject and ask questions, get the answers. There are records of all the utilities within the D.C.P.B. to the end of 1976 to substantiate any figures which are given out. Future projections are educated estimates only. If you prefer to remain at home, that is your prerogative, but please, don't blame anyone else for your apathy. This year is the Golden Anniversary of our Hydro Development. Don't let's celebrate it by letting it pass out of our control.

## Vegetables For The Freezer

A couple of concerns related to freezing vegetables come to my attention every summer. They are 1) blanching - is it needed? and 2) when is the counting time started?

Firstly, blanching has been questioned often during the past few years. Several people do not taste any difference between those vegetables blanched before freezing and those put in raw. However, if two samples of the same vegetable were compared after several months of frozen storage you'd notice a difference! In a simple "at home" test, I found that unblanched vegetables were tougher, rubbery, colourless, and the colour of the vegetable was lost into the cooking water. This was not the case for the blanched vegetables. They were tender, more flavourful and retained good colour.

Now, maybe; just maybe...the vegetables will be acceptable if stored unblanched for only a month or less. Enzymes do keep on reacting a bit in the frozen stage, whereas heat kills them. It is the enzymes which keep up the maturing process causing poor quality of texture, colour, and taste in unblanched frozen vegetables.

Unblanched brussels sprouts turn almost pink in the middle even after short term storage. The texture is

Thompson, Mr. and Mrs. Gerald Young and Mr. and Mrs. Carl Young took in the events of the Rodeo. They drove home by way of Amherst, Truro and on to the Cove.

Mrs. Cecil Slauenwhite, Lawrencetown, called on Miss Isabel Cossitt one day recently.

Cst. and Mrs. Freeman Sheppard, Judy and Scotty, of Dartmouth, accompanied by Mr. and Mrs. Nathan Sheppard of Saint John's, Nfld., were visitors at the home of the R.M. Winchester recently.

Calling on R.M. Winchester on Sunday was Bill Schiebel of Tracy, Quebec. He was accompanied by his young son, Stephen.

So, for TOP quality frozen vegetables, blanching before freezing is a MUST.

Regarding the question of when to start counting the blanching time - the counting is started IMMEDIATELY once the vegetables are lowered into the boiling water and covered. The heat under the pot of water should be hot enough to bring the water back to the boil within 10-15 seconds.

Vegetables start to cook immediately upon contact with boiling water. To wait for the water to return to the boil before counting will result in overblanched vegetables. This will result in a mushy end product.

If it takes 30 seconds to a minute or longer to have the water return to a boil do one of several things: increase the heat, decrease the amount of vegetables being blanched, or get a larger pot of water.

Blanch in hot water the recommended time then cool immediately in cold water. Drain the vegetables well, pack and freeze quickly.

Many freezer manuals suggest lining up the fresh food along the sides of the freezer for quick freezing. The quicker the freezing, the better the quality.

Vegetables more than any other food seem to be affected by variations in freezer temperatures. I'm sure many vegetables have turned out poorly because a lot of meat was put in to freeze - warming up the freezer and the vegetables. Trying to stretch the limits of the amounts to be frozen at one time simply results in a poorer quality of food.

If you've taken the effort to grow or obtain the fresh produce, it's worth the extra care in getting the top quality out of the freezer.

A publication called "Freezing Foods" is available by writing me at the Research Station, Kentville, N.S.

## Orchard Pest Control

An integrated pest control program in apple orchards can cut chemical use by significant amounts.

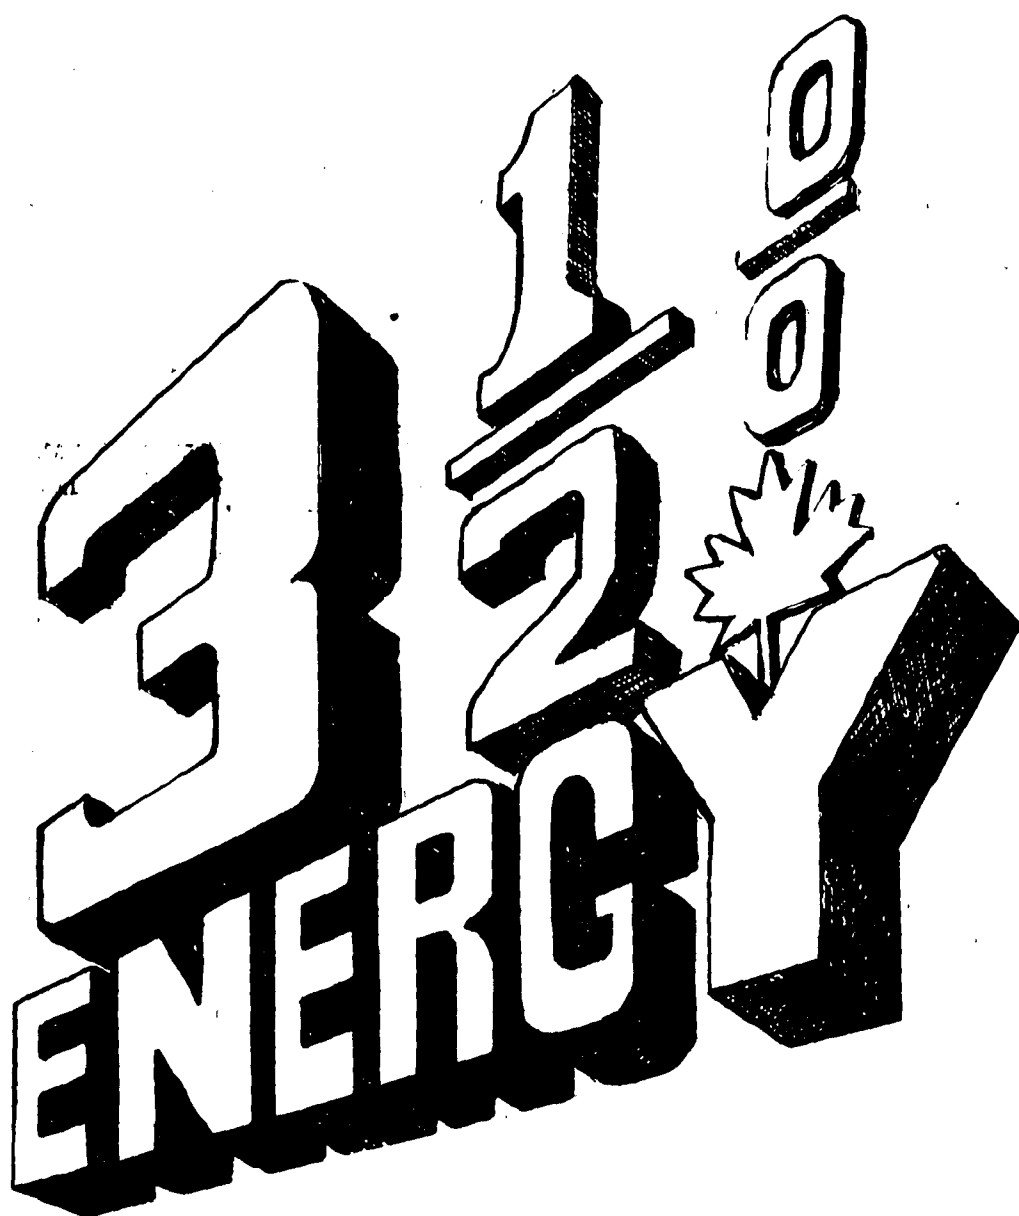

At Agriculture Canada's Smithfield, Ontario, Experimental Farm, careful monitoring of orchards and a knowledge of insect behavior decreased insecticide use by 40 per cent last year.

Fungicide costs were reduced by seven to 30 per cent. The orchards at Smithfield were not sprayed unless it was known that a pest was present in the orchards. Specific sprays were used for that pest and only enough spray was used to kill off the peak of the population.

## Wedding Bells

BLINN-CAHOON

St. John Baptiste Roman Catholic Church, Corberrie, Digby County was the scene of the marriage of Debra Helen, daughter of Mrs. Vivian Cahoon and the late Burton Cahoon, Weymouth, and Emile Joseph, son of Mr. and Mrs. Edward J. Blinn, Corberrie. Rev. Albanie Poitras officiated at the double ring ceremony. Mrs. Clifford Doucette, Gilbert Cove was organist and accompanied Leger Doucette.

The bride, given in marriage by her foster father, Anslem LeBlanc, Weymouth, wore a floor length gown of white satin styled with a high lace neck and sleeves. Her short veil was attached to a high tiara set with white pearls.

Attending the bride were her sisters, Mrs. Phyllis

Harnish, matron of honour and Mrs. Darlene LeBlanc, bridesmaid. They wore identical gowns of peach polyester interlock knit, fashioned with a shirred and ruffled bodice. Their hats were white and they carried bouquets of white shasta daisies.

Kevin Harnish was ring bearer.

Charles Blinn, Halifax, the groom's brother, was best man and ushers were Thomas Cahoon, brother of the bride and Alfred Doucet.

The mother of the bride chose a floor length gown of royal blue crepe with white accessories and a corsage of yellow and white carnations.

Following the ceremony a reception was held at LaCave Restaurant, Church Point.

SMITH-CLEAVES

The marriage of Carol Joan, youngest daughter of Mr. and Mrs. Harold Cleaves, Annapolis Royal, to Arthur John Smith, son of Mr. and Mrs. Fred Smith, Ashmore, Digby County, took place in the First Baptist Church, Annapolis Royal. Rev. Robert Matthews and Rev. Stokes officiated at the double ring ceremony. Susan Hicking was organist and guitarist Elizabeth Shepherd, with her sister Cathy Dunnington, sang musical selections.

The bride, given in marriage by her father, wore a floor length gown of polyester satin, styled with paneled skirt, highline bodice and cardinal sleeves, and trimmed with lace and seed pearls. Her cathedral length veil was held by a pearl and crystal tiara. She carried a white Bible with a single lavender cattleya

orchid and baby's breath. Christina Rowlings, maid of honor wore a pastel green gown with sleeves and trim of contrasting organdy print.

She carried a nosegay of yellow and white daisies. The flower girl Katie Alcorn, wore a Holly Hobby outfit of pastel green polyester with white eyelet apron and bonnet, and carried a basket of daisies.

Robert Patton of Woodstock, N.B. was best man, and Jeffrey Smith, was ring bearer. Ushers were Brian Smith and Gary Mailman.

The bride's mother wore a gown of polyester print in shades of blue and mauve, with silver accessories. The mother of the groom chose a pastel green crepe gown with matching jacket and white accessories.

A reception was held in the church hall.

DAHLGREN-COLWELL

A beautiful summer afternoon wedding took place July 2nd, 3:00 p.m. at St. Peters Church in Weymouth when Crysti Lynn Colwell, niece of Mr. and Mrs. Frank Simmonds of Weymouth was united in marriage to Percy Edward Dahlgren, son of Mrs. Margaret Dahlgren and the late Kenneth Dahlgren of Weymouth. Rev. Michael Boyd performed the wedding and double ring ceremony. Mrs. Isaac Butler of Digby was organist.

The bride was given in marriage by her uncle, Mr. Frank Simmonds. She looked lovely in a floor length gown of white polyester satin with a beaded covered bodice and long sleeves with a flowing train. Her waistlength veil was held by a lace headpiece. She carried a bouquet of baby sweetheart, readroses.

Miss Brenda Weaver, was maid of honor and looked radiant in her pink polyester crepe floor length gown and picture hat. She carried a bouquet of daisies. The bridesmaids were: Mrs. Bari Markides, Moncton sister of the bride; Mrs. Dorothy Trenholm, Port Elgin, sister of the bride; Mrs. Beverlie Allen, Oromocto, sister of the bride and Mrs. Frances Roberts, Halifax, sister of the bride, Mrs. Carol Simmonds, Halifax, sister-in-law and Mrs. Cathy Fillmore, Moncton, cousin of the bride. The bridesmaids dresses were identical to the maid of honors except the bridesmaid's were divided into three colors of blue, green and peach. They also carried bouquets of daisies. Rueben Dahlgren brother of the groom acted as best

The marriage of Janis Marie Baird, only daughter of Mr. and Mrs. Donald Baird, Clementsvalle, N.S. to Barry Allan Galley, only son of Mr. and Mrs. William Galley, Squamish, B.C., took place at the home of the bride's parents, Saturday, July 16, at 3 o'clock with Rev. Paul Legge officiating at the double-ring ceremony.

The bride, given in marriage by her father, wore a floor-length gown of sheer muslin over satin, with lace bodice and sweetheart neckline. Her shoulderlength veil was held in place with a matching cap of lace. She wore a pearl drop necklace, a gift of the groom, and carried a crescent-shaped bouquet of red sweetheart roses and baby's breath.

They all wore corsages tinted to match their dresses.

A reception and dance was held at La Cave Restaurant, Church Point, when 150 guests attended.

Arlene Poushay, friend of the bride from Sydney, N.S., was maid of honor and wore a pale blue and white

## Bridal Couple Tendered Shower

A Post Bridal Luncheon, given at the Sea Shell Annapolis, recently, honored the marriage of Mr. and Mrs. Thomas Damrosch of New York, which had taken place there in June. This function followed an open house at the home of the bride's parents, Mr. and Mrs. Frank Turner, Plympton. Eight friends and relatives of the former Miss Martha Turner, the bride, were invited by Mr. and Mrs. Gordon Cameron, Weymouth at the luncheon to wish the young couple future happiness. Both Mr. and Mrs. Damrosch are musically involved in concert work in New York City, as flutist with one of the Symphony

flowered sheer cotton, over satin floor-length gown. She carried a crescent-shaped bouquet of blue tinted carnations, and baby's breath, with a matching flower hair piece.

Reginald Baird, Clementsvalle, N.S., brother of the bride was best man.

The bride's mother wore a sheer aqua flowered nylon floor-length gown and a corsage of yellow roses.

Following the ceremony, a reception was held on the lawn for the fifty guests. Out of town guests were from Kingston, Ontario, Montreal, P.Q.; Summerside, P.E.I.; Sydney, Halifax, Bridgetown, Round Hill, and Yarmouth, N.S.

For travelling, the bride chose a red and white jump suit, with a red tinged carnation corsage.

After touring the Maritimes, the bride and groom returned to Squamish, B.C., where they were guests of honor at a garden party reception for one hundred and fifty guests at the home of the groom's parents, Mr. and Mrs. William Galley.

Mr. and Mrs. Galley will reside in Squamish, where they are both employed.

Orchestras and he as an Organist of several churches in New York and Brooklyn. The eight guests were Mr. and Mrs. Frank Turner, the parents, Mrs. Calvin Granville; Mrs. Anne Banelaar, Mr. and Mrs. Arthur Henderson and Mr. and Mrs. Gordon Cameron.

## Visitor From Brazil

Robert Ostrowski is visiting at Gilbert Cove from Rio de Janeiro, Brazil. He is a photo journalist writing a story about Acadian people for a Brazilian magazine. He spent a few days at the summer home of Bob Bertrum of Beverly, Mass. Also Mrs. Nancy Healy, son Patrick and daughter Janet of Marblehead, Mass.

Bill and Janet Daly and daughter Julie spent a week at the Bertrum home. They returned to their home in Anaheim, California.

Ms Patricia Chisholm, a teacher from Danvers, Mass., vacationed at the Bertrum home then went on to her ancestral home in Antigonish. Peter Howard, also a teacher from Danvers, Mass., visited the Bertrum home—his first visit in Nova Scotia.

## Personal

Mr. and Mrs. Bruce Murley and Mr. and Mrs. Donald Woodman motored to Halifax on Friday when they accompanied Mr. and Mrs. Gary Thibeault to the International Airport where they flew to Calgary. From there they drove by bus to their home in Lethbridge, Alberta. They spent three weeks visiting their parents, Mr. and Mrs. Donald Woodman, Ogway, and Mr. and Mrs. Edgar Thibeault of Barton and other relatives.

# CLEAN UP YOUR ACT!

**\*For the past five years the Nova Scotia Government Employees Association has been requesting a real collective bargaining act for Civil Service Employees**

**\*In 1972 Premier Gerald Regan told the Eleventh Annual Labour Management Study Conference**

**"There is one thing I am sure of. Our present system, the Joint Council Act is an unmitigated disaster ..."**

**Today in 1977, five years later, Civil Service Employees are still waiting for the Government to**

**CLEAN UP ITS ACT — GIVE FULL COLLECTIVE BARGAINING RIGHTS TO CIVIL SERVICE EMPLOYEES!**

Recently, the Nova Scotia Government Employees Association was denied an Arbitration Board to resolve disagreements with the Government over the provisions of seniority rights or lay off and promotions, improved grievances handling provisions and a requirement on Management that it manage its employees in a just and equitable manner. This means that Civil Service Employees have no legal means of resolving disagreements with the Government over contract items.

We can negotiate until we are blue in the face but if the Government does not agree with our position it can do what it wants. Civil Service Employees are asking for the same Collective Bargaining rights as all other private and public sector employees in Nova Scotia - nothing more and nothing less.

**Help us to stop Government from discriminating against its own employees.**

**ASK THE GOVERNMENT TO CLEAN UP ITS ACT**

Inserted by Nova Scotia Government Employees Association.

## Scallop Day Activities

Digby Scallop Day, this year's number one summer event within the town of Digby, is now little more than one week away. The rush to finish off the final planning details is in full force.

To further accent the tourism aspect of the festivities, a Tourist of The Week, will be named and dined by the Annapolis Basin Tourist and Recreation Council this year. The chosen tourist will be picked up by the RCMP and carted off to face his fate.

Scallop Day activities will get underway at 10:00 a.m. with a bicycle and tricycle decorating contest at the fishermen's wharf. This also is the scheduled opening time for the Scallop Shish-ka-bob and Beer Garden. The shish-ka-bob will be held at the Admiral Digby Park. It will be prepared and operated by staff of the Digby Pines Resort Hotel. Closing time is 6:00 p.m.

A Shell Decorating contest will be held at 10:00 a.m. Scallop Shells can be picked up at Casey and O'Neil Fisheries.

From 11:00 a.m. to 1:00 p.m. band music and exhibitions will be held on the wharf. The exhibitions will include net repairing, lobster trap repairing, a display of different fish caught in the Digby area, and an Arts and Crafts display by the New Horizons Club.

Beginning at 2:00 p.m. a Children's Fishing Contest will be held, and lines and bait will be available at O'Neil's Fisheries. Judging will take place between 4:00-4:30 p.m.

Another afternoon activity will be the woodsmen's competitions (put on by the Forestry Guides) between 2 and 4 p.m. This will include such events as Swede sawing, cross-cut events, etc.

The popular scallop-shucking and fish-filleting contests will be held from 2:00-4:00 p.m. These will be followed by lobster boat and scallop dragging demonstrations.

A fashion show will be held at the Evangeline Shoppers' Mall from 3:00-4:00 p.m. Queen Annapolis and eight of her princesses will be in

attendance.

Dorey and yacht racing will take place from 4:30 to 5:00 p.m. These events are being sponsored by the Digby Yacht Club.

Other Scallop Day activities will include an all-day invitational dart tournament at the Digby Legion Hall; an amateur photo contest (B-W and color - contact Ken Eavis for information), and the welcoming of VIPL's at 1:00 p.m.

On Sunday, the Yacht Club will sponsor canoe and dory races, sawing competitions, tub-racing, ax-throwing, etc.

Bleachers will be available for spectators taking in events of the wharf this year. These will seat 400 people.

Kay Dean, Home Economist

### Going To The Fair

Are you involved as a participant or as an organizer in a fair, exhibition, flea market, craft sale, or 4-H club achievement day? If so, I'd like to share with you some ideas regarding displays.

Whether it be for selling, giving, straight information, or competition, the display can be a crowd stopper or just another mundane area to walk past.

The one thing that is common to almost all shows is the display area. Usually it is a flat area and probably has a back wall. But, don't forget the open space above those flat surfaces. Try in your mind's eye to utilize the open space before setting up the display. Use covered boxes to lift articles up off that flat space for everyone to see, especially at the back of the display. Suspend articles mobile fashion down into the open area from a ceiling or a makeshift bar or rack. Make use of three dimensional effects. Flat displays look DEAD.

Plain background materials pull a display area together. Firm materials such as fabrics or vinyl work well. Crepe paper stretches, breaks, runs colour when wet, and generally looks messy after a couple of hours. Rolls of firm paper are available. However, a search around the house will often produce materials that can be used. The use of colour can have a tremendous effect on the display. Whether it be painted panels or coloured fabrics or paper, the lightness or darkness affects the illusion of size. Dark colours make areas look smaller; light colours give an appearance of openness. Shiny materials and lettering detract from the items displayed. Shiny lettering is hard to read.

For shows involving competition the public wants to know who's who. Make your club name, themes, community name, or individual names easy to read. Stand in the middle of the room to judge the effectiveness of signs. Craft items present

Garden Brother's Circus

**Friday, August 26th.**

Prince Bogina, this Continent's only Black Wild Animal Trainer is featured with the Garden Bros. Circus which moves into Digby on Friday, August 26 for two thrilling performances. The Prince commands a cageful of African lions and Royal Bengal tigers.

problems for display organizers because there are usually so many articles. Often creative groupings can make them look like they all belong together.

A wagon wheel, either real or simply made, can be the framework for grouping small items. Painted or covered cans of varying sizes can be mini-pedestals for little items. An attractive clothesline can group together fabric or yarn crafts.

A simple step-like structure allows a lot of items to be easily seen. The steps create a more lively three dimensional effect.

Got a quilt or afghan to display? Lift it up off the flat surface or it's beauty will be lost. Drape it over a box or chair. Let it flow from a rack or firm hook on a wall. Arrange a few smaller articles on it or around it. Do anything to get it up off the flat surface.

Finally, focus some attention of the winners. This little story came out of a workshop on exhibition displays last year and it contains several points for us to think about:

"A prize pumpkin sitting amongst many pumpkins on a crowded table is just another pumpkin. But.....a prize pumpkin sitting on a pedestal basking in the glow of a spotlight is a production."

Add a little music, Mr. Maestre, please.

The many friends of Mrs. Clyde (Isabel) Mullen will be sorry to learn she is a patient at the Yarmouth Regional Hospital.

### Danvers

(Mrs. Philip Gaudet)

Miss Heather Lewis, Deerfield, and friend, Fred Wright, Hebron, spent Monday, Aug. 1 with her grandparents, Mr. and Mrs. Elery Lewis.

### Gilbert Cove

(Mary Doucette)

Mrs. David Doucette celebrated her birthday at home with her family on July

24th, and on July 25th a group of friends dropped in to surprise her with a lovely cake and other refreshments. Many happy returns are extended to her.

Bruce Doucette, son of Mr. and Mrs. Gary Doucette, of Ashmore spent a week at Johnson's Christian Park in South Range.

Mr. and Mrs. Denis Acres and son of Shrenesport, Louisiana Air Force Base, visited the home of his aunt, Ms Edith Melanson, for several days. He visited relatives and friends in the community.

Mr. and Mrs. Walter Melanson spent a month's vacation in Ontario. They visited Mr. and Mrs. Wayne Hane in Brampton, Ont.; Mr. and Mrs. Victor Melanson in Toronto; Mr. and Mrs. Cyril Turgeon in Whitby, Ont.; Mr. and Mrs. Billy Melanson in Oshawa; and Mr. and Mrs. Kenny Melanson of Whitby and their families.

Among places of interest they visited on their trip was the C.N. Tower where they had lunch in the revolving restaurant. They looked out on the "look out" which on a clear day it is reported you can see Niagara Falls. They also had lunch at the Prince of Wales Hotel, the oldest hotel in Canada started in 1864 at Niagara on the Lake.

The village is carried out with the old customs in dress, food, museums and traditional stores. The African Lion Safari in Rockton, Ont. was another point of interest. They also attended an antique car show at Fort York where 80 cars from the year 1929 to 1977 were on display. Cars also entered from U.S.A.

Visitors at the home of Mr. and Mrs. Walter Melanson are Mr. and Mrs. Wayne Hane of Brampton, Ont. and his parents, Mr. and Mrs. Arthur Hane of Bowmanville, Ont.; Ms Joan Melanson, Toronto. Callers at the same home were Paul Kenney of Orono, Ont., and Mr. and Mrs. Denis Acres, Shrenesport, Louisiana, U.S.A.

Mr. and Mrs. Jim De Spain and daughter Christine of Freeport, Long Island, N.Y. are spending some time at the home of Mrs. De Spain's parents, Mr. and Mrs. Tom McCullough.

Get well wishes are extended to Howard Melanson of Grosses Coques who is a patient in the Digby Hospital.

Get well wishes are extended to Mrs. Victor Handsaker of Weymouth who is a patient in the V.G. Hospital in Halifax. She is a sister of Mr. Clifford Doucette of this community. She underwent surgery on Thursday.

Word has been received by Mrs. Florence Pearce that

her sister, Mrs. Ann Fredette of Dorchester and Martha's Vineyard, Mass., underwent surgery and has been released from hospital this week and will recuperate at Martha's Vineyard with her niece, Mr. and Mrs. Clifford Martell.

Visitors at the home of Mr. and Mrs. Clifford Doucette have been Bob Bertrum of Beverley, Mass.; Mr. and Mrs. Jackie De Santis of Peabody, Mass.; Mrs. Alma Mahar and Jonathan who recently moved home from Ontario; and Mr. and Mrs. Rene LeBlanc of Ontario; and Mr. and Mrs. Sydney Marine of Oshawa.

Mrs. Helen Smith of Ontario visited friends in the community.

Mr. and Mrs. Robert McRae of Natick, Mass., visited for several days at the home of her uncle, Albert White. They visited her father, Reginald White, among other relatives.

Visitors at the home of Mr. and Mrs. Reginald White have been Ms Alma Mahar and son, Ontario; Mrs. Dale Denton and daughters, Little River, and Mrs. Odessa Long of Halifax.

Nieces and nephews of Mr. and Mrs. Clifford Doucette visiting around have been Mrs. Gwenny Nakpil and Sarah and Robie of Cowansville, Quebec; Mr. and Mrs. Rene LeBlanc of Toronto; and Mr. and Mrs. Laurie LeBlanc of Moncton, N.B.

Mr. Louis (Fat) Gosson of Plympton was a patient in the Digby Hospital and is now recuperating at home. His many friends from this area wish him a speedy recovery.

Mr. and Mrs. Charles Gosson and Mr. and Mrs. Melvin Edwardson of St. Catherine's Ontario, visited the home of their parents, Mr. and Mrs. Louis Gosson, Plympton.

Craig Gavel of Weymouth is visiting with his friends, Arnold and Dean Sabean.

Mrs. Gary Doucette and children of Ashmore visited the home of her parents, Mr. and Mrs. David Doucette, recently.

Holy Cross Church was honored with the presence of 18nuns who were on retreat. Approximately 10 joined in with the choir at Sunday mass and it was a special treat to the ears.

Laurie A. Bertrum of Gilbert Cove and Beverley Mass., is competing in the Scottish Games at Maxville, Ontario, as a piper with the Stewart Highlander Regimental Piper and Drums. Best of luck, Laurie. Mr. and Mrs. Fred Hills are spending a short time in Digby County from the Portland, Maine, area.

Mr. and Mrs. Jack DeSantis spent the weekend visiting friends. They called

at the Bertrum home. Michele and Sharon Ramoros of Beverley, Mass., visited the Bertrum home.

"Big and Little Blue" of Plympton motorcycled through the Maritimes including Cape Breton, N.B. and P.E.I. recently.

James Thibault of Plympton is still recuperating at his home for several months following a fall. Come on, James, get better.

Harley Amoro of Plympton underwent surgery in the Infirmary in Halifax recently and has returned home. He also has been a long time getting over a bad break. Get well quick wishes are extended to him.

Randay O'Connell, son of Mr. and Mrs. Charles O'Connell of Plympton, is a patient in the V.G. Hospital in Halifax. A speedy recovery to you, Randy.

Mrs. Charlie O'Connell of Plympton had the misfortune of breaking her leg. She has been spending some time at the home of her daughter in Halifax so she is able to visit her son, Randy, in the V.G. Hospital. Better health wishes are extended to the family.

### South Range

(Mrs. M. Marshall)

Mrs. Sidney Smith and Mrs. George Burns Hantsport visited the home of Mr. and Mrs. Myron Marshall Monday evening.

Mr. and Mrs. Earl Marshall visited at the home of Mr. and Mrs. Walton Mullen, New Tusket Sunday.

Mr. and Mrs. Carl White and family of Ontario are visiting their parents, Mr. and Mrs. Donald McCullough and Mrs. Gertrude White. They were accompanied by Mr. Garth Jenfen.

Mr. and Mrs. Keith Lewis called on Mr. and Mrs. Carl Wright, Sunday evening.

Recent guests of Mr. and Mrs. Eldred Marshall were Mr. and Mrs. Avard Wright and Mrs. Blanche Lewis, Saint John, N.B.; Mr. Melford Lewis, Fredericton and Mr. and Mrs. Stephen Smith and children of Ontario. They were called here to attend the funeral of the late Eli Marshall.

Mr. and Mrs. Stewart Shepard and family of U.S.A. are vacationing at their home for several days.

Master Timmy Sabean, Doucetteville spent several days with Mr. and Mrs. Lloyd Sabean.

Mr. and Mrs. Edward Robicheau were Sunday visitors of Mr. and Mrs. Myron Marshall.

Sympathy is extended to the family of the late Eli Marshall.

## This Fall On The CTV Television Network

### WASHINGTON: BEHIND CLOSED DOORS

September 6 - 11, 9:00-11:00 p.m.

The most Powerful Television Drama of This or Any Season

12 Dramatic hours of most gripping Television ever seen comes to CTV Television Network in Washington; behind closed doors

Based on the Nationwide Best-Seller by John Ehrlichman, CTV opens Fall Season with a blockbuster series about politics & power starring Academy Award-Winners Jason Robards, John Houseman & Cliff Robertson in WASHINGTON: BEHIND CLOSED DOORS.

With WASHINGTON: BEHIND CLOSED DOORS, CTV Television Network premieres its 1977-78 season with unprecedented 12-hour contemporary drama to be seen in six consecutive nights from Tuesday, September 6 through Sunday, September 11, 9:00-11:00 pm ET.

Every night for six nights, WASHINGTON: BEHIND CLOSED DOORS, based in part on John Ehrlichman's best-selling book (THE COMPANY), explores the corruption and paranoia spawned by the pursuit of power in America's capital.

WASHINGTON: BEHIND CLOSED DOORS explores the city where men who play for power have been known to play for keeps, and behind

all else there is one man who knows the location of the secret file, The Primula Report, that could expose it all.

WASHINGTON: BEHIND CLOSED DOORS—Central Intelligence Agency Director William Martin, and President Richard Monckton (Cliff Robertson, left and Jason Robards, right) trade profitable secrets in this twelve-hour saga of corruption, intrigue and the pursuit of power in the political arena. Also starring Robert Vaughn, Stefanie Powers, Lois Nettleton, Barry Nelson, Harold Gould and Andy Griffith.

WASHINGTON: BEHIND CLOSED DOORS—Robert Vaughn stars as Frank Flaherty, the chief aide to presidential candidate Richard Monckton, in this revealing drama based in part on John Ehrlichman's best-selling book, THE COMPANY.

THE COMPANY. After the election of Monckton, (Jason Robards) Flaherty isolates him, instilling paranoia among White House staff with unbelievable displays of his own power within the actual White House establishment. Also starring Cliff Robertson, Stefanie Powers, Robert Vaughn, Lois Nettleton, Barry Nelson, Harold Gould and Andy Griffith, WASHINGTON: BEHIND CLOSED DOORS will be seen on the CTV Television Network, September 6-11, 9:00-11:00 p.m.

WASHINGTON: BEHIND CLOSED DOORS—Harold Gould, above, stars as Carl Tessler, the Swiss-born academic who becomes head of the National Security Council in this searing, twelve-hour drama about intrigue in the Capital. Inspired by John Ehrlichman's best-selling book, The Company.

WASHINGTON: BEHIND CLOSED DOORS—Veteran character actor John Houseman portrays Myron Dunn, the powerful Director of the Committee to Reelect the President who makes certain that 'friends' are taken care of in this gripping twelve hour drama premiering the CTV Television Network Fall season.

WASHINGTON: BEHIND CLOSED DOORS—Jason Robards stars as President Richard Monckton in this engrossing twelve-hour drama, premiering CTV's Fall season, that tells of the intrigue, lust for power and relentless pursuit of complete control

**Painting Demonstration Held**

Paradise artist Janice Ruggles gave a day-long painting demonstration at The Pines on Friday as part of the provincially funded Happy Days Program.

The program is designed to give area artists a chance to get their works before the public, and give the public a chance to see what's happening in the arts.

Janice has been painting for four years. Her first big break through came in the form of a one-man art show in Bridgetown in the fall. Her work has also appeared at the Last Canadian Art Gallery in Annapolis Royal.

Janice specializes in local scenes, especially landscapes and objects. Rather than merely paint an object or scene, she likes to add a little creativity from her own imagination.

### Hold Vacation Bible School

A successful Daily Vacation Bible School was held in the Westport Baptist Vestry last week. This is held jointly by the two churches, Baptist and Church of Christ.

There was an average of over forty pupils attending and much interest shown. There was a display of their handcrafts for the parents and friends on Friday. A joint picnic was held at Pond Cove the first fine day after the closing.

### Family Reunion

On Saturday Aug. 6, a picnic was held at the home of Glendon and Rilla (Lewis) Barr, Danvers. Six children of the late Loran and Alva Lewis and their families were present. In all fifty-six people sat down to a picnic supper on the lawn.

All reported an enjoyable afternoon and evening. This was the first family reunion in fourteen years and cameras were freely used to record the changes throughout the years.

# Life: it's non-returnable

Waste is a dirty word yet last year Nova Scotia's highways saw the worst waste of all... the waste of 203 lives in highway accidents.

This year there will be others — you can bet on it. Nobody knows who they'll be but we do know how it will be... inattention, the single greatest cause of car accidents.

When you drive, drive as though your life depended on it. Pay attention or it could cost you your life! And that's non-returnable.

What are you doing with the rest of your life?

## P.C. Giant Picnic

Greg Kerr of Granville Centre, P.C., candidate in Annapolis West, was a platform guest at the record-breaking third annual Progressive Conservative picnic held at Pinehurst, Lunenburg County on Sunday.

Former Prime Minister the Rt. Hon. John G.

Diefenbaker, the guest of honour and chief speaker at the well-attended gathering, had a private word of support and encouragement for Mr. Kerr, who will be contesting the local seat for the first time.

The 81-year-old Diefenbaker, recently recovered from a recurrence of an old

war service ailment, was flanked on the blue-buntinged platform by Nova Scotia M.P.'s and M.L.A.'s including Pat Nowlan, Lloyd Crouse and Robert Cleaves of the federal Parliament and M.L.A.'s George Henley, Bruce Cochran and the president of the Nova Scotia P.C. Association, John Grant. There was strong support in the large crowd for Robert Cleaves as the choice for future President of the P.C. Party for all of Canada.

The Hon. John Buchanan introduced Mr. Diefenbaker.

Canada's only living former Prime Minister, peering out over the estimated 15,000 that spilled over the farm grounds, declared it to be the biggest political picnic he had ever seen. He found such an event to be in a long Tory tradition - "Sir John A. MacDonald inaugurated the political picnic in 1874 and it helped him win a landslide victory in the next federal election."

Mr. Diefenbaker spoke out against the concept of two nations in Canada, "acceptance of that will destroy this country." "Nova Scotians have had their own troubles with Confederation," he said, "but they did not put a gun to the head of the Canadian Government and say 'if so and so is not done for us, we're out.'" He saw no possibility of French Canada

## Gala Day In Deep Brook

The Gala Day auction held at the Parish of Clements Hall in Deep Brook Saturday attracted many spectators. Auctioneer is Bruce Davey of Bear River.

seceding, however in the light of the common sense of the majority of the people of Quebec.

The elderly statesman took encouragement from the large number of young people present in the audience and advised their parents that if we all took note of their antics in younger days, there would be less criticism of the youth of today.

The Third Annual Gala Day, for the Parish of Clements, was held on August 13, 1977 at the Parish Hall, Deep Brook, under the Chairmanship of Mrs. Frank Rawding.

The event was opened at 11:00 with a Bake Sale, White Elephant Table, Book Table, and Children's Games.

At 12:00 there was an Auction and this was under the able voice of Bruce

Davies of Bear River. During the course of the auction the Afghan, from the Fancy Work Table, was drawn for, and the winner was Mrs. Luke Vroom. The Stuffed Toy which was drawn for was won by Fred Boudreau.

During the day there were sandwiches, hot dogs, tea, coffee, and soft drinks sold.

Mr. Reginald Outhouse. Now they are happy that at last they have their own well. She described the water as being clear and good tasting.

Wishes for many more happy birthdays are extended to Mr. Outhouse, and may he continue to "wet his whistle" for many years to come from his present, new well.

## Water To Drink Birthdy Gift

Congratulations are extended to Mr. Sylvanus Outhouse who observed his 82nd birthday, Monday, August 8.

On hand to help him celebrate the big day was his daughter, Mrs. David (Launa) Stewart, Mr. Stewart and family of Halifax.

An unusual, to say the least, event highlighted the celebrations. Mrs. Stewart said for many years many attempts had been made to dig a well on their own property that would produce water. At last it happened and on Mr. Outhouse's birthday.

Mr. Leeland Lent of Westport, who had been digging on the property for a well, finally found the exact spot where the water ran in even before the well was half

completed, and continued to flow in even as they drew from it.

Mrs. Stewart said they had been previously piped up to a well belonging to a neighbor,

## Speaker At Historic Goat Island Church

Miss Jean Smith, Saint John, N.B., Missionary with Wycliffe Bible Translators; Mrs. Inez Barteaux, Clementsport, President, Woman's Missionary Society, Clementsport United Baptist Church.

Miss Jean Smith, missionary on furlough, was the guest speaker at the worship service held at 11 a.m. on Sunday, August 14, at the historic Goat Island Baptist Church, Upper Clements. Miss Smith, a member of the Wycliffe Bible Translators working with the Mianmian people in New Guinea spoke on the work of translating the New Testament for these people. To date, approximately 25 per cent of the New Testament has been translated and, when Acts has been distributed 21 per cent will be in the hands of these people.

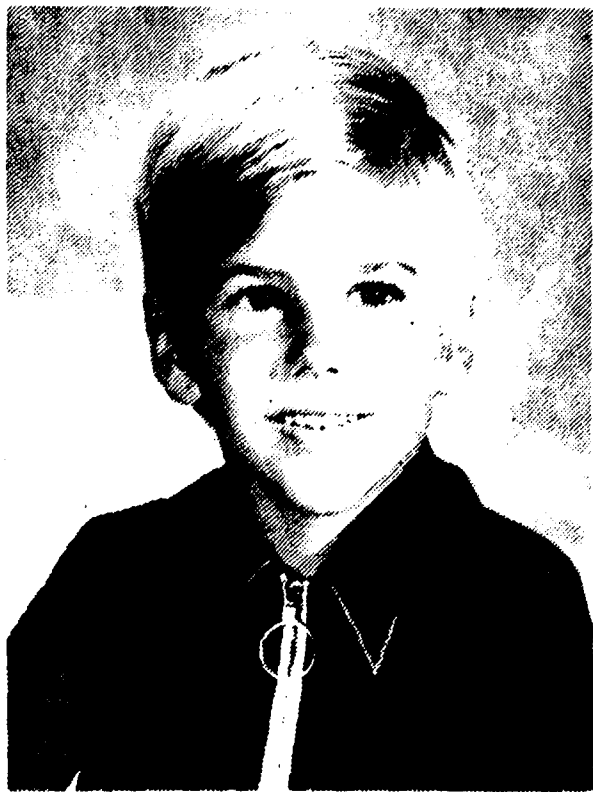

In her talk she referred to the difficulty of translating "literally" as we often think of such translations, but explained how this is not possible to be done in all languages, using portions of the translation of Acts as illustrations.

Miss Smith mentioned that the group she is working among have all turned to Christianity, dropping many taboos - one example being that there are no more "spit houses" in that area. In translating the New Testament she feels this will help them to grow in Christ as they read His message in their own language. Many are slow in learning to read and the speaker asked for prayer for this and for the translators.

Rev. Wallace H. Jordan, pastor, conducted the service, with special music presented by Elaine Blacklock and Franklin Thompson. Mrs. Alice Blacklock, organist.

## Take Saint John Ambulance Course

(L-R) Fred Maxner, Rae McCleave, Fred Raymond, Lynwood Thompson, all of Smith's Cove Fire Dept., Dale Halliday, Digby, Instructor, Saint John Ambulance Course.

For eight weeks the members of the Fire Dept. of Smith's Cove, District 8, met for receiving instruction in the Saint John Ambulance Course. Dale Halliday, Digby, was the instructor.

On Monday evening, August 15, Mr. Halliday presented certificates and patches to those who had completed the course successfully. They were: Fred Maxner, Rae McCleave, Fred Raymond, Lynwood Thompson, all present at this meeting. Not present, but who passed the course were: Brian Coker, Jim Martyn, Ron Milne and John Murray.

The people of District 8 must be pleased to know that these men are continuing to train themselves in latest methods so that they may be fully equipped to protect their friends and neighbors should the need arise.

## World Fishing Exhibition Only Weeks To Go

It's less than a month now until the World Fishing Exhibition turns the Halifax waterfront into an international marketplace of equipment for the commercial fishing industry.

The work of converting two grain sheds on the harbour into exhibition halls is moving along nicely as the August 31st opening approaches.

"Everything is on schedule," says Ray Mills, Co-ordinator of the eight-day exhibition. "When the doors open, fishermen and fish processors will have a big job on their hands if they want to take a look at all the new products that will be on show."

More than 180 companies and government agencies from 14 countries will be trying to catch the attention of the people who make their living in the fishing industry.

"It's an absolutely unique opportunity for the industry," says Mr. Mills. "Anyone who's thinking about expanding his operation, either now or in the next few years, should be here looking at what competing manufacturers have to offer."

What is drawing exhibitors from three continents to Halifax is the prospect of an expanding fishery as a result

of the 200-mile limit. With all their problems of the past, the fishing industries in Canada and the United States have no place to go but up, now that their governments have moved to control foreign fishing. The suppliers want to reach as many of their potential customers as they can.

Many of the names at the exhibition will be familiar to fishermen and processors: Areco, Atlantic Bridge, Caterpillar, Cummins, Decca, Gardner, Gourock-Bridport, Maritime Hydraulics, Mustad, Redifon and Wesmar to name only a few. And there will be dozens of firms that may be new to many people in the industry. For example, Aino Lindeman, a Finnish company with nets, mounting lines and a net-making loom, will be making one of its rare appearances at a fishing exhibition.

"If it's something the fishing industry uses," says Mr. Mills, "we can almost guarantee that someone here will be exhibiting it."

Demonstration vessels will be tied up alongside the jetty just outside the exhibition halls and there will be a small cinema showing fishing films.

If fishermen want to learn about new techniques they might use, they can take in the Fishermen's Forum, two mornings of seminars by international experts on September 2 and 3.

The social side has not been neglected either. A

A check for \$8,000 was presented to Westport Fire Chief Gordon Thompson, Friday by Maxine Swift on behalf of the Ladies Auxiliary. The ladies raised the money to help cover the cost of the recreation centre which was officially opened on Friday.

## 300 Attend Fellowship

A seemingly happy weekend was spent by about three hundred and fifty people attending the Maritime Christian Fellowship at Johnston Christian Park. Those from Westport were Rev. and Mrs. Charles MacNeill; Mr. and Mrs. Edgar McDormand; Mrs. Stanley Moore and sons, Donnie and Bernie; Kevin Frost accompanied Rev. Floyd Gayle, pastor of Freeport and Tiverton Baptist Churches.

Those attending from the

Westport and Tiverton Churches of Christ prepared a Seafood Chowder for supper on Friday night. This was made from Mrs. Stanley Moore's recipe (ending with "season and taste") which is becoming rather famous. Former pastors, Neil Burt, J.W. Derby and Ivan Rayner were present. The latter delivered the Sunday morning sermon. Rev. MacNeill was in charge of the Communion service assisted by several other ministers.

Reflecting To 1927

The 1927 August 19th issue of the Digby Weekly Courier commented on the newly proposed Department of Municipal Affairs established in the province. One of its purposes would be the rearrangement of the system under which the different provincial departments would collect certain parts of municipal revenues. The Department of Education, the Highways and the Nova Scotia Hospital and various departments of the provincial government all took share of taxes collected by different municipalities. Highway tax in the Municipality of the District of Digby amounted to \$9,000 and in the Town of Digby \$659.43. This eats up in interest a large part of provincial revenue, the article commented. Timing of payment of these taxes and collection of municipal taxes from the people was objected to.

The Warne Mill at the South end of town was referred to as a hive of industrial activity and an important part of the life of the town. Expansion of the mill since it was taken over from the Digby Woodworking Co. managed by R.M. Oliver by H.T. Warne was praised. From a single mill operated at Hill Grove, Mr. Warne expanded until at the peak of the war season five mills were in operation in various parts of the County plus the Digby plant which he bought. Logs were brought in for lumber and schooners such as the Mary M. Brooks transported cargoes of vegetables which were grown or purchased or shipped by the Warnes. In commenting the H.T. Warne plant The Digby Courier mentioned that this company had the first adding machine installed in Digby and also the first typewriter.

Sounds like a contradiction but the title was Unknown Men Arrested. At least, it sounds different from 1977. The story read that three men claiming to be from Yarmouth were arrested on Turnbull's wharf on a charge of drunk and disorder. One of the drunks and the chief of police, Cowan, rolled on the wharf in a tussle. Rufus Connors tied one of the

elegance of the cars of the wealthy. On display will be a 1927 Ford Model "T" Coupe.

With one car, Henry Ford revolutionized American transportation and altered the course of world automotive history. He began operations in 1903 and by 1925 he had refined his production operations to the point where he could sell a "T" roadster for \$260.00 and still turn a healthy profit.

This model "T" Ford on display is in its unrestored condition and still obtains its original spark plugs, muffler, paint and 4,066 original miles on the speedometer.

On display with the Model "T" Ford will be a 1929 Franklin Sedan, a 1923 Ford Model "T" Commercial Delivery Van, a 1926 Mercedes, a 1920 McLaughlin Buick and a 1929 Chevrolet.

Hold Family Reunion

Some forty members of the Mrs. Gladys Stark family of Culloden held a family reunion in the form of a picnic at Lake Gehue, Weymouth, on Sunday. The picnic began in the morning and continued throughout the day climaxed by a buffet style dinner.

Seven of Mrs. Stark's children were in attendance including Robert and Mrs. Stark, Bay View; Florence, Mrs. Arthur Murphy and Mr. Murphy; (Elsie) Mrs. John Handspiker and Mr. Hand-

spiker, Toronto; (Ruth) Mrs. James Smith, Mount Uniacke; (Laura) Mrs. Gordon Cook Weymouth; Emdon Stark, Digby and Mrs. Violet Mercer, Culloden. Mrs. Robert Germaine, Kentville, was unable to attend.

Attending the picnic were thirteen grandchildren and twelve great-grandchildren. Those who attended besides family were Mrs. Joan Cleghorn and Susan; Myles Boudreau and Sandra Dugas.

others in "a couple knots" and carried him by the hair a short distance. The three arrested did not give their names, according to the news story, but said they were from Yarmouth.

Fifty years ago The Digby Weekly Courier was taken to task over its optimism in what the tourist business could mean to Digby County each year.

A carload of machinery had just arrived for the Tiddville development by Diatom Products Co.

Dr. W.F. Read, who for sixteen years had been practicing in Digby, disposed of his practice to Dr. W.R. Dickie of Barton. Dr. and Mrs. Read were leaving for Colgate, N.Y. to make their home where the doctor had accepted an appointment as medical adviser for Colgate University.

The Digby Weekly Courier which was celebrating its fifty-third birthday was having a birthday circulation contest using up a full page for advertising and information. An issue of July 14, 1876 was passed on to the editor, Robert Mills who described the 1876 issue as having local news skimmed over but news of Europe and doings of British nobility closely followed. The 1876 copy of The Digby Weekly reported where plans were being made to build a bridge across the Sissiboo at or near Weymouth.

The Digby Hospital Fair was described through the years as successful. So it was 50 years ago in 1927.

Ceremony Of The Flags

The Commanding Officer of the Sea Cadet Camp at CFB Cornwallis requests the presence of the general public at the Ceremony of the Flags on Thursday, August 18, 1977 at 7:30 p.m.

The Ceremony of the Flags is a combination of three ceremonies: lowering of the National Flag of Canada; the ancient ceremony of beating

1977 SCHOOL  
OPENING 1978

DIGBY SCHOOL SYSTEM

Schools at Barton, Sandy Cove, Smith's Cove and those located within the Town of Digby will re-open on Friday, September 2, 1977. Registered students are expected to be in attendance for the full teaching day. Due to the recent fire, the opening of the school cafeteria will be delayed until further notice.

Teachers will be returning on Thursday, September 1, to attend a pre-school conference.

Students entering the Digby Regional High School, Digby Elementary and St. Patrick's FOR THE FIRST TIME, regardless of age or grade, are asked to register early. The Office of the Superintendent of Schools at the Digby Regional High School will be open to receive registrations between the hours of 10:00 - 11:30 a.m. and 1:30 - 3:30 p.m. on Monday, August 29. Advance registrations will close on August 29. We regret that registrations after that date must be deferred to a time arranged by the Principal.

Municipal students not residing in the area served by the Digby Regional School and seeking admission to special classes must have their applications approved by the Municipal School Board. Requests for application forms should be directed to the Superintendent of Schools, Box 968, Digby, Nova Scotia.

Business Education students will be accepted at the Digby Regional High School according to their qualifications. Stenographic, clerical and accounting courses will be offered in 1977-78.

THE LOSS OF THE 1948 BUILDING WILL RESULT IN SOME CLASSROOM RE-ARRANGEMENTS. WE HAVE ATTEMPTED TO KEEP THEM TO A MINIMUM. THE THREE PRIMARY CLASSES WILL BE LOCATED ON THE UPPER FLOOR OF THE NEW DIGBY FIRE HALL. ALL OTHER CLASSES USUALLY REGISTERED IN THE MOUNT STREET SCHOOL WILL BE LOCATED EITHER AT DIGBY ELEMENTARY ON QUEEN STREET OR AT ST. PATRICK'S PUBLIC. MR. JANSON'S T.M.R. CLASS WILL BE LOCATED AT DIGBY ELEMENTARY. PLEASE CONTACT THE OFFICES OF THE PRINCIPAL (ST. PATRICK'S, 245-2488; DIGBY ELEMENTARY, 245-2159) FOR DETAILS. THE JUNIOR HIGH CLASSES WILL BE LOCATED IN THE 1957 WING AND THE MOUNT STREET SCHOOL. WE DO NOT EXPECT CHANGES IN SCHOOL HOURS.

Reflecting To 1947

A scallop dragger Dale Maxwell was lost off Westport. The Dale Maxwell which went to the bottom about nine miles off Westport was manned by Captain Byron Ritcey. Cause of the sinking was attributed to a broken main shaft. The new boat was one of the largest in the scallop fleet. Captain Ritcey and crew, Laurie Robicheau and brother were taken off by Captain Joseph Burnham and his motor vessel, Faunce.

Two thousand nine hundred and five ton British freighter "Wallend" was refloated under its own power after having run ashore on Brier Island at the tip of Digby Neck. The bottom of the boat was badly damaged.

Plans were made to entertain by a reception the officers and crew of H.M.S. Snipe which was to visit Digby on August 28, 1947. The Mayor of the town, the town clerk and president of the Digby Branch Canadian Legion made up the committee in charge. A Civic Reception and dinner for Commander Villiers, OBE, R.N. and officers was to be held at Lour Lodge. On Sunday would be the official presentation of the ship's bell of H.M.C.S. "Digby" together with a scroll from the Minister of Defence. The bell to be received by His Worship Mayor J.W. Merkel was to be presented at the monument.

Harold C. Loring, Chester, consulting engineers, were retained by the Town to complete a survey of the Town's water system. Chemicals were to be used and it was also hoped that a serious water shortage as hit in 1947 might be prevented.

Profit on the July 1st Fair was \$2,839.61. Fair manager, Fred Cookson found "an attitude of defeatism and lack of co-operation which resulted in a loss of many hundreds of dollars."

The Digby General Hospital Fair was successful with fine weather drawing a good crowd.

# "SELL" DECISION DEFENDED

Digby Municipal Deputy Warden Helen McNeil expressed concern Monday that council's decision in favour of selling its hydro

utility is being misinterpreted as a rash move by the people. She attributed this situation to the fact no media

representatives were on hand to report on discussions leading the council decision. People are thinking we made our decision without

discussion, she said, and this "makes us look like jackasses."

In an ensuing discussion, Coun. McNeil stressed that the municipality had its reasons deciding as it did. She said council has been putting money into the utility for capital expenditures and the rate continues to climb.

"I think we're paying for the rest of the province, she stated in obvious reference to the fact that the Nova Scotia Power Corporation is subsidized by the taxpayers.

Coun. Vantassell was in agreement with these sen-

timents. "I think we're paying twice". As for a published statement that the Power Board does not know who owns what (information necessary in the event of a sale), Coun. McNeil suggested that this information must be known.

The Municipality of the District of Clare had made its decision known on the utility question some time ago. It, too, is in favour of getting rid of the burden.

The Village of Weymouth ratepayers have given Power Board officials the green light to pursue amalgamation.

## Scallop Day A Success

A warm, sunny day smiled upon organizers of Digby Scallop Day on Saturday as hundreds of area residents and tourists converged on the town.

This was the first year Scallop Day events spanned a period of two days. Sunday activity took place in the Yacht Club area on Sunday.

The major activity on Saturday consisted of a scallop shucking contest, fish-filleting contest, a popular scallop shish-kabob and beer garden, an all-day dart tournament, fishing contest and bicycle contest.

Other features included yacht and dory races, demonstrations of scallop dragging and lobstering, a tour of the Casey fish plant, and several assorted booths and displays of local handicrafts.

Top honours in the scallop-shucking contest went to Rodney McGarvey. Gary Halliday was second and Sonny Longmire third.

In the fish filleting contest, Ronald Amoro came out on top. Clifton Marshall came second and Freddy Smith third.

In the Scallop Day dart tournament, a team from Kentville, took top honours. Some 20 teams from various parts of the province participated.

(A more detailed list of prizewinners will be included in next week's Courier.)

## Protest Hour Change For Bluenose

Digby Municipal Council has decided to support efforts by Joe Casey and the ABTRC to prevent a possible arrival-hour change at the Bluenose ferry berth in Yarmouth.

The Annapolis Basin Tourist and Recreation Council is concerned that a change in arrival time from 3 p.m. to 11 p.m. would have a detrimental effect on the

tourist industry any distance from Yarmouth.

The present arrival-time allows for a distribution of visitors throughout the area whereas, with a 11 p.m. arrival-time, most would likely remain in Yarmouth.

A letter of support will be sent to Sandy Cameron with complimentary copies to Maurice DeLorey, Coline Campbell and ABTRC.

## Unexpected Experience

Cadets training at C.F.B. Cornwallis had an unexpected experience on Tuesday evening when one of their training ships through a temporary mechanical failure in the engine room grounded in Digby Harbour. The ship, a naval reservist, was formerly a gate ship for hauling of submarine gates.

The naval vessel, one of two in Digby port for the past two weeks in support of the CFB Cornwallis Cadet Training program, provides sea time for the cadets. Each day the Port of St. Jean and Port of St. Louis carry 25 cadets each on seamanship duties.

The program in support of Sea Cadet Training is expected to continue next year. The grounded ship which readily pulled itself out of the mud was under command of Commander Richard Ratcliffe.

## Lady 107 Years Visits Digby

Probably the oldest tourist to come to Nova Scotia this year, 106-year-old Mrs. Jessica Stewart Swift of Middlebury, Vermont, recently visited the Digby tourist bureau.

She wrote "Warm regards for Canada" in the visitors' register.

Mrs. "Addie" Tufts, bureau manager, welcomed the centenarian who will be 107 on Sept. 17.

Mrs. Swift arrived in the province via ferry from Portland, Maine.

She travelled with Mr. and Mrs. Robert Brooks of Middlebury, Vermont.

## Weymouth Girls In Miss N.S. Contest

Yvette Gaudet, 19, of Weymouth is one of a number of young ladies from across the province competing in the Miss Nova Scotia Contest in Truro.

Yvette is the daughter of Mr. and Mrs. Gerald Gaudet of Weymouth. She carried the title "Miss Clare" won in Meteghan in June.

Miss Gaudet is now attending University Sainte-Anne in Church Point where she studies secretarial work. She hopes to become a

bilingual secretary in the civil service.

Yvette's hobbies include camping, tennis, meeting

people, dancing and travel. She was sponsored in the Miss Clare contest by Meteghan Lions Club.

## Multicultural Association Gets \$12,200

Coline Campbell, member of parliament for South Western Nova announces on behalf of the honourable Joseph Guay, minister of state (multiculturalism) that funding in the amount of

\$12,200.00 has been granted to the Western Nova Scotia Multicultural Association of Digby.

This grant will be used for the operation of the organization.

## The Manleys - Tourists Of The Week

Tourists of the week Mr. and Mrs. Raymond Manley of Swansea, Mass., are shown signing the guest book at the town's information bureau. Mr. and Mrs. Charles Haliburton are shown in background.

Mr. and Mrs. Raymond Manley of Swansea, Mass., (50 miles South of Boston) were honoured as Tourists of the Week at a ceremony held at the tourist information centre on Digby Scallop Day.

The Manleys picked up by Const. Doug Miller, Digby RCMP, were greeted at the tourist bureau by AVABT executive manager Herb Smale and ABTRC representative Harold Riley.

The vacationers have been to Nova Scotia before and have come to love it. Among the gifts presented were a Nova Scotia Tartan cup and saucer, an armistyle lobster pin, a pack of post-cards depicting scenes from Digby Neck and area, a book of poems with sketches of the Digby area, a booklet of seafood recipes, scallop shells, etc.

The "Tourist of the Week" program was sponsored by the Pines Hotel, Admiral Digby Inn, the Siesta Motel, the Kingfisher Motel, the Fundy Restaurant and the House of Wong in co-operation with the Annapolis Basin Tourist and Recreation Council and the Annapolis Valley Affiliated Boards of Trade.

Mr. and Mrs. Raymond Manley, Tourists of the Week were greeted at the tourist information building by Herb Smale, AVABT, and Harold Riley, ABTRC.

## Farewell Message Delivered

The Rev. Wallace H. Jordan brought his ministry to a close on the Deep Brook United Baptist Pastorate on Sunday evening, August 21, at the Smith's Cove Drive-In Service. About two hundred members and friends across the field were present to hear him give "A Farewell Message" using Paul's message in Acts 20:17-36.

Special music was provided by the Smith's Cove Baptist Church Choir and the Ladies Trio (Alice Brinton, Joanne Frankland, Phyllis Winchester), also Mr. Jordan who sang "The Saviour of Galilee", Joanne Frankland, pianist.

Next Sunday, the Deacons of the Pastorate are in charge of the services on the field. Deacon Lic. Fred Bigelow will lead and speak at the Drive-In Service. Special music will be provided by the Bay View United Baptist Church Choir of Port Maitland.

The public is welcome to join in this service amidst God's handiwork. Come as you are and bring a friend.

Shown above are Deacon Harley H. Weir, Sr.; Rev. Wallace H. Jordan, Deacon Robert M. Winchester.

## "The Third Leg"

## Destined For Ottawa

It appears Digby municipal council will not be getting a DREE grant this year to expand airport facilities and construct an administration building, but efforts to obtain funding will continue.

Councillor L.E.R. Winchester announced Monday that hopes for the DREE grant had fallen through and DREE had withdrawn the grant offer.

The Third Leg, a brief prepared to support coun-

cil's request for the grant, will now be forwarded to Otto Lang, federal minister of Transport. However, Councillor Winchester reports he is "not very optimistic".

Councillor Winchester also expressed disappointment with the lack of support received from local organizations in this endeavour. A number of groups had been asked to support council's grant application.

## \$5 Fee

## For Tax Certificates

Tax certificates from Digby municipality will henceforth cost \$5.

A decision was made to set the fee at Monday's Digby municipal council session. Tax certificates are issued upon request to provide evidence of tax payment.

Only Councillor McNeil voted against the motion. She objected that the fee was too high.

The fee becomes effective September 1.

A resolution re government grants in lieu of taxes was read and discussed. Council feels it is not getting a fair deal from higher levels of government.

The resolution, calling for a better arrangement, will be forwarded to the Union of Nova Scotia municipalities for consideration at its September meeting.

Following the reading of minutes from the previous month's meeting, Councillor Winchester requested that his name be registered against the motion to sell the hydro utility.

Councillor MacAlpine thanked council for its stand against the establishment of a tavern at Weymouth. The tavern application has apparently been denied.

Responding to criticism of council's decision against Nova Scotia becoming a bilingual province, Councillor MacAlpine said the letter which led to the vote was in each councillor's possession two weeks in advance.

Councillor McNeil, reporting on progress of the high school Building Committee, said interviews with architects had been scheduled for Monday night, and the plumbing, heating and electrical business was in progress. She also reported that cleaning and

painting of the 1957 wing is underway.

The Building Committee intends to apply for a Canada Works Grant to help cover the cost of construction.

Councillor Daley reported that Councillor McNeil had been named vice-chairman of the committee and that signing authorities consist of two town representatives and two municipal representatives. At least one from each unit must be involved in any cheque-signing.

Councillor Grant Sabine was appointed to the Building Committee for Weymouth Consolidated High School. This move came after he questioned the inconsistency of recent Building Committee appointments.

The Building Committee for DRHS was appointed by a joint municipal and town council session while the committee for the Weymouth school was appointed by the school board.

## Municipality Is Without Services Of Dog-Catcher, Constable

Keeping a dog-catcher-municipal constable in Digby municipality is proving to be somewhat of a problem.

The resignation of the most recent occupant of the position prompted a lot of discussion and soul-searching at Monday's municipal council session.

As a result, the finance committee has been instructed to come up with some proposals for the employment of such a person and report back before council. Meanwhile, an ad, will be placed in the local papers seeking someone interested in the job.

The employment conditions of the dog-catcher constable came under serious discussion after an earlier motion on the matter was defeated by a 4-3 count.

The initial motion, made by Coun. Richard Daley, called for an advertisement being placed to fill the vacant post. Couns. Eric Vantassell, L.E.R. Winchester and Daley supported the motion, while Couns. Walter MacAlpine, Helen McNeil, Grant Sabine and Lloyd Grant voted against it.

Council's thinking in hiring one person to fill the two

posts is that the dog control officer will have more authority behind him under that arrangement.

During discussion on the matter, Coun. McNeil stated that anyone taking the job should realize it is unpleasant and it should be considered a full-time job. She expressed concern for those who have been buying dog tags while others have not done so.

Under the past conditions of employment, the dog control officer was given a portion of the tag fees collected as well as being recompensed for time and mileage on duty.

Coun. Sabine called on Council to look into a concrete formula for employing such a person and then advertise for him. He said no one had collected dog taxes in his area for about four years.

Coun. Walter MacAlpine suggested that the municipality draw up a resolution to present to the Union of Nova Scotia Municipalities seeking to have the dog-taxes included on the tax bills. This was not acted upon.

## EDITORIALS

### WHAT HAVE I DONE?

A lady dropped into our office this week and the conversation turned to exhibitions. The Annapolis County Exhibition which she attended was just over. Digby County Exhibition for 1977 opens its doors on Wednesday of next week, August 31. The lady, who lives in the County, and who had attended the 1976 Digby County Exhibition got the impression "Is this all?". She then asked herself, "What have I done to help, after all I am from Digby County." And so the observer this year plans also to become an exhibitor. Would it be that there are others to follow this person's example.

Why support the Digby County Exhibition? One reason is that besides the area being a fishing area, the economy is also supported by agriculture. The exhibition aids the expansion of the agricultural industry by creating interest and fostering improvements by friendly competition. Exhibitions aid the industry by placing before the farmers an opportunity to learn from others and to engage in useful and constructive conversation. The social aspects of the exhibition, too, are not to be overlooked as friend and neighbour meet on the open grounds or while viewing exhibits.

One worthy expansion of the Digby County Exhibition during the past few years was in the 4-H department. No better place can we hope to advance farming than through 4-H clubs, the farmers of tomorrow. The 4-H expansion at the Digby County Exhibition last year, possibly added to the bareness of the main building as the 4-H exhibits were placed in their newly acquired facilities. Hopefully more persons will follow the footsteps of our caller this year, fill up the empty spaces in 1977 and add to the Digby County Exhibition.

What have I done? That is a good question for each person in Digby County to ask and follow it up with action even if the best effort is simply attending. After all, it is your exhibition and there are many resources and talents in the area to be drawn from. See you there.

### GETTING BEST LEADERS IS YOUR BUSINESS

This is your business and it is ours, too. Nevertheless, we doubt if a very large percentage of us eligible voters in the Town of Digby have given, so far, any thought to the fact that an election for councillors comes up in Digby in October. Not many weeks hence!

Is there anything more important to us than the affairs of our own town where we live, bring up our children and enjoy our grandchildren. So much is encompassed under the umbrella of the town council. Whether it be sewer, water, environment, fire protection, police protection, youth activity, comforts for the aged or any of many more, the manager and town councillors are depended upon to make the best possible decisions for the good of all the citizens concerned. What else, then, should be so important

## Hodge Podge

Miss Heather Dale Elms who was recognized for her academic achievement at Acadia University last year by being on the dean's list was from Conway-Acaciaville area and not from Digby as reported last week. The village is proud of the honors their students bring and we are happy to see the honor properly bestowed. We add our congratulations to Heather and express appreciation of the Elms family for maintaining loyalty and pride for their village. The list forwarded to us had Heather's location, Digby.

See where in parts of Manitoba there is renewed interest and an upswing in teaching the German language. An editorial in the Red River Valley Echo says "fostered at least in part by Quebec's struggle to retain French." The editorial remarks that the language had been rapidly disappearing from local tongues and they were losing the cultural and religious heritage of their ancestors. Come to think, there are quite a number of people of German stock living in Lunenburg Co. and elsewhere. This could get out of hand if every different ancestral language came up with demands.

Whatever it is that's bugging you, don't bottle it up. Confide your worries and concerns to a person you can trust -- your husband or wife, father or mother, family doctor, clergyman, teacher or close friend. Talking relieves the strain and helps you put your problems into proper perspective.

Don't spend all your time in the real world, worrying about your problems. Lose yourself occasionally in a book, a movie or a game. True, "escapism" can be overdone, but occasional forays outside reality are good for you. They help you recover your breath and mental balance.

"Even if it is just that someone's cow is sick, we want the news from our home village" said a Courier subscriber back home on a visit. Village correspondents, you are important. Of course, we like high standard news but this visitor's remark proves that our subscribers want your village notes. Keep your village on the map.

as voting in the right kind of person to take care of all these affairs of the town.

Few, if any small town civic leaders attempt to govern a town for their personal benefit or advancement. No one, of course, is perfect and leaders like ordinary people sometimes from want of information or lack of time, but generally without intent do some unsound reasoning. It is regrettable, however, that people often like to think or listen to the worst and so readily adopt the attitude, without justification, that council business is "under the table business". Wherever such an attitude is found, it should be changed and a genuine spirit of trust established to replace it. For any council to progress with its business transactions there is needed that mutual trust whether within the Council itself or between the Council and general citizens. The image presented to the outside public, too, is a benefit to the town when harmony prevails. And that indirectly returns to the town in benefits.

As we remind our town readers that an election comes in October and this is the time to think about it, we also support that should new candidates be looked for there are many departments in town business that can make use of varied and highly qualified persons. Look for these. Along with these should also be considered the ability to get along with people. While not needing to agree on every score, the ability to be congenial is a good qualification for such a position.

Councillors in Digby whose terms expire this October are Philip Robertson, Mrs. Eileen Chipman and Guy VanTassell. At this date we have nothing definite on their plans to reoffer their services. Nor have we heard of any additional names for replacements or to make an interesting contest in the democratic system we approve of following. This is simply a reminder that the time is coming for both the potential candidate and the voter to start thinking.

Town business has become tremendously big business and is, therefore, more reason than ever, that it becomes your business, voter, to have the very best leaders available for your town.

## History Of

## Point Prim Lighthouse

By Frances Stronach Adams

A considerable amount of interest has been shown in this History of Point Prim Lighthouse and so I would like to add these footnotes:

Mr. and Mrs. Ephraim Ellis parents of the Veteran keeper Capt. William Ellis were laid to rest in a small burying ground on the Shore Road located back of the old Ellis homestead which was once owned by James Ellis, son of Ephraim Ellis. In more recent years it was owned by James Ellis' son, Boyd who lived here for 80 years. It is now under new ownership and up for sale.

Mrs. Janet Wilson recently told me about her annual visits to the Monument erected by the Dominion Government which is located about 1 1/4 miles west off Point Prim to the memory of men who went to their watery graves following the wreck of the Government Ship Princess Louise. She told me that for many years she and her four daughters would make an Annual visit to the Monument and place flowers there.

Haze Condon, son of the late Mr. and Mrs. John Condon in June 1973 visited with Mr. Fred Adams. In a conversation regarding Point Prim Lighthouse, Haze Condon was speaking about a severe North East Storm which caused the family of the Lightkeeper, Capt. William Ellis to leave the Lighthouse because flood waters had invaded it. He said the family moved to the nearby home of his father John Condon and stayed for a time. In his conversation he was heard to say, "What a gang." There was a mess of our gang and their gang." Sleeping on the floor and everywhere else."

I have been told Capt. William Ellis had a family of fifteen children and that John Condon had a family of twelve children. It seems about thirty people could have been living together at once although I am not sure about this number.

Just a word in general about the road conditions on the Lighthouse Road. The road to the Lighthouse was made somewhat wider in the early 1960's. From Bernans Mountain to Point Prim the road was made wider. The work began on August 10, 1961 and continued into the late summer 1962. Before the road was widened the trees along the narrow road formed an arch and in some places the branches touched. Many times during spring break-up cars had to be towed out of the mire with horse or tractor.

The road to the Lighthouse was paved during the early Fall of 1967 and it made travel to the Lighthouse less difficult. With the new Highway came new homes and new neighbors.

During the month of February 1964, a large amount of snow was recorded making travel to or from the Lighthouse even more difficult. The assistant Light keeper at this time recorded in a Diary that he was travelling by bicycle and that someday the snow was heavy making his means of travel most uncertain. One entry in the diary read, "I could have used my bicycle today only three drifts in the way."

As you enter the gate of the Lighthouse two new dwelling houses were erected. Both were located on the left side of the road. The one located nearest the light was occupied by the Light keeper Carman Frankland and his family on February of 1964 and in August of the same year the Assistant keeper and his wife, Mr. and Mrs. Edward Murphy occupied the other dwelling house.

The lantern on the old lighthouse was taken down and the top of the lighthouse was removed so that the light from the new lighthouse would not be blocked from view if travelling on the Bay of Fundy. Records tell us March 22, 1964 was when the Lighthouse top was removed. I have been told it is on the Wharf at Saint John, N.B.

Mr. Reginald Bremner, assistant keeper of the Lighthouse, stayed in the old Lighthouse until it was destroyed on May 13, 1964. It was pushed over by a huge bulldozer. A landmark gone. In his Diary he recorded "I feel a bit proud to know I was the last person to live in the old Lighthouse."

The old Lighthouse which weathered many storms of the Bay of Fundy was gone and somehow the charm was gone. The cozy home which provided a shelter for so many families was no more.

The cement lighthouse which replaced it seemed quiet even as if something was gone within.

Mr. Carman Frankland, the Lighthouse keeper at Point Prim and his wife celebrated their 25th wedding anniversary in January 1975. A Surprise dinner at the House of Wong was planned by their children Joanne and Dwight to honor their parents on this special occasion.

The ship wreck shown above is of "The Donahoe". She was loaded with bricks and came ashore on the rocks on a Wild Windy Day. The exact date I do not know but it would be about 1914. It was said perhaps early Fall. The wreck took place at the Lighthouse which was then under the keeping of Mr. Leandor Ellis.

Mrs. Janet Wilson a daughter of the keeper recalls today that she was only a school girl then. She tells of being seated eating her breakfast when her uncle Isaac Ellis said "If that boat does not change its course it will come ashore here on the rocks." Janet remembers she did not attend school that day and tells of standing by when somebody on the boat said in regard to a crockery water jug they threw off the boat. "Little girl if you can catch this it is yours." She told me she did not catch the Jug that it landed on the rocks in the seaweed unbroken, and recalls luggage and other bundles thrown from the wreck that day. A white granite sugar bowl with black trim and a soup ladle were also given to her. She remembers her parents fed the people who came ashore from the boat. She tells today how their wet clothing was leaving a considerable amount of water on the kitchen floor at the Lighthouse while they tried to dry them.

Mr. Boyd Ellis, a young blind lad then, tells of his adventures on board the grounded listed ship. He remembers being in the gally and speaks of a large wooden, spoon he found there.

By 4 p.m. the same day the people who came ashore were picked up and "The Donahoe" was almost all under water by then. The original photo of the wreck was taken by Paul Yates that day and the picture rephotographed by Reginald Bremner recently.

### ELECTRICAL STORM OF 1963

In late June 1963 an electrical storm lasting three to four minutes caused damage at Point Prim Light, Bay View.

On Wednesday afternoon a bolt off lightning apparently entered the Lighthouse Tower where a fuse box was struck. On the second floor, the insulation in a four foot wire was burned and the ceiling was charred. The lights throughout the house were burned out.

Glass in the fuses in a downstairs fuse box was shattered.

In the kitchen plugs in both washer and refrigerator were blown from the socket and the switch of the refrigerator was damaged. A plaque was cracked on the wall, a large dent

## Letter To The Editor

Opinions expressed in the Letter to the Editor column in this newspaper are not necessarily those of the editor.

Dear Editor:

At this last regular meeting of the Digby Municipal Council the Warden asked the PRESS to take notice that a recent letter dealing with a Bilingual issue was not according to facts with regards to the time taken to pass the motion and that the Council did know the person who had sent the letter requesting the Council to pass the motion.

There was no mention at the previous meeting of the Municipal Council that the question had previously been dealt with by the Councillors, and was it an attempt to deceive ratepayers, or just for my benefit, that the Municipal Clerk repeatedly stated (in Council) that they did not know the person who had sent the letter.

I painted the picture that was presented to me, this

added touch of color only darkens it.

Yours truly,  
Rene A.J. Richard.

was made in the stove pipe. The telephone was smashed to bits and pieces of plastic were embedded in the wall and ceiling along with other places.

The lighthouse keeper, Mr. Carman Frankland and his family were not home at the time. The assistant keeper, Reginald Bremner, had just left the kitchen and gone to the Whistle house. He was knocked to the floor by the bolt of lightning but was not injured.

He reported that he never, at any time, saw it rain so hard, that it just poured during this storm and recalls the water danced high after striking the ground.

Some of the damage which resulted from the storm was never repaired because the new lighthouse was under construction at the time.

The new dwelling houses at the Lighthouse were struck twice but the damage was not extensive and the dates I do not know.

During this History of Point Prim Lighthouse which was written nearly two years ago we have heard of lives which were lost. Lives of the young and lives of the old with perhaps the life of Angus R. Frosst, 22 days old son of one of the early lighthouse keepers, Sheppard J. Frosst, being the youngest life lost.

Fights with Indians at the Point caused some deaths while numerous others were caused by shipwrecks near the Lighthouse and some of the older keepers passed on while still serving their term as keeper. Tragedy struck Point Prim Light once again when the sea claimed the life of the Assistant Lighthouse keeper during this past year.

Mr. Edward Murphy served as assistant Light keeper from August 1, 1963 to his death in October 1976.

The Bay of Fundy claimed the life of the assistant keeper on October 22, 1976.

Mr. Murphy left to tend lobster traps about 4:00 p.m. and was last seen about 1/2 hour later. The waves on that Friday p.m. were estimated 10 to 12 feet high. They were believed too much for the twelve foot craft he was using.

When he failed to return, a search by boat and plane took place with RCMP. and members of the Coast Guard taking part. The Digby Fire Department assisted in the Shore Search and unsuccessful dragging operations were carried out in hope of recovering the body which was presumed drowned.

The badly demolished cedar hulled boat and accompanying motor were apparently smashed on the shoreline rocks. Pieces were found of his craft on both Saturday and Sunday following the tragedy at both Delaps Cove and Parkers Cove.

The wife of the assistant keeper, Vivian Murphy, was soon appointed to fill the vacancy left by her husband some nine months ago.

It is of interest to note Mrs. Murphy is at present the only lady assistant light house keeper in the area but lady light house keepers have been and I believe still are in attendance at some lighthouses in Nova Scotia.

Mr. Douglas Thompson one time assistant Lighthouse keeper for Capt. William Ellis was recently laid to rest in the Bay View Cemetery. His funeral service having been conducted on Friday August 5th, 1977.

People may have commented many times over that to reside in a Lighthouse must be a lonely life but I have been told it was a happy life.

Mrs. Janet Wilson wife of a former lightkeeper at Point Prim recalls that her husband grew a large number of glads and as many as 300 at once so they could pick flowers to share with the Tourist Ladies who happened by.

Mrs. Carman Frankland wife of the present lightkeeper at Point Prim refers to not only this light but also to other stations at which they resided saying "At a Lighthouse you make many friends and also many of these friends you keep for years to come."

Richard Bragg born in 1973 in Warwick County, Birmingham, England, with his wife, Margaret (Walker Bragg immigrated to Digby. The date of his arrival is unknown to me but he was the first keeper of the first lighthouse at Point Prim. He was ancestor of all by the name of Bragg in Digby County. He died in 1839 and both he and his wife are buried in the old Anglican cemetery back of the Trinity Church, Digby. Huge slabs lying flat on the ground mark their graves. Mr. Richard Bragg may have been succeeded by Mr. F. Bragg who I previously mentioned as being the 1st keeper I knew about. He completed his term on May 1, 1873.

The Author of this History recalls, as a young girl many happy vacations spent in Port Lorne, also remembers what a thrill it was to watch and wait for the many glorious sunsets and at this time was privileged to accompany the keeper to the tower when the lights were lit. Today when I think of any Lighthouse anywhere I remember the grand old Hymn of the Sea "Let the Lower Lights Be Burning! Send a Glean across the Wave!"

The End

### MUNICIPAL COUNCIL GETS CITATION

Members of the municipal council of the District of Digby were a little surprised and heartened Monday when they received a citation from the Canadian Red Cross Society.

The citation, presented to Warden Wilfred Swift by Harold Emerson, was awarded for the municipality's past and present contributions to the society.

For the past 40 years, the

Red Cross group used the municipal council chambers for its meetings and has also been provided with storage space in the building.

Ladies of the Society also have access to space on Wednesdays to do their knitting, sewing and quilting, etc.

Warden Swift thanked the society on behalf of the municipality. He said council is pleased to be able to offer these conveniences.

## Ministers Combine Efforts For V.B.S.

The closing at Island's Vacation Bible School in the Tiverton area was held Friday beginning at 11 A.M. Attendants witnessed a typical day's activities of the one-week study program under the theme "Jesus Teach Me." Parents and interested attendants were permitted to see the arts and crafts the children of the various classes fashioned in keeping with each of the five topics of the five sessions of the week. They also heard the songs, choruses and Bible passages memorized during the short duration of the event.

There was an average attendance of 47 children from the areas. Freeport, Central Grove, Tiverton and several visitors in the area, or 60, counting the teachers.

The amount of money derived from offerings for the week and the closing was \$97. This is to be forwarded to the Toronto Christian

Mission (referred to as TCM) their European centre is Austria and it is understood to be communist dominated. Bible messages reach them by means of radio, preachers, etc.

Teachers and helpers at V.B.S. included Rev. Charles MacNeil, Mrs. Janet Pyne, Mrs. Gail Sollows, Miss Margaret Ossinger, Mrs. Sheila Dickson, Mrs. Valerie Prime, Miss Darlene Clelland, Miss Helen Outhouse, Mrs. Roberta Titus and Mrs. Verona Munroe.

Two aspects of this year's Vacation Bible School marked changes over previous years. One was that for the first time, V.B.S. was held in Tiverton United Baptist Church instead of the Christian Church. Also, Rev. Charles MacNeil was assisted by musically talented, Lic. Floyd Gale, minister of the United Baptist churches in the area.

## Barbeque For Wilsons

On Saturday evening Aug. 20th the estate of Mr. and Mrs. Garland Myers was the scene of a steak barbeque. The congregation of the Digby Wesleyan Church was well represented when members gathered to honor Mr. and Mrs. David Wilson.

Mr. Wilson has been manager of Jones Bottling Co., at Weymouth. He has been transferred to Saint John, N.B. and will be leaving with his family in the near future to take up residence in New Brunswick.

The pastor, Rev. Walter Fernley, presented the couple with a silver tray on behalf of the Church they supported.

Barbara and David Wilson both expressed their thanks and remarked they were happy to have been part of the Digby Wesleyan Church.

color also identical to the bridesmaids and carried a bouquet of white mums.

Little Tanya Bell, sister of the bride, was flower girl and looked winsome in a floor length gown of yellow polka dots in satin peau de soie and carried a bouquet of white and yellow mums.

Ricky of Moncton, N.B., friend of the groom, was best man and ushers were Mr. Bill Cloney, brother of the groom and Morse of Halifax. Wayne Bell, nephew of the bride, was in charge of the guest book.

The bride's mother chose a long gown of blue polyester with white accessories and she wore a corsage of pink roses. The groom's mother chose a long skirt and white blouse effect gown with white accessories and she wore a corsage of red roses.

Following the ceremony a reception for 125 guests was held at the La Cave Restaurant. The toast to the bride was proposed by the best man and responded to by the groom. A dance was held when the band "The Strangers" played.

For travelling the bride wore a two piece rust suit and wore a corsage of white mums.

Following their honeymoon to Niagara Falls and several interesting points of U.S. The happy couple will reside in Moncton, N.B. where the bride is employed with Wawanessa Insurance Company and the groom is on the staff of City Chrysler and Plymouth in Moncton.

Out of town guests were from Moncton, Springhill, Halifax and Grand Manan, N.B.

Kingston, is staying with her great aunt, Gwen. Hand-spiker, Mt. Pleasant.

## In Memoriams

**WOODWORTH** - In loving memory of our dear mother, Dorothy Woodworth who passed away August 22nd, 1976. Mom you did a million little things That made us proud of you. Your cheerful and loving personality Made each day a pleasure to live through. We cannot explain to others The heartaches we hold inside And on some certain days The tears we try to hide. We watched you suffer, heard you sigh And all we could do, was just stand by. And when the sad end came, we suffered too Because "Mom" you didn't deserve what you went through God saw you getting weary, so He took you home to rest God's garden must be beautiful "Mom" For He only takes the best. Sadly missed and forever loved by DAUGHTER RUTH, SON-IN-LAW AUBREY. 3-1ip.

## In Memoriams

**NASH** - In memory of our loving grandfather and great-grandfather Titus Nash, who passed away on Aug. 6, 1975. The rolling streams of life flows on, But still the vacant chair, Recalls the love, the voice, and the smile, Of the one who once sat there. Just when your years were the best, You were called away from the ones who love you, To a home of eternal rest. Pappy you maybe gone but your memories live on. We all love you dearly Pappy, GRAND-DAUGHTER SHIRLEY AND HUSBAND BILL AND GREAT GRAND-CHILDREN DAVID, DONNIE AND DONNA WILLMAN OF ONT. 3-1ip.

**HARRIS** - In loving memory of my dear wife who passed away Aug. 24, 1969. In my heart your memory lingers, Sweetly tender, fond and true, There is not a day dear Kay, That I do not think of you. Sadly missed and always remembered by HER LOVING HUSBAND, CARLTON. 3-1ip.

**JOHNSON** - In loving memory of a dear husband who left me so suddenly on Aug. 31st, 1963. I miss you from my home dear, I miss you from your place A shadow o'er my life is cast I miss the sunshine of your face. I miss your kind and willing hand Your fond and earnest care My home is dark without you I miss you everywhere. Sadly missed and always remembered by HIS LOVING WIFE FLORENCE. 3-1ip.

### In Digby

Dr. and Mrs. John Osborne, Vancouver, B.C. were weekend visitors of the C.M. Levy and Richard Levy families in Digby. Mrs. Osborne was the former Miss Marilyn Campbell, daughter of the late Mr. and Mrs. H.J. Campbell, Digby. Several functions were held by the Levy's so that Mrs. Osborne, who has not been here for twenty-three years, could renew acquaintances. Mrs. Osborne was excited about the many changes since 1954 and Dr. Osborne and children were thrilled with the beauty of the country. They hope to return again soon.

## Lands And Forests Fuel Cutting In Digby County

On June 4, 1976, one of the worst forest fires ever experienced in Nova Scotia broke out in the Porcupine Lake area of Pictou County. Raging throughout the summer, the conflagration ravaged some 33,400 acres of prime timberland in both Pictou and Guysborough counties, racing through the Trafalgar district, Sunnysbrae and Caledonia.

One year later, in June 1977, the Department of Lands and Forests began supervision of a salvage operation which is being carried out by crews ranging from five to eight men, working under the provincially-funded Job Corps program.

Trees left standing following the great fire of '76, while killed, still provide an excellent source of fuel for home use - provided they are harvested now.

To date, the Job Corps workers in Pictou County have felled and cut into eight-foot lengths more than 400 cords of birch and maple.

Two hundred cords have been hauled to the Lands and Forests Depot at McLellan Brook, and, when the operation has been completed early in September, approximately 450 cords of this prime firewood will be offered for sale to the public.

Robert Gunn, a technician in the Forest Resources

Department at New Glasgow has been in charge of the program. He said, "Within a short time, a price will be set on the wood, and publicized so that interested consumers may take advantage of this fuel bonanza."

Lands and Forests Department officials cited three important advantages in the fuel cutting, which is being carried out in 16 counties across the province: forest management and silviculture, provision of a relatively inexpensive energy source (it is anticipated that the price of the eight-foot wood will be in the range of \$15.00 to \$22.00), and the creation of more than 100 summer jobs.

"One cord of hardwood maple," said a spokesman for the Department, "produces energy equivalent to that produced by 170 gallons of fuel oil."

"And don't forget," he added, "that high-efficiency automatic wood heaters are now being manufactured right here in Nova Scotia."

The firewood will be available at the Lands and Forests Depot at Hill Grove, Digby Co., and other provincial depots.

An early announcement will be made to advise the public when the fuel-wood will be available for sale and pick-up.

## Fishing Industry On Threshold Of A Decade Of Intense Modernization

The fishing industry is on the threshold of a decade of intense modernization which will make it far more efficient, according to Alec Gingell, whose job it is to help fish processing firms keep on top of new developments.

"The industry is going to become a modernized, more technically competent industry. The days of the old huts on the end of the jetty and handling fish any-old-how are going to be long gone."

"In a five or ten-year period, you're going to see a much better method of handling and processing fish than has gone on in the past."

As export sales manager for Atlantic Bridge Co., Ltd., Canada's largest supplier of fish processing equipment, Mr. Gingell is co-ordinating his company's display for the World Fishing Exhibition in Halifax August 31 - September 7.

The exhibition will be an international show-case for the latest in equipment used by the commercial fishing industry. About 15,000 people, mainly members of the industry, are expected to come to Halifax to see the array of goods laid out by more than 180 companies from at least 14 countries.

ABCO, based in Lunenburg, N.S., will be showing a working model of its air unloader which is used to suck fish gently out of the hold of a fishing boat and get them inside a fish plant for processing.

It will also feature a display of the company's round fish holding tank, an innovation which has already caught on with several Canadian fish plants and which ABCO feels will be standard equipment before

very long. "We feel pretty confident that every major plant in eastern Canada will in the foreseeable future install a tank holding system. That's our prediction. The trend is already there."

"A plant of any capacity without our round fish holding tanks is dollars behind those that have them, from a processing cost point of view."

Traditionally, when a boat pulls up alongside the plant with a load of fish, the processing line has to start work immediately and rush the fish through the lines. If it falls behind, fish are packed in ice until they can be processed - a costly extra step.

The holding tanks can be connected to the air unloader so that fish are pulled from the boat, run quickly across a grading area and directly into tanks of chilled salt water where they can be kept for three or four days.

"That allows the plant to process fish at a time and rate which suits the processing lines," says Mr. Gingell.

The tank is just one of ABCO's products designed to live up to the company's motto - which incorporates its philosophy: "The future belongs to the efficient."

## Fellowship Group Holds Picnic

The Culloden Bible Fellowship held its first picnic on Saturday at the Maple Tree Tent and Trailer Park, Plympton. About 50 attended and enjoyed an afternoon of leisure. In charge of the afternoon program was Keith Hatt,

leader of the group, who led the people in prayer prior to the picnic meal or buffet supper.

Baseball and volleyball were enjoyed by adult picnickers while the children enjoyed races, swimming and a peanut scramble.

## Grant Money Provides Centre Facilities

A Canada Works grant of \$8,808 was partly used by the Acaciaville-Conway Betterment Association to construct a play-area behind the community centre. Some of those involved in the project are June Miller, May Cromwell, Jerry Cromwell, Alan Cromwell, Sherry Cromwell, Wendy Lawrence, Lloyd Miller and Ben Elms (project foreman). (Duchess Photo)

A Canada Works project in the amount of \$8,808 has been practically completed at the Acaciaville Community Centre. The project was sponsored by the Acaciaville-Conway Community Betterment Association.

The money was used to insulate and panel the centre basement and to construct a play area behind the building. Eight young people were involved in the project which began on July 4. Sherry Borden was project manager.

## Radio Hotline

MEET A NEW YOUNG WRITER. The Saturday, August 27, edition of Anthology introduces a new name to series listeners, Stephen Ridley, whose first broadcast story, Corn, will be heard on the show. He's a graduate of Father Athol Murray's famous school of hard knocks, Notre Dame, at Wilcox, Sask. On the same program the well-known sage of Amelburg, Al Purdy, just back from a visit to the Soviet Union, reads from his recent notebooks.

## PERSONALS

Mrs. Joe Giovanazi, and family of Elton, Maryland, have returned home after spending some time with her cousin, Miss Gwen Hand-spiker, Mr. Pleasant, Mr. and Mrs. Eric VanTassel, Mr. and Mrs. Gerald Hand-spiker of Culloden and His latest book is Sun Dance At Dusk. You'll also hear in the Recovery Room, a short story by Marlene Cohn of Downsview, Ontario. Broadcast time: 10:05 p.m. (11:05 a.m. 11:55 n.d.).

Herbert Handspiker of Mt. Pleasant, and other relatives.

Mr. and Mrs. Robert Johnson and children spent a week with his father, Carl Johnson and sister, Chris and with her parents, Mr. and Mrs. Cecil VanTassel. Mr. and Mrs. Albert Simms, Salem, Mass., are visiting friends and relatives in Jordontown. They were accompanied by Mrs. Bernice Sport, Lynn, Mass., and Mrs. Pearl Rogers, Salem. They visited with Mrs. Whitford (Louise) Barton, at Tideview Terrace also.

A cheque of \$10.00 went to Kent Ellis for being the best over all 4-H'er for 1977, compliments of the club. Congratulations go to Kent for his good work. His mark was 90.

Other 4-H accomplishments worthy of

mention go to Krista Ryan and Darlene Outhouse for winning the 1st prize trophy for their demonstration at the Digby County Rally held in Clare, and for winning the 1st prize trophy at the Regional level. Darlene and Krista won a weekend trip to the Agricultural College in Truro for their good work. Michael Wright won a 2nd prize trophy for his demonstration at the Digby County Rally. Rodney Wright and Dougie

Morgan each won a 4-H pin for being the best model 4-H'ers at the Digby County Camp week end held this summer.

Dougie Morgan won a prize for having sold the most tickets on a clock set, donated by Weymouth Supplies, Weymouth, N.S. Dougie sold 48 ticket books.

Our congratulations go to these hard working 4-H'ers. Keep up the good work.

Look for the Dudes fine work at the Bear River Exhibition, 4-H Day, August 31st, where their projects will be on display.

Last but not least, the Dudes wish to thank all those who assisted in any way throughout the year. Your help and co-operation was greatly appreciated by all the Dudes.

crafts will surely look superb.

The details of the competitions can be received from the Atlantic Winter Fair Office, 2901 Windsor St., Halifax. The deadline for entries is September 2nd, so there is not much time left!

With regard to prizes \$15.00 will be awarded to those high quality articles chosen for the displays. Inferior articles will not be shown. The best article in show will be awarded \$50.00. The Spring Garden Area Business Association Trophy will be awarded for the best needlework article. The best article shown by a Women's Institute member will be awarded the Florence M. Hickey Award.

Piercy Supplies Ltd., will present \$25.00 for the best article in wood.

The International Quilt Competition is again part of the Atlantic Winter Fair. It is sponsored by the Fair, Women's Institute of Nova Scotia, and the Art Gallery of Mt. St. Vincent University. Prizes are \$250.00 (and trophy) for first; \$150.00 for second; third prize is \$75.00 and fourth is \$25.00.

The quality of crafts has certainly improved within the past few years and now the effort is being made to improve the prize money, and the display of those lovely crafts.

When all of this is put together, both craftspeople

## Patchwork Pieces

Hannah Dale

Summer seems to be slipping by so fast. The Golden Rod is coming into flower, and this is one of the first signs of the approach of fall. There is plenty of Queen Anne's lace around, and it is so pretty and dainty. Out near our garage there is some growing that has a faint pink tinge to it. One or two blossoms have a few petals that are actually a pansy purple. They are so minute one has to look closely to see them.

I am always interested in seeing the different shades of pink in the common yarrow weed. Usually this is a dull white flower. But by bringing it into the house, cutting the stems quite short and putting it into a low colorful bowl, you will find that it, too, has a beauty all its own. The pink and white flowers in the one bowl with a few pieces of fern is especially attractive. I had never seen it pink until I came down to Nova Scotia. I'm hoping to get some to grow out in front of the house.

The Digby C. Exhibition is approaching and I hope to put some flower arrangements in for competition. Out of necessity I will be using the wild flowers, as I have no garden. The mauve Aster will be in bloom by then.

We were out one night recently, visiting with friends.

## Accident Takes Two Lives

A highway accident at Weymouth Falls, Digby Co., took two lives when the truck in which they were travelling and the public will benefit. Our fairs present an excellent showcase for exposure of these craftspeople and their work, and the public will be treated to excellent displays.

The Atlantic Winter Fair's craft section in 1977 should certainly be worth waiting to see!

left the road and rolled over. Victims of the accident were Kevin Eugene Cromwell age 22 and Ernest Sinclair Oliver, age 19, both of Weymouth Falls.

The accident happened on Saturday at about 2:10 a.m.

Hospitalized by the same accident were Peter Stewart, 31, and Raymond Simms, 22.

During the evening we sat outside on lawn chairs. After we came home and were getting ready for bed, I was horrified to see a large slug, complete with horns, on the kitchen table. It was as big as one as I have ever seen, fully the size of my little finger. Now, someone is sure to say "Why, I've seen much larger ones than that." But I say, "Not on your kitchen table!" My first thought was, of course, how did he get there? Well, I got an idea, and went out and looked at my purse. Sure enough, there was a dirty slimy mark on it. Ugh! Slug!

I'm glad to see the trucks going by this morning, carrying away the dead branches, that were recently cut and left strewn along the roadway on either side. They did look so unsightly.

## A CRAFT COMPETITION SHAKE UP

Well, somebody finally did it! A committee of professional craftspeople took the crafts competition list of the Atlantic Winter Fair, gave it a good shaking, brushed away the cobwebs, and came up with a terrific sounding production.

Sheila Stiven, Craft Development Officer of Nova Scotia, has worked with a committee of the Atlantic Winter Fair to revise both the entry list and the traditional display concept.

Here's what they created. The total crafts area has a theme - "Main Street". The street will have 'shops' into which crafts may be entered. They will become a part of a display within a display.

A professional theatre designer, Robert Doyle, will use the best works to create

the displays.

The shops as outlined in the Atlantic Winter Fair Prize list have broadened greatly the scope of crafts that can be shown. THE WOODEN SPOON includes everything from the kitchen: wooden articles for food use, pottery, aprons, towels, oven

mitts and iron products (hooks, trivets, forks).

THE COUNTRY SHOP includes woolen articles, leather, wooden articles, herbs, dried flower arrangements, and baskets.

KIDDELAND, of course, is for articles of clothing and toys for children up to twelve years of age.

The other three shops are: FASHION BOUTIQUE, THE GIFT SHOP, and THE BED BOUTIQUE.

Throughout the prize list one can still find the traditional type of crafts competition classes but within the framework of the thematic display, these

The Digby Swimming Pool will be closed on the above dates and will open for a final swim on Monday, August 29.

A special thanks to all the parents and friends who donated their time for transportation to the two swim meets. Also thank you for your support in our successful Swim-a-thon in which we raised \$800.00 for expenses.

## Rev. Ripley Conducts Service

The Old St. Edward's Church in Clementsport's annual Anniversary Service was held on Sunday.

Rev. Lloyd H. Ripley conducted the service before a good turnout of worshippers and visitors. This is the fourth year as rector of the parish where the annual service is held for Rev. Ripley. Wardens are Eric Hills of Deep Brook and Reid Boudreau of Clementsport. Mary Williams of Clementsport was organist.

During the sermon address, Rector Ripley urged the congregation not to be diverted by this historic church. If we allow ourselves to be diverted from

the church's true purpose, he said, we're letting down our heritage and losing our faith.

The rector was asking that the congregation not get the impression that their religion is a once-a-year event or a historical event but, rather a daily experience.

He said a church should no longer exist when it becomes a reason in itself and we forget the Christ part of it.

The Old St. Edwards Church was built by United Empire Loyalists following their settlement in Clementsport in 1784. It was consecrated by Bishop Charles Inglis in 1797.

Timber for the building

was obtained from the hill on which it is located and hewed by hand. Lime for plaster was obtained by burning clam shells from the shore.

Nails were hand wrought. The beams which can be seen in the tower, are somewhat like the timbering of a ship, held together by wooden spikes.

The Church is set true east and west and when the shadow of the cornice touches the round window in the church it is exactly twelve o'clock noon, a community time piece. A large doorway on the south side was used for the bridal party and for bringing in a bier at a funeral.

The pews are the old square type with doors, and hand made hinges and nails.

A block of pews extended nearby to the chancel steps in the centre of the church, and in the upper part of this block stood the pulpit with a sounding board directly overhead.

The pulpit was taken down in 1848 and placed at the south side of the chancel.

Shingles were manufactured by hand from pine trees cut on the premises. A portion of the roof below the tower is still covered with the original shingles.

A lovely view of the surrounding area may be seen from the tower, if one is willing to climb the staircase. The organ in the church is the second to be used.

After the anniversary service, the congregation proceeded to the Parish of Clements Hall in Deep Brook for refreshments and conversation.

## Legionaires In Atlantic Circuit ... Walkathon Planned

The Digby Legionaires, the local Junior "C" hockey team which placed independently during the 1976-1977 hockey season, will operate within the Atlantic Junior "C" Hockey League circuit this coming season.

Notice of the team's acceptance into the league came recently by letter to the Legionaires' executive. Other teams in the circuit play out of Windsor, Newport, Sackville, the Eastern Shore, and South Shore.

Involvement with the Atlantic circuit will mean an extra expense for the team this year. A Walkathon is being planned for Saturday, September 24, in an attempt to raise some of the additional funds required. The team operated last year with expenses of \$7,000. An estimated \$10,000 will be required this year.

The Digby Legion is contributing a sizable portion of the expenses.

Legion sports chairman Irving Cromwell presented a \$2,500 check to the team's executive on Sunday. An equal amount will be provided at a later date. The Legion provided \$3,000 for the team last year.

This year's team executive consists of President, Ken Ilitski; first vice-president, Bob Morgan; second vice-president Phil Robertson;

third vice-president Fred Smith; treasurer Ron VanTassel; coach Paul VanTassel, assistant-coach, Donald Hattie; manager Mike Greenlaw; trainer Bill Nickerson; and secretary Irene Hattie.

## Look Toward New Fire Hall

The Bear River Fire Department Ladies Auxiliary realized \$949.67 from their booth and ticket sales during Cherry Carnival. It was decided that this money should be held in reserve and perhaps invested to help build a new Fire Hall in the near future for Bear River.

At the August meeting of the Auxiliary, held on the

18th, plans for future endeavors were discussed. A corn boil will be held the evening of August 25th with firemen and their wives invited and on Saturday, September 24th, there will be a Harvest and Bake Sale.

President Rosalind Rice, discussed with the meeting, several possibilities to encourage a greater membership in the auxiliary, the

only requirements for membership being, over the age of sixteen and a willingness to work.

The next meeting of the Bear River Fire Dept. Auxiliary will be held at the Fire Hall on September 15th at 7:30 p.m. It looks like a big year for the Bear River Fire Department Auxiliary and everyone is welcome to get a bit of the action.

## Fire Hall Special Opening Planned

The official opening, of the Digby Neck Firehall and Recreation Center, will take place on September 3rd and 4th, 1977. The two-day celebration will be hosted by the Digby Neck Volunteer Fire Department.

Chairmen Garfield Trask, Lawrence O'Neil, Graham MacKay and Russell McCullough are being assisted by all Firemen, the Youth Group and the Ladies Auxiliary. Plans are being made to have wheels, bingo and canteen, with dory races on the 4th. The building, although it is not complete, is being used so it was felt that dedication was in order.

Saturday night dances have been well attended and it is hoped that there will be dances twice a month during the winter. Last week's door prize winner was Alvah Graham and the glass turkey was won by Carson Thurber.

Bingo continues to be a favorite game on Thursday nights and recent Jackpot winners have been Marie Anticknap and Deborah Swan. Door prize winners have been Myrtle Titus,

Ethel Otis and Gus Thibodeau. Baby Jackpots are run every week and recent winners have been Pam Graham, Dorothy Farstad, Marilyn Outhouse, Carol Addington and Carol Graham.

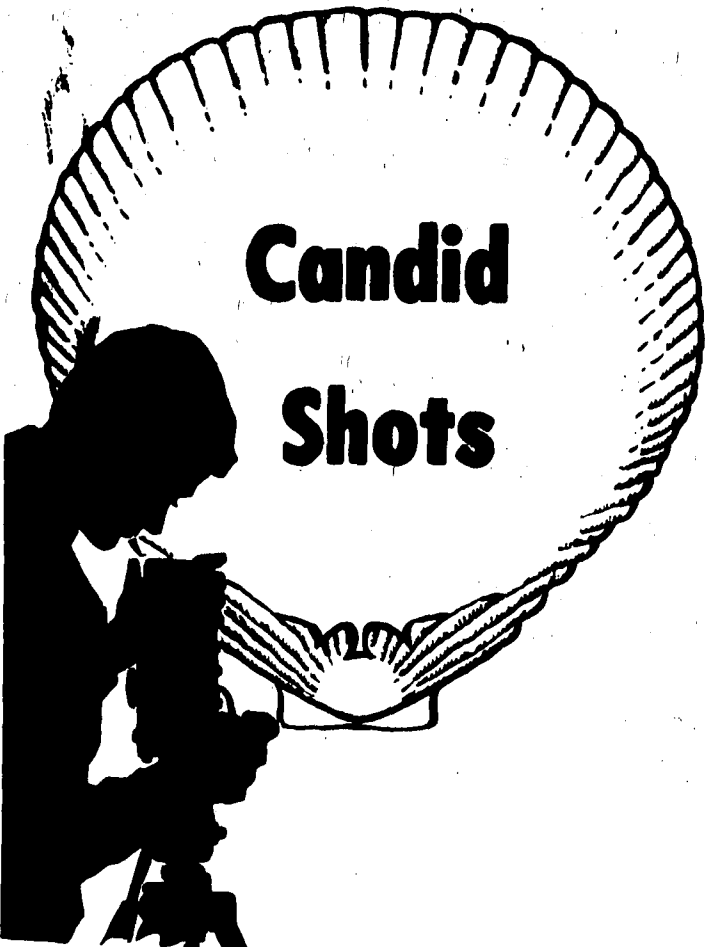

The Youth Group is being congratulated for the party Friday night. This was a social for the younger children and was hosted by the Youth Group. It was determined that a good time was had by all.

Much volunteer help is still needed to complete the grounds. It is hoped that a ball field will be forthcoming next summer. The Recreation Department is making plans for tumbling mats, etc. for the winter months. Organized activity will be the goal.

There will be fun for everyone, at the opening celebration to be held at the Firehall, on September 3rd and 4th. Come out and join in the festivities.

### Firemen Edge Lions In Game 1 Of Quarter Finals 26-25

In the first game of the quarter-finals played on August 15th and completed the following day the Baxter coached Firemen won the game when with the bases loaded and one out Keith Mackintosh walked in the winning run. At one stage of this game the Lions lead 22-5 only to lose it in the bottom of the sixth. The game was suspended because of darkness after five innings with the score 25-24 in favour of the Firemen and was completed the next evening. McVeigh struck out Kevin Lewis to open the top of the sixth and had Jeff Learn ground out to 1st baseman

Danny VanTassel in one of the best plays of the game. Doug Trimper got a single and Mark Fletcher doubled, scoring Trimper with the tying run. Shawn Lewis struck out ending the Lions threat. Mackintosh walked. Steven Mackin then struck out Michael McAlphine. He then gave consecutive walks to Roberts, Nevin Gaudet and Charles Vidito, scoring Mackintosh with the winning run. This game had plenty of solid plays, one was a double play completed by David Roberts unassisted.

### Legion Lose To Merchants 16-15 In Series "B" Quarter-Finals

The Gary Reid coached Legion lost a real thriller to the Lawrence Comeau coached Merchants in the first game of their series by the score of 16-15. It was a game that both teams had trouble with their respective pitching staffs, but the score remained close throughout the game. After two innings the teams were tied at 9-9 and trailing 15 to 12 going into the bottom of the fourth the Merchants scored four runs on two walks, two singles (Burnie, Hoare) and two doubles (Davidson, Comeau) and the game ended 16-15 as both teams were unable to score in the fifth and sixth.

Joey Cottreau and David Reid did the mound chores for the losers while Andrew Davidson handled all but one inning which was pitched by Brian Comeau for the winners. Burnie (two singles), Davidson (three singles, double) Comeau (two doubles), Simms (double), Hoare (three singles) lead the twelve hit attack for the Merchants. Cottreau (two singles, triple), Kim Wright (two singles), J.Griegoschewski (single), Donald Ross (double, triple) Timmy Bates (two singles), led the ten hit attack for the losers.

## Association Seeks Revival In Hockey Interest

Plans for the Minor Hockey season for Digby this coming season are now being formulated and Association President Ben Cullen is hopeful for a revival of interest this season.

Several new programs are being planned this year. These include two one-day hockey clinics with either pro or college players, referee clinics, a hockey show down, and weekly hockey clinics in specific areas such as goalkeeping, defence and offence.

Total community involvement is being aimed for this year. For instance, businesses are being asked to sponsor teams for sweaters. Mr. Cullen reports that some progress is being made in this area.

Parents are being asked to volunteer for driving, fundraising and as goal judges and time keepers.

A Hot Stove League is being worked for. This will consist of older or retired players who know the game and how it should be played.

Over-age minor hockey

players who are respected by the younger players are also being sought. Girls who, although they can't play, are wanted to cheer their brothers, boy-friends, etc.

It is hoped the program's financial needs can be met by business sponsorship bottle drives, skateathon, minor hockey night, dances, service clubs and community organizations, and hockey memories books.

The Association aims to provide enjoyment for all participants along with an energy-outlet for boys from four (or under) to 16 years of age.

It also wants aims to attempt to show the boys that all adults are interested in what they do.

The executive of this year's Minor Hockey Association consists of Ben Cullen, president; Stan Locke, first vice president; Charlie Walker, Second vice-president; Mike Sweeney, treasurer; Ed Dunn, secretary and Pat Knocke, past president.

## Unique World Fishing Exhibition

It's less than a week now until the World Fishing Exhibition turns the Halifax waterfront into an international marketplace of equipment for the commercial fishing industry.

Two grain sheds on the harbour are converted into exhibition halls.

"Everything is on schedule," says Ray Mills, Nova Scotia Department of Development official and coordinator of the eight-day exhibition. "When the doors open, fishermen and fish processors will have a big

job on their hands if they want to take a look at all the new products that will be on show."

More than 180 companies and government agencies from 14 countries will be trying to catch the attention of the people who make their living in the fishing industry.

"It's an absolutely unique opportunity for the industry," says Mr. Mills. "Anyone who's thinking about expanding his operation, either now or in the next few years, should be here looking at what com-

peting manufacturers have to offer."

What is drawing exhibitors from three continents to Halifax is the prospect of an expanding fishery as a result of the 200-mile limit. With all their problems of the past, the fishing industries in Canada and the United States have no place to go but up, now that their governments have moved to control foreign fishing. The suppliers want to reach as many of their potential customers as they can.

Many of the names at the exhibition will be familiar to fishermen and processors: Areco, Atlantic Bridge, Caterpillar, Cummins, Decca, Gardner, Gourcock-Bridport, Maritime Hydraulics, Mustad, Redifon and Wesmar to name only a few. And there will be dozens of firms that may be new to many people in the industry. For example, Aino Lindeman, a Finnish Company with nets, mounting lines and a net-making loom, will be making one of its rare appearances at a fishing exhibition.

"If it's something the fishing industry uses," says Mr. Mills, "we can almost guarantee that someone here will be exhibiting it."

Demonstration vessels will be tied up alongside the jetty just outside the exhibition halls and there will be a small cinema showing fishing films.

If fishermen want to learn about new techniques they might use, they can take in the Fishermen's Forum, two mornings of seminars by international experts on September 2 and 3.

The social side has not been neglected either. A cultural and entertainment committee has lined up a continuous round of activities for the 15,000 visitors who are expected to come to Halifax for the event.

As the cost of oil rises the Power Corporation is looking at all of the alternatives in order to become less dependent on oil for the generation of electricity.

Wreck Cove hydro will replace an annual oil purchase of more than 500,000 barrels of oil.

The two Lingan coal-fired generating units would otherwise require the annual purchase of 3 to 3 1/2 million barrels of expensive imported oil.

More than one million barrels of oil will be saved in the Halifax-Dartmouth metropolitan area through re-conversion to coal from oil.

All forms of energy should be used wisely and efficiently. We have a booklet that can help you. Write to us at Box 910, Halifax.

You owe it to yourself to know and follow them.

1. Have a medical and dental check-up.
2. Watch for any change in your normal state of health.
3. Find out about any lump or sore that does not heal.
4. Protect yourself from too much sunlight.
5. Do not smoke.
6. Have a Pap test.
7. Do a monthly breast self-examination.

## Art Exhibition At Ste Anne

Twenty-seven francophone artists from various New Brunswick centres are represented in an exhibition that will be on tour in the province, Nova Scotia and Quebec over the next two years. It was announced last July by youth, Recreation and Cultural Resources Minister of N.B., Jean-Pierre Ouellet.

The exhibition by Les Artistes Francophones du Nouveau-Brunswick will be a cultural exchange between the departments' Cultural Development Branch and the Quebec department of intergovernmental affairs.

The tour opened at the Nepisiguit Centennial Library, in Bathurst N.B., during hospitality days, July 5-15, under the sponsorship of the regional cultural society. The exhibition has also been on view from July 25-August 15 at the Acadian Village near Caraquet during Acadian Festival activities.

During September, from August 30 to September 20, the exhibition will be received at the Université Ste-Anne, at Church Point, N.S., and will be installed in the new library.

Other galleries hosting the exhibition in the Maritimes are Galerie D'Art at

L'Université de Moncton, (Oct. 2-Nov. 12); Sunbury Shores Art and Nature Centre, St. Andrews-by-the-Sea (Nov. 13-Dec. 24); Galerie Colline, at Edmundston (Dec. 25-Feb. 11); Owens Art Gallery at Mount Allison University in Sackville (Feb. 12-28), and in Fredericton, in March 1978.

Next April the 35 item exhibition will proceed to Quebec where it will tour for one year. The range consists of sculptures, plexiglass reliefs, trapunto fabric pieces, prints drawings, photos and paintings.

Contributing artists are Elide Albert, Marie-Hélène Allain, Elaine Amyot-Anderson, Yvette Bisson, Jacques Bédard, Eulalie Boudreau, Jean-Claude Bourdage, Luc A. ## Farm Tractor Operators Under 16

The Nova Scotia Federation of Agriculture has been advised by the Registry of Motor Vehicles that as of August 1, 1977 the Motor Vehicle Act has been amended to provide for the licensing of persons not less than 14 years of age (and under the age of 16 years) to operate a farm tractor. "The youthful operators will be required to qualify in vision tests and tests in rules of the road and sign recognition", says Lester Settle, Secretary-Manager of the Federation. Examiner offices have been instructed to process these applications immediately, Settle noted.

"We are very gratified to get this information, it has been a standing policy of the Federation for some years and we did raise it again in our Brief to the Minister of Highways, May 31st of this year", said Mr. Settle. We informed, while meeting with Mr. Mooney, that this item had already been passed by the Provincial Legislative, but had never been proclaimed. This notification of effective date, August 1st brings this matter

Claude Roussel, Roméo Savoie, Paul R. Soucy, Pavel Shanik and Georges Widiez.

The exhibition will be opened to the public every day from two o'clock to four o'clock in the afternoon and from seven to nine in the evening. It is located in the Louis R. Comeau Library and admission is free. The exhibition will last from August 30 to the evening of September 20.

to satisfactory completion. We will continue to work toward a more satisfactory arrangement for licensing of farm tractors and other self-propelled farm vehicles. Mr. Mooney has promised his full consideration of our requests and we are encouraged by this action that has been taken respecting youthful operators.

## 1977 SCHOOL OPENING 1978 DIGBY SCHOOL SYSTEM

Schools at Barton, Sandy Cove, Smith's Cove and those located within the Town of Digby will re-open on Friday, September 2, 1977. Registered students are expected to be in attendance for the full teaching day. Due to the recent fire, the opening of the school cafeteria will be delayed until further notice.

Teachers will be returning on Thursday, September 1, to attend a pre-school conference.

Students entering the Digby Regional High School, Digby Elementary and St. Patrick's FOR THE FIRST TIME, regardless of age or grade, are asked to register early. The Office of the Superintendent of Schools at the Digby Regional High School will be open to receive registrations between the hours of 10:00 - 11:30 a.m. and 1:30 - 3:30 p.m. on Monday, August 29. Advance registrations will close on August 29. We regret that registrations after that date must be deferred to a time arranged by the Principal.

Municipal students not residing in the area served by the Digby Regional School and seeking admission to special classes must have their applications approved by the Municipal School Board. Requests for application forms should be directed to the Superintendent of Schools, Box 968, Digby, Nova Scotia.

Business Education students will be accepted at the Digby Regional High School according to their qualifications. Stenographic, clerical and accounting courses will be offered in 1977-78.

THE LOSS OF THE 1948 BUILDING WILL RESULT IN SOME CLASSROOM RE-ARRANGEMENTS. WE HAVE ATTEMPTED TO KEEP THEM TO A MINIMUM. THE THREE PRIMARY CLASSES WILL BE LOCATED ON THE UPPER FLOOR OF THE NEW DIGBY FIRE HALL. ALL OTHER CLASSES USUALLY REGISTERED IN THE MOUNT STREET SCHOOL WILL BE LOCATED EITHER AT DIGBY ELEMENTARY ON QUEEN STREET OR AT ST. PATRICK'S PUBLIC. MR. JANSON'S T.M.R. CLASS WILL BE LOCATED AT DIGBY ELEMENTARY. PLEASE CONTACT THE OFFICES OF THE PRINCIPAL (ST. PATRICK'S, 245-2488; DIGBY ELEMENTARY, 245-2159) FOR DETAILS. THE JUNIOR HIGH CLASSES WILL BE LOCATED IN THE 1957 WING AND THE MOUNT STREET SCHOOL. WE DO NOT EXPECT CHANGES IN SCHOOL HOURS.

## Reflecting To 1947

The Digby Courier Files

At a special meeting of Digby Town Council approval was given to call a ratepayers meeting for the purpose of approving the borrowing, not exceeding \$100,000, for the erecting, furnishing or equipping a building for public school or new high school in town and acquire land. The school was to serve the town and a number of school sections. (This pilot school, then spoken of as the educational and cultural centre for this end of the province, is the same school that was the victim of an arson fire in June of this year.)

Torrential rains overcame the threat to the villages of Sandy Cove and Mink Cove of the fire spreading on the North Mountain near Burns Point.

The corn crop in the County was considered a failure because of the ravages of the ear worm and corn borer.

## C.B. Communications Aids Fishermen

Fishermen of the Islands area faced and survived gale force winds up to 53 knots and high seas on Wednesday.

Mrs. Eric Longley and two daughters of Ottawa are visiting Mrs. Longley's aunt, Mrs. Evelyn Mount, Birch St.

Mr. and Mrs. Walter Sapper of Willowdale, Ont., are visiting her mother, Mrs. Ralph Watkins. At the same home visiting are Mrs. Watkins' sister, Mrs. Ethel Ross, Hyde Park, Manitoba and brother, Lloyd Campbell of Boston.

## Reflecting To 1927

THROUGH THE FILES OF THE  
DIGBY WEEKLY COURIER

An August gale swept all Nova Scotia coast. Telephones and telegraph service was out of commission, hydro failed, trains were cancelled, roads were ruined and shipping was damaged. Pleasure fleet in the harbor sank at the moorings or washed ashore. Accompanied by violent rains the storm caught Digby shipping at the most exposed quarters. Two visiting yachts broke adrift and yachts of Mr. Powers, Jim Merkel and Captain Bob Russell also went adrift. The new yacht belonging to F.L. Anderson sank at the moorings. Cellars were filled with water and at Weymouth the water rushed under the DART railway crossing near the Goodwin Hotel, cutting a gully 25 feet wide by 20 feet and 30 feet deep. A barn in its path was washed from the foundation and moved ten or fifteen yards before swerving.

At a special meeting of the Digby Municipal Council, H.H. Marshall, chairman of the Digby County Power Board presented figures for a four month period as follows: operation costs \$2790; revenue \$3773; profit \$987.

And what could be bought for twenty-five cents in 1927?

At the Ross Smallie store, each of these items were advertised for 25 cents - two lbs dates, two lbs prunes, three lbs white beans, three lbs rice, three lbs split peas 25 cents and five lbs onions 25 cents. Men's work shirts at Margolian-Kitaeff were 75 cents and mens shoes \$3.48. Six scribbles and exercise books could be bought at Connell's for twenty-five cents; two cent pencils were three for five cents; three cent pencils, two for five and six pencils of five cent quality 25 cents. The Jumbo exercise book was five cents.

Gratitude was expressed to the ferryman, Mr. Murray Outhouse, keeper of Boars Head light, to Mrs. Nancy Keating and others, also to the fishermen who showed such concern for each other and to those waiting on shore for the safe return of the

men.

Gratitude was also expressed to those who left the C.B. channels open so that communication contact could be made between fishermen and families and friends.

## Ratepayers Vote Against Amalgamation Of Utilities

Digby town ratepayers have roadblocked efforts by the Digby County Power Board to pursue amalgamation of the four electrical distribution utilities under its control.

Ratepayers gathered at the high school Wednesday night to turn down the amalgamation proposal by a count of 31-15.

Mayor Stewart MacNaughton, tried to show via the numbers game that through amalgamation, the Digby County Power Board would be a viable operation.

The most vocal opposition came from Dave Landers who claimed that under amalgamation, there would be "no gain for the town of Digby at all."

The meeting started off under the chairmanship of Guy VanTassel. However Mr. Landers protested that either the Mayor or Deputy-Mayor, if present, had to be Chairman according to the by-laws.

After a vote (by raise of hands) came out strongly in support of Mayor Stewart MacNaughton acting as Chairman, Mr. VanTassel relinquished the task.

Power Board officials have been looking for public support to proceed with efforts to amalgamate the four electrical utilities com-

prised by the Digby County Power Board.

The Village of Weymouth, to date, is the only Municipal unit involved to approve an amalgamation resolution. Digby municipality recently decided in favour of selling the system to the Nova Scotia Power Commission while Clare has demonstrated interest in getting rid of its utility for some time.

This was the second meeting held for the ratepayers of Digby town. A vote was not taken at a poorly-attended meeting in late July after Mr. Landers questioned the legality of voting procedures.

Power Board Chairman Emmanuel Adelaar attended that meeting and spoke in favour of amalgamation.

Digby's decision against amalgamation leaves the four municipal utilities in a stalemate position. This is a situation which, according to Mr. Adelaar, "can't stay the way it is...but that's apparently what the people want."

The municipalities, he said, "don't seem to be able to pull together."

The four municipalities were scheduled to meet with power board officials to deal with the matter Monday at a closed meeting.

## Discuss Amalgamation Of Utilities

Representatives of Digby town, Digby district, Clare and Weymouth Village gathered around the discussion table Monday night to discuss the future of the Digby County power Board with representatives of the Digby County Power Board.

Commenting on the meeting activity Tuesday, Power Board Chairman Emmanuel Adelaar termed the discussions "very good and useful" but noted it will take a long time for the information presented to be digested by the council representatives.

The chairman said the impression he got, after the matter was discussed in detail, was that a lot of people just don't understand what the issue really is.

He said he explained to those present that the only way they can safeguard the interests of their ratepayers is through amalgamation of the municipal electrical utilities.

If amalgamation can't be achieved, he said, a slight profit is the best that can be hoped for - not enough to improve the system technically.

Technical improvements are necessary to bring down the level of line losses in the municipal units of Digby district and Clare to acceptable levels. These losses, according to Mr. Adelaar, are the main reason for hydro-system losses in the past few years.

With one general rate, he said, enough money could be generated to upgrade the

system and service the board's debt.

Power Board officials have estimated that improvements to bring down the line-losses would cost about 1 1/4 million dollars.

Another benefit under amalgamation, according to the Chairman, would be that the Power Corporation and the Nova Scotia government could be approached with one voice on issues such as - what can be done with additional sources of energy to

benefit the people here.

Mr. Adelaar said he thinks all councillors are looking at the situation seriously again in light of Monday night's discussions.

Monday night's meeting was called by the Power Board. Digby town ratepayers recently turned down a resolution in favour of amalgamating the utilities.

The joint meeting was not open to the public or media.

## "Limitations"

### Face High School Officials

For hundreds of Digby youngsters the long, hot summer is at end. The 1977-78 school season is now underway.

Officials at Digby Regional High School find themselves faced with some "limitations" this year. This situation results from the fire in June which destroyed the original portion of the building.

Students normally located at the Mount Street School are being shifted to feeder schools or to the fire hall. Seven D.R.H.S. teachers will operate from the Mount Street location.

This change and others are detailed in the Principal's newsletter dated Sept. 2.

Efforts have been made to get use of the forum for physical education program and to secure use of the I.O.O.F. Hall for the drama section of the English Department.

Intramural changes include use of the Junior High School staff room as the home economics room for "family living", and use of the school support room of the business education department for the sewing group.

The stage in the M.P.R. now serves as the gym offices and changing rooms with the floor being used for the gym.

There will be considerable inconvenience this year as pupils travel back and forth between the various buildings.

Major renovations have been carried out on the 1957 wing with new flooring laid, repainting of classrooms and hallways, and repairs to the entrance being made.

The firm of C.D. Davison and Company of Halifax has been selected as Architect for construction of the new wing.

## Labour Day Safety Message

Hon. J. Fraser Mooney  
Minister of Highways

Monday, September 5, will mark the 83rd anniversary of the observance of Labour Day in Canada. It should be a happy occasion. It is the last long weekend before the children return to school in most parts of the Province. It is generally thought of as our last opportunity to spend a little time together as a family unit.

However, as Minister of Highways, the long Labour Day weekend means something else to me. Based on past performance, it is regrettably a time of stark tragedy.

In 1975, Nova Scotia experienced seven fatalities on the Labour Day weekend. Last year another seven Nova Scotians died on our highways.

We do not want a repetition of this in 1977.

Police officials will be doing their jobs in full force, aerial patrols will have our highways under surveillance, breathalyzer vans and vehicle inspection teams will be in operation. In short, our police officers and safety officials will use every legal means available to cut down on this senseless carnage on our roads and highways.

But in spite of everything we are able to do, what we really need is your cooperation. We need total public cooperation and awareness. This is the key to safety on our highways and I do not hesitate to ask for it.

I ask you to keep in mind that the Labour Day weekend traffic will be heavy. You must exercise greater care and courtesy on the highways.

Inattentive driving is a major cause of highway crashes. It is brought about through drinking and driving, through frustration, fatigue or simply, sightseeing while driving.

We can only solve this problem by appealing to all drivers to keep their minds strictly on what they are doing.

Do not gamble with the lives of your family and friends or with others with whom you share our highways.

Let us all work together to make the 83rd anniversary of the observance of Labour Day a memorable one. Let us remember Labour Day 1977 as the year in which Nova Scotia had a fatality free holiday.

## Digby County Exhibition Underway

The four-day annual Digby County Exhibition is now underway. The show was officially opened last night with a number of local and provincial dignitaries present.

Yesterday was 4-H day at the Ex. This consisted of an official opening, judging classes for 4-H members and judging of exhibits.

Other 4-H activities included beef judging, light horse showmanship and equitation, a tug-of-war, cow-milking contest, pillow fight, pie-eating contest and presentation of trophies.

Regular exhibition events included weighing of horses and oxen, judging of grade, beef and dairy cattle, light horses and ponies competition, ox-haul, music by Heat Wave, a single horse hall and the official opening ceremony.

Jack Hawkins, Nova Scotia Minister of Agriculture, was special speaker for the official opening ceremony.

The Thomas Amusements show is set up on the exhibition grounds after an absence of a few years. This is expected to add to the attraction force of the exhibition.

Today's activity started off at 9 a.m. with the judging of work horses, work oxen and purebred stock. Dinner is served at noon supper at 5 p.m. each evening.

Today's afternoon and evening activities will include Gymkhana Games in the upper ring at 1 p.m.; the regular double horse pull at 1 p.m.; old timers' ox pull, 3 p.m.; Ladies' Novelty Ox Haul at 6 p.m. and music by Heat Wave at 8:10 p.m.

## Freeport Wharf To Be Reconstructed

The Member of Parliament for South Western Nova, Miss Coline Campbell, announced on behalf of the Honourable Judd Buchanan, Minister of Public Works, that a \$386,357 contract for wharf reconstruction at Fishpoint Wharf, Freeport, Digby Co., N.S., has been awarded to Foundation Maritime Ltd. of

Halifax. The successful firm submitted the lowest of eight bids received in response to public advertisement. The high bid was \$650,349. The contract calls for completion in one year's time. The project manager is John MacKay of the Public Works Canada Atlantic Region office in Halifax.

pens the model will be that of 1967 Canada.

"It's tragic that the thing that I as a Canadian am most proud of is the fact that we evolved here on our own special concept of political organization which can work and does work is now being very, very seriously challenged and this country is in deep trouble."

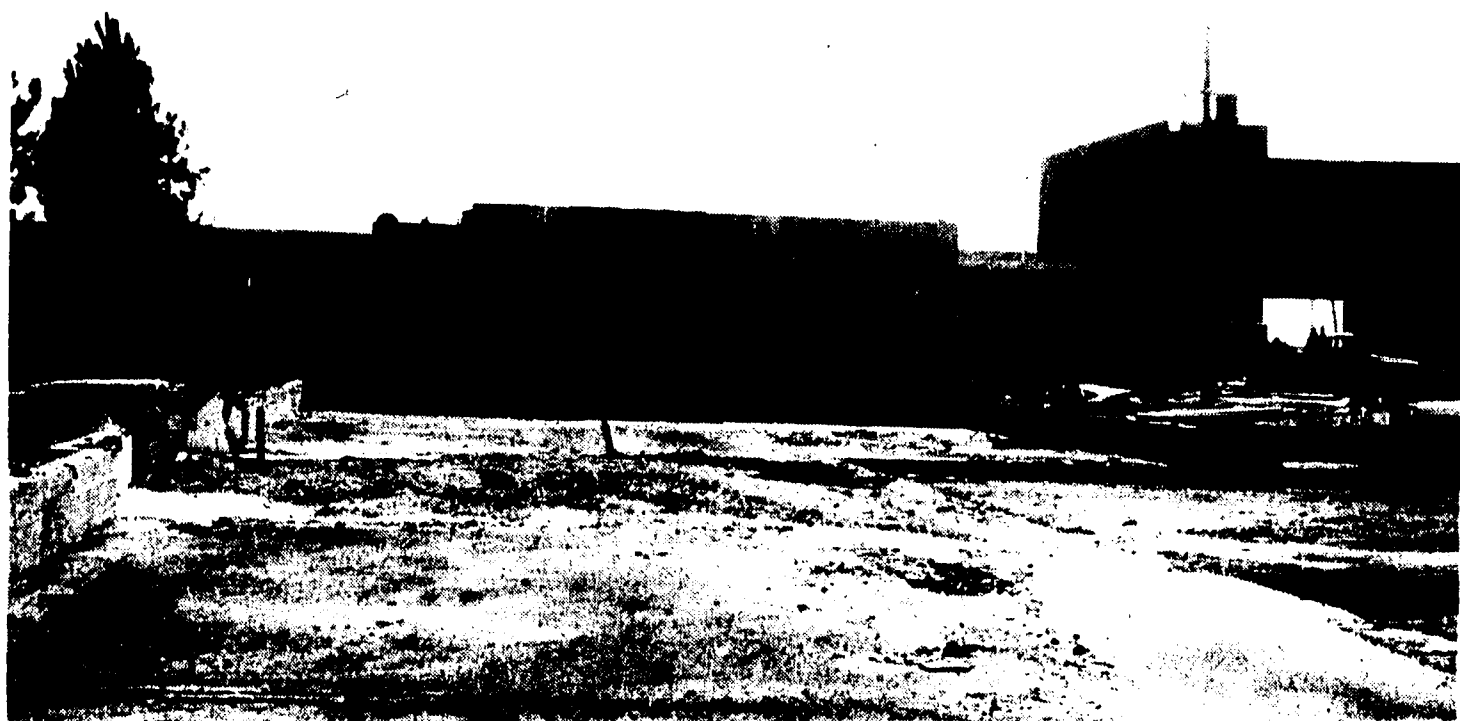

Premier Hatfield said he is unable to grasp the reason Canadians have been unable to underplay the significance of what any country would recognize as the most serious problem of all - the problem of whether or not that country is going to be.

He said he often hears that Quebec independence will affect New Brunswick but not Ontario or British Columbia, that somehow the rest of Canada can get by without Quebec although it may adversely affect those who live in the Maritimes.

"I want to tell you that's wrong, that's very wrong. If Quebec becomes independent, that's the end of Canada, that's all there is to it."

The premier said the provincial governments in general have more power than the governments of many nations. The ability of the provincial government to protect the rights of the two founding peoples has been proven in the past in Quebec. His province is now in the process of doing so, he said.

He said Acadians in New Brunswick have demanded their rights openly and are making great progress in getting them legislated, proving to his satisfaction "that the Canadian experience is working in New Brunswick and we've got something to be proud of here."

Both the burnt and salvaged portions of Digby Regional High School are shown here. Both sections will see much use this Fall, the standing portion in its intended role, and the destroyed portion as a construction site.

## N.B. Premier Addresses Forum

If Canada is to survive, Canadians must try to rediscover what their country is all about or what it was intended to be and try to give value to that in today's context, Premier Richard Hatfield said in Church Point Monday.

Premier Hatfield was speaking to young participants in the Canadian Council of Christians and Jews (CCCJ) National Youth Forum at Universite Ste-Anne. "I believe the original deal of 1867 was that we could have in one country that was going to be very big and very diverse, basically two founding peoples whom would have, through their provincial governments, power to control their own destiny when it comes to matters of individual importance," Premier Hatfield said.

He told students the founders of Canada were practical people and when they divided powers between the provincial

and federal governments, they did so in a way designed to protect what was then the French minority.

"Somewhere that went bad, it went wrong," he said, "and as a country we have not kept that original contract. As a result, there have been problems over the years and events such as the Reil rebellion and the Manitoba and New Brunswick school questions in which there has been a clear demonstration that respect for the French-speaking population has been lost."

Premier Hatfield said that as a system of government the Canadian one is the best in the world. "What we started to do in 1867 is exactly what the people of Europe have tried to do in the years following the Second World War."

He said their version of a united Europe has not yet been realized and progress has been slow, but that when it hap-

## Scallop Day - Natal Day Combination Suggested

While Digby Scallop Day Chairman Ken Eavis was quite pleased with the way festival events went off this year, he is hopeful planning for next year's event will get underway right away. He suggests that the possibility of combining Scallop Day with Digby Natal Day should be considered.

Such a combination, he says, would result in more outside participation. With a parade included in the event line-up, float bands and officials from other areas could be attracted to the town.

Mr. Eavis optimistically points out that if this event catches on and people really put effort into it, this area could become known nationwide. It could, he says, result in some good P.R.

The man with the unenviable task of overseeing the planning and execution of Scallop Day events was quite pleased with co-operation received from some quarters but disappointed with others. He was especially disappointed that no representatives of the town of Digby had participated. Major MacNaughton had been invited to take part in the Tourist of the Week event.

On the other hand, Mr. Eavis expressed gratitude to a number of people and organizations for their support. These included Mike Casey and Casey Fisheries Ltd.; Tom O'Neal and O'Neal Fish Plant; Allan Moore for providing a flat-bed; The Pines for their participation in the Shis-kabob and Beer Garden (ex-

pecially Ivan Daniel); to the Yacht Club and Legion for their participation and Rick Thomas for the Woodsmen events.

Other mentions went to Joe Casey for his role - talking with the public on how fishing drags work, pricing etc.; Julie Mackintosh for looking after the fashion show, bicycle contest and shell decoration contest; Glen Smith for his commentary during various events; and the department of fisheries for providing judges for contests and looking after the fish display.

Things looked a little hectic in the morning what with early ice-making and P.A. system problems. But by noon, the large crowds started rolling in and things got organized and rolling well.

Some activity results not previously published include: BICYCLE CONTEST 1. Steven Muise, 2. Kelly Robicheau, 3. Lauri O'Neal; TRICYCLE DIVISION 1. Sherry O'Neal, 2. Susan Ritchie, Denna Forest, 3. Cathy Ritchie. SHELL DECORATING CONTEST 1. Susan Englehart, 2. Michelle Margolian, 3. Allison Burns.

Miss Mackintosh was quite pleased with public acceptance of the fashion show. An estimated 150 people were on hand to witness the exhibition of styles by Apple Blossom Festival princesses and other special young ladies. Area girls in the show included Julie Mackintosh, Princess Digby; and Bear River Cherry Carnival Queen Jennifer Ettinger.

### IN APPRECIATION OF FIREMEN

The Digby Forum is still standing, homes in the vicinity are as before and some of the schools were saved in that disastrous Digby Junior High School fire of June 1977. These things are left because of response by the Digby Volunteer Fire Department and the other fire departments coming to assistance. The loss which did occur might well be a million dollars or more as replacement value but if fire fighting equipment had not been available the million might have soared far worse.

The Digby Junior High School fire was not the only fire during the past year which was prevented from spreading because of fire fighting equipment being available. The property saved throughout the County by the several fire departments would be most impressive if added up.

Fire-fighting today embraces more than pouring water on a blazing building or field. Firemen are trained in rescue, resuscitation and other life saving means. Firemen are informed on fire prevention and educate the populace, especially the youth in fire prevention.

Our towns and villages would, indeed, be at a loss without well equipped, well trained fire forces.

One might expect that all equipment would be supplied for the volunteer fighters. This is not always so. Fire Departments and auxiliaries everywhere extend themselves still further by taking upon themselves responsibility for equipping their departments. This is done in various ways and here we will this week especially mention one. The Digby Volunteer Fire Department is holding their annual Labour Day Fair on Monday at the Fire Hall. They are looking for your support at that Fair as it is from such funds that much of the fire-fighting equipment is bought.

Labor Day Fair is not the only means the Digby firemen have for earning money. For example, on Saturday they made \$1,240 at an auction held at the Evangeline Shoppers Mall. Other projects have been successful throughout the year. All these have helped to buy equipment for your protection. Lloyd Jefferson, who is chairman of the 1977 Labor Day Fair says in his plea to the people for support that the members of the Digby Fire Department have accomplished much since they have moved into the new quarters. Quoting from his remarks: "A new Nomad Van to replace no. 6, two breathing apparatus, power saw, coats, helmets, boots and many other items. But like anything else, a lot of other equipment is getting too old to be in service much longer, and is fast approaching the point where it will be unsafe and unreliable. The fire service today is fast becoming a highly complex

and technical operation, whether it be a rescue or major fire and is mainly for this reason we have to be constantly on the move replacing and updating equipment, but the firefighter is basically still the same. He has more training than firefighters of yesterday. This is part of the job and he is always willing and ready at the sound of the alarm to put his life on the line to save and protect others from fire. There is the other side of the firefighter too; family, husband, breadwinner and all his friends, HE is willing to sacrifice for you, the public. SO PLEASE support us. The equipment we buy today may save your life tomorrow."

In appreciation of the firemen, lend your support.

### PROJECT SCALLOP: FAIRNESS TO FEMALES?

Having read the article about the Young Canada Works Project Scallop in the August 18th. issue of the Courier, we were somewhat disgusted that so many things were left unsaid. We would like to bring to the public's attention the truth of what took place.

We, as students, were hired by a committee in Smith's Cove, that consisted of David Irvine, Mary Lou Raymond, Ron Milne and Darrell Warren. The committee hired three girls, three boys and the project manager, Susan Berry was hired for recreation and some labor work, and Debbie Sarty for labor work. From July 4th. to August 9th, I, along with our co-workers, painted the fire hall, cleaned the fire ponds, cleared ground for a flower garden, constructed booths for Good Times Day, worked with children, cut brush, and on our last day of work we were painting the museum.

After working for four weeks and one day, we were

told by the project manager that if our work did not improve, we would be replaced by boys. When we asked what was unsatisfactory about our work, there was no reply. How can a person's work improve if one doesn't know what is being done wrong?

While on the job, we worked to the best of our ability- we were not professionals. Neither one of us painted much before this job, or did any labor work, but we tried to do our best.

On August 9th, we were told our services were no longer required, because boys could do the job faster and better. We were replaced by two boys. Our beef is that we worked for 5 weeks and most of the project was finished, except for partial painting of the museum. Yet our names did not appear in the article in the Courier. But Howard Oliver and Glendon Young who had only been working 3 days, received the credit. We feel this is discrimination

## The Only Way To Can Vegetables

For several reasons many people may prefer to can (or bottle) vegetables rather than freeze them. Often the freezer won't hold all that the garden produces. The initial cost and electrical upkeep of a freezer may

seem too great. Also, some areas which experience a fair number of power failures throughout the year may not want to risk the loss of frozen food. Still, others simply like homemade bottled vegetables.

Whatever the reason, careful consideration of the canning methods used is extremely important.

Every vegetable, also all meats and fish, MUST be canned in a PRESSURE CANNER. This method is the ONLY process which has high enough heat to kill

tough spores of bacteria such as Clostridium botulinum. Many dangerous food

spoilers can live through the boiling water method. It doesn't matter whether the jars are sealed and air has been eliminated. The dangerous ones thrive on low acid food in an airless environment!

Several people have said, "But, what about the good old days? They had no pressure canners then!" Well, in the good old days

people died of unknown causes. Also jars and cans weren't all that readily available so they salted, brined, and dried foods. These techniques do not present the same situation at all. But, even when they did bottle or can they were careful. They boiled the produce for hours and hours. Even then, spoiled food was not unusual and had to be thrown out.

I have never been able to find recommendations for boiling canned vegetables. Pressure canning has been recommended for a long time.

So a pressure canner is an absolute necessity for those of you still interested in bottling or canning vegetables. They are expensive but sharing with a friend should cut the cost considerably. With care the canners last for years.

When I refer to a pressure canner, I'm referring to a big one - not those smaller pressure saucepans. They are gauged differently and also heat-up and cool-off at a different rate. Also, do not be misled by the term "steamer canners", and if you should encounter them. These utilized steam under no pressure at all and it would be difficult to maintain even the 100 degrees C (boiling) temperature, let alone the higher safe tem-

perature necessary for vegetables. When buying pressure canners a check of reports done by consumer organizations would be in order. Buy from a reputable dealer (who has a good service department or guarantee record). Read the manual of a pressure canner very carefully before even starting. Also, a good procedure to follow is to do a practice run with only water in it. Learning to adjust heat levels to maintain even pressure is essential, and it's best to learn the technique without worrying about the food at the same time! Careful work and practice will enable you to utilize this method to its fullest advantage.

We North Americans look for short cuts and convenience in all we do, but we must realize that for safety in food preservation there are no short cuts! Either use a pressure canner for vegetables or freeze the vegetables for long term storage.

I won't go into actual techniques here. My main theme is to stress safety in canning. I have booklets available on the details of canning (bottling) with a pressure canner. A note to me at the Research Station, Kentville, will get one for you free of charge.

## Art Exhibition At The Universite Ste Anne

Twenty-seven Francophone artists from various New Brunswick centres are represented in a exhibition that will be on tour in the province of New Brunswick, Nova Scotia and Quebec over the next two years, it was announced last July by Youth, Recreation and Cultural Resources Minister of N.B., Jean-Pierre Ouellet.

The exhibition by "Les Artistes Francophones du Nouveau-Brunswick" will be a cultural exchange between the departments' Cultural Development Branch and the Quebec department of

intergovernmental affairs.

The tour opened at the Nepisiquit Centennial Library, in Bathurst, N.B., during hospitality days, July 5-15, under the sponsorship of the regional cultural society. The exhibition has also been on view from July 25-August 15 at the Acadian Village near Caraquet during Acadian Festival activities.

During September, from August 30 to September 20, the exhibition will be received at the Universite Ste-Anne, at Church Point, N.S., and will be installed in the new library.

### Baptized

The Bear River Pool was the lovely setting for a baptism on Sunday, August 21st. Friends and families of those who were walking in obedience to the command of the Lord Jesus Christ to be baptized gathered at 2:30.

There was a time of singing gospel songs accompanied by Mrs. Earl Waterman on the accordion.

The officiating pastor, Rev. Doug Hapeman, shared a devotional thought from II Corinthians 11:3 regarding the simplicity of salvation offered by Christ to the world. He compared this simplicity to that of receiving a gift, opening a door, and taking a drink of water. He also stated that those to be baptized had simply placed their faith in Christ endeavoring to walk uprightly before Him.

Eight teenagers and fourteen adults followed the example of Christ in baptism.

All are married with the exception of their youngest son, Earl who attends Acadia University. The other children are Murray, Centerville, Kings Co.; Malcolm, Downsview, Ontario, George, Ashmore and Colleen (Mrs. Joseph Ryan), Ashmore. There are four grandchildren.

Other members of the family from out of town present at the supper were Mr. and Mrs. Kenneth Manzer, Wolfville; Mrs. Alfred (Doris Manzer) Wright, son Fred, Hebron and Miss Heather Lewis, Deerfield; Mr. and Mrs. Ted Weekes, Jr., Moschelle; Mr. and Mrs. Scott W. Manzer, South Ohio, Yarmouth Co.; Mr. and Mrs. Alan S. Manzer and Mr. and Mrs. John Manzer all of Bridgewater.

Following an enjoyable time of fellowship, the guests left wishing Parker and Thelma many more happy anniversaries.

choir was served a lunch before they started the return trip to Port Maitland. Prior to their departure, they again sang several numbers.

Next Sunday, September 4, services in the Smith's Cove Baptist Church will be resumed. The regular monthly communion service will be conducted by Rev. George Bell, Interim Speaker. The service begins at 7 p.m.

## 30th Wedding Anniversary

Mr. and Mrs. Parker R. (Maurine) Mullen, Weymouth North. Mr. and Mrs. Manzer were the recipients of a gift of money as well as individual gifts. The toast to the "bride and groom" was proposed by Mr. Bernard Manzer. During the evening, Mrs. George Wagner, Weymouth, accompanied by Miss Susan Manzer sang "Galway Bay" and "May The Good Lord Bless and Keep You."

Parker Manzer, son of the late Fred L. and Flossie (Prime) Manzer, Ashmore and Thelma Johnson, daughter of Mr. and Mrs. Walter Johnson, Mount Pleasant, N.S., were married on August 29, 1947 at the bride's home with Rev. M.C. Munn and Rev. F.C. Amery, pastors of the Baptist Churches at Digby and Ashmore respectively, officiating. They are active in the Community and church, both being members of the Baptist Church, Ashmore where Mr. Manzer also serves as Church Clerk. Parker is associated with

Bay View United Baptist Church Choir

The closing Drive-In Service, sponsored by the Smith's Cove United Baptist Church, was held Sunday evening, August 28, with over 200 in attendance.

Deacon Lic. Fred Bigelow led the service and brought the message on 1 Thessalonians, chapter 4.

Special music was presented by the Bay View

United Baptist Church Choir of Port Maitland under the direction of Mrs. Peggy Rose, pianist-director. In addition to choir numbers, a duet was sung by Mr. and Mrs. Kingsley Outhouse; quartet - Mr. and Mrs. Outhouse, Miss Carole Frost, Donald Roy; trio - Mrs. Outhouse, Miss Daisy Burgoyne, Mrs. Rose.

Following this service, the

## Farewell For Sendal Barr

On Sunday evening August 28, Rev. Sendal Barr preached his farewell sermon as interim pastor of the North Range Baptist Church. Pastor Barr has served the church since December, 1976 and was guest speaker on several occasions previous to this date.

The service was well attended by members and friends, special music was provided by John Andrews, of Montreal, his daughter, Kim, Cheryl Bain, and Mr. and Mrs. Ivan Bain in solo, duet and quartette. During the service John E. Andrews presented a specially prepared picture of the church commemorating its centennial year. The picture was received by deacons Milton Bragg and Gerald Wagner on behalf of the church.

Following the service the congregation was invited to the home of the clerk, Ivan and Mrs. Bain where an old fashioned hymn sing was enjoyed. Before a bountiful

buffet lunch was served, Deacon Gerald Wagner presented Mr. and Mrs. Barr with a gift on behalf of the church. Present for the evening were four ministers beside Rev. Barr; Rev. Alfred Barker, Selkirk, Ontario; Rev. Clarence Roberts, Delhi, Ontario; Rev. Frank Innis of Millville, N.B.; Rev. E.E. Wiltshire, Cornerbrook, Nfld.

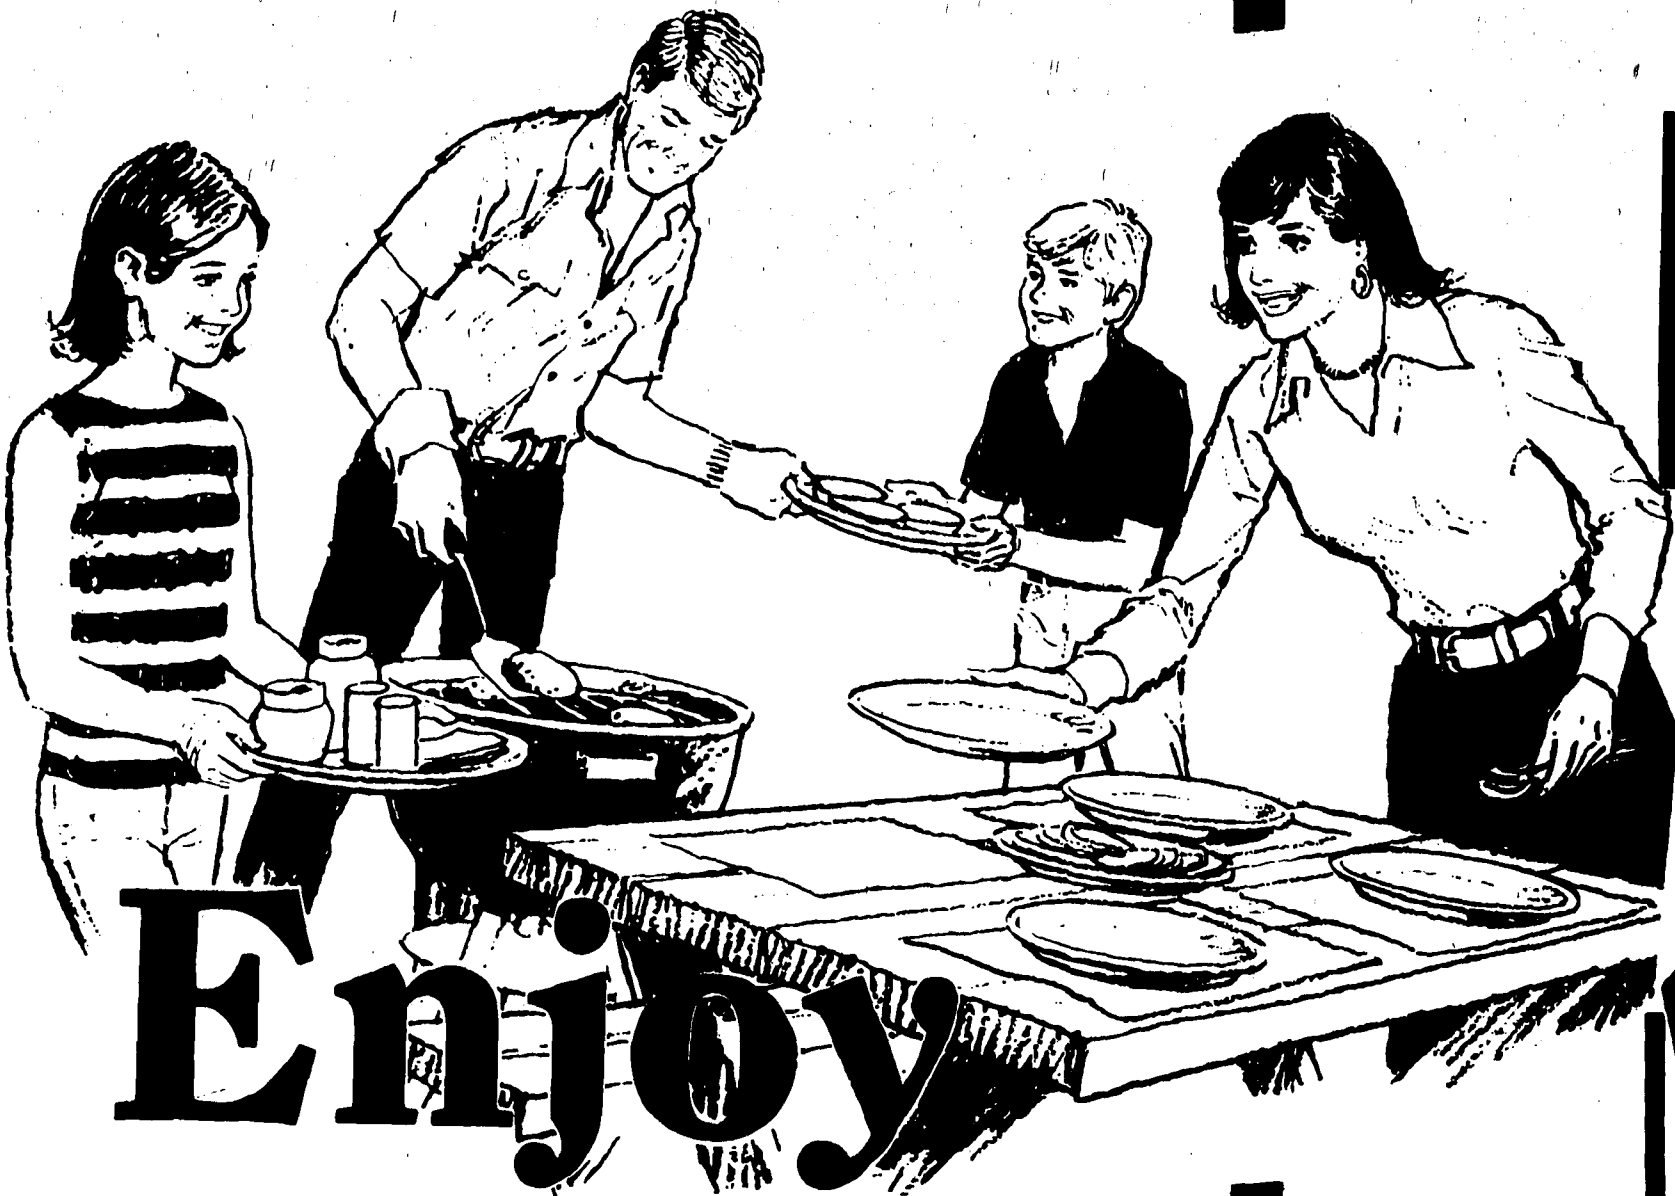

Pastor Barry Dixon will take up his ministry in the North Range - Barton churches on Sunday, September 4th with the morning worship service in the North Range Church.

## Fisheries Act Changes

Amendments to the Canada Fisheries Act, designed to provide greater protection to the aquatic environment and stiffen the penalties for poaching and other offences, will go into effect September 1, 1977. The amended Act received royal assent July 14.

In announcing the proclamation date today, Fisheries and Environment Minister Romeo LeBlanc said the main objective of the changes to the Act is to preserve or enhance the country's natural environment and its renewable resources, and to crack down harder on people who flaunt fisheries regulations.

"It's been estimated that 2.5 million lobsters are taken illegally in the Maritimes alone each year," said Mr. LeBlanc. "That represents a loss to the fishing industry of more than \$3 million yearly. Loss to the B.C. Salmon industry through poaching is estimated even higher."

"With new provisions and heavier penalties under the revised Fisheries Act, we will be in a much better position to deal with the poaching problem. At the same time, we will need the support and cooperation of the fishing industry and the general public to back up the efforts of the federal and provincial authorities."

Under the amended Act, the Minister of Fisheries may order the forfeiture of any illegally-caught fish, as well as the vessel, gear or vehicle used in the poaching operation after an offender has been convicted by the courts.

Other legislative changes will restrict activities such as landfill or construction in foreshore areas likely to harm fish habitats. This new conservation measure is intended to not only protect the fish, but the eggs, breeding areas and food sources of fish.

Another amendment gives the Minister of Fisheries a broader and more flexible authority to regulate against pollution of waterways by industrial plants, whether existing or proposed.

More effective regulations to deal with emergency pollution problems are to be introduced. A new section of the Act calls for mandatory reporting of spills of oil or other deleterious substances, together with an obligation on the part of those responsible for the spill or the carriers of the polluting substance, to clean up the damage.

Penalties for all the pollution offences have been significantly increased. An offence such as neglecting to provide a fishscreen for an industrial plant's water intake (now carrying a maximum penalty of \$20) could bring a fine of \$5,000 a day, while the more serious pollution offences could result in fines of up to \$100,000.

Another amendment makes it illegal to interfere with the East Coast seal hunt. The Seal Protection Regulations will be changed to restrict access to the sealing grounds to those who have a need to go there to carry out authorized sealing activities.

"This does not mean that the news media will be barred from attending and reporting on the seal hunt," said Mr. LeBlanc.

"However it will allow us to keep away those whose only intention is to interfere with sealing operations."

One of the innovations contained in the amendments would permit the introduction of a "ticketing" system for minor offences, similar to that used by police for traffic infractions. Maximum fines in such cases would be \$100, and would obviate the need for a court appearance.

Commercial fishermen will now have a right of civil action for loss of income from pollution sources other than ships. The Maritime Pollution Claims Fund under the Canada Shipping Act currently provides protection for fishermen who suffer a loss of income due to pollution from ships.

Other changes include the designation of fishery officers as peace officers with powers to serve summonses and warrants, a new definition of "fishing" to include an attempt to catch fish as well as the actual capture, and authority to extend, if necessary, the restricted area for trawlers beyond the present limit of 12 miles from shore.

## Roll Call Service

The annual Roll Call Service was observed in Tiverton Christian Church on Sunday evening with Rev. Charles MacNeill officiating.

The roll was called by clerk of the church, Melbourne Outhouse. Not many members were present for the event, but those who could not attend submitted donations either by mail or a friend.

A solo "It Is Well With My Soul" was sung by John Outhouse and a special, "He Hideth My Soul" was sung by the newly formed choir with Mrs. Bertha Ruggles, organist.

A resumé of events over the past year showed the passing of one of the churches' oldest members, Mrs. Jenny Outhouse.

There had been three transfers into the church, Rev. MacNeill from the church at P.E.I., Mrs. Gail Sollows and Mrs. Irene Outhouse from the Tiverton United Baptist Church. Two elders, Alger Sollows and Milton Outhouse had been ordained. Mr. Sollows had begun and is continuing a cassette ministry which enables all shut-ins to hear and enjoy the Sunday services. He was commended for his services.

Thanks were expressed to all who labored and helped in any way by donations, etc., to install the new floor in the vestry. Although it is not finished by way of second floor, carpet, etc. it has made a vast improvement. The Nursery and beginners classes are taught in this area. Plans have been made to relocate the furnace from its present location in the basement to the vestry of the church. When this has been completed the vestry floor will be finished. Thanks were also expressed to Art. Langer of Tiverton who built and donated shelves for the vestry - a much needed addition.

Plans that were being made for repairing and remodeling the church steeple are still in operation.

Throughout the fall, winter and spring months the youth groups of the Tiverton United Baptist and Christian Churches combined under the leadership of Rev. Charles MacNeill and Lic. Floyd Gale, Mrs. Herbert Cossaboom and Miss Kathy Cossaboom. The I.A.H. (I Am His) held a rockathon in the vestry of the Christian Church in January.

In May the youth group of the South Range Digby Co. church and students of Maritime Christian College, P.E.I., presented programs in this church. The fellowship of Westport-Tiverton Christian churches arranged a project which they call "5th. Sunday Fellowship". That is, they meet on the last Sunday of every month that contains five Sundays.

Perhaps the highlight of the year's activities was when the two churches co-hosted the Maritime Christian Fellowship which was held at Johnsons Christian Park, South Range. This was well attended by ministers, interested people and their families from New Brunswick, P.E.I. and throughout Nova Scotia.

A missionary, Alice Porter also visited the church and presented an informative and interesting talk on her life and work in India.

Vacation Bible School was held in the United Baptist Church and was well attended by youngsters from Freeport, Central Grove and Tiverton as well as visitors to the area.

Members are anticipating a special weekend of lectureships on the Holy Spirit. These will be offered by Rev. K.T. Norris of M.C.C., P.E.I., and are expected to be held this fall.

NICHOLS - KINSMAN

The marriage of Jane Elizabeth Kinsman, only daughter of Mr. and Mrs. Eric Kinsman, Smith's Cove, Digby Co., N.S. to Darrell Michael Nichols, son of Mr. and Mrs. Ambrose Nichols, Aylesford, Kings Co., N.S. took place on Saturday, July 2, 1977 at 1:00 p.m. at St. Anne's Chapel, Smith's Cove.

The beautiful old birch chapel was decorated with beautiful carnation roses on the altar, and two floral arrangements of red and white peonies in tall standards also decorated the front of the chapel. Individual carnation roses in finger-tip vases with white lace doilies were used as pew markers. These flowers were from the both the bride's and groom's homes.

Rev. Wallace Jordan of the Smith's Cove Baptist Church officiated at the double ring ceremony.

Miss Joanne Frankland, Bay View, performed beautifully at the organ before and during the ceremony. She played, "Largo", "Jesu Joy of Man's Desire", and "Somewhere My Love" before the ceremony.

The bride looked radiant as she entered the church on the arm of her father, to the strains of the traditional "Bridal Chorus" from Lohengrin. (At the request of the bride and groom, at this time, the organist sang "Evergreen" and was her own accompanist). The bride was given in marriage by her parents. She wore a floor-length gown of white sheer organza, high neckline, empire styled bodice with inserts of Alecon lace, matching lace detail on sleeves and on full flounce at bottom of gown, cap style headpiece of matching lace edged in seed pearls and attached to this a tulle illusion trailing veil encircled with Alecon lace. She carried a cascade bouquet of red roses, pink carnations, baby's breath and fern.

The maid of honor, Lena Baxter, Halifax, cousin of the bride wore a three-tiered floor length gown of pastel blue, embellished with white daisies, shirred bodice, kerchief sleeves and a picture hat of matching color. She carried a bouquet of white daisies, blue mums, baby's breath and fern.

The bridesmaids, Miss Kathy Nichols, Aylesford, sister of the groom and Mrs. Darlene Meldrum, Halifax, friend of the bride, wore identical dresses to the maid of honor, except colors being pastels of green and orange, picture hats in colors to match dresses, and carried matching bouquets.

The little winsome flower girl was Miss Karla Willey, Halifax, relative of the bride, who wore a three-tiered long gown of dotted swiss embellished with blue and white daisies, white picture hat and carried a basket of white daisies and blue mums.

The groom wore a rust three piece summer suit, and was supported by his friend Glenn Smith, Aylesford, as best man. Ushers were David Kinsman, Smith's Cove, brother of the bride, and Terry Nichols, Aylesford, brother of the groom.

The mother of the bride wore a mint green polyester interlock knit sleeveless floor-length gown, with shirred bodice, this was topped with a floral sheer overlay, green shoes and a green and white corsage.

The groom's mother wore a blue polyester crepe floor-length gown with white accessories and her corsage was green and white.

During the signing of the register, the organist rendered themes from "Romeo and Juliet" and "Love Story." The marriage procession marched out to "Mid-Summer Night's Dream".

Following the ceremony a buffet luncheon was held at Admiral Digby Inn, Digby. In charge of the guest book was Dayle Mitchell, Halifax, cousin of the bride. A charming toast to the bride was given by a friend of the bride's family, Judge Elliott Hudson, Halifax, and responded to by the groom.

The bride's table was set with a beautiful pink and white three-tiered cake, blossom time china, and a silver service at each end. Pouring were Mrs. Mildred Turnbull and Mrs. Margaret Baxter, Digby, aunts of the bride.

Out of town guests were from Halifax, Antigonish, Aylesford, Sheffield Mills, New Glasgow, Berwick, New Minas, Enfield, Kingsport, Truro and Connecticut, U.S.A.

For travelling the bride chose a floor length summery green nylon gown, shoes and bag of matching woven jute and leather and a matching corsage. They toured Cape Breton and Newfoundland.

The bride is a graduate of Mount Saint Vincent University, Halifax, with a Bachelor of Administration degree and is employed with National Sea Products, Halifax.

The groom is a graduate of Dalhousie University, Halifax, with a Bachelor of Science degree of Geology and is employed with Westfield Minerals, until September when he will re-enter Dalhousie for post graduate studies.

The first ever Combines Adjustment session for this area was held at the farm of John Roope in Hill Grove. Ag. Rep. Bruce Gilliat reports a fair turnout at the session although numbers didn't quite meet with earlier expectations. Fine weather turned out for the occasion.

The session was sponsored by the Digby County Soil and Crop Improvement association. Guest instructor was Darrell Armstrong, Agricultural engineer with the Nova Scotia department of agriculture in Lawrencetown. Soil and crop specialist Greg Cox was also on hand.

Mr. Gilliat said such sessions are important to such an area as this is where production is limited but where there are fields with excellent production. The smaller, older machines, he said, can do the grain-threshing job just as well as the older, larger ones.

During the instructions, Mr. Armstrong went over the mechanics of the combines from the time grain

## DEMPSEY - POTTER

The historical, Old St. Edwards Church of Clementsport was the scene of a colorful wedding at 2:00 p.m., Saturday, June 18, 1977. Wendy Pauline Potter, daughter of Mr. and Mrs. Cecil Potter of Clementsport became the bride of Cst. Raymond John Dempsey. Cst. Dempsey is the son of Mr. Garrett Dempsey and the late Mrs. Josephine Dempsey of Canada Harbour, Newfoundland.

The church was decorated with large baskets of white gladioli and mums. The bride's brothers - Raymond and Winston - crafted and arranged the pew decorations of bridal wreath on white doilies tied with white satin ribbons.

The bride wore a floor length gown of imported silk chiffon and Guipure lace with the high neckline, fitted basque of Guipure lace. The flowing white bridal gown was augmented by its Cathedral sleeves, lace cuffs, and demi-bell silhouette extending from the back of her waist into a circular chapel train.

Wendy's two layer length Mantilla of silk illusion tulle, edged in matching Guipure lace was held to a lace Juliet cap, which was adorned with seed pearls. She elegantly held a Cascade bouquet of red roses, highlighted with baby's breath entwined around a collection of ferns.

Wendy gracefully approached the altar on the arm of her Dad, in step to the Processional of Handel, played by the organist, Miss Mary Williams.

Wendy and her Dad were preceded to the altar by her attendants.

The winsome Stephanie Grant, flower girl, and niece of the bride, wore a gown of pink flowered polyester crepe. She shyly held a basket of pink rose buds, and white baby mums on a delicate background of ferns.

Wendy's sister, Mrs. Lois Grant of Ottawa, was matron of honour. Her bridesmaids were sister Kathleen, and friend Kathy Dilley, both of Winnipeg. They were fashioned in identical gowns of light blue flowered polyester crepe, and held bouquets of white baby mums, beaded with white gypsophila. The

enters until the process is complete. He checked the machines for adjustments paying particular attention to the rpm's on the engine speed.

After the instruction session, the machines were taken into a Winter Rye field for testing. There, finer adjustments were made.

Checks were made to ensure that too much grain was not wasted. For instance, an aftermath of 35 grains per square foot means one square bushel is being lost per acre. Thus finer adjustments are needed.

A similar session is being planned for the Bear River area.

looped and drooping white satin streamers matched that of the flower girls' basket.

Ray was escorted by his best man, Cst. Jim Youden of Kentville. The friends and relatives were met at the church and escorted to their seats by ushers, Cst. Len Snook of Stewiacke, and Cst. Art Griffin of Kingston, N.S. Ray and his attendants wore the Walking Out Order Uniform of the Royal Canadian Mounted Police.

The double ring ceremony was performed by Reverend Lloyd Ripley, who was assisted by Father Leo Maillet of Digby. During the signing of the register, the guests were attentive to the wisdom of St. Paul's letter to the Corinthians, which was so exquisitely read by Mr. Roger LeFrank of Clementsport.

Wendy's mother was fashioned in a yellow chiffon gown of Empire style, with a lace sleeveless overlay. Her corsage consisted of white rose buds on a layer of ferns.

Ray's sister Ethel was attired in a floor length gown of peach silk jersey, highlighted with a corsage of white carnations.

Wendy's grandmother, Mrs. Ida Balcomb, was tastefully dressed in a blue dress with matching blue and white jacket. Her youthful appearance was complimented by her corsage of pink carnations.

Wendy and Ray received their 200 guests at the beautiful and spacious Royal Canadian Legion Hall in Clementsport. The guests were charmed by the sophisticatedly arranged setting of the reception, and expressed complimentary accolades on the efficiency of the Neighbourly Club of Deep Brook.

The bridal table was centred with a three tier wedding cake. The cake was prepared and beautifully decorated by Wendy's mother.

General telegrams of good wishes were read by the best man, who called upon Wendy's uncle, Mr. Roscoe Potter of New Ross, to toast the bride. Ray responded, thanking everyone who helped in the wedding preparations.

The bridal cake was pre-wrapped in the western style. Wendy and Ray served the cake in the traditional manner, and chatted with their guests, who had come from distant parts of Canada and the United States.

Miss Mary Williams graciously presented the Guest Book, and Mrs. Emily Guest efficiently served the bridal table.

Wendy and Ray wore matching navy and white outfits accented by corsages of red carnations. They spent their honeymoon in Cape Breton, and returned to their residence in Greenwood, where Ray continued his duties with the R.C.M.P. Detachment in Kingston, N.S.

THERIAULT - BROOKS

St. George's Chapel, CFB Cornwallis, was the scene of the summer wedding of Sharon Elizabeth, daughter of Mr. and Mrs. Irvine Brooks, Smith's Cove, to Cleveland George Theriault, son of Mr. and Mrs. George Theriault, East Ferry. The double ring ceremony was performed by Rev. James MacIntosh, and the organist

was Mary Williams. Given in marriage by her father, the bride was attended by her sister, Brenda Brooks. Thurston Theriault was best man and Jamie Theriault and Brad Titus were ushers.

Following the ceremony, a reception was held in the Warrant Officer's and Sgt's Mess, CFB Cornwallis.

## Digby New Horizon

Again in August the Digby New Horizon Club was busy as usual. The Centre is kept open every day, except the weekend, for the summer months and several visitors as well as Club members have dropped in and enjoyed a cup of tea.

August 16th forty-one members enjoyed a bus trip around the Fundy Trail, having a picnic lunch at the Provincial Park at Coldbrook, then spending the rest of the afternoon at the Greenwood Shopping mall, having supper before leaving

for home by the Springwater Habitation bus.

The New Horizon booth at the Admiral Digby Park on Scallop Day August 20th, proved to be very successful with crafts of macrame and fish net knitting being the most popular buy as well as the women's work and wood craft made by the men.

Thirty five attended the birthday party on the last Thursday of the month partaking in the usual activities before cake and ice cream were served. Five were present whose birthday occurred in the month of August.

## World University Service Of Canada

World University Service of Canada, a non-profit organization, is striving since the 1950's to make Canadians aware of problems in the development of the Third World. Summer seminars in different parts of Africa, Latin America and Asia were the principal means used by World University Service in pursuit of its objectives.

Meanwhile domestic demands were coming in from all parts of Canada, be it from the native people or from minorities, and the World University Service realized that the development problems did not affect only the countries of the Third World, but our own phenomenon of regional disparity was a reality which should capture our attention. Without neglecting its main objective, World University Service of Canada has been striving since 1970 to bring

about an acute awareness to all Canadians of the Canadian reality.

An Acadian study session has therefore been organized in answer to this new direction. Thirty-five people, chosen from a wide variety of criteria, will then undertake during one month a comprehensive study on subjects as various as tourism, Acadian cooperative movement, French survival, welfare, health and education, natural resources and agriculture, Acadian press and the working people.

This group will be at Universite Sainte-Anne, Church Point, on the 1st and 2nd of September and their program will include workshops, conferences and panels where those subjects can be examined closely. M. Gilles Beaulieu, Ottawa, is responsible for the organization of this seminar.

## Tideview Guests Entertained At Picnic

A delightful picnic was held on August 2nd at Porters Lake, at the summer cottage of Mr. and Mrs. Russell Stonehouse who entertained as many of the Tideview Terrace patients who were able to go.

Owing to the inclement weather in the early morning doubts were in the minds of many, but by noon the sun was shining and cars volunteered by staff and friends drove to the lake.

A few enjoyed a swim in the beautiful lake. Others enjoyed the shady large and lovely trees while ice cream was served and cool drinks. This was followed by hot dogs and hamburgers buns on the barbeque which Mr. Stonehouse and Mr. Neil Adams cooked. The guests would again like to thank Mrs. Nicholl and her staff for such a wonderful afternoon.

## Hall To Open Saturday

The 'welcome mat' is out for everyone to attend the official opening of the Digby Neck Firehall and Recreation Center on Saturday, Sept. 3, 1977.

The ribbon cutting ceremony is scheduled for 10 a.m. and it is expected that many celebrities will be on hand. Invitations have been sent to officials and surrounding fire companies.

All festivities will be held from 10 a.m. to 6 p.m. on Saturday and noon to 6 p.m. on Sunday. Bingo is scheduled from 1 to 4 and a dance will be held on Saturday evening. Hamburgers and hot dogs will be on the menu and it is rumored that fish chowder will also be on tap. There will be lots of fun with grocery wheels, a fish pond

and the ever popular dunking pond.

It is promised that there will be fun for young and old, so come out and enjoy the opening celebration.

The communities of Digby Neck can be proud of their new firehall and recreation center. Any profits from the opening celebration will be used for the benefit of the department and recreation center.

Future use of the recreation hall is up to the residents of Digby Neck. Plans are being made for organized activity for the winter months, and all suggestions are welcome. Bingo and dances are already in the works. The winner of the door prize, of the last dance, was Joan O'Neill. Bingo winners were Carla Larrimore, Lily Adlington and Paul Pyne.

## Legion Sideline By Merchants By The Score 21-4

In the probably best pitching duel of the season for five innings the Lawrence Comeau coached Merchants won the game by scoring fourteen runs in the top of the sixth while only giving up one run in the bottom of the sixth. Andrew Davidson went the distance for the winners, he allowed four runs, struckout ten and walked eleven but was deadly with men on bases while David Reid did the mound chores for the losers. He allowed 14 out of 21 runs, walked nine, struckout thirteen and gave up twenty hits, twelve in the top of the sixth when he tired. At the end of the fourth the score was 3-2 in favour of the Merchants and going into the top of the sixth it was 7-3 for the Merchants when the roof fell in on the Legion and the winners scored four teen runs

on twelve hits to achieve the victory. All but three players on the Merchants had at least one hit while Donald Ross and Jurgen Griegosche had doubles for the losers. The Winston Wells-Gary Reid coached Legion gave their all and should not be ashamed of losing for someone has to win and someone has to lose.

## DIGBY LITTLE LEAGUE

### Firemen Outlast Lions 24-18

By Bob McVeigh

Firemen, having taken the first game of Series "C", downed courageous Harold Haines coached Lions team by the score of 24-18, thus eliminating them from further competition. The pitching staff of the Lions namely, Jeff Learn and Keith Mackintosh, issued a total of twenty-three walks and this added to the twelve hit attack of the winners, was the main reason for the Lions defeat. Richard McVeigh went the distance for the Firemen. He allowed fourteen walks, struck out eight and allowed fifteen of the eighteen runs scored by the Lions. The Lions outthit the Firemen 17-12 but as mentioned above walks were their downfall. Arnold Doty (two doubles, single), Mark Fletcher (two singles, double), Doug Trimmer (walk, hit by pitch and triple), Jeff Locke playing his first Little League game

(double, two singles), Keith Mackintosh (walk, two singles, double), Jeff Learn (four singles) and Odetta Griegoschewski received four walks and scored two runs for the losers. Nevin Gaudet had three walks and scored two runs, Danny Vantassel had two walks, two singles, Steven Mackin walk, three singles, Richard McVeigh a single and five walks, David Margolian playing short-stop for the Firemen had a walk, two singles and two doubles. David Roberts had a single and two walks. Charlie Vidito scored two runs, walked three times and got a single and Cecil States received four walks and scored four runs in a winning cause. The Baxter coached Firemen will await the outcome of the other two Series.

## K Of C Upset Kiwanis In Come From Behind Victory 29-28

The suspended game started on August 18th was finally completed on August 29th with the game going into an extra inning before the Carl Saulnier coached K of C won it 29-28, thus taking a one game lead in Series "A". It was a great victory for the winners in that the Kiwanis ended up in first place during the regular season. With the score 23-20 when the game was suspended in favour of the Kiwanis, the K of C scored one in the top of the fifth, four in the sixth and four in the seventh while allowing two runs in the bottom of the fifth, blanking the Kiwanis in the sixth and Larry LeBlanc put out the final batter with the tying run on second to go one up in this quarter-final. Aralee Hattie playing second for the K of C had four singles and three walks in eight at bats, Phillip MacDonald was hit by a pitch, two singles and a walk, Alvin Lawrence had three singles, triple and two walks in seven appearances at bat while Steven Moir had three singles, a double in seven trips for the Kiwanis,

Robbie Cullen (three singles), Michelle Margolian (walk, three singles and a double), Steven Hazel (walk, three singles), John Connelly (two walks, four singles), Kevin LeBlanc (three walks, three runs), David Comeau (two walks, two doubles, triple).

The winning pitcher was Larry LeBlanc and the losing pitcher was David Comeau. This series is far from over and it should go down to the deciding game before a winner is declared.

## Farmers And Efficiency

Today the Canadian farmer-producer is exhibiting more efficiency than ever before, commented Lester Settle, Secretary-Manager of the Nova Scotia Federation of Agriculture (NSFA). Improved farm technology and effective use of the land, he added have made it possible for Canada to rank among the world's top producers.

Mr. Settle indicated that farmers are concerned about the rising costs and efficiency which directly or indirectly affect their industry. In the wheat industry, for example, proper machinery enables the farmer to harvest in nine seconds enough wheat to make 70 loaves of bread. Proper machinery, as the farmer is well aware, costs money. One piece of essential equipment, the combine, may cost the farmer \$50,000 (and used only a few weeks of the year).

Over the years farm productivity has increased tremendously. Years ago, remarked Settle, the Canadian producer aimed to provide food primarily for his immediate family. It should be noted, that today he produces food on the average for 50 people in addition to his family requirements, and some, like milk producers, are producing for hundreds beyond their own needs.

The public may be led to believe that increased food prices indicate equally increased returns for the farmer. This, said Mr. Settle, is not the case. The bulk of food price hikes has resulted from higher processing costs. The cost of convenience foods packaged for immediate use also cause increased prices. The farmer does not necessarily benefit from rising prices.

The trinket in a box of cornflakes costs more than what the farmer gets for the corn that goes into the box. The wrapper around a can of spinach costs more than the spinach in the can. In 1974 for every dollar spent for bread the farmer got 12 cents, for canned peas he got 16 cents, corn 14 cents, etc. Only about 25 percent of the increased cost of food finds its way back to the farm, the other 75 percent is due to the cost of processing and marketing the food. Farmers have only been able to survive because of their ability to manage more efficiently and increase the volume of their business. There is a limit as to how far farmers can go in expansion and efficiency. We are rapidly approaching the position when the farmer will have to reap his return from the market place itself.

Mr. Reginald Titus and Mr. William Denton. Two students also serve on this committee. They are Paul Porter and Craig Glavin. Officials of the Committee noted special thanks should be given to Mr. Stanley Moore who worked without charge for four days hauling rocks with his tractor to cover the new septic system.

## Busy Summer For Four Digby Women

Wendy Hill, Sara Barton and Marlene O'Neill, all of Digby, have been travelling across the Bay of Fundy aboard the Princess of Acadia during the summer telling travellers about Nova Scotia tourist attractions. The ferry operates between Digby and Saint John, N.B. The student tourist counsellors operate out of the Digby Tourist Bureau as part of the provincial Job Corps program. (N.S. CIC Photo)

It's been a busy summer for four young Digby women.

They've been travelling and talking to people about Nova Scotia.

Sara Barton, Marlene O'Neill and Wendy Hill have been going back and forth, over the Bay of Fundy - between Digby and Saint John, N.B. - telling travellers on the Princess of Acadia about Nova Scotia tourist attractions.

They worked this summer as members of the Job Corps program, administered and funded by the Nova Scotia government. They operate out of the Digby Tourist Bureau, on Montague Row, under direction of Mrs. Addie Tufts, bureau manager.

A fourth summer Job Corps recruit, Heather Lawley, works in the Digby tourist bureau, providing information to the more than 4,000 Canadian and American visitors who have stopped by there this tourist season.

Of the trio who work on the Princess of Acadia on the 45-mile trips to and from Saint John, just one girl is on the ferry during any one crossing. Each counsellor provides travel literature on request, answers questions about Nova Scotia travel attractions, supplies information about accommodations, restaurants, menus, directs tourists to destinations, etc.

The counsellors earn \$2.75 an hour.

Many of the ferry passengers come by the Digby Tourist Bureau to chat with Mrs. Tufts and Heather Lawley. The 29-year old bureau is open from June 15 to September 15 and is operated by the town and municipality of Digby with assistance from the Nova Scotia Department of Tourism.

Chairman of the bureau is Harold Riley, who is Chairman of the Digby Tourist Commission and represents the Digby Board of Trade.

"Our Job Corps tourist counsellors on the Princess of Acadia are very busy," said Mrs. Tufts, adding that she could use such extra summer staff next season. She has worked at the Digby Tourist Bureau for the last four years.

The last time tourism counsellors travelled the Digby-Saint John ferry on a regular schedule was in 1974-75.

Mrs. Tufts thinks their presence is not only useful to travellers but the Job Corps employment helps the youthful counsellors to know more about their province.

Heather Lawley, Marlene O'Neill and Wendy Hill are all students at high school, vocational and university level. This has been their first experience at introducing Nova Scotia to visitors.

The girls and Mrs. Tufts have noted a growth in the number of tourists coming to Digby. For the period June 15-August 7 alone, there were 3175 visitors to the Digby Tourist Bureau.

This is almost double the comparable 1976 figure of 1737 visitors.

They have also concluded that more Nova Scotians are travelling about their own province and that there are more Ontario visitors.

As the present tourist season starts to taper off, there are already signs that the Digby tourist bureau may expect even more visitors in 1978, concluded Mrs. Tufts.

## Schedule For Recreation Centre Announced

The schedule for the new Recreation Centre at Westport has been announced by the Executive Committee. This schedule goes into effect September 1 and is subject to change if conditions warrant.

The Centre will be open from 6-8 p.m. for children ages 8-12 years; 8-10 p.m. for ages 13-19 years and 10-12 p.m. for ages 19 and up. Monday evenings are set for

Ladies Auxiliary members; Tuesday - basketball; Wednesday - volleyball; Thursday - Fire Department members; Friday - floor hockey and Saturday - gym and badminton. The Centre will be chaperoned by members of the Fire Department.

Students of the Westport School will use the Centre four afternoons a week for physical education classes.

No other daytime schedule has been made yet.

On August 27, a benefit performance was given by the Hilltoppers from New Albany. They donated the entire collection of \$87 to the Executive Committee to be used for operating costs of the Centre.

Two members of the Executive Committee were omitted from the list published recently. They are

# Happy Days Program

Two functions in the Digby area were held on Thursday evening sponsored by the Nova Scotia Department of Recreation. Mrs. Julie Bondy, Church St., Digby, presented a piano recital and led in a sing-song at the

common room at Basinview Apartments, King St. At the Conway-Acadiaville Community Centre, Conway, a North African singer, Mr. Annex, entertained a youthful audience. Above top picture was taken at the

Basinview Apartments where several of the senior citizens prepared to enjoy the seven to ten o'clock musical evening. Left to right are Byng Dickie, Stan Perry, Ernest MacDormand and Mrs.

Bondy. The lower picture is that of Mr. Annex surrounded with a number of pleased patrons.

Co-ordinator of the Happy Days programs is Mrs. Frieda VanTassell with some 200 performers included or other Nova Scotia talent. On Monday evening Mrs. Bondy entertained the senior citizens at Tideview Terrace.

On September 2 "Jackie and Jim" will be at Bear River at nine o'clock and on

September 3 valley players under the Happy Days program will be in Bear River.

Mrs. Bondy has frequently given of her musical talent at Tideview Terrace, Hillside Apartments and Legion Hall.

## Steps Needed To Stop Acadian Assimilation

Paul Comeau

Half of the Acadian population of Nova Scotia have been assimilated into the English community and this trend will continue unless steps are taken, Paul Comeau director of the Acadian Federation of Nova Scotia said at the Canadian Council of Christians and Jews national youth forum at Universite Sainte-Anne.

Acadians, he said, have traditionally been known as an invisible minority and many people would prefer them to remain that way.

He traced the development of the AFNS and said when it was set up in 1968, many people were suspicious, believing it to be simply "something being pushed by Quebec," and that even today certain Acadians are afraid of being members.

Nova Scotia's Acadians, he said, have always been well liked and well received by their fellow English speaking Nova Scotians who have always held them to be a "peaceful people". However, he said, times have changed.

"We have to be more vocal, we have to come out of our silence. It's very difficult for people like us to become verbal

## Urges Use Of Freezer Trawlers

Digby M.L.A. Joe Casey has called on the federal government to finance the operation of freezer trawlers off the eastern coast.

Mr. Casey, a fish plant operator and deputy speaker of the provincial legislature, said foreign trawlers should be chartered by the government and manned by Canadians as a measure to immediately expand the fishery.

At the same time, Mr. Casey said the federal government should construct a freezer trawler which would in turn be leased to small fish plant operators with the catch divided equally.

In the event the initial lease proved successful Mr. Casey said additional ships could be constructed at a probable cost of \$10 million each.

The Digby fish plant operator said the industry is at present characterized by underutilization, particularly in the winter months when some plants operate at only 30 per cent capacity because of the difficulty of inshore fishermen to operate in severe winter conditions.

At the same time, however, fish stocks off Greenland and in areas such as Hamilton Inlet are largely untapped because the Canadian industry is not equipped to operate in the northern waters.

Species such as squid, silver hake, and greendies have a great future, said Mr. Casey, but only if the industry modernizes to take maximum advantage.

Individual fish plant operators or individual fishermen do not have the capital to embark on the necessary modernization, but he said there are many anxious to expand given the financing.

If larger, ice-strengthened freezer trawlers were available, Mr. Casey said, fish plants could operate at near capacity throughout the year.

At the same time there would be reduced strain on the unemployment insurance budget with shipyard workers as well as fishermen benefitting from the expansion.

Greater fish landings would also benefit the country's balance of trade position.

## The Patches Are French - But The Jeans Are English

Over 80 young people from all parts of Canada are participating in the Canadian Council of Christians and Jews' (CCCCJ) National Youth Forum being held in Church Point.

Half of the students participating are from this area of Nova Scotia while the others are from other parts of the province and across Canada.

The theme for the forum is "the Role of the French Minority Outside the Province of Quebec" and for the first part of the students stay here, they were billeted in the homes of the delegates taking part from Clare. They were treated to a variety of special events that organizers choose to highlight particular aspects of Acadian lifestyle and culture.

For the last seven days, the students have been busy visiting local Acadian industries and seeing historical sites such as Major's Point and the Habitation, as well as leading an active social life

that included deep sea fishing, clam digging and a clam bake, traditional Acadian suppers (featuring Rappie pie) and dances, balanced with alternating days spent at home with their new friends and families.

Saturday the students registered for the conference part of their visit at Universite Sainte-Anne, and were welcomed at the opening dinner by Father Leger Comeau, director of the university's extension services and a board member of the CCCJ, as well as the founding president of the Federation Acadienne de la Nouvelle-Ecosse.

Father Comeau told the students there was no French education in the province but rather an English system and in the Acadian community some French patchwork.

"The patches are French," he said, "but the jeans are English."

Sunday's conference sessions included presen-

tations on Acadian history by Prof. Neil Boucher of the university, as well as a symposium on Minority Rights in Nova Scotia with lawyer Don Oliver and Ernie Rafuse, of the Nova Scotia Union of Indians both boardmembers of the CCCJ.

Presentations were broken up for small group discussion and workshop report and general questions to allow the students time to weigh the topics presented by the various speakers. Guest speakers at Sunday's dinner were Fraser Mooney, minister of highways and Dr. Peter Jones, CCCJ president.

## Has Ninetieth Birthday

A surprise party was held recently at the home of Mr. and Mrs. Herbert White when family members gathered to help Mrs. Margaret Woof, P.E.I. celebrate her 90th birthday. Those present were Mr. and

Mrs. James Woof; Mr. and Mrs. Eric Woof, Conway; Mr. Reginald Woof and son, Darren of Ottawa; Mr. and Mrs. Donald Woof and sons, Shawn and Stacey of London, Ontario; Mrs. Lynn Stencil R.N. and son Brent of Riverview, N.B., and Mrs. Harriet Sylvester of Lynn, Mass.

During the evening birthday greetings were received by phone from her daughter, Mrs. Arthur Robicheau and granddaughters, Mrs. Winston Peters and Mrs. Ronald Thorne P.E.I. After opening her gifts, refreshments were served by the hostess including a birthday cake made by her granddaughter, Mrs. Lynn Stencil. All left wishing her many more such happy occasions.

# Life: it's non-renewable

You've heard it... "The car was a write-off but the driver walked away without a scratch. It was a miracle!" A miracle, sure. Only miracles don't often happen. The fact is that most times when they write-off the car, they write-off the driver too. And maybe his passengers as well! The car they can re-cycle; but the life: that's non-renewable. Know what causes most fatal highway accidents? Inattention! That's inattention to the mechanical condition of the car before you drive and inattention to highway conditions, regulatory signs or other traffic while you drive. So pay attention and protect your most valuable non-renewable resource... Life!

What are you doing with the rest of your life?

Nova Scotia Department of Highways

## 100,000 Citizenship Applications

Up to July 1 of this year the Department of Secretary of State had received 100,000 applications for Canadian citizenship, Ron Gould, newly appointed Registrar of Canadian Citizenship said in Halifax on Wednesday.

Mr. Gould was welcomed to Nova Scotia by Judge Victor Cardoza who on Wednesday presided over the largest ceremony held in the Halifax court this year. Forty-four new Canadians representing twenty-two nationalities received their citizenship certificates.

As registrar Mr. Gould is with Mr. and Mrs. Charles McDormand. Mr. and Mrs. Walter Martin and son, Danny, Coldbrook, spent the weekend with Mrs. James McDormand.

Mr. and Mrs. Gordon Smythe, Ottawa, who have been touring the maritimes, paid a surprise visit on their former neighbors, Mr. and Mrs. S.J. Morehouse. Mr. and Mrs. Frank Adams, New Albany, spent the weekend at the same home.

The Llewellyn family and Miss Shirley Stewart of New Albany, have formed a musical group and call themselves "The Hill Tappers." They spent the weekend tenting and in the home of Mr. and Mrs. Billy Welch. On Saturday night they put on a concert to an appreciative audience in the Community Hall. A collection of over \$87.00 was taken up, and they donated the entire amount to the firemen, our grateful thanks to them.

responsible for the application of the new Citizenship Act implemented in the winter of 1977. The 100,000 applications, he said is 100 per cent higher than 1976 and the increase is caused in part by the changes in the act.

Mr. Gould also visits the courts to ensure the facilities are available in terms of court staff. This particularly applies to circuits in which the judge must travel to small towns in his province to review applications for citizenship and to preside over ceremonies in which citizenship is granted. The Courts located in major cities from coast to coast, have two sessions a month and subsequent to receiving applications for citizenship, hold hearings to determine whether an applicant meets the requirements for becoming a Canadian citizen.

Mr. Gould said the assimilation of the immigrant into Canadian culture is an important consideration at these hearings. "The applicant's knowledge of one or both of Canada's official languages, his basic knowledge of Canada's history and geography, his knowledge of our system of government, as well as an understanding of the privileges and obligations of being a Canadian citizen, are all taken into account by the judge to determine if an applicant has met the basic requirements of citizenship."

"He estimated that there

## Oceanic Studies At Westport

Dr. Peter Beanish, of Dalhousie University has again brought an Oceanography group of boys to Westport and is using the cottage of Mr. Albert McDormand on the Pea Jacques Road. They filled two or three boats one day and had a trip out sighting whales. They got a really close-up

chance to examine one when it drifted ashore at Gull Rock. In spite of its rather high aroma they made the most of it. They have also been doing various free jobs in the community. For example they painted the newly shingled side of the Church of Christ.

## 92 Years

Mrs. Oda Van Blarcom at Tideview Terrace, Digby, celebrated her ninety-second birthday on August 26th and all her friends in Tideview wish her many more happy years about one million people residing in Canada right now who are eligible for citizenship but have not yet applied."

years. Her cheerfulness and wit are a pleasure to all.

Her birthday was celebrated by going out for a drive with Mr. David Stuart and Mr. Reg McNeil and after getting back to Tideview her friends were able to have supper with her in her room.

**Amero Pleads Guilty To Rape**

Jeffrey Edward Amoro, 18, of Marshalltown pleaded guilty in court Monday to a charge of rape. He will be sentenced on Sept. 19.

Amero was sent to the Nova Scotia Hospital in Dartmouth in late June for a 30-day examination. He has since been remanded in custody.

Two other charges against Amoro - attempted rape and robbery with violence were withdrawn by the crown after the guilty plea.

In other court activity, Leon Michael Saulnier, 21, was sentenced to a total of four months in Kings County Correctional Centre. He

faced two charges of break and enter and one charge of breach of probation.

Manus Lloyd Farmer, 21, of Weymouth Falls was sentenced to one day in jail and placed on probation for one year. He was charged with stealing a car from Weymouth Motors on April 15.

Jerome Neil Prime, 19, of New Tusket was sentenced to a total of two months and two weeks in Kings County Correctional Centre. He was charged with three counts of break and enter and one count of possession of stolen goods. He was also placed on one year's probation.

**Weymouth Motors Long Time Staff Receive Recognition**

Weymouth Motors held their annual picnic at Hankinson's Resthaven on August 13, when the staff enjoyed watersports, horse-shoes, darts, steamed clams, steak dinner and corn. During the afternoon presentations were made to various members of the staff. To Willis LeBlanc, went a diamond ring, for thirty-years service, and an engraved plaque and weather-station was given him as a retirement gift. Two other retirement gifts were given - one to Curtis Hankinson, who had been with the firm for 27 years, and to Gus Melanson, who had been with them for 29 years. Both were given engraved plaques and weather stations.

Ralph Cosman, who has been accountant with Weymouth Motors for 30 years was presented with a diamond ring. Silver goblets and an engraved tray were given to Mrs. Nellie Theriault and Ivan Burton for 25 years of faithful service. Edward Cromwell was given a Gruen watch for ten years service.

Presentations were made from the Salesmaster Guild to Ivan Burton and John Comeau. These presentations were fine tool sets.

The Service Technicians Guild presented Richard Amiraault with a ring for 15 years in their Guild and a leather billfold to Owen Hankinson for 5 years.

**Camp Grounds Closing September 6**

Camping parks administered and supervised by the provincial Department of Lands and Forests will be closing for the season earlier this year.

Lands and Forests Minister Vincent MacLean said that the trend over a period of years has indicated that attendance in the provincial camping grounds falls off sharply when the schools reopen after Labour Day weekend.

"As a result of this observation, we will be closing the campgrounds on Tuesday, September 6 at 12 noon this year, the day following Labour Day.

Department officials feel that those who would be using the provincial camping facilities after that date can be accommodated by the many private camping grounds which stay open into October," The Minister said.

Provincial picnic and day-use parks will continue to operate until Tuesday, October 11 at 12 noon, the day following Thanksgiving Day.

Provincially administered Wildlife Parks at Shubenacadie and at Upper Clements, Annapolis County will not close until October 15 at 7 p.m.

**Reflecting To 1927**

Professor K.C. Denton of Montreal turned over the sum of fifteen dollars to the Digby hospital. It was earned by an entertainment at Little River directed by his daughters, Dorothy and Marjory. They were assisted by Patricia Trask, Doris Trask, Georgina Denton, Winnifred Trask, Fay Denton, Zelma Frost, Gertrude Denton, Freda Tidd and Margaret Kelly. Supervising the program were Louise Denton, Burton Denton, Ronald Denton and Eric Morehouse.

Sincere praise was given to superintendent, H.J. Campbell, in restoring hydro services so soon after the August 24 storm. Heber J. Outhouse, Tiverton, also had a letter in the September 2 issue of the Courier expressing his appreciation to Captain George Crocker, Jessie Thurber, Nelson Thurber and Cleveland Prime of Freeport for saving his life in the great storm of August 24 by risking their own.

Evidently trouble existed somewhere in the Digby School Board fifty years ago by a half story, half editorial in the September 2, 1927 issue, quote "Members of the School Board should recognize the trust that placed on them for supervision of teaching staffs and scholars and not too lazily delegate their duties to the secretary, or as maybe, neglect them altogether. Prevention of dispute is easier than settlement of one after it begins and for the sake of the discipline and morale precautions should be taken to see to it that the coming term passes happily for both teachers and scholars, that all may do their best work and receive the utmost in benefit from the expenditure of a large amount of the ratepayers money. With the commencement of the term, it is not untimely to suggest that precaution should be taken to avoid a repetition of the unfortunate occurrences of last term."

Reconditioned cars of years 1921 to 1925 in Chev., Ford, Nash, etc., were selling from \$200 to \$300.

**Reflecting To 1947**

The Digby Branch Canadian Legion made plans to purchase a portion of the new rink building which was to be erected in town. A lease was to be secured on that portion of land on which the part of the building bought by the Legion stands for a period of 25 years with option of continuance. It was pointed out the portion of the building bought by the Legion would be ideal for a meeting place and concession rights would ensure a good return. Committee in charge were F.C. Purdy, M.C. Denton and Dr. E.H. Anderson.

At a colorful ceremony at the War Memorial on Sunday, Commander E.W. Finch Naves R.C.N. presented to the Town of Digby the ship's bell of HMCS Digby. The "Digby" had been built at Lauzon, Quebec, in 1941 and christened by Mrs. E. J. Theriault, wife of the then mayor of the town.

Fred Adams, Bay View and his son, Harry, caught a strange fish while pollock fishing. They caught eleven but one was found to be different when they cleaned up the fish. Inside the fish's stomach was a sealed quart bottle. Inside the bottle was a message written by Thomas Cotton in England in 1941. It asked the finder to notify the Halifax newspapers. (Poor fish, how could it. Likely the second finders did.)

Two exhibitions in Digby County were far ahead in their planning stages. Not only were the Digby County Exhibition (generally known as the Bear River Exhibition) plans well on the way for their horse and oxpulls, games, pie eating contests, school and domestic exhibits but the Maple Leaf Community Fair and Agricultural Exhibition at Conway were planning their show in their new building along with horse and ox pulls, sports and amusements for young and older.

A new Digby Neck bus was put on the road by its owner, Guy Outhouse, initiated by giving friends a trip to Annapolis Royal.

## Jack Hawkins, Coline Campbell Headline Opening Ceremony

The official openings were performed in the early going of the Digby County Exhibition in Bear River - the exhibition itself and the new show building where a number of exhibition events were held.

The exhibition was declared officially open by Minister of Agriculture Jack Hawkins. Southwest Nova M.P. Coline Campbell officially opened the building. Digby County Exhibition Society President Ruben

Mervin took this opportunity to welcome all exhibition visitors and to thank those who put the show on the road. The new stadium, he noted, was the result of a lot of work, worry and financial

trouble, which now has been about concluded. Jack Hawkins congratulated those involved in the building project. He termed it a "good investment" since its use will be closely associated with agriculture.

Facilities here, the minister said, are improving year by year. "It's through the co-operation of all people in the community that you get things like this accomplished."

The minister publicly commended president Ruben Mervin, secretary Jack Harris and manager John Alcorn, Mary Darres and a number of 4-H leaders for the work they put into this exhibition.

Commenting on the importance of agriculture in Digby County, Mr. Hawkins noted agricultural sales here now total \$3.5 million annually.

He also noted that Digby County mink ranchers produce some 90 percent of the pelts marketed by the province annually and that hog producers now produce 10 percent of the quality hogs grown in the province.

The minister went on to mention the contribution Ag. Rep. Bruce Gilliat has made since he accepted his position in Digby County. He

then told of the province's role in saving about 400 acres of quality farm land at the St. Mary's Bay marsh.

Ruben Mervin told of Coline Campbell's role in "coaxing" him to apply for an LIP grant to get construction started on the new building.

He said he had been reluctant to apply for the funds but "now I'm happy I did." He thanked both municipal wardens for the grants received for the building.

At this point in the ceremony, Coline Campbell took the stand to officially open the new structure. She noted this is one of three new buildings put up in the past three years.

The M.P. went on to note the possible use of the new building could be put to, such as for entertainment purposes, and noted it is certainly adequate for exhibition use.

Platform guests at the ceremony included Digby County Warden Wilfred Swift, Annapolis County Warden Bud Miller, Ag. Rep. Bruce Gilliat, Exhibitions co-ordinator Don Bishop, M.P. Coline Campbell, and Bear River Cherry Carnival Queen Jennifer Ettinger. Don Harrison, CKDY radio announcer, was Master of Ceremonies.

## 4-H Day At The Digby County Ex

Some of the 4-H club members taking top honours during 4-H Day at the Digby County Exhibition include: (front, left to right) Stanley Wyles, top light horse; Karen Wright, top food; Jeannine Comeau, top homemaker; (second row) Doug Morgan, top woodworking and Gaston Comeau, top craft. Standing at rear are Fred Ross, manager Royal Bank, Weymouth; Marcel Voltaire, manager, Royal Bank Meteghan; and Bill Cox, manager Royal Bank, Bear River. The silver plaques were awarded by the various Royal Bank Branches.

August 31, 1977 was 4-H Day at Bear River Exhibition. Things finely got under way with three Digby County 4-H clubs setting up their displays in the 4-H Building.

The three participating clubs were the St. Bernard 4-H Club, St. Bernard; leader Catherine Doucet; The 4-H Acadienne, Meteghan River, leader, Loretta Comeau and the 4-H Dudes, Brighton, Nora Comeau.

The activities started with member judging, followed by the judging of the various projects. Those on hand to do the judging were Weldon Smith, 4-H Assistant, Lawrencetown; Jean

VanDyke, 4-H Summer Assistant, Yarmouth and Kay Dean, Home Economist, Kentville.

After the judging was completed the three clubs busied themselves with the setting up of their displays for viewing by the public.

Due to planning error, a number of pre-planned activities had to be cancelled or re-arranged, but all members seemed to enjoy the day.

Later in the afternoon Managers of the Royal Bank of Canada presented five beautiful silver trays to the Top 4-H members in various projects. The participating

Royal Bank Branches were as follows:

The Meteghan branch manager, Marcel Valotaire presented Jeannine Comeau, St. Bernard 4-H with the prize for being Top 4-H'er in the Garment category.

Gaston Comeau, 4-H Acadienne, was presented a prize for being the Top member in Craft, this presentation was done by Marcel Valotaire on behalf of the Church Point Royal Bank.

Fred Ross, Manager of the Weymouth branch presented a prize to Doug Morgan, 4-H Dudes, for being Top member in Woodworking. Karen Wright, 4-H Dudes was presented her prize for Top Food member by Bill Cox, on behalf of the Digby branch.

The manager of the Bear River branch, Bill Cox presented Stanley Wyles his prize for being Top member in Light Horse, Mr. Wyles was also presented a trophy by Bruce Gilliat on behalf of Ridge View Farms, for being Top in Western Equitation.

For a number of years the Royal Banks have always supported the 4-H program and their fine prizes are cherished by the deserving winners for years to come.

Other 4-H members worthy of mention are Top Home Making, Gaston Comeau, 4-H Acadienne, Meteghan River.

Donna Thibodeau, Bear River 4-H club won a prize donated by the Digby County Power Board, for being the Top Judge in judging.

Ted Wagner, 4-H Dude, was top 4-H member in the garden category.

The top Display award went to the 4-H Acadienne booth. Gaston Comeau accepted a rosette ribbon on behalf of the club and Loretta Comeau, Leader accepted the trophy.

One of the activities enjoyed by all was the Pie Eating Contest, the First prize ribbons winners were as follows:

First Round Darrell Wright, 4-H Dudes, Brighton; Second Round Bobby Boudreau, St. Bernard 4-H, St. Bernard; Third Round Bruce Gilliat, Agricultural Representative. His participation was enjoyed by all the members. Donald Wright, 4-H Dudes came in with a very close second.

The Digby County Exhibition's Showman of the fair, Otis Robbins of Smith's Cove, is shown here with his pair of oxen which placed first in five different competitions this season.

## Appointments At Sainte-Anne's

Universite Sainte-Anne's Acting President, Mr. Omer Blinn, announces the appointment of three professors in the Department of Commerce at the University: Mr. Marcel Cotteau, professor in Ac-

counting, Mrs. Jeannette Comeau and Mrs. Sato Jeannot, professors in Secretarial Sciences.

Mr. Marcel Cotteau, born in Meteghan, Nova Scotia, obtained a Bachelor of Commerce from Saint

Mary's University in 1975 and in 1977 a Master in Business Administration from Moncton University.

During his university studies, Mr. Cotteau made use of his summers to work for local enterprises in the Municipality of Clare and also for the Nova Scotia Department of Highways. His interests in sports and recreation prompted him to participate actively in youth organizations and in varsity sports.

Mrs. Jeannette Comeau, born in Meteghan River, Nova Scotia, obtained a Commercial Course diploma from Clare District High School in 1960, a Diploma in Business Education from Nova Scotia Summer School in 1970, and also a Bachelor of Arts from Universite Sainte-Anne in 1977. Mrs. Comeau has worked as a secretary with l'Assomption Cie Assurance-Vie, Clare District High School and with Maritime Life Insurance Company. From 1967 to 1975 she was professor in the Commercial Course of Clare District High School, and from 1975 to 1977, Mrs. Comeau was a part time professor in the Secretarial Sciences Department of Universite Sainte-Anne. Mrs. Comeau is also involved in many local associations.

Mrs. Sato Jeannot, a Canadian born in France, obtained a Teacher's Certificate from the Jeanne-d'arc Institution, Angers, a Diploma in Business Education from the International Institute of Stenotypy, Montreal, and a Bachelor with honors in administration from University of Quebec at Montreal in 1975. Mme Jeannot was sales promotion officer for the district manager of Air France in Montreal; from 1966 to 1970 she was administrative secretary in the information office at Universite of Montreal, from 1970 to 1974 deputy administrator to the Secretary General at University of Quebec at Montreal and from 1974 to 1975 she was executive secretary to the Principal of Ecole Polytechnique of Montreal.

## Firemen's Day Most Successful Ever Gross \$4,700

Digby Firemen's Day proved to be a great success Saturday resulting in a gross income of \$4,700 for the Digby Volunteer Fire Department.

Fire Chief Vaughn VanTassel, terming this year's annual fair the "best yet", has expressed his gratitude to the public for their support. The event, he said, is doing a bit better each year.

One of the most popular attractions this year was the fire truck rides for the youngsters. Several truck-loads were transported through town during the afternoon.

Midway features included a country store, Bingo, Crown and Anchor, Dunking Tank, Fish Pond, Pitch til you win; ring toss, dart game, etc.

The Legionaires hockey team operated a booth offering boxes of chocolates to those able to score goals on one of their netminders. The fire department's Ladies' Auxiliary served a seafood chowder from 4:30 to 6:30 p.m.

Lloyd Jefferson was chairman of this year's Digby Firemen's Day Committee.

## Plan Fishery Regional Meetings

Plans for a series of regional meetings involving all segments of the fishing industry and officials of the Nova Scotia Department of Fisheries were announced by Fisheries Minister Daniel S.Reid, M.D.

The regional meetings will precede a provincial fisheries conference planned for Dartmouth in late October, said the Minister.

"We want to ascertain from fishermen and processors the difficulties they are experiencing. When we bring all segments of the industry together at the provincial fisheries conference, we will have the forum to hopefully achieve some solutions and provide the framework for the solution of others," noted Dr. Reid.

The regional meetings will also provide an opportunity for the election of delegates and the selection of general topics for the conference.

Dr. Reid said it is important to realize that for the first time all segments of the industry will be brought together...the inshore and offshore fishermen, lobster fishermen, groundfish fishermen, longliners, trawlermen, herring seiners, gillnetters, scallopers, trap fishermen and processors.

"We hope to have close to 200 individuals, representing all facets of fishing at the conference," the minister said. "We will provide the medium for the discussion of problems and aspirations which hopefully will foster better relations between the primary and secondary segments of the fishery."

## Scott Wins Gold Medal

Scott Turnbull, son of Mr. and Mrs. Beverley Turnbull, Lower Sackville, N.S. and grandson of Mrs. Oakley Turnbull, Lighthouse Road, Digby, captured the gold medal in a 400 m track and field held at Oromocto, N.B. This was the Canadian Midget Age Class Cham-

pionships contested against boys of other provinces. Scott was the only one to bring back a gold medal for Nova Scotia.

Scott age 16 years had also competed in the Canadian Games, ages 19 and 20, held at Newfoundland recently.

## Opening Of New Firehall And Recreation Centre

The Digby Neck Fire Department's new fire hall and recreation centre was officially opened in Sandy Cove Saturday morning. Those participating in the ceremony are M.P. Coline Campbell, Warden Wilfred Swift, area municipal councillor Richard (Rick) Daley and Digby Neck Fire Chief Reg. Comeau.

The Ribbon has been cut and the Digby Neck Firehall and Recreation Center is officially open. The ceremony took place at 10 a.m. on Saturday.

Richard Daley, Municipal Councillor, acted as the M.C. for the ceremony. He made a short speech and then called on Rev. Robert Reid to give the prayer.

Following this, Miss Campbell, M.P., Warden Wilfred Swift and Fire Chief Reg Comeau assisted in cutting the

ribbon. Miss Campbell presented a Canadian flag to the Chief for the department and this was accepted with thanks.

The Chief then made a presentation on behalf of the Department, he gave honorary membership certificates to Councillor Daley and Sidney Westcott, President of the Commission. All the firemen then came to shake hands with the honorary firemen.

### BENEFITS OF MUSICAL EDUCATION

School has begun. Students have either chosen their subjects for the year or have just about completed their selection. Choices have been made for various reasons whether future monetary expectations in related skills or professions; for student adeptness to certain subjects; pleasure and satisfaction derived from study of certain subjects or other reasons. Each subject has its own merits and far be it from us to give any order of priority. In fact, many of the subjects earnestly pursued lend similar benefits to the student. Our reason for singling out music at this time is because it does have its own peculiar benefits and we had easy access to them to pass on to parents of musically inclined students.

You know as well as we know that music education has become an accepted part of the school curriculum from kindergarten through college because educators recognize these many opportunities which are available. Chief among the benefits of a music education is that the interest in and understanding of music which your child acquires will be a source of pleasure and relaxation to him not only during his school years, but throughout his life.

In addition to the knowledge of music which your child will gain, music education provides training in SELF-CONFIDENCE - As a child gradually learns to master his musical instrument, he will gain confidence in his own ability to successfully carry out a new and difficult project, and his self-confidence will carry over into other tasks which he decides to undertake.

IN SOCIAL POISE as a member of his school band or orchestra, your child will develop a sense of stage presence through participation in numerous performances before large audiences. The poise which he acquires through his musical performances will be useful to him in many different types of situations which require him to conduct himself before a large group of people in a relaxed and confident manner.

CO-OPERATION is another benefit. Through participation in musical groups your child will learn to define his own place in a formally governed group, to work with others, and to co-ordinate team efforts in order to produce the best possible performance. A band provides an excellent opportunity for group participation since it welds together as many as one hundred or more students without losing the importance of each individual.

SELF-RELIANCE AND DEPENDABILITY are character traits that must be self-learned. Instrumental groups directed by highly trained professional teachers provide the atmosphere and experience that make it easier for the student to learn to be reliable and dependable.

The friendly, helpful mental discipline that your child will learn in band or orchestra will help build the co-operative attitude that is so desirable in social life and so necessary to success in any career.

PHYSICAL DISCIPLINE should be considered as your child progresses on his musical instrument, he will develop breath control and finger dexterity as well as his senses of touch, hearing, and sight.

EMOTIONAL DISCIPLINE too, is a factor. Music is a natural, healthy, and disciplined emotional outlet for a child since it serves as an effective means of gaining release from tensions and enjoying the satisfaction which comes through accomplishment. Instrumental music can be fun!

Music is one of the well founded subjects necessary for a rounded school life.

### AMENDMENTS TO THE REGULATIONS OF THE TRAFFIC AUTHORITY FOR THE TOWN OF DIGBY RESPECTING PARKING METERS

1. Section 8 of the Regulations made by the Traffic Authority for the Town of Digby Respecting Parking Meters pursuant to Section 137 of Chapter 191 of the Revised Statutes of Nova Scotia 1967, the Motor Vehicle Act, is repealed and the following substituted therefor:

"8 The directions contained on the metal plate on each parking meter shall be in the following language or to like effect:

Deposit one nickel for 30 minutes

Deposit one dime for one hour

One hour time limit, 9 AM to 6 PM; Friday 9 AM to 9 PM; except Sundays and Holidays."

2. Section 9 of the said Regulations is repealed and the following substituted therefor:

"9 It shall be an offence and a violation of these Regulations for the driver of any vehicle to park or leave the same standing in any parking space and immediately fail to deposit in the corresponding parking meter a coin or coins of lawful money of Canada, such coins known as follows:

A 5c piece to be known as a nickel;

A 10c piece to be known as a dime;

A 25c piece to be known as a quarter."

3. Section 18 of the said Regulations is repealed and the following substituted therefor:

"18 Notwithstanding anything contained in these regulations no person shall park or leave standing a vehicle of any kind in any parking space as aforesaid for a period longer than one hour. Any person parking or leaving standing a vehicle in such parking space for a period of time in excess of one hour shall be guilty of an offence and a violation of these regulations."

## Hodge Podge

While we have not had time to do more than a hasty glance, we want to draw the attention of our readers to a small 19 page book called History and Stories of Bear River (The Switzerland of Nova Scotia) published by Ethel and Ancil Ellis, Bear River. A glance through the pages reveals a certain amount of history facts requiring much research and stories which most of us have never heard before. The effort of Mr. and Mrs. Ellis to preserve Bear River history and anecdotes should be appreciated. We understand the booklet is on sale now.

Nice to know when this editorial column has done some good. For instance, some items were entered into The Digby County Exhibition, prompted by a week previous editorial. Some participants took the time and effort to phone us that the editorial had inspired them. They had not entered items before. Some of these people were pleasantly surprised too, to get first prizes. They will likely continue entries in future years. After all, you can't win a prize if you don't enter the goods.

Various booths gave out gifts at the Digby County Exhibition last week. Philco gave balloons to all the little children with their name Philco boldly printed. Even the Courier editor got one which prompted a booth friendly argument - whether more profitable to advertise in the newspaper or send the editor out with a balloon each day. Guess what! The Courier won.

### OFFICIAL OPENING

Continued from Page 1

Flowers from the Annapolis Royal Fire Department made a real splash of color for the opening.

After the opening the festivities began and it was apparent that all found things to their liking. Ladies Auxiliary members assisted with the ticket items and firemen manned the food stand and wheels.

The Youth Group served in the canteen. Many folks tried out the pitching arm at the dunking pool. Bingo was an on-going affair during the afternoon and Bonded Stock favored with music in the hall. Following bingo the Ladies Auxiliary served fish chowder in the main hall. Saturday it was served by the members from Mink Cove to East Ferry and on Sunday it was served by the members from Sandy Cove to Rossway. Everyone agreed that it was delicious.

Evening hours found the folks on the dance floor and music was by Kolte. Again the Ladies Auxiliary served refreshments, with chowder the high spot.

Festivities resumed, on Sunday, at noon and again the firemen were busy attending to the needs of young and old alike. Hamburgers and hot dogs were dispensed and the wheels and bingo were in operation.

Fire Chief, Reg Cogneau, suspended all operations at 2 p.m. when memorial service was held in memory of Ernest Nesbitt, who was lost at sea, and for others in our communities that have recently passed away. This service was conducted by Fireman John Jago and Chief Reg Cogneau.

The dory races in Sandy Cove were the next item on the agenda and this was cause for merriment. Thanks goes to the Yacht Club for help in obtaining dories. Garfield Trask and Dieter Oswald won first prize for the men, and Mimi McCullough and Beverly Gidney won first prize for the ladies. Much fun and laughter ensued.

Back to the Firehall and our MLA Joe Casey proved to be a real sport. Joe was a candidate at the Dunking Pool. It is rumored that money was made at this point as folks wanted to 'dunk Joe'. All we can report is that 'he went down - four times.'

Fish chowder on the menu at four p.m. and all chances were drawn at 6 p.m. The Ladies Auxiliary afghan was won by a friend from Armdale, the lantern was won by Marion Walker and the Hockey game was won by Steve Morehouse.

The Department, the Ladies Auxiliary and the Commission say "thank you" to all those that contributed gifts, and "thanks" to those that attended. The workers are to be commended for a job well-done. It is impossible to thank individuals because everyone worked 'above and beyond the call of duty'. The communities thank each and every one that helped in any way.

Plans are being organized for the use of the Recreation hall and all suggestions will be welcome. It is expected that an organized schedule will be announced soon. Equipment for the use of the Youth has been ordered and delivery is unexpected soon. It is hoped that the Recreation hall will be used to full capacity this winter.

# World Fishing Exhibition

The Province of Nova Scotia booth at the World Fishing Exhibition occupying 2,260 square feet, is just inside the registration area on Pier 20, the main entrance to the international trade show.

The co-ordinator Ray C. Mills of the Department of Development said that the booth features displays by the Department of Fisheries, Tourism and Development as well as Industrial Estates Limited and the Nova Scotia Research Foundation.

The Department of Fisheries is illustrating how it assists Nova Scotia fishermen and the fishing industry in increasing productivity, quality and value. Two colour films, "The Finest King" and "Nova Scotia Wharfs" will be shown in a small theatre which forms part of the exhibit.

The Tourism Department advises the tourist industry and promotes, nationally and internationally, the exceptional vacation opportunities for visitors to the province.

The Department of Development supports industry in areas of resource development, statistical and business advisory services, and marketing assistance.

The Nova Scotia Research Foundation Corporation engages in the development of specialized instrumentation, technical and industrial services, commercial seaweed research and food research.

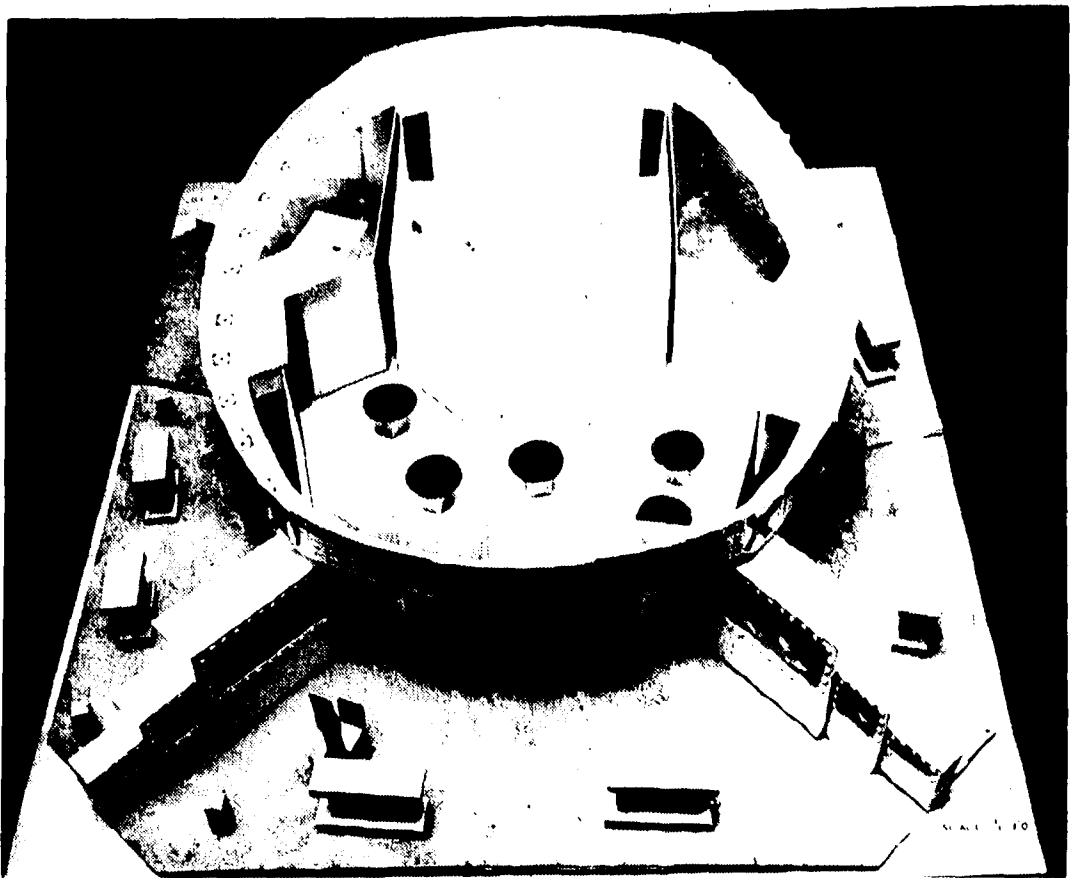

Industrial Estates Limited promotes and supports secondary manufacturing, large and small, throughout the province and provides financial assistance.

Officials of all five participants in the government stand will man their respective exhibits and answer queries concerning their operations.

The World Fishing Exhibition, which will have a total of 187 exhibitors from 14 countries, opens in Halifax Wednesday, August 31 and runs through September 7. Designed primarily as a trade show for fishermen,

Nova Scotia Premier Gerald A. Regan cut the ribbon Wednesday morning to officially open World Fishing Exhibition being held on the Halifax waterfront. He was assisted in his duties by Derek Lyons, Managing Director of Industrial and Trade Fairs Ltd. of England, organizers of the mammoth show, which has attracted more than 185 exhibitors. (N.S. The Departments of Fisheries, Development and Tourism, Industrial Estates Limited and the Nova Scotia Research Foundation Corporation are sharing the 2,260 foot exhibit, which is located at the front of Pier 20. (N.S. CIC Photo)

the exhibition features the most modern equipment and methods for harvesting, processing and marketing fish and fish products. Because of widespread general interest the show will be open to the public for three days - September 3, 4 and 5.

## Visit After 20 Years

L-R: Mrs. Hughena (Rafuse) Watkins, Melbourne, Australia; Mrs. Harry R. (Juanita Rafuse) Sulis, Smith's Cove.

Two sisters were reunited last week when Mrs. Harry R. Sulis of Smith's Cove met her sister, Mrs. Hughena Watkins at the Halifax Airport. Juanita and Hughena had not seen each other for twenty years and have been catching up on news of their families.

Mrs. Sulis and Mrs. Watkins grew up in the Digby area and attended local schools. They are the daughters of Mr. Hugh Rafuse, Mahone Bay, and the late Nelsie Rafuse.

Trips to see relatives and friends locally, French Shore and to Mahone Bay to visit their father and step-mother, Mr. and Mrs. Rafuse, have helped to bridge the years.

Mrs. Watkins observed that there were many changes since she left the area and enjoyed being back for this visit, with perhaps a hint that it wouldn't be as long an absence before her next visit.

### REGIONAL MEETINGS

industry in Nova Scotia.

"For Nova Scotia to best take advantage of the economic potential of the 200

mile fisheries management zone, it is most important for us in government to fully appreciate how the people in the fishery regard this potential," Dr. Reid said. "We must also determine from the industry where it feels government should provide leadership and direction."

The minister concluded: "It is then timely to bring together for the first time ever in this province, all facets of our important fishing industry."

Regional meetings will be held in the following centres: Sept. 13, Barrington Passage; Sept. 14, Lunenburg; Sept. 20, Port Hawkesbury; Sept. 21, Sydney; Sept. 22, Pictou; Sept. 27, Oyster Pond; Sept. 28, Isaac's Harbour; Oct. 4, Digby; Oct. 5, Yarmouth.

The provincial fisheries conference will be held at the Dartmouth Inn, Dartmouth on Oct. 27 and 28.

Halifax lawyer Don Oliver told the 80 young participants in the Canadian Council of Christians and Jews (CCCJ) National Youth Forum at Universite Ste. Anne they are living in what is really "the age of minorities."

Mr. Oliver said recent years have seen the emergence of a new concept of equality, an all prevailing feeling that people want to be free and equal, that effects all ethnic movements from the Indian and black movements to the women's movement.

"The words and themes of our time have become equal status, equal rights, equal pay, equal time. People want to be equal and they don't want to be different merely because of their own ethnic origins."

Speaking as part of a symposium on minority rights in Nova Scotia, Mr. Oliver told the students things here have been very difficult for the blacks as well as for the Indian and native French populations. He said he could see many similarities in the plight of the blacks and French in particular.

He said, like the French, Nova Scotia's black population has been predominantly rural rather than located in major centres such as Sydney or Halifax-Dartmouth, and have suffered oppression similar to that suffered by the Acadians, and like them, their communities have been held together over the years by the influence of their respective churches.

Mr. Oliver described the development of the Black Educators' Association, formed in recent years to "get rid of bigotry and ignorance about black people in history and English texts used in this province," and urged other ethnic groups to try a similar tact of their own.

"One of the things that has made all this progress possible has been a change from within black people themselves. They have thrown off the chains of slavery and become human enough to make the decisions for a change."

Mr. Oliver said this revolutionary change has resulted from a new spirit of self-respect and self-dignity,

which has black economic power and becoming involved in careers of their choice rather than following the white stereotype lifestyles projected on them.

Ernie Rafuse, Union of Nova Scotia Indians told the gathering the province's MicMac Indians have also had a hard time surviving here, often having to leave their home on the reservations or depending on support from government, because the reservations are usually isolated, located away from any potential job producing industry.

He said the province's native people feel basically they have a right to the land. Their being dispossessed from most of it has left them in a desperate economic and cultural situation.

Mr. Rafuse urged the students to remember most people are members of a minority of one or the other.

He said "the biggest problem minorities have is the prejudice that arises out of fear - fear when we have to deal with a person who doesn't speak our tongue or who has a different skin color."

## Wedding Bells

VRROOM-JONES

The marriage of Coreen Mary eldest daughter of Mrs. Margaret Jones and the late Garrett Jones of Baie Verte, Nfld., and Brian Daniel Vroom son of Mr. and Mrs. Paul Vroom, Deep Brook, took place at St. Patrick's church, Digby. Rev. Father Maillet officiated at the double ring ceremony.

Mrs. Bernice Adams of Deep Brook was organist.

The bride entering the church on the arm of her cousin William Clark, Baie Verte, wore a white floor length gown of embroidered sheer over polyester suede. The back flowed to a train embroidered with daisies to match the daisy embroidery on the dress.

Her shoulder length veil was held in place by a flowered band and carried a cascade bouquet of yellow roses.

Lois Irving, sister of the groom as matron of honor wore a floor length gown of pale yellow crepe. The cap sleeves and bodice were embroidered with yellow and green daisies, yellow picture hat with yellow daisies and carried a nosegay of yellow and green carnations and daisies.

William Hall was best man, Paul Irving and Carl Vroom, nephews of the groom acted as ushers.

The groom's mother chose a blue cape style floor length gown with corsage of white and blue carnations.

A reception for about 50 relatives and friends was held in the Parish Hall in Deep Brook, that was beautifully decorated with pink and white streamers and vases of flowers. The bride's table was centered

with a three tier wedding cake and candles. The bride's table was served by Mary DeLong and Inez Vroom. In the centre of the hall was a large buffet table that was prepared by friends of the family.

A toast to the bride was made by William Hall Jr., responded to by the groom. Inez Vroom was in charge of the guest book.

The bride and groom served their cakes in traditional manner.

After a week spent in short trips in the province the couple will make their home in Deep Brook, as the groom travels as photographer, employed with Jones and Presnel Studios. Out of town guests were from Newfoundland, Sackville, N.B., Sydney, Digby, Bridgewater, Dartmouth, Greenwood and Milrose, U.S.A.

### TRACY BAKER

A pretty wedding took place on Saturday evening September 3rd at All Saints Anglican Church, Rossway, where Mary Ann, daughter of Mrs. Daphanie Tracy of Windsor became the bride of Harold Wayne son of Mr. and Mrs. Franklin Baker, Gullivers Cove. The double ring ceremony was performed by Rev. Michael Boyd. The bride dressed in a long gown of pale mauve and carrying a matching nosegay of flowers. The ring bearer was six year old Harold Baker.

The wedding march and the Bridal chorus were played by the church organist.  
The church was tastefully decorated for the occasion with pale flowers adorning the altar.  
After the wedding ceremony a reception was held in the Rossway Community Hall for the fifty-five invited guests. The hall also was prettily trimmed with

white and blue flowers. The best man was the brother of the bride, Frank Tracey of Windsor. The flower girl was Valerie Baker, sister of the groom dressed in a long gown of pale mauve and carrying a matching nosegay of flowers. The ring bearer was six year old Harold Baker.

After the wedding ceremony a reception was held in the Rossway Community Hall for the fifty-five invited guests. The hall also was prettily trimmed with

the buffet table filled with food. Before eating Rev. Boyd asked the blessing - then proposed the toast to the bride which was responded to by the groom. After eating, the bride and groom were assisted by the bridesmaid and best man in opening the many lovely gifts received for which the bride and groom thanked all those present. The guest book was taken care of by Kathie Baker who looked very pretty in a long pale yellow gown.

After eating and opening of gifts the rest of the evening was spent in dancing until midnight.

The newlyweds will reside in their new home in Gullivers Cove.

### EVERETT-WRIGHT

Trinity Anglican Church, Digby, was the scene of a pretty summer wedding on Saturday, August 13th, 1977, when Ellen Wendy, second daughter of Mr. and Mrs. Irvin Everett, Digby, and John Wilfred, son of Mrs. Veronica Wright, Smith's Cove, were united in marriage, by the exchanging of vows and rings at a Nuptial Eucharist celebrated by the Revd. Michael Boyd. The organist was Mrs. Bernice Adams of Deep Brook.

The bride, given in marriage by her father, was gracefully attired in a full length empire style dress with puffed sleeves, of crimp knit polyester. Her three quarter length veil was fastened by a band of white lace daisies and small white rose buds. She carried a bouquet of sweetheart roses, daisies, and baby's breath.

Mrs. Rosemarie Chute, sister of the bride and maid of honour, wore a full length halter dress of blue floral chiffon with matching cape. Miss Veronica Wright, sister of the groom and bridesmaid, wore a full length dress of pink floral cotton sheer. Miss Norma Lee Everett, sister of the bride and junior bridesmaid, wore a full length dress of green and white polyester. The flower girl, Sherry Bates, was charmingly attired in a blue print dress, and carried a basket of mixed flowers.

The groom was attended by his brother, Gerald Wright. Wayne Chute, a brother-in-law, and Wendell Everett, brother of the bride, were ushers.

The mother of the bride was attended by her brother, Gerald Wright. Wayne Chute, a brother-in-law, and Wendell Everett, brother of the bride, were ushers.

### Cards of Thanks

**GAUDET** - I would sincerely like to thank my friends and relatives who sent me flowers, cards, and visited me while at the Yarmouth Hospital and Halifax Infirmary. Thanks to Dr. Balmano, nurses on the 2nd and 3rd floor of the Yarmouth Hospital, thanks also to Dr. Ing and staff of the Halifax Infirmary, who were so kind to me there. Special mention to my friends and relatives who visited me and brought me goodies while convalescing at home. God Bless You All, **MRS. ERNEST GAUDET. 5:15p**

### In Memoriams

**POWELL** - In loving memory of Baden Powell who passed away Sept. 2, 1976.

It's lonely here without you  
I miss you more each day  
For life is not the same to me

Since you were called away.

You bade no one a last farewell  
Nor even said "Goodbye"  
You were gone before I realized

And only God knows why.  
They say memories are golden

Well maybe that is true  
But I never wanted memories

I only wanted you.  
Always missed and remembered by **WIFE RAE. 5:15p**

**PYNE** - In loving memory of my dear sister, Eliza, who passed away September 2nd, 1975.

It is lonely in the morning and even worse at night  
Since you were taken from me, nothing has gone right,  
Every room that I walk through  
We're surrounded by a wall  
You are not there sister to speak to or hear me when I call.

I cannot stop the tears I shed  
From the day we had to part  
Just four small words "I miss you dear."  
From the bottom of my heart.

Life would not seem to break today  
Had you not been so dear  
Nor the years ahead so empty  
If only you could be here.

Sadly missed by brother, **BEN, SISTER JAY AND BROTHER HARRY. 5:15p**

**Will Clean Yards, Basements, etc. 245-4358**

### In Memoriams

**FROSST** - In memory of my beloved parents, Edith, Frosst who passed away September 8, 1960 and Gerald Frosst who passed away October 30, 1976.

Sadly missed along life's way,  
Quietly remembered every day,  
No longer in our lives to share,  
But in our hearts you are always there.

Sadly missed and remembered always.  
**DAUGHTER AUDREY, SON-IN-LAW KEVIN, GRANDCHILDREN PATRICK, ANN MARIE, AND MARION FLYNN. 5:15p**

**HANDSPIKER** - In loving memory of our dear mother, Cynthia Handspiker who passed away September 10, 1940.

Gone but not forgotten by her two daughters, **BESSIE AND DELLA. 5:15p**

## Clementsport Legion

### Children's Picnic Huge Success

Under sunny skies and warm temperatures the annual children's picnic sponsored by Clementsport Legion was a booming success. Sunday afternoon saw upwards of five hundred children and parents gathered at the Legion Swimming Pool for a fun filled afternoon. Approximately six hundred hot dogs, twenty-five dozen ears of corn, ten cases of potato chips, twelve cases of pop, two boxes of candy and ten lbs of peanuts helped to keep the hungry satisfied. At days end, all had been consumed, nothing was wasted and everyone agreed that it was the best picnic yet.

Events included a greased pole, water sports, land sports and the usual peanut scramble in which it is understood a number of the Legion members participated. Legion and Auxiliary members turned out in force to help keep things running smoothly. In charge of the activities, Roy Dukeshire, Mason Wambold, Walter Robar, Bob Wright, Vivian Wright, Elmore Long and Percy Fredericks. Back up support was provided by the President Charles Long.

Thanks to all was extended who in any way added to the success of the children's picnic. Thanks to all the generous donations received from local firms, merchants and interested citizens.

## Bear River Women

### Plan Extended Program

Mrs. Annie Gates led the devotional service when the "Muriel Bent" W.M.S. of the Bear River United Baptist Church met in the vestry for their regular monthly meeting on Sept. 1. Her theme was "Service", showing how everyone needs a mountaintop experience such as the three apostles had at the Mount of Transfiguration when they had such close fellowship with the Son of God before returning to the valley of human need to help others to know how to reach a similar spiritual experience.

A circle of prayer was followed by the business period conducted by the president, Mrs. Laura Ruggles.

An invitation to meet with the ladies of the Advent Christian Church on Sept. 8 was accepted. Sums of money are to be sent for hospital supplies and in lieu of a food parcel. A gift of literature is to be sent to Mrs. Jean Hodges who is returning to her missionary work in Nigeria this month. Invitations are to be extended to various neighbouring societies to attend the Crusade meeting on Oct. 6. The executive is to plan the program for the Baptist Women's Day of Prayer to be held in the church on Nov. 7. Mrs. Laura Ruggles and Mrs. Evelyn Winchester gave reports on a day in the proceedings of the U.B.-W.M.U. held in Wolfville that week.

In her program, Mrs.

Debbie Hapeman told of the Program of Concern and Service - a Christian Action Program begun in 1970 in the Cornwallis Street Baptist Church, Halifax, in an effort to combat poverty and its attendant social ills. This Christian service provides hot lunches for many children each school day and runs a good used clothing project as well as a senior citizen Opportunity Centre.

Mrs. Evelyn Clark of Halifax, Mr. and Mrs. Ronald Clark and family of Sackville, spent the weekend with Mrs. William Rice.

Mrs. Annie Harnish of Dartmouth, is visiting her sister, Mrs. Curt Rice and family.

Mr. and Mrs. Larry Haight of Dartmouth, spent the weekend with Mr. and Mrs. Donald Haight.

Mr. and Mrs. Webster Sweet and family of Bedford, spent several days visiting Mr. and Mrs. Maurice Dunn.

Mrs. Ronald Best and daughter, Ronda of Greenwood, spent several days visiting Mrs. Rodney Peck and family.

Mr. and Mrs. Gary Harris of Milford, Hants, Co., spent the weekend with Mrs. Lila Harris.

Mr. and Mrs. Douglas Hubley and children, Sara, Craig and Paul of St. Catharines, Ontario, were dinner guests on Tuesday of Mrs. Gilbert Hubley and Miss Grace Hubley.

Mr. and Mrs. Lloyd Banks, Truro, were weekend guests of Mr. and Mrs. Lawrence Darras.

Mr. and Mrs. C.P.G. Taylor and Mr. and Mrs. Gupte, Halifax, called on Mr. and Mrs. William Morine on Monday.

Recent visitors of Mr. and Mrs. William Dondale were Mr. and Mrs. Harry Waterman, Bloomfield, Mr. and Mrs. James Johnson, Deep Brook, Mr. and Mrs. Rudy Beners, Digby; Mr. and Mrs. Harley Weir, Smith's Cove, Mrs. Vernon Crosby, Princeside, and Mr. and Mrs. Ron Crosby and son, Sydney Mines.

Mr. and Mrs. Paul Harris and children, Matthew and Gena spent the holiday

weekend with Mrs. Edythe Harris.

Visiting with Mrs. Neva Rice are her brother, Mr. Wilfred Marsters and her nephew, Robert Marsters, of Windsor, Vermont.

Weekend guests of Mr. and Mrs. William Morine were Mr. and Mrs. Scott Morine; Mr. and Mrs. Richard Blenkhorne, Mr. and Mrs. Douglas Morine, all of Grand Bay, New Brunswick and Mr. and Mrs. Donald Morine of Public Landing, N.B.

Mr. and Mrs. John Tampa and three children, Wolfville, spent the past week with Mrs. Tampa's parents, Professor Edgar McKay and Mrs. McKay.

Miss Charlene Rice and John Wood, Liverpool, visited Charlene's grandmother, Mrs. Leslie Rice for several days. Charlene took part in the horse shows at the Digby County Exhibition and was the recipient of several awards for her skills in riding.

Out-of-town visitors of Mrs. Gilbert Hubley and Miss Grace Hubley were Mr. and Mrs. Robert Dolan, Hamilton, Ontario, Mrs. Larry Lewis and daughter, Janice, Truro, Mr. and Mrs. Sterling MacLean, Gilbert's Cove, Mrs. Annie Nichol, Allston, Mass. and Miss Barton, Public Health Nurse Middleton.

Mr. and Mrs. Smith and son, have moved into the Denton Orde property.

Mrs. Charles Marshall, and children, David, Heather, and Janet, Rockingham, and Mrs. Molly Freeman spent several days at their home in Lansdowne. Mr. Marshall was an overnight guest on Saturday, returning with them to Rockingham on Sunday.

MONTAGUE ROW DIGBY, N.S. PHONE 245-2527

## Know Your Fireman

Lloyd Jefferson, Queen St., Digby, is a Driver Pump Operator. He joined the Digby Volunteer Fire Department five years ago, in June 1972. Since then he has taken firefighting courses in the A and B divisions and at Waverley in Nova Scotia.

Born in Digby, Mr. Jefferson married Miss Nina MacPhee, Bear River.

His education in Digby schools has led him to the survey operation as a livelihood. His hobbies are bowling and hunting.

Lloyd is chairman of the Digby Fire Department Labor Day Committee which carried out a successful auction on Saturday last. The Labor Day Fair is on Monday.

## Town Preparing For October Election

The October municipal election was one of several interesting items of business dealt with during a relatively short session of Digby Town Council on Monday.

Three town councillors will face town voters in October, should they decide to re-offer. They are Deputy Mayor Philip Robertson, Councillor Eileen Chipman, and Councillor Guy VanTassel. The three are approaching the end of their three-year terms in office.

Nominations for the forthcoming council vacancies will open on Tuesday, Sept. 20. The town voters list will be revised by the same three people who looked after this task for the last town election.

Monday night's meeting lasted less than 1½ hours. Councillors Gordon Ellis and Eileen Chipman were not present.

In other council business, September 11 to 18 has been declared Digby Blood Donor Week. September 13 is the date set for the next clinic in town.

Town employees were granted an 8 per cent pay increase retroactive to January 1. This was the maximum allowable under the federal price and wage guidelines.

Mayor Stewart MacNaughton and Clerk-Treasurer James Wheelhouse were authorized to attend the meeting of the Union of Nova Scotia Municipalities scheduled for September 21.

Noise at the Digby Legion Branch came up for discussion as the result of a recent letter received from Irving Pink, a Yarmouth lawyer. Council decided the noise problem is not too serious there now and will wait to see if anything further develops.

Councillor Guy VanTassel reported the situation to be satisfactory at present. Deputy-Mayor Robertson agreed. However, Councillor Foster Journey complained he had been awakened with two or more complaints late at night.

A letter was received from the Department of Highways advising that the province

will cost-share with abutments and improvements to shoreline areas in 1978. This sharing will be available on the foundation education scale.

Upon questioning from Mayor MacNaughton, Mr. Wheelhouse reported that decals have been ordered which will transfer speed limits within the town to the metric system. However, they have not arrived yet. Councillor Journey expressed little enthusiasm for the change. "I think we should wait until the rest of Nova Scotia changes,"

The District of Digby's (municipality) debt to the town for street lighting in Mount Pleasant was discussed. Councillor VanTassel felt the issue should be pushed. He mentioned the possibility of cutting the lights off and letting the people go after the municipal council.

Councillor Robert McNutt reported that committees of the town and municipal councils had met and were recommending to the respective councils that a recreation co-ordinator be hired on a cost-sharing basis. Harold Riley appeared before council to protest the unsightly condition of a half-torn down house across from Jack's Irving Service Station on Warwick Street.

Mr. Wheelhouse was given authority to purchase a postage meter for the town office at a cost of \$559.80.

Council ratified requested in-town rate increases for the local tax association. Under the new rates, \$1.25 will be charged for the first mile and .60 for each additional mile.

Council approved the paving of St. Mary's Street from Queen to King. As a result, Sydney Street will now be scheduled for paving as a 1978 priority.

In a Board of School Commissioners' update, Councillor MacNutt reported that the Firehall had been secured for primary class use. He also noted that Anne Kaye, an employee of the board for 20 years or more, had retired and two new teachers have been hired, both Digby residents.

What if our Digby Clinic and all other clinics should

## Exhibition Is One Of Best Ever

The Digby County Exhibition is apparently experiencing an upswing. Exhibition officials have described crowds this year as being the largest in a number of years.

Exhibition society president Ruben Mervin had an extremely high opinion of this year's show. He termed it "the best one in the history of Digby County."

Crowds for each day of the exhibition were up over levels reached last year. By Friday night, last year's attendance level had been reached. Officials termed Saturday's attendance as "tremendous".

Participation in the exhibition was also up over that of previous years. The number of entries in all categories increased from those of last year.

Mr. Mervin attributed some of the increased attendance to the new show building which was officially opened early in the show, and to the fine weather.

The extra exhibition entries provided some inconvenience for several participants, especially those in the light horse and ox-pulling events. Both facilities for the animals were booked solid by mid-September. Late Entries either had to keep their animals in make-shift facilities or forego participation.

## Blood Donors Urged To Attend Digby Clinic

Tuesday, September 13th, is the date set for the Digby Fall Blood Donor Clinic, to be held in the Firemen's Hall, First Avenue, in the usual three sessions: 10 to 12 o'clock in the morning, 2 to 4 in the afternoon and 6 to 9 in the evening. In announcing the date and hours of the Clinic, E.B. Tufts, Red Cross Area Chairman, also expressed the thanks of his committee to the Digby School for cancelling primary classes and relinquishing the use of the hall for that day in order that the Clinic may go on as scheduled. Such co-operation on the part of both the school and the firemen is greatly appreciated, especially in view of the difficulties under which the school is operating this fall.

Digby is again holding a Blood Donor Clinic soon after a holiday weekend when the accident toll so often depletes the Red Cross Blood Bank. Any Blood Donor Clinic is important, but those following holidays are doubly so, when deficits must be made up, thus it is to be hoped that the Digby quota of 350 may be reached. This calls for a whole-hearted response from all regular donors in the area and many first-time donors as well, who will fill the gaps left by those who may be away, and also swell the ranks of concerned citizens who "give that others may live."

Another and very important reason why our Digby Area Clinic needs to go "over the top" is the fact that we in this area owe a deficit to the Red Cross Blood Bank. Statistics from our Digby Hospital show that in the twelve month period since September, 1978, a total of 677 pints of blood have been drawn from the Blood Bank for use in this Hospital. Thus we see that unless our semi-annual clinics can average well over 300 donors, we are being dependent on donors from other parts of the Province to keep our Hospital functioning. Nor does this take account of all the patients from this area who are referred to other larger hospitals for surgery, the success of which is often dependent upon the availability of large amounts of blood.

What if our Digby Clinic and all other clinics should

Chesley, Glendon and Otis Robbins, all of Smith's Cove.

Also present were Gerald Young and Kevin, Smith's Cove, Timothy Young, Halifax; Mrs. William (Joan Porter) Jandron and son, Ryan, Halifax; Robin Taylor, also Alice Sutherland and Michael Kimber, Truro; Mr. and Mrs. Carl Young, Smith's Cove; Roland Robbins, son of Rex Robbins; Mrs. Glendon Robbins, Cindy, Gene Barry; Mr. and Mrs. Lloyd Robbins; Rossyway; Mr. and Mrs. Donald Robbins. P.E.I.

sometime fail to meet their quotas of blood donations? We simply cannot picture such a situation because we have come to expect that the Blood Bank will always be filled. We take it for granted because, so far, the Red Cross has succeeded in its efforts to supply all emergencies. But what the public does not realize is how often the margin of safety is so very small! Blood cannot be manufactured when the need arises.....it must be given and in readiness. The success of every clinic is vital, and that is why it is so urgent that all those who can spare a little of their time and blood should come to the Digby Clinic next week. It will require only a half hour or so of time, the pint of blood you give is only a small part of your blood supply and will soon be replaced by your own system; best of all, you will have the satisfaction of knowing you have given the greatest gift of all.

The Digby Clinic, under the joint auspices of the Digby Red Cross and the Digby Firemen, includes the entire area from Deep Brook, C.F.B. "Cornwallis" and Bear River, to Weymouth, Digby Neck and the Islands. The Blood Donor Service Committee which is responsible for the organization of the Clinic includes representatives from both Digby and the Municipality, as follows: E.B. Tufts, Chairman, Mayor Stewart MacNaughton, Vice-Chairman, both of Digby; Allister Harris, Bear River; Arnold Comeau, Weymouth; Mrs. Ivan Moore, Freeport; Ronald Ward, President Digby Firemen; Harold Emerson, President Digby Red Cross Branch; Mrs. H.M. Warne, Publicity, Digby.

The Red Cross Mobile Team from Halifax will be assisted in the Clinic Room by local nurses under the convensorship of Mrs. C.D. Snow, R.N. Mrs. Allen Harris, Vice-President of the Digby Red Cross Branch, is convensor of a group of ladies to register the donors and serve refreshments, while members of the Ladies Auxiliary of the Firemen will also assist with the latter.

YOU are urgently invited to attend this Clinic, and for further information regarding transportation or other details to consult your nearest Area Representative, as follows:

## Picks Berries On 92nd Birthday

When relatives and friends came to help Ben Deveau of Ashmore to celebrate his 92nd birthday last week, he was not sitting at home waiting for their arrival. Instead they found him out in the near by woods picking blackberries. Other than that he spent a quiet day at

home and enjoyed the small get-together and birthday cake at home.

Ben Deveau was born at Salmon River, Digby County and now resides with his son and daughter-in-law, Mr. and Mrs. Everett Deveau, Ashmore.

The 92 year old had ten children, eight of whom are living. They are Mrs. Stephen Gibson, Digby; Mrs. Leger Deveau, Halifax; Mrs. Norman Trenholm, Saint John, N.B.; Wallace in Salmon River; Henry, Halifax; Bernard, Ashmore; Everett, Ashmore and Lester, Black's Harbour, N.B. He has 32 grandchildren and 20 great grandchildren.

## 50th Anniversary

Mr. and Mrs. Gordon Longmire celebrated their 50th wedding Anniversary on August 27 at their home in Hillsburn, Nova Scotia. Corsages were presented to the happy couple by Stacey Dawn and her sister, Lorrie Jane, great granddaughters.

A buffet luncheon was served to thirty relatives. They received many lovely gifts, phone calls from grandchildren and sisters who were unable to be present. Out of town guests were from El Centro, California, Ontario, Cape Breton, Lequille, Weymouth North; Saulnierville, Digby and Parker's Cove.

Mr. and Mrs. Longmire were married in Annapolis Royal and Mrs. Longmire is the former Grace Alice Halliday of Parkers Cove. They have resided in Hillsburn all the 50 years of their marriage. They have four children, Joyce Shackleton, Halifax, Max and Gerald Longmire of Hillsburn and one daughter, deceased, eleven grandchildren and two great grandchildren.

## Visit Many Points In Canada

Mr. and Mrs. Sherwood Barr, Steven, Pam, Laurel and Greg; Mr. and Mrs. Melbourne Barr and Mrs. Darlene Nesbitt, Weymouth, have recently returned from a trip to Western Canada and the United States. They left on June 15 via the Digby Ferry to New Brunswick and travelled through Quebec and Northern Ontario into Manitoba, Saskatchewan and Alberta stopping at various points of interest in different cities and towns, arriving in Calgary in early July. They spent a week in Calgary attending the Calgary Stampede, then going on to Banff and Jasper parks, visiting with Wanda Mullen, daughter of Mr. and Mrs. Ivan Mullen, Weymouth. From here they went to Edmonton and on to Beaverlodge, Alberta, to

visit Doug and Doris MacFarlane, stopping in Grand Prairie for a visit with Dr. and Mrs. Barry Norris. A week was spent in British Columbia driving through the Rocky Mountains and the Okanagan Valley to Vancouver, then on by ferry to Vancouver Island. Highlights on Vancouver Island were a tour by Sonny, Steven and Mel of one of the largest sawmills in the world at Port Alberni and also a visit by all to the beautiful world famous Butchart Gardens in Victoria.

Much variety in scenery was seen throughout the Northern states during the trip homeward with a stop made at Yellowstone National Park to see the Grand Canyon of the Yellowstone and old Faithful. They met up with Mr. and Mrs. Eddie Peck and

family of Bear River in Oshkosh, Wisconsin. Here the families enjoyed an air show and display of airplanes of which there were approximately 8000 airplanes. The Barrs then came back into Ontario with visits made to Niagara Falls and with Lorne and Donna Nethercott, Aylmer, Ontario, former pastor of Weymouth Church of Christ; and also Raymond, Marilyn and Jason Barr in Toronto. They travelled back through New York State, Vermont, New Hampshire, visiting Santa's Village and Storyland in the White Mountains, then visited relatives in Augusta, Maine, arriving back in Nova Scotia on August 12. The trip will long be remembered by each one and proved very educational to all.

## Couple Marks Anniversary

Mr. and Mrs. Parker R. Manzer, Ashmore, Digby County, were honored at a surprise supper in Bethel United Baptist Church hall on the 30th anniversary of their wedding. Over 100 relatives and friends were present for the occasion and presentations made. The toast was proposed by Bernard Manzer. Mrs. George Wagner, Weymouth, was soloist accompanied by Miss Susan Manzer.

### Digby - Weymouth Baseball

BASEBALL FINAL

On August 31, the Digby Cobras hosted Weymouth's Beaver and Bantam Baseball Teams.

The first game saw the first meeting of Weymouth's Beaver Team and the Cobras. The starting lineup for both teams were as follows:

**WEYMOUTH:** Chris LeBlanc - Catcher; Kevin Mullen - First Base; Randy Lombard - Pitcher; Stacey Robicheau - Second Base; Shannon Bright - Short Stop; Joe LeBlanc - Right Field; Kim Thurber - Centre Field; Roland Clyke - Left Field and Wayne Miller - Third Base.

Cobras: Dick MacDonald - Second Base; Larry LeBlanc - Short Stop; Andy Davidson - Pitcher; Brian Comeau - First Base; Joey Cottréau - Catcher; David Comeau - Centre Field; Robbie Kynock - Third Base; Keith MacKintosh - Left Field; Mark Fletcher - Right Field.

Andy Davidson and Randy Lombard went all the way pitching for their respective teams. Davidson was credited with the win and Lombard was tagged with the loss in a closer scoring 19-18 game of 6½ innings. Robbie Kynock made the winning catch as Chris LeBlanc flew out to third base. Joey Cottréau scored the winning run being batted in by Robbie Kynock. Andy Davidson and Keith MacKintosh each batted 1000 for the Cobras. Kevin Mullen was lone high batter for Weymouth with a .750 average. Brian Comeau of Digby blasted the only home run of the game. Weymouth's high scorer was Wayne Miller with 4 runs and the Cobras' Keith

MacKintosh matched him by also scoring 4 runs. Digby tallied 22 hits to Weymouth's 13 hits, but Weymouth received 11 bases on balls plus 4 hit batters and the Cobras were walked 5 times, and had one hit batter. One walk was charged to Randy Lombard allowing Larry LeBlanc to proceed to third base, setting up one of his three scoring runs.

The second game, the Bantam game was played for the Fashion Cleaners Trophy for the Digby County Bantam Champions. Derrick Jordan pitched the entire game for the Cobras while Danny Comeau and Rusty States combined the pitching duty for Weymouth. Digby took an early 3 to 0 lead in the first inning but in the second inning, Weymouth tallied 1 run to make the score 3-1. At this point Rusty States replaced Danny Comeau as pitcher and from then on it was Weymouth's ball game, as they scored 4 runs in each the 3rd and 4th inning, 2 in the 5th, 3 in the 6th and 1 in the 7th for a total of 15. Digby added 6 more runs to end with 9 runs. Rusty States was the winning pitcher and Derrick Jordan took the loss. Donald Cain and Rusty States hit back to back home runs in the 4th inning and Brian Wong reached home on a drive into right field but was called home on a drive back to second as it bounced out of the field.

The Fashion Cleaners Trophy was presented to Rusty States of Weymouth as the 77' Digby County Bantam Baseball Champs.

### Cougars Win Valley Softball Title

The Cougars came up with two big wins at Greenwood on the weekend to capture the Valley Area Nova Scotia Intermediate "A" Softball. In the first game Don Nichols tossed a four hitter to down Kentville 4-0. Mike Alcoe and Paul Bertrand each collected two hits. Rene Lefort had a two run homer. The Cougars final game of the double knockout competition saw Terry Tompkins pitch a two hitter and get credit for another 4-0 shutout. Paul Bertrand had a solo home run with Tompkins and Gerry McGarry picking up two hits each. The Cougars now advance to the Provincial finals with this tourney possibly being held at CFB Cornwallis next weekend.

### Kynock Tosses No Hit Game 14-1

Behind the brilliant pitching of Robbie Kynock the Kiwanis advanced another notch along the playoff trail by downing the K of C by the score of 14-1, thus eliminating them from further play for this year. Kynock struckout fifteen batters and allowed one run and pitched a hitless ball game, he issued eleven walks and loaded the bases in the first inning and walked in the only run against him. The Brown coached Kiwanis again displayed a sixteen hit attack of which six were for extra bases. The losers never gave up and battled all the way, Larry LeBlanc went the distance for the K of C, he was touched for sixteen

hits, struckout ten and issued only four walks but his teammates could not get any hits off the servings of Robbie Kynock.

### Change In Library Bookmobile Service

The Western Counties Regional Library announces a change in its bookmobile schedule. Owing to mechanical repairs, neither bus will be on the road September 6 to September 9th inclusive. Starting September 12th the bookmobile will be operating on a 5 week schedule for an indefinite period of time. The newspapers and radio will announce the new schedules. The library will, also, notify the users, thru their area contacts, of the dates of the next visits of the bookmobile. As soon as more definite information about the date of completion of repairs is known, borrowers will be notified. During this temporary period of changed service, borrowers may wish to use the branches at Clark's Harbour, Digby, Lockport and Shelburne, which are open Tuesdays to Saturdays.

### Investigate Land Purchases

Don't jump at the chance to buy that 'cheap' land in the country without first investigating carefully, says the N.S. Department of Consumer Affairs.

"Take as much care buying recreational land as you would buying land for your permanent home," says the department's deputy minister, Kenneth M. Mounce.

A reputable seller will co-operate with you to make sure that all your questions are answered fully before you sign an agreement to purchase, but it's wise to do your own investigation, he says. Once you decide on the land you wish to purchase, and before you sign an agreement to purchase, check with the local municipal planning board to determine if the area is slated for development and

what building restrictions exist.

Then check with the local public health inspector or board of health about requirements to be met for a board of health permit. In many municipalities in the province, a building permit will not be issued without one. The public health inspector will also determine whether a septic system can be installed. He will do a percolation test to determine drainage on the land and its suitability for a septic tank system. If desired, a professional engineer can also perform the test and advise you.

Also check with the public health inspector or the N.S. Department of Environment to determine whether there is water on your land and its quality. They will also be able to advise you on the type of well that will be required.

Also make sure that the land has been properly surveyed by a registered surveyor, Mr. Mounce says. Obtain a plan from the seller which is in accordance with the provisions of the Registry Act. Properly surveyed land and well-marked boundaries will save you many problems in the future and will ensure that you are indeed building on your own land and not your neighbour's.

Also, don't forget to have your lawyer search the title to establish that your land is free of any lien or encumbrance, Mr. Mounce says.

Finally, make sure that you understand the agreement of purchase and the sale agreement before you sign. Have your lawyer explain both to you to make sure. The exact costs of the land, lawyer's fees, salesman's fees and all other costs should be included in the agreement of sale, so you know exactly how much your country retreat will cost before you sign.

# Brief History Of Conway Co-Op

The foundation of Conway Co-operative Society Limited started with the organization of Digby Central Agricultural Society formed in the 1900s, whose function was to purchase and keep purebred livestock sires for use by its farmer members.

In 1940 the Digby Central was reformed and took the name of the Maple Leaf Agricultural Society to extend its services over a much wider area, purchasing limestone, fertilizer, sprays and feed in carload lots for its members. The Maple Leaf Society organized a Calf Club and a Calf Club Fair which expanded to a local exhibition for farm animals and field crops.

In 1947 a warehouse was built on property bought from Robert Russell, Conway, to store flour, feed and farm supplies. Cecil Jones was engaged as Secretary-Treasurer to have charge of the warehouse and order and sell these supplies to farmers. After several years of operation the members of Maple Leaf Society, looking to re-organize as a co-operative, spent a year or more of study with numerous meetings and a drive for membership obtained their Charter on September 27th, 1957 of the Conway Co-operative Society Limited. The year 1957 ending with a total of (10) ten members.

Charter officers of the Co-operative, were: President, Chipman Chisholm; Vice-president, Lloyd MacNeill; Secretary, Joseph Specht; along with directors Max Isles, Lloyd Jefferson, Austin Lutz, Wynn Smith, John Theriault and Burtis Freeman.

In March, 1958, a small store in Conway known as the New-Way Market was purchased by the Co-operative and began operation. The Co-operative operated their groceries and meats out of this store using the warehouse of Maple Leaf Society for feed and farm animals.

After eight years of operation the business expanded from fifty thousand to over one hundred thousand dollars per year it became evident that more facilities were needed. At the annual meeting of Conway Co-operative in March, 1966, it was decided to build an annex to the Maple Leaf Building to house facilities for meats, groceries and small hardware. Lloyd Jefferson and Roy Warner were appointed to supervise construction. On March, 1967, Conway Co-operative moved to its present site, store completed, stocked and ready for business.

Business at Conway Co-operative has increased steadily until present time they are only a little way from being in a million dollar volume bracket per year.

C.G. Murley was Manager of Conway Co-op until 1973, when due to health reasons he was forced to retire. Robert Harrison, Asst. Manager was appointed Manager in December 1973 and in a period of three months he decided being

Manager was not for him, so he resigned the position and remained on staff as Asst. Manager. Maritime Co-op Services Supervisor managed the business while a new manager was being hired. It must be said at this time that Conway Co-op Society Ltd. is under management agreement with Maritime Co-op Services, Moncton, N.B. and it is with much appreciation through their help and assistance in time of need that kept Conway Co-op going. In June, 1974, Richard Warner was hired as Manager of Conway Co-op. Richard is married and has five children and he resides in the Town of Digby. When Richard started as Manager, Membership in Conway Co-op was 200. Today, three years later, membership has grown to 380. From February 1st, 1977 to August 31st, 1977, membership has increased 28 percent.

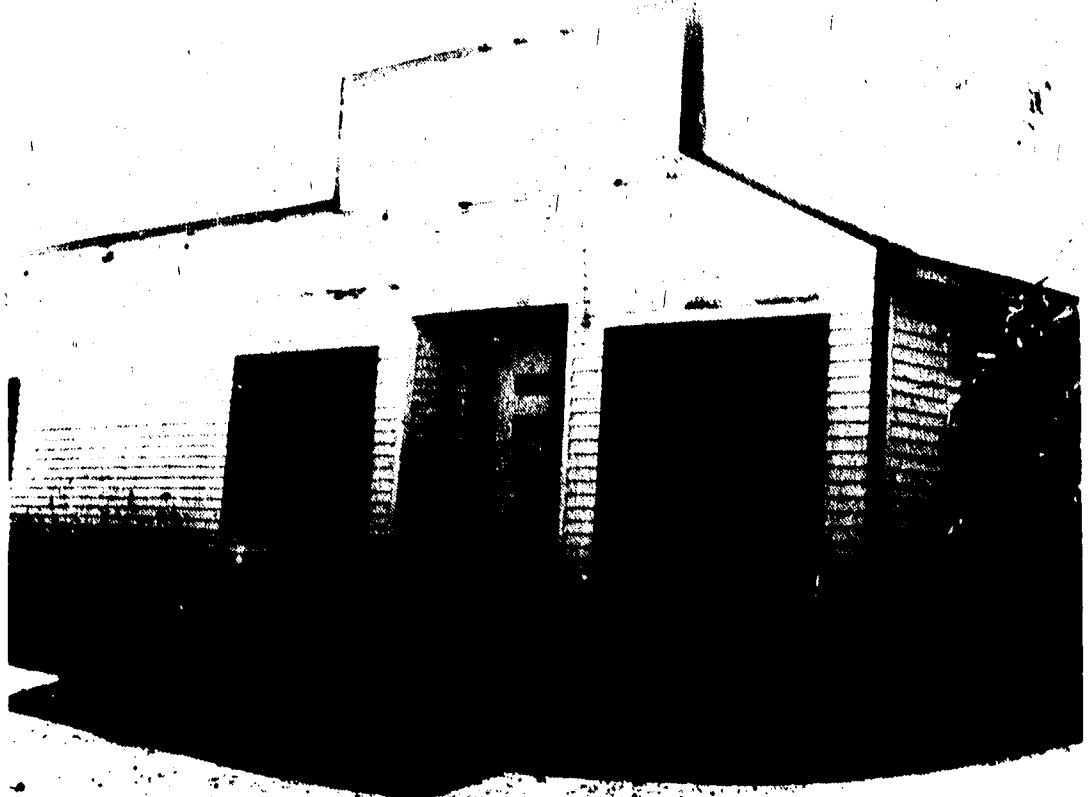

The year 1976 was the most successful business year Conway Co-op has ever had, paying 7 percent interest on shares, and paying 11 percent patronage rebate.

Conway Co-op has a Board of Directors totaling 9. The board is elected by its members at an annual meeting held in the spring of each year. The board holds one meeting every month and the Manager has to report to this board as to how the business has been in past month. All changes and decisions are made by the Board of Directors and the Manager says it is the cooperation of this board that is so helpful in time of need. It is the loyal support of the members and great support of non-members that has contributed to the growth of Conway Co-op.

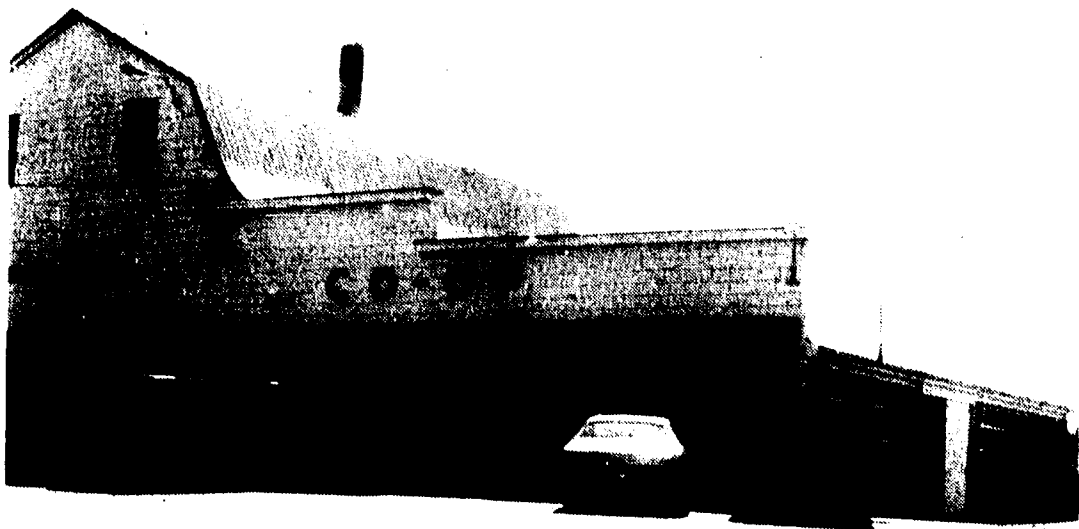

Board of Directors at present are Jack Harris, President; Rev. George Bell, Vice-President; LeRoy Sullivan, Secretary; Bradford Barton, Layton Savary, John D. Roope, William Lefort, Raymond Brinton, Donald Haight. Staff of Conway Co-op are Richard Warner, Manager; Robert Harrison, Asst. Manager; Atlee Cornwell, Bookkeeper; Myron Marshall, Produce Manager; James Warner, Meat Manager; David Marshall, Meat Assistant; James Drew, Grocery Clerk; Cashiers, Maureen Doucette, Nellie Drew, and Irma Theriault. Part time clerk is Christopher Nickerson.

This being the 20th Anniversary of Conway Co-op Society Limited, they will be celebrating with hundreds of Anniversary Specials.

New members are welcome, just drop in any time and have a chat with any of the friendly staff and see for yourself the advantages of being a Conway Co-op member.

Completes Scallop Project

Scallop Project is completed! The young people of the Scallop Project, a Young Canada Works Project, concluded last Friday with the presentation of final cheques presented by Councillor L.E.R. Winchester. The presentation was made on the steps of the Smith's Cove Museum.

Mr. Winchester spoke of the work that had been done by the youth in cooperation with the Fire Department and Historical Society of Smith's Cove. He commended them on jobs well done in their contribution to the community, and thanked them on behalf of the Canada Works Project and the community for all the work they had done.

In speaking of the date discovered in the belfry of the Museum by the lads on paint detail, Mr. Winchester

reminded about those who had placed their names at that point: Ralph Cossitt and C.W. Porter painted in 1910. "In the future we'll be able to look back on this project and see who worked on it," for the lads had mentioned they, too, had marked the belfry likewise. Signers for 1977 were Mark Hyson, Howard Oliver, Jr., and Terry Dennison.

Mrs. Cecil Raymond, representing the Historical Society, a past and present Museum Committee member, also expressed the appreciation of the Society for the work done in that building.

Present for the presentation were: Ron Milne and Darrell Warren, Smith's Cove Youth Committee (not present - Mrs. Mary Lou Raymond and David Irvine).

In talking to the young men, they expressed their appreciation to all the adults who had helped them with this project through the loan of tools, advice and encouragement. They particularly mentioned Harry A. Sulis whose property abuts that of the Museum. How he had been generous in his assistance and telling of when he had been on a similar detail at the same building.

The people of Smith's Cove are benefitting from the efforts of these young people in the work done, not only on the Fire Hall, Museum and grounds, but also throughout the area in clean-up details. May their interest continue though the project is ended - we believe it will.

size, whether it be 2 or 2000, have a common purpose in life then close association with one another is a desired thing, it is sought after and brings great happiness to those associating."

Mr. Parker continued by saying "the common bond and purpose among

Front row (L-R): Ron Milner, Smith's Cove - Committee; Terry Dennison, Mrs. Cecil Raymond, Museum Committee, Historical Society; Glendon Young, Councillor L.E.R. Winchester; Back row: Brian Wambolt, Annapolis Royal, Project Manager; Mark Hyson, Howard Oliver, Jr., Darrell Warren, Youth Com.; Paul Brown. Not present David Irvine and Mrs. Mary Lou Raymond, members of Youth Com.

Mark Hyson, with Paul Brown assisting, atop steeple of Smith's Cove Historical Museum, painting.

Jehovah's Witnesses is their love of God, his word the Bible, and the desire to help their neighbours to have this same feeling of unity with their creator."

To aid approximately 600 Witnesses from this area to accomplish their aim, they will be holding an assembly

at the George Burridge Regional Vocational School in Yarmouth during the weekend of September 10th and 11th. The public are invited to attend all sessions and especially the discourse on Sunday at 2 p.m. entitled "Maintain Your Confidence Firm to the End."

Take good care of yourself.

## Lizzie Melanson 91

On July 31st Mrs. Lizzie Melanson celebrated her 91st birthday. Congratulations are extended to her from her many friends. She received congratulations and best wishes from Prime Minister Pierre Trudeau also from the Governor General of Canada. Many relatives and friends gathered at her home. She was presented with a lovely cake and many gifts.

Mrs. Melanson, for 5 of her younger years, sang mass every day, rain, shine or snow up to her knees at Holy Cross Church in Plympton.

Health-wise she is "terrific" except her eyesight is poor.

On the night of her birthday she played her "mouth harp" and a member of the family tapped to it. It was enjoyed by everyone that was there. Many Happy Returns Lizzie.

On the same day her daughter-in-law celebrated her birthday and living together, it was a happy occasion for them both. Best wishes extended to them both.

Mr. and Mrs. Mike Isaac s of Smith's Cove, were Sunday supper and evening guests of Mr. and Mrs. Waters Comeau.

Mrs. Gerald Cormier and family of Montague, P.E.I. have been visiting Mrs. Cormier's parents, Mr. and Mrs. John Gidney for the past while. They with Mr. Cormier all returned to their home over the Labor Day weekend.

Mr. Ray Gidney of Wallingford, Conn., U.S.A., has returned home after spending the summer here at the home of his sister Miss Vera Gidney.

Sunday visitors at the home of Mrs. Laura Height were, Mr. and Mrs. Stillman Freeman of Brickton, Anna, Co., Mrs. Dan MacKenzie and Mrs. Fred Feener of Middleton and Mrs. Lillian Haight of East Waldec. Mr. and Mrs. Lovett Lewis of New Minas, visited the same home throughout the past week.

Mrs. Francis Fennell of Halifax, is visiting her father, Mr. Trueman Wentzell while her mother is in hospital.

Mr. and Mrs. Leo Comeau of Marshalltown, spent Monday evening with Mr. and Mrs. Waters Comeau. Eight tables of cards were played last Tuesday evening at the Community Hall. John Gidney won the door prize and the cake donated by Mrs. Arthur Dukeshire was won by a visitor in Mink Cove, a sister of Bert Gidney, Mink Cove (Jean) who had it cut and served with

the refreshments. Mrs. Ruth Harnish supplied the sandwiches for the evening.

## PUMPKIN AND SQUASH

Seeing those lovely pumpkins and squash at several fall fairs reminds me of the problems I had with one large pumpkin last fall. The basement didn't have the proper facilities and temperature to keep it fresh beyond November, so I proceeded to freeze it. It took all day to cut it up, peel, clean out the seeds, cook it, squeeze the large amount of water from it, and then pack it into containers for freezing! But, I think the effort lended a special flavour in my mind when we ate pumpkin pie, bread, and muffins. I even toasted a few seeds for snacking.

Pumpkin and mature squash will keep fresh a fairly long time under the right conditions. Once matured, they should be "cured" in a dry warm (26 to 30 degrees C) place for two weeks. Then place them in a heated basement on shelves so that they are not touching each other. Handle these vegetables with care. Use up quickly any ones with damaged spots or decay. These won't last long at all.

If squash or pumpkin must be frozen for long term storage, the main problem is to eliminate an end product that is watery.

For large pumpkins the process I described above would probably be most satisfactory. Cook until tender, drain well, pressing out as much water as possible. Then mash and pack into freezer containers. Leave ½ inch for expansion.

Because of the large size of many pumpkins the pieces would take up a lot of time and space in the oven, so simmering is more economical (energy-wise).

To reduce the watery texture of squash, baking seems the most satisfactory preparation for freezing. To bake squash, cut it into wedges, clean out the seeds, invert on a shallow pan, skin side up. A small amount of water in the shallow pan will prevent excessive dryness.

## Bird Haven

Here it is September again and time for more bird notes. It has been a busy summer at Bird Haven. Birds of all sizes from gulls to little ones, in all conditions, brought by little people and grown ups, some from a long distance.

One day I had two gulls brought in, one with a broken wing that had been shot, the wing was beyond repairing and was amputated. The gentlemen took the bird home and was going to keep it, as it could never fly again.

The other one was released on the beach, he would be able to fend for himself.

The same day a young flicker arrived from Sandy Cove, it had been struck by a car but not seriously hurt, after a good rest it was taken back by its rescuers and released, flying off with more of it kind.

A lovely Cedar wax wing has joined the kitchen family, one wing has been injured, have tried him several times outdoors but he is unable to fly. Have quarts of blueberries frozen for his winter food, he prefers the wild ones to the large cultivated ones. Have seen him eat five at a time.

Had Mr. and Mrs. Downy Woodpecker arrive early in the summer with their two babies also Mr. and Mrs. Chick-a-dee with their three, all are still here eating their suet cake.

This summer I had a pair of catbirds nest in the yard, they brought their two babies very close to us on the lawn and would pick up bits of cookie and feed the babies right beside us. They left several weeks ago.

Lots of little warblers flying through now, will have more about them later.

So long

## School Receives Clock

Laforest G. Norwood, principal of the Westport School and Mrs. Phillip D. Shea hold a wall clock recently donated to the school by Mrs. Shea's father, Ralph T. Gould of South Portland, Maine.

A custom-made wall clock was recently presented to the Westport School by Mr. and Mrs. Phillip D. Shea, summer residents of Westport. The handsome, eight-sided clock was made by Mrs. Shea's father, Ralph T. Gould of South Portland, Maine. The clock has been placed on the wall of the new school library.

Mr. Gould is 76 years old. He ran his own business for 42 years before selling it to his employees in 1970. He is now a partner with two others in the ownership of a marina in S. Portland. He used to restore antique cars and at one time had 14 that he had restored. He also built several small sail and rowing boats. Then about ten years ago, he started building clocks.

It takes Mr. Gould about two weeks, working afternoons, to make a clock. He puts five coats of spar varnish on the maple wood, then rubs the wood with Pumice and oil; then with rottenstone and oil and finally waxes them.

He estimates he has made more than 100 clocks and given all away - some to

friends, some to churches and schools. He started giving clocks to schools on islands when he learned many islands were unable to use electric clocks due to unreliable electric power. This past year he donated clocks to two Maine Island schools: the Monhegan Island School and Matinicus Island School.

Brier Island's school received a clock for two reasons: Mr. Shea and family spend part of each summer here and Joshua Slocum spent his boyhood here. Mr. Shea is a relative of the Southern family Slocum's Society. In fact, it was these two gentlemen, in the name of the Slocum Society, who obtained the land and had the cairn built for the Slocum Memorial here. They had a bronze plaque placed there commemorating the fact that Slocum spent his boyhood on Brier Island.

On clockmaking, Mr. Gould has this observation: "It takes persistence and patience and a smidgin of ability. It is a fascinating hobby and good therapy."

## Toy Pistol Used In Robbery Attempt

A toy pistol has been recovered from the scene of an attempted armed robbery at the St. Mary's Bay Motel in Brighton.

Digby RCMP report that an unidentified youth attempted to hold up the

premises on Friday. However, the would-be robber was frightened away by the owners.

A police spokesperson said the pistol "looked real". The incident is under investigation.

## Reflecting To 1947

Handshakes and embraces and tears of joy were shared as two men were towed into Centreville after having a rough experience on the water in their small fishing craft. Gerald Titus and LeRoy Robichaud had been missing for 41 hours. A search was made by sea and land. They were on the way home with a sizable catch of cod and haddock when (about 12 miles from port) when their propeller shaft broke. Although they had a small sail there was no wind so they decided to drop anchor to avoid drifting to sea. They were located by Gordon Morehouse, Centreville.

Ratepayers in Digby unanimously approved a resolution to borrow a sum not to exceed \$100,000 for the purpose of erecting a Central High School. Chairman of the school board was Dr. J.R. McCleave. Present at the meeting were H.B. Moffatt, assistant Superintendent of Education for Nova Scotia; C.B. Crowell, newly appointed school inspector for district and T.A.M. Kirk, assistant director of Vocational Education and former inspector.

C.W. Crowell, inspector of schools, advertised for school teachers thirty years ago in the local press offering salaries of \$900 to \$1600 for A and B licensed teachers. Principals of two room schools received \$100 additional.

R.C.M.P. were hitting down on traffic violators particularly in the Weymouth district. One man charged with double parking and another who failed to park his truck within six inches from the curb were fined in each case \$1.00 and \$3.50 costs.

E.S. Cassells, Deep Brook, had grown a tomato plant with 97 large ripe tomatoes. Few plants would produce more than 25.

Baseball history was probably set in Digby when the Digby Junior Baseball Team beat the Old Timers 11-10. Never before, according to the Courier, had a baseball pitcher stood on the mound and pitched against father, uncle and grandfather in the same inning. Old Timers were Ed Webber, Guy Morehouse, Seymour Denton, Boyd Dunham, Victor Turnbull, Tommy Matheson, Loran Hayden, Ted Sanford, Frank Hayden, Dave Daley, Art Robinson and Aubrey Adams. The juniors were Buddy Barr, Rich Daley, Chester Murley, Ron Jackson, George Chipman, Hymie Webber, Bernie Baxter, Bill Winchester, T. Deveau, Don Rice and Duke Winchester.

The Salvation Army Drive was held in September in 1947 with C.M. Levy, chairman. Target for the Town and County was \$936.

The fifteenth provincial Convention of the Canadian Legion was held at Harbour View Lodge.

Digby waterfront was a disgrace to the town. It was strewn with garbage and debris, a menace to health and dangerous for fire.

## Reflecting To 1927

Earnest and sympathetic promises by Premier Rhodes, were given in Halifax when a delegation went to interview government in respect to placing cables as a government undertaking to carry hydro to Long Island and Westport. Delegates to meet the premier were H.H. Marshall, Chairman of the Digby County Power Board; Mayor T.E.G. Lynch, chairman of the Digby Board of Trade; E.C. Bowers, Westport and Byron Blackford, Tiverton. Although some of the government officials were unavoidably absent the delegates placed before the remaining gentlemen the progress which had followed the inauguration of the Digby County Power Board hydro service and details as to estimated consumption of cost of installation of the necessary transmission and distribution lines with a request that the department define the side of road on which the pole line should run and a ruling in the case of a rural telephone line constructed down Digby Neck to Westport. Digby County Power Board engineers were making a survey and a statement of costs and earnings was prepared placing their bonds in a good position which would generally expedite the full development of the Sissiboo power project.

The six page paper of September 9, 1927 advertised for Yerxa's Store three lbs of sweet potatoes for 25 cents, seven lbs. onions 25 cents, six rolls toilet paper twenty-five, brooms 45 cents and best ground coffee sixty cents a pound. School boots for boys at the A.J. Dillon store were sizes 1 to 5 for \$2.95 and sizes 11 to 13 for \$2.50.

A bit of controversy reigned as to whether or not the tourist business meant anything or nothing to Digby. A.R. Turnbull, merchant, felt the tourist business had an impact and local merchants kept more and better merchandise in catering to the tourist. One man said his cash receipts over the counter in August 1924 had been \$500 and in 1927 it had increased to \$1268.73 due to tourist traffic. That was 250 per cent.

## Hopes Rise For Airport Assistance

The odds that Digby municipality may obtain financial assistance for improving facilities at the Digby Municipal Airport seem to have improved somewhat in recent days.

L. E. R. Winchester, Chairman of the Municipal Airport Committee, said Monday he is optimistic of obtaining funds from two sources.

Brent A. Rabey, Transport Economist with the Department of Transport's Airport Financial Assistance Program was in town to discuss the possibilities recently.

Mr. Winchester said the municipality has applied for about \$60,000 to provide lighting at the airport and a similar amount to construct a building at the site.

The second possible source is Canada Works. The municipality has applied for a grant to complete clearing, etc. A similar grant was turned down last Spring, but Mr. Winchester is hopeful of more positive results this time.

Results from the applications are hoped for sometime early in November.

## Almost 100 Players In Tournament

Almost 100 players from various clubs in the province took part in the Jack Harris-Pepsi Cola Junior Golf Tournament held at the Digby Pines golf course on Sunday. Fifteen members of the Digby club participated.

Top golfers in the tournament were Gerry Elliott, Ken-Wo, with an overall low gross of 76; and Gordon Deveau of Clare with an overall low net of 63.

The Jack Harris-Pepsi Cola tournament is an annual event. This is the 10th year of its existence.

According to Harris, this tournament is unique in all of Canada in that it is the only one he knows of "sponsored by a male organization that allows girls to play".

In the girls division, top prizes went to Krista Kennedy of Hillsdale for low gross (98) and to Jackie Troop for a low net of 77. Second spot went to Cathy Marshall of Greenwood, for low-gross (106) and Pam Gillis of the Hillsdale club for low-net (91).

In the boys (12 and under) division, Doug Oliver of the Digby club had the low net (72) followed by Danny Reid of Digby with a low net of 76; David Aylward of Greenwood, had the low gross with 104, followed by David Reid of Digby, with 72.

In the boys (13 to 14) division Jeff Marshall had low gross (81) with Chris Dockrell of Brightwood, second with 89. Mike Driscoll had low net followed by Stephen Melanson of Greenwood in second spot.

Gordon Deveau of the Clare golf club had the low overall new score (63) following play in the Jack Harris-Pepsi Cola Junior Golf Tournament held at The Pines Sunday. He was presented with his trophy by Vic Bradshaw, manager of The Pines.

In the boys aged 15-16 division, Andrew Gaudet of Clare had low net of 68, followed by Perry Hand-spiker of Digby with a 70 score. Robbie Norum of

Greenwood had low gross (86), with Steve Lander of Greenwood in second place.

In the highest age group (17-18), Charlie McCarlie of Digby, had a low net of 70;

Scott Freeman from Paragon came second with 71. Wayne Cummings of Ashburne, had the low gross (80) followed by Dave LeBlanc of Brightwood.

## Provides Employment For 1000

Premier Gerald Regan today announced a "Municipal Works Program" that will provide employment for 1,000 Nova Scotians this fall and winter.

The program, to be funded by the Provincial Government, is designed to enable municipalities throughout the province to hire persons to undertake municipal works projects that would not normally be possible.

Municipalities will be asked to submit local works projects to the provincial department of development by September 30, outlining the scope, labour intensiveness and cost of each proposal.

"In order to get as many unemployed Nova Scotians working as quickly as possible, we have set October 15 as the initial start-up date for the Municipal Works Program," said the Premier.

"The latest program is

part of the Provincial Government's continuous efforts to help combat the unemployment problem through initiatives that are within the limits of our financial resources," he added.

This past summer, the Provincial Government's "Job Corps Program" was successful in employing some 1,750 Nova Scotians to carry out a variety of short term projects, many of which have now been terminated because of their seasonal nature.

Under the new works program, designed expressly for municipalities, the province will provide an agreed-upon wage to the municipality for every person hired, plus a 10 percent allowance for capital and overhead costs.

While municipalities must submit their works proposals to the province for screening, there will be a

minimum of formal guidelines or restrictions, other than the condition that each proposal be as labour intensive as possible.

The Premier expressed the hope that municipalities, in deciding on which proposals to submit to the province, will choose those projects which will yield the greatest long term benefits to the community and their residents.

The department of development and specifically, the minister and a small complement of existing staff will be responsible for the overall program. However, the respective municipalities will be responsible for the supervising and hiring of people along with the bulk of other administrative details.

In terms of financial procedure the municipalities will make monthly submissions of accounts to the province with payment to be

made shortly thereafter.

"My cabinet colleagues and I continue to be extremely concerned over the unemployment problem and we are confident the municipal works program, in providing 1,000 new jobs at community level this fall and winter will directly help those families involved and also stimulate the economy of local communities throughout Nova Scotia," said Premier Regan.

Other councillors, however, felt the Town Hall

## ABTRC Gets Funds For Destination Area Co-Ordinator

The provincial Department of Tourism has made a sum of \$22,000 available to the Annapolis Basin Tourist and Recreation Council for the hiring of a Destination Area Co-ordinator for the next two years.

Marion P. (Penny) Gott made this information known during the last ABTRC executive meeting. The hiring of a person to fill this role will be dealt with at the council's first Fall meeting tonight, 8 p.m., at Digby Hall, The Pines.

## Town Election- Robertson, VanTassel Say "No"

The way things stand at present it looks as though there should be a few new faces on Digby Town Council following the October 14 election to fill three upcoming council vacancies.

A check with those whose terms expire this Fall reveals a possibility that no-one will re-offer. Two candidates have said "no" they don't expect to run, while one has not yet reached a decision.

Deputy-Mayor Philip Robertson is one councillor who has indicated he will not return to town government.

Robertson has served the town for about five years, three in the deputy-mayor's post in which he succeeded former Councillor Paul Winchester. The Deputy-Mayor also served a term as acting-mayor during periods of turbulence in town government.

As owner and manager of the E. B. Robertson & Son Canadian Tire franchise in Digby, Robertson says there are "not enough hours in a day". He feels he doesn't have the time to do the job the way it should be done.

He doesn't, however, rule out the possibility of returning to council sometime in the future when available time is not such a pressing factor.

Looking back over his period on council, Mr. Robertson said he felt rather bad over the loss of so many mayors and town clerks. He also felt council had seen some significant undertakings such as street-paving and the sewage abatement program.

Councillor Guy VanTassel, approaching the end of his first three-year term on council, is another unlikely candidate for the next election. At this point, VanTassel does not plan to re-offer.

Councillor Eileen Chipman has not yet made a decision one way or the other. Her town government activity has lessened since her tape-recorder made a sudden exit through a council chamber window.

Which brings us to the question: Who, if anyone, will fill the three forthcoming vacancies on Digby Town Council? Nominations open on September 21.

## Larger Gym For New School Wing

Estimated cost of rebuilding the lost wing of Digby Regional High School has been placed at \$1,327,000 million, Mayor Stewart MacNaughton reported to Monday's monthly session of Digby Town Council.

Mayor MacNaughton unveiled a floor plan for the new unit which reveals four fewer classes than the old structure and an expanded gymnasium.

The mayor explained that the old gymnasium was too small by 1976 standards. The plans were approved by council.

Mayor MacNaughton suggested that a moratorium be placed on a new Town Hall until it is determined how much, if any, the town will have to pay for the school.

Other councillors, however, felt the Town Hall

plans should proceed regardless. Councillors VanTassel, Journeay and Robertson all expressed opinions in this direction.

Cost of the new high school wing is figured on the basis of \$38 per square foot. Mayor MacNaughton feels this cost may be lower.

The floor plan drawings, he said, were made up from the input of teachers.

The reconstruction cost not covered by insurance will be shared by Digby Town and Municipality and the Department of Education.

Before the floor plan becomes final, approval must be received from the Department of Education and Municipal Affairs. It is hoped to have the building ready for use by the Fall of 1978.

## Digby Swimming Pool Has Successful Summer

The Digby Swimming Pool has closed down after another successful summer of instructional and public swimming. A total of 200 people were taught swimming ranging from the Novice Awards to Bronze Medallion.

Approximately 4000 people attended the public swims even though they were only run for six weeks. The swimming pool staff were: Patti Sutherland, Assistant, daughter of Mr. and Mrs. Frank Mackintosh, Digby.

Director; Linda MacKintosh and John Archibald as Instructors and Rosy Rogers, Karen Hattie, Mike Balsar and Shelly Fletcher as Leaders.

There were many highlights at the pool this summer. The Digby Devils, a competitive swim team earned more points at this year's Provincial Swim Meet than ever before. David Little, the Royal Life Saving Society Representative, visited us and spoke to the staff on their Life Saving Awards. A party was held

The role of the Destination Area Co-ordinator is basically to co-ordinate and guide the Destination Area Committee but his specific tasks are numerous.

The co-ordinator would be expected to continue this Destination Area's inventory; develop evaluate and improve the Day Trip program; co-ordinate, develop and identify new attractions; co-ordinate festivals in the Basin area; develop activities and entertainment, particularly those that would assist in inclement weather and off season; research the total benefits of tourists to the destination area; make plans for the improvement of transportation, signs, etc., which will form a cohesive destination area; and others.

The executive approved a motion that Mark Blugerman and Geraldine Blugerman be hired as a co-ordinator-secretary team. This decision will be presented to the ABTRC Membership for ratification.

The executive agreed that Louis Stevens, Director of the Department of Recreation, should be congratulated for his Happy Days program and be invited to the council's October meeting.

## Shellfish Area No. 18 Closed

The federal Fisheries and Marine Service, Department of Fisheries and Environment advises that Nova Scotia shellfish area no. 18 is closed to the harvesting of shellfish because of high toxicity.

The area in question is what is termed "Shellfish Area No. 18", which runs from all the waters of the Annapolis Basin and Annapolis River from Point Prim, Digby County to the lighthouse at Victoria Beach, Annapolis County.

This is a frequent occurrence and is brought

about when water temperatures reach the point whereby marine organisms rapidly increase in growth. These minute organisms are absorbed by clams and any person consuming the infected shellfish could become seriously ill. This area displays posters with warnings not to take shellfish during the closed period.

Regular toxicity tests are being conducted by the Inspection Division of the Fisheries and Marine Service and when the toxicity level reads safe the public will be notified.

## New Gymnasium Is No. 1 Objective

The 1977-78 school year got underway at the Islands Consolidated School in Freeport with little change in enrollment or programming.

Enrollment at the school was placed at 199 as classes got underway, a slight decrease from about 203 in September of 1976.

In the programming department, Spanish has been extended to Grade 12 and Physics to Grade 11. Last year was the first for Spanish in the school. It was introduced at the Grade 10 level.

Three new teachers have been accepted at the school for this teaching season. They are Clayton Coe of New Edinburg (Grade 7 and French in Grades 5-8); Rudy Tinker (Grades 5 and 6), a graduate of Acadia University; and Mrs. Lynn Wordsworth, a Toronto native, in the Home Economics department.

Overall, the school will be operating very much the same as it did last year, according to the school's principal, Keith Manzer.

However, there is one major objective being worked toward - a regulation-size gymnasium. Mr. Manzer notes the

for the Annapolis Valley Apple Blossom Festival Princesses on Scallop Day. As part of the pool closing, a game of inner tube water polo was played between the Digby Detachment of the R.C.M.P. and the Digby Pool Staff.

Unfortunately, the swimming pool did not run as long this summer as usual. This was due to

school has a very active sports program which runs from 2:30 to late in the evenings. But because the present gym is inadequate in both width and ceiling height, the school is unable to host other schools in sporting events. School teams, as a result, must spend a lot of time on the road without the advantage of home games.

The school also has a "fairly active" adult education program.

The principal is hopeful a start can be made on the gymnasium next year, or the year after. Both the municipal school board and the municipal council have approved the idea and Manzer is hopeful approval can be obtained from the department of education when the moratorium on school construction is lifted.

A summer works program has resulted in reconstruction of the ballfield. Mr. Manzer said he is hopeful a regulation soccer field and softball diamond can be achieved within the next year.

Enrollment at the school by grades is 18 in Grade 12; 12 in 11; 10 in 10; 25 in 9; 16 in 8; 20 in 7; 13 in 6; 10 in 5; 17 in 4; 13 in 3; 23 in 2; 10 in 1; and 12 in Primary.

problems with drainage and a large tear in the pool liner. The pool may have to be replaced.

Let us hope that one of Digby's few recreational establishments does not have to close due to finances or lack of finances.

### ARTHRITIS MONTH

With the coming of the sometimes chilly September weather, it is quite possible that some of those million arthritic sufferers in Canada might be feeling increased discomfort and refer to this as arthritis month. Arthritis month, however, is not named because of any relation to weather or any other might-be contributing factor to arthritic discomfort. Arthritis Month refers to the time when the Canadian Arthritis and Rheumatism Society puts on a drive for funds to carry on its research program. The society hopes that someday a cure for the painful disease might manifest itself or that more and more valuable facts about the disease might be found.

The regional representative for the society is looking for someone in the Digby area to conduct the campaign in the local area. Already it has been established that a high percentage of people in the area have an arthritic or rheumatic condition. Hopefully volunteers will be alerted to the urgency of CARS' funds to grapple with the painful disease and extend the research.

Because arthritis in its varied forms and varying degrees of severity has afflicted so many persons down through the ages, there is a tendency for the public to brush it off as an un-consequential disease. Not so with the Canadian Arthritis and Rheumatism Society. They work with full understanding that it is a serious disease causing suffering and many hours of lost time at work. Their efforts should be given high support through their special campaign month.

### IT WAS EVER THUS

In our column, Reflecting to 1947, published in today's issue of The Digby Courier, it will be noticed that the newspaper then was grappling with the untidy situation along the Digby shoreline. At that time the shoreline warranted more concern than it does today so far as appearance was concerned because many visitors embarked and disembarked from the Princess Helene and were suddenly exposed to all the unsightliness. As they proceeded from the wharf all kinds of untidy, unhealthy and fire hazardous debris surrounded the buildings near at hand. The same conditions likely existed back beyond 1947 and, as we see them, they have improved little since. The only difference is there are not quite the number of persons making use of the wharf. However, a little prodding always helped and there were the washing tides that added their cleaning effect, too.

Then like most towns where people accumulate and at the same time scatter refuse, Digby has had its share of street untidiness. Of course, Digby, too, for many years had Sid Eisner to rely upon to clean up the trash. Sid, without a doubt took pride in his town and his work and was exceptional in his job.

While we have no desire to cast a reflection on a black mark on our community through adverse publicity (we've had enough of that for the past few years) we feel some clean up prodding for both workmen and property owners might be due.

This seems to have been an upset Spring and Summer as far as environment and appearance

in Digby are concerned. Streets were in terrible condition, having been disrupted by the sewer projects. Complaints about the holes were justified but were overlooked to some extent because of the attention to details respecting the sewer project. Despite the wearing effect these holes had upon vehicles that had to travel over them, little was really done.

Whether the condition of the streets set the climate or whether vandalism had its discouraging effect on the economy of the area was felt there did not seem to be the exalted pride in our town's appearance in 1977. We've heard remarks on the dull, unpainted buildings, the Town Hall being the chief offender. This matter, of course, is being looked after with plans for a new building and credit must be given also to those places which have improved their properties. These bigger items, however, have little to do with tall wads of dried unattractive grass and weeds spoiling the appearance of buildings or candy wrappers and cigarette packages resting on hedges and ditches. These can be taken care of by either the town or property owner wherever the responsibility lies. A fall tidy-up and brighten up wouldn't be amiss.

Yes, it was ever thus but a little extra prodding might be in order, we'll agree.

## Hodge Podge

If you find yourself getting into frequent quarrels with people, stand your ground only when you are certain you are right, and do it calmly. Where you're not 100 percent positive about something, and who can be very often, make allowance for the fact that the other person could be right. It's easier on your system to give in once in a while. If you yield, you'll usually find that others will, too.

The World Fisheries Exhibition held in Halifax had many visitors which will add to the Nova Scotia tourism report for 1977. This was noted by the people who tried to find sleeping accommodation in hotel or motel in Halifax and Dartmouth during that time and were unable to do so.

## Home Demolished - Occupant Suffers Burns

Fire of undetermined origin completely levelled the home of Mr. and Mrs. Ross Thibodeau, North Range, on Friday night, September 2nd. Mrs. Thibodeau was the lone occupant of the story and a half wooden building at the time. She was miraculously rescued by her son, Larry, who with his wife was returning from Bear River.

Seeing the unusually bright glow in the livingroom, Larry and his wife rushed over to the house and found the interior in flames. Larry entered by breaking a window and managed to carry his mother

to safety. She was rushed to Digby Hospital where she is being treated for burns to her face and neck.

It was felt a worse tragedy had been averted by her son arriving on the scene at exactly the right time. Had he been five minutes earlier he would not have noticed the bright glow of light and would have continued on to his own home; five minutes later would have been too late.

The Plympton Fire Department responded to the phone call as well as neighbors who lived nearby but nothing could be saved. There was no insurance.

### September Is Arthritis Month

## Society Calls For Volunteers

An appeal for volunteers to help raise funds for the attack on arthritis in the town of Digby was made here today by Wayne Boucher, Western Nova Scotia Field Representative of The Canadian Arthritis and Rheumatism Society.

The campaign begins Sept. 22, 1977 and has a goal in Nova Scotia of \$130,000.

"The call is for men and women who get satisfaction in helping their neighbours and in working to reduce human suffering," Mr. Boucher said. "We appeal to people who realize that arthritis, far from being a matter of minor aches and pains, is a serious disease, which affects tens of thousands of Canadians with an annual loss to the economy of \$457 million."

Mr. Boucher pointed out that The Canadian Arthritis and Rheumatism Society is a voluntary organization, which means that volunteers are its lifeblood. "Without dedicated people working for the cause, both during fund-raising campaigns and the year round, there would be no programs to help the more than a million and a half arthritis sufferers living in Canada," he said.

Right now, Mr. Boucher continued, the Digby area needs a special task force of men and women to raise funds to help the Society achieve arthritis control - the immediate goal.

The funds raised will be used to ensure better delivery of health care services for arthritis patients, to support arthritis research and to provide information for the health professions, patients and the general public.

Volunteers are asked to phone 532-5606 (collect) or write to Wayne Boucher, P.O. Box 204, Annapolis Royal.

## "Moliere" Evening At L'Université Ste-Anne

The Université Sainte-Anne Artistic Season will open this year with an evening devoted to the great French seventeenth century dramatist, MOLIERE. The "Théâtre Populaire du Québec" will present two of his one act plays: "Le Médecin volant" and "Le Médecin malgré lui". This event will be held on Monday, September 19, at eight o'clock in the university gymnasium.

Presenting the established successes of our national theatre along with eliciting new productions written especially for the company by Quebec playwrights constitute the role of the theatre populaire du Québec. The T.P.Q., however, also offers its public works that have withstood the test of time maintain a just value.

To celebrate its 15th anniversary, the THEATRE POPULAIRE DU QUEBEC is presenting the Canadian public with two plays, "LE MEDECIN VOLANT" and "le medecin malgre lui", from the pen of the greatest of French classical playwrights, MOLIERE.

Directing the actors in these two productions is no other than one of Canada's greatest producers, whose reputation has spread wide throughout the country, JEAN GASCON.

The actors taking part in these plays are the well known PIERRE THERIAULT, CATHERINE BEGIN, NICOLE FILION, GUY L'ECUYER, RAYMOND ROYER, JEAN-MARIE MONCELET, COLETTE BROSSOIS, BENOTT DAGENAIS and MARC BELLIER.

Costumes are by SOLANGE LEGENDRE, sets by GUY NEVEU and the actors themselves will play the original music of GABRIEL CHARPENTIER on stage.

This event will open the 1977-78 Artistic Season at the Université Sainte-Anne. Although all the cultural events have not yet been finalized yet, we can announce that in the first portion of October there will be a puppet show and that the two first concerts of the Jeunesses Musicales series will feature a saxophone quartet and a ballet company. After Christmas, the remaining two concerts of the JMC series will feature accordion and a string trio. More details will be provided at a later date.

Admission for the MOLIERE evening: Adult - \$3.00; Student - \$2.00. Special student group fee: (For a group of at least 20) - \$1.00.

## International Fisherman's Exhibition Benefits Nova Scotia

The first North American edition of the World Fishing Exhibition has just completed its eight-day run on the Halifax waterfront.

A major international exhibition serving the world's fishing industry. The Nova Scotian showing has been acclaimed a successful one in all its aspects.

"The World Fishing Exhibition has focused new attention on our fishing industry," said Dr. Dan Reid, Provincial Minister of Fisheries.

"I think the show brought before everyday fishermen, processors and the general public, the knowledge of what our 200-mile limit has done for us, what it can do for us."

"The exhibition has reminded us of the awareness many foreign nations have about the value of our fishery," Dr. Reid added. "The show provided a reflection of the quality and potential of the fishery."

Ray Mills, a trade development officer with the Department of Development and the Department's coordinator for world fishing exhibition, was pleased with the results of the exhibition.

"There were three main benefits," Mr. Mills said. "First was the number of visitors brought here by the show and the money they spent in the metro area. This was primarily a tourism benefit."

"In addition was the labor benefit and payrolls generated by the construction of the booths and stands in piers 21 and 22. The materials for the show were purchased here."

"Most important to the development department was the spin-off in industrial development plans which were discussed by participants in the show."

"There were discussions of setting up plants here, of joint ventures with Nova Scotian industries and of licensing arrangements for the local production of fishing industry equipment and supplies."

"Several beneficial arrangements in these areas may be concluded in the near future."

Bob Chisholm, Director of The Halifax visitors and convention Bureau, was delighted with the tourist benefits of the world fishing exhibition.

"We've proven that

Halifax can host a major international exhibit," he said. "It has put us in that league and augurs well for future use of the Metro Centre."

"The benefits to our hotel and motel industry were phenomenal, particularly over the Labor Day weekend when many Metro residents traditionally leave town for the last summer weekend. I was pleased at the numbers of the general public who visited the exhibition on the weekend."

The World Fishing Exhibition was basically a trade show directed at the fishing industry, not the general public. However, it was open to the public for the three days of the weekend. In those days, a total of 18,551 members of the public paid the admission fee to tour the exhibit and the fishing, coast guard and fisheries patrol vessels tied to the pier outside the exhibit hall.

"I was pleased at this public response," said Pat Mahoney, Director of the exhibit for industrial and trade Fairs Ltd., owners of the exhibition.

More importantly for the business part of the show, there were 6,063 Canadian Registrations, about 800 foreign registrations. Each registration represents a fishing industry member coming to the show. Once registered, each one would make several visits to see the products or systems he needed, collect information or place orders for purchase.

"This World Fishing Exhibition will not make a profit for I.T.F.," Mr. Mahoney said. "However, we have learned a lot about the North American Market and made valuable contacts."

"As far as I know, all our exhibitors are pleased with the response to their products. The show was commercially viable for them."

"The attendance was heavily Canadian naturally enough but we had registrations from 41 foreign countries," Mr. Mahoney claimed. "Certainly many of the well known names in the international fishing industry were here."

Despite the loss of profit on the 1977 World Fishing Exhibition, Mr. Mahoney said I.T.F. would consider Nova Scotia as the site for a future fishing exhibition. The next world fishing show will be in 1979 and probably in a European Country although the site hasn't been chosen.

"There is a need for an exhibition hall in Halifax," Mr. Mahoney said. "That is the facility with which we are accustomed to work."

"However, one benefit of the waterfront piers for the 1977 exhibition in Halifax was that we could have the vessels as part of the Exhibit. Usually, Exhibition halls are in the centre of cities and away from the waterfront."

month totalled 11,205, an increase of 29.7 per cent. The number of tractor trailer units handled was 10,200, an increase of 25.3 per cent. Rail freight tonnage declined 25 per cent on the 74,072 tons carried during August of 1976.

### Bay Of Fundy Service Increase

August passenger service on the Princess of Acadia numbered 50,371 in 1977, up 13.1 per cent from 44,450 in 1976 according to a report of CN Marine. Passenger related vehicles were 14,758 up 16.4 per cent from 12,676; trucks 552 up 8.2 per cent from 510 and tractor trailers 1,929 up 21.6 per cent from 1,586.

Overall CN Marine passenger traffic decreased by one per cent in August when compared with figures for the same month in 1976.

Last month was in keeping with the general trend for the year. For the first eight months of 1977, CN Marine has carried 1,595,346 passengers, a decrease of 0.9 per cent on the same period last year.

CN Marine carried 470,161 passengers on five major ferry services last month compared to the 475,223 in August of last year. (Both Bay of Fundy services were up.)

Figures for passenger related vehicles and rail freight tonnage also decreased last month. Trucks and tractor trailers transported showed a marked increase.

The number of passenger related vehicles carried last month also declined one per cent. The total of 149,552 automobiles, auto trailers, campers, buses, motorcycles and bicycles handled represents a decline of 1,490 on the 151,012 carried in August of 1976.

**Bear River Women Plan Extended Program**  
Mrs. Annie Gates led the devotional service when the "Muriel Bent" W.M.S. of the Bear River United Baptist Church met in the vestry for their regular monthly meeting on Sept. 1. Her theme was "Service", showing how everyone needs a mountaintop experience such as the three apostles had at the Mount of Transfiguration when they had such close fellowship with the Son of God before returning to the valley of human need to help others to know how to react a similar spiritual experience.  
A circle of prayer was followed by the business period conducted by the president, Mrs. Laura Ruggles.  
An invitation to meet with the ladies of the Advent Christian Church on Sept. 8 was accepted. Sums of money are to be sent for hospital supplies and in lieu of a food parcel. A gift of literature is to be sent to Mrs. Jean Hodges who is returning to her missionary work in Nigeria this month. Invitations are to be extended to various neighbouring societies to attend the Crusade meeting on Oct.

"Whispering Mountain"

**Film Coming**  
The adventures of a young boy high in the Swiss Alps, and a mountain believed capable of talking, highlight the thirty minute color motion picture, "Whispering Mountain," scheduled for showing at The Church of God on Friday, September 16 at 7 pm.  
Produced by Ken Anderson films of Winona Lake, Indiana, "Whispering Mountain" employs unique techniques in both sound and photography, but its charm lies in the story of the boy who came to the mountains and found a good deal more adventure than he bargained for.  
Though produced primarily for church use, the film was given test showings in public schools prior to release, with excellent response and endorsements on the part of educators who observed its reaction on children selected at random to view it.  
This film is part of special services for those in Grades 1-6.

# Entertain For Visitors In Ontario

Mrs. Louis Stark, accompanied by her sister, Miss Edith Marshall of Halifax, recently returned home after spending a week with her sister and brother-in-law, Mr. and Mrs. Clifford F. Gallinger, Whitby, Ontario.

Mrs. Stark and Miss Marshall motored to Whitby with their nephew and wife, Mr. and Mrs. Murray C. Marshall.

While in Ontario the sisters visited with their three nieces, Mrs. Wm. Durkee, Mrs. Barbara Flemming, and Mrs. George Keeriveer of Greenwood who was visiting with the Durkees and Mrs. Flemming and was accompanied by her children Robbie and Susan. Mrs. Keeriveer was joined

by her husband George who was returning from Chiliwack, B.C., where he was taking a course.

An extremely pleasant gathering was held by Mrs. Stark, Miss Marshall, and Mrs. Gallinger on the lawn at the home of Mr. and Mrs. Leonard C. Frank, 4 Ingram Court, Whitby. It was attended by: Mr. and Mrs. Wm. Durkee and son Barry; Mr. and Mrs. Chuck Marshall; Mrs. Barbara Flemming and son, James; Mr. and Mrs. Geo. Keerwee, Robbie and Susan; Mr. and Mrs. Wilfrid Beaudry, Rene and Jodi Lynne; Mr. Stewart W. Frank and fiancée, Miss Gisele Menard; David Taylor; Mr. Orner Frank; Mrs. Agnes Riel.

# Patchwork Pieces

by Hannah Dale

It gets dark so early in the evening these days. None of us likes to see the summer slipping away so fast. Funny isn't it, that summer goes so fast and winter lasts so long. Or, so we think. We have two wonderful months ahead of us now. So let us enjoy it before the cold and snow arrive. But really, all seasons have their own particular beauty and interest.

My entries in the Exhibition did not do too well this year. The Novelty Arrangement consisted of Golden Rod, Yarrow, seed pods, a peacock feather and a little green bird, in a piece of building block I had found on the beach. It was weather-worn and a soft dull yellow in colour, and had two cavities in it that went right through, so I poured a small amount of plaster of Paris in it to form a waterproof bottom. It held water very nicely at first, and I was quite pleased, until a few hours later, I realized the block was so porous, the water was oozing out all over! My flowers were all arranged by this time, and I thought they looked "just right", so I entered it in the Exhibition, even though the container was quite dampish. By Thursday the flowers were all dead. But it did win a prize! The Green Foliage Arrangement won a prize too. It was simply beet leaves, with a few very tiny dried flowers in a red shade to go with the red stems and the veins in the leaves. It's all fun and I enjoy doing it.

The flowers, the handcrafts, the beautiful sewing, knitting, the quilts, etc., all so interesting and well done, with so much effort put into it all. A lot of work for the good folk who work at the Exhibition too.

My flower book says there are over 60 species of Golden Rod. I couldn't begin to identify them all. They come in five categories: 1. plumelike graceful; 2. elm branched; 3. clublike showy; 4. wandlike slender; 5. flat-topped. How many of these have you seen?

# Married 25 Years

On August 22, Mr. and Mrs. Basil Parker of Golden, B.C., celebrated their 25th Wedding Anniversary. Gathered around the dinner table for this surprise family reunion, were his father Wilbur, and brother Dave, both of Bear River; two sisters, Lois (Mrs. Kenneth Dotson) of Prophetstown, Illinois and Myrlah (Mrs. Len Lewis) of Sonoma, California. Also present were Mr. and Mrs. Kevin Parker, Mr. and Mrs. Timothy Parker, Scott,

Andrea and Nathan, all of Golden.

While in B.C. the Parker family motored to Vernon, and were entertained by George Derksen and Miriam (nee Parker) and their new son, Jeremy Joel. They also visited relatives and friends in Penticton, B.C.

This 80-foot aircraft radio beacon was constructed and erected this summer at Liverpool Airport with the help of 18 students provided under the provincially-funded Job Corps program. Shown here is Barry Jones of Liverpool, putting some finishing touches on the project.

# Museum Will Remain Open Until October 16

At the end of its first season, the Admiral Digby Museum (upstairs in the Library Building) is remaining open until September 16th with the usual hours of 2 to 5 p.m. Monday to Friday.

During the summer over 300 visitors have registered with addresses from coast to coast in the United States and Canada. Support from the Nova Scotia Museum has made it possible to have an attendant in the open hours during July and August. Miss Ruth Bremner, a student at Nova Scotia Teacher's College has responsibly held the position. Volunteer service has been given at other times by members of the Admiral Digby Library and

Historical Society.

The Museum Committee, co-ordinated by Mrs. R. MacLeod Rogers, has put much effort into this beginning stage. They wish people to know that many more items of historical interest relating to Digby County are needed. The collection of photographs is well displayed to tell the story of Digby in the early 1900's, with its fine homes, hotels, business buildings and attractive streets. The Victorian parlour is typical of its period and pleasantly arranged. In the History Room a collection of records has been started, along with some books on local history and some antique business ledgers.

## Carrying On The Spirit Of The Monthly Letter

Since 1976, readers of the Royal Bank Monthly Letter have been receiving reprints of the most relevant Letters from the past, a practice expected to continue until the beginning of next year, when the first of the new generation of Letters will be published.

Robert Stewart, the new author, says his first problem was "just to find topics John Heron (the Letter's original author) hadn't written about". He's solved that one by deciding to make no conscious attempt to steer clear of subjects covered in the Letter in the past, but to take a fresh look at them in the light of social conditions today.

Robert Stewart has inherited a publication with a past. Even though John Heron, 32-year author of the bank's well-known and highly praised Monthly Letter laid down his pen in December 1975, he has become so closely associated with it that his shadow still hovers over its tone and style.

"John Heron is the only man I know who's a ghost—even though he's still very much alive," exclaims author and journalist Bob Stewart whom the bank has engaged to carry on the spirit of the Monthly Letter. During those 32 years, the Letter achieved widespread fame in over 100 countries, despite the fact that its author shunned personal publicity, maintaining that it was a letter from the bank.

Stewart admits to being a kind of child prodigy when it comes to writing. Unlike some people whose hearts sink at the thought of having to write a high school composition, Bob has spent almost all his working years behind a typewriter since the age of 14 when he started covering hockey games for a northern Ontario newspaper.

He then moved on to weeklies and dailies including The Ottawa Journal, the Financial Times and the

Wall Street Journal. He's also written for Time, Saturday Night, Weekend, The Canadian, Executive Magazine and the C.B.C.

Now that he's taken on the Letter himself, Stewart doesn't intend to make any sweeping changes, preferring instead to keep the tradition alive by "maintaining the Letter as a useful, working tool, but with a more contemporary focus".

Under John Heron's pen the Monthly Letter was geared to instruction and self betterment, a practical piece of advice that could be used in life and Stewart intends to keep this approach alive even though "it's a new ball game."

He might consider writing more about historical topics, he says, and from time to time, guest writers may be invited to contribute an essay in their area of expertise. But essentially the well established tone will stay and the Letter will read "like a good magazine article such as you might find in Harper's".

Even an experienced journalist like Robert Stewart, who's tackled such far-ranging topics as sports, finance and drama in his reporting career and written a new Time-life book on Labrador as part of the World's Wild Places series, is the first to admit that handling the Royal's internationally-known and respected Monthly Letter is going to be one of the biggest challenges he's ever faced.

# Bank Makes \$200,000 Expansion

## Expansion Demonstrates "Faith" In Area's Economy

Expansion of the Royal Bank of Canada branch in Digby has demonstrated the bank's "faith" in the economic well-being of the Digby area and the downtown district, according to branch manager Jim Gillis.

A recently completed addition to the Royal Bank building on Water Street has provided about thirty-three and one third per cent more space for staff and customers. (an additional 700 square feet). The basement has been completely renovated and remodelled as well, providing space for a staff room, storage vaults, etc.

Expansion was necessary, says Mr. Gillis, because of the business increase being experienced at present, and expectations of continuing economic growth and activity in the area.

Only a few finishing touches remain to the expansion project. These include landscaping, and replacing Royal Bank sign on Water Street. All should be complete by the end of September.

An official opening ceremony for the addition will be held on Wednesday, September 21. A number of government representatives and bank officials are expected for the occasion.

The list of visiting bank personnel should include H.G. (George) Backroll,

district manager—Branch Banking, General Manager's Department, Halifax; Roy Demoane, Regional Manager for Western Nova Scotia; and Jack Moran, manager of Market Development, Regional Manager's Department, Halifax.

### THE STAFF

Jim Gillis has been manager of the Digby branch for the past three years. Prior to his arrival in town, Mr. Gillis was Credit Inspector in the General Manager's Office in Halifax. He is a native of Sydney.

Mr. Gillis is married to the former Ada Mercer of St. John's Newfoundland. The couple have two children: Jimmy, 11; and Kathy, 6.

The bank's staff totals twelve. Other personnel are Mrs. Jean Raymond, Loans Officer; Jim Royal, Branch Administration Officer; Mrs. Louella Haynes, Assistant Branch Administration Officer; Clerks Mrs. Debby Wilson, Judy Trimmer and Mary Doucette; Tellers Mrs. Virginia Guptill, Myrna Burns, Mrs. Donna Tidd and Brenda Hannam; and Stenographer Mrs. Claire MacDonald.

The Royal Bank of Canada opened its first branch in Digby in 1901. The present building was constructed in the 1930's.

The Royal Bank of Canada has recently completed the enlargement and renovation of its premises in Digby, N.S. and to mark the occasion will hold an "Open House" at the Branch on Wednesday, September 21, 1977. Coincidentally, they will also be celebrating their 76th anniversary, having originally opened for business in the town on April 10, 1901. Throughout the day the staff of the branch will welcome customers and visitors, serving coffee

and doughnuts. The premises, which have been greatly enlarged at a cost of over \$200,000, will provide customers with a full range of modern banking services.

Among officers attending the "Open House" will be Regional Manager, R.J. DeMone and Manager, Market Development, J.P. Moran. The present Manager of the Bank is J.L. (Jim) Gillis.

## You're invited to our open house.

We're holding an Open House to celebrate the opening of our new branch. You're invited to drop in for refreshments and a look around our new premises.

## Comeau's Report On N.S. Agricultural Garden Clubs

The September meeting of the Admiral Digby Horticultural Society was held on the 7th at the home of Miss Elsie Robertson. The president, Donald White, welcomed the members, twenty-five of whom were present.

A brief business meeting was held and reports were given on the various gardening projects being carried on by the Club. A good deal of work had been done at the Loyalist Cemetery, which has improved the appearance of it and further plans were made for it. Also plans were made for the care and storing of Geraniums from the planters on Water St., which have added much to the appearance of the boulevard there. It was reported that several old dead trees are now being removed by the Town.

Reports were given re the N.S. Agricultural Garden Clubs Convention held in August in Truro. Two delegates who had attended were Mr. and Mrs. Daniel Comeau. The theme this year was "Trees". There had been interesting talks and demonstrations, workshops, etc., and they had brought back useful pamphlets and booklets on gardening, fruit and vegetable canning and freezing, tree planting and the care of trees. These booklets will be added to the collection already being kept on the Club's bookshelves at the Admiral Digby Library, second floor. It was noted

that a number of young married couples have been joining Garden Clubs in the Province, and some were in attendance at the Convention. It is hoped that this trend will increase among young people. The delegates had enjoyed the genuine friendly atmosphere at the Convention where 130 people were in attendance, and reported there are at present thirty-eight active Garden Clubs in Nova Scotia.

A report on the Activities Committee was given by Miss Mary Marshall. The new location, the Digby Pines Hall, proved to be an excellent arrangement, with more space for displaying all the entries, which had shown an overall increase in most figures. The setting up, registration and transportation had gone smoothly, with everything in readiness for the judging at the appointed time. The Show in the afternoon was attended by a record breaking number of people, most of whom remained for tea, catered by the Pines. The presentation of special prizes and awards was in charge of Bruce Gilliat, Digby County Agricultural representative.

At the close of the meeting, refreshments were served by Miss Robertson, with co-hostesses being Mrs. Ardith Gilliat and Mrs. Gladys White.

It was announced that the next meeting of the Club would be held October 5th at the home of Mrs. H.M. Warne.

## Theme Was Family Unity

At the bi-annual convention of Jehovah's Witnesses held at the George Burridge Regional Vocational School in Yarmouth the weekend of September 10th and 11th, the theme of building unity within the family circle was emphasized. Two of the speakers stressed the necessity for the children to be trained by the parents in scriptural principles if they want their family to grow up as a united family, not as isolated individuals as is so prevalent today.

The principal speaker, Mr. Arthur Wall, dealt with the subject: "Maintaining Confidence Down to the End." He showed how many pressures and lack of faith in: religion, world leaders, labour-management relations, and the monetary system itself, are bringing about a lack of confidence in the majority of people throughout the world. "However, he pointed out" said Charles Parker,

spokesman for the Witnesses, "that people who have respect for Jehovah, the Most High God of the universe, need not be overwhelmed by these pressures and doubts. By gaining scriptural knowledge they can build confidence in the promises of Jehovah that he will bring about a new system of righteousness with his Son, Christ Jesus, as King."

He continued by saying "there is great value in regularly studying the scriptures and applying them in our lives and so equipping ourselves to face the increasing pressures and maintain our confidence in God's promise of peace and security in his new system."

To this end Mr. Wall encouraged all 585 Witnesses in attendance to continue with their house to house ministry, aiding people to increase their knowledge of God's purpose and the hope ahead.

## Wedding Bells

ELLIS. CRESS

A beautiful summer afternoon wedding took place at the Baptist Church of Digby, at 4:00 p.m., August 6, 1977.

Rebecca Sarah, youngest daughter of Mr. and Mrs. Avery Cress of Bear River, became the bride of Robert Joseph Jr., eldest son of Mr. and Mrs. Robert Ellis Sr., of Digby.

The happy couple were united in marriage in a double ring ceremony officiated by Rev. R.R. Winchester.

The church was decorated with baskets of flowers, which were graciously donated and arranged by Mrs. Wayne Isles, of Bear River. There were also three candles, which were lit during the ceremony by the bride and groom. The pews were marked with white and red satin flowers and streamers made by the bride's sister.

Rebecca entered the church on the arm of her father, preceded by her two attendants, a maid of honor and a bridesmaid, while the organist, Mrs. Daneen Robbins, played the traditional wedding march. The bride wore a floor length empire styled gown of polyester knit with a pearl covered bodice, long sleeves and pearl covered cuffs. A long flowing train was attached to the gown which was lined in white taffeta. A cathedral length veil was held in place by a pearl trimmed bonnet head piece.

For her bouquet, she chose a single red rose decorated with long red streamers and eight rose buds. The maid of honor was the bride's eldest sister from Labrador, Mrs. Beverly VanTassell. The bridesmaid was also the bride's sister, Mrs. Valerie Richard of Clementsport. Both attendants wore identical blue floor length gowns of blue lace with a blue taffeta underlay and long sheer lace sleeves. They wore identical white picture hats with the hat bands matching their dresses. Both the maid of honor and the bridesmaid carried a single yellow rose decorated with blue streamers and eight yellow rose buds.

Michael Gilbertson, friend of the groom, was the best man.

Friends and relatives were greeted and ushered to their seats by ushers Peter Thomas, cousin of the groom, Mark Cress, brother of the bride, and Gary Ellis, brother of the groom. The bride's mother looked lovely in a floor length gown of yellow jersey crepe. The dress was of an empire style, high neck, long sleeved, and trimmed with dainty yellow lace. To complete the ensemble, she wore a matching yellow corsage and white accessories with yellow flowers in her hair.

The groom's mother looked lovely in a floor length, long sleeved gown of floral jersey. To complete her ensemble, she wore a yellow corsage, accompanied by brown accessories.

After the wedding ceremony, a reception was held at the Digby Lions Hall. The hall was tastefully decorated in coloured streamers and wedding bells. The bride's sister made a beautiful bride doll which was placed on a table, at the entrance to the hall. After the bride and groom greeted their guests in a receiving line, all were seated to a buffet luncheon, catered to by relatives and friends.

The bride's table was catered to by Misses Joyce and Susan Dennison, and Miss Bev. Thomas, all cousins of the groom.

The toast to the bride was given by Mr. Ray VanTassell, brother-in-law of the bride. After the groom responded to the toast, the groom's father gave a toast to welcome the bride to the family. After the reception, the bride and groom opened their many lovely gifts and thanked all those who attended.

Guests included friends and relatives from, Vancouver, B.C., Fredericton, N.B., Labrador, Halifax, Yarmouth, Port Wade, Bear River, Digby, and surrounding areas.

For her going away dress, the bride wore a peach and white empire style dress of polyester and white accessories.

After a weekend honeymoon the happy couple returned to their new residence in Bear River.

Baskets of pink and white cut garden flowers adorned the altar of the Smith's Cove, United Baptist Church, on Saturday July 2, 1977 for the wedding of Sandra Lena, only daughter of Mr. and Mrs. Dean Tidd, Smith's Cove to Charles Melvin Milbury, son of Mrs. Newton Carter, Truro, and the late Mr. Melvin Milbury.

Rev. Wallace Jordan, officiated at the double ring ceremony.

The organist was Miss Joanne Frankland of Digby, and soloists were Mrs. Linda Carty, of Smith's Cove, and Rev. Wallace Jordan.

Given in marriage by her father the bride was attended by Miss Sheila Walker of Halifax, as maid of honor, and Mrs. Arlene Fagan of Wolfville, as bridesmaid.

The groom was attended by Mr. Ronald Higgans of Saint John, N.B., as best man. The ushers were Mr. Roger Tidd, Smith's Cove, brother of the bride and Mr. Ralph Dalling of Saint John, N.B.

For her wedding the bride chose a floor-length gown of white nylon sheer over taffeta. Embroidered lace trimmed the neckline, sleeves and front of gown, the skirt gathered from sides and fell in full self train. Her three tier shoulder-

length veil was held in place by Juliet cap of embroidered daisies and seeded pearls, with matching daisies edging her veil. She carried a cascade bouquet of pink sweetheart roses and baby's breath.

The maid of honor chose a gown of soft blue with blue floral waist length jacket, featuring long full sleeves and self ties at the waist. The bridesmaid wore similar style gown in pink with pink floral jacket. They carried matching nosegays of pink and white miniature carnations.

The mother of the bride chose for her daughter's wedding a floor length gown in wedgewood green with matching lace coat, with white accessories. Her corsage was salmon color sweetheart roses. The groom's mother wore a floor length gown of pink floral sheer over satin with silver accessories. Her corsage was pink sweetheart roses.

Mrs. Myrtle Tidd, grandmother of the bride wore a floor length gown of rose polyester crepe with white accessories. Her corsage was pink and white carnations.

Following the ceremony a reception was held at Mountain Gap Inn-Smith's Cove. On arriving a Scottish Piper, played the traditional

and Susan Dennison, and Miss Bev. Thomas, all cousins of the groom.

The toast to the bride was given by Mr. Ray VanTassell, brother-in-law of the bride. After the groom responded to the toast, the groom's father gave a toast to welcome the bride to the family. After the reception, the bride and groom opened their many lovely gifts and thanked all those who attended.

Guests included friends and relatives from, Vancouver, B.C., Fredericton, N.B., Labrador, Halifax, Yarmouth, Port Wade, Bear River, Digby, and surrounding areas.

For her going away dress, the bride wore a peach and white empire style dress of polyester and white accessories.

After a weekend honeymoon the happy couple returned to their new residence in Bear River.

"Bridal Chorus," "Here Comes the Bride" as the bridal party gathered on the lawn to greet their guests. Later the Piper played several selections as the bridal party and guests entered the banquet room for the reception.

The bride's table was centered with a three tier wedding cake, and bouquets of rosebuds and fern.

A toast to the bride was proposed by Mr. Harold Dunn, Smith's Cove and responded to by the groom.

Miss Anne Saulnier of Saulnierville, N.S., was in charge of the guest book.

Out of town guests were from Toronto, Halifax, Truro, Windsor, Wolfville, Greenwood, Yarmouth, Digby and Saint John.

For her wedding trip to Braemar Lodge Yarmouth, N.S., the bride chose a mint green two piece suit with beige accessories and corsage of pink and white miniature carnations.

The bride has been on staff

### East Ferry

Mr. and Mrs. Gerald Keddy of Nictaux, spent Sunday with Mrs. Keddy's mother, Mrs. Melda Frost and family.

Mrs. Hilda Small was an over-night guest of her sister, Mrs. Wilfred Trask and Mr. Trask, of Little River.

Visitors at the home of Mr. and Mrs. Lew Raymond recently were: Mr. and Mrs. Robert Theriault and Mr. and Mrs. Sydney Pinard all of Ottawa.

at the Windsor Regional High School for the past six years, teacher in Business Education.

The groom is a graduate of Acadia (University) Wolfville, N.S. and now pastor of Edith Avenue Baptist Church, Saint John, N.B., where the couple will reside at 23 Mountain Road.

## Receive Alumni Bursaries

Two \$700.00 bursaries were awarded by the Alumni Association of Université Sainte-Anne at their annual meeting.

The Professor Willie Belliveau Bursary was awarded to Miss Carmen Doucet, Little Brook, grade twelve graduate from Clare District High School. Miss Doucet has spent the summer at the Université de Trois-Rivières, Quebec, as a bursary student from the Department of Education of Nova Scotia improving her native tongue, and she has entered Université Sainte-Anne in the fall to pursue her studies in history in the arts program.

The Alumni Bursary was awarded to Miss Jeanne Belliveau, Church Point, second year student in the secretarial science course at Université Sainte-Anne.

Also, five new members were named to the Board of Directors of the Alumni Association at its annual

meeting: Pierre Belliveau, Belliveau's Cove; Gérard Deveau, Halifax; Charles Gaudet, Halifax; Nicol Henry, Québec, and R.F. Léo Maillet, Digby, N.S.

The following directors will continue their term of office: Maurice Belliveau, Meteghan River; Peter Boudreau, Wedgeport; Dr. Russel Comeau, Kentville, N.S.; Leroy Légère, Pinkney's Point; Dr. Carol Maheux, Quebec; Emile Melanson, Church Point; and Mrs. Jeannette Pothier, Meteghan.

The executive of the Alumni Association was named for a second term: President: Dr. Benoit Robichaud, Yarmouth, N.S.; Vice-President, Dr. Félix Doucet, Weymouth, N.S.; Acting President of the University: Mr. Omer Blinn, Comeauville, N.S.; Past President, Dr. Julien Comeau, Church Point, N.S.; Secretary-treasurer, Mr. Gerald Boudreau, Church Point, N.S.

## Young Nova Scotia Writers Meet For Workshop

Mayor George Richardson (centre front) is shown welcoming the students from across the province to the Summer '77 Writers' Federation of Nova Scotia Student Writing Workshop. The group photo was taken in front of "The Moorings", the home of Bill and Vina Percy in Granville Ferry. The hosts to the students during the workshop were Betty and Kip McKaigue in Annapolis Royal and Dr. Noah and Jeannette Clinch in Parker's Cove. Shown from left to right as heads appear: Greg Cook (instructor),

Damon Loomer, Bob Blackwell, Stephen Brooke, Tony Glen, Bob Candy, Dale Robinson, Michael Hamm, Tina Novotny, John Kavanaugh, Mayor George Richardson, Leonard Gazeley, Carole Hayes, Hugh Thompson, Lori Harrop, Kim Covert, Kip McKaigue (in deep background), Audrey MacQueen, Donica Pottle, Dawn Gunn, Marilyn Sandford, Martha Muzzey, Elizabeth Sircom, Eleanor MacQueen, Catherine May, Betty McKaigue, Mrs. Vina Percy, Bill Percy, Dr. Noah Clinch.

Twenty two students from across Nova Scotia were welcomed by the mayor of Annapolis Royal last week as they gathered to work with two of Nova Scotia's working writers: Bill Percy and Greg Cook.

The workshop was organized and operated by the Writers' Federation of Nova Scotia (called WFNS for short), in response to the need for an outlet for the scholarships provided by the "Tourism Awareness Provincetown" essay contest run last spring by the N.S. Department of Tourism for the province's school students from primary to Grade 12. The Department offered provincial winners of the Junior and Senior high school categories in the competition a two year membership in the WFNS, and a scholarship to a suitable course or workshop on creative writing. Only later was it discovered that in our province there is not presently a suitable place for the students to use their scholarship to the best advantage. This prompted the WFNS to revise their original plan to implement a student program in 1978, and the result was a quickly organized competition possible only due to the generous support and assistance received from the province's english teachers - and the offer of an additional ten scholarships to winning students. Spaces were also made available to students who might choose to pay a fee for the workshop

attendance.

Funds to operate the workshop were assigned from the money the federation received this year from the percentage of proceeds allocated from the Nova Scotia share of the Atlantic lottery funds which the province shares among sports, exhibition, and cultural organizations.

The two provincial winners of the Tourism department's essay contest were ELIZABETH SIRCOM and LORI HARROP.

Greg Cook, one of the resource people for the workshop, is variously a poet, novelist, editor, critic, and freelance writer for a number of Canadian magazines including WEE K E N D, the CANADIAN, MCLEAN's, and AXIOM. He said the workshop was "the best by far" of any he had been involved with, even those for adults, and the level of creative writing ability among the young writers was "extraordinary!"

Bill Percy, novelist and short stories, was equally impressed - his one concern, that some of the students worked too late into the night on their projects and assignments. He and his wife Vina were the workshop hosts, with Mrs. Percy somehow managing to feed all twenty-two students and the two resource people at lunch time, and at the same time manage to look after the six participants who stayed with the Percys in their home "The Moorings"

## Married 50 Years

On September 12, 1927, Miss Elizabeth Crosby and Fred Potter, both of Smith's Cove, were married in the parsonage at Bear River.

Monday evening, September 12, 1977, Mr. and Mrs. Potter were surprised by several of their family appearing at their home to help them celebrate their fiftieth wedding anniversary at their home in Smith's Cove.

Among those present were her four brothers, Hoyt, Les, Ted and Bill Crosby who live nextdoor to the Potters; Miss Susan McKinnon, Mrs. Thelma Chalmers, Mr. and Mrs. Douglas Titus, Richard Titus, Mr. and Mrs. Gerald Thompson, Mr. and Mrs. David Chalmers and

daughter, Gail, Mr. and Mrs. Douglas Wilson and son, Shawn.

The celebration concluded with a delicious lunch served by Mrs. Thelma Chalmers, Mrs. David Chalmers and Gail Chalmers.

## Travels At 93

Mrs. Mabel Dakin, a 93 year old resident of Centreville, Digby Co., does not let age interfere with travelling. Mrs. Dakin flew from the Halifax International Air Port to visit her son, Avard Dakin, Mrs. Dakin and family at Chalk River, Ontario. She was accompanied to the airport by Mr. and Mrs. John Jago.

Christmas Craft Fair at the Halifax Armoury in late November.

People who buy a copy may find themselves in possession of a valuable piece of literary memorabilia someday. Some of the work

submitted, say the resource people, is as good or better than what's being published today, so it looks like Nova Scotia has a new crop of young writers well on the way to harvesting their literary talents.

## Musical Organizations

### Back To Work

### At The Université Ste-Anne

With the opening of the schools and the universities for a new academic year, the musical organizations up the shore of St. Mary's Bay are going back to work. The "Fanfare Regionale de Clare" and the "Chorale de la Baie Ste-Marie" resume their regular rehearsals this week after four months of rest.

As everyone knows, these two organizations group people from the French Shore interested in doing either vocal or instrumental music. Each year both groups give concerts at Christmas and in the spring and the members take great pride and satisfaction in doing so after a year's work.

Both the "Fanfare Regionale de Clare" and the "Chorale de la Baie Ste-Marie" invite at the beginning of their working season all those who are interested in music and

offers the opportunity to develop their artistic talents and to relax from their daily occupations. Rehearsals are held at the Université Sainte-Anne. The band holds its rehearsals every Tuesday evening from seven thirty to nine thirty in the university music room. The choir has its rehearsals every Thursday evening from seven thirty to nine thirty in the university chapel. In the choir more male voices would be most welcome, while the band is looking for another tuba player, a string bass player and in general musicians for the brass section.

For further information please contact Rev. Maurice LeBlanc, musical director (Tel. 769-2114), or Mrs. Gerard Allain, choir president (Tel. 769-3084) or Mr. Pierre-Alphonse Belliveau, president of the band (Belliveau's Cove, Tel. 837-4356).

## Cornwallis Blanks Berwick

EVEN SERIES 1-1

The Cougars came on strong against the Berwick Easons last Wednesday as Terry Tompkins tossed a spectacular two hitter to defeat the valley team 2-0. The best of three series is now tied at 1-1 with the final game possibly Saturday at 3 p.m. All the Cougar runs came on an error and two extra base hits in the second inning. Greg Sanford

acquired third base on an overthrow and scored on Paul Bertrand's double. Pat Doucette then hit a long triple to score Bertrand. Freeman Schofield suffered the loss for Berwick. The key play of the game saw centerfielder Mike Alcoe rob Bid Rod Dorey of a sure home run by catching the ball and falling over the fence.

## Cougars Win Valley Softball Title

The Cougars came up with two big wins at Greenwood on the weekend to capture the Valley Area Nova Scotia Intermediate "A" Softball. In the first game Don Nichols tossed a four hitter to down Kentville 4-0. Mike Alcoe and Paul Bertrand each collected two hits. Rene Lefort had a two run homer. The Cougars final game of the double knockout

competition saw Terry Tompkins pitch a two hitter and get credit for another 4-0 shutout. Paul Bertrand had a solo home run with Tompkins and Gerry McGarry picking up two hits each. The Cougars now advance to the Provincial finals with this tourney possibly being held at CFB Cornwallis next weekend.

## Cougars Nip Berwick Advance To Finals

Steady pitching by Don Nichols and excellent defensive plays by the entire team gave the Cornwallis Cougars a 1-0 win over the Berwick Alpines on Sunday. The win enables the Cougars to advance to the Valley League finals against Newport next weekend. Shortstop Greg Sanford scored the winning run in

the bottom of the tenth inning. Sanford singled and advanced to third on Gerry McGarry's hit. He then scored on a fly ball to deep right field by Dave Goulden. Nichols allowed five hits and struck out 12 Berwick batters. McGarry had two hits, Goulden a triple and singles by Sanford and Mike Alcoe.

## Digby Little League Baseball News Kiwanis Eliminate Firemen In Semifinals By Scores Of 22-5 and 43-5

By Bob McVeigh

In the semi-finals played between the Firemen and Kiwanis it was a run away for the Kiwanis. In the first game played on September 7th behind the two hit pitching of Robbie Kynock and the fourteen hit attack of his mates the Firemen handed the Firemen a 22-2 defeat to go one game up. In the second contest played on September 9th the Brown coached Kiwanians trounced the Baxter coached Firemen by the score of 43-5, thus sidelining them for this season. The Kiwanis

collected a total of thirty-nine hits good for forty-three runs while David Comeau tossed a four hitter for the winners. Richard McVeigh, Bruce Baxter, Danny Vantassel and David Roberts were used as pitchers and coupled with the heavy batting attack of the Kiwanis were unable to stem the losing tide. Mention should be made here, the Firemen gave their all in a losing cause but certainly this team showed good sportsmanship in taking the loss.

## Merchants Outclass Kiwanis In First Of Finals 25-12

In the first game of the finals played on September 12th, 1977, the Merchants downed the Kiwanis by the score of 25-12 thus taking a one game lead in this playoff. This game pitted Robbie Kynock for the Kiwanis and Andrew Davidson for the Merchants, in this particular contest Davidson turned out to be the best, he allowed ten hits, struckout four walked nine and was backed up by the solid fielding of shortstop Brian Comeau while Kynock allowed nineteen hits, struckout fourteen, walked ten and hit three batsman and did not receive steady fielding from his team mates

thus the reason for dropping the first game. John Connolly had a home run in a losing cause while Carmen Burnie playing first after catching the first three innings had four singles and a double in six trips, Brian Comeau had a walk, single, two doubles, and a triple in six at bats, David Barlow playing third base for the winners had three singles, and a double in six trips.

Line Score:  
Merchants 3 4 2 6 8 2  
Kiwanis 0 2 6 1 3 0

## a course of action!

In fact, more than 300 courses of action.

This fall, the Continuing Education Program of the Education Department is once more assisting schoolboards in offering hundreds of courses to adult Nova Scotians in 285 centres around the province.

The courses are designed to help Nova Scotians help themselves by up-grading present skills or acquiring new ones.

Many of the courses offered teach very practical skills so you can better manage the family budget, fix the kitchen sink, repair the TV yourself, sew your own wardrobe, or prepare nourishing meals economically.

Some of the many other courses can help you learn navigation, a second language, defensive driving, blueprint reading, or gas engine repair.

And the best part? This year's course of action is next year's skill.

If you are interested in enrolling in a course or would like to see a particular course offered in your area, contact your local administrator of continuing education through your local schoolboard office.

## MURDER ON THE ORIENT EXPRESS, PAPILLON, THAT'S ENTERTAINMENT PART 2 And Many More Outstanding Feature Films Highlight CTV's New Season

A spectacular roster of motion pictures, that have enjoyed both critical acclaim and box office success, cap the CTV Television Network's new entertainment season.

The star-studded Agatha Christie classic, **MURDER ON THE ORIENT EXPRESS** leaps into action as Albert Finney as Detective Hercule Poirot investigates the mysterious stabbing death of a passenger aboard the infamous Orient Express. **MURDER ON THE ORIENT EXPRESS** also showcases Lauren Bacall, Ingrid Bergman, Martin Balsam, Jacqueline Bisset, Richard Widmark, and Anthony Perkins.

The highly acclaimed **PAPILLON**, starring Steve McQueen and Dustin Hoffman, will make its television debut on CTV this season. **Papillon** is a gripping story of two convicted prisoners and their desperate attempts to escape a maximum security prison-stand off French Guinea.

Gene Kelly and Fred Astaire narrate **THAT'S ENTERTAINMENT, PART II**, the song and dance sequel to its highly successful predecessor, which captivated audiences across Canada and the U.S.

**THE MAN WHO WOULD BE KING**, an action-packed adventure story of two shrewd ex-British Army Sergeants seeking their fortunes in the worlds of Kafiristan in the early 1900's, stars Michael Caine and Sean Connery. The movie is based on Rudyard Kipling's classic of the same name.

CTV will also present the odessa file based on the best selling novel by the same name and starring John Voight and Maximilian Schell. **THE ODESSA FILE** is a suspenseful tale of espionage in Hamburg, Germany in the early 1960's.

**ASH WEDNESDAY**, starring Elizabeth Taylor and Henry Fonda, explores the crisis of a middle-aged woman and her hopes that

cosmetic surgery will change her life.

Highlighting your movie viewing hours this season will be **THE LIFE AND TIMES OF JUDGE ROY BEAN**, starring Paul Newman. This epic adventure is based on the exploits of a "hanging judge" who battles crime in Western Texas during the tough frontier days in pioneer America.

**THE OTHER SIDE OF THE MOUNTAIN** is another top movie hit added to CTV's line-up of spectacular feature films. **THE OTHER SIDE OF THE MOUNTAIN** is the story of Jill Kimmont, Olympic Skiing hopeful who struggles to live with her handicap after a critical skiing accident.

Featuring movie titles like **THE MAN WHO WOULD BE KING**, **LOGAN'S RUN**, **THAT'S ENTERTAINMENT PART II** and many more super movies, CTV, this season, is the Network where the shows are!

five rescued Army nurses aboard, has destroyed his usual accuracy in typing up navigational orders. For Sherman, already fed up with the presence of women where only men are supposed to be, this is the last straw. Or so he thinks.

Starring in **OPERATION PETTICOAT** are John Astin as Lt. Comdr. Matthew Sherman and Richard Gilliland as Lt. Nick Holden. Also starring is **YVONNE WILDER** as Major Edna Howard. Co-starring as the other four nurses are **MELINDA NAUD** as Lt. Dolores Crandall, **JAMIE LEE CURTIS** as Lt. Barbara Duran, **DORRIS THOMSON** as Lt. Ruth Colfax, and **BOND GIDEON** as Lt. Claire Reid.

Co-starring as the officers and crew of the Sea Tiger are **RICHARD BRESTOFF** as Yeoman Hunkle, **CHRISTOPHER J. BROWN** as Ensign Stovall, **KRAIG CASSITY** as Seaman Dooley, **JESSE DIZON** as Ramon Gallardo, **WAYNE LONG** as Chief of Boat Moulumphy, **RICHARD MARION** as Chief Electrician's Mate Williams, **MICHAEL MAZES** as Seaman Gossett, **JACK MURDOCK** as Chief Machinist's Mate Tostin, **PETER SCHUCK** as Seaman Horwich, **RAYMOND SINGER** as Lt. Watson, and **JIM VARNEY** as Seaman Broom.

The Teleplay by Si Rose was directed by John Astin. Leonard Stern is executive producer with David O'Connell and Si Rose producing.

## Hardy Boys Nancy Drew Mysteries

**HARDY BOYS TEAM UP WITH NANCY DREW AND CROSS EUROPE TO ROCK CONCERT AT DRACULA'S CASTLE**, in two-part season premiere on the CTV TELEVISION NETWORK. The Hardy Boys join forces with Nancy Drew in a two-part premiere episode, **THE HARDY BOYS AND NANCY DREW MEET DRACULA**, airing Sunday, September 11 and 18 (8:30-

9:00 pm AT) on the CTV Television Network.

**SHAUN CASSIDY** and **PARKER STEVENSON** star as Joe and Frank Hardy, and **PAMELA SUE MARTIN** stars as Nancy Drew in the **HARDY BOYS NANCY DREW MYSTERIES**. In the two-part premiere program, the Hardy Boys travel to France and Germany, meet up with Nancy Drew, and then continue on to a rock music festival in Transylvania, disguising themselves as rock musicians while searching for the Hardy Boys' missing father.

In **THE HARDY BOYS AND NANCY DREW MEET DRACULA**, Part I, Frank and Joe arrive in France and learn that their father, investigator Fenton Hardy, has disappeared. He had been working on a case involving a multi-million dollar series of art thefts from European museums. The brothers meet Romanian police inspector Stavlin, also assigned to the case. Working from clues in their father's notebook, the Hardy Boys first travel to Munich, where they encounter Nancy Drew and her sidekick, Bess, who are investigating the same case.

After comparing notes, all four depart for the rock festival, organized by American rock star Allison Troy. The Hardy Boys travel with a musical group called Circus, headed by cockney singer Tim Carstairs. By the time the boys arrive at Dracula's castle in Transylvania, a mysterious figure has already imprisoned Fenton Hardy deep in the castle's caverns.

**EDMUND GILBERT** portrays Fenton Hardy. **PAUL WILLIAMS** makes a special appearance as Allison Troy. **LORNE GREENE** guest stars as Stavlin. **JOHN VAN DRELEN** guest stars as Mayor Hausman and **LEON ASKIN** as Berger. **RUTH COX** co-stars as Bess. **NORBERT WEISSER** as Gurd and **CARL ESMOND** as Kolbe. **BERNIE TAUPIN** is featured as Tim Carstairs and **CLAUDE BESSY** as Frenchie. Joe Pevney directed **THE HARDY BOYS AND NANCY DREW MEET DRACULA**, written by series executive

producer Glen A. Larson and supervising producer Michael Sloan. The series is produced by Joe Boston, with Arlene Sidaris and Joyce Brotman as The series is produced by Joe Boston, with Arlene Sidaris and Joyce Brotman as co-producers.

## Paperback Vigilante The Story Of E. Howard Hunt

Through a series of interviews and film clips, the life and career of E. Howard Hunt is revealed in **PAPERBACK VIGILANTE**, Thursday, September 15, at 10:30 p.m. (Part I) and Thursday, September 22, at 10:30 p.m. (Part II), on ATV. Nearly two years in the making, with Producer Barry Callaghan and crew filming the inside story through all the trials and Senate committees, it was the first time Hunt had co-operated in telling everything.

Why he chose to tell it to Canadians remains a mystery. "Why does anyone decide to go on television and tell all?" speculates Callaghan. "I don't know, but he's a story teller and obviously trusted us from the beginning." An author of highly successful espionage novels himself, he seemed to be acting out the role of a paperback hero fighting doggedly against the threat of Communism throughout the Cold War years, participating in the plotting and intrigue surrounding the re-election of Richard Nixon to the Presidency, committing felonies during his years with the CIA. He wasn't burdened by the possible illegality of his actions. Driven by the patriotic love of country during all that time, he justified everything with "Whatever I do, I'm doing for the good of my country."

The irony of it all is that this man, who laboured against what he saw as betrayal of his beloved country, felt betrayed in the end. Kennedy withdrew his offer to lend air support to the Bay of Pigs invasion force. Nixon chose Hunt as a scapegoat. His old alma mater, Brown University, honoured Judge Sirica and the owner of the Washington Post for their part in bringing Hunt and the participants of the Watergate affair to justice.

**PAPERBACK VIGILANTE** is produced by Barry Callaghan for Villon Films. Jerry Lawton is Executive Producer for CTV.

## Rockford Files

**MECHANIC POSES AS JIM ROCKFORD AND MAKES A MESS OF THINGS IN THE SEASON PREMIERE OF THE ROCKFORD FILES STARRING JAMES GARNER ON THE CTV TELEVISION NETWORK**

When Jim Rockford (JAMES GARNER) returns from vacation, he discovers that someone has assumed his identity, run up huge expenses and antagonized clients who now seek revenge in **BEAMER'S LAST CASE**, the premiere of the **ROCKFORD FILES**, Friday, September 16, 10:00-11:00 pm Atlantic Time on the CTV Television Network.

**JAMES WHITMORE JR.** guest-stars as mechanic Fred Beamer. Also guest-starring are **JACK KELLY**, **ROBERT LOGGIA** and **BIBI BESCH**. Beamer, playing out his fantasy of being a private eye, bought numerous detective devices using Rockford's credit cards and bungled a domestic investigation for Monica Steel (Bibi Besch), bringing the wrath of her husband (Jack Kelly) down on Rockford. Beamer's one saving grace was accidentally breaking up an underworld plot aimed at controlling the local taxicab business. Also appearing are **NOAH BERRY** and **JOE SANTOS**.

Stephen J. Cannell directed and also wrote the teleplay from a story by Booker Bradshaw and Calvin Kelly.

## Fish

**HOW WILL DETECTIVE FISH REACT TO MANDATORY RETIREMENT, AFTER 38 YEARS ON THE FORCE? FAMILY AND FRIENDS ARE WORRIED ON SEASON**

**PREMIER OF FISH, SEPTEMBER 17 ON THE CTV TELEVISION NETWORK.**

How does a 38 year veteran of the New York City Police Department react when he finally must confront the harsh realization that he is being "put out to pasture" at the mandatory retirement age?

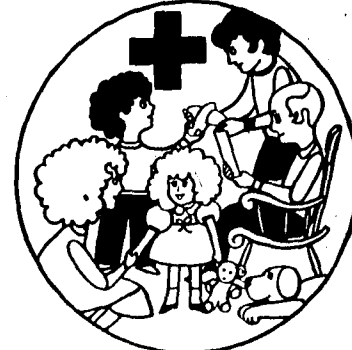

Not very well, if the saga of Detective Phil Fish (ABE VIGODA) is any indication, on **THE MISSING FISH**, the season premiere episode of **FISH** airing Saturday, September 15, 8:30-9:00 pm.

On the program, Fish sets out to the 12th Precinct for his last day on the force as he has almost all his life. But, to the consternation of family and colleagues alike, the hours tick by and he never arrives. Where is he, and will he turn up at all, much less safe and sound? No one seems to know.

Meanwhile, the kids of the Fish Group Home have bought their foster dad a beautiful retirement present: a police radio scanner. The only problem is, it's hot, and another police detective wants to buy it from them.

**FISH** also stars **FLORENCE STANLEY** as Bernice Fish and **BARRY GORDON** as psychologist Charles Harrison. Playing the young people of the Fish Group Home are (in alphabetical order) **LENNY BARI** (Mike), **TODD BRIDGES** (Loomis), **JOHN CASSISI** (Victor), **DENISE MILLER** (Jilly) and **SARAH NATOLI** (Diana).

**THE MISSING FISH** was written by Norman Barasch and Roy Kammernan and directed by Jeremiah Morris. Producer was Danny Arnold.

## Rose Hips

Interest is increasing regarding the use of our native edible wild plants. Historically it is fascinating, but also, they can be an inexpensive source of some food nutrients. Take rose hips for instance. They are the bright orange round seed pods of the wild rose bush, and they contain vitamin C.

If you're interested in utilizing rose hips, wait until after the first frost when they are really bright orange colour. Take note of the area where they are available. Avoid picking them from roadsides which are widely used. Dust, salt, fumes from exhausts, etc. won't do them any good! Of course, wild rose bushes are most often found in isolated areas anyway.

Wash them well before using. There are several methods of using them to get their valuable vitamin C content. Some people dry the rose hips in a warm dry area then grind them. The tiny particles are used for making a tea.

The rose hips may be simmered and the resulting vitamin laden water used in soups and gravies.

However, the traditional way to use rose hips is in making jelly, so here's a modern day recipe for making ROSE HIP JELLY. ROSE HIP JELLY Yield about 8 medium glasses 2 cups rose hip juice (about 2 quarts ripe rose hips) 3 cups apple juice (about 6 ripe medium tart apples) 6 cups (2 pounds 10 ounces) sugar

1 box powdered fruit pectin ¼ teaspoon ground mace (optional) 10 drops red food colouring (optional) 2 drops yellow food colouring (optional)

First prepare rose hip juice. Remove stems from 2 quarts fully ripe rose hips. (Rose hips are ripe when they turn bright orange). Then place in saucepan; add water to cover. Bring to a boil. Continue cooking until soft and mushy - about 1 hour. Place in jelly cloth or bag and squeeze out juice. Measure 2 cups into large saucepan.

Meanwhile, prepare apple juice. Remove blossom and stem ends from 6 fully ripe, tart, juicy apples; cut in small pieces. Do not peel or core. Place in saucepan; add water to cover. Bring to a boil and simmer until soft and mushy. Place in jelly cloth or bag and squeeze out juice. Measure 3 cups juice into large saucepan with rose hip juice.

Then make the jelly. Measure sugar and set aside.

Add powdered fruit pectin and mace to juice in saucepan and mix well.

Place over high heat, while mixture is coming to a boil, add food colouring. Stir until mixture comes to a hard boil. At once stir in sugar. Bring to a full rolling boil and boil hard 1 minute, stirring constantly. Remove from heat, skim off foam with a metal spoon, and pour quickly into glasses. Cover jelly at once with ¼ inch hot paraffin.

## Reflecting To 1947

The enrollment at the Digby Regional High School was 619 pupils. There were 408 from Digby Town, 194 from the area and 17 from outside the area. It was reported at the School Board meeting that Digby students had a good record in the provincial examinations. Of the 13 pupils writing grade 12 exams, 12 made a pass. In grade 11, ten out of 16 passed.

The Digby School Board asked the Navy League of Canada, local branch, to take over the Sea Cadets Corps, RCSCC, Cornwallis. The cadets were under control of the School Board. Under new regulations of the Department of Education, credits no longer were given in senior high school grades for cadet training.

The Digby School Board made the decision that Digby Academy withdraw from the Department of Education Accredited System and no application be made for accredited standing. The Digby Academy first adopted the accredited system in 1938. The Board felt that since the Digby Academy offers a wide choice of subjects and carries extra-curricular activities and has not the staff or time to carry out the details required it would be advisable not to re-apply.

A peach stone planted by James Winchester, Joggin Bridge grew into a tree and was bearing fruit in 1947. Though sent to the Experimental Station, the variety of peach was not known. The peaches were exceptionally large and well flavored.

The first Lone Girl Guide in Nova Scotia was Miss June Tibert of Central Grove, Long Island, Digby Co. of the Mayflower Patrol. She had the Lone Girl Guide badge pinned on her by special ceremony in Sandy Cove. (June is now Mrs. Joe Campbell of Toronto who recently returned from four years in Africa where her husband was employed.)

## Reflecting To 1927

Digby schools had 302 pupils registered at the opening of the 1927-28 term. These included a total of 40 in the High School classes of grades 9, 10 and 11. G.H. Churchill was principal and Miss Elizabeth McWhinnie was vice principal. The two gave instruction in twenty-four high school subjects. Classes in the elementary grades accommodated 34 to 49 pupils.

According to The Digby Weekly Courier of 1927, the automobile had been a factor to be dealt with in regard to the tourist trade. However, there were others who felt such a thought was nonsense and the case was cited of the motoring couple who stopped at Digby and in less than four hours had spent 17 dollars.

### Sponsors Tel And Tel Seminars

Annapolis Valley Affiliated Boards of Trade President, Murdoch MacLeod, has announced the AVABT will be sponsoring a series of Telephone Etiquette Seminars in co-operation with Maritime Tel and Tel Co. Ltd., as a service to the business community of the Annapolis Valley.

Mr. MacLeod stated that the telephone has been described as "the front door to business". This is becoming increasingly true as businesses rely more and more heavily on the phone for customer contact. These presentations aim to aid businesses in establishing a standard of telephone manners that would be suitable to the company as well as the customer.

Mr. MacLeod indicated that both staff and management will benefit from attendance at these seminars. They are to be held at the following Royal Canadian Legion Halls:

Windsor 9:00 a.m.- 11:00 a.m. Wednesday, September 21st

Kentville 2:30 p.m.- 4:30 p.m. Wednesday, September 21st

Middleton 9:00 a.m.- 11:00 a.m. Thursday, September 22nd

Digby 2:30 p.m.- 4:30 p.m. Thursday, September 22nd

A small registration fee of \$2.00 per representative for AVABT and local Boards of Trade member firms will be charged. Nonmember firms are also invited to participate at a fee of \$3.00 per representative.

In commenting on the

program Mr. Gerald Ray, Communications Consultant with Maritime Tel and Tel Co. Ltd., posted this thought on the subject:

Remember that people on the phone cannot see you; the picture you create by proper use of the phone is the way the caller will visualize you and your company!

## French Immersion Studies At D.R.H.S.

Early student counts at Digby Regional High School indicate a slight enrollment drop this year.

The initial count for the year placed enrollment at 846. However, principal Donal Ross predicts late arrivals (some of whom are already trickling in) will bring the total to 920-930. Registration last year was 946.

French immersion will become a part of the DRHS program this year. About 30 students are registered in a Social Studies class which will be taught entirely in French.

The 30 Grade 9 students registered in the program will take the Social Studies course in addition to their regular high school French program. This will provide them with some practical experience in the language.

The school also hoped to initiate two other pilot courses this year - a personal typewriting course and a Biology course for Grade 10. Neither were approved by the department of education.

Activity at DRHS got under way amid some confusion this year resulting from the summer fire which destroyed a portion of the structure.

One problem, says Mr. Ross, comes from loss of the school's support facilities such as the gymnasium and staging areas. In these areas the loss "really put a crimp in our operations".

The principal reports, however, that the kids have responded well to the situation without major problems developing. The school is making use of the rink for part of its program.

The fire has also resulted in use of the Mount Street school for a number of classes. Teachers located there include Ruby Kinsman, Seddie Balser, Avarad Daley, Peter Croft, Angela Langley, Sandra Amirault and Bill Redden.

The homeroom teacher structure at the school has been changed this year. Whereas there were only 30 homeroom teachers last year, there are about 42 this year. All teachers teach some subject to their homeroom students.

New teachers this year include Lillian Gross in the modified Grade 8 program. She also teaches some academic courses. Lillian came to us from Massachusetts and brings a background in early childhood educational training.

Avarad Daley, a substitute teacher last year, will teach on a full-time basis. His subject is Grade 9 English.

Sandra Amirault is a recent honours graduate of Mount Allison University. She will be working with maths, sciences and some French.

Early enrollment figures by grade are 100 in Grade 12; 100 in 11; 154 in 10, 148 in 9; 182 in 8, and 172 in 7.

## Two CFB Buildings To Receive Face Lift

Twenty contracts worth a total of \$2,050,679 were awarded in July by Defence Construction (1951) Ltd. to firms located in the Atlantic Provinces.

Nova Scotia topped the list with 13 contracts totalling \$1,582,155; New Brunswick five for \$306,653; Newfoundland one for \$111,879 and Prince Edward Island one for \$49,992.

A contract in the amount of \$159,211.00 has been awarded to Classic Construction Ltd., Yarmouth, to carry out exterior repairs to two base buildings at CFB Cornwallis.

## ABTRC Takes Stand Against Ferry Change

Membership of the Annapolis Basin Tourist and Recreation Council has given unanimous approval to a stand against any hour changes on the Ferry Bluenose operating between Yarmouth and Maine.

During its September meeting at The Pines, ABTRC decided to write letters to all officials involved asking that the hours remain as they are.

Tourist business operators in this area and on the South Shore fear a change in Bluenose Ferry arrival time at Yarmouth from 3 p.m. to 11 p.m. will have a disastrous effect on the industry in these areas.

ABTRC President Penny Gott estimated that as much as 40 percent of tourist business in the Basin district comes from Bluenose traffic.

With an 11 p.m. arrival time, operators here fear most, or all of the

arriving traffic will be forced to seek accommodations in the immediate Yarmouth area.

Herb Smale, Executive Director of the Annapolis Valley Affiliated Boards of Trade, said the AVABT would also write letters supporting ABTRC in this endeavour.

Recipients of the letters of protest will include Otto Lang Minister of Transport, Tourism Minister Maurice Delorey, Premier Gerald Regan and others.

In other council business, the membership ratified the joint appointment of Mark and Geraldine Blugerman as Destination Area Coordinator and Secretary respectively.

Delores Holmes was appointed secretary of the group. Delores succeeds Gary MacKenzie in that position.

## Deirdre Morrell And Margaret Morse Present Recital

Music lovers of Digby and area had the opportunity on Tuesday evening to hear an excellent Oboe and Organ recital given at Trinity Anglican Church, Digby, by Miss Deirdre Morrell and Miss Margaret Morse. Both girls are well known in the Digby and Valley area.

Deirdre Morrell, daughter of Mr. and Mrs. Earl Morrell of Marshalltown, Digby Co. and Digby, N.S. received her early musical training from Mrs. Lillian Nichols and Mrs. Bernice Adams, Digby.

In 1972 she received her Bachelor of Music Education degree from Acadia University where she studied organ with E.F. Gmeiner and C. Ledbetter. In 1973 Miss Morrell was winner of the John Robb Organ Competition sponsored by the Montreal branch of the Royal Canadian College of Organists. She has played recitals at First Baptist Church, the Immaculate Conception, Christ Church Anglican Cathedral and St. Joseph's Oratory in Montreal. In 1974 she was a Nova

Scotia Talent Trust recipient. In 1976 she received a Canada Council Grant to attend the "Summer Academy for Organists" in Haarlem, Holland.

Presently Miss Morrell is enrolled in a Master of Musical Arts degree at McGill University, studying organ with John Grew. She is also organist and choir director at Westmount Baptist Church, and is a teaching assistant in organ at McGill University.

MARGARET MORSE, daughter of Mr. and Mrs. Norman Morse is a native of Wolfville, N.S. In 1976 she received her Bachelor of Music degree from McGill University in Montreal where she studied with Don Hyder. In 1977 Miss Morse received a Canada Council Grant to do her Master of Music degree at Northwestern University, Evanston, Illinois. Having completed her Masters, she is presently studying oboe with Ray Still, principal oboist of the Chicago

Symphony Orchestra.

Miss Morse was the recipient of a Nova Scotia Talent Trust. She has played with the Atlantic Symphony Orchestra, the Montreal Symphony Orchestra, and for the past two summers, the National Youth Orchestra.

The evenings program consisted of organ Gavotte (Wesley, 1766-1837), Air (Wesley; Voluntary in G

(18th century; Jig Fugue in C major (D. Buxtehude 1637-1707); R. Rhoymedre (Vaughn Williams 1872-1958) and Prelude and Fugue in B (J.S. Bach, 1685-1750). Miss Morse was heard in Partita V. (G.P. Telemann 1681-1767) and Sonata in E (J.B. Loeillet 1680-1730).

Rev. Michael Boyd, rector of Trinity Church, presented Miss Morrell and Miss Morse with bouquets of flowers.

## Dinner Tribute For Herbert Warren

Herbert Warren of Digby was presented a plaque by Bridgetown Mayor Roy MacIsaac during a dinner in Mr. Warren's honor Friday. The occasion was Warren's retirement after many years of service to the Digby-Annapolis Mental Health Association.

The Digby-Annapolis Mental Health Association paid tribute to one of its long-term supporters Friday. Herbert Warren is stepping down as treasurer of the association.

An informal dinner was held in Mr. Warren's honor Friday night. Following the meal, Bridgetown Mayor Roy MacIsaac paid tribute to the gentleman of the hour and presented him with a plaque in recognition of his Mental Health and community contributions.

The dinner was organized by the Mental Health Centre staff on behalf of the Digby-Annapolis Association, and business and personal associates of Mr. Warren.

Mr. Warren was with the association for a period of nine years and five months. He became treasurer of the Mental Health Centre upon his retirement as Manager of the Bank of Nova Scotia in 1968. For the latter 2½ years he served as half-time administrator for the expanding service.

Mental Health was not Mr. Warren's only community interest. There were others such as Willing Friends, a group which looked after communication and transportation needs of older people unable to look after themselves.

Outside the work and service spheres, Mr. Warren also found time for a few hobbies. An avid golfer, he was a member of the Digby Golf Club.

The Dinner and Dance were attended by about 60 people, including members of the Mental Health Association and Mr. Warren's business and personal friends.

Leonard Hersey, Bridgetown and Mrs. Maureen Schofield, Kentville, entertained by a skit.

Hostesses and presiding over the refreshments were: Mrs. Faith Theriault, Mrs.

Frances Crowell and Mrs. Ruby Merritt. Assisting as waitresses were Maureen Schofield, Valerie Crowell, Patricia Theriault, Phyllis Hersey, Rose Howard, Margaret Carty, Maxwell Theriault.

## Passive Membership Continues To Plague Board Of Trade

The Digby Board of Trade held its first meeting of the 1977-1978 season this month. Only nine members were present.

It appears keeping an active membership might again be a problem for the board. However, work is underway to develop interest in the group's activities.

The first effort will be a Dinner Meeting in October. This is currently being planned. Efforts are being made to have an interesting guest speaker.

One of the topics brought up during the Board's first meeting was the unsightly condition of the downtown area.

Harold Riley, making reference to pictures which appeared in a local newspaper, brought the matter to the table. He noted, Digby is probably the only town in North America without a park. Several Board members mentioned various locations which might be improved for park purposes.

J. Patrick Comeau gave a report on participation in the Annapolis Valley Apple Blossom Festival. A sum of \$98.78, he said, has been set aside for future support of the festival.

Mr. Comeau noted that Princess Julie Mackintosh had been chosen Miss Congeniality at the Exhibition in Lunenburg. He also praised Jacqueline Journeay for the work she did for the reception of Apple Blossom Princesses in Digby. Jacqueline was last year's Princess Digby.

Harold Riley reported on the operation of the Digby Tourist Bureau. He said registration had nearly doubled this year and longer hours were worked by the staff.

Mr. Riley recommended that the Board operate the Bureau again next year. He was optimistic a larger grant would be available for this purpose.

Riley also gave a favourable report on the girls who promoted the Digby area aboard the Princess of Acadia. They were paid by the Job Corp.

Power generation on the Sissaboo water system was also brought up. Pat Comeau criticized the Power Corporation for not developing the river system's power potential.

Dropping rail service in the town was brought up. Vincent Snow said the town has lost a lot in this regard. The Board was advised by letter that the AVABT of which the Digby Board of Trade is a member, is now a member of the Better Business Bureau. Services of the Better Business Bureau are, therefore, now available to the Board of Trade.

A letter from a Board of Trade in Quebec was read. The Quebec group expressed interest in closer relations with the rest of Canada and proposed exchange visits between the respective boards.

A brief discussion on the purpose of the Board of Trade was held. Most, if not all, agreed that the Board is concerned with anything of interest to the community.

## Rev. Kenneth Lowe Heads Mental Health - Digby

Rev. Kenneth Lowe, Digby, was on Wednesday elected president of Mental Health - Digby succeeding Vernon Wessell who had been president for the past two years. Other officers elected were Ernest Ryan, first vice-president; Mrs. M.C. Gott, Smith's Cove, second vice-president; Mrs. Nola Jeffrey, secretary and Benjamin Cullen, treasurer.

Judge V. G. Cardozo is honorary president. The slate was presented by Mrs. Mary Robert, chairperson for the nominating committee.

Present at the meeting was Andrew Crook, Halifax, executive director of Mental Health-Nova Scotia. Mr. Crook spoke on behalf John Allen who requested that the Digby organization, as well as other branches, have a representative on the new fund raising committee for which he is responsible. Mr. Wessell will endeavour to find someone willing to represent the Digby branch. Mr. Crook also requested a

committee of three or more board members from Mental Health-Digby to meet with him at an early date to plan a seminar, looking into the needs of the area, estimating resources available to cope with the needs, set ob-

jectives, select priorities and identify with the community. One aim of the seminar, it is hoped, will be that the local branch will know what might be expected of the provincial branch and vice versa. Appointed from the Digby

branch Mental Health were Mr. Lowe, Mrs. Robert and Dr. Shahab Ahmad. Rev. Kenneth Lowe was named to represent the Digby organization on the provincial Mental Health Association.

## Triple Occasion At Sandy Cove

A three generation of Crowells get-together, a welcoming party and a wedding anniversary prompted the occasion which brought more than fifty persons to the summer home of Mrs. Helen Anthony (Camp Arcadie), Sandy Cove, on Saturday evening. Specially honored at the party were Mr. and Mrs. Gerald Otis of Newington, Conn., who have completed construction of a new summer home at Sandy Cove. The party was arranged principally by Mrs. Faith Theriault and her brother, Godfrey Crowell, cousins of Mr. Otis.

Mr. Otis was born in Tiverton, son of Ralph and Lennie (Crowell) Outhouse and moved to Connecticut when he was seventeen years of age. He was a machinist, particularly working in the typewriting machine line. He has now retired.

Mrs. Otis was the former Miss Ethel Trudeau, born in Massachusetts and later moving to Connecticut. Since their retirement Mrs. Otis has been spending some time on her fascinating hobby of genealogy.

Mr. and Mrs. Otis who have spent many summers in Tiverton have a son, Ronald and family in Newington and a daughter, Mrs. Eugene Langhorne. There are four grandchildren.

Mr. and Mrs. Otis on Saturday evening were presented with a money tree and a number of other gifts for which they thanked the guests in a pleasing manner. They spoke of the extreme friendliness and kindness of the people of Sandy Cove and were looking forward to their summers in their new home. Mr. Godfrey Crowell gave the toast and made the presentations.

Several decorated cakes were among the gifts received by the Otis' and a thirty-eighth wedding anniversary cake was presented to Mr. and Mrs. Bradford Merritt.

A sing-song with Mrs. Les Ramsey of Connecticut and Mrs. Margaret Carty at the piano was enjoyed. Other musical numbers were by Mrs. Hazel Farnsworth, Lake Midway; her two daughters, Marguerite and Lucinda accompanied by her son, Harold on the guitar.

## Renovations Underway At Legion

Work started recently at Branch No. 20, Royal Canadian Legion in Digby on the laying of a new carpet in the Ladies Lounge. The job was contracted with Allied Home Furnishings of Digby and is expected to be completed during the week of 19 September. President Charles Francis announced that this is one step in possible renovative activities that may be carried

out this fall to make the Legion quarters more attractive and to maintain the building in top shape.

In line with the changes in decor, President Francis also made it known that rules for dress, both in the Ladies Lounge and at the regular Saturday night dances, will be strictly enforced.

Members and their guests will be welcomed when

dressed in attire suitable to the surroundings and the occasion. Slacks, sweaters, sport shirts and similar informal clothing will be permitted as, of course, will dress clothing for both sexes.

Individuals in jeans, work clothes and or work boots will be asked to leave by the Sergeant At Arms or by the members in charge of both the Lounge and the Saturday night dances or by the Bar Steward.

President Francis also called attention to the Branch rules about the signing-in of guests at the dances or in the lounge. He noted the long-standing rule that any member in good standing (meaning any

member whose dues for the current year are paid) may sign in a local guest once each month. He underscored the fact that the same individual may not be signed in more than once each month.

Furthermore, the member who signs in a guest is fully responsible for that guest during the latter's stay on Legion premises.

The purpose of reminding members and guests of the foregoing rules is to provide pleasant and attractive social activities at the Legion for its community, and President Francis and the Executive of the Legion feel sure that both members and their guests will cooperate in carrying out this purpose.

## Mrs. Ann Crocker Elected President

The first meeting for the season of the Islands Home and School Association was held at the school last Monday evening. In the absence of the President and Vice-Pres., Mrs. Watson Crocker chaired the meeting. The new teachers, Mrs. Lynn Wordsworth, Mr. Clayton Coe and Mr. Rudy Tinker were introduced by Keith Manzer to the large group who attended the meeting.

The bus purchased for the use of the school as well as other community groups is on the Island and ready for use. A list of names for drivers of this vehicle was read and the rules decided upon by the bus committee was also read.

Letters from the Secretary and to the Secretary pertaining to the request for a gym for the school were read but contained no definite promise to the request.

The election of officers took place: President, Mrs. Ann Crocker; Vice-Pres., Mrs. Sheila Donovan; Sect.

Mrs. Carol Welch and treasurer, Mrs. Linda Pyne. A program committee has been named to bring ideas for future meetings. This consists of Mrs. Dorothy Outhouse, Mrs. Sheila Dixon, Mrs. Marjorie Thurber and Mrs. Cheryl Sollows.

It was decided to have the usual Home and School 45 parties starting this fall. The chairman for this is Mrs. Virginia Crocker with committee of Mrs. Karleen Kinney, Mrs. Rita Tibert, Keith Manzer, Mrs. Ann Crocker, Mrs. Marjorie Thurber, Mrs. Marilyn Welch and Mrs. Carol Welch.

The committee asked those who are interested in starting the 45s next month to call Virginia. If enough response things will be arranged to make a start.

It is hoped to see as many and even more parents and friends at the next meeting on October 3rd. Come and help support your Home and School in its work for your children and school.

## Gets 6 Years For Rape

Jeffrey Edward Amaro, 18, of Marshalltown, has been sentenced to 18 years in a federal penitentiary. Amaro appeared before Judge K.L. Crowell Monday on a charge of rape.

Amaro was charged in connection with an incident which took place in Digby on

June 23. He has been held in custody since his arrest.

A guilty plea was entered during a July 29 court appearance. Additional charges of armed robbery and attempted rape were dropped by the crown at that time.

## Automobile Traffic Increases

The volume of automobiles entering Nova Scotia from other provinces in August was up by four percent over the same period in 1976. Hon. Maurice E. Delory, Minister of Tourism, said today.

This more than offsets the August decline of U.S. automobiles - down by nine percent, to 26,698 - to give an

over-all traffic increase of one percent for last month. During the past three months - June, July, August - there was an over-all one percent decrease of auto traffic compared to the same months in 1976.

### NOMINATION DAYS SEPT. 27 to OCT. 4

Today is September 22. In a few more days we will have September 27, the first day of that period set aside to nominate candidates to contest Digby Town Council seats for the October 14 town election. Nominations close October 4. The days between will go quickly by.

If you were to ask what the one most important concern is for people in Digby today, we would have to say it is to select the three town councillors to fill the expired terms when elections come. By that we do not mean that the three present councillors for those seats should not return but whether or not they re-offer, the people of the town have a responsibility to be ready. Our columns last week indicated that there could possibly be no re-offers from Philip Robertson, Guy VanTassell and Eileen Chipman whose terms expire. So, at least, three new candidates will have to be named in such an event. Then, only three names would mean winning by acclamation which is not always considered to be to the best interest of the town. It is well to have sufficient candidates to warrant an election.

Yes, nomination days are coming. Remember those whom you contact to fill the vacant seats will need time to think it over, time to check their qualifications and time to be prepared. Give them the courtesy of enjoying those days to ponder the question well for stepping into town government today is no easy task. Candidates must contemplate on time for research and time to attend numerous meetings (some of much length). Family practices might need rearranging for councillors have demands which require sacrifices to family togetherness.

You as residents of Digby owe it to Mayor Stuart MacNaughton and councillors Gordon Ellis, Foster Journeay and Robert MacNutt (those whose terms do not expire) to find them

councillors who will stand for the right and who are congenial and willing to share the load. The news of last week would suggest that preparation be made for three new councillors. However, whether new or re-offers, preparation must be made for such an important event as a town election. Town business is big business today. The town needs the best possible leadership that can be found.

Nomination days are September 27 to October 4. Each citizen has a duty.

## Hodge Podge

— "The people are so friendly and so sweet, they've got to be God's people". What higher compliment can Nova Scotians expect to get? That came from visitors to North Range. Similar remarks were made by visitors to Sandy Cove. Doesn't it make your chest swell?

— An American visitor dropped in to the Courier Office recently. "Are you Mrs. Simpson?" No, we replied. Aren't you Editor Simpson? We repeated again our frank denial but wondered who Editor Simpson could have been. In a short time our American friend began to clear the cobwebs both for himself and for us when he remarked "It was the late Duke of Windsor (Edward VIII) who married Wallis Simpson. That is where the connection comes from. We've been called by many titles but we don't mind. What's in a name?"

— The young people manning the swimming pools deserve credit for a fine job. Pools are closing for the season with good reports and everyone seems to be looking forward to a "Rosy" summer again next year.

## Tender Call

Coline Campbell, M.P. for South Western Nova, announced on behalf of the Minister of Public Works, the Hon. Judd Buchanan, that tenders will be called for dredging at Little River, Digby Co., N.S.

Dredging will consist of a 50 ft. wide berthing area and to a depth of 8 ft. below low water. Tenders close on October 5th.

### INCREASE

Continued From Page 1

Canadian auto entries here were up by one percent — at 209,793.

There were 78,137 Canadian autos recorded at Nova Scotia entry points in August as compared to 74,740 during August of 1976.

There were 20,862 recreational vehicles entering Nova Scotia in August, up five percent over the same period in 1976, said the Minister of Tourism.

In the June-August period, there were 63,502 American auto entries — down by seven percent over the same time in 1976.

Last month, 7,640 U.S. recreational vehicles entered Nova Scotia, a 14 percent growth in such

American traffic over August of 1976.

From June through August, 17,808 recreational vehicles came here from the U.S., up by more than 2,000 over a year ago, Dr. DeLory added.

In June, July and August, there were 13 percent fewer Canadian and 26 percent fewer American auto entries through Yarmouth, down by 5,038 vehicles from 1976.

Digby records showed, during the last three months, a nine percent increase with 12,378 automobiles coming into the province at that point, or 981 more cars than at the same time in 1976.

Amherst entry point was up one percent over June, July and August of last year with 203,949 autos recorded there.

Tidnish showed a one percent drop in Canadian traffic and a nine percent jump in American auto traffic over the same three months.

Canadian auto traffic at Caribou was off one percent; American volume was about the same as a year ago.

There was a continuing trend to more travel into Nova Scotia via recreational campers from the U.S. and other provinces during June, July and August of 1977 — up five percent over that period of last year. A total of 52,616 camper vehicles came here from June through August of this year.

In the same three months, 734 tour buses came to the province, a three percent gain — or 21 buses — over comparable entries for the similar period in 1976, concluded Dr. DeLory.

The day ended with the loading of the Red Cross equipment back on the vans with the assistance of the Firemen and another Clinic was successfully concluded, thanks to the joint effort of so many who gave of their blood and their time in order that lives may be saved.

On behalf of the Red Cross Blood Donor Committee, our deepest appreciation is extended to all those who contributed in any way to the success of the Digby Area Clinic.

W. L. MCMILLAN  
SECRETARY TREASURER  
DIGBY MUNICIPAL SCHOOL BOARD

With a registration of 275, Digby's Fall Blood Donor Clinic was considered a success even though the quota, hopefully set at 350, was not achieved. Poor weather conditions and the prevalence of a virus in the area may have accounted for some absences among the regular donor panel, but Red Cross Chairman, E. B. Tufts, expressed thanks on behalf of the Blood Donor Committee to all those, both donors and helpers, who together carried out another successful Clinic in the Digby area.

During the morning and evening sessions of the Clinic, three presentations of Red Cross awards for 35 blood donations each were made by Red Cross Branch President, Harold Emerson. The recipients of the honor were Mr. R. I. Woodworth of Granville Ferry, Mrs. D. M.

Smith of Bear River and Mr. G. A. Shaw of Deep Brook, who were all commended for their concern and dedication to the welfare of the sick and injured in the area.

Much preparation goes into the holding of a successful Clinic, with the help of many volunteer workers from all over the area involved. Organization by the Chairman, E. B. Tufts, starts well in advance, followed by publicity of the date of the Clinic, the place and time, and the great need of donors, for which we appreciate the wholehearted co-operation of the local news media, Radio Station C.K.D.Y., the "Digby Courier" and "The Mirror". Contact with all parts of the area is made through the members of the Blood Donor Committee and the Area Chairmen who represent all districts from C.F.B. Corn-

wallis and Bear River to Digby Neck and the Islands. Owing to the unavoidable absence of the Bear River chairman at this time, that district was represented by Mrs. Mary Darres and Mrs. Gladys Alcorn. A complete list of area blood donors is kept on file and notification cards are mailed to all, thanks to the assistance of Mrs. Dot Curry and Miss Julie Mackintosh in addressing the cards. Telephone calls are also made to remind the donors, with the help of members of the Ladies Legion Auxiliary and Mrs. Ralph MacLean of Digby and Mrs. Brian Coker, Smith's Cove.

The Digby Clinic was again held in the Firehall, with special thanks not only to the Firemen but also to the Digby School for relinquishing the use of the room for that day, and also stacking desks and chairs to provide the space required. With the arrival of the Red Cross vans in the morning, more volunteer help is needed to assist in unloading the Blood Donor equipment for the Clinic, this having been very efficiently done by members of the Digby Town Crew.

With the opening of the Clinic at 10 A.M., a large staff of volunteers assist the trained Blood Donor technicians throughout all three sessions of the busy day. Nursing services in the Clinic Room were again convened by Mrs. C. D. Snow, R.N., Chairman of the Red Cross Nursing Committee, who was assisted by local nurses: Mrs. A. L. Robinson, Mrs. Frieda Baltzer, Mrs. William Ganong, Mrs. Robert Wallace, Mrs. D. G. Black and Mr. Paul Fenton. Also assisting in the Clinic Room by operating the blood machine were Christopher Tufts and Miss Julie Mackintosh.

Donors were welcomed at the door as usual by Mr. Layton Hinman, who is one of our most faithful volunteers. Registering the donors, ushering and serving refreshments were under the auspices of a Red Cross committee, convened by Mrs. Allan Harris, while Mrs. Doris VanTassell, President of the Ladies Auxiliary of the Firemen, convened a committee of Auxiliary members who assisted in the preparation of refreshments. These two groups of ladies included Mrs. Hilda Bremner, Mrs. Frank Mackintosh, Mrs. Paul VanTassell, Mrs. Elliott VanTassell, Mrs. Robert Wilson, Mrs. J. J. Brittain, Mrs. Edith Hayden, Mrs. Helen Anderson, Mrs. Mildred Beckwith, Mrs. Frank Larche, Mrs. Evelyn

**In Memoriams**

**PRIME - In loving memory** of a mother and grandmother, the late Mrs. (Susan) Byron Prime, who passed away on Sept. 17th, 1948.  
Your memories are still with us dear,  
We could only hear your sweet voice,  
And see your happy smile on your face.  
We will never forget the love you had in your heart for us and things you did mother dear.  
Always remembered by seven DAUGHTERS, TWO SONS AND GRAND-CHILDREN AND GREAT GRANDCHILDREN. 7-1ip

**ROBICHAUD - In loving** memory of my dear Father, John Robichaud who passed away September 15th, 1955.

Always loved and remembered by his DAUGHTER, GRAYCE, AND SON-IN-LAW, CLEVE. 7-1ip

**In Memoriams**

**TIDD - In loving memory** of a dear husband and father Delbert Vernon Tidd, who passed away September 24, 1970.  
God took him home, it was His will,  
But in our hearts we love him still;  
His memory is as dear today  
As in the hour he passed away.  
We often sit and think of him  
When we are all alone,  
For memory is the only friend  
That grief can call its own.  
Sadly missed and dearly remembered by WIFE HELEN, SONS GARY, ALLAN, TERRY AND DAUGHTER LINDA. 7-1ip

Recent visitors of Mr. and Mrs. Arlie Merritt were W-O Baden Thurber and Mrs. Thurber of Greenwood, their daughter and son, Randall and Heather Peters. Mr. Thurber and Mr. Merritt enjoyed boating up the Bear River.

Mrs. Maud Ellis and Mrs. George Winfield were guests of Mrs. Winfield's son, William Winfield at the Chateau Halifax for a few days. Mr. Winfield visited his mother in Digby for a few days also, returning to Toronto on Saturday.

Mrs. Edna Stark has returned home after visiting Mr. and Mrs. Robert Johnson and family of Waverly N.S. While there she looked after the children Cathy, Kenny and Keith for three days while Mr. and Mrs. Johnson attended the Dept. of Highways Convention at the Pines Hotel, Digby.

**Topic On Home**

The Womens Missionary Society, Weymouth, held their regular monthly meeting on Thursday evening in the Church of Christ Basement. In the absence of the president, Mrs. Gloria Barr, vice-president chaired the meeting. The Devotion was led by Mrs. Pat Lewis, followed by the Mission Study by Mrs. Audrey Zimmerman reading letters from Lois Reese, Missionaries. The Bible Study was led by Mrs. Marilyn Lewis entitled, "The Christian Home" emphasizing attitudes in the home, the ministry of the home, the training of a home and the disciplinary purpose. Refreshments were served and the benediction given.

**Omission**

In the Robbins Family Reunion story of September 9 issue, the names of Russell Taylor husband of Nancy, Truro; Pauline, wife of Chesley Robbins, Smith's Cove and Alice, wife of Otis Robbins, were inadvertently omitted from those who attended the party at the home of Mr. and Mrs. Clifford Robbins. Also the name of Mrs. Benjamin (Sheila) Marshall and not Mrs. Robert Marshall should have been reported as a sister.

## Annual Home Economics Conference Slated For Truro

The Annual Conference of the Nova Scotia Home Economics Association will be held in Truro at the Nova Scotia Teachers College from October 20th to the 22nd.

The theme for the conference will be, "The Home Economist As An Educator."

The keynote speaker will be Dr. Eloise Murray Associate Professor College of Education, Pennsylvania State University. Dr. Murray is a former native of the Annapolis Valley and has had teaching experience in the public schools of Nova Scotia.

Dr. Treasa MacNeil Associate Professor of Adult Education at St. Francis Xavier University, An-

tonish will be the special banquet speaker.

Alan Mirabelli, Ottawa, Co-ordinator of Communications and Information for the Vanier Institute of the Family will be conducting one of a series of workshops.

The workshops are designed to assist Home Economists working in any field to communicate effectively by becoming aware of communication techniques and the most effective means of implementing them.

Rachael Ripple and Bill Dillon of Halifax and Carl Shaw of Truro, will also be conducting workshops.

This 51st annual conference of the Home Economics Association will

be held at the Teachers College on the 77th Anniversary of the establishment of the original Truro School of Domestic Science. (Detailed background information attached)

The Truro School of Domestic Science was founded in 1900 in affiliation with what was then known as the Provincial Normal College for the purpose of training teachers for the public schools of Nova Scotia.

"FOR HOME AND COUNTRY"

EDITED BY WOMEN'S INSTITUTE

Mr. and Mrs. Wilfred Henshaw spent four days touring in Nova Scotia and Cape Breton. While in Cape Breton they spent two nights with Reverend Elmer Asaph, his wife and three girls at their motel, Mountbrook in Blue's Mills. Mr. and Mrs. Asaph wish to be remembered to all their friends in Bear River.

Mrs. Lila Harris and Mrs. Ray Morgan, Digby, left on Sunday to spend a week with Mr. and Mrs. Gary Harris at Milford.

Master Sunil MacKinnon and friend, John Fernandez, St. Catharines, Ontario, returned home after spending a week with Sunil's grandparents, Mr. and Mrs. Arthur Isles.

Mr. Jim Longmire, Cambridge, visited Mr. and Mrs. Milton Morgan on Saturday evening.

Mr. and Mrs. Arthur Isles have returned home after spending a couple of weeks with their daughter, Mrs. MacKinnon and family of St. Catharines, Ontario. On their return home they also visited their son and family, Mr. and Mrs. Paul Isles of Moncton, N.B. and Mr. and Mrs. Kenneth Isles in Moncton.

Mr. and Mrs. Earl Sanford of Lancaster, Mass., and Mr. and Mrs. Donald Haight, were supper guests on Thursday of Mrs. Lila Harris.

Mr. and Mrs. F. Seldon Chesley of New Germany, visited friends in Bear River on Wednesday and had supper with Mr. and Mrs. William Morine, when Mr. Morine celebrated his eighty-ninth birthday. Mr. and Mrs. Morine observed their sixtieth wedding anniversary on September nineteenth.

Mr. and Mrs. James Longmire and family Cambridge, spent the weekend with Mrs. Longmire's parents, Mr. and Mrs. Maurice Dunn.

Mrs. Myrtle Isles has returned home after spending a few weeks with her daughter, Mrs. Elwood and Mr. Elwood of Dartmouth. Mrs. Isles also visited her brothers and sister in Dartmouth while she was there.

## Clementsport

(Bertha Haviland)

of Cold Lake, Alberta, are visiting at the home of George Wilson for a week.

Mrs. Elsie Balcom and daughter, Mrs. Joy Balcom Balling of Santa Cruz, California, accompanied by Mr. and Mrs. Forest Balcom of Malden, Mass., are guests of Mrs. Olive Staples, Allen's River. Mrs. Balcom and daughter Joy have been calling on friends here and were dinner guests at the home of Mr. and Mrs. Cecil Potter on Monday.

Mrs. Blanche Dumphy of East Chetzetcook, has been a guest of her sister, Miss Irene Ramsay for a week.

Regret Mrs. Evelyn Ruggles a patient at Victoria General Hospital, Halifax, undergoing surgery. Get well wishes go your way Evelyn.

Congratulations to Mr. and Mrs. Cecil Potter who celebrated their fortieth (40th) wedding anniversary

on Sunday, September 11th.

Mr. and Mrs. William Callishaw of Lockport, are spending a week's vacation at the home of Mr. Collishaws sister, Mrs. Jean Townsend.

Mr. and Mrs. Ira Dukeshire have returned home after spending a week's vacation with their son, Allen Dukeshire and Mrs. Dukeshire in Woodstock, N.B.

Mr. and Mrs. Harold Magill and son, Mark, of Pompton Lakes, N.J., have returned home after spending their vacation with Harold's mother, Mrs. Frank Magill Sr.

Congratulations to Mrs. Colin Burrell on winning one of the jackpots at Bingo at the Royal Canadian Legion Hall on Thursday evening.

If you want to spend your money and have something to show for it try eating rich food.

## Bear River Home Guttled

A fire which broke out around 4 a.m. Friday gutted the home of Cameron Johnson and family, Bear River.

A spokesman for the Bear River Fire Department said the fire apparently broke out around the chimney and spread quickly to the walls.

## Makes Presentations

The Ladies Auxiliary of the Royal Canadian Legion, Clementsport, met on Tuesday evening in the Haviland Room at the Legion Hall. Mrs. Mary Billard, President, was in the chair with eleven members present.

Meeting opened in usual manner after which Mrs. Violet Wilson, secretary, read the minutes of previous meeting and were approved as read. Mrs. Bertha Haviland, treasurer, gave her report which was accepted as given. Mrs. Anne Whytherly, Chairman of Ways and Means, read her report which was accepted as read. Plans were finalized for the dinner on Friday night of the Mental Health Staff, Digby.

The drawing of the lucky ticket for the toaster which had been donated by Mrs. Winnie Amero of Barton, was held, the winner being Mrs. Joan Woodland of Upper Clements.

A gift was sent Mrs. Gordon Milner, who has been

laid up for several months, in appreciation of her help at suppers and a gift of a beautiful blue and white leather tote bag with Ladies Auxiliary crest was presented to Mrs. Bertha Haviland by president, Mrs. Mary Billard, in appreciation of her work. Bertha while taken completely by surprise, thanked the members for their gift.

The meeting closed in usual manner with the Queen. A social hour followed with a delicious lunch served by catering committee.

## Snell's Given Farewell

Mr. and Mrs. Lawrence Snell, Clementsport, who are leaving on Saturday to take by residence in Halifax, were tendered a farewell party by the congregation of the United Church at the home of Mr. and Mrs. Creighton

Balcomb on Tuesday evening.

A gift was presented to Mr. and Mrs. Snell by Rev. Jack Barton. Choice refreshments were served at the close of the evening by the hostess.

## To Tackle Spruce Budworm Problem

Americans and Canadians cooperate in tackling the spruce budworm problem. U.S. Ambassador Thomas Enders (left) looks on as Fisheries and Environment Minister Romeo LeBlanc signs an agreement committing the two countries to a cooperative research and development program on the spruce budworm problem.

## Hog Producers Touring Quebec

Hubert LeBlanc, President of the Clare Shipping Co-operative Ltd., has announced that seven prominent Digby County hog producers are currently on an extensive week-long hog tour in Quebec.

Mr. LeBlanc said that the tour is in conjunction with several Pure Breed Hog Producers in central Nova Scotia, who have sold breeding stock to a number of Quebec farmers over the past few years.

The purpose of the tour is to do a first hand evaluation of the progress of this breeding stock and also to get more of an insight into the Quebec hog industry.

The tour will be centered in the outlying farm areas of the Montreal region.

Allan Shaw, Assistant

Swine Fieldman with the N.S. Department of Agriculture and Marketing in Truro, will be heading the tour for the N.S. Producers.

We are also delighted that our Agricultural Representative, Bruce Gilliatt, from the N.S. Department of Agriculture in Weymouth, is accompanying the Digby group.

Over the past four years, he has been very closely associated with the Digby County Hog Producers and with the expansion of new producers in the County, it is vitally important that he be kept informed as new developments in the Canadian Swine industry.

The group will be returning to Nova Scotia on September 24, 1977.

## Booth Raises \$308

The Clementsport Booth at the Annapolis Hospital Fair at Annapolis Royal on Saturday looked attractive with the miscellaneous articles of fruit, vegetables, sweet peas and phlox, fancy work articles, grab parcels and sale of tickets on a pile of groceries. The winner was Mrs. Gerald Spurr of Allen's River and this booth turned in the sum of \$308.00. Special thanks went to Mrs. C. Ramsay, Mrs. R. Muntz, Mrs. Howard Langille, Mrs. Cecil Potter, Mrs. Bertha Haviland and Mrs. W.C. Curphey and all those who donated articles and helped to make this a success.

## Regional Fisheries Meet Here In October

Fisheries Minister Dr. Dan Reid said today he is very pleased with the results of the first two regional fisheries meetings held in Barrington and Lunenburg.

Both were well attended by fishermen from all segments of the industry. The Minister said and "I am especially pleased with the optimistic outlook of the fishermen concerning the future of our fishing industry."

The Regional meetings, nine in all, are a prelude to a provincial fisheries conference in Dartmouth on Oct. 27 and 28 when all facets of the fishing industry will be brought together to reach some common position on the future direction and development of fishery.

Dr. Reid added: "I noticed a sincere desire on the part of fishermen attending the first two regional meetings to work together towards a

common goal. They all want everybody to have an equal opportunity to make a good living in the fishery."

Fishermen in Nova Scotia realize that attitudes must change and that new methods and technology have to be employed to maximize the benefits of the 200-mile fishery management zone, the Minister noted.

All those attending the first two meetings are eagerly looking forward to the provincial fisheries conference and a chance to participate in the decision making progress, Dr. Reid concluded.

The series of Regional meetings continue Sept. 20 in port Hawkesbury and Sept. 21 in Sydney. Other meetings are scheduled for Sept. 22 in Pictou, Sept. 27 in Oyster Pond, Sept. 28 in Isaac's Harbor, Oct. 4 in Digby and Oct. 5 in Yarmouth.

## "Joshua Slocum" Home

Joshua Slocum is back! Residents of the Island were happy to see the ferry, Joshua Slocum back on its run at Petite Passage from Tiverton on the Island to East Ferry on the mainland.

The ferry which suffered a broken leg on August 29, was laid up for repairs at a dock on the French Shore area and returned to active duty on September 15. During the absence of the ferry the "Yellow Submarine" that serves Westport - Freeport area, filled in.

Petite Passage has for many years been an object of controversy between Islanders (even mainlanders) and the government. What type of crossing facilities do the people want? What type of crossing facilities does the government want?

In the year 1808 the General Sessions at Halifax granted the late Martin Blackford, native of England who settled at Sandy Cove, Digby Neck, a license to operate a passenger ferry across Petite Passage. His subsidy for this service was government-issued license to operate a tavern. At this time and for many years after his death when his sons and others took over ferry operations this type of crossing was sufficient. Passengers were straggly; auto vehicles had not yet appeared. Traffic was slow enough that Mr. Blackford carried on fishing operations at East Ferry area along with ferry duties.

It is felt that the late Byron (By) Blackford deserves commendation. He began ferry operations at Petite Passage at the age of fourteen. He designed and constructed his own scow-the first to ferry both passengers and the few vehicles that were straggling in. He also designed and constructed the ferry landings at Tiverton and East Ferry (where the present fish stand is located in that area) to accommodate his invention.

This scow or barge was towed successfully behind the boat.

Mr. Blackford noted the needs of the people and while operating under a license could adjust the ferry system to suit and meet these needs.

With the completion of 60 years of faithful and efficient service the government, keeping a watchful eye on the increased traffic at Petite Passage, took over the management of the service. Mr. Blackford retired.

Since then the government, with the assistance of men who possessed navigation ideas of methods and types of ferries that they felt would best cope with the

strong tides at Petite Passage and the ever-increasing traffic, has put many different types of ferries here. These were to the government's advantage and did not always meet the needs of those who were forced to use them.

Residents complained to the government. They shouted their pleas for a causeway or bridge complex that would link the highway together. They begged through the current MLA's for a permanent crossing, but to no avail.

In February, 1966 a consultant's report released by Highway Minister, Stephen Pyke, said that "the original cost of a bridge across Petite Passage would be approximately \$3,882,000." It is felt the government has doubled that price and more in the cost of ferry boats, barges, maintenance, wages, cost of labor ensuing from all the break-downs of the ferries, etc., that they wanted and placed here.

It is felt the concerned people have substantial reason for complaints. Do they not have as much right to a dependable permanent crossing as do mainlanders at Bear River, Meteghan, Joggin Bridge, Annapolis etc.? Petite Passage is also part of the highway and hundreds, thousands use its services. It appears to Islanders that progress is inevitable only for mainlanders. They are not happy with the fact they are forced to succumb to the fear and dread of crossing the treacherous Petite Passage on an non-dependable ferry.

Still the government pays no heed to the needs of the people here. They are spending more and more money on ferries that will continually require additional money in an effort to continue ferry service. A permanent link with toll charges would end expenditures and "pay for itself" in no time.

Residents feel that if government officials feel like deriding passengers for their fear of crossing Petite Passage - even on Joshua Slocum - let them try crossing there sometime during high winds, especially a stormy night, when necessity demands it. Then see if fear doesn't creep in when high seas pile up on either side of the boat and surrounds it and cold salt water flows around their vehicle or splashes in their faces until they wonder if they will come up on top of the sea again, or go to bottom. Perhaps they would scream in fright, pray all the way or vow never to return again. Either reaction is common.

Bob Dean of Nashville, Tennessee; Mrs. Timothy Hennigar of Bridgetown; Jean Brittain of Digby, conference registrar; and Rev. Larry Shotwell of Nashville, were among a large group attending the Atlantic Baptist Sunday School Conference at Digby Regional High School over the weekend.

## Clementsport Legion Notes

The Regular Meeting of the Branch was held on Tuesday evening, 13 September. Com. President Charles Long conducted the meeting. Comrade Zone

Commander Joe Wilson was a guest at the meeting. Six applications for membership were read and approved. Four transfers were approved. Zone Cdr. Wilson

installed Ordinary member, Dennis Buchanan and Associate Member Beth Nichols to full membership to Branch No. 122. The Treasurer's report was

well received and showed the Branch to be in a healthy state financially.

Com. Mason Wamboldt reported on the Swimming Pool Project. Approximately 12,000 people of all ages used the facilities of the Pool during the summer.

The season ended with the financial statement in the "black". This was accomplished mainly through generous donations by local firms, interested citizens, voluntary labour, and grants from the Municipality, Young Canada Works, N.S. Department of Recreation. We look forward to another successful season. The Branch can be proud of this project. Another first for the area.

Plans were started on November 11th Remembrance Day Ceremonies and Banquet. A great deal of work is to be done and it is hoped that all members will pitch in and give the committees a helping hand. A Zone meeting is to be held in Bridgetown at 8:00 p.m. on Wednesday, 21 September.

The Labour Day Dart Tournament was a huge success, seventeen teams participated in the day long event. The Team from the

## Seiner Sinks In St. Mary's Bay

Six men from this island village had a narrow escape early Tuesday (Sept. 20) morning when the 85-foot seiner Lady Sandra sank with a full load of herring in St. Mary's Bay. The wooden vessel went down about 4 miles off Dartmouth Point, bound for Saulnierville. She was owned by Comeau Seafoods, of Saulnierville, and captained by Walter Titus.

A bulkhead broke causing the herring to slide into the stern of the ship. The crew was unable to read the seine skiff so took to the ship's life-raft. They were picked up by Capt. Bradford Titus, son of Capt. Walter Titus, who was nearby with his ship, the Carousel.

The steel seiner, Margaret and Elizabeth No. 1 from Grand Manan put a line on the Lady Sandra but was only able to tow the ship 3/4 of a mile before it plunged to the bottom.

Members of the Lady Sandra crew are Everett Titus, Johnny Graham, Howard Graham, Doug Delaney and Reginald Titus. This is the first seine boat from Westport to be lost within memory.

Hollow Spot emerged as winners after a play-off. A team from Kentville, was runnerup. All agreed this was a most successful and enjoyable day. Thanks go to "Bob" Wright for organization of the event, to the members of the catering staff, to Beth Nichols for filling in for Roy Dukeshire and to "Babe" MacCharles for his usual fine job as statistician. Darts and pool continue to be very popular. Happy Hour on Friday

nights are well attended. Dances have overflow crowds and guests from CFB Cornwallis are always welcome.

The Legion Softball team from Clementsvalle have had a very successful season. More on this next news letter.

# Nova Scotia's roads are going metric.

**Beginning October 3, 1977**  
**all speed and distance signs on Nova Scotia's roads**  
**will be going metric.**

## The new speed signs: limits in kilometres per hour (km/h).

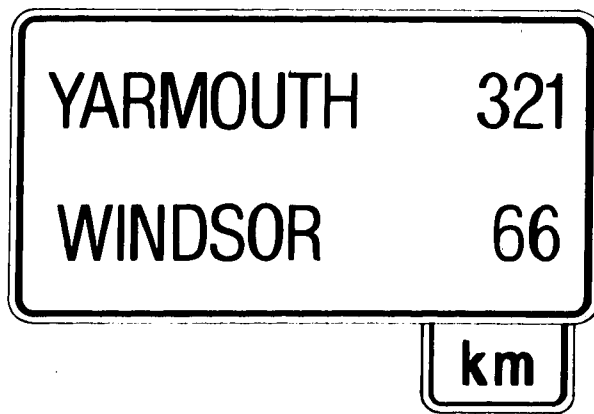

New	Old	New	Old	New	Old	New	Old
50	30	80	50	90	60	100	65
km/h	km/h	km/h	km/h	km/h	km/h	km/h	km/h
The 50 km/h Speed Limit Sign replaces the 30 mph Speed Sign.		The 80 km/h Speed Limit Sign replaces the 50 mph Speed Sign.		The 90 km/h Speed Limit Sign replaces the 60 mph Speed Sign.		The 100 km/h Speed Limit Sign replaces the 65 mph Speed Sign.	

## The new distance signs: in metres (m) and kilometres (km).

Signs showing distance in kilometres are already familiar in many parts of Nova Scotia. Soon, all signs will be changed over.

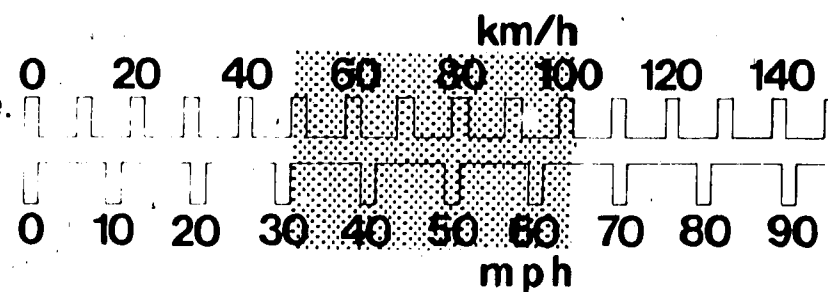

An easy way to familiarize yourself with kilometres is to consider the time factor involved. For example: 50 km (30 miles) would take about 30 minutes to drive at a speed of 100 km/h.

Kilometres per hour can easily be converted to miles per hour by multiplying by 0.6.

## Your speedometer

This speedometer measures kilometres per hour on the top scale and miles per hour on the bottom scale. Drivers should familiarize themselves especially with those metric speed equivalents appearing within the commonly-used range indicated by the shaded area.

The metric system is already used to measure highway speeds and distances in most countries around the world. All provinces have been asked to make the change to metric under a Canada-wide plan approved by Metric Commission Canada.

The Key to learning the metric system is to "think metric" — avoid converting to old imperial units wherever possible.

## Kiwanis Deadlock Finals

The Brown coached Kiwanis came back to tie the best two out of three Finals for the Digby Little League Championship by beating the Comeau coached Merchants 21-11 in a game played on September 16th, 1977. This contest saw for the first time two brothers opposing each other on the mound, namely David Comeau for the Kiwanis and Brian for the Merchants. Brian Comeau faced a total of forty batters, walked twelve, struckout thirteen and gave up fourteen hits including a grand slammer to Robbie Kynock while David faced thirty-nine batsmen, walked ten, struckout seven and gave up three doubles (Burnie 1 and Barlow 2). The Kiwanis jumped into a 11-2 count after the first inning when

fourteen men faced the Merchants pitcher collecting four singles, two doubles and a grand slammer. Again in the top of the sixth winners put together two singles, a double plus six walks to garnish six runs. The Merchants best effort was in bottom of the fifth when they scored seven runs on five singles and a double plus five walks. The game ended on a double play with three on in the bottom of the six, Burnie hit a ground ball to David Comeau who immediately threw him out at first then Moir threw to John Connelly who tagged out Cheryl Amiraault at the plate for the final out.

Line Score	
Kiwanis	11 2 0 1 1 6
Merchants	2 0 2 0 7 0

### Wrap Up

This season there were a total of seventy-one registered, amongst these the League allowed six girls to participate and incidentally they held their own. Thanks to the coaches - Donnie Brown, Lawrence Comeau, Harold Haines, Murray Baxter Jr., Winston Wells, Gary Reid, Carl Saulnier and to the Officials - Stan Locke, Junior Smith, Cyril Reddy, Louie Dugas, Ben Cullen, Brian Hazel and all others who helped in any way to make the year a real success. A bouquet goes out to Murray Baxter Sr. and the

staff of the Digby Courier for publishing the various reports of the happenings during the season. Finally, thanks to the different clubs Kiwanis, Legion, Lions, Firemen, K of C, Merchants for their support for without same the League could not function. A special thank you to all the Little Leaguers who participated in the League this season it was a pleasure and a privilege to be associated with you all. Watch this paper for a date for the Little League Banquet.

## Kiwanis Take Digby Little League Title

In the deciding game for the Championship the Brown coached Kiwanis defeated the Comeau coached Merchants 14-6 to capture the Title. This game was played on Monday, September 19th, 1977. Again it was the four hit pitching of Robbie Kynock coupled with the nine hit attack of his team mates that clinched it for the Kiwanis. Andrew Davidson pitched a strong game for the losers but his team were held to only four hits and time and time again they did not come through with men on bases. At the end of the first both teams were tied with four runs apiece but the second and third while limiting the Merchants to one run in the top of the second, blanked them in the third, fourth and fifth and allowed one run in the sixth while scoring one in the fourth and five in the fifth.

John Connelly, Robbie Cullen, Steven Hazel played solid baseball for the winners while Carmen Burnie, Brian Comeau and Peter Theriault pulled off stellar plays at first, short and second. Congratulations to the Kiwanis and to the losers especially Lawrence Comeau a real try and better luck next time. This is twice the Comeau coached Merchants have reached the

Finals without success, nevertheless, this team displayed keen sportsmanship all season and have nothing to be ashamed of - they gave their all.

## Wins Championship

The Musquodoboit Marquis captured the Nova Scotia Intermediate "A" Softball Championship at CFB Cornwallis over the weekend by defeating MicMac Lodge of Dartmouth

3-1 in the final game. The Cougars lost a heartbreaker in the first game which saw them come from behind a three run deficit to lead the Marquis 4-3 in the final inning. In the bottom of the seventh the Musquodoboit first baseman McKen hit a towering home run with a man on base to win the game. Jim Robinson had three hits for Cornwallis. The Cougars came on heavy against Reserve Alpines with a 12-2 win. The highlight of this game was a grand slam four bagger by shortstop Greg Sanford. Pat Doucette, Paul Bertrand and

Gerry McGarry had two hits each for Cornwallis. Don Nichols was the winning pitcher.

The next game for the Cougars saw MicMac Lodge take advantage of Cornwallis' mistakes and pound out a 7-0 win and advance to the finals.

The other scores were Musquodoboit 4, MicMac 2, MicMac 5 - Reserve Alpines 1.

Charlie Gladwin of the Marquis won the Tournament MVP and Top Pitcher award with a 3-0 record. Pat Doucette of the Cougars won the batting trophy with a .545 average.

Don't forget the Valley Softball League finals begin on Saturday, with the Cougars taking on Newport at 2:00 p.m. The best of five final will continue in Newport on Sunday.

Mrs. Dora Marshall spent her birthday, August 28, at Porter's Lake, guests of her four sons, their wives and families. She received cards and gifts, also was presented with a birthday cake which was cut and served at the Lakeside supper. Everyone enjoyed helping Mrs. Marshall to celebrate.

Mr. George Marshall and family motored to the Island (Freeport) Sunday. They also visited his grandparents Mr. and Mrs. Harley Dakin, Centerville and were supper guests.

Mrs. Willis Marshall and three children spent last week with Mrs. Marshall's parents, Mr. and Mrs. Lindsey Misner, Woodville.

Mr. and Mrs. Elton McCullough and Paula motored to Mr. and Mrs. Walton Mullin's cottage on Saturday to visit with them.

Miss Darlene Lewis accompanied Mr. and Mrs. Arnold McCullough and boys

home Sunday to Saint John, N.B.

Mrs. Harold Spencer, Mrs. Donald McCullough and Mrs. Keith Lewis went to Saint John, N.B., Wednesday and visited Mr. and Mrs. Arnold McCullough and family. They returned home Friday accompanied by Miss Darlene Lewis.

Mr. and Mrs. Larry Marshall and Andrew and Mr. Carl Zwicker motored to Halifax recently. On their return they were accompanied by Mrs. Carl Zwicker who has been a patient in the Infirmary for several weeks. Glad to report she has improved in health and hope it will continue. Mrs. Zwicker is the mother of Mrs. Larry Marshall.

Mr. and Mrs. Walton Prime and two children, Lakeville, Ontario, were recent supper guests of Mrs. Gilbert Marshall and Mr. and Mrs. Larry Marshall and Andrew.

## Whale Bones To Museum

By Caroline Norwood

The massive bones of a 60-foot finback whale are resting in a field on the High Knoll here. When they have weathered sufficiently, the bones will be transported to the Ontario Science Centre in Toronto by local fish dealer, D.B. Kenney, Jr.

At the Centre they will be

reassembled and the giant skeleton hung in the entrance hall of the museum. Visitors to the Centre will have a chance to view an exhibit now found in only 125 museums throughout North America.

Whales are common in the waters of the Bay of Fundy during the summer months. This particular mammal washed ashore here on Brier Island last month. It is said the finback appears oblivious of the presence of ships when it is busy eating. Usually the whale escapes contact with the ship but apparently this one didn't as it was nearly cut in two according to Mr. R.E. Robicheau, the man responsible for saving these whale bones.

Mr. Robicheau, local merchant and Westport native, said a whale came ashore on nearby Long Islands two years ago. At that time, his son, Ben of Toronto, noted the Ontario Science Centre might be interested in having a whale skeleton for an exhibit.

It was too late to save those bones but this time great care was taken to collect all the bones. By coincidence, Dr. Peter Bemish of the Bedford Institute of Oceanography was on the Island with a group of young people when the whale came ashore. He had come here expressly to see whales offshore. Dr. Bemish identified the whale.

Mr. Robicheau said the only other whale he can recall landing on the islands was an 84-foot whale which came ashore in the area known as Peajack (Pera Jack on the charts). This was 21 years ago and he still has a piece of the whalebone in his yard.

## DATSUN'S NEW 510. EVERYTHING IT LOOKS AND 'NO REGRETS'.

TO EVERY CANADIAN MOTORIST WHO EVER EXPERIENCED NAGGING DOUBTS AFTER BUYING A NEW CAR.

Model range includes: 4 Door Sedan, Station Wagon, 2 Door Sedan and Sportback.

Before you commit to any car in '78, test drive the new Datsun 510. We call the 510 the car with "no regrets" because we've never seen a car that gets this close to perfect for this kind of price.

The new Datsun 510 just might be the most carefully thought through car you'll ever see in the low price range. A car that lives up to everything it promises.

Roominess? We'll keep a whole family comfortable on a day-long trip. With plenty of room for luggage. Running costs? Datsun's new

extended maintenance intervals and the outstanding gas mileage for which Datsun is famous. Rust problems? It's protected with one of Canada's most comprehensive anti-corrosion treatments. Power and ride? It has a power-to-weight ratio comparable to cars like Granada and Volvo's, plus a so-

phisticated new rear suspension for a smooth ride and precise handling.

Extras? Full instrumentation with colour coordinated interior. Full pile carpeting. Front, rear and side window defoggers. The entire car is built with attention to detail, comfort and convenience.

According to industry sources it pays to me.

#### GRAVENSTEIN APPLES

Not everyone can grow Gravensteins as well as we can here in Nova Scotia! For some special reason the climatic requirements for growing Gravenstein apples to perfection are met here and in few other locations in the world.

The Gravenstein variety originated in Europe about 250 years ago. It was brought to Nova Scotia in 1935. For fifty years it flourished as a yellow apple and in 1886 a red coloured

strain was discovered in the orchard of C.E.Banks of Berwick. Since then we have seen the redder versions developed further.

Our province produces over a quarter of a million bushels of Gravensteins annually. That's a lot of excellent eating, both for ourselves and other countries who import our apples.

In spite of our fine production reputation, we don't always utilize our home grown produce to its very best advantage. That takes a little understanding and practical experience in the kitchen!

Not all varieties handle the same way when cooked or frozen. Gravensteins span a wide variety of uses. Their crisp, slightly tart, crunchy, and juicy nature lend particular enjoyment to raw eating. For making pies they bake well without going flat, mushy, and shapeless. The flavour of Gravensteins and their firm texture produce tasty full bodied applesauce. When making applesauce, please cook the apples with the skins on for extra colour, flavour and food nutrients. Then strain or sieve the applesauce out, add sugar and spices.

Because of the texture of the Gravenstein applesauce freezes very well without becoming thin and watery upon thawing.

Speaking of freezing, Gravensteins can be frozen very well. Slices may be packed without sugar for pies. A convenient idea here is to arrange the slices in a pieplate; slip it into a plastic bag, and freeze. When totally frozen, remove the solid block of apple slices and place into a plastic bag that can be closed tightly.

When ready to use, sprinkle some sugar on the bottom crust, put in the pre-frozen block of apple slices, sprinkle on top the rest of the sugar and spices. Top with pastry and bake.

Because Gravensteins freeze well in a sugar solution, too, how about making your own fruit cocktail? Slice the apples into a 40 percent sugar syrup, cover, and freeze quickly. When ready to serve, thaw only until the apples are still firm but tender, then add other fresh or canned fruits. The fresh taste of apples in the syrup provides a lovely base for your own fresh fruit dessert.

My focus in this article has been on Gravensteins due to their present availability, and the all round general purpose of this apple variety.

Many of us need a guide when it comes to using Nova Scotia apples to their very best advantage. A little sticker chart is available showing the varieties and their best uses. For these and other information on apples drop a note to me at the Research Station, Kentville.

Finally, if you think you've seen all the apple recipes there are, you should take a look at the cookbook, *Apples, Peaches and Pears* by Elizabeth Baird! This cookbook is available at bookstores and provides interesting reading, as well as, some mouth watering delights.

# Wedding

#### SWIBER-RAWLINGS

White gladioli in baskets and white tapers in silver holders graced the altar of St. Luke's Church of England on July 16, at 2.30 for the marriage of Mrs. Christine, daughter of Mrs. Ruth Rawlings of Round Hill, to Michael, only son of Mrs. Ruth Swiber of Digby, formerly of Upper Clements.

The double ring ceremony was performed by the Rev. David Reid and organist for the occasion was Mrs. Richard Lawson.

The bride was given in marriage by her brother, Curley Allen Rawlings. For her marriage Christine chose a floor length gown of heavy, white matte silk, embroidered with lace appliques with touches of seed pearls and brilliants. The round neck had a small yoke of lace and an inset of nylon sheer. The embroidered lace on the bodice fell to points in the back and front.

The straight skirt had floral appliques of lace and a deep V of lace falling to the hemline, sweeping back to form a wide scalloped band around the full circular train. The straight sleeves had bands of lace fastened with tiny silk covered buttons. Her three tier veil fell from a dainty crown of seed pearls and brilliants and swept into full cathedral length edged with a wide band of lace. She carried a nosegay of coral roses, yellow daisy mums and baby's breath with white shower ribbons. Her attendants were Mrs. Carol (Cleaves) Smith as Matron of Honour, Heather Moors of Halifax, Mrs. Richard Smith, bridesmaids; Melanie Smith and Shane Rice were flower girl and ring-bearer.

Carol wore a gown of ivory

'silk with a slight train. The bodice had a V neckline and was slightly gathered at the bustline falling in soft folds to the floor. Over the bodice was a cape of matching nylon sheer falling in points back and front.

The bridesmaids wore similar gowns in coral. They carried cascades of coral and yellow daisy mums with shower ribbons. The girls wore coral roses in their hair.

Little Melanie Smith wore a floor length gown in dainty white with touches of yellow lace at neckline, cuffs and hem. She carried a natural straw basket of coral and pale yellow mums and wore lily of the valley in her hair.

The ring-bearer, Shane Rice wore black pants, white ruffled shirt, white vest and black bow tie. He carried a white satin pillow, edged in lace with shower ribbons.

Don Kellar of Bedford was best man and Edward Mailman and Reginald Balcom were ushers. The men in the wedding party wore white dinner jackets, black pants and ruffled shirts with boutonnieres of coral roses. Mr. Rawlings wore a black tuxedo with a yellow rose as boutonniere.

For her daughter's wedding, Mrs. Rawlings chose a jacket style, floor length gown of mint green. It featured a wide collar with self tie, long sleeves with wide turn back cuffs in an embossed silk. She carried a gold bag and wore a corsage of pink mums.

Mrs. Swiber wore a floor length gown of floral silk in rose, shell pink and pale green. Over it she wore a full length sheer coat in the same floral pattern fastened at the waist. She wore white accessories and a corsage of white mums.

Mrs. Owen Balcom, grandmother of the groom, chose a blue floral print in silk with white corsage with silver ribbon. Mrs. Allen Spurr, grandmother of the bride, wore a pale blue dress with white corsage with silver ribbons.

A reception for 100 was held at the Royal Canadian Legion, Clementsport, where a three tier bridal cake centred the table. The guests enjoyed a delicious buffet.

Stewart Lewis was master of ceremonies and Johnny Rawlings had charge of the guest book. Mr. Garnet LeCain proposed the toast to the bride to which the groom responded. The groom proposed the toast to the other members of the bridal party.

Christine and Michael served their guests with wedding cake.

Following the reception, Mr. and Mrs. Swiber took a short trip to the South Shore and Prince Edward Island. Mrs. Swiber wore a two piece ensemble of brown and beige in a peasant style with beige accessories. She carried a small nosegay of ivory roses.

Mr. and Mrs. Swiber are making their home in Halifax where Mr. Swiber is on the staff of Bedford High School and Mrs. Swiber is employed at the Bank of Nova Scotia.

Guests from out of town were from Halifax, Truro, British Columbia and parts of United States.

#### New Tusket Project Approved

The Nova Scotia good life: 'Buster' Brown enjoys it... and works to preserve it.

The good life we Nova Scotians are able to enjoy — the forests, seashore, rivers; the unpolluted air and clean, clear water — is the envy of millions living beyond our boundaries. The tourists who flock here every year are the proof of it.

Yet these things are fragile... they need protection. And nobody knows it better than Walter (Buster) Brown.

He works at Environment — the Department of the Environment — as one of its team of experienced Well Inspectors. Buster's beat is the Valley and the South Shore, investigating complaints about well contamination or construction problems, testing the water supply and administering our Well Drilling Act that ensures safe water supplies for all of us.

With a background of 30 years in the well drilling business, Buster knows his job. Another thing he knows is that for him, his wife Gloria and their three sons, there's no place like Nova Scotia and their home at Hatchet Lake. He aims to make sure it'll always be that way. That's why he works at Environment.

NOVA SCOTIA  
DEPARTMENT  
OF THE

Let's Go

Saturday, September 24  
10:30 a.m. on ATV.  
CREATIVE WORKSHOP FOR KIDS PREMIERES WITH LOTS OF EXCITING NEWS ABOUT RULES  
Saturday, September 24.  
LET'S GO captured the imagination and attention of kids from ages 3 to 12 during the past year and will once again inform and entertain in the '77-78 season. LET'S GO premieres Saturday, September 24 at 10:30 A.M. on ATV with creative activities designed by the kids themselves. This week, they are concentrating on "rules".  
Host Janis Dunning returns along with the children - Donna, Brent, Heidi, Trevor, Brian and Darcy. Joining them this season is musician-composer Jay Brazeau who will add his skills to the problems at hand. Using theatre arts, crafts, dance and much, much more, the LET'S GO team will explore concerns of young people today.  
The first episode of LET'S GO takes a playful and yet serious look at rules and the law. In a clever musical number Sally The Syn-copated Elephant, they examine a musical rule...syncopation and what it means in rhythmic composition. As well, the kids undertake to explain why there are rules in the home and what could possibly happen if they did not exist.  
LET'S GO is produced and directed by Gene Packwood at CKY-TV, CTV's Winnipeg affiliate. Executive Producer is Rod Webb.

### Seek Legion Associate Membership

The regular monthly meeting of the Bear River Legion Branch 22 of the Royal Canadian Legion was held in the Legion Hall with the President Com. L.M. Parker presiding.

The meeting opened in the usual manner with depositing of the colours and singing of O'Canada followed by one minute's silence in memory of fallen comrades.

Applications were read from Richard Gates and Karna W. Potter for Associate membership.

The treasurer's report was read and accounts from the General Fund and Poppy Fund were given by the treasurer; accounts from the canteen fund and War Memorial were given.

Reports from various committees were heard and a talk by Com. G. Chute Chairman of Ways and Means. He reported help

needed at Exhibition each day for parking of vehicles and selling tickets. Golf tournament held at Digby Pines was successful and banquet that followed at the Legion Hall, prepared and served by the Ladies Auxiliary of Branch 22, was complimented.

Work is to begin on front of Legion Hall early in September, anyone interested in helping is to contact Building Chairman Committee.

Labor Day Darts are to be held at Clementsport Legion on September 5th. Anyone interested please contact Sports Chairman Com. F. Marshall.

A talk was given by Service Officer Com. M.J. Wheelhouse on Veterans affairs and those who think of retiring at age 60.

Also there was a talk by Com. Pres. Parker on various items that pertained to Legion.

Vote of thanks to Ladies Auxiliary for delicious supper served on August 20th for Golf members.

Next monthly meeting for Legion and Ladies Auxiliary will be held on September 22nd at 8 p.m.

A lunch was served by the Ladies Auxiliary after meeting closed with singing of the Queen.

### Motor Vehicle Act Change Will Benefit Farmers

Malcolm Justason, President of the Digby County Federation of Agriculture, has advised that the Motor Vehicle Act has been amended to provide for the licensing of persons between the ages of 14 and 16 to operate farm tractors on public highways in Nova Scotias.

The youthful operators will be required to qualify in vision tests and tests in rules of the road and sign recognition.

Lester Settle, Secretary-manager of the Nova Scotia Federation of Agriculture said "that motor vehicle examining officers in Nova Scotia have been instructed to process these applications immediately."

Mr. Justason said that he was delighted by the announcement as it was something that the Digby County Federation of Agriculture had asked for in recent years. "I believe it is

## Tax Officials Meet With Fish Dealers

Officials of Revenue Canada, Taxation from Halifax and Ottawa met with independent fish dealers from Digby, Yarmouth and Shelburne counties on August 23 in an effort to improve income tax collections from self-employed fishermen.

It was learned at the meeting that over two million dollars in tax arrears is owing the Federal Government from fishermen who are behind on their income tax payments.

Tax officials asked for the

dealers' cooperation to assist tempting to put the fishermen on a current basis for tax purposes. During the next few months they will be contacting fishermen who owe tax arrears and hope that the large majority will agree to an orderly method of payment and will take advantage of deductions at source for current taxes. Fishermen who may want to take the opportunity to have deducted from earnings an agreed percentage of fish sales to be applied to current income tax. The dealers responded favourably to the

proposal. Tax officials stated that they were at a more active collection program will be initiated against those fishermen who refuse to arrange to meet their responsibilities.

Local Member of Parliament Coline Campbell attended the meeting and indicated satisfaction that there appeared to be an improvement in communications between some of her constituents and Federal Government officials.

## Municipality Votes For Joint Hiring Of Recreation Co-ordinator

The Municipality of the District of Digby has given its stamp of approval to the joint hiring of a recreation co-ordinator to serve both Digby town and municipality.

A motion to this effect was given approval during the municipality's monthly council session Monday.

Councillors agreed to put a sum of \$10,000 in its 1978 budget to cover the municipality's share. Half of the required expenditure will be refunded from the province via cost-sharing.

Vandalism was in the minds of several councillors during Monday's discussion.

Coun. MacAlpine felt the hiring of a recreation co-ordinator with the recreational activities such a move will hopefully create - will help alleviate vandalism in the area.

Coun. Richard Daley warned that if something is not done about vandalism the area might face the loss of yet another school or building (in reference to loss of D.R.H.S.).

"If he (recreation co-ordinator) can help this group of people (vandals) maybe its the thing we should be doing," Coun. Daley said.

Coun. Helen McNeil, skeptical of the benefits of hiring such co-ordinator, said it is not the people involved in sports that get involved in vandalism.

She allowed, however, that having a co-ordinator - though it wouldn't stop the problem - might help. She laid much of the responsibility for the problem on the parents of the youngsters involved.

Warden Wilfred Swift also felt those creating the problems are not those who want to play sports.

Coun. McNeil was also sceptical on another point. She spoke of another part of the province which employed a recreation co-ordinator. Officials there, she said, were not satisfied with the results they got for the cost.

Warden Swift expressed concern all the benefits would go to the town.

Coun. Daley, felt the move was a worthwhile investment. He suggested the move might bring back "eight or nine-fold" in returns.

Coun. MacAlpine estimated it might take two years before a judgement can be made on the idea's success. The

person hired, he said, has to be given the chance to know the area and get things moving.

Coun. Parker Thurber said he knows of a case in his area where a grant of about \$25,000 was lost because people didn't know which way to go. Several councillors felt it to be part of the co-ordinator's job to know how and from where to obtain funds for various programs. He would be expected to improve recreation programming in the area. Digby town council has yet to approve the joint hiring venture.

### AIRPORT

In other council activity Council decided in favour of taking responsibility for any airport overexpenditure to a maximum of \$6,000. This situation could arise if the municipality is successful in getting a grant for improvements at the airport.

The municipality has applied for a \$180,000 from the Transport department of the federal government.

Coun. McNeil reported that rentals for additional school space - necessitated by loss of a section of D.R.H.S. by fire - would cost about \$1,600 for the school year.

Coun. Grant Sabine reported that the Building Committee for Weymouth Consolidated High School had met several times, had interviewed four architects, and would be deciding which one would be hired for the school's addition some time this week.

He said a meeting was held with Weymouth teachers and the school's superintendent for their input.

### LAGOON

Coun. Eric VanTassel brought to the table a petition from residents in the Rossway area protesting the condition of a sewage lagoon on the Marsh Road.

He said the residents felt this was a bad location for health reasons and he, himself, considers it to be inadequate. Coun. Winchester made note he would be meeting with representatives of another municipality with similar problems as those here, and would report back on his finding.

Coun. VanTassel said he felt a new lagoon would be the only way to rectify the problem. The Alder bushes surrounding the lagoon, he said, would break the seal every time a load is put into it.

## Electric Utilities - Cost Is Major Concern

The four municipalities involved with the Digby County Power Board are in a continuing stalemate as to that body's future.

Three possibilities exist: sale (supported by Clare and Digby municipality), amalgamation (supported by Weymouth and Power Board officials) or maintenance of the status quo (officially supported by no-one).

The present stalemate situation favours the third alternative. Unless all municipal units can agree to one of the other alternatives, the utilities will remain separate.

The local media has attempted to keep well abreast of developments in this situation - reporting on ratepayers' meetings, etc., but little attention has been given to the reasons Digby municipality and Clare are in favour in selling. This is our effort to shed a little light on the less-publicized option-sale of the hydro system to the Nova Scotia Power Corporation.

The primary reason, we find, for the stand of both municipal councils is the cost to the taxpayers.

Clare Warden Robert Theriault says he could see continued operation of the hydro system as a business venture - by an entrepreneur who could afford to gamble - but he feels this should not be done with taxpayers' money.

Clare, Mr. Theriault notes, has been in favour of selling the system for the past several years. Sale was judged to be the only reasonable alternative after a period of years of going into debt.

Theriault feels that if the Power Board

undertakes the capital expenditures called for in a recent study of the system, resulting rates will be as high or higher than those of the Power Corporation - and the Power Board would have a big expense to finance.

The Warden expressed concern about possible effect on the people - owners of the utilities - from the debt.

Theriault sees no way out of the current stalemate but is hopeful Digby and Weymouth will eventually opt for sale of the system.

Warden Wilfred Swift said his council's decision in favour of selling was made for basically the same reason - it's costing the taxpayers, money.

Personally, though, Swift says he hasn't committed himself one way or the other although he's in favour of selling "unless big changes are made."

If the system is sold and remains in the hands of its current operators "what's going to be the difference?", he questioned.

"They never went into this thing thorough enough I don't think," Swift said in reference to Power Corporation officials' efforts to promote amalgamation.

Warden Swift said nothing is settled yet and a lot has yet to be explained. He felt a joint meeting of the municipalities earlier this month did not do much good.

The message of power board officials has been that under amalgamation - with common rate charges in all municipalities, required capital expenditures could be looked after, thus retaining local control of the system.

## Blinn Considers French School Wise Move

Omer Blinn, acting president of the Universite Sainte Anne, Church Point, considers, according to news reports, that the French unilingual school proposed for Halifax is a wise move and hopes the program will

be extended to other Nova Scotia communities.

The proposed school or schools for grades primary to six, will try to serve an estimated 10,000 Francophone families living in the Halifax area. He feels

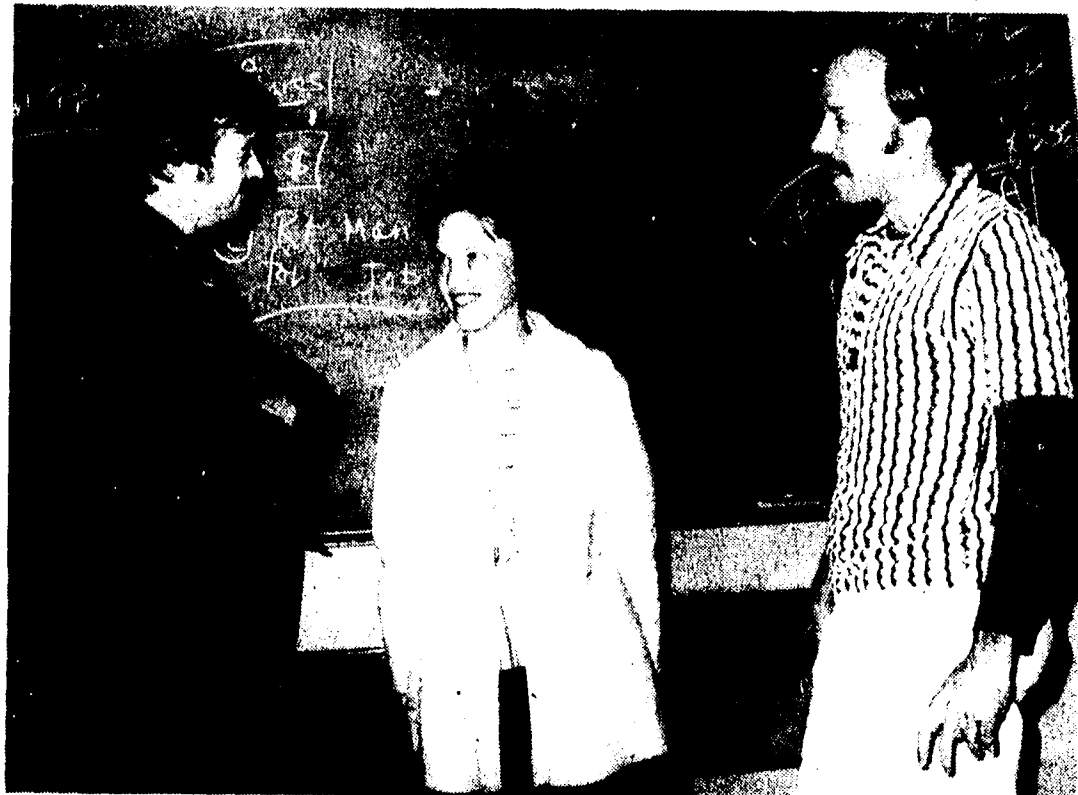

the opportunity to attend the unilingual school should be extended to children from

English-speaking families as well as French families. He also feels that students should have the option of being able to continue their

high school education in French.

He said expanded French immersion courses could be undertaken in the existing schools, without a great deal of additional construction and expense.

## Industry Sought For Mentally Handicapped

Doug Hapeman, Chairman of the Adult Services Committee of the Hope Fellowship Association; Carla Keddy, Director of the Adult Services Committee's industrial program; and Al Francis former manager of Natural Recovery Systems in Moncton are shown during a recent meeting on employment possibilities for the handicapped.

After a year of background work and thought, the Adult Services Committee of the Hope Fellowship Association, is almost ready to embark on an industry to employ the area's handicapped.

A special meeting, termed a "learning meeting" of the Adult Services Committee was held at the Activity Centre. Guest for the evening was Al Francis, former manager of Natural Recovery Systems (a company made up mainly of handicapped employees) and present consultant for project development.

Mr. Francis showed two films on the subject of making the mentally handicapped valuable, working members of society.

Mr. Francis appeared happy with the enthusiastic turnout for the evening's program. He termed his audience a very serious

group of people "wanting to do a job here."

"Every handicapped individual is just the same as the rest of us. We all need an opportunity," Mr. Francis told the group.

The term Mentally Handicapped, Mr. Francis said, is used in reference to "slow learners." However, most people think the term refers to "no learners."

The films shown provided proof that the mentally handicapped can be taught to do a job - not only well-but as well or better than any other employee.

Francis said Natural Recovery Systems started off with such tasks as recycling cardboard and glass. It has since expanded its activities to such chores as rebuilding generators.

One of the aims at Natural Recovery is - while keeping the company productive - to help employees find better,

higher paying, job opportunities elsewhere.

In determining the value of a job, Mr. Francis urged the group to consider - can the employee earn a decent living. This, he said, is one of the two things necessary to make a person independent. The other is the ability to make a decision and bear the consequences.

Mr. Francis met with members of the committee the following day for in-depth study of industry possibilities for the handicapped of this area.

The game was played at Brudenell, P.E.I.

## Reminders To Parents Of Hunters Age 14 To 16

With the hunting season just around the corner many people are getting ready for the woods. Many of the hunters will be persons between the age of 14 and 16 years of age. We would like to remind parents and hunters alike that persons aged 14-16 years require a permit to carry firearms and ammunition which is in addition to any hunting licence. The young hunters must be accompanied by a parent, guardian or responsible adult while hunting. The permits are issued by any RCMP office and the person should be accompanied by a parent when applying for the permit.

Permits for shotguns can be issued from October 1st until February 15th of the following year. Permits to carry .22 calibre rifles can only be issued from

December 1st until February 15th of the following year due to the big game and small game hunting regulations.

Violations respecting permits can result in cancellation of the permit or prosecution action under the Criminal Code. It is again pointed out that 14-16 year old hunters must comply with provincial hunting regulations in addition to the requirements of the Criminal Code.

The Criminal Code contains provisions for issuance of permits to persons under the age of 14 years in areas designated by the Governor in Council. Since no areas have been designated in Nova Scotia, no permits to persons under 14 years of age will be issued.

Permits may be obtained between the hours of 9 am and 5 pm - Monday thru Friday at the Digby RCMP Detachment.

### COOPERATE WITH FIREMEN

Winter is coming. Notable about this winter's preparations is one in which there is quite a bit of conversion from oil heat to wood heat with the conversion taking place under the "expertise" of the home owner and dweller. When it turns out that the workmanship lacks much trace of expertise, this practice can be dangerous.

Another practice brought to our attention by the firemen is that of burning paper and garbage in the fireplace. The Digby Fire Department wishes to draw the attention of the public to this dangerous practice and is hereby doing so in the week before Fire Prevention Week. Other departments join with the Digby Fire Department in the same expression of warning.

Volunteer Fire Departments stand by to protect the life and property of each and every one of us residing in the respective communities. Our lives and property are in their hands when it comes to fire safety. They deserve credit for the noble work they carry on and certainly need cooperation. Let the firemen inspect your premises. Let them advise you of hazards they may see and let them correct you of dangerous habits which you fail to note.

### WHAT NOW?

Things had been going along fairly well for some months. The smashed glass windows and doors and the nonsensical destruction of tombstones and markers at the Digby Baptist Church cemetery last week makes us realize that the vandals are still with us. What type of vandal can get so low as to damage old and irreplaceable tombstones is unimaginable.

So what now? What has been done? There had been meetings and more meetings and there had been at these meetings talk, talk and more talk on what might be done to curb this crime and waste. But, really what has been done as a result of the meetings. The meetings aroused

people to the destruction going on, they were helpful and necessary but what positive action, if any, has been taken?

What became of the suggestion of adding an extra man to the Digby R.C.M.P. force. Or, what became of the suggestion that police time be rescheduled to have complete around-the-clock duties. Then there was the suggestion of volunteer service. Recreation was talked about. In answer to the last statement, we believe positive steps toward a full-time recreation coordinator are progressing.

Complaints were made at those meetings that the judge's sentences were not stiff enough to discipline the youth. Even these are now said to be more satisfactory to the public's sense of justice. This might have its effect.

Then, there was that complaint of noninvolvement. Persons in the "know" or seemed to feel they knew who the culprits were would fail to aid the police in bringing the culprits to the courts. Things are not likely to improve greatly until something positive is done and it would seem that the getting involved situation has not improved much.

So, what now? More meetings, more talk or more positive action. Maybe the town's new council members (if they are) might come up with some solution. It's a challenge. In the meantime, what now.

### IT'S AN ILL WIND THAT BLOWS NOBODY GOOD

One swallow does not a summer make nor is the result of any one particular incident necessarily proof in all cases. Nevertheless, something in the daily news last week caught our attention and should be of interest to every person in Digby and around. It refers to the news story from Saint John, N.B. which reports that a strike by 514 employees of the New Brunswick Liquor Corporation had brought a substantial reduction in the city's crime rate. So it was found by Police Chief Eric W. Ferguson. According to the Chief, disturbances were practically eliminated, impaired driving dropped to fifty percent and there was a substantial reduction in motor vehicle accidents. Chief Ferguson said he had always felt that 85 percent to 90 percent of all criminal offences occur when people are drinking or are on drugs.

While we are not in favor of strikes which retard production and economic growth, here is an instance, the outcome of which should concern many - at least, those who profess to be concerned about our law breakers, our vandals and so on.

## Hodge Podge

Without a full complement of councillors, the council could not function well nor would the town progress. Therefore, since this is the week for nomination of candidates to run for Digby Town Council seats in the October election, make haste to submit, with their consent, the names of your favorite candidates. This is the week.

## Letters To The Editor

Canadian War Museum,  
330 Sussex Drive,  
Ottawa, Ontario.  
K1A 0M8

1 September 1977

Dear Madam:

The Canadian War Museum seeks to strengthen its collection of military artifacts and at this time especially wishes to acquire uniforms, weapons, medals, military books, insignia and photographs concerning the military history of North America from 1604 to the present. Artifacts relating to the allied and enemy forces from the First and Second World Wars, and from Peace Keeping Assignments are also of interest, as are the common everyday items used by Canadian military personnel in the war zones, in rest areas behind the lines, and at home.

These are for display, future reference and research in the Canadian War Museum in the national capital and other allied Canadian military museums. The Canadian War Museum would be pleased to hear from you if you are able to assist in this requirement.

Yours sincerely,  
L. F. Murray,  
Chief Curator.

Editor  
The Digby Courier  
Digby, N.S.

Dear Editor:

As we know there are a number of things that can spoil good living in a residential area of any community, one of which is disorderly conduct in a public place. Is there not protection for citizens from such conduct in the Criminal Code of Canada?

Shame - shame - shame on any club or other organization that conducts a kind of business that tends to cause law-breaking patrons. Let the authorities do their duty when those responsible either directly break the law or, run a business that causes the law to be broken by patrons.

How many times does it have to be proven that liquor consumption results in causing a large part of all crime committed? Such evidence is strongly indicated as told by Saint John's police Chief, Eric W. Ferguson, during the strike of the New Brunswick Liquor Corp.

Why should a liquor business be allowed to operate in a dance hall building, in a residential area, in Digby, where and when the peace is frequently broken for occupants of nearby dwellings?

Concerned Citizen.

## \$50,000. Lottery Winner

**RAINY DAYS ARE OVER** - Rainy days in the campground business give owners like Laird Banks of Digby, N.S., nightmares. But getting \$50,000 grand prize cheque from Atlantic Loto prize clerk Barb Crocker, can make even rainy days pleasant.

Atlantic Loto has made a Smith's Cove man \$50,000 richer. Laird Banks, operator of a 90-unit campground in that community, picked up the second grand prize in the lottery's latest draw.

Mr. Banks is a native of the Digby area. He returned here in 1970 after spending a period of time in Toronto.

He says news of his winnings brought a "numb kind of reaction". He plans to invest the money as something to fall back on in the event of a bad camping year.

## Digby Red Cross Branch Reopens

There was a good attendance at the first fall meeting of the Digby Red Cross Branch, which reopened with a business session presided over by the President, Harold Emerson. Minutes of the June meeting were read by the Secretary, Mrs. Mary Robert, followed by the treasurer's report, presented by Mrs. J.J. Britain.

It was reported by the President that the financial Campaign of the Branch had been concluded and final returns of \$1888.41 transferred to the Divisional Office in Halifax. Mr. Emerson expressed his thanks to all those who had assisted with the Campaign. Thanks were also extended on behalf of the Blood Donor Committee to all those who participated in the recent successful Blood Donor Clinic at which 275 donors were registered.

The report of the Women's Work Committee, now renamed the A.I.D. Committee, was presented by Mrs. H.M. Warne, who reported the following finished articles shipped to Halifax after the June

COLINE From Page 1

of Canada to the United Nations, Geneva; Mr. Pierre Charpentier, Ambassador of Canada to Algeria; Mr. John Small, Department of External Affairs Former Ambassador of Canada to the people's Republic of China; Mr. Dean R. St. J. MacDonald, Faculty of Law, Dalhousie University, Nova Scotia; and Mrs. William C.Y. McGregor, National President, Brotherhood of Railway and Airline Clerks, General Vice-President, Canadian Labour Congress.

closing of the Branch: 11 Afghans, 2 Quilts, 7 Sweaters, and 660 Gauze Wipes; also 1 Apron and 16 Pot Holders for the Craft Sales. In August a further shipment of craft items was made, consisting of a crocheted Afghan and a crocheted Bedspread. Mrs. Warne also reported the sum of \$316.75 received from the quilt which had been raffled during the early summer. The Red Cross Newsletter congratulated the Branch on the amount raised in this way, and our committee in turn thanked Mrs. Carter of the Elite Shop who had displayed the quilt and sold a great many of the tickets. Following a discussion of money raising from quilts, it was decided that the Branch should discontinue the practice of quilting for individuals and spend our time in making quilts for the Branch, since they are still needed by Red Cross for emergency use and since larger amounts of money can be raised by making special quilts for sale.

The report of the Ways and Means Committee, presented by Mrs. Allan Harris, showed receipts of \$9.54 from teas, \$25 from quilting and \$69 from the Sickroom Loan Committee. From this amount a donation of \$100 had been given to the Swimming Pool and miscellaneous expenses of the Branch had been met.

It was reported that no Emergency Aid had been required during the summer, but the Sickroom Loan Committee had been busy, as shown in Mrs. Winfield's report of the following equipment loaned: 2 Hospital Beds, 5 Wheelchairs, 5 Walkers and 9 pairs of Crutches. The

following items were returned: 1 Hospital Bed, 2 Wheelchairs, 5 Walkers and 8 pairs of Crutches. Thanks were expressed for cash donations of \$69 for the use of equipment, also the donation of 2-3 prong canes to add to our Sickroom Equipment.

Reporting on behalf of the Awards Committee, Mr. Emerson stated that he had made the presentation of a Red Cross Citation to the Digby Municipality in recognition of the service they had rendered the Branch by granting us use of space for our meetings and storage of materials at the Court House throughout the years. Three Blood Donor Citations for 35 donations each had also been presented at the recent Clinic to Mr. R.I. Woodworth, Granville Ferry; Mrs. D.M. Smith, Bear River; and Mr. G. A. Shaw, Deep Brook.

With the Branch Annual Meeting due to be held in October, a Nominating Committee was named as follows: Mrs. Mary Robert, Mrs. Edna Stark, Mrs. H.M. Warne and Mrs. Elliott VanTassel. It was reported that Miss MacAdams, Divisional A.I.D. Director and Miss Kedy, Chairman, would be in the Valley area in the near future and it was left with Mrs. Warne to try to arrange the date of the Annual Meeting so that they might be present. Mr. Emerson also offered to invite MacLeod Rogers, Chairman of the Kiwanis Swimming Pool, to attend and give a report on the Swimming Pool.

The meeting adjourned for the customary afternoon tea served by members of the Ways and Means Committee.

## Roll Call At North Range

Guest preacher for the annual Roll Call service at the United Baptist Church, North Range on Sunday afternoon was Rev. Murray Shaw of the Digby - Hill Grove pastorate. He based his message on St. John 8:11 - "Judging."

The service was conducted by the pastor, Lic. Barry Dixon, who welcomed the guests and introduced the speaker.

The roll was called by the church clerk, Ivan Bain. Special music was provided by the choir in a chorus, "I Don't Know About Tomorrow", and a special by the church singing group

composed of Mrs. Maxine Bain and Mrs. Muriel Levings, Alto, Donna Haight, Cheryl Bain, Brenda Hannam, soprano and Scott Haight and Ivan Bain harmonizing with guitar accompaniment.

The service was well attended with a good representation of the membership present.

A time of fellowship followed at the church hall when about 55 members and friends enjoyed a "potluck" supper and a time of renewal with the pastor and Mrs. Dixon, church officers, families and friends.

# WEDDINGS

SPRAGUE-WHITE

A pretty summer wedding was held at Holy Cross Church, Plympton, N.S., on August 20, 1977 at 3 o'clock in the afternoon when Yvonne Augusta, youngest daughter of Mr. and Mrs. Alfred White Sr., was united in marriage to Arnold Joseph Sprague, son of Mrs. Lillian Sprague and the late George Sprague, Doucetteville, N.S.

The double ring ceremony was performed by Rev. Father Rene LeBlanc, parish priest. The first reading was by Arnold Amro, friend of the groom. Mrs. Mary Doucette was organist and Mrs. Betty Cosman was soloist, rendering the "Wedding Song", "Ave Marie", and "Whither Thou Goest".

The bride given in marriage by her father, wore a white floor length gown of polyester, highlighted with rose appliques. The gown featured a high shirred neck-line, long sleeves and a full length train. Her waist length veil was held in place by a lace-trimmed head dress. Her only jewelry was pearl earrings, a gift of the groom. She carried a presentation of

red roses and lily of the valley with white ribbons and rosebuds.

The matron of honor was Mrs. Helen Cosman, sister of the bride. Bridesmaids were Mrs. Linda Tibbets and Mrs. Judy Moulaison, sisters of the groom. They wore gowns of floral polyester crepe, identical in style. The matron of honor chose a light blue shade while the bridesmaids chose shades of light pink and light green. The gowns had empire waist and long sleeves. Each carried nosegays of tinted carnations and mums, corresponding in color to their gowns.

Stanley Sprague, brother of the groom was best man and the ushers were Nelson White and Alfred White, brothers of the bride.

The bride's mother chose a blue polyester ensemble with white accessories. Her corsage was tinted carnations.

The groom's mother chose a deep peach gown of nylon over taffeta with white accessories. Her corsage was tinted carnations.

Following the ceremony

the reception was held at the Digby Fire Hall. A cold plate was served to approximately 200 guests. The hall was tastefully decorated for the occasion with blue and white streamers. A three-tier wedding cake of blue and white was centered on the bride's table. The bride's table was served by Mrs. Geraldine White and Mrs. Louis White, sisters-in-law of the bride. Miss Sandra White, niece of the bride, was in charge of the guest book.

Mr. Wilfred Cosman proposed the toast to the bride, which was immediately responded to by

the groom, and Rev. Father Rene LeBlanc asked the blessing.

For going away the bride chose a two-piece outfit of pale green with white accessories and a corsage of tinted carnations.

After a honeymoon trip to various parts of Eastern Canada and the Eastern United States, the couple will reside in Doucetteville, N.S. The groom is associated with "W. E. Cosman & Son Ltd." and the bride is on the staff of "Amirault's Rite-Way", Weymouth, N.S.

Out of town guests were from Greenwood, Yarmouth, Halifax, Ontario and California.

## BEEMAN-DOUCETTE

Laura Jean Doucette of Boise, Idaho, daughter of Mr. and Mrs. William Henry Doucette of 152 Cook Hill Road, Wallingford, Connecticut, was married Friday at 7 p.m. at the Yankee Silversmith Inn to Charles Andrew Beeman of Boise, son of Mrs. Luther Fear of Lakewood, California, and the late William F. Moore. Raymond Arico, justice of the peace, performed the doubling ceremony.

The bride was escorted by her father and attended by her sister, Mrs. Mark Riotte of Denver, Colo., as matron of honor. The bride's godchild, Kimberly Keyes of Meriden, passed the guest book. Brett Beeman of

Boise, son of the groom, was best man. Mark Riotte of Denver, brother-in-law of the bride, escorted the guests.

The couple will visit New England states and Nova Scotia before returning to Boise.

The bride is the granddaughter of the late Henry J. and Laura Melanson Doucette, Plympton.

The bride graduated from Lyman Hall High School in 1969 and from Hartford Hospital School of Nursing in 1972. She is a registered nurse. The groom attended schools in Downey, California and served in the United States Marines. He is employed as a repairman by the central office of Mountain Bell Telephone Co.

## CHRETIEN-RUGGLES

Miss Norine Ruggles, daughter of Mr. and Mrs. Calvin Ruggles of Masson, Quebec and Mr. Michel Chretien, son of Mr. and Mrs. Jean-Charles Chretien of Lauraine, Quebec, were united in marriage on September 3, 1977 at St. Andrew's United Church.

Given in marriage by her father, the bride was attended by Mrs. Grace Banning as matron of honour, sister of the bride, and Mr. Denis Chretien, best man, brother of the groom. Mr. Elgen Banning, brother-in-law of the bride and Mr. Sylvain Chretien, brother of

the groom, attended as ushers.

A reception was held at the Ambassador Hotel, Gatineau. Following the reception the happy couple left on a short honeymoon trip to the Laurentians. The newly weds will take up residence at Touraine, Quebec.

Among the out-of-town guests were Mr. and Mrs. Allister Harris of Bear River, Nova Scotia; Mr. and Mrs. Kenneth Lawrence of Orleans, Ontario; Mrs. Laurette Spinelli of Smith Falls, Ontario and Mr. and Mrs. Albert Chretien of Toronto, Ontario.

## Campers' Party

The Fundy Spray campground held its annual party for steady and seasonal camping guests on Saturday. About 80 campers participated.

This is the fourth year

Fundy Spray has put on such an event. Activities included a seafood chowder, dance, bonfire, picnic, etc.

On these occasions, campers who happen to be on the site at the time are also invited to join the festivities.

Mrs. Ripley was presented with a gift from each Guild member and a beautiful decorated cake to represent the Bible was also presented to Mrs. Ripley. This cake was made and decorated by Mrs. Phyllis Allen.

Thanks to Mrs. Bertha Haviland for her box of five pounds of used stamps collected by Bertha. These stamps were sent to the Leprosy Mission of Canada at Toronto to be sold to help with their work.

In the middle of the Pacific Ocean, there's a line you can cross and lose a whole day. In the middle of the highway, there's a line you can cross and do even better.

What might have otherwise resulted in a bad fire at Clementsport was averted by prompt arrival of the Bear River Fire Department and by help of neighbours. The fire was at the home of

Mrs. John Johnson, now occupied by Timothy Gregory. It is understood the fire started from an overheated stove pipe but was quickly under control.

Visitors of Mrs. Bertha Pierce were grandchildren Phyllis and Billy, Lansdowne; Mrs. Viola Lombard and family entertained Mr. Pierce for the day last week. The president, Mrs. Bert Mayo, introduced the speaker, Mrs. DeBoer spoke on the value and importance of family life.

## National Parks Open All Year

All National Parks across Canada remain open all year.

With fewer crowds and magnificent fall foliage, autumn is an excellent time of year to visit them.

Mr. Douglas Hall, Acting Director, Parks Canada, Atlantic Region announced

The program consisted of a dialogue between Gordon Sinclair and a missionary. This was followed by interesting discussion which centred around faith.

During the social hour friendly conversation and refreshments were enjoyed.

The business meeting was held after the guests had left.

Plans were discussed for two Presbyterian meetings which will be held in Bridgetown and Halifax in October. Boxes of winter clothing will be packed this week to send to the Brunswick Street Mission.

today that full summer camping facilities are still open at most of the Parks in the Atlantic Region up to and including the Thanksgiving Day Weekend. Winter camping facilities will then go into effect with a minimum of facilities provided.

## "Sea, Salt And Sweat" Available

Sea, Salt and Sweat, a history of the Nova Scotia fishing industry, has just been published by the provincial Department of Fisheries.

The book recounts the history of the Nova Scotia fishing industry from the early 1500s to the present and the 200-mile offshore limit with an outlook to the future once over-fished stocks have been replenished.

The Cover of the 109-page book is a full-color illustration of Cape Island fishing boats tied in one of our coastal harbors.

The clearly-written text tells of the original European discovery of the fishing wealth along the Nova Scotia coast, the development of the industry through the French and British wars for control of North America and the growth of fishing since then as Nova Scotians and fishermen of other nations

## Dartmouth Student Wins Renewal Of Fellowship

Kingston, Ontario— A \$4,000 Gulf Oil Canada Graduate Fellowship won for the second consecutive year by Paul Robert Amyotte of Dartmouth, Nova Scotia, will help fund further study by Mr. Amyotte into a more reliable system of predicting the drying times of stored wheat and other grains.

Mr. Amyotte, who received a Bachelor's degree in Chemical Engineering from the Royal Military College, Kingston, in 1976, undertook a course of studies leading to a Master of Science degree in Chemical Engineering at Queen's University last year. Upon completion of his basic courses, Mr. Amyotte will undertake studies in thermal radiation and heat, and mass momentum transfer.

Coupled with a series of experiments, these will lead to a thesis concerned with improved "deep-bed drying", the method by which wheat and most other grains are dried in storage.

Now in its 13th year, the Gulf Canada Fellowship-Scholarship program will benefit a total of nine graduate and 67 undergraduate students during the 1977-78 academic year at a cost of some \$170,000. Winners of 15 undergraduate scholarships valued at \$1,500 each and 20 bursaries of \$500 each will be announced shortly.

## Hill Grove

(Mrs. D.A. Roope)

## Sees Bad Winter Ahead

By John M. Buchanan, Q.C.  
MLA Leader of the  
Progressive Conservative  
Party of Nova Scotia

serious economic conditions which have beset our province at the present time. Nova Scotians unfortunately are about to face the worst winter in terms of unem-

ployment, cost of electricity and in general, poor economic conditions that we have had in the past 30 years. I am concerned that the Government of Nova Scotia,

being aware of these problems for a long period of time, has not been able to come to grips with them and it is very obvious that the Provincial Government has failed to respond to the basic needs of the people.

Unemployment in Nova Scotia is higher today than it has been since the depression years with 40,000 to 50,000 Nova Scotians looking for work. These people have a right to work. They want to work. Unemployment touches every citizen - not only those who are looking for work but those working and paying taxes for the Social Services made necessary by high unemployment. The citizens of the Province deserve a better deal, a better break from the Government.

The taxpayers of this Province are not getting value for their money. They are getting a very bad deal from the Regan Government which this year will spend close to one to one and a half billion dollars and yet we have 40,000 to 50,000 unemployed. Out of that total budget the best the Government has come up with has been a very poorly planned Job Corps Program for the summer months and recently a very poorly conceived and poorly planned Municipal Works Program, which really is not going to put much of a dent in the unemployment figures.

Nova Scotians need assistance from the Government at the present time. New bold initiatives and ideas are required. Our citizens have been receiving nothing but apathy, promises, announcements and words, but no action. It is obvious that the Government and the Premier's advisors have failed to react positively to the needs and concerns of the unemployed and generally to the people of Nova Scotia.

I have written to Premier Regan pointing out my concerns for unemployment and the economy generally and have asked him to convene the Legislature of Nova Scotia within the next two weeks. The Legislature of Nova Scotia is a Sovereign Governing Body of this Province and I know that the

members from both sides of the House feel definite responsibility to deal with the serious problems which have beset our citizens. Yet we are unable to act positively unless the Legislature and its committees are operational. The Legislature of Nova Scotia has not been sitting since the Spring of this year. It is important that all members of the Assembly, regardless of their political party, have an opportunity now to assist the Government in relieving unemployment and also providing ideas and initiatives which may relieve our serious economic conditions.

I believe it most irresponsible on the part of our Premier that he has not called the Legislature to Session. We as members of The House of Assembly were elected to represent our constituencies and to contribute in a positive sense to the overall governing of this Province. We have not had the opportunity for many months.

I believe that Premier Regan, if he is to be responsible to the people of Nova Scotia, must give all members the opportunity to do what we can to develop plans and proposals, so that this winter will not be as bad economically for our citizens as it is shaping up to be.

The cost of electricity, already causing problems for thousands of Nova Scotia families, will skyrocket this winter. The Government of this Province has not been able to stabilize these costs even though the Premier has made announcements and statements which led Nova Scotians to believe that Electric Bills would not increase. High electrical costs will add to the hardships of the unemployed and will continue to create economic problems for every citizen of Nova Scotia. This matter deserves and requires the attention of all MLAs.

There is much that the Government of Nova Scotia can do to stimulate the economy and relieve unemployment. There is a heavy responsibility on the part of the Federal Government to provide much needed capital, both for Public Works Projects and other developments within our Province. Thousands of

## Tideview Terrace

The Church of Christ, Weymouth, held a service at Tideview Sunday September 25th with Rev. Zimmerman.

jobs could be created immediately if capital was available to complete the modernization of the Sydney Steel Plant, to open new coal mining ventures in Cumberland County, Pictou County and industrial Cape Breton, to commence construction of a Container Terminal in Halifax and Sewer and Water Projects in many parts of the Province where they are badly needed. Large scale and well planned Housing Programs should also be undertaken to relieve the serious housing shortages in our Province and create thousands of jobs for tradesmen, labourers, etc.

Small business closures throughout Nova Scotia have taken their toll as far as the economy is concerned and has added to the number of unemployed. A double attack is needed now on the part of both the Federal and Provincial Governments to provide incentives to small businesses to permit them to expand and develop.

It is very obvious to Nova Scotians that the present Government has not been able to press upon Ottawa the importance of these projects to our economy and to relieve our most serious economical and social malaise - unemployment.

I therefore propose that in the interest of our Province that a delegation composed of the Premier, myself, the Leader of the New Democratic Party, together with support people, proceed to Ottawa to hold meetings with the Prime Minister, Hon. Allan MacEachen, and Hon. Don Jamieson. This kind of non-partisan united approach will very forcibly impress upon the Government of Canada that we mean business. That the people of Nova Scotia are concerned and that we are tired of being obviously second class citizens that has been placed upon this Province by the Government of Canada.

It is my opinion that the initiatives I have mentioned to Premier Regan in my letter will succeed in making this winter much easier in an economical and social sense and also indicate convincingly to the Federal Government that we can and will work together in the interests of our citizens.

Mrs. Zimmerman presided at the organ and duets were sung by Mrs. Zimmerman and Mrs. Lewis.

Mrs. Eillen Ring was visited by Mrs. Beatrice Gregory and Mr. and Mrs. Donald McGrath from Berwick, who took her to Bear River to visit Miss Goldie Milberry and to the service at the Advent Church in the evening.

Visitor of Mrs. Hannah Smith was Mrs. Jean Hiltz Upper Clements.

Visitor of Mrs. Violet Cann was Mrs. Florence Titus who took her to spend the day at Centreville. Mrs. Cann attended the roll call service at Centreville, Sunday afternoon.

Tideview Terrace is now the proud owner of a Yamaha organ. Some of the patients make various articles in the craft room which are sold at the Christmas sale and different times during the year. The money accumulated and one thousand dollars was able to be given towards this organ. Other donations from friends made this possible. The various church groups are finding this addition to Tideview very enjoyable. The patients all agree it is a great asset and is greatly appreciated by all.

Visitors of Mrs. Leta McClafferty were Mrs. Ora McNeill, Victoria St. Apt. Mr. Lester Egan, Digby, Mrs. Norman Theriault, Mrs. Gustave Thibault, Mr. and Mrs. Robert McClafferty and Mr. and Mrs. George Theriault, East Ferry.

The Kinettes held their monthly birthday party on Wednesday. Bingo was played and nice prizes went to the lucky winners. Birthday cake and ice cream was served to all. Those celebrating birthdays in September are Mrs. Glene Sypher, Mrs. Alice Van-Tassell and Miss Louise Woodland.

Mrs. Leota McClafferty was a dinner guest of Com. and Mrs. A. Fox, CFB Cornwallis, on Sunday.

Visitors of Miss Louise Bond were Mrs. Victor Titus, Miss Ada Johnson, Sandy Cove, Mrs. Ronald Bond and Mrs. Vera Harris, Granville Ferry.

Among visitors of Mrs. Louise Barton, were Mrs. Margaret Seals, Saint John; N.B.; Mrs. Evelyn Mansfield, Bridgetown; Mr. Irvin Chandler, Digby; Miss Holly Barton, Toronto.

A Sunday visitor of Mrs.

Alice Winchester was her grandson, Mr. Mike Delanty of Ottawa, who invited her out to supper. Mrs. Winchester was a supper guest of her son and his wife Mr. and Mrs. Chester Winchester.

Visitors of Mrs. Glen Sypher were Mr. Ernest Berry, California; Mr. and Mrs. Austin Morehouse, Mrs. Victor Titus, Sandy Cove; Mrs. Frank Larche, Digby and Mrs. Kenneth Carty, Sandy Cove.

Visitors of Mr. Charles Lambertson were Mr. and Mrs. Arthur Robinson, New Hampshire; all three left for a enjoyable day spent in Tiverton, Freeport and Westport.

Visitors of Mr. Edmond Thimot were Mr. and Mrs. Leicester Thimot of Freeport.

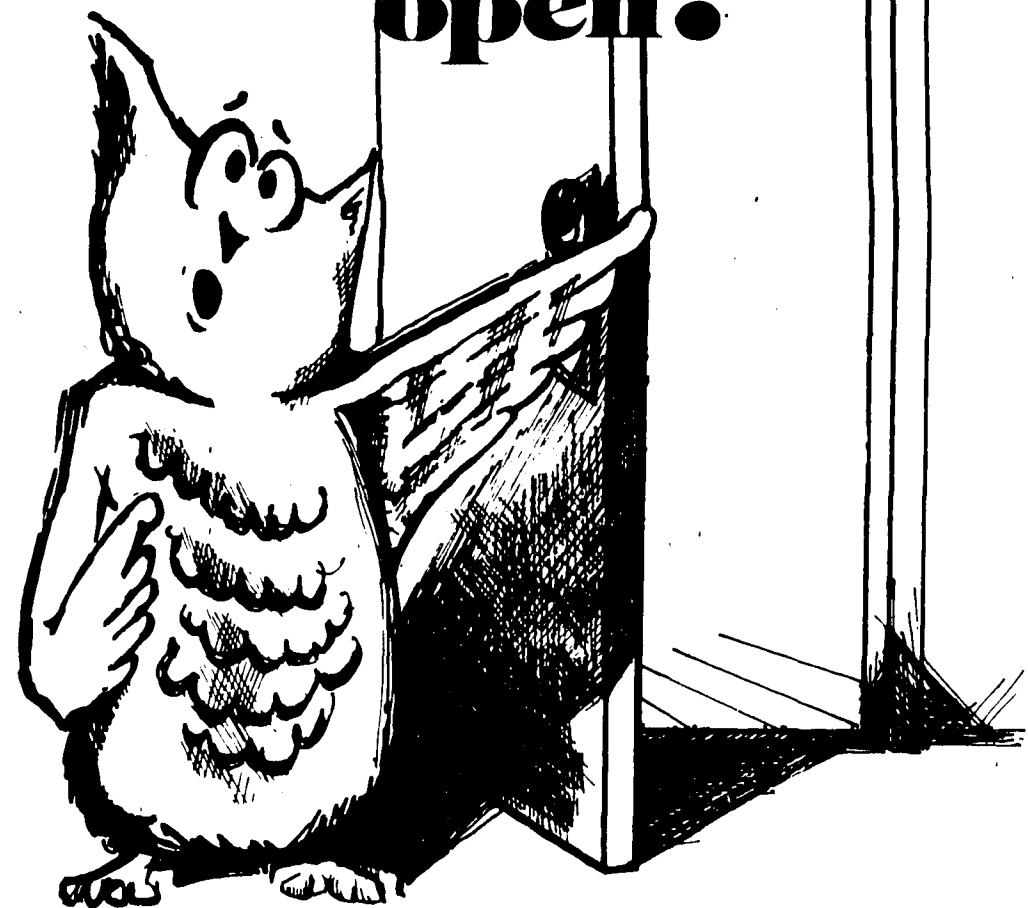

Mrs. Molly Freeman attended the Pot Luck Supper last Monday September 19 at The Bear River New Horizons Centre.

Among visitors of Mrs. Lottie Lewis were Mrs. Peter Wilson, Mount Uniacke, and Mrs. Donald Beeler, New Minas.

Visitors of Mrs. Edna Rice were Mrs. Lauretta LeBlanc and grandson, Weymouth; Mrs. Grace Saulnier and grandson, Weymouth Mills; Mr. Victor Handsaker, Weymouth, Mrs. Alan Vantassell, Paradise, Mr. and Mrs. Laurie Sanford, Clementsville, Mr. and Mrs. Alfred White, Ashmore, Miss Bertha Ettinger and Mr. Dwight Morgan, Lansdowne.

Visitors of Mrs. Mabel Small were Mrs. Robert Chipman of Yarmouth; Mr. and Mrs. Robert Moriarty of Springfield, Mass.; Miss Judy Gross of Boston, Mass.; Mrs. Mary Mayer, New York; Mr. James Smith, Dartmouth; Mrs. Llewellyn Raymond, East Ferry; Mrs. N.B. Theriault, East Ferry; Rev. Williams, Tidville; Mr. Jack Theriault of Ottawa; Mr. Sydney Pinard, Ottawa; Charlene and Kelvan, East Ferry, Mrs. Mabel Small spent Tuesday with Mrs. Lillian Gross, Digby, she also spent Sunday September 18th guest of Commander and Mrs. Alec Fox at Cornwallis; Mrs. Mabel Small accompanied Mrs. Llewellyn Raymond to Yarmouth last Friday. Mr. and Mrs. George Theriault of East Ferry, were callers on Sunday.

## Keeping the door to new energy sources open!

**KEEPING THE DOOR OPEN to new energy sources will decrease our dependence on imported oil. Electricity will play an increasingly important role. The Science Council of Canada in its July 1976 report states: "By the year 2001 electric energy, as an end use form, is expected to be the backbone of our economy."\***

**The Nova Scotia Power Corporation is looking at developments in the alternate energy fields: coal, hydro, tidal, wind, nuclear, solar, wood and waste products for the production of electricity.**

**We also believe that electricity will fill the energy gap because it can be generated from so many different sources.**

**As an energy consumer you should now learn to use all forms wisely and efficiently — we have a free booklet that can help. Write to us at Box 910, Halifax.**

## Royal Bank Open House

His Worship, Mayor Stuart MacNaughton, cut the ribbon on Wednesday morning which officially marked the opening of the Digby Branch Royal Bank of Canada following its recent extension and renovations. The occasion also marked the 75th anniversary of the Royal Bank of Canada in Digby.

The ceremonies were presided over by James Gillis, present manager of the Digby Branch, who introduced Roy Demone, Regional Manager West Nova Scotia. Both Mr. Demone and Mr. Gillis thanked the staff and the customers who were understanding of the inconveniences during the renovations.

Mr. Demone said there was a variance of opinion whether the branch here opened in 1902 or 1901. During those years the managers were: - Union Bank of Halifax manager 1902-05 - J. A. Irving (UB of H); 1905-06 - F. G. D. Cameron (UB of H); 1906-10 - E. R. Mowbray (Royal); 1910-25 - P. C. R. Harris; 1925-34 - R. H. Lockward; 1934-37 - W. R. Fillmore; 1937-38 - A. C. Hutchinson; 1938-43 - R. B. Murray; 1943-49 - A. T. MacLellan; 1949-51 - H. J. Matheson; 1951-63 - C. V. Snow (retired); 1963-71 - V. A. Thompson; 1971-74 - S. R. McKay; 1974-J. L. Gillis.

Special guests introduced by Mr. Gillis were Miss Coline Campbell M.P.; Jack Moran, Manager of Marketing Development of Western Nova Scotia; Mrs. Helen MacNeil, Deputy Warden of the Municipality of the District of Digby; William Cox, Bear River Royal Bank Manager; Pierre Cornus, CFB Cornwallis, manager; and Fred Ross, Weymouth manager.

Special guest introduced was Dr. V. G. Turnbull who accepted from Mr. Gillis a plaque which had been in the bank in memory of Dr. Turnbull's brother, Archer Turnbull, who lost his life in World War One. Prior to the war Mr. Turnbull had been on the Royal Bank staff.

Taking part in the ceremony were Mrs. Debbie Isles and Mrs. Virginia Guptill of the Digby branch staff while other members of the staff assisted in receiving guests and serving.

## Rural And Native Housing Program A Sham

Nova Scotia NDP Leader, Jeremy Akerman, stated that "the Rural and Native Housing Program for Digby and Yarmouth counties was a sham and a farce".

Mr. Akerman pointed out that College Sainte-Anne's Extension Department, who is responsible for the implementation for this program, points out they were awarded a mere fifty-six applications for 1977 to cover Yarmouth and Digby counties. This is a quite insufficient amount to reasonably handle the requirements of this enormous area. Mr. Akerman pointed out that the waiting list is already quite considerable and that there are intimations coming from Central Mortgage and Housing Corporation that next year's allocations will be no greater if not possibly less than this year's.

The NDP leader stated that many senior citizens, deserted wives and low income people living in rural areas have applied for this program under the misimpression that if they

met the criteria for the grants they will be eligible to receive funds to get their homes repaired. "This will certainly not take place this winter and in all likelihood may never take place during the lifetimes of many of these people," Mr. Akerman said. The NDP Leader said it is most reprehensible for the Federal Government to announce programs and not provide adequate funds to implement these programs. He said he had great sympathy for the Extension Division of College Sainte-Anne in their attempt to provide assistance for those in greatest need and greatly appreciated their frustration in their inability to meet many, many of the requests from needy people in the Digby and Yarmouth areas.

Mr. Akerman called on CMHC to quote "put some money where its mouth is when programs are announced to ensure that policies can be implemented and programs are more than tokenism and window-dressing for political purposes."

## Trinity Youth Group Planning Ahead

A meeting of the Trinity Youth Group was held on September 26 at 7:30 p.m. at the Anglican Church Hall. One hundred dollars of the proceeds from last season's bike-a-thon was voted towards the rectory, in old business.

New business. This season's executives were elected. The denomination, collection, and utilization of dues was agreed upon. The possibility of renting old films and charging admittance to their presentation was discussed. Members were encouraged

to donate games. Members expressed desire to begin a craft-learning program. Tentative plans for the Hallowe'en dance on October 22 were developed. It was resolved to limit attendance to members and their guests. Cost per person was set at fifty cents.

Next meeting is to be Monday, October 3 at 7 p.m. On the agenda are a report from Steven Dumphrey on the plausibility of presenting films, discussion of future undertakings for the group, and further development of plans for the dance.

## Skidway Repairs At Sandy Cove

Coline Campbell, Member of Parliament for South Western Nova, announces on behalf of the Minister of Public Works, the Honourable Judd Buchanan,

that tenders will be called for repairs to the skidway at Sandy Cove East.

Tenders will close on October 12, 1977.

## Minor Fires

On Monday afternoon the Digby Fire Department was called to the home of Harley Weir at Conway, when fire started in the kitchen back of the fridge. The trouble was quickly seen to and the fire equipment returned without

being used.

The chimney fire at the home of Mrs. Gretta MacNutt, Racquette Road, was readily extinguished on Sunday when the Digby Volunteer Fire came to the scene.

Digby Branch, Royal Bank of Canada, Manager Jim Gillis presented Dr. V.G. Turnbull with a plaque during official opening ceremonies for the bank's addition. The plaque is in memory of Mr. Turnbull's brother, a former bank employee, who lost his life in World War I.

## New Tusket Senior Citizens Receive Grant

Approval of four New Horizons projects which will involve some 150 Nova Scotian senior citizens was announced today.

Roy Comeau, field representative for the New Horizons branch in Nova Scotia said \$38,534 in federal funding will be made available to these projects.

New Horizons is a branch of the federal department of Health and Welfare Canada.

Mr. Comeau said these latest approvals bring to 212 the number of projects that have received funds since the program was introduced in September, 1972. Approximately \$2.1 million has been granted during the same period.

The Chester Senior Citizens Club is being given a grant of \$6,182 to organize and develop a recreational program for the retired people living in the town and surrounding areas. Carpet Bowling, games, movies, music, handicrafts and socials will form part of the proposed program for the 80-member group.

Some 40 senior citizens - members of the New Tusket Area Senior Citizens group - will benefit from a \$5,676 grant. The club is also organizing a recreational program which will be held from the community hall in Havelock.

The New Tusket area is about 25 miles from Digby. A grant of \$6,204 is going to a Halifax based group which will be putting together a Seniors Directory Services booklet. The publication will contain data of the various services available to seniors in the metropolitan area of Halifax, Dartmouth. It will be distributed to all senior

citizen's clubs and housing complexes, hospitals and nursing homes.

The Top Generation Newsletter Group of Halifax will be able to continue producing their bi-monthly publication thanks to a \$20,472 grant. The paper, which has a circulation of 11,000 is designed to spread the news and foster a feeling of fellowship and unity among the retired people of Nova Scotia. In November, 1975 this group received a grant of \$17,277 to get the newspaper started.

Mr. Comeau explained that New Horizons was introduced to encourage retired people to create projects of their own choosing.

Funding is given to groups of retired individuals who will undertake activities for the benefit of themselves and others in their communities.

Applications for funding can be obtained by contacting the New Horizons office in Halifax.

## Sees Families On Vacation Trip

Mrs. Mabel VanTassel of Basinview Apts, Digby, has returned, after a visit of five months, with her family, from Dartmouth to Vancouver. She also spent

sixteen days in Hawaii, with her son, Russell, and family from Vancouver and four days in Victoria, B.C. While in Ottawa Mrs. Van

Tassel's sister and niece arrived from England for a month's visit with Mrs. Van Tassel and son, Richard, his wife and daughters.

Several of Mrs. Van Tassels family met including Guy from Digby. A happy get-together by all was held.

# Nova Scotia's roads are going metric.

**Beginning October 3, 1977  
all speed and distance signs on Nova Scotia's roads  
will be going metric.**

### The new speed signs: limits in kilometres per hour (km/h).

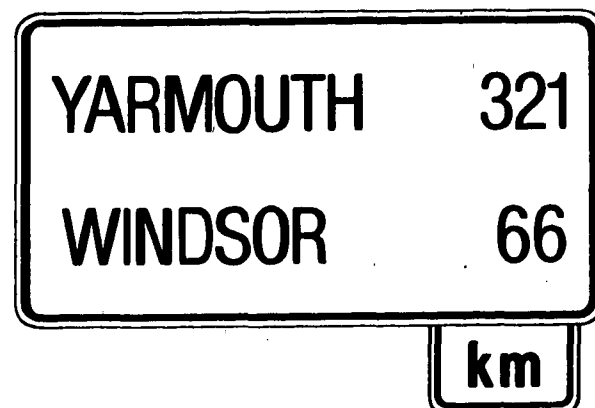

New	Old	New	Old	New	Old	New	Old
The 50 km/h Speed Limit Sign replaces the 30 mph Speed Sign.		The 80 km/h Speed Limit Sign replaces the 50 mph Speed Sign.		The 90 km/h Speed Limit Sign replaces the 60 mph Speed Sign.		The 100 km/h Speed Limit Sign replaces the 65 mph Speed Sign.	

### The new distance signs: in metres (m) and kilometres (km).

Signs showing distance in kilometres are already familiar in many parts of Nova Scotia. Soon, all signs will be changed over.

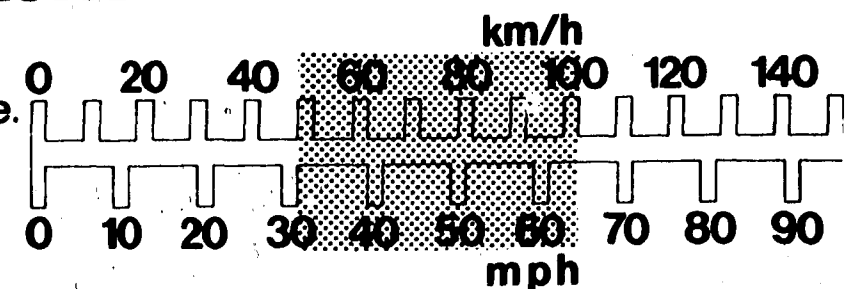

An easy way to familiarize yourself with kilometres is to consider the time factor involved. For example: 50 km (30 miles) would take about 30 minutes to drive at a speed of 100 km/h.

Kilometres per hour can easily be converted to miles per hour by multiplying by 0.6.

### Your speedometer

This speedometer measures kilometres per hour on the top scale and miles per hour on the bottom scale. Drivers should familiarize themselves especially with those metric speed equivalents appearing within the commonly-used range indicated by the shaded area.

The metric system is already used to measure highway speeds and distances in most countries around the world. All provinces have been asked to make the change to metric under a Canada-wide plan approved by Metric Commission Canada.

The Key to learning the metric system is to "think metric" — avoid converting to old imperial units wherever possible.

ACCOUNTS RECEIVABLE "INSURANCE"  
or "arms-reach" protection against overdue accounts.

You can get insurance for almost anything. But the best and lowest cost protection you can get against overdue accounts is the proper and frequent use of long distance. It's within reach of everyone. In fact you might say with-in arms-reach. Sometimes all it takes is one call to reduce those costly "delay days". And the cost of the call is a lot less than the cost of carrying accounts that are overdue. Try our low cost Accounts Receivable "Insurance". For daytime DDD calls within Nova Scotia, the premium is less than a dollar a minute.

## Bear River Softball Wrap-up

In spite of a short life in the play-offs, when they lost the two out of three series two straight to Clementsvalle, the Bear River Softball Club had a satisfying and in many ways successful season.

The Bear River Softball Club climaxed its most successful season with an 8-4 triumph at home over Round Hill Rockets to finish league play with a record number of nineteen wins and four losses. Blair Bell on the mound for the home team established a regular season mark for pitchers with his 8th win. His only loss was a 7-3 decision to Annapolis Royal Merchants in July. The team split a doubleheader with Bridgewater Michellin and recently took both ends of a doubleheader with Waterville to bring home the Waterville Field Day Trophy, returning their visit to Bear River on Carnival Day. Over all, the team sported a record of 23-5, marking the first time it ever finished first in the regular season. With a bake sale, generous collection from loyal fans, and help from Wagner's Restaurant the club was also able to obtain a good set of uniforms for all twenty players.

After relying mainly on a solid defense in early play, the bats came to life in mid-July and the club finished with a total of 220 hits in 696 bats for an average of .316. First Baseman Terry Riley's twenty-nine hits and .433 average over 23 games was followed closely by Steve Saulnier's 29 hits for a .377 mark, in the same number of games. Utility man and pinch hitter Dave Larkin topped the averages with a .461 on 12 hits in 26 trips to the plate. Rookie outfielder Steve Robinson took over the leadoff spot from brother Jack in August and hit a snappy .416.

Player	Pos.	Gp.	AB	Hits	AV
Larkin D.	2b, rf	12	26	12	.461
Riley T.	1b	23	67	29	.433
Robinson S.	lf	12	36	12	.416
Saulnier S.	3b	23	71	29	.377
Banks D.	P	17	44	16	.364
Baxter M.	C	20	62	22	.355
Ellis G.	lf	12	33	11	.333
Haight D.	2b	23	73	21	.288
Peck G.	rf	4	11	3	.273
Banks E.	ss	19	59	16	.271

Outstanding catches in the outfield saved many of the close games. Fans will particularly remember Doug Hapeman's "shoestring" and Steve Robinson's deep catch off Bob Perkins' blast one night in Clementsvalle. Josh Peck and Greg Ellis bring sure gloves and strong arms to rob opponents of long flies and extra bases. Second baseman Dan Haight saved several mid-season contests with the glove and also the bat, breaking two consecutive ties in the last inning. First baseman Terry Riley had an interesting and busy season handling throws from third baseman Steve Saulnier and Eddie Banks at short who completed the team's best infield in recent years.

Confidence in the fielders helped the pitching staff to achieve a new high of five shut-outs in a season. Blair Bell's

8-1 record led the league and Dave Banks followed with a 7-1 record, the loss coming as a 27-7 pounding from Annapolis Royal on July 12 which featured two consecutive homers by Merchant first baseman John Armstrong over the right field fence. Lindsay Peck was with the team through July and posted a 4-2 record on the mound. Backstopper Murray Baxter returned from a leg injury and his value was apparent as the team immediately pulled out of a three game losing streak. Baxter caught all 19 wins with hustle and great ability to handle wild and difficult pitches.

The club wishes to express great appreciation to coach Lawrence Henshaw, umpires Bill Cox and Harry Hill and President Ron Cooper who gave freely of their time and energy to the club.

## Minor Hockey Registration

### October 15-22

Registration for Digby Minor Hockey will take place October 15 to October 22 from 10 a.m. to 4 p.m. at the Digby Forum, it was decided at a meeting of the organization. Registration was set at \$25.

A new system of playing was also decided on for minor hockey in which emphasis is placed on the house system. Under this system the better players in each group will be dispersed through the entire system. Each team will have a mixture of average and good players.

The leagues are composed of five divisions according to the ages of the players. Children aged 15 and 16 will play in the midjet division; the bantam division will be

composed of children 13 and 14 years; the pee wee division will be made up of children 11 and 12; the atom group will consist of 9 and 10 year olds and the novice division will enclose all children under age eight.

Beginning in the new year all participants in Digby Minor Hockey will be required to wear helmets and face masks as a safety measure. The cost amounts to \$15. In order to keep the cost of equipment to a minimum, a trading system is being established. This system will give each player opportunity to trade equipment that has become too small for equipment that will fit. Using this system the cost of equipment could be kept down to about \$50.

BJ (Brad) Amirault has found a method of relaxation which provides more than a mere passing interest. The Digby store owner started painting two years ago and has since indulged much time into his hobby.

The picture in foreground is the Schooner Effie Morrissey which Mr. Amirault is painting from a 1912 photo from "The Loving Fishermen."

The Effie Morrissey carries some local history with it. Built in 1894 in Essex, Mass., the vessel was sold to Digby interests in 1905. Digby area people made up the ship's crew.

## Club Collects For Arthritis

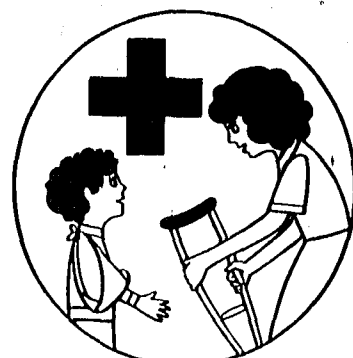

The Stitch and Chatter Club, Weymouth, met on Friday evening at the home of Mrs. Sherwood Barr. The meeting was opened with a welcome by the president, Mrs. Pat Lewis, followed by a devotional and business meeting.

The Group will be canvassing for The Arthritis Society in the Weymouth Area. The Canadian Society was

established in 1949 and is a national voluntary health agency whose objectives are to expand and improve services for diagnosis, providing patients with factual information, and to sponsor programs of research to discover arthritis causes and to raise funds for these purposes. It is estimated that 40,000 people in N.S. suffer from Arthritic diseases.

#### BEEF FOR THE FREEZER

A home freezer filled with a winter's supply of meat is a great ideal, but it is not as easy to come by as it sounds!

Planning, careful preparations and precautions go into the whole operation before the convenient, tasty meats are enjoyed.

Before a side or quarter of beef is bought, consider a few

points. Is the source of freezer beef consistent in quality? You may have to ask around. Are you going to enjoy the larger number of slightly tougher cuts? It's fine to enjoy steaks but the flank, chuck and other tough areas take more time and effort to cook.

Are you fully aware of the total cost? When a side or

quarter is bought there is a certain amount wasted in the fat and bone. The cutting, unless done yourself, costs a few cents per pound. Wrapping, too adds a few cents more.

And finally, the cost of running the freezer must be considered. It takes \$2 - \$5 per month to run a full deep freeze (depending on type).

Many people of course, have weighed these facts and have decided the advantages outstrip the disadvantages. The comfortable convenience of having a supply of meat at home is a great feeling. Also, it eliminates the constant vigil for "good buys" in the grocery store to make your meat dollars stretch further.

Once you've made the

decision to freeze beef, consider a few of these points for top quality end products.

1. Meat must be wrapped well to prevent dehydration by cold air (Freezer burn). Use freezer paper, heavy aluminum foil, or firm plastic to provide good protection. Lighter wrappings puncture too easily after the meat is frozen.

Don't skimp on the wrappings. The drugstore wrap, where the edges are folded together, is a good method to use. The butcher wrap is good too, where the meat is wrapped with a couple of rounds and the ends tucked in on the final wrap around. Use freezer tape or tie well. Use tape if the wrapping is loose or skimpy. The objective is to exclude as much air as possible and provide a good seal.

2. The second major consideration is the amount of meat frozen at one time. Meat is much MUCH better if frozen very fast. Home freezers simply cannot freeze large amounts of meat very quickly. So, a formula to remember is two pounds of meat per cubic foot of freezer space. Or, simply multiply your freezer size by 2. That is the limit (in pounds) of meat that can be frozen satisfactorily in 24 hours.

To freeze more than that, results in slow freezing, causes tissue breakage, and results great loss of moisture when thawed. If meat loses a lot of juice when thawing it is an indication that it was not frozen fast enough! This results in dry, tough meat.

Another problem in freezing too much meat at once is the warming up of other foods in the freezer. Vegetables, in particular, are affected adversely by this warm situation. Whole freezer loads of food have been known to thaw out when too much meat was put into freezer!

A wise consideration here would be to have the meat frozen, after cutting, in a freezer locker or large type of freezer. A few suppliers of

freezer beef now provide this service.

3. Good labeling of meat packages prevents a lot of confusion when you're ready to prepare it for a meal (especially when an amateur cutting job renders the cut unrecognizable!!).

4. For many families ground beef goes a long way. When getting the meat ground don't forget to add a bit of fat. Fat does add moisture, tenderness and flavour to those lean tough cuts of the carcass. Sure, we're all conscious of fat on meat, but there's nothing so tasteless as dry sawdust-like hamburgers.

We North Americans obviously like beef. The average amount consumed in over 100 lbs. per person per year! Choosing our beef wisely, storing it carefully, and cooking it tenderly all contribute to the utmost enjoyment and our money's worth of this favourite meat, BEEF.

## Don't Become A Servant To Credit

Consumers must master credit if they are not to become its servant, says the N.S. Department of Consumer Affairs.

"Credit's appeal lies in the fact that it is easy to use," says the Department's deputy minister Kenneth M. Mounce, "a fact that credit grantors make very clear in their advertisements. If it's easier to show a plastic card than it is to count out the money or

write a cheque, most consumers will take the easier path.

Unfortunately, because no money actually changes hands, it's also very easy to forget that a commitment to pay has been made."

Buying on credit means that you are promising to pay for today's purchase with tomorrow's dollars, he says. Those future earnings have been spoken for and should not be used for other purposes, a fact that many consumers seem to forget when they sign credit or loan contracts. The result, too often, is financial trouble that could be easily avoided.

The key to successful credit buying is proper planning, Mr. Mounce says, and that depends on the consumer having a clear picture of his priorities, those things that he requires to maintain his lifestyle being separated from those things he wishes to acquire to better it. A budget which

clearly separates your wants and needs can help you keep track of your finances and also keep your debt load in line.

When drawing up your budget, Mr. Mounce suggests setting aside no more than 20 percent of your net income to cover instalment debts. More than that amount means that you're drawing dangerously close to trouble, he says. Another guideline for instalment buying is that it should not take more than one year to wipe out all debts, with the exception of mortgages, car payments and the like.

It's also a good idea when you're deciding what to pay everyone else, to pay yourself as well, Mr. Mounce says, by putting money aside for savings. How much to put aside depends on your income. However, it's a good idea to keep at least \$500 aside for emergencies. If your job is not too secure

or is subject to seasonal fluctuations, then your savings should be greater to take into account those times when you will be making less or not working at all.

All these points should be taken into consideration before you decide to buy on credit or take out a loan as they will determine the amount of your future earnings that will be available to pay off the obligations you are taking on today, he says. If you don't know what your financial position is now and what you can count on in the future, it might be to your advantage to take the time to assess your financial position. Perhaps you might be better off waiting until you can pay cash for your next large ticket item.

#### PARTICIPATION

Participation in the credit system is a choice. Fitness. In your heart you know it's right.

CTV features the roots of Rock and Roll and the music of the fabulous fifties and swinging sixties, in the musical special - **TWENTY YEARS OF ROCK AND ROLL**, Thursday, September 29, 7:30 P.M. on ATV.

This revival concert was taped before 8,000 beat fans who had gathered to pay homage to some of the hottest groups of the fifties and sixties including The Drifters, The Original Coasters, Johnny Maestro And The Brooklyn Bridge, and Jimmy Beaumont and The Skyliners. **TWENTY YEARS OF ROCK AND ROLL** was hosted by Clay Cole, one of the Sassest New York City D.J.'s from the rock era.

Since their first recording, "There Goes My Baby" in 1959, The Drifters have sold over 1,500,000 records. As one of the greatest rock and roll entertainment experiences in the music business, The Drifters sing a musical salute to rock with "This Magic Moment", and "On Broadway".

When you think of the most consistently successful comedy-novels acts from the mid-50's, the name of The Coasters immediately comes to mind. In **TWENTY YEARS OF ROCK AND ROLL**, The Original Coasters sing "Charlie Brown" and "Poison Ivy".

With their distinctive close-harmony, Jimmy Beaumont and The Skyliners have maintained their fans and critical acclaim from the 1950's until today. **TWENTY YEARS OF ROCK AND ROLL** features The Skyliners singing "Since I Don't Have You".

And Johnny Maestro and The Brooklyn Bridge manage to "bridge the gap" between the sounds of THEN and the sounds of NOW on this musical special on ATV singing, "16 Candles", "Trouble In Paradise" and "The Worst That Could Happen".

**TWENTY YEARS OF ROCK AND ROLL** hosted by Clay Cole is a musical rock tribute and features the

**The Joyce Davidson Show**

biggest rock group sounds in the "rockiest" era.

## Hard Times

**HUSBAND-WIFE CHARLES BRONSON AND JILL IRELAND CO-STAR IN HARD TIMES, A GRITTY SAGA OF THE PRECARIOUS LIVES OF HARDENED MEN DURING THE**

Saturday, October 1, 9:00 P.M. on ATV

Shooting entirely on location in New Orleans has given a special look of authenticity to **HARD TIMES** starring Charles Bronson, Jill Ireland and James Coburn.

It is 1936. A freight train moves slowly to New Orleans, Louisiana. A figure emerges from a box-car and drops to the ground. This is Chaney (Charles Bronson), wearing cloth cap, drab work clothes and a two-day bear stubble. In a nearby warehouse an illegal prizefight is in progress. Hustling bets are Speed (James Coburn) and Caesar (Maurice Kowalewski). Chaney watches as Speed's fighter is beaten. Chaney proposes to Speed that he could win such a fight. The next night in the same warehouse, Chaney quickly wins the bout. Speed arranges a working deal with Chaney to sponsor and bet his fights and thus Chaney's life as a street-fighter begins.

Speed borrows money from a vicious money-lender at an extremely high rate of interest to bet on Chaney's fights. When Chaney wins his fight, the losing bettors refuse to pay and a hostile

**THE JOYCE DAVIDSON SHOW** IS A SHOW FOR PEOPLE ABOUT PEOPLE AND CURRENT ISSUES THAT AFFECT ALMOST EVERYONE

JOYCE DAVIDSON is a truly talented interviewer. Her manner of questioning is thoughtful, direct, penetrating, and perfectly balanced. Each weekday morning, 9:30-10:00 a.m. ET, the **JOYCE DAVIDSON**

fight develops.

Speed loses all his money in a crap game and is in real trouble if he cannot repay his debts. Chaney agrees to fight a muscle-bound giant of a man for a large sum of money and to save Speed from the tough gang demanding repayment of his debts. This fight, in a dark and dingy warehouse is long and bloody. Ultimately, Chaney wins and hastens to leave. New Orleans, destination unknown.

Bronson himself was brought up in destitute conditions during the Depression and identified closely with his role of Chaney. He said, "In **HARD TIMES** I play a drifter, a hobo, who's searching for something. The role and the film are comments on those times. I come and I go. Nobody ever knows from where or to where".

**HARD TIMES** was produced by Lawrence Gordon and directed by Walter Hill with Paul Maslansky as executive producer. The screenplay was written by Walter Hill, Bryan Gendoff and Bruce Henstell based on a story by Bryan Gendoff and Bruce Henstell.

There was a successful teenage dance held in the IOOF Hall on Saturday night, when all had to wear clothing of the '50's or pay a fine.

Red Williamson is home for a few days. We hope to see him home soon still more improved in health.

Several Legion members who started for the dance at the Legion Hall on Friday night got sidetracked and went to the Zone Rally at Weymouth, instead, where they met a royal welcome.

Recent visitors at the home of Mrs. Ruth Pugh, Evelyn and Terry were Terry's friend, Roy Lennox, and also Mrs. Miriam Thomas.

Mrs. Bernard McDormand has returned from Digby Hospital where she spent some time undergoing treatments.

Harold Swift has returned from Kentville Hospital where he underwent surgery. A speedy recovery, "Pench."

We sympathize with the captain and crew of the Lady Sandra, the sinking of which has lost them the remainder of the sealing season.

Master Ian McDormand has returned from Digby Hospital where he lost his appendix. Get well fast, Ian.

Mr. and Mrs. Harry Peters, Kentville, are visiting Mrs. Bernard Bowers. We are glad to see Edna getting around in her car again even though she still uses crutches to walk.

The Rebekah Meals-on-wheels is providing one meal a day for her while she is incapacitated.

The funeral of Mrs. Irene Hicks was held from the Church of Christ on Tuesday.

We extend our sympathy to her family, who were all here except her two sisters in Ontario.

Mr. and Mrs. Billy Welch spent part of the weekend in Yarmouth, where Mrs. Welch, the District Nurse, attended a class at the office of Dr. George, on Ways and Means of examining children's eyes. Mr. and Mrs. Sidney Morehouse were at the same office on Friday for a checkup on Mr. Morehouse's eyes.

Mr. and Mrs. Les Barnaby and family accompanied by Miss Joy Delsey are in Ontario to attend the wedding of their son, Herby. Herby and his fiancée were home recently, when Mrs. Barnaby gave them a shower in the church vestry.

Albert Welch is home from his travels visiting his son, Capt. Alan Welch and family at Trenton, and his daughter, Mrs. Roy Peters and family, Greenwood. His trip was marred by a bout with pneumonia, contracted by sitting too long in the cold at a double header baseball game in Ottawa.

Mrs. Eldora Williams, Yarmouth, is visiting her sister, Mrs. Viola Garron. On Sunday she was at the Church of Christ where she was greeted by friends she hadn't seen in years.

The various canteens and also the Restaurant in Sandy Cove have all closed for the winter, and now there is no "eatery" between here and Digby.

The sight of a sailboat cruising around the harbour once more is nice to see. Jim McLaughlin has sorely missed his other sailboat which was lost when his shop was washed away in the storm on Groundhog Day.

John Robicheau had an exciting trip when he rode on the back of his brother Benny's motorcycle to Ontario. He returned by air, accompanied at the last minute by Benny, who succumbed to the temptation to come and see the local whale. The bones of this whale, by the way, are being

exposed to the weather in preparation to being sent to a museum.

Joyce John, Janet, Eric Baltzer and Christalder went to Brighton to the home of Mary Ross and spent the day making "root beer".

Freda Baltzer Michael Dana and Eric visited Mrs. Dini Baker. Martin and Jeff were home for the weekend.

## Personals

Mrs. Gladys Stark, Culloden, spent several days recently with her daughter, Mrs. James Smith and Mr. Smith of Mount Uniacke. She also spent several days with another daughter, Goldie, in Kentville.

Mr. and Mrs. Gordon Cook, Kevin, Wendy and friend Lee all of Weymouth, N.S., spent the week-end with the former's sister and family, Mr. and Mrs. James Smith, Mount Uniacke. While there they also visited Kevin's friend Sandra, who is a patient in the Halifax Infirmary.

David Wilson, Hamilton, Ont., son of Mrs. Ernest Wilson, Maiden Lane, Digby, has gone to Hinton, Alberta, where he is employed.

Mrs. John Walker, has returned from Great Village, Colchester Co., where she visited her sister, Mrs. William Kent for a week.

Miss Evelyn Mount visited her niece, Mrs. Eric Longley and Mr. Longley and family in Ottawa.

Mrs. Dr. Patricia O'Neil and husband Dr. H.W. O'Neil have returned home to Carmel, California. They left their twin boys Stuart and Stephen at Dalhousie University, Halifax.

Rev. Ronald Stevens and Mrs. Stevens of Shediac, N.B., called on Mr. and Mrs. Donald Fleet on Sunday.

## Hillgrove (Mrs. D. Roope)

Mr. and Mrs. Carroll Gilliat of Granville Centre visited with Mr. and Mrs. Bruce Gilliat and family on Sunday.

Mr. and Mrs. John Marshall and Mr. and Mrs.

## Couple Honoured

Mr. and Mrs. Gerald Otis of Newington, Conn., and Sandy Cove, N.S., were welcomed by relatives and friends at Sandy Cove when a reception was held in their honor at the summer home of Mrs. Helen Anthony, Sandy Cove. Mr. and Mrs. Otis have recently completed their new summer home at Sandy Cove. Mr. Otis was born in Tiverton, son of Ralph and Lennie (Crowell) Outhouse. The gathering on Saturday, September 17, 1977 also served as a reunion of three generations of the Crowell family.

## Community Hall Committee Makes \$200 Donation

The annual hall meeting was held in the Rossway Hall on Monday evening. There were ten interested persons attending.

The retiring trustee, George Thibault was re-elected for the ensuing three years. The other two trustees are Trueman Wentzell and Claude Westcott.

The Activity Group who holds the weekly card parties passed over two hundred and sixty dollars for the hall fund-making a

total of four hundred and four dollars passed over during the year.

A Recreation Group for the younger children was newly formed with Rev. Lester Mullen as leader and President with a committee of Freddie Ross and Dave Taylor.

Thanks goes out to all those who supply sandwiches and cake for the card parties, which is the only source of raising money for the upkeep of the hall.

Chester Keen all of Halifax and Mr. Robert Burke of Dartmouth, were Sunday dinner guests with Miss Susie Nichols and Mr. and

Mrs. Arthur MacKay and all attended the funeral of Mr. Robert Winchester at Smith's Cove in the afternoon.

## Reflecting To 1927

"I stand for the Maritimes and small communities as against the enormous influence of central provinces" was in the editorial in the September 30, 1927 edition of The Digby Weekly Courier by C. Jameson. His editorial was on the future of Maritime Rights and said he had a feeling of alarm and fear about the efforts to curtail Maritime Provinces representation at the National Convention of the Liberal Conservative Party to be held in Winnipeg. The editorial said that Maritime Rights would continue an important factor of the politics of the Dominion of Canada for years to come. It was at this time that a National Convention of the Liberal Conservative Party was to be held in Winnipeg to select a leader. According to the editorial only daily newspapers were invited, the weekly papers were being excluded. This was taken as a blow aimed at the Maritime Provinces. Conditions in the Maritimes, the editorial said, were not the same as in Central Canada. In Nova Scotia only two (possibly three) daily newspapers would be eligible to attend while in Ontario 27 daily papers could attend and similarly in Quebec. This would enormously influence the delegates at the convention which would be a matter to be viewed with alarm by residents of the Maritime Provinces. The representation would be cut down seriously when there are so few dailies in the Maritimes and many weeklies while in the Central Provinces there are many dailies, the writer said.

The Courier was looking toward development of the Digby - Saint John transportation service and remarked that the D.A.R. as a Canadian Pacific extension into Halifax was a logical route for increased passenger and freight traffic. Digby, too, would benefit through the C.P.R. participating in the Lord Nelson Hotel in Halifax. The C.P.R. was subscribing to a controlling interest in the proposed Lord Nelson Hotel in Halifax to an amount of \$350,000. The C.N.R. announced it would construct a hotel in Halifax as part of the railway's hotel system. All this was felt to mean much to Digby (in the way of increased rail and steamer service) coming in addition to the new steamers of the Eastern Steamship Company. It would mean a wonderful development in tourist trade of which Digby was considered the centre for the province.

Fish prices were reported low, the potato crop was a failure but according to the commercial news the tourist business had left a lot of money in the Digby city.

Extension of ten feet to the ice surface at Victoria Rink seemed to start off the hockey fans' interest for the winter. Ice surface was extended to regulation size of 145 feet between goals. According to the news, Eldridge had sent for the goal pad catalogue and was going to pick himself a pair of real wings, wide as they make 'em and catch all the corner shots. Others on the team reported they had sworn off wine and women and would be at every (Ravens) practice.

The Church Harvest Supper at Acaciaville African Baptist Church was a big success both socially and financially. The ladies being famous for their skills, excelled themselves with chicken and all the fixin's. gross take at the supper \$51.80. (Compare that with today's take.)

At Dakin Bros the Century wood heaters could be bought for \$13 to \$15. Baking powder could be bought at the Ross Smallie store for thirty cents per pound and cocoa at two pounds for 25 cents. At the M. Webber store the price of men's windbreakers were regular \$4.50, sale \$3.75 and boy's \$2.50 and \$1.75.

The Women's Institute at Smith's Cove held their annual W.I. Agriculture and Horticulture Exhibit in the Temperance Hall. A great deal of work went into the exhibits such as a contrast in a "House of Health" and a House of Woe. The House of Health was represented by construction with whole wheat bread, a jar of milk for the chimney and a garden represented by fresh fruits strewn about. A good fairy with white wings presided. The House of Woe was built with sweet

## Film Festival Donated \$100. To Natal Committee

Attendance of nearly 1000 people, residents and visitors to the area, highlighted a report assembled by C. Laughton Bird, program director of the Annapolis Film Festival.

Expenses launching the festival were kept to a minimum, it was stated. However, for an event of this scope ticket sales and some financial support by interested bodies barely covered costs. Nevertheless, the festival committee was able to make a contribution of \$100 Annapolis Royal's Natal Day Committee.

The first-ever film festival in this area was organized and carried on by a special committee of local residents in conjunction with the long-established Natal Day organization, in mid-summer.

A visitors' book, signed by many film-goers at the informal receptions which followed the six showings at the Annapolis West Education Centre revealed a broad representation of United States as well as Canadian provinces and areas of Nova Scotia.

Of the three-day's program of international features and local special films most screenings were sell-outs. One, indeed, featuring the Annapolis Royal of the 1940's had to be re-offered to an over-flow audience.

Mr. Bird, who has recently returned from an international film festival at Montreal, revealed that plans are already being made for the 1978 version of Annapolis' own film festival. He was high in
